Severability—1967 ex.s. c 144: See note following RCW 39.68.030.

The board shall hold a public hearing upon a proposal to dispose of county property at the day and hour fixed in the notice at its usual place of business and admit evidence offered for and against the propriety and advisability of the proposed action. Any taxpayer in person or by counsel may submit evidence and submit an argument, but the board may limit the number to three on a side. [1963 c 4 § 36.34.040. Prior: 1945 c 254 § 3; Rem. Supp. 1945 § 4014–3; prior: 1891 c 76 § 2, part; RRS § 4008, part.]

Any bidder on the new equipment may include in his offer to sell, an offer to accept the used equipment as a part payment of the new equipment purchase price, setting forth the amount of such allowance.

In determining the lowest and best bid on the new equipment the board shall consider the net cost to the county of such new equipment after trade—in allowances have been deducted. The board may accept the new equipment bid of any bidder without trading in the used equipment but may not require any such bidder to purchase the used equipment without awarding the bidder the new equipment contract. Nothing in this section shall bar anyone from making an offer for the purchase of the used equipment independent of a bid on the new equipment and the board shall consider such offers in relation to the trade—in allowances offered to determine the net best sale and purchase combination for the county. Such agricultural fair leases shall not be subject to any requirement of periodic rental adjustments, as provided in RCW 36.34.180, but shall provide for such fixed annual rental as shall appear reasonable, considering the benefit to be derived by the county in the promotion of the fair and in the improvement of the property. The lessee may utilize or rent out such property at times other than during the fair season for nonfair purposes in order to obtain income for fair purposes, and during the fair season may sublease portions of the property for purposes and activities associated with such fair. No sublease shall be valid unless the same shall be approved in writing by the county legislative authority: Provided, That failure of such lessee, except by act of God, war or other emergency beyond its control, to conduct an annual agricultural fair or exhibition, shall cause said lease to be subject to cancellation by the county legislative authority. A county legislative authority entering into an agreement with a nonprofit association to lease property for agricultural fair purposes shall, when requested to do so, file a copy of the lease agreement with the department of agriculture or the state fair commission in order to assure compliance with the provisions of RCW 15.76-.165. [1986 c 171 § 2; 1963 c 4 § 36.34.145. Prior: 1957 c 134 § 1.]

36.34.150 Application to lease—Deposit. Any person desiring to lease county lands shall make application in writing to the board of county commissioners. Each application shall be accompanied by a deposit of not less than ten dollars or such other sum as the county commissioners may require, not to exceed twenty-five dollars. The deposit shall be in the form of a certified check or certificate of deposit on some bank in the county, or may be paid in cash. In case the lands applied for are leased at the time they are offered, the deposit shall be returned to the applicant, but if the party making application fails or refuses to comply with the terms of his application and to execute the lease, the deposit shall be forfeited to the county, and the board of county commissioners shall pay the deposit over to the county treasurer, who shall place it to the credit of the current expense fund. [1963 c 4 § 36.34.150. Prior: 1901 c 87 § 2; RRS § 4020.]

36.34.160 Notice of intention to lease. When, in the judgment of the board of county commissioners, it is found desirable to lease the land applied for, it shall first

The notice so published and posted shall designate and describe the property which is proposed to be leased, together with the improvements thereon and appurtenances thereto, and shall contain a notice that the board of county commissioners will meet at the county courthouse on a day and at an hour designated in the notice, for the purpose of leasing the property which day and hour shall be at a time not more than a week after the expiration of the time required for the publication of the notice. [1963 c 4 § 36.34.170. Prior: 1901 c 87 § 5; RRS § 4023.]

36.34.180 Lease terms. At the day and hour designated in the notice or at any subsequent time to which the meeting may be adjourned by the board of county commissioners, but not more than thirty days after the day and hour designated for the meeting in the published notice, the board may lease the property in such notice described for a term of years and upon such terms and conditions as to the board may seem just and right in the premises. No lease shall be for a longer term in any one instance than ten years, and no renewal of a lease once executed and delivered shall be had, except by a re-leaseing and re-letting of the property according to the terms and conditions of this chapter. Provided, That if a county owns property within or outside the corporate limits of any city or town or anywhere in the county suitable for municipal purposes, or for commercial buildings, or owns property suitable for manufacturing or industrial purposes or sites, or for military purposes, or for temporary or emergency housing, or for any requirement incidental to manufacturing, commercial, agricultural, housing, military, or governmental purposes, the board of county commissioners may lease it for such purposes for any period not to exceed thirty-five years. Provided further, Where the property involved is or is to be devoted to airport purposes and construction work or the installation of new facilities is contemplated, the board may lease said property for such period as may equal the estimated useful life of such work or facilities but not to exceed seventy-five years.

If property is leased for municipal purposes or for commercial buildings or manufacturing or industrial purposes the lessee shall prior to the execution of the lease file with the board of county commissioners general plans and specifications of the building or buildings to be erected thereon for such purposes. All leases when executed shall provide that they shall be canceled by failure of the lessee to construct such building or buildings or other improvements for such purposes within three years from date of the lease, and in case of failure so to do the lease and all improvements thereon including the rentals paid, shall thereby be forfeited to the county unless otherwise stipulated. No change or modification of the plans shall be made unless first approved by the board of county commissioners. If at any time during the life of the lease the lessee fails to use the property for the purposes leased, without first obtaining permission in writing from the board of county commissioners so to do, the lease shall be forfeited.

Any lease made for a longer period than ten years shall contain provisions requiring the lessee to permit the rentals for every five year period thereafter, or part thereof, at the commencement of such period, to be re-adjusted and fixed by the board of county commissioners. In the event that the lessee and the board cannot agree upon the rentals for said five year period, the lessee shall submit to have the disputed rentals for the subsequent period adjusted by arbitration. The lessee shall pick one arbitrator and the board one, and the two so chosen shall select a third. No board of arbitrators shall reduce the rentals below the sum fixed or agreed upon for the last preceding period. All buildings, factories, or other improvements made upon property leased shall belong to and become property of such county, unless otherwise stipulated, at the expiration of the lease.

No lease shall be assigned without the assignment being first authorized by resolution of the board of county commissioners and the consent in writing of at least two members of the board endorsed on the lease. All leases when drawn shall contain this provision.

This section shall not be construed to limit the power of the board of county commissioners to sell, lease, or by gift convey any property of the county to the United States or any of its governmental agencies to be used for federal government purposes. [1963 c 4 § 36.34.180. Prior: 1951 c 41 § 1; 1941 c 110 § 2; 1913 c 162 § 1; 1903 c 37 § 1; 1901 c 87 § 4; RRS § 4022.]

RCW 36.34.150 through 36.34.190 shall not apply to agreements entered into pursuant to chapter 70.150 RCW provided there is compliance with the procurement procedure under RCW 70.150-.040. [1986 c 244 § 12.]

36.35.010 Purpose—Powers of county legislative authority as to tax title lands. The purpose of this chapter is to increase the power of county legislative authorities over tax title lands. The legislative authority of each county shall have the power to devote tax title lands to public use under its own control or the control of other governmental or quasi-governmental agencies, to exchange such lands for lands worth at least ninety percent of the value of the land exchanged, and to manage such lands to produce maximum revenue therefrom in the manner which derives the most income from such lands. The further purpose of this chapter is to relieve the courts of the obligation of supervising the county legislative authorities in the management and disposition of tax title lands. [1972 ex.s. c 150 § 1.]

36.35.020 "Tax title lands" defined. The term "tax title lands" as used in this chapter shall mean any tract of land acquired by the county for lack of other bidders at a tax foreclosure sale. [1972 ex.s. c 150 § 2.]

36.35.030 Conveyance—Use of proceeds. [1972 ex.s. c 150 § 4.]

36.35.040 Authority to manage, improve lands—Use of proceeds from rental. Any proceeds received from the rental of such lands by the legislative authority shall first be used to reimburse the legislative authority for costs of management and costs of rental, and costs of any improvements to such lands paid for by the county and after such reimbursements have been made the balance shall be distributed in the same manner as general taxes collected in the year in which such proceeds are received by the county. [1972 ex.s. c 150 § 5.]

36.35.050 Exchange of tax title lands with other entities—Appraisal. The legislative authority of a county shall have authority to exchange parcels of tax title lands for lands of substantially the same market value with other governmental or municipal agencies or private parties or corporations by private negotiation and such lands received by the county in exchange may be held and managed in the same manner as the lands conveyed in exchange by the county, and the proceeds from any subsequent sales or rentals of such land by the county shall be applied and distributed in the same manner as would have been done had such proceeds and income been received by the county for the lands conveyed in exchange by the county: Provided, That before any such exchange is made the lands to be exchanged by the county and the lands to be received by the county shall be appraised by two appraisers appointed by the court for such purpose: Provided further, That both appraisers agree that the land to be received by the county in such exchange is worth at least ninety percent of the value of the land to be given by the county in such exchange. [1972 ex.s. c 150 § 6.]

36.35.060 Lease—Approval of terms by school directors. The legislative authority of a county shall have authority to lease tax title lands to public or private agencies or persons. The procedures and regulations of RCW 36.34.150 through 36.34.200 shall be followed: Provided, That before any such lease agreement is executed the terms of the lease are approved by resolution of the board of directors of the school district which would be entitled to share in the proceeds of the income received therefrom at the time the lease is executed. [1972 ex.s. c 150 § 7.]

36.35.070 Chapter as alternative. The provisions of this chapter shall be deemed as alternatives to, and not
be limited by, the provisions of RCW 39.33.010, 36.34- .130, and 84.64.310, nor shall the authority granted in this chapter be held to be subjected to or qualified by the terms of such statutory provisions. [1972 ex.s. c 150 § 8.]

36.35.090 Chapter not affected by other acts. Notwithstanding any provision of law to the contrary, or provisions of law limiting the authority granted in this chapter, the legislative authority of any county shall have the authority to manage and exchange tax title lands heretofore or hereafter acquired in the manner and on the terms and conditions set forth in this chapter. 36.36.050 Dissolution of aquifer protection area—Petition—Ballot proposition.

36.36.010 Purpose. The protection of subterranean water from pollution or degradation is of great concern. The purpose of this chapter is to allow the creation of aquifer protection areas to finance the protection, preservation, and rehabilitation of subterranean water, and to reduce special assessments imposed upon households to finance facilities for such purposes. Pollution and degradation of subterranean drinking water supplies pose immediate threats to the safety and welfare of the citizens of this state. [1985 c 425 § 1.]

36.36.020 Creation of aquifer protection area—Public hearing—Ballot proposition. The county legislative authority of a county may create one or more aquifer protection areas for the purpose of funding the protection, preservation, and rehabilitation of subterranean water.

When a county legislative authority proposes to create an aquifer protection area it shall conduct a public hearing on the proposal. Notice of the public hearing shall be published at least once, not less than ten days prior to the hearing, in a newspaper of general circulation within the proposed aquifer protection area. The public hearing may be continued to other times, dates, and places announced at the public hearing, without publication of the notice. At the public hearing, the county legislative authority shall hear objections and comments from anyone interested in the proposed aquifer protection area.

After the public hearing, the county legislative authority may adopt a resolution causing a ballot proposition to be submitted to the registered voters residing within the proposed aquifer protection area to authorize the creation of the aquifer protection area, if the county legislative authority finds that the creation of the aquifer protection area would be in the public interest. The resolution shall: (1) Describe the boundaries of the proposed aquifer protection area; (2) find that its creation is in the public interest; (3) state the maximum level of fees for the withdrawal of water, or on-site sewage disposal, occurring in the aquifer protection area, or both; and (4) describe the uses for the fees.

An aquifer protection area shall be created by ordinances of the county if the voters residing in the proposed aquifer protection area approve the ballot proposition by a simple majority vote. The ballot proposition shall be in substantially the following form:

"Shall the ... (insert the name) aquifer protection area be created and authorized to impose monthly fees on ... (insert "the withdrawal of water" or "on-site sewage disposal") of not to exceed ... (insert a dollar amount) per household unit for up to ... (insert a number of years) to finance ... (insert the type of activities proposed to be financed)?

Yes ......... .
No ......... ."

If both types of monthly fees are proposed to be imposed, maximum rates for each shall be included in the ballot proposition.

An aquifer protection area may not include territory located within a city or town without the approval of the city or town governing body, nor may it include territory located in the unincorporated area of another county without the approval of the county legislative authority of that county. [1985 c 425 § 2.]

36.36.030 Imposition of fees—Ballot proposition to authorize increased fees or additional purposes. Aquifer protection areas are authorized to impose fees on the withdrawal of subterranean water and on on-site sewage disposal. The fees shall be expressed as a dollar amount per household unit. Fees imposed for the withdrawal of water, or on-site sewage disposal, other than by households shall be expressed and imposed in equivalents of household units. If both types of fees are imposed, the rate imposed on on-site sewage disposal shall not exceed the rate imposed for the withdrawal of water.

No fees shall be imposed in excess of the amount authorized by the voters of the aquifer protection area. Fees shall only be used for the activity or activities authorized by the voters of the aquifer protection area. Ballot propositions may be submitted to the voters of an aquifer protection area to authorize a higher maximum level of such fees or to authorize additional activities for which the fees may be used. Such a ballot proposition shall be substantially in the form of that portion of the

Any funds received by the county which have been collected for the purpose of paying any bonded or other indebtedness of the metropolitan municipal corporation shall be used for the purpose for which they were collected and for no other purpose until such indebtedness has been paid and retired or adequate provision has been made for such payment and retirement. No transfer of property as provided in *this act shall derogate from the claims or rights of the creditors of the metropolitan municipal corporation or impair the ability of the metropolitan municipal corporation to respond to its debts and obligations. 36.57A.020 Public transportation improvement conference—Convening—Purpose—Multi-county conferences. The county legislative authority of every class A, class 1, class 2, or class 3 county shall, and the legislative authority of every other county may, within ninety days of July 1, 1975, and as often thereafter as it deems necessary, and upon thirty days prior written notice addressed to the legislative body of each city within the county and with thirty days public notice, convene a public transportation improvement conference to be attended by an elected representative selected by the legislative body of each city, within such county, and by the county commissioners. Such conference shall be for the purpose of evaluating the need for and the desirability of the creation of a public transportation benefit area within certain incorporated and unincorporated portions of the county to provide public transportation services within such area. In those counties where county officials believe the need for public transportation service extends across county boundaries so as to provide public transportation service in a metropolitan area, the county legislative bodies of two or more neighboring counties may elect to convene a multi-county conference. In addition, county-wide conferences may be convened by resolution of the legislative bodies of two or more cities within the county, not to exceed one in any twelve month period, or a petition signed by at least ten percent of the registered voters in the last general election of the city, county or city/county areas of a proposed benefit area. The chairman of the conference shall be elected from the members at large. [1975 1st ex.s. c 270 § 12.]

Any conference which finds it desirable to establish a public transportation benefit area or change the boundaries of any existing public transportation benefit area shall fix a date for a public hearing thereon, or the legislative bodies of any two or more component cities or the county legislative body by resolution may require the public transportation improvement conference to fix a date for a public hearing thereon. Prior to the convening of the public hearing, the county governing body shall delineate the area of the county proposed to be included within the transportation benefit area, and shall furnish a copy of such delineation to each incorporated city within such area. Each city shall advise the county governing body, on a preliminary basis, of its desire to be included or excluded from the transportation benefit area. The county governing body shall cause the delineations to be revised to reflect the wishes of such incorporated cities. This delineation shall
be considered by the conference at the public hearing for inclusion in the public transportation benefit area.

Notice of such hearing shall be published once a week for at least four consecutive weeks in one or more newspapers of general circulation within the area. The notice shall contain a description and map of the boundaries of the proposed public transportation benefit area and shall state the time and place of the hearing and the fact that any changes in the boundaries of the public transportation benefit area will be considered at such time and place. At such hearing or any continuation thereof, any interested person may appear and be heard on all matters relating to the effect of the formation of the proposed public transportation benefit area.

The conference may make such changes in the boundaries of the public transportation benefit area as they shall deem reasonable and proper, but may not delete any portion of the proposed area which will create an island of included or excluded lands, and may not delete a portion of any city. If the conference shall determine that any additional territory should be included in the public transportation benefit area, a second hearing shall be held and notice given in the same manner as for the original hearing. The conference may adjourn the hearing on the formation of a public transportation benefit area from time to time not exceeding thirty days in all.

Following the conclusion of such hearing the conference shall adopt a resolution fixing the boundaries of the proposed public transportation benefit area, declaring that the formation of the proposed public transportation benefit area will be conducive to the welfare and benefit of the persons and property therein.

Within thirty days of the adoption of such conference resolution, the county legislative authority of each county wherein a conference has established proposed boundaries of a public transportation benefit area, may by resolution, upon making a legislative finding that the proposed benefit area includes portions of the county which could not be reasonably expected to benefit from such benefit area or excludes portions of the county which could be reasonably expected to benefit from its creation, disapprove and terminate the establishment of such public transportation benefit area within such county. [1977 ex.s. c 44 § 1; 1975 1st ex.s. c 270 § 13.]

Severability—1977 ex.s. c 44: "If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1977 ex.s. c 44 § 7.]

36.57A.030 Title 36 RCW: Counties

36.57A.040 Cities to be wholly included or excluded—Boundaries—Only benefited areas to be included—One area per county. At the time of its formation no public transportation benefit area may include only a part of any city, and every city shall be either wholly included or wholly excluded from the boundaries of such area. Notwithstanding any other provision of law, if subsequent to the formation of a public transportation benefit area additional area became or will become a part of a component city by annexation, merger, or otherwise, the additional area shall be included within the boundaries of the transportation benefit area and be subject to all taxes and other liabilities and obligations of the public transportation benefit area. The component city shall be required to notify the public transportation benefit area at the time the city has added the additional area. Furthermore, notwithstanding any other provisions of law, if a city that is not a component city of the public transportation benefit area adds area to its boundaries that is within the boundaries of the public transportation benefit area, the area so added shall be deemed to be excluded from the public transportation benefit area: Provided, That the public transportation benefit area shall be given notice of the city's intention to add such area.

The boundaries of any public transportation benefit area shall follow school district lines or election precinct lines, as far as practicable. Only such areas shall be included which the conference determines could reasonably benefit from the provision of public transportation services. Only one public transportation benefit area may be created in any county. [1983 c 65 § 2; 1975 1st ex.s. c 270 § 14.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

If at the time a public transportation benefit area authority assumes the public transportation functions previously provided under the Interlocal Cooperation Act (chapter 39.34 RCW) there are citizen positions on the governing board of the transit system, those positions may be retained as positions on the governing board of the public transportation benefit area authority.

Within such sixty-day period, any city may by resolution of its legislative body withdraw from participation in the public transportation benefit area. The county legislative authority and each city remaining in the public transportation benefit area may disapprove and prevent the establishment of any governing body of a public transportation benefit area if the composition thereof does not meet its approval.
In no case shall the governing body of a single county public transportation benefit area be greater than nine members and in the case of a multicounty area, fifteen members. Those cities within the transportation benefit area and excluded from direct membership on the authority are hereby authorized to designate a member of the authority who shall be entitled to represent the interests of such city which is excluded from direct membership on the authority. The legislative body of such city shall notify the authority as to the determination of its authorized representative on the authority.

Each member of the authority is eligible to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060 and to receive compensation, as set by the authority, in an amount not to exceed forty-four dollars for each day during which the member attends official meetings of the authority or performs prescribed duties approved by the chairman of the authority. In no event may a member be compensated in any year for more than seventy-five days, except the chairman who may be paid compensation for not more than one hundred days: Provided, That compensation shall not be paid to an elected official or employee of federal, state, or local government who is receiving regular full-time compensation from such government for attending meetings and performing prescribed duties of the authority. [1983 c 65 § 3; 1977 ex.s. c 44 § 2; 1975 1st ex.s. c 270 § 15.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.055 Governing body—Periodic review of composition. After a public transportation benefit area has been in existence for four years, members of the county legislative authority and the elected representative of each city within the boundaries of the public transportation benefit area shall review the composition of the governing body of the benefit area and change the composition of the governing body if the change is deemed appropriate. The review shall be at a meeting of the designated representatives of the component county and cities, and the majority of those present shall constitute a quorum at such meeting. Twenty days notice of the meeting shall be given by the chief administrative officer of the public transportation benefit area authority. After the initial review, a review shall be held every four years.

If an area having a population greater than fifteen percent, or areas with a combined population of greater than twenty-five percent of the population of the existing public transportation benefit area as constituted at the last review meeting, annex to the public transportation benefit area, the representatives of the component county and cities shall meet within ninety days to review and change the composition of the governing body, if the change is deemed appropriate. This meeting is in addition to the regular four-year review meeting and shall be conducted pursuant to the same notice requirement and quorum provisions of the regular review. [1983 c 65 § 4.]

36.57A.060 Comprehensive plan—Development—Elements. The public transportation benefit area authority authorized pursuant to RCW 36.57A.050 shall develop a comprehensive transit plan for the area. Such plan shall include, but not be limited to the following elements:

1. The levels of transit service that can be reasonably provided for various portions of the benefit area.
2. The funding requirements, including local tax sources, state and federal funds, necessary to provide various levels of service within the area.
3. The impact of such a transportation program on other transit systems operating within the county or adjacent counties.
4. The future enlargement of the benefit area or the consolidation of such benefit area with other transit systems. [1975 1st ex.s. c 270 § 16.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.070 Comprehensive plan—Review—Approval or disapproval—Resubmission. The comprehensive transit plan adopted by the authority shall be reviewed by the state transportation commission to determine:

1. The completeness of service to be offered and the economic viability of the transit system proposed in such comprehensive transit plan;
2. Whether such plan integrates the proposed transportation system with existing transportation modes and systems that serve the benefit area;
3. Whether such plan coordinates that area's system and service with nearby public transportation systems;
4. Whether such plan is eligible for matching state or federal funds;

After reviewing the comprehensive transit plan, the state transportation commission shall have sixty days in which to approve such plan and to certify to the state treasurer that such public transportation benefit area shall be eligible to receive the motor vehicle excise tax proceeds authorized pursuant to RCW 35.58.273, as now or hereafter amended in the manner prescribed by chapter 82.44 RCW, as now or hereafter amended. To be approved a plan shall provide for coordinated transportation planning, the integration of such proposed transportation program with other transportation systems operating in areas adjacent to, or in the vicinity of the proposed public transportation benefit area, and be consistent with the public transportation coordination criteria adopted pursuant to the urban mass transportation act of 1964 as amended as of July 1, 1975. In the event such comprehensive plan is disapproved and ruled ineligible to receive motor vehicle tax proceeds, the state transportation commission shall provide written notice to the authority within thirty days as to the reasons for such plan's disapproval and such ineligibility. The authority may resubmit such plan upon reconsideration and correction of such deficiencies in the plan cited in
such notice of disapproval. [1985 c 6 § 5; 1975 1st ex.s. c 270 § 17.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

A public transportation benefit area may contract with the United States or any agency thereof, any state or agency thereof, any other public transportation benefit area, any county, city, metropolitan municipal corporation, special district, or governmental agency, within or without the state, and any private person, firm or corporation for the purpose of receiving gifts or grants or securing loans or advances for preliminary planning and feasibility studies, or for the design, construction or operation of transportation facilities. In addition a public transportation benefit area may contract with any governmental agency or with any private person, firm or corporation for the use by either contracting party of all or any part of the facilities, structures, lands, interests in lands, air rights over lands and rights of way of all kinds which are owned, leased or held by the other party and for the purpose of planning, constructing or operating any facility or performing any service which the public transportation benefit area may be authorized to operate or perform, on such terms as may be agreed upon by the contracting parties. Before any contract for the lease or operation of any public transportation benefit area facilities shall be let to any private person, firm or corporation, a general schedule of rental rates for bus equipment with or without drivers shall be publicly posted applicable to all private certificates, and for other facilities competitive bids shall first be called upon such notice, bidder qualifications and bid conditions as the public transportation benefit area authority shall determine.

A public transportation benefit area may sue and be sued in its corporate capacity in all courts and in all proceedings. [1975 1st ex.s. c 270 § 18.]

36.57A.090 Additional powers—Acquisition of existing system. A public transportation benefit area authority shall have the following powers in addition to the general powers granted by this chapter:

(1) To prepare, adopt, and carry out a general comprehensive plan for public transportation service which will best serve the residents of the public transportation benefit area and to amend said plan from time to time to meet changed conditions and requirements.

(2) To acquire by purchase, condemnation, gift, or grant and to lease, construct, add to, improve, replace, repair, maintain, operate, and regulate the use of transportation facilities and properties within or without the public transportation benefit area or the state, including systems of surface, underground, or overhead railways, tramways, buses, or any other means of local transportation except taxis, and including escalators, moving sidewalks, or other people-moving systems, passenger terminal and parking facilities and properties, and such other facilities and properties as may be necessary for passenger and vehicular access to and from such people-moving systems, terminal and parking facilities and properties, together with all lands, rights of way, property, equipment, and accessories necessary for such systems and facilities. Public transportation facilities and properties which are owned by any city may be acquired or used by the public transportation benefit area authority only with the consent of the city council of the city owning such facilities. Cities are hereby authorized to convey or lease such facilities to a public transportation benefit area authority or to contract for their joint use on such terms as may be fixed by agreement between the city council of such city and the public transportation benefit area authority, without submitting the matter to the voters of such city.

The facilities and properties of a public transportation benefit area system whose vehicles will operate primarily within the rights of way of public streets, roads, or highways, may be acquired, developed, and operated without the corridor and design hearings which are required by RCW 35.58.273, as now or hereafter amended, for mass transit facilities operating on a separate right of way.

(3) To fix rates, tolls, fares, and charges for the use of such facilities and to establish various routes and classes of service. Fares or charges may be adjusted or eliminated for any distinguishable class of users including, but not limited to, senior citizens, handicapped persons, and students.

In the event any person holding a certificate of public convenience and necessity from the Washington utilities and transportation commission under RCW 81.68.040 has operated under such certificate for a continuous period of one year prior to the date of certification and is offering service within the public transportation benefit area on the date of the certification by the county canvassing board that a majority of votes cast authorize a tax to be levied and collected by the public transportation benefit area authority, such authority may by purchase or condemnation acquire at the fair market value, from the person holding the existing certificate for providing the services, that portion of the operating authority and equipment representing the services within the area of public operation. The person holding such existing certificate may require the public transportation benefit area authority to initiate such purchase of those assets of such person, existing as of the date of the county canvassing board certification, within sixty days after the date of such certification. 36.57A.100  Agreements with operators of local public transportation services.—Operation without agreement prohibited.—Purchase or condemnation of assets. Except in accordance with an agreement made as provided in this section or in accordance with the provisions of RCW 36.57A.090(3) as now or hereafter amended, upon the effective date on which the public transportation benefit area commences to perform the public transportation service, no person or private corporation shall operate a local public passenger transportation service within the public transportation benefit area with the exception of taxis, buses owned or operated by a school district or private school, and buses owned or operated by any corporation or organization solely for the purposes of the corporation or organization and for the use of which no fee or fare is charged.

An agreement may be entered into between the public transportation benefit area authority and any person or corporation legally operating a local public passenger transportation service wholly within or partly within and partly without the public transportation benefit area and on said effective date under which such person or corporation may continue to operate such service or any part thereof for such time and upon such terms and conditions as provided in such agreement. Such agreement shall provide for a periodic review of the terms and conditions contained therein. Where any such local public passenger transportation service will be required to cease to operate within the public transportation benefit area, the public transportation benefit area authority may agree with the owner of such service to purchase the assets used in providing such service, or if no agreement can be reached, the public transportation benefit area authority shall condemn such assets in the manner and by the same procedure as is or may be provided by law for the condemnation of other properties for cities of the first class, except insofar as such laws may be inconsistent with the provisions of this chapter.

Wherever a privately owned public carrier operates wholly or partly within a public transportation benefit area, the Washington utilities and transportation commission shall continue to exercise jurisdiction over such operation as provided by law. [1977 ex.s. c 44 § 4; 1975 1st ex.s. c 270 § 20.]

36.57A.110  Powers of component city concerning passenger transportation transferred to benefit area.—Operation of system by city until acquired by benefit area.—Consent. The public transportation benefit area shall have and exercise all rights with respect to the construction, acquisition, maintenance, operation, extension, alteration, repair, control and management of passenger transportation which any component city shall have been previously empowered to exercise and such powers shall not thereafter be exercised by such component cities without the consent of the public transportation benefit area: Provided, That any city owning and operating a public transportation system on July 1, 1975 may continue to operate such system within such city until such system shall have been acquired by the public transportation benefit area and a public transportation benefit area may not acquire such system without the consent of the city council of such city. 36.57A.120  Acquisition of existing system.—Labor contracts, employee rights preserved.—Collective bargaining. If a public transportation benefit area shall acquire any existing transportation system, it shall assume and observe all existing labor contracts relating to such system and, to the extent necessary for operation of facilities, all of the employees of such acquired transportation system whose duties are necessary to operate efficiently the facilities acquired shall be appointed to comparable positions to those which they held at the time of such transfer, and no employee or retired or pensioned employee of such systems shall be placed in any worse position with respect to pension seniority, wages, sick leave, vacation or other benefits that he enjoyed as an employee of such system prior to such acquisition. The public transportation benefit area authority shall engage in collective bargaining with the duly appointed representatives of any employee labor organization having existing contracts with the acquired transportation system and may enter into labor contracts with such employee labor organization. Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.130  Treasurer and auditor.—Powers and duties.—Transportation fund.—Contribution of sums for expenses. The treasurer of the county in which a public transportation benefit area authority is located shall be ex officio treasurer of the authority. In the case of a multicounty public transportation benefit area the county treasurer of the largest component county, by population, shall be the treasurer of the authority. However, the authority, by resolution, and upon the approval of the county treasurer, may designate some other person having experience in financial or fiscal matters as treasurer of the authority. Such a treasurer shall possess all of the powers, responsibilities, and duties the county treasurer possesses for a public transportation benefit area authority related to investing surplus authority funds. The authority may (and if the treasurer is not a county treasurer, it shall) require a bond with a surety company authorized to do business in the state of Washington in an amount and under the terms and conditions the authority, by resolution, from time to time finds will protect the authority against loss. The premium on any such bond shall be paid by the authority. All authority funds shall be paid to the treasurer and shall be disbursed by the treasurer only on warrants issued by the county auditor, upon orders or vouchers approved by the authority. However, the authority may, by
resolution, designate some person having experience in financial or fiscal matters, other than the county auditor, as the auditor of the authority. Such an auditor shall possess all of the powers, responsibilities, and duties that the county auditor possesses for a public transportation benefit area authority related to creating and maintaining funds, issuing warrants, and maintaining a record of receipts and disbursements.

The treasurer shall establish a "transportation fund," into which shall be paid all authority funds, and the treasurer shall maintain such special accounts as may be created by the authority into which shall be placed all money as the authority may, by resolution, direct.

If the treasurer of the authority is a treasurer of the county, all authority funds shall be deposited with the county depositary under the same restrictions, contracts, and security as provided for county depositaries. If the treasurer of the authority is some other person, all funds shall be deposited in such bank or banks authorized to do business in this state that have qualified for insured deposits under any federal deposit insurance act as the authority, by resolution, shall designate.

An authority may provide and require a reasonable bond of any other person handling moneys or securities of the authority, but the authority shall pay the premium on the bond.

The county or counties and each city or town which is included in the authority shall contribute such sums towards the expense for maintaining and operating the public transportation system as shall be agreed upon between them. [1983 c 151 § 1; 1975 1st ex.s. c 270 § 23.]

36.57A.140 Annexation of additional area. (1) An election to authorize the annexation of territory contiguous to a public transportation benefit area may be called within the area to be annexed pursuant to resolution or petition in the following manner:

(a) By resolution of a public transportation benefit area authority when it determines that the best interests and general welfare of the public transportation benefit area would be served. The authority shall consider the question of areas to be annexed to the public transportation benefit area at least once every two years.

(b) By petition calling for such an election signed by at least four percent of the qualified voters residing within the area to be annexed and filed with the auditor of the county wherein the largest portion of the public transportation benefit area is located, and notice thereof shall be given to the authority. Upon receipt of such a petition, the auditor shall examine it and certify to the sufficiency of the signatures thereon.

(c) By resolution of a public transportation benefit area authority upon request of any city for annexation thereto.

(2) The resolution or petition shall describe the boundaries of the area to be annexed. It shall require that there also be submitted to the electorate of the territory sought to be annexed a proposition authorizing the inclusion of the area within the public transportation benefit area and authorizing the imposition of such taxes authorized by law to be collected by the authority. [1983 c 65 § 5; 1975 1st ex.s. c 270 § 24.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.150 Advanced financial support payments. Counties that have established a county transportation authority pursuant to chapter 36.57 RCW and public transportation benefit areas that have been established pursuant to this chapter are eligible to receive a one-time advanced financial support payment from the state to assist in the development of the initial comprehensive transit plan required by RCW 36.57.070 and 36.57A-.060. The amount of this support payment is established at one dollar per person residing within each county or public transportation benefit area, as determined by the office of financial management, but no single payment shall exceed fifty thousand dollars. Repayment of an advanced financial support payment shall be made to the public transportation account in the general fund or, if such account does not exist, to the general fund by each agency within two years of the date such advanced payment was received. Such repayment shall be waived within two years of the date such advanced payment was received if the voters in the appropriate counties or public transportation benefit area do not elect to levy and collect taxes enabled under authority of this chapter and RCW 35.95.040 and 82.14.045. The state department of transportation shall provide technical assistance in the preparation of local transit plans, and administer the advanced financial support payments authorized by this section. [1985 c 6 § 6; 1979 c 151 § 41; 1975 1st ex.s. c 270 § 25.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

36.57A.160 Dissolution and liquidation. A public transportation benefit area established pursuant to this chapter may be dissolved and its affairs liquidated when so directed by a majority of persons in the benefit area voting on such question. An election placing such question before the voters may be called in the following manner:

(1) By resolution of the public transportation benefit area authority;

(2) By resolution of the county legislative body or bodies with the concurrence therein by resolution of the city council of a component city; or

(3) By petition calling for such election signed by at least ten percent of the qualified voters residing within the area filed with the auditor of the county wherein the largest portion of the public transportation benefit area is located. The auditor shall examine the same and certify to the sufficiency of the signatures thereon: Provided, That to be validated, signatures must have been collected within a ninety day period as designated by the petition sponsors.

Any dissolution of a public transportation benefit area authority shall be carried out in accordance with the
Solid Waste Disposal

36.58.010 Acquisition of sites authorized. Any board of county commissioners may acquire by purchase or by gift, dedication, or donation, garbage sites for the use of the public in disposing of garbage and refuse. [1963 c 4 § 36.58.010. Prior: 1943 c 87 § 1; Rem. Supp. 1943 § 6294-150.]

36.58.020 Rules and regulations as to use—Penalty. Any board of county commissioners may make such rules and regulations as may be deemed necessary for the use and occupation of such sites, and may provide for the maintenance and care thereof. Any person violating any of the rules and regulations made by the board relating to the use or occupation of any site owned or occupied by the county for garbage disposal purposes shall be guilty of a misdemeanor. [1963 c 4 § 36.58.020. Prior: 1943 c 87 § 2; Rem. Supp. 1943 § 6294-151.]

36.58.030 Solid waste disposal—"Transfer station" defined. As used in RCW 36.58.030 through 36.58.060, the term "transfer station" means a staffed, fixed supplemental facility used by persons and route collection vehicles to deposit solid wastes into transfer trailers for transportation to a disposal site. This does not include detachable containers. [1975-'76 2nd ex.s. c 58 § 1.]

36.58.040 Solid waste disposal—Establishment of systems authorized—Disposal sites—Processing and conversion of solid wastes—Contracts for solid waste handling. The legislative authority of each county may by ordinance provide for the establishment of a system of solid waste disposal for all the unincorporated areas of the county or for portions thereof. Each county may designate disposal sites for all solid waste collected in the unincorporated areas pursuant to the provisions of a comprehensive solid waste plan adopted pursuant to chapter 70.95 RCW: Provided, That for any solid waste collected by a private hauler operating pursuant to a certificate granted by the Washington utilities and transportation commission under the provisions of chapter 81.77 RCW and which certificate is for collection in a geographic area lying in more than one county, such designation of disposal sites shall be pursuant to an interlocal agreement between the involved counties.

Such systems may also provide for the processing and conversion of solid wastes into other valuable or useful products with full jurisdiction and authority to construct, lease, purchase, acquire, manage, regulate, maintain, operate, and control such system and plants, and to enter into agreements with public or private parties providing for the construction, purchase, acquisition, lease, maintenance, and operation of systems and plants for the processing and conversion of solid wastes and for the sale of said products. Contracts shall be for facilities that are in substantial compliance with the solid waste management plans prepared pursuant to chapter 70.95 RCW.

The legislative authority of a county may award contracts for solid waste handling, and such contracts may provide that a county pay a minimum periodic fee in consideration of the operational availability of a solid waste handling system or plant, without regard to the ownership of the system or plant or the amount of solid waste actually handled during all or any part of the contractual period. There shall be included in the contract specific allocation of financial responsibility in cases where the amount of solid waste handled during the contract period falls below the minimum level provided in the contract.

Nothing in this section shall be construed to authorize the operation of a solid waste collection system by counties. [1986 c 282 § 20; 1975-'76 2nd ex.s. c 58 § 2.]

36.58.050 Solid waste disposal—Transfer stations. When a comprehensive solid waste plan, as provided in RCW 70.95.080, incorporates the use of transfer stations, such stations shall be considered part of the disposal site and as such, along with the transportation of solid wastes between disposal sites, shall be exempt from

regulation by the Washington utilities and transportation commission as provided in chapter 81.77 RCW.

Each county may enter into contracts for the hauling of trailers of solid wastes from these transfer stations to disposal sites and return either by (1) the normal bidding process, or (2) negotiation with the qualified collection company servicing the area under authority of chapter 81.77 RCW. [1975–76 2nd ex.s. c 58 § 3.]

36.58.060 Solid waste disposal—Ownership of solid wastes—Responsibility for handling. Ownership of solid wastes shall be vested in the person or local jurisdiction managing disposal and/or resource recovery facilities upon the arrival of said solid wastes at said facility: Provided, That the original owner retains ownership of the solid wastes until they arrive at the disposal site or transfer station or detachable container, and the original owner has the right of recovery to any valuable items inadvertently discarded: Provided further, That the person or agency providing the collection service shall be responsible for the proper handling of the solid wastes from the point of collection to the disposal or recovery facility. [1975–76 2nd ex.s. c 58 § 4.]

36.58.080 County solid waste facilities—Exempt from municipal taxes—Charges to mitigate impacts—Negotiation and arbitration. County-owned solid waste facilities shall not be subject to any tax or excise imposed by any city or town. Cities or towns may charge counties to mitigate impacts directly attributable to the solid waste facility: Provided, That any city or town establishes that such charges are reasonably necessary to mitigate such impacts and that revenue generated from such charges is expended only to mitigate such impacts. Impacts resulting from commercial and residential solid waste collection within any city or town shall not be considered to be directly attributable to the solid waste facility. In the event that no agreement can be reached between the city or town and the county following a reasonable period of good faith negotiations, including mediation where appropriate, the matter shall be resolved by a board of arbitrators, to be convened at the request of either party, such board of arbitrators to consist of a representative from the city or town involved, a representative of the county, and a third representative to be appointed by the other two representatives. If no agreement can be reached with regard to said third representative, the third representative shall be appointed by a judge of the superior court of the county of the jurisdiction owning the solid waste facility. The determination by the board of arbitrators of the sum to be paid by the county shall be binding on all parties. Each party shall pay the costs of their individual representatives on the board of arbitrators and they shall pay one-half of the cost of the third representative. [1985 c 171 § 1; 1982 c 175 § 8.]

Severability—1982 c 175: See note following RCW 36.58.100.

36.58.090 Contracts with private vendors for solid waste handling systems and plants—Procedures. (1) Notwithstanding the charter of any county, the legislative authority of a county may contract with one or more private vendors for one or more of the design, construction, or operation function of systems and plants for solid waste handling, as defined in RCW 70.95.030 and in accordance with the procedures set forth in subsections (2) and (3) of this section. Such systems and plants may be owned, leased, and/or operated in whole or in part by the county, or owned, leased, and/or operated in whole or in part by the private vendor.

(2) The legislative authority shall publish notice of its requirements and request submission of qualifications for the design, construction, and operation of solid waste handling systems and plants. The notice shall be published in the official newspaper of the county at least once a week for two weeks not less than sixty days before the final date for the submission of qualifications. The notice shall state in summary form (a) the general scope and nature of the system and plant or work for which the services are required, (b) the name and address of a representative of the county who can provide further details, and (c) the final date for the submission of qualifications.

(3) If the legislative authority of the county decides to proceed with the construction of a resource recovery facility or one or more of the services to be provided for such a facility, it may designate a representative to evaluate the vendors who submitted qualifications and conduct discussions regarding proposals with one or more vendors. The representative of the legislative authority shall recommend to the legislative authority a vendor, based upon criteria established by the county, which shall not be determined solely by price but by all terms of the contract, who is initially determined to be the best qualified to provide one or more of the services required for the proposed project. If two or more vendors submit qualifications, at least two vendors shall be interviewed. One or more vendors may be interviewed and selected to provide services. The legislative authority or its representative shall attempt to negotiate a contract with the first vendor selected for one or more of the construction, design, or operation portions of the proposed project at a price and on other terms that the legislative authority determines to be fair and reasonable and in the best interest of the county. Only the legislative authority may approve and sign the contract: Provided, That where a contract for design is entered into separately from other services permitted under this section, procurement shall be in accord with chapter 39.80 RCW. If the legislative authority or its representative is unable to negotiate such a contract with the first vendor selected on terms that it determines to be fair and reasonable and in the best interest of the county, negotiations with that vendor shall be formally terminated and other vendors may be selected in accordance with the procedures set forth above. If the legislative authority decides to continue the process of selection, negotiations shall continue in accordance with this section at the sole discretion of the legislative authority until an agreement is reached with one or more vendors, or the process is terminated by the
legislative authority. The process may be repeated until an agreement is reached.

(4) Prior to entering into such a contract with a vendor, the legislative authority of the county must have made written findings, after holding a public hearing on the proposal, that it is in the public interest to enter into the contract and that the contract is financially sound and advantageous compared to other methods.

(5) Each contract shall include project performance bonds or other security by the vendor which in the judgment of the legislative authority of the county is sufficient to secure adequate performance by the vendor.

(6) The provisions of chapters 39.12, 39.19, and 39.25 RCW shall apply to a contract entered into under this section to the same extent as if the systems and plants were owned by a public body. [1986 c 282 § 19.]

The legislative authority of any county other than a class AA county is authorized to establish one or more solid waste disposal districts within the county for the purpose of providing and funding solid waste disposal services. No solid waste disposal district may include any area within the corporate limits of a city or town unless the city or town governing body adopts a resolution approving inclusion of the area within its limits. The county legislative authority may modify the boundaries of the solid waste disposal district by the same procedure used to establish the district. A solid waste disposal district may be dissolved by the county legislative authority after holding a hearing as provided in RCW 36.58.110.

As used in RCW 36.58.100 through 36.58.150 the term "county" includes all counties other than class AA counties.

A solid waste disposal district is a quasi-municipal corporation, an independent taxing "authority" within the meaning of Article VII, section 1 of the state Constitution, and a "taxing district" within the meaning of Article VII, section 2 of the state Constitution.

A solid waste disposal district shall constitute a body corporate and shall possess all the usual powers of a corporation for public purposes as well as all other powers that may now or hereafter be specifically conferred by statute: Provided, That a solid waste disposal district shall not have the power of eminent domain.

The county legislative authority shall be the governing body of a solid waste disposal district. The electors of a solid waste disposal district shall be all registered voters residing within the district. [1982 c 175 § 1.]

36.58.110 Solid waste disposal district—Establishment, modification, or dissolution—Hearing—Notice. A county legislative authority proposing to establish a solid waste disposal district or to modify or dissolve an existing solid waste disposal district shall conduct a hearing at the time and place specified in a notice published at least once not less than ten days prior to the hearing in a newspaper of general circulation within the proposed solid waste disposal district. This notice shall be in addition to any other notice required by law to be published. Additional notice of such hearing may be given by mail, posting within the proposed solid waste disposal district, or in any manner local authorities deem necessary to notify affected persons. All hearings shall be public and the county legislative authority shall hear objections from any person affected by the formation, modification, or dissolution of the solid waste disposal district and make such changes in the boundaries of the district or any other modifications that the county legislative authority deems necessary. 36.58A.010 Authorized—Conditions—Modification or dissolution of district. Any county legislative authority may establish solid waste collection districts within the county boundaries for the mandatory collection of solid waste: Provided, That no such district shall include any area within the corporate limits of any city or town without the consent of the legislative authority of the city or town. Such districts may be established only after approval of a coordinated, comprehensive solid waste management plan adopted pursuant to chapter 134, Laws of 1969 ex. sess. and chapter 70.95 RCW or pursuant to another solid waste management plan adopted prior to May 21, 1971 or within one year thereafter. The legislative authority of the county may modify or dissolve such district after a hearing as provided for in RCW 36.58A.020. [1971 ex.s. c 293 § 2.] Certain provisions not to detract from commission powers, duties, and functions: RCW 80.01.300.

36.58A.020 Hearings upon establishing, modification or dissolution of district—Notice—Scope. The county legislative authority proposing to establish a solid waste collection district or to modify or dissolve an existing solid waste collection district shall conduct a hearing at the time and place specified in a notice published at least once not less than ten days prior to the hearing in a newspaper of general circulation within the county. Additional notice of such hearing may be given by mail, posting on the property, or in any manner local authorities deem necessary to notify adjacent landowners and the public. All hearings shall be public and the legislative authority shall hear objections from any person affected by the formation of the solid waste collection district and make such changes in the boundaries of the district or any other modifications of plans that the legislative authority deems necessary. [1971 ex.s. c 293 § 3.] Certain provisions not to detract from commission powers, duties, and functions: RCW 80.01.300.

36.58A.030 County legislative authority determination required to establish district—Commission findings as to present services. No solid waste collection district shall be established in an area within the county boundaries unless the county legislative authority, after the hearing regarding formation of such district, determines from that hearing that mandatory solid waste collection is in the public interest and necessary for the preservation of public health. Such determination by the county legislative authority shall require the utilities and transportation commission to investigate and make a finding as to the ability and willingness of the existing garbage and refuse collection companies servicing the area to provide the required service.

If the utilities and transportation commission finds that the existing garbage and refuse collection company or companies are unable or unwilling to provide the required service it shall proceed to issue a certificate of public need and necessity to any qualified person or corporation in accordance with the provisions of RCW 81.77.040.
The utilities and transportation commission shall notify the county legislative authority within sixty days of its findings and actions and if no qualified garbage and refuse collection company or companies are available in the proposed solid waste collection district, the county legislative authority may provide county garbage and refuse collection services in the area and charge and collect reasonable fees therefor. The county shall not provide service in any portion of the area found by the utilities and transportation commission to be receiving adequate service from an existing certificated carrier unless the county shall acquire the rights of such existing certificated carrier by purchase or condemnation. [1971 ex.s. c 293 § 4.]

Certain provisions not to detract from commission powers, duties, and functions: RCW 80.01.300.

36.58A.040 County may collect fees of garbage and refuse collection company—Disposition of fees—Subrogation—Lien. If any garbage and refuse collection company certified by the utilities and transportation commission which operates in any solid waste collection district fails to collect any fees due and payable to it for garbage and refuse collection services, such company may request the county to collect such fees. Upon the collection of such fees, the county shall pay one-half of the fees actually collected to the garbage and refuse collection company entitled to receive such and shall deposit the remaining one-half in the county general fund.

When the county undertakes to collect such fees as requested by the garbage and refuse collection companies, the county shall be subrogated to all of the rights of such companies. Any such fees which the county fails to collect shall become liens on the real or personal property of the persons owing such fees and the county may take all appropriate legal action to enforce such liens. [1971 ex.s. c 293 § 6.]

Certain provisions not to detract from commission powers, duties, and functions: RCW 80.01.300.

36.60.010 Establishment of district—Boundaries—Powers. Subject to RCW 36.60.020, the legislative authority of a county may establish one or more county rail districts within the county for the purpose of providing and funding improved rail freight service. The boundaries of county rail districts shall be drawn to include contiguous property in an area from which agricultural or other goods could be shipped by the rail service provided. The district shall not include property outside this area which does not, or, in the judgment of the county legislative authority, is not expected to produce goods which can be shipped by rail, or property substantially devoted to fruit crops or producing goods that are shipped in a direction away from the district. A county rail district is a quasi municipal corporation, an independent taxing "authority" within the meaning of Article VII, section 1 of the state Constitution, and a "taxing district" within the meaning of Article VII, section 2 of the state Constitution.

A county rail district shall constitute a body corporate and shall possess all the usual powers of a corporation for public purposes as well as all other powers that may now or hereafter be specifically conferred by statute, including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, to accept and expend or use gifts, grants, and donations, and to sue and be sued.

The county legislative authority shall be the governing body of a county rail district. The county treasurer shall act as the ex officio treasurer of the county rail district. The electors of a district are all registered voters residing within the district.

This authority and that provided in RCW 36.60.030 may only be exercised outside the boundaries of the county rail district if such extraterritorial rail services, equipment, or facilities are found, by resolution of the county legislative authority exercising such authority, to be reasonably necessary to link the rail services, equipment, and facilities within the rail district to an interstate railroad system; however, if such extraterritorial rail services, equipment, or facilities are in or are to be located in one or more other counties, the legislative authority of such other county must consent by resolution to the proposed plan of the originating county which consent shall not be unreasonably withheld. [1985 c 187 § 1; 1983 c 303 § 8.]

36.60.020 Establishment, modification, or dissolution of district—Public notice and hearing—Election.
(1) A county legislative authority proposing to establish a county rail district, or to modify the boundaries of an existing county rail district, or to dissolve an existing county rail district, shall conduct a hearing at the time and place specified in a notice published at least once, not less than ten days prior to the hearing, in a newspaper of general circulation within the proposed county rail district. This notice shall be in addition to any other notice required by law to be published. Additional notice of the hearing may be given by mail, posting within the
proposed county rail district, or in any manner the county legislative authority deems necessary to notify affected persons. All hearings shall be public and the county legislative authority shall hear objections from any person affected by the formation, modification of the boundaries, or dissolution of the county rail district.

(2) Following the hearing held under subsection (1) of this section, the county legislative authority may adopt a resolution providing for the submission of a proposal to establish a county rail district, modify the boundaries of an existing county rail district, or dissolve an existing county rail district, if the county legislative authority finds the proposal to be in the public interest. The resolution shall contain the boundaries of the district if applicable.

A proposition to create a county rail district, modify the boundaries of an existing county rail district, or dissolve an existing rail district shall be submitted to the affected voters at the next general election held sixty or more days after the adoption of the resolution providing for the submittal by the county legislative authority. The resolution shall establish the boundaries of the district and include a finding that the creation of the district is in the public interest and that the area included within the district can reasonably be expected to benefit from its creation. No portion of a city may be included in such a district unless the entire city is included.

The district shall be created upon approval of the proposition by simple majority vote. The ballot proposition submitted to the voters shall be in substantially the following form:

**FORMATION OF COUNTY RAIL DISTRICT**

Shall a county rail district be established for the area described in a resolution of the legislative authority of [county name], adopted on the [date] day of [year]? [1983 c 303 § 9.]

**Dissolution of inactive special purpose districts: Chapter 36.96 RCW.**

**36.60.030 Authority of district to provide rail service.**

A county rail district is authorized to contract with a person, partnership, or corporation to provide rail service along a light-density essential-service rail line for the purpose of carrying commodities. The district shall also have the power to acquire, maintain, improve, or extend rail facilities within the district that are necessary for the safe and efficient operation of the contracted rail service. A county rail district may receive state rail assistance under chapter 47.76 RCW. Two or more county rail districts may enter into interlocal cooperation agreements under chapter 39.34 RCW to carry out the purposes of this chapter. [1983 c 303 § 10.]

**36.60.040 Excess property tax levies authorized.**

A county rail district is not authorized to impose a regular ad valorem property tax levy but may:

(1) Levy an ad valorem property tax, in excess of the one percent limitation, upon the property within the district for a one-year period to be used for operating or capital purposes whenever authorized by the voters of the district pursuant to RCW 84.52.052 and Article VII, section 2(a) of the state Constitution.

(2) Provide for the retirement of voter approved general obligation bonds, issued for capital purposes only, by levying bond retirement ad valorem property tax levies, in excess of the one percent limitation, whenever authorized by the voters of the district pursuant to Article VII, section 2(b) of the state Constitution and RCW 84.52.056. [1983 c 303 § 11.]

**36.60.050 General obligation bonds authorized—Limitations—Terms.**

(1) To carry out the purpose of this chapter, a county rail district may issue general obligation bonds, not to exceed an amount, together with any outstanding nonvoter approved general obligation indebtedness, equal to three-eighths of one percent of the value of taxable property within the district, as the term "value of taxable property" is defined in RCW 39.36.015. A county rail district may additionally issue general obligation bonds for capital purposes only, together with any outstanding general obligation indebtedness, not to exceed an amount equal to one and one-fourth percent of the value of taxable property within the district, as the term "value of taxable property" is defined in RCW 39.36.015, as prescribed in Article VIII, section 6 of the state Constitution, and to provide for the retirement thereof by excess property tax levies as provided in RCW 36.60.040(2). The county rail district may submit a single proposition to the voters which, if approved, authorizes both the issuance of the bonds and the bond retirement property tax levies.

(2) General obligation bonds with a maturity in excess of forty years shall not be issued. The governing body of the county rail district shall by resolution determine for each general obligation bond issue the amount, date or dates, terms, conditions, denominations, interest rate or rates, which may be fixed or variable, maturity or maturities, redemption rights, registration privileges, manner of execution, price, manner of sale, and covenants. The bonds may be in any form, including bearer bonds or registered bonds. Facsimile signatures may be used on the bonds and any coupons. Refunding general obligation bonds may be issued in the same manner as general obligation bonds are issued.

(3) Whenever general obligation bonds are issued to fund specific projects or enterprises that generate revenues, charges, user fees, or special assessments, the county rail district which issues the bonds may specifically pledge all or a portion of the revenues, charges, user fees, or special assessments to refund the general obligation bonds. [1983 c 303 § 12.]

**36.60.060 Revenue bonds authorized—Limitations—Terms.**

(1) A county rail district may issue revenue bonds to fund revenue generating facilities which it is authorized to provide or operate. Whenever revenue bonds are to be issued, the governing body of the district shall create or have created a special fund or funds for the sole purpose of paying the principal of and interest on the bonds of each such issue, into which fund or funds the governing body may obligate the district to
pay such amounts of the gross revenue of all or any part of the facilities constructed, acquired, improved, repaired, or replaced pursuant to this chapter as the governing body determines.

(2) The governing body of a county rail district issuing revenue bonds shall create a special fund or funds from which, along with any reserves created under RCW 39.44.140, the principal and interest on the revenue bonds shall exclusively be payable. The governing body may obligate the county rail district to set aside and pay into the special fund or funds a fixed proportion or a fixed amount of the revenues from the public improvements, projects, facilities, and all related additions funded by the revenue bonds. This amount or proportion shall be a lien and charge against these revenues, subject only to operating and maintenance expenses. The governing body shall consider the cost of operation and maintenance of the public improvement, project, facility, or additions funded by the revenue bonds and shall not place into the special fund or funds a greater amount or proportion of the revenues than it thinks will be available after maintenance and operation expenses have been paid and after the payment of revenue previously pledged. The governing body may also provide that revenue bonds payable from the same source or sources of revenue may later be issued on parity with any revenue bonds issued and sold.

(3) Revenue bonds issued pursuant to this section shall not be an indebtedness of the county rail district issuing the bonds, and the interest and principal on the bonds shall only be payable from the revenues lawfully pledged to meet the principal and interest requirements and any reserves created pursuant to RCW 39.44.140. The owner of a revenue bond or any interest coupon issued pursuant to this section shall not have any claim against the county rail district arising from the bond or coupon except for payment from the revenues lawfully pledged to meet the principal and interest requirements and any reserves created pursuant to RCW 39.44.140. The substance of the limitations included in this subsection shall be plainly printed, written, or engraved on each bond issued pursuant to this section.

(4) Revenue bonds with a maturity in excess of thirty years shall not be issued. The governing body of the county rail district shall by resolution determine for each revenue bond issue the amount, date, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, manner of execution, manner of sale, callable provisions, if any, and covenants including the refunding of existing revenue bonds. The bonds may be in any form, including bearer bonds or registered bonds. Facsimile signatures may be used on the bonds and any coupons. Refunding revenue bonds may be issued in the same manner as revenue bonds are issued. [1983 c 303 § 13.]

36.60.070 Power of eminent domain. A county rail district may exercise the power of eminent domain to obtain property for its authorized purposes in the manner counties exercise the powers of eminent domain. [1983 c 303 § 14.]

36.60.100 Establishment, modification, or dissolution of district—Alternate method. The method of establishing, modifying, or dissolving a county rail district in RCW 36.60.110 through 36.60.130 is an alternate method to that specified in RCW 36.60.020. [1986 c 26 § 1.]

36.60.110 Establishment, modification, or dissolution of district—Alternate method—Petition. A petition to establish, modify the boundaries, or dissolve a county rail district shall be filed with the county legislative authority. The petition shall be signed by the owners of property valued at not less than seventy-five percent according to the assessed valuation for general taxation of the property for which establishment, modification or dissolution is petitioned. The petition shall set forth a legal description of the property and shall be accompanied by a plat which outlines the boundaries of the property sought to be annexed. [1986 c 26 § 2.]

36.60.120 Establishment, modification, or dissolution of district—Alternate method—Public hearing. If a petition to establish, modify the boundaries, or dissolve a county rail district is filed with the county legislative authority that complies with the requirements specified in RCW 36.60.110, the legislative authority may accept the petition, fix a date for a public hearing, and publish notice of the hearing in one issue of the official county newspaper. The notice shall also be posted in three public places within the area proposed for establishment, modification, or dissolution, and shall specify the time and place of hearing. The expense of publication and posting of the notice shall be paid by the signers of the petition. [1986 c 26 § 3.]

36.60.130 Establishment, modification, or dissolution of district—Alternate method—Determination by county legislative authority. Following the hearing, the county legislative authority shall determine by resolution whether the area proposed shall establish, modify the boundaries, or dissolve the county rail district. They may include all or any portion of the proposed area but may not include any property not described in the petition. [1986 c 26 § 4.]

36.60.140 Annexation by boundary modification—Assumption of outstanding indebtedness. All property annexed to a county rail district by a boundary modification under RCW 36.60.110 through 36.60.130 shall assume all or any portion of the outstanding indebtedness of the county rail district existing at the date of modification. [1986 c 26 § 5.]

36.60.900 Liberal construction. The rule of strict construction does not apply to this chapter, and this chapter shall be liberally construed to permit the accomplishment of its purposes. [1983 c 303 § 15.]
36.60.905 Severability—1983 c 303. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1983 c 303 § 23.]

36.61.260 Bonds.

36.61.010 Purpose. The legislature finds that the environmental, recreational, and aesthetic values of many of the state's lakes are threatened by eutrophication and other deterioration and that existing governmental authorities are unable to adequately improve and maintain the quality of the state's lakes.

It is the purpose of this chapter to establish a governmental mechanism by which property owners can embark on a program of lake improvement and maintenance for their and the general public's benefit, health, and welfare. Public property, including state property, shall be considered the same as private property in this chapter, except liens for special assessments and liens for rates and charges shall not extend to public property. Lake bottom property shall not be considered to be benefited, shall not be subject to special assessments or rates and charges, and shall not receive voting rights under this chapter. [1987 c 432 § 1; 1985 c 398 § 1.]

36.61.020 Creation of district—Special assessments or rates and charges. Any county may create lake management districts to finance the improvement and maintenance of lakes located within or partially within the boundaries of the county. All or a portion of a lake and the adjacent land areas may be included within one or more lake management districts. More than one lake, or portions of lakes, and the adjacent land areas may be included in a single lake management district. A lake management district may be created for a period of up to ten years.

Special assessments or rates and charges may be imposed on the property included within a lake management district to finance lake improvement and maintenance activities, including: (1) The control or removal of aquatic plants and vegetation; (2) water quality; (3) the control of water levels; (4) storm water diversion and treatment; (5) agricultural waste control; (6) studying lake water quality problems and solutions; (7) cleaning and maintaining ditches and streams entering or leaving the lake; and (8) the related administrative, engineering, legal, and operational costs, including the costs of creating the lake management district.

Special assessments or rates and charges may be imposed annually on all the land in a lake management district for the duration of the lake management district without a related issuance of lake management district bonds or revenue bonds. Special assessments also may be imposed in the manner of special assessments in a local improvement district with each landowner being given the choice of paying the entire special assessment in one payment, or to paying installments, with lake management district bonds being issued to obtain moneys not derived by the initial full payment of the special assessments, and the installments covering all of the costs related to issuing, selling, and redeeming the lake management district bonds. [1987 c 432 § 2; 1985 c 398 § 2.]

Cities and towns authorized to establish lake management districts: RCW 35.21.403.

Flood control districts authorized to engage in activities under RCW 36.61.020: RCW 86.09.151.

36.61.030 Creation of district—Resolution or petition—Contents. A lake management district may be initiated upon either the adoption of a resolution of intention by a county legislative authority or the filing of a petition signed by ten landowners or the owners of at least fifteen percent of the acreage contained within the proposed lake management district, whichever is greater. A petition or resolution of intention shall set forth: (1) The nature of the lake improvement or maintenance activities proposed to be financed; (2) the amount of money proposed to be raised by special assessments or
rates and charges; (3) if special assessments are to be imposed, whether the special assessments will be imposed annually for the duration of the lake management district, or the full special assessments will be imposed at one time, with the possibility of installments being made to finance the issuance of lake management district bonds, or both methods; (4) if rates and charges are to be imposed, the annual amount of revenue proposed to be collected and whether revenue bonds payable from the rates and charges are proposed to be issued; (5) the number of years proposed for the duration of the lake management district; and (6) the proposed boundaries of the lake management district.

The county legislative authority may require the posting of a bond of up to five thousand dollars before the county considers the proposed creation of a lake management district initiated by petition. The bond may only be used by the county to finance its costs in studying, holding hearings, making notices, preparing special assessment rolls or rolls showing the rates and charges on each parcel, and conducting elections related to the lake management district if the proposed lake management district is not created.

A resolution of intention shall also designate the number of the proposed lake management district, and fix a date, time, and place for a public hearing on the formation of the proposed lake management district. The date for the public hearing shall be at least thirty days and no more than ninety days after the adoption of the resolution of intention unless an emergency exists.

Petitions shall be filed with the county legislative authority. The county legislative authority shall determine the sufficiency of the signatures, which shall be conclusive upon all persons. No person may withdraw his or her name from a petition after it is filed. If the county legislative authority determines a petition to be sufficient and the proposed lake management district appears to be in the public interest and the financing of the lake improvement or maintenance activities is feasible, it shall adopt a resolution of intention, setting forth all of the details required to be included when a resolution of intention is initiated by the county legislative authority. [1987 c 432 § 4; 1985 c 398 § 3.]

36.61.040 Creation of district—Public hearing—Notice—Contents. Notice of the public hearing shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed lake management district, the date of the first publication to be at least fifteen days prior to the date fixed for the public hearing by the resolution of intention. Notice of the public hearing shall also be given to the owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed lake management district by mailing the notice at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of the property as shown on the tax rolls of the county assessor at the address shown thereon. Notice of the public hearing shall also be mailed to the departments of fisheries, *game, and ecology at least fifteen days before the date fixed for the public hearing.

Notices of the public hearing shall: (1) Refer to the resolution of intention; (2) designate the proposed lake management district by number; (3) set forth a proposed plan describing: (a) The nature of the proposed lake improvement or maintenance activities; (b) the amount of special assessments or rates and charges proposed to be raised by the lake management district; (c) if special assessments are proposed to be imposed, whether the special assessments will be imposed annually for the duration of the lake management district, or the full special assessments will be payable at one time, with the possibility of periodic installments being paid and lake management bonds being issued, or both; (d) if rates and charges are proposed to be imposed, the annual amount of revenue proposed to be collected and whether revenue bonds payable from the rates and charges are proposed to be issued; and (e) the proposed duration of the lake management district; and (4) indicate the date, time, and place of the public hearing designated in the resolution of intention.

In the case of the notice sent to each owner or reputed owner by mail, the notice shall set forth the estimated amount of the cost of the lake improvement or maintenance activities to be borne by special assessment, or annual special assessments, or rates and charges on the lot, tract, parcel of land, or other property owned by the owner or reputed owner.

If the county legislative authority has designated a committee of itself or an officer to hear complaints and make recommendations to the full county legislative authority, as provided in RCW 36.61.060, the notice shall also describe this additional step before the full county legislative authority may adopt a resolution creating the lake management district. [1987 c 432 § 4; 1985 c 398 § 4.]

*Reviser’s note: References to the "department of game" mean "department of wildlife." See note following RCW 77.04.020.

36.61.050 Creation of district—Public hearing—Amendments to original plan. The county legislative authority shall hold a public hearing on the proposed lake management district at the date, time, and place designated in the resolution of intention.

At this hearing the county legislative authority shall hear objections from any person affected by the formation of the lake management district. Representatives of the departments of fisheries, *game, and ecology shall be afforded opportunities to make presentations on and comment on the proposal. Members of the public shall be afforded an opportunity to comment on the proposal. The county legislative authority must consider recommendations provided to it by the departments of fisheries, *game, and ecology. The public hearing may be extended to other times and dates declared at the public hearing. The county legislative authority may make such changes in the boundaries of the lake management district or such modification in plans for the proposed lake improvement or maintenance activities as it deems necessary. The county legislative authority may not change boundaries of the lake management district to include property that was not included previously without first

36.61.050 Title 36 RCW: Counties

Adoption of ordinance. The county legislative authority shall not alter the plans for the proposed lake improvement or maintenance activities to result in an increase in the amount of money proposed to be raised, and shall not increase the amount of money proposed to be raised, without first passing an amended resolution of intention and giving new notice to property owners in the manner and form within the time provided for the original notice. [1985 c 398 § 5.]

*Reviser's note: References to the "department of game" mean "department of wildlife." See note following RCW 77.04.020.

36.61.060 Creation of district—Public hearing—Legislative authority may delegate responsibility. A county legislative authority may adopt an ordinance providing for a committee of itself, or an officer, to hold public hearings on the proposed formation of a lake management district and hear objections to the proposed formation as provided in RCW 36.61.050. The committee or officer shall make a recommendation to the full legislative authority, which need not hold a public hearing on the proposed creation of the lake management district. The full county legislative authority by resolution may approve or disapprove the recommendation and submit the question of creating the lake management district to the property owners as provided in RCW 36.61.070 through 36.61.100. [1985 c 398 § 10.]

36.61.070 Creation of district—Submittal of question to landowners. After the public hearing, the county legislative authority may adopt a resolution submitting the question of creating the lake management district to the owners of land within the proposed lake management district, including publicly owned land, if the county legislative authority finds that it is in the public interest to create the lake management district and the financing of the lake improvement and maintenance activities is feasible. The resolution shall also include: (1) A plan describing the proposed lake improvement and maintenance activities which avoid adverse impacts on fish and wildlife and provide for appropriate measures to protect and enhance fish and wildlife; (2) the number of years the lake management district will exist; (3) the amount to be raised by special assessments or rates and charges; (4) if special assessments are to be imposed, whether the special assessments shall be imposed annually for the duration of the lake management district or only once with the possibility of installments being imposed and lake management bonds being issued, or both, and, if both types of special assessments are proposed to be imposed, the lake improvement or maintenance activities proposed to be financed by each type of special assessment; (5) if rates and charges are to be imposed, a description of the rates and charges and the possibility of revenue bonds being issued that are payable from the rates and charges; and (6) the estimated special assessment or rate and charge proposed to be imposed on each parcel included in the proposed lake management district.

No lake management district may be created by a county that includes territory located in another county without the approval of the legislative authority of the other county. [1987 c 432 § 5; 1985 c 398 § 6.]

36.61.080 Creation of district—Submittal of question to landowners—Mail ballot. A ballot shall be mailed to each owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed lake management district, including publicly owned land, which ballot shall contain the following proposition:

"Shall lake management district No. _____ be formed?"

Yes... _____

No... _____

In addition, the ballot shall contain appropriate spaces for the signatures of the landowner or landowners, or officer authorized to cast such a ballot. Each ballot shall include a description of the property owner's property and the estimated special assessment, or rate and charge, proposed to be imposed upon the property. A copy of the instructions and the resolution submitting the question to the landowners shall also be included. [1987 c 432 § 6; 1985 c 398 § 7.]

36.61.090 Creation of district—Submittal of question to landowners—Balloting—Conditions. The balloting shall be subject to the following conditions, which shall be included in the instructions mailed with each ballot, as provided in RCW 36.61.080: (1) All ballots must be signed by the owner or reputed owner of property according to the assessor's tax rolls; (2) each ballot must be returned to the county legislative authority not later than five o'clock p.m. of a specified day, which shall be at least twenty but not more than thirty days after the ballots are mailed; (3) each property owner shall mark his or her ballot for or against the creation of the proposed lake management district, with the ballot weighted so that the property owner has one vote for each dollar of estimated special assessment or rate and charge proposed to be imposed on his or her property; and (4) the valid ballots shall be tabulated and a simple majority of the votes cast shall determine whether the proposed lake management district shall be approved or rejected. [1987 c 432 § 7; 1985 c 398 § 8.]

36.61.100 Creation of district—Submittal of question to landowners—Majority vote required—Adoption of ordinance. If the proposal receives a simple majority vote in favor of creating the lake management district, the county legislative authority shall adopt an ordinance creating the lake management district and may proceed with establishing the special assessments or rates and charges, collecting the special assessments or rates and charges, and performing the lake improvement or maintenance activities. If a proposed lake management district includes more than one lake and its adjacent areas, the lake management district may only be...
established if the proposal receives a simple majority vote in favor of creating it by the voters on each lake and its adjacent areas. The county legislative authority shall publish a notice in a newspaper of general circulation in a lake management district indicating that such an ordinance has been adopted within ten days of the adoption of the ordinance.

The ballots shall be available for public inspection after they are counted. [1987 c 432 § 8; 1985 c 398 § 9.]

36.61.110 Creation of district—Limitations on appeals. No lawsuit may be maintained challenging the jurisdiction or authority of the county legislative authority to proceed with the lake improvement and maintenance activities and creating the lake management district or in any way challenging the validity of the actions or decisions or any proceedings relating to the actions or decisions unless the lawsuit is served and filed no later than forty days after publication of a notice that the ordinance has been adopted ordering the lake improvement and maintenance activities and creating the lake management district. Written notice of the appeal shall be filed with the county legislative authority and clerk of the superior court in the county in which the property is situated. [1985 c 398 § 11.]

36.61.115 Limitation on special assessments, rates and charges. A special assessment, or rate and charge, on any lot, tract, parcel of land, or other property shall not be increased beyond one hundred ten percent of the estimated special assessment, or rate and charge, proposed to be imposed as provided in the resolution adopted in RCW 36.61.070, unless the creation of a lake management district is approved under another mailed ballot election that reflects the weighted voting arising from such increases. [1987 c 432 § 9.]

36.61.120 Special assessment roll—Adoption—Public hearing. After a lake management district is created, the county shall prepare a proposed special assessment roll. A separate special assessment roll shall be prepared for annual special assessments if both annual special assessments and special assessments paid at one time are imposed. The proposed special assessment roll shall list: (1) Each separate lot, tract, parcel of land, or other property in the lake management district; (2) the acreage of such property, and the number of feet of lake frontage, if any; (3) the name and address of the owner or reputed owner of each lot, tract, parcel of land, or other property as shown on the tax rolls of the county assessor; and (4) the special assessment proposed to be imposed on each lot, tract, parcel of land, or other property, or the annual special assessments proposed to be imposed on each lot, tract, parcel of land, or other property.

At the time, date, and place fixed for a public hearing, the county legislative authority shall act as a board of equalization and hear objections to the special assessment roll, and at the times to which the public hearing may be adjourned, the county legislative authority may correct, revise, raise, lower, change, or modify the special assessment roll or any part thereof, or set the proposed special assessment roll aside and order a new proposed special assessment roll to be prepared. The county legislative authority shall confirm and approve a special assessment roll by adoption of a resolution.

If a proposed special assessment roll is amended to raise any special assessment appearing thereon or to include omitted property, a new public hearing shall be held. The new public hearing shall be limited to considering the increased special assessments or omitted property. Notices shall be sent to the owners or reputed owners of the affected property in the same manner and form and within the time provided for the original notice.

Objections to a proposed special assessment roll must be made in writing, shall clearly state the grounds for objections, and shall be filed with the governing body prior to the public hearing. Objections to a special assessment or annual special assessments that are not made as provided in this section shall be deemed waived and shall not be considered by the governing body in a court on appeal. [1985 c 398 § 12.]

36.61.130 Special assessment roll—Public hearing—Legislative authority may delegate responsibility—Appeals. A county legislative authority may adopt an ordinance providing for a committee of itself, or an officer, to hear objections to the special assessment roll, act as a board of equalization, and make recommendations to the full county legislative authority, which need not hold a public hearing on the special assessment roll. The ordinance shall provide a process by which an appeal may be made in writing to the full county legislative authority by a person protesting his or her special assessment or annual special assessments as confirmed by the committee or officer. The full county legislative authority by resolution shall approve the special assessment roll, modify and approve the special assessment roll as a result of hearing objections, or reject the special assessment roll and return it to the committee or officer for further work and recommendations. No objection to the decision of the full county legislative authority approving the special assessment roll may be considered by a court unless an objection to the decision has been timely filed with the county legislative authority as provided in this section. [1985 c 398 § 13.]

36.61.140 Special assessment roll—Public hearing—Notice—Contents. Notice of the original public hearing on the proposed special assessment roll, and any public hearing held as a result of raising special assessments or including omitted property, shall be published and mailed to the owner or reputed owner of the property as provided in RCW 36.61.040 for the public hearing on the formation of the lake management district. However, the notice need only provide the total amount to be collected by the special assessment roll and shall state that: (1) A public hearing on the proposed special assessment roll will be held, giving the time, date, and place of the public hearing; (2) the proposed special
assessment roll is available for public perusal, giving the times and location where the proposed special assessment roll is available for public perusal; (3) objections to the proposed special assessment must be in writing, include clear grounds for objections, and must be filed prior to the public hearing; and (4) failure to so object shall be deemed to waive an objection.

Notices mailed to the owners or reputed owners shall additionally indicate the amount of special assessment ascribed to the particular lot, tract, parcel of land, or other property owned by the person so notified. [1985 c 398 § 14.]

36.61.150 Special assessment roll—Appeal to superior and appellate courts—Procedure. The decision of a county legislative authority upon any objection to the special assessment roll may be appealed to the superior court only if the objection had been timely made in the manner prescribed in this chapter. The appeal shall be made within ten days after publication of a notice that the resolution confirming the special assessment roll has been adopted by filing written notice of the appeal with the county legislative authority and the clerk of the superior court in the county in which the real property is situated. The notice of appeal shall describe the property and set forth the objections of the appellant to the special assessment. Within ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of the court a transcript consisting of the special assessment roll and his or her objections thereto, together with the resolution confirming such special assessment roll and the record of the county legislative authority with reference to the special assessment or annual special assessments, which transcript, upon payment of the necessary fees therefor, shall be furnished by an officer of the county and by him or her certified to contain full, true, and correct copies of all matters and proceedings required to be included in the transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions.

At the time of the filing of the notice of appeal with the clerk of the superior court a sufficient bond in the amount of two hundred dollars, with a surety or sureties thereon as provided by law for appeals in civil cases, shall be filed conditioned to prosecute such appeal without delay, and if unsuccessful, to pay all costs incurred by the county because of the appeal. The court may order the appellant, upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require.

Within three days after such transcript is filed in the superior court, the appellant shall give written notice to the county legislative authority that such transcript is filed. The notice shall state a time, not less than three days from the service thereof, when the appellant will call up the cause for hearing.

The superior court shall, at this time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury, and such cause shall have preference over all civil causes pending in the court, except proceedings under an act relating to eminent domain in such county and actions of forcible entry and detainer. The judgment of the court shall confirm, correct, modify, or annul the special assessment or annual special assessments insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer having custody of the special assessment roll, and he or she shall modify and correct such special assessment roll in accordance with the decision.

An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases, however, such appeal must be taken within fifteen days after the date of the entry of the judgment of the superior court, and the record and opening brief of the appellant in the cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal is taken by notice as provided in this section. The time for filing the record and serving and filing of briefs may be extended by order of the superior court, or by stipulation of the parties concerned. The supreme court or the court of appeals on such appeal may correct, modify, confirm, or annul the special assessment or annual special assessments insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such special assessment roll, who shall thereupon modify and correct such special assessment roll in accordance with such decision. [1985 c 398 § 15.]

36.61.160 Special assessments—Calculation. Whenever special assessments are imposed, all property included within a lake management district shall be considered to be the property specially benefited by the lake improvement or maintenance activities and shall be the property upon which special assessments are imposed to pay the costs and expenses of the lake improvement or maintenance activities, or such part of the costs and expenses as may be chargeable against the property specially benefited. The special assessments shall be imposed on property in accordance with the special benefits conferred on the property up to but not in excess of the total costs and expenses of the lake improvement or maintenance activities as provided in the special assessment roll.

Special assessments may be measured by front footage, acreage, the extent of improvements on the property, or any other factors that are deemed to fairly reflect special benefits, including those authorized under RCW 35.51.030. Special assessments may be calculated by using more than one factor. Zones around the public improvement may be used that reflect different levels of benefit in each zone that are measured by a front footage, acreage, the extent of improvements, or other factors.

Public property, including property owned by the state of Washington, shall be subject to special assessments to the same extent that private property is subject to the
special assessments, except no lien shall extend to public property. [1987 c 432 § 10; 1985 c 398 § 16.]

### 36.61.170 Special assessments—Limitations.
The total annual special assessments may not exceed the estimated cost of the lake improvement or maintenance activities proposed to be financed by such special assessments, as specified in the resolution of intention. The total of special assessments imposed in a lake management district that are of the nature of special assessments imposed in a local improvement district shall not exceed one hundred fifty percent of the estimated total cost of the lake improvement or maintenance activities that are proposed to be financed by the lake management district as specified in the resolution of intention. After a lake management district has been created, the resolution of intention may be amended to increase the amount to be financed by the lake management district by using the same procedure in which a lake management district is created. [1985 c 398 § 17.]

### 36.61.180 Special assessments—Modification.
Whenever annual special assessments are being imposed, the county legislative authority may modify the level of annual special assessments imposed by conforming with the procedures and subject to the limitations included in RCW 36.61.120 through 36.61.170. [1985 c 398 § 18.]

### 36.61.190 Special assessments—Collection—Notice.
Special assessments and installments on any special assessment shall be collected by the county treasurer.

The county treasurer shall publish a notice indicating that the special assessment roll has been confirmed and that the special assessments are to be collected. The notice shall indicate the duration of the lake management district and shall describe whether the special assessments will be paid in annual payments for the duration of the lake management district, or whether the full special assessments will be payable at one time, with the possibility of periodic installments being paid and lake management bonds being issued, or both.

If the special assessments are to be payable at one time, the notice additionally shall indicate that all or any portion of the special assessments may be paid within thirty days from the date of publication of the first notice without penalty or interest. This notice shall be published in a newspaper of general circulation in the lake management district.

Within ten days of the first newspaper publication, the county treasurer shall notify each owner or reputed owner of property whose name appears on the special assessment roll, at the address shown on the special assessment roll, for each item of property described on the list: (1) Whether one special assessment payable at one time or special assessments payable annually have been imposed; (2) the amount of the property subject to the special assessment or annual special assessments; and (3) the total amount of the special assessment due at one time, or annual amount of special assessments due. If the special assessment is due at one time, the notice shall also describe the thirty–day period during which the special assessment may be paid without penalty, interest, or cost. [1985 c 398 § 19.]

### 36.61.200 Special assessments—Payment period—Interest and penalty.
If the special assessments are to be payable at one time, all or any portion of any special assessment may be paid without interest, penalty, or costs during this thirty–day period and placed into a special fund to defray the costs of the lake improvement or maintenance activities. The remainder shall be paid in installments as provided in a resolution adopted by the county legislative authority, but the last installment shall be due at least two years before the maximum term of the bonds issued to pay for the improvements or maintenance. The installments shall include amounts sufficient to redeem the bonds issued to pay for the lake improvement and maintenance activities. A twenty–day period shall be allowed after the due date of any installment within which no interest, penalty, or costs on the installment may be imposed.

The county shall establish by ordinance an amount of interest that will be imposed on late special assessments imposed annually or at once, and on installments of a special assessment. The ordinance shall also specify the penalty, in addition to the interest, that will be imposed on a late annual special assessment, special assessment, or installment which shall not be less than five percent of the delinquent special assessment or installment.

The owner of any lot, tract, parcel of land, or other property charged with a special assessment may redeem it from all liability for the unpaid amount of the installments by paying, to the county treasurer, the remaining portion of the installments that is attributable to principal on the lake management district bonds. [1985 c 398 § 20.]

### 36.61.210 Special assessments—Subdivision of land—Segregation of assessment.
Whenever any land against which there has been levied any special assessment or annual special assessments by any county has been sold in part, subdivided, or short subdivided, the county legislative authority may order a segregation of the special assessment or annual special assessments. If an installment has been made, the segregation shall apportion the remaining installments on the parts or lots created.

Any person desiring to have such a special assessment or annual special assessments against a tract of land segregated to apply to smaller parts thereof shall apply to the county legislative authority which levied the special assessment or annual special assessments. If the county legislative authority determines that a segregation should be made, it shall by resolution order the county treasurer to segregate the special assessment or annual special assessments on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original special assessment or annual special assessments were levied, and the total of the segregated parts of the special assessment or annual special assessments shall
equal the amount of the special assessment or annual special assessments unpaid before segregation. The resolution shall describe the original tract and the amount and date of the original special assessment or annual special assessments and shall define the boundaries of the divided parts and the amount of the special assessment or annual special assessments chargeable to each part. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to segregate the special assessment or annual special assessments upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the county legislative authority may require as a condition to the order of segregation that the person seeking it pay the local government the reasonable engineering and clerical costs incident to making the segregation. [1985 c 398 § 21.]

36.61.220 Special assessments—Filing with county treasurer. Within fifteen days after a county creates a lake management district, the county shall cause to be filed with the county treasurer, a description of the lake improvement and maintenance activities proposed that the lake management district finances, the lake management district number, and a copy of the diagram or print showing the boundaries of the lake management district and preliminary special assessment roll or abstract of same showing thereon the lots, tracts, parcels of land, and other property that will be specially benefited thereby and the estimated cost and expense of such lake improvement and maintenance activities to be borne by each lot, tract, parcel of land, or other property. The treasurer shall immediately post the proposed special assessment roll upon his or her index of special assessments against the properties affected by the lake improvement or maintenance activities. [1985 c 398 § 22.]

36.61.230 Special assessments—Lien created. The special assessment or annual special assessments imposed upon the respective lots, tracts, parcels of land, and other property in the special assessment roll or annual special assessment roll confirmed by resolution of the county legislative authority for the purpose of paying the cost and expense in whole or in part of any lake improvement or maintenance activities shall be a lien upon the property assessed from the time the special assessment roll is placed in the hands of the county treasurer for collection, but as between the grantor and grantee, or vendor and vendee of any real property, when there is no express agreement as to payment of the special assessments against the real property, the lien of such special assessments shall attach thirty days after the filing of the diagram or print and the estimated cost and expense of such lake improvement or maintenance activities to be borne by each lot, tract, parcel of land, or other property, as provided in RCW 36.61.220. Interest and penalty shall be included in and shall be a part of the special assessment lien. No lien shall extend to public property subjected to special assessments.

The special assessment lien shall be paramount and superior to any other lien or encumbrance theretofore or thereafter created except a lien for general taxes. [1985 c 398 § 23.]

36.61.240 Special assessments—Lien—Validity—Foreclosure. Special assessments shall be valid and enforceable as such and the lien thereof on the property assessed shall be valid if the county legislative authority in making the special assessments acted in good faith and without fraud. Delinquent special assessments or installments shall be foreclosed in the same manner as special assessments are foreclosed under chapter 36.94 RCW. Public property subject to special assessments shall not be subject to liens. [1985 c 398 § 24.]

36.61.250 Special assessments—Legislative authority may stop. The county legislative authority may stop the imposition of annual special assessments if, in its opinion, the public interest will be served by such action. [1985 c 398 § 25.]

36.61.260 Bonds. (1) Counties may issue lake management district bonds in accordance with this section. Lake management district bonds may be issued to obtain money sufficient to cover that portion of the special assessments that are not paid within the thirty-day period provided in RCW 36.61.190. The maximum term of lake management district bonds shall be ten years. Whenever lake management district bonds are proposed to be issued, the county legislative authority shall create a special fund or funds for the lake management district from which all or a portion of the costs of the lake improvement and maintenance activities shall be paid. Lake management district bonds shall not be issued in excess of the costs and expenses of the lake improvement and maintenance activities and shall not be issued prior to twenty days after the thirty days allowed for the payment of special assessments without interest or penalties.

Lake management district bonds shall be exclusively payable from the special fund or funds and from a guaranty fund that the county may have created out of a portion of proceeds from the sale of the lake management district bonds.

(2) Lake management district bonds shall not constitute a general indebtedness of the county issuing the bond nor an obligation, general or special, of the state. The owner of any lake management district bond shall not have any claim for the payment thereof against the county that issues the bonds except for payment from the special assessments made for the lake improvement or maintenance activities for which the lake management district bond was issued and from a lake management district guaranty fund that may have been created. The county shall not be liable to the owner of any lake management district bond for any loss to the lake management district guaranty fund occurring in the lawful operation of the fund. The owner of a lake management district bond shall not have any claim against the state.
arising from the lake management district bond, special assessments, or guaranty fund. Tax revenues shall not be used to secure or guarantee the payment of the principal of or interest on lake management district bonds.

The substance of the limitations included in this subsection shall be plainly printed, written, engraved, or reproduced on: (a) Each lake management district bond that is a physical instrument; (b) the official notice of sale; and (c) each official statement associated with the lake management district bonds.

(3) If the county fails to make any principal or interest payments on any lake management district bond or to promptly collect any special assessment securing the bond when due, the owner of the lake management district bond may obtain a writ of mandamus from any court of competent jurisdiction requiring the county to collect the special assessments, foreclose on the related lien, and make payments out of the special fund or guaranty fund if one exists. Any number of owners of lake management districts may join as plaintiffs.

(4) A county may create a lake management district bond guaranty fund for each issue of lake management district bonds. The guaranty fund shall only exist for the life of the lake management district bonds with which it is associated. A portion of the bond proceeds may be placed into a guaranty fund. Unused moneys remaining in the guaranty fund during the last two years of the installments shall be used to proportionally reduce the required level of installments and shall be transferred into the special fund into which installment payments are placed.

(5) Lake management district bonds shall be issued and sold in accordance with chapter 39.46 RCW. The authority to create a special fund or funds shall include the authority to create accounts within a fund. [1985 c 398 § 26.]

36.61.270 Imposition of rates and charges. Whenever rates and charges are to be imposed in a lake management district, the county legislative authority shall prepare a roll of rates and charges that includes those matters required to be included in a special assessment roll and shall hold a public hearing on the proposed roll of rates and charges as provided under RCW 36.61.120 through 36.61.150 for a special assessment roll. The county legislative authority shall have full jurisdiction and authority to fix, alter, regulate, and control the rates and charges imposed by a lake management district and may classify the rates or charges by any reasonable factor or factors, including benefit, use, front footage, acreage, the extent of improvements on the property, the type of improvements on the property, uses to which the property is put, service to be provided, and any other reasonable factor or factors. The flexibility to establish rates and charges includes the authority to reduce rates and charges on property owned by low-income persons.

Except as provided in this section, the collection of rates and charges, lien status of unpaid rates and charges, and method of foreclosing on such liens shall be subject to the provisions of chapter 36.94 RCW. Public property, including state property, shall be subject to the rates and charges to the same extent that private property is subject to them, except that liens may not be foreclosed on the public property, and the procedure for imposing such rates and charges on state property shall conform with the procedure provided for in chapter 79.44 RCW concerning the imposition of special assessments upon state property. The total amount of rates and charges cannot exceed the cost of lake improvement or maintenance activities proposed to be financed by such rates and charges, as specified in the resolution of intention. Revenue bonds exclusively payable from the rates and charges may be issued by the county under chapter 39.46 RCW. [1987 c 432 § 11.]

(1) Purchase or lease real property or use lands already owned by the county;

(2) Erect all necessary buildings, make all necessary improvements and repairs and alter any existing building for the use of said hospitals;

(1987 Ed.) [Title 36 RCW—p 121]

It may provide for the amount of money to be contributed annually by the county and city for the upkeep and maintenance of the property and the building or buildings thereon, or it may provide for the relative proportion of such expense, which the county and city shall annually pay. The contract may specify the parts of such building or buildings which shall be set apart for the exclusive use and occupation of the county and city. The money to be contributed by the county or city may be raised by a sale of bonds of such county or city or by general taxation. Any such county or city now possessing funds or having funds available for a county or city hospital from a sale of bonds or otherwise may contract for the expenditure of such funds, as herein provided. Such contract shall be made only after a proper resolution or ordinance of the county legislative authority and ordinance of the city have been passed specifically authorizing it. The contract when made shall be binding upon the county and city during its existence or until it is modified or abrogated by mutual consent evidenced by appropriate legislation. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to make the segregation ordered upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the board may require as a condition to the order of segregation that the person seeking it pay the district the reasonable engineering and clerical costs incident to making the segregation. The board may also provide that revenue bonds payable out of the same source or sources may later be sold on a parity with any revenue bonds being issued and sold. The provisions of this
chapter and any resolution or resolutions providing for the authorization, issuance, and sale of such bonds shall constitute a contract with the owner of such bonds, and the provisions thereof shall be enforceable by any owner of such bonds by mandamus or any appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction. [1963 c 4 § 36.70.730. Prior: 1959 c 201 § 73.]

[1963 c 4 § 36.70.740. Prior: 1959 c 201 § 74.]

36.70.750 Zoning—Types of regulations. Any board, by ordinance, may establish classifications, within each of which, specific controls are identified, and which will:

36.70.780 Classifying unmapped areas. After the adoption of the first map provided for in RCW 36.70-740, and pending the time that all property within a county can be precisely zoned through the medium of a zoning map, all properties not so precisely zoned by map shall be given a classification affording said properties such broad protective controls as may be deemed appropriate and necessary to serve public and private interests. Such controls shall be clearly set forth in the zoning ordinance in the form of a zone classification, and such classification shall apply to such areas until they shall have been included in the detailed zoning map in the manner provided for the adoption of a zoning map. [1963 c 4 § 36.70.780. Prior: 1959 c 201 § 78.]

36.70.790 Interim zoning. If the planning agency in good faith, is conducting or intends to conduct studies within a reasonable time for the purpose of, or is holding a hearing for the purpose of, or has held a hearing and has recommended to the board the adoption of any zoning map or amendment or addition thereto, or in the event that new territory for which no zoning may have been adopted as set forth in RCW 36.70.800 may be annexed to a county, the board, in order to protect the public safety, health and general welfare may, after report from the commission, adopt as an emergency measure a temporary interim zoning map the purpose of which shall be to so classify or regulate uses and related matters as constitute the emergency. [1963 c 4 § 36.70-790. Prior: 1959 c 201 § 79.]

36.70.800 Procedural amendments—Zoning ordinance. An amendment to the text of a zoning ordinance which does not impose, remove or modify any regulation theretofore existing and affecting the zoning status of land shall be processed in the same manner prescribed by this chapter for the adoption of an official control except that no public hearing shall be required either by the commission or the board. [1963 c 4 § 36.70.800. Prior: 1959 c 201 § 80.]

36.70.810 Board of adjustment—Authority. The board of adjustment, subject to appropriate conditions and safeguards as provided by the zoning ordinance or the ordinance establishing the board of adjustment, if there be such, shall hear and decide:

(1) Applications for conditional uses or other permits when the zoning ordinance sets forth the specific uses to be made subject to conditional use permits and establishes criteria for determining the conditions to be imposed;

(2) Application for variances from the terms of the zoning ordinance: Provided, That any variance granted shall be subject to such conditions as will assure that the adjustment thereby authorized shall not constitute a grant of special privilege inconsistent with the limitations upon other properties in the vicinity and zone in which subject property is situated, and that the following circumstances are found to apply;

(a) because of special circumstances applicable to subject property, including size, shape, topography, location or surroundings, the strict application of the zoning ordinance is found to deprive subject property of rights and privileges enjoyed by other properties in the vicinity and under identical zone classification;

(b) that the granting of the variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the vicinity and zone in which subject property is situated.

(3) Appeals, where it is alleged by the applicant that there is error in any order, requirement, permit, decision, or determination made by an administrative official in the administration or enforcement of this chapter or any ordinance adopted pursuant to it. [1963 c 4 § 36.70.810. Prior: 1959 c 201 § 81.]

Prior: 1959 c 201 § 94.]

36.70.970 Hearing examiner system—Adoption authorized—Alternative—Functions—Procedures. As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and issue recommendations on applications for plat approval and applications for amendments to the zoning ordinance, the county legislative authority may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and issue decisions on proposals for plat approval and for amendments to the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative authority may vest in a hearing examiner the power to hear and decide conditional use applications, variance applications, applications for shoreline permits or any other class of applications for or pertaining to land uses. The legislative authority shall prescribe procedures to be followed by a hearing examiner. Any county which vests in a hearing examiner the authority to hear and decide conditional uses and variances shall not be required to have a zoning adjustor or board of adjustment.

(1987 Ed.)
Each county legislative authority electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. 1. The decision may be given the effect of a recommendation to the legislative authority;

2. The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative authority.

Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the county's comprehensive plan and the county's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings. ### 36.71.040 Peddler's license—Cancellation of license.
Upon the expiration and return of a county license, the appropriate county official shall cancel it, indorse thereon the cancellation, and place it on file. After holding the special deposit of the licensee for a period of ninety days from the date of cancellation, he shall return the deposit or such portion as may remain in his hands after satisfying the claims made against it. [1985 c 91 § 5; 1963 c 4 § 36.71.040. Prior: 1909 c 214 § 5; RRS § 8357.]

### 36.71.050 Peddler's license—Liability of deposit—Lien on.
Each deposit made with the county shall be subject to all taxes legally chargeable thereto, to attachment and execution on behalf of the creditors of the licensee whose claims arise in connection with the business done under his license, and the county may be held to answer as trustee in any civil action in contract or tort brought against any licensee, and shall pay over, under order of the court or upon execution, such amount...
of money as the licensee may be chargeable with upon the final determination of the case. Such deposit shall also be subject to the payment of any and all fines and penalties incurred by the licensee through violations of the provisions of RCW 36.71.010, 36.71.020, 36.71.030, 36.71.040 and 36.71.060, which shall be a lien upon the deposit and shall be collected in the manner provided by law. [1985 c 91 § 6; 1963 c 4 § 36.71.050. Prior: 1909 c 214 § 6; RRS § 8358.]

### 36.71.060 Peddler’s license—Penalty for peddling without license

[1963 c 4 § 36.71.060. Prior: 1909 c 214 § 2; RRS § 8354.]

### 36.71.070 Hawkers, auctioneers, and barterers must procure license—Exceptions
1. If any person sells any goods, wares, or merchandise, at auction or public outcry, or barters goods, wares or merchandise from traveling boats, wagons, carts or vehicles of any kind, or from any pack, basket or other package carried on foot without first having obtained a license therefor from the board of county commissioners of the county in which such goods are sold or bartered, he shall be guilty of a misdemeanor, and upon conviction shall be fined not less than five nor more than fifty dollars, and shall stand committed to the county jail of the county in which the conviction is had until such fine and cost of prosecution are paid, or discharged by due course of law: Provided, That this section shall not be construed as to apply to any seagoing craft or to administrators or executors selling property of deceased persons, or to private individuals selling their household property, or furniture, or farming tools, implements, or livestock, or any produce grown or raised by them, either at public auction or private sale.

36.73.900 Liberal construction.

36.73.010 Intent. The legislature finds that the citizens of the state can benefit by cooperation of the public and private sectors in addressing transportation needs. This cooperation can be fostered through enhanced capability for cities, towns, and counties to make and fund transportation improvements necessitated by economic development.

It is the intent of the legislature to encourage joint efforts by the state, local governments, and the private sector to respond to the need for those transportation improvements on state highways, county roads, and city streets. This goal can be better achieved by allowing cities, towns, and counties to establish transportation benefit districts in order to respond to the special transportation needs and economic opportunities resulting from private sector development for the public good. The legislature also seeks to facilitate the equitable participation of private developers whose developments may generate the need for those improvements in the improvement costs. [1987 c 327 § 1.]

36.73.020 Establishment of district by county. The legislative authority of a county may establish one or more transportation benefit districts within the county for the purpose of providing and funding capital costs for any city street, county road, or state highway improvement within the district that is (1) consistent with state, regional, and local transportation plans, (2) necessitated by existing or reasonably foreseeable congestion levels attributable to economic growth, and (3) partially funded by local government or private developer contributions, or a combination of such contributions. The district may not include any area within the corporate limits of a city unless the city legislative authority has agreed to the inclusion pursuant to chapter 39.34 RCW. The agreement shall specify the area and such powers as may be granted to the benefit district.

The county legislative authority shall be the governing body of the district. The county treasurer shall act as the ex officio treasurer of the district. The electors of the district shall all be registered voters residing within the district. [1987 c 327 § 2.]

36.73.030 Establishment of district by city. See RCW 35.21.225.

36.73.040 General powers of district. A transportation benefit district is a quasi-municipal corporation, an independent taxing "authority" within the meaning of Article VII, section 1 of the state Constitution, and a "taxing district" within the meaning of Article VII, section 2 of the state Constitution.

A transportation benefit district constitutes a body corporate and possesses all the usual powers of a corporation for public purposes as well as all other powers that may now or hereafter be specifically conferred by statute, including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, and to sue and be sued. Public works contract limits applicable to the jurisdiction that established the district shall apply to the district. [1987 c 327 § 4.]

36.73.050 Establishment of district—Public hearing. (1) A city or county legislative authority proposing to establish a transportation benefit district, or to modify the boundaries of an existing district, or to dissolve an existing district, shall conduct a hearing at the time and place specified in a notice published at least once, not less than ten days before the hearing, in a newspaper of general circulation within the proposed district. The legislative authority shall make provision for a district to be automatically dissolved when all indebtedness of the district has been retired and anticipated responsibilities have been satisfied. This notice shall be in addition to any other notice required by law to be published. The notice shall, where applicable, specify the functions or activities proposed to be provided or funded, or the additional functions or activities proposed to be provided or funded, by the district. Additional notice of the hearing may be given by mail, by posting within the proposed district, or in any manner the city or county legislative authority deems necessary to notify affected persons. All
hearings shall be public and the city or county legislative authority shall hear objections from any person affected by the formation, modification of the boundaries, or dissolution of the district.

(2) Following the hearing held pursuant to subsection (1) of this section, the city or county legislative authority may establish a transportation benefit district, modify the boundaries or functions of an existing district, or dissolve an existing district, if the city or county legislative authority finds the action to be in the public interest and adopts an ordinance providing for the action. The ordinance establishing a district shall specify the functions or activities to be exercised or funded and establish the boundaries of the district. A district shall include only those areas which can reasonably be expected to benefit from improvements to be funded by the district. Functions or activities proposed to be provided or funded by the district may not be expanded beyond those specified in the notice of hearing, unless additional notices are made, further hearings on the expansion are held, and further determinations are made that it is in the public interest to so expand the functions or activities proposed to be provided or funded.

(3) At any time before the city or county legislative authority establishes a transportation benefit district pursuant to this section, all further proceedings shall be terminated upon the filing of a verified declaration of termination signed by the owners of real property consisting of at least sixty percent of the assessed valuation in the proposed district. [1987 c 327 § 5.]

36.73.060 Authority to levy property tax. (1) A transportation benefit district may levy an ad valorem property tax in excess of the one percent limitation upon the property within the district for a one-year period whenever authorized by the voters of the district pursuant to RCW 84.52.052 and Article VII, section 2(a) of the state Constitution.

(2) A district may provide for the retirement of voter-approved general obligation bonds, issued for capital purposes only, by levying bond retirement ad valorem property tax levies in excess of the one percent limitation whenever authorized by the voters of the district pursuant to Article VII, section 2(b) of the state Constitution and RCW 84.52.056. [1987 c 327 § 6.]

36.73.070 Authority to issue general obligation bonds. (1) To carry out the purpose of this chapter, a transportation benefit district may issue general obligation bonds, not to exceed an amount, together with any other outstanding nonvoter-approved general obligation indebtedness, equal to three-eighths of one percent of the value of taxable property within the district, as the term "value of taxable property" is defined in RCW 39.36.015. A district may additionally issue general obligation bonds for capital purposes only, together with any outstanding general obligation indebtedness, not to exceed an amount equal to one and one-fourth percent of the value of the taxable property within the district, as the term "value of taxable property" is defined in RCW 39.36.015, when authorized by the voters of the district pursuant to Article VIII, section 6 of the state Constitution, and to provide for the retirement thereof by excess property tax levies as provided in RCW 36.73.060(2). The district may submit a single proposition to the voters that, if approved, authorizes both the issuance of the bonds and the bond retirement property tax levies.

(2) General obligation bonds with a maturity in excess of forty years shall not be issued. The governing body of the transportation benefit district shall by resolution determine for each general obligation bond issue the amount, date, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, manner of execution, manner of sale, callable provisions, if any, covenants, and form, including registration as to principal and interest, registration as to principal only, or bearer. Registration may include, but not be limited to: (a) A book entry system of recording the ownership of a bond whether or not physical bonds are issued; or (b) recording the ownership of a bond together with the requirement that the transfer of ownership may only be effected by the surrender of the old bond and the reissuance of a new bond to the new owner. Facsimile signatures may be used on the bonds and any coupons. Refunding general obligation bonds may be issued in the same manner as general obligation bonds are issued.

(3) Whenever general obligation bonds are issued to fund specific projects or enterprises that generate revenues, charges, user fees, or special assessments, the transportation benefit district which issues the bonds may specifically pledge all or a portion of the revenues, charges, user fees, or special assessments to refund the general obligation bonds. The district may also pledge any other revenues that may be available to the district. [1987 c 327 § 7.]

36.73.080 Local improvement districts authorized—Special assessments—Bonds. (1) A transportation benefit district may form a local improvement district to provide any transportation improvement it has the authority to provide, impose special assessments on all property specially benefited by the transportation improvements, and issue special assessment bonds or revenue bonds to fund the costs of the transportation improvement. Local improvement districts shall be created and assessments shall be made and collected pursuant to chapters 35.43, 35.44, 35.49, 35.50, 35.51, 35.53, and 35.54 RCW.

(2) The governing body of a transportation benefit district shall by resolution establish for each special assessment bond issue the amount, date, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, if any, covenants, and form, including registration as to principal and interest, registration as to principal only, or bearer. Registration may include, but not be limited to: (a) A book entry system of recording the ownership of a bond whether or not physical bonds are issued; or (b) recording the ownership of a bond together with the requirement that the transfer of
ownership may only be effected by the surrender of the old bond and either the reissuance of the old bond or the issuance of a new bond to the new owner. Facsimile signatures may be used on the bonds and any coupons. The maximum term of any special assessment bonds shall not exceed thirty years beyond the date of issue. Special assessment bonds issued pursuant to this section shall not be an indebtedness of the transportation benefit district issuing the bonds, and the interest and principal on the bonds shall only be payable from special assessments made for the improvement for which the bonds were issued and any local improvement guaranty fund that the transportation benefit district has created. The owner or bearer of a special assessment bond or any interest coupon issued pursuant to this section shall not have any claim against the transportation benefit district arising from the bond or coupon except for the payment from special assessments made for the improvement for which the bonds were issued and any local improvement guaranty fund the transportation benefit district has created. The district issuing the special assessment bonds is not liable to the owner or bearer of any special assessment bond or any interest coupon issued pursuant to this section for any loss occurring in the lawful operation of its local improvement guaranty fund. The substance of the limitations included in this subsection shall be plainly printed, written, or engraved on each special assessment bond issued pursuant to this section.

36.73.090 Printing of bonds. Where physical bonds are issued pursuant to RCW 36.73.070 or 36.73.080, the bonds shall be printed, engraved, or lithographed on good bond paper and the manual or facsimile signatures of both the treasurer and chairperson of the governing body shall be included on each bond. [1987 c 327 § 8.]

36.73.100 Use of bond proceeds. (1) The proceeds of any bond issued pursuant to RCW 36.73.070 or 36.73.080 may be used to pay costs incurred on such bond issue related to the sale and issuance of the bonds. Such costs include payments for fiscal and legal expenses, obtaining bond ratings, printing, engraving, advertising, and other similar activities.

(2) In addition, proceeds of bonds used to fund capital projects may be used to pay the necessary and related engineering, architectural, planning, and inspection costs. [1987 c 327 § 10.]

36.73.110 Acceptance and use of gifts and grants. A transportation benefit district may accept and expend or use gifts, grants, and donations. [1987 c 327 § 11.]

36.73.120 Imposition of fees on building construction or land development—Limitations. (1) A transportation benefit district may impose a fee or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land.

(2) Any fee or charge imposed under this section shall be used exclusively for transportation improvements constructed by a transportation benefit district. The fees or charges so imposed must be reasonably necessary as a result of the impact of collective development, construction, or classification or reclassification of land on identified transportation needs.

(3) When fees or charges are imposed by a district within which there is more than one city or both incorporated and unincorporated areas, the legislative authority for each city in the district and the county legislative authority for the unincorporated area must approve the imposition of such fees or charges before they take effect. Whenever any street in any town, having a population of less than one thousand persons, forms an extension of a county road of the county in which such town is located, and where the board of county commissioners of such county and the governing body of such town, prior to the commencement of any work, have mutually agreed and each adopted a resolution setting forth the nature and scope of the work to be performed and the share of the cost or labor which each shall bear, such county may expend county road funds for construction, improvement, repair, or maintenance of such street. [1963 c 4 § 36.75.205. Prior: 1959 c 83 § 1.]

36.75.207 Agreements for planning, establishment, construction, and maintenance of city streets by counties—Use of county road fund—Payment by city—Contracts, bids. See RCW 35.77.020 through 35.77.040.

36.75.210 Roads crossing and recrossing boundaries. Whenever a county road is established within any county, and such county road crosses the boundary of the county and again enters the county, the board of the county within which the major portion of the road is located may expend the county road fund of such county in laying out, establishing, constructing, altering, repairing, improving, and maintaining that portion of the road lying outside the county, in the manner provided by law for the expenditure of county funds for the construction, alteration, repair, improvement, and maintenance of county roads within the county. The board of any county may construct, maintain, and operate any county road which forms the boundary line between another county within the state or another county in any other state or which through its meandering crosses and recrosses such boundary; and acquire by purchase or condemnation any lands or rights within this state, either within or without its county, necessary for such boundary road; and enter into joint contracts with authorities of adjoining counties for the construction, operation, and maintenance of such boundary roads. The power of condemnation herein granted may be exercised jointly by two counties in the manner provided for bridges, or it may be exercised by a single county in the manner authorized by law. [1963 c 4 § 36.75.210. Prior: 1937 c 187 § 23; RRS § 6450–23. FORMER PART OF SECTION: 1943 c 82 § 3, part; 1937 c 187 § 26, part; Rem. Supp. 1943 § 6450–26, part, now codified in RCW 36.75.160.]

36.75.220 Connecting road across segment of third county. Whenever two counties are separated by an intervening portion of a third county not exceeding one mile in width, and each of such counties has constructed or shall construct a county road to the boundary thereof, and the boards of the two counties deem it beneficial to such counties to connect the county roads by the construction and maintenance of a county road across the intervening portion of the third county, it shall be lawful for the boards of the two counties to expend jointly the county road funds of their respective counties in acquiring right of way for the construction, improvement, repair, and maintenance of such connecting county road and any necessary bridges thereon, in the manner provided by law for the expenditure of county road funds for the construction, improvement, repair, and maintenance of county roads lying within a county. [1963 c 4 § 36.75.220. Prior: 1937 c 187 § 24; RRS § 6450–24.]

36.75.230 Acquisition of land under RCW 36.75.210 and 36.75.220. For the purpose of carrying into effect
RCW 36.75.210 and 36.75.220 and under the circumstances therein set out the boards may acquire land necessary for the right of way for any portion of a county road lying outside such county or counties by gift or purchase or by condemnation in the manner provided for the taking of property for public use by counties. [1963 c 4 § 36.75.230. Prior: 1937 c 187 § 25, part; RRS § 6450-25, part.]

36.75.240 Sidewalks and pedestrian paths or walks—Bicycle paths, lanes, routes, and roadways—Standards. The boards may expend funds credited to the county road fund from any county or road district tax levied for the construction of county roads for the construction of sidewalks, bicycle paths, lanes, routes, and roadways, and pedestrian allocated paths or walks. Bicycle facilities constructed or modified after June 10, 1982, shall meet or exceed the standards of the state department of transportation. [1982 c 55 § 2; 1974 ex.s. c 141 § 7; 1963 c 4 § 36.75.240. Prior: 1937 c 187 § 25, part; RRS § 6450-25, part.]

36.75.243 Curb ramps for physically handicapped. See RCW 35.68.075, 35.68.076.

36.75.250 State may intervene if maintenance neglected. If by any agreement with the federal government or any agency thereof or with the state or any agency thereof, a county has agreed to maintain certain county roads or any portion thereof and the maintenance is not being performed to the satisfaction of the federal government or the department, reasonably consistent with original construction, notice thereof may be given by the department to the legislative authority of the county, and if the county legislative authority does not within ten days provide for the maintenance, the department may perform the maintenance, and the state treasurer shall pay the cost thereof on vouchers submitted by the department and deduct the cost thereof from any sums in the motor vehicle fund credited or to be credited to the county in which the county road is located. [1984 c 7 § 30; 1963 c 4 § 36.75.250. Prior: 1937 c 187 § 46; RRS § 6450-46.]

Severability—1984 c 7: See note following RCW 47.01.141.

36.75.255 Street improvements—Provision of supplies or materials. Any county may assist a street abutter in improving the street serving the abutter's premises by providing asphalt, concrete, or other supplies or materials. The furnishing of supplies or materials or paying to the abutter the cost thereof and the providing of inspectors and other incidental personnel shall not render the street improvements a public work or improvement subject to competitive bidding. The legislative authority of such county shall approve any such assistance at a public meeting and shall maintain a public register of any such assistance setting forth the value, nature, purpose, date and location of the assistance and the name of the beneficiary. [1983 c 103 § 2.]

36.75.260 Annual report to secretary of transportation. Each county legislative authority shall on or before March 31st of each year submit such records and reports to the secretary of transportation, on forms furnished by the department, as are necessary to enable the secretary to compile an annual report on county highway operations. [1984 c 7 § 31; 1977 c 75 § 31; 1963 c 4 § 36.75.260. Prior: 1943 c 82 § 8; 1937 c 187 § 58; Rem. Supp. 1943 § 6450-58.]

Severability—1984 c 7: See note following RCW 47.01.141.

36.75.270 Limitation of type or weight of vehicles authorized—Penalty. The board of county commissioners of each county may by resolution limit or prohibit classes or types of vehicles on any county road or bridge and may limit the weight of vehicles which may travel thereon. Any such resolution shall be effective for a definite period of time which shall be stated in the resolution. If such resolution is published at least once in a newspaper of general circulation in the county and if signs indicating such closure or limitation of traffic have not been posted on such road or bridge, any person violating such resolution shall be guilty of a misdemeanor. [1963 c 4 § 36.75.270. Prior: 1949 c 156 § 8; Rem. Supp. 1949 § 6450-8g.]

Local restrictions or limitations of weight: RCW 46.44.080.

36.75.280 Centralized repair and storage of machinery, equipment, supplies, etc. All county road machinery, equipment, stores, and supplies, excepting stockpiles and other road building material, shall while not in use be stored and repaired at one centralized point in each county: Provided, That if the geography, topography, distance, or other valid economic considerations require more than one place for storage or repairs, the county commissioners may, by unanimous vote, authorize the same. [1963 c 4 § 36.75.280. Prior: 1949 c 156 § 4; Rem. Supp. 1949 § 6450-8d.]

36.75.290 General penalty. It shall be a misdemeanor for any person to violate any of the provisions of this title relating to county roads and bridges unless such violation is by this title or other law of this state declared to be a felony or gross misdemeanor. [1963 c 4 § 36.75.290. Prior: 1943 c 82 § 13, part; 1937 c 187 § 66, part; Rem. Supp. 1943 § 6450-66, part.]

36.75.300 Primitive roads—Classification and designation. The legislative authority of each county may by resolution classify and designate portions of the county roads as primitive roads where the designated road portion:

(1) Is not classified as part of the county primary road system, as provided for in RCW 36.86.070;
(2) Has a gravel or earth driving surface; and
(3) Has an average annual daily traffic of one hundred or fewer vehicles.

Any road designated as a primitive road shall be marked with signs indicating that it is a primitive road,
as provided in the manual of uniform traffic control devices, at all places where the primitive road portion begins or connects with a highway other than another primitive road. No design or signing or maintenance standards or requirements, other than the requirement that warning signs be placed as provided in this section, apply to primitive roads.

The design of a primitive road, and the location, placing, or failing to place road signs, other than the requirement that warning signs be placed as provided in this section, shall not be considered in any action for damages brought against a county, or against a county employee or county employees, or both, arising from vehicular traffic on the primitive road. [1985 c 369 § 2; 1980 c 45 § 1.]

36.76.080 Bonds authorized—Election. The legislative authority of any county may, whenever a majority thereof so decides, submit to the voters of their county the question whether the legislative authority shall be authorized to issue negotiable road bonds of the county in an amount subject to the limitations on indebtedness provided for in RCW 39.36.020(2), for the purpose of constructing a new road or roads, or improving established roads within the county, or for aiding in so doing, as herein prescribed.

The word "improvement" wherever used in this section and RCW 36.76.090, 36.76.100, 36.76.110, 36.76.120, and 36.76.130 shall embrace any undertaking for any or all of such purposes. The word "road" shall embrace all highways, roads, streets, avenues, bridges, and other public ways.

The provisions of this section and RCW 36.76.090, 36.76.100, 36.76.110, 36.76.120, and 36.76.130 shall apply not only to roads which are or shall be under the general control of the county, but also to all parts of state roads in such county and to all roads which are situated or are to be constructed wholly or partly within the limits of any incorporated city or town therein, provided the county legislative authority finds that they form or will become a part of the public highway system of the county, and will connect the existing roads therein. Such finding may be made by the county legislative authority at any stage of the proceedings before the actual delivery of the bonds.

The constructing or improving of any and all such roads, or the aiding therein, is declared to be a county purpose.

The question of the issuance of bonds for any undertaking which relates to a number of different roads or parts thereof, whether intended to supply the whole expenditure or to aid therein, may be submitted to the voters as a single proposition in all cases where such course is consistent with the provisions of the state Constitution. If the county legislative authority, in submitting a proposition relating to different roads or parts thereof, finds that such proposition has for its object the furtherance and accomplishment of the construction of a system of public and county highways in such county, and constitutes and has for its object a single purpose, such finding shall be presumed to be correct, and upon the issuance of the bonds the presumption shall become conclusive.

No proposition for bonds shall be submitted which proposes that more than forty percent of the proceeds thereof shall be expended within any city or town or within any number of cities and towns. [1983 c 167 § 90; 1971 c 76 § 2; 1970 ex.s. c 42 § 22; 1963 c 4 § 36.76.080. Prior: 1913 c 25 § 1; RRS § 5592.]

36.76.090 How to be held—Issuance of bonds. The election shall be held as provided in RCW 39.36.050. If three-fifths of the legal ballots cast on the question of issuing bonds for the improvement contemplated in RCW 36.76.080 are in favor of the bond issue, the county legislative authority must issue the general obligation bonds. Such bonds shall be issued and sold in accordance with chapter 39.46 RCW. [1984 c 186 § 31; 1983 c 167 § 91; 1970 ex.s. c 56 § 53; 1969 ex.s. c 232 § 29; 1963 c 4 § 36.76.090. Purpose—1984 c 186: See note following RCW 39.46.110.

Validation—Saving—Severability—1969 ex.s. c 232: See notes following RCW 39.52.020.

36.76.100 Notice of election. The notice of this election shall state which road or roads are to be built or improved. The notice need not describe the road or roads with particularity, but it shall be sufficient either to describe them by termini and with a general statement as to their course, or to use any other appropriate language sufficient to show the purpose intended to be accomplished. The county legislative authority may, at its option, give such other or further notice as it may deem advisable. [1984 c 186 § 32; 1963 c 4 § 36.76.100. Prior: 1913 c 25 § 4; RRS § 5595.]

Purpose—1984 c 186: See note following RCW 39.46.110.

36.76.110 Disposition of proceeds—City assistance. When the bonds are sold, the money arising therefrom shall be immediately paid into the treasury of the county, and shall be drawn only for the improvement for which they were issued, under the general direction of the board: Provided, That if the improvement includes in
whole or in part the constructing or improving of one or more roads, or any part or parts thereof, within the limits of an incorporated city or town, and if the county commissioners find that the amount of the proceeds of the bonds intended to be expended for the improvements within such corporate limits will probably not be sufficient to defray the entire expense of the improvement therein, and if they further find it to be equitable that the city or town should bear the remainder of the expense, they may postpone any expenditure therefor from the proceeds of the bonds until the city or town makes provision by ordinance for proceeding with the improvement within its corporate limits at its own expense insofar as concerns the cost thereof over and above the amount of bond proceeds available therefor.

In such case it shall be lawful for the county commissioners to consent, under such general directions as they shall impose, that the proper authorities of the city or town shall have actual charge of making the proposed improvement within the corporate limits. The city or town shall acquire any needed property or rights and do the work by contract or otherwise in accordance with its charter or ordinances, but the same shall be subject to the approval of the county commissioners insofar as concerns any payment therefor from the proceeds of the bonds.

In such case, as the work progresses and money is needed to pay therefor, the county commissioners shall, from time to time, by proper order, specifying the amount and purpose, direct the county treasurer to turn over to the city or town treasurer such part or parts of the proceeds of the bonds as may be justly applicable to such improvement or part thereof within such city or town, and any money so received by the city or town treasurer shall be inviolably applied to the purpose specified. When that portion of the entire improvement which lies within any such city or town can readily be separated into parts, the procedure authorized by this section may be pursued separately as to any one or more of such parts of the general improvement.

Nothing contained in this section shall be construed to render the county liable for any greater part of the expense of any improvement or part thereof within any city or town than the proper amount of the proceeds of such bonds, or to prevent the city or town from raising any part of the cost of any such improvement or part thereof, over and above the amount arising from the proceeds of the bonds, by assessment upon property benefited, or by contribution from any of its general or special funds in accordance with the provisions of the charter or laws governing such city or town. The provisions of this section, other than the direction for the payment into the county treasury of the money arising from the sale of the bonds, need not be complied with until after the issuance of the bonds and the validity of the bonds shall not be dependent upon such compliance. [1963 c 4 § 36.76.110. Prior: 1913 c 25 § 5; RRS § 5596.]

36.76.120 Payment of principal and interest. The county legislative authority must ascertain and levy annually a tax sufficient to pay the interest on all such bonds whenever it becomes due and to meet the annual maturities of principal. The county treasurer must pay out of any money accumulated from the taxes levied to pay the interest as aforesaid, the interest upon all such bonds when it becomes due as provided on the bond or, if coupons are attached to a bond, upon presentation at the place of payment of the proper coupon. Any interest payments or coupons so paid must be reported to the county legislative authority at its first meeting thereafter. Whenever interest is payable at any place other than the city in which the county treasurer keeps his office, the county treasurer shall seasonably remit to the state fiscal agent the amount of money required for the payment of any interest which is about to fall due. When any such bonds or any interest is paid, the county treasurer shall suitably and indelibly cancel them. [1984 c 186 § 33; 1983 c 167 § 92; 1963 c 4 § 36.76.120. Prior: 1913 c 25 § 3; RRS § 5594.]

Liberal construction—Severability—1983 c 167: See RCW 39.46.010 and note following.

36.76.130 Act cumulative. *This act shall not be construed as repealing or affecting any other act relating to the issuance of bonds for road or other purposes, but shall be construed as conferring additional power and authority. [1963 c 4 § 36.76.130. Prior: 1913 c 25 § 7; RRS § 5598.]

36.76.140 Toll bridge bonds authorized—Adjoining counties. The county legislative authority may, by majority vote, and by submission to the voters under the same procedure required in RCW 36.76.090 and 36.76.100, issue general obligation bonds for the purpose of contributing money, or the bonds themselves, to the department to help finance the construction of toll bridges across topographical formations constituting boundaries between the county and an adjoining county, or a toll bridge across topographical formation located wholly within an adjoining county, which in the discretion of the county legislative authority, directly or indirectly benefits the county. The bonds may be transferred to the department to be sold by it for the purposes outlined herein. The bonds may bear interest at a rate or rates as authorized by the county legislative authority. Such indebtedness is subject to the limitations on indebtedness provided for in RCW 39.36.020(2). [1984 c 7 § 32; 1971 c 76 § 3; 1970 ex.s. c 56 § 54; 1969 ex.s. c 232 § 30; 1963 c 4 § 36.76.140. 36.77.040 Award of contract—Bond. The board shall proceed to award the contract to the lowest and best bidder but may reject any or all bids if in its opinion good cause exists therefor. The board shall require from the successful bidder a contractor's bond in the amount and with the conditions imposed by law. Should the bidder to whom the contract is awarded fail to enter into the contract and furnish the contractor's bond as required within ten days after notice of the award, exclusive of the day of notice, the amount of the bid deposit shall be forfeited to the county and placed in the county road fund and the contract awarded to the next lowest and best bidder. The bid deposit of all unsuccessful bidders shall be returned after the contract is awarded and the required contractor's bond given by the successful bidder is accepted by the board. 36.77.065 Day labor construction projects or programs—"County road construction budget" defined—Amounts—Violations. The board may cause any county road to be constructed or improved by day labor as provided in this section.

(1) As used in this section, "county road construction budget" means the aggregate total of those costs as defined by the budgeting, accounting, and reporting system for counties and cities and other local governments authorized under RCW 43.09.200 and 43.09.230 as prescribed in the state auditor's budget, accounting, and reporting manual's (BARS) road and street construction accounts 541.00 through 541.90 in effect April 1, 1975: Provided, That such costs shall not include those costs assigned to the preliminary engineering account 541.11, right of way accounts 541.20 through 541.25, ancillary operations account 541.80, and ferries account 541.81 in the budget, accounting, and reporting manual.

(2) The total amount of day labor construction programs one county may perform annually shall total no more than the amounts determined in the following manner:

(a) Any county with a total annual county road construction budget of four million dollars or more may accumulate a day labor road construction budget equal to no more than eight hundred thousand dollars or fifteen percent of the county's total annual county road construction budget, whichever is greater.

(b) Any county with a total annual county road construction budget over one million five hundred thousand dollars and less than four million dollars may accumulate a day labor road construction budget equal to not more than five hundred twenty-five thousand dollars or twenty percent of the county's total annual county road construction budget, whichever is greater.

(c) Any county with a total annual county road construction budget over five hundred thousand dollars and less than one million five hundred thousand dollars may accumulate a day labor road construction budget equal to two hundred fifty thousand dollars or thirty-five percent of the county's total annual county road construction budget, whichever is greater.

(d) Any county with a total annual county road construction budget less than five hundred thousand dollars may accumulate a day labor road construction budget equal to two hundred fifty thousand dollars: Provided, That any county with a total annual road construction budget of less than five hundred thousand dollars may, by resolution of the board at the time the county road
construction budget is adopted, elect to construct or improve county roads by day labor in an amount not to exceed thirty-five thousand dollars on any one project, including labor, equipment, and materials; such election to be in lieu of the two hundred fifty thousand dollar limit provided for in this section, except that any project means a complete project and the division of any project into units of work or classes of work so as to permit construction by day labor is not authorized.

Any county that adopts a county road construction budget unreasonably exceeding that county's actual road construction expenditures for the same budget year which has the effect of permitting the county to exceed the day labor amounts established in this section is in violation of the county road administration board's standards of good practice under RCW 36.78.020 and is in violation of this section. Any county, whose expenditure for day labor for road construction projects unreasonably exceeds the limits specified in this section, is in violation of the county road administration board's standards of good practice under RCW 36.78.020 and is in violation of this section.

(3) Notwithstanding any other provision in this section, whenever the construction work or improvement is the installation of electrical traffic control devices, highway illumination equipment, electrical equipment, wires, or equipment to convey electrical current, in an amount exceeding ten thousand dollars for any one project including labor, equipment, and materials, such work shall be performed by contract as in this chapter provided. This section means a complete project and does not permit the construction of any project by day labor by division of the project into units of work or classes of work. [1980 c 40 § 1.]

Effective date—1980 c 40: "This act shall take effect on January 1, 1981." [1980 c 40 § 3.] For codification of 1980 c 40, see Codification Tables, Volume 0.

Pilot program—Bidding and day labor limits suspended: RCW 47.28.190.

36.77.070 Publication of information on day labor projects—Penalty—Prosecution. If the board determines that any construction should be performed by day labor, and the estimated cost of the work exceeds twenty-five hundred dollars, it shall cause to be published in one issue of a newspaper of general circulation in the county, a brief description of the work to be done and the county road engineer's estimate of the cost thereof. At the completion of such construction, the board shall cause to be published in one issue of such a newspaper a similar brief description of the work together with an accurate statement of the true and complete cost of performing such construction by day labor.

Failure to make the required publication shall subject each county commissioner to a fine of one hundred dollars for which he shall be liable individually and upon his official bond and the prosecuting attorney shall prosecute for violation of the provisions of this section and RCW 36.77.065. [1983 c 3 § 81; 1963 c 4 § 36.77.070. Prior: 1949 c 156 § 9, part; 1943 c 82 § 4, part; 1937 c 187 § 34, part; Rem. Supp. 1949 § 6450–34, part.]

Election as chairman shall not affect the member's right to vote on all matters before the board. The board shall meet at such other times as it deems advisable but at least once quarterly and shall from time to time adopt rules and regulations for its own government and as may be necessary for it to discharge its duties and exercise its powers under this chapter. (3) The state treasurer, upon receiving a notice that a certificate of good practice will not be issued on behalf of a county, or that a previously issued certificate of good practice has been revoked, shall, effective the first day of the month after that in which notice is received, withhold from such county its share of motor vehicle fuel taxes distributable pursuant to RCW 46.68.120 until the board thereafter issues on behalf of such county a certificate of good practice or a conditional certificate. After withholding or revoking a certificate of good practice with respect to any county, the board may thereafter at any time issue such a certificate or a conditional certificate when the board is satisfied that the county has complied or is diligently attempting to comply with the requirements of subsection (1) of this section.

(4) The board may, upon notice and a hearing, revoke a previously issued certificate of good practice or substitute a conditional certificate therefor when, after issuance of a certificate of good practice, any county fails to meet the requirements of subsection (1) (a) and (b) of this section, but the board shall in such case notify the county and the state treasurer of its reasons for the revocation or substitution.

The issuance of such a conditional certificate shall be upon terms and conditions as shall be deemed by the board to be appropriate. In the event a county on whose behalf a conditional certificate is issued fails to comply with the terms and conditions of such certificate, the board may forthwith cancel or modify such certificate notifying the state treasurer thereof. In such case the state treasurer shall thereafter withhold from such county all or the designated portion of its share of the motor vehicle fuel taxes as provided in RCW 36.78.090. 36.79.010 Definitions. The definitions set forth in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Rural arterial program" means improvement projects on those two systems of county roads in rural areas classified as major collectors and minor collectors in accordance with the federal functional classification system.

(2) "Rural area" means every area of the state outside of areas designated as urban areas by the state transportation commission with the approval of the secretary of the United States department of transportation in accordance with federal law.

(3) "Board" means the county road administration board created by RCW 36.78.030. [1983 1st ex.s. c 49 § 1.]

36.79.020 Rural arterial trust account. There is created in the motor vehicle fund the rural arterial trust account. All moneys deposited in the motor vehicle fund to be credited to the rural arterial trust account shall be expended for the construction and improvement of county major and minor collectors in rural areas and for those expenses of the board associated with the administration of the rural arterial program. [1983 1st ex.s. c 49 § 2.]

Certain motor vehicle fuel tax revenues to be deposited in rural arterial trust account: RCW 82.36.025.

36.79.030 Apportionment of rural arterial trust account funds—Regions established. For the purpose of apportioning rural arterial trust account funds, the state is divided into five regions as follows:

(1) The Puget Sound region includes those areas within the counties of King, Pierce, and Snohomish.

(2) The northwest region includes those areas within the counties of Clallam, Jefferson, Island, Kitsap, San Juan, Skagit, and Whatcom.

(3) The northeast region includes those areas within the counties of Adams, Chelan, Douglas, Ferry, Grant,
Lincoln, Okanogan, Pend Oreille, Spokane, Stevens, and Whitman.

(4) The southeast region includes those areas within the counties of Asotin, Benton, Columbia, Franklin, Garfield, Kittitas, Klickitat, Walla Walla, and Yakima.

(5) The southwest region includes those areas within the counties of Clark, Cowlitz, Grays Harbor, Lewis, Mason, Pacific, Skamania, Thurston, and Wahkiakum. [1983 1st ex.s. c 49 § 3.]

36.79.040 Apportionment of rural arterial trust account funds—Apportionment formula. Funds available for expenditure by the board pursuant to RCW 36.79.020 shall be apportioned to the five regions for expenditure upon county arterials in rural areas in the following manner:

(1) One-third in the ratio which the land area of the rural areas of each region bears to the total land area of all rural areas of the state;

(2) Two-thirds in the ratio which the mileage of county major and minor collectors in rural areas of each region bears to the total mileage of county major and minor collectors in all rural areas of the state.

The board shall adjust the schedule for apportionment of such funds to the five regions in the manner provided in this section in the beginning of each fiscal biennium. [1983 1st ex.s. c 49 § 4.]

36.79.050 Apportionment of rural arterial trust account funds—Establishment of apportionment percentages. At the beginning of each fiscal biennium, the board shall establish apportionment percentages for the five regions defined in RCW 36.79.030 in the manner prescribed in RCW 36.79.040 for that biennium. The apportionment percentages shall be used once each calendar year by the board to apportion funds credited to the rural arterial trust account that are available for expenditure for rural major and minor collector projects. The funds so apportioned shall remain apportioned until expended on construction projects in accordance with rules of the board. Within each region, funds shall be allocated by the board to counties for the construction of specific rural arterial projects on major and minor collectors in accordance with the procedures set forth in this chapter. [1983 1st ex.s. c 49 § 5.]

36.79.060 Powers and duties of board. The board shall:

(1) Adopt rules necessary to implement the provisions of this chapter relating to the allocation of funds in the rural arterial trust account to counties;

(2) Adopt reasonably uniform design standards for county major and minor collectors that meet the requirements for trucks transporting commodities;

(3) Report biennially on the first day of November of the even-numbered years to the legislative transportation committee and the house and senate transportation committees regarding the progress of counties in developing plans for their rural major and minor collector construction programs and the allocation of rural arterial trust funds to the counties. [1983 1st ex.s. c 49 § 6.]

36.79.070 Board may contract with department of transportation for staff services and facilities. The board may contract with the department of transportation to furnish any necessary staff services and facilities required in the administration of the rural arterial program. The cost of such services that are attributable to the rural arterial program, together with travel expenses in accordance with RCW 43.03.050 and 43.03.060 of the members and all other lawful expenses of the board that are attributable to the rural arterial program, shall be paid from the rural arterial trust account in the motor vehicle fund. [1983 1st ex.s. c 49 § 7.]

36.79.080 Six-year program for rural arterial improvements—Selection of priority improvement projects. In preparing their respective six-year programs relating to rural arterial improvements, counties shall select specific priority improvement projects for each functional class of arterial based on the rating of each arterial section proposed to be improved in relation to other arterial sections within the same functional class, taking into account the following:

(1) Its structural ability to carry loads imposed upon it;

(2) Its capacity to move traffic at reasonable speeds;

(3) Its adequacy of alignment and related geometries;

(4) Its accident experience; and

(5) Its fatal accident experience.

The six-year construction programs shall remain flexible and subject to annual revision as provided in RCW 36.81.121. [1983 1st ex.s. c 49 § 8.]

36.79.090 Six-year program for rural arterial improvements—Review and revision by board. Upon receipt of a county's revised six-year program, the board as soon as practicable shall review and may revise the construction program as it relates to rural arterials for which rural arterial trust account moneys are requested as necessary to conform to (1) the priority rating of the proposed project, based upon the factors in RCW 36.79.080, in relation to proposed projects in all other rural arterial construction programs submitted by the counties and within each region; and (2) the amount of rural arterial trust account funds that the board estimates will be apportioned to the region. [1983 1st ex.s. c 49 § 10.]

36.79.100 Rural arterial improvements—Coordination with municipal and state projects. Whenever a rural arterial enters a city or town, the proper city or town and county officials shall jointly plan the improvement of the arterial in their respective long-range plans. Whenever a rural arterial connects with and will be substantially affected by a programmed construction project on a state highway, the proper county officials shall jointly plan the development of such arterial with the department of transportation district administrator. The board shall adopt rules encouraging the system development of county-city arterials in rural areas and rural arterials with state highways. [1983 1st ex.s. c 49 § 9.]
36.79.110 Coordination of urban arterial board and county road administration board. The county road administration board and the urban arterial board shall jointly adopt rules to assure coordination of their respective programs especially with respect to projects proposed by the group of incorporated cities outside the boundaries of federally approved urban areas, and to encourage the system development of county–city arterials in rural areas. [1983 1st ex.s. c 49 § 11.]

36.79.120 Rural arterial trust account—Matching funds. Counties receiving funds from the rural arterial trust account for construction of arterials shall provide such matching funds as established by rules recommended by the board, subject to review, revision, and final approval by the state transportation commission. Matching requirements shall be established after appropriate studies by the board, taking into account financial resources available to counties to meet arterial needs. [1983 1st ex.s. c 49 § 12.]

36.79.130 Recommended budget for expenditures from rural arterial trust account—Inclusion in transportation budget. Not later than November 1st of each even–numbered year the board shall prepare and present to the state transportation commission a recommended budget for expenditures from the rural arterial trust account during the ensuing biennium. The budget shall contain an estimate of the revenues to be credited to the rural arterial trust account.

The state transportation commission shall review the budget as recommended, revise the budget as it deems proper, and include the budget as revised as a separate section of the transportation budget which it shall submit to the governor pursuant to chapter 43.88 RCW. [1983 1st ex.s. c 49 § 13.]

36.79.140 Expenditures from rural arterial trust account—Approval by board. At the time the board reviews the six–year program of each county each even–numbered year, it shall consider and shall approve for inclusion in its recommended budget, as required by RCW 36.79.130, the portion of the rural arterial construction program scheduled to be performed during the biennial period beginning the following July 1st. Subject to the appropriations actually approved by the legislature, the board shall as soon as feasible approve rural arterial trust account funds to be spent during the ensuing biennium for preliminary proposals in priority sequence as established pursuant to RCW 36.79.090. Only those counties that during the preceding twelve months have spent all revenues collected for road purposes only for such purposes, including traffic law enforcement, as are allowed to the state by Article II, section 40 of the state Constitution are eligible to receive funds from the rural arterial trust account: Provided however, That counties of the seventh class are exempt from this eligibility restriction. The board shall authorize rural arterial trust account funds for the construction project portion of a project previously authorized for a preliminary proposal in the sequence in which the preliminary proposal has been completed and the construction project is to be placed under contract. At such time the board may reserve rural arterial trust account funds for expenditure in future years as may be necessary for completion of preliminary proposals and construction projects to be commenced in the ensuing biennium.

The board may, within the constraints of available rural arterial trust funds, consider additional projects for authorization upon a clear and conclusive showing by the submitting county that the proposed project is of an emergent nature and that its need was unable to be anticipated at the time the six–year program of the county was developed. The proposed projects shall be evaluated on the basis of the priority rating factors specified in RCW 36.79.080. [1984 c 113 § 1; 1983 1st ex.s. c 49 § 14.]

36.79.150 Allocation of funds to rural arterial projects—Subsequent application for increased allocation. Whenever the board approves a rural arterial project it shall determine the amount of rural arterial trust account funds to be allocated for such project. The allocation shall be based upon information contained in the six–year plan submitted by the county seeking approval of the project and upon such further investigation as the board deems necessary. The board shall adopt reasonable rules pursuant to which rural arterial trust account funds allocated to a project may be increased upon a subsequent application of the county constructing the project. The rules adopted by the board shall take into account, but shall not be limited to, the following factors: (1) The financial effect of increasing the original allocation for the project upon other rural arterial projects either approved or requested; (2) whether the project for which an additional allocation is requested can be reduced in scope while retaining a usable segment; (3) whether the original cost of the project shown in the applicant's six–year program was based upon reasonable engineering estimates; and (4) whether the requested additional allocation is to pay for an expansion in the scope of work originally approved. [1983 1st ex.s. c 49 § 15.]

36.79.160 Payment of rural arterial trust account funds. (1) Upon completion of a preliminary proposal, the county submitting the proposal shall submit to the board its voucher for payment of the trust account share of the cost. Upon the completion of an approved rural arterial construction project, the county constructing the project shall submit to the board its voucher for the payment of the trust account share of the cost. The chairman of the board or his designated agent shall approve such voucher when proper to do so, for payment from the rural arterial trust account to the county submitting the voucher.

(2) The board may adopt rules providing for the approval of payments of funds in the rural arterial trust account to a county for costs of preliminary proposal, and costs of construction of an approved project from time to time as work progresses. These payments shall at no time exceed the rural arterial trust account share of

[Title 36 RCW—p 174] (1987 Ed.)
the costs of construction incurred to the date of the voucher covering the payment. [1983 1st ex.s. c 49 § 17.]

36.79.170 County may appeal decision of board—Hearing. The legislative body of any county feeling aggrieved by any action or decision of the board with respect to this chapter may appeal to the secretary of transportation by filing a notice of appeal within ninety days after the action or decision of the board. The notice shall specify the action or decision of which complaint is made. The secretary shall fix a time for a hearing on the appeal at the earliest convenient time and shall notify the county auditor and the chairman of the board by certified mail at least twenty days before the date of the hearing. At the hearing the secretary shall receive evidence from the county filing the appeal and from the board. After the hearing the secretary shall make such order as in the secretary’s judgment is just and proper. [1983 1st ex.s. c 49 § 18.]

36.79.900 Severability—1983 1st ex.s. c 49. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1983 1st ex.s. c 49 § 32.]

36.79.901 Effective date—1983 1st ex.s. c 49. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect on July 1, 1983. [1983 1st ex.s. c 49 § 33.]

Such recommended plan need not be limited to but shall include the following items: Recommended projects, including capital expenditures for ferries, docks, and related facilities, and their priority; the estimated cost of all work, including labor and materials for each project recommended; a statement as to whether such work is to be done by the county forces or by publicly advertised contract; a list of all recommended repairs to and purchases of road equipment, together with the estimated costs thereof. Amounts to be expended for maintenance and special maintenance shall be recommended, but details of these proposed expenditures shall not be made. The recommended plan shall conform as nearly as practicable to the county's long range road program.

Within two weeks after the filing of the road engineer's recommended plan, the county legislative authority shall consider the same. Revisions and changes may be made until a plan which is agreeable to a majority of the members of the county legislative authority has been adopted: Provided, That such revisions shall conform as nearly as practicable to the county's long range road program. Any appropriations contained in the county road budget shall be void unless the county's road plan was adopted prior to such appropriation.

The final road plan for the fiscal year shall not thereafter be changed except by unanimous vote of the county legislative authority. [1975 1st ex.s. c 21 § 4; 1963 c 4 § 36.81.130. Prior: 1949 c 156 § 7; Rem. Supp. 1949 § 6450-8f.]

Chapter 36.83
ROADS AND BRIDGES—SERVICE DISTRICTS

Sections
36.83.010 Service districts authorized—Bridge and road improvements—Powers—Governing body. The legislative authority of a county may establish one or more service districts within the county for the purpose of providing and funding capital and maintenance costs for any bridge or road improvement or for providing and funding capital costs for any state highway improvement a county or a road district has the authority to provide. A service district may not include any area within the corporate limits of a city or town unless the city or town governing body adopts a resolution approving inclusion of the area within its limits. A service district is a quasi municipal corporation, an independent taxing "authority" within the meaning of Article VII, section 1 of the state Constitution, and a "taxing district" within the meaning of Article VII, section 2 of the state Constitution.

A service district shall constitute a body corporate and shall possess all the usual powers of a corporation for public purposes as well as all other powers that may now or hereafter be specifically conferred by statute, including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, and to sue and be sued. All projects constructed by a service district pursuant to the provisions of this chapter shall be competitively bid and contracted.

The county legislative authority shall be the governing body of a service district. The county treasurer shall act as the ex officio treasurer of the service district. The electors of a service district are all registered voters residing within the district. [1985 c 400 § 2; 1983 c 130 § 1.]

County may fund improvements to state highways: RCW 36.75.035.

36.83.020 Establishment, dissolution, or modification of boundaries—Notice, hearing—Termination of proceedings. (1) A county legislative authority proposing to establish a service district, or to modify the boundaries of an existing service district, or to dissolve an existing service district, shall conduct a hearing at the time and place specified in a notice published at least once, not less than ten days prior to the hearing, in a newspaper of general circulation within the proposed service district. This notice shall be in addition to any other notice required by law to be published. The notice shall, where applicable, specify the functions or activities proposed to be provided or funded, or the additional functions or activities proposed to be provided or funded, by the service district. Additional notice of the hearing may be given by mail, posting within the proposed service district, or in any manner the county legislative authority deems necessary to notify affected persons. All hearings shall be public and the county legislative authority shall hear objections from any person affected by the formation, modification of the boundaries, or dissolution of the service district.

(2) Following the hearing held pursuant to subsection (1) of this section, the county legislative authority may establish a service district, modify the boundaries or functions of an existing service district, or dissolve an existing service district, if the county legislative authority finds the action to be in the public interest and adopts an ordinance providing for the action. The ordinance establishing a service district shall specify the functions or activities to be exercised or funded and establish the boundaries of the service district. Functions or activities proposed to be provided or funded by the service district may not be expanded beyond those specified in the notice of hearing, unless additional notices are made, further hearings on the expansion are held, and further determinations are made that it is in the public interest to so expand the functions or activities proposed to be provided or funded.

(3) At any time prior to the county legislative authority establishing a service district pursuant to this section, all further proceedings shall be terminated upon the filing of a verified declaration of termination signed by the owners of real property consisting of at least sixty percent of the assessed valuation in the proposed service district. [1983 c 130 § 2.]

36.83.030 Excess ad valorem property taxes authorized. (1) A service district may levy an ad valorem property tax, in excess of the one percent limitation, upon the property within the district for a one-year period whenever authorized by the voters of the district pursuant to RCW 84.52.052 and Article VII, section 2(a) of the state Constitution.

(2) A service district may provide for the retirement of voter approved general obligation bonds, issued for capital purposes only, by levying bond retirement ad valorem property tax levies, in excess of the one percent limitation, whenever authorized by the voters of the district pursuant to Article VII, section 2(b) of the state Constitution and RCW 84.52.056. [1983 c 130 § 3.]

36.83.040 General obligation bonds, excess property tax levies authorized—Limitations. (1) To carry out the purpose of this chapter, a service district may issue general obligation bonds, not to exceed an amount, together with any other outstanding nonvoter approved general obligation indebtedness, equal to three-eighths of one percent of the value of taxable property within the district, as the term "value of taxable property" is
defined in RCW 39.36.015. A service district may additionally issue general obligation bonds for capital purposes only, together with any outstanding general obligation indebtedness, not to exceed an amount equal to one and one-fourth percent of the value of the taxable property within the district, as the term "value of taxable property" is defined in RCW 39.36.015, when authorized by the voters of the service district pursuant to Article VIII, section 6 of the state Constitution, and to provide for the retirement thereof by excess property tax levies as provided in RCW 36.83.030(2). The service district may submit a single proposition to the voters which, if approved, authorizes both the issuance of the bonds and the bond retirement property tax levies.

(2) General obligation bonds with a maturity in excess of forty years shall not be issued. The governing body of the service district shall by resolution determine for each general obligation bond issue the amount, date, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, manner of execution, manner of sale, callable provisions, if any, covenants, and form, including registration as to principal and interest, registration as to principal only, or bearer. Registration may include, but not be limited to: (a) A book entry system of recording the ownership of a bond whether or not physical bonds are issued; or (b) recording the ownership of a bond together with the requirement that the transfer of ownership may only be effected by the surrender of the old bond and either the reissuance of the old bond or the issuance of a new bond to the new owner. Facsimile signatures may be used on the bonds and any coupons. Refunding general obligation bonds may be issued in the same manner as general obligation bonds are issued.

(3) Whenever general obligation bonds are issued to fund specific projects or enterprises that generate revenues, charges, user fees, or special assessments, the service district which issues the bonds may specifically pledge all or a portion of the revenues, charges, user fees, or special assessments to refund the general obligation bonds. [1983 c 130 § 4.]

36.83.050 Local improvement districts authorized—Assessments—Special assessment bonds and revenue bonds—Limitations. (1) A service district may form a local improvement district or utility improvement district to provide any local improvement it has the authority to provide, impose special assessments on all property specially benefited by the local improvements, and issue special assessment bonds or revenue bonds to fund the costs of the local improvement. Improvement districts shall be created and assessments shall be made and collected pursuant to chapters 35.43, 35.44, 35.49, 35.50, 35.53, and 35.54 RCW.

(2) The governing body of a service district shall by resolution establish for each special assessment bond issue the amount, date, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, if any, covenants, and form, including registration as to principal and interest, registration as to principal only, or bearer. Registration may include, but not be limited to: (a) A book entry system of recording the ownership of a bond whether or not physical bonds are issued; or (b) recording the ownership of a bond together with the requirement that the transfer of ownership may only be effected by the surrender of the old bond and either the reissuance of the old bond or the issuance of a new bond to the new owner. Facsimile signatures may be used on the bonds and any coupons. The maximum term of any special assessment bonds shall not exceed thirty years beyond the date of issue. Special assessment bonds issued pursuant to this section shall not be an indebtedness of the service district issuing the bonds, and the interest and principal on the bonds shall only be payable from special assessments made for the improvement for which the bonds were issued and any local improvement guaranty fund that the service district has created. The owner or bearer of a special assessment bond or any interest coupon issued pursuant to this section shall not have any claim against the service district arising from the bond or coupon except for the payment from special assessments made for the improvement for which the bonds were issued and any local improvement guaranty fund the service district has created. The service district issuing the special assessment bonds is not liable to the owner or bearer of any special assessment bond or any interest coupon issued pursuant to this section for any loss occurring in the lawful operation of its local improvement guaranty fund. The substance of the limitations included in this subsection shall be plainly printed, written, or engraved on each special assessment bond issued pursuant to this section.

(3) The governing body may establish and pay monies into a local improvement guaranty fund to guarantee special assessment bonds issued by the service district.

(4) The governing body of a service district shall provide for the payment of both the special assessments which are imposed and a portion of the utility income from the utility improvement into a special fund established for the payment of the revenue bonds to defray the cost of the utility local improvement district whenever it desires to create a utility local improvement district and issue revenue bonds to fund the local improvement. [1983 c 130 § 5.]

36.83.060 Bonds—Form. Where physical bonds are issued pursuant to RCW 36.83.040 or 36.83.050, the bonds shall be printed, engraved, or lithographed on good bond paper and the manual or facsimile signatures of both the treasurer and chairperson of the governing body shall be included on each bond. [1983 c 130 § 6.]

36.83.070 Bonds—Use of proceeds. (1) The proceeds of any bond issued pursuant to RCW 36.83.040 or 36.83.050 may be used to pay costs incurred on such bond issue related to the sale and issuance of the bonds. Such costs include payments for fiscal and legal expenses, obtaining bond ratings, printing, engraving, advertising, and other similar activities.
(2) In addition, proceeds of bonds used to fund capital projects may be used to pay the necessary and related engineering, architectural, planning, and inspection costs. [1983 c 130 § 7.]

36.83.080 Gifts, grants, and donations. A service district may accept and expend or use gifts, grants, and donations. [1983 c 130 § 8.]

36.83.090 Eminent domain. A service district may exercise the power of eminent domain to obtain property for its authorized purposes in the manner counties exercise the powers of eminent domain. [1983 c 130 § 9.]

36.83.900 Liberal construction. The rule of strict construction does not apply to this chapter, and this chapter shall be liberally construed to permit the accomplishment of its purposes. [1983 c 130 § 10.]

When the board so directs, the prosecuting attorney of the county shall institute proceedings in condemnation to acquire such land for a county road in the manner provided by law for the condemnation of land for public use by counties. All cost of acquiring land for right-of-way or for other purposes by purchase or condemnation shall be paid out of the county road fund of the county and chargeable against the project for which acquired. [1963 c 4 § 36.85.010. Prior: 1937 c 187 § 9; RRS § 6450–9.]

Such rights-of-way shall henceforward not be less than sixty feet in width unless a lesser width is specified by the United States. When a person who has erected or who maintains such a sign, signboard, or billboard or when a railroad company permits such brush or timber in the vicinity of a railroad grade crossing with a county road or permits the surface of a grade crossing to become inconvenient or dangerous for passage and who has the duty to maintain it, fails, neglects, or refuses to remove or cause to be removed such brush, timber, sign, signboard, or billboard, or maintain the surface of the crossing, the utilities and transportation commission upon complaint of the county legislative authority or upon complaint of any party interested, or upon its own motion, shall enter upon a hearing in the manner now provided for hearings with respect to railroad—highway grade crossings, and make and enforce proper orders for the removal of the brush, timber, sign, signboard or billboard, or maintenance of the crossing. The legislative authority may (1) require the petitioners to make an appropriate cash deposit or furnish an appropriate bond against which all costs and expenses incurred in the examination, report, and proceedings pertaining to the petition shall be charged; or (2) by ordinance or resolution require the petitioners to pay a fee adequate to cover such costs and expenses. Its decision shall be entered in the minutes of the hearing.

(2) As an alternative, the county legislative authority may appoint a hearing officer to conduct a public hearing to consider the report of the engineer and to take testimony and evidence relating to the proposed vacation. Following the hearing, the hearing officer shall prepare a record of the proceedings and a recommendation to the county legislative authority concerning the proposed vacation. Their decision shall be made at a regular or special public meeting of the county legislative authority. [1985 c 369 § 5; 1963 c 4 § 36.87.060. Prior: 1937 c 187 § 51, part; RRS § 6450–51, part.]

Any ordinance adopted pursuant to this chapter may require that compensation for the vacation of county roads within particular classes shall equal all or a percentage of the appraised value of the vacated road as of the effective date of the vacation. Costs of county appraisals of roads pursuant to such ordinances shall be deemed expenses incurred in vacation proceedings, and shall be paid in the manner provided by RCW 36.87.070. [1969 ex.s. c 185 § 6.]

36.87.130 Vacation of roads abutting bodies of water prohibited unless for public purposes or industrial use. Such counties have the power to levy and collect special assessments against the real property specially benefited thereby for the purpose of paying the whole or any part of the cost of such acquisition of rights of way, construction, or improvement. [1985 c 400 § 3; 1985 c 369 § 7; 1965 c 60 § 1; 1963 c 84 § 1; 1963 c 4 § 36.88.010. Prior: 1959 c 134 § 1; 1951 c 192 § 1.]
Reviser’s note: This section was amended by 1985 c 369 § 7 and by 1985 c 400 § 3, each without reference to the other. Both amendments are incorporated in the publication of this section pursuant to RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

County may fund improvements to state highways: RCW 36.75.035.

36.88.015 Additional purposes. All counties have the power to create county road improvement districts for the construction, installation, improvement, operation, and maintenance of street and road lighting systems for any county roads, and subject to the approval of the county road engineer to submit to the board of county commissioners and of the area within the limits of the county road improvement district to be created therefor. [1963 c 4 § 36.88.015. Prior: 1959 c 75 § 4; 1953 c 152 § 1.]

Severability—1984 c 7: See note following RCW 47.01.141.

36.88.020 Formation of district—How initiated. County road improvement districts may be initiated either by resolution of the board of county commissioners or by petition signed by the owners according to the records of the office of the county auditor of property to an aggregate amount of the majority of the lien holders upon the contemplated improvement and of the area within the limits of the county road improvement district to be created therefor. [1963 c 4 § 36.88.020. Prior: 1951 c 192 § 2.]

36.88.030 Formation of district—By resolution of intention—Procedure. In case the board of county commissioners shall desire to initiate the formation of a county road improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed road improvement district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, notifying the owners of property therein to appear at a meeting of the board at or prior to the date fixed for such hearing a diagram or print showing thereon the lots, tracts and parcels of land and other property which will be specially benefited thereby and the estimated amount of the cost and expense of such improvement to be borne by each lot, tract or parcel of land or other property, and also designating thereon all property which is being purchased under contract from the county. The resolution of intention shall be published in at least two consecutive issues of a newspaper of general circulation in such county, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of county commissioners.

Notice of the adoption of the resolution of intention shall be given each owner or reputed owner of any lot, tract or parcel of land or other property within the proposed improvement district by mailing said notice to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer at the address shown thereon at least fifteen days before the date fixed for the public hearing. The notice shall refer to the resolution of intention and designate the proposed improvement district by number. Said notice shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract or parcel, the date and place of the hearing before the board of county commissioners, and shall contain the directions hereinafter provided for voting upon the formation of the proposed improvement district.

The clerk of the board shall prepare and mail, together with the notice above referred to, a ballot for each owner or reputed owner of any lot, tract or parcel of land within the proposed improvement district. This ballot shall contain the following proposition:

"Shall ________ county road improvement district No. ________ be formed?

Yes ________________ □

No ________________ □"

and, in addition, shall contain appropriate spaces for the signatures of the property owners, and a description of their property, and shall have printed thereon the direction that all ballots must be signed to be valid and must be returned to the clerk of the board of county commissioners not later than five o'clock p.m. of a day which shall be one week after the date of the public hearing.

The notice of adoption of the resolution of intention shall also contain the above directions, and, in addition thereto, shall state the rules by which the election shall be governed. [1970 ex.s. c 66 § 2; 1963 c 84 § 3; 1963 c 4 § 36.88.030. Prior: 1951 c 192 § 3.]

36.88.040 Formation of district—By resolution of intention—Election—Rules. The election provided herein for cases where the improvement is initiated by resolution shall be governed by the following rules: (1) All ballots must be signed by the owner or reputed owner of property within the proposed district according to the records of the county auditor; (2) each ballot must be returned to the clerk of the board not later than one week after the public hearing; (3) each property owner shall have one vote for each full dollar of estimated assessment against his property as determined by the preliminary estimates and assessment roll; (4) the valid ballots shall be tabulated and a majority of the votes cast shall determine whether the formation of the district shall be approved or rejected. [1963 c 4 § 36.88-040. Prior: 1951 c 192 § 4.]
36.88.050 Formation of district—By petition—
Procedure. In case any such road improvement shall be
initiated by petition, such petition shall set forth the na-
ture and territorial extent of such proposed improve-
ment, and the fact that the signers thereof are the
owners, according to the records of the county auditor of
property to an aggregate amount of a majority of the
lineal frontage upon the improvement to be made and of
the area within the limits of the assessment district to be
created therefor.

Upon the filing of such petition the board shall deter-
mine whether the same shall be sufficient and whether
the property within the proposed district shall be suffi-
ciently developed and if the board shall find the district
to be sufficiently developed and the petition to be suffi-
cient, it shall proceed to adopt a resolution setting forth
the nature and territorial extent of the improvement peti-
tioned for, designating the number of the proposed im-
provement district and describing the boundaries
thereof, stating the estimated cost and expense of the
improvement and the proportionate amount thereof
which will be borne by the property within the proposed
district, notifying the owners of property therein to ap-
pear at a meeting of the board at the time specified in
such resolution, anddirecting the county road engineer
to submit to the board at or prior to the date fixed for
such hearing a diagram or print showing thereon the
lots, tracts and parcels of land and other property which
will be specially benefited thereby and the estimated
amount of the cost and expense of such improvement to
be borne by each lot, tract or parcel of land or other
property, and also designating thereon all property
which is being purchased under contract from the
county. The resolution of intention shall be published in
at least two consecutive issues of a newspaper of general
circulation in such county, the date of the first publica-
tion to be at least fifteen days prior to the date fixed by
such resolution for hearing before the board of county
commissioners.

Notice of the adoption of the resolution of intention
shall be given each owner or reputed owner of any lot,
tract or parcel of land or other property within the pro-
posed improvement district by mailing said notice to the
owner or reputed owner of the property as shown on the
tax rolls of the county treasurer at the address shown
thereon at least fifteen days before the date fixed for
the public hearing. The notice shall refer to the resolution
of intention and designate the proposed improvement
district by number. Said notice shall also set forth the na-
ture of the proposed improvement, the total estimated
cost, the proportion of total cost to be borne by assess-
ments, the estimated amount of the cost and expense of
such improvement to be borne by the particular lot, tract
or parcel, the date and place of the hearing before the
board of county commissioners, and the fact that prop-
erty owners may withdraw their names from the petition
or add their names thereto at any time prior to five
o'clock p.m. of the day before the hearing. [1963 c 4 §
36.88.050. Prior: 1951 c 192 § 5.]

36.88.060 Formation of district—Hearing—
Resolution creating district. Whether the improvement is
initiated by petition or resolution the board shall conduct
a public hearing at the time and place designated in the
notice to property owners. At this hearing, the board
may make such changes in the boundaries of the district
or such modifications in the plans for the proposed im-
provement as shall be deemed necessary. Provided, That
the board may neither so alter the improvement as to
increase the estimated cost by an amount greater than
ten percent above that stated in the notice, nor increase
the proportionate share of the cost to be borne by as-
sessments from the proportion stated in the notice, nor
change the boundaries of the district to include property
not previously included therein without first passing a
new resolution of intention and giving a new notice to
property owners, in the manner and form and within the
time herein provided for the original notice.

At said hearing, the board shall select the method of
assessment, ascertain whether the plan of improvement
or construction is feasible and whether the benefits to be
derived therefrom by the property within the proposed
district, together with the amount of any county road
fund participation, exceed the costs and expense of the
formation of the proposed district and the contemplated
construction or improvement and shall make a written
finding thereon. In case the proceedings have been initi-
ated by petition, the board shall find whether the peti-
tion including all additions thereto or withdrawals
therefrom made prior to five o'clock p.m. of the day be-
fore the hearing is sufficient within the boundaries of the
district so established at said hearing by the board. If
said petition shall be found insufficient the board shall
by resolution declare the proceedings terminated. In case
the proceedings have been initiated by resolution if the
board shall find the improvement to be feasible, it shall
continue the hearing until a day not more than fifteen
days after the date for returning ballots for the purpose
of determining the results of said balloting.

After the hearing the board may proceed to adopt a
resolution creating the district and ordering the im-
provement. Such resolution shall establish such district
as the " . . . . . . . . county road improvement district
No. . . . . . ." Such resolution shall describe the nature
and territorial extent of the improvement to be made
and the boundaries of the improvement district, shall
describe the method of assessment to be used, shall de-
clare the estimated cost and the proportion thereof to be
borne by assessments, and shall contain a finding as to
the result of the balloting by property owners in case the
improvement shall have been initiated by resolution.

Upon the adoption of the resolution establishing the
district, the board shall have jurisdiction to proceed with
the improvement. The board's findings on the sufficiency
of petitions or on the results of the balloting shall be
conclusive upon all persons. [1963 c 84 § 4; 1963 c 4 §
36.88.060. Prior: 1951 c 192 § 6.]
36.88.065 Formation of district—Alternative method. If the county legislative authority desires to initiate the formation of a county road improvement district by resolution, it may elect to follow either the procedure set forth in chapter 35.43 RCW or the procedure set forth in RCW 36.88.030, and shall indicate the procedure selected in the resolution of intention. [1985 c 369 § 10.]

36.88.070 Diagram only preliminary determination. The diagram or print herein directed to be submitted to the board shall be in the nature of a preliminary determination upon the method, and estimated amounts, of assessments to be levied upon the property specially benefited by such improvement and shall in no case be construed as being binding or conclusive as to the amount of any assessments which may ultimately be levied. [1963 c 4 § 36.88.070. Prior: 1951 c 192 § 7.]

36.88.080 Property included in district—Method of assessment—Assessment limited by benefit. Every resolution ordering any improvement mentioned in this chapter, payment for which shall be in whole or in part by special assessments shall establish a road improvement district which shall embrace as near as may be all the property specially benefited by such improvement and the board shall apply thereto such method of assessment as shall be deemed most practical and equitable under the conditions prevailing: Providing, That no assessment as determined by the board of commissioners shall be levied which shall be greater than the special benefits derived from the improvements. [1963 c 84 § 5; 1963 c 4 § 36.88.080. Prior: 1951 c 192 § 8.]

36.88.085 Exemption of farm and agricultural land from special benefit assessments. See RCW 84.34.300 through 84.34.380 and 84.34.922.

36.88.090 Assessment roll—Hearing—Notice—Objections—New hearing. Whenever the assessment roll for any county road improvement district has been prepared, such roll shall be filed with the clerk of the county legislative authority. The county legislative authority shall thereupon by resolution set the date for hearing upon such roll before a board of equalization and direct the clerk to give notice of such hearing and the time and place thereof.

Such notice shall specify such time and place of hearing on such roll and shall notify all persons who may desire to object thereto to make such objection in writing and to file the same with the clerk of the county legislative authority at or prior to the date fixed for such hearing; and that at the time and place fixed and at such other times as the hearing may be continued to, the county legislative authority will sit as a board of equalization for the purpose of considering such roll and at such hearing will consider such objections made thereto, or any part thereof, and will correct, revise, raise, lower, change, or modify such roll or any part thereof, or set aside such roll in order that such assessment be made de novo as to such body shall appear just and equitable and then proceed to confirm the same by resolution.

Notice of the time and place of hearing under such assessment roll shall be given to the owner or reputed owner of the property whose name appears thereon, by mailing a notice thereof at least fifteen days before the date fixed for the hearing to such owner or reputed owner at the address of such owner as shown on the tax rolls of the county treasurer; and in addition thereto such notice shall be published at least two times in a newspaper of general circulation in the county. At least fifteen days must elapse between the date of the first publication of the notice and the date fixed for such hearing. However, mosquito control districts are only required to give notice by publication.

The board of equalization, at the time fixed for hearing objections to the confirmation of the roll, or at such time or times as the hearing may be adjourned to, has power to correct, revise, raise, lower, change, or modify the roll or any part thereof, and to set aside the roll in order that the assessment be made de novo as to the board appears equitable and just, and then shall confirm the same by resolution. All objections shall be in writing and filed with the board and shall state clearly the grounds objected to, and objections not made within the time and in the manner described in this section shall be conclusively presumed to have been waived.

Whenever any such roll is amended so as to raise any assessments appearing thereon, or to include property subject to assessment which has been omitted from the assessment roll for any reason, a new hearing, and a new notice of hearing upon such roll, as amended, shall be given as in the case of an original hearing. At the conclusion of such hearing the board may confirm the same or any portion thereof by resolution and certify the same to the treasurer for collection. Whenever any property has been entered originally on such roll, and the assessment upon such property shall not be raised, no objections to it may be considered by the board or by any court on appeal, unless such objections are made in writing at or prior to the date fixed for the original hearing upon such roll. [1985 c 369 § 8; 1972 ex.s. c 62 § 1; 1963 c 4 § 36.88.090. Prior: 1951 c 192 § 9.]

36.88.100 Appeal—Reassessment. If the board of county commissioners shall determine to establish such fund it shall be designated "—— county road improvement guaranty fund" and from moneys available for road purposes such county shall deposit annually in said guaranty fund such sums as may be necessary to establish and maintain a balance therein equal to at least five percent of the outstanding obligations guaranteed thereby and to make necessary provision in its annual budget therefor. The moneys held in the guaranty fund may be invested in obligations of the government of the United States or of this state. [1969 ex.s. c 145 § 63; 1963 c 4 § 36.88.220. Prior: 1959 c 134 § 2; 1951 c 192 § 22.]

36.88.230 Improvement bonds—Guaranty fund in certain counties—Operation. Whenever there shall be paid out of a guaranty fund any sum on account of principal or interest of a road improvement district bond or warrant, the county, as trustee for the fund, shall be subrogated to all the rights of the owner of the bond or any interest coupon or warrant so paid, and the proceeds thereof, or of the assessment underlying the same, shall
become part of the guaranty fund. There shall also be paid into each guaranty fund the interest received from bank deposits or government securities of the fund, as well as any surplus remaining in any local improvement fund guaranteed hereunder after the payment of all outstanding bonds or warrants payable primarily out of such road improvement fund. Warrants drawing interest at a rate or rates not to exceed the rate determined by the county legislative authority shall be issued, as other warrants are issued by the county, against a guaranty fund to meet any liability accruing against it, and at the time of its annual audit and tax levy the county shall provide from funds available for road purposes for the deposit in the guaranty fund of a sum sufficient with other resources of such fund to pay warrants so issued during the preceding fiscal year. As among the several issues of bonds or warrants guaranteed by the fund no preference shall exist, but defaulted bonds, interest payments, and warrants shall be purchased out of the fund in the order of their presentation.

Every county establishing a guaranty fund for road improvement district bonds or warrants shall prescribe by resolution appropriate rules and regulations for the maintenance and operation of the guaranty fund not inconsistent herewith. So much of the money of a guaranty fund as is necessary may be used to purchase underlying bonds or warrants guaranteed by the fund, or to purchase certificates of delinquency for general taxes on property subject to local improvement assessments, or to purchase such property at tax foreclosures, for the purpose of protecting the guaranty fund. Said fund shall be subrogated to the rights of the county, and the county, acting on behalf of said fund, may foreclose the lien of general tax certificates of delinquency and purchase the property at the foreclosure sale for the account of said fund. Whenever the legislative authority of any county shall so cause a lien of general tax certificates of delinquency to be foreclosed and the property to be so purchased at a foreclosure sale, the court costs and costs of publication and expenses for clerical work and/or other expense incidental thereto, shall be chargeable to and payable from the guaranty fund. After so acquiring title to real property, a county may lease or sell and convey the same at public or private sale for such price and on such terms as may be determined by resolution of the county legislative body, and all proceeds resulting from such sales shall belong to and be paid into the guaranty fund. [1983 c 167 § 96; 1981 c 156 § 12; 1963 c 4 § 36.88.230. Prior: 1951 c 192 § 23.]

36.88.240 Improvement bonds—Repayment restricted to special funds—Remedies of bond owner—Notice of restrictions. The owner of any bond or warrant issued under the provisions of this chapter shall not have any claim therefor against the county by which the same is issued, except for payment from the special assessments made for the improvement for which said bond or warrant was issued and except as against the improvement guaranty fund of such county, and the county shall not be liable to any owner of such bond or warrant for any loss to the guaranty fund occurring in the lawful operation thereof by the county. The remedy of the owner of a bond, or warrant in case of nonpayment, shall be confined to the enforcement of any assessments made in such road improvement district and to the guaranty fund. In case the bonds are guaranteed in accordance herewith a copy of the foregoing part of this section shall be plainly written, printed or engraved on each bond issued and guaranteed hereunder. Any number of owners of bonds for any single project may join as plaintiffs and any number of the owners of property upon which the assessments are liens may be joined as defendants in the same suit. [1963 c 4 § 36.88.250. Prior: 1951 c 192 § 25.]

In all cases where the board shall issue bonds to pay the cost and expense of any county road improvement district and shall provide that the whole or any part of the cost and expense shall be assessed against the lots, tracts, parcels of land, and other property therein, the resolution levying such assessment shall provide that the sum charged thereby against each lot, tract, or parcel of land or any portion of said sum may be paid during the thirty day period provided for in RCW 36.88.270 and that thereafter the sum remaining unpaid may be paid in equal annual installments, the number of which installments shall be less by two than the number of years which the bonds issued to pay for the improvement may run. Interest upon all unpaid installments shall be charged at a rate fixed by said resolution. Each year such installments together with interest due thereon shall be collected in the manner provided in the resolution for the collection of the assessments. [1963 c 4 § 36.88.260. Prior: 1951 c 192 § 26.]

For the purpose of ascertaining the amount to be assessed against each lot or parcel of land within any county road improvement district established pursuant to RCW 36.88.410 through 36.88.480, in addition to other methods provided by law for apportioning special benefits, the county commissioners may apportion all or part of the special benefits accruing on a square footage basis or on a per lot basis.

That portion of the assessments levied in any county road improvement district to pay part of the cost of the initial installation of underground electric and communication facilities shall not exceed the cost of such installation, less the estimated cost of constructing overhead facilities providing equivalent service. [1971 ex.s. c 103 § 2; 1967 c 194 § 3.]

36.88.440 Underground electric and communication facilities, installation or conversion to—Contracts with electric and communication utilities—Authorized—Provisions. Every county shall have the power to contract with electric and communication utilities for the conversion of existing overhead electric and communication facilities to underground facilities, for the conversion of existing street and road lighting facilities to ornamental street and road lighting facilities to be served from underground electrical facilities[,] for the initial installation of ornamental street and road lighting facilities to be served from underground electrical facilities and for the initial installation of underground electric and communication facilities. Such contracts may provide, among other provisions, any of the following:

36.88.450 Underground electric and communication facilities, installation or conversion to—Notice to owners to convert service lines to underground—Objections—Hearing—Time limitation for conversion. When service from the underground electric and communication facilities is available in all or part of a conversion area, the county shall mail a notice to the owners of all structures or improvements served from the existing overhead facilities in the area, which notice shall state that:

(1) Service from the underground facilities is available;

(2) All electric and communication service lines from the existing overhead facilities within the area to any structure or improvement must be disconnected and removed within one hundred twenty days after the date of the mailing of the notice;

(3) Should such owner fail to convert such service lines from overhead to underground within one hundred twenty days after the date of the mailing of the notice, the county will order the electric and communication utilities to disconnect and remove the service lines;

(4) Should the owner object to the disconnection and removal of the service lines he may file his written objections thereto with the secretary of the board of county commissioners within one hundred twenty days after the date of the mailing of the notice and failure to so object within such time will constitute a waiver of his right thereafter to object to such disconnection and removal.

If the owner of any structure or improvement served from the existing overhead electric and communication facilities within a conversion area shall fail to convert to underground the service lines from such overhead facilities to such structure or improvement within one hundred twenty days after the mailing of the notice, the county shall order the electric and communication utilities to disconnect and remove all such service lines.

Provided, That if the owner has filed his written objections to such disconnection and removal with the secretary of the board of county commissioners, within one hundred twenty days after the mailing of said notice then the county shall not order such disconnection and removal until after the hearing on such objections.

Upon the timely filing by the owner of objections to the disconnection and removal of the service lines, the board of county commissioners shall conduct a hearing to determine whether the removal of all or any part of the service lines is in the public benefit. The hearing shall be held at such time as the board of county commissioners may establish for hearings on such objections and shall be held in accordance with the regularly established procedure set by the board. The determination reached by the board of county commissioners shall be
faulted bonds, interest payments, and warrants shall be final in the absence of an abuse of discretion. [1967 c 194 § 5.]

36.88.460 Underground electric and communication facilities, installation or conversion to—Utility conversion guaranty fund—Establishment authorized—Purpose—Deposits—Investments. Every county may establish a fund for the purpose of guaranteeing to the extent of such fund and in the manner hereinafter provided, the payment of its county road improvement district bonds and warrants issued to pay for the underground conversion of electric and communication facilities and the underground conversion or installation of ornamental road and street lighting facilities ordered under this chapter. If the board of county commissioners shall determine to establish such fund it shall be designated "utility conversion guaranty fund" and from moneys available such county shall deposit annually in said guaranty fund such sums as may be necessary to establish and maintain a balance therein equal to at least five percent of the outstanding obligations guaranteed thereby and to make necessary provision in its annual budget therefor. The moneys held in the guaranty fund may be invested in certificates, notes, or bonds of the United States of America, or in state, county, municipal or school district bonds, or in warrants of taxing districts of the state; provided, only, that such bonds and warrants shall be general obligations.

36.88.470 Underground electric and communication facilities, installation or conversion to—Utility conversion guaranty fund—Operation. Whenever there shall be paid out of the guaranty fund any sum on account of principal or interest of a county road improvement district bond or warrant, the county, as trustee for the fund, shall be subrogated to all the rights of the owner of the bond or any interest coupon or warrant so paid, and the proceeds thereof, or of the assessment underlying the same, shall become part of the guaranty fund. There shall also be paid into each guaranty fund the interest received from investments of the fund, as well as any surplus remaining in any county road improvement fund guaranteed hereunder after the payment of all outstanding bonds or warrants payable primarily out of such utility conversion county road improvement district fund. Warrants drawing interest at a rate or rates not to exceed the rate determined by the county legislative authority shall be issued, as other warrants are issued by the county, against the guaranty fund to meet any liability accruing against it, and at the time of making its annual budget and tax levy the county shall provide from funds available for the deposit in the guaranty fund of a sum sufficient with other resources of such fund to pay warrants so issued during the preceding fiscal year. As among the several issues of bonds or warrants guaranteed by the fund no preference shall exist, but defaulted bonds, interest payments, and warrants shall be purchased out of the fund in the order of their presentation.

Every county establishing a guaranty fund for utility conversion road improvement district bonds or warrants shall prescribe by resolution appropriate rules and regulations for the maintenance and operation of such guaranty fund not inconsistent herewith. So much of the money of a guaranty fund as is necessary may be used to purchase underlying bonds or warrants guaranteed by the fund, or to purchase certificates of delinquency for general taxes on property subject to local improvement assessments, or to purchase such property at tax foreclosures, for the purpose of protecting the guaranty fund. The fund shall be subrogated to the rights of the county and the county, acting on behalf of the fund, may foreclose the lien of general tax certificates of delinquency and purchase the property at the foreclosure sale for the account of said fund. Whenever the legislative authority of any county shall so cause a lien of general tax certificates of delinquency to be foreclosed and the property to be so purchased at a foreclosure sale, the court costs and costs of publication and expenses for clerical work and/or other expense incidental thereto, shall be chargeable to and payable from the guaranty fund. After so acquiring title to real property, a county may lease or sell and convey the same at public or private sale for such price and on such terms as may be determined by resolution of the county legislative authority, and all proceeds resulting from such sales shall belong to and be paid into the guaranty fund. Sections
36.89.010 Definitions.
36.89.020 Purpose.
36.89.030 Authority to establish, acquire, develop, construct, and improve highways, open spaces, parks, etc.

(1987 Ed.)
The words "storm water control facilities" as used in this chapter mean any facility, improvement, development, property or interest therein, made, constructed or acquired for the purpose of controlling, or protecting life or property from, any storm, waste, flood or surplus waters wherever located within the county, and shall include but not be limited to the improvements and authority described in RCW 86.12.020 and chapters 86.13 and 86.15 RCW.

The word "county" as used in this chapter shall mean any county of the state of Washington. [1970 ex.s. c 30 § 1; 1967 c 109 § 1.]

36.89.020 Purpose. The legislature finds that the open spaces, park, recreation and community facilities, public health and safety facilities, storm water control facilities and highways within any county of this state, whether located partly or wholly within or without the cities and towns of such county are of general benefit to all of the residents of such county. The open spaces, park, recreation and community facilities within such county provide public recreation, aesthetic, conservation and educational opportunities and other services and benefits accessible to all of the residents of such county. The public health and safety facilities within such county provide protection to life and property throughout the county, are functionally inter-related and affect the health, safety and welfare of all the residents of such county. The storm water control facilities within such county provide protection from storm water damage for life and property throughout the county, generally require planning and development over the entire drainage basins, and affect the prosperity, interests and welfare of all the residents of such county. The highways within such county, whether under the general control of the county or the state or within the limits of any incorporated city or town, provide an inter-connected system for the convenient and efficient movement of people and goods within such county. The use of general county funds for the purpose of acquisition, development, construction, or improvement of open space, park, recreation and community facilities, public health and safety facilities, storm water control facilities, or highways or to participate with any governmental agency to perform such purposes within such county pursuant to this chapter is hereby declared to be a strictly county purpose. [1970 ex.s. c 30 § 2; 1967 c 109 § 2.]

36.89.030 Authority to establish, acquire, develop, construct, and improve highways, open spaces, parks, etc. Counties are authorized to establish, acquire, develop, construct, and improve open space, park, recreation, and community facilities, public health and safety facilities, storm water control facilities, and highways or any of them pursuant to the provisions of this chapter within and without the cities and towns of the county and for such purposes have the power to acquire lands, buildings and other facilities by gift, grant, purchase, condemnation, lease, devise, and bequest, to construct, improve, or maintain buildings, structures, and facilities necessary
for such purposes, and to use and develop for such purposes the air rights over and the subsurface rights under any highway. The approval of the state department of transportation shall be first secured for such use and development of any state highway. For visual or sound buffer purposes the county shall not acquire by condemnation less than an owner's entire interest or right in the particular real property to be so acquired if the owner objects to the taking of a lesser interest or right. [1984 c 7 § 42; 1970 ex.s. c 30 § 3; 1967 c 109 § 3.]

Severability—1984 c 7; See note following RCW 47.01.141.

Acquisition of interests in land for conservation, protection, preservation, or open space purposes by counties: RCW 64.04.130.

36.89.040 Issuance of general obligation bonds—Proposition submitted to voters. To carry out the purposes of this chapter counties shall have the power to issue general obligation bonds within the limitations now or hereafter prescribed by the Constitution and laws of this state. Such general obligation bonds shall be issued and sold as provided in chapter 39.46 RCW.

The question of the issuance of bonds for any undertaking which relates to a number of different highways or parts thereof, whether situated wholly or partly within the limits of any city or town within the county, and whether such bonds are intended to supply the whole expenditure or to participate therein, may be submitted to the voters of the county as a single proposition. If the county legislative authority in submitting a proposition relating to different highways or parts thereof declare that such proposition has for its object the furtherance and accomplishment of the construction of a system of connected public highways within such county and constitutes a single purpose, such declaration shall be presumed to be correct and upon the issuance of the bonds the presumption shall become conclusive.

The question of the issuance of bonds for any undertaking which relates to a number of different open spaces, park, recreation and community facilities, whether situated wholly or partly within the limits of any city or town within the county, and whether such bonds are intended to supply the whole expenditure or to participate therein may be submitted to the voters as a single proposition. If the county legislative authority in submitting a proposition relating to different open spaces, park, recreation and community facilities, public health and safety facilities, storm water control facilities and highways authorized by this chapter and RCW 86.12.020, the board of county commissioners may provide that such bonds also be made payable from any otherwise unpledged revenue which may be derived from the ownership or operation of any such properties or facilities. [1970 ex.s. c 30 § 6.]

36.89.042 Issuance of general obligation bonds—Payment from revenue—Additional method. In issuing general obligation bonds at any time after February 20, 1970 for the purpose of providing all or part of the cost and expense of planning and design, establishing, acquiring, developing, constructing or improving the county capital purposes authorized by this chapter and RCW 86.12.020, the board of county commissioners may provide that such bonds also be made payable from any otherwise unpledged revenue which may be derived from the ownership or operation of any such properties or facilities. [1970 ex.s. c 30 § 6.]

A county may finance, acquire, construct, develop, improve, maintain and operate any open space, park, recreation and community facilities, public health and safety facilities, storm water control facilities and highways authorized by this chapter either solely or in conjunction with one or more governmental agencies. Any governmental agency is authorized to participate in such financing, acquisition, construction, development, improvement, use, maintenance and operation and to convey, dedicate or lease any lands, properties or facilities to any county for the purposes provided in this chapter and RCW 86.12.020, on such terms as may be fixed by agreement between the respective governing commissions or legislative bodies without submitting the matter to a vote of the electors unless the provisions of general
law applicable to the incurring of public indebtedness shall require such submission.

No county shall proceed under the authority of this chapter to construct or improve any storm water control facility or highway or part thereof lying within the limits of a city or town except with the prior consent of such city or town. By agreement between their respective legislative bodies, cities, towns and counties may provide that upon completion of any storm water control facility or highway or portion thereof constructed pursuant to this chapter within any city or town, the city or town shall accept the same for maintenance and operation and that such storm water control facility or highway or portion thereof shall thereupon become a part of the respective storm water control facility or highway system of the city or town.

A county may transfer to any other governmental agency the ownership, operation and maintenance of any open space, park, recreation and community facility acquired by the county pursuant to this chapter, which lies wholly or partly within such governmental agency, pursuant to an agreement entered into between the legislative bodies of the county and such governmental agency: Provided, That such transfer shall be subject to the condition that either such facility shall continue to be used for the same purposes or that other equivalent facilities within the county shall be conveyed to the county in exchange therefor. [1970 ex.s. c 30 § 5; 1967 c 109 § 5.]

36.89.060 Powers and authority are supplemental. The powers and authority conferred upon governmental agencies under the provisions of this chapter, shall be construed as in addition and supplemental to powers or authority conferred by any other law, and nothing contained herein shall be construed as limiting any other powers or authority of such governmental agencies. [1967 c 109 § 6.]

36.89.062 Power and authority of counties are supplemental. The power and authority conferred upon counties by this chapter and RCW 86.12.020 shall be in addition and supplemental to those already granted and shall not limit any other powers or authority of such counties. [1970 ex.s. c 30 § 13.]

36.89.080 Storm water control facilities—Rates and charges—Use. Any board of county commissioners may provide by resolution for revenues by fixing rates and charges for the furnishing of service to those served or receiving benefits or to be served or to receive benefits from any storm water control facility or contributing to an increase of surface water runoff. In fixing rates and charges, the board may in its discretion consider services furnished or to be furnished, benefits received or to be received, the character and use of land, or its water runoff characteristics or any other matters which present a reasonable difference as a ground for distinction. Such service charges collected shall be deposited in a special fund or funds in the county treasury to be used only for the purpose of paying all or any part of the cost and expense of maintaining and operating storm water control facilities, all or any part of the cost and expense of planning, designing, establishing, acquiring, developing, constructing and improving any of such facilities, or to pay or secure the payment of all or any portion of any issue of general obligation or revenue bonds issued for such purpose. [1970 ex.s. c 30 § 7.]

36.89.085 Storm water control facilities—Public property subject to rates and charges. Except as otherwise provided in RCW 90.03.525, any public entity and public property, including the state of Washington and state property, shall be subject to rates and charges for storm water control facilities to the same extent private persons and private property are subject to such rates and charges that are imposed by counties pursuant to RCW 36.89.080. In setting these rates and charges, consideration may be made of in-kind services, such as stream improvements or donation of property. [1986 c 278 § 5; 1983 c 315 § 3.]

Any county may, by resolution or ordinance, provide that the storm water service charge lien shall be effective for a total not to exceed one year's delinquent service charges without the necessity of any writing or recording of the lien with the county auditor, in lieu of the provisions provided for in RCW 35.67.210. [1987 c 241 § 3.]

It is further the intent of this chapter that the constitutional autonomy of the various county officers be preserved while providing such officials with a centralized department to perform ministerial functions for them on the most modern and efficient machines available. [1967 ex.s. c 103 § 2.]

By resolution, the board of county commissioners may create a county central services department which shall be organized and function as any other department of the county. 36.93.010 Purpose. The legislature finds that in metropolitan areas of this state, experiencing heavy population growth, increased problems arise from rapid proliferation of municipalities and haphazard extension of and competition to extend municipal boundaries. These problems affect adversely the quality and quantity and cost of municipal services furnished, the financial integrity of certain municipalities, the consistency of local regulations, and many other incidents of local government. Further, the competition among municipalities for unincorporated territory and the disorganizing effect thereof on land use, the preservation of property values and the desired objective of a consistent comprehensive land use plan for populated areas, makes it appropriate that the legislature provide a method of guiding and controlling the creation and growth of municipalities in metropolitan areas so that such problems may be avoided and that residents and businesses in those areas may rely on the logical growth of local government affecting them. [1967 c 189 § 1.]

36.93.020 Definitions. As used herein:
(1) "Governmental unit" means any incorporated city or town, metropolitan municipal corporation, or any special purpose district as defined in this section.
(2) "Special purpose district" means any sewer district, water district, fire protection district, drainage improvement district, drainage and diking improvement district, flood control zone district, irrigation district, metropolitan park district, drainage district, or public utility district engaged in water distribution.
(3) "Board" means a boundary review board created by or pursuant to this chapter. [1979 ex.s. c 30 § 5; 1967 c 189 § 2.]

36.93.030 Creation of boundary review boards in class AA, class A counties—Procedure for creation in other counties. (1) There is hereby created and established in each class AA and class A county a board to be known and designated as a "boundary review board".
(2) A boundary review board may be created and established in any other class county in the following manner:
(a) The board of county commissioners may, by majority vote, adopt a resolution establishing a boundary review board; or
(b) A petition seeking establishment of a boundary review board signed by qualified electors residing in the county equal in number to at least five percent of the votes cast in the county at the last county general election may be filed with the county auditor.

Upon the filing of such a petition, the county auditor shall examine the same and certify to the sufficiency of the signatures thereon. No person may withdraw his name from a petition after it has been filed with the auditor. Within thirty days after the filing of such petition, the county auditor shall transmit the same to the board of county commissioners, together with his certificate of sufficiency.

After receipt of a valid petition for the establishment of a boundary review board, the board of county commissioners shall submit the question of whether a boundary review board should be established to the electorate at the next county primary or county general election which occurs more than thirty days from the date of receipt of the petition. Notice of the election shall be given as provided in RCW 29.27.080 and shall include a clear statement of the proposal to be submitted.

If a majority of the persons voting on the proposition shall vote in favor of the establishment of the boundary review board, such board shall thereupon be deemed established. [1969 ex.s. c 111 § 1; 1967 c 189 § 3.]
36.93.040 Dates upon which boards in counties other than class AA and class A deemed established. For the purposes of this chapter, counties other than class AA and class A shall be deemed to have established boundary review boards on and after the date a proposition for establishing the same has been approved at an election as provided for in RCW 36.93.030, or on and after the date of adoption of a resolution of the board of county commissioners establishing the same as provided for in RCW 36.93.030. [1967 c 189 § 4.]

36.93.050 Appointment of boards—Members—Qualifications—Terms—Vacancies. After the effective date of this act, the governor shall within forty-five days appoint a board for each class AA county consisting of eleven members as provided for in this section. After a board has been established in a county other than class AA by resolution, by operation of law or by approval of the electors after an election initiated by petition, the governor shall appoint a board within forty-five days for each such county consisting of five members as provided for in this section.

Of the members of the first board to be appointed in class AA counties after the taking effect of this section, four members, consisting of one member appointed from each of the four classes of nominees, shall have terms expiring January 1, 1970; four members, consisting of one member appointed from each of the four classes of nominees, shall have terms expiring January 1, 1972; and three members consisting of one member from each of the three classes of nominees furnishing three members to the board, shall have terms expiring January 1, 1974. Any vacancy on an eleven member or five member board shall be filled by appointment by the governor from the same source as the preceding member, which source shall have the opportunity to make new nominations for the vacated position, and such appointee shall serve only for the balance of the full term of his predecessor.

In each boundary review board which consists of eleven members, all members shall be residents of the county in which the review board is established. Three members shall be selected independently by the governor and the remaining eight members shall be selected by the governor from the following sources:

(1) Three members shall be selected from nominees of the individual mayors of the cities and towns within the county;
(2) Three members shall be selected from nominees of the individual members of the board of county commissioners; and
(3) Two members shall be selected from nominees of each special purpose district lying wholly or partly within the county. Selection shall be made so that the terms of not more than one appointee from each source expires in any one year.

Nominations shall be filed with the office of the governor within thirty days after the effective date of this act, within thirty days after the creation of a boundary review board by election, operation of law, or resolution as provided in RCW 36.93.030, or within thirty days of the creation of a vacancy on the board, as appropriate. Nominations to fill vacancies caused by expiration of terms shall be filed at least thirty days preceding the expiration of the terms. Each source shall nominate at least two persons for every available position. In the event there are less than two nominees for any position, the governor may appoint the member for that position independently.

No nominee for membership and no member shall be a consultant or adviser on a contractual or regular retaining basis of the state of Washington, or of any municipal corporation thereof within the county in which the board is established, or any agency or association thereof. [1969 ex.s. c 111 § 2; 1967 ex.s. c 98 § 1; 1967 c 189 § 5.]

*Reviser's note: The language 'the effective date of this act' first appeared in section 5, chapter 189, Laws of 1967. Actions shall be deemed pending on and after the filing of sufficient petitions initiating the same with the appropriate public officer, or the performance of an official act initiating the same. [1967 c 189 § 14.]

36.93.150 Review of proposed actions—Actions and determinations of board—Disapproval, effect. The board, upon review of any proposed action, shall take such of the following actions as it deems necessary to best carry out the intent of this chapter:

(1) Approval of the proposal as submitted;
(2) Subject to RCW 35.02.170, modification of the proposal by adjusting boundaries to add or delete territory: Provided, That any proposal for annexation by the board shall be subject to RCW 35.21.010 and shall not add additional territory, the amount of which is greater than that included in the original proposal: Provided further, That such modifications shall not interfere with the authority of a city, town, or special purpose district to require or not require preannexation agreements, covenants, or petitions;

(3) Determination of a division of assets and liabilities between two or more governmental units where relevant;

(4) Determination whether, or the extent to which, functions of a special purpose district are to be assumed by an incorporated city or town, metropolitan municipal corporation, or another existing special purpose district;

(5) Disapproval of the proposal except that the board shall not have jurisdiction to disapprove the dissolution or disincorporation of a special purpose district which is not providing services but shall have jurisdiction over the determination of a division of the assets and liabilities of a dissolved or disincorporated special purpose district: Provided, That a board shall not have jurisdiction over the division of assets and liabilities of a special purpose district that is dissolved or disincorporated pursuant to chapter 36.96 RCW.

Unless the board disapproves a proposal, it shall be presented under the appropriate statute for approval of a public body and, if required, a vote of the people. A proposal that has been modified shall be presented under the appropriate statute for approval of a public body and if required, a vote of the people. If a proposal, other than that for a city, town, or special purpose district annexation, after modification does not contain enough signatures of persons within the modified area, as are required by law, then the initiating party, parties or governmental unit has thirty days after the modification decision to secure enough signatures to satisfy the legal requirement. If the signatures cannot be secured then the proposal may be submitted to a vote of the people, as required by law.

The addition or deletion of property by the board shall not invalidate a petition which had previously satisfied the requirements of persons within the modified area, as are required by law, and shall again be subject to the same consideration.

The board shall not modify or deny a proposed action unless there is evidence on the record to support a conclusion that the action is inconsistent with one or more of the objectives under RCW 36.93.180. Every such determination to modify or deny a proposed action shall be made in writing pursuant to a motion, and shall be supported by appropriate written findings and conclusions, based on the record. [1987 c 477 § 7; 1979 ex.s. c 5 § 13; 1975 1st ex.s. c 220 § 10; 1969 ex.s. c 111 § 8; 1967 c 189 § 15.]

36.93.160 Hearings—Notice—Record—Subpoenas—Decision of board—Appeals. (1) When the jurisdiction of the boundary review board has been invoked, the board shall set the date, time and place for a public hearing on the proposal. The board shall give at least thirty days' advance written notice of the date, time and place of the hearing to the governing body of each governmental unit having jurisdiction within the boundaries of the territory proposed to be annexed, formed, incorporated, disincorporated, dissolved or consolidated, or within the boundaries of a special district whose assets and facilities are proposed to be assumed by a city or town, and to the governing body of each city within three miles of the exterior boundaries of such area and to the proponent of such change. Notice shall also be given by publication in any newspaper of general circulation in the area of the proposed boundary change at least three times, the last publication of which shall be not less than five days prior to the date set for the public hearing. Notice shall also be posted in ten public places in the area affected for five days when the area is ten acres or more. When the area affected is less than ten acres, five notices shall be posted in five public places for five days. Notice as provided in this subsection shall include any territory which the board has determined to consider adding in accordance with RCW 36.93.150(2).

(2) A verbatim record shall be made of all testimony presented at the hearing and upon request and payment of the reasonable costs thereof, a copy of the transcript of such testimony shall be provided to any person or governmental unit.

(3) The chairman upon majority vote of the board or a panel may direct the chief clerk of the boundary review board to issue subpoenas to any public officer to testify, and to compel the production by him of any records, books, documents, public records or public papers.

(4) Within forty days after the conclusion of the final hearing on the proposal, the board shall file its written decision, setting forth the reasons therefor, with the board of county commissioners and the clerk of each governmental unit directly affected. The written decision shall indicate whether the proposed change is approved, rejected or modified and, if modified, the terms of such modification. The written decision need not include specific data on every factor required to be considered by the board, but shall indicate that all standards were given consideration. Dissenting members of the board shall have the right to have their written dissents included as part of the decision.

(5) Unanimous decisions of the hearing panel or a decision of a majority of the members of the board shall constitute the decision of the board and shall not be appealable to the whole board. Any other decision shall be appealable to the entire board within ten days. Appeals
shall be on the record, which shall be furnished by the
appellant, but the board may, in its sole discretion, per-
mit the introduction of additional evidence and argu-
ment. Decisions shall be final and conclusive unless
within ten days from the date of said action a govern-
mental unit affected by the decision or any person own-
ing real property or residing in the area affected by the
decision files in the superior court a notice of appeal.

The filing of such notice of appeal within such time
limit shall stay the effective date of the decision of the
board until such time as the appeal shall have been ad-
judicated or withdrawn. On appeal the superior court
shall not take any evidence other than that contained in
the record of the hearing before the board.

(6) The superior court may affirm the decision of the
board or remand the case for further proceedings; or it
may reverse the decision if any substantial rights may
have been prejudiced because the administrative find-
ings, inferences, conclusions, or decisions are:
(a) In violation of constitutional provisions, or
(b) In excess of the statutory authority or jurisdiction
of the board, or
(c) Made upon unlawful procedure, or
(d) Affected by other error of law, or
(e) Unsupported by material and substantial evidence
in view of the entire record as submitted, or
(f) Arbitrary or capricious.

An aggrieved party may secure a review of any final
judgment of the superior court by appeal to the supreme
court or the court of appeals. Such appeal shall be taken
in the manner provided by law for appeals from the su-
perior court in other civil cases. [1987 c 477 § 8; 1971 c
81 § 97; 1969 ex.s. c 111 § 9; 1967 c 189 § 16.]

ternative, the board shall consider the factors affecting
such proposal, which shall include, but not be limited to
the following:

(1) Population and territory; population density; land
area and land uses; comprehensive use plans and zoning;
per capita assessed valuation; topography, natural
boundaries and drainage basins, proximity to other pop-

and most desirable future location of community
facilities;

(2) Municipal services; need for municipal services;
effect of ordinances, governmental codes, regulations

probable effect of proposal or alternative on cost and
adequacy of services and controls in area and adjacent
area; the effect on the finances, debt structure, and con-
tractual obligations and rights of all affected govern-
mental units; and

(3) The effect of the proposal or alternative on adjac-
tant areas, on mutual economic and social interests, and
on the local governmental structure of the county.

in character; and

(9) Protection of agricultural lands.

(10) Provide reasonable assurance that the extension
of municipal services and the additional payments to be
made by the property owners of the area to be annexed
in the form of taxes will remain reasonably equal to the
value of the additional municipal services to be received
during a period of ten years following the effective date
of the proposed annexation. This objective shall apply
only to cities with a population of 400,000 or more
which initiates a resolution for annexation proceedings.
[1981 c 332 § 10; 1979 ex.s. c 142 § 2; 1967 c 189 §
18.]

36.93.190 Decision of board not to affect existing
franchises, permits, codes, ordinances, etc., for ten years.
For a period of ten years from the date of the final de-
cision, no proceeding, approval, action, or decision on a
proposal or an alternative shall be deemed to cancel any
franchise or permit theretofore granted by the authori-
ties governing the territory to be annexed, nor shall it be
deed to supersede the application as to any territory
to be annexed, of such construction codes and ordinances
(including but not limited to fire, electrical, and plumbing
codes and ordinances) as shall have been adopted by
the authorities governing the territory to be annexed and
in force at the time of the decision. [1967 c 189 § 19.]
36.93.200 Rules and regulations—Adoption procedure. Each review board shall adopt rules governing the formal and informal procedures prescribed or authorized by this chapter. Such rules may state the qualifications of persons for practice before the board. Such rules shall also include rules of practice before the board, together with forms and instructions.

To assist interested persons dealing with it, each board shall so far as deemed practicable supplement its rules with descriptive statements of its procedures.

Prior to the adoption of any rule authorized by law, or the amendment or repeal thereof, the board shall file notice thereof with the clerk of the court in which the board is located. So far as practicable, the board shall also publish or otherwise circulate notice of its intended action and afford interested persons opportunity to submit data or views either orally or in writing. Such notice shall include (1) a statement of the time, place, and nature of public rule-making proceedings, (2) reference to the authority under which the rule is proposed, and (3) either the terms or substance of the proposed rule or a description of the subjects and issues involved.

This paragraph shall not apply to interpretative rules, general statements of policy, or rules of internal board organization, procedure or practice. [1967 c 189 § 20.]

Whenever a review board has been created pursuant to the terms of this chapter, the provisions of law relating to city annexation review boards set forth in chapter 35.13 RCW and the powers granted to the boards of county commissioners to alter boundaries of proposed annexations or incorporations shall not be applicable. [1967 c 189 § 22.]

36.93.900 Effective date—1967 c 189. The effective date of this chapter is July 1, 1967. [1967 c 189 § 24.]

36.93.910 Severability—1967 c 189. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected. [1967 c 189 § 23.]

36.93.920 Reduction of membership on eleven member boards. Eleven member boards created and established in class A counties by the 1967 legislature shall be reduced to five member boards as provided in this section. The governor shall not make any appointments, except for vacancies to fill unexpired terms, to the boards in these class A counties until 1972, at which time one appointment shall be made by the governor, independently, and one appointment from among the nominees of the special purpose districts as provided in RCW 36.93.060, whose terms shall expire on January 1, 1974. In 1974 the governor shall appoint five members to the board as provided in RCW 36.93.060. [Title 36 RCW—p 212] (1987 Ed.)
36.94.010 Definitions. As used in this chapter:

(a) A "system of sewerage" means and includes:
   (1) A water distribution system, including dams, reservoirs, aqueducts, plants, pumping stations, transmission and lateral distribution lines and other facilities for distribution of water;
   (b) A combined water and sewerage system;
   (c) Any combination of or any part of any or all of such facilities.

(b) A water general plan shall include the general location and description of water resources to be utilized, wells, treatment facilities, transmission lines, storage reservoirs, pumping stations, and monitoring and control facilities as may be required to provide a functional and implementable plan, including preliminary engineering to assure feasibility. The plan may also include a description of the regulations deemed appropriate to carrying out surface drainage plans.

(c) Water and/or sewerage general plans shall include preliminary engineering in adequate detail to assure technical feasibility and, to the extent then known, shall further discuss the methods of distributing the cost and expense of the system and shall indicate the economic feasibility of plan implementation. The plans may also specify local or lateral facilities. The sewerage and/or water general plan does not mean the final engineering construction or financing plans for the system.

(4) "Municipal corporation" means and includes any city, town, Metropolitan municipal corporation, any public utility district which operates and maintains a sewer or water system, any sewer, water, diking, or drainage district, any diking, drainage, and sewerage improvement district, and any irrigation district.

(5) A "private utility" means and includes all utilities, both public and private, which provide sewerage and/or water service and which are not municipal corporations within the definition of this chapter. The ownership of a private utility may be in a corporation, nonprofit or for profit, in a cooperative association, in a mutual organization, or in individuals.
(6) "Board" means one or more boards of county commissioners and/or the legislative authority of a home rule charter county. [1981 c 313 § 14; 1979 ex.s. c 30 § 6; 1971 ex.s. c 96 § 1; 1967 c 72 § 1.]

Severability—1981 c 313: See note following RCW 36.94.020.

Construction—1971 ex.s. c 96: "This 1971 amendatory act shall apply to any existing and future sewerage and/or water plans or amendments thereto and implementations thereof and shall not be deemed to be prospective only." [1971 ex.s. c 96 § 12.]

Severability—1971 ex.s. c 96: "If any provision of this 1971 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1971 ex.s. c 96 § 13.]

The above two annotations apply to 1971 ex.s. c 96. For codification of that act, see Codification Tables, Volume 0.

36.94.020 Purpose—Powers. The construction, operation, and maintenance of a system of sewerage and/or water is a county purpose. Subject to the provisions of this chapter, every county has the power, individually or in conjunction with another county or counties to adopt, provide for, accept, establish, condemn, purchase, construct, add to, and maintain a system or systems of sanitary and storm sewers, including outfalls, interceptors, plans, and facilities necessary for sewerage treatment and disposal, and/or system or systems of water supply within all or a portion of the county: Provided, That counties shall not have power to condemn sewerage and/or water systems of any municipal corporation or private utility.

Such county or counties shall have the authority to control, regulate, and manage such system or systems and to provide funds therefor by general obligation bonds, revenue bonds, local improvement district bonds, utility local improvement district or local improvement district assessments, and in any other lawful fiscal manner. [1981 c 313 § 1; 1967 c 72 § 2.]

Severability—1981 c 313: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1981 c 313 § 23.]

36.94.030 Adoption of sewerage and/or water general plan as element of comprehensive plan. Whenever the county legislative authority deems it advisable and necessary for the public health and welfare of the inhabitants of the county to establish, purchase, acquire, and construct a system of sewerage and/or water, or make any additions and betterments thereto, or extensions thereof, the board shall adopt a sewerage and/or water general plan for a system of sewerage and/or water for all or a portion of the county as deemed necessary by the board. If the county has adopted a comprehensive plan for a physical development of the county pursuant to chapter 36.70 RCW and/or chapter 35.63 RCW, then the sewerage and/or water general plan shall be adopted as an element of that comprehensive plan pursuant to the applicable statute. [1981 c 313 § 15; 1967 c 72 § 3.]

Severability—1981 c 313: See note following RCW 36.94.020.

36.94.040 Incorporation of provisions of comprehensive plan in general plan—Approval of metropolitan municipal corporation, when required. The sewerage and/or water general plan must incorporate the provisions of existing comprehensive plans relating to sewerage and water systems of cities, towns, municipalities, and private utilities, to the extent they have been implemented.

In any county in which a metropolitan municipal corporation is authorized to perform the sewerage disposal or water supply function, any sewerage and/or water general plan shall be approved by the metropolitan municipal corporation prior to adoption by the county. [1967 c 72 § 4.]

36.94.050 Review committee—Composition—Submission of plan or amendment to. Prior to the adoption of or amendment of the sewerage and/or water general plan, the county legislative authority (or authorities) shall submit the plan or amendment to a review committee. The review committee shall consist of:

(1) A representative of each first and second class city within or adjoining the area selected by the mayor thereof (if there are no first or second class cities within the plan area, then one representative chosen by the mayor of the city with the largest population within the plan area);

(2) One representative chosen at large by a majority vote of the executive officers of the other cities or towns within or adjoining the area;

(3) A representative chosen by the executive officer or the chairman of the board, as the case may be, of each of the other municipal corporations and private utilities serving one thousand or more sewer and/or water customers located within the area;

(4) One representative chosen at large by a majority vote of the executive officers and chairmen of the boards, as the case may be, of the other remaining municipal corporations within the area;

(5) A representative of each county legislative authority within the planned area, selected by the chairman of each board or county executive, as the case may be; and

(6) In counties where there is a metropolitan municipal corporation operating a sewerage and/or water system in the area, the chairman of its council or such person as he designates.

If the legislative authority rejects the plan pursuant to RCW 36.94.090, the review committee shall be deemed to be dissolved; otherwise the review committee shall continue in existence to review amendments to the plan. Vacancies on the committee shall be filled in the same manner as the original appointment to that position.

Instead of a review committee for each plan area, the county legislative authority or authorities may create a review committee for the entire county or counties, and the review committee shall continue in existence until dissolved by the county legislative authority or authorities. [1981 c 313 § 16; 1971 ex.s. c 96 § 2; 1967 c 72 § 5.]

Severability—1981 c 313: See note following RCW 36.94.020.
36.94.060 Review committee—Chairman, secretary—Rules—Quorum—Compensation of members. The members of each review committee shall elect from its members a chairman and a secretary. The committee shall determine its own rules and order of business and shall provide by resolution for the time and manner of its proceedings which shall be a public record. A majority of all the members shall constitute a quorum for the transaction of business.

Each member of the committee shall be compensated from the county current expense fund at the rate of twenty-five dollars per day, or a major portion thereof, for time actually devoted to the work of the committee in reviewing any proposed sewerage and/or water general plan or amendments to a plan. Each board of county commissioners shall provide such funds as shall be necessary to pay the compensation of the members and such other expenses as shall be reasonably necessary. Such payments shall be reimbursed to the counties advancing the funds from moneys acquired from the construction or operation of a sewerage and/or water system. [1967 ex.s. c 96 § 3; 1967 c 72 § 6.]

Construction—Severability—1971 ex.s. c 96: See notes following RCW 36.94.010.

36.94.070 Review committee—Review of plan or amendments thereto—Report. The committee shall review the sewerage and/or water general plan or amendments thereto and shall report to the board or boards of county commissioners within ninety days their approval or any suggested amendments, deletions, or additions. If the committee shall fail to report within the time, the plan or amendments thereto shall be deemed approved. If the committee submits a report, the board shall consider and review the committee's report and may adopt any recommendations suggested therein. [1971 ex.s. c 96 § 4; 1967 c 72 § 7.]

Construction—Severability—1971 ex.s. c 96: See notes following RCW 36.94.010.

36.94.080 Hearing by board—Notice—Filing general plan. Before final action thereon the board shall conduct a public hearing on the plan after ten days published notice of hearing is given pursuant to RCW 36.32.120(7). The notice must set out the full official title of the proposed resolution adopting the plan and a statement describing the general intent and purpose of the plan. The notice shall also include the day, hour and place of hearing and must be given by publication in the newspaper in which legal notices of the county are printed. Ten days prior to the hearing, three copies of the sewerage and/or water general plan shall be filed with the clerk of the board. The copies shall be open to public inspection. [1967 c 72 § 8.]

36.94.090 Adoption, amendment or rejection of plan. At the hearing, the board may adopt the plan, or amend and adopt the plan, or reject any part or all of the plan. [1967 c 72 § 9.]

36.94.100 Submission of plan or amendments thereto to certain state departments—Approval. Prior to the commencement of actual work on any plan or amendment thereto approved by the board, it must be submitted for written approval to the Washington department of social and health services and to the Washington department of ecology. [1971 ex.s. c 96 § 5; 1967 c 72 § 10.]

Construction—Severability—1971 ex.s. c 96: See notes following RCW 36.94.010.

36.94.110 Adherence to plan—Procedure for amendment. After adoption of the sewerage and/or water general plan, all municipal corporations and private utilities within the plan area shall abide by and adhere to the plan for the future development of their systems. Whenever the governing authority of any county or counties or any municipal corporation deems it to be for the public interest to amend the sewerage and/or water general plan for such county or counties, notice shall be filed with the board or boards of county commissioners. Upon such notice, the board or boards shall initiate consideration of any amendment requested relating to the plan and proceed as provided in this chapter for the adoption of an original plan. [1967 c 72 § 11.]

36.94.120 Establishment of department for administration of system—Personnel merit system. The board shall establish a department in county government for the purpose of establishing, operating and maintaining the system or systems of sewerage and/or water. In the department, the board shall establish and provide for the operation and maintenance of a personnel merit system for the employment, classification, promotion, demotion, suspension, transfer, layoff and discharge of its appointive officers and employees, solely on the basis of merit and fitness, without regard to political influence or affiliation. Such merit system shall not apply to the chief administrative officer of the department and, if the sewer and/or water utility is a division of a department having other functions, the chief administrative officer of such utility. [1971 ex.s. c 96 § 6; 1967 c 72 § 12.]

Construction—Severability—1971 ex.s. c 96: See notes following RCW 36.94.010.

36.94.130 Adoption of rules and regulations. The board of county commissioners may adopt by resolution reasonable rules and regulations governing the construction, maintenance, operation, use, connection and service of the system of sewerage and/or water. [1967 c 72 § 13.]

36.94.140 Authority of county to operate system—Rates and charges, fixing of—Factors to be considered. Every county, in the operation of a system of sewerage and/or water, shall have full jurisdiction and authority to manage, regulate and control it and to fix, alter, regulate and control the rates and charges for the
service to those to whom such county service is available, and to levy charges for connection to such system. The rates for availability of service and connection charges so charged must be uniform for the same class of customers or service.

In classifying customers served, service furnished or made available by such system of sewerage and/or water, or the connection charges, the board may consider any or all of the following factors:

1. The difference in cost of service to the various customers within or without the area;
2. The difference in cost of maintenance, operation, repair and replacement of the various parts of the systems;
3. The different character of the service furnished various customers;
4. The quantity and quality of the sewage and/or water delivered and the time of its delivery;
5. Capital contributions made to the system or systems, including, but not limited to, assessments; and
6. Any other matters which present a reasonable difference as a ground for distinction.

The county may contract with a municipal corporation to furnish such utility service within any municipal corporation.

Except in the case of annexations provided for in RCW 36.94.180, once a county qualifies under this section to serve within a municipal corporation, no municipal corporation may construct or operate a competing utility in the same territory to be served by the county if the county proceeds within a reasonable period of time.

In utility local improvement districts, assessments shall be deposited into the revenue bond fund or general obligation bond fund established for the payment of bonds issued to pay such costs which bond payments are secured in part by the revenue bond fund or general obligation bond fund for the payment of such costs. In local improvement districts, assessments shall be deposited into a fund for the payment of such costs and local improvement bonds issued to finance the same or into the local improvement guaranty fund as provided by applicable statute. 36.94.230 Local improvement districts and utility local improvement districts—Initiation of district by resolution or petition—Publication—Notice to property owners—Contents. Utility local improvement districts and local improvement districts to carry out all or any portion of the general plan, or additions and betterments thereof, may be initiated either by resolution of the county legislative authority or by petition signed by the owners according to the records of the office of the county auditor of at least fifty-one percent of the area of land within the limits of the local district to be created.

In case the county legislative authority desires to initiate the formation of a local district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed local district, describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, and fixing a date, time, and place for a public hearing on the formation of the proposed local district.

In case any such local district is initiated by petition, such petition shall set forth the nature and territorial extent of such proposed improvement and the fact that the signers thereof are the owners according to the records of the county auditor of at least fifty-one percent of the area of land within the limits of the local district to be created. Upon the filing of such petition with the clerk of the county legislative authority, the authority shall determine whether the same is sufficient, and the authority's determination thereof shall be conclusive upon all persons. No person may withdraw his name from said petition after the filing thereof with the clerk of the county legislative authority. If the county legislative authority finds the petition to be sufficient, it shall proceed to adopt a resolution declaring its intention to order the improvement petitioned for, setting forth the nature and territorial extent of said improvement, designating the number of the proposed local district, describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed local district, and fixing a date, time, and place for a public hearing on the formation of the proposed local district.

Notice of the adoption of the resolution of intention, whether adopted on the initiative of the board or pursuant to a petition of the property owners, shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed local district, the date of the first publication to be at least fifteen days prior to the date fixed for the public hearing for hearing before the county legislative authority. Notice of the adoption of the resolution of intention shall also be given each owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed local district by mailing said notice at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer at the address shown thereon. The notice shall refer to the resolution of intention and designate the proposed local district by number. Said notice shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract, or parcel, the date, time, and place of the hearing before the county legislative authority; and in the case of improvements initiated by resolution, said notice shall also state that all persons desiring to object to the formation of the proposed district must file their written protests with the clerk of the
county legislative authority before the time fixed for said public hearing. [1981 c 313 § 4; 1971 ex.s. c 96 § 10; 1967 c 72 § 23.]

36.94.235 Local improvement districts and utility local improvement districts—Sanitary sewer or potable water facilities—Notice to certain property owners. Whenever it is proposed that a local improvement district or utility local improvement district finance sanitary sewers or potable water facilities, additional notice of the public hearing on the proposed improvement district shall be mailed to the owners of any property located outside of the proposed improvement district that would be required as a condition of federal housing administration loan qualification, at the time of notice, to be connected to the specific sewer or water facilities installed by the local improvement district. The notice shall include information about this restriction. [1987 c 315 § 3.]

36.94.240 Local improvement districts and utility local improvement districts—Hearing—Improvement ordered—Divestment of power to order, time limitation—Assessment roll. Whether the improvement is initiated by petition or resolution, the county legislative authority shall conduct a public hearing at the time and place designated in the notice to the property owners. At this hearing the authority shall hear objections from any person affected by the formation of the local district and may make such changes in the boundaries of the district or such modifications in plans for the proposed improvement as are deemed necessary: Provided, That the authority may not change the boundaries of the district to include property not previously included therein without first passing a new resolution of intention and giving a new notice to property owners in the manner and form and within the time herein provided for the original notice.

After said hearing the county legislative authority has jurisdiction to overrule protests and proceed with any such improvement initiated by petition or resolution: Provided, That the jurisdiction of the authority to proceed with any improvement initiated by resolution shall be divested by protests filed with the clerk of the authority prior to said public hearing signed by the owners, according to the records of the county auditor, of at least forty percent of the area of land within the proposed local district. No action whatsoever may be maintained challenging the jurisdiction or authority of the county to proceed with the improvement and creating the local district or in any way challenging the validity thereof or any proceedings relating thereto unless that action is served and filed no later than thirty days after the date of passage of the resolution ordering the improvement and creating the local district.

If the county legislative authority finds that the district should be formed, it shall by resolution order the improvement, adopt detailed plans of the local district and declare the estimated cost thereof, acquire all necessary land therefor, pay all damages caused thereby, and commence in the name of the county such eminent domain proceedings and supplemental assessment or re-assessment proceedings to pay all eminent domain awards as may be necessary to entitle the county to proceed with the work. The county legislative authority shall proceed with the work and file with the county treasurer its roll levying special assessments in the amount to be paid by special assessment against the property situated within the local district in proportion to the special benefits to be derived by the property therein from the improvement. 36.94.250 Local improvement districts and utility local improvement districts—Notice of filing roll—Hearing on protests. Before the approval of the roll a notice shall be published once a week for two consecutive weeks in a newspaper of general circulation in the local district, stating that the roll is on file and open to inspection in the office of the county legislative authority, and fixing the time, not less than fifteen or more than forty-five days from the date of the first publication of the notice, within which protests must be filed with the clerk against any assessments shown thereon, and fixing a time when a hearing will be held on the protests. The hearing shall be held before the county legislative authority, or the county legislative authority may direct that the hearing shall be held before either a committee of the legislative authority or a designated officer. The notice shall also be given by mailing at least fifteen days before the hearing, a similar notice to the owners or reputed owners of the land in the local district as they appear on the books of the treasurer of the county. If the protest is heard by the county legislative authority, it shall have power to correct, revise, raise, lower, change, or modify such roll, or any part thereof, and to set aside such roll, and order that such assessment be made de novo, as shall appear equitable and just. If the protest is heard by a committee or officer, the committee or officer shall make recommendations to the county legislative authority which shall either adopt or reject the recommendations of the committee or officer. If a hearing is held before such a committee or officer, it shall not be necessary to hold a hearing on the assessment roll before such legislative authority: Provided, That any county providing for an officer to hear such protests shall adopt an ordinance

(1987 Ed.)
providing for an appeal from a decision made by the officer that any person protesting his or her assessment may make to the legislative authority. The county legislative authority shall, in all instances, approve the assessment roll by ordinance or resolution.

(2) In the event of any assessment being raised a new notice similar to such first notice shall be given, after which final approval of such roll may be made by the county legislative authority or committee or officer. Whenever any property has been entered originally upon such roll and the assessment upon any such property shall not be raised, no objection thereto may be considered by the county legislative authority or committee or officer or by any court on appeal unless such objection be made in writing at, or prior, to the date fixed for the original hearing upon such roll. 36.94.270 Local improvement districts and utility local improvement districts—Enlarged local district may be formed. If any portion of the system after its installation in such local district is not adequate for the purpose for which it was intended, or that for any reason changes, alterations, or betterments are necessary in any portion of the system after its installation, then such district, with boundaries which may include one or more existing local districts, may be created in the same manner as is provided herein for the creation of local districts. Upon the organization of such local district as provided for in this section the plan of the improvement and the payment of the cost of the improvement shall be carried out in the same manner as is provided herein for the carrying out of and the paying for the improvement in the utility local improvement districts or local improvement districts previously provided for in this chapter. [1981 c 313 § 6; 1967 c 72 § 27.]

36.94.280 Local improvement districts and utility local improvement districts—Conclusiveness of roll when approved—Adjustments to assessments if other funds become available. Whenever any assessment roll for local improvements has been confirmed by the county legislative authority, the regularity, validity and correctness of the proceedings relating to the improvement and to the assessment therefor, including the action of the county legislative authority upon the assessment roll and the confirmation thereof, shall be conclusive in all things upon all parties, and cannot in any manner be contested or questioned in any proceeding by any person not filing written objections to the assessment roll in the manner and within the time provided in this chapter, and not appealing from the action of the county legislative authority in confirming the assessment roll in the manner and within the time in this chapter provided. No proceedings of any kind shall be commenced or prosecuted for the purpose of defeating or contesting any assessment, or the sale of any property to pay an assessment, or any certificate of delinquency issued therefor, or the foreclosure of any lien issued therefor. Provided, That this section shall not be construed as prohibiting the bringing of injunction proceedings to prevent the sale of any real estate upon the grounds:

(1) That the property about to be sold does not appear upon the assessment roll, or
(2) That the assessment has been paid.

If federal, local, or state funds become available for a local improvement after the assessment roll has been confirmed by the county legislative authority, the funds may be used to lower the assessments on a uniform basis. Any adjustments to the assessments because of the availability of federal or state funds may be made on the next annual payment. [1985 c 397 § 10; 1967 c 72 § 28.]

A certified copy of the decision of the court shall be filed with the officer who shall have the custody of the assessment roll, and he shall modify and correct such assessment roll in accordance with such decision. An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases, however, such appeal must be taken within fifteen days after the date of the entry of the judgment of such superior court, and the record and opening brief of the appellant in said cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal shall have been taken by notice as provided in this section. The time for filing such record and serving and filing of briefs in this section prescribed may be extended by order of the superior court, or by stipulation of the parties concerned. The supreme court or the court of appeals on such appeal may correct, change, modify, confirm or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such assessment roll, who shall thereupon modify and correct such assessment roll in accordance with such decision. Whenever any land against which there has been levied any special assessment by a county shall have been sold in part or subdivided, the board of county commissioners of such county shall have the power to order a segregation of the assessment. Any person desiring to have such a special assessment against a tract of land segregated to apply to smaller parts thereof shall apply to the board of county commissioners which levied the assessment. If the board determines that a segregation should be made, they shall by resolution order the county treasurer to make segregation on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to make the segregation ordered upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the board of county commissioners may require as a condition to the order of segregation that the person seeking it pay the county the reasonable engineering and clerical costs incident to making the segregation. 36.94.310 Transfer of system from municipal corporation to county—Authorized. Subject to the provisions of RCW 36.94.310 through 36.94.350 a municipal corporation may transfer to the county within which all of its territory lies, all or part of the property constituting its system of sewerage, system of water or combined water and sewerage system, together with any of its other real or personal property used or useful in connection with the operation, maintenance, repair, replacement, extension, or financing of that system, and the county may acquire such property on such terms as may be mutually agreed upon by the governing body of the municipal corporation and the legislative authority of the county, and approved by the superior court for such county. Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

36.94.320 Transfer of system from municipal corporation to county—Assumption of indebtedness. In consideration of a transfer of property by a municipal corporation to a county in the manner provided in RCW 36.94.310 through 36.94.350, a county may assume and agree to pay or provide for the payment of all or part of the indebtedness of a municipal corporation including the payment and retirement of outstanding general obligation and revenue bonds issued by a municipal corporation. Until the indebtedness of a municipal corporation thus assumed by a county has been discharged, all property within the municipal corporation and the owners and occupants of that property, shall continue to be liable for taxes, special assessments, and other charges legally pledged to pay such indebtedness. The county may assume the obligation of causing the payment of such indebtedness, collecting such taxes, assessments, and charges and observing and performing the other contractual obligations of the municipal corporation. The legislative authority of the county may act in the same manner as the governing body of the municipal corporation for the purpose of certifying the amount of any property tax to be levied and collected therein, and may cause service and other charges and assessments to be collected from such property or owners or occupants thereof, enforce such collection and perform all other acts necessary to insure performance of the contractual obligations of the municipal corporation in the same manner and by the same means as if the property of the municipal corporation had not been acquired by the county.

When a county assumes the obligation of paying indebtedness of a municipal corporation and if property taxes or assessments have been levied and service and other charges have accrued for such purpose but have not been collected by the municipal corporation prior to
such assumption, the same when collected shall belong and be paid to the county and be used by such county so far as necessary for payment of the indebtedness of the municipal corporation existing and unpaid on the date such county assumed that indebtedness. Any funds received by the county which have been collected for the purpose of paying any bonded or other indebtedness of the municipal corporation shall be used for the purpose for which they were collected and for no other purpose until such indebtedness has been paid and retired or adequate provision has been made for such payment and retirement. No transfer of property as provided in this amendatory act shall derogate from the claims or rights of the creditors of the municipal corporation or impair the ability of the municipal corporation to respond to its debts and obligations. Such written agreement may include provisions, by way of description and not by way of limitation, for the rights, powers, duties, and obligations of such municipal corporation and county with regard to the use and ownership of property, the providing of services, the maintenance and operation of facilities, the allocation of costs, the financing and construction of new facilities, the application and use of assets, the disposition of liabilities and indebtedness, the performance of contractual obligations, and any other matters relating to the proposed transfer of property, which may be preceded by an interim period of operation by the county of the property and facilities subsequently to be transferred to that county. The agreement may provide for a period of time during which the municipal corporation may continue to exercise certain rights, privileges, powers, and functions authorized to it by law including the ability to promulgate rules and regulations, to levy and collect special assessments, rates, charges, service charges and connection fees, and to adopt and carry out the provisions of a comprehensive plan, and amendments thereto, for a system of improvements and to issue general obligation bonds or revenue bonds in the manner provided by law, or the agreement may provide for the exercise for a period of time of all or some of such rights, privileges, powers, and functions by the county. The agreement may provide that either party thereto may authorize, issue and sell, in the manner provided by law, revenue bonds to provide funds for new water or sewer improvements or to refund or advance refund any water revenue, sewer revenue or combined water and sewer revenue bonds outstanding of either or both such parties. 36.94.340 Transfer of system from municipal corporation to county—Petition for court approval of transfer—Hearing—Decree. When a municipal corporation and a county have entered into a written agreement providing for the transfer to such county of all or part of the property of such municipal corporation, proceedings may be initiated in the superior court for that county by the filing of a petition to which there shall be attached copies of the agreement of the parties and of the resolutions of the governing body of the municipal corporation and the legislative authority of the county authorizing its execution. Such petition shall ask that the court approve and direct the proposed transfer of property, and any assumption of indebtedness agreed to in consideration thereof by the county, after finding such transfer and acquisition of property to be in the public interest and conducive to the public health, safety, welfare, or convenience. Such petition shall be signed by the members of the legislative authority of the county or chief administrative officer of the municipal corporation and the chairman of the legislative authority of the county, respectively, upon authorization by the governing body of the municipal corporation and the legislative authority of the county.

Within thirty days after the filing of the petition of the parties with copies of their agreement and the resolutions authorizing its execution attached thereto, the court shall by order fix a date for a hearing on the petition not less than twenty nor more than ninety days after the entry of such order which also shall prescribe the form and manner of notice of such hearing to be given. After considering the petition and such evidence as may be presented at the hearing thereon, the court may determine by decree that the proposed transfer of property is in the public interest and conducive to the public health, safety, welfare, or convenience, approve the agreement of the parties and direct that such transfer be accomplished in accordance with that agreement at the time and in the manner prescribed by the court decree. [1975 1st ex.s. c 188 § 10.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.
36.94.350 Transfer of system from municipal corporation to county—Dissolution of municipal corporation. In the event the agreement of the parties provides for the transfer to the county of all the property of the municipal corporation or all such property except bond redemption funds in the possession of the county treasurer from which outstanding bonds of the municipal corporation are payable, and the agreement also provides for the assumption and payment by the county of all the indebtedness of the municipal corporation including the payment and retirement of all its outstanding bonds, and if the petition of the parties so requests, the court in the decree approving and directing the transfer of property, or in a subsequent decree, may dissolve the municipal corporation effective as of the time of transfer of property or at such time thereafter as the court may determine and establish. [1975 1st ex.s. c 188 § 11.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

36.94.360 Transfer of system from municipal corporation to county—RCW 36.94.310 through 36.94.350 deemed alternative method. The provisions of RCW 36.94.310 through 36.94.350 shall be deemed to provide an alternative method for the doing of the things therein authorized and shall not be construed as imposing any additional conditions upon the exercise of any other powers vested in municipal corporations or counties. [1975 1st ex.s. c 188 § 12.]

Severability—1975 1st ex.s. c 188: See RCW 36.94.921.

36.94.370 Waiver or delay of collection of tap-in charges, connection or hookup fees for low income persons. Whenever a county waives or delays collection of tap-in charges, connection fees or hookup fees for low income persons, or class of low income persons, to connect to a system of sewerage or a system of water, the waiver or delay shall be pursuant to a program established by ordinance. [1980 c 150 § 2.]

36.94.380 Local improvement bonds—Local improvement guaranty fund—Payments—Assessments—Certificates of delinquency. Every county adopting a water and/or sewerage general plan is hereby authorized to create a fund for the purpose of guaranteeing, to the extent of such fund, and in the manner hereinafter provided, the payment of all of its local improvement bonds issued, subsequent to May 19, 1981, to pay for any water or sewerage local improvement within its confines. Such fund shall be designated "County Local Improvement Guaranty Fund" and shall be established by resolution of the county legislative authority. For the purpose of maintaining such fund, every county, after the establishment thereof, shall at all times set aside and pay into such a fund such proportion of the monthly gross revenues of the water and/or sewerage system of such county as the legislative authority thereof may direct by resolution. This proportion may be varied from time to time as the county legislative authority deems expedient or necessary, except that under the existence of the conditions set forth in subsections (1) and (2) of this section, the proportion must be as therein specified.

(1) Whenever any bonds of any local improvement district have been guaranteed under RCW 36.94.380 through 36.94.400 and the guaranty fund does not have a cash balance equal to five percent of all bonds originally guaranteed under this chapter (excluding issues which have been retired in full), then five percent of the gross monthly revenues derived from all water and sewer users in the territory included in that local improvement district (but not necessarily from users in other parts of the county as a whole) may be set aside and paid into the guaranty fund. Whenever, under the requirements of this subsection, the cash balance accumulates so that it is equal to five percent of all bonds guaranteed, or to the full amount of all bonds guaranteed, outstanding and unpaid (which amount might be less than five percent of the original total guaranteed), then no further moneys need be set aside and paid into the guaranty fund so long as that condition continues.

(2) Whenever any warrants issued against the guaranty fund, as provided in this section, remain outstanding and uncalled for lack of funds for six months from the date of issuance thereof; or whenever any coupons or bonds guaranteed under this chapter have been matured for six months and have not been redeemed either in cash or by issuance and delivery of warrants upon the guaranty fund, then five percent of the gross monthly revenues (or such portion thereof as the county legislative authority determines will be sufficient to retire those warrants or redeem those coupons or bonds in the ensuing six months) derived from all water and/or sewer users in the county shall be set aside and paid into the guaranty fund. Whenever under the requirements of this subsection all such warrants, coupons, or bonds have been redeemed, no further income need be set aside and paid into the guaranty fund under the requirements of this subsection until and unless other warrants remain outstanding and unpaid for six months or other coupons or bonds default.

(3) For the purpose of complying with the requirements of setting aside and paying into the local improvement guaranty fund a proportion of the monthly gross revenues of the water supply and/or sewerage system of any county, that county shall bind and obligate itself to maintain and operate such system and further bind and obligate itself to establish, maintain, and collect such rates for water as will provide gross revenues sufficient to maintain and operate such systems and to make necessary provision for the local improvement guaranty fund as specified by this section, and the county shall alter its rates for water or sewer service from time to time and shall vary the same in different portions of its territory to comply with those requirements.

(4) Whenever any coupon or bond guaranteed by RCW 36.94.380 through 36.94.400 matures and there is not sufficient funds in the appropriate local improvement district bond redemption fund to pay the coupon or bond, then the county treasurer shall pay the coupon or bond from the local improvement guaranty fund of the
county; if there is not sufficient funds in the guaranty fund to pay the coupon or bond, then it may be paid by issuance and delivery of a warrant upon the local improvement guaranty fund.

(5) Whenever the cash balance in the local improvement guaranty fund is insufficient for the required purposes, warrants drawing interest of a rate fixed by the county legislative authority may be issued by the county auditor against the fund to meet any liability accrued against it and must be issued upon demand of the holders of any maturing coupons and/or bonds guaranteed by RCW 36.94.380 through 36.94.400, or to pay for any certificates of delinquency for delinquent installments of assessments as provided in subsection (6) of this section. Guaranty fund warrants shall be a first lien in their order of issuance upon the gross revenues set aside and paid into the guaranty fund.

(6) Within twenty days after the date of delinquency of any annual installment of assessments levied for the purpose of paying the local improvement bonds of any county guaranteed under the provisions of this chapter, the county treasurer shall compile a statement of all installments delinquent, together with the amount of accrued interest and penalty appurtenant to each of those installments. Thereupon the county treasurer shall forthwith purchase certificates of delinquency for all such delinquent installments. Payment for all such certificates of delinquency shall be made from the local improvement guaranty fund, and if there is not sufficient moneys in the fund to pay for such certificates of delinquency, the county treasurer shall accept the local improvement guaranty fund warrants in payment therefor. All such certificates of delinquency shall be issued in the name of the local improvement guaranty fund, and all guaranty fund warrants issued in payment thereof shall be issued in the name of the appropriate local improvement district fund. Whenever any market is available and the county legislative authority so directs, the county treasurer shall sell any certificates of delinquency belonging to the local improvement guaranty fund, but any such sale may not be for less than face value thereof plus accrued interest from the date of issuance to date of sale.

Such certificates of delinquency, as above provided, shall be issued by the county treasurer, shall bear interest at the rate of eight percent per annum, shall be in each instance for the face value of the delinquent installment, plus accrued interest to date of issuance of certificate of delinquency, plus a penalty of five percent of such face value, and shall set forth the:

(a) Description of the property assessed;

(b) Date the installment of the assessment became delinquent; and

(c) Name of the owner or reputed owner, if known.

Such certificates of delinquency may be redeemed by the owners of the property assessed at any time up to two years from the date of foreclosure of such certificate of delinquency.

If any certificate of delinquency is not redeemed by the second occurring first day of January subsequent to its issuance, the county treasurer shall then proceed to foreclose such certificate of delinquency in the manner specified for the foreclosure of the lien of local improvement assessments, pursuant to the laws applicable to cities or towns; and if no redemption is made within the succeeding two years the treasurer shall execute and deliver a deed conveying fee simple title to the property described in the foreclosed certificate of delinquency. [1981 c 313 § 7.]

Severability—1981 c 313: See note following RCW 36.94.020.

36.94.390 Local improvement bonds—Local improvement guaranty fund—Subrogation—Interest—Purchase of real property at foreclosure sales. Whenever there is paid out of a guaranty fund any sum on account of principal or interest upon the local improvement bond, or on account of purchase of certificates of delinquency, the county, as trustee for the fund, shall be subrogated to all rights of the holder of the bonds, or interest coupons, or delinquent assessment installments, so paid; and the proceeds thereof, or of the assessment or assessments underlying the same, shall become a part of the guaranty fund. There shall also be paid into each guaranty fund the interest received from the bank deposits of the fund, as well as any surplus remaining in the local improvement funds guaranteed under this chapter, after the payment of all outstanding bonds payable primarily out of such local improvement funds. As among the several issues of bonds guaranteed by the fund, no preference exists, but defaulted interest coupons and/or bonds shall be purchased out of the fund in the order of their presentation.

The legislative authority of every county operating under the provisions of RCW 36.94.380 through 36.94.400 shall by resolution prescribe appropriate rules for the guaranty fund, not inconsistent with this chapter. So much of the money of a guaranty fund as is necessary and is not required for other purposes under the terms of RCW 36.94.380 through 36.94.400 may, at the discretion of the county legislative authority, be used to purchase property at county tax foreclosure sales or from the county after foreclosure in cases where such property is subject to unpaid local improvement assessments securing bonds guaranteed under this chapter and such purchase is deemed necessary for the purpose of protecting the guaranty fund. In such cases the fund shall be subrogated to all rights of the county. After so acquiring title to real property, the county may lease or resell and convey the property in the manner that county property is authorized to be leased or resold and for such prices and on such terms as may be determined by resolution of the county legislative authority. Any provision of law to the contrary notwithstanding, all proceeds resulting from such resales belong to and shall be paid into the guaranty fund. [1981 c 313 § 8.]

Severability—1981 c 313: See note following RCW 36.94.020.

36.94.400 Local improvement bonds—Local improvement guaranty fund—Claims by bondholders—
Transfer of cash balance to water and/or sewer maintenance fund. Neither the holder nor the owner of any local improvement bonds guaranteed under the provisions of RCW 36.94.380 through 36.94.400 has any claim therefor against the county by which the bonds are issued, except for payment from the special assessments made for the improvement for which the local improvement bonds were issued, and except as against the local improvement guaranty fund of the county; and the county is not liable to any holder or owner of such local improvement bond for any loss to the guaranty fund occurring in the lawful operation thereof by the county. The remedy of the holder or owner of a local improvement bond, in the case of nonpayment, is confined to the enforcement of the assessment and to the guaranty fund.

A copy of the foregoing part of this section shall be plainly written, printed, or engraved on each local improvement bond guaranteed by RCW 36.94.380 through 36.94.400. The establishment of a local improvement guaranty fund by any county shall not be deemed at variance from any water and/or sewerage general plan or amendment thereto heretofore adopted by such county.

If any local improvement guaranty fund authorized under RCW 36.94.380 through 36.94.400 at any time has a cash balance, and the obligations guaranteed thereby have all been paid off, then such balance shall be transferred to the water and/or sewer maintenance fund of the county. [1981 c 313 § 9.]

Severability—1981 c 313: See note following RCW 36.94.020.

36.94.410 Transfer of system from county to water or sewer district. A system of sewerage, system of water or combined water and sewerage systems operated by a county under the authority of this chapter may be transferred from that county to a water or sewer district in the same manner as is provided for the transfer of those functions from a water or sewer district to a county in RCW 36.94.310 through 36.94.340. [1984 c 147 § 1.]

Annexation under RCW 36.94.410 through 36.94.440 not subject to boundary review board: RCW 36.93.105.

If so provided in the transfer agreement, the area served by the system shall, upon completion of the transfer, be deemed annexed to and become a part of the water or sewer district acquiring the system. The county shall provide notice of the hearing by the county legislative authority on the ordinance executing the transfer agreement under RCW 36.94.330 as follows: (1) By mailed notice to all ratepayers served by the system at least fifteen days prior to the hearing; and (2) by notice in a newspaper of general circulation once at least fifteen days prior to the hearing.

In the event of an annexation under this section resulting from the transfer of a system of sewerage or combined water and sewer systems from a county to a water district governed by Title 57 RCW, the water district shall have all the powers of a water district provided by RCW 57.40.150, as if a sewer district had been merged into a water district. In the event of an annexation under this section as a result of the transfer of a system of water or combined water and sewer systems from a county to a sewer district governed by Title 56 RCW, the sewer district shall have all the powers of a sewer district provided by RCW 56.36.060 as if a water district had been merged into the sewer district. [1985 c 141 § 1; 1984 c 147 § 2.]

36.94.430 Transfer of system from county to water or sewer district—Alternative method. The provisions of RCW 36.94.410 and 36.94.420 provide an alternative method of accomplishing the transfer permitted by those sections and do not impose additional conditions upon the exercise of powers vested in water and sewer districts and counties. [1984 c 147 § 3.]

36.94.440 Transfer of system from county to water or sewer district—Decree by superior court. If the superior court finds that the transfer agreement authorized by RCW 36.94.410 is legally correct and that the interests of the owners of related indebtedness are protected, then the court by decree shall direct that the transfer be accomplished in accordance with the agreement. [1984 c 147 § 4.]

36.94.900 Declaration of purpose. This chapter is hereby declared to be necessary for the public peace, health, safety and welfare and declared to be a county purpose and that the bonds and special assessments authorized hereby are found to be for a public purpose. [1967 c 72 § 33.]

Any act inconsistent herewith shall be deemed modified to conform with the provisions of this chapter for the purpose of this chapter only. [1967 c 72 § 31.]

36.94.920 Severability—1967 c 72. With the publication of the petition there shall be published a notice of the time, date, and place of the public meeting of the county commissioners when the petition will be considered, stating that persons interested may appear and be heard. If after the public meeting or meetings on the petition, the board of county commissioners finds that creation of the proposed district would serve the public interest, the board shall adopt a resolution granting the petition and creating the district. Prior to adoption however, the board may amend the petition in the interest of carrying out the purposes of this chapter. [1971 ex.s. c 155 § 5.]

36.96.010 Definitions. As used in this chapter, unless
the context requires otherwise:
(1) "Special purpose district" means every municipal
and quasi-municipal corporation other than counties,
cities, and towns. Such special purpose districts shall in-
clude, but are not limited to, water districts, fire protec-
tion districts, port districts, public utility districts,
county park and recreation service areas, flood control
zone districts, diking districts, drainage improvement
districts, and solid waste collection districts, but shall
not include industrial development districts created by
port districts, and shall not include local improvement
districts, utility local improvement districts, and road
improvement districts;
(2) "Governing authority" means the commission,
council, or other body which directs the affairs of a spe-
cial purpose district;
(3) "Inactive" means that a special purpose district,
other than a public utility district, is characterized by
either of the following criteria:
(a) Has not carried out any of the special purposes or
functions for which it was formed within the preceding
consecutive five—year period; or
(b) No election has been held for the purpose of
electing a member of the governing body within the pre-
ceding consecutive seven—year period or, in those instan-
ces where members of the governing body are appointed
and not elected, where no member of the governing body

has been appointed within the preceding seven-year period.

A public utility district is inactive when it is characterized by both criteria (a) and (b) of this subsection. [1979 ex.s. c 5 § 1.]

36.96.020 County auditor to notify county legislative authority of inactive special purpose districts. On or before June 1st of 1980, and on or before June 1st of every year thereafter, each county auditor shall search available records and notify the county legislative authority if any special purpose districts located wholly or partially within the county appear to be inactive. Each county auditor shall also provide in the notifications made in 1982 and thereafter a list of all special purpose districts located wholly or partially within the county which, for three consecutive years before the notification, have failed to file statements with the county auditor as required in RCW 36.96.090. If the territory of any special purpose district is located within more than one county, the legislative authorities of all other counties within whose boundaries such a special purpose district lies shall also be notified by the county auditor. However, the authority to dissolve such a special purpose district as provided by this chapter shall rest solely with the legislative authority of the county which contains the greatest geographic portion of such special purpose district. [1979 ex.s. c 5 § 2.]

36.96.030 Determination of inactive special purpose districts—Public hearing—Notice. (1) Upon receipt of notice from the county auditor as provided in RCW 36.96.020, the county legislative authority within whose boundaries all or the greatest portion of such special purpose district lies shall hold one or more public hearings on or before September 1st of the same year to determine whether or not such special purpose district or districts meet either of the criteria for being "inactive" as provided in RCW 36.96.010: Provided, That if such a special purpose district is a public utility district, the county legislative authority shall determine whether or not the public utility district meets both criteria of being "inactive" as provided in RCW 36.96.010. In addition, at any time a county legislative authority may hold hearings on the dissolution of any special purpose district that appears to meet the criteria of being "inactive" and dissolve such a district pursuant to the proceedings provided for in RCW 36.96.030 through 36.96.080. (2) Notice of such public hearings shall be given by publication at least once each week for not less than three successive weeks in a newspaper that is in general circulation within the boundaries of the special purpose district or districts. Notice of such hearings shall also be mailed to each member of the governing authority of such special purpose districts, if such members are known, and to all persons known to have claims against any of the special purpose districts. Notice of such public hearings shall be posted in at least three conspicuous places within the boundaries of each special purpose district that is a subject of such hearings. Whenever a county legislative authority that is conducting such a public hearing on the dissolution of one or more of a particular kind of special purpose district is aware of the existence of an association of such special purpose districts, it shall also mail notice of the hearing to the association. In addition, whenever a special purpose district that lies in more than one county is a subject of such a public hearing, notice shall also be mailed to the legislative authorities of all other counties within whose boundaries the special purpose district lies. All notices shall state the purpose, time, and place of such hearings, and that all interested persons may appear and be heard. [1979 ex.s. c 5 § 3.]

36.96.040 Dissolution of inactive special purpose district by county legislative authority—Written findings. After such hearings, the county legislative authority shall make written findings whether each of the special purpose districts that was a subject of the hearings meets each of the criteria of being "inactive." Whenever a special purpose district other than a public utility district has been found to meet a criterion of being inactive, or a public utility district has been found to meet both criteria of being inactive, the county legislative authority shall adopt an ordinance dissolving the special purpose district if it also makes additional written findings detailing why it is in the public interest that the special purpose district be dissolved. Except for the purpose of winding up its affairs as provided by this chapter, a special purpose district that is so dissolved shall cease to exist thirty-one days after adoption of the dissolution ordinance. [1979 ex.s. c 5 § 4.]

36.96.050 Application for writ of prohibition or mandamus by interested party—Procedure. The action of the county legislative authority dissolving a special purpose district pursuant to RCW 36.96.040 shall be final and conclusive unless within thirty days of the adoption of the ordinance an interested party makes application to a court of competent jurisdiction for a writ of prohibition or writ of mandamus. At the hearing upon such a writ, the applicant shall have the full burden of demonstrating that the particular special purpose district, other than a public utility district, does not meet either of the criteria of being inactive or that it is not in the public interest that the special purpose district be dissolved: Provided, That where the particular special purpose district subject to the dissolution proceedings is a public utility district, the applicant shall have the full burden of demonstrating that the public utility district either does not meet both the criteria of being inactive or that it is not in the public interest to dissolve the public utility district. [1979 ex.s. c 5 § 5.]

36.96.060 Dissolution of inactive special purpose district by county legislative authority—Powers and duties. For the sole and exclusive purpose of winding up the affairs of a dissolved special purpose district, the county legislative authority, acting as a board of trustees, shall have the same powers and duties as the governing authority of the dissolved special purpose district including the following:

(1987 Ed.)

[Title 36 RCW—p 229]
(1) To exchange, sell, or otherwise dispose of all property, real and personal, of the dissolved special purpose district; and
(2) To settle all obligations of such special purpose district. Such powers and duties shall commence upon the effective date of dissolution and shall continue thereafter until such time as the affairs of the dissolved special purpose district have been completely wound up. [1979 ex.s. c 5 § 6.]

36.96.070 Dissolved special purpose district—Disposition of property. Any moneys or funds of the dissolved special purpose district and any moneys or funds received by the board of trustees from the sale or other disposition of any property of the dissolved special purpose district shall be used, to the extent necessary, for the payment or settlement of any outstanding obligations of the dissolved special purpose district. Any remaining moneys or funds shall be used to pay the county legislative authority for all costs and expenses incurred in the dissolution and liquidation of the dissolved special purpose district. Thereafter, any remaining moneys, funds, or property shall become that of the county in which the dissolved special purpose district was located: Provided, That if the territory of the dissolved special purpose district was located within more than one county, the remaining moneys, funds, and personal property shall be apportioned and distributed to each county in the proportion that the geographical area of the dissolved special purpose district within the county bears to the total geographical area of the dissolved special purpose district, and any remaining real property or improvements to real property shall be transferred to the county within whose boundaries it lies. [1979 ex.s. c 5 § 7.]

36.96.080 Dissolved special purpose district—Satisfaction of outstanding obligations. If the proceeds from the sale of any property of the special district together with any moneys or funds of the special purpose district are insufficient to satisfy the outstanding obligations of the special purpose district, the county legislative authority, acting as a board of trustees, shall exercise any and all powers conferred upon it to satisfy such outstanding obligations: Provided, That in no case shall the board of trustees be obligated to satisfy such outstanding obligations from county moneys, funds, or other sources of revenue unless it would have been so obligated before initiation of the dissolution proceedings under this chapter. [1979 ex.s. c 5 § 8.]

36.96.090 Filing of annual statement by special purpose districts—Duties of county auditor. (1) Every special purpose district shall file a statement with the auditor of each county in which it lies on or before December 31st of every year, beginning in the year 1979. The initial statement filed by each special purpose district shall contain the following information:
(a) The name of the special purpose district and a general description of its location and geographical area within the county and within any other county;
(b) The statutes under which the special purpose district operates;
(c) The name, address, telephone number, and remaining term of office of each member of its governing authority; and
(d) The functions that the special purpose district is then presently performing and the purposes for which it was created.
Subsequent annual statements need only identify the special purpose district and any of the above detailed information that has changed in the last year.
(2) Each county auditor, on or before January 31, 1980, and on or before January 31st each year thereafter, shall forward to the state auditor a summation of the information contained in the statements required to be filed in subsection (1) of this section together with information of each special purpose district located wholly or partially within the county that has been dissolved during the preceding year. [1979 ex.s. c 5 § 9.]

36.96.900 Chapter not exclusive. The provisions of this chapter to dissolve inactive special purpose districts shall not be exclusive, and shall be in addition to any other method or methods provided by law to dissolve a special purpose district. [1979 ex.s. c 5 § 10.]

36.96.910 Savings—1979 ex.s. c 5. The enactment of this act shall not have the effect of terminating, or in any way modifying, any liability, civil or criminal, which shall already be in existence on September 1, 1979. [1979 ex.s. c 5 § 11.]

36.96.920 Severability—1979 ex.s. c 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1979 ex.s. c 5 § 15.]
