WAC 1-21-008   Electronic filing. Agencies are encouraged to use the office of the code reviser's electronic filing system for the filing of documents to be published in the Washington State Register.

(1) To participate in electronic filing, agencies must first complete and submit a physical copy of the registration letter for electronic filing which may be found at the office of the code reviser website in the *Washington State Register* section (http://leg.wa.gov/CodeReviser/Pages/E-Filing.aspx). The agency must designate a contact person, phone number, and the email address that will receive all official stamped filings returned by the office of the code reviser. Only one registration per agency.

(2) To file electronically, agencies submit only Word documents (CR forms or agency typed documents) and .pdfs of rules text prepared by a typing service (provided by our office), if applicable, to EFileWSR@leg.wa.gov. Submit only one filing per email (one filing may have multiple attachments). Documents in alternative formats will not be accepted. Required signatures must be affixed to the Word documents where applicable. After submitting an email to the electronic filing system, you will receive an automatically generated reply sent from the electronic filing system to confirm that your email was received. **IMPORTANT:** If you do not receive this auto-generated reply within a matter of minutes, please contact the office of the code reviser *immediately* by phone to ascertain if the electronic filing system is not functioning properly. **DO NOT** resend your document(s) until instructed to do so by code reviser staff.

(3) If the agency needs to correct or withdraw submitted document(s) before that filing has been published, contact the office of the code reviser's editor or assistant editor immediately by phone or by email. **IMPORTANT:** Do not send regular correspondence or questions to the electronic filing email address. For corrections to efilings or withdrawals from publication, please contact the office of the code reviser by phone for guidance on how to proceed.

(4) Electronic filings must be received by our office by noon on the cut-off date for inclusion in a particular issue. Filings received at 12:01 p.m. or later on the date of cutoff will appear in the next issue and hearing and adoption dates may need to be delayed so the agency is in compliance with the Administrative Procedure Act.

(5) If you do not receive the official stamped copy from the office of the code reviser by 9:00 a.m. on the day after submitting your document(s), contact the office of the code reviser by phone to inquire.

WAC 1-21-010   Preproposal statement of inquiry. This

You must submit the Word version electronically to EFileWSR@leg.wa.gov or submit the original, plus a minimum of three copies, in person or by mail. The filing will appear in the Washington State Register in accordance with the schedule provided in WAC 1-21-040. The filing will appear in the Washington State Register in accordance with the schedule provided in WAC 1-21-040.
