The governor or the governor's designee shall represent the public employer for bargaining purposes.

(2) There shall be collective bargaining, as defined in RCW 41.56.030, between the governor and language access providers, except as follows:

(a) ~~((A statewide unit of all language access providers is))~~ The only units appropriate for purposes of collective bargaining under RCW 41.56.060 are:

(i) A statewide unit for language access providers who provide spoken language interpreter services for department of social and health services appointments, department of children, youth, and families appointments, or medicaid enrollee appointments;

(ii) A statewide unit for language access providers who provide spoken language interpreter services for injured workers or crime victims receiving benefits from the department of labor and industries; and

(iii) A statewide unit for language access providers who provide spoken language interpreter services for any state agency through the department of enterprise services, excluding language access providers included in (a)(i) and (ii) of this subsection;

(b) The exclusive bargaining representative of language access providers in the unit specified in (a) of this subsection shall be the representative chosen in an election conducted pursuant to RCW 41.56.070.

Bargaining authorization cards furnished as the showing of interest in support of any representation petition or motion for intervention filed under this section are exempt from disclosure under chapter 42.56 RCW;

(c) Notwithstanding the definition of "collective bargaining" in RCW 41.56.030(4), the scope of collective bargaining for language access providers under this section is limited solely to:

(i) Economic compensation, such as the manner and rate of

payments; (ii) professional development and training; (iii) labor-management committees; and (iv) grievance procedures. Retirement benefits are not subject to collective bargaining. By such obligation neither party may be compelled to agree to a proposal or be required to make a concession unless otherwise provided in this chapter;

(d) In addition to the entities listed in the mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480, the provisions apply to the governor or the governor's designee and the exclusive bargaining representative of language access providers, except that:

(i) In addition to the factors to be taken into consideration by an interest arbitration panel under RCW 41.56.465, the panel shall consider the financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement;

(ii) The decision of the arbitration panel is not binding on the legislature and, if the legislature does not approve the request for funds necessary to implement the compensation and benefit provisions of the arbitrated collective bargaining agreement, the decision is not binding on the state;

(e) Language access providers do not have the right to strike;

(f) If a single employee organization is the exclusive bargaining representative for two or more units, upon petition by the employee organization, the units may be consolidated into a single larger unit if the commission considers the larger unit to be appropriate. If consolidation is appropriate, the commission shall certify the employee organization as the exclusive bargaining representative of the new unit;

(g) If a single employee organization is the exclusive bargaining representative for two or more bargaining units, the governor and the employee organization may agree to negotiate a single collective bargaining agreement for all of the bargaining units that the employee organization represents.

(3) Language access providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state for any other purpose. This section applies only to the governance of the collective bargaining relationship between the employer and language access providers as provided in subsections (1) and (2) of this section.

(4) Each party with whom the department of social and health services, the department of labor and industries, and the department of enterprise services contracts for language access services and each of their subcontractors shall provide to the respective department an accurate list of language access providers, as defined in RCW 41.56.030, including their names, addresses, and other contact information, annually by January 30th, except that initially the lists must be provided within thirty days of ~~((June 10, 2014))~~ the effective date of this section. The department shall, upon request, provide a list of all language access providers, including their names, addresses, and other contact information, to a labor union seeking to represent language access providers.

(5) This section does not create or modify:

(b) The legislature's right to make programmatic modifications to the delivery of state services under chapter 74.04 or 39.26 RCW or Title 51 RCW. The governor may not enter into, extend, or renew any agreement under this chapter that does not expressly reserve the legislative rights described in this subsection.

(6) Upon meeting the requirements of subsection (7) of this section, the governor must submit, as a part of the proposed biennial or supplemental operating budget submitted to the

legislature under RCW 43.88.030, a request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section or for legislation necessary to implement the agreement.

(7) A request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section may not be submitted by the governor to the legislature unless the request has been:

(a) Submitted to the director of financial management by October 1st prior to the legislative session at which the requests are to be considered, except that, for initial negotiations under this section, the request may not be submitted before July 1, 2011; and

(b) Certified by the director of financial management as financially feasible for the state or reflective of a binding decision of an arbitration panel reached under subsection (2)(d) of this section.

(8) The legislature must approve or reject the submission of the request for funds as a whole. If the legislature rejects or fails to act on the submission, any collective bargaining agreement must be reopened for the sole purpose of renegotiating the funds necessary to implement the agreement.

(9) If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(10) After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in the agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement.

(11) In enacting this section, the legislature intends to provide state action immunity under federal and state antitrust laws for the joint activities of language access providers and their exclusive bargaining representative to the extent the activities are authorized by this chapter.

2018 REGULAR SESSION

Representatives Dolan, Stonier, Lovick, Springer, Appleton, Bergquist, Manweller, Tarleton, Frame, Goodman and Ormsby)

Expanding civics education in public schools. Revised for 2nd Substitute: Expanding civics education in public school.

MOTION

Senator Wellman moved that the following striking amendment no. 927 by Senator Wellman be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that effective civics education teaches students how to be active, informed, and engaged citizens. The legislature recognizes that RCW 28A.150.210 identifies civics as one component of a basic education and that one-half credit in civics is required for high school graduation. The required civics content, however, may be embedded in another social studies course.

Civics requirements are meant to ensure that every student receives a high-quality civics education from kindergarten through twelfth grade. The legislature also recognizes, however, that two factors limit the effectiveness of civics education.

First, when the one-half civics credit is embedded in other courses rather than taught in a stand-alone civics course, the required content is easily diluted or ignored altogether. Pressure to emphasize other areas of the curriculum can relegate civics education to a lesser role.

Second, professional development opportunities for teachers in civics education are rare. In many districts, due to limited budgets and competing demands for funding, opportunities for teachers to deepen instructional and curricular practices in civics do not exist.

The legislature, therefore, intends to: Require school districts to provide a mandatory stand-alone civics course for all high school students; and support the development of an in-depth and interactive teacher professional development program to improve the ability of teachers throughout the state to provide students with an effective civics education from kindergarten through twelfth grade. This expanded civics education program seeks to ensure that students have basic knowledge about national, state, tribal, and local governments, and that they develop the skills and dispositions needed to become informed and engaged citizens.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.230 RCW to read as follows:

(1)(a) Beginning with or before the 2020-21 school year, each school district that operates a high school must provide a mandatory one-half credit stand-alone course in civics for each high school student. Except as provided by (c) of this subsection, civics content and instruction embedded in other social studies courses do not satisfy the requirements of this subsection.

(b) Credit awarded to students who complete the civics course must be applied to course credit requirements in social studies that are required for high school graduation.

(c) Civics content and instruction required by this section may be embedded in social studies courses that offer students the opportunity to earn both high school and postsecondary credit.

(2) The content of the civics course must include, but is not limited to:

(a) Federal, state, tribal, and local government organization and procedures;

(b) Rights and responsibilities of citizens addressed in the Washington state and United States Constitutions;

(c) Current issues addressed at each level of government;

(d) Electoral issues, including elections, ballot measures, initiatives, and referenda;

(e) The study and completion of the civics component of the federally administered naturalization test required of persons seeking to become naturalized United States citizens; and

(f) The importance in a free society of living the basic values and character traits specified in RCW 28A.150.211.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.415 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, an expanded civics education teacher training program is established within the office of the superintendent of public instruction.

(2) The program must provide for the selection of a team of qualified social studies teachers, and when appropriate, civics education specialists, from across the state who will:

(a) Develop teacher training materials using existing open educational resources (OERs) that include civics information on national, state, tribal, and local government, and the civics component of the federally administered naturalization test required of persons seeking to become naturalized United States citizens;

(b) Provide teacher training across the state, consistent with provisions in this chapter, and using the tools established by the office of the superintendent of public instruction including the college, career, and civic life (C3) framework and the six proven instructional practices for enhancing civic education; and

(c) Provide professional learning opportunities as described in section 2(3), chapter 77, Laws of 2016, which states that professional learning shall incorporate differentiated, coherent, sustained, and evidence-based strategies that improve educator effectiveness and student achievement, including job-embedded coaching or other forms of assistance to support educators' transfer of new knowledge and skills into their practice.

(3) The program shall assure an increase in the number of:

(a) Teachers with the knowledge and skills to effectively engage students in civics education;

(b) Students who have a basic understanding of how governments work; and

(c) Students from every demographic and socioeconomic group who know their rights and responsibilities within society and are prepared to exercise them.

(4) The office of the superintendent of public instruction may accept gifts and grants to assist with the establishment and implementation of the program established in this section.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.300 RCW to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction shall select two school districts that are diverse in size and in geographic and demographic makeup to serve as demonstration sites for enhanced civics education. These demonstration sites will:

(1) Implement and assess an in-depth civics education program that includes the six proven instructional practices for enhancing civic education in kindergarten through twelfth grade classrooms;

(2) Collaborate with programs and agencies in the local community in order to expand after-school and summer civics education opportunities;

(3) Monitor and report the level of penetration of civics education in school and out-of-school programs;

(4) Ensure that underserved students including rural, low-income, immigrant, and refugee students are prioritized in the implementation of programs;

(5) Develop evaluation standards and a procedure for endorsing civics education curriculum that can be recommended for use in other school districts and out-of-school programs; and

(6) Provide an annual report on the demonstration sites by December 1st each year to the governor and the committees of the legislature with oversight over K-12 education.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.300 RCW to read as follows:

(1)(a) Effective July 1, 2018, responsibility for administering the Washington history day program is transferred from the Washington state historical society to the office of the superintendent of public instruction. Only the superintendent of public instruction or the superintendent's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

Sec. 6. RCW 43.79A.040 and 2017 3rd sp.s. c 5 s 89 are each amended to read as follows:

(1) Money in the treasurer's trust fund may be deposited, invested, and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury, and may be commingled with moneys in the state treasury for cash management and cash balance purposes.

The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments must occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer must distribute the earnings credited to the investment income account to the state general fund except under (b), (c), and (d) of this subsection.

(b) The following accounts and funds must receive their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The 24/7 sobriety

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70.170.020 and 1995 c 269 s 2203 are each amended to read as follows:

As used in this chapter:

(1) "Department" means department of health.

(4) "Charity care" means medically necessary hospital health care rendered to indigent persons when ~~third-party coverage~~, if any, has been exhausted, to the extent that the persons are unable to pay for the care or to pay deductibles or coinsurance amounts required by a third-party payer, as determined by the department.

(5) "Third-party coverage" means an obligation on the part of an insurance company, health care service contractor, health maintenance organization, group health plan, government program, tribal health benefits, or health care sharing ministry as defined in 26 U.S.C. Sec. 5000A to pay for the care of covered patients and services, and may include settlements, judgments, or awards actually received related to the negligent acts of others which have resulted in the medical condition for which the patient has received hospital health care service. The pendency of such settlements, judgments, or awards must not stay hospital obligations to consider an eligible patient for charity care.

(6) "Sliding fee schedule" means a hospital-determined, publicly available schedule of discounts to charges for persons deemed eligible for charity care; such schedules shall be

established after consideration of guidelines developed by the department.

~~((6))~~ (7) "Special studies" means studies which have not been funded through the department's biennial or other legislative appropriations.

Sec. 2. RCW 70.170.060 and 1998 c 245 s 118 are each amended to read as follows:

(a) A significant reduction in the proportion of patients who have no third-party coverage and who are unable to pay for hospital services;

(b) A significant reduction in the proportion of individuals admitted for inpatient hospital services for which payment is, or is likely to be, less than the anticipated charges for or costs of such services; or

(c) The refusal to admit patients who would be expected to require unusually costly or prolonged treatment for reasons other than those related to the appropriateness of the care available at the hospital.

(2) No hospital shall adopt or maintain practices or policies which would deny access to emergency care based on ability to pay. No hospital which maintains an emergency department shall transfer a patient with an emergency medical condition or who is in active labor unless the transfer is performed at the request of the patient or is due to the limited medical resources of the transferring hospital. Hospitals must follow reasonable procedures in making transfers to other hospitals including confirmation of acceptance of the transfer by the receiving hospital.

(3) The department shall develop definitions by rule, as appropriate, for subsection (1) of this section and, with reference to federal requirements, subsection (2) of this section. The department shall monitor hospital compliance with subsections (1) and (2) of this section. The department shall report individual instances of possible noncompliance to the state attorney general or the appropriate federal agency.

(4) The department shall establish and maintain by rule, consistent with the definition of charity care in RCW 70.170.020, the following:

(5) For the purpose of providing charity care, each hospital shall develop, implement, and maintain a charity care policy which, consistent with subsection (1) of this section, shall enable people below the federal poverty level access to appropriate hospital-based medical services, and a sliding fee schedule for determination of discounts from charges for persons who qualify for such discounts by January 1, 1990. The department shall develop specific guidelines to assist hospitals in setting sliding fee schedules required by this section. All persons with family income below one hundred percent of the federal poverty standard shall be deemed charity care patients for the full amount of hospital charges, ~~((provided that such persons are not eligible for other private or public health coverage sponsorship. Persons who may be eligible for charity care shall be notified by the hospital.~~

~~((6))~~ except to the extent the patient has third-party coverage for those charges.

(6) Each hospital shall post and prominently display notice of charity care availability. Notice must be posted in all languages

spoken by more than ten percent of the population of the hospital service area. Notice must be displayed in at least the following locations:

(a) Areas where patients are admitted or registered;

(b) Emergency departments, if any; and

(c) Financial service or billing areas where accessible to patients.

(7) Current versions of the hospital's charity care policy, a plain language summary of the hospital's charity care policy, and the hospital's charity care application form must be available on the hospital's web site. The summary and application form must be available in all languages spoken by more than ten percent of the population of the hospital service area.

(8)(a) All hospital billing statements and other written communications concerning billing or collection of a hospital bill by a hospital must include the following or a substantially similar statement prominently displayed on the first page of the statement in both English and the second most spoken language in the hospital's service area:

You may qualify for free care or a discount on your hospital bill, whether or not you have insurance. Please contact our financial assistance office at [web site] and [phone number].

(b) Nothing in (a) of this subsection requires any hospital to alter any preprinted hospital billing statements existing as of October 1, 2018.

(9) Hospital obligations under federal and state laws to provide meaningful access for limited English proficiency and non-English-speaking patients apply to information regarding billing and charity care. Hospitals shall develop standardized training programs on the hospital's charity care policy and use of interpreter services, and provide regular training for appropriate staff, including the relevant and appropriate staff who perform functions relating to registration, admissions, or billing.

(10) Each hospital shall make every reasonable effort to determine:

(a) The existence or nonexistence of private or public sponsorship which might cover in full or part the charges for care rendered by the hospital to a patient;

(b) The annual family income of the patient as classified under federal poverty income guidelines as of the time the health care services were provided, or at the time of application for charity care if the application is made within two years of the time of service, the patient has been making good faith efforts towards payment of health care services rendered, and the patient demonstrates eligibility for charity care; and

(c) The eligibility of the patient for charity care as defined in this chapter and in accordance with hospital policy. An initial determination of sponsorship status shall precede collection efforts directed at the patient.

~~((7))~~ (11) At the hospital's discretion, a hospital may consider applications for charity care at any time, including any time there is a change in a patient's financial circumstances.

(12) The department shall monitor the distribution of charity care among hospitals, with reference to factors such as relative need for charity care in hospital service areas and trends in private and public health coverage. The department shall prepare reports that identify any problems in distribution which are in contradiction of the intent of this chapter. The report shall include an assessment of the effects of the provisions of this chapter on access to hospital and health care services, as well as an evaluation of the contribution of all purchasers of care to hospital charity care.

~~((8))~~ (13) The department shall issue a report on the subjects addressed in this section at least annually, with the first report due on July 1, 1990.

MESSAGE FROM THE HOUSE

February 28, 2018

MR. PRESIDENT:

The House passed SECOND SUBSTITUTED SENATE BILL NO. 6274 with the following amendment(s): 6274-S2 AMH HE H4955.1

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28B.117.005 and 2013 c 39 s 11 are each amended to read as follows:

(1)(a) ~~((The legislature finds that in Washington, there are more than seven thousand three hundred children in foster family or group care. These children face unique obstacles and burdens as they transition to adulthood, including lacking continuity in their elementary and high school educations. As compared to the general population of students, twice as many foster care youth change schools at least once during their elementary and secondary school careers, and three times as many change schools at least three times. Only thirty four percent of foster care youth graduate from high school within four years, compared to seventy~~

~~percent for the general population. Of the former foster care youth who earn a high school diploma, more than twenty eight percent earn a high school equivalency certificate as provided in RCW 28B.50.536 instead of a traditional high school diploma. This is almost six times the rate of the general population. Research indicates that holders of high school equivalency certificates tend not to be as economically successful as the holders of traditional high school diplomas. Only twenty percent of former foster care youth who earn a high school degree enroll in college, compared to over sixty percent of the population generally. Of the former foster care youth who do enroll in college, very few go on to earn a degree. Less than two percent of former foster care youth hold bachelor's degrees, compared to twenty eight percent of Washington's population generally.~~

~~(b) Former foster care youth face two critical hurdles to enrolling in college. The first is a lack of information regarding preparation for higher education and their options for enrolling in higher education. The second is finding the financial resources to fund their education. As a result of the unique hurdles and challenges that face former foster care youth, a disproportionate number of them are part of society's large group of marginalized youth and are at increased risk of continuing the cycle of poverty and violence that frequently plagues their families.~~

~~(c) Former foster care youth suffer from mental health problems at a rate greater than that of the general population. For example, one in four former foster care youth report having suffered from posttraumatic stress disorder within the previous twelve months, compared to only four percent of the general population. Similarly, the incidence of major depression among former foster care youth is twice that of the general population, twenty percent versus ten percent.~~

~~(d) There are other barriers for former foster care youth to achieving successful adulthood. One third of former foster care youth live in households that are at or below the poverty level. This is three times the rate for the general population. The percentage of former foster care youth who report being homeless within one year of leaving foster care varies from over ten percent to almost twenty five percent. By comparison, only one percent of the general population reports having been homeless at sometime during the past year. One in three former foster care youth lack health insurance, compared to less than one in five people in the general population. One in six former foster care youth receive cash public assistance. This is five times the rate of the general population.~~

~~(e) Approximately twenty five percent of former foster care youth are incarcerated at sometime after leaving foster care. This is four times the rate of incarceration for the general population. Of the former foster care youth who "age out" of foster care, twenty seven percent of the males and ten percent of the females are incarcerated within twelve to eighteen months of leaving foster care.~~

~~(f) Female former foster care youth become sexually active more than seven months earlier than their nonfoster care counterparts, have more sexual partners, and have a mean age of first pregnancy of almost two years earlier than their peers who were not in foster care.~~

~~(2) The legislature intends to create the passport to college promise pilot program. The pilot program will initially operate for a six year period, and will have two primary components, as follows:~~

~~(a) Significantly increasing outreach to foster care youth between the ages of fourteen and eighteen regarding the higher education opportunities available to them, how to apply to college, and how to apply for and obtain financial aid; and~~

(b) Providing financial aid to former foster care youth to assist with the costs of their public undergraduate college education.)) The legislature finds that with the creation of the passport to college promise program this state took a significant step toward providing higher education opportunities to youth and alumni of foster care. The passport to college promise program not only provides financial aid to former foster youth but, just as important, it recognizes the critical role of wraparound services and provides early outreach to foster care youth regarding postsecondary higher educational opportunities. Since 2007, the passport to college promise program has increased the number of former foster youth enrolling in higher education and working toward college degrees.

(b) Recognizing the success of creating pathways for foster youth to access higher education, the legislature now seeks to create an additional postsecondary pathway through access to registered apprenticeships or recognized preapprenticeships. Former foster and unaccompanied homeless youth face critical hurdles to accessing registered apprenticeships and recognized preapprenticeships. The first is a lack of information regarding preparation for and enrolling in registered apprenticeships or recognized preapprenticeships. The second is finding the financial resources to begin and continue in an apprenticeship or preapprenticeship. As a result of the unique hurdles and challenges that face youth in and alumni of foster care and unaccompanied homeless and former homeless youth, a disproportionate number of them are part of society's large group of marginalized youth.

(c) The legislature reiterates its earlier recognition of the critical role education plays in improving outcomes for youth in and alumni of foster care and unaccompanied homeless and former homeless youth, as well as the key role played by wraparound services in providing continuity and seamless transitions to postsecondary credential programs. With the creation of a parallel pathway with a passport for registered apprenticeships or recognized preapprenticeships, including for the provision of wraparound services, the legislature strives to make Washington the leader in the nation with respect to foster and unaccompanied homeless youth graduating from high school and enrolling in and achieving a postsecondary credential.

(d) The legislature further finds that students experiencing homelessness face similar challenges and educational outcomes as their peers in foster care. In 2016, fifty-three and two-fifths percent of Washington youth experiencing homelessness graduated from high school on time, compared to seventy-nine percent of their peers. Students experiencing homelessness are more likely to be students of color, chronically absent, and have lower test scores in reading and math. Homeless students may also be former foster youth and foster youth may be formerly homeless students. Similar to youth in foster care, students experiencing homelessness need opportunities for financial aid, wraparound services, and early outreach regarding postsecondary higher educational opportunities and apprenticeships.

(2) It is the intent of the legislature to create the passport to careers program with two programmatic pathways: The passport to college promise program and the passport to apprenticeship opportunities. The passport to careers program expands upon the passport to college promise program created in 2007 to include a program of financial assistance for eligible youth and young adults to participate in apprenticeship or preapprenticeship programs called the passport to apprenticeship opportunities program. The passport to careers program will have three primary components:

(a) Outreach to foster and unaccompanied homeless youth and young adults regarding the higher education and registered

apprenticeship opportunities available to them, how to apply, and how to apply for and obtain financial aid;

(b) Provide financial support to former foster and unaccompanied homeless youth to assist with the costs of their public undergraduate college education or provide financial assistance to meet apprenticeship or preapprenticeship program minimum qualifications and occupational-specific costs and the supportive services to help them apply and complete a registered apprenticeship or recognized preapprenticeship; and

(c) Measurably increase the number of foster and homeless youth accessing and completing higher education or registered apprenticeship programs and successfully entering and retaining employment.

Sec. 2. RCW 28B.117.010 and 2012 c 163 s 2 are each amended to read as follows:

The passport to ~~((college promise))~~ careers program is created. The purpose of the program is:

(1) To encourage current and former foster care youth and unaccompanied youth experiencing homelessness to prepare for, ~~((attend))~~ enroll in, and successfully complete higher education or a registered apprenticeship or preapprenticeship program;

(2) To improve the high school graduation outcomes of foster youth and unaccompanied youth experiencing homelessness through coordinated P-20 and child welfare outreach, intervention, and planning; and

(3) To improve postsecondary outcomes by providing current and former foster care youth and unaccompanied youth who have experienced homelessness with the educational planning, information, institutional support, and direct financial resources necessary for them to succeed in either higher education or a registered apprenticeship or preapprenticeship program.

The office may use a letter from the following persons or entities to provide verification: A high school or school district McKinney-Vento liaison; the director or designated staff member of an emergency shelter, transitional housing program, or homeless youth drop-in center; or other similar professional case manager or school employee. Students who have no formal connection with such a professional may also submit to the office an essay that describes their experience with homelessness and the barriers it created to their academic progress. The office may consider this essay in lieu of a letter of homelessness determination and may interview the student if further information is needed to verify eligibility.

(a) A passport to college promise scholarship under this section:

~~((a))~~ (i) Shall not exceed resident undergraduate tuition and fees at the highest-priced public institution of higher education in the state; and

The total award an individual may receive in any combination of the programs shall not exceed the equivalent amount that would have been awarded for the individual to attend a public university for five years with the highest annual tuition and state-mandated fees in the state.

Sec. 5. RCW 28B.117.040 and 2012 c 163 s 4 are each amended to read as follows:

Effective operation of the passport to ~~((college promise))~~ careers program requires early and accurate identification of former foster care youth and unaccompanied youth experiencing homelessness so that they can be linked to the financial and other assistance that will help them succeed in college or in a registered apprenticeship or recognized preapprenticeship. To that end:

(1) All institutions of higher education that receive funding for student support services under RCW 28B.117.030 shall include on their applications for admission or on their registration materials a question asking whether the applicant has been in state, tribal, or federal foster care in Washington state ~~((for at least one year since his or her sixteenth birthday together))~~ or experienced unaccompanied homelessness under the parameters in subsection (3)(a) of this section, as determined by the office, with an explanation that financial and support services may be available. All other institutions of higher education are strongly encouraged to include such a question and explanation. No institution may consider whether an applicant may be eligible for a scholarship or student support services under this chapter when deciding whether the applicant will be granted admission.

(2) With substantial input from the office of the superintendent of public instruction, the department of social and health services and the department of children, youth, and families shall devise and implement procedures for efficiently, promptly, and accurately identifying students and applicants who are eligible for

services under RCW 28B.117.030, and for sharing that information with the office ~~((and with)), the~~ institutions of higher education, and the nongovernmental entity or entities identified in RCW 28B.117.030(5)(c), 28B.77.250, and section 8 of this act. The procedures shall include appropriate safeguards for consent by the applicant or student before disclosure.

Sec. 6. RCW 28B.77.250 and 2016 c 71 s 5 are each amended to read as follows:

(1) To the extent funds are appropriated for this purpose, the council, with input from the office of the superintendent of public instruction; the department of children, youth, and families; the department of commerce office of homeless youth prevention and protection programs; and the department of social and health services, shall contract with at least one nongovernmental entity to develop, implement, and administer a program of supplemental educational transition planning for youth in foster care and unaccompanied youth experiencing homelessness in Washington state.

(2) The nongovernmental entity or entities chosen by the council shall have demonstrated success in working with foster care and unaccompanied homeless youth and assisting foster care and unaccompanied homeless youth in successfully making the transition from high school to a postsecondary plan, including postsecondary enrollment, career, or service.

(3) The selected nongovernmental entity or entities shall provide supplemental educational transition planning to foster care and unaccompanied homeless youth in Washington state. Youth eligible for referral are not currently served by programs under RCW 28A.300.592, dependent pursuant to chapter 13.34 RCW, age thirteen through twenty-one, and remain eligible for continuing service following fulfillment of the permanent plan and through initiation of a postsecondary plan. After high school completion, services are concluded within a time period specified in the contract to pursue engagement of continuing postsecondary support services provided by local education agencies, postsecondary education, community-based programs, or the passport to ~~((college promise))~~ careers program. The nongovernmental entity or entities must facilitate the educational progress, graduation, and postsecondary plan initiation of eligible youth. The contract must be outcome driven with a stated goal of improving the graduation rates and postsecondary plan initiation of eligible youth by two percent per year over five school year periods starting with the 2016-17 school year and ending with the 2021-22 school year. With each new contract, a baseline must be established at the end of the first year of service provision.

(4) The supplemental transition planning shall include:

(a) Consultation with schools and the department of social and health services' case workers to develop educational plans for and with participating youth;

(b) Age-specific developmental and logistical tasks to be accomplished for high school and postsecondary success;

(c) Facilitating youth participation with appropriate school and local resources that may assist in educational access and success; ~~((and))~~

(d) Coordinating youth, caregivers, schools, and social workers to support youth progress in the educational system; and

(e) Establishing postsecondary plan initiation in coordination with the passport to careers program.

(5) The selected nongovernmental entity or entities may be colocated in the offices of the department of social and health services to provide timely consultation. These entities must have access to all paper and electronic education records and case information pertinent to the educational planning and services of youth referred and are subject to RCW 13.50.010 and 13.50.100.

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

(6) The contracted nongovernmental entity or entities must report outcomes to the council and the department of social and health services semiannually ~~((beginning on December 1, 2016))~~.

(7) For purposes of this section, "homeless" and "unaccompanied" have the same meanings as in RCW 28B.117.020.

Sec. 7. RCW 28B.117.050 and 2011 1st sp.s. c 11 s 223 are each amended to read as follows:

(1) ~~To the extent funds are appropriated for this purpose, the office((, with input from the state board for community and technical colleges, the foster care partnership, and institutions of higher education,)) shall develop and maintain an internet web site and outreach program to serve as a comprehensive portal for foster care youth and unaccompanied youth or young adults who have experienced homelessness in Washington state to obtain information regarding higher education ~~((including, but not necessarily))~~ and registered apprenticeship and recognized preapprenticeship programs. In developing the web site and conducting the outreach program, the office shall get input from community and technical colleges; the foster care partnership; institutions of higher education; the employment security department; the state apprenticeship and training council; the workforce training and education coordinating board; department of commerce office of homeless youth prevention and protection programs; department of children, youth, and families; the department of licensing; and the department of labor and industries. (e) What college placement tests, if any, are generally required for admission to college and when and how to register for such tests;

~~((d))~~ (f) How and when to obtain and complete a federal free application for federal student aid (FAFSA) or if ineligible to apply for the FAFSA, the state financial aid application approved by the office; and

~~((e))~~ (g) Detailed sources of financial aid and assistance likely available to eligible former foster care and unaccompanied homeless youth, including the financial aid and assistance provided by this chapter.

(2) The office shall determine whether to design, build, and operate such program and web site directly or to use, support, and modify existing web sites created by government or nongovernmental entities for a similar purpose.

NEW SECTION. Sec. 4. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. MESSAGE FROM THE HOUSE

February 28, 2018

MR. PRESIDENT:

The House passed ENGROSSED SUBSTITUTE SENATE BILL NO. 6329 with the following amendment(s): 6329-S.E AMH CB H5004.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The legislature finds that unit priced contracting is a decades old, proven practice used at ports for competitively bid maintenance and repair work that is

common but unpredictable in its timing and scope. Unit priced contracting is an efficient mechanism to maintain essential services to port customers, often on short notice or in emergency situations.

(2) The legislature also finds that unit priced contracting ensures that necessary work is performed safely and at a competitive rate by qualified contractors, and also saves public money because of additional costs that would be incurred by bidding each work order separately.

(3) The legislature also finds that, in order to avoid litigation and audit risk, statutory clarification is needed regarding the authority for port districts to engage in unit priced contracting.

(4) The legislature also finds that flexibility for small projects produces a more efficient process.

Sec. 2. RCW 53.08.120 and 2009 c 74 s 2 are each amended to read as follows:

(1) All material and work required by a port district not meeting the definition of public work in RCW 39.04.010(4) may be procured in the open market or by contract and all work ordered may be done by contract or day labor.

(2)(a) All such contracts for work meeting the definition of "public work" in RCW 39.04.010(4), the estimated cost of which exceeds three hundred thousand dollars, shall be awarded using a competitive bid process. The contract must be awarded at public bidding upon notice published in a newspaper of general circulation in the district at least thirteen days before the last date upon which bids will be received, calling for bids upon the work, plans and specifications for which shall then be on file in the office of the commission for public inspection. The same notice may call for bids on such work or material based upon plans and specifications submitted by the bidder. The competitive bidding requirements for purchases or public works may be waived pursuant to RCW 39.04.280 if an exemption contained within that section applies to the purchase or public work.

(b) For all contracts related to work meeting the definition of "public work" in RCW 39.04.010(4) that are estimated at three hundred thousand dollars or less, a port district may let contracts using the small works roster process under RCW 39.04.155 in lieu of advertising for bids. Whenever possible, the managing official shall invite at least one proposal from a minority contractor who shall otherwise qualify under this section.

When awarding such a contract for work, when utilizing proposals from the small works roster, the managing official shall give weight to the contractor submitting the lowest and best proposal, and whenever it would not violate the public interest, such contracts shall be distributed equally among contractors, including minority contractors, on the small works roster.

(c) Any port district may construct any public work, as defined in RCW 39.04.010, by contract without calling for bids whenever the estimated cost of the work or improvement, including cost of materials, supplies, and equipment, will not exceed the sum of forty thousand dollars. A "public works project" means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid calling for bids. The port district managing official shall make his or her best effort to reach out to qualified contractors, including certified minority and woman-owned contractors.

(3)(a) A port district may procure public works with a unit priced contract under this section or RCW 39.04.010(2) for the purpose of completing anticipated types of work based on hourly rates or unit pricing for one or more categories of work or trades.

(b) For the purposes of this section, unit priced contract means a competitively bid contract in which public works are anticipated on a recurring basis to meet the business or operational needs of a port district, under which the contractor agrees to a fixed period

2018 REGULAR SESSION

indefinite quantity delivery of work, at a defined unit price, for each category of work.

(c) Unit priced contracts must be executed for an initial contract term not to exceed three years, with the port district having the option of extending or renewing the unit priced contract for one additional year.

(d) Invitations for unit priced bids shall include, for purposes of the bid evaluation, estimated quantities of the anticipated types of work or trades, and specify how the port district will issue or release work assignments, work orders, or task authorizations pursuant to a unit priced contract for projects, tasks, or other work based on the hourly rates or unit prices bid by the contractor. Contracts must be awarded to the lowest responsible bidder as per RCW 39.04.010. Whenever possible, the port district must invite at least one proposal from a minority or woman contractor who otherwise qualifies under this section.

(e) Unit priced contractors shall pay prevailing wages for all work that would otherwise be subject to the requirements of chapter 39.12 RCW. Prevailing wages for all work performed pursuant to each work order must be the prevailing wage rates in effect at the beginning date for each contract year. Unit priced contracts shall have prevailing wage rates updated annually. Intents and affidavits for prevailing wages paid shall be submitted annually for all work completed within the previous twelve-month period of the unit priced contract."

MESSAGE FROM THE HOUSE

March 2, 2018

MR. PRESIDENT:

The House passed SENATE BILL NO. 5598 with the following amendment(s): 5598 AMH JUDI H5007.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Parent" means a legal parent whose rights have not been terminated, relinquished, or declared not to exist.

"(2)(a) "Relative" means:

(i) Any blood relative, including those of half-blood, and including first cousins, second cousins, nephews or nieces, and persons of preceding generations as denoted by prefixes of grand, great, or great-great;

(ii) Stepfather, stepmother, stepbrother, and stepsister;

(iii) A person who legally adopts a child or the child's parent as well as the biological and other legally adopted children of such persons, and other relatives of the adoptive parents in accordance with state law;

(iv) Spouses of any persons named in (a)(i), (ii), or (iii) of this subsection, even after the marriage is terminated;

(v) Relatives, as named in (a)(i), (ii), or (iii) of this subsection, of any half sibling of the child; or

(vi) Extended family members, as defined by the law or custom of an Indian child's tribe or, in the absence of such law or custom, a person who has reached the age of eighteen and who is the Indian child's grandparent, aunt or uncle, brother or sister, brother-in-law or sister-in-law, niece or nephew, first or second cousin, or stepparent who provides care in the family abode on a twenty-four hour basis to an Indian child as defined in 25 U.S.C. Sec. 1903(4).

(b) "Relative" does not include a person whose parental rights have been terminated, relinquished, or determined not to exist with respect to a child who is the subject of a petition under this chapter.

NEW SECTION. Sec. 2. (1) A person who is not the parent of the child may petition for visitation with the child if:

(a) The petitioner has an ongoing and substantial relationship with the child;

(b) The petitioner is a relative of the child or a parent of the child; and

(c) The child is likely to suffer harm or a substantial risk of harm if visitation is denied.

(2) A person has established an ongoing and substantial relationship with a child if the person and the child have had a relationship formed and sustained through interaction, companionship, and mutuality of interest and affection, without expectation of financial compensation, with substantial continuity for at least two years unless the child is under the age of two years, in which case there must be substantial continuity for at least half of the child's life, and with a shared expectation of and desire for an ongoing relationship.

NEW SECTION. Sec. 3. (1) If a court has jurisdiction over the child pursuant to chapter 26.27 RCW, a petition for visitation under section 2 of this act must be filed with that court.

(2) Except as otherwise provided in subsection (1) of this section, if a court has exclusive original jurisdiction over the child

under RCW 13.04.030(1) (a) through (d), (h), or (j), a petition for visitation under section 2 of this act must be filed with that court. Granting of a petition for visitation under this chapter does not entitle the petitioner to party status in a child custody proceeding under Title 13 RCW.

(3) Except as otherwise provided in subsections (1) and (2) of this section, a petition for visitation under section 2 of this act must be filed in the county where the child primarily resides.

(4) The petitioner may not file a petition for visitation more than once.

(5) The petitioner must file with the petition an affidavit alleging that:

(a) A relationship with the child that satisfies the requirements of section 2 of this act exists or existed before action by the respondent; and

(b) The child would likely suffer harm or the substantial risk of harm if visitation between the petitioner and child was not granted.

(6) The petitioner shall set forth facts in the affidavit supporting the petitioner's requested order for visitation.

(7) The petitioner shall serve notice of the filing to each person having legal custody of, or court-ordered residential time with, the child. A person having legal custody or residential time with the child may file an opposing affidavit.

(8) If, based on the petition and affidavits, the court finds that it is more likely than not that visitation will be granted, the court shall hold a hearing.

(9) The court may not enter any temporary orders to establish, enforce, or modify visitation under this section.

NEW SECTION. Sec. 4. (1)(a) At a hearing pursuant to section 3(8) of this act, the court shall enter an order granting visitation if it finds that the child would likely suffer harm or the substantial risk of harm if visitation between the petitioner and the child is not granted and that granting visitation between the child and the petitioner is in the best interest of the child.

(b) An order granting visitation does not confer upon the petitioner the rights and duties of a parent.

(2) In making its determination, the court shall consider the respondent's reasons for denying visitation. It is presumed that a fit parent's decision to deny visitation is in the best interest of the child and does not create a likelihood of harm or a substantial risk of harm to the child.

(3) To rebut the presumption in subsection (2) of this section, the petitioner must prove by clear and convincing evidence that the child would likely suffer harm or the substantial risk of harm if visitation between the petitioner and the child were not granted.

(4) If the court finds that the petitioner has met the standard for rebutting the presumption in subsection (2) of this section, or if there is no presumption because no parent has custody of the child, the court shall consider whether it is in the best interest of the child to enter an order granting visitation. The petitioner must prove by clear and convincing evidence that visitation is in the child's best interest. In determining whether it is in the best interest of the child, the court shall consider the following, nonexclusive factors:

(a) The love, affection, and strength of the current relationship between the child and the petitioner and how the relationship is beneficial to the child;

(b) The length and quality of the prior relationship between the child and the petitioner before the respondent denied visitation, including the role performed by the petitioner and the emotional ties that existed between the child and the petitioner;

(c) The relationship between the petitioner and the respondent;

(d) The love, affection, and strength of the current relationship between the child and the respondent;

(e) The nature and reason for the respondent's objection to granting the petitioner visitation;

(f) The effect that granting visitation will have on the relationship between the child and the respondent;

(g) The residential time-sharing arrangements between the parties having residential time with the child;

(h) The good faith of the petitioner and respondent;

(i) Any history of physical, emotional, or sexual abuse or neglect by the petitioner, or any history of physical, emotional, or sexual abuse or neglect by a person residing with the petitioner if visitation would involve contact between the child and the person with such history;

(j) The child's reasonable preference, if the court considers the child to be of sufficient age to express a preference;

(k) Any other factor relevant to the child's best interest; and

(l) The fact that the respondent has not lost his or her parental rights by being adjudicated as an unfit parent.

NEW SECTION. Sec. 5. (1)(a) For the purposes of sections 2 through 4 of this act, the court shall, on motion of the respondent, order the petitioner to pay a reasonable amount for costs and reasonable attorneys' fees to the respondent in advance and prior to any hearing, unless the court finds, considering the financial resources of all parties, that it would be unjust to do so.

(b) Regardless of the financial resources of the parties, if the court finds that a petition for visitation was brought in bad faith or without reasonable basis in light of the requirements of sections 2 through 4 of this act, the court shall order the petitioner to pay a reasonable amount for costs and reasonable attorneys' fees to the respondent.

(2) If visitation is granted, the court shall order the petitioner to pay all transportation costs associated with visitation.

NEW SECTION. Sec. 6. (1) A court may not modify or terminate an order granting visitation under section 4 of this act unless it finds, on the basis of facts that have arisen since the entry of the order or were unknown to the court at the time it entered the order, that a substantial change of circumstances has occurred in the circumstances of the child or nonmoving party and that modification or termination of the order is necessary for the best interest of the child.

(2)(a) If a court has jurisdiction over the child pursuant to chapter 26.27 RCW, a petition for modification or termination under this section must be filed with that court.

(b) Except as otherwise provided in (a) of this subsection, if a court has exclusive original jurisdiction over the child under RCW 13.04.030(1) (a) through (d), (h), or (j), a petition for modification or termination under this section must be filed with that court.

(c) Except as otherwise provided in (a) or (b) of this subsection, a petition for modification or termination under this section must be filed in the county where the child primarily resides.

(3) The petitioner must file with the petition an affidavit alleging that, on the basis of facts that have arisen since the entry of the order or were unknown to the court at the time it entered the order, there is a substantial change of circumstances of the child or nonmoving party and that modification or termination of the order is necessary for the best interest of the child. The petitioner shall set forth facts in the affidavit supporting the petitioner's requested order.

(4) The petitioner shall serve notice of the petition to each person having legal custody of, or court-ordered residential time or court-ordered visitation with, the child. A person having legal custody or residential or visitation time with the child may file an opposing affidavit.

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

(5) If, based on the petition and affidavits, the court finds that it is more likely than not that a modification or termination will be granted, the court shall hold a hearing.

(6) The court may award reasonable attorneys' fees and costs to either party.

Sec. 7. RCW 26.10.160 and 2011 c 89 s 7 are each amended to read as follows:

(1) A parent not granted custody of the child is entitled to reasonable visitation rights except as provided in subsection (2) of this section.

(2)(a) Visitation with the child shall be limited if it is found that the parent seeking visitation has engaged in any of the following conduct: (i) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (ii) physical, sexual, or a pattern of emotional abuse of a child; (iii) a history of acts of domestic violence as defined in RCW 26.50.010((+)) (3) or an assault or sexual assault which causes grievous bodily harm or the fear of such harm; or (iv) the parent has been convicted as an adult of a sex offense under:

(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(C) RCW 9A.44.086 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(D) RCW 9A.44.089;

(E) RCW 9A.44.093;

(F) RCW 9A.44.096;

(G) RCW 9A.64.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (d) of this subsection;

(H) Chapter 9.68A RCW;

(I) Any predecessor or antecedent statute for the offenses listed in (a)(iv)(A) through (H) of this subsection;

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (a)(iv)(A) through (H) of this subsection.

This subsection (2)(a) shall not apply when (c) or (d) of this subsection applies.

(b) The parent's visitation with the child shall be limited if it is found that the parent resides with a person who has engaged in any of the following conduct: (i) Physical, sexual, or a pattern of emotional abuse of a child; (ii) a history of acts of domestic violence as defined in RCW 26.50.010((+)) (3) or an assault or sexual assault that causes grievous bodily harm or the fear of such harm; or (iii) the person has been convicted as an adult or as a juvenile has been adjudicated of a sex offense under:

(A) RCW 9A.44.076 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(B) RCW 9A.44.079 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(C) RCW 9A.44.086 if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(D) RCW 9A.44.089;

(E) RCW 9A.44.093;

(F) RCW 9A.44.096;

(G) RCW 9A.64.020 (1) or (2) if, because of the difference in age between the offender and the victim, no rebuttable presumption exists under (e) of this subsection;

(H) Chapter 9.68A RCW;

(I) Any predecessor or antecedent statute for the offenses listed in (b)(iii)(A) through (H) of this subsection;

(J) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (b)(iii)(A) through (H) of this subsection.

This subsection (2)(b) shall not apply when (c) or (e) of this subsection applies.

(c) If a parent has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter. If a parent resides with an adult or a juvenile who has been found to be a sexual predator under chapter 71.09 RCW or under an analogous statute of any other jurisdiction, the court shall restrain the parent from contact with the parent's child except contact that occurs outside that person's presence.

(d) There is a rebuttable presumption that a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection poses a present danger to a child. Unless the parent rebuts this presumption, the court shall restrain the parent from contact with a child that would otherwise be allowed under this chapter:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ii) RCW 9A.44.073;

(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;

(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(v) RCW 9A.44.083;

(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;

(vii) RCW 9A.44.100;

(viii) Any predecessor or antecedent statute for the offenses listed in (d)(i) through (vii) of this subsection;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (d)(i) through (vii) of this subsection.

(e) There is a rebuttable presumption that a parent who resides with a person who, as an adult, has been convicted, or as a juvenile has been adjudicated, of the sex offenses listed in (e)(i) through (ix) of this subsection places a child at risk of abuse or harm when that parent exercises visitation in the presence of the convicted or adjudicated person. Unless the parent rebuts the presumption, the court shall restrain the parent from contact with the parent's child except for contact that occurs outside of the convicted or adjudicated person's presence:

(i) RCW 9A.64.020 (1) or (2), provided that the person convicted was at least five years older than the other person;

(ii) RCW 9A.44.073;

(iii) RCW 9A.44.076, provided that the person convicted was at least eight years older than the victim;

(iv) RCW 9A.44.079, provided that the person convicted was at least eight years older than the victim;

(v) RCW 9A.44.083;

(vi) RCW 9A.44.086, provided that the person convicted was at least eight years older than the victim;

(vii) RCW 9A.44.100;

(viii) Any predecessor or antecedent statute for the offenses listed in (e)(i) through (vii) of this subsection;

(ix) Any statute from any other jurisdiction that describes an offense analogous to the offenses listed in (e)(i) through (vii) of this subsection.

(f) The presumption established in (d) of this subsection may be rebutted only after a written finding that:

(i) If the child was not the victim of the sex offense committed by the parent requesting visitation, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, and (B) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or

(ii) If the child was the victim of the sex offense committed by the parent requesting visitation, (A) contact between the child and the offending parent is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the offending parent is in the child's best interest, and (C) the offending parent has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child.

(g) The presumption established in (e) of this subsection may be rebutted only after a written finding that:

(i) If the child was not the victim of the sex offense committed by the person who is residing with the parent requesting visitation, (A) contact between the child and the parent residing with the convicted or adjudicated person is appropriate and that parent is able to protect the child in the presence of the convicted or adjudicated person, and (B) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes such contact is appropriate and poses minimal risk to the child; or

(ii) If the child was the victim of the sex offense committed by the person who is residing with the parent requesting visitation, (A) contact between the child and the parent in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child, (B) if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the parent residing with the convicted or adjudicated person in the presence of the convicted or adjudicated person is in the child's best interest, and (C) the convicted or adjudicated person has successfully engaged in treatment for sex offenders or is engaged in and making progress in such treatment, if any was ordered by a court, and the treatment provider believes contact between the parent and child in the presence of the convicted or adjudicated person is appropriate and poses minimal risk to the child.

(h) If the court finds that the parent has met the burden of rebutting the presumption under (f) of this subsection, the court may allow a parent who has been convicted as an adult of a sex offense listed in (d)(i) through (ix) of this subsection to have visitation with the child supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such visitation. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(i) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who has been adjudicated as a juvenile of a sex offense listed in (e)(i) through (ix) of this subsection to have visitation with the child in the

presence of the person adjudicated as a juvenile, supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such visitation. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(j) If the court finds that the parent has met the burden of rebutting the presumption under (g) of this subsection, the court may allow a parent residing with a person who, as an adult, has been convicted of a sex offense listed in (e)(i) through (ix) of this subsection to have visitation with the child in the presence of the convicted person supervised by a neutral and independent adult and pursuant to an adequate plan for supervision of such visitation. The court shall not approve of a supervisor for contact between the child and the parent unless the court finds, based on the evidence, that the supervisor is willing and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing or capable of protecting the child.

(k) A court shall not order unsupervised contact between the offending parent and a child of the offending parent who was sexually abused by that parent. A court may order unsupervised contact between the offending parent and a child who was not sexually abused by the parent after the presumption under (d) of this subsection has been rebutted and supervised visitation has occurred for at least two years with no further arrests or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW and (i) the sex offense of the offending parent was not committed against a child of the offending parent, and (ii) the court finds that unsupervised contact between the child and the offending parent is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treating child sexual abuse victims who has supervised at least one period of visitation between the parent and the child, and after consideration of evidence of the offending parent's compliance with community supervision requirements, if any. If the offending parent was not ordered by a court to participate in treatment for sex offenders, then the parent shall obtain a psychosexual evaluation conducted by a certified sex offender treatment provider or a certified affiliate sex offender treatment provider indicating that the offender has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child.

(l) A court may order unsupervised contact between the parent and a child which may occur in the presence of a juvenile adjudicated of a sex offense listed in (e)(i) through (ix) of this subsection who resides with the parent after the presumption under (e) of this subsection has been rebutted and supervised visitation has occurred for at least two years during which time the adjudicated juvenile has had no further arrests, adjudications, or convictions of sex offenses involving children under chapter 9A.44 RCW, RCW 9A.64.020, or chapter 9.68A RCW, and (i) the court finds that unsupervised contact between the child and the parent that may occur in the presence of the adjudicated juvenile is appropriate and poses minimal risk to the child, after consideration of the testimony of a state-certified therapist, mental health counselor, or social worker with expertise in treatment of child sexual abuse victims who has supervised at least one period of visitation between the parent and the child in the presence of the adjudicated juvenile, and after consideration

2018 REGULAR SESSION

of evidence of the adjudicated juvenile's compliance with community supervision or parole requirements, if any. If the adjudicated juvenile was not ordered by a court to participate in treatment for sex offenders, then the adjudicated juvenile shall obtain a psychosexual evaluation conducted by a certified sex offender treatment provider or a certified affiliate sex offender treatment provider indicating that the adjudicated juvenile has the lowest likelihood of risk to reoffend before the court grants unsupervised contact between the parent and a child which may occur in the presence of the adjudicated juvenile who is residing with the parent.

(m)(i) The limitations imposed by the court under (a) or (b) of this subsection shall be reasonably calculated to protect the child from the physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting visitation. If the court expressly finds based on the evidence that limitations on visitation with the child will not adequately protect the child from the harm or abuse that could result if the child has contact with the parent requesting visitation, the court shall restrain the person seeking visitation from all contact with the child.

(ii) The court shall not enter an order under (a) of this subsection allowing a parent to have contact with a child if the parent has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused the child, except upon recommendation by an evaluator or therapist for the child that the child is ready for contact with the parent and will not be harmed by the contact. The court shall not enter an order allowing a parent to have contact with the child in the offender's presence if the parent resides with a person who has been found by clear and convincing evidence in a civil action or by a preponderance of the evidence in a dependency action to have sexually abused a child, unless the court finds that the parent accepts that the person engaged in the harmful conduct and the parent is willing to and capable of protecting the child from harm from the person.

(iii) If the court limits visitation under (a) or (b) of this subsection to require supervised contact between the child and the parent, the court shall not approve of a supervisor for contact between a child and a parent who has engaged in physical, sexual, or a pattern of emotional abuse of the child unless the court finds based upon the evidence that the supervisor accepts that the harmful conduct occurred and is willing to and capable of protecting the child from harm. The court shall revoke court approval of the supervisor upon finding, based on the evidence, that the supervisor has failed to protect the child or is no longer willing to or capable of protecting the child.

(n) If the court expressly finds based on the evidence that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's or other person's harmful or abusive conduct will recur is so remote that it would not be in the child's best interests to apply the limitations of (a), (b), and (m)(i) and (iii) of this subsection, or if the court expressly finds that the parent's conduct did not have an impact on the child, then the court need not apply the limitations of (a), (b), and (m)(i) and (iii) of this subsection. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court. This subsection shall not apply when (c), (d), (e), (f), (g), (h), (i), (j), (k), (l), and (m)(ii) of this subsection apply.

(3) ~~(Any person may petition the court for visitation rights at any time including, but not limited to, custody proceedings. The court may order visitation rights for any person when visitation may serve the best interest of the child whether or not there has been any change of circumstances.~~

~~(4))~~ The court may modify an order granting or denying visitation rights whenever modification would serve the best interests of the child. Modification of a parent's visitation rights shall be subject to the requirements of subsection (2) of this section.

~~((5))~~ (4) For the purposes of this section:

(a) "A parent's child" means that parent's natural child, adopted child, or stepchild; and

(b) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

NEW SECTION. **Sec. 8.** RCW 26.09.240 (Visitation rights—Person other than parent—Grandparents' visitation rights) and 1996 c 177 s 1, 1989 c 375 s 13, 1987 c 460 s 18, 1977 ex.s. c 271 s 1, & 1973 1st ex.s. c 157 s 24 are each repealed.

NEW SECTION. **Sec. 9.** Sections 1 through 6 of this act constitute a new chapter in Title 26 RCW."

MESSAGE FROM THE HOUSE

March 2, 2018

MR. PRESIDENT:

The House passed ENGROSSED SENATE BILL NO. 5917 with the following amendment(s): 5917.E AMH ENGR H5038.E

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that international baccalaureate and Cambridge international coursework prepares students for postsecondary success and provides opportunities for them to earn college credit or secure placement in advanced courses.

Therefore, the legislature intends to establish a policy for granting as many undergraduate course credits as possible to students who have successfully completed international baccalaureate and Cambridge international exams and clearly communicate credit awarding policies and course equivalencies to students. This policy is intended to be similar to the credit policy adopted during the 2017 legislative session for AP examinations. The goal of the policy is to award course credit in all appropriate instances and maximize the number of college students given college credit for international baccalaureate exam scores and Cambridge international exam grades.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.10 RCW to read as follows:

(1) The institutions of higher education must establish coordinated evidence-based policies for granting as many undergraduate college credits as possible and appropriate for general education requirements or the equivalent to students who have successfully completed international baccalaureate (IB) or Cambridge international courses and demonstrated mastery of college-level curriculum, as shown by the students' examination scores or grades for those programs. The institutions shall take into account the evidence for student success and the relevance of the IB or Cambridge international curriculum and test scores or grades in consideration of granting college credit or waiving course requirements, with appropriate consideration of the institutions' degree distribution requirements or curriculum for specific degree programs. Policies may consider, for example:

(a) Whether a four on a standard-level or higher-level IB examination and whether a grade of E on a Cambridge international examination indicates that the student has mastered college-level coursework for which undergraduate college credits may be granted; and

(b) What test score or grade for specific subjects indicates if graduation distribution requirements or prerequisite courses may be waived, while preserving the integrity of the institutions' faculty process for determining degree and major curriculum requirements.

(2) The credit policies regarding IB and Cambridge international examinations must be posted on campus web sites effective for the fall 2018 academic term. The institutions of higher education must conduct biennial reviews of their IB and Cambridge international credit policies and report noncompliance to the appropriate committees of the legislature by November 1st of each year, beginning November 1, 2020.

MESSAGE FROM THE HOUSE

March 1, 2018

MR. PRESIDENT:

The House passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6162 with the following amendment(s): 6162-S2.E AMH SLAT H5098.2

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28A.320 RCW to read as follows:

For the purposes of sections 2 through 6 of this act, "dyslexia" means a specific learning disorder that is neurological in origin and that is characterized by unexpected difficulties with accurate or fluent word recognition and by poor spelling and decoding abilities that are not consistent with the person's intelligence, motivation, and sensory capabilities. These difficulties typically result from a deficit in the phonological components of language that is often unexpected in relation to other cognitive abilities. In addition, the difficulties are not typically a result of ineffective classroom instruction. Secondary consequences may include problems in reading comprehension and reduced reading experience that can impede growth of vocabulary and background knowledge.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

(1) Beginning in the 2021-22 school year, and as provided in this section, each school district must use multitiered systems of support to provide interventions to students in kindergarten through second grade who display indications of, or areas of weakness associated with, dyslexia. In order to provide school districts with the opportunity to intervene before a student's performance falls significantly below grade level, school districts must screen students in kindergarten through second grade for indications of, or areas associated with, dyslexia as provided in this section.

(2)(a) School districts must use screening tools and resources that exemplify best practices, as described under section 3 of this act.

(b) School districts may use the screening tools and resources identified by the superintendent of public instruction in accordance with section 3 of this act.

(3)(a) If a student shows indications of below grade level literacy development or indications of, or areas of weakness associated with, dyslexia, the school district must provide interventions using evidence-based multitiered systems of

support, consistent with the recommendations of the dyslexia advisory council under section 4 of this act and as required under this subsection (3).

(b) The interventions must be evidence-based multisensory structured literacy interventions and must be provided by an educator trained in instructional methods specifically targeting students' areas of weakness.

(c) Whenever possible, a school district must begin by providing student supports in the general education classroom. If screening tools and resources indicate that, after receiving the initial tier of student support, a student requires interventions, the school district may provide the interventions in either the general education classroom or a learning assistance program setting. If after receiving interventions, further screening tools and resources indicate that a student continues to have indications of, or areas of weakness associated with, dyslexia, the school district must recommend to the student's parents and family that the student be evaluated for dyslexia or a specific learning disability.

(4) For a student who shows indications of, or areas of weakness associated with, dyslexia, each school district must notify the student's parents and family of the identified indicators and areas of weakness, as well as the plan for using multitiered systems of support to provide supports and interventions. The initial notice must also include information relating to dyslexia and resources for parental support developed by the superintendent of public instruction. The school district must regularly update the student's parents and family of the student's progress.

(5) School districts may use state funds provided under chapter 28A.165 RCW to meet the requirements of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.300 RCW to read as follows:

(1) By September 1, 2019, the superintendent of public instruction, after considering recommendations from the dyslexia advisory council convened under section 4 of this act, must identify screening tools and resources that, at a minimum, meet the following best practices to:

(a) Satisfy developmental and academic criteria, including considerations of validity and reliability, that indicate typical literacy development or dyslexia, taking into account typical child neurological development; and

(b) Identify indicators and areas of weakness that are highly predictive of future reading difficulty, including phonological awareness, phonemic awareness, rapid naming skills, letter sound knowledge, and family history of difficulty with reading and language acquisition.

(2) Beginning September 1, 2019, the superintendent of public instruction must maintain on the agency's web site the list of screening tools and resources identified under this section and must include links to the tools and resources, when available.

(3) The superintendent of public instruction must review and update the list of screening tools and resources identified under this section as appropriate.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The superintendent of public instruction shall convene a dyslexia advisory council to advise the superintendent on matters relating to dyslexia in an academic setting. The council must include interested stakeholders including, but not limited to, literacy and dyslexia experts, special education experts, primary school teachers, school administrators, school psychologists, representatives of school boards, and representatives of nonprofit organizations with expertise in dyslexia. Members of the council must serve without compensation.

(2) By June 1, 2019, the council must identify and describe screening tools and resources that satisfy developmental and academic criteria, including considerations of validity and reliability, that indicate typical literacy development or dyslexia, taking into account typical child neurological development, and report this information to the superintendent of public instruction.

(3) By June 1, 2020, the council must develop recommendations and report to the superintendent of public instruction regarding:

(a) Best practices for school district implementation of screenings as required under section 2 of this act, including trainings for school district staff conducting the screenings;

(b) Best practices for using multitiered systems of support to provide interventions as required under section 2 of this act, including trainings for school district staff in instructional methods specifically targeting students' areas of weakness;

(c) Sample educational information for parents and families related to dyslexia that includes a list of resources for parental support; and

(d) Best practices to address the needs of students above grade two who show indications of, or areas of weakness associated with, dyslexia.

(4) By January 15, 2022, the council must review school district implementation of screenings and their use of multitiered systems of support to provide interventions as required under section 2 of this act, and report to the superintendent of public instruction with updates on its recommendations for the best practices and sample educational information required under subsection (3) of this section.

(5) This section expires August 1, 2023.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.300 RCW to read as follows:

(1) By June 1, 2021, the superintendent of public instruction must review the dyslexia advisory council's recommendations required under section 4 of this act and make available to school districts:

(a) Best practices for school district implementation of screenings as required under section 2 of this act, including trainings for school district staff conducting the screenings;

(b) Best practices for using multitiered systems of support to provide interventions as required under section 2 of this act, including trainings for school district staff in instructional methods specifically targeting students' areas of weakness;

(c) Sample educational information for parents and families related to dyslexia that includes a list of resources for parental support; and

(d) Best practices to address the needs of students above grade two who show indications of, or areas of weakness associated with, dyslexia.

(2) By February 15, 2022, the superintendent of public instruction must review the dyslexia advisory council's updated report required under section 4 of this act and revise the best practices and sample educational information made available to school districts required under subsection (1) of this section.

(3) By November 1, 2022, and in compliance with RCW 43.01.036, the superintendent of public instruction must report to the house of representatives and senate education committees with the following information from the 2021-22 school year:

(a) The number of students: (i) Screened pursuant to section 2 of this act; (ii) with indications of, or areas of weakness associated with, dyslexia identified under section 3 of this act; and (iii) provided interventions pursuant to section 2 of this act;

(b) Descriptions from school districts of the types of interventions used in accordance with section 2 of this act and rates of student progress, when available; and

(c) Descriptions from school districts of the issues districts had related to implementing the provisions of section 2 of this act.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.320 RCW to read as follows:

Beginning with the 2018-19 school year, as part of the annual student assessment inventory, school districts that screen students for indicators of, or areas of weakness associated with, dyslexia must report the number of students and grade levels of the students screened, disaggregated by student subgroups. Each school district must aggregate the school reports and submit the aggregated report to the office of the superintendent of public instruction. The office of the superintendent of public instruction and the dyslexia advisory council convened under section 4 of this act must use this data when developing best practice recommendations in accordance with sections 4 and 5 of this act.

Sec. 7. RCW 28A.165.035 and 2016 c 72 s 803 are each amended to read as follows:

(1) Use of best practices that have been demonstrated through research to be associated with increased student achievement magnifies the opportunities for student success. To the extent they are included as a best practice or strategy in one of the state menus or an approved alternative under this section or RCW 28A.655.235, the following are services and activities that may be supported by the learning assistance program:

(a) Extended learning time opportunities occurring:

(i) Before or after the regular school day;

(ii) On Saturday; and

(iii) Beyond the regular school year;

(b) Services under RCW 28A.320.190;

(c) Professional development for certificated and classified staff that focuses on:

(i) The needs of a diverse student population;

(ii) Specific literacy and mathematics content and instructional strategies; and

(iii) The use of student work to guide effective instruction and appropriate assistance;

(d) Consultant teachers to assist in implementing effective instructional practices by teachers serving participating students;

(e) Tutoring support for participating students;

(f) Outreach activities and support for parents of participating students, including employing parent and family engagement coordinators; and

(g) Up to five percent of a district's learning assistance program allocation may be used for development of partnerships with community-based organizations, educational service districts, and other local agencies to deliver academic and nonacademic supports to participating students who are significantly at risk of not being successful in school to reduce barriers to learning, increase student engagement, and enhance students' readiness to learn. The school board must approve in an open meeting any community-based organization or local agency before learning assistance funds may be expended.

(2) In addition to the state menu developed under RCW 28A.655.235, the office of the superintendent of public instruction shall convene a panel of experts, including the Washington state institute for public policy, to develop additional state menus of best practices and strategies for use in the learning assistance program to assist struggling students at all grade levels in English language arts and mathematics and reduce disruptive behaviors in the classroom. The office of the superintendent of public instruction shall publish the state menus by July 1, 2015, and update the state menus by each July 1st thereafter.

(3)(a) Beginning in the 2016-17 school year, except as provided in (b) of this subsection, school districts must use a

practice or strategy that is on a state menu developed under subsection (2) of this section or RCW 28A.655.235.

(b) Beginning in the 2016-17 school year, school districts may use a practice or strategy that is not on a state menu developed under subsection (2) of this section for two school years initially. If the district is able to demonstrate improved outcomes for participating students over the previous two school years at a level commensurate with the best practices and strategies on the state menu, the office of the superintendent of public instruction shall approve use of the alternative practice or strategy by the district for one additional school year. Subsequent annual approval by the superintendent of public instruction to use the alternative practice or strategy is dependent on the district continuing to demonstrate increased improved outcomes for participating students.

(c) Beginning in the 2016-17 school year, school districts may enter cooperative agreements with state agencies, local governments, or school districts for administrative or operational costs needed to provide services in accordance with the state menus developed under this section and RCW 28A.655.235.

(4) School districts are encouraged to implement best practices and strategies from the state menus developed under this section and RCW 28A.655.235 before the use is required.

(5) School districts may use learning assistance program allocations to meet the screening and intervention requirements of section 2 of this act, even if the student being screened or provided with supports is not eligible to participate in the learning assistance program. The learning assistance program allocations may also be used for school district staff trainings necessary to implement the provisions of section 2 of this act.

NEW SECTION. Sec. 8. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The superintendent of public instruction may adopt rules to implement sections 1 through 6 of this act and RCW 28A.165.035.

(2) The rules may include, but are not limited to, the following:

- (d) Training for school district staff conducting the screenings; and
- (e) The members and scope of work for the dyslexia advisory council convened under section 4 of this act.

Sec. 9. RCW 28A.710.040 and 2016 c 241 s 104 are each amended to read as follows:

(1) A charter school must operate according to the terms of its charter contract and the provisions of this chapter.

(2) A charter school must:

(a) Comply with local, state, and federal health, safety, parents' rights, civil rights, and nondiscrimination laws applicable to school districts and to the same extent as school districts, including but not limited to chapter 28A.642 RCW (discrimination prohibition) and chapter 28A.640 RCW (sexual equality);

(b) Provide a program of basic education, that meets the goals in RCW 28A.150.210, including instruction in the essential academic learning requirements, and participate in the statewide student assessment system as developed under RCW 28A.655.070;

(c) Comply with the screening and intervention requirements under section 2 of this act;

MR. PRESIDENT:

The House passed SENATE BILL NO. 6407 with the following amendment(s): 6407 AMH APP H5083.2

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.34.025 and 2009 c 520 s 20 are each amended to read as follows:

(1) The department and ((supervising)) agencies shall develop methods for coordination of services to parents and children in child dependency cases. To the maximum extent possible under current funding levels, the department and ((supervising)) agencies must:

(a) Coordinate and integrate services to children and families, using service plans and activities that address the children's and families' multiple needs, including ensuring that siblings have regular visits with each other, as appropriate. Assessment criteria should screen for multiple needs;

(b) Develop treatment plans for the individual needs of the client in a manner that minimizes the number of contacts the client is required to make; and

(c) Access training for department and ((supervising)) agency staff to increase skills across disciplines to assess needs for mental health, substance abuse, developmental disabilities, and other areas.

(2) The department shall coordinate within the administrations of the department, and with contracted service providers ((including supervising agencies)), to ensure that parents in dependency proceedings under this chapter receive priority access to remedial services recommended by the department ((or supervising agency)) in its social study or ordered by the court for the purpose of correcting any parental deficiencies identified in the dependency proceeding that are capable of being corrected in the foreseeable future. Services may also be provided to caregivers other than the parents as identified in RCW 13.34.138.

(a) For purposes of this chapter, remedial services are those services defined in the federal adoption and safe families act as time-limited family reunification services. Remedial services include individual, group, and family counseling; substance abuse treatment services; mental health services; assistance to address domestic violence; services designed to provide temporary child care and therapeutic services for families; and transportation to or from any of the above services and activities.

(b) The department shall provide funds for remedial services if the parent is unable to pay to the extent funding is appropriated in the operating budget or otherwise available to the department for such specific services. As a condition for receiving funded remedial services, the court may inquire into the parent's ability to pay for all or part of such services or may require that the parent make appropriate applications for funding to alternative funding sources for such services.

(c) If court-ordered remedial services are unavailable for any reason, including lack of funding, lack of services, or language barriers, the department ((or supervising agency)) shall promptly notify the court that the parent is unable to engage in the treatment due to the inability to access such services.

(d) This section does not create an entitlement to services and does not create judicial authority to order the provision of services except for the specific purpose of making reasonable efforts to remedy parental deficiencies identified in a dependency proceeding under this chapter.

Sec. 2. RCW 13.34.030 and 2017 c 276 s 2 are each amended to read as follows:

For purposes of this chapter:

(1) "Abandoned" means when the child's parent, guardian, or other custodian has expressed, either by statement or conduct, an intent to forego, for an extended period, parental rights or responsibilities despite an ability to exercise such rights and responsibilities. If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

(2) "Child," "juvenile," and "youth" means:

(a) Any individual under the age of eighteen years; or

(b) Any individual age eighteen to twenty-one years who is eligible to receive and who elects to receive the extended foster care services authorized under RCW 74.13.031. (f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

(22) "Supervised independent living" includes, but is not limited to, apartment living, room and board arrangements, college or university dormitories, and shared roommate settings. Supervised independent living settings must be approved by the children's administration or the court.

(23) ("~~Supervising agency" means an agency licensed by the state under RCW 74.15.090, or licensed by a federally recognized~~

~~Indian tribe located in this state under RCW 74.15.190, that has entered into a performance-based contract with the department to provide case management for the delivery and documentation of child welfare services as defined in RCW 74.13.020.~~

(24)) "Voluntary placement agreement" means, for the purposes of extended foster care services, a written voluntary agreement between a nonminor dependent who agrees to submit to the care and authority of the department for the purposes of participating in the extended foster care program.

Sec. 4. RCW 13.34.065 and 2013 c 162 s 6 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, guardian, or legal custodian who for good cause is unable to attend the shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) If it is likely that the child will remain in shelter care longer than seventy-two hours, ~~((in those areas in which child welfare services are being provided by a supervising agency, the supervising agency shall assume case management responsibilities of the case-))~~ the department ~~((or supervising agency))~~ shall submit a recommendation to the court as to the further need for shelter care in all cases in which the child will remain in shelter care longer than the seventy-two hour period. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3)(a) At the commencement of the hearing, the court shall notify the parent, guardian, or custodian of the following:

(i) The parent, guardian, or custodian has the right to a shelter care hearing;

(ii) The nature of the shelter care hearing, the rights of the parents, and the proceedings that will follow; and

(iii) If the parent, guardian, or custodian is not represented by counsel, the right to be represented. If the parent, guardian, or custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090; and

(b) If a parent, guardian, or legal custodian desires to waive the shelter care hearing, the court shall determine, on the record and with the parties present, whether such waiver is knowing and voluntary. A parent may not waive his or her right to the shelter care hearing unless he or she appears in court and the court determines that the waiver is knowing and voluntary. Regardless of whether the court accepts the parental waiver of the shelter care hearing, the court must provide notice to the parents of their rights required under (a) of this subsection and make the finding required under subsection (4) of this section.

(4) At the shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare,

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child. The court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the department to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative. The court shall ask the parents whether the department discussed with them the placement of the child with a relative or other suitable person described in RCW 13.34.130(1)(b) and shall determine what efforts have been made toward such a placement;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child's home. If the dependency petition or other information before the court alleges that homelessness or the lack of suitable housing was a significant factor contributing to the removal of the child, the court shall inquire as to whether housing assistance was provided to the family to prevent or eliminate the need for removal of the child or children;

(e) Is the placement proposed by the department (~~or supervising agency~~) the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to placement and what efforts have been made to maintain the child in the school, program, or child care if it would be in the best interest of the child to remain in the same school, program, or child care;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in RCW 13.38.040, whether the provisions of the federal Indian child welfare act or chapter 13.38 RCW apply, and whether there is compliance with the federal Indian child welfare act and chapter 13.38 RCW, including notice to the child's tribe;

(i) Whether, as provided in RCW 26.44.063, restraining orders, or orders expelling an allegedly abusive household member from the home of a nonabusive parent, guardian, or legal custodian, will allow the child to safely remain in the home;

(j) Whether any orders for examinations, evaluations, or immediate services are needed. The court may not order a parent to undergo examinations, evaluation, or services at the shelter care hearing unless the parent agrees to the examination, evaluation, or service;

(k) The terms and conditions for parental, sibling, and family visitation.

(5)(a) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(ii)(A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(B) The release of such child would present a serious threat of substantial harm to such child, notwithstanding an order entered pursuant to RCW 26.44.063; or

(C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order placement with a relative or other suitable person as described in RCW 13.34.130(1)(b), unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. If such relative or other suitable person appears otherwise suitable and competent to provide care and treatment, the fingerprint-based background check need not be completed before placement, but as soon as possible after placement. The court must also determine whether placement with the relative or other suitable person is in the child's best interests. The relative or other suitable person must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child's visitation with siblings, if such visitation is part of the (~~supervising agency's~~) department's plan or is ordered by the court; and

(iii) Cooperate with the department (~~or supervising agency~~) in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative or other suitable person, and the court does not release the child to his or her parent, guardian, or legal custodian, the (~~supervising agency~~) department shall make reasonable efforts to locate a relative or other suitable person pursuant to RCW 13.34.060(1). In determining placement, the court shall weigh the child's length of stay and attachment to the current provider in determining what is in the best interest of the child.

(d) If a relative or other suitable person is not available, the court shall order continued shelter care and shall set forth its reasons for the order. If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(e) Any placement with a relative, or other suitable person approved by the court pursuant to this section, shall be contingent upon cooperation with the department's or (~~supervising~~) agency's case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other suitable person, subject to review by the court.

(f) Uncertainty by a parent, guardian, legal custodian, relative, or other suitable person that the alleged abuser has in fact abused the child shall not, alone, be the basis upon which a child is removed from the care of a parent, guardian, or legal custodian under (a) of this subsection, nor shall it be a basis, alone, to preclude placement with a relative or other suitable person under (b) of this subsection.

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and

location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7)(a) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(b)(i) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(ii) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

(8)(a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

Sec. 5. RCW 13.34.067 and 2013 c 173 s 1 are each amended to read as follows:

(1)(a) Following shelter care and no later than thirty days prior to fact-finding, the department ((~~or supervising agency~~)) shall convene a case conference as required in the shelter care order to develop and specify in a written service agreement the expectations of both the department ((~~or supervising agency~~)) and the parent regarding voluntary services for the parent.

(b) The case conference shall include the parent, counsel for the parent, caseworker, counsel for the state, guardian ad litem, counsel for the child, and any other person agreed upon by the parties. Once the shelter care order is entered, the department ((~~or supervising agency~~)) is not required to provide additional notice of the case conference to any participants in the case conference.

(c) The written service agreement expectations must correlate with the court's findings at the shelter care hearing. The written service agreement must set forth specific services to be provided to the parent.

(d) The case conference agreement must be agreed to and signed by the parties. The court shall not consider the content of the discussions at the case conference at the time of the fact-finding hearing for the purposes of establishing that the child is a dependent child, and the court shall not consider any documents or written materials presented at the case conference but not incorporated into the case conference agreement, unless the documents or written materials were prepared for purposes other than or as a result of the case conference and are otherwise admissible under the rules of evidence.

(2) At any other stage in a dependency proceeding, the department ((~~or supervising agency~~)), upon the parent's request, shall convene a case conference.

(3) If a case conference is convened pursuant to subsection (1) or (2) of this section and the parent is unable to participate in person due to incarceration, the parent must have the option to participate through the use of a teleconference or videoconference.

Sec. 6. RCW 13.34.094 and 2009 c 520 s 24 are each amended to read as follows:

The department((~~, or supervising agency after the shelter care hearing,~~)) shall, within existing resources, provide to parents requesting or participating in a multidisciplinary team, family group conference, case conference, or prognostic staffing information that describes these processes prior to the processes being undertaken.

Sec. 7. RCW 13.34.096 and 2016 c 180 s 1 are each amended to read as follows:

(1) The department ((~~or supervising agency~~)) shall provide the child's foster parents, preadoptive parents, or other caregivers with timely and adequate notice of their right to be heard prior to each proceeding held with respect to the child in juvenile court under this chapter. For purposes of this section, "timely and adequate notice" means notice at the time the department would be required to give notice to parties to the case and by any means reasonably certain of notifying the foster parents, preadoptive parents, or other caregivers, including but not limited to written, telephone, or in person oral notification. For emergency hearings, the department shall give notice to foster parents, preadoptive parents, or other caregivers as soon as is practicable. For six-month review and annual permanency hearings, the department shall give notice to foster parents upon placement or as soon as practicable.

(2) The court shall establish and include in the court record after every hearing for which the department ((~~or supervising agency~~)) is required to provide notice to the child's foster parents, preadoptive parents, and caregivers whether the department provided adequate and timely notice, whether a caregiver's report was received by the court, and whether the court provided the child's foster parents, preadoptive parents, or caregivers with an opportunity to be heard in court. For purposes of this section, "caregiver's report" means a form provided by the department of social and health services to a child's foster parents, preadoptive parents, or caregivers that provides an opportunity for those individuals to share information about the child with the court before a court hearing. A caregiver's report shall not include information related to a child's biological parent that is not directly related to the child's well-being.

(3) Absent exigent circumstances, the department shall provide the child's foster family home notice of expected placement changes as required by RCW 74.13.300.

(4) The rights to notice and to be heard apply only to persons with whom a child has been placed by the department or ((~~supervising~~)) agency and who are providing care to the child at the time of the proceeding. This section shall not be construed to grant party status to any person solely on the basis of such notice and right to be heard.

Sec. 8. RCW 13.34.096 and 2017 3rd sp.s. c 6 s 304 are each amended to read as follows:

(1) The department ((~~or supervising agency~~)) shall provide the child's foster parents, preadoptive parents, or other caregivers with timely and adequate notice of their right to be heard prior to each proceeding held with respect to the child in juvenile court under this chapter. For purposes of this section, "timely and adequate notice" means notice at the time the department would be required to give notice to parties to the case and by any means reasonably certain of notifying the foster parents, preadoptive parents, or other caregivers, including but not limited to written, telephone, or in person oral notification. For emergency hearings, the department shall give notice to foster parents, preadoptive parents, or other caregivers as soon as is practicable. For six-month review and annual permanency hearings, the department

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

shall give notice to foster parents upon placement or as soon as practicable.

(2) The court shall establish and include in the court record after every hearing for which the department (~~(or supervising agency)~~) is required to provide notice to the child's foster parents, preadoptive parents, and caregivers whether the department provided adequate and timely notice, whether a caregiver's report was received by the court, and whether the court provided the child's foster parents, preadoptive parents, or caregivers with an opportunity to be heard in court. For purposes of this section, "caregiver's report" means a form provided by the department to a child's foster parents, preadoptive parents, or caregivers that provides an opportunity for those individuals to share information about the child with the court before a court hearing. A caregiver's report shall not include information related to a child's biological parent that is not directly related to the child's well-being.

(3) Absent exigent circumstances, the department shall provide the child's foster family home notice of expected placement changes as required by RCW 74.13.300.

(4) The rights to notice and to be heard apply only to persons with whom a child has been placed by the department or (~~(supervising)~~) agency and who are providing care to the child at the time of the proceeding. This section shall not be construed to grant party status to any person solely on the basis of such notice and right to be heard.

Sec. 9. RCW 13.34.125 and 2009 c 520 s 26 are each amended to read as follows:

In those cases where an alleged father, birth parent, or parent has indicated his or her intention to make a voluntary adoption plan for the child and has agreed to the termination of his or her parental rights, the department (~~(or supervising agency)~~) shall follow the wishes of the alleged father, birth parent, or parent regarding the proposed adoptive placement of the child, if the court determines that the adoption is in the best interest of the child, and the prospective adoptive parents chosen by the alleged father, birth parent, or parent are properly qualified to adopt in compliance with the standards in this chapter and chapter 26.33 RCW. If the department (~~(or supervising agency)~~) has filed a termination petition, an alleged father's, birth parent's, or parent's preferences regarding the proposed adoptive placement of the child shall be given consideration.

Sec. 10. RCW 13.34.130 and 2013 c 254 s 1 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the social study prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition that maintains the child in his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose services to assist the parents in maintaining the child in the home, including housing assistance, if appropriate, that least interfere with family autonomy and are adequate to protect the child.

(b)(i) Order the child to be removed from his or her home and into the custody, control, and care of a relative or other suitable person, the department, or (~~(a supervising)~~) agency responsible

for supervision of the child's placement. If the court orders that the child be placed with a caregiver over the objections of the parent or the department, the court shall articulate, on the record, his or her reasons for ordering the placement. The court may not order an Indian child, as defined in RCW 13.38.040, to be removed from his or her home unless the court finds, by clear and convincing evidence including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child.

(ii) The department (~~(or supervising agency)~~) has the authority to place the child, subject to review and approval by the court (A) with a relative as defined in RCW 74.15.020(2)(a), (B) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department (~~(or supervising agency)~~) to be suitable and competent to provide care for the child, or (C) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW.

(iii) The department may also consider placing the child, subject to review and approval by the court, with a person with whom the child's sibling or half-sibling is residing or a person who has adopted the sibling or half-sibling of the child being placed as long as the person has completed all required criminal history background checks and otherwise appears to the department (~~(or supervising agency)~~) to be competent to provide care for the child.

(2) Absent good cause, the department (~~(or supervising agency)~~) shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.260.

(3) The department (~~(or supervising agency)~~) may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a), including a placement provided for in subsection (1)(b)(iii) of this section, when the court finds that such placement is in the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, the child shall be placed with a person who is willing, appropriate, and available to care for the child, and who is: (I) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; or (II) a suitable person as described in subsection (1)(b) of this section. The court shall consider the child's existing relationships and attachments when determining placement.

(4) When placing an Indian child in out-of-home care, the department (~~(or supervising agency)~~) shall follow the placement preference characteristics in RCW 13.38.180.

(5) Placement of the child with a relative or other suitable person as described in subsection (1)(b) of this section shall be given preference by the court. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services, including housing assistance, that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;

(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or

(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger.

(6) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child's best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:

(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and

(ii) There is no reasonable cause to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a stepbrother or stepsister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the stepsibling.

(7) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section and placed into nonparental or nonrelative care, the court shall order a placement that allows the child to remain in the same school he or she attended prior to the initiation of the dependency proceeding when such a placement is practical and in the child's best interest.

(8) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(9) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative or other suitable person, the child shall remain in foster care and the court shall direct the department (~~(or supervising agency)~~) to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative or other person appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives or other suitable persons, pursuant to this section, shall be contingent upon cooperation by the relative or other suitable person with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's or other suitable person's home, subject to review by the court.

Sec. 11. RCW 13.34.132 and 2013 c 302 s 11 are each amended to read as follows:

A court may order that a petition seeking termination of the parent and child relationship be filed if the following requirements are met:

(1) The court has removed the child from his or her home pursuant to RCW 13.34.130;

(2) Termination is recommended by the department (~~(or the supervising agency)~~);

(3) Termination is in the best interests of the child; and

(4) Because of the existence of aggravated circumstances, reasonable efforts to unify the family are not required. Notwithstanding the existence of aggravated circumstances, reasonable efforts may be required if the court or department determines it is in the best interests of the child. In determining whether aggravated circumstances exist by clear, cogent, and convincing evidence, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(e) Conviction of the parent of trafficking, or promoting commercial sexual abuse of a minor when the victim of the crime is the child, the child's other parent, a sibling of the child, or another child;

(f) Conviction of the parent of attempting, soliciting, or conspiring to commit a crime listed in (a), (b), (c), or (d) of this subsection;

(g) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;

(h) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim. In the case of a parent of an Indian child, as defined in RCW 13.38.040, the court shall also consider tribal efforts to assist the parent in completing treatment and make it possible for the child to return home;

(i) An infant under three years of age has been abandoned;

(j) Conviction of the parent, when a child has been born of the offense, of: (A) A sex offense under chapter 9A.44 RCW; or (B) incest under RCW 9A.64.020.

Sec. 12. RCW 13.34.136 and 2015 c 270 s 1 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the ~~((supervising agency))~~ department assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The ~~((agency supervising the dependency))~~ department shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's ~~((or supervising agency's))~~ proposed permanency plan must be provided to the department (~~(or supervising agency)~~), all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, if the child is between ages sixteen and eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. Although a permanency plan of care may only identify long-term relative or foster care for children between ages sixteen and eighteen, children under sixteen may remain placed with relatives or in foster care. The department (~~(or supervising agency)~~) shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps (~~(the supervising agency or)~~) the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department (~~(or supervising agency)~~) will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's (~~(or supervising agency's)~~) plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the developmental disabilities administration, the department shall make reasonable efforts to consult with the developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services must be tailored to correct the parental deficiency taking into consideration the parent's disability and the department shall also determine an appropriate method to offer those services based on the parent's disability.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The (~~(supervising agency or)~~) department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department (~~(or supervising agency)~~) should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department (~~(or supervising agency)~~).

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The (~~(supervising agency or)~~) department shall provide all reasonable services that are available within the department (~~(or supervising agency)~~), or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department (~~(or supervising agency)~~) shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause

to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department (~~(or supervising agency)~~) to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(4)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other (~~(supervising)~~) agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department of social and health services or other (~~(supervising)~~) agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 13. RCW 13.34.136 and 2017 3rd sp.s. c 6 s 306 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the (~~(supervising agency)~~) department assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is

dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The (~~(agency supervising the dependency)~~) department shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's (~~(or supervising agency's)~~) proposed permanency plan must be provided to the department (~~(or supervising agency)~~), all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, if the child is between ages sixteen and eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. Although a permanency plan of care may only identify long-term relative or foster care for children between ages sixteen and eighteen, children under sixteen may remain placed with relatives or in foster care. The department (~~(or supervising agency)~~) shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps (~~(the supervising agency or)~~) the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department (~~(or supervising agency)~~) will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's (~~(or supervising agency's)~~) plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the department of social and health services developmental disabilities administration, the department shall make reasonable efforts to consult with the department of social and health services developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services must be tailored to correct the parental deficiency taking into consideration the parent's disability and the department shall also determine an appropriate method to offer those services based on the parent's disability.

(ii)(A) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial

for maintaining parent-child relationships and making it possible for parents and children to safely reunify. The ~~((supervising agency or))~~ department shall encourage the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation.

(C) Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. When a parent or sibling has been identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child, the department shall make a concerted effort to consult with the assigned law enforcement officer in the criminal case before recommending any changes in parent/child or child/sibling contact. In the event that the law enforcement officer has information pertaining to the criminal case that may have serious implications for child safety or well-being, the law enforcement officer shall provide this information to the department during the consultation. The department may only use the information provided by law enforcement during the consultation to inform family visitation plans and may not share or otherwise distribute the information to any person or entity. Any information provided to the department by law enforcement during the consultation is considered investigative information and is exempt from public inspection pursuant to RCW 42.56.240. The results of the consultation shall be communicated to the court.

(D) The court and the department ~~((or supervising agency))~~ should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department ~~((or supervising agency))~~.

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The ~~((supervising agency or))~~ department shall provide all reasonable services that are available within the department ~~((or supervising agency))~~, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency

for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department ~~((or supervising agency))~~ shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department ~~((or supervising agency))~~ to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(4)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other ~~((supervising))~~ agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department or other ~~((supervising))~~ agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:

(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.

(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.

(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 14. RCW 13.34.138 and 2009 c 520 s 29, 2009 c 491 s 3, 2009 c 397 s 4, and 2009 c 152 s 1 are each reenacted and amended to read as follows:

(1) The status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first. The purpose of the hearing shall be to review the progress of the parties and determine whether court supervision should continue.

(a) The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The requirements for the initial review hearing, including the in-court review requirement, shall be accomplished within existing resources.

(b) The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(1)(a) or 13.34.134.

(2)(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision by the ~~((supervising agency or))~~ department shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) Prior to the child returning home, the department ~~((or supervising agency))~~ must complete the following:

(i) Identify all adults residing in the home and conduct background checks on those persons;

(ii) Identify any persons who may act as a caregiver for the child in addition to the parent with whom the child is being placed and determine whether such persons are in need of any services in order to ensure the safety of the child, regardless of whether such persons are a party to the dependency. The department ~~((or supervising agency))~~ may recommend to the court and the court may order that placement of the child in the parent's home be contingent on or delayed based on the need for such persons to engage in or complete services to ensure the safety of the child prior to placement. If services are recommended for the caregiver, and the caregiver fails to engage in or follow through with the recommended services, the department ~~((or supervising agency))~~ must promptly notify the court; and

(iii) Notify the parent with whom the child is being placed that he or she has an ongoing duty to notify the department ~~((or supervising agency))~~ of all persons who reside in the home or who may act as a caregiver for the child both prior to the placement of the child in the home and subsequent to the placement of the child in the home as long as the court retains jurisdiction of the dependency proceeding or the department is providing or monitoring either remedial services to the parent or services to ensure the safety of the child to any caregivers.

Caregivers may be required to engage in services under this subsection solely for the purpose of ensuring the present and future safety of a child who is a ward of the court. This subsection does not grant party status to any individual not already a party to the dependency proceeding, create an entitlement to services or a duty on the part of the department ~~((or supervising agency))~~ to provide services, or create judicial authority to order the provision of services to any person other than for the express purposes of this section or RCW 13.34.025 or if the services are unavailable or unsuitable or the person is not eligible for such services.

(c) If the child is not returned home, the court shall establish in writing:

(i) Whether ~~((the supervising agency or))~~ the department is making reasonable efforts to provide services to the family and eliminate the need for placement of the child. If additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents, the court shall order that reasonable services be offered specifying such services;

(ii) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(iii) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(iv) Whether the services set forth in the case plan and the responsibilities of the parties need to be clarified or modified due to the availability of additional information or changed circumstances;

(v) Whether there is a continuing need for placement;

(vi) Whether a parent's homelessness or lack of suitable housing is a significant factor delaying permanency for the child by preventing the return of the child to the home of the child's parent and whether housing assistance should be provided by the department ~~((or supervising agency))~~;

(vii) Whether the child is in an appropriate placement which adequately meets all physical, emotional, and educational needs;

(viii) Whether preference has been given to placement with the child's relatives if such placement is in the child's best interests;

(ix) Whether both in-state and, where appropriate, out-of-state placements have been considered;

(x) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(xi) Whether terms of visitation need to be modified;

(xii) Whether the court-approved long-term permanent plan for the child remains the best plan for the child;

(xiii) Whether any additional court orders need to be made to move the case toward permanency; and

(xiv) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(d) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(3)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child's home, the in-home placement shall be contingent upon the following:

(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with the ~~((supervising agency's))~~ department's case plan; and

(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.

(b) The following may be grounds for removal of the child from the home, subject to review by the court:

(i) Noncompliance by the parents with the department's ~~((or supervising agency's))~~ case plan or court order;

(ii) The parent's inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect; or

(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent's substance abuse was a contributing factor to the abuse or neglect.

(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

should be filed, or other action is warranted. The best interests of the child shall be the court's primary consideration in the review hearing.

(4) The court's authority to order housing assistance under this chapter is: (a) Limited to cases in which a parent's homelessness or lack of suitable housing is a significant factor delaying permanency for the child and housing assistance would aid the parent in providing an appropriate home for the child; and (b) subject to the availability of funds appropriated for this specific purpose. Nothing in this chapter shall be construed to create an entitlement to housing assistance nor to create judicial authority to order the provision of such assistance to any person or family if the assistance or funding are unavailable or the child or family are not eligible for such assistance.

(5) The court shall consider the child's relationship with siblings in accordance with RCW 13.34.130(~~(3)~~) (6).

Sec. 15. RCW 13.34.145 and 2015 c 270 s 2 and 2015 c 257 s 1 are each reenacted and amended to read as follows:

(1) The purpose of a permanency planning hearing is to review the permanency plan for the child, inquire into the welfare of the child and progress of the case, and reach decisions regarding the permanent placement of the child.

(a) A permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree, guardianship order, or permanent custody order has not previously been entered. The hearing shall take place no later than twelve months following commencement of the current placement episode.

(b) Whenever a child is removed from the home of a dependency guardian or long-term relative or foster care provider, and the child is not returned to the home of the parent, guardian, or legal custodian but is placed in out-of-home care, a permanency planning hearing shall take place no later than twelve months, as provided in this section, following the date of removal unless, prior to the hearing, the child returns to the home of the dependency guardian or long-term care provider, the child is placed in the home of the parent, guardian, or legal custodian, an adoption decree, guardianship order, or a permanent custody order is entered, or the dependency is dismissed. Every effort shall be made to provide stability in long-term placement, and to avoid disruption of placement, unless the child is being returned home or it is in the best interest of the child.

(c) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(2) No later than ten working days prior to the permanency planning hearing, the agency having custody of the child shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties and their legal counsel, if any.

(3) When the youth is at least age seventeen years but not older than seventeen years and six months, the department shall provide the youth with written documentation which explains the availability of extended foster care services and detailed instructions regarding how the youth may access such services after he or she reaches age eighteen years.

(4) At the permanency planning hearing, the court shall conduct the following inquiry:

(a) If a goal of long-term foster or relative care has been achieved prior to the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remain appropriate. The court shall

find, as of the date of the hearing, that the child's placement and plan of care is the best permanency plan for the child and provide compelling reasons why it continues to not be in the child's best interest to (i) return home; (ii) be placed for adoption; (iii) be placed with a legal guardian; or (iv) be placed with a fit and willing relative. If the child is present at the hearing, the court should ask the child about his or her desired permanency outcome.

(b) In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal. The court shall review the permanency plan prepared by the agency and make explicit findings regarding each of the following:

(i) The continuing necessity for, and the safety and appropriateness of, the placement;

(ii) The extent of compliance with the permanency plan by the department (~~(or supervising agency)~~) and any other service providers, the child's parents, the child, and the child's guardian, if any;

(iii) The extent of any efforts to involve appropriate service providers in addition to department (~~(or supervising agency)~~) staff in planning to meet the special needs of the child and the child's parents;

(iv) The progress toward eliminating the causes for the child's placement outside of his or her home and toward returning the child safely to his or her home or obtaining a permanent placement for the child;

(v) The date by which it is likely that the child will be returned to his or her home or placed for adoption, with a guardian or in some other alternative permanent placement; and

(vi) If the child has been placed outside of his or her home for fifteen of the most recent twenty-two months, not including any period during which the child was a runaway from the out-of-home placement or the first six months of any period during which the child was returned to his or her home for a trial home visit, the appropriateness of the permanency plan, whether reasonable efforts were made by the department (~~(or supervising agency)~~) to achieve the goal of the permanency plan, and the circumstances which prevent the child from any of the following:

(A) Being returned safely to his or her home;

(B) Having a petition for the involuntary termination of parental rights filed on behalf of the child;

(C) Being placed for adoption;

(D) Being placed with a guardian;

(E) Being placed in the home of a fit and willing relative of the child; or

(F) Being placed in some other alternative permanent placement, including independent living or long-term foster care.

(5) Following this inquiry, at the permanency planning hearing, the court shall order the department (~~(or supervising agency)~~) to file a petition seeking termination of parental rights if the child has been in out-of-home care for fifteen of the last twenty-two months since the date the dependency petition was filed unless the court makes a good cause exception as to why the filing of a termination of parental rights petition is not appropriate. Any good cause finding shall be reviewed at all subsequent hearings pertaining to the child.

(a) For purposes of this subsection, "good cause exception" includes but is not limited to the following:

(i) The child is being cared for by a relative;

(ii) The department has not provided to the child's family such services as the court and the department have deemed necessary for the child's safe return home;

(iii) The department has documented in the case plan a compelling reason for determining that filing a petition to terminate parental rights would not be in the child's best interests;

(iv) The parent is incarcerated, or the parent's prior incarceration is a significant factor in why the child has been in foster care for fifteen of the last twenty-two months, the parent maintains a meaningful role in the child's life, and the department has not documented another reason why it would be otherwise appropriate to file a petition pursuant to this section;

(v) Where a parent has been accepted into a dependency treatment court program or long-term substance abuse or dual diagnoses treatment program and is demonstrating compliance with treatment goals; or

(vi) Where a parent who has been court ordered to complete services necessary for the child's safe return home files a declaration under penalty of perjury stating the parent's financial inability to pay for the same court-ordered services, and also declares the department was unwilling or unable to pay for the same services necessary for the child's safe return home.

(b) The court's assessment of whether a parent who is incarcerated maintains a meaningful role in the child's life may include consideration of the following:

(i) The parent's expressions or acts of manifesting concern for the child, such as letters, telephone calls, visits, and other forms of communication with the child;

(ii) The parent's efforts to communicate and work with the department (~~(or supervising agency)~~) or other individuals for the purpose of complying with the service plan and repairing, maintaining, or building the parent-child relationship;

(iii) A positive response by the parent to the reasonable efforts of the department (~~(or the supervising agency)~~);

(iv) Information provided by individuals or agencies in a reasonable position to assist the court in making this assessment, including but not limited to the parent's attorney, correctional and mental health personnel, or other individuals providing services to the parent;

(v) Limitations in the parent's access to family support programs, therapeutic services, and visiting opportunities, restrictions to telephone and mail services, inability to participate in foster care planning meetings, and difficulty accessing lawyers and participating meaningfully in court proceedings; and

(vi) Whether the continued involvement of the parent in the child's life is in the child's best interest.

(c) The constraints of a parent's current or prior incarceration and associated delays or barriers to accessing court-mandated services may be considered in rebuttal to a claim of aggravated circumstances under RCW 13.34.132(4)(h) for a parent's failure to complete available treatment.

(6)(a) If the permanency plan identifies independent living as a goal, the court at the permanency planning hearing shall make a finding that the provision of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and nonfinancial affairs prior to approving independent living as a permanency plan of care. The court will inquire whether the child has been provided information about extended foster care services.

(b) The permanency plan shall also specifically identify the services, including extended foster care services, where appropriate, that will be provided to assist the child to make a successful transition from foster care to independent living.

(c) The department (~~(or supervising agency)~~) shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW.

(7) If the child has resided in the home of a foster parent or relative for more than six months prior to the permanency planning hearing, the court shall:

(a) Enter a finding regarding whether the foster parent or relative was informed of the hearing as required in RCW 74.13.280, 13.34.215(6), and 13.34.096; and

(b) If the department (~~(or supervising agency)~~) is recommending a placement other than the child's current placement with a foster parent, relative, or other suitable person, enter a finding as to the reasons for the recommendation for a change in placement.

(8) In all cases, at the permanency planning hearing, the court shall:

(a)(i) Order the permanency plan prepared by the (~~(supervising agency)~~) department to be implemented; or

(ii) Modify the permanency plan, and order implementation of the modified plan; and

(b)(i) Order the child returned home only if the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists; or

(ii) Order the child to remain in out-of-home care for a limited specified time period while efforts are made to implement the permanency plan.

(9) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the dependency is dismissed, whichever occurs first.

(10) Prior to the second permanency planning hearing, the agency that has custody of the child shall consider whether to file a petition for termination of parental rights.

(11) If the court orders the child returned home, casework supervision by the department (~~(or supervising agency)~~) shall continue for at least six months, at which time a review hearing shall be held pursuant to RCW 13.34.138, and the court shall determine the need for continued intervention.

(12) The juvenile court may hear a petition for permanent legal custody when: (a) The court has ordered implementation of a permanency plan that includes permanent legal custody; and (b) the party pursuing the permanent legal custody is the party identified in the permanency plan as the prospective legal custodian. During the pendency of such proceeding, the court shall conduct review hearings and further permanency planning hearings as provided in this chapter. At the conclusion of the legal guardianship or permanent legal custody proceeding, a juvenile court hearing shall be held for the purpose of determining whether dependency should be dismissed. If a guardianship or permanent custody order has been entered, the dependency shall be dismissed.

(13) Continued juvenile court jurisdiction under this chapter shall not be a barrier to the entry of an order establishing a legal guardianship or permanent legal custody when the requirements of subsection (12) of this section are met.

(14) Nothing in this chapter may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with this chapter unless the department (~~(or supervising agency)~~) requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter.

(15) The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the (~~(supervising agency)~~) department of its obligation to provide

2018 REGULAR SESSION

reasonable services, under this chapter, intended to effectuate the return of the child to the parent, including but not limited to, visitation rights. The court shall consider the child's relationships with siblings in accordance with RCW 13.34.130.

(16) Nothing in this chapter may be construed to limit the procedural due process rights of any party in a termination or guardianship proceeding filed under this chapter.

Sec. 16. RCW 13.34.155 and 2009 c 526 s 2 and 2009 c 520 s 31 are each reenacted and amended to read as follows:

(1) The court hearing the dependency petition may hear and determine issues related to chapter 26.10 RCW in a dependency proceeding as necessary to facilitate a permanency plan for the child or children as part of the dependency disposition order or a dependency review order or as otherwise necessary to implement a permanency plan of care for a child. The parents, guardians, or legal custodian of the child must agree, subject to court approval, to establish a permanent custody order. This agreed order may have the concurrence of the other parties to the dependency ((including the supervising agency)), the guardian ad litem of the child, and the child if age twelve or older, and must also be in the best interests of the child. If the petitioner for a custody order under chapter 26.10 RCW is not a party to the dependency proceeding, he or she must agree on the record or by the filing of a declaration to the entry of a custody order. Once an order is entered under chapter 26.10 RCW, and the dependency petition dismissed, the department ((or supervising agency)) shall not continue to supervise the placement.

(2)(a) The court hearing the dependency petition may establish or modify a parenting plan under chapter 26.09 or 26.26 RCW as part of a disposition order or at a review hearing when doing so will implement a permanent plan of care for the child and result in dismissal of the dependency.

(b) The dependency court shall adhere to procedural requirements under chapter 26.09 RCW and must make a written finding that the parenting plan established or modified by the dependency court under this section is in the child's best interests.

(c) Unless the whereabouts of one of the parents is unknown to either the department or the court, the parents must agree, subject to court approval, to establish the parenting plan or modify an existing parenting plan.

(d) Whenever the court is asked to establish or modify a parenting plan, the child's residential schedule, the allocation of decision-making authority, and dispute resolution under this section, the dependency court may:

(i) Appoint a guardian ad litem to represent the interests of the child when the court believes the appointment is necessary to protect the best interests of the child; and

(ii) Appoint an attorney to represent the interests of the child with respect to provisions for the parenting plan.

(e) The dependency court must make a written finding that the parenting plan established or modified by the dependency court under this section is in the child's best interests.

(f) The dependency court may interview the child in chambers to ascertain the child's wishes as to the child's residential schedule in a proceeding for the entry or modification of a parenting plan under this section. The court may permit counsel to be present at the interview. The court shall cause a record of the interview to be made and to become part of the court record of the dependency case and the case under chapters 26.09 or 26.26 RCW.

(g) In the absence of agreement by a parent, guardian, or legal custodian of the child to allow the juvenile court to hear and determine issues related to the establishment or modification of a parenting plan under chapters 26.09 or 26.26 RCW, a party may move the court to transfer such issues to the family law department of the superior court for further resolution. The court

may only grant the motion upon entry of a written finding that it is in the best interests of the child.

(h) In any parenting plan agreed to by the parents and entered or modified in juvenile court under this section, all issues pertaining to child support and the division of marital property shall be referred to or retained by the family law department of the superior court.

(3) Any court order determining issues under chapter 26.10 RCW is subject to modification upon the same showing and standards as a court order determining Title 26 RCW issues.

(4) Any order entered in the dependency court establishing or modifying a permanent legal custody order or, parenting plan, or residential schedule under chapters 26.09, 26.10, and 26.26 RCW shall also be filed in the chapters 26.09, 26.10, and 26.26 RCW action by the moving or prevailing party. If the petitioning or moving party has been found indigent and appointed counsel at public expense in the dependency proceeding, no filing fees shall be imposed by the clerk. Once filed, any order, parenting plan, or residential schedule establishing or modifying permanent legal custody of a child shall survive dismissal of the dependency proceeding.

Sec. 17. RCW 13.34.174 and 2009 c 520 s 32 are each amended to read as follows:

(1) The provisions of this section shall apply when a court orders a party to undergo an alcohol or substance abuse diagnostic investigation and evaluation.

(2) The facility conducting the investigation and evaluation shall make a written report to the court stating its findings and recommendations including family-based services or treatment when appropriate. If its findings and recommendations support treatment, it shall also recommend a treatment plan setting out:

- (a) Type of treatment;
- (b) Nature of treatment;
- (c) Length of treatment;
- (d) A treatment time schedule; and
- (e) Approximate cost of the treatment.

The affected person shall be included in developing the appropriate treatment plan. The treatment plan must be signed by the treatment provider and the affected person. The initial written progress report based on the treatment plan shall be sent to the appropriate persons six weeks after initiation of treatment. Subsequent progress reports shall be provided after three months, six months, twelve months, and thereafter every six months if treatment exceeds twelve months. Reports are to be filed with the court in a timely manner. Close-out of the treatment record must include summary of pretreatment and posttreatment, with final outcome and disposition. The report shall also include recommendations for ongoing stability and decrease in destructive behavior.

Each report shall also be filed with the court and a copy given to the person evaluated and the person's counsel. A copy of the treatment plan shall also be given to the department's ((or supervising agency's)) caseworker and to the guardian ad litem. Any program for chemical dependency shall meet the program requirements contained in chapter 70.96A RCW.

(3) If the court has ordered treatment pursuant to a dependency proceeding it shall also require the treatment program to provide, in the reports required by subsection (2) of this section, status reports to the court, the department, ((the supervising agency,)) and the person or person's counsel regarding the person's cooperation with the treatment plan proposed and the person's progress in treatment.

(4) If a person subject to this section fails or neglects to carry out and fulfill any term or condition of the treatment plan, the program or agency administering the treatment shall report such

breach to the court, the department, the guardian ad litem, ~~((the supervising agency if any,))~~ and the person or person's counsel, within twenty-four hours, together with its recommendation. These reports shall be made as a declaration by the person who is personally responsible for providing the treatment.

(5) Nothing in this chapter may be construed as allowing the court to require the department to pay for the cost of any alcohol or substance abuse evaluation or treatment program.

Sec. 18. RCW 13.34.176 and 2009 c 520 s 33 are each amended to read as follows:

(1) The court, upon receiving a report under RCW 13.34.174(4) or at the department's ~~((or supervising agency's))~~ request, may schedule a show cause hearing to determine whether the person is in violation of the treatment conditions. All parties shall be given notice of the hearing. The court shall hold the hearing within ten days of the request for a hearing. At the hearing, testimony, declarations, reports, or other relevant information may be presented on the person's alleged failure to comply with the treatment plan and the person shall have the right to present similar information on his or her own behalf.

(2) If the court finds that there has been a violation of the treatment conditions it shall modify the dependency order, as necessary, to ensure the safety of the child. The modified order shall remain in effect until the party is in full compliance with the treatment requirements.

Sec. 19. RCW 13.34.180 and 2013 c 173 s 4 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party ~~((including the supervising agency,))~~ to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (3) or (4) of this section applies:

- (a) That the child has been found to be a dependent child;
- (b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
- (c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
- (d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
- (e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

- (i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts;

- (ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or

- (iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's current or prior incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and

- (f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. If the parent is incarcerated, the court shall consider whether a parent maintains a meaningful role in his or her child's life based on factors identified in RCW 13.34.145(5)(b); whether the department ~~((or supervising agency))~~ made reasonable efforts as defined in this chapter; and whether particular barriers existed as described in RCW 13.34.145(5)(b) including, but not limited to, delays or barriers experienced in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

- (2) As evidence of rebuttal to any presumption established pursuant to subsection (1)(e) of this section, the court may consider the particular constraints of a parent's current or prior incarceration. Such evidence may include, but is not limited to, delays or barriers a parent may experience in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

- (3) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

- (4) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

- (a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;
- (b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;
- (c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or
- (d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

- (5) When a parent has been sentenced to a long-term incarceration and has maintained a meaningful role in the child's life considering the factors provided in RCW 13.34.145(5)(b), and it is in the best interest of the child, the department should consider a permanent placement that allows the parent to maintain a relationship with his or her child, such as, but not limited to, a guardianship pursuant to chapter 13.36 RCW.

(6) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

A petition for termination of parental rights has been filed against you. You have important legal rights and you must take steps to protect your interests. This petition could result in permanent loss of your parental rights.

1. You have the right to a fact-finding hearing before a judge.

2. You have the right to have a lawyer represent you at the hearing. A lawyer can look at the files in your case, talk to the department of social and health services or ~~((the supervising agency and))~~ other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact: (explain local procedure).

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

You should be present at this hearing.

You may call (insert agency) for more information about your child. The agency's name and telephone number are (insert name and telephone number)."

Sec. 20. RCW 13.34.180 and 2017 3rd sp.s. c 6 s 308 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party(~~(including the supervising agency))~~) to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (3) or (4) of this section applies:

- (a) That the child has been found to be a dependent child;
- (b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
- (c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
- (d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;

(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of

the parent to receive and complete treatment or documented multiple failed treatment attempts;

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or

(iii) Failure of the parent to have contact with the child for an extended period of time after the filing of the dependency petition if the parent was provided an opportunity to have a relationship with the child by the department or the court and received documented notice of the potential consequences of this failure, except that the actual inability of a parent to have visitation with the child including, but not limited to, mitigating circumstances such as a parent's current or prior incarceration or service in the military does not in and of itself constitute failure to have contact with the child; and

(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. If the parent is incarcerated, the court shall consider whether a parent maintains a meaningful role in his or her child's life based on factors identified in RCW 13.34.145(5)(b); whether the department (~~(or supervising agency))~~) made reasonable efforts as defined in this chapter; and whether particular barriers existed as described in RCW 13.34.145(5)(b) including, but not limited to, delays or barriers experienced in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(2) As evidence of rebuttal to any presumption established pursuant to subsection (1)(e) of this section, the court may consider the particular constraints of a parent's current or prior incarceration. Such evidence may include, but is not limited to, delays or barriers a parent may experience in keeping the agency apprised of his or her location and in accessing visitation or other meaningful contact with the child.

(3) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(4) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

- (a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;
- (b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;
- (c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or
- (d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(5) When a parent has been sentenced to a long-term incarceration and has maintained a meaningful role in the child's life considering the factors provided in RCW 13.34.145(5)(b), and it is in the best interest of the child, the department should consider a permanent placement that allows the parent to maintain

a relationship with his or her child, such as, but not limited to, a guardianship pursuant to chapter 13.36 RCW.

(6) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

A petition for termination of parental rights has been filed against you. You have important legal rights and you must take steps to protect your interests. This petition could result in permanent loss of your parental rights.

You should be present at this hearing.

You may call (insert agency) for more information about your child. The agency's name and telephone number are (insert name and telephone number)."

Sec. 21. RCW 13.34.210 and 2010 c 272 s 13 are each amended to read as follows:

If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall commit the child to the custody of the department ~~((or a supervising agency))~~ willing to accept custody for the purpose of placing the child for adoption. If an adoptive home has not been identified, the department ~~((or supervising agency))~~ shall place the child in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child consistent with chapter 26.33 RCW, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.

If a child has not been adopted within six months after the date of the order and a guardianship of the child under chapter 13.36 RCW or chapter 11.88 RCW, or a permanent custody order under chapter 26.10 RCW, has not been entered by the court, the court shall review the case every six months until a decree of adoption is entered. The ~~((supervising agency))~~ department shall take reasonable steps to ensure that the child maintains relationships with siblings as provided in RCW 13.34.130~~((3))~~ (6) and shall report to the court the status and extent of such relationships.

Sec. 22. RCW 13.34.215 and 2011 c 292 s 2 are each amended to read as follows:

(1) A child may petition the juvenile court to reinstate the previously terminated parental rights of his or her parent under the following circumstances:

(a) The child was previously found to be a dependent child under this chapter;

(b) The child's parent's rights were terminated in a proceeding under this chapter;

(c)(i) The child has not achieved his or her permanency plan; or

(ii) While the child achieved a permanency plan, it has not since been sustained;

(d) Three years have passed since the final order of termination was entered; and

(e) The child must be at least twelve years old at the time the petition is filed. Upon the child's motion for good cause shown, or on its own motion, the court may hear a petition filed by a child younger than twelve years old.

(2) If the child is eligible to petition the juvenile court under subsection (1) of this section and a parent whose rights have been previously terminated contacts the department ~~((or supervising agency))~~ or the child's guardian ad litem regarding reinstatement, the department ~~((or supervising agency))~~ or the guardian ad litem must notify the eligible child about his or her right to petition for reinstatement of parental rights.

(3) A child seeking to petition under this section shall be provided counsel at no cost to the child.

(4) The petition must be signed by the child in the absence of a showing of good cause as to why the child could not do so.

(5) If, after a threshold hearing to consider the parent's apparent fitness and interest in reinstatement of parental rights, the court finds by a preponderance of the evidence that the best interests of the child may be served by reinstatement of parental rights, the juvenile court shall order that a hearing on the merits of the petition be held.

(6) The court shall give prior notice for any proceeding under this section, or cause prior notice to be given, to the department ~~((or the supervising agency))~~, the child's attorney, and the child. The court shall also order the department ~~((or supervising agency))~~ to give prior notice of any hearing to the child's former parent whose parental rights are the subject of the petition, any parent whose rights have not been terminated, the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(7) The juvenile court shall conditionally grant the petition if it finds by clear and convincing evidence that the child has not achieved his or her permanency plan and is not likely to imminently achieve his or her permanency plan and that reinstatement of parental rights is in the child's best interest. In determining whether reinstatement is in the child's best interest the court shall consider, but is not limited to, the following:

(a) Whether the parent whose rights are to be reinstated is a fit parent and has remedied his or her deficits as provided in the record of the prior termination proceedings and prior termination order;

(b) The age and maturity of the child, and the ability of the child to express his or her preference;

(c) Whether the reinstatement of parental rights will present a risk to the child's health, welfare, or safety; and

(d) Other material changes in circumstances, if any, that may have occurred which warrant the granting of the petition.

(8) In determining whether the child has or has not achieved his or her permanency plan or whether the child is likely to achieve his or her permanency plan, the department ~~((or supervising agency))~~ shall provide the court, and the court shall review, information related to any efforts to achieve the permanency plan including efforts to achieve adoption or a permanent guardianship.

(9)(a) If the court conditionally grants the petition under subsection (7) of this section, the case will be continued for six months and a temporary order of reinstatement entered. During this period, the child shall be placed in the custody of the parent. The department ~~((or supervising agency))~~ shall develop a permanency plan for the child reflecting the plan to be

reunification and shall provide transition services to the family as appropriate.

(b) If the child must be removed from the parent due to abuse or neglect allegations prior to the expiration of the conditional six-month period, the court shall dismiss the petition for reinstatement of parental rights if the court finds the allegations have been proven by a preponderance of the evidence.

(c) If the child has been successfully placed with the parent for six months, the court order reinstating parental rights remains in effect and the court shall dismiss the dependency.

(10) After the child has been placed with the parent for six months, the court shall hold a hearing. If the placement with the parent has been successful, the court shall enter a final order of reinstatement of parental rights, which shall restore all rights, powers, privileges, immunities, duties, and obligations of the parent as to the child, including those relating to custody, control, and support of the child. The court shall dismiss the dependency and direct the clerk's office to provide a certified copy of the final order of reinstatement of parental rights to the parent at no cost.

(11) The granting of the petition under this section does not vacate or otherwise affect the validity of the original termination order.

(12) Any parent whose rights are reinstated under this section shall not be liable for any child support owed to the department pursuant to RCW 13.34.160 or Title 26 RCW or costs of other services provided to a child for the time period from the date of termination of parental rights to the date parental rights are reinstated.

(13) A proceeding to reinstate parental rights is a separate action from the termination of parental rights proceeding and does not vacate the original termination of parental rights. An order granted under this section reinstates the parental rights to the child. This reinstatement is a recognition that the situation of the parent and child have changed since the time of the termination of parental rights and reunification is now appropriate.

(14) This section is retroactive and applies to any child who is under the jurisdiction of the juvenile court at the time of the hearing regardless of the date parental rights were terminated.

(15) The state, the department, ~~((the supervising agency,))~~ and its employees are not liable for civil damages resulting from any act or omission in the provision of services under this section, unless the act or omission constitutes gross negligence. This section does not create any duty and shall not be construed to create a duty where none exists. This section does not create a cause of action against the state, the department, ~~((the supervising agency,))~~ or its employees concerning the original termination.

Sec. 23. RCW 13.34.233 and 2009 c 520 s 38 are each amended to read as follows:

(1) Any party may request the court under RCW 13.34.150 to modify or terminate a dependency guardianship order. Notice of any motion to modify or terminate the guardianship shall be served on all other parties, including any agency that was responsible for supervising the child's placement at the time the guardianship petition was filed. Notice in all cases shall be served upon the department. If the department ~~((or supervising agency))~~ was not previously a party to the guardianship proceeding, the department ~~((or supervising agency))~~ shall nevertheless have the right to: (a) Initiate a proceeding to modify or terminate a guardianship; and (b) intervene at any stage of such a proceeding.

(2) The guardianship may be modified or terminated upon the motion of any party, or the department ~~((or the supervising agency))~~ if the court finds by a preponderance of the evidence that there has been a substantial change of circumstances subsequent to the establishment of the guardianship and that it is in the child's best interest to modify or terminate the guardianship. The court

shall hold a hearing on the motion before modifying or terminating a guardianship.

(3) Upon entry of an order terminating the guardianship, the dependency guardian shall not have any rights or responsibilities with respect to the child and shall not have legal standing to participate as a party in further dependency proceedings pertaining to the child. The court may allow the child's dependency guardian to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court.

(4) Upon entry of an order terminating the guardianship, the child shall remain dependent and the court shall either return the child to the child's parent or order the child into the custody, control, and care of the department ~~((or a supervising agency))~~ for placement in a foster home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to such chapter. The court shall not place a child in the custody of the child's parent unless the court finds that reasons for removal as set forth in RCW 13.34.130 no longer exist and that such placement is in the child's best interest. The court shall thereafter conduct reviews as provided in RCW 13.34.138 and, where applicable, shall hold a permanency planning hearing in accordance with RCW 13.34.145.

Sec. 24. RCW 13.34.245 and 2009 c 520 s 39 are each amended to read as follows:

(1) Where any parent or Indian custodian voluntarily consents to foster care placement of an Indian child and a petition for dependency has not been filed regarding the child, such consent shall not be valid unless executed in writing before the court and filed with the court. The consent shall be accompanied by the written certification of the court that the terms and consequences of the consent were fully explained in detail to the parent or Indian custodian during the court proceeding and were fully understood by the parent or Indian custodian. The court shall also certify in writing either that the parent or Indian custodian fully understood the explanation in English or that it was interpreted into a language that the parent or Indian custodian understood. Any consent given prior to, or within ten days after, the birth of the Indian child shall not be valid.

(2) To obtain court validation of a voluntary consent to foster care placement, any person may file a petition for validation alleging that there is located or residing within the county an Indian child whose parent or Indian custodian wishes to voluntarily consent to foster care placement of the child and requesting that the court validate the consent as provided in this section. The petition shall contain the name, date of birth, and residence of the child, the names and residences of the consenting parent or Indian custodian, and the name and location of the Indian tribe in which the child is a member or eligible for membership. The petition shall state whether the placement preferences of 25 U.S.C. Sec. 1915 (b) or (c) will be followed. Reasonable attempts shall be made by the petitioner to ascertain and set forth in the petition the identity, location, and custodial status of any parent or Indian custodian who has not consented to foster care placement and why that parent or Indian custodian cannot assume custody of the child.

(3) Upon filing of the petition for validation, the clerk of the court shall schedule the petition for a hearing on the court validation of the voluntary consent no later than forty-eight hours after the petition has been filed, excluding Saturdays, Sundays, and holidays. Notification of time, date, location, and purpose of the validation hearing shall be provided as soon as possible to the consenting parent or Indian custodian, the department ~~((or supervising agency))~~ which is to assume responsibility for the child's placement and care pursuant to the consent to foster care

placement, and the Indian tribe in which the child is enrolled or eligible for enrollment as a member. If the identity and location of any nonconsenting parent or Indian custodian is known, reasonable attempts shall be made to notify the parent or Indian custodian of the consent to placement and the validation hearing. Notification under this subsection may be given by the most expedient means, including, but not limited to, mail, personal service, telephone, and telegraph.

(4) Any parent or Indian custodian may withdraw consent to a voluntary foster care placement, made under this section, at any time. Unless the Indian child has been taken in custody pursuant to RCW 13.34.050 or 26.44.050, placed in shelter care pursuant to RCW 13.34.060, or placed in foster care pursuant to RCW 13.34.130, the Indian child shall be returned to the parent or Indian custodian upon withdrawal of consent to foster care placement of the child.

(5) Upon termination of the voluntary foster care placement and return of the child to the parent or Indian custodian, the department (~~(or supervising agency)~~) which had assumed responsibility for the child's placement and care pursuant to the consent to foster care placement shall file with the court written notification of the child's return and shall also send such notification to the Indian tribe in which the child is enrolled or eligible for enrollment as a member and to any other party to the validation proceeding including any noncustodial parent.

Sec. 25. RCW 13.34.320 and 2009 c 520 s 40 are each amended to read as follows:

The department (~~(or supervising agency)~~) shall obtain the prior consent of a child's parent, legal guardian, or legal custodian before a dependent child is admitted into an inpatient mental health treatment facility. If the child's parent, legal guardian, or legal custodian is unavailable or does not agree with the proposed admission, the department (~~(or supervising agency)~~) shall request a hearing and provide notice to all interested parties to seek prior approval of the juvenile court before such admission. In the event that an emergent situation creating a risk of substantial harm to the health and welfare of a child in the custody of the department (~~(or supervising agency)~~) does not allow time for the department (~~(or supervising agency)~~) to obtain prior approval or to request a court hearing before consenting to the admission of the child into an inpatient mental health hospital, the department (~~(or supervising agency)~~) shall seek court approval by requesting that a hearing be set on the first available court date.

Sec. 26. RCW 13.34.330 and 2009 c 520 s 41 are each amended to read as follows:

A dependent child who is admitted to an inpatient mental health facility shall be placed in a facility, with available treatment space, that is closest to the family home, unless the department (~~(or supervising agency)~~), in consultation with the admitting authority finds that admission in the facility closest to the child's home would jeopardize the health or safety of the child.

Sec. 27. RCW 13.34.340 and 2009 c 520 s 42 are each amended to read as follows:

For minors who cannot consent to the release of their records with the department (~~(or supervising agency)~~) because they are not old enough to consent to treatment, or, if old enough, lack the capacity to consent, or if the minor is receiving treatment involuntarily with a provider the department (~~(or supervising agency)~~) has authorized to provide mental health treatment under RCW 13.34.320, the department (~~(or supervising agency)~~) shall disclose, upon the treating physician's request, all relevant records, including the minor's passport as established under RCW 74.13.285, in the department's (~~(or supervising agency's)~~) possession that the treating physician determines contain

information required for treatment of the minor. The treating physician shall maintain all records received from the department (~~(or supervising agency)~~) in a manner that distinguishes the records from any other records in the minor's file with the treating physician and the department (~~(or supervising agency)~~) records may not be disclosed by the treating physician to any other person or entity absent a court order except that, for medical purposes only, a treating physician may disclose the department (~~(or supervising agency)~~) records to another treating physician.

Sec. 28. RCW 13.34.370 and 2009 c 520 s 44 are each amended to read as follows:

The court may order expert evaluations of parties to obtain information regarding visitation issues or other issues in a case. These evaluations shall be performed by appointed evaluators who are mutually agreed upon by the court, (~~(the supervising agency)~~) the department, and the parents' counsel, and, if the child is to be evaluated, by the representative for the child. If no agreement can be reached, the court shall select the expert evaluator.

Sec. 29. RCW 13.34.380 and 2013 c 254 s 3 are each amended to read as follows:

The department shall develop consistent policies and protocols, based on current relevant research, concerning visitation for dependent children to be implemented consistently throughout the state. The department shall develop the policies and protocols in consultation with researchers in the field, community-based agencies, court-appointed special advocates, parents' representatives, and court representatives. The policies and protocols shall include, but not be limited to: The structure and quality of visitations; consultation with the assigned law enforcement officer in the event the parent or sibling of the child is identified as a suspect in an active criminal investigation for a violent crime that, if the allegations are true, would impact the safety of the child; and training for department (~~(and supervising agency)~~) caseworkers, visitation supervisors, and foster parents related to visitation.

The policies and protocols shall be consistent with the provisions of this chapter and implementation of the policies and protocols shall be consistent with relevant orders of the court.

Sec. 30. RCW 13.34.385 and 2009 c 520 s 46 are each amended to read as follows:

(1) A relative of a dependent child may petition the juvenile court for reasonable visitation with the child if:

(a) The child has been found to be a dependent child under this chapter;

(b) The parental rights of both of the child's parents have been terminated;

(c) The child is in the custody of the department (~~(or)~~) or another public agency (~~(or a supervising agency)~~); and

(d) The child has not been adopted and is not in a preadoptive home or other permanent placement at the time the petition for visitation is filed.

(2) The court shall give prior notice for any proceeding under this section, or cause prior notice to be given, to the department, other public agency, or (~~(supervising)~~) agency having custody of the child, the child's attorney or guardian ad litem if applicable, and the child. The court shall also order the custodial agency to give prior notice of any hearing to the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(3) The juvenile court may grant the petition for visitation if it finds that the requirements of subsection (1) of this section have been met, and that unsupervised visitation between the child and the relative does not present a risk to the child's safety or

2018 REGULAR SESSION

well-being and that the visitation is in the best interests of the child. In determining the best interests of the child the court shall consider, but is not limited to, the following:

(a) The love, affection, and strength of the relationship between the child and the relative;

(b) The length and quality of the prior relationship between the child and the relative;

(c) Any criminal convictions for or founded history of abuse or neglect of a child by the relative;

(d) Whether the visitation will present a risk to the child's health, welfare, or safety;

(e) The child's reasonable preference, if the court considers the child to be of sufficient age to express a preference;

(f) Any other factor relevant to the child's best interest.

(4) The visitation order may be modified at any time upon a showing that the visitation poses a risk to the child's safety or well-being. The visitation order shall state that visitation will automatically terminate upon the child's placement in a preadoptive home, if the child is adopted, or if there is a subsequent founded abuse or neglect allegation against the relative.

(5) The granting of the petition under this section does not grant the relative the right to participate in the dependency action and does not grant any rights to the relative not otherwise specified in the visitation order.

(6) This section is retroactive and applies to any eligible dependent child at the time of the filing of the petition for visitation, regardless of the date parental rights were terminated.

(7) For the purpose of this section, "relative" means a relative as defined in RCW 74.15.020(2)(a), except parents.

(8) This section is intended to provide an additional procedure by which a relative may request visitation with a dependent child. It is not intended to impair or alter the ability a court currently has to order visitation with a relative under the dependency statutes.

Sec. 31. RCW 13.34.400 and 2009 c 520 s 48 are each amended to read as follows:

In any proceeding under this chapter, if the department (~~(or supervising agency)~~) submits a report to the court in which the department is recommending a new placement or a change in placement, the department (~~(or supervising agency)~~) shall include the documents relevant to persons in the home in which a child will be placed and listed in subsections (1) through (5) of this section to the report. The department (~~(or supervising agency)~~) shall include only these relevant documents and shall not attach the entire history of the subject of the report.

(1) If the report contains a recommendation, opinion, or assertion by the department (~~(or supervising agency)~~) relating to substance abuse treatment, mental health treatment, anger management classes, or domestic violence classes, the department (~~(or supervising agency)~~) shall attach the document upon which the recommendation, opinion, or assertion was based. The documentation may include the progress report or evaluation submitted by the provider, but may not include the entire history with the provider.

(2) If the report contains a recommendation, opinion, or assertion by the department or (~~(supervising)~~) agency relating to visitation with a child, the department (~~(or supervising agency)~~) shall attach the document upon which the recommendation, opinion, or assertion was based. The documentation may include the most recent visitation report, a visitation report referencing a specific incident alleged in the report, or summary of the visitation prepared by the person who supervised the visitation. The documentation attached to the report shall not include the entire visitation history.

(3) If the report contains a recommendation, opinion, or assertion by the department (~~(or supervising agency)~~) relating to the psychological status of a person, the department (~~(or supervising agency)~~) shall attach the document upon which the recommendation, opinion, or assertion was based. The documentation may include the progress report, evaluation, or summary submitted by the provider, but shall not include the entire history of the person.

(4) If the report contains a recommendation, opinion, or assertion by the department (~~(or supervising agency)~~) relating to injuries to a child, the department (~~(or supervising agency)~~) shall attach a summary of the physician's report, prepared by the physician or the physician's designee, relating to the recommendation, opinion, or assertion by the department.

(5) If the report contains a recommendation, opinion, or assertion by the department (~~(or supervising agency)~~) relating to a home study, licensing action, or background check information, the department (~~(or supervising agency)~~) shall attach the document or documents upon which that recommendation, opinion, or assertion is based.

Sec. 32. RCW 26.44.020 and 2012 c 259 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the state department of social and health services.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished

Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(20) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(22) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(23) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.

(24) "Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

~~(25) ("Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.~~

~~(26))~~ "Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

(1) The department (~~and supervising agencies~~) shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department (~~and supervising agencies~~) shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's (~~and supervising agency's~~) success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

(6) The department (~~(or supervising agencies)~~) shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department (~~(and the supervising agencies)~~) shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department (~~(and supervising agencies are)~~) is encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department (~~(or supervising agencies)~~) shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

(7) The department (~~(and supervising agencies)~~) shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(9) The department (~~(and supervising agency)~~) shall have authority to purchase care for children.

(10) The department shall establish a children's services advisory committee (~~(with sufficient members representing supervising agencies)~~) which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(b) To be eligible for extended foster care services, the nonminor dependent must have been dependent and in foster care at the time that he or she reached age eighteen years. (c) The department shall develop and implement rules regarding youth eligibility requirements.

(d) The department shall make efforts to ensure that extended foster care services maximize medicaid reimbursements. This must include the department ensuring that health and mental health extended foster care providers participate in medicaid, unless the condition of the extended foster care youth requires specialty care that is not available among participating medicaid providers or there are no participating medicaid providers in the area. The department shall coordinate other services to maximize federal resources and the most cost-efficient delivery of services to extended foster care youth.

(e) The department shall allow a youth who has received extended foster care services, but lost his or her eligibility, to reenter the extended foster care program once through a voluntary placement agreement when he or she meets the eligibility criteria again.

(12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (11) of this section.

(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. The purchase of such care is exempt from the requirements of chapter 74.13B RCW and may be purchased from the federally recognized Indian tribe or tribally licensed child-placing agency, and shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200, 43.185C.295, 74.13.035, and 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the (~~(supervising agency or)~~) department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(19) The department shall have the authority to purchase legal representation for parents of children who are at risk of being dependent, or who are dependent, to establish or modify a parenting plan under chapter 26.09 or 26.26 RCW, when it is necessary for the child's safety, permanence, or well-being. This subsection does not create an entitlement to legal representation purchased by the department and does not create judicial authority to order the department to purchase legal representation

for a parent. Such determinations are solely within the department's discretion.

If the person who is the subject of the record or information is a party to or the subject of a pending proceeding under chapter 13.32A or 13.34 RCW, the petition shall be filed in such proceeding.

The department (~~(or supervising agency)~~) shall update the passport during the regularly scheduled court reviews required under chapter 13.34 RCW.

New placements shall have first priority in the preparation of passports.

(2) In addition to the requirements of subsection (1) of this section, the department (~~(or supervising agency)~~) shall, within available resources, notify a foster parent before placement of a child of any known health conditions that pose a serious threat to the child and any known behavioral history that presents a serious risk of harm to the child or others.

Foster parents who care for more demanding children, such as children with severe emotional, mental, or physical handicaps, would especially benefit from additional training. The department (~~(and supervising agency)~~) shall develop additional training for foster parents that focuses on skills to assist foster parents in caring for emotionally, mentally, or physically handicapped children.

(3) Except for cases in subsection (1)(d) of this section, requests for information under this section shall specifically identify the case about which information is sought and the facts that support a determination that one of the factors specified in subsection (1) of this section is present.

(4) For the purposes of this section, "near fatality" means an act that, as certified by a physician, places the child in serious or critical condition. The secretary is under no obligation to have an act certified by a physician in order to comply with this section.

(c) Documents prepared by or for a child fatality or near fatality review team are inadmissible and may not be used in a civil or administrative proceeding, except that any document that exists before its use or consideration in a child fatality or near fatality review, or that is created independently of such review, does not become inadmissible merely because it is reviewed or used by a child fatality or near fatality review team. A person is not unavailable as a witness merely because the person has been interviewed by or has provided a statement for a child fatality or near fatality review, but if called as a witness, a person may not be examined regarding the person's interactions with the child fatality or near fatality review including, without limitation, whether the person was interviewed during such review, the questions that were asked during such review, and the answers that the person provided during such review. This section may not be construed as restricting the person from testifying fully in any proceeding regarding his or her knowledge of the incident under review.

(d) The restrictions set forth in this section do not apply in a licensing or disciplinary proceeding arising from an agency's effort to revoke or suspend the license of any licensed professional based in whole or in part upon allegations of wrongdoing in connection with a minor's death or near fatality reviewed by a child fatality or near fatality review team.

(c) The establishment of qualifications for service providers participating in provider networks, such as appropriate licensure or certification, education, and accreditation by professional accrediting entities;

(d) Adequate provider capacity to meet the anticipated service needs in the network administrator's contracted service area. The network administrator must be able to demonstrate that its provider network is culturally competent and has adequate capacity to address disproportionality, including utilization of tribal and other ethnic providers capable of serving children and families of color or who need language-appropriate services;

(e) Fiscal solvency of network administrators and providers participating in the network;

(f) The use of evidence-based, research-based, and promising practices, where appropriate, including fidelity and quality assurance provisions;

(g) Network administrator quality assurance activities, including monitoring of the performance of providers in their provider network, with respect to meeting measurable service outcomes;

(h) Network administrator data reporting, including data on contracted provider performance and service outcomes; and

(i) Network administrator compliance with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and the federal and Washington state Indian child welfare act.

~~((7))~~ (6) As part of the procurement process under this section to expand the coverage of network administrators, the department shall issue the request for proposals or request for information no later than ~~((December 31, 2013, shall begin))~~ September 30, 2018, to expand the coverage area of the existing network administrator or expand the number of network administrators so that there is expanded network administrator coverage on the east side of the crest of the Cascade mountain range. Expanded implementation of performance-based contracting must begin no later than ((July 1, 2014, and shall fully implement performance-based contracting no later than July 1, 2015)) January 30, 2019, if a qualified organization responds to the procurement process. Based on the costs and benefits of the network administrator expansion in this subsection, the department shall submit a recommendation to the oversight board for children, youth, and families established pursuant to RCW 43.216.015 and the appropriate committees of the legislature by September 1, 2020, regarding the time frame for expansion of network administrator coverage to additional regions of the state.

~~((8))~~ (7) Performance-based payment methodologies must be used in network administrator contracting. Performance measures should relate to successful engagement by a child or parent in services included in their case plan, and resulting improvement in identified problem behaviors and interactions. For the initial three-year period of implementation of performance-based contracting, the department may transfer financial risk for the provision of services to network administrators only to the limited extent necessary to implement a performance-based payment

methodology, such as phased payment for services. However, the department may develop a shared savings methodology through which the network administrator will receive a defined share of any savings that result from improved performance. If the department receives a Title IV-E waiver, the shared savings methodology must be consistent with the terms of the waiver. If a shared savings methodology is adopted, the network administrator shall reinvest the savings in enhanced services to better meet the needs of the families and children they serve.

~~((9))~~ (8) The department must actively monitor network administrator compliance with the terms of contracts executed under this section.

~~((10))~~ (9) The use of performance-based contracts under this section must be done in a manner that does not adversely affect the state's ability to continue to obtain federal funding for child welfare-related functions currently performed by the state and with consideration of options to further maximize federal funding opportunities and increase flexibility in the use of such funds, including use for preventive and in-home child welfare services.

(10) The department shall, consistent with state and federal confidentiality requirements:

(a) Share all relevant data with the network administrators in order for the network administrators to track the performance and effectiveness of the services in the network; and

(b) Make all performance data available to the public.

(11) The department must not require existing network administrators to reapply to provide network administrator services in the coverage area of the existing network administrator on the effective date of this section.

(12) Beginning January 1, 2019, and in compliance with RCW 43.01.036, the department shall annually submit to the oversight board for children, youth, and families established pursuant to RCW 43.216.015 and the appropriate committees of the legislature a report detailing the status of the network administrator procurement and implementation process.

(13) In determining the cost estimate for expanded network administrator implementation, the department shall consider the value of the existing data platform for child welfare services.

MESSAGE FROM THE HOUSE

March 1, 2018

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 6419 with the following amendment(s): 6419-S AMH ELHS H4897.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that research continues to demonstrate the efficacy of the state's early childhood education and assistance program, known as ECEAP. Studies in Washington and from other states show that ECEAP prepares children for kindergarten success and has significant positive impacts on third, fourth, and fifth grade test scores. The legislature also finds that in some areas of the state, expanding ECEAP has proven challenging because there are too few eligible children to form an ECEAP classroom. The result is that children who are income eligible and the furthest from opportunity remain unserved. The legislature finds further that in other ECEAP classrooms, funded seats remain empty because providers do not have sufficient flexibility to serve families in need who are slightly over income but often have similar risk factors. The legislature intends, therefore, to provide more flexibility in determining eligibility for ECEAP in order to maximize the state's investment and assure that program funding is deployed to serve the greatest number of children and families.

(d) The name of an agency or facility which agreed to assume the responsibility of providing less restrictive alternative treatment if the petition is granted by the court;

(e) A summons to appear in court at a specific time and place within five judicial days for a probable cause hearing, except as provided in subsection (4) of this section.

(4) If the person is in the custody of jail or prison at the time of the investigation, a petition for assisted outpatient behavioral health treatment may be used to facilitate continuity of care after release from custody or the diversion of criminal charges as follows:

(a) If the petition is filed in anticipation of the person's release from custody, the summons may be for a date up to five judicial days following the person's anticipated release date, provided that a clear time and place for the hearing is provided; or

(b) The hearing may be held prior to the person's release from custody, provided that (i) the filing of the petition does not extend the time the person would otherwise spend in the custody of jail or prison; (ii) the charges or custody of the person is not a pretext to detain the person for the purpose of the involuntary commitment hearing; and (iii) the person's release from custody must be expected to swiftly follow the adjudication of the petition. In this circumstance, the time for hearing is shortened to three judicial days after the filing of the petition.

(5) The petition must be served upon the person and the person's counsel with a notice of applicable rights. Proof of service must be filed with the court.

(6) A petition for assisted outpatient behavioral health treatment filed under this section must be adjudicated under RCW 71.05.240.

Sec. 4. RCW 71.05.150 and 2016 sp.s. c 29 s 210 are each amended to read as follows:

~~(1)((a))~~ When a designated crisis responder receives information alleging that a person, as a result of a mental disorder, substance use disorder, or both presents a likelihood of serious harm or is gravely disabled, or that a person is in need of assisted outpatient ~~(mental)~~ behavioral health treatment; the designated crisis responder may, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of any person providing information to initiate detention or involuntary outpatient ~~(evaluation)~~ treatment, if satisfied that the allegations are true and that the person will not voluntarily seek appropriate treatment, file a petition for initial detention ~~((or involuntary outpatient evaluation. If the petition is filed solely on the grounds that the person is in need of assisted outpatient mental health treatment, the petition may only be for an involuntary outpatient evaluation. An involuntary outpatient evaluation may be conducted by any combination of licensed professionals~~

If the petition is for an involuntary outpatient evaluation and the person is being held in a hospital emergency department, the person may be released once the hospital has satisfied federal and state legal requirements for appropriate screening and stabilization of patients.~~

~~(b)) under this section or a petition for involuntary outpatient behavioral health treatment under section 3 of this act. Before filing the petition, the designated crisis responder must personally interview the person, unless the person refuses an interview, and determine whether the person will voluntarily receive appropriate evaluation and treatment at an evaluation and treatment facility, crisis stabilization unit, triage facility, or approved substance use disorder treatment program.~~

(2)(a) An order to detain a person with a mental disorder to a designated evaluation and treatment facility, or to detain a person with a substance use disorder to a secure detoxification facility or approved substance use disorder treatment program, for not more than a seventy-two-hour evaluation and treatment period~~((or an order for an involuntary outpatient evaluation.))~~ may be issued by a judge of the superior court upon request of a designated crisis responder, subject to (d) of this subsection, whenever it appears to the satisfaction of a judge of the superior court:

- (i) That there is probable cause to support the petition; and
- (ii) That the person has refused or failed to accept appropriate evaluation and treatment voluntarily.

(b) The petition for initial detention ~~((or involuntary outpatient evaluation)),~~ signed under penalty of perjury, or sworn telephonic testimony may be considered by the court in determining whether there are sufficient grounds for issuing the order.

(c) The order shall designate retained counsel or, if counsel is appointed from a list provided by the court, the name, business address, and telephone number of the attorney appointed to represent the person.

(d) A court may not issue an order to detain a person to a secure detoxification facility or approved substance use disorder treatment program unless there is an available secure detoxification facility or approved substance use disorder treatment program that has adequate space for the person.

(3) The designated crisis responder shall then serve or cause to be served on such person, his or her guardian, and conservator, if any, a copy of the order together with a notice of rights, and a petition for initial detention ~~((or involuntary outpatient evaluation)).~~ After service on such person the designated crisis responder shall file the return of service in court and provide copies of all papers in the court file to the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program, and the designated attorney. The designated crisis responder shall notify the court and the prosecuting attorney that a probable cause hearing will be held within seventy-two hours of the date and time of outpatient evaluation or admission to the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious advisor to the place of evaluation. An attorney accompanying the person to the place of evaluation shall be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(4) The designated crisis responder may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator, if any, a copy of the original order together with a notice of rights and a petition for initial detention.

Sec. 5. RCW 71.05.150 and 2016 sp.s. c 29 s 211 are each amended to read as follows:

After service on such person the designated crisis responder shall file the return of service in court and provide copies of all papers in the court file to the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program, and the designated attorney. The designated crisis responder shall notify the court and the prosecuting attorney that a probable cause hearing will be held within seventy-two hours of the date and time of outpatient evaluation or admission to the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program. The person shall be permitted to be accompanied by one or more of his or her relatives, friends, an attorney, a personal physician, or other professional or religious advisor to the place of evaluation. An attorney accompanying the person to the place of evaluation shall be permitted to be present during the admission evaluation. Any other individual accompanying the person may be present during the admission evaluation. The facility may exclude the individual if his or her presence would present a safety risk, delay the proceedings, or otherwise interfere with the evaluation.

(4) The designated crisis responder may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program. At the time such person is taken into custody there shall commence to be served on such person, his or her guardian, and conservator, if any, a copy of the original order together with a notice of rights and a petition for initial detention.

Sec. 6. RCW 71.05.230 and 2017 3rd sp.s. c 14 s 17 are each amended to read as follows:

A person detained (~~(or committed)~~) for seventy-two hour evaluation and treatment (~~(or for an outpatient evaluation for the purpose of filing a petition for a less restrictive alternative treatment order)~~) may be committed for not more than fourteen additional days of involuntary intensive treatment or ninety additional days of a less restrictive alternative (~~(to involuntary intensive)~~) treatment. A petition may only be filed if the following conditions are met:

(1) The professional staff of the (~~(agency or)~~) facility providing evaluation services has analyzed the person's condition and finds that the condition is caused by mental disorder or substance use disorder and results in a likelihood of serious harm, results in the person being gravely disabled, or results in the person being in need of assisted outpatient (~~(mental)~~) behavioral health treatment, and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has evidence that he or she has not in good faith volunteered; and

(3) The (~~(agency or)~~) facility providing intensive treatment (~~(or which proposes to supervise the less restrictive alternative)~~) is certified to provide such treatment by the department; and

(4)(a)(i) The professional staff of the (~~(agency or)~~) facility or the designated crisis responder has filed a petition with the court for a fourteen day involuntary detention or a ninety day less restrictive alternative. The petition must be signed by:

(A) One physician, physician assistant, or psychiatric advanced registered nurse practitioner; and

(B) One physician, physician assistant, psychiatric advanced registered nurse practitioner, or mental health professional.

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a chemical dependency professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced

registered nurse practitioner. The persons signing the petition must have examined the person.

(b) If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. The petition shall state specifically that less restrictive alternative treatment was considered and specify why treatment less restrictive than detention is not appropriate. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that such person, as a result of a mental disorder or as a result of a substance use disorder, presents a likelihood of serious harm, is gravely disabled, or is in need of assisted outpatient (~~(mental)~~) behavioral health treatment, and shall set forth any recommendations for less restrictive alternative treatment services; and

(5) A copy of the petition has been served on the detained (~~(or committed)~~) person, his or her attorney and his or her guardian or conservator, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The petition reflects that the person was informed of the loss of firearm rights if involuntarily committed for mental health treatment; and

(8) At the conclusion of the initial commitment period, the professional staff of the agency or facility or the designated crisis responder may petition for an additional period of either ninety days of less restrictive alternative treatment or ninety days of involuntary intensive treatment as provided in RCW 71.05.290; and

(9) If the hospital or facility designated to provide less restrictive alternative treatment is other than the facility providing involuntary treatment, the outpatient facility so designated to provide less restrictive alternative treatment has agreed to assume such responsibility.

Sec. 7. RCW 71.05.240 and 2016 sp.s. c 29 s 232 and 2016 c 45 s 2 are each reenacted and amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention (~~(or involuntary outpatient evaluation)~~) of such person as determined in RCW 71.05.180, or at a time determined under section 3 of this act. If requested by the person or his or her attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

(2) If the petition is for mental health treatment, the court at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3)(a) Subject to (b) of this subsection, at the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary

treatment not to exceed fourteen days in a facility certified to provide treatment by the department.

(b) Commitment for up to fourteen days based on a substance use disorder must be to either a secure detoxification facility or an approved substance use disorder treatment program. A court may only enter a commitment order based on a substance use disorder if there is an available secure detoxification facility or approved substance use disorder treatment program with adequate space for the person.

(c) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for not to exceed ninety days.

(d) If the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, is in need of assisted outpatient ~~((mental))~~ behavioral health treatment, and that the person does not present a likelihood of serious harm or grave disability, the court shall order an appropriate less restrictive alternative course of treatment not to exceed ninety days ~~((and may not order inpatient treatment))~~.

~~((e))~~ (4) An order for less restrictive alternative treatment must name the mental health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the mental health service provider.

~~((4))~~ (5) The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period or beyond the ninety days of less restrictive treatment is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310. If the commitment is for mental health treatment, the court shall also state to the person and provide written notice that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

Sec. 8. RCW 71.05.240 and 2016 sp.s. c 29 s 233 are each amended to read as follows:

(1) If a petition is filed for fourteen day involuntary treatment or ninety days of less restrictive alternative treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention ~~((or involuntary outpatient evaluation))~~ of such person as determined in RCW 71.05.180, or at a time determined under section 3 of this act. If requested by the person or his or her attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

(2) If the petition is for mental health treatment, the court at the time of the probable cause hearing and before an order of commitment is entered shall inform the person both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.05.230 will result in the loss of his or her firearm rights if the person is subsequently detained for involuntary treatment under this section.

(3)(a) Subject to (b) of this subsection, at the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled, and, after considering less restrictive

alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility certified to provide treatment by the department.

(b) Commitment for up to fourteen days based on a substance use disorder must be to either a secure detoxification facility or an approved substance use disorder treatment program.

(c) At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, presents a likelihood of serious harm, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive alternative course of treatment for not to exceed ninety days.

(d) If the court finds by a preponderance of the evidence that such person, as the result of a mental disorder or substance use disorder, is in need of assisted outpatient ~~((mental))~~ behavioral health treatment, and that the person does not present a likelihood of serious harm or grave disability, the court shall order an appropriate less restrictive alternative course of treatment not to exceed ninety days ~~((and may not order inpatient treatment))~~.

~~((e))~~ (4) An order for less restrictive alternative treatment must name the mental health service provider responsible for identifying the services the person will receive in accordance with RCW 71.05.585, and must include a requirement that the person cooperate with the services planned by the mental health service provider.

~~((4))~~ (5) The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period or beyond the ninety days of less restrictive treatment is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310. If the commitment is for mental health treatment, the court shall also state to the person and provide written notice that the person is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

Sec. 9. RCW 71.05.590 and 2017 3rd sp.s. c 14 s 9 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, or to an evaluation and treatment facility if the person is committed for mental health treatment, or to a secure detoxification facility with available space or an approved substance use disorder treatment program with available space if the person is committed for substance use disorder treatment. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initiate initial inpatient detention procedures under subsection (6) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) Except as provided in subsection (6) of this section, a designated crisis responder or the secretary may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near the county in which he or she is receiving outpatient treatment and has adequate space. Proceedings under this subsection (4) may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection (6) of this section, a person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The designated crisis responder or secretary shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) Except as provided in subsection (6) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period may be for no longer than the period authorized in the original court order. A court may not issue an order to detain a person for inpatient treatment in a secure detoxification facility or approved substance use disorder treatment program under this subsection unless there is a secure detoxification facility or approved substance use disorder treatment program available and with adequate space for the person.

~~((e) Revocation proceedings under this subsection (4) are not allowable if the current commitment is solely based on the person being in need of assisted outpatient mental health treatment. In order to obtain a court order for detention for inpatient treatment under this circumstance, a petition must be filed under RCW 71.05.150 or 71.05.153.))~~

(5) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

(6)(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under section 3 of

this act, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to seventy-two hours, excluding weekends and holidays, pending a court hearing. If the person is not detained, the hearing must be scheduled within seventy-two hours of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient treatment. To continue detention after the seventy-two hour period, the court must find that the person, as a result of a mental disorder or substance use disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

(d) A court may not issue an order to detain a person for inpatient treatment in a secure detoxification facility or approved substance use disorder program under this subsection unless there is a secure detoxification facility or approved substance use disorder treatment program available and with adequate space for the person.

Sec. 10. RCW 71.05.590 and 2017 3rd sp.s. c 14 s 10 are each amended to read as follows:

(1) Either an agency or facility designated to monitor or provide services under a less restrictive alternative order or conditional release order, or a designated crisis responder, may take action to enforce, modify, or revoke a less restrictive alternative or conditional release order. The agency, facility, or designated crisis responder must determine that:

(a) The person is failing to adhere to the terms and conditions of the court order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer appropriate incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be made to the court with

jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the agency or facility in requesting this hearing and issuing an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To cause the person to be transported by a peace officer, designated crisis responder, or other means to the agency or facility monitoring or providing services under the court order, or to a triage facility, crisis stabilization unit, emergency department, or to an evaluation and treatment facility if the person is committed for mental health treatment, or to a secure detoxification facility or an approved substance use disorder treatment program if the person is committed for substance use disorder treatment. The person may be detained at the facility for up to twelve hours for the purpose of an evaluation to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when in the clinical judgment of a designated crisis responder or the professional person in charge of an agency or facility designated to monitor less restrictive alternative services temporary detention is appropriate. This subsection does not limit the ability or obligation to pursue revocation procedures under subsection (4) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (4) of this section or, if the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, initial inpatient detention procedures under subsection (6) of this section.

(3) The facility or agency designated to provide outpatient treatment shall notify the secretary or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(4)(a) Except as provided in subsection (6) of this section, a designated crisis responder or the secretary may upon their own motion or notification by the facility or agency designated to provide outpatient care order a person subject to a court order under this chapter to be apprehended and taken into custody and temporary detention in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection (4) may be initiated without ordering the apprehension and detention of the person.

(b) Except as provided in subsection (6) of this section, a person detained under this subsection (4) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he or she had been released. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

(c) The designated crisis responder or secretary shall file a revocation petition and order of apprehension and detention with the court of the county where the person is currently located or being detained. The designated crisis responder shall serve the person and their attorney, guardian, and conservator, if any. The person has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) Except as provided in subsection (6) of this section, the issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the court order; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether the court should reinstate or modify the person's less restrictive alternative or conditional release order or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period may be for no longer than the period authorized in the original court order.

~~((e) Revocation proceedings under this subsection (4) are not allowable if the current commitment is solely based on the person being in need of assisted outpatient mental health treatment. In order to obtain a court order for detention for inpatient treatment under this circumstance, a petition must be filed under RCW 71.05.150 or 71.05.153.)~~

(5) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

(6)(a) If the current commitment is solely based on the person being in need of assisted outpatient behavioral health treatment as defined in RCW 71.05.020, a designated crisis responder may initiate inpatient detention procedures under RCW 71.05.150 or 71.05.153 when appropriate. A designated crisis responder or the secretary may, upon their own motion or notification by the facility or agency designated to provide outpatient care to a person subject to a less restrictive alternative treatment order under RCW 71.05.320 subsequent to an order for assisted outpatient behavioral health treatment entered under section 3 of this act, order the person to be apprehended and taken into custody and temporary detention for inpatient evaluation in an evaluation and treatment facility in or near the county in which he or she is receiving outpatient treatment if the person is committed for mental health treatment, or, if the person is committed for substance use disorder treatment, in a secure detoxification facility or approved substance use disorder treatment program if either is available in or near the county in which he or she is receiving outpatient treatment. Proceedings under this subsection may be initiated without ordering the apprehension and detention of the person.

(b) A person detained under this subsection may be held for evaluation for up to seventy-two hours, excluding weekends and holidays, pending a court hearing. The designated crisis responder

or the secretary may modify or rescind the order at any time prior to commencement of the court hearing.

(c) The issues for the court to determine are whether to continue the detention of the person for inpatient treatment or whether the court should reinstate or modify the person's less restrictive alternative order or order the person's detention for inpatient treatment. To continue detention after the seventy-two hour period, the court must find that the person, as a result of a mental disorder or substance use disorder, presents a likelihood of serious harm or is gravely disabled and, after considering less restrictive alternatives to involuntary detention and treatment, that no such alternatives are in the best interest of the person or others.

(d) A court may not issue an order to detain a person for inpatient treatment in a secure detoxification facility or approved substance use disorder program under this subsection unless there is a secure detoxification facility or approved substance use disorder treatment program available and with adequate space for the person.

Sec. 11. RCW 71.05.201 and 2017 3rd sp.s. c 14 s 2 are each amended to read as follows:

(1) If a designated crisis responder decides not to detain a person for evaluation and treatment under RCW 71.05.150 or 71.05.153 or forty-eight hours have elapsed since a designated crisis responder received a request for investigation and the designated crisis responder has not taken action to have the person detained, an immediate family member or guardian or conservator of the person may petition the superior court for the person's initial detention.

(2) A petition under this section must be filed within ten calendar days following the designated crisis responder investigation or the request for a designated crisis responder investigation. If more than ten days have elapsed, the immediate family member, guardian, or conservator may request a new designated crisis responder investigation.

(3)(a) The petition must be filed in the county in which the designated crisis responder investigation occurred or was requested to occur and must be submitted on forms developed by the administrative office of the courts for this purpose. The petition must be accompanied by a sworn declaration from the petitioner, and other witnesses if desired, describing why the person should be detained for evaluation and treatment. The description of why the person should be detained may contain, but is not limited to, the information identified in RCW 71.05.212.

(b) The petition must contain:

(i) A description of the relationship between the petitioner and the person; and

(ii) The date on which an investigation was requested from the designated crisis responder.

(4) The court shall, within one judicial day, review the petition to determine whether the petition raises sufficient evidence to support the allegation. If the court so finds, it shall provide a copy of the petition to the designated crisis responder agency with an order for the agency to provide the court, within one judicial day, with a written sworn statement describing the basis for the decision not to seek initial detention and a copy of all information material to the designated crisis responder's current decision.

(5) Following the filing of the petition and before the court reaches a decision, any person, including a mental health professional, may submit a sworn declaration to the court in support of or in opposition to initial detention.

(6) The court shall dismiss the petition at any time if it finds that a designated crisis responder has filed a petition for the person's initial detention under RCW 71.05.150 or 71.05.153 or that the person has voluntarily accepted appropriate treatment.

(7) The court must issue a final ruling on the petition within five judicial days after it is filed. After reviewing all of the information provided to the court, the court may enter an order for initial detention or an order instructing the designated crisis responder to file a petition for assisted outpatient behavioral health treatment if the court finds that: (a) There is probable cause to support a petition for detention or assisted outpatient behavioral health treatment; and (b) the person has refused or failed to accept appropriate evaluation and treatment voluntarily. The court shall transmit its final decision to the petitioner.

(8) If the court enters an order for initial detention, it shall provide the order to the designated crisis responder agency and issue a written order for apprehension of the person by a peace officer for delivery of the person to a facility or emergency room determined by the designated crisis responder. The designated crisis responder agency serving the jurisdiction of the court must collaborate and coordinate with law enforcement regarding apprehensions and detentions under this subsection, including sharing of information relating to risk and which would assist in locating the person. A person may not be detained to jail pursuant to a written order issued under this subsection. An order for detention under this section should contain the advisement of rights which the person would receive if the person were detained by a designated crisis responder. An order for initial detention under this section expires one hundred eighty days from issuance.

(9) Except as otherwise expressly stated in this chapter, all procedures must be followed as if the order had been entered under RCW 71.05.150. RCW 71.05.160 does not apply if detention was initiated under the process set forth in this section.

(10) For purposes of this section, "immediate family member" means a spouse, domestic partner, child, stepchild, parent, stepparent, grandparent, or sibling.

Sec. 12. RCW 71.05.156 and 2016 sp.s. c 29 s 215 are each amended to read as follows:

A designated crisis responder who conducts an evaluation for imminent likelihood of serious harm or imminent danger because of being gravely disabled under RCW 71.05.153 must also evaluate the person under RCW 71.05.150 for likelihood of serious harm or grave disability that does not meet the imminent standard for emergency detention, and to determine whether the person is in need of assisted outpatient (~~mental~~) behavioral health treatment.

Sec. 13. RCW 71.05.212 and 2016 sp.s. c 29 s 226 are each amended to read as follows:

(1) Whenever a designated crisis responder or professional person is conducting an evaluation under this chapter, consideration shall include all reasonably available information from credible witnesses and records regarding:

(a) Prior recommendations for evaluation of the need for civil commitments when the recommendation is made pursuant to an evaluation conducted under chapter 10.77 RCW;

(b) Historical behavior, including history of one or more violent acts;

(c) Prior determinations of incompetency or insanity under chapter 10.77 RCW; and

(d) Prior commitments under this chapter.

(2) Credible witnesses may include family members, landlords, neighbors, or others with significant contact and history of involvement with the person. If the designated crisis responder relies upon information from a credible witness in reaching his or her decision to detain the individual, then he or she must provide contact information for any such witness to the prosecutor. The designated crisis responder or prosecutor shall provide notice of

the date, time, and location of the probable cause hearing to such a witness.

(3) Symptoms and behavior of the respondent which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient (~~mental~~) behavioral health treatment, when:

(a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts;

(b) These symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and

(c) Without treatment, the continued deterioration of the respondent is probable.

(4) When conducting an evaluation for offenders identified under RCW 72.09.370, the designated crisis responder or professional person shall consider an offender's history of judicially required or administratively ordered antipsychotic medication while in confinement.

Sec. 14. RCW 71.05.245 and 2015 c 250 s 8 are each amended to read as follows:

(1) In making a determination of whether a person is gravely disabled, presents a likelihood of serious harm, or is in need of assisted outpatient (~~mental~~) behavioral health treatment in a hearing conducted under RCW 71.05.240 or 71.05.320, the court must consider the symptoms and behavior of the respondent in light of all available evidence concerning the respondent's historical behavior.

(2) Symptoms or behavior which standing alone would not justify civil commitment may support a finding of grave disability or likelihood of serious harm, or a finding that the person is in need of assisted outpatient (~~mental~~) behavioral health treatment, when: (a) Such symptoms or behavior are closely associated with symptoms or behavior which preceded and led to a past incident of involuntary hospitalization, severe deterioration, or one or more violent acts; (b) these symptoms or behavior represent a marked and concerning change in the baseline behavior of the respondent; and (c) without treatment, the continued deterioration of the respondent is probable.

(3) In making a determination of whether there is a likelihood of serious harm in a hearing conducted under RCW 71.05.240 or 71.05.320, the court shall give great weight to any evidence before the court regarding whether the person has: (a) A recent history of one or more violent acts; or (b) a recent history of one or more commitments under this chapter or its equivalent provisions under the laws of another state which were based on a likelihood of serious harm. The existence of prior violent acts or commitments under this chapter or its equivalent shall not be the sole basis for determining whether a person presents a likelihood of serious harm.

For the purposes of this subsection "recent" refers to the period of time not exceeding three years prior to the current hearing.

Sec. 15. RCW 71.05.280 and 2016 sp.s. c 29 s 234 are each amended to read as follows:

At the expiration of the fourteen-day period of intensive treatment, a person may be committed for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted: (a) Physical harm upon the person of another or himself or herself, or substantial damage upon the property of another, and (b) as a result of mental disorder or substance use disorder presents a likelihood of serious harm; or

(2) Such person was taken into custody as a result of conduct in which he or she attempted or inflicted physical harm upon the person of another or himself or herself, or substantial damage upon the property of others, and continues to present, as a result of mental disorder or substance use disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.086(4), and has committed acts constituting a felony, and as a result of a mental disorder, presents a substantial likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the crime;

(b) For any person subject to commitment under this subsection where the charge underlying the finding of incompetence is for a felony classified as violent under RCW 9.94A.030, the court shall determine whether the acts the person committed constitute a violent offense under RCW 9.94A.030; or

(4) Such person is gravely disabled; or

(5) Such person is in need of assisted outpatient (~~mental~~) behavioral health treatment.

Sec. 16. RCW 71.05.595 and 2015 c 250 s 17 are each amended to read as follows:

A court order for less restrictive alternative treatment for a person found to be in need of assisted outpatient (~~mental~~) behavioral health treatment must be terminated prior to the expiration of the order when, in the opinion of the professional person in charge of the less restrictive alternative treatment provider, (1) the person is prepared to accept voluntary treatment, or (2) the outpatient treatment ordered is no longer necessary to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time.

NEW SECTION. **Sec. 17.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 18.** Sections 1 through 4, 6, 7, 9, 11, 12, 13, and 15 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect April 1, 2018.

NEW SECTION. **Sec. 19.** Sections 5, 8, and 10 of this act take effect July 1, 2026.

NEW SECTION. **Sec. 20.** Sections 4, 7, and 9 of this act expire July 1, 2026."

MESSAGE FROM THE HOUSE

February 28, 2018

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 6514 with the following amendment(s): 6514-S AMH HE H5039.1

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) Washington has been a leader in addressing suicide as a public health issue. The legislature intends for Washington to continue its leadership by supporting the creation of comprehensive suicide prevention and behavioral health initiatives for postsecondary students. In 2015, the legislature created the mental health and suicide prevention in higher education task force. The task force was charged with determining the policies, resources, and technical assistance needed to support postsecondary institutions in improving access to behavioral health services and improving suicide prevention responses. In November 2016, the task force issued its report on mental health and suicide prevention in higher education.

(2) According to the task force report:

(a) The 2005 American college health assessment survey found that nine and one-half percent of students seriously considered suicide, one and one-half percent of students nationwide have attempted suicide, and less than twenty percent were in treatment. According to the 2015 American college health association national college health assessment, seventy-five percent of postsecondary students reported feeling overwhelmed and thirty percent reported feeling so depressed it was difficult to function. More than one-third of students reported anxiety as negatively impacting academics and almost one-quarter said depression negatively impacted academics;

(b) There is incomplete data on suicide deaths among Washington's postsecondary students and the availability of behavioral health resources on Washington's campuses. There is currently no statewide system in place to track this data;

(c) Lack of funding for behavioral health resources across all sectors is the largest barrier to providing services for postsecondary students statewide;

(d) Due to funding constraints, the level of professional mental and behavioral health counseling is often limited for postsecondary institutions in all sectors. For example, six institutions in the public two-year sector servicing nearly fifty thousand students have either no professional mental health providers to counsel students or have such limited resources that the counselor to student ratio was as low as one to nearly eight thousand five hundred in 2014-2015.

(3) The legislature also recognizes that, as of 2016, there were over sixteen thousand student veterans and dependents enrolled in Washington's community and technical colleges, and approximately four thousand veterans and dependents enrolled in Washington's four-year institutions of higher education. The legislature recognizes that the risk for suicide is significantly higher among veterans when compared to nonveteran adults in the United States and that student veterans face unique challenges and often have vastly different life experiences from traditional students. According to a study presented a few years ago at an annual convention of the American psychological association, almost half of military veterans who are enrolled in college have contemplated suicide at some point and twenty percent have planned to kill themselves.

(4) The legislature intends to implement task force recommendations by:

(a) Creating a publicly available statewide resource for postsecondary institutions;

(b) Developing and centralizing data collection; and

(c) Creating a grant program for resource-challenged institutions to help develop suicide prevention programs in those institutions, which may include for example, enhancing treatment services to student veterans; creating campus-wide crisis services; expanding existing crisis plans to integrate suicide intervention; reentry, including medical leave that supports reentry; postvention; and creating links and referral systems between campus behavioral health resources and community-based mental health resources.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.20 RCW to read as follows:

(1) Subject to availability of amounts appropriated for this specific purpose, an entity within the University of Washington school of social work that has expertise in suicide prevention, in collaboration with the student achievement council, shall develop a statewide resource for behavioral health and suicide prevention for the state's postsecondary institutions.

(2) To establish the components of the statewide resource, the entity shall convene and consult with a work group that consists of representatives from stakeholder groups the entity deems appropriate. The entity must consider representatives from those organizations listed in the mental health and suicide prevention in higher education task force, created by chapter 67, Laws of 2015. At a minimum, the stakeholders in the work group must include:

(a) Representation from a tribal college;

(b) Representation from a veterans training support center;

(c) Representation from students and families;

(d) Representatives selected by the educational opportunity gap oversight and accountability committee;

(e) Representation from a community behavioral health provider;

(f) A suicide prevention expert;

(g) Representation from the department of health; and

(h) Three institutional counseling center directors or executive directors to include one from each of the following: A public four-

year college or university, a private, nonprofit institution, and a community and technical college.

(3) The entity must be responsible for constructing and hosting the statewide resource and linking the resource to the student achievement council's and the department of health's web sites.

(4) At a minimum, the statewide resource must:

(a) Be made publicly available through a web-based portal or a support line;

(b) Provide a free curriculum to train faculty, staff, and students in suicide recognition and referral skills and in the specific needs of student veterans;

(c) Provide a resource to build capacity within the institutions to train individuals to deliver training in person;

(d) Contain model crisis protocols, per sector, that include behavioral health and suicide identification, intervention, reentry, and postvention;

(e) Contain model marketing materials and messages that promote student behavioral health on college campuses;

(f) Develop capacity for an annual conference for postsecondary institutions seeking to address students' behavioral health and suicide prevention needs. The entity must be responsible for hosting the first conference for postsecondary institutions; and

(g) Include resources that will serve diverse communities and underrepresented populations, including resources that are culturally relevant.

(5) The statewide resource must be made available to postsecondary institutions by June 30, 2020.

NEW SECTION. Sec. 3. A new section is added to chapter 28B.77 RCW to read as follows:

(1) Subject to availability of amounts appropriated for this specific purpose, the suicide prevention in higher education grant program is established. The purpose of the grant program is to provide funding to postsecondary institutions for the institutions to create partnerships with health care entities to provide mental health, behavioral health, and suicide prevention to students in their institutions.

(2)(a) The council shall administer the grant program in accordance with this section and in collaboration with the work group convened by the entity within the University of Washington school of social work specified under section 2 of this act. The council shall establish minimum criteria that grant recipients must meet to be awarded a grant. The grant program must be implemented by November 1, 2019.

(b) The council must award the first six grants created under this section to public institutions of higher education. When selecting the recipients of the first six grants under this subsection, the council must consult with the state board for community and technical colleges. The council must identify which public institutions of higher education have the greatest need, have a clear and strong demonstration of willingness from leadership to utilize the statewide resources created under section 2 of this act, and can develop partnerships to enhance capacity. From those identified public institutions of higher education, proposals that enhance treatment services to student veterans must be given priority. Once the first six grants are awarded, the council may award grants to other postsecondary institutions that meet the council's criteria.

(3) For the purposes of this section, "postsecondary institutions" means institutions of higher education as defined in RCW 28B.10.016, degree-granting institutions as defined in RCW 28B.85.010, private vocational schools as defined under RCW 28C.10.020, and school as defined in RCW 18.16.020.

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

NEW SECTION. Sec. 4. A new section is added to chapter 28B.20 RCW to read as follows:

(1) Beginning June 1, 2019, and every June 1st thereafter until 2022, postsecondary institutions shall submit a report to the entity within the University of Washington school of social work specified under section 2 of this act for the purposes of establishing a baseline for behavioral health concerns and responses at the institutions of higher education.

(2) The annual report must include the following information as reported to the postsecondary institution, in compliance with the entity's established data collection requirements, and if an institution does not collect or have access to the information it must indicate this in the report:

(a) The awareness of students, faculty, and staff regarding behavioral health and suicide prevention resources;

(b) The institution's counselor-to-student ratio;

(c) The number of students referred to off-campus behavioral health providers;

(d) The number of students identifying emotional distress as reasons for withdrawal;

(e) The number of student suicide deaths;

(f) The number of student suicide attempts that result in hospitalization;

(g) Information about dissemination of material to students about behavioral health resources that are available on and off campus;

(h) Confirmation of campus plans for suicide recognition and referral training that identifies groups receiving the required training and which groups are recommended to receive training in the future;

(i) The entity or entities on campus responsible for the development and maintenance of the campus crisis plan that integrate policies for suicide identification, intervention, reentry, and postvention;

(j) The campus point person or persons responsible for the crisis plan; and

(k) Information about behavioral health services and supports available to veterans on campus.

(3) For purposes of this section, "postsecondary institutions" has the same meaning as that term is defined in section 3 of this act.

(4) This section expires December 31, 2022.

NEW SECTION. Sec. 5. A new section is added to chapter 28B.20 RCW to read as follows:

(1) By December 31, 2018, for the purposes of collecting data on suicide prevention and behavioral health in higher education, the entity within the University of Washington school of social work specified under section 2 of this act shall identify data, methods for data collection, and data definitions to be used by postsecondary institutions required to submit annual reports under section 4 of this act. The entity shall collaborate with the postsecondary institutions, as defined in section 3 of this act, in establishing data collection requirements and criteria.

(2) The entity shall aggregate the information it receives by sector and, by December 1st of each year, the entity must submit an aggregated summary report to the relevant committees of the legislature. The entity shall serve as the depository for annual reports submitted by institutions of higher education under section 4 of this act."

~~((e))~~ (3) The parents share the obligation to provide medical support for the child or children specified in the order, by providing health care coverage or contributing a cash medical support obligation when appropriate, and paying a proportionate share of any uninsured medical expenses.

(4) Under appropriate circumstances, the court may excuse one parent from the responsibility to provide health ~~((insurance))~~ care coverage or the monthly payment toward the premium. The child's receipt of public health care coverage may not be the sole basis for excusing a parent from providing health insurance coverage through an employer or union.

~~((d))~~ The court shall always require both parents to contribute their proportionate share of uninsured medical expenses.

~~(2) Both parents share the obligation to provide medical support for the child or children specified in the order, by providing health insurance coverage or contributing a cash medical support obligation when appropriate, and paying a proportionate share of any uninsured medical expenses.~~

~~(3))~~ (5)(a) The court may specify how medical support must be provided by each parent under subsection ((4)) (6) of this section.

(b) If the court does not specify how medical support will be provided or if neither parent provides proof that he or she is providing health ~~((insurance))~~ care coverage for the child at the time the support order is entered, the division of child support or either parent may enforce a parent's obligation to provide medical support under RCW 26.18.170.

~~((4))~~ (6)(a) If there is sufficient evidence provided at the time the order is entered, the court may make a determination of which parent must provide health care coverage and which parent must contribute a sum certain amount as his or her monthly payment toward the premium.

(b) If both parents have available health insurance coverage or health care coverage that is accessible to the child at the time the support order is entered, the court has discretion to order the parent with better coverage to provide the ~~((health insurance))~~ coverage for the child and the other parent to pay a monthly payment toward the premium. In making the determination of which coverage is better, the court shall consider the needs of the child, the cost and extent of each parent's coverage, and the accessibility of the coverage.

(c) Each parent shall ~~((remain))~~ be responsible for his or her proportionate share of uninsured medical expenses.

~~((5))~~ (7) The order must provide that if the parties' circumstances change, the parties' medical support obligations will be enforced as provided in RCW 26.18.170.

~~((6))~~ (8) A parent who is ordered to maintain or provide health ((insurance)) care coverage may comply with that requirement by:

(a) Providing proof of accessible ~~((private insurance))~~ health care coverage for any child named in the order; or

(b) Providing coverage that can be extended to cover the child that is available to that parent through employment or that is union-related, if the cost of such coverage does not exceed twenty-five percent of that parent's basic child support obligation.

~~((7))~~ (9) The order must provide that, while an obligated parent may satisfy his or her health care coverage obligation by enrolling the child in public health care coverage, that parent is

also required to provide accessible health insurance coverage for the child if it is available at no cost through the parent's employer or union.

(10) The order must provide that the fact that one parent enrolled the child in public health care coverage does not satisfy the other parent's health care coverage obligation unless the support order provides otherwise. A parent may satisfy the obligation to provide health care coverage by:

(a) First enrolling the child in available and accessible health insurance coverage through the parent's employer or union if such coverage is available for no more than twenty-five percent of the parent's basic support obligation; or

(b) If there is no accessible health insurance coverage for the child available through the parent's employer or union, contributing a proportionate share of any premium paid by the other parent or the state for public health care coverage for the child.

(11) The court may order a parent to provide health ~~((insurance))~~ care coverage that exceeds twenty-five percent of that parent's basic support obligation if it is in the best interests of the child to provide coverage.

~~((8) If the child receives state-financed medical coverage through the department under chapter 74.09 RCW for which there is an assignment, the obligated parent shall pay a monthly payment toward the premium.~~

~~(9))~~ (12) Each parent is responsible for his or her proportionate share of uninsured medical expenses for the child or children covered by the support order.

~~((40))~~ (13) The parents must maintain health ((insurance)) care coverage as required under this section until:

(a) Further order of the court;

(b) The child is emancipated, if there is no express language to the contrary in the order; or

(c) Health insurance is no longer available through the parents' employer or union and no conversion privileges exist to continue coverage following termination of employment.

~~((4))~~ (14) A parent who is required to extend health insurance coverage to a child under this section is liable for any covered health care costs for which the parent receives direct payment from an insurer.

~~((12) This section shall not be construed to limit the authority of the court to enter or modify support orders containing provisions for payment of uninsured health expenses, health care costs, or insurance premiums which are in addition to and not inconsistent with this section.~~

~~(43))~~ (15) A parent ordered to provide health ((insurance)) care coverage must provide proof of such coverage or proof that such coverage is unavailable within twenty days of the entry of the order to:

(a) The other parent; or

(b) The department of social and health services if the parent has been notified or ordered to make support payments to the Washington state support registry.

~~((44))~~ (16) Every order requiring a parent to provide health care or insurance coverage must be entered in compliance with RCW 26.23.050 and be subject to direct enforcement as provided under chapter 26.18 RCW.

~~((45))~~ (17) When a parent is providing health insurance or health care coverage at the time the order is entered, the premium shall be included in the worksheets for the calculation of child support under chapter 26.19 RCW.

~~((46))~~ (18) As used in this section:

(a) "Accessible" means health ~~((insurance))~~ care coverage which provides primary care services to the child or children with reasonable effort by the custodian.

(b) "Cash medical support" means a combination of: (i) A parent's monthly payment toward the premium paid for coverage provided by ~~((either the other)) a public entity or by another parent ((or the state)),~~ which represents the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation; and (ii) a parent's proportionate share of uninsured medical expenses.

~~(c) ("Health insurance coverage" does not include medical assistance provided under chapter 74.09 RCW.~~

~~(d))~~ "Uninsured medical expenses" includes premiums, copays, deductibles, along with other health care costs not covered by ~~((insurance))~~ health care coverage.

~~((e))~~ ~~(d)~~ "Obligated parent" means a parent ordered to provide health insurance coverage for the children.

~~((f))~~ ~~(e)~~ "Proportionate share" means an amount equal to a parent's percentage share of the combined monthly net income of both parents as computed when determining a parent's child support obligation under chapter 26.19 RCW.

~~((g))~~ ~~(f)~~ "Monthly payment toward the premium" means a parent's contribution toward premiums paid for coverage provided by a public entity or by ((the other)) another parent ((or the state for insurance coverage for the child)), which is based on the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation.

~~((h))~~ ~~(g)~~ "Premium" means the amount paid for coverage provided by a public entity or by another parent for a child covered by the order. This term may also mean "cost of coverage."

(19) This section does not limit the authority of the court to enter or modify support orders containing provisions for payment of uninsured health expenses, health care costs, or insurance premiums which are in addition to and not inconsistent with this section.

(20) The department of social and health services has rule-making authority to enact rules in compliance with 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 102. RCW 26.18.020 and 2008 c 6 s 1027 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Dependent child" means any child for whom a support order has been established or for whom a duty of support is owed.

(2) "Duty of maintenance" means the duty to provide for the needs of a spouse or former spouse or domestic partner or former domestic partner imposed under chapter 26.09 RCW.

(3) "Duty of support" means the duty to provide for the needs of a dependent child, which may include necessary food, clothing, shelter, education, and health care. The duty includes any obligation to make monetary payments, to pay expenses, including maintenance in cases in which there is a dependent child, or to reimburse another person or an agency for the cost of necessary support furnished a dependent child. The duty may be imposed by court order, by operation of law, or otherwise.

(4) "Obligee" means the custodian of a dependent child, the spouse or former spouse or domestic partner or former domestic partner, or person or agency, to whom a duty of support or duty of maintenance is owed, or the person or agency to whom the right to receive or collect support or maintenance has been assigned.

(5) "Obligor" means the person owing a duty of support or duty of maintenance.

(6) "Support or maintenance order" means any judgment, decree, or order of support or maintenance issued by the superior court or authorized agency of the state of Washington; or a

(7) "Employer" includes the United States government, a state or local unit of government, and any person or entity who pays or owes earnings or remuneration for employment to the obligor.

(8) "Earnings" means compensation paid or payable for personal services or remuneration for employment, whether denominated as wages, salary, commission, bonus, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy support or maintenance obligations, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(9) "Disposable earnings" means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld.

(10) "Department" means the department of social and health services.

(11) "Health insurance coverage" is another term for, and included in the definition of, "health care coverage." Health insurance coverage includes any coverage under which medical services are provided by an employer or a union whether that coverage is provided through a self-insurance program, under the employee retirement income security act of 1974, a commercial insurer pursuant to chapters 48.20 and 48.21 RCW, a health care service contractor pursuant to chapter 48.44 RCW, or a health maintenance organization pursuant to chapter 48.46 RCW, and the state through chapter 41.05 RCW.

(12) "Insurer" means a commercial insurance company providing disability insurance under chapter 48.20 or 48.21 RCW, a health care service contractor providing health care coverage under chapter 48.44 RCW, a health maintenance organization providing comprehensive health care services under chapter 48.46 RCW, and shall also include any employer or union which is providing health insurance coverage on a self-insured basis.

(13) "Remuneration for employment" means moneys due from or payable by the United States to an individual within the scope of 42 U.S.C. Sec. 659 and 42 U.S.C. Sec. 662(f).

(14) "Health care coverage" means fee for service, health maintenance organization, preferred provider organization, and other types of private health insurance and public health care coverage under which medical services could be provided to a dependent child or children. The term "health care coverage" includes, but is not limited to, health insurance coverage.

(15) "Public health care coverage," sometimes called "state purchased health care," means state-financed or federally financed medical coverage, whether or not there is an assignment of rights. For children residing in Washington state, this includes coverage through the department of social and health services or the health care authority, except for coverage under chapter 41.05 RCW; for children residing outside of Washington, this includes coverage through another state's agencies that administer state purchased health care programs.

Sec. 103. RCW 26.18.170 and 2009 c 476 s 2 are each amended to read as follows:

(1) Whenever a parent has been ordered to provide medical support for a dependent child, the department or the other parent may seek enforcement of the medical support as provided under this section.

(a) If the obligated parent provides proof that he or she provides accessible health care coverage for the child (~~(through private insurance)~~), that parent has satisfied his or her obligation to provide health (~~(insurance)~~) care coverage.

(b) If the obligated parent does not provide proof of coverage, either the department or the other parent may take appropriate action as provided in this section to enforce the obligation.

(2) An obligated parent may satisfy his or her health care coverage obligation by enrolling the child in public health care coverage, but that parent is also required to provide accessible health insurance coverage for the child if it is available at no cost through the parent's employer or union.

(3) The fact that one parent enrolled the child in public health care coverage does not satisfy the other parent's health care coverage obligation unless the support order provides otherwise. A parent may satisfy the obligation to provide health care coverage by:

(a) First enrolling the child in available and accessible health insurance coverage through the parent's employer or union if such coverage is available for no more than twenty-five percent of the parent's basic support obligation;

(b) If there is no accessible health insurance coverage for the child available through the parent's employer or union, contributing a proportionate share of any premium paid by the other parent or the state for public health care coverage for the child.

(4) The department may attempt to enforce a parent's obligation to provide health insurance coverage for the dependent child. If health insurance coverage is not available through the parent's employment or union at a cost not to exceed twenty-five percent of the parent's basic support obligation, or as otherwise provided in the support order, the department may enforce any monthly payment toward the premium ordered to be provided under RCW 26.09.105 or 74.20A.300.

~~((3))~~ (5) A parent seeking to enforce another parent's monthly payment toward the premium under RCW 26.09.105 may:

(a) Apply for support enforcement services from the division of child support as provided by rule; or

(b) Take action on his or her own behalf by:

(i) Filing a motion in the underlying superior court action; or

(ii) Initiating an action in superior court to determine the amount owed by the obligated parent, if there is not already an underlying superior court action.

~~((4))~~ (6)(a) The department may serve a notice of support owed under RCW 26.23.110 on a parent to determine the amount of that parent's monthly payment toward the premium.

(b) Whether or not the child receives temporary assistance for needy families or medicaid, the department may enforce the responsible parent's monthly payment toward the premium. When the child receives (~~(state-financed medical)~~) public health care coverage (~~(through the department under chapter 74.09 RCW)~~) for which there is an assignment, the department may disburse amounts collected to the custodial parent to be used for the medical costs of the child or the department may retain amounts collected and apply them toward the cost of providing the child's state-financed medical coverage. The department may disregard monthly payments toward the premium which are passed through to the family in accordance with federal law.

~~((5))~~ (7)(a) If the order to provide health insurance coverage contains language notifying the parent ordered to provide coverage that failure to provide such coverage or proof that such coverage is unavailable may result in direct enforcement of the order and orders payments through, or has been submitted to, the Washington state support registry for enforcement, then the department may, without further notice to the parent, send a national medical support notice pursuant to 42 U.S.C. Sec.

666(a)(19), and sections 401 (e) and (f) of the federal child support and performance incentive act of 1998 to the parent's employer or union. The notice shall be served:

(i) By regular mail;

(ii) In the manner prescribed for the service of a summons in a civil action;

(iii) By certified mail, return receipt requested; or

(iv) By electronic means if there is an agreement between the secretary of the department and the person, firm, corporation, association, political subdivision, department of the state, or agency, subdivision, or instrumentality of the United States to accept service by electronic means.

(b) The notice shall require the employer or union to enroll the child in the health insurance plan as provided in subsection ~~((8))~~ (10) of this section.

(c) The returned part A of the national medical support notice to the division of child support by the employer constitutes proof of service of the notice in the case where the notice was served by regular mail.

~~((6))~~ (8) Upon receipt of a national medical support notice from a child support agency operating under Title IV-D of the federal social security act:

(a) The parent's employer or union shall comply with the provisions of the notice, including meeting response time frames and withholding requirements required under part A of the notice;

(b) The parent's employer or union shall also be responsible for complying with forwarding part B of the notice to the child's plan administrator, if required by the notice;

(c) The plan administrator is responsible for complying with the provisions of the notice.

~~((7))~~ (9) If the parent's order to provide health insurance coverage does not order payments through, and has not been submitted to, the Washington state support registry for enforcement:

(a) The parent seeking enforcement may, without further notice to the obligated parent, send a certified copy of the order requiring health insurance coverage to the parent's employer or union by certified mail, return receipt requested; and

(b) The parent seeking enforcement shall attach a notarized statement to the order declaring that the order is the latest order addressing coverage entered by the court and require the employer or union to enroll the child in the health insurance plan as provided in subsection ~~((8))~~ (10) of this section.

~~((8))~~ (10) Upon receipt of an order that provides for health insurance coverage:

(a) The parent's employer or union shall answer the party who sent the order within twenty days and confirm that the child:

(i) Has been enrolled in the health insurance plan;

(ii) Will be enrolled; or

(iii) Cannot be covered, stating the reasons why such coverage cannot be provided;

(b) The employer or union shall withhold any required premium from the parent's income or wages;

(c) If more than one plan is offered by the employer or union, and each plan may be extended to cover the child, then the child shall be enrolled in the parent's plan. If the parent's plan does not provide coverage which is accessible to the child, the child shall be enrolled in the least expensive plan otherwise available to the parent;

(d) The employer or union shall provide information about the name of the health insurance coverage provider or issuer and the extent of coverage available to the parent and shall make available any necessary claim forms or enrollment membership cards.

~~((9))~~ (11) If the order for coverage contains no language notifying either or both parents that failure to provide health insurance coverage or proof that such coverage is unavailable

may result in direct enforcement of the order, the department or the parent seeking enforcement may serve a written notice of intent to enforce the order on the obligated parent by certified mail, return receipt requested, or by personal service. If the parent required to provide medical support fails to provide written proof that such coverage has been obtained or applied for or fails to provide proof that such coverage is unavailable within twenty days of service of the notice, the department or the parent seeking enforcement may proceed to enforce the order directly as provided in subsection ~~((5))~~ (7) of this section.

~~((4))~~ (12) If the parent ordered to provide health insurance coverage elects to provide coverage that will not be accessible to the child because of geographic or other limitations when accessible coverage is otherwise available, the department or the parent seeking enforcement may serve a written notice of intent to purchase health insurance coverage on the obligated parent by certified mail, return receipt requested. The notice shall also specify the type and cost of coverage.

~~((4))~~ (13) If the department serves a notice under subsection ~~((4))~~ (12) of this section the parent required to provide medical support shall, within twenty days of the date of service:

- (a) File an application for an adjudicative proceeding; or
- (b) Provide written proof to the department that the obligated parent has either applied for, or obtained, coverage accessible to the child.

~~((2))~~ (14) If the parent seeking enforcement serves a notice under subsection ~~((4))~~ (12) of this section, within twenty days of the date of service the parent required to provide medical support shall provide written proof to the parent seeking enforcement that he or she has either applied for, or obtained, coverage accessible to the child.

~~((3))~~ (15) If the parent required to provide medical support fails to respond to a notice served under subsection ~~((4))~~ (12) of this section to the party who served the notice, the party who served the notice may purchase the health insurance coverage specified in the notice directly.

(a) If the obligated parent is the responsible parent, the amount of the monthly premium shall be added to the support debt and be collectible without further notice.

(b) If the obligated parent is the custodial parent, the responsible parent may file an application for enforcement services and ask the department to establish and enforce the custodial parent's obligation.

(c) The amount of the monthly premium may be collected or accrued until the parent required to provide medical support provides proof of the required coverage.

~~((4))~~ (16) The signature of the parent seeking enforcement or of a department employee shall be a valid authorization to the coverage provider or issuer for purposes of processing a payment to the child's health services provider. An order for health insurance coverage shall operate as an assignment of all benefit rights to the parent seeking enforcement or to the child's health services provider, and in any claim against the coverage provider or issuer, the parent seeking enforcement or his or her assignee shall be subrogated to the rights of the parent obligated to provide medical support for the child. Notwithstanding the provisions of this section regarding assignment of benefits, this section shall not require a health care service contractor authorized under chapter 48.44 RCW or a health maintenance organization authorized under chapter 48.46 RCW to deviate from their contractual provisions and restrictions regarding reimbursement for covered services. If the coverage is terminated, the employer shall mail a notice of termination to the department or the parent seeking enforcement at that parent's last known address within thirty days of the termination date.

~~((45))~~ (17) This section shall not be construed to limit the right of the parents or parties to the support order to bring an action in superior court at any time to enforce, modify, or clarify the original support order.

~~((46))~~ (18) Where a child does not reside in the issuer's service area, an issuer shall cover no less than urgent and emergent care. Where the issuer offers broader coverage, whether by policy or reciprocal agreement, the issuer shall provide such coverage to any child otherwise covered that does not reside in the issuer's service area.

~~((47))~~ (19) If a parent required to provide medical support fails to pay his or her portion, determined under RCW 26.19.080, of any premium, deductible, copay, or uninsured medical expense incurred on behalf of the child, pursuant to a child support order, the department or the parent seeking reimbursement of medical expenses may enforce collection of the obligated parent's portion of the premium, deductible, copay, or uninsured medical expense incurred on behalf of the child.

(a) If the department is enforcing the order and the responsible parent is the obligated parent, the obligated parent's portion of the premium, deductible, copay, or uninsured medical expenses incurred on behalf of the child added to the support debt and be collectible without further notice, following the reduction of the expenses to a sum certain either in a court order or by the department, pursuant to RCW 26.23.110.

(b) If the custodial parent is the obligated parent, the responsible parent may file an application for enforcement services and ask the department to establish and enforce the custodial parent's obligation.

~~((48))~~ (20) As used in this section:

(a) "Accessible" means health insurance coverage which provides primary care services to the child or children with reasonable effort by the custodian.

(b) "Cash medical support" means a combination of: (i) A parent's monthly payment toward the premium paid for coverage by either the other parent or the state, which represents the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation; and (ii) a parent's proportionate share of uninsured medical expenses.

~~(c) ("Health insurance coverage" does not include medical assistance provided under chapter 74.09 RCW.~~

~~(d))~~ "Uninsured medical expenses" includes premiums, copays, deductibles, along with other health care costs not covered by insurance.

~~((e))~~ (d) "Obligated parent" means a parent ordered to provide health insurance coverage for the children.

~~((f))~~ (e) "Monthly payment toward the premium" means a parent's contribution toward premiums paid by the other parent or the state for insurance coverage for the child, which is based on the obligated parent's proportionate share of the premium paid, but no more than twenty-five percent of the obligated parent's basic support obligation.

~~((49))~~ (21) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 104. RCW 26.23.050 and 2009 c 476 s 4 are each amended to read as follows:

(1) If the division of child support is providing support enforcement services under RCW 26.23.045, or if a party is applying for support enforcement services by signing the application form on the bottom of the support order, the superior

court shall include in all court orders that establish or modify a support obligation:

(a) A provision that orders and directs the responsible parent to make all support payments to the Washington state support registry;

(b) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent at any time after entry of the court order, unless:

(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) A statement that the receiving parent might be required to submit an accounting of how the support, including any cash medical support, is being spent to benefit the child;

(d) A statement that any parent required to provide health ~~((insurance))~~ care coverage for the child or children covered by the order must notify the division of child support and the other parent when the coverage terminates; and

(e) A statement that the responsible parent's privileges to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the parent is not in compliance with a support order as provided in RCW 74.20A.320.

As used in this subsection and subsection (3) of this section, "good cause not to require immediate income withholding" means a written determination of why implementing immediate wage withholding would not be in the child's best interests and, in modification cases, proof of timely payment of previously ordered support.

(2) In all other cases not under subsection (1) of this section, the court may order the responsible parent to make payments directly to the person entitled to receive the payments, to the Washington state support registry, or may order that payments be made in accordance with an alternate arrangement agreed upon by the parties.

(a) The superior court shall include in all orders under this subsection that establish or modify a support obligation:

(i) A statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent at any time after entry of the court order, unless:

(A) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding and that withholding should be delayed until a payment is past due; or

(B) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(ii) A statement that the receiving parent may be required to submit an accounting of how the support is being spent to benefit the child;

(iii) A statement that any parent required to provide health ~~((insurance))~~ care coverage for the child or children covered by the order must notify the division of child support and the other parent when the coverage terminates; and

(iv) A statement that a parent seeking to enforce the obligation to provide health ~~((insurance))~~ care coverage may:

(A) File a motion in the underlying superior court action; or

(B) If there is not already an underlying superior court action, initiate an action in the superior court.

As used in this subsection, "good cause not to require immediate income withholding" is any reason that the court finds appropriate.

(b) The superior court may order immediate or delayed income withholding as follows:

(i) Immediate income withholding may be ordered if the responsible parent has earnings. If immediate income withholding is ordered under this subsection, all support payments shall be paid to the Washington state support registry. The superior court shall issue a mandatory wage assignment order as set forth in chapter 26.18 RCW when the support order is signed by the court. The parent entitled to receive the transfer payment is responsible for serving the employer with the order and for its enforcement as set forth in chapter 26.18 RCW.

(ii) If immediate income withholding is not ordered, the court shall require that income withholding be delayed until a payment is past due. The support order shall contain a statement that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent, after a payment is past due.

(c) If a mandatory wage withholding order under chapter 26.18 RCW is issued under this subsection and the division of child support provides support enforcement services under RCW 26.23.045, the existing wage withholding assignment is prospectively superseded upon the division of child support's subsequent service of an income withholding notice.

(3) The office of administrative hearings and the department of social and health services shall require that all support obligations established as administrative orders include a provision which orders and directs that the responsible parent shall make all support payments to the Washington state support registry. All administrative orders shall also state that the responsible parent's privileges to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the parent is not in compliance with a support order as provided in RCW 74.20A.320. All administrative orders shall also state that withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state without further notice to the responsible parent at any time after entry of the order, unless:

(a) One of the parties demonstrates, and the presiding officer finds, that there is good cause not to require immediate income withholding; or

(b) The parties reach a written agreement that is approved by the presiding officer that provides for an alternate agreement.

(4) If the support order does not include the provision ordering and directing that all payments be made to the Washington state support registry and a statement that withholding action may be taken against wages, earnings, assets, or benefits if a support payment is past due or at any time after the entry of the order, or that a parent's licensing privileges may not be renewed, or may be suspended, the division of child support may serve a notice on the responsible parent stating such requirements and authorizations. Service may be by personal service or any form of mail requiring a return receipt.

(5) Every support order shall state:

(a) The address where the support payment is to be sent;

(b) That withholding action may be taken against wages, earnings, assets, or benefits, and liens enforced against real and personal property under the child support statutes of this or any other state, without further notice to the responsible parent at any time after entry of a support order, unless:

FIFTY EIGHTH DAY, MARCH 6, 2018

(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement;

(c) The income of the parties, if known, or that their income is unknown and the income upon which the support award is based;

(d) The support award as a sum certain amount;

(e) The specific day or date on which the support payment is due;

(f) The names and ages of the dependent children;

(g) A provision requiring both the responsible parent and the custodial parent to keep the Washington state support registry informed of whether he or she has access to health ~~((insurance))~~ care coverage at reasonable cost and, if so, the health ~~((insurance policy))~~ care coverage information;

(h) That either or both the responsible parent and the custodial parent shall be obligated to provide medical support for his or her child through health ~~((insurance))~~ care coverage if:

(i) The obligated parent provides accessible coverage for the child through private ~~((insurance))~~ or public health care coverage; or

(ii) Coverage that can be extended to cover the child is or becomes available to the parent through employment or is union-related; or

(iii) In the absence of such coverage, through an additional sum certain amount, as that parent's monthly payment toward the premium as provided under RCW 26.09.105;

(i) That a parent providing health ~~((insurance))~~ care coverage must notify both the division of child support and the other parent when coverage terminates;

(j) That if proof of health ~~((insurance))~~ care coverage or proof that the coverage is unavailable is not provided within twenty days, the parent seeking enforcement or the department may seek direct enforcement of the coverage through the employer or union of the parent required to provide medical support without further notice to the parent as provided under chapter 26.18 RCW;

(k) The reasons for not ordering health ~~((insurance))~~ care coverage if the order fails to require such coverage;

(l) That the responsible parent's privileges to obtain and maintain a license, as defined in RCW 74.20A.320, may not be renewed, or may be suspended if the parent is not in compliance with a support order as provided in RCW 74.20A.320;

(m) That each parent must:

(i) Promptly file with the court and update as necessary the confidential information form required by subsection (7) of this section; and

(ii) Provide the state case registry and update as necessary the information required by subsection (7) of this section; and

(n) That parties to administrative support orders shall provide to the state case registry and update as necessary their residential addresses and the address of the responsible parent's employer. The division of child support may adopt rules that govern the collection of parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, the names of the children, social security numbers of the children, dates of birth of the children, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers to enforce an administrative support order. The division of child support shall not release this information if the division of child support determines that there is reason to believe that release of the information may result in physical or emotional harm to the party or to the child, or a restraining order or protective order is in effect to protect one party from the other party.

(6) After the responsible parent has been ordered or notified to make payments to the Washington state support registry under this section, the responsible parent shall be fully responsible for making all payments to the Washington state support registry and shall be subject to payroll deduction or other income-withholding action. The responsible parent shall not be entitled to credit against a support obligation for any payments made to a person or agency other than to the Washington state support registry except as provided under RCW 74.20.101. A civil action may be brought by the payor to recover payments made to persons or agencies who have received and retained support moneys paid contrary to the provisions of this section.

(7) All petitioners and parties to all court actions under chapters 26.09, 26.10, 26.12, 26.18, 26.21A, 26.23, 26.26, and 26.27 RCW shall complete to the best of their knowledge a verified and signed confidential information form or equivalent that provides the parties' current residence and mailing addresses, telephone numbers, dates of birth, social security numbers, driver's license numbers, and the names, addresses, and telephone numbers of the parties' employers. The clerk of the court shall not accept petitions, except in parentage actions initiated by the state, orders of child support, decrees of dissolution, or paternity orders for filing in such actions unless accompanied by the confidential information form or equivalent, or unless the confidential information form or equivalent is already on file with the court clerk. In lieu of or in addition to requiring the parties to complete a separate confidential information form, the clerk may collect the information in electronic form. The clerk of the court shall transmit the confidential information form or its data to the division of child support with a copy of the order of child support or paternity order, and may provide copies of the confidential information form or its data and any related findings, decrees, parenting plans, orders, or other documents to the state administrative agency that administers Title IV-A, IV-D, IV-E, or XIX of the federal social security act. In state initiated paternity actions, the parties adjudicated the parents of the child or children shall complete the confidential information form or equivalent or the state's attorney of record may complete that form to the best of the attorney's knowledge.

(8) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 105. RCW 26.26.165 and 1994 c 230 s 17 are each amended to read as follows:

(1) In entering or modifying a support order under this chapter, the court shall require either or both parents to maintain or provide health ~~((insurance))~~ care coverage for any dependent child as provided under RCW 26.09.105.

(2) This section shall not be construed to limit the authority of the court to enter or modify support orders containing provisions for payment of uninsured health expenses, health costs, or insurance premiums which are in addition to and not inconsistent with this section. ~~("Health insurance coverage" as used in this section does not include medical assistance provided under chapter 74.09 RCW.)~~

(3) A parent ordered to provide health ~~((insurance))~~ care coverage shall provide proof of such coverage or proof that such coverage is unavailable within twenty days of the entry of the order to:

(a) The physical custodian; or

(b) The department of social and health services if the parent has been notified or ordered to make support payments to the Washington state support registry.

(4) Every order requiring a parent to provide health ~~((insurance))~~ care coverage shall be entered in compliance with RCW 26.23.050 and be subject to direct enforcement as provided under chapter 26.18 RCW.

Sec. 106. RCW 26.26.375 and 2011 c 283 s 20 are each amended to read as follows:

(1) After the period for rescission of an acknowledgment of paternity provided in RCW 26.26.330 has passed, a parent executing an acknowledgment of paternity of the child named therein may commence a judicial proceeding for:

(a) Making residential provisions or a parenting plan with regard to the minor child on the same basis as provided in chapter 26.09 RCW; or

(b) Establishing a child support obligation under chapter 26.19 RCW and maintaining health ~~((insurance))~~ care coverage under RCW 26.09.105.

(2) Pursuant to RCW 26.09.010(3), a proceeding authorized by this section shall be titled "In re the parenting and support of..."

(3) Before the period for a challenge to the acknowledgment or denial of paternity has elapsed under RCW 26.26.335, the petitioner must specifically allege under penalty of perjury, to the best of the petitioner's knowledge, that: (a) No man other than the man who executed the acknowledgment of paternity is the father of the child; (b) there is not currently pending a proceeding to adjudicate the parentage of the child or that another man is adjudicated the child's father; and (c) the petitioner has provided notice of the proceeding to any other men who have claimed parentage of the child. Should the respondent or any other person appearing in the action deny the allegations, a permanent parenting plan or residential schedule may not be entered for the child without the matter being converted to a proceeding to challenge the acknowledgment of paternity under RCW 26.26.335 and 26.26.340. A copy of the acknowledgment of paternity or the birth certificate issued by the state in which the child was born must be filed with the petition or response. The court may convert the matter to a proceeding to challenge the acknowledgment on its own motion.

Sec. 107. RCW 74.20A.055 and 2009 c 476 s 7 are each amended to read as follows:

(1) The secretary may, if there is no order that establishes the responsible parent's support obligation or specifically relieves the responsible parent of a support obligation or pursuant to an establishment of paternity under chapter 26.26 RCW, serve on the responsible parent or parents and custodial parent a notice and finding of financial responsibility requiring the parents to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future. The hearing shall be held pursuant to this section, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department. A custodian who has physical custody of a child has the same rights that a custodial parent has under this section.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the responsible parent by certified mail, return receipt requested. The receipt shall be prima facie evidence of service. The notice shall be served upon the debtor within sixty days from the date the state assumes

responsibility for the support of the dependent child or children on whose behalf support is sought. If the notice is not served within sixty days from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the debtor and is unable to do so the entire sixty-day period is tolled until such time as the debtor can be located. The notice may be served upon the custodial parent who is the nonassistance applicant or public assistance recipient by first-class mail to the last known address. If the custodial parent is not the nonassistance applicant or public assistance recipient, service shall be in the same manner as for the responsible parent.

(3) The notice and finding of financial responsibility shall set forth the amount the department has determined the responsible parent owes, the support debt accrued and/or accruing, and periodic payments to be made in the future. The notice and finding shall also include:

(a) A statement of the name of the custodial parent and the name of the child or children for whom support is sought;

(b) A statement of the amount of periodic future support payments as to which financial responsibility is alleged;

(c) A statement that the responsible parent or custodial parent may object to all or any part of the notice and finding, and file an application for an adjudicative proceeding to show cause why the terms set forth in the notice should not be ordered;

(d) A statement that, if neither the responsible parent nor the custodial parent files in a timely fashion an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt and amounts due under the notice shall be subject to collection action;

(e) A statement that the property of the debtor, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, order to withhold and deliver, notice of payroll deduction or other collection action to satisfy the debt and enforce the support obligation established under the notice;

(f) A statement that ~~((either))~~ one or both parents are responsible for either:

(i) Providing health ~~((insurance))~~ care coverage for ~~((his or her))~~ the child if accessible coverage that can ~~((be extended to))~~ cover the child ~~((either))~~:

(A) Is available through ~~((private))~~ health insurance ~~((which is accessible to the child or through coverage that))~~ or public health care coverage; or

(B) Is or becomes available to the parent through that parent's employment or ~~((is union-related,))~~ union; or ~~((for))~~

(ii) Paying a monthly payment toward the premium if no such coverage is available, as provided under RCW 26.09.105.

(4) A responsible parent or custodial parent who objects to the notice and finding of financial responsibility may file an application for an adjudicative proceeding within twenty days of the date of service of the notice or thereafter as provided under this subsection.

(a) If the responsible parent or custodial parent files the application within twenty days, the office of administrative hearings shall schedule an adjudicative proceeding to hear the parent's or parents' objection and determine the support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application stays collection action pending the entry of a final administrative order;

(b) If both the responsible parent and the custodial parent fail to file an application within twenty days, the notice and finding shall become a final administrative order. The amounts for current and future support and the support debt stated in the notice are

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

final and subject to collection, except as provided under (c) and (d) of this subsection;

(c) If the responsible parent or custodial parent files the application more than twenty days after, but within one year of the date of service, the office of administrative hearings shall schedule an adjudicative proceeding to hear the parent's or parents' objection and determine the support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application does not stay further collection action, pending the entry of a final administrative order, and does not affect any prior collection action;

(d) If the responsible parent or custodial parent files the application more than one year after the date of service, the office of administrative hearings shall schedule an adjudicative proceeding at which the parent who requested the late hearing must show good cause for failure to file a timely application. The filing of the application does not stay future collection action and does not affect prior collection action:

(i) If the presiding officer finds that good cause exists, the presiding officer shall proceed to hear the parent's objection to the notice and determine the support obligation;

(ii) If the presiding officer finds that good cause does not exist, the presiding officer shall treat the application as a petition for prospective modification of the amount for current and future support established under the notice and finding. In the modification proceeding, the presiding officer shall set current and future support under chapter 26.19 RCW. The petitioning parent need show neither good cause nor a substantial change of circumstances to justify modification of current and future support;

(e) If the responsible parent's support obligation was based upon imputed median net income, the grant standard, or the family need standard, the division of child support may file an application for adjudicative proceeding more than twenty days after the date of service of the notice. The office of administrative hearings shall schedule an adjudicative proceeding and provide notice of the hearing to the responsible parent and the custodial parent. The presiding officer shall determine the support obligation for the entire period covered by the notice, based upon credible evidence presented by the division of child support, the responsible parent, or the custodial parent, or may determine that the support obligation set forth in the notice is correct. The division of child support demonstrates good cause by showing that the responsible parent's support obligation was based upon imputed median net income, the grant standard, or the family need standard. The filing of the application by the division of child support does not stay further collection action, pending the entry of a final administrative order, and does not affect any prior collection action.

(f) The department shall retain and/or shall not refund support money collected more than twenty days after the date of service of the notice. Money withheld as the result of collection action shall be delivered to the department. The department shall distribute such money, as provided in published rules.

(5) If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the alleged responsible parent and shall also determine the amount of periodic payments to be made in the future, which amount is not limited by the amount of any public assistance payment made to or for the benefit of the child. If deviating from the child support schedule in making these determinations, the presiding or reviewing officer shall apply the standards contained in the child support schedule and enter written findings of fact supporting the deviation.

(6) If either the responsible parent or the custodial parent fails to attend or participate in the hearing or other stage of an adjudicative proceeding, upon a showing of valid service, the presiding officer shall enter an order of default against each party who did not appear and may enter an administrative order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action. The parties who appear may enter an agreed settlement or consent order, which may be different than the terms of the department's notice. Any party who appears may choose to proceed to the hearing, after the conclusion of which the presiding officer or reviewing officer may enter an order that is different than the terms stated in the notice, if the obligation is supported by credible evidence presented by any party at the hearing.

(7) The final administrative order establishing liability and/or future periodic support payments shall be superseded upon entry of a superior court order for support to the extent the superior court order is inconsistent with the administrative order.

(8) Debts determined pursuant to this section, accrued and not paid, are subject to collection action under this chapter without further necessity of action by a presiding or reviewing officer.

(9) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 108. RCW 74.20A.056 and 2009 c 476 s 8 are each amended to read as follows:

(1) If an alleged father has signed an affidavit acknowledging paternity which has been filed with the state registrar of vital statistics before July 1, 1997, the division of child support may serve a notice and finding of parental responsibility on him and the custodial parent. Procedures for and responsibility resulting from acknowledgments filed after July 1, 1997, are in subsections (8) and (9) of this section. Service of the notice shall be in the same manner as a summons in a civil action or by certified mail, return receipt requested, on the alleged father. The custodial parent shall be served by first-class mail to the last known address. If the custodial parent is not the nonassistance applicant or public assistance recipient, service shall be in the same manner as for the responsible parent. The notice shall have attached to it a copy of the affidavit or certification of birth record information advising of the existence of a filed affidavit, provided by the state registrar of vital statistics, and shall state that:

(a) Either or both parents are responsible for providing health ~~((insurance))~~ care coverage for their child either through ~~((private))~~ health insurance or public health care coverage, which is accessible to the child, or through coverage that if coverage that can be extended to cover the child is or becomes available to the parent through employment or is union-related, or for paying a monthly payment toward the premium if no such coverage is available, as provided under RCW 26.09.105;

(b) The alleged father or custodial parent may file an application for an adjudicative proceeding at which they both will be required to appear and show cause why the amount stated in the notice as to support is incorrect and should not be ordered;

(c) An alleged father or mother, if she is also the custodial parent, may request that a blood or genetic test be administered to determine whether such test would exclude him from being a natural parent and, if not excluded, may subsequently request that the division of child support initiate an action in superior court to determine the existence of the parent-child relationship; and

(d) If neither the alleged father nor the custodial parent requests that a blood or genetic test be administered or files an application for an adjudicative proceeding, the amount of support stated in the notice and finding of parental responsibility shall become final, subject only to a subsequent determination under RCW 26.26.500 through 26.26.630 that the parent-child relationship does not exist.

(2) An alleged father or custodial parent who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt, the amount of the current and future support obligation, and the reimbursement of the costs of blood or genetic tests if advanced by the department. A custodian who is not the parent of a child and who has physical custody of a child has the same notice and hearing rights that a custodial parent has under this section.

(3) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department. If no application is filed within twenty days:

(a) The amounts in the notice shall become final and the debt created therein shall be subject to collection action; and

(b) Any amounts so collected shall neither be refunded nor returned if the alleged father is later found not to be a responsible parent.

(4) An alleged father or the mother, if she is also the custodial parent, may request that a blood or genetic test be administered at any time. The request for testing shall be in writing, or as the department may specify by rule, and served on the division of child support. If a request for testing is made, the department shall arrange for the test and, pursuant to rules adopted by the department, may advance the cost of such testing. The department shall mail a copy of the test results by certified mail, return receipt requested, to the alleged father's and mother's, if she is also the custodial parent, last known address.

(5) If the test excludes the alleged father from being a natural parent, the division of child support shall file a copy of the results with the state registrar of vital statistics and shall dismiss any pending administrative collection proceedings based upon the affidavit in issue. The state registrar of vital statistics shall remove the alleged father's name from the birth certificate and change the child's surname to be the same as the mother's maiden name as stated on the birth certificate, or any other name which the mother may select.

(6) The alleged father or mother, if she is also the custodial parent, may, within twenty days after the date of receipt of the test results, request the division of child support to initiate an action under RCW 26.26.500 through 26.26.630 to determine the existence of the parent-child relationship. If the division of child support initiates a superior court action at the request of the alleged father or mother and the decision of the court is that the alleged father is a natural parent, the parent who requested the test shall be liable for court costs incurred.

(7) If the alleged father or mother, if she is also the custodial parent, does not request the division of child support to initiate a superior court action, or fails to appear and cooperate with blood or genetic testing, the notice of parental responsibility shall become final for all intents and purposes and may be overturned only by a subsequent superior court order entered under RCW 26.26.500 through 26.26.630.

(8)(a) Subsections (1) through (7) of this section do not apply to acknowledgments of paternity filed with the state registrar of vital statistics after July 1, 1997.

(b) If an acknowledged father has signed an acknowledgment of paternity that has been filed with the state registrar of vital statistics after July 1, 1997:

(i) The division of child support may serve a notice and finding of financial responsibility under RCW 74.20A.055 based on the acknowledgment. The division of child support shall attach a copy of the acknowledgment or certification of the birth record information advising of the existence of a filed acknowledgment of paternity to the notice;

(ii) The notice shall include a statement that the acknowledged father or any other signatory may commence a proceeding in court to rescind or challenge the acknowledgment or denial of paternity under RCW 26.26.330 and 26.26.335;

(iii) A statement that either or both parents are responsible for providing health ~~((insurance))~~ care coverage for ~~((his or her))~~ the child if accessible coverage that can be extended to cover the child is or becomes available to the parent through employment or is union-related as provided under RCW 26.09.105; and

(iv) The party commencing the action to rescind or challenge the acknowledgment or denial must serve notice on the division of child support and the office of the prosecuting attorney in the county in which the proceeding is commenced. Commencement of a proceeding to rescind or challenge the acknowledgment or denial stays the establishment of the notice and finding of financial responsibility, if the notice has not yet become a final order.

(c) If neither the acknowledged father nor the other party to the notice files an application for an adjudicative proceeding or the signatories to the acknowledgment or denial do not commence a proceeding to rescind or challenge the acknowledgment of paternity, the amount of support stated in the notice and finding of financial responsibility becomes final, subject only to a subsequent determination under RCW 26.26.500 through 26.26.630 that the parent-child relationship does not exist. The division of child support does not refund nor return any amounts collected under a notice that becomes final under this section or RCW 74.20A.055, even if a court later determines that the acknowledgment is void.

(d) An acknowledged father or other party to the notice who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt and the amount of the current and future support obligation.

(i) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department.

(ii) If the application for an adjudicative proceeding is not filed within twenty days of the service of the notice, any amounts collected under the notice shall be neither refunded nor returned if the alleged father is later found not to be a responsible parent.

(e) If neither the acknowledged father nor the custodial parent requests an adjudicative proceeding, or if no timely action is brought to rescind or challenge the acknowledgment or denial after service of the notice, the notice of financial responsibility becomes final for all intents and purposes and may be overturned only by a subsequent superior court order entered under RCW 26.26.500 through 26.26.630.

(9) Acknowledgments of paternity that are filed after July 1, 1997, are subject to requirements of chapters 26.26, the uniform parentage act, and 70.58 RCW.

(10) The department and the department of health may adopt rules to implement the requirements under this section.

(11) The department has rule-making authority to enact rules consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19) as amended by section 7307 of the deficit reduction act of 2005. Additionally, the department has rule-making authority to implement regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and 308.

Sec. 109. RCW 74.20A.059 and 2009 c 476 s 9 are each amended to read as follows:

(1) The department, the physical custodian, or the responsible parent may petition for a prospective modification of a final administrative order if:

(a) The administrative order has not been superseded by a superior court order; and

(b) There has been a substantial change of circumstances, except as provided under RCW 74.20A.055(4)(d).

(2) An order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child; or

(b) If a party requests an adjustment in an order for child support that was based on guidelines which determined the amount of support according to the child's age, and the child is no longer in the age category on which the current support amount was based; or

(c) If a child is a full-time student and reasonably expected to complete secondary school or the equivalent level of vocational or technical training before the child becomes nineteen years of age upon a finding that there is a need to extend support beyond the eighteenth birthday.

(3) An order may be modified without showing a substantial change of circumstances if the requested modification is to:

(a) Require medical support under RCW 26.09.105 for a child covered by the order; or

(b) Modify an existing order for health ~~((insurance))~~ care coverage.

(4) Support orders may be adjusted once every twenty-four months based upon changes in the income of the parents without a showing of substantially changed circumstances.

(5)(a) All administrative orders entered on, before, or after September 1, 1991, may be modified based upon changes in the child support schedule established in chapter 26.19 RCW without a substantial change of circumstances. The petition may be filed based on changes in the child support schedule after twelve months has expired from the entry of the administrative order or the most recent modification order setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to subsection (4) of this section.

(b) If, pursuant to subsection (4) of this section or (a) of this subsection, the order modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the change may be implemented in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under subsection (4) of this section may be filed.

(6) An increase in the wage or salary of the parent or custodian who is receiving the support transfer payments is not a substantial

change in circumstances for purposes of modification under subsection (1)(b) of this section. An obligor's voluntary unemployment or voluntary underemployment, by itself, is not a substantial change of circumstances.

(7) The department shall file the petition and a supporting affidavit with the secretary or the secretary's designee when the department petitions for modification.

(8) The responsible parent or the physical custodian shall follow the procedures in this chapter for filing an application for an adjudicative proceeding to petition for modification.

(9) Upon the filing of a proper petition or application, the secretary or the secretary's designee shall issue an order directing each party to appear and show cause why the order should not be modified.

(10) If the presiding or reviewing officer finds a modification is appropriate, the officer shall modify the order and set current and future support under chapter 26.19 RCW.

Sec. 110. RCW 74.20A.300 and 2009 c 476 s 6 are each amended to read as follows:

(1) Whenever a support order is entered or modified under this chapter, the department shall require either or both parents to provide medical support for any dependent child, in the nature of health ~~((insurance))~~ care coverage or a monthly payment toward the premium, as provided under RCW 26.09.105.

~~((2))~~ ~~("Health insurance coverage" as used in this section does not include medical assistance provided under chapter 74.09 RCW.~~

~~((3))~~ A parent ordered to provide health ~~((insurance))~~ care coverage shall provide proof of such coverage or proof that such coverage is unavailable to the department within twenty days of the entry of the order.

~~((4))~~ ~~(3)~~ A parent required to provide health ~~((insurance))~~ care coverage must notify the department and the other parent when coverage terminates.

~~((5))~~ ~~(4)~~ Every order requiring a parent to provide health ~~((insurance))~~ care coverage shall be entered in compliance with RCW 26.23.050 and be subject to direct enforcement as provided under chapter 26.18 RCW.

**PART II
ELECTRONIC PAYMENTS**

NEW SECTION. **Sec. 201.** A new section is added to chapter 26.23 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Electronic funds transfer" means any transfer of funds, other than a transaction originated or accomplished by conventional check, drafts, or similar paper instrument, which is initiated through an electronic terminal, telephonic instrument, or computer or magnetic tape so as to order, instruct, or authorize a financial institution to debit or credit a checking or other deposit account. "Electronic funds transfer" includes payments made:

(i) By electronic check (echeck); and

(ii) By any means made available through the division of child support's web-based payment services.

(b) "Income withholding order" means an order to withhold income, order to withhold and deliver, or notice of payroll deduction issued under this chapter or chapter 26.10, 26.18, 74.20, or 74.20A RCW.

(c) "Payroll processor" means a person, entity, agent, or company which provides payroll services to an employer or other business such as calculating paychecks and providing electronic funds transfer services for payments to employees and other entities.

(2) Except as provided in subsection (4) of this section, an employer or other business that has received an income withholding order from the department of social and health services requiring payment to the Washington state support registry must remit payments through electronic funds transfer when the following conditions apply:

(a) The income withholding order applies to a person who is either an employee or contractor of the business, and the employer or business has:

- (i) Ten or more employees; or
- (ii) Ten or more contractors;

(d) The employer or business is required by the department of revenue to file and pay taxes electronically under RCW 82.32.080.

(3) All electronic funds transfer payments must identify the person from whom the payment was withheld, the amount of the payment, the person's identifying number assigned by the division of child support, or the division of child support case number to which the payment is to be applied. If a business, employer, or payroll processor required to remit payments by electronic funds transfer under this section fails to comply with this requirement, the division of child support may issue a notice of noncompliance pursuant to RCW 74.20A.350.

(4) The department may waive the requirement to remit payments electronically for a business, employer, or payroll processor that is unable to comply despite good faith efforts or due to circumstances beyond that entity's reasonable control. Grounds for approving a waiver include, but are not limited to, circumstances in which:

(a) The business, employer, or payroll processor does not have a computer that meets the minimum standards necessary for electronic remittance;

(b) Additional time is needed to program the entity's computer;

(c) The business, employer, or payroll processor does not currently file data electronically with any business or government agency;

(d) Compliance conflicts with the entity's business procedures;

(e) Compliance would cause a financial hardship.

(5) The department has the discretion to terminate a waiver granted under subsection (4) of this section if:

(a) The business or employer has received at least one income withholding order for a person or employee and has failed to withhold or failed to withhold within the time provided in the order at least twice;

(b) The business, employer, or payroll processor has submitted at least one dishonored check; or

(c) The business, employer, or payroll processor continues to incorrectly identify withholdings or makes other errors that affect proper distribution of the support, despite contact and information from the department on how to correct the error.

(6) The department of social and health services has rule-making authority to enact rules in compliance with this section, including, but not limited to:

(a) The necessary conditions required for a business, employer, or payroll processor to electronically remit child support payments to the Washington state support registry;

(b) Options for electronic funds transfers and the process by which one must comply in order to establish such payment arrangements;

(c) Which types of payment meet the definition of electronic funds transfer; and

(d) Reasons for exemption from the requirement to remit funds by electronic funds transfer.

The economic table is presumptive for combined monthly net incomes up to and including twelve thousand dollars. When combined monthly net income exceeds twelve thousand dollars, the court may exceed the presumptive amount of support set for combined monthly net incomes of twelve thousand dollars upon written findings of fact.

**PART IV
SELF-SUPPORT RESERVE**

Sec. 401. RCW 26.19.065 and 2009 c 84 s 2 are each amended to read as follows:

(1) **Limit at forty-five percent of a parent's net income.** Neither parent's child support obligation owed for all his or her biological or legal children may exceed forty-five percent of net income except for good cause shown.

(a) Each child is entitled to a pro rata share of the income available for support, but the court only applies the pro rata share to the children in the case before the court.

(b) Before determining whether to apply the forty-five percent limitation, the court must consider whether it would be unjust to apply the limitation after considering the best interests of the child and the circumstances of each parent. Such circumstances include, but are not limited to, leaving insufficient funds in the custodial parent's household to meet the basic needs of the child, comparative hardship to the affected households, assets or liabilities, and any involuntary limits on either parent's earning capacity including incarceration, disabilities, or incapacity.

(c) Good cause includes, but is not limited to, possession of substantial wealth, children with day care expenses, special medical need, educational need, psychological need, and larger families.

(2) **Presumptive minimum support obligation.** (a) When a parent's monthly net income is below one hundred twenty-five percent of the federal poverty guideline for a one-person family, a support order of not less than fifty dollars per child per month shall be entered unless the obligor parent establishes that it would be unjust to do so in that particular case. The decision whether there is a sufficient basis to deviate below the presumptive minimum payment must take into consideration the best interests of the child and the circumstances of each parent. Such circumstances can include leaving insufficient funds in the custodial parent's household to meet the basic needs of the child, comparative hardship to the affected households, assets or liabilities, and earning capacity.

(b) The basic support obligation of the parent making the transfer payment, excluding health care, day care, and special child-rearing expenses, shall not reduce his or her net income below the self-support reserve of one hundred twenty-five percent of the federal poverty level for a one-person family, except for the presumptive minimum payment of fifty dollars per child per month or when it would be unjust to apply the self-support reserve limitation after considering the best interests of the child and the circumstances of each parent. Such circumstances include, but are not limited to, leaving insufficient funds in the custodial parent's household to meet the basic needs of the child, comparative hardship to the affected households, assets or liabilities, and earning capacity. This section shall not be construed to require monthly substantiation of income.

(3) **Income above twelve thousand dollars.** The economic table is presumptive for combined monthly net incomes up to and including twelve thousand dollars. When combined monthly net income exceeds twelve thousand dollars, the court may exceed the presumptive amount of support set for combined monthly net incomes of twelve thousand dollars upon written findings of fact.

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 6560 with the following amendment(s): 6560-S AMH ELHS H4874.3

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) In accordance with RCW 43.330.700(5)(a), it is the goal of the legislature, that beginning January 1, 2021, any unaccompanied youth discharged from a publicly funded system of care in our state will be discharged into safe and stable housing, and that this policy applies to any judicial proceeding through which the youth has been committed to the publicly funded system of care or in any collateral proceeding that involves the custody of the youth in that system.

(2) The department of children, youth, and families and the office of homeless youth prevention and protection programs must jointly develop a plan to ensure that, by December 31, 2020, no unaccompanied youth is discharged from a publicly funded system of care into homelessness. The plan must specify actions that state agencies will need to take, any necessary statutory and funding legislative action, and the assignment of those specific state agency actions to effectuate all parts of the plan. By December 31, 2019, the department of children, youth, and families must issue the plan to the appropriate committees of the legislature and the governor.

(3) For the purposes of this section, "publicly funded system of care" means the child welfare system, the behavioral health system, the juvenile justice system, and programs administered by the office of homeless youth prevention and protection programs.

Sec. 2. RCW 46.20.117 and 2017 c 122 s 2 are each amended to read as follows:

(b) Proves his or her identity as required by RCW 46.20.035; and

(c) Pays the required fee. Except as provided in subsection (5) of this section, the fee is fifty-four dollars, unless an applicant is:

(i) A recipient of continuing public assistance grants under Title 74 RCW, who is referred in writing by the secretary of social and health services; ~~((or))~~

(ii) Under the age of eighteen and does not have a permanent residence address as determined by the department by rule; or

(iii) An individual who is scheduled to be released from an institution as defined in RCW 13.40.020, a community facility as defined in RCW 72.05.020, or other juvenile rehabilitation facility operated by the department of social and health services or the department of children, youth, and families; or an individual who has been released from such an institution or facility within thirty calendar days before the date of the application.

For those persons under (c)(i) through (iii) of this subsection, the fee must be the actual cost of production of the identicard.

(2)(a) **Design and term.** The identicard must:

(i) Be distinctly designed so that it will not be confused with the official driver's license; and

(ii) Except as provided in subsection (5) of this section, expire on the sixth anniversary of the applicant's birthdate after issuance.

(b) The identicard may include the person's status as a veteran, consistent with RCW 46.20.161(2).

(3) **Renewal.** An application for identicard renewal may be submitted by means of:

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her identicard by mail or by electronic commerce when it last expired.

An identicard may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicard holder.

(4) **Cancellation.** The department may cancel an identicard if the holder of the identicard used the card or allowed others to use the card in violation of RCW 46.20.0921.

(5) **Alternative issuance/renewal/extension.** The department may issue or renew an identicard for a period other than six years, or may extend by mail or electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The fee for an identicard issued or renewed for a period other than six years, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

MOTION

Senator Cleveland moved that the Senate concur in the House amendment(s) to Engrossed Substitute Senate Bill No. 6241.

Senator Cleveland spoke in favor of the motion.

POINT OF ORDER

Senator Rivers: “I believe that the House amendment to ESSB 6241 impermissibly expands the scope and object of ESSB 6241 in violation of Senate Rule 66.”

President Habib: “Senator Rivers, do you have remarks?”

Senator Rivers: “Just briefly Mr. President. I have remarks written down but my chief concern is that no where in the underlying bill is the individual market mentioned at all. So, we are introducing a brand new construct into this bill that is about the school employees benefit board. And that is why I think that it is out of scope. So, I will submit my written comments to you and appreciate your consideration of my concern.”

President Habib: “Are there remarks in response? Senator Hobbs.”

Senator Hobbs: “Yes, Mr. President. Just as when the previous speaker rose to object, I wrote a very carefully crafted argument that tells you why this is inside the scope and object and it is so well written that I think I am just going to submit it to you. So I sent it to Victoria, so she has it right there.”

MOTION

Senator Liias moved that further consideration of Engrossed Substitute Senate Bill No. 6241 be deferred and the bill hold its place on the concurrence calendar.

PERSONAL PRIVILEGE

Senator Baumgartner: “Thank you Madam President. Tomorrow I hope to say some words of goodbye to you guys at 11:00 but tonight I would like to recognize that, in light of the recent Academy Awards where America’s attention turns to the film industry and the finest works of art that appeared in cinema, that today is the twentieth anniversary of America’s finest film of all time, ‘The Big Lebowski.’ And for any of you who have not had the privilege to watch ‘The Big Lebowski,’ you’ve missed out. It actually gets better each and every time that you watch it. Senator Dansel and I frequently, when you thought we were hard at work in the back of the Chamber, solving yet another problem of the, another challenge of the people of the state of Washington, actually we were just in back quoting ‘Big Lebowski’ back and forth to each other. Again, an amazing film, a great work of art, a tremendous number of quotes. I’d always wanted to, one day, work to have a ‘Big Lebowski Day here,’ in addition to Seinfeld and Shakespeare and a number of others. But in any event, in light of that, if there is anything that I vote no on and you stand up and make a great speech I’ll just say, ‘That’s just like your opinion, man.’ That would be funny if you knew ‘Big Lebowski’ quotes. But I just wanted to share that because I think it is important for the people of Washington and I know that we are just trying to chew up a little time here during this amendment. Thank you Madam President for my peculiar and unique comment.”

REPLY BY THE PRESIDENT PRO TEMPORE

President Pro Tempore Keiser: "It was definitely peculiar."

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The health care authority shall convene the University of Washington, Seattle children's hospital, medicaid managed care organizations, organizations connecting families to children's mental health services and providers, health insurance carriers as defined in RCW 48.44.010, and the office of the insurance commissioner to recommend:

(a) An alternative funding model for the partnership access line; and

(b) A strategy to ensure that expanded services for the partnership access line identified in subsection (2) of this section do not duplicate existing requirements for medicaid managed care organizations as required by RCW 74.09.492.

(2) The funding model must identify potential sources to support:

(a) Current partnership access line services for primary care providers;

(b) An expansion of partnership access line services to include consultation services for primary care providers treating depression in pregnant women and new mothers; and

(c) An expansion of partnership access line services to include referrals to children's mental health services and other resources for parents and guardians with concerns related to their child's mental health.

(3) In the development of the alternative funding model, the authority and office of the insurance commissioner must:

(a) Consider a mechanism that determines the annual cost of operating the partnership access line and collects a proportional share of the program cost from each health insurance carrier; and

(6) The health care authority shall enforce requirements in managed care contracts to ensure care coordination and network adequacy issues are addressed in order to remove barriers to access to mental health services identified in the report described in subsection (4) of this section."

REPORT OF THE CONFERENCE COMMITTEE

Second Substitute House Bill No. 1506

March 6, 2018

MR. PRESIDENT:

MR. SPEAKER:

We of your conference committee, to whom was referred Second Substitute House Bill No. 1506, have had the same under consideration and recommend that all previous amendments not be adopted and that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that despite existing equal pay laws, there continues to be a gap in wages and advancement opportunities among workers in Washington, especially women. Income disparities limit the ability of women to provide for their families, leading to higher rates of poverty among women and children. The legislature finds that in order to promote fairness among workers, employees must be compensated equitably. Further, policies that encourage retaliation or discipline towards workers who discuss or inquire about compensation prevent workers from moving forward.

The legislature intends to update the existing Washington state equal pay act, not modified since 1943, to address income disparities, employer discrimination, and retaliation practices, and to reflect the equal status of all workers in Washington state.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Compensation" means discretionary and nondiscretionary wages and benefits provided by an employer to an employee as a result of the employment relationship.

(2) "Department" means the department of labor and industries.

(3) "Director" means the director of the department of labor and industries, or the director's designated representative.

(4) "Employee" means an employee who is employed in the business of the employee's employer whether by way of manual labor or otherwise.

(5) "Employer" means any person, firm, corporation, partnership, business trust, legal representative, or other business entity which engages in any business, industry, profession, or activity in this state and employs one or more employees, and includes the state, any state institution, state agency, political subdivisions of the state, and any municipal corporation or quasi-municipal corporation.

Sec. 3. RCW 49.12.175 and 1943 c 254 s 1 are each amended to read as follows:

~~(1) Any employer in this state, who shall discriminate in any way in the payment of~~

~~wages as between sexes or who shall pay any female a less wage, be it time or piece work, or salary, than is being paid to males)) who discriminates in any way in providing compensation based on gender between similarly employed ((or in any employment formerly performed by males, shall be)) employees of the employer is guilty of a misdemeanor. If any ((female)) employee ((shall)) receives less compensation because of ((being discriminated against)) discrimination on account of ((her sex, and)) gender in violation of this section, ((she shall be)) that employee is entitled to ((recover in a civil action the full amount of compensation that she would have received had she not been discriminated against)) the remedies in sections 7 and 8 of this act. In such action, however, the employer shall be credited with any compensation which has been paid to ((her)) the employee upon account. ((A differential in wages between employees based in good faith on a factor or factors other than sex shall not constitute discrimination within the meaning of RCW 49.12.010 through 49.12.180.))~~

(2) For purposes of this section, employees are similarly employed if the individuals work for the same employer, the performance of the job requires similar skill, effort, and responsibility, and the jobs are performed under similar working conditions. Job titles alone are not determinative of whether employees are similarly employed.

(3)(a) Discrimination within the meaning of this section does not include a differential in compensation based in good faith on a bona fide job-related factor or factors that:

(i) Are consistent with business necessity;

(ii) Are not based on or derived from a gender-based differential; and

(iii) Account for the entire differential. More than one factor may account for the differential.

(b) Such bona fide factors include, but are not limited to:

(i) Education, training, or experience;

(ii) A seniority system;

(iii) A merit system;

(iv) A system that measures earnings by quantity or quality of production; or

(v) A bona fide regional difference in compensation levels.

(c) A differential in compensation based in good faith on a local government ordinance providing for a minimum wage different from state law does not constitute discrimination under this section.

(d) An individual's previous wage or salary history is not a defense under this section.

(e) The employer carries the burden of proof on these defenses.

NEW SECTION. Sec. 4. (1) The legislature finds that equality of opportunity for advancement is key to reducing income disparities based on gender. The legislature further finds that using gender as a factor in advancement contributes to pay inequity.

(2) An employer may not, on the basis of gender, limit or deprive an employee of career advancement opportunities that would otherwise be available.

(3) A differential in career advancement based on a bona fide job-related factor or factors that meet the criteria in RCW 49.12.175(3)(a) (i) through (iii) (as recodified by this act) does not constitute discrimination within the meaning of this section. Such bona fide factors include, but are not limited to, the factors specified in RCW 49.12.175(3)(b) (i) through (iv) (as recodified by this act).

(4)(a) If it is determined that an employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the employee is entitled to

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

the remedies in this section and in section 8 of this act.

(b) Upon complaint by an employee, the director must investigate to determine if there has been compliance with this section and the rules adopted to implement this section. The director, upon complaint, may also initiate an investigation on behalf of one or more employees for a violation of this section and the rules adopted to implement this section. The director may require the testimony of witnesses and production of documents as part of an investigation.

(c) If the director determines that a violation occurred, the director shall attempt to resolve the violation by conference and conciliation.

(d) If no agreement is reached to resolve the violation and the director determines that the employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the director may issue a citation and notice of assessment and order:

(i) The employer to pay to the employee actual damages, statutory damages equal to the actual damages or five thousand dollars, whichever is greater, and interest of one percent per month on all compensation owed;

(ii) The employer to pay to the department the costs of investigation and enforcement; and

(iii) Any other appropriate relief.

(e) In addition to the citation and notice of assessment, if the director determines that the employer committed a pattern of violations of this section as to an employee or committed a violation of this section through application of a formal or informal employer policy or practice, the director may order payment to the department of a civil penalty. The violation as to each affected employee constitutes a separate violation.

(i) For a first violation, the civil penalty may not exceed five hundred dollars.

(ii) For a repeat violation, the civil penalty may not exceed one thousand dollars or ten percent of the damages, whichever is greater.

(f) Section 7 (3), (4), and (5) of this act applies to this section.

NEW SECTION. Sec. 5. (1) An employer may not:

(a) Require nondisclosure by an employee of his or her wages as a condition of employment; or

(b) Require an employee to sign a waiver or other document that prevents the employee from disclosing the amount of the employee's wages.

(2) An employer may not discharge or in any other manner retaliate against an employee for:

(a) Inquiring about, disclosing, comparing, or otherwise discussing the employee's wages or the wages of any other employee;

(b) Asking the employer to provide a reason for the employee's wages or lack of opportunity for advancement; or

(c) Aiding or encouraging an employee to exercise his or her rights under this section.

(3) An employer may prohibit an employee who has access to compensation information of other employees or applicants as part of such employee's essential job functions from disclosing the wages of the other employees or applicants to individuals who do not otherwise have access to such information, unless the disclosure is in response to a complaint or charge, in furtherance of an investigation, or consistent with the employer's legal duty to provide the information and the disclosure is part of the employee's essential job functions. An employee described in this subsection otherwise has the protections of this section, including to disclose the employee's wages without retaliation.

(4) This section does not require an employee to disclose the

employee's compensation.

(5) This section does not permit an employee to violate the requirements in chapter 49.17 RCW and rules adopted under that chapter.

NEW SECTION. Sec. 6. An employer may not retaliate, discharge, or otherwise discriminate against an employee because the employee has filed any complaint, or instituted or caused to be instituted any proceeding under this chapter, or has testified or is about to testify in any such proceeding, or because of the exercise by such employee on behalf of himself or herself or others of any right afforded by this chapter.

NEW SECTION. Sec. 7. (1) Upon complaint by an employee, the director must investigate to determine if there has been compliance with RCW 49.12.175 (as recodified by this act), sections 5 and 6 of this act, and the rules adopted under this chapter. The director, upon complaint, may also initiate an investigation on behalf of one or more employees for a violation of RCW 49.12.175 (as recodified by this act), sections 5 and 6 of this act, and the rules adopted under this chapter. The director may require the testimony of witnesses and production of documents as part of an investigation.

(2) If the director determines that a violation occurred, the director shall attempt to resolve the violation by conference and conciliation.

(a) If no agreement is reached to resolve the violation, the director may issue a citation and notice of assessment and order the employer to pay to the complainant actual damages; statutory damages equal to the actual damages or five thousand dollars, whichever is greater; interest of one percent per month on all compensation owed; payment to the department of the costs of investigation and enforcement; and any other appropriate relief.

(b) In addition to the citation and notice of assessment, the director may order payment to the department of a civil penalty. For purposes of a civil penalty for violation of RCW 49.12.175 (as recodified by this act) and section 6 of this act, the violation as to each affected employee constitutes a separate violation.

(i) For a first violation, the civil penalty may not exceed five hundred dollars.

(ii) For a repeat violation, the civil penalty may not exceed one thousand dollars or ten percent of the damages, whichever is greater.

(3) An appeal from the director's determination may be taken in accordance with chapter 34.05 RCW. An employee who prevails is entitled to costs and reasonable attorneys' fees.

(4) The department must deposit civil penalties paid under this section in the supplemental pension fund established under RCW 51.44.033.

(5) Any wages and interest owed must be calculated from four years from the last violation before the complaint.

NEW SECTION. Sec. 8. (1) Subject to subsection (2) of this section, an employee may bring a civil action against an employer for violation of RCW 49.12.175 (as recodified by this act) and sections 4 through 6 of this act for actual damages; statutory damages equal to the actual damages or five thousand dollars, whichever is greater; interest of one percent per month on all compensation owed; and costs and reasonable attorneys' fees. The court may also order reinstatement and injunctive relief. The employee must bring a civil action within three years of the date of the alleged violation of this chapter regardless of whether the employee pursued an administrative complaint. Filing a civil action under this chapter shall terminate the director's processing of the complaint under section 4 or 7 of this act. Recovery of any wages and interest owed must be calculated from four years from the last violation prior to the date of filing the civil action.

(2) An employee alleging a violation of section 4 of this act is entitled to relief only if the court determines that the employer committed a pattern of violations as to the employee or committed a violation through application of a formal or informal employer policy or practice.

NEW SECTION. Sec. 9. A violation of this chapter occurs when a discriminatory compensation decision or other practice is adopted, when an individual becomes subject to a discriminatory compensation decision or other practice, or when an individual is affected by application of a discriminatory compensation decision or other practice, including each time wages, benefits, or other compensation is paid, resulting in whole or in part from such a decision or other practice.

NEW SECTION. Sec. 10. The department shall include notice of the provisions of this chapter in the next reprinting of employment posters.

NEW SECTION. Sec. 11. The department may adopt rules to implement sections 1 and 4 through 7 of this act and RCW 49.12.175 (as recodified by this act).

NEW SECTION. Sec. 12. RCW 49.12.175 is recodified as a section in chapter 49.--- RCW (the new chapter created in section 13 of this act).

NEW SECTION. Sec. 13. Sections 1, 2, and 4 through 11 of this act constitute a new chapter in Title 49 RCW."

On page 1, line 2 of the title, after "equity;" strike the remainder of the title and insert "amending RCW 49.12.175; adding a new chapter to Title 49 RCW; recodifying RCW 49.12.175; and prescribing penalties."

SECOND SUBSTITUTE HOUSE BILL NO. 1506, as recommended by the Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

RULING BY THE PRESIDENT

President Habib: "As it left the Senate, Engrossed Substitute Senate Bill No. 6241 made a number of changes to the administration of the School Employees Benefits Board (SEBB). Those changes included items clarifying which employees are covered, how charter schools are treated, and standards for premium rates, as well as other administrative clarifications.

The House amendment requires carriers participating in SEBB or the Public Employees Benefits Board (PEBB) to also offer plans in the Washington Health Benefit Exchange in any county where the PEBB or SEBB plan is offered.

The scope of the bill is broadly the administration of SEBB. It does not seek to regulate private market entities, nor does it substantively address matters related to PEBB. Therefore, the amendment is outside the scope of the underlying bill.

No part of the bill has as its object regulating insurance carriers. Further, by tying carriers' participation in SEBB or PEBB to their participation in the individual insurance market, it appears that the amendment's object or purpose is to stabilize the individual insurance market. This is soundly outside the object of the underlying bill.

For these reasons, Senator Rivers point is well taken."

MOTION

Senator Cleveland moved that the Senate refuse to concur in the House amendment(s) to Engrossed Substitute Senate Bill No. 6241 and ask the House to recede therefrom.

The President declared the question before the Senate to be the motion by Senator Cleveland that the Senate refuse to concur in the House amendment(s) to Engrossed Substitute Senate Bill No. 6241 and ask the House to recede therefrom.

The motion by Senator Cleveland carried and the Senate refused to concur in the House amendment(s) to Engrossed Substitute Senate Bill No. 6241 and asked the House to recede therefrom by voice vote.

FIFTY EIGHTH DAY, MARCH 6, 2018

2018 REGULAR SESSION

The motion by Senator Hunt carried and the Senate receded from its position in the Senate amendment(s) to Engrossed Substitute House Bill No. 2406 by voice vote.

MOTION

On motion of Senator Hunt, the rules were suspended and Engrossed Substitute House Bill No. 2406 was returned to second reading for the purposes of amendment.

MOTION

Senator Hunt moved that the following striking amendment no. 928 by Senator Hunt be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to ensure our elections have the utmost confidence of the citizens of the state. In order to ensure the integrity of the elections in Washington, the legislature wants to maximize the security benefits of having locally run, decentralized counting systems in our state, based in thirty-nine different counties. The legislature wants to maximize this locally run benefit by adding options to the auditing process for local elections administrators. Multiple jurisdictions, with multiple options for ensuring election outcomes will increase the transparency, integrity, and trust of our elections process.

Sec. 2. RCW 29A.60.185 and 2005 c 242 s 5 are each amended to read as follows:

(1) Prior to certification of the election as required by RCW 29A.60.190, the county auditor shall conduct an audit of duplicated ballots in accordance with subsection (2) of this section, and an audit using at minimum one of the following methods:

(a) An audit of results of votes cast on the direct recording electronic voting devices, or other in-person ballot marking systems, used in the county if there are races or issues with more than ten votes cast on all direct recording electronic voting devices or other in-person ballot marking systems in the county. This audit must be conducted by randomly selecting by lot up to four percent of the direct recording electronic voting devices or other in-person ballot marking systems, or one direct recording electronic voting device or other in-person ballot marking system, whichever is greater, and, for each device or system, comparing the results recorded electronically with the results recorded on paper. For purposes of this audit, the results recorded on paper must be tabulated as follows: On one-fourth of the devices or systems selected for audit, the paper records must be tabulated manually; on the remaining devices or systems, the paper records may be tabulated by a mechanical device determined by the secretary of state to be capable of accurately reading the votes cast and printed thereon and qualified for use in the state under applicable state and federal laws. Three races or issues, randomly selected by lot, must be audited on each device or system. This audit procedure must be subject to observation by political party representatives if representatives have been appointed and are present at the time of the audit. As used in this subsection, "in-person ballot marking system" or "system" means an in-person ballot marking system that retains or produces an electronic voting record of each vote cast using the system;

(b) A random check of the ballot counting equipment consistent with RCW 29A.60.170(3);

(c) A risk-limiting audit. A "risk-limiting audit" means an audit protocol that makes use of statistical principles and methods and

is designed to limit the risk of certifying an incorrect election outcome. The secretary of state shall:

(i) Set the risk limit. A "risk limit" means the largest statistical probability that an incorrect reported tabulation outcome is not detected in a risk-limiting audit;

(ii) Randomly select for audit at least one statewide contest, and for each county at least one ballot contest other than the selected statewide contest. The county auditor shall randomly select a ballot contest for audit if in any particular election there is no statewide contest; and

(iii) Establish procedures for implementation of risk-limiting audits, including random selection of the audit sample, determination of audit size, and procedures for a comparison risk-limiting audit and ballot polling risk-limiting audit as defined in (c)(iii)(A) and (B) of this subsection.

(A) In a comparison risk-limiting audit, the county auditor compares the voter markings on randomly selected ballots to the ballot-level cast vote record produced by the ballot counting equipment.

(B) In a ballot polling risk-limiting audit, the county auditor of a county using ballot counting equipment that does not produce ballot-level cast vote records reports the voter markings on randomly selected ballots until the prespecified risk limit is met; or

(d) An independent electronic audit of the original ballot counting equipment used in the county. The county auditor may either conduct an audit of all ballots cast, or limit the audit to three precincts or six batches pursuant to procedures adopted under RCW 29A.60.170(3). This audit must be conducted using an independent electronic audit system that is, at minimum:

(i) Approved by the secretary of state;

(ii) Completely independent from all voting systems, including ballot counting equipment, that is used in the county;

(iii) Distributed or manufactured by a vendor different from the vendor that distributed or manufactured the original ballot counting equipment; and

(iv) Capable of demonstrating that it can verify and confirm the accuracy of the original ballot counting equipment's reported results.

(2) Prior to certification of the election, the county auditor must conduct an audit of ballots duplicated under RCW 29A.60.125. The audit of duplicated ballots must involve a comparison of the duplicated ballot to the original ballot. The county canvassing board must establish procedures for the auditing of duplicated ballots.

(3) For each audit method, the secretary of state must adopt procedures for expanding the audit to include additional ballots when an audit results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots, and the method to determine how many additional ballots will be selected. The secretary of state shall adopt procedures to investigate the cause of any discrepancy found during an audit.

(4) The secretary of state must establish rules by January 1, 2019, to implement and administer the auditing methods in this section, including facilitating public observation and reporting requirements.

Sec. 3. RCW 29A.60.170 and 2011 c 10 s 55 are each amended to read as follows:

(1) At least twenty-eight days prior to any special election, general election, or primary, the county auditor shall request from the chair of the county central committee of each major political party a list of individuals who are willing to serve as observers. The county auditor has discretion to also request observers from any campaign or organization. The county auditor may delete

from the lists names of those persons who indicate to the county auditor that they cannot or do not wish to serve as observers, and names of those persons who, in the judgment of the county auditor, lack the ability to properly serve as observers after training has been made available to them by the auditor.

(2) The counting center is under the direction of the county auditor and must be open to observation by one representative from each major political party, if representatives have been appointed by the respective major political parties and these representatives are present while the counting center is operating. The proceedings must be open to the public, but no persons except those employed and authorized by the county auditor may touch any ballot or ballot container or operate a vote tallying system.

(3) A random check of the ballot counting equipment (~~(may)~~) must be conducted upon mutual agreement of the political party observers or at the discretion of the county auditor. The random check procedures must be adopted by the county canvassing board, and consistent with rules adopted under RCW 29A.60.185(4), prior to the processing of ballots. The random check process shall involve a comparison of a manual count or electronic count if an audit under RCW 29A.60.185(1)(d) is conducted to the machine count from the original ballot counting equipment and may involve up to either three precincts or six batches depending on the ballot counting procedures in place in the county. The random check will be limited to one office or issue on the ballots in the precincts or batches that are selected for the check. The selection of the precincts or batches to be checked must be selected according to procedures established by the county canvassing board (~~(and)~~). The random check procedures must include a process, consistent with RCW 29A.60.185(3) and rules adopted under RCW 29A.60.185(4), for expanding the audit to include additional ballots when a random check conducted under this section results in a discrepancy. The procedure must specify under what circumstances a discrepancy will lead to an audit of additional ballots and the method to determine how many additional ballots will be selected. Procedures adopted under RCW 29A.60.185 pertaining to investigations of any discrepancy found during an audit must be followed. The check must be completed no later than forty-eight hours after election day.

(4)(a) By November 1, 2018, the secretary of state shall:

(i) For each county, survey all random check procedures adopted by the county canvassing board under subsection (3) of this section; and

(ii) Evaluate the procedures to identify the best practices and any discrepancies.

(b) By December 15, 2018, the secretary of state shall submit a report, in compliance with RCW 43.01.036, to the appropriate committees of the legislature that provides recommendations, based on the evaluation performed under (a) of this subsection, for adopting best practices and uniform procedures.

Sec. 4. RCW 29A.60.110 and 2013 c 11 s 61 are each amended to read as follows:

(1) Immediately after their tabulation, all ballots counted at a ballot counting center must be sealed in containers that identify the primary or election and be retained for at least sixty days or according to federal law, whichever is longer.

(2) In the presence of major party observers who are available, ballots may be removed from the sealed containers at the elections department and consolidated into one sealed container for storage purposes. The containers may only be opened by the canvassing board as part of the canvass, to conduct recounts, to conduct a random check under RCW 29A.60.170, to conduct an audit under RCW 29A.60.185, or by order of the superior court in a contest or election dispute. If the canvassing board opens a ballot container, it shall make a full record of the additional tabulation

or examination made of the ballots. This record must be added to any other record of the canvassing process in that county.

Sec. 5. RCW 29A.12.005 and 2013 c 11 s 21 are each amended to read as follows:

As used in this chapter, "voting system" means:

(1) The total combination of mechanical, electromechanical, or electronic equipment including, but not limited to, the software, firmware, and documentation required to program, control, and support the equipment, that is used:

- (a) To define ballots;

(c) To maintain records of system errors and defects;

(d) To determine specific system changes to be made to a system after the initial qualification of the system; and

(e) To make available any materials to the voter such as notices, instructions, forms, or paper ballots.

NEW SECTION. Sec. 6. A new section is added to chapter 29A.12 RCW to read as follows:

(1) A manufacturer or distributor of a voting system or component of a voting system that is certified by the secretary of state under RCW 29A.12.020 shall disclose to the secretary of state and attorney general any breach of the security of its system immediately following discovery of the breach if:

(a) The breach has, or is reasonably likely to have, compromised the security, confidentiality, or integrity of an election in any state; or

(b) Personal information of residents in any state was, or is reasonably believed to have been, acquired by an unauthorized person as a result of the breach and the personal information was not secured. For purposes of this subsection, "personal information" has the meaning given in RCW 19.255.010.

(2) Notification under subsection (1) of this section must be made in the most expedient time possible and without unreasonable delay.

NEW SECTION. Sec. 7. A new section is added to chapter 29A.12 RCW to read as follows:

(1) The secretary of state may decertify a voting system or any component of a voting system and withdraw authority for its future use or sale in the state if, at any time after certification, the secretary of state determines that:

If inspection of the ballot reveals a physically damaged ballot or ballot that may be otherwise unreadable or uncountable by the tabulating system, the county auditor may refer the ballot to the county canvassing board or duplicate the ballot if so authorized by the county canvassing board. The voter's original ballot may not be altered. A ballot may be duplicated only if the intent of the voter's marks on the ballot is clear and the electronic voting equipment might not otherwise properly tally the ballot to reflect the intent of the voter. Ballots must be duplicated by teams of two or more people working together. When duplicating ballots, the county auditor shall take the following steps to create and maintain an audit trail of the action taken:

(1) Each original ballot and duplicate ballot must be assigned the same unique control number, with the number being marked upon the face of each ballot, to ensure that each duplicate ballot may be tied back to the original ballot;

PERSONAL PRIVILEGE

Senator Baumgartner: "Thank you Mr. President. I rise to invoke Rule 33."

President Habib: "We don't have them memorized, so we're looking up what Rule 33 is."

Senator Baumgartner: "Well good, a little learning, a little opportunity for everybody."

President Habib: "You rise to a point of personal privilege. Is that right?"

Senator Baumgartner: "I do and may I read from Rule 33 before I begin, Mr. President?"

President Habib: "You may."

Senator Baumgartner: "Well good. 'A question of privilege shall involve only subject matter which affects the particular senator personally and in a manner unique and peculiar to that senator.'"

President Habib: "Please state your point of personal privilege."

Senator Baumgartner: "Thank you Mr. President. I'd like to rise and express my great admiration for the people of this body and the great opportunity it was for me to serve as a Senator amongst you. If I may continue and say a few more things Mr. Senator, or, Mr. President?"

President Habib: "Please proceed."

Senator Baumgartner: “Thank you very much everyone. As I’ve, I think as most of you know, I’ll be doing something a little different next year and just wanted to say a few words of gratitude. I was gonna tell a few stories but I know the, there’s a lot going on here so I might tell one or two but not as many as I might have, but... You know, when I first saw this building from the outside I was in, I think, 8th grade doing Future Problem Solvers, academic competition. And we would drive over to Port Townsend and you would get a real exciting moment when you’re sitting in the back of the long yellow school bus with your friends on this long road trip from eastern Washington and you see the dome as you went by. And that’s what the capitol looked like. And when I first did the job application part of this process I came over here but did not go inside the building. And I figured, ‘Well, if I actually am elected state senator at some point, I’ll go inside the building and they’ll out figure out, well, what might I find while I was in there?’ And then when I finally got the opportunity to come inside this building it was on my honeymoon of all things. My wife and I had gotten married right nearing the middle of our election and, of all the places we wanted to go, we really wanted to go to Yemen because my wife had been there twice and there’s was an island called Socotra off the coast of Yemen that’s kinda like the Galapagos of the Red Sea. And she thinks it’s wonderful and we really wanted to go but because she was an immigrant and we’d gone through the process of getting the fiancée visa she couldn’t actually travel outside of the country for that period. Instead we decided to go down to the Oregon Coast, which I always thought would be a good marketing slogan for them, ‘If you can’t get to Yemen, come to Oregon Coast.’ But, in any event, we were coming down and I got to come inside the building and, I went and looked for the first time, walking around upstairs and I saw all these pictures and I saw one senator, somebody in a Senator’s office. And I was really excited to announce who I was. And I say, ‘Hey I’m Mike Baumgartner, I just won election to the Senate.’ And, to my surprise, it was a Senator who had just lost and was packing boxes and on the way out but we had a nice conversation. And then, I looked at the pictures on the walls of the Senate that hang up above in the hallways and I thought to myself ‘Who are these people? I have no idea who any of these people are.’ And then I’ve always, since I’ve been working here, I’ve thought, ‘Well someday everyone will have no idea who I, or the next senator who comes in while we’re switching boxes, you know, and they’re coming out.’ And that’s a process and that’s how it should work. But when I did finally get the chance to come inside this building I found just something very, very amazing, which is you guys. And the hard work you do for the people of Washington and what you do, the sacrifices you make to serve the people. Certainly, all of us come with different goals and all of us come with different, I think, a similar goal in mind, but a different process to get there. For all how much we fight out here, I can’t tell you how much I respect you. Now I was going to, I think every going away speech should have a little Seinfeld in it. I was thinking about the Festivus and the airing of grievances and feats of strength but I would just like to make a couple suggestions as I head out the door. One of them would be: I have not written a speech down, I’ve written three speeches down in the last eight years but I don’t think being a Senator should be performance art. So I wish you guys would change the rules that you could actually read a speech on the Senate floor. They’re your rules, you ought to change it. You know, if that’s the best way to represent your district, change the rules. You know, not everybody’s as comfortable with public speaking as others. The second thing that I wanted just to really strongly encourage you guys on is: Let be this be the greatest bastion of free speech in the state. You know, this is where the people’s business is supposed to be done. I think it’s okay if you yell and argue sometimes. I

have no doubt that you can move beyond these. Sometimes the only thing that bothers me out here is when people use the rules, I think, to shut down legitimate debate. I once told a story of my father, as a kid, growing up the son of a General Motors factory worker out in Pontiac outside of Detroit and how he liked professional wrestling as a kid. And he once got to go to professional wrestling match on tour and he was really excited. They were in a high school gym and these two wrestlers were in there slugging the heck out of each other. Then eventually, my dad had to go use the bathroom in the gym locker room and those same two wrestlers were in the back room having a beer talking to each other. Of course, that’s not to say anything we do out here is fake. It is not. It is of the highest integrity but I also know that regardless what happens out here you guys will be down in that Senate Dining Room. So it’ll be okay to get mad at each other out here. And then just a final suggestion I have is: Just be so proud of the work that you continue to do. When people talk to me about running for office I tell them that ultimately it’s up to them whether they get to run, and it’s up to the people whether they get to decide, but they should be oh so proud that they have the courage to try. And the story I’ll tell actually involves a palace that both myself and Senator Steve Hobbs have been inside of in Baghdad. When I got to be there it was with General David Patreus right at the start of the Iraq, the offense of the Iraq surge in late May or early June of 2007. And that was when we had reversed strategy in Iraq and decided to put more soldiers in, more Marines in, and more civilians like myself to do whatever the things we do. So Patreus had a bunch of senior military officers together. You know, of all the, I’ve worked with a lot of impressive people in life. The most impressive is Father Mike Schultheis, this Jesuit in Africa but Patreus would be near the top. He got all these senior military officers together and he gave this speech about we’re going to take the fight to Al-Qaeda and Jaysh al-Mahdi and these groups. And it was one of these things, classic general speech. You know, you couldn’t be a four-star general unless you could really rock the room with a speech like that. The words he left to us as he was giving this speech is, he talked about how proud we should be there to be in the battle and be in the fight. And then he got out Teddy Roosevelt’s man in the arena speech that he gave in Paris in 1911. And of course, and he read it to us. And of course that speech, to paraphrase, and I won’t read the whole thing, says ‘it’s not the critic that counts. It’s the man or the woman in the arena that knows the highest of the highs and lowest of the lows that’s covered with blood sweat and tears and is, and that those cowards that critique from the, from the stands will never know the highest of the highs and the lowest of the lows and to be so proud.’ So, to you, be very, very proud. I have a parting gift for all of you. I thought it was really nice that Jim Hargrove gave all of us Bibles when he left. I can’t afford that but what I do have, if you ever came into my office I started, just as a way to save, put something on the wall and to save kind of a documentation of what happened here I started putting newspaper articles and covers of papers and stuff that had significant things, usually involving me, but significant things on the wall. So if you’ve seen that on my wall and so all those frames are coming down now but I’m going to be giving each of you a picture of you with Teddy and that man in the arena speech on there. So I know, in this era of political correctness, maybe there’s somebody out there that doesn’t like Teddy Roosevelt just let me know. I don’t want to cause any embarrassment. I happen to like the guy but, in any event, you’ll get that, that Teddy Roosevelt speech there as well too and my, as a sign of adoration for you. I always also kinda always thought it’d be a nice tradition here if we traded ties like they do in soccer games. You know, at the end of the soccer match you trade shirts. If anybody wants to trade a tie, I’ll give you a tie. Ladies you want a scarf, I’ll get you a scarf. Okay. And

FIFTY NINTH DAY, MARCH 7, 2018

2018 REGULAR SESSION

then just the final thing I'll say, and I apologize for taking so long, but the final thing I'll say is: When I came here I used to think about three young boys that I had met in my life as a reason to be in public service. And the first young boy I met was when I was in Mozambique the year that I spent with the Jesuits getting to do volunteer work and having the time of my life, and there were some street children in downtown Beira in Mozambique that had it very, very tough. I mean it is very tough to be a street kid and to be poor wherever you are in the world. I promise you it is really really tough in Mozambique. And these kids used to, sometimes, when I would go to this chicken restaurant, there was this group of street children that would follow you after you came out of the chicken restaurant hoping they could get your scraps of chicken, like leftover bread or a bone to suck the marrow out of and in there. And it was interesting to be with the Jesuits because there was no social safety net in Mozambique so the church would pick up a lot of the work and a lot of people would just come to our door. But any event, I knew these street kids or had seen them before and one day I had come out of that chicken restaurant, had eaten my food and there was some leftover and I gave it to all these kids, these kids had come, street kids, with nothing, in tattered clothes, no shoes, nothing. And one little kid came behind them. And this was a young man that had no hands and the reason he had no hands was because he was working for a shopkeeper once and he stole from him. So that shopkeeper, to punish him, had tied him up and beat him and left him tied up, cut off the circulation of both his arms so now he was a street kid in Mozambique with no arms. So when that day they came up he was asking me for food and I had already given it out to the other kids that were already very hungry and he looked at me and I thought, 'Good grief.' Then I watched as he turned to one of those other kids and that kid looked at him and started feeding him with bread that I had leftover into his mouth. Now if you're a Catholic, or somebody of a certain particular religious faith you might see some religious symbolism in that act, but even if you're not, you can think about what is our role, at least I do every day here, to serve the poorest of the poor and the neediest of the neediest. And even though we don't have the same views all the time about how to get to helping people like that, I do know that you all keep it in mind. It's one thing that gives me great assurance as I leave here. The second young man I just talk about real very briefly is a young man I met when I was in Iraq. The single worst thing I ever saw, or knew about, when I was in Iraq was one day Al-Qaeda put two, put bombs on two mentally ill ladies, or mentally handicapped, special needs ladies and sent them in to kids market and popped off the bombs and killed a bunch of kids in a pet market on a Friday. I mean, if that's not evil, I don't know what is. But there was a young man that was there who kind of got blown sideways and had a lot of problems with his intestines but there was a great American civilian State Department officer named Dan Bisby, that I was friends with who, the, her, his, the boy's aunt called Dan because she was an Iraqi government official. Dan got her into the special American hospital and they saved that kid's life. So a couple months later Dan invited me to be there when the kid came in on crutches to thank the doctors that saved his life and he broke into tears saying, 'Thank you America, thank you America, thank you America.' and holding up an American flag. And I think about what our country represents and what we represent here as part of that process and it is so special and there is no doubt, while we did not get everything correct, that it is on the side of the good guys. So I think that a lot as well too as I leave here that you guys will carry on that tradition. And the final little boy, of course, that I used to think about when I did this process was my first son, ... Conrad. So when I came here and we were giving out our freshman gifts

on the Senate floor, I gave you guys bottles of wine. And then my wife was pregnant at the time ... and I gave you guys little lumps of coal cause I said I wanted to be home before ... my wife was due in June, and I wanted to be home ... before he ... she gave birth, thank you. And so, since that process and holding Conrad, ... you know I thought about what future he was going to inherit and I very much ... appreciate the kindness that ... you guys have shown my family this year. ... Thank you very much for allowing me to serve with you."

The senate rose and recognized Senator Baumgartner for his service to the senate, the people of the 6th Legislative District and the state of Washington.

PERSONAL PRIVILEGE

Senator Billig: "Thank you Mr. President. And I would like to take a moment to thank my friend from the Sixth District for his friendship and for his partnership on so many things we've worked together on for Spokane and for, really, the whole state. He was such a, and is such a champion for the medical school in, in Spokane that is gonna make such a positive impact not only on the health care delivery for Eastern Washington, our whole state, but also for the economic development in, in, in our state. He was also such a leader in the transportation package and I, one of the things that I really appreciate about Senator Baumgartner is his political courage. That he will do what is right above what somebody tells him he's supposed to do or what some conventional wisdom of what somebody might need to do in his position. And he sees something that's right and then shows leadership and we don't always agree on what he thinks is right, in fact we often disagree. But he does have political courage and he is a person of extreme principle. So I appreciate that partnership and working together on behalf of Spokane but I also have really appreciated the friendship, hearing his stories. I walked by, we were, there was a high school class from Spokane here and he was speaking with them, this is just last week, and I came in right after him. I walk in and this is what I hear, 'Lo and behold, I was then working for the crown prince of Bahrain.' That was just a perfect Senator Baumgartner line to hear. Like, if I was imitating Senator Baumgartner, that's the line I would have used. And he was using it when I walked in! But he has great stories, which I always appreciate. And then the other thing is we live in the same neighborhood so we see each other in Spokane. And so I very much appreciate his beautiful family and I've enjoyed getting to know them. I look forward, you used the Seinfeld reference to the, with Festivus, and so I look forward to us gathering around the Festivus pole together with our families and continuing our friendship even if you have moved on from the State Senate. Thank you."

PERSONAL PRIVILEGE

Senator Schoesler: "Well thank you Mr. President. When I had my first meeting with then prospective-Senator Baumgartner at a landmark hotel in downtown Spokane little did I know that the 9th District was getting a second senator because, for many years, his mother had hollered at me at the Johnson parade every year, 'All day kindergarten. All day kindergarten!' I'm glad we passed that just to get his mother off my case. And finding out his dad had a lot of interests I share, pillars of the community, that when his old town of Colton and Pullman needed a friend, Michael Baumgartner remembered where he came from. We shared that deep, personal friendship with the late Dr. Elson Floyd. We, think we both thought we were both Elson's best friend because everybody wanted to be Elson Floyd's best friend.

And I think the single most unselfish act I've seen in recent years was when Michael Baumgartner said, 'You know, it's okay if Marcus Riccelli's bill is the vehicle that starts the medical school. I don't have to have my name on it, I want that medical school.' That unselfish act in the Spokane community for our friend, the late Dr. Floyd, was an act of character that I can admire as a member of this institution. So, I wish Michael the best in the future. I look forward to getting my Spokane County property tax statement from him and hopefully it's not going up too fast. Thank you."

PERSONAL PRIVILEGE

Senator Keiser: "Thank you. It has been such an experience to serve as the ranking member, first couple of years, with Senator Baumgartner and then to sort of switch roles in the committee. I want to say one of the reasons we have developed such a rapport is because Senator Baumgartner has an open mind. He is willing to listen to new ideas. He's willing to, as he, as he mentioned, have hearings on bills he knew he didn't support and he knew his caucus wouldn't support but he was willing to discuss the issues. Bring them forward. Hear people out. And that kind of open mind is so important because that's how we learn things. And one of the best things about this job we have is we learn a new thing or two every day. It's been a pleasure to serve with you Michael. It's been a pleasure to work with you. And, even though we are diametrically opposed on some issues, I respect you and I know you respect me. Thank you."

PERSONAL PRIVILEGE

Senator Becker: "Thank you Mr. President. Well, it's been an honor to meet Senator Baumgartner and I'm gonna say this from the bottom of my heart, I really have enjoyed working with you for these years. I remember when Senator Baumgartner got onto the Health Care Committee, Mr. President, and we'd see him once in a while but not all the time and it was mainly for the, for the Washington State University Medical Center. But then he started coming a lot more. And just this year he said to me he didn't realize how hard it was on the medical committee and all of the issues that we have to face and I'm saying medical but it's healthcare, but to learn that he also thought it was hard when I think that Senator Baumgartner's probably one of the smartest people down here. I will tell you he lets you know it in a lot of different ways every day as well. And if you think he's kind of a smart aleck out here I can tell you he's really kind of a smart aleck, and I'm cleaning up my words, in caucus. But it's made caucus fun, and it's made caucus, I think what I like about him in caucus is that he'll bring up something that we'll never think of I mean, he'll always have a different view point and he shares it. But I also remember from the, from, when his wife was pregnant the first time and we threw a baby shower for her and she said they didn't do baby showers in England and it was really a new experience for her and how excited Michael Baumgartner's been with the birth of each and every one of his children and just watching him go through his role in parenthood. But watching him mature and, and grow in this role, I'm gonna miss him. I'm gonna miss him terribly. So I guess I'm gonna have to do more trips over to Spokane. They, good shopping over there, but it would be so much fun to go over and see you, but in caucus I don't think it's gonna be the same and, Mr. President, he will be sorely missed. Thank you."

PERSONAL PRIVILEGE

Senator Hobbs: "Well, course I've gotta say goodbye to my good friend, Michael Baumgartner. You've been a very good friend even when you first came here in 2010 I know Hatfield and I did a little thing on you and all the 2010 freshmen that came in here, I think it was The Spice, 'Spice Boys.' I can't remember which Spice you were but I know one Senator that's no longer here was 'Old Spice.' I remember that. I, there's a lot of things I'm gonna miss about you. There's a lot of things I'm gonna miss about you cause, as you heard before, you do compromise. You are willing to negotiate. Now, you have to get through all of the Molotov cocktails and the anger tweets and all that, but once you get through all that, he is willing to compromise. He's done that on several occasions and I learned my lesson when Hatfield and I were trying to stop a bill, I think it was an environmental bill, actually, and out of the blue we did not count on Michael Baumgartner's vote for said bill and it went through so we've learned our lesson on that one but it did show you that he is willing to compromise on many issues. One thing that I really admire about him is his ties to his community. Now, before I say this I want you to know that this is totally by accident but I, I actually went to a Michael Baumgartner fundraiser. Again, this side of the aisle, it was an accident. There was a convention in Spokane and I happened to, I wanted to get dinner, and I went to this restaurant and there was a Michael Baumgartner fundraiser and it was amazing how many people in the different community, all around the community was there, Republican and Democrat, who was there supporting Michael Baumgartner. So, I had to admire that, but at the same time, being a good Democrat, I did eat his food and not leave a check. So I felt really good about that. What I love about Michael is his, his empathy. I know sometimes you may not think that because of some of the tweets, especially the one yesterday that was a good one. You know, when I, I've, there have been a couple of times I've been down and he came up to me and he said some really nice words and checked up on me a couple times and I really appreciate that, Michael, for being there. Now of course, in the course of this, at the end you go, you know, and if you haven't seen 'The Matrix' you probably won't understand this but there's a, there's a scene where Neo's offered the red pill or the blue pill. Right? So he's saying all you gotta do Steve is take the red pill, things will be better. I must admit, there were times when I picked up that red pill and looked at it but I set it back down. I put it back down. So, I'm, I'm gonna miss a lot about you. Let me, let me just go through the things that I won't miss so let's go through the bad stuff first. I won't miss your Molotov cocktails. I won't miss that. I won't miss your, I'm assuming you're gonna wear it tomorrow but you have this Sine Die suit I think you're gonna wear. It's, it's horrible. I don't know why you wanna embarrass yourself by that and, just a warning, I plan to take a picture of that and sending it to your opponent if you're running for county treasurer. It's a horrible suit, don't do it. I won't miss your roll calls. That's, that sucks when he does that, but at the same time, when he does it, which I get great enjoyment out of, is when Senator Fain is like, just has this exasperated look is like 'We didn't plan that.' So I, I do kind of enjoy that part. I, I am, the things I won't, or, I will miss about you, again, is your ability to compromise. You're, man, you're just such a strong family man. I really admire that about you. How much you care about your family and there were times where you just, you know, that, that's, that, for you, that's number one. And I think it's probably guided you in your decision of leaving this place, leaving this minimum security prison. I'm glad somebody's escaped. And, of course, just the friendship. I think we've developed a very strong friendship over the course of these years and I hope we can maintain that when you, when you leave. So, again, I wish you well, good luck. But don't, don't stop tweeting, those are very entertaining."

FIFTY NINTH DAY, MARCH 7, 2018

2018 REGULAR SESSION

PERSONAL PRIVILEGE

Senator Braun: “Thank you Mr. President. So I want to rise and briefly say a few words about my friend Michael Baumgartner, most of which has been said and I’ll be relatively brief, but I think it’s important. I mean, Mike has been wonderful to work with in many ways, more wonderful maybe on this side of the aisle, I don’t know, but he’s, it’s really been inspirational to me. I mean, he’s an eloquent speaker as we heard earlier, he’s an entertaining speaker, as we’ve heard often. I’m not being a person gifted with story-telling ability. I’ve always marveled at his story telling ability and thoroughly enjoyed it. I greatly appreciate and I’ll greatly miss that. He’s also been very insightful. Folks don’t often realize this but he thinks hard about things and really thinks about them in an open way. And, and this is a, and as example, he promotes ideas and sometimes those ideas turn into bills. Sometimes they’re bills for him, sometimes they’re bills for others, frankly, on either side of the aisle. I’ll use higher ed as an example. Michael was among the very first to promote the idea of reducing college tuition and focusing on higher ed. Folks hadn’t thought about that and what it would do. What it would mean to the average citizen of the State of Washington. And he promoted that idea and he did it in the form of a bill but, more importantly, he promoted it in a, in a thoughtful, articulate way that connected. And I think we can all agree, I hope we can all agree, that it truly connected with the citizens of the State of Washington and for me, that’s a reminder that ideas matter. That thinking through things and applying our principles to the problems we face today matters and nobody did it better than Michael. So the next thing I wanted to mention, and he’s talked about this, he is a very, clearly, a, a family man. His kids, we both have four kids. I, his, he’s about fifteen years behind, but every time he talks of his kids it’s so obvious the pure pleasure he gets out of his family. The love of his family. And I remember when our kids, my wife and I, our kids were that age and how at the time sometimes it seemed pleasurable. Now it seems like it was all pleasurable, frankly, it seemed like a wonderful time. But it helps, you know it’s just inspiring that, that, it’s very much a point of connection to, to live through that period, lots of kids running around the house and all the chaos and pure enjoyment that brings and every time I talk to Michael about his family I come away happier, let’s just put it that way. And then finally, Michael was a man of principles and this is probably the thing I admire more than anything else, and it’s not principles and it’s not ideological. As we said before, he’s willing to think about, has been willing to think about, ideas and how we might solve hard problems we all face. Knowing his principles, grounded in those principles, but open to how do we get to solving the problem and I think, but, also rooted in not be willing to deviate from those principles as we solve that problem and for me that’s been especially important. I tend to be a bit pragmatic, I want to solve the problem and ‘Uncle Freedom’ back there has always pulled me back to principles and say, ‘Yeah we want to solve the problem but we wanna do it based on our principles, we wanna do it the way we can be proud of it long-term.’ And I really, really appreciate so Michael thank you very much for your service to this body, to our state, to our constituents. It’s been a very much a pleasure to serve with you and best of luck as the next treasurer for the Spokane County. Thank you.”

PERSONAL PRIVILEGE

Senator Hasegawa: “Excuse me. So, yeah I had the privilege, I guess you could call it, to serve as ranking member in Commerce

and Labor back in the day to Senator Baumgartner when he was chairing it and I went in with somewhat mixed feelings into that job but as we got a chance to work through a lot of the issues and confront some of the problems, you know, there’s probably no one on the other side of the aisle that’s more diametrically, philosophically different than myself but we always found ways to work together on issues and I actually consider Senator Baumgartner an ally on many different things like on, as Senator Braun mentioned, higher ed stuff and lowering tuition that you worked on and racial justice stuff. A very principled man on racial justice. So I appreciate having that opportunity to work with you but I just wanted to remind you all, especially your thoughtful consideration of moving the state bank bill out of Financial Institutions Committee. The one person that I knew had given it good consideration that, so I just want to remind you that the person you’re replacing as Spokane County Treasurer is a very strong supporter of a publicly-owned state bank so you should take lessons from him when you go over there and get some tutoring. Good luck though, it was really a pleasure to get to know you. You’re a, you’re a good friend. Thank you Michael.”

PERSONAL PRIVILEGE

Senator Bailey: “Thank you very much. Really, many things have already been said about Senator Baumgartner and I won’t try to repeat those other than just echo my agreement. A man of principle, very tenacious. When he decides he wants something, I, I, don’t get in his way. He’s going to work everything he can to make it happen. My first experience here with Senator Baumgartner was as Chair of Higher Education and I had never even served in Higher Education Committee in the House in the ten years I was in the House. Senator Baumgartner was not only just a true friend during that transition but also someone that I learned to really respect in his thought processes of the things that were going on. I don’t know if he remembers it but the words, ‘medical school,’ kept coming out constantly and I really wasn’t sure exactly what it was that he was wanting but every sentence ended in, ‘Spokane medical school.’ And so it was really kind of fun to see how he promoted certain things that he needed and wanted for his constituents. The, the one thing that I really ought, actually began to also appreciate was his tenaciousness around being very supportive of me in that position knowing that it was brand new for me and I will be eternally grateful for that. But he has one of the best sense of humors that I have ever come across. I, I, I could tell you right now, he could dream up things that no one else would think about and then whisper that in your ear when you’re trying to be prepared to do a speech in committee and, just, it’s all I could do to just stay focused on some of the things I needed to think about. I don’t know if you remember that, but it, I will truly miss him. He’s a man of faith, he’s a man of principle, and he will leave a big hole in this body and we will miss him.”

PERSONAL PRIVILEGE

Senator Brown: “Thank you Mr. President. It has been an honor and a privilege to serve with Senator Hollywood, oh, I mean Baumgartner. Between the ascots and the bow ties, the Molotov cocktails, and the heartfelt speeches, you have taught every single one of us so very much and it has been truly an honor.”

PERSONAL PRIVILEGE

Senator Frockt: “Thank you Mr. President. Well, a lots been said and I won’t repeat all of it, but I just want to say to my friend

Mike Baumgartner, and I consider him a personal friend. People, I tell people back in my district, you know, they'll say, 'You know, I heard Baumgartner on the radio. He's crazy.' And I say, 'Well, yeah but, but, but he, he, he's actually an interesting thinker and you can talk to him.' I'd say, you know, we've worked together on a lot of things and I consider him a personal friend and I do. My first, I guess, consciousness of the force that is Mike Baumgartner was at the end of the twelfth, the infamous, or famous ninth order in 2012, depending on your perspective, where Mike stood up and said at the end of that very contentious debate, 'We won, you lost. Deal with it.' And I remember thinking, everybody was very upset and emotional, and I remember thinking to myself you know, I actually enjoyed this debate. I wasn't really happy with the outcome but I actually enjoyed it because I actually felt we were debating real issues and real differences and real policies. And I've always enjoyed that and I thought, you know what? That's what happens, so sometimes that's the way it goes: We won, you lost, and you have to deal with it and maybe that'll happen later today, I don't know, but, he said quietly. I, I want, I wanted to say, you know I appreciate your free thinking, your open mindedness, I think your leadership on 'ban the box' was really, really important on that issue. I think that your leadership on higher education, I've used your line quite a lot, when you said, 'Higher education around here is everyone's third priority and we need to make it the first priority.' I think that your leadership and those of Senator Braun and others, you know we talked about it but there was some good work that was done on the other side and then you worked with us to come up with a policy that worked and I was really appreciative of that. But your leadership on higher ed has been great. And I'd say lastly I just wanna say I'm really happy that we've always agreed on the role of the Supreme Court and education funding and I know that, I know that deep in your heart you knew that I was right on the Supreme Court's role in education funding and what we had to, had to get done but I'm gonna miss working with you. I hope you'll stay in touch. I hope you'll come see me in Seattle and we can go buy some very expensive ice cream and tomorrow night I will trade ties with you, if you want to do that. Thanks."

PERSONAL PRIVILEGE

Senator Angel: "Well I'm gonna make it short and sweet. You are a rock star and we're gonna miss the heck out of you. Love you."

PERSONAL PRIVILEGE

Senator Hunt: "Well we've had a lot of good things said about Senator Baumgartner but there's one thing that we have not heard of and that's the fact that Senator Baumgartner is a great WSU Cougar and it's been a pleasure working with him and talking Cougar football and Cougar sports and there have been several times where he said, 'You know there's this WSU event in Seattle tonight, lets sneak out and go to that and they'll never miss us.' Well we never quite did that but it's been a real pleasure working with you on that as a Cougar fan and also serving with you and being your next door neighbor up on the fourth floor so best of luck to you."

PERSONAL PRIVILEGE

Senator Ericksen: "Why thank you Mr. President, just rising to talk about Senator Baumgartner for a second because with Senator Baumgartner, it's always about the story and when you went into his office you saw that because he spoke of it earlier, he

had all those newspaper stories and all the cut outs of himself that he had all over his wall, that when you walked in there you were basically faced with a wall of pictures of Mike Baumgartner of different stories, you know, from his life. And we hear it on the floor also, the stories about his time serving our country whether it's overseas, serving people in the Catholic Church so it's about the story. And it's an amazing thing and that's something we can take to ourselves I think on the floor here today is we hear the stories from both Republicans and Democrats of how Mike has touched their lives over his course of eight years in such a special way. I think we're just, it's an interesting thing is we're all cogs in the machine. We come here and we do our time but really I think for Mike Baumgartner to go from being you know, in Iraq, being in Mozambique, being in all over the world, coming back to Spokane then becoming a Senator. When you just think about that for a second. How does that story happen? The guy didn't even live in the district when he ran for election and he got elected in Spokane. But this is another, another one of the stories as you look at what happened with Mike so I think we're just privileged for the past eight years that we have been able to be a part of that story also in his life and he shared it with us so I think that's something for us to take to heart also as we go on. It's about living the story and living in a positive way and how it impacts your life but to have that opportunity to be able to go out and do the next best thing which I think has always been Mike's philosophy. What's the next cool story I can have in my life with my family? And we just wish you the best and hope you can keep on creating those amazing stories and we'll read about them and I'm sure when we visit your office wherever it ends up being next we will see plenty of pictures of you that tell the story."

REMARKS BY THE PRESIDENT

President Habib: "Thank you all for these wonderful points and I just wanted to add one thing. There is a, cause Senator Baumgartner's grasp of my ancestral language, Persian Farsi is I think better than mine of German which, I'm guessing, is Senator Baumgartner's but I will say I imagine in German there is a word that captures the feeling of a presiding officer when Senator Baumgartner wants to be recognized to speak. And that word, I think only German would have this, would have a word for this. It's a mixture of the anticipation of frustration and the anticipation of amusement at the same time because I never knew, I've never known, whether it's being tweeted at by him, like I was last night, or whether he was gonna call me on a rule without telling me what the content of the rule was, like today, or Kafka quotes, et cetera, what it would be but it would always be interesting and very peculiar feeling in the pit of the stomach of anyone who's ever been a presiding officer. But I will ask all the Senators to just close this moment of recognition, we'll have others in the future, by joining me in thanking Senator Baumgartner for his years of service here in the State Senate."

The senate again rose and recognized Senator Baumgartner for his service.

~~((11))~~ (12) The direct cost of foreclosure and sale of real property, and the direct fees and costs of distraint and sale of personal property, for delinquent taxes, must, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and must be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint, and sale because of delinquent taxes without regard to budget limitations and not subject to indirect costs of other charges.

~~((12))~~ (13)(a) For purposes of this chapter, and in accordance with this section and RCW 36.29.190, the treasurer may collect taxes, assessments, fees, rates, interest, and charges by electronic

billing and payment. Electronic billing and payment may be used as an option by the taxpayer, but the treasurer may not require the use of electronic billing and payment. Electronic bill presentment and payment may be on a monthly or other periodic basis as the treasurer deems proper for delinquent tax year payments only or for prepayments of current tax. All prepayments must be paid in full by the due date specified in (c) of this subsection. Payments on past due taxes must include collection of the oldest delinquent year, which includes interest and taxes within a twelve-month period, prior to filing a certificate of delinquency under chapter 84.64 RCW or distraint pursuant to RCW 84.56.070.

(b) The treasurer may provide, by electronic means or otherwise, a payment agreement that provides for payment of current year taxes, inclusive of prepayment collection charges. The treasurer may provide, by electronic means or otherwise, a payment agreement for payment of past due delinquencies, which must also require current year taxes to be paid timely. The payment agreement must be signed by the taxpayer and treasurer prior to the sending of an electronic or alternative bill, which includes a payment plan for current year taxes. The treasurer may accept partial payment of current and delinquent taxes including interest and penalties using electronic bill presentment and payments.

(c) All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and, except as otherwise provided in this section, are delinquent after that date. ~~((The))~~ Except as provided in subsection (5) of this section, any remainder of the tax is due and payable on or before the following thirty-first of October and is delinquent after that date. All other assessments, fees, rates, and charges are delinquent after the due date.

(d) A county treasurer may authorize payment of past due property taxes, penalties, and interest under this chapter by electronic funds transfers on a monthly basis. Delinquent taxes are subject to interest and penalties, as provided in subsection ~~((5))~~ (6) of this section.

(e) The treasurer must pay any collection costs, investment earnings, or both on past due payments or prepayments to the credit of a county treasurer service fund account to be created and used only for the payment of expenses incurred by the treasurer, without limitation, in administering the system for collecting prepayments.

~~((13))~~ (14) In addition to the payment program in subsection ~~((12))~~ (13)(b) of this section, the treasurer may accept partial payment of current and delinquent taxes including interest and penalties by any means authorized.

~~((14) For purposes of this section unless the context clearly requires otherwise, the following definitions apply:))~~ (15) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Electronic billing and payment" means statements, invoices, or bills that are created, delivered, and paid using the internet. The term includes an automatic electronic payment from a person's checking account, debit account, or credit card.

(b) "Internet" has the same meaning as provided in RCW 19.270.010.

(c) "Remainder of the tax" means the remaining tax due after at least one-half of the tax due for the year is paid by April 30th of the year in which the taxes are due, or after at least one-half of the tax due for the year plus applicable penalties and interest is paid after April 30th but before October 31st of the year in which the tax is due.

Sec. 3. RCW 36.35.110 and 2013 c 221 s 2 are each amended to read as follows:

(1) No claims are allowed against the county from any municipality, school district, road district or other taxing district for taxes levied on property acquired by the county by tax deed under the provisions of this chapter, but all taxes must at the time of deeding the property be thereby canceled. However, the proceeds of any sale of any property acquired by the county by tax deed must first be applied to reimburse the county for the costs of foreclosure and sale. The remainder of the proceeds, if any, must be applied to pay any amounts deferred under chapter 84.37 or 84.38 RCW on the property, including accrued interest, and outstanding at the time the county acquired the property by tax deed. The remainder of the proceeds, if any, must be justly apportioned to the various funds existing at the date of the sale, in the territory in which such property is located, according to the tax levies of the year last in process of collection.

(2) For purposes of this section, "costs of foreclosure and sale" means those costs of foreclosing on the property that, when collected, are subject to RCW 84.56.020~~((9))~~ (12), and the direct costs incurred by the county in selling the property.

NEW SECTION. Sec. 4. Section 1 of this act applies both prospectively and retroactively to January 1, 2018. However, this act does not authorize refunds of state property taxes levied for collection in 2018 and validly collected before the effective date of this section.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

MOTION

Senator Braun moved that the following amendment no. 942 by Senator Braun be adopted:

Beginning on page 1, line 3 of the amendment, strike all material through "schools." on page 2, line 22 and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 84.56 RCW to read as follows:

(1)(a) There is provided a total reduction in state property tax collections of four hundred thirty-one million dollars for taxes payable after September 15, 2018, through December 31, 2019. This reduction is provided solely through a voucher program as provided under this section. By September 15, 2018, the department must make a voucher available for each currently taxable real and personal property parcel in the state in a form and manner as determined by the department in its sole discretion.

(b) An additional reduction in state property tax collections must be provided equal to the amount by which the June 2018 economic and revenue forecast exceeds the February 2018 economic and revenue forecast for revenues deposited into the state general fund, education legacy trust account, and Washington opportunity pathways account for the 2017-2019 and 2019-2021 biennia. The additional reduction under this subsection (1)(b) is limited to an amount that does not cause the total reduction under this subsection (1) to exceed one billion dollars.

(2) The department must determine the voucher amount for each taxable real and personal property parcel in a manner that equitably distributes the four hundred thirty-one million dollar reduction. To that end, each voucher must be issued for an amount equal to the parcel's equalized value divided by the total equalized value statewide, multiplied by four hundred thirty-one million dollars.

(3) No later than April 15, 2018, each county assessor must provide the following information about each taxable parcel in the assessor's county to the department electronically in a form and manner as prescribed by the department:

- (a) Parcel number;
- (b) Owner's name and mailing address;
- (c) Name and mailing address of the person of record who pays the property taxes on the parcel, if that person is not the owner of the property;
- (d) Type of property, either real or personal;
- (e) Taxable value, as of April 1, 2018, for either or both of the state levies under RCW 84.52.065 as specified by the department; and
- (f) Any additional information requested by the department by March 15, 2018, for use in administering this section.

(4)(a) Vouchers may only be redeemed beginning September 15, 2018, through June 30, 2019, for taxes levied on taxable property for collection in 2018 or 2019. Vouchers cannot be redeemed against taxes paid before the effective date of this section.

(b) Vouchers expire July 1, 2019, and may not be used to prepay property taxes due after June 30, 2019. There are no refunds for unused vouchers.

(c)(i) Except as otherwise provided in this subsection (4)(c), vouchers may only be redeemed against the taxes levied on the parcel for which the voucher was issued.

(ii) The department may, at its sole discretion, authorize vouchers to be redeemed against taxes levied on a different parcel of real property as the parcel for which the voucher was issued in cases where the parcel for which the voucher was issued no longer exists after April 1, 2018, due to the segregation or aggregation of real property parcels. The department must advise county assessors and treasurers and issue public guidance on its web site concerning the department's decision whether to authorize vouchers to be redeemed against taxes levied on a different parcel of real property as the parcel for which the voucher was issued as authorized under this subsection (4)(c).

(d) Vouchers are transferable to a new owner of the parcel for which the voucher was issued. The department may prescribe the manner that vouchers may be transferred. The county treasurer may refuse to accept a voucher that has been transferred in a manner not consistent with the manner prescribed by the department.

(5) Vouchers may be redeemed only by submitting them to the appropriate county treasurer for payment of taxes as indicated by the person redeeming the voucher.

(6) If a voucher is lost or destroyed, a qualified person may redeem the unused amount of the lost or destroyed voucher in accordance with this section by making a request to the county treasurer. A qualified person attempting to redeem a lost or destroyed voucher for a taxable parcel must provide proof satisfactory to the county treasurer that the person is a qualified person. The department must provide assistance to the county treasurer by verifying the amount that the lost or destroyed voucher was issued for.

(7) The county treasurer must apply redeemed vouchers as payment against the state taxes levied under RCW 84.52.065(2). However, the county treasurer may apply redeemed vouchers as payment against local property taxes if the county treasurer cannot feasibly apply vouchers as payment only to the state taxes levied under RCW 84.52.065(2). In such cases, the county treasurer must use collections of state property taxes levied under RCW 84.52.065(2) and not yet distributed to the state to reimburse local taxing districts for the amount of their taxes paid with vouchers redeemed in accordance with this section.

(8) By March 1, 2019, and March 1, 2020, or such other dates as may be required by the department, each county treasurer must report to the department information requested by the department concerning redeemed vouchers.

(9) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Equalized value" means the assessed value as of January 1, 2017, as provided by county assessors on April 1, 2018, divided by the real and personal property ratio for that county for property taxes levied for collection in 2018.

(b) "Qualified person" means the owner of record of the property for which a lost or destroyed voucher was issued or the person who pays the taxes on that property as indicated in the records of the county treasurer, if not the owner of record.

Sec. 2. RCW 84.69.020 and 2017 3rd sp.s. c 13 s 310 are each amended to read as follows:

On the order of the county treasurer, ad valorem taxes paid before or after delinquency must be refunded if they were:

- (1) Paid more than once;
- (2) Paid as a result of manifest error in description;
- (3) Paid as a result of a clerical error in extending the tax rolls;
- (4) Paid as a result of other clerical errors in listing property;
- (5) Paid with respect to improvements which did not exist on assessment date;
- (6) Paid under levies or statutes adjudicated to be illegal or unconstitutional;

(7) Paid as a result of mistake, inadvertence, or lack of knowledge by any person exempted from paying real property taxes or a portion thereof pursuant to RCW 84.36.381 through 84.36.389, as now or hereafter amended;

(8) Paid as a result of mistake, inadvertence, or lack of knowledge by either a public official or employee or by any person with respect to real property in which the person paying the same has no legal interest;

(9) Paid on the basis of an assessed valuation which was appealed to the county board of equalization and ordered reduced by the board;

(10) Paid on the basis of an assessed valuation which was appealed to the state board of tax appeals and ordered reduced by the board: PROVIDED, That the amount refunded under subsections (9) and (10) of this section (~~shall~~) may only be for the difference between the tax paid on the basis of the appealed valuation and the tax payable on the valuation adjusted in accordance with the board's order;

(11) Paid as a state property tax levied upon property, the assessed value of which has been established by the state board of tax appeals for the year of such levy: PROVIDED, HOWEVER, That the amount refunded (~~shall~~) may only be for the difference between the state property tax paid and the amount of state property tax which would, when added to all other property taxes within the one percent limitation of Article VII, section 2 of the state Constitution equal one percent of the assessed value established by the board;

(12) Paid on the basis of an assessed valuation which was adjudicated to be unlawful or excessive: PROVIDED, That the amount refunded shall be for the difference between the amount of tax which was paid on the basis of the valuation adjudged unlawful or excessive and the amount of tax payable on the basis of the assessed valuation determined as a result of the proceeding;

(13) Paid on property acquired under RCW 84.60.050, and canceled under RCW 84.60.050(2);

(14) Paid on the basis of an assessed valuation that was reduced under RCW 84.48.065;

(15) Paid on the basis of an assessed valuation that was reduced under RCW 84.40.039; (~~or~~)

(16) Abated under RCW 84.70.010; or

(17) Paid in excess of the amount of taxes properly due at the time of the excess payment, including amounts paid in excess of taxes properly due at the time of the excess payment as a result of the proper use of a voucher as authorized under section 1 of this act.

No refunds under the provisions of this section shall be made because of any error in determining the valuation of property, except as authorized in subsections (9), (10), (11), and (12) of this section nor may any refunds be made if a bona fide purchaser has acquired rights that would preclude the assessment and collection of the refunded tax from the property that should properly have been charged with the tax. Any refunds made on delinquent taxes must include the proportionate amount of interest and penalties paid. However, no refunds as a result of an incorrect payment authorized under subsection (8) of this section made by a third party payee shall be granted. The county treasurer may deduct from moneys collected for the benefit of the state's levies, refunds of the state's levies including interest on the levies as provided by this section and chapter 84.68 RCW.

The county treasurer of each county must make all refunds determined to be authorized by this section, and by the first Monday in February of each year, report to the county legislative authority a list of all refunds made under this section during the previous year. The list is to include the name of the person receiving the refund, the amount of the refund, and the reason for the refund.

NEW SECTION. **Sec. 3.** A new section is added to chapter 34.05 RCW to read as follows:

The rule-making provisions of this chapter do not apply to the department of revenue's administration of section 1 of this act.

This chapter does not apply to unredeemed vouchers issued under section 1 of this act.

I just want to let the body know that despite my interest in, in, in large concern with this bill I am in kind of a hurry to wrap this up because we have a former State Senator Marlo Braun in the wings here waiting for me for lunch so I have conflicted motivations here Madame President but I did want to recognize that she came for this very important debate and for lunch with her favorite husband."

WITHDRAWAL OF AMENDMENT

On motion of Senator Baumgartner and without objection, the following amendment no. 944 by Senators Bailey, Baumgartner, Brown, Rivers, Short, Wagoner, Warnick and Wilson on page 2, line 24 to striking amendment no. 933 was withdrawn:

The President Pro Tempore declared the question before the Senate to be the adoption of striking amendment no. 933 by Senator Rolfes to Substitute Senate Bill No. 6614.

Lieutenant Governor Habib resumed the chair.

The motion by Senator Rolfes carried and striking amendment no. 933 was adopted by a rising vote.

MOTION

On motion of Senator Mullet, the rules were suspended, Engrossed Substitute Senate Bill No. 6614 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

PARLIAMENTARY INQUIRY

Senator Baumgartner: "How many votes does it take to pass this bill?"

President Habib: "Senator Baumgartner has requested a ruling on the question of how many votes the final passage of Engrossed Substitute Senate Bill 6614 will require. Remarks, Senator Baumgartner."

Senator Baumgartner: "Thank you Mr. President, it is my contention that this bill requires a super majority to pass. I think it is an attempt to subvert the rainy day fund that this body has always held that it requires a super majority of votes, in line with the state constitution, to utilize the rainy day fund. I think this is an attempt to do an end-around to subvert the plain meaning of the constitution and would ask you to rule how many votes are required."

President Habib: "Other remarks in opposition. Senator Rolfes."

Senator Rolfes: "Thank you Mr. President. It is true that under article seven, section twelve of the constitution, a sixty percent vote would be required if this bill was actually appropriating money from the budget stabilization account. However, with the striking amendment, that is not what this bill does. Under this bill a portion of revenue from a new state property tax passed by this body that was intended to support our public school system is being sent directly into the education legacy trust account, which is entirely appropriate and the remainder of the property tax revenue will be deposited into the state general fund. Normally, the redirection of an existing tax that has historically been deposited in the general fund would require an adjustment to the budget stabilization account. However, this is not the case with the new state property tax. Therefore, by dedicating the new revenue prior to receipt and deposit into the general fund the bill does not trigger the adjustment to the extraordinary revenue growth calculation. This, nor are funds withdrawn from the budget stabilization account. The sixty percent vote threshold is not applicable instead a simple majority vote is all that is needed."

MOTION

On motion of Senator Liias, further consideration of Engrossed Substitute Senate Bill No. 6614 was deferred and the bill held its place on the third reading calendar.

MOTION

RULING BY THE PRESIDENT

President Habib: "In responding to the Point of Parliamentary Inquiry raised by Senator Baumgartner as to the number of votes required for final passage of Engrossed Substitute Senate Bill 6614, the President finds and rules as follows:

Article 7, Section 12 of the Washington State Constitution requires a three-fifths vote of the Senate for appropriations of funds from the Budget Stabilization Account, commonly referred to as the Rainy Day Fund. Under this bill, a portion of revenue from the new state property tax levy adopted in the 2017 Legislative Session will be deposited directly into the Education Legacy Trust Account, rather than the General Fund.

In considering the question of how many votes are required for final passage of Engrossed Substitute Senate Bill 6614, the Presidents finds that a simple constitutional majority is required on the basis of two distinct lines of reasoning.

First and foremost, the bill does not contain any appropriation from the Rainy Day Fund. The diversion of extraordinary revenue from existing sources that have historically been deposited in the General Fund would, under Article 7, Section 12, require an adjustment to the Rainy Day Fund to reflect the statutory change. However, the revenue collected through the new property tax levy, enacted in 2017 by the 65th Legislature, has not yet been deposited into the General Fund. Because the bill does not request an appropriation from the Rainy Day Fund, a simple majority is all that is required for final passage.

Furthermore, the President also believes that the revenue increase caused by the enactment of this new tax policy is the result not of unexpected positive revenue from existing sources, but rather a policy decision to establish a new levy for the specific purpose of funding common schools.

Seen in this light, the requirement that the bill obtain a mere simple constitutional majority rather than a three-fifths super majority is in keeping with the spirit as well as the letter of the Rainy Day Fund."

POINT OF ORDER

Senator Braun: "Mr. President, I believe that the bill before us violates Rule 25, that no bill shall contain more than one subject. I, shall I go on?"

President Habib: "Senator Braun has raised a point of order as to whether Engrossed, I'm sorry I'm just looking at my, Engrossed Substitute Senate Bill 6614 violates Senate rules and

the constitution by containing more than one subject. Senator Braun, remarks?"

Senator Braun: "Thank you Mr. President. So, Senate Rule 25 mirrors Article 2, Section 19 of the Washington State Constitution as provided in the Amalgamated Transit Union versus State case which challenged the validity of Initiative 695. The single subject rule is intended to prevent legislatures, whether the people or the legislature, from having to vote on a law they do not favor in order to obtain a law in which they do. Put another way, in deciding whether a measure contains a single object however the consequential inquiries is founded on a question whether a measure is drafted in such a way that those voting on it may be required to vote for something of which the voter disapproves in order to obtain approval of an unrelated law. Here in this engrossed bill the proposed striking amendment for Substitute Senate Bill 6614 contains two distinct and unrelated subjects. The first subject is the reduction of the state property tax in 2019 and the second subject is the redirection of existing property taxes to a different account designed to avoid the otherwise required deposit into a constitutional budget stabilization account. There's no rational unity in these two matters and that is reflected in the striking amendment's title which contains, which clearly bifurcates the subject into two distinct matters. So here we're faced with a popular proposal to reduce property taxes and a dubious proposal with a purpose unrelated and unnecessary to reducing property taxes. Namely, transferring state funds to avoid putting money into the state's constitutional savings account. Mr. President, I support the reducing of property taxes. We have advocated for that since last fall when we started having additional revenue forecasted. So the, the, property tax reduction in this measure, I think, is a good thing. However, I can't support the separate and unrelated subject of redirecting almost a billion dollars of state revenue scheduled to otherwise be deposited in the state's constitutional savings account. This is precisely the log rolling that Article 2, Section 19 is designed to prevent. I ask you rule that the striking amendment is out of order, thank you Mr. President."

President Habib: "Remarks and rebuttals. Senator Liias?"

Senator Liias: "Thank you Mr. President. While I appreciate the points made by my colleague, the general subject of Engrossed Substitute Senate Bill 6614 is a state property tax levy that's collected for the purpose of funding our state's common schools. The striking amendment in the bill adjusts the rate of that levy and the calendar years in which it'll be collected and direct that some of the levy funds will be deposit into the Education Legacy Trust account for the support of common schools. As Senator Braun identified, previous Lieutenant Governor rulings have called on, in a bill to have a rational unity to the general subject of the measure, the, the state property tax levy collected for the purpose of funding state common schools and the use of those funds is a rationally unified general subject. I believe that the gentleman's point is not correct."

FIFTY NINTH DAY, MARCH 7, 2018

2018 REGULAR SESSION

Increasing the availability of housing for developmentally disabled persons.

The measure was read the second time.

MOTION

Senator Darneille moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there is need to expand housing opportunities for persons with developmental disabilities. The legislature finds it is often preferable for persons with developmental disabilities to remain residing in their home, when it is safe and appropriate, to foster ongoing stability. The legislature recognizes that securing a child's future housing and services provides the parents of persons with developmental disabilities peace of mind. The legislature further finds that providing a new mechanism for the transfer of residential property into housing for persons with developmental disabilities expands the state's housing capacity and helps meet demand. The legislature further finds that utilizing existing residential property will reduce the demands on the housing trust fund. The legislature finds that there is an opportunity and need, for advocates and the supporters of the developmental disabilities community to work together, to develop model transfer agreements that will provide peace of mind and assist parents of children with developmental disabilities more readily access this program.

NEW SECTION. Sec. 2. (1) This section is the tax preference performance statement for the tax preference contained in section 3, chapter . . . , Laws of 2018 (section 3 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or to be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2)(a).

(3) It is the legislature's specific public policy objective to reduce the tax burden on individuals and businesses imposed by the existing real estate excise tax rates.

(4) If a review finds that there is an increase of residential property transfers by parents of a person with developmental disabilities to a qualified entity as a result of the relief from this tax preference, then the legislature intends to extend the expiration date of this tax preference.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to any data collected by the state.

Sec. 3. RCW 82.45.010 and 2014 c 58 s 24 are each amended to read as follows:

(1) As used in this chapter, the term "sale" has its ordinary meaning and includes any conveyance, grant, assignment, quitclaim, or transfer of the ownership of or title to real property, including standing timber, or any estate or interest therein for a valuable consideration, and any contract for such conveyance, grant, assignment, quitclaim, or transfer, and any lease with an option to purchase real property, including standing timber, or any estate or interest therein or other contract under which possession of the property is given to the purchaser, or any other person at the purchaser's direction, and title to the property is

retained by the vendor as security for the payment of the purchase price. The term also includes the grant, assignment, quitclaim, sale, or transfer of improvements constructed upon leased land.

(2)(a) The term "sale" also includes the transfer or acquisition within any twelve-month period of a controlling interest in any entity with an interest in real property located in this state for a valuable consideration.

(b) For the sole purpose of determining whether, pursuant to the exercise of an option, a controlling interest was transferred or acquired within a twelve-month period, the date that the option agreement was executed is the date on which the transfer or acquisition of the controlling interest is deemed to occur. For all other purposes under this chapter, the date upon which the option is exercised is the date of the transfer or acquisition of the controlling interest.

(c) For purposes of this subsection, all acquisitions of persons acting in concert must be aggregated for purposes of determining whether a transfer or acquisition of a controlling interest has taken place. The department must adopt standards by rule to determine when persons are acting in concert. In adopting a rule for this purpose, the department must consider the following:

(i) Persons must be treated as acting in concert when they have a relationship with each other such that one person influences or controls the actions of another through common ownership; and

(ii) When persons are not commonly owned or controlled, they must be treated as acting in concert only when the unity with which the purchasers have negotiated and will consummate the transfer of ownership interests supports a finding that they are acting as a single entity. If the acquisitions are completely independent, with each purchaser buying without regard to the identity of the other purchasers, then the acquisitions are considered separate acquisitions.

(3) The term "sale" does not include:

(a) A transfer by gift, devise, or inheritance.

(b) A transfer by transfer on death deed, to the extent that it is not in satisfaction of a contractual obligation of the decedent owed to the recipient of the property.

(c) A transfer of any leasehold interest other than of the type mentioned above.

(d) A cancellation or forfeiture of a vendee's interest in a contract for the sale of real property, whether or not such contract contains a forfeiture clause, or deed in lieu of foreclosure of a mortgage.

(e) The partition of property by tenants in common by agreement or as the result of a court decree.

(f) The assignment of property or interest in property from one spouse or one domestic partner to the other spouse or other domestic partner in accordance with the terms of a decree of dissolution of marriage or state registered domestic partnership or in fulfillment of a property settlement agreement.

(g) The assignment or other transfer of a vendor's interest in a contract for the sale of real property, even though accompanied by a conveyance of the vendor's interest in the real property involved.

(h) Transfers by appropriation or decree in condemnation proceedings brought by the United States, the state or any political subdivision thereof, or a municipal corporation.

(i) A mortgage or other transfer of an interest in real property merely to secure a debt, or the assignment thereof.

(j) Any transfer or conveyance made pursuant to a deed of trust or an order of sale by the court in any mortgage, deed of trust, or lien foreclosure proceeding or upon execution of a judgment, or deed in lieu of foreclosure to satisfy a mortgage or deed of trust.

(k) A conveyance to the federal housing administration or veterans administration by an authorized mortgagee made

pursuant to a contract of insurance or guaranty with the federal housing administration or veterans administration.

(l) A transfer in compliance with the terms of any lease or contract upon which the tax as imposed by this chapter has been paid or where the lease or contract was entered into prior to the date this tax was first imposed.

(m) The sale of any grave or lot in an established cemetery.

(n) A sale by the United States, this state or any political subdivision thereof, or a municipal corporation of this state.

(o) A sale to a regional transit authority or public corporation under RCW 81.112.320 under a sale/leaseback agreement under RCW 81.112.300.

(p) A transfer of real property, however effected, if it consists of a mere change in identity or form of ownership of an entity where there is no change in the beneficial ownership. These include transfers to a corporation or partnership which is wholly owned by the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner. However, if thereafter such transferee corporation or partnership voluntarily transfers such real property, or such transferor, spouse or domestic partner, or children of the transferor or the transferor's spouse or domestic partner voluntarily transfer stock in the transferee corporation or interest in the transferee partnership capital, as the case may be, to other than (i) the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner, (ii) a trust having the transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner as the only beneficiaries at the time of the transfer to the trust, or (iii) a corporation or partnership wholly owned by the original transferor and/or the transferor's spouse or domestic partner or children of the transferor or the transferor's spouse or domestic partner, within three years of the original transfer to which this exemption applies, and the tax on the subsequent transfer has not been paid within sixty days of becoming due, excise taxes become due and payable on the original transfer as otherwise provided by law.

(q)(i) A transfer that for federal income tax purposes does not involve the recognition of gain or loss for entity formation, liquidation or dissolution, and reorganization, including but not limited to nonrecognition of gain or loss because of application of 26 U.S.C. Sec. 332, 337, 351, 368(a)(1), 721, or 731 of the internal revenue code of 1986, as amended.

(ii) However, the transfer described in (q)(i) of this subsection cannot be preceded or followed within a twelve-month period by another transfer or series of transfers, that, when combined with the otherwise exempt transfer or transfers described in (q)(i) of this subsection, results in the transfer of a controlling interest in the entity for valuable consideration, and in which one or more persons previously holding a controlling interest in the entity receive cash or property in exchange for any interest the person or persons acting in concert hold in the entity. This subsection (3)(q)(ii) does not apply to that part of the transfer involving property received that is the real property interest that the person or persons originally contributed to the entity or when one or more persons who did not contribute real property or belong to the entity at a time when real property was purchased receive cash or personal property in exchange for that person or persons' interest in the entity. The real estate excise tax under this subsection (3)(q)(ii) is imposed upon the person or persons who previously held a controlling interest in the entity.

(r) A qualified sale of a manufactured/mobile home community, as defined in RCW 59.20.030, that takes place on or after June 12, 2008, but before December 31, 2018.

(s)(i) A qualified transfer of residential property by a legal representative of a person with developmental disabilities to a qualified entity subject to the following conditions:

(A) The adult child with developmental disabilities of the transferor of the residential property must be allowed to reside in the residence or successor property so long as the placement is safe and appropriate as determined by the department of social and health services;

(B) The title to the residential property is conveyed without the receipt of consideration by the legal representative of a person with developmental disabilities to a qualified entity;

(C) The residential property must have no more than four living units located on it; and

(D) The residential property transferred must remain in continued use for fifty years by the qualified entity as supported living for persons with developmental disabilities by the qualified entity or successor entity. If the qualified entity sells or otherwise conveys ownership of the residential property the proceeds of the sale or conveyance must be used to acquire similar residential property and such similar residential property must be considered the successor for continued use. The property will not be considered in continued use if the department of social and health services finds that the property has failed, after a reasonable time to remedy, to meet any health and safety statutory or regulatory requirements. If the department of social and health services determines that the property fails to meet the requirements for continued use, the department of social and health services must notify the department and the real estate excise tax based on the value of the property at the time of the transfer into use as residential property for persons with developmental disabilities becomes immediately due and payable by the qualified entity. The tax due is not subject to penalties, fees, or interest under this title.

(ii) For the purposes of this subsection (3)(s) the definitions in RCW 71A.10.020 apply.

(iii) A "qualified entity" is:

(A) A nonprofit organization under Title 26 U.S.C. Sec. 501(c)(3) of the federal internal revenue code of 1986, as amended, as of the effective date of this section, or a subsidiary under the same taxpayer identification number that provides residential supported living for persons with developmental disabilities; or

(B) A nonprofit adult family home, as defined in RCW 70.128.010, that exclusively serves persons with developmental disabilities.

(iv) In order to receive an exemption under this subsection (3)(s) an affidavit must be submitted by the transferor of the residential property and must include a copy of the transfer agreement and any other documentation as required by the department.

Sec. 4. RCW 43.185.050 and 2017 3rd sp.s. c 12 s 13 are each amended to read as follows:

(1) The department must use moneys from the housing trust fund and other legislative appropriations to finance in whole or in part any loans or grant projects that will provide housing for persons and families with special housing needs and with incomes at or below fifty percent of the median family income for the county or standard metropolitan statistical area where the project is located. At least thirty percent of these moneys used in any given funding cycle (~~shall~~) must be for the benefit of projects located in rural areas of the state as defined by the department. If the department determines that it has not received an adequate number of suitable applications for rural projects during any given funding cycle, the department may allocate unused moneys for projects in nonrural areas of the state.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 2990, by House Committee on Transportation (originally sponsored by Representatives Fey, Young and Muri)

Concerning the Tacoma Narrows bridge debt service payment plan.

The measure was read the second time.

MOTION

Senator King moved that the following committee striking amendment by the Committee on Transportation be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 47.46 RCW to read as follows:

(1) The legislature finds funding of the Tacoma Narrows bridge facility to be distinct from other Washington state tolling facilities due to its increasing debt service costs, which is the primary driver of the facility's escalating costs. Washington state has since recommended and established financing structures with steadier levels of debt service payments for subsequent tolled transportation facilities, supporting better management of the state's debt burden and a lower financial burden for toll ratepayers.

(2) The Tacoma Narrows bridge facility debt service structure resulted, in part, from a decision by the legislature to fund

construction of the bridge without drawing from state tax dollars. As a result, toll revenue was committed to fund ninety-nine percent of bridge construction costs, as well as the associated interest payments and other associated debt service costs. This is not the standard more recently utilized by the legislature, as is the case of the state route 520 bridge's construction, seventy-two percent of which is to be paid for with toll revenues. In light of the maximum burden for bridge construction that was placed on Tacoma Narrows bridge toll ratepayers, there is no equitable reason that the burden of future debt service payment increases should be borne by these same toll ratepayers.

(3) The legislature established the Tacoma Narrows bridge work group in 2017 and tasked it with identifying opportunities for long-term toll payer relief from increasing toll rates on the Tacoma Narrows bridge. The work group recommended a request of up to one hundred twenty-five million dollars in state funding from the legislature to offset future debt service payment increases, allocated across the remaining years of tolling at levels that result in maintaining toll rates at fiscal year 2018 levels.

(4) Due to the findings aforementioned, an alternative is put forward by the legislature. State contribution loans for each fiscal biennium are to be made through the life of the debt service plan of up to a total of eighty-five million dollars, and will be repaid in annual amounts beginning after the debt service and deferred sales tax are fully repaid. It is the intent of the legislature that the commission will:

(a) Maintain tolls at no more than toll rates effective at the fiscal year 2018 level until fiscal year 2022; and

(b) Maintain tolls at no more than twenty-five cents higher than the toll rates effective at the fiscal year 2018 level beginning in fiscal year 2022 until such time as the debt service and deferred sales tax obligation is fully met according to the repayment schedule in place as of the effective date of this section and until any state contribution loans are fully repaid.

(5) To offset part of the toll rate increases that would otherwise be necessary to meet increases in future debt service payments, it is the intent of the legislature that the state treasurer make state contribution loan transfers to the Tacoma Narrows toll bridge account created in RCW 47.56.165 on the first day of each fiscal biennium, beginning in the 2019-2021 fiscal biennium, through the life of the debt service plan. It is the intent of the legislature that the state treasurer make state contribution loan transfers in amounts necessary to ensure debt service payments are made in full after toll revenue from the Tacoma Narrows bridge toll facility is applied to the debt payment amounts and other required costs.

(6) This section does not create a private right of action.

NEW SECTION. **Sec. 2.** A new section is added to chapter 47.46 RCW to read as follows:

(1) Through 2031, the commission shall submit to the transportation committees of the legislature on an annual basis a report that includes sufficient information to enable the legislature to determine an adequate amount of contribution from nontoll sources required for each fiscal biennium to maintain tolls at no more than twenty-five cents higher than the toll rates effective at the fiscal year 2018 level, while also maintaining the debt service plan repayment schedule in place as of the effective date of this section. The report must be submitted by January 5th of each year.

(2) Beginning in 2031, and until such time as the state contribution loans described in section 1(4) of this act are repaid, the commission shall submit to the transportation committees of the legislature on an annual basis a report that includes information detailing the annual expected toll revenue to be used for repayment of the state contribution loans while maintaining tolls at no more than twenty-five cents higher than the toll rates

effective at the fiscal year 2018 level. The report must be submitted by January 5th of each year.

(3) This section does not create a private right of action.

Sec. 3. RCW 47.46.110 and 2002 c 114 s 8 are each amended to read as follows:

(1) The commission shall retain toll charges on any existing and future facilities constructed under this chapter and financed primarily by bonds issued by the state until:

(a) All costs of investigation, financing, acquisition of property, and construction advanced from the motor vehicle fund have been fully repaid, except as provided in subsection (2)(b) of this section;

(b) Obligations incurred in constructing that facility have been fully paid; ~~((and))~~

(c) The motor vehicle fund is fully repaid under RCW 47.46.140; and

(d) The accounts from which moneys are provided to reduce the debt service according to section 1(5) of this act are fully repaid.

(2) This section does not:

(a) Prohibit the use of toll revenues to fund maintenance, operations, or management of facilities constructed under this chapter except as prohibited by RCW 47.56.245;

(b) Require repayment of funds specifically appropriated as a nonreimbursable state financial contribution to a project.

(3) Notwithstanding the provisions of subsection (2)(a) of this section, upon satisfaction of the conditions enumerated in subsection (1) of this section:

(a) The facility must be operated as a toll-free facility; and

(b) The operation, maintenance, upkeep, and repair of the facility must be paid from funds appropriated for the use of the department for the construction and maintenance of the primary state highways of the state of Washington."

On page 1, line 2 of the title, after "plan;" strike the remainder of the title and insert "amending RCW 47.46.110; and adding new sections to chapter 47.46 RCW."

SUBSTITUTE HOUSE BILL NO. 2990, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

The President declared that Senate to be on the seventh order of business.

The Senate resumed consideration of Engrossed Substitute Senate Bill No. 6614 which had been deferred earlier in the day.

RULING BY THE PRESIDENT

President Habib: "The Senate will now return to consideration of now Engrossed Senate Bill 6614. In the interest of time we will be, I'll just be ruling orally and then we have, we'll be writing up and distributing at a later time the, the, the, the more formal ruling but to rule on the point of order raised by Senator Braun as to the, whether Engrossed Substitute Senate Bill 6614 violates the single subject rule, the President finds, first it's important to determine what the contents of the bill, now as amended through the striking amendment, seeks to do and it is stated in the title both to reduce property taxes, reduce one, one revenue source and then also to make provision for the allocation of, of certain revenue. And while these are, as Senator Braun pointed out, these are separate and may in fact appeal to different distinct Senators for different reasons, the President finds that the rational unifying theme, which is what the State Supreme Court and Lieutenant Governor Owen have determined to be the test here, what the rational unifying theme is between these two is the making of, the provision making for unexpected revenue in the 2019, fiscal year 2019. In other words there is more revenue coming in 2019 than had been expected. A policy has been drafted to make provision for that unexpectedly high amount of revenue. That policy prescription that's being proposed in this bill contains the reduction of taxes and also the allocation of some, of that money to the Education Legacy Trust account and while those are two different elements they, nevertheless, share a rational unifying theme, which is the disposition of these funds which had been unexpected at, by previous legislatures."

WRITTEN RULING: In responding to the Point of Order raised by Senator Braun as to whether Engrossed Substitute Senate Bill 6614 violates Senate Rule 25, the single subject rule, the President finds and rules as follows:

Article II, Section 19 of the State Constitution and Senate Rule 25 mandate that "[n]o bill shall embrace more than one subject and that shall be expressed in the title." Precedential rulings by Lieutenant Governor Brad Owen articulate that in complying with the single subject rule, there must be some "rational unity" between the general subject of a bill and its incidental subdivisions.

As to whether ESSB 6614 violates the single subject rule, the President finds it is important, as an initial matter, to determine what the bill seeks to do. Here, ESSB 6614 both reduces property taxes and provides for the allocation of certain revenue. As

Senator Braun noted, these are dual objectives. However, the President finds there is a rational unifying theme between the two, which is the provision of unexpected state revenue.

The Legislature is faced with unanticipated excess revenue in fiscal year 2019, and must address and dispose of these funds. The policy prescription chosen in ESSB 6614 is the reduction of taxes and the allocation of some of the remaining funds to the Education Legacy Trust Account. While these respective policy choices may be more amenable to some members than to others, they nevertheless share a rational unifying theme, which is the disposition of unanticipated state revenue.

As such, the President finds that the measure does not violate Senate Rule 25.

POINT OF ORDER

Senator Braun: "Thank you Mr. President. So I, I appreciate your, your, prompt ruling on these two matters. I do want to ask your indulgence and point out a couple of misstatements you made in your earlier ruling. Mr. President you made the claim that no state property tax from the state property tax increase made last session has gone to the general fund. Mr. President that's not accurate. It started as, as of the first of January of this year and the estimate is about five hundred million dollars will go into the general fund between now and the end of the fiscal year. So, and the other thing you said, Mr. President, is you made the claim that there was no extraordinary revenue and that it was all triggered from the state property tax levy imposed last year. So, Mr. President, I just want to clarify that when we did the budget last year that state property tax was imposed and that state property tax was imposed, those funds were budgeted and, and, and, the resulting known estimate of extraordinary revenue growth was known and included in the budget we passed here last June. Since then we've had an additional 2.3 billion dollars in revenue growth thanks to our strong economy. 1.6 of which would go, as provided in the constitution, into the general fund and 700 of which would ultimately go into the extraordinary revenue growth into the rainy day fund at the end of the biennium. So, Mr. President, I don't intend to challenge your ruling. I think there are other parts of the ruling that would lead you to the same conclusion, ultimately, but I would just ask you, Mr. President, that you would consider this in any written ruling that you ultimately make and publish and if you'd like additional details I would be happy to provide them to you."

REPLY BY THE PRESIDENT

President Habib: "Thank you, thank you Senator Braun and, and, I agree, this is, this is not the time to hash out the details but I, I will say that the, to the extent that the order mentioned the funds not having been deposited in the general fund that, that portion of the order relates to the funds addressed in the striking amendment so, if that wasn't clear or if it seemed like a broader proposition was being made in the ruling then certainly that will be clarified. Again, that's, that wasn't the nature of the point of parliamentary inquiry raised by Senator Baumgartner since as you yourself just pointed out, the, in any case, no money was being extracted from or appropriated from the, the rainy day fund."

Senators Mullet and Ranker spoke in favor of passage of the bill.

Senator Braun spoke against passage of the bill.

REMARKS BY THE PRESIDENT

President Habib: "Senator Ranker? Senator Ranker, I'm gonna ask this, I'm gonna ask this of you. I'm gonna ask this of other members: You all know which, how to, how to incite personalities and how to, to lead us down a rabbit hole, and I would appreciate if, in keeping with your rules, an avoidance of personalities, we, we unnecessarily, we avoid unnecessarily needling one another with terms like 'Republican property tax,' et cetera. It's just not necessary."

Senator Frockt spoke in favor of passage of the bill.

Senators Schoesler, Zeiger and O'Ban spoke against passage of the bill.

POINT OF ORDER

Senator Braun: "Thank you Mr. President. The previous speaker just made a factual error. We offered a striking amendment on the floor and it fully funded McCleary. Thank you Mr. President."

Senator Frockt again to speak in favor of passage of the bill.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2408, by House Committee on Health Care & Wellness (originally sponsored by Representatives Cody, Jinkins, Goodman, Johnson, Slatter, Tharinger, Stanford, Macri, Ormsby, Doglio and Appleton)

Preserving access to individual market health care coverage throughout Washington state.

The measure was read the second time.

MOTION

Senator Cleveland moved that the following committee striking amendment by the Committee on Health & Long Term Care be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) Access to health care is fundamental to the health and safety of the citizens of Washington state;

(b) Health insurance coverage is necessary for most people to access health care;

(c) Due to uncertainty in the health insurance marketplace, volatility in the current federal regulatory environment, and rising health care costs, ensuring access to the private health insurance market in every county in Washington state is becoming more difficult;

(d) The consequences of losing private health insurance coverage in a county would be catastrophic, leading to deteriorating health outcomes, lost productivity, and lower quality of life; and

(e) If the private market fails to provide coverage in a county, the state must intervene.

(2) The legislature therefore intends to:

(a) Leverage the provider networks used by private insurers offering coverage to state and school employees to ensure private insurance coverage is available in all counties where those insurers offer coverage to state and school employees; and

(b) Until such coverage is available, make coverage in the Washington state health insurance pool more affordable to persons residing in counties where no private insurance is available.

NEW SECTION. Sec. 2. A new section is added to chapter 41.05 RCW to read as follows:

(1) For plan years beginning January 1, 2020, at least one health carrier in an insurance holding company system must offer in the exchange at least one silver and one gold qualified health plan in any county in which any health carrier in that insurance holding company system offers a fully insured health plan that was approved, on or after the effective date of this section, by the school employees' benefits board or the public employees' benefits board to be offered to employees and their covered dependents under this chapter.

(2) The rates for a health plan approved by the school employees' benefits board or the public employees' benefits board may not include the administrative costs or actuarial risks associated with a qualified health plan offered under subsection (1) of this section.

(3) The authority shall perform an actuarial review during the annual rate setting process for plans approved by the school employees' benefits board or the public employees' benefits board to ensure compliance with subsection (2) of this section.

(4) For purposes of this section, "exchange" and "health carrier" have the same meaning as in RCW 48.43.005.

(5) For purposes of this section, "insurance holding company system" has the same meaning as in RCW 48.31B.005.

Sec. 3. RCW 48.41.200 and 2007 c 259 s 28 are each amended to read as follows:

(1) The pool shall determine the standard risk rate by calculating the average individual standard rate charged for coverage comparable to pool coverage by the five largest members, measured in terms of individual market enrollment, offering such coverages in the state. In the event five members do

not offer comparable coverage, the standard risk rate shall be established using reasonable actuarial techniques and shall reflect anticipated experience and expenses for such coverage in the individual market.

(2) Subject to subsection (3) of this section, maximum rates for pool coverage shall be as follows:

(a) Maximum rates for a pool indemnity health plan shall be one hundred fifty percent of the rate calculated under subsection (1) of this section;

(b) Maximum rates for a pool care management plan shall be one hundred twenty-five percent of the rate calculated under subsection (1) of this section; and

(c) Maximum rates for a person eligible for pool coverage pursuant to RCW 48.41.100(1)(a) who was enrolled at any time during the sixty-three day period immediately prior to the date of application for pool coverage in a group health benefit plan or an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005, where such coverage was continuous for at least eighteen months, shall be:

(i) For a pool indemnity health plan, one hundred twenty-five percent of the rate calculated under subsection (1) of this section; and

(ii) For a pool care management plan, one hundred ten percent of the rate calculated under subsection (1) of this section.

(3)(a) Subject to (b) and (c) of this subsection:

(i) The rate for any person, other than a person eligible for a rate reduction under subsection (4) of this section, whose current gross family income is less than two hundred fifty-one percent of the federal poverty level shall be reduced by thirty percent from what it would otherwise be;

(ii) The rate for any person, other than a person eligible for a rate reduction under subsection (4) of this section, whose current gross family income is more than two hundred fifty but less than three hundred one percent of the federal poverty level shall be reduced by fifteen percent from what it would otherwise be;

(iii) The rate for any person who has been enrolled in the pool for more than thirty-six months shall be reduced by five percent from what it would otherwise be.

(b) In no event shall the rate for any person be less than one hundred ten percent of the rate calculated under subsection (1) of this section.

(c) Rate reductions under (a)(i) and (ii) of this subsection shall be available only to the extent that funds are specifically appropriated for this purpose in the omnibus appropriations act.

(d) The rate for a person whose current modified adjusted gross income is more than four hundred percent of the federal poverty level must be reduced by thirty percent from what it otherwise would be.

Sec. 4. RCW 48.41.090 and 2013 2nd sp.s. c 6 s 7 are each amended to read as follows:

(1) Following the close of each accounting year, the pool administrator shall determine the total net cost of pool operation which shall include:

(a) Net premium (premiums less administrative expense allowances), the pool expenses of administration, and incurred losses for the year, taking into account investment income and other appropriate gains and losses; ~~(and)~~

(b) The amount of pool contributions specified in the state omnibus appropriations act for deposit into the health benefit exchange account under RCW 43.71.060, to assist with the transition of enrollees from the pool into the health benefit exchange created by chapter 43.71 RCW; and

(c) Any rate reductions received by individuals under RCW 48.41.200(4).

(2)(a) Each member's proportion of participation in the pool shall be determined annually by the board based on annual statements and other reports deemed necessary by the board and filed by the member with the commissioner; and shall be determined by multiplying the total cost of pool operation by a fraction. The numerator of the fraction equals that member's total number of resident insured persons, including spouse and dependents, covered under all health plans in the state by that member during the preceding calendar year. The denominator of the fraction equals the total number of resident insured persons, including spouses and dependents, covered under all health plans in the state by all pool members during the preceding calendar year.

(b) For purposes of calculating the numerator and the denominator under (a) of this subsection:

(i) All health plans in the state by the state health care authority include only the uniform medical plan;

(ii) Each ten resident insured persons, including spouse and dependents, under a stop loss plan or the uniform medical plan shall count as one resident insured person;

(iii) Health plans serving medical care services program clients under RCW 74.09.035 are exempted from the calculation; and

(c) Except as provided in RCW 48.41.037, any deficit incurred by the pool, including pool contributions for deposit into the health benefit exchange account, shall be recouped by assessments among members apportioned under this subsection pursuant to the formula set forth by the board among members. The monthly per member assessment may not exceed the 2013 assessment level. If the maximum assessment is insufficient to cover a pool deficit the assessment shall be used first to pay all incurred losses and pool administrative expenses, with the remainder being available for deposit in the health benefit exchange account.

(3) The board may abate or defer, in whole or in part, the assessment of a member if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. If an assessment against a member is abated or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other members in a manner consistent with the basis for assessments set forth in subsection (2) of this section. The member receiving such abatement or deferment shall remain liable to the pool for the deficiency.

(4) Subject to the limitation imposed in subsection (2)(c) of this section, the pool administrator shall transfer the assessments for pool contributions for the operation of the health benefit exchange to the treasurer for deposit into the health benefit exchange

account with the quarterly assessments for 2014 as specified in the state omnibus appropriations act. If assessments exceed actual losses and administrative expenses of the pool and pool contributions for deposit into the health benefit exchange account, the excess shall be held at interest and used by the board to offset future losses or to reduce pool premiums. As used in this subsection, "future losses" includes reserves for incurred but not reported claims.

NEW SECTION. Sec. 5. Sections 3 and 4 of this act expire December 31, 2019.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

SECOND READING

ENGROSSED HOUSE BILL NO. 2750, by Representatives Tharinger, Johnson, Cody, Stonier, Slatter, Robinson, Jinkins, Appleton, Muri and Gregerson

Concerning quality in assisted living facilities.

The measure was read the second time.

MOTION

Senator Cleveland moved that the following committee amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) Washington state is ranked number one in the nation in offering quality choices in its long-term services and supports system. Assisted living facilities are an important part of the state's long-term services and supports plan;

(2) Consumers should have access to current information about assisted living facilities to make informed choices;

(3) Washingtonians choose to live in assisted living facilities for many different reasons including safety, access to care, socialization, rehabilitation, and community;

(4) Deciding where to live and what kind of facility to live in are big decisions for potential residents and families. They deserve to have access to all information collected by the state to use in making their decisions. Providing transparency will allow for more informed consumer choices;

(5) Consumers already have access to information on nursing homes and adult family homes. This act would bring assisted living facilities in line with other settings; and

(6) Assisted living facilities need to be held accountable for the residents in their care and the fine structure should be reflective of that responsibility.

NEW SECTION. Sec. 2. A new section is added to chapter 18.20 RCW to read as follows:

The department shall provide information to consumers about assisted living facilities. This information must be made available online and must include information related to site visits, substantiated inspection and complaint investigation reports, including any citation and remedy imposed, and a listing of licensed assisted living facilities by geographic location.

NEW SECTION. Sec. 3. A new section is added to chapter 18.20 RCW to read as follows:

(1) The department shall facilitate a work group process to recommend quality metrics for assisted living facilities. The department shall keep a public record of comments submitted by stakeholders throughout the work group process.

(2) The work group shall consist of representatives from the department, assisted living provider associations, the long-term care ombuds; organizations with expertise in serving persons with mental health needs in an institutional setting, as selected by the department; organizations with expertise in serving persons with developmental disability needs in an institutional setting, as selected by the department; organizations with expertise in serving culturally diverse and non-English-speaking persons in an institutional setting, as selected by the department; health care professionals with experience caring for diverse and non-English-speaking patients, as selected by the department; licensed health care professionals with experience caring for geriatric patients, as selected by the department; and an Alzheimer's advocacy organization. The work group may solicit input from individuals with additional expertise, if necessary.

(3) The work group shall make an interim report by September 1, 2019, and final recommendations to the appropriate legislative committees by September 1, 2020, and shall include a dissent

report if agreement is not achieved among stakeholders and the department.

(4) The work group must submit recommendations for a quality metric system, propose a process for monitoring and tracking performance, and recommend a process to inform consumers.

(5) The department shall include at least one meeting dedicated to review and analysis of other states with quality metric methodologies for assisted living and must include information on how well each state is achieving quality care outcomes. In addressing data metrics the work group shall consider whether the data that must be reported reflect and promote quality of care and whether reporting the data is unnecessarily burdensome upon assisted living facilities.

Sec. 4. RCW 18.20.190 and 2012 c 10 s 13 are each amended to read as follows:

(1) The department of social and health services is authorized to take one or more of the actions listed in subsection (2) of this section in any case in which the department finds that an assisted living facility provider has:

(a) Failed or refused to comply with the requirements of this chapter or the rules adopted under this chapter;

(b) Operated an assisted living facility without a license or under a revoked license;

(c) Knowingly, or with reason to know, made a false statement of material fact on his or her application for license or any data attached thereto, or in any matter under investigation by the department; or

(d) Willfully prevented or interfered with any inspection or investigation by the department.

(2) When authorized by subsection (1) of this section, the department may take one or more of the following actions, using a tiered sanction grid that considers the extent of harm from the deficiency and the regularity of the occurrence of the deficiency when imposing civil fines:

(a) Refuse to issue a license;

(b) Impose reasonable conditions on a license, such as correction within a specified time, training, and limits on the type of clients the provider may admit or serve;

(c) Impose civil penalties of ~~((not more than))~~ at least one hundred dollars per day per violation. Until July 1, 2019, the civil penalties may not exceed one thousand dollars per day per violation. Beginning July 1, 2019, through June 30, 2020, the civil penalties may not exceed two thousand dollars per day per violation. Beginning July 1, 2020, the civil penalties may not exceed three thousand dollars per day per violation;

(d) Impose civil penalties of up to ten thousand dollars for a current or former licensed provider who is operating an unlicensed facility;

(e) Suspend, revoke, or refuse to renew a license;

~~((e))~~ (f) Suspend admissions to the assisted living facility by imposing stop placement; or

~~((f))~~ (g) Suspend admission of a specific category or categories of residents as related to the violation by imposing a limited stop placement.

(3) When the department orders stop placement or a limited stop placement, the facility shall not admit any new resident until the stop placement or limited stop placement order is terminated. The department may approve readmission of a resident to the facility from a hospital or nursing home during the stop placement or limited stop placement. The department shall terminate the stop placement or limited stop placement when: (a) The violations necessitating the stop placement or limited stop placement have been corrected; and (b) the provider exhibits the capacity to maintain correction of the violations previously found deficient. However, if upon the revisit the department finds new violations

that the department reasonably believes will result in a new stop placement or new limited stop placement, the previous stop placement or limited stop placement shall remain in effect until the new stop placement or new limited stop placement is imposed.

(4) After a department finding of a violation for which a stop placement or limited stop placement has been imposed, the department shall make an on-site revisit of the provider within fifteen working days from the request for revisit, to ensure correction of the violation. For violations that are serious or recurring or uncorrected following a previous citation, and create actual or threatened harm to one or more residents' well-being, including violations of residents' rights, the department shall make an on-site revisit as soon as appropriate to ensure correction of the violation. Verification of correction of all other violations may be made by either a department on-site revisit or by written or photographic documentation found by the department to be credible. This subsection does not prevent the department from enforcing license suspensions or revocations. Nothing in this subsection shall interfere with or diminish the department's authority and duty to ensure that the provider adequately cares for residents, including to make departmental on-site revisits as needed to ensure that the provider protects residents, and to enforce compliance with this chapter.

(5) RCW 43.20A.205 governs notice of a license denial, revocation, suspension, or modification. Chapter 34.05 RCW applies to department actions under this section, except that orders of the department imposing license suspension, stop placement, limited stop placement, or conditions for continuation of a license are effective immediately upon notice and shall continue pending any hearing.

(6) All receipts from civil penalties imposed under this chapter must be deposited in the assisted living facility temporary management account created in RCW 18.20.430.

(7) For the purposes of this section, "limited stop placement" means the ability to suspend admission of a specific category or categories of residents.

Sec. 5. RCW 18.20.430 and 2016 sp.s. c 36 s 912 are each amended to read as follows:

The assisted living facility temporary management account is created in the custody of the state treasurer. All receipts from civil penalties imposed under this chapter must be deposited into the account. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. Expenditures from the account may be used only for the protection of the health, safety, welfare, or property of residents of assisted living facilities found to be deficient. Uses of the account include, but are not limited to:

(1) Payment for the costs of relocation of residents to other facilities;

(2) Payment to maintain operation of an assisted living facility pending correction of deficiencies or closure, including payment of costs associated with temporary management authorized under this chapter; ~~((and))~~

(3) Reimbursement of residents for personal funds or property lost or stolen when the resident's personal funds or property cannot be recovered from the assisted living facility or third-party insurer; and

(4) The protection of the health, safety, welfare, and property of residents of assisted living facilities found to be noncompliant with licensing standards.

~~((During the 2015-2017 fiscal biennium, the account may be expended for funding the costs associated with the assisted living program.))"~~

On page 1, line 1 of the title, after "facilities;" strike the remainder of the title and insert "amending RCW 18.20.190 and 18.20.430; adding new sections to chapter 18.20 RCW; creating a new section; and prescribing penalties."

President Habib: "Senator Frockt?"

Senator Frockt: "I, I would be happy to yield, I don't know if I'll an answer, good answer for the, the gentlelady."

Senator Becker: "I can totally appreciate that Senator Frockt, and I'm sorry to put you on the spot, but, that a hospital that is affiliated with a state institution, is that only the University of Washington, or can that mean other hospitals?"

Senator Frockt: "Well, Madame Chair, the way that it's written, that certainly could mean another institution as far as I understand it, so I guess it would."

Senator Becker: "So could that then mean that any hospital around the state of Washington that is not a, or that is a for profit hospital would then be able to deduct B&O tax from, because of this amendment?"

Senator Frockt: "Well I think, I think I believe "state institution" refers to the university system, I believe that's what it'd be referring to."

Senator O'Ban spoke in favor of adoption of the amendment.

MESSAGE FROM THE HOUSE

March 6, 2018

MR. PRESIDENT:
 The House receded from its amendment(s) to ENGROSSED
 SUBSTITUTE SENATE BILL NO. 6034. Under suspension of
 the rules, the bill was returned to second reading for the purposes
 of amendment(s). The House adopted the following
 amendment(s): 6034-S.E AMH DEBO SMIL 132, and passed the
 bill as amended by the House.

Strike everything after the enacting clause and insert the
 following:

"NEW SECTION. Sec. 1. A new section is added to
 chapter 54.16 RCW to read as follows:

(1) The definitions in this subsection apply throughout this
 section unless the context clearly requires otherwise.

(a) "Broadband" means high-speed internet access and other
 advanced telecommunications services.

(b) "Broadband network" means networks of deployed
 telecommunications equipment and technologies necessary to
 provide broadband.

(c) "Inadequate" means internet retail service that does not
 meet one hundred percent of the standards detailed in the service
 level agreement.

(d) "Partnership payment structure" means a group of or
 individual property owners who agree to pay a term payment
 structure for infrastructure improvements to their property.

(e) "Petition" means a formal written request for retail internet
 service by property owners on the public utility district broadband
 network.

(f) "Retail internet service" means the provision of broadband
 to end users.

(g) "Service level agreement" means a standard agreement,
 adopted during an open public meeting, between the retail internet
 service provider and the public utility that describes the required
 percentage of broadband download and upload speed and system
 availability, customer service, and transmission time.

(2) Any public utility district that, as of the effective date of
 this section, provides only water, sewer, and wholesale
 telecommunications services in a county with an area less than
 five hundred square miles and is located west of the Puget Sound
 may provide retail internet service on the public utility district's
 broadband network located within the public utility district
 boundaries only when all of the existing providers of end-user
 internet service on the public utility district's broadband network
 cease to provide end-user service or provide inadequate end-user
 service as determined in the manner prescribed by this section.
 The authority provided in this subsection expires five years after
 the effective date of this act for any public utility district that has
 not either entered into a partnership payment structure to finance
 broadband deployment or been petitioned to provide retail
 internet service within that time period.

(3) Upon receiving a petition meeting the requirements of
 subsection (4) of this section, a public utility district board of
 commissioners may hold up to three meetings to:

(a) Verify the signature or signatures of the property owners on
 the petition and certify the petition;

(b) Determine and submit findings that the retail internet
 service available to the petitioners served by the public utility
 district's broadband network is either nonexistent or inadequate
 as defined in the service level agreement adopted by the
 commissioners for all existing internet service providers on the
 public utility district's broadband network;

(c) Receive, and either reject or accept any recommendations
 or adjustments to, a business case plan developed in accordance
 with subsection (7) of this section; and

(d) By resolution, authorize the public utility district to provide
 retail internet service on the public utility district's broadband
 network.

(4) A petition meets the requirements of subsection (3) of this
 section if it is delivered to a public utility district board of
 commissioners, declares that the signatories on the public utility
 district's broadband network have no or inadequate retail internet
 service providers, requests the public utility district to provide the
 retail internet service, and is signed by one of the following:

(a) A majority of a group, including homeowners' associations,
 of any geographical area within the public utility district, who

have developed a partnership payment structure to finance broadband deployment with the public utility district; or

(b) Any individual who has developed a partnership payment structure to finance broadband deployment with the public utility district.

(5) For the purposes of this section, the adequacy of retail internet service is determined by measuring retail internet service to end users on the public utility district's broadband network and comparing it with service standards in the public utility district service level agreement used for all public utility district network providers. Measurement of the existing retail internet service provider's service must be quantified by measuring the service with speed and capacity devices and software. Additionally, a retail internet service provider may submit its own assessment of its service level for consideration by the commission within thirty days of the first meeting conducted under subsection (3) of this section.

(6) The commissioners of a public utility district may by resolution authorize the public utility district to provide or contract for provision of retail internet services on the public utility district's broadband network:

(a) After development of a business case plan in accordance with subsection (7) of this section; and

(b) When it is determined that no service or inadequate service exists for the individual or petitioners identified in subsection (4) of this section.

(7) The business case plan under subsection (6) of this section must be reviewed by an independent qualified consultant. The review must include the use of public funds in the provision of retail internet service. Any recommendations or adjustments to the business case plan made during third-party review must be received and either rejected or accepted by the district board of commissioners in an open meeting.

(8)(a) Except as provided in subsection (9) of this section, in case of failure to reach an agreement on the adequacy of retail internet service, the commissioners must request an appointment of an administrative law judge under Title 34 RCW to hear the dispute.

(b) The commissioners must provide a written notice, together with a copy of the dispute, and may require the disputing parties to attend a hearing before the administrative law judge, at a time and place to be specified in the written notice.

(c) The place of any such hearing may be the office of the commissioners or another place designated by the commissioners. The disputed information must be presented at the hearing.

(d) Upon review and consideration of all of the evidence, the administrative law judge must determine if the retail internet service is inadequate or nonexistent as defined in this section. Upon making a determination, the administrative law judge must state findings of fact and must issue and file a determination with the commissioners.

(9) If a provider of end-user service is a company regulated by the utilities and transportation commission, the company may choose to have the commission resolve disputes concerning the service level agreement under the process established in RCW 54.16.340. For the purposes of this subsection, "company" includes subsidiaries or affiliates.

(10) Any public utility district providing cable television service under this section must secure a cable television franchise, pay franchise fees, and any applicable taxes to the local cable franchise authority as required by federal law.

(11) Except as provided in subsection (9) of this section, nothing in this section may be construed or is intended to confer upon the utilities and transportation commission any authority to exercise jurisdiction over locally regulated utilities.

(12) All rates for retail internet services offered by a public utility district under this section must be just, fair, and reasonable, except the public utility district may set tiers of service charges based on service demands of the end user, including commercial and residential rates.

(13) A public utility district must not condition the availability or cost of other services upon the purchase or use of retail internet service.

(14) A public utility district authorized to provide retail internet service within a specific geographical area must, upon reasonable notice, furnish to all persons and entities within that geographical area meeting the provisions of subsections (2) and (4) of this section proper facilities and connections for retail internet service as requested.

(15) A public utility district providing retail internet service must separately account for any revenues and expenditures for those services according to standards established by the state auditor pursuant to its authority in chapter 43.09 RCW and consistent with the provisions of this title.

NEW SECTION. Sec. 2. A new section is added to chapter 34.12 RCW to read as follows:

When requested by the public utility district commissioners, the chief administrative law judge shall assign an administrative law judge to conduct proceedings under section 1 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 54.16 RCW to read as follows:

(1) Property owned by a public utility district that is exempt from property tax under RCW 84.36.010 is subject to an annual payment in lieu of property taxes if the property consists of a broadband network used in providing retail internet service.

(2)(a) The amount of the payment must be determined jointly and in good faith negotiation between the public utility district that owns the property and the county or counties in which the property is located.

(b) The amount agreed upon may not exceed the property tax amount that would be owed on the property comprising the broadband network used in providing retail internet service as calculated by the department of revenue. The public utility district must provide information necessary for the department of revenue to make the required valuation under this subsection. The department of revenue must provide the amount of property tax that would be owed on the property to the county or counties in which the broadband network is located on an annual basis.

(c) If the public utility district and a county cannot agree on the amount of the payment in lieu of taxes, either party may invoke binding arbitration by providing written notice to the other party. In the event that the amount of payment in lieu of taxes is submitted to binding arbitration, the arbitrators must consider the government services available to the public utility district's broadband network used in providing retail internet service. The public utility district and county must each select one arbitrator, the two of whom must pick a third arbitrator. Costs of the arbitration, including compensation for the arbitrators' services, must be borne equally by the parties participating in the arbitration.

(3) By April 30th of each year, a public utility district must remit the annual payment to the county treasurer of each county in which the public utility district's broadband network used in providing retail internet service is located in a form and manner required by the county treasurer.

(4) The county must distribute the amounts received under this section to all property taxing districts, including the state, in appropriate tax code areas in the same proportion as it would distribute property taxes from taxable property.

FIFTY NINTH DAY, MARCH 7, 2018

2018 REGULAR SESSION

(5) By December 1, 2019, and annually thereafter, the department of revenue must submit a report to the appropriate legislative committees detailing the amount of payments made under this section and the amount of property tax that would be owed on the property comprising the broadband network used in providing retail internet service.

(6) The definitions in section 1 of this act apply to this section." Correct the title.

and the same is herewith transmitted.

SECOND READING

ENGROSSED HOUSE BILL NO. 2008, by Representatives Kagi, Jinkins and Senn

Addressing the budgeting process for core state services for children.

MOTION

Senator Frockt moved that the following striking amendment no. 950 by Senator Frockt be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that effective planning for and implementation of core state services for children requires predictability and stability in the budgeting process for these services. For these reasons, the legislature intends that costs for behavioral rehabilitation services, child protective services staff, and contracted visitation services be included in the state budgeting process at maintenance level. By implementing consistent statewide assessments, forecasting program caseloads, and incorporating forecast-based program costs into the maintenance level budget, the state can ensure predictable funding levels for this program.

NEW SECTION. Sec. 2. (1) The children and families services program of the department of social and health services through June 30, 2018, and of the department of children, youth, and families effective July 1, 2018, shall facilitate a stakeholder work group in a collaborative effort to design a behavioral rehabilitation services rate payment methodology that is based on actual provider costs of care. The work group may consider the findings of a contracted rate analysis in designing the methodology. By November 30, 2018, and in compliance with

RCW 43.01.036, the department of children, youth, and families must submit a report with the final work group findings and recommendations to the appropriate legislative committees.

(2) This section expires December 31, 2018.

NEW SECTION. Sec. 3. A new section is added to chapter 74.13 RCW to read as follows:

The office of innovation, alignment, and accountability must develop a single validated tool to assess the care needs of foster children. Once the validated tool is available for use on a statewide basis, the department of children, youth, and families must use the tool for assessing the care needs of foster children, including but not limited to whether the department should provide foster children with behavioral rehabilitation services. The department must notify the caseload forecast council, the office of financial management, and the appropriate fiscal committees of the legislature when it begins statewide use of the validated tool.

Sec. 4. RCW 43.88C.010 and 2015 c 128 s 2 are each amended to read as follows:

(1) The caseload forecast council is hereby created. The council shall consist of two individuals appointed by the governor and four individuals, one of whom is appointed by the chairperson of each of the two largest political caucuses in the senate and house of representatives. The chair of the council shall be selected from among the four caucus appointees. The council may select such other officers as the members deem necessary.

(2) The council shall employ a caseload forecast supervisor to supervise the preparation of all caseload forecasts. As used in this chapter, "supervisor" means the caseload forecast supervisor.

(3) Approval by an affirmative vote of at least five members of the council is required for any decisions regarding employment of the supervisor. Employment of the supervisor shall terminate after each term of three years. At the end of the first year of each three-year term the council shall consider extension of the supervisor's term by one year. The council may fix the compensation of the supervisor. The supervisor shall employ staff sufficient to accomplish the purposes of this section.

(4) The caseload forecast council shall oversee the preparation of and approve, by an affirmative vote of at least four members, the official state caseload forecasts prepared under RCW 43.88C.020. If the council is unable to approve a forecast before a date required in RCW 43.88C.020, the supervisor shall submit the forecast without approval and the forecast shall have the same effect as if approved by the council.

(5) A councilmember who does not cast an affirmative vote for approval of the official caseload forecast may request, and the supervisor shall provide, an alternative forecast based on assumptions specified by the member.

(6) Members of the caseload forecast council shall serve without additional compensation but shall be reimbursed for travel expenses in accordance with RCW 44.04.120 while attending sessions of the council or on official business authorized by the council. Nonlegislative members of the council shall be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(7) "Caseload," as used in this chapter, means:

(a) The number of persons expected to meet entitlement requirements and require the services of public assistance programs, state correctional institutions, state correctional noninstitutional supervision, state institutions for juvenile offenders, the common school system, long-term care, medical assistance, foster care, and adoption support;

(b) The number of students who are eligible for the Washington college bound scholarship program and are expected to attend an institution of higher education as defined in RCW 28B.92.030;

(c) The number of children who are eligible, as defined in RCW ((43.215.405)) 43.216.505, to participate in, and the number of children actually served by, the early childhood education and assistance program.

(8) The caseload forecast council shall forecast the temporary assistance for needy families and the working connections child care programs as a courtesy.

(9) The caseload forecast council shall forecast youth participating in the extended foster care program pursuant to RCW 74.13.031 separately from other children who are residing in foster care and who are under eighteen years of age.

(10) The caseload forecast council shall forecast the number of youth expected to receive behavioral rehabilitation services while involved in the foster care system and the number of screened in reports of child abuse or neglect.

(11) Unless the context clearly requires otherwise, the definitions provided in RCW 43.88.020 apply to this chapter.

NEW SECTION. Sec. 5. A new section is added to chapter 43.88 RCW to read as follows:

For the purposes of this chapter, expenditures for the following foster care, adoption support and related services, and child protective services must be forecasted and budgeted as maintenance level costs:

- (1) Behavioral rehabilitation services placements;
- (2) Social worker and related staff to receive, refer, and respond to screened-in reports of child abuse or neglect;
- (3) Court-ordered parent-child and sibling visitations delivered by contractors; and
- (4) Those activities currently being treated as maintenance level costs for budgeting or forecasting purposes on the effective date of this section including, but not limited to: (a) Adoption support and other adoption-related expenses; (b) foster care maintenance payments; (c) child-placing agency management fees; (d) support goods such as clothing vouchers; (e) child aides; and (f) child care for children in foster or relative placements when the caregiver is at work or in school.

NEW SECTION. Sec. 6. (1) No later than December 1, 2020, the department of children, youth, and families shall report to the appropriate committees of the legislature on the actual and projected funding levels in fiscal years 2019 through 2021 for section 5 (1) through (3) of this act and compare them to expenditures prior to inclusion in the maintenance level forecasting and budgeting process.

(2) This section expires January 1, 2021.

NEW SECTION. Sec. 7. (1) The department of children, youth, and families shall, as part of its budget request submittal for the 2019-2021 biennial operating budget, conduct of a review of the most recent caseload forecast of children in foster care and the availability and capacity of licensed foster homes. The review shall include:

- (a) An analysis of the need for licensed foster homes;
- (b) A listing of support resources available for parents in licensed foster homes; and
- (c) A review of department policies that affect the recruitment and retention of licensed foster homes.

A report containing the results of the review shall be submitted to the office of financial management and the appropriate policy and appropriation committees of the legislature no later than October 1, 2018.

(2) This section expires October 1, 2018."

On page 1, line 2 of the title, after "children;" strike the remainder of the title and insert "amending RCW 43.88C.010; adding a new section to chapter 74.13 RCW; adding a new section to chapter 43.88 RCW; creating new sections; and providing expiration dates."

March 1, 2018

To the Honorable President and Members,
 The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Senate Bill No. 6617 entitled:

"AN ACT Relating to records disclosure obligations of the legislative branch."

At the request of a number of lawmakers, I am vetoing Engrossed Senate Bill 6617 in its entirety so that the Legislature can engage with the public and stakeholders in a transparent process to discuss and consider legislative public records issue.

While a wide majority of lawmakers voted for Engrossed Senate Bill 6617 as a genuine effort to create clarity and increase transparency, the process was seriously flawed. I applaud Washingtonians for making their voices heard as well as legislators' thoughtful reconsideration.

For these reasons I have vetoed Engrossed Senate Bill No. 6617 in its entirety.

Respectfully submitted,

/s/

Jay Inslee
 Governor

(2)(a) The issuing authority shall conduct a check through the national instant criminal background check system, the Washington state patrol electronic database, the department of social and health services electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a firearm, or is prohibited from possessing a firearm under federal law, and therefore ineligible for a concealed pistol license.

(b) The issuing authority shall deny a permit to anyone who is found to be prohibited from possessing a firearm under federal or state law.

(c) This subsection applies whether the applicant is applying for a new concealed pistol license or to renew a concealed pistol license.

The application for an original license shall include a complete set of fingerprints to be forwarded to the Washington state patrol.

The license and application shall contain a warning substantially as follows:

The license shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law.

The application shall contain questions about the applicant's eligibility under RCW 9.41.040 and federal law to possess a pistol, the applicant's place of birth, and whether the applicant is a United States citizen. If the applicant is not a United States citizen, the applicant must provide the applicant's country of citizenship, United States issued alien number or admission number, and the basis on which the applicant claims to be exempt from federal prohibitions on firearm possession by aliens. The license may be in

A photograph of the applicant may be required as part of the application and printed on the face of the license.

The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing the license.

The department of licensing shall make available to law enforcement and corrections agencies, in an on-line format, all information received under this subsection.

(5) The nonrefundable fee, paid upon application, for the original five-year license shall be thirty-six dollars plus additional charges imposed by the federal bureau of investigation that are passed on to the applicant. No other state or local branch or unit of government may impose any additional charges on the applicant for the issuance of the license.

(8) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the issuing authority.

(9)(a) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (6) of this section. The fee shall be distributed as follows:

(i) Three dollars shall be deposited in the state wildlife account and used exclusively first for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law, and subsequently the support of volunteer instructors in the basic firearms safety training program conducted by the department of fish and wildlife. The pamphlet shall be given to each applicant for a license; and

(ii) Seven dollars shall be paid to the issuing authority for the purpose of enforcing this chapter.

(b) Beginning with concealed pistol licenses that expire on or after August 1, 2018, the department of licensing shall mail a renewal notice approximately ninety days before the license expiration date to the licensee at the address listed on the concealed pistol license application, or to the licensee's new

(10) Notwithstanding the requirements of subsections (1) through (9) of this section, the chief of police of the municipality or the sheriff of the county of the applicant's residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section. However, a temporary emergency license issued under this subsection shall not exempt the holder of the license from any records check requirement. Temporary emergency licenses shall be easily distinguishable from regular licenses.

(11) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section.

(12) A person who knowingly makes a false statement regarding citizenship or identity on an application for a concealed pistol license is guilty of false swearing under RCW 9A.72.040. In addition to any other penalty provided for by law, the concealed pistol license of a person who knowingly makes a false statement shall be revoked, and the person shall be permanently ineligible for a concealed pistol license.

(13) A person may apply for a concealed pistol license:

- (a) To the municipality or to the county in which the applicant resides if the applicant resides in a municipality;

- (c) Anywhere in the state if the applicant is a nonresident.

(14) Any person who, as a member of the armed forces, including the national guard and armed forces reserves, is unable to renew his or her license under subsections (6) and (9) of this section because of the person's assignment, reassignment, or deployment for out-of-state military service may renew his or her license within ninety days after the person returns to this state from out-of-state military service, if the person provides the following to the issuing authority no later than ninety days after the person's date of discharge or assignment, reassignment, or deployment back to this state: (a) A copy of the person's original order designating the specific period of assignment, reassignment, or deployment for out-of-state military service, and (b) if appropriate, a copy of the person's discharge or amended or subsequent assignment, reassignment, or deployment order back to this state. | TOTAL APPROPRIATION | \$122,379,000 \$135,540,000 |

The appropriations in this section are subject to the following conditions and limitations:

(1) \$1,300,000 of the Tacoma Narrows toll bridge account—state appropriation and \$9,048,000 of the state route number 520 corridor account—state appropriation are provided solely for the purposes of addressing unforeseen operations and maintenance costs on the Tacoma Narrows bridge and the state route number 520 bridge, respectively. The office of financial management shall place the amounts provided in this subsection, which represent a portion of the required minimum fund balance under the policy of the state treasurer, in unallotted status. The office may release the funds only when it determines that all other funds designated for operations and maintenance purposes have been exhausted.

(2) \$3,100,000 of the Interstate 405 express toll lanes operations account—state appropriation, \$1,498,000 of the state route number 520 corridor account—state appropriation, and \$1,802,000 of the high occupancy toll lanes operations account—state appropriation are provided solely for the operation and maintenance of roadside toll collection systems.

(3) (~~(\$4,328,000)~~) \$4,131,000 of the state route number 520 civil penalties account—state appropriation, \$2,192,000 of the Tacoma Narrows toll bridge account—state appropriation, and \$1,191,000 of the Interstate 405 express toll lanes operations account—state appropriation are provided solely for expenditures related to the toll adjudication process.

(4) The department shall make detailed quarterly expenditure reports available to the Washington state transportation commission and to the public on the department's web site using current resources. The reports must include a summary of toll revenue by facility on all operating toll facilities and high occupancy toll lane systems, and an itemized depiction of the use of that revenue.

(5) As long as the facility is tolled, the department must provide quarterly reports to the transportation committees of the legislature on the Interstate 405 express toll lane project performance measures listed in RCW 47.56.880(4). These reports must include:

(a) Information on the travel times and travel time reliability (at a minimum, average and 90th percentile travel times) maintained during peak and nonpeak periods in the express toll lanes and general purpose lanes for both the entire corridor and commonly made trips in the corridor including, but not limited to, northbound from Bellevue to Rose Hill, state route number 520 at NE 148th to Interstate 405 at state route number 522, Bellevue to Bothell (both NE 8th to state route number 522 and NE 8th to state route number 527), and a trip internal to the corridor (such as NE 85th to NE 160th) and similar southbound trips;

(b) A month-to-month comparison of travel times and travel time reliability for the entire corridor and commonly made trips in the corridor as specified in (a) of this subsection since implementation of the express toll lanes and, to the extent available, a comparison to the travel times and travel time reliability prior to implementation of the express toll lanes;

(c) Total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane (i) compared to total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane, on this segment of Interstate 405 prior to implementation of the express toll lanes and (ii) compared to total express toll lane and total general purpose lane traffic volumes, as well as per lane traffic volumes for each type of lane, from month to month since implementation of the express toll lanes; and

(d) Underlying congestion measurements, that is, speeds, that are being used to generate the summary graphs provided, to be

made available in a digital file format.

(6) \$666,000 of the high occupancy toll lanes operations account—state appropriation, \$11,527,000 of the state route number 520 corridor account—state appropriation, \$4,955,000 of the Tacoma Narrows toll bridge account—state appropriation, \$4,286,000 of the Interstate 405 express toll lanes operations account—state appropriation, and \$6,506,000 of the Alaskan Way viaduct replacement project account—state appropriation are provided solely for the department to implement a new tolling customer service toll collection system, and are subject to the conditions, limitations, and review provided in section 701 (~~(of this act)~~), chapter 313, Laws of 2017.

(a) The office of financial management shall place \$2,000,000 of the amounts provided in this subsection in unallotted status, to be distributed between the facilities using the account proportions in this subsection. If the vendors selected as the successful bidders for the new tolling customer service toll collection system or the operator of the new system are different than the vendor as of January 1, 2017, the office of financial management may release portions of this amount as transition costs.

(b) The funds provided in this subsection from the Alaskan Way viaduct replacement project account—state appropriation are provided through a transfer from the motor vehicle account—state in section 408(26) (~~(of this act)~~), chapter 313, Laws of 2017. These funds are a loan to the Alaskan Way viaduct replacement project account—state, and the legislature assumes that these funds will be reimbursed to the motor vehicle account—state at a later date when the portion of state route number 99 that is the deep bore tunnel is operational.

(c) The department must provide a project status report to the office of financial management and the transportation committees of the legislature on at least a calendar quarterly basis. The report must include, but is not limited to:

(i) Detailed information about the planned and actual scope, schedule, and budget;

(ii) Status of key vendor and other project deliverables; and

(iii) A description of significant changes to planned deliverables or system functions over the life of the project.

(d) The department shall continue to work with the office of financial management, office of the chief information officer, and the transportation committees of the legislature on the project management plan that includes a provision for independent verification and validation of contract deliverables from the successful bidder and a provision for quality assurance that includes reporting independently to the office of the chief information officer on an ongoing basis during system implementation.

(7) The department shall make detailed quarterly reports to the governor and the transportation committees of the legislature on the following:

(a) The use of consultants in the tolling program, including the name of the contractor, the scope of work, the type of contract, timelines, deliverables, any new task orders, and any extensions to existing consultant contracts;

(b) The nonvendor costs of administering toll operations, including the costs of staffing the division, consultants and other personal service contracts required for technical oversight and management assistance, insurance, payments related to credit card processing, transponder purchases and inventory management, facility operations and maintenance, and other miscellaneous nonvendor costs; and

(c) The vendor-related costs of operating tolled facilities, including the costs of the customer service center, cash collections on the Tacoma Narrows bridge, electronic payment processing, and toll collection equipment maintenance, renewal, and replacement.

SIXTIETH DAY, MARCH 8, 2018

2018 REGULAR SESSION

(d) The toll adjudication process, including a summary table for each toll facility that includes:

- (i) The number of notices of civil penalty issued;
- (ii) The number of recipients who pay before the notice becomes a penalty;
- (iii) The number of recipients who request a hearing and the number who do not respond;
- (iv) Workload costs related to hearings;
- (v) The cost and effectiveness of debt collection activities; and
- (vi) Revenues generated from notices of civil penalty.

(8) ~~(\$13,617,000)~~ \$13,179,000 of the Interstate 405 express toll lanes operations account—state appropriation is provided solely for operational costs related to the express toll lane facility. The office of financial management shall place \$6,808,000 of the amount provided in this subsection in unallotted status. The office of financial management may only release the funds to the department upon the passage of a 2018 supplemental transportation budget.

(9) In 2021, toll equipment on the Tacoma Narrows Bridge will have reached the end of its operational life. During the 2017-2019 fiscal biennium, the department plans to issue a request for proposals as the first stage of a competitive procurement process that will replace the toll equipment and select a new tolling operator for the Tacoma Narrows Bridge. The request for proposals and subsequent competitive procurement must incorporate elements that prioritize the overall goal of lowering costs per transaction for the facility, such as incentives for innovative approaches which result in lower transactional costs, requests for efficiencies on the part of the bidder that lower operational costs, and incorporation of technologies such as self-serve credit card machines or other point-of-payment technologies that lower costs or improve operational efficiencies.

(10) \$5,583,000 of the Alaskan Way viaduct replacement project account—state appropriation is provided solely for the new state route number 99 tunnel toll facility's expected proportional share of collecting toll revenues, operating customer services, and maintaining toll collection systems for the last seven months of the biennium. Due to the uncertainty of the new state route number 99 tunnel toll facility timeline, the legislature is holding the other tolled facilities' administrative cost shares constant for this biennium. The legislature expects to see appropriate reductions to the other toll facility accounts once tolling on the new state route number 99 tunnel toll facility commences and any previously incurred costs for start-up of the new facility are charged back to the Alaskan Way viaduct replacement project account. The office of financial management shall closely monitor the application of the cost allocation model and ensure that the new state route number 99 tunnel toll facility is adequately sharing costs and the other toll facility accounts are not being overspent or subsidizing the new state route number 99 tunnel toll facility.

(11) \$1,849,000 of the Alaskan Way viaduct replacement project account—state appropriation is provided solely for the costs associated with the sale of transponders for the opening of the new state route number 99 tunnel toll facility in Seattle. The office of financial management shall place \$510,000 of the amount provided in this subsection in unallotted status. The office of financial management may only release the funds to the department if it determines the transponder inventory will otherwise not be sufficient for facility ramp up.

It is the intent of the legislature that if any portion of the labor system replacement project is leveraged in the future for the time, leave, and labor distribution of any other agencies, the motor vehicle account will be reimbursed proportionally for the development of the system since amounts expended from the motor vehicle account must be used exclusively for highway purposes in conformance with Article II, section 40 of the state Constitution. This must be accomplished through a loan arrangement with the current interest rate under the terms set by the office of the state treasurer at the time the system is deployed to additional agencies. The value determinations must be completed by agency staff if available; otherwise, the agency may contract out for these services. The real estate services division of the department must recover the cost of its efforts from the sale of surplus property. Proceeds for surplus property sales must fund additional future sales, and the real estate services division shall prioritize staff resources to meet revenue assumptions for surplus property sales.

(2) The legislature recognizes that the trail known as the Rocky Reach Trail, and its extensions, serve to separate motor vehicle traffic from pedestrians and bicyclists, increasing motor vehicle safety on state route number 2 and the coincident section of state route number 97. Consistent with chapter 47.30 RCW and pursuant to RCW 47.12.080, the legislature declares that transferring portions of WSDOT Inventory Control (IC) No. 2-09-04686 containing the trail and associated buffer areas to the Washington state parks and recreation commission is consistent with the public interest. The legislature directs the department to transfer the property to the Washington state parks and recreation commission.

(a) The department must be paid fair market value for any portions of the transferred real property that is later abandoned, vacated, or ceases to be publicly maintained for trail purposes.

(b) Prior to completing the transfer in this subsection (2), the department must ensure that provisions are made to accommodate private and public utilities and any facilities that predate the department's acquisition of the property, at no cost to those entities. Prior to completing the transfer, the department shall also ensure that provisions, by fair market assessment, are made to accommodate other private and public utilities and any facilities that have been legally allowed by permit or other instrument.

(c) The department may sell any adjoining property that is not necessary to support the Rocky Reach Trail and adjacent buffer areas only after the transfer of trail-related property to the Washington state parks and recreation commission is complete. Adjoining property owners must be given the first opportunity to acquire such property that abuts their property, and applicable boundary line or other adjustments must be made to the legal descriptions for recording purposes.

| | <u>\$68,043,000</u> |

The appropriations in this section are subject to the following conditions and limitations:

(1) \$6,000,000 of the motor vehicle account—state appropriation is provided solely for low-cost enhancements. The department shall give priority to low-cost enhancement projects that improve safety or provide congestion relief. By December 15th of each odd-numbered year, the department shall provide a report to the legislature listing all low-cost enhancement projects completed in the prior fiscal biennium.

(2) When regional transit authority construction activities are visible from a state highway, the department shall allow the regional transit authority to place safe and appropriate signage informing the public of the purpose of the construction activity.

(3) The department must make signage for low-height bridges a high priority.

(4) \$50,000 of the motor vehicle account—state appropriation is provided solely for the department to coordinate with the appropriate local jurisdictions for development and implementation of a historic route 10 signage program on Interstate 90 from the Columbia River to the Idaho state border.

(5)(a) During the 2017-2019 fiscal biennium, the department shall continue a pilot program that expands private transportation providers' access to high occupancy vehicle lanes. Under the pilot program, when the department reserves a portion of a highway based on the number of passengers in a vehicle, the following vehicles must be authorized to use the reserved portion of the highway if the vehicle has the capacity to carry eight or more passengers, regardless of the number of passengers in the vehicle: ~~((a))~~ (i) Auto transportation company vehicles regulated under chapter 81.68 RCW; ~~((b))~~ (ii) passenger charter carrier vehicles regulated under chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; ~~((c))~~ (iii) private nonprofit transportation provider vehicles regulated under chapter 81.66 RCW; and ~~((d))~~ (iv) private employer transportation service vehicles. For purposes of this subsection, "private employer transportation service" means regularly scheduled, fixed-route transportation service that is offered by an employer for the benefit of its employees. Nothing in this subsection is intended to authorize the conversion of public infrastructure to private, for-profit purposes or to otherwise create an entitlement or other claim by private users to public infrastructure.

(b) The department shall expand the high occupancy vehicle lane access pilot program to vehicles that deliver or collect blood, tissue, or blood components for a blood-collecting or distributing establishment regulated under chapter 70.335 RCW. Under the pilot program, when the department reserves a portion of a highway based on the number of passengers in a vehicle, blood-collecting or distributing establishment vehicles that are clearly and identifiably marked as such on all sides of the vehicle are considered emergency vehicles and must be authorized to use the reserved portion of the highway.

(c) The department shall expand the high occupancy vehicle lane access pilot program to private, for hire vehicles regulated under chapter 81.72 RCW that have been specially manufactured, designed, or modified for the transportation of a person who has a mobility disability and uses a wheelchair or other assistive device. Under the pilot program, when the department reserves a portion of a highway based on the number of passengers in a vehicle, wheelchair-accessible taxicabs that are clearly and identifiably marked as such on all sides of the vehicle are considered public transportation vehicles and must be authorized

to use the reserved portion of the highway.

(d) Nothing in this subsection (5) is intended to exempt these vehicles from paying tolls when they do not meet the occupancy requirements established by the department for high occupancy toll lanes.

The reason for the geographic selection of Spokane county for the pilot is based on the high utilization of studded tires in this jurisdiction. The public information campaign must primarily focus on making the consumer aware of the road deterioration, financial impact for taxpayers, the safety implications for other drivers, and, secondarily, the alternatives to studded tires. The pilot must begin by September 1, 2018. By January 14, 2019, the department shall provide the transportation committees of the legislature an update on the pilot public information program. It is the intent of the legislature that the public information campaign will be a two-year pilot program with a report to the legislature upon completion of the pilot program.

The department must coordinate with the city of Kirkland and other key stakeholders to determine the feasibility and cost of transit-oriented development at Kingsgate. A report on the process and outcomes is due to the transportation committees of the legislature no later than December 1, 2017.

(2) \$100,000 of the motor vehicle account—state appropriation and \$250,000 of the motor vehicle account—federal appropriation are provided solely for a study that details a cost estimate for replacing the westbound U.S. 2 trestle and recommends a series of financing options to address that cost and to satisfy debt service requirements.

In conducting the study, the department shall work in close collaboration with a stakeholder group that includes, but is not limited to, Snohomish county, the port of Everett, economic alliance Snohomish county, the cities of Everett, Lake Stevens, Marysville, Snohomish, and Monroe, and affected transit agencies.

The department shall quantify both the cost of replacing the westbound trestle structure and making mobility and capacity improvements to maximize the use of the structure in the years leading up to full replacement. Financing options that should be examined and quantified include public-private partnerships, public-public partnerships, a transportation benefit district tailored to the specific incorporated and unincorporated area, loans and grants, and other alternative financing measures available at the state or federal level.

The department shall also evaluate ways in which the costs of alternative financing can be debt financed.

The department shall complete the study and submit a final report and recommendations to the transportation committees of the legislature, including recommendations on statutory changes needed to implement available financing options, by January 8, 2018.

(3) \$181,000 of the motor vehicle account—state appropriation is provided solely for the department, in coordination with the University of Washington department of mechanical engineering, to study measures to reduce noise impacts from bridge expansion joints. The study must examine testing methodologies and project timelines and costs. A final report must be submitted to the transportation committees of the legislature by October 15, 2018.

(4) \$200,000 of the motor vehicle account—state appropriation is provided solely for implementation of a practical solutions study for the state route number 162 and state route number 410 interchange, based on the recommendations of the SR-162 Study/Design project (L2000107). (5) \$500,000 of the motor vehicle account—state appropriation is provided solely for implementation of a state route number 518 corridor study to be conducted in partnership with the Port of Seattle, Sound Transit and other regional entities. The department must study practical solutions to address high vehicle volumes and delays in the corridor including evaluation of solutions to the rapid growth of traffic in the corridor and how that growth impacts access to the Seattle-Tacoma international airport and the surrounding communities. The study must be submitted to the transportation committees of the legislature by June 30, 2019.

(6) \$500,000 of the motor vehicle account—state appropriation and \$50,000 of the motor vehicle account—local appropriation are provided solely for implementation of a corridor study to identify potential improvements between exit 116 and exit 99 of Interstate 5. The study should further develop mid- and long-term strategies from the corridor sketch, and identify potential US 101/I-5 interchange improvements, a strategic plan for the Nisqually River bridges, regional congestion relief options, and ecosystem benefits to the Nisqually River estuary for salmon productivity and flood control.

(7) Among the options studied as part of the SR 410 Corridor Study, the department shall examine the mobility and safety benefits of replacing or expanding the White River bridge between Enumclaw and Buckley to four lanes and removing the trestle.

(8) Within existing resources, the department shall meet with local stakeholders in south Pierce county and North Thurston county to discuss potential solutions to traffic congestion; emergency management concerns regarding routes away from natural disasters and around incidents similar to the train derailment that occurred on December 18, 2017; and what state transportation investments would benefit the economic development of the area. The department shall provide regular updates on its progress to the joint transportation committee.

The appropriations in this section are subject to the following conditions and limitations:

(1) \$52,679,000 of the multimodal transportation account—state appropriation is provided solely for a grant program for special needs transportation provided by transit agencies and nonprofit providers of transportation. Of this amount:

(a) \$12,000,000 of the multimodal transportation account—state appropriation is provided solely for grants to nonprofit providers of special needs transportation. Grants for nonprofit providers must be based on need, including the availability of other providers of service in the area, efforts to coordinate trips among providers and riders, and the cost effectiveness of trips provided. Of the amount provided in this subsection (1)(a), \$25,000 of the multimodal transportation account—state appropriation is provided solely for the ecumenical christian helping hands organization for special needs transportation services.

(b) \$40,679,000 of the multimodal transportation account—state appropriation is provided solely for grants to transit agencies to transport persons with special transportation needs. To receive a grant, the transit agency must, to the greatest extent practicable, have a maintenance of effort for special needs transportation that is no less than the previous year's maintenance of effort for special needs transportation. Grants for transit agencies must be prorated based on the amount expended for demand response service and route deviated service in calendar year 2015 as reported in the "Summary of Public Transportation - 2015" published by the department of transportation. No transit agency may receive more than thirty percent of these distributions.

(2) \$32,223,000 of the rural mobility grant program account—state appropriation is provided solely for grants to aid small cities in rural areas as prescribed in RCW 47.66.100.

(3)(a) (~~(\$10,290,000)~~) \$10,702,000 of the multimodal transportation account—state appropriation is provided solely for a vanpool grant program for: (i) Public transit agencies to add vanpools or replace vans; and (ii) incentives for employers to increase employee vanpool use. The grant program for public transit agencies will cover capital costs only; operating costs for public transit agencies are not eligible for funding under this grant program. Additional employees may not be hired from the funds provided in this section for the vanpool grant program, and supplanting of transit funds currently funding vanpools is not allowed. The department shall encourage grant applicants and recipients to leverage funds other than state funds.

(b) At least \$1,600,000 of the amount provided in this subsection must be used for vanpool grants in congested corridors.

(4) (~~(\$16,241,000)~~) \$24,107,000 of the regional mobility grant program account—state appropriation is reappropriated and provided solely for the regional mobility grant projects identified in LEAP Transportation Document (~~(2017-2)~~) 2018-2 ALL PROJECTS as developed (~~(April 20, 2017)~~) March 5, 2018, Program - Public Transportation Program (V). Of the amounts provided in this subsection, \$757,000 of the regional mobility grant program account—state appropriation is reappropriated for the Kitsap Transit, SR 305 Interchange Improvements at Suquamish Way Park and Ride (Project 20130101).

(5)(a) \$77,679,000 of the regional mobility grant program account—state appropriation is provided solely for the regional mobility grant projects identified in LEAP Transportation Document (~~(2017-2)~~) 2018-2 ALL PROJECTS as developed (~~(April 20, 2017)~~) March 5, 2018, Program - Public Transportation Program (V). The department shall review all projects receiving grant awards under this program at least

semiannually to determine whether the projects are making satisfactory progress. Any project that has been awarded funds, but does not report activity on the project within one year of the grant award, must be reviewed by the department to determine whether the grant should be terminated. The department shall promptly close out grants when projects have been completed, and any remaining funds must be used only to fund projects identified in the LEAP transportation document referenced in this subsection. The department shall provide annual status reports on December 15, 2017, and December 15, 2018, to the office of financial management and the transportation committees of the legislature regarding the projects receiving the grants. It is the intent of the legislature to appropriate funds through the regional mobility grant program only for projects that will be completed on schedule. A grantee may not receive more than twenty-five percent of the amount appropriated in this subsection. The department shall not approve any increases or changes to the scope of a project for the purpose of a grantee expending remaining funds on an awarded grant.

(b) In order to be eligible to receive a grant under (a) of this subsection during the 2017-2019 fiscal biennium, a transit agency must establish a process for private transportation providers to apply for the use of park and ride facilities. For purposes of this subsection, (i) "private transportation provider" means: An auto transportation company regulated under chapter 81.68 RCW; a passenger charter carrier regulated under chapter 81.70 RCW, except marked or unmarked stretch limousines and stretch sport utility vehicles as defined under department of licensing rules; a private nonprofit transportation provider regulated under chapter 81.66 RCW; or a private employer transportation service provider; and (ii) "private employer transportation service" means regularly scheduled, fixed-route transportation service that is offered by an employer for the benefit of its employees.

(6) Funds provided for the commute trip reduction (CTR) program may also be used for the growth and transportation efficiency center program.

(7) (~~(\$5,920,000)~~) \$7,170,000 of the multimodal transportation account—state appropriation and (~~(\$754,000)~~) \$784,000 of the state vehicle parking account—state appropriation are provided solely for CTR grants and activities. Of this amount(~~(= \$250,000)~~):

(a) \$500,000 of the multimodal transportation account—state appropriation is provided solely for a voluntary pilot program to expand public-private partnership CTR incentives to make measurable reductions in off-peak, weekend, and nonwork trips. Ridesharing may be integrated into grant proposals. The department shall prioritize grant proposals that focus on the Interstate 90, Interstate 5, state route number 167, or Interstate 405 corridor. The department shall offer competitive trip-reduction grants. The department shall report to the transportation committees of the legislature by December 1, 2018, on the pilot program's impacts to the transportation system and potential improvements to the CTR grant program.

(b) \$1,000,000 of the multimodal transportation account—state appropriation is provided solely for the department to direct a pilot transit pass incentive program. Businesses and nonprofit organizations located in a county adjacent to Puget Sound with a population of more than seven hundred thousand that have never offered transit subsidies to employees are eligible to apply to the program for a fifty percent rebate on the cost of employee transit subsidies provided through the regional ORCA fare collection system. No single business or nonprofit organization may receive more than ten thousand dollars from the program.

(i) Businesses and nonprofit organizations may apply and be awarded funds prior to purchasing a transit subsidy, but the department may not provide reimbursement until proof of

SIXTIETH DAY, MARCH 8, 2018

2018 REGULAR SESSION

purchase or a contract has been provided to the department.

(ii) The department shall report to the transportation committees of the legislature on the impact of the program by June 30, 2019, and may adopt rules to administer the program; and

(c) \$30,000 of the state vehicle parking account—state appropriation is provided solely for the STAR pass program for state employees residing in Mason and Grays Harbor Counties. It is the intent of the legislature that entities identified to receive funding in the LEAP document referenced in this subsection receive the amounts specified in the time frame specified in that LEAP document. If an entity has already completed a project in the LEAP document referenced in this subsection before the time frame identified, the entity may substitute another transit project or projects that cost a similar or lesser amount.

(9) \$2,000,000 of the multimodal transportation account—state appropriation is provided solely for transit coordination grants.

(10) \$250,000 of the multimodal transportation account—state appropriation is provided solely for King county for a pilot program to provide certain students in the Highline and Lake Washington school districts with an ORCA card during the summer. To be eligible for an ORCA card under this program, a student must also be in high school, be eligible for free and reduced-price lunches, and have a job or other responsibility during the summer. King county must provide a report to the department and the transportation committees of legislature by December 15, 2018, regarding: The annual student usage of the pilot program, available ridership data, the cost to expand the program to other King county school districts, the cost to expand the program to student populations other than high school or eligible for free and reduced-price lunches, opportunities for subsidized ORCA cards or local grant or matching funds, and any additional information that would help determine if the pilot program should be extended or expanded.

(11) The department shall not require more than a ten percent match from nonprofit transportation providers for state grants.

(12)(a) For projects funded as part of the 2015 connecting Washington transportation package listed on the LEAP transportation document identified in subsection (4) of this section, if the department expects to have substantial reappropriations for the 2019-2021 fiscal biennium, the department may, on a pilot basis, apply funding from a project with an appropriation that cannot be used for the current fiscal biennium to advance one or more of the following projects:

(i) King County Metro - RapidRide Expansion, Burien-Delridge (G2000031);

(v) City of Seattle - Northgate Transit Center Pedestrian Bridge (G2000041).

(b) At least ten business days before advancing a project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The advancement of a project may not hinder the

delivery of the projects for which the reappropriations are necessary for the 2019-2021 fiscal biennium.

(13) \$300,000 of the multimodal transportation account—state appropriation is provided solely for Pierce Transit to procure and install digital transit information technology at various transit centers, in order to provide transit riders with real-time arrival and departure information.

405 project.

~~((44))~~ (16)(a) The SR 520 Bridge Replacement and HOV project (8B11003) is supported over time from multiple sources, including a \$300,000,000 TIFIA loan, \$924,615,000 in Garvee bonds, toll revenues, state bonds, interest earnings, and other miscellaneous sources.

(b) ~~(\$44,311,000)~~ \$78,958,000 of the transportation partnership account—state appropriation ~~((*)~~), \$12,296,000 of the motor vehicle account—federal appropriation, and \$232,000 of the motor vehicle account—local appropriation are provided solely for the SR 520 Bridge Replacement and HOV project (8B11003).

(c) When developing the financial plan for the project, the department shall assume that all maintenance and operation costs for the new facility are to be covered by tolls collected on the toll facility and not by the motor vehicle account.

~~((45))~~ (17) The department shall itemize all future requests for the construction of buildings on a project list and submit them through the transportation executive information system as part of the department's ~~(2018)~~ annual budget submittal. It is the intent of the legislature that new facility construction must be transparent and not appropriated within larger highway construction projects.

~~((46))~~ (18) Any advisory group that the department convenes during the 2017-2019 fiscal biennium must consider the interests of the entire state of Washington.

~~((48))~~ (19) It is the intent of the legislature that for the I-5 JBLM Corridor Improvements project (M00100R), the department shall actively pursue \$50,000,000 in federal funds to pay for this project to supplant state funds in the future. \$50,000,000 in connecting Washington account funding must be held in unallotted status during the 2021-2023 fiscal biennium. These funds may only be used after the department has provided notice to the office of financial management that it has exhausted all efforts to secure federal funds from the federal highway administration and the department of defense.

~~((49) \$93,500,000)~~ (20) \$93,651,000 of the connecting Washington account—state appropriation is provided solely for the SR 167/SR 509 Puget Sound Gateway project (M00600R).

(a) Any savings on the project must stay on the Puget Sound Gateway corridor until the project is complete.

(b) Proceeds from the sale of any surplus real property acquired for the purpose of building the SR 167/SR 509 Puget Sound Gateway (M00600R) project must be deposited into the motor vehicle account for the purpose of constructing the project.

~~((20))~~ (21)(a) In making budget allocations to the Puget Sound Gateway project, the department shall implement the project's construction as a single corridor investment. The department shall develop a coordinated corridor construction and implementation plan for state route number 167 and state route number 509 in collaboration with affected stakeholders. Specific funding allocations must be based on where and when specific project segments are ready for construction to move forward and investments can be best optimized for timely project completion. Emphasis must be placed on avoiding gaps in fund expenditures for either project.

(b) The secretary of transportation must develop a memorandum of understanding with local project stakeholders that identifies a schedule for stakeholders to provide local matching funds for the Puget Sound Gateway project. Criteria for eligibility of local match includes matching funds and equivalent in-kind contributions including, but not limited to, land donations. The memorandum of understanding must be finalized by July 1, 2018. The department must submit a copy of the memorandum of understanding to the transportation committees of the legislature

and report regularly on the status of the requirements outlined in this subsection ~~((20))~~ (21)(b) and (c) of this subsection.

(c) During the course of developing the memorandum of understanding, the department must evaluate the project schedules to determine if there are any benefits to be gained by moving the project schedule forward. ~~((Additionally, the department must consider completing))~~ It is the legislature's intent that if the department identifies any savings after the funding gap on the base project is closed as part of the proposal to expedite the project, that these cost savings shall go toward construction of a full single-point urban interchange at the junction of state route number 161 (Meridian avenue) and state route number 167 and a full single-point urban interchange at the junction of state route number 509 and 188th Street. If the department receives additional funds from an outside source for this project after the funding gap on the base project is closed, the funds must be applied toward the completion of these two full single-point urban interchanges.

(d) For the SR 167/SR 509 Puget Sound Gateway project (M00600R) the department is strongly encouraged to work to relocate any significant businesses currently located within the planned path of the state route number 509/Interstate 5 undercrossing to a location within the Kent city limits. The department shall provide regular updates on its progress to the joint transportation committee and affected stakeholders.

(e) In designing the state route number 509/state route number 516 interchange component of the SR 167/SR 509 Puget Sound Gateway project (M00600R), the department shall make every effort to utilize the preferred "4B" design.

~~((24))~~ (22) It is the intent of the legislature that, for the I-5/North Lewis County Interchange project (L2000204), the department develop and design the project with the objective of significantly improving access to the industrially zoned properties in north Lewis county. The design must consider the county's process of investigating alternatives to improve such access from Interstate 5 that began in March 2015.

~~((22) \$600,000)~~ (23)(a) \$2,000,000 of the transportation partnership account—state appropriation and \$942,000 of the motor vehicle account—state appropriation are provided solely for the U.S. 2 Trestle IJR project (L1000158).

(b) Of the amounts provided in this subsection, \$942,000 of the motor vehicle account—state appropriation is provided solely for the department to complete an interchange justification report (IJR) for the U.S. 2 trestle ~~((L1000158))~~, covering the state route number 204 and 20th Street interchanges at the end of the westbound structure.

(a) The department shall develop the IJR in close collaboration with affected local jurisdictions, including Snohomish county and the cities of Everett, Lake Stevens, Marysville, Snohomish, and Monroe.

(b) Within the amount provided for the IJR, the department must address public outreach and the overall operational approval of the IJR.

(c) The department shall complete the IJR and submit the final report to the governor and the transportation committees of the legislature by July 1, 2018.

~~((23))~~ (24)(a) The legislature recognizes that the city of Mercer Island has unique access issues that require the use of Interstate 90 to leave the island and that this access may be affected by the I-90/Two-Way Transit and HOV Improvements project. One of the most heavily traveled on-ramps from Mercer Island to the westbound Interstate 90 general purpose lanes is from Island Crest Way. The department must continue to consult with the city of Mercer Island and the other signatories to the 1976 memorandum of agreement to preserve access provided to Mercer

Island by the Island Crest Way on-ramp, and thus grandfather in the current use of the on-ramp for both high occupancy vehicles as well as vehicles seeking to access the general purpose lanes of Interstate 90. The department must consider all reasonable access solutions, including allowing all vehicles to use the Island Crest Way on-ramp to access the new high occupancy vehicle lane with a reasonable and safe distance provided for single-occupancy vehicles to merge into the general purpose lanes.

(b) A final access solution for Mercer Island must consider the following criteria: Safety; operational effects on all users, including maintaining historic access to Interstate 90 provided from Mercer Island by Island Crest Way; enforcement requirements; and compliance with state and federal law.

(c) The department may not restrict by occupancy the westbound on-ramp from Island Crest Way until a final access solution that meets the criteria in (b) of this subsection has been reached.

~~((24) \$2,000,000)~~ (25) \$3,258,000 of the Interstate 405 express toll lanes operations account—state appropriation is provided solely for the I-405 NB Hard Shoulder Running – SR 527 to I-5 project (L1000163).

~~((25))~~ (26) The legislature finds that there are sixteen companies involved in wood preserving in the state that employ four hundred workers and have an annual payroll of fifteen million dollars. Before the department's switch to steel guardrails, ninety percent of the twenty-five hundred mile guardrail system was constructed of preserved wood and one hundred ten thousand wood guardrail posts were produced annually for state use. Moreover, the policy of using steel posts requires the state to use imported steel. Given these findings, where practicable, and until June 30, 2019, the department shall include the design option to use wood guardrail posts, in addition to steel posts, in new guardrail installations. The selection of posts must be consistent with the agency design manual policy that existed before December 2009.

~~((26))~~ (27) For the SR 526 Corridor Improvements project (N52600R), the department shall look holistically at the state route number 526 corridor from the state route number 526/Interstate 5 interchange at the east end to the southwest Everett industrial area and Boeing's west access road on the west end. The department, working with affected jurisdictions and stakeholders, shall select project elements that best maximize mobility and congestion relief in the corridor and draw from project elements identified in a practical solutions process.

~~((27) It is the intent of the legislature that for the I-5/Slater Road Interchange Improvements project (L1000099), \$2,000,000 of connecting Washington account state funds be added in the 2021-2023 fiscal biennium and \$10,100,000 of connecting Washington account state funds be added in the 2023-2025 fiscal biennium, and that the LEAP transportation document referenced in subsection (1) of this section be updated accordingly.)~~

(28)(a) For projects funded as part of the 2015 connecting Washington transportation package listed on the LEAP transportation document identified in subsection (1) of this section, if the department expects to have substantial reappropriations for the 2019-2021 fiscal biennium, the department may, on a pilot basis, apply funding from a project with an appropriation that cannot be used for the current fiscal biennium to advance one or more of the following projects:

- (i) SR 20/Sharpes Corner Vicinity Intersection (L1000112);
- (ii) I-5/Marvin Road/SR 510 Interchange (L1100110);
- (iii) I-5/Northbound On-ramp at Bakerview (L2000119);
- (iv) US 395/Ridgeline Intersection (L2000127);
- (v) I-90/Eastside Restripe Shoulders (L2000201);
- (vi) SR 240/Richland Corridor Improvements (L2000202);

(vii) SR 14/Bingen Overpass (L2220062);

(viii) US Hwy 2 Safety (N00200R);

(ix) SR 520/148th Ave NE Overlake Access Ramp (L1100101);

(x) SR 28/SR 285 North Wenatchee Area Improvements (L2000061);

(xi) I-5/Rebuild Chamber((s)) Way Interchange Improvements (L2000223);

(xii) SR 28 East Wenatchee Corridor Improvements (T10300R);

(xiii) ~~((SR 3/Belfair Bypass—New Alignment))~~ SR 3 Freight Corridor (T30400R); or

(xiv) SR 510/Yelm Loop Phase 2 (T32700R).

(b) At least ten business days before advancing a project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The advancement of a project may not hinder the delivery of the projects for which the reappropriations are necessary for the 2019-2021 fiscal biennium.

(29) Within existing resources and in consultation with local communities, the department shall begin planning efforts, including traffic data collection, analysis and evaluation, scoping, and environmental review, for roundabouts at the intersection of state route number 900 and SE May Valley Road and at the intersection of state route number 169 and Cedar Grove Road SE.

(30) ~~((Among the options studied as part of the SR 410 Corridor Study project (L1000174), the department shall examine the mobility and safety benefits of replacing or expanding the White River bridge between Enumelaw and Buckley to four lanes and removing the trestle.))~~ The legislature continues to prioritize the replacement of the state's aging infrastructure and recognizes the importance of reusing and recycling construction aggregate and recycled concrete materials in our transportation system.

To accomplish Washington state's sustainability goals in transportation and in accordance with RCW 70.95.805, the legislature reaffirms its direction to the department to lead the way in advancing the reuse and recycling of construction aggregate and recycled concrete materials whenever readily available, to use these recycled products when cost competitive, and to work with industry implementation partners to remove obstacles that unnecessarily preclude or inhibit their use and implement strategies for the reuse and recycling of construction aggregate and recycled concrete materials.

Specific steps and efforts made to achieve these objectives and accomplishments shall be included in the annual report to the legislature as required by RCW 70.95.807.

(31) Within existing resources, the department shall implement a safety solution after evaluating barrier and mitigation options on state route number 167 between the intersections with 50th Ave E and E 40th Street in Pierce county to prevent vehicles from leaving the roadway and entering private property below the grade of the highway.

(32) \$350,000 of the motor vehicle account—state appropriation is provided solely for implementation of chapter 288 (Substitute Senate Bill No. 5806), Laws of 2017 (I-5 Columbia river bridge), listed as Replacement Bridge on Interstate 5 across the Columbia River project number (L2000259).

(33) For the SR 520 Seattle Corridor Improvements – West End project (M00400R), the legislature recognizes the department must acquire the entirety of parcel number 1-23190 for construction of the project. The department shall work with its design-build contractor to ensure to the maximum extent practicable that the building housing any grocery store or market currently located on parcel number 1-23190 will be preserved. The legislature recognizes the city of Seattle has requirements in

(1) Except as provided otherwise in this section, the entire connecting Washington account—state appropriation and the entire transportation partnership account—state appropriation are provided solely for the projects and activities as listed by fund, project, and amount in LEAP Transportation Document ((2017-4)) 2018-1 as developed ((April 20, 2017)) March 5, 2018, Program - Highway Preservation Program (P). However, limited transfers of specific line-item project appropriations may occur between projects for those amounts listed subject to the conditions and limitations in section 601 of this act.

(2) Except as otherwise provided in this section, the entire transportation 2003 account (nickel account)—state appropriation is provided solely for the projects and activities as listed in LEAP Transportation Document ((2017-4)) 2018-1 as developed ((April 20, 2017)) March 5, 2018, Program - Highway Preservation Program (P).

(3) Except as provided otherwise in this section, the entire motor vehicle account—state appropriation and motor vehicle account—federal appropriation are provided solely for the projects and activities listed in LEAP Transportation Document ((2017-2)) 2018-2 ALL PROJECTS as developed ((April 20, 2017)) March 5, 2018, Program - Highway Preservation Program (P). Any federal funds gained through efficiencies, adjustments to the federal funds forecast, additional congressional action not related to a specific project or purpose, or the federal funds redistribution process must then be applied to highway and bridge preservation activities.

(4) Within the motor vehicle account—state appropriation and motor vehicle account—federal appropriation, the department may transfer funds between programs I and P, except for funds that are otherwise restricted in this act. The department shall submit a report on fiscal year ((2017)) funds transferred in the prior fiscal year using this subsection as part of the department's ((2018)) annual budget submittal.

(5) The transportation 2003 account (nickel account)—state appropriation includes up to ((~~\$13,395,000~~)) \$29,553,000 in proceeds from the sale of bonds authorized in RCW 47.10.861.

(6) The motor vehicle account—state appropriation includes up to \$29,985,000 in proceeds from the sale of bonds authorized in RCW 47.10.843.

((~~\$7,200,000~~)) (7) \$11,553,000 of the connecting Washington account—state appropriation is provided solely for the land mobile radio upgrade (G2000055) and is subject to the conditions, limitations, and review provided in section 701 ((of this act)), chapter 313, Laws of 2017. The land mobile radio project is subject to technical oversight by the office of the chief information officer. The department, in collaboration with the office of the chief information officer, shall identify where existing or proposed mobile radio technology investments should be consolidated, identify when existing or proposed mobile radio technology investments can be reused or leveraged to meet multiagency needs, increase mobile radio interoperability between agencies, and identify how redundant investments can be reduced over time. The department shall also provide quarterly reports to the technology services board on project progress.

((7)) (8) \$3,000,000 of the motor vehicle account—state appropriation is provided solely for extraordinary costs incurred from litigation awards, settlements, or dispute mitigation activities not eligible for funding from the self-insurance fund. The amount provided in this subsection must be held in unallotted status until the department submits a request to the office of financial management that includes documentation detailing litigation-related expenses. The office of financial management may release the funds only when it determines that all other funds designated for litigation awards, settlements, and dispute mitigation activities have been exhausted. No funds provided in this subsection may be expended on any legal fees related to the SR 99/Alaskan Way viaduct replacement project.

((8)) ~~\$22,620,000~~ (9) \$20,755,000 of the motor vehicle account—federal appropriation and ((~~\$663,000~~)) \$844,000 of the motor vehicle account—state appropriation are provided solely for the preservation of structurally deficient bridges or bridges that are at risk of becoming structurally deficient. These funds must be used widely around the state of Washington. When practicable, the department shall pursue design-build contracts for these bridge projects to expedite delivery. The department shall provide a report that identifies the progress of each project funded in this subsection as part of its ((2018)) annual agency budget request.

((9)) (10) The appropriation in this section includes funding for starting planning, engineering, and construction of the Elwha

River bridge replacement. To the greatest extent practicable, the department shall maintain public access on the existing route.

~~((40))~~ (11)(a) ~~(((\$4,820,000))~~ \$9,014,000 of the motor vehicle account—federal appropriation and ~~(((\$182,000))~~ \$217,000 of the motor vehicle account—state appropriation are provided solely for weigh station preservation (0BP3006). These amounts must be held in unallotted status, except that the director of the office of financial management may approve allotment of the funds upon fulfillment of the conditions of (b) of this subsection.

(b) The department and the Washington state patrol shall jointly submit a prioritized list of weigh station projects to the office of financial management by October 1, 2017. Projects submitted must include estimated costs for preliminary engineering, rights-of-way, and construction and must also consider the timing of any available funding for weigh station projects.

~~((41))~~ (12) The department must consult with the Washington state patrol and the office of financial management during the design phase of any improvement or preservation project that could impact Washington state patrol weigh station operations. During the design phase of any such project, the department must estimate the cost of designing around the affected weigh station's current operations, as well as the cost of moving the affected weigh station.

~~((42))~~ (13) During the course of any planned resurfacing or other preservation activity on state route number 26 between Colfax and Othello in the 2017-2019 fiscal biennium, the department must add dug-in reflectors.

~~((44))~~ (15) For projects funded as part of the 2015 connecting Washington transportation package listed on the LEAP transportation document identified in subsection (1) of this section, if the department expects to have substantial reappropriations for the 2019-2021 fiscal biennium, the department may, on a pilot basis, apply funding from a project with an appropriation that cannot be used for the current fiscal biennium to advance the US 12/Wildcat Bridge Replacement project (L2000075). At least ten business days before advancing the project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The advancement of the project may not hinder the delivery of the projects for which the reappropriations are necessary for the 2019-2021 fiscal biennium.

(16) Within the connecting Washington account—state appropriation, the department may transfer funds from Highway System Preservation (L1100071) to other preservation projects listed in the LEAP transportation document identified in subsection (1) of this section, if it is determined necessary for completion of these high priority preservation projects. The department's next budget submittal after using this subsection must appropriately reflect the transfer.

The department shall issue FRIB program loans with a repayment period of no more than ten years, and charge only so much interest as is necessary to recoup the department's costs to administer the loans. The department shall report annually to the transportation committees of the legislature and the office of financial management on all FRIB loans issued.

(3) \$7,017,000 of the multimodal transportation account—state appropriation and \$24,000 of the essential rail assistance account—state appropriation are provided solely for new statewide emergent freight rail assistance projects identified in the LEAP transportation document referenced in subsection (1) of this section.

At least ten business days before advancing a project pursuant to this subsection, the department must notify the office of financial management and the transportation committees of the legislature. The advancement of a project may not hinder the delivery of the projects for which the reappropriations are necessary for the 2019-2021 fiscal biennium.

(8) It is the intent of the legislature to encourage the department to pursue federal grant opportunities leveraging up to \$6,696,000 in connecting Washington programmed funds to be used as a state match to improve the state-owned Palouse river and Coulee City system. The amount listed in this subsection is not a commitment for future legislatures, but is the legislature's intent that future legislatures will work to approve biennial appropriations up to a state match share not to exceed \$6,696,000 of a grant award.

IMPLEMENTING PROVISIONS

Sec. 601. 2017 c 313 s 601 (uncodified) is amended to read as follows:

FUND TRANSFERS

(1) The 2005 transportation partnership projects or improvements and 2015 connecting Washington projects or improvements are listed in the LEAP Transportation Document ~~((2017-1))~~ 2018-1 as developed ~~((April 20, 2017))~~ March 5, 2018, which consists of a list of specific projects by fund source and amount over a sixteen-year period. Current fiscal biennium funding for each project is a line-item appropriation, while the outer year funding allocations represent a sixteen-year plan. The department of transportation is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and connecting Washington account projects on the LEAP transportation document referenced in this subsection. For the 2017-2019 project appropriations, unless otherwise provided in this act, the director of the office of financial management may provide written authorization for a transfer of appropriation authority between projects funded with transportation partnership account appropriations or connecting Washington account appropriations to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

(a) Transfers may only be made within each specific fund source referenced on the respective project list;

(b) Transfers from a project may not be made as a result of the reduction of the scope of a project or be made to support increases in the scope of a project;

(c) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed in the current fiscal biennium;

(d) Transfers may not occur for projects not identified on the applicable project list;

(e) Transfers may not be made while the legislature is in session;

(f) Transfers to a project may not be made with funds designated as attributable to practical design savings as described in RCW 47.01.480;

(g) Each transfer between projects may only occur if the director of the office of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2018 supplemental omnibus transportation appropriations act, any unexpended 2015-2017 appropriation balance as approved by the office of financial management, in consultation with the legislative staff of the house of representatives and senate transportation committees, may be considered when transferring funds between projects; and

(h) Transfers between projects may be made by the department of transportation without the formal written approval provided under this subsection (1), provided that the transfer amount does not exceed two hundred fifty thousand dollars or ten percent of the total project, whichever is less. These transfers must be reported quarterly to the director of the office of financial management and the chairs of the house of representatives and senate transportation committees.

(2) The department of transportation must submit quarterly all transfers authorized under this section in the transportation executive information system. The office of financial management must maintain a legislative baseline project list identified in the LEAP transportation documents referenced in this act, and update that project list with all authorized transfers under this section.

(3) At the time the department submits a request to transfer funds under this section, a copy of the request must be submitted to the transportation committees of the legislature.

(4) Before approval, the office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested transfers in a timely manner.

(5) No fewer than ten days after the receipt of a project transfer request, the director of the office of financial management must provide written notification to the department of any decision regarding project transfers, with copies submitted to the transportation committees of the legislature.

(6) The department must submit annually as part of its budget submittal a report detailing all transfers made pursuant to this section.

Sec. 602. 2017 c 313 s 606 (uncodified) is amended to read as follows:

(1) By November 15, 2017, and annually thereafter, the department of transportation must report on amounts expended to benefit transit, bicycle, or pedestrian elements within all connecting Washington projects in programs I, P, and Z identified in LEAP Transportation Document ((2017-2)) 2018-2 ALL PROJECTS as developed ((April 20, 2017)) March 5, 2018. The report must address each modal category separately and identify if eighteenth amendment protected funds have been used and, if not, the source of funding.

(2) To facilitate the report in subsection (1) of this section, the department of transportation must require that all bids on connecting Washington projects include an estimate on the cost to implement any transit, bicycle, or pedestrian project elements.

Strike everything after the enacting clause and insert the following:

**"PART I
TITLE AND INTENT**

NEW SECTION. **Sec. 1.** This act may be known and cited as the law enforcement training and community safety act.

NEW SECTION. **Sec. 2.** The intent of the people in enacting this act is to make our communities safer. This is accomplished by requiring law enforcement officers to obtain violence de-escalation and mental health training, so that officers will have greater skills to resolve conflicts without the use of physical or deadly force. Law enforcement officers will receive first aid training and be required to render first aid, which will save lives and be a positive point of contact between law enforcement officers and community members to increase trust and reduce conflicts. Finally, the initiative adopts a "good faith" standard for officer criminal liability in those exceptional circumstances where deadly force is used, so that officers using deadly force in carrying out their duties in good faith will not face prosecution.

PART II

REQUIRING LAW ENFORCEMENT OFFICERS TO RECEIVE VIOLENCE DE-ESCALATION TRAINING

NEW SECTION. **Sec. 3.** A new section is added to chapter 43.101 RCW to read as follows:

(1) Beginning one year after the effective date of this section, all law enforcement officers in the state of Washington must receive violence de-escalation training. Law enforcement officers beginning employment after the effective date of this section must successfully complete such training within the first fifteen months of employment. The commission shall set the date by which other law enforcement officers must successfully complete such training.

(2) All law enforcement officers shall periodically receive continuing violence de-escalation training to practice their skills, update their knowledge and training, and learn about new legal requirements and violence de-escalation strategies.

(3) The commission shall set training requirements through the procedures in section 5 of this act.

PART III

REQUIRING LAW ENFORCEMENT OFFICERS TO RECEIVE MENTAL HEALTH TRAINING

NEW SECTION. **Sec. 4.** A new section is added to chapter 43.101 RCW to read as follows:

(1) Beginning one year after the effective date of this section, all law enforcement officers in the state of Washington must receive mental health training. Law enforcement officers beginning employment after the effective date of this section must

successfully complete such training within the first fifteen months of employment. The commission shall set the date by which other law enforcement officers must successfully complete such training.

(2) All law enforcement officers shall periodically receive continuing mental health training to update their knowledge about mental health issues and associated legal requirements, and to update and practice skills for interacting with people with mental health issues.

(3) The commission shall set training requirements through the procedures in section 5 of this act.

**PART IV
TRAINING REQUIREMENTS SHALL BE SET IN
CONSULTATION WITH LAW ENFORCEMENT AND
COMMUNITY STAKEHOLDERS**

NEW SECTION. **Sec. 5.** A new section is added to chapter 43.101 RCW to read as follows:

(1) Within six months after the effective date of this section, the commission must consult with law enforcement agencies and community stakeholders and adopt rules for carrying out the training requirements of sections 3 and 4 of this act. Such rules must, at a minimum:

(a) Adopt training hour requirements and curriculum for initial violence de-escalation trainings required by this act;

(b) Adopt training hour requirements and curriculum for initial mental health trainings required by this act, which may include all or part of the mental health training curricula established under RCW 43.101.227 and 43.101.427;

(c) Adopt annual training hour requirements and curricula for continuing trainings required by this act;

(d) Establish means by which law enforcement officers will receive trainings required by this act; and

(e) Require compliance with this act's training requirements.

(2) In developing curricula, the commission shall consider inclusion of the following:

(a) De-escalation in patrol tactics and interpersonal communication training, including tactical methods that use time, distance, cover, and concealment, to avoid escalating situations that lead to violence;

(b) Alternatives to jail booking, arrest, or citation in situations where appropriate;

(c) Implicit and explicit bias, cultural competency, and the historical intersection of race and policing;

(d) Skills including de-escalation techniques to effectively, safely, and respectfully interact with people with disabilities and/or behavioral health issues;

(e) "Shoot/don't shoot" scenario training;

(f) Alternatives to the use of physical or deadly force so that de-escalation tactics and less lethal alternatives are part of the decision-making process leading up to the consideration of deadly force;

(g) Mental health and policing, including bias and stigma; and

(h) Using public service, including rendering of first aid, to provide a positive point of contact between law enforcement officers and community members to increase trust and reduce conflicts.

(3) The initial violence de-escalation training must educate officers on the good faith standard for use of deadly force established by this act and how that standard advances violence de-escalation goals.

(4) The commission may provide trainings, alone or in partnership with private parties or law enforcement agencies, authorize private parties or law enforcement agencies to provide

trainings, or any combination thereof. The entity providing the training may charge a reasonable fee.

**PART V
ESTABLISHING LAW ENFORCEMENT OFFICERS'
DUTY TO RENDER FIRST AID**

NEW SECTION. **Sec. 6.** A new section is added to chapter 36.28A RCW to read as follows:

(1) It is the policy of the state of Washington that all law enforcement personnel must provide or facilitate first aid such that it is rendered at the earliest safe opportunity to injured persons at a scene controlled by law enforcement.

The guidelines must: (a) Adopt first aid training requirements; (b) address best practices for securing a scene to facilitate the safe, swift, and effective provision of first aid to anyone injured in a scene controlled by law enforcement or as a result of law enforcement action; and (c) assist agencies and law enforcement officers in balancing the many essential duties of officers with the solemn duty to preserve the life of persons with whom officers come into direct contact.

**PART VI
ADOPTING A "GOOD FAITH" STANDARD FOR LAW
ENFORCEMENT OFFICER USE OF DEADLY FORCE**

Sec. 7. RCW 9A.16.040 and 1986 c 209 s 2 are each amended to read as follows:

(1) Homicide or the use of deadly force is justifiable in the following cases:

(a) When a public officer applies deadly force (~~((is acting))~~) in obedience to the judgment of a competent court; or

(b) When necessarily used by a peace officer meeting the good faith standard of this section to overcome actual resistance to the execution of the legal process, mandate, or order of a court or officer, or in the discharge of a legal duty~~((:))~~; or

(c) When necessarily used by a peace officer meeting the good faith standard of this section or person acting under the officer's command and in the officer's aid:

(i) To arrest or apprehend a person who the officer reasonably believes has committed, has attempted to commit, is committing, or is attempting to commit a felony;

(ii) To prevent the escape of a person from a federal or state correctional facility or in retaking a person who escapes from such a facility; ~~((or))~~

(iii) To prevent the escape of a person from a county or city jail or holding facility if the person has been arrested for, charged with, or convicted of a felony; or

(iv) To lawfully suppress a riot if the actor or another participant is armed with a deadly weapon.

(2) In considering whether to use deadly force under subsection (1)(c) of this section, to arrest or apprehend any person for the commission of any crime, the peace officer must have probable cause to believe that the suspect, if not apprehended, poses a threat of serious physical harm to the officer or a threat of serious physical harm to others. Among the circumstances which may be considered by peace officers as a "threat of serious physical harm" are the following:

(a) The suspect threatens a peace officer with a weapon or displays a weapon in a manner that could reasonably be construed as threatening; or

(b) There is probable cause to believe that the suspect has committed any crime involving the infliction or threatened infliction of serious physical harm.

Under these circumstances deadly force may also be used if necessary to prevent escape from the officer, where, if feasible, some warning is given, provided the officer meets the good faith standard of this section.

(3) A public officer (~~or peace officer~~) covered by subsection (1)(a) of this section shall not be held criminally liable for using deadly force without malice and with a good faith belief that such act is justifiable pursuant to this section.

(4) A peace officer shall not be held criminally liable for using deadly force in good faith, where "good faith" is an objective standard which shall consider all the facts, circumstances, and information known to the officer at the time to determine whether a similarly situated reasonable officer would have believed that the use of deadly force was necessary to prevent death or serious physical harm to the officer or another individual.

(5) This section shall not be construed as:

(a) Affecting the permissible use of force by a person acting under the authority of RCW 9A.16.020 or 9A.16.050; or

(b) Preventing a law enforcement agency from adopting standards pertaining to its use of deadly force that are more restrictive than this section.

**PART VII
MISCELLANEOUS**

NEW SECTION. Sec. 8. The provisions of this act are to be liberally construed to effectuate the intent, policies, and purposes of this act. Nothing in this act precludes local jurisdictions or law enforcement agencies from enacting additional training requirements or requiring law enforcement officers to provide first aid in more circumstances than required by this act or guidelines adopted under this act.

NEW SECTION. Sec. 9. (1) Except where a different timeline is provided in this act, the Washington state criminal justice training commission must adopt any rules necessary for carrying out the requirements of this act within one year after the effective date of this section. In carrying out all rule making under this act, the commission shall seek input from the attorney general, law enforcement agencies, the Washington council of police and sheriffs, the Washington state fraternal order of police, the council of metropolitan police and sheriffs, the Washington state patrol troopers association, at least one association representing law enforcement who represent traditionally underrepresented communities including the black law enforcement association of Washington, de-escalate Washington, tribes, and community stakeholders. The commission shall consider the use of negotiated rule making.

(2) Where this act requires involvement of community stakeholders, input must be sought from organizations advocating for: Persons with disabilities; members of the lesbian, gay, bisexual, transgender, and queer community; persons of color; immigrants; non-citizens; native Americans; youth; and formerly incarcerated persons.

NEW SECTION. Sec. 10. Except as required by federal consent decree, federal settlement agreement, or federal court order, where the use of deadly force by a peace officer results in death, substantial bodily harm, or great bodily harm, an independent investigation must be completed to inform any determination of whether the use of deadly force met the good

faith standard established in RCW 9A.16.040 and satisfied other applicable laws and policies. The investigation must be completely independent of the agency whose officer was involved in the use of deadly force. The criminal justice training commission must adopt rules establishing criteria to determine what qualifies as an independent investigation pursuant to this section.

NEW SECTION. Sec. 11. Whenever a law enforcement officer's application of force results in the death of a person who is an enrolled member of a federally recognized Indian tribe, the law enforcement agency must notify the governor's office of Indian affairs. Notice by the law enforcement agency to the governor's office of Indian affairs must be made within a reasonable period of time, but not more than twenty-four hours after the law enforcement agency has good reason to believe that the person was an enrolled member of a federally recognized Indian tribe. Notice provided under this section must include sufficient information for the governor's office of Indian affairs to attempt to identify the deceased person and his or her tribal affiliation. Nothing in this section requires a law enforcement agency to disclose any information that could compromise the integrity of any criminal investigation. The governor's office of Indian affairs must establish a means to receive the notice required under this section, including outside of regular business hours, and must immediately notify the tribe of which the person was enrolled.

NEW SECTION. Sec. 12. A new section is added to chapter 9A.16 RCW to read as follows:

(1) When a peace officer who is charged with a crime is found not guilty or charges are dismissed by reason of justifiable homicide or use of deadly force under RCW 9A.16.040, or by reason of self-defense, for actions taken while on duty or otherwise within the scope of his or her authority as a peace officer, the state of Washington shall reimburse the defendant for all reasonable costs, including loss of time, legal fees incurred, and other expenses involved in his or her defense. This reimbursement is not an independent cause of action.

(2) If the trier of fact makes a determination of justifiable homicide, justifiable use of deadly force, or self-defense, the judge shall determine the amount of the award.

(3) Whenever the issue of justifiable homicide, justifiable use of deadly force, or self-defense under this section is decided by a judge, or whenever charges against a peace officer are dismissed based on the merits, the judge shall consider the same questions as must be answered in the special verdict under subsection (4) of this section.

(4) Whenever the issue of justifiable homicide, justifiable use of deadly force, or self-defense under this section has been submitted to a jury, and the jury has found the defendant not guilty, the court shall instruct the jury to return a special verdict in substantially the following form:

- | | |
|---|---------------------|
| | answer yes or no |
| 1. Was the defendant on duty or otherwise acting within the scope of his or her authority as a peace officer? | |
| 2. Was the finding of not guilty based upon justifiable homicide, justifiable use of deadly force, or self-defense? | |

(5) Nothing in this section precludes the legislature from using the sundry claims process to grant an award where none was granted under this section or otherwise where the charge was dismissed prior to trial, or to grant a higher award than one granted under this section.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 14. Sections 10 and 11 of this act constitute a new chapter in Title 10 RCW.

NEW SECTION. Sec. 15. For constitutional purposes, the subject of this act is "law enforcement."

NEW SECTION. Sec. 16. This act is the alternative to Initiative 940, which has been proposed to the legislature. The secretary of state is directed to place this act on the ballot in conjunction with Initiative 940, pursuant to Article II, section 1(a) of the state Constitution."

On page 1, line 1 of the title, after "enforcement;" strike the remainder of the title and insert "amending RCW 9A.16.040; adding new sections to chapter 43.101 RCW; adding a new section to chapter 36.28A RCW; adding a new section to chapter 9A.16 RCW; adding a new chapter to Title 10 RCW; creating new sections; and providing for submission of this act to a vote of the people."

Senators Padden, Fain, Baumgartner, Angel, Sheldon, Becker and Fortunato spoke in favor of adoption of the striking amendment.

Senators Pedersen, O'Ban, Chase and Hasegawa spoke against adoption of the striking amendment.

MOTION

Senator Padden demanded a roll call.

The President declared that one-sixth of the members supported the demand and the demand was sustained.

The President declared the question before the Senate to be the adoption of the striking amendment by Senator Padden to Engrossed Substitute House Bill No. 3003.

ROLL CALL

The Secretary called the roll on the adoption of the striking amendment by Senator Padden and the striking amendment was not adopted by the following vote: Yeas, 23; Nays, 25; Absent, 1; Excused, 0.

Voting yea: Senators Angel, Bailey, Baumgartner, Becker, Braun, Brown, Fain, Fortunato, Hawkins, Honeyford, King, Miloscia, O'Ban, Padden, Rivers, Schoesler, Sheldon, Short, Wagoner, Walsh, Warnick, Wilson and Zeiger

Voting nay: Senators Billig, Carlyle, Chase, Cleveland, Conway, Darneille, Dhingra, Frockt, Hasegawa, Hobbs, Hunt, Keiser, Kuderer, Lias, McCoy, Mullet, Nelson, Palumbo, Pedersen, Ranker, Rolfes, Saldaña, Takko, Van De Wege and Wellman

Absent: Senator Ericksen.

MOTION

On motion of Senator Pedersen, the rules were suspended, Engrossed Substitute House Bill No. 3003 was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

POINT OF ORDER

Senator Baumgartner: "Thank you Mr. President. I rise to a point of order of: How many votes is required to pass this bill?"

President Habib: "Senator Baumgartner."

Senator Baumgartner: "Thank you Mr. President. This bill clearly amends an initiative which requires a two-thirds vote in the plain reading of the constitution. I would ask for you to rule on that."

President Habib: "Senator Pedersen."

Senator Pedersen: "Well, thank you very much Mr. President. I think this is a good teachable moment for everyone to understand exactly what Article 2, Section 41 of the Constitution says. May I read Mr. President?"

President Habib: "Proceed."

Senator Pedersen: "It says, in relevant part, 'No act, law, or bill approved by a majority of the electors voting thereon shall be amended or repealed by the legislature within a period of two years following such enactment: *Provided*, That any such act, law, or bill may be amended within two years after such enactment at any regular of special session of the legislature by a vote of two-thirds of all the members elected to each house with full compliance with section 12, Article III, of the Washington Constitution' et cetera. The point being, I guess Mr. President, that initiatives to the legislature are different from initiatives voted on by the people. Initiatives to the legislature may be amended immediately after enactment just like any other public law. The constitution provides the special protection only to measures that have been enacted by the people. Thank you."

President Habib: "One moment Senator Baumgartner. Senator Pedersen, just stay standing for a quick question. I just want to know, for the President's information, so then is it your argument that this is amending an initiative to the legislature? That that's what Engrossed Substitute House Bill 3003 is seeking to do, is amend I-940 and, therefore, because it's initiative legislation before the legislature, it, according to you, would require a simple majority, not the two-thirds?"

Senator Pedersen: "Mr. President, that is correct. The bill is contingent on, goes into effect only if Initiative 940 is enacted by the legislature, is not subject to a referendum challenge, and goes into effect in June after that, a day later, this bill would become effective, if we enact it."

President Habib: "So you're saying that constitutes amending the initiative?"

Senator Pedersen: "That constitutes a subsequent amendment of the initiative. Thank you."

President Habib: "There have been remarks, Senator Baumgartner. Unless you have another point, my practice has been to allow one speech on either side of this so we don't have a whole parliamentary debate on the floor."

Senator Baumgartner: "If that's the way we want to do it."

President Habib: "But you are obviously able to communicate through your Counsel. Senator Lias, the President just needs a few moments to consider this question."

Sec. 201. 2017 3rd sp.s. c 1 s 201 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES

(1) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment

SIXTIETH DAY, MARCH 8, 2018

2018 REGULAR SESSION

modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3) The legislature finds that medicaid payment rates, as calculated by the department pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

(4) The department shall to the maximum extent practicable use the same system for delivery of spoken-language interpreter services for social services appointments as the one established for medical appointments in the health care authority. When contracting directly with an individual to deliver spoken language interpreter services, the department shall only contract with language access providers who are working at a location in the state and who are state-certified or state-authorized, except that when such a provider is not available, the department may use a language access provider who meets other certifications or standards deemed to meet state standards, including interpreters in other states.

(5) Information technology projects or investments and proposed projects or investments impacting time capture, payroll and payment processes and systems, eligibility, case management, and authorization systems within the department of social and health services are subject to technical oversight by the office of the chief information officer.

(6)(a) The department shall facilitate enrollment under the medicaid expansion for clients applying for or receiving state funded services from the department and its contractors. Prior to open enrollment, the department shall coordinate with the health care authority to provide referrals to the Washington health benefit exchange for clients that will be ineligible for medicaid.

(b) To facilitate a single point of entry across public and medical assistance programs, and to maximize the use of federal funding, the health care authority, the department of social and health services, and the health benefit exchange will coordinate efforts to expand HealthPlanfinder access to public assistance and medical eligibility staff. The department shall complete medicaid applications in the HealthPlanfinder for households receiving or applying for public assistance benefits.

(7) In accordance with RCW 71.24.380, the health care authority and the department are authorized to purchase medical and behavioral health services through integrated contracts upon request of all of the county authorities in a regional service area to become an early adopter of fully integrated purchasing of medical and behavioral health services. The department may combine and transfer such amounts appropriated under sections 204, 208, and 213 of this act as may be necessary to fund early adopter contracts. The amount of medicaid funding transferred from each program may not exceed the average per capita cost assumed in this act for individuals covered by that program, actuarially adjusted for the health condition of persons enrolled, times the number of clients enrolled. The amount of non-medicaid funding transferred from sections 204 and 208 may not exceed the amount that would have been contracted with a behavioral health organization if the county authorities had not requested to become an early adopter of fully integrated purchasing. These limits do not apply to the amounts provided in section 204(1)(s) of this act. If any funding that this act provides solely for a specific purpose is transferred under this subsection, that funding must be used consistently with the provisions and conditions for which it was provided.

(8) In accordance with RCW 71.24.380, the department is authorized to purchase mental health and substance use disorder services through integrated contracts with behavioral health organizations. The department may combine and transfer such amounts appropriated under sections 204 and 208 of this act as may be necessary to finance these behavioral health organization contracts. If any funding that this act provides solely for a specific purpose is transferred under this subsection, that funding must be used consistently with the provisions and conditions for which it was provided.

(9)(a) The appropriations to the department of social and health services in this act must be expended for the programs and in the amounts specified in this act. However, after May 1, 2018, unless prohibited by this act, the department may transfer general fund—state appropriations for fiscal year 2018 among programs and subprograms after approval by the director of the office of financial management. However, the department may not transfer state appropriations that are provided solely for a specified purpose except as expressly provided in (b) through (d) of this subsection.

(b) To the extent that transfers under (a) of this subsection are insufficient to fund actual expenditures in excess of fiscal year 2018 caseload forecasts and utilization assumptions in the long-term care, developmental disabilities, foster care, adoption support, and public assistance programs, the department may transfer state appropriations that are provided solely for a specified purpose.

(c) Within the mental health program, the department may transfer appropriations that are provided solely for a specified purpose within and between subprograms as needed to fund actual expenditures through the end of fiscal year 2018.

(d) Within the developmental disabilities program, the department may transfer appropriations that are provided solely for a specified purpose within and between subprograms as needed to fund actual expenditures through the end of fiscal year 2018.

(e) The department may not transfer appropriations, and the director of the office of financial management may not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of the office of financial management shall notify the appropriate fiscal committees of the senate and house of representatives in writing seven days prior to approving

any allotment modifications or transfers under this subsection. The written notification shall include a narrative explanation and justification of the changes, along with expenditures and allotments by budget unit and appropriation, both before and after any allotment modifications or transfers.

The appropriations in this section are subject to the following conditions and limitations:

(1) \$331,000 of the general fund—state appropriation for fiscal year 2018 and \$331,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for deposit in the county criminal justice assistance account for costs to the criminal justice system associated with the implementation of chapter 338, Laws of 1997 (juvenile code revisions). The amounts provided in this subsection are intended to provide funding for county adult court costs associated with the implementation of chapter 338, Laws of 1997 and shall be distributed in accordance with RCW 82.14.310.

(2) \$2,841,000 of the general fund—state appropriation for fiscal year 2018 and \$2,841,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for grants to county juvenile courts for the following juvenile justice programs identified by the Washington state institute for public policy (institute) in its report: "Inventory of Evidence-based, Research-based, and Promising Practices for Prevention and Intervention Services for Children and Juveniles in the Child Welfare, Juvenile Justice, and Mental Health Systems." Additional funding for this purpose is provided through an interagency agreement with the health care authority. County juvenile courts shall apply to the juvenile rehabilitation administration for funding for program-specific participation and the administration shall provide grants to the courts consistent with the per-participant treatment costs identified by the institute.

(3) \$1,537,000 of the general fund—state appropriation for fiscal year 2018 and \$1,537,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for expansion of the following juvenile justice treatments and therapies in juvenile rehabilitation administration programs identified by the Washington state institute for public policy in its report: "Inventory of Evidence-based, Research-based, and Promising Practices for Prevention and Intervention Services for Children and Juveniles in the Child Welfare, Juvenile Justice, and Mental Health Systems." The administration may concentrate delivery of these treatments and therapies at a limited number of programs to deliver the treatments in a cost-effective manner.

(4)(a) \$6,198,000 of the general fund—state appropriation for fiscal year 2018 and \$6,198,000 of the general fund—state appropriation for fiscal year 2019 are provided solely to implement evidence- and research-based programs through community juvenile accountability grants, administration of the grants, and evaluations of programs funded by the grants. In addition to funding provided in this subsection, funding to implement alcohol and substance abuse treatment programs for locally committed offenders is provided through an interagency agreement with the health care authority.

(b) The juvenile rehabilitation administration shall administer a block grant to county juvenile courts for the purpose of serving youth as defined in RCW 13.40.510(4)(a) in the county juvenile justice system. Funds dedicated to the block grant include: Consolidated juvenile service (CJS) funds, community juvenile accountability act (CJAA) grants, chemical dependency/mental health disposition alternative (CDDA), and suspended disposition alternative (SDA). The juvenile rehabilitation administration shall follow the following formula and must prioritize evidence-based programs and disposition alternatives and take into account juvenile courts program-eligible youth in conjunction with the number of youth served in each approved evidence-based program or disposition alternative: (i) Thirty-seven and one-half

percent for the at-risk population of youth ten to seventeen years old; (ii) fifteen percent for the assessment of low, moderate, and high-risk youth; (iii) twenty-five percent for evidence-based program participation; (iv) seventeen and one-half percent for minority populations; (v) three percent for the chemical dependency and mental health disposition alternative; and (vi) two percent for the suspended dispositional alternatives. Funding for the special sex offender disposition alternative (SSODA) shall not be included in the block grant, but allocated on the average daily population in juvenile courts. Funding for the evidence-based expansion grants shall be excluded from the block grant formula. Funds may be used for promising practices when approved by the juvenile rehabilitation administration and juvenile courts, through the community juvenile accountability act committee, based on the criteria established in consultation with Washington state institute for public policy and the juvenile courts.

(c) If Second Substitute House Bill No. 1280 (referred and diverted youth) is enacted, then the administration must implement a stop-loss policy when allocating funding under (b) of this subsection in the 2017-2019 fiscal biennium. Under the stop-loss policy, funding formula changes may not result in a funding loss for any juvenile court of more than two percent from one year to the next. The committee in (d) of this subsection must establish a minimum base level of funding for juvenile courts with lower numbers of at-risk youth age 10 – 17. The administration must report to the legislature by December 1, 2018, about how funding is used for referred youth and the impact of that use on overall use of funding. If the bill is not enacted by July 31, 2017, this subsection is null and void.

(d) The juvenile rehabilitation administration and the juvenile courts shall establish a block grant funding formula oversight committee with equal representation from the juvenile rehabilitation administration and the juvenile courts. The purpose of this committee is to assess the ongoing implementation of the block grant funding formula, utilizing data-driven decision making and the most current available information. The committee will be co-chaired by the juvenile rehabilitation administration and the juvenile courts, who will also have the ability to change members of the committee as needed to achieve its purpose. The committee may make changes to the formula categories in (b) of this subsection if it determines the changes will increase statewide service delivery or effectiveness of evidence-based program or disposition alternative resulting in increased cost/benefit savings to the state, including long-term cost/benefit savings. The committee must also consider these outcomes in determining when evidence-based expansion or special sex offender disposition alternative funds should be included in the block grant or left separate.

(e) The juvenile courts and administrative office of the courts must collect and distribute information and provide access to the data systems to the juvenile rehabilitation administration and the Washington state institute for public policy related to program and outcome data. The juvenile rehabilitation administration and the juvenile courts must work collaboratively to develop program outcomes that reinforce the greatest cost/benefit to the state in the implementation of evidence-based practices and disposition alternatives.

(5) \$98,000 of the general fund—state appropriation for fiscal year 2018 and \$98,000 of the general fund—state appropriation for fiscal year 2019 are provided solely to the juvenile block grant funding formula oversight committee described in subsection (4)(d) of this section to contract with research entities to: (a) Assist juvenile justice programs identified as promising practices or research-based in undergoing the research necessary to demonstrate that the program is evidence-based; and (b) establish

an annual, county-level evaluation of existing evidence-based juvenile justice programs.

(6) \$557,000 of the general fund—state appropriation for fiscal year 2018 and \$557,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for funding of the teamchild project.

(7) \$283,000 of the general fund—state appropriation for fiscal year 2018 and \$283,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for the juvenile detention alternatives initiative.

(8) \$500,000 of the general fund—state appropriation for fiscal year 2018 and \$500,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for a grant program focused on criminal street gang prevention and intervention. The juvenile rehabilitation administration may award grants under this subsection. The juvenile rehabilitation administration shall give priority to applicants who have demonstrated the greatest problems with criminal street gangs. Applicants composed of, at a minimum, one or more local governmental entities and one or more nonprofit, nongovernmental organizations that have a documented history of creating and administering effective criminal street gang prevention and intervention programs may apply for funding under this subsection. Each entity receiving funds must report to the juvenile rehabilitation administration on the number and types of youth served, the services provided, and the impact of those services on the youth and the community.

(9) The juvenile rehabilitation institutions may use funding appropriated in this subsection to purchase goods and supplies through hospital group purchasing organizations when it is cost-effective to do so.

(10) \$75,000 of the general fund—state appropriation for fiscal year 2018 is provided solely for the department to coordinate the examination of data associated with juvenile gang and firearm offenses. The review of data must include information from the administrative office of the courts, the office of the superintendent of public instruction, the office of financial management—education research data center, the Washington association of sheriffs and police chiefs, the caseload forecast council, and the department of corrections. For the purpose of carrying out the data review, named organizations are authorized to share data to include details of criminal arrest and conviction data. The department shall report to the governor and the appropriate legislative committees by February 1, 2018, with any recommendations for public policy that increases public safety.

The appropriations in this subsection are subject to the following conditions and limitations:

(a) For the purposes of this subsection, amounts provided for behavioral health organizations shall also be available for the health care authority to contract with entities that assume the responsibilities of behavioral health organizations in regions in which the health care authority is purchasing medical and behavioral health services through fully integrated contracts pursuant to RCW 71.24.380.

(b) ~~(\$6,590,000 of the general fund—state appropriation for fiscal year 2018~~~~(, \$6,590,000 of the general fund—state appropriation for fiscal year 2019;))~~ and ~~(\$7,620,000)~~ \$3,810,000 of the general fund—federal appropriation are provided solely for the department and behavioral health organizations to continue to contract for implementation of high-intensity programs for assertive community treatment (PACT) teams. In determining the proportion of medicaid and nonmedicaid funding provided to behavioral health organizations with PACT teams, the department shall consider the differences between behavioral health organizations in the percentages of services and other costs associated with the teams that are not reimbursable under medicaid. The department may allow behavioral health organizations which have nonmedicaid reimbursable costs that are higher than the nonmedicaid allocation they receive under this section to supplement these funds with local dollars or funds received under ~~((g))~~ (f) of this subsection. The department and behavioral health organizations shall maintain consistency with all essential elements of the PACT evidence-based practice model in programs funded under this section.

(c) From the general fund—state appropriations in this subsection, the department shall assure that behavioral health organizations reimburse the department of social and health services aging and long term support administration for the general fund—state cost of medicaid personal care services that enrolled behavioral health organization consumers use because of their psychiatric disability.

(d) ~~(\$3,520,000)~~ \$1,760,000 of the general fund—federal appropriation is provided solely for the department to maintain a pilot project to put peer bridging staff into each behavioral health organization as part of the state psychiatric liaison teams to promote continuity of service as individuals return to their communities. The department must collect data and submit a report to the office of financial management and the appropriate committees of the legislature on the impact of peer staff on state hospital discharges and community placements by December 1, 2017.

(e) ~~(\$6,858,000 of the general fund—state appropriation for fiscal year 2019 and \$4,023,000 of the general fund—federal appropriation are provided solely for new crisis triage or stabilization centers. The department must seek proposals from behavioral health organizations for the use of these funds based on regional priorities. Services in these facilities may include~~

~~crisis stabilization and intervention, individual counseling, peer support, medication management, education, and referral assistance. The department shall monitor each center's effectiveness at lowering the rate of state psychiatric hospital admissions.~~

~~(f) \$15,862,000)~~ \$11,405,000 of the general fund—state appropriation for fiscal year 2018 is provided solely to assist behavioral health organizations with the costs of providing services to medicaid clients receiving services in psychiatric facilities classified as institutions of mental diseases. The department must distribute these amounts proportionate to the number of bed days for medicaid clients in institutions for mental diseases that were excluded from behavioral health organization fiscal year 2018 capitation rates because they exceeded the amounts allowed under federal regulations. The department must also use these amounts to directly pay for costs that are ineligible for medicaid reimbursement in institutions of mental disease facilities for American Indian and Alaska Natives who opt to receive behavioral health services on a fee for service basis. The amounts used for these individuals must be reduced from the allocation of the behavioral health organization where the individual resides. If a behavioral health organization receives more funding through this subsection than is needed to pay for the cost of their medicaid clients in institutions for mental diseases, they must use the remainder of the amounts to provide other services not covered under the medicaid program. The department must apply for a waiver from the center for medicaid and medicare services to allow for the full cost of stays in institutions of mental diseases to be included in fiscal year 2019 behavioral health organization capitation rates. The department may tailor the fiscal year 2019 waiver to specific populations for which the center for medicaid and medicare services has indicated they are likely to approve and work to further expand the waiver to other populations in fiscal year 2020. The department must submit a report on the status of the waiver to the office of financial management and the appropriate committees of the legislature by December 1, 2017.

~~((g))~~ (f) \$81,930,000 of the general fund—state appropriation for fiscal year 2018 ~~(and \$81,930,000 of the general fund—state appropriation for fiscal year 2019 are)~~ is provided solely for persons and services not covered by the medicaid program. To the extent possible, levels of behavioral health organization spending shall be maintained in the following priority order: Crisis and commitment services; community inpatient services; and residential care services, including personal care and emergency housing assistance. These amounts must be distributed to behavioral health organizations proportionate to the fiscal year 2017 allocation of flexible nonmedicaid funds. The department must include the following language in medicaid contracts with behavioral health organizations unless they are provided formal notification from the center for medicaid and medicare services that the language will result in the loss of federal medicaid participation: "The contractor may voluntarily provide services that are in addition to those covered under the state plan, although the cost of these services cannot be included when determining payment rates unless including these costs are specifically allowed under federal law or an approved waiver."

~~((h))~~ (g) The department is authorized to continue to contract directly, rather than through contracts with behavioral health organizations for children's long-term inpatient facility services.

~~((i))~~ (h) \$1,125,000 of the general fund—state appropriation for fiscal year 2018 ~~(and \$1,125,000 of the general fund—state appropriation for fiscal year 2019 are)~~ is provided solely for the Spokane county behavioral health organization to implement services to reduce utilization and the census at eastern state

hospital. Such services shall include:

(A) High intensity treatment team for persons who are high utilizers of psychiatric inpatient services, including those with co-occurring disorders and other special needs;

(B) Crisis outreach and diversion services to stabilize in the community individuals in crisis who are at risk of requiring inpatient care or jail services;

(C) Mental health services provided in nursing facilities to individuals with dementia, and consultation to facility staff treating those individuals; and

(D) Services at the sixteen-bed evaluation and treatment facility.

At least annually, the Spokane county behavioral health organization shall assess the effectiveness of these services in reducing utilization at eastern state hospital, identify services that are not optimally effective, and modify those services to improve their effectiveness.

~~((+))~~ ~~(i)~~ (i) \$1,204,000 of the general fund—state appropriation for fiscal year 2018 ~~((and \$1,204,000 of the general fund—state appropriation for fiscal year 2019 are))~~ is provided solely to reimburse Pierce and Spokane counties for the cost of conducting 180-day commitment hearings at the state psychiatric hospitals.

~~((+))~~ ~~(j)~~ Behavioral health organizations may use local funds to earn additional federal medicaid match, provided the locally matched rate does not exceed the upper-bound of their federally allowable rate range, and provided that the enhanced funding is used only to provide medicaid state plan or waiver services to medicaid clients. Additionally, behavioral health organizations may use a portion of the state funds allocated in accordance with ~~((+))~~ ~~(f)~~ of this subsection to earn additional medicaid match, but only to the extent that the application of such funds to medicaid services does not diminish the level of crisis and commitment, community inpatient, residential care, and outpatient services presently available to persons not eligible for medicaid.

~~((+))~~ ~~(k)~~ \$2,291,000 of the general fund—state appropriation for fiscal year 2018 ~~((and \$2,291,000 of the general fund—state appropriation for fiscal year 2019 are))~~ is provided solely for mental health services for mentally ill offenders while confined in a county or city jail and for facilitating access to programs that offer mental health services upon release from confinement. The department must collect information from the behavioral health organizations on their plan for using these funds, the numbers of individuals served, and the types of services provided and submit a report to the office of financial management and the appropriate fiscal committees of the legislature by December 1st of each year of the biennium.

~~((+))~~ ~~(l)~~ Within the amounts appropriated in this section, funding is provided for the department to develop and phase in intensive mental health services for high needs youth consistent with the settlement agreement in *T.R. v. Dreyfus and Porter*.

~~((+))~~ ~~(m)~~ The department must establish minimum and maximum funding levels for all reserves allowed under behavioral health organization contracts and insert contract language that clearly states the requirements and limitations. The department must monitor and ensure that behavioral health organization reserves do not exceed maximum levels. The department must monitor behavioral health organization revenue and expenditure reports and must require a behavioral health organization to submit a corrective action plan on how it will spend its excess reserves within a reasonable period of time, when its reported reserves exceed maximum levels established under the contract. The department must review and approve such plans and monitor to ensure compliance. If the department determines that a behavioral health organization has failed to provide an adequate excess reserve corrective action plan or is not complying

with an approved plan, the department must reduce payments to the behavioral health organization in accordance with remedial actions provisions included in the contract. These reductions in payments must continue until the department determines that the behavioral health organization has come into substantial compliance with an approved excess reserve corrective action plan.

~~((+))~~ ~~(n)~~ \$2,309,000 of the general fund—state appropriation for fiscal year 2018 ~~((and \$3,079,000 of the general fund—state appropriation for fiscal year 2019 are))~~ and ~~((and \$5,061,000))~~ \$2,169,000 of the general fund—federal appropriation are provided solely for the department to increase rates for community hospitals that provide a minimum of 200 medicaid psychiatric inpatient days. The department must increase both medicaid and nonmedicaid psychiatric per-diem reimbursement rates for these providers within these amounts. The amounts in this subsection include funding for additional hold harmless payments resulting from the rate increase. The department shall prioritize increases for hospitals not currently paid based on provider specific costs using a similar methodology used to set rate for existing inpatient facilities and the latest available cost report information. Rate increases for providers must be set so as not to exceed the amounts provided within this subsection. The rate increase related to nonmedicaid clients must be done to maintain the provider at the same percentage as currently required under WAC 182-550-4800.

~~((+))~~ ~~(p)~~ \$1,466,000 of the general fund—state appropriation for fiscal year 2018 ~~((and \$7,103,000 of the general fund—state appropriation for fiscal year 2019 are))~~ and ~~((and \$9,715,000))~~ \$1,663,000 of the general fund—federal appropriation are provided solely for the department to contract with community hospitals or freestanding evaluation and treatment centers to provide up to forty-eight long-term inpatient care beds as defined in RCW 71.24.025. The department must seek proposals and contract directly for these services rather than contracting through behavioral health organizations. The department must coordinate with the department of social and health services in developing the contract requirements, selecting contractors, and establishing processes for identifying patients that will be admitted to these facilities. The department must not use any of the amounts provided under this subsection for contracts with facilities that are subject to federal funding restrictions that apply to institutions of mental diseases, unless they have received a waiver that allows for full federal participation in these facilities.

~~((+))~~ ~~(r)~~ ~~\$1,133,000 of the general fund—state appropriation for fiscal year 2019 and \$1,297,000 of the general fund—federal appropriation are provided solely to increase the number of psychiatric residential treatment beds for individuals transitioning from psychiatric inpatient settings. The department must seek proposals from behavioral health organizations for the use of these amounts and coordinate with the department of social and health services in awarding these funds. The department must not allow for any of the amounts provided under this subsection to be used for services in facilities that are subject to federal funding restrictions that apply to institutions of mental diseases, unless~~

In developing further updates for medicaid managed care rates for behavioral health services, the department must include and make available all applicable documents and analysis to legislative staff from the fiscal committees throughout the process. The department must require the actuaries to develop and submit rate ranges for each behavioral health organization prior to certification of specific rates.

~~((t)) (r)~~ The number of beds allocated for use by behavioral health organizations at eastern state hospital shall be 192 per day. The number of nonforensic beds allocated for use by behavioral health organizations at western state hospital shall be 557 per day. (e) The department may authorize a one-time waiver of all or any portion of the licensing and processing fees required under RCW 70.128.060 in any case in which the department determines that an adult family home is being relicensed because of exceptional circumstances, such as death or incapacity of a provider, and that to require the full payment of the licensing and processing fees would present a hardship to the applicant. In these situations the department is also granted the authority to waive the required residential administrator training for a period of 120 days if necessary to ensure continuity of care during the relicensing process.

(f) Community residential cost reports that are submitted by or on behalf of contracted agency providers are required to include

information about agency staffing including health insurance, wages, number of positions, and turnover.

(g) \$650,000 of the general fund—state appropriation for fiscal year 2018, \$650,000 of the general fund—state appropriation for fiscal year 2019, and \$800,000 of the general fund—federal appropriation are provided solely for the development and implementation of eight enhanced respite beds across the state for children. These services are intended to provide families and caregivers with a break in caregiving, the opportunity for behavioral stabilization of the child, and the ability to partner with the state in the development of an individualized service plan that allows the child to remain in his or her family home. The department must provide the legislature with a respite utilization report in January of each year that provides information about the number of children who have used enhanced respite in the preceding year, as well as the location and number of days per month that each respite bed was occupied.

(h) \$900,000 of the general fund—state appropriation for fiscal year 2018 and \$900,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for the development and implementation of eight community respite beds across the state for adults. These services are intended to provide families and caregivers with a break in caregiving and the opportunity for stabilization of the individual in a community-based setting as an alternative to using a residential habilitation center to provide planned or emergent respite. The department must provide the legislature with a respite utilization report by January of each year that provides information about the number of individuals who have used community respite in the preceding year, as well as the location and number of days per month that each respite bed was occupied.

(i) \$100,000 of the general fund—state appropriation for fiscal year 2018, \$95,000 of the general fund—state appropriation for fiscal year 2019, and \$195,000 of the general fund—federal appropriation are provided solely for discharge case managers stationed at the state psychiatric hospitals. (i) Community alternative placement beds include enhanced service facility beds, adult family home beds, skilled nursing facility beds, shared supportive housing beds, state operated living alternative beds, and assisted living facility beds.

(ii) Each client must receive an individualized assessment prior to leaving one of the state psychiatric hospitals. The individualized assessment must identify and authorize personal care, nursing care, behavioral health stabilization, physical therapy, or other necessary services to meet the unique needs of each client. It is the expectation that, in most cases, staffing ratios in all community alternative placement options described in (j)(i) of this subsection will need to increase to meet the needs of clients leaving the state psychiatric hospitals. If specialized training is necessary to meet the needs of a client before he or she enters a community placement, then the person centered service plan must also identify and authorize this training.

(iii) When reviewing placement options, the department must

consider the safety of other residents, as well as the safety of staff, in a facility. An initial evaluation of each placement, including any documented safety concerns, must occur within thirty days of a client leaving one of the state psychiatric hospitals and entering one of the community placement options described in (j)(i) of this subsection. At a minimum, the department must perform two additional evaluations of each placement during the first year that a client has lived in the facility.

(iv) During fiscal year 2018, in a presentation to the select committee on quality improvement in state hospitals, the department must describe the process of fielding and subsequently investigating complaints of abuse, neglect, and exploitation within the community alternative placement options described in (j)(i) of this subsection. At a minimum, the presentation must include data about the number of complaints, and the nature of complaints, over the preceding five fiscal years.

(v) During fiscal year 2019, in a presentation to the select committee on quality improvement in state hospitals, the department must provide an update about clients placed out of the state psychiatric hospitals into the community alternative placement options described in (j)(i) of this subsection. At a minimum, for each setting, the presentation must include data about the number of placements, average daily rate, complaints fielded, and complaints investigated. The presentation must also include information about modifications, including the placement of clients into alternate settings, that occurred due to the evaluations required under (j)(iii) of this subsection.

In developing bed capacity, the department shall consider the complex needs of individuals waiting for discharge from the state psychiatric hospitals.

Sec. 213. 2017 3rd sp.s. c 1 s 213 (uncodified) is amended to read as follows:

FOR THE STATE HEALTH CARE AUTHORITY

During the 2017-2019 fiscal biennium, the health care authority shall provide support and data as required by the office of the state actuary in providing the legislature with health care actuarial analysis, including providing any information in the possession of the health care authority or available to the health care authority through contracts with providers, plans, insurers, consultants, or any other entities contracting with the health care authority.

Information technology projects or investments and proposed projects or investments impacting time capture, payroll and payment processes and systems, eligibility, case management, and authorization systems within the health care authority are subject to technical oversight by the office of the chief information officer.

The health care authority shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The health care authority may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the health care authority receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

The appropriations to the health care authority in this act shall be expended for the programs and in the amounts specified in this act. To the extent that appropriations in this section are insufficient to fund actual expenditures in excess of caseload forecasts and utilization assumptions, the authority, after May 1, 2018, may transfer general fund—state appropriations for fiscal year 2018 that are provided solely for a specified purpose. The authority may not transfer funds, and the director of the office of financial management shall not approve the transfer, unless the

transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of the office of financial management shall notify the appropriate fiscal committees of the senate and house of representatives in writing seven days prior to approving any allotment modifications or transfers under this subsection. The written notification must include a narrative explanation and justification of changes, along with expenditures and allotments by budget unit and appropriation, both before and after any allotment modifications and transfers.

The appropriations in this section are subject to the following conditions and limitations:

(a) ~~(\$256,645,000)~~ \$268,117,000 of the general fund—state appropriation for fiscal year 2018 and \$264,704,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for the authority to implement a single, standard medicaid preferred drug list to be used by all contracted medicaid managed health care systems, on or before January 1, 2018. The preferred drug list shall be developed in consultation with all contracted managed health care systems and the state pharmacy and therapeutics committee or drug utilization review board and shall further the goals and objectives of the medicaid program. The list shall be designed to maximize federal rebates and supplemental rebates and ensure access to clinically effective and appropriate drug therapies under each class. Entities eligible for 340B drug pricing shall continue to operate under their current pricing agreement, unless otherwise required by federal laws or regulations. The authority may utilize external consultants with expertise in evidence-based drug class reviews, pharmacy benefit management, and purchasing to assist with the completion of this development and implementation. The authority shall require each managed care organization that has contracted with the

authority to provide care to medicaid beneficiaries to use the established preferred drug list; and shall prohibit each managed care organization and any of its agents from negotiating or collecting rebates for any medications listed in the state's medicaid single preferred drug list whether preferred or nonpreferred. To assist in the implementation of the single preferred drug list, contracted medicaid managed health care systems shall provide the authority drug-specific financial information in a format and frequency determined by the authority to include the actual amounts paid to pharmacies for prescription drugs dispensed to covered individuals compared to the cost invoiced to the health plan and individual rebates collected for prescription drugs dispensed to medicaid members. Information disclosed to the authority by the manufacturer pursuant to this provision shall only be used for the purposes of developing and implementing a single, standard state preferred drug list in accordance with this provision. The authority, medicaid managed care organizations, and all other parties shall maintain the confidentiality of drug-specific financial and other proprietary information and such information shall not be subject to the Washington public records act. The authority shall provide a report to the governor and appropriate committees of the legislature by November 15, 2018, and by November 15, 2019, including a comparison of the amount spent in the previous two fiscal years to expenditures under the new system by, at a minimum, fund source, total expenditure, drug class, and top twenty-five drugs. The data provided to the authority shall be aggregated in any report by the authority, the legislature, or the office of financial management so as not to disclose the proprietary or confidential drug-specific information, or the proprietary or confidential information that directly or indirectly identifies financial information linked to a single manufacturer. It is the intent of the legislature to revisit this policy in subsequent biennia to determine whether it is in the best interest of the state.

(b) ~~(\$118,813,000)~~ \$113,356,000 of the general fund—state appropriation for fiscal year 2018 and ~~(\$120,265,000)~~ \$140,578,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for ~~(holding)~~ managed care capitation ~~(rates flat at calendar year 2017 levels in state fiscal years and calendar years 2018 and 2019)~~ payments.

(c) \$122,244,000 of the general fund—state appropriation for fiscal year 2018 and \$116,038,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for the authority through the competitive procurement process, to contract with licensed dental health plans or managed health care plans on a prepaid or fixed-sum risk basis to provide carved-out managed dental care services on a statewide basis that will result in greater efficiency and will facilitate better access and oral health outcomes for medicaid enrollees. Except in areas where only a single plan is available, the authority must contract with at least two plans. The authority shall include in the contracts: (i) Quarterly reporting requirements to include medicaid utilization and encounter data by current dental technology (CDT) code; (ii) a direction to increase the dental provider network; (iii) a commitment to retain innovative programs that improve access and care such as the access to baby and child dentistry program; (iv) a program to reduce emergency room use for dental purposes; (v) a requirement to ensure that dental care is being coordinated with the primary care provider of the patient to ensure integrated care; (vi) a provision that no less than eighty-five percent of the contracting fee be used to directly offset the cost of providing direct patient care as opposed to administrative costs; and (vii) a provision to ensure the contracting fee shall be sufficient to compensate county health departments and federally qualified health centers for dental patient care. The plan(s) awarded this

contract must absorb all start-up costs associated with moving the program from fee-for-service to managed care and shall commit to achieving an overall savings to the program based on 2016 fee-for-service experience. In order to comply with state insurance underwriting standards, the authority shall ensure that savings offered by dental plans are actuarially sound. Starting January 31, 2019, and every year thereafter through December 2024, the authority shall submit an annual report to the governor and the appropriate committees of the legislature detailing how the contracted entities have met the requirements of the contract. The report shall include specific information to include utilization, how the contracted entities have increased their dental provider networks, how the emergency room use for dental purposes has been reduced, and how dental care has been integrated with patients' primary care providers. If after the end of five years the data reported does not demonstrate sufficient progress to address the stated contracted goals, the legislature will reevaluate whether carved-out dental managed care needs to be replaced with a different delivery model. The authority is authorized to seek any necessary state plan amendments or federal waivers to implement this subsection. Additional dental program savings achieved by the plans beyond those assumed in the 2017-2019 omnibus appropriations act will be used to increase dental provider reimbursement rates. By October 30, 2018, the authority shall report to the governor and the appropriate committees of the legislature anticipated savings related to reduction in dental emergency department visits and utilization once managed care dental coverage begins.

(d) (~~(\$1,540,849,000)~~) \$1,505,087,000 of the general fund—state appropriation for fiscal year 2018 and (~~(\$1,585,513,000)~~) \$1,538,030,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for medicaid services and the medicaid program. However, the authority shall not accept or expend any federal funds received under a medicaid transformation waiver under healthier Washington except as described in (e) and (f) of this subsection until specifically approved and appropriated by the legislature. To ensure compliance with legislative directive budget requirements and terms and conditions of the waiver, the authority shall implement the waiver and reporting requirements with oversight from the office of financial management. The legislature finds that appropriate management of the innovation waiver requires better analytic capability, transparency, consistency, timeliness, accuracy, and lack of redundancy with other established measures and that the patient must be considered first and foremost in the implementation and execution of the demonstration waiver. In order to effectuate these goals, the authority shall: (i) Require the Dr. Robert Bree collaborative and the health technology assessment program to reduce the administrative burden upon providers by only requiring performance measures that are nonduplicative of other nationally established measures. The joint select committee on health care oversight will evaluate the measures chosen by the collaborative and the health technology assessment program for effectiveness and appropriateness; (ii) develop a patient satisfaction survey with the goal to gather information about whether it was beneficial for the patient to use the center of excellence location in exchange for additional out-of-pocket savings; (iii) ensure patients and health care providers have significant input into the implementation of the demonstration waiver, in order to ensure improved patient health outcomes; and (iv) in cooperation with the department of social and health services, consult with and provide notification of work on applications for federal waivers, including details on waiver duration, financial implications, and potential future impacts on the state budget, to the joint select committee on health care oversight prior to submitting waivers for federal approval. By

federal standard, the medicaid transformation demonstration waiver shall not exceed the duration originally granted by the centers for medicare and medicaid services and any programs created or funded by this waiver do not create an entitlement.

(e) No more than (~~(\$479,600,000)~~) \$486,683,000 of the general fund—federal appropriation and no more than (~~(\$154,289,000)~~) \$129,103,000 of the general fund—local appropriation may be expended for transformation through accountable communities of health described in initiative 1 of the medicaid transformation demonstration wavier under healthier Washington, including preventing youth drug use, opioid prevention and treatment, and physical and behavioral health integration. Under this initiative, the authority shall take into account local input regarding community needs. In order to ensure transparency to the appropriate fiscal committees of the legislature, the authority shall provide fiscal staff of the legislature query ability into any database of the fiscal intermediary that authority staff would be authorized to access. The authority shall not increase general fund—state expenditures under this initiative. The director shall report to the joint select committee on health care oversight no less than quarterly, and include details for each accountable community of health, on the financial status and measurable health outcomes. The director shall also report to the fiscal committees of the legislature all of the expenditures under this subsection and shall provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees. By December 15, 2019, the authority in collaboration with each accountable community of health shall demonstrate how it will be self-sustaining by the end of the demonstration waiver period, including sources of outside funding, and provide this reporting to the joint select committee on health care oversight. If by the third year of the demonstration waiver there are not measurable, improved patient outcomes and financial returns, the Washington state institute for public policy will conduct an audit of the accountable communities of health, in addition to the process set in place through the independent evaluation required by the agreement with centers for medicare and medicaid services. Prior to the 2018 legislative session, the human services, health care, and judiciary committees of the legislature will convene a joint work session to review models in the delivery system and the impacts on medical liability. The work sessions should include integrated delivery models with multiple health care providers and medical malpractice insurance carriers.

(f) No more than (~~(\$42,584,000)~~) \$38,425,000 of the general fund—federal appropriation may be expended for supported housing and employment services described in initiative 3a and 3b of the medicaid transformation demonstration waiver under healthier Washington. Under this initiative, the authority and the department of social and health services shall ensure that allowable and necessary services are provided to eligible clients as identified by the department or its third party administrator. The authority and the department in consultation with the medicaid forecast work group, shall ensure that reasonable reimbursements are established for services deemed necessary within an identified limit per individual. The authority shall not increase general fund—state expenditures under this initiative. The director shall report to the joint select committee on health care oversight no less than quarterly on financial and health outcomes. The director shall also report to the fiscal committees of the legislature all of the expenditures of this subsection and shall provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees.

(g) No later than November 1, 2018, and each year thereafter, the authority shall report to the governor and appropriate committees of the legislature: (i) Savings attributed to behavioral and physical integration in areas that are scheduled to integrate in

2018 REGULAR SESSION

the following calendar year, and (ii) savings attributed to behavioral and physical health integration and the level of savings achieved in areas that have integrated behavioral and physical health.

~~((g))~~ (h) Sufficient amounts are appropriated in this subsection to implement the medicaid expansion as defined in the social security act, section 1902(a)(10)(A)(i)(VIII).

~~((h))~~ (i) The legislature finds that medicaid payment rates, as calculated by the health care authority pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that the cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

~~((i))~~ (j) Based on quarterly expenditure reports and caseload forecasts, if the health care authority estimates that expenditures for the medical assistance program will exceed the appropriations, the health care authority shall take steps including but not limited to reduction of rates or elimination of optional services to reduce expenditures so that total program costs do not exceed the annual appropriation authority.

~~((j))~~ (k) In determining financial eligibility for medicaid-funded services, the health care authority is authorized to disregard recoveries by Holocaust survivors of insurance proceeds or other assets, as defined in RCW 48.104.030.

~~((k))~~ (l) The legislature affirms that it is in the state's interest for Harborview medical center to remain an economically viable component of the state's health care system.

~~((l))~~ (m) When a person is ineligible for medicaid solely by reason of residence in an institution for mental diseases, the health care authority shall provide the person with the same benefits as he or she would receive if eligible for medicaid, using state-only funds to the extent necessary.

~~((m))~~ (n) \$4,261,000 of the general fund—state appropriation for fiscal year 2018, \$4,261,000 of the general fund—state appropriation for fiscal year 2019, and \$8,522,000 of the general fund—federal appropriation are provided solely for low-income disproportionate share hospital payments.

~~((n))~~ (o) Within the amounts appropriated in this section, the health care authority shall provide disproportionate share hospital payments to hospitals that provide services to children in the children's health program who are not eligible for services under Title XIX or XXI of the federal social security act due to their citizenship status.

~~((o))~~ (p) \$6,000,000 of the general fund—federal appropriation is provided solely for supplemental payments to nursing homes operated by public hospital districts. The public hospital district shall be responsible for providing the required nonfederal match for the supplemental payment, and the payments shall not exceed the maximum allowable under federal rules. It is the legislature's intent that the payments shall be supplemental to and shall not in any way offset or reduce the payments calculated and provided in accordance with part E of chapter 74.46 RCW. It is the legislature's further intent that costs otherwise allowable for rate-setting and settlement against payments under chapter 74.46 RCW shall not be disallowed solely because such costs have been paid by revenues retained by the nursing home from these supplemental payments. The supplemental payments are subject to retrospective interim and final cost settlements based on the nursing homes' as-filed and final medicare cost reports. The timing of the interim and final

cost settlements shall be at the health care authority's discretion. During either the interim cost settlement or the final cost settlement, the health care authority shall recoup from the public hospital districts the supplemental payments that exceed the medicaid cost limit and/or the medicare upper payment limit. The health care authority shall apply federal rules for identifying the eligible incurred medicaid costs and the medicare upper payment limit.

~~((p))~~ (q) The health care authority shall continue the inpatient hospital certified public expenditures program for the 2017-2019 fiscal biennium. The program shall apply to all public hospitals, including those owned or operated by the state, except those classified as critical access hospitals or state psychiatric institutions. The health care authority shall submit reports to the governor and legislature by November 1, 2017, and by November 1, 2018, that evaluate whether savings continue to exceed costs for this program. If the certified public expenditures (CPE) program in its current form is no longer cost-effective to maintain, the health care authority shall submit a report to the governor and legislature detailing cost-effective alternative uses of local, state, and federal resources as a replacement for this program. During fiscal year 2018 and fiscal year 2019, hospitals in the program shall be paid and shall retain one hundred percent of the federal portion of the allowable hospital cost for each medicaid inpatient fee-for-service claim payable by medical assistance and one hundred percent of the federal portion of the maximum disproportionate share hospital payment allowable under federal regulations. Inpatient medicaid payments shall be established using an allowable methodology that approximates the cost of claims submitted by the hospitals. Payments made to each hospital in the program in each fiscal year of the biennium shall be compared to a baseline amount. The baseline amount will be determined by the total of (i) the inpatient claim payment amounts that would have been paid during the fiscal year had the hospital not been in the CPE program based on the reimbursement rates developed, implemented, and consistent with policies approved in the 2017-2019 biennial operating appropriations act and in effect on July 1, 2015, (ii) one-half of the indigent assistance disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005, and (iii) all of the other disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005 to the extent the same disproportionate share hospital programs exist in the 2017-2019 fiscal biennium. If payments during the fiscal year exceed the hospital's baseline amount, no additional payments will be made to the hospital except the federal portion of allowable disproportionate share hospital payments for which the hospital can certify allowable match. If payments during the fiscal year are less than the baseline amount, the hospital will be paid a state grant equal to the difference between payments during the fiscal year and the applicable baseline amount. Payment of the state grant shall be made in the applicable fiscal year and distributed in monthly payments. The grants will be recalculated and redistributed as the baseline is updated during the fiscal year. The grant payments are subject to an interim settlement within eleven months after the end of the fiscal year. A final settlement shall be performed. To the extent that either settlement determines that a hospital has received funds in excess of what it would have received as described in this subsection, the hospital must repay the excess amounts to the state when requested. ~~(\$10,575,000)~~ \$359,000 of the general fund—state appropriation for fiscal year 2018 and ~~(\$13,185,000)~~ \$361,000 of the general fund—state appropriation for fiscal year 2019 are provided solely for state grants for the participating hospitals.

~~((q))~~ (r) The health care authority shall seek public-private

partnerships and federal funds that are or may become available to provide on-going support for outreach and education efforts under the federal children's health insurance program reauthorization act of 2009.

((+)) (s) The health care authority shall target funding for maternity support services towards pregnant women with factors that lead to higher rates of poor birth outcomes, including hypertension, a preterm or low birth weight birth in the most recent previous birth, a cognitive deficit or developmental disability, substance abuse, severe mental illness, unhealthy weight or failure to gain weight, tobacco use, or African American or Native American race. The health care authority shall prioritize evidence-based practices for delivery of maternity support services. To the extent practicable, the health care authority shall develop a mechanism to increase federal funding for maternity support services by leveraging local public funding for those services.

((+)) (t) The authority shall submit reports to the governor and the legislature by September 15, 2018, and no later than September 15, 2019, that delineate the number of individuals in medicaid managed care, by carrier, age, gender, and eligibility category, receiving preventative services and vaccinations. The reports should include baseline and benchmark information from the previous two fiscal years and should be inclusive of, but not limited to, services recommended under the United States preventative services task force, advisory committee on immunization practices, early and periodic screening, diagnostic, and treatment (EPSDT) guidelines, and other relevant preventative and vaccination medicaid guidelines and requirements.

((+)) (u) Managed care contracts must incorporate accountability measures that monitor patient health and improved health outcomes, and shall include an expectation that each patient receive a wellness examination that documents the baseline health status and allows for monitoring of health improvements and outcome measures.

((+)) (v) Sufficient amounts are appropriated in this section for the authority to provide an adult dental benefit.

((+)) (w) The health care authority shall coordinate with the department of social and health services to provide referrals to the Washington health benefit exchange for clients that will be ineligible for medicaid.

((+)) (x) To facilitate a single point of entry across public and medical assistance programs, and to maximize the use of federal funding, the health care authority, the department of social and health services, and the health benefit exchange will coordinate efforts to expand HealthPlanfinder access to public assistance and medical eligibility staff. The health care authority shall complete medicaid applications in the HealthPlanfinder for households receiving or applying for medical assistance benefits.

((+)) (y) \$90,000 of the general fund—state appropriation for fiscal year 2018, \$90,000 of the general fund—state appropriation for fiscal year 2019, and \$180,000 of the general fund—federal appropriation are provided solely to continue operation by a nonprofit organization of a toll-free hotline that assists families to learn about and enroll in the apple health for kids program.

((+)) (z) The appropriations in this section reflect savings and efficiencies by transferring children receiving medical care provided through fee-for-service to medical care provided through managed care.

((+)) (aa) Within the amounts appropriated in this section, the authority shall reimburse for primary care services provided by naturopathic physicians.

((+)) (bb) Within the amounts appropriated in this section, the authority shall continue to provide coverage for pregnant teens that qualify under existing pregnancy medical programs, but

whose eligibility for pregnancy related services would otherwise end due to the application of the new modified adjusted gross income eligibility standard.

~~((bb))~~ (cc) Sufficient amounts are appropriated in this section to remove the mental health visit limit and to provide the shingles vaccine and screening, brief intervention, and referral to treatment benefits that are available in the medicaid alternative benefit plan in the classic medicaid benefit plan.

~~((ee))~~ (dd) The authority shall use revenue appropriated from the dedicated marijuana fund for contracts with community health centers under RCW 69.50.540 in lieu of general fund—state payments to community health centers for services provided to medical assistance clients, and it is the intent of the legislature that this policy will be continued in subsequent fiscal biennia.

~~((dd))~~ (ee) \$127,000 of the general fund—state appropriation for fiscal year 2018 and \$1,144,000 of the general fund—federal appropriation are provided solely to the ProviderOne provider overtime project and are subject to the conditions, limitations, and review provided in section 724 of this act.

~~((ee))~~ (ff) \$175,000 of the general fund—state appropriation for fiscal year 2018 and \$825,000 of the general fund—federal appropriation are provided solely to the ProviderOne CORE operating rules project and are subject to the conditions, limitations, and review provided in section 724 of this act.

~~((ff) \$2,200,000)~~ (gg) \$1,483,000 of the general fund—state appropriation for fiscal year 2018 ~~((and \$2,701,000)), \$1,594,000~~ of the general fund—state appropriation for fiscal year 2019, and \$1,509,000 of the general fund—federal appropriation are provided ~~((solely))~~ for a rate increase effective July 1, 2018, and for performance payments to reward successful beneficiary engagement in the health homes program for ((dual-eligible)) fee-for-service enrollees and these are the maximum amounts in each fiscal year the authority may expend for this purpose.

~~((gg))~~ (hh) \$450,000 of the general fund—state appropriation for fiscal year 2018, \$450,000 of the general fund—state appropriation for fiscal year 2019, and \$1,058,000 of the general fund—federal appropriation are provided solely for the authority to hire ten nurse case managers to coordinate medically assisted treatment and movements to medical homes for those being treated for opioid use disorder. Nurses shall be located in areas and provider settings with the highest concentration of opioid use disorder patients.

~~((hh))~~ (ii) Sufficient amounts are appropriated in this section for the authority to provide a collaborative care benefit beginning July 1, 2017.

~~((ii))~~ (jj) The authority and the department of social and health services shall convene a work group consisting of representatives of skilled nursing facilities, adult family homes, assisted living facilities, managers of in-home long-term care, hospitals, and managed health care systems. The work group shall identify barriers that may prevent skilled nursing facilities from accepting and admitting clients from acute care hospitals in a timely and appropriate manner. The work group shall consider what additional resources are needed to allow for faster transfers of enrollees, including those with complex needs. By December 1, 2017, the authority shall report the work group's findings to the governor and the appropriate committees of the legislature.

~~((jj))~~ (kk) Within the amounts appropriated within this section, the authority shall implement the plan to show how improved access to home health nursing reduces potentially preventable readmissions, increases access to care, reduces hospital length of stay, and prevents overall hospital admissions for clients receiving private duty nursing, medically intensive care, or home health benefits as described in their report to the legislature dated December 15, 2016, entitled home health nursing. The authority shall report to the governor and appropriate

committees of the legislature by December 31, 2017, information regarding the effect of the ten dollar rate increases for skilled nursing care delivered via private duty nursing or home health nursing, and how the rate changes impacted the utilization and cost of emergency room visits, reduced the length of stay for initial hospital admissions, and reduced utilization and costs of preventable hospital readmissions. The report will quantify potential cost saving opportunities that may exist through improved access to private duty and home health nursing statewide.

~~((kkk))~~ (ll) Within the amounts appropriated within this section, beginning July 1, 2017, the authority must increase facility fees to birth centers to the amount listed on page two of their report to the legislature dated October 15, 2016, entitled reimbursement for births performed at birth centers. This increased rate is applicable in both a fee for service setting and is the minimum allowable rate in a managed care setting. The authority shall report to the governor and appropriate committees of the legislature by October 15, 2018, updated information regarding access to care, improvements to the Cesarean section rate, and savings outcomes for utilizing birth centers as an alternative to hospitals.

~~((hhh))~~ (mm) Beginning no later than January 1, 2018, for any service eligible under the medicaid state plan for encounter payments, managed care organizations at the request of a rural health clinic shall pay the full published encounter rate directly to the clinic. At no time will a managed care organization be at risk for or have any right to the supplemental portion of the claim. Payments will be reconciled on at least an annual basis between the managed care organization and the authority, with final review and approval by the authority. By September 31, 2017, the authority shall report to the legislature on its progress implementing this subsection.

~~((nnn))~~ (nn) Within the amounts appropriated in this section, and in consultation with appropriate parties, including the rural health clinic association of Washington and the centers for medicare and medicaid services, by December 1, 2017, the authority shall submit a report to the governor and appropriate committees of the legislature evaluating legislative and administrative options to reduce or eliminate any amounts owed by rural health clinics under the payment reconciliation process established in the medicaid state plan.

~~((ooo))~~ (oo) \$500,000 of the general fund—state appropriation for fiscal year 2019 and \$500,000 of the general fund—federal appropriation are provided solely for the authority to implement the oral health connections pilot project in ~~((Yakima, Adams,))~~ Spokane, Thurston, and Cowlitz counties. The authority shall work in collaboration with Washington dental service foundation to jointly develop and implement the program. The purpose of the three-year pilot is to test the effect that enhanced dental benefits for adult medicaid clients with diabetes and pregnant women have on access to dental care, health outcomes, and medical care costs. The authority must model the pilot on the access to baby and child dentistry program. The pilot program must include enhanced reimbursement rates for participating dental providers, including denturists licensed under chapter 18.30 RCW, and an increase in the allowable number of periodontal treatments to up to four per calendar year. Additionally, behavioral health organizations may use a portion of the state funds allocated in accordance with (f) of this subsection to earn additional medicaid match, but only to the extent that the application of such funds to medicaid services does not diminish the level of crisis and commitment, community inpatient, residential care, and outpatient services presently available to persons not eligible for medicaid.

(k) \$2,291,000 of the general fund—state appropriation for fiscal year 2019 is provided solely for mental health services for mentally ill offenders while confined in a county or city jail and for facilitating access to programs that offer mental health services upon release from confinement. do not exceed maximum levels. The authority must monitor behavioral health organization revenue and expenditure reports and must require a behavioral health organization to submit a corrective action plan on how it will spend its excess reserves within a reasonable period of time, when its reported reserves exceed maximum levels established under the contract. The authority must review and approve such plans and monitor to ensure compliance. If the authority determines that a behavioral health organization has failed to provide an adequate excess reserve corrective action plan or is not complying with an approved plan, the authority must reduce payments to the behavioral health organization in accordance with remedial actions provisions included in the contract. The authority must increase both medicaid and nonmedicaid psychiatric per-diem reimbursement rates for these providers within these amounts. The amounts in this subsection include funding for additional hold harmless payments resulting from the rate increase. The authority shall prioritize increases for hospitals not currently paid based on provider specific costs using a similar methodology used to set rates for existing inpatient facilities and the latest available cost report information. The authority must not use any of the amounts provided under this subsection for contracts with facilities that are subject to federal funding restrictions that apply to institutions of mental diseases, unless they have received a waiver that allows for full federal participation in these facilities.

(q) \$1,133,000 of the general fund—state appropriation for fiscal year 2019 and \$1,297,000 of the general fund—federal appropriation are provided solely to increase the number of psychiatric residential treatment beds for individuals transitioning from psychiatric inpatient settings. It is the intent of the legislature to continue the policy of expanding community based alternatives for long term civil commitment services that allow for state hospital beds to be prioritized for forensic patients.

(ii) The authority must also explore and report on options for fully leveraging the state's share of federal medicaid disproportionate share funding allowed for institutions of mental diseases, including but not limited to: (A) Prioritizing the use of this funding for forensic patients and those civilly committed pursuant to dismissal of a felony charge; (B) obtaining an institution for mental diseases—disproportionate share hospital waiver to allow for regular medicaid federal financial participation to be used at the state hospitals; and (C) shifting some of the state's current disproportionate share funding used at the state hospitals to community-based institutions for mental diseases to reduce the state cost of patients for whom regular federal medicaid match is not allowed.

The authority must contract with the actuaries responsible for certifying state behavioral health capitation rates to develop estimates for the cost of implementing each of these services.
