[1969 ex.s. c 95 § 11.]

35.33.091 Emergency expenditures—Other emergencies—Hearing. If a public emergency which could not reasonably have been foreseen at the time of filing the preliminary budget requires the expenditure of money not provided for in the annual budget, and if it is not one of the emergencies specifically enumerated in RCW 35.33.081, the city or town legislative body before allowing any expenditure therefor shall adopt an ordinance stating the facts constituting the emergency and the estimated amount required to meet it and declaring that an emergency exists.

Such ordinance shall not be voted on until five days have elapsed after its introduction, and for passage shall require the vote of one more than the majority of all members of the legislative body of the city or town. [1969 ex.s. c 95 § 14.]

35.33.107 Adjustment of wages, hours and conditions of employment. Notwithstanding the appropriations for any salary, or salary range of any employee or employees adopted in a final budget, the legislative body of any city or town may, by ordinance, change the wages, hours, and conditions of employment of any or all of its appointive employees if sufficient funds are available for appropriation to such purposes. otherwise ordered by a court of competent jurisdiction, and subject to further limitations imposed by ordinance of the city or town, the expenditure of city or town funds or the incurring of current liabilities on behalf of the city or town shall be limited to the following:

(1) The total amount appropriated for each fund in the budget for the current fiscal year, without regard to the individual items contained therein, except that this limitation shall not apply to wage adjustments authorized by RCW 35.33.107; and

(2) The unexpended appropriation balances of a preceding budget which may be carried forward from prior fiscal years pursuant to RCW 35.33.151; and

(3) Funds received from the sale of bonds or warrants which have been duly authorized according to law; and

(4) Funds received in excess of estimated revenues during the current fiscal year, when authorized by an ordinance amending the original budget; and

(5) Expenditures required for emergencies, as authorized in RCW 35.33.081 and 35.33.091.

Transfers between individual appropriations within any one fund may be made during the current fiscal year by order of the city's or town's chief administrative officer subject to such regulations, if any, as may be imposed by the city or town legislative body. Notwithstanding the provisions of RCW 43.09.210 or of any statute to the contrary, transfers, as herein authorized, may be made within the same fund regardless of the various offices, departments or divisions of the city or town which may be affected.

The city or town legislative body, upon a finding that it is to the best interests of the city or town to decrease, revoke or recall all or any portion of the total appropriations provided for any one fund, may, by ordinance, approved by the vote of one more than the majority of all members thereof, stating the facts and findings for doing so, decrease, revoke or recall all or any portion of an unexpended fund balance, and by said ordinance, or a subsequent ordinance adopted by a like majority, the moneys thus released may be reappropriated for another purpose or purposes, without limitation to department, division or fund, unless the use of such moneys is otherwise restricted by law, charter, or ordinance. [1969 ex.s. c 95 § 17.]

35.33.125 Liabilities incurred in excess of budget. The clerk shall issue no warrant and the city or town legislative body or other authorized person shall approve no claim for an expenditure in excess of the total amount appropriated for any individual fund, except upon an order of a court of competent jurisdiction or for emergencies as provided in this chapter. [1969 ex.s. c 95 § 18.]

35.33.131 Funds received from sale of bonds and warrants—Expenditure program. Moneys received from the sale of bonds or warrants shall be used for no other purpose than that for which they were issued and no expenditure shall be made for that purpose until the bonds have been duly authorized. If any unexpended fund balance remains from the proceeds realized from the bonds or warrants after the accomplishment of the purpose for which they were issued it shall be used for the redemption of such bond or warrant indebtedness. Where a budget contains an expenditure program to be financed from a bond issue to be authorized thereafter, no such expenditure shall be made or incurred until after the bonds have been duly authorized. [1969 ex.s. c 95 § 19.]

35.33.135 Revenue estimates—Amount to be raised by ad valorem taxes. At a time fixed by the city's or town's ordinance or city charter, not later than the first Monday in October of each year, the chief administrative officer shall provide the city's or town's legislative body with current information on estimates of revenues from all sources as adopted in the budget for the current year, together with estimates submitted by the clerk under RCW 35.33.051. The city's or town's legislative body and the city's or town's administrative officer or his designated representative shall consider the city's or town's total anticipated financial requirements for the ensuing fiscal year, and the legislative body shall determine and fix by ordinance the amount to be raised by ad valorem taxes. Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the board of county commissioners as required by RCW 84.52.020. [1969 ex.s. c 95 § 20.]

35.33.141 Report of expenditures and liabilities against budget appropriations. At such intervals as may be required by city charter or city or town ordinance, however, being not less than quarterly, the clerk shall submit to the city's or town's legislative body and chief administrative officer a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding reporting period and like information for the whole of the current fiscal year to the first day of the current reporting period together with the unexpended balance of each appropriation. The report shall also show the receipts from all sources. [1969 ex.s. c 95 § 21.]

35.33.145 Contingency fund—Creation—Purpose—Support—Lapse. Every city or town may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in RCW 35.33.081 and 35.33-.091. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in RCW 35-.33.121: Provided, That the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city or town at such time. Any moneys in the contingency fund at the
end of the fiscal year shall not lapse except upon reappropria-
tion by the council to another fund in the adoption of a subse-
quent budget. [1973 1st ex.s. c 195 § 21; 1969 ex.s. c 95 § 22.]

No money shall be withdrawn from the contingency fund except by transfer to the appropriate operating fund authorized by a resolution or ordinance of the legislative body of the city or town, adopted by a majority vote of the entire legislative body, clearly stating the facts constituting the reason for the withdrawal or the emergency as the case may be, specifying the fund to which the withdrawn money shall be transferred. [1969 ex.s. c 95 § 23.]

35.33.151 Unexpended appropriations. All appropriations in any current operating fund shall lapse at the end of each fiscal year: Provided, That this shall not prevent payments in the following year upon uncom-
pleted programs or improvements in progress or on or-
ders subsequently filled or claims subsequently billed for the purchase of material, equipment and supplies or for personal or contractual services not completed or fur-
nished by the end of the fiscal year, all of which have been properly budgeted and contracted for prior to the close of such fiscal year but furnished or completed in due course thereafter.

All appropriations in a special fund authorized by or-
dinance or by state law to be used only for the purpose or purposes therein specified, including any cumulative reserve funds lawfully established in specific or general terms for any municipal purpose or purposes, or a con-
tingency fund as authorized by RCW 35.33.145, shall not lapse, but shall be carried forward from year to year until fully expended or the purpose has been accomplished or abandoned, without necessity of reappropriation.

The accounts for budgetary control for each fiscal year shall be kept open for twenty days after the close of such fiscal year for the purpose of paying and recording claims for indebtedness incurred during such fiscal year; any claim presented after the twentieth day following the close of the fiscal year shall be paid from appropri-
ations lawfully provided for the ensuing year, including those made available by provisions of this section, and shall be recorded in the accounts for the ensuing fiscal year. [1969 ex.s. c 95 § 24.]

35.33.170 Violations and penalties. Upon the convic-
tion of any city or town official, department head or other city or town employee of knowingly failing, or re-
fusing, without just cause, to perform any duty imposed upon such officer or employee by this chapter, or city charter or city or town ordinance, in connection with the giving of notice, the preparing and filing of estimates of revenues or expenditures or other information required for preparing a budget report in the time and manner required, or of knowingly making expenditures in excess of budget appropriations, he shall be guilty of a misde-

If the authority is intended to include the signature upon bonds bearing an earlier date than the effective date of the notice, prior dated bonds must be specifically described by reasonable reference thereto.

The notice designating a proxy shall be filed with the city comptroller or city clerk, together with the specimen signatures attached thereto and a record of the filing shall be made in the journal of the governing body.  LEASING OF SPACE WITH OPTION TO PURCHASE—1959 ACT

35.42.010 Purpose. It is the purpose of RCW 35.42-010 through 35.42.090 to supplement existing law for the leasing of space by cities and towns to provide for the leasing of such space through leases with an option to purchase and the acquisition of buildings erected upon land owned by a city or town upon the expiration of a lease of such land. [1965 c 7 § 35.42.010. Prior: 1959 c 80 § 1.]

35.42.020 Building defined. The term "building" as used in RCW 35.42.010 through 35.42.090 shall be construed to mean any building or buildings used as a part of, or in connection with, the operation of a city or town, and shall include the site and appurtenances, including but not limited to, heating facilities, water supply, sewage disposal, landscaping, walks, and drives. [1965 c 7 § 35.42.020. Prior: 1959 c 80 § 2.]

35.42.030 Authority to lease. Any city or town may, as lessee, lease a building for its use for a term of not to exceed fifty years. [1965 c 7 § 35.42.030. Prior: 1959 c 80 § 3.]

35.42.040 Renewals—Option to purchase. A lease of a building executed pursuant to RCW 35.42.010 through 35.42.090 may grant the lessee city or town an option to renew for a further term on like conditions, or an option to purchase the building covered by the lease at any time prior to the expiration of the term. A lease with an option to purchase shall provide that all sums paid as rent up to the time of exercising the option shall be credited toward the payment of the purchase price as of the date of payment. No lease shall provide, nor be construed to provide, that any city or town shall be under any obligation to purchase the leased building. [1965 c 7 § 35.42.040. Prior: 1959 c 80 § 4.]

35.42.050 Provisions to pay taxes, insurance, make repairs, improvements, etc. A lease of a building may provide that as a part of the rental, the lessee city or town may pay taxes and assessments on the leased building, maintain insurance thereon for the benefit of the lessor, and assume responsibilities for repair, replacement, alterations, and improvements during the term of the lease. [1965 c 7 § 35.42.050. Prior: 1959 c 80 § 5.]

35.42.060 Execution of lease prior to construction—Lessor's bond—City not obligated for construction costs. A city or town may, in anticipation of the acquisition of a site and the construction of a building, execute a lease, as lessee, prior to the actual acquisition of a site and the construction of a building, but the lease shall not require payment of rental by the lessee until the building is ready for occupancy. The lessor shall furnish a bond satisfactory to the lessee conditioned on the delivery of possession of the completed building to the lessee city or town at the time prescribed in the lease, unavoidable delay excepted. The lease shall provide that no part of the cost of construction of the building shall ever become an obligation of the lessee city or town. [1965 c 7 § 35.42.060. Prior: 1959 c 80 § 6.]

35.42.070 Lease of city land for building purposes and lease back of building by city. Any city or town desiring to have a building for its use erected on land owned, or to be acquired, by it, may, as lessee, lease the land for a reasonable rental for a term of not to exceed fifty years: Provided, That the city or town shall lease back the building or a portion thereof for the same term. The leases shall contain terms as agreed upon between the parties, and shall include the following provisions:

(1) No part of the cost of construction of the building shall ever be or become an obligation of the city or town.

(2) The city or town shall have a prior right to occupy any or all of the building upon payment of rental as agreed upon by the parties, which rental shall not exceed prevailing rates for comparable space.

(3) During any time that all or any portion of the building is not required for occupancy by the city or town, the lessee of the land may rent the unneeded portion to suitable tenants approved by the city or town.

(4) Upon the expiration of the lease, all buildings and improvements on the land shall become the property of the city or town. [1965 c 7 § 35.42.070. Prior: 1959 c 80 § 7.]

35.42.080 Lease of city land for building purposes and lease back of building by city—Bids. A lease and lease back agreement requiring a lessee to build on city or town property shall be made pursuant to a call for bids upon terms most advantageous to the city or town. The call for bids shall be given by posting notice thereof in a public place in the city or town and by publication in the official newspaper of the city or town once each week for two consecutive weeks before the date fixed for opening the bids. If there is no official newspaper, the notice shall be published in a newspaper of general circulation in the city or town. The city council or commission of the city or town may by resolution reject all bids and make further calls for bids in the same manner as the original call. If no bid is received on the first call, the city council or commission may readvertise and make a second call, or may execute a lease without any further call for bids. [1965 c 7 § 35.42.080. Prior: 1959 c 80 § 8.]
35.42.090 Leases exempted from certain taxes. All leases executed pursuant to RCW 35.42.010 through 35.42.090 shall be exempt from the tax imposed by chapter 19, Laws of 1951 second extraordinary session, as amended, and chapter 28A.45 RCW; section 5, chapter 389, Laws of 1955, and RCW 82.04.040; and section 9, chapter 178, Laws of 1941, and RCW 82.08.090, and by rules and regulations of the department of revenue issued pursuant thereto. LEASES OF REAL OR PERSONAL PROPERTY OR PROPERTY RIGHTS WITH OR WITHOUT OPTION TO PURCHASE—1963 ACT

35.42.200 Leases authorized. Any city or town may execute leases for a period of years with or without an option to purchase with the state or any of its political subdivisions, with the government of the United States, or with any private party for the lease of any real or personal property, or property rights, if the annual rental specified in such lease does not result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town computed in accordance with RCW 39.36.030: Provided, That if the annual rental payment specified in such a proposed lease would result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town, a proposition in regard to whether or not such a lease may be executed shall be submitted to the voters for their approval or rejection in the same manner that bond issues for capital purposes are submitted: Provided further, That any city or town may execute leases authorized by this act jointly with the state or any of its political subdivisions. [1965 c 7 § 35.42.200. Prior: 1963 c 170 § 1.]

35.42.210 Exercise of option to purchase. If at the time an option to purchase is exercised the remaining amount to be paid in order to purchase the real or personal property leased after crediting the rental payments toward the total purchase price therefor does not result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town computed in accordance with RCW 39.36.030, such a city or town may exercise its option to purchase such property. If such remaining amount to be paid to purchase such leased property will result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town, a proposition in regard to whether or not to purchase the property shall be submitted to the voters for approval or rejection in the same manner that bond issues for capital purposes are submitted to the voters. [1965 c 7 § 35.42.210. Prior: 1963 c 170 § 2.]

35.42.220 Budgeting rental payments—Bids—Construction of agreement where rental equals purchase price. The annual budget of a city shall provide for the payment of rental that falls due in the year for which the budget is applicable: Provided, That if the cost of the real or personal property to be leased exceeds the amounts specified in RCW 35.23.352 prior to the execution of a lease with option to purchase therefor, the city or town shall call for bids in accordance with RCW 35.23.352: Provided, That if at the expiration of a lease with option to purchase a city or town exercises such an option, the fact that the rental payments theretofore made equal the amount of the purchase price of the real or personal property involved in such lease shall not preclude the agreement from being a lease with option to purchase up to the date of the exercising of the option. It must be specified in any petition or resolution initiating the formation of such a utility local improvement district in a city or town and in the ordinance ordered pursuant thereto, that the assessments shall be for the sole purpose of payment into such revenue bond fund as may be specified by the legislative authority for the payment of revenue bonds issued to defray the cost of such system or facilities or any portion thereof as provided for in this section.

Assessments in any such utility local improvement district may be made on the basis of special benefits up to but not in excess of the total cost of the local improvements portion of any system or facilities payable by issuance of revenue bonds. No warrants or bonds shall be issued in any such utility local improvement district, but the collection of interest and principal on all assessments in such utility local improvement district, when collected, shall be paid into any such revenue bond fund.

When in the petition or resolution for establishment of a local improvement district and in the ordinance ordered pursuant thereto, it is specified or provided that the assessments shall be for the sole purpose of payment into a revenue bond fund for the payment of revenue bonds, then the local improvement district shall be designated a "utility local improvement district".

The provisions of chapters 35.45, 35.47 and 35.48 RCW shall have no application to utility local improvement districts created under authority of this section. [1969 ex.s. c 258 § 2; 1967 c 52 § 1.]

Construction—1967 c 52: "The authority granted by this 1967 amendatory act shall be considered an alternative and additional method of securing payment of revenue bonds issued for the purposes specified in RCW 35.43.042 and shall not be construed as a restriction or limitation upon any other method for providing for the payment of any such revenue bonds." [1967 c 52 § 27.]

Severability—1967 c 52: "If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1967 c 52 § 29.]

The foregoing annotations apply to RCW 35.41.095, 35.43.030, 35.43.042, 35.43.043, 35.43.050, 35.43.075, 35.43.080, 35.43.130, 35.43.160, 35.43.180, 35.44.010, 35.44.030, 35.44.140, 35.44.360, 35.49.010, 35.49.060, 35.49.070, 35.49.080, 35.50.020, 35.50.070, 35.50.230, 35.53.010, 35.53.020, 35.53.050, 35.53.070, 35.67.120 and 35.92.100.

The legislative authority of any city or town may by ordinance convert any then existing local improvement district into a utility local improvement district at any time prior to the adoption of an ordinance approving and confirming the final assessment roll of such local improvement district. The ordinance so converting the local improvement district shall provide for the payment of the special assessments levied in that district into the special fund established or to be established for the payment of revenue bonds issued to defray the cost of the local improvement in that district. [1967 c 52 § 28.]
35.43.045 Open canals or ditches—Safeguards. Every city or town shall have the right of entry upon all irrigation, drainage, or flood control canal or ditch rights of way within its limits for all purposes necessary to safeguard the public from the hazards of such open canals or ditches, and the right to cause to be constructed, installed, and maintained upon or adjacent to such rights of way safeguards as provided in RCW 35.43.040: Provided, That such safeguards must not unreasonably interfere with maintenance of the canal or ditch or with the operation thereof. The city or town, at its option, notwithstanding any laws to the contrary, may require the irrigation, drainage, flood control, or other district, agency, person, corporation, or association maintaining the canal or ditch to supervise the installation and construction of such safeguards, or to maintain the same. If such option is exercised reimbursement must be made by the city or town for all actual costs thereof. [1965 c 7 § 35.43.045. Prior: 1959 c 75 § 2.]

35.43.050 Authority—Noncontinuous improvements. A local improvement district or utility local improvement district may include adjoining, vicinal or neighboring streets, avenues and alleys even though the improvement thus made is not connected or continuous: Provided, That the cost and expense of each continuous unit of the improvement shall be ascertained separately, as near as may be, and the assessment rates shall be computed on the basis of the cost and expense of each unit. In the event of the initiation of a local improvement district authorized by this section or a utility local improvement district authorized by this section, the legislative body may, in its discretion, eliminate from said district any unit of the improvement which is not connected or continuous and may proceed with the balance of the improvement within said local improvement district or utility local improvement district, as fully and completely as though said eliminated unit had not been included within the improvement district, without the giving of any notices to the property owners remaining within the district, other than such notices as are required by the provisions of this chapter to be given subsequent to such elimination. Charters of cities of the first class may prescribe further limitations. In cities and towns other than cities of the first class, the ordinance must receive the affirmative vote of at least two-thirds of the members of the council if, prior to its passage, written objections to its enactment are filed with the city clerk by or on behalf of the owners of a majority of the linear frontage of the improvement and of the area within the limits of the proposed improvement district. [1965 c 7 § 35.43.070. Prior: (i) 1911 c 98 § 8; RRS § 9359. (ii) 1911 c 98 § 66; RRS § 9419.]

35.43.075 Petition for district outside city may be denied. The action and decision of the council as to all matters passed upon by it in relation to any petition or resolution shall be final and conclusive. No lawsuit whatsoever may be maintained challenging the jurisdiction or authority of the council to proceed with the improvement and creating the local improvement district or in any way challenging the validity thereof or any proceedings relating
thereto unless that lawsuit is served and filed no later than thirty days after the date of passage of the ordinance ordering the improvement and creating the district or, when applicable, no later than thirty days after the expiration of the thirty-day protest period provided in RCW 35.43.180. [1969 ex.s. c 258 § 4; 1965 c 7 § 35.43.100. Prior: 1911 c 98 § 19; RRS § 9371.]

35.43.110 Petition—Mandatory, when. Proceedings to establish local improvement districts must be initiated by petition in the following cases:

(1) Any local improvement payable in whole or in part by special assessments which includes a charge for the cost and expense of furnishing electrical energy to any system of street lighting or for the cost and expense of operation and maintenance of escalators or moving sidewalks shall be initiated only upon a petition signed by the owners of two-thirds of the lineal frontage upon the improvement to be made and two-thirds of the area within the limits of the proposed improvement district;

(2) If the management of park drives, parkways, and boulevards of a city has been vested in a board of park commissioners or similar authority: Provided, That the proceedings may be initiated by a resolution, if the ordinance is passed at the request of the park board or similar authority therefor specifying the particular drives, parkways, or boulevards or portions thereof to be improved and the nature of the improvement. Supp. 1945 § 9357, part.]

35.43.120 Petition—Requirements. Any local improvement may be initiated upon a petition signed by the owners of property aggregating a majority (1) of the lineal frontage upon the improvement and (2) of the area within the proposed district. The petition must set forth the nature and territorial extent of the proposed improvement, the mode of payment, and what proportion of the lineal frontage upon the improvement and of the area within the proposed district is owned by the petitioners as shown by the records in the office of the county auditor.

If any of the property within the area of the proposed district stands in the name of a deceased person, or of any person for whom a guardian has been appointed and not discharged, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property on the petition. The petition must be filed with the clerk or with such other officer as the city or town by charter or ordinance may require. [1969 ex.s. c 258 § 5; 1965 c 7 § 35.43.120. Upon the filing of a petition or upon the adoption of a resolution, as the case may be, initiating a proceeding for the formation of a local improvement district or utility local improvement district, the proper board, officer, or authority designated by charter or ordinance to make the preliminary estimates and assessment roll shall cause an estimate to be made of the cost and expense of the proposed improvement and certify it to the legislative authority of the city or town together with all papers and information in its possession touching the proposed improvement, a description of the boundaries of the district, a statement of what portion of the cost and expense of the improvement should be borne by the property within the proposed district, a statement in detail of the local improvement assessments outstanding and unpaid against the property in the proposed district, and a statement of the aggregate actual valuation of the real estate including twenty-five percent of the actual valuation of the improvements in the proposed district according to the valuation last placed upon it for the purposes of general taxation.

If the proceedings were initiated by petition the designated board, officer, or authority should also determine the sufficiency of the petition and whether the facts set forth therein are true. If the petition is found to be sufficient and in all proceedings initiated by resolution of the legislative authority of the city or town, the estimates must be accompanied by a diagram showing thereon the lots, tracts, and parcels of land and other property which will be specially benefited by the proposed improvement and the estimated amount of the cost and expense thereof to be borne by each lot, tract, or parcel of land or other property: Provided, That no such diagram shall be required where such estimates are on file in the office of the city engineer, or other designated city office, together with a detailed copy of the preliminary assessment roll and the plans and assessment maps of the proposed improvement.

For the purpose of estimating and levying local improvement assessments, the value of property of the United States, of the state, or of any county, city, town, school district, or other public corporation whose property is not assessed for general taxes shall be computed according to the standards afforded by similarly situated property which is assessed for general taxes. After delinquency, penalties and interest may be charged as in cases of original assessment and if the original assessment was payable in installments, the new assessment may be divided into equal installments and made payable at such times as the city or town council may prescribe in the ordinance ordering the new assessment. [1965 c 7 § 35.44.330. Prior: 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

[1965 c 7 § 35.44.340. Prior: 1911 c 98 § 45, part; RRS § 9398, part.]

35.44.350 Reassessments, assessments on omitted property, supplemental assessments—Provisions governing. All of the provisions of law relating to the filing of assessment rolls, time and place for hearing thereon, notice of hearing, the hearing upon the roll, the confirmation of the assessment roll, the time when the assessments become a lien upon the property assessed, the proceedings on appeal from any such assessment, the method of collecting the assessment and all proceedings for enforcing the lien thereof shall be had and conducted the same in the case of reassessments, assessments on omitted property, or supplemental assessments as in the case of an original assessment. [1965 c 7 § 35.44.350. Prior: 1911 c 98 § 44; 1893 c 95 § 1; RRS § 9397.]

35.44.360 Assessments on omitted property—Authority. If by reason of mistake, inadvertence, or for any cause, property in a local improvement district or utility local improvement district which except for its omission would have been subject to assessment has been omitted from the assessment roll, the city or town council, upon its own motion, or upon the application of the owner of any property in the district which has been assessed for the improvement, may proceed to assess the property so omitted in accordance with the benefits accruing to it by reason of the improvement in proportion to the assessments levied upon other property in the district. [1967 c 52 § 12; 1965 c 7 § 35.44.360. Prior: 1911 c 98 § 37, part; RRS § 9390, part.]

35.44.370 Assessments on omitted property—Resolution—Notice. In case of assessments on omitted property the city or town council shall pass a resolution:

(1) Setting forth that the property therein described was omitted from the assessment;

(2) Notifying all persons who may desire to object thereto to appear at a meeting of the city or town council at a time specified in the resolution and present their objections thereto, and

(3) Directing the proper board, officer, or authority to report to the council at or prior to the date fixed for the hearing the amount which should be borne by each lot, tract, or parcel of land or other property so omitted. The resolution shall be published in all respects as provided for publishing the resolutions for an original assessment. [1965 c 7 § 35.44.370. Prior: 1911 c 98 § 37, part; RRS § 9390, part.]

35.44.380 Assessments on omitted property—Confirmation ordinance—Collection. At the conclusion of the hearing or any adjournment thereof upon proposed assessments on omitted property the council shall consider the matter as though the property were included in the original roll and may confirm the roll or any portion thereof by ordinance. Thereupon the roll of omitted property shall be certified to the treasurer for collection as other assessments. [1965 c 7 § 35.44.380. Prior: 1911 c 98 § 37, part; RRS § 9390, part.]

35.44.390 Supplemental assessments—When authorized. If by reason of any mistake, inadvertence, or other cause, the amount assessed was not equal to the cost and expense of a local improvement or that portion thereof to be paid by assessment of the property benefited the city or town council shall make supplemental assessments on all the property in the district. The property found to be specially benefited shall not be limited to the property included in the original assessment district.

These assessments shall be made in accordance with the provisions of law, charter, and ordinances existing at the time of the levy. [1965 c 7 § 35.44.390. Prior: 1911 c 98 § 42, part; 1893 c 96 § 3, part; RRS § 9395, part.]

35.44.400 Supplemental assessments—Limitation of time for. No city or town shall have jurisdiction to proceed with any supplemental assessment unless the ordinance ordering it is passed by the city or town council within ten years from and after the time that it was finally determined that the total amount of valid assessments levied and assessed on account of a local improvement was insufficient to pay the whole or that portion of the cost and expense thereof to be paid by special assessment. [1965 c 7 § 35.44.400. Prior: 1911 c 98 § 45, part; RRS § 9398, part.]

35.44.410 Segregation of assessments. Whenever any land against which there has been levied any special assessment by any city or town shall have been sold in part or subdivided, the legislative authority of that city or
town shall have the power to order a segregation of the assessment.

Any person desiring to have such a special assessment against a tract of land segregated to apply to smaller parts thereof shall apply to the city or town which levied the assessment. If the legislative authority thereof determines that a segregation should be made, it shall by resolution order the city or town treasurer to make segregation on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the city or town treasurer who shall proceed to make the segregation ordered upon being tendered a fee of ten dollars for each tract of land for which a segregation is to be made. In addition to such charge the legislative authority of the city or town may require as a condition to the order of segregation that the person seeking it pay the city or town the reasonable engineering and clerical costs incident to making the segregation. No segregation need be made if the legislative authority of the city or town shall find that by such segregation the security of the lien for such assessment will be so jeopardized as to reduce the security for any outstanding local improvement district obligations payable from such assessment. [1969 ex.s. c 258 § 10.]

Local improvement bonds shall be issued pursuant to ordinance and shall be made payable on or before a date not to exceed thirty years from and after the date of issue, which latter date may be fixed by ordinance or resolution of the council, and bear interest at such rate or rates as authorized by the council. The council may, in addition to issuing bonds callable under the provisions of RCW 35.45.050 whenever sufficient moneys are available, issue bonds with a fixed maturity schedule or with a fixed maximum annual retirement schedule. [1971 ex.s. c 116 § 10; 1970 ex.s. c 56 § 35; 1969 ex.s. c 258 § 11; 1969 c 81 § 1; 1965 c 7 § 35.45.020. Rights not impaired—1969 c 81: "No phrase, clause, subdivision or section of this 1969 amendatory act shall be construed to impair the rights of bondholders as to any bonds issued prior to the effective date of this 1969 amendatory act." [1969 c 81 § 2.]

35.45.030 Bonds—Form—Content—Coupons. Local improvement bonds shall be in such denominations as may be provided in the ordinance authorizing their issue and shall be numbered from one upwards consecutively. Each bond shall (1) be signed by the mayor and attested by the clerk, (2) have the seal of the city or town affixed thereto, (3) refer to the improvement to pay for which it is issued and the ordinance ordering it, (4) provide that the principal sum therein named and the interest thereon shall be payable out of the local improvement fund created for the cost and expense of the improvement, or out of the local improvement guaranty fund, or, with respect to interest only, out of the general revenues of the city or town, and not otherwise, (5) provide that the bondholders' remedy in case of nonpayment shall be confined to the enforcement of the special assessments made for the improvement and to the guaranty fund, and (6) have attached thereto interest coupons for each interest payment.

The interest coupons may be signed by the mayor and attested by the clerk, or in lieu thereof, may have printed thereon a facsimile of their signatures. [1967 ex.s. c 44 § 1; 1965 c 7 § 35.45.030. Prior: (i) 1917 c 139 § 1, part; 1915 c 168 § 4, part; 1911 c 98 § 47, part; 1899 c 124 § 2; RRS § 9400, part. 35.45.040 Bonds—Sale of. Local improvement bonds may be issued to the contractor or sold by the officers authorized by the ordinance directing their issue to do so, in the manner prescribed therein and at not less than par and accrued interest. Any portion of the bonds of any issue remaining unsold may be issued to the contractor constructing the improvement in payment thereof. The proceeds of all sales of bonds shall be applied in payment of the cost and expense of the improvement. [1965 c 7 § 35.45.040. Prior: (i) 1911 c 98 § 46, part; 1899 c 124 § 1; RRS § 9399, part. (ii) 1911 c 98 § 48; 1899 c 124 § 3; RRS § 9401.]

35.45.050 Call of bonds. Except when bonds have been issued with a fixed maturity schedule or with a fixed maximum annual retirement schedule as authorized in RCW 35.45.020, the city or town treasurer shall call in and pay the principal of one or more bonds of any issue in their numerical order whenever there is sufficient money in any local improvement fund, against which the bonds have been issued, over and above sufficient for the payment of interest on all unpaid bonds of that issue. The call shall be made for publication in the city or town official newspaper in its first publication following the date of delinquency of any installment of the assessment or as soon thereafter as practicable. The call shall state that bonds No. . . . (giving the serial number or numbers of the bonds called) will be paid on the day the next interest coupons on the bonds become due and that interest on those bonds will cease upon that date. [1971 ex.s. c 116 § 11; 1965 c 7 § 35.45.050. Prior: 1911 c 98 § 54, part; RRS § 9407, part.]

35.45.060 Interest on bonds—How payable. The city or town treasurer shall pay interest on the bonds issued against local improvement funds out of the local improvement fund from which the bonds are payable. [1965 c 7 § 35.45.060. Prior: 1911 c 98 § 54, part; RRS § 9407, part.]

35.45.065 Interest on bonds—Payment from general revenues—Authority—Procedure. The city or town council may provide by ordinance that all or part of the interest upon said bonds shall be paid from the general revenues of the city or town and may create a local improvement district bond interest fund for this purpose. If the city or town council determine that the city or town shall pay all interest on such bonds from its general revenues, the interest coupons attached to the bond shall recite that the interest thereby evidenced is payable from general revenues. If the city or town council determines that the city or town council shall pay a part of the interest on such bonds from its general revenues, the interest coupons representing interest payable from the general revenues of the city or town shall be denominated as "B" coupons and shall recite that the interest payable thereunder is payable from the general revenues of the city or town. [1967 ex.s. c 44 § 2.]

35.45.070 Nonliability of city or town. Neither the holder nor owner of any bond, interest coupon, or warrant issued against a local improvement fund shall have any claim therefor against the city or town by which it is issued, except for payment from the special assessments made for the improvement for which the bond or warrant was issued and except also for payment from the local improvement guaranty fund of the city or town as to bonds issued after the creation of a local improvement guaranty fund of that city or town. The city or town shall not be liable to the holder or owner of any bond, interest coupon, or warrant for any loss to the local improvement guaranty fund occurring in the lawful operation thereof. A copy of the foregoing part of this section shall be plainly written, printed or engraved on each bond, [1965 c 7 § 35.45.070. Prior: (i) 1911 c 98 § 52, part; RRS § 9405, part. (ii) 1927 c 209 § 5; 1925 ex.s. c 183 § 5; 1923 c 141 § 5, part; RRS § 9351–5, part.]

35.45.080 Remedy of bondholders. If a city or town fails to pay any bonds or to promptly collect any local improvement assessments when due, the owner of the bonds may proceed in his own name to collect the assessment and foreclose the lien thereof in any court of competent jurisdiction and shall recover in addition to the amount of the bond and interest thereon, five percent, together with the cost of suit. Any number of holders of bonds for any single improvement may join as plaintiffs and any number of owners of property upon which the assessments are liens may be joined as defendants in the same suit.

The owners of local improvement bonds issued by a city or town after the creation of a local improvement guaranty fund therein, shall also have recourse against the local improvement guaranty fund of such city or town. [1965 c 7 § 35.45.080. Prior: (i) 1927 c 209 § 5, part; 1925 ex.s. c 183 § 5, part; 1923 c 141 § 5, part; RRS § 9351–5, part. (ii) 1911 c 98 § 51; 1899 c 124 § 6; RRS § 9404.]

35.45.090 Excess to be refunded—Demand—Right of action. Any funds in the treasury of any municipal corporation belonging to the fund of any local improvement district after the payment of the whole cost and expense of such improvement, in excess of the total sum required to defray all the expenditures by such municipal corporation on account thereof, shall be refunded, on demand, to the payers into such fund. Each such payer shall be entitled to such proportion of such excess as his original assessment bears to the entire original assessment levied for such improvement. Such municipal corporation may, after one year from the date on which the last installment becomes due, transfer any balance remaining on hand to the general fund of such municipal corporation, but shall, notwithstanding such transfer remain liable for the refund herein provided for until such refund shall have been made, unless the actual cost involved in making such refund shall exceed the excess in such fund.

Such demand shall be made in writing to the treasurer of such municipal corporation. No action shall be commenced in any court to obtain any such refund, except
upon such demand, and until ninety days after making such demand. No excess shall be recovered in any action where the excess in the fund does not average the sum of one dollar in favor of all payers into such fund.

This section shall not be deemed to require the refunding of any balance left in any local improvement fund after the payment of all outstanding obligations issued against such fund, where such balance accrues from any saving in interest or from penalties collected upon delinquent assessments, but any such balance, whether accruing heretofore or hereafter, may be turned into the general fund or otherwise disposed of, as the legislative authority of the city may direct.

The provisions of this chapter relating to the refund of excess local improvement district funds shall not apply to any district whose obligations are guaranteed by the local improvement guaranty fund. [1965 c 7 § 35.45-090. Prior: 1917 c 140 § 1; 1909 c 108 § 1; RRS § 9351.]

35.45.130 Warrants against local improvement fund authorized. Every city and town may provide by ordinance for the issuance of warrants in payment of the cost and expense of any local improvement, payable out of the local improvement district fund. The warrants shall bear interest at a rate or rates as authorized by ordinance and shall be redeemed either in cash or by local improvement bonds for the same improvement authorized by ordinance.

All warrants against any local improvement fund sold by the city or town or issued to a contractor and by him sold or hypothecated for a valuable consideration shall be claims and liens against the improvement fund against which they are drawn prior and superior to any right, lien, or claim of any surety upon the bond or bonds given to the city or town by or for the contractor to secure the performance of his contract or to secure the payment of persons who have performed work thereon, furnished materials therefor, or provisions and supplies for the carrying on of the work. [1970 ex.s. c 56 § 36; 1965 c 7 § 35.45-130. Prior: 1953 c 117 § 1; prior: 1915 c 168 § 3; 1911 c 98 § 72; 1899 c 146 § 7; RRS 9425.]

Purpose—Effective date—1970 ex.s. c 56: See notes following RCW 39.44.030.

35.45.140 Warrants acceptable in payment of assessments. Cities and towns may accept warrants drawn against any local improvement fund upon such conditions as they may by ordinance or resolution prescribe, in satisfaction of:

(1) Assessments levied to supply such fund, in due order of priority of right;

(2) Judgments rendered against property owners who have become delinquent in the payment of assessments levied to supply such fund; and

(3) In payment of certificates of purchase in cases where property of delinquents has been sold under execution or at tax sale for failure to pay assessments levied to supply such fund. [1965 c 7 § 35.45.140. Prior: (i) 1899 c 97 § 1; RRS § 9346. (ii) 1899 c 97 § 2; RRS § 9347. (iii) 1899 c 97 § 3; RRS § 9348. (iv) 1899 c 97 § 4; RRS § 9349. (v) 1899 c 97 § 5; RRS § 9350.]

35.45.150 Installment notes—Interest certificates (as amended by 1970 ex.s. c 56 § 37). In addition to the issuance of bonds and warrants in payment of the cost and expense of any local improvement, any city or town may also issue installment notes payable out of the local improvement district fund, where such notes are to be sold exclusively to another fund of the same municipality as an investment thereof. Such installment notes may be issued any time after the thirty day period allowed by law for the payment of assessments of any district without penalty or interest, and may bear any denomination or denominations, the aggregate of which shall represent the balance of the cost and expense of the local improvement district which is to be borne by the property owners therein.

Application of local improvement district funds for the reduction of the principal and interest amounts due on any notes herein provided to finance said improvement shall be made not less than once each year beginning with the issue date thereof. If more than one local improvement installment note is issued for a single district, said notes shall be numbered consecutively. All notes issued shall bear on the face thereof: (1) The name of the payee; (2) the number of the local improvement district from whose notes are payable; (3) the date of issue of each note; (4) the date on which the note, or the final installment thereof shall become due; (5) the rate of interest to be paid on the unpaid balance thereof; and; (6) such manual or facsimile signatures and attestations as are required by state statute or city charter to appear on the warrants of each issuing municipality.

The reverse side of each installment note issued pursuant to this section shall bear a tabular payment record which shall indicate at prescribed installment dates, the receipt of any local improvement district funds for the purpose of servicing the debt evidenced by said notes. Such receipts shall first be applied toward the interest due on the unpaid balance of the note, and any additional moneys shall thereafter be applied as a reduction of the principal amount thereof. The tabular payment record shall, in addition to the above, show the unpaid principal balance due on each installment note, together with sufficient space opposite each transaction affecting said note for the manual signature of the city's clerk, treasurer or other properly designated receiving officer of the municipality.

Whenever there are insufficient funds in a local improvement district to meet any payment of installment interest due on any note herein authorized, a noninterest-bearing defaulted installment interest certificate shall be issued by the city treasurer which shall consist of a written statement certifying the amount of such defaulted interest installment credit, the name of the person whose credit is due and the number of the local improvement district from whose funds the note and interest therein is payable. The certificate herein provided shall bear the manual signature of the city treasurer or his authorized agent. The defaulted installment interest certificate so issued shall be redeemed for the face amount thereof with any available funds in the local improvement guaranty fund.

Whenever at the date of maturity of any installment note issued pursuant to this section, there are insufficient funds in a local improvement district, due to delinquencies in the collection of assessments, to pay the final installment of principal due thereon, the note shall be redeemed with any available funds in the local improvement guaranty fund for the amount of said final installment. Such certificates and notes issued pursuant to this section are to become subject to the same redemption privileges as apply to any local improvement district bonds and warrants now accorded the protection of the local improvement guaranty fund as provided in chapter 35.54 RCW, and whenever the certificates or notes issued as herein provided are redeemed by said local improvement guaranty fund, they shall be held therein as investments thereof in the same manner as prescribed for other defaulted local improvement district obligations.

Notwithstanding any other statutory provisions, local improvement installment notes authorized by this section which are within the protection of the local improvement guaranty fund law shall be considered legal investments for any available surplus funds of the issuing municipality, which now or hereafter may be authorized to be invested in the city's local improvement districts' bonds or warrants. [1970 ex.s. c 56 § 37; 1965 c 7 § 35.45.150. Prior: 1961 c 165 § 1.]

Purpose—Effective date—1970 ex.s. c 56: See notes following RCW 39.44.030.

In addition to the issuance of bonds and warrants in payment of the cost and expense of any local improvement, any city or town may also issue and sell installment notes payable out of the local improvement district fund. Such installment notes may be issued any time after the thirty day period allowed by law for the payment of assessments of any district without penalty or interest, and may bear any denomination or denominations, the aggregate of which shall represent the balance of the cost and expense of the local improvement district which is to be borne by the property owners therein.

Application of local improvement district funds for the reduction of the principal and interest amounts due on any notes herein provided to finance said improvement shall be made not less than once each year beginning with the issue date thereof. Appropriate notification of such application of funds shall be made by the city treasurer to the registered payees of said notes, except those notes owned by funds of the issuing municipality. If more than one local improvement installment note is issued for a single district, said notes shall be numbered consecutively. All notes issued shall bear on the face thereof: (1) the name of the payee; (2) the number of the local improvement district from whose funds the notes are payable; (3) the date of issue of each note; (4) the date on which the note, or the final installment thereon shall become due; (5) the rate of interest, not to exceed twelve percent, to be paid on the unpaid balance thereof, and; (6) such manual or facsimile signatures and attestations as are required by state statute or city charter to appear on the warrants of each issuing municipality.

The reverse side of each installment note issued pursuant to this section shall bear a tabular payment record which shall indicate at prescribed installment dates, the receipt of any local improvement district funds for the purpose of servicing the debt evidenced by said notes. Such receipts shall first be applied toward the interest due on the unpaid balance of the note, and any additional moneys shall thereafter be applied as a reduction of the principal amount thereof. The tabular payment record shall, in addition to the above, show the unpaid principal balance due on each installment note, together with sufficient space opposite each transaction affecting said note for the manual signature of the city's clerk, treasurer or other properly designated receiving officer of the municipality, or of any other registered payee presenting said note for such installment payments.

Whenever there are insufficient funds in a local improvement district to meet any payment of installment interest due on any note herein authorized, a noninterest-bearing defaulted installment interest certificate shall be issued by the city treasurer which shall consist of a written statement certifying the amount of such defaulted interest installment; the name of the payee of the note to whom the interest is due and the number of the local improvement district from whose funds the note is payable; the date of issue thereof is payable. The certificate shall be provided shall bear the manual signature of the city treasurer or his authorized agent. The defaulted installment interest certificate so issued shall be redeemed for the face amount thereof with any available funds in the local improvement guaranty fund. All certificates and notes issued pursuant to this section are to be subject to the same redemption privileges as apply to any local improvement district bonds and warrants now provided the protection of the local improvement guaranty fund as provided in chapter 35.54 RCW, and whenever the certificates or notes issued as herein provided are redeemed by said local improvement guaranty fund, they shall be held therein as investments thereof in the same manner as prescribed for other defaulted local improvement district obligations.

Notwithstanding any other statutory provisions, local improvement installation notes authorized by this section which are within the protection of the local improvement guaranty fund law shall be considered legal investments for any available surplus funds of the issuing municipality which now or hereafter may be authorized to be invested in the city's local improvement districts' bonds or warrants and shall be considered local investments for all national and state banks, savings and loan institutions, and any and all other commercial banking or financial institutions to the same extent that the local improvement district bonds and coupons issued pursuant to the provisions of this chapter have been and are legal investments for such institutions. Any such local improvement installation notes may be transferred or sold by said city or town upon such terms or conditions and in such manner as the local governing body of said city or town may determine, pursuant to a call for public bid: Provided, however, That the same shall not be sold at less than par plus accrued interest. [1970 ex.s.c. 93 § 2; 1965 c 7 § 35.45.150. Prior: 1961 c 165 § 1.]

Reviser's note: RCW 35.45.150 was amended twice during the 1970 extraordinary session of the legislature, each without reference to the other.

(1) 1970 ex.s.c. 56 (SSB 146): passed the senate February 11; passed the house February 11; was approved by the governor February 23; contained an emergency clause.

(2) 1970 ex.s.c. 93 (HB 326): passed the senate February 6; passed the house February 10; was approved by the governor February 20; contained an emergency clause.

For rule of construction concerning sections amended more than once in the same session, see RCW 1.12.025.

35.45.155 Installment notes—Refunding. Any city or town having issued one or more installment notes pursuant to RCW 35.45.150 may refund all of such notes or the principal thereof then outstanding payable from any one local improvement district fund by the issuance of local improvement district bonds pursuant to chapter 35.45 RCW and by the payment into the city or town fund or funds holding such notes the then outstanding principal amount of such notes plus the interest thereon accrued to the date of such refunding. The bonds shall be payable from the same local improvement district fund from which such notes were payable; shall be payable no later than the final payment date of the notes being refunded; shall be in the same total principal amount as the outstanding principal amount of the notes being refunded less any sums in the local improvement district fund the city or town applies to the redemption of such notes; and shall be sold at not less than par plus accrued interest to date of delivery. Any interest payable on the bonds in excess of the interest payable on assessment installments payable into the local improvement district fund shall be paid from the general fund of the city or town in accordance with RCW 35.45.065. The principal proceeds and interest accrued to date of delivery of the bonds shall be paid into the local improvement district fund and the notes shall be redeemed on that date. The city or town shall pay all costs and expenses of such refunding from moneys available therefor. [1969 ex.s.c. 258 § 12.]

35.45.160 Consolidated local improvement districts—Authorized—Purpose. For the purpose of issuing bonds only, the governing body of any municipality may authorize the establishment of consolidated local improvement districts. The local improvements within such consolidated districts need not be adjoining, vicinal or neighboring. If the governing body orders the creation of such consolidated local improvement districts, the moneys received from the installment payment of the principal of and interest on assessments levied within original local assessment districts shall be deposited in a consolidated local improvement district bond redemption fund to be used to redeem outstanding consolidated local improvement district bonds. 35.48.010 Special revolving fund for delinquent nonguaranteed bonds and warrants—Composition. If any city or town has issued bonds or warrants payable from a local improvement or condemnation award fund, to which the local improvement guaranty fund law is not applicable, and if the assessment, or last installment thereof, against which the bonds or warrants were issued has been delinquent not more than thirty-two years, the city or town may create a special revolving fund and may provide moneys therefor by general tax levy, if the levy, together with other levies made or authorized by such city or town, will not exceed the levy which is legally allowed; or such city or town may place in said

[Title 35 RCW (1979 Ed.)—p 153]
35.48.010  Purpose—1943 c 244. "Whereas, there are millions of dollars of delinquent and unpaid local improvement district and condemnation award bonds and warrants issued by various cities of the state and not protected by the Local Improvement Guaranty Fund, only a small part of which for the present at least can be paid and many of which will never be paid because of inability of property owners to pay the special assessments levied to provide funds for payment thereof and the depreciated value of the real estate which is the only security provided by present law from which payment of the assessments may be enforced; and, Whereas, the cities are not legally liable under existing law for payment of such bonds and warrants except as there are moneys available in the special fund from which the same are payable; and, Whereas, such cities and its citizens as a whole have derived benefit from the improvements installed with the proceeds or as a result of the issuance of such bonds and warrants; and, Whereas, the nonpayment of such unpaid and delinquent bonds and warrants not only causes great hardship and suffering on those who have invested money in such bonds and warrants, but also reflects discredit on the financial structure of the various cities involved, to the detriment of the cities as a whole and also the entire state; Now, therefore, this law is enacted to enable cities to provide some relief from the hardship imposed by such conditions." [1943 c 244 § 1]

35.48.020  Use of revolving fund—Maximum bond price. Any moneys in such revolving fund may be used for the purchase of unpaid delinquent local improvement warrants, or bonds and interest coupons thereon, issued by the city or town, payable from a local improvement district fund or condemnation award fund, to which the local improvement guaranty fund law is not applicable, if the assessment, or last installment thereof, against which the bonds or warrants have been issued, has been delinquent not more than thirty-two years. The maximum purchase price to be paid for said bonds or warrants shall be fixed by the municipality, and may from time to time be changed but shall never exceed fifty percent of the face value of the bonds, interest coupons, or warrants: Provided, That no warrants shall be issued payable from the revolving fund unless there is sufficient cash in said fund available for payment of such warrants. [1965 c 7 § 35.48.020. Prior: 1961 c 46 § 2; 1943 c 244 § 3; Rem. Supp. 1943 § 9351-12.]

35.48.030  Subrogation—Refund of surplus. The purchase of any such bonds or warrants shall not relieve the local improvement or condemnation award fund from which the same are payable from liability for payment thereof, but the city or town shall become subrogated to all the rights of the former owners thereof and may proceed to enforcement of said bonds or warrants as any owner thereof might do. The city or town may sell any property acquired by it in such proceedings upon such terms and for such prices as it sees fit, or it may resell any of the bonds or warrants for such prices as it shall fix.

Any excess in any local improvement district fund or condemnation award fund which will average a payment of one dollar to each payer into said fund shall, after payment, retirement, or cancellation of all bonds or warrants payable from said fund, be refunded and paid to the payers into the fund in the proportion that their respective assessments bear to the entire original assessment levied for such improvement, and any unpaid assessments, or portion thereof, shall be reduced in the same proportion. Any proceeds derived from the sale of any bonds or warrants, or from the sale of real estate, shall be placed in the revolving fund. [1965 c 7 § 35.48-030. Prior: 1943 c 244 § 4; Rem. Supp. 1943 § 9351-13.]

35.48.040  Refund to revolving fund. If there are funds in any local improvement district fund or condemnation award fund sufficient to pay or retire any bond or warrant issued and payable from said fund, and the city or town is the owner and holder of the bond or warrant next payable from the fund, the city or town treasurer shall from the moneys in the local improvement or condemnation award fund place in the revolving fund a sum of money equivalent to the amount paid by the city or town for such bond or warrant and shall thereupon cancel, mark paid and remove from said revolving fund such bond or warrant. [1965 c 7 § 35.48.040. Prior: 1943 c 244 § 5; Rem. Supp. 1943 § 9351-14.]

35.48.050  Purchase of warrants on previous funds—Transfer of assets to revolving fund—Disposition. Whenever a city or town has heretofore by ordinance created a fund for use in purchasing delinquent local improvement or condemnation award bonds or warrants not protected by the local improvement guaranty fund law, and has purchased any such bonds or warrants and issued warrants payable from said fund, which warrants are unpaid because of lack of funds and have remained unpaid for a period of less than thirty-two years from date of issue thereof, the city or town may use any funds available in the revolving fund to purchase said warrants at such price as it may determine, but in no event at more than fifty percent of the face value, without interest. Whenever all such warrants have been purchased or paid, the city or town may transfer to the revolving fund any bonds, warrants or other assets belonging to said fund first above mentioned, and thereafter such bonds, warrants or other assets shall be held and disposed of for the benefit of said revolving fund in the same manner as other funds and assets therein: Provided, That nothing contained in this chapter shall legalize any warrants heretofore issued or render any city or town liable thereunder. [1965 c 7 § 35.48.050. Prior: 1961 c 46 § 3; 1943 c 244 § 6; Rem. Supp. 1943 § 9351-15.]

35.48.060  Procedure governed by ordinance. All actions of a city or town respecting the purchase of bonds and warrants or sales of bonds, warrants or assets of the revolving fund shall be as directed by general or special ordinance. [1965 c 7 § 35.48.060. Prior: 1943 c 244 § 7; Rem. Supp. 1943 § 9351-16.]

### 35.49.010 Collection by city treasurer—Notices.

All assessments for local improvements in local improvement districts shall be collected by the city treasurer and shall be kept in a separate fund to be known as "local improvement fund, district No. ———" and shall be used for no other purpose than the redemption of warrants drawn upon and bonds issued against the fund to provide payment for the cost and expense of the improvement.

All assessments for local improvements in a utility local improvement district shall be collected by the city treasurer, and shall be paid into the appropriate revenue bond fund, and shall be used for no other purpose than the redemption of revenue bonds issued to provide funds for the cost and expense of the improvement.

As soon as the assessment roll has been placed in the hands of the city or town treasurer for collection, he shall publish a notice in the official newspaper of the city or town once a week for two consecutive weeks, that the roll is in his hands for collection and that all or any portion of the assessment may be paid within thirty days from the date of the first publication of the notice without penalty, interest, or costs.

Every city or town treasurer shall notify each owner or reputed owner whose name appears on the assessment roll, at the address shown on the tax rolls of the county treasurer for each item of property described on the list, of the nature of the assessment, of the amount of his real property subject to such assessment, of the total amount of assessment due, and of the time during which such assessment may be paid without penalty, interest, or costs. [1972 ex.s. c 137 § 1; 1969 ex.s. c 258 § 13; 1967 c 52 § 13; 1965 c 7 § 35.49.010. Prior: (i) 1911 c 98 § 28; RRS § 9380. (ii) 1911 c 98 § 50, part; RRS § 9403, part.]

### 35.49.020 Installments—Number—Due date.

In all cases where bonds are issued to pay the cost and expense of a local improvement, the ordinance levying the assessments shall provide that the sum charged against any lot, tract, and parcel of land or other property, or any portion thereof, may be paid during the thirty day period allowed for the payment of assessments without penalty or interest and that thereafter the sum remaining unpaid may be paid in equal annual installments. The number of installments shall be less by two than the number of years which the bonds issued to pay for the improvement are to run. Interest on the whole amount unpaid at the rate fixed by the ordinance shall be due on the due date of the first installment of principal and each year thereafter on the due date of each installment of principal: Provided, That the legislative authority of any city or town having made a bond issue payable on or before twenty-two years after the date of issue may provide by ordinance that all assessments and portions of assessments unpaid after the thirty day period allowed for payment of assessments without penalty or interest may be paid in ten equal installments beginning with the eleventh year and ending with the twentieth year from the expiration of said thirty day period, together with interest on the unpaid installments at the rate fixed by such ordinance, and that in each year after the said thirty day period, to and including the tenth year thereafter, one installment of interest on the principal sum of the assessment at the rate so fixed shall be paid and collected, and that beginning with the eleventh year after the thirty day period one installment of the principal, together with the interest due thereon, and on all installments thereafter to become due shall be paid and collected. [1969 ex.s. c 258 § 14; 1965 c 7 § 35.49.020. Prior: 1925 ex.s. c 117 § 1; 1915 c 168 § 5; 1911 c 98 § 49; 1899 c 124 § 4; RRS § 9402.]

### 35.49.030 Ordinance to prescribe time of payment—Interest—Penalties.

Every city and town shall prescribe by ordinance within what time assessments or installments thereof shall be paid, and shall
provide for the payment and collection of interest thereon at a rate as shall be fixed by the legislative body of the city or town. Assessments or installments thereof, when delinquent, in addition to such interest, shall bear such penalty not less than five percent as shall be by general ordinance prescribed. [1911 ex.s. c 116 § 5; 1969 ex.s. c 258 § 15; 1965 c 7 § 35.49.030. Prior: 1955 c 353 § 3; prior: 1927 c 275 § 1, part; 1921 c 92 § 1, part; 1911 c 98 § 24, part; RRS § 9376, part.]

35.49.040 Payment without interest or penalty. The owner of any lot, tract, or parcel of land or other property charged with local improvement assessment may redeem it from all or any portion thereof by paying to the city or town treasurer all or any portion thereof without interest within thirty days after the first publication by the treasurer of notice that the assessment roll is in his hands for collection. [1965 c 7 § 35.49.040. Prior: 1911 c 98 § 50, part; RRS § 9403, part.]

35.49.050 Prepayment of installments subsequently due. The owner of any lot, tract, or parcel of land or other property charged with a local improvement assessment may redeem it from all liability for the unpaid amount of the assessment at any time after the thirty day period allowed for payment of assessments without penalty or interest by paying the entire installments of the assessment remaining unpaid to the city or town treasurer with interest thereon to the date of maturity of the installment next falling due. [1965 c 7 § 35.49.050. Prior: 1911 c 98 § 50, part; RRS § 9403, part.]

35.49.060 Payment by city or town. On or before the fifteenth day of August of each year, the city or town treasurer shall certify to the city or town council a detailed statement showing:
(1) The proceedings authorizing and confirming any local improvement assessments or utility local improvement assessments affecting city or town property,
(2) The lots, tracts, or parcels of lands of the city or town so assessed,
(3) The several assessments against each,
(4) The interest, penalties, and charges thereon,
(5) The penalties and charges which will accrue upon the assessments to the date of maturity, and
(6) The total of all such assessments, interest, penalty, and charges.

The longest outstanding liens shall be paid first, but if the money in the "city (or town) property assessments redemption fund" is insufficient at any time to discharge all such liens against the lands of the city or town upon a given assessment roll, the city or town treasurer may pay such portion thereof as may be possible from the funds available.

If deemed necessary, the city or town council may transfer money from the general fund to the redemption fund as a loan to be repaid when the money is available for repayment. [1967 c 52 § 16; 1965 c 7 § 35.49.060. Prior: 1929 c 204 § 3; RRS § 9343–3.]

35.49.070 Payment by county. Upon the confirmation of the assessment roll for a local improvement district or utility local improvement district, the city or town treasurer shall certify and forward to the board of county commissioners a statement of all the lots, tracts, or parcels of land held or owned by the county assessed thereon, separately describing each lot, tract, or parcel, with the amount of the assessment charged against it.

The board of county commissioners shall cause the amount of such local assessments to be paid to the city or town as other claims against the county are paid.

If title to any property thus described was acquired by the county through foreclosure of general tax liens, the county shall:
(1) Pay the assessment from the proceeds of the sale of the property; or
(2) Sell the property subject to the lien of the assessment. [1967 c 52 § 15; 1965 c 7 § 35.49.070. Prior: 1929 c 139 § 1; 1905 c 29 § 3; RRS § 9342.]

35.49.080 Payment by metropolitan park district. Upon the confirmation of the assessment roll for a local improvement district or utility local improvement district, the city treasurer shall certify and forward to the board of park commissioners of any metropolitan park district in which the city is located, a statement of all the lots, tracts, and parcels of land or other property held or owned by the district, assessed thereon, separately describing each lot, tract, or parcel with the amount of the assessment charged against it.

The board of park commissioners shall cause the amount of the local assessments to be paid as other claims against the metropolitan park district are paid. [1967 c 52 § 16; 1965 c 7 § 35.49.080. Prior: 1929 c 204 § 3; RRS § 9343–3.]

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.49.090 Payment by joint owner. If any assessment for a local improvement, or an installment thereof, or judgment for either of them is paid, or a certificate of sale for either of them is redeemed by a joint owner of any of the property so assessed, he may, after demand and refusal, recover from his co-owners, by an action brought in superior court, the respective portions of the payment which each co-owner should bear. He shall have a lien upon the undivided interests of his co-owners from the date of the payment made by him and in the action shall recover interest at ten percent from the date of payment by him and the costs of the action in addition to the principal sum due him. [1965 c 7 § 35.49-.090. Prior: 1911 c 98 § 62; RRS § 9415.]

35.49.100 Payment in error—Remedy. If, through error or inadvertence, a person pays any assessment for a local improvement or an installment thereof upon the lands of another, he may, after demand and refusal, recover from the owner of such lands, by an action in the superior court, the amount so paid and the costs of the
35.49.110 Record of payment. If the amount of any assessment for a local improvement with interest, penalty, costs, and charges accrued thereon is paid to the treasurer before sale of the property in foreclosure of the lien thereon, the city or town treasurer shall mark it paid upon the assessment roll with the date of payment thereof. [1965 c 7 § 35.49.110. Prior: 1927 c 275 § 2; 1911 c 98 § 30; RRS § 9382.]

35.49.120 Tax liens—Private certificate holder takes subject to local assessments. The holder of a certificate of delinquency for general taxes, before commencing any action to foreclose the lien of such certificate, shall pay in full all local improvement assessments or installments thereof which are a lien against the property or any portion thereof, or he may elect to proceed to acquire title to the property subject to certain or all of the assessments or installments which are a lien thereon, in which case the complaint, decree of foreclosure, order of sale, sale, certificate of sale, and deed shall so state.

If the holder pays such local assessments or installments he shall be entitled to twelve percent interest per annum on the amount of the delinquent assessments or delinquent installments thereof so paid, from the date of payment. [1965 c 7 § 35.49.120. Prior: 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

35.49.130 Tax liens—County foreclosures—City may protect assessment lien. In county foreclosures for delinquency in the payment of general taxes, the county treasurer shall mail a copy of the published summons to the treasurer of every city and town within which any property involved in the foreclosure proceeding is situated. The copy of the summons shall be mailed within fifteen days after the first publication thereof, but the county treasurer's failure to do so shall not affect the jurisdiction of the court nor the priority of the tax sought to be foreclosed.

If any property situated in a city or town is offered for sale for general taxes, the city or town shall have power to protect the lien or liens of any local improvement assessments outstanding against the whole or portion of such property by purchase thereof or otherwise. [1965 c 7 § 35.49.130. Prior: (i) 1911 c 98 § 63; RRS § 9416. (ii) 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

35.49.140 Tax liens—Payment by city after taking property on foreclosure of local assessments. If a city or town has bid in any property on sale for local improvement assessments, it may satisfy the lien or liens of any outstanding general taxes upon the property by payment of the face of such taxes and costs, without penalty or interest, but this shall not apply where certificates of delinquency against the property have been issued to private persons. [1965 c 7 § 35.49.140. Prior: 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

35.49.150 Tax title property—City may acquire from county before resale. If property is struck off to or bid in by a county at a sale for general taxes, and is subject to local improvement assessments in any city or town, or has been taken over by the city or town on the foreclosure of local improvement assessments, the city or town may acquire the property from the county at any time before resale and receive a deed therefor upon paying the face of such taxes and costs, without penalty or interest. [1965 c 7 § 35.49.150. Prior: 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

35.49.160 Tax title property—Disposition of proceeds upon resale. Whenever property struck off to or bid in by a county at a sale for general taxes is subsequently sold by the county, the proceeds of the sale shall first be applied to discharge in full the lien or liens for general taxes for which property was sold; the remainder, or such portion thereof as may be necessary, shall be paid to the city or town to discharge all local improvement assessment liens against the property; and the surplus, if any, shall be distributed among the proper county funds. [1965 c 7 § 35.49.160. Prior: 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

After first reimbursing any funds which may have advanced monies on account of any lot, tract, or parcel, all proceeds resulting from lease or sale thereof shall ratably belong and be paid into the funds of the local improvement concerned. [1965 c 7 § 35.53.030. Prior: 1929 c 142 § 1, part; RRS § 9384.]

The city or town, as trustee of the fund, may foreclose the lien of general tax certificates of delinquency and

35.54.095 Transfer of assets to general fund—When authorized—Payment of claims as general obligation, when. (1) Any city or town maintaining a local improvement guaranty fund under this chapter, upon certification by the city or town treasurer that the local improvement guaranty fund has sufficient funds currently on hand to meet all valid outstanding obligations of the fund and all other obligations of the fund reasonably expected to be incurred in the near future, may by ordinance transfer assets from such fund to its general fund. The net cash of the local improvement guaranty fund may be reduced by such transfer to an amount not less than ten percent of the net outstanding obligations guaranteed by such fund.

(2) If, at any time within five years of any transfer of assets from the local improvement guaranty fund to the general fund of a city or town, the net cash of the local improvement guaranty fund is reduced below the minimum amount specified in subsection (1) of this section, the city or town shall, to the extent of the amount transferred, pay valid claims against the local improvement guaranty fund as a general obligation of the city or town. Whenever payment of a local improvement district assessment is deferred pursuant to the provisions of RCW 35.43.250 the amount of the deferred assessment shall be paid out of the local improvement guaranty fund. The local improvement guaranty fund shall have a lien on the benefited property in an amount equal to the deferral together with interest as provided for by the establishing ordinance.

The lien may accumulate up to an amount not to exceed the sum of two installments: Provided, That the ordinance creating the local improvement district may provide for one or additional deferrals of up to two installments. Local improvement assessment obligations deferred under *this 1972 amendatory act shall become payable upon the earliest of the following dates:

(1) Upon the date and pursuant to conditions established by the political subdivision granting the deferral; or

(2) Upon the sale of property which has a deferred assessment lien upon it from the purchase price; or

(3) Upon the death of the person to whom the deferral was granted from the value of his estate; except a surviving spouse shall be allowed to continue the deferral which shall then be payable by that spouse as provided in this section. [1972 ex.s. c 137 § 3.]

*Reviser's note: *this 1972 amendatory act* [1972 ex.s. c 137] consists of RCW 35.43.250 and 35.54.100 and the 1972 ex.s. amendments to RCW 35.49.010 and 35.50.050.

Severability—1972 ex.s. c 137; See note following RCW 35.49.010.
property taken or damaged, and all other costs and expense incidental to such improvement, to the property benefited, except such amount of such expense as the city council may direct to be paid out of the current or general expense fund.

If, in the judgment of the city council the special benefits for any such improvement shall extend beyond the boundaries of the filled area, the council may create an enlarged district which shall include, as near as may be, all the property, whether actually filled or not, which will be specially benefited by such improvement, and in such case the council shall specify and describe the boundaries of such enlarged district in the ordinance providing for such improvement and shall specify that such portion of the total cost and expense of such improvement as may not be borne by the current or general expense fund, shall be distributed and assessed against all the property of such enlarged district. [1965 c 7 § 35.55.010. Prior: 1917 c 63 § 1; 1909 c 147 § 1; RRS § 9432.]

35.55.020 Alternative methods of financing. If the city council desires to make any improvement authorized by the provisions of this chapter it shall provide therefor by ordinance and unless the ordinance provides that the improvement shall be paid for wholly or in part by special assessments upon the property benefited, compensation therefor shall be made from any general funds of the city applicable thereto. If the ordinance provides that the improvement shall be paid for wholly or in part by special assessments upon property benefited, the proceedings for the making of the special assessments shall be as hereinafter provided. [1965 c 7 § 35.55.020. Prior: 1909 c 147 § 2, part; RRS § 9433, part.]

Special assessments or taxation for local improvements: State Constitution Art. 7 § 9.

35.55.030 Boundaries—Excepted property. Such ordinance shall specify the boundaries of the proposed improvement district and shall describe the lands which it is proposed to assess for said improvement. If any parcel of land within the boundaries of such proposed improvement district has been wholly filled to the proposed grade elevation of the proposed fill, such parcel of land may be excluded from the lists of lands to be assessed, when in the opinion of the city council justice and equity require its exclusion. The boundaries of any improvement district may be altered so as to exclude land therefrom at any time up to the levying of the assessment but such changing of the boundaries shall be by ordinance. [1965 c 7 § 35.55.030. Prior: 1909 c 147 § 2, part; RRS § 9433, part.]

35.55.040 Damages—Eminent domain. If an ordinance has been passed as in this chapter provided, and it appears that in making of the improvement so authorized, private property will be taken or damaged thereby, the city shall file a petition in the superior court of the county in which such city is situated, in the name of the city, praying that just compensation to be made for the property to be taken or damaged for the improvement specified in the ordinance be ascertained, and conduct proceedings in eminent domain in accordance with the statutes relating to cities for the ascertaining of the compensation to be made for the taking and damaging of property, except insofar as the same may be inconsistent with this chapter.

The filling of unimproved and uncultivated lowlands of the character mentioned in RCW 35.55.010 shall not be considered as damaging or taking of such lands. The damage if any, done to cultivated lands or growing crops thereon, or to buildings and other improvements situated within the district proposed to be filled, shall be ascertained and determined in the manner above provided; but no damage shall be awarded to any property owner for buildings or improvements placed upon lands included within said district after the publication of the ordinance defining the boundaries of the proposed improvement district: Provided, That the city shall after the passage of such ordinance, proceed with said improvement with due diligence. If the improvement is to be made at the expense of the property benefited, no account shall be taken of benefits by the jury or court in assessing the amount of compensation to be made to the owner of any property within such district, but such compensation shall be assessed without regard to benefits to the end that said property for which damages may be so awarded, may be assessed the same as other property within the district for its just share and proportion of the expense of making said improvement, and the fact that compensation has been awarded for the damaging or taking of any parcel of land shall not preclude the assessment of such parcel of land for its just proportion of said improvement. [1965 c 7 § 35.55.040. Prior: 1909 c 147 § 3; RRS § 9434.]

Eminent domain by cities: Chapter 8.12 RCW.

35.55.050 Estimates—Plans and specifications. At the time of the initiation of the proceedings for any improvement as contemplated by this chapter, or at any time afterward, the city council shall cause plans and specifications for said improvement to be prepared and shall cause an estimate to be made of the cost and expense of making said improvement, including the cost of supervision and engineering, abstractor's fees, interest and discounts and all other expenses incidental to said improvement, including an estimate of the amount of damages for property taken or damaged, which plans, specifications and estimates shall be approved by the city council. [1965 c 7 § 35.55.050. Prior: 1909 c 147 § 4; RRS § 9435.]

35.55.060 Assessment roll—Items—Assessment units—Installments. When such plans and specifications have been prepared and the estimates of the cost and expense of making the improvement have been adopted by the council and when an estimate has been made of the compensation to be paid for property damaged or taken, either before or after the compensation has been ascertained in the eminent domain proceedings, the city council shall cause an assessment roll to be prepared containing a list of all of the property within the improvement district which it is proposed to assess for the improvement, together with the names of the owners,
if known, and if unknown the property shall be assessed to an unknown owner, and opposite each description shall be set the amount assessed to such description.

When so ordered by the council, the entire amount of compensation paid or to be paid for property damaged or taken, including all of the costs and expenses incidental to the condemnation proceedings together with the entire cost and expense of making the improvement, may be assessed against the property within the district subject to assessment, but the council may order any portion of the costs paid out of the current or general expense fund of the city.

The assessments shall be made according to and in proportion to surface area one square foot of surface to be the unit of assessment, except that the several parcels of land in any enlarged district not actually filled shall be assessed in accordance with special benefits: Provided, That where any parcel of land was partially filled by the owner prior to the initiation of the improvement, an equitable deduction for such partial filling may be allowed.

The cost and expense incidental to the filling of the streets, alleys and public places within such assessment district shall be borne by the private property within such district subject to assessment when so ordered by the council. When the assessments are payable in installments, the assessment roll when equalized, shall show the number of installments and the amounts thereof. The assessments may be made payable in any number of equal annual installments not exceeding ten in number. [1965 c 7 § 35.55.060. Prior: 1917 c 63 § 2; 1909 c 147 § 5; RRS § 9436.]

35.55.070 Hearing on assessment roll—Notice—Council's authority. When such assessment roll has been prepared it shall be filed in the office of the city clerk and thereupon the city clerk shall give notice by publication in at least three issues of the official paper that such roll is on file in his office and that at a date mentioned in said notice, which shall be at least twenty days after the date of the first publication thereof, the city council will sit as a board of equalization to equalize said roll and to hear, consider and determine protests and objections against the same.

At the time specified in the notice, the city council shall sit as a board of equalization to equalize the roll and they may adjourn the sitting from time to time until the equalization of such roll is completed. The city council as board of equalization may hear, consider and determine objections and protests against any assessment and may make such alterations and modifications in the assessment roll as justice and equity may require. [1965 c 7 § 35.55.070. Prior: 1909 c 147 § 6; RRS § 9437.]

35.55.080 Hearings—Appeals. Any person who has made objections to the assessment as equalized, shall have the right to appeal from the equalization as made by the city council to the superior court of the county. The appeal shall be made by filing a written notice of appeal with the city clerk within ten days after the equalization of the assessments by the council. The notice of appeal shall describe the property and the objections of such appellant to such assessment.

The appellant shall also file with the clerk of the superior court within ten days from the time of taking the appeal a copy of the notice of appeal together with a copy of the assessment roll and proceedings thereon, certified by the city clerk and a bond to the city conditioned to pay all costs that may be awarded against appellant in such sum not less than two hundred dollars and with such security as shall be approved by the clerk of the court.

The case shall be docketed by the clerk of the court in the name of the person taking the appeal as plaintiff and the city as defendant. The cause shall then be at issue and shall be tried immediately by the court as in the case of equitable causes; no further pleadings shall be necessary. The judgment of the court shall be either to confirm, modify or annul the assessment insofar as the same affects the property of the appellant. Appeal shall lie to the supreme court or the court of appeals as in other causes. [1971 c 81 § 94; 1965 c 7 § 35.55.080. Prior: 1909 c 147 § 7; RRS § 9438.]

35.55.090 Lien—Collection of assessments. From and after the equalization of the roll, the several assessments therein shall become a lien upon the real estate described therein and shall remain a lien until paid. The assessment lien shall take precedence of all other liens against such property, except the lien of general taxes. The assessments shall be collected by the same officers and enforced in the same manner as provided by law for the collection and enforcement of local assessments for street improvements. All of the provisions of laws and ordinances relative to the enforcement and collection of local assessments for street improvements shall be applicable to these assessments. [1965 c 7 § 35.55.090. Prior: 1909 c 147 § 8; RRS § 9439.]

Assessments for local improvements, collection and foreclosure: Chapters 35.49, 35.50 RCW.

35.55.100 Interest on assessments. The local assessments shall bear interest at such rate as may be fixed by the council, not exceeding the rate of eight percent per annum from and after the expiration of thirty days after the equalization of the assessment roll and shall bear such interest after delinquency as may be provided by general ordinance of the city. [1965 c 7 § 35.55.100. Prior: 1909 c 147 § 12, part; RRS § 9443, part.]

35.55.110 Payment of cost of improvement—Interest on warrants. If the improvement contemplated by this chapter is ordered to be made upon the immediate payment plan, the city council shall provide for the payment thereof by the issuance of local improvement fund warrants against the local improvement district, which warrants shall be paid only out of the funds derived from the local assessments in the district and shall bear interest at the rate of eight percent per annum from date of issuance. If the improvement is ordered to be made upon the bond installment plan, the city council shall provide
for the issuance of bonds against the improvement district. [1965 c 7 § 35.55.110. Prior: (i) 1909 c 147 § 12, part; RRS § 9443, part. (ii) 1909 c 147 § 9; RRS § 9440.]

35.55.120 Local improvement bonds—Terms. The city council shall have full authority to provide for the issuance of bonds against the improvement district fund in such denominations as the city council may provide which shall bear such rate of interest as the city council may fix, not exceeding, however, eight percent per annum. Interest shall be paid annually and the bonds shall become due and payable at such time, not exceeding ten years from the date thereof, as may be fixed by the council and shall be payable out of the local assessment district fund.

If so ordered by the council, the bonds may be issued in such a way that different numbers of the bonds may become due and payable at different intervals of time, or they may be so issued that all of the bonds against said district mature together. [1965 c 7 § 35.55.120. Prior: 1909 c 147 § 10, part; RRS § 9441, part.]

35.55.130 Local improvement bonds—Guaranties. The city may guarantee the payment of the whole or any part of the bonds issued against a local improvement district, but the guaranties on the part of the city, other than a city operating under the council–manager form of government, shall be made only by ordinance passed by the vote of not less than nine councilmen and the approval of the mayor in cities of the second class, and six councilmen and approval of the mayor in cities of the third class. In a city under the council–manager form of government, such guaranties shall be made only in an ordinance passed by a vote of three out of five or five out of seven councilmen, as the case may be, and approval of the mayor. In a city under the commission form of government, such guaranties shall be made only in an ordinance passed by a vote of two out of three of the commissioners. The mayor’s approval shall not be necessary in commission form cities. [1965 c 7 § 35.55.130. Prior: 1909 c 147 § 10, part; RRS § 9441, part.]

35.55.140 Local improvement bonds and warrants—Sale to pay damages, preliminary financing. The city council may negotiate sufficient warrants or bonds against any local improvement district at a price not less than ninety-five percent of their par value to raise sufficient money to pay any and all compensation which may be awarded for property damaged or taken in the eminent domain proceedings including the costs of such proceedings. In lieu of so doing, the city council may negotiate current or general expense fund warrants at par to raise funds for the payment of such compensation and expenses in the first instance, but in that event the current or general expense fund shall be reimbursed out of the first moneys collected in any such local assessment district or realized from the negotiation or sale of local improvement warrants or bonds. [1965 c 7 § 35.55.140. Prior: 1909 c 147 § 11; RRS § 9442.]

35.55.150 Local improvement fund—Investment. If money accumulates in an improvement fund and is likely to lie idle awaiting the maturity of the bonds against the district, the city council, under proper safeguards, may invest it temporarily, or may borrow it temporarily, at a reasonable rate of interest, but when so invested or borrowed, the city shall be responsible and liable for the restoration to such fund of the money so invested or borrowed with interest thereon, whenever required for the redemption of bonds maturing against such district. [1965 c 7 § 35.55.150. Prior: 1909 c 147 § 15; RRS § 9446.]

35.55.160 Letting contract for improvement—Excess or deficiency of fund. The contract for the making of the improvement may be let either before or after the making up of the equalization of the assessment roll, and warrants, or bonds may be issued against the local improvement district fund either before or after the equalization of the roll as in the judgment of the council may best subserve the public interest.

If, after the assessment roll is made up and equalized, based in whole or in part upon an estimate of the cost of the improvement, and it is found that the estimate was too high, the excess shall be rebated pro rata to the property owners on the assessment roll, the rebates to be deducted from the last installment, or installments, when the assessment is upon the installment plan.

If it is found that the estimated cost was too low and that the actual bona fide cost of the improvement is greater than the estimate, the city council, after due notice and a hearing, as in case of the original equalization of the roll, may add the required additional amount to the assessment roll to be apportioned among the several parcels of property upon the same rules and principles as if it had been originally included, except that the additional amount shall be added to the last installment of an assessment if assessments are payable upon the installment plan. The same notice shall be required for adding to the assessment roll in this manner as is required for the original equalization of the roll, and the property owner shall have the right of appeal. [1965 c 7 § 35.55.160. Prior: 1909 c 147 § 13; RRS § 9444.]

35.55.170 Payment of contractor—Bonds, warrants, cash. The city council may provide in letting the contract for an improvement, that the contractor shall accept special fund warrants or local improvement bonds against the local improvement district within which such improvement is to be made, in payment for the contract price of the work, and that the warrants or bonds may be issued to the contractor from time to time as the work progresses, or the city council may negotiate the special fund warrants or bonds against the local improvement district at not less than ninety-five cents in money for each dollar of warrants or bonds, and with the proceeds pay the contractor for the work and pay the other costs of such improvement. [1965 c 7 § 35.55.170. Prior: 1909 c 147 § 14; RRS § 9445.]

35.55.180 Reassessments. If any assessment is found to be invalid for any cause or if it is set aside for any

reason in judicial proceeding, a reassessment may be made and all laws relative to the reassessment of local assessments, for street or other improvements, shall, as far as practicable, be applicable hereto. [1965 c 7 § 35-55.180. Prior: 1909 c 147 § 16; RRS § 9447.]

35.55.190 Provisions of chapter not exclusive. The provisions of this chapter shall not be construed as repealing or in any wise affecting any existing laws relative to the making of any such improvements, but shall be considered as concurrent therewith. [1965 c 7 § 35-55.190. Prior: 1909 c 147 § 17; RRS § 9448.]

35.56.010 Authority—First, second and third class cities. If the city council or commission of any city of the first, second or third class in this state deems it necessary or expedient on account of the public health, sanitation, the general welfare, or other cause, to fill or raise the grade or elevation of any marshlands, swamplands, tidelands or lands commonly known as tideflats, or any other lands situated within the limits of such city and to clear and prepare said lands for such filling it may do so by proceeding in accordance with the provisions of this chapter.

For the purpose of filling and raising the grade or elevation of such lands and to secure material therefor and to provide for the proper drainage thereof after such fill has been effected, the city council or commission may acquire rights of way (and where necessary or desirable, may vacate, use and appropriate streets and alleys for such purposes) and lay out, build, construct and maintain over and across such lowlands, canals or artificial waterways of at least sufficient width, depth and length to provide and afford the quantity of earth, dirt and material required to complete such fill, and with the earth, dirt and material removed in digging and constructing such canals and waterways, fill and raise the grade or elevation of such marshlands, swamplands, tidelands or tideflats; and such canals or waterways shall be constructed of such width and depth (provided that all the earth, dirt and other suitable material removed in constructing the same shall be used to fill the lowlands as herein provided) as will make them available, convenient and suitable to provide water frontage for landings, wharves and other conveniences of navigation and commerce for the use and benefit of the city and the public. If canals or waterways are to be constructed as herein provided, such city may construct and maintain the necessary bridges over and across the same; such canals or waterways shall be forever under the control of such city and shall be and become public thoroughfares and waterways for the use and benefit of commerce, shipping, the city and the public generally.

The expense of making such improvement and in doing, accomplishing and effecting all the work provided for in this chapter including the cost of making compensation for property taken or damaged, and all other cost and expense incidental to such improvement, shall be assessed to the property benefited, except such amount of such expense as the city council or commission, in its discretion, may direct to be paid out of the current or general expense fund. [1965 c 7 § 35.56.010. Prior: 1929 c 63 § 1; 1913 c 16 § 1; RRS § 9449.]

35.56.020 Alternative methods of financing. If the city council or commission desires to make any improvement authorized by the provisions of this chapter it shall provide therefor by ordinance and unless the ordinance provides that the improvement shall be paid for wholly or in part by special assessment upon the property benefited, compensation therefor shall be made from any general or special funds of the city applicable thereto. If the ordinance provides that the improvement shall be paid for wholly or in part by special assessments upon property benefited, the proceedings for the making of such special assessment shall be as hereafter provided. [1965 c 7 § 35.56.020. Prior: 1913 c 16 § 2, part; RRS § 9450, part.]

35.56.030 Boundaries—Excepted property. Such ordinance shall specify the boundaries of the proposed improvement district and shall describe the lands which

[Title 35 RCW (1979 Ed.)—p 169]
it is proposed to assess for said improvement, and shall provide for the filling of such lowlands and shall outline the general scheme or plan of such fill. If any parcel of land within the boundaries of such proposed improvement district prior to the initiation of the improvement has been wholly filled to the proposed grade or elevation of the proposed fill, such parcel of land may be excluded from the lands to be assessed when in the opinion of the city council or commission justice and equity require its exclusion. The boundaries of any improvement district may be altered so as to exclude land therefrom at any time up to the levying of the assessment but such changing of the boundaries shall be by ordinance. [1965 c 7 § 35.56.030. Prior: 1913 c 16 § 2, part; RRS § 9450, part.]

35.56.040 Conditions precedent to passage of ordinance—Protests. Upon the introduction of an ordinance providing for such fill, if the city council or commission desires to proceed, it shall fix a time, not less than ten days, in which protests against said fill may be filed in the office of the city clerk. Thereupon it shall be the duty of the clerk of said city to publish in the official newspaper of said city in at least two consecutive issues thereof before the time fixed for the filing of protests, a notice of the time fixed for the filing of protests together with a copy of the proposed ordinance as introduced.

Protests against the proposed fill to be effective must be filed by the owners of more than half of the area of land situated within the proposed filling district exclusive of streets, alleys and public places on or before the date fixed for such filing. If an effective protest is filed the council shall not proceed further unless two-thirds of the members of the city council vote to proceed with the work; if the city is operating under a commission form of government composed of three commissioners, the commission shall not proceed further except by an unanimous affirmative vote of all the members thereof, if the commission is composed of five members, at least four affirmative votes thereof shall be necessary before proceeding.

If no effective protest is filed or if an effective protest is filed and two-thirds of the councilmen vote to proceed with the work or in cases where cities are operating under the commission form of government, the commissioners vote unanimously or four out of five commissioners vote to proceed with the work, the city council or commission shall at such meeting or in a succeeding meeting proceed to pass the proposed ordinance for the work, with such amendments and modifications as to the said city council or commission of said city may seem proper. The local improvement district shall be called “filling district No. ______.” [1965 c 7 § 35.56.040. Prior: 1913 c 16 § 2, part; RRS § 9450, part.]

35.56.050 Damages—Eminent domain. If an ordinance is passed as in this chapter provided, and it appears that in making of the improvements so authorized, private property will be taken or damaged thereby within or without the city, the city shall file a petition in the superior court of the county in which such city is situated, in the name of the city, praying that just compensation be made for the property to be taken or damaged for the improvement specified in the ordinance and conduct proceedings in eminent domain in accordance with the statutes relating to cities for the ascertainment of the compensation to be made for the taking and damaging of property, except insofar as the same may be inconsistent with this chapter.

The filling of unimproved and uncultivated lowlands of the character mentioned in RCW 35.56.010 shall not be considered as a damaging or taking of such lands. The damage, if any, done to cultivated lands or growing crops thereon, or to buildings and other improvements situated within the district proposed to be filled shall be ascertained and determined in the manner above provided; but no damage shall be awarded to any property owner for buildings or improvements placed upon lands included within said district after the publication of the ordinance defining the boundaries of the proposed improvement district: Provided, That the city shall, after the passage of such ordinance, proceed with said improvement with due diligence.

If the improvement is to be made at the expense of the property benefited, no account shall be taken of benefits by the jury or court in assessing the amount of compensation to be made to the owner of any property within such district, but such compensation shall be assessed without regard to benefits to the end that said property for which damages may be so awarded, may be assessed the same as other property within the district for its just share and proportion of the expense of making said improvement, and the fact that compensation has been awarded for the damaging or taking of any parcel of land shall not preclude the assessment of such parcel of land for its just proportion of said improvement. [1965 c 7 § 35.56.050. Prior: (i) 1913 c 16 § 3; RRS § 9451. (ii) 1929 c 63 § 4; 1913 c 16 § 21; RRS § 9469.]

Eminent domain, cities: Chapter 8.12 RCW.

35.56.060 Estimates—Plans and specifications. At the time of the initiation of the proceedings for any improvement as contemplated by this chapter or at any time afterward, the city council or commission shall cause plans and specifications for said improvement to be prepared and shall cause an estimate to be made of the cost and expense of making said improvement, including the cost of supervision and engineering, abstractor's fees, interest and discounts and all other expenses incidental to said improvement, including an estimate of the amount of damages for property taken or damaged, which plans, specifications and estimates shall be approved by the city council or commission. [1965 c 7 § 35.56.060. Prior: 1913 c 16 § 4; RRS § 9452.]

35.56.070 Assessment roll—Items—Assessment units—Installments. When such plans and specifications shall have been prepared and the estimate of the cost and expense of making the improvement has been adopted by the council or commission and when an estimate has been made of the compensation to be paid for property damaged or taken, either before or after the
compensation has been ascertained in the eminent domain proceedings, the city council or commission shall cause an assessment roll to be prepared containing a list of all the property within the improvement district which it is proposed to assess for the improvements together with the names of the owners, if known, and if unknown, the property shall be assessed to an unknown owner, and opposite each description shall be set the amount assessed to such description.

When so ordered by the city council or commission, the entire amount of compensation paid or to be paid for property damaged or taken, including all of the costs and expenses incidental to the condemnation proceedings together with the entire cost and expense of making the improvement may be assessed against the property within the district subject to assessment, but the city council or commission may order any portion of the costs paid out of the current or general expense fund of the city. The assessments shall be made according to and in proportion to surface area, one square foot of surface to be the unit of assessment: Provided, That where any parcel of land was wholly or partially filled by the owner prior to the initiation of the improvement an equitable deduction for such filling or partial filling may be allowed.

The cost and expense incidental to the filling of the streets, alleys and public places within said assessment district shall be borne by the private property within such district subject to assessment when so ordered by the city council or commission. When the assessments are payable in installments, the assessment roll when equalized shall show the number of installments and the amounts thereof. The assessment may be made payable in any number of equal annual installments not exceeding fifteen in number. [1965 c 7 § 35.56.070. Prior: 1913 c 16 § 5; RRS § 9453.]

35.56.080 Hearing on assessment roll—Notice—Council's authority. When such assessment roll has been prepared it shall be filed in the office of the city clerk and thereupon the city clerk shall give notice by publication in at least three issues of the official paper that such roll is on file in his office and on a date mentioned in said notice, which shall be at least twenty days after the date of the first publication thereof, the city council or commission will sit as a board of equalization to equalize said roll and to hear, consider and determine protests and objections against the same.

At the time specified in the notice, the city council or commission shall sit as a board of equalization to equalize the roll and they may adjourn the sitting from time to time until the equalization of such roll is completed. The city council or commission as such board of equalization may hear, consider and determine objections and protests against any assessment and make such alterations and modifications in the assessment roll as justice and equity may require. [1965 c 7 § 35.56.080. Prior: 1913 c 16 § 6; RRS § 9454.]

35.56.090 Hearing—Appeals. Any person who has made objections to the assessment as equalized, shall have the right to appeal from the equalization as made by the city council or commission to the superior court of the county. The appeal shall be made by filing a written notice of appeal with the city clerk within ten days after the equalization of the assessments by the council or commission. The notice of appeal shall describe the property and the objections of such appellant to such assessment.

The appellant shall also file with the clerk of the superior court within ten days from the time of taking the appeal a copy of the notice of appeal together with a copy of the assessment roll and proceedings thereon, certified by the city clerk and a bond to the city conditioned to pay all costs that may be awarded against appellant in such sum not less than two hundred dollars, and with such security as shall be approved by the clerk of the court.

The case shall be docketed by the clerk of the court in the name of the person taking the appeal as plaintiff, and the city as defendant. The case shall then be at issue and shall be tried immediately by the court as in the case of equitable causes; no further pleadings shall be necessary. The judgment of the court shall be either to confirm, modify or annul the assessment insofar as the same affects the property of the appellant. An appeal shall lie to the supreme court or the court of appeals as in other causes. [1971 c 81 § 95; 1965 c 7 § 35.56.090. Prior: 1913 c 16 § 7; RRS § 9455.]

35.56.100 Lien—Collection of assessments. From and after the equalization of the roll, the several assessments therein shall become a lien upon the real estate described therein and shall remain a lien until paid. The assessment lien shall take precedence of all other liens against such property, except the lien of general taxes. The assessments shall be collected by the same officers and enforced in the same manner as provided by law for the collection and enforcement of local assessments for street improvements. All of the provisions of laws and ordinances relative to the guaranty, enforcement, and collection of local assessments for street improvements, including foreclosure in case of delinquency, shall be applicable to these assessments. [1965 c 7 § 35.56.100. Prior: 1929 c 63 § 2; 1913 c 16 § 8; RRS § 9456.]

Assessments for local improvements, collection and foreclosure: Chapters 35.49, 35.50 RCW.

35.56.110 Interest on assessments. The local assessments shall bear interest at such rate as may be fixed by the council or commission, not exceeding the rate of eight percent per annum from and after the expiration of thirty days after the equalization of the assessment roll and shall bear such interest after delinquency as may be provided by general ordinance of the city. [1965 c 7 § 35.56.110. Prior: 1929 c 63 § 3; 1913 c 16 § 12; RRS § 9460.]

improvement fund warrants against the local improvement district, which warrants shall be paid only out of the funds derived from the local assessments in the district and shall bear interest at the rate of eight percent per annum from date of issuance. If the improvement is ordered to be made upon the bond installment plan, the city council or commission shall provide for the issuance of bonds against the improvement district. [1965 c 7 § 35.56.120. Prior: 1913 c 16 § 9; RRS § 9457.]

35.56.130 Local improvement bonds—Terms. The city council or commission shall have full authority to provide for the issuance of such bonds against the improvement district fund in such denominations as the city council or commission may provide, which shall bear such rate of interest as the city council or commission may fix, not exceeding, however, eight percent per annum. Interest shall be paid annually and the bonds shall become due and payable at such time, not exceeding fifteen years from the date thereof, as may be fixed by the said council or commission and shall be payable out of the assessment district funds.

If so ordered by the council or commission, the bonds may be issued in such a way that different numbers of the bonds may become due and payable at different intervals of time, or they may be so issued that all of the bonds against said district mature together. The city may reserve the right to call or mature any bond on any interest paying date when sufficient funds are on hand for its redemption; but bonds shall be called in numerical order. [1965 c 7 § 35.56.130. Prior: 1913 c 16 § 10, part; RRS § 9458, part.]

35.56.140 Local improvement bonds—Guaranties. The city may guarantee the payment of the whole or any part of the bonds issued against a local improvement district, but the guaranties on the part of the city shall be made only by ordinance passed by the vote of not less than two-thirds of the councilmen and the approval of the mayor, or three commissioners in case the governing body consist of three commissioners, or four where such city is governed by five commissioners. [1965 c 7 § 35.56.140. Prior: 1913 c 16 § 10, part; RRS § 9458, part.]

35.56.150 Local improvement bonds and warrants—Sale to pay damages—Preliminary financing. The city council or commission may negotiate sufficient warrants or bonds against any local improvement district at a price not less than ninety-five percent of their par value to raise sufficient money to pay any and all compensation which may be awarded for property damaged or taken in the eminent domain proceedings, including the costs of such proceedings. In lieu of so doing, the city council or commission may negotiate current or general expense fund warrants at par to raise funds for the payment of such compensation and expenses in the first instance, but in that event the current or general expense fund shall be reimbursed out of the first moneys collected in any such local assessment district or realized from the negotiation or sale of local improvement warrants or bonds. [1965 c 7 § 35.56.150. Prior: 1913 c 16 § 11; RRS § 9459.]

35.56.160 Local improvement fund—Investment. If money accumulates in an improvement fund and is likely to lie idle waiting the maturity of the bonds against the district, the city council or commission, under proper safeguards, may invest it temporarily, or may borrow it temporarily, at a reasonable rate of interest, but when so invested or borrowed, the city shall be responsible and liable for the restoration to such fund of the money so invested or borrowed with interest thereon, whenever required for the redemption of bonds maturing against such district. [1965 c 7 § 35.56.160. Prior: 1913 c 16 § 15; RRS § 9463.]

35.56.170 Letting contracts for improvement—Excess or deficiency of fund. The contract for the making of the improvement may be let either before or after the making up of the equalization of the assessment roll, and warrants or bonds may be issued against the local improvement district fund either before or after the equalization of the roll as in the judgment of the council or commission may best subserve the public interest.

If after the assessment roll is made up and equalized, based in whole or in part upon an estimate of the cost of the improvement, and it is found that the estimate was too high, the excess shall be rebated pro rata to the property owners on the assessment roll, the rebates to be deducted from the last installment, or installments, when the assessment is upon the installment plan.

If it is found that the estimated cost was too low and that the actual bona fide cost of the improvement is greater than the estimate, the city council or commission after due notice and a hearing, as in case of the original equalization of the roll, may add the required additional amount to the assessment roll to be apportioned among the several parcels of property upon the same rules and principles as if it had been originally included except that the additional amount shall be added to the last installment of an assessment if assessments are payable upon the installment plan. The same notice shall be required for adding to the assessment roll in this manner as is required for the original equalization of the roll, and the property owner shall have the right of appeal. [1965 c 7 § 35.56.170. Prior: 1913 c 16 § 13; RRS § 9461.]

[1965 c 7 § 35.56.180. Prior: 1913 c 16 § 14; RRS § 9462.]
35.56.190 Tax levy—General—Purposes—Limit. For the purpose of raising revenues to carry on any project under this chapter including funds for the payment for the lands taken, purchased, acquired or condemned and the expenses incident to the acquiring thereof, or any other cost or expenses incurred by the city under the provisions of this chapter but not including the cost of actually filling the lands for which the local improvement district was created, a city may levy an annual tax of not exceeding seventy-five cents per thousand dollars of assessed valuation of all property within the city. The city council or commission may create a fund into which all moneys so derived from taxation and moneys derived from rents and issues of the lands shall be paid and against which special fund warrants may be drawn or negotiable bonds issued to meet expenditures under this chapter. [1973 1st ex.s.c 195 § 22; 1965 c 7 § 35.56.190. Prior: 1913 c 16 § 19; RRS § 9467.]

35.56.200 Waterways constructed—Requirements. In the filling of any marshland, swampland, tidal or tidelands no canal or waterway shall be constructed in connection therewith less than three hundred feet wide at the top between the shore lines and with sufficient slope to the sides or banks thereof to as nearly as practicable render bulkheadings or other protection against caving or falling in of said sides or banks unnecessary and of sufficient depth to meet all ordinary requirements of navigation and commerce. 35.56.210 Waterways constructed—Control. The canal or waterway shall be and remain under the control of the city and immediately upon its completion the city shall establish outer dock lines lengthwise of said canal or waterway on both sides thereof in such manner and position that not less than two hundred feet of the width thereof shall always remain open between such lines and beyond and between which lines no right shall ever be granted to build wharves or other obstructions except bridges; nor shall any permanent obstruction to the free use of the channel so laid out between said wharf or dock lines excepting bridges, their approaches, piers, abutments and spans, ever be permitted but the same shall be kept open for navigation. [1965 c 7 § 35.56.210. Prior: 1913 c 16 § 17, part; RRS § 9465, part.]

35.56.220 Waterways constructed—Leasing facilities. The city shall have the right to lease the area so created between the said shore lines and the wharf lines so established or any part, parts or parcels thereof during times when the use thereof is not required by the city, for periods not exceeding thirty years, to private individuals or concerns for wharf, warehouse or manufacturing purposes at such annual rate or rental per linear foot of frontage on the canal or waterway as it may deem reasonable.

The rates of wharfage, and other charges to the public which any lessee may impose shall be reasonable; and the city council or commission may regulate such rates. The lease so granted by the city shall never be transferred or assigned without the consent of the city council or commission having been first obtained.

A city shall never lease to any individual or concern more than four hundred lineal feet of frontage of the area lying between the shore lines and the dock lines and no individual or concern shall ever hold or occupy by lease, sublease or otherwise more than the said four hundred lineal feet of frontage of such area: Provided, That any individual or concern may acquire by lease or sublease whatever additional number of lineal feet of frontage of such area may in the judgment of the city council or commission be necessary for the use of such individual or concern, upon petition therefor to the city council or commission signed by not less than five hundred resident freeholders of the city. [1965 c 7 § 35.56.220. Prior: 1913 c 16 § 17, part; RRS § 9465, part.]

35.56.230 Waterway shoreline front—Lessee must lease abutting property. If the city owns the land abutting upon any part of the area between the shore lines and dock lines, no portion of the area which has city owned property abutting upon it shall ever be leased unless an equal frontage of the abutting property immediately adjoining it is leased at the same time for the same period to the same individual or concern. [1965 c 7 § 35.56.230. Prior: 1913 c 16 § 17; RRS § 9465, part.]

35.56.240 Waterways constructed—Acquisition of abutting property. While acquiring the rights of way for such canals or waterways or at any time thereafter such city may acquire for its own use and public use by purchase, gift, condemnation or otherwise, and pay therefor by any lawful means including but not restricted to payment out of the current expense fund of such city or by bonding the city or by pledging revenues to be derived from rents and issues therefrom, lands abutting upon the shore lines or right-of-way of such canals or waterways to a distance, depth or width of not more than three hundred feet back from the banks or shore lines of such canals or waterways on either side or both sides thereof, or not more than three hundred lineal feet back from and abutting on the outer lines of such rights-of-way on either side or both sides of such rights-of-way, and such area of such abutting lands as the council or commission may deem necessary for its use for public docks, bridges, wharves, streets and other conveniences of navigation and commerce and for its own use and benefit generally. [1965 c 7 § 35.56.240. Prior: 1913 c 16 § 18, part; RRS § 9466, part.]

35.56.250 Waterways—Abutting city owned lands—Lease of. If the city is not using the abutting lands so acquired it may lease any parcels thereof as may be deemed for the best interest and convenience of navigation, commerce and the public interest and welfare to private individuals or concerns for terms not exceeding thirty years each at such annual rate or rental as the city council or commission of such city may deem just, proper and fair, for the purpose of erecting wharves
for wholesale and retail warehouses and for general commercial purposes and manufacturing sites, but the said city shall never convey or part with title to the abutting lands above mentioned and so acquired nor with the control other than in the manner herein specified. Any lease or leases granted by the city on such abutting lands shall never be transferred or assigned without the consent of the city council or commission having been first obtained.

A city shall never lease to any individual or concern more than four hundred lineal feet of canal or waterway frontage of said land and no individual or concern shall ever hold or occupy by lease, sublease, or otherwise more than the said four hundred lineal feet of said frontage. Provided, That any individual or concern may acquire by lease or sublease whatever additional frontage of such abutting land may be in the judgment of the city council or commission necessary for the use of such individual or concern, upon petition presented to the city council or commission therefor signed by not less than five hundred resident freeholders of such city. [1965 c 7 § 35.56.250. Prior: 1913 c 16 § 18, part; RRS § 9466, part.]

35.56.260 Waterways—Abutting lands—Lessee must lease shoreline property. At the time that the city leases to any individual or concern any of the land abutting on the area between the shore lines and the dock lines the same individual or concern must likewise for the same period of time lease all of the area between the shore line and dock line of such canal or waterway lying contiguous to and immediately in front of the abutting land so leased. [1965 c 7 § 35.56.260. Prior: 1913 c 16 § 18, part; RRS § 9466, part.]

35.56.270 Work by day labor. When a city undertakes any improvement authorized by this chapter and the expenditures required exceed the sum of five hundred dollars, it shall be done by contract and shall be let to the lowest responsible bidder, after due notice, under such regulation as may be prescribed by ordinance: Provided, That the city council or commission may reject all bids presented and readvertise, or, if in the judgment of the city council or commission the work can be performed, or supplies or materials furnished by the city independent of contract, cheaper than under the bid submitted, it may after having so advertised and examined the bids, cause the work to be performed or supplies or materials to be furnished independent of contract. This section shall be construed as a concurrent and cumulative power conferred on cities and shall not be construed as in any wise repealing or affecting any law now in force relating to the performing, execution and construction of public works. [1965 c 7 § 35.56.270. Prior: 1913 c 16 § 20; RRS § 9468.]

35.56.280 Reassessments. If any assessment is found to be invalid for any cause or if it is set aside for any reason in judicial proceeding, a reassessment may be made and all laws then in force relative to the reassessment of local assessments, for street or other improvements, shall, as far as practical, be applicable hereto.

35.58.010 Declaration of policy and purpose. It is hereby declared to be the public policy of the state of Washington to provide for the people of the populous metropolitan areas in the state the means of obtaining essential services not adequately provided by existing agencies of local government. The growth of urban population and the movement of people into suburban areas has created problems of water pollution abatement, garbage disposal, water supply, transportation, planning, parks and parkways which extend beyond the boundaries of cities, counties and special districts. For reasons of topography, location and movement of population, and land conditions and development, one or more of these problems cannot be adequately met by the individual cities, counties and districts of many metropolitan areas.

It is the purpose of this chapter to enable cities and counties to act jointly to meet these common problems in order that the proper growth and development of the metropolitan areas of the state may be assured and the health and welfare of the people residing therein may be secured. [1974 Ex. s c 70 § 1; 1965 c 7 § 35.58.010. Prior: 1957 c 213 § 1.]

35.58.070 Resolution, petition for election—Requirements, procedure. A metropolitan municipal corporation may be created by vote of the qualified electors residing in a metropolitan area in the manner provided in this chapter. An election to authorize the creation of a metropolitan municipal corporation may be called pursuant to resolution or petition in the following manner:
(1) A resolution or concurring resolutions calling for such an election may be adopted by either:
   (a) The city council of a central city; or
   (b) The city councils of two or more component cities other than a central city; or
   (c) The board of commissioners of a central county.

A certified copy of such resolution or certified copies of such concurring resolutions shall be transmitted to the board of commissioners of the central county.

(2) A petition calling for such an election shall be signed by at least four percent of the qualified voters residing within the metropolitan area and shall be filed with the auditor of the central county.

Any resolution or petition calling for such an election shall describe the boundaries of the proposed metropolitan area, name the metropolitan function or functions which the metropolitan municipal corporation shall be authorized to perform initially and state that the formation of the metropolitan municipal corporation will be conducive to the welfare and benefit of the persons and property within the metropolitan area. After the filing of a first sufficient petition or resolution with such county auditor or board of county commissioners respectively, action by such auditor or board shall be deferred on any subsequent petition or resolution until after the election has been held pursuant to such first petition or resolution.

Upon receipt of such a petition, the auditor shall examine the same and certify to the sufficiency of the signatures thereon. For the purpose of examining the signatures on such petition, the auditor shall be permitted access to the voter registration books of each component county and each component city. Notice of such hearing shall be published once a week for at least four consecutive weeks in one or more newspapers of general circulation within the metropolitan area. The notice shall contain a description of the boundaries of the proposed metropolitan area, shall name the initial metropolitan function or functions and shall state the time and place of the hearing and the fact that any changes in the boundaries of the metropolitan area will be considered at such time and place. The commissioners may make such changes in the boundaries of the metropolitan area as they shall deem reasonable and proper, but may not delete any portion of the proposed area which will create an island of included or excluded lands, may not delete a portion of any city, and may not delete any portion of the proposed area which is contributing or may reasonably be expected to contribute to the pollution of any water course or body of water in the proposed area when the petition or resolution names metropolitan water pollution abatement as a function to be performed by the proposed metropolitan municipal corporation. If the commissioners shall determine that any additional territory should be included in the metropolitan area, a second hearing shall be held and notice given in the same manner as for the original hearing. The commissioners may adjourn the hearing on the formation of a metropolitan municipal corporation from time to time not exceeding thirty days in all. At the next regular meeting following the conclusion of such hearing the commissioners shall adopt a resolution fixing the boundaries of the proposed metropolitan municipal corporation, declaring that the formation of the proposed metropolitan municipal corporation will be conducive to the welfare and benefit of the persons and property therein and providing for the calling of a special election on the formation of the metropolitan municipal corporation to be held not more than one hundred twenty days nor less than sixty days following the adoption of such resolution. [1974 ex.s. c 70 § 4; 1965 c 7 § 35.58.080. Prior: 1957 c 213 § 8.]

Notice of the election shall be published in one or more newspapers of general circulation in each component county in the manner provided in the general election laws. No person shall be entitled to vote at such election unless he is a qualified voter under the laws of the state in effect at the time of such election and has resided within the metropolitan area for at least thirty days preceding the date of the election. The ballot proposition shall be in substantially the following form:

A copy of such resolution shall be transmitted to the legislative body of each component city and county and of each special district which shall be affected by the particular metropolitan functions authorized.

At the same election there shall be submitted to the voters residing within the metropolitan area, for their approval or rejection, a proposition authorizing the metropolitan municipal corporation, if formed, to levy at the earliest time permitted by law on all taxable property located within the metropolitan municipal corporation a general tax, for one year, of twenty-five cents per thousand dollars of assessed value in excess of any constitutional or statutory limitation for authorized purposes of the metropolitan municipal corporation. 35.58.100 Additional functions—Authorized by election. A metropolitan municipal corporation may be authorized to perform one or more metropolitan functions in addition to those which it has previously been authorized to perform, with the approval of the voters at an election, in the manner provided in this section.

An election to authorize a metropolitan municipal corporation to perform one or more additional metropolitan functions may be called pursuant to a resolution or a petition in the following manner:

(1) A resolution calling for such an election may be adopted by:

(a) The city council of the central city; or

(b) The city councils of at least one-half in number of the component cities other than the central city; or

(c) The board of commissioners of the central county. Such resolution shall be transmitted to the metropolitan council.

(2) A petition calling for such an election shall be signed by at least four percent of the registered voters residing within the metropolitan area and shall be filed with the auditor of the central county.

Any resolution or petition calling for such an election shall name the additional metropolitan functions which the metropolitan municipal corporation shall be authorized to perform.

Upon receipt of such a petition, the auditor shall examine the signatures thereon and certify to the sufficiency thereof. For the purpose of examining the signatures on such petition, the auditor shall be permitted access to all voter registration books of any component county and of all component cities. No person may withdraw his name from a petition after it has been filed with the auditor. Within thirty days following the receipt of such petition, the auditor shall transmit the same to the metropolitan council, together with his certificate as to the sufficiency of signatures thereon.

Upon receipt of a valid resolution or duly certified petition calling for an election on the authorization of the performance of one or more additional metropolitan functions, the metropolitan council shall cause to be called a special election to be held not more than one hundred and twenty days nor less than sixty days following such receipt. Such special election shall be conducted and canvassed as provided in this chapter for an election on the question of forming a metropolitan municipal corporation. The ballot proposition shall be in substantially the following form:

"Shall the . . . metropolitan municipal corporation be authorized to perform the additional metropolitan functions of . . . . . . . . (here insert the title of each of the additional functions to be authorized as set forth in the petition or resolution)?

YES ........................................ □
NO ........................................ □

If a majority of the persons voting on the proposition shall vote in favor thereof, the metropolitan municipal corporation shall be authorized to perform such additional metropolitan function or functions. [1967 c 105 § 2; 1965 c 7 § 35.58.100. Prior: 1957 c 213 § 10.]
functions in addition to those which it previously has been authorized to perform, without an election, in the manner provided in this section. A resolution providing for the performance of such additional metropolitan function or functions shall be adopted by the metropolitan council. A copy of such resolution shall be transmitted by registered mail to the legislative body of each component city and county. If, within ninety days after the date of such mailing, a concurring resolution is adopted by the legislative body of each component city of the first class, and of at least two-thirds of all other component cities, and such concurring resolutions are transmitted to the metropolitan council, such council shall by resolution declare that the metropolitan municipal corporation has been authorized to perform such additional metropolitan function or functions. A copy of such resolution shall be transmitted by registered mail to the legislative body of each component city and county and of each special district which will be affected by the particular additional metropolitan function authorized. [1965 c 7 § 35.58.110. Prior: 1957 c 213 § 11.]

35.58.112 Recommended comprehensive plan for performance of additional function—Study and preparation. The metropolitan council of a metropolitan municipal corporation upon the affirmative vote of two-thirds of the members of such council may make planning, engineering, legal, financial and feasibility studies preliminary to or incident to the preparation of a recommended comprehensive plan for any metropolitan function, and may prepare such a recommended comprehensive plan before the metropolitan municipal corporation has been authorized to perform such function. The studies and plan may cover territory within and without the metropolitan municipal corporation. A recommended comprehensive plan prepared pursuant to this section for any metropolitan function may not be adopted by the metropolitan council unless the metropolitan municipal corporation shall have been authorized to perform such function. [1967 c 105 § 7.]

35.58.114 Recommended comprehensive plan for performance of additional function—Resolution for special election to authorize additional function—Contents—Hearings—Election procedure. Whenever a recommended comprehensive plan for the performance of any additional metropolitan function shall have been prepared and the metropolitan council shall have found the plan to be feasible the council may by resolution call a special election to authorize the performance of such additional function without the filing of the petitions or resolutions provided for in RCW 35.58.100.

If the metropolitan council shall determine that the performance of such function requires enlargement of the metropolitan area, such resolution shall contain a description of the boundaries of the proposed metropolitan area and may be adopted only after a public hearing thereon before the council. Notice of such hearing shall be published once a week for at least two consecutive weeks in one or more newspapers of general circulation within the proposed metropolitan area. The notice shall contain a description of the boundaries of the proposed metropolitan area, shall name the additional function or functions to be performed and shall state the time and place of the hearing and the fact that any changes in the boundaries of the proposed metropolitan area will be considered at such time and place. At such hearing any interested person may appear and be heard. The council may make such changes in the proposed metropolitan area as they shall deem reasonable and proper, but may not delete any portion of the existing metropolitan area and may not delete any portion of the proposed additional area which will create an island of included or excluded lands. If the council shall determine that the proposed additional area should be further enlarged, a second hearing shall be held and notice given in the same manner as for the original hearing. The council may adjourn the hearing or hearings from time to time.

Following the conclusion of such hearing or hearings the council may adopt a resolution fixing the boundaries of the proposed metropolitan area and calling a special election on the performance of such additional function. If the metropolitan municipal corporation is then authorized to perform the function of metropolitan sewage disposal the council may provide in such resolution that local governmental agencies collecting sewage from areas outside the metropolitan area as same is constituted on the date of adoption of such resolution will not there-after be required to discharge such sewage into the metropolitan sewer system or to secure approval of local construction plans from the metropolitan municipal corporation unless such local agency shall first have entered into a contract with the metropolitan municipal corporation for the disposal of such sewage. The metropolitan council may also provide in such resolution that the authorization to perform such additional function be effective only if the voters at such election also authorize the issuance of any general obligation bonds required to carry out the recommended comprehensive plan.

The resolution calling such election shall fix the form of the ballot proposition and the same may vary from that specified in RCW 35.58.100. If the metropolitan council shall find that the issuance of general obligation bonds is necessary to perform such additional function and to carry out such recommended comprehensive plan then the ballot proposition shall set forth the principal amount of such bonds and the maximum maturity thereof and the proposition shall be so worded that the voters may by a single yes or no vote authorize the performance of the designated function in the area described in the resolution and the issuance of such general obligation bonds.

The persons voting at such election shall be all of the qualified voters who have resided within the boundaries of the proposed metropolitan area for at least thirty days preceding the date of the election. The election shall be conducted and canvassed as provided in RCW 35.58.090.

If the resolution calling such election does not require the approval of general obligation bonds as a condition of the performance of such additional function and if a majority of the persons voting on the ballot proposition...
residing within the existing metropolitan municipal corporation shall vote in favor thereof and a majority of the persons residing within the area proposed to be added to the existing metropolitan municipal corporation shall vote in favor thereof the boundaries described in the resolution calling the election shall become the boundaries of the metropolitan municipal corporation and the metropolitan municipal corporation shall be authorized to perform the additional function described in the proposition.

35.58.460  Revenue bonds—Issuance, sale, form, term, payment, reserves, actions. A metropolitan municipal corporation may issue revenue bonds to provide funds to carry out its authorized metropolitan water pollution abatement, water supply, garbage disposal or transportation purposes, without submitting the matter to the voters of the metropolitan municipal corporation.

The metropolitan council shall create a special fund or funds for the sole purpose of paying the principal of and interest on the bonds of each such issue, into which fund or funds the metropolitan council may obligate the metropolitan municipal corporation to pay such amounts of the gross revenue of the particular utility constructed, acquired, improved, added to, or repaired out of the proceeds of sale of such bonds, as the metropolitan council shall determine and may obligate the metropolitan municipal corporation to pay such amounts out of otherwise unpledged revenue which may be derived from the ownership, use or operation of properties or facilities owned, used or operated incident to the performance of the authorized function for which such bonds are issued or out of otherwise unpledged fees, tolls, charges, tariffs, fares, rentals, special taxes or other sources of payment lawfully authorized for such purpose, as the metropolitan council shall determine. The principal of, and interest on, such bonds shall be payable only out of such special fund or funds, and the owners and holders of such bonds shall have a lien and charge against the gross revenue of such utility or any other revenue, fees, tolls, charges, tariffs, fares, special taxes or other authorized sources pledged to the payment of such bonds.

Such revenue bonds and the interest thereon issued against such fund or funds shall be a valid claim of the holders thereof only as against such fund or funds and the revenue pledged therefor, and shall not constitute a general indebtedness of the metropolitan municipal corporation.

Each such revenue bond shall state upon its face that it is payable from such special fund or funds, and all revenue bonds issued under this chapter shall be negotiable securities within the provisions of the law of this state. Such revenue bonds may be registered either as to principal only or as to principal and interest, or may be bearer bonds; shall be in such denominations as the metropolitan council shall deem proper; shall be payable at such time or times and at such places as shall be determined by the metropolitan council; shall bear interest at such rate or rates as shall be determined by the metropolitan council; shall be signed by the chairman and attested by the secretary of the metropolitan council, one of which signatures may be a facsimile signature, and the seal of the metropolitan municipal corporation shall be impressed or imprinted thereon; each of the interest coupons shall be signed by the facsimile signatures of said officials.

Such revenue bonds shall be sold in such manner, at such price and at such rate or rates of interest as the metropolitan council shall deem to be for the best interests of the metropolitan municipal corporation, either at public or private sale.

The metropolitan council may at the time of the issuance of such revenue bonds make such covenants with the purchasers and holders of said bonds as it may deem necessary to secure and guarantee the payment of the principal thereof and the interest thereon, including but not being limited to covenants to set aside adequate reserves to secure or guarantee the payment of such principal and interest, to maintain rates sufficient to pay such principal and interest and to maintain adequate coverage over debt service, to appoint a trustee or trustees for the bondholders to safeguard the expenditure of the proceeds of sale of such bonds and to fix the powers and duties of such trustee or trustees and to make such other covenants as the metropolitan council may deem necessary to accomplish the most advantageous sale of such bonds. The metropolitan council may also provide that revenue bonds payable out of the same source may later be issued on a parity with revenue bonds being issued and sold.

The metropolitan council may include in the principal amount of any such revenue bond issue an amount to establish necessary reserves, an amount for working capital and an amount necessary for interest during the period of construction of any such metropolitan facilities plus six months. The metropolitan council may, if it deems it to the best interest of the metropolitan municipal corporation, provide in any contract for the construction or acquisition of any metropolitan facilities or additions or improvements thereto or replacements or extensions thereof that payment therefor shall be made only in such revenue bonds at the par value thereof.

If the metropolitan municipal corporation shall fail to carry out or perform any of its obligations or covenants made in the authorization, issuance and sale of such bonds, the holder of any such bond may bring action against the metropolitan municipal corporation and compel the performance of any or all of such covenants. 35.71.020 Establishment declared public purpose—Authority to establish—General powers. The establishment of pedestrian malls is declared to be for a public purpose. Any corporate authority, by ordinance, may establish and regulate any street right of way as a mall, may prohibit, in whole or in part, vehicular traffic on a mall, and may provide for the acquisition of any interest in the right of way necessary to its establishment, and may provide for the determination of legal damages, if any, to abutting property. 35.71.030 Resolution of intention—Traffic limitation—Property owner's right of ingress and egress. When the corporate authority determines that the public interest, safety, and convenience is best served by the establishment of a mall and that vehicular traffic will not be unduly inconvenienced thereby, it may adopt a
resolution declaring its intention to do so, and announcing the intended extent of traffic limitation. Any corporate authority is authorized to limit the utilization of any right of way, except for utilities and governmental functions, provided adequate alternative routes for vehicular movement, and the loading and unloading of goods are established or are available. The abutting property owner's right of ingress and egress shall be considered to have been satisfied whenever the corporate authority has planned and constructed, or there is available, an alternate route, alleyway, and service driveway. [1965 c 7 § 35.71.030. Prior: 1961 c 111 § 3.]

35.71.040 Plan—Alternate vehicle routes—Off-street parking—Hearing, notice. The appraisers shall submit their findings in writing to the chief executive of the city. [1965 c 7 § 35.71.050. Prior: 1961 c 111 § 5.]

35.71.060 Financing methods. The corporate authority may finance the establishment of a mall, including, but not limited to, right of way improvements, traffic control devices, and off-street parking facilities in the vicinity of the mall, by one or more of the following methods or by a combination of any two or more of them:

1. By creating local improvement districts under the laws applicable thereto in Title 35 RCW.
2. By issuing revenue bonds pursuant to chapter 35.41 RCW, RCW 35.24.305, chapter 35.92 RCW, RCW 35.81.100, and by such other statutes that may authorize such bonds.
3. By issuing general obligation bonds pursuant to chapter 39.52 RCW, RCW 35.81.115, and by such other statutes and applicable provisions of the state Constitution that may authorize such bonds.
4. By use of gifts and donations.
5. General fund and other available moneys: Provided, That if any general fund moneys are expended for a mall, provision may be made for repayment thereof to the general fund from money received from the financing of the mall.

The corporate authority may include within the cost of any mall project the expense of moving utilities, or any facility located within a right of way. [1965 c 7 § 35.71.060. Prior: 1961 c 111 § 6.]

35.71.070 Waivers and quitclaim deeds—Rights in right of way. The corporate authority may formulate, solicit, finance and acquire, purchase, or negotiate the acquisition of waivers and the execution of quitclaim deeds by persons owning or having any legal or equitable interest in the real property affected by the establishment of a mall, conveying the necessary rights to the city to prohibit through vehicular traffic and otherwise limit vehicular access to, and from, such right of way: Provided, That the execution of such waivers and quitclaim deeds shall not operate to extinguish the rights of the abutting owner, lessor, or lessee in the right of way, not included in such waiver or quitclaim deed. [1965 c 7 § 35.71.070. Prior: 1961 c 111 § 7.]

35.71.080 Vacating, replatting right of way for mall purposes. The corporate authority, as an alternate to the preceding methods, may find that the right of way no longer is needed as a right of way. When persons owning or having any legal or equitable interest in the real property affected by a proposed mall, present a petition to the corporate authority for vacating the right of way pursuant to chapter 35.79 RCW, or the corporate authority initiates by resolution such a vacation proceeding, a right of way may be vacated and replatted for mall purposes, and closed to vehicular traffic except as provided in RCW 35.71.030, consistent with the subdivision standards allowed by Title 58 RCW, and chapter 35.63 RCW. [1965 c 7 § 35.71.080. Prior: 1961 c 111 § 8.]

The corporate authority may cause an organization of persons to be known as a "Mall organization" interested in creating a mall in a given area to be formed to provide for consultative assistance to the city with respect to the establishment and administration of a mall. This organization may elect a board of directors of not less than three nor more than twelve members. The board shall elect a president, a vice president, and a secretary from its membership. 35.76.010 Declaration of purpose—Budget and accounting by functional categories. Records of city street expenditures are generally inadequate to meet the needs of cities for planning and administration of their street programs and the needs of the legislature in providing for city street financing. It is the intent of the legislature that each city and town shall budget and thereafter maintain records and accounts for all street expenditures by functional categories in a manner consistent with its size, administrative capabilities, and the amounts of money expended by it for street purposes. The state auditor, through the division of municipal corporations, shall formulate, prescribe and install a system of cost accounting and reporting for each city having a population of more than eight thousand, according to the last official census, which will correctly show all street expenditures by functional categories. The system shall also provide for reporting all revenues available for street purposes from whatever source including local improvement district assessments and state and federal aid. The division of municipal corporations shall annually make a cost-audit examination of street records for each city and town and make a written report thereon to the legislative body of each city and town. The expense of such examination shall be paid out of that portion of the motor vehicle fund allocated to the cities and towns and withheld for use by the state highway commission under the terms of RCW 46.68.110(1). In the preparation of city and town budgets, including the preparation and filing of budget estimates, adoption of preliminary budgets and adoption of final budgets, all expenditures for street purposes shall be designated by such functional categories only. (1) The legislative body of each city and town, pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive street program for the ensuing six calendar years and shall file the same with the director of highways not more than thirty days after its adoption. Annually thereafter the legislative body of each city and town shall review the work accomplished under the program and determine current city street needs. Based on these findings each such legislative body prior to July 1st of each year shall prepare and after public hearings thereon adopt a revised and extended comprehensive street program, and each one year extension and revision shall be filed with the director of highways not more than thirty days after its adoption. The purpose of this section shall be to assure that perpetually each city and town shall have available advanced plans, looking to the future for not less than six years as a guide in carrying out a coordinated street construction program. Such program may at any time be revised by a majority of the legislative body of a city or town, but only after a public hearing.

The six year program of each city lying within an urban area shall contain a separate section setting forth the six year program for arterial street construction based upon its long range construction plan and formulated in accordance with regulations of the urban arterial board. The six year program for arterial street construction shall be based upon estimated revenues available for such construction together with such additional sums as the legislative authority may request for urban arterials only from the urban arterial trust account for the six year period. The arterial street construction program shall provide for a more rapid rate of completion of the long range construction needs of major arterial streets than for secondary and collector arterial streets, pursuant to regulations of the urban arterial board: Provided, That urban arterial trust funds made available to the group of incorporated cities lying outside the boundaries of federally approved urban areas within each region need not be divided between functional classes of arterials but shall be available for any designated arterial street.

(2) On and after July 1, 1976, each six year program forwarded to the director in compliance with subsection (1) of this section shall contain information as to how a city or town will expend its moneys, including funds made available pursuant to chapter 47.30 RCW, for bicycle, pedestrian, and equestrian purposes. 35.77.020 Agreements with county for planning, establishment, construction, and maintenance. Any city or town may enter into an agreement with the county in which it is located authorizing the county to perform all or any part of the construction, repair, and maintenance of streets in such city or town at such cost as shall be mutually agreed upon. The agreement shall be approved by ordinance of the governing body of the city or town and by resolution of the board of county commissioners. Any such agreement may include, but shall not be limited to the following:

of the city or town streets and bridges to the same standards provided by the county in unincorporated areas, or to increased standards as shall be specified which may include construction, repair, or maintenance of drainage facilities including storm sewers, sidewalks and curbings, street lighting, and traffic control devices.

(2) A provision that the county may provide engineering and administrative services necessary for the planning, establishment, construction, and maintenance of the streets of the city or town, including engineering and clerical services necessary for the establishment of local improvement districts. In providing such services the county engineer may exercise all the powers and perform all the duties vested by law or by ordinance in the city or town engineer or other officer or department charged with street administration.

Payments by a city or town under such an agreement shall be made to the county treasurer and by him deposited in the county road fund. Such construction, repair, maintenance, and engineering service shall be ordered by resolution and proceedings conducted in respect thereto in the same manner as provided for the construction, repair, and maintenance of county roads by counties, and for the preparation of maps, plans and specifications, advertising and award of contracts therefor: Provided, That except in case of emergency all construction work performed by a county on city streets pursuant to RCW 35.77.020 through 35.77.040, which exceeds ten thousand dollars, shall be done by contract, unless after advertisement and solicitation of competitive bids it appears that bids are unobtainable or that the lowest bid exceeds the amount for which such construction can be done by means other than contract. No street construction project shall be divided into lesser component parts for the purpose of avoiding the requirements for competitive bidding. [1965 c 7 § 35.77.030. Prior: 1961 c 245 § 2.]

Upon the passage of the resolution the city or town clerk shall give twenty days' notice of the pendency of the petition by a written notice posted in three of the most public places in the city or town and a like notice in a conspicuous place on the street or alley sought to be vacated. The said notice shall contain a statement that a petition has been filed to vacate the street or alley described in the notice, together with a statement of the time and place fixed for the hearing of the petition. In all cases where the proceeding is initiated by resolution of the city or town council or similar legislative authority without a petition having been signed by the owners of more than two-thirds of the property abutting upon the part of the street or alley sought to be vacated, in addition to the notice hereinabove required, there shall be given by mail at least fifteen days before the date fixed for the hearing, a similar notice to the owners or reputed owners of all lots, tracts or parcels of land or other property abutting upon any street or alley or any part thereof sought to be vacated, as shown on the rolls of the county treasurer, directed to the address thereon shown: Provided, That if fifty percent of the abutting property owners file written objection to the proposed vacation with the clerk, prior to the time of hearing, the city shall be prohibited from proceeding with the resolution. If the hearing is before such a committee the same shall, following the hearing, report its recommendation on the petition to the legislative authority which may adopt or reject the recommendation. If such hearing be held before such a committee it shall not be necessary to hold a hearing on the petition before such legislative authority. If the legislative authority determines to grant said petition or any part thereof, such city or town shall be authorized and have authority by ordinance to vacate such street, or alley, or any part thereof, and the ordinance may provide that it shall not become effective until the owners of property abutting upon the street or alley, or part thereof so vacated, shall compensate such city or town in an amount which does not exceed one-half the appraised value of the area so vacated: Provided, That such ordinance may provide that the city retain an easement or the right to exercise and grant easements in respect to the vacated land for the construction, repair, and maintenance of public utilities and services: Provided further, That no city or town shall be authorized or have authority to vacate such street, or alley, or any parts thereof if any portion thereof abuts on a body of salt or fresh water unless such vacation be sought to enable the city, town, port district or state to acquire the property for port purposes, boat moorage or launching sites, park, viewpoint, recreational, or educational purposes, or other public uses. This proviso shall not apply to industrial zoned property. A certified copy of such ordinance shall be recorded by the clerk of the legislative authority and in the office of the auditor of the county in which the vacated land is located. [1969 c 28 § 4. UNFIT DWELLINGS, BUILDINGS AND STRUCTURES

35.80.010 Declaration of purpose. It is hereby found that there exist, in the various municipalities and counties of the state, dwellings which are unfit for human habitation, and buildings and structures which are unfit for other uses due to dilapidation, disrepair, structural defects, defects increasing the hazards of fire, accidents, or other calamities, inadequate ventilation and uncleanliness, inadequate light or sanitary facilities, inadequate drainage, overcrowding, or to other conditions which are inimical to the health and welfare of the residents of such municipalities and counties.

It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended, and that the necessity of the public interest for the enactment of this law is hereby declared to be a matter of local legislative determination. [1969 ex.s. c 127 § 1; 1967 c 111 § 1; 1965 c 7 § 35.80.010. Prior: 1959 c 82 § 1.]

(1) Whenever the local governing body of a municipality finds that one or more conditions of the character described in RCW 35.80.010 exist within its territorial limits, said governing body may adopt ordinances relating to such dwellings, buildings, or structures. Such ordinances may provide for the following:

Said board or officer may be an existing municipal board or officer in the municipality, or may be a separate board or officer appointed solely for the purpose of exercising the powers assigned by said ordinance.

If a board is created, the ordinance shall specify the terms, method of appointment, and type of membership of said board, which may be limited, if the local governing body chooses, to public officers as herein defined.

(g) The owner or any party in interest, within thirty days from the date of service upon the owner and posting of an order issued by the board under the provisions of subdivision (c) of this subsection, may file an appeal with the appeals commission.

The findings and orders of the appeals commission shall be reported in the same manner and shall bear the same legal consequences as if issued by the board, and shall be subject to review only in the manner and to the extent provided in subdivision (2) of this section.

If the owner or party in interest, following exhaustion of his rights to appeal, fails to comply with the final order to repair, alter, improve, vacate, close, remove, or demolish the dwelling, building, or structure, the board or officer may direct or cause such dwelling, building, or structure to be repaired, altered, improved, vacated, and closed, removed, or demolished.

(h) That the amount of the cost of such repairs, alterations or improvements, or vacating and closing, or removal or demolition by the board or officer, shall be assessed against the real property upon which such cost was incurred unless such amount is previously paid. If the dwelling, building or structure is removed or demolished by the board or officer, the board or officer shall, if possible, sell the materials of such dwelling, building, or structure in accordance with procedures set forth in said ordinance, and shall credit the proceeds of such sale against the cost of the removal or demolition and if there be any balance remaining, it shall be paid to the parties entitled thereto, as determined by the board or officer, after deducting the cost incident thereto.

The demolition assessment shall constitute a lien against the property of equal rank with state, county and municipal taxes.

(2) Any person affected by an order issued by the appeals commission pursuant to subdivision (1)(f) hereof may, within thirty days after the posting and service of the order, petition to the superior court for an injunction restraining the public officer or members of the board from carrying out the provisions of the order. In all such proceedings the court is authorized to affirm, reverse, or modify the order and such trial shall be heard de novo.

An ordinance adopted by the local governing body of the municipality may authorize the board or officer to exercise such powers as may be necessary or convenient to carry out and effectuate the purposes and provisions of this section. These powers shall include the following in addition to others herein granted: (a) (i) To determine which dwellings within the municipality are unfit for human habitation; (ii) to determine which buildings or structures are unfit for other use; (b) to administer oaths and affirmations, examine witnesses and receive evidence; and (c) to investigate the dwelling and other use conditions in the municipality or county and to enter upon premises for the purpose of making examinations when the board or officer has reasonable ground for believing they are unfit for human habitation, or for other use: Provided, That such entries shall be made in such manner as to cause the least possible inconvenience to the persons in possession, and to obtain an order for this purpose after submitting evidence in support of an application which is adequate to justify such an order from a court of competent jurisdiction in the event entry is denied or resisted.
(4) The local governing body of any municipality adopting an ordinance pursuant to this chapter may appropriate the necessary funds to administer such ordinance.

(5) Nothing in this section shall be construed to abrogate or impair the powers of the courts or of any department of any municipality to enforce any provisions of its charter or its ordinances or regulations, nor to prevent or punish violations thereof; and the powers conferred by this section shall be in addition and supplemental to the powers conferred by any other law.

(6) Nothing in this section shall be construed to impair or limit in any way the power of the municipality to define and declare nuisances and to cause their removal or abatement, by summary proceedings or otherwise.

It is hereby found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended and the power of eminent domain exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination. [1965 c 7 § 35.81.020. Prior: 1957 c 42 § 2.]

35.81.020 Declaration of purpose and necessity. It is hereby found and declared that blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state exist in municipalities of the state; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime and depreciation of property values, constitutes an economic and social liability, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of such areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, are conducive to fires, are difficult to police and to provide police protection for, and, while contributing little to the tax income of the state and its municipalities, consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services, and facilities.

It is further found and declared that certain of such areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this chapter, since the prevailing condition of decay may make impracticable the reclamation of the area by rehabilitation; that other areas or portions thereof may, through the means provided in this chapter, be susceptible of rehabilitation in such a manner that the conditions and evils hereinafter enumerated may be eliminated, remedied or prevented; and that to the extent feasible salvageable blighted areas should be rehabilitated through voluntary action and the regulatory process.

It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended and the power of eminent domain exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination. [1965 c 7 § 35.81.020. Prior: 1957 c 42 § 2.]

35.81.030 Encouragement of private enterprise. A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this chapter, shall afford maximum opportunity, consistent with the
sound needs of the municipality as a whole, to the rehabilitation or redevelopment of the urban renewal area by private enterprise. A municipality shall give consideration to this objective in exercising its powers under this chapter, including the formulation of a workable program, the approval of urban renewal plans (consistent with the comprehensive plan or parts thereof for the municipality), the exercise of its zoning powers, the enforcement of other laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements, the disposition of any property acquired, and the provision of necessary public improvements. [1965 c 7 § 35.81.030. Prior: 1957 c 42 § 3.]

35.81.040 Formulation of workable program. A municipality for the purposes of this chapter may formulate a workable program for utilizing appropriate private and public resources to eliminate, and prevent the development or spread of, blighted areas, to encourage needed urban rehabilitation, to provide for the redevelopment of such areas, or to undertake such of the aforesaid activities, or other feasible municipal activities as may be suitably employed to achieve the objectives of such workable program. Such workable program may include, without limitation, provision for: The prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation of blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of blighted areas or portions thereof. [1965 c 7 § 35.81.040. Prior: 1957 c 42 § 4.]

35.81.050 Findings by local governing body required. No municipality shall exercise any of the powers hereafter conferred upon municipalities by this chapter until after its local governing body shall have adopted a resolution finding that: (1) One or more blighted areas exist in such municipality; and (2) the rehabilitation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals, or welfare of the residents of such municipality. [1965 c 7 § 35.81.050. Prior: 1957 c 42 § 5.]

35.81.060 Comprehensive plan—Preparation—Hearing—Approval—Modification—Effect. (1) A municipality shall not approve an urban renewal project for an urban renewal area unless the local governing body has, by resolution, determined such area to be a blighted area and designated such area as appropriate for an urban renewal project. The local governing body shall not approve an urban renewal plan until a comprehensive plan or parts of such plan for an area which would include an urban renewal area for the municipality have been prepared as provided in chapter 35.63 RCW. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt, and to revise from time to time, a comprehensive plan or parts thereof for the physical development of the municipality as a whole (giving due regard to the environs and metropolitan surroundings), to establish and maintain a planning commission for such purpose and related municipal planning activities, and to make available and to appropriate necessary funds therefor. A municipality shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal project plan in accordance with subsection (4) hereof.

(2) The municipality may itself prepare or cause to be prepared an urban renewal plan, or any person or agency, public or private, may submit such a plan to the municipality. Prior to its approval of an urban renewal project, the local governing body shall submit such plan to the planning commission of the municipality for review and recommendations as to its conformity with the comprehensive plan or parts thereof for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed urban renewal plan to the local governing body within sixty days after receipt of it. Upon receipt of the recommendations of the planning commission, or if no recommendations are received within sixty days, then without such recommendations, the local governing body may proceed with the hearing on the proposed urban renewal project plan prescribed by subsection (3) hereof.

(3) The local governing body shall hold a public hearing on an urban renewal plan after public notice thereof. Such notice shall be given by publication once each week for two consecutive weeks not less than ten nor more than thirty days prior to the date of the hearing in a newspaper having a general circulation in the urban renewal area of the municipality and by mailing a notice of such hearing not less than ten days prior to the date of the hearing to the persons whose names appear on the county treasurer's tax roll as the owner or reputed owner of the property, at the address shown on the tax roll. The notice shall describe the time, date, place, and purpose of the hearing, shall generally identify the urban renewal area affected, and shall outline the general scope of the urban renewal plan under consideration.

(4) Following such hearing, the local governing body may approve an urban renewal project if it finds that (a) a workable and feasible plan exists for making available adequate housing for the persons who may be displaced by the project; (b) the urban renewal plan conforms to the comprehensive plan or parts thereof for the municipality as a whole; (c) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise; and (d) a sound and adequate financial program exists for the financing of said project; (e) the urban renewal project area is a blighted area as defined in RCW 35.81.010(2).

(5) An urban renewal project plan may be modified at any time by the local governing body: Provided, That if modified after the lease or sale by the municipality of real property in the urban renewal project area, such modification shall be subject to such rights at law or in
35.81.070 Powers of municipality. Every municipality shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

(1) To undertake and carry out urban renewal projects within the municipality, to make and execute contracts and other instruments necessary or convenient to the exercise of its powers under this chapter, and to disseminate blight clearance and urban renewal information.

(2) To provide or to arrange or contract for the furnishing or repair by any person or agency, public or private, of services, privileges, works, streets, roads, public utilities or other facilities for, or in connection with, an urban renewal project; to install, construct, and reconstruct streets, utilities, parks, playgrounds, and other public improvements; and to agree to any conditions that it may deem reasonable and appropriate attached to federal financial assistance and imposed pursuant to federal law relating to the determination of prevailing salaries or wages or compliance with labor standards, in the undertaking or carrying out of an urban renewal project, and to include in any contract let in connection with such a project, provisions to fulfill such of said conditions as it may deem reasonable and appropriate.

(3) Within the municipality, to enter upon any building or property in any urban renewal area, in order to make surveys and appraisals, provided that such entries shall be made in such a manner as to cause the least possible inconvenience to the persons in possession, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; to acquire by purchase, lease, option, gift, grant, bequest, devise, eminent domain, or otherwise, any real property and such personal property as may be necessary for the administration of the provisions herein contained, together with any improvements thereon; to hold, improve, clear, or prepare for redevelopment any such property; to dispose of any real property; to insure or provide for the insurance of any real or personal property or operations of the municipality against any risks or hazards, including the power to pay premiums on any such insurance: Provided, That no statutory provision with respect to the acquisition, clearance, or disposition of property by public bodies shall restrict a municipality in the exercise of such functions with respect to an urban renewal project.

(4) To invest any urban renewal project funds held in reserves or sinking funds or any such funds which are not required for immediate disbursement, in property or securities in which mutual savings banks may legally invest funds subject to their control; to redeem such bonds as have been issued pursuant to RCW 35.81.100 at the redemption price established therein or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be canceled.

(5) To borrow money and to apply for, and accept, advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this chapter, and to enter into and carry out contracts in connection therewith. A municipality may include in any application or contract for financial assistance with the federal government for an urban renewal project such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of this chapter.

(6) Within the municipality, to make or have made all plans necessary to the carrying out of the purposes of this chapter and to contract with any person, public or private, in making and carrying out such plans and to adopt or approve, modify, and amend such plans. Such plans may include, without limitation: (a) a comprehensive plan or parts thereof for the locality as a whole, (b) urban renewal plans, (c) plans for carrying out a program of voluntary or compulsory repair and rehabilitation of buildings and improvements, (d) plans for the enforcement of state and local laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements, and (e) appraisals, title searches, surveys, studies, and other preliminary plans and work necessary to prepare for the undertaking of urban renewal projects. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of urban blight and to apply for, accept, and utilize grants of, funds from the federal government for such purposes.

(7) To prepare plans for the relocation of families displaced from an urban renewal area, and to coordinate public and private agencies in such relocation, including requesting such assistance for this purpose as is available from other private and governmental agencies, both for the municipality and other parties.

(8) To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this chapter, and in accordance with state law: (a) levy taxes and assessments for such purposes; (b) acquire land by negotiation and/or eminent domain; (c) close, vacate, plan, or replan streets, roads, sidewalks, ways, or other places; (d) plan or replan, zone or rezone any part of the municipality; (e) adopt annual budgets for the operation of an urban renewal agency, department, or offices vested with urban renewal project powers under RCW 35.81.150; (f) enter into agreements with such agencies or departments (which agreements may extend over any period) respecting action to be taken by such municipality pursuant to any of the powers granted by this chapter.

(10) To exercise all or any part or combination of powers herein granted. [1965 c 7 § 35.81.070. Prior: 1957 c 42 § 7.]

35.81.080 Eminent domain. A municipality shall have the right to acquire by condemnation, in accordance with the procedure provided for condemnation by such municipality for other purposes, any interest in real property, which it may deem necessary for an urban renewal project under this chapter after the adoption by the local governing body of a resolution declaring that the acquisition of the real property described therein is necessary for such purpose. Condemnation for urban renewal of blighted areas is declared to be a public use, and property already devoted to any other public use or acquired by the owner or his predecessor in interest by eminent domain may be condemned for the purposes of this chapter.

The award of compensation for real property taken for such a project shall not be increased by reason of any increase in the value of the real property caused by the assembly, clearance, or reconstruction, or proposed assembly, clearance, or reconstruction in the project area. No allowance shall be made for the improvements begun on real property after notice to the owner of such property of the institution of proceedings to condemn such property. Eminent domain by cities: Chapter 8.12 RCW.

35.81.090 Disposal of real property in urban renewal area. (1) A municipality may sell, lease, or otherwise transfer real property or any interest therein acquired by it for an urban renewal project, in an urban renewal area for residential, recreational, commercial, industrial, or other uses or for public use, and may enter into contracts with respect thereto, or may retain such property or interest only for parks and recreation, education, public utilities, public transportation, public safety, health, highways, streets, and alleys, administrative buildings, or civic centers, in accordance with the urban renewal project plan, subject to such covenants, conditions, and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of blighted areas or otherwise to carry out the purposes of this chapter: Provided, That such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the urban renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin, within a reasonable time, any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a municipality shall take into account, and give consideration to, the uses provided in such plan; the restrictions upon, and the covenants, conditions, and obligations assumed by, the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease, or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any and all improvements which he has obligated himself to construct thereon. Real property acquired by a municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible, in the public interest, consistent with the carrying out of the provisions of the urban renewal plan. The inclusion in any such contract or conveyance to a purchaser or lessee of any such covenants, restrictions, or conditions (including the incorporation by reference therein of the provisions of an urban renewal plan or any part thereof) shall not prevent the recording of such contract or conveyance in the land records of the auditor or the county in which such city or town is located, in such manner as to afford actual or constructive notice thereof.

(2) A municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe or as hereinafter provided in this subsection. A municipality may, by public notice by publication once each week for three consecutive weeks in a newspaper having a general circulation in the community, prior to the execution of any contract or deed to sell, lease, or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite bids from, and make available all pertinent information to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof, and shall state that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all redevelopment or rehabilitation bids and the financial and legal ability of the persons making such bids to carry them out. The municipality may accept such bids as it deems to be in the public interest and in furtherance of the purposes of this chapter. Thereafter, the municipality may execute, in accordance with the

[Title 35 RCW (1979 Ed.)—p 233]
provisions of subsection (1), and deliver contracts, deeds, leases, and other instruments of transfer.

(3) A municipality may operate and maintain real property acquired in an urban renewal area for a period of three years pending the disposition of the property for redevelopment, without regard to the provisions of subsection (1) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan: Provided, That the municipality may, after a public hearing, extend the time for a period not to exceed three years. [1965 c 7 § 35.81.090. Prior: 1957 c 42 § 9.]

35.81.100 Bonds—Issuance—Form, terms, payment, etc. (1) A municipality shall have the power to issue bonds from time to time in its discretion to finance the undertaking of any urban renewal project under this chapter, including, without limiting the generality thereof, the payment of principal and interest upon any advances for surveys and plans for urban renewal projects, and shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall not pledge the general credit of the municipality and shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from, or held in connection with, its undertaking and carrying out of urban renewal projects under this chapter: Provided, That payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the federal government or other source, in aid of any urban renewal projects of the municipality under this chapter.

(2) Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance, or sale of bonds. Bonds issued under the provisions of this chapter are declared to be issued for an essential public and governmental purpose, and together with interest thereon and income therefrom, shall be exempted from all taxes.

(3) Bonds issued under this section shall be authorized by resolution or ordinance of the local governing body and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium), be secured in such manner, and have such other characteristics, as may be provided by such resolution or trust indenture or mortgage issued pursuant thereto.

(4) Such bonds may be sold at not less than ninety-eight percent of par at public or private sale, or may be exchanged for other bonds on the basis of par: Provided, That such bonds may be sold to the federal government at private sale at not less than par and, in the event less than all of the authorized principal amount of such bonds is sold to the federal government, the balance may be sold at public or private sale at not less than ninety-eight percent of par at an interest cost to the municipality of not to exceed the interest cost to the municipality of the portion of the bonds sold to the federal government.

(5) The municipality may annually pay into a fund to be established for the benefit of such bonds any and all excess of the taxes received by it from the same property over and above the average of the annual taxes authorized without vote for a five-year period immediately preceding the acquisition of the property by the municipality for renewal purposes, such payment to continue until such time as all bonds payable from the fund are paid in full. Any other taxing unit in a municipality is authorized to allocate a like amount of such excess taxes to the municipality or municipalities in which it is situated.

(6) In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this chapter shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds, issued pursuant to this chapter shall be fully negotiable.

(7) In any suit, action, or proceeding involving the validity or enforceability of any bond issued under this chapter or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such bond shall be conclusively deemed to have been planned, located, and carried out in accordance with the provisions of this chapter. on such bonds or other obligations) will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which moneys under the terms of said agreement are required to be used for the purpose of paying the principal of, and the interest on, such bonds or other obligations at their maturity. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions, and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Prior: 1957 c 42 § 11.]

35.81.115 General obligation bonds authorized. Where such acquisition is not voluntary, the interest acquired shall be immediately disclosed in writing to the local governing body and such disclosure shall be entered upon the minutes of the governing body. 35.82.010 Finding and declaration of necessity. It is hereby declared: (1) that there exist in the state insanitary or unsafe dwelling accommodations and that persons of low income are forced to reside in such insanitary or unsafe accommodations; that within the state there is a shortage of safe or sanitary dwelling accommodations available at rents which persons of low income can afford and that such persons are forced to occupy overcrowded and congested dwelling accommodations; that the aforesaid conditions cause an increase in and spread of disease and crime and constitute a menace to the health, safety, morals and welfare of the residents of the state and impair economic values; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities; (2) that these areas in the state cannot be cleared, nor can the shortage of safe and sanitary dwellings for persons of low income be relieved, through the operation of private enterprise, and that the construction of housing projects for persons of low income (as herein defined) would therefore not be competitive with private enterprise; (3) that the clearance, replanning and reconstruction of the areas in which insanitary or unsafe housing conditions exist and the providing of safe and sanitary dwelling accommodations for persons of low income are public uses and purposes for which public money may be spent and private property acquired and are governmental functions of state concern; (4) that it is in the public interest that work on projects for such purposes be commenced as soon as possible in order to relieve unemployment which now (1939) constitutes an emergency; and the necessity in the public interest for the provisions hereinafter enacted, is hereby declared as a matter of legislative determination. [1965 c 7 § 35.82.010. Prior: 1939 c 23 § 2; RRS § 6889-2. Formerly RCW 74.24.010.]

(16) "Senior citizen" means a person age sixty-two or older who is determined by the authority to be poor or infirm but who is otherwise in some manner able to provide the authority with revenue which (together with all other available moneys, revenues, income, and receipts of the authority, from whatever sources derived) will be sufficient: (a) To pay, as the same become due, the principal and interest payments which will be due on the bonds in any one year thereafter and to maintain such reserve. [1979 1st ex.s. c 187 § 1; 1977 ex.s. c 274 § 1; 1965 c 7 § 35.82.020. Prior: 1939 c 23 § 3; RRS § 6889-3. Formerly RCW 74.24.020.]

Severability—1979 1st ex.s. c 187: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1979 1st ex.s. c 187 § 4.]

35.82.030 Creation of housing authorities. In each city (as herein defined) and in each county of the state there is hereby created a public body corporate and politic to be known as the "Housing Authority" of the city or county: Provided, however, That such authority shall
not transact any business or exercise its powers hereunder until or unless the governing body of the city or the county, as the case may be, by proper resolution shall declare at any time hereafter that there is need for an authority to function in such city or county. The determination as to whether or not there is such need for an authority to function (1) may be made by the governing body on its own motion or (2) shall be made by the governing body upon the filing of a petition signed by twenty-five residents of the city or county, as the case may be, asserting that there is need for an authority to function in such city or county and requesting that the governing body so declare.

The governing body shall adopt a resolution declaring that there is need for a housing authority in the city or county, as the case may be, if it shall find (1) that insanitary or unsafe inhabited dwelling accommodations exist in such city or county; (2) that there is a shortage of safe or sanitary dwelling accommodations in such city or county available to persons of low income at rentals they can afford; or (3) that there is a shortage of safe or sanitary dwellings, apartments, mobile home parks, or other living accommodations available for senior citizens. In determining whether dwelling accommodations are unsafe or insanitary said governing body may take into consideration the degree of overcrowding, the percentage of land coverage, the light, air, space and access available to the inhabitants of such dwelling accommodations, the size and arrangement of the rooms, the sanitary facilities, and the extent to which conditions exist in such buildings which endanger life or property by fire or other causes.

In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of the authority, the authority shall be conclusively deemed to have become established and authorized to transact business and exercise its powers hereunder upon proof of the adoption of a resolution by the governing body declaring the need for the authority. Such resolution or resolutions shall be deemed sufficient if it declares that there is such need for an authority and finds in substantially the foregoing terms (no further detail being necessary) that either or both of the above enumerated conditions exist in the city or county, as the case may be. A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding. [1979 1st ex.s. c 187 § 2; 1965 c 7 § 35.82-030. Prior: 1939 c 23 § 4; RRS § 6889-4. Formerly RCW 74.24.040.]

Severability—1979 1st ex.s. c 187: See note following RCW 35.82.020.

35.82.040 Appointment, qualifications and tenure of commissioners. When the governing body of a city adopts a resolution as aforesaid, it shall promptly notify the mayor of such adoption. Upon receiving such notice, the mayor shall appoint five persons as commissioners of the authority created for said city. When the governing body of a county adopts a resolution as aforesaid, said body shall appoint five persons as commissioners of the authority created for said county. The commissioners who are first appointed shall be designated to serve for terms of one, two, three, four and five years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed as aforesaid for a term of office of five years except that all vacancies shall be filled for the unexpired term. No commissioner of an authority may be an officer or employee of the city or county for which the authority is created. A commissioner shall hold office until his successor has been appointed and has qualified, unless sooner removed according to this chapter. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his services for the authority, in any capacity, but he shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties.

The powers of each authority shall be vested in the commissioners thereof in office from time to time. Three commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The mayor (or in the case of an authority for a county, the governing body of the county) shall designate which of the commissioners appointed shall be the first chairman and he shall serve in the capacity of chairman until the expiration of his term of office as commissioner. When the office of the chairman of the authority thereafter becomes vacant, the authority shall select a chairman from among its commissioners. An authority shall select from among its commissioners a vice chairman, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. For such legal services as it may require, an authority may call upon the chief law officer of the city or the county or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper. [1965 c 7 § 35.82-040. Prior: 1939 c 23 § 5; RRS § 6889-5. Formerly RCW 74.24.040.]

35.82.050 Interested commissioners or employees. No commissioner or employee of an authority shall acquire any interest direct or indirect in any housing project or in any property included or planned to be included in any project, nor shall he have any interest direct or indirect in any contract or proposed contract for materials or services to be furnished or used in connection with any housing project. If any commissioner or employee of an authority owns or controls an interest direct or indirect in any property included or planned to be included in any housing project, he immediately shall disclose the same in writing to the authority. Failure so to disclose such interest shall constitute misconduct in office. Upon such disclosure such
commissioner or employee shall not participate in any action by the authority affecting such property. [1965 c 7 § 35.82.050. Prior: 1939 c 23 § 6; RRS § 6889–6. Formerly RCW 74.24.050.]

35.82.060 Removal of commissioners. For inefficiency or neglect of duty or misconduct in office, a commissioner of an authority may be removed by the mayor (or in the case of an authority for a county, by the governing body of said county), but a commissioner shall be removed only after he shall have been given a copy of the charges at least ten days prior to the hearing thereon and had an opportunity to be heard in person or by counsel. In the event of the removal of any commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the clerk. [1965 c 7 § 35.82.060. Prior: 1939 c 23 § 7; RRS § 6889–7. Formerly RCW 74.24.060.]

35.82.070 Powers of authority. An authority shall constitute a public body corporate and politic, exercising public and essential governmental functions, and having all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

(1) To sue and be sued; to have a seal and to alter the same at pleasure; to have perpetual succession; to make and execute contracts and other instruments necessary or convenient to the exercise of the powers of the authority; and to make and from time to time amend and repeal bylaws, rules and regulations, not inconsistent with this chapter, to carry into effect the powers and purposes of the authority.

(2) Within its area of operation: to prepare, carry out, acquire, lease and operate housing projects; to provide for the construction, reconstruction, improvement, alteration or repair of any housing project or any part thereof; to agree to rent or sell dwellings forming part of the projects to or for persons of low income. Where an agreement or option is made to sell a dwelling to a person of low income, the authority may convey the dwelling to the person upon fulfillment of the agreement irrespective of whether the person is at the time of the conveyance a person of low income. Leases, options, agreements, or conveyances may include such covenants as the authority deems appropriate to assure the achievement of the objectives of this chapter.

(3) To arrange or contract for the furnishing by any person or agency, public or private, of services, privileges, works, or facilities for, or in connection with, a housing project or the occupants thereof; and notwithstanding anything to the contrary contained in this chapter or in any other provision of law) to include in any contract let in connection with a project, stipulations requiring that the contractor and any subcontractors comply with requirements as to minimum wages and maximum hours of labor, and comply with any conditions which the federal government may have attached to its financial aid of the project.

(4) To lease or rent any dwellings, houses, accommodations, lands, buildings, structures or facilities embraced in any housing project and (subject to the limitations contained in this chapter) to establish and revise the rents or charges therefor; to own, hold, and improve real or personal property; to purchase, lease, obtain options upon, acquire by gift, grant, bequest, devise, or otherwise including financial assistance and other aid from the state or any public body, person or corporation, any real or personal property or any interest therein; to acquire by the exercise of the power of eminent domain any real property; to sell, lease, exchange, transfer, assign, pledge, or dispose of any real or personal property or any interest therein for any purpose upon the finding and declaration by the authority that the property is not needed for low income housing at that time; to insure or provide for the insurance of any real or personal property or operations of the authority against any risks or hazards; to procure or agree to the procurement of insurance or guarantees from the federal government of the payment of any bonds or parts thereof issued by an authority, including the power to pay premiums on any such insurance.

(5) To invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control; to purchase its bonds at a price not more than the principal amount thereof and accrued interest, all bonds so purchased to be canceled.

(6) Within its area of operation: to investigate into living, dwelling and housing conditions and into the means and methods of improving such conditions; to determine where slum areas exist or where there is a shortage of decent, safe and sanitary dwelling accommodations for persons of low income; to make studies and recommendations relating to the problem of clearing, replanning and reconstructing of slum areas, and the problem of providing dwelling accommodations for persons of low income, and to cooperate with the city, the county, the state or any political subdivision thereof in action taken in connection with such problems; and to engage in research, studies and experimentation on the subject of housing.

(7) Acting through one or more commissioners or other person or persons designated by the authority: to conduct examinations and investigations and to hear testimony and take proof under oath at public or private hearings on any matter material for its information; to administer oaths, issue subpoenas requiring the attendance of witnesses or the production of books and papers and to issue commissions for the examination of witnesses who are outside of the state or unable to attend before the authority, or excused from attendance; to make available to appropriate agencies (including those charged with the duty of abating or requiring the correction of nuisances or like conditions, or of demolishing unsafe or insanitary structures within its area of operation) its findings and recommendations with regard to any building or property where conditions exist which are dangerous to the public health, morals, safety or welfare.
(8) To exercise all or any part or combination of powers herein granted.

No provisions of law with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to an authority unless the legislature shall specifically so state.

(9) To agree (notwithstanding the limitation contained in RCW 35.82.210) to make such payments in lieu of taxes as the authority finds consistent with the achievement of the purposes of this chapter.

(10) To exercise the powers granted in this chapter within the boundaries of any city, town, or county not included in the area in which such housing authority is originally authorized to function: Provided, however, The governing or legislative body of such city, town, or county, as the case may be, adopts a resolution declaring that there is a need for the authority to function in such territory.

(11) To administer contracts for assistance payments to persons of low income in accordance with section 8 of the United States Housing Act of 1937, as amended by Title II, section 201 of the Housing and Community Development Act of 1974, P.L. 93–383.

(12) To sell at public or private sale, with or without public bidding, for fair market value, any mortgage or other obligation held by the authority.

(13) To the extent permitted under its contract with the holders of bonds, notes, and other obligations of the authority, to consent to any modification with respect to rate of interest, time and payment of any installment of principal or interest security, or any other term of any contract, mortgage, mortgage loan, mortgage loan commitment, contract or agreement of any kind to which the authority is a party.

(14) To make loans to persons of low income incident to rehabilitating their dwellings or selling a dwelling to them, and to take such security therefor as is deemed necessary and prudent by the authority. [1977 ex.s. c 274 § 2; 1965 c 7 § 35.82.070. Prior: 1945 c 43 § 1; 1939 c 23 § 8; Rem. Supp. 1945 § 6889–8. Formerly RCW 74.24.070.]

35.82.080 Operation not for profit. It is hereby declared to be the policy of this state that each housing authority shall manage and operate its housing projects in an efficient manner so as to enable it to fix the rentals for dwelling accommodations at the lowest possible rates consistent with its providing decent, safe and sanitary dwelling accommodations, and that no housing authority shall construct or operate any such project for profit, or as a source of revenue to the city or the county. To this end, an authority shall fix the rentals for rental units for persons of low income in projects owned or leased by the authority at no higher rates than it shall find to be necessary in order to produce revenues which (together with all other available moneys, revenues, income and receipts of the authority from whatever sources derived) will be sufficient (1) to pay, as the same become due, the principal and interest on the bonds of the authority issued to finance the projects; (2) to meet the cost of, and to provide for, maintaining and operating the projects (including the cost of any insurance) and the administrative expenses of the authority; and (3) to create (during not less than the six years immediately succeeding its issuance of any such bonds) a reserve sufficient to meet the largest principal and interest payments which will be due on such bonds in any one year thereafter and to maintain such reserve. [1977 ex.s. c 274 § 3; 1965 c 7 § 35.82.080. Prior: 1939 c 23 § 9; RRS § 6889–9. Formerly RCW 74.24.080.]

35.82.090 Rentals and tenant selection. In the operation and management of rental units which are rented to persons of low income and/or senior citizens in any housing project an authority shall at all times observe the following duties with respect to rentals and tenant selection: (1) it may rent or lease the dwelling accommodations therein to senior citizens or persons of low income and at rentals within the financial reach of such senior citizens or persons of low income; (2) it may rent or lease to a tenant dwelling accommodations consisting of the number of rooms (but no greater number) which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding; and (3) it shall not accept any person as a low income tenant in any housing project designated for persons of low income if the person or persons who would occupy the dwelling accommodations have an annual net income in excess of five times the annual rental of the quarters to be furnished such person or persons, except that in the case of families with three or more minor dependents, such ratio shall not exceed six to one; in computing the rental for this purpose of selecting tenants, there shall be included in the rental the average annual cost (as determined by the authority) to occupants of heat, water, electricity, gas, cooking range and other necessary services or facilities, whether or not the charge for such services and facilities is in fact included in the rental. This income limitation does not apply to housing projects designated for senior citizens.

Nothing contained in this section or RCW 35.82.080 shall be construed as limiting the power of an authority to vest in an obligee the right, in the event of a default by the authority, to take possession of a housing project or cause the appointment of a receiver thereof, free from all the restrictions imposed by this section or RCW 35.82.080. [1979 1st ex.s. c 187 § 3; 1977 ex.s. c 274 § 4; 1965 c 7 § 35.82.090. Prior: 1939 c 23 § 10; RRS § 6889–10. Formerly RCW 74.24.090.]

Severability—1979 1st ex.s. c 187: See note following RCW 85.82.020.

35.82.100 Cooperation between authorities. Any two or more authorities may join or cooperate with one another in the exercise of any or all of the powers conferred hereby for the purpose of financing, planning, undertaking, constructing or operating a housing project or projects located within the area of operation of any one or more of said authorities. [1965 c 7 § 35.82.100. Prior: 1939 c 23 § 11; RRS § 6889–11. Formerly RCW 74.24.100.]
35.82.110 Eminent domain. An authority shall have the right to acquire by the exercise of the power of eminent domain any real property which it may deem necessary for its purposes under this chapter after the adoption by it of a resolution declaring that the acquisition of the real property described therein is necessary for such purposes. An authority may exercise the power of eminent domain in the same manner and under the same procedure as now is or may be hereafter provided by law in the case of other corporations authorized by the laws of the state to exercise such right; or it may exercise the power of eminent domain in the manner now or which may be hereafter provided by any other applicable statutory provisions for the exercise of the power of eminent domain. Property already devoted to a public use may be acquired in like manner: Provided, That no real property belonging to the city, the county, the state or any political subdivision thereof may be acquired without its consent. [1965 c 7 § 35.82-.110. Prior: 1939 c 23 § 12; RRS § 6889–12. Formerly RCW 74.24.110.]

Eminent domain: Title 8 RCW.

35.82.120 Planning, zoning and building laws. All housing projects of an authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the housing project is situated. In the planning and location of any housing project, an authority shall take into consideration the relationship of the project to any larger plan or long-range program for the development of the area in which the housing authority functions. [1965 c 7 § 35.82.120. Prior: 1939 c 23 § 13; RRS § 6889–13. Formerly RCW 74.24.120.]

35.82.130 Bonds. An authority shall have power to issue bonds from time to time in its discretion, for any of its corporate purposes. An authority shall also have power to issue refunding bonds for the purpose of paying or retiring bonds previously issued by it. An authority may issue such types of bonds as it may determine, in the manner now or which may be hereafter provided by law in the case of other corporations authorized by the laws of the state to issue and sell such bonds; or (2) exclusively from the income and revenues of the authority, or a mortgage of any income or revenues of the authority, or a mortgage of any housing project, projects or other property of the authority. Any pledge made by the authority shall be valid and binding from the time when the pledge is made and recorded; the revenues, moneys, or property so pledged and thereafter received by the authority shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the authority, irrespective of whether the parties have notice thereof. The resolution and any other instrument by which a pledge is created shall be recorded.

Neither the commissioners of an authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of an authority (and such bonds and obligations shall so state on their face) shall not be a debt of the city, the county, the state or any political subdivision thereof and neither the city or the county, nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds or obligations be payable out of any funds or properties other than those of said authority. The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Bonds of an authority are declared to be issued for an essential public and governmental purpose and to be public instrumentalities and, together with interest thereon and income therefrom shall be exempt from taxes. [1977 ex.s. c 274 § 5; 1965 c 7 § 35.82.130. Prior: 1939 c 23 § 14; RRS § 6889–14. Formerly RCW 74.24.130.]

35.82.140 Form and sale of bonds. Bonds of an authority shall be authorized by its resolution and may be issued in one or more series and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium) as such resolution, its trust indenture or mortgage may provide.

The bonds may be sold at public or private sale.

In case any of the commissioners or officers of the authority whose signatures appear on any bond or coupons shall cease to be such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if they had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.

In any suit, action or proceedings involving the validity or enforceability of any bond of an authority or the security therefor, any such bond reciting in substance that it has been issued by the authority to aid in financing a housing project to provide dwelling accommodations for persons of low income shall be conclusively deemed to have been issued for a housing project of such character and said project shall be conclusively deemed to have been planned, located and constructed in accordance with the purposes and provisions of this chapter. [1977 ex.s. c 274 § 6; 1970 ex.s. c 56 § 45; 1969 ex.s. c 232 § 22; 1965 c 7 § 35.82.140. Prior: 1939 c 23 § 15; RRS § 6889–15. Formerly RCW 74.24.140.]

9. To vest in a trustee or trustees or the holders of bonds or any proportion of them the right to enforce the payment of the bonds or any covenants securing or relating to the bonds; to vest in a trustee or trustees the right, in the event of a default by said authority, to take possession and use, operate and manage any housing project or part thereof, and to collect the rents and revenues arising therefrom and to dispose of such moneys in accordance with the agreement of the authority with said trustee; to provide for the powers and duties of a trustee or trustees and to limit the liabilities thereof; and to provide the terms and conditions upon which the trustee or trustees or the holders of bonds or any proportion of them may enforce any covenant or rights securing or relating to the bonds.

10. To covenant as to the use and disposition of the gross income from mortgages owned by the authority and payment of principal of the mortgages.

11. 35.82.160 Certification by attorney general. Any authority may submit to the attorney general of the state any bonds to be issued hereunder after all proceedings for the issuance of such bonds have been taken. Upon the submission of such proceedings to the attorney general, it shall be the duty of the attorney general to examine into and pass upon the validity of such bonds and the regularity of all proceedings in connection therewith. If such proceedings conform to the provisions of this chapter and are otherwise regular in form and if such bonds when delivered and paid for will constitute binding and legal obligations of the authority enforceable according to the terms thereof, the attorney general shall certify in substance upon the back of each of said bonds that it is issued in accordance with the Constitution and laws of the state of Washington. [1965 c 7 § 35.82.160. Prior: 1939 c 23 § 17; RRS § 6889–17. Formerly RCW 74.24.160.]

1. By mandamus, suit, action or proceeding at law or in equity to compel said authority and the commissioners, officers, agents or employees thereof to perform each and every term, provision and covenant contained in any contract of said authority with or for the benefit of such obligee, and to require the carrying out of any or all such covenants and agreements of said authority and
the fulfillment of all duties imposed upon said authority by this chapter.

(2) By suit, action or proceeding in equity, to enjoin any acts or things which may be unlawful, or the violation of any of the rights of such obligee of said authority. [1965 c 7 § 35.82.170. Prior: 1939 c 23 § 18; RRS § 6889–18. Formerly RCW 74.24.170.]

In connection with such projects, such housing authorities may enter into such leases or purchase agreements, accept such conveyances and rent or sell dwellings forming part of such projects to or for farmers of low income, as such housing authority deems necessary in order to assure the achievement of the objectives of this chapter. Such leases, agreements or conveyances may include such covenants as the housing authority deems appropriate regarding such dwellings and the tracts of land described in any such instrument, which covenants shall be deemed to run with the land where the housing authority deems it necessary and the parties to such instrument so stipulate. Nothing contained in this section shall be construed as limiting any other powers of any housing authority. [1965 c 7 § 35.82.240. Prior: 1941 c 69 § 1; Rem. Supp. 1941 § 6889–23a. 35.82.260 Farmers of low income. [1965 c 7 § 35.82.260. Prior: 1941 c 69 § 3; Rem. Supp. 1941 § 6889–23c. Formerly RCW 74.24.260.]

The powers conferred by RCW 35.82.240 through 35.82.270 shall be in addition and supplemental to the powers conferred by any other law, and nothing contained herein shall be construed as limiting any other powers of any housing authority. [1965 c 7 § 35.82.270. Prior: 1941 c 69 § 4; Rem. Supp. 1941 § 6889–23d. Formerly RCW 74.24.270.]

35.82.280 Supplemental projects. Except as limited by this section, an authority shall have the same powers with respect to supplemental projects as hereinafter in this section defined as are now or hereafter granted to it under this chapter with respect to housing projects.

No funds shall be expended by an authority for a supplemental project except by resolution adopted on notice at a public hearing as provided by chapter 42.32 RCW, supported by formal findings of fact incorporated therein, establishing that:

(1) Low-income housing needs within the area of operation of the authority are being or will be adequately met by existing programs; and

(2) A surplus of funds will exist after meeting such low-income housing needs.

Expenditures for supplemental projects shall be limited to those funds determined to be surplus.

"Supplemental project" for the purposes of this chapter shall mean any work or undertaking to provide buildings, land, equipment, facilities, and other real or personal property for recreational, group home, halfway house or other community purposes which by resolution of the housing authority is determined to be necessary for the welfare of the community within its area of operation and to fully accomplish the purposes of this chapter. Such project need not be in conjunction with the clearing of a slum area under subsection (9)(a) of RCW 35.82.020 or with the providing of low-income housing under subsection (9)(b) of RCW 35.82.020. [1971 ex.s. c 300 § 2.]

35.82.285 Group homes or halfway houses for released juveniles or developmentally disabled. Housing authorities of first class counties created under this chapter may establish and operate group homes or halfway houses to serve juveniles released from state juvenile or correctional institutions, or to serve the developmentally disabled as defined in 42 U.S.C. 2670, 85 Stat. 1316. Such authorities may contract for the operation of facilities so established, with qualified nonprofit organizations as agent of the authority.

Action under this section shall be taken by the authority only after a public hearing as provided by chapter 42.30 RCW. In exercising this power the authority shall not be empowered to acquire property by eminent domain, and the facilities established shall comply with all zoning, building, fire, and health regulations and procedures applicable in the locality. [1973 1st ex.s. c 198 § 2.]

35.82.910 Chapter controlling. Insofar as the provisions of this chapter are inconsistent with the provisions [Title 35 RCW (1979 Ed.)—p 245]
of any other law, the provisions of this chapter shall be controlling. [1965 c 7 § 35.82.910. Prior: 1939 c 23 § 26.]

35.83.010 Finding and declaration of necessity. It has been found and declared in the housing authorities law that there exist in the state unsafe and insanitary housing conditions and a shortage of safe and sanitary dwelling accommodations for persons of low income; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities; and that the public interest requires the remediying of these conditions. It is hereby found and declared that the assistance herein provided for the remediying of the conditions set forth in the housing authorities law constitutes a public use and purpose and an essential governmental function for which public moneys may be spent, and other aid given; that it is a proper public purpose for any state public body to aid any housing authority operating within its boundaries or jurisdiction or any housing project located therein, as the state public body derives immediate benefits and advantages from such an authority or project; and that the provisions hereinafter enacted are necessary in the public interest. (9) Incur the entire expense of any public improvements made by such state public body in exercising the powers granted in this chapter;
(10) Enter into agreements (which may extend over any period, notwithstanding any provision or rule of law to the contrary), with a housing authority respecting action to be taken by such state public body pursuant to any of the powers granted by this chapter. Any law or statute to the contrary notwithstanding, any sale, conveyance, lease or agreement provided for in this section may be made by a state public body without appraisal, advertisement or public bidding: Provided, There must
be five days public notice given either by posting in three public places or publishing in the official county newspaper of the county wherein the property is located; and

[1965 c 7 § 35.85.010. Prior: 1911 c 103 § 1; 1909 ex.s. c 14 § 1; RRS § 9001.]

First class cities, generally: Chapter 35.22 RCW.

35.85.020 Assessment district—Resolution—Hearing—Ordinance ordering improvement. Any such improvement may be initiated by the city council, or other legislative body, by a resolution, declaring its intention to order such improvement, which resolution shall set forth the nature and territorial extent of such proposed improvement, shall specify and describe the boundaries of the proposed improvement district and notify all persons who may desire to object thereto to appear and present such objections at a meeting of the council specified in such resolution and directing the board of public works, or other proper board, officer, or authority of the city, to submit to such council at or prior to the date fixed for such hearing the estimated cost and expense of the improvement, and a statement of the proportionate amount thereof which should be borne by the property within the proposed improvement district, and a statement of the aggregate assessed valuation of the real property exclusive of improvements, within said district, according to the valuation last placed upon it for purposes of general taxation. Such resolution shall be published in at least two consecutive issues of the official newspaper of the city, the date of the first publication to be at least thirty days prior to the date fixed by the resolution for hearing before the council.

Upon such hearing, or upon any adjournment thereof, the council shall have power to amend, change, extend, or contract the boundaries of the proposed improvement district as specified in the resolution, and to consider and determine all matters in relation to the proposed improvement, and, upon the conclusion of the hearing, or any adjournment thereof, shall have power by ordinance to order the improvement to be made and to adopt, fix and establish the boundaries of the improvement district. The action of such council in ordering such improvement, or in abandoning it, and in fixing and establishing the boundaries of the improvement district shall be final and conclusive. Any such ordinance may be passed upon majority vote of the council or other legislative body of the city.

Such ordinance may provide for the construction of the improvement in sections, the letting of separate contracts for each such section, and, in case the same is made in sections, separate assessment rolls to defray the
cost and expense of any such section of such improvement may be prepared, and the amounts thereon appearing as finally determined, may be levied and assessed against real property within the improvement district. The provisions of law, charter and ordinance of any such city, relating to supplemental assessments, reassessments and omitted property shall be applicable to any improvement authorized in this chapter.

The city council, or other legislative body of such city, shall by general ordinance, make provision for hearing any objections in writing, to any assessment roll for such improvement, filed with the city clerk or comptroller at a prior date to the hearing thereon. Any right of appeal to the superior court provided by law to be taken from any local improvement assessment levied and assessed by any such city, may be exercised, within the time and in the manner therein provided, by any person so objecting to any assessment levied and assessed for any improvement authorized in this chapter. [1965 c 7 § 35.85.020. Prior: 1911 c 103 § 2; 1909 ex.s. c 14 § 2; RRS § 9002.]

Appeal from local improvement district assessments: RCW 35.44-.200-35.44.270.

35.85.030 Limit of assessment—Lien—Priority. The city council may prescribe by general ordinance, the mode and manner in which the charge upon property in such local improvement district shall be assessed and determined for the purpose of paying the cost and expense of establishing and constructing such improvement: Provided, That no assessment shall be levied on any such district, the aggregate of which is a greater sum than twenty-five percent of the assessed value of all the real property in such district according to the last equalized assessment thereof for general taxation: Provided further, That there shall be, in all cases, an opportunity for a hearing upon objections to the assessment roll by the parties affected thereby, before the council as a board of equalization, which hearing shall be after publication of a reasonable notice thereof, such notice to be published in such manner and for such time as may be prescribed by ordinance. At such hearing, or at legal adjournments thereof, such changes may be made in the assessment roll as the city council may find necessary to make the same just and equitable. Railroad rights-of-way shall be assessed for such benefits as shall inure or accrue to the owners, lessees, or operators of the same, resulting or to result from the construction and maintenance of any such improvement, whether such rights-of-way lie within the limits of any street or highway or not; such assessment to lie against the franchise rights when such right-of-way is within such street or highway.

When the assessment roll has been finally confirmed by the city council, the charges therein made shall be and become a lien against the property or franchise therein described, paramount to all other liens (except liens for assessments and taxes) upon the property assessed from the time the assessment roll shall be placed in the hands of the collector. [1965 c 7 § 35.85.030. Prior: 1909 ex.s. c 14 § 3; RRS § 9003.]

35.85.040 Operation by city—Leases—Use of income. As a part of the original construction of any improvement herein authorized, or afterward as an alteration or renewal thereof, any such city, notwithstanding any charter provision to the contrary, may, at its own cost, construct, maintain and operate street railway tracks in the roadway thereof, and may provide electric power for the propulsion of cars, and may lease the use of such tracks and power for the operation of street cars or interurban railways; or such city may authorize any operator of the street or interurban railways to construct and furnish such street railway tracks and electric power and use the same for street or interurban purposes, under lease or franchise ordinance: Provided, That no such lease or franchise shall be exclusive, but shall at all times reserve the right to the city to permit other lines of street or interurban railway to use such street railway tracks in common with any preceding lessee or grantee, upon equal terms. The rate of lease or use of such street railway tracks for streets or interurban cars shall be as fixed by the legislative authority of the city, but shall not be less than one mill for each passenger carried, or ten cents for each freight car moved over such improvement. The income from such charges, rental and leasing shall be used wholly for the maintenance, repair and betterment of said improvement and the extinguishment of any debt incurred by the city in constructing it. [1965 c 7 § 35.85.040. Prior: 1909 ex.s. c 14 § 4; RRS § 9004.]

35.85.050 Authority to construct tunnels and subways. Any city of the first class shall have power to provide for the construction, maintenance and operation within such city of tunnels, subways, or both, with or without roadways, sidewalks, street railway tracks or any combination thereof therein, together with all necessary approaches thereto; and to order any and all work to be done which shall be necessary to complete any such improvement. The word "approaches," as used in this section, shall include any arterial highway or highways or streets connecting with any such tunnel or subway which may be necessary to give convenient access thereto or therefrom from any portion of the improvement district which may be specially benefited by such improvement, and which is liable to assessment for such improvement.

Whenever it is desired to pay the whole or any portion of the cost and expense of any such improvement by special assessments, the council or other legislative body of such city shall, in the ordinance authorizing such improvement, fix and establish the boundaries of the improvement district, the property in which is to bear such assessment, which district shall include as near as may be all the property specially benefited by such improvement. 35.86A.120 Operation of parking facilities by cities prohibited—Exceptions—Bid requirements and procedure.

35.86A.010 Declaration. It is hereby determined and declared:

(1) The free circulation of traffic of all kinds through our cities is necessary to the health, safety and general welfare of the public, whether residing in, traveling to or through the cities of this state;

(2) The most efficient use of the street and highway system requires availability of strategically located parking for vehicles in localities where large numbers of persons congregate;

(3) An expanding suburban population has increased demands for further concentration of uses in central metropolitan areas, necessitating an increasing investment in streets and highways;

(4) On-street parking is now inadequate, and becomes increasingly an inefficient and uneconomical method for temporary storage of vehicles in commercial, industrial and high-density residential areas, causing such immediate adverse consequences as the following, among others:

(a) Serious traffic congestion from on-street parking, which interferes with use of streets for travel, disrupts public surface transportation at peak hours, impedes rapid and effective fighting of fires and disposition of police forces, slows emergency vehicles, and inflicts hardship upon handicapped persons and others dependent upon private vehicles for transportation;

(b) On-street parking absorbs right-of-way useful and usable for travel;

(c) On-street parking reduces the space available for truck and passenger loading for the abutting properties, hinders ready access, and impedes cleaning of streets;

(d) Inability to temporarily store automobiles has discouraged the public from travel to and within our cities, from congregating at public events, and from using public facilities.

(5) Insufficient off-street parking has had long-range results, as the following, among others:

(a) Metropolitan street and highway systems have lost efficiency and the free circulation of traffic and persons has been impaired;

(b) The growth and development of metropolitan areas has been retarded;

(c) Business, industry, and housing has become unnecessarily and uneconomically dispersed;

(d) Limited and valuable land area is under used.

All of which cause loss of payrolls, business and productivity, and property values, with resulting impairment of the public health, safety and welfare, the utility of our streets and highways, and tax revenues;

(6) Establishment of public off-street parking facilities will promote the public health, safety, convenience, and welfare, by:
35.86A.010 Title 35 RCW: Cities and Towns

(a) Expediting the movement of the public, and of goods in metropolitan areas, alleviating traffic congestion, and preserving the large investment in streets and highways;

(b) Permits a greater use of public facilities, congregation of the public, and more intensive development of private property within the community;

(7) Establishment of public off-street parking is a necessary ancillary to and extension of an efficient street and highway system in metropolitan areas, as much so as a station or terminal is to a railroad or urban transit line;

(8) Public off-street parking facilities, open to the public and owned by a city or town, are and remain a public use and a public function, irrespective of whether:

(a) Parking fees are charged to users;

(b) The management or operation of one or more parking facilities is conducted by a public agency, or under contract or lease by private enterprise; or

(c) A portion of the facilities is used for commercial, store or automobile accessory purposes;

(9) Public parking facilities under the control of a parking commission are appropriately treated differently from other parking facilities of a city. [1969 ex.s. c 204 § 1.]

Severability—1969 ex.s. c 204: "If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1969 ex.s. c 204 § 15.] This applies to chapter 35.86A RCW and to RCW 35.86.020 and 35.86.040.

35.86A.020 Authority of cities of first, second and third class to establish parking facilities through parking commissions. Cities of the first, second and third class are authorized and empowered to establish and maintain public off-street parking facilities through a parking commission; the use of property and property rights for such purpose is declared to be a public use; and parking facilities under the control of such parking commission shall be governed by the provisions of this chapter. [1969 ex.s. c 204 § 2.]

35.86A.030 Definitions. (1) "Parking facilities" means lots, garages, parking terminals, buildings and structures and accommodations for parking of motor vehicles off the street or highway, open to public use, with or without charge.

The provisions of chapter 35.86 RCW as now or hereafter amended shall not apply to such parking facilities or other facilities under parking commission control. [1969 ex.s. c 204 § 4.]

35.86A.050 Parking commission—Creation—Purpose—Membership—Vacancies—Expenses. Any city of the first, second or third class may by ordinance create a parking commission for the purpose of establishing and operating off-street parking facilities.

Such parking commission shall consist of five members appointed by the mayor and confirmed by the city council, who shall serve without compensation but may be reimbursed for necessary expenses. One member of the parking commission shall be selected from among persons actively engaged in the private parking industry, if available.

Three of those first appointed shall be designated to serve for one, two, and three years respectively, and two shall be designated to serve four years. The terms for all subsequently appointed members shall be four years. In event of any vacancy, the mayor, subject to confirmation of the city council, shall make appointments to fill the unexpired portion of the term.

A member may be reappointed, and shall hold office until his successor has been appointed and has qualified. Members may be removed by the mayor upon the consent of the city council. [1969 ex.s. c 204 § 5.]

35.86A.060 Parking commission—Chairman—Rules—Resolutions. The parking commission shall select from its members a chairman, and may establish its own rules, regulations and procedures not inconsistent with this chapter. No resolution shall be adopted by the parking commission except upon the concurrence of at least three members. [1969 ex.s. c 204 § 6.]

35.86A.070 Powers and authority of parking commission. The parking commission is authorized and empowered, in the name of the municipality by resolution to:

(1) Own and acquire property and property rights by purchase, gift, devise, or lease for the construction, maintenance, or operation of off-street parking facilities, or for effectuating the purpose of this chapter; and accept grants—In—Aid, including compliance with conditions attached thereto;

(2) Construct, maintain, and operate off-street parking facilities located on land dedicated for park or civic center purposes, or on other municipally—Owned land where the primary purpose of such off—Street parking facility is to provide parking for persons who use such park or civic center facilities, and undertake research, and prepare plans incidental thereto subject to applicable statutes and charter provisions for municipal purchases, expenditures, and improvements; and in addition may own other off-street parking facilities and operate them in accordance with RCW 35.86A.120: Provided, That the provisions of chapter 35.86 RCW as now or hereafter amended shall not apply to such construction, operation or maintenance;

(3) Establish and collect parking fees, make exemption for handicapped persons, lease space for commercial, store, advertising or automobile accessory purposes, and regulate prices and service charges, for use of and
with the aerial space over parking facilities under its control;

(4) Subject to applicable city civil service provisions, provide for the appointment, removal and control of officers and employees, and prescribe their duties and compensation, and to control all equipment and property under the commission's jurisdiction;

(5) Contract with private persons and organizations for the management and/or operation of parking facilities under its control, and services related thereto, including leasing of such facilities or portions thereof;

(6) Cause construction of parking facilities as a condition of an operating agreement or lease, derived through competitive bidding, or in the manner authorized by chapter 35.42 RCW;

(7) Execute and accept instruments, including deeds, necessary or convenient for the carrying on of its business; acquire rights to develop parking facilities over or under city property; and to contract to operate and manage parking facilities under the jurisdiction of other city departments or divisions and of other public bodies;

(8) Determine the need for and recommend to the city council:
   (a) The establishment of local improvement districts to pay the cost of parking facilities or any part thereof;
   (b) The issuance of bonds or other financing by the city for construction of parking facilities;
   (c) The acquisition of property and property rights by condemnation from the public, or in street areas;
   (9) Transfer its control of property to the city and liquidate its affairs, so long as such transfer does not contravene any covenant or agreement made with the holders of bonds or other creditors; and
   (10) Require payment of the excise tax hereinafter provided. The city shall not have any power to regulate parking facilities not owned by the city. Parking fees for parking facilities under the control of the parking commission shall be maintained commensurate with and neither higher nor lower than prevailing rates for parking charged by commercial operators in the general area. [1975 1st ex.s. c 221 § 3; 1969 ex.s. c 204 § 7.]

Severability—1975 1st ex.s. c 221: See note following RCW 35.86.010.

35.86A.080 New off-street parking facilities—Powers of parking commission and city council. (1) Whenever the parking commission intends to construct new off-street parking facilities it shall:
   (a) Prepare plans for such proposed development, which shall meet the approval of the planning commission, other appropriate city planning agency, or city council;
   (b) Prepare a report to the city council stating the proposed method of financing and property acquisition;
   (c) Specify the property rights, if any, to be secured from the public or of property devoted to public use; the uses of streets necessary therefor, or realignment or vacation of streets and alleys; the relocation of street utilities; and any street area to be occupied or closed during construction.
   (2) In the event the proposed parking facility shall require:

      (b) Issuance of bonds, allocation or appropriation of municipal revenues from other sources, or guarantees of or use of the credit of the municipality;
      (c) Exercise of the power of eminent domain; or
      (d) Use of, or vacation, realignment of streets and alleys, or relocation of municipal utilities.

One or more public hearings shall be held thereon before the city council, or an assigned committee thereof, which shall report its recommendations to be approved, revised, or rejected by the city council. Such hearings may be consolidated with any required hearings for street vacations, or creation of a local improvement district. Pursuant to such hearing, the city council may:

(1) Create a local improvement district to finance all or part of the parking facility, in accordance with Title 35 RCW, as now existing or hereinafter amended: Provided, however, That assessments against property within the district may be measured per lot, per square foot, by property valuation, or any other method as fairly reflects the special benefits derived therefrom, and credit in calculating the assessment may be allowed for property rights or services performed;

(2) Provide for issuance of revenue bonds payable from revenues of the proposed parking facility, from other off-street parking facilities, on-street meter collections, or allocations of other sources of funds; issue general obligation bonds; make reimbursable or nonrefundable appropriations from the general fund, or reserves; and/or guarantee bonds issued or otherwise pledge the city's credit, all in such combination, and under such terms and conditions as the city council shall specify;

(3) Authorize acquisition of the necessary property and property rights by eminent domain proceedings, in the manner authorized by law for cities in Title 8 RCW: Provided, That the city council shall first determine that the proposed parking facility will promote the circulation of traffic or the more convenient or efficient use by the public of streets or public facilities in the immediate area than would exist if the proposed parking facility were not provided, or that the parking facility otherwise enhances the public health, safety and welfare; and

(4) Authorize and execute the necessary transfer or control of property rights; vacate or realign streets and alleys or permit uses within the same; and direct relocation of street utilities.

In event none of the four above powers need be exercised, the city council's approval of construction plans shall be deemed full authority to construct and complete the parking facility. [1969 ex.s. c 204 § 8.]

35.86A.090 Powers of cities. The city may:

(1) Transfer control of off-street parking facilities under other departments to the parking commission under such conditions as deemed appropriate;

(3) Issue general obligation bonds pursuant to chapters 39.44, 39.52 RCW, and RCW 35.81.115 as now or hereafter amended, and such other statutes and applicable provisions of the state Constitution that may authorize such bonds for parking facilities authorized herein;

(5) Enact such ordinances as may be necessary to carry out the provisions of this chapter, notwithstanding any charter provisions to the contrary. [1969 ex.s. c 204 § 9.]

Regulation of noncity owned parking facilities prohibited: RCW 35.86A.070(10).

35.86A.100 Disposition of revenues—Expenditure procedure. All revenues received shall be paid to the municipal treasurer for the credit of the general fund, or such other funds as may be provided by ordinance.

Expenditures of the parking commission shall be made in accordance with the budget adopted by the municipality pursuant to chapter 35.32A RCW. [1969 ex.s. c 204 § 10.]

35.86A.110 Excise tax to reimburse taxing authorities for loss of property tax revenue. Such cities shall pay to the county treasurer an annual excise tax equal to the amount which would be paid upon real property devoted to the purpose of off-street parking, were it in private ownership. This section shall apply to parking facilities acquired and/or operated under this chapter. The proceeds of such excise tax shall be allocated by the county treasurer to the various taxing authorities in which such property is situated, in the same manner as though the property were in private ownership. [1969 ex.s. c 204 § 11.]

35.86A.120 Operation of parking facilities by cities prohibited—Exceptions—Bid requirements and procedure. Except for off-street park and civic center parking facilities, as provided in RCW 35.86.010 and 35.86A.070, no city shall operate off-street parking facilities but shall call for sealed bids from responsible, experienced private operators of such facilities for the operation thereof. The call for bids shall specify the terms and conditions under which the facility will be leased for private operation. The call for bids shall specify the time and place at which the bids will be received and the time and when the same will be opened, and such call shall be advertised once a week for two successive weeks before the time fixed for the filing of bids in a newspaper of general circulation in the city. The competitive bid requirements of this section shall not apply in any case where such a city shall grant a long-term negotiated lease of any such facility to a private operator on the condition that the tenant-operator shall construct a substantial portion of the facility or the improvements thereto, which construction and/or improvements shall become the property of the city on expiration of the lease. If no bid is received for the operation of such an off-street parking facility, or if the bids received are not satisfactory, the legislative body of the city may reject such bids and shall readvertise the facility for lease. In the event that no bids or no satisfactory bids shall have been received following the second advertising, the city may negotiate with a private operator of the operation of the facility without competitive bidding. In the event the city shall be unable to negotiate for satisfactory private operation within a reasonable time, the city may operate the facility for a period not to exceed three years, at which time it shall readvertise as provided above in this section. [1975 1st ex.s. c 221 § 4; 1969 ex.s. c 204 § 12.]

(2) When in the charter of a city or town a provision has been adopted authorizing the corporate authorities thereof to provide by ordinance for acquiring, opening, or operating any of such public utilities, for which no general indebtedness is to be incurred; or

Notice of elections: RCW 29.27.080.

35.92.080 General indebtedness bonds. When the voters have adopted a proposition for any public utility and have authorized a general indebtedness, general city or town bonds may be issued. The bonds shall be registered or coupon bonds; numbered from one up consecutively; bear the date of their issue; and bear interest at a rate or rates as authorized by the city or town council, payable semiannually, with interest coupons attached, and the principal and interest shall be made payable at such place as may be designated. Except as otherwise provided in RCW 39.44.100, the bonds and each coupon shall be signed by the mayor and attested by the clerk under the seal of the city or town.

Such pledge of revenue shall constitute a binding obligation, according to its terms, to continue the collection of such revenue so long as such bonds or any of them are outstanding, and to the extent that revenues are insufficient to meet the debt service requirements on such bonds, the governing body of the municipality shall provide for the levy of taxes sufficient to meet such deficiency.

The bonds shall be printed and engraved, or lithographed, on good bond paper. The bonds shall be sold in such manner as the corporate authorities shall deem for the best interest of the city or town. A register shall be kept of all the bonds, which shall show the number, date, amount, interest, to whom delivered— if coupon bonds—and the name of the payee—if registered bonds; and when and where payable, and each bond issued or sold. 35.92.100 Revenue bonds or warrants. When the voters of a city or town, or the corporate authorities thereof, have adopted a proposition for any public utility and either no general indebtedness has been authorized or the corporate authorities do not desire to incur a general indebtedness, and when the corporate authorities are authorized to exercise any of the powers conferred by this chapter without submitting the proposition to a vote, the corporate authorities may create a special fund for the sole purpose of defraying the cost of the public
utility or addition, betterment, or extension thereto, into which special fund they may obligate and bind the city or town to set aside and pay a fixed proportion of the gross revenues of the utility, or any fixed amount out of and not exceeding a fixed proportion of such revenues, or a fixed amount without regard to any fixed proportion, and issue and sell bonds or warrants bearing interest at a rate or rates as authorized by the corporate authorities; payable semiannually, executed in such manner and payable at such times and places as the corporate authorities shall determine, but the bonds or warrants and the interest thereon shall be payable only out of the special fund and shall be a lien and charge against payments received from any utility local improvement district assessments pledged to secure such bonds. Such bonds shall be negotiable instruments within the meaning of the negotiable instruments law, Title 62 RCW, or Title 62A RCW, notwithstanding same are made payable out of a particular fund contrary to the provisions of RCW 62.01.003 or 62A.3-105.

When corporate authorities deem it necessary to construct any sewage disposal plant, it may be considered as a part of the waterworks department of the city or town and the cost of construction and maintenance thereof may be chargeable to the water fund of the municipality, or to any other special fund which the corporate authorities may by ordinance designate.

In creating a special fund, the corporate authorities shall have due regard to the cost of operation and maintenance of the plant or system as constructed or added to, and to any proportion or part of the revenue previously pledged as a fund for the payment of bonds, warrants, or other indebtedness, and shall not set aside into such special fund a greater amount or proportion of the revenue and proceeds than in their judgment will be available above such cost of maintenance and operation and the amount or proportion, if any, of the revenue so previously pledged. Rates shall be maintained adequate to service such bonds and to maintain the utility in sound financial condition.

The bonds or warrants and interest thereon issued against any such fund shall be a valid claim of the holder thereof only as against the special fund and its fixed proportion or amount of the revenue pledged thereto, and shall not constitute an indebtedness of the city or town within the meaning of constitutional provisions and limitations. Each bond or warrant shall state upon its face that it is payable from a special fund, naming the fund and the ordinance creating it. The bonds and warrants shall be sold in such manner as the corporate authorities shall deem for the best interest of the city or town, and they may provide in any contract for the construction and acquisition of the proposed improvement that payment therefor shall be made only in such bonds and warrants at par value thereof.

No proportion or part of the revenue of any one such
public utility shall be pledged for the payment of funding or refunding bonds issued to fund or refund warrants or bonds issued for the acquisition or construction, or the making of additions or betterments to or extensions of, any other public utility. They shall be sold in such manner as the corporate authorities shall deem for the best interest of the municipality. The rate of interest on the bonds shall not exceed the rate of interest on warrants or bonds to be funded or refunded thereby. Interest on the bonds shall be paid semianually. The bonds shall be executed in such manner and payable at such time and place as the legislative authority shall by ordinance determine. Nothing in this chapter shall prevent a city from funding or refunding any of its indebtedness in any other manner provided by law. [1965 c 7 § 35.92.150. Upon the taking effect of the ordinance the mayor and the city clerk or other proper official shall execute, in the name and on behalf of the city, the lease or conveyance directed thereby. The lessee or grantee shall accept and execute the instrument within ten days after notice of its execution by the city or forfeit to the city, the amount of the check or deposit accompanying his bid: Provided, That if litigation in good faith is instituted within ten days to determine the rights of the parties, no forfeiture
shall take place unless the lessee or grantee fails for five days after the termination of the litigation in favor of the city to accept and execute the lease or conveyance. [1965 c 7 § 35.94.030. Prior: 1917 c 137 § 3; RRS § 9514. Cf. 1907 c 86 §§ 1–3; 1897 c 106 §§ 1–4. Formerly RCW 80.48.030.]

35.94.040 Lease or sale of land or property originally acquired for public utility purposes. Whenever a city shall determine, by resolution of its legislative authority, that any lands, property, or equipment originally acquired for public utility purposes is surplus to the city's needs and is not required for providing continued public utility service, then such legislative authority by resolution and after a public hearing may cause such lands, property, or equipment to be leased, sold, or conveyed. Such resolution shall state the fair market value or the rent or consideration to be paid and such other terms and conditions for such disposition as the legislative authority deems to be in the best public interest.

The provisions of RCW 35.94.020 and 35.94.030 shall not apply to dispositions authorized by this section. [1973 1st ex.s. c 95 § 1.]

Public transportation systems: RCW 35.58.272–35.58.2794.

35.95.010 Declaration of intent and purpose. We, the legislature find that an increasing number of municipally owned, or leased, and operated transportation systems in the urban areas of the state of Washington, as in the nation, are finding it impossible, from the revenues derived from tolls, tariffs and fares, to maintain the financial solvency of such systems, and as a result thereof such municipalities have been forced to subsidize such systems to the detriment of other essential public services.

All persons in a community benefit from a solvent and adequate public transportation system, either directly or indirectly, and the responsibility of financing the operation, maintenance, and capital needs of such systems is a community obligation and responsibility which should be shared by all.

We further find and declare that the maintenance and operation of an adequate public transportation system is an absolute necessity and is essential to the economic, industrial and cultural growth, development and prosperity of a municipality and of the state and nation, and to protect the health and welfare of the residents of such municipalities and the public in general.

We further find and declare that the appropriation of general funds and levying and collection of taxes by such municipalities as authorized in the succeeding sections of this chapter is necessary, and any funds so derived and expended are for a public purpose for which public funds may properly be used. [1969 ex.s. c 255 § 1; 1965 ex.s. c 111 § 1.]

Construction—Severability—1969 ex.s. c 255: See notes following RCW 35.58.272.

[1965 ex.s. c 111 § 6.]

35.95.070 Purchase of leased public transportation system—Purchase price. In the event the corporate authorities of any municipality during the term of a lease or any renewal thereof of a public transportation system desire to purchase the said system, the purchase price shall be no greater than the fair market value of the said system at the commencement of the lease. 35.95.080 Referendum rights not impaired. Nothing contained in this chapter nor the provisions of any city charter shall prevent a referendum on any ordinance or action adopted or taken by any municipality under the provisions of this chapter. [1965 ex.s. c 111 § 8.]

 Counties, conversion of overhead electric and communication facilities to underground facilities: RCW 36.88.410—36.88.480.
Local improvements for underground utilities transmission lines: RCW 35.43.040(12).

35.96.010 Declaration of public interest and purpose.
It is hereby found and declared that the conversion of overhead electric and communication facilities to underground facilities is substantially beneficial to the public safety and welfare, is in the public interest and is a public purpose, notwithstanding any resulting incidental private benefit to any electric or communication utility affected by such conversion. [1967 c 119 § 2.]

35.96.020 Definitions. As used in this chapter, unless specifically defined otherwise, or unless the context indicates otherwise:
"Conversion area" means that area in which existing overhead electric and communication facilities are to be converted to underground facilities pursuant to the provisions of this chapter.
"Electric utility" means any publicly or privately owned utility engaged in the business of furnishing electric energy to the public in all or part of the conversion area and includes electrical companies as defined by RCW 80.04.010 and public utility districts.
"Communication utility" means any utility engaged in the business of affording telephonic, telegraphic, cable television or other communication service to the public in all or part of the conversion area and includes telephone companies and telegraph companies as defined by RCW 80.04.010. [1967 c 119 § 3.]

35.96.030 Conversion of electric and communication facilities to underground facilities authorized—Local improvement districts—Special assessments. Every city or town shall have the power to convert existing overhead electric and communication facilities to underground facilities pursuant to RCW 35.43.190 where such facilities are owned or operated by the city or town. Where such facilities are not so owned or operated, every city or town shall have the power to contract with electric and communication utilities, as hereinafter provided, for the conversion of existing overhead electric and communication facilities to underground facilities. To provide funds to pay the whole or any part of the cost of any such conversion, either where the existing overhead electric and communication facilities are owned or operated by the city or town or where they are not so owned or operated, every city or town shall have the power to create local improvement districts and to levy and collect special assessments against the real property specially benefited by such conversion. For the purpose of ascertaining the amount to be assessed against each lot or parcel of land within any local improvement district established pursuant to this chapter, in addition to other methods provided by law for apportioning special benefits, the legislative authority of any city or town may apportion all or part of the special benefits accruing on a square footage basis or on a per lot basis. [1967 c 119 § 4.]

35.96.040 Contracts for conversion—Authorized—Provisions. Every city or town shall have the power to contract with electric and communication utilities for the conversion of existing overhead electric and communication facilities to underground facilities including all work incidental to such conversion. Such contracts may include, among other provisions, any of the following:
(1) For the supplying and approval by electric and communication utilities of plans and specifications for such conversion;
(2) For the payment to the electric and communication utilities for any work performed or services rendered by it in connection with the conversion project;
(3) For the payment to the electric and communication utilities for the value of the overhead facilities removed pursuant to the conversion;
(4) For ownership of the underground facilities by the electric and communication utilities. [1967 c 119 § 5.]

35.96.050 Notice to owners to convert service lines to underground—Objections—Hearing—Time limitation for conversion. When service from the underground electric and communication facilities is available in all or part of a conversion area, the city or town shall mail a notice to the owners of all structures or improvements served from the existing overhead facilities in the area, which notice shall state that:
(1) Service from the underground facilities is available;
(2) All electric and communication service lines from the existing overhead facilities within the area to any structure or improvement must be disconnected and removed within ninety days after the date of the mailing of the notice;
(3) Should such owner fail to convert such service lines from overhead to underground within ninety days after the date of the mailing of the notice, the city or town will order the electric and communication utilities to disconnect and remove the service lines;
(4) Should the owner object to the disconnection and removal of the service lines he may file his written objections thereto with the city or town clerk within thirty days after the date of the mailing of the notice and failure to so object within such time will constitute a waiver of his right thereafter to object to such disconnection and removal.

If the owner of any structure or improvement served from the existing overhead electric and communication facilities within a conversion area shall fail to convert to underground the service lines from such overhead facilities to such structure or improvement within ninety days after the mailing to him of the notice, the city or town shall order the electric and communication utilities to disconnect and remove all such service lines: Provided, That if the owner has filed his written objections to such disconnection and removal with the city or town clerk within thirty days after the mailing of the notice then the city or town shall not order such disconnection and removal until after the hearing on such objections.

Upon the timely filing by the owner of objections to the disconnection and removal of the service lines, the legislative authority of such city or town, or a committee thereof, shall conduct a hearing to determine whether the removal of all or any part of the service lines is in the public benefit. The hearing shall be held at such time as the legislative authority of such city or town may establish for hearings on the objections and shall be held in accordance with the regularly established procedure set by the legislative authority of the city or town. If the hearing is before a committee, the committee shall follow the hearing report its recommendation to the legislative authority of the city or town for final action. The determination reached by the legislative authority shall be final in the absence of an abuse of discretion. [1967 c 119 § 6.]

35.96.060 Application of provisions relating to local improvements in cities and towns to chapter. Unless otherwise provided in this chapter, the general provisions relating to local improvements in cities and towns including but not limited to chapters 35.43, 35.44, 35.45, 35.48, 35.49, 35.50, 35.53 and 35.54 RCW shall apply to local improvements authorized by this chapter. [1967 c 119 § 7.]

35.96.070 Validation of preexisting debts, contracts, obligations, etc., made or incurred incidental to conversion of electric and communication facilities to underground facilities. All debts, contracts and obligations heretofore made or incurred by or in favor of any city or town incident to the conversion of overhead electric and communication facilities to underground facilities and all bonds, warrants, or other obligations issued by any such city or town, or by any local improvement district created to effect such conversion and any and all assessments heretofore levied in any such local improvement district, and all other things and proceedings relating thereto are hereby declared to be legal and valid and of full force and effect from the date thereof. [1967 c 119 § 8.]

35.96.080 Authority granted deemed alternative and additional. The authority granted by this chapter shall be considered an alternative and additional method for converting existing overhead electric and communication facilities to underground facilities, and for paying all or part of the cost thereof, and shall not be construed as a restriction or limitation upon any other authority for or method of converting any such facilities or placing such facilities underground or paying all or part of the cost thereof, including, but not limited to, existing authority or methods under chapter 35.43 RCW and chapter 35.44 RCW. [1967 c 119 § 10.]

35.96.900 Severability—1967 c 119. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected. [1967 c 119 § 9.]

[Title 35A RCW (1979 Ed.)—p 1]
35A.01.010 Purpose and policy of this title—Interpretation. The purpose and policy of this title is to confer upon two optional classes of cities created hereby the broadest powers of local self-government consistent with the Constitution of this state. Any specific enumeration of municipal powers contained in this title or in any other general law shall not be construed in any way to limit the general description of power contained in this title, and any such specifically enumerated powers shall be construed as in addition and supplementary to the powers conferred in general terms by this title. All grants of municipal power to municipalities electing to be governed under the provisions of this title, whether the grant is in specific terms or in general terms, shall be liberally construed in favor of the municipality. [1967 ex.s. c 119 § 35A.01.010.]

35A.01.020 Noncharter code city. A noncharter code city is one, regardless of population, which has initially incorporated as a noncharter code city, subject to the provisions of this title, or is an incorporated municipality which has elected, under the procedure prescribed in this title, to be classified as a noncharter code city and to be governed according to the provisions of this title under one of the optional forms of government provided for noncharter code cities. [1967 ex.s. c 119 § 35A.01.020.]

35A.01.030 Charter code city. A charter code city is one having at least ten thousand inhabitants at the time of its organization or reorganization which has either initially incorporated as a charter code city and has adopted a charter under the procedure prescribed in this title; or which, as an incorporated municipality, has elected to be classified as a charter code city and to be governed according to the provisions of this title and of its adopted charter. [1967 ex.s. c 119 § 35A.01.030.]

35A.01.035 Code city. The term "code city" means any noncharter code city or charter code city. [1967 ex.s. c 119 § 35A.01.035.]

35A.01.040 Sufficiency of petition. Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

(1) A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in subdivisions (d) and (e) hereof are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

(a) The text or prayer of the petition which shall be a concise statement of the action or relief sought by petitioners;

(b) If the petition initiates or refers an ordinance, a true copy thereof;

(c) If the petition seeks the annexation, consolidation, incorporation, withdrawal, or reduction of an area for any purpose, an accurate legal description of the area proposed for such action;

(d) Numbered lines for signatures with space provided beside each signature for the date of signing and the address of the signer;

(e) The warning statement prescribed in subsection (2) of this section.

(2) Petitions shall be printed or typed on single sheets of white paper of good quality and each sheet of petition paper having a space thereon for signatures shall contain the text or prayer of the petition and the following warning:

WARNING

Every person who signs this petition with any other than his true name, or who knowingly signs more than one of these petitions, or signs a petition seeking an election when he is not a legal voter, or signs a petition when he is otherwise not qualified to sign, or who makes herein any false statement, shall be guilty of a misdemeanor.

Each signature shall be executed in ink or indelible pencil and shall be followed by the date of signing and the address of the signer.

(3) The term "signer" means any person who signs his own name to the petition.

(4) To be sufficient a petition must contain valid signatures of qualified electors or property owners, as the case may be, in the number required by the applicable statute or ordinance. Within three working days after the filing of a petition, the officer or officers whose duty it is to determine the sufficiency of the petition shall proceed to make such a determination with reasonable promptness and shall file with the officer receiving the petition for filing a certificate stating the date upon which such determination was begun, which date shall be referred to as the terminal date. Additional pages of one or more signatures may be added to the petition by filing the same with the appropriate filing officer prior to such terminal date. Any signer of a filed petition may withdraw his or her signature by a written request for withdrawal filed with the receiving officer prior to such terminal date. Such written request shall so sufficiently describe the petition as to make identification of the person and the petition certain. The name of any person seeking to withdraw shall be signed exactly the same as contained on the petition and, after the filing of such request for withdrawal, prior to the terminal date, the signature of any person seeking such withdrawal shall be deemed withdrawn.

(5) Petitions containing the required number of signatures shall be accepted as prima facie valid until their invalidity has been proved.

(6) A variation on petitions between the signatures on the petition and that on the voter's permanent registration caused by the substitution of initials instead of the first or middle names, or both, shall not invalidate the signature on the petition if the surname and handwriting are the same.

(7) Signatures, including the original, of any person who has signed a petition two or more times shall be stricken.

[Title 35A RCW (1979 Ed.)—p 2]
(8) Signatures followed by a date of signing which is more than six months prior to the date of filing of the petition shall be stricken.

(9) When petitions are required to be signed by the owners of property, the following shall apply:

   (b) In the case of mortgaged property, the signature of the mortgagor shall be sufficient, without the signature of his or her spouse;
   (c) In the case of property purchased on contract, the signature of the contract purchaser, as shown by the records of the county auditor, shall be deemed sufficient, without the signature of his or her spouse;
   (d) Any officer of a corporation owning land within the area involved who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign on behalf of such corporation, and shall attach to the petition a certified excerpt from the bylaws of such corporation showing such authority;
   (e) When property stands in the name of a deceased person or any person for whom a guardian has been appointed, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property. [1967 ex.s. c 119 § 35A.01.040.]

For the purposes of this optional municipal code, "the general law" means any provision of state law, not inconsistent with this title, enacted before or after the enactment of this title, which is by its terms applicable or available to all cities or towns. Except when expressly provided to the contrary, whenever in this optional municipal code reference is made to "the general law", or to specific provisions of the Revised Code of Washington, it shall mean "the general law, or such specific provisions of the Revised Code of Washington as now enacted or as the same may hereafter be amended". [Title 35A RCW (1979 Ed.)—p 3]
35A.02.140 Petition or resolution pending—Restriction—Exception.

35A.02.010 Adoption of noncharter code city classification authorized. Any incorporated city or town may become a noncharter code city in accordance with, and be governed by, the provisions of this title relating to noncharter code cities and may select one of the plans of government authorized by this title. A city or town adopting and organizing under the optional municipal code shall not be deemed to have reorganized and to have abandoned its existing general plan of government, upon changing classification and becoming a noncharter code city, solely because organizing under a plan of government authorized in this title changes the number of elective offices or changes the terms thereof, or because an office becomes appointive rather than elective, or because that city or town has come under the optional municipal code, or because of any combination of these factors. [1979 1st ex.s. c 18 § 2; 1967 ex.s. c 119 § 35A.02.010.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.02.020 Petition method—Direct. When a petition is filed, signed by qualified electors of an incorporated city or town, in number equal to not less than fifty percent of the votes cast at the last general municipal election, seeking the adoption by the city or town of the classification of noncharter code city, either under its existing authorized plan of government or naming one of the plans of government authorized for noncharter code cities, the city or town clerk shall promptly proceed to determine the sufficiency of the petition under the rules set forth in RCW 35A.01.040. If the petition is found to be sufficient, the clerk shall file with the legislative body a certificate of sufficiency of the petition. Thereupon the legislative body of such city or town shall, by resolution, declare that the inhabitants of the city or town have decided to adopt the classification of noncharter code city and to be governed under the provisions of this title. If a prayer for reorganization is included in the petition such resolution shall also declare that the inhabitants of the city or town have decided to reorganize under the plan of government specified in the petition. The legislative body shall cause such resolution to be published at least once in a newspaper of general circulation within the city or town not later than ten days after the passage of the resolution. Upon the expiration of the ninetieth day from, but excluding the date of, first publication of the resolution, if no timely and sufficient referendum petition has been filed pursuant to RCW 35A.02.025, as now or hereafter amended, as determined by RCW 35A.29.170, the legislative body at its next regular meeting shall effect the decision of the inhabitants, as expressed in the petition, by passage of an ordinance adopting for the city the classification of noncharter code city, and if the petition also sought governmental reorganization by adoption of one of the plans of government authorized for noncharter code cities involving a different general plan of government from that under which the city is operating, then the legislative body shall provide at that time for such reorganization by ordinance and for election of all new officers pursuant to RCW 35A.02.050, as now or hereafter amended. [1979 1st ex.s. c 18 § 3; 1967 ex.s. c 119 § 35A.02.020.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.02.025 Referendum. Upon the filing of a referendum petition in the manner provided in RCW 35A.29.170 signed by qualified electors in number equal to not less than ten percent of the votes cast in the last general municipal election, such resolution as authorized by RCW 35A.02.020 shall be referred to the voters for confirmation or rejection in the next general municipal election if one is to be held within one hundred and eighty days from the date of filing of the referendum petition, or at a special election to be called for that purpose in accordance with RCW 29.13.020. [1979 1st ex.s. c 18 § 4; 1967 ex.s. c 119 § 35A.02.025.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.02.030 Resolution method. When a majority of the legislative body of an incorporated city or town determines that it would serve the best interests and general welfare of such municipality to change the classification of such city or town to that of noncharter code city, such legislative body may, by resolution, declare its intention to adopt for the city or town the classification of noncharter code city. If the legislative body so determines, such resolution may also contain a declaration of intention to reorganize the municipal government under one of the plans of government authorized in this title, naming such plan; but it shall also be lawful for the legislative body of any incorporated city or town which is governed under a plan of government authorized prior to the time this title takes effect to adopt for the city or town the classification of noncharter code city while retaining the same general plan of government under which such city or town is then operating. Within ten days after the passage of the resolution, the legislative body shall cause it to be published at least once in a newspaper of general circulation within the city or town. Upon the expiration of the ninetieth day from, but excluding the date of first publication of the resolution, if no timely and sufficient referendum petition has been filed pursuant to RCW 35A.02.035, as determined by RCW 35A.29.170, the intent expressed in such resolution shall at the next regular meeting of the legislative body be effected by an ordinance adopting for the city or town the classification of noncharter code city; and, if the resolution includes a declaration of intention to reorganize, the legislative body shall provide at that time for such reorganization by ordinance. [1979 1st ex.s. c 18 § 5; 1967 ex.s. c 119 § 35A.02.030.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.02.035 Referendum. Upon the filing of a referendum petition in the manner provided in RCW 35A.29.170 signed by qualified electors of an incorporated city or town in number equal to not less than ten percent
of the votes cast in the last general municipal election, such resolution shall be referred for approval or rejection by the voters at an election as specified in RCW 35A.02.025. [1967 ex.s. c 119 § 35A.02.035.]

35A.02.040 Certification of ordinance—Transcript of record to secretary of state. When one or more ordinances are passed under RCW 35A.02.020 or 35A.02.030, as now or hereafter amended, the clerk of the city or town shall forward to the secretary of state a certified copy of any such ordinance. Upon the filing in the office of the secretary of state of a certified copy of an ordinance adopting the classification of noncharter code city, such city or town shall thereafter be classified as a noncharter code city; except that if there is also filed with the secretary of state a certified copy of an ordinance providing for reorganization of the municipal government of such city or town under a different general plan of government, such reclassification and reorganization shall not be effective until the election, qualification, and assumption of office under RCW 35A.02.050 as now or hereafter amended of at least a quorum of all new officers under the plan of government so adopted. [1979 1st ex.s. c 18 § 6; 1970 ex.s. c 52 § 1; 1967 ex.s. c 119 § 35A.02.040.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.02.050 Election of new officers. The first election of officers where required for reorganization under a different general plan of government newly adopted in a manner provided in RCW 35A.02.020, 35A.02.030, 35A.06.030, or 35A.06.060, as now or hereafter amended, shall be at the next general municipal election if one is to be held more than ninety days but not more than one hundred and eighty days after certification of a reorganization ordinance or resolution, or otherwise at a special election to be held for that purpose in accordance with RCW 29.13.020. In the event that the first election of officers as herein provided is to be held at a general municipal election, such election shall be preceded by a primary election pursuant to RCW 29.21.010 and 29.13.070. In the event that the first election of all officers as herein provided is to be held at a special election rather than at a general election, and notwithstanding any provisions of any other law to the contrary, such special election shall be preceded by a primary election to be held on a date authorized by RCW 29.13.010, and the persons nominated at that primary election shall be voted upon at the next succeeding special election that is authorized by RCW 29.13.010: Provided, That in the event the ordinances calling for reclassification or reorganization under the provisions of Title 35A RCW have been filed with the secretary of state pursuant to RCW 35A.02.040 in an even-numbered year at least ninety days prior to a state general election then the election of new officers shall be concurrent with the state primary and general election and shall be conducted as set forth in chapter 35A.29 RCW. Upon reorganization, candidates for all offices shall file or be nominated for and successful candidates shall be elected to specific council positions, and an initial term or office for those elected at a first election of all officers to positions one and two for a five-member council, or positions one through three for a seven-member council, shall if the election occurs at a general municipal election be only until the second Monday in January first following the next general municipal election two years hence and if the election occurs at a special election, the duration of these initial terms shall be until the second Monday in January in the first even-numbered year that follows the next general municipal election. The duration of the initial term attaching to the remaining councilmanic positions shall be until the second Monday in January two years next thereafter, so that staggered regular four-year terms will ultimately result. Any declarations of candidacy for any primary or other election held pursuant to this section shall be filed as provided in RCW 35A.29.110 as now or hereafter amended. The former officers shall, upon the election and qualification of new officers, deliver to the proper officers of the reorganized noncharter code city all books of record, documents and papers in their possession belonging to such municipal corporation before the reorganization thereof. Officers elected at the first election of officers held pursuant to this amendatory act shall assume office as soon as the election returns have been certified. [1979 1st ex.s. c 18 § 7; 1971 ex.s. c 251 § 1; 1970 ex.s. c 52 § 2; 1967 ex.s. c 119 § 35A.02.050.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.02.055 Election of new officers—Exception where same general plan of government is retained. Where a city elects to become a noncharter code city under one of the optional plans of government provided in Title 35A RCW for code cities which involves the same general plan of government as that under which the city operated prior to the choice and where with the change in classification the number of councilmanic positions in a city remains the same or increases from five to seven, the procedures for the first election of officers which appear in RCW 35A.02.050 shall not be followed. When membership in a city council remains the same or is increased upon becoming a noncharter code city, the terms of incumbent council members shall not be affected. If the number of council members is increased from five to seven, the city council shall, by majority vote, pursuant to RCW 35A.12.050 and 35A.13.020, appoint two persons to serve in these offices until the next municipal general election, at which election one person shall be elected for a two-year term and one person shall be elected for a four-year term.

A first election of all officers upon a change in classification to a noncharter code city is also not required where the change in classification otherwise retains the same general or specific plan of government and where the change in classification results in a decrease in the number of councilmanic positions in a city.
If the membership in a city council is decreased from seven to five members upon adopting the classification of noncharter code city, this decrease in the number of council members shall be determined in the following manner: The council members shall determine by lot which two councilmanic positions shall be eliminated upon the expiration of their terms of office. The terms of the remaining council members shall not be affected. [1979 1st ex.s. c 18 § 8.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.02.060 Petition for election. When a petition which is sufficient under the rules set forth in RCW 35A.01.040 is filed with the legislative body of an incorporated city or town, signed by qualified electors of such municipality in number equal to not less than ten percent of the votes cast at the last general municipal election, seeking adoption by the city or town of the classification of noncharter code city and the reorganization of the city or town under one of the plans of government authorized in this title, the clerk of the city or town shall file with the legislative body thereof a certificate of sufficiency of such petition. Thereupon, the legislative body shall cause such proposal to be submitted to the voters at the next general municipal election if one is to be held within one hundred eighty days after certification of the sufficiency of the petition, or at a special election to be held for that purpose not less than ninety days nor more than one hundred and eighty days from such certification of sufficiency. Ballot titles for elections under this chapter shall be prepared by the city attorney as provided in RCW 35A.29.120. [1967 ex.s. c 119 § 35A.02.060.]

35A.02.070 Resolution for election. The legislative body of an incorporated city or town may, by resolution, submit to the voters in the next general municipal election if one is to be held within one hundred eighty days after passage of the resolution, or in a special election to be called for that purpose not less than ninety days nor more than one hundred and eighty days after passage of the resolution, a proposal that the city or town adopt the classification of noncharter code city and organize under one of the plans of government authorized in this title, naming such plan. [1967 ex.s. c 119 § 35A.02.070.]

35A.02.080 Election of officers upon approval of plan of government by voters. If the majority of votes cast at an election for organization under a plan provided in this title favor the plan, the city or town shall elect in accordance with RCW 35A.02.050 the officers for the positions created. The former officers of the municipality shall, upon the election and qualification of the new officers, deliver to the proper officers of the new noncharter code city all books of record, documents and papers in their possession belonging to such municipal corporation before reorganization. [1971 ex.s. c 251 § 2; 1967 ex.s. c 119 § 35A.02.080.]

Severability—1971 1st ex.s. c 251: RCW 35A.90.050.

35A.02.090 Alternative plan of government. Proposals for each of the plans of government authorized by this title may be placed on the ballots in the same election by timely petition as provided in this chapter. When the ballot contains alternative proposals for each of the plans of government the ballot shall clearly state that voters may vote for only one of the plans of government. [1971 ex.s. c 251 § 3; 1967 ex.s. c 119 § 35A.02.090.]

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.02.100 Notice of election. Notice of elections under this chapter shall be given by publication at least once each week for two weeks prior to the date of election in one or more newspapers of general circulation within the city or town of a notice containing a statement of the plan or plans of government to be voted upon, the proposal to adopt the classification of noncharter code city, the title of each office, the names and addresses of all candidates for such office, in alphabetical order and without party designation, the day and hours during which the polls will be open and the addresses of each polling place in each precinct. Such notice shall be in lieu of the notice provided by RCW 35A.29.140. [1967 ex.s. c 119 § 35A.02.100.]

35A.02.110 Canvass of returns—Certificates of election—Transcript of record to secretary of state. The election officials, after counting the ballots, shall make their returns to the county auditor upon forms furnished by him within six hours after the closing of the polls; and on the Monday next succeeding the election or as soon thereafter as the county auditor has received the returns from all the precincts included therein, the county canvassing board shall canvass the returns in such election and shall forthwith certify in duplicate to the city or town clerk the whole number of votes given at the election, the number of votes in favor of reclassification and the number against it, and the number of votes in favor of each plan of government voted upon and the number against it. The clerk shall lay the certificate of election before the legislative body of the city or town at its next regular meeting after the receipt of such certificate by the clerk, and if it appears that the votes cast for adoption of the classification of noncharter code city and in favor of a plan of government named on the ballot were a majority of the votes cast in such election, the council shall thereupon, by resolution, declare that the inhabitants of the city or town have decided on such reclassification and reorganization under the plan of government approved and direct the clerk to forward to the secretary of state a certified copy of the resolution. [1979 1st ex.s. c 18 § 9; 1967 ex.s. c 119 § 35A.02.110.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.02.120 Effective date of reclassification and reorganization. Upon the filing of the certified copy of the resolution with the secretary of state, the county auditor shall issue certificates of election to the successful candidates for the offices under the plan of government for which a majority of the votes were cast, and upon the
issuance of such certificates, such city or town shall be­
come a noncharter code city governed under the plan of
government chosen by the voters, under the provisions of this
Title and with the powers conferred by this title. [1967 ex.s. c 119 § 35A.02.120.]

35A.02.130 Adoption of classification of noncharter
code city without change of governmental plan. Any in­
corporated city or town governed under a plan of gov­
ernment authorized prior to the time this title takes
effect may become a noncharter code city without
changing such plan of government by the use of the peti­
tion—for election or resolution—for election procedures
provided in RCW 35A.02.060 and 35A.02.070 to sub­
mit to the voters a proposal that such municipality adopt
the classification of noncharter code city while retaining its
existing plan of government, and upon a favorable vote
on the proposal, such municipality shall be classified as a
noncharter code city, such reclassification to be effective
upon the filing of the record of such election with the
office of the secretary of state. Insofar as the provi­
sions of RCW 35A.02.100 and 35A.02.110 are applicable
to an election on such a reclassification proposal they shall
apply to such election. [1967 ex.s. c 119 § 35A.02.130.]

35A.02.140 Petition or resolution pending—Restri­
ction—Exception. While proceedings are pending
under any petition or resolution relating to reclassifi­
cation of a municipality or reorganization of the govern­
ment thereof pursuant to this chapter, no resolution shall
be passed for the purpose of initiating other such pro­
cedings or submitting other such proposals to the voters
at an election thereunder; and no petition for reclassifi­
cation or reorganization of such municipality shall be
accepted for filing pending such proceedings, except that a
timely and sufficient petition seeking to place on the
ballot for such election a proposal for an alternative plan of
government authorized by this title, as provided in
RCW 35A.02.090, may be filed and acted upon. [1967
ex.s. c 119 § 35A.02.140.]

The hearing may be adjourned from time to time, not exceeding two months in all from the date of commencement of the hearing. 35A.04.010 Definitions. As used in this chapter, unless the context indicates otherwise, "principal county auditor", "principal board of county commissioners", "principal county canvassing board", "principal county prosecuting attorney", and "principal county officer" mean respectively those officials in the county of that part of the proposed corporation in which the largest number of inhabitants reside as of the date of the incorporation thereof. [1967 ex.s. c 119 § 35A.04.010.]

35A.04.020 Incorporation as noncharter code city authorized—Number of inhabitants required—Exception. Any area lying in two or more counties which is not incorporated as a municipal corporation, may become incorporated as a noncharter code city under the provisions of this chapter: Provided, That when any part of the area to be incorporated lies within five air miles of the boundary of any city having a population of fifteen thousand or more no petition under RCW 35A.04.030 shall be valid unless the limits of the proposed city contain three thousand or more inhabitants. [1979 1st ex.s. c 18 § 11; 1967 ex.s. c 119 § 35A.04.020.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.04.030 Petition for incorporation. A petition shall first be presented to the principal county auditor signed by qualified voters resident within each area of each county of the proposed noncharter code city equal in number to ten percent of the votes cast in the proposed area at the last general state election. The petition shall name one of the plans of government authorized by this title as the form of government under which the proposed corporation is to operate in the event it is incorporated, the proposed boundaries of the proposed corporation, the number of inhabitants, as nearly as may be, within each area of each county within the proposed corporation, the name of the proposed corporation, and shall pray that the area may be incorporated as a noncharter code city. [1967 ex.s. c 119 § 35A.04.030.]

35A.04.040 Duties of county auditors—Certificates of sufficiency. The principal county auditor, within thirty days after the date of receiving the petition, shall determine whether the legal description of the area to be incorporated in his county is correct, whether the petition violates the prohibition contained in RCW 35A.04.020 with regard to number of inhabitants, and whether there is a sufficient number of valid signatures from the area within their respective counties. No one county auditor shall be allowed more than thirty days within which to check the petition. Each auditor shall attach a certificate of his determination as to sufficiency and return the petition to the principal county auditor who, in turn, shall, not later than five days after receiving it from the other county auditors, attach thereto a certificate of his determination as to sufficiency for his own county and transmit the petition and certificates to the principal board of county commissioners. [1967 ex.s. c 119 § 35A.04.040.]

35A.04.050 Publication of petition and notice. Within ten days of receipt of a petition for incorporation which has been certified as sufficient by the auditors of the respective counties within the proposed area, the principal board of county commissioners shall meet and fix a date for a hearing on the petition, which shall be not more than thirty-five days after receipt of the petition by the board, and shall give notice of the hearing upon the petition and the time and place thereof by at least one publication not more than ten nor less than three days prior to the date set for the hearing in one or more newspapers of general circulation within the respective counties in which the proposed corporation is located. Before selecting the date for the hearing, the principal board of county commissioners shall first obtain approval of such date from each board of county commissioners of the other counties involved. [1967 ex.s. c 119 § 35A.04.050.]

35A.04.060 Hearing—Factors considered. The hearing provided for in RCW 35A.04.050 shall be held jointly by all the respective boards of county commissioners under the direction of the principal board of county commissioners. The hearing may be adjourned from time to time not to exceed two months in all from the date of commencement of the hearing. The respective boards shall jointly consider: (1) What the initial population of the proposed noncharter code city would be under the boundaries set by the petition; (2) whether there is such a diversity of interests and needs among the inhabitants of the proposed area that the proposed noncharter code city would be unable to provide services for the entire area proposed; and (3) whether those persons, if any, objects to being included within the proposed corporation have a strong and justifiable reason for being excluded from the area proposed to be incorporated. [1967 ex.s. c 119 § 35A.04.060.]

35A.04.070 Establishment of boundaries—Limitation—Order. If upon final hearing the respective boards find that any land within their respective counties has been unjustly or improperly included within or excluded from the proposed corporation, based on the considerations stated in RCW 35A.04.060, the respective boards may change and fix the boundary lines of the portion of the proposed corporation within their respective counties in such a manner as they deem reasonable and just and conducive to the public welfare and convenience: Provided, That when any part of the area to be
incorporated lies within five air miles of the boundary of any city having a population of fifteen thousand or more, the area shall not be so decreased that the number of inhabitants therein shall be less than three thousand. No land shall be so included within the boundaries described in the petition unless each board of county commissioners of that county in which the area sought to be included is located first obtains the written assent of a number of qualified voters resident within each area to be included in the proposed corporation equal in number to not less than twenty percent of the votes cast in that area at the last state election. Within five days after the final hearing each board of county commissioners shall, for the area within its respective county, by order establish and define the boundaries of the proposed corporation consistent with RCW 35A.03.180, determine the number of inhabitants residing therein and affirm the name of the proposed corporation: Provided, That for the action required after the final hearing, the boards may act jointly but in such case a majority of each board must vote favorably on such final action and the order shall be entered in the minutes of each board. [1979 1st ex.s. c 18 § 12; 1975 1st ex.s. c 220 § 13; 1967 ex.s. c 119 § 35A.04.070.]

35A.05.060 Election of officers upon approval of consolidation and plan of government by the voters. When a proposal to consolidate one or more contiguous municipal corporations as a noncharter code city is to be submitted to the electors as provided in this chapter, candidates for the offices which would be created if the plan of government proposed in the petition or resolution were approved by the voters shall file a declaration of candidacy with the county auditor not more than forty-five nor less than thirty days prior to such election and their names shall be placed upon the ballot under the designation of the respective titles of offices for which they are candidates. If a majority of those voting on the measures approve the proposed consolidation as a noncharter code city under the plan of government proposed and the name proposed, the persons elected to offices under such plan shall, upon their qualification as provided by law, become the first officers of the new noncharter code city. [1967 ex.s. c 119 § 35A.05.060.]

35A.05.070 Notice of election. Upon the giving and receiving of the notice required by RCW 35A.05.050 or upon the passage of a joint resolution as provided in RCW 35A.05.020, the legislative body of each of the municipal corporations proposed to be consolidated shall cause an election to be held in such corporation upon the date designated in the resolution or in the notice, and shall publish notice thereof at least once each week for two weeks prior to the date of election in one or more newspapers of general circulation within such corporation. Such notice of election shall state the names of the municipal corporations proposed to be consolidated as a noncharter code city, the name of the proposed noncharter code city, the plan of government proposed in the petition or resolution, the title of each office under such plan, the names and addresses of all candidates for each office, in alphabetical order under the title of the
office for which they are candidates and without party designation, the days and hours during which the polls will be open and the address of each polling place in each precinct. If the resolution or petition includes a proposal for assumption of indebtedness, the notice of election shall distinctly state such proposal and shall specify the improvement or service for which the general obligation indebtedness proposed to be assumed was incurred, state the amount of any such indebtedness outstanding or pending at the date of the first publication of the notice and the rate of interest thereon. [1967 ex.s. c 119 § 35A.05.070.]

35A.05.080 Ballots. Ballot titles shall be prepared as provided in RCW 35A.29.120. If a proposal for assumption of indebtedness is to be submitted to the voters, the proposal shall be separately stated and the ballots shall contain, as a separate proposition to be voted on, the words "For Assumption of Indebtedness" and "Against Assumption of Indebtedness" or words equivalent thereto. The names of all candidates for offices under the plan of government proposed shall be arranged on the ballots in groups under the designation of the title of the office for which they are candidates, in alphabetical order and without party designation. The ballot shall clearly direct the voter to cast his votes for officers under the plan of government proposed, regardless of how he may vote on the proposition, to indicate his choice among the candidates in the event the proposition is approved by a majority of those voting thereon. [1967 ex.s. c 119 § 35A.05.080.]

35A.05.090 Canvass of returns—Joint convention—Abstract of votes, contents, filing. The election officials in each county involved, after counting the ballots, shall make their returns to their county auditor upon forms furnished by him within six hours after the closing of the polls; and on the Monday next succeeding the election or as soon as the county auditor has received the returns from all the precincts included therein, the county canvassing board in each county involved shall canvass the returns in such election. The votes cast in each of such corporations shall be canvassed separately, and the statement shall show the whole number of votes cast, the number of votes cast in each corporation for consolidation as a noncharter code city under the proposed plan of government, and the number in each corporation cast against such consolidation, and the number of votes received by each candidate. If a proposal for assumption of indebtedness was voted upon, the statement shall show the number of votes cast in each corporation for assumption of indebtedness and the number against assumption of indebtedness. A certified copy of such statement shall be filed with the legislative body of each of the corporations affected, in that ratio which the number of inhabitants residing in such corporation bear to the total number of inhabitants residing in the total area in which the election was held, as shown by the figures released at the most recent state or federal census or by a determination of the office of financial management. [1979 c 151 § 31; 1967 ex.s. c 119 § 35A.05.120.]

35A.05.130 Disposition of property. Upon the consolidation of two or more municipal corporations as provided in this chapter, the title to all property owned by, or held in trust for, such former corporations shall vest in the consolidated corporation: Provided, That if any such former corporation shall be indebted, the proceeds of the sale of any such property not required for the use of such consolidated corporation shall be applied to the payment of such indebtedness, if any exists at the time of such sale. [1967 ex.s. c 119 § 35A.05.130.]

35A.05.140 Assets and liabilities of component corporations—Taxation to pay claims. Such consolidation shall in no wise affect or impair the validity of any claim or chose in action existing in favor of, or against, any such former corporation so consolidated, or the area theretofore comprising such former corporation, or any proceeding pending in relation thereto, but such consolidated noncharter code city shall collect such claim in favor of such former corporation and shall apply the proceeds to the payment of any just claims against them respectively, and shall, when necessary, levy and collect taxes against the taxable property within any such former corporation sufficient to pay all just claims against it. [1967 ex.s. c 119 § 35A.05.140.]

35A.05.150 Continuation of ordinances. All ordinances in force within each former corporation at the time of consolidation not in conflict with the laws governing the consolidated noncharter code city, shall remain in full force and effect within the area of the consolidated city to which such ordinances formerly applied until superseded or repealed by the legislative body of the consolidated noncharter code city, and shall be enforced by the new city, but all ordinances of such former corporations in conflict with ordinances of the consolidated noncharter code city shall be deemed repealed upon the effective date of a conflicting or repealing ordinance of the noncharter code city. Nothing in this section shall be construed to discharge any person from any liability, civil or criminal, for any violation of any ordinance of such former corporation incurred prior to such consolidation. [1967 ex.s. c 119 § 35A.05.150.]

35A.05.160 Taxation of component cities. No property within any former corporation so consolidated under the provisions of this chapter shall be taxed to pay any portion of any general obligation indebtedness of any other of such former corporations contracted or incurred prior to the date of such consolidation; except that, when the petition or resolution initiating such consolidation proceedings proposes that a general obligation indebtedness of one or more of the corporations proposed to be consolidated shall be assumed by the proposed consolidated noncharter code city and such proposal is approved by sixty percent of the voters voting thereon in each former corporation, then the legislative body of the new noncharter code city shall be authorized to apportion the burden of taxation to pay such indebtedness or to meet such obligation. [1967 ex.s. c 119 § 35A.05.160.]

35A.06.070 Abandonment of noncharter code city classification without reorganization.

35A.06.010 Each optional plan of government declared complete form of government. Each of the optional plans of government authorized by chapter 35A.12 RCW and chapter 35A.13 RCW, with any amendments thereto, is declared to be a complete and separate plan of government authorized by the legislature for submission to the voters of a municipality or for adoption by resolution of the legislative body thereof in the manner provided herein, and is additional to the plans of government existing prior to the time this title takes effect. [1967 ex.s. c 119 § 35A.06.010.]

35A.06.020 Laws applicable to noncharter code cities. The classifications of municipalities which existed prior to the time this title goes into effect—first class, second class, third class and fourth class—and the restrictions, limitations, duties, and obligations specifically imposed by law upon such classes of cities and towns, shall have no application to noncharter code cities, but every noncharter code city, by adopting such classification, has elected to be governed by the provisions of this title, with the powers granted hereby. [1967 ex.s. c 119 § 35A.06.020.]

35A.06.030 Abandonment of plan of government of a noncharter code city. By use of the resolution for election or petition for election methods described in RCW 35A.06.040, any noncharter code city which has operated for more than six consecutive years under one of the optional plans of government authorized by this title, or for more than a combined total of six consecutive years under a particular plan of government both as a code city and under the same general plan under Title 35 RCW immediately prior to becoming a code city, may abandon such organization and may reorganize and adopt another plan of government authorized for noncharter code cities, but only after having been a noncharter code city for more than one year or a city after operating for more than six consecutive years under a particular plan of government as a noncharter code city or may reclassify and adopt a plan of government authorized by the general law for municipalities of the highest class for which the population of such city qualifies it, or authorized for the class to which such city belonged immediately prior to becoming a noncharter code.
city, if any: Provided, That these limitations shall not apply to a city seeking to adopt a charter.

In reorganization under a different general plan of government as a noncharter code city, officers shall all be elected as provided in RCW 35A.02.050. When a noncharter code city adopts a plan of government other than those authorized under Title 35A RCW, such city ceases to be governed under this optional municipal code and shall be classified as a city or town of the class selected in the proceeding for adoption of such new plan, with the powers granted to such class under the general law. [1979 1st ex.s. c 18 § 14; 1971 ex.s. c 251 § 13; 1967 ex.s. c 119 § 35A.06.030.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

Severability—1971 ex.s. c 251: RCW 35A.90.050.

Abandonment—Resolution or petition for election. Upon the passage of a resolution of the legislative body of a noncharter code city, or upon the filing of a sufficient petition with the city clerk signed by qualified electors in number equal to not less than ten percent of the votes cast at the last general municipal election therein, proposing abandonment by the city of the plan of government under which it is then operating and adoption of another plan, naming such plan, the sufficiency of the petition for abandonment shall be determined, an election ordered and conducted, and the results declared generally as provided in chapter 35A.02 RCW insofar as such provisions are applicable. If the resolution or petition proposes a plan of government other than those authorized in chapters 35A.12 RCW and 35A.13 RCW of this title, the resolution or petition shall specify the class under which such city will be classified upon adoption of such plan. [1967 ex.s. c 119 § 35A.06.040.]

Abandonment—Election. The proposal for abandonment of a plan of government as authorized in RCW 35A.06.030 and for adoption of the plan named in the resolution or petition shall be voted upon at the next general municipal election if one is to be held within one hundred and eighty days or otherwise at a special election called for that purpose in accordance with RCW 29.13.020. The ballot title and statement of the proposition shall be prepared by the city attorney as provided in RCW 29.27.060 and 35A.29.120, as now or hereafter amended. If the plan proposed in the petition is not a plan authorized for noncharter code cities by this title, the ballot statement shall clearly set forth that adoption of such plan by the voters would require abandonment of the classification of noncharter code city and that government would be under the general law relating to cities of the class specified in the resolution or petition. If the plan proposed in the petition is a plan authorized for noncharter code cities the ballot statement shall clearly set forth that adoption of such plan by the voters would not affect the eligibility of the noncharter code city to be governed under this optional municipal code. [1979 1st ex.s. c 18 § 15; 1967 ex.s. c 119 § 35A.06.050.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

Abandonment—Reorganization under plan adopted—Effective date. If a majority of votes cast at the election favor abandonment of the general plan of government under which the noncharter code city is then organized and reorganization under the different general plan proposed in the resolution or petition, the officers to be elected shall be those prescribed by the plan of government so adopted, and they shall be elected as provided in RCW 35A.02.050 if the city is to remain a noncharter code city, or if the city is abandoning optional municipal code status, they shall be elected at the next succeeding general municipal election. Upon the election, qualification, and assumption of office by such officers the reorganization of the government of such municipality shall be complete and such municipality shall thereafter be governed under such plan. If the plan so adopted is not a plan authorized for noncharter code cities, upon the election, qualification, and assumption of office by such officers the municipality shall cease to be a noncharter code city governed under the provisions of this optional municipal code and shall revert to the classification selected and shall be governed by the general laws relating to municipalities of such class with the powers conferred by law upon municipalities of such class. Such change of classification shall not affect the then existing property rights or liabilities of the municipal corporation. [1979 1st ex.s. c 18 § 16; 1967 ex.s. c 119 § 35A.06.060.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

Abandonment of noncharter code city classification without reorganization. By means of the procedures set forth in this chapter, insofar as they apply, any noncharter code city which has been governed under the provisions of this title for more than six years may abandon the classification of noncharter code city and elect to be governed under the general law relating to cities or towns of the classification held by such city immediately prior to becoming a noncharter code city, if any, or relating to cities or towns of the highest class for which it is qualified by population, with the powers conferred by law upon such class, while retaining the plan of government under which it is then organized. A change of classification approved by a majority of the voters voting on such proposition shall become effective upon the filing of the record of such election with the office of the secretary of state. [1967 ex.s. c 119 § 35A.06.070.]

35A.08.010 Adoption of charter authorized. Any city having a population of ten thousand or more inhabitants may become a charter code city and be governed under the provisions of this title by adopting a charter for its own government in the manner prescribed in this chapter. Once any city, having ten thousand population, has adopted such a charter, any subsequent decrease in population below ten thousand shall not affect its status as a charter code city. [1967 ex.s. c 119 § 35A.08.010.]

35A.08.020 Determining population. For the purposes of this chapter, the population of a city shall be the number of residents shown by the figures released for the most recent official state or federal census, by a population determination made under the direction of the office of financial management, or by a city census conducted in the following manner:

1. The legislative authority of any such city may provide by ordinance for the appointment by the mayor thereof, of such number of persons as may be designated in the ordinance to make an enumeration of all persons residing within the corporate limits of the city. 2. Immediately upon the completion of the enumeration, the enumerators shall make return thereof upon oath to the legislative authority of the city, who at its next meeting or as soon thereafter as practicable, shall canvass and certify the returns.

3. If it appears therefrom that the whole number of persons residing within the corporate limits of the city is ten thousand or more, the mayor and clerk under the corporate seal of the city shall certify the number so ascertained to the secretary of state, who shall file it in his office. This certificate when so filed shall be conclusive evidence of the population of the city. [1979 c 151 § 32; 1967 ex.s. c 119 § 35A.08.020.]

Population determinations, office of financial management: Chapter 43.62 RCW.

35A.08.030 Resolution or petition for election. The legislative body of any city having ten thousand or more inhabitants may, by resolution, provide for submission to the voters of the question whether the city shall become a charter code city and be governed in accordance with a charter to be adopted by the voters under the provisions of this title. The legislative body must provide for such an election upon receipt of a sufficient petition therefor signed by qualified electors in number equal to not less than ten percent of the votes cast at the last general municipal election therein. The question may be submitted to the voters at the next general municipal election if one is to be held within one hundred and eighty days or at a special election held for that purpose not less than ninety nor more than one hundred and eighty days after the passage of the resolution or the filing of the certificate of sufficiency of the petition. At such election provision shall also be made for the election of fifteen freeholders who, upon a favorable vote on the question, shall constitute the charter commission charged with the duty of framing a charter for submission to the voters. [1967 ex.s. c 119 § 35A.08.030.]

35A.08.040 Election on question—Election of freeholders. The election on the question whether to adopt a charter and become a charter code city and the nomination and election of the members of the charter commission shall be conducted, and the result declared, according to the laws regulating and controlling elections in the city. Candidates for election to the charter commission must be nominated by petition signed by ten qualified electors of the city and residents therein for a period of at least two years preceding the election. A nominating petition shall be filed within the time allowed for filing declarations of candidacy and shall be verified by an affidavit of one or more of the signers to the effect that the affiant believes that the candidate and all of the signers are qualified electors of the city and he signed the petition in good faith for the purpose of endorsing the person named therein for election to the charter commission. A written acceptance of the nomination by the nominee shall be affixed to the petition when filed with the city clerk. Nominating petitions need not be in the form prescribed in RCW 35A.01.040. Any nominee may withdraw his nomination by a written statement of withdrawal filed at any time not later than five days before the last day allowed for filing nominations. The positions on the charter commission shall be designated by consecutive numbers one through fifteen.
and the positions so designated shall be considered as separate offices for all election purposes. A nomination shall be made for a specific numbered position. [1967 ex.s. c 119 § 35A.08.040.]

35A.08.050 Organization of charter commission—Vacancies—Duties. Within ten days after its election the charter commission shall hold its first meeting, elect one of the members as chairman, and adopt such rules for the conduct of its business as it may deem advisable. In the event of a vacancy in the charter commission, the remaining members shall fill it by appointment thereto of some properly qualified person. A majority shall constitute a quorum for transaction of business but final charter recommendations shall require a majority vote of the whole membership of the commission. The commission shall study the plan of government of the city, compare it with other available plans of government, and determine whether, in its judgment, the government of the city could be strengthened, made more responsive or accountable to the people, or whether its operation could be made more economical or more efficient by amendment of the existing plan or adoption of another plan of government. The commission shall consider the plans of government described in this title but shall not be limited to such plans in its recommendations for the government of the city and may frame a charter for any plan it deems suitable for the good government of the city; except that the provisions of such charter shall not be valid if inconsistent with the Constitution of this state, the provisions of this title, or the general laws of the state, insofar as they are applicable to cities governed under this title. 35A.08.060 Expenses of commission members—Consultants and assistants. Members of the charter commission shall serve without compensation but shall be reimbursed by the city for all necessary expenses incurred in the performance of their duties. The legislative body may, in its discretion, make a reasonable appropriation of the city funds to provide for public information and discussion concerning the purposes and progress of the commission's work and/or to provide technical or clerical assistance to the commission in its work. Within the limits of any such appropriation and privately contributed funds and services as may be available to it, the charter commission may appoint one or more consultants and clerical or other assistants to serve at the pleasure of the commission and may fix a reasonable compensation to be paid such consultants and assistants. [1967 ex.s. c 119 § 35A.08.060.]

35A.08.070 Public hearing. The charter commission shall hold at least one public hearing in the course of its deliberations, may hold committee meetings and may sponsor public forums and promote public education and discussion respecting its work. [1967 ex.s. c 119 § 35A.08.070.]

35A.08.080 Submission of charter—Election of officers—Publication. Within one hundred and eighty days from the date of its first meeting, the charter commission, or a majority thereof, shall frame a charter for the city and submit the charter to the legislative body of the city, which, within five days thereafter shall initiate proceedings for the submission of the proposed charter to the qualified electors of the city at the next general election if one is to be held within one hundred and eighty days or at a special election to be held for that purpose not less than ninety nor more than one hundred and eighty days after submission of the charter to the legislative body. The legislative body shall cause the proposed charter to be published in a newspaper of general circulation in the city at least once each week for four weeks next preceding the day of submitting the same to the electors for their approval. At this election the first officers to serve under the provisions of the proposed charter shall also be elected. If the election is from wards, the division into wards as specified in the proposed charter shall govern; in all other respects the then existing laws relating to such elections shall govern. The notice of election shall specify the objects for which the election is held and shall be given as required by law. [1967 ex.s. c 119 § 35A.08.080.]

35A.08.090 Conduct of elections. The election upon the question of becoming a charter code city and framing a charter and the election of the charter commission, and the election upon the adoption or rejection of the proposed charter and the officers to be elected thereunder, the returns of both elections, the canvassing thereof, and the declaration of the result shall be governed by the laws regulating and controlling elections in the city. [1967 ex.s. c 119 § 35A.08.090.]

35A.08.100 Ballot titles. Ballot titles for elections under this chapter shall be prepared by the city attorney as provided in RCW 35A.29.120. The ballot statement in the election for adopting or rejecting the proposed charter shall clearly state that, upon adoption of the proposed charter, the city would be governed by its charter and by this title. [1967 ex.s. c 119 § 35A.08.100.]

35A.08.110 Certificates of election to officers—Effective date of becoming charter code city. If a majority of the votes cast at the election upon the adoption of the proposed charter favor it, certificates of election shall be issued to each officer elected at that election. A vacancy in the office of mayor or in the council shall be filled for the remainder of the unexpired term, if any, at the next regular municipal election but the council, or the remaining members thereof, by majority vote shall appoint a qualified person to fill the vacancy until the person elected to serve the remainder of the unexpired term takes office. If at any time the membership of the council is reduced below the number required for a quorum, the remaining members, nevertheless, by majority action may appoint additional members to fill the vacancies until persons are elected to serve the remainder of the unexpired terms. Until the first elective officers under this mayor–council plan of government may lawfully be paid the compensation provided by such salary ordinance, such officers shall be entitled to be compensated in the same manner and in the same amount as the compensation paid to officers of such city performing comparable services immediately prior to adoption of this mayor–council plan.

The clerk, treasurer, if any, chief of police, and such other officers or employees as may be designated by ordinance or by charter shall be required to furnish annually an official bond conditioned on the honest and faithful performance of their official duties. The terms and penalty of official bonds and the surety therefor shall be prescribed by ordinance or charter and the bond shall be approved by the chief administrative officer of the city. The premiums on such bonds shall be paid by the city. When the furnishing of an official bond
is required of an officer or employee, compliance with such provisions shall be an essential part of qualification for office. [1967 ex.s. c 119 § 35A.12.080.]

35A.12.090 Appointment and removal of officers—Terms. The mayor shall have the power of appointment and removal of all appointive officers and employees subject to any applicable law, rule, or regulation relating to civil service except that a police judge or municipal judge who is appointed may be removed only upon conviction of misconduct or malfeasance in office, or because of physical or mental disability rendering him incapable of performing the duties of his office. The head of a department or office of the city government may be authorized by the mayor to appoint and remove subordinates in such department or office, subject to any applicable civil service provisions. All appointments of city officers and employees shall be made on the basis of ability and training or experience of the appointees in the duties they are to perform, from among persons having such qualifications as may be prescribed by ordinance or by charter, and in compliance with provisions of any merit system applicable to such city. Confirmation by the city council of appointments of officers and employees shall be required only when the city charter, or the council by ordinance, provides for confirmation of such appointments. Confirmation of mayoral appointments by the council may be required by the council in any instance where qualifications for the office or position have not been established by ordinance or charter provision. He shall see that all contracts and agreements made with the city or for its use and benefit are faithfully kept and performed, and to this end he may cause any legal proceedings to be instituted and prosecuted in the name of the city, subject to approval by majority vote of all members of the council. The mayor shall preside over all meetings of the city council, when present, but shall have a vote only in the case of a tie in the votes of the councilmen with respect to matters other than the passage of any ordinance, grant, or revocation of franchise or license, or any resolution for the payment of money. He shall report to the council concerning the affairs of the city and its financial and other needs, and shall make recommendations for council consideration and action. He shall prepare and submit to the council a proposed budget, as required by chapter 35A.33 RCW. All actions that have heretofore been taken at special council meetings held pursuant to this section, but for which the number of hours of notice given has been at variance with requirements of RCW 42.30.080, are hereby validated. All council meetings shall be open to the public except as permitted by chapter 42.30 RCW. No ordinance or resolution shall be passed, or contract let or entered into, or bill for the payment of money allowed at any meeting not open to the public, nor at any public meeting the date of which is not fixed by ordinance, resolution, or rule, unless public notice of such meeting has been given by such notice to each local newspaper of general circulation and to each local radio or television station, as provided in RCW 42.30.080 as now or hereafter amended. No ordinance shall take effect until five days after the
date of its publication unless otherwise provided by statute
or charter, except that an ordinance passed by a
majority plus one of the whole membership of the council,
designated therein as a public emergency ordinance
necessary for the protection of public health, public
safety, public property or the public peace, may be made
effective upon adoption, but such ordinance may not
levy taxes, grant, renew, or extend a franchise, or
authorize the borrowing of money.

Every ordinance which passes the council in order to
become valid must be presented to the mayor; if he
approves it, he shall sign it, but if not, he shall return it
with his written objections to the council and the council
shall cause his objections to be entered at large upon the
journal and proceed to a reconsideration thereof. If upon
reconsideration a majority plus one of the whole mem-
bership, voting upon a call of ayes and nays, favor its
passage, the ordinance shall become valid notwithstanding
the mayor's veto. If the mayor fails for ten days to
approve or veto an ordinance, it shall become valid
without his approval. Ordinances shall be signed by
the mayor and attested by the clerk. [1967 ex.s. c 119 §

codes or compilations so adopted need not be published
in a newspaper as provided in RCW 35A.12.160, but the
adopting ordinance shall be so published and a copy of
any such adopted statute, ordinance or code, or portion

than three copies thereof shall be filed in the office of
the city clerk for examination by the public. [1967 ex.s.

paid; or, payment may be made by a bank check when
authorized by the legislative body of the code city under
authority granted by RCW 35A.40.020, which check

the legislative body as required signatories of checks of
such city, and shall specify the fund from which it is to

That if this results in one ward being represented by more councilmen than the number to which it is entitled those having the shortest unexpired terms shall be assigned by the council to wards where there is a vacancy. The representation of each ward in the city council shall be in proportion to the population as nearly as is practicable. When the city has been divided into wards no person shall be eligible to the office of councilman unless he resides in the ward for which he is elected on the date of his election, and removal of his residence from the ward for which he was elected renders his office vacant. [1967 ex.s. c 119 § 35A.12.180.]

35A.12.190 Powers of council. 35A.14.010  Authority for annexation—Consent of county commissioners for certain property. Any portion of a county not incorporated as part of a city or town but lying contiguous to a code city may become a part of the charter code city or noncharter code city by annexation: Provided, That property owned by a county, and used for the purpose of an agricultural fair as provided in chapter 15.76 RCW or chapter 36.37 RCW shall not be subject to annexation without the consent of the majority of the board of county commissioners. An area proposed to be annexed to a charter code city or noncharter code city shall be deemed contiguous thereto even though separated by water or tide or shore lands and, upon annexation of such area, any such intervening water and/or tide or shore lands shall become a part of such annexing city. [1967 ex.s. c 119 § 35A.14.010.]

35A.14.015  Election method—Resolution for election—Contents of resolution. When the legislative body of a charter code city or noncharter code city shall determine that the best interests and general welfare of such city would be served by the annexation of unincorporated territory contiguous to such city, such legislative body may, by resolution, call for an election to be held to submit to the voters of such territory the proposal for annexation. The resolution shall, subject to RCW 35A.03.180, describe the boundaries of the area to be annexed, state the number of voters residing therein as nearly as may be, and shall provide that said city will pay the cost of the annexation election. The resolution may require that there also be submitted to the electorate of the territory sought to be annexed a proposition that all property within the area annexed shall, upon annexation, be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed to pay for all or any portion of the then-outstanding indebtedness of the city to which said area is annexed, which indebtedness has been approved by the voters, contracted for, or incurred prior to, or existing at, the date of annexation. Whenever such city has prepared and filed a proposed zoning regulation for the area to be annexed as provided for in RCW 35A.14.330 and 35A.14.340, the resolution initiating the election may also provide for the simultaneous adoption of the proposed zoning regulation upon approval of annexation by the electorate of the area to be annexed. A certified copy of the resolution shall be filed with the legislative authority of the county in which said territory is located. A certified copy of the resolution shall be filed with the boundary review board as provided for in chapter 36.93 RCW or the county annexation review board established by RCW 35A.14.200, unless such annexation proposal is within the provisions of RCW 35A.14.220. [1979 1st ex.s. c 124 § 1; 1975 1st ex.s. c 220 § 14; 1971 ex.s. c 251 § 10; 1967 ex.s. c 119 § 35A.14.015.]

Severability—1979 1st ex.s. c 124: "If any provision of this 1979 act or its application to any person or circumstance is held invalid, the remainder of the act or the application to other persons or circumstances is not affected." [1979 1st ex.s. c 124 § 11.]

Legislative finding, intent—1975 1st ex.s. c 220: See note following RCW 35.02.170.

35A.14.020  Election method—Petition for election—Contents of petition—Filing and approval—Costs. When a petition which is sufficient under the rules set forth in RCW 35A.01.040 is filed with the legislative body of a code city, calling for an election to vote upon the annexation of unincorporated territory contiguous to such city, describing the boundaries of the area proposed to be annexed, stating the number of voters therein as nearly as may be, and signed by qualified electors resident in such territory equal in number to ten percent of the votes cast at the last state general election therein, the city clerk shall file with the legislative body thereof a certificate of sufficiency of the petition. Within sixty days thereafter, the legislative body shall, by resolution, notify the petitioners, either by mail or by publication in the same manner notice of hearing is required by RCW 35A.14.040 to be published, of its approval or rejection of the proposed action. In approving the proposed action, the legislative body may require that there also be submitted to the electorate of the territory to be annexed, a proposition that all property within the area to be annexed shall, upon annexation, be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed to pay for all or any portion of the then-outstanding indebtedness of the city to which said area is annexed, which indebtedness has been approved by the voters, contracted for, or incurred prior to, or existing at, the date of annexation. Whenever the legislative body has
prepared and filed a proposed zoning regulation for the area to be annexed as provided for in RCW 35A.14.330 and 35A.14.340, the legislative body in approving the proposed action, may require that the proposed zoning regulation be simultaneously adopted upon the approval of annexation by the electorate of the area to be annexed. The approval of the legislative body shall be a condition precedent to further proceedings upon the petition. The costs of conducting the election called for in the petition shall be a charge against the city concerned. [1979 1st ex.s. c 124 § 2; 1967 ex.s. c 119 § 35A.14.020.]

35A.14.030 Filing of petition as approved by city. Upon approval of the petition for election by the legislative body of the code city to which such territory is proposed to be annexed, the petition shall be filed with the legislative authority of the county in which such territory is located, along with a statement, in the form required by the city, of the provisions, if any there be, relating to assumption of the portion of the debt that the city requires to be assumed by the owners of property of the area proposed to be annexed, and/or the simultaneous adoption of a proposed zoning regulation for the area. A copy of the petition and the statement, if any, shall also be filed with the boundary review board as provided for in chapter 36.93 RCW or the county annexation review board established by RCW 35A.14.160, unless such proposed annexation is within the provisions of RCW 35A.14.220. [1979 1st ex.s. c 124 § 3; 1971 ex.s. c 251 § 6; 1967 ex.s. c 119 § 35A.14.030.]

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.14.040 Election method—Hearing by review board—Notice. Within ten days after receipt of a petition or resolution calling for an election on the question of annexation, the county annexation review board shall meet and, if the proposed annexation complies with the requirements of law, shall fix a date for a hearing thereon, to be held not less than fifteen days nor more than thirty days thereafter, of which hearing the city must give notice by publication at least once a week for two weeks prior thereto in one or more newspapers of general circulation within the city and in one or more newspapers of general circulation within the area proposed to be annexed. The hearing shall be held within the city to which the territory is proposed to be annexed, at a time and place to be designated by the board. Upon the day fixed, the board shall conduct a hearing upon the petition or resolution, at which hearing a representative of the city shall make a brief presentation to the board in explanation of the annexation and the benefits to be derived therefrom, and the petitioners and any resident of the city or the area proposed to be annexed shall be afforded a reasonable opportunity to be heard. The hearing may be adjourned from time to time in the board's discretion, not to exceed thirty days in all from the commencement of the hearing. [1967 ex.s. c 119 § 35A.14.040.]

35A.14.050 Decision of the county annexation review board—Filing—Date for election. After consideration of the proposed annexation as provided in RCW 35A.14.200, the county annexation review board, within thirty days after the final day of hearing, shall take one of the following actions:

(1) Approval of the proposal as submitted.
(2) Subject to RCW 35A.03.180, modification of the proposal by adjusting boundaries to include or exclude territory; except that any such inclusion of territory shall not increase the total area of territory proposed for annexation by an amount exceeding the original proposal by more than five percent: Provided, That the county annexation review board shall not adjust boundaries to include territory not included in the original proposal without first affording to residents and property owners of the area affected by such adjustment of boundaries an opportunity to be heard as to the proposal.
(3) Disapproval of the proposal.

The written decision of the county annexation review board shall be filed with the board of county commissioners and with the legislative body of the city concerned. If the annexation proposal is modified by the county annexation review board, such modification shall be fully set forth in the written decision. If the decision of the boundary review board or the county annexation review board is favorable to the annexation proposal, or the proposal as modified by the review board, the board of county commissioners, at its next regular meeting if to be held within thirty days after receipt of the decision of the boundary review board or the county annexation review board, or at a special meeting to be held within that period, shall set a date for submission of such annexation proposal, with any modifications made by the review board, to the voters of the territory proposed to be annexed. The question shall be submitted at a general election if one is to be held within ninety days, or at a special election called for that purpose not less than forty-five days nor more than ninety days after the filing of the decision of the review board with the board of county commissioners. If the boundary review board or the county annexation review board disapproves the annexation proposal, no further action shall be taken thereon, and no proposal for annexation of the same territory, or substantially the same as determined by the board, shall be initiated or considered for twelve months thereafter. [1975 1st ex.s. c 220 § 15; 1971 ex.s. c 251 § 7; 1967 ex.s. c 119 § 35A.14.050.]

Legislative finding, intent—1975 1st ex.s. c 220: See note following RCW 35.02.170.

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.14.060 Election method—Conduct of election. An annexation election shall be held in accordance with chapter 35A.29 RCW of this title and only registered voters who have resided in the area proposed to be annexed for ninety days immediately preceding the election shall be allowed to vote therein. [1967 ex.s. c 119 § 35A.14.060.]

[Title 35A RCW (1979 Ed.)—p 33]

Notice of an annexation election shall particularly describe the boundaries of the area proposed to be annexed, as the same may have been modified by the boundary review board or the county annexation review board, state the objects of the election as prayed in the petition or as stated in the resolution, and require the voters to cast ballots which shall contain the words "For Annexation" or "Against Annexation" or words equivalent thereto, or contain the words "For Annexation and Adoption of Proposed Zoning Regulation", and "Against Annexation and Adoption of Proposed Zoning Regulation", or words equivalent thereto in case the simultaneous adoption of a proposed zoning regulation is proposed, and in case the assumption of all or a portion of indebtedness is proposed, shall contain an appropriate, separate proposition for or against the portion of indebtedness that the city requires to be assumed. The notice shall be posted for at least two weeks prior to the date of election in four public places within the area proposed to be annexed and published at least once a week for two weeks prior to the date of election in a newspaper of general circulation within the limits of the territory proposed to be annexed. Such notice shall be in addition to the notice required by RCW 35A.29.140. [1979 1st ex.s. c 124 § 4; 1967 ex.s. c 119 § 35A.14.070.]

35A.14.080 Election method—Vote required for annexation—Proposition for assumption of indebtedness—Certification. On the Monday next succeeding the annexation election, the county canvassing board shall proceed to canvass the returns thereof and shall submit the statement of canvass to the county legislative authority.

The proposition for or against annexation or for or against annexation and adoption of the proposed zoning regulation, as the case may be, shall be deemed approved if a majority of the votes cast on that proposition are cast in favor of annexation or in favor of annexation and adoption of the proposed zoning regulation, as the case may be. If a proposition for or against assumption of all or any portion of indebtedness was submitted to the electorate, it shall be deemed approved if a majority of at least three-fifths of the electors of the territory proposed to be annexed voting on such proposition vote in favor thereof, and the number of persons voting on such proposition constitutes not less than forty percent of the total number of votes cast in such territory at the last preceding general election. If either or both propositions were approved by the electors, the county legislative authority shall enter a finding to that effect on its minutes, a certified copy of which shall be forthwith transmitted to and filed with the clerk of the city to which annexation is proposed, together with a certified abstract of the vote showing the whole number who voted at the election, the number of votes cast for annexation and the number cast against annexation or for annexation and adoption of the proposed zoning regulation and the number cast against annexation and adoption of the proposed zoning regulation, as the case may be, and if a proposition for assumption of all or any portion of indebtedness was submitted to the electorate, the abstract shall include the number of votes cast for assumption of indebtedness and the number of votes cast against assumption of indebtedness, together with a statement of the total number of votes cast in such territory at the last preceding general election. [1979 1st ex.s. c 124 § 5; 1967 ex.s. c 119 § 35A.14.080.]

35A.14.090 Election method—Ordinance providing for annexation, assumption of indebtedness. Upon filing of the certified copy of the finding of the county legislative authority, the clerk shall transmit it to the legislative body of the city at the next regular meeting or as soon thereafter as practicable. If only a proposition relating to annexation or to annexation and adoption of a proposed zoning regulation was submitted to the voters and such proposition was approved, the legislative body shall adopt an ordinance providing for the annexation or adopt ordinances providing for the annexation and adoption of a proposed zoning regulation, as the case may be. If a proposition for annexation or for annexation and adoption of a proposed zoning regulation, and a proposition for assumption of all or any portion of indebtedness were both submitted, and both were approved, the legislative body shall adopt an ordinance providing for the annexation or for annexation and adoption of the proposed zoning regulation, including the assumption of the portion of indebtedness that was approved by the voters. If both propositions were submitted and only the annexation or the annexation and adoption of the proposed zoning regulation was approved, the legislative body may adopt an ordinance providing for the annexation or adopt ordinances providing for the annexation and adoption of the proposed zoning regulation, as the case may be, or the legislative body may refuse to annex when a proposal for assumption of the portion of indebtedness has been disapproved by the voters. [1979 1st ex.s. c 124 § 6; 1967 ex.s. c 119 § 35A.14.090.]

35A.14.100 Election method—Effective date of annexation. Upon the date fixed in the ordinance of annexation, the area annexed shall become a part of the city. Upon the date fixed in the ordinances of annexation and adoption of the proposed zoning regulation, the area annexed shall become a part of the city, and property in the annexed area shall be subject to the proposed zoning regulation, as prepared and filed as provided for in RCW 35A.14.330 and 35A.14.340. All property within the territory hereafter annexed shall, if the proposition approved by the people so provides, be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed for the portion of indebtedness of the city that was approved by the voters. [1979 1st ex.s. c 124 § 7; 1967 ex.s. c 119 § 35A.14.100.]

[Title 35A RCW (1979 Ed.)—p 34]
35A.14.110 Election method is alternative. The method of annexation provided for in RCW 35A.14.015 through 35A.14.100 is an alternative method and is additional to the other methods provided for in this chapter. [1967 ex.s. c 119 § 35A.14.110.]

35A.14.120 Direct petition method—Notice to legislative body—Meeting—Assumption of indebtedness—Proposed zoning regulation. Proceedings for initiating annexation of unincorporated territory to a charter code city or noncharter code city may be commenced by the filing of a petition of property owners of the territory proposed to be annexed, in the following manner. This method of annexation shall be alternative to other methods provided in this chapter. Prior to the circulation of a petition for annexation, the initiating party or parties, who shall be the owners of not less than ten percent in value, according to the assessed valuation for general taxation of the property for which annexation is sought, shall notify the legislative body of the code city in writing of their intention to commence annexation proceedings. The legislative body shall set a date, not later than sixty days after the filing of the request, for a meeting with the initiating parties to determine whether the code city will accept the proposed annexation, whether it shall require the simultaneous adoption of a proposed zoning regulation, if such a proposal has been prepared and filed for the area to be annexed as provided for in RCW 35A.14.330 and 35A.14.340, and whether it shall require the assumption of all or of any portion of existing city indebtedness by the area to be annexed. If the legislative body requires the assumption of all or of any portion of indebtedness and/or the adoption of a proposed zoning regulation, it shall record this action in its minutes and the petition for annexation shall be so drawn as to clearly indicate these facts. Approval by the legislative body shall be a condition precedent to circulation of the petition. There shall be no appeal from the decision of the legislative body. A petition for annexation of an area contiguous to a code city may be filed with the legislative body of the municipality to which annexation is desired. It must be signed by the owners, as defined by RCW 35A.01.040 (9)(a) through (d), of not less than seventy-five percent in value, according to the assessed valuation for general taxation of the property for which annexation is petitioned. Such petition shall set forth a description of the property according to government legal subdivisions or legal plats and shall be accompanied by a map which outlines the boundaries of the property sought to be annexed. If the legislative body has required the assumption of all or any portion of city indebtedness by the area annexed or the adoption of a proposed zoning regulation, these facts, together with a quotation of the minute entry of such requirement, or requirements, shall also be set forth in the petition. [1979 1st ex.s. c 124 § 8; 1967 ex.s. c 119 § 35A.14.120.]

35A.14.130 Direct petition method—Notice of hearing. Whenever such a petition for annexation is filed with the legislative body of a code city, which petition meets the requirements herein specified and is sufficient according to the rules set forth in RCW 35A.01.040, the legislative body may entertain the same, fix a date for a public hearing thereon and cause notice of the hearing to be published in one or more issues of a newspaper of general circulation in the city. The notice shall also be posted in three public places within the territory proposed for annexation, and shall specify the time and place of hearing and invite interested persons to appear and voice approval or disapproval of the annexation. [1967 ex.s. c 119 § 35A.14.130.]

35A.14.140 Direct petition method—Ordinance providing for annexation. Following the hearing, if the legislative body determines to effect the annexation, they shall do so by ordinance. Subject to RCW 35A.03.180, the ordinance may annex all or any portion of the proposed area but may not include in the annexation any property not described in the petition. Upon passage of the annexation ordinance a certified copy shall be filed with the board of county commissioners of the county in which the annexed property is located. [1975 1st ex.s. c 220 § 16; 1967 ex.s. c 119 § 35A.14.140.]

Legislative finding, intent—1975 1st ex.s. c 220: See note following RCW 35.02.170.

35A.14.150 Direct petition method—Effective date of annexation. Upon the date fixed in the ordinance of annexation the area annexed shall become part of the city. All property within the territory hereafter annexed shall, if the annexation petition so provided, be assessed and taxed at the same rate and on the same basis as the property of such annexing code city is assessed and taxed to pay for the portion of any then-outstanding indebtedness of the city to which said area is annexed, which indebtedness has been approved by the voters, contracted for, or incurred prior to, or existing at, the date of annexation and that the city has required to be assumed. If the annexation petition so provided, all property in the annexed area shall be subject to and a part of the proposed zoning regulation as prepared and filed as provided for in RCW 35A.14.330 and 35A.14.340. [1979 1st ex.s. c 124 § 9; 1967 ex.s. c 119 § 35A.14.150.]

35A.14.160 Annexation review board—Composition. There is hereby established in each county of the state, other than counties having a boundary review board as provided for in chapter 189, Laws of 1967 [chapter 36.93 RCW], a board to be known as the "annexation review board for the county of ........................ (naming the county)", which shall be charged with the duty of reviewing proposals for annexation of unincorporated territory to charter code cities and noncharter code cities within its respective county; except that proposals within the provisions of RCW 35A.14.220 shall not be subject to the jurisdiction of such board. [Title 35A RCW (1979 Ed.)—p 35]
In all counties in which a boundary review board is established pursuant to chapter 189, Laws of 1967 [chapter 36.93 RCW] review of proposals for annexation of unincorporated territory to charter code cities and noncharter code cities within such counties shall be subject to chapter 189, Laws of 1967 [chapter 36.93 RCW]. Whenever any county establishes a boundary review board pursuant to chapter 189, Laws of 1967 [chapter 36.93 RCW] the provisions of this act relating to annexation review boards shall not be applicable.

Except as provided above in this section, whenever one or more cities of a county shall have elected to be governed by this title by becoming a charter code city or noncharter code city, the governor shall, within forty-five days thereafter, appoint an annexation review board for such county consisting of five members appointed in the following manner:

Two members shall be selected independently by the governor. Three members shall be selected by the governor from the following sources: (1) One member shall be appointed from nominees of the individual members of the board of county commissioners; (2) one member shall be appointed from nominees of the individual mayors of charter code cities within such county; (3) one member shall be appointed from nominees of the individual mayors of noncharter code cities within such county.

Each source shall nominate at least two persons for an available position. In the event there are less than two nominees for any position, the governor may appoint the member for that position independently. If, at the time of appointment, there are within the county no cities of one of the classes named above as a nominating source, a position which would otherwise have been filled by nomination from such source shall be filled by independent appointment of the governor.

In making appointments independently and in making appointments from among nominees, the governor shall strive to appoint persons familiar with municipal government and administration by experience and/or training. [1971 ex.s. c 251 § 8; 1967 ex.s. c 119 § 35A.14.160.]

Severability—1971 ex.s. c 251: RCW 35A.90.050.

35A.14.170 Time for filing nominations—Vacancies. Upon the initial formation of a county annexation review board the governor shall give written notice of such formation to all the nominating sources designated therein and nominations must be filed with the office of the governor within fifteen days after receipt of such notice. Nominations to fill vacancies caused by expiration of terms must be filed at least thirty days preceding the expiration of the terms. 35A.63.070 Comprehensive plan—Notice and hearing. 35A.63.080 Comprehensive plan—Effect. From the date of approval by the legislative body the comprehensive plan, its parts and modifications thereof, shall serve as a basic source of reference for future legislative and administrative action: Provided, That the comprehensive plan shall not be construed as a regulation of property rights or land uses: Provided, further, That no procedural irregularity or informality in the consideration, hearing, and development of the comprehensive plan or a part thereof, or any of its elements, shall affect the validity of any zoning ordinance or amendment thereto enacted by the code city after the approval of the comprehensive plan.

The comprehensive plan shall be consulted as a preliminary to the establishment, improvement, abandonment, or vacation of any street, park, public way, public building, or public structure, and no dedication of any
street or other area for public use shall be accepted by the legislative body until the location, character, extent, and effect thereof shall have been considered by the planning agency with reference to the comprehensive plan. The legislative body shall specify the time within which the planning agency shall report and make a recommendation with respect thereto. Recommendations of the planning agency shall be advisory only. [1967 ex.s. c 119 § 35A.63.080.]

35A.63.100 Municipal authority. After approval of the comprehensive plan, as set forth above, the legislative body, in developing the municipality and in regulating the use of land, may implement or give effect to the comprehensive plan or parts thereof by ordinance or other action to such extent as the legislative body deems necessary or appropriate. Such ordinances or other action may provide for:

(1) Adoption of an official map and regulations relating thereto designating locations and requirements for one or more of the following: Streets, parks, public buildings, and other public facilities, and protecting such sites against encroachment by buildings and other physical structures.

(2) Dividing the municipality, or portions thereof, into appropriate zones within which specific standards, requirements, and conditions may be provided for regulating the use of public and private land, buildings, and structures, and the location, height, bulk, number of stories, and size of buildings and structures, size of yards, courts, open spaces, density of population, ratio of land area to the area of buildings and structures, setbacks, area required for off-street parking, protection of access to direct sunlight for solar energy systems, and such other standards, requirements, regulations, and procedures as are appropriately related thereto. Such hearing may be held before the planning agency or the board of adjustment or such other body as the legislative body shall designate.

(3) Adoption of design standards, requirements, regulations, and procedures for the subdivision of land into two or more parcels, including, but not limited to, the approval of plats, dedications, acquisitions, improvements, and reservation of sites for public use.

Severability—1979 1st ex.s. c 170: See note following RCW 64.04.140.

35A.63.110 Board of adjustment—Creation—Powers and duties. A code city which pursuant to this chapter creates a planning agency and which has twenty-five hundred or more inhabitants, by ordinance, shall create a board of adjustment and provide for its membership, terms of office, organization, jurisdiction. A code city which pursuant to this chapter creates a planning agency and which has a population of less than twenty-five hundred may, by ordinance, similarly create a board of adjustment. In the event a code city with a population of less than twenty-five hundred creates a planning agency, but does not create a board of adjustment, the code city shall provide that the city legislative authority shall itself hear and decide the items listed in subdivisions (1), (2), and (3) of this section. The action of the board of adjustment shall be final and conclusive, unless, within ten days from the date of the action, the original applicant or an adverse party makes application to the superior court for the county in which that city is located for a writ of certiorari, a writ of prohibition, or a writ of mandamus. No member of the board of adjustment shall be a member of the planning agency or the legislative body. Subject to conditions, safeguards, and procedures provided by ordinance, the board of adjustment may be empowered to hear and decide:

(1) Appeals from orders, recommendations, permits, decisions, or determinations made by a code city official in the administration or enforcement of the provisions of this chapter or any ordinances adopted pursuant to it.

(2) Applications for variances from the terms of the zoning ordinance, the official map ordinance or other land-use regulatory ordinances under procedures and conditions prescribed by city ordinance, which among other things shall provide that no application for a variance shall be granted unless the board of adjustment finds:

(a) the variance shall not constitute a grant of special privilege inconsistent with the limitation upon uses of other properties in the vicinity and zone in which the property on behalf of which the application was filed is located; and

(b) that such variance is necessary, because of special circumstances relating to the size, shape, topography, location, or surroundings of the subject property, to provide it with use rights and privileges permitted to other properties in the vicinity and in the zone in which the subject property is located; and

(c) that the granting of such variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the vicinity and zone in which the subject property is situated.

(3) Applications for conditional-use permits, unless such applications are to be heard and decided by the planning agency. A conditional use means a use listed among those classified in any given zone but permitted to locate only after review as herein provided in accordance with standards and criteria set forth in the zoning ordinance.

(4) Such other quasi judicial and administrative determinations as may be delegated by ordinance.

In deciding any of the matters referred to in subsections (1), (2), (3), and (4) of this section, the board of
adjustment shall issue a written report giving the reasons for its decision. If a code city provides for a hearing examiner and vests in him the authority to hear and decide the items listed in subdivisions (1), (2), and (3) of this section pursuant to RCW 35A.63.170, then the provisions of this section shall not apply to such a city. [1979 1st ex.s. c 18 § 34; 1967 ex.s. c 119 § 35A.63.110.]

Severability—1979 1st ex.s. c 18: See note following RCW 35A.01.070.

35A.63.120 Administration and enforcement. In order to carry into effect the purposes of this chapter, administrative and enforcement responsibilities, other than those set forth in RCW 35A.63.110, may be assigned by ordinance to such departments, boards, officials, employees, or agents as the legislative body deems appropriate. [1967 ex.s. c 119 § 35A.63.120.]

35A.63.130 Provisions inconsistent with charters. Insofar as the provisions of an existing charter of a municipality are inconsistent with this chapter, a municipality may exercise the authority, or any part thereof, granted by this chapter notwithstanding the inconsistent provision of an existing charter. [1967 ex.s. c 119 § 35A.63.130.]

35A.63.140 Duties and responsibilities imposed by other acts. Any duties and responsibilities which by other statutes are imposed upon a planning commission may, in a code city, be performed by a planning agency, as provided in this chapter. [1967 ex.s. c 119 § 35A.63.140.]

35A.63.150 Public hearings. The legislative body may provide by ordinance for such additional public hearings and notice thereof as it deems to be appropriate in connection with any action contemplated under this chapter. [1967 ex.s. c 119 § 35A.63.150.]

35A.63.160 Construction—1967 ex.s. c 119. This title is intended to implement and preserve to code cities all powers authorized by Article XI, section 11 of the Constitution of the state of Washington and the provisions of this title shall not limit any code city from exercising its constitutionally granted power to plan for and to make and enforce within its limits all such local police, sanitary, and other regulations in the manner that its charter or ordinances may provide. [1967 ex.s. c 119 § 35A.63.160.]

35A.63.170 Hearing examiner system—Adoption authorized—Alternative—Functions—Procedures. As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and report on any proposal to amend a zoning ordinance, the legislative body of a city may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and decide applications for amending the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative body may vest in a hearing examiner the power to hear and decide applications for conditional uses, variances or any other class of applications for or pertaining to land uses which the legislative body believes should be reviewed and decided by a hearing examiner. The legislative body shall prescribe procedures to be followed by a hearing examiner. If the legislative authority vests in a hearing examiner the authority to hear and decide variances, then the provisions of RCW 35A.63.110 shall not apply to the city.

Each city legislative body electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. The legal effect of such decisions may vary for the different classes of applications decided by the examiner but shall include one of the following:

(1) The decision may be given the effect of a recommendation to the legislative body;

(2) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body.

Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the city's comprehensive plan and the city's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings. [1977 ex.s. c 213 § 2.]

The petition shall describe with certainty the bounds and area of the territory, with the reasons for making the change and shall be presented to the board of county commissioners of the county in which the territory is located, which shall proceed to ascertain if the petition contains the requisite number of petitioners, who must be bona fide residents of the territory sought to be stricken off and transferred to the contiguous county.

Notices of the election shall contain a description of the territory proposed to be transferred and the names of the counties from and to which the transfer is intended to be made, and shall be posted and published as required for general elections. The ballots used at such election shall contain the words "for transferring territory," or "against transferring territory." The votes shall be canvassed, as by law required, within twenty days, and if three-fifths of the votes cast in the territory at such election are "for transferring territory," the territory described in the petition shall become a part of and be added to and made a part of the county contiguous thereto, and within thirty days after the canvass of the returns of the election, the governor shall issue his proclamation of the change of county lines. In case the auditors of the interested counties are not able to agree upon the proportion to be awarded to each county, the same shall be determined by the judge of the superior court of the district in which all of the interested counties are situated, if they be in one district, and have one common judge, and if not, by the judges sitting en banc of the superior courts of the counties involved. Said auditors shall make said apportionment within sixty days after the creation of any new county or the changing of boundaries of any old county, and if they do not, within said time, agree upon said apportionment, thereafter either or any county affected may petition the judge or judges of any court given jurisdiction by this section, and upon ten days' notice to any other county affected, the same may be brought on for hearing and summarily disposed of by said judge or judges, after allowing each side an opportunity to be heard. #### 36.12.010 Petition for removal. Whenever the inhabitants of any county desire to remove the county seat of the county from the place where it is fixed by law or otherwise, they shall present a petition to the board of county commissioners of their county praying such removal, and that an election be held to determine to what place such removal must be made. The petition shall set forth the names of the towns or cities to which the county seat is proposed to be removed. [1963 c 4 § 36.12.010. Prior: 1890 p 318 § 1; RRS § 3998.]

#### 36.12.020 Requisites of petition—Submission to electors. If the petition is signed by qualified voters of the county equal in number to at least one-third of all the votes cast in the county at the last preceding general election the board must, at the next general election of county officers, submit the question of removal to the electors of the county. [1963 c 4 § 36.12.020. Prior: 1890 p 318 § 2; RRS § 3999.]

#### 36.12.050 Vote required—Notice of result. When the returns have been received and compared, and the results ascertained by the board, if three-fifths of the legal votes cast by those voting on the proposition are in favor of any particular place the proposition has been adopted. The board of county commissioners must give notice of the result by posting notices thereof in all the election precincts in the county. [1963 c 4 § 36.12.050. Prior: 1890 p 318 § 5; RRS § 4002.]

#### 36.12.060 Time of removal. #### 36.12.080 Failure of election—Limitation on subsequent removal election. When an election has been held and no one place receives three-fifths of all the votes cast, the former county seat shall remain the county seat, and no second election may be held within four years thereafter. [1963 c 4 § 36.12.080. Prior: 1890 p 319 § 8; RRS § 4005.]

#### 36.12.090 Limitation on successive removal elections. When the county seat of a county has been removed by a popular vote of the people of the county, it may be again removed, from time to time, in the manner provided by this chapter, but no two elections to effect such removal may be held within four years. 36.34.050 Findings and determination. Within three days after the hearing upon a proposal to dispose of county property, the board of county commissioners shall make its findings and determination thereon and cause them to be spread upon its minutes and made a matter of record. [1963 c 4 § 36.34.050. Prior: 1945 c 254 § 4; Rem. Supp. 1945 § 4014–4; prior: 1891 c 76 § 3; RRS § 4009.]

36.34.060 Sales of personality. Sales of personal property must be for cash except:

(1) When property is transferred to a governmental agency;
(2) When the county property is to be traded in on the purchase of a like article, in which case the proposed cash allowance for the trade-in must be part of the proposition to be submitted by the seller in the transaction. [1963 c 4 § 36.34.060. Prior: 1945 c 254 § 5; Rem. Supp. 1945 § 4014–5; prior: 1915 c 8 § 1, part; 1891 c 76 § 5, part; RRS § 4011, part.]

The board may advertise and sell used highway or other equipment belonging to the county or to any taxing division thereof subject to its jurisdiction in the manner prescribed for the sale of county property, or it may trade it in on the purchase of new equipment. If the board elects to trade in the used equipment it shall include in its call for bids on the new equipment a notice that the county has for sale or trade-in used equipment of a specified type and description which will be sold or traded in on the same day and hour that the bids on the new equipment are opened. Any bidder on the new equipment may include in his offer to sell, an offer to accept the used equipment as a part payment of the new equipment purchase price, setting forth the amount of such allowance.

In determining the lowest and best bid on the new equipment the board shall consider the net cost to the county of such new equipment after trade-in allowances have been deducted. The board may accept the new equipment bid of any bidder without trading in the used equipment but may not require any such bidder to purchase the used equipment without awarding the bidder the new equipment contract. Nothing in this section shall bar anyone from making an offer for the purchase of the used equipment independent of a bid on the new equipment. The board shall consider such offers in relation to the trade-in allowances offered to determine the net best sale and purchase combination for the county. [1963 c 4 § 36.34.070. Prior: 1945 c 254 § 6; Rem. Supp. 1945 § 4014–6.]

Supp. 1945 § 4014–10; prior: (i) 1915 c 8 § 1, part; 1891 c 76 § 5, part; RRS § 4011, part. (ii) 1891 c 76 § 6, part; RRS § 4013, part.]

36.34.120 Used equipment sales. Proceeds from the sale of used equipment must be credited to the fund from which the original purchase price was paid. [1963 c 4 § 36.34.120. Prior: 1945 c 254 § 11; Rem. Supp. 1945 § 4014–11.]

Any lease executed under the authority of the provisions hereof creates a vested interest and a contract binding upon the county and the lessee. [1963 c 4 § 36.34.140. Prior: 1951 2nd ex.s. c 14 § 1; prior: (i) 1901 c 87 § 1; RRS § 4019. (ii) 1901 c 87 § 6, part; RRS § 4024, part.]

The board of county commissioners of any class A county owning property in or outside the limits of any city or town, or anywhere within the county, which is suitable for agricultural fair purposes may by negotiation lease such property for such purposes for a term not to exceed seventy-five years to any nonprofit organization that has demonstrated its qualification to conduct agricultural fairs. Such agricultural fair leases shall not be subject to any requirement of periodic rental adjustments, as provided in RCW 36.34.180, but shall provide for such fixed annual rental as shall appear reasonable, considering the benefit to be derived by the county in the promotion of the fair and in the improvement of the property. The lessee may utilize or rent out such property at times other than during the fair season for nonprofit purposes in order to obtain income for fair purposes, and during the fair season may sublease portions of the property for purposes and activities associated with such fair. No sublease shall be valid unless the same shall be approved in writing by the board of county commissioners: Provided, That failure of such lessee, except by act of God, war or other emergency beyond its control, to conduct an annual agricultural fair or exhibition, shall cause said lease to be subject to cancellation by the board of county commissioners. [1963 c 4 § 36.34.145. Prior: 1957 c 134 § 1.]

In case the lands applied for are leased at the time they are offered, the deposit shall be returned to the applicant, but if the party making application fails or refuses to comply with the terms of his application and to execute the lease, the deposit shall be forfeited to the county, and the board of county commissioners shall pay the deposit over to the county treasurer, who shall place it to the credit of the current

[Title 36 RCW (1979 Ed.)—p 74]
36.34.160 Notice of intention to lease. When, in the judgment of the board of county commissioners, it is found desirable to lease the land applied for, it shall first give notice of its intention to make such lease by publishing a notice in a legal newspaper at least once a week for the term of three weeks, and shall also post a notice of such intention in a conspicuous place in the courthouse for the same length of time. The notice so published and posted shall designate and describe the property which is proposed to be leased, together with the improvements thereon and appurtenances thereto, and shall contain a notice that the board of county commissioners will meet at the county courthouse on a day and at an hour designated in the notice, for the purpose of leasing the property which day and hour shall be at a time not more than a week after the expiration of the time required for the publication of the notice. [1963 c 4 § 36.34.160. Prior: 1901 c 87 § 3; RRS § 4021.]

In passing upon objections the board of county commissioners shall, in writing, briefly give its reasons for accepting or rejecting the same, and such objections, and the reasons for accepting or refusing the application, shall be published by the board in the next subsequent weekly issue of the newspaper in which the notice of hearing was published. [1963 c 4 § 36.34.170. Prior: 1901 c 87 § 5; RRS § 4023.]

36.34.180 Lease terms. At the day and hour designated in the notice or at any subsequent time to which the meeting may be adjourned by the board of county commissioners, but not more than thirty days after the day and hour designated for the meeting in the published notice, the board may lease the property in such notice described for a term of years and upon such terms and conditions as to the board may seem just and right in the premises. No lease shall be for a longer term in any one instance than ten years, and no renewal of a lease once executed and delivered shall be had, except by a re-leasing and re-letting of the property according to the terms and conditions of this chapter: Provided, That if a county owns property within or outside the corporate limits of any city or town or anywhere in the county suitable for municipal purposes, or for commercial buildings, or owns property suitable for manufacturing or industrial purposes or sites, or for military purposes, or for temporary or emergency housing, or for any requirement incidental to manufacturing, commercial, agricultural, housing, military, or governmental purposes, the board of county commissioners may lease it for such purposes for any period not to exceed thirty-five years: Provided further, Where the property involved is or is to be devoted to airport purposes and construction work or the installation of new facilities is contemplated, the board may lease said property for such period as may equal the estimated useful life of such work or facilities but not to exceed seventy-five years.

If property is leased for municipal purposes or for commercial buildings or manufacturing or industrial purposes the lessee shall prior to the execution of the lease file with the board of county commissioners general plans and specifications of the building or buildings to be erected thereon for such purposes. All leases when executed shall provide that they shall be canceled by failure of the lessee to construct such building or buildings or other improvements for such purposes within three years from date of the lease, and in case of failure so to do the lease and all improvements thereon including the rentals paid, shall thereby be forfeited to the county unless otherwise stipulated. No change or modification of the plans shall be made unless first approved by the board of county commissioners. If at any time during the life of the lease the lessee fails to use the property for the purposes leased, without first obtaining permission in writing from the board of county commissioners so to do, the lease shall be forfeited.

Any lease made for a longer period than ten years shall contain provisions requiring the lessee to permit the rentals for every five year period thereafter, or part thereof, at the commencement of such period, to be re-adjusted and fixed by the board of county commissioners. In the event that the lessee and the board cannot agree upon the rentals for said five year period, the lessee shall submit to have the disputed rentals for the subsequent period adjusted by arbitration. The lessee shall pick one arbitrator and the board one, and the two so chosen shall select a third. No board of arbitrators shall reduce the rentals below the sum fixed or agreed upon for the last preceding period. All buildings, factories, or other improvements made upon property leased shall belong to and become property of such county, unless otherwise stipulated, at the expiration of the lease.

No lease shall be assigned without the assignment being first authorized by resolution of the board of county commissioners and the consent in writing of at least two members of the board endorsed on the lease. All leases when drawn shall contain this provision.

This section shall not be construed to limit the power of the board of county commissioners to sell, lease, or by gift convey any property of the county to the United States or any of its governmental agencies to be used for federal government purposes. Chapter 36.35
TAX TITLE LANDS

Sections
36.35.010 Purpose—Powers of county legislative authority as to tax title lands. The purpose of this chapter is to increase the power of county legislative authorities over tax title lands. The legislative authority of each county shall have the power to devote tax title lands to public use under its own control or the control of other governmental or quasi-governmental agencies, to exchange such lands for lands worth at least ninety percent of the value of the land exchanged, and to manage such lands to produce maximum revenue therefrom in the manner which derives the most income from such lands. The further purpose of this chapter is to relieve the courts of the obligation of supervising the county legislative authorities in the management and disposition of tax title lands. [1972 ex.s. c 150 § 1.]

36.35.020 "Tax title lands" defined. The term "tax title lands" as used in this chapter shall mean any tract of land acquired by the county for lack of other bidders at a tax foreclosure sale. [1972 ex.s. c 150 § 2.]

36.35.030 Conveyance—Use of proceeds. Whenever the legislative authority of any county deems tax title lands valuable for public use it shall have authority to convey such lands to the county in its proprietary capacity, free from any trust, upon payment by the county of the amount of delinquent taxes, and interest thereon, owing on the land at the time the county acquired same at tax foreclosure sale: Provided, That in the event such lands shall be subsequently sold or leased, or income derived therefrom, the proceeds shall first go to reimburse the county for the cost of such sale or lease, for the cost of any improvements placed thereon at county expense, and the costs of managing such lands, with the balance of such proceeds to be distributed in the same manner as general taxes collected in the year in which such moneys are received by the county. [1972 ex.s. c 150 § 4.]

36.35.040 Authority to manage, improve lands—Use of proceeds from rental. The legislative authority of a county shall have authority to manage tax title lands acquired by it and to make improvements thereon which the legislative authority deems will enhance the value of such lands, or enhance the amount of income to be derived therefrom. Any proceeds received from the rental of such lands by the legislative authority shall first be used to reimburse the legislative authority for costs of management and costs of rental, and costs of any improvements to such lands paid for by the county and after such reimbursements have been made the balance shall be distributed in the same manner as general taxes collected in the year in which such proceeds are received by the county. [1972 ex.s. c 150 § 5.]

36.35.050 Exchange of tax title lands with other entities—Appraisal. The legislative authority of a county shall have authority to exchange parcels of tax title lands for lands of substantially the same market value with other governmental or municipal agencies or private parties or corporations by private negotiation and such lands received by the county in exchange may be held and managed in the same manner as the lands conveyed in exchange by the county, and the proceeds from any subsequent sales or rentals of such land by the county shall be applied and distributed in the same manner as would have been done had such proceeds and income been received by the county for the lands conveyed in exchange by the county. Provided, That before any such exchange is made the lands to be exchanged by the county and the lands to be received by the county shall be appraised by two appraisers appointed by the court for such purpose: Provided further, That both appraisers agree that the land to be received by the county in such exchange is worth at least ninety percent of the value of the land to be given by the county in such exchange. [1972 ex.s. c 150 § 6.]

36.35.060 Lease—Approval of terms by school directors. The legislative authority of a county shall have authority to lease tax title lands to public or private agencies or persons. The procedures and regulations of RCW 36.34.150 through 36.34.200 shall be followed: Provided, That before any such lease agreement is executed the terms of the lease are approved by resolution of the board of directors of the school district which would be entitled to share in the proceeds of the income received therefrom at the time the lease is executed. [1972 ex.s. c 150 § 7.]

36.35.070 Chapter as alternative. The provisions of this chapter shall be deemed as alternatives to, and not be limited by, the provisions of RCW 39.33.010, 36.34-.130, and 84.64.310, nor shall the authority granted in this chapter be held to be subjected to or qualified by the terms of such statutory provisions. [1972 ex.s. c 150 § 8.]

The county shall assume the obligation of causing the payment of such indebtedness, collecting such taxes, assessments, and charges and observing and performing the other contractual obligations of the metropolitan municipal corporation. The legislative authority of the county shall act in the same manner as the governing body of the metropolitan municipal corporation for the purpose of certifying the amount of any property tax to be levied and collected therein, and may cause service and other charges and assessments to be collected from such property or owners or occupants thereof, enforce such collection and perform all acts necessary to ensure performance of the contractual obligations of the metropolitan municipal corporation in the same manner and by the same means as if the property of the metropolitan municipal corporation had not been acquired by the county.

When a county assumes the obligation of paying indebtedness of a metropolitan municipal corporation and if property taxes or assessments have been levied and service and other charges have accrued for such purpose but have not been collected by the metropolitan municipal corporation prior to such assumption, the same when collected shall belong and be paid to the county and be used by such county so far as necessary for payment of the indebtedness of the metropolitan municipal corporation existing and unpaid on the date such county assumed that indebtedness. Any funds received by the county which have been collected for the purpose of paying any bonded or other indebtedness of the metropolitan municipal corporation shall be used for the purpose for which they were collected and for no other purpose until such indebtedness has been paid and retired or adequate provision has been made for such payment and retirement. No transfer of property as provided in *this act shall derogate from the claims or rights of the creditors of the metropolitan municipal corporation or impair the ability of the metropolitan municipal corporation to respond to its debts and obligations. 36.57A.020 Public transportation improvement conference—Convening—Purpose—Multi-county conferences. The county legislative authority of every class A, class 1, class 2, or class 3 county shall, and the legislative authority of every other county may, within ninety days of July 1, 1975, and as often thereafter as it deems necessary, and upon thirty days prior written notice addressed to the legislative body of each city within the county and with thirty days public notice, convene a public transportation improvement conference to be attended by an elected representative selected by the legislative body of each city, within such county, and by the county commissioners. Such conference shall be for the purpose of evaluating the need for and the desirability of
the creation of a public transportation benefit area within certain incorporated and unincorporated portions of the county to provide public transportation services within such area. In those counties where county officials believe the need for public transportation service extends across county boundaries so as to provide public transportation service in a metropolitan area, the county legislative bodies of two or more neighboring counties may elect to convene a multi-county conference. In addition, county-wide conferences may be convened by resolution of the legislative bodies of two or more cities within the county, not to exceed one in any twelve month period, or a petition signed by at least ten percent of the registered voters in the last general election of the city, county or city/county areas of a proposed benefit area. The chairman of the conference shall be elected from the members at large. [1975 1st ex.s. c 270 § 12.]

36.57A.030 Establishment or change in boundaries of public transportation benefit area—Hearing—Notice—Procedure—Authority of county to terminate public transportation benefit area. Any conference which finds it desirable to establish a public transportation benefit area or change the boundaries of any existing public transportation benefit area shall fix a date for a public hearing thereon, or the legislative bodies of any two or more component cities or the county legislative body by resolution may require the public transportation improvement conference to fix a date for a public hearing thereon. Prior to the convening of the public hearing, the county governing body shall delineate the area of the county proposed to be included within the transportation benefit area, and shall furnish a copy of such delineation to each incorporated city within such area. Each city shall advise the county governing body, on a preliminary basis, of its desire to be included or excluded from the transportation benefit area. The county governing body shall cause the delineations to be revised to reflect the wishes of such incorporated cities. This delineation shall be considered by the conference at the public hearing for inclusion in the public transportation benefit area.

Notice of such hearing shall be published once a week for at least four consecutive weeks in one or more newspapers of general circulation within the area. The notice shall contain a description and map of the boundaries of the proposed public transportation benefit area and shall state the time and place of the hearing and the fact that any changes in the boundaries of the public transportation benefit area will be considered at such time and place. At such hearing or any continuation thereof, any interested person may appear and be heard on all matters relating to the effect of the formation of the proposed public transportation benefit area.

The conference may make such changes in the boundaries of the public transportation benefit area as they shall deem reasonable and proper, but may not delete any portion of the proposed area which will create an island of included or excluded lands, and may not delete a portion of any city. If the conference shall determine that any additional territory should be included in the public transportation benefit area, a second hearing shall be held and notice given in the same manner as for the original hearing. The conference may adjourn the hearing on the formation of a public transportation benefit area from time to time not exceeding thirty days in all.

Following the conclusion of such hearing the conference shall adopt a resolution fixing the boundaries of the proposed public transportation benefit area, declaring that the formation of the proposed public transportation benefit area will be conducive to the welfare and benefit of the persons and property therein.

36.57A.040 Cities to be wholly included or excluded—Boundaries—Only benefited areas to be included—One area per county. At the time of its formation no public transportation benefit area shall include only a part of any city, and every city shall be either wholly included or wholly excluded from the boundaries of such area. If subsequent to the formation of a public transportation benefit area a part only of any city shall be included within the boundaries of a public transportation benefit area such part shall be deemed to be "unincorporated" for the purpose of selecting a member of the governing authority pursuant to RCW 36.57A.060.

The boundaries of any public transportation benefit area shall follow school district lines or election precinct lines, as far as practicable. Only such areas shall be included which the conference determines could reasonably benefit from the provision of public transportation services. Only one public transportation benefit area may be created in any county. [1975 1st ex.s. c 270 § 14.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.050 Governing body—Selection, qualification, number of members—Per diem. Within sixty days of the establishment of the boundaries of the public
transportation benefit area the county commissioners and elected representatives of cities within the area shall provide for the selection of the governing body of such area, the public transportation benefit area authority, which shall consist of elected officials selected by and serving at the pleasure of the governing bodies of component cities within the area and the county commissioners of each county within the area.

Within such sixty day period, the legislative body of any city may by resolution of its legislative body withdraw from participation in the public transportation benefit area. The county legislative authority and each city remaining in the public transportation benefit area may disapprove and prevent the establishment of any governing body of a public transportation benefit area if the composition thereof does not meet its approval.

In no case shall the governing body of a single county public transportation benefit area be greater than nine members and in the case of a multicounty area, fifteen members. Those cities within the transportation benefit area and excluded from direct membership on the authority are hereby authorized to designate a member of the authority who shall be entitled to represent the interests of such city which is excluded from direct membership on the authority. The legislative body of such city shall notify the authority as to the determination of its authorized representative on the authority.

Any member of the authority who is an elected official and whose office is not a full time position may receive payment for subsistence and lodging at the rate prescribed for legislators in RCW 44.04.080 as now existing or hereafter amended for each day attending official meetings of the authority. (1) The levels of transit service that can be reasonably provided for various portions of the benefit area.

(2) The funding requirements, including local tax sources, state and federal funds, necessary to provide various levels of service within the area.

(3) The impact of such a transportation program on other transit systems operating within that county or adjacent counties.

(4) The future enlargement of the benefit area or the consolidation of such benefit area with other transit systems. [1975 1st ex.s. c 270 § 16.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.070 Comprehensive plan—Review—Approval or disapproval—Resubmission. The comprehensive transit plan adopted by the authority shall be reviewed by the state transportation commission, and if such commission does not exist, by the planning and community affairs agency or its successor to determine:

(1) The completeness of service to be offered and the economic viability of the transit system proposed in such comprehensive transit plan;

(2) Whether such plan integrates the proposed transportation system with existing transportation modes and systems that serve the benefit area;

(3) Whether such plan coordinates that area's system and service with nearby public transportation systems;

(4) Whether such plan is eligible for matching state or federal funds;

After reviewing the comprehensive transit plan, the state transportation commission, and if such does not exist, the planning and community affairs agency or its successor shall have sixty days in which to approve such plan and to certify to the state treasurer that such public transportation benefit area shall be eligible to receive the motor vehicle excise tax proceeds authorized pursuant to RCW 35.58.273, as now or hereafter amended in the manner prescribed by chapter 82.44 RCW, as now or hereafter amended. To be approved a plan shall provide for coordinated transportation planning, the integration of such proposed transportation program with other transportation systems operating in areas adjacent to, or in the vicinity of the proposed public transportation benefit area, and be consistent with the public transportation coordination criteria adopted pursuant to the urban mass transportation act of 1964 as amended as of July 1, 1975. In the event such comprehensive plan is disapproved and ruled ineligible to receive motor vehicle tax proceeds, the state transportation commission, and if such does not exist, the planning and community affairs agency or its successor, shall provide written notice to the authority within thirty days as to the reasons for such plan's disapproval and such ineligibility. The authority may resubmit such plan upon reconsideration and correction of such deficiencies in the plan cited in such notice of disapproval. [1975 1st ex.s. c 270 § 17.]

A public transportation benefit area may contract with the United States or any agency thereof, any state or agency thereof, any other public transportation benefit area, any county, city, municipal corporation, special district, or governmental agency, within or without the state, and any private person, firm or corporation for the purpose of receiving gifts or grants or securing loans or advances for preliminary planning and feasibility studies, or for the design, construction or operation of transportation facilities. In addition a public transportation benefit area may contract with any governmental agency or with any private person, firm or corporation for the use by either contracting party of all or any part of the facilities, structures, lands, interests in lands, air rights over lands
and rights of way of all kinds which are owned, leased or held by the other party and for the purpose of planning, constructing or operating any facility or performing any service which the public transportation benefit area may be authorized to operate or perform, on such terms as may be agreed upon by the contracting parties. Before any contract for the lease or operation of any public transportation benefit area facilities shall be let to any private person, firm or corporation, a general schedule of rental rates for bus equipment with or without drivers shall be publicly posted applicable to all private certificated carriers, and for other facilities competitive bids shall first be called upon such notice, bidder qualifications and bid conditions as the public transportation benefit area authority shall determine.

A public transportation benefit area may sue and be sued in its corporate capacity in all courts and in all proceedings. [1975 1st ex.s. c 270 § 18.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.090 Additional powers—Acquisition of existing system. A public transportation benefit area authority shall have the following powers in addition to the general powers granted by this chapter:

(2) To acquire by purchase, condemnation, gift or grant and to lease, construct, add to, improve, replace, repair, maintain, operate and regulate the use of transportation facilities and properties within or without the public transportation benefit area or the state, including systems of surface, underground or overhead railways, tramways, buses, or any other means of local transportation except taxis, and including escalators, moving sidewalks or other people-moving systems, passenger terminal and parking facilities and properties and such other facilities and properties as may be necessary for passenger and vehicular access to and from such people-moving systems, terminal and parking facilities and properties, together with all lands, rights of way, property, equipment and accessories necessary for such systems and facilities. Public transportation facilities and properties which are owned by any city may be acquired or used by the public transportation benefit area authority only with the consent of the city council of the city owning such facilities. Cities are hereby authorized to convey or lease such facilities to a public transportation benefit area authority or to contract for their joint use on such terms as may be fixed by agreement between the city council of such city and the public transportation benefit area authority, without submitting the matter to the voters of such city.

The facilities and properties of a public transportation benefit area system whose vehicles will operate primarily within the rights of way of public streets, roads or highways, may be acquired, developed and operated without the corridor and design hearings which are required by RCW 35.58.273, as now or hereafter amended, for mass transit facilities operating on a separate right of way.

(3) To fix rates, tolls, fares and charges for the use of such facilities and to establish various routes and classes of service.

In the event any person holding a certificate of public convenience and necessity from the Washington utilities and transportation commission under RCW 81.68.040 has operated under such certificate for a continuous period of one year prior to the date of certification and is offering service within the public transportation benefit area on the date of the certification by the county canvassing board that a majority of votes cast authorize a tax to be levied and collected by the public transportation benefit area authority, such authority may by purchase or condemnation acquire at the fair market value, from the person holding the existing certificate for providing the services, that portion of the operating authority and equipment representing the services within the area of public operation. The person holding such existing certificate may require the public transportation benefit area authority to initiate such purchase of those assets of such person, existing as of the date of the county canvassing board certification, within sixty days after the date of such certification. Such agreement shall provide for a periodic review of the terms and conditions contained therein. Where any such local public passenger transportation service will be required to cease to operate within the public transportation benefit area, the public transportation benefit area authority may
agree with the owner of such service to purchase the assets used in providing such service, or if no agreement can be reached, the public transportation benefit area authority shall condemn such assets in the manner and by the same procedure as is or may be provided by law for the condemnation of other properties for cities of the first class, except insofar as such laws may be inconsistent with the provisions of this chapter.

Certain provisions not to detract from commission powers, duties, and functions: RCW 80.01.300.

36.58A.030 County legislative authority determination required to establish district—Commission findings as to present services. No solid waste collection district shall be established in an area within the county boundaries unless the county legislative authority, after the hearing regarding formation of such district, determines from that hearing that mandatory solid waste collection is in the public interest and necessary for the preservation of public health. Such determination by the county legislative authority shall require the utilities and transportation commission to investigate and make a finding as to the ability and willingness of the existing garbage and refuse collection companies servicing the area to provide the required service.

If the utilities and transportation commission finds that the existing garbage and refuse collection company or companies are unable or unwilling to provide the required service it shall proceed to issue a certificate of
public need and necessity to any qualified person or corporation in accordance with the provisions of RCW 81.77.040.

The utilities and transportation commission shall notify the county legislative authority within sixty days of its findings and actions and if no qualified garbage and refuse collection company or companies are available in the proposed solid waste collection district, the county legislative authority may provide county garbage and refuse collection services in the area and charge and collect reasonable fees therefor. Upon the collection of such fees, the county shall pay one-half of the fees actually collected to the garbage and refuse collection company entitled to receive such and shall deposit the remaining one-half in the county general fund.

When the county undertakes to collect such fees as requested by the garbage and refuse collection companies, the county shall be subrogated to all of the rights of such companies. Any such fees which the county fails to collect shall become liens on the real or personal property of the persons owing such fees and the county may take all appropriate legal action to enforce such liens. The board may also provide that revenue bonds payable out of the same source or sources may later be sold on a parity with any revenue bonds being issued and sold. The provisions of this chapter and any resolution or resolutions providing for the authorization, issuance, and sale of such bonds shall constitute a contract with the holder of such bonds, and the provisions thereof shall be enforceable by any owner or holder of such bonds by mandamus or any appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction. [1965 c 142 § 5.]

The board shall create a special fund for the sole purpose of paying the principal of and interest on such funding or refunding revenue bonds, into which fund the commission shall obligate and bind the county to set aside and pay any part or parts of, or all of, or a fixed proportion of, or a fixed amount of the revenue of the facility of the county sufficient to pay such principal and interest as the same shall become due, and if deemed necessary to maintain adequate reserves therefor.

Such funding or refunding bonds shall be negotiable instruments within the provisions and intent of the negotiable instruments law of this state, and the tax revenue of the county may not be used to pay, secure, or guarantee the payment of the principal of and interest on such bonds.

The county may exchange such funding or refunding bonds for the bonds, and coupons being funded or refunded, or it may sell such funding or refunding bonds in the manner, at such price and at such rate or rates of interest as the board shall deem to be for the best interest of the county and its inhabitants, either at public or private sale.

The provisions of this chapter relating to the terms, conditions, covenants, issuance, and sale of revenue bonds shall be applicable to such funding or refunding bonds except as may be otherwise specifically provided in this section. [1970 c 56 § 51; 1969 c 232 § 28; 1965 c 142 § 6.]

All registered voters within the service area shall be eligible to vote on the proposition. The county auditor, for the purpose of the special election, may combine or divide precincts in order to provide the greatest convenience to voters of the service area.

If an assessment is raised a new notice similar to the first shall be given, after which final approval of the roll may be made. When property has been entered originally upon the roll and the assessment thereon is not raised, no objection thereto shall be considered by the commissioners or by any court on appeal unless the objection is made in writing at, or prior, to the date fixed for the original hearing upon the roll. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original

[1963 c 4 § 36.70.730. Prior: 1959 c 201 § 73.]

36.70.740 Zoning map—Progressive adoption. Because of practical considerations, the total area of a county to be brought under the control of zoning may be divided into areas possessing geographical, topographical or urban identity and such divisions may be progressively and separately officially mapped. [1963 c 4 § 36.70.740. Prior: 1959 c 201 § 74.]

36.70.750 Zoning—Types of regulations. Any board, by ordinance, may establish classifications, within each of which, specific controls are identified, and which will:

36.70.780 Classifying unmapped areas. After the adoption of the first map provided for in RCW 36.70-740, and pending the time that all property within a county can be precisely zoned through the medium of a zoning map, all properties not so precisely zoned by map shall be given a classification affording said properties such broad protective controls as may be deemed appropriate and necessary to serve public and private interests. Such controls shall be clearly set forth in the zoning ordinance in the form of a zone classification, and such classification shall apply to such areas until they shall have been included in the detailed zoning map in the manner provided for the adoption of a zoning map. [1963 c 4 § 36.70.780. Prior: 1959 c 201 § 78.]

36.70.790 Interim zoning. If the planning agency in good faith, is conducting or intends to conduct studies within a reasonable time for the purpose of, or is holding a hearing for the purpose of, or has held a hearing and has recommended to the board the adoption of any zoning map or amendment or addition thereto, or in the event that new territory for which no zoning may have been adopted as set forth in RCW 36.70.800 may be annexed to a county, the board, in order to protect the public safety, health and general welfare may, after report from the commission, adopt as an emergency measure a temporary interim zoning map the purpose of which shall be to so classify or regulate uses and related matters as constitute the emergency. [1963 c 4 § 36.70-.790. Prior: 1959 c 201 § 79.]

36.70.800 Procedural amendments—Zoning ordinance. An amendment to the text of a zoning ordinance which does not impose, remove or modify any regulation theretofore existing and affecting the zoning status of land shall be processed in the same manner prescribed by this chapter for the adoption of an official control except that no public hearing shall be required. [1963 c 4 § 36.70-.800. Prior: 1959 c 201 § 80.]

36.70.810 Board of adjustment—Authority. The board of adjustment, subject to appropriate conditions and safeguards as provided by the zoning ordinance or the ordinance establishing the board of adjustment, if there be such, shall hear and decide:

1. Applications for conditional uses or other permits when the zoning ordinance sets forth the specific uses to be made subject to conditional use permits and establishes criteria for determining the conditions to be imposed;
2. Application for variances from the terms of the zoning ordinance: Provided, That any variance granted shall be subject to such conditions as will assure that the adjustment thereby authorized shall not constitute a grant of special privilege inconsistent with the limitations upon other properties in the vicinity and zone in which subject property is situated, and that the following circumstances are found to apply;
3. (a) because of special circumstances applicable to subject property, including size, shape, topography, location or surroundings, the strict application of the zoning ordinance is found to deprive subject property of rights and privileges enjoyed by other properties in the vicinity and under identical zone classification;

(b) that the granting of the variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the vicinity and zone in which subject property is situated.

3. (3) Appeals, where it is alleged by the applicant that there is error in any order, requirement, permit, decision, or determination made by an administrative official in the administration or enforcement of this chapter or any ordinance adopted pursuant to it. At least ten days notice of the time and place shall also be given to the adverse parties of record in the case. The officer from whom the appeal is taken shall forthwith convey the appeal to the board of adjustment all of the records pertaining to the decision being appealed from, together with such additional written report as he deems pertinent. [1963 c 4 § 36.70.860. Prior: 1959 c 201 § 86.]

36.70.880 Zoning adjustor—Action final unless appealed. The action by the zoning adjustor on all matters coming before him shall be final and conclusive unless within ten days after the zoning adjustor has made his order, requirement, decision or determination, an appeal in writing is filed with the board of adjustment. [1963 c 4 § 36.70.890. Prior: 1959 c 201 § 89.]

36.70.900 Inclusion of findings of fact. Both the board of adjustment and the zoning adjustor shall, in making an order, requirement, decision or determination, include in a written record of the case the findings of fact upon which the action is based. [1963 c 4 § 36.70.900. Prior: 1959 c 201 § 90.]

36.70.910 Short title. This chapter shall be known as the "Planning Enabling Act of the State of Washington". [1963 c 4 § 36.70.910. Prior: 1959 c 201 § 91.]

Prior: 1959 c 201 § 94.]

36.70.970 Hearing examiner system—Adoption authorized—Alternative—Functions—Procedures. As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and issue recommendations on applications for plat approval and applications for amendments to the zoning ordinance, the county legislative authority may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and issue decisions on proposals for plat approval and for amendments to the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative authority may vest in a hearing examiner the power to hear and decide conditional use applications, variance applications, applications for shoreline permits or any other class of applications for or pertaining to land uses. The legislative authority shall prescribe procedures to be followed by a hearing examiner.

Any county which vests in a hearing examiner the authority to hear and decide conditional uses and variances shall not be required to have a zoning adjuster or board of adjustment.

Each county legislative authority electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. Such legal effect may vary for the different classes of applications decided by the examiner but shall include one of the following:

(1) The decision may be given the effect of a recommendation to the legislative authority;

(2) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative authority.

Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the county's comprehensive plan and the county's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings. Reviser's note: This section was also amended by 1971 c 9 § 1 without cognizance of the repeal thereof.

ACT OF 1913
36.76.080 Bonds authorized—Election. The board of any county may, whenever a majority thereof so decides, submit to the voters of their county the question whether the board shall be authorized to issue negotiable coupon road bonds of the county in an amount subject to the limitations on indebtedness provided for in RCW 39.36.020(2), for the purpose of constructing a new road or roads, or improving established roads within the county, or for aiding in so doing, as herein prescribed.

The word "improvement" wherever used in this act shall embrace any undertaking for any or all of such purposes. The word "road" shall embrace all highways, roads, streets, avenues, bridges, and other public ways.

The provisions of this act shall apply not only to roads which are or shall be under the general control of the county, but also to all parts of state roads in such county and to all roads which are situated or are to be constructed wholly or partly within the limits of any incorporated city or town therein, provided the board of county commissioners finds that they form or will become a part of the public highway system of the county, and will connect the existing roads therein. Such finding may be made by the board of county commissioners at
any stage of the proceedings before the actual delivery of the bonds.

The constructing or improving of any and all such roads, or the aiding therein, is declared to be a county purpose.

The question of the issuance of bonds for any undertaking which relates to a number of different roads or parts thereof, whether intended to supply the whole expenditure or to aid therein, may be submitted to the voters as a single proposition in all cases where such course is consistent with the provisions of the state Constitution. If the county commissioners, in submitting a proposition relating to different roads or parts thereof, find that such proposition has for its object the furtherance and accomplishment of the construction of a system of public and county highways in such county, and constitutes and has for its object a single purpose, such finding shall be presumed to be correct, and upon the issuance of the bonds the presumption shall become conclusive.

No proposition for bonds shall be submitted which proposes that more than forty percent of the proceeds thereof shall be expended within any city or town or within any number of cities and towns. [1971 c 76 § 2; 1970 ex.s. c 42 § 22; 1963 c 4 § 36.76.080. Prior: 1913 c 25 § 1; RRS § 5592.]

36.76.090 How to be held—Ballots—Issue of bonds—Form. The election may be held at such times and in the manner provided for holding general elections in this state, or it may be held as a special election at such time as the board may designate. The ballots used must contain the words, "Bonds, Yes," and "Bonds, No". If three-fifths of the legal ballots cast on the question of issuing bonds for the improvement contemplated in RCW 36.76.080 are in favor of bonds, the board must issue negotiable bonds in due and legal form, and negotiate them in such manner as they may deem to be the best advantage of the county, at not less than par value. The bonds authorized by this section shall be issued in the name of the county, in denominations of not less than one hundred nor more than one thousand dollars; they shall be payable either (1) to some person or corporation (named therein) or the bearer, or (2) simply to the bearer, at such time as shall be stated therein, not more than twenty years after the date of issue and bear interest at a rate or rates as authorized by the board of county commissioners, payable semiannually. They may be made payable in any city of the United States containing a national bank. They shall bear the signature of the chairman of the board, and be countersigned by the county auditor of the county with the seal of the county thereunto attached, and the interest coupons shall be signed by said chairman and said county auditor, and each bond so issued must be registered in the office of the county treasurer in a book provided for that purpose, which must show the date, number and amount of the bond, date of maturity, rate of interest, and the name and address of the person to whom issued. The county seal need not be affixed to the coupons. Each coupon must show the number of the bond to which it belongs. The bonds and coupons shall be printed, engraved or lithographed on good bond paper. [1970 ex.s. c 56 § 53; 1969 ex.s. c 232 § 29; 1963 c 4 § 36.76.090. Prior: 1913 c 25 § 2; RRS § 5593.]

Effective date—Purpose—1970 ex.s. c 56: See notes following RCW 39.44.030.

Validation—Saving—Severability—1969 ex.s. c 232: See notes following RCW 39.44.030.

36.76.100 Notice of election. The board must give notice in some newspaper having a general circulation in the county for a period of at least four weeks next preceding the date of the election, setting forth the proposition as to amount and duration of the bonds to be issued, and the rate of interest thereon which is not to be exceeded, and stating the road or roads to be built or improved. The notice need not describe the road or roads with particularity, but it shall be sufficient either to describe them by termini and with a general statement as to their course, or to use any other appropriate language sufficient to show the purpose intended to be accomplished. The commissioners may, at their option, give such other or further notice as they may deem advisable. When the bonds are issued they may be made to bear the rate of interest stated in the notice or any less rate. [1963 c 4 § 36.76.100. Prior: 1913 c 25 § 4; RRS § 5595.]

36.76.110 Disposition of proceeds—City assistance. When the bonds are sold, the money arising therefrom shall be immediately paid into the treasury of the county, and shall be drawn only for the improvement for which they were issued, under the general direction of the board: Provided, That if the improvement includes in whole or in part the constructing or improving of one or more roads, or any part or parts thereof, within the limits of an incorporated city or town, and if the county commissioners find that the amount of the proceeds of the bonds intended to be expended for the improvements within such corporate limits will probably not be sufficient to defray the entire expense of the improvement therein, and if they further find it to be equitable that the city or town should bear the remainder of the expense, they may postpone any expenditure therefrom from the proceeds of the bonds until the city or town makes provision by ordinance for proceeding with the improvement within its corporate limits at its own expense so far as concerns the cost thereof over and above the amount of bond proceeds available therefor.

In such case it shall be lawful for the county commissioners to consent, under such general directions as they shall impose, that the proper authorities of the city or town shall have actual charge of making the proposed improvement within the corporate limits. The city or town shall acquire any needed property or rights and do the work by contract or otherwise in accordance with its charter or ordinances, but the same shall be subject to the approval of the county commissioners so far as concerns any payment therefor from the proceeds of the bonds.

In such case, as the work progresses and money is needed to pay therefor, the county commissioners shall, from time to time, by proper order, specifying the

[Title 36 RCW (1979 Ed.)—p 149]
amount and purpose, direct the county treasurer to turn over to the city or town treasurer such part or parts of the proceeds of the bonds as may be justly applicable to such improvement or part thereof within such city or town, and any money so received by the city or town treasurer shall be inviolably applied to the purpose specified. When that portion of the entire improvement which lies within any such city or town can readily be separated into parts, the procedure authorized by this section may be pursued separately as to any one or more of such parts of the general improvement.

Nothing contained in this section shall be construed to render the county liable for any greater part of the expense of any improvement or part thereof within any city or town than the proper amount of the proceeds of such bonds, or to prevent the city or town from raising any part of the cost of any such improvement or part thereof, over and above the amount arising from the proceeds of the bonds, by assessment upon property benefited, or by contribution from any of its general or special funds in accordance with the provisions of the charter or laws governing such city or town. The provisions of this section, other than the direction for the payment into the county treasury of the money arising from the sale of the bonds, need not be complied with until after the issuance of the bonds and the validity of the bonds shall not be dependent upon such compliance.

When any such bonds or coupons are paid, the county treasurer shall seasonably remit to the city in which the county treasurer keeps his office, the county treasurer shall seasonably remit to the state fiscal agent the amount of money required for the payment of any coupons which are about to fall due. When any such bonds or coupons are paid, the county treasurer shall suitably and indelibly cancel them.

Payment of principal and interest. The county commissioners must ascertain and levy annually the proceeds of the bonds, by assessment upon property benefited, or by contribution from any of its general or special funds in accordance with the provisions of the charter or laws governing such city or town. The provisions of this section, other than the direction for the payment into the county treasury of the money arising from the sale of the bonds, need not be complied with until after the issuance of the bonds and the validity of the bonds shall not be dependent upon such compliance.

Nothing contained in this section shall be construed to render the county liable for any greater part of the expense of any improvement or part thereof within any city or town than the proper amount of the proceeds of such bonds, or to prevent the city or town from raising any part of the cost of any such improvement or part thereof, over and above the amount arising from the proceeds of the bonds, by assessment upon property benefited, or by contribution from any of its general or special funds in accordance with the provisions of the charter or laws governing such city or town. The provisions of this section, other than the direction for the payment into the county treasury of the money arising from the sale of the bonds, need not be complied with until after the issuance of the bonds and the validity of the bonds shall not be dependent upon such compliance.

**Section 36.76.120**

The county commissioners must ascertain and levy annually a tax sufficient to pay the interest on all such bonds whenever it becomes due and to meet the annual maturities of principal as required by Title 39 RCW. All taxes levied either for interest or principal shall be a lien upon all property within the county and must be collected in the same manner as other taxes are collected. The county treasurer must pay out of any money accumulated from the taxes levied to pay the interest as aforesaid, the interest upon all such bonds when it becomes due upon presentation at the place of payment of the proper coupon. All coupons so paid must be reported to the county commissioners at their first meeting thereafter. Whenever the coupons are payable at any place other than the city in which the county treasurer keeps his office, the county treasurer shall seasonably remit to the state fiscal agent the amount of money required for the payment of any coupons which are about to fall due. When any such bonds or coupons are paid, the county treasurer shall suitably and indelibly cancel them.

**Section 36.76.130**

Act cumulative. This act shall not be construed as repealing or affecting any other act relating to the issuance of bonds for road or other purposes, but shall be construed as conferring additional power and authority.

Whenever the county road engineer employed by the county shall prepare such maps, plans, and specifications as shall be necessary and sufficient. A copy of such maps, plans, and specifications shall be approved by the board of county commissioners with its approval endorsed thereon, and such copy shall be filed with the clerk of the board.

**Section 36.76.140**

Toll bridge bonds authorized. The board of a county may, by majority vote, and by submission to the voters under the same procedure required in RCW 36.76.090 and 36.76.100, issue general obligation bonds for the purpose of contributing money, or the bonds themselves, to the construction of toll bridges across topographical formations constituting boundaries between the county and an adjoining county, or a toll bridge across topographical formation located wholly within an adjoining county, which in the discretion of the board, directly or indirectly benefits the county. Such bonds may be transferred to the Washington toll bridge authority to be sold by the authority for the purposes outlined herein. Such bonds may bear interest at a rate or rates as authorized by the board of county commissioners. Provided, That such indebtedness is subject to the limitations on indebtedness provided for in RCW 39.36.020(2).

**Chapter 36.77**

**Section 36.77.010**

Whenever it is ordered by resolution of the board that any county road shall be laid out and established and altered, widened, or otherwise constructed or improved, the county road engineer employed by the county shall prepare such maps, plans, and specifications as shall be necessary and sufficient. A copy of such maps, plans, and specifications shall be approved by the board of county commissioners with its approval endorsed thereon, and such copy shall be filed with the clerk of the board.

**Section 36.77.020**

Approval. Upon approval of such maps, plans, and specifications and the filing thereof the board shall, if it determines that the work shall be done by contract, advertise a call for bids upon such construction work by publication in the official county paper and also one trade paper of general circulation in the county, in one issue of each such paper at least once in each week for two consecutive weeks prior to the time set in the call for bids for the opening of

[1963 c 4 § 36.77.030. Prior: 1959 c 67 § 4; prior: 1937 c 187 § 32, part; RRS § 6450–32, part.]

36.77.040 Award of contract—Bond. The board shall proceed to award the contract to the lowest and best bidder but may reject any or all bids if in its opinion good cause exists therefor. The board shall require from the successful bidder a contractor’s bond in the amount and with the conditions imposed by law. Should the bidder to whom the contract is awarded fail to enter into the contract and furnish the contractor’s bond as required within ten days after notice of the award, exclusive of the day of notice, the amount of the bid deposit shall be forfeited to the county and placed in the county road fund and the contract awarded to the next lowest and best bidder. The bid deposit of all unsuccessful bidders shall be returned after the contract is awarded and the required contractor’s bond given by the successful bidder is accepted by the board. This section shall be construed to mean a complete project and shall not be construed to allow or permit the construction of any project by day labor by division thereof into units of work or classes of work. All construction work to be performed at a cost in excess of twenty-five thousand dollars shall be performed by contract as in this chapter provided: Provided, That when the construction work is the installation of electrical traffic control devices, highway illumination equipment, electrical equipment, wires, or equipment to convey electrical current, in an amount exceeding ten thousand dollars for any one project, such work shall be performed by contract as in this chapter provided. At the completion of such construction, the board shall cause to be published in one issue of such a newspaper a similar brief description of the work together with an accurate statement of the true and complete cost of performing such construction by day labor.

Failure to make the required publication shall subject each county commissioner to a fine of one hundred dollars for which he shall be liable individually and upon his official bond and the prosecuting attorney shall prosecute for violation of the provisions of this section and RCW 36.77.060. 36.81.121 Perpetual advanced plans for coordinated road program—Six year program for arterial road construction, ferries, docks, etc. (as amended by 1975 1st ex.s. c 21). Prior to July 1, 1968, the legislative authority of each county with the advice and assistance of the county road engineer, and pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive road program for the ensuing six calendar years. Such program shall include proposed road and bridge construction work and for those counties operating ferry systems shall also include a separate section showing proposed capital expenditures for ferries, docks, and related facilities. Copies of the program shall be filed with the county administration board and with the director of highways not more than thirty days after its adoption by the board. Annually thereafter each board shall review the work accomplished under the program and determine current county road needs. Based on these findings each board shall prepare and after public hearing thereon adopt a revised and extended comprehensive road program, and each one year extension and revision shall be filed with the director of highways not more than thirty days after its adoption by the board. The purpose of this section shall be to assure that perpetually each county shall have available advanced plans, looking to the future for not less than six years as a guide in carrying out a coordinated road construction program. Such program may at any time be revised by a majority of the legislative authority but only after a public hearing thereon.

The six year program of each county having an urban area within its boundaries shall contain a separate section setting forth the six year program for arterial road construction based upon its long range construction plan and formulated in accordance with regulations of the urban arterial board. The six year program for arterial road construction shall be submitted to the urban arterial board forthwith after its annual revision and adoption by the legislative authority of each county. The six year program for arterial road construction shall be based upon estimated revenues available for such construction together with such additional sums as the legislative authority of each county may request for urban arterials only from the urban arterial trust account for the six year period. The arterial road construction program shall provide for a more rapid rate of completion of the long range construction needs of major arterial roads than for secondary and collector arterial roads, pursuant to regulations of the urban arterial board.

(2) On and after July 1, 1976 each six year program forwarded to the director in compliance with subsection (1) of this section shall contain information as to how a county will expend its moneys, including funds made available pursuant to chapter 47.30 RCW, for bicycles, pedestrians, and equestrian purposes. Each railroad company shall keep its right of way clear of all brush and timber in the vicinity of a railroad grade crossing with a county road for a distance of one hundred feet from the crossing in such a manner as to permit a person upon the road to obtain an unobstructed view in both directions of an approaching train. The board shall cause brush and timber to be cleared from the right of way of county roads in the proximity of a railroad grade crossing for a distance of one hundred feet from the crossing in such a manner as to permit a
person traveling upon the road to obtain an unobstructed view in both directions of an approaching train. It shall be unlawful to erect or maintain a sign, signboard, or billboard at or near a county road or railroad and within a distance of five hundred feet from the point of intersection at grade of the road and railroad and in such a way that it may obstruct the view or distract the attention of a person operating a vehicle or train and approaching the crossing.

When a person who has erected or who maintains such a sign, signboard, or billboard or when a railroad company permits such brush or timber in the vicinity of a railroad grade crossing with a county road or permits the surface of a grade crossing to become inconvenient or dangerous for passage and who has the duty to maintain it, fails, neglects, or refuses to remove or cause to be removed such brush, timber, sign, signboard, or billboard, or maintain the surface of the crossing, the utilities and transportation commission upon complaint of the board or upon complaint of any party interested, or upon its own motion, shall enter upon a hearing in the manner now provided for hearings with respect to railroad-highway grade crossings, and make and enforce proper orders for the removal of the brush, timber, sign, signboard or billboard, or maintenance of the crossing: Provided, That nothing in this section shall prevent the posting or maintaining thereon of highway or road signs or traffic devices giving directions or distances for the information of the public when the signs conform to the "Manual for Uniform Traffic Control Devices" issued by the state highway commission. The board shall inspect highway grade crossings and make complaint of the violation of any provisions of this section. [1963 c 4 § 36.86.100. Prior: 1955 c 310 § 6.]

36.88.020 Formation of district—How initiated. County road improvement districts may be initiated either by resolution of the board of county commissioners or by petition signed by the owners according to the records of the office of the county auditor of property to an aggregate amount of the majority of the lineal frontage upon the contemplated improvement and of the area within the limits of the county road improvement district.
36.88.030 Formation of district—By resolution of intention—Procedure. In case the board of county commissioners shall desire to initiate the formation of a county road improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed road improvement district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, notifying the owners of property therein to appear at a meeting of the board at the time specified in such resolution, and directing the county road engineer to submit to the board at or prior to the date fixed for such hearing a diagram or print showing thereon the lots, tracts and parcels of land and other property which will be specially benefited thereby and the estimated amount of the cost and expense of such improvement to be borne by each lot, tract or parcel of land or other property, and also designating thereon all property which is being purchased under contract from the county. The resolution of intention shall be published in at least two consecutive issues of a newspaper of general circulation in such county, the date of the first publication to be at least fifteen days prior to the date fixed for such resolution for hearing before the board of county commissioners.

Notice of the adoption of the resolution of intention shall be given each owner or reputed owner of any lot, tract or parcel of land or other property within the proposed improvement district by mailing said notice to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer at the address shown thereon at least fifteen days before the date fixed for the public hearing. The notice shall refer to the resolution of intention and designate the proposed improvement district by number. Said notice shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract or parcel, the date and place of the hearing before the board of county commissioners, and shall contain the directions hereinafter provided for voting upon the formation of the proposed improvement district.

The clerk of the board shall prepare and mail, together with the notice above referred to, a ballot for each owner or reputed owner of any lot, tract or parcel of land within the proposed improvement district. This ballot shall contain the following proposition:

"Shall ---------- county road improvement district No. ------ be formed?  
Yes __________________________ □  
No __________________________ □"  

and, in addition, shall contain appropriate spaces for the signatures of the property owners, and a description of their property, and shall have printed thereon the direction that all ballots must be signed to be valid and must be returned to the clerk of the board of county commissioners not later than five o'clock p.m. of a day which shall be one week after the date of the public hearing.

The notice of adoption of the resolution of intention shall also contain the above directions, and, in addition thereto, shall state the rules by which the election shall be governed. [1970 ex.s. c 66 § 2; 1963 c 84 § 3; 1963 c 4 § 36.88.030. Prior: 1951 c 192 § 3.]

36.88.040 Formation of district—By resolution of intention—Election—Rules. The election provided herein for cases where the improvement is initiated by resolution shall be governed by the following rules: (1) All ballots must be signed by the owner or reputed owner of property within the proposed district according to the records of the county auditor; (2) each ballot must be returned to the clerk of the board not later than one week after the public hearing; (3) each property owner shall have one vote for each full dollar of estimated assessment against his property as determined by the preliminary estimates and assessment roll; (4) the valid ballots shall be tabulated and a majority of the votes cast shall determine whether the formation of the district shall be approved or rejected. [1963 c 4 § 36.88-040. Prior: 1951 c 192 § 4.]

36.88.050 Formation of district—By petition—Procedure. In case any such road improvement shall be initiated by petition, such petition shall set forth the nature and territorial extent of such proposed improvement, and the fact that the signers thereof are the owners, according to the records of the county auditor of property to an aggregate amount of a majority of the lineal frontage upon the improvement to be made and of the area within the limits of the assessment district to be created therefor.

Upon the filing of such petition the board shall determine whether the same shall be sufficient and whether the property within the proposed district shall be sufficiently developed and if the board shall find the district to be sufficiently developed and the petition to be sufficient, it shall proceed to adopt a resolution setting forth the nature and territorial extent of the improvement petitioned for, designating the number of the proposed improvement district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, notifying the owners of property therein to appear at a meeting of the board at the time specified in such resolution, and directing the county road engineer to submit to the board at or prior to the date fixed for such hearing a diagram or print showing thereon the lots, tracts and parcels of land and other property which will be specially benefited thereby and the estimated amount of the cost and expense of such improvement to be borne by each lot, tract or parcel of land or other property, and also designating thereon all property which is being purchased under contract from the county. The resolution of intention shall be published in...
at least two consecutive issues of a newspaper of general circulation in such county, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of county commissioners.

Notice of the adoption of the resolution of intention shall be given each owner or reputed owner of any lot, tract or parcel of land or other property within the proposed improvement district by mailing said notice to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer at the address shown thereon at least fifteen days before the date fixed for the public hearing. The notice shall refer to the resolution of intention and designate the proposed improvement district by number. Said notice shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract or parcel, the date and place of the hearing before the board of county commissioners, and the fact that property owners may withdraw their names from the petition or add their names thereto at any time prior to five o'clock p.m. of the day before the hearing. [1963 c 4 § 36.88.050. Prior: 1951 c 192 § 5.]

36.88.060 Formation of district—Hearing—Resolution creating district. Whether the improvement is initiated by petition or resolution the board shall conduct a public hearing at the time and place designated in the notice to property owners. At this hearing, the board may make such changes in the boundaries of the district or such modifications in the plans for the proposed improvement as shall be deemed necessary: Provided, That the board may neither so alter the improvement as to increase the estimated cost by an amount greater than ten percent above that stated in the notice, nor increase the proportionate share of the cost to be borne by assessments from the proportion stated in the notice, nor change the boundaries of the district to include property not previously included therein without first passing a new resolution of intention and giving a new notice to property owners, in the manner and form and within the time herein provided for the original notice.

At said hearing, the board shall select the method of assessment, ascertain whether the plan of improvement or construction is feasible and whether the benefits to be derived therefrom by the property within the proposed district, together with the amount of any county road fund participation, exceed the costs and expense of the formation of the proposed district and the contemplated construction or improvement and shall make a written finding thereon. In case the proceedings have been initiated by petition, the board shall find whether the petition including all additions thereto or withdrawals therefrom made prior to five o'clock p.m. of the day before the hearing is sufficient within the boundaries of the district so established at said hearing by the board. If said petition shall be found insufficient the board shall by resolution declare the proceedings terminated. In case the proceedings have been initiated by resolution if the board shall find the improvement to be feasible, it shall continue the hearing until a day not more than fifteen days after the date for returning ballots for the purpose of determining the results of said balloting.

After the hearing the board may proceed to adopt a resolution creating the district and ordering the improvement. Such resolution shall establish such district as the " ................ county road improvement district No. ........"). Such resolution shall describe the nature and territorial extent of the improvement to be made and the boundaries of the improvement district, shall describe the method of assessment to be used, shall declare the estimated cost and the proportion thereof to be borne by assessments, and shall contain a finding as to the result of the balloting by property owners in case the improvement shall have been initiated by resolution.

Upon the adoption of the resolution establishing the district, the board shall have jurisdiction to proceed with the improvement. The board's findings on the sufficiency of petitions or on the results of the balloting shall be conclusive upon all persons. [1963 c 4 § 36.88.060. Prior: 1951 c 192 § 6.]

36.88.070 Diagram only preliminary determination. The diagram or print herein directed to be submitted to the board shall be in the nature of a preliminary determination upon the method, and estimated amounts, of assessments to be levied upon the property specially benefited by such improvement and shall in no case be construed as being binding or conclusive as to the amount of any assessments which may ultimately be levied. [1963 c 4 § 36.88.070. Prior: 1951 c 192 § 7.]

36.88.080 Property included in district—Method of assessment—Assessment limited by benefit. Every resolution ordering any improvement mentioned in this chapter, payment for which shall be in whole or in part by special assessments shall establish a road improvement district which shall embrace as near as may be all the property specially benefited by such improvement and the board shall apply thereto such method of assessment as shall be deemed most practical and equitable under the conditions prevailing: Provided, That no assessment as determined by the board of commissioners shall be levied which shall be greater than the special benefits derived from the improvements. [1963 c 4 § 36.88.080. Prior: 1951 c 192 § 8.]

36.88.090 Assessment roll—Hearing—Notice—Objections—New hearing. Whenever the assessment roll for any county road improvement district shall have been prepared such roll shall be filed with the clerk of the board. The board shall thereupon by resolution set the date for hearing upon such roll before the board and direct the clerk to give notice of such hearing and the time and place thereof.

Such notice shall specify such time and place of hearing on such roll and shall notify all persons who may desire to object thereto to make such objection in writing.
and to file the same with such clerk at or prior to the date fixed for such hearing; and that at the time and place fixed and at such other times as the hearing may be continued to, the board will sit as a board of equalization for the purpose of considering such roll and at such hearing will consider such objections made thereto, or any part thereof, and will correct, revise, raise, lower, change or modify such roll or any part thereof, or set aside such roll in order that such assessment be made de novo as to such body shall appear just and equitable and then proceed to confirm the same by resolution.

Notice of the time and place of hearing under such assessment roll shall be given to the owner or reputed owner of the property whose name appears thereon, by mailing a notice thereof at least fifteen days before the date fixed for the hearing to such owner or reputed owner at the address of such owner as shown on the tax rolls of the county treasurer; and in addition thereto such notice shall be published at least two times in a newspaper of general circulation in the county if the newspaper is published weekly, but shall be published at least five times in such newspaper if said newspaper is published daily. At least fifteen days must elapse between the date of last publication thereof and the date fixed for such hearing: Provided, That mosquito control districts shall only be required to give notice by publication. The time and place of hearing under such assessment roll shall be published in two consecutive issues of a newspaper of general circulation in the county if the newspaper is published weekly, but shall be published in at least five consecutive issues of such newspaper if said newspaper is published daily. At least fifteen days must elapse between the date of last publication thereof and the date fixed for such hearing.

The board, at the time fixed for hearing objections to the confirmation of said roll, or at such time or times as said hearing may be adjourned to, shall have power to correct, revise, raise, lower, change or modify such roll or any part thereof, and to set aside such roll in order that such assessment be made de novo as to the board shall appear equitable and just, and then shall confirm the same by resolution. All objections shall be in writing and filed with the board and shall state clearly the grounds objected to, and objections not made within the time and in the manner herein described shall be conclusively presumed to have been waived.

Whenever any such roll shall be amended so as to raise any assessments appearing thereon, or to include property subject to assessment which has been omitted from the assessment roll for any reason a new hearing, and a new notice of hearing upon such roll, as amended, shall be given as in the case of an original hearing and at the conclusion of such hearing the board may confirm the same or any portion thereof by resolution and certify the same to the treasurer for collection. Whenever any property shall have been entered originally on such roll, and the assessment upon such property shall not be raised, no objections thereto shall be considered by the board or by any court on appeal, unless such objections be made in writing at or prior to the date fixed for the original hearing upon such roll. [1972 ex.s. c 62 § 1; 1963 c 4 § 36.88.090. Prior: 1951 c 192 § 9.]

No proceedings of any kind shall be commenced or prosecuted for the purpose of defeating or contesting any such assessment or for the sale of any property to pay such assessment or any certificate of delinquency issued therefor or the foreclosure of any lien issued therefor, but this section shall not be construed as prohibiting the bringing of injunction proceedings to prevent the sale of any real estate upon the grounds that the property about to be sold does not appear upon the assessment roll, or that the assessment has been paid. [1963 c 4 § 36.88.110. Prior: 1951 c 192 § 11.]

If the board of county commissioners shall determine to establish such fund it shall be designated * * * county road improvement guaranty fund* * * and from moneys available for road purposes such county shall deposit annually in said guaranty fund such sums as may be necessary to establish and maintain a balance therein equal to at least five percent of the outstanding obligations guaranteed thereby and to make necessary provision in its annual budget therefor. The moneys held in the guaranty fund may be invested in obligations of the government of the United States or of this state. [1967 ex.s. c 145 § 63; 1963 c 4 § 36.88.220. Prior: 1959 c 134 § 2; 1951 c 192 § 22.]

Severability—1967 ex.s. c 145: See RCW 47.98.043.

688.230 Improvement bonds—Guaranty fund in certain counties—Operation. Whenever there shall be paid out of a guaranty fund any sum on account of principal or interest of a road improvement district bond or warrant, the county, as trustee for the fund, shall be subrogated to all the rights of the holder of the bond or interest coupon or warrant so paid, and the proceeds thereof, or of the assessment underlying the same, shall become part of the guaranty fund. There shall also be paid into each guaranty fund the interest received from bank deposits or government securities of the fund, as well as any surplus remaining in any local improvement fund guaranteed hereunder after the payment of all outstanding bonds or warrants payable primarily out of such road improvement fund. Warrants drawing interest at a rate not to exceed six percent shall be issued, as other warrants are issued by the county, against a guaranty fund to meet any liability accruing against it, and at the time of making its annual budget and tax levy the county shall provide from funds available for road purposes for the deposit in the guaranty fund of a sum sufficient with other resources of such fund to pay warrants so issued during the preceding fiscal year. As among the several issues of bonds or warrants guaranteed by the fund no preference shall exist, but defaulted interest coupons, bonds and warrants shall be purchased out of the fund in the order of their presentation.

Every county establishing a guaranty fund for road improvement district bonds or warrants shall prescribe by resolution appropriate rules and regulations for the maintenance and operation of the guaranty fund not inconsistent herewith. So much of the money of a guaranty fund as is necessary may be used to purchase underlying bonds or warrants guaranteed by the fund, or to purchase certificates of delinquency for general taxes on property subject to local improvement assessments, or to purchase such property at tax foreclosures, for the purpose of protecting the guaranty fund. Said fund shall be subrogated to the rights of the county, and the county, acting on behalf of said fund, may foreclose the lien of general tax certificates of delinquency and purchase the property at the foreclosure sale for the account of said fund. Whenever the governing authority of any county shall so cause a lien of general tax certificates of delinquency to be foreclosed and the property to be so purchased at a foreclosure sale, the court costs and costs of publication and expenses for clerical work and/or other expense incidental thereto, shall be chargeable to and payable from the guaranty fund. After so acquiring title to real property, a county may lease or sell and convey the same at public or private sale for such price and on such terms as may be determined by resolution of the board of commissioners or other legislative body, and all proceeds resulting from such sales shall belong to and be paid into the guaranty fund. 688.240 Improvement bonds—Repayment restricted to special funds—Remedies of bondholder—Notice of restrictions. Neither the holder nor the owner of any bond or warrant issued under the provisions of this chapter shall have any claim therefor against the county by which the same is issued, except for payment from the special assessments made for the improvement for which said bond or warrant was issued and except as against the improvement guaranty fund of such county, and the county shall not be liable to any holder or owner of such bond or warrant for any loss to the guaranty fund occurring in the lawful operation thereof by the county. The remedy of the holder or owner of a bond, or warrant in case of nonpayment, shall be confined to the enforcement of any assessments made in such road improvement district and to the guaranty fund. In case the bonds are guaranteed in accordance herewith a copy of the foregoing part of this section shall be plainly written, printed or engraved on each bond issued and guaranteed hereunder. [1963 c 4 § 36.88.240. Prior: 1951 c 192 § 24.]

688.250 Improvement bonds—Remedies of bondholders—Enforcement. If the board fails to cause any bonds to be paid when due or to promptly collect any assessments when due, the owner of any of the bonds may proceed in his own name to collect the assessments and foreclose the lien thereof in any court of competent [Title 36 RCW (1979 Ed.)—p 169]
jurisdiction and shall recover in addition to the amount of the bonds outstanding in his name, interest thereon at five percent per annum, together with the costs of suit, including a reasonable attorney's fee to be fixed by the court. Any number of owners of bonds for any single project may join as plaintiffs and any number of the owners of property upon which the assessments are liens may be joined as defendants in the same suit. [1963 c 4 § 36.88.250. Prior: 1951 c 192 § 25.]

36.88.260 Assessment where bonds issued—Payment in installments. In all cases where the board shall issue bonds to pay the cost and expense of any county road improvement district and shall provide that the whole or any part of the cost and expense shall be assessed against the lots, tracts, parcels of land, and other property therein, the resolution levying such assessment shall provide that the sum charged thereby against each lot, tract, or parcel of land or any portion of said sum may be paid during the thirty day period provided for in RCW 36.88.270 and that thereafter the sum remaining unpaid may be paid in equal annual installments, the number of which installments shall be less by two than the number of years which the bonds issued to pay for the improvement may run. Interest upon all unpaid installments shall be charged at a rate fixed by said resolution. Each year such installments together with interest due thereon shall be collected in the manner provided in the resolution for the collection of the assessments. [1963 c 4 § 36.88.260. Prior: 1951 c 192 § 26.]

36.88.270 Assessment where bonds issued—Payment in cash—Notice of assessment. The owner of any lot, tract, or parcel of land, or other property charged with any such assessments may redeem the same from all or any portion of the liability for the cost and expense of such improvement by paying the entire assessment or any portion thereof charged against such lot, tract, or parcel of land without interest within thirty days after notice to him of such assessment, which notice shall be given as follows: The county treasurer shall, as soon as the assessment roll has been placed in his hands for collection, publish a notice for two consecutive daily or weekly issues in the official newspaper of the county in which the district is located, which notice shall state that the assessment roll is in his hands for collection and that any assessment thereon or any portion of such assessment may be paid at any time within thirty days from the date of the first publication of said notice without penalty interest or costs. The owners of any lot, tract, or parcel of land may save the same from all liability for the unpaid amount of the assessment, at any time after the thirty-day period herein provided for their payment without interest, by paying the entire amount or all installments on said assessment together with all interest due to the date of maturity of any installment next falling due. All such payments shall be made to the county treasurer whose duty it shall be to collect all assessments under this chapter and all sums so paid or collected shall be applied solely to the payment of the cost and expense of the district and payment of principal and/or interest of any bonds issued. [1963 c 4 § 36.88.280. Prior: 1951 c 192 § 28.]

36.88.290 Limitation of actions. An action to collect any special assessment or installment thereof for road improvements, or to enforce the lien of any such assessment or installment, whether such action be brought by the county or by the holder of any certificate of delinquency, or by any other person having the right to bring such action, shall be commenced within ten years after such assessment shall have become delinquent or within ten years after the last installment of any such assessment shall have become delinquent, when said special assessment is payable in installments.

Actions to set aside or cancel any deed issued after midnight, June 6, 1951, upon the sale of property for road improvement assessments, or for the recovery of property sold for delinquent road improvement assessments must be brought within three years from and after date of the issuance of such deed. All land, premises or property necessary for right-of-way or other purposes in the construction or improvement of any county road, including bridges, sidewalks, curbs and gutters and the drainage facilities therefor, under this chapter may be acquired by the county acting through its board of county commissioners, either by gift, purchase or by condemnation. In the event of any exercise of the power of eminent domain, the procedure shall be the same as is provided by law for the securing of right-of-way for county roads. The title to all property acquired for any construction or improvement under this chapter shall be taken in the name of the county. The county commissioners in any eminent domain action brought to secure any property for construction or improvement under this chapter may pay
any final judgment entered in such action with county road funds and take possession of the particular property condemned. In the event of any such payment the county commissioners may require that the county road fund be reimbursed out of the particular county road improvement fund of the district for which the property was acquired. [1963 c 4 § 36.88.310. Prior: 1951 c 192 § 31.]

The county treasurer may accept warrants against any county road improvement fund upon such conditions as the board may prescribe in payment of: (1) Assessments levied to supply that fund in due order of priority; (2) judgments rendered against property owners who have become delinquent in the payment of assessments to that fund; and (3) certificates of purchase in cases where property of delinquents has been sold under execution or at tax sale for failure to pay assessments levied to supply that fund. in the public interest and is a public purpose, with-
standing any resulting incidental private benefit to any
electric or communication utility affected by such con-
version or installation. [1971 ex.s. c 103 § 1; 1967 c 194
§ 1.]

Severability—1967 c 194: "If any provision of this act, or its ap-

Cities and towns, conversion of overhead electric and communica-
tion facilities to underground facilities: Chapter 35.96 RCW.

36.88.420 Underground electric and communication
facilities, installation or conversion to—Definitions. As
used in RCW 36.88.410 through 36.88.480, unless spe-
cifically defined otherwise, or unless the context indi-
cates otherwise:
"Conversion area" means that area in which existing
overhead electric and communication facilities are to be
converted to underground facilities pursuant to the pro-
visions of RCW 36.88.410 through 36.88.480.

communication facilities.
(6) Any combination of the improvements provided
for in this section.

To provide funds to pay the whole or any part of the
cost of any such conversion or initial installation, to-
gether with the expense of furnishing electric energy,
maintenance and operation to any ornamental street
lighting facilities served from underground electrical fa-
cilities, every county shall have the power to create
county road improvement districts and to levy and col-
cect special assessments against the real property spe-
cially benefited by such conversion or initial installation.
For the purpose of ascertaining the amount to be as-
sessed against each lot or parcel of land within any
county road improvement district established pursuant to
RCW 36.88.410 through 36.88.480, in addition to other
methods provided by law for apportioning special bene-

of the special benefits accruing on a square footage basis or on a per lot basis.

36.88.450 Underground electric and communication facilities, installation or conversion to—Notice to owners to convert service lines to underground—Objections—Hearing—Time limitation for conversion. When service from the underground electric and communication facilities is available in all or part of a conversion area, the county shall mail a notice to the owners of all structures or improvements served from the existing overhead facilities in the area, which notice shall state that:

(1) Service from the underground facilities is available;

(2) All electric and communication service lines from the existing overhead facilities within the area to any structure or improvement must be disconnected and removed within one hundred twenty days after the date of the mailing of the notice;

(3) Should such owner fail to convert such service lines from overhead to underground within one hundred twenty days after the date of the mailing of the notice, the county will order the electric and communication utilities to disconnect and remove the service lines;

(4) Should the owner object to the disconnection and removal of the service lines he may file his written objections thereto with the secretary of the board of county commissioners within one hundred twenty days after the date of the mailing of the notice and failure to do so object within such time will constitute a waiver of his right thereafter to object to such disconnection and removal.

If the owner of any structure or improvement served from the existing overhead electric and communication facilities within a conversion area shall fail to convert to underground the service lines from such overhead facilities to such structure or improvement within one hundred twenty days after the mailing to him of the notice, the county shall order the electric and communication utilities to disconnect and remove all such service lines: Provided, That if the owner has filed his written objections to such disconnection and removal with the secretary of the board of county commissioners within one hundred twenty days after the mailing of said notice then the county shall not order such disconnection and removal until after the hearing on such objections.

Upon the timely filing by the owner of objections to the disconnection and removal of the service lines, the board of county commissioners shall conduct a hearing to determine whether the removal of all or any part of the service lines is in the public benefit. The hearing shall be held at such time as the board of county commissioners may establish for hearings on such objections and shall be held in accordance with the regularly established procedure set by the board. The determination reached by the board of county commissioners shall be final in the absence of an abuse of discretion. [1967 c 194 § 5.]

If the board of county commissioners shall determine to establish such fund it shall be designated "utility conversion guaranty fund" and from moneys available such county shall deposit annually in said guaranty fund such sums as may be necessary to establish and maintain a balance therein equal to at least five percent of the outstanding obligations guaranteed thereby and to make necessary provision in its annual budget therefor. [1967 c 194 § 6.]
36.88.470 Underground electric and communication facilities, installation or conversion to—Utility conversion guaranty fund—Operation. Whenever there shall be paid out of the guaranty fund any sum on account of principal or interest of a county road improvement district bond or warrant, the county, as trustee for the fund, shall be subrogated to all the rights of the holder of the bond or interest coupon or warrant so paid, and the proceeds thereof, or of the assessment underlying the same, shall become part of the guaranty fund. There shall also be paid into each guaranty fund the interest received from investments of the fund, as well as any surplus remaining in any county road improvement fund guaranteed hereunder after the payment of all outstanding bonds or warrants payable primarily out of such utility conversion county road improvement district fund. Warrants drawing interest at a rate not to exceed six percent shall be issued, as other warrants are issued by the county, against the guaranty fund to meet any liability accruing against it, and at the time of making its annual budget and tax levy the county shall provide from funds available for the deposit in the guaranty fund of a sum sufficient with other resources of such fund to pay warrants so issued during the preceding fiscal year. As among the several issues of bonds or warrants guaranteed by the fund no preference shall exist, but defaulted interest coupons, bonds and warrants shall be purchased out of the fund in the order of their presentation.

36.93.010 Purpose. The legislature finds that in metropolitan areas of this state, experiencing heavy population growth, increased problems arise from rapid proliferation of municipalities and haphazard extension of and competition to extend municipal boundaries. These problems affect adversely the quality and quantity and cost of municipal services furnished, the financial integrity of certain municipalities, the consistency of local regulations, and many other incidents of local government. Further, the competition among municipalities for unincorporated territory and the disorganizing effect thereof on land use, the preservation of property values and the desired objective of a consistent comprehensive land use plan for populated areas, makes it appropriate that the legislature provide a method of guiding and controlling the creation and growth of municipalities in metropolitan areas so that such problems may be avoided and that residents and businesses in those areas may rely on the logical growth of local government affecting them. [1967 c 189 § 1.]

36.93.020 Definitions. As used herein:
(1) "Governmental unit" means any incorporated city or town, metropolitan municipal corporation, or any special purpose district as defined in this section.
(2) "Special purpose district" means any sewer district, water district, fire protection district, drainage improvement district, drainage and hiking improvement district, flood control zone district, irrigation district, metropolitan park district, drainage district, or public utility district engaged in water distribution.

(3) "Board" means a boundary review board created by or pursuant to this chapter. [1979 1st ex.s. c 30 § 5; 1967 c 189 § 2.]

36.93.030 Creation of boundary review boards in class AA, class A counties—Procedure for creation in other counties. (1) There is hereby created and established in each class AA and class A county a board to be known and designated as a "boundary review board".
(2) A boundary review board may be created and established in any other class county in the following manner:
(a) The board of county commissioners may, by majority vote, adopt a resolution establishing a boundary review board; or
(b) A petition seeking establishment of a boundary review board signed by qualified electors residing in the county equal in number to at least five percent of the votes cast in the county at the last county general election may be filed with the county auditor.

Upon the filing of such a petition, the county auditor shall examine the same and certify to the sufficiency of the signatures thereon. No person may withdraw his name from a petition after it has been filed with the auditor. Within thirty days after the filing of such petition, the county auditor shall transmit the same to the board of county commissioners, together with his certificate of sufficiency.

After receipt of a valid petition for the establishment of a boundary review board, the board of county commissioners shall submit the question of whether a boundary review board should be established to the electorate at the next county primary or county general election which occurs more than thirty days from the date of receipt of the petition. Notice of the election shall be given as provided in RCW 29.27.080 and shall include a clear statement of the proposal to be submitted.

If a majority of the persons voting on the proposition shall vote in favor of the establishment of the boundary review board, such board shall thereupon be deemed established. [1969 ex.s. c 111 § 1; 1967 c 189 § 3.]

36.93.040 Dates upon which boards in counties other than class AA and class A deemed established. For the purposes of this chapter, counties other than class AA and class A shall be deemed to have established boundary review boards on and after the date a proposition for establishing the same has been approved at an election as provided for in RCW 36.93.030, or on and after the date of adoption of a resolution of the board of county commissioners establishing the same as provided for in RCW 36.93.030. [1967 c 189 § 4.]

36.93.050 Appointment of boards—Members—Qualifications—Terms—Vacancies. After the effective date of this act, the governor shall within forty-five days appoint a board for each class AA county consisting of eleven members as provided for in this section. After a board has been established in a county other than class AA by resolution, by operation of law or by
approval of the electors after an election initiated by petition, the governor shall appoint a board within forty-five days for each such county consisting of five members as provided for in this section.

Of the members of the first board to be appointed in class AA counties after the taking effect of this section, four members, consisting of one member appointed from each of the four classes of nominees, shall have terms expiring January 1, 1970; four members, consisting of one member appointed from each of the four classes of nominees, shall have terms expiring January 1, 1972; and three members consisting of one member from each of the three classes of nominees furnishing three members to the board, shall have terms expiring January 1, 1974. When any county establishes a board of five members, two members shall have a term of not less than two years, nor more than four years; two members shall have a term of not less than four years, and not more than six years; and one member shall have a term of not less than six years, nor more than eight years. Upon the expiration of the terms of the initial members first to be appointed, each succeeding member shall be appointed and hold office for a term of six years.

Any vacancy on an eleven member or five member board shall be filled by appointment by the governor from the same source as the preceding member, which source shall have the opportunity to make new nominations for the vacated position, and such appointee shall serve only for the balance of the full term of his predecessor.

In each boundary review board which consists of eleven members, all members shall be residents of the county in which the review board is established. Three members shall be selected independently by the governor and the remaining eight members shall be selected by the governor from the following sources:

(1) Three members shall be selected from nominees of the individual mayors of the cities and towns within the county;
(2) Three members shall be selected from nominees of the individual members of the board of county commissioners; and
(3) Two members shall be selected from nominees of each special purpose district lying wholly or partly within the county. Selection shall be made so that the terms of not more than one appointee from each source expires in any one year.

Nominations shall be filed with the office of the governor within thirty days after the effective date of this act, within thirty days after the creation of a boundary review board by election, operation of law, or resolution as provided in RCW 36.93.030, or within thirty days of the creation of a vacancy on the board, as appropriate. Nominations to fill vacancies caused by expiration of terms shall be filed at least thirty days preceding the expiration of the terms. Each source shall nominate at least two persons for every available position. In the event there are less than two nominees for any position, the governor may appoint the member for that position independently.

No nominee for membership and no member shall be a consultant or adviser on a contractual or regular retaining basis of the state of Washington, or of any municipal corporation thereof within the county in which the board is established, or any agency or association thereof. [1969 ex.s. c 111 § 2; 1967 ex.s. c 98 § 1; 1967 c 189 § 5.]

*Reviser's note: The language "the effective date of this act" first appeared in section 5, chapter 189, Laws of 1967. Section 5, chapter 189, Laws of 1967 was amended by section 1, chapter 98, Laws of 1967 ex.s. The effective date of chapter 189, Laws of 1967 was July 1, 1967; see RCW 36.93.900. The effective date of chapter 98, Laws of 1967 ex.s. was July 30, 1967; see preface to 1967 session laws.

At the request of the board, the state attorney general, or at the board's option, the county prosecuting attorney, shall provide counsel for the board.
The planning departments of the county, other counties, and any city, and any state or regional planning agency shall furnish such information to the board at its request as may be reasonably necessary for the performance of its duties.

Each member of the board shall be compensated from the county current expense fund at the rate of twenty-five dollars per day, or a major portion thereof, for time actually devoted to the work of the boundary review board. Each board of county commissioners shall provide such funds as shall be necessary to pay the salaries of the members and staff, and such other expenses as shall be reasonably necessary. [1967 c 189 § 7.]

36.93.080 Expenditures—Remittance of costs to counties. Expenditures by the board shall be subject to the provisions of chapter 36.40 RCW and other statutes relating to expenditures by counties. The planning and community affairs agency, or to whatever entity the local government functions of this agency shall be transferred, shall on a quarterly basis remit to each county one-half of the actual costs incurred by the county for the operation of the boundary review board within individual counties as provided for in this chapter. However, in the event no funds are appropriated to the said agency for this purpose, this shall not in any way affect the operation of the boundary review board. [1969 ex.s. c 111 § 4; 1967 c 189 § 8.]

36.93.090 Filing notice of proposed actions with board. Whenever any of the following described actions are proposed in a county in which a board has been established, the initiators of the action shall file a notice of intention with the board, which may review any such proposed actions pertaining to:

1. The creation, dissolution, incorporation, disincorporation, consolidation, or change in the boundary of any city, town, or special purpose district, except that a board may not review the dissolution or disincorporation of a special purpose district which was dissolved or disincorporated pursuant to the provisions of chapter 36.96 RCW; or
2. The assumption by any city or town of all or part of the assets, facilities, or indebtedness of a special purpose district which was dissolved or disincorporated pursuant to the provisions of chapter 36.96 RCW; or

Whenever a sewer or water district files with the board a notice of intention as required by RCW 36.93.090, the board shall send a copy of such notice of intention to the legislative authority of the county wherein such action is proposed to be taken and one copy to the state department of ecology. [1971 ex.s. c 127 § 2.]

36.93.100 Review of proposed actions by board—Procedure. The board shall review and approve, disapprove, or modify any of the actions set forth in RCW 36.93.090 when any of the following shall occur within sixty days of the filing of a notice of intention:

1. The chairman or any three members of the boundary review board files a request for review;
2. Any governmental unit affected files a request for review;
3. A petition requesting review is filed and is signed by
   a. five percent of the registered voters residing within the area which is being considered for the proposed action (as determined by the boundary review board in its discretion subject to immediate review by writ of certiorari to the superior court); or
   b. an owner or owners of property consisting of five percent of the assessed valuation within such area.

If a period of sixty days shall elapse without the board's jurisdiction having been invoked as set forth in this section, the proposed action shall be deemed approved. [1967 c 189 § 10.]

36.93.110 When review not necessary. In case of annexation to a city or a town, where the area proposed for annexation is less than ten acres and less than eight hundred thousand dollars in assessed valuation, the chairman of the review board may by written statement declare that review by the board is not necessary for the protection of the interest of the various parties, in which case the board shall not review such annexation. [1973 1st ex.s. c 195 § 42; 1967 c 189 § 11.]

Severability—Effective dates and termination dates—Construction—1973 1st ex.s. c 195: See notes following RCW 84.52.043.

36.93.120 Fees. A fee of twenty-five dollars shall be paid by all initiators and in addition if the jurisdiction of the review board is invoked pursuant to RCW 36.93.100, the person or entity seeking review, except for the boundary review board itself, shall pay to the county treasurer and place in the county current expense fund the sum of one hundred dollars. [Title 36 RCW (1979 Ed.)—p 182]
36.93.140 Pending actions not affected. Actions described in RCW 36.93.090 which are pending July 1, 1967, or actions in counties other than class AA or class A which are pending on the date of the creation of a boundary review board therein, shall not be affected by the provisions of this chapter. Actions shall be deemed pending on and after the filing of sufficient petitions initiating the same with the appropriate public officer, or the performance of an official act initiating the same. [1967 c 189 § 14.]

36.93.150 Review of proposed actions—Actions and determinations of board—Disapproval, effect. The board, upon review of any proposed action, shall take such of the following actions as it deems necessary to best carry out the intent of this chapter:

(1) Approval of the proposal as submitted;

(2) Subject to RCW 35.02.170, modification of the proposal by adjusting boundaries to add or delete territory: Provided, That any proposal for annexation by the board shall be subject to RCW 35.21.010 and shall not add additional territory, the amount of which is greater than that included in the original proposal;

(3) Determination of a division of assets and liabilities between two or more governmental units where relevant;

(4) Determination whether, or the extent to which, functions of a special purpose district are to be assumed by an incorporated city or town, metropolitan municipal corporation, or another existing special purpose district; or

(5) Disapproval of the proposal except that the board shall not have jurisdiction to disapprove the dissolution or disincorporation of a special purpose district which is not providing services but shall have jurisdiction over the determination of a division of the assets and liabilities of a dissolved or disincorporated special purpose district: Provided, That a board shall not have jurisdiction over the division of assets and liabilities of a special purpose district that is dissolved or disincorporated pursuant to chapter 36.96 RCW.

Unless the board shall disapprove a proposal, it shall be presented under the appropriate statute for approval of a public body and, if required, a vote of the people. A proposal that has been modified shall be presented under the appropriate statute for approval of a public body and if required, a vote of the people. If a proposal after modification does not contain enough signatures of persons within the modified area, as are required by law, then the initiating party, parties or governmental unit has thirty days after the modification decision to secure enough signatures to satisfy the legal requirement. If the signatures cannot be secured then the proposal may be submitted to a vote of the people, as required by law.

When the board, after due proceedings held, disapproves a proposed action, such proposed action shall be unavailable, the proposing agency shall be without power to initiate the same or substantially the same as determined by the board, and any succeeding acts intended to or tending to effectuate that action shall be void, but such action may be reintiated after a period of twelve months from date of disapproval and shall again be subject to the same consideration. [1979 1st ex.s. c 5 § 13; 1975 1st ex.s. c 220 § 10; 1969 ex.s. c 111 § 8; 1967 c 189 § 15.]

Severability—1979 1st ex.s. c 5: See RCW 36.96.920.

36.93.160 Hearings—Notice—Record—Subpoenas—Decision of board—Appeals. (1) When the jurisdiction of the boundary review board has been invoked, the board shall set the date, time and place for a public hearing on the proposal. The board shall give at least thirty days' advance written notice of the date, time and place of the hearing to the governing body of each governmental unit having jurisdiction within the boundaries of the territory proposed to be annexed, formed, incorporated, disincorporated, dissolved or consolidated, or within the boundaries of a special district whose assets and facilities are proposed to be assumed by a city or town, and to the governing body of each city within three miles of the exterior boundaries of such area and to the proponent of such change. Notice shall also be given by publication in any newspaper of general circulation in the area of the proposed boundary change at least three times, the last publication of which shall be not less than five days prior to the date set for the public hearing. Notice shall also be posted in ten public places in the area affected for five days when the area is ten acres or more. When the area affected is less than ten acres, five notices shall be posted in five public places for five days. If the board after such hearing shall determine to modify the proposal by adding territory, then the board shall set a date, time and place for an additional hearing on the modification, for which notice shall be given as provided in this subsection.

(2) A verbatim record shall be made of all testimony presented at the hearing and upon request and payment of the reasonable costs thereof, a copy of the transcript of such testimony shall be provided to any person or governmental unit.

(3) The chairman upon majority vote of the board or a panel may direct the chief clerk of the boundary review board to issue subpoenas to any public officer to testify, and to compel the production by him of any records, books, documents, public records or public papers.

(4) Within forty days after the conclusion of the final hearing on the proposal, the board shall file its written decision, setting forth the reasons therefor, with the board of county commissioners and the clerk of each governmental unit directly affected. The written decision shall indicate whether the proposed change is approved, rejected or modified and, if modified, the terms of such modification. The written decision need not include specific data on every factor required to be considered by the board, but shall indicate that all standards were given consideration. Dissenting members of the board shall have the right to have their written dissents included as part of the decision.

(5) Unanimous decisions of the hearing panel or a decision of a majority of the members of the board shall constitute the decision of the board and shall not be appealable to the whole board. Any other decision shall be appealable to the entire board within ten days. Appeals
shall be on the record, which shall be furnished by the appellant, but the board may, in its sole discretion, permit the introduction of additional evidence and argument. Decisions shall be final and conclusive unless within ten days from the date of said action a governmental unit affected by the decision or any person owning real property or residing in the area affected by the decision files in the superior court a notice of appeal.

The filing of such notice of appeal within such time limit shall stay the effective date of the decision of the board until such time as the appeal shall have been adjudicated or withdrawn. On appeal the superior court shall not take any evidence other than that contained in the record of the hearing before the board.

(6) The superior court may affirm the decision of the board or remand the case for further proceedings; or it may reverse the decision if any substantial rights may have been prejudiced because the administrative findings, inferences, conclusions, or decisions are:

(a) In violation of constitutional provisions, or
(b) In excess of the statutory authority or jurisdiction of the board, or
(c) Made upon unlawful procedure, or
(d) Affected by other error of law, or
(e) Unsupported by material and substantial evidence in view of the entire record as submitted, or
(f) Arbitrary or capricious.

An aggrieved party may secure a review of any final judgment of the superior court by appeal to the supreme court or the court of appeals. Such appeal shall be taken in the manner provided by law for appeals from the superior court in other civil cases. [1971 c 81 § 97; 1969 ex.s. c 111 § 9; 1967 c 189 § 16.]

General corporate powers—Municipal corporations of the fourth class, restrictions as to area: RCW 35.21.010.

36.93.170 Factors to be considered by board. In reaching a decision on a proposal or an alternative, the board shall consider the factors affecting such proposal, which shall include, but not be limited to the following:

(1) Population and territory; population density; land area and land uses; comprehensive use plans and zoning; per capita assessed valuation; topography, natural boundaries and drainage basins, proximity to other populated areas; the existence of prime agricultural soils and agricultural uses; the likelihood of significant growth in the area and in adjacent incorporated and unincorporated areas during the next ten years; location and most desirable future location of community facilities.

(2) Municipal services; need for municipal services; effect of ordinances, governmental codes, regulations and resolutions on existing uses; present cost and adequacy of governmental services and controls in area; prospects of governmental services from other sources; probable future needs for such services and controls; probable effect of proposal or alternative on cost and adequacy of services and controls in area and adjacent area; the effect on the finances, debt structure, and contractual obligations and rights of all affected governmental units.

(3) The effect of the proposal or alternative on adjacent areas, on mutual economic and social interests, and on the local governmental structure of the county. [1979 1st ex.s. c 142 § 1; 1967 c 189 § 17.]

(7) Adjustment of impractical boundaries;

(8) Incorporation as cities or towns or annexation to cities or towns of unincorporated areas which are urban in character; and

(9) Protection of agricultural lands.

(10) Provide reasonable assurance that the extension of municipal services and the additional payments to be made by the property owners of the area to be annexed in the form of taxes bear a reasonable relation to the value of the additional municipal services to be received. This objective shall apply only to cities with a population of 400,000 or more which initiates a resolution for annexation proceedings. [1979 1st ex.s. c 142 § 2; 1967 c 189 § 18.]

36.93.190 Decision of board not to affect existing franchises, permits, codes, ordinances, etc., for ten years. For a period of ten years from the date of the final decision, no proceeding, approval, action, or decision on a proposal or an alternative shall be deemed to cancel any franchise or permit theretofore granted by the authorities governing the territory to be annexed, nor shall it be deemed to supersede the application as to any territory to be annexed, of such construction codes and ordinances (including but not limited to fire, electrical, and plumbing codes and ordinances) as shall have been adopted by the authorities governing the territory to be annexed and in force at the time of the decision. [1967 c 189 § 19.]

36.93.200 Rules and regulations—Adoption procedure. Each review board shall adopt rules governing the formal and informal procedures prescribed or authorized by this chapter. Such rules may state the qualifications of persons for practice before the board. Such rules shall also include rules of practice before the board, together with forms and instructions.

To assist interested persons dealing with it, each board shall so far as deemed practicable supplement its rules with descriptive statements of its procedures.

Prior to the adoption of any rule authorized by law, or the amendment or repeal thereof, the board shall file notice thereof with the clerk of the court of the county in which the board is located. So far as practicable, the
board shall also publish or otherwise circulate notice of its intended action and afford interested persons opportu-
nity to submit data or views either orally or in writing.
Such notice shall include (1) a statement of the time, place, and nature of public rule-making proceedings, (2) reference to the authority under which the rule is pro-
posed, and (3) either the terms or substance of the pro-
posed rule or a description of the subjects and issues involved.

This paragraph shall not apply to interpretative rules, general statements of policy, or rules of internal board organization, procedure or practice. [1967 c 189 § 20.]

36.93.210 Rules and regulations—Filing—Permanent register. Each board shall file forthwith with the clerk of the court a certified copy of all rules and regu-
lations adopted. The clerk shall keep a permanent regist-
er of such rules open to public inspection. [1967 c 189 § 21.]

36.93.220 Provisions of prior laws superseded by chapter. Whenever a review board has been created pur-
suant to the terms of this chapter, the provisions of law relating to city annexation review boards set forth in chapter 35.13 RCW and the powers granted to the boards of county commissioners to alter boundaries of proposed annexations or incorporations shall not be aplicable. [1967 c 189 § 22.]

36.93.900 Effective date—1967 c 189. The effective
date of this chapter is July 1, 1967. [1967 c 189 § 24.]

36.93.910 Severability—1967 c 189. If any provi-
sion of this act, or its application to any person or cir-
cumstance is held invalid, the remainder of the act, or the application of the provision to other persons or cir-
cumstances is not affected. [1967 c 189 § 23.]

36.93.920 Reduction of membership on eleven mem-
ber boards. Eleven member boards created and estab-
lished in class A counties by the 1967 legislature shall be reduced to five member boards as provided in this section. The governor shall not make any appointments, except for vacancies to fill unexpired terms, to the boards in these class A counties until 1972, at which time one appointment shall be made by the governor, indepen-
dently, and one appointment from among the nominees of the special purpose districts as provided in RCW 36-
93.060, whose terms shall expire on January 1, 1974. In 1974 the governor shall appoint five members to the board as provided in RCW 36.93.060. The reduction in members by this section shall not affect the board’s jurisdic-
tion over cases pending at the time of reduction. [1969 ex.s. c 111 § 10.]

to the plan for the future development of their systems. 36.94.130 Adoption of rules and regulations. The board of county commissioners may adopt by resolution reasonable rules and regulations governing the construction, maintenance, operation, use, connection and service of the system of sewerage and/or water. [1967 c 72 § 13.]

36.94.140 Authority of county to operate system—Rates and charges, fixing of—Factors to be considered. Every county, in the operation of a system of sewerage and/or water, shall have full jurisdiction and authority to manage, regulate and control it and to fix, alter, regulate and control the rates and charges for the service to those to whom such county service is available, and to levy charges for connection to such system. The rates for availability of service and connection charges so charged must be uniform for the same class of customers or service. In classifying customers served, service furnished or made available by such system of sewerage and/or water, or the connection charges, the board may consider any or all of the following factors:

(1) The difference in cost of service to the various customers within or without the area;

(2) The difference in cost of maintenance, operation, repair and replacement of the various parts of the systems;

(3) The different character of the service furnished various customers;

(4) The quantity and quality of the sewage and/or water delivered and the time of its delivery;

(5) Capital contributions made to the system or systems, including, but not limited to, assessments; and

(6) Any other matters which present a reasonable difference as a ground for distinction.

Such rates shall produce revenues sufficient to take care of the costs of maintenance and operation, revenue bond and warrant interest and principal amortization requirements, and all other charges necessary for the efficient and proper operation of the system. [1975 1st ex.s. c 188 § 2; 1967 c 72 § 14.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

All counties operating a system of sewerage and/or water shall have a lien for delinquent connection charges and charges for the availability of sewerage and/or water service, together with interest fixed by resolution at eight percent per annum from the date due until paid. Penalties of not more than ten percent of the amount due may be imposed in case of failure to pay the charges at times fixed by resolution. The lien shall be for all charges, interest, and penalties and shall attach to the premises to which the services were available. The lien shall be superior to all other liens and encumbrances, except general taxes and local and special assessments of the county. The county department established in RCW 36.94-.120 shall certify periodically the delinquencies to the treasurer of the county at which time the lien shall attach. Upon the expiration of sixty days after the attachment of the lien, the county may bring suit in foreclosure by civil action in the superior court of the county where the property is located. In addition to the costs and disbursements provided by statute, the court may allow the county a reasonable attorney’s fee. The lien shall be foreclosed in the same manner as the foreclosure of real property tax liens. [1975 1st ex.s. c 188 § 3; 1967 c 72 § 15.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

36.94.160 Tax on gross revenues authorized. The primary authority to construct, operate and maintain a system of sewerage and/or water within the boundaries of a municipal corporation which lies within the area of the county’s sewerage and/or water general plan shall remain with such municipal corporation. A county, after it has adopted and received the necessary approvals of its sewer and/or water general plan under the provisions of chapter 36.94 RCW may construct, own, operate and maintain a system of sewage and/or water within the boundaries of a city or town with the written consent of such city or town and within
any other municipal corporation provided such municipal corporation (1) has the legislative authority to operate such a utility; and (2) (a) has given its written consent to the county to operate therein; or (b) after adoption of a comprehensive plan or an amendment thereto for the area involved, the municipal corporation has not within twelve months after receiving notice by the county of its intention to serve that area held a formation hearing for a utility local improvement district.

Prior to exercising any authority granted in this section, the county shall compensate such municipal corporation for its reasonable costs, expenses and obligations actually incurred or contracted which are directly related to and which benefit the area which the county proposes to serve. The county may contract with a municipal corporation to furnish such utility service within any municipal corporation.

Except in the case of annexations provided for in RCW 36.94.180, once a county qualifies under this section to serve within a municipal corporation, no municipal corporation may construct or operate a competing utility in the same territory to be served by the county if the county proceeds within a reasonable period of time with the construction of its proposed facilities including the sale of any bonds to finance the same.

As may be permitted by other statutes, a city or town may provide water or sewer service outside of its corporate limits, but such service may not conflict with the county plan or any county, sewer or water facilities installed or being installed.

A county proposing to exercise any authority granted in this section shall give written notice of such intention to the municipal corporation involved and to the boundary review board, if any, of such county. Within sixty days of the filing of such notice of intention, review by the boundary review board of the proposed action may be requested as provided by the provisions of RCW 36.93.100 through 36.93.180. In the event of such review, the board shall consider the factors set forth in this section in addition to the factors and objectives set forth in RCW 36.93.170 and 36.93.180. [1971 ex.s. c 96 § 7; 1967 c 72 § 17.]

Construction—Severability—1971 ex.s. c 96: See notes following RCW 36.94.010.

36.94.180 Transfer of system upon annexation of area. In the event of the annexation to a city or town of an area in which a county is operating a sewerage and/or water system, the property, facilities, and equipment of such sewerage and/or water system lying within the annexed area may be transferred to the city or town if such transfer will not materially affect the operation of any of the remaining county system, subject to the assumption by the city or town of the county's obligations relating to such property, facilities, and equipment, under the procedures specified in *RCW 35.13.220 through 35.13.246 inclusive, and pursuant to the authority contained in *RCW 35.13.250 as now existing or hereafter amended. [1971 ex.s. c 96 § 8; 1967 c 72 § 18.]

*Reviser's note: RCW 35.13.220 through 35.13.246 and RCW 35.13.250 were repealed; see Table of Disposition of Former RCW Sections. For later enactments, see chapter 35.13A RCW.

Construction—Severability—1971 ex.s. c 96: See notes following RCW 36.94.010.

Every county in furtherance of the powers granted by this chapter shall be authorized to contract with the federal government, the state of Washington, or any city or town, within or without the county, and with any other county, and with any municipal corporation as defined herein or with any other municipal corporation created under the laws of the state of Washington and not limited as defined in RCW 36.94.010, or political subdivision, and with any person, firm or corporation in and for the establishment, maintenance and operation of all or a portion of a system or systems of sewerage and/or water supply.

The state and such city, town, person, firm, corporation, municipal corporation and any other municipal corporation created under the laws of the state of Washington and not limited as defined in RCW 36.94.010, and political subdivision, is authorized to contract with a county or counties for such purposes. [1967 c 72 § 19.]

36.94.200 Indebtedness—Bonds. The board of county commissioners of any county is hereby authorized for the purpose of carrying out the lawful powers granted by this chapter to contract indebtedness and to issue general obligation bonds pursuant to and in the manner provided for general county bonds in chapter 36.67 RCW and other applicable statutes; and to issue revenue bonds pursuant to and in the manner provided for revenue bonds in chapter 36.67 RCW and other applicable statutes. [1967 c 72 § 20.]

36.94.210 Pledge for payment of principal and interest on revenue or general obligation bonds. The board of county commissioners of any county in adopting and establishing a system of sewerage and/or water may set aside into a special fund and pledge to the payment of the principal and interest due on any county revenue bonds or general obligation bonds any sums or amounts which may accrue from the collection of rates and charges for the private and public use of the system or systems. [1975 1st ex.s. c 188 § 4; 1967 c 72 § 21.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

A county shall have the power to establish utility local improvement districts within the area of a sewerage and/or water general plan and to levy special assessments under a mode of annual installment extending over a period not exceeding twenty years on all property specially benefited by any local improvement on the basis of the special benefits to pay in whole or in part the damages or costs of any improvements ordered in such county. Utility local improvement districts may include territory within a city or town only with the written consent of the city or town, but if the local district is formed before

[Title 36 RCW (1979 Ed.)—p 189]
such area is included within the city or town, no such consent shall be necessary. The levying, collection and enforcement of all public assessments hereby authorized shall be in the manner now and hereafter provided by law for the levying, collection and enforcement of local improvement assessments by cities of the first class, insofar as the same shall not be inconsistent with the provisions of this chapter. The duties devolving upon the city treasurer under such laws are imposed upon the county treasurer for the purposes of this chapter. The mode of assessment shall be in the manner to be determined by the board of county commissioners by resolution. Assessments in any utility local improvement district may be made on the basis of special benefits up to but not in excess of the total cost of any sewerage and/or water improvement. In utility local improvement districts, assessments shall be deposited into the revenue bond fund or general obligation bond fund established for the payment of bonds issued to pay such costs which bond payments are secured in part by the pledge of assessments. 36.94.230 Utility local improvement districts—Initiation of district—Resolution method—Petition method—Resolution of intention—Publication—Notice to property owners—Contents. Utility local improvement districts to carry out all or any portion of the general plan, or additions and betterments thereof, may be initiated either by resolution of the board of county commissioners or by petition signed by the owners according to the records of the office of the county auditor of at least fifty-one percent of the area of land within the limits of the utility local improvement district to be created.

In case the board shall desire to initiate the formation of a utility local improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed utility local improvement district, describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, and fixing a date, time and place for a public hearing on the formation of the proposed local district.

In case any such utility local improvement district shall be initiated by petition, such petition shall set forth the nature and territorial extent of such proposed improvement and the fact that the signers thereof are the owners according to the records of the county auditor of at least fifty-one percent of the area of land within the limits of the utility local improvement district to be created. Upon the filing of such petition with the clerk of the board of county commissioners, the board shall determine whether the same shall be sufficient, and the board's determination thereof shall be conclusive upon all persons. No person shall withdraw his name from said petition after the filing thereof with the clerk of the board of county commissioners. If the board shall find the petition to be sufficient, it shall proceed to adopt a resolution declaring its intention to order the improvement petitioned for, setting forth the nature and territorial extent of said improvement, designating the number of the proposed local district, describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed local district, and fixing a date, time and place for a public hearing on the formation of the proposed local district.

The notice shall refer to the resolution of intention and designate the proposed improvement district by number. Said notice shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract or parcel, the date, time and place of the hearing before the board of county commissioners; and in the case of improvements initiated by resolution, said notice shall also state that all persons desiring to object to the formation of the proposed district must file their written protests with the clerk of the board of county commissioners before the time fixed for said public hearing. [1971 ex.s. c 96 § 10; 1967 c 72 § 23.]

At this hearing the board shall hear objections from any person affected by the formation of the local district and may make such changes in the boundaries of the district or such modifications in plans for the proposed improvement as shall be deemed necessary: Provided, That the board may not change the boundaries of
the district to include property not previously included therein without first passing a new resolution of intention and giving a new notice to property owners in the manner and form and within the time herein provided for the original notice.

After said hearing the commissioners shall have jurisdiction to overrule protests and proceed with any such improvement initiated by petition or resolution: Provided, That the jurisdiction of the commissioners to proceed with any improvement initiated by resolution shall be divested by protests filed with the clerk of the board prior to said public hearing signed by the owners, according to the records of the county auditor, of at least forty percent of the area of land within the proposed local district. No action whatsoever may be maintained challenging the jurisdiction or authority of the county to proceed with the improvement and creating the utility local improvement district or in any way challenging the validity thereof or any proceedings relating thereto unless action is served and filed no later than thirty days after the date of passage of the resolution ordering the improvement and creating the local district.

If the commissioners find that the district should be formed, they shall by resolution order the improvement, adopt detailed plans of the utility local improvement district and declare the estimated cost thereof, acquire all necessary land therefore, pay all damages caused thereby, and commence in the name of the county such eminent domain proceedings and supplemental assessment or reassessment proceedings to pay all eminent domain awards as may be necessary to entitle the county to proceed with the work. The board of county commissioners shall proceed with the work and file with the county treasurer its roll levying special assessments in the amount to be paid by special assessment against the property situated within the local utility improvement district in proportion to the special benefits to be derived by the property therein from the improvement. [1971 ex.s. c 96 11; 1967 c 72 § 24.]

The notice shall also be given by mailing at least fifteen days before the hearing, a similar notice to the owners or reputed owners of the land in the local district as they appear on the books of the treasurer of the county. [1967 c 72 § 25.]

In the event of any assessment being raised a new notice similar to such first notice shall be given, after which final approval of such roll may be made by the board of county commissioners. Whenever any property shall have been entered originally upon such roll and the assessment upon any such property shall not be raised, no objection thereto shall be considered by the commissioners or by any court on appeal unless such objection be made in writing at, or prior, to the date fixed for the original hearing upon such roll. [1967 c 72 § 26.]

36.94.270 Utility local improvement districts—Enlarged local district may be formed. In the event that any portion of the system after its installation in such utility local improvement district is not adequate for the purpose for which it was intended, or that for any reason changes, alterations or betterments are necessary in any portion of the system after its installation, then such district, with boundaries which may include one or more existing utility local improvement districts, may be created in the same manner as is provided herein for the creation of utility local improvement districts. Upon the organization of such utility local improvement district as provided for in this section the plan of the improvement and the payment of the cost of the improvement shall be carried out in the same manner as is provided herein for the carrying out of and the paying for the improvement in the utility local improvement districts previously provided for in this chapter. [1967 c 72 § 27.]

36.94.280 Utility local improvement districts—Conclusiveness of roll when approved. Whenever any assessment roll for local improvements shall have been confirmed by the board of county commissioners as herein provided, the regularity, validity and correctness of the proceedings relating to such improvement and to the assessment therefor, including the action of the board upon such assessment roll and the confirmation thereof, shall be conclusive in all things upon all parties, and cannot in any manner be contested or questioned in any proceeding whatsoever by any person not filing written objections to such roll in the manner and within the time provided in this chapter, and not appealing from the action of the board of county commissioners in confirming such assessment roll in the manner and within the time in this chapter provided. No proceedings of any kind shall be commenced or prosecuted for the purpose of defeating or contesting any such assessment, or the sale of any property to pay such assessment, or any certificate of delinquency issued therefor: Provided, That this section shall not be construed as prohibiting the bringing of injunction proceedings to prevent the sale of any real estate upon the grounds:

36.94.290 Utility local improvement districts—Review. The decision of the board of county commissioners upon any objections made within the time and in the manner herein prescribed, may be reviewed by the superior court upon an appeal thereto taken in the following manner. Such appeal shall be made by filing written notice of appeal with the clerk of the board of county commissioners and with the clerk of the superior court within ten days after the resolution confirming such assessment roll shall have been published, and such notice shall describe the property and set forth the objections of such appellant to such assessment. Within the ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of said court, a transcript consisting of the assessment roll and his objections thereto, together with the resolution confirming such assessment roll and the record of the board of county commissioners with reference to said assessment, which transcript, upon payment of the necessary fees therefor, shall be furnished by such clerk of the board of county commissioners and by him certified to contain full, true and correct copies of all matters and proceedings required to be included in such transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions. At the time of the filing of the notice of appeal with the clerk of the superior court a sufficient bond in the penal sum of two hundred dollars, with sureties thereon as provided by law for appeals in civil cases, shall be filed conditioned to prosecute such appeal without delay, and if unsuccessful, to pay all costs to which the county is put by reason of such appeal. The court may order the appellant upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require. Within three days after such transcript is filed in the superior court, as aforesaid, the appellant shall give written notice to the clerk of the board of county commissioners that such transcript is filed. Said notice shall state a time, not less than three days from the service thereof, when the appellant will call up the said cause for hearing. The superior court shall, at said time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury, and such cause shall have preference over all civil causes pending in said court, except proceedings under an act relating to eminent domain in such county and actions of forcible entry and detainer. The judgment of the court shall confirm, correct, modify or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer who shall have the custody of the assessment roll, and he shall modify and correct such assessment roll in accordance with such decision. An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases, however, such appeal must be taken within fifteen days after the date of the entry of the judgment of such superior court, and the record and opening brief of the appellant in said cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal shall have been taken by notice as provided in this section. The time for filing such record and serving and filing of briefs in this section prescribed may be extended by order of the superior court, or by stipulation of the parties concerned. The supreme court or the court of appeals on such appeal may correct, change, modify, confirm or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such assessment roll, who shall thereupon modify and correct such assessment roll in accordance with such decision. [1971 c 81 § 98; 1967 c 72 § 29.]

The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to make the segregation ordered upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the board of county commissioners may require as a condition to the order of segregation that the person seeking it pay the county the reasonable engineering and clerical costs incident to making the segregation. 36.94.320 Transfer of system from municipal corporation to county—Assumption of indebtedness. In consideration of a transfer of property by a municipal corporation to a county in the manner provided in RCW 36.94.310 through 36.94.350, a county may assume and agree to pay or provide for the payment of all or part of the indebtedness of a municipal corporation including the payment and retirement of outstanding general obligation and revenue bonds issued by a municipal corporation. Until the indebtedness of a municipal corporation thus assumed by a county has been discharged, all property within the municipal corporation and the owners and occupants of that property, shall continue to be liable for taxes, special assessments, and other charges legally pledged to pay such indebtedness. The county may assume the obligation of causing the payment of such indebtedness, collecting such taxes, assessments, and charges and observing and performing the other contractual obligations of the municipal corporation. The legislative authority of the county may act in the same manner as the governing body of the municipal corporation for the purpose of certifying the amount of any property tax to be levied and collected therein, and may cause service and other charges and assessments to be collected from such property or owners or occupants thereof, enforce such collection and perform all other acts necessary to insure performance of the contractual obligations of the municipal corporation in the same manner and by the same means as if the property of the municipal corporation had not been acquired by the county.

When a county assumes the obligation of paying indebtedness of a municipal corporation and if property taxes or assessments have been levied and service and other charges have accrued for such purpose but have not been collected by the municipal corporation prior to such assumption, the same when collected shall belong and be paid to the county and be used by such county so far as necessary for payment of the indebtedness of the municipal corporation existing and unpaid on the date such county assumed that indebtedness. Any funds received by the county which have been collected for the purpose of paying any bonded or other indebtedness of the municipal corporation shall be used for the purpose for which they were collected and for no other purpose until such indebtedness has been paid and retired or adequate provision has been made for such payment and retirement. No transfer of property as provided in *this amendatory act shall derogate from the claims or rights of the creditors of the municipal corporation or impair the ability of the municipal corporation to respond to its debts and obligations. [1975 1st ex.s. c 188 § 8.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

Such written agreement may include provisions, by way of description and not by way of limitation, for the rights, powers, duties, and obligations of such municipal corporation and county with regard to the use and ownership of property, the providing of services, the maintenance and operation of facilities, the allocation of costs, the financing and construction of new facilities, the application and use of assets, the disposition of liabilities and indebtedness, the performance of contractual obligations, and any other matters relating to the proposed transfer of property, which may be preceded by an interim period of operation by the county of the property and facilities subsequently to be transferred to that county. The agreement may provide for a period of time during which the municipal corporation may continue to exercise certain rights, privileges, powers, and functions authorized to it by law including the ability to promulgate rules and regulations, to levy and collect special assessments, rates, charges, service charges and connection fees, and to adopt and carry out the provisions of a comprehensive plan, and amendments thereto, for a system of improvements and to issue general obligation bonds or revenue bonds in the manner provided by law, or the agreement may provide for the exercise for a period of time of all or some of such rights, privileges, powers, and functions by the county. The agreement may provide that either party thereto may authorize, issue and sell, in the manner provided by law, revenue bonds to provide funds for new water or sewer improvements or to refund or advance refund any water revenue, sewer revenue or combined water and sewer revenue bonds outstanding of either or both such parties. The agreement may provide that either party thereto may authorize and issue, in the manner provided by law, general obligation or revenue bonds of like amounts, terms, conditions and covenants as the outstanding bonds of either or both such parties and such new bonds may be substituted or exchanged for such outstanding bonds to the extent permitted by law. A public utility district is inactive when it is characterized by both criteria (a) and (b) of this subsection. [1979 1st ex.s. c 5 § 1.]

36.96.020 County auditor to notify county legislative authority of inactive special purpose districts. On or before June 1st of 1980, and on or before June 1st of every year thereafter, each county auditor shall search available records and notify the county legislative authority if any special purpose districts located wholly or partially within the county appear to be inactive. Each county auditor shall also provide in the notifications made in 1982 and thereafter a list of all special purpose districts located wholly or partially within the county which, for three consecutive years before the notification, have failed to file statements with the county auditor as required in RCW 36.96.090. If the territory of any special purpose district is located within more than one county, the legislative authorities of all other counties within whose boundaries such a special purpose district lies shall also be notified by the county auditor. However, the authority to dissolve such a special purpose district as provided by this chapter shall rest solely with the legislative authority of the county which contains the greatest geographic portion of such special purpose district. [1979 1st ex.s. c 5 § 2.]

36.96.030 Determination of inactive special purpose districts—Public hearing—Notice. (1) Upon receipt of notice from the county auditor as provided in RCW 36.96.020, the county legislative authority within whose boundaries all or the greatest portion of such special purpose district lies shall hold one or more public hearings on or before September 1st of the same year to determine whether or not such special purpose district or districts meet either of the criteria for being "inactive"
as provided in RCW 36.96.010: Provided, That if such a special purpose district is a public utility district, the county legislative authority shall determine whether or not the public utility district meets both criteria of being "inactive" as provided in RCW 36.96.010. In addition, at any time a county legislative authority may hold hearings on the dissolution of any special purpose district that appears to meet the criteria of being "inactive" and dissolve such a district pursuant to the proceedings provided for in RCW 36.96.030 through 36.96.080.

(2) Notice of such public hearings shall be given by publication at least once each year for not less than three successive weeks in a newspaper that is in general circulation within the boundaries of the special purpose district or districts. Notice of such hearings shall also be mailed to each member of the governing authority of any special purpose districts, if such members are known, and to all persons known to have claims against any of the special purpose districts. Notice of such public hearings shall be posted in at least three conspicuous places within the boundaries of each special purpose district that is a subject of such hearings. Whenever a county legislative authority that is conducting such a public hearing on the dissolution of one or more of a particular kind of special purpose district is aware of the existence of an association of such special purpose districts, it shall also mail notice of the hearing to the association. In addition, whenever a special purpose district that lies in more than one county is a subject of such a public hearing, notice shall also be mailed to the legislative authorities of all other counties within whose boundaries the special purpose district lies. All notices shall state the purpose, time, and place of such hearings, and that all interested persons may appear and be heard. [1979 1st ex.s. c 5 § 3.]

36.96.040 Dissolution of inactive special purpose district by county legislative authority—Written findings. After such hearings, the county legislative authority shall make written findings whether each of the special purpose districts that was a subject of the hearings meets each of the criteria of being "inactive." Whenever a special purpose district other than a public utility district has been found to meet a criterion of being inactive, or a public utility district has been found to meet both criteria of being inactive, the county legislative authority shall adopt an ordinance dissolving the special purpose district if it also makes additional written findings detailing why it is in the public interest that the special purpose district be dissolved. Except for the purpose of winding up its affairs as provided by this chapter, a special purpose district that is so dissolved shall cease to exist thirty—one days after adoption of the dissolution ordinance. [1979 1st ex.s. c 5 § 4.]

36.96.050 Application for writ of prohibition or mandamus by interested party—Procedure. The action of the county legislative authority dissolving a special purpose district pursuant to RCW 36.96.040 shall be final and conclusive unless within thirty days of the adoption of the ordinance an interested party makes application to a court of competent jurisdiction for a writ of prohibition or writ of mandamus. At the hearing upon such a writ, the applicant shall have the full burden of demonstrating that the particular special purpose district, other than a public utility district, does not meet either of the criteria of being inactive or that it is not in the public interest that the special purpose district be dissolved: Provided, That where the particular special purpose district subject to the dissolution proceedings is a public utility district, the applicant shall have the full burden of demonstrating that the public utility district either does not meet both the criteria of being inactive or that it is not in the public interest to dissolve the public utility district. [1979 1st ex.s. c 5 § 5.]

36.96.060 Dissolution of inactive special purpose district by county legislative authority—Powers and duties. For the sole and exclusive purpose of winding up the affairs of a dissolved special purpose district, the county legislative authority, acting as a board of trustees, shall have the same powers and duties as the governing authority of the dissolved special purpose district including the following:

(1) To exchange, sell, or otherwise dispose of all property, real and personal, of the dissolved special purpose district; and

(2) To settle all obligations of such special purpose district. Such powers and duties shall commence upon the effective date of dissolution and shall continue thereafter until such time as the affairs of the dissolved special purpose district have been completely wound up. [1979 1st ex.s. c 5 § 6.]

36.96.070 Dissolved special purpose district—Disposition of property. Any moneys or funds of the dissolved special purpose district and any moneys or funds received by the board of trustees from the sale or other disposition of any property of the dissolved special purpose district shall be used, to the extent necessary, for the payment or settlement of any outstanding obligations of the dissolved special purpose district. Any remaining moneys or funds shall be used to pay the county legislative authority for all costs and expenses incurred in the dissolution and liquidation of the dissolved special purpose district. Thereafter, any remaining moneys, funds, or property shall become that of the county in which the dissolved special purpose district was located: Provided, That if the territory of the dissolved special purpose district was located within more than one county, the remaining moneys, funds, and personal property shall be apportioned and distributed to each county in the proportion that the geographical area of the dissolved special purpose district within the county bears to the total geographical area of the dissolved special purpose district, and any remaining real property or improvements to real property shall be transferred to the county within whose boundaries it lies. [1979 1st ex.s. c 5 § 7.]

36.96.080 Dissolved special purpose district—Satisfaction of outstanding obligations. If the proceeds from the sale of any property of the special district together with any moneys or funds of the special purpose
The provisions of this chapter to dissolve inactive special purpose districts shall not be exclusive, and shall be in addition to any other method or methods provided by law to dissolve a special purpose district. [1979 1st ex.s. c 5 § 9.]
