CHAPTER 191

[Substitute House Bill No. 1013]

COGENERATION—TAX CREDIT, EXEMPTION—NONPOLLUTING POWER GENERATION—REGULATION EXEMPTION

AN ACT Relating to energy and utilities regulation; amending section 80.04.010, chapter 14, Laws of 1961 as last amended by section 1, chapter 47, Laws of 1977 ex. sess. and RCW 80.04.010; adding a new chapter to Title 82 RCW; adding a new section to chapter 84.36 RCW; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The state of Washington has a large and growing need for electrical energy. The state of Washington possesses a great potential for the generation of electrical or mechanical power and useful heat energy through the process of cogeneration. It is the purpose and intent of the legislature to promote the growth of cogeneration in the state of Washington.

NEW SECTION. Sec. 2. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Cogeneration" means the sequential generation of electrical or mechanical power and useful heat from the same primary energy source or fuel.

(2) "Cogeneration facility" means any machinery, equipment, structure, process, or property, or any part thereof, installed or acquired for the primary purpose of cogeneration by a person or corporation other than an electric utility.

(3) "Certificate" means a cogeneration tax credit certificate granted by the department.

(4) "Cost" means only the cost of a cogeneration facility which is in addition to the cost that the applicant otherwise would incur to meet the applicant's demands for useful heat. "Cost" does not include expenditures which are offset by cost savings, including but not limited to savings resulting from early retirement of existing equipment.

(5) "Department" means the department of revenue.

(6) "Electric utility" means any person, corporation, or governmental subdivision authorized and operating under the Constitution and laws of the state of Washington which is primarily engaged in the generation or sale of electric energy.

(7) "Office" means the state energy office.

NEW SECTION. Sec. 3. (1) An application for a certificate shall be filed with the department. The application shall contain the estimated or actual cost, plans, and specifications of the cogeneration facility, including all materials incorporated or to be incorporated therein, and a list describing and showing all expenditures made by the applicant for the purpose of cogeneration, together with the operating procedure for the facility, and if the facility has not been constructed, a time schedule for the acquisition and installation or attachment of the cogeneration facility and the proposed operating procedure for the cogeneration facility.

(2) The department shall provide a copy of the application to the energy office within ten days after receipt thereof. Within sixty days after receipt of the application from the department, the office shall approve the application but only if it first determines that construction of the cogeneration facility began or will begin after the effective date of this act, that the cogeneration

facility is designed and is operated or will be operated primarily for cogeneration, and that the cogeneration facility is suitable, reasonably adequate, and meets the intent and purposes of this chapter.

(3) Within ten days after approval of the application, the office shall provide a copy thereof to the department. Within thirty days after receipt thereof the department shall issue the certificate but only if it finds that the cost data in the application is accurate. If the application contains estimated cost data, the certificate shall be conditioned upon the applicant providing sufficient information for the department to determine the actual cost of the cogeneration facility on the date it becomes operational. Within sixty days after the cogeneration facility is operational the department shall review the certificate. If the actual cost of the cogeneration facility is less than the cost shown in the certificate, the department shall issue a modified certificate or a supplement to the original certificate, showing the actual cost of the cogeneration facility.

(4) The department, with the approval of the office, may adopt rules specifying the administrative procedures applicable to applications for certification, the form and manner in which the applications shall be filed and additional information to be contained therein. The rules shall apply to administrative procedures before both the office and the department. An applicant shall have the opportunity for a hearing before the office and the department in respect to their respective decisions granting or denying approval or certification.

This section shall expire on December 31, 1984.

NEW SECTION. Sec. 4. (1) No certificate or supplement may be issued after December 31, 1984.

(2) The department shall keep a running tabulation of the total cogeneration facility costs incurred or planned to be incurred pursuant to certificates or supplements issued under this chapter. The department may not issue any new certificate or any supplement if the certificate or supplement would result in the tabulation exceeding one hundred million dollars. Nothing in this section shall be deemed to bar any certificate holder from amending the certificate or obtaining a supplement thereto so long as the amendment or supplement is issued prior to December 1, 1984, and does not increase the total amount of cogeneration facility costs incurred or planned to be incurred under the original certificate.

(3) The department may adopt any rules under chapter 34.04 RCW it considers necessary for the administration of this chapter.

NEW SECTION. Sec. 5. When a cogeneration facility is operational and a certificate pertaining thereto has been issued, a credit may be claimed against taxes imposed under chapter 82.04 RCW, if the due date for payment of the taxes is after the effective date of the certificate: **PROVIDED,** That the date on which the facility is operational is no more than four years after the date of issuance of the certificate. The amount of the credit shall

be two percent of the cost of a facility covered by the certificate for each year the certificate remains in force. The credits shall be cumulative and shall be subject only to the following limitations:

(1) The tax credit shall apply to capital costs only and shall not apply to operating costs.

(2) A person, firm, corporation, or organization which acquires a cogeneration facility shall be entitled to the credit only to the extent that it has previously not been taken. Under no circumstances may a credit be taken more than once against any cost or portion thereof of a cogeneration facility.

(3) No credit exceeding fifty percent of the taxes payable under chapter 82.04 RCW shall be allowed in any reporting period.

(4) The total cumulative amount of the credits allowed for any cogeneration facility covered by a certificate shall not exceed fifty percent of the cost of the cogeneration facility.

(5) The total cumulative amount of credits against state taxes authorized by this chapter shall be reduced by the total amount of any federal investment credit or other federal tax credit actually received by the certificate holder applicable to the cogeneration facility. This reduction shall be made as an offset against the credit claimed in the first reporting period following the allowance of the investment credit, or other credit, and thereafter as an offset against any credit balance as it shall become available to the certificate holder.

NEW SECTION. Sec. 6. If subsequent to the issuance of a certificate for a cogeneration facility and prior to December 31, 1984, a determination is made to modify or replace the cogeneration facility, the holder of the certificate may file an application for a modified certificate or supplement to the existing certificate covering the modified or replacement cogeneration facility in accordance with the procedures set forth in this chapter for original certificates and supplements. After the issuance by the department of any modified certificate or supplement, all subsequent tax credits and exemptions for the cogeneration facility shall be based on the modified certificate or supplement and shall be exclusively based on the cost shown in the modified or supplemented certificate.

This section shall expire on December 31, 1984.

NEW SECTION. Sec. 7. The department shall send a certificate or supplement, when issued, by certified mail to the applicant. Notice of the department's refusal to issue a certificate or supplement shall likewise be sent to the applicant by certified mail.

NEW SECTION. Sec. 8. (1) Except as provided in subsection (2) of this section, the department shall revoke any certificate issued under this chapter if it finds that any of the following have occurred with respect to the certificate:

(a) The certificate was obtained by fraud or deliberate misrepresentation;

(b) The certificate was obtained through the use of inaccurate data but without any intention to commit fraud or misrepresentation;

(c) The facility was constructed or operated in violation of any provision of this chapter or provision imposed by the department as a condition of certification; or

(d) The cogeneration facility is no longer capable of being operated for the primary purpose of cogeneration.

(2) If the department finds that there are few inaccuracies under subsection (1)(b) of this section and that cumulatively they are insignificant in terms of the cost or operation of the facility or that the inaccurate data is not attributable to carelessness or negligence and its inclusion was reasonable under the circumstances, then the department may provide for the continuance of the certificate and whatever modification it considers in the public interest.

(3) Any person, firm, corporation, or organization that obtains a certificate revoked under this section shall be liable for the total amount of money saved by claiming the credits and exemptions provided under this chapter and section 9 of this act. The total amount of the credits shall be collected as delinquent business and occupation taxes, and the total of the exemptions shall be collected and distributed as delinquent property taxes. Interest shall accrue on the amounts of the credits and exemptions from the date the taxes were otherwise due.

(4) The office shall provide technical assistance to the department in carrying out its responsibilities under this section.

NEW SECTION. Sec. 9. There is added to chapter 84.36 RCW a new section to read as follows:

Cogeneration facilities which have been granted a cogeneration tax credit certificate under chapter ... RCW (sections 1 through 8 of this act) shall be exempt from property taxation for a period of seven years from the date on which the facility is operational or until the certificate is revoked, whichever is first. For the purposes of the exemption under this section the value of the cogeneration facility shall be based upon the cost shown in the certificate.

Claims for the exemption authorized by this section shall be filed with the county assessor on forms prescribed by the department of revenue and furnished by the assessor. The assessor shall verify and approve such claims as he or she determines to be justified in accordance with this section.

The department of revenue shall promulgate such rules and regulations, pursuant to chapter 34.04 RCW as are necessary and convenient to properly administer the provisions of this section.

Sec. 10. Section 80.04.010, chapter 14, Laws of 1961 as last amended by section 1, chapter 47, Laws of 1977 ex. sess. and RCW 80.04.010 are each amended to read as follows:

The following property shall be exempt from taxation: Any and all rights to occupy or use any real or personal property owned in fee or held in trust by:

(2) A public corporation, commission, or authority created under RCW 35.21.730 or 35.21.660 if the property is listed on or is within a district listed on any federal or state register of historical sites; and

(3) Including any leasehold interest arising from ((such)) the property identified in subsections (1) and (2) of this section as defined in RCW 82.29A.020: PROVIDED, That ((this)) the exemption under this section shall not apply to any such leasehold interests which are a part of operating properties of public utilities subject to assessment under chapter 84.12 RCW nor be construed to modify the provisions of RCW 84.40.230.

Sec. 11. Section 2, chapter 61, Laws of 1975-'76 2nd ex. sess. and RCW 82.29A.020 are each amended to read as follows:

As used in this chapter the following terms shall be defined as follows, unless the context otherwise requires:

(1) "Leasehold interest" shall mean an interest in publicly owned real or personal property which exists by virtue of any lease, permit, license, or any other agreement, written or verbal, between the public owner of the property and a person who would not be exempt from property taxes if that person owned the property in fee, granting possession and use, to a degree less than fee simple ownership: PROVIDED, That no interest in personal property (excluding land or buildings) which is owned by the United States, whether or not as trustee, or by any foreign government shall constitute a leasehold interest hereunder when the right to use such property is granted pursuant to a contract solely for the manufacture or production of articles for sale to the United States or any foreign government. The term "leasehold interest" shall include the rights of use or occupancy by others of property which is owned in fee or held in trust by a public corporation, commission, or authority created under RCW 35.21.730 or 35.21.660 if the property is listed on or is within a district listed on any federal or state register of historical sites. The term "leasehold interest" shall not include road or utility easements or rights of access, occupancy or use granted solely for the purpose of removing materials or products purchased from a public owner or the lessee of a public owner.

(2) "Taxable rent" shall mean contract rent as defined in subsection (a) of this subsection in all cases where the lease or agreement has been established or renegotiated through competitive bidding, or negotiated or renegotiated in accordance with statutory requirements regarding the rent payable, or negotiated or renegotiated under circumstances, established by public record, clearly showing that the contract rent was the maximum attainable by the lessor: PROVIDED, That after January 1, 1986, with respect to any lease which has been in effect for ten years or more without renegotiation, taxable rent may be established by procedures set forth in subsection (b) of this subsection. All other leasehold interests shall be subject to the determination of taxable rent under the terms of subsection (b) of this subsection.

(a) "Contract rent" shall mean the amount of consideration due as payment for a leasehold interest, including: The total of cash payments made to the lessor or to another party for the benefit of the lessor according to the requirements of the lease or agreement; expenditures for the protection of the lessor's interest when required by the terms of the lease or agreement; and expenditures for improvements to the property to the extent that such improvements become the property of the lessor. Where the consideration conveyed for the leasehold interest is made in combination with payment for concession or other rights granted by the lessor, only that portion of such payment which represents consideration for the leasehold interest shall be part of contract rent.

"Contract rent" shall not include: (i) Expenditures made by the lessee, which under the terms of the lease or agreement, are to be reimbursed by

the lessor to the lessee; (ii) expenditures made by the lessee for the replacement or repair of facilities due to fire or other casualty or for alterations or additions made necessary by an action of government taken after the date of the execution of the lease or agreement; (iii) improvements added to publicly owned property by a sublessee under an agreement executed prior to January 1, 1976, which have been taxed as personal property of the sublessee prior to January 1, 1976, or improvements made by a sublessee of the same lessee under a similar agreement executed prior to January 1, 1976, and such improvements shall be taxable to the sublessee as personal property; (iv) improvements added to publicly owned property if such improvements are being taxed as personal property to any person.

Any prepaid contract rent shall be considered to have been paid in the year due and not in the year actually paid with respect to prepayment for a period of more than one year. Expenditures for improvements with a useful life of more than one year which are included as part of contract rent shall be treated as prepaid contract rent and prorated over the useful life of the improvement or the remaining term of the lease or agreement if the useful life is in excess of the remaining term of the lease or agreement. Rent prepaid prior to January 1, 1976, shall be prorated from the date of prepayment.

With respect to a "product lease", the value of agricultural products received as rent shall be the value at the place of delivery as of the fifteenth day of the month of delivery; with respect to all other products received as contract rent, the value shall be that value determined at the time of sale under terms of the lease.

(b) If it shall be determined by the department of revenue, upon examination of a lessee's accounts or those of a lessor of publicly owned property, that a lessee is occupying or using publicly owned property in such a manner as to create a leasehold interest and that such leasehold interest has not been established through competitive bidding, or negotiated in accordance with statutory requirements regarding the rent payable, or negotiated under circumstances, established by public record, clearly showing that the contract rent was the maximum attainable by the lessor, the department may establish a taxable rent computation for use in determining the tax payable under authority granted in this chapter based upon the following criteria: (i) Consideration shall be given to rental being paid to other lessors by lessees of similar property for similar purposes over similar periods of time; (ii) consideration shall be given to what would be considered a fair rate of return on the market value of the property leased less reasonable deductions for any restrictions on use, special operating requirements or provisions for concurrent use by the lessor, another person or the general public.

(3) "Product lease" as used in this chapter shall mean a lease of property for use in the production of agricultural or marine products to the extent that such lease provides for the contract rent to be paid by the delivery

of a stated percentage of the production of such agricultural or marine products to the credit of the lessor or the payment to the lessor of a stated percentage of the proceeds from the sale of such products.

(4) "Renegotiated" means a change in the lease agreement which changes the agreed time of possession, restrictions on use, the rate of the cash rental or of any other consideration payable by the lessee to or for the benefit of the lessor, other than any such change required by the terms of the lease or agreement. In addition "renegotiated" shall mean a continuation of possession by the lessee beyond the date when, under the terms of the lease agreement, the lessee had the right to vacate the premises without any further liability to the lessor.

(5) "City" means any city or town.

NEW SECTION. Sec. 12. There is added to chapter 82.04 RCW a new section to read as follows:

This chapter shall not apply to school districts and educational service districts as defined in Title 28A RCW, in respect to materials printed in the school district and educational service districts printing facilities when said materials are used solely for school district and educational service district purposes.

CHAPTER 197

[House Bill No. 376]

PACIFIC NORTHWEST FESTIVAL FACILITY—BOND ISSUE—STEERING
COMMISSION

AN ACT Relating to commerce and economic development; providing for the planning, design, construction, furnishing, and landscaping of a multi-theatre international performing arts facility; providing for the financing thereof by issuance of bonds and anticipation notes; creating the international performing arts festival steering commission; authorizing the acceptance of a gift of real property as a site for such facility; adding new sections to chapter 43.31 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds that expansion of cultural tourism would attract new visitors to our state and aid the development of a nonpolluting industry. The construction of the facility provided for in sections 2 through 9 of this act would enhance the industry's ability to attract such new visitors. The additional income and employment would strengthen the economic base of the state.

It is declared that the creation and development of a multi-theatre international performing arts facility will enhance the progress and economic growth of this state. The continued growth and development of this recreational industry provides for the general welfare and is an appropriate matter of concern to the people of the state of Washington.

NEW SECTION. Sec. 2. For the purpose of providing a matching grant for the planning, design, construction, furnishing, and landscaping of a multi-theatre international performing arts facility designated as "the Pacific northwest festival facility" and located in south King county in the vicinity of Federal Way, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of five million dollars, or so much thereof as may be required to finance that portion of the grant by the state for the project as provided by law. No bonds authorized by this section shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

No bonds may be issued until the director of the department of commerce and economic development certifies to the state finance committee that not less than fifteen million dollars in additional federal and private funding has been provided or secured as matching money for the purposes of sections 2 through 9 of this act.

The state finance committee is authorized to prescribe the form of the bonds, the time of sale of all or any portion or portions of the bonds, and the conditions of sale and issuance thereof.

The bonds shall pledge the full faith and credit of the state of Washington and contain an unconditional promise to pay the principal and interest when due. The committee may provide that the bonds, or any of them, may be called prior to the due date thereof under such terms and conditions as it may determine. The state finance committee may authorize the use of facsimile signatures in the issuance of the bonds.

NEW SECTION. Sec. 3. At the time the state finance committee determines to issue the bonds authorized in section 2 of this act, or a portion thereof, it may, pending the issuance thereof, issue, in the name of the state, temporary notes in anticipation of the money to be derived from the sale of the bonds, which notes shall be designated as "bond anticipation notes." The proceeds from the sale of bonds and notes authorized by section 2 of this act and this section shall be deposited in the Pacific northwest festival facility construction account, hereby created in the general fund in the state treasury, and shall be used exclusively for the purposes specified in sections 2 through 9 of this act and for the payment of expenses incurred in the issuance and sale of the bonds and notes: PROVIDED, That such portion of the proceeds of the sale of such bonds as may be required for the payment of the principal and interest on such anticipation notes as have been issued, shall be deposited in the Pacific northwest festival facility bond redemption fund of 1979 in the state treasury created by section 5 of this act.

NEW SECTION. Sec. 4. The principal proceeds from the sale of the bonds authorized in section 2 of this act shall be administered by the director of the department of commerce and economic development.

NEW SECTION. Sec. 5. The Pacific northwest festival facility bond redemption fund of 1979, hereby created in the state treasury, shall be used for the purpose of the payment of interest on and retirement of the bonds and notes authorized to be issued by sections 2 and 3 of this act. The state finance committee, on or before June 30th of each year, shall certify to the state treasurer the amount needed in the ensuing twelve months to meet bond retirement and interest requirements. Not less than thirty days prior to the date on which any such interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the Pacific northwest festival facility bond redemption fund of 1979 an amount equal to the amount certified by the state finance committee to be due on such payment date.

If a state general obligation bond retirement fund is created in the state treasury by chapter ... (SB 2361 or HB 569), Laws of 1979 1st ex. sess. and becomes effective by statute prior to the issuance of any of the bonds authorized by sections 2 through 9 of this act, the state general obligation bond retirement fund shall be used for purposes of sections 2 through 9 of this act in lieu of the Pacific northwest festival facility bond redemption fund of

1979, and the Pacific northwest festival facility bond redemption fund of 1979 shall cease to exist.

The owner and holder of each of the bonds or the trustee for any of the bonds, by mandamus or other appropriate proceeding, may require and compel the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 6. The bonds authorized by section 2 of this act shall be a legal investment for all state funds under state control and all funds of municipal corporations.

NEW SECTION. Sec. 7. The legislature finds that the forty-third and forty-fourth legislatures conducted studies relating to the feasibility and desirability of an international performing arts festival as an aid to the growth of the cultural tourism industry. The favorable results of those studies mandate that a steering commission be established to advise the director of the department of commerce and economic development in carrying out the provisions of sections 2 through 9 of this act.

The international performing festival arts steering commission is hereby created and shall consist of twelve members selected as follows:

(1) Five members shall be appointed by the governor, one of whom shall be designated by the governor as chairperson of the commission;

(2) Two members of the senate shall be appointed by the president of the senate;

(3) Two members of the house of representatives shall be appointed by the speakers of the house of representatives;

(4) One member of the King county council who shall be appointed by the council;

(5) One member of the Tacoma city council who shall be appointed by the council; and

(6) One member appointed by the Pierce county board of commissioners who may or may not be a board member.

The members of the commission shall serve without compensation. Meetings of the commission shall be at the call of the governor or the chairperson.

The commission shall terminate its duties on July 31, 1982, unless such termination date be removed or extended by law.

NEW SECTION. Sec. 8. The state of Washington is authorized to accept a gift from a private donor of thirty acres of unimproved real estate located in south King county in the vicinity of Federal Way for the location of a multi-theatre international performing arts facility as a facility for the people of the state of Washington.

NEW SECTION. Sec. 9. The members of the international performing festival arts steering commission are empowered to form a nonprofit corporation under chapter 24.03 RCW. The members of the corporation shall be

members as long as they are members of the commission or until their successors are appointed and qualify.

NEW SECTION. Sec. 10. Sections 2 through 9 of this act shall be added to chapter 43.31 RCW.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Filed in Office of Secretary of State May 24, 1979.

(a) Written notice of such cancellation must be actually delivered or mailed to the insured or to his representative in charge of the subject of the insurance not less than twenty days prior to the effective date of the cancellation except for cancellation of insurance policies for nonpayment of premiums, which notice shall be not less than ten days prior to such date;

(b) Like notice must also be so delivered or mailed to each mortgagee, pledgee, or other person shown by the policy to have an interest in any loss which may occur thereunder.

(2) The mailing of any such notice shall be effected by depositing it in a sealed envelope, directed to the addressee at his last address as known to the insurer or as shown by the insurer's records, with proper prepaid postage affixed, in a letter depository of the United States post office. The insurer shall retain in its records any such item so mailed, together with its envelope, which was returned by the post office upon failure to find, or deliver the mailing to, the addressee.

(3) The affidavit of the individual making or supervising such a mailing, shall constitute prima facie evidence of such facts of the mailing as are therein affirmed.

(4) The portion of any premium paid to the insurer on account of the policy, unearned because of the cancellation and in amount as computed on the pro rata basis, must be actually paid to the insured or other person entitled thereto as shown by the policy or by any endorsement thereon, or be mailed to the insured or such person as soon as ~~((practicable following such cancellation))~~ possible but no later than thirty days after the date of notice of cancellation to the insured. Any such payment may be made by cash, or by check, bank draft, or money order.

(5) This section shall not apply to contracts of life or disability insurance without provision for cancellation prior to the date to which premiums have been paid.

Sec. 6. Section 19, chapter 241, Laws of 1969 ex. sess. and RCW 48.18.291 are each amended to read as follows:

(1) No contract of insurance predicated upon the use of a private passenger automobile shall be terminated by cancellation by the insurer until at least twenty days after mailing written notice of cancellation to the named insured at the latest address filed with the insurer by or on behalf of the named insured, accompanied by the reason therefor: PROVIDED, That where cancellation is for nonpayment of premium, or is within the first

thirty days after the contract has been in effect, at least ten days notice of cancellation, accompanied by the reason therefor, shall be given; PROVIDED HOWEVER, That in case of a contract evidenced by a written binder which has been delivered to the insured, if such binder contains a clearly stated expiration date, no additional notice of cancellation or nonrenewal shall be required.

(2) (a) No notice of cancellation by the insurer as to a contract of insurance to which subsection (1) applies shall be valid if sent more than sixty days after the ~~((policy))~~ contract has been in effect unless:

(i) The named insured fails to discharge when due any of his obligations in connection with the payment of premium for the policy or any installment thereof, whether payable directly to the insurer or to its agent or indirectly under any premium finance plan or extension of credit.

(ii) The driver's license of the named insured, or of any other operator who customarily operates an automobile insured under the policy, has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty days immediately preceding the effective date of the renewal policy.

(b) Modification by the insurer of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars shall not be deemed a cancellation of the coverage or of the policy.

(3) The substance of subsections (1) and (2)(a) of this section must be set forth in each contract of insurance subject to the provisions of subsection (1) above, and may be in the form of an attached endorsement.

(4) No notice of cancellation of a policy which can be canceled only pursuant to subsection (2) shall be effective unless the reason therefor accompanies or is included in the notice of cancellation ~~((, or unless the notice of cancellation shall state or be accompanied by a statement that upon written request of the named insured, mailed or delivered to the insurer not less than five days prior to the effective date of cancellation, the insurer will specify the reason for such cancellation))~~.

Sec. 7. Section 20, chapter 241, Laws of 1969 ex. sess. as amended by section 3, chapter 152, Laws of 1973 1st ex. sess. and RCW 48.18.292 are each amended to read as follows:

(1) Each insurer shall be required to renew any contract of insurance subject to RCW 48.18.291 unless one of the following situations exists:

(a) The insurer gives the named insured at least twenty days' notice in writing as provided for in RCW 48.18.291(1), that it proposes to refuse to renew the insurance contract upon its expiration date; and sets forth therein the actual reason for refusing to renew; or

(b) At least twenty days prior to its expiration date, the insurer has communicated its willingness to renew in writing to the named insured, and has included therein a statement of the amount of the premium or portion thereof required to be paid by the insured to renew the policy and the date

by which such payment must be made, and the insured fails to discharge when due his obligation in connection with the payment of such premium or portion thereof; or

(c) The insured's agent or broker has procured other coverage acceptable to the insured (~~at least twenty days~~) prior to the expiration of the policy period.

(2) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

(3) "Renewal" or "to renew" means the issuance and delivery by an insurer of a ~~((policy))~~ contract of insurance replacing at the end of the ~~((policy))~~ contract period a ~~((policy))~~ contract of insurance previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a ~~((policy))~~ contract beyond its policy period or term: PROVIDED, HOWEVER, That any ~~((policy))~~ contract of insurance with a policy period or term of six months or less whether or not made continuous for successive terms upon the payment of additional premiums shall for the purpose of RCW 48.18.291 through 48.18.297 be considered as if written for a policy period or term of six months: PROVIDED, FURTHER, That any policy written for a term longer than one year or any policy with no fixed expiration date, shall, for the purpose of RCW 48.18.291 through 48.18.297, be considered as if written for successive policy periods or terms of one year.

(4) On and after January 1, 1980, no policy of insurance subject to RCW 48.18.291 shall be issued for a policy period or term of less than six months.

(5) No insurer shall refuse to renew the liability and/or collision coverage of an automobile insurance policy on the basis that an insured covered by the policy of the insurer has submitted one or more claims under the comprehensive, road service, or towing coverage of the policy. Nothing in this subsection shall prohibit the nonrenewal of comprehensive, road service, or towing coverage on the basis of one or more claims submitted by an insured.

Sec. 8. Section .18.30, chapter 79, Laws of 1947 amended by section 16, chapter 303, Laws of 1955 and RCW 48.18.300 are each amended to read as follows:

(1) Cancellation by the insured of any policy which by its terms is cancellable at the insured's option or of any binder based on such policy may be effected by written notice thereof to the insurer or surrender of the policy or binder for cancellation prior to or on the effective date of such cancellation. In event the policy or binder has been lost or destroyed and cannot be so surrendered, the insurer may in lieu of such surrender accept and in good faith rely upon the insured's written statement setting forth the fact of such loss or destruction.

(2) As soon as (~~(practicable following such cancellation)~~) possible, but no later than thirty days after the receipt of the notice of cancellation from the policyholder, the insurer shall pay to the insured or to the person entitled thereto as shown by the insurer's records, any unearned portion of any premium paid on the policy as computed on the customary short rate or as otherwise specified in the policy: PROVIDED, That the refund of any unearned portion of any premium paid on a contract of dwelling fire insurance, homeowners' insurance, or insurance predicated upon the use of a private passenger automobile (as defined in RCW 48.18.297 and excluding contracts of insurance and policies enumerated in RCW 48.18.296) shall be computed on a pro rata basis and the insurer shall refund not less than ninety percent of any unearned portion not exceeding one hundred dollars, plus ninety-five percent of any unearned portion over one hundred dollars but not exceeding five hundred dollars, and not less than ninety-seven percent of the amount of any unearned portion in excess of five hundred dollars. If the amount of any refund is less than two dollars, no refund need be made. If no premium has been paid on the policy, the insured shall be liable to the insurer for premium for the period during which the policy was in force.

(3) The surrender of a policy to the insurer for any cause by any person named therein as having an interest insured thereunder shall create a presumption that such surrender is concurred in by all persons so named.

(4) This section shall not apply to life insurance policies or to annuity contracts.

Sec. 9. Section .24.16, chapter 79, Laws of 1947 as amended by section 23, chapter 303, Laws of 1955 and RCW 48.24.160 are each amended to read as follows:

There shall be a provision that any sum becoming due by reason of the death of the individual insured shall be payable to the beneficiary designated by such individual, subject to the provisions of the policy in the event there is no designated beneficiary, as to all or any part of such sum, living at the death of the individual insured and subject to any right reserved by the insurer in the policy and set forth in the certificate to pay at its option a part of such sum not exceeding (~~(five hundred)~~) one thousand dollars to any person appearing to the insurer to be equitably entitled thereto by reason of having incurred funeral or other expenses incident to the last illness or death of the individual insured.

NEW SECTION. Sec. 10. There is added to chapter 48.30 RCW a new section to read as follows:

Notwithstanding the provisions of RCW 48.30.140, 48.30.150, and 48.30.155, the commissioner may permit an agent or broker to enter into reasonable arrangements with insureds and prospective insureds in situations where services are provided beyond the scope of services customarily provided in connection with the solicitation and procurement of insurance, so

that an overall charge to an insured or prospective insured is reasonable taking into account receipt of commissions and fees and their relation, proportionally, to the value of the total work performed.

Such arrangements, when prior authorization from the commissioner is obtained, shall not constitute violations subject to RCW 48.30.160.

Passed the House May 11, 1979.

Passed the Senate May 3, 1979.

Approved by the Governor May 24, 1979, with the exception of Sections 1 and 2, which are vetoed.

Filed in Office of Secretary of State May 24, 1979.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to two sections Substitute House Bill No. 1121 entitled:

"AN ACT Relating to insurance."

Sections 1 and 2 of this bill would allow the members of six occupations — attorneys, medical doctors, osteopaths, chiropractors, podiatrists, and dentists — to form mutual corporations under certain circumstances for the purpose of insuring against professional malpractice claims.

Although these sections specify some rather stringent limitations on the formation of such corporations, they do not provide the full protection of the public which the insurance laws are designed to provide. If these professional groups desire to establish such corporations this can be done under existing statutes and be subject to the normal procedures of the insurance commissioner which protect the public welfare.

With the exception of Sections 1 and 2, which I have vetoed, the remainder of Substitute House Bill No. 1121 is approved."

[Second Substitute House Bill No. 1239]

EMERGENCY MEDICAL SERVICE—EXCESS LEVIES—DISTRICT CREATION

AN ACT Relating to local government; adding a new section to chapter 36.32 RCW; and adding a new section to chapter 84.52 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 84.52 RCW a new section to read as follows:

(1) As used in this section, "taxing district" means a county, emergency medical service district, city or town, public hospital district, or fire protection district.

(2) A taxing district may impose an additional regular property tax levy in an amount equal to twenty-five cents or less per thousand dollars of the assessed value of property in the taxing district in each year for six consecutive years. This six-year levy must be approved by a majority of at least three-fifths of the electors thereof voting on the proposition, at which election the number of persons voting "yes" on the proposition shall constitute three-fifths of a number equal to forty per centum of the total votes cast in

such taxing district at the last preceding general election when the number of electors voting on the proposition does not exceed forty per centum of the total votes cast in such taxing district in the last preceding general election; or by a majority of at least three-fifths of the electors thereof voting on the proposition to levy when the number of electors voting on the proposition exceeds forty per centum of the total votes cast in such taxing district in the last preceding general election.

(3) Any tax imposed under this section shall be used only for the provision of emergency medical care or emergency medical services, including related personnel costs, training for such personnel, and related equipment, supplies, vehicles and structures needed for the provision of emergency medical care or emergency medical services.

(4) If a county levies a tax under this section, no taxing district within the county may levy a tax under this section. No other taxing district may levy a tax under this section if another taxing district has levied a tax under this section within its boundaries: PROVIDED, That if a taxing district within a county levies this tax, and the voters of the county subsequently approve a levying of this tax, then the tax levy for emergency medical services shall cease being levied in the taxing district originally levying it and shall be replaced with the county-wide levy. Whenever a tax is levied county-wide, the service shall, insofar as is feasible, be provided throughout the county: PROVIDED FURTHER, That no county-wide levy proposal may be placed on the ballot without the approval of the legislative authority of each city exceeding fifty thousand population within the county: PROVIDED FURTHER, That this 1979 amendatory act shall not prohibit any city or town from levying an annual excess levy to fund emergency medical services.

(5) The tax levy authorized in this section is in addition to the tax levy authorized in RCW 84.52.043.

(6) The limitation in RCW 84.55.010 shall not apply to the first levy imposed pursuant to this section following the approval of such levy by the voters pursuant to subsection (2) of this section.

NEW SECTION. Sec. 2. There is added to chapter 36.32 RCW a new section to read as follows:

A county legislative authority may adopt an ordinance creating an emergency medical service district in all or a portion of the unincorporated area of the county. The ordinance may only be adopted after a public hearing has been held on the creation of such a district and the county legislative authority makes a finding that it is in the public interest to create the district. The members of the county legislative authority shall be the governing body of the emergency medical service district.

An emergency medical service district shall be a quasi-municipal corporation and an independent taxing "authority" within the meaning of Article 7, Section 1, Washington State Constitution. Emergency medical

service districts shall also be "taxing authorities" within the meaning of Article 7, Section 2, Washington State Constitution.

An emergency medical service district shall have the authority to provide emergency medical services.

NEW SECTION. Sec. 3. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Passed the House May 14, 1979.

Passed the Senate May 11, 1979.

Approved by the Governor May 24, 1979.

JUVENILE TRUANCY

AN ACT Relating to juvenile truancy; amending section 2, chapter 10, Laws of 1972 ex. sess. as amended by section 1, chapter 51, Laws of 1973 and RCW 28A.27.010; amending section 28A.27.070, chapter 223, Laws of 1969 ex. sess. as amended by section 52, chapter 291, Laws of 1977 ex. sess. and RCW 28A.27.070; amending section 28A.27.100, chapter 223, Laws of 1969 ex. sess. and RCW 28A.27.100; amending section 28A.27.110, chapter 223, Laws of 1969 ex. sess. and RCW 28A.27.110; adding new sections to chapter 28A.27 RCW; adding a new section to chapter 13.34 RCW; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 28A.27 RCW a new section to read as follows:

If a juvenile required to attend school under the laws of the state of Washington fails to attend school without valid justification recurrently or for an extended period of time, the juvenile's school, where appropriate, shall:

(1) Inform the juvenile's custodial parent, parents or guardian by a notice in writing in English and, if different, in the primary language of the custodial parent, parents or guardian and by other means reasonably necessary to achieve notice of the fact that the juvenile has failed to attend school without valid justification recurrently or for an extended period of time;

(2) Schedule a conference or conferences with the custodial parent, parents or guardian and juvenile at a time and place reasonably convenient for all persons included for the purpose of analyzing the causes of the juvenile's absences; and

(3) Take steps to eliminate or reduce the juvenile's absences, including, where appropriate, adjusting the juvenile's school program or school or course assignment or assisting the parent or student to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school.

NEW SECTION. Sec. 2. There is added to chapter 28A.27 RCW a new section to read as follows:

If action taken by a school pursuant to section 1 of this act is not successful in substantially reducing a student's absences from school, the attendance officer of the school district through its attorney may petition the juvenile court to assume jurisdiction under this chapter for the purpose of alleging a violation of RCW 28A.27.010. If the court assumes jurisdiction in such an instance, the provisions of this chapter, except where otherwise stated, shall apply.

NEW SECTION. Sec. 3. There is added to chapter 13.34 RCW a new section to read as follows:

The legislature finds that it is the responsibility of the custodial parent, parents or guardian to ensure that children within the custody of such individuals attend school as provided for by law. To this end, while a parent's failure to cause a juvenile to attend school should not alone provide a basis for a neglect petition against the parent or guardian, when a neglect petition is filed on the basis of other evidence, a parent or guardian's failure to take reasonable steps to ensure that the juvenile attends school may be used as evidence with respect to the question of the appropriate disposition of a neglect petition.

Sec. 4. Section 2, chapter 10, Laws of 1972 ex. sess. as amended by section 1, chapter 51, Laws of 1973 and RCW 28A.27.010 are each amended to read as follows:

All parents, guardians and the persons in this state having custody of any child eight years of age and under fifteen years of age shall cause such child to attend the public school of the district in which the child resides for the full time when such school may be in session or to attend a private school for the same time unless the school district superintendent of the district in which the child resides shall have excused such child from attendance because the child is physically or mentally unable to attend school or unless such child is attending a residential school operated by ~~((the division of institutions of))~~ the department of social and health services.

All parents, guardians and other persons in this state having custody of any child fifteen years of age and under eighteen years of age shall cause such child to attend the public school of the district in which the child resides for the full time when such school may be in session or to attend a private school for the same time excepting when the school district superintendent determines that such child is physically or mentally unable to attend school or has already attained a reasonable proficiency in the branches required by law to be taught in the first nine grades of the public schools of this state, or the child is regularly and lawfully engaged in a useful or remunerative occupation, or the child is attending a residential school operated by ~~((the division of institutions of))~~ the department of social and health

services, or the child has already met graduation requirements in accordance with state board of education rules and regulations, or the child has received a certificate of educational competence under rules and regulations established by the state board of education under RCW 28A.04.135.

~~((Proof of absence from any public or approved private and/or parochial school shall be prima facie evidence of a violation of this section.))~~ An approved private and/or parochial school for the purposes of this section shall be one approved under regulations established by the state board of education pursuant to RCW 28A.04.120 as now or hereafter amended.

Sec. 5. Section 28A.27.070, chapter 223, Laws of 1969 ex. sess. as amended by section 52, chapter 291, Laws of 1977 ex. sess. and RCW 28A.27.070 are each amended to read as follows:

Any attendance officer, sheriff, deputy sheriff, marshal, policeman, or any other officer authorized to make arrests, shall take into custody without a warrant a child who is required under the provisions of RCW 28A.27.010 through 28A.27.130 to attend school, such child then being a truant from instruction at the school which he is lawfully required to attend, and shall forthwith deliver a child so detained either (1) to the custody of a person in parental relation to the child or (2) to the school from which the child is then a truant. ~~((A designated school official may inform an habitual truant and such child's parents, and shall inform any student who has been expelled from school in accordance with procedures provided by law and such child's parents, of the nature and location of services provided for in RCW 74.13.020(3) if such services may be appropriate to the needs of the child, and shall offer to assist in establishing contact between such family and such services. An habitual truant for the purposes of this section is one who absents himself with frequency from the school he is required to attend.))~~

Sec. 6. Section 28A.27.100, chapter 223, Laws of 1969 ex. sess. and RCW 28A.27.100 are each amended to read as follows:

Any person violating any of the provisions of either RCW 28A.27.010 or 28A.27.090 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. It shall be a defense for a person charged with violating RCW 28A.27.010 to show that he or she exercised reasonable diligence in attempting to cause a child in his or her custody to attend school or that the juvenile's school did not perform its duties as required in section one of this act. Any fine imposed pursuant to this section may be suspended upon the condition that a person charged with violating RCW 28A.27.010 shall participate with the school and the juvenile in a supervised plan for the juvenile's attendance at school or upon condition that the person attend a conference or conferences scheduled by a school for the purpose of analyzing the causes of a child's absence.

Attendance officers shall make complaint for violation of the provisions of RCW 28A.27.010 through 28A.27.130 by any person eighteen years of

*Sec. 6 was vetoed, see message at end of chapter.

Passed the Senate May 12, 1979.

Passed the House April 30, 1979.

Approved by the Governor May 24, 1979, with the exception of Section 6, which is vetoed.

Filed in Office of Secretary of State May 24, 1979.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to Section 6, Substitute Senate Bill No. 2095 entitled:

"AN ACT Relating to superior court judges."

Substitute Senate Bill No. 2095 creates a number of additional superior court judgeships throughout the state. Section 6 of the bill was added as a House amendment to the original Senate bill and provides an elective procedure for the selection of judges in several of the newly created positions. I cannot support the provision of Section 6 for several reasons but principally for the reason that such procedure destroys the Governor's historic constitutional and statutory right to appoint judges to the newly created positions. Those appointed must then stand for election as provided by the election laws.

The provisions of Article 4, Section 5 of the constitution provide the framework within which newly created judgeships must be filled. The applicable provision provides:

If a vacancy occurs in the office of judge of the superior court, the governor shall appoint a person to hold the office until the election and qualification of a judge to fill the vacancy, which election shall be at the next succeeding general election...

This constitutional principle was tested just two years ago in the supreme court case of *Fain v. Chapman*, 89 Wn.2d 48 and I recommend that decision to the readers of this message.

RCW 2.08.069 Judges—Filling vacancies resulting from creation of additional judgeships. Unless otherwise provided, upon the taking effect of any act providing for additional judges of the superior court and thereby creating a vacancy, the governor shall appoint a person to hold the office until the election and qualification of a judge to fill the vacancy, which election shall be at the next succeeding general election, and the judge so elected shall hold office for the remainder of the unexpired term.

As far as I am able to determine, the elective procedure as set forth in Substitute Senate Bill No. 2095 on newly created judgeships is the first departure from the long-established constitutional and statutory right of the executive to fill those judgeships by appointment. If the Legislature is truly serious about relieving all Governors of this long-established right, then I suggest a change in the constitution would be required.

For these reasons, I have determined to veto Section 6 of Substitute Senate Bill No. 2095."

If the trustee fails or refuses to pay such tax, or furnish a bond or adequate security, the greatest possible tax shall immediately become due and payable, and may be enforced against the property by the department through foreclosure proceedings. Any bond executed by the trustee as above provided shall not be released or exonerated without written consent of the department.

On and after September 1, 1971, if such tax is not paid within nine months from the accruing thereof, interest shall be charged and collected at the rate of eight percent per year computed from the expiration of such nine month period unless the amount of tax cannot be determined because of litigation pending

in any court of competent jurisdiction or arbitration under the provisions of chapter 83.14 RCW which involves, either directly or indirectly, the amount of tax payable, in which case interest shall not be charged against the estate nor paid by the state of Washington during the time necessarily consumed by such litigation or arbitration(~~(: PROVIDED, That)~~). In no case shall interest be tolled for a period of more than three years from the expiration of the nine months after date of death. (2) If the spouse of an employee covered by an account, plan, system, or retirement annuity contract as described in subsection (1) of this section predeceases the employee, any interest of the spouse in the annuity or other payment as may become payable upon the death of the employee shall also be exempt from inheritance taxes.

(3) In order for the retirement benefit to be exempt, the personal representative shall, upon request, provide to the inheritance tax division a certification from the employer, administrator, trustee, or custodian of the benefit plan that it is so qualified.

(2) No extension shall be granted for the payment of any deficiency if the deficiency is due to negligence, fraud with intent to evade the tax, or an intentional disregard of the rules of the department.

(3) If payment of any amount of the tax imposed by Title 83 RCW is extended under this section, interest on the unpaid amount at an annual rate of eight percent shall be paid with each installment payment of the tax.

(4) If any installment under this section is not paid on or before the date fixed for its payment, the remainder of the tax payable in installments, plus interest, shall be paid upon notice and demand from the director.

(5) In the event an extension of time is granted, the director may require the executor to furnish a bond, or such other security as may be deemed reasonable, conditioned upon the payment of the amount deferred in accordance with the terms of the extension.

(6) The director shall adopt rules to carry out this section.

NEW SECTION. Sec. 25. There is added to chapter 83.08 RCW a new section to read as follows:

NEW SECTION. Sec. 26. (1) If the decedent was at the time of his death a resident of the state and the application of sections 26 through 34 of this act is elected by filing the agreement referred to in section 29 of this act, then, for purposes of this chapter, the value of qualified real property shall be its value for the use under which it qualifies, under section 27 of this act, as qualified real property.

(2) The aggregate decrease in the value of qualified real property taken into account for purposes of this chapter which results from the application of subsection (1) of this section with respect to any decedent shall not exceed five hundred thousand dollars.

NEW SECTION. Sec. 27. (1) For purposes of sections 26 through 34 of this act, the term "qualified real property" means real property located in the state which is acquired or passed from the decedent to a qualified heir of the decedent and which, on the date of the decedent's death, was being used for a qualified use, but only if:

(a) Fifty percent or more of the adjusted value of the gross estate consists of the adjusted value of real or personal property which:

(i) On the date of the decedent's death, was being used for a qualified use; and

(ii) Was acquired from or passed from the decedent to a qualified heir of the decedent;

(b) Twenty-five percent or more of the adjusted value of the gross estate consists of the adjusted value of real property which meets the requirements of subsection (1)(a)(ii) and (c) of this section;

(c) During the eight-year period ending on the date of the decedent's death there have been periods aggregating five years or more during which:

(i) The real property was owned by the decedent or a member of the decedent's family and used for a qualified use; and

(ii) There was material participation by the decedent or a member of the decedent's family in the operation of the farm or other business; and

(d) The real property is designated in the agreement referred to in section 29(2) of this act.

(2) For purposes of sections 26 through 34 of this act, the term "qualified use" means the devotion of the property to any of the following:

(a) Use as a farm for farming purposes; or

(b) Use in a trade or business other than the trade or business of farming.

(3) For purposes of subsection (1) of this section, the term "adjusted value" means:

(a) In the case of the gross estate, the value of the gross estate for purposes of this chapter (determined without regard to sections 26 through 34 of this act), reduced by any unpaid mortgages on or any indebtedness in respect to property where the value of the decedent's interest therein, undiminished by the mortgage or indebtedness, is included in the value of the gross estate; or

(b) In the case of any real or personal property, the value of the property for purposes of this chapter (determined without regard to this section), reduced by any unpaid mortgages on or any indebtedness in respect to property where the value of the decedent's interest therein, undiminished by the mortgage or indebtedness, is included in the value of the gross estate.

(4) For the purposes of this title, "gross estate" means all property subject to the inheritance tax under this title.

NEW SECTION. Sec. 28. (1) If within fifteen years after the decedent's death and before the death of the qualified heir:

(ii) The excess of the amount realized with respect to the interest (or, in any case other than a sale or exchange at arm's length, the fair market value of the interest) over the value of the interest determined under section 26 of this act.

(b) For purposes of subsection (2)(a) of this section, the adjusted tax difference attributable to an interest is the amount which bears the same ratio to the adjusted tax difference with respect to the inheritance (determined under subsection (2)(c) of this section) as:

(i) The excess of the value of the interest for purposes of this chapter (determined without regard to section 26 of this act) over the value of the interest determined under section 26 of this act bears to

(ii) A similar excess determined for all qualified real property.

(c) For purposes of subsection (2)(b) of this section, the term "adjusted tax difference with respect to the inheritance" means the excess of what would have been the inheritance tax liability but for section 26 of this act over the inheritance tax liability. For purposes of this paragraph, the term "inheritance tax liability" means the tax imposed by this title.

(d) For purposes of this paragraph, where the qualified heir disposes of a portion of the interest acquired by (or passing to) the heir (or a predecessor qualified heir) or there is a cessation of use of such a portion:

(i) The value determined under section 26 of this act taken into account under subsection (2)(a)(ii) of this section with respect to the portion shall be its pro rata share of the value of the interest; and

(ii) The adjusted tax difference attributable to the interest taken into account with respect to the transaction involving the second or any succeeding portion shall be reduced by the amount of the tax imposed by this section with respect to all prior transactions involving portions of the interest.

(3) If the date of the disposition or cessation referred to in subsection (1) of this section occurs more than one hundred twenty months and less than one hundred eighty months after the date of the death of the decedent, the amount of the tax imposed by this section shall be reduced (but not below zero) by an amount determined by multiplying the amount of the tax (determined without regard to this subsection) by a fraction:

(a) The numerator of which is the number of full months after the death in excess of one hundred twenty; and

(b) The denominator of which is sixty.

(4) In the case of an interest acquired from (or passing from) any decedent, if subsection (1) of this section applies to any portion of an interest, subsection (1)(a) or (b) of this section, as the case may be, shall not apply with respect to the same portion of the interest.

(5) The additional tax imposed by this section shall become due and payable on the day which is six months after the date of the disposition or cessation referred to in subsection (1) of this section. If the additional tax is

not paid within the time prescribed by this subsection, interest shall accrue at the rate of eight percent per year on the unpaid amount.

(6) The qualified heir shall be personally liable for the additional tax imposed by this section with respect to his interest unless the heir furnishes a bond which meets the requirements of section 30(9) of this act.

(7) For purposes of subsection (1)(b) of this section, real property shall cease to be used for the qualified use if:

(a) The property ceases to be used for the qualified use set forth in section 27(2)(a) or (b) of this act under which the property qualified under section 27 of this act; or

(b) During any period of eight years ending after the date of the decedent's death and before the date of the death of the qualified heir, there had been periods aggregating three years or more during which:

(i) In the case of periods during which the property was held by the decedent, there was no material participation by the decedent or any member of his family in the operation of the farm or other business; and

(2) The election referred to in this section is a written agreement signed by each person in being, or the personal representative of the person, who has an interest (whether or not in possession) in any property designated in the agreement consenting to the application of section 28 of this act with respect to the property.

NEW SECTION. Sec. 30. For purposes of sections 26 through 34 of this act:

(1) The term "qualified heir" means, with respect to any property, a member of the decedent's family who acquired the property (or to whom the property passed) from the decedent. If a qualified heir disposes of any interest in qualified real property to any member of his family, the member shall thereafter be treated as the qualified heir with respect to the interest.

(2) The term "member of the family" means, with respect to any individual, only the individual's ancestor or lineal descendant, a lineal descendant of a grandparent of the individual, the spouse of the individual, or the spouse of such a descendant. For purposes of the preceding sentence, a legally adopted child of an individual shall be treated as a child of the individual by blood.

(3) In the case of real property which meets the requirements of section 27(1)(c) of this act, residential buildings and related improvements on the

real property occupied on a regular basis by the owner or lessee of the real property or by persons employed by the owner or lessee for the purpose of operating or maintaining the real property, and roads, buildings, and other structures and improvements functionally related to the qualified use shall be treated as real property devoted to the qualified use.

(4) The term "farm" includes stock, dairy, poultry, fruit, furbearing animals, and truck farms, plantations, ranches, nurseries, ranges, greenhouses, or other similar structures used primarily for the raising of agricultural or horticultural commodities, and orchards and woodlands.

(c) (i) The planting, cultivating, caring for, or cutting of trees; or

(ii) The preparation (other than milling) of trees for market.

(6) Material participation shall be determined in a manner similar to the manner used for purposes of section 1402(a) of the Internal Revenue Code of 1954 (relating to net earnings from self-employment).

(7) Property shall be considered to have been acquired or passed from the decedent if:

(a) The property is so considered under RCW 82.04.010 (property subject to inheritance tax);

(b) The property is acquired by any person from decedent's estate in satisfaction of the right of the person to a pecuniary bequest; or

(c) The property is acquired by any person from a trust in satisfaction of a right (which the person has by reason of the death of the decedent) to receive from the trust a specific dollar amount which is the equivalent of a pecuniary bequest.

(8) If the decedent and the surviving spouse at any time held qualified real property as community property, the interest of the surviving spouse in the property shall be taken into account under this section to the extent necessary to provide a result under this section with respect to the property which is consistent with the result which would have been obtained under this section if the property had not been community property.

(9) If the qualified heir makes written application to the director for determination of the maximum amount of the additional tax which may be imposed by section 26 of this act with respect to the qualified heir's interest, the director (as soon as possible and in any event within one year after the making of the application) shall notify the heir of the maximum amount. The qualified heir, on furnishing a bond in such amount and for such period

as may be required, shall be discharged from personal liability for any additional tax imposed by section 26 of this act and shall be entitled to a receipt or writing showing the discharge.

NEW SECTION. Sec. 31. (1) (a) Except as provided in subsection (1)(b) of this section the value of a farm for farming purposes shall be determined by dividing:

(i) The excess of the average annual gross cash rental for comparable land used for farming purposes and located in the locality of the farm over the average annual state and local real estate taxes for the comparable land by

(ii) The average annual effective interest rate for all new Federal Land Bank loans.

For purposes of the preceding sentence, each average annual computation shall be made on the basis of the five most recent calendar years ending before the date of the decedent's death.

(b) The formula provided by subsection (1)(a) of this section shall not be used:

(i) Where it is established that there is no comparable land from which the average annual gross cash rental may be determined; or

(ii) Where the election under section 29 of this act specifies that the value of the farm for farming purposes is to be determined under subsection (2) of this section.

(2) In any case to which subsection (1)(a) of this section does not apply, the following factors shall apply in determining the value of any qualified real property:

(a) The capitalization of income which the property can be expected to yield for farming or closely held business purposes over a reasonable period of time under prudent management using traditional cropping patterns for the area, taking into account soil capacity, terrain configuration, and similar factors;

(b) The capitalization of the fair rental value of the land for farmland or closely held business purposes;

(c) Assessed land values in the state;

(d) Comparable sales of other farm or closely held business land in the same geographical area far enough removed from a metropolitan or resort area so that nonagricultural use is not a significant factor in the sales price; and

(e) Any other factor which fairly values the farm or closely held business value of the property.

NEW SECTION. Sec. 32. If qualified real property is disposed of or ceases to be used for a qualified use, then:

(1) The statutory period for the assessment of any additional tax under section 28 of this act attributable to the disposition or cessation shall not

expire before the expiration of three years from the date the director is notified (in such manner as the director may by rule prescribe) of the disposition or cessation; and

(2) The additional tax may be assessed before the expiration of the three-year period notwithstanding the provisions of any other law or rule of law which would otherwise prevent the assessment.

NEW SECTION. Sec. 33. (1)(a) If there is an involuntary conversion of an interest in qualified real property and the qualified heir makes an election under this section:

(i) No tax shall be imposed by section 28 of this act on such conversion if the cost of the qualified replacement property equals or exceeds the amount realized on such conversion; or

(ii) If (a)(i) of this subsection does not apply, the amount of the tax imposed by section 28 of this act on such conversion shall be the amount determined under (b) of this subsection.

(b) The amount of the tax with respect to any involuntary conversion is the amount of the tax which (but for this section) would have been imposed on such conversion reduced by an amount which:

(i) Bears the same ratio to such tax, as

(ii) the cost of the qualified replacement property bears to the amount realized on the conversion.

(2) For the purposes of section 28 of this act:

(a) Any qualified replacement property shall be treated in the same manner as if it were a portion of the interest in qualified real property which was involuntarily converted, except that with respect to such qualified replacement property:

(i) The fifteen-year period under section 28(1) of this act shall be extended by any period, beyond the two-year period referred to in subsection (4)(a) of this section during which the qualified heir was allowed to replace the qualified real property; and

(ii) The phaseout period under section 28(3) of this act shall be appropriately adjusted to take into account the extension referred to in (a)(i) of this subsection;

(b) Any tax imposed by section 28 of this act on the involuntary conversion shall be treated as a tax imposed on a partial disposition; and

(c) Section 28(7) of this act shall be applied:

(i) By not taking into account periods after the involuntary conversion and before the acquisition of the qualified replacement property; and

(ii) By treating material participation with respect to the converted property as material participation with respect to the qualified replacement property.

(3) For purposes of this section:

(a) The term "involuntary conversion" means property that (as a result of its destruction in whole or in part, theft, seizure, or requisition or condemnation or threat or imminence thereof) is compulsorily or involuntarily converted:

(i) Into property similar or related in service or use to the property so converted; or

(ii) Into money or into property not similar or related in service or use to the converted property;

(b) The term "qualified replacement property" means:

(i) In the case of an involuntary conversion described in (a)(i) of this subsection, any real property into which the qualified real property is converted; or

(ii) In the case of an involuntary conversion described in (a)(ii) of this subsection, any real property purchased by the qualified heir during the period specified in subsection (4) of this section for purposes of replacing the qualified real property. This term only includes property which is to be used for the qualified use set forth in section 27(2)(a) or (b) of this act under which the qualified real property qualified under section 26 of this act.

(4) The period referred to in subsection (3)(b)(ii) of this section shall be the period beginning with the date of the disposition of the converted property, or the earliest date of the threat or imminence of requisition or condemnation of the converted property, whichever is the earlier, and ending:

(a) Two years after the close of the first taxable year for federal income tax purposes in which any part of the gain upon the conversion is realized; or

(b) Subject to such terms and conditions as may be specified by the director, at the close of such later date as the director may designate on application by the taxpayer. Such application shall be made at such time and in such manner as the director may by rule prescribe.

(5) Any election under this section shall be made at such time and in such manner as the director may by rule prescribe.

NEW SECTION. Sec. 34. The director shall prescribe rules setting forth the application of sections 26 through 34 and 36 of this act (relating to tax liens) in the case of an interest in a partnership, corporation, or trust which, with respect to the decedent, is an interest in a closely held business (within the meaning of section 6166(b)(1) of the Internal Revenue Code of 1954).

NEW SECTION. Sec. 35. If an election is made to value property at current use for federal but not state purposes, the current use value of the property determined for federal purposes shall not affect the value of the property for purposes of the state inheritance tax.

If an election is made to value the same property at current use for federal and state purposes, then RCW 83.40.040 (federal audit) shall apply to the property. An election to value property at current use under sections 26

through 34 of this act for state inheritance tax purposes may be made whether or not an election is made to value property at current use under section 2032(a) of the Internal Revenue Code of 1954 for federal estate tax purposes.

NEW SECTION. Sec. 36. There is added to chapter 83.04 RCW a new section to read as follows:

(1) In the case of any interest in qualified real property (within the meaning of section 27 of this act) an amount equal to the adjusted tax difference attributable to the interest (within the meaning of section 28(2)(b) of this act) shall be a lien in favor of the state on the property in which the interest exists.

(2) The lien imposed by this section shall arise at the time an election is filed under section 29 of this act and shall relate back to the date of death of the decedent and continue with respect to any interest in the qualified real property until:

(a) The liability for tax under section 28 of this act with respect to the interest has been satisfied or has become unenforceable by reason of lapse of time; or

(b) It is established to the satisfaction of the director that no further tax liability may arise under section 28 of this act with respect to the interest.

(3) The notice of the lien imposed by this section shall be filed with the auditor of the county wherein the property is located. The notice of the lien shall not be required to be refiled.

(4) If there is a lien under this section on any property with respect to any estate, there shall not be any lien under RCW 83.04.023.

(5) To the extent provided in rules prescribed by the director, the furnishing of security may be substituted for the lien imposed by this section.

(6) The lien imposed by this section may be subordinated to any subsequent lien if the director determines that the state will be adequately secured after the subordination.

Sec. 42. Section 2, chapter 148, Laws of 1973 and RCW 11.86.010 are each amended to read as follows:

As used in this section, unless otherwise clearly required by the context:

(1) "Beneficiary" means and includes any person entitled, but for his disclaimer, to take an interest: By intestate succession, devise, legacy, or bequest; by succession to a disclaimed interest by will, trust instrument, intestate succession, or through the exercise or nonexercise of a testamentary or other power of appointment; by virtue of a renunciation and election to take against a will; as beneficiary of a testamentary or other written trust or life insurance policy; pursuant to the exercise or nonexercise of a testamentary or other power of appointment; as donee of a power of appointment created by testamentary or trust instrument; (~~(or)~~) otherwise under a trust, testamentary or (~~(trust)~~) nontestamentary instrument or contract or community property agreement; or by right of survivorship.

(2) "Interest" means and includes the whole of any property, real or personal, legal or equitable, or any fractional part, share or particular portion or specific assets thereof, or any estate in any such property, or power to appoint, consume, apply or expend property or any other right, power, privilege or immunity relating thereto.

(3) "Disclaimer" means a written instrument which declines, refuses, releases, renounces or disclaims an interest which would otherwise be succeeded to by a beneficiary, which instrument defines the nature and extent of the interest disclaimed thereby and which must be signed, witnessed and acknowledged by the disclaimant in the manner provided for deeds of real estate, and also a written instrument which exercises a power to invade the corpus or principal of an estate or trust when such exercise has the effect of terminating an interest which could otherwise be succeeded to by a beneficiary.

Sec. 43. Section 3, chapter 148, Laws of 1973 and RCW 11.86.020 are each amended to read as follows:

A beneficiary may disclaim any interest in whole or in part, or with reference to specific parts, shares or assets thereof, ~~((by filing a disclaimer in court))~~ in the manner provided in RCW 11.86.030 and 11.86.040. A guardian, executor, administrator, attorney in fact under a durable power of attorney under chapter 11.94 RCW, or other personal representative of the estate of a minor, incompetent or deceased beneficiary, if he deems it in the best interests of those interested in the estate of such beneficiary and of those who take the beneficiary's interest by virtue of the disclaimer and not detrimental to the best interests of the beneficiary, with or without an order of the probate court, may ~~((execute and file a disclaimer))~~ disclaim on behalf of the beneficiary within the time and in the manner in which the beneficiary himself could disclaim if he were living, of legal age and competent. A beneficiary likewise may ~~((execute and file a disclaimer))~~ disclaim by agent or attorney so empowered.

Sec. 44. Section 4, chapter 148, Laws of 1973 and RCW 11.86.030 are each amended to read as follows:

Such disclaimer shall be filed and received as provided in RCW 11.86-.040 at any time after the creation of the interest, but in all events ~~((within the later of six months from June 7, 1973 or six))~~ by nine months after (1) the beneficiary attains the age of twenty-one, (2) the death of the person by whom the interest was created or from whom it is or, but for the disclaimer would be received, or, (3) if the disclaimant is not finally ascertained as a beneficiary or his interest has not become indefeasibly fixed both in quality and quantity as of the death of such person, then such disclaimer shall be filed and received not later than ((six)) nine months after the event which causes or, but for the disclaimer, would cause him so to become finally ascertained and his interest to become indefeasibly fixed both in quality and quantity, whichever occurrence is latest.

Sec. 45. Section 5, chapter 148, Laws of 1973 and RCW 11.86.040 are each amended to read as follows:

Such disclaimer shall be effective upon (1) a copy thereof being filed with the clerk of the court of which the estate of the person by whom the interest was created or from whom it would have been received is, or has been, administered or, if no probate administration has been commenced, then with the clerk of the court of any county provided by law as the place for probate administration of the estate of such person, where it shall be indexed under the name of the decedent in the probate index upon payment of a fee of two dollars~~((A copy of the disclaimer shall be delivered or mailed by certified or registered mail, return receipt requested to the representative, trustee or other person having legal title to, or possession of, the property in which the interest disclaimed exists, and))~~; and (2) receipt of the disclaimer by the transferor of the interest, his legal representative, or the holder of the legal title to the property to which the interest relates, or,

if the transferor is dead and there is no legal representative or holder of legal title, by the person having possession of the property. No such representative(~~(-trustee)~~) or person shall be liable for any otherwise proper distribution or other disposition made without actual knowledge of the disclaimer, or in reliance upon the disclaimer and without actual knowledge that said disclaimer is barred as provided in RCW 11.86.060. If an interest in or relating to real estate is disclaimed, the original of the disclaimer, or a copy of the disclaimer certified as true and complete by the clerk of the court wherein the same has been filed, shall be recorded in the office of the auditor in the county or counties where the real estate is situated and shall constitute notice to all persons only from and after the time of such recording.

Sec. 46. Section 6, chapter 148, Laws of 1973 and RCW 11.86.050 are each amended to read as follows:

Unless the person by whom the interest was created or from whom it would have been received has otherwise provided by will or other appropriate instrument with reference to the possibility of a disclaimer by the beneficiary, the interest disclaimed shall descend, be distributed or otherwise be disposed of in the same manner as if the disclaimant had died immediately preceding the ((~~death or other event which causes him to become finally ascertained as a beneficiary and his interest to become indefeasibly fixed both in quality and quantity~~) event giving rise to the commencement of the nine month period under RCW 11.86.030 in which the disclaimer must be filed, and ((in any case,)) the disclaimer shall relate for all purposes to such date, whether filed before or after such ((~~death or other~~) event. However, one disclaiming an interest ((in)), including a nonresiduary ((~~gift, devise or bequest~~) interest, shall not be ((~~excluded~~) precluded, unless his disclaimer so provides, from ((~~sharing in a gift, devise or bequest of the residue even though, through lapse, such residue includes the assets disclaimed~~) receiving or enjoying the benefit of the disclaimed interest or any portion of it by virtue of a residuary bequest or devise, or otherwise. An interest of any nature in or to the estate of an intestate may be declined, refused or disclaimed as herein provided without ever vesting in the disclaimant.

Sec. 47. Section 7, chapter 148, Laws of 1973 and RCW 11.86.060 are each amended to read as follows:

The right to disclaim otherwise conferred by this chapter shall be barred if the beneficiary is insolvent at the time of the event giving rise to the commencement of the ((~~six months~~) nine month period under RCW 11.86.030 within which the disclaimer must be filed. Any voluntary assignment or transfer of, or contract to assign or transfer, an interest in real or personal property, or written waiver of the right to disclaim the succession to an interest in real or personal property, by any beneficiary, or any sale or other disposition of an interest in real or personal property pursuant to judicial process, made before he has filed a disclaimer, as provided in RCW

11.86.040, bars the right otherwise conferred on such beneficiary to disclaim as to such interest.

Sec. 48. Section 8, chapter 148, Laws of 1973 and RCW 11.86.070 are each amended to read as follows:

The right to disclaim granted by RCW 11.86.020 exists regardless of any limitation imposed on the interest of the disclaimant in the nature of an express or implied spendthrift provision or similar restriction. A disclaimer, when filed and received as provided in RCW 11.86.040, or a written waiver of the right to disclaim, shall be binding upon the disclaimant or beneficiary so waiving and all parties thereafter claiming by, through or under him, except that a beneficiary so waiving may thereafter transfer, assign or release his interest if such is not prohibited by an express or implied spendthrift provision.

NEW SECTION. Sec. 49. There is added to chapter 11.86 RCW a new section to read as follows:

If a beneficiary disclaims an interest under this chapter more than nine months after the date of death of the transferor of the interest, there shall be no recalculation of the inheritance tax with respect to the deceased transferor.

Sec. 50. Section 48, chapter 26, Laws of 1967 ex. sess. as amended by section 3, chapter 158, Laws of 1975 1st ex. sess. and RCW 82.03.190 are each amended to read as follows:

If the taxpayer intends that the hearing before the board be held pursuant to the administrative procedure act (chapter 34.04 RCW), the notice of appeal shall also

Where property is transferred for less than an adequate and full consideration in money or money's worth, the amount by which the value of the property exceeds the value of the consideration shall be deemed a gift and shall be included in computing the amount of gifts made during the calendar year. If the gift constitutes an annuity, a life estate, an estate for a term of years, a remainder, or a reversion, the value of the gift shall be computed in the same manner as provided by RCW 83.16.020.

The return shall be filed with the department on or before April 15 of the year following the calendar year in which the gift is made.

(2) The tax imposed by this chapter shall be paid by the donor to the department on or before April 15 following the close of the calendar year in which the gift is made. All moneys paid to the department shall immediately be transmitted to the state treasurer and credited to the general fund.

(3) The department may require any person to make a return, render under oath such statements, or keep such records as the department may reasonably require to show whether such person is liable to tax under this chapter.

(4) The donor shall file with the department one copy of any corrected federal gift tax return setting forth the total amount of federal gift tax thereon, as finally determined by the federal government. A copy of the original federal gift tax return must be included with the corrected federal gift tax return when the latter is filed with the department.

(5) If by agreement of the donor and the federal government or by final determination in federal courts the value of any gift is increased above or decreased below the value originally reported for federal gift tax purposes, the corrected valuation shall be used for state gift tax purposes.

NEW SECTION. Sec. 9. (1) For purposes of this chapter, if a person disclaims an interest under chapter 11.86 RCW, this chapter shall apply with respect to the interest disclaimed as if the interest had never been transferred to the person.

(2) A person making a disclaimer shall provide the department with a copy of the disclaimer.

NEW SECTION. Sec. 10. (1) The exercise or nonexercise by an employee of an election or option whereby a payment will become payable to any beneficiary at or after the employee's death shall not be considered a transfer for gift tax purposes if the election or option is provided under:

NEW SECTION. Sec. 11. There shall be no exemption or tax credit allowed where the donor was not a resident of a territory or state of the United States, the District of Columbia, or the Commonwealth of Puerto Rico and the property transferred is real property or tangible or intangible personal property, including certificates of stock, bonds, bills, notes, bank deposits, and other written evidence of intangible property which is physically situated within the state of Washington, or where the domicile of the debtor is in the state of Washington.

NEW SECTION. Sec. 12. (1) If the department determines that (a) a tax return of a donor is incorrect or (b) a donor has failed to file a return required under this chapter, the department shall send to the donor or his representative a computation letter in which the department sets forth its computation of the tax due and the method by which the tax is computed.

(2) At any time more than thirty days after the date of mailing the computation letter, the department may send its determination letter to the donor (and a copy to his representative, if any) in which the department sets forth its computation of tax due and the method by which the tax was computed, which letter may incorporate by reference the computation letter and any intervening letters from the department to the donor or his representative.

(3) If the donor disagrees with the statement of the tax due as set forth in the determination letter the donor may commence an action in the superior court within sixty days of the date of receipt of the determination letter (unless that sixty days is extended by written agreement) in the county in which the donor resides if a resident of this state or in Thurston county if not a resident of this state against the department in order to determine the tax liability and the amount thereof. Failure to commence the action within this period shall prohibit the donor from contesting the tax liability or the amount thereof in any subsequent proceeding of any nature or kind. The civil rules for superior court apply to these actions.

(4) If the donor fails to commence the action in superior court within the periods allowed in subsection (3) of this section, the amount set forth in the determination letter shall be conclusively presumed insofar as the donor is concerned to be the correct tax liability of the donor.

(5) The donor may waive the restrictions provided in this section on the assessment and collection of the whole or any part of the tax imposed by this chapter.

(6) At any time more than sixty days after the department has sent the determination letter to the donor but only within the time limit specified in section 15 of this act for sending a determination letter to the donor, the department may elect to enforce payment of the tax against the donee by sending its determination letter to the donee.

If the donee disagrees with the statement of the tax due as set forth in the determination letter the donee may commence an action in the superior court within sixty days of the date of the donee's receipt of the determination letter (unless that sixty days is extended by written agreement) in the county in which the donee resides if a resident of this state, or in Thurston county if not a resident of this state, against the department in order to determine the tax liability and the amount thereof. Failure to commence the action in superior court within this period shall prohibit the donee from contesting the tax liability or the amount thereof in any subsequent proceeding of any nature or kind. The civil rules for superior court apply to these actions.

(7) If the donee fails to commence the action within the periods allowed in subsection (6) of this section, the amount set forth in the determination letter shall be conclusively presumed, insofar as the donee is concerned, to be the correct tax liability of the donee.

(8) The donee may waive the restrictions provided in this section on the assessment and collection of the whole or any part of the tax imposed by this chapter.

(9) The burden of proving the date of receipt of the determination letter by either the donor or the donee shall be on the department.

NEW SECTION. Sec. 13. If the gift tax imposed by this chapter is not paid in full, the appeal period provided in section 12(3) of this act and, if

applicable, section 12(6) of this act has expired, and the amount of the tax liability is fixed, the department may file in the office of the clerk of the superior court of any county a notice of lien of tax against the donor and, if the department has elected to proceed against the donee under section 12(6) of this act, a notice of lien of tax against the donee; and thereupon the clerk shall enter in the judgment docket the name of the donor and, if applicable, the name of the donee, the amount of the tax due including interest to the date for which the lien is claimed and the date when the lien is filed. The lien shall have the same effect as a personal judgment and may be collected in the same manner as other judgments. Upon payment of the judgment in whole or in part the department shall satisfy the judgment to the extent so paid.

NEW SECTION. Sec. 14. Interest shall accrue upon any unpaid gift tax owed for the calendar year at the annual interest rate of eight percent, which interest shall commence on April 16 of the year following the year for which the gift tax liability was incurred. The department shall have no discretion to waive the imposition of any interest imposed by this chapter: **PROVIDED**, That in the event of litigation the court shall have the power to reduce or eliminate interest.

NEW SECTION. Sec. 15. The department shall mail the determination letter to the donor as provided in section 12(2) of this act as follows:

(2) If a return is not timely filed, within three years of the date of filing of the return; or

(3) If no return has been filed, at any time after the return is due. No lien shall be filed nor shall any proceeding in court or otherwise be undertaken for the collection of the taxes unless the determination letter shall have been mailed as required by this section. The running of the statute of limitations provided in this subsection shall be suspended for the period during which the department is prohibited from action by any court of competent jurisdiction and for sixty days thereafter.

NEW SECTION. Sec. 16. (1) Where there has been an overpayment of the gift tax imposed by this chapter, the amount of the overpayment shall be credited against any gift tax then due from the person who paid the tax, and any balance shall be refunded by the state of Washington to the person who paid the tax.

(2) No credit or refund shall be allowed or made after two years from the time the tax is paid, from the date of notice of the completion of any federal audit concerning the gift, or from the date of notice of the completion of any state audit concerning the gift, whichever is latest, unless before the expiration of this period a written claim therefor is filed by the person entitled to the refund. The amount of the credit or refund shall not exceed

the portion of the tax paid during the three years immediately preceding the filing of the claim, or if no claim was filed, then during the three years immediately preceding the allowance of the credit or refund.

NEW SECTION. Sec. 17. In case of any failure to make and file a return required by this chapter within the time prescribed by law or by the department in pursuance of law, twenty-five percent of the tax shall be added to the tax, except that when a return is filed after this time and it is shown that the failure to file it was not due to wilful neglect, no addition shall be made to the tax. The amount so added to any tax shall be collected at the same time and in the same manner and as part of the tax unless the tax has been paid before the discovery of the neglect, in which case the amount so added shall be collected in the same manner as the tax.

NEW SECTION. Sec. 18. Every person who practices a fraud upon the state of Washington relating to the ascertainment, determination, or collection of any gift tax by misrepresentation or concealment of fact, whether as principal, agent, or accessory, either before or after the fact, shall be guilty of a gross misdemeanor.

NEW SECTION. Sec. 19. The department may prescribe needful rules and regulations in accordance with the provisions of the administrative procedure act, chapter 34.04 RCW.

NEW SECTION. Sec. 20. This chapter may be cited as the "Gift Tax Act of 1979".

The approaches to the toll bridge shall extend from the bridge to George Washington Way on the west and from the bridge easterly to state route number 395 and southerly and easterly to state route number 182 on the east.

NEW SECTION. Sec. 2. If the transportation commission concludes that construction of a toll bridge across the Columbia river at North Richland in the vicinity of the Horn Rapids Road, including approaches, is economically feasible, the department is authorized to enter into agreements with Richland, Benton county, and Franklin county in accordance with section 3 of this 1979 act.

NEW SECTION. Sec. 3. The transportation commission shall not request the issuance of any bonds for the construction of the toll bridge and its approaches unless and until:

adopted specific and acceptable plans to assure the funding of their respective obligations as established by the agreements authorized in section 3 of this 1979 act.

NEW SECTION. Sec. 5. In order to facilitate the financing of the toll bridge the department, Benton and Franklin counties, and Richland may consult, cooperate, and enter into agreements with the government of the United States or any of its agencies and accept and expend money from any public or private source which is now or may be available to assist in the construction of the bridge.

Such bonds shall be payable at such places as the state finance committee may provide. All bonds issued hereunder, unless registered, shall be fully negotiable instruments. The bonds shall be legal investments for all state funds or for funds under state control and all funds of municipal corporations.

At such time as a determination has been made to issue the general obligation bonds or a portion thereof as authorized in section 6 of this 1979 act, the state finance committee may, pending the issuance thereof, issue in the name of the state temporary notes in anticipation of the issuance of the bonds, which notes shall be designated as "bond anticipation notes." If, prior to the issuance of such bonds, it becomes necessary to redeem outstanding notes, additional bond anticipation notes may be issued to redeem such outstanding notes and to pay interest thereon. Such portion of the proceeds of the sale of the bonds as may be required for the payment of principal of and redemption premium, if any, and interest on the notes shall be applied thereto when the bonds are issued.

NEW SECTION. Sec. 9. Except for that portion of the proceeds required to pay bond anticipation notes under section 8 of this 1979 act, and except as provided in section 11 of this 1979 act, the money arising from the sale of said bonds shall be deposited in the state treasury to the credit of the Columbia river toll bridge account hereby created in the motor vehicle fund, and such money shall be available only for the purposes enumerated in section 6 of this 1979 act and for payment of the expense incurred in the issuance and sale of any such bonds.

NEW SECTION. Sec. 10. Bonds and bond anticipation notes issued under the provisions of sections 1 through 17 of this 1979 act shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal of and interest on such bonds shall be first payable in the manner provided in this act from the proceeds of state excise taxes on motor vehicles and special fuels imposed by chapters 82.36, 82.37, and 82.38 RCW and from the tolls and revenues derived from the operation of such toll bridge.

NEW SECTION. Sec. 11. There is hereby created in the highway bond retirement fund in the state treasury a special account to be known as the Columbia river toll bridge account into which shall be deposited any capitalized interest from the proceeds of the bonds, and at least monthly all of the tolls and other revenues received from the operation of the toll bridge and from any interest which may be earned from the deposit or investment of these revenues after the payment of costs of operation, maintenance, management, and necessary repairs of the facility. The principal of and interest on the bonds shall be paid first from money deposited in the Columbia river toll bridge account in the highway bond retirement fund, and then, to the extent that money deposited in that account is insufficient to make any such payment when due, from the state excise taxes on motor vehicle and special fuels deposited in the highway bond retirement fund.

There is hereby pledged the proceeds of state excise taxes on motor vehicle and special fuels imposed under chapters 82.36, 82.37, and 82.38 RCW to pay the bonds and interest thereon, and the legislature hereby agrees to continue to impose the same excise taxes on motor vehicle and special fuels in amounts sufficient to pay, when due, the principal and interest on the bonds if the money deposited in the Columbia river toll bridge account of the highway bond retirement fund is insufficient to make such payments. Not less than fifteen days prior to the date any interest or principal and interest payments are due, the state finance committee shall certify to the state treasurer such amount of additional moneys as may be required for debt service, and the treasurer shall thereupon transfer from the motor vehicle fund such amount from the proceeds of such excise taxes into the highway bond retirement fund. Any proceeds of such excise taxes required for these purposes shall first be taken from that portion of the motor vehicle fund which results from the imposition of the excise taxes on motor vehicle and special fuels and which is distributed to the state. If the proceeds from the excise taxes distributed to the state are ever insufficient to meet the required payments on principal or interest on the bonds when due, the amount required to make the payments on the principal or interest shall next be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels and which is distributed to the state, counties, cities, and towns pursuant to RCW 46.68-.100 as now existing or hereafter amended. Any payments of the principal or interest taken from the motor vehicle or special fuel tax revenues which are distributable to the counties, cities, and towns shall be repaid from the first moneys distributed to the state not required for redemption of the bonds or interest thereon. The legislature covenants and pledges that it shall at all times provide sufficient revenues from the imposition of such excise taxes to pay the principal and interest due on the bonds.

NEW SECTION. Sec. 12. (1) The department of transportation is authorized to operate and assume full control of the bridge and shall fix and maintain the tolls and charges in the manner provided by RCW 47.56.240 so that when collected they will produce revenues sufficient to pay all expenses of operating, maintaining, managing, and repairing the toll bridge including all insurance costs and the amounts required to pay the principal and interest on the bonds when due and to satisfy the other obligations set forth in sections 1 through 17 of this 1979 act and RCW 47.56.220 as now or hereafter amended: **PROVIDED**, That revision of tolls and charges shall be determined by the department after considering the effect upon the traffic using the bridge and the projected revenues which will result from the increase of tolls and charges for the use of the bridge.

(2) To the extent that net revenues and income are insufficient to meet the required payments of principal and interest on bonds, the department

shall use moneys pledged from the motor vehicle fund as provided in section 11 of this 1979 act.

(3) The payment of the principal of and the interest on the bonds shall constitute a first direct and exclusive charge and lien on all such tolls and other revenues and interest thereon received from the use and operation of the Columbia river toll bridge, after the payment of all expenses of operating, maintaining, managing, and repairing the toll bridge, and such tolls and revenues together with interest earned thereon, and all other money deposited in the Columbia river toll bridge account in the highway bond redemption fund, shall constitute a trust fund for the security and payment of such bonds, or bonds refunding such bonds, and shall not be used or pledged for any other purpose as long as such bonds or any of them are outstanding and unpaid.

(4) The state finance committee may on behalf of the state make such covenants in connection with the bond proceedings or otherwise to assure the maintenance of the tolls and charges on the Columbia river toll bridge, the proper application thereof, the proper operation, maintenance, management, and repair of the bridge to provide for and secure the timely payment of the bonds. Such covenants shall be binding on the department of transportation and transportation commission.

NEW SECTION. Sec. 13. All tolls or other revenues received from the operation of the Columbia toll bridge constructed with the proceeds of bonds issued and sold hereunder shall be paid over by the department of transportation to the state treasurer who shall deposit the same forthwith as demand deposits in such depository or depositories as may be authorized by law to receive deposits of state funds to the credit of a special trust fund to be designated as the toll revenue fund of the Columbia river toll bridge, which fund shall be a trust fund and shall at all times be kept segregated and set apart from all other funds.

After provision has been made for payment of costs of operation, maintenance, management and necessary repairs of the facility, the surplus moneys available in the toll revenue fund, or so much thereof as may be required, shall be transferred monthly to the Columbia river toll bridge account of the highway bond retirement fund to pay the principal of and interest on the bonds authorized by section 6 of this 1979 act.

NEW SECTION. Sec. 14. Any moneys from the motor vehicle fund used by the department for payment of expenses of location, maintenance, repair, and operation of the bridge and approaches, and principal or interest on any bonds issued pursuant to section 6 of this 1979 act, or any subsequent refunding bond issue, shall be repaid to the motor vehicle fund from revenues of the project after all such bonds have been retired. Tolls shall be continued for any additional length of time necessary for this purpose.

NEW SECTION. Sec. 15. Except as otherwise provided by statute, the bonds issued under authority of section 6 of this 1979 act, the bonds authorized by RCW 47.60.560 through 47.60.640, the bonds authorized by chapter 5, Laws of 1979, and chapter 131, Laws of 1979, and any additional general obligation bonds of the state of Washington which may be authorized by the forty-sixth legislature or thereafter and which pledge motor vehicle and special fuel excise taxes for the payment of principal thereof and interest thereon shall be an equal charge and lien against the revenues from such motor vehicle and special fuel excise taxes.

NEW SECTION. Sec. 16. Upon the redemption of all bonds issued pursuant to section 6 of this 1979 act and the repayment of all other obligations to the motor vehicle fund as authorized by section 14 of this 1979 act, the department of transportation shall remove the tolls and transfer the bridge and its approaches to the city and/or counties having jurisdiction thereof, and the bridge and its approaches shall become a county road or in part a county road and in part a city street. The bridge, its approaches, and right of way shall be conveyed to the city or counties by deed executed by the secretary of transportation.

NEW SECTION. Sec. 17. Notwithstanding the provisions of RCW 47.56.220 as now or hereafter amended, the department may design and construct an additional bridge across the Columbia river in the vicinity of Columbia point.

NEW SECTION. Sec. 18. Sections 1 through 17 of this 1979 act shall be added to chapter 47.56 RCW.

Sec. 19. Section 47.56.220, chapter 13, Laws of 1961 as amended by section 8, chapter 131, Laws of 1979 and RCW 47.56.220 are each amended to read as follows:

(section 4, chapter 131, Laws of 1979), 47.56.710, and section 17 of this 1979 act, as long as any of the bonds issued hereunder for the construction of any toll bridge are outstanding and unpaid, there shall not be erected, constructed, or maintained any other bridge or other crossing over, under, through, or across the waters over which such toll bridge is located or constructed, connecting or joining directly or indirectly the lands or extensions thereof or abutments thereon on both sides of the waters spanned or crossed by such toll bridge within a distance of ten miles from either side of such toll bridge excepting bridges or other highway crossings actually in existence and being maintained, or for which there was outstanding an existing and lawfully issued franchise, at the time of the location of such toll bridge and prior to the time of the authorization of such (~~revenue~~) bonds, and no ferry or other similar means of crossing the said waters within the said distance and connecting or plying directly or indirectly between the lands or extensions thereof or abutments thereon on both

The provisions of this section shall be binding upon the state department of transportation, the state of Washington, and all of its departments, agencies, or instrumentalities as well as any and all private, political, municipal, and public corporations and subdivisions, including cities, counties, and other political subdivisions, and the prohibitions of this section shall restrict and limit the powers of the legislature of the state of Washington in respect to the matters herein mentioned as long as any of such bonds are outstanding and unpaid and shall be deemed to constitute a contract to that effect for the benefit of the holders of all such bonds.

(10) The term "real property", except for the purposes of chapters 84.56 and 84.60 RCW, shall also include a mobile home which has substantially lost its identity as a mobile unit by virtue of its being fixed in location upon land owned or leased by the owner of the mobile home and placed on a foundation (posts or blocks) with fixed pipe, connections with sewer, water or other utilities.

Sec. 6. Section 28, chapter 291, Laws of 1975 1st ex. sess. and RCW 84.38.030 are each amended to read as follows:

A retired person may elect to defer payment of special assessments and/or real property taxes on his residence up to eighty percent of the amount of his equity value in said property if the following conditions are met:

in which the deferral claim is filed; or (b) which was occupied by the person claiming the deferral as a principal place of residence as of January 1st of the year in which the claim is filed and the person claiming the deferral must also have been a resident of the state of Washington for the last three calendar years preceding the year in which the claim is filed: PROVIDED, That confinement of the person to a hospital or nursing home shall not disqualify the claim of deferral if the residence is temporarily unoccupied or if the residence is occupied by a spouse and/or a person financially dependent on the claimant for support.

(2) The claimant must have owned, at the time of filing, the residence on which the special assessment and/or real property taxes have been imposed. (a) For claims filed in 1976—eight thousand dollars;

(b) For claims filed in subsequent years, an amount equal to the previous year's income limit adjusted by the percentage change in the consumer price index for the twelve month period ending September 31st of the previous year.

(5) The claimant must have and keep in force fire and casualty insurance in sufficient amount to protect the interest of the state in the claimant's equity value.

(6) In the case of special assessment deferral, claimant must have opted for payment of such special assessments on the installment method if such method was available.

(7) For the purposes of this section, cotenants mean two or more individuals who reside together, who jointly own the residence, and who otherwise meet the requirements of this section.

The first declaration to defer filed in a county shall include proof of the claimant's age acceptable to the assessor.

(3) The county assessor shall determine if each claimant shall be granted a deferral for each year but the claimant shall have the right to appeal this determination to the county board of equalization whose decision shall be final as to the deferral of that year.

Sec. 8. Section 30, chapter 291, Laws of 1975 1st ex. sess. and RCW 84.38.050 are each amended to read as follows:

(1) (a) Declarations to defer property taxes for all years following the first year may be made by filing with the county assessor (~~((on or before July 1st))~~) no later than thirty days before the tax is due a renewal form in duplicate, prescribed by the department of revenue and supplied by the county assessor, which affirms the continued eligibility of the claimant.

(b) In January of each year, the county assessor shall send to each claimant who has been granted deferral of ad valorem taxes for the previous year renewal forms and notice to renew.

(2) Declarations to defer special assessments shall be made by filing with the assessor (~~((on or before July 1st of any year))~~) no later than thirty days before the special assessment is due on a form to be prescribed by the department of revenue and supplied by the county assessor. The assessor may require property owners to submit pertinent data respecting taxable property in their control including data respecting any sale or purchase of said property within the past five years, the cost and characteristics of any improvement on the property and other facts necessary for appraisal of the property. (~~The provisions of this section shall take effect on January 1, 1977.~~)

(5) A public officer shall not be examined as a witness as to communications made to him in official confidence, when the public interest would suffer by the disclosure.

(1) If at any time during the pendency of an action and prior to judgment, the court finds following a report as provided in RCW 10.77.060, as

now or hereafter amended, that the defendant is incompetent, the court shall order the proceedings against him be stayed, except as provided in subsection (5) of this section, and, if the defendant is charged with a felony, may commit the defendant to the custody of the secretary, who shall place such defendant in an appropriate facility of the department for evaluation and treatment, or the court may alternatively order the defendant to undergo evaluation and treatment at some other facility, or under the guidance and control of some other person, until he has regained the competency necessary to understand the proceedings against him and assist in his own defense, but in any event, for no longer than a period of ninety days. A copy of the report shall be sent to the facility. On or before expiration of the initial ninety day period of commitment the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent. If the defendant is charged with a crime which is not a felony, the court may stay or dismiss proceedings and detain the defendant for sufficient time to allow the county mental health professional to evaluate the defendant and commence proceedings under chapter 71.05 RCW if appropriate; and subsections (2) and (3) of this section shall not be applicable: PROVIDED, That, upon order of the court, the prosecutor may directly petition for fourteen days of involuntary treatment under chapter 71.05 RCW.

(2) If the court finds by a preponderance of the evidence that the defendant is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional ninety day period, but it must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second ninety day period. The defendant, his attorney, the prosecutor, or the judge shall have the right to demand that the hearing on or before the expiration of the second ninety day period be before a jury. If no demand is made, the hearing shall be before the court. The court or jury shall determine whether or not the defendant has become competent.

(3) At the hearing upon the expiration of the second ninety day period if the jury or court, as the case may be, finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and either civil commitment proceedings shall be instituted, if appropriate, or the court shall order the release of the defendant: PROVIDED, That the criminal charges shall not be dismissed if at the end of the second ninety day period the court or jury finds that the defendant is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, and that there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for an additional six months. At the end of said six month period, if the defendant remains incompetent, the charges shall be dismissed without prejudice and either civil commitment

proceedings shall be instituted, if appropriate, or the court shall order release of the defendant.

(4) The fact that the defendant is unfit to proceed does not preclude any pretrial proceedings which do not require the personal participation of the defendant.

(5) A defendant receiving medication for either physical or mental problems shall not be prohibited from standing trial, if the medication either enables him to understand the proceedings against him and to assist in his own defense, or does not disable him from so understanding and assisting in his own defense.

(6) At or before the conclusion of any commitment period provided for by this section, the facility providing evaluation and treatment shall provide to the court a written report of examination which meets the requirements of RCW 10.77.060(3).

If the defendant is acquitted by reason of insanity of a crime which is not a felony, the court shall order the defendant's release or order the defendant's continued custody only for a reasonable time to allow the county-designated mental-health professional to evaluate the individual and to proceed with civil commitment pursuant to chapter 71.05 RCW, if considered appropriate.

After service on such person the mental health professional shall file the return of service in court and provide copies of all papers in the court file to the evaluation and treatment facility and the designated attorney. The mental health professional shall notify the court and the prosecuting attorney that a probable cause hearing will be held within seventy-two hours of the date and time specified on the summons if such person is not released prior to the expiration of such period.

(d) If the person summoned appears on or before the date and time specified, the evaluation and treatment facility may admit such person as required by RCW 71.05.170 or may provide treatment on an outpatient basis. If the person summoned fails to appear on or before the date and

time specified, the evaluation and treatment facility shall immediately notify the mental health professional designated by the county who may notify a peace officer to take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility. Should the mental health professional notify a peace officer authorizing him to take a person into custody under the provisions of this subsection, he shall file with the court a copy of such authorization and a notice of detention. At the time such person is taken into custody there shall commence to be served on such person, his guardian, and conservator, if any, a copy of the original summons together with a notice of detention, a notice of rights, and a petition for initial detention.

(2) When a mental health professional designated by the county receives information alleging that a person, as the result of a mental disorder, presents an imminent likelihood of serious harm to himself or others, or is in imminent danger because of being gravely disabled, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the person or persons providing the information if any, the mental health professional may take such person, or cause by oral or written order such person to be taken into emergency custody in an evaluation and treatment facility for not more than seventy-two hours as described in RCW 71.05.180.

(3) A peace officer may take such person or cause such person to be taken into custody and placed in an evaluation and treatment facility pursuant to subsection (1)(d) of this section.

(4) A peace officer may, without prior notice of the proceedings provided for in subsection (1) of this section, take or cause such person to be taken into custody and immediately delivered to an evaluation and treatment facility:

(a) Only pursuant to subsections (1)(d) and (2) of this section; or

(b) When he has reasonable cause to believe that such person is suffering from a mental disorder and presents an imminent likelihood of serious harm to others or himself or is in imminent danger because of being gravely disabled.

(5) Persons delivered to evaluation and treatment facilities by peace officers pursuant to subsection (4)(b) of this section may be held by the facility for a period of up to twelve hours: **PROVIDED**, That they are examined by a mental health professional within three hours of their arrival. Within twelve hours of their arrival, the designated county mental health professional must file a supplemental petition for detention, and commence service on the designated attorney for the detained person.

NEW SECTION. Sec. 10. There is added to chapter 71.05 RCW the following new section:

When a mental health professional is requested by a representative of a law enforcement agency, including a police officer, sheriff, a municipal attorney, or prosecuting attorney to undertake an investigation under RCW 71.05.150, as now or hereafter amended, the mental health professional shall, if requested to do so, advise said representative in writing of the results of the investigation including a statement of reasons for the decision to detain or release the person investigated. Such written report shall be submitted within seventy-two hours of the completion of the investigation or the request from the law enforcement representative, whichever occurs later.

Sec. 11. Section 23, chapter 142, Laws of 1973 1st ex. sess. as amended by section 11, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.180 are each amended to read as follows:

If the evaluation and treatment facility admits the person, it may detain him for evaluation and treatment for a period not to exceed seventy-two hours from the time of acceptance as set forth in RCW 71.05.170. The computation of such seventy-two hour period shall ~~((include Saturdays, but))~~ exclude Saturdays, Sundays and holidays.

Sec. 12. Section 24, chapter 142, Laws of 1973 1st ex. sess. as amended by section 12, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.190 are each amended to read as follows:

If the person is not approved for admission by a facility providing seventy-two hour evaluation and treatment, and the individual has not been arrested, the facility shall furnish transportation, if not otherwise available, for the person to his place of residence or other appropriate place. If the individual has been arrested, the evaluation and treatment facility shall detain the individual for not more than eight hours at the request of the peace officer in order to enable a peace officer to return to the facility and take the individual back into custody.

Sec. 13. Section 29, chapter 142, Laws of 1973 1st ex. sess. as amended by section 16, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.240 are each amended to read as follows:

If a petition is filed for fourteen day involuntary treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention of such person as determined in RCW 71.05.180, as now or hereafter amended. If requested by the detained person or his attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of mental disorder, presents a likelihood of serious harm to others or himself, or is

gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed fourteen days in a facility certified to provide treatment by the department of social and health services. If the court finds that such person, as the result of a mental disorder, presents a likelihood of serious harm to others or himself, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive course of treatment for not to exceed fourteen days.

The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the fourteen day period is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310.

Sec. 14. Section 33, chapter 142, Laws of 1973 1st ex. sess. as amended by section 19, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.280 are each amended to read as follows:

At the expiration of the fourteen day period of intensive treatment, a person may be confined for further treatment pursuant to RCW 71.05.320 for an additional period, not to exceed ninety days if:

(1) Such person after having been taken into custody for evaluation and treatment has threatened, attempted, or inflicted: (a) Physical harm upon the person of another or himself ((after having been taken into custody for evaluation and treatment)), or substantial damage upon the property of another, and(;) (b) as a result of mental disorder presents a likelihood of serious harm to others or himself; or

(2) Such person was taken into custody as a result of conduct in which he attempted or inflicted physical harm upon the person of another or himself, and continues to present, as a result of mental disorder, a likelihood of serious harm to others or himself; or

(3) Such person ~~((is in custody because he))~~ has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.090(3), as now or hereafter amended, and has committed acts constituting a felony, and as a result of a mental disorder, presents a substantial likelihood of repeating similar acts. In any proceeding pursuant to this subsection it shall not be necessary to show intent, wilfulness, or state of mind as an element of the felony; or

(4) Such person is gravely disabled.

For the purposes of this chapter "custody" shall mean involuntary detention under the provisions of this chapter or chapter ~~((+0-76))~~ 10.77 RCW, uninterrupted by any period of unconditional release from a facility providing involuntary care and treatment.

Sec. 15. Section 37, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 9, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.320 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services for a further period of intensive treatment not to exceed ninety days from the date of judgment. An order for treatment less restrictive than involuntary detention may include conditions, and if such conditions are not adhered to, the designated mental health professional may order the person apprehended under the terms and conditions of RCW 71.05.340 as now or hereafter amended.

If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment.

(2) Said person shall be released from involuntary treatment at the expiration of ninety days unless the superintendent or professional person in charge of the facility in which he is confined, or in the event of a less restrictive alternative, the designated mental health professional, files a new petition for involuntary treatment on the grounds that the committed person;

(a) During the current period of court ordered treatment: (i) Has threatened, attempted, or inflicted physical harm upon the person of another ((during the current period of court ordered treatment and)), or substantial damage upon the property of another, and (ii) as a result of mental disorder presents a likelihood of serious harm to others; or

(b) Was taken into custody as a result of conduct in which he attempted or inflicted serious physical harm upon the person of another, and continues to present, as a result of mental disorder a likelihood of serious harm to others; or

(c) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder presents a substantial likelihood of repeating similar acts; or

(d) Continues to be gravely disabled.

If the conduct required to be proven in subsections (b) and (c) of this section was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to reprove that element. Such new petition for involuntary treatment shall be filed and heard in the superior court of the county

of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this subsection are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided herein above. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. No person committed as herein provided may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length.

Sec. 16. Section 39, chapter 142, Laws of 1973 1st ex. sess. as amended by section 24, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.340 are each amended to read as follows:

(1) When, in the opinion of the superintendent or the professional person in charge of the hospital or facility providing involuntary treatment, the committed person can be appropriately served by outpatient ~~((care))~~ treatment prior to or at the expiration of the period of commitment, then such outpatient care may be required as a condition for early release for a period which, when added to the inpatient treatment period, shall not exceed the period of commitment. If the hospital or facility designated to provide outpatient ~~((care))~~ treatment is other than the facility providing involuntary treatment, the outpatient facility so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated county mental health professional in the county in which the patient is to receive outpatient treatment, and to the court of original commitment.

(2) The hospital or facility designated to provide outpatient care or the secretary may modify the conditions for continued release when such modification is in the best interest of the person. Notification of such changes shall be sent to all persons receiving a copy of the original conditions.

(3) If the hospital or facility designated to provide outpatient care, the designated county mental health professional or the secretary determines that a conditionally released person is failing to adhere to the terms and conditions of his release, ~~((and because of that failure has become a substantial danger to himself or other persons;))~~ then, upon notification by the hospital or facility designated to provide outpatient care, or on his own motion, the designated county mental health professional or the secretary may order that the conditionally released person be apprehended and taken into

custody and temporarily detained in an evaluation and treatment facility in or near the county in which he is receiving outpatient treatment until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he had been conditionally released. The designated county mental health professional or the secretary may modify or rescind such order at any time prior to commencement of the court hearing. The court that originally ordered commitment shall be notified within two judicial days of a person's detention under the provisions of this section, and the designated county mental health professional or the secretary shall file his petition and order of apprehension and detention with the court and serve them upon the person detained. His attorney, if any, and his guardian or conservator, if any, shall receive a copy of such papers as soon as possible. Such person shall have the same rights with respect to notice, hearing, and counsel as for an involuntary treatment proceeding, except as specifically set forth in this section and except that there shall be no right to jury trial. The issues to be determined shall be whether the conditionally released person did or did not adhere to the terms and conditions of his release; and, if he failed to adhere to such terms and conditions, whether the conditions of release should be modified or the person should be returned to the facility. Pursuant to the determination of the court upon such hearing, the conditionally released person shall either continue to be conditionally released on the same or modified conditions or shall be returned for involuntary treatment on an inpatient basis subject to release at the end of the period for which he was committed for involuntary treatment, or otherwise in accordance with the provisions of this chapter. Such hearing may be waived by the person and his counsel and his guardian or conservator, if any, but shall not be waivable unless all such persons agree to waive, and upon such waiver the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.

(4) The proceedings set forth in subsection (3) of this section may be initiated by the designated county mental health professional or the secretary on the same basis set forth therein without requiring or ordering the apprehension and detention of the conditionally released person, in which case the court hearing shall take place in not less than fifteen days from the date of service of the petition upon the conditionally released person.

Upon expiration of the period of commitment, or when the person is released from outpatient care, notice in writing to the court which committed the person for treatment shall be provided.

Sec. 17. Section 44, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 10, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.390 are each amended to read as follows:

The fact of admission and all information and records compiled, obtained, or maintained in the course of providing services to either voluntary

or involuntary recipients of services at public or private agencies shall be confidential.

Information and records may be disclosed only:

(1) In communications between qualified professional persons to meet the requirements of this chapter, in the provision of services or appropriate referrals, or in the course of guardianship proceedings. The consent of the patient, or his guardian, must be obtained before information or records may be disclosed by a professional person employed by a facility to a professional person, not employed by the facility, who does not have the medical responsibility for the patient's care or who is not a designated county mental health professional or who is not involved in providing services under the community mental health services act, chapter 71.24 RCW((;)).

(2) When the communications regard the special needs of a patient and the necessary circumstances giving rise to such needs and the disclosure is made by a facility providing outpatient services to the operator of a care facility in which the patient resides.

(3) When the person receiving services, or his guardian, designates persons to whom information or records may be released, or if the person is a minor, when his parents make such designation((;)).

Such rules shall include, but need not be limited to, the requirement that all evaluators and researchers must sign an oath of confidentiality substantially as follows:

"As a condition of conducting evaluation or research concerning persons who have received services from (fill in the facility, agency, or person) I,, agree not to divulge, publish, or otherwise make known to unauthorized persons or the public any information obtained in the course of such evaluation or research regarding persons who have received services such that the person who received such services is identifiable.

I recognize that unauthorized release of confidential information may subject me to civil liability under the provisions of state law.

~~((5))~~ (6) To the courts as necessary to the administration of this chapter.

~~((6))~~ (7) To law enforcement officers or public health officers necessary to carry out the responsibilities of their office: PROVIDED, That

(b) The law enforcement and public health officers shall be obligated to keep such information confidential in accordance with this chapter; and

(c) Additional information shall be disclosed only after giving notice to said person and his counsel and upon a showing of clear, cogent and convincing evidence that such information is necessary and that appropriate safeguards for strict confidentiality are and will be maintained: PROVIDED HOWEVER, That in the event the said person has escaped from custody, said notice prior to disclosure is not necessary and that the facility from which the person escaped shall include an evaluation as to whether the person is of danger to persons or property and has a propensity toward violence.

~~((7))~~ (8) To the attorney of the detained person.

The fact of admission, as well as all records, files, evidence, findings, or orders made, prepared, collected, or maintained pursuant to this chapter shall not be admissible as evidence in any legal proceeding outside this chapter without the written consent of the person who was the subject of the proceeding. The records and files maintained in any court proceeding pursuant to this chapter shall be confidential and available subsequent to such proceedings only to the person who was the subject of the proceeding or his attorney. In addition, the court may order the subsequent release or use of such records or files only upon good cause shown if the court finds that appropriate safeguards for strict confidentiality are and will be maintained.

NEW SECTION. Sec. 18. There is added to chapter 72.23 RCW a new section to read as follows:

The department is directed to establish at each state hospital a procedure, including the necessary resources, to provide temporary residential observation and evaluation of persons who request treatment, unless admitted under RCW 72.23.070. Temporary residential observation and evaluation under this section shall be for a period of not less than twenty-four hours nor more than forty-eight hours and may be provided informally without complying with the admission procedure set forth in RCW 72.23.070 or the rules and regulations established thereunder.

It is the intent of the legislature that temporary observation and evaluation as described in this section be provided in all cases except where an alternative such as: (1) Delivery to treatment outside the hospital, or (2) no need for treatment is clearly indicated.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 90.03 RCW a new section as follows:

Rights subject to determination proceedings conducted under RCW 90.03.110 through 90.03.240 and 90.44.220 include all rights to the use of water, including all diversionary and instream water rights, and include rights to the use of water claimed by the United States.

Nothing in this section may be construed as establishing or creating any new rights to the use of water. This section relates exclusively to the confirmation of water rights established or created under other provisions of state law or under federal laws.

Sec. 2. Section 16, chapter 117, Laws of 1917 as last amended by section 2, chapter 357, Laws of 1977 ex. sess. and RCW 90.03.130 are each amended to read as follows:

Service of said summons shall be made in the same manner and with the same force and effect as service of summons in civil actions commenced in

the superior courts of the state: PROVIDED, That for good cause, the court, at the request of the supervisor, as an alternative to personal service, may authorize service of summons to be made by certified mail, with ~~((acknowledgment of))~~ return receipt ~~((of summons executed))~~ signed by defendant ~~((required, as an alternative to personal service))~~, a spouse of a defendant, or another person authorized to accept service. If the defendants, or either of them, cannot be found within the state of Washington, of which the return of the sheriff of the county in which the proceeding is pending shall be prima facie evidence, upon the filing of an affidavit by the supervisor of water resources, or his attorney, in conformity with the statute relative to the service of summons by publication in civil actions, such service may be made by publication in a newspaper of general circulation ~~((printed and published at the county seat of))~~ in the county in which such proceeding is pending, and also publication of said summons in a newspaper ~~((published at the county seat))~~ of general circulation in each county in which any portion of the water is situated, once a week for six consecutive weeks (six publications)~~((before the return day thereof))~~. In cases where personal service can be had, such summons shall be served at least twenty days before the return day thereof. The summons by publication shall state that statements of claim must be filed within twenty days after the last publication or before the return date, whichever is later.

Personal service of summons may be made by department of ecology employees for actions pertaining to water rights.

Sec. 3. Section 21, chapter 117, Laws of 1917 as last amended by section 3, chapter 122, Laws of 1929 and RCW 90.03.180 are each amended to read as follows:

At the time of filing the statement as provided in RCW 90.03.140, each defendant shall pay to the clerk of the superior court a fee of ~~((one))~~ twenty-five dollars. The supervisor of water resources shall keep a record of the expenses incurred by him in the determination of the rights on any stream, including the proportionate share of the expense of his office, such expense to date from the filing of a petition or the institution of any investigation as provided in RCW 90.03.110. Immediately upon receipt of a decree of the superior court determining the rights of parties as provided in RCW 90.03-.200, the supervisor shall prepare and file in the superior court a statement of such expense, showing the total expense of the determination and apportioning one-half of such expense to the various rights. And where ~~((such))~~ the expense subject to apportionment does not exceed five dollars for each water right, as determined by the court, it shall be divided equally between such rights. If such expense exceeds five dollars for each water right, such allottee shall pay five dollars plus a share of the amount remaining, which shall be equitably apportioned to the various irrigation and other consumptive rights in such proportion as the quantity of water allotted to each right bears to the total amount of water awarded taking into account priorities of

the various rights, and to nonconsumptive rights on such basis as the supervisor may determine to be equitable. Such records shall be subject to audit by the bureau of inspection and supervision of public offices as are other accounts of state offices. The amount of ~~((such))~~ the expense apportioned to each ~~((diverter))~~ user shall be paid by such ~~((diverter))~~ user before he shall be entitled to receive a certificate of diversion from the supervisor.

NEW SECTION. Sec. 4. There is added to chapter 90.14 RCW a new section to read as follows:

(1) Notwithstanding any time restrictions imposed by the provisions of chapter 90.14 RCW, a person may file a claim pursuant to RCW 90.14.041 if such person obtains a certification from the pollution control hearings board as provided in this section.

(2) A certification shall be issued by the pollution control hearings board if, upon petition to the board, it is shown to the satisfaction of the board that:

(a) Waters of the state have been applied to beneficial use continuously (with no period of nonuse exceeding five consecutive years) in the case of surface water beginning not later than June 7, 1917, and in the case of ground water beginning not later than June 7, 1945, or

(b) Waters of the state have been applied to beneficial use continuously (with no period of nonuse exceeding five consecutive years) from the date of entry of a court decree confirming a water right and any failure to register a claim resulted from a reasonable misinterpretation of the requirements as they related to such court decreed rights.

(3) The board shall have jurisdiction to accept petitions for certification from any person through December 31, 1979, and not thereafter.

(4) A petition for certification shall include complete information on the claim pursuant to RCW 90.14.051 (1) through (8), and any such information as the board may require.

(5) The department of ecology is directed to accept for filing any claim certified by the board as provided in subsection (2) of this section. The department of ecology, upon request of the board, may provide assistance to the board pertinent to any certification petition.

(6) A certification by the pollution control hearings board or a filing with the department of ecology of a claim under this section shall not constitute a determination or confirmation that a water right exists.

(7) The provisions of RCW 90.14.071 shall have no applicability to certified claims filed pursuant to this section.

(8) This section shall have no applicability to ground waters resulting from the operations of reclamation projects.

Sec. 5. Section 16, chapter 233, Laws of 1967 and RCW 90.14.160 are each amended to read as follows:

Any person entitled to divert or withdraw waters of the state through any appropriation authorized by enactments of the legislature prior to enactment of chapter 117, Laws of 1917, or by custom, or by general adjudication, who abandons the same, or who voluntarily fails, without sufficient cause, to beneficially use all or any part of said right to divert or withdraw for any period of five successive years after the effective date of this act, shall relinquish such right or portion thereof, and said right or portion thereof shall revert to the state, and the waters affected by said right shall become available for appropriation in accordance with RCW 90.03.250; PROVIDED, That such rights to use waters reverted under this section or under RCW 90.14.170 and 90.14.180, which were last exercised for a beneficial use subsequent to June 30, 1979, shall, if a minimum flow or level established by the department of ecology is in effect at the time when a determination of the reversion made either by the department or a court becomes final, be applied to meet such minimum flow or level with a priority of the original date of the reverted right before becoming otherwise available for appropriation for other beneficial uses under RCW 90.03.250 through 90.03.340.

Sec. 6. Section 20, chapter 233, Laws of 1967 and RCW 90.14.200 are each amended to read as follows:

(1) All matters relating to the implementation and enforcement of this chapter by the department of ecology shall be carried out in accordance with chapter 34.04 RCW as it now exists or hereafter shall be amended except where the provisions of this chapter expressly conflict herewith. Proceedings held pursuant to RCW 90.14.130 hereof are "contested cases" within the meaning of chapter 34.04 RCW. Final decisions of the department of ecology in these proceedings are subject to review in accordance with chapter 43.21B RCW.

(2) RCW 90.14.130 provides nonexclusive procedures for determining a relinquishment of water rights under RCW 90.14.160, 90.14.170, and 90.14.180. RCW 90.14.160, 90.14.170, and 90.14.180 may be applied in, among other proceedings, general adjudication proceedings initiated under RCW 90.03.110 or 90.44.220: PROVIDED, That nothing herein shall apply to litigation involving determinations of the department of ecology under RCW 90.03.290 relating to the impairment of existing rights.

NEW SECTION. Sec. 7. There is added to chapter 90.03 RCW a new section to read as follows:

The establishment of reservations of water for agriculture, hydroelectric energy, municipal, industrial, and other beneficial uses under RCW 90.54.050(1) or minimum flows or levels under RCW 90.22.010 or 90.54.040 shall constitute appropriations within the meaning of this chapter with priority dates as of the effective dates of their establishment. Whenever an application for a permit to make beneficial use of public waters embodied in a reservation, established after the effective date of this act, is filed with the

department of ecology after the effective date of such reservation, the priority date for a permit issued pursuant to an approval by the department of ecology of the application shall be the effective date of the reservation.

- (2) Provide rights to the use of public waters under the state's surface and ground water codes for these projects when the waters are available for allocation; and
- (3) Provide financial assistance through grants and loans for projects when moneys are made available to the department for this assistance by other provisions of this code.

NEW SECTION. Sec. 10. There is appropriated to the department of ecology from the general fund for the biennium ending June 30, 1981, the sum of forty thousand dollars, or so much thereof as may be necessary, to carry out the purposes of this act.

AUDITS

AN ACT Relating to operating agencies; providing for the appointment of an independent administrative auditor and prescribing the duties of such auditor; requiring management performance audits of the operating agency by at least one qualified independent firm and the evaluation of such audits by the legislative budget committee; subjecting operating agencies to the open public meetings act and the public disclosure act; and adding new sections to chapter 43.52 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 43.52 RCW a new section to read as follows:

The board of directors of any operating agency constructing or operating a thermal power plant under a site certification agreement issued pursuant to chapter 80.50 RCW shall appoint an administrative auditor. The administrative auditor shall be deemed an officer under chapter 42.23 RCW. The appointment of the administrative auditor shall be in addition to the appointment of the auditor for the issuance of warrants and other purposes as provided in RCW 43.52.375. The board shall retain a qualified firm or firms to conduct performance audits, including such engineering expertise as the board deems necessary, which is in fact independent and does not have any interest, direct or indirect, in any contract with the operating agency other than its employment hereunder. No member or employee of any such firm shall be connected with the operating agency as an officer, employee, or contractor. The administrative auditor and the firm or firms shall be independently and directly responsible to the board of directors of the operating agency. The board shall require a firm to conduct continuing audits of the methods, procedures and organization used by the operating agency to control costs, schedules, productivity, contract amendments, project design and any other topics deemed desirable by the board. The board may also require a firm to analyze particular technical aspects of the operating agency's projects and contract amendments. The firm or firms shall provide advice to the board in its management and control of the operating agency. At least once each year, the firm or firms shall prepare and furnish a report of its actions and recommendations to the board for the purpose of enabling it to attain the highest degree of efficiency in the management and control of any thermal power project under construction or in operation. The administrative auditor shall assist the firm or firms in the performance of its duties. The administrative auditor and the firm or firms shall consult regularly with the board and furnish any information or data to the board which the administrative auditor, firm, or board deems helpful in accomplishing the purpose above stated. The administrative auditor shall perform such other duties as the board shall prescribe to accomplish the purposes of this section.

In addition to the powers and duties conferred by chapter 44.28 RCW, the legislative budget committee shall evaluate such management audits as to adequacy and effectiveness of procedure and shall consult with and make

reports and recommendations to the board. The operating agency shall reimburse the legislative budget committee for all costs of furnishing such services.

The operating agency shall file a copy of each firm's reports, and the legislative budget committee shall file a copy of each of its reports or recommendations in a timely manner, prepared in accordance with this section, with the respective chairmen of the senate and house energy and utilities committees. Upon the concurrent request of the chairmen of the senate or house energy and utilities committees, the operating agency shall report to the committees on a quarterly basis.

***NEW SECTION. Sec. 2. There is added to chapter 43.52 RCW a new section to read as follows:**

The legislature hereby declares that an operating agency or joint operating agency created by or under authorization of this chapter is an "agency" within the definition and meaning set forth in RCW 42.17.020(1) and a "public agency" under the definition and meaning set forth in RCW 42.30.020. As such an "agency", each operating agency, joint operating agency and each and every subagency, board, committee, commission, participating agency or any other internal organization thereof, however designated, shall be fully subject to chapter 42.30 RCW and chapter 42.17 RCW.

***Sec. 2 was vetoed, see message at end of chapter.**

Passed the House May 7, 1979.

Passed the Senate May 1, 1979.

Approved by the Governor June 4, 1979 with the exception of Section 2, which is vetoed.

Filed in Office of Secretary of State June 4, 1979.

NOTE: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to one section Substitute House Bill No. 1075 entitled:

"AN ACT Relating to operating agencies;"

The obvious intent of this bill as contained in Section 1 is to assure the opportunity for review of thermal power plant construction and management by both qualified auditors and the general public. This is a reasonable practice in the management of public services. Section 2 makes the construction and management of thermal power plants subject to the "disclosure" and "public meeting" laws. It does so by citing both of these statutes. The problem arises in Section 2 where the definition of scope is set out. The terms "participating agency or other internal organization thereof" are not consistent with the scope of either of the two cited statutes, nor do the terms have any more exact definition by statutes or in common usage. Therefore, the limits of application for this section are unclear. It could be interpreted to demand public meetings for contractors who are supplying pencils to the power plant. The mandate is unreasonable and it would be impossible to comply. Further, since thermal power plants are now subject to the disclosure and public meeting statutes, a more certain application of these laws should be used.

For these reasons, I have vetoed Section 2 of Substitute House Bill No. 1075."

CHAPTER 221

[Substitute House Bill No. 740]

HANDICAPPED PERSONS—TRAINING AND REHABILITATION
FACILITIES—BOND ISSUE—REFERENDUM

AN ACT Relating to state and local facilities for the care, training, and rehabilitation of persons with sensory, physical, or mental handicaps; authorizing the sale and issuance of state general obligation bonds and bond anticipation notes to provide funds for these needed facilities throughout the state; providing ways and means to pay the bonds and notes; adding a new chapter to Title 43 RCW; and providing for the submission of this act to a vote of the people.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The physical and mental health of the people of the state directly affects the achievement of economic progress and full employment. The establishment of a system of regional and community facilities for the care, training, and rehabilitation of persons with sensory, physical, or mental handicaps will provide the improved and convenient services needed for an efficient work force and a healthy and secure people.

NEW SECTION. Sec. 2. For the purpose of financing the planning, acquisition, construction, renovation, improvement, and equipping of regional and community facilities for the care, training, and rehabilitation of persons with sensory, physical, or mental handicaps, the state finance committee is authorized to issue and sell general obligation bonds of the state of Washington in the sum of twenty-five million dollars, or so much thereof as may be required, to finance these projects and all costs incidental thereto. No bonds or bond anticipation notes authorized by this chapter shall be offered for sale without prior legislative appropriation and the bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

NEW SECTION. Sec. 3. As used in this chapter, the term "facilities for the care, training, and rehabilitation of persons with sensory, physical, or mental handicaps" means real property and any interest therein, equipment, buildings, structures, mobile units, parking facilities, utilities, landscaping, and all incidental improvements and appurtenances thereto, developed and owned by any public body within the state for purposes of the care, training, and rehabilitation of persons with sensory, physical, or mental handicaps when used in the following limited programs as designated by the Department of Social and Health Services: nonprofit group training homes, community centers, close to home living units, sheltered workshops, vocational rehabilitation centers, developmental disability training centers, and community homes for the mentally ill.

As used in this chapter, the term "public body" means the state of Washington, or any agency, political subdivision, taxing district, or municipal corporation thereof.

NEW SECTION. Sec. 4. When the state finance committee has determined to issue the general obligation bonds, or a portion thereof, it may, pending the issuance of the bonds, issue in the name of the state temporary notes in anticipation of the bonds, which notes shall be designated as "bond anticipation notes." Such portion of the proceeds of the sale of the bonds as may be required for the payment of principal of and redemption premium, if any, and interest on the notes shall be applied thereto when the bonds are issued.

NEW SECTION. Sec. 5. The state finance committee is authorized to determine the amounts, dates, form, terms, conditions, denominations, interest rates, maturities, rights and manner of redemption prior to maturity, registration privileges, place(s) of payment, and covenants of the bonds and the bond anticipation notes; the time or times of sale of all or any portion of them; and the conditions and manner of their sale, issuance, and redemption.

NEW SECTION. Sec. 6. Each bond and bond anticipation note shall state that it is a general obligation of the state of Washington, shall contain a pledge of the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain the state's unconditional promise to pay the principal and interest as the same shall become due.

NEW SECTION. Sec. 7. The proceeds from the sale of the bonds and bond anticipation notes authorized in this chapter, together with all grants, donations, transferred funds, and all of the moneys which the state finance committee or the state department of social and health services may direct the state treasurer to deposit therein, shall be deposited in the 1979 handicapped facilities construction account in the state general fund, hereby created in the state treasury: **PROVIDED**, That such portion of the proceeds of the sale of the bonds as may be required for the payment of the principal of and the interest on any outstanding bond anticipation notes, together with accrued interest on the bonds received from the purchasers upon their delivery, shall be deposited in the 1979 handicapped facilities bond retirement fund.

NEW SECTION. Sec. 8. Subject to legislative appropriation, all principal proceeds of the bonds and bond anticipation notes authorized in this chapter shall be administered by the state department of social and health services exclusively for the purposes specified in this chapter and for the payment of expenses incurred in connection with the sale and issuance of the bonds and bond anticipation notes.

In carrying out the purposes of this chapter all counties of the state shall be eligible to participate in the distribution of the bond proceeds. The share coming to each county shall be determined by a division among all counties according to the relation which the population of each county, as shown by the last federal or official state census, whichever is the later, bears to the total combined population of all counties, as shown by such census. No single project in a class AA county shall be eligible for more than fifteen percent of such county's total distribution of bond proceeds.

In carrying out the purposes specified in this chapter, the department may use or permit the use of the proceeds by direct expenditures, grants, or loans to any public body, including but not limited to grants to a public body as matching funds in any case where federal, local, or other funds are made available on a matching basis for purposes specified in this chapter.

NEW SECTION. Sec. 9. The 1979 handicapped facilities bond redemption fund, hereby created in the state treasury, shall be used for the purpose of the payment of the principal of and redemption premium, if any, and interest on the bonds and the bond anticipation notes authorized to be issued under this chapter.

The state finance committee, on or before June 30 of each year, shall certify to the state treasurer the amount required in the next succeeding twelve months for the payment of the principal of and interest coming due on the bonds. Not less than thirty days prior to the date on which any interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenue received in the state treasury and deposit in the 1979 handicapped facilities bond redemption fund an amount equal to the amount certified by the state finance committee to be due on the payment date.

If a state general obligation bond retirement fund is created in the state treasury by chapter ... (SB 2361 or HB 569), Laws of 1979 1st ex. sess., and becomes effective by statute prior to the issuance of any of the bonds authorized by this chapter, the state general obligation bond retirement fund shall be used for purposes of this chapter in lieu of the 1979 handicapped facilities bond redemption fund, and the 1979 handicapped facilities bond redemption fund shall cease to exist.

NEW SECTION. Sec. 10. The legislature may provide additional means for raising moneys for the payment of the principal of and the interest on the bonds authorized in this chapter, and this chapter shall not be deemed to provide an exclusive method for the payment.

NEW SECTION. Sec. 11. The bonds authorized in this chapter shall constitute a legal investment for all state funds or for funds under state control and all funds of municipal corporations.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 14. This act shall be submitted to the people for their adoption and ratification, or rejection, at a special election hereby ordered by the legislature, which election shall be held in conjunction with the next succeeding general election to be held in this state, all in accordance with the provisions of Article II, section 1 of the state Constitution, as amended, and the laws adopted to facilitate the operation thereof.

If the municipality shall fail to carry out or perform any of its obligations or covenants made in the authorization, issuance and sale of such bonds, the holder of any such bond may bring action against the municipality and compel the performance of any or all of such covenants.

(1) For persons under the age of sixty-two receiving compensation for temporary or permanent total disability pursuant to the provisions of chapter 51.32 RCW, such compensation shall be reduced by an amount equal to the benefits payable under the federal old-age, survivors and disability insurance act as now or hereafter amended not to exceed the amount of the reduction established pursuant to 42 USC 424a. However, such reduction shall not apply when the combined compensation provided pursuant to chapter 51.32 RCW and the federal old-age, survivors and disability insurance act is less than the total benefits to which the federal reduction would apply, pursuant to 42 USC 424a. Where any person described in this section refuses to authorize the release of information concerning the amount of benefits payable under said federal act the department's estimate of said amount shall be deemed to be correct unless and until the actual amount is established and no adjustment shall be made for any period of time covered by any such refusal.

(2) Any reduction under subsection (1) of this section shall be effective the month following the month in which the department or self-insurer is notified by the federal social security administration that the person is receiving disability benefits under the federal old-age, survivors and disability insurance act: PROVIDED, That in the event of an overpayment of benefits the department or self-insurer may not recover more than the overpayments for the six months immediately preceding the date the department or self-insurer notifies the worker that an overpayment has occurred: PROVIDED FURTHER, That upon determining that there has been an overpayment, the department or self-insurer shall immediately notify the person who received the overpayment that he or she shall be required to make repayment pursuant to ((this act)) this section and RCW 51.32... twenty-five percent of the monthly amount due from the department or self-insurer or one-sixth of the total overpayment, whichever is the lesser.

(4) No reduction may be made unless the worker receives notice of the reduction prior to the month in which the reduction is made.

(5) In no event shall the reduction reduce total benefits to less than the greater amount the worker may be entitled to under this title or the federal old-age, survivors and disability insurance act.

(6) The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.04 RCW, may exercise his discretion to waive, in whole or in part, the amount of any overpayment where the recovery would be against equity and good conscience.

NEW SECTION. Sec. 2. This 1979 act applies to all cases in which notification of the first reduction in compensation pursuant to RCW 51.32-.220 is mailed after the effective date of this 1979 act, regardless of when the basis, authority, or cause for such reduction may have arisen. To such extent, this 1979 act applies retrospectively, but in all other respects it applies prospectively.

Counties may acquire, build, operate and maintain holding, detention, and correctional facilities as defined in RCW 70.48.020 at any place designated by the county legislative authority within the territorial limits of the county. The facilities shall comply with chapter 70.48 RCW and the rules adopted thereunder.

NEW SECTION. Sec. 17. There is added to chapter 70.48 RCW a new section to read as follows:

(1) All cities and counties are authorized to establish and maintain farms, camps, and work release programs and facilities. The facilities shall meet the requirements of chapter 70.48 RCW and any rules adopted thereunder.

(2) Farms and camps may be established either inside or outside the territorial limits of a city or county. A sentence of confinement in a city or county jail may include placement in a farm or camp. Unless directed otherwise by court order, the chief law enforcement officer or department of corrections, may transfer the prisoner to a farm or camp. The sentencing court, chief law enforcement officer, or department of corrections may not transfer to a farm or camp a greater number of prisoners than can be furnished with constructive employment and can be reasonably accommodated.

(3) The city or county may establish a city or county work release program and housing facilities for the prisoners in the program. In such regard, factors such as employment conditions and the condition of jail facilities should be considered. When a work release program is established the following provisions apply:

(a) A person convicted of a felony and placed in a city or county jail is eligible for the work release program. A person sentenced to a city or county jail is eligible for the work release program. The program may be used as

a condition of probation for a criminal offense. Good conduct is a condition of participation in the program.

(b) The court may permit a person who is currently, regularly employed to continue his employment. The chief law enforcement officer or department of corrections shall make all necessary arrangements if possible. The court may authorize the person to seek suitable employment and may authorize the chief law enforcement officer or department of corrections to make reasonable efforts to find suitable employment for the person. A person participating in the work release program may not work in an establishment where there is a labor dispute.

(c) The work release prisoner shall be confined in a work release facility or jail whenever the prisoner is not employed and between the hours or periods of employment unless the court directs otherwise.

(d) The chief law enforcement officer or his designee shall collect the work release prisoner's earnings and from the earnings make payments for the prisoner's board, personal expenses inside and outside the jail, and share of the administrative expenses of this section. Support payments for the prisoner's dependents, if any, shall be made as directed by the court. With the prisoner's consent, the remaining funds may be used to pay the prisoner's preexisting debts. Any balance shall be retained and paid to the prisoner when the prisoner is discharged.

(e) With court approval the prisoner's sentence may be reduced by one-fourth if the prisoner's conduct, diligence, and general attitude merit the reduction.

(f) If the work release prisoner violates the conditions of custody or employment, the prisoner shall be returned to the sentencing court. The sentencing court may require the prisoner to spend the remainder of the sentence in actual confinement and may cancel any earned reduction of the sentence.

NEW SECTION. Sec. 18. There is added to chapter 70.48 RCW a new section to read as follows:

The jurisdiction having immediate authority over a prisoner is responsible for the transportation expenses. The transporting officer shall have custody of the prisoner within any Washington county while being transported. Any jail within the state may be used for the temporary confinement of the prisoner with the only charge being for the reasonable cost of board.

NEW SECTION. Sec. 19. There is added to chapter 70.48 RCW a new section to read as follows:

A person convicted of an offense punishable by imprisonment in a city or county jail may be confined in the jail of any city or county contracting with the prosecuting city or county for jail services.

NEW SECTION. Sec. 20. There is added to chapter 70.48 RCW a new section to read as follows:

A person imprisoned in a detention or correctional facility who has not obtained a bail bond shall be transferred to a state institution designated by the secretary pending the appeal of a felony conviction after the thirtieth day and before the forty-first day from the date on which the judgment was entered. Upon a showing of good cause, a superior court judge may order the prisoner detained in the county jail for an additional period not to exceed ten days; except that this provision does not apply to persons sentenced for a felony who are held in the facility as a condition of probation or who are specifically sentenced to confinement in the facility.

NEW SECTION. Sec. 21. RCW 35.21.330 as now or hereafter amended is decodified and is recodified in chapter 70.48 RCW.

NEW SECTION. Sec. 22. Sections 1 through 8 of this act are each added to chapter 70.48 RCW.

[Senate Bill No. 2508]

INSURANCE PREMIUMS—ANNUITY CONTRACTS—TAXATION

AN ACT Relating to the taxation of insurance premiums; amending section .14.02, chapter 79, Laws of 1947 as amended by section 9, chapter 241, Laws of 1969 ex. sess. and RCW 48.14.020; creating new sections; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. It is the intent of the legislature to eliminate existing tax discrimination between qualified and nonqualified pension plans which are effectuated by annuity contracts, by excluding the consideration paid for such contracts from premiums subject to the premium tax.

Sec. 2. Section .14.02, chapter 79, Laws of 1947 as amended by section 9, chapter 241, Laws of 1969 ex. sess. and RCW 48.14.020 are each amended to read as follows:

(1) Subject to other provisions of this chapter, each authorized insurer except title insurers shall on or before the first day of March of each year pay to the state treasurer through the commissioner's office a tax on premiums. Except as provided in subsection (2) of this section, such tax shall be in the amount of two percent of all premiums, excluding amounts returned to or the amount of reductions in premiums allowed to holders of industrial

life policies for payment of premiums directly to an office of the insurer, collected or received by the insurer during the preceding calendar year in the case of foreign and alien insurers, and in the amount of one percent of all such premiums in the case of domestic insurers, for direct insurances, other than ocean marine and foreign trade insurances, after deducting premiums paid to policyholders as returned premiums, upon risks or property resident, situated, or to be performed in this state. For the purposes of this section the consideration received by an insurer for the granting of an annuity ((is)) shall not be deemed to be a premium.

(2) In the case of insurers which require the payment by their policyholders at the inception of their policies of the entire premium thereon in the form of premiums or premium deposits which are the same in amount, based on the character of the risks, regardless of the length of term for which such policies are written, such tax shall be in the amount of two percent of the gross amount of such premiums and premium deposits upon policies on risks resident, located, or to be performed in this state, in force as of the thirty-first day of December next preceding, less the unused or unabsorbed portion of such premiums and premium deposits computed at the average rate thereof actually paid or credited to policyholders or applied in part payment of any renewal premiums or premium deposits on one-year policies expiring during such year.

(3) Each authorized insurer shall with respect to all ocean marine and foreign trade insurance contracts written within this state during the preceding calendar year, on or before the first day of March of each year pay to the state treasurer through the commissioner's office a tax of three-quarters of one percent on its gross underwriting profit. Such gross underwriting profit shall be ascertained by deducting from the net premiums (i.e., gross premiums less all return premiums and premiums for reinsurance) on such ocean marine and foreign trade insurance contracts the net losses paid (i.e., gross losses paid less salvage and recoveries on reinsurance ceded) during such calendar year under such contracts. In the case of insurers issuing participating contracts, such gross underwriting profit shall not include, for computation of the tax prescribed by this subsection, the amounts refunded, or paid as participation dividends, by such insurers to the holders of such contracts.

(4) The state does hereby preempt the field of imposing excise or privilege taxes upon insurers or their agents, other than title insurers, and no county, city, town or other municipal subdivision shall have the right to impose any such taxes upon such insurers or their agents.

(5) If an authorized insurer collects or receives any such premiums on account of policies in force in this state which were originally issued by another insurer and which other insurer is not authorized to transact insurance in this state on its own account, such collecting insurer shall be liable for and shall pay the tax on such premiums.

(6) This section shall be effective as to and shall govern the payment of all taxes falling due after the effective date of this code.

NEW SECTION. Sec. 3. If any provision of this amendatory act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 4. This 1979 amendatory act shall become effective beginning upon and after January 1, 1980.

Passed the Senate March 30, 1979.

Passed the House May 29, 1979.

AN ACT Relating to financing water supply facilities; adding a new chapter to Title 43 RCW; and providing for submission of this act to a vote of the people.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The long-range development goals for the state of Washington must include the provision of those supportive public services necessary for the development and expansion of industry, commerce, and employment including the furnishing of an adequate supply of water for domestic, industrial, agricultural, municipal, fishery, recreational, and other beneficial uses.

NEW SECTION. Sec. 2. For the purpose of providing funds for the planning, acquisition, construction, and improvement of water supply facilities within the state, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of one hundred twenty-five million dollars, or so much thereof as may be required, to finance the improvements defined in this chapter and all costs incidental thereto. These bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution. No bonds authorized by this chapter may be offered for sale without prior legislative appropriation of the proceeds of the bonds to be sold.

NEW SECTION. Sec. 3. The proceeds from the sale of bonds authorized by this chapter shall be deposited in the state and local improvements revolving account—water supply facilities hereby created in the general fund and shall be used exclusively for the purpose specified in this chapter

and for payment of the expenses incurred in the issuance and sale of the bonds.

NEW SECTION. Sec. 4. The proceeds from the sale of the bonds deposited in the state and local improvements revolving account—water supply facilities of the general fund under the terms of this chapter shall be divided into two shares as follows:

(1) Seventy-five million dollars, or so much thereof as may be required, shall be used for domestic, municipal, and industrial water supply facilities; and

(2) Fifty million dollars, or so much thereof as may be required, shall be used for water supply facilities for agricultural use alone or in combination with fishery, recreational, or other beneficial uses of water.

The share of seventy-five million dollars shall be administered by the department of social and health services and the share of fifty million dollars shall be administered by the department of ecology, subject to legislative appropriation. The administering departments may use or permit the use of any funds derived from the sale of bonds authorized under this chapter to accomplish the purpose for the issuance of the bonds by direct expenditures and by grants or loans to public bodies, including grants to public bodies as matching funds in any case where federal, local, or other funds are made available on a matching basis for improvements within the purposes of this chapter.

NEW SECTION. Sec. 5. As used in this chapter, the term "water supply facilities" means domestic, municipal, industrial, and agricultural (and any associated fishery, recreational, or other beneficial use) water supply or distribution systems including but not limited to all equipment, utilities, structures, real property, and interests in and improvements on real property necessary for or incidental to the acquisition, construction, installation, or use of any such water supply or distribution system.

As used in this chapter, the term "public body" means the state of Washington or any agency, political subdivision, taxing district, or municipal or public corporation thereof; an agency of the federal government; and those Indian tribes which may constitutionally receive grants or loans from the state of Washington.

NEW SECTION. Sec. 6. The state finance committee is authorized to prescribe the forms, terms, conditions, and covenants of the bonds; the time or times of sale of all or any portion of them; and the conditions and manner of their sale and issuance. None of the bonds authorized by this chapter may be sold for less than their par value.

NEW SECTION. Sec. 7. When the state finance committee has decided to issue the bonds, or a portion of the bonds, it may, pending the issuance of the bonds, issue, in the name of the state, temporary notes in anticipation of the money to be derived from the sale of the bonds, which

notes shall be designated as "anticipation notes". The portion of the proceeds of the sale of the bonds as may be required for this purpose shall be applied to the payment of the principal of and interest on the anticipation notes which have been issued. The bonds and notes shall pledge the full faith and credit of the state of Washington and shall contain an unconditional promise to pay the principal and interest when due. The state finance committee may authorize the use of a printed facsimile of the seal of the state of Washington in the issuance of the bonds and notes.

NEW SECTION. Sec. 8. The public water supply facilities bond redemption fund is created in the state treasury. This fund shall be exclusively devoted to the payment of interest on and retirement of the bonds authorized by this chapter. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount needed in the ensuing twelve months to meet the bond retirement and interest requirements. Not less than thirty days prior to the date on which any interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the public water supply facilities bond redemption fund an amount equal to the amount certified by the state finance committee to be due on the payment date. If a state general obligation bond retirement fund is created in the state treasury by chapter ... (SB 2361), Laws of 1979 1st ex. sess. and becomes effective by statute prior to the issuance of any of the bonds authorized by sections 1 through 11 of this act, the state general obligation bond retirement fund shall be used for purposes of sections 1 through 11 of this act in lieu of the public water supply facilities bond redemption fund, and the public water supply facilities bond redemption fund shall cease to exist. The owner and holder of each of the bonds or the trustee for the owner and holder of any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 9. The legislature may provide additional means for raising moneys for the payment of the principal and interest of the bonds authorized in this chapter, and this chapter shall not be considered to provide an exclusive method for the payment.

NEW SECTION. Sec. 10. The bonds authorized in this chapter shall be a legal investment for all state funds or for funds under state control and for all funds of any other public body.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. This act shall be submitted to the people for their adoption and ratification, or rejection, at the general election to be

NEW SECTION. Sec. 8. The Series I bonds authorized by this chapter shall be first issued and only after the superintendent of public instruction has certified, based upon estimates submitted by the state finance committee of future interest earnings of the permanent common school fund and other factors, that an adequate balance will be available in the common school construction fund to enable the superintendent of public instruction to meet the requirements of section 6 of this act during the life of the bonds to be issued.

[Substitute House Bill No. 1]

RAZOR-CLAMMING LICENSES—APPROPRIATION

AN ACT Relating to food fish and shellfish; adding a new chapter to Title 75 RCW; prescribing penalties; making an appropriation; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature, recognizing that the digging of razor clams, *Siliqua patula*, is a major recreational asset to the state, declares that it is the policy of the state to improve recreational razor clam digging for residents of the state. The legislature finds that clam wastage and violation of daily bag limits by some clam diggers has made effective clam resource conservation extremely difficult. It is the intent of

the legislature to provide a razor clam license program that will be an aid to effective management and conservation of the razor clam resource. It is also the intent of the legislature to provide a source of funds that can be used to defray the expenses of added enforcement, enhancement, research, and educational programs related to razor clams.

NEW SECTION. Sec. 2. It is unlawful for any person to take, dig for, or have in his or her possession any razor clam that is taken for personal use from the clam beds of this state without first having obtained and having in his or her possession a razor-clamming license as provided in section 3 of this act.

NEW SECTION. Sec. 3. Razor-clamming licenses shall be issued by or under the authority of the director of fisheries. The director may authorize license dealers to issue the licenses and charge an agent's fee of not more than fifty cents in addition to the license fee.

The director shall adopt appropriate rules for the issuance of razor-clamming licenses and for the collection, payment, and handling of license fees and agent's fees.

NEW SECTION. Sec. 4. (1) The fees for razor-clamming licenses are:

- (a) For an annual resident license, two dollars and fifty cents; and
- (b) For an annual nonresident license, ten dollars.

(2) Any person sixty-five years of age or older or under sixteen years of age shall be issued, upon making an affidavit to such effect and upon payment of the dealer fee established in section 3 of this act, a personal use razor clam license at no cost.

(3) For the purposes of this chapter, "resident" means a person who, for at least thirty days immediately preceding application for a license, has maintained a permanent place of abode within this state and has established, by formal evidence, an intent to continue residence within this state. All other persons are nonresidents.

(4) License fees received from the issuance of razor-clamming licenses shall be paid into the general fund and shall be subject to legislative appropriation until the cumulative total subject to legislative appropriation equals the appropriation under section 11 of this act or so much of that appropriation as is actually used. Any excess over the amount appropriated or used shall be credited to the department of fisheries and shall be expended on the development or operation of programs beneficial to razor clam harvesting.

NEW SECTION. Sec. 5. (1) Razor-clamming licenses are nontransferable. A person digging for razor clams or having razor clams in his or her possession that are taken for personal use from the clam beds of this state shall, upon demand of any fisheries patrol officer, fisheries inspector, deputy fisheries inspector, game protector, or law enforcement officer within their respective jurisdictions, exhibit his or her license and write his or her

name for the purpose of comparison with the signature on the license. Failure to exhibit the license or write the name upon demand shall be prima facie evidence that the person has no license or is not the person named on the license in the person's possession.

(2) The razor-clamming license shall be attached to an outer garment or be otherwise visible on the person of the licensee.

NEW SECTION. Sec. 6. A person who violates sections 2 or 5 of this act or the rules adopted by the director under section 3 of this act or who knowingly falsifies any information required for the issuance of a razor-clamming license is guilty of a misdemeanor and shall incur the penalties set forth in RCW 9A.20.020(3), as now or hereafter amended.

NEW SECTION. Sec. 7. The department shall report annually prior to December 31 to the legislature on the number of licenses sold, revenues received, the results of the programs initiated under this chapter, and the status of the resource to enable the legislature to determine if the provisions of this chapter have proved beneficial to the utilization and conservation of the resource.

NEW SECTION. Sec. 8. Sections 1 through 7 of this act shall constitute a new chapter in Title 75 RCW.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1979.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 11. There is appropriated to the department of fisheries for the 1979-1981 biennium from the general fund, the sum of seven hundred thirty thousand dollars, or so much thereof as may be necessary, for the purposes of implementing this act, including:

- (1) Increased enforcement;
- (2) Resource enhancement and research projects;

CHAPTER 245

[Substitute House Bill No. 554]

SHELTERS FOR VICTIMS OF DOMESTIC VIOLENCE

AN ACT Relating to shelters for victims of domestic violence; adding a new chapter to Title 70 RCW; creating a new section; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds that domestic violence is an issue of growing concern at all levels of government and that there is a present and growing need to develop innovative strategies and services which will ameliorate and reduce the trauma of domestic violence. Research findings show that domestic violence constitutes a significant percentage of homicides, aggravated assaults, and assaults and batteries in the United States. Domestic violence is a disruptive influence on personal and community life and is often interrelated with a number of other family problems and stresses. Shelters for victims of domestic violence are essential to provide protection to victims from further abuse and physical harm and to help the victim find long-range alternative living situations, if requested. Shelters provide safety, refuge, advocacy, and helping resources to victims who may not have access to such things if they remain in abusive situations.

The legislature therefore recognizes the need for the state-wide development and expansion of shelters for victims of domestic violence.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Shelter" means a place of temporary refuge, offered on a twenty-four hour, seven day per week basis to victims of domestic violence and their children.

(2) "Domestic violence" is a categorization of offenses, as defined in section 2, chapter 105, Laws of 1979 1st ex. sess., committed by one cohabitant against another.

(3) "Department" means the department of social and health services.

(4) "Victim" means a cohabitant who has been subjected to domestic violence.

(5) "Cohabitant" means a person who is married or who is cohabiting with a person of the opposite sex like husband and wife at the present or at sometime in the past. Any person who has one or more children in common with another person, regardless of whether they have been married or lived together at any time, shall be treated as a cohabitant.

NEW SECTION. Sec. 3. The department of social and health services, in consultation with individuals or groups having experience and knowledge of the problems of victims of domestic violence, shall:

(1) Establish minimum standards for shelters applying for grants from the department under this chapter. Classifications may be made dependent upon size, geographic location, and population needs;

(2) Receive grant applications for the development and establishment of shelters for victims of domestic violence;

(3) Distribute funds, within forty-five days after approval, to those shelters meeting departmental standards;

WASHINGTON LAWS, 1979 1st Ex. Sess

(4) Evaluate biennially each shelter receiving departmental funds for compliance with the established minimum standards; and

(5) Review the minimum standards each biennium to ensure applicability to community and client needs.

NEW SECTION. Sec. 4. Minimum standards established by the department under section 3 of this act shall ensure that shelters receiving grants under this chapter provide services meeting basic survival needs, where not provided by other means, such as, but not limited to, food, clothing, housing, safety, security, client advocacy, and counseling. These services shall be problem-oriented and designed to provide necessary assistance to the victims of domestic violence and their children.

NEW SECTION. Sec. 5. The department shall contract, where appropriate, with public or private nonprofit groups or organizations with experience and expertise in the field of domestic violence to:

(1) Develop and implement an educational program designed to promote public and professional awareness of the problems of domestic violence and of the availability of services for victims of domestic violence. Particular emphasis should be given to the education needs of law enforcement agencies, the legal system, the medical profession, and other relevant professions that are engaged in the prevention, identification, and treatment of domestic violence;

(2) Maintain a directory of temporary shelters and other direct service facilities for the victims of domestic violence which is current, complete, detailed, and available, as necessary, to provide useful referral services to persons seeking help on an emergency basis;

(3) Create a state-wide toll-free telephone number that would provide information and referral to victims of domestic violence;

(4) Provide opportunities to persons working in the area of domestic violence to exchange information; and

(5) Provide training opportunities for both volunteer workers and staff personnel.

NEW SECTION. Sec. 6. The department shall prepare an annual report to the legislature which shall include but not be limited to:

(1) Data reflecting the geographic incidence of domestic violence in the state, indicating the number of cases officially reported as well as an assessment of the degree of unreported cases;

(2) The number of persons and relevant statistical data, where possible, of persons treated or assisted by shelters receiving state funds; and

(3) A listing of potential and feasible prevention efforts, the estimated cost of providing the prevention services, and the projected benefits of providing the services.

The department may contract, where applicable, for the information required by this section.

NEW SECTION. Sec. 7. Shelters receiving state funds under this chapter shall:

- (1) Make available shelter services to any person who is a victim of domestic violence and to that person's children;
- (2) Encourage victims, with the financial means to do so, to reimburse the shelter for the services provided;
- (3) Recruit, to the extent feasible, persons who are former victims of domestic violence to work as volunteers or staff personnel. An effort shall also be made to provide bilingual services;
- (4) Provide prevention and treatment programs to victims of domestic violence, their children and, where possible, the abuser;
- (5) Provide a day program or drop-in center to assist victims of domestic violence who have found other shelter but who have a need for support services.

NEW SECTION. Sec. 8. The department shall consult in all phases with persons and organizations having experience and expertise in the field of domestic violence.

NEW SECTION. Sec. 9. The department is authorized, under this chapter and the rules adopted to effectuate its purposes, to make available grants awarded on a contract basis to public or private nonprofit agencies, organizations, or individuals providing shelter services meeting minimum standards established by the department. Consideration as to need, geographic location, population ratios, and the extent of existing services shall be made in the award of grants. The department shall provide technical assistance to any nonprofit organization desiring to apply for the contracts if the organization does not possess the resources and expertise necessary to develop and transmit an application without assistance.

NEW SECTION. Sec. 10. Fifty percent of the funding for shelters receiving grants under this chapter must be provided by one or more local, municipal, or county source, either public or private. Contributions in-kind, whether materials, commodities, transportation, office space, other types of facilities, or personal services, may be evaluated and counted as part of the required local funding.

The department shall seek, receive, and make use of any funds which may be available from federal or other sources in order to augment state funds appropriated for the purpose of this chapter, and shall make every effort to qualify for federal funding.

NEW SECTION. Sec. 11. General assistance or aid to families with dependent children payments shall be made to otherwise eligible individuals who are residing in a secure shelter, a housing network or other shelter facility which provides shelter services to persons who are victims of domestic violence. Provisions shall be made by the department for the confidentiality of the shelter addresses where victims are residing.

NEW SECTION. Sec. 12. A shelter shall not be held liable in any civil action for denial or withdrawal of services provided pursuant to the provisions of this chapter.

NEW SECTION. Sec. 13. There is appropriated from the general fund to the department of social and health services for the 1979–1981 biennium the sum of one million dollars, or so much as may be necessary, to carry out the purposes of this act. Seven hundred thousand dollars of the amount appropriated shall be used for grants to shelters under section 9 of this act. The remaining three hundred thousand dollars shall be used to fund sections 3, 5, and 6 of this act.

NEW SECTION. Sec. 14. Sections 2 through 12 of this act shall constitute a new chapter in Title 70 RCW.

NEW SECTION. Sec. 15. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Passed the Senate May 31, 1979.

Approved by the Governor June 15, 1979.

From those funds made available by the legislature for the current use of the common schools, the superintendent of public instruction shall distribute annually as provided in RCW 28A.48.010 to each school district of the state operating a program approved by the state board of education an amount which, when combined with the following revenues, excluding excess property tax levies, will constitute a basic education allocation in dollars for each annual average full time equivalent student enrolled, based upon one full school year of one hundred eighty days, except that for kindergartens one full school year may be ninety days as provided by RCW 28A.58.180:

(1) The receipts from the one percent tax on real estate transactions pursuant to chapter 28A.45 RCW; and

If a school district's basic education program fails to meet the basic education program requirements enumerated in RCW 28A.41.130, 28A.41.140 and 28A.58.754, each as now or hereafter amended, or established by rule pursuant thereto, the state board of education shall require the superintendent of public instruction to withhold state funds in whole or in part for the basic education allocation until program compliance is assured: PROVIDED, That for the school years 1978 through 1981 the state board of education may waive this requirement in the event of levy failure: PROVIDED FURTHER, That the state board of education may waive this requirement in the event of substantial lack of classroom space: PROVIDED FURTHER, That effective July 1, 1979, those school districts which have been found by the state board of education to be out of compliance with the basic education program requirements enumerated in RCW 28A.58.754 during the 1978 and 1979 school year shall be deemed to be in compliance

if such districts are in compliance with those basic education program requirements enumerated in section 1 of this amendatory act as of the effective date of this act.

Sec. 3. Section 14, chapter 244, Laws of 1969 ex. sess. as last amended by section 12, chapter 151, Laws of 1979 and RCW 28A.41.140 are each amended to read as follows:

The basic education allocation for each annual average full time equivalent student shall be determined in accordance with the following procedures:

The governor shall and the superintendent of public instruction may recommend to the legislature a formula based on a ratio of students to staff for the distribution of a basic education allocation for each annual average full time equivalent student enrolled in a common school. The distribution formula shall have the primary objective of equalizing educational opportunities and shall provide appropriate recognition of the following costs among the various districts within the state:

- (1) Certificated staff and their related costs;

This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature. Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and one classified person to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous ~~((biennium))~~ school year shall remain in effect: **PROVIDED**, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in RCW 28A.58.754. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: **PROVIDED**, That the definition shall be included as part of the superintendent's biennial budget request:

PROVIDED, FURTHER, That any revision of the present definition shall not take effect until approved by the house appropriations committee and the senate ways and means committee: PROVIDED, FURTHER, That the office of financial management shall make a monthly review of the superintendent's reported full time equivalent students in the common schools in conjunction with RCW 43.62.050.

Certificated staff shall include those persons employed by a school district in a teaching, instructional, educational staff associate, learning resources specialist, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent: PROVIDED, That in exceptional cases, people of unusual competence but without certification may teach students so long as a certificated person exercises general supervision: PROVIDED, FURTHER, That the hiring of such noncertificated people shall not occur during a labor dispute and such noncertificated people shall not be hired to replace certificated employees during a labor dispute(~~(: PROVIDED, FURTHER, That the hiring of such noncertificated persons shall be subject to disapproval by the superintendent of public instruction. Annual written statements shall be submitted to the office of the superintendent of public instruction reporting and explaining such circumstances)).~~ Each annual average full time equivalent certificated classroom teacher's direct classroom contact hours shall ~~((be))~~ average at least twenty-five hours per week. Direct classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. ((Classified staff shall include those persons employed by a school district other than certificated staff as defined in this section in a capacity for which certification is not required.)) Up to two hundred minutes per week may be deducted from the twenty-five contact hour requirement, at the discretion of the school district board of directors, to accommodate authorized teacher/parent-guardian conferences, recess, passing time between classes, and informal instructional activity.

Sec. 4. Section 28A.58.190, chapter 223, Laws of 1969 ex. sess. as amended by section 14, chapter 359, Laws of 1977 ex. sess. and RCW 28A.58.190 are each amended to read as follows:

Such rules may

provide for exceptions based upon the ability, or the need, or both, of an individual student.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. For the purpose of providing needed capital improvements consisting of the acquisition, construction, remodeling, furnishing, and equipping of state buildings and facilities for the institutions of higher education, the state finance committee is authorized to issue from time to time general obligation bonds of the state of Washington in the sum of forty-six million dollars, or so much thereof as may be required, to finance these projects and all costs incidental thereto. No bonds authorized by this chapter shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

NEW SECTION. Sec. 2. When the state finance committee has determined to issue the general obligation bonds or a portion thereof as authorized in section 1 of this act, it may, pending the issuance thereof, issue in the name of the state temporary notes in anticipation of the issuance of the bonds, which notes shall be designated as "bond anticipation notes." Such portion of the proceeds of the sale of the bonds as may be required for the payment of principal of and redemption premium, if any, and interest on the notes shall be applied thereto when the bonds are issued.

NEW SECTION. Sec. 3. The state finance committee is authorized to prescribe the form, terms, conditions, and covenants of the bonds and the bond anticipation notes provided for in sections 1 and 2 of this act, the time or times of sale of all or any portion of them, and the conditions and manner of their sale and issuance.

Each bond and bond anticipation note shall pledge the full faith and credit of the state of Washington and shall contain an unconditional promise to pay the principal thereof and interest thereon when due.

NEW SECTION. Sec. 4. Except for that portion of the proceeds required to pay bond anticipation notes under section 2 of this act, the proceeds from the sale of the bonds and bond anticipation notes authorized in this chapter, together with all grants, donations, transferred funds, and all other moneys which the state finance committee or the board of regents or board of trustees of any of the state institutions of higher education may direct the state treasurer to deposit therein, shall be deposited in the higher education construction account of the general fund hereby created in the state treasury.

NEW SECTION. Sec. 5. Subject to legislative appropriation, all proceeds of the bonds and bond anticipation notes authorized in this chapter shall be administered and expended by the boards of regents or the boards of trustees of the state institutions of higher education exclusively for the purposes specified in this chapter and for the payment of the expenses incurred in connection with the sale and issuance of such bonds and bond anticipation notes.

The higher education bond retirement fund of 1979 is hereby created in the state treasury for the purpose of the payment of principal of and interest on the bonds authorized to be issued under this chapter or, if the legislature so determines, for any bonds and notes hereafter authorized and issued for the institutions of higher education.

On each date on which any interest or principal and interest payment is due, the board of regents or the board of trustees of each institution of higher education shall cause the amount so computed to be paid out of the appropriate building account or capital projects account to the state treasurer for deposit into the general fund of the state treasury.

NEW SECTION. Sec. 8. The bonds authorized by this chapter shall constitute a legal investment for all state funds or for funds under state control and all funds of municipal corporations.

NEW SECTION. Sec. 9. The bonds authorized by this chapter shall be issued only after an officer designated by the board of regents or board of trustees of each institution of higher education receiving an appropriation from the higher education construction account has certified, based upon his estimates of future tuition income and other factors, that an adequate balance will be maintained in that institution's building account or capital projects account to enable the board to meet the requirements of section 7 of this act during the life of the bonds to be issued.

NEW SECTION. Sec. 10. CHAPTER 256

[Substitute House Bill No. 56]

LOCAL GOVERNMENTS—INSURANCE PURCHASE, SELF-INSURANCE

AN ACT Relating to local government; amending section .01.05, chapter 79, Laws of 1947 as amended by section 1, chapter 13, Laws of 1975-'76 2nd ex. sess. and RCW 48.01.050; and adding new sections to Title 48 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The legislature finds that local governmental entities in this state are experiencing a trend of vastly increased insurance premiums for the renewal of identical insurance policies, that fewer insurance carriers are willing to provide local governmental entities with insurance coverage, and that some local governmental entities are unable to obtain desired insurance coverage.

It is the intent of this legislation to clearly provide for the authority of local governmental entities to individually self-insure, purchase individual insurance coverage, and obtain risk management services. It is also the intent of this legislation to grant local governmental entities the maximum flexibility to enter into agreements with each other to provide joint programs, which include programs for the joint purchasing of insurance, joint self-insuring, and joint contracting for or hiring personnel to provide risk management services.

NEW SECTION. Sec. 2. As used in sections 1 through 12 of this act, the term "local governmental entity" shall mean every unit of local government, both general purpose and special purpose, and shall include, but not be limited to, counties, cities, towns, port districts, public utility districts, water districts, sewer districts, school districts, fire protection districts, irrigation districts, metropolitan municipal corporations, conservation districts, and other political subdivisions, governmental subdivisions, municipal corporations, and quasi municipal corporations.

NEW SECTION. Sec. 3. The governing body of any local governmental entity may, as an alternative or in addition to the establishment of a self-insurance fund or the purchasing of insurance, contract for or hire personnel to provide risk management services. Funds made available and funds expended by school districts and educational service districts for the purpose of implementing any provision of sections 1 through 12 of this act

or RCW 36.16.138 shall be subject to such rules of the superintendent of public instruction as the superintendent may adopt governing the budgeting and accounting of such funds.

NEW SECTION. Sec. 4. The governing body of any one or more local governmental entities may, as an alternative or in addition to exercising any one or more of the powers granted in section 3 of this act and RCW 36.16-.138, as now or hereafter amended, or any other provision of law, form together into or join a pool or organization for the joint purchasing of insurance, and/or joint self-insuring, and/or joint hiring or contracting for risk management services to the same extent that they may individually purchase insurance, self-insure, or hire or contract for risk management services: PROVIDED, That no organization of local governmental entities that is organized under section 4 of this act for the purpose of self-insuring shall provide any self-insurance other than liability insurance. For purposes of this section, liability insurance shall include but not be limited to coverage for claims arising from the tortious or negligent conduct of the local government entity, its officers, employees, or agents thereof, or any error or omission on the part of said local government entity, its officers, employees or agents thereof as a result of which a claim may be made against the local government entity. The agreement to form such a pooling arrangement shall be made under chapter 39.34 RCW.

Any pool or organization authorized to be formed by this section shall be subject to audit by the state auditor.

NEW SECTION. Sec. 5. Prior to the establishment of a joint self-insurance pool by any organization of local governmental entities that is organized under section 4 of this act for the purpose of self-insuring through a contributing trust, approval of the establishment of such self-insurance pool shall be obtained from the state risk manager pursuant to RCW 43-.19.19362 in accordance with the following procedure:

(1) A proposed plan of organization and operation, including the following elements shall be submitted;

(a) A financial plan specifying:

(i) The coverage to be offered by the self-insurance pool, setting forth the deductible level and the maximum level of claims which the pool will self-insure;

(ii) The amount of cash reserves to be set aside for the payment of claims;

(iii) The amount of insurance to be purchased over and above the amount of claims to be satisfied directly from the organization's resources;

(iv) The amount of stop-loss coverage to be purchased in the event that the joint self-insurance pool's resources are exhausted in a given fiscal period; and

(v) Certification that the participating local governmental entities in the self-insurance pool are apprised of the limitations of coverage provided and

the availability of additional coverage which may be purchased individually by the participants in the pool;

(b) A plan of management setting forth the means of fulfilling the requirements of section 9(1) of this act, the means of establishing the governing authority of the organization, and the frequency of actuarial studies to establish the periodic contribution rates for each of the participants; and

(c) A plan specifying the conditions and responsibilities of the participants, including procedures for entry into and withdrawal from the pool and the allocation of contingent liabilities pursuant to section 6 of this act.

(2) Within sixty days after receipt of the aforementioned plan, the state risk manager shall determine whether the organization proposing to create a joint self-insurance pool has complied with the procedures and provisions contained in section 5(1) of this act, and has made provision for professional management of the joint self-insurance pool pursuant to section 9(1) of this act, and has provided for the insurance coverages required in section 9 (2) and (3) of this act, and that participants in the proposed joint self-insurance pool have been informed of the deductibles and limitations established pursuant to section 9(4) of this act. If the state risk manager determines that these criteria have been met, he shall approve the plan of operation of the proposed joint self-insurance pool, and such organization shall be authorized to commence operation.

(3) If approval is denied, the state risk manager shall specify in detail the reasons for denial and the manner in which the proposed joint self-insurance pool fails to meet the requirements of this section and section 9 (1) through (4) of this act and make comments and suggestions as to means by which such deficiencies could be corrected. The provisions of RCW 34.04-.090 shall apply with regard to such basis for denial and a review thereof. If the risk manager fails to act within the time limit established in subsection (2) of this section the plan of operation of the proposed joint self-insurance pool shall be deemed approved.

NEW SECTION. Sec. 6. Any organization of local governmental entities that is organized under section 4 of this act which is established for the purpose of joint self-insuring through a contributing trust fund shall provide for the contingent liability of the participants in the event the assets of the joint self-insurance pool are not sufficient to cover its liabilities.

Each organization shall be exempt from insurance premium taxes, from chapters 48.32 and 48.32A RCW and from business and occupation taxes imposed pursuant to chapter 82.04 RCW, and from any assigned risk plan or joint underwriting authority otherwise required by law.

NEW SECTION. Sec. 7. The assets of any organization of local governmental entities that is organized under section 4 of this act which is established for the purpose of jointly self-insuring may, pursuant to section 8 of this act, be invested only in the following classes of securities and investments:

(1) Savings or time accounts in banks, trust companies, and mutual savings banks which are doing business in this state, up to the amount of insurance afforded such accounts by the federal deposit insurance corporation;

(2) Accounts in savings and loan associations which are doing business in this state, up to the amount of insurance afforded such accounts by the federal savings and loan insurance corporation;

(5) Federal home loan bank notes and bonds, federal land bank bonds, and federal national mortgage association notes, debentures, and guaranteed certificates of participation, or the obligations of any other government-sponsored corporation whose obligations are or may become eligible as collateral for advances to member banks as determined by the board of governors of the federal reserve system;

(6) Direct and general obligation bonds and warrants of the state of Washington or any other state of the United States;

(7) Direct and general obligation bonds and warrants of any local governmental entity of this state having the power to levy general taxes which are payable from general ad valorem taxes;

(8) Revenue bonds of this state or any authority, board, commission, committee, or similar agency thereof;

(9) Motor vehicle fund warrants when authorized by agreement between the state finance committee and the state transportation commission requiring repayment of invested funds from any moneys in the motor vehicle fund available for state highway construction; and

(10) Bonds, securities, and obligations which are designated to be authorized security for all public deposits pursuant to RCW 35.58.510, 35.81-.110, 35.82.220, 39.60.030, 39.60.040, and 54.24.120.

NEW SECTION. Sec. 8. Any organization of local governmental entities that is organized under section 4 of this act which is established for the purpose of jointly self-insuring may invest all or a portion of its assets by one or more of the following methods:

(1) Directly invest such assets itself; or

(2) Deposit such assets with the treasurer of any county within whose territorial limits any of its member local governmental entities lies to be invested by such treasurer for the organization.

NEW SECTION. Sec. 9. Any organization of local governmental entities that is organized under section 4 of this act which elects to provide pooled self-insurance shall satisfy the following requirements:

(1) Contract with a professional insurance management corporation or otherwise provide for the management and operation of any joint self-insurance pool established by the organization;

(2) Provide for umbrella coverage for the participating local governmental entities;

(3) Provide insurance coverage for those claims which the organization plans to jointly self-insure, such coverage to be effective only in the event of the exhaustion of the joint self-insurance pool's resources for a given fiscal period;

(4) Establish deductibles and/or limits to any coverage that is provided; and

(5) Provide an annual report of the operations of the organization to the participating entities, the state risk manager, and the state insurance commissioner.

NEW SECTION. Sec. 10. Any organization of local governmental entities that is organized under section 4 of this act shall have the flexibility to perform its functions and at its option may, if such functions and actions are within its purview as established by the agreement or contract adopted pursuant to chapter 39.34 RCW that lists the powers and functions of the organization, do any of the following:

(1) Contract or otherwise provide for risk management and loss control services;

(2) Contract or otherwise provide legal counsel for the defense of claims and/or other legal services;

(3) Consult with the state insurance commissioner and/or the state risk manager;

(4) Jointly purchase insurance coverage in such form and amount as the organization's participants may by contract agree; and

(5) Possess any other powers and perform all other functions reasonably necessary to carry out the purposes of this chapter.

NEW SECTION. Sec. 11. Any organization of local governmental entities that is organized under section 4 of this act may provide for private meetings to consider litigation and settlement of claims when it appears that public discussion of these matters would impair the organization's ability to conduct its business effectively.

Notwithstanding any provision to the contrary contained in the public disclosure act, chapter 42.17 RCW, in a claim or action against the state or any local governmental entity, no person shall be entitled to discover that portion of funds or liability reserve established for purposes of satisfying a claim or cause of action, except that the reserve is discoverable in any supplemental or ancillary proceeding to enforce a judgment.

NEW SECTION. Sec. 12. The provisions of RCW 48.30.140 and 48.30.150 shall not be construed in such a manner as to prevent any local governmental entity or organization of local government entities that is organized under section 4 of this act from engaging or contracting with an insurance agent or broker to purchase or obtain insurance on a fee basis.

Sec. 13. Section .01.05, chapter 79, Laws of 1947 as amended by section 1, chapter 13, Laws of 1975-'76 2nd ex. sess. and RCW 48.01.050 are each amended to read as follows:

"Insurer" as used in this code includes every person engaged in the business of making contracts of insurance, other than a fraternal benefit society. A reciprocal or interinsurance exchange is an "insurer" as used in this code. Two or more hospitals, as defined in RCW 70.39.020(3), which join and organize as a mutual corporation pursuant to chapter 24.06 RCW for the purpose of insuring or self-insuring against liability claims, including medical liability, through a contributing trust fund shall not be deemed an "insurer" under this code. Two or more local governmental entities, as defined in section 2 of this 1979 act, which pursuant to section 4 of this 1979 act or any other provision of law join together and organize to form an organization for the purpose of jointly self-insuring shall not be deemed an "insurer" under this code.

*Sec. 2 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 3. If any provision of this amendatory act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Passed the House June 1, 1979.

Passed the Senate June 1, 1979.

Approved by the Governor June 21, 1979, with the exception of Section 2 which is vetoed.

Filed in Office of Secretary of State June 21, 1979.

NOTE: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to one section of House Bill No. 191 entitled:

"AN ACT Relating to school district bonds;"

Section 2 of this bill would reduce the state's matching ratio for school district capital construction. Buildings are an integral part of an educational program and to reduce the state matching ratio for capital at the same time the state has increased its commitment to 100 percent of basic education operating costs would be inconsistent. In addition, decreasing the state's matching ratio for capital construction would increase property tax levies at a time when the Legislature has approved, and I have signed, several measures designed to decrease property taxes.

A major thrust of my administration has been to place the common schools on a sound financial basis and reduce property taxes as a primary source of support. To reduce the state's funding for school construction would be in conflict with my basic commitment to both goals. While I do not endorse buildings that are unnecessary, I believe the voters of the individual school districts are best able to judge the necessity for construction of school buildings when they cast their special levy votes.

With the exception of Section 2, which I have vetoed, the remainder of House Bill No. 191 is approved."

CHAPTER 258

[Substitute House Bill No. 574]

WATER SUPPLY FACILITIES—CONSTRUCTION—BOND ISSUE— APPROPRIATION

AN ACT Relating to state and local government and the support thereof; authorizing the issuance and sale of state general obligation bonds to provide for needed water supply facilities throughout the state; providing ways and means to pay the bonds; adding a new chapter to Title 43 RCW; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The development goals for the state of Washington must include the provision of those supportive public services necessary for the development and expansion of industry, commerce, and

employment, including the furnishing of an adequate supply of water for domestic and industrial purposes.

NEW SECTION. Sec. 2. For the purpose of providing funds for the planning, acquisition, construction, and improvement of water supply facilities within the state, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of ten million dollars or so much thereof as may be required to finance the improvements defined in this chapter and all costs incidental thereto. These bonds shall be paid and discharged within thirty years of the date of issuance. No bonds authorized by this chapter shall be offered for sale without prior legislative appropriation of the proceeds of such bonds to be sold.

NEW SECTION. Sec. 3. The proceeds from the sale of bonds authorized by this chapter, and any interest earned on the interim investment of the proceeds, shall be deposited in the state and local improvements revolving account—water supply facilities in the general fund and shall be used exclusively for the purpose specified in this chapter and for payment of the expenses incurred in the issuance and sale of the bonds.

NEW SECTION. Sec. 4. The proceeds from the sale of the bonds deposited in the state and local improvements revolving account—water supply facilities of the general fund under the terms of this chapter shall be administered by the state department of social and health services subject to legislative appropriation. The department may use or permit the use of any funds derived from the sale of bonds authorized under this chapter to accomplish the purpose for which the bonds are issued by direct expenditures and by grants or loans to public bodies, including grants to public bodies as matching funds in any case where federal, local, or other funds are made available on a matching basis for improvements within the purposes of this chapter.

NEW SECTION. Sec. 5. As used in this chapter, the term "water supply facilities" means municipal and industrial water supply and distribution systems including, but not limited to, all equipment, utilities, structures, real property, and interests in and improvements on real property, necessary for or incidental to the acquisition, construction, installation, or use of any municipal and industrial water supply or distribution system.

As used in this chapter, the term "public body" means the state of Washington, or any agency, political subdivision, taxing district, or municipal corporation thereof, an agency of the federal government, and those Indian tribes now or hereafter recognized as such by the federal government for participation in the federal land and water conservation program and which may constitutionally receive grants or loans from the state of Washington.

NEW SECTION. Sec. 6. The state finance committee shall prescribe the form, terms, conditions, and covenants of the bonds, the time or times of

sale of all or any portion of them, and the conditions and manner of their sale and issuance. None of the bonds authorized by this chapter shall be sold for less than their par value.

NEW SECTION. Sec. 7. When the state finance committee has decided to issue such bonds or a portion thereof, it may, pending the issuing of the bonds, issue, in the name of the state, temporary notes in anticipation of the money to be derived from the sale of such bonds, which notes shall be designated as "anticipation notes." Such portion of the proceeds of the sale of the bonds as may be required for such purpose shall be applied to the payment of the principal of and interest on the anticipation notes which have been issued. The bonds and notes shall pledge the full faith and credit of the state of Washington and shall contain an unconditional promise to pay the principal and interest when due. The state finance committee may authorize the use of a printed facsimile of the seal of the state of Washington in the issuance of the bonds and notes.

NEW SECTION. Sec. 8. The 1979 water supply facilities bond redemption fund is created in the state treasury. This fund shall be used for the payment of interest on and retirement of the bonds authorized by this chapter. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount needed in the ensuing twelve months to meet the bond retirement and interest requirements. Not less than thirty days prior to the date on which any interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the 1979 water supply facilities bond redemption fund an amount equal to the amount certified by the state finance committee to be due on the payment date.

If a state general obligation bond retirement fund is created in the state treasury by chapter ... (SB 2361 or HB 569), Laws of 1979 1st ex. sess., and becomes effective by statute prior to the issuance of any of the bonds authorized by this chapter, the state general obligation bond retirement fund shall be used for purposes of this chapter in lieu of the 1979 water supply facilities bond redemption fund, and the water supply facilities bond redemption fund shall cease to exist.

The owner and holder of each of the bonds or the trustee for the owner and holder of any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 9. The legislature may provide additional means for raising moneys for the payment of the principal and interest of the bonds authorized in this chapter, and this chapter shall not be deemed to provide an exclusive method for such payment.

NEW SECTION. Sec. 10. The bonds authorized by this chapter shall be a legal investment for all state funds or for funds under state control and for all funds of any other public body.

NEW SECTION. Sec. 11. Sections 1 through 10 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 12. There is appropriated to the state department of social and health services, from the state and local improvements revolving account out of the proceeds from the sale of bonds or notes authorized by this 1979 act, the sum of ten million dollars for grants to public bodies as state matching funds for the purpose of aiding in planning, acquisition, construction, and improvement of water supply facilities. This appropriation expires on June 30, 1981.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

The first aid vehicle license number shall be prominently displayed on each vehicle.

~~((A fee shall be established for vehicles operated by a first aid vehicle operator.))~~

Licensed first aid vehicles shall be inspected periodically by the secretary at the location of the first aid vehicle station. No less than sixty percent of the appropriated funds shall be disbursed in the form of grants under section 8 of this act.

Passed the Senate May 29, 1979.

Passed the House May 23, 1979.

Approved by the Governor June 25, 1979, with the exception of Sections 4 and 7 which are vetoed.

Filed in Office of Secretary of State June 25, 1979.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to two sections Substitute Senate Bill No. 2308 entitled:

"AN ACT Relating to emergency medical services;"

I have vetoed Sections 4 and 7 of Substitute Senate Bill No. 2308 which would have established regional Emergency Medical Services governing councils and delegated to them certain administrative duties. Existing state law already gives the Secretary of the Department of Social and Health Services sufficient authority to establish program advisory bodies where necessary to fulfill programmatic or federal funding requirements. Since federal funding for emergency medical services will be exhausted during the ensuing 1979/81 biennium, it is inadvisable to saddle

the state with a bureaucracy of regional Emergency Medical Services governing councils with delegated responsibilities to establish patient care guidelines, disburse grant funds and submit regional budget requests. It is more appropriate for the state agency (i.e. DSHS) to be responsible for producing statewide plans for Emergency Medical Services training and equipment after consultation with appropriate advisory bodies, including locally elected public officials.

With the exception of Sections 4 and 7, which I have vetoed, the remainder of Substitute Senate Bill No. 2308 is approved."

INSTITUTIONS OF HIGHER EDUCATION—TUITION AND FEE WAIVERS

AN ACT Relating to institutions of higher education; creating new sections; and adding new sections to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.15 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.15 RCW a new section to read as follows:

(1) The total dollar amount of tuition and fee waivers awarded by any state university, regional university, state college, or in the case of the state's community colleges, all of the community colleges considered as a whole, shall not exceed four percent of an amount determined by estimating the total collections from tuition, operating, and services and activities fees had no such waivers been made and deducting the portion of that total amount which is attributable to the difference between resident and nonresident fees: PROVIDED, That at least three-fourths of the dollars waived shall be for needy or disadvantaged students under the program authorized by RCW 28B.15.530.

(2) The limitation on total tuition and fee waivers shall apply only to the following programs:

(a) Waivers for needy or disadvantaged students as authorized by RCW 28B.15.530;

(b) Waivers for students enrolled in a course of study or program which will enable them to finish their high school education and obtain a high school diploma or certificate as authorized by RCW 28B.15.520;

(c) Scholarships or waivers for foreign students as authorized by RCW 28B.10.200 and in section 2 of this act: PROVIDED, That awards which are a part of a reciprocal placement program based on contracts with institutions in foreign countries shall be exempt from the limitation in subsection (1) of this section; and

(d) Tuition and fee waiver programs authorized by sections 2, 3 and 4 of this act.

NEW SECTION. Sec. 2. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.15 RCW a new section to read as follows:

The boards of trustees of the regional universities and The Evergreen State College, respectively, are authorized and empowered for the period beginning July 1, 1979 and ending June 30, 1983, to waive all or a part of the difference between the tuition, operating, and services and activities fees charged to resident students and the tuition, operating, and services and activities fees charged to nonresident students during each academic year for not more than twenty students at each institution who are citizens of foreign nations extending such benefits to Washington residents. Such waiver programs, to the greatest extent possible, shall promote reciprocal placements for Washington residents.

****NEW SECTION. Sec. 3. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.15 RCW a new section to read as follows:***

The boards of trustees or regents of each of the state's universities, regional universities, state colleges, and the various community colleges, consistent with regulations and procedures established by the state board for community college education, may waive, in whole or in part, the tuition, operating, and services and activities fees for resident students demonstrating exceptional educational ability or potential.

****Sec. 3. was vetoed, see message at end of chapter.***

NEW SECTION. Sec. 4. There is added to chapter 223, Laws of 1969 ex. sess., and to chapter 28B.15 RCW a new section to read as follows:

The boards of trustees of each of the community colleges may waive in whole or in part the tuition, operating, and services and activities fees for "displaced homemakers" as defined by section 3, chapter 73, Laws of 1979 ex. sess. (Senate Bill No. 2406).

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Passed the Senate June 1, 1979.

Passed the House June 1, 1979.

Approved by the Governor June 25, 1979, with the exception of Section 3 which is vetoed.

Filed in Office of Secretary of State June 25, 1979.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to Section 3, Substitute Senate Bill No. 2451 entitled:

"AN ACT Relating to institutions of higher education."

Section 3 allows fee waivers for students of exceptional educational ability or potential. This is a laudable idea, and one which I support in concept, but without a limiting clause it is subject to both abuse and unequal application. Therefore I feel that the only prudent course is to veto the section.

With the exception of Section 3, which I have vetoed, the remainder of SSB 2451 is approved."

CHAPTER 263

[Substitute Senate Bill No. 2504]

AGRICULTURAL WATER SUPPLY FACILITIES—APPROPRIATION

AN ACT Relating to agricultural water supply facilities; amending section 1, chapter 1, Laws of 1977 ex. sess. and RCW 43.83B.300; making an appropriation; creating new sections; adding a new section to chapter 87.03 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 1, chapter 1, Laws of 1977 ex. sess. and RCW 43.83B.300 are each amended to read as follows:

The legislature finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto, in order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during the summer and fall of 1977.

The legislature further finds that there is a continuing agricultural water supply shortage in many areas of the state and that, in relation to the lessening of that unsatisfactory condition, there is an urgent need to both improve water supply facilities and replace other such facilities.

In order to provide needed capital for the planning, acquisition, construction, and improvement of water supply facilities to withdraw and distribute water to alleviate ~~((emergency))~~ unsatisfactory water supply conditions arising from ~~((the drought forecast for the state of Washington during the summer and fall of 1977))~~ droughts occurring from time to time in the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

NEW SECTION. Sec. 2. There is appropriated to the department of ecology, for use under RCW 43.83B.210, the amount of sixteen million dollars for the biennium ending June 30, 1981, from the state emergency water projects revolving account: PROVIDED, That notwithstanding the criteria related to loans and grants contained in RCW 43.83B.210, not more than one hundred thousand dollars of the appropriation may be used for a loan or grant, or combination thereof, to the Cline Irrigation District, not more than one hundred thousand dollars of the appropriation may be used for a loan or grant, or combination thereof, to the Dungeness Irrigation District, not more than one hundred thousand dollars of the appropriation

may be used for a loan or grant, or combination thereof, to the Highland Irrigation District, not more than eight million two hundred seventy-six thousand dollars of the appropriation may be used for a loan or grant, or combination thereof, to the Yakima-Tieton Irrigation District, not more than two million four hundred forty-six thousand dollars of the appropriation may be used for a loan or grant, or combination thereof, to the Sunnyside Valley Irrigation District for the financing of water supply system improvement projects, not more than one million dollars of the appropriation may be used for a loan or grant, or combination thereof, to the Wenas Irrigation District, not more than four hundred twenty-five thousand dollars of the appropriation may be used for a loan or grant, or combination thereof, to the Icicle Irrigation District, not more than two hundred thousand dollars of the appropriation may be used for a loan or grant, or combination thereof, to the Agnew Irrigation District, and not more than five hundred thousand dollars of the appropriation may be used for a loan or grant to an agency of the United States for preparation of feasibility studies relating to a comprehensive water supply project designed to alleviate water shortages in the Yakima River Basin. Such studies shall include evaluation of impacts on fish, wildlife and other environmental features. RCW 43.83B.385 shall not apply to moneys appropriated in this section. ****Notwithstanding any other provisions of this section, no more than fifteen percent of the total state funds provided to any irrigation district by this 1979 act may be a grant, except that no more than fifty percent of the total state funds provided to the Wenas Irrigation District by this 1979 act may be a grant.***

***Sec. 3. was partially vetoed, see message at end of chapter.**

NEW SECTION. Sec. 3. Irrigation districts are authorized to enter into contracts with the department of ecology pertaining to loans or grants of funds authorized for allocation for construction and rehabilitation of irrigation water supply facilities to such districts by section 2 of this act, chapter 43.83B RCW, or any other provisions of this code. The construction and rehabilitation of irrigation water supply facilities shall include reasonable features to protect and enhance fish, wildlife, and other natural resources.

NEW SECTION. Sec. 4. There is added to chapter 87.03 RCW a new section to read as follows:

There may be created for each irrigation district a fund to be known as the upgrading and improvement fund. At least five percent of the revenue of each irrigation district may annually be placed into its upgrading and improvement fund. Monies from the upgrading and improvement fund may only be used to modernize, improve or upgrade the irrigation facilities of the irrigation district or to respond to an emergency affecting such facilities.

NEW SECTION. Sec. 5. If any provision of this 1979 amendatory act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate June 1, 1979.

Passed the House May 31, 1979.

Approved June 25, 1979, with the exception of the last sentence of Section 2, which is vetoed.

Filed in Office of Secretary of State June 25, 1979.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to an item contained in Section 2, Substitute Senate Bill No. 2504 entitled:

"AN ACT relating to agricultural water supply facilities; amending Section 1, Chapter 1, Laws of 1977 ex. sess., and RCW 43.83B.300; making an appropriation; creating new sections; adding a new section to Chapter 87.03 RCW; and declaring an emergency."

Section 2 of this bill delineates certain sums of money to be expended for loans and grants to various agencies. A proviso, however, added to the bill by House amendment adopted 5/12/79 and being part of line 7 and continuing through line 12 of page 3, Section 2 is a dramatic change from the legislative intent of the 1977 Act which stated "the grant portion for any single project shall not exceed fifteen percent of the total single project cost."

Changing the maximum grants amount to fifteen percent of "the total state funds" is a dramatic change in policy and appears to nullify earlier commitments arrived at between urban and agricultural interests.

Consequently, I have determined to veto the language contained in the last sentence of Section 2, page 3 of the bill.

With the exception of that portion of the bill that I have vetoed, the remainder of Substitute Senate Bill 2504 is approved."

CONSTRUCTION CONTRACTS—UNREASONABLE DELAY, DAMAGES WAIVER

AN ACT Relating to civil actions and proceedings; to exculpatory contractual provisions; adding new sections to chapter 4.24 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 4.24 RCW a new section to read as follows:

Any clause in a construction contract, as defined in section 2 of this 1979 act, which purports to waive, release, or extinguish the rights of a

contractor, subcontractor, or supplier to damages or an equitable adjustment arising out of unreasonable delay in performance which delay is caused by the acts or omissions of the contractee or persons acting for the contractee is against public policy and is void and unenforceable.

This section shall not be construed to void any provision in a construction contract, as defined in section 2 of this 1979 act, which (1) requires notice of delays, (2) provides for arbitration or other procedure for settlement, or (3) provides for reasonable liquidated damages.

NEW SECTION. Sec. 2. There is added to chapter 4.24 RCW a new section to read as follows:

"Construction contract" for purposes of section 1 of this 1979 act means any contract or agreement for the construction, alteration, repair, addition to, subtraction from, improvement to, or maintenance of, any building, highway, road, railroad, excavation, or other structure, project, development, or improvement attached to real estate, including moving and demolition in connection therewith.

NEW SECTION. Sec. 3. The provisions of section 1 of this act shall apply to contracts or agreements entered into after the effective date of this 1979 act.

Passed the Senate June 1, 1979.

Passed the House May 30, 1979.

Approved by the Governor June 25, 1979.

Filed in Office of Secretary of State June 25, 1979.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 19, chapter 1, Laws of 1973 as last amended by section 6, chapter 313, Laws of 1977 ex. sess. and RCW 42.17.190 are each amended to read as follows:

(1) Every legislator and every committee of the legislature shall file with the commission quarterly reports listing the names, addresses, and salaries of all persons employed by the person or committee making the filing for the purpose of aiding in the preparation or enactment of legislation or the performance of legislative duties of such legislator or committee during the

preceding quarter. The reports shall be made in the form and the manner prescribed by the commission and shall be filed between the first and tenth days of each calendar quarter: PROVIDED, That the information required by this subsection may be supplied, insofar as it is available, by the chief clerk of the house of representatives or by the secretary of the senate on a form prepared by the commission.

(2) Unless authorized by subsection (3) of this section or otherwise expressly authorized by law, no public funds ((~~shall~~)) may be used directly or indirectly for lobbying: PROVIDED, This ((~~shall~~)) does not prevent officers or employees of an agency from communicating with a member of the legislature on the request of that member; or communicating to the legislature, through the proper official channels, requests for legislative action or appropriations which are deemed necessary for the efficient conduct of the public business or actually made in the proper performance of their official duties: PROVIDED FURTHER, That this subsection ((~~shall~~)) does not apply to the legislative branch.

(3) Any agency, not otherwise expressly authorized by law, may expend public funds for lobbying, but such lobbying activity shall be limited to (a) providing information or communicating on matters pertaining to official agency business to any elected official or officer or employee of any agency or (b) advocating the official position or interests of the agency to any elected official or officer or employee of any agency: PROVIDED, That public funds ((~~shall~~)) may not be expended as a direct or indirect gift or campaign contribution to any elected official or officer or employee of any agency. For the purposes of this subsection, the term "gift" ((~~shall~~)) means a voluntary transfer of any thing of value without consideration of equal or greater value, but ((~~shall~~)) does not include informational material transferred for the sole purpose of informing the recipient about matters pertaining to official agency business: PROVIDED FURTHER, That this section ((~~shall~~)) does not permit the printing of a state publication which has been otherwise prohibited by law.

(4) Each (~~state agency which expends state funds for lobbying pursuant to an express authorization by law and each~~) state agency, county, city, town, municipal corporation, quasi-municipal corporation, or special purpose district which expends public funds for lobbying (~~pursuant to the authorization contained in subsection (3) of this section or whose officers or employees communicate on legislation directly affecting the agency to members of the legislature on request of any member or communicate to the legislature requests for legislation~~) shall file with the commission, except as exempted by subsection (4)(d) of this section, quarterly statements providing the following information for the quarter just completed:

(a) The name of the agency filing the statement;

(b) The name, title, and job description and salary of each elected official, officer, or employee (~~engaged in such activities~~) who lobbied, a general description of the nature of the ((activities)) lobbying, and the proportionate amount of time spent on the ((activities)) lobbying;

(c) (~~An itemized~~) A listing of ((any)) expenditures incurred by the agency for ((such activities)) lobbying including but not limited to travel, consultant or other special contractual services, and brochures and other publications, the principal purpose of which is to influence legislation;

(d) For purposes of subsection (4) of this section the term "lobbying" does not include:

(i) Requests for appropriations by a state agency to the office of financial management pursuant to chapter 43.88 RCW nor requests by the office of financial management to the legislature for appropriations other than its own agency budget requests;

(ii) Recommendations or reports to the legislature in response to a legislative request expressly requesting or directing a specific study, recommendation, or report by an agency on a particular subject;

(iii) Official reports including recommendations submitted to the legislature on an annual or biennial basis by a state agency as required by law;

(iv) Requests, recommendations, or other communication between or within state agencies or between or within local agencies;

(v) Any other lobbying to the extent that it includes:

(A) Telephone conversations or preparation of written correspondence;

(B) In-person lobbying on behalf of an agency of no more than four days or parts thereof during any three-month period by officers or employees of that agency and in-person lobbying by any elected official of such agency on behalf of such agency or in connection with the powers, duties, or compensation of such official: PROVIDED, That the total expenditures of nonpublic funds made in connection with such lobbying for or on behalf of any one or more members of the legislature or state elected officials or public officers or employees of the state of Washington do not exceed fifteen dollars for any three-month period: PROVIDED FURTHER, That the exemption under this subsection is in addition to the exemption provided in (A) of this subsection;

(C) Preparation or adoption of policy positions.

The statements shall be in the form and the manner prescribed by the commission and shall be filed within (~~thirty days~~) one month after the end of the quarter covered by the report.

(5) In lieu of reporting under subsection (4) of this section any county, city, town, municipal corporation, quasi municipal corporation, or special purpose district may determine and so notify the public disclosure commission, that elected officials, officers, or employees who on behalf of any such local agency engage in lobbying reportable under subsection (4) of this section shall register and report such reportable lobbying in the same manner

as a lobbyist who is required to register and report under RCW 42.17.150 and 42.17.170. Each such local agency shall report as a lobbyist employer pursuant to RCW 42.17.180.

(6) The provisions of this section ((shall)) do not relieve any elected official or officer or employee of an agency from complying with other provisions of this chapter, if such elected official, officer, or employee is not otherwise exempted.

(7) The purpose of this section is to require each state agency and certain local agencies to report the identities of those persons who lobby on behalf of the agency for compensation, together with certain separately identifiable and measurable expenditures of an agency's funds for that purpose. This section shall be reasonably construed to accomplish that purpose and not to require any agency to report any of its general overhead cost or any other costs which relate only indirectly or incidentally to lobbying or which are equally attributable to or inseparable from nonlobbying activities of the agency.

The public disclosure commission may adopt regulations clarifying and implementing this legislative interpretation and policy.

Sec. 2. Section 13, chapter 1, Laws of 1973 as amended by section 6, chapter 112, Laws of 1975-'76 2nd ex. sess. and RCW 42.17.130 are each amended to read as follows:

Facilities of public office or agency include, but are not limited to, use of stationery, postage, machines, and equipment, use of employees of the office or agency during working hours, vehicles, office space, publications of the office or agency, and clientele lists of persons served by the office or agency: PROVIDED, That the foregoing provisions of this section shall not apply to ((those)) the following activities:

(1) Action taken at an open public meeting by members of an elected legislative body to express a collective decision, or to actually vote upon a motion, proposal, resolution, order, or ordinance, or to support or oppose a ballot proposition so long as (a) any required notice of the meeting includes the title and number of the ballot proposition, and (b) members of the legislative body or members of the public are afforded an approximately equal opportunity for the expression of an opposing view;

(2) A statement by an elected official in support of or in opposition to any ballot proposition at an open press conference or in response to a specific inquiry;

(3) Activities which are part of the normal and regular conduct of the office or agency.

WATER POLLUTION CONTROL—FEDERAL COMPLIANCE

AN ACT Relating to water pollution control; and amending section 24, chapter 13, Laws of 1967 as amended by section 4, chapter 155, Laws of 1973 and RCW 90.48.260.

Be it enacted by the Legislature of the State of Washington:

Section 1. Section 24, chapter 13, Laws of 1967 as amended by section 4, chapter 155, Laws of 1973 and RCW 90.48.260 are each amended to read as follows:

The department of ecology is hereby designated as the State Water Pollution Control Agency for all purposes of the Federal Water Pollution Control Act as ~~((it now exists))~~ amended and is hereby authorized to participate fully in the programs of the act as well as to take all action necessary to secure to the state the benefits and to meet the requirements of that act. The powers granted herein include, among others, and notwithstanding any other provisions of chapter 90.48 RCW or otherwise, the following:

(1) Complete authority to establish and administer a comprehensive state point source waste discharge or pollution discharge elimination permit program which will enable the department to qualify for full participation in any national waste discharge or pollution discharge elimination permit system and will allow the department to be the sole agency issuing permits required by such national system operating in the state of Washington subject to the provisions of RCW 90.48.262(2). Program elements authorized herein may include, but are not limited to: (a) Effluent treatment and limitation requirements together with timing requirements related thereto; (b) applicable receiving water quality standards requirements; (c) requirements of standards of performance for new sources; (d) pretreatment requirements; (e) termination and modification of permits for cause; (f) requirements for public notices and opportunities for public hearings; (g) appropriate relationships with the secretary of the army in the administration of his responsibilities which relate to anchorage and navigation, with the administrator of the environmental protection agency in the performance of his duties, and with other governmental officials under the Federal Water Pollution Control Act; (h) requirements for inspection, monitoring, entry, and reporting; (i) enforcement of the program through penalties, emergency powers, and criminal sanctions; (j) a continuing planning process; and (k) user charges.

(2) The power to establish and administer state programs in a manner which will insure the procurement of moneys, whether in the form of grants, loans, or otherwise; to assist in the construction, operation, and maintenance of various water pollution control facilities and works; and the administering

of various state water pollution control management, regulatory, and enforcement programs.

(3) The power to develop and implement appropriate programs pertaining to continuing planning processes, area-wide waste treatment management plans, and basin planning.

The governor shall have authority to perform those actions required of him or her by the Federal Water Pollution Control Act.

***The enactment of this 1979 act does not extend the eligibility for or increase the amount of exemptions or credits available under chapter 82.34 RCW: PROVIDED, That this amendatory provision relating to tax exemptions or credits shall not apply to any facility eligible for a certificate as described in RCW 82.34.010 (5).**

*Section 1 was partially vetoed, see message at end of chapter.

Passed the House June 1, 1979.

Passed the Senate June 1, 1979.

Approved by the Governor June 25, 1979, with the exception of the last two sentences of Subsection (3) of Section 1 which are vetoed.

Filed in Office of Secretary of State June 25, 1979.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to the two last sentences in Subsection (3) Section 1 of House Bill 433 entitled:

"AN ACT Relating to water pollution control; amending section 24, Chapter 13, Laws of 1967 as amended by section 4, Chapter 155, Laws of 1973 and RCW 90.48.260."

House Bill 433 was and is for the single purpose of authorizing the department of ecology to participate in the Federal Water Pollution Control Act as "amended"; this single word, plus an added "or her" in line 23, is all that was deemed necessary to allow the state to carry out the dictates of the federal law. The addition of your two sentences:

"The enactment of this 1979 act does not extend the eligibility for or increase the amount of exemptions or credits available under chapter 82.34 RCW: PROVIDED, That this amendatory provision relating to tax exemptions or credits shall not apply to any facility eligible for a certificate as described in RCW 82.34.010 (5).",

do nothing to further this authorization and in fact involves an entirely different subject. The inclusion of these sentences may also be construed to amend a separate law by reference, clearly which is prohibited by the state's constitution.

I veto this part not because I'm not in sympathy with the legislature in what your intentions were but simply because I feel these provisions introduce separate subjects that are inconsistent with the purpose of the bill and that if allowed to become law will surely lead to much misinterpretation and possible litigation.

With the exception of the last two sentences of Subsection (3) of Section 1, which I have vetoed, the remainder of House Bill 433 is approved."

**NEW SECTION. Sec. 198. FOR THE ARTS COMMISSION—
ART WORK ALLOWANCE**

In accordance with RCW 43.17.200, all state agencies or departments shall expend, as a nondeductible item, out of any moneys appropriated for the original construction of any state building, an amount of one-half of one percent of the appropriation for the acquisition of works of art which may be an integral part of the structure, attached to the structure, detached within or outside of the structure, or can be exhibited by the agency in other public facilities. In case the amount shall not be required in toto or in part for any project, such unrequired amounts may be accumulated and expended for art in other projects of the agency. For the purpose of this section, "building" does not include highway construction sheds, warehouses, or other buildings of a temporary nature.

NEW SECTION. Sec. 199. *The director of general administration shall transfer to the department of social and health services the facility known as Northern State Hospital, along with all attached real estate under the jurisdiction of the department of general administration.

*Section 199 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 200. Notwithstanding the provisions of chapter 82, Laws of 1973 1st ex. sess., the house of representatives, the senate, and the permanent statutory committees shall pay expenses quarterly to the department of general administration facilities and services revolving fund for services rendered by the department for operations, maintenance, and supplies relating to buildings, structures, and facilities utilized by the legislature for the biennium beginning July 1, 1979.

NEW SECTION. Sec. 201. The word "agency" used herein means and includes every state government office, officer, each institution, whether educational, correctional, or other, and every department, division, board, and commission, except as otherwise provided in this act.

The phrase "agencies headed by elective officials" used herein means those executive offices or departments of the state which are directly supervised, administered, or controlled by the governor, lieutenant governor, secretary of state, treasurer, auditor, attorney general, superintendent of public instruction, commissioner of public lands, or insurance commissioner, but it does not include those boards, commissions, or committees on which one or more of the above-mentioned officials serve.

NEW SECTION. Sec. 202. In order to carry out the provisions of these appropriations and the state budget, the director of the office of financial management, with the approval of the governor, may:

(1) Allot all or any portion of the funds herein appropriated or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: **PROVIDED**, That the director of the office of financial management shall not alter allotment requests filed with him, nor shall he place in reserve any funds, for the following: Washington State Apple Advertising Commission; Washington State Fruit Commission; Washington Dairy Products Commission or any agricultural commodity commission created under chapter 15.66 RCW; the legislative branch of state government including the legislative budget committee, the statute law committee, and any legislative committee; or the judicial branch of state government: **PROVIDED FURTHER**, That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. It shall be unlawful for any officer or employee to incur obligations in excess of approved appropriations or to incur a deficiency and any obligations so made shall be deemed invalid. Nothing in this section or in chapter 328, Laws of 1959, shall prevent revisions of any allotment when necessary to prevent the making of expenditures under appropriations in this act in excess of available revenues;

(2) Issue rules and regulations to establish uniform standards and business practices throughout the state service, including regulation of travel by officers and employees and the conditions under which per diem shall be paid, so as to improve efficiency and conserve funds;

(3) Prescribe procedures and forms to carry out the above; and

(4) Allot funds from appropriations in this act in advance of July 1, 1979, for the sole purpose of authorizing agencies to order goods, supplies, or services for delivery after July 1, 1979: **PROVIDED**, That no expenditures may be made from the appropriations contained in this act, except as otherwise provided, until after July 1, 1979.

NEW SECTION. Sec. 203. In the event that receipts are less than those appropriated in the budget from any source, expenditures shall be limited to the amount received and allotments made as provided in section 202 of this act. Receipts for purposes of this section include amounts realized within one calendar month following the close of a fiscal period and applicable to expenditures of that period. The amount of such payment shall be credited to and shall be treated for all purposes as having been collected during the fiscal period.

NEW SECTION. Sec. 204. State funds appropriated for the specific purpose of matching federal funds and which are not required wholly or in part to qualify for such federal funds shall be placed in reserve and shall revert to the fund from which appropriated at the end of the respective fiscal year.

****NEW SECTION. Sec. 205. Any programs which are supported in whole or in part by federal funds shall not receive any additional state funds for the programs in the event that federal funds are reduced or eliminated for the program.***

***Section 205 was vetoed, see message at end of chapter.**

NEW SECTION. Sec. 206. Unless otherwise provided for by this act with respect to any specific agency, program, or revenue source, any receipts from federal or other sources, or from gifts or grants, in excess of estimates for the budget expenditures as approved by the legislature and which are not otherwise available for general governmental purposes, may be received and allotted by the governor in accordance with RCW 43.79.260 through 43.79.282.

NEW SECTION. Sec. 207. If a scheduled program or project funded by the appropriations contained in this act has not been fully implemented during any quarter of the respective fiscal year, then the office of financial management shall withhold the equivalent amount of the appropriation and full time equivalent staff years from such program or project and shall place the same in reserve.

NEW SECTION. Sec. 208. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation therefor.

NEW SECTION. Sec. 209. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed by other than general fund moneys, the director of the office of financial management shall direct the repayment of such allocated amount to the general fund from any balance in the fund or funds which finance such agency. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 210. In addition to the amounts appropriated in this act for revenue for distribution, bond retirement and interest, and interest on registered warrants, there is also appropriated such further amounts as may be required or available for these purposes under any statutory formula or under any proper bond covenant made in accordance with law.

NEW SECTION. Sec. 211. Amounts received by an agency as reimbursements pursuant to RCW 39.34.130 shall be considered as returned loans of materials supplied or services rendered. Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the director of the office of financial management, which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services, and such restrictions as will promote

more economical operations of state government without incurring continuing costs beyond those reimbursed.

NEW SECTION. Sec. 212. The chairmen of the senate committee on ways and means and the house appropriations committee shall review monthly reports of state agency expenditures prepared by the legislative evaluation and accountability program and shall advise their respective committee members of substantial deviations from an agency's allotment expenditure plan. The chairmen may request from an agency, or the office of financial management, such information as may be necessary to determine the reasons for such deviations.

NEW SECTION. Sec. 213. The office of financial management shall place in reserve status 3% of the general fund—state appropriations contained in this act. Such moneys shall remain in reserve status and may not be authorized for expenditure through the allotment process in any fiscal quarter unless the governor determines that projected economic conditions warrant additional expenditures: **PROVIDED,** That for institutions of higher education the requirements of this section are in addition to any enrollment reserve requirements set forth in section 214 of this act.

The provisions of this section shall not apply to sections 34, 38, or 100 of this act.

NEW SECTION. Sec. 214. In accordance with the provisions of this section, the office of financial management shall use the allotment process during the 1979–81 biennium to control the funding of the formula portion of the instruction services program of all the institutions of higher education. For the purpose of the controls outlined in this section, deviations in the formula entitlements for faculty staffing shall be the controlling factor for the four–year institutions of higher education while full time equivalent student enrollment will be the controlling factor for the community college system. For the purpose of this section, the "contract level" is defined as the level upon which the budget is based, and the "base level" is defined as the level corresponding to the prior year's actual enrollment level. Controls shall be applied to each four–year institution separately and to the community college system as a total entity. "Growth funding" is defined as that portion of the state general fund appropriation by which the contract level exceeds the base level. Growth funds may be allotted or placed in reserve at the option of the institution or system. Unearned growth funds will be reverted to the state general fund prior to the end of the fiscal year in which such growth fails to materialize. If The Evergreen State College's enrollments for the first year of the biennium exceed the contract level, additional funding will be considered. Olympia Technical Community College shall not become comprehensive and shall offer only courses essential to vocational education. Expenditures shall be authorized for the rental of off–campus classroom facilities by community college district number twelve when such rentals

would not reduce the current utilization of facilities already constructed on either of its campuses.

Reversions are not required when an institution's faculty formula entitlement as generated by actual enrollment, or in the case of the community colleges the actual annual average full time equivalent student enrollment, is within a set range of the contracted level. The allowable tolerances are as follows: University of Washington, Washington State University, and the community colleges as a system, 1 percent; Central Washington University, Eastern Washington University, and Western Washington University, 2 percent; and The Evergreen State College, 3 percent.

Contract enrollments for the second year of the biennium will be renegotiated if the first year's actual enrollment falls below the base level of the first year of the biennium.

NEW SECTION. Sec. 215. Real property leases with purchase options are prohibited without prior legislative approval.

NEW SECTION. Sec. 216. It is the expressed intention of the legislature that agency operational activity shall be regularly monitored by the office of financial management, under its statutory authority relating to the allotment control function, in order to limit fluctuations in the respective fiscal year spending patterns which tend to inflate the expenditures in the second fiscal year of the biennium. Particular control emphasis shall be placed on those instances in which the full time equivalent staff years authorization is deliberately delayed in order to increase the agency's full time equivalent staff years as substantiation for the second fiscal year of the ensuing biennial request. Unanticipated receipts, which are authorized by the governor and expended by any state agency, shall be allotted, monitored, and controlled.

NEW SECTION. Sec. 217. The superintendent of public instruction and the director of the state board for community college education, in conjunction with the director of the office of financial management, shall develop rules and regulations directing placement of local educational units' employees with nonstandard teaching certificates on the state-wide education and experience schedules.

NEW SECTION. Sec. 218. Any rate increases proposed for the legal services revolving fund or the general administration facilities and services revolving fund, or any change in the method of calculating changes from those funds, shall be subject to approval by the director of the office of financial management prior to implementation.

NEW SECTION. Sec. 219. To obtain maximum interagency use of aircraft, the aeronautics division in the department of transportation, in accordance with chapter 39.34 RCW, is hereby authorized to lease, purchase,

or otherwise acquire suitable aircraft which shall be utilized for the purposes of the department of transportation and also by other state agencies which have a need for an aircraft to carry out agency assigned responsibilities: PROVIDED, That the department of transportation is further authorized to enter into contractual agreements with other state agencies in order to acquire aircraft, establish rental rates for aircraft under their control, provide pilot services, aircraft maintenance, and make such other provisions as necessary to provide aircraft and related services for multi-agency use: PROVIDED FURTHER, That in order to achieve economy in the use of the appropriations contained within this act, no state agency may purchase or otherwise acquire an aircraft or enter into a flying service or aircraft rental contract without first seeking such service from the department of transportation and without prior approval of the director of the office of financial management.

NEW SECTION. Sec. 220. If any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act; the rules and regulations under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

****NEW SECTION. Sec. 221. State agencies shall not receive or make a contractual agreement to receive any donation of real property or an interest therein which commits the agency to assume on a current basis or request at a future time appropriated funds for operating, development, or acquisition costs without prior approval of the legislative budget committee or the senate ways and means committee and house appropriations committee if the legislature is in session.***

****Section 221 was vetoed, see message at end of chapter.***

NEW SECTION. Sec. 222. Any capital improvements or capital project involving construction or major expansion of a state office facility, to include district headquarters, detachment offices, and off-campus faculty offices shall be reviewed by the department of general administration for possible consolidation and compliance with state office standards prior to allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

****NEW SECTION. Sec. 224. Expenditure of moneys appropriated by section 174 of this act shall be made in consultation with the prior approval of the state capitol committee in accordance with the provisions of chapter 79.24 RCW. In addition, the department of general administration shall consult with and obtain the approval of the joint legislative committee on capitol facilities prior to expenditure of moneys appropriated by this section on projects involving capitol buildings occupied wholly or in part by the legislature.***

****Section 224 was vetoed, see message at end of chapter.***

NEW SECTION. Sec. 225. To effectively carry out the provisions of this act, the governor may assign responsibility for planning, engineering, construction, and other related activities to any appropriate agency.

NEW SECTION. Sec. 226. Reappropriations shall be limited to the unexpended balances remaining June 30, 1979, in the current appropriation for each project.

NEW SECTION. Sec. 227. Notwithstanding any other provisions of law, for the 1981-83 biennium, state treasurer transfers of reimbursement to the general fund from the community college capital projects account for debt service payments made under the provisions of Title 28B RCW shall occur only after such debt service payment shall have been made and only to the extent that funds are actually available in the account. Any unpaid reimbursements shall be a continuing obligation against the community college capital projects account until paid. Beginning with the 1979-81 biennium, the state board for community college education need not accumulate any specific balance in the community college capital projects account in anticipation of transfers to reimburse the general fund.

NEW SECTION. Sec. 228. The governor, through the director of the office of financial management, may authorize a transfer of appropriation authority provided for a capital project which is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer shall be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects which are funded from the same fund or account.

Nothing in this section shall prevent the governor, through the director of the office of financial management, from authorizing the transfer of appropriation authority for capital projects for the parks and recreation commission, department of fisheries, department of game, department of natural resources, and the interagency committee for outdoor recreation which utilize the following funds: General Fund—ORA (Ref. 28), General Fund—ORA (Ref. 18), General Fund—ORA (Int. 215), and General Fund—ORA (LWCF). The governor, through the director of the office of financial management, may authorize similar transfers which utilize General Fund—ORA (HJR 52) funds, but only with the prior approval of the senate ways and means committee and the house appropriations committee if the legislature is in session, or the legislative budget committee if the legislature is not in session. Such transfers shall only be made to maximize the use of the funds within the limits of the appropriations.

A report of any transfer effected under this section shall be filed with the legislative auditor by the director of the office of financial management within thirty days of the date the transfer is effected. The legislative auditor shall review and compile these filings and periodically report thereon to the legislative budget committee and the appropriate standing committees of the house and senate.

NEW SECTION. Sec. 229. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 230. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1979.

Passed the House May 31, 1979.

Passed the Senate May 29, 1979.

Approved by the Governor June 25, 1979, with the exception of certain items and sections which I have vetoed.

Filed in Office of Secretary of State June 25, 1979.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to certain sections and items House Bill No. 516 entitled:

"AN ACT Adopting the budget; making appropriations and authorizing expenditures for the operations of state agencies for the fiscal biennium beginning July 1, 1979, and ending June 30, 1981; making appropriations and authorizing expenditures for capital improvements; authorizing certain projects; designating effective dates for certain appropriations; providing an effective date; and declaring an emergency."

The specific items and sections which I have vetoed are as follows:

1. Insurance Contributions

On pages 7 and 8, I have vetoed the proviso contained in subsection (14)(2)(g) which provides "that the funds contained in this subsection (2)(g) and (e) shall be expended exclusively for the maintenance of the level of health benefits being provided on the effective date of this act." This limit on employee benefits is inconsistent and possibly in direct conflict with the provisions of subsection (i). Subsection (i) was added to provide a means whereby benefits could be improved if funds were available. It would be impossible to distinguish between the funds referenced in subsections 14(2)(g) and (2)(e) and those in other sections of the bill. Therefore, any refunds or dividends used to improve benefits could well be in conflict with the proviso.

2. Military Department

On page 22, Section 50, I have vetoed subsection (1) which reads "No general fund moneys shall be expended for administration, operation or maintenance of the Washington State Guard."

I am vetoing this subsection because I believe that the State Guard is an important element of the total Military Department operations. It is essential that continuity exist in the State Guard if it is to be effective in time of emergency. The prohibition on using general fund money might very well impair the operation of the Washington State Guard.

3. Department of Social and Health Services — Developmental Disabilities

On page 28, Section 56 I have vetoed subsection (5) which directs that "\$120,000 shall be used to provide protection and advocacy services for the handicapped."

The budget already contains \$100,000 in federal funds for a protection and advocacy system for the developmentally disabled. An additional \$78,000 in state funds is included for legal services. It is inappropriate to divert state funding from direct services to establish a separate and duplicative advocacy function.

If there is truly a need for increased client advocacy, it should be funded from the private sector. An advocacy system ideally operates as an intermediary between the individual client and

the service provider. It creates an inherent conflict of interest to expect the state, as primary service provider, also to fund significant advocacy activities.

4. Department of Social and Health Services — Income Maintenance Grants Program

On page 32, Section 59, I have vetoed subsection (4) which provides that

"\$6,646,000 from state funds shall be expended for noncontinuing general assistance except that after the recipient has been determined eligible for such assistance for six consecutive weeks, the recipient's grant will be equivalent to two times the food only standard plus twenty dollars."

The General Assistance–noncontinuing program is designed to provide temporary assistance to those individuals who will become employed or who will be found eligible for other state or federal assistance programs. I am therefore requesting the Secretary, DSHS to review the General Assistance–Unemployable portion of the caseload to see if these persons can be provided help and needed services.

5. Department of Social and Health Services — Community Social Health Services Grants

On pages 33, 34, and 35, I have vetoed subsections one through three of Section 60. The stricken language provides that specified amounts shall be expended for vendor rate increases, child day care payments, and adult chore services. Given my commitment to improve conditions for senior citizens, and the difficulty associated with a precise determination of need and cost at this early time, I find it necessary to veto provisions that impose both upper and lower spending limits on a major portion of the funding for the Community Social Services program. It should be understood, however, that I strongly support the intent conveyed in these sections and as a consequence, will direct the DSHS to develop a spending plan that will reflect the purpose of the legislature and my own concerns regarding the provision of services to the elderly.

6. Department of Social and Health Services — Public Health Program

On page 36, Section 62, I have vetoed subsection (3):

"Not less than \$674,000 (of which \$506,000 shall be from federal funds) and 42 FTE staff years shall be spent for administration of the early periodic screening, testing, diagnosis, and treatment program (EPSDT)."

"(a) Local offices are to provide outreach for the EPSDT program.

(b) The department shall develop a screening/billing form to be used by EPSDT providers as a requirement for payment.

(c) The department shall develop a reporting system which will enable follow-up to the EPSDT diagnosis and treatment process.

(d) 2 FTE's shall be used by the department for the coordination and management of the EPSDT program."

In this subsection the legislature is setting forth detailed instructions in how to manage the early, periodic, screening, diagnosis, and treatment program. This unduly intrudes upon the role of the Executive Branch.

7. Department of Social and Health Services — Community Services Administration

On page 38, Section 65, I have vetoed subsection (3) which directs that "...not more than 306 FTE staff years and \$13,844,000 (of which \$8,901,000 shall be from federal funds) shall be utilized in the medical assistance administration program." One of the major initiatives in the Medical Assistance program is to contain costs through expanded surveillance and utilization review activities; this may require added staff within the available funds. The proviso unnecessarily restricts the department in this area since it does not allow for full implementation of cost — containment initiatives in this program.

8. Donations of Real Estate

I have vetoed Section 85(2) on page 46, Section 90(3) on pages 48 and 49, and Section 221 on page 166. In each of these instances, agencies are restricted from receiving or making contractual agreements to receive any donation of real property which commits the agency to future operating, development, or acquisition costs without prior approval of the Legislative Budget and/or House Appropriations and Senate Ways and Means Committees.

I believe that this language is excessively restrictive, will generate serious delays in the acquisition and management of public lands, and may discourage future donations. On the other hand the provisos reflect a legitimate legislative concern in an area that needs improved control. Accordingly, I have directed the Office of Financial Management to conduct a thorough review of real property acquisition policies by state agencies, and to propose statutory language changes, where appropriate, to the next legislative session.

9. Board of Education — Superintendent of Public Instruction

On page 156, Section 196, I have vetoed all of the language starting on line 25 and concluding on line 54. This language would restrict the application of state Board of Education rules governing the K-12 capital program. The unprecedented level of construction demand, and erratic nature of the dedicated fund source, make retention of state board administrative prerogatives essential. In addition, the proviso language improperly modifies a substantive statute, RCW 28A.47.802, that provides the board members necessary authority to accommodate changing conditions.

10. Northern State Hospital Transfer

I have vetoed Section 199 on page 159 which reads as follows: "The director of general administration shall transfer to the department of social and health services the facility known as Northern State Hospital, along with all attached real estate under the jurisdiction of the department of general administration."

At present, several agencies are housed in the facilities at Northern State Hospital, including the Department of Social and Health Services. I believe that it is in the best interest of the state for the Department of General Administration to manage multi-purpose real estate.

11. Federal Funds Loss

I have vetoed Section 205, page 161. This section requires that no additional state funds be provided to programs supported in whole or in part by federal funds, in the event that the program's anticipated federal funds are reduced or eliminated. This kind of provision is appropriate for programs that are wholly dependent upon federal funding, but many worthy activities do not fall into this category.

The state continually looks for ways to use available federal monies for expenses that would otherwise be funded from state sources. If anticipated federal funds do not materialize, there must be the capability to provide for essential programs from state funds.

12. Capitol Facilities

I have vetoed Section 224 on pages 168 and 169 which reads as follows:

"Expenditure of moneys appropriated by Section 174 of this act shall be made in consultation with the prior approval [sic] of the state capitol committee in accordance with the provisions of Chapter 79.24 RCW. In addition, the department of general administration shall consult with and obtain the approval of the joint legislative committee on capitol facilities prior to expenditure of moneys appropriated by this section on projects involving capitol buildings occupied wholly or in part by the legislature.

Cooperation with the Capitol Committee and the Joint Legislative Committee on Capitol Facilities is appropriate and I will direct General Administration to consult with these committees. However, the section if allowed to stand, would unduly restrict the executive branch in its responsibility to complete the capitol projects in an efficient and timely manner.

With the exception of the foregoing sections and items which I have vetoed for the reasons stated, the remainder of House Bill No. 516 is approved."

- INITIATIVE TO THE LEGISLATURE NO. 33 (No caption written)**--Filed July 1, 1966 by George A. Guilmet of Edmonds. This was a proposed memorial to Congress concerning "the ending of the war now being waged by the United States Government and its armed forces in Vietnam and Southeast Asia." However, the office of the attorney general reversed its position in that a similar measure was filed in 1952 (Initiative to the Legislature No. 18) and declined to issue a ballot title on the grounds that the subject matter was not a proper subject to fall within the scope of the initiative procedure. As a consequence, the secretary of state returned the measure and filing fee to the sponsor.

*Term "Failed to pass" indicates sponsor of Referendum was successful in attempt to prevent measure from becoming effective law.

REFERENDUM MEASURES

As of June 24, 1963, it was discovered that all such signature petition sheets had been stolen. However, two days later (June 26, 1963), Secretary of State Victor A. Meyers certified Referendum Measure No. 34 to the respective county auditors with direction that said measure appear upon the November 3, 1964 state general election ballot in spite of the fact that the signatures had been stolen. Such action was justified upon the grounds that the sponsor of said referendum had filed 82,995 signatures when only 48,630 valid signatures were needed. On July 22, 1963 the Amusement Association of Washington brought court action against the Secretary of State challenging the certification of Referendum Measure No. 34.

On July 22, 1963, the Thurston County Superior Court ruled that the Secretary of State had acted properly under the circumstances. On March 26, 1964, the State Supreme Court sustained the Thurston County Superior Court by likewise ruling that the Secretary of State's certification was valid.

Measure then submitted to the voters at the state general election held on November 3, 1964. ***Failed to pass** by the following vote: **For**--505,633 **Against**--622,987. **As a consequence, Chapter 37, Laws of 1963 did not become law.**

Signatures (81,146) filed June 6, 1967 and found sufficient. Measure submitted to the voters for decision at the November 5, 1968 state general election. Measure passed by the following vote: **For**--580,578 **Against**--276,161. Consequently, the attempt by the sponsors of this referendum to negate the open housing provision of Chapter 22, Laws of 1967 was unsuccessful.
