(3) This section shall not prohibit insurance, covering persons or risks located in a reciprocating state, under contracts solicited and issued in states in which the insurer is then licensed. Nor shall it prohibit insurance effectuated by the insurer as an unauthorized insurer in accordance with the laws of the reciprocating state. Nor shall it prohibit renewal or continuance in force, with or without modification, of contracts otherwise lawful and which were not originally executed in violation of this section.

(4) A "reciprocating" state, as used herein, is one under the laws of which a similar prohibition is imposed upon and is enforced against insurers domiciled in that state.

48.07.160 Continuing operation in event of national emergency—Declaration of purpose—"Insurer" defined. It is desirable for the general welfare and in particular for the welfare of insurance beneficiaries, policyholders, claimants and others that the business of domestic insurers be continued notwithstanding the event of a national emergency. The purpose of this section and RCW 48.07.170 through 48.07.200 is to facilitate the continued operation of domestic insurers in the event that a national emergency is caused by an attack on the United States which is so disruptive of normal business and commerce in this state as to make it impossible or impracticable for a domestic insurer to conduct its business in accord with applicable provisions of law, its bylaws, or its charter. When used in this section and RCW 48.07.170 through 48.07.200 the word "insurer" includes a fraternal benefit society. [1963 c 195 § 25.]

48.07.170 Continuing operation in event of national emergency—Emergency bylaws. The board of directors of any domestic insurer may at any time adopt emergency bylaws, subject to repeal or change by action of those having power to adopt regular bylaws for such insurer, which shall be operative during such a national emergency and which may, notwithstanding any different provisions of the regular bylaws, or of the applicable statutes, or of such insurer's charter, make any provision that may be reasonably necessary for the operation of such insurer during the period of such emergency. [1963 c 195 § 26.]

48.07.180 Continuing operation in event of national emergency—Directors. In the event that the board of directors of a domestic insurer has not adopted emergency bylaws, the following provisions shall become effective upon the occurrence of such a national emergency as above described:

(1) Three directors shall constitute a quorum for the transaction of business at all meetings of the board.
(2) Any vacancy in the board may be filled by a majority of the remaining directors, though less than a quorum, or by a sole remaining director.

(3) If there are no surviving directors, but at least three vice presidents of such insurer survive, the three vice presidents with the longest term of service shall be the directors and shall possess all of the powers of the previous board of directors and such powers as are granted herein or by subsequently enacted legislation. By majority vote, such emergency board of directors may elect other directors. If there are not at least three surviving vice presidents, the commissioner or duly designated person exercising the powers of the commissioner shall appoint three persons as directors who shall include any surviving vice presidents and who shall possess all of the powers of the previous board of directors and such powers as are granted herein or by subsequently enacted legislation, and these persons by majority vote may elect other directors. [1963 c 195 § 27.]

48.07.190 Continuing operation in event of national emergency—Officers. At any time the board of directors of a domestic insurer may, by resolution, provide that in the event of such a national emergency and in the event of the death or incapacity of the president, the secretary, or the treasurer of such insurer, such officers, or any of them, shall be succeeded in the office by the person named or described in a succession list adopted by the board of directors. Such list may be on the basis of named persons or position titles, shall establish the order of priority and may prescribe the conditions under which the powers of the office shall be exercised. [1963 c 195 § 28.]

48.07.200 Continuing operation in event of national emergency—Principal office and place of business. At any time the board of directors of a domestic insurer may, by resolution, provide that in the event of such a national emergency the principal office and place of business of such insurer shall be at such location as is named or described in the resolution. Such resolution may provide for alternate locations and establish an order of preference. [1963 c 195 § 29.]

48.07.210 Conversion to domestic insurer. (1)(a) Any insurer duly organized under the laws of any other state and admitted to transact insurance business in this state may become a domestic insurer upon complying with all requirements of law for the organization of a domestic insurer in this state and by designating its principal place of business at a location in this state. Such domestic insurer is entitled to a certificate of authority to transact insurance in this state, subject to the conditions set forth in (b) of this subsection, and is subject to the authority and the jurisdiction of this state.

(b) Before being eligible to become a domestic insurer under this section, an admitted insurer shall advise the commissioner, in writing, thirty days in advance of the proposed date of its plan to become a domestic insurer. The commissioner must approve the plan in advance of the proposed date. The commissioner shall not approve any such plan unless, after a hearing, pursuant to such notice as the commissioner may require, the commissioner finds that the plan is consistent with law, and that no reasonable objection to the plan exists. If the commissioner fails to approve the plan, the commissioner shall state his or her reasons for failure to approve the plan in an order issued at the hearing.

(2) After providing thirty days' advance written notice of its plan to the commissioner and upon the written approval of the commissioner in advance of the proposed transfer date, any domestic insurer of this state may transfer its domicile to any other state in which it is admitted to transact the business of insurance. Upon transfer of domicile, the insurer ceases to be a domestic insurer of this state. If otherwise qualified under the laws of this state, the commissioner shall admit the insurer to do business in this state as a foreign insurer. The commissioner shall approve any proposed transfer of domicile unless the commissioner determines after a hearing, pursuant to such notice as the commissioner may require, that the transfer is not in the best interests of the public or the insurer's policyholders in this state. If the commissioner fails to approve a proposed transfer of domicile, the commissioner shall state his or her reasons for failure to approve the transfer in an order issued at the hearing.

(3) When a foreign insurer, admitted to transact business in this state, transfers its corporate domicile to this state or to any other state, the certificate of authority, appointment of statutory agent, and all approved licenses, policy forms, rates, filings, and other authorizations and approvals in existence at the time the foreign insurer transfers its corporate domicile shall continue in effect.

(4) Any insurer transferring its corporate domicile under this section shall file any amendments to articles of incorporation, bylaws, or other corporate documents that are required to be filed in this state before the insurer may receive approval of its proposed plan by the commissioner. [1988 c 248 § 5.]

48.08.010 Increase of capital stock. (1) Increase of the capital stock of a domestic stock insurer shall be by amendment to its articles of incorporation.

(2) If the increased capital stock is to be distributed as a stock dividend, such increased capital stock may be fully paid in out of any available surplus funds as is provided in RCW 48.08.030, and such payment shall be effected by a transfer on the insurer's books from its surplus account to its capital account.

(3) When the increased capital has been fully paid in, a certificate to such effect shall be made in quadruplicate under oath and the corporate seal by the insurer's president and secretary and filed in the public offices named in RCW 48.07.070. [1953 c 197 § 4; 1947 c 79 § .08.01; Rem. Supp. 1947 § 45.08.01.]

48.08.020 Reduction of capital stock. (1) Reduction of the capital stock of a domestic stock insurer shall be by amendment of its articles of incorporation. No such reduction shall be made which results in capital stock less than the minimum required by this code for the kinds of insurance thereafter to be transacted by the insurer.

(2) No surplus funds of the insurer resulting from a reduction of its capital stock shall be distributed to stockholders, except as a stock dividend on a subsequent increase of capital stock, or upon dissolution of the insurer, or upon approval of the commissioner of a distribution upon proof satisfactory to him that the distribution will not impair the interests of policyholders or the insurer's solvency.

(3) Upon such reduction of capital stock, the insurer's directors shall call in any outstanding stock certificates required to be changed pursuant thereto, and issue proper certificates in their stead. [1947 c 79 § .08.02; Rem. Supp. 1947 § 45.08.02.]

48.08.030 Dividends to stockholders. (1) No domestic stock insurer shall pay any cash dividend to stockholders except out of that part of its available surplus funds which is derived from any realized net profits on its business.

(2) Such an insurer may pay a stock dividend out of any available surplus funds.

(3) Payment of any dividend to stockholders of a domestic stock insurer shall also be subject to all the limitations and requirements governing the payment of dividends by other private corporations.

(4) No dividend shall be declared or paid which would reduce the insurer's surplus to an amount less than the minimum required for the kinds of insurance thereafter to be transacted.

(5) For the purposes of this chapter "surplus funds" means the excess of the insurer's assets over its liabilities, including its capital stock as a liability.

(6) Available surplus means the excess over the minimum amount of surplus required for the kinds of insurance the insurer is authorized to transact. [1947 c 79 § .08.03; Rem. Supp. 1947 § 45.08.03.]

48.08.040 Illegal dividends, reductions—Penalty against directors. Any director of a domestic stock insurer who votes for or concurs in the declaration or payment of any dividend to stockholders or a reduction of capital stock not authorized by law shall, in addition to any other liability imposed by law, be guilty of a gross misdemeanor. [1947 c 79 § .08.04; Rem. Supp. 1947 § 45.08.04.]

48.08.050 Impairment of capital. (1) If the capital stock of a domestic stock insurer becomes impaired, the commissioner shall at once determine the amount of the deficiency and serve notice upon the insurer to require its stockholders to make good the deficiency within ninety days after service of such notice.

(2) The deficiency shall be made good in cash, or in assets eligible under this code for the investment of the insurer's funds, or by reduction of the insurer's capital stock to an amount not below the minimum required for the kinds of insurance to be thereafter transacted.

(3) If the deficiency is not made good and proof thereof filed with the commissioner within such ninety-day period, the insurer shall be deemed insolvent and shall be proceeded against as authorized by this code.

(4) If the deficiency is not made good the insurer shall not issue or deliver any policy after the expiration of such ninety-day period. Any officer or director who violates or knowingly permits the violation of this provision shall be subject to a fine of from fifty dollars to one thousand dollars for each violation. [1947 c 79 § .08.05; Rem. Supp. 1947 § 45.08.05.]

48.08.060 Repayment of contributions to surplus. Contributions to the surplus of a domestic stock insurer other than resulting from sale of its capital stock, shall not be subject to repayment except out of surplus in excess of the minimum surplus initially required of such an insurer transacting like kinds of insurance. [1947 c 79 § .08.06; Rem. Supp. 1947 § 45.08.06.]

48.08.070 Participating policies. (1) Any domestic stock insurer may, if its charter so provides, issue policies entitled to participate from time to time in the earnings of the insurer through dividends.

(2) Any classification of its participating policies and of risks assumed thereunder which the insurer may make shall be reasonable. No dividend shall be paid which is inequitable or which unfairly discriminates as between such classifications or as between policies within the same classification.

(3) No such insurer shall issue in this state both participating and nonparticipating policies for the same class of risks; except, that both participating and nonparticipating life insurance policies may be issued if the right or absence of the right to participate is reasonably related to the premium charged.

(4) Dividends to participating life insurance policies issued by such insurer shall be paid only out of its surplus...

funds as defined in subsection (5) of RCW 48.08.030. Dividends to participating policies for other kinds of insurance shall be paid only out of that part of such surplus funds which is derived from any realized net profits from the insurer’s business.

(5) No dividend, otherwise earned, shall be made contingent upon the payment of renewal premium on any policy. [1947 c 79 § .08.07; Rem. Supp. 1947 § 45.08.07.]

48.08.080 Mutualization of stock insurers. (1) Any domestic stock insurer may become a domestic mutual insurer pursuant to such plan and procedure as are approved by the commissioner in advance of such mutualization.

(2) The commissioner shall not approve any such plan, procedure, or mutualization unless:

(a) It is equitable to both shareholders and policyholders.

(b) It is approved by vote of the holders of not less than three-fourths of the insurer’s capital stock having voting rights, and by vote of not less than two-thirds of the insurer’s policyholders who vote on such plan, pursuant to such notice and procedure as may be approved by the commissioner. Such vote may be registered in person, by proxy, or by mail.

(c) If a life insurer, the right to vote thereon is limited to those policyholders whose policies have face amounts of not less than one thousand dollars and have been in force one year or more.

(d) Mutualization will result in retirement of shares of the insurer’s capital stock at a price not in excess of the fair value thereof as determined by competent disinterested appraisers.

(e) The plan provides for appraisal and purchase of the shares of any nonconsenting stockholder in accordance with the laws of this state relating to the sale or exchange of all the assets of a private corporation.

(f) The plan provides for definite conditions to be fulfilled by a designated early date upon which such mutualization will be deemed effective.

(g) The mutualization leaves the insurer with surplus funds reasonably adequate to preserve the security of its policyholders and its ability to continue successfully in business in the states in which it is then authorized, and in the kinds of insurance it is then authorized to transact. [1947 c 79 § .08.08; Rem. Supp. 1947 § 45.08.08.]

48.08.090 Stockholder meetings—Duty to inform stockholders of matters to be presented—Proxies. (1) This section shall apply to all domestic stock insurers except:

(a) A domestic stock insurer having less than one hundred stockholders; except, that if ninety-five percent or more of the insurer’s stock is owned or controlled by a parent or affiliated insurer, this section shall not apply to such insurer unless its remaining shares are held by five hundred or more stockholders.

(b) Domestic stock insurers which file with the Securities and Exchange Commission forms of proxies, consents and authorizations pursuant to the Securities and Exchange Act of 1934, as amended.

(2) Every such insurer shall seasonably furnish its stockholders in advance of stockholder meetings, information in writing reasonably adequate to inform them relative to all matters to be presented by the insurer’s management for consideration of stockholders at such meeting.

(3) No person shall solicit a proxy, consent, or authorization in respect of any stock of such an insurer unless he furnishes the person so solicited with written information reasonably adequate as to

(a) the material matters in regard to which the powers so solicited are proposed to be used, and

(b) the person or persons on whose behalf the solicitation is made, and the interest of such person or persons in relation to such matters.

(4) No person shall so furnish to another, information which the informer knows or has reason to believe, is false or misleading as to any material fact, or which fails to state any material fact reasonably necessary to prevent any other statement made from being misleading.

(5) The form of all such proxies shall:

(a) Conspicuously state on whose behalf the proxy is solicited;

(b) Provide for dating the proxy;

(c) Impartially identify each matter or group of related matters intended to be acted upon;

(d) Provide means for the principal to instruct the vote of his shares as to approval or disapproval of each matter or group, other than election to office; and

(e) Be legibly printed, with context suitably organized.

Except, that a proxy may confer discretionary authority as to matters as to which choice is not specified pursuant to item (d), above, if the form conspicuously states how it is intended to vote the proxy or authorization in each such case; and may confer discretionary authority as to other matters which may come before the meeting but unknown for a reasonable time prior to the solicitation by the persons on whose behalf the solicitation is made.

(6) No proxy shall confer authority (a) to vote for election of any person to any office for which a bona fide nominee is not named in the proxy statement, or (b) to vote at any annual meeting (or adjournment thereof) other than the annual meeting next following the date on which the proxy statement and form were furnished stockholders.

(7) The commissioner shall have authority to make and promulgate reasonable rules and regulations for the effectuation of this section, and in so doing shall give due consideration to rules and regulations promulgated for similar purposes by the insurance supervisory officials of other states. [1965 ex.s. c 70 § 5.]

48.08.100 Equity security—Defined. The term "equity security" when used in RCW 48.08.100 through 48.08.160 means any stock or similar security; or any security convertible, with or without consideration, into such a security, or carrying any warrant or right to subscribe to or purchase such a security; or any such warrant or right; or any other security which the commissioner shall deem to be of similar nature and consider necessary or appropriate, by such rules and regulations as he may prescribe in the public interest or for the protection of investors, to treat as an equity security. [1965 ex.s. c 70 § 11.]
48.08.110  Equity security—Duty to file statement of ownership. Every person who is directly or indirectly the beneficial owner of more than ten percent of any class of any equity security of a domestic stock insurer, or who is a director or an officer of such insurer, shall file with the commissioner on or before the 30th day of September, 1965, or within ten days after he becomes such beneficial owner, director or officer, a statement, in such form as the commissioner may prescribe, of the amount of all equity securities of such insurer of which he is the beneficial owner, and within ten days after the close of each calendar month thereafter, if there has been a change in such ownership during such month, shall file with the commissioner a statement, in such form as the commissioner may prescribe, indicating his ownership at the close of the calendar month and such changes in his ownership as have occurred during such calendar month. [1965 ex.s. c 70 § 6.]

48.08.120  Equity security—Profits from short term transactions—Remedies—Limitation of actions. For the purpose of preventing the unfair use of information which may have been obtained by such beneficial owner, director or officer by reason of his relationship to such insurer, any profit realized by him from any purchase and sale, or any sale and purchase, of any equity security of such insurer within any period of less than six months, unless such security was acquired in good faith in connection with a debt previously contracted, shall inure to and be recoverable by the insurer, irrespective of any intention on the part of such beneficial owner, director or officer in entering into such transaction of holding the security purchased or of not repurchasing the security sold for a period exceeding six months. Suit to recover such profit may be instituted at law or in equity in any court of competent jurisdiction by the insurer, or by the owner of any security of the insurer in the name and in behalf of the insurer if the insurer shall fail or refuse to bring such suit within sixty days after request or shall fail diligently to prosecute the same thereafter: PROVIDED, That no such suit shall be brought more than two years after the date such profit was realized. This section shall not be construed to cover any transaction where such beneficial owner was not such both at the time of the purchase and sale, or the sale and purchase, of the security involved, or any transaction or transactions which the commissioner by rules and regulations may exempt as not comprehended within the purpose of this section. [1965 ex.s. c 70 § 7.]

48.08.130  Equity security—Sales, unlawful practices. It shall be unlawful for any such beneficial owner, director or officer, directly or indirectly, to sell any equity security of such insurer if the person selling the security or his principal (1) does not own the security sold, or (2) if owning the security, does not deliver it against such sale within twenty days thereafter, or does not within five days after such sale deposit it in the mails or other usual channels of transportation: PROVIDED, That no person shall be deemed to have violated this section if he proves that notwithstanding the exercise of good faith he was unable to make such delivery or deposit within such time, or that to do so would cause undue inconvenience or expense. [1965 ex.s. c 70 § 8.]

48.08.140  Equity security—Exemptions—Sales by dealer. The provisions of RCW 48.08.120 shall not apply to any purchase and sale, or sale and purchase, and the provisions of RCW 48.08.130 shall not apply to any sale of an equity security of a domestic stock insurer not then or theretofore held by him in an investment account, by a dealer in the ordinary course of his business and incident to the establishment or maintenance by him of a primary or secondary market (otherwise than on an exchange as defined in the Securities Exchange Act of 1934) for such security. The commissioner may, by such rules and regulations as he deems necessary or appropriate in the public interest, define and prescribe terms and conditions with respect to securities held in an investment account and transactions made in the ordinary course of business and incident to the establishment or maintenance of a primary or secondary market. [1965 ex.s. c 70 § 9.]

48.08.150  Equity security—Exemptions—Foreign or domestic arbitrage transactions. The provisions of RCW 48.08.110, 48.08.120 and 48.08.130 shall not apply to foreign or domestic arbitrage transactions unless made in contravention of such rules and regulations as the commissioner may adopt in order to carry out the purposes of RCW 48.08.100 through 48.08.160. [1965 ex.s. c 70 § 10.]

48.08.160  Equity security—Exemptions—Securities registered or required to be, or no class held by one hundred or more persons. The provisions of RCW 48.08.110, 48.08.120, and 48.08.130 shall not apply to equity securities of a domestic stock insurer if (1) such securities shall be registered, or shall be required to be registered, pursuant to section 12 of the Securities Exchange Act of 1934, as amended, or if (2) such domestic stock insurer shall not have any class of its equity securities held of record by one hundred or more persons on the last business day of the year next preceding the year in which equity securities of the insurer would be subject to the provisions of RCW 48.08.110, 48.08.120, and 48.08.130 except for the provisions of this subsection (2). [1965 ex.s. c 70 § 12.]

48.08.170  Equity security—Rules and regulations. The commissioner shall have the power to make such rules and regulations as may be necessary for the execution of the functions vested in him by RCW 48.08.100 through 48.08.160, and may for such purpose classify domestic stock insurers, securities, and other persons or matters within his jurisdiction. No provision of RCW 48.08.110, 48.08.120, and 48.08.130 imposing any liability shall apply to any act done or omitted in good faith in conformity with any rule or regulation of the commissioner, notwithstanding that such rule or regulation may, after such act or omission, be amended or rescinded or determined by judicial or other authority to be invalid for any reason. [1965 ex.s. c 70 § 13.]

48.08.190  Failure to file required information, documents, or reports—Forfeiture. Any person who fails
to file information, documents, or reports required to be filed under this 1969 amendatory act or any rule or regulation thereunder shall forfeit to the state of Washington the sum of one hundred dollars for each and every day such failure to file shall continue. Such forfeiture, which shall be in lieu of any criminal penalty for such failure to file which might be deemed to arise under this title, shall be payable to the treasurer of the state of Washington and shall be recoverable in a civil suit in the name of the state of Washington. [1969 ex.s. c 241 § 18.]

48.09.010 **Initial qualifications.** (1) The commissioner shall not issue a certificate of authority to a domestic mutual insurer unless it has fully qualified therefor under this code, and unless it has met the minimum requirements for the kind of insurance it proposes to transact as provided in this chapter.

(2) All applications for insurance submitted by such an insurer as fulfilling qualification requirements shall be bona fide applications from persons resident in this state covering lives, property, or risks resident or located in this state.

(3) All qualifying premiums collected and initial surplus funds of such an insurer shall be in cash. Any deposit made by such an insurer in lieu of applications, premiums, and initial surplus funds, shall be in cash or in securities eligible for the investment of the capital of a domestic stock insurer transacting the same kind of insurance. [1947 c 79 § .09.01; Rem. Supp. 1947 § 45.09.01.]

48.09.010 **Additional kinds of insurance.** A domestic mutual insurer may be authorized to transact kinds of insurance in addition to that for which it was originally authorized, if it has otherwise complied with the provisions of this code therefor, and while it possesses and maintains surplus funds in aggregate amount not less than the minimum amount of capital and surplus required under this code of a domestic stock insurer authorized to transact like kinds of insurance pursuant to RCW 48.05.340. [1980 c 135 § 2; 1957 c 193 § 5; 1947 c 79 § .09.09; Rem. Supp. 1947 § 45.09.09.]

48.09.100 **Minimum surplus.** A domestic mutual insurer on the cash premium plan shall at all times have and maintain surplus funds, representing the excess of its assets over its liabilities, in amount not less than the aggregate of:

(1) the amount of any surplus funds deposited by it with the commissioner to qualify for its original certificate of authority, and

(2) the amount of any additional surplus required of it pursuant to RCW 48.09.090 for authority to transact additional kinds of insurance. [1963 c 195 § 3; 1947 c 79 § .09.10; Rem. Supp. 1947 § 45.09.10.]

48.09.110 **Membership.** (1) Each holder of one or more insurance contracts issued by a domestic mutual insurer, other than a contract of reinsurance, is a member of the insurer, with the rights and obligations of such membership, and each insurance contract so issued shall effectively so stipulate.

(2) Any person, government or governmental agency, state or political subdivision thereof, public or private corporation, board, association, estate, trustee or fiduciary, may be a member of a mutual insurer. [1947 c 79 § .09.11; Rem. Supp. 1947 § 45.09.11.]

48.09.120 **Rights of members.** (1) A domestic mutual insurer is owned by and shall be operated in the interest of its members.

(2) Each member is entitled to one vote in the election of directors and on matters coming before corporate meetings of members, subject to such reasonable minimum requirements as to duration of membership and amount of insurance held as may be made in the insurer's bylaws. The person named as the policyholder in any group insurance policy issued by such insurer shall be deemed the member, and shall have but one such vote regardless of the number of individuals insured by such policy.

(3) With respect to the management, records, and affairs of the insurer, a member shall have the same character of rights and relationship as a stockholder has toward a domestic stock insurer. [1947 c 79 § .09.12; Rem. Supp. 1947 § 45.09.12.]
48.09.130 Bylaws. A domestic mutual insurer shall adopt bylaws for the conduct of its affairs. Such bylaws, or any modification thereof, shall forthwith be filed with the commissioner. The commissioner shall disapprove any such bylaws, or as so modified, if he finds after a hearing thereon, that it is not in compliance with the laws of this state, and he shall forthwith communicate such disapproval to the insurer. No such bylaw, or modification, so disapproved shall be effective during the existence of such disapproval. [1947 c 79 § .09.13; Rem. Supp. 1947 § 45.09.13.]

48.09.140 Notice of annual meeting. (1) Notice of the time and place of the annual meeting of members of a domestic mutual insurer shall be given by imprinting such notice plainly on the policies issued by the insurer.

(2) Any change of the date or place of the annual meeting shall be made only by an annual meeting of members. Notice of such change may be given:

(a) By imprinting such new date or place on all policies which will be in effect as of the date of such changed meeting; or

(b) Unless the commissioner otherwise orders, notice of the new date or place need be given only through policies issued after the date of the annual meeting at which such change was made and in premium notices and renewal certificates issued during the twenty-four months immediately following such meeting. [1947 c 79 § .09.14; Rem. Supp. 1947 § 45.09.14.]

48.09.150 Voting—Proxies. (1) A member of a domestic mutual insurer may vote in person or by proxy given another member on any matter coming before a corporate meeting of members.

(2) An officer of the insurer shall not hold or vote the proxy of any member.

(3) No such proxy shall be valid beyond the earlier of the following dates:

(a) The date of expiration set forth in the proxy; or

(b) The date of termination of membership; or

(c) Five years from the date of execution of the proxy.

(4) No member's vote upon any proposal to divest the insurer of its business and assets, or the major part thereof, shall be registered or taken except in person or by a proxy newly executed and specific as to the matter to be voted upon. [1947 c 79 § .09.15; Rem. Supp. 1947 § 45.09.15.]

48.09.160 Directors—Disqualification. No individual shall be a director of a domestic mutual insurer by reason of his holding public office. Adjudication as a bankrupt or taking the benefit of any insolvency law or making a general assignment for the benefit of creditors disqualifies an individual from being or acting as a director. [1947 c 79 § .09.16; Rem. Supp. 1947 § 45.09.16.]

48.09.180 Limitation of expenses as to property and casualty insurance. (1) For any calendar year after its first two full calendar years of operation, no domestic mutual insurer on the cash premium plan, other than one issuing nonassessable policies, shall incur any costs or expense in the writing or administration of property, disability, and casualty insurances (other than boiler and machinery or elevator) transacted by it which, exclusive of losses paid, loss adjustment expenses, investment expenses, dividends, and taxes exceeds the sum of

(a) forty percent of the net premium income during that year after deducting therefrom net earned reinsurance premiums for such year, plus

(b) all of the reinsurance commissions received on reinsurance ceded by it.

(2) The bylaws of every domestic mutual property insurer on the assessment premium plan shall impose a reasonable limitation upon its expenses. [1949 c 190 § 8; 1947 c 79 § .09.18; Rem. Supp. 1949 § 45.09.18.]

48.09.190 Procedure upon violation of limitation. The officers and directors of an insurer violating RCW 48.09.180 shall be jointly and severally liable to the insurer for any excess of expenses incurred. If the insurer fails to exercise reasonable diligence or refuses to enforce such liability, the commissioner may prosecute action thereon for the benefit of the insurer. Such failure or refusal constitutes grounds for revocation of the insurer's certificate of authority. [1947 c 79 § .09.19; Rem. Supp. 1947 § 45.09.19.]

48.09.210 Limitation of action on officer's salary. No action to recover, or on account of, any salary or other compensation due or claimed to be due any officer or director of a domestic mutual insurer, or on any note or agreement relative thereto, shall be brought against such insurer after twelve months after the date on which such salary or compensation, or any installment thereof, first accrued. [1947 c 79 § .09.21; Rem. Supp. 1947 § 45.09.21.]

48.09.220 Contingent liability of members. (1) Each member of a domestic mutual insurer, except as otherwise provided in this chapter, shall have a contingent liability, pro rata and not one for another, for the discharge of its obligations. The contingent liability shall be in such maximum amount as is stated in the insurer's articles of incorporation, but shall be not less than one, nor more than five, additional premiums for the member's policy at the annual premium rate and for a term of one year.

(2) Every policy issued by the insurer shall contain a statement of the contingent liability.

(3) Termination of the policy of any such member shall not relieve the member of contingent liability for his proportion of the obligations of the insurer which accrued while the policy was in force. [1949 c 190 § 9; 1947 c 79 § .09.22; Rem. Supp. 1949 § 45.09.22.]

48.09.230 Assessment of members. (1) If at any time the assets of a domestic mutual insurer doing business on the cash premium plan are less than its liabilities and the minimum surplus, if any, required of it by this code as prerequisite for continuance of its certificate of authority, and the deficiency is not cured from other sources, its directors may, if approved by the commissioner, make an assessment only on its members who at any time within the twelve months immediately preceding the date such assessment was authorized by its directors held policies providing for contingent liability.

(1992 Ed.)
(2) Such an assessment shall be for such an amount of money as is required, in the opinion of the commissioner, to render the insurer fully solvent, but not to result in surplus in excess of five percent of the insurer’s liabilities as of the date of the assessment.

(3) A member’s proportionate part of any such assessment shall be computed by applying to the premium earned, during the period since the deficiency first appeared, on his contingently liable policy or policies the ratio of the total assessment to the total premium earned during such period on all contingently liable policies which are subject to the assessment.

(4) No member shall have an offset against any assessment for which he is liable on account of any claim for unearned premium or losses payable. [1949 c 190 § 10; 1947 c 79 § .09.23; Rem. Supp. 1949 § 45.09.23.]

48.09.240 Contingent liability of members of assessment insurer. The contingent liability of members of a domestic mutual insurer doing business on the assessment premium plan shall be called upon and enforced by its directors as provided in its bylaws. [1947 c 79 § .09.24; Rem. Supp. 1947 § 45.09.24.]

48.09.250 Contingent liability as asset. Any contingent liability of members of a domestic mutual insurer to assessment does not constitute an asset of the insurer in any determination of its financial condition. [1949 c 190 § 11; 1947 c 79 § .09.25; Rem. Supp. 1949 § 45.09.25.]

48.09.260 Liability as lien on policy reserves. As to life insurance, any portion of an assessment of contingent liability upon a policyholder which remains unpaid following notice of such assessment, demand for payment, and lapse of a reasonable waiting period as specified in such notice, may, if approved by the commissioner, be secured by placing a lien on the reserves held by the insurer to the credit of such policyholder. [1949 c 190 § 12; 1947 c 79 § .09.26; Rem. Supp. 1949 § 45.09.26.]

48.09.270 Nonassessable policies. (1) A domestic mutual insurer on the cash premium plan, after it has established a surplus not less in amount than the minimum capital funds required of a domestic stock insurer to transact like kinds of insurance, and for so long as it maintains such surplus, may extinguish the contingent liability of its members to assessment and omit provisions imposing contingent liability in all policies currently issued.

(2) Any deposit made with the commissioner as a prerequisite to the insurer's certificate of authority may be included as part of the surplus required in this section.

(3) When the surplus has been so established and the commissioner has so ascertained, he shall issue to the insurer, at its request, his certificate authorizing the extinguishment of the contingent liability of its members and the issuance of policies free therefrom.

(4) While it maintains surplus funds in amount not less than the minimum capital required of a domestic stock insurer authorized to transact like kinds of insurance, and subject to the requirements of RCW 48.05.360 as to special surplus, a foreign or alien mutual insurer on the cash premium plan may, if consistent with its charter and the laws of its domicile, issue nonassessable policies covering subjects located, resident, or to be performed in this state. [1963 c 195 § 4; 1947 c 79 § .09.27; Rem. Supp. 1947 § 45.09.27.]

48.09.280 Qualification on issuance of nonassessable policies. The commissioner shall not authorize a domestic mutual insurer so to extinguish the contingent liability of any of its members or in any of its policies to be issued, unless it qualifies to and does extinguish such liability of all its members and in all such policies for all kinds of insurance transacted by it. Except, that if required by the laws of another state in which such an insurer is transacting insurance as an authorized insurer, the insurer may issue policies providing for the contingent liability of such of its members as may acquire such policies in such state, and need not extinguish the contingent liability applicable to policies theretofore in force in such state. [1947 c 79 § .09.28; Rem. Supp. 1947 § 45.09.28.]

48.09.290 Revocation of right to issue nonassessable policies. (1) The commissioner shall revoke the authority of a domestic mutual insurer so to extinguish the contingent liability of its members if

(a) at any time the insurer's assets are less than the sum of its liabilities and the surplus required for such authority, or

(b) the insurer, by resolution of its directors approved by its members, requests that the authority be revoked.

(2) Upon revocation of such authority for any cause, the insurer shall not thereafter issue any policies without contingent liability, nor renew any policies then in force without written endorsement thereon providing for contingent liability. [1947 c 79 § .09.29; Rem. Supp. 1947 § 45.09.29.]

48.09.300 Dividends. (1) The directors of a domestic mutual insurer on the cash premium plan may from time to time apportion and pay to its members as entitled thereto, dividends only out of that part of its surplus funds which are in excess of its required minimum surplus and which represent net realized savings and net realized earnings from its business.

(2) Any classification of its participating policies and of risks assumed thereunder which the insurer may make shall be reasonable. No dividend shall be paid which is inequitable, or which unfairly discriminates as between such classifications or as between policies within the same classification.

(3) No dividend, otherwise earned, shall be made contingent upon the payment of renewal premium on any policy. [1947 c 79 § .09.30; Rem. Supp. 1947 § 45.09.30.]

48.09.310 Nonparticipating policies. (1) If its articles of incorporation so provide, a domestic mutual insurer on the cash premium plan may, while it is authorized to issue policies without contingent liability to assessment, issue policies not entitled to participate in the insurer’s savings and earnings.

(2) Such insurer shall not issue in this state both participating and nonparticipating policies for the same class of risks; except, that both participating and nonparticipating life insurance policies may be issued if the right or absence
of the right to participate is reasonably related to the premium charged. [1947 c 79 § .09.31; Rem. Supp. 1947 § 45.09.31.]

48.09.320 Borrowed capital. (1) A domestic mutual insurer on the cash premium plan may, with the commissioner’s advance approval and without the pledge of any of its assets, borrow money to defray the expenses of its organization or for any purpose required by its business, upon an agreement that such money and such interest thereon as may be agreed upon, but not exceeding six percent per annum, shall be repaid only out of the insurer’s earned surplus in excess of its required minimum surplus.

(2) Any money so borrowed shall not form a part of the insurer’s legal liabilities or be the basis of any setoff; but until repaid, financial statements filed or published by the insurer shall show as a footnote thereeto the amount thereof then unpaid together with interest thereon accrued but unpaid.

(3) The commissioner’s approval of such loan, if granted, shall specify the amount to be borrowed, the purpose for which the money is to be used, the terms and form of the loan agreement, the date by which the loan must be completed, and such other related matters as the commissioner shall deem proper. If the money is to be borrowed upon multiple agreements, the agreements shall be serially numbered. No loan agreement or series thereof shall have or be given any preferential rights over any other such loan agreement or series. No commission or promotional expense shall be incurred or be paid on account of any such loan. [1947 c 79 § .09.32; Rem. Supp. 1947 § 45.09.32.]

48.09.330 Repayment of borrowed capital. (1) The insurer may repay any loan received pursuant to RCW 48.09.320, or any part thereof as approved by the commissioner, only out of its funds which represent such loan or realized net earned surplus. No repayment shall be made which reduces the insurer’s surplus below the minimum surplus required for the kinds of insurance transacted.

(2) The insurer shall repay any such loan or the largest possible part thereof when the purposes for which such funds were borrowed have been fulfilled and when the insurer’s surplus is adequate to so repay without unreasonable impairment of the insurer’s operations.

(3) No repayment of such loan shall be made unless approved by the commissioner. The insurer shall notify the commissioner in writing not less than sixty days in advance of its intention to repay such loan or any part thereof, and the commissioner shall forthwith ascertain whether the insurer’s financial condition is such that the repayment can properly be made.

(4) Upon dissolution and liquidation of the insurer, after the retirement of all its other outstanding obligations the holders of any such loan agreements then remaining unpaid shall be entitled to payment before any distribution of surplus is made to the insurer’s members. [1949 c 190 § 13; 1947 c 79 § .09.33; Rem. Supp. 1949 § 45.09.33.]

48.09.340 Impairment of surplus. (1) If the assets of a domestic mutual insurer on the cash premium plan fall below the amount of its liabilities, plus the amount of any surplus required by this code for the kinds of insurance authorized to be transacted, the commissioner shall at once ascertain the amount of the deficiency and serve notice upon the insurer to cure the deficiency within ninety days after such service of notice.

(2) If the deficiency is not made good in cash or in assets eligible under this code for the investment of the insurer’s funds, and proof thereof filed with the commissioner within such ninety-day period, the insurer shall be deemed insolvent and shall be proceeded against as authorized by this code.

(3) If the deficiency is not made good the insurer shall not issue or deliver any policy after the expiration of such ninety-day period. Any officer or director who violates or knowingly permits the violating of this provision shall be subject to a fine of from fifty dollars to one thousand dollars for each violation. [1949 c 190 § 14; 1947 c 79 § .09.34; Rem. Supp. 1949 § 45.09.34.]

48.09.350 Reorganization of mutual as stock insurer—Reinsurance—Approval. (1) Upon satisfaction of the requirements applicable to the formation of a domestic stock insurer, a domestic mutual insurer may be reorganized as a stock corporation, pursuant to a plan of reorganization as approved by the commissioner.

(2) A domestic mutual insurer may be wholly reinsured in and its assets transferred to and its liabilities assumed by another mutual or stock insurer under such terms and conditions as are approved by the commissioner in advance of such reinsurance.

(3) The commissioner shall not approve any such reorganization plan or reinsurance agreement which does not determine the amount of and make adequate provision for paying to members of such mutual insurer, reasonable compensation for their equities as owners of such insurer, such compensation to be apportioned to members as identified and in the manner prescribed in RCW 48.09.360. The procedure for approval by the commissioner of any such reorganization plan or reinsurance agreement shall be the same as the procedure for approval by the commissioner of a plan of merger or consolidation under RCW 48.31.010.

Approval at a corporate meeting of members by two-thirds of the then members of a domestic mutual insurer who vote on the plan or agreement pursuant to such notice and procedure as was approved by the commissioner shall constitute approval of any such reorganization plan or reinsurance agreement by the insurer's members. [1984 c 23 § 1; 1983 1st ex.s. c 32 § 1; 1947 c 79 § .09.35; Rem. Supp. 1947 § 45.09.35.]

48.09.360 Distribution of assets and ownership equities upon liquidation. (1) Upon the liquidation of a domestic mutual insurer, its assets remaining after discharge of its indebtedness and policy obligations shall be distributed to its members who were such within the thirty-six months prior to the last termination of its certificate of authority.

(2) Upon the reorganization of a domestic mutual insurer as a domestic stock insurer under RCW 48.09.350(1) or upon reinsurance of the whole of the liabilities and transfer of all the assets of a domestic mutual insurer under RCW 48.09.350(2), the ownership equities of members of
the domestic mutual insurer shall be distributed to its members who were such on an eligibility date stated in the reorganization plan or reinsurance agreement, or who were such within the thirty-six months prior to such eligibility date. Such eligibility date shall be either the date on which the reorganization plan or reinsurance agreement is adopted or within the thirty-six months prior to such eligibility date established under RCW 48.09.360(2) bear to the aggregate of all premiums so earned during the thirty-six months before the eligibility date and formula shall be subject to the commissioner’s approval.

(5) If a life insurer, the insurer shall make a reasonable classification of its life insurance policies so held by such members entitled to a distributive share and a formula based upon such classification for determining the equitable distributive share of each such member. Such classification and formula shall be subject to the commissioner’s approval.

(6) Upon the reorganization of a domestic mutual insurer as a domestic stock insurer under RCW 48.09.350(1) or upon reinsurance of the whole of the liabilities and transfer of all the assets of a domestic mutual insurer under RCW 48.09.350(2), the distributive share of each member entitled thereto shall be in the proportion that the aggregate premiums earned by the insurer on the policies in force of such member during the thirty-six months on all the policies in force of all such members who are entitled to a distributive share.

(7) If a life insurer, the insurer shall make a reasonable classification of its life insurance policies so held by such members entitled to a distributive share and a formula based upon such classification for determining the equitable distributive share of each such member. Such classification and formula shall be subject to the commissioner’s approval.

surplus, if any, required under RCW 48.05.360.

(2) A domestic reciprocal insurer which under prior

as required under laws of this state in force at the time such
authority to transact insurance in this state was granted.

(3) A domestic reciprocal insurer heretofore formed
shall maintain on deposit with the commissioner surplus

which insurer is duly authorized to transact insurance in this
state, shall not, by virtue of discharge of its duties as such

state, be thereby deemed to be doing business in this state
within the meaning of any laws of this state applying to
foreign persons, firms, or corporations.

(3) The subscribers and the attorney in fact comprise a
reciprocal insurer and a single entity for the purposes of
chapter 48.14 RCW as to all operations under the insurer's

of authority of a reciprocal insurer shall be issued to its
attorney in the name of the insurer.

(2) The commissioner may refuse, suspend, or revoke

general;
(d) the maximum amount to be deducted from advance

Modification of the terms of the subscriber's agreement or of the power of attorney of a domestic reciprocal insurer shall be made jointly by the attorney and the subscribers' advisory committee. No such modification shall be effective retroactively, nor as to any insurance contract issued prior thereto. [1947 c 79 § .10.13; Rem. Supp. 1947 § 45.10.13.]

48.10.140 Attorney's bond. (1) Concurrently with the filing of the declaration provided for in RCW 48.10.090, (or, if an existing domestic reciprocal insurer, within ninety days after the effective date of this code) the attorney of a domestic reciprocal shall file with the commissioner a bond running to the state of Washington. The bond shall be executed by the attorney and by an authorized corporate surety, and shall be subject to the commissioner's approval.

   (2) The bond shall be in the penal sum of twenty-five thousand dollars, conditioned that the attorney will faithfully account for all moneys and other property of the insurer coming into his hands, and that he will not withdraw or appropriate for his own use from the funds of the insurer any moneys or property to which he is not entitled under the power of attorney.

   (3) The bond shall provide that it is not subject to cancellation unless thirty days advance notice in writing of intent to cancel is given to both the attorney and the commissioner. [1947 c 79 § .10.14; Rem. Supp. 1947 § 45.10.14.]

[1947 c 79 § .10.15; Rem. Supp. 1947 § 45.10.15.]

48.10.160 Actions on bond. Amounts so recovered shall be deposited in and become part of the insurer's funds. [1947 c 79 § .10.16; Rem. Supp. 1947 § 45.10.16.]

48.10.170 Service of legal process. (1) A certificate of authority shall not be issued to a domestic reciprocal insurer unless prior thereto the attorney has executed and filed with the commissioner the insurer's irrevocable authorization of the commissioner to receive legal process issued in this state against the insurer upon any cause of action arising within this state.

   (2) The provisions of RCW 48.05.210 shall apply to service of such process upon the commissioner.

   (3) In lieu of service on the commissioner, legal process may be served upon a domestic reciprocal insurer by serving the insurer's attorney at his principal offices.

   (4) Any judgment against the insurer based upon legal process so served shall be binding upon each of the insurer's subscribers as their respective interests may appear and in an amount not exceeding their respective contingent liabilities. [1947 c 79 § .10.17; Rem. Supp. 1947 § 45.10.17.]

48.10.180 Annual statement. The annual statement of a reciprocal insurer shall be made and filed by the attorney. [1947 c 79 § .10.18; Rem. Supp. 1947 § 45.10.18.]

48.10.190 Attorney's contribution—Repayment. No contribution to a domestic reciprocal insurer's surplus by the attorney shall be retrievable by the attorney except under such terms and in such circumstances as the commissioner approves. [1947 c 79 § .10.19; Rem. Supp. 1947 § 45.10.19.]

48.10.200 Determination of financial condition. In determining the financial condition of a reciprocal insurer the commissioner shall apply the following rules:

   (1) He shall charge as liabilities the same reserves as are required of incorporated insurers issuing nonassessable policies on a reserve basis.

   (2) The surplus deposits of subscribers shall be allowed as assets, except that any premium deposit delinquent for ninety days shall first be charged against such surplus deposit.

   (3) The surplus deposits of subscribers shall not be charged as a liability.

   (4) All premium deposits delinquent less than ninety days shall be allowed as assets.

   (5) An assessment levied upon subscribers, and not collected, shall not be allowed as an asset.

   (6) The contingent liability of subscribers shall not be allowed as an asset.

   (7) The computation of reserves shall be based upon premium deposits other than membership fees and without any deduction for the compensation of the attorney. [1947 c 79 § .10.20; Rem. Supp. 1947 § 45.10.20.]

48.10.220 Who may become subscriber. Any person, government or governmental agency, state or political subdivision thereof, public or private corporation, board, association, estate, trustee, or fiduciary may become a subscriber of a reciprocal insurer. [1947 c 79 § .10.22; Rem. Supp. 1947 § 45.10.22.]
48.10.230 Subscribers' advisory committee. (1) The advisory committee of a domestic reciprocal insurer exercising the subscribers' rights shall be selected under such rules as the subscribers adopt.

(2) Not less than three-fourths of such committee shall be composed of subscribers other than the attorney, or any person employed by, representing, or having a financial interest in the attorney.

(3) The committee shall:
   (a) Supervise the finances of the insurer;
   (b) supervise the insurer's operations to such extent as to assure their conformity with the subscribers' agreement and power of attorney;
   (c) procure the audit of the accounts and records of the insurer and of the attorney at the expense of the insurer;
   (d) have such additional powers and functions as may be conferred by the subscribers' agreement. [1947 c 79 § .10.23; Rem. Supp. 1947 § 45.10.23.]

48.10.250 Assessment liability of subscriber. (1) The liability of each subscriber subject to assessment for the obligations of the reciprocal insurer shall not be joint, but shall be individual and several.

(2) Each subscriber who is subject to assessment shall have a contingent assessment liability, in the amount provided for in the power of attorney or in the subscribers' agreement, for payment of actual losses and expenses incurred while his policy was in force. Such contingent liability may be at the rate of not less than one nor more than ten times the premium or premium deposit stated in the policy, and the maximum aggregate thereof shall be computed in the manner set forth in RCW 48.10.290.

(3) Each assessable policy issued by the insurer shall plainly set forth a statement of the contingent liability. [1947 c 79 § .10.25; Rem. Supp. 1947 § 45.10.25.]

48.10.260 Action against subscriber requires judgment against insurer. (1) No action shall lie against any subscriber upon any obligation claimed against the insurer until a final judgment has been obtained against the insurer and remains unsatisfied for thirty days.

(2) Any such judgment shall be binding upon each subscriber only in such proportion as his interests may appear and in an amount not exceeding his contingent liability, if any. [1947 c 79 § .10.26; Rem. Supp. 1947 § 45.10.26.]

48.10.270 Assessments. (1) Assessments may be levied from time to time upon the subscribers of a domestic reciprocal insurer, other than as to nonassessable policies, by the attorney upon approval in advance by the subscribers' advisory committee and the commissioner; or by the commissioner in liquidation of the insurer.

(2) Each such subscriber's share of a deficiency for which an assessment is made, not exceeding in any event his aggregate contingent liability as computed in accordance with RCW 48.10.290, shall be computed by applying to the premium earned on the subscriber's policy or policies during the period to be covered by the assessment, the ratio of the total deficiency to the total premiums earned during such period upon all policies subject to the assessment.

(3) In computing the earned premiums for the purposes of this section, the gross premium received by the insurer for the policy shall be used as a base, deducting therefrom solely charges not recurring upon the renewal or extension of the policy.

(4) No subscriber shall have an offset against any assessment for which he is liable, on account of any claim for unearned premium or losses payable. [1947 c 79 § .10.27; Rem. Supp. 1947 § 45.10.27.]

48.10.280 Time limit for assessment. Every subscriber of a domestic reciprocal insurer having contingent liability shall be liable for, and shall pay his share of any assessment, as computed and limited in accordance with this chapter, if:

(1) While his policy is in force or within one year after its termination, he is notified by either the attorney or the commissioner of his intention to levy such assessment; or

(2) If an order to show cause why a receiver, conservator, rehabilitator, or liquidator of the insurer should not be appointed is issued pursuant to RCW 48.31.190 while his policy is in force or within one year after its termination. [1947 c 79 § .10.28; Rem. Supp. 1947 § 45.10.28.]

48.10.290 Aggregate liability. No one policy or subscriber as to such policy, shall be assessed or be charged with an aggregate of contingent liability as to obligations incurred by a domestic reciprocal insurer in any one calendar year, in excess of the number of times the premium as stated in the policy as computed solely upon premium earned on such policy during that year. [1947 c 79 § .10.29; Rem. Supp. 1947 § 45.10.29.]

48.10.300 Nonassessable policies. (1) Subject to the special surplus requirements of RCW 48.05.360, if a reciprocal insurer has a surplus of assets over all liabilities at least equal to the minimum capital stock required of a domestic stock insurer authorized to transact like kinds of insurance, upon application of the attorney and as approved by the subscribers' advisory committee the commissioner shall issue his certificate authorizing the insurer to extinguish the contingent liability of subscribers under its policies then in force in this state, and to omit provisions imposing contingent liability in all policies delivered or issued for delivery in this state for so long as all such surplus remains unimpaired.

(2) Upon impairment of such surplus, the commissioner shall forthwith revoke the certificate. No policy shall thereafter be issued or renewed without providing for the contingent assessment liability of subscribers.

(3) The commissioner shall not authorize a domestic reciprocal insurer so to extinguish the contingent liability of any of its subscribers or in any of its policies to be issued, unless it qualifies to and does extinguish such liability of all its subscribers and in all such policies for all kinds of insurance transacted by it. Except, that if required by the laws of another state in which the insurer is transacting insurance as an authorized insurer, the insurer may issue policies providing for the contingent liability of such of its subscribers as may acquire such policies in such state, and need not extinguish the contingent liability applicable to
policies theretofore in force in such state. [1983 c 3 § 148; 1947 c 79 § .10.30; Rem. Supp. 1947 § 45.10.30.]

48.10.310 Return of savings to subscribers. A reciprocal insurer may from time to time return to its subscribers any savings or credits accruing to their accounts. Any such distribution shall not unfairly discriminate between classes of risks, or policies, or between subscribers. [1947 c 79 § .10.31; Rem. Supp. 1947 § 45.10.31.]

48.10.320 Distribution of assets upon liquidation. Upon the liquidation of a domestic reciprocal insurer, its assets remaining after discharge of its indebtedness and policy obligations, the return of any contribution of the attorney to its surplus made as provided in RCW 48.10.190, and the return of any unused deposits, savings, or credits, shall be distributed to its subscribers who were such within the twelve months prior to the last termination of its certificate of authority according to such formula as may have been approved by the commissioner. [1947 c 79 § .10.32; Rem. Supp. 1947 § 45.10.32.]

48.10.330 Merger—Conversion to stock or mutual insurer. (1) A domestic reciprocal insurer, upon affirmative vote of not less than two-thirds of the subscribers who vote upon such merger pursuant to such notice as may be approved by the commissioner and with the approval of the commissioner of the terms therefor, may merge with another reciprocal insurer or be converted to a stock or mutual insurer.

(2) Such a stock or mutual insurer shall be subject to the same capital requirements and shall have the same rights as a like domestic insurer transacting like kinds of insurance.

(3) The commissioner shall not approve any plan for such merger or conversion which is inequitable to subscribers, or which, if for conversion to a stock insurer, does not give each subscriber preferential right to acquire stock of the proposed insurer proportionate to his interest in the reciprocal insurer as determined in accordance with RCW 48.10.320 and a reasonable length of time within which to exercise such right. [1947 c 79 § .10.33; Rem. Supp. 1947 § 45.10.33.]

48.10.340 Impairment of assets—Procedure. (1) If the assets of a domestic reciprocal insurer are at any time insufficient to discharge its liabilities other than any liability on account of funds contributed by the attorney, and to maintain the surplus required for the kinds of insurance it is authorized to transact, its attorney shall forthwith levy an assessment upon subscribers made subject to assessment by the terms of their policies for the amount needed to make up the deficiency.

(2) If the attorney fails to make the assessment within thirty days after the commissioner orders him to do so, or if the deficiency is not fully made up within sixty days after the date the assessment was made, the insurer shall be deemed insolvent and shall be proceeded against as authorized by this code.

(3) If liquidation of such an insurer is ordered, an assessment shall be levied upon the subscribers for such an amount, subject to limits as provided by this chapter, as the commissioner determines to be necessary to discharge all liabilities of the insurer, exclusive of any funds contributed by the attorney, but including the reasonable cost of the liquidation. [1947 c 79 § .10.34; Rem. Supp. 1947 § 45.10.34.]

Over five years . . . . . . . . . . . . . Pro rata
(4) After adopting any one of the methods for computing such reserve an insurer shall not change methods without the commissioner's approval. [1973 1st ex.s. c 162 § 2; 1947 c 79 § .12.04; Rem. Supp. 1947 § 45.12.04.]

48.12.050 Unearned premium reserve, marine and transportation insurance. With reference to marine and transportation insurances, premiums on trip risks not terminated shall be deemed unearned and the commissioner may require the insurer to carry a reserve thereon equal to one hundred percent on trip risks written during the month ended as of the date of statement; and computed upon a pro rata basis or, with the commissioner's consent, in accordance with the alternative methods provided in RCW 48.12.040 for all other risks. [1947 c 79 § .12.05; Rem. Supp. 1947 § 45.12.05.]

48.12.060 Reserve—Disability insurance. For all disability insurance policies the insurer shall maintain an active life reserve which shall place a sound value on its liabilities under such policies and be not less than the reserve according to appropriate standards set forth in regulations issued by the commissioner and, in no event, less in the aggregate than the pro rata gross unearned premiums for such policies. [1973 1st ex.s. c 162 § 3; 1947 c 79 § .12.06; Rem. Supp. 1947 § 45.12.06.]

48.12.070 Loss records. An insurer shall maintain a complete and itemized record showing all losses and claims as to which it has received notice, including with regard to property, casualty, surety, and marine and transportation insurances, all notices received of the occurrence of any event which may result in a loss. [1947 c 79 § .12.07; Rem. Supp. 1947 § 45.12.07.]

48.12.080 Increased reserves. (1) If the commissioner determines that an insurer's unearned premium reserves, however computed, are inadequate, he may require the insurer to compute such reserves or any part thereof according to such other method or methods as are prescribed in this chapter.
(2) If the loss experience of an insurer shows that its loss reserves, however estimated, are inadequate, the commissioner shall require the insurer to maintain loss reserves in such increased amount as is needed to make them adequate. [1947 c 79 § .12.08; Rem. Supp. 1947 § 45.12.08.]

48.12.090 Loss reserves—Liability insurance. The reserves for outstanding losses and loss expenses under policies of personal injury liability insurance and under policies of employer's liability insurance shall be computed as follows:

48.12.100 Unallocated liability loss expense. (1) All unallocated liability loss expense payments shall be distributed as follows:
(a) Ten years or more prior to the date of determination, one thousand five hundred dollars for each suit;
(b) Five or more and less than ten years prior to the date of determination, one thousand dollars for each suit;
(c) Three or more and less than five years prior to the date of determination, eight hundred fifty dollars for each suit.

In any event the total loss and loss expense reserves for all such liability policies written more than three years prior to the date of determination shall not be less than the aggregate of the estimated unpaid losses and loss expenses under such policies computed on an individual case basis.

(2) For all liability policies written during the three years immediately preceding the date of determination, such reserves shall be the sum of the reserves for each such year, which shall be sixty percent of the earned premiums on liability policies written during such year less all loss and loss expense payments made under such policies written in such year. In any event such reserves for each of such three years shall be not less than the aggregate of the estimated unpaid losses and loss expenses for claims incurred under liability policies written in the corresponding year computed on an individual case basis. [1947 c 79 § .12.09; Rem. Supp. 1947 § 45.12.09.]

48.12.110 Schedule of experience. Any insurer transacting any liability or workers' compensation insurances shall include in its annual statement filed with the commissioner, a schedule of its experience thereunder in such form

(b) If made in each of the first three calendar years in which an insurer issues compensation policies, in the first calendar year one hundred percent shall be charged to the policies written in that year; in the second calendar year fifty percent shall be charged to the policies written in that year, and fifty percent to the policies written in the preceding year; in the third calendar year forty-five percent shall be charged to the policies written in that year, forty-five percent to the policies written in the preceding year and ten percent to the policies written in the second year preceding.

48.12.160 Credit for reinsurance. (1) Any insurance company organized under the laws of this state may take credit as an asset or as a deduction from loss and unearned premium reserves on risks ceded to a reinsurer to the extent reinsured by an insurer or insurers authorized to transact business in this state. The credit on ceded risks reinsured by any insurer which is not authorized to transact business in this state may be taken:

(a) Where the reinsurer maintains sufficient assets in the United States for the protection of policyholders in the United States and operates its business in such manner as to satisfy the commissioner that it maintains a financial condition reasonably comparable to those required of admitted insurers and that it is able to pay losses in the United States; or

(b) In an amount not exceeding:

(i) The amount of deposits by and funds withheld from the assuming insurer pursuant to express provision therefor in the reinsurance contract, as security for the payment of the obligations thereunder, if the deposits or funds are held subject to withdrawal by and under the control of the ceding insurer or if the deposits or funds are placed in trust for these purposes in a bank which is a member of the federal reserve system and withdrawals from the trust cannot be made without the consent of the ceding company; or

(ii) The amount of a clean and irrevocable letter of credit issued by a bank which is a member of the federal reserve system for a term of at least two years if the letter of credit is issued under arrangements satisfactory to the commissioner of insurance as constituting security to the ceding insurer substantially equal to that of a deposit under subparagraph (i) of this subsection.

(2) Any reinsurance ceded by a company organized under the laws of this state or ceded by any company not organized under the laws of this state and transacting business in this state must be payable by the assuming insurer on the basis of liability of the ceding company under the contract or contracts reinsured without diminution because of the insolvency of the ceding company, and any such reinsurance agreement which may be canceled on less than ninety days notice must provide for a run-off of the reinsurance in force at the date of cancellation.

(3) A reinsurance agreement may provide that the liquidator or receiver or statutory successor of an insolvent ceding insurer shall give written notice of the pendency of a claim against the insolvent ceding insurer on the policy or bond reinsured within a reasonable time after such claim is filed in the insolvency proceeding and that during the pendency of such claim any assuming insurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defense or defenses which it may deem available to the ceding insurer or its liquidator or receiver or statutory successor.
The expense thus incurred by the assuming insurer shall be chargeable subject to court approval against the insolvent ceding insurer as a part of the expense of liquidation to the extent of a proportionate share of the benefit which may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer.

(4) Where two or more assuming insurers are involved in the same claim and a majority in interest elect to interpose such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the ceding insurer. [1977 ex.s. c 180 § 3; 1947 c 79 § .12.16; Rem. Supp. 1947 § 45.12.16.]

(a) If purchased at par, at the par value.

(b) If purchased above or below par, on the basis of the purchase price adjusted so as to bring the value to par at the earliest date callable at par or maturing at par and so as to yield in the meantime the effective rate of interest at which the purchase was made; or in lieu of such method, according to such accepted method of valuation as is approved by the commissioner.

(c) Purchase price shall in no case be taken at a higher figure than the actual market value at the time of purchase.

(d) Unless otherwise provided by a valuation established or approved by the National Association of Insurance Commissioners, no such security shall be carried at above call price for the entire issue during any period within which the security may be so called.

(2) Such securities not amply secured or in default as to principal or interest shall be carried at market value.

(3) The commissioner shall have full discretion in determining the method of calculating values according to the rules set forth in this section, and not inconsistent with any such methods then currently formulated or approved by the National Association of Insurance Commissioners. [1947 c 79 § .12.17; Rem. Supp. 1947 § 45.12.17.]

48.12.180 Valuation of stocks. (1) Securities, other than those referred to in RCW 48.12.170, held by an insurer shall be valued, in the discretion of the commissioner, at their market value, or at their appraised value, or at prices determined by him as representing their fair market value, all consistent with any current method for the valuation of any such security formulated or approved by the National Association of Insurance Commissioners.

(2) Preferred or guaranteed stocks or shares while paying full dividends may be carried at a fixed value in lieu of market value, at the discretion of the commissioner and in accordance with such method of computation as he may approve.

(3) The stock of a subsidiary of an insurer shall be valued on the basis of the greater of (a) the value of only such of the assets of such subsidiary as would constitute lawful investments for the insurer if acquired or held directly by the insurer or (b) such other value determined pursuant to rules and cumulative limitations which shall be promulgated by the commissioner to effectuate the purposes of this chapter. [1973 c 151 § 1; 1947 c 79 § .12.18; Rem. Supp. 1947 § 45.12.18.]

48.12.190 Valuation of property. (1) Real property acquired pursuant to a mortgage loan or a contract for a deed, in the absence of a recent appraisal deemed by the commissioner to be reliable, shall not be valued at an amount greater than the unpaid principal of the defaulted loan or contract at the date of such acquisition, together with any taxes and expenses paid or incurred in connection with such acquisition, and the cost of improvements thereafter made by the insurer and any amounts thereafter paid by the insurer on assessments levied for improvements in connection with the property.

(2) Other real property held by an insurer shall not be valued at any amount in excess of fair value, less reasonable depreciation based on the estimated life of the improvements.

(3) Personal property acquired pursuant to chattel mortgages made under RCW 48.13.150 shall not be valued at an amount greater than the unpaid balance of principal on the defaulted loan at date of acquisition together with taxes and expenses incurred in connection with such acquisition, or the fair value of such property, whichever amount is the lesser. [1967 ex.s. c 95 § 10; 1947 c 79 § .12.19; Rem. Supp. 1947 § 45.12.19.]

48.12.200 Valuation of purchase money mortgages. Purchase money mortgages shall be valued in an amount not exceeding the acquisition cost of the real property covered thereby or ninety percent of the fair value of such real property, whichever is less. [1947 c 79 § .12.20; Rem. Supp. 1947 § 45.12.20.]

48.13.020 General qualifications. (1) No security or other investment shall be eligible for purchase or acquisition under this chapter unless it is interest bearing or interest accruing or dividend or income paying, is not then in default in any respect, and the insurer is entitled to receive for its exclusive account and benefit, the interest or income accruing thereon; except,

(a) that an insurer may acquire real property as provided in RCW 48.13.160, and

48.13.030 Limitation on securities of one entity. An insurer shall not, except with the consent of the commissioner, have at any time any combination of investments in or loans upon the security of the obligations, property, and securities of any one person, institution, or municipal corporation aggregating an amount exceeding four percent of the insurer’s assets. This section shall not apply to investments in, or loans upon the security of general obligations of the government of the United States or of any state of the United States, nor to investments in foreign securities pursuant to subsection (1) of RCW 48.13.180, nor include policy loans made pursuant to RCW 48.13.190. [1947 c 79 § .13.03; Rem. Supp. 1947 § 45.13.03.]

48.13.040 Public obligations. An insurer may invest any of its funds in bonds or other evidences of debt, not in default as to principal or interest, which are valid and legally authorized obligations issued, assumed or guaranteed by the United States or by any state thereof or by any territory or possession of the United States or by the District of Columbia or by any county, city, town, village, municipality or district therein or by any political subdivision thereof or by any civil division or public instrumentality of one or more of the foregoing, if, by statutory or other legal requirements applicable thereto, such obligations are payable, as to both principal and interest, (1) from taxes levied or required to be levied upon all taxable property or all taxable income within the jurisdiction of such governmental unit or, (2) from adequate special revenues pledged or otherwise appropriated or by law required to be provided for the purpose of such payment, but not including any obligation payable solely out of special assessments on properties benefited by local improvements unless adequate security is evidenced by the ratio of assessment to the value of the property or the obligation is additionally secured by an adequate guaranty fund required by law. [1947 c 79 § .13.04; Rem. Supp. 1947 § 45.13.04.]

48.13.050 Corporate obligations. An insurer may invest any of its funds in obligations other than those eligible for investment under RCW 48.13.110 if they are issued, assumed, or guaranteed by any solvent institution created or existing under the laws of the United States or of any state, district or territory thereof, and are qualified under any of the following:

(1) Obligations which are secured by adequate collateral security and bear fixed interest if during each of any three, including the last two, of the five fiscal years next preceding the date of acquisition by the insurer, the net earnings of the issuing, assuming or guaranteeing institution available for its fixed charges, as defined in RCW 48.13.060, have been not less than one and one-fourth times the total of its fixed charges for such year. In determining the adequacy of collateral security, not more than one-third of the total value of such required collateral shall consist of stock other than stock meeting the requirements of RCW 48.13.080.

(2) Fixed interest bearing obligations, other than those described in subdivision (1) of this section, if the net earnings of the issuing, assuming or guaranteeing institution available for its fixed charges for a period of five fiscal years next preceding the date of acquisition by the insurer have averaged per year not less than one and one-half times its average annual fixed charges applicable to such period and if during the last year of such period such net earnings have been not less than one and one-half times its fixed charges for such year.
(3) Adjustment, income or other contingent interest obligations if the net earnings of the issuing, assuming or guaranteeing institution available for its fixed charges for a period of five fiscal years next preceding the date of acquisition by the insurer have averaged per year not less than one and one-half times the sum of its average annual fixed charges and its average annual maximum contingent interest applicable to such period and if during each of the last two years of such period such net earnings have been not less than one and one-half times the sum of its fixed charges and maximum contingent interest for such year. [1947 c 79 § .13.05; Rem. Supp. 1947 § 45.13.05.]

48.13.060 Terms defined. (1) Certain terms used are defined for the purposes of this chapter as follows:

(a) "Obligation" includes bonds, debentures, notes or other evidences of indebtedness.

(b) "Institution" includes corporations, joint stock associations, and business trusts.

(c) "Net earnings available for fixed charges" means net income after deducting operating and maintenance expenses, taxes other than federal and state income taxes, depreciation and depletion, but excluding extraordinary nonrecurring items of income or expense appearing in the regular financial statements of such institution.

(d) "Fixed charges" includes interest on funded and unfunded debt, amortization of debt discount, and rentals for leased properties.

(2) If net earnings are determined in reliance upon consolidated earnings statements of parent and subsidiary institutions, such net earnings shall be determined after provision for income taxes of subsidiaries and after proper allowance for minority stock interest, if any; and the required coverage of fixed charges shall be computed on a basis including fixed charges and preferred dividends of subsidiaries other than those payable by such subsidiaries to the parent corporation or to any other of such subsidiaries, except that if the minority common stock interest in the subsidiary corporation is substantial, the fixed charges and preferred dividends may be apportioned in accordance with regulations prescribed by the commissioner. [1947 c 79 § .13.06; Rem. Supp. 1947 § 45.13.06.]

48.13.070 Securities of merged or reorganized institutions. In applying the earnings test set forth in RCW 48.13.060 to any such institution, whether or not in legal existence during the whole of such five years next preceding the date of investment by the insurer, which has at any time during the five-year period acquired substantially all of the assets of any other institution or institutions by purchase, merger, consolidation or otherwise, or has been reorganized pursuant to the bankruptcy law, the earnings of the predecessor or constituent institutions, or of the institution so reorganized, available for interest and dividends for such portion of the five-year period as may have preceded such acquisition, or such reorganization, may be included in the earnings of such issuing, assuming or guaranteeing institution for such portion of such period as may be determined in accordance with adjusted or pro forma consolidated earnings statements covering such portion of such period and giving effect to all stock or shares outstanding, and all fixed charges existing, immediately after such acquisition, or such reorganization. [1947 c 79 § .13.07; Rem. Supp. 1947 § 45.13.07.]

48.13.080 Preferred or guaranteed stocks. (1) An insurer may invest any of its funds, in an aggregate amount not exceeding ten percent of its assets, if a life insurer, or not exceeding fifteen percent of such assets if other than a life insurer, in preferred or guaranteed stocks or shares, other than common stocks, of solvent institutions existing under the laws of the United States or of any state, district or territory thereof, if all of the prior obligations and prior preferred stocks, if any, of such institution at the date of acquisition by the insurer are eligible as investments under this chapter; and if qualified under either of the following:

(a) Preferred stocks or shares shall be deemed qualified if both these requirements are met:

(i) The net earnings of the institution available for its fixed charges for a period of five fiscal years next preceding the date of acquisition by the insurer must have averaged per year not less than one and one-half times the sum of its average annual fixed charges, if any, its average annual maximum contingent interest, if any, and its average annual preferred dividend requirements applicable to such period; and

(ii) during each of the last two years of such period such net earnings must have been not less than one and one-half times the sum of its fixed charges, contingent interest and preferred dividend requirements for such year. The term "preferred dividend requirements" shall be deemed to mean cumulative or noncumulative dividends whether paid or not.

(b) Guaranteed stocks or shares shall be deemed qualified if the assuming or guaranteeing institution meets the requirements of subdivision (1) of RCW 48.13.050, construed so as to include as a fixed charge the amount of guaranteed dividends of such issue or the rental covering the guarantee of such dividends.

(2) An insurer shall not invest in or loan upon any preferred stock having voting rights, of any one institution, in excess of such proportion of the total issued and outstanding preferred stock of such institution having voting rights, as would, when added to any common shares of such institution, directly or indirectly held by it, exceed fifteen percent of all outstanding shares of such institution having voting rights, nor an amount in excess of the limit provided by RCW 48.13.030. This limitation shall not apply to such shares of a corporation which is the subsidiary of an insurer, and which corporation is engaged exclusively in a kind of business properly incidental to the insurance business of the insurer. [1947 c 79 § .13.08; Rem. Supp. 1947 § 45.13.08.]

48.13.090 Trustees' or receivers' obligations. An insurer may invest any of its funds, in an aggregate amount not exceeding two percent of its assets, in certificates, notes, or other obligations issued by trustees or receivers of institutions existing under the laws of the United States or of any state, district or territory thereof, which, or the assets of which, are being administered under the direction of any court having jurisdiction, if such obligation is adequately secured as to principal and interest. [1947 c 79 § .13.09; Rem. Supp. 1947 § 45.13.09.]
48.13.100 Equipment trust certificates. An insurer may invest any of its funds, in an aggregate amount not exceeding ten percent of its assets, in equipment trust obligations or certificates which are adequately secured, or in other adequately secured instruments evidencing an interest in transportation equipment wholly or in part within the United States and the right to receive determined portions of rental, purchase or other fixed obligatory payments for the use or purchase of such transportation equipment. [1947 c 79 § .13.10; Rem. Supp. 1947 § 45.13.10.]

48.13.110 Mortgages, deeds of trust, mortgage bonds, notes, contracts. An insurer may invest any of its funds in:

   (c) The equity of the seller of any such property in the contract for a deed, covering the entire balance due on a bona fide sale of such property, in amount not to exceed ten thousand dollars or the amount permissible under RCW 48.13.030, whichever is greater, in any one such contract for deed.

2. (1) Purchase money mortgages or like securities received by it upon the sale or exchange of real property acquired pursuant to RCW 48.13.160 as amended in *section 7 of this 1969 amendatory act.
   (2) Bonds or notes secured by mortgage or trust deed guaranteed or insured by the Federal Housing Administration under the terms of an act of congress of the United States of June 27, 1934, entitled the "National Housing Act," as amended.
   (3) Bonds or notes secured by mortgage or trust deed guaranteed or insured pursuant to subsection (2) of this section there is any sum owing but not due or delinquent, the total amount of such sum shall be deducted from the amount which otherwise might be loaned on the property. (1) An investment made pursuant to the provisions of RCW 48.13.110 shall not exceed seventy-five percent of the fair value of the particular property at the time of investment. This restriction shall not apply to purchase money mortgages or like securities received by an insurer upon the sale or exchange of real property acquired pursuant to RCW 48.13.160.

(2) The extent to which a mortgage loan made under subdivision (3) or (4) of RCW 48.13.110 is guaranteed or insured by the Federal Housing Administration or guaranteed by the Administrator of Veterans' Affairs may be deducted before application of the limitations contained in subsection (1) of this section. (4) No acquisition of a majority of the total outstanding common shares of any corporation shall be made pursuant to this section unless a notice of intention of such proposed acquisition shall have been filed with the commissioner not less than ninety days, or such shorter period as may be permitted by the commissioner, in advance of such proposed acquisition, nor shall any such acquisition be made if the commissioner at any time prior to the expiration of the notice period finds that the proposed acquisition is contrary to law, or determines that such proposed acquisition would be contrary to the best interests of the parent insurer’s policyholders or of the people of this state. The following shall be the only factors to be considered in making the foregoing determination:

(a) The availability of the funds or assets required for such acquisition;

(b) The fairness of any exchange of stock, assets, cash, or other consideration for the stock or assets to be received;

(c) The impact of the new operation on the parent insurer’s surplus and existing insurance business and the risks inherent in the parent insurer’s investment portfolio and operations;

(d) The fairness and adequacy of the financing proposed for the subsidiary;

(e) The likelihood of undue concentration of economic power;

(f) Whether the effect of the acquisition may be substantially to lessen competition in any line of commerce in insurance or to tend to create a monopoly therein; and

(g) Whether the acquisition might result in an excessive proliferation of subsidiaries which would tend to unduly dilute management effectiveness or weaken financial strength or otherwise be contrary to the best interests of the parent insurer’s policyholders or of the people of this state. At any time after an acquisition, the commissioner may order its disposition if he finds, after notice and hearing, that its continued retention is hazardous or prejudicial to the interests of the parent insurer’s policyholders. The contents of each notice of intention of a proposed acquisition filed hereunder and information pertaining thereto shall be kept confidential, shall not be subject to subpoena, and shall not be made public unless after notice and hearing the commissioner determines that the interests of policyholders, stockholders, or the public will be served by the publication thereof.

(5) A domestic insurance company may, provided that it maintains books and records which separately account for such business, engage directly in any business referred to in paragraphs (d), (e), (h), and (j) of subsection (3) of this section either to the extent necessarily or properly incidental to the insurance business the insurer is authorized to do in this state or to the extent approved by the commissioner and subject to any limitations he may prescribe for the protection of the interests of the policyholders of the insurer after taking into account the effect of such business on the insurer’s existing insurance business and its surplus, the proposed allocation of the estimated cost of such business, and the risks inherent in such business as well as the relative advantages to the insurer and its policyholders of conducting such business directly instead of through a subsidiary. [1982 c 218 § 3; 1973 c 151 § 4; 1949 c 190 § 18; 1947 c 79 § .13.22; Rem. Supp. 1949 § 45.13.22.]

(3) No such investment in or loan upon the security of any one person or entity shall exceed the amount specified in subsection (1) of this section or one percent of the insurer’s assets, whichever is the lesser, except that this subsection (3) shall not apply to an investment in the stock of a subsidiary company.

(4) The insurer shall keep a separate record of all investments acquired under this section. [1982 c 218 § 4; 1947 c 79 § .13.24; Rem. Supp. 1947 § 45.13.24.]

(1) Any ineligible personal property or securities acquired by an insurer may be required to be disposed of within the time not less than six months specified by order of the commissioner, unless before that time it attains the standard of eligibility, if retention of such property or securities would be contrary to the policyholders or public interest in that it tends to substantially lessen competition in the insurance business or threatens impairment of the financial condition of the insurer.

(4) The state does hereby preempt the field of imposing excise or privilege taxes upon insurers or their agents, other than title insurers, and no county, city, town or other municipal subdivision shall have the right to impose any such taxes upon such insurers or their agents.

(5) If an authorized insurer collects or receives any such premiums on account of policies in force in this state which were originally issued by another insurer and which other insurer is not authorized to transact insurance in this state on its own account, such collecting insurer shall be liable for and shall pay the tax on such premiums. Thereafter the prepayment schedule provided by RCW 48.14.025 shall apply." [1982 2nd ex.s. c 10 § 2.]

48.14.021 Reduction of tax—Policies connected with pension, etc., plans exempt or qualified under internal revenue code. As to premiums received from policies or contracts issued in connection with a pension, annuity or profit-sharing plan exempt or qualified under sections 401, 403(b), 404, 408(b), or 501(a) of the United States internal revenue code, the rate of tax specified in RCW 48.14.020 shall be reduced twelve and one-half percent with respect to the tax payable in 1964, twenty-five percent with respect to the tax payable in 1965, thirty-seven and one-half percent with respect to the tax payable in 1966, fifty percent with respect to the tax payable in 1967, sixty-two and one-half percent with respect to the tax payable in 1968, seventy-five percent with respect to the tax payable in 1969, eighty-seven and one-half percent with respect to the tax payable in 1970, and one hundred percent with respect to the tax payable in 1971 and annually thereafter. (2) In computing tax due under RCW 48.14.020, there may be deducted from taxable premiums the amount of any assessment against the taxpayer under RCW 48.41.010 through 48.41.210. Any portion of the deduction allowed in this section which cannot be deducted in a tax year without reducing taxable premiums below zero may be carried forward and deducted in successive years until the deduction is exhausted. [1987 c 431 § 23.]

For good cause demonstrated in writing, the commissioner may approve an amount smaller than the preceding calendar year's tax obligation as recomputed for calculating the insurer's prepayment obligations.

(4) The effect of transferring policies of insurance from one insurer to another insurer is to transfer the tax prepayment obligation with respect to the policies.

(5) On or before June 1 of each year, the commissioner shall notify each insurer required to make prepayments in that year of the amount of each prepayment and shall provide remittance forms to be used by the insurer. However, an insurer's responsibility to make prepayments is not affected by failure of the commissioner to send, or the insurer to receive, the notice or forms. (1) The insurance must be procured through a licensed surplus line broker.

(2) The insurance must not be procurable, after diligent effort has been made to do so from among a majority of the insurers authorized to transact that kind of insurance in this state.

(3) Coverage shall not be procured from an unauthorized insurer for the purpose of securing a lower premium rate than would be accepted by any authorized insurer nor to secure any other competitive advantage.

(4) The commissioner may by regulation establish the degree of effort required to comply with subsections (2) and (3) of this section.

(5) At the time of the procuring of any such insurance an affidavit setting forth the facts referred to in subsections (2) and (3) of this section must be executed by the surplus line broker. Such affidavit shall be filed with the commissioner within thirty days after the insurance is procured.
48.15.050 Endorsement of contract. Every insurance contract procured and delivered as a surplus line coverage pursuant to this chapter shall have stamped upon it and be initialed by or bear the name of the surplus line broker who procured it, the following:

(1) Application to the commissioner for the license shall be made on forms furnished by the commissioner.

(2) The license fee shall be one hundred dollars for each license year during any part of which the license is in force. The annual renewal date shall be determined by the commissioner. (3) Prior to issuance of license the applicant shall file with the commissioner a bond in favor of the state of Washington in the penal sum of twenty thousand dollars, with authorized corporate sureties approved by the commissioner, conditioned that he will conduct business under the license in accordance with the provisions of this chapter and that he will promptly remit the taxes provided by RCW 48.15.120. The licensee shall maintain such bond in force for as long as the license remains in effect.

(4) Every applicant for a surplus line broker's license or for the renewal of a surplus line broker's license shall file with the application or request for renewal a bond in favor of the people of the state of Washington, executed by an authorized corporate surety approved by the commissioner, in the amount of one hundred thousand dollars and shall be the bonding requirement for new licensees. Without prejudice to any liability accruing prior to such cancellation, the surety may cancel the bond upon thirty days' advance notice in writing filed with the commissioner.

(6) For the purposes of this section, a "qualified individual" is a natural person who has met all the requirements that must be met by an individual surplus line broker. Such tax when collected shall be credited to the general fund.

2) If a surplus line policy covers risks or exposures only partially in this state the tax so payable shall be computed upon the proportion of the premium which is properly allocable to the risks or exposures located in this state. [1947 c 79 § .15.12; Rem. Supp. 1947 § 45.15.12.]

48.15.130 Penalty for default. If any surplus line broker fails to file his annual statement, or fails to remit the tax provided by RCW 48.15.120, by the last day of the month in which the tax becomes due, the surplus line broker shall pay the penalties provided in RCW 48.14.060. The tax may be collected by distraint, or the tax and fine may be recovered by an action instituted by the commissioner in any court of competent jurisdiction. (b) If the surplus line broker fails to maintain an office in this state, or to keep the records, or to allow the commissioner to examine his records as required by this chapter; or
(c) For any of the causes for which a broker’s license may be revoked under chapter 48.17 RCW.

(3) The procedures provided by this code for the suspension or revocation of general brokers’ licenses shall be applicable to suspension or revocation of a surplus line broker’s license.

(4) No broker whose license has been so revoked shall again be so licensed within one year thereafter, nor until any fines or delinquent taxes owing by him have been paid. [1980 c 102 § 6; 1947 c 79 § .15.14; Rem. Supp. 1947 § 45.15.14.]

(2) Service of legal process against the insurer may be made in any such action by service upon the commissioner of duplicate copies of such legal process either by a person competent to serve a summons or by registered mail or certified mail with return receipt requested. At the time of such service the plaintiff shall pay to the commissioner ten dollars, taxable as costs in the action. The commissioner shall forthwith mail the documents of process served, or a true copy thereof, to the insurer at its principal place of business last known to the commissioner, or to the person designated by the insurer for that purpose in the most recent document filed with the commissioner, on forms prescribed by the commissioner, by prepaid registered or certified mail with return receipt requested. Upon service of process upon the commissioner in accordance with this provision, the court shall be deemed to have jurisdiction in personam of the insurer.

(3) An unauthorized insurer issuing such policy shall be deemed thereby to have authorized service of process against it in the manner and to the effect as provided in this section. 48.17.560 Fines may be imposed. After hearing or upon stipulation by the licensee or insurance education provider, and in addition to or in lieu of the suspension, revocation, or refusal to renew any such license or insurance education provider approval, the commissioner may levy a fine upon the licensee or insurance education provider. (1) For each offense the fine shall be an amount not more than ten thousand dollars. (2) The order levying such fine shall specify that the fine shall be fully paid not less than fifteen nor more than thirty days from the date of the order. (3) Upon failure to pay any such fine when due, the commissioner shall revoke the licenses of the licensee or the approval(s) of the insurance education provider, if not already revoked. The fine shall be recovered in a civil action brought on behalf of the commissioner by the attorney general. Any fine so collected shall be paid by the commissioner to the state treasurer for the account of the general fund. [1989 c 323 § 3; 1975 1st ex.s. c 266 § 8; 1967 c 150 § 25; 1947 c 79 § .17.56; Rem. Supp. 1947 § 45.17.56.]

48.17.563 Insurance education providers—Commissioner's approval. (1) The commissioner may require insurance education providers to furnish specific information regarding their curricula, faculty, methods of monitoring attendance, and other matters reasonably related to providing insurance education under this chapter. The commissioner may grant approvals to such providers who demonstrate the ability to conduct and certify completion of one or more courses satisfying the insurance education requirements of RCW 48.17.150.

Effective date—1989 c 323: See note following RCW 48.17.055.

48.17.565 Insurance education providers—Violations—Costs awarded. If an investigation of any provider culminates in a finding by the commissioner or by any court of competent jurisdiction, that the provider has failed to comply with or has violated any statute or regulation pertaining to insurance education, the provider shall pay the expenses reasonably attributable and allocable to such investigation.

(1) The commissioner shall calculate such expenses and render a bill therefor by registered mail to the provider. Within thirty days after receipt of such bill, the provider shall pay the full amount to the commissioner. The commissioner shall transmit such payment to the state treasurer. The state treasurer shall credit the payment to the office of the insurance commissioner regulatory account, treating such payment as recovery of a prior expenditure.

(2) In any action brought under this section, if the insurance commissioner prevails, the court may award to the office of the insurance commissioner all costs of the action, including a reasonable attorneys’ fee to be fixed by the court. [1989 c 323 § 4.]

Effective date—1989 c 323: See note following RCW 48.17.055.

48.17.568 Insurance education providers—Bond. In addition to the regulatory requirements imposed pursuant to RCW 48.17.150, the commissioner may require each insurance education provider to post a bond, cash deposit, or irrevocable letter of credit. Every insurance education provider, other than an insurer, health care service contractor, health maintenance organization, or educational institution established by Washington statutes, is subject to the requirement.

(1) The provider shall file with each request for course approval and shall maintain in force while so approved, the bond, cash deposit, or irrevocable letter of credit in favor of the state of Washington, according to criteria which the commissioner shall establish by regulation. The amount of such bond, cash deposit, or irrevocable letter of credit, shall not exceed five thousand dollars for the provider’s first approved course and one thousand dollars for each additional approved course.

(2) Proceeds from the bond, cash deposit, or irrevocable letter of credit shall inure to the commissioner for payment of investigation expenses or for payment of any fine ordered per Washington statutes or regulations governing insurance education: PROVIDED, That recoverable investigation expenses or fines shall not be limited to the amount of such required bond, cash deposit, or irrevocable letter of credit. [1989 c 323 § 5.]

Effective date—1989 c 323: See note following RCW 48.17.055.

48.17.591 Termination of agency contract—Effect on insured. (1) No insurer authorized to do business in this state may cancel or refuse to renew any policy because that insurer’s contract with the independent agent through whom such policy is written has been terminated by the insurer, the agent, or by mutual agreement.

(2) If an insurer intends to terminate a written agency contract with an independent agent, the insurer shall give the agent not less than one hundred twenty days’ advance written notice of the intent, unless the termination is based upon the agent’s abandonment of the agency, the agent’s gross and willful misconduct, the agent’s loss of license by order of the insurance commissioner, the agent’s sale of, or material change of ownership in, the agency, the agent’s fraud or material misrepresentation relative to the business of insurance, or the agent’s default in payments due the insurer under the terms of the agreement. During the notice period the insurer shall not amend the existing contract without the consent of the agent.

(a) Unless the agency contract provides otherwise, during the one hundred twenty day notice period the independent agent shall not write or bind any new business on behalf of the terminating insurer without specific written approval. However, routine adjustments by insureds are permitted. The terminating insurer shall permit renewal of all its policies in the agent’s book of business for a period of one year following the effective date of the termination, to the extent the policies meet the insurer’s underwriting standards and the insurer has no other reason for nonrenewal. The rate of commission for any policies renewed under this provision shall be the same as the agent would have received had the agency agreement not been terminated.

(b) An independent agent whose agency contract has been terminated shall have a reasonable opportunity to transfer affected policies to other insurers with which the agent has an appointment: PROVIDED, HOWEVER, That prior to the conclusion of the one-year renewal period following the effective date of the termination, an insurer without a reason for not renewing an insured’s policy and which has not received notification of the placement of such policy with another insurer shall provide its insured with appropriate written notice of an offer to continue the policy. In such cases, except where the terminated agent has placed the policy with another agent of the insurer, the insurer shall, where practical, assign the policy to an appointed agent located reasonably near the insured willing to accept the assignment.

(c) An insurer is not required to continue the appointment of a terminated independent agent during or after the one year renewal period. However, an agent whose contract has been terminated by the insurer remains an agent of the terminating insurer as to actions associated with the policies subject to this section just as if he or she were appointed by the insurer as its agent.

(3) In the absence of receipt of notice from the insured that coverage will not be continued with the existing insurer,
an insurer whose agency contract has been terminated by an independent agent, or by the mutual agreement of the insurer and the agent, that elects to renew or lacks a reason not to renew, shall give the renewal notice required by chapter 48.18 RCW to affected insureds, and continue renewed coverage in accordance with the methods specified in subsection (2)(b) of this section. Agents affected by this subsection may provide the notice to an insurer that an insured does not intend to continue existing coverage with the insurer, after receiving written authority to do so from an insured.

(4) For purposes of this section an "independent agent" is a licensed insurance agent representing an insurer on an independent contractor basis and not as an employee. This term includes only those agents not obligated by contract to place insurance accounts with a particular insurer or group of insurers.

(5) This section does not apply to (a) agents or policies of an insurer or group of insurers if the business is not owned by the agent and the termination of any such contractual agreement does not result in the cancellation or nonrenewal of any policies of insurance; (b) general agents, to the extent that they are acting in that capacity; (c) life, disability, surety, ocean marine and foreign trade, and title insurance policies; (d) situations where the termination of the agency contract results from the insolvency or liquidation of the terminating insurer.

(6) No insurer may terminate its agency contract with an appointed agent unless it complies with this section.

(7) Nothing contained in this section excuses an insurer from giving cancellation and renewal notices that may be required by chapter 48.18 RCW. [1990 c 121 § 1. Formerly RCW 48.18.285.]

Reviser's note: Previously codified as RCW 48.18.285. Recodified to reflect legislative directive under 1990 c 121.

Chapter 48.18  Title 48 RCW: Insurance

48.18.010 Scope of chapter. The applicable provisions of this chapter shall apply to insurances other than ocean marine and foreign trade insurances. This chapter shall not apply to life or disability insurance policies not issued for delivery in this state nor delivered in this state.

48.18.020 Power to contract. (1) Any person eighteen years or older shall be considered of full legal age and may contract for or with respect to insurance. Any person seventeen years or younger shall be considered a minor for purposes of Title 48 RCW.

(2) A minor not less than fifteen years of age as at nearest birthday may, notwithstanding such minority, contract for life or disability insurance on his own life or body, for his own benefit or for the benefit of his father, mother, spouse, child, brother, sister, or grandparent, and may exercise all rights and powers with respect to or under the contract as though of full legal age, and may surrender his interest therein and give a valid discharge for any benefit accruing or money payable thereunder. The minor shall not, by reason of his minority, be entitled to rescind, avoid, or repudiate the contract, or any exercise of a right or privilege thereunder, except, that such minor, not otherwise emancipated, shall not be bound by any unperformed agreement to pay, by promissory note or otherwise any premium on any such insurance contract.

48.18.030 Insurable interest—Personal insurances—Nonprofit organizations. (1) Any individual of competent legal capacity may procure or effect an insurance contract upon his own life or body for the benefit of any person. But no person shall procure or cause to be procured any insurance contract upon the life or body of another individual unless the benefits under such contract are payable to the individual insured or his personal representatives, or to a person having, at the time when such contract was made, an insurable interest in the individual insured.

(2) If the beneficiary, assignee or other payee under any contract made in violation of this section receives from the insurer any benefits thereunder accruing upon the death, disablement or injury of the individual insured, the individual insured or his executor or administrator, as the case may be, may maintain an action to recover such benefits from the person so receiving them.

(3) “Insurable interest” as used in this section and in RCW 48.18.060 includes only interests as follows:

(a) In the case of individuals related closely by blood or by law, a substantial interest engendered by love and affection; and

(b) In the case of other persons, a lawful and substantial economic interest in having the life, health or bodily safety of the individual insured continue, as distinguished from an interest which would arise only by, or would be enhanced in value by, the death, disablement or injury of the individual insured.

(c) An individual heretofore or hereafter party to a contract or option for the purchase or sale of an interest in a business partnership or firm, or of shares of stock of a close corporation or of an interest in such shares, has an insurable interest in the life of each individual party to such contract and for the purposes of such contract only, in addition to any insurable interest which may otherwise exist as to the life of such individual.

(d) A guardian, trustee or other fiduciary has an insurable interest in the life of any person for whose benefit the fiduciary holds property, and in the life of any other individual in whose life such person has an insurable interest.

(e) Subject to rules adopted under subsection (4) of this section, upon joint application with a nonprofit organization for, or transfer to a nonprofit organization of, an insurance policy on the life of a person naming the organization as owner and beneficiary, a nonprofit organization's interest in the life of a person if:

(i) The nonprofit organization was established exclusively for religious, charitable, scientific, literary, or educational purposes, or to promote amateur athletic competition, to conduct testing for public safety, or to prevent cruelty to children or animals; and

(ii) The nonprofit organization:

(A) Has existed for a minimum of five years; or

(B) Has been issued a certificate of exemption to conduct a charitable gift annuity business under RCW 48.38.010, or is authorized to conduct a charitable gift annuity business under RCW 28B.10.485; or

(C) Has been organized, and at all times has been operated, exclusively for benefit of, to perform the functions of, or to carry out the purposes of one or more nonprofit organizations described in (e)(ii)(A) or (B) of this subsection and is operated, supervised, or controlled by or in connection with one or more such nonprofit organizations; and

(iii) For a joint application, the person is not an employee, officer, or director of the organization who receives significant compensation from the organization and who became affiliated with the organization in that capacity less than one year before the joint application.

(4) The commissioner may adopt rules governing joint applications for, and transfers of, life insurance under subsection (3)(e) of this section. The rules may include:

(a) Standards for full and fair disclosure that set forth the manner, content, and required disclosure for the sale of life insurance issued under subsection (3)(e) of this section; and

(b) For joint applications, a grace period of thirty days during which the insured person may direct the nonprofit organization to return the policy and the insurer to refund any premium paid to the party that, directly or indirectly, paid the premium; and

(c) Standards for granting an exemption from the five-year existence requirement of subsection (3)(e)(ii)(A) of this section to a private foundation that files with the insurance commissioner documents, stipulations, and information as the insurance commissioner may require to carry out the purpose of subsection (3)(e) of this section.
(5) Nothing in this section permits the personal representative of the insured’s estate to recover the proceeds of a policy on the life of a deceased insured person that was applied for jointly by, or transferred to, an organization covered by subsection (3)(e) of this section, where the organization was named owner and beneficiary of the policy.

This subsection applies to all life insurance policies applied for by, or transferred to, an organization covered by subsection (3)(e) of this section, regardless of the time of application or transfer and regardless of whether the organization would have been covered at the time of application or transfer. [1992 c 51 § 1; 1973 1st ex.s. c 89 § 3; 1947 c 79 § .18.03; Rem. Supp. 1947 § 45.18.03.]

Use of trust funds by fiduciaries for life insurance: RCW 11.110.120.

48.18.040 Insurable interest—Property insurances. (1) No contract of insurance on property or of any interest therein or arising therefrom shall be enforceable except for the benefit of persons having an insurable interest in the things insured.

(2) "Insurable interest" as used in this section means any lawful and substantial economic interest in the safety or preservation of the subject of the insurance free from loss, destruction, or pecuniary damage. [1947 c 79 § .18.04; Rem. Supp. 1947 § 45.18.04.]

48.18.050 Named insured—Interest insured. When the name of a person intended to be insured is specified in the policy, such insurance can be applied only to his own proper interest. This section shall not apply to life and disability insurances. [1947 c 79 § .18.05; Rem. Supp. 1947 § 45.18.05.]

48.18.060 Application—When required. No life or disability insurance contract upon an individual, except a contract of group life insurance or of group or blanket disability insurance as defined in this code, shall be made or effectuated unless at the time of the making of the contract the individual insured, being of competent legal capacity to contract, in writing applies therefor or consents thereto, except in the following cases:

(1) A spouse may effectuate such insurance upon the other spouse.

(2) Any person having an insurable interest in the life of a minor, or any person upon whom a minor is dependent for support and maintenance, may effectuate insurance upon the life of the minor. [1947 c 79 § .18.06; Rem. Supp. 1947 § 45.18.06.]

48.18.070 Alteration of application. (1) Any application for insurance in writing by the applicant shall be altered solely by the applicant or by his written consent, except that insertions may be made by the insurer for administrative purposes only in such manner as to indicate clearly that such insertions are not to be ascribed to the applicant. Violation of this provision shall be a misdemeanor.

(2) Any insurer issuing an insurance contract upon such an application unlawfully altered by its officer, employee, or agent shall not have available in any action arising out of such contract, any defense which is based upon the fact of such alteration, or as to any item in the application which was so altered. [1947 c 79 § .18.07; Rem. Supp. 1947 § 45.18.07.]

48.18.080 Application as evidence. (1) No application for the issuance of any insurance policy or contract shall be admissible in evidence in any action relative to such policy or contract, unless a true copy of the application was attached to or otherwise made a part of the policy when issued and delivered. This provision shall not apply to policies or contracts of industrial life insurance.

(2) If any policy of life or disability insurance delivered in this state is reinstated or renewed, and the insured or the beneficiary or assignee of the policy makes written request to the insurer for a copy of the application, if any, for such reinstatement or renewal, the insurer shall, within fifteen days after receipt of such request at its home office or at any of its branch offices, deliver or mail to the person making such request, a copy of such application. If such copy is not so delivered or mailed, the insurer shall be precluded from introducing the application as evidence in any action or proceeding based upon or involving the policy or its reinstatement or renewal. [1947 c 79 § .18.08; Rem. Supp. 1947 § 45.18.08.]

48.18.090 Warranties and misrepresentations, effect of. (1) Except as provided in subsection (2) of this section, no oral or written misrepresentation or warranty made in the negotiation of an insurance contract, by the insured or in his behalf, shall be deemed material or defeat or avoid the contract or prevent it attaching, unless the misrepresentation or warranty is made with the intent to deceive.

(2) In any application for life or disability insurance made in writing by the insured, all statements therein made by the insured shall, in the absence of fraud, be deemed representations and not warranties. The falsity of any such statement shall not bar the right to recovery under the contract unless such false statement was made with actual intent to deceive or unless it materially affected either the acceptance of the risk or the hazard assumed by the insurer. [1947 c 79 § .18.09; Rem. Supp. 1947 § 45.18.09.]

48.18.100 Forms of policies—Filing, certification, and approval. (1) No insurance policy form other than surety bond forms, or application form where written application is required and is to be attached to the policy, or printed life or disability rider or endorsement form shall be issued, delivered, or used unless it has been filed with and approved by the commissioner. This section shall not apply to policies, riders or endorsements of unique character designed for and used with relation to insurance upon a particular subject.

(2) Every such filing containing a certification, in a form approved by the commissioner, by either the chief executive officer of the insurer or by an actuary who is a member of the American Academy of Actuaries, attesting that the filing complies with Title 48 RCW and Title 284 of the Washington Administrative Code, may be used by such insurer immediately after filing with the commissioner. The commissioner may order an insurer to cease using a certified form upon the grounds set forth in RCW 48.18.110. This...
subsection shall not apply to certain types of policy forms designated by the commissioner by rule.

(3) Every filing that does not contain a certification pursuant to subsection (2) of this section shall be made not less than thirty days in advance of any such issuance, delivery, or use. At the expiration of such thirty days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the commissioner. The commissioner may extend by not more than an additional fifteen days the period within which he may so affirmatively approve or disapprove any such form, by giving notice of such extension before expiration of the initial thirty-day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The commissioner may withdraw any such approval at any time for cause. By approval of any such form for immediate use, the commissioner may waive any unexpired portion of such initial thirty-day waiting period.

(4) The commissioner's order disapproving any such form or withdrawing a previous approval shall state the grounds therefor.

(5) No such form shall knowingly be so issued or delivered as to which the commissioner's approval does not then exist.

(6) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper, any insurance document or form or type thereof as specified in such order, to which in his opinion this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

(7) Every member or subscriber to a rating organization shall adhere to the form filings made on its behalf by the organization. Deviations from such organization are permitted only when filed with the commissioner in accordance with this chapter. [1989 c 25 § 1; 1982 c 181 § 16; 1947 c 79 § .18.10; Rem. Supp. 1947 § 45.18.10.]

Effective date—1989 c 25: "This act shall take effect on September 1, 1989." [1989 c 25 § 10.]

Severability—1982 c 181: See note following RCW 48.03.010.

48.18.110 Grounds for disapproval. (1) The commissioner shall disapprove any such form of policy, application, rider, or endorsement, or withdraw any previous approval thereof, only:

(a) If it is in any respect in violation of or does not comply with this code or any applicable order or regulation of the commissioner issued pursuant to the code; or

(b) If it does not comply with any controlling filing theretofore made and approved; or

(c) If it contains or incorporates by reference any inconsistent, ambiguous or misleading clauses, or exceptions and conditions which unreasonably or deceptively affect the risk purported to be assumed in the general coverage of the contract; or

(d) If it has any title, heading, or other indication of its provisions which is misleading; or

(e) If purchase of insurance thereunder is being solicited by deceptive advertising.

(2) In addition to the grounds for disapproval of any such form as provided in subsection (1) of this section, the commissioner may disapprove any form of disability insurance policy if the benefits provided therein are unreasonable in relation to the premium charged. [1985 c 264 § 9; 1982 c 181 § 9; 1947 c 79 § .18.11; Rem. Supp. 1947 § 45.18.11.]

48.18.120 Standard forms. (1) The commissioner shall, after hearing, from time to time promulgate such rules and regulations as may be necessary to define and effect reasonable uniformity in all basic contracts of fire insurance which are commonly known as the standard form fire policies and may be so referred to in this code, and the usual supplemental coverages, riders, or endorsements thereon or thereto, to the end that such definitions shall be applied in the construction of the various sections of this code wherein such terms are used and that there be a reasonable concurrence of contract where two or more insurers insure the same subject and risk. All such forms heretofore approved by the commissioner and for use as of immediately prior to the effective date of this code, may continue to be so used until the further order of the commissioner made pursuant to this subsection or pursuant to any other provision of this code.

(2) The commissioner may from time to time, after hearing, promulgate such rules and regulations as he deems necessary to establish reasonable minimum standard conditions and terminology for basic benefits to be provided by disability insurance contracts which are subject to chapters 48.20 and 48.21 RCW, for the purpose of expediting his approval of such contracts pursuant to this code. No such promulgation shall be inconsistent with standard provisions as required pursuant to RCW 48.18.130, nor contain requirements inconsistent with requirements relative to the same benefit provision as formulated or approved by the National Association of Insurance Commissioners. [1957 c 193 § 10; 1947 c 79 § .18.12; Rem. Supp. 1947 § 45.18.12.]

Following the adoption of such forms, no insurer authorized to do business in the state shall use any form other than those so adopted. [1967 ex.s. c 12 § 1.]

48.18.130 Standard provisions. (1) Insurance contracts shall contain such standard provisions as are required by the applicable chapters of this code pertaining to contracts of particular kinds of insurance. The commissioner may waive the required use of a particular standard provision in a particular insurance contract form if
(a) he finds such provision unnecessary for the protection of the insured, and inconsistent with the purposes of the contract; and

(b) the contract is otherwise approved by him.

(2) No insurance contract shall contain any provision inconsistent with or contradictory to any such standard provision used or required to be used, but the commissioner may, except as to the standard provisions of individual disability insurance contracts as required under chapter 48.20 RCW, approve any provision which is in his opinion more favorable to the insured than the standard provision or optional standard provision otherwise required. No endorsement, rider, or other documents attached to such contract shall vary, extend, or in any respect conflict with any such standard provision, or with any modification thereof so approved by the commissioner as being more favorable to the insured.

(3) In lieu of the standard provisions required by this code for contracts for particular kinds of insurance, substantially similar standard provisions required by the law of a foreign or alien insurer’s domicile may be used when approved by the commissioner. [1947 c 79 § .18.13; Rem. Supp. 1947 § 45.18.13.]

(c) limiting right of action against the insurer to a period of less than one year from the time when the cause of action accrues in connection with all insurances other than property and marine and transportation insurances. In contracts of property insurance, or of marine and transportation insurance, such limitation shall not be to a period of less than one year from the date of the loss.

(2) If the policy has not been issued a binder may be extended or renewed beyond such ninety days upon the commissioner's written approval, or in accordance with such rules and regulations relative thereto as the commissioner may promulgate. [1947 c 79 § 18.23; Rem. Supp. 1947 § 45.18.23.]

If the policy does not provide coverage of legal liability for injury to persons or damage to the property of third parties, a conspicuous statement of such fact shall be printed, written, or stamped on the face of such duplicate policy or memorandum. (4) The portion of any premium paid to the insurer on account of the policy, unearned because of the cancellation and in amount as computed on the pro rata basis, must be actually paid to the insured or other person entitled thereto as shown by the policy or by any endorsement thereon, or be mailed to the insured or such person as soon as possible, and no later than forty-five days after the date of notice of cancellation to the insured for homeowners', dwelling fire, and private passenger auto. Any such payment may be made by cash, or by check, bank draft, or money order.

Severability—1973 1st ex.s. c 188: See note following RCW 48.18.298.

48.18.300 Cancellation by insurer. (1) Cancellation by the insured of any policy which by its terms is cancellable at the insured's option or of any binder based on such policy may be effected by written notice thereof to the insurer or surrender of the policy or binder for cancellation prior to or on the effective date of such cancellation. In [the] event the policy or binder has been lost or destroyed and cannot be so surrendered, the insurer may in lieu of such surrender accept and in good faith rely upon the insured's written statement setting forth the fact of such loss or destruction.

(2) As soon as possible, and no later than thirty days after the receipt of the notice of cancellation from the policyholder for homeowners', dwelling fire, and private passenger auto insurance, the insurer shall pay to the insured or to the person entitled thereto as shown by the insurer's records, any unearned portion of any premium paid on the policy as computed on the customary short rate or as otherwise specified in the policy: PROVIDED, That the refund of any unearned portion of any premium paid on a contract of dwelling fire insurance, homeowners' insurance, or insurance predicated upon the use of a private passenger automobile (as defined in RCW 48.18.297 and excluding contracts of insurance and policies enumerated in RCW 48.18.296) shall be computed on a pro rata basis and the insurer shall refund not less than ninety percent of any unearned portion not exceeding one hundred dollars, plus ninety-five percent of any unearned portion over one hundred dollars but not exceeding five hundred dollars, and not less than ninety-seven percent of the amount of any unearned portion in excess of five hundred dollars. If the amount of any refund is less than two dollars, no refund need be made. If no premium has been paid on the policy, the insured shall be liable to the insurer for premium for the period during which the policy was in force.

(3) The surrender of a policy to the insurer for any cause by any person named therein as having an interest
insured thereunder shall create a presumption that such surrender is concurred in by all persons so named.

(4) This section shall not apply to life insurance policies or to annuity contracts. [1980 c 102 § 8; 1979 ex.s. c 199 § 8; 1955 c 303 § 16; 1947 c 79 § .18.30; Rem. Supp. 1947 § 45.18.30.]

48.18.310 Cancellation by commissioner. The commissioner may order the immediate cancellation of any policy the procuring or effectuation of which was accomplished through or accompanied by a violation of this code, except in cases where the policy by its terms is not cancellable by the insurer and the insured did not knowingly participate in any such violation. [1947 c 79 § .18.31; Rem. Supp. 1947 § 45.18.31.]

48.18.320 Annullment of liability policies. No insurance contract insuring against loss or damage through legal liability for the bodily injury or death by accident of any individual, or for damage to the property of any person, shall be retroactively annulled by any agreement between the insurer and insured after the occurrence of any such injury, death, or damage for which the insured may be liable, and any such annulment attempted shall be void. [1947 c 79 § .18.32; Rem. Supp. 1947 § 45.18.32.]

48.18.340 Dividends payable to real party in interest. (1) Every insurer issuing participating policies, shall pay dividends, unused premium refunds or savings distributed on account of any such policy, only to the real party in interest entitled thereto as shown by the insurer's records, or to any person to whom the right thereto has been assigned in writing of record with the insurer, or given in the policy by such real party in interest.

(2) Any person who is shown by the insurer's records to have paid for his own account, or to have been ultimately charged for, the premium for insurance provided by a policy in which another person is the nominal insured, shall be deemed such real party in interest proportionate to premium so paid or so charged. This subsection shall not apply as to any such dividend, refund, or distribution which would amount to less than one dollar.

(3) This section shall not apply to contracts of group life insurance, group annuities, or group disability insurance. [1947 c 79 § .18.34; Rem. Supp. 1947 § 45.18.34.]

48.18.350 Breach of warranty prior to loss—Effect. If any breach of a warranty or condition in any insurance contract occurs prior to a loss under the contract, such breach shall not avoid the contract nor avail the insurer to avoid liability, unless the breach exists at the time of the loss. [1947 c 79 § .18.35; Rem. Supp. 1947 § 45.18.35.]

48.18.360 Assignment of policies—Life and disability. Subject to the terms of the policy relating to its assignment, life insurance policies, other than industrial or group life insurance policies, and disability policies providing benefits for accidental death, whether such policies were heretofore or are hereafter issued, and under the terms of which the beneficiary may be changed upon the sole request of the insured, may be assigned either by pledge or transfer of title, by an assignment executed by the insured alone and delivered to the insurer, whether or not the pledgee or assignee is the insurer. Industrial life insurance policies may be made assignable only to a bank or trust company. Any such assignment shall entitle the insurer to deal with the assignee as the owner or pledgee of the policy in accordance with the terms of the assignment, until the insurer has received at its home office written notice of termination of the assignment or pledge, or written notice by or on behalf of some other person claiming some interest in the policy in conflict with the assignment. [1947 c 79 § .18.36; Rem. Supp. 1947 § 45.18.36.]

48.18.370 Payment discharges insurer—Life and disability. Whenever the proceeds of, or payments under a life or disability insurance policy, heretofore or hereafter issued, become payable and the insurer makes payment thereof in accordance with the terms of the policy, or in accordance with any written assignment thereof pursuant to RCW 48.18.360, the person then designated in the policy or by such assignment as being entitled thereto, shall be entitled to receive such proceeds or payments and to give full acquittance therefor, and such payment shall fully discharge the insurer from all claims under the policy unless, before payment is made, the insurer has received at its home office, written notice by or on behalf of some other person that such other person claims to be entitled to such payment or some interest in the policy. [1947 c 79 § .18.37; Rem. Supp. 1947 § 45.18.37.]

48.18.375 Assignment of interests under group insurance policy. A person whose life is insured under a group insurance policy may, subject and pursuant to the terms of the policy, or pursuant to an arrangement between the insured, the group policyholder and the insurer, assign to any or all his spouse, children, parents, or a trust for the benefit of any or all of them, all or any part of his incidents of ownership, rights, title, and interests, both present and future, under such policy including specifically, but not by way of limitation, the right to designate a beneficiary or beneficiaries thereunder and the right to have an individual policy issued to him in case of termination of employment or of said group insurance policy. Such an assignment by the insured, made either before or after July 16, 1973, is valid for the purpose of vesting in the assignee, in accordance with any provisions included therein as to the time at which it is to be effective, all of such incidents of ownership, rights, title, and interests so assigned, but without prejudice to the insurer on account of any payment it may make or individual policy it may issue prior to receipt of notice of the assignment. This section acknowledges, declares, and codifies the existing right of assignment of interests under group insurance policies. [1973 1st ex.s. c 163 § 3.]

48.18.390 Simultaneous deaths—Payment of proceeds—Life insurance. Where the individual insured and the beneficiary designated in a life insurance policy or policy insuring against accidental death have died and there is not sufficient evidence that they have died otherwise than simultaneously, the proceeds of the policy shall be distribu-
ed as if the insured had survived the beneficiary, unless otherwise expressly provided in the policy. [1947 c 79 § .18.39; Rem. Supp. 1947 § 45.18.39.]

Distribution of proceeds of insurance policy when insured and beneficiary die simultaneously: RCW 11.05.040.

48.18.400 Exemption of proceeds—Disability. The proceeds or avails of all contracts of disability insurance and of provisions providing benefits on account of the insured's disability which are supplemental to life insurance or annuity contracts heretofore or hereafter effected shall be exempt from all liability for any debt of the insured, and from any debt of the beneficiary existing at the time the proceeds are made available for his use. [1947 c 79 § .18.40; Rem. Supp. 1947 § 45.18.40.]

48.18.410 Exemption of proceeds—Life. (1) The lawful beneficiary, assignee, or payee of a life insurance policy, other than an annuity, heretofore or hereafter effected by any person on his own life, or on the life of another, in favor of a person other than himself, shall be entitled to the proceeds and avails of the policy against the creditors and representatives of the insured and of the person effecting the insurance, and such proceeds and avails shall also be exempt from all liability for any debt of such beneficiary, existing at the time the proceeds or avails are made available for his own use.

(2) The provisions of subsection (1) of this section shall apply

(a) whether or not the right to change the beneficiary is reserved or permitted in the policy; or

(b) whether or not the policy is made payable to the person whose life is insured or to his estate if the beneficiary, assignee or payee shall predecease such person; except, that this subsection shall not be construed so as to defeat any policy provision which provides for disposition of proceeds in the event the beneficiary shall predecease the insured.

(3) The exemptions provided by subsection (1) of this section, subject to the statute of limitations, shall not apply

(a) to any claim to or interest in such proceeds or avails by or on behalf of the insured, or the person so effecting the insurance, or their administrators or executors, in whatever capacity such claim is made or such interest is asserted; or

(b) to any claim to or interest in such proceeds or avails by or on behalf of any person to whom rights theretofore have been transferred with intent to defraud creditors; but an insurer shall be liable to all such creditors only as to amounts aggregating not to exceed the amount of such proceeds or avails remaining in the insurer's possession at the time the insurer receives at its home office written notice by or on behalf of such creditors, of claims to recover for such transfer, with specification of the amounts claimed; or

(c) to so much of such proceeds or avails as equals the amount of any premiums or portion thereof paid for the insurance with intent to defraud creditors, with interest thereon, and if prior to the payment of such proceeds or avails the insurer has received at its home office written notice by or on behalf of the creditor, of a claim to recover for premiums paid with intent to defraud creditors, with specification of the amount claimed.

(4) For the purposes of subsection (1) of this section a policy shall also be deemed to be payable to a person other than the insured if and to the extent that a facility-of-payment clause or similar clause in the policy permits the insurer to discharge its obligation after the death of the individual insured by paying the death benefits to a person as permitted by such clause.

(5) No person shall be compelled to exercise any rights, powers, options or privileges under any such policy. [1947 c 79 § .18.41; Rem. Supp. 1947 § 45.18.41.]

48.18.420 Exemption of proceeds—Group life. (1) A policy of group life insurance or the proceeds thereof payable to the individual insured or to the beneficiary thereunder, shall not be liable, either before or after payment, to be applied to any legal or equitable process to pay any liability of any person having a right under the policy. The proceeds thereof, when not made payable to a named beneficiary or to a third person pursuant to a facility-of-payment clause, shall not constitute a part of the estate of the individual insured for the payment of his debts.

(2) This section shall not apply to group life insurance policies issued under RCW 48.24.040 (debtor groups) to the extent that such proceeds are applied to payment of the obligation for the purpose of which the insurance was so issued. [1947 c 79 § .18.42; Rem. Supp. 1947 § 45.18.42.]

48.18.430 Exemption of proceeds, commutation—Annuities. (1) The benefits, rights, privileges and options which under any annuity contract heretofore or hereafter issued are due or prospectively due the annuitant who paid the consideration for the annuity contract, shall not be subject to execution nor shall the annuitant be compelled to exercise any such rights, powers or options, nor shall creditors be allowed to interfere with or terminate the contract, except:

(a) As to amounts paid for or as premium on any such annuity with intent to defraud creditors, with interest thereon, and of which the creditor has given the insurer written notice at its home office prior to the making of the payments to the annuitant out of which the creditor seeks to recover. Any such notice shall specify the amount claimed or such facts as will enable the insurer to ascertain such amount, and shall set forth such facts as will enable the insurer to ascertain the insurance or annuity contract, the person insured or annuitant and the payments sought to be avoided on the ground of fraud.

(b) The total exemption of benefits presently due and payable to any annuitant periodically or at stated times under all annuity contracts under which he is an annuitant, shall not at any time exceed two hundred and fifty dollars per month for the length of time represented by such installments, and that such periodic payment in excess of two hundred and fifty dollars per month shall be subject to garnishee execution to the same extent as are wages and salaries.

(c) If the total benefits presently due and payable to any annuitant under all annuity contracts under which he is an annuitant, shall at any time exceed payment at the rate of two hundred and fifty dollars per month, then the court may order such annuitant to pay to a judgment creditor or apply
on the judgment, in installments, such portion of such excess benefits as to the court may appear just and proper, after due regard for the reasonable requirements of the judgment debtor and his family, if dependent upon him, as well as any payments required to be made by the annuitant to other creditors under prior court orders.

(2) The benefits, rights, privileges or options accruing under such contract to a beneficiary or assignee shall not be transferable nor subject to commutation, and if the benefits are payable periodically or at stated times, the same exemptions and exceptions contained herein for the annuitant, shall apply with respect to such beneficiary or assignee.

(3) An annuity contract within the meaning of this section shall be any obligation to pay certain sums at stated times, during life or lives, or for a specified term or terms, issued for a valuable consideration, regardless of whether or not such sums are payable to one or more persons, jointly or otherwise, but does not include payments under life insurance contracts at stated times during life or lives, or for a specified term or terms. [1949 c 190 § 25; 1947 c 79 § .18.43; Rem. Supp. 1949 § 45.18.43.]

48.18.440 Spouse's rights in life insurance policy.
(1) Every life insurance policy heretofore or hereafter made payable to or for the benefit of the spouse of the insured, and every life insurance policy heretofore or hereafter assigned, transferred, or in any way made payable to a spouse or to a trustee for the benefit of a spouse, regardless of how such assignment or transfer is procured, shall, unless contrary to the terms of the policy, inure to the separate use and benefit of such spouse: PROVIDED, That the beneficial interest of a spouse in a policy upon the life of a child of the spouses, however such interest is created, shall be deemed to be a community interest and not a separate interest, unless expressly otherwise provided by the policy.

(2) In any life insurance policy heretofore or hereafter issued upon the life of a spouse the designation heretofore or hereafter made by such spouse of a beneficiary in accordance with the terms of the policy, shall create a presumption that such beneficiary was so designated with the consent of the other spouse, but only as to any beneficiary who is the child, parent, brother, or sister of either of the spouses. The insurer may in good faith rely upon the representations made by the insured as to the relationship to him of any such beneficiary. [1947 c 79 § .18.44; Rem. Supp. 1947 § 45.18.44.]

48.18.450 Life insurance payable to trustee named as beneficiary in the policy. Life insurance may be made payable to a trustee to be named as beneficiary in the policy and the proceeds of such insurance paid to such trustee shall be held and disposed of by the trustee as provided in a trust agreement or declaration of trust made by the insured during his lifetime. It shall not be necessary to the validity of any such trust agreement or declaration of trust that it have a trust corpus other than the right of the trustee to receive such insurance proceeds as beneficiary, and any such trustee may also receive assets, other than insurance proceeds, by testamentary disposition and administer them according to the terms of the trust agreement or declaration of trust as they exist at the death of the testator. [1963 c 227 § 1.]

48.18.452 Life insurance designating as beneficiary a trustee named by will. A policy of life insurance may designate as beneficiary a trustee or trustees named or to be named by will, if the designation is made in accordance with the provisions of the policy and the requirements of the insurance company. Immediately after the proving of the will the proceeds of such insurance shall be paid to the trustee or trustees named therein to be held and disposed of under the terms of the will as they exist at the death of the testator, but if no qualified trustee makes claim to the proceeds from the insurance company within one year after the death of the insured, or if satisfactory evidence is furnished the insurance company within such one-year period showing that no trustee can qualify to receive the proceeds, payment shall be made by the insurance company to those thereafter entitled. The proceeds of the insurance as collected by the trustee or trustees shall not be subject to debts of the insured and inheritance tax to any greater extent than if such proceeds were payable to any other named beneficiary other than the estate of the insured. Enactment of this section shall not invalidate previous life insurance policy beneficiary designations naming trustees of trusts established by will. [1963 c 227 § 2.]

48.18.460 Proof of loss—Furnishing forms. An insurer shall furnish, upon written request of any person claiming to have a loss under any insurance contract, forms of proof of loss for completion by such person. But such insurer shall not, by reason of the requirement so to furnish forms, have any responsibility for or with reference to the completion of such proof or the manner of any such completion or attempted completion. [1949 c 190 § 26; 1947 c 79 § .18.46; Rem. Supp. 1949 § 45.18.46.]

48.18.470 Claims administration—Not waiver. None of the following acts by or on behalf of an insurer shall be deemed to constitute a waiver of any provision of a policy or of any defense of the insurer thereunder:
(a) Acknowledgment of the receipt of notice of loss or of claim under the policy.
(b) Furnishing forms for reporting a loss or claim, for giving information relative thereto, or for making proof of loss, or receiving or acknowledging receipt of any such forms or proofs completed or uncompleted.
(c) Investigating any loss or claim under any policy or engaging in negotiations looking toward a possible settlement of any such loss or claim. [1947 c 79 § .18.47; Rem. Supp. 1947 § 45.18.47.]

48.18.480 Discrimination prohibited. No insurer shall make or permit any unfair discrimination between insureds or subjects of insurance having substantially like insuring, risk, and exposure factors, and expense elements, in the terms or conditions of any insurance contract, or in the rate or amount of premium charged therefor, or in the benefits payable or in any other rights or privileges accruing thereunder. This provision shall not prohibit fair discrimination by a life insurer as between individuals having unequal expectation of life. [1957 c 193 § 12; 1947 c 79 § .18.48; Rem. Supp. 1947 § 45.18.480.]
48.18.510 Validity of noncomplying forms. Any insurance policy, rider, or endorsement hereafter issued and otherwise valid, which contains any condition or provision not in compliance with the requirements of this code, shall not be rendered invalid thereby, but shall be construed and applied in accordance with such conditions and provisions as would have applied had such policy, rider, or endorsement been in full compliance with this code. [1947 c 79 § 18.51; Rem. Supp. 1947 § 45.18.51.]

48.18.520 Construction of policies. Every insurance contract shall be construed according to the entirety of its terms and conditions as set forth in the policy, and as amplified, extended, or modified by any rider, endorsement, or application attached to and made a part of the policy. [1947 c 79 § 18.52; Rem. Supp. 1947 § 45.18.52.]

48.18.530 Certain provisions of insurance policies deemed nontestamentary. See RCW 11.02.090.

48.18A.010 Short title—Intent. This chapter shall be known as the "Variable Contract Act" and is intended to authorize the sale of both individual and group variable contracts. [1969 c 104 § 1.]

48.18A.020 Separate accounts authorized—Allocations—Benefits—Limitations—Valuation—Sale, transfer, or exchange of assets. A domestic life insurer may, by or pursuant to resolution of its board of directors, establish one or more separate accounts, and may allocate thereto amounts (including without limitation proceeds applied under optional modes of settlement or under dividend options) to provide for life insurance or annuities (and other benefits incidental thereto), payable in fixed or variable amounts or both, subject to the following:

1. The income, gains, and losses, realized or unrealized, from assets allocated to a separate account shall be credited to or charged against the account, without regard to other income, gains, or losses of the insurer.

2. (a) Except as hereinafter provided, amounts allocated to any separate account and accumulations thereon may be invested and reinvested without regard to any requirements or limitations prescribed by the laws of this state governing the investments of life insurers: PROVIDED, That to the extent that the insurer's reserve liability with regard to (i) benefits guaranteed as to dollar amount and duration, and (ii) funds guaranteed as to principal amount or stated rate of interest is maintained in any separate account, a portion of the assets of such separate account at least equal to such reserve liability shall be invested under such conditions as the commissioner may prescribe. The investments in such separate account or accounts shall not be taken into account in applying the investment limitations applicable to the investments of the insurer.

(b) With respect to seventy-five percent of the market value of the total assets in a separate account no insurer shall purchase or otherwise acquire the securities of any issuer, other than securities issued or guaranteed as to principal or interest by the United States, if immediately after such purchase or acquisition the market value of such investment, together with prior investments of such separate account in such security taken at market value, would exceed ten percent of the market value of the assets of such separate account: PROVIDED, That the commissioner may waive such limitation if, in his opinion, such waiver will not render the operation of such separate account hazardous to the public or the policyholders in this state.

(c) Unless otherwise permitted by law or approved by the commissioner, no insurer shall purchase or otherwise acquire for its separate accounts the voting securities of any issuer if as a result of such acquisition the insurer and its separate accounts, in the aggregate, will own more than ten percent of the total issued and outstanding voting securities of such issuer: PROVIDED, That the foregoing shall not apply with respect to securities held in separate accounts, the voting rights in which are exercisable only in accordance with instructions from persons having interests in such accounts.

(d) The limitations provided in paragraphs (b) and (c) of this subsection shall not apply to the investment with respect to a separate account in the securities of an investment company registered under the United States Investment Company Act of 1940: PROVIDED, That the investments of such investment company shall comply in substance therewith.

3. Unless otherwise approved by the commissioner, assets allocated to a separate account shall be valued at their market value on the date of valuation, or if there is no readily available market, then as provided under the terms of the contract or the rules or other written agreement applicable to such separate account: PROVIDED, That unless otherwise approved by the commissioner, the portion, if any, of the assets of such separate account equal to the insurer's reserve liability with regard to the guaranteed benefits and funds referred to in subsection (2) of this section shall be valued in accordance with the rules otherwise applicable to the insurer's assets.

4. Amounts allocated to a separate account in the exercise of the power granted by this chapter shall be owned by the insurer and the insurer shall not be, nor hold itself out to be, a trustee with respect to such amounts. If and to the extent so provided under the applicable contracts, that portion of the assets of any such separate account equal to the reserves and other contract liabilities with respect to such
account shall not be chargeable with liabilities arising out of any other business the insurer may conduct.

(5) No sale, exchange or other transfer of assets may be made by an insurer between any of its separate accounts or between any other investment account and one or more of its separate accounts unless, in case of a transfer into a separate account, such transfer is made solely to establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made, and unless such transfer, whether into or from a separate account, is made (a) by a transfer of cash, or (b) by a transfer of securities having a readily determinable market value: PROVIDED, That such transfer of securities is approved by the commissioner. The commissioner may approve other transfers among such accounts, if, in his opinion, such transfers would not be inequitable.

(6) To the extent such insurer deems it necessary to comply with any applicable federal or state law, such insurer, with respect to any separate account, including without limitation any separate account which is a management investment company or a unit investment trust, may provide for persons having interest therein, as may be appropriate, voting and other rights and special procedures for the conduct of the business of such account, including without limitation, special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants, and the selection of a committee, the members of which need not be otherwise affiliated with such insurer, to manage the business of such account. [1973 1st ex.s. c 163 § 4; 1969 c 104 § 2.]

48.18A.030 Statements required in contracts—Payment on death, incidental benefit provision. (1) Every variable contract providing benefits payable in variable amounts delivered or issued for delivery in this state shall contain a statement of the essential features of the procedures to be followed by the insurer in determining the dollar amount of such variable benefits. Any such contract under which the benefits vary to reflect investment experience, including a group contract and any certificate in evidence of variable benefits issued thereunder, shall state that such dollar amount will so vary and shall contain on its first page a statement to the effect that the benefits thereunder are on a variable basis.

(2) Variable annuity contracts delivered or issued for delivery in this state may include as an incidental benefit provision for payment on death during the deferred period of an amount not in excess of the greater of the sum of the premiums or stipulated payments paid under the contract or the value of the contract at time of death. For this purpose such benefit shall not be deemed to be life insurance and therefore not subject to any statutory provisions governing life insurance contracts. A provision for any other benefits on death during the deferred period will be subject to such insurance law provisions. [1973 1st ex.s. c 163 § 5; 1969 c 104 § 3.]

48.18A.035 Return of policy and refund of premium—Notice required—Effect of return. Every individual variable contract issued shall have printed on its face or attached thereto a notice stating in substance that the policy owner shall be permitted to return the policy within ten days after it is received by the policy owner and to have the market value of the assets purchased by its premium, less taxes and investment brokerage commissions, if any, refunded, if, after examination of the policy, the policy owner is not satisfied with it for any reason. An additional ten percent penalty shall be added to any premium refund due which is not paid within thirty days of return of the policy to the insurer or agent. If a policy owner pursuant to such notice returns the policy to the insurer at its home or branch office or to the agent through whom it was purchased, it shall be void from the beginning and the parties shall be in the same position as if no policy had been issued. [1983 1st ex.s. c 32 § 7; 1982 c 181 § 15.]

Effective date—1982 c 181 § 15: "RCW 48.18A.035 is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect May 1, 1982." [1982 c 181 § 26.]

Severability—1982 c 181: See note following RCW 48.03.010.

48.18A.040 Requirements for operation under this chapter—Considerations—Authorization of subsidiary or affiliate—Exceptions. No insurer shall deliver or issue, for delivery within this state, contracts under this chapter unless it is licensed or organized to do a life insurance or annuity business in this state, and unless the commissioner is satisfied that its condition or method of operation in connection with the issuance of such contracts will not render its operation hazardous to the public or its policyholders in this state. In this connection, the commissioner shall consider among other things:

(1) The history and financial condition of the insurer;
(2) The character, responsibility and fitness of the officers and directors of the insurer; and
(3) The law and regulation under which the insurer is authorized in the state of domicile to issue variable contracts.

An insurer which issues variable contracts and which is a subsidiary of, or affiliated through common management or ownership with, another life insurer authorized to do business in this state may be deemed to have met the provisions of this section if either it or the parent or affiliated company meets the requirements hereof: PROVIDED, That no insurer may provide variable benefits in its contracts unless it is an admitted insurer having and continually maintaining a combined capital and surplus of at least five million dollars. [1982 c 181 § 10; 1969 c 104 § 4.]

Severability—1982 c 181: See note following RCW 48.03.010.

48.18A.050 Applicability of other code provisions—Contract requirements. The provisions of RCW 48.23.020, 48.23.030, 48.23.080 through 48.23.120, 48.23.140, 48.23.150, 48.23.200 through 48.23.240, 48.23.310, *48.23.350, and 48.23.360, and the provisions of chapter 48.24 RCW shall be inapplicable to variable contracts; nor shall any provision in the code requiring contracts to be participating be deemed applicable to variable contracts. Except as otherwise provided in this chapter, all pertinent provisions of the insurance code shall apply to separate accounts and contracts relating thereto. Any individual variable life insurance or individual variable annuity contract delivered or issued for delivery in this state shall contain grace, reinstatement, and nonforfeiture provisions appropriate
to such contracts, and any such variable life insurance contract shall provide that the investment experience of the separate account shall in no event operate to reduce the death benefit below an amount equal to the face amount of the contract at the time the contract was issued. Any individual variable life insurance contract may contain a provision for deduction from the death proceeds of amounts due and unpaid premiums or of indebtedness which are appropriate to such contracts. The reserve liability for variable annuities shall be established in accordance with actuarial procedures that recognize the variable nature of the benefits provided and any mortality guarantees. 48.19A.060 Licensing requirement. No person shall be or act as an agent for the solicitation or sale of variable contracts except while duly appointed and licensed under the insurance code as a life insurance agent with respect to the insurer, and while duly licensed as a security salesman or securities broker under a license issued by the administrator of securities pursuant to the securities act of this state; except that any person who participates only in the sale or offering for sale of variable contracts which fund corporate plans meeting the requirements for qualification under sections 401 or 403 of the United States internal revenue code need not be licensed pursuant to the securities act of this state. [1973 1st ex.s. c 163 § 7; 1969 c 104 § 6.]

48.19A.070 Authority of commissioner. Notwithstanding any other provision of law, the commissioner shall have sole and exclusive authority to regulate the issuance and sale of variable contracts; except for the examination, issuance or renewal, suspension or revocation, of a security salesman’s license issued to persons selling variable contracts. To carry out the purposes and provisions of this chapter he may independently, and in concert with the state securities administrator, issue such reasonable rules and regulations as may be appropriate. 48.19.010 Scope of chapter. (1) Except as is otherwise expressly provided the provisions of this chapter apply to all insurances upon subjects located, resident or to be rendered in the state except:
   (a) Life insurance;
   (b) disability insurance;
   (c) reinsurance except as to joint reinsurance as provided in RCW 48.19.360;
   (d) insurance against loss of or damage to aircraft, their hulls, accessories, and equipment, or against liability other than workers' compensation and employers' liability, arising out of the ownership, maintenance or use of aircraft;
   (e) insurance of vessels or craft, their cargoes, marine builders' risks, marine protection and indemnity; and such other risks commonly insured under marine, as distinguished from inland marine, insurance contracts as may be defined by ruling of the commissioner for the purposes of this provision;
   (f) title insurance.
   (2) Except, that every insurer shall, as to disability insurance, before using file with the commissioner its manual of classification, manual of rates and rules, and any modifications thereof. [1987 c 185 § 24; 1947 c 79 § .19.01; Rem. Supp. 1947 § 45.19.01.]

Intent—Severability—1987 c 185: See notes following RCW 51.12.130.

48.19.030 Making of rates—Criteria. Rates shall be made and used, subject to the other provisions of this chapter, only if made in accordance with the following provisions:

1. In the case of insurance under standard fire policies and that part of marine and transportation insurances not exempted under RCW 48.19.010, manual, minimum, class or classification rates, rating schedules or rating plans, shall be made and adopted; except as to specific rates on inland marine risks individually rated, which risks are not reasonably susceptible to manual or schedule rating, and which risks by general custom of the business are not written according to manual rates or rating plans.

2. In the case of casualty and surety insurances:
   a. The systems of expense provisions included in the rates for use by any insurer or group of insurers may differ from those of other insurers or groups of insurers to reflect the requirements of the operating methods of any such insurer or group with respect to any kind of insurance, or with respect to any subdivision or combination thereof for which subdivision or combination separate expense provisions are applicable.
   b. Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans which establish standards for measuring variations in hazards or expense provisions, or both. Such standards may measure any differences among risks that can be demonstrated to have a probable effect upon losses or expenses.
   c. Due consideration in making rates for all insurances shall be given to:
      1. Past and prospective loss experience within this state for experience periods acceptable to the commissioner. If the information is not available or is not statistically credible, an insurer may use loss experience in those states which are likely to produce loss experience similar to that in this state.
      2. Conflagration and catastrophe hazards, where present.
      3. A reasonable margin for underwriting profit and contingencies.
      4. Dividends, savings and unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers.
      5. Past and prospective operating expenses.
      6. Past and prospective investment income.
      7. All other relevant factors within and outside this state.
   d. In addition to other factors required by this section, rates filed by an insurer on its own behalf may also be related to the insurer's plan of operation and plan of risk classification.

3. Except to the extent necessary to comply with RCW 48.19.020 uniformity among insurers in any matter within the scope of this section is neither required nor prohibited. [1989 c 25 § 3; 1947 c 79 § .19.03; Rem. Supp. 1947 § 45.19.03.]

48.19.040 Filing required. (1) Every insurer or rating organization shall, before using, file with the commissioner every classifications manual, manual of rules and rates, rating plan, rating schedule, minimum rate, class rate, and rating rule, and every modification of any of the foregoing which it proposes. The insurer need not so file any rate on individually rated risks as described in subdivision (1) of RCW 48.19.030; except that any such specific rate made by a rating organization shall be filed.

(2) Every such filing shall indicate the type and extent of the coverage contemplated and must be accompanied by sufficient information to permit the commissioner to determine whether it meets the requirements of this chapter. An insurer or rating organization shall offer in support of any filing:

   a. The experience or judgment of the insurer or rating organization making the filing;
   b. An exhibit detailing the major elements of operating expense for the types of insurance affected by the filing;
   c. An explanation of how investment income has been taken into account in the proposed rates; and
   d. Any other information which the insurer or rating organization deems relevant.

(3) If an insurer has insufficient loss experience to support its proposed rates, it may submit loss experience for similar exposures of other insurers or of a rating organization.

(4) Every such filing shall state its proposed effective date.

(5) General liability, professional liability, and commercial automobile insurance rate filings must be submitted or updated at least once in each fifteen-month interval so that the commissioner has timely supporting information necessary to determine that the current schedules, manuals, rules, rates, and rating plans meet the requirements of RCW 48.19.020.

(6) A filing made pursuant to this chapter shall be exempt from the provisions of RCW 48.02.120(3). However, the filing and all supporting information accompanying it shall be open to public inspection only after the filing becomes effective.

(7) Where a filing is required no insurer shall make or issue an insurance contract or policy except in accordance with its filing then in effect, except as is provided by RCW 48.19.090. [1989 c 25 § 4; 1983 1st ex.s. c 32 § 14; 1947 c 79 § .19.04; Rem. Supp. 1947 § 45.19.04.]

Effective date—1989 c 25: See note following RCW 48.18.100.

48.19.050 Filings by rating bureau. (1) If so authorized by an insurer, the commissioner shall accept, in lieu of filings by the insurer, filings on its behalf made by a rating organization then licensed as provided in this chapter.

(2) As to fire insurance under a standard form fire policy, and the following insurances (other than vehicle insurance coverages) when issued as part of a standard form fire policy, an insurer may so authorize a rating organization to make all its filings only, and may not make a portion of such filings upon its own behalf and authorize a rating organization to make other such filings:
(a) Additional property insurance coverages, or
(b) Coverages including any kind of insurance in addition to fire for a single undivided premium.

(3) Except, that notwithstanding the provisions of subsection (2) an insurer which prior to the first day of January, 1947, made its own filings in this state as to a particular class of fire risks, and its filings in this state as to other classes of fire risks were made by a rating organization authorized by the insurer so to do, may:

(a) Continue to make all its own filings as to such specific class of risks or authorize a rating organization to make its filings as to such specific class of risks or any part thereof, and

(b) authorize a different rating organization to make all only of its filings as to all other classes of risks insured by it in this state against fire under the standard form fire policy; or

(c) make all its own filings as to all classes of risks insured by it against fire under the standard form fire policy, or make all its own such filings except as to any which may relate to any such specific class of risks, which filings so excepted the insurer may authorize a rating organization to make; or

(d) authorize a rating organization to make all only of its filings as to all classes or risks insured by it against fire in this state under the standard form fire policy. [1957 c 193 § 13; 1947 c 79 § .19.05; Rem. Supp. 1947 § 45.19.05.]

48.19.060 Filings—Review, waiting period, disapproval. (1) The commissioner shall review a filing as soon as reasonably possible after made, to determine whether it meets the requirements of this chapter.

(2) Except as provided in RCW 48.19.070:

(a) No such filing shall become effective within thirty days after the date of filing with the commissioner, which period may be extended by the commissioner for an additional period to exceed fifteen days if he gives notice within such waiting period to the insurer or rating organization which made the filing that he needs such additional time for the consideration of the filing. The commissioner may, upon application and for cause shown, waive such waiting period or part thereof as to a filing that he has not disapproved.

(b) A filing shall be deemed to meet the requirements of this chapter unless disapproved by the commissioner within the waiting period or any extension thereof. [1989 c 25 § 5; 1947 c 79 § .19.06; Rem. Supp. 1947 § 45.19.06.]

Effective date—1989 c 25: See note following RCW 48.18.100.

48.19.070 Special filings. The following special filings, when not covered by a previous filing, shall become effective when filed and shall be deemed to meet the requirements of this chapter until such time as the commissioner reviews the filing and for so long thereafter as the filing remains in effect:

(1) Special filings with respect to surety or guaranty bonds required by law or by court or executive order or by order, rule or regulation of a public body.

(2) Specific rates on inland marine risks individually rated by a rating organization, which risks are not reasonably susceptible to manual or schedule rating, and which risks by general custom of the business are not written according to manual rates or rating plans. [1947 c 79 § .19.07; Rem. Supp. 1947 § 45.19.07.]

48.19.080 Waiver of filing. Under such rules and regulations as he shall adopt the commissioner may, by order, suspend or modify the requirement of filing as to any kind of insurance. Such orders, rules and regulations shall be made known to insurers and rating organizations affected thereby. The commissioner may make such examination as he may deem advisable to ascertain whether any rates affected by such order meet the standard prescribed in RCW 48.19.020. [1981 c 339 § 18; 1947 c 79 § .19.08; Rem. Supp. 1947 § 45.19.08.]

48.19.090 Excess rates on specific risks. Upon written application of the insured, stating his reasons therefor, filed with and approved by the commissioner, a rate in excess of that provided by a filing otherwise applicable may be used on any specific risk. [1947 c 79 § .19.09; Rem. Supp. 1947 § 45.19.09.]

48.19.100 Disapproval of filing. If within the waiting period or any extension thereof as provided in RCW 48.19.060, the commissioner finds that a filing does not meet the requirements of this chapter, he shall disapprove such filing, and shall give notice of such disapproval, specifying the respect in which he finds the filing fails to meet such requirements, and stating that the filing shall not become effective, to the insurer or rating organization which made the filing. [1989 c 25 § 6; 1947 c 79 § .19.10; Rem. Supp. 1947 § 45.19.10.]

Effective date—1989 c 25: See note following RCW 48.18.100.

48.19.110 Disapproval of special filing. (1) If within thirty days after a special filing subject to RCW 48.19.070 has become effective, the commissioner finds that the filing does not meet the requirements of this chapter, he shall disapprove the filing and shall give notice to the insurer or rating organization which made the filing, specifying in what respects he finds that the filing fails to meet such requirements and stating when, within a reasonable period thereafter, the filing shall be deemed no longer effective.

(2) Such disapproval shall not affect any contract made or issued prior to the expiration of the period set forth in the notice of disapproval. [1947 c 79 § .19.10; Rem. Supp. 1947 § 45.19.10.]

48.19.120 Subsequent disapproval. (1) If at any time subsequent to the applicable review period provided in RCW 48.19.060 or 48.19.110, the commissioner finds that a filing does not meet the requirements of this chapter, he shall, after a hearing, notice of which was given to every insurer and rating organization which made such filing, issue his order specifying in what respect he finds that such filing fails to meet the requirements of this chapter and, stating when, within a reasonable period thereafter, the filings shall be deemed no longer effective.
(2) Such order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

(3) Any person aggrieved with respect to any filing then in effect, other than the insurer or rating organization which made the filing, may make written application to the commissioner for a hearing thereon. The application shall specify the grounds to be relied upon by the applicant. If the commissioner finds that the application is made in good faith, that the applicant would be so aggrieved if his grounds are established, and that such grounds otherwise justify holding the hearing, he shall, within thirty days after receipt of the application, hold a hearing as required in subsection (1) of this section. [1989 c 25 § 7; 1983 1st ex.s. c 32 § 15; 1947 c 79 § .19.12; Rem. Supp. 1947 § 45.19.12.]

Effective date—1989 c 25: See note following RCW 48.18.100.

48.19.140 Rating organizations—Discrimination—"Subscriber" defined. (1) Every rating organization operating in this state shall furnish its services without discrimination as between its subscribers.

(2) "Subscriber," for the purposes of this chapter and where the context does not otherwise specify, means any insurer which employs the services of a rating organization for the purpose of making filings, whether or not the insurer is a "member" of such rating organization.

(3) This chapter is not intended to and does not govern or affect the "membership" relation as such between a rating organization and insurers who are its "members." [1947 c 79 § .19.14; Rem. Supp. 1947 § 45.19.14.]

48.19.150 Subscribership not required. No provision of this code shall require, or be deemed to require, any insurer to be a subscriber of, or in any other respect affiliated with, any rating organization. [1947 c 79 § .19.15; Rem. Supp. 1947 § 45.19.15.]

48.19.160 Rating organization license. No rating organization shall do business in this state or make filings with the commissioner unless licensed by the commissioner as a rating organization. [1947 c 79 § .19.16; Rem. Supp. 1947 § 45.19.16.]

48.19.170 Application for license. (1) Any person, whether domiciled within or outside this state, except as provided in subsection (2) of this section, may make application to the commissioner for a license as a rating organization for such kinds of insurance or subdivisions thereof, if for casualty or surety insurances, or for such subdivision, class of risks or a part or combination thereof, if for other insurances, as are specified in its application, and shall file therewith:

(a) A copy of its constitution, its articles of agreement or association, or its certificate of incorporation, or trust agreement, and of its bylaws, rules and regulations governing the conduct of its business;

(b) A list of its members and a list of its subscribers;

(c) The name and address of a resident of this state upon whom notices or orders of the commissioner or process affecting such rating organization may be served, and

(d) A statement of its qualifications as a rating organization.

(2) Any rating organization proposing to act as such as to insurance under standard form fire policies, shall be licensed only if all the following conditions are complied with:

(a) The applicant and the operators of such rating organization shall be domiciled in and shall actually reside in this state.

(b) The ownership of such rating organization shall be vested in trustees for all its subscribers under such trust agreement as is approved by the commissioner, and the rating organization shall be and shall be conducted as a nonprofit public service institution.

(c) Such rating organization shall not be connected with any insurer or insurers except to the extent that any such insurer may be a subscriber to its services. [1947 c 79 § .19.17; Rem. Supp. 1947 § 45.19.17.]

48.19.180 Issuance of license. (1) If the commissioner finds that the applicant for a license as a rating organization is competent, trustworthy and otherwise qualified so to act, and that its constitution, articles of agreement or association or certificate of incorporation or trust agreement, and its bylaws, rules and regulations governing the conduct of its business conform to the requirements of law, he shall, upon payment of a license fee of twenty-five dollars, issue a license specifying the kinds of insurance, or subdivisions or class of risk or part or combination thereof for which the applicant is authorized to act as a rating organization.

(2) The commissioner shall grant or deny in whole or in part every such application within sixty days of the date of its filing with him.

(3) A license issued pursuant to this section shall remain in effect for three years unless sooner suspended or revoked by the commissioner. [1947 c 79 § .19.18; Rem. Supp. 1947 § 45.19.18.]

48.19.190 Suspension or revocation of license. (1) The commissioner may, after a hearing, suspend or revoke the license issued to a rating organization for any of the following causes:

(a) If he finds that the licensee no longer meets the qualifications for the license.

(b) For failure to comply with an order of the commissioner within the time limited by the order, or any extension thereof which the commissioner may grant.

(2) The commissioner shall not so suspend or revoke a license for failure to comply with an order until the time prescribed by this code for an appeal from such order to the superior court has expired or if such appeal has been taken, until such order has been affirmed.

(3) The commissioner may determine when a suspension or revocation of license shall become effective. A suspension of license shall remain in effect for the period fixed by him, unless he modifies or rescinds the suspension, or until the order, failure to comply with which constituted grounds for the suspension, is modified, rescinded or reversed. [1947 c 79 § .19.19; Rem. Supp. 1947 § 45.19.19.]
48.19.200 Notice of changes. Every rating organization shall notify the commissioner promptly of every change in

(1) its constitution, its articles of agreement or association, or its certificate of incorporation, or trust agreement, and its bylaws, rules and regulations governing the conduct of its business;

(2) its list of members and subscribers;

(3) the name and address of the resident of this state designated by it upon whom notices or orders of the commissioner or process affecting such rating organization may be served. [1947 c 79 § .19.20; Rem. Supp. 1947 § 45.19.20.]

48.19.210 Subscribers—Rights, limitations. (1) Subject to rules and regulations which have been approved by the commissioner as reasonable, each rating organization shall permit any insurer to subscribe to its rating services for any kind of insurance except as provided in subsection (2) of RCW 48.19.050.

(2) Notice of proposed changes in such rules and regulations shall be given to each subscriber.

(3) An insurer shall not concurrently be a subscriber to the services of more than one rating organization as to the same subdivision, class of risk or part or combination of a kind of insurance.

(4) As to fire insurance under standard form fire policies, an insurer may not concurrently be a subscriber to the services of more than one rating organization except as provided in subsection (2) of RCW 48.19.050. [1947 c 79 § .19.21; Rem. Supp. 1947 § 45.19.21.]

48.19.220 Review of rules and refusal to admit insurers. (1) The reasonableness of any rule or regulation in its application to subscribers, or the refusal of any rating organization to admit an insurer as a subscriber, shall, at the request of any subscriber or any such insurer, be reviewed by the commissioner at a hearing held upon notice to the rating organization, and to the subscriber or insurer.

(2) If the commissioner finds that such rule or regulation is unreasonable in its application to subscribers, he shall order that such rule or regulation shall not be applicable to subscribers who are not members of the rating organization.

(3) If a rating organization fails to grant or reject an insurer’s application for subscribership within thirty days after it was made, the insurer may request a review by the commissioner as if the application had been rejected. If the commissioner finds that the insurer has been refused admittance to the rating organization as a subscriber without justification, he shall order the rating organization to admit the insurer as a subscriber. If he finds that the action of the rating organization was justified, he shall make an order affirming its action. [1947 c 79 § .19.22; Rem. Supp. 1947 § 45.19.22.]

48.19.230 Subscriber committees. The subscribers of any rating organization may, from time to time, individually or through committees representing various subscribers, consult with the rating organization with respect to matters within this chapter which affect such subscribers. [1947 c 79 § .19.23; Rem. Supp. 1947 § 45.19.23.]

48.19.240 Rules cannot affect dividends. No rating organization shall adopt any rule the effect of which would be to prohibit or regulate the payment of dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers. [1947 c 79 § .19.24; Rem. Supp. 1947 § 45.19.24.]

48.19.250 Cooperative activities. (1) Cooperation among rating organizations or among rating organizations and insurers in rate making or in other matters within the scope of this chapter is hereby authorized, if the filings resulting from such cooperation are subject to all the provisions of this chapter which are applicable to filings generally.

(2) The commissioner may review such cooperative activities and practices and if, after a hearing, he finds that any such activity or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this code, he may issue a written order specifying in what respect such activity or practice is so unfair, unreasonable, or inconsistent, and requiring the discontinuance of such activity or practice. [1947 c 79 § .19.25; Rem. Supp. 1947 § 45.19.25.]

48.19.260 Technical services. Any rating organization may subscribe for or purchase actuarial, technical or other services, and such services shall be available to all subscribers without discrimination. [1947 c 79 § .19.26; Rem. Supp. 1947 § 45.19.26.]

48.19.270 Records—Examinations. Each rating organization shall keep an accurate and complete record of all work performed by it, and of all its receipts and disbursements. Such rating organization and its records shall be examined by the commissioner at such times and in such manner as is provided in chapter 48.03 RCW of this code. [1947 c 79 § .19.27; Rem. Supp. 1947 § 45.19.27.]

48.19.280 Deviations. (1) Every member or subscriber to a rating organization shall adhere to the filings made on its behalf by such organization. Deviations from the organization’s filings are permitted only when filed with the commissioner in accordance with this chapter.

(2) Every such deviation shall terminate upon a material change of the basic rate from which the deviation is made. The commissioner shall determine whether a change of the basic rate is so material as to require such termination of deviations. [1989 c 25 § 8; 1957 c 193 § 14; 1947 c 79 § .19.28; Rem. Supp. 1947 § 45.19.28.]

Effective date—1989 c 25: See note following RCW 48.18.100.

48.19.290 Appeal from rating organization’s action. (1) Any subscriber to a rating organization may appeal to the commissioner from the rating organization’s action or decision in approving or rejecting any proposed change in or addition to the rating organization’s filings. The commissioner shall, after a hearing on the appeal:
(a) Issue an order approving the rating organization’s action or decision or directing it to give further consideration to such proposal; or

(b) If the appeal is from the rating organization’s action or decision in rejecting a proposed addition to its filings, he may, in event he finds that the action or decision was unreasonable, issue an order directing the rating organization to make an addition to its filings, on behalf of its subscribers, in a manner consistent with his findings, within a reasonable time after the issuance of such order.

(2) If such appeal is based upon the rating organization’s failure to make a filing on behalf of such subscriber which is based on a system of expense provisions which differs, in accordance with the right granted in subdivision (2) of RCW 48.19.030, from the system of expense provisions included in a filing made by the rating organization, the commissioner shall, if he grants the appeal, order the rating organization to make the requested filing for use by the appellant. In deciding the appeal the commissioner shall apply the standards set forth in RCW 48.19.020 and 48.19.030. [1947 c 79 § .19.29; Rem. Supp. 1947 § 45.19.29.]

48.19.300 Service to insureds. Every rating organization and every insurer which makes its own rates shall, within a reasonable time after receiving written request therefor and upon payment of such reasonable charge as it may make, furnish to any insured affected by a rate made by it, or to the authorized representative of such insured, all pertinent information as to such rate. [1947 c 79 § .19.30; Rem. Supp. 1947 § 45.19.30.]

48.19.310 Complaints of insureds. Every rating organization and every insurer which makes its own rates shall provide within this state reasonable means whereby any person aggrieved by the application of its rating system may be heard, in person or by his authorized representative, on his written request to review the manner in which such rating system has been applied in connection with the insurance afforded him. If the rating organization or insurer fails to grant or reject such request within thirty days after it is made, the applicant may proceed in the same manner as if his application had been rejected. Any party affected by the action of such rating organization or such insurer on such request may, within thirty days after written notice of such action, appeal to the commissioner, who, after a hearing held upon notice to the appellant and to the rating organization or insurer, may affirm or reverse such action. [1947 c 79 § .19.31; Rem. Supp. 1947 § 45.19.31.]

48.19.320 Advisory organizations—Definition. (1) Every group, association or other organization of insurers, whether located within or outside this state, which assists insurers which make their own filings or rating organizations in rate making, by the collection and furnishing of loss or expense statistics, or by the submission of recommendations, but which does not make filings under this chapter, shall be known as an advisory organization.

(2) This section does not apply to subscribers’ committees provided for in RCW 48.19.230. [1947 c 79 § .19.32; Rem. Supp. 1947 § 45.19.32.]

48.19.330 Requisites of advisory organization. Every advisory organization before serving as such to any rating organization or independently filing insurer doing business in this state, shall file with the commissioner:

(1) A copy of its constitution, its articles of agreement or association or its certificate of incorporation and of its bylaws, rules and regulations governing its activities;

(2) A list of its members;

(3) The name and address of a resident of this state upon whom notices or orders of the commissioner or process issued at his direction may be served; and

(4) An agreement that the commissioner may examine such advisory organization in accordance with the provisions of RCW 48.03.010. [1947 c 79 § .19.33; Rem. Supp. 1947 § 45.19.33.]

48.19.340 Desist orders. If, after a hearing, the commissioner finds that the furnishing of information or assistance by an advisory organization, as referred to in RCW 48.19.320, involves any act or practice which is unfair or unreasonable or otherwise inconsistent with the provisions of this code, he may issue a written order specifying in what respect such act or practice is unfair or unreasonable or so otherwise inconsistent, and requiring the discontinuance of such act or practice. [1947 c 79 § .19.34; Rem. Supp. 1947 § 45.19.34.]

48.19.350 Disqualification of data. No insurer which makes its own filing nor any rating organization shall support its filings by statistics or adopt rate making recommendations, furnished to it by an advisory organization which has not complied with this chapter or with any order of the commissioner involving such statistics or recommendations issued under RCW 48.19.340. If the commissioner finds such insurer or rating organization to be in violation of this section he may issue an order requiring the discontinuance of the violation. [1947 c 79 § .19.35; Rem. Supp. 1947 § 45.19.35.]

48.19.360 Joint underwriting or joint reinsurance. (1) Every group, association or other organization of insurers which engages in joint underwriting or joint reinsurance, shall be subject to regulation with respect thereto as is provided in this section, subject, however, with respect to joint underwriting, to all other provisions of this chapter, and, with respect to joint reinsurance, to RCW 48.19.270, 48.01.080 and 48.19.430; and to chapter 48.03 RCW of this code.

(2) If, after a hearing, the commissioner finds that any activity or practice of any such group, association or other organization is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, he may issue a written order specifying in what respects such activity or practice is unfair, or unreasonable or so inconsistent, and requiring the discontinuance of the activity or practice. [1947 c 79 § .19.36; Rem. Supp. 1947 § 45.19.36.]

48.19.370 Recording and reporting of loss and expense experience. (1) The commissioner shall promulgate reasonable rules and statistical plans, reasonably adapted to each of the rating systems on file with him, which may be

[Title 48 RCW—page 86]
modified from time to time and which shall be used thereaft
er by each insurer in the recording and reporting of its loss
and countrywide expense experience, in order that the
experience of all insurers may be made available at least
annually in such form and detail as may be necessary to aid
him in determining whether rating systems comply with the
rules and plans may also provide for the recording and
reporting of expense experience items which are specially
applicable to this state and are not susceptible of determina-
tion by a prorating of countrywide expense experience.

(2) In promulgating such rules and plans, the commis-
sioner shall give due consideration to the rating systems on
file with him and, in order that such rules and plans may be
as uniform as is practicable among the several states, to the
rules and to the form of the plans used for such rating
systems in other states.

(3) No insurer shall be required to record or report its
loss experience on a classification basis that is inconsistent
with the rating system filed by it.

(4) The commissioner may designate one or more rating
organizations or other agencies to assist him in gathering
such experience and making compilations thereof, and such
compilations shall be made available, subject to reasonable
rules promulgated by the commissioner, to insurers and
rating organizations.

(5) Reasonable rules and plans may be promulgated by
the commissioner for the interchange of data necessary for
the application of rating plans. [1947 c 79 § .19.37; Rem.
Supp. 1947 § 45.19.37.]

48.19.380 Exchange of information. Every rating
organization and insurer may exchange information and
experience data with insurers and rating organizations in this
and other states and may consult with them with respect to
rate making and the application of rating systems. [1947 c
79 § .19.38; Rem. Supp. 1947 § 45.19.38.]

48.19.390 False or misleading information. No
person shall wilfully withhold information from, or knowing-
ly give false or misleading information to, the commissioner,
any statistical agency designated by the commissioner, any
rating organization, or any insurer, which will affect the rates
or premiums chargeable under this chapter. [1947 c 79 § .19.39; Rem. Supp. 1947 § 45.19.39.]

48.19.400 Assigned risks. Agreements may be made
among casualty insurers with respect to the equitable
apportionment among them of insurance which may be
afforded applicants who are in good faith entitled to but who
are unable to procure such insurance through ordinary
methods and such insurers may agree among themselves on
the use of reasonable rate modifications for such insurance,
such agreements and rate modifications to be subject to the
approval of the commissioner. [1947 c 79 § .19.40; Rem.
Supp. 1947 § 45.19.40.]

48.19.410 Examination of contracts. (1) The
commissioner may permit the organization and operation of
examining bureaus for the examination of policies, daily
reports, binders, renewal certificates, endorsements, and other
evidences of insurance or of the cancellation thereof, for the
purpose of ascertaining that lawful rates are being charged.

(2) A bureau shall examine documents with regard to
such kinds of insurance as the commissioner may, after
hearing, reasonably require to be submitted for examination.
A bureau may examine documents as to such other kinds of
insurance as the issuing insurers may voluntarily submit for
examination. Upon request of the commissioner, a bureau
shall also examine affidavits filed pursuant to RCW
48.15.040, surplus lines contracts and related documents, and
shall make recommendations to the commissioner to assist
the commissioner in determining whether surplus lines have
been procured in accordance with chapter 48.15 RCW and
rules issued thereunder.

(3) No bureau shall operate unless licensed by the
commissioner as to the kinds of insurance as to which it is
permitted so to examine. To qualify for a license a bureau
shall:

(a) Be owned in trust for the benefit of all the insurers
regularly using its services, under a trust agreement approved
by the commissioner.

(b) Make its services available without discrimination to
all authorized insurers applying therefor, subject to such
reasonable rules and regulations as to the obligations of
insurers using its services, as to the conduct of its affairs,
and as to the correction of errors and omissions in docu-
ments examined by it as are approved by the commissioner.

(c) Have no manager or other employee who is an
employee of an insurer other than to the extent that he is an
employee of the bureau owned by insurers through such trust
agreement.

(d) Pay to the commissioner a fee of ten dollars for
issuance of its license.

(4) Such license shall be of indefinite duration and shall
remain in force until revoked by the commissioner or
terminated at the request of the bureau. The commissioner
may revoke the license, after hearing,

(a) if the bureau is no longer qualified therefor;

(b) if the bureau fails to comply with a proper order of
the commissioner;

(c) if the bureau violates or knowingly participates in
the violation of any provision of this code.

(5) Any person aggrieved by any rule, regulation, act or
omission of a bureau may appeal to the commissioner
therefrom. The commissioner shall hold a hearing upon
such appeal, and shall make such order upon the hearing as
he deems to be proper.

(6) Every such bureau operating in this state shall be
subject to the supervision of the commissioner, and the
commissioner shall examine it as provided in chapter 48.03
RCW of this code.

(7) Every examining bureau shall keep adequate records
of the outstanding errors and omissions found in coverages
examined by it and of its receipts and disbursements, and
shall hold as confidential all information contained in
documents submitted to it for examination.

(8) The commissioner shall not license an additional
bureau for the examination of documents relative to a kind
of insurance if such documents are being examined by a then
existing licensed bureau. Any examining bureau operating
in this state immediately prior to the effective date of this
code under any law of this state repealed as of such date,
shall have prior right to apply for and secure a license under this section. [1983 1st ex.s. c 32 § 8; 1947 c 79 § .19.41; Rem. Supp. 1947 § 45.19.41.]

48.19.420 Rate agreements. Two or more insurers mutually may agree to adhere to rates, rating plans, rating systems or underwriting practices or uniform modifications thereof, all subject to the following conditions:

(1) All of the terms of the agreements shall be in writing executed on behalf of each such insurer.

(2) An executed copy of every such written agreement and of every modification thereof shall be filed with the commissioner.

(3) Within a reasonable length of time after every such filing, the commissioner shall either approve or disapprove such agreement or modification. No such agreement or modification shall be effective unless and until approved by the commissioner.

(4) The commissioner shall not approve any such agreement or modification which:

(a) Constitutes or would tend to result in an unreasonable restraint upon free competition;

(b) contains terms otherwise tending to injure the public interest.

(5) No cause of action shall lie in favor of any insurer which is party to any such agreement against any other insurer party thereto on account of any breach thereof.

(6) All rate filings covered by such agreement shall be subject to the provisions of this chapter or of other applicable law.

(7) The commissioner may after a hearing thereon and for cause withdraw any approval previously given any such agreement or modification. [1947 c 79 § .19.42; Rem. Supp. 1947 § 45.19.42.]

48.19.430 Penalties. Any person violating any provision of this chapter shall be subject to a penalty of not more than fifty dollars for each such violation, but if such violation is found to be wilful a penalty of not more than fifty dollars for each such violation may be imposed. Such penalties may be in addition to any other penalty provided by law. [1947 c 79 § .19.43; Rem. Supp. 1947 § 45.19.43.]

48.19.450 Casualty rate filing—Credit. The commissioner shall, in reviewing a casualty rate filing, determine in accordance with sound and reliable actuarial principles whether this act requires an insurer to grant its policyholders a credit in such casualty rate filing. Upon determining that data in support of such a credit is actuarially credible, the commissioner shall approve or disapprove such casualty rate filing in accordance therewith. The commissioner shall not approve any casualty rate that is inadequate, excessive, or unfairly discriminatory. [1986 c 305 § 907.]

48.19.460 Automobile insurance—Premium reductions for older insureds completing accident prevention course. Any schedule of rates or rating plan for automobile liability and physical damage insurance submitted to or filed with the commissioner shall provide for an appropriate reduction in premium charges except for underinsured motorist coverage for those insureds who are fifty-five years of age and older, for a two-year period after successfully completing a motor vehicle accident prevention course meeting the criteria of the department of licensing with a minimum of eight hours, or additional hours as determined by rule of the department of licensing. An eight-hour program-learning self-instruction course shall be made available in areas in which a classroom course meeting the criteria of this section is not offered. The classroom course may be conducted by a public or private agency approved by the department. The self-instruction course shall be conducted by an agency approved by the department to conduct classroom courses under this section. [1987 c 377 § 1; 1986 c 235 § 1.]

48.19.470 Automobile insurance—Premium reductions for persons eligible under RCW 48.19.460. All insurance companies writing automobile liability and physical damage insurance in this state shall allow an appropriate premium reduction in premium charges except for underinsured motorist coverage to all eligible persons subject to RCW 48.19.460. [1986 c 235 § 2.]

48.19.480 Automobile insurance—Completion of accident prevention course, certificate. Upon successfully completing the approved course, each participant shall be issued by the course’s sponsoring agency, a certificate that shall be the basis of qualification for the discount on insurance. [1986 c 235 § 3.]

48.19.490 Automobile insurance—Continued eligibility for discount. Each participant shall take an approved course every two years to continue to be eligible for the discount on insurance. [1986 c 235 § 4.]

48.19.500 Motor vehicle insurance—Seat belts, etc. Due consideration in making rates for motor vehicle insurance shall be given to any anticipated change in losses that may be attributable to the use of seat belts, child restraints, and other lifesaving devices. An exhibit detailing these changes and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance. [1989 c 11 § 20; 1987 c 310 § 1.]

Severability—1989 c 11: See note following RCW 9A.56.220.

48.19.501 Motor vehicle insurance—Anti-theft devices—Lights—Multiple vehicles. Due consideration in making rates for motor vehicle insurance shall be given to:

(1) Any anticipated change in losses that may be attributable to the use of properly installed and maintained anti-theft devices in the insured private passenger automobile. An exhibit detailing these losses and any credits or discounts resulting from any such changes shall be included
in each filing pertaining to private passenger automobile (or motor vehicle) insurance.

(2) Any anticipated change in losses that may be attributable to the use of lights and lighting devices that have been proven effective in increasing the visibility of motor vehicles during daytime or in poor visibility conditions and to the use of rear stop lights that have been proven effective in reducing rear-end collisions. An exhibit detailing these losses and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance.

(3) Any anticipated change in losses per vehicle covered that may be attributable to the fact that the insured has more vehicles covered under the policy than there are insured drivers in the same household. An exhibit detailing these changes and any credits or discounts resulting from any such changes shall be included in each filing pertaining to private passenger automobile (or motor vehicle) insurance. [1989 c 11 § 21; 1987 c 320 § 1.]

48.20.032 Scope of chapter. Nothing in this chapter shall apply to or affect (1) any policy of workers' compensation insurance or any policy of liability insurance with or without supplementary expense coverage therein; or (2) any policy or contract of reinsurance; or (3) any blanket or group policy of insurance; or (4) life insurance, endowment or annuity contracts, or contracts supplemental thereto which contain only such provisions relating to accident and sickness insurance as (a) provide additional benefits in case of death or dismemberment or loss of sight by accident, or as (b) operate to safeguard such contracts against lapse, or to give a special surrender value or special benefit or an annuity in the event that the insured or annuitant shall become totally and permanently disabled, as defined by the contract or supplemental contract. [1987 c 185 § 25; 1951 c 229 § 1.]

Reviser's note: For prior laws governing standard provision requirements for individual accident or health insurance policies see 1947
48.20.012 Format of disability policies. No disability policy shall be delivered or issued for delivery to any person in this state unless it otherwise complies with this code, and complies with the following:

(1) It shall purport to insure only one person, except as to family expense insurance written pursuant to RCW 48.20.340.

(2) The style, arrangement and over-all appearance of the policy shall give no undue prominence to any portion of the text, and every printed portion of the text of the policy and of any endorsements or attached papers shall be plainly printed in light-faced type of a style in general use, the size of which shall be uniform and not less than ten-point with a lower-case unspaced alphabet length not less than one hundred and twenty-point (the "text" shall include all printed matter except the name and address of the insurer, name or title of the policy, the brief description if any, and caption and subcaptions).

(3) The exceptions and reductions of indemnity shall be set forth in the policy and, other than those contained in RCW 48.20.042 to 48.20.272, inclusive, shall be printed, at the insurer's option, either included with the benefit provision to which they apply, or under an appropriate caption such as "Exceptions," or "Exceptions and reductions," except that if an exception or reduction specifically applies only to a particular benefit of the policy, a statement of such exception or reduction shall be included with the benefit provision to which it applies.

(4) Each such form, including riders and endorsements, shall be identified by a form number in the lower left hand corner of the first page thereof.

(5) It shall contain no provision purporting to make any portion of the insurer's charter, rules, constitution, or bylaws a part of the policy unless such portion is set forth in full in the policy, except in the case of the incorporation of, or reference to, a statement of rates or classification of risks, or short-rate table filed with the commissioner. [1951 c 229 § 2; 1947 c 79 § .20.02; formerly Rem. Supp. 1949 § 45.20.02.]

48.20.013 Return of policy and refund of premium—Notice required—Effect of return. Every individual disability insurance policy issued after January 1, 1968, except single premium nonrenewable policies, shall have printed on its face or attached thereto a notice stating in substance that the person to whom the policy is issued shall be permitted to return the policy within ten days of its delivery to the purchaser and to have the premium paid refunded if, after examination of the policy, the purchaser is not satisfied with it for any reason. An additional ten percent penalty shall be added to any premium refund due which is not paid within thirty days of return of the policy to the insurer or agent. If a policy holder or purchaser pursuant to such notice, returns the policy to the insurer at its home or branch office or to the agent through whom it was purchased, it shall be void from the beginning and the parties shall be in the same position as if no policy had been issued. [1983 1st ex.s. c 32 § 9; 1967 c 150 § 26.]

48.20.015 Endorsements. If a contract is issued on any basis other than as applied for, an endorsement setting forth such modification(s) must accompany and be attached to the policy; and no endorsement shall be effective unless signed by the policy owner, and a signed copy thereof returned to the insurer. [1975 1st ex.s. c 266 § 9.]

Severability—1975 1st ex.s. c 266: See note following RCW 48.01.010.

48.20.022 Policies issued by domestic insurer for delivery in another state. If any policy is issued by a domestic insurer for delivery to a person residing in another state, and if the insurance commissioner or corresponding public official of such other state has advised the commissioner that any such policy is not subject to approval or disapproval by such official, the commissioner may by ruling require that such policy meet the applicable standards set forth in this chapter and in chapter 48.18 RCW. [1951 c 229 § 3.]

48.20.032 Standard provisions required—Substitutions—Captions. Except as provided in RCW 48.18.130, each such policy delivered or issued for delivery to any person in this state shall contain the provisions as specified in RCW 48.20.042 to 48.20.152, inclusive, in the words in which the same appear; except, that the insurer may, at its option, substitute for one or more of such provisions corresponding provisions of different wording approved by the commissioner which are in each instance not less favorable in any respect to the insured or the beneficiary. Each such provision shall be preceded by the applicable caption shown or, at the insurer’s option, by such appropriate individual or group caption or subcaption as the commissioner may approve. [1951 c 229 § 4; 1947 c 79 § .20.03; formerly Rem. Supp. 1947 § 45.20.03.]
The amount of any underpayments which may have been made on account of any such misstatement under a disability income policy shall be paid the insured along with the current payment and the amount of any overpayment may be charged against the current or succeeding payments to be made by the insurer. Interest may be applied to such underpayments or overpayments as specified in the insurance policy form but not exceeding six percent per annum. [1983 1st ex.s. c 32 § 16.]

48.20.052 Standard provision No. 3—Time limit on certain defenses. There shall be a provision as follows:

"TIME LIMIT ON CERTAIN DEFENSES: (a) After two years from the date of issue of this policy no misstatements except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such two year period."

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial two year period, nor to limit the application of RCW 48.20.050, 48.20.172, 48.20.192, 48.20.202, and 48.20.212 in the event of misstatement with respect to age or occupation or other insurance.)

(A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "INCONTESTABLE":

"After this policy has been in force for a period of two years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.")

"(b) No claim for loss incurred or disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy."

(More stringent provisions may be required by the commissioner in connection with individual disability policies sold without any application or with minimal applications.) [1983 1st ex.s. c 32 § 17; 1975 1st ex.s. c 266 § 12; 1973 1st ex.s. c 152 § 4; 1969 ex.s. c 241 § 12; 1951 c 229 § 6.]

Severability—1975 1st ex.s. c 266: See note following RCW 48.01.010.

Severability—1973 1st ex.s. c 152: See note following RCW 48.05.140.

48.20.062 Standard provision No. 4—Grace period. There shall be a provision as follows:

GRACE PERIOD: A grace period of . . . . (insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies, and "31" for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

(A policy which contains a cancellation provision may add, at the end of the above provision: "subject to the right of the insurer to cancel in accordance with the cancellation provision hereof."

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision: "Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to his last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted.") [1951 c 229 § 7.]

48.20.072 Standard provision No. 5—Reinstatement. There shall be a provision as follows:

REINSTATEMENT: If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy: PROVIDED, HOWEVER, That if the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty days prior to the date of reinstatement.

(The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue.) [1951 c 229 § 8; 1947 c 79 § .20.07; formerly Rem. Supp. 1947 § 45.20.07.]

48.20.082 Standard provision No. 6—Notice of claim. There shall be a provision as follows:

NOTICE OF CLAIM: Written notice of claim must be given to the insurer within twenty days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at . . . . . . . . (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent
of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

(In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provision:

For the purpose of applying this provision when other coverage is on a provision of service basis, the "like amount" of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage.

(2) If the foregoing policy provision is included in a policy which also contains the policy provision set out in RCW 48.20.212, there shall be added to the caption of the foregoing provision the phrase " . . . . . . expense incurred benefits." In the absence of such definition such term shall not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organizations or by union welfare plans or employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workers' compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. (2) The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (a) until at least age 50 or, (b) in the case of a policy issued after age 44, for at least five years from its date of issue. The insurer may, at its option, include in this provision a definition of "valid loss of time coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include any coverage provided for such insured pursuant to any compulsory benefit statute (including any workers' compensation or employer's liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations. 48.20.416 Dentistry. Notwithstanding any provision of any disability insurance contract as provided for in this chapter, benefits shall not be denied thereunder for any health care service performed by a holder of a license issued pursuant to chapter 18.32 RCW if (1) the service performed was within the lawful scope of such person's license, and (2) such contract would have provided benefits if such service has [had] been performed by a holder of a license issued pursuant to chapter 18.71 RCW:

"Sections 1 through 3 of this act shall not apply to contracts in force prior to the effective date of this 1965 act, nor to any renewal of such contracts where there has been no change in any provisions thereof." [1965 c 149 § 4.] The effective date of this 1965 act was June 10, 1965.

48.20.430 Dependent child coverage—From moment of birth—Congenital anomalies—Notification of birth. (1) Any disability insurance contract providing hospital and medical expenses and health care services, delivered or issued for delivery in this state more than one hundred twenty days after August 11, 1969, which provides that coverage of a dependent child shall terminate upon attainment of the limiting age for dependent children specified in the contract, shall also provide in substance that attainment of such limiting age shall not operate to terminate the coverage of such child while the child is and continues to be both (1) incapable of self-sustaining employment by reason of developmental disability or physical handicap and (2) chiefly dependent upon the subscriber for support and maintenance, provided proof of such incapacity and dependency is furnished to the insurer by the subscriber within thirty-one days of the child's attainment of the limiting age and subsequently as may be required by the insurer but not more frequently than annually after the two year period following the child's attainment of the limiting age. [1985 c 264 § 10; 1969 ex.s. c 128 § 3.]

(2) If payment of an additional premium is required to provide coverage for a child, the contract may require that notification of birth of a newly born child and payment of the required premium must be furnished to the insurer. The notification period shall be no less than sixty days from the date of birth. This subsection applies to policies issued or

renewed on or after January 1, 1984. [1983 1st ex.s. c 32 § 18; 1974 ex.s. c 139 § 1.]

48.20.450 Standardization and simplification of terms and coverages—Disclosure requirements. The commissioner shall issue regulations to establish specific standards, including standards of full and fair disclosure, that set forth the manner, content, and required disclosure for the sale of individual policies of disability insurance which shall be in addition to and in accordance with applicable laws of this state, including RCW 48.20.450 through 48.20.480, which may cover but shall not be limited to:

(1) Terms of renewability;
(2) Initial and subsequent conditions of eligibility;
(3) Nonduplication of coverage provisions;
(4) Coverage of dependents;
(5) Preexisting conditions;
(6) Termination of insurance;
(7) Probationary periods;
(8) Limitations;
(9) Exceptions;
(10) Reductions;
(11) Elimination periods;
(12) Requirements for replacement;
(13) Recurrent conditions; and
(14) The definition of terms including but not limited to:

The following: Hospital, accident, sickness, injury, physician, accidental means, total disability, partial disability, nervous disorder, guaranteed renewable, and noncancellable. [1985 c 264 § 11; 1975 1st ex.s. c 266 § 16.]

Purpose—1975 1st ex.s. c 266: "The purpose of *sections 14 through 18 of this 1975 amendatory act is to provide reasonable standardization and simplification of terms and coverages of individual disability insurance policies to facilitate public understanding and comparison, to eliminate provisions contained in individual disability insurance policies which may be misleading or unreasonably confusing in connection either with the purchase of such coverages or with the settlement of claims, and to provide for full disclosure in the sale of disability coverages." [1975 1st ex.s. c 266 § 15.]

*Reviser's note: During the course of passage of 1975 1st ex.s. c 266 [Substitute House Bill No. 198], the section numbering was changed, but the internal references were not changed accordingly. Thus the reference "sections 14 through 18 of this 1975 amendatory act" appears to be erroneous. Reference to "sections 15 through 19," codified herein as this section and RCW 48.20.450 through 48.20.480, was apparently intended.

Severability—1975 1st ex.s. c 266: See note following RCW 48.01.010.

48.20.460 Standardization and simplification—Minimum standards for benefits and coverages. (1) The commissioner shall issue regulations to establish minimum standards for benefits under each of the following categories of coverage in individual policies, other than conversion policies issued pursuant to a contractual conversion privilege under a group policy, of disability insurance:

(a) Basic hospital expense coverage;
(b) Basic medical-surgical expense coverage;
(c) Hospital confinement indemnity coverage;
(d) Major medical expense coverage;
(e) Disability income protection coverage;
(f) Accident only coverage;
(g) Specified disease or specified accident coverage;
(h) Medicare supplemental coverage; and
(i) Limited benefit coverage.

(2) Nothing in this section shall preclude the issuance of any policy which combines two or more of the categories of coverage enumerated in items (a) through (f) of subsection (1) of this section.

(3) No policy shall be delivered or issued for delivery in this state which does not meet the prescribed minimum standards for the categories of coverage listed in items (a) through (i) of subsection (1) of this section, unless the commissioner finds such policy will be in the public interest and such policy meets the requirements set forth in RCW 48.18.110.

(4) The commissioner shall prescribe the method of identification of policies based upon coverages provided. [1981 c 339 § 19; 1975 1st ex.s. c 266 § 17.]

Severability—1975 1st ex.s. c 266: See note following RCW 48.01.010.

48.20.470 Standardization and simplification—Outline of coverage—Format and contents. (1) No policy of individual disability insurance shall be delivered or issued for delivery in this state unless an outline of coverage described in subsection (2) of this section is furnished to the applicant in accord with such rules or regulations as the commissioner shall prescribe.

(2) The commissioner shall prescribe the format and content of the outline of coverage required by subsection (1) of this section. "Format" means style, arrangement, and overall appearance, including such items as the size, color, and prominence of type and the arrangement of text and captions. Such outline of coverage shall include:

(a) A statement identifying the applicable category or categories of coverage provided by the policy as prescribed in RCW 48.20.450;
(b) A description of the principal benefits and coverage provided in the policy;
(c) A statement of the exceptions, reductions and limitations contained in the policy;
(d) A statement of the renewal provisions including any reservation by the insurer of a right to change premiums; and
(e) A statement that the outline is a summary of the policy issued or applied for and that the policy should be consulted to determine governing contractual provisions. [1985 c 264 § 12; 1975 1st ex.s. c 266 § 18.]

Severability—1975 1st ex.s. c 266: See note following RCW 48.01.010.

48.20.480 Standardization and simplification—Simplified application form—Coverage of loss from preexisting health condition. Notwithstanding the provisions of RCW 48.20.052, if an insurer elects to use a simplified application form, with or without a question as to the applicant's health at the time of application, but without any questions concerning the insured's health history or medical treatment history, the policy must cover any loss occurring after twelve months from any preexisting condition not specifically excluded from coverage by terms of the policy, and, except as so provided, the policy shall not include wording that would permit a defense based upon preexisting conditions. [1975 1st ex.s. c 266 § 19.]

Severability—1975 1st ex.s. c 266: See note following RCW 48.01.010.
48.20.490 Continuation of coverage by former spouse and dependents. Every policy of disability insurance issued, amended, or renewed after June 12, 1980, for an individual and his/her dependents shall contain provisions to assure that the covered spouse and/or dependents, in the event that any cease to be a qualified family member by reason of termination of marriage or death of the principal insured, shall have the right to continue the policy coverage without a physical examination, statement of health, or other proof of insurability. [1980 c 10 § 1.]

48.20.500 Coverage for adopted children. (1) Any disability insurance contract providing hospital and medical expenses and health care services, delivered or issued for delivery in this state, which provides coverage for dependent children, as defined in the contract of the insured, shall cover adoptive children placed with the insured on the same basis as other dependents, as provided in RCW 48.01.180.

(2) If payment of an additional premium is required to provide coverage for a child, the contract may require that notification of placement of a child for adoption and payment of the required premium must be furnished to the insurer. The notification period shall be no less than sixty days from the date of placement. [1986 c 140 § 2.]

Effective date, application—Severability—1986 c 140: See notes following RCW 48.01.180.

48.20.510 Cancellation of rider. Upon application by an insured, a rider shall be canceled if at least five years after its issuance, no health care services have been received by the insured during that time for the condition specified in the rider, and a physician, selected by the carrier for that purpose, agrees in writing to the full medical recovery of the insured from that condition, such agreement not to be unreasonably withheld. The option of the insured to apply for cancellation shall be disclosed on the face of the rider in clear and conspicuous language.

For purposes of this section, a rider is a legal document that modifies a contract to exclude, limit, or reduce coverage or benefits for specifically named or described preexisting diseases or physical conditions. [1987 c 37 § 1.]

48.20.520 Phenylketonuria. (1) The legislature finds that:

(a) Phenylketonuria is a rare inherited genetic disorder.

(b) Children with phenylketonuria are unable to metabolize an essential amino acid, phenylalanine, which is found in the proteins of most food.

(c) To remain healthy, children with phenylketonuria must maintain a strict diet and ingest a mineral and vitamin-enriched formula.

(d) Children who do not maintain their diets with the formula acquire severe mental and physical difficulties.

(e) Originally, the formulas were listed as prescription drugs but were reclassified as medical foods to increase their availability.

(2) Subject to requirements and exceptions which may be established by rules adopted by the commissioner, any disability insurance contract delivered or issued for delivery or renewed in this state on or after September 1, 1988, that insures for hospital or medical expenses shall provide coverage for the formulas necessary for the treatment of phenylketonuria. [1988 c 173 § 1.]

48.20.530 Nonresident pharmacies. For the purposes of this chapter, a nonresident pharmacy is defined as any pharmacy located outside this state that ships, mails, or delivers, in any manner, except when delivered in person to an enrolled participant or his/her representative, controlled substances, legend drugs, or devices into this state.

After October 1, 1991, an insurer providing coverage of prescription drugs from nonresident pharmacies may only provide coverage from licensed nonresident pharmacies. The insurers shall obtain proof of current licensure in conformity with this section and RCW 18.64.350 through 18.64.400 from the nonresident pharmacy and keep that proof of licensure on file.

The department of health may request from the insurer the proof of current licensure for all nonresident pharmacies through which the insurer is providing coverage for prescription drugs to residents of the state of Washington. This information, which may constitute a full or partial customer list, shall be confidential and exempt from public disclosure, and from the requirements of chapter 42.17 RCW. The board or the department shall not be restricted in the disclosure of the name of a nonresident pharmacy that is or has been licensed under RCW 18.64.360 or 18.64.370 or of the identity of a nonresident pharmacy disciplined under RCW 18.64.350 through 18.64.400. [1991 c 87 § 7.]

Effective date—1991 c 87: See note following RCW 18.64.350.

48.21.010 "Group disability insurance" defined.

Group disability insurance is that form of disability insurance, including stop loss insurance as defined in RCW 48.11.030, provided by a master policy issued to an employer, to a trustee appointed by an employer or employers, or to an association of employers formed for purposes other than obtaining such insurance, covering, with or without their dependents, the employees, or specified categories of the employees, of such employers or their subsidiaries or affiliates, or issued to a labor union, or to an association of employees formed for purposes other than obtaining such insurance, covering, with or without their dependent, the members, or specified categories of the members, of the labor union or association, or issued pursuant to RCW 48.21.030. Group disability insurance shall also include such other groups as qualify for group life insurance under the provisions of this code. [1992 c 226 § 2; 1949 c 190 § 27; 1947 c 79 § .21.02; Rem. Supp. 1947 § 45.21.02.]

48.21.015 "Group stop loss insurance" defined—Exemptions to application.

Group stop loss insurance is exempt from all sections of this chapter, chapter 48.32A RCW, and chapter 48.41 RCW except for RCW 48.21.010 and this section. For [the] purpose of this exemption, group stop loss is further defined as follows:

(1) The policy must be issued to and insure the employer, the trustee or other sponsor of the plan, or the plan itself, but not the employees, members, or participants;

(2) Payment by the insurer must be made to the employer, the trustee, or other sponsor of the plan or the plan itself, but not to the employees, members, participants, or health care providers;

(3) The policy must contain a provision that establishes an aggregate attaching point or retention that is at the minimum one hundred twenty percent of the expected claims; and

(4) The policy may provide for an individual attaching point or retention that is not less than five percent of the expected claims or one hundred thousand dollars, whichever is less. [1992 c 226 § 3.]

The term "employees" as used in this chapter shall be deemed to include as employees of a single employer, the compensated officers, managers, and employees of the employer and of subsidiary or affiliated corporations of a corporation employer, and the individual proprietors, partners, and employees of individuals and firms of which the business is controlled by the insured employer through stock ownership, contract or otherwise. The term "employer" as used in this chapter shall be deemed to include any municipal corporation or governmental unit, agency or department thereof as well as private individuals, firms, corporations and other persons. [1947 c 79 § .21.02; Rem. Supp. 1947 § 45.21.02.]

48.21.030 Health care groups. A policy of group disability insurance may be issued to a corporation, as policyholder, existing primarily for the purpose of assisting individuals who are its subscribers in securing medical, hospital, dental, and other health care services for themselves and their dependents, covering all and not less than five hundred such subscribers and dependents, with respect only to medical, hospital, dental, and other health care services. [1947 c 79 § .21.03; Rem. Supp. 1947 § 45.21.03.]

48.21.040 "Blanket disability insurance" defined.

(1) Any policy or contract of disability insurance which conforms with the description and complies with the requirements contained in one of the following six paragraphs shall be deemed a blanket disability insurance policy:

(a) A policy issued to any common carrier of passengers, which carrier shall be deemed the policyholder, covering a group defined as all persons who may become such passengers, and whereby such passengers shall be insured against loss or damage resulting from death or bodily injury either while, or as a result of, being such passengers.

(b) A policy issued in the name of any volunteer fire department, first aid or ambulance squad or volunteer police organization, which shall be deemed the policyholder, and covering all the members of any such organization against loss from accidents resulting from hazards incidental to duties in connection with such organizations.

(c) A policy issued in the name of any established organization whether incorporated or not, having community recognition and operated for the welfare of the community and its members and not for profit, which shall be deemed the policyholder, and covering all volunteer workers who serve without pecuniary compensation and the members of [Title 48 RCW—page 100]

48.21.040

the organization, against loss from accidents occurring while engaged in the actual performance of duties on behalf of such organization or in the activities thereof.

(d) A policy issued to an employer, who shall be deemed the policyholder, covering any group of employees defined by reference to exceptional hazards incident to such employment, insuring such employees against death or bodily injury resulting while, or from, being exposed to such exceptional hazards.

(e) A policy covering students or employees issued to a college, school, or other institution of learning or to the head or principal thereof, who or which shall be deemed the policyholder.

(f) A policy or contract issued to any other substantially similar group, which, in the commissioner's discretion, may be subject to the insurance of a blanket disability policy or contract.

(2) Nothing contained in this section shall be deemed to affect the liability of policyholders for the death of, or injury to, any such members of such group.

(3) Individual applications shall not be required from individuals covered under a blanket disability insurance contract. [1959 c 225 § 7; 1947 c 79 § .21.04; Rem. Supp. 1947 § 45.21.04.]

Nothing in this section shall prohibit an insurer from offering, or a purchaser from seeking, benefits in excess of the basic coverage authorized herein. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

The policy authorized by this section shall not supplant or supersede any existing policy for the benefit of employees in this state. Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein. [1990 c 187 § 2.]

Finding—Intent—1990 c 187: "The legislature finds that the rising cost of comprehensive group health coverage is exceeding the affordability of many small businesses and their employees. The legislature further finds that certain public policies have an adverse impact on the cost of such coverage. It is therefore the intent of the legislature to reduce costs by authorizing the development of basic hospital and medical coverage for small groups." [1990 c 187 § 1.1]

Severability—1990 c 187: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1990 c 187 § 6.]

48.21.050 Standard provisions required. Every policy of group or blanket disability insurance shall contain in substance the provisions as set forth in RCW 48.21.060 to 48.21.090, inclusive, or provisions which in the opinion of the commissioner are more favorable to the individuals insured, or at least as favorable to such individuals and more favorable to the policyholder. No such policy of group or blanket disability insurance shall contain any provision relative to notice or proof of loss, or to the time for paying benefits, or to the time within which suit may be brought upon the policy, which in the opinion of the commissioner is less favorable to the individuals insured than would be permitted by the standard provisions required for individual disability insurance policies. [1947 c 79 § .21.05; Rem. Supp. 1947 § 45.21.05.]

48.21.060 The contract—Representations. There shall be a provision that a copy of the application, if any, of the policyholder shall be attached to the policy when issued; that all statements made by the policyholder or by the individuals insured shall in the absence of fraud be deemed representations and not warranties, and that no statement made by any individual insured shall be used in any contest unless a copy of the instrument containing the statement is or has been furnished to such individual or to his beneficiary, if any. [1947 c 79 § .21.06; Rem. Supp. 1947 § 45.21.06.]

48.21.070 Payment of premiums. There shall be a provision that all premiums due under the policy shall be remitted by the employer or employers of the persons insured, by the policyholder, or by some other designated person acting on behalf of the association or group insured, to the insurer on or before the due date thereof with such period of grace as may be specified therein. [1947 c 79 § .21.07; Rem. Supp. 1947 § 45.21.07.]

48.21.075 Payment of premiums by employee in event of suspension of compensation due to labor dispute. Any employee whose compensation includes group disability or blanket disability insurance providing health care services, the premiums for which are paid in full or in part by an employer including the state of Washington, its political subdivisions, or municipal corporations, or paid by payroll deduction, may pay the premiums as they become due directly to the policyholder whenever the employee's compensation is suspended or terminated directly or indirectly as the result of a strike, lockout, or other labor dispute, for a period not exceeding six months and at the rate and coverages as the policy provides. During that period of time the policy may not be altered or changed. Nothing in this section shall be deemed to impair the right of the insurer to make normal decreases or increases of the premium rate upon expiration and renewal of the policy, in accordance with the provisions of the policy. Thereafter, if such insurance coverage is no longer available, then the employee shall be given the opportunity to purchase an individual policy at a rate consistent with rates filed by the insurer with the commissioner. When the employee's compensation is so suspended or terminated, the employee shall be notified immediately by the policyholder in writing, by mail addressed to the address last on record with the policyholder,
that the employee may pay the premiums to the policyholder as they become due as provided in this section.

Payment of the premiums must be made when due or the insurance coverage may be terminated by the insurer.

The provisions of any insurance policy contrary to provisions of this section are void and unenforceable after May 29, 1975. [1975 1st ex.s. c 117 § 1.]

Severability—1975 1st ex.s. c 117: "If any provision of this 1975 act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1975 1st ex.s. c 117 § 4.]

48.21.080 Certificates of coverage. In group disability insurance policies there shall be a provision that the insurer shall issue to the employer, the policyholder, or other person or association in whose name such policy is issued, for delivery to each insured employee or member, a certificate setting forth in summary form a statement of the essential features of the insurance coverage, and to whom the benefits thereunder are payable described by name, relationship, or reference to the insurance records of the policyholder or insurer. If family members are insured, only one certificate need be issued for each family. This section shall not apply to blanket disability insurance policies. [1961 c 194 § 6; 1947 c 79 § .21.08; Rem. Supp. 1947 § 45.21.08.]

48.21.090 Age limitations. There shall be a provision specifying the ages, if any there be, to which the insurance provided therein shall be limited; and the ages, if any there be, for which additional restrictions are placed on benefits, and the additional restrictions placed on the benefits at such ages. [1947 c 79 § .21.09; Rem. Supp. 1947 § 45.21.09.]

48.21.100 Examination and autopsy. There may be a provision that the insurer shall have the right and opportunity to examine the person of the insured employee, member or dependent when and so often as it may reasonably require during the pendency of claim under the policy and also the right and opportunity to make an autopsy in case of death where it is not prohibited by law. [1947 c 79 § .21.10; Rem. Supp. 1947 § 45.21.10.]

48.21.110 Payment of benefits. The benefits payable under any policy or contract of group or blanket disability insurance shall be payable to the employee or other insured member of the group or to the beneficiary designated by him, other than the policyholder, employer or the association or any officer thereof as such, subject to provisions of the policy in the event there is no designated beneficiary as to all or any part of any sum payable at the death of the individual insured.

The policy may provide that any hospital, medical, or surgical benefits thereunder may be made payable jointly to the insured employee or member and the person furnishing such hospital, medical, or surgical services. [1955 c 303 § 17; 1947 c 79 § .21.11; Rem. Supp. 1947 § 45.21.11.]

48.21.120 Readjustment of premiums—Dividends. Any contract of group disability insurance may provide for the readjustment of the rate of premium based on the experience thereunder at the end of the first year or of any subsequent year of insurance thereunder, and such readjustment may be made retroactive only for such policy year. Any refund under any plan for readjustment of the rate of premium based on the experience under group policies herefore or hereafter issued, and any dividend paid under such policies may be used to reduce the employer's share of the cost of the coverage, except that if the aggregate refunds or dividends under such group policy and any other group policy or contract issued to the policyholder exceed the aggregate contributions of the employer toward the cost of the coverages, such excess shall be applied by the policyholder for the sole benefit of insured employees. [1947 c 79 § .21.12; Rem. Supp. 1947 § 45.21.12.]

48.21.130 Chiropody. Notwithstanding any provision of any group disability insurance contract or blanket disability insurance contract, benefits shall not be denied thereunder for any medical or surgical service performed by a holder of a license issued pursuant to chapter 18.22 RCW provided that (1) the service performed was within the lawful scope of such person's license, and (2) such contract would have provided benefits if such service had been performed by a holder of a license issued pursuant to chapter 18.71 RCW. [1963 c 87 § 2.]

Application—1963 c 87: Nonapplicability to prior contracts and certain renewals, see note following RCW 48.20.390.

48.21.140 Optometry. Notwithstanding any provision of any group disability insurance contract or blanket disability insurance contract, benefits shall not be denied thereunder for any eye care service rendered by a holder of a license issued pursuant to chapter 18.53 RCW, provided, that (1) the service rendered was within the lawful scope of such person's license, and (2) such contract would have provided benefits if such service had been performed by a holder of a license issued pursuant to chapter 18.71 RCW. [1965 c 149 § 3.]

Construction—1965 c 149: Nonapplicability to prior contracts and certain renewals, see note following RCW 48.20.410.

48.21.141 Registered nurses. Notwithstanding any provision of any group disability insurance contract or blanket disability insurance contract as provided for in this chapter, benefits shall not be denied thereunder for any health service performed by a holder of a license issued pursuant to chapter 18.88 RCW if (1) the service performed was within the lawful scope of such person's license, and (2) such contract would have provided benefits if such service had been performed by a holder of a license issued pursuant to chapter 18.71 RCW: PROVIDED, HOWEVER, That no provision of chapter 18.71 RCW shall be asserted to deny benefits under this section.

48.21.160 Chemical dependency benefits—Legislative declaration. The legislature recognizes that chemical dependency is a disease and, as such, warrants the same attention from the health care industry as other similarly serious diseases warrant; the legislature further recognizes that health insurance contracts and contracts for health care services include inconsistent provisions providing benefits for the treatment of chemical dependency. In order to assist the many citizens of this state who suffer from the disease of chemical dependency, and who are presently effectively precluded from obtaining adequate coverage for medical assistance under the terms of their health insurance contract or health care service contract, the legislature hereby declares that provisions providing benefits for the treatment of chemical dependency shall be included in new contracts and that this section, RCW 48.21.180, 48.21.190, 48.44.240, 48.46.350, and RCW 48.21.195, 48.44.245, and 48.46.355 are necessary for the protection of the public health and safety. Nothing in this section, RCW 48.21.180, 48.21.190, 48.44.240, 48.46.350, and RCW 48.21.195, 48.44.245, and 48.46.355 shall be construed to relieve any person of any civil or criminal liability for any act or omission that is the result of a chemical dependency or to grant any person with a chemical dependency any special right, privilege, or status under the law against discrimination, chapter 49.60 RCW. [1987 c 458 § 13; 1974 ex.s. c 119 § 1.]

[1975 1st ex.s. c 266 § 10; 1974 ex.s. c 119 § 5.]

48.21.195  "Chemical dependency" defined. For the purposes of RCW 48.21.160 and 48.21.180 "chemical dependency" means an illness characterized by a physiological or psychological dependency, or both, on a controlled substance regulated under chapter 69.50 RCW and/or alcoholic beverages. It is further characterized by a frequent or intense pattern of pathological use to the extent the user exhibits a loss of self-control over the amount and circumstances of use; develops symptoms of tolerance or physiological and/or psychological withdrawal if use of the controlled substance or alcoholic beverage is reduced or discontinued; and the user's health is substantially impaired or endangered or his or her social or economic function is substantially disrupted. [1987 c 458 § 15.]

By September 1, 1987, the insurance commissioner shall adopt rules governing benefits for treatment of chemical dependency under medical plans issued under chapters 48.21, 48.44, and 48.46 RCW. These rules shall recognize that many persons are dependent on both alcohol and drugs; they shall prohibit the stacking of benefits and shall require that benefits for chemical dependency be equivalent to benefits previously required for alcoholism. [1987 c 458 § 21.]

48.21.200  Reduction or refusal of benefits on basis of other existing coverages. (1) No group disability insurance policy which provides benefits for hospital, medical, or surgical expenses shall be delivered or issued for delivery in this state after September 8, 1975 which contains any provision whereby the insurer may reduce or refuse to pay such benefits otherwise payable thereunder solely on account of the existence of similar benefits provided under any individual disability insurance policy, or under any individual health care service contract.

(2) No group disability insurance policy providing hospital, medical or surgical expense benefits and which contains a provision for the reduction of benefits otherwise payable thereunder on the basis of other existing coverages, shall provide that such reduction will operate to reduce total benefits payable below an amount equal to one hundred percent of total allowable expenses. The commissioner shall by rule establish guidelines for the application of this section, including: (a) The procedures by which persons insured under such policies are to be made aware of the existence of such a provision; (b) the benefits which may be subject to such a provision; (c) the effect of such a provision on the benefits provided; (d) establishment of the order of benefit determination; and (e) reasonable claim administration procedures to expedite claim payments under such a provision: PROVIDED, HOWEVER, That any group disability insurance policy which is issued as part of an employee insurance benefit program authorized by *RCW 41.05.025(3) may exclude all or part of any deductible amounts from the definition of total allowable expenses for purposes of coordination of benefits within the plan and between such plan and other applicable group coverages: AND PROVIDED FURTHER, That any group disability insurance policy providing coverage for persons in this state may exclude all or part of any deductible amounts required by a group disability insurance policy from the definition of total allowable expenses for purposes of coordination of benefits between such policy and a group disability insurance policy issued as part of an employee insurance benefit program authorized by *RCW 41.05.025(3).

(3) The provisions of this section shall apply to health care service contractor contracts and health maintenance organization agreements. [1983 c 202 § 16; 1983 c 106 § 24; 1975 1st ex.s. c 266 § 20.]

*(2) RCW 41.05.025 was repealed by 1988 c 107 § 35, effective October 1, 1988.

Severability—1975 1st ex.s. c 266:  See note following RCW 48.01.010.

(d) The coverage may require that home health agencies and hospices have written treatment plans approved by a physician licensed under chapter 18.57 or 18.71 RCW, and may require such treatment plans to be reviewed at designated intervals;

(e) The coverage shall provide benefits for, and restrict benefits to, services rendered by home health and hospice agencies licensed by the department of social and health services;

(f) Hospice care coverage shall provide benefits for terminally ill patients for an initial period of care of not less than six months and may provide benefits for an additional six months of care in cases where the patient is facing imminent death or is entering remission if certified in writing by the attending physician;

(g) Home health care coverage shall provide benefits for a minimum of one hundred thirty health care visits per calendar year. However, a visit of any duration by an employee of a home health agency for the purpose of providing services under the plan of treatment constitutes one visit;

(h) The coverage may be structured so that services or supplies included in the primary contract are not duplicated in the optional home health and hospice coverage.

(3) The insurance commissioner shall adopt any rules necessary to implement this section.

(4) The requirements of this section shall not apply to contracts or policies governed by chapter 48.66 RCW.

Each group disability insurance policy issued or renewed after January 1, 1990, that provides coverage for hospital or medical expenses shall provide coverage for screening or diagnostic mammography services, provided that such services are delivered upon the recommendation of the patient’s physician or advanced registered nurse practitioner as authorized by the board of nursing pursuant to chapter 18.88 RCW or physician's assistant pursuant to chapter 18.71A RCW.

This section shall not be construed to prevent the application of standard policy provisions applicable to other benefits such as deductible or copayment provisions. This section does not limit the authority of an insurer to negotiate rates and contract with specific providers for the delivery of mammography services. This section shall not apply to medicare supplement policies or supplemental contracts covering a specified disease or other limited benefits. [1989 c 338 § 2.]

48.21.230 Reconstructive breast surgery. (2) Each group disability insurance contract issued or renewed after January 1, 1986, which insures for hospital or medical care shall provide coverage for all stages of one reconstructive breast reduction on the nondiseased breast to make it equal in size with the diseased breast after definitive reconstructive surgery on the diseased breast has been performed. (2) Benefits shall be provided under the optional supplemental coverage for mental health treatment whether treatment is rendered by: (a) A physician licensed under chapter 18.71 or 18.57 RCW; (b) a psychologist licensed under chapter 18.83 RCW; (c) a community mental health agency licensed by the department of social and health services pursuant to chapter 71.24 RCW; or (d) a state hospital as defined in RCW 72.23.010. The treatment shall be covered at the usual and customary rates for such
treatment. The insurer, health care service contractor, or health maintenance organization providing optional coverage under the provisions of this section for mental health services may establish separate usual and customary rates for services rendered by physicians licensed under chapter 18.71 or 18.57 RCW, psychologists licensed under chapter 18.83 RCW, and community mental health centers licensed under chapter 71.24 RCW and state hospitals as defined in RCW 72.23.010. (3) The group disability insurance contract may provide that all the coverage for mental health treatment is waived for all covered members if the contract holder so states in advance in writing to the insurer.

(4) This section shall not apply to a group disability insurance contract that has been entered into in accordance with a collective bargaining agreement between management and labor representatives prior to March 1, 1987. [1987 c 283 § 3; 1986 c 184 § 2; 1983 c 35 § 1.]

Severability—Savings—1987 c 283: See notes following RCW 43.20A.020.

Legislative intent—1986 c 184: "It is the intent of the legislature that all insurers, health care service contractors, and health maintenance organizations that provide health care coverage in the state shall offer the option of including mental health treatment in their health benefit plans. Further it is the intent of the legislature that all mental health care benefit plans shall provide reimbursement for mental health treatment by every type of provider listed as follows: Physicians licensed under chapter 18.71 or 18.57 RCW, psychologists licensed under chapter 18.83 RCW, and community mental health agencies licensed under chapter 71.24 RCW."

48.21.250 Continuation option to be offered. Every insurer that issues policies providing group coverage for hospital or medical expense shall offer the policyholder an option to include a policy provision granting a person who becomes ineligible for coverage under the group policy, the right to continue the group benefits for a period of time and at a rate agreed upon. The policy provision shall provide that when such coverage terminates, the covered person may convert to a policy as provided in RCW 48.21.260. [1984 c 190 § 2.]

Legislative intent—1984 c 190: "The legislature recognizes that when people covered by a group health insurance policy lose their group insurance benefits because they are no longer eligible, they need time to obtain a suitable form of replacement coverage or time to complete a reasonable course of medical treatment for a health condition that existed when the group benefits ended.

Spouses and dependents can lose their group insurance and may not have any other health insurance when one spouse covered under a group policy dies, obtains a divorce, or becomes unemployed. Often the cost of an individual policy prevents these persons from obtaining any other health insurance.

The intent of this act is to require insurers, health care service contractors, and health maintenance organizations to:

(1) Offer to the contract holder the option to continue health and medical benefits for employees, members, spouses, or dependents whose eligibility for coverage under a group policy, contract, or agreement is terminated; and

(2) Provide a conversion policy, contract, or agreement to employees, members, spouses, or dependents whose eligibility for coverage under a group policy, contract, or agreement is terminated.

**This act** consists of the enactment of RCW 48.21.250, 48.21.260, 48.21.270, 48.44.360, 48.44.370, 48.44.380, 48.46.440, 48.46.450, and 48.46.460 and the repeal of RCW 48.21.210, 48.44.280, and 48.46.065.

Application—1984 c 190: "RCW 48.21.250, 48.44.360, and 48.46.440 shall apply to any policy, contract, or agreement issued, renewed, or amended on or after January 1, 1985."

[1984 c 190 § 12.]

Severability—1984 c 190: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1984 c 190 § 13.]

48.21.260 Conversion policy to be offered—Exceptions, conditions. (1) Except as otherwise provided by this section, any group disability insurance policy issued, renewed, or amended on or after January 1, 1985, that provides benefits for hospital or medical expenses shall contain a provision granting a person covered by the group policy the right to obtain a conversion policy from the insurer upon termination of the person's eligibility for coverage under the group policy.

(2) An insurer need not offer a conversion policy to:

(a) A person whose coverage under the group policy ended when the person's employment or membership was terminated for misconduct: PROVIDED, That when a person's employment or membership is terminated for misconduct, a conversion policy shall be offered to the spouse and/or dependents of the terminated employee or member. The policy shall include in the conversion provisions the same conversion rights and conditions which are available to employees or members and their spouses and/or...
dependents who are terminated for reasons other than misconduct;

(b) A person who is eligible for federal Medicare coverage; or

(c) A person who is covered under another group plan, policy, contract, or agreement providing benefits for hospital or medical care.

(3) To obtain the conversion policy, a person must submit a written application and the first premium payment for the conversion policy not later than thirty-one days after the date the person’s group coverage terminates. The conversion policy shall become effective, without lapse of coverage, immediately following termination of coverage under the group policy.

(4) If an insurer or group policyholder does not renew, cancels, or otherwise terminates the group policy, the insurer shall offer a conversion policy to any person who was covered under the terminated policy unless the person is eligible to obtain group hospital or medical expense coverage within thirty-one days after such nonrenewal, cancellation, or termination of the group policy.

(5) The insurer shall determine the premium for the conversion policy in accordance with the insurer’s table of premium rates applicable to the age and class of risk of each person to be covered under the policy and the type and amount of benefits provided. [1984 c 190 § 3.]

Legislative intent—Severability—1984 c 190: See notes following RCW 48.21.250.

48.21.270 Conversion policy—Restrictions and requirements. (1) An insurer shall not require proof of insurability as a condition for issuance of the conversion policy.

(2) A conversion policy may not contain an exclusion for preexisting conditions except to the extent that a waiting period for a preexisting condition has not been satisfied under the group policy.

(3) An insurer must offer at least three policy benefit plans that comply with the following:

(a) A major medical plan with a five thousand dollar deductible and a lifetime benefit maximum of two hundred fifty thousand dollars per person;

(b) A comprehensive medical plan with a five hundred dollar deductible and a lifetime benefit maximum of five hundred thousand dollars per person; and

(c) A basic medical plan with a one thousand dollar deductible and a lifetime maximum of seventy-five thousand dollars per person.

(4) The insurance commissioner may revise the deductibles and lifetime benefit amounts in subsection (3) of this section from time to time to reflect changing health care costs.

(5) The insurance commissioner shall adopt rules to establish minimum benefit standards for conversion policies.

(6) The commissioner shall adopt rules to establish specific standards for conversion policy provisions. These rules may include but are not limited to:

(a) Terms of renewability;

(b) Nonduplication of coverage;

(c) Benefit limitations, exceptions, and reductions; and

(d) Definitions of terms. [1984 c 190 § 4.]

Legislative intent—Severability—1984 c 190: See notes following RCW 48.21.250.

48.21.280 Coverage for adopted children. (1) Any group disability insurance contract, except a blanket disability insurance contract, providing hospital and medical expenses and health care services, delivered or issued for delivery in this state, which provides coverage for dependent children, as defined in the contract of the insured, shall cover adoptive children placed with the insured on the same basis as other dependents, as provided in RCW 48.01.180.

(2) If payment of an additional premium is required to provide coverage for a child, the contract may require that notification of placement of a child for adoption and payment of the required premium must be furnished to the insurer. The notification period shall be no less than sixty days from the date of placement. [1986 c 140 § 3.]

Effective date, application—Severability—1986 c 140: See notes following RCW 48.01.180.

48.21.290 Cancellation of rider. Upon application by an insured, a rider shall be canceled if at least five years after its issuance, no health care services have been received by the insured during that time for the condition specified in the rider, and a physician, selected by the carrier for that purpose, agrees in writing to the full medical recovery of the insured from that condition, such agreement not to be unreasonably withheld. The option of the insured to apply for cancellation shall be disclosed on the face of the rider in clear and conspicuous language.

For purposes of this section, a rider is a legal document that modifies a contract to exclude, limit, or reduce coverage or benefits for specifically named or described preexisting diseases or physical conditions. [1987 c 37 § 2.]

48.21.300 Phenylketonuria. (1) The legislature finds that:

(a) Phenylketonuria is a rare inherited genetic disorder.

(b) Children with phenylketonuria are unable to metabolize an essential amino acid, phenylalanine, which is found in the proteins of most food.

(c) To remain healthy, children with phenylketonuria must maintain a strict diet and ingest a mineral and vitamin-enriched formula.

(d) Children who do not maintain their diets with the formula acquire severe mental and physical difficulties.

(e) Originally, the formulas were listed as prescription drugs but were reclassified as medical foods to increase their availability.

(2) Subject to requirements and exceptions which may be established by rules adopted by the commissioner, any group disability insurance contract delivered or issued for delivery or renewed in this state on or after September 1, 1988, that insures for hospital or medical expenses shall provide coverage for the formulas necessary for the treatment of phenylketonuria. [1988 c 173 § 2.]

48.21.310 Neurodevelopmental therapies—Employer-sponsored group contracts. (1) Each employer-sponsored group policy for comprehensive health insurance which is entered into, or renewed, on or after twelve months
after July 23, 1989, shall include coverage for neurodevelopmental therapies for covered individuals age six and under.

(2) Benefits provided under this section shall cover the services of those authorized to deliver occupational therapy, speech therapy, and physical therapy. Benefits shall be payable only where the services have been delivered pursuant to the referral and periodic review of a holder of a license issued pursuant to chapter 18.71 or 18.57 RCW or where covered services have been rendered by such licensee. Nothing in this section shall prohibit an insurer from negotiating rates with qualified providers.

(3) Benefits provided under this section shall be for medically necessary services as determined by the insurer. Benefits shall be payable for services for the maintenance of an insured in cases where significant deterioration in the patient’s condition would result without the service. Benefits shall be payable to restore and improve function.

(4) It is the intent of this section that employers purchasing comprehensive health insurance, including the benefits required by this section, together with the insurer, retain authority to design and employ utilization and cost controls. Therefore, benefits delivered under this section may be subject to contractual provisions regarding deductible amounts and/or copayments established by the employer purchasing insurance and the insurer. Benefits provided under this section may be subject to standard waiting periods for preexisting conditions, and may be subject to the submission of written treatment plans.

(5) In recognition of the intent expressed in subsection (4) of this section, benefits provided under this section may be subject to contractual provisions establishing annual and/or lifetime benefit limits. Such limits may define the total dollar benefits available or may limit the number of services delivered as agreed by the employer purchasing insurance and the insurer. Benefits provided under this section may be subject to standard waiting periods for preexisting conditions, and may be subject to the submission of written treatment plans.

48.21.330 Nonresident pharmacies. For the purposes of this chapter, a nonresident pharmacy is defined as any pharmacy located outside this state that ships, mails, or delivers, in any manner, except when delivered in person to an enrolled participant or his/her representative, controlled substances, legend drugs, or devices into this state.

After October 1, 1991, an insurer providing coverage of prescription drugs from nonresident pharmacies may only provide coverage from licensed nonresident pharmacies. The insurers shall obtain proof of current licensure in conformity with this section and RCW 18.64.350 through 18.64.400 from the nonresident pharmacy and keep that proof of licensure on file.

The department may request from the insurer the proof of current licensure for all nonresident pharmacies through which the insurer is providing coverage for prescription drugs for residents of the state of Washington. This information, which may constitute a full or partial customer list, shall be confidential and exempt from public disclosure, and from the requirements of chapter 42.17 RCW. The board or the department shall not be restricted in the disclosure of the name of a nonresident pharmacy that is or has been licensed under RCW 18.64.360 or 18.64.370 or of the identity of a nonresident pharmacy disciplined under RCW 18.64.350 through 18.64.400. [1991 c 87 § 8.]

48.21A.010 Declaration of purpose. It is the purpose of this chapter to provide a means of more adequately meeting the needs of persons who are sixty-five years of age or older and their spouses for insurance coverage against financial loss from accident or disease through the combined resources and experience of a number of insurers; to make association of insurers formed for the purpose of enabling financial loss from accident or disease, or both.

48.21A.020 Definitions. Wherever used in this chapter, the following terms shall have the meanings hereinafter set forth or indicated, unless the context otherwise requires:

(a) "Association" means a voluntary unincorporated association of insurers formed for the purpose of enabling cooperative action to provide disability insurance in accordance with this chapter in this or any other state having legislation enabling the issuance of insurance of the type provided in this chapter.

(b) "Insurer" means any insurance company which is authorized to transact disability insurance in this state.

(c) "Extended health insurance" means hospital, surgical and medical expense insurance provided by a policy issued as provided by this chapter. [1965 ex.s. c 70 § 28.]

48.21A.030 Insurers may join—Policyholder—Reduced benefit provision—Master group policy—Offering—Cancellation. Notwithstanding any other provision of this code or any other law which may be inconsistent herewith, any insurer may join with one or more other insurers, to plan, develop, underwrite, and offer and provide to any person who is sixty-five years of age or older and to the spouse of such person, extended health insurance against financial loss from accident or disease, or both. Such insurance may be offered, issued and administered jointly by two or more insurers by a group policy issued to a policyholder through an association formed for the purpose of offering, selling, issuing and administering such insurance. The policyholder may be an association, a trustee, or any other person. Any such policy may provide, among other things, that the benefits payable thereunder are subject to reduction if the individual insured has any other coverage providing hospital, surgical or medical benefits whether on an indemnity basis or a provision of service basis resulting in such insured being eligible for more than one hundred percent of covered expenses which he is required to pay, and any insurer issuing individual policies providing extended hospital, surgical or medical benefits to persons sixty-five years of age and older and their spouses may also use such a policy provision. A master group policy issued to an association or to a trustee or any person appointed by an association for the purpose of providing the insurances described in this section shall be another form of group disability insurance.

Any form of policy approved by the commissioner for an association shall be offered throughout Washington to all persons sixty-five and older and their spouses, and the coverage of any person insured under such a form of policy shall not be cancellable except for nonpayment of premiums unless the coverage of all persons insured under such form of policy is also canceled. [1965 ex.s. c 70 § 29.]

48.21A.040 Agents, brokers, and solicitors. Notwithstanding the provisions of RCW 48.17.200, any person licensed to transact disability insurance as an agent, broker or solicitor may transact extended health insurance and may be paid a commission thereon. [1965 ex.s. c 70 § 30.]

48.21A.050 Powers and duties of associations. Any association formed for the purposes of this chapter may hold title to property, may enter into contracts, and may limit the liability of its members to their respective pro rata shares of the liability of such association. Any such association may sue and be sued in its associate name and for such purpose only shall be treated as a domestic corporation. Service of process against such association, made upon a managing agent, any member thereof or any agent authorized by appointment to receive service of process, shall have the same force and effect as if such service had been made upon all members of the association. Such association’s books and records shall also be subject to examination under the provisions of RCW 48.03.010 through 48.03.070, inclusive, either separately or concurrently with examination of any of its member insurers. [1983 c 3 § 151; 1965 ex.s. c 70 § 31.]

48.21A.060 Commissioner’s powers—Forms—Rates—Standard provisions—Withdrawal of approval—Federal, state benefits—Annual reports. The forms of the policies, applications, certificates or other evidence of insurance coverage and applicable premium rates relating thereto shall be filed with the commissioner. No such policy, contract, or other evidence of insurance, application or other form shall be sold, issued or used and no endorsement shall be attached to or printed or stamped thereon unless the form thereof shall have been approved by the commissioner or thirty days shall have expired after such
filing without written notice from the commissioner of disapproval thereof. The commissioner shall disapprove the forms of such insurance if he finds that they are unjust, unfair, inequitable, misleading or deceptive or that the rates are by reasonable assumption excessive in relation to the benefits provided. In determining whether such rates by reasonable assumptions are excessive in relation to the benefits provided, the commissioner shall give due consideration to past and prospective claim experience, within and outside this state, and to fluctuations in such claim experience, to a reasonable risk charge, to contribution to surplus and contingency funds, to past and prospective expenses, both within and outside this state, and to all other relevant factors within and outside this state including any differing operating methods of the insurers joining in the issue of the policy. In exercising the powers conferred upon him by this chapter, the commissioner shall not be bound by any other requirement of this code with respect to standard provisions to be included in disability policies or forms.

The commissioner may, after hearing upon written notice, withdraw an approval previously given, upon such grounds as in his opinion would authorize disapproval upon original submission thereof. Any such withdrawal of approval after hearing shall be by notice in writing specifying the ground thereof and shall be effective at the expiration of such period, not less than ninety days after the giving of notice of withdrawal, as the commissioner shall in such notice prescribe.

If and when a program of hospital, surgical and medical benefits is enacted by the federal government or the state of Washington, the extended health insurance benefits provided by policies issued under this chapter shall be adjusted to avoid any duplication of benefits offered by the federal or state programs and the premium rates applicable thereto shall be adjusted to conform with the adjusted benefits.

The association shall submit an annual report to the insurance commissioner which shall become public information and shall provide information as to the number of persons insured, the names of the insurers participating in the association with respect to insurance offered under this chapter and the calendar year experience applicable to such insurance offered under this chapter, including premiums earned, claims paid during the calendar year, the amount of claims reserve established, administrative expenses, commissions, promotional expenses, taxes, contingency reserve, other expenses, and profit and loss for the year. The commissioner shall require the association to provide any and all information concerning the operations of the association deemed relevant by him for inclusion in the report. [1965 ex.s. c 70 § 32.]

48.21A.070 Documents to be filed—Deceptive name or advertising. The articles of association of any association formed in accordance with this chapter, all amendments and supplements thereto, a designation in writing of a resident of this state as agent for the service of process, and a list of insurers who are members of the association and all supplements thereto shall be filed with the commissioner.

The name of any association or any advertising or promotional material used in connection with extended health insurance to be sold, offered, or issued, pursuant to this chapter shall not be such as to mislead or deceive the public. [1965 ex.s. c 70 § 33.]

48.21A.080 Remedies. No act done, action taken or agreement made pursuant to the authority conferred by this chapter shall constitute a violation of or grounds for proceedings or civil proceedings under any other law of this state heretofore or hereafter enacted which does not specifically refer to insurance. [1965 ex.s. c 70 § 34.]

48.21A.090 Home health care, hospice care, optional coverage required—Standards, limitations, restrictions—Rules—Medicare supplemental contracts excluded.

(1) Every insurer entering into or renewing extended health insurance governed by this chapter shall offer optional coverage for home health care and hospice care for persons who are homebound and would otherwise require hospitalization. Such optional coverage need only be offered in conjunction with a policy that provides payment for hospitalization as a part of health care coverage.

(2) Home health care and hospice care coverage offered under subsection (1) of this section shall conform to the following standards, limitations, and restrictions in addition to those set forth in chapters 70.126 and 70.127 RCW:

(a) The coverage may include reasonable deductibles, coinsurance provisions, and internal maximums;

(b) The coverage should be structured to create incentives for the use of home health care and hospice care as an alternative to hospitalization;

(c) The coverage may contain provisions for utilization review and quality assurance;

(d) The coverage may require that home health agencies and hospices have written treatment plans approved by a physician licensed under chapter 18.57 or 18.71 RCW, and may require such treatment plans to be reviewed at designated intervals;

(e) The coverage shall provide benefits for, and restrict benefits to, services rendered by home health and hospice agencies licensed under chapter 70.127 RCW;

(f) Hospice care coverage shall provide benefits for terminally ill patients for an initial period of care of not less than six months and may provide benefits for an additional six months of care in cases where the patient is facing imminent death or is entering remission if certified in writing by the attending physician;

(g) Home health care coverage shall provide benefits for a minimum of one hundred thirty health care visits per calendar year. However, a visit of any duration by an employee of a home health agency for the purpose of providing services under the plan of treatment constitutes one visit;

(h) The coverage may be structured so that services or supplies included in the primary contract are not duplicated in the optional home health and hospice coverage.

(3) The insurance commissioner shall adopt any rules necessary to implement this section.

(4) The requirements of this section shall not apply to contracts or policies governed by chapter 48.66 RCW.

(5) An insurer, as a condition of reimbursement, may require compliance with home health and hospice certification regulations established by the United States department

48.22.020 Assigned risk plans. The commissioner shall, after consultation with the insurers licensed to write motor vehicle liability insurance in this state, approve a reasonable plan or plans for the equitable apportionment among such insurers of applicants for such insurance who are in good faith entitled to but are unable to procure insurance through ordinary methods and, when such plan has been approved, all such insurers shall subscribe thereto and shall participate therein. Any applicant for such insurance, any person insured under such plan and any insurer affected may appeal to the commissioner from any ruling or decision of the manager or committee designated to operate such plan. [1947 c 79 § .22.02; Rem. Supp. 1947 § 45.22.02.]

Rate modifications for assigned risks: RCW 48.19.400.

48.22.030 Underinsured, hit-and-run, phantom vehicle coverage to be provided—Exceptions—Conditions—Deductibles. (1) "Underinsured motor vehicle" means a motor vehicle with respect to the ownership, maintenance, or use of which either no bodily injury or property damage liability bond or insurance policy applies at the time of an accident, or with respect to which the sum of the limits of liability under all bodily injury or property damage liability bonds and insurance policies applicable to a covered person after an accident is less than the applicable damages which the covered person is legally entitled to recover.

(2) No new policy or renewal of an existing policy insuring against loss resulting from liability imposed by law for bodily injury, death, or property damage, suffered by any person arising out of the ownership, maintenance, or use of a motor vehicle shall be issued with respect to any motor vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of underinsured motor vehicles, hit-and-run motor vehicles, and phantom vehicles because of bodily injury, death, or property damage, resulting therefrom, except while operating or occupying a motorcycle or motor-driven cycle, and except while operating or occupying a motor vehicle owned or available for the regular use by the named insured or any family member, and which is not insured under the liability coverage of the policy. The coverage required to be offered under this chapter is not applicable to general liability policies, commonly known as umbrella policies, or other policies which apply only as excess to the insurance directly applicable to the vehicle insured.

(3) Except as to property damage, coverage required under subsection (2) of this section shall be in the same amount as the insured's third party liability coverage unless the insured rejects all or part of the coverage as provided in subsection (4) of this section. Coverage for property damage need only be issued in conjunction with coverage for bodily injury or death. Property damage coverage required under subsection (2) of this section shall mean physical damage to the insured motor vehicle unless the policy specifically provides coverage for the contents thereof or other forms of property damage.

(4) A named insured or spouse may reject, in writing, underinsured coverage for bodily injury or death, or property damage, and the requirements of subsections (2) and (3) of this section shall not apply. If a named insured or spouse has rejected underinsured coverage, such coverage shall not be included in any supplemental or renewal policy unless a named insured or spouse subsequently requests such coverage in writing. The requirement of a written rejection under this subsection shall apply only to the original issuance of policies issued after July 24, 1983, and not to any renewal or replacement policy.

(5) The limit of liability under the policy coverage may be defined as the maximum limits of liability for all damages resulting from any one accident regardless of the number of covered persons, claims made, or vehicles or premiums shown on the policy, or premiums paid, or vehicles involved in an accident.

(6) The policy may provide that if an injured person has other similar insurance available to him under other policies, the total limits of liability of all coverages shall not exceed the higher of the applicable limits of the respective coverages.

(7) (a) The policy may provide for a deductible of not more than three hundred dollars for payment for property damage when the damage is caused by a hit-and-run driver or a phantom vehicle.

(b) In all other cases of underinsured property damage coverage, the policy may provide for a deductible of not more than one hundred dollars.

(8) For the purposes of this chapter, a "phantom vehicle" shall mean a motor vehicle which causes bodily injury, death, or property damage to an insured and has no physical contact with the insured or the vehicle which the insured is occupying at the time of the accident if:

(1992 Ed.)
(a) The facts of the accident can be corroborated by competent evidence other than the testimony of the insured or any person having an uninsured motorist claim resulting from the accident; and
(b) The accident has been reported to the appropriate law enforcement agency within seventy-two hours of the accident. [1985 c 328 § 1; 1983 c 182 § 1; 1981 c 150 § 1; 1980 c 117 § 1; 1967 c 150 § 27.]

Severability—1983 c 182: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1983 c 182 § 3.]

Effective date—1981 c 150: "This act shall take effect on September 1, 1981." [1981 c 150 § 3.]

Effective date—1980 c 117: "This act shall take effect on September 1, 1980." [1980 c 117 § 8.]

48.22.040 Underinsured motor vehicle coverage where liability insurer is insolvent—Extent of coverage—Rights of insurer upon making payment. (1) The term "underinsured motor vehicles" with reference to coverage offered under any insurance policy regulated under this chapter shall, subject to the terms and conditions of such coverage, be deemed to include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency.

(2) An insurer's insolvency protection shall be applicable only to accidents occurring during a policy period in which its insured's underinsured motorist coverage is in effect where the liability insurer of the tort-feasor becomes insolvent within three years after such an accident. Nothing herein contained shall be construed to prevent any insurer from affording insolvency protection under terms and conditions more favorable to its insureds than is provided hereunder.

(3) In the event of payment to an insured under the coverage required by this chapter and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such insured against any person or organization legally responsible for the bodily injury, death, or property damage for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer. Whenever an insurer shall make payment under the coverage required by this section and which payment is occasioned by an insolvency, such insurer's right of recovery or reimbursement shall not include any rights against the insured of said insolvent insurer for any amounts which would have been paid by the insolvent insurer. Such paying insurer shall have the right to proceed directly against the insolvent insurer or its receiver, and in pursuance of such right such paying insurer shall possess any rights which the insured of the insolvent company might otherwise have had, if the insured of the insolvent insurer had personally made the payment. [1983 c 182 § 2; 1980 c 117 § 2; 1967 ex.s. c 95 § 3.]

Effective date—1980 c 117: See note following RCW 48.22.030.

48.22.050 Market assistance plans. The commissioner shall by regulation require insurers authorized to write casualty insurance in this state to form a market assistance plan to assist persons and other entities unable to purchase casualty insurance in an adequate amount from either the admitted market or nonadmitted market.

For the purpose of this section, a market assistance plan means a voluntary mechanism by insurers writing casualty insurance in this state in either the admitted or nonadmitted market to provide casualty insurance for a class of insurance designated in writing to the plan by the commissioner.

The bylaws and method of operation of any market assistance plan shall be approved by the commissioner prior to its operation.

A market assistance plan shall have a minimum of twenty-five insurers willing to insure risks within the class designated by the commissioner. If twenty-five insurers do not voluntarily agree to participate, the commissioner may require casualty insurers to participate in a market assistance plan as a condition of continuing to do business in this state.

The commissioner shall make such a requirement to fulfill the quota of at least twenty-five insurers. The commissioner shall make his or her designation on the basis of the insurer's premium volume of casualty insurance in this state. [1986 c 305 § 906.]

48.22.060 Debt and financing coverage. Every insurer that writes collision and comprehensive coverage for loss or damage to "private passenger automobiles" or "motor homes," as those terms are defined in RCW 48.18.297 and 46.04.305, respectively, shall provide, upon the insured's request, coverage that will pay, in the event of total loss, an amount, in excess of the actual cash value of the vehicle, sufficient to satisfy any outstanding indebtedness secured by and incurred in conjunction with the financing of the purchase of a new private passenger automobile or motor home.

Nothing in this section prohibits an insurer from denying or excluding such coverage where the insured or someone acting on the insured's behalf acts in a fraudulent manner to obtain or file a claim under such coverage. [1988 c 248 § 16; 1987 c 240 § 1.]

Effective date—1987 c 240: "The effective date of this act is January 1, 1988." [1987 c 240 § 2.]

48.22.070 Longshoreman's and harbor worker's compensation coverage—Rules—Plan creation. (Effective until July 1, 1993). (1) Before July 1, 1992, the commissioner shall adopt rules establishing a reasonable plan to insure that workers' compensation coverage as required by the United States longshoreman's and harbor worker's compensation act, 33 U.S.C. Secs. 901 through 950, and maritime employer's liability coverage incidental to the workers' compensation coverage is available to those unable to purchase it through the normal insurance market. This plan shall require the participation of all authorized insurers writing primary and excess workers' compensation insurance or reinsurance and the Washington state industrial insurance fund as defined in RCW 51.08.175 which is authorized to

[Title 48 RCW—page 112]
participate in the plan and to make payments in support of the plan in accordance with this section. Any underwriting losses incurred by the plan shall be shared by plan participants in accordance with the following ratios: The state industrial insurance fund, fifty percent; authorized insurers writing United States longshoreman's and harbor worker's compensation insurance, forty-eight percent; and authorized insurers writing excess workers' compensation insurance or reinsurance, two percent.

(2) The Washington state industrial insurance fund shall obtain or provide coverage for the plan created under subsection (1) of this section on an excess of loss basis that would cover plan losses exceeding the net earned and retained premiums written including investment income of the plan as negotiated between the state fund and the plan. If such coverage is not provided by July 1, 1992, or if the commissioner determines that the premium to be charged for such coverage would result in unaffordable rates for coverage provided by the plan, the industrial insurance fund shall be relieved of responsibility for obtaining or providing excess of loss coverage. In considering whether excess of loss coverage premiums would result in unaffordable rates for workers' compensation coverage provided by the plan, the commissioner shall compare the resulting plan rates to the state industrial insurance fund, fifty percent; authorized insurers writing United States longshoreman's and harbor worker's compensation insurance, forty-eight percent; and authorized insurers writing excess workers' compensation insurance or reinsurance, two percent.

48.22.072 Committee—Study. (Effective until July 1, 1993). The committee appointed pursuant to RCW 48.22.071 shall submit a report to the legislature no later than January 1, 1993, that examines all aspects of the United States longshoreman's and harbor worker's act, 22 U.S.C. Secs. 901 through 950, coverage, and incidental maritime liability coverage, as it applies to Washington workers and employers. This study shall include but not be limited to the ability of private insurers to provide affordable coverage to eligible employers; whether the Washington state industrial insurance fund should participate in the plan adopted pursuant to RCW 48.22.070; whether there are methods that will satisfy the intent of chapter 209, Laws of 1992 that will not involve the Washington state industrial insurance fund; and the feasibility of requiring that this coverage be made directly available through the Washington state industrial insurance fund. [1992 c 209 § 4.]

[1947 c 79 § .23.03; Rem. Supp. 1947 § 45.23.03.]

48.23.040 Entire contract—Representations. In all such policies other than those containing a clause making the policy incontestable from date of issue, there shall be a provision that the policy and the application therefor, if a copy thereof has been endorsed upon or attached to the policy at issue and made a part thereof, shall constitute the entire contract between the parties, and that all statements made by the applicant or by the insured, shall, in the absence of fraud, be deemed representations and not warranties. [1947 c 79 § .23.04; Rem. Supp. 1947 § 45.23.04.]

48.23.050 Incontestability. There shall be a provision that the policy shall be incontestable after it has been in force during the lifetime of the insured for a period of two years from its date of issue, except for nonpayment of premiums and except, at the option of the insurer, as to provisions relative to benefits in event of total and permanent disability and as to provisions which grant additional insurance specifically against accidental death. [1947 c 79 § .23.05; Rem. Supp. 1947 § 45.23.05.]

48.23.060 Misstatement of age. There shall be a provision that if it is found that the age of the insured (or the age of any other individual considered in determining the premium) has been mistated, the amount payable under the policy shall be such as the premium would have purchased at the correct age or ages, according to the insurer's rate at date of issue. [1947 c 79 § .23.06; Rem. Supp. 1947 § 45.23.06.]

48.23.070 Participation in surplus. (1) In all policies which provide for participation in the insurer's surplus, there shall be a provision that the policy shall so participate annually in the insurer's divisible surplus as apportioned by the insurer, beginning not later than the end of the third policy year. Any policy containing provision for annual participation beginning at the end of the first policy year, may also provide that each dividend shall be paid subject to the payment of the premiums for the next ensuing year. The insured under any annual dividend policy shall have the right each year to have the current dividend arising from such participation either paid in cash, or applied in accordance with such other dividend option as may be specified in the policy and elected by the insured. The policy shall further provide which of the options shall be effective if the insured shall fail to notify the insurer in writing of his election within the period of grace allowed for the payment of premium.

(2) This section shall not apply to paid-up nonforfeiture benefits nor paid-up policies issued on default in payment of premiums. [1947 c 79 § .23.07; Rem. Supp. 1947 § 45.23.07.]

48.23.075 Participation in surplus—Requirements for forms. (1) Life insurance and annuity policy forms of the following types shall be defined and designated as participating forms of insurance only if they contain a provision for participation in the insurer's surplus, and shall
be defined and designated as nonparticipating forms if they do not contain a provision for participation in the insurer's surplus:

(a) Forms which provide that the premium or consideration at the time of issue and subsequent premiums or considerations will be established by the insurer based on current, or then current, projected assumptions for such factors as interest, mortality, persistency, expense, or other factors, subject to a maximum guaranteed premium or premiums set forth in the policy; and

(b) Forms (except those for variable life insurance and variable annuity plans which are subject to chapter 48.18A RCW) which provide that their premiums or considerations are credited to an account to which interest is credited, and from which the cost of any life insurance or annuity benefits or other benefits or specified expenses are deducted.

(2) The commissioner may by regulation further clarify the definitions and requirements contained in subsection (1) of this section, and may classify any other types of forms as participating or nonparticipating, consistent therewith. [1982 c 181 § 19.]

Severability—1982 c 181: See note following RCW 48.03.010.

48.23.080 Policy loan. (1) There shall be a provision that after three full years' premiums have been paid thereon, the insurer at any time, while the policy is in force, will advance, on proper assignment or pledge of the policy and on the sole security thereof, at a rate of interest provided in this chapter as now or hereafter amended, a sum to be determined as follows:

(a) If such policy is issued prior to the operative date of RCW *48.23.350, the sum, including any interest paid in advance but not beyond the end of the current policy year, shall be equal to or at the option of the owner of the policy less than, the reserve at the end of the current policy year on the policy and on any dividend additions thereto, less a sum not more than two and one-half percent of the amount insured by the policy and of any dividend additions thereto. The policy may contain a provision by which the insurer reserves the right to defer the making of the loan, except when made to pay premiums, for a period not exceeding six months after the date of application therefor.

(b) If such policy is issued on or after such operative date, the sum, including any interest to the end of the current policy year shall not exceed the cash surrender value at the end of the current policy year, as required by RCW *48.23.350.

(c) (i) The policy shall contain (A) a provision that policy loans shall bear interest at a specified rate not exceeding six percent per annum, or (B) a provision that policy loans shall bear interest at a variable of not less than four nor more than eight percent per annum.

(ii) The variable rate shall not be changed more frequently than once per year and no change may exceed one percent per annum except reductions. The insurer shall give at least thirty days' notice to the policy owner or the owner's designee of any changes in the interest rate.

(iii) The provisions of (c)(i) and (c)(ii) of this subsection shall apply only in policies in existence prior to August 1, 1981.

(2) Such policy shall further provide that the insurer may deduct from such loan value any existing indebtedness on the policy (unless such indebtedness has already been deducted in determining the cash surrender value) and any unpaid balance of the premium for the current policy year; and that if the loan is made or repaid on a date other than the anniversary of the policy, the insurer shall be entitled to interest for the portion of the current policy year at the rate of interest specified in the policy.

(3) Such policy may further provide that if the interest on the loan is not paid when due, it shall be added to the existing indebtedness and shall bear interest at the same rate; and that if and when the total indebtedness on the policy, including interest due or accruing, equals or exceeds the amount of the loan value thereof which would otherwise exist at such time, the policy shall terminate in full settlement of such indebtedness and become void; except, that it shall be stipulated in the policy that no such termination shall be effective prior to the expiration of at least thirty days after notice of the pendency of the termination was mailed by the insurer to the insured and the assignee, if any, at their respective addresses last of record with the insurer.

(4) The insurer shall provide in any policy issued on or after the operative date of RCW *48.23.350 that the making of any loan, other than a loan to pay premiums, may be deferred for not exceeding six months after the application for the loan has been received by it. [1981 c 247 § 3; 1977 ex.s. c 250 § 1; 1947 c 79 § .23.08; Rem. Supp. 1947 § 45.23.08.]

*Reviser's note: RCW 48.23.350 was repealed by 1982 1st ex.s. c 9 § 36(2); later enactment, see chapter 48.76 RCW.

Construction—1977 ex.s. c 250: "This 1977 amendatory act shall not impair the terms and conditions of any policy of life insurance in force prior to the effective date of this 1977 amendatory act." [1977 ex.s. c 250 § 2.]

48.23.085 Policy loan interest rates. (1) As used in this section, "published monthly average" means:

(a) The "Moody's Corporate Bond Yield Average - Monthly Average Corporates" as published by Moody's Investors Service, Incorporated or any successor thereto;

(b) If the "Moody's Corporate Bond Yield Average - Monthly Average Corporates" is no longer published, a substantially similar average, established by rule issued by the commissioner.

(2) Policies issued on or after August 1, 1981, shall provide for policy loan interest rates by containing:

(a) A provision permitting a maximum interest rate of not more than eight percent per annum; or

(b) A provision permitting an adjustable maximum interest rate established from time to time by the life insurer as permitted by law.

(3) The rate of interest charged on a policy loan made under (2)(b) of this section shall not exceed the higher of the following:

(a) The published monthly average for the calendar month ending two months before the date on which the rate is determined; or
(b) The rate used to compute the cash surrender values under the policy during the applicable period plus one percent per annum.

(4) If the maximum rate of interest is determined pursuant to (2)(b) of this section, the policy shall contain a provision setting forth the frequency at which the rate is to be determined for that policy.

(5) The maximum rate for each policy shall be determined at regular intervals at least once every twelve months, but not more frequently than once in any three-month period. At the intervals specified in the policy:

(a) The rate being charged may be increased whenever such increase is determined as under subsection (3) of this section would increase that rate by one-half of one percent or more per annum; and

(b) The rate being charged shall be reduced whenever such reduction is determined as under subsection (3) of this section would decrease that rate by one-half of one percent or more per annum.

(6) The life insurer shall:

(a) Notify the policyholder at the time a cash loan is made of the initial rate of interest on the loan;

(b) Notify the policyholder with respect to premium loans of the initial rate of interest on the loan as soon as it is reasonably practical to do so after making the initial loan. Notice need not be given to the policyholder if a further premium loan is added, except as provided in (c) of this subsection;

(c) Send to policyholders with loans reasonable advance notice of any increase in the rate; and

(d) Include in the notices required in this subsection the substance of the pertinent provisions of subsections (2) and (4) of this section.

(7) The substance of the pertinent provisions of subsections (2) and (4) of this section shall be set forth in the policies to which they apply.

(8) The loan value of the policy shall be determined in accordance with RCW 48.23.080, but no policy shall terminate in a policy year as the sole result of change in the interest rate during that policy year, and the life insurer shall maintain coverage during that policy year until the time at which it would otherwise have terminated if there had been no change during that policy year.

(9) For purposes of this section:

(a) The rate of interest on policy loans permitted under this section includes the interest rate charged on reinstatement of policy loans for the period during and after any lapse of a policy;

(b) The term "policy loan" includes any premium loan made under a policy to pay one or more premiums that were not paid to the life insurer as they fell due;

(c) The term "policyholder" includes the owner of the policy or the person designated to pay premiums as shown on the records of the life insurer; and

(d) The term "policy" includes certificates issued by a fraternal benefit society and annuity contracts which provide for policy loans.

(10) No other provision of law shall apply to policy loan interest rates unless made specifically applicable to such rates. [1981 c 247 § 2.]

Effective date—1981 c 247: "This act shall take effect August 1, 1981, and shall not apply to any insurance contract before that date." [1981 c 247 § 5.]

48.23.090 Table of values and options. There shall be a table showing in figures the loan value, if any, and any options available under the policy each year upon default in premium payments, during at least the first twenty years of the policy, or for its life if maturity or expiry occurs in less than twenty years. [1947 c 79 § .23.09; Rem. Supp. 1947 § 45.23.09.]

48.23.100 Nonforfeiture options. There shall be a provision specifying the option to which the policyholder is automatically entitled in the absence of the election of other nonforfeiture options upon default in premium payment after nonforfeiture values become available. [1947 c 79 § .23.10; Rem. Supp. 1947 § 45.23.10.]

48.23.110 Table of installments. If the policy provides for payment of its proceeds in installments or as an annuity, a table showing the amount and period of such installments or annuity shall be included in the policy. Except, that if in the judgment of the commissioner it is not practical to include certain tables in the policy, the requirements of this section may be met as to such policy by the insurer filing such tables with the commissioner. [1947 c 79 § .23.11; Rem. Supp. 1947 § 45.23.11.]

48.23.120 Reinstatement. There shall be a provision that the policy may be reinstated at any time within three years after the date of default in the payment of any premium, unless the policy has been surrendered for its cash value, or the period of any extended insurance provided by the policy has expired, upon evidence of insurability satisfactory to the insurer and the payment of all overdue premiums, and payment (or, within the limits permitted by the then cash values of the policy, reinstatement) of any other indebtedness to the insurer upon the policy with interest as to premiums at a rate not exceeding six percent per annum compounded annually. [1981 c 247 § 4; 1947 c 79 § .23.12; Rem. Supp. 1947 § 45.23.12.]

48.23.130 Settlement on proof of death. There shall be a provision that when a policy becomes a claim by the death of the insured, settlement shall be made upon receipt of due proof of death and surrender of the policy. [1947 c 79 § .23.13; Rem. Supp. 1947 § 45.23.13.]

[1947 c 79 § .23.16; Rem. Supp. 1947 § 45.23.16.]

[1947 c 79 § .23.17; Rem. Supp. 1947 § 45.23.17.]

48.23.180  Misstatement of age or sex—Annuities, pure endowments. In such contracts there shall be a provision that if the age or sex of the person or persons upon whose life or lives the contract is made, or if any of them has been misstated, the amount payable or benefit accruing under the contract shall be such as the stipulated payment or payments to the insured would have purchased according to the correct age or sex; and that if the insurer shall make or has made any underpayment or overpayments or any overpayment or overpayments on account of any such misstatement, the amount thereof, with interest at the rate to be specified in the contract but not exceeding six percent per annum, shall, in the case of underpayment, be paid the insured or, in the case of overpayment, may be charged against the current or next succeeding payment or payments to be made by the insurer under the contract. [1982 c 181 § 12; 1947 c 79 § .23.18; Rem. Supp. 1947 § 45.23.18.]

(1) A provision that in the event of default in any stipulated payment, the insurer will grant a paid-up nonforfeiture benefit on a plan stipulated in the contract, effective as of such date, of such value as is hereinafter specified.

(2) A statement of the mortality table and interest rate used in calculating the paid-up nonforfeiture benefit available under the contract.

(3) An explanation of the manner in which the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the contract or any indebtedness to the insurer on the contract. [1982 1st ex.s. c 9 § 34; 1979 c 157 § 3; 1947 c 79 § .23.20; Rem. Supp. 1947 § 45.23.20.]

48.23.210  Reinstatement—Annuities, pure endowments. Any of such provisions not applicable to single premium annuities shall not, to that extent, be incorporated therein.

This section shall not apply to group annuities or to annuities included in life insurance policies. [1947 c 79 § .23.22; Rem. Supp. 1947 § 45.23.22.]

48.23.230  Sections applicable. Any such reversionary annuity contract shall contain the provisions specified in RCW 48.23.150 to 48.23.190, inclusive, except that under RCW 48.23.150 the insurer may at its option provide for an

equitable reduction of the amount of the annuity payments in settlement of an overdue or deferred payment in lieu of providing for a deduction of such payments from an amount payable upon a settlement under the contract. [1947 c 79 § .23.23; Rem. Supp. 1947 § 45.23.23.]

48.23.240 Reinstatement—Reversionary annuities. [1947 c 79 § .23.24; Rem. Supp. 1947 § 45.23.24.]

48.23.250 Supplemental benefits. The commissioner may make reasonable rules and regulations concerning the conditions in provisions granting additional benefits in event of the insured's accidental death, or in event the insured becomes totally and permanently disabled, which are a part of or supplemental to life insurance contracts. [1947 c 79 § .23.25; Rem. Supp. 1947 § 45.23.25.]

48.23.260 Limitation of liability. (1) The insurer may in any life insurance policy or annuity or pure endowment contract limit its liability to a determinable amount not less than the full reserve of the policy and of dividend additions thereto in event only of death occurring:
   (a) As a result of war, or any act of war, declared or undeclared, or of service in the military, naval or air forces or in civilian forces auxiliary thereto, or from any cause while a member of any such military, naval or air forces of any country at war, declared or undeclared.
   (b) As a result of suicide of the insured, whether sane or insane, within two years from date of issue of the policy.
   (c) As a result of aviation under conditions specified in the policy.

(2) An insurer may specify conditions pertaining to the items of subsection (1) of this section which in the commissioner's opinion are more favorable to the policyholder. [1947 c 79 § .23.26; Rem. Supp. 1947 § 45.23.26.]

48.23.270 Incontestability after reinstatement. The reinstatement of any policy of life insurance or contract of annuity hereafter delivered or issued for delivery in this state may be contestable on account of fraud or misrepresentation of facts material to the reinstatement only for the same period following reinstatement as the policy provides with respect to contestability after original issuance. [1947 c 79 § .23.27; Rem. Supp. 1947 § 45.23.27.]

48.23.290 Premium deposits. (1) A life insurer may, under such policy provisions or agreements as have been approved by the commissioner consistent with this section, contract for and accept premium deposits in addition to the regular premiums specified in the policy, for the purpose of paying future premiums, or to facilitate conversion of the policy, or to increase the benefits thereof.

(2) The unused accumulation from such deposits shall be held and accounted for as a premium deposit fund, and the policy or agreement shall provide for the manner of application of the premium deposit fund to the payment of premiums otherwise in default and for the disposition of the fund if it is not sufficient to pay the next premium.

(3) Such fund shall:
   (a) Be available upon surrender of the policy, in addition to the cash surrender value; and
   (b) be payable upon the insured's death or upon maturity of the policy; and
   (c) be paid to the insured whenever the cash surrender value together with the premium deposit fund equals or exceeds the amount of insurance provided by the policy, unless the amount of the deposit does not exceed that which may be required to facilitate conversion of the policy to another plan in accordance with its terms.

(4) No part of the premium deposit fund shall be paid to the insured during the continuance of the policy except at such times and in such amounts as is specified in the policy or in the deposit agreement. [1947 c 79 § .23.29; Rem. Supp. 1947 § 45.23.29.]

48.23.300 Policy settlements—Interest. Any life insurer shall have the power to hold under agreement the proceeds of any policy issued by it, upon such terms and restrictions as to revocation by the policyholder and control by beneficiaries, and with such exemptions from the claims of creditors of beneficiaries other than the policyholder as set forth in the policy or as agreed to in writing by the insurer and the policyholder. Upon maturity of a policy in the event the policyholder has made no such agreement, the insurer shall have the power to hold the proceeds of the policy under an agreement with the beneficiaries. The insurer shall not be required to segregate funds so held but may hold them as part of its general assets.

An insurer shall pay interest on death benefits payable under the terms of a life insurance policy insuring the life of any person who was a resident of this state at the time of death. Such interest shall accrue commencing on the date of death at the rate then paid by the insurer on other withdrawable policy proceeds left with the company, but not less than eight percent. Benefits payable that have not been tendered to the beneficiary within ninety days of the receipt of proof of death shall accrue interest, commencing on the ninety-first day, at the aforementioned rate plus three percent. This section applies to death of insureds that occur on or after September 1, 1985. [1985 c 264 § 23; 1983 1st ex.s.c 32 § 21; 1947 c 79 § .23.30; Rem. Supp. 1947 § 45.23.30.]

48.23.310 Deduction of indebtedness. In determining the amount due under any life insurance policy heretofore or hereafter issued, deduction may be made of

(1) any unpaid premiums or installments thereof for the current policy year due under the terms of the policy, and of

(2) the amount of principal and accrued interest of any policy loan or other indebtedness against the policy then remaining unpaid, such principal increased by unpaid interest

[Title 48 RCW—page 118] (1992 Ed.)
and compounded as provided in this chapter. [1947 c 79 § .23.31; Rem. Supp. 1947 § 45.23.31.]

48.23.320 Miscellaneous proceeds. Upon the death of the insured and except as is otherwise expressly provided by the policy or premium deposit agreement, a life insurer may pay to the surviving spouse, children, beneficiary, or other person other than the insured’s estate, appearing to the insurer to be equitably entitled thereto, sums held by it and comprising:

(1) Premiums paid in advance, and which premiums did not fall due prior to such death, or funds held on deposit for the payment of future premiums.

(2) Dividends declared on the policy and held by the insurer under the insured’s option.

(3) Dividends becoming payable on or after the death of the insured. [1947 c 79 § .23.32; Rem. Supp. 1947 § 45.23.32.]

48.23.330 Trafficking in dividend rights. No life insurer nor any of its representatives, agents, or affiliates, shall buy, take by assignment other than in connection with policy loans, or otherwise deal or traffic in any rights to dividends existing under participating life insurance policies issued by the insurer. [1947 c 79 § .23.33; Rem. Supp. 1947 § 45.23.33.]

48.23.340 Prohibited policy plans. No life insurer shall hereafter issue for delivery or deliver in this state any life insurance policy:

(2) Providing benefits or values for surviving or continuing policyholders contingent upon the lapse or termination of the policies of other policyholders, whether by death or otherwise. [1947 c 79 § .23.34; Rem. Supp. 1947 § 45.23.34.]

48.23.360 Calculation of nonforfeiture benefits under annuities. (1) Nonforfeiture benefits: Any paid-up nonforfeiture benefit available under any annuity or pure endowment contract pursuant to RCW 48.23.200, in the event of default in a consideration due on any contract anniversary shall be such that its present value as of such anniversary shall be not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits (excluding any total disability benefits attached to such contracts) which would have been provided for by the contract including any existing paid-up additions, if there had been no default, over the sum of (a) the then present value of the net consideration defined in subsection (2) of this section corresponding to considerations which would have fallen due on and after such anniversary, and (b) the amount of any indebtedness to the company on the contract, including interest due or accrued. In determining the benefits referred to in this section and in calculating the net consideration referred to in such subsection (2), in the case of annuity contracts under which an election may be made to have annuity payments commence at optional dates, the annuity payments shall be deemed to commence at the latest date permitted by the contract for the commencement of such payments and the considerations shall be deemed to be payable until such date, which, however, shall not be later than the contract anniversary nearest the annuitant’s seventieth birthday.

(2) Net considerations: The net considerations for any annuity or pure endowment contract referred to in subsection (1) of this section shall be calculated on an annual basis, shall be such that the present value thereof at date of issue of the annuity shall equal the then present value of the future benefits thereunder (excluding any total disability benefits attached to such contracts) and shall be not less than the following percentages of the respective considerations specified in the contracts for the respective contract years:

First year .................................. fifty percent
Second and subsequent years .......... ninety percent

PROVIDED, That in the case of participating annuity contracts the percentages hereinbefore specified may be decreased by five.

(3) Basis of calculation: All net considerations and present values for such contracts referred to in this section shall be calculated on the basis of the 1937 Standard Annuity Mortality Table or, at the option of the insurer, the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the commissioner, and the rate of interest, not exceeding three and one-half percent per annum, specified in the contract for calculating cash surrender values, if any, and paid-up nonforfeiture benefits; except that with respect to annuity and pure endowment contracts issued on or after the operative date of *RCW 48.12.150(3)(b)(ii) for such contracts, such rate of interest may be as high as four percent per annum: PROVIDED, That if such rate of interest exceeds three and one-half percent per annum, all net considerations and present values for such contracts referred to in this section shall be calculated on the 1971 Individual Annuity Mortality Table, or any modification of this table approved by the commissioner.

(4) Calculations on default: Any cash surrender value and any paid-up nonforfeiture benefit, available under any such contract in the event of default in the payment of any consideration due at any time other than on the contract anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional considerations beyond the last preceding contract anniversary. All values herein referred to may be calculated upon the assumption that any death benefit is payable at the end of the contract year of death.

(5) Deferment of payment: If an insurer provides for the payment of a cash surrender value, it shall reserve the right to defer the payment of such value for a period of six months after demand therefor with surrender of the contract.

(6) Lump sum in lieu: Notwithstanding the requirements of this section, any deferred annuity contract may provide that if the annuity allowed under any paid-up nonforfeiture benefit would be less than one hundred twenty dollars annually, the insurer may at its option grant a cash surrender value in lieu of such paid-up nonforfeiture benefit.

48.23.360  Title 48 RCW: Insurance

of such amount as may be required by subsection (3) of this section.

(7) Operative date: If no election is made by an insurer for an operative date prior to July 1, 1948, such date shall be the operative date for this section. [1973 1st ex.s. c 162 § 6; 1951 c 190 § 1; 1947 c 79 § .23.36; Rem. Supp. 1947 § 45.23.36.]

*Reviser's note: RCW 48.12.150 was repealed by 1982 1st ex.s. c 9 § 36(1); later enactment, see chapter 48.74 RCW.

48.23.370  Duties of insurer issuing both participating and nonparticipating policies—Rules. (1) A life insurer issuing both participating and nonparticipating policies shall maintain records which segregate the participating from the nonparticipating business and clearly show the profits and losses upon each such category of business.

(2) For the purposes of such accounting the insurer shall make a reasonable allocation as between the respective such categories of the expenses of such general operations or functions as are jointly shared. Any allocation of expense as between the respective categories shall be made upon a reasonable basis, to the end that each category shall bear a just portion of joint expense involved in the administration of the business of such category.

(3) No policy hereafter delivered or issued for delivery in this state shall provide for, and no life insurer or representative shall hereafter knowingly offer or promise payment, credit or distribution of participating "dividends," "earnings," "profits," or "savings," by whatever name called, to participating policies out of such profits, earnings or savings on nonparticipating policies.

(4) The commissioner may promulgate rules for the purpose of assuring the equitable treatment of all policyholders so that one group of policyholders shall not support or be supported by another group of policyholders. [1982 c 181 § 13; 1965 ex.s. c 70 § 22.]

Severability—1982 c 181: See note following RCW 48.03.010.

48.23.380  Return of policy and refund of premium—Grace period—Notice—Effect. Every individual life insurance policy issued after September 1, 1977, shall have printed on its face or attached thereto a notice stating in substance that the policy owner shall be permitted to return the policy within ten days after it is received by the policy owner and to have the premium paid refunded if, after examination of the policy, the policy owner is not satisfied with it for any reason. An additional ten percent penalty shall be added to any premium paid refund due which is not paid within thirty days of return of the policy to the insurer or agent. If a policy owner pursuant to such notice, returns the policy to the insurer at its home or branch office or to the agent through whom it was purchased, it shall be void from the beginning and the parties shall be in the same position as if no policy had been issued.

This section shall not apply to individual life insurance policies issued in connection with a credit transaction or issued under a contractual policy change or conversion privilege provision contained in a policy. [1983 1st ex.s. c 32 § 10; 1977 c 60 § 1.]

48.23.410  Short title. RCW 48.23.420 through 48.23.520 shall be known as the standard nonforfeiture law for individual deferred annuities. [1982 1st ex.s. c 9 § 21.]

48.23.420  Inapplicability of enumerated sections to certain policies. RCW 48.23.420 through 48.23.520 do not apply to any reinsurance; group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended; premium deposit fund; variable annuity; investment annuity; immediate annuity; any deferred annuity contract after annuity payments have commenced; or reversionary annuity; nor to any contract which is delivered outside this state through an agent or other representative of the company issuing the contract. [1982 1st ex.s. c 9 § 22.]

48.23.430  Paid-up annuity and cash surrender provisions required. In the case of contracts issued on or after the operative date of this section as defined in RCW 48.23.520, no contract of annuity, except as stated in RCW 48.23.420, may be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract:

(1) That upon cessation of payment of considerations under a contract, the company will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in RCW 48.23.450, 48.23.460, 48.23.470, 48.23.480, and 48.23.500;

(2) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or before the commencement of any annuity payments, the company will pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in RCW 48.23.450, 48.23.460, 48.23.480, and 48.23.500. The company shall reserve the right to defer the payment of such cash surrender benefit for a period of six months after demand therefor with surrender of the contract;

(3) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender, or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits; and

(4) A statement that any paid-up annuity, cash surrender, or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the company to the contract, any indebtedness to the company on the contract, or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this section, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of
two full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid before such period would be less than twenty dollars monthly, the company may at its option terminate the contract by payment in cash of the then present value of the portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment is relieved of any further obligation under such contract. [1982 1st ex.s. c 9 § 23.]

48.23.440 Minimum nonforfeiture amounts. The minimum values as specified in RCW 48.23.450, 48.23.460, 48.23.470, 48.23.480, and 48.23.500 of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.

(1) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments is equal to an accumulation up to such time at a rate of interest of three percent per annum of percentages of the net considerations, as defined in this subsection, paid prior to such time, decreased by the sum of:

(a) Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of three percent per annum; and

(b) The amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the company to the contract.

The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross considerations credited to the contract during that contract year less an annual contract charge of thirty dollars and less a collection charge of one dollar and twenty-five cents per consideration credited to the contract during that contract year. The percentages of net considerations shall be sixty-five percent of the net consideration for the first contract year and eighty-seven and one-half percent of the net considerations for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be sixty-five percent of the portion of the total net consideration for any renewal contract year which exceeds by not more than two times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-five percent.

(2) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with two exceptions:

(a) The portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five percent of the net consideration for the first contract year plus twenty-two and one-half percent of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years; and

(b) The annual contract charge shall be the lesser of (i) thirty dollars or (ii) ten percent of the gross annual consideration.

(3) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to ninety percent and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars. [1982 1st ex.s. c 9 § 24.]

48.23.450 Minimum present value of paid-up annuity benefit. Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract. [1982 1st ex.s. c 9 § 25.]

48.23.460 Minimum cash surrender benefits—Death benefit. For contracts which provide cash surrender benefits, such cash surrender benefits available before maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than one percent higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the company to the contract. In no event may any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit. [1982 1st ex.s. c 9 § 26.]

48.23.470 Contracts without cash surrender, death benefits—Minimum present value of paid-up annuity benefits. For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid before the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the company to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate

(1992 Ed.)
and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event may the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time. [1982 1st ex.s.c 9 § 27.]

48.23.480 Optional maturity dates. For the purpose of determining the benefits calculated under RCW 48.23.460 and 48.23.470, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election is permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later. [1982 1st ex.s.c 9 § 28.]

48.23.490 Statement required in contract without cash surrender or death benefits. Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided. [1982 1st ex.s.c 9 § 29.]

48.23.500 Calculation of benefits available other than on contract anniversary. Any paid-up annuity, cash surrender, or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs. [1982 1st ex.s.c 9 § 30.]

48.23.510 Additional benefits. For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of RCW 48.23.450, 48.23.460, 48.23.470, 48.23.480, and 48.23.500, additional benefits payable (1) in the event of total and permanent disability, (2) as reversionary annuity or deferred reversionary annuity benefits, or (3) as other policy benefits additional to life insurance, endowment, and annuity benefits, and considerations for all such additional benefits, shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, or cash surrender and death benefits that may be required by RCW 48.23.470 through 48.23.520. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, or cash surrender and death benefits. [1982 1st ex.s.c 9 § 31.]

48.23.520 Operative date of RCW 48.23.410 through 48.23.520. After July 10, 1982, any company may file with the commissioner a written notice of its election to comply with the provisions of RCW 48.23.410 through 48.23.520 after a specified date before the second anniversary of July 10, 1982. After the filing of such notice, then upon such specified date, which shall be the operative date of RCW 48.23.410 through 48.23.520 for such company, RCW 48.23.410 through 48.23.520 shall become operative with respect to annuity contracts thereafter issued by such company. If a company makes no such election, the operative date of RCW 48.23.410 through 48.23.520 for such company shall be the second anniversary of July 10, 1982. [1982 1st ex.s.c 9 § 32.]

48.24.010 Group requirements. (1) No contract of life insurance shall hereafter be delivered or issued for delivery in this state insuring the lives of more than one individual unless to one of the groups as provided for in this chapter, and unless in compliance with the other provisions of this chapter.
48.24.020 Employee groups. The lives of a group of individuals may be insured under a policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustee is deemed the policyholder, insuring employees of the employer for the benefit of persons other than the employer, subject to the following requirements:

(1) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract or otherwise. The policy may provide that the term "employees" shall include retired employees.

(2) The premium for the policy shall be paid by the policyholder, either wholly from the employer's funds or funds contributed by him, or partly from such funds and partly from funds contributed by the insured employees. No policy may be issued on which part of the premium is to be derived from funds contributed by the insured employees may be placed partly from funds contributed by the insured employees, either wholly from the employer's funds or funds contributed by him, trustee's funds, or labor union funds, and/or from funds contributed by the insured employees or members, or from both.

48.24.025 Payment of premium by employee when compensation suspended due to labor dispute. Any employee whose compensation includes group life insurance, the premiums for which are paid in full or in part by an employer including the state of Washington, its political subdivisions, or municipal corporations, or paid by payroll deduction, may pay the premiums as they become due directly to the policyholder whenever the employee's compensation is suspended or terminated directly or indirectly as the result of a strike, lockout, or other labor dispute, for a period not exceeding six months and at the rate and coverages as the policy provides. During that period of time the policy may not be altered or changed. Nothing in this section shall be deemed to impair the right of the insurer to make normal decreases or increases of the premium rate upon expiration and renewal of the policy, in accordance with the provisions of the policy. Thereafter, if such insurance coverage is no longer available, then the employee shall be given the opportunity to purchase an individual policy at a rate consistent with rates filed by the insurer with the commissioner. When the employee's compensation is so suspended or terminated, the employee shall be notified immediately by the policyholder in writing, by mail addressed to the address last on record with the policyholder, that the employee may pay the premiums to the policyholder as they become due as provided in this section.

Payment of the premiums must be made when due or the insurance coverage may be terminated by the insurer.

The provisions of any insurance policy contrary to provisions of this section are void and unenforceable after May 29, 1975. [1975 1st ex.s. c 117 § 2.]

Severability—1975 1st ex.s. c 117: See note following RCW 48.21.075.

48.24.030 Dependents of employees or members of certain groups. (1) Insurance under any group life insurance policy issued pursuant to RCW 48.24.020, or 48.24.050, or 48.24.060, or 48.24.070 or 48.24.090 may, if seventy-five percent of the then insured employees or labor union members or public employee association members or members of the Washington state patrol elect, be extended to insure the spouse and dependent children, or any class or classes thereof, of each such insured employee or member who so elects, in amounts in accordance with a plan which precludes individual selection by the employees or members or by the employer or labor union or trustee, and which insurance on the life of any one family member other than a spouse shall not be in excess of fifty percent of the insurance on the life of the insured employee or member or two thousand dollars, whichever is less.

Insurance on the life of a spouse of an insured employee or member shall not exceed fifty percent of the amount of insurance on the life of the insured employee or member.

Premiums for the insurance on such family members shall be paid by the policyholder, either from the employer's funds or funds contributed by him, trustee's funds, or labor union funds, and/or from funds contributed by the insured employees or members, or from both.

(2) Such a spouse insured pursuant to this section shall have the same conversion right as to the insurance on his or her life as is vested in the employee or member under this chapter. [1975 1st ex.s. c 266 § 11; 1965 ex.s. c 70 § 23;
48.24.030 Title 48 RCW: Insurance

1963 c 192 § 1; 1953 c 197 § 10; 1947 c 79 § .24.03; Rem. Supp. 1947 § 45.24.03.]

Severability—1975 1st ex.s.c 266: See note following RCW 48.01.010.

48.24.035 Credit union groups. The lives of a group of individuals may be insured under a policy issued to a credit union, which shall be deemed the policyholder, to insure eligible members of such credit union for the benefit of persons other than the credit union or its officials, subject to the following requirements:

(1) The members eligible for insurance under the policy shall be all of the members of a credit union, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer, or all of any class or classes thereof determined by conditions pertaining to their age or membership in the credit union or both.

(2) The premium for the policy shall be paid by the policyholder, either wholly from the credit union's funds, or partly from funds contributed by the insured members specifically for their insurance. No policy may be issued for which the entire premium is to be derived from funds contributed by the insured members specifically for their insurance.

(3) The policy must cover at least twenty-five members at the date of issue.

(4) The amount of insurance under the policy shall not exceed the amount of the total shares and deposits of the member.

(5) As used herein, "credit union" means a credit union organized and operating under the federal credit union act of 1934 or chapter 31.12 RCW. [1982 c 181 § 14; 1961 c 194 § 8.]

Severability—1982 c 181: See note following RCW 48.03.010.

48.24.040 Debtor groups. The lives of a group of individuals may be insured under a policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditors, subject to the provisions of the insurance code relating to credit life insurance and credit accident and health insurance and to the following requirements:

(1) The debtors eligible for insurance under the policy shall be all of the debtors of the creditor whose indebtedness is repayable in installments, or all of any class or classes thereof determined by conditions pertaining to the indebtedness or to the purchase giving rise to the indebtedness, except that nothing in this section shall preclude an insurer from excluding from the classes eligible for insurance classes of debtors determined by age. The policy may provide that the term "debtors" shall include the debtors of one or more subsidiary corporations, and the debtors of one or more affiliated corporations, proprietors or partnerships if the business of the policyholder and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise.

(2) The premium for the policy shall be paid by the policyholder, either from the creditor's funds, or from charges collected from the insured debtors, or from both. A policy on which part or all of the premium is to be derived from the collection from the insured debtors of identifiable charges not required of uninsured debtors shall not include, in the class or classes of debtors eligible for insurance, debtors under obligations outstanding at its date of issue without evidence of individual insurability unless at least seventy-five percent of the then eligible debtors elect to pay the required charges. A policy on which no part of the premium is to be derived from the collection of such identifiable charges must insure all eligible debtors, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(3) The policy may be issued only if the group of eligible debtors is then receiving new entrants at the rate of at least one hundred persons yearly, or may reasonably be expected to receive at least one hundred new entrants during the first policy year, and only if the policy reserves to the insurer the right to require evidence of individual insurability if less than seventy-five percent of the new entrants become insured.

(4) Payment by the debtor insured under any such group life insurance contract of the premium charged the creditor by the insurer for such insurance pertaining to the debtor, shall not be deemed to constitute a charge upon a loan in violation of any usury law. [1967 c 150 § 28; 1961 c 194 § 9; 1955 c 303 § 18; 1947 c 79 § .24.04; Rem. Supp. 1947 § 45.24.04.]

48.24.045 Certain associations as groups. The lives of a group of individuals may be insured under a policy issued to an association which has been in active existence for at least one year, which has a constitution and bylaws, and which has been organized and is maintained in good faith for purposes other than that of obtaining insurance. Under this group life insurance policy, the association shall be deemed the policyholder. The policy may insure association employees, members, or their employees. Beneficiaries under the policy shall be persons other than the association or its officers or trustees. The term "employees" as used in this section may include retired employees. [1979 ex.s.c 44 § 1.]

48.24.050 Labor union groups. The lives of a group of individuals may be insured under a policy issued to a labor union, which shall be deemed the policyholder, to insure members of such union for the benefit of persons other than the union or any of its officials, representatives or agents, subject to the following requirements:

(1) The members eligible for insurance under the policy shall be all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the union, or both.

(2) The premium for the policy shall be paid by the policyholder, either wholly from the union's funds, or partly from such funds and partly from funds contributed by the insured members specifically for their insurance. No policy may be issued of which the entire premium is to be derived from funds contributed by the insured members specifically for their insurance. A policy on which the premium is to be derived in part from funds contributed by the insured members specifically for their insurance may be placed in force only if at least seventy-five percent of the then eligible members, excluding any as to whom evidence of individual
insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(3) The policy must cover at least twenty-five members at date of issue.

(4) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the union. [1955 c 303 § 19; 1947 c 79 § .24.05; Rem. Supp. 1947 § 45.24.05.]

48.24.060 Public employee associations. (2) The premium for the policy shall be paid by the policyholder, in whole or in part either from salary deductions authorized by, or charges collected from, the insured employees or members specifically for the insurance, or from the association's own funds, or from both. Any such deductions from salary may be paid by the employer to the association or directly to the insurer. (1) If the policy is issued to two or more employer members of an employers' association, such policy may be issued only if (a) the association has been in existence for at least five years and was formed for purposes other than obtaining insurance and (b) the participating employers, meaning such employer members whose employees are to be insured, constitute at date of issue at least fifty percent of the total employers eligible to participate, unless the number of persons covered at date of issue exceeds six hundred, in which case such participating employers must constitute at least twenty-five percent of such total employers in either case omitting from consideration any employer whose employees are already covered for group life insurance.

(2) The persons eligible for insurance shall be all of the employees of the employers or all of the members of the unions, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the unions, or to both. The policy may provide that the term "employees" shall include the individual proprietor or partners if an employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are connected with such trusteeship. The policy may provide that the term "employees" shall include retired employees.

(3) The premium for the policy shall be paid by the trustees wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions, or by both, or partly from such funds and partly from funds contributed by the insured persons. A policy on which part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance may be placed in force only if at least seventy-five percent of the then eligible persons, excluding any as to whom evidence of insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance must insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

3. The premium on the policy shall be paid by the principal or by the principal and the agents jointly. When the premium is paid by the principal and agents jointly and the benefits of the policy are offered to all eligible agents, the policy, when issued, must insure not less than seventy-five percent of such agents.

accordance with RCW 48.24.180 and 48.24.190, and before such an individual policy shall have become effective, the amount of life insurance which he would have been entitled to have issued to him under such individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or the payment of the first premium therefor has been made. 48.25.220 Prohibited provisions. No such policy shall contain:

(1) A provision by which the insurer may deny liability under the policy for the reason that the insured has previously obtained other insurance from the same insurer.

(2) A provision giving the insurer the right to declare the policy void if the insured has, within two years prior to the issuance of the policy, received institutional, hospital, medical or surgical treatment or attention and if the insured or claimant under the policy fails to show that the condition occasioning such treatment or attention was not of a serious nature or was not material to the risk.

(3) A provision giving the insurer the right to declare the policy void because the insured had been rejected for insurance, unless such right be conditioned upon a showing by the insurer, that knowledge of such rejection would have led to a refusal by the insurer to make such contract. [1947 c 79 § .25.22; Rem. Supp. 1947 § 45.25.22.]

48.25.230 Limitation of liability. The insurer may in any such policy limit its liability for the same causes and to the same extent as is provided in RCW 48.23.260 for other life insurance contracts. [1947 c 79 § .25.23; Rem. Supp. 1947 § 45.25.23.]

(1) "Profit-sharing policy" means:

(a) A life insurance policy which by its terms expressly provides that the policyholder will participate in the distribution of earnings or surplus other than earnings or surplus attributable, by reasonable and nondiscriminatory standards, to the participating policies of the company and allocated to the policyholder on reasonable and nondiscriminatory standards; or

(b) A life insurance policy the provisions of which, through sales material or oral presentations, are interpreted by the company to prospective policyholders as entitling the policyholder to the benefits described in subsection (a) of this section.

(2) "Charter policy" or "founders policy" means:

(a) A life insurance policy which by its terms expressly provides that the policyholder will receive some preferential or discriminatory advantage or benefit not available to persons who purchase insurance from the company at future dates or under other circumstances; or

(b) A life insurance policy the provisions of which, through sales material or oral presentations, are interpreted by the company to prospective policyholders as entitling the policyholder to the benefits described in subsection (a) of this section.

(3) "Coupon policy" means a life insurance policy which provides a series of pure endowments maturing periodically in amounts not exceeding the gross annual policy premiums. The term "pure endowment" or "endowment" is used in its accepted actuarial sense, meaning a benefit becoming

No other device may be used which tends to emphasize the periodic endowment benefits or which tends to create the impression that the endowments represent interest earnings or anything other than benefits which have been purchased by part of the policyholder's premium payments.

2. Each endowment benefit must have a fixed maturity date and payment of the endowment benefit shall not be contingent upon the payment of any premium becoming due on or after such maturity date.

3. The endowment benefits must be expressed in dollar amounts rather than as percentages of other quantities or in other ways, both in the policy itself and in the sale thereof.

4. A separate premium for the periodic endowment benefits must be shown in the policy adjacent to the rest of the policy premium information and must be given the same emphasis in the policy and in the sale thereof as that given the rest of the policy premium information. This premium shall be calculated with mortality, interest and expense factors which are consistent with those for the basic policy premium. [1967 ex.s. c 95 § 8.]

(2) For authority to transact business in two or more counties, the insurer must have a guaranty fund deposit in amount not less than the amount required under subsection (1) as to that one of the counties in which business is to be so transacted for which the largest amount is so required. [1957 c 193 § 16; 1947 c 79 § .29.03; Rem. Supp. 1947 § 45.29.03.]

48.29.040 May do business in two or more counties—Restrictions. (1) Subject to the deposit requirements of RCW 48.29.030, a title insurer having its principal offices in one county may be authorized to transact business in only such additional counties as to which it owns or leases and maintains, or has a duly authorized agent that owns or leases and maintains, a complete set of tract indexes.

1. A title insurer not authorized to transact business in a certain county may purchase a title policy on property located therein from another title insurer which is so authorized in that county. The first title insurer may thereafter issue its own policy of title insurance to the owner of such property. The first title insurer may combine the insurance

on the title of such property in a single policy which also
insures the title of one or more other pieces of property.
The first title insurer must pay the full premium based on
filed rates for the policy, and must charge the precise same
amount to its own customer for the insurance as to the
title of such property. A title insurer using the authority granted
by this subsection in a transaction must so notify its custom­
er. [1990 c 76 § 2; 1957 c 193 § 17; 1947 c 79 § .29.04;
Rem. Supp. 1947 § 45.29.04.]

48.29.060 Impairment of deposit. If an insurer's
guaranty fund deposit becomes impaired for any cause, the
commissioner shall forthwith give notice thereof to the
insurer, requiring that the impairment be cured within thirty
days after the date of the notice. If the impairment is not so
cured, the commissioner shall forthwith revoke the insurer's
certificate of authority. [1947 c 79 § .29.06; Rem. Supp.
1947 § 45.29.06.]

48.29.070 Levy of execution against deposit. If an
insurer fails to satisfy any judgment against it arising out of
its liability under any title insurance policy or certificate of
title issued, insured, or assumed by it, within thirty days
after the finality of the judgment became fixed, the judgment
may be enforced against the insurer's guaranty fund deposit
through the following procedure:
(1) The judgment creditor shall petition the court
wherein the judgment is entered and as part of the same
cause, truthfully setting forth the facts regarding the insurer's
failure to satisfy the judgment as required by this section.
(2) Upon such petition the court shall direct issuance of
a special execution directed to the sheriff of Thurston
county, requiring that the sheriff sell so much of the securities
on deposit as may be required to satisfy the judgment
and pay the costs of the levy.
(3) The court's order for issuance of the special execution
shall also direct that a copy of the judgment and of the
petition be served upon the commissioner within five days
after the date of the order.
(4) Upon issuance of such special execution and upon
such service upon the commissioner, the commissioner shall
deliver to such sheriff sufficient of such securities as may be
required for sale to satisfy the judgment and to pay such costs.
[1955 c 86 § 14; 1947 c 79 § .29.07; Rem. Supp.
1947 § 45.29.07.]

Effective date—Supervision of transfers—1955 c 86: See notes
following RCW 48.05.080.

48.29.090 Purpose of deposit. (1) The securities
comprising the guaranty fund deposit shall be held by the
commissioner as a special guaranty fund securing the faithful
performance by the insurer of all its undertakings and
liabilities as to any title guaranteed or insured by it.
(2) Such deposit shall not be subject to any other
liabilities of the insurer until after all its liabilities named in
subsection (1) of this section have been discharged. [1955
=c 86 § 16; 1947 c 79 § .29.09; Rem. Supp. 1947 §
45.29.09.]

following RCW 48.05.080.

48.29.100 Termination of deposit. (1) A guaranty
fund deposit shall be terminated only upon the existence of
any of the following conditions:

other than through reinsurance, under all guaranties or
insurances of titles made, issued, or assumed by it.
(b) Upon reinsurance of all such liabilities of the
insurer, with the commissioner's approval, in another insurer
holding a certificate of authority as a title insurer in this
state.
(2) For the purposes of this section only, all liability of
the insurer with regard to a title guaranteed or insured by it
shall be deemed terminated upon the expiration of twenty-
one years from the date of the guaranty or insurance, unless
prior thereto a claim of loss has been made with reference
thereto and settlement of such loss then remains pending.

release, verified by the oaths of its president and secretary.
(b) The commissioner shall in due course following
such application make such examination of the records of
the insurer, and of the insurer's officers under oath, as he
deems reasonably necessary to determine that the conditions
for termination of the deposit have been met.
(2) Upon release of the securities, the commissioner
shall revoke the insurer's certificate of authority. [1955 c 86
§ 17; 1947 c 79 § .29.11; Rem. Supp. 1947 § 45.29.11.]

Effective date—Supervision of transfers—1955 c 86: See notes
following RCW 48.05.080.

48.29.120 Special reserve fund. (1) Each title insurer
shall annually apportion to a special reserve fund an amount
determined by applying the rate of twenty-five cents for each
one thousand dollars of net increase of insurance it has in
force as at the end of such year. Such apportionment shall
be continued or resumed as needed to maintain the special
reserve fund at an amount equal to not less than the guaranty
fund deposit required of the insurer.
(2) The special reserve fund shall be held by the insurer
as an additional guaranty fund, and shall be used only for the
payment of losses after the insurer's liquid resources
available for the payment of losses, other than such special
reserve fund or the guaranty fund deposit, have been
exhausted.
(3) For the purposes of computing the special reserve
fund as provided in subsection (1) of this section, net
increase of insurance in force resulting from reinsurance of
the risks of another title insurer shall not be included to the
extent that a like special reserve fund on such insurance is
maintained by the ceding insurer. [1947 c 79 § .29.12; Rem.
Supp. 1947 § 45.29.12.]

48.29.130 Investments. The funds of a domestic title

48.29.140 Premium rates. (1) Premium rates for the insuring or guaranteeing of titles shall not be excessive, inadequate, or unfairly discriminatory.

(2) Each title insurer shall forthwith file with the commissioner a schedule showing the premium rates to be charged by it. Every addition to or modification of such schedule or of any rate therein contained shall likewise be filed with the commissioner, and no such addition or modification shall be effective until expiration of fifteen days after date of such filing.

(3) The commissioner may order the modification of any premium rate or schedule of premium rates found by him after a hearing to be excessive, or inadequate, or unfairly discriminatory. No such order shall require retroactive modification. [1947 c 79 § .29.14; Rem. Supp. 1947 § 45.29.14.]

48.29.150 Taxation of title insurers. Title insurers and their property shall be taxed by this state in accordance with the general laws relating to taxation, and not otherwise. [1947 c 79 § .29.15; Rem. Supp. 1947 § 45.29.15.]

48.29.170 Agents—Separate licenses for individuals not required. Title insurance agents shall be exempt from the provisions of *RCW 48.17.090(2) and 48.17.180(1) which otherwise require that each individual empowered to exercise the authority of a licensed firm or corporation must be separately licensed. [1981 c 223 § 2.]

*Reviser’s note: The reference to "RCW 48.17.090(2)" is now erroneous because 1981 c 339 § 10 deleted subsection (2) of RCW 48.17.090 and renumbered the former subsection (3) as subsection (2).*

48.30.090 Misrepresentation of policies. No person shall make, issue or circulate, or cause to be made, issued or circulated any misrepresentation of the terms of any policy or the benefits or advantages promised thereby, or the dividends or share of surplus to be received thereon, or use any name or title of any policy or class of policies misrepresenting the nature thereof. [1947 c 79 § .30.09; Rem. Supp. 1947 § 45.30.09.]

48.30.100 Dividends not to be guaranteed. No insurer, agent, broker, solicitor, or other person, shall guarantee or agree to the payment of future dividends or future refunds of unused premiums or savings in any specific or approximate amounts or percentages on account of any insurance contract. [1947 c 79 § .30.10; Rem. Supp. 1947 § 45.30.10.]

48.30.110 Contributions to candidates for insurance commissioner. (1) No insurer or fraternal benefit society doing business in this state shall directly or indirectly pay or use, or offer, consent, or agree to pay or use any money or thing of value for or in aid of any candidate for the office of insurance commissioner, nor for reimbursement or indemnification of any person for money or property so used.
(2) Any individual who violates any provision of this section, or who participates in, aids, abets, advises, or consents to any such violation, or who solicits or knowingly receives any money or thing of value in violation of this section, shall be guilty of a gross misdemeanor and shall be liable to the insurer or society for the amount so contributed or received. [1982 c 181 § 18; 1947 c 79 § .30.11; Rem. Supp. 1947 § 45.30.11.]

48.30.120 Misconduct of officers, employees. No director, officer, agent, attorney in fact, or employee of an insurer shall:

(1) Knowingly receive or possess himself of any of its property, otherwise than in payment for a just demand, and with intent to defraud, omit to make or to cause or direct to be made, a full and true entry thereof in its books and accounts; nor

(2) Make or concur in making any false entry, or concur in omitting to make any material entry, in its books or accounts; nor

(3) Knowingly concur in making or publishing any written report, exhibit or statement of its affairs or pecuniary condition containing any material statement which is false, or omit or concur in omitting any statement required by law to be contained therein; nor

(4) Having the custody or control of its books, wilfully fail to make any proper entry in the books of the insurer as required by law, or to exhibit or allow the same to be inspected and extracts to be taken therefrom by any person entitled by law to inspect the same, or take extracts therefrom; nor

(5) If a notice of an application for an injunction or other legal process affecting or involving the property or business of the insurer is served upon him, fail to disclose the fact of such service and the time and place of such application to the other directors, officers, and managers thereof; nor

(6) Fail to make any report or statement lawfully required by a public officer. [1947 c 79 § .30.12; Rem. Supp. 1947 § 45.30.12.]

48.30.130 Presumption of knowledge of director. A director of an insurer is deemed to have such knowledge of its affairs as to enable him to determine whether any act, proceeding, or omission of its directors is a violation of any provision of this chapter. If present at a meeting of directors at which any act, proceeding, or omission of its directors which is a violation of any such provision occurs, he must be deemed to have concurred therein unless at the time he causes or in writing requires his dissent therefrom to be entered on the minutes of the directors.

If absent from such meeting, he must be deemed to have concurred in any such violation if the facts constituting such violation appear on the records or minutes of the proceedings of the board of directors, and he remains a director of the insurer for six months thereafter without causing or in writing requiring his dissent from such violation to be entered upon such record or minutes. [1947 c 79 § .30.13; Rem. Supp. 1947 § 45.30.13.]

48.30.140 Rebating. (1) Except to the extent provided for in an applicable filing with the commissioner then in effect, no insurer, general agent, agent, broker, or solicitor shall, as an inducement to insurance, or after insurance has been effected, directly or indirectly, offer, promise, allow, give, set off, or pay to the insured or to any employee of the insured, any rebate, discount, abatement, or reduction of premium or any part thereof named in any insurance contract, or any commission thereon, or earnings, profits, dividends, or other benefit, or any other valuable consideration or inducement whatsoever which is not expressly provided for in the policy.

(2) Subsection (1) of this section shall not apply as to commissions paid to a licensed agent, general agent, broker, or solicitor for insurance placed on that person’s own property or risks.

(3) This section shall not apply to the allowance by any marine insurer, or marine insurance agent, general agent, broker, or solicitor, to any insured, in connection with marine insurance, of such discount as is sanctioned by custom among marine insurers as being additional to the agent’s or broker’s commission.

(4) This section shall not apply to advertising or promotional programs conducted by insurers, agents, or brokers whereby prizes, goods, wares, or merchandise, not exceeding twenty-five dollars in value per person in the aggregate in any twelve month period, are given to all insureds or prospective insureds under similar qualifying circumstances. [1990 1st ex.s. c 3 § 8; 1985 c 264 § 14; 1975-’76 2nd ex.s. c 119 § 3; 1947 c 79 § .30.14; Rem. Supp. 1947 § 45.30.14.]

48.30.150 Illegal inducements. No insurer, general agent, agent, broker, solicitor, or other person shall, as an inducement to insurance, or in connection with any insurance transaction, provide in any policy for, or offer, or sell, buy, or offer or promise to buy or give, or promise, or allow to, or on behalf of, the insured or prospective insured in any manner whatsoever:

(1) Any shares of stock or other securities issued or at any time to be issued on any interest therein or rights thereto; or

(2) Any special advisory board contract, or other contract, agreement, or understanding of any kind, offering, providing for, or promising any profits or special returns or special dividends; or

(3) Any prizes, goods, wares, or merchandise of an aggregate value in excess of twenty-five dollars.

This section shall not be deemed to prohibit the sale or purchase of securities as a condition to or in connection with surety insurance insuring the performance of an obligation as part of a plan of financing found by the commissioner to be designed and operated in good faith primarily for the purpose of such financing, nor shall it be deemed to prohibit the sale of redeemable securities of a registered investment company in the same transaction in which life insurance is sold. [1990 1st ex.s. c 3 § 9; 1975-’76 2nd ex.s. c 119 § 4; 1957 c 193 § 18; 1947 c 79 § .30.15; Rem. Supp. 1947 § 45.30.15.]
48.30.155 Life or disability insurers—Insurance as inducement to purchase of goods, etc. No life or disability insurer shall directly or indirectly participate in any plan to offer or effect any kind or kinds of insurance in this state as an inducement to the purchase by the public of any goods, securities, commodities, services or subscriptions to publications. This section shall not apply to group or blanket insurance issued pursuant to this code. [1957 c 193 § 19.]

48.30.157 Charges for extra services. Notwithstanding the provisions of RCW 48.30.140, 48.30.150, and 48.30.155, the commissioner may permit an agent or broker to enter into reasonable arrangements with insureds and prospective insureds to charge a reduced fee in situations where services that are charged for are provided beyond the scope of services customarily provided in connection with the solicitation and procurement of insurance, so that an overall charge to an insured or prospective insured is reasonable taking into account receipt of commissions and fees and their relation, proportionally, to the value of the total work performed. [1988 c 248 § 17; 1983 c 3 § 154; 1979 ex.s. c 199 § 10.]

48.30.170 Rebate—Acceptance prohibited. (1) No insured person shall receive or accept, directly or indirectly, any rebate of premium or part thereof, or any favor, advantage, share in dividends, or other benefits, or any valuable consideration or inducement not specified or provided for in the policy, or any commission on any insurance policy to which he is not lawfully entitled as a licensed agent, broker, or solicitor. The retention by the nominal policyholder in any group life insurance contract of any part of any dividend or reduction of premium thereon contrary to the provisions of RCW 48.24.260, shall be deemed the acceptance and receipt of a rebate and shall be punishable as provided by this code.

(2) The amount of insurance whereon the insured has so received or accepted any such rebate or any such commission, other than as to life or disability insurances, shall be reduced in the proportion that the amount or value of the rebate or commission bears to the premium for such insurance. In addition to such reduction of insurance, if any, any such insured shall be liable to a fine of not more than two hundred dollars. [1947 c 79 § .30.17; Rem. Supp. 1947 § 45.30.17.]

48.30.180 "Twisting" prohibited. No person shall by misrepresentations or by misleading comparisons, induce or tend to induce any insured to lapse, terminate, forfeit, surrender, retain, or convert any insurance policy. [1947 c 79 § .30.18; Rem. Supp. 1947 § 45.30.18.]

48.30.190 Illegal dealing in premiums. (1) No person shall wilfully collect any sum as premium for insurance, which insurance is not then provided or is not in due course to be provided by an insurance policy issued by an insurer as authorized by this code.

(2) No person shall wilfully collect as premium for insurance any sum in excess of the amount actually expended or in due course is to be expended for insurance applicable to the subject on account of which the premium was collected.

(3) No person shall wilfully or knowingly fail to return to the person entitled thereto within a reasonable length of time any sum collected as premium for insurance in excess of the amount actually expended for insurance applicable to the subject on account of which the premium was collected.

(4) Each violation of this section which does not amount to a felony shall constitute a misdemeanor. [1947 c 79 § .30.19; Rem. Supp. 1947 § 45.30.19.]

48.30.200 Hypothecation of premium notes. It shall be unlawful for any insurer or its representative, or any agent or broker, to hypothecate, sell, or dispose of any promissory note, received in payment for any premium or part thereof on any contract of life insurance or of disability insurance applied for, prior to delivery of the policy to the applicant. [1947 c 79 § .30.20; Rem. Supp. 1947 § 45.30.20.]

48.30.210 Misrepresentation in application for insurance. Any agent, solicitor, broker, examining physician or other person who makes a false or fraudulent statement or representation in or relative to an application for insurance in an insurer transacting insurance under the provisions of this code, shall be guilty of a misdemeanor, and the license of any such agent, solicitor, or broker who makes such a statement or representation may be revoked. [1990 1st ex.s. c 3 § 10; 1947 c 79 § .30.21; Rem. Supp. 1947 § 45.30.21.]

48.30.220 Wilful destruction, injury, secretion, etc., of property. Any person, who, with intent to defraud or prejudice the insurer thereof, wilfully burns or in any manner injures, destroys, secretes, abandons, or disposes of any property which is insured at the time against loss or damage by fire, theft, or embezzlement, or by any other casualty, whether the same be the property of or in the possession of such person or any other person, under such circumstances not making the offense arson, is guilty of a felony. [1965 ex.s. c 70 § 25; 1947 c 79 § .30.22; Rem. Supp. 1947 § 45.30.22.]

48.30.230 False claims or proof—Penalty. Any person, who, knowing it to be such:

(1) Presents, or causes to be presented, a false or fraudulent claim, or any proof in support of such a claim, for the payment of a loss under a contract of insurance; or

(2) Prepares, makes, or subscribes any false or fraudulent account, certificate, affidavit, or proof of loss, or other document or writing, with intent that it be presented or used in support of such a claim, is guilty of a gross misdemeanor, or if such claim is in excess of one thousand five hundred dollars, of a class C felony. [1990 1st ex.s. c 3 § 11; 1947 c 79 § .30.23; Rem. Supp. 1947 § 45.30.23.]

Title 48 RCW: Insurance

him to be proper and adequate to cover the class of risk insured, shall have its certificate of authority to do business in this state suspended until such time as the commissioner is satisfied that it is charging a proper rate of premium.

(2) Any insurer which has precipitated, or aided in precipitating or conducting a rate war for the purpose of punishing or eliminating competitors or stifling competition, or demoralizing the business, or for any other purpose, and has ordered the cancellation or rewriting of policies at a rate lower than that provided by its rating schedules where such rate war is not in operation, and has paid or attempted to pay to the insured any return premiums, on any risk so to be rewritten, on which its agent has received or is entitled to receive his regular commission, such insurer shall not be allowed to charge back to such agent any portion of his commission on the ground that the same has not been earned. [1947 c 79 § .30.24; Rem. Supp. 1947 § 45.30.24.]

48.30.250 Interlocking ownership, management. (1) Any insurer may retain, invest in or acquire the whole or any part of the capital stock of any other insurer or insurers, or have a common management with any other insurer or insurers, unless such retention, investment, acquisition or common management is inconsistent with any other provision of this title, or unless by reason thereof the business of such insurers with the public is conducted in a manner which substantially lessens competition generally in the insurance business or tends to create a monopoly therein.

(2) Any person otherwise qualified may be a director of two or more insurers which are competitors, unless the effect thereof is to substantially lessen competition between insurers generally or tends to create a monopoly.

(3) If the commissioner finds, after a hearing thereon, that there is violation of this section he shall order all such persons and insurers to cease and desist from such violation within such time, or extension thereof, as may be specified in such order. [1949 c 190 § 34; Rem. Supp. 1949 § 45.30.25.]

48.30.260 Right of debtor or borrower to select agent, broker, insurer. (1) Every debtor or borrower, when property insurance of any kind is required in connection with the debt or loan, shall have reasonable opportunity and choice in the selection of the agent, broker, and insurer through whom such insurance is to be placed; but only if the insurance is properly provided for the protection of the creditor or lender, whether by policy or binder, not later than at commencement of risk as to such property as respects such creditor or lender, and in the case of renewal of insurance, only if the renewal policy, or a proper binder therefor containing a brief description of the coverage bound and the identity of the insurer in which the coverage is bound, is delivered to the creditor or lender not later than thirty days prior to the renewal date.

(2) Every person who lends money or extends credit and who solicits insurance on real and personal property must explain to the borrower in prominently displayed writing that the insurance related to such loan or credit extension may be purchased from an insurer or agent of the borrower's choice, subject only to the lender's right to reject a given insurer or agent as provided in subsection (3)(b) of this section.

(3) No person who lends money or extends credit may:
(a) Solicit insurance for the protection of property, after a person indicates interest in securing a loan or credit extension, until such person has received a commitment from the lender as to a loan or credit extension;
(b) Unreasonably reject a contract of insurance furnished by the borrower for the protection of the property securing the credit or lien. A rejection shall not be deemed unreasonable if it is based on reasonable standards, uniformly applied, relating to the extent of coverage required and the financial soundness and the services of an insurer. Such standards shall not discriminate against any particular type of insurer, nor shall such standards call for rejection of an insurance contract because the contract contains coverage in addition to that required in the credit transaction;
(c) Require that any borrower, mortgagor, purchaser, insurer, broker, or agent pay a separate charge, in connection with the handling of any contract of insurance required as security for a loan, or pay a separate charge to substitute the insurance policy of one insurer for that of another. This subsection does not include the interest which may be charged on premium loans or premium advancements in accordance with the terms of the loan or credit document;
(d) Use or disclose, without the prior written consent of the borrower, mortgagor, or purchaser taken at a time other than the making of the loan or extension of credit, information relative to a contract of insurance which is required by the credit transaction, for the purpose of replacing such insurance;
(e) Require any procedures or conditions of duly licensed agents, brokers, or insurers not customarily required of those agents, brokers, or insurers affiliated or in any way connected with the person who lends money or extends credit; or
(f) Require property insurance in an amount in excess of the amount which could reasonably be expected to be paid under the policy, or combination of policies, in the event of a loss.

(4) Nothing contained in this section shall prevent a person who lends money or extends credit from placing insurance on real or personal property in the event the mortgagor, borrower, or purchaser has failed to provide required insurance in accordance with the terms of the loan or credit document.

(5) Nothing contained in this section shall apply to credit life or credit disability insurance. [1990 1st ex.s. c 3 § 13; 1988 c 248 § 18; 1984 c 6 § 2; 1977 c 61 § 1; 1957 c 193 § 20.]

the surety bonds or contracts of insurance specified in connection with such contract, or specified by any law, general, special or local, from a particular insurer or agent or broker.

(2) No such officer or employee or any person, acting or purporting to act on behalf of such officer or employee shall negotiate, make application for, obtain or procure any of such surety bonds or contracts of insurance, except contracts of insurance for builder's risk or owner's protective liability, which can be obtained or procured by the bidder, contractor or subcontractor.

(3) This section shall not be construed to prevent the exercise by such officer or employee on behalf of the state or such public agency, public authority, or public corporation of its right to approve the form, sufficiency or manner or execution of the surety bonds or contracts of insurance furnished by the insurer selected by the bidder to underwrite such bonds, or contracts of insurance.

(4) Any provisions in any invitation for bids, or in any of the contract documents, in conflict with this section are declared to be contrary to the public policy of this state.

(5) A violation of this section shall be subject to the penalties provided by RCW 48.01.080.

(6) This section shall not apply to the public nonprofit corporation authorized under RCW 67.40.020. [1983 2nd ex.s. c 1 § 6; 1967 ex.s. c 12 § 3.]

State convention and trade center—Corporation exempt: RCW 67.40.020.

48.30.300 Unfair discrimination based upon sex, marital status, sensory, mental, or physical handicap prohibited. No person or entity engaged in the business of insurance in this state shall refuse to issue any contract of insurance or cancel or decline to renew such contract because of the sex or marital status, or the presence of any sensory, mental, or physical handicap of the insured or prospective insured. The amount of benefits payable, or any term, rate, condition, or type of coverage shall not be restricted, modified, excluded, increased or reduced on the basis of the sex or marital status, or be restricted, modified, excluded or reduced on the basis of the presence of any sensory, mental, or physical handicap of the insured or prospective insured. These provisions shall not prohibit fair discrimination on the basis of sex, or marital status, or the presence of any sensory, mental, or physical handicap when bona fide statistical differences in risk or exposure have been substantiated. [1979 c 133 § 1.]

Every authorized insurer, upon canceling, denying, or refusing to renew any individual life, individual disability, homeowner, dwelling fire, or private passenger automobile insurance policy, shall, upon written request, directly notify in writing the applicant or insured, as the case may be, of the reasons for the action by the insurer. Any benefits, terms, rates, or conditions of such an insurance contract which are restricted, excluded, modified, increased, or reduced because of the presence of a sensory, mental, or physical handicap shall, upon written request, be set forth in writing and supplied to the insured. The written communications required by this section shall be phrased in simple language which is readily understandable to a person of average intelligence, education, and reading ability. [1979 c 133 § 1.]

(1992 Ed.)
48.31.010 Merger or consolidation. (1) Subject to the provisions of RCW 48.08.080, relating to the mutualization of stock insurers, RCW 48.09.350, relating to the conversion or reinsurance of mutual insurers, and RCW 48.10.330, relating to the consolidation or conversion of reciprocal insurers, a domestic insurer may merge or consolidate with another insurer, subject to the following conditions:

(a) The plan of merger or consolidation must be submitted to and be approved by the commissioner in advance of the merger or consolidation.

(b) The commissioner shall not approve any such plan unless, after a hearing, pursuant to such notice as the commissioner may require, he finds that it is fair, equitable, consistent with law, and that no reasonable objection exists. If the commissioner fails to approve the plan, he shall state his reasons for such failure in his order made on such hearing. The insurers involved in the merger shall bear the expense of the mailing of the notice of hearing and of the order on hearing.

(c) No director, officer, member, or subscriber of any such insurer, except as is expressly provided by the plan of merger or consolidation, shall receive any fee, commission, other compensation or valuable consideration whatsoever, for in any manner aiding, promoting or assisting in the merger or consolidation.

(d) Any merger or consolidation as to an incorporated domestic insurer shall in other respects be governed by the general laws of this state relating to business corporations. Except, that as to domestic mutual insurers, approval by two-thirds of its members who vote thereon pursuant to such notice and procedure as was approved by the commissioner shall constitute approval of the merger or consolidation as respects the insurer’s members.

(2) Reinsurance of all or substantially all of the insurance in force of a domestic insurer by another insurer shall be deemed a consolidation for the purposes of this section. [1973 1st ex.s. c 107 § 3; 1961 c 194 § 11; 1947 c 79 § .31.01; Rem. Supp. 1947 § 45.31.01.]

48.31.020 "Insurer"—Scope of term. For the purposes of this chapter, other than as to RCW 48.31.010, and in addition to persons included under RCW 48.31.110, the term "insurer" shall be deemed to include an insurer authorized under chapter 48.05 RCW, a health care service contractor registered under chapter 48.44 RCW, and a health maintenance organization registered under chapter 48.46 RCW, as well as all persons engaged as, or purporting to be engaged as insurers, health care service contractors, or health maintenance organizations in this state, and to persons in process of organization to become insurers, health care service contractors, or health maintenance organizations. [1989 c 151 § 1; 1947 c 79 § .31.02; Rem. Supp. 1947 § 45.31.02.]

48.31.030 Rehabilitation—Grounds. The commissioner may apply for an order directing him to rehabilitate a domestic insurer upon one or more of the following grounds:

That the insurer

(1) Is insolvent; or

(2) Has refused to submit its books, records, accounts or affairs to the reasonable examination of the commissioner; or

(3) Has failed to comply with the commissioner's order, made pursuant to law, to make good an impairment of capital (if a stock insurer) or an impairment of assets (if a mutual or reciprocal insurer) within the time prescribed by law; or

(4) Has transferred or attempted to transfer substantially its entire property or business, or has entered into any transaction the effect of which is to merge substantially its entire property or business in that of any other insurer without first having obtained the written approval of the commissioner; or

(5) Is found, after examination, to be in such condition that its further transaction of business will be hazardous to its policyholders, or to its creditors, or to its members, subscribers, or stockholders, or to the public; or

(6) Has willfully violated its charter or any law of this state; or

(7) Has an officer, director, or manager who has refused to be examined under oath, concerning its affairs, for which purpose the commissioner is authorized to conduct and to enforce by all appropriate and available means any such examination under oath in any other state or territory of the United States, in which any such officer, director or manager may then presently be, to the full extent permitted by the laws of any such other state or territory, this special authorization considered; or

(8) Has been the subject of an application for the appointment of a receiver, trustee, custodian or sequestrator of the insurer or of its property, or if a receiver, trustee, custodian, or sequestrator is appointed by a federal court or if such appointment is imminent; or

(3) The commissioner, or any interested person upon due notice to the commissioner, at any time may apply for an order terminating the rehabilitation proceeding and permitting the insurer to resume possession of its property and the conduct of its business, but no such order shall be granted except when, after a full hearing, the court has determined that the purposes of the proceedings have been fully accomplished. (2) The commissioner may apply under this chapter for an order dissolving the corporate existence of a domestic insurer:

(a) Upon his application for an order of liquidation of such insurer, or at any time after such order has been granted; or

(b) Upon the grounds specified in item (3) of RCW 48.31.050, regardless of whether an order of liquidation is sought or has been obtained. [1947 c 79 § .31.06; Rem. Supp. 1947 § 45.31.06.]

48.31.070 Liquidation—Alien insurers. An order to liquidate the business of the United States branch of an alien insurer having trusteed assets in this state shall be in the same terms as those prescribed for domestic insurers, except that only the assets of the business of such United States branch shall be included therein. [1947 c 79 § .31.07; Rem. Supp. 1947 § 45.31.07.]

48.31.080 Conservation of assets—Foreign insurers. The commissioner may apply for an order directing him to conserve the assets within this state of a foreign insurer upon any one or more of the following grounds:

(2) That its property has been sequestrated in its domiciliary sovereignty or in any other sovereignty. [1947 c 79 § .31.08; Rem. Supp. 1947 § 45.31.08.]

48.31.090 Conservation of assets—Alien insurers. The commissioner may apply for an order directing him to conserve the assets within this state of an alien insurer upon any one or more of the following grounds:

(2) That the insurer has failed to comply, within the time designated by the commissioner, with an order of the commissioner pursuant to law to make good an impairment of its trusteed funds; or

(3) That the property of the insurer has been sequestrated in its domiciliary sovereignty or elsewhere. [1947 c 79 § .31.09; Rem. Supp. 1947 § 45.31.09.]

48.31.100 Foreign insurers—Conservation, ancillary proceedings. (1) An order to conserve the assets of a foreign or alien insurer shall direct the commissioner forthwith to take possession of the property of the insurer within this state and to conserve it, subject to the further direction of the court.

(2) Whenever a domiciliary receiver is appointed for any such insurer in its domiciliary state which is also a reciprocal state, as defined in RCW 48.31.110, the court shall upon application of the commissioner appoint the commissioner as the ancillary receiver in this state, subject to the provisions of the uniform insurers liquidation act. [1947 c 79 § .31.10; Rem. Supp. 1947 § 45.31.10.]

48.31.110 Uniform insurers liquidation act. This section and RCW 48.31.120 to 48.31.180, inclusive, comprise and may be cited as the uniform insurers liquidation act. For the purposes of this act:

(1) "Insurer" means any person, firm, corporation, association, or aggregation of persons doing an insurance business and subject to the insurance supervisory authority of, or to liquidation, rehabilitation, reorganization, or
conservation by, the commissioner, or the equivalent insurance supervisory official of another state.

(2) "Delinquency proceeding" means any proceeding commenced against an insurer for the purpose of liquidating, rehabilitating, reorganizing, or conserving such insurer.

(3) "State" means any state of the United States, and also the District of Columbia and Puerto Rico.

(4) "Foreign country" means territory not in any state.

(5) "Domiciliary state" means the state in which an insurer is incorporated or organized, or, in the case of an insurer incorporated or organized in a foreign country, the state in which such insurer, having become authorized to do business in such state, has, at the commencement of delinquency proceedings, the largest amount of its assets held in trust and assets held on deposit for the benefit of its policyholders or policyholders and creditors in the United States; and any such insurer is deemed to be domiciled in such state.

(6) "Ancillary state" means any state other than a domiciliary state.

(7) "Reciprocal state" means any state other than this state in which in substance and effect the provisions of this act are in force, including the provisions requiring that the insurance commissioner or equivalent insurance supervisory official be the receiver of a delinquent insurer.

(8) "General assets" means all property, real, personal, or otherwise, not specifically mortgaged, pledged, deposited, or otherwise encumbered for the security or benefit of specified persons or a limited class or classes of persons, and as to such specifically encumbered property the term includes all such property or its proceeds in excess of the amount necessary to discharge the sum or sums secured thereby. Assets held in trust and assets held on deposit for the security or benefit of all policyholders, or all policyholders and creditors in the United States, shall be deemed general assets.

(9) "Preferred claim" means any claim with respect to which the law of a state or of the United States accords priority of payment from the general assets of the insurer.

(10) "Special deposit claim" means any claim secured by a deposit made pursuant to statute for the security or benefit of a limited class or classes of persons, but not including any general assets.

(11) "Secured claim" means any claim secured by mortgage, trust, deed, pledge, deposit as security, escrow, or otherwise, but not including special deposit claims or claims against general assets. The term also includes claims which more than four months prior to the commencement of delinquency proceedings in the state of the insurer's domicile have become liens upon specific assets by reason of judicial process.

(12) "Receiver" means receiver, liquidator, rehabilitator, or conservator as the context may require. [1961 c 194 § 12; 1947 c 79 § .31.11; Rem. Supp. 1947 § 45.31.11.]

48.31.120 Delinquency proceedings—Domestic insurers. (1) Whenever under the laws of this state an ancillary receiver is to be appointed in delinquency proceedings for an insurer domiciled in this state, the court shall appoint the commissioner as such receiver. The court shall direct the commissioner forthwith to take possession of the assets of the insurer and to administer the same under the orders of the court.

(2) As domiciliary receiver the commissioner shall be vested by operation of law with the title to all of the property, contracts, and rights of action, and all of the books and records of the insurer wherever located, as of the date of entry of the order directing him to rehabilitate or liquidate a domestic insurer, or to liquidate the United States branch of an alien insurer domiciled in this state, and he shall have the right to recover the same and reduce the same to possession; except that ancillary receivers in reciprocal states shall have, as to assets located in their respective states, the rights and powers which are hereinafter prescribed for ancillary receivers appointed in this state as to assets located in this state.

(3) The filing or recording of the order directing possession to be taken, or a certified copy thereof, in the office where instruments affecting title to property are required to be filed or recorded shall impart the same notice as would be imparted by a deed, bill of sale, or other evidence of title duly filed or recorded.

(4) The commissioner as domiciliary receiver shall be responsible on his official bond for the proper administration of all assets coming into his possession or control. The court may at any time require an additional bond from him or his deputies if deemed desirable for the protection of the assets.

(5) Upon taking possession of the assets of an insurer the domiciliary receiver shall, subject to the direction of the court, immediately proceed to conduct the business of the insurer or to take such steps as are authorized by the laws of this state for the purpose of liquidating, rehabilitating, reorganizing, or conserving the affairs of the insurer.

(6) In connection with delinquency proceedings the commissioner may appoint one or more special deputy commissioners to act for him, and may employ such counsel, clerks, and assistants as he deems necessary. The compensation of the special deputies, counsel, clerks, or assistants and all expenses of taking possession of the insurer and of conducting the proceedings shall be fixed by the receiver, subject to the approval of the court, and shall be paid out of the funds or assets of the insurer. Within the limits of the duties imposed upon them special deputies shall possess all the powers given to, and, in the exercise of those powers, shall be subject to all of the duties imposed upon the receiver with respect to such proceedings. [1947 c 79 § .31.12; Rem. Supp. 1947 § 45.31.12.]

48.31.130 Delinquency proceedings—Foreign insurers. (1) Whenever under the laws of this state an ancillary receiver is to be appointed in delinquency proceedings for an insurer not domiciled in this state, the court shall appoint the commissioner as ancillary receiver. The commissioner shall file a petition requesting the appointment (a) if he finds that there are sufficient assets of such insurer located in this state to justify the appointment of an ancillary receiver, or (b) if ten or more persons resident in this state having claims against such insurer file a petition with the commissioner requesting the appointment of such ancillary receiver.

[Title 48 RCW—page 142] (1992 Ed.)
(2) The domiciliary receiver for the purpose of liquidating an insurer domiciled in a reciprocal state, shall be vested by operation of law with the title to all of the property, contracts, and rights of action, and all of the books and records of the insurer located in this state, and he shall have the immediate right to recover balances due from local agents and to obtain possession of any books and records of the insurer found in this state. He shall also be entitled to recover the other assets of the insurer located in this state except that upon the appointment of an ancillary receiver in this state, the ancillary receiver shall during the ancillary receivership proceedings have the sole right to recover such other assets. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this state, and shall pay the necessary expenses of the proceedings. All remaining assets he shall promptly transfer to the domiciliary receiver. Subject to the foregoing provisions the ancillary receiver and his deputies shall have the same powers and be subject to the same duties with respect to the administration of such assets, as a receiver of an insurer domiciled in this state.

(3) The domiciliary receiver of an insurer domiciled in a reciprocal state may sue in this state to recover any assets of such insurer to which he may be entitled under the laws of this state. [1947 c 79 § .31.13; Rem. Supp. 1947 § 45.31.13.]

48.31.140 Claims of nonresidents against domestic insurer. (1) In a delinquency proceeding begun in this state against an insurer domiciled in this state, claimants residing in reciprocal states may file claims either with the ancillary receivers, if any, in their respective states, or with the domiciliary receiver. All such claims must be filed on or before the last date fixed for the filing of claims in the domiciliary delinquency proceedings.

(2) Controverted claims belonging to claimants residing in reciprocal states may either (a) be proved in this state as provided by the law of that state, or (b), if ancillary proceedings have been commenced in this state, be proved in those proceedings. In the event that any such claimant elects to prove his claim in this state, he shall file his claim with the ancillary receiver in the manner provided by the law of this state for the proving of claims against insurers domiciled in this state, and he shall give notice in writing to the receiver in the domiciliary state, either by registered mail or by personal service at least forty days prior to the date set for hearing. The notice shall contain a concise statement of the amount of the claim, the facts on which the claim is based, and the priorities asserted, if any. If the domiciliary receiver, within thirty days after the giving of such notice, shall give notice in writing to the ancillary receiver and to the claimant, either by registered mail or by personal service, of his intention to contest such claim, he shall be entitled to appear or to be represented in any proceeding in this state involving the adjudication of the claim. The final allowance of the claim by the courts of this state shall be accepted as conclusive as to its amount, and shall also be accepted as conclusive as to its priority, if any, against special deposits or other security located within this state. [1947 c 79 § .31.15; Rem. Supp. 1947 § 45.31.15.]

48.31.160 Priority of certain claims. (1) In a delinquency proceeding against an insurer domiciled in this state, claims owing to residents of ancillary states shall be preferred claims if like claims are preferred under the laws of this state. All such claims whether owing to residents or nonresidents shall be given equal priority of payment from general assets regardless of where such assets are located.

(2) In a delinquency proceeding against an insurer domiciled in a reciprocal state, claims owing to residents of this state shall be preferred if like claims are preferred by the laws of that state.

(3) The owners of special deposit claims against an insurer for which a receiver is appointed in this or any other state shall be given priority against their several special deposits in accordance with the provisions of the statutes governing the creation and maintenance of such deposits. If there is a deficiency in any such deposit so that the claims secured thereby are not fully discharged therefrom, the claimants may share in the general assets, but such sharing shall be deferred until general creditors, and also claimants against other special deposits who have received smaller percentages from their respective special deposits, have been paid percentages of their claims equal to the percentage paid from the special deposit.

(4) The owner of a secured claim against an insurer for which a receiver has been appointed in this or any other state may surrender his security and file his claim as a general creditor, or the claim may be discharged by resort to the security, in which case the deficiency, if any, shall be treated as a claim against the general assets of the insurer on the same basis as claims of unsecured creditors. If the amount of the deficiency has been adjudicated in ancillary proceedings as provided in this act, or if it has been adjudicated by a court of competent jurisdiction in proceedings in which the domiciliary receiver has had notice and opportunity-
ty to be heard, such amount shall be conclusive; otherwise the amount shall be determined in the delinquency proceeding in the domiciliary state. [1947 c 79 § 31.16; Rem. Supp. 1947 § 45.31.16.]

48.31.170 Attachment, garnishment, execution stayed. During the pendency of delinquency proceedings in this or any reciprocal state no action or proceeding in the nature of an attachment, garnishment, or execution shall be commenced or maintained in the courts of this state against the delinquent insurer or its assets. Any lien obtained by any such action or proceeding within four months prior to the commencement of any such delinquency proceeding or at any time thereafter shall be void as against any rights arising in such delinquency proceeding. [1947 c 79 § 31.17; Rem. Supp. 1947 § 45.31.17.]

48.31.180 Severability—Uniformity of interpretation. (1) If any provision of this act or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

(2) This uniform insurers liquidation act shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those states that enact it. To the extent that its provisions, when applicable, conflict with other provisions of this chapter, the provisions of this act shall control. [1947 c 79 § 31.18; Rem. Supp. 1947 § 45.31.18.]

48.31.185 Receiver's proposal to disperse assets upon liquidation—Application for approval—Contents of proposal—Notice of application. (1) Within one hundred twenty days of a final determination of insolventcy of an insurer and order of liquidation by a court of competent jurisdiction of this state, the receiver shall make application to the court for approval of a proposal to disperse assets out of such insurer’s marshalled assets from time to time as such assets become available to the Washington Insurance Guaranty Association and the Washington Life and Disability Insurance Guaranty Association and to any entity or person performing a similar function in another state. (The Washington Insurance Guaranty Association and the Washington Life and Disability Insurance Guaranty Association and any entity or person performing a similar function in other states shall in this section be referred to collectively as the "associations").

(2) Such proposal shall at least include provisions for:

(a) Reserving amounts for the payment of claims falling within the priorities established in RCW 48.31.280 (2)(a), (b), and (c) as now or hereafter amended;

(b) Disbursement of the assets marshalled to date and subsequent disbursements of assets as they become available;

(c) Equitable allocation of disbursements to each of the associations entitled thereto;

(d) The securing by the receiver from each of the associations entitled to disbursements pursuant to this section an agreement to return to the receiver such assets previously disbursed as may be required to pay claims of secured creditors and claims falling within the priorities established in RCW 48.31.280 as now or hereafter amended in accordance with such priorities. No bond shall be required of any such association; and

(e) A full report to be made by the association to the receiver accounting for all assets so disbursed to the association, all disbursements made therefrom, any interest earned by the association on such assets, and any other matters as the court may direct.

(3) The receiver’s proposal shall provide for disbursements to the associations in amounts estimated at least equal to the claim payments made or to be made thereby for which such associations could assert a claim against the receiver, and shall further provide that if the assets available for disbursement from time to time do not equal or exceed the amount of such claim payments made or to be made by the associations then disbursements shall be in the amount of available assets.

(4) The receiver’s proposal shall, with respect to an insolvent insurer writing life insurance, disability insurance, or annuities, provide for disbursements of assets to the Washington Life and Disability Insurance Guaranty Association or to any other entity or organization reinsuring, assuming, or guaranteeing policies or contracts of insurance under the provisions of the Washington Life and Disability Insurance Guaranty Association Act.

(5) Notice of such application shall be given to the associations in and to the commissioners of insurance of each of the states. Any such notice shall be deemed to have been given when deposited in the United States certified mails, first class postage prepaid, at least thirty days prior to submission of such application to the court. [1975-'76 2nd ex.s. c 109 § 10.]

48.31.190 Commencement of proceeding—Venue—Effect of appellate review. (1) Proceedings under this chapter involving a domestic insurer shall be commenced in the superior court for the county in which is located the insurer’s home office. Proceedings under this chapter involving other insurers shall be commenced in the superior court for Thurston county.

(2) The commissioner shall commence any such proceeding, attorney general representing him, by an application to the court or to any judge thereof, for an order directing the insurer to show cause why the commissioner should not have the relief prayed for.

(3) Upon a showing of an emergency or threat of imminent loss to policyholders of the insurer the court may issue an ex parte order authorizing the commissioner immediately to take over the premises and assets of the insurer, the commissioner then to preserve the status quo, pending a hearing on the order to show cause, which shall be heard as soon as the court calendar permits in preference to other civil cases.

(4) In response to any order to show cause issued under this chapter the insurer shall have the burden of going forward with and producing evidence to show why the relief prayed for by the commissioner is not required.

(5) On the return of such order to show cause, and after a full hearing, the court shall either deny the relief sought in the application or grant the relief sought in the application
together with such other relief as the nature of the case and the interest of policyholders, creditors, stockholders, members, subscribers, or the public may require.

(6) No appellate review of a superior court order, entered after a hearing, granting the commissioner's petition to rehabilitate an insurer or to carry out an insolvency proceeding under this chapter, shall stay the action of the commissioner in the discharge of his responsibilities under this chapter, pending a decision by the appellate court in the matter.

(7) In any proceeding under this chapter the commissioner and his deputies shall be responsible on their official bonds for the faithful performance of their duties. If the court deems it desirable for the protection of the assets, it may at any time require an additional bond from the commissioner or his deputies. [1988 c 202 § 46; 1969 ex.s. c 241 § 13; 1967 c 150 § 31; 1947 c 79 § .31.19; Rem. Supp. 1947 § 45.31.19.]

48.31.200 Injunctions. (1) Upon application by the commissioner for such an order to show cause or at any time thereafter, the court may without notice issue an injunction restraining the insurer, its officers, directors, stockholders, members, subscribers, agents, and all other persons from the transaction of its business or the waste or disposition of its property until the further order of the court.

(2) The court may at any time during a proceeding under this chapter issue such other injunctions or orders as may be deemed necessary to prevent interference with the commissioner or the proceeding, or waste of the assets of the insurer, or the commencement or prosecution of any actions, or the obtaining of preferences, judgments, attachments or other liens, or the making of any levy against the insurer or against its assets or any part thereof. [1947 c 79 § .31.20; Rem. Supp. 1947 § 45.31.20.]

48.31.210 Change of venue. At any time after the commencement of a proceeding under this chapter the commissioner may apply to the court for an order changing the venue of, and removing the proceeding to Thurston county, or to any other county of this state in which he deems that such proceeding may be most economically and efficiently conducted. [1947 c 79 § .31.21; Rem. Supp. 1947 § 45.31.21.]

48.31.220 Deposit of moneys collected. The moneys collected by the commissioner in a proceeding under this chapter, shall be, from time to time, deposited in one or more state or national banks, savings banks, or trust companies, and in the case of the insolvent or voluntary or involuntary liquidation of any such depositary which is an institution organized and supervised under the laws of this state, such deposits shall be entitled to priority of payment on an equality with any other priority given by the banking law of this state. The commissioner may in his discretion deposit such moneys or any part thereof in a national bank or trust company as a trust fund. [1947 c 79 § .31.22; Rem. Supp. 1947 § 45.31.22.]

48.31.230 Exemption from filing fees. The commissioner shall not be required to pay any fee to any public officer in this state for filing, recording, issuing a transcript or certificate, or authenticating any paper or instrument pertaining to the exercise by the commissioner of any of the powers or duties conferred upon him under this chapter, whether or not such paper or instrument be executed by the commissioner or his deputies, employees, or attorneys of record and whether or not it is connected with the commencement of an action or proceeding by or against the commissioner, or with the subsequent conduct of such action or proceeding. [1947 c 79 § .31.23; Rem. Supp. 1947 § 45.31.23.]

48.31.240 Borrowing on pledge of assets. For the purpose of facilitating the rehabilitation, liquidation, conservation or dissolution of an insurer pursuant to this chapter the commissioner may, subject to the approval of the court, borrow money and execute, acknowledge and deliver notes or other evidences of indebtedness therefor and secure the repayment of the same by the mortgage, pledge, assignment, transfer in trust, or hypothecation of any or all of the property whether real, personal or mixed of such insurer, and the commissioner, subject to the approval of the court, shall have power to take any and all other action necessary and proper to consummate any such loans and to provide for the repayment thereof. The commissioner shall be under no obligation personally or in his official capacity as commissioner to repay any loan made pursuant to this section. [1947 c 79 § .31.24; Rem. Supp. 1947 § 45.31.24.]

48.31.260 Liquidation—Date rights, liabilities fixed. The rights and liabilities of the insurer and of its creditors, policyholders, stockholders, members, subscribers, and all other persons interested in its estate shall, unless otherwise directed by the court, be fixed as of the date on which the order directing the liquidation of the insurer is filed in the office of the clerk of the court which made the order, subject to the provisions of RCW 48.31.300 with respect to the rights of claimants holding contingent claims. [1947 c 79 § .31.26; Rem. Supp. 1947 § 45.31.26.]

48.31.270 Voidable transfers. (1) Any transfer of, or lien upon, the property of an insurer which is made or created within four months prior to the granting of an order to show cause under this chapter with the intent of giving to any creditor or of enabling him to obtain a greater percentage of his debt than any other creditor of the same class and which is accepted by such creditor having reasonable cause to believe that such a preference will occur, shall be voidable.

(2) Every director, officer, employee, stockholder, member, subscriber, and any other person acting on behalf of such insurer who shall be concerned in any such act or deed and every person receiving thereby any property of such insurer or the benefit thereof shall be personally liable therefor and shall be bound to account to the commissioner.

(3) The commissioner as liquidator, rehabilitator or conservator in any proceeding under this chapter, may avoid any transfer of, or lien upon the property of an insurer which any creditor, stockholder, subscriber or member of such

(1) Compensation actually owing to employees other than officers of an insurer, for services rendered within three months prior to the commencement of a proceeding against the insurer under this chapter, but not exceeding three hundred dollars for each such employee, shall be paid prior to the payment of any other debt or claim, and in the discretion of the commissioner may be paid as soon as practicable after the proceeding has been commenced; except, that at all times the commissioner shall reserve such funds as will in his opinion be sufficient for the expenses of administration. Such priority shall be in lieu of any other similar priority which may be authorized by law as to the wages or compensation of such employees.

(2) The priorities of distribution in a liquidation proceeding shall be in the following order:

(a) Expenses of administration;

(b) Compensation of employees as provided in subsection (1) of this section;

(c) Federal, state, and local taxes;

(d) Claims arising out of the coverage of insurance policies issued by the insurer being liquidated for losses incurred, including:
   (i) Third party claims and claims for unearned premiums;
   (ii) Claims presented by the Washington Insurance Guaranty Association which represent "covered claims" as defined in RCW 48.32.030(4) and which have been paid by such association;

48.31.290 Offsets. (1) In all cases of mutual debts or mutual credits between the insurer and another person in connection with any action or proceeding under this chapter, such credits and debts shall be set off and the balance only shall be allowed or paid, except as provided in subsection (2) of this section.

(2) No offset shall be allowed in favor of any such person where (a) the obligation of the insurer to such person would not at the date of the entry of any liquidation order, or otherwise, as provided in RCW 48.31.260, entitle him to share as a claimant in the assets of the insurer, or (b) the obligation of the insurer to such person was purchased by or transferred to such person with a view of its being used as an offset, or (c) the obligation of such person is to pay an assessment levied against the members of a mutual insurer, or against the subscribers of a reciprocal insurer, or is to pay a balance upon a subscription to the capital stock of a stock insurer. [1947 c 79 § .31.29; Rem. Supp. 1947 § 45.31.29.]

48.31.300 Allowance of contingent and other claims. (1) No contingent claim shall share in a distribution of the assets of an insurer which has been adjudicated to be insolvent by an order made pursuant to RCW 48.31.310, except that such claims shall be considered, if properly presented, and may be allowed to share where:

(a) Such claim becomes absolute against the insurer on or before the last day fixed for filing of proofs of claim against the assets of such insurer, or

(b) there is a surplus and the liquidation is thereafter conducted upon the basis that such insurer is solvent.

(2) Where an insurer has been so adjudicated to be insolvent any person who has a cause of action against an insured of such insurer under a liability insurance policy issued by such insurer, shall have the right to file a claim in the liquidation proceeding, regardless of the fact that such claim may be contingent, and such claim may be allowed

(a) if it may be reasonably inferred from the proof presented upon such claim that such person would be able to obtain a judgment upon such cause of action against such insured; and

(b) if such person shall furnish suitable proof, unless the court for good cause shown shall otherwise direct, that no further valid claims against such insurer arising out of his cause of action other than those already presented can be made; and

(c) if the total liability of such insurer to all claimants arising out of the same act of its insured shall be no greater than its maximum liability would be were it not in liquidation.

No judgment against such an insured taken after the date of the entry of the liquidation order shall be considered in the liquidation proceedings as evidence of liability, or of the amount of damages, and no judgment against an insured taken by default, inquest or by collusion prior to the entry of the liquidation order shall be considered as conclusive evidence in the liquidation proceeding either of the liability of such insured to such person upon such cause of action or of the amount of damages to which such person is therein entitled.

(3) No claim of any secured claimant shall be allowed at a sum greater than the difference between the value of the claim without security and the value of the security itself as of the date of the entry of the order of liquidation or such other date set by the court for fixation of rights and liabilities as provided in RCW 48.31.260 unless the claimant shall surrender his security to the commissioner in which event the claim shall be allowed in the full amount for which it is valued. [1947 c 79 § .31.30; Rem. Supp. 1947 § 45.31.30.]

48.31.310 Time to file claims. (1) If upon the granting of an order of liquidation under this chapter or at any time thereafter during the liquidation proceeding, the insurer shall not be clearly solvent, the court shall after such notice and hearing as it deems proper, make an order declaring the insurer to be insolvent. Thereupon, regardless
of any prior notice which may have been given to creditors, the commissioner shall notify all persons who may have claims against such insurer and who have not filed proper proofs thereof, to present the same to him, at a place specified in such notice, within four months from the date of the entry of such order, or if the commissioner shall certify that it is necessary, within such longer time as the court shall prescribe. The last day for the filing of proofs of claim shall be specified in the notice. Such notice shall be given in a manner determined by the court.

(2) Proofs of claim may be filed subsequent to the date specified, but no such claim shall share in the distribution of the assets until all allowed claims, proofs of which have been filed before said date, have been paid in full with interest. [1947 c 79 § .31.31; Rem. Supp. 1947 § 45.31.31.]

48.31.320 Report for assessment. Within three years from the date an order of rehabilitation or liquidation of a domestic mutual insurer or a domestic reciprocal insurer was filed in the office of the clerk of the court by which such order was made, the commissioner may make a report to the court setting forth

(1) the reasonable value of the assets of the insurer;
(2) the insurer's probable liabilities; and
(3) the probable necessary assessment, if any, to pay all claims and expenses in full, including expenses of administration. [1947 c 79 § .31.32; Rem. Supp. 1947 § 45.31.32.]

48.31.330 Levy of assessment. (1) Upon the basis of the report provided for in RCW 48.31.320, including any amendments thereof, the court, ex parte, may levy one or more assessments against all members of such insurer who, as shown by the records of the insurer, were members (if a mutual insurer) or subscribers (if a reciprocal insurer) at any time within one year prior to the date of issuance of the order to show cause under RCW 48.31.190.

(2) Such assessment or assessments shall cover the excess of the probable liabilities over the reasonable value of the assets, together with the estimated cost of collection and percentage of uncollectibility thereof. The total of all assessments against any member or subscriber with respect to any policy, whether levied pursuant to this chapter or pursuant to any other provisions of this code, shall be for no greater amount than that specified in the policy or policies of the member or subscriber as limited under this code; except that if the court finds that the policy was issued at a rate of premium below the minimum rate lawfully permitted for the risk insured, the court may determine the upper limit of such assessment upon the basis of such minimum rate.

(3) No assessment shall be levied against any member or subscriber with respect to any nonassessable policy issued in accordance with this code. [1947 c 79 § .31.33; Rem. Supp. 1947 § 45.31.33.]

48.31.340 Order for payment of assessment. After levy of assessment as provided in RCW 48.31.330, upon the filing of a further detailed report by the commissioner, the court shall issue an order directing each member (if a mutual insurer) or each subscriber (if a reciprocal insurer) if he shall not pay the amount assessed against him to the commissioner on or before a day to be specified in the order, to show cause why he should not be held liable to pay such assessment together with costs as set forth in RCW 48.31.360 and why the commissioner should not have judgment therefor. [1947 c 79 § .31.34; Rem. Supp. 1947 § 45.31.34.]

48.31.350 Publication, transmittal of assessment order. The commissioner shall cause a notice of such assessment order setting forth a brief summary of the contents of such order to be:

(1) Published in such manner as shall be directed by the court; and
(2) Enclosed in a sealed envelope, addressed and mailed postage prepaid to each member or subscriber liable thereunder at his last known address as it appears on the records of the insurer, at least twenty days before the return day of the order to show cause provided for in RCW 48.31.340. [1947 c 79 § .31.35; Rem. Supp. 1947 § 45.31.35.]

48.31.360 Judgment upon the assessment. (1) On the return day of the order to show cause provided for in RCW 48.31.340 if the member or subscriber does not appear and serve verified objections upon the commissioner, the court shall make an order adjudging that such member or subscriber is liable for the amount of the assessment against him together with ten dollars costs, and that the commissioner may have judgment against the member or subscriber therefor.

(2) If on such return day the member or subscriber shall appear and serve verified objections upon the commissioner there shall be a full hearing before the court or a referee to hear and determine, who, after such hearing, shall make an order either negating the liability of the member or subscriber to pay the assessment or affirming his liability to pay the whole or some part thereof together with twenty-five dollars costs and the necessary disbursements incurred at such hearing, and directing that the commissioner in the latter case may have judgment therefor.

(3) A judgment upon any such order shall have the same force and effect, and may be entered and docketed, and may be appealed from as if it were a judgment in an original action brought in the court in which the proceeding is pending. [1947 c 79 § .31.36; Rem. Supp. 1947 § 45.31.36.]

Chapter 48.31A  Title 48 RCW: Insurance

48.31A.005 Purpose. The purpose of this chapter is to assure that the protections provided generally by the insurance code to policyholders, beneficiaries, claimants, and the insuring public are not dissipated or prejudiced by the fact that an insurer is or may become part of an insurance holding company system. [1983 c 46 § 1.]

48.31A.010 Definitions. As used in this chapter, unless the context otherwise requires:

(1) "Affiliate" of, or a person "affiliated" with, a specific person, shall mean a person who directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.

(2) "Control", including "controlling", "controlled by", and "under common control with", shall mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is solely the result of an official position with or a corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by showing that control does not exist in fact.

(3) "Insurance holding company system" shall consist of two or more affiliated persons, one or more of which is an insurer.

(4) "Insurer" shall have the same meaning given it in RCW 48.01.050.

(5) "Person" shall mean an individual, a corporation, a partnership, an association, a joint stock company, a business trust, an unincorporated organization, any similar entity or any combination of the foregoing acting in concert.

(6) "Subsidiary" of a specified person shall mean an affiliate controlled by such person directly, or indirectly through one or more intermediaries.

48.31A.020 Exchanging or acquiring voting securities resulting in control of domestic insurer, requirements for. No person other than the issuer or an affiliate of the issuer shall exchange shares or any security convertible into a voting security of a domestic insurer or of any other person controlling a domestic insurer if, as a result of the consummation thereof, that person would directly or indirectly, acquire actual control of the insurer unless:

(1) Such person has filed with the commissioner a statement containing such of the following information, and such additional information as the commissioner may by rule or regulation prescribe as necessary or appropriate in the public interest or for the protection of policyholders:
   (a) The background and identity of all persons by whom or on whose behalf the purchases or the exchange, merger, or other acquisition of control are to be effected;
   (b) The source and amount of the funds or other consideration used or to be used in making the purchases or in effecting the exchange, merger or other acquisition of control, and, if any part of such funds or other consideration has been or is to be borrowed or otherwise obtained for the purpose of making the purchases or effecting the exchange, merger, or other acquisition of control, a description of the transaction and the names of the parties thereto;
   (c) Any plans or proposals which such persons may have to liquidate such insurer, to sell its assets or merge it with any person, or to make any other major change in its business or corporate structure or management;
   (d) The amount of each class of voting securities, or securities which may be converted into voting securities, of such insurer or such controlling person, which are beneficially owned, and the amount of each class of voting securities or securities which may be converted into voting securities of such insurer or such controlling person concerning which there is a right to acquire beneficial ownership, by each such person and by each such affiliate;
   (e) Information as to any contracts, arrangements or understandings with any person with respect to any securities of such insurer, including but not limited to transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies, naming the persons with whom such contracts, arrangements or understandings have been entered into, and giving the details thereof; and
   (f) A copy of any such agreement, and any amendments thereto, to exchange or otherwise acquire securities or to merge with or otherwise to acquire control of such insurer;

(2) The exchange or acquisition has been approved by the commissioner in the manner prescribed by RCW 43.31A.050 [48.31A.050]. [1985 c 55 § 1; 1983 c 46 § 2; 1971 ex.s. c 13 § 4.]
48.31A.030 Tender offers, request or agreement to acquire voting securities resulting in control of domestic insurer—Filings with commissioner required—Copy to issuer of securities. All requests or invitations for tenders or advertisements making a tender offer or requesting or inviting tenders of such voting securities for actual control of a domestic insurer made by or on behalf of any such person shall contain such of the information specified in RCW 48.31A.020 as the commissioner may prescribe, and shall be filed with the commissioner, and a copy delivered to the issuer of the voting securities, at least five business days prior to the time such material is first published or sent or given to security holders. Copies of any additional material soliciting or requesting such tender offers subsequent to the initial solicitation or request shall contain such information as the commissioner may prescribe as necessary or appropriate in the public interest or for the protection of policyholders and shall be filed with the commissioner, and a copy delivered to the issuer of the voting securities, at least five business days prior to the time copies of such material are first published or sent or given to security holders. [1983 c 46 § 3; 1971 ex.s. c 13 § 5.]

48.31A.040 Tender offers, request or agreement to acquire voting securities which result in control of domestic insurer—Information may be required of partners, officers, directors and owners. If the person required to file the statement referred to in RCW 48.31A.020 is a partnership, limited partnership, syndicate or other group, the commissioner may require that the information called for by RCW 48.31A.020 shall be given with respect to each partner of such partnership or limited partnership, each member of such syndicate or group and each person who controls such partner or member. If the person required to file the statement referred to in RCW 48.31A.020 is a corporation, the commissioner may require that the information called for by RCW 48.31A.020 be given with respect to such corporation and each officer and director of such corporation and each person who is directly or indirectly the beneficial owner of more than ten percent of the outstanding securities of such corporation. [1971 ex.s. c 13 § 6.]

48.31A.050 Tender offers, request or agreement to acquire voting securities resulting in control of domestic insurer—Approval by commissioner—Time limitation—Application of RCW 48.31A.020 through 48.31A.050. (1) The commissioner shall approve any exchange or other acquisition of control referred to in RCW 48.31A.020 within sixty days of the receipt of the statement filed pursuant to RCW 48.31A.020 after holding a public hearing, only upon finding that:
   (a) After the change of control the domestic insurer would satisfy the requirements for the issuance of a certificate of authority according to requirements in force at the time of the issuance of its last certificate of authority to do the insurance business which it intends to transact in this state;
   (b) The effect of the purchases, exchanges, mergers, or other acquisitions of control would not be substantially to lessen competition in insurance in this state or tend to create a monopoly therein and would not violate the laws of this state relating to monopolies or restraint of trade;
   (c) The financial condition of an acquiring person is such as would not jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders;
   (d) The plans or proposals which the acquiring person has to liquidate the insurer, to sell its assets, or to merge it with any person, or to make any other major change in its business or corporate structure or management, are not unfair or prejudicial to policyholders;
   (e) The competence, experience and integrity of those persons who would control the operation of the insurer indicate that it would be in the interest of policyholders and the public to permit them to do so; and
   (f) There has been full compliance with this chapter or other applicable provisions of Title 48 RCW by the acquiring person.
   (2) The provisions of RCW 48.31A.020 through 48.31A.050 apply to any change of control except to the extent that the commissioner, by rule or regulation or by order, shall exempt the same from the provisions of such sections as not comprehended within the purpose of those sections. [1985 c 55 § 2; 1983 c 46 § 4; 1971 ex.s. c 13 § 7.]

48.31A.055 Tender offers, request or agreement to acquire voting securities resulting in control of domestic insurer—Costs of hearing. All reasonable costs of any hearing held pursuant to RCW 48.31A.050, as determined by the commissioner, including costs associated with the commissioner's use of investigatory, professional, and other necessary personnel, mailing of required notices and other information, and use of equipment or facilities, shall be paid before issuance of the commissioner's order by the person filing the statement required by RCW 48.31A.020. [1985 c 55 § 3.]

48.31A.060 Insurer members of insurance holding company system—Registration—Filing registration statement—Contents—Information required—Exemptions—Disclaimer of affiliation. (1) Every insurer which is authorized to do business in this state and which is a member of an insurance holding company system shall register with the commissioner, except that such requirements shall not apply to a foreign insurer domiciled in a jurisdiction which has adopted by statute or regulation disclosure requirements and standards substantially similar to those contained in this chapter. Any insurer which is subject to registration under the provisions of this section shall register within sixty days after August 9, 1971 or fifteen days after it becomes subject to registration, whichever is later, unless the commissioner, for good cause shown, extends the time for registration, and then within such extended time. Nothing in this section shall be construed to prohibit the commissioner from requesting any authorized insurer, which is a member of a holding company system, which is not subject to registration under the provisions of this section for a copy of the registration statement or other information filed by such insurance company with the insurance regulatory authority of its state of domicile.
(2) Every insurer subject to registration shall file a registration statement on a form provided by the commissioner, which shall contain current information about:
   (a) The capital structure, general financial condition, ownership and management of the insurer and any person controlling the insurer;
   (b) The following transactions currently outstanding between such insurer and its affiliates:
      (i) Loans, other investments, or purchases, sales or exchanges of securities of the affiliate by the insurer or of the insurer by its affiliates;
      (ii) Purchases, sales, or exchanges of assets;
      (iii) Transactions not in the ordinary course of business;
      (iv) Guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business;
   (v) All management and service contracts and all cost-sharing arrangements, other than cost allocation arrangements, based upon generally accepted accounting principles, and
   (vi) Reinsurance agreements covering all or substantially all of one or more lines of insurance of the ceding company; and
   (c) Other matters concerning transactions between a registered insurer and any affiliate as may be required by the commissioner.

(3) No information need be disclosed on the registration statement filed pursuant to the provisions of this section if such information is not material for the purposes of this chapter. Unless the commissioner by rule, regulation or order provides otherwise, sales, purchases, exchanges, loans or extensions of credit, or investments, involving one-half of one percent or less of an insurer's admitted assets as of December 31 immediately preceding shall not be deemed material for purposes of this section.

(4) Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions on forms provided by the commissioner on or before the fifteenth day of the following month in which it learns of each such change or addition.

(5) The commissioner shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.

(6) Two or more affiliated insurers subject to registration hereunder may file a consolidated registration statement or consolidated reports amending their respective consolidated statements or their individual registration statements so long as such consolidated filings correctly reflect the condition of and transactions between such persons.

(7) The commissioner may allow any insurer which is authorized to do business in this state and which is part of an insurance holding company system to register on behalf of any affiliated insurer which is required to register under subsection (1) of this section, and to file all information and material required to be filed under the provisions of this chapter.

(8) The provisions of this section shall not apply to any insurer, information or transaction if and to the extent that the commissioner by rule, regulation, or order shall exempt the same from the provisions of this section as not comprehended within the purposes thereof.

(9) Any person may file with the commissioner a disclaimer of affiliation with any authorized insurer or such a disclaimer may be filed by such insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and basis for affiliation between such person and such insurer as well as the basis for disclaiming such affiliation. After a disclaimer has been filed, the insurer shall be required to register or report under this section which may arise out of the insurer's relationship with such person unless and until the commissioner disallows such a disclaimer. The commissioner shall disallow such a disclaimer only after furnishing all parties in interest with notice and opportunity to be heard, and after making specific findings of fact to support such disallowance. [1971 ex.s. c 13 § 8.]

48.31A.070 Material transactions by registered insurers with affiliates—Standards. Material transactions by registered insurers with their affiliates occurring after August 9, 1971 shall be subject to the following standards:

(1) The terms shall be fair and reasonable;
(2) The books, accounts, and records of each party shall be so maintained as to clearly and accurately disclose the precise nature and details of the transaction; and
(3) The insurer's surplus to policyholders following any dividends or distributions to shareholders or affiliates shall be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs. [1971 ex.s. c 13 § 9.]

48.31A.080 Factors to be considered in determining reasonableness of insurer's surplus to policyholders. For purposes of this chapter, in determining whether an insurer's surplus to policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the following factors, among others, shall be considered:

(1) The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria;
(2) The extent to which the insurer's business is diversified among the several lines of insurance;
(3) The number and size of risks insured in each line of business;
(4) The extent of the geographical dispersion of the insurer's insured risks;
(5) The nature and extent of the insurer's reinsurance program;
(6) The quality, diversification, and liquidity of the insurer's investment portfolio;
(7) The recent past and projected future trend in the size of the insurer's surplus to policyholders;
(8) The surplus to policyholders maintained by other comparable insurers;
(9) The adequacy of the insurer's reserves; and
(10) The quality and liquidity of investments in subsidiaries. [1971 ex.s. c 13 § 10.]
48.31A.090 Extraordinary dividends or distributions by insurers subject to registration—Notice—Approval or disapproval. No insurer subject to registration under the provisions of this chapter shall pay any extraordinary dividend or make any other extraordinary distribution to its stockholders until sixty days after the commissioner has received notice of the intent to declare such dividend or distribution and has not within such period disapproved such payment, or the commissioner shall have approved such payment within the period referred to above. For purposes of this section, an extraordinary dividend or distribution is any dividend or distribution which, together with other dividends or distributions made within the preceding twelve months, exceeds the greater of ten percent of such insurer’s surplus to policyholders as of December 31 of the year immediately preceding, or the net gain from operations of such insurer if such insurer is a life insurer, or the net investment income if such insurer is not a life insurer, for the twelve-month period ending December 31 of the year immediately preceding. Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution which is conditional upon the commissioner’s approval thereof, and such a declaration shall confer no rights upon stockholders until the commissioner has approved the payment of such dividend or distribution or the commissioner has not disapproved such payment within the period referred to above. [1971 ex.s. c 13 § 11.]

48.31A.100 Examination of registered insurers—Powers of commissioner. (1) Subject to the limitations contained in this section and in addition to the powers which the commissioner has under chapter 48.03 RCW, relating to the examination of insurers, the commissioner shall also have the power to order any insurer registered under the provisions of this chapter to produce such records, books, or papers in the possession of the insurer or affiliates as shall be necessary to verify the information required to be contained in the insurer’s registration statement, and any additional information pertinent to transactions between insurer and affiliates. Such books, records, papers and information shall be examined in the manner prescribed in chapter 48.03 RCW relating to the time, place and expense of examination.

(2) The purposes of the examination, under the provisions of subsection (1) of this section, shall be to verify the registration statement and any addition or amendment thereto made pursuant to the provisions of this chapter. [1971 ex.s. c 13 § 12.]

48.31A.110 Confidentiality of reports. Every report made pursuant to the provisions of this chapter, including every report of examination or investigation, and any duly authenticated copy thereof in the possession of any person subject to the provisions of this chapter, shall be a confidential communication, shall not be subject to subpoena and shall not be made public by the commissioner without the prior written consent of the insurer or unless the commissioner determines that the interests of policyholders, shareholders or the public will be served by the publication thereof, in which event he may make a public record or publish all or any part thereof in such manner as he may deem appropriate. [1971 ex.s. c 13 § 13.]

48.31A.120 Jurisdiction of courts. Any person obtaining or attempting to obtain control of a domestic insurer shall by such act subject such person to the jurisdiction of the courts of this state. [1971 ex.s. c 13 § 14.]

48.31A.130 Rules, regulations, and orders. The commissioner may, upon notice and opportunity for all interested parties to be heard, issue such reasonable rules, regulations and orders as shall be necessary to carry out and effectuate provisions of this chapter. [1971 ex.s. c 13 § 15.]

48.31A.900 Severability—1971 ex.s. c 13. If any provision of this 1971 amendatory act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this 1971 amendatory act which can be given effect without the invalid provisions or application and for this purpose the provisions of this 1971 amendatory act are separable. [1971 ex.s. c 13 § 17.]

"Covered claim" shall not include any amount due any reinsurer, insurer, insurance pool, or underwriting association, as subrogation recoveries or otherwise: PROVIDED, That a claim for any such amount asserted against a person insured under a policy issued by an insurer which has become an insolvent insurer, if such insurer becomes an insolvent insurer, which, if it were not a claim by or for the benefit of a reinsurer, insurer, insurance pool, or underwriting association, would be a "covered claim" may be filed directly with the receiver of the insolvent insurer, but in no event may any such claim be asserted in any legal action against the insured of such insolvent insurer. (7) "Net direct written premiums" means direct gross premiums written in this state on insurance policies to which this chapter applies, less return premiums thereon and dividends paid or credited to policyholders on such direct business. "Net direct written premiums" does not include premiums on contracts between insurers or reinsurers.
(8) "Person" means any individual, corporation, partnership, association, or voluntary organization. [1975-76 2nd ex.s. c 109 § 3; 1971 ex.s. c 265 § 3.]

48.32.040 Creation of the association. There is hereby created a nonprofit unincorporated legal entity to be known as the Washington Insurance Guaranty Association. All insurers defined as member insurers in RCW 48.32.030(6) as now or hereafter amended shall be and remain members of the association as a condition of their authority to transact insurance in this state. The association shall perform its functions under a plan of operation established and approved under RCW 48.32.070 and shall exercise its powers through a board of directors established under RCW 48.32.050 as now or hereafter amended. For purposes of administration and assessment, the association shall be divided into two separate accounts: (1) The automobile insurance account; and (2) the account for all other insurance to which this chapter applies. [1975-76 2nd ex.s. c 109 § 4; 1971 ex.s. c 265 § 4.]

48.32.050 Board of directors. (1) The board of directors of the association shall consist of not less than five nor more than nine persons serving terms as established in the plan of operation. The members of the board shall be selected by member insurers subject to the approval of the commissioner. Vacancies on the board shall be filled for the remaining period of the term by a majority vote of the remaining board members, subject to the approval of the commissioner.
(2) In approving selections to the board, the commissioner shall consider among other things whether all member insurers are fairly represented.
(3) Members of the board may be reimbursed from the assets of the association for expenses incurred by them as members of the board of directors. [1975-76 2nd ex.s. c 109 § 5; 1971 ex.s. c 265 § 5.]

48.32.060 Powers and duties of the association. (1) The association shall:
(a) Be obligated to the extent of the covered claims existing prior to the order of liquidation and arising within thirty days after the order of liquidation, or before the policy expiration date if less than thirty days after the order of liquidation, or before the insured replaces the policy or on request effects cancellation, if he does so within thirty days of the order of liquidation, but such obligation shall include only that amount of each covered claim which is in excess of one hundred dollars and is less than three hundred thousand dollars. In no event shall the association be obligated to a policyholder or claimant in an amount in excess of the face amount of the policy from which the claim arises.
(b) Be deemed the insurer to the extent of its obligation on the covered claims and to such extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent.
(c) Allocate claims paid and expenses incurred among the two accounts enumerated in RCW 48.32.040 as now or hereafter amended separately, and assess member insurers separately for each account amounts necessary to pay the obligations of the association under subsection (1)(a) above subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency, the cost of examinations under RCW 48.32.110, and other expenses authorized by this chapter. The assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the calendar year preceding the assessment on the kinds of insurance in the account bears to the net direct written premiums of all
member insurers for the calendar year preceding the assessment on the kinds of insurance in the account. Each member insurer shall be notified of the assessment not later than thirty days before it is due. No member insurer may be assessed in any year on any account an amount greater than two percent of that member insurer's net direct written premiums for the calendar year preceding the assessment on the kinds of insurance in the account. If the maximum assessment, together with the other assets of the association in any account, does not provide in any one year in any account an amount sufficient to make all necessary payments from that account, the funds available may be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The association shall pay claims in any order which it may deem reasonable, including the payment of claims in the order such claims are received from claimants or in groups or categories of claims, or otherwise. The association may exempt or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance. Each member insurer serving as a servicing facility may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by such member insurer if they are chargeable to the account for which the assessment is made.

(d) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims.

(e) Notify such persons as the commissioner directs under RCW 48.32.080(2)(a).

(f) Handle claims through its employees or through one or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the commissioner, but such designation may be declined by a member insurer.

(g) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this chapter.

(2) The association may:

(a) Appear in, defend, and appeal any action on a claim brought against the association.

(b) Employ or retain such persons as are necessary to handle claims and perform other duties of the association.

(c) Borrow funds necessary to effect the purposes of this chapter in accord with the plan of operation.

(d) Sue or be sued.

(e) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this chapter.

(f) Perform such other acts as are necessary or proper to effectuate the purpose of this chapter.

(g) Refund to the member insurers in proportion to the contribution of each member insurer to that account that amount by which the assets of the account exceed the liabilities, if, at the end of any calendar year, the board of directors finds that the assets of the association in any account exceed the liabilities of that account as estimated by the board of directors for the coming year. [1975-76 2nd ex.s. c 109 § 6; 1971 ex.s. c 265 § 6.]

48.32.070 Plan of operation. (1)(a) The association shall submit to the commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the commissioner.

(b) If the association fails to submit a suitable plan of operation within ninety days following May 21, 1971 or if at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this chapter. Such rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

(2) All member insurers shall comply with the plan of operation.

(3) The plan of operation shall:

(a) Establish the procedures whereby all the powers and duties of the association under RCW 48.32.060 will be performed.

(b) Establish procedures for handling assets of the association.

(c) Establish the amount and method of reimbursing members of the board of directors under RCW 48.32.050.

(d) Establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent and a list of such claims shall be periodically submitted to the association or similar organization in another state by the receiver or liquidator.

(e) Establish regular places and times for meetings of the board of directors.

(f) Establish procedures for records to be kept of all financial transactions of the association, its agents, and the board of directors.

(g) Provide that any member insurer aggrieved by any final action or decision of the association may appeal to the commissioner within thirty days after the action or decision.

(h) Establish the procedures whereby selections for the board of directors will be submitted to the commissioner.

(i) Contain additional provisions necessary or proper for the execution of the powers and duties of the association.

(4) The plan of operation may provide that any or all powers and duties of the association, except those under RCW 48.32.060 subsections (1)(c) and (2)(c), are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this association, or its equivalent, in two or more states. Such a corporation, association or organization shall be reimbursed as a servicing facility would be reimbursed and shall be paid for its performance of any other functions of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the commissioner, and may be made only to a corporation, association,
or organization which extends protection not substantially less favorable and effective than that provided by this chapter. [1971 ex.s. c 265 § 7.]

### 48.32.080 Duties and powers of the commissioner.

1. The commissioner shall:
   a. Notify the association promptly whenever he or any of his examiners has, or comes into, possession of any data or information relative to any insurer under his jurisdiction for any purpose indicating that such insurer is in or is approaching a condition of impaired assets, imminent insolvency, or insolvency.
   b. Furnish to the association copies of all preliminary and final audits, investigations, memorandums, opinions, and reports relative to any insurer under his jurisdiction for any purpose, promptly upon the preparation of any thereof.
   c. Notify the association of the existence of an insolvent insurer not later than three days after he receives notice of the determination of the insolvency. The association shall be entitled to a copy of any complaint seeking an order of liquidation with a finding of insolvency against a member insurer at the same time such complaint is filed with a court of competent jurisdiction.
   d. Upon request of the board of directors, provide the association with a statement of the net direct written premiums of each member insurer.
   
2. The commissioner may:
   a. Require that the association notify the insureds of the insolvent insurer and any other interested parties of the determination of the insolvency. Such notification shall be by mail at their last known address, where available, but if sufficient information for notification by mail is not available, notice by publication or in a newspaper of general circulation shall be sufficient.
   b. Suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the commissioner may levy a fine on any member insurer which fails to pay an assessment when due. Such fine shall not exceed five percent of the unpaid assessment per month, except that no fine shall be less than one hundred dollars per month.
   c. Revoke the designation of any servicing facility if he finds claims are being handled unsatisfactorily.
   d. Whenever the commissioner or any of his examiners comes into possession of or obtains any data or information indicating that any insurer under his jurisdiction for any purpose is in or is approaching a condition of impaired assets, imminent insolvency, or insolvency, he shall within fifteen days of having such data or information commence investigation and/or take formal action relative to any such insurer, and in addition within said time shall notify the association of such condition. Upon failure of the commissioner so to act, the association is hereby authorized and directed to act and commence appropriate investigation or proceedings or may at its option refer the matter to the attorney general for appropriate action relative to which the attorney general shall keep the association advised throughout any such action or proceedings.

4. Any final action or order of the commissioner under this chapter shall be subject to judicial review in a court of competent jurisdiction. [1975-76 2nd ex.s. c 109 § 7; 1971 ex.s. c 265 § 8.]

### 48.32.090 Effect of paid claims.

1. Any person recovering under this chapter shall be deemed to have assigned his rights under the policy to the association to the extent of his recovery from the association. Every insured or claimant seeking the protection of this chapter shall cooperate with the association to the same extent as such person would have been required to cooperate with the insolvent insurer. The association shall have no cause of action against the insured of the insolvent insurer for any sums it has paid out.

2. The receiver, liquidator, or statutory successor of an insolvent insurer shall be bound by settlements of covered claims by the association or a similar organization in another state. The court having jurisdiction shall grant such claims priority equal to that which the claimant would have been entitled in the absence of this chapter against the assets of the insolvent insurer. The expenses of the association or similar organization in handling claims shall be accorded the same priority as the liquidator’s expenses.

3. The association shall periodically file with the receiver or liquidator of the insolvent insurer statements of the covered claims paid by the association and estimates of anticipated claims on the association which shall preserve the right of the association against the assets of the insolvent insurer. [1971 ex.s. c 265 § 9.]

### 48.32.100 Nonduplication of recovery.

1. Any person having a claim against his insurer under any provision in his insurance policy which is also a covered claim shall be required to exhaust first his right under such policy. Any amount payable on a covered claim under this chapter shall be reduced by the amount of the recovery from any insurance guaranty association or its equivalent.

2. Any person having a claim which may be recovered under more than one insurance guaranty association or its equivalent shall seek recovery first from the association of the place of residence of the insured except that if it is a first party claim for damage to property with a permanent location, from the association of the location of the property, and if it is a workers’ compensation claim, from the association of the residence of the claimant. Any recovery under this chapter shall be reduced by the amount of the recovery from any other insurance guaranty association or its equivalent. [1987 c 185 § 30; 1971 ex.s. c 265 § 10.]

Intent—Severability—1987 c 185: See notes following RCW 51.12.130.

### 48.32.110 Prevention of insolvencies.

To aid in the detection and prevention of insurer insolvencies:

1. It shall be the duty of the board of directors, upon majority vote, to notify the commissioner of any information indicating any member insurer may be insolvent or in a financial condition hazardous to the policyholders or the public.

2. The board of directors may, upon majority vote, request that the commissioner order an examination of any
member insurer which the board in good faith believes may be in a financial condition hazardous to the policyholders or the public. Within thirty days of the receipt of such request, the commissioner shall begin such examination. The examination may be conducted as a National Association of Insurance Commissioners examination or may be conducted by such persons as the commissioner designates. The cost of such examination shall be paid by the association and the examination report shall be treated as are other examination reports. In no event shall such examination report be released to the board of directors prior to its release to the public, but this shall not preclude the commissioner from complying with subsection (3) of this section. The commissioner shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the commissioner but it shall not be open to public inspection prior to the release of the examination report to the public.

(3) It shall be the duty of the commissioner to report to the board of directors when he has reasonable cause to believe that any member insurer examined or being examined at the request of the board of directors may be insolvent or in a financial condition hazardous to the policyholders or the public.

(4) The board of directors may, upon majority vote, make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer. Such reports and recommendations shall not be considered public documents.

(5) The board of directors may, upon majority vote, make recommendations to the commissioner for the detection and prevention of insurer insolvencies.

(6) The board of directors shall, at the conclusion of any insurer insolvency in which the association was obligated to pay covered claims, prepare a report on the history and performance of their powers and duties under this chapter. [1971 ex.s. c 265 § 15.]

48.32.120 Examination of the association. The association shall be subject to examination and regulation by the commissioner. The board of directors shall submit, not later than March 30th of each year, a financial report for the preceding calendar year in a form approved by the commissioner. [1971 ex.s. c 265 § 12.]

48.32.130 Tax exemption. The association shall be exempt from payment of all fees and all taxes levied by this state or any of its subdivisions except taxes levied on real or personal property. [1971 ex.s. c 265 § 13.]

48.32.145 Credit against premium tax for assessments paid pursuant to RCW 48.32.060(1)(c). Every member insurer which during any calendar year shall have paid one or more assessments levied pursuant to RCW 48.32.060(1)(c) as now or hereafter amended shall be entitled to take, as a credit against any premium tax falling due under RCW 48.14.020, one-fifth of the aggregate amount of such aggregate assessments during such calendar year for each of the five consecutive calendar years begin-

48.32.150 Immunity. There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer, the association or its agents or employees, the board of directors, or the commissioner or his representatives for any action taken by them in the performance of their powers and duties under this chapter. [1971 ex.s. c 265 § 15.]

48.32.160 Stay of proceedings—Setting aside judgment. All proceedings in which the insolvent insurer is a party or is obligated to defend a party in any court in this state shall be stayed for one hundred eighty days and such additional time thereafter as may be fixed by the court from the date the insolvency is determined to permit proper defense by the association of all pending causes of action. Any judgment under any decision, verdict, or finding based on default of the insolvent insurer or on its failure to defend an insured which is unsatisfied at the date the insolvency is determined shall be set aside on the motion of the association and the association shall be permitted to defend such claim on the merits. [1975–76 2nd ex.s. c 109 § 8; 1971 ex.s. c 265 § 16.]

48.32.170 Termination, distribution of fund. (1) The commissioner shall by order terminate the operation of the Washington insurers insolvency pool as to any kind of insurance afforded by property or casualty insurance policies with respect to which he has found, after hearing, that there is in effect a statutory or voluntary plan which:

(a) Is a permanent plan which is adequately funded or for which adequate funding is provided; and

(b) Extends, or will extend to state policyholders and residents protection and benefits with respect to insolvent insurers not substantially less favorable and effective to such policyholders and residents than the protection and benefits provided with respect to such kind of insurance under this chapter.

(2) The commissioner shall by the same such order authorize discontinuance of future payments by insurers to the Washington insurers insolvency pool with respect to the same kinds of insurance: PROVIDED, That assessments and payments shall continue, as necessary, to liquidate covered claims of insurers adjudged insolvent prior to said order and the related expenses not covered by such other plan.

(3) In the event the operation of any account of the Washington insurers insolvency pool shall be so terminated as to all kinds of insurance otherwise within its scope, the pool as soon as possible thereafter shall distribute the balance of the moneys and assets remaining in said account (after discharge of the functions of the pool with respect to prior insurer insolvencies not covered by such other plan, together with related expenses) to the insurers which are then writing in this state policies of the kinds of insurance
covered by such account, and which had made payments into such account, pro rata upon the basis of the aggregate of such payments made by the respective insurers to such account during the period of five years next preceding the date of such order. Upon completion of such distribution with respect to all of the accounts specified in RCW 48.32.060, this chapter shall be deemed to have expired. [1971 ex.s. c 265 § 17.]

48.32.900 Short title. This chapter shall be known and may be cited as the Washington Insurance Guaranty Association Act. [1971 ex.s. c 265 § 18.]

48.32.910 Construction—1971 ex.s. c 265. This chapter shall be liberally construed to effect the purpose under RCW 48.32.010 which shall constitute an aid and guide to interpretation. [1971 ex.s. c 265 § 19.]

48.32.920 Section headings not part of law. Section headings as used in this chapter do not constitute any part of the law. [1971 ex.s. c 265 § 22.]

48.32.930 Severability—1971 ex.s. c 265. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provisions to other persons or circumstances is not affected. [1971 ex.s. c 265 § 23.]

This chapter shall apply only as to the insurance or annuities thereunder of individuals who are residents of and domiciled within this state. The place of residence or domicile shall be determined as of the date of entry of the order of liquidation against the insurer.

(2) To policies and contracts only of insolvent insurers with respect to which an order of liquidation is entered after May 21, 1971.

(3) The obligations of the association created under this chapter shall apply only as to contractual obligations of the insurer under insurance policies and annuity contracts, and shall be no greater than such obligations of the insolvent insurer at the time of entry of the order of liquidation. However, the liability of the association shall in no event exceed:

(a) With respect to any one life, regardless of the number of policies or contracts:

(i) Five hundred thousand dollars in life insurance death benefits, including any net cash surrender and net cash withdrawal values for life insurance;

(ii) Five hundred thousand dollars in disability insurance benefits, including any net cash surrender and net cash withdrawal values; or

(iii) Five hundred thousand dollars in the present value of allocated annuity benefits and annuities established under section 403(b) of the United States internal revenue code.

The association shall not be liable to expend more than five hundred thousand dollars in the aggregate with respect to any one individual under this subsection; or

(b) With respect to any one contract owner covered by any unallocated annuity contract, including governmental retirement plans established under section 401 or 457 of the United States internal revenue code, five million dollars in benefits, irrespective of the number of such contracts held by that contract owner.

The association, as to any such policy or contract under which there is no default in payment of premiums subsequent to such assumption, reinsurance, or guaranty, shall make or cause to be made prompt payment of the benefits due under the terms of the policy or contract.

(2) The association shall make or cause to be made payment of the death, endowment, or disability insurance or annuity benefits due under the terms of each policy or contract insuring the life or health of, or providing annuity or other benefits for, a resident of this state which was issued or assumed by a foreign or alien insurer with respect to which an order of liquidation has been entered by a court of competent jurisdiction in the state or country of its domicile.

(3) In determining benefits to be paid with respect to the policies and contracts of a particular liquidating insurer the board may give due consideration to amounts reasonably recoverable or deductible because of the contingent liability, if any, of policyholders of the insurer (if a mutual insurer) or recoverable because of the assessment liability, if any, of the insurer’s stockholders (if a stock insurer).

(4) With respect to an insolvent domestic insurer, the board shall have power to petition the court in which the delinquency proceedings are pending for, and the court shall have authority to order and effectuate, such modifications in the terms, benefits, values, and premiums thereafter to be in effect of policies and contracts of the insurer as may reasonably be necessary to effect a bulk reinsurance of such policies and contract in a solvent insurer. In the event, after the entry of an order of liquidation, an assessment on the members is necessary to increase the assets of the insolvent company to an extent that a bulk reinsurance of such policies may be effected, the court shall have authority to order such assessment.

(5) In addition to any other rights of the association acquired by assignment or otherwise, the association shall be subrogated to the rights of any person entitled to receive benefits under this chapter against the liquidating insurer, or the receiver, rehabilitator, liquidator, or conservator, as the case may be, under the policy or contract with respect to which a payment is made or guaranteed, or obligation assumed by the association pursuant to this section, and the association may require an assignment to it of such rights by any such persons as a condition precedent to the receipt by such person of payment of any benefits under this chapter.

(6) For the purpose of carrying out its obligations under this chapter, the association shall be deemed to be a creditor of the liquidating insurer to the extent of assets attributable to covered policies and contracts reduced by any amounts to which the association is entitled as a subrogee. All assets of the liquidating insurer attributable to covered policies and contracts shall be used to continue all covered policies and contracts and pay all contractual obligations of the liquidating insurer as required by this chapter. Assets attributable to covered policies and contracts, as used in this subsection, are those in that proportion of the assets which the reserves that should have been established for such policies and contracts bear to the reserves that should have been established for all insurances written by the liquidating insurer.

(7) The association shall have the power to petition the superior court for an order appointing the commissioner as receiver of a domestic insurer upon any of the grounds set forth in RCW 48.31.030. [1990 c 51 § 4; 1975 1st ex.s. c 133 § 2; 1971 ex.s. c 259 § 6.]

### 48.32A.070 Duplication of benefits prohibited.

Whenever a guaranty or payment of proceeds or benefits of a policy or contract otherwise provided for under this chapter is also provided for by a similar law of another jurisdiction, there shall be only one recovery of values or benefits, and the association or their entity established by such law in the domiciliary jurisdiction or state of entry of the liquidating insurer shall be solely responsible for such guaranty and payment. [1971 ex.s. c 259 § 7.]

### 48.32A.080 Guaranty funds—Assessment of member insurers.

(1) For purposes of administration and assessment, the association shall establish and maintain three guaranty fund accounts:

- (a) The life insurance and annuity account, which shall be divided into three subaccounts:
  - (i) The life insurance subaccount;
  - (ii) The allocated annuity subaccount; and
  - (iii) The unallocated annuity subaccount which shall include contracts qualified under section 403(b) of the United States internal revenue code;
- (b) Assessments against member insurers for each account shall be in the proportion that the insurer on all covered policies and contracts bears to the premiums received by such insurer on all covered policies and contracts.

(2) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board shall assess the member insurers, separately for each account, at such times and for such amounts as the board finds necessary. The board shall collect the assessment after thirty days written notice to the member insurers before payment is due. The board may charge reasonable interest for delinquent payment of the assessment.

(3) (a) The amount of any assessment for each account and subaccount shall be determined by the board, and shall be divided among the accounts and subaccounts in the proportion that the premiums received by the liquidating insurer on the policies or contracts covered by each account and subaccount bears to the premiums received by such insurer on all covered policies and contracts.

(b) Assessments against member insurers for each account and subaccount shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each...
account or subaccount bears to such premiums received on business in this state by all assessed member insurers.

(c) Assessments for funds to meet the requirements of the association with respect to a particular liquidating insurer shall not be made until necessary, in the board's opinion, to implement the purposes of this chapter, and in no event shall such an assessment be made with respect to such insurer until an order of liquidation has been entered against the insurer by a court of competent jurisdiction of the insurer's state or country of domicile. Computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determination may not always be possible.

(d) The board may make an assessment of up to one hundred fifty dollars for each member insurer to be deposited in the general account and used for administrative and general expenses in carrying out the provisions of this chapter.

(4) (a) The total of all assessments upon a member insurer for the life and annuity account and for each subaccount shall not in any one calendar year exceed two percent and for the disability account shall not in any one calendar year exceed two percent of such insurer's average premiums received in this state on the policies and contracts covered by the account during the three calendar years preceding the entry of the order of liquidation against the liquidating insurer.

(b) The board may provide a method of allocating funds among claims, whether relating to one or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(c) If a one percent assessment for any subaccount of the life and annuity account in any one year does not provide an amount sufficient to carry out the responsibilities of the association, then pursuant to subsection (3) of this section, the board shall access all subaccounts of the life and annuity account for the necessary additional amount, subject to the maximum stated in (a) of this subsection.

(5) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated or deferred, in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. If the maximum assessment, together with the other assets of the association in an account, does not provide in any one year an amount sufficient to carry out the responsibilities of the association with respect to such account, the necessary additional funds shall be assessed as soon thereafter as permitted by this chapter.

(6) The amount in a fund shall be kept at such a sum as in the opinion of the board will enable the association to meet the immediate obligations and liabilities of such fund. Whenever in the opinion of the board the amount in a fund is in excess of such immediate obligations and liabilities, with the approval of the commissioner the association may distribute such excess by retirement of certificates previously issued against the fund. Such distribution shall be made pro rata upon the basis of outstanding certificates, except that by unanimous consent of all directors and with the approval of the commissioner any other reasonable method of retirement of such certificates may be adopted.

(7) As used in this section, "premiums" are those for the calendar year preceding the entry of the order of liquidation as to a particular liquidating insurer, and shall be direct gross insurance premiums and annuity considerations received on policies and contracts to which this chapter applies, less return premiums and considerations and less dividends paid or credited to policyholders.

(8) Upon dissolution of a fund by the repeal of this chapter or otherwise, the fund shall be distributed in the same manner as is provided for the repayment or retirement of certificates. If the amount in the fund at the time of dissolution is in excess of outstanding certificates issued against the fund, such excess shall be distributed among contributing member insurers in such equitable manner as is approved by the commissioner. [1990 c 51 § 5; 1975-'76 2nd ex.s. c 119 § 5; 1971 ex.s. c 259 § 8.]

48.32A.090 Certificates of contribution—Allowance as asset—Offset against premium taxes. (1) The association shall issue to each insurer paying an assessment under this chapter certificates of contribution, in appropriate form and terms as prescribed or approved by the commissioner, for the amounts so paid into the respective funds. All outstanding certificates against a particular fund shall be of equal dignity and priority without reference to amounts or dates of issue.

(2) An outstanding certificate of contribution shall be shown by the insurer in its financial statements as an admitted asset for such amount and period of time as the commissioner may approve: PROVIDED, That unless a longer period has been allowed by the commissioner the insurer shall in any event at its option have the right to show a certificate of contribution as an admitted asset at percentages of original face amount for calendar years as follows:

- 100% for the calendar year of issuance;
- 80% for the first calendar year after the year of issuance;
- 60% for the second calendar year after the year of issuance;
- 40% for the third calendar year after the year of issuance;
- 20% for the fourth calendar year after the year of issuance; and
- 0% for the fifth and subsequent calendar years after the year of issuance.

Notwithstanding the foregoing, if the value of a certificate of contribution is or becomes less than one thousand dollars, the entire amount may be written off by the insurer in that year.

(3) The insurer shall offset the amount written off by it in a calendar year under subsection (2) of this section against its premium tax liability to this state accrued with respect to business transacted in such year.

(4) Any sums recovered by the association representing sums which have theretofore been written off by contributing insurers and offset against premium taxes as provided in
subsection (3) of this section, shall be paid by the association to the commissioner and by him deposited with the state treasurer for credit to the general fund of the state of Washington.

(5) No distribution to stockholders, if any, of a liquidating insurer shall be made unless and until the total amount of assessments levied by the association with respect to such insurer have been fully recovered by the association. [1990 c 51 § 6; 1977 ex.s. c 183 § 2; 1975 1st ex.s. c 133 § 1; 1971 ex.s. c 259 § 9.]

48.32A.100 Taxation. (1) The association shall be exempt from premium tax. Any domestic insurer whose policies or contracts have been assumed, reinsured, or guaranteed by the association under this chapter shall remain liable for premium taxes on all premiums received on policies and contracts issued by it, but payment of such taxes shall be suspended. Payment of or on account of such taxes shall be made under such terms and conditions as the commissioner may prescribe. No distribution to stockholders, if any, of the liquidating insurer shall be made unless all premium taxes, the payment of which has been suspended hereunder, have been fully paid.

(2) The association shall be exempt from all taxes and fees now or hereafter imposed by the state of Washington or by any county, municipality, or local authority or subdivision; except that any real property owned by the association shall be subject to taxation to the same extent according to its value as other real property is taxed.

(3) Assessments made upon domestic insurers pursuant to a law of another jurisdiction similar to this chapter, shall be excluded from the application of RCW 48.14.040 (retaliatory provision). [1971 ex.s. c 259 § 10.]

48.32A.110 Prohibited use of chapter. No person shall make use in any manner of the protection afforded under this chapter in the solicitation of insurance or annuity business. [1971 ex.s. c 259 § 11.]

48.32A.120 Recapture of excessive dividends to affiliates. (1) If an order for liquidation or rehabilitation of a domestic insurer has been entered, the receiver appointed or existing under such order shall have a right to recover, and upon request of the board or without such request shall take such action as he deems advisable to recover, on behalf of the insurer from any affiliate that controlled it the amount of distribution was declared shall be liable up to the amount of distribution he would have received if it had been paid immediately. If two persons are liable with respect to the same distribution they shall be jointly and severally liable.

(4) The maximum amount recoverable by the receiver under this section shall be the amount needed in excess of all other available assets to pay the contractual obligations of the insurer.

(5) If any person liable under subsection (3) of this section is insolvent, all its affiliates that controlled it at the time the distribution was paid shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate. [1971 ex.s. c 259 § 12.]

48.32A.900 Short title. This chapter shall be known and may be cited as the Washington Life and Disability Insurance Guaranty Association Act. [1971 ex.s. c 259 § 13.]

48.32A.910 Construction—1971 ex.s. c 259. This chapter shall be liberally construed to effect the purpose stated in RCW 48.32A.010, which shall constitute an aid and guide to interpretation. [1971 ex.s. c 259 § 14.]

48.32A.920 Section headings not part of law. Section headings in this chapter do not constitute any part of the law. [1971 ex.s. c 259 § 15.]

48.32A.930 Severability—1971 ex.s. c 259. If any clause, sentence, paragraph, section or part of this act shall for any reason be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment has been rendered. [1971 ex.s. c 259 § 17.]

48.32A.931 Severability—1990 c 51. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1990 c 51 § 7.]
Title 48 RCW: Insurance

48.34.010 Declaration of purpose—Liberal construction. The purpose of this chapter is to promote the public welfare by regulating credit life insurance and credit accident and health insurance. Nothing in this chapter is intended to prohibit or discourage reasonable competition. The provisions of this chapter shall be liberally construed. [1961 c 219 § 1.]

48.34.020 Chapter part of insurance code—What insurance subject to chapter. (1) This chapter is a part of the insurance code.

(2) All life insurance and all accident and health insurance in connection with loans or other credit transactions shall be subject to the provisions of this chapter, except such insurance under an individual policy in connection with a loan or other credit transaction of more than ten years duration. Insurance shall not be subject to the provisions of this chapter where its issuance is an isolated transaction on the part of the insurer not related to an agreement or a plan for insuring debtors of the creditor. [1969 ex.s. c 241 § 14; 1961 c 219 § 2.]

48.34.030 Definitions. For the purpose of this chapter:

(1) "Credit life insurance" means insurance on the life of a debtor pursuant to or in connection with a specific loan or other credit transaction;

(2) "Credit accident and health insurance" means insurance on a debtor to provide indemnity for payments becoming due on a specific loan or other credit transaction while the debtor is disabled as defined in the policy;

(3) "Creditor" means the lender of money or vendor or lessor of goods, services, properties, rights, or privileges, for which payment is arranged through a credit transaction, or any successor to the right, title, or interest of any such lender, vendor, or lessor, and an affiliate, associate, or subsidiary of any of them or a director, officer, or employee of any of them or any other person in any way associated with any of them;

(4) "Debtor" means a borrower of money or a purchaser or lessee of goods, services, properties, rights, or privileges for which payment is arranged through a credit transaction;

(5) "Indebtedness" means the total amount payable by a debtor to a creditor in connection with the loan or other credit transaction. [1961 c 219 § 3.]

48.34.040 Authorized forms. Credit life insurance and credit accident and health insurance shall be issued only in the following forms:

(1) Individual policies of life insurance issued to debtors on the term plan;

(2) Individual policies of accident and health insurance issued to debtors on a term plan, or disability benefit provisions in individual policies of credit life insurance;

(3) Group policies of life insurance issued to creditors providing insurance upon the lives of debtors on the term plan;

(4) Group policies of accident and health insurance issued to creditors on a term plan insuring debtors, or disability benefit provisions in group credit life insurance policies to provide such coverage. [1961 c 219 § 4.]

48.34.050 Life—Limitation on amount under individual policy. The initial amount of credit life insurance under an individual policy shall not exceed the total amount repayable under the contract of indebtedness. Where an indebtedness is repayable in substantially equal installments, the amount of insurance shall at no time exceed the scheduled or actual amount of unpaid indebtedness, whichever is greater. [1961 c 219 § 5.]

48.34.060 Life—Limitation on amount repayable under group policy. The initial amount of credit life insurance under a group policy shall at no time exceed the amount owed by the debtor which is repayable in installments to the creditor. [1987 c 130 § 1; 1983 1st ex.s. c 32 § 23; 1977 c 61 § 2; 1967 ex.s. c 82 § 1; 1961 c 219 § 6.]

48.34.070 Accident and health—Limitation on amount. [1961 c 219 § 7.]

48.34.080 Commencement, termination date of term. The term of any credit life insurance or credit accident and health insurance shall, subject to acceptance by the insurer, commence on the date when the debtor becomes obligated to the creditor: PROVIDED, That, where a group policy provides coverage with respect to existing obligations, the insurance on a debtor with respect to such indebtedness shall commence on the effective date of the policy. Where evidence of insurability is required and such evidence is furnished more than thirty days after the date when the debtor becomes obligated to the creditor, the term of the insurance may commence on the date on which the insurance company determines the evidence to be satisfactory, and in such event there shall be an appropriate refund or adjustment of any charge to the debtor for insurance. The term of such insurance shall not extend more than fifteen days beyond the scheduled maturity date of indebtedness, except when extended without additional cost to the debtor. If the indebtedness is discharged due to renewal or refinancing prior to the scheduled maturity date, the insurance in force shall be terminated before any new insurance may be issued in connection with renewed or refinanced indebtedness. In all cases of termination prior to scheduled maturity, a refund shall be paid or credited as provided in RCW 48.34.110. [1961 c 219 § 8.]

48.34.090 Policy or certificate—Contents—Delivery, copy of application or notice in lieu—Substitute insurer, [Title 48 RCW—page 161]
premium, etc., on rejection. (1) All credit life insurance and credit accident and health insurance shall be evidenced by an individual policy, or in the case of group insurance by a certificate of insurance, which individual policy or group certificate of insurance shall be delivered to the debtor.

(2) Each individual policy or group certificate of credit life insurance, and/or credit accident and health insurance shall, in addition to other requirements of law, set forth the name and home office address of the insurer, the name or names of the debtor or in the case of a certificate under a group policy, the identity by name or otherwise of the debtor, the premium or amount of payment, if any, by the debtor separately for credit life insurance and credit accident and health insurance, a description of the coverage including the amount and term thereof, and any exceptions, limitations and restrictions, and shall state that the benefits shall be paid to the creditor to reduce or extinguish the unpaid indebtedness and, wherever the amount of insurance exceeds the unpaid indebtedness, that any such excess shall be payable to a beneficiary, other than the creditor, named by the debtor or to the debtor’s estate. With respect to any policy issued after September 8, 1975, credit life insurance shall not be subject to any exceptions or reductions other than for fraud, or for suicide occurring within two years of the effective date of the insurance.

(3) The individual policy or group certificate of insurance shall be delivered to the insured debtor at the time the indebtedness is incurred except as provided in subsections (4) and (5).

(4) If such individual policy or group certificate of insurance is not delivered to the debtor at the time the indebtedness is incurred, a copy of the application for such policy or a notice of proposed insurance, signed by the debtor and setting forth the name and home office address of the insurer; the name or names of the debtor; the premium or amount of payment by the debtor, if any, separately for credit life insurance and credit accident and health insurance; the amount, term and a brief description of the coverage provided, shall be delivered to the debtor at the time such indebtedness is incurred. The copy of the application for, or notice of proposed insurance, shall also refer exclusively to insurance coverage, and shall be separate and apart from the loan, sale or other credit statement of account, instrument, or agreement, or the application for any such loan, sale or credit, unless the information required by this subsection is prominently set forth therein under a descriptive heading which shall be underlined and printed in capital letters. Upon acceptance of the insurance by the insurer and within thirty days of the date upon which the indebtedness is incurred, the insurer shall cause the individual policy or group certificate of insurance to be delivered to the debtor. The application or notice of proposed insurance shall state that upon acceptance by the insurer, the insurance shall become effective as provided in RCW 48.34.080.

(5) If the named insurer does not accept the risk, then the debtor shall receive a policy or certificate of insurance setting forth the name and home office address of the substituted insurer and the amount of the premium to be charged, and if the amount of premium is less than that set forth in the notice of proposed insurance an appropriate refund shall be made. [1975 1st ex.s. c 266 § 13; 1961 c 219 § 9.]

48.34.100 Filing policies, notices, riders, etc.—Approval by commissioner—Preexisting policies—Forms.

(1) All policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements, and riders delivered or issued for delivery in this state and the schedules of premium rates pertaining thereto shall be filed with the commissioner.

(2) No such policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements, or riders shall be used in this state until approved by the commissioner pursuant to RCW 48.18.100 and RCW 48.18.110. In addition to any grounds for disapproval provided therein, the form shall be disapproved both as to credit life and credit accident and health insurance if the benefits provided therein are not reasonable in relation to the premium charged.

(3) If a group policy of credit life insurance or credit accident and health insurance has been delivered in this state before midnight, June 7, 1961, on the first anniversary date following such time the terms of the policy as they apply to persons newly insured thereafter shall be rewritten to conform with the provisions of this chapter.

(4) If a group policy has been or is delivered in another state before or after August 11, 1969, the forms to be filed by the insurer with the commissioner are the group certificates and notices of proposed insurance delivered or issued for delivery in this state. He shall approve them if:

(a) They provide the information that would be required if the group policy was delivered in this state; and

(b) The applicable premium rates or charges do not exceed those established by his rules or regulations. [1969 ex.s. c 241 § 15; 1961 c 219 § 10.]

48.34.110 Refunds—Credits—Charges to debtor.

(1) Each individual policy, or group certificate shall provide that in the event of termination of the insurance prior to the scheduled maturity date of the indebtedness, any refund of an amount paid by the debtor for insurance shall be paid or credited promptly to the person entitled thereto. The formula to be used in computing such refund shall be filed with and approved by the commissioner.

(2) If a creditor requires a debtor to make any payment for credit life insurance or credit accident and health insurance and an individual policy or group certificate of insurance is not issued, the creditor shall immediately give written notice to such debtor and shall promptly make an appropriate credit to the account.

(3) The amount charged to a debtor for any credit life or credit accident and health insurance shall not exceed the premiums charged by the insurer, as computed at the time the charge to the debtor is determined. [1961 c 219 § 11.]

48.34.120 Debtor's right to furnish and obtain own insurance. When the credit life insurance or credit accident and health insurance is required in connection with any credit transaction, the debtor shall, upon request to the creditor, have the option of furnishing the required amount of insurance through existing policies of insurance owned or
controlled by him or of procuring and furnishing the required
coverage through any insurer authorized to transact an
insurance business within this state. [1961 c 219 § 12.]

**48.34.900 Severability—1961 c 219.** If any provision
of this chapter, or the application of such provision to any
person or circumstance, shall be held invalid, the remainder
of the chapter and the application of such provision to any
person or circumstance other than those as to which it is
held invalid, shall not be affected thereby. [1961 c 219 § 13.]

**48.34.910 Small loan act [Consumer finance act] not affected.** Nothing in this chapter shall be construed to
permit any practice prohibited by *chapter 31.08 RCW, nor
is it intended that this chapter shall amend or repeal any
provision of chapter 31.08 RCW, known as the **“Small
Loan Act”*. [1961 c 219 § 14.]

Reviser’s note: *(1) Chapter 31.08 RCW was repealed by 1991 c
208 § 24, effective January 1, 1993.
**(2) “Small Loan Act” changed to “consumer finance act” by 1979
c 18.

**48.35.010 Application—Definition.** This chapter
applies to all alien insurers using this state as a state of entry
to transact insurance in the United States.

For the purposes of this chapter, “alien insurer” has the
definition supplied in RCW 48.05.010. [1991 c 268 § 1.]

**48.35.020 Deposit required—Amount.** (1) An alien
insurer may use this state as a state of entry to transact
insurance in the United States by maintaining in this state a
deposit of assets in a solvent trust company or other solvent
financial institution having trust powers domiciled in this
state and so designated by the commissioner. The

commissioner’s designated depositories are authorized to
receive and hold a deposit of assets. A deposit so held is at
the expense of the insurer. A solvent financial institution
domiciled in this state, the deposits of which are insured by
the federal deposit insurance corporation and which is a
member of the federal reserve system, may be designated as
the commissioner’s depository to receive and hold a deposit
of assets.

(2) The deposit, together with other trust deposits of
the insurer held in the United States for the same purpose, must
be in an amount not less than the higher of deposits required
of an alien insurer under RCW 48.05.090 or five hundred
thousand dollars and consist of eligible assets as set forth in
RCW 48.16.030.

(3) The deposit may be referred to as "trusteed assets.”
[1991 c 268 § 2.]

**48.35.030 Deposit required—Duration.** The deposit
required by this chapter must be for the benefit, security,
and protection of the policyholders or creditors, or both, of
the insurer in the United States. It shall be maintained as long
as there is outstanding any liability of the insurer arising out
of its insurance transactions in the United States. [1991 c
268 § 4.]

**48.35.040 Trusts created before May 17, 1991.** All
trusts of trusteed assets created before May 17, 1991, must
be continued under the instruments creating those trusts. If
the commissioner determines that the instruments are
inconsistent with the provisions of this chapter, the insurer
shall correct those inconsistencies within six months of
the commissioner’s determination. [1991 c 268 § 3.]

**48.35.050 Alien insurer—State authorization
required.** An alien insurer proposing to use this state as a
state of entry to transact insurance in the United States, must
be authorized to transact insurance in this state and may
make and execute any trust agreement required by this
chapter. [1991 c 268 § 6.]

**48.35.060 Trusteed assets—Creation—
Commissioner’s approval of trust agreement.** (1) The
alien insurer shall create the trusteed assets required by this
chapter under a written trust agreement between the insurer
and the trustee, consistent with the provisions of this chapter,
and in such form and manner as the commissioner may
designate or approve.

(2) The agreement is effective when filed with and
approved in writing by the commissioner. The commissioner
shall not approve any trust agreement not found to be in
compliance with state or federal law or the terms of which
do not in fact provide reasonably adequate protection for the
insurer’s policyholders or creditors, or both, in the United
States. [1991 c 268 § 5.]

**48.35.070 Trust agreement—Amendment.** A trust
agreement may be amended. However, the amendment is
not effective until filed with the commissioner and the
commissioner finds and states in writing that the amendment
is in compliance with this chapter. [1991 c 268 § 7.]
48.35.080  **Trust agreement—Withdrawal of commissioner’s approval.** The commissioner may withdraw his or her approval of a trust agreement, or of an amendment to the agreement, if the commissioner determines that the requisites for the approval no longer exist. The determination shall be made after notice and a hearing as provided in chapter 48.04 RCW. [1991 c 268 § 8.]

48.35.090  **Trust agreement—Vesting of trusteed assets.** The trust agreement must provide that title to the trusteed assets vests and remains vested in the trustees and their successors for the purposes of the trust deposit. [1991 c 268 § 9.]

48.35.100  **Trusteed assets—Trustee's records.** The trustee shall keep the trusteed assets separate from other assets and shall maintain a record sufficient to identify the trusteed assets at all times. [1991 c 268 § 10.]

48.35.110  **Trusteed assets—Trustee's statements—Commissioner's approval.** (1) The trustee of trusteed assets shall file statements with the commissioner, in a form required by the commissioner, certifying the character and amount of the assets.

(2) If the trustee fails to file a requested statement after a reasonable time has expired, the commissioner may suspend or revoke the certificate of authority of the insurer required under RCW 48.05.030. [1991 c 268 § 11.]

48.35.120  **Trusteed assets—Examination—Commissioner's approval of assignment or transfer.** (1) The commissioner may examine trusteed assets of any insurer at any time in accordance with the same conditions and procedures governing the examination of insurers provided in chapter 48.03 RCW.

(2) The depositing insurer shall not assign or transfer, voluntarily, involuntarily, or by operation of law, all or a part of its interest in the trusteed assets without the prior written approval of the commissioner, and a transfer or assignment occurring without approval is void. The assignee or transferee of the trusteed assets shall irrevocably and automatically assume all of the obligations and liabilities of the assignor or transferor. [1991 c 268 § 12.]

48.35.130  **Trusteed assets—Commissioner’s approval of withdrawals.** (1) The trust agreement must provide that the commissioner shall authorize and approve in writing all withdrawals of trusteed assets in advance except as follows:

(a) Any or all income, earnings, dividends, or interest accumulations of the trusteed assets may be paid over to the United States manager of the insurer upon request of the insurer or the manager;

(b) Withdrawals coincide with substitutions of securities or assets that are at least equal in value to those being withdrawn, if the substituted securities or assets would be eligible for investment by domestic insurers, and the insurer’s United States manager requests the withdrawal in writing under a general or specific written authority previ-ously given or delegated by the insurer’s board of directors, or other similar governing body, and a copy of such authority has been filed with the trustee;

(c) For the purpose of making deposits required by another state in which the insurer is, or becomes, an authorized insurer and for the protection of the insurer’s policyholders or creditors, or both, in the state or United States, if the withdrawal does not reduce the insurer’s deposit in this state to an amount less than the minimum deposit required. The trustee shall transfer any assets withdrawn and in the amount required to be deposited in the other state, directly to the depositary required to receive the deposit as certified in writing by the public official having supervision of insurance in that state; and

(d) For the purpose of transferring the trusteed assets to an official liquidator, conservator, or rehabilitator under an order of a court of competent jurisdiction.

(2) The commissioner shall authorize a withdrawal of only those assets that are in excess of the amount of assets required to be held in trust, or as may otherwise be consistent with the provisions of this chapter.

(3) If at any time the insurer becomes insolvent or if its assets held in the United States are less than required as determined by the commissioner, the commissioner shall order in writing the trustee to suspend the withdrawal of assets until a further order of the commissioner releasing the assets. [1991 c 268 § 13.]

48.35.140  **Trusteed assets—Substitution of trustee.** A new trustee may be substituted for the original trustee of trusteed assets in the event of a vacancy or for other proper cause. Any such substitution is subject to the commissioner’s approval. [1991 c 268 § 14.]

48.35.150  **Trusteed assets—Compensation and expenses of trustees.** The insurer shall provide for the compensation and expenses of the trustees of assets of an alien insurer under this chapter in an amount, or on a basis, as agreed upon by the insurer and the trustees in the trust agreement, subject to the prior approval of the commissioner. [1991 c 268 § 15.]

48.35.160  **United States manager— Mexican or Canadian insurers.** The provisions of this chapter applicable to a United States manager shall, in the case of insurers domiciled in Mexico or Canada, be deemed to refer to the president, vice-president, secretary, or treasurer of the Mexican or Canadian insurer. [1991 c 268 § 16.]

48.35.170  **Domestication of alien insurer—Commissioner’s approval.** (1) Upon compliance with this chapter, an alien insurer authorized to do business in this state may, with the prior written approval of the commissioner, domesticate its United States branch by entering into an agreement in writing with a domestic insurer providing for the acquisition by the domestic insurer of all of the assets and the assumption of all of the liabilities of the United States branch.

(2) The acquisition of assets and assumption of liabilities of the United States branch by the domestic insurer is effected by filing with the commissioner an instrument or
instruments of transfer and assumption in form satisfactory to the commissioner and executed by the alien insurer and the domestic insurer. [1991 c 268 § 17.]

48.35.180 Domestication agreement—Necessary authorization. (1) The domestication agreement shall be authorized, adopted, approved, signed, and acknowledged by the alien insurer in accordance with the laws of the country under which it is organized.

(2) In the case of a domestic insurer, the domestication agreement shall be approved, adopted, and authorized by its board of directors and executed by its president or a vice-president and attested by its secretary or assistant secretary under its corporate seal. [1991 c 268 § 18.]

48.35.190 Domestication agreement—Commissioner's approval of corporate proceedings. An executed counterpart of the domestication agreement, together with certified copies of the corporate proceedings of the domestic insurer and the alien insurer, approving, adopting, and authorizing the execution of the domestication agreement, shall be submitted to the commissioner for approval. The commissioner shall thereupon consider the agreement, and, if the commissioner finds that the same is in accordance with the provisions hereof and that the interests of the policyholders of the United States branch of the alien insurer and of the domestic insurer are not materially adversely affected, the commissioner shall approve the domestication agreement and authorize the consummation thereof. [1991 c 268 § 19.]

48.35.200 Domestication—When effective—Deposits—Transfer of assets. (1) Upon the filing with the commissioner of a certified copy of the instrument of transfer and assumption pursuant to which a domestic company succeeds to the business and assets of the United States branch of an alien insurer and assumes all its liabilities, the domestication of the United States branch is deemed effective; and all the rights, franchises, and interests of the United States branch in and to every species of property and things, in actions thereunder belonging, are deemed as transferred to and vested in the domestic insurer, and simultaneously the domestic insurer is deemed to have assumed all of the liabilities of the United States branch. The domestic insurer is considered as having the age as the oldest of the two parties to the domestication agreement for purposes of laws relating to age of company.

(2) All deposits of the United States branch held by the commissioner, or by state officers, or other state regulatory agencies pursuant to requirements of state laws, are deemed to be held as security for the satisfaction by the domestic insurer of all liabilities to policyholders within the United States assumed from the United States branch; and the deposits are deemed to be assets of the domestic insurer and are reported as such in the annual financial statements and other reports that the domestic insurer may be required to file. Upon the ultimate release by a state officer or agency of a deposit, the securities and cash constituting the released deposit is delivered and paid over to the domestic insurer as the lawful successor in interest to the United States branch.

(3) Contemporaneously with the consummation of the domestication of the United States branch, the commissioner shall direct the trustee, if any, of the United States branch's trusted assets, as set forth in RCW 48.35.020, to transfer and deliver to the domestic insurer all assets, if any, held by such trustee. [1991 c 268 § 20.]

48.36A.010 Fraternal benefit society defined. Any incorporated society, order, or supreme lodge, without capital stock, including one exempted under the provisions of RCW 48.36A.370(1)(b) whether incorporated or not, conducted solely for the benefit of its members and their beneficiaries and not for profit, operated on a lodge system with ritualistic form of work, having a representative form of government, and which provides benefits in accordance with this chapter,

(1992 Ed.)
is hereby declared to be a fraternal benefit society. [1987 c 366 § 1.]

48.36A.020 Lodge system—Lodges for children. (1) A society is operating on the lodge system if it has a supreme governing body and subordinate lodges into which members are elected, initiated, or admitted in accordance with its laws, rules, and ritual. Subordinate lodges shall be required by the laws of the society to hold regular meetings at least once in each month in furtherance of the purposes of the society.

(2) A society may, at its option, organize and operate lodges for children under the minimum age for adult membership. Membership and initiation in local lodges shall not be required of the children, nor shall they have a voice or vote in the management of the society. [1987 c 366 § 2.]

48.36A.030 Representative form of government. A society has a representative form of government when:

(1) It has a supreme governing body constituted in one of the following ways:
   (a) The supreme governing body is an assembly composed of delegates elected directly by the members or at intermediate assemblies or conventions of members or their representatives, together with other delegates as may be prescribed in the society's laws. A society may provide for election of delegates by mail. The elected delegates shall constitute a majority in number and shall not have less than two-thirds of the votes and not less than the number of votes required to amend the society's laws. The assembly shall be elected and shall meet at least once every four years and shall elect a board of directors to conduct the business of the society between meetings of the assembly. Vacancies on the board of directors between elections may be filled in the manner prescribed by the society’s laws; or
   (b) The supreme governing body is a board composed of persons elected by the members, either directly or by their representatives in intermediate assemblies, and any other persons prescribed in the society’s laws. A society may provide for election of the board by mail. Each term of a board member may not exceed four years. Vacancies on the board between elections may be filled in the manner prescribed by the society’s laws. Those persons elected to the board shall constitute a majority in number and not less than the number of votes required to amend the society’s laws. A person filling the unexpired term of an elected board member shall be considered to be an elected member. The board shall meet at least quarterly to conduct the business of the society;

(2) The officers of the society are elected either by the supreme governing body or by the board of directors;

(3) Only benefit members are eligible for election to the supreme governing body and the board of directors; and

(4) Each voting member shall have one vote. No vote may be cast by proxy. [1987 c 366 § 3.]

48.36A.040 Definitions. As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise:

(1) "Benefit contract" means the agreement for provision of benefits authorized by RCW 48.36A.160, as that agreement is described in RCW 48.36A.190(1).

(2) "Benefit member" means an adult member who is designated by the laws or rules of the society to be a benefit member under a benefit contract.

(3) "Certificate" means the document issued as written evidence of the benefit contract.

(4) "Premiums" means premiums, rates, dues or other required contributions by whatever name known, which are payable under the certificate.

(5) "Laws" means the society's articles of incorporation, constitution, and bylaws, however designated.

(7) "Society" means fraternal benefit society, unless otherwise indicated.

(8) "Lodge" means subordinate member units of the society, known as camps, courts, councils, branches, or by any other designation. [1987 c 366 § 4.]

48.36A.050 Beneficial operations—Laws and rules. (1) A society shall operate for the benefit of members and their beneficiaries by:

(a) Providing benefits as specified in RCW 48.36A.160; and

(b) Operating for one or more social, intellectual, educational, charitable, benevolent, moral, fraternal, patriotic, or religious purposes for the benefit of its members, which may also be extended to others.

These purposes may be carried out directly by the society, or indirectly through subsidiary corporations or affiliated organizations.

(2) Every society may adopt laws and rules for the government of the society, the admission of its members, and the management of its affairs. It may change, alter, add to, or amend such laws and rules and has such other powers as are necessary and incidental to carrying into effect the objects and purposes of the society. [1987 c 366 § 5.]

48.36A.060 Membership classes, rights, grievances. (1) A society shall specify in its laws or rules:

(a) Eligibility standards for each and every class of membership, provided that if benefits are provided on the lives of children, the minimum age for adult membership shall be set at not less than age fifteen and not greater than age twenty-one;

(b) The process for admission to membership for each membership class; and

(c) The rights and privileges of each membership class, provided that only benefit members shall have the right to vote on the management of the insurance affairs of the society.

(2) A society may also admit social members who have no voice or vote in the management of the insurance affairs of the society.

(3) Membership rights in the society are personal to the member and are not assignable.
(4) A society may provide in its laws or rules for grievance or complaint procedures for members. [1987 c 366 § 6.]

48.36A.070 Location of office and meetings—Official publications, annual statement. (1) The principal office of any domestic society shall be located in this state. The meetings of its supreme governing body may be held in any state, district, province, or territory where the society has at least one subordinate lodge, or in such other location as determined by the supreme governing body, and all business transacted at the meetings is as valid in all respects as if the meetings were held in this state. The minutes of the proceedings of the supreme governing body and of the board of directors shall be in the English language.

(2) (a) A society may provide in its laws for an official publication in which any notice, report, or statement required by law to be given to members, including notice of election, may be published. Required reports, notices, and statements shall be printed conspicuously in the publication. If the records of a society show that two or more members have the same mailing address, an official publication mailed to one member is deemed to be mailed to all members at the same address unless a member requests a separate copy.

(b) Not later than June 1st of each year, a synopsis of the society’s annual statement providing an explanation of the facts concerning the condition of the society thereby disclosed shall be printed and mailed to each benefit member of the society or, in lieu thereof, the synopsis may be published in the society’s official publication. [1987 c 366 § 7.]

48.36A.080 Immunity of officers—Indemnification of person responsible—Insurance for liability. (1) The officers and members of the supreme governing body or any subordinate body of a society shall not be personally liable for any benefits provided by a society.

(2) Any person may be indemnified and reimbursed by any society for expenses reasonably incurred by, and liabilities imposed upon, the person in connection with or arising out of any action, suit, or proceeding, whether civil, criminal, administrative, or investigative, or threat thereof, in which the person may be involved by reason of the fact that the person is or was a director, officer, employee, or agent of the society or of any firm, corporation, or organization which the person served in any capacity at the request of the society. A person shall not be so indemnified or reimbursed (a) in relation to any matter in such action, suit, or proceeding as to which the person shall finally be adjudged to be or have been guilty of breach of a duty as a director, officer, employee, or agent of the society; or (b) in relation to any matter in the action, suit, or proceeding, or threat thereof, which has been made the subject of a compromise settlement; unless in either case the person acted in good faith for a purpose the person reasonably believed to be in or not opposed to the best interests of the society and, in a criminal action or proceeding, in addition, had no reasonable cause to believe that their conduct was unlawful. The determination whether the conduct of the person met the standard required in order to justify indemnification and reimbursement in relation to any matter described in (a) or (b) of this subsection may only be made by the supreme governing body or board of directors by a majority vote of a quorum consisting of persons who were not parties to the action, suit, or proceeding or by a court of competent jurisdiction. The determination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, as to the person shall not in itself create a conclusive presumption that the person did not meet the standard of conduct required in order to justify indemnification and reimbursement. The foregoing right of indemnification and reimbursement shall not be exclusive of other rights to which the person may be entitled as a matter of law and shall inure to the benefit of the person’s heirs, executors, and administrators.

(3) A society may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the society, or who is or was serving at the request of the society as a director, officer, employee, or agent of any other firm, corporation, or organization against any liability asserted against the person and incurred by the person in any capacity or arising out of the person’s status as such, whether or not the society would have the power to indemnify the person against the liability under this section. [1987 c 366 § 8.]

48.36A.090 Nonwaiver provisions. The laws of the society may provide that no subordinate body, nor any of its subordinate officers or members shall have the power or authority to waive any of the provisions of the laws of the society. Such provision shall be binding on the society and every member and beneficiary of a member. [1987 c 366 § 9.]

48.36A.100 Formation of domestic society—Procedures and requirements. A domestic society organized on or after January 1, 1988, shall be formed as follows, but not until it has surplus in the minimum amount of total capital and surplus required by RCW 48.05.340:

(1) Seven or more citizens of the United States, a majority of whom are citizens of this state, who desire to form a fraternal benefit society, may make, sign, and acknowledge before some officer competent to take acknowledgment of deeds, articles of incorporation, in which shall be stated:

(a) The proposed corporate name of the society, which shall not so closely resemble the name of any society or insurance company as to be misleading or confusing; and

(b) The purposes for which it is being formed and the mode in which its corporate powers are to be exercised. The purposes shall not include more liberal powers than are granted by this chapter;

(c) The names and residences of the incorporators and the names, residences, and official titles of all the officers, trustees, directors, or other persons who are to have and exercise the general control of the management of the affairs and funds of the society for the first year or until the ensuing election at which all the officers shall be elected by the supreme governing body, which election shall be held not later than one year from the date of issuance of the permanent certificate of authority.

(1992 Ed.)
(2) The articles of incorporation, duly certified copies of the society's bylaws and rules, copies of all proposed forms of certificates, applications therefor, and circulars to be issued by the society, and a bond conditioned upon the return to applicants of the advanced payments if the organization is not completed within one year shall be filed with the commissioner, who may require further information as the commissioner deems necessary. The bond with sureties approved by the commissioner shall be in an amount, not less than three hundred thousand dollars nor more than one million five hundred thousand dollars as required by the commissioner. All documents filed are to be in the English language. If the purposes of the society conform to the requirements of this chapter and all provisions of the law have been complied with, the commissioner shall so certify, retain, and file the articles of incorporation and furnish the incorporators a preliminary certificate of authority authorizing the society to solicit members as hereinafter provided.

(3) No preliminary certificate of authority granted under the provisions of this section shall become null and void in one year from the date of the certificate or after a further period, not exceeding one year, as may be authorized by the commissioner upon cause shown, unless the five hundred applicants required by subsection (4) of this section have been secured and the organization has been completed under this chapter. The articles of incorporation and all other proceedings thereunder shall become null and void in one year from the date of the preliminary certificate of authority, or at the expiration of the extended period, unless the society shall have completed its organization and received a certificate of authority to do business under this chapter.

(4) Upon receipt of a preliminary certificate of authority from the commissioner, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than one regular monthly premium in accordance with its table of rates, and shall issue to each applicant a receipt for the amount collected. No society shall incur any liability other than for the return of the advance premium, nor issue any certificate, nor pay, allow, or offer or promise to pay or allow, any benefit to any person until:
   (a) Actual bona fide applications for benefits have been secured on not less than five hundred applicants, and any necessary evidence of insurability has been furnished to and approved by the society;
   (b) At least ten subordinate lodges have been established into which the five hundred applicants have been admitted;
   (c) There has been submitted to the commissioner, under oath of the president or secretary, or corresponding officer of the society, a list of the applicants, giving their names, addresses, date each was admitted, name and number of the subordinate lodge of which each applicant is a member, amount of benefits to be granted, and premiums therefor; and
   (d) It has been shown to the commissioner, by sworn statement of the treasurer, or corresponding officer of the society, that at least five hundred applicants have each paid in cash at least one regular monthly premium and the total amount of collected premiums equals at least one hundred fifty thousand dollars. The advance premiums shall be held in trust during the period of organization and if the society has not qualified for a certificate of authority within one year, the premiums shall be returned to the applicants.

(5) The commissioner may make such examination and require such further information as the commissioner deems advisable. Upon presentation of satisfactory evidence that the society has complied with all the provisions of this chapter, the commissioner shall issue to the society a certificate of authority to that effect and that the society is authorized to transact business pursuant to the provisions of this chapter. The certificate of authority shall be prima facie evidence of the existence of the society at the date of the certificate. The commissioner shall cause a record of the certificate of authority to be made. A certified copy of the record may be given in evidence with like effect as the original certificate of authority.

(6) Any incorporated society authorized to transact business in this state at the time this chapter becomes effective shall not be required to reincorporate. [1987 c 366 § 10.]

48.36A.110 Amendment of society's laws. (1) A domestic society may amend its laws in accordance with the provisions thereof by action of its supreme governing body at any regular or special meeting thereof or, if its laws so provide, by referendum. The referendum may be held in accordance with the provisions of its laws by the vote of the voting members of the society, by the vote of delegates or representatives of voting members, or by the vote of local lodges. A society may provide for voting by mail. No amendment submitted for adoption by referendum shall be adopted unless, within six months from the date of submission, a majority of the members voting shall have signified their consent to the amendment by one of the specified methods.

(2) No amendment to the laws of any domestic society shall take effect unless approved by the commissioner. The commissioner shall approve the amendment if the commissioner finds that it has been duly adopted and is not inconsistent with any requirement of the laws of this state or with the character, objects, and purposes of the society. Unless the commissioner disapproves any amendment within sixty days after the filing of same, the amendment shall be considered approved. The approval or disapproval by the commissioner shall be in writing and mailed to the secretary or corresponding officer of the society at its principal office. In case the commissioner disapproves the amendment, the reasons for the disapproval shall be stated in the written notice.

(3) Within ninety days from the approval by the commissioner, all amendments, or a synopsis thereof, shall be furnished to all members of the society either by mail or by publication in full in the official publication of the society. The affidavit of any officer of the society or of anyone authorized by it to mail any amendments or synopsis thereof, stating facts which show that same have been duly addressed and mailed, shall be prima facie evidence that the amendments or synopsis thereof, have been furnished to the addressee.

(4) Every foreign or alien society authorized to do business in this state shall file with the commissioner a
certified copy of all amendments of, or additions to, its laws within ninety days after their enactment.

(5) Printed copies of the laws as amended, certified by the secretary or corresponding officer of the society, shall be prima facie evidence of their legal adoption. [1987 c 366 § 11.]

48.36A.120  Not-for-profit institutions authorized—Funeral homes prohibited. (1) A society may create, maintain, and operate, or establish organizations to operate, not-for-profit institutions to further the purposes permitted by RCW 48.36A.050(1)(b). The institutions may furnish services free or at a reasonable charge. Any real or personal property owned, held or leased by the society for this purpose shall be reported in every annual statement.

(2) No society shall own or operate funeral homes or undertaking establishments. [1987 c 366 § 12.]

48.36A.130  Reinsurance. (1) A domestic society may, by a reinsurance agreement, transfer any individual risk or risks in whole or in part to an insurer, other than another fraternal benefit society, having the power to make such reinsurance and authorized to do business in this state, or if not so authorized, one which is approved by the commissioner, but no domestic society may reinsure substantially all of its insurance in force without the written permission of the commissioner. It may take credit for the reserves on the transferred risks to the extent reinsured, but no credit shall be allowed as an admitted asset or as a deduction from liability, to a transferring society for reinsurance made, transferred, renewed, or otherwise becoming effective after January 1, 1988, unless the reinsurance is payable by the assuming insurer on the basis of the liability of the transferring society under the contract or contracts reinsured without diminution because of the insolvency of the transferring society.

(2) Notwithstanding the limitation in subsection (1) of this section, a society may reinsure the risks of another society in a consolidation or merger approved by the commissioner under RCW 48.36A.140. [1987 c 366 § 13.]

48.36A.140  Consolidation and merger. (1) A domestic society may consolidate or merge with any other society by complying with the provisions of this section. It shall file with the commissioner:

(a) A certified copy of the written contract containing in full the terms and conditions of the consolidation or merger;

(b) A sworn statement by the president and secretary or corresponding officers of each society showing their financial condition on a date fixed by the commissioner but not earlier than December 31st next preceding the date of the contract;

(c) A certificate of the officers, duly verified by their respective oaths, that the consolidation or merger has been approved by a two-thirds vote of the supreme governing body of each society, such vote being conducted at a regular or special meeting of each such body, or, if the society’s laws so permit, by mail; and

(d) Evidence that at least sixty days prior to the action of the supreme governing body of each society, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official publication of each society.

(2) If the commissioner finds that the contract is in conformity with the provisions of this section, that the financial statements are correct, and that the consolidation or merger is just and equitable to the members of each society, the commissioner shall approve the contract and issue a certificate to that effect. Upon approval, the contract shall be in full force and effect unless any society which is a party to the contract is incorporated under the laws of any other state or territory. In such event, the consolidation or merger shall not become effective unless and until it has been approved as provided by the laws of such state or territory and a certificate of such approval is filed with the commissioner of this state or, if the laws of the state or territory contain no such provision, then the consolidation or merger shall not become effective unless and until it has been approved by the commissioner of insurance of the state or territory and a certificate of such approval is filed with the commissioner of this state.

Sections

48.41.010 Short title. This chapter shall be known
and may be cited as the "Washington state health insurance
coverage access act". [1987 c 431 § 1.]

48.41.020 Intent. It is the purpose and intent of the
legislature to provide access to health insurance coverage to
all residents of Washington who are denied adequate health
insurance for any reason. It is the intent of the legislature
that adequate levels of health insurance coverage be made
available to residents of Washington who are otherwise
considered uninsurable or who are underinsured. It is the
intention of the Washington state health insurance coverage
access act to provide a mechanism to ensure the availability of
comprehensive health insurance to persons unable to
obtain such insurance coverage on either an individual or
group basis directly under any health plan. [1987 c 431 § 2.]

following terms have the meaning indicated, unless the
context requires otherwise:

accounting. The first accounting year may be more or less
than twelve months and, from time to time in subsequent
years, the board may order an accounting year of other than

48.41.040 Health insurance pool—Creation, membership, organization, operation, rules. (1) There is hereby created a nonprofit entity to be known as the Washington state health insurance pool. (2) Pursuant to chapter 34.05 RCW the commissioner shall, within ninety days after May 18, 1987, give notice to all members of the time and place for the initial organizational meetings of the pool. A board of directors shall be established, which shall be comprised of nine members. The commissioner shall select three members of the board who shall represent (a) the general public, (b) health care providers, and (c) health insurance agents. The remaining members of the board shall be selected by election from among the members of the pool. The elected members shall, to the extent possible, include at least one representative of health care service contractors, one representative of health maintenance organizations, and one representative of commercial insurers which provides disability insurance. When self-insured organizations become eligible for participation in the pool, the membership of the board shall be increased to eleven and at least one member of the board shall represent the self-insurers.
(3) The original members of the board of directors shall be appointed for intervals of one to three years. Thereafter, all board members shall serve a term of three years. Board members shall receive no compensation, but shall be reimbursed for all travel expenses as provided in RCW 43.03.050 and 43.03.060.
(4) The board shall submit to the commissioner a plan of operation for the pool and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the pool. The commissioner shall, after notice and hearing pursuant to chapter 34.05 RCW, approve the plan of operation if it is determined to assure the fair, reasonable, and equitable administration of the pool and provides for the sharing of pool losses on an equitable, proportionate basis among the members of the pool. The plan of operation shall become effective upon approval in writing by the commissioner consistent with the date on which the coverage under this chapter must be made available. If the board fails to submit a plan of operation within one hundred eighty days after the appointment of the
board or any time thereafter fails to submit acceptable amendments to the plan, the commissioner shall, within ninety days after notice and hearing pursuant to chapters 34.05 and 48.04 RCW, adopt such rules as are necessary or advisable to effectuate this chapter. The rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the board and approved by the commissioner. [1989 c 121 § 2; 1987 c 431 § 4.]

48.41.060 Board powers. The board shall have the general powers and authority granted under the laws of this state to insurance companies licensed to transact the kinds of insurance defined under this title. In addition thereto, the board may:

1. Enter into contracts as are necessary or proper to carry out the provisions and purposes of this chapter including the authority, with the approval of the commissioner, to enter into contracts with similar pools of other states for the joint performance of common administrative functions, or with persons or other organizations for the performance of administrative functions;
2. Sue or be sued, including taking any legal action as necessary to avoid the payment of improper claims against the pool or the coverage provided by or through the pool;
3. Establish appropriate rates, rate schedules, rate adjustments, expense allowances, agent referral fees, claim reserve formulas and any other actuarial functions appropriate to the operation of the pool. Rates shall not be unreasonable in relation to the coverage provided, the risk experience, and expenses of providing the coverage. Rates and rate schedules may be adjusted for appropriate risk factors such as age and area variation in claim costs and shall take into consideration appropriate risk factors in accordance with established actuarial underwriting practices;
4. Assess members of the pool in accordance with the provisions of this chapter, and make advance interim assessments as may be reasonable and necessary for the organizational or interim operating expenses. 5. Issue policies of insurance in accordance with the requirements of this chapter;
6. Appoint appropriate legal, actuarial and other committees as necessary to provide technical assistance in the operation of the pool, policy, and other contract design, and any other function within the authority of the pool; and

Report on implementation of 1987 c 431: "The board shall report to the commissioner and the appropriate committees of the legislature by April 1, 1990, on the implementation of *this act. The report shall include information regarding enrollment, coverage utilization, cost, and any problems with the program and suggest remedies." [1987 c 431 § 26.]

48.41.070 Examination and reports. The pool shall be subject to examination by the commissioner as provided under chapter 48.03 RCW. The board of directors shall submit to the commissioner, not later than one hundred twenty days after the end of each accounting year, a financial report for the year in a form approved by the commissioner. The board of directors shall further report to the appropriate standing committees of each house of the legislature by March 1st of each year. [1989 c 121 § 4; 1987 c 431 § 7.]

48.41.080 Pool administrator—Selection, term, duties, pay. The board shall select an administrator from the membership of the pool whether domiciled in this state or another state through a competitive bidding process to administer the pool.

1. The board shall evaluate bids based upon criteria established by the board, which shall include:
(a) The administrator's proven ability to handle accident and health insurance;
(b) The efficiency of the administrator's claim-paying procedures;
(c) An estimate of the total charges for administering the plan; and
(d) The administrator's ability to administer the pool in a cost-effective manner.
2. The administrator shall serve for a period of three years subject to removal for cause. At least six months prior to the expiration of each three-year period of service by the administrator, the board shall invite all interested parties, including the current administrator, to submit bids to serve as the administrator for the succeeding three-year period. Selection of the administrator for this succeeding period shall...
be made at least three months prior to the end of the current three-year period.

(3) The administrator shall perform such duties as may be assigned by the board including:

(a) All eligibility and administrative claim payment functions relating to the pool;

(b) Establishing a premium billing procedure for collection of premiums from insured persons. Billings shall be made on a periodic basis as determined by the board, which shall not be more frequent than a monthly billing;

(c) Performing all necessary functions to assure timely payment of benefits to covered persons under the pool including:

(i) Making available information relating to the proper manner of submitting a claim for benefits to the pool, and distributing forms upon which submission shall be made; and

(d) Submission of regular reports to the board regarding the operation of the pool. The frequency, content, and form of the report shall be as determined by the board;

(e) Following the close of each accounting year, determination of net paid and earned premiums, the expense of administration, and the paid and incurred losses for the year and reporting this information to the board and the commissioner on a form as prescribed by the commissioner.

(4) The administrator shall be paid as provided in the contract between the board and the administrator for its expenses incurred in the performance of its services. [1989 c 121 § 5; 1987 c 431 § 8.]

48.41.090  Financial participation in pool—Computation, deficit assessments. (1) Following the close of each accounting year, the pool administrator shall determine the net premium (premiums less administrative expense allowances), the pool expenses of administration, and incurred losses for the year, taking into account investment income and other appropriate gains and losses.

(2)(a) Each member’s proportion of participation in the pool shall be determined annually by the board based on annual statements and other reports deemed necessary by the board and filed by the member with the commissioner; and shall be determined by multiplying the total cost of pool operation by a fraction, the numerator of which equals that member’s total number of resident insured persons, including spouse and dependents under the member’s health plan in the state during the preceding calendar year, and the denominator of which equals the total number of resident insured persons including spouses and dependents insured under all health plans in the state by pool members.

(b) Any deficit incurred by the pool shall be recouped by assessments among members apportioned under this subsection pursuant to the formula set forth by the board among members.

(3) The board may abate or defer, in whole or in part, the assessment of a member if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. If an assessment against a member is abated or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other members in a manner consistent with the basis for assessments set forth in subsection (2) of this section. The member receiving such abatement or deferment shall remain liable to the pool for the deficiency.

(4) If assessments exceed actual losses and administrative expenses of the pool, the excess shall be held at interest and used by the board to offset future losses or to reduce pool premiums. As used in this subsection, "future losses" includes reserves for incurred but not reported claims. [1989 c 121 § 6; 1987 c 431 § 9.]

48.41.100  Eligibility for coverage. (1) Any individual person who is a resident of this state is eligible for coverage upon providing evidence of rejection for medical reasons, a requirement of restrictive riders, an up-rated premium, or a preexisting conditions limitation on health insurance, the effect of which is to substantially reduce coverage from that received by a person considered a standard risk, by at least one member within six months of the date of application. Evidence of rejection may be waived in accordance with rules adopted by the board.

(2) The following persons are not eligible for coverage by the pool:

(a) Any person who is at the time of pool application eligible for medical assistance;

After approval by the board of directors, such brochure shall be made reasonably available to participants or potential participants. The health insurance policy issued by the pool shall pay only usual, customary, and reasonable charges for medically necessary eligible health care services rendered or furnished for the diagnosis or treatment of illnesses, injuries, and conditions which are not otherwise limited or excluded. Eligible expenses are the usual, customary, and reasonable charges for the health care services and items for which benefits are extended under the pool policy. Such benefits shall at minimum include, but not be limited to, the following services or related items:

(a) Hospital services, including charges for the most common semiprivate room, for the most common private room if semiprivate rooms do not exist in the health care facility, or for the private room if medically necessary, but limited to a total of one hundred eighty inpatient days in a calendar year, and limited to thirty days inpatient care for...

(3) The pool benefit policy may contain benefit limita-

in health insurance plans and are approved by the insurance
commissioner; however, no limitation, exception, or reduc-

48.41.130 Policy forms—Double coverage prohibi-
ted. All policy forms issued by the pool shall conform in
substance to prototype forms developed by the pool, and
shall in all other respects conform to the requirements of this
chapter, and shall be filed with and approved by the com-
missioner before they are issued. The pool shall not issue a
pool policy to any individual who, on the effective date of
the coverage applied for, already has or would have coverage
substantially equivalent to a pool policy as an insured or
covered dependent, or who would be eligible for such
coverage if he elected to obtain it at a lesser premium rate.
[1987 c 431 § 13.]

48.41.140 Coverage for children, unmarried
dependents—Preexisting condition exclusion. (1) Cover-
age shall provide that health insurance benefits are applicable
to children of the person in whose name the policy is issued
including adopted and newly born natural children. Coverage
shall also include necessary care and treatment of medically diagnosed congenital defects and birth abnormali-
ties. If payment of a specific premium is required to provide
coverage for the child, the policy may require that notifica-
tion of the birth or adoption of a child and payment of the
required premium must be furnished to the pool within
thirty-one days after the date of birth or adoption in order to
have the coverage continued beyond the thirty-one day
period. For purposes of this subsection, a child is deemed
to be adopted, and benefits are payable, when the child is
physically placed for purposes of adoption under the laws of
this state with the person in whose name the policy is issued;
and, when the person in whose name the policy is issued
assumes financial responsibility for the medical expenses of
the child. For purposes of this subsection, "newly born" means,
and benefits are payable, from the moment of birth.

(1992 Ed.)
(2) A pool policy shall provide that coverage of a dependent, unmarried person shall terminate when the person becomes nineteen years of age: PROVIDED, That coverage of such person shall not terminate at age nineteen while he or she is and continues to be both (a) incapable of self-sustaining employment by reason of developmental disability or physical handicap and (b) chiefly dependent upon the person in whose name the policy is issued for support and maintenance, provided proof of such incapacity and dependency is furnished to the pool by the policy holder within thirty-one days of the dependent's attainment of age nineteen and subsequently as may be required by the pool but not more frequently than annually after the two-year period following the dependent's attainment of age nineteen.

(3) A pool policy may contain provisions under which coverage is excluded during a period of six months following the effective date of coverage as to a given covered individual for preexisting conditions, as long as medical advice or treatment was recommended or received within a period of six months before the effective date of coverage. These preexisting condition exclusions shall be waived to the extent to which similar exclusions have been satisfied under any prior health insurance which was for any reason other than nonpayment of premium involuntarily terminated, if the application for pool coverage is made not later than thirty days following the involuntary termination. In that case, with payment of appropriate premium, coverage in the pool shall be effective from the date on which the prior coverage was terminated. [1987 c 431 § 14.]

48.41.150 Medical supplement policy. (1) The board shall offer a medical supplement policy for persons receiving medicare parts A and B. The supplement policy shall provide benefits of one hundred percent of the deductible and copayment required under medicare and eighty percent of the charges for covered services under this chapter that are not paid by medicare. The coverage shall include a limitation of one thousand dollars per person on total annual out-of-pocket expenses for the covered services.

(2) If federal law is adopted that addresses this subject, the board shall offer a policy that is consistent with that federal law. [1989 c 121 § 9; 1987 c 431 § 15.]

48.41.160 Renewal, termination, dependents' coverage—Rate changes—Continuation. (1) A pool policy offered under this chapter shall contain provisions under which the pool is obligated to renew the policy until the day on which the individual in whose name the policy is issued first becomes eligible for medicare coverage. At that time, coverage of dependents shall terminate if such dependents are eligible for coverage under a different health plan. Dependents who become eligible for medicare prior to the individual in whose name the policy is issued, shall receive benefits in accordance with RCW 48.41.150.

(2) The pool may not change the rates for pool policies except on a class basis, with a clear disclosure in the policy of the pool's right to do so.

(3) A pool policy offered under this chapter shall provide that, upon the death of the individual in whose name the policy is issued, every other individual then covered under the policy may elect, within a period specified in the policy, to continue coverage under the same or a different policy. [1987 c 431 § 16.]

48.41.170 Required rule making. The commissioner shall adopt rules pursuant to chapter 34.05 RCW that:

(1) Provide for disclosure by the member of the availability of insurance coverage from the pool; and

(2) Implement this chapter. [1987 c 431 § 17.]

48.41.180 Offer of coverage to eligible persons. (1) Commencing with May 18, 1987, every member shall provide a notice and an application for coverage by the pool to any person who receives a rejection of coverage for health insurance or health care services, or has any health condition limited or excluded. The notice shall state that the person is eligible to apply for health insurance provided by the pool.

(2) Members of the pool shall provide the brochure outlining the benefits and exclusions of the pool policy to any person who is rejected by a member or who is offered a policy containing restrictive riders, up-rated premiums, or a preexisting conditions limitation on a health insurance plan. [1987 c 431 § 18.]

48.41.190 Civil and criminal immunity. Neither the participation by members, the establishment of rates, forms, or procedures for coverages issued by the pool, nor any other joint or collective action required by this chapter or the state of Washington shall be the basis of any legal action, civil or criminal liability or penalty against the pool, any member of the board of directors, or members of the pool either jointly or separately. [1989 c 121 § 10; 1987 c 431 § 19.]

48.41.200 Rates—Standard risk and maximum. The pool shall determine the standard risk rate by calculating the average group standard rate for groups comprised of up to ten persons charged by the five largest members offering coverages in the state comparable to the pool coverage. In the event five members do not offer comparable coverage, the standard risk rate shall be established using reasonable actuarial techniques and shall reflect anticipated experience and expenses for such coverage. Maximum rates for pool coverage shall be one hundred fifty percent of the rates established as applicable for group standard risks in groups comprised of up to ten persons. All rates and rate schedules shall be submitted to the commissioner for approval. [1987 c 431 § 20.]

48.41.210 Last payor of benefits. It is the express intent of this chapter that the pool be the last payor of benefits whenever any other benefit is available.

(1) Benefits otherwise payable under pool coverage shall be reduced by all amounts paid or payable through any other health insurance, or health benefit plans, including but not limited to self-insured plans and by all hospital and medical expense benefits paid or payable under any worker's compensation coverage, automobile medical payment or liability insurance whatever provided on the basis of fault or nonfault, and by any hospital or medical benefits paid or payable under or provided pursuant to any state or federal law or program. [1992 Ed.]
(2) The administrator or the pool shall have a cause of action against an eligible person for the recovery of the amount of benefits paid which are not for covered expenses. Benefits due from the pool may be reduced or refused as a set-off against any amount recoverable under this subsection. [1987 c 431 § 21.]

48.41.900 Federal supremacy. If any part of this chapter is found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this chapter is hereby declared to be inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and such finding or determination shall not affect the operation of the remainder of this chapter in its application to the agencies concerned. The rules under this chapter shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state. [1987 c 431 § 22.]

48.41.910 Severability—1987 c 431. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of the chapter or the application of the provision to other persons or circumstances is not affected. [1987 c 431 § 25.]

[1983 c 36 § 1.]

48.42.020 Showing regulation by other agency, how done. A person or entity may show that while providing the services it is subject to the jurisdiction and regulation of another agency of this state, any subdivision thereof, or the federal government, by providing to the insurance commissioner the appropriate certificate, license, or other document issued by the other governmental agency which permits or qualifies it to provide the coverage as defined in RCW 48.42.010. [1983 c 36 § 2.]

48.42.030 Examination by commissioner—When required, scope of. Any person or entity which is unable to show under RCW 48.42.020 that it is subject to the jurisdiction and regulation of another agency of this state, any subdivision thereof, or the federal government, shall submit to an examination by the insurance commissioner to determine the organization and solvency of the person or the entity, and to determine whether or not such person or entity complies with the applicable provisions of this title. [1983 c 36 § 3.]

48.42.040 Application of this title to otherwise unregulated entities. Any person or entity unable to show that it is subject to the jurisdiction and regulation of another agency of this state, any subdivision thereof, or the federal government, shall be subject to all appropriate provisions of this title regarding the conduct of its business. [1983 c 36 § 4.]

48.42.050 Notice to purchasers by uninsured production agency—Notice to production agency by administrator of coverage. Any production agency or administrator which advertises, sells, transacts, or administers the coverage in this state described in RCW 48.42.010 and which is required to submit to an examination by the insurance commissioner under RCW 48.42.030, shall, if the coverage is not fully insured or otherwise fully covered by an admitted life or disability insurer or health care service contractor or health maintenance organization agreement, advise every purchaser, prospective purchaser, and covered person of the lack of insurance or other coverage. Any administrator which advertises or administers the coverage in this state described in RCW 48.42.010 and which is subject to an examination by the insurance commissioner under RCW 48.42.030 shall advise any production agency of the elements of the coverage, including the amount of "stop-loss" insurance in effect. [1983 c 36 § 5.]

48.42.060 Mandated health coverage—Legislative finding. The legislature takes notice of the increasing number of proposals for the mandating of certain health coverages or offering of health coverages by insurance carriers, health care service contractors, and health maintenance organizations as a component of individual or group policies. Improved access to these health care services to segments of the population which desire them can provide beneficial social and health consequences which may be in the public interest.

However, the cost ramifications of expanding health coverages is resulting in a growing concern. The way that such coverages are structured and the steps taken to create incentives to provide cost-effective services or to take advantage of cost-off-setting features of services can significantly influence the cost impact of mandating particular coverages.
The merits of a particular coverage mandate must be balanced against a variety of consequences which may go far beyond the immediate impact upon the cost of insurance coverage. The legislature hereby finds and declares that a systematic review of proposed mandated or mandatorily offered health coverage, which explores all the ramifications of such proposed legislation, will assist the legislature in determining whether mandating a particular coverage or offering is in the public interest. This chapter provides for a set of guidelines which should be addressed in the consideration of all such mandated coverage proposals coming before the legislature. [1984 c 56 § 1.]

48.42.070 Mandated health coverage—Reports and recommendations. Every person or organization which seeks sponsorship of a legislative proposal which would mandate a health coverage or offering of a health coverage by an insurance carrier, health care service contractor, or health maintenance organization as a component of individual or group policies, shall submit a report to the legislative committees having jurisdiction, assessing both the social and financial impacts of such coverage, including the efficacy of the treatment or service proposed, according to the guidelines enumerated in RCW 48.42.080. Copies of the report shall be sent to the state department of health for review and comment. The state department of health shall make recommendations based on the report to the extent requested by the legislative committees. [1989 1st ex.s. c 9 § 221; 1987 c 150 § 79; 1984 c 56 § 2.]

Effective date—Severability—1989 1st ex.s. c 9: See RCW 43.70.910 and 43.70.920.
Severability—1987 c 150: See RCW 18.122.901.

48.42.080 Mandated health coverage—Guidelines for assessing impact. Guidelines for assessing the impact of proposed mandated or mandatorily offered health coverage to the extent that information is available, shall include, but not be limited to, the following:

1. The social impact: (a) To what extent is the treatment or service generally utilized by a significant portion of the population? (b) To what extent is the insurance coverage already generally available? (c) If coverage is not generally available, to what extent does the lack of coverage result in persons avoiding necessary health care treatments? (d) If the coverage is not generally available, to what extent does the lack of coverage result in unreasonable financial hardship? (e) What is the level of public demand for the treatment or service? (f) What is the level of public demand for insurance coverage of treatment or service? (g) What is the level of interest of collective bargaining agents in negotiating privately for inclusion of this coverage in group contracts?

2. The financial impact: (a) To what extent will the coverage increase or decrease the cost of treatment or service? (b) To what extent will the coverage increase the appropriate use of the treatment or service? (c) To what extent will the mandated treatment or service be a substitute for more expensive treatment or service? (d) To what extent will the coverage increase or decrease the administrative expenses of insurance companies and the premium and administrative expenses of policyholders? (e) What will be the impact of this coverage on the total cost of health care? [1984 c 56 § 3.]

48.42.090 Prenatal testing—Limitation on changes to coverage. The carrier or provider of any group disability contract, health care services contract or health maintenance agreement shall not cancel, reduce, limit or otherwise alter or change the coverage provided solely on the basis of the result of any prenatal test. [1988 c 276 § 9.]

Such reimbursement or indemnity shall either be underwritten by an insurance company authorized to write accident, health and disability insurance in the state or guaranteed by a surety company authorized to do business in this state, or guaranteed by a deposit of cash or securities eligible for investment by insurers pursuant to chapter 48.13 RCW, with the insurance commissioner, as hereinafter provided. If the reimbursement or indemnity is underwritten by an insurance company, the contract or policy of insurance may designate the health care service contractor as the named insured, but shall be for the benefit of the persons who have previously paid, or on whose behalf prepayment has been made, for such health care services. If the reimbursement or indemnity is guaranteed by a surety company, the surety bond shall designate the state of Washington as the named obligee, but shall be for the benefit of the persons who have previously paid, or on whose behalf prepayment has been made, for such health care services, and shall be in such amount as the insurance commissioner shall direct, but in no event in a sum greater than the amount of one hundred fifty thousand dollars or the amount necessary to cover incurred but unpaid reimbursement or indemnity benefits as reported in the last annual statement filed with the insurance commissioner, and adjusted to reflect known or anticipated increases or decreases during the ensuing year, plus an amount of unearned prepayments applicable to reimbursement or indemnity benefits satisfactory to the insurance commissioner, whichever amount is greater. (2) For purposes of determining the priority of distribution of general assets, claims of enrolled participants and enrolled participants' beneficiaries shall have the same priority as established by RCW 48.31.280 for policyholders and beneficiaries of insureds of insurance companies. If an enrolled participant is liable to any provider for services provided pursuant to and covered by the health care plan, that liability shall have the status of an enrolled participant claim for distribution of general assets.

(3) Any provider who is obligated by statute or agreement to hold enrolled participants harmless from liability for services provided pursuant to and covered by a health care plan shall have a priority of distribution of the general assets immediately following that of enrolled participants and enrolled participants' beneficiaries as described herein, and immediately preceding the priority of distribution described in chapter 48.31 RCW. (2) For purposes of this section only, a "limited health care service contractor" means a health care service contractor that offers one and only one limited health care service.

(3) For all limited health care service contractors that have had a certificate of registration for less than three years,
their uncovered expenditures shall be either insured or guaranteed by a foreign or domestic carrier admitted in the state of Washington or by another carrier acceptable to the commissioner. All such contractors shall also deposit with the commissioner one-half of one percent of their projected premium for the next year in cash, approved surety bond, securities, or other form acceptable to the commissioner.

(4) For all limited health care service contractors that have had a certificate of registration for three years or more, their uncovered expenditures shall be assured by depositing with the insurance commissioner twenty-five percent of their last year's uncovered expenditures as reported to the commissioner and adjusted to reflect any anticipated increases or decreases during the ensuing year plus an amount for unearned prepayments; in cash, approved surety bond, securities, or other form acceptable to the commissioner. Compliance with subsection (3) of this section shall also constitute compliance with this requirement.

(5) Limited health service contractors need not comply with RCW 48.44.030 or 48.44.037. [1990 c 120 § 3.]

48.44.037 Minimum net worth—Requirement to maintain—Determination of amount. (1)(a) Except as provided in subsection (2) of this section, every health care service contractor must have a net worth of one million five hundred thousand dollars at the time of initial registration under this chapter and a net worth of one million dollars thereafter. The commissioner is authorized to establish standards for reviewing a health care service contractor's financial integrity when, for any reason, its net worth is reduced below one million dollars. When satisfied that such a health care service contractor is financially stable and not hazardous to its enrolled participants, the commissioner may waive compliance with the one million dollar net worth standard otherwise required by this subsection. When such a health care service contractor's net worth falls below five hundred thousand dollars, the commissioner shall require that net worth be increased to one million dollars.

(b) A health care service contractor who fails to maintain the required net worth must cure that defect in compliance with an order of the commissioner rendered in conformity with rules adopted under chapter 34.05 RCW. The commissioner may take appropriate action to assure that the continued operation of the health care service contractor will not be hazardous to its enrolled participants.

(2) A health care service contractor registered before June 7, 1990, must maintain a net worth of:

(a) Twenty-five percent of the amount required by subsection (1) of this section by December 31, 1990;

(b) Fifty percent of the amount required by subsection (1) of this section by December 31, 1991;

(c) Seventy-five percent of the amount required by subsection (1) of this section by December 31, 1992; and

(d) One hundred percent of the amount required by subsection (1) of this section by December 31, 1993.

(3)(a) In determining net worth, no debt shall be considered fully subordinated unless the subordination is in a form acceptable to the commissioner. An interest obligation relating to the repayment of a subordinated debt must be similarly subordinated.

(b) The interest expenses relating to the repayment of a fully subordinated debt shall not be considered uncovered expenditures.

(c) A subordinated debt incurred by a note meeting the requirement of this section, and otherwise acceptable to the commissioner, shall not be considered a liability and shall be recorded as equity.

(4) Every health care service contractor shall, when determining liabilities, include an amount estimated in the aggregate to provide for any unearned premium and for the payment of all claims for health care expenditures which have been incurred, whether reported or unreported, which are unpaid and for which the organization is or may be liable, and to provide for the expense of adjustment or settlement of the claims.

Liabilities shall be computed in accordance with regulations adopted by the commissioner upon reasonable consideration of the ascertained experience and character of the health care service contractor.

(5) All income from reserves on deposit with the commissioner shall belong to the depositing health care service contractor and shall be paid to it as it becomes available.

(6) Any funded reserve required by this chapter shall be considered an asset of the health care service contractor in determining the organization's net worth.

(7) A health care service contractor that has made a securities deposit with the commissioner may, at its option, withdraw the securities deposit or any part thereof after first having deposited or provided in lieu thereof an approved surety bond, a deposit of cash or securities, or any combination of these or other deposits of equal amount and value to that withdrawn. Any securities and surety bond shall be subject to approval by the commissioner before being substituted. [1990 c 120 § 4.]

48.44.040 Registration with commissioner—Fee. Every health care service contractor who or which enters into agreements which require prepayment for health care services shall register with the insurance commissioner on forms to be prescribed and provided by him. Such registrants shall state their name, address, type of organization, area of operation, type or types of health care services provided, and such other information as may reasonably be required by the insurance commissioner and shall file with such registration a copy of all contracts being offered and a schedule of all rates charged. No registrant shall change any rates, modify any contract, or offer any new contract, until he has filed a copy of the changed rate schedule, modified contract, or new contract with the insurance commissioner. The insurance commissioner shall charge a fee of ten dollars for the filing of each original registration statement and may require each registrant to file a current reregistration statement annually thereafter. [1947 c 268 § 4; Rem. Supp. 1947 § 6131-13.]

48.44.050 Rules and regulations. The insurance commissioner shall make reasonable regulations in aid of the administration of this chapter which may include, but shall not be limited to regulations concerning the maintenance of adequate insurance, bonds, or cash deposits, information
48.44.055 Plan for handling insolvency—Commissioner's review. Each health care service contractor shall have a plan for handling insolvency that allows for continuation of benefits for the duration of the contract period for which premiums have been paid and continuation of benefits to members who are confined on the date of insolvency in an inpatient facility until their discharge or expiration of benefits. The commissioner shall approve such a plan if it includes:

(1) Insurance to cover the expenses to be paid for continued benefits after insolvency;

(2) Provisions in provider contracts that obligate the provider to provide services for the duration of the period after the health care service contractor's insolvency for which premium payment has been made and until the enrolled participants are discharged from inpatient facilities;

(3) Use of insolvency reserves established under RCW 48.44.030;

(4) Acceptable letters of credit or approved surety bonds; or

48.44.057 Insolvency—Commissioner's duties—Participants' options—Allocation of coverage. (1)(a) In the event of insolvency of a health services contractor or health maintenance organization and upon order of the commissioner, all other carriers then having active enrolled participants under a group plan with the affected agreement holder that participated in the enrollment process with the insolvent health services contractor or health maintenance organization at a group's last regular enrollment period shall offer the eligible enrolled participants of the insolvent health services contractor or health maintenance organization the opportunity to enroll in an existing group plan without medical underwriting, at rates determined in accordance with the successor carrier's existing rating methodology. The eligible enrolled participants shall not be subject to preexisting condition limitations except to the extent that a waiting period for a preexisting condition has not been satisfied under the insolvent carrier's group plan.

(3) Any agreements covering participants allocated pursuant to subsections (1)(b) and (2) of this section to carriers pursuant to this section may be rerated after ninety days of coverage.

(4) A limited health care service contractor shall not be required to offer services other than its one limited health care service to any enrolled participant of an insolvent carrier. [1990 c 120 § 8.]

(2) Any contract form not affirmatively disapproved within fifteen days of filing shall be deemed approved, except that the commissioner may extend the approval period an additional fifteen days upon giving notice before the expiration of the initial fifteen-day period. The commissioner may approve such a contract form for immediate use at any time. Approval may be subsequently withdrawn for cause.

(3) Subject to the right of the health care service contractor to demand and receive a hearing under chapters 48.04 and 34.05 RCW, the commissioner may disapprove such a contract form if it is in any respect in violation of this chapter or if it fails to conform to minimum provisions or standards required by the commissioner by rule under chapter 34.05 RCW. The health care service contractor shall on the first day of each month notify the insurance commissioner in writing in case of the termination of any such contract, and of any participating provider who has entered into a participating contract during the preceding month. [1990 c 120 § 10; 1986 c 223 § 4; 1965 c 87 § 3; 1961 c 197 § 5.]

48.44.090 Refusal to register corporate, etc., contractor if name confusing with existing contractor or insurance company. The insurance commissioner shall refuse to accept the registration of any corporation, cooperative group, or association seeking to act as a health care service contractor if, in his discretion, the insurance commissioner deems that the name of the corporation, cooperative group, or association would be confused with the name of an existing registered health care service contractor or authorized insurance company. [1961 c 197 § 6.]

(1) Every health care service contractor shall annually, within one hundred twenty days of the closing date of its fiscal year, file with the commissioner a statement verified by at least two of the principal officers of the health care service contractor showing its financial condition as of the closing date of its fiscal year. The statement shall be in such form as is furnished or prescribed by the commissioner. The commissioner may for good reason allow a reasonable extension of the time within which such annual statement shall be filed.

(2) The commissioner may suspend or revoke the certificate of registration of any health care service contractor failing to file its annual statement when due or during any extension of time thereafter which the commissioner, for good cause, may grant. [1983 c 202 § 3; 1969 c 115 § 5.]

(3) The commissioner may elect to accept and rely on audit reports made by an independent certified public accountant for the health care service contractor in the course of that part of the commissioner's examination covering the same general subject matter as the audit. The commissioner may incorporate the audit report in his report of the examination.
(4) Whenever any health care service contractor applies for initial admission, the commissioner may make, or cause to be made, an examination of the applicant's business and affairs. Whenever such an examination is made, all of the provisions of chapter 48.03 RCW not inconsistent with this chapter shall be applicable. In lieu of making an examination himself the commissioner may, in the case of a foreign health care service contractor, accept an examination report of the applicant by the regulatory official in its state of domicile. [1986 c 296 § 8; 1983 c 63 § 1; 1969 c 115 § 12.]

[1961 c 197 § 12.]

48.44.160 Revocation, suspension, refusal of registration—Hearing—Cease and desist orders, injunctive action—Grounds. (8) Is found by the commissioner, after investigation or upon receipt of reliable information, to be managed by persons, whether by its directors, officers, or by any other means, who are incompetent or untrustworthy or so lacking in health care contracting or related managerial experience as to make the operation hazardous to the subscribing public; or that there is good reason to believe it is affiliated directly or indirectly through ownership, control, or other business relations, with any person or persons whose business operations are or have been marked, to the detriment of policyholders or stockholders, or investors or creditors or subscribers or of the public, by bad faith or by manipulation of assets, or of accounts, or of reinsurance. The order levying such fine shall specify the period within which the fine shall be fully paid and which period shall not be less than fifteen nor more than thirty days from the date of such order. Upon failure to pay any such fine when due the commissioner shall revoke the registration of the registrant, if not already revoked, and the fine shall be recovered in a civil action brought in behalf of the commissioner by the attorney general. Any fine so collected shall be paid by the commissioner to the state treasurer for the account of the general fund. [1983 c 202 § 4; 1969 c 115 § 11.]

48.44.170 Hearings and appeals. For the purposes of this chapter, the insurance commissioner shall be subject to and may avail himself of the provisions of chapter 48.04 RCW, which relate to hearings and appeals. [1961 c 197 § 14.]

### 48.44.240 Chemical dependency benefits—Provisions of group contracts delivered or renewed after January 1, 1988.

Each group contract for health care services which is delivered or issued for delivery or re-
newed, on or after January 1, 1988, shall contain provisions providing benefits for the treatment of chemical dependency rendered to covered persons by a provider which is an "approved treatment facility or program" under "RCW 70.96A.020(3). [1990 1st ex.s. c 3 § 12; 1987 c 458 § 16; 1975 1st ex.s. c 266 § 14; 1974 ex.s. c 119 § 4.]

*Reviser's note: RCW 70.96A.020(3) defines "approved treatment program."

Severability—1975 1st ex.s. c 266: See note following RCW 48.01.010.

48.44.245 "Chemical dependency" defined. For the purposes of RCW 48.44.240, "chemical dependency" means an illness characterized by a physiological or psychological dependency, or both, on a controlled substance regulated under chapter 69.50 RCW and/or alcoholic beverages. It is further characterized by a frequent or intense pattern of pathological use to the extent the user exhibits a loss of self-control over the amount and circumstances of use; develops symptoms of tolerance or physiological and/or psychological withdrawal if use of the controlled substance or alcoholic beverage is reduced or discontinued; and the user’s health is substantially impaired or endangered or his or her social or economic function is substantially disrupted. [1987 c 458 § 17.]

48.44.250 Payment of premium by employee in event of suspension of compensation due to labor dispute. Any employee whose compensation includes a health care services contract providing health care services expenses, the premiums for which are paid in full or in part by an employer including the state of Washington, its political subdivisions, or municipal corporations, or paid by payroll deduction, may pay the premiums as they become due directly to the contract holder whenever the employee’s compensation is suspended or terminated directly or indirectly as the result of a strike, lockout, or other labor dispute, for a period not exceeding six months and at the rate and coverages as the health care services contract provides. During that period of time such contract may not be altered or changed. Nothing in this section shall be deemed to impair the right of the health care service contractor to make normal decreases or increases of the premium rate upon expiration and renewal of the contract, in accordance with the provisions of the contract. Thereafter, if such health care services coverage is no longer available, then the employee shall be given the opportunity to purchase an individual health care services contract at a rate consistent with rates filed by the health care service contractor with the commissioner. When the employee’s compensation is so suspended or terminated, the employee shall be notified immediately by the contract holder in writing, by mail addressed to the address last of record with the contract holder, that the employee may pay the premiums to the contract holder as they become due as provided in this section.

Payment of the premiums must be made when due or the coverage may be terminated by the health care service contractor.

The provisions of any health care services contract contrary to provisions of this section are void and unenforceable after May 29, 1975. [1982 c 149 § 1; 1975 1st ex.s. c 117 § 3.]

Severability—1975 1st ex.s. c 117: See note following RCW 48.21.075.

48.44.260 Notice of reason for cancellation, restrictions based on handicaps. Every authorized health care service contractor, upon canceling, denying, or refusing to renew any individual health care service contract, shall, upon written request, directly notify in writing the applicant or insured, as the case may be, of the reasons for the action by the health care service contractor. Any benefits, terms, rates, or conditions of such a contract which are restricted, excluded, modified, increased, or reduced because of the presence of a sensory, mental, or physical handicap shall, upon written request, be set forth in writing and supplied to the insured. The written communications required by this section shall be phrased in simple language which is readily understandable to a person of average intelligence, education, and reading ability. [1979 c 133 § 3.]

48.44.270 Immunity from libel or slander. With respect to health care service contracts as defined in RCW 48.44.260, there shall be no liability on the part of, and no cause of action of any nature shall arise against, the insurance commissioner, the commissioner’s agents, or members of the commissioner’s staff, or against any health care service contractor, its authorized representative, its agents, its employees, furnishing to the health care service contractor information as to reasons for cancellation or refusal to issue or renew, for libel or slander on the basis of any statement made by any of them in any written notice of cancellation or refusal to issue or renew, or in any other communications, oral or written, specifying the reasons for cancellation or refusal to issue or renew or the providing of information pertaining thereto, or for statements made or evidence submitted in any hearing conducted in connection therewith. [1979 c 133 § 4.]

48.44.290 Registered nurses. Notwithstanding any provision of this chapter, for any health care service contract thereunder which is entered into or renewed after July 26, 1981, benefits shall not be denied under such contract for any health care service performed by a holder of a license issued pursuant to chapter 18.88 RCW if (1) the service performed was within the lawful scope of such person’s license, and (2) such contract would have provided benefits if such service had been performed by a holder of a license issued pursuant to chapter 18.71 RCW: PROVIDED, HOWEVER, That no provision of chapter 18.71 RCW shall be asserted to deny benefits under this section.
The provisions of this section are intended to be remedial and procedural to the extent that they do not impair the obligation of any existing contract. [1986 c 223 § 6; 1981 c 175 § 1.]

48.44.299 Legislative finding. The legislature finds and declares that there is a paramount concern that the right of the people to obtain access to health care in all its facets is being impaired by prepaid agreements which provide benefits, reimbursement, or indemnity by health care service contractors, whether for profit or for nonprofit, which do not provide parity of reimbursement among licensed health care providers performing the same health care services. It is further the intent of the legislature not to mandate the providers performing the same health care services. It is declared that there is a paramount concern that the right of the people to obtain access to health care in all its facets is being impaired by prepaid agreements which provide benefits, reimbursement, or indemnity by health care service contractors, whether for profit or for nonprofit, which do not provide parity of reimbursement among licensed health care providers performing the same health care services. It is further the intent of the legislature not to mandate the providers performing the same health care services. It is declared that there is a paramount concern that the right of the people to obtain access to health care in all its facets

48.44.300 *Podiatry—Benefits not to be denied. Benefits shall not be denied under a contract for any health care service performed by a holder of a license issued under chapter 18.22 RCW if (1) the service performed was within the lawful scope of the person's license, and (2) the contract would have provided benefits if the service had been performed by a holder of a license issued under chapter 18.71 RCW. There shall not be imposed upon one class of doctors providing health care services as defined by this chapter any requirement that is not imposed upon all other doctors providing the same or similar health care services within the scope of their license.

The provisions of this section are intended to be procedural to the extent that they do not impair the obligation of any existing contract. [1986 c 223 § 7; 1981 c 154 § 2.]

*Reviser's note: The term "podiatry" was changed to "podiatric medicine and surgery" by 1990 c 147.

Severability—1983 c 154: See note following RCW 48.44.299.

48.44.309 Legislative finding. The legislature finds and declares that there is a paramount concern that the right of the people to obtain access to health care in all its facets is being impaired. The legislature further finds that there is a heavy reliance by the public upon prepaid health care service agreements and insurance, whether profit or nonprofit, as the only effective manner in which the large majority of the people can obtain access to quality health care. Further, the legislature finds that health care service agreements may be anticompetitive because of the exclusion of other licensed forms of health care and that because of the high costs of health care, there is a need for competition to reduce these costs. It is, therefore, declared to be in the public interest that these contracts as a form of insurance be regulated under the police power of the state to assure that all the people have the greatest access to health care services. [1983 c 286 § 1.]

Severability—1983 c 286: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1983 c 286 § 5.]

48.44.310 Chiropractic care, coverage required, exceptions. (1) Each group contract for comprehensive health care service which is entered into, or renewed, on or after September 8, 1983, between a health care service contractor and the person or persons to receive such care shall provide coverage for chiropractic care on the same basis as any other care.

(2) A patient of a chiropractor shall not be denied benefits under a contract because the practitioner is not licensed under chapter 18.57 or 18.71 RCW.

(3) This section shall not apply to a group contract for comprehensive health care services entered into in accordance with a collective bargaining agreement between management and labor representatives. Benefits for chiropractic care shall be offered by the employer in good faith on the same basis as any other care as a subject for collective bargaining for group contracts for health care services. [1986 c 223 § 8; 1983 c 286 § 2.]

Severability—1983 c 286: See note following RCW 48.44.309.

(c) The coverage may contain provisions for utilization review and quality assurance;

(d) The coverage may require that home health agencies and hospices have written treatment plans approved by a physician licensed under chapter 18.57 or 18.71 RCW, and may require such treatment plans to be reviewed at designated intervals;

(e) The coverage shall provide benefits for, and restrict benefits to, services rendered by home health and hospice agencies licensed under chapter 70.127 RCW;

(g) Home health care coverage shall provide benefits for a minimum of one hundred thirty health care visits per calendar year. However, a visit of any duration by an employee of a home health agency for the purpose of providing services under the plan of treatment constitutes one visit;

(h) The coverage may be structured so that services or supplies included in the primary contract are not duplicated in the optional home health and hospice coverage.

(3) The insurance commissioner shall adopt any rules necessary to implement this section.

(4) The requirements of this section shall not apply to contracts or policies governed by chapter 48.66 RCW.

This section shall not be construed to prevent the application of standard contract provisions applicable to other benefits such as deductible or copayment provisions. This section does not limit the authority of a contractor to negotiate rates and contract with specific providers for the delivery of mammography services. This section shall not apply to medicare supplement policies or supplemental contracts covering a specified disease or other limited benefits. [1989 c 338 § 3.]

48.44.330 Reconstructive breast surgery. ### 48.45.005 Findings

The legislature finds that the residents of rural communities are having difficulties in
locating and purchasing affordable health insurance. The legislature further finds that many rural communities have sufficient funds to pay for needed services, but those funds are being expended elsewhere causing insufficient funding of local health services. As part of the solution to this problem, rural communities need to be able to structure the financing of local health services to better serve local residents. The legislature further finds that as rural communities need well financed and organized health care, it is in the interest of residents of rural communities that existing unauthorized entities comply with appropriate fiscal solvency standards and consumer safeguards, and that those entities be given an opportunity to come into compliance with existing state laws. [1990 c 271 § 20.]

48.45.010 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Rural community" means any grouping of consumers, seventy-five percent of whom reside in areas outside of a standard metropolitan statistical area as defined by the United States bureau of census.

(2) "Consumer" means any person enrolled and eligible to receive benefits in the rural health care arrangement.

(3) "Rural health care service arrangement" or "arrangement" means any arrangement which is established or maintained for the purpose of offering or providing through the purchase of insurance or otherwise, medical, surgical, or hospital care or benefits in the event of sickness, accident, or disability in a rural community, as defined in this section, that is subject to the jurisdiction of the insurance commissioner but is not now a currently authorized carrier. [1990 c 271 § 22.]

48.45.020 Rural health care service arrangements. Rural health care service arrangements existing on March 29, 1990, may continue in full operation only so long as they comply with all of the following:

(1) Within ten days following March 29, 1990, all rural health care service arrangements shall inform the insurance commissioner of their intent to apply for approval to operate as an entity authorized under chapter 48.44 RCW or intend to merge with an entity authorized under Title 48 RCW or merge with an entity defined in this section;

(2) The arrangement submits an application for approval as an entity authorized under chapter 48.44 RCW by May 1, 1990;

(3) The arrangement has one hundred thousand dollars on deposit with the insurance commissioner by July 1, 1990;

(4) The arrangement has one hundred fifty thousand dollars on deposit with the insurance commissioner by September 1, 1990; and

(5) The arrangement complies with all reasonable requirements of the insurance commissioner excluding the deposit requirement, except as outlined in this section.

If such rural health care service arrangements fail to comply with any of the above requirements, or if during the application process an entity engages in any activities which the insurance commissioner reasonably determines may cause imminent harm to consumers, the entity may be subject to appropriate legal action by the insurance commissioner pursuant to the authority provided in Title 48 RCW.

A rural health care service arrangement which comes into compliance with Title 48 RCW through the method outlined in this chapter shall be subject to all applicable requirements of Title 48 RCW except that the deposit requirements shall not be increased until May 1, 1991. [1990 c 271 § 23.]

48.45.030 Rule making. The insurance commissioner, pursuant to chapter 34.05 RCW, may promulgate rules to implement RCW 48.45.010 and 48.45.020. [1990 c 271 § 24.]

In affirmation of the declared principle that health care is a right of every citizen of the state, the legislature expresses its concern that the present high costs of health care in Washington may be preventing or inhibiting a large segment of the people from obtaining access to quality health care services.

The legislature declares that the establishment of qualified prepaid group and individual practice health care delivery systems should be encouraged in order to provide all citizens of the state with the freedom of choice between competitive, alternative health care delivery systems necessary to realize their right to health. It is the purpose and policy of this chapter to provide for the development and registration of prepaid group and individual practice health care plans as health maintenance organizations, which the legislature declares to be in the interest of the health, safety and welfare of the people. [1975 1st ex.s. c 290 § 11.]

For the purpose of examinations, the commissioner may issue subpoenas, administer oaths, and examine the officers and principals of the health maintenance organization and the principals of such providers concerning their business.

(3) The commissioner may elect to accept and rely on audit reports made by an independent certified public accountant for the health maintenance organization in the course of that part of the commissioner's examination covering the same general subject matter as the audit. The order may include any reasonable terms or conditions to mitigate any damages suffered by enrollees or other persons as a result of the violation.

(4) Any person may bring an action in a court of competent jurisdiction to enforce the order of the commissioner. The court may enforce the order by appropriate equitable relief, including, but not limited to, an order compelling the health maintenance organization to comply with the terms and conditions of the order or to pay the costs incurred by the commissioner in enforcing the order.

(5) The commissioner may initiate disciplinary action against an officer, employee, or agent of a health maintenance organization who materially violates the provisions of this chapter or the rules adopted under this chapter.

(ii) If its certificate of authority is revoked, the organization shall proceed under the supervision of the commissioner immediately following the effective date of the order of revocation to wind up its affairs, and shall conduct no further business except as may be essential to the orderly conclusion of such affairs: PROVIDED, That the commissioner may, by written order, permit such further operation of the organization as it may find to be in the best interest of enrolled participants, to the end that such enrolled participants will be afforded the greatest practical opportunity to obtain continuing health care coverage: PROVIDED, FURTHER, That if the organization is qualified to operate as a health care service contractor under chapter 48.44 RCW, it may continue to operate as such when it obtains the appropriate license.
(3) The commissioner may apply to any court for such legal or equitable relief as it deems necessary to effectively carry out the purposes of this chapter, including, but not limited to, an action in any court of competent jurisdiction to enjoin any such acts or practices and to enforce compliance with this chapter or any rule or order hereunder. The order levying such fine shall specify the period within which the fine shall be fully paid and which period shall not be less than fifteen nor more than thirty days from the date of such order. Upon failure to pay any such fine when due the commissioner shall revoke the registration of the registrant, if not already revoked, and the fine shall be recovered in a civil action brought on behalf of the commissioner by the attorney general. Enrolled participants shall have the same priority in the event of liquidation or rehabilitation as the law provides to policyholders of an insurer.

If an enrolled participant is liable to any provider for services provided pursuant to and covered by the health maintenance agreement, that liability shall have the status of an enrolled participant claim for distribution of general assets.

(3) A provider who is obligated by statute or agreement to hold enrolled participants harmless from liability for services provided pursuant to and covered by a health care plan shall have a priority of distribution of the general assets immediately following that of enrolled participants and enrolled participants' beneficiaries as described herein, and immediately proceeding the priority of distribution described in RCW 48.31.280(2)(e). (b) The interest expenses relating to the repayment of a fully subordinated debt shall not be considered uncovered expenditures.

(c) A subordinated debt incurred by a note meeting the requirement of this section, and otherwise acceptable to the commissioner, shall not be considered a liability and shall be recorded as equity.

(4) Every health maintenance organization shall, when determining liabilities, include an amount estimated in the aggregate to provide for any unearned premium and for the payment of all claims for health care expenditures that have been incurred, whether reported or unreported, which are unpaid and for which such organization is or may be liable, and to provide for the expense of adjustment or settlement of such claims.

The funded reserve shall be established as an assurance that the uncovered expenditure obligations of the health maintenance organization to the enrolled participants will be performed.

(2) All income from reserves on deposit with the commissioner shall belong to the depositing health maintenance organization and shall be paid to it as it becomes available.

(3) Any funded reserve required by this section shall be considered an asset of the health maintenance organization in determining the organization's net worth.

(4) A health maintenance organization that has made a securities deposit with the commissioner may, at its option, withdraw the securities deposit or any part of the deposit after first having deposited or provided in lieu thereof an approved surety bond, a deposit of cash or securities, or any combination of these or other deposits of equal amount and value to that withdrawn. Any securities and surety bond shall be subject to approval by the commissioner before being substituted. [1990 c 119 § 6; 1985 c 320 § 4; 1982 c 151 § 3.]

Every such contract shall provide that this requirement shall survive termination of the contract.

(2) The provisions of subsection (1) of this section shall not apply to emergency care from a provider who is not a participating provider, to out-of-area services or, in exceptional situations approved in advance by the commissioner, if the health maintenance organization is unable to negotiate reasonable and cost-effective participating provider contracts.

(3)(a) Each participating provider contract form shall be filed with the commissioner fifteen days before it is used.

(b) Any contract form not affirmatively disapproved within fifteen days of filing shall be deemed approved,
except that the commissioner may extend the approval period an additional fifteen days upon giving notice before the expiration of the initial fifteen-day period. The commissioner may approve such a contract form for immediate use at any time. Approval may be subsequently withdrawn for cause.

(c) Subject to the right of the health maintenance organization to demand and receive a hearing under chapters 48.04 and 34.05 RCW, the commissioner may disapprove such a contract form if it is in any respect in violation of this chapter or if it fails to conform to minimum provisions or standards required by the commissioner by rule under chapter 34.05 RCW.

(4) No participating provider, or agent, trustee, or assignee thereof, may maintain an action against an enrolled participant to collect sums owed by the health maintenance organization. [1990 c 119 § 7.]

48.46.245 Plan for handling insolvency—Commissioner's review. Each health maintenance organization shall have a plan for handling insolvency which allows for continuation of benefits for the duration of the agreement period for which premiums have been paid and continuation of benefits to members who are confined on the date of insolvency in an inpatient facility until their discharge or expiration of benefits. The commissioner shall approve such a plan if it includes:

(1) Insurance to cover the expenses to be paid for continued benefits after insolvency;

(2) Provisions in provider contracts that obligate the provider to provide services for the duration of the period after the health maintenance organization's insolvency for which premium payment has been made and until the enrolled participants' discharge from inpatient facilities;

(4) Acceptable letters of credit or approved surety bonds; or

(5) Any other arrangements the commissioner and the organization mutually agree are appropriate to assure that benefits are continued. [1990 c 119 § 8.]

48.46.247 Insolvency—Commissioner's duties—Participants' options—Allocation of coverage. (1)(a) In the event of insolvency of a health care service contractor or health maintenance organization and upon order of the commissioner, all other carriers then having active enrolled participants under a group plan will have the opportunity to enroll in an existing group plan without medical underwriting during a thirty-day open enrollment period, commencing on the date of the insolvency. Eligible enrolled participants shall not be subject to preexisting condition limitations except to the extent that the waiting period for a preexisting condition has not been satisfied under the insolvent carrier's group plan. An open enrollment period shall not be required where the agreement holder participates in a self-insured, self-funded, or other health plan exempt from commissioner rule, unless the plan administrator and agreement holder voluntarily agree to offer a simultaneous open enrollment and extend coverage under the same enrollment terms and conditions as are applicable to carriers under this title and rules adopted under this title. If an exempt plan was offered during the last regular open enrollment period, then the carrier may offer the agreement holder the same coverage as any self-insured plan or plans offered by the agreement holder without regard to coverage, benefit, or provider requirements mandated by this title for the duration of the current agreement period.

(b) For purposes of this subsection only, the term "carrier" means a health maintenance organization or a health care service contractor. In the event of insolvency of a carrier and if no other carrier has active enrolled participants under a group plan with the affected agreement holder, or if the commissioner determines that the other carriers lack sufficient health care delivery resources to assure that health services will be available or accessible to all of the group enrollees of the insolvent carrier, then the commissioner shall allocate equitably the insolvent carrier's group agreements for these groups among all carriers that operate within a portion of the insolvent carrier's area, taking into consideration the health care delivery resources of each carrier. Each carrier to which a group or groups are allocated shall offer the agreement holder, without medical underwriting, the carrier's existing coverage that is most similar to each group's coverage with the insolvent carrier at rates determined in accordance with the successor carrier's existing rating methodology. The eligible enrolled participants shall not be subject to preexisting condition limitations except to the extent that a waiting period for a preexisting condition has not been satisfied under the insolvent carrier's group plan. No offering by a carrier shall be required where the agreement holder participates in a self-insured, self-funded, or other health plan exempt from commissioner rule. The carrier may offer the agreement holder the same coverage as any self-insured plan or plans offered by the agreement holder without regard to coverage, benefit, or provider requirements mandated by this title for the duration of the current agreement period.

(2) The commissioner shall also allocate equitably the insolvent carrier's nongroup enrolled participants who are unable to obtain coverage among all carriers that operate within a portion of the insolvent carrier's service area, taking into consideration the health care delivery resources of the carrier. Each carrier to which nongroup enrolled participants are allocated shall offer the nongroup enrolled participants the carrier's existing comprehensive conversion plan, without additional medical underwriting, at rates determined in accordance with the successor carrier's existing rating methodology. The eligible enrolled participants shall not be subject to preexisting condition limitations except to the extent that a waiting period for a preexisting condition has not been satisfied under the insolvent carrier's plan.

(3) Any agreements covering participants allocated pursuant to subsections (1)(b) and (2) of this section to carriers pursuant to this section may be rerated after ninety days of coverage.

(4) A limited health care service contractor shall not be required to offer services other than its one limited health

(1992 Ed.)

(1) Any health maintenance agreement under this chapter which provides coverage for dependent children of the enrolled participant shall provide the same coverage for newborn infants of the enrolled participant from and after the moment of birth. Coverage provided under this section shall include, but not be limited to, coverage for congenital anomalies of such children from the moment of birth.

(2) If payment of an additional premium is required to provide coverage for a child, the agreement may require that notification of birth of a newly born child and payment of the required premiums must be furnished to the health maintenance organization. The notification period shall be no less than sixty days from the date of birth. This subsection applies to agreements issued or renewed on or after January 1, 1984. [1984 c 4 § 2; 1983 c 202 § 12.]

48.46.260  Individual health maintenance agreement—Return within ten days of delivery—Refunds—Void from beginning. Every subscriber of an individual health maintenance agreement may return the agreement to the health maintenance organization or the agent through whom it was purchased within ten days of its delivery to the subscriber if, after examination of the agreement, the subscriber is not satisfied with it for any reason. The health maintenance organization shall refund promptly any fee paid for the agreement. An additional ten percent penalty shall be added to any premium refund due which is not paid within thirty days of return of the policy to the health maintenance organization or agent. Upon such return of the agreement, it shall be void from the beginning and the parties shall be in the same position as if no agreement had been issued. Notice of the provisions of this section shall be printed on the face of each such agreement or be attached thereto. [1983 c 202 § 13.]

48.46.270  Financial interests of health maintenance organization authorities, restricted—Exceptions, regulations. [1985 c 320 § 5; 1983 c 202 § 14.]

Each health maintenance agreement issued or renewed after January 1, 1990, that provides benefits for hospital or medical care shall provide benefits for screening or diagnostic mammography services, provided that such services are delivered upon the recommendation of the patient’s physician or advanced registered nurse practitioner as authorized by the board of nursing pursuant to chapter 18.88 RCW or physician’s assistant pursuant to chapter 18.71A RCW.

All services must be provided by the health maintenance organization or rendered upon referral by the health maintenance organization. The amount of benefits payable, or any term, rate, condition, or type of coverage shall not be restricted, modified, excluded, increased, or reduced solely on the basis of a mastectomy or lumpectomy performed on the insured or prospective insured more than five years previously. [1985 c 54 § 4.]

to the enrolled participant and the enrolled participant's covered dependents.

(2) Benefits shall be provided under the optional supplemental coverage for mental health treatment whether treatment is rendered by the health maintenance organization or the health maintenance organization refers the enrolled participant or the enrolled participant's covered dependents for treatment to: (a) A physician licensed under chapter 18.71 or 18.57 RCW; (b) a psychologist licensed under chapter 18.83 RCW; (c) a community mental health agency licensed by the department of social and health services pursuant to chapter 71.24 RCW; or (d) a state hospital as defined in RCW 72.23.010. In order to qualify for coverage under this section, a licensed community mental health agency shall have in effect a plan for quality assurance and peer review, and the treatment shall be supervised by a physician licensed under chapter 18.71 or 18.57 RCW or by a psychologist licensed under chapter 18.83 RCW.

(3) The group health maintenance agreement may provide that all the coverage for mental health treatment is waived for all covered members if the contract holder so states in advance in writing to the health maintenance organization.

(4) This section shall not apply to a group health maintenance agreement that has been entered into in accordance with a collective bargaining agreement between management and labor representatives prior to March 1, 1987. [1987 c 283 § 5; 1986 c 184 § 4; 1983 c 35 § 3.]

Severability—Savings—1987 c 283: See notes following RCW 43.20A.020.

(1) No health maintenance organization nor any individual acting in behalf thereof may guarantee or agree to the payment of future dividends or future refunds of unused charges or savings in any specific or approximate amounts or percentages in respect to any contract being offered to the public, except in a group contract containing an experience refund provision.

(2) The issuance, sale, or offer for sale in this state of securities of its own issue by any health maintenance organization domiciled in this state other than the memberships and bonds of a nonprofit corporation are subject to the provisions of chapter 48.06 RCW relating to obtaining solicitation permits. [1983 c 106 § 8.]

48.46.310 Registration not endorsement. The granting of a certificate of registration to a health maintenance organization is permissive only, and does not constitute an endorsement by the insurance commissioner of any person or thing related to the health maintenance organization, and no person may advertise or display a certificate of registration for use as an inducement in any solicitation. [1983 c 106 § 9.]

48.46.320 Dependent children, termination of coverage, conditions. Any health maintenance agreement which provides that coverage of a dependent child shall terminate upon attainment of the limiting age for dependent children specified in the agreement shall also provide in substance that attainment of such limiting age shall not operate to terminate the coverage of such child while the child is and continues to be both: (1) Incapable of self-sustaining employment by reason of developmental disability or physical handicap; and (2) chiefly dependent upon the subscriber for support and maintenance, if proof of such incapacity and dependency is furnished to the health maintenance organization by the enrolled participant within thirty-one days of the child's attainment of the limiting age and subsequently as required by the health maintenance organization but not more frequently than annually after the two-year period following the child's attainment of the limiting age. [1985 c 320 § 6; 1983 c 106 § 10.]

48.46.340 Return of agreement within ten days. Every subscriber of an individual health maintenance agreement may return the agreement to the health maintenance organization or the agent through whom it was purchased within ten days of its delivery to the subscriber if, after examination of the agreement, the subscriber is not satisfied with it for any reason. The health maintenance organization shall refund promptly any fee paid for the agreement. Upon such return of the agreement, it shall be void from the beginning and the parties shall be in the same position as if no agreement had been issued. Notice of the substance of this section shall be printed on the face of each such agreement or be attached thereto. [1983 c 106 § 12.]

48.46.350 Chemical dependency treatment. Each group agreement for health care services that is delivered or issued for delivery or renewed on or after January 1, 1988, shall contain provisions providing benefits for the treatment of chemical dependency rendered to covered persons by a provider which is an "approved treatment facility or program" under *RCW 70.96A.020(3): PROVIDED, That this section does not apply to any agreement written as supplemental coverage to any federal or state programs of health care including, but not limited to, Title XVIII health insurance for the aged (commonly referred to as Medicare, Parts A&B), and amendments thereto. Treatment shall be covered under the chemical dependency coverage if treatment is rendered by the health maintenance organization or if the health maintenance organization refers the enrolled participant or the enrolled participant's dependents to a physician licensed under chapter 18.57 or 18.71 RCW, or to a qualified counselor employed by an approved treatment facility or program described in *RCW 70.96A.020(3). In all cases, a
health maintenance organization shall retain the right to diagnose the presence of chemical dependency and select the modality of treatment that best serves the interest of the health maintenance organization’s enrolled participant, or the enrolled participant’s covered dependent. [1990 1st ex.s. c 3 § 14; 1987 c 458 § 18; 1983 c 106 § 13.]

*Reviser’s note: RCW 70.96A.020(3) defines “approved treatment program.”

48.46.355 "Chemical dependency" defined. For the purposes of RCW 48.46.350, "chemical dependency" means an illness characterized by a physiological or psychological dependency, or both, on a controlled substance regulated under chapter 69.50 RCW and/or alcoholic beverages. It is further characterized by a frequent or intense pattern of pathological use to the extent the user exhibits a loss of self-control over the amount and circumstances of use; develops symptoms of tolerance or physiological and/or psychological withdrawal if use of the controlled substance or alcoholic beverage is reduced or discontinued; and the user’s health is substantially impaired or endangered or his or her social or economic function is substantially disrupted. [1987 c 458 § 19.]

During that period of time, such agreement may not be altered or changed. Nothing in this section impairs the right of the health maintenance organization to make normal decreases or increases in the cost of the health maintenance agreement upon expiration and renewal of the agreement, in accordance with the agreement. Thereafter, if such health maintenance agreement is no longer available, the employee shall be given the opportunity to convert as specified in RCW 48.46.450 and 48.46.460. When the employee’s compensation is so suspended or terminated, the employee shall be notified immediately by the agreement holder in writing, by mail addressed to the address last of record with the agreement holder, that the employee may pay the cost of the health maintenance agreement to the agreement holder as it becomes due as provided in this section. Payment must be made when due or the coverage may be terminated by the health maintenance organization. [1985 c 7 § 116; 1983 c 106 § 14.]

48.46.370 Coverage not denied for handicap. No health maintenance organization may deny coverage to a person solely on account of the presence of any sensory, mental, or physical handicap. Nothing in this section may be construed as limiting a health maintenance organization’s authority to deny or otherwise limit coverage to a person when the person because of a medical condition does not meet the essential eligibility requirements established by the health maintenance organization for purposes of determining coverage for any person. [1983 c 106 § 15.]

48.46.375 Benefits for prenatal diagnosis of congenital disorders—Agreements entered into or renewed on or after January 1, 1990. On or after January 1, 1990, every group health maintenance agreement entered into or renewed that covers hospital, medical, or surgical expenses and which provides benefits for pregnancy, childbirth, or related medical conditions to enrollees of such groups, shall offer benefits for prenatal diagnosis of congenital disorders of the fetus by means of screening and diagnostic procedures during pregnancy to such enrollees when those services are determined to be medically necessary by the health maintenance organization in accord with standards set in rule by the board of health: PROVIDED, That such procedures shall be covered only if rendered directly by the health maintenance organization or upon referral by the health maintenance organization. Every group health maintenance organization shall communicate the availability of such coverage to all groups covered and to all groups with whom they are negotiating. [1988 c 276 § 8.]

Prenatal testing—Limitation on changes to coverage: RCW 48.42.090.

48.46.380 Procedure upon cancellation, denial, or refusal to renew agreement. Every authorized health maintenance organization, upon canceling, denying, or refusing to renew any individual health maintenance agreement, shall, upon written request, directly notify in writing the applicant or enrolled participant as appropriate, of the reasons for the action by the health maintenance organization. Any benefits, terms, rates, or conditions of such agreement which are restricted, excluded, modified, increased, or reduced because of the presence of a sensory, mental, or physical handicap shall, upon written request, be set forth in writing and supplied to the individual. The written communications required by this section shall be phrased in simple language which is readily understandable to a person of average intelligence, education, and reading ability. [1983 c 106 § 16.]

48.46.390 Providing information on cancellation or refusal—No liability for insurance commissioner or health maintenance organization. With respect to the provisions of health maintenance agreements as set forth in RCW 48.46.380, there shall be no liability on the part of, and no cause of action of any nature shall arise against, the insurance commissioner, the commissioner’s agents, or members of the commissioner’s staff, or against any health maintenance organization, its authorized representative, its agents, its employees, for providing to the health maintenance organization information as to reasons for cancellation or refusal to issue or renew, for libel or slander on the basis
of any statement made by any of them in any written notice of cancellation or refusal to issue or renew, or in any other communications, oral or written, specifying the reasons for cancellation or refusal to issue or renew or the providing of information pertaining thereto, or for statements made or evidence submitted in any hearing conducted in connection therewith. [1983 c 106 § 17.]

48.46.400 False or misleading advertising prohibited. No person may knowingly make, publish, or disseminate any false, deceptive, or misleading representation or advertising in the conduct of the business of a health maintenance organization, or relative to the business of a health maintenance organization or to any person engaged therein. [1983 c 106 § 18.]

48.46.410 Misrepresentations to induce termination or retention of agreement prohibited. No health maintenance organization nor any person representing a health maintenance organization may by misrepresentation or misleading comparisons induce or attempt to induce any member of a health maintenance organization to terminate or retain an agreement or membership in the organization. [1983 c 106 § 19.]

48.46.420 Penalty for violations. (1) Any health maintenance organization which, or person who, violates any provision of this chapter shall be guilty of a gross misdemeanor.

(2) A health maintenance organization that fails to comply with the net worth requirements of this chapter must cure that defect in compliance with an order of the commissioner rendered in conformity with rules adopted pursuant to chapter 34.05 RCW. The commissioner is authorized to take appropriate action to assure that the continued operation of the health maintenance organization will not be hazardous to its enrolled participants. [1990 c 119 § 10; 1983 c 106 § 20.]

48.46.440 Continuation option to be offered. Every health maintenance organization that issues agreements providing group coverage for hospital or medical care shall offer the agreement holder an option to include an agreement provision granting a person who becomes ineligible for coverage under the group agreement, the right to continue the group benefits for a period of time and at a rate agreed upon. The agreement provision shall provide that when such coverage terminates the covered person may convert to an agreement as provided in RCW 48.46.450. [1984 c 190 § 8.]

Legislative intent—Application—Severability—1984 c 190: See notes following RCW 48.21.250.

(2) A health maintenance organization need not offer a conversion agreement to:

(a) A person whose coverage under the group agreement ended when the person’s employment or membership was terminated for misconduct: PROVIDED, That when a person’s employment or membership is terminated for misconduct, a conversion policy shall be offered to the spouse and/or dependents of the terminated employee or member. The policy shall include in the conversion provisions the same conversion rights and conditions which are available to employees or members and their spouses and/or dependents who are terminated for reasons other than misconduct;

(b) A person who is eligible for federal Medicare coverage; or

(c) A person who is covered under another group plan, policy, contract, or agreement providing benefits for hospital or medical care.

(3) To obtain the conversion agreement, a person must submit a written application and the first premium payment for the conversion agreement not later than thirty-one days after the date the person’s eligibility for group coverage terminates. The conversion agreement shall become effective without lapse of coverage, immediately following termination of coverage under the group agreement.

(4) If a health maintenance organization or group agreement holder does not renew, cancels, or otherwise terminates the group agreement, the health maintenance organization shall offer a conversion agreement to any person who was covered under the terminated agreement unless the person is eligible to obtain group benefits for hospital or medical care within thirty-one days after such nonrenewal, cancellation, or termination of the group agreement.

(5) The health maintenance organization shall determine the premium for the conversion agreement in accordance with the organization’s table of premium rates applicable to the age and class of risk of each person to be covered under the agreement and the type and amount of benefits provided. [1984 c 190 § 9.]

Legislative intent—Severability—1984 c 190: See notes following RCW 48.21.250.

48.46.460 Conversion agreement—Restrictions and requirements. (1) A health maintenance organization must offer a conversion agreement for comprehensive health care services and shall not require proof of insurability as a condition for issuance of the conversion agreement.

(2) A conversion agreement may not contain an exclusion for preexisting conditions except to the extent that a waiting period for a preexisting condition has not been satisfied under the group agreement.

(3) A conversion agreement need not provide benefits identical to those provided under the group agreement. The conversion agreement may contain provisions requiring the
person covered by the conversion agreement to pay reasonable deductibles and copayments.

(4) The insurance commissioner shall adopt rules to establish minimum benefit standards for conversion agreements.

(5) The commissioner shall adopt rules to establish specific standards for conversion agreement provisions. These rules may include but are not limited to:

(a) Terms of renewability; 
(b) Nonduplication of coverage; 
(c) Benefit limitations, exceptions, and reductions; and  
(d) Definitions of terms. [1984 c 190 § 10.]

Legislative intent—Severability—1984 c 190: See notes following RCW 48.21.250.

48.46.470 Endorsement of modifications. If an individual health care service agreement is issued on any basis other than as applied for, an endorsement setting forth such modification must accompany and be attached to the agreement. No agreement shall be effective unless the endorsement is signed by the applicant, and a signed copy thereof returned to the health maintenance organization. [1985 c 320 § 7.]

[1985 c 320 § 8.]

48.46.490 Coverage for adopted children. (1) Any health maintenance agreement under this chapter which provides coverage for dependent children, as defined in the agreement of the enrolled participant, shall cover adoptive children placed with the enrolled participant on the same basis as other dependents, as provided in RCW 48.01.180.

(2) If payment of an additional premium is required to provide coverage for a child, the agreement may require that notification of placement of a child for adoption and payment of the required premium must be furnished to the health maintenance organization. The notification period shall be no less than sixty days from the date of placement. [1986 c 140 § 5.]

Effective date, application—Severability—1986 c 140: See notes following RCW 48.01.180.

48.46.500 Cancellation of rider. Upon application by an enrollee, a rider shall be canceled if at least five years after its issuance, no health care services have been received by the enrollee during that time for the condition specified in the rider, and a physician, selected by the carrier for that purpose, agrees in writing to the full medical recovery of the enrollee from that condition, such agreement not to be unreasonably withheld. The option of the enrollee to apply for cancellation shall be disclosed on the face of the rider in clear and conspicuous language.

For purposes of this section, a rider is a legal document that modifies a contract to exclude, limit, or reduce coverage or benefits for specifically named or described preexisting diseases or physical conditions. [1987 c 37 § 4.]

48.46.510 Phenylketonuria. (1) The legislature finds that:

(b) Children with phenylketonuria are unable to metabolize an essential amino acid, phenylalanine, which is found in the proteins of most food.

(c) To remain healthy, children with phenylketonuria must maintain a strict diet and ingest a mineral and vitamin-enriched formula.

(d) Children who do not maintain their diets with the formula acquire severe mental and physical difficulties.

(e) Originally, the formulas were listed as prescription drugs but were reclassified as medical foods to increase their availability.

(2) Subject to requirements and exceptions which may be established by rules adopted by the commissioner, any agreement for health care services delivered or issued for delivery or renewed in this state on or after September 1, 1988, shall provide coverage for the formulas necessary for the treatment of phenylketonuria. Such formulas shall be covered when deemed medically necessary by the medical director or his or her designee of the health maintenance organization and if provided by the health maintenance organization or upon the health maintenance organization's referral. Formulas shall be covered at the usual and customary rates for such formulas, subject to contract provisions with respect to deductible amounts or co-payments. [1988 c 173 § 4.]

48.46.520 Neurodevelopmental therapies—Employer-sponsored group contracts. (1) Each employer-sponsored group contract for comprehensive health care service which is entered into, or renewed, on or after twelve months after July 23, 1989, shall include coverage for neurodevelopmental therapies for covered individuals age six and under.

(2) Benefits provided under this section shall cover the services of those authorized to deliver occupational therapy, speech therapy, and physical therapy. Nothing in this section shall prohibit a health maintenance organization from negotiating rates with qualified providers.

(3) Benefits provided under this section shall be for medically necessary services as determined by the health maintenance organization. Benefits shall be provided for the maintenance of a covered enrollee in cases where significant deterioration in the patient's condition would result without the service. Benefits shall be provided to restore and improve function.

(4) It is the intent of this section that employers purchasing comprehensive group coverage including the benefits required by this section, together with the health maintenance

(a) Health maintenance organizations offering medical coverage only may limit benefits in such coverages to medical services related to treatment of temporomandibular joint disorders. No health maintenance organizations offering medical and dental coverage may limit benefits in such coverage to dental services related to treatment of temporomandibular joint disorders. No health maintenance organization offering medical coverage only may define all temporomandibular joint disorders as purely dental in nature.

(b) Health maintenance organizations offering optional temporomandibular joint disorder coverage as provided in this section may, but are not required to, offer lesser or no temporomandibular joint disorder coverage as part of their basic group disability contract.

(c) Benefits and coverage offered under this section may be subject to negotiation to promote broad flexibility in potential benefit coverage. This flexibility shall apply to services to be reimbursed, determination of treatments to be considered medically necessary, systems through which services are to be provided, including referral systems and use of other providers, and related issues.

(2) Unless otherwise directed by law, the insurance commissioner shall adopt rules, to be implemented on January 1, 1993, establishing minimum benefits, terms, definitions, conditions, limitations, and provisions for the use of reasonable deductibles and copayments.

(3) A health maintenance organization need not make the offer of coverage required by this section to an employer or other group that offers to its eligible enrollees a self-insured health plan not subject to mandated benefit statutes under Title 48 RCW that does not provide coverage for temporomandibular joint disorders. [1989 c 331 § 4.]

After October 1, 1991, a health maintenance organization providing coverage of prescription drugs from nonresident pharmacies may only provide coverage from licensed nonresident pharmacies. The health maintenance organizations shall obtain proof of current licensure in conformity with this section and RCW 18.64.350 through 18.64.400 from the nonresident pharmacy and keep that proof of licensure on file.

The department may request from the health maintenance organization the proof of current licensure for all nonresident pharmacies through which the insurer is providing coverage for prescription drugs for residents of the state of Washington. This information, which may constitute a full or partial customer list, shall be confidential and exempt from public disclosure, and from the requirements of chapter 42.17 RCW. The board or the department shall not be restricted in the disclosure of the name of a nonresident pharmacy that is or has been licensed under RCW 18.64.360 or 18.64.370 or of the identity of a nonresident pharmacy disciplined under RCW 18.64.350 through 18.64.400. [1991 c 87 § 10.]

Effective date—1991 c 87: See note following RCW 18.64.350.

48.46.905 Studies by legislature. The legislature shall make a study of the appropriate financial security requirements, investment restrictions, bonding requirements, and the possibilities of providing arbitration proceedings as an acceptable grievance procedure for health maintenance organizations, and shall also study the establishment of a system for classifying contracts for health care coverage by health maintenance organizations and all other health care contractors and insurers according to the benefits they offer and appropriate procedures for quality review.

In all such studies under this section, the legislature may be advised by a committee which shall be generally representative of health maintenance organizations, consumers, professional organizations representing health professionals, and a representative of the commissioner. The results of such studies shall be reported to the governor and to the legislature prior to the first session of the legislature after January 1, 1977. [1975 1st ex.s. c 290 § 25.]

48.46.910 Severability—1975 1st ex.s. c 290. If any provision of this 1975 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected. [1975 1st ex.s. c 290 § 26.]

48.50.030 Release of information or evidence by insurer. (1) Any authorized agency may request, in writing, that an insurer release to the agency any or all relevant information or evidence which may be in its possession relating to a particular fire loss, if such information or evidence is deemed important by the agency in its discretion. The information requested may include, without limitation:

(a) Pertinent insurance policy information relating to a fire loss under investigation and any application for such a policy;
(b) Policy premium payment records which are available;
(c) History of previous claims made by the insured; and

In denying a claim resulting from a fire, an insurer who relies upon a written opinion from an authorized agency specifically enumerated in (a) through (e) of RCW 48.50.020(1) that the fire was caused by arson, and that the insured was responsible for the fire, shall not be liable for bad faith or other noncontractual theory of damages as a result of this reliance.

Immunity under this section shall exist only so long as the incident for which the insured may be responsible is under active investigation or prosecution, or the authorized agency states its position that the claim is a result of arson for which the insured was responsible. [1981 c 320 § 2.]

48.50.080 Information released only in criminal or civil proceedings. (1) The director of community development, through the director of fire protection, may designate certain classes of occupancy within a geographic area or may designate geographic areas as having an abnormally high incidence of arson. This designation shall not be a valid reason for cancellation, refusal to issue or renew, modification, or increasing the premium for any fire insurance policy.

(2) A fire insurance policy may not be issued to insure any property within a class of occupancy within a geographic area or within a geographic area designated by the director of community development, through the director of fire protection, as having an abnormally high incidence of arson until the applicant has submitted an anti-arson application and the insurer or the insurer's representative has inspected the property. The application shall be prescribed by the director of community development, through the director of fire protection, and shall contain but not be limited to the following:

(a) The name and address of the prospective insured and any mortgagees or other parties having an ownership interest in the property to be insured;
(b) The amount of insurance requested and the method of valuation used to establish the amount of insurance;
(c) The dates and selling prices of the property, if any, during the previous three years;
(d) Fire losses exceeding one thousand dollars during the previous five years for property in which the prospective insured held an equity interest or mortgage;

(f) Present or anticipated occupancy of the structure, and whether a certificate of occupancy has been issued;
(g) Signature and title, if any, of the person submitting the application.

(3) If the facts required to be reported by subsection (2) of this section materially change, the insured shall notify the insurer of any such change within fourteen days.

(4) An anti-arson application is not required for:
(a) Fire insurance policies covering one to four-unit owner-occupied residential dwellings;
(b) policies existing as of June 10, 1982; or
(c) the renewal of these policies.

(5) An anti-arson application shall contain a notice stating: "Designation of a class of occupancy within a geographic area or geographic areas as having an abnormally high incidence of arson shall not be a valid reason for cancellation, refusal to issue or renew, modification, or increasing the premium for any fire insurance policy." [1986 c 266 § 92; 1982 c 110 § 2.]

Severability—1986 c 266: See note following RCW 38.52.005.

(5) From which fixed and salvageable items have been removed, indicating an intent to vacate the structure;

(6) For which, without reasonable explanation, heat, water, sewer, and electricity are not furnished for sixty consecutive days; and

(7) Which is not maintained in substantial compliance with fire, safety, and building codes. [1982 c 110 § 3.]

48.53.040 Cancellation of policy—Procedure. An insurer may cancel a fire insurance policy when the requirements of RCW 48.53.030 are met only in accordance with the following procedure:

(4) The portion of any premium paid to the insurer on account of the policy, unearned because of the cancellation and in an amount as computed on a pro rata basis, must be actually paid or mailed to the insured or other person entitled thereto as shown by the policy or any endorsement thereon, as soon as possible, and no later than thirty days after the date that the notice of cancellation was issued. [1982 c 110 § 4.]

48.53.050 Issuance or cancellation of policy in violation of chapter. (1) Any fire insurance policy issued in violation of this chapter shall not be canceled by the insurer under the procedures authorized by this chapter.

(2) Cancellation of a fire insurance policy in violation of this chapter shall constitute a violation of this title. [1982 c 110 § 5.]

In lieu of revoking or suspending the license for any of the causes enumerated in this section, after hearing as herein provided, the commissioner may subject such company to a penalty of not more than two hundred dollars for each offense when in his judgment he finds that the public interest would not be harmed by the continued operation of such company. The amount of any such penalty shall be paid by such company through the office of the commissioner to the state treasurer. The information required by subsection (1) need not be stated in the sequence or order in which they appear in such paragraph (c), and additional items may be included to explain the computations made in determining the amount to be paid by the insured.

(3) The information required by subsection (1) of this section shall only be required in the initial agreement where the premium finance company and the insured enter into an open end credit transaction, which is defined as follows: A plan prescribing the terms of credit transactions which may be made thereunder from time to time and under the terms of which a finance charge may be computed on the outstanding unpaid balance from time to time thereunder.

The preservation of records in photographic form shall constitute compliance with this requirement. [1969 ex.s. c 190 § 6.]

48.56.070 Rules and regulations. The commissioner shall have authority to make and enforce such reasonable rules and regulations as may be necessary in making effective the provisions of this chapter, but such rules and regulations shall not be contrary to nor inconsistent with the provisions of this chapter. (5) It shall be illegal for a premium finance company to offset funds of an agent with funds belonging to an insured. Premiums advanced by a premium finance company are funds belonging to the insured and shall be held in a fiduciary relationship. [1975-76 2nd ex.s. c 119 § 6; 1969 ex.s. c 190 § 8.]
48.56.000 Service charge. (1) A premium finance company shall not charge, contract for, receive, or collect a service charge other than as permitted by this chapter.

(2) The service charge is to be computed on the balance of the premiums due (after subtracting the down payment made by the insured in accordance with the premium finance agreement) from the effective date of the insurance coverage, for which the premiums are being advanced, to and including the date when the final installment of the premium finance agreement is payable.

A premium finance agreement may provide for the payment by the insured of a delinquency charge of one dollar to a maximum of five percent of the delinquent installment but not to exceed five dollars on any installment which is in default for a period of five days or more.

If the default results in the cancellation of any insurance contract listed in the agreement, the agreement may provide for the payment by the insured of a cancellation charge equal to the difference between any delinquency charge imposed with respect to the installment in default and five dollars. [1969 ex.s. c 190 § 10.]

48.56.090 Cancellation of insurance contract. (1) When a premium finance agreement contains a power of attorney enabling the premium finance company to cancel any insurance contract or contracts listed in the agreement, the insurance contract or contracts shall not be canceled by the premium finance company unless such cancellation is effectuated in accordance with this section.

(2) Not less than ten days’ written notice shall be mailed to the insured of the intent of the premium finance company to cancel the insurance contract unless the default is cured within such ten day period.

(3) After expiration of such ten day period, the premium finance company may thereafter request in the name of the insured, cancellation of such insurance contract or contracts by mailing to the insurer a notice of cancellation, and the insurance contract shall be canceled as if such notice of cancellation had been submitted by the insured himself, but without requiring the return of the insurance contract or contracts. The premium finance company shall also mail a notice of cancellation to the insured at his last known address.

(4) All statutory, regulatory, and contractual restrictions providing that the insurance contract may not be canceled unless notice is given to a governmental agency, mortgagee, or other third party shall apply where cancellation is effectuated under the provisions of this section. The insurer shall give the prescribed notice in behalf of itself or the insured to any governmental agency, mortgagee, or other third party on or before the second business day after the day it receives the notice of cancellation from the premium finance company and shall determine the effective date of cancellation taking into consideration the number of days notice required to complete the cancellation. [1969 ex.s. c 190 § 11.]

48.56.120 Cancellation of insurance contract—Return of unearned premiums. (1) Whenever a financed insurance contract is canceled, the insurer shall return whatever gross unearned premiums are due under the insurance contract to the premium finance company for the account of the insured or insureds.

(2) In the event that the crediting of return premiums to the account of the insured results in a surplus over the amount due from the insured, the premium finance company shall refund such excess to the insured: PROVIDED, That no such refund shall be required if it amounts to less than one dollar. [1969 ex.s. c 190 § 12.]

48.56.130 Filing of agreement. No filing of the premium finance agreement shall be necessary to perfect the validity of such agreement as a secured transaction as against creditors, subsequent purchasers, pledgees, encumbrancers, successors, or assigns. [1969 ex.s. c 190 § 13.]

48.58.010 Riot reinsurance reimbursement—Assessments. (1) The commissioner may reimburse the secretary of the department of housing and urban development under the provisions of Section 1223(a)(1) of the Urban Property Protection and Reinsurance Act of 1968 (Public Law 90-448) for losses reinsured by the secretary of the department of housing and urban development and occurring in this state on or after August 1, 1968. After receipt by the state treasurer of a statement requesting reimbursement from the secretary of the department of housing and urban development and upon certification promptly made by the commissioner of insurance, hereafter referred to as the commissioner, of the correctness of the amount thereof, the commissioner is hereby authorized to provide for an assessment upon insurers authorized to do business in this state in amounts sufficient to pay reimbursement to the secretary of the department of housing and urban development: PROVIDED, That the amount assessed each insurer shall be in the same proportion that the premiums written by each insurer in this state bear to the aggregate premiums written in this state by all insurance companies on those lines for which reinsurance was available in this state from the secretary of the department of housing and urban development during the preceding calendar year.
(2) In the event any insurer fails, by reason of insolvency, to pay any assessment as provided herein, the amount assessed each insurer, as computed under subsection (1) of this section, shall be immediately recalculated excluding therefrom the insolvent insurer so that its assessment is, in effect, assumed and redistributed among the remaining insurers.

(3) When assessments as provided herein are made, the individual insurer, after having paid the full amount assessed against the insurer, may deduct from future premium tax liabilities an amount not to exceed twenty percent per annum until such deductions equal the amount of the assessment levied against the insurer.

(4) This section shall cease to be of any force and effect upon termination of the Urban Property Protection and Reinsurance Act of 1968 (Public Law 90-448), except that obligations incurred pursuant to the provisions of this section shall not be impaired by the expiration of the same.

(5) Notwithstanding the termination of the Urban Property Protection and Reinsurance Act of 1968 (Public Law 90-448), the commissioner is authorized to continue in force the program developed in response to that act, the Washington essential property insurance inspection and placement program, in order to provide essential property insurance within the state where it cannot be obtained through the normal insurance market. This chapter is intended to provide the exclusive source of local government entity authority to individually or jointly self-insure risks, jointly purchase insurance or reinsurance, and to contract for risk management, claims, and administrative services. This chapter shall be liberally construed to grant local government entities maximum flexibility in self-insuring to the extent the self-insurance programs are operated in a safe and sound manner. This chapter is intended to require prior approval for the establishment of every individual local government self-insured employee health and welfare benefit program and every joint local government self-insurance program. In addition, this chapter is intended to require every local government entity that establishes a self-insurance program not subject to prior approval to notify the state of the existence of the program and to comply with the regulatory and statutory standards governing the management and operation of the programs as provided in this chapter. This chapter is not intended to authorize or regulate self-insurance of unemployment compensation under chapter 50.44 RCW, or industrial insurance under chapter 51.14 RCW. [1991 sp.s. c 30 § 1.]

(2) "Risk assumption" means a decision to absorb the entity’s financial exposure to a risk of loss without the creation of a formal program of advance funding of anticipated losses.

(3) "Self-insurance" means a formal program of advance funding and management of entity financial exposure to a risk of loss that is not transferred through the purchase of an insurance policy or contract.

(4) "Health and welfare benefits" means a plan or program established by a local government entity or entities for the purpose of providing its employees and their dependents, and in the case of school districts, its district employees, students, directors, or any of their dependents, with health care, accident, disability, death, and salary protection benefits.

(5) "Property and liability risks" includes the risk of property damage or loss sustained by a local government entity and the risk of claims arising from the tortious or negligent conduct or any error or omission of the local government entity, its officers, employees, agents, or volunteers as a result of which a claim may be made against the local government entity.

The state risk manager shall approve or disapprove the proposed change within sixty days of receipt of the notice. If the state risk manager denies a requested change, the risk manager shall specify in detail the reasons for denial and the manner in which the program would fail to meet the requirements of this chapter or any rules adopted in accordance with this chapter. [1991 sp.s. c 30 § 9.]

48.62.101 Access to information—Executive sessions—Public disclosure act. (1) All self-insurance programs governed by this chapter may provide for executive sessions in accordance with chapter 42.30 RCW to consider litigation and settlement of claims when it appears that public discussion of these matters would impair the program’s ability to conduct its business effectively.

(2) Notwithstanding any provision to the contrary contained in the public disclosure act, chapter 42.17 RCW, in a claim or action against the state or a local government entity, no person is entitled to discover that portion of any funds or liability reserve established for purposes of satisfying a claim or cause of action, except that the reserve is discoverable in a supplemental or ancillary proceeding to enforce a judgment. All other records of individual or joint self-insurance programs are subject to disclosure in accordance with chapter 42.17 RCW.

(3) In accordance with chapter 42.17 RCW, bargaining groups representing local government employees shall have reasonable access to information concerning the experience and performance of any health and welfare benefits program.
established for the benefit of such employees. [1991 sp.s c 30 § 10.]

48.62.111 Investments—Designated treasurer—Deposit requirements—Bond. (1) The assets of a joint self-insurance program governed by this chapter may be invested only in accordance with the general investment authority that participating local government entities possess as a governmental entity.

(2) Except as provided in subsection (3) of this section, a joint self-insurance program may invest all or a portion of its assets by depositing the assets with the treasurer of a county within whose territorial limits any of its member local government entities lie, to be invested by the treasurer for the joint program.

(3) Local government members of a joint self-insurance program may by resolution of the program designate some other person having experience in financial or fiscal matters as treasurer of the program, if that designated treasurer is located in Washington state. The program shall, unless the program’s treasurer is a county treasurer, require a bond obtained from a surety company authorized to do business in Washington in an amount and under the terms and conditions that the program finds will protect against loss arising from mismanagement or malfeasance in investing and managing program funds. The program may pay the premium on the bond.

All program funds must be paid to the treasurer and shall be disbursed by the treasurer only on warrants issued by the treasurer or a person appointed by the program and upon orders or vouchers approved by the program or as authorized under chapters 35A.40 and 42.24 RCW. The treasurer shall establish a program account, into which shall be recorded all program funds, and the treasurer shall maintain such special accounts as may be created by the program into which the treasurer shall record all money as the program may direct by resolution.

(4) The Treasurer of the joint program shall deposit all program funds in a qualified public depository or depositories as defined in RCW 39.58.010(2) and under the same restrictions, contracts, and security as provided for any participating local government entity, and such depository shall be designated by resolution of the program.

(5) A joint self-insurance program may invest all or a portion of its assets by depositing the assets with the state investment board, to be invested by the state investment board in accordance with chapter 43.33A RCW. The state investment board shall designate a manager for those funds to whom the program may direct requests for disbursement upon orders or vouchers approved by the program or as authorized under chapters 35A.40 and 42.24 RCW.

(6) All interest and earnings collected on joint program funds belong to the program and must be deposited to the program’s credit in the proper program account.

(7) A joint program may require a reasonable bond from any person handling money or securities of the program and may pay the premium for the bond.

(8) Subsections (3) and (4) of this section do not apply to a multistate joint self-insurance program governed by RCW 48.62.081. [1991 sp.s c 30 § 11.]

48.62.121 General operating regulations—Employee remuneration—Governing control—School districts—Use of agents and brokers—Health care services. (1) No employee or official of a local government entity may directly or indirectly receive anything of value for services rendered in connection with the operation and management of a self-insurance program other than the salary and benefits provided by his or her employer or the reimbursement of expenses reasonably incurred in furtherance of the operation or management of the program. No employee or official of a local government entity may accept or solicit anything of value for personal benefit or for the benefit of others under circumstances in which it can be reasonably inferred that the employee’s or official’s independence of judgment is impaired with respect to the management and operation of the program.

(2) No local government entity may participate in a joint self-insurance program in which local government entities do not retain complete governing control. This prohibition does not apply to local government contribution to a self-insured employee health and welfare benefits plan otherwise authorized and governed by state statute nor to local government participation in a multistate joint program where control is shared with local government entities from other states.

(3) Moneys made available and moneys expended by school districts and educational service districts for self-insurance under this chapter are subject to such rules of the superintendent of public instruction as the superintendent may adopt governing budgeting and accounting. However, the superintendent shall ensure that the rules are consistent with those adopted by the state risk manager for the management and operation of self-insurance programs.

(5) Every individual and joint local government self-insured health and welfare benefits program that provides comprehensive coverage for health care services shall include mandated benefits that the state health care authority is required to provide under RCW 41.05.170 and 41.05.180. The state risk manager may adopt rules identifying the mandated benefits. [1991 sp.s c 30 § 12.]

48.62.125 Educational service districts—Rules—Superintendent of public instruction. All rules adopted by the superintendent of public instruction by January 1, 1992, that apply to self-insurance programs of educational service districts remain in effect until expressly amended, repealed, or superseded by the state risk manager or the state health care authority. [1991 sp.s c 30 § 31.]

48.62.131 Preexisting programs—Notice to state auditor. Every local government entity that has established a self-insurance program not subject to the prior approval requirements of this chapter shall provide written notice to the state auditor of the existence of the program. The notice must identify the manager of the program and the class or classes of risk self-insured. The notice must also identify all investments and distribution of assets of the program, the current depository of assets and the program’s designation of asset depository and investment agent as required by RCW
48.62.111. In addition, the local government entity shall notify the state auditor whenever the program covers a new class of risk or discontinues the self-insurance of a class of risk. [1991 sp.s. c 30 § 13.]

48.62.141 Insufficient assets—Program requirement. Every joint self-insurance program covering liability or property risks, excluding multistate programs governed by RCW 48.62.081, shall provide for the contingent liability of participants in the program if assets of the program are insufficient to cover the program’s liabilities. [1991 sp.s. c 30 § 14.]

48.62.151 Insurance premium taxes—Exemption. A joint self-insurance program approved in accordance with this chapter is exempt from insurance premium taxes, from fees assessed under chapter 48.02 RCW, from chapters 48.32 and 48.32A RCW, from business and occupations taxes imposed under chapter 82.04 RCW, and from any assigned risk plan or joint underwriting association otherwise required by law. This section does not apply to and no exemption is provided for insurance companies issuing policies to cover program risks, nor does it apply to or provide an exemption for third-party administrators or brokers serving the self-insurance program. [1991 sp.s. c 30 § 15.]

48.62.161 Establishment of fee to cover costs—Boards—State risk manager. (1) The state risk manager shall establish and charge an investigation fee in an amount necessary to cover the costs for the initial review and approval of a self-insurance program. The fee must accompany the initial submission of the plan of operation and management.

(2) The costs of subsequent reviews and investigations shall be charged to the self-insurance program being reviewed or investigated in accordance with the actual time and expenses incurred in the review or investigation.

(3) After the formation of the two advisory boards, each board may calculate, levy, and collect from each joint property and liability self-insurance program and each individual and joint health and welfare benefit program regulated by this chapter a start-up assessment to pay initial expenses and operating costs of the boards and the risk manager’s office in administering this chapter. Any program failing to remit its assessment when due is subject to denial of permission to operate or to a cease and desist order until the assessment is paid. [1991 sp.s. c 30 § 16.]

48.62.171 Dissemination of information—Civil immunity. (1) Any person who files reports or furnishes other information required under Title 48 RCW, required by the risk manager or the state auditor under authority granted by Title 48 RCW, or which is useful to the risk manager or the state auditor in the administration of Title 48 RCW, shall be immune from liability in any civil action or suit arising from the filing of any such report or furnishing such information to the risk manager or to the state auditor, unless actual malice, fraud, or bad faith is shown.

(2) The risk manager and the state auditor, and the agents and employees of each, are immune from liability in any civil action or suit arising from the publication of any report or bulletins or arising from dissemination of information related to the official activities of the risk manager, the advisory boards, or the state auditor, unless actual malice, fraud, or bad faith is shown.

(3) The immunity granted by this section is in addition to any common law or statutory privilege or immunity enjoyed by such person, and nothing in this section is intended to abrogate or modify in any way such common law or statutory privilege or immunity. [1991 sp.s. c 30 § 17.]

48.62.900 Effective date, implementation, application—1991 sp.s. c 30. (1) This act shall take effect January 1, 1992, but the state risk manager shall take all steps necessary to implement this act on its effective date.

(2) Every individual local government self-insured employee health and welfare plan and self-insurance program that has been in continuous operation for at least one year before January 1, 1992, need not obtain approval to continue operations until January 1, 1993, but must comply with all other provisions of this act.

(3) Local government entity authority to self-insure employee health and welfare benefits applies retroactively to 1979. [1991 sp.s. c 30 § 30.]

48.62.901 Severability—1991 sp.s. c 30. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1991 sp.s. c 30 § 32.]

48.66.010 Title 48 RCW: Mental insurance as defined in this chapter. The provisions of this chapter shall apply in addition to, rather than in place of, other requirements of Title 48 RCW. [1981 c 153 § 1.]

48.66.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Medicare supplemental insurance" or "medicare supplement insurance policy" refers to a group or individual policy of disability insurance or a subscriber contract of a health care service contractor, a health maintenance organization, or a fraternal benefit society, which relates its benefits to medicare, or which is advertised, marketed, or designed primarily as a supplement to reimbursements under medicare for the hospital, medical, or surgical expenses of persons eligible for medicare. Such term does not include:

(a) A policy or contract of one or more employers or labor organizations, or of the trustees of a fund established by one or more employers or labor organizations, or combination thereof, for employees or former employees, or combination thereof, or for members or former members, or combination thereof, of the labor organizations; or

(b) A policy issued pursuant to a contract under Section 1876 or Section 1833 of the federal social security act (42 U.S.C. Sec. 1395 et seq.), or an issued policy under a demonstration project authorized pursuant to amendments to the federal social security act; or

(c) Insurance policies or health care benefit plans, including group conversion policies, provided to medicare eligible persons, that are not marketed or held to be medicare supplement policies or benefit plans.

(2) "Medicare" means the "Health Insurance for the Aged Act," Title XVIII of the Social Security Amendments of 1965, as then constituted or later amended.

(3) "Medicare eligible expenses" means health care expenses of the kinds covered by medicare, to the extent recognized as reasonable and medically necessary by medicare.

(4) "Applicant" means:

(a) In the case of an individual medicare supplement insurance policy or subscriber contract, the person who seeks to contract for insurance benefits; and

(b) In the case of a group medicare supplement insurance policy or subscriber contract, the proposed certificate holder.

(5) "Certificate" means any certificate delivered or issued for delivery in this state under a group medicare supplement insurance policy.

(6) "Loss ratio" means the incurred claims as a percentage of the earned premium computed under rules adopted by the insurance commissioner.

(7) "Preexisting condition" means a covered person's medical condition that caused that person to have received medical advice or treatment during a specified time period immediately prior to the effective date of coverage.

(8) "Disclosure form" means the form designated by the insurance commissioner which discloses medicare benefits, the supplemental benefits offered by the insurer, and the remaining amount for which the insured will be responsible.

(9) "Issuer" includes insurance companies, health care service contractors, health maintenance organizations, fraternal benefit societies, and any other entity delivering or issuing for delivery in this state medicare supplement policies or certificates. [1992 c 138 § 1; 1981 c 153 § 2.]

48.66.030 Renewability—Benefit standards—Benefit limitations. (1) A medicare supplement insurance policy which provides for the payment of benefits may not be based on standards described as "usual and customary," "reasonable and customary," or words of similar import.

(2) Limitations on benefits, such as policy exclusions or waiting periods, shall be labeled in a separate section of the policy or placed with the benefit provisions to which they apply, rather than being included in other sections of the policy, rider, or endorsement. [1992 c 138 § 2; 1981 c 153 § 3.]

48.66.035 Commissioner's approval required. (1) A medicare supplement insurance policy or certificate form or application form, rider, or endorsement shall not be issued, delivered, or used unless it has been filed with and approved by the commissioner.

(2) Rates, or modification of rates, for medicare supplement policies or certificates shall not be used until filed with and approved by the commissioner.

(3) Every filing shall be received not less than thirty days in advance of any such issuance, delivery, or use. At the expiration of such thirty days the form or rate so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the commissioner. The commissioner may extend by not more than an additional fifteen days the period within which he or she may affirmatively approve or disapprove any such form or rate, by giving notice of such extension before expiration of the initial thirty-day waiting period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form or rate shall be deemed approved. A filing of a form or rate or modification thereto may not be deemed approved unless the filing contains all required documents prescribed by the commissioner. The commissioner may withdraw any such approval at any time for cause. By approval of any such form or rate for immediate use, the commissioner may waive any unexpired portion of such initial thirty-day waiting period.

(4) The commissioner's order disapproving any such form or rate or withdrawing a previous approval shall state the grounds therefor.

(5) A form or rate shall not knowingly be issued, delivered, or used if the commissioner's approval does not then exist. [1992 c 138 § 3.]

48.66.041 Minimum standards required by rule—Waiver. (1) The insurance commissioner shall adopt rules to establish minimum standards for benefits in medicare supplement insurance policies and certificates.

(2) The commissioner shall adopt rules to establish specific standards for medicare supplement insurance policy or certificate provisions. These rules may include but are not limited to:
48.66.050 Policy or certificate provisions prohibited by rule—Waivers restricted. (1) The insurance commissioner may by rule prescribe that an informational brochure, designed to improve the buyer's understanding of Medicare and ability to select the most appropriate coverage, be provided to persons eligible for Medicare by reason of age. The commissioner may require that the brochure be provided to applicants concurrently with delivery of the outline of coverage, except with respect to direct response insurance, when the brochure may be provided upon request but no later than the delivery of the policy.

(5) In the case of a state or federally qualified health maintenance organization, the commissioner may waive compliance with one or all provisions of this section until January 1, 1983. [1992 c 138 § 4; 1982 c 200 § 1.]

48.66.060 Equal coverage of sickness and accidents. A Medicare supplement insurance policy may not indemnify against losses resulting from sickness on a different basis than losses resulting from accidents. [1981 c 153 § 6.]

48.66.070 Adjustment of benefits and premiums for Medicare cost-sharing. A Medicare supplement insurance policy must provide that benefits designed to cover cost-sharing amounts under Medicare will be changed automatically to coincide with any changes in the applicable Medicare deductible amount and copayment percentage factors. Premiums may be modified to correspond with such changes. [1981 c 153 § 7.]

48.66.080 Benefit period—Medicare benefit period—Minimum requirements. "Benefit period" or "Medicare benefit period" may not be defined more restrictively than as defined in the Medicare program. [1981 c 153 § 8.]

48.66.090 Guaranteed renewable—Exceptions. All Medicare supplement policies must be guaranteed renewable and a Medicare supplement insurance policy may not provide that the policy may be cancelled or nonrenewed by the insurer solely on the grounds of deterioration of health. The issuer shall not cancel or nonrenew the policy for any reason other than nonpayment of premium or material misrepresentation. All Medicare supplement policies and certificates must include a renewal or continuation provision. The language or specifications of such provision must be appropriately captioned, appear on the first page of the policy, and shall include any reservation by the issuer or a right to change premium. [1992 c 138 § 6; 1981 c 153 § 9.]

48.66.100 Loss ratio requirements—Mass sales practices of individual policies. (1) Medicare supplement insurance policies shall return to policyholders in the form of aggregate benefits under the policy, for the entire period for which rates are computed to provide coverage, loss ratios of:

(a) At least seventy-five percent of the aggregate amount of premiums earned in the case of group policies; and
(b) At least sixty-five percent of the aggregate amount of premiums earned in the case of individual policies.

(2) For the purpose of this section, Medicare supplement insurance policies issued as a result of solicitation of individuals through the mail or mass media advertising, including both print and broadcast advertising, shall be treated as individual policies.

(3) The insurance commissioner may adopt rules sufficient to accomplish the provisions of this section and may, by such rules, impose more stringent or appropriate loss ratio requirements when it is necessary for the protection of the public interest. [1992 c 138 § 7; 1982 c 200 § 2; 1981 c 153 § 10.]

48.66.110 Disclosure by insurer—Outline of coverage required. In order to provide for full and fair disclosure in the sale of Medicare supplement policies, a Medicare supplement policy or certificate shall not be delivered in this state unless an outline of coverage is delivered to the potential policyholder not later than the time of application for the policy. [1992 c 138 § 8; 1981 c 153 § 11.]

48.66.120 Return of policy and refund of premium—Notice required—Effect of return. Every individual Medicare supplement insurance policy issued after January 1, 1982, and every certificate issued pursuant to a group Medicare supplement policy after January 1, 1982, shall have prominently displayed on the first page of the policy form or certificate a notice stating in substance that the person to whom the policy or certificate is issued shall be permitted to return the policy or certificate within thirty days of its delivery to the purchaser and to have the premium refunded.
if, after examination of the policy or certificate, the purchaser is not satisfied with it for any reason. An additional ten percent penalty shall be added to any premium refund due which is not paid within thirty days of return of the policy to the insurer or agent. If a policyholder or purchaser, pursuant to such notice, returns the policy or certificate to the insurer at its home or branch office or to the agent through whom it was purchased, it shall be void from the beginning and the parties shall be in the same position as if no policy or certificate had been issued. [1983 1st ex.s. c 32 § 12; 1982 c 200 § 3; 1981 c 153 § 12.]

48.66.130 Preexisting condition limitations. (1) No later than July 1, 1992, and notwithstanding any other provision of Title 48 RCW, a medicare supplement policy or certificate shall not exclude or limit benefits for losses incurred more than six months from the effective date of coverage because it involved a preexisting condition.

(2) No later than July 1, 1992, a medicare supplement policy or certificate shall not define a preexisting condition more restrictively than as a condition for which medical advice was given or treatment was recommended by or received from a physician within six months before the effective date of coverage.

(3) If a medicare supplement insurance policy or certificate contains any limitations with respect to preexisting conditions, such limitations must appear as a separate paragraph of the policy or certificate and be labeled as "Preexisting Condition Limitations." [1992c 138 § 9; 1981 c 153 § 13.]

48.66.140 Medical history. Any time that completion of a medical history of a patient is required in order for an application for a medicare supplement insurance policy to be accepted, that medical history must be completed by the applicant, a relative of the applicant, a legal guardian of the applicant, or a physician. [1981 c 153 § 14.]

48.66.150 Reporting and recordkeeping, separate data required. Commencing with reports for accounting periods beginning on or after January 1, 1982, insurers, health care service contractors, health maintenance organizations, and fraternal benefit societies shall, for reporting and recordkeeping purposes, separate data concerning medicare supplement insurance policies and contracts from data concerning other disability insurance policies and contracts. [1981 c 153 § 15.]

48.66.160 Federal law supersedes. In any case where the provisions of this chapter conflict with provisions of the "Health Insurance For The Aged Act," Title XVIII of the Social Security Amendments of 1965, or any amendments thereto or regulations promulgated thereunder, regarding any contract between the secretary of health and human services and a health maintenance organization, the provisions of the "Health Insurance For The Aged Act" shall supersede and be paramount. [1981 c 153 § 16.]

48.66.165 Conformity with federal law—Rules. The commissioner may adopt, from time-to-time, such rules as are necessary with respect to medicare supplemental insur-
including both print and broadcast advertising, shall be treated as individual policies.

(3) By July 1, 1983, the commissioner shall adopt rules sufficient to accomplish the provisions of this section. [1982 c 181 § 22.]

48.70.040 Rules required. By July 1, 1983, the commissioner shall adopt all rules necessary to ensure that specified disease policies provide a reasonable level of benefits to policyholders, and that purchasers and potential purchasers of such policies are fully informed of the level of benefits provided. [1982 c 181 § 23.]

48.70.900 Application of chapter. This chapter shall apply to all policies issued on or after July 1, 1983. This chapter shall not apply to services provided by health care service contractors as defined in RCW 48.44.010. [1982 c 181 § 24.]

48.70.910 Severability—1982 c 181. See note following RCW 48.03.010.

48.74.010 Short title—"NAIC" defined. This chapter may be known and cited as the standard valuation law. As used in this chapter, "NAIC" means the National Association of Insurance Commissioners. [1982 1st ex.s. c 9 § 1.]

48.74.020 Valuation of reserve liabilities. The commissioner shall annually value, or cause to be valued, the reserve liabilities, hereinafter called reserves, for all outstanding life insurance policies and annuity and pure endowment contracts of every life insurance company doing business in this state, and may certify the amount of any such reserves, specifying the mortality table or tables, rate or rates of interest, and methods, including net level premium method or other, used in the calculation of such reserves. In calculating such reserves, the commissioner may use group methods and approximate averages for fractions of a year or otherwise. In lieu of the valuation of the reserves herein required of any foreign or alien company, the commissioner may accept any valuation made, or caused to be made, by the insurance supervisory official of any state or other jurisdiction when such valuation complies with the minimum standard provided in this chapter and if the official of such state or jurisdiction accepts as sufficient and valid for all legal purposes the certificate of valuation of the commissioner when such certificate states the valuation to have been made in a specified manner according to which the aggregate reserves would be at least as large as if they had been computed in the manner prescribed by the law of that state or jurisdiction. [1982 1st ex.s. c 9 § 2.]

48.74.030 Minimum standard for valuation. (1) Except as otherwise provided in subsections (2) and (3) of this section, the minimum standard for the valuation of all such policies and contracts issued prior to July 10, 1982, shall be that provided by the laws in effect immediately prior to such date. Except as otherwise provided in subsections (2) and (3) of this section, the minimum standard for the valuation of all such policies and contracts issued on or after July 10, 1982, shall be the commissioner's reserve valuation methods defined in RCW 48.74.040 and 48.74.070, three and one-half percent interest, or in the case of policies and contracts, other than annuity and pure endowment contracts, issued on or after July 16, 1973, four percent interest for such policies issued prior to September 1, 1979, five and one-half percent interest for single premium life insurance policies and four and one-half percent interest for all other such policies issued on and after September 1, 1979, and the following tables:

(a) For all ordinary policies of life insurance issued on the standard basis, excluding any disability and accidental death benefits in such policies—the commissioner's 1941 standard ordinary mortality table for such policies issued prior to the operative date of *RCW 48.23.350(5a) and the commissioner's 1958 standard ordinary mortality table for such policies issued on or after such operative date and prior to the operative date of RCW 48.76.050(4), except that for any category of such policies issued on female risks, all modified net premiums and present values referred to in this chapter may be calculated according to an age not more than six years younger than the actual age of the insured; and for such policies issued on or after the operative date of RCW 48.76.050(4): (i) The commissioner's 1980 standard ordinary mortality table; or (ii) at the election of the company for any one or more specified plans of life insurance, the commissioner's 1980 standard ordinary mortality table with ten-year select mortality factors; or (iii) any ordinary mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such policies.

(b) For all industrial life insurance policies issued on the standard basis, excluding any disability and accidental death benefits in such policies—the 1941 standard industrial mortality table for such policies issued prior to the operative date of *RCW 48.23.350(5b), and for such policies issued on or after such operative date the commissioner's 1961 standard industrial mortality table or any industrial mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by rule of the commissioner for use in determining the minimum standard of valuation for such policies.

(c) For individual annuity and pure endowment contracts, excluding any disability and accidental death benefits in such policies—the 1937 standard annuity mortality table.
or, at the option of the company, the annuity mortality table for 1949, ultimate, or any modification of either of these tables approved by the commissioner.

(d) For group annuity and pure endowment contracts, excluding any disability and accidental death benefits in such policies—the group annuity mortality table for 1951, any modification of such table approved by the commissioner, or, at the option of the company, any of the tables or modifications of table[s] specified for individual annuity and pure endowment contracts.

(e) For total and permanent disability benefits in or supplementary to ordinary policies or contracts—for policies or contracts issued on or after January 1, 1966, the tables of period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 disability study of the Society of Actuaries, with due regard to the type of benefit or any tables of disablement rates and termination rates, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such policies; for policies or contracts issued on or after January 1, 1961, and prior to January 1, 1966, either such tables or, at the option of the company, the class (3) disability table (1926); and for policies issued prior to January 1, 1961, the class (3) disability table (1926). Any such table shall, for active lives, be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(f) For accidental death benefits in or supplementary to policies—for policies issued on or after January 1, 1966, the 1959 accidental death benefits table or any accidental death benefits table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such policies; for policies issued on or after January 1, 1961, and prior to January 1, 1966, either such table or, at the option of the company, the intercompany double indemnity mortality table; and for policies issued prior to January 1, 1961, the intercompany double indemnity mortality table. Either table shall be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(g) For group life insurance, life insurance issued on the substandard basis and other special benefits—such tables as may be approved by the commissioner.

(2) Except as provided in subsection (3) of this section, the minimum standard for the valuation of all individual annuity and pure endowment contracts issued on or after July 10, 1982, and for all annuities and pure endowments purchased on or after such effective date under group annuity and pure endowment contracts, shall be the commissioner’s reserve valuation methods defined in RCW 48.74.040 and the following tables and interest rates:

(a) For individual annuity and pure endowment contracts issued before September 1, 1979, excluding any disability and accidental death benefit in such contracts—the 1971 individual annuity mortality table, or any modification of this table approved by the commissioner, and six percent interest for single premium immediate annuity contracts, and four percent interest for all other individual annuity and pure endowment contracts.

(b) For individual single premium immediate annuity contracts issued on or after September 1, 1979, excluding any disability and accidental death benefits in such contracts—the 1971 individual annuity mortality table or any individual annuity mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such contracts, or any modification of these tables approved by the commissioner, and seven and one-half percent interest.

(c) For individual annuity and pure endowment contracts issued on or after September 1, 1979, other than single premium immediate annuity contracts, excluding any disability and accidental death benefits in such contracts—the 1971 individual annuity mortality table or any individual annuity mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such contracts, or any modification of these tables approved by the commissioner, and five and one-half percent interest for single premium deferred annuity and pure endowment contracts and four and one-half percent interest for all other such individual annuity and pure endowment contracts.

(d) For all annuities and pure endowments purchased prior to September 1, 1979, under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts—the 1971 group annuity mortality table, or any modification of this table approved by the commissioner, and six percent interest.

(e) For all annuities and pure endowments purchased on or after September 1, 1979, under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts—the 1971 group annuity mortality table or any group annuity mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the commissioner for use in determining the minimum standard of valuation for such annuities and pure endowments, or any modification of these tables approved by the commissioner, and seven and one-half percent interest.

After July 16, 1973, any company may file with the commissioner a written notice of its election to comply with the provisions of this section after a specified date before January 1, 1979, which shall be the operative date of this section for such company: PROVIDED, That a company may elect a different operative date for individual annuity and pure endowment contracts from that elected for group annuity and pure endowment contracts. If a company makes no such election, the operative date of this section for such company shall be January 1, 1979.

(3)(a) The interest rates used in determining the minimum standard for the valuation of:

(i) All life insurance policies issued in a particular calendar year, on or after the operative date of RCW 48.76.050(4);

(ii) All individual annuity and pure endowment contracts issued in a particular calendar year on or after January 1, 1982;
(iii) All annuities and pure endowments purchased in a particular calendar year on or after January 1, 1982, under group annuity and pure endowment contracts; and

(iv) The net increase, if any, in a particular calendar year after January 1, 1982, in amounts held under guaranteed interest contracts shall be the calendar year statutory valuation interest rates as defined in this section.

(b) The calendar year statutory valuation interest rates, \( I \), shall be determined as follows and the results rounded to the nearer one-quarter of one percent:

(i) For life insurance:

\[
I = .03 + W \left( \frac{R_l - .03}{2} + \frac{R_g - .09}{2} \right);
\]

where \( R_l \) is the lesser of \( R \) and .09, \( R_g \) the greater of \( R \) and .09, and

\( W \) is the weighting factor defined in this section;

(ii) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options:

\[
I = .03 + W \left( R - .03 \right)
\]

where \( R_l \) is the lesser of \( R \) and .09, \( R_g \) the greater of \( R \) and .09, and

\( R \) is the reference interest rate defined in this section, and

(iii) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in (ii) of this subparagraph, the formula for life insurance stated in (i) of this subparagraph shall apply to annuities and guaranteed interest contracts with guarantee durations in excess of ten years and the formula for single premium immediate annuities stated in (ii) of this subparagraph shall apply to annuities and guaranteed interest contracts with guarantee duration of ten years or less;

(iv) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single premium immediate annuities stated in (ii) of this subparagraph shall apply;

(v) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single premium immediate annuities stated in (ii) of this subparagraph shall apply.

(c) However, if the calendar year statutory valuation interest rate for any life insurance policies issued in any calendar year determined without reference to this sentence differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than one-half of one percent, the calendar year statutory valuation interest rate for such life insurance policies shall be equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for 1983 using the reference interest rate defined for 1982 and shall be determined for each subsequent calendar year regardless of when RCW 48.76.050(4) becomes operative.

(d) The weighting factors referred to in the formulas stated in subparagraph (b) of this subsection are given in the following tables:

(i) Weighting Factors for Life Insurance:

<table>
<thead>
<tr>
<th>Guarantee Duration</th>
<th>Weighting Factors</th>
</tr>
</thead>
<tbody>
<tr>
<td>(Years)</td>
<td>(A)</td>
</tr>
<tr>
<td>10 or less</td>
<td>.50</td>
</tr>
<tr>
<td>More than 10, but not more than 20</td>
<td>.45</td>
</tr>
<tr>
<td>More than 20</td>
<td>.35</td>
</tr>
</tbody>
</table>

For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed in the original policy.

(ii) Weighting factor for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options: .80;

(iii) Weighting factors for other annuities and for guaranteed interest contracts, except as stated in (ii) of this subparagraph, shall be as specified in (d)(iii) (A), (B), and (C) of this subsection, according to the rules and definitions in (d)(iii) (D), (E), and (F) of this subsection:

(A) For annuities and guaranteed interest contracts valued on an issue year basis:

<table>
<thead>
<tr>
<th>Guarantee Duration</th>
<th>Weighting Factor for Plan Type</th>
</tr>
</thead>
<tbody>
<tr>
<td>(Years)</td>
<td>A</td>
</tr>
<tr>
<td>5 or less</td>
<td>.80</td>
</tr>
<tr>
<td>More than 5, but not more than 10:</td>
<td>.75</td>
</tr>
<tr>
<td>More than 10, but not more than 20:</td>
<td>.65</td>
</tr>
<tr>
<td>More than 20</td>
<td>.45</td>
</tr>
</tbody>
</table>

(B) For annuities and guaranteed interest contracts valued on a change in fund basis, the factors shown in (d)(iii) (A) of this subsection increased by:

<table>
<thead>
<tr>
<th>Plan Type</th>
<th>A</th>
<th>B</th>
<th>C</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>.15</td>
<td>.25</td>
<td>.05</td>
</tr>
</tbody>
</table>

(C) For annuities and guaranteed interest contracts valued on an issue year basis other than those with no cash settlement options which do not guarantee interest on considerations received more than one year after issue or purchase and for annuities and guaranteed interest contracts valued on a change in fund basis which do not guarantee interest rates on considerations received more than twelve months beyond the valuation date, the factors shown in (d)(iii) (A) of this subsection or derived in (d)(iii) (B) of this subsection increased by:

<table>
<thead>
<tr>
<th>Plan Type</th>
<th>A</th>
<th>B</th>
<th>C</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>.05</td>
<td>.05</td>
<td>.05</td>
</tr>
</tbody>
</table>

(D) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory valuation interest rate for life insurance policies with guarantee duration in excess of twenty years. For other annuities with no cash settlement options and for
guaranteed interest contracts with no cash settlement options, the guarantee duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

(E) Plan type as used in the tables in (d)(iii) (A), (B), and (C) of this subsection is defined as follows:

Plan Type A: At any time a policyholder may withdraw funds only: (1) With an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company; or (2) without such adjustment but in installments over five years or more; or (3) as an immediate life annuity; or (4) no withdrawal permitted.

Plan Type B: Before expiration of the interest rate guarantee, a policyholder may withdraw funds only: (1) With adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company; or (2) without such adjustment but in installments over five years or more; or (3) no withdrawal permitted. At the end of the interest rate guarantee, funds may be withdrawn without such adjustment in a single sum or installments over less than five years.

Plan Type C: A policyholder may withdraw funds before expiration of the interest rate guarantee in a single sum or installments over less than five years either: (1) Without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company; or (2) subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund.

(F) A company may elect to value guaranteed interest contracts with cash settlement options and annuities with no cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue year basis.

As used in this section, an issue year basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard for the entire duration of the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of issue or year of purchase of the annuity or guaranteed interest contract. The change in fund basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund.

(e) The reference interest rate referred to in subparagraphs (b) and (c) of this subsection is defined as follows:

(i) For all life insurance, the lesser of the average over a period of thirty-six months and the average over a period of twelve months, ending on June 30th of the calendar year next preceding the year of issue, of Moody’s corporate bond yield average—monthly average corporates, as published by Moody’s Investors Service, Inc.

(ii) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of twelve months, ending on June 30th of the calendar year of issue or year of purchase of Moody’s corporate bond yield average—monthly average corporates, as published by Moody’s Investors Service, Inc.

(iii) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in (ii) of this subparagraph, with guarantee duration in excess of ten years, the lesser of the average over a period of thirty-six months and the average over a period of twelve months, ending on June 30th of the calendar year of issue or purchase, of Moody’s corporate bond yield average—monthly average corporates, as published by Moody’s Investors Service, Inc.

(iv) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in (ii) of this subparagraph, with guarantee duration of ten years or less, the average over a period of twelve months, ending on June 30th of the calendar year of issue or purchase, of Moody’s corporate bond yield average—monthly average corporates, as published by Moody’s Investors Service, Inc.

(v) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of twelve months, ending on June 30th of the calendar year of issue or purchase, of Moody’s corporate bond yield average—monthly average corporates, as published by Moody’s Investors Service, Inc.

(vi) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, except as stated in (ii) of this subparagraph, the average over a period of twelve months, ending on June 30th of the calendar year of the change in the fund, of Moody’s corporate bond yield average—monthly average corporates, as published by Moody’s Investors Service, Inc.

(g) If Moody’s corporate bond yield average—monthly average corporates is no longer published by Moody’s Investors Service, Inc., or if the National Association of Insurance Commissioners determines that Moody’s corporate bond yield average—monthly average corporates as published by Moody’s Investors Service, Inc. is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the National Association of Insurance Commissioners and approved by rule adopted by the commissioner, may be substituted. [1982 1st ex.s. c 9 § 3.]

48.74.040 Amount of reserves required. (1) Except as otherwise provided in RCW 48.74.040(2) and 48.74.070, reserves according to the commissioner’s reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums, shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present
value of such benefits provided for by the policy and the excess of (a) over (b), as follows:

(a) A net level annual premium equal to the present value, at the date of issue, of such benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due: PROVIDED HOWEVER, That such net level annual premium shall not exceed the net level annual premium on the nineteen year premium whole life plan for insurance of the same amount at an age one year higher than the age at issue of such policy.

(b) A net one year term premium for such benefits provided for in the first policy year: PROVIDED, That for any life insurance policy issued on or after January 1, 1986, for which the contract premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the reserve according to the commissioner’s reserve valuation method as of any policy anniversary occurring on or before the assumed ending date defined herein as the first policy anniversary on which the sum of any endowment benefit and any cash surrender value then available is greater than such excess premium shall, except as otherwise provided in RCW 48.74.070, be the greater of the reserve as of such policy anniversary calculated as described in the preceding paragraph of this subsection and the reserve as of such policy anniversary calculated as described in that paragraph, but with: (i) The value defined in subparagraph (a) of that paragraph being reduced by fifteen percent of the amount of such excess first year premium; (ii) all present values of benefits and premiums being determined without reference to premiums or benefits provided for by the policy after the assumed ending date; (iii) the policy being assumed to mature on such date as an endowment; and (iv) the cash surrender value provided on such date being considered as an endowment benefit. In making the above comparison the mortality and interest bases stated in RCW 48.74.030(1) and (3) shall be used.

Reserves according to the commissioner’s reserve valuation method for life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums, group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended, disability and accidental death benefits in all policies and contracts, and all other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts, shall be calculated by a method consistent with the principles of the preceding paragraphs of this subsection.

(2) This section shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by any employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended.

Reserves according to the commissioner’s annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by such contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of such contract, that become payable prior to the end of such respective contract year. The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate, or rates, specified in such contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of such contracts to determine nonforfeiture benefits. [1982 1st ex.s. c 9 § 4.]

48.74.050 Minimum aggregate reserves. In no event may a company’s aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, issued on or after July 10, 1982, be less than the aggregate reserves calculated in accordance with the methods set forth in RCW 48.74.040, 48.74.070, and 48.74.080 and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for such policies. [1982 1st ex.s. c 9 § 5.]

48.74.060 Other methods of reserve calculation. Reserves for all policies and contracts issued prior to the operative date of this chapter, may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by the laws in effect immediately prior to such date.

Reserves for any category of policies, contracts, or benefits as established by the commissioner, issued on or after July 10, 1982, may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, shall not be higher than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided therein.

Any such company which at any time has adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided may, with the approval of the commissioner, adopt any lower standard of valuation, but not lower than the minimum herein provided. [1982 1st ex.s. c 9 § 6.]

48.74.070 Minimum reserve if gross premium less than valuation net premium. If in any contract year the
gross premium charged by any life insurance company on any policy or contract is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum valuation standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this section are those standards stated in RCW 48.74.030(1) and (3): PROVIDED, That for any life insurance policy issued on or after January 1, 1986, for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this section shall be applied as if the method actually used in calculating the reserve for such policy were the method described in RCW 48.74.040, ignoring the second paragraph of that section. The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with RCW 48.74.040, including the second paragraph of that section, and the minimum reserve calculated in accordance with this section. [1982 1st ex.s. c 9 § 7.]

48.74.080 Procedure when specified methods of reserve determination unfeasible. In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurance company based on then estimates of future experience, or in the case of any plan of life insurance or annuity which is of such a nature that the minimum reserves cannot be determined by the method described in RCW 48.74.040 and 48.74.070, the reserves which are held under any such plan must, under regulations promulgated by the commissioner:

(1) Be appropriate in relation to the benefits and the pattern of premiums for that plan; and

(2) Be computed by a method which is consistent with the principles of this standard valuation law. [1982 1st ex.s. c 9 § 8.]

48.76.010 Short title—"NAIC" defined. This chapter may be known and cited as the standard nonforfeiture law for life insurance. As used in this chapter, "NAIC" means the National Association of Insurance Commissioners. [1982 1st ex.s. c 9 § 10.]

48.76.020 Nonforfeiture and cash surrender provisions required. In the case of policies issued on and after the operative date of this chapter as defined in RCW 48.76.100, no policy of life insurance, except as stated in RCW 48.76.090, may be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the defaulting or surrendering policyholder as are the minimum requirements specified in this chapter and are essentially in compliance with RCW 48.76.080:

(1) That, in the event of default in any premium payment, the company will grant, upon proper request not later than sixty days after the due date of the premium in default, a paid-up nonforfeiture benefit on a plan stipulated in the policy, effective as of such due date, of such amount as may be specified in this chapter. In lieu of such stipulated paid-up nonforfeiture benefit, the company may substitute, upon proper request not later than sixty days after the due date of the premium in default, an actuarially equivalent alternative paid-up nonforfeiture benefit which provides a greater amount or longer period of death benefits or, if applicable, a greater amount or earlier payment of endowment benefits.

(2) That, upon surrender of the policy within sixty days after the due date of any premium payment in default after premiums have been paid for at least three full years in the case of ordinary insurance or five full years in the case of industrial insurance, the company will pay, in lieu of any paid-up nonforfeiture benefit, a cash surrender value of such amount as may be specified in this chapter.

(3) That a specified paid-up nonforfeiture benefit becomes effective as specified in the policy unless the person entitled to make such election elects another available option not later than sixty days after the due date of the premium in default.

(4) That if the policy has become paid-up by completion of all premium payments or if it is continued under any paid-up nonforfeiture benefit which became effective on or after the third policy anniversary in the case of ordinary insurance or the fifth policy anniversary in the case of industrial insurance, the company will pay, upon surrender of the policy within thirty days after any policy anniversary, a cash surrender value of such amount as may be specified in this chapter.

(5) That policies which cause on a basis guaranteed in the policy unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums
other than a change to a new policy, a statement of the mortality table, interest rate, and method used in calculating cash surrender values and the paid-up nonforfeiture benefits available under the policy. In the case of all other policies, a statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefit, if any, available under the policy on each policy anniversary either during the first twenty policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the company on the policy.

(6) A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the state in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the company on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the state in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.

Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy.

The company shall reserve the right to defer the payment of any cash surrender value for a period of six months after demand therefor with surrender of the policy. [1982 1st ex.s. c 9 § 11.]

48.76.030 Amount of cash surrender value. (1) Subject to subsections (2) and (3) of this section, any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary, whether or not required by RCW 48.76.020, shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the policy, including any existing paid-up additions, if there had been no default, over the sum of the then present value of the adjusted premiums as defined in RCW 48.76.050, corresponding to premiums which would have fallen due on and after such anniversary, and the amount of any indebtedness to the company on the policy.

(2) For any policy issued on or after the operative date of RCW 48.76.050(4), which provides supplemental life insurance or annuity benefits at the option of the insured and for an identifiable additional premium by rider or supplemental policy provision, the cash surrender value referred to in subsection (1) of this section shall be an amount not less than the sum of the cash surrender value as defined in such paragraph for an otherwise similar policy issued at the same age without such rider or supplemental policy provision and the cash surrender value as defined in such paragraph for a policy which provides only the benefits otherwise provided by such rider or supplemental policy provision.

(3) For any family policy issued on or after the operative date of RCW 48.76.050(4), which defines a primary insured and provides term insurance on the life of the spouse of the primary insured expiring before the spouse's age seventy-one, the cash surrender value shall be an amount not less than the sum of the cash surrender value as defined in this section for an otherwise similar policy issued at the same age without such term insurance on the life of the spouse and the cash surrender value as defined in this section for a policy which provides only the benefits otherwise provided by such term insurance on the life of the spouse.

(4) Any cash surrender value available within thirty days after any policy anniversary under any policy paid-up by completion of all premium payments or any policy continued under any paid-up nonforfeiture benefit, whether or not required by RCW 48.76.020, shall be an amount not less than the present value, on such anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by any indebtedness to the company on the policy. [1982 1st ex.s. c 9 § 12.]

48.76.040 Nonforfeiture benefit in case of premium default. Any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment due on any policy anniversary shall be such that its present value as of such anniversary is at least equal to the cash surrender value then provided for by the policy or, if none is provided for, that cash surrender value which would have been required by this chapter in the absence of the condition that premiums shall have been paid for at least a specified period. [1982 1st ex.s. c 9 § 13.]

48.76.050 Calculation of adjusted premiums—Operative date of section. (1) (a) This subsection does not apply to policies issued on or after the operative date of subsection (4) of this section. Except as provided in subparagraph (c) of this subsection, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts stated in the policy as extra premiums to cover impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of: (i) The then present value of the future guaranteed benefits provided for by the policy; (ii) two percent of the amount of insurance, if the insurance is uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (iii) forty percent of the adjusted premium for the first policy year; (iv) twenty-five percent of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the
same amount of insurance, whichever is less: PROVIDED, That in applying the percentages specified in subparagraph (a)(iii) and (iv) of this subsection, no adjusted premium shall be deemed to exceed four percent of the amount of insurance or level amount equivalent thereto. The date of issue of a policy for the purpose of this section shall be the date as of which the rated age of the insured is determined.

(b) In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent level amount thereof for the purpose of this section shall be deemed to be the level amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the inception of the insurance as the benefits under the policy: PROVIDED HOWEVER, That in the case of a policy providing a varying amount of insurance issued on the life of a child under age ten, the equivalent uniform amount may be computed as though the amount provided by the policy prior to the attainment of age ten were the amount provided by such policy at age ten.

(c) The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to: (i) The adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by (ii) the adjusted premiums for such term insurance, subparagraph (c) (i) and (ii) of this subsection being calculated separately and as specified in subparagraphs (a) and (b) of this subsection except that, for the purposes of subparagraph (a)(ii), (a)(iii), and (a)(iv) of this subsection, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in subparagraph (c)(ii) of this subsection shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in subparagraph (c)(i) of this subsection.

(d) Except as otherwise provided in subsections (2) and (3) of this section, all adjusted premiums and present values referred to in this chapter shall for all policies of ordinary insurance be calculated on the basis of the commissioner's 1941 standard ordinary mortality table: PROVIDED, That for any category of ordinary insurance issued on female risks on or after July 1, 1957, adjusted premiums and present values may be calculated according to an age not more than six years younger than the actual age of the insured: PROVIDED, That in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioner's 1958 extended term insurance table: PROVIDED FURTHER, That for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the commissioner.

After June 11, 1959, any company may file with the commissioner a written notice of its election to comply with the provisions of this section. After the filing of such notice, then upon such specified date (which shall be the operative date of this section for such company), this subsection shall become operative with respect to the ordinary policies thereafter issued by such company. If a company makes no such election, the operative date of this section for such company shall be January 1, 1966.

(3) This subsection does not apply to industrial policies issued on or after the operative date of subsection (4) of this section. In the case of industrial policies issued on or after the operative date of this chapter, all adjusted premiums and present values referred to in this chapter shall be calculated on the basis of the commissioner's 1961 standard industrial mortality table and the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits provided that such rate of interest shall not exceed three and one-half percent per annum, except that a rate of interest not exceeding four percent per annum may be used for policies issued on or after July 16, 1973, and prior to September 1, 1979, and a rate of interest not exceeding five and one-half percent per annum may be used for policies issued on or after September 1, 1979, except that for any single premium whole life or endowment insurance policy a rate of interest not exceeding six and one-half percent per annum may be used: PROVIDED, That in calculating the present value of any paid-up term insurance
with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioner’s 1961 industrial extended term insurance table: PROVIDED FURTHER, That for insurance issued on a substandard basis, the calculations of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the commissioner.

After July 10, 1982, any company may file with the commissioner a written notice of its election to comply with the provisions of this section. After the filing of such notice, then upon such specified date (which shall be the operative date of this section for such company), this subsection shall become operative with respect to the industrial policies thereafter issued by such company. If a company makes no such election, the operative date of this section for such company shall be January 1, 1968.

(4) (a) This section applies to all policies issued on or after the operative date of this subsection as defined herein. Except as provided in subparagraph (g) of this subsection, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the date of issue of the policy, of all adjusted premiums shall be equal to the sum of: (i) The then present value of the future guaranteed benefits provided for by the policy; (ii) one percent of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first ten policy years; and (iii) one hundred twenty-five percent of the nonforfeiture net level premium as defined in subparagraph (b) of this subsection: PROVIDED, That in applying the percentage specified in (iii) of this subparagraph no nonforfeiture net level premium shall be deemed to exceed four percent of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first ten policy years. The date of issue of a policy for the purpose of this section shall be the date as of which the rated age of the insured is determined.

(b) The nonforfeiture net level premium shall be equal to the present value, at the date of issue of the policy, of the guaranteed benefits provided for by the policy divided by the present value, at the date of issue of the policy, of an annuity of one per annum payable on the date of issue of the policy and on each anniversary of such policy on which a premium falls due.

(c) In the case of policies which cause on a basis guaranteed in the policy unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, the adjusted premiums and present values shall initially be calculated on the assumption that future benefits and premiums do not change from those stipulated at the date of issue of the policy. At the time of any such change in the benefits or premiums the future adjusted premiums, nonforfeiture net level premiums and present values shall be recalculated on the assumption that future benefits and premiums do not change from those stipulated by the policy immediately after the change.

(d) Except as otherwise provided in subparagraph (g) of this subsection, the recalculated future adjusted premiums for any such policy shall be such uniform percentage of the respective future premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards, and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the time of change to the newly defined benefits or premiums, of all such future adjusted premiums shall be equal to the excess of (i) the sum of (A) the then present value of the then future guaranteed benefits provided for by the policy and (B) the additional expense allowance, if any, over (ii) the then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit under the policy.

(e) The additional expense allowance, at the time of the change to the newly defined benefits or premiums, shall be the sum of: (i) One percent of the excess, if positive, of the average amount of insurance at the beginning of each of the first ten policy years subsequent to the change over the average amount of insurance prior to the change at the beginning of each of the first ten policy years subsequent to the time of the most recent previous change, or, if there has been no previous change, the date of issue of the policy; and (ii) one hundred twenty-five percent of the increase, if positive, in the nonforfeiture net level premium.

(f) The recalculated nonforfeiture net level premium shall be equal to the result obtained by dividing (i) by (ii) where:

(i) Equals the sum of:

(A) The nonforfeiture net level premium applicable prior to the change times the present value of an annuity of one per annum payable on each anniversary of the policy on or subsequent to the date of the change on which a premium would have fallen due had the change not occurred; and

(B) The present value of the increase in future guaranteed benefits provided for by the policy; and

(ii) Equals the present value of an annuity of one per annum payable on each anniversary of the policy on or subsequent to the date of change on which a premium falls due.

(g) Notwithstanding any other provisions of this section to the contrary, in the case of a policy issued on a substandard basis which provides reduced graded amounts of insurance so that, in each policy year, such policy has the same tabular mortality cost as an otherwise similar policy issued on the standard basis which provides higher uniform amounts of insurance, adjusted premiums and present values for such substandard policy may be calculated as if it were issued to provide such higher uniform amounts of insurance on the standard basis.

(h) All adjusted premiums and present values referred to in this chapter shall for all policies of ordinary insurance be calculated on the basis of the commissioner’s 1980 standard ordinary mortality table or at the election of the company for any one or more specified plans of life insur-
ance, the commissioner's 1980 standard ordinary mortality table with ten-year select mortality factors, shall for all policies of industrial insurance be calculated on the basis of the commissioner's 1961 standard industrial mortality table, and shall for all policies issued in a particular calendar year be calculated on the basis of a rate of interest not exceeding the nonforfeiture interest rate as defined in this section, for policies issued in that calendar year, subject to the following provisions:

(i) At the option of the company, calculations for all policies issued in a particular calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture interest rate, as defined in this section, for policies issued in the immediately preceding calendar year.

(ii) Under any paid-up nonforfeiture benefit, including any paid-up dividend additions, any cash surrender value available, whether or not required by RCW 48.76.020, shall be calculated on the basis of the mortality table and rate of interest used in determining the amount of such paid-up nonforfeiture benefit and paid-up dividend additions, if any.

(iii) A company may calculate the amount of any guaranteed paid-up nonforfeiture benefit including any paid-up additions under the policy on the basis of an interest rate no lower than that specified in the policy for calculating cash surrender values.

(iv) In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioner's 1980 extended term insurance table for policies of ordinary insurance and not more than the commissioner's 1961 industrial extended term insurance table for policies of industrial insurance.

(v) For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on appropriate modifications of the aforementioned tables.

(vi) Any ordinary mortality tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the commissioner for use in determining the minimum nonforfeiture standard may be substituted for the commissioner's 1980 standard ordinary mortality table with or without ten-year select mortality factors or for the commissioner's 1980 extended term insurance table.

(vii) Any industrial mortality tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the commissioner for use in determining the minimum nonforfeiture standard may be substituted for the commissioner's 1961 standard industrial mortality table or the commissioner's 1961 industrial extended term insurance table.

(i) The nonforfeiture interest rate per annum for any policy issued in a particular calendar year shall be equal to one hundred twenty-five percent of the calendar year statutory valuation interest rate for such policy as defined in the standard valuation law (chapter 48.74 RCW), rounded to the nearer one quarter of one percent.

(j) Notwithstanding any other provision in this title to the contrary, any refiling of nonforfeiture values or their methods of computation for any previously approved policy form which involves only a change in the interest rate or mortality table used to compute nonforfeiture values shall not require refiling of any other provisions of that policy form.

(k) After July 10, 1982, any company may file with the commissioner a written notice of its election to comply with the provision[s] of this section after a specified date before January 1, 1989, which shall be the operative date of this section for such company. If a company makes no such election, the operative date of this section for such company shall be January 1, 1989. [1982 1st ex.s. c 9 § 14.]

48.76.060 Requirements when specified methods of minimum values determination unfeasible. In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurance company based on then estimates of future experience, or in the case of any plan of life insurance which is of such a nature that minimum values cannot be determined by the methods described in RCW 48.76.020 through 48.76.050, then:

(1) The commissioner must be satisfied that the benefits provided under the plan are substantially as favorable to policyholders and insureds as the minimum benefits otherwise required by RCW 48.76.020 through 48.76.050;

(2) The commissioner must be satisfied that the benefits and the pattern of premiums of that plan are not such as to mislead prospective policyholders or insureds;

(3) The cash surrender values and paid-up nonforfeiture benefits provided by such plan must not be less than the minimum values and benefits required for the plan computed by a method consistent with the principles of this chapter, as determined by regulations promulgated by the commissioner. [1982 1st ex.s. c 9 § 15.]

48.76.070 Calculation of cash surrender value and paid-up nonforfeiture benefit. Any cash surrender value and any paid-up nonforfeiture benefit, available under the policy in the event of default in a premium payment due at any time other than on the policy anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary. All values referred to in RCW 48.76.030 through 48.76.050 may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall be not less than the amounts used to provide such additions. Notwithstanding the provisions of RCW 48.76.030, additional benefits payable: (1) In the event of death or dismemberment by accident or accidental means; (2) in the event of total and permanent disability; (3) as reversionary annuity or deferred reversionary annuity benefits; (4) as term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this chapter would not apply; (5) as term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if such term insurance expires before the child's age is twenty-six, is uniform in amount after the child's age is one, and has not become paid-up by reason of the death of a parent of the child; and (6) as other policy benefits additional to life insurance and endowment benefits, and

[Title 48 RCW—page 242] (1992 Ed.)
48.76.080  Cash surrender value required for policies issued on or after January 1, 1986. (1) This section, in addition to all other applicable sections of this chapter, shall apply to all policies issued on or after January 1, 1986. Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary shall be in an amount which does not differ by more than two-tenths of one percent of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first ten policy years, from the sum of: (a) The greater of zero and the basic cash value specified in subsection (2) of this section; and (b) the present value of any existing paid-up additions less the amount of any indebtedness to the company under the policy.

(2) The basic cash value shall be equal to the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the policy, excluding any existing paid-up additions and before deduction of any indebtedness to the company, if there had been no default, less the present value of the nonforfeiture factors, as defined in subsection (3) of this section, corresponding to premiums which would have been due on and after such anniversary: PROVIDED, That the effects on the basic cash value of supplemental life insurance or annuity benefits or of family coverage, as described in RCW 48.76.030 or 48.76.050(4), whichever is applicable, shall be the same as are the effects specified in RCW 48.76.030 or 48.76.050(4), whichever is applicable, on the cash surrender values defined in that section.

(3) The nonforfeiture factor for each policy year shall be an amount equal to a percentage of the adjusted premium for the policy year, as defined in RCW 48.76.050(1) or (4). Except as is required by the next succeeding sentence of this paragraph, such percentage:

(a) Must be the same percentage for each policy year between the second policy anniversary and the later of: (i) The fifth policy anniversary; and (ii) The first policy anniversary at which there is available under the policy a cash surrender value in an amount, before including any paid-up additions and before deducting any indebtedness, of at least two-tenths of one percent of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first ten policy years; and

(b) Must be such that no percentage after the later of the two policy anniversaries specified in subparagraph (a) of this subsection may apply to fewer than five consecutive policy years: PROVIDED, That no basic cash value may be less than the value which would be obtained if the adjusted premiums for the policy, as defined in RCW 48.76.050(1) or (4), whichever is applicable, were substituted for the nonforfeiture factors in the calculation of the basic cash value.

(4) All adjusted premiums and present values referred to in this section shall for a particular policy be calculated on the same mortality and interest bases as are used in demonstrating the policy's compliance with the other sections of this chapter. The cash surrender values referred to in this section shall include any endowment benefits provided for by the policy.

(5) Any cash surrender value available other than in the event of default in a premium payment due on a policy anniversary, and the amount of any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment shall be determined in manners consistent with the manners specified for determining the analogous minimum amounts in RCW 48.76.020 through 48.76.040, 48.76.050(4), and 48.76.070. The amounts of any cash surrender values and of any paid-up nonforfeiture benefits granted in connection with additional benefits such as those listed in RCW 48.76.070 shall conform with the principles of this section. [1982 1st ex.s. c 9 § 17.]

48.76.090  Chapter inapplicable to certain policies. This chapter does not apply to any of the following:

(1) Reinsurance;
(2) Group insurance;
(3) A pure endowment;
(4) An annuity or reversionary annuity contract;
(5) A term policy of a uniform amount, which provides no guaranteed nonforfeiture or endowment benefits, or renewal thereof, of twenty years or less expiring before age seventy-one, for which uniform premiums are payable during the entire term of the policy;

(6) A term policy of a decreasing amount, which provides no guaranteed nonforfeiture or endowment benefits, on which each adjusted premium, calculated as specified in RCW 48.76.050, is less than the adjusted premium so calculated, on a term policy of uniform amount, or renewal thereof, which provides no guaranteed nonforfeiture or endowment benefits, issued at the same age and for the same initial amount of insurance and for a term of twenty years or less expiring before age seventy-one, for which uniform premiums are payable during the entire term of the policy;

(7) A policy, which provides no guaranteed nonforfeiture or endowment benefits, for which no cash surrender value, if any, or present value of any paid-up nonforfeiture benefit, at the beginning of any policy year, calculated as specified in RCW 48.76.030 through 48.76.050, exceeds two and one-half percent of the amount of insurance at the beginning of the same policy year; or

(8) A policy which is delivered outside this state through an agent or other representative of the company issuing the policy.

For purposes of determining the applicability of this chapter, the age at expiration for a joint term life insurance policy is the age at expiration of the oldest life. [1982 1st ex.s. c 9 § 18.]

48.76.100  Operative date of chapter. After July 10, 1982, any company may file with the commissioner a written notice of its election to comply with the provisions of this chapter. After the filing of such notice, then upon such specified date (which shall be the operative date for...
such company), this chapter becomes operative with respect to the policies thereafter issued by such company. If a company makes no such election, the operative date of this chapter for such company shall be January 1, 1948. [1982 1st ex.s. c 9 § 19.]

48.80.010 Legislative finding—Short title. The legislature finds and declares that the welfare of the citizens of this state is threatened by the spiraling increases in the cost of health care. It is further recognized that fraudulent health care claims contribute to these increases in health care costs. In recognition of these findings, it is declared that special attention must be directed at eliminating the unjustifiable costs of fraudulent health care claims by establishing specific penalties and deterrents. This chapter may be known and cited as "the health care false claim act." [1986 c 243 § 1.]

48.80.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Claim" means any attempt to cause a health care payer to make a health care payment.
(2) "Deceptive" means presenting a claim to a health care payer that contains a statement of fact or fails to reveal a material fact, leading the health care payer to believe that the represented or suggested state of affairs is other than it actually is. For the purposes of this chapter, the determination of what constitutes a material fact is a question of law to be resolved by the court.
(3) "False" means wholly or partially untrue or deceptive.
(4) "Health care payment" means a payment for health care services or the right under a contract, certificate, or policy of insurance to have a payment made by a health care payer for a specified health care service.
(5) "Health care payer" means any insurance company authorized to provide health insurance in this state, any health care service contractor authorized under chapter 48.44 RCW, any health maintenance organization authorized under chapter 48.46 RCW, any legal entity which is self-insured and providing health care benefits to its employees, or any person responsible for paying for health care services.
(6) "Person" means an individual, corporation, partnership, association, or other legal entity.
(7) "Provider" means any person lawfully licensed or authorized to render any health service. [1986 c 243 § 2.]

48.80.030 Making false claims, concealing information—Penalty—Exclusions. (1) A person shall not make or present or cause to be made or presented to a health care payer a claim for a health care payment knowing the claim to be false.
(2) No person shall knowingly present to a health care payer a claim for a health care payment that falsely represents that the goods or services were medically necessary in accordance with professionally accepted standards. Each claim that violates this subsection shall constitute a separate offense.
(3) No person shall knowingly make a false statement or false representation of a material fact to a health care payer for use in determining rights to a health care payment. Each claim that violates this subsection shall constitute a separate violation.
(4) No person shall conceal the occurrence of any event affecting his or her initial or continued right under a contract, certificate, or policy of insurance to have a payment made by a health care payer for a specified health care service. A person shall not conceal or fail to disclose any information with intent to obtain a health care payment to which the person or any other person is not entitled, or to obtain a health care payment in an amount greater than that which the person or any other person is entitled.
(5) No provider shall willfully collect or attempt to collect an amount from an insured knowing that to be in violation of an agreement or contract with a health care payor to which the provider is a party.
(6) A person who violates this section is guilty of a class C felony punishable under chapter 9A.20 RCW.
(7) This section does not apply to statements made on an application for coverage under a contract or certificate of health care coverage issued by an insurer, health care service contractor, health maintenance organization, or other legal entity which is self-insured and providing health care benefits to its employees. [1990 c 119 § 11; 1986 c 243 § 3.]

48.80.040 Use of circumstantial evidence. In a prosecution under this chapter, circumstantial evidence may be presented to demonstrate that a false statement or claim was knowingly made. Such evidence may include but shall not be limited to the following circumstances:

(1) Where a claim for a health care payment is submitted with the person's actual, facsimile, stamped, typewritten, or similar signature on the form required for the making of a claim for health care payment; and
(2) Where a claim for a health care payment is submitted by means of computer billing tapes or other electronic means if the person has advised the health care payer in writing that claims for health care payment will be submitted by use of computer billing tapes or other electronic means. [1986 c 243 § 4.]

48.80.050 Civil action not limited. This chapter shall not be construed to prohibit or limit a prosecution of or civil action against a person for the violation of any other law of this state. [1986 c 243 § 5.]
48.80.060 Conviction of provider, notification to regulatory agency. Upon the conviction under this chapter of any provider, the prosecutor shall provide written notification to the appropriate regulatory or disciplinary agency of such conviction. [1986 c 243 § 6.]

48.80.900 Severability—1986 c 243. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1986 c 243 § 7.]

48.84.020 Definitions. Unless the context requires otherwise, the definitions in this section apply throughout this chapter.

DAY CARE SERVICES—JOINT UNDERWRITING ASSOCIATION

48.88.010 Intent. Day care service providers have experienced major problems in both the availability and affordability of liability insurance. Premiums for such insurance policies have recently grown as much as five hundred percent and the availability of such insurance in Washington markets has greatly diminished.

The availability of quality day care is essential to achieving such goals as increased work force productivity, family self-sufficiency, and protection for children at risk due to poverty and abuse. The unavailability of adequate liability insurance threatens to decrease the availability of day care services.

This chapter is intended to remedy the problem of unavailable liability insurance for day care services by requiring all insurers authorized to write commercial or professional liability insurance to be members of a joint underwriting association created to provide liability insurance for day care services. [1986 c 141 § 1.]

48.88.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Association" means the joint underwriting association established pursuant to the provisions of this chapter.

(2) "Day care insurance" means insurance coverage against the legal liability of the insured and against loss, damage, or expense incident to a claim arising out of the death or injury of any person as the result of negligence or malpractice in rendering professional service by any licensee.

(3) "Licensee" means any person or facility licensed to provide day care services pursuant to chapter 74.15 RCW. [1986 c 141 § 2.]

48.88.030 Plan for joint underwriting association. The commissioner shall approve by July 1, 1986, a reasonable plan for the establishment of a nonprofit, joint underwriting association for day care insurance, subject to the conditions and limitations contained in this chapter. [1986 c 141 § 3.]

48.88.040 Association—Membership. The association shall be comprised of all insurers possessing a certificate of authority to write and engage in writing property and casualty insurance within this state on a direct basis, including the liability portion of multiperil policies, but not of ocean marine insurance. Every such insurer shall be a member of the association and shall remain a member as a condition of its authority to continue to transact business in this state. [1986 c 141 § 4.]

48.88.050 Policies—Liability limits—Rating plan. Any licensee may apply to the association to purchase day care insurance, and the association shall offer a policy with liability limits of at least one hundred thousand dollars per occurrence. The commissioner shall require the use of a rating plan for day care insurance that permits rates to be modified for individual licensees according to the type, size and past loss experience of the licensee including any other difference among licensees that can be demonstrated to have a probable effect upon losses. [1986 c 141 § 5.]

48.88.060 Report to legislature. By December 1, 1987, the commissioner shall file or cause to be filed a report to the legislature detailing the operations, finances,
48.88.070 Rules. The commissioner may adopt all rules necessary to ensure the efficient, equitable operation of the association, including but not limited to, rules requiring or limiting certain policy provisions. [1986 c 141 § 7.]

48.90.010 Findings and intent. (1) Day care providers are facing a major crisis in that adequate and affordable business liability insurance is no longer available within this state for persons who care for children. Many day care centers have been forced to purchase inadequate coverage at prohibitive premium rates from unregulated foreign surplus line carriers over which the state has minimal control.

(2) There is a danger that a substantial number of day care centers who cannot afford the escalating premiums will be unable or unwilling to remain in business without adequate coverage. As a result the number of available facilities will be drastically reduced forcing some parents to leave the work force to care for their children. A corresponding demand upon the state’s resources will result in the form of public assistance to unemployed parents and day care providers.

(3) There is a further danger that a substantial number of day care centers now licensed pursuant to state law, who currently provide specific safeguards for the health and safety of children but are unable to procure insurance, may choose to continue to operate without state approval, avoiding regulation and payment of legitimate taxes, and forcing some parents to place their children in facilities of unknown quality and questionable levels of safety.

(4) Most day care centers are small business enterprises with limited resources. The state’s policies encourage the growth and development of small businesses.

(5) This chapter is intended to remedy the problem of nonexistent or unaffordable liability coverage for day care centers, and to encourage compliance with state laws protecting children while meeting the state’s sound economic policies of encouraging small business development, sustaining an active work force, and discouraging policies that result in an increased drain on the state’s resources through public assistance and other forms of public funding. This chapter will empower day care centers to create self-insurance pools, to purchase insurance coverage, and to contract for risk management and administrative services through an association with demonstrated responsible fiscal management.

(6) The intent of this legislation is to allow such associations maximum flexibility to create and administer plans to provide coverage and risk management services to licensed day care centers. [1986 c 142 § 1.]

48.90.020 Definitions. The definitions in this section apply throughout this chapter.

(1) "Day care center" means an agency that regularly provides care for one or more children for periods of less than twenty-four hours as defined in RCW 74.15.020 (3). (d).

(2) "Association" means a corporation organized under Title 24 RCW, representative of one or more categories of day care centers not formed for the sole purpose of establishing and operating a self-insurance program that:

(a) Maintains a roster of current names and addresses of member day care centers and of former member day care centers or their representatives, and of all employees of member or former member day care centers;

(b) Has a membership of a size and stability to ensure that it will be able to provide consistent and responsible fiscal management; and

(c) Maintains a regular newsletter or other periodic communication to member day care centers.

(3) "Subscriber" means a day care center that:

(a) Subscribes to a plan created pursuant to this chapter;

(b) Complies with all state licensing requirements;

(c) Is a member in good standing of an association;

(d) Has consistently maintained its license free from revocation for cause, except where the revocation was not later rescinded or vacated by appellate or administrative decision; and

(e) Is prepared to demonstrate the willingness and ability to bear its share of the financial responsibility of its participation in the plan for each applicable contractual period. [1986 c 142 § 2.]

48.90.030 Authority to self-insure. Associations meeting the criteria of RCW 48.90.020 are empowered to create and operate self-insurance plans to provide general liability coverage to member day care centers who choose to subscribe to the plans. [1986 c 142 § 3.]

48.90.040 Chapter exclusive. Except as provided in this chapter, self-insurance plans formed and implemented pursuant to this chapter shall be governed by this chapter and shall be exempt from all other provisions of the insurance laws of this state. [1986 c 142 § 4.]

48.90.050 Elements of plan. Any association desiring to establish a plan pursuant to this chapter shall prepare and submit to the commissioner a proposed plan of organization and operation, including the following elements:

(1) A statement that the association meets the requirements of this chapter.

(92 Ed.)
(2) A financial plan specifying:
   (a) The coverage to be offered by the self-insurance pool, setting forth a deductible level and maximum level of claims that the pool will self-insure;
   (b) The amount of cash reserves to be maintained for the payment of claims;
   (c) The amount of insurance, if any, to be purchased to cover claims in excess of the amount of claims to be satisfied directly from the association's own cash reserves;
   (d) The amount of stop-loss coverage to be purchased in the event the joint self-insurance pool's resources are exhausted in a given fiscal period;
   (e) A mechanism for determining and assessing the contingent liability of subscribers in the event the assets in the contributing trust fund are at any time insufficient to cover liabilities; and
   (f) Certification that all subscribers in the pool are apprised of the limitations of coverage to be provided.
(3) A plan of management setting forth:
   (a) The means of fulfilling the requirements in RCW 48.90.050(2);
   (b) The names and addresses of board members and their terms of office, and a copy of the corporate bylaws defining the method of election of board members;
   (c) The frequency of studies or other evaluation to establish the periodic contribution rates for each of the subscribers;
   (d) The responsibilities of subscribers, including procedures for entry into and withdrawal from the pool, the allocation of contingent liabilities and a procedure for immediate assessments if the contributing trust fund falls below the level set in RCW 48.90.050(2)(b);
   (e) A plan for monitoring risks and disseminating information with respect to their reduction or elimination;
   (f) A contract with a professional insurance management corporation, for the management and operation of any joint self-insurance pool established by the association; and
   (g) The corporate address of the association. [1986 c 142 § 5.]

48.90.060 Approval of plan. If the plan submitted complies with RCW 48.90.050 and if the terms of the plan reflect sound financial management, the commissioner shall approve the plan submitted pursuant to RCW 48.90.050. [1986 c 142 § 6.]

48.90.070 Contributing trust fund. All funds contributed for the purpose of the self-insurance plan shall be deposited in a contributing trust fund, which shall at all times be maintained separately from the general funds of the association. The association shall not contribute to or draw upon the contributing trust fund at any time or for any reason other than administration of the trust fund and operation of the plan. All administration and operating costs related to the trust fund shall be drawn from it. [1986 c 142 § 7.]

48.90.080 Initial implementation of plan—Conditions. The initial implementation of the plan shall be conditioned upon establishment of the minimum deposits in the contributing trust fund at least thirty days prior to the first effective date of the program for its first year of operation. [1986 c 142 § 8.]

48.90.090 Standard of care in fund management—Fiduciary. In managing the assets of the contributing trust fund, the association shall exercise the reasonable judgment and care that ordinary persons of prudence, intelligence, and discretion exercise in the sound management of their affairs, not in regard to speculation but in regard to preservation of their funds with maximum return, given the information reasonably available. The association may delegate this duty to a responsible fiduciary. If the fiduciary has special skills or represents that it has special skills, then the fiduciary is under a duty to use those skills in the management of the fund's assets. [1986 c 142 § 9.]

48.90.100 Annual report. The association shall provide an annual report of the operations of the plan to all subscribers, to the secretary of social and health services, and to the commissioner. This report shall:
   (1) Review claims made, judgments entered, and claims rejected;
   (2) Certify that the current level of the contributing trust fund is sufficient to meet reasonable needs, or provide a plan for establishing such a level within a reasonable time; and
   (3) Make recommendations for specific measures of risk reduction. [1986 c 142 § 10.]

48.90.110 Powers of association. The association shall have the power, in its capacity as plan administrator, to contract for or delegate services as necessary for the efficient management and operation of the plan, including but not limited to:
   (1) Contracting for risk management and loss control services;
   (2) Designing a continuing program of risk reduction, calling for the participation of all subscribers;
   (3) Contracting for legal counsel for the defense of claims and other legal services;
   (4) Consulting with the commissioner, the secretary of social and health services, or other interested state agencies with respect to any matters affecting the provision of day care for the state's children, and related risk problems; and
   (5) Purchasing commercial insurance coverage in the form and amount as the subscribers may by contract agree, including reinsurance, excess coverage, and stop-loss insurance. [1986 c 142 § 11.]

48.90.120 Contracts—Terms. (1) All contracts between subscribers and the association shall be for one-year periods and shall terminate on the first day of the next fiscal year of the association following their signature. Subscribers withdrawing from participation in the plan during any contract period may do so only upon surrender of their licenses to care for children to the department of social and health services.
   (2) Premiums should be annual, prorated quarterly in the event any subscriber withdraws, or any new subscriber contracts with the association to become part of the plan during the fiscal year. Subscribers should not have the
power to delegate or assign the responsibility for their assessments.

(3) Contracts should provide for recovery by the association, of any assessments that are not promptly contributed, for methods of collection, and for resolution of related disputes. [1986 c 142 § 12.]

48.90.130 Significant modifications in plan, statement on. Within six months of the beginning of any fiscal year in which significant modifications of the plan are envisioned, the association shall provide the commissioner with a statement of those modifications, setting forth the proposed changes, reasons for the changes, and reasonable alternatives, if any exist. The statement shall specifically include reference to coverage available in the commercial insurance market, together with suggested solutions within the joint self-insurance plan. [1986 c 142 § 13.]

48.90.140 Dissolution of plan and association. (1) If at any time the plan can no longer be operated on a sound financial basis, the association may elect to dissolve the plan, subject to explicit approval by the commissioner of a plan for dissolution. Once a plan operated by an association has been dissolved, that association may not again implement a plan pursuant to this chapter for five calendar years.

(2) At dissolution, the assets of the association represented by the contributing trust fund shall be deposited with the commissioner [for] a period of twenty-one years, to be made available for claims arising during that period based upon occurrences during the term of coverage. At the time of transfer of the funds, the association shall certify to the commissioner a list of all current subscribers, with their correct mailing addresses, and shall have notified all current subscribers of their obligation to keep the commissioner informed of any changes in their mailing addresses over the twenty-one year period, and that this obligation extends to their representatives, successors, assigns, and to the representatives of their estates. Upon dissolution, the association shall be required to provide to the commissioner a list of all plan subscribers during all of the years of operation of the plan.

At the end of the twenty-one year period, any funds remaining in the trust account shall be distributed to those subscribers who were current subscribers in the most recent year of operation of the plan, with each current subscriber receiving an equal share of the distribution, without regard for the length of time each day care center was a subscriber.

In the alternative, in the discretion of the association, the balance of the contributing trust fund may be used to purchase similar or more liberal coverage from a commercial insurer. Each subscriber shall, however, be given the option to deposit its share of the fund with the commissioner as provided in this section if it elects not to participate in the proposed commercial insurance. [1986 c 142 § 14.]

48.90.150 Recovery limits. No person with a claim covered by a plan established pursuant to this chapter shall be entitled to recover from the plan any amount in excess of the limits of coverage provided for in the plan. [1986 c 142 § 15.]

48.90.160 Suspension of plan—Reconsideration. The commissioner may disapprove, and require suspension of a plan for failure of the association to comply with any provision of this chapter, for gross mismanagement, or for wilful disregard and neglect of its fiduciary duty. The association shall have the right to request reconsideration of the commissioner's decision within fifteen days of the receipt of the commissioner's written notification of the decision, or to request a hearing according to chapter 48.04 RCW. [1986 c 142 § 16.]

48.90.170 Costs of investigation or review of plan. All reasonable costs of any investigation or review by the commissioner of an association's plan of organization and operation, or any changes or modifications thereof, including the dissolution of a plan, shall be paid by the association before issuance of any approval required under this chapter. [1986 c 142 § 17.]

the laws, rules, regulations, and requirements applicable to
the insurers chartered and licensed in this state and with
RCW 48.92.040 to the extent the requirements are not a
limitation on laws, rules, regulations, or requirements of this
state. Before it may offer insurance in any state, each risk
retention group shall also submit for approval to the insur-
ance commissioner of this state a plan of operation or a
feasibility study and revisions of the plan or study if the
group intends to offer any additional lines of liability
insurance. [1987 c 306 § 3.]

48.92.040 Required acts—Prohibited practices.
Risk retention groups chartered in states other than this state
and seeking to do business as a risk retention group in this
state must observe and abide by the laws of this state as

In addition, an insurer shall be exempt from any law of this state which prohibits providing, or offering to provide, to a purchasing group or its members advantages based on their loss and expense experience not afforded to other persons with respect to rates, policy forms, coverages, or other matters. A purchasing group shall be subject to all other applicable laws of this state. [1987 c 306 § 7.]

A purchasing group may not purchase insurance from a risk retention group that is not chartered in a state or from an insurer not admitted in the state in which the purchasing group is located, unless the purchase is effected through a licensed agent or broker acting pursuant to the surplus lines laws and regulations of that state. [1987 c 306 § 9.]

48.92.100 Authority of commissioner. The commissioner is authorized to make use of any of the powers established under Title 48 RCW to enforce the laws of this state so long as those powers are not specifically preempted by the federal Product Liability Risk Retention Act of 1981, as amended by the federal Risk Retention Amendments of 1986. This includes, but is not limited to, the commissioner's administrative authority to investigate, issue subpoenas, conduct depositions and hearings, issue orders, and impose penalties. With regard to any investigation, administrative proceedings, or litigation, the commissioner can rely on the procedural law and regulations of the state. [1987 c 306 § 10.]

48.92.110 Penalties. A risk retention group which violates any provision of this chapter shall be subject to fines and penalties applicable to licensed insurers generally, including revocation of its license and/or the right to do business in this state. [1987 c 306 § 11.]

state shall be subject to the provisions of chapter 48.17 RCW and before commencing any such activity, obtain a license and pay the fees designated for the license under RCW 48.14.010. [1987 c 306 § 12.]

[1987 c 306 § 13.]

48.92.140 Rules. The commissioner may establish and from time to time amend the rules relating to risk retention groups as may be necessary or desirable to carry out the provisions of this chapter. [1987 c 306 § 14.]

[1990 c 239 § 2.]

48.96.010 Definitions. (1) "Motor vehicle service contract" or "service contract" means a contract or agreement given for consideration over and above the lease or purchase price of a motor vehicle that undertakes to perform or provide repair or replacement service, or indemnification for that service, for the operational or structural failure of a motor vehicle due to a defect in materials or skill of work or normal wear and tear, and that is issued by an insurance company authorized to do business in this state.

(2) "Motor vehicle service contract provider" or "provider" means a person who issues, makes, provides, sells, or offers to sell a motor vehicle service contract.

(3) "Mechanical breakdown insurance" means a policy, contract, or agreement that undertakes to perform or provide repair or replacement service, or indemnification for that service, for the operational or structural failure of a motor vehicle due to a defect in materials or skill of work or normal wear and tear, and that is issued by an insurance company authorized to do business in this state.

(4) "Motor vehicle service contract reimbursement insurance policy" or "reimbursement insurance policy" means a policy of insurance providing coverage for all obligations and liabilities incurred by a motor vehicle service contract provider under the terms of motor vehicle service contracts issued by the provider.

(5) "Motor vehicle" means any vehicle subject to registration under chapter 46.16 RCW.

(6) "Service contract holder" means a person who purchases a motor vehicle service contract. [1987 c 99 § 1.]

48.96.020 Reimbursement policy required for sale of service contract. A motor vehicle service contract shall not be issued, sold, or offered for sale in this state unless the provider of the service contract is insured under a motor vehicle service contract reimbursement insurance policy issued by an insurer authorized to do business in this state. [1987 c 99 § 2.]

48.96.025 Reimbursement policy—Insurer’s responsibility. (1) Every insurer issuing a reimbursement insurance policy shall include, as a part of the policy, the motor vehicle service contract(s) that the reimbursement insurance policy is intended to cover. Notwithstanding RCW 48.18.100, subsequent changes to the motor vehicle service contract(s) must be filed by the insurer with the commissioner no later than thirty days after the date of the change.

(2) Every insurer issuing a reimbursement insurance policy must require that premiums due for coverage under the policy be paid directly by the provider to the insurer or its agent. [1990 c 239 § 3.]

48.96.030 Reimbursement policy—Required provisions. A motor vehicle service contract reimbursement insurance policy shall not be issued, sold, or offered for sale in this state unless the reimbursement insurance policy conspicuously states that the issuer of the policy shall pay on behalf of the provider all sums which the provider is legally obligated to pay according to the provider’s contractual obligations under the motor vehicle service contracts issued or sold by the provider. [1990 c 239 § 6; 1987 c 99 § 3.]

48.96.040 Service contract—Required statements. A motor vehicle service contract shall not be issued, sold, or offered for sale in this state unless the contract conspicuously states that the obligations of the provider to the service contract holder are guaranteed under the reimbursement insurance policy, and unless the contract conspicuously states the name and address of the issuer of the reimbursement insurance policy, the applicable policy number, and the means by which a service contract holder may file a claim under the policy. [1990 c 239 § 7; 1987 c 99 § 4.]

48.96.045 Service contract—Notice to holder. A motor vehicle service contract shall not be issued, sold, or offered for sale in this state unless the contract contains a [Title 48 RCW—page 253]
conspicuous statement that has been initialed by the service contract holder and discloses:

(1) Any material conditions that the service contract holder must meet to maintain coverage under the contract including, but not limited to any maintenance schedule to which the service contract holder must adhere, any requirement placed on the service contract holder for documenting repair or maintenance work, and any procedure to which the service contract holder must adhere for filing claims;

(2) The work and parts covered by the contract;

(3) Any time or mileage limitations;

(4) That the implied warranty of merchantability on the motor vehicle is not waived if the contract has been purchased within ninety days of the purchase date of the motor vehicle from a provider who also sold the motor vehicle covered by the contract;

(5) Any exclusions of coverage; and

(6) The contract holder's right to return the contract for a refund, which right can be no more restrictive than provided for in RCW 48.96.047. [1990 c 239 § 4.]

48.96.047 Service contract—Holder's right to return. (1) At a minimum, every provider shall permit the service contract holder to return the contract within thirty days of its purchase if no claim has been made under the contract, and shall refund to the holder the full purchase price of the contract unless the service contract holder returns the contract ten or more days after its purchase, in which case the provider may charge a cancellation fee not exceeding twenty-five dollars. A ten percent penalty shall be added to any refund that is not paid within thirty days of return of the contract to the provider. If a contract holder returns the contract within thirty days of its purchase or within such longer time period as permitted under the contract, the contract shall be void from the beginning and the parties shall be in the same position as if no contract had been issued.

(2) If a service contract holder returns the contract in accordance with this section, the insurer issuing the reimbursement insurance policy covering the contract shall refund to the provider the full premium paid by the provider for coverage of the contract. [1990 c 239 § 5.]

48.96.050 Service contracts—Excluded parties. RCW 48.96.020, 48.96.030, and 48.96.040 do not apply to motor vehicle service contracts issued by a motor vehicle manufacturer or import distributor covering vehicles manufactured or imported by the motor vehicle manufacturer or import distributor. [1990 c 239 § 8; 1987 c 99 § 5.]

48.96.060 Noncompliance as unfair competition, trade practice—Remedies. Failure to comply with the provisions of this chapter is an unfair method of competition and an unfair or deceptive act or practice in the conduct of a trade or commerce, as specifically contemplated by RCW 19.86.020, and is a violation of the Consumer Protection Act, chapter 19.86 RCW. Any service contract holder injured as a result of a violation of a provision of this chapter shall be entitled to maintain an action pursuant to chapter 19.86 RCW against the motor vehicle service contract provider and the insurer issuing the applicable motor vehicle service contract reimbursement insurance policy and shall be entitled to all of the rights and remedies afforded by that chapter. Any successful claimant under this section shall also be entitled to reasonable attorneys' fees. [1990 c 239 § 9; 1987 c 99 § 6.]

48.96.900 Application of chapter—Date. This chapter shall apply to all motor vehicle service contracts issued, sold, or offered for sale on or after January 1, 1988. [1987 c 99 § 7.]

[1988 c 236 § 3.]

Legislative findings—1988 c 236: “The legislature recognizes the changing nature of the workforce brought about by increasing numbers of working mothers, single parent households, and dual career families. The legislature finds that the needs of families must be balanced with the demands of the workplace to promote family stability and economic security. The legislature further finds that it is in the public interest for employers to accommodate employees by providing reasonable leaves from work for family reasons. In order to promote family stability, economic security, and the public interest, the legislature hereby establishes a minimum standard for family care. Nothing contained in this act shall prohibit any employer from establishing family care standards more generous than the minimum standards set forth in this act.” [1988 c 236 § 1.]

The poster must also include a telephone number and an address of the department to enable employees to obtain more information regarding RCW 49.12.270 through 49.12.295. Each employer must display this poster in a conspicuous place. Every employer shall also post its leave policies, if any, in a conspicuous place. Nothing in this section shall be construed to create a right to continued employment. [1988 c 236 § 2.]

49.12.320  Definitions. For the purposes of RCW 49.12.300 and 49.12.310:
(1) "Employ" includes to engage, suffer, or permit to work, but does not include voluntary or donated services performed for no compensation, or without expectation or contemplation of compensation as the adequate consideration for the services performed, for an educational, charitable, religious, state or local government body or agency, or nonprofit organization, or services performed by a newspaper vendor or a person in the employ of his or her parent or stepparent.
(2) "House-to-house sales" includes a sale or other transaction in consumer goods, the demonstration of products or equipment, the obtaining of orders for consumer goods, or the obtaining of contracts for services, in which the employer personally solicits the sale or transaction at a place other than the place of business of the employer. [1989 c 216 § 3.]

49.12.330  Rules. The department shall adopt rules to implement RCW 49.12.300 through 49.12.320. [1989 c 216 § 4.]

49.12.350  Parental leave—Legislative findings. The legislature finds that employers often distinguish between biological parents, and adoptive parents and stepparents in their employee leave policies. Many employers who grant leave to their employees to care for a newborn child either have no policy or establish a more restrictive policy regarding whether an adoptive parent or stepparent can take similar leave. The legislature further finds that many employers establish different leave policies for men and women regarding the care of a newborn or newly placed child. The legislature recognizes that the bonding that occurs between a parent and child is important to the nurturing of that child, regardless of whether the parent is the child's biological parent and regardless of the gender of the parent. For these reasons, the legislature declares that is public policy of this state to require that employers who grant leave to their employees to care for a newborn child make the same leave available upon the same terms for adoptive parents and stepparents, men and women. [1989 1st ex.s. c 11 § 22.]

Severability—Effective date—1989 1st ex.s. c 11: See RCW 49.78.900 and 49.78.901.

49.12.360  Parental leave—Discrimination prohibited. (1) An employer must grant an adoptive parent or a stepparent, at the time of birth or initial placement for adoption of a child under the age of six, the same leave under the same terms as the employer grants to biological parents. As a term of leave, an employer may restrict leave to those living with the child at the time of birth or initial placement.
(2) An employer must grant the same leave upon the same terms for the men as it does for the women.
(3) The department shall administer and investigate violations of this section. Notices of infraction, penalties, and appeals shall be administered in the same manner as violations under RCW 49.12.285.
(4) For purposes of this section, "employer" includes all private and public employers listed in RCW 49.12.005(3).
(5) For purposes of this section, "leave" means any leave from employment granted to care for a newborn or a newly adopted child at the time of placement for adoption.
(6) Nothing in this section requires an employer to:
(a) Grant leave equivalent to maternity disability leave; or
(b) Establish a leave policy to care for a newborn or newly placed child if no such leave policy is in place for any of its employees. [1989 1st ex.s. c 11 § 23.]

Severability—Effective date—1989 1st ex.s. c 11: See RCW 49.78.900 and 49.78.901.

49.12.370  Parental leave—Collective bargaining agreement or employee benefit plan—Application. In the case of employees covered by an unexpired collective
bargaining agreement that expires on or after September 1, 1989, or by an employee benefit program or plan with a stated year ending on or after September 1, 1989, the effective date of RCW 49.12.360 shall be the later of: (1) The first day following expiration of the collective bargaining agreement; or (2) the first day of the next plan year. [1989 1st ex.s. c 11 § 42.]

Severability—Effective date—1989 1st ex.s. c 11: See RCW 49.78.900 and 49.78.901.

The program shall include mailings, public service announcements, seminars, and any other means deemed appropriate to inform all Washington employers of their rights and responsibilities regarding the employment of minors. [1991 c 303 § 2.]

*Reviser’s note: Section 1 of this act, which amended RCW 49.12.121, was vetoed by the governor.

49.12.390 Child labor laws—Violations—Civil penalties—Restraining orders. (1)(a) Except as otherwise provided in subsection (2) of this section, if the director, or the director’s designee, finds that an employer has violated any of the requirements of RCW 49.12.121 or 49.12.123, or a rule or order adopted or variance granted under RCW 49.12.121 or 49.12.123, a citation stating the violations shall be issued to the employer. For the purposes of this subsection, a serious violation shall be deemed to exist if death or serious physical harm has resulted or is imminent from a condition that exists, or from one or more practices, means, methods, operations, or processes that have been adopted or are in use by the employer, unless the employer did not, and could not with the exercise of reasonable diligence, know of the presence of the violation.

(3) In addition to any other authority provided in this section, if, upon inspection or investigation, the director, or director’s designee, believes that an employer has violated RCW 49.12.121 or 49.12.123, or a rule or order adopted or variance granted under RCW 49.12.121 or 49.12.123, and that the violation creates a danger from which there is a substantial probability that death or serious physical harm could result to a minor employee, the director, or director’s designee, may issue an order immediately restraining the condition, practice, method, process, or means creating the danger in the workplace. An order issued under this subsection may require the employer to take steps necessary to avoid, correct, or remove the danger and to prohibit the employment or presence of a minor in locations or under conditions where the danger exists.

(4) An employer who violates any of the posting requirements of RCW 49.12.121 or rules adopted implementing RCW 49.12.121 shall be assessed a civil penalty of not more than one hundred dollars for each violation.

A notice of appeal filed under this section shall stay the effectiveness of a citation or notice of the assessment of a penalty pending review of the appeal by the director, but such appeal shall not stay the effectiveness of an order of immediate restraint issued under RCW 49.12.390. Upon receipt of an appeal, a hearing shall be held in accordance with chapter 34.05 RCW. The director shall issue all final orders after the hearing. The final orders are subject to appeal in accordance with chapter 34.05 RCW. Orders not appealed within the time period specified in chapter 34.05 RCW are final and binding. [1991 c 303 § 4.]

49.12.410 Child labor laws—Violations—Criminal penalties. An employer who knowingly or recklessly violates the requirements of RCW 49.12.121 or 49.12.123, or a rule or order adopted under RCW 49.12.121 or 49.12.123, is guilty of a gross misdemeanor. An employer whose practices in violation of the requirements of RCW 49.12.121 or 49.12.123, or a rule or order adopted under RCW 49.12.121 or 49.12.123, result in the death or perma-

(8) Provide for the establishment of new and the perfection and expansion of existing programs for occupational safety and health education for employers and employees, and, in addition institute methods and procedures for the establishment of a program for voluntary compliance solely through the use of advice and consultation with employers and employees with recommendations including recommendations of methods to abate violations relating to the requirements of this chapter and all applicable safety and health standards and rules and regulations promulgated pursuant to the authority of this chapter;

(9) Provide for the adoption of safety and health standards requiring the use of safeguards in trenches and excavations and around openings of hoistways, hatchways, elevators, stairways, and similar openings;

(10) Provide for the promulgation of health and safety standards requiring the use of safeguards for all vats, pans, trimmers, cut off, gang edger, and other saws, planers, presses, formers, cogs, gearing, belting, shafting, coupling, set screws, live rollers, conveyors, mangles in laundries, and machinery of similar description, which can be effectively guarded with due regard to the ordinary use of such machinery and appliances and the danger to employees therefrom, and with which the employees of any such work place may come in contact while in the performance of their duties and prescribe methods, practices, or processes to be followed by employers which will enhance the health and safety of employees in the performance of their duties when in proximity to machinery or appliances mentioned in this subsection. [1973 c 80 § 5.]
49.17.060 Employer—General safety standard—Compliance. Each employer:

(1) Shall furnish to each of his employees a place of employment free from recognized hazards that are causing or likely to cause serious injury or death to his employees: PROVIDED, That no citation or order assessing a penalty shall be issued to any employer solely under the authority of this subsection except where no applicable rule or regulation has been adopted by the department covering the unsafe or unhealthful condition of employment at the work place; and

(2) Shall comply with the rules, regulations, and orders promulgated under this chapter. [1973 c 80 § 6.]

49.17.070 Right of entry—Inspections and investigations—Subpoenas—Contempt. The director, or his authorized representative, in carrying out his duties under this chapter, upon the presentation of appropriate credentials to the owner, manager, operator, or agent in charge, is authorized:

(1) To enter without delay and at all reasonable times the factory, plant, establishment, construction site, or other area, work place, or environment where work is performed by an employee of an employer; and

(2) To inspect, survey, and investigate during regular working hours and at other reasonable times, and within reasonable limits and in a reasonable manner, any such work place and all pertinent conditions, structures, machines, apparatus, devices, equipment, and materials therein, and to question privately any such employer, owner, operator, agent, or employee;

(3) In making inspections and making investigations under this chapter the director may require the attendance and testimony of witnesses and the production of evidence under oath. Witnesses shall be paid the same fees and mileage that are paid witnesses in the superior courts. In the case of contumacy, failure, or refusal of any person to obey such an order, any superior court within the jurisdiction of which such person is found, or resides, or transacts business, upon the application of the director, shall have jurisdiction to issue to such person an order requiring such person to appear to produce evidence if, as, and when so ordered, and to give testimony relating to the matter under investigation or in question, and any failure to obey such order of the court may be punished by said court as a contempt thereof. [1973 c 80 § 7.]

49.17.080 Variance from safety and health standards—Application—Contents—Procedure. (1) Any employer may apply to the director for a temporary order granting a variance from any safety and health standard promulgated by rule or regulation under the authority of this chapter. Such temporary order shall be granted only if the employer files an application which meets the requirements of subsection (2) of this section and establishes that the employer is unable to comply with a safety or health standard because of the unavailability of professional or technical personnel or of materials and equipment needed to come into compliance with the safety and health standard or because necessary construction or alteration of facilities cannot be completed by the effective date of such safety and health standard, that he is taking all available steps to safeguard his employees against the hazards covered by the safety and health standard, and he has an effective program for coming into compliance with such safety and health standard as quickly as practicable. Any temporary order issued under the authority of this subsection shall prescribe the practices, means, methods, operations, and processes which the employer must adopt and use while the order is in effect and state in detail his program for coming into compliance with the safety and health standard. Such a temporary order may be granted only after notice to employees and an opportunity for a hearing upon request of the employer or any affected employee. The name of any affected employee requesting a hearing under the provisions of this subsection shall be confidential and shall not be disclosed without the consent of such employee. The director may issue one interim order to be effective until a determination is made or a decision rendered if a hearing is demanded. No temporary order may be in effect for longer than the period needed by the employer to achieve compliance with the standard, or one year, whichever is shorter, except that such an order may be renewed not more than twice, so long as the requirements of this subsection are met and if an application for renewal is filed at least ninety days prior to the expiration date of the order. No renewal of a temporary order may remain in effect for longer than one hundred eighty days.

(2) An application for a temporary order under this section shall contain:

(a) A specification of the safety and health standard or portion thereof from which the employer seeks a variance;

(b) A representation by the employer, supported by representations from qualified persons having first hand knowledge of the facts represented, that he is unable to comply with the safety and health standard or portion thereof and a detailed statement of the reasons therefor;

(c) A statement of the steps the employer has taken and will take, with specific dates, to protect employees against the hazard covered by the standard;

(d) A statement as to when the employer expects to be able to comply with the standard or portion thereof and what steps he has taken and will take, with dates specified, to come into compliance with the standard; and

(e) A certification that the employer, by the date of mailing or delivery of the application to the director, has informed his employees of the application by providing a copy thereof to his employees or their authorized representative by posting a copy of such application in a place or places reasonably accessible to all employees or by other appropriate means of notification and by mailing a copy to the authorized representative of such employees; the application shall set forth the manner in which the employees have been so informed. The application shall also advise employees and their employee representatives of their right to apply to the director to conduct a hearing upon the application for a variance. [1973 c 80 § 8.]

49.17.090 Variance from safety and health standards—Notice—Hearing—Order—Modification or revocation. Any employer may apply to the director for an order for a variance from any rule or regulation establishing a safety and health standard promulgated under this chapter.
Affected employees shall be given notice of each such application and in the manner prescribed by RCW 49.17.080 shall be informed of their right to request a hearing on any such application. The director shall issue such order granting a variance, after opportunity for an inspection, if he determines or decides after a hearing has been held, if request for hearing has been made, that the applicant for the variance has demonstrated by a preponderance of the evidence that the conditions, practices, means, methods, operations, or processes used or proposed to be used by such applicant employer will provide employment and places of employment to his employees which are as safe and healthful as those which would prevail if he complied with the safety and health standard or standards from which the variance is sought. The order so issued shall prescribe the conditions the employer must maintain, and the practices, means, methods, operations, and processes which he must adopt and utilize to the extent they differ from the standard in question. At any time after six months has elapsed from the date of the issuance of the order granting a variance upon application of an employer, employee, or the director on his own motion, after notice has been given in the manner prescribed for the issuance of such order may modify or revoke the order granting the variance from any standard promulgated under the authority of this chapter. [1973 c 80 § 9.]

49.17.100 Inspection—Employer and employee representatives. A representative of the employer and an employee representative authorized by the employees of such employer shall be given an opportunity to accompany the director, or his authorized representative, during the physical inspection of any work place for the purpose of aiding such inspection. Where there is no authorized employee representative, the director or his authorized representative shall consult with a reasonable number of employees concerning matters of health and safety in the work place. The director may adopt procedural rules and regulations to implement the provisions of this section: PROVIDED, That neither this section, nor any other provision of this chapter, shall be construed to interfere with, impede, or in any way diminish the right of employees to bargain collectively with their employers through representatives of their own choosing concerning wages or standards or conditions of employment which equal or exceed those established under the authority of this chapter. [1986 c 192 § 1; 1973 c 80 § 10.]

49.17.110 Compliance by employee—Violations—Notice—Review. Each employee shall comply with the provisions of this chapter and all rules, regulations, and orders issued pursuant to the authority of this chapter which are applicable to his own actions and conduct in the course of his employment. Any employee or representative of employees who in good faith believes that a violation of a safety or health standard, promulgated by rule under the authority of this chapter exists that threatens physical harm to employees, or that an imminent danger to such employees exists, may request an inspection of the work place by giving notice to the director or his authorized representative of such violation or danger. Any such notice shall be reduced to writing, shall set forth with reasonable particularity the grounds for the notice, and shall be signed by the employee or representative of employees. A copy of the notice shall be provided the employer or his agent no later than at the time of inspection, except that, upon the request of the person giving such notice, his name and the names of individual employees referred to therein shall not appear in such copy or on any record published, released, or made available pursuant to any provision of this chapter. If upon receipt of such notification the director determines that there are reasonable grounds to believe that such violation or danger exists, he shall make a special inspection as soon as practicable, to determine if such violation or danger exists. If the director determines there are no reasonable grounds to believe that a violation or danger exists, he shall notify the employer and the employee or representative of the employees in writing of such determination.

Prior to or during any inspection of a work place, any employee or representative of employees employed in such work place may notify the director or any representative of the director responsible for conducting the inspection, in writing, of any violation of this chapter which he has reason to believe exists in such work place. The director shall, by rule, establish procedures for informal review of any refusal by a representative of the director to issue a citation with respect to any such alleged violation, and shall furnish the employee or representative of employees requesting such review a written statement of the reasons for the director's final disposition of the case. [1973 c 80 § 11.]

49.17.120 Violations—Citations. If upon inspection or investigation the director or his authorized representative believes that an employer has violated a requirement of RCW 49.17.060, or any safety or health standard promulgated by rule adopted by the director, or the conditions of any order granting a variance pursuant to this chapter, he shall with reasonable promptness issue a citation to the employer. Each citation shall be in writing and shall describe with particularity the nature of the violation, including a reference to the provisions of the statute, standard, rule, regulation, or order alleged to have been violated. In addition, the citation shall fix a reasonable time for the abatement of the violation. The director may prescribe procedures for the issuance of a notice in lieu of a citation with respect to de minimis violations which have no direct or immediate relationship to safety or health. Each citation, or a copy or copies thereof, issued under the authority of this section and RCW 49.17.130 shall be prominently posted, at or near each place a violation referred to in the citation occurred or as may otherwise be prescribed in regulations issued by the director. The director shall provide by rule for procedures to be followed by an employee representative upon written application to receive copies of citations and notices issued to any employer having employees who are represented by such employee representative. Such rule may prescribe the form of such application, the time for renewal of applications, and the eligibility of the applicant to receive copies of citations and notices. No citation may be issued under this section or RCW 49.17.130 after the expiration of six months following a compliance inspection, investigation, or survey revealing any such violation. [1973 c 80 § 12.]
49.17.130 Violations—Dangerous conditions—
Citations and orders of immediate restraint
Restraints—Restraining orders. (1) If upon inspection or
investigation, the director, or his authorized representative,
believes that an employer has violated a requirement of
RCW 49.17.060, or any safety or health standard promul­
gated by rules of the department, or any conditions of an order
granting a variance, which violation is such that a danger
exists from which there is a substantial probability that death
or serious physical harm could result to any employee, the
director or his authorized representative shall issue a citation
and may issue an order immediately restraining any such
condition, practice, method, process, or means in the work
place. Any order issued under this section may require such
steps to be taken as may be necessary to avoid, correct, or
remove such danger and prohibit the employment or pres­
ence of any individual in locations or under conditions where
such danger exists, except individuals whose presence is
necessary to avoid, correct, or remove such danger or to
maintain the capacity of a continuous process operation in
order that the resumption of normal operations may be had
without a complete cessation of operations, or where a
cessation of operations is necessary, to permit such to be
accomplished in a safe and orderly manner. In addition, if
any machine or equipment, or any part thereof, is in viola­
tion of a requirement of RCW 49.17.060 or any safety or
health standard promulgated by rules of the department, and
the operation of such machine or equipment gives rise to a
substantial probability that death or serious physical harm
could result to any employee, and an order of immediate
restraint of the use of such machine or equipment has been
issued under this subsection, the use of such machine or
equipment is prohibited, and a notice to that effect shall be
attached thereto by the director or his authorized representa­
tive.

(2) Whenever the director, or his authorized representa­
tive, concludes that a condition of employment described in
subsection (1) of this section exists in any work place, he
shall promptly inform the affected employees and employers
of the danger.

(3) At any time that a citation or a citation and order
restraining any condition of employment or practice de­
scribed in subsection (1) of this section is issued by the
director, or his authorized representative, he may in addition
request the attorney general to make an application to the
superior court of the county wherein such condition of
employment or practice exists for a temporary restraining
order or such other relief as appears to be appropriate under
the circumstances. [1973 c 80 § 13.]

49.17.140 Appeal to board—Citation or notification
of assessment of penalty—Final order—Procedure—
Redetermination—Hearing. (1) If after an inspection or
investigation the director or his authorized representative
issues a citation under the authority of RCW 49.17.120 or
49.17.130, the department, within a reasonable time after the
termination of such inspection or investigation, shall notify
the employer by certified mail of the penalty to be assessed
under the authority of RCW 49.17.180 and shall state that
the employer has fifteen working days within which to notify
the director that he wishes to appeal the citation or assess­
ment of penalty. If, within fifteen working days from the
communication of the notice issued by the director the
employer fails to notify the director that he intends to appeal
the citation or assessment penalty, and no notice is filed by
any employee or representative of employees under subsection
(3) of this section within such time, the citation and the
assessment shall be deemed a final order of the department
and not subject to review by any court or agency.

(2) If the director has reason to believe that an employer
has failed to correct a violation for which a citation has been
issued within the period permitted in the citation for its
correction, which period shall not begin to run until the entry
of a final order in the case of any appeal proceedings under
this section initiated by the employer in good faith and not
solely for delay or avoidance of penalties, the director shall
notify the employer by certified mail of such failure to
correct the violation and of the penalty to be assessed under
RCW 49.17.180 by reason of such failure, and shall state
that the employer has fifteen working days from the commu­
nication of such notification and assessment of penalty to
notify the director that he wishes to appeal the director’s
notification of the assessment of penalty. If, within fifteen
working days from the receipt of notification issued by the
director the employer fails to notify the director that he
intends to appeal the notification of assessment of penalty,
the notification and assessment of penalty shall be deemed
a final order of the department and not subject to review by
any court or agency.

(3) If any employer notifies the director that he intends
to appeal the citation issued under either RCW 49.17.120 or
49.17.130 or notification of the assessment of a penalty
issued under subsections (1) or (2) of this section, or if,
within fifteen working days from the issuance of a citation
under either RCW 49.17.120 or 49.17.130 any employee or
representative of employees files a notice with the director
alleging that the period of time fixed in the citation for the
abatement of the violation is unreasonable, the director may
reassume jurisdiction over the entire matter, or any portion
thereof upon which notice of intention to appeal has been
filed with the director pursuant to this subsection. If the
director reassumes jurisdiction of all or any portion of the
matter upon which notice of appeal has been filed with the
director, any redetermination shall be completed and correc­
tive notices of assessment of penalty, citations, or revised
periods of abatement completed within a period of thirty
working days, which redetermination shall then become final
subject to direct appeal to the board of industrial insurance
appeals within fifteen working days of such redetermination
with service of notice of appeal upon the director. In the
event that the director does not resume jurisdiction as
provided in this subsection, he shall promptly notify the state
board of industrial insurance appeals of all notifications of
intention to appeal any such citations, any such notices of
assessment of penalty and any employee or representative of
employees notice of intention to appeal the period of time
fixed for abatement of a violation and in addition certify a
full copy of the record in such appeal matters to the board.
The director shall adopt rules of procedure for the re­
assumption of jurisdiction under this subsection affording employ­
ers, employees, and employee representatives notice of the
reassumption of jurisdiction by the director, and an opportu­
nity to object or support the reassumption of jurisdiction,
either in writing or orally at an informal conference to be held prior to the expiration of the thirty-day period. A notice of appeal filed under this section shall stay the effectiveness of any citation or notice of the assessment of a penalty pending review by the board of industrial insurance appeals, but such appeal shall not stay the effectiveness of any order of immediate restraint issued by the director under the authority of RCW 49.17.130. The board of industrial insurance appeals shall afford an opportunity for a hearing in the case of each such appellant and the department shall be represented in such hearing by the attorney general and the board shall in addition provide affected employees or authorized representatives of affected employees an opportunity to participate as parties to hearings under this subsection. The board shall thereafter make disposition of the issues in accordance with procedures relative to contested cases appealed to the state board of industrial insurance appeals.

Upon application by an employer showing that a good faith effort to comply with the abatement requirements of a citation has been made and that the abatement has not been completed because of factors beyond his control, the director after affording an opportunity for a hearing shall issue an order affirming or modifying the abatement requirements in such citation. [1986 c 20 § 1; 1973 c 80 § 14.]

49.17.150 Appeal to superior court—Review or enforcement of orders. (1) Any person aggrieved by an order of the board of industrial insurance appeals issued under RCW 49.17.140(3) may obtain a review of such order in the superior court for the county in which the violation is alleged to have occurred, by filing in such court within thirty days following the communication of the board's order or denial of any petition or petitions for review, a written notice of appeal praying that the order be modified or set aside. Such appeal shall be perfected by filing with the clerk of the court and by serving a copy thereof by mail, or personally, on the director and on the board. The board shall thereupon transmit a copy of the notice of appeal to all parties who participated in proceedings before the board, and shall file in the court the complete record of the proceedings. Upon such filing the court shall have jurisdiction of the proceeding and of the question determined therein, and shall have power to grant such temporary relief or restraining order as it deems just and proper, and to make and enter upon the pleadings and the record of proceedings a decree affirming, modifying, or setting aside in all or in part, the decision of the board of industrial insurance appeals and enforcing the same to the extent that such order is affirmed or modified. The commencement of appellate proceedings under this subsection shall not, unless ordered by the court, operate as a stay of the order of the board of industrial insurance appeals. No objection that has not been urged before the board shall be considered by the court, unless the failure or neglect to urge such objection shall be excused because of extraordinary circumstances. The findings of the board or hearing examiner where the board has denied a petition or petitions for review with respect to questions of fact, if supported by substantial evidence on the record considered as a whole, shall be conclusive. If any party shall apply to the court for leave to adduce additional evidence and shall show to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the hearing before the board, the court may order such additional evidence to be taken before the board and to be made a part of the record. The board may modify its findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and it shall file such modified or new findings, which findings with respect to questions of fact are supported by substantial evidence on the record considered as a whole, shall be conclusive, and its recommendations, if any, for the modification or setting aside of its original order. Upon the filing of the record with it, the jurisdiction of the court shall be exclusive and the judgment and decree shall be final, except as the same shall be subject to review by the supreme court. Appeals filed under this subsection shall be heard expeditiously.

(2) The director may also obtain review or enforcement of any final order of the board by filing a petition for such relief in the superior court for the county in which the alleged violation occurred. The provisions of subsection (1) of this section shall govern such proceeding to the extent applicable. If a notice of appeal, as provided in subsection (1) of this section, is not filed within thirty days after service of the board's order, the board's findings of fact, decision, and order or the examiner's findings of fact, decision, and order when a petition or petitions for review have been denied shall be conclusive in connection with any petition for enforcement which is filed by the director after the expiration of such thirty day period. In any such case, as well as in the case of an unappealed citation or a notification of the assessment of a penalty by the director, which has become a final order under subsection (1) or (2) of RCW 49.17.140 upon application of the director, the clerk of the court, unless otherwise ordered by the court, shall forthwith enter a decree enforcing the citation and notice of assessment of penalty and shall transmit a copy of such decree to the director and the employer named in the director's petition. In any contempt proceeding brought to enforce a decree of the superior court entered pursuant to this subsection or subsection (1) of this section the superior court may assess the penalties provided in RCW 49.17.180, in addition to invoking any other available remedies. [1982 c 109 § 1; 1973 c 80 § 15.]

49.17.160 Discrimination against employee filing complaint, instituting proceedings, or testifying prohibited—Procedure—Remedy. (1) No person shall discharge or in any manner discriminate against any employee because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or related to this chapter, or has testified or is about to testify in any such proceeding or because of the exercise by such employee on behalf of himself or others of any right afforded by this chapter.

(2) Any employee who believes that he has been discharged or otherwise discriminated against by any person in violation of this section may, within thirty days after such violation occurs, file a complaint with the director alleging such discrimination. Upon receipt of such complaint, the director shall cause such investigation to be made as he
deems appropriate. If upon such investigation, the director determines that the provisions of this section have been violated, he shall bring an action in the superior court of the county wherein the violation is alleged to have occurred against the person or persons who is alleged to have violated the provisions of this section. If the director determines that the provisions of this section have not been violated, the employee may institute the action on his own behalf within thirty days of such determination. In any such action the superior court shall have jurisdiction, for cause shown, to restrain violations of subsection (1) of this section and order all appropriate relief including rehiring or reinstatement of the employee to his former position with back pay.

(3) Within ninety days of the receipt of the complaint filed under this section, the director shall notify the complainant of his determination under subsection (2) of this section. [1973 c 80 § 16.]

49.17.170 Injunctions—Temporary restraining orders. (1) In addition to and after having invoked the powers of restraint vested in the director as provided in RCW 49.17.130 the superior courts of the state of Washington shall have jurisdiction upon petition of the director, through the attorney general, to enjoin any condition or practice in any work place from which there is a substantial probability that death or serious physical harm could result to any employee immediately or before the imminence of such danger can be eliminated through the enforcement procedures otherwise provided by this chapter. Any order issued under this section may require such steps to be taken as may be necessary to avoid, correct, or remove such danger and prohibit the employment or presence of any individual in locations or under conditions where such danger exists, except individuals whose presence is necessary to avoid, correct, or remove such danger or to maintain the capacity of a continuous process operation to resume normal operation without a complete cessation of operations, or where a cessation of operations is necessary, to permit such to be accomplished in a safe and orderly manner.

(2) Upon the filing of any such petition the superior courts of the state of Washington shall have jurisdiction to grant such injunctive relief or temporary restraining order pending the outcome of enforcement proceedings pursuant to this chapter, except that no temporary restraining order issued without notice shall be effective for a period longer than five working days.

(3) Whenever and as soon as any authorized representative of the director concludes that a condition or practice described in subsection (1) exists in any work place, he shall inform the affected employees and employers of the danger and may recommend to the director that relief be sought under this section.

(4) If the director arbitrarily or capriciously fails to invoke his restraining authority under RCW 49.17.130 or fails to seek relief under this section, any employee who may be injured by reason of such failure, or the representative of such employees, may bring an action against the director in the superior court for the county in which the danger is alleged to exist for a writ of mandamus to compel the director to seek such an order and for such further relief as may be appropriate or seek the director to exercise his restraining authority under RCW 49.17.130. [1973 c 80 § 17.]

49.17.180 Violations—Civil penalties. (1) Any employer who willfully or repeatedly violates the requirements of RCW 49.17.060, of any safety or health standard promulgated under the authority of this chapter, of any existing rule or regulation governing the conditions of employment promulgated by the department, or of any order issued granting a variance under RCW 49.17.080 or 49.17.090 may be assessed a civil penalty not to exceed seventy thousand dollars for each violation. A minimum penalty of five thousand dollars shall be assessed for a willful violation.

(2) Any employer who has received a citation for a serious violation of the requirements of RCW 49.17.060, of any safety or health standard promulgated under the authority of this chapter, of any existing rule or regulation governing the conditions of employment promulgated by the department, or of any order issued granting a variance under RCW 49.17.080 or 49.17.090 as determined in accordance with subsection (6) of this section, shall be assessed a civil penalty not to exceed seven thousand dollars for each such violation.

(3) Any employer who has received a citation for a violation of the requirements of RCW 49.17.060, of any safety or health standard promulgated under this chapter, of any existing rule or regulation governing the conditions of employment promulgated by the department, or of any order issued granting a variance under RCW 49.17.080 or 49.17.090, where such violation is specifically determined not to be of a serious nature as provided in subsection (6) of this section, may be assessed a civil penalty not to exceed seven thousand dollars for each such violation, unless such violation is determined to be de minimis.

(4) Any employer who fails to correct a violation for which a citation has been issued under RCW 49.17.120 or 49.17.130 within the period permitted for its correction, which period shall not begin to run until the date of the final order of the board of industrial insurance appeals in the case of any review proceedings under this chapter initiated by the employer in good faith and not solely for delay or avoidance of penalties, may be assessed a civil penalty of not more than seven thousand dollars for each day during which such failure or violation continues.

(5) Any employer who violates any of the posting requirements of this chapter, or any of the posting requirements of rules promulgated by the department pursuant to this chapter related to employee or employee representative's rights to notice, including but not limited to those employee rights to notice set forth in RCW 49.17.080, 49.17.090, 49.17.120, 49.17.130, 49.17.220(1) and 49.17.240(2), shall be assessed a penalty not to exceed seven thousand dollars for each such violation. Any employer who violates any of the posting requirements for the posting of informational, educational, or training materials under the authority of RCW 49.17.050(7), may be assessed a penalty not to exceed seven thousand dollars for each such violation.

(6) For the purposes of this section, a serious violation shall be deemed to exist in a work place if there is a substantial probability that death or serious physical harm
49.17.190 Violations—Criminal penalties. (1) Any person who gives advance notice of any inspection to be conducted under the authority of this chapter, without the consent of the director or his authorized representative, shall, upon conviction be guilty of a gross misdemeanor and be punished by a fine of not more than one thousand dollars or by imprisonment for not more than six months, or by both.

(2) Whoever knowingly makes any false statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained pursuant to this chapter shall, upon conviction be guilty of a gross misdemeanor and be punished by a fine of not more than ten thousand dollars, or by imprisonment for not more than six months or by both.

(3) Any employer who willfully and knowingly violates the requirements of RCW 49.17.060, any safety or health standard promulgated under this chapter, any existing rule or regulation governing the safety or health conditions of employment and adopted by the director, or any order issued granting a variance under RCW 49.17.080 or 49.17.090 and that violation caused death to any employee shall, upon conviction be guilty of a gross misdemeanor and be punished by a fine of not more than one hundred thousand dollars or by imprisonment for not more than six months or by both; except, that if the conviction is for a violation committed after a first conviction of such person, punishment shall be a fine of not more than two hundred thousand dollars or by imprisonment for not more than one year, or by both.

(4) Any employer who has been issued an order immediately restraining a condition, practice, method, process, or means in the work place, pursuant to RCW 49.17.130 or 49.17.170, and who nevertheless continues such condition, practice, method, process, or means, or who continues to use a machine or equipment or part thereof to which a notice prohibiting such use has been attached, shall be guilty of a gross misdemeanor, and upon conviction shall be punished by a fine of not more than ten thousand dollars or by imprisonment for not more than six months, or by both.

(5) Any employer who shall knowingly remove, displace, damage, or destroy, or cause to be removed, displaced, damaged, or destroyed any safety device or safeguard required to be present and maintained by any safety or health standard, rule, or order promulgated pursuant to this chapter, or pursuant to the authority vested in the director under RCW 43.22.050 shall, upon conviction, be guilty of a misdemeanor and be punished by a fine of not more than one thousand dollars or by imprisonment for not more than ninety days, or by both.

(6) Whenever the director has reasonable cause to believe that any provision of this section defining a crime has been violated by an employer, the director shall cause a record of such alleged violation to be prepared, a copy of which shall be referred to the prosecuting attorney of the county wherein such alleged violation occurred, and the prosecuting attorney of such county shall in writing advise the director of the disposition he shall make of the alleged violation. [1986 c 20 § 3; 1973 c 80 § 19.]

49.17.200 Confidentiality—Trade secrets. All information reported to or otherwise obtained by the director, or his authorized representative, in connection with any inspection or proceeding under the authority of this chapter, which contains or which might reveal a trade secret shall be considered confidential, except that such information may be disclosed to other officers or employees concerned with carrying out this chapter, or when relevant in any proceeding under this chapter. In any such proceeding the director, the board of industrial insurance appeals, or the court shall issue such orders as may be appropriate to protect the confidentiality of trade secrets. [1973 c 80 § 20.]

Uniform trade secrets act: Chapter 19.108 RCW.

49.17.210 Research, experiments, and demonstrations for safety purposes—Confidentiality of information—Variances. The director is authorized to conduct, either directly or by grant or contract, research, experiments, and demonstrations as may be of aid and assistance in the furtherance of the objects and purposes of this chapter. Employer identity, employee identity, and personal identifiers of voluntary participants in research, experiments, and demonstrations shall be deemed confidential and shall not be open to public inspection. Information obtained from such voluntary activities shall not be deemed to be medical information for the purpose of RCW 51.36.060 and shall be deemed confidential and shall not be open to public inspection. The director, in his or her discretion, is authorized to grant a variance from any rule or regulation or portion thereof, whenever he or she determines that such variance is necessary to permit an employer to participate in an experiment approved by the director, and the experiment is designed to demonstrate or validate new and improved techniques to safeguard the health or safety of employees. Any such variance shall require that all due regard be given to the health and safety of all employees participating in any experiment. [1991 c 89 § 1; 1973 c 80 § 21.]
49.17.220 Records—Reports—Notice to employee exposed to harmful materials. (1) Each employer shall make, keep, and preserve, and make available to the director such records regarding his activities relating to this chapter as the director may prescribe by regulation as necessary or appropriate for the enforcement of this chapter or for developing information regarding the causes and prevention of occupational accidents and illnesses. In order to carry out the provisions of this section such regulations may include provisions requiring employers to conduct periodic inspections. The director shall also issue regulations requiring that employers, through posting of notices or other appropriate means, keep their employees informed of their protections and obligations under this chapter, including the provisions of applicable safety and health standards.

(2) The director shall prescribe regulations requiring employers to maintain accurate records, and to make periodic reports of work-related deaths, and of injuries and illnesses other than minor injuries requiring only first aid treatment and which do not involve medical treatment, loss of consciousness, restriction of work or motion, or transfer to another job.

(3) The director shall issue regulations requiring employers to maintain accurate records of employee exposures to potentially toxic materials or harmful physical agents which are required to be monitored or measured. Such regulations shall provide employees or their representatives with an opportunity to observe such monitoring or measuring, and to have access to the records thereof. Such regulations shall also make appropriate provisions for each employee or former employee to have access to such records as will indicate his own exposure to toxic materials or harmful physical agents. Each employer shall promptly notify any employee who has been or is being exposed to toxic materials or harmful physical agents in concentrations or at levels which exceed those prescribed by any applicable safety and health standard promulgated under this chapter and shall inform any employee who is being thus exposed of the corrective action being taken. [1973 c 80 § 22.]

49.17.230 Compliance with federal act—Agreements and acceptance of grants authorized. The director is authorized to adopt by rule any provision reasonably necessary to enable this state to qualify a state plan under section 18 of the Occupational Safety and Health Act of 1970 (Public Law 91-596, 84 Stat. 1590) to enable this state to assume the responsibility for the development and enforcement of occupational safety and health standards in all work places within this state subject to the legislative jurisdiction of the state of Washington. The director is authorized to enter into agreement with the United States and to accept on behalf of the state of Washington grants of funds to implement the development and enforcement of this chapter and the Occupational Safety and Health Act of 1970. [1973 c 80 § 23.]

49.17.240 Safety and health standards. (1) The director in the promulgation of rules under the authority of this chapter shall establish safety and health standards for conditions of employment of general and/or specific applicability for all industries, businesses, occupations, crafts, trades, and employment subject to the provisions of this chapter, or those that are a national or accepted federal standard. In adopting safety and health standards for conditions of employment, the director shall solicit and give due regard to all recommendations by any employer, employee, or labor representative of employees.

(2) Any safety and health standard adopted by rule of the director shall, where appropriate, prescribe the use of labels or other forms of warning to insure that employees are apprised of all hazards to which they may be exposed, relevant symptoms, and appropriate emergency treatment, and proper conditions and precautions of safe use or exposure. Where appropriate, such rules shall so prescribe suitable protective equipment and control or technological procedures to be used in connection with such hazards and shall provide for monitoring or measuring employee exposure at such locations and intervals, and in such manner as may be reasonably necessary for the protection of employees. In addition, where appropriate, any such rule shall prescribe the type and frequency of medical examinations or other tests which shall be made available, by the employer or at his cost, to employees exposed to such hazards in order to most effectively determine whether the health of such employees is adversely affected by such exposure. In the event that such medical examinations are in the nature of research, as determined by the director, such examinations may be furnished at the expense of the department. The results of such examinations or tests shall be furnished only to the director, other appropriate agencies of government, and at the request of the employee to his physician.

(3) Whenever the director adopts by rule any safety and health standard he may at the same time provide by rule the effective date of such standard which shall not be less than thirty days, excepting emergency rules, but may be made effective at such time in excess of thirty days from the date of adoption as specified in any rule adopting a safety and health standard. Any rule not made effective thirty days after adoption, having a delayed effectiveness in excess of thirty days, may only be made upon a finding made by the director that such delayed effectiveness of the rule is reasonably necessary to afford the affected employers a reasonable opportunity to make changes in methods, means, or practices to meet the requirements of the adopted rule. Temporary orders granting a variance may be utilized by the director in lieu of the delayed effectiveness in the adoption of any rule. [1973 c 80 § 24.]

49.17.250 Voluntary compliance program—Consultation and advisory services. (1) In carrying out the responsibilities for the development of a voluntary compliance program under the authority of RCW 49.17.050(8) and the rendering of advisory and consultative services to employers, the director may grant an employer's application for advice and consultation, and for the purpose of affording such consultation and advice visit the employer's work place. Such consultation and advice shall be limited to the matters specified in the request affecting the interpretation and applicability of safety and health standards to the conditions, structures, machines, equipment, apparatus, devices, materials, methods, means, and practices in the employer's work place. The director in granting any requests for consultative
or advisory service may provide for an alternative means of
affording consultation and advice other than on-site consulta-
tion.

(2) The director, or an authorized representative, will
make recommendations regarding the elimination of any
hazards disclosed within the scope of the on-site consulta-
tion. No visit to an employer's work place shall be regarded
as an inspection or investigation under the authority of this
chapter, and no notices or citations shall be issued, nor, shall
any civil penalties be assessed upon such visit, nor shall any
authorized representative of the director designated to render
advice and consult with employers under the voluntary
compliance program have any enforcement authority:
PROVIDED, That in the event an on-site visit discloses a
serious violation of a health and safety standard as defined
in RCW 49.17.070 or any inspection conducted as a
result of a complaint, nor immunity from inspections under
RCW 49.17.070 or inspections resulting from a complaint
subsequent to the conclusion of the consultative period. This
section shall not be construed as requiring an inspection
under RCW 49.17.070 of any work place which has been
visited for consultative purposes. However, in the event of
a subsequent inspection, the director, or an authorized
representative, may in his or her discretion take into consid-
eration any information obtained during the consultation visit
of that work place in determining the nature of an alleged
violation and the amount of penalties to be assessed, if any.
Such rules and regulations to be promulgated pursuant to this
section shall provide that in all instances of serious viola-
tions as defined in RCW 49.17.180(6) which are disclosed
in any consultative period, shall be corrected within a
specified period of time at the expiration of which an
inspection will be conducted under the authority of RCW
49.17.070. All employers requesting consultative services
shall be advised of the provisions of this section and the
rules adopted by the director relating to the voluntary
compliance program. Information obtained by the depart-
ment as a result of employer-requested consultation and
training services shall be deemed confidential and shall not
be open to public inspection. Within thirty days of receipt,
the employer shall make voluntary services reports available
to employees or their collective bargaining representatives
for review. Employers may satisfy the availability require-
ment by requesting a copy of the reports from the depart-
ment. The director may provide by rule for the frequency,
manner, and method of the rendering of consultative services
to employers, and for the scheduling and priorities in
granting applications consistent with the availability of
personnel, and in such a manner as not to jeopardize the

enforcement requirements of this chapter. [1991 c 89 § 2;
1973 c 80 § 25.]

49.17.260 Statistics—Investigations—Reports. In
furtherance of the objects and purposes of this chapter, the
director shall develop and maintain an effective program of
collection, compilation, and analysis of industrial safety and
health statistics. The director, or his authorized representa-
tive, shall investigate and analyze industrial catastrophes,
serious injuries, and fatalities occurring in any work place
subject to this chapter, in an effort to ascertain whether such
injury or fatality occurred as the result of a violation of this
chapter, or any safety and health standard, rule, or order
promulgated pursuant to this chapter, or if not, whether a
safety and health standard or rule should be promulgated for
application to such circumstances. The director shall adopt
rules relating to the conducting and reporting of such
investigations. Such investigative report shall be deemed
confidential and only available upon order of the superior
court after notice to the director and an opportunity for
hearing: PROVIDED, That such investigative reports shall
be made available without the necessity of obtaining a court
order, to employees of governmental agencies in the perfor-
mance of their official duties, to the injured workman or his
legal representative or his labor organization representative,
or to the legal representative or labor organization represen-
tative of a deceased workman who was the subject of an
investigation, or to the employer of the injured or deceased
workman or any other employer or person whose actions or
business operation is the subject of the report of investiga-
tion, or any attorney representing a party in any pending
legal action in which an investigative report constitutes
relevant and material evidence in such legal action. [1973
c 80 § 26.]

49.17.270 Administration of chapter. The depart-
ment shall be the sole and paramount administrative agency
responsible for the administration of the provisions of this
chapter, and any other agency of the state or any municipal
corporation or political subdivision of the state having
administrative authority over the inspection, survey, investi-
gation, or any regulatory or enforcement authority of safety
and health standards related to the health and safety of
employees in any work place subject to this chapter, shall be
required, notwithstanding any statute to the contrary, to
exercise such authority as provided in this chapter and
subject to interagency agreement or agreements with the
department made under the authority of the interlocal
cooperation act (chapter 39.34 RCW) relative to the proce-
dures to be followed in the enforcement of this chapter:
PROVIDED, That in relation to employers using or possess-
ing sources of ionizing radiation the department of labor and
industries and the department of social and health services
shall agree upon mutual policies, rules, and regulations
compatible with policies, rules, and regulations adopted
pursuant to chapter 70.98 RCW insofar as such policies,
rules, and regulations are not inconsistent with the provisions
of this chapter. [1973 c 80 § 27.]
49.17.900 Short title. This act shall be known and cited as the Washington Industrial Safety and Health Act of 1973. [1973 c 80 § 29.]

49.17.910 Severability—1973 c 80. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected. [1973 c 80 § 30.]

49.24.020 Compressed air safety requirements. Every employer of persons for work in compressed air shall:

(1) Connect at least two air pipes with the working chamber and keep such pipes in perfect working condition;

(2) Attach to the working chamber in accessible positions all instruments necessary to show its pressure and keep such instruments in charge of competent persons, with
a period of duty for each such person not exceeding six hours in any twenty-four;

(3) Place in each shaft a safe ladder extending its entire length;

(4) Light properly and keep clear such passageway;

(5) Provide independent lighting systems for the working chamber and shaft leading to it, when electricity is used for lighting;

(6) Guard lights other than electric lights;

(7) Protect workmen by a shield erected in the working chamber when such chamber is less than ten feet long and is suspended with more than nine feet space between its deck and the bottom of the excavation;

(8) Provide for and keep accessible to employees working in compressed air a dressing room heated, lighted and ventilated properly and supplied with benches, lockers, sanitary waterclosets, bathing facilities and hot and cold water;

(9) Establish and maintain a medical lock properly heated, lighted, ventilated and supplied with medicines and surgical implements, when the maximum air pressure exceeds seventeen pounds. [1937 c 131 § 2; RRS § 7666-2.]

Excessive users of intoxicants shall not be permitted to work in compressed air. [1937 c 131 § 4; RRS § 7666-4.]

*Reviser's note: RCW 49.24.050 was repealed by 1963 c 105 § 1.

49.24.060 Penalty. Violation of or noncompliance with any provision of *this article by any employer, manager, superintendent, foreman or other person having direction or control of such work shall be a gross misdemeanor punishable by a fine of not less than two hundred and fifty dollars or by imprisonment for not more than one year or by both such fine and imprisonment. The director of labor and industries through and by means of the division of industrial safety and health shall have the power and it shall be his duty to enforce the provisions of RCW 49.24.010 through 49.24.070. Any authorized inspector or agent of the division of industrial safety and health may issue and serve upon the employer or person in charge of such work, an order requiring compliance with a special provision or specific provisions of RCW 49.24.010 through 49.24.070 and requiring the discontinuance of any employment of persons in compressed air in connection with such work until such specific provision or provisions have been complied with by such employer to the satisfaction of the division of industrial safety and health. [1973 1st ex.s. c 52 § 7; 1937 c 131 § 8; RRS § 7666-8.]

Effective date—1973 1st ex.s. c 52: See note following RCW 43.22.010.

49.24.080 Requirements for underground labor. Every person, firm or corporation constructing, building or operating a tunnel, quarry, caisson or subway, excepting in connection with mines, with or without compressed air, shall in the employment of any labor comply with the following safety provisions:

(1) A safety miner shall be selected by the crew on each shift who shall check the conditions necessary to make the working place safe; such as loose rock, faulty timbers, poor rails, lights, ladders, scaffolds, fan pipes and firing lines.

(2) Ventilating fans shall be installed from twenty-five to one hundred feet outside the portal.

(3) No employee shall be allowed to "bar down" without the assistance of another employee.

(4) No employee shall be permitted to return to the heading until at least thirty minutes after blasting.

(5) Whenever persons are employed in wet places, the employer shall furnish such persons with rubbers, boots, coats and hats. All boots if worn previously by an employee shall be sterilized before being furnished to another: PROVIDED, That RCW 49.24.080 through 49.24.380 shall not apply to the operation of a railroad except that new construction of tunnels, caissons or subways in connection therewith shall be subject to the provisions of RCW 49.24.080 through 49.24.380: PROVIDED, FURTHER, That in the event of repair work being done in a railroad tunnel, no person shall be compelled to perform labor until the air has been cleared of smoke, gas and fumes. [1973 1st ex.s. c 154 § 89; 1965 c 144 § 1; 1941 c 194 § 1; Rem. Supp. 1941 § 7666-9.]

49.24.100 Lighting appliances. (1) All lighting in compressed air chambers shall be by electricity only. Wherever practicable there shall be two independent lighting systems with independent sources of supply.

(2) The exterior of all lamp sockets shall be entirely nonmetallic.

(3) All portable incandescent lamps used shall be guarded by a wire cage large enough to enclose both lamp and socket.
49.24.100 Exhaust valves. Exhaust valves shall be provided, having risers extending to the upper part of chamber, if necessary, and shall be operated at such times as may be required and especially after a blast, and persons shall not be required to resume work after a blast until the gas and smoke have cleared, for at least thirty minutes. [1973 1st ex.s. c 154 § 90; 1941 c 194 § 4; Rem. Supp. 1941 § 7666-12.]

49.24.120 Fire prevention. All reasonable precaution shall be taken against fire, and provisions shall be made so that water lines shall be available for use at all times. Fire hose connections with hose connected shall be installed in all power plants and work houses. There shall be fire hose connections within reasonable distance of all caissons. Fire hose shall be connected at either side of a tunnel bulkhead, with at least fifty feet of hose with nozzle connection.

Water lines shall extend into each tunnel with hose connections every two hundred feet and shall be kept ready for use at all times. [1941 c 194 § 5; Rem. Supp. 1941 § 7666-13.]

49.24.130 Air chambers—Hanging walks. (1) Whenever the air pressure in a tunnel heading exceeds twenty-one pounds per square inch above atmospheric pressure, two air chambers shall always be in use, except for such time as may be necessary when headings are being started from shafts; and whenever practicable the pressure in the outer chamber shall not exceed one-half the pressure in the heading;

(2) In all tunnels sixteen feet in diameter or over, hanging walks shall be provided from working face to nearest lock. An overhead clearance of six feet shall be maintained and suitable ramps provided under all safety screens. [1941 c 194 § 6; Rem. Supp. 1941 § 7666-14.]

49.24.140 Locks. (1) Each bulkhead in tunnels of twelve feet or more in diameter or equivalent area, shall have at least two locks in perfect working condition, one of which shall be used as a man lock. An additional lock for use in case of emergency shall be held in reserve.

(2) The man lock shall be large enough so that those using it are not compelled to be in a cramped position, and shall not be less than five feet in height. Emergency locks shall be large enough to hold an entire heading shift.

(3) All locks used for decompression shall be lighted by electricity and shall contain a pressure gauge, a time piece, a glass "bull’s eye" in each door or in each end, and shall also have facilities for heating.

(4) Valves shall be so arranged that the locks can be operated both from within and from without. [1941 c 194 § 7; Rem. Supp. 1941 § 7666-15.]

49.24.150 Explosives and detonators. When locking explosives and detonators into the air chamber, they shall be kept at opposite ends of the lock. While explosives and detonators are being taken through, no men other than the lock tender and the carriers shall be permitted in the lock. [1941 c 194 § 8; Rem. Supp. 1941 § 7666-16.]

49.24.160 Air plant—Feed water. (1) A good and sufficient air plant for the compression of air shall be provided to meet not only ordinary conditions, but emergencies, and to provide margin for repairs at all times. Provision must be made for storing in tanks at each boiler house enough feed water for twelve hours’ supply unless connection can be made with two independent and separately sufficient sources of supply.

(2) The plant shall be capable of furnishing to each working chamber a sufficient air supply for all pressure to enable work to be done. [1941 c 194 § 9; Rem. Supp. 1941 § 7666-17.]

49.24.170 Electric power requirements. When electric power is used for running compressors supplying air for compressed air tunnel work and such power is purchased from a local central station or power company—

(1) There shall be two or more sources of power from the power company’s stations to the compressor plant. Such power feeders shall each have a capacity large enough to carry the entire compressor plant load and normal overload. The feeders shall preferably run from separate generating plants or substations and be carried to the compressor plant over separate routes and not through the same duct lines and manholes so that the breakdown of one feeder shall not cause an interruption on the other feeder.

(2) There shall be duplicate feeder bus-bars, and feeder connections to the bus-bars shall be such that either feeder can feed to each separate bus-bar set, individually, or simultaneously to both sets.

(3) There shall be at least two compressors so connected to the bus-bars that they can be operated from either set of busses. The compressors shall be fed from different bus-bar sets, in such a way that a breakdown of a feeder or bus-bar would interrupt the operation of only part of the compressor plant.

(4) Duplicate air feed pipes shall be provided from the compressor plant to a point beyond the lock. [1941 c 194 § 10; Rem. Supp. 1941 § 7666-18.]

49.24.180 Inspection. While work is in progress, the employer shall employ a competent person who shall make a regular inspection at least once every working day of all engines, boilers, steam pipes, drills, air pipes, air gauges, air locks, dynamos, electric wiring, signaling apparatus, brakes, cages, buckets, hoists, cables, ropes, timbers, supports, and all other apparatus and appliances; and he shall immediately upon discovery of any defect, report same in writing to the employer, or his agent in charge. [1941 c 194 § 11; Rem. Supp. 1941 § 7666-19.]

(8) All power lines and electric light wires shall be disconnected at a point outside the blasting switch before the loading of holes. No current by grounding of power or bonded rails shall be allowed beyond blasting switch after explosives are taken in preparatory to blasting, and under no circumstances shall grounded current be used for exploding blasts.
(9) Before drilling is commenced on any shift, all remaining holes shall be examined with a wooden stick for unexploded charges or cartridges, and if any are found, same shall be refired before work proceeds.
(10) No person shall be allowed to deepen holes that have previously contained explosives.
(11) All wires in broken rock shall be carefully traced and search made for unexploded cartridges.
(12) Whenever blasting is being done in a tunnel, at points liable to break through to where other men are at work, the foreman or person in charge shall, before any holes are loaded, give warning of danger to all persons that may be working where the blasts may break through, and he shall not allow any holes to be charged until warning is acknowledged and men are removed.
(13) Blasters when testing circuit through charged holes shall use sufficient leading wires to be at a safe distance and shall use only approved types of galvanometers. No tests of circuits in charged holes shall be made until men are removed to safe distance.
(14) No blasts shall be fired with fuse, except electrically ignited fuse, in vertical or steep shafts.
(15) In shaft sinking where the electric current is used for firing, a separate switch not controlling any electric lights must be used for blasting and proper safeguard similar to those in tunnels must be followed in order to insure against premature firing. [1941 c 194 § 15; Rem. Supp. 1941 § 7666-23.]

Explosives: Chapter 70.74 RCW.

49.24.230 Firing switch—Warning by blaster. When firing by electricity from power or lighting wires, a proper switch shall be furnished with lever down when "off". The switch shall be fixed in a locked box to which no person shall have access except the blaster. There shall be provided flexible leads or connecting wires not less than five feet in length with one end attached to the incoming lines and the other end provided with plugs that can be connected to an effective ground. After blasting, the switch lever shall be pulled out, the wires disconnected and the box locked before any person shall be allowed to return, and shall remain so locked until again ready to blast.

In the working chamber all electric light wires shall be provided with a disconnecting switch, which must be thrown to disconnect all current from the wires in the working chamber before electric light wires are removed or the charge exploded.

Before blasting the blaster shall cause a sufficient warning to be sounded and shall compel all persons to retreat to a safe shelter, before he sets off the blast, and shall permit no one to return until conditions are safe. [1941 c 194 § 16; Rem. Supp. 1941 § 7666-24.]

The distance between the centers of the rungs of a ladder shall not exceed fourteen inches and shall not vary more than one inch in any one piece of shafting. The length of the ladder rungs shall not be less than nine inches. The rungs of the ladder shall in no case be less than three inches from the wall or other obstruction in the shafting or opening

(1992 Ed.)
in which the ladder shall be used. Under no circumstances shall a ladder inclining backward from the vertical be installed. A suitable ladder shall be provided from the top of all locks to the surface.

All man shafts shall be lighted at a distance of every ten feet with a guarded incandescent lamp.

Man locks and man shafts shall be in charge of a man whose duty it shall be to operate said lock and shaft. All caissons more than ten feet in diameter shall be provided with a separate man shaft, which shall be kept clear and in operating order at all times.

Every cage shall be provided with an approved safety catch of sufficient strength to hold the cage with its maximum load at any point in the shaft.

All parts of the hoisting apparatus, cables, brakes, guides and fastenings shall be of the most substantial design and shall be arranged for convenient inspection. The efficiency of all safety devices shall be established by satisfactory tests before the cages are put into service and at least once every three months thereafter and a record thereof kept.

49.24.300 Buckets in vertical shafts. In all vertical shafts in which hoisting is done by means of a bucket, suitable guides shall be provided when the depth exceeds ten times the diameter or width of the shaft, but in no case shall the maximum depth without guides exceed one hundred and fifty feet. In connection with the bucket, there shall be a crosshead traveling between these guides. The height of the crosshead shall be at least two-thirds of its width, but the height in no case shall be less than thirty inches. [1941 c 194 § 23; Rem. Supp. 1941 § 7666-31.]

[1941 c 194 § 24; Rem. Supp. 1941 § 7666-32.]

49.24.320 Location of lights. (1) While work is in progress, tunnels, stairways, ladderways and all places on the surface where work is being conducted, shall be properly lighted. In shafts more than one hundred feet deep, the shaft below that point shall be lighted.

(2) All places where hoisting, pumping or other machinery is erected and in the proximity of which persons are working or moving about, shall be so lighted when the machine is in operation that the moving parts of such machine can be clearly distinguished. [1941 c 194 § 25; Rem. Supp. 1941 § 7666-33.]

49.24.330 Generators, transformers, etc., to be grounded. The frames and bed plates of generators, transformers, compensators, rheostats and motors installed underground shall be effectively grounded. All metallic coverings, armoring of cables, other than trailing cables, and the neutral wire of three-wire systems shall also be so grounded. [1941 c 194 § 26; Rem. Supp. 1941 § 7666-34.]

49.24.340 Electrical voltage. In electrical systems installed, no higher voltage than low voltage shall be used underground, except for transmission or other application to transformers, motors, generators or other apparatus in which the whole of the medium or high voltage apparatus is stationary. [1941 c 194 § 27; Rem. Supp. 1941 § 7666-35.]

49.24.350 Lamps to be held in reserve. Lamps or other proper lights shall be kept ready for use in all underground stations where a failure of electric light is likely to cause danger. [1941 c 194 § 28; Rem. Supp. 1941 § 7666-36.]
49.24.360 Insulators required. (1) All underground cables and wires, unless provided with grounded metallic covering, shall be supported by efficient insulators. The conductors connecting lamps to the power supply shall in all cases be insulated.

(2) Cables and wires unprovided with metallic coverings shall not be fixed to walls or timbers by means of uninsulated fastenings. [1941 c 194 § 29; Rem. Supp. 1941 § 7666-37.]

49.26.010 Legislative declaration. Air-borne asbestos dust and particles, such as those from sprayed asbestos slurry, asbestos-coated ventilating ducts, and certain other applications of asbestos are known to produce irreversible lung damage and bronchogenic carcinoma. One American of every four dying in urban areas of the United States has asbestos particles or dust in his lungs. The nature of this problem is such as to constitute a hazard to the public health and safety, and should be brought under appropriate regulation. [1973 c 30 § 1.]

49.26.013 Inspection of construction projects required. (1) Any owner or owner’s agent who allows or authorizes any construction, renovation, remodeling, maintain-

copy of the written report or statement shall be subject to a mandatory fine of not less than two hundred and fifty dollars per day. Each day the violation continues shall be considered a separate violation.

(3) Any partnership, firm, corporation or sole proprietorship that begins any construction, renovation, remodeling, maintenance, repair, or demolition without meeting the requirements of RCW 49.26.013 and the notification requirement under RCW 49.26.120 shall lose the exemptions provided in RCW 49.26.110 and 49.26.120 for a period of not less than six months.

(4) The certificate of any asbestos contractor who knowingly violates any provision of this chapter or any rule adopted under this chapter shall be revoked for a period of not less than six months.

(5) The penalties imposed in this section are in addition to any penalties under RCW 49.26.140. [1989 c 154 § 3. Prior: 1988 c 271 § 8.]

49.26.020 Asbestos use standards. Standards regulating the use of asbestos in construction or manufacturing shall be established by the director of the department of labor and industries, with the advice of the state health officer and the department of ecology. Standards to be adopted shall describe the types of asbestos that may be used in construction and manufacturing, the methods and procedures for their use, and such other requirements as may be needed to protect the public health and safety with respect to air-borne asbestos particles and asbestos dust. [1973 c 30 § 2.]

49.26.030 Containers for asbestos products. Products containing asbestos shall be stored in containers of types approved by the director of the department of labor and industries, with the advice of the state health officer and the department of ecology. Containers of asbestos shall be plainly marked "Asbestos—do not inhale" or other words to the same effect. [1973 c 30 § 3.]

49.26.040 Regulations—Enforcement. The asbestos use standards required under RCW 49.26.020 and the list of approved container types required under RCW 49.26.030 shall be adopted as regulations of the department of labor and industries. The department shall have the power to implement and enforce such regulations. [1973 c 30 § 4.]

49.26.100 Asbestos projects—Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Asbestos project" means the construction, demolition, repair, maintenance, remodeling, or renovation of any public or private building or mechanical piping equipment or systems involving the demolition, removal, encapsulation, salvage, or disposal of material, or outdoor activity, releasing or likely to release asbestos fibers into the air.

(2) "Department" means the department of labor and industries.

(3) "Director" means the director of the department of labor and industries or the director's designee.

(4) "Person" means any individual, partnership, firm, association, corporation, sole proprietorship, or the state of Washington or its political subdivisions.

(5) "Certified asbestos supervisor" means an individual who is certified by the department to supervise an asbestos project.

(6) "Certified asbestos worker" means an individual who is certified by the department to work on an asbestos project.

(7) "Certified asbestos contractor" means any partnership, firm, association, corporation or sole proprietorship registered under chapter 18.27 RCW that submits a bid or contracts to remove or encapsulate asbestos for another and is certified by the department to remove or encapsulate asbestos.

(8) "Owner" means the owner of any public or private building, structure, facility or mechanical system, or the agent of such owner, but does not include individuals who work on asbestos projects on their own single-family residences no part of which is used for any commercial purpose. [1989 c 154 § 4. Prior: 1988 c 271 § 6; 1985 c 387 § 1.]

49.26.110 Asbestos projects—Worker's and supervisor's certificates. (1) No employee or other individual is eligible to do work governed by this chapter unless issued a certificate by the department except, in the case of an asbestos project undertaken by any partnership, firm, corporation or sole proprietorship which has not lost this exemption under RCW 49.26.016(3), and conducted in its own facility and by its own employees. In cases excepted under this section:

(a) Direct, on-site supervision by a certified asbestos supervisor shall be required for asbestos projects performed at one project location by workers who are not certified.

(b) If a project is conducted using only certified workers or if a certified worker functions as a foreman or lead person, supervision can be performed in the regular course of a supervisor's duties and need not be direct and on-site.

(c) The partnership, firm, corporation or sole proprietorship shall submit a written description to the department of the kinds of asbestos projects expected to be undertaken and the procedures to be used in undertaking asbestos projects, which description shall demonstrate competence in performing the work in compliance with the requirements of this chapter, rules adopted under this chapter, and any other requirements of law for the safe demolition, removal, encapsulation, salvage, and disposal of asbestos.

(2) To qualify for a certificate: (a) Certified asbestos workers and supervisors must have successfully completed a training course of at least thirty hours, provided or approved by the department, on the health and safety aspects of the removal and encapsulation of asbestos including but not limited to the federal and state standards regarding protective clothing, respirator use, disposal, air monitoring, cleaning, and decontamination, and shall meet such additional qualifications as may be established by the department by rule for the type of certification sought; and (b) all applicants for certification as asbestos workers or supervisors must pass an examination in the type of certification sought which shall be provided or approved by the department. These require-
ments are intended to represent the minimum requirements for certification and shall not preclude contractors or employers from providing additional education or training. The department may require the successful completion of annual refresher courses provided or approved by the department for continued certification as an asbestos worker or supervisor.

(3) The department shall provide for the reciprocal certification of any individual trained to engage in asbestos projects in another state when the prior training is shown to be substantially similar to the training required by the department. Nothing shall prevent the department from requiring such individuals to take an examination or refresher course before certification.

(4) The department may deny, suspend, or revoke a certificate, as provided under RCW 49.26.140, for failure of the holder to comply with any requirement of this chapter or chapter 49.17 RCW, or any rule adopted under those chapters, or applicable health and safety standards and regulations. In addition to any penalty imposed under RCW 49.26.016, the department may suspend or revoke any certificate issued under this chapter for a period of not less than six months upon the following grounds:

(a) The certificate was obtained through error or fraud; or

(b) The holder thereof is judged to be incompetent to carry out the work for which the certificate was issued.

Before any certificate may be denied, suspended, or revoked, the holder thereof shall be given written notice of the department's intention to do so, mailed by registered mail, return receipt requested, to the holder's last known address. The notice shall enumerate the allegations against such holder, and shall give him or her the opportunity to request a hearing before the department. At such hearing, the department and the holder shall have opportunity to produce witnesses and give testimony.

(5) A denial, suspension, or revocation order may be appealed to the board of industrial insurance appeals within fifteen working days after the denial, suspension, or revocation order is entered. The notice of appeal may be filed with the department or the board of industrial insurance appeals. The board of industrial insurance appeals shall hold the hearing in accordance with procedures established in RCW 49.17.140. Any party aggrieved by an order of the board of industrial insurance appeals may obtain superior court review in the manner provided in RCW 49.17.150.

(6) Each person certified under this chapter shall display, upon the request of an authorized representative of the department, valid identification issued by the department. [1989 c 154 § 5. Prior: 1988 c 271 § 10; 1985 c 387 § 2.]

49.26.115 Asbestos projects—Contractor's certificate required. Before working on an asbestos project, a contractor shall obtain an asbestos contractor's certificate from the department and shall have in its employ at least one certified asbestos supervisor who is responsible for supervising all asbestos projects undertaken by the contractor and for assuring compliance with all state laws and regulations regarding asbestos. The contractor shall apply for certification renewal every year. The department shall ensure that the expiration of the contractor's registration and the expiration of his or her asbestos contractor's certificate coincide. [1989 c 154 § 6. Prior: 1988 c 271 § 11.]

49.26.120 Asbestos projects—Qualified asbestos workers and supervisor—Prenotification to department—Fire personnel. (1) No person may assign any employee, contract with, or permit any individual or person to remove or encapsulate asbestos in any facility unless performed by a certified asbestos worker and under the direct, on-site supervision of a certified asbestos supervisor except, in the case of an asbestos project undertaken by any partnership, firm, corporation or sole proprietorship which has not lost this exemption under RCW 49.26.016(3), and conducted in its own facility and by its own employees. In cases excepted under this section:

(a) Direct, on-site supervision by a certified asbestos supervisor shall be required for asbestos projects performed at one project location by workers who are not certified.

(b) If a project is conducted using only certified workers or if a certified worker functions as a foreman or lead person, supervision can be performed in the regular course of a supervisor's duties and need not be direct and on-site.

(c) The partnership, firm, corporation or sole proprietorship shall submit a written description to the department of the kinds of asbestos projects expected to be undertaken and the procedures to be used in undertaking asbestos projects, which description shall demonstrate competence in performing the work in compliance with the requirements of this chapter, rules adopted under this chapter, and any other requirements of law for the safe demolition, removal, encapsulation, salvage, and disposal of asbestos.

(2) The department shall require persons undertaking asbestos projects to provide written notice to the department before the commencement of the project except as provided in RCW 49.26.125. The notice shall include a written description containing such information as the department requires by rule. The department may by rule allow a person to report multiple projects at one site in one report. The department shall by rule establish the procedure and criteria by which a person will be considered to have attempted to meet the prenotification requirement.

(3) The department shall consult with the state fire protection policy board, and may establish any additional policies and procedures for municipal fire department and fire district personnel who clean up sites after fires which have rendered it likely that asbestos has been or will be disturbed or released into the air. [1989 c 154 § 7. Prior: 1988 c 271 § 12; 1985 c 387 § 4.]

49.26.125 Prenotification to department—Exemptions. Prenotification to the department under RCW 49.26.120 shall not be required for:

1(a) Any asbestos project involving less than forty-eight square feet of surface area, or less than ten linear feet of pipe unless the surface area of the pipe is greater than forty-eight square feet. The person undertaking such a
project shall keep the reports, or statements, and written
descriptions required under RCW 49.26.013 and 49.26.120
which shall be available upon request of the department.
Employees and employee representatives may request such
reports under RCW 49.26.013(2).

(b) The director may waive the prenotification require­
ment upon written request of an owner for large-scale, on­
going projects. In granting such a waiver, the director shall
require the owner to provide prenotification if significant
changes in personnel, methodologies, equipment, work site,
or work procedures occur or are likely to occur. The
director shall further require annual resubmittal of such
notification.

(c) The director, upon review of an owner’s reports,
work practices, or other data available as a result of inspec­
tions, audits, or other authorized activities, may reduce the
size threshold for prenotification required by this section.
Such a change shall be based on the director’s determina­tion
that significant problems in personnel, methodologies,
equipment, work site, or work procedures are creating the
potential for violations of this chapter or asbestos require­
ments under chapter 49.17 RCW. The new prenotification
requirements shall be given in writing to the owner and shall
remain in effect until modified or withdrawn in writing by the
director.

(2) Emergency projects.

(a) As used in this section, "emergency project" means
a project that was not planned and results from a sudden,
unexpected event, and does not include operations that are
necessitated by nonroutine failure of equipment or systems.

(b) Emergency projects which disturb or release any
material containing asbestos into the air shall be reported to
the department within three working days after the com­
 mencement of the project in the manner otherwise required
under this chapter. A notice shall be clearly posted adjacent
to the work site describing the nature of the emergency
project. The employees’ collective bargaining representa­tions,
or employee representatives, or designated representa­tions,
if any, shall be notified of the emergency as soon as possible
by the person undertaking the emergency project.

Incremental phasing in the conduct or design of asbestos
projects or otherwise designing or conducting asbestos
projects of a size less than forty-eight square feet, or other
threshold for exemption as provided under this section, with
the intent of avoiding prenotification requirements is a
violation of this chapter. [1989 c 154 § 8. Prior: 1988 c
271 § 13.]

accordance with chapters 34.05 and 49.17 RCW, rules
necessary to carry out this chapter.

(3) The department shall prescribe fees for the issuance
and renewal of certificates, including recertification, and the
administration of examinations, and for the review of
training courses.

(4) The asbestos account is hereby established in the
state treasury. All fees collected under this chapter shall be
deposited in the account. Moneys in the account shall be
spent after appropriation only for costs incurred by the
department in the administration and enforcement of this
chapter. Disbursements from the account shall be on
authorization of the director of the department or the

statute, this chapter shall be implemented and enforced,
including penalties, violations, citations, and other adminis­
trative procedures, pursuant to the Washington industrial
safety and health act, chapter 49.17 RCW.

(2) A person or individual who previously has been
assessed a civil penalty under this section, and who know­
ingly violates a provision of RCW 49.26.110 through
49.26.130 or a rule adopted pursuant to RCW 49.26.110
through 49.26.130 is guilty of a misdemeanor. [1987 c 219
§ 2; 1985 c 387 § 5.]

49.26.150 Discrimination against employee filing
complaint prohibited. Any employee who notifies the
department of any activity the employee reasonably believes
to be a violation of this chapter or any rule adopted under
this chapter or who participates in any proceeding related
thereto shall have the same rights and protections against
discharge or discrimination as employees are afforded under
§ 16.]

Labor unions—Injunctions in labor disputes—1919 act: Chapter 49.36 RCW.

49.32.011 Injunctions in labor disputes. No court of the state of Washington or any judge or judges thereof shall have jurisdiction to issue any restraining order or temporary or permanent injunction in a case involving or growing out of a labor dispute, except in a strict conformity with the provisions of this chapter; nor shall any such restraining order or temporary or permanent injunction be issued contrary to the public policy declared in this chapter. [1933 ex.s. c 7 § 1; RRS § 7612-1. Cf. 1919 c 185 § 2. Formerly RCW 49.32.040.]

49.32.020 Policy enunciated. In the interpretation of this chapter and in determining the jurisdiction and authority of the courts of the state of Washington, as such jurisdiction and authority are herein defined and limited, the public policy of the state of Washington is hereby declared as follows:

WHEREAS, Under prevailing economic conditions, developed with the aid of governmental authority for owners of property to organize in the corporate and other forms of ownership association, the individual unorganized worker is commonly helpless to exercise actual liberty of contract and to protect his freedom of labor, and thereby to obtain acceptable terms and conditions of employment, wherefore, though he should be free to decline to associate with his fellows, it is necessary that he have full freedom of association, self-organization, and designation of representatives of his own choosing, to negotiate the terms and conditions of his employment, and that he shall be free from interference, restraint, or coercion of employers of labor, or their agents, in the designation of such representatives or in self-organization or in other concerted activities for the purpose of collective bargaining or other mutual aid or protections; therefore, the following definitions of, and limitations upon, the jurisdiction and authority of the courts of the state of Washington are hereby enacted. [1933 ex.s. c 7 § 2; RRS § 7612-2.]

49.32.030 Undertakings and promises unenforceable. Any undertaking or promise, such as is described in this section, or any other undertaking or promise in conflict with the public policy declared in RCW 49.32.020, is hereby declared to be contrary to the public policy of the state of Washington, shall not be enforceable in any court of the state of Washington, and shall not afford any basis for the granting of legal or equitable relief by any such court, including specifically the following:

Every undertaking or promise hereafter made, whether written or oral, express or implied, constituting or contained in any contract or agreement of hiring or employment between any individual, firm, company, association, or corporation and any employee or prospective employee of the same, whereby—

(1) Either party to such contract or agreement undertakes or promises not to join, become, or remain a member of any labor organization or of any employer organization; or

(2) Either party to such contract or agreement undertakes or promises that he will withdraw from an employment relation in the event that he joins, becomes, or remains a member of any labor organization or of any employer organization. [1933 ex.s. c 7 § 3; RRS § 7612-3.]

49.32.050 Jurisdiction of courts. No court of the state of Washington shall have jurisdiction to issue any restraining order or temporary or permanent injunction in any case involving or growing out of any labor dispute or prohibit any person or persons participating or interested in such dispute (as these terms are herein defined) from doing, whether singly or in concert, any of the following acts:
(1) Ceasing or refusing to perform any work or to remain in any relation of employment;
(2) Becoming or remaining a member of any labor organization or of any employer organization, regardless of any such undertaking or promise as is described in RCW 49.32.030;
(3) Paying or giving to, or withholding from, any person participating or interested in such labor dispute any strike or unemployment benefits or insurance or other moneys or things of value;
(4) By all lawful means aiding any person participating or interested in any labor dispute who is being proceeded against in, or is prosecuting, any action or suit in any court of the United States or of any state;
(5) Giving publicity to the existence of, or the facts involved in, any labor dispute, whether by advertising, speaking, patrolling, or by any other method not involving fraud or violence;
(6) Assembling peaceably to act or to organize to act in promotion of their interests in a labor dispute;
(7) Advising or notifying any person of an intention to do any of the acts heretofore specified;
(8) Agreeing with other persons to do or not to do any of the acts heretofore specified; and
(9) Advising, urging, or otherwise causing or inducing without fraud or violence the acts heretofore specified, regardless of any such undertaking or promise as is described in RCW 49.32.030. [1933 ex.s. c 7 § 4; RRS § 7612-4.]

49.32.060 Concert of action immaterial. No court of the state of Washington or any judge or judges thereof shall have jurisdiction to issue a restraining order or temporary or permanent injunction upon the ground that any of the persons participating or interested in a labor dispute constitute or are engaged in an unlawful combination or conspiracy because of the doing in concert of the acts enumerated in RCW 49.32.050. [1933 ex.s. c 7 § 5; RRS § 7612-5.]

49.32.070 Responsibility of associations. No officer or member of any association or organization, and no association or organization participating or interested in a labor dispute, shall be held responsible or liable in any court of the state of Washington for the unlawful acts of individual officers, members, or agents, except upon clear proof of actual participation in, or actual authorization of, such acts, or of ratification of such acts after actual knowledge thereof. [1933 ex.s. c 7 § 6; RRS § 7612-6.]

49.32.072 Injunctions—Hearings and findings—Temporary orders—Security. No court of the state of Washington or any judge or judges thereof shall have jurisdiction to issue a temporary or permanent injunction in any case involving or growing out of a labor dispute, as herein defined, except after hearing the testimony of witnesses in open court (with opportunity for cross-examination) in support of the allegations of a complaint made under oath, and testimony in opposition thereto, if offered, and except after findings of fact by the court, to the effect—
(1) That unlawful acts have been threatened and will be continued unless restrained, but no injunction or temporary restraining order shall be issued on account of any threat or unlawful act excepting against the person or persons, association, or organization making the threat or committing the unlawful act or actually authorizing or ratifying the same after actual knowledge thereof;
(2) That substantial and irreparable injury to complainant's property will follow;
(3) That as to each item of relief granted greater injury will be inflicted upon complainant by the denial of relief than will be inflicted upon defendants by the granting of relief;
(4) That complainant has no adequate remedy at law; and
(5) That the public officers charged with the duty to protect complainant's property are unable or unwilling to furnish adequate protection.

Such hearing shall be held after due and personal notice thereof has been given, in such manner as the court shall direct, to all persons against whom relief is sought, and also to the chief of those public officials of the county and city within which the unlawful acts have been threatened or committed charged with the duty to protect complainant's property: PROVIDED, HOWEVER, That if a complainant shall also allege that, unless a temporary restraining order shall be issued without notice, a substantial and irreparable injury to complainant's property will be unavoidable, such a temporary restraining order may be issued upon testimony under oath, sufficient, if sustained, to justify the court in issuing a temporary injunction upon a hearing after notice. Such a temporary restraining order shall be effective for no longer than five days and shall become void at the expiration of said five days. No temporary restraining order or temporary injunction shall be issued except on condition that complainant shall first file an undertaking with adequate security in an amount to be fixed by the court sufficient to recompense those enjoined for any loss, expense, or damage caused by the improvident or erroneous issuance of such order or injunction, including all reasonable costs (together with a reasonable attorney's fee) and expense of defense against the order or against the granting of any injunctive relief sought in the same proceeding and subsequently denied by the court.

The undertaking herein mentioned shall be understood to signify an agreement entered into by the complainant and the surety upon which a decree may be rendered in the same suit or proceeding against said complainant and surety, upon a hearing to assess damages of which hearing complainant and surety shall have reasonable notice, the said complainant and surety submitting themselves to the jurisdiction of the court for that purpose. But nothing herein contained shall deprive any party having a claim or cause of action under or upon such undertaking from electing to pursue his ordinary remedy by suit at law or in equity. [1933 ex.s. c 7 § 7; RRS § 7612-7.]

Reviser's note: This section was declared unconstitutional in Blanchard v. Golden Age Brewing Co., 188 Wash. 396, 63 P.2d 397 (1936).

49.32.073 Injunctions—Complaints, conditions precedent. No restraining order or injunctive relief shall be granted to any complainant who has failed to comply with any obligation imposed by law which is involved in the
labor dispute in question, or who has failed to make every reasonable effort to settle such dispute either by negotiation or with the aid of any available governmental machinery of mediation or voluntary arbitration. [1933 ex.s. c 7 § 8; RRS § 7612-8.]

Reviser's note: This section was declared unconstitutional in Blanchard v. Golden Age Brewing Co., 188 Wash. 396, 63 P.2d 397 (1936).

49.32.074 Injunctions—Findings and order essential. No restraining order or temporary or permanent injunction shall be granted in a case involving or growing out of a labor dispute, except on the basis of findings of fact made and filed by the court in the record of the case prior to the issuance of such restraining order or injunction; and every restraining order or injunction granted in a case involving or growing out of a labor dispute, shall include only a prohibition of such specific act or acts as may be expressly complained of in the complaint or petition filed in such case and as shall be expressly included in said findings of fact made and filed by the court as provided herein. [1933 ex.s. c 7 § 9; RRS § 7612-9.]

Reviser's note: This section was declared unconstitutional in Blanchard v. Golden Age Brewing Co., 188 Wash. 396, 63 P.2d 397 (1936).

49.32.080 Appellate review. Whenever any court of the state of Washington shall issue or deny any temporary injunction in a case involving or growing out of a labor dispute, the court shall, upon the request of any party to the proceedings, and on his filing the usual bond for costs, forthwith certify the entire record of the case, including a transcript of the evidence taken, to the supreme court or the court of appeals for its review. Upon the filing of such record in the supreme court or the court of appeals, the appeal shall be heard and the temporary injunctive order affirmed, modified, or set aside with the greatest possible expedition, giving the proceedings precedence over all other matters except older matters of the same character. [1971 c 81 § 116; 1933 ex.s. c 7 § 10; RRS § 7612-10.]

Rules of court: Appeal procedure superseded by RAP 2.1, 2.2, 18.22.

49.32.090 Contempt—Speedy jury trial. In all cases arising under this chapter in which a person shall be charged with contempt in a court of the state of Washington, the accused shall enjoy the right to a speedy and public trial by an impartial jury of the county wherein the contempt shall have been committed: PROVIDED, That this right shall not apply to contempt committed in the presence of the court or so near thereto as to interfere directly with the administration of justice or to apply to the misbehavior, misconduct or disobedience of any officer of the court in respect to the writs, orders, or process of the court. [1933 ex.s. c 7 § 11; RRS § 7612-11.]

49.32.100 Contempt—Retirement of judge. The defendant in any proceeding for contempt of court may file with the court a demand for the retirement of the judge sitting in the proceeding, if the contempt arises from an attack upon the character or conduct of such judge and if the attack occurred elsewhere than in the presence of the court or so near thereto as to interfere directly with the administration of justice. Upon the filing of any such demand the judge shall thereupon proceed no further, but another judge shall be designated in the same manner as provided by law. The demand shall be filed prior to the hearing of the contempt proceeding. [1933 ex.s. c 7 § 12; RRS § 7612-12.]

49.32.110 Definitions. When used in this chapter, and for the purpose of this chapter—

(1) A case shall be held to involve or to grow out of a labor dispute when the case involves persons who are engaged in the same industry, trade, or occupation; or have direct or indirect interests therein; or who are employees of the same employer; or who are members of the same or an affiliated organization of employers or employees; whether such dispute is (a) between one or more employers or associations of employers and one or more employees or associations of employees; (b) between one or more employers or associations of employers and one or more employers or association of employers; or (c) between one or more employees or association of employees and one or more employers or association of employees; or when the case involves any conflicting or competing interests in a "labor dispute" (as hereinafter defined) of "persons participating or interested" therein (as hereinafter defined).

(2) With the consent and cooperation of federal agencies charged with the administration of federal labor laws, the
director may, for the purpose of carrying out his functions and duties under this chapter, utilize the services of federal agencies and their employees and, notwithstanding any other provision of law, may reimburse such federal agencies and their employees for services rendered for such purposes.

(3) Every employer subject to any provision of this chapter or of any order issued under this chapter shall make, keep, and preserve such records of the persons employed by him and of the wages, hours, and other conditions and practices of employment maintained by him, and shall preserve such records for such periods of time, and shall make reports therefrom to the director as he shall prescribe by regulation as necessary or appropriate for the enforcement of the provisions of this chapter or the regulations thereunder.

(4) The director is authorized to make such regulations regulating, restricting, or prohibiting industrial homework as are necessary or appropriate to prevent the circumvention or evasion of and to safeguard the minimum wage rate prescribed in this chapter, and all existing regulations of the director relating to industrial homework are hereby continued in full force and effect. [1959 c 294 § 7.]

49.46.060 Exceptions for learners, apprentices, messengers, disabled. The director, to the extent necessary in order to prevent curtailment of opportunities for employment, shall by regulations provide for (1) the employment of learners, of apprentices, and of messengers employed primarily in delivering letters and messages, under special certificates issued pursuant to regulations of the director, at such wages lower than the minimum wage applicable under RCW 49.46.020 and subject to such limitations as to time, number, proportion, and length of service as the director shall prescribe, and (2) the employment of individuals whose earning capacity is impaired by age or physical or mental deficiency or injury, under special certificates issued by the director, at such wages lower than the minimum wage applicable under RCW 49.46.020 and for such period as shall be fixed in such certificates. A copy of such petition shall be served upon the director. The finding of facts, if supported by evidence, shall be conclusive upon the court. The court shall determine whether the regulation is in accordance with law. If the court determines that such regulation is not in accordance with law, it shall remand the case to the director with directions to modify or revoke such regulation. If application is made to the court for leave to adduce additional evidence by any aggrieved party, such party shall show to the satisfaction of the court that such additional evidence is material, and that there were reasonable grounds for the failure to adduce such evidence before the director. If the court finds that such evidence is material and that reasonable grounds exist for failure of the aggrieved party to adduce such evidence in prior proceedings, the court may remand the case to the director with directions that such additional evidence be taken before the director. The director may modify the findings and conclusions, in whole or in part, by reason of such additional evidence.

(3) The judgment and decree of the court shall be final except that it shall be subject to review by the supreme court or the court of appeals as in other civil cases.

(4) The proceedings under this section shall not, unless specifically ordered by the court, operate as a stay of an administrative regulation issued under the provisions of this chapter. The court shall not grant any stay of an administrative regulation unless the person complaining of such regulation shall file in the court an undertaking with a surety or sureties satisfactory to the court for the payment to the employees affected by the regulation, in the event such regulation is affirmed, of the amount by which the compensation such employees are entitled to receive under the
regulation exceeds the compensation they actually receive while such stay is in effect. [1983 c 3 § 157; 1971 c 81 § 117; 1959 c 294 § 8.]

Any agreement between such employee and the employer to work for less than such wage rate shall be no defense to such action.

(2) At the written request of any employee paid less than the wages to which he is entitled under or by virtue of this chapter, the director may take an assignment under this chapter or as provided in RCW 49.48.040 of such wage claim in trust for the assigning employee and may bring any legal action necessary to collect such claim, and the employer shall be required to pay the costs and such reasonable attorney’s fees as may be allowed by the court. (3) The director, or the director's designee, may, upon the written consent of the labor department or corresponding agency of any other state or of the person, board, officer, or commission of such state authorized to act on behalf of such labor department or corresponding agency, maintain actions in the courts of Washington upon assigned claims for wages, judgments, and demands arising in such other state in the same manner and to the same extent that such actions by the director are authorized when arising in Washington. Such actions may be maintained only in cases where such other state by law or reciprocal agreement extends a like comity to cases arising in Washington. [1985 c 48 § 1.]

49.48.080 Public employees excluded. Chapter 49.60

49.60.010 Purpose of chapter. This chapter shall be known as the "law against discrimination". It is an exercise of the police power of the state for the protection of the public welfare, health, and peace of the people of this state, and in fulfillment of the provisions of the Constitution of this state concerning civil rights. The legislature hereby finds and declares that practices of discrimination against any of its inhabitants because of race, creed, color, national origin, sex, marital status, age, or the presence of any sensory, mental, or physical handicap are a matter of state concern, that such discrimination threatens not only the rights and proper privileges of its inhabitants but menaces the institutions and foundation of a free democratic state. A state agency is herein created with powers with respect to elimination and prevention of discrimination in employment, in credit and insurance transactions, in places of public resort, accommodation, or amusement, and in real property transactions because of race, creed, color, national origin, sex, marital status, age, or the presence of any sensory, mental, or physical handicap; and the commission established hereunder is hereby given general jurisdiction and power for such purposes. [1985 c 185 § 1; 1973 1st ex.s. c 214 § 1; 1973 c 141 § 1; 1969 ex.s. c 167 § 1; 1957 c 37 § 1; 1949 c 183 § 1] [Rem. Supp. 1949 § 7614-20.]

Severability—1969 ex.s. c 167: "If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1969 ex.s. c 167 § 10.]

Severability—1957 c 37: "If any provision of this act or the application of such provision to any person or circumstance shall be held invalid, the remainder of such act or the application of such provision to persons or circumstances other than those to which it is held invalid shall not be affected thereby." [1957 c 37 § 27.] This applies to RCW 49.60.010 through 49.60.050, 49.60.090, 49.60.120, and 49.60.180 through 49.60.310.

Severability—1949 c 183: "If any provision of this act or the application of such provision to any person or circumstance shall be held invalid, the remainder of such act or the application of such provision to persons or circumstances other than those to which it is held invalid shall not be affected thereby." [1949 c 183 § 13.] This applies to RCW 49.60.060 through 49.60.080, 49.60.100, 49.60.110, 49.60.130 through 49.60.170, and 49.60.320.

Urban renewal law—Discrimination prohibited: RCW 35.81.170.

49.60.020 Construction of chapter—Election of other remedies. The provisions of this chapter shall be construed liberally for the accomplishment of the purposes thereof. Nothing contained in this chapter shall be deemed to repeal any of the provisions of any other law of this state relating to discrimination because of race, color, creed, national origin, sex, marital status, age, or the presence of any sensory, mental, or physical handicap, other than a law which purports to require or permit doing any act which is an unfair practice under this chapter. Nor shall anything herein contained be construed to deny the right to any person to institute any action or pursue any civil or criminal remedy based upon an alleged violation of his civil rights. [1973 1st ex.s. c 214 § 2; 1973 c 141 § 2; 1957 c 37 § 2; 1949 c 183 § 12; Rem. Supp. 1949 § 7614-30.]

49.60.030 Freedom from discrimination—Declaration of civil rights. (1) The right to be free from discrimination because of race, creed, color, national origin, sex, or the presence of any sensory, mental, or physical handicap is recognized as and declared to be a civil right. This right shall include, but not be limited to:

(a) The right to obtain and hold employment without discrimination;

(b) The right to the full enjoyment of any of the accommodations, advantages, facilities, or privileges of any place of public resort, accommodation, assemblage, or amusement;

(f) The right to engage in commerce free from any discriminatory boycotts or blacklists. Discriminatory boycotts or blacklists for purposes of this section shall be defined as the formation or execution of any express or implied agreement, understanding, policy or contractual arrangement for economic benefit between any persons which is not specifically authorized by the laws of the United States and which is required or imposed, either directly or indirectly, overtly or covertly, by a foreign government or foreign person in order to restrict, condition, prohibit, or interfere with or in order to exclude any person or persons from any business relationship on the basis of race, color, creed, religion, sex, national origin or lawful business relationship: PROVIDED HOWEVER, That nothing herein contained shall prohibit the use of boycotts as authorized by law pertaining to labor disputes and unfair labor practices.

(2) Any person deeming himself injured by any act in violation of this chapter shall have a civil action in a court of competent jurisdiction to enjoin further violations, to recover the actual damages sustained by him, or both, together with the cost of suit including a reasonable attorney's fees or any other remedy authorized by this chapter or the United States Civil Rights Act of 1964; and

(3) Notwithstanding any other provisions of this chapter, any act prohibited by this chapter related to sex discrimination or discriminatory boycotts or blacklists which is committed in the course of trade or commerce in the state of Washington as defined in the Consumer Protection Act, chapter 19.86 RCW, shall be deemed an unfair practice within the meaning of RCW 19.86.020 and 19.86.030 and subject to all the provisions of chapter 19.86 RCW as now or hereafter amended. 49.60.172 Unfair practices with respect to HIV infection. (1) No person may require an individual to take an HIV test, as defined in chapter 70.24 RCW, as a condition of hiring, promotion, or continued employment unless the absence of HIV infection is a bona fide occupational qualification for the job in question.

(2) No person may discharge or fail or refuse to hire any individual, or segregate or classify any individual in any way which would deprive or tend to deprive that individual of employment opportunities or adversely affect his or her
status as an employee, or otherwise discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment on the basis of the results of an HIV test unless the absence of HIV infection is a bona fide occupational qualification of the job in question.

(3) The absence of HIV infection as a bona fide occupational qualification exists when performance of a particular job can be shown to present a significant risk, as defined by the board of health by rule, of transmitting HIV infection to other persons, and there exists no means of eliminating the risk by restructing the job.

(4) For the purpose of this chapter, any person who is actually infected with HIV, but is not disabled as a result of the infection, shall not be eligible for any benefits under the affirmative action provisions of chapter 49.74 RCW solely on the basis of such infection.

(5) Employers are immune from civil action for damages arising out of transmission of HIV to employees or to members of the public unless such transmission occurs as a result of the employer's gross negligence. [1988 c 206 § 903.]

Severability—1988 c 206: See RCW 70.24.900.

49.60.174 Evaluation of claim of discrimination—Actual or perceived HIV infection. (1) For the purposes of determining whether an unfair practice under this chapter has occurred, claims of discrimination based on actual or perceived HIV infection shall be evaluated in the same manner as other claims of discrimination based on sensory, mental, or physical handicap.

(2) Subsection (1) of this section shall not apply to transactions with insurance entities, health service contractors, or health maintenance organizations subject to RCW 49.60.030(1)(e) or 49.60.178 to prohibit fair discrimination on the basis of actual HIV infection status when bona fide statistical differences in risk or exposure have been substantiated.

(3) For the purposes of this chapter, "HIV" means the human immunodeficiency virus, and includes all HIV and HIV-related viruses which damage the cellular branch of the human immune system and leave the infected person immunodeficient. [1988 c 206 § 902.]

Severability—1988 c 206: See RCW 70.24.900.

49.60.175 Unfair practices of financial institutions. It shall be an unfair practice to use the sex, race, creed, color, national origin, marital status, or the presence of any sensory, mental, or physical handicap of any person concerning an application for credit in any credit transaction to determine the credit worthiness of an applicant. [1979 c 127 § 4; 1977 ex.s. c 301 § 14; 1973 c 141 § 9; 1959 c 68 § 1.]

49.60.176 Unfair practices with respect to credit transactions. (b) To increase the charges or fees for or collateral required to secure any credit extended to any person;

(c) To restrict the amount or use of credit extended or to impose different terms or conditions with respect to the credit extended to any person or any item or service related thereto;

(d) To attempt to do any of the unfair practices defined in this section.

(2) Nothing in this section shall prohibit any party to a credit transaction from considering the credit history of any individual applicant.

(3) Further, nothing in this section shall prohibit any party to a credit transaction from considering the application of the community property law to the individual case or from taking reasonable action thereon. [1979 c 127 § 5; 1973 c 141 § 5.]

49.60.178 Unfair practices with respect to insurance transactions. It is an unfair practice for any person whether acting for himself or another in connection with an insurance transaction or transaction with a health maintenance organization to cancel or fail or refuse to issue or renew insurance or a health maintenance agreement to any person because of sex, marital status, race, creed, color, national origin, or the presence of any sensory, mental, or physical handicap: PROVIDED, That a practice which is not unlawful under RCW 48.30.300, 48.44.220, or 48.46.370 does not constitute an unfair practice for the purposes of this section. For the purposes of this section, "insurance transaction" is defined in RCW 48.01.060, health maintenance agreement is defined in RCW 48.46.020, and "health maintenance organization" is defined in RCW 48.46.020.

The fact that such unfair practice may also be a violation of chapter 48.30, 48.44, or 48.46 RCW does not constitute a defense to an action brought under this section.

The insurance commissioner, under RCW 48.30.300, and the human rights commission, under chapter 49.60 RCW, shall have concurrent jurisdiction under this section and shall enter into a working agreement as to procedure to be followed in complaints under this section. (1) To refuse to hire any person because of age, sex, marital status, race, creed, color, national origin, or the presence of any sensory, mental, or physical handicap, unless based upon a bona fide occupational qualification: PROVIDED, That the prohibition against discrimination because of such handicap shall not apply if the particular disability prevents the proper performance of the particular worker involved.

(2) To discharge or bar any person from employment because of age, sex, marital status, race, creed, color, national origin, or the presence of any sensory, mental, or physical handicap.

(3) To discriminate against any person in compensation or in other terms or conditions of employment because of age, sex, marital status, race, creed, color, national origin, or the presence of any sensory, mental, or physical handicap: PROVIDED, That it shall not be an unfair practice for an
employer to segregate washrooms or locker facilities on the basis of sex, or to base other terms and conditions of employment on the sex of employees where the commission by regulation or ruling in a particular instance has found the employment practice to be appropriate for the practical realization of equality of opportunity between the sexes.

(4) To print, or circulate, or cause to be printed or circulated any statement, advertisement, or publication, or to use any form of application for employment, or to make any inquiry in connection with prospective employment, which expresses any limitation, specification, or discrimination as to age, sex, marital status, race, creed, color, national origin, or the presence of any sensory, mental, or physical handicap, or any intent to make any such limitation, specification, or discrimination, unless based upon a bona fide occupational qualification: PROVIDED, Nothing contained herein shall prohibit advertising in a foreign language. [1973 1st ex.s. c 214 § 9; 1973 c 141 § 12; 1971 ex.s. c 81 § 5; 1961 c 100 § 3; 1957 c 37 § 11. Prior: 1949 c 183 § 7, part; Rem. Supp. 1949 § 7614-26, part.]

No person shall be considered to have committed an unfair practice on the basis of age discrimination unless the practice discriminates against a person between the age of forty and seventy years and violates RCW 49.44.090. It is a defense to any complaint of an unfair practice of age discrimination that the practice does not violate RCW 49.44.090. [1985 c 185 § 28.]

49.60.210 Unfair to discriminate against person opposing unfair practice. (1) It is an unfair practice for any employer, employment agency, labor union, or other person to discharge, expel, or otherwise discriminate against any person because he or she has opposed any practices forbidden by this chapter, or because he or she has filed a charge, testified, or assisted in any proceeding under this chapter.

(2) It is an unfair practice for a government agency or government manager or supervisor to retaliate against a whistleblower as defined in chapter 42.40 RCW. [1992 c 118 § 4; 1985 c 185 § 18; 1957 c 37 § 12. Prior: 1949 c 183 § 7, part; Rem. Supp. 1949 § 7614-26, part.]

49.60.215 Unfair practices of places of public resort, accommodation, assembly, amusement. It shall be an unfair practice for any person or his agent or employee to commit an act which directly or indirectly results in any distinction, restriction, or discrimination, or the requiring of any person to pay a larger sum than the uniform rates charged other persons, or the refusing or withholding from any person the admission, patronage, custom, presence, frequenting, dwelling, staying, or lodging in any place of public resort, accommodation, assembly, or amusement, except for conditions and limitations established by law and applicable to all persons, regardless of race, creed, color, national origin, sex, the presence of any sensory, mental, or physical handicap, or the use of a trained dog guide by a blind, deaf, or physically disabled person: PROVIDED, That this section shall not be construed to require structural changes, modifications, or additions to make any place accessible to a handicapped person except as otherwise required by law: PROVIDED, That behavior or actions constituting a risk to property or other persons can be grounds for refusal and shall not constitute an unfair practice. [1985 c 203 § 1; 1985 c 90 § 6; 1979 c 127 § 7; 1957 c 37 § 14.]

Reviser's note: This section was amended by 1985 c 90 § 6 and by 1985 c 203 § 1, each without reference to the other. Both amendments are incorporated in the publication of this section pursuant to RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

Denial of civil rights: RCW 9.91.010.

6. To print, circulate, post, or mail, or cause to be so published a statement, advertisement, or sign, or to use a form of application for a real estate transaction, or to make a record or inquiry in connection with a prospective real estate transaction, which indicates, directly or indirectly, an intent to make a limitation, specification, or discrimination with respect thereto;

Nothing in this section shall limit the effect of RCW 49.60.176 relating to unfair practices in credit transactions; or
10. To attempt to do any of the unfair practices defined in this section.

Intent—1987 c 56 § 2: "The legislature finds that some real property deeds and other written instruments contain discriminatory covenants and restrictions that are contrary to public policy and are void. The continued existence of these covenants and restrictions is repugnant to many property owners and diminishes the free enjoyment of their property. A copy of said findings shall be furnished to the complainant and to the person named in such complaint, hereinafter referred to as the respondent.

If the finding is made that there is reasonable cause for believing that an unfair practice has been or is being committed, the commission's staff shall immediately endeavor to eliminate the unfair practice by conference, conciliation and persuasion.

If an agreement is reached for the elimination of such unfair practice as a result of such conference, conciliation and persuasion, the agreement shall be reduced to writing and signed by the respondent, and an order shall be entered by the commission setting forth the terms of said agreement. Assignment of administrative law judge for human rights commission proceedings: RCW 34.12.037.

49.60.260 Enforcement of orders of administrative law judge—Appellate review of court order. (1) The commission shall petition the court within the county wherein any unfair practice occurred or wherein any person charged with an unfair practice resides or transacts business for the enforcement of any final order which is not complied with and is issued by the commission or an administrative law judge under the provisions of this chapter and for appropriate temporary relief or a restraining order, and shall certify and file in court the final order sought to be enforced. Within five days after filing such petition in court, the commission shall cause a notice of the petition to be sent by certified mail to all parties or their representatives.

(2) From the time the petition is filed, the court shall have jurisdiction of the proceedings and of the questions determined thereon, and shall have the power to grant such temporary relief or restraining order as it deems just and suitable.

(3) If the petition shows that there is a final order issued by the commission or administrative law judge under RCW 49.60.240 or 49.60.250 and that the order has not been complied with in whole or in part, the court shall issue an order directing the person who is alleged to have not complied with the administrative order to appear in court at a time designated in the order, not less than ten days from the date thereof, and show cause why the administrative order should not be enforced according to the terms. The commission shall immediately serve the person with a copy of the court order and the petition.

(4) The administrative order shall be enforced by the court if the person does not appear, or if the person appears and the court finds that:

(a) The order is regular on its face;
(b) The order has not been complied with; and
(c) The person’s answer discloses no valid reason why the order should not be enforced, or that the reason given in the person’s answer could have been raised by review under RCW 34.05.510 through 34.05.598, and the person has given no valid excuse for failing to use that remedy.

(5) The jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to appellate review by the supreme court or the court of appeals, on appeal, by either party, irrespective of the nature of the decree or judgment. The review shall be taken and prosecuted in the same manner and form and with the same effect as is provided in other cases. 49.64.040 Dental care assistance plans—Options required. (1) Unless the context clearly requires otherwise, in this section "dental care assistance plan" means any plan of dental insurance offered by an insurer as defined by chapter 48.01 RCW and any agreement for dental care benefits entered into or renewed after January 1, 1989, provided by a health care service contractor as defined by chapter 48.44 RCW.

(2) Each employer, public or private, that offers its employees a dental care assistance plan and each employee benefits fund that offers its members a dental care assistance plan limiting the provider of dental care to designated providers or group of providers, shall make available to and inform its employees or members of the option of enrolling in an alternative dental care assistance plan that permits the employees or members to obtain dental care services from any licensed dental care provider of their choice. The portion of the premium paid by the employer for the limiting plan shall be comparable to, but in no case greater than, the portion of the premium paid by the employer for the other plan. 49.66.010 Purpose—Policy—Declaration. It is the public policy of the state to expedite the settlement of labor disputes arising in connection with health care activities, in order that there may be no lessening, however temporary, in the quality of the care given to patients. It is the legislative purpose by this chapter to promote collective bargaining between health care activities and their employees, to protect the right of employees of health care activities to organize and select collective bargaining units of their own choosing.

It is further determined that any agreements involving union security including an all-union agreement or agency agreement must safeguard the rights of nonassociation of employees, based on bona fide religious tenets or teachings of a church or religious body of which such employee is a member. Such employee must pay an amount of money equivalent to regular union dues and initiation fees and assessments, if any, to a nonreligious charity or to another charitable organization mutually agreed upon by the employee affected and the representative of the labor organization to which such employee would otherwise pay dues. The employee shall furnish written proof that this has been done. If the employee and representative of the labor organization do not reach agreement on the matter, the department shall designate such organization. [1973 2nd ex.s. c 3 § 1; 1972 ex.s. c 156 § 1.]

49.66.020 Definitions. As used in this chapter:
(1) "Health care activity" includes any hospital, nursing home, institution, agency or establishment, exclusive of those operated by the state, its municipalities, or political subdivisions, having for one of its principal purposes the preservation of health or the care of sick, aged or infirm persons.

(2) "Bargaining unit" includes any group of employees of a health care activity having substantially common interests with respect to working conditions. The composition of a bargaining unit may be determined by common consent between an employer and its employees, or, in the event either party shall apply to the director of labor and industries for a determination of the composition of a bargaining unit, it shall be determined by the director of labor and industries or his delegated representative. No bargaining unit shall be found appropriate if it includes guards together with other employees.

(3) "Employee" includes any registered nurse or licensed practical nurse or service personnel performing services for wages for a health care activity. The term shall not apply to a member of a religious order assigned to a health care activity by the order as a part of his obligations to it; nor shall it apply to persons performing services in connection with healing by prayer or spiritual means alone in accordance with the tenets and practices of recognized church or religious denominations by adherents thereof; nor shall it apply to supervisors.

(4) "Employer" includes any person, agency, corporation, company or other organization engaged in the operation of a health care activity, whether for profitable or charitable purposes.

(5) "Supervisor" means any individual having authority, in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or responsibly to direct them, or to adjust their grievances, or effectively to recommend such action, if in connection with the foregoing the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgment. Supervisor includes registered nurses only if administrative supervision is his or her primary duty and activity.
"Guard" means any individual employed as a guard to enforce against employees and other persons rules to protect property of the employer or to protect the safety of persons on the employer's premises.

(7) "Director" means the director of the department of labor and industries.

(8) "Department" means the department of labor and industries. [1973 2nd ex.s. c 3 § 2; 1972 ex.s. c 156 § 2.]

49.66.030 Bargaining unit. An employee association shall be deemed the properly designated representative of a bargaining unit when it can show evidence that bargaining rights have been assigned to it by a majority of the employees in the bargaining unit. Should questions arise concerning the representative status of any employee organization claiming to represent a bargaining unit of employees, upon petition by such an organization, it shall be the duty of the director, acting by himself or through a designee to investigate and determine the composition of the organization. Any organization found authorized by not less than thirty percent of the employees of a bargaining unit shall be eligible to apply for an election to determine its rights to represent the unit. If more than one organization shall claim to represent any unit, the director, or his designee, may conduct an election by secret ballot to determine which organization shall be authorized to represent the unit. In order to be certified as a bargaining representative, an employee organization must receive, in a secret ballot election, votes from a majority of the employees who vote in the election, except that nothing in this section shall prohibit the voluntary recognition of a labor organization as a bargaining representative by an employer upon a showing of reasonable proof of majority. In any election held pursuant to this section, there shall be a choice on the ballot for employees to designate that they do not wish to be represented by any bargaining representative. No representation election shall be directed in any bargaining unit or any subdivision thereof which, in the preceding twelve-month period, a valid election has been held. Thirty percent of the employees of an employer may file a petition for a secret ballot election to ascertain whether the employee organization which has been certified or is currently recognized by their employer as their bargaining representative is no longer their bargaining representative.

No employee organization shall be certified as the representative of employees in a bargaining unit of guards, if such organization admits to membership, or is affiliated directly or indirectly with an organization which admits to membership, employees other than guards. The determination shall be based upon a plurality of votes cast in such election, and shall remain in effect for a period of not less than one year. In determining appropriate bargaining units, the director shall limit such units to groups consisting of registered nurses, licensed practical nurses or service personnel: PROVIDED, HOWEVER, That if a majority of each such classification desires inclusion within a single bargaining unit, they may combine into a single unit. [1973 2nd ex.s. c 3 § 3; 1972 ex.s. c 156 § 3.]

49.66.040 Unfair labor practice by health care activity. It shall be deemed an unfair labor practice, and unlawful, for any health care activity to:

(1) Interfere with, restrain or coerce employees in any manner in the exercise of their right of self-organization: PROVIDED, That the expressing of any views, argument, or opinion, or the dissemination thereof, whether in written, printed, graphic or visual form, shall not constitute or be evidence of an unfair labor practice under any of the provisions of this chapter, if such expression contains no threat of reprisal or force or promise of benefit;

(2) Initiate, create, dominate, contribute to or interfere with the formation or administration of any employee organization having bargaining as one of its functions;

(3) Discriminate in regard to hire, terms, or conditions of employment in order to discourage membership in any employee organization having collective bargaining as one of its functions;

(4) Refuse to meet and bargain in good faith with the duly designated representatives of an appropriate bargaining unit of employees; and it shall be a requirement of good faith bargaining that the parties be willing to reduce to writing, and have their representatives sign, any agreement arrived at through negotiation and discussion. [1972 ex.s. c 156 § 4.]

49.66.050 Unfair labor practice by employee organization or agent. It shall be an unfair labor practice and unlawful, for any employee organization or its agent to:

(1) Restrain or coerce (a) employees in the exercise of their right to refrain from self-organization, or (b) an employer in the selection of its representatives for purposes of collective bargaining or the adjustment of grievances;

(2) Cause or attempt to cause an employer to discriminate against an employee in violation of subsection (3) of RCW 49.66.040 or to discriminate against an employee with respect to whom membership in such organization has been denied or terminated on some ground other than his failure to tender the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership;

(3) Refuse to meet and bargain in good faith with an employer, provided it is the duly designated representative of the employer's employees for purposes of collective bargaining;

(4) Require of employees covered by a union security agreement the payment, as a condition precedent to becoming a member of such organization, of a fee in an amount which the director finds excessive or discriminatory under all the circumstances. In making such a finding, the director shall consider, among other relevant factors, the practices and customs of labor organizations in the particular industry, and the wages currently paid to the employees affected;

(5) Cause or attempt to cause an employer to pay or deliver or agree to pay or deliver any money or other thing of value, in the nature of an exaction, for services which are not performed or not to be performed;

(6) Enter into any contract or agreement, express or implied, whereby an employer or other person ceases or refrains, or agrees to cease or refrain, from handling, using, selling, transporting or otherwise dealing in any of the products or services of any other employer or person, or to
(7) Engage in, or induce or encourage any individual employed by any employer or to engage in, an activity prohibited by RCW 49.66.060. [1973 2nd ex.s. c 3 § 4; 1972 ex.s. c 156 § 5.]

49.66.060 Strike and picketing. No employee organization, bargaining representative, person or employee shall authorize, sanction, engage in, or participate in a strike (including but not limited to a concerted work stoppage of any kind, concerted slowdown or concerted refusal or failure to report for work or perform work) or picketing against an employer under any circumstances, whether arising out of a recognition dispute, bargaining impasse or otherwise: PROVIDED, That nothing in this section shall prohibit picketing or other publicity for the sole purpose of truthfully advising the public of the existence of a dispute with the employer, unless an effect of such picketing or other publicity is (a) to induce any employee of the employer or any other individual, in the course of his employment, not to pick up, deliver or transfer goods, not to enter the employer's premises, or not to perform services; or (b) to induce such an employee or individual to engage in a strike. [1972 ex.s. c 156 § 6.]

49.66.070 Relief from unfair labor practice—Actions—Remedial orders. The director or any employee organization qualified to apply for an election under RCW 49.66.030 as now or hereafter amended or any employer may maintain in its name or in the name of its members legal action in any county in which jurisdiction of the employer or employee organization may be obtained, to seek relief from the commission of an unfair labor practice: PROVIDED, That such employer or employee organization exhausts the administrative remedies under rules and regulations promulgated by the department prior to seeking such court action.

The department is empowered and directed to prevent any unfair labor practice and to issue appropriate remedial orders. Any party aggrieved by any remedial order is entitled to the judicial review thereof in accordance with the provisions of chapter 34.05 RCW. [1973 2nd ex.s. c 3 § 5; 1972 ex.s. c 156 § 7.]

49.66.080 Rules and regulations—Procedures. The director shall have the power to make such rules and regulations not inconsistent with this chapter, including the establishment of procedures for the hearing and determination of charges alleging unfair labor practices, and for a determination on application by either party when an impasse has arisen, and as he shall determine are necessary to effectuate its purpose and to enable him to carry out its provisions. [1973 2nd ex.s. c 3 § 6; 1972 ex.s. c 156 § 8.]

49.66.090 Board of arbitration—Members—Selection—Chairman. In the event that a health care activity and an employees' bargaining unit shall reach an impasse, the matters in dispute shall be submitted to a board of arbitration composed of three arbitrators for final and binding resolution. The board shall be selected in the following manner: Within ten days, the employer shall appoint one arbitrator and the employees shall appoint one arbitrator. The two arbitrators so selected and named shall within ten days agree upon and select the name of a third arbitrator who shall act as chairman. If, upon the expiration of the period allowed therefor the arbitrators are unable to agree on the selection of a third arbitrator, such arbitrator shall be appointed at the request of either party in accordance with the provisions of RCW 7.04.050 and he shall act as chairman of the arbitration board. [1973 2nd ex.s. c 3 § 7; 1972 ex.s. c 156 § 9.]

49.66.100 Board of arbitration—Hearings—Findings. The arbitration board, acting through its chairman, shall call a hearing to be held within ten days after the date of the appointment of the chairman. The board shall conduct public or private hearings. Reasonable notice of such hearings shall be given to the parties who shall appear and be heard either in person or by counsel or other representative. Hearings shall be informal and the rules of evidence prevailing in judicial proceedings shall not be binding. A recording of the proceedings shall be taken. Any oral or documentary evidence and other data deemed relevant by the board may be received in evidence. The board shall have the power to administer oaths, require the attendance of witnesses, and the production of such books, papers, contracts, agreements, and documents as may be deemed by the board material to a just determination of the issues in dispute and to issue subpoenas. If any person refuses to obey such subpoena or refuses to be sworn to testify, or any witness, party or attorney is guilty of any contempt while in attendance at any hearing held hereunder, the board may invoke the jurisdiction of any superior court and such court shall have jurisdiction to issue an appropriate order. A failure to obey such order may be punished by the court as a contempt thereof. The hearing conducted by the arbitrators shall be concluded within twenty days of the time of commencement and, within ten days after conclusion of the hearings, the arbitrator shall make written findings and a written opinion upon the issues presented, a copy of which shall be mailed or otherwise delivered to the employees' negotiating agent or its attorney or other designated representative and to the employer or the employer's attorney or designated representative. The determination of the dispute made by the board shall be final and binding upon both parties. [1972 ex.s. c 156 § 10.]

49.66.110 Board of arbitration—Standards or guidelines. In making its determination, the board of arbitrators shall be mindful of the legislative purpose enumerated in RCW 49.66.010 and as additional standards or guidelines to aid it in reaching a decision, it shall take into consideration the following factors:

1. Wage rates or other conditions of employment in the health care activity in question as compared with prevailing wage rates or other conditions of employment in the local operating area involved.

2. Wage rates or other working conditions as compared with wage rates or other working conditions maintained for the same or similar work of workers in the local area.
(3) The overall compensation of employees having regard not only to wages for time actually worked but also for time not actually worked, including vacations, holidays and other excused time and for all fringe benefits received.

(4) Interest and welfare of the public.

#### Legislative findings. The legislature finds and declares that the proliferation of hazardous substances in the environment poses a growing threat to the public health, safety, and welfare; that the constantly increasing number and variety of hazardous substances, and the many routes of exposure to them make it difficult and expensive to monitor adequately and detect any adverse health effects attributable thereto; that individuals themselves are often able to detect and thus minimize effects of exposure to hazardous substances if they are aware of the identity of the substances and the early symptoms of unsafe exposure; and that individuals have an inherent right to know the full range of the risks they face so that they can make reasoned decisions and take informed action concerning their employment and their living conditions.

The legislature further declares that local health, fire, police, safety, and other government officials require detailed information about the identity, characteristics, and quantities of hazardous substances used and stored in communities within their jurisdictions, in order to plan adequately for, and respond to, emergencies, enforce compliance with applicable laws and regulations concerning these substances, and to compile records of exposures to hazardous substances over a period of time that will facilitate the diagnosis, treatment, and prevention of disease.

The legislature further declares that the extent of the toxic contamination of the air, water, and land in this state has caused a high degree of concern among its residents and that much of this concern is needlessly aggravated by the unfamiliarity of these substances to residents.

The legislature therefore determines that while these substances have contributed to the high quality of life we enjoy in our state, it is in the public interest to establish a comprehensive program for the disclosure of information about hazardous substances in the workplace and the community, and to provide a procedure whereby residents of this state may gain access to this information. [1984 c 289 § 2.]

(1) "Department" means the department of labor and industries.

(2) "Employee" means an employee of an employer who is employed in the business of his or her employer whether by way of manual labor or otherwise and every person in this state who is engaged in the employment of or who is working under an independent contract the essence of which is personal labor for an employer under this chapter whether by way of manual labor or otherwise. However, for the purposes of this chapter, employee shall not mean immediate family members of the officers of any corporation, partnership, sole proprietorship or other business entity or officers of any closely held corporation engaged in agricultural production of crops or livestock.

(3) "Employer" means any person, firm, corporation, partnership, business trust, legal representative, or other business entity that engages in any business, industry,

49.70.100 Employee may request workplace survey or material safety data sheet. An employee or employee representative may request, in writing, from the employer, a copy of a workplace survey or a material safety data sheet, filed pursuant to this chapter for the employee’s work area. The employer shall supply this material within three working days of the request. This section shall not apply to employees of vessels while the employees are on the water. [1989 c 11 § 22; 1984 c 289 § 15.]

(2) An employer employing employees who have trouble communicating in English shall make reasonable efforts to post any notices in the employees’ native languages as provided by the department. [1985 c 409 § 2.]

49.70.110 Discharge or discipline of employee prohibited—Application of discrimination statutes. No employer may discharge, cause to be discharged, or otherwise discipline, penalize, or discriminate against any employee because the employee or the employee’s representative has exercised any right established in this chapter. The discrimination provisions of chapter 49.17 RCW apply to this chapter. [1984 c 289 § 16.]

49.70.115 Agricultural employees—Information and training on hazardous chemicals. (1) An employer shall provide employees engaged in agricultural production of crops or livestock or agricultural services with information and training on hazardous chemicals in their workplace at the time of their initial assignment, and whenever a new hazard is introduced into their work area, such instruction shall be tailored to the types of hazards to which the employees will be exposed. Seasonal and temporary employees who are not exposed to hazardous chemicals in their work area need not be trained.

(2) Employers shall maintain any material safety data sheets that are received with incoming shipments of hazardous chemicals, and ensure that they are accessible to agricultural employees upon request.

(3) Employers shall ensure that labels on incoming containers of hazardous chemicals are not removed or defaced. [1985 c 409 § 3.]

49.70.117 Agricultural employees—Pesticides—Warning signs. (1) If a pesticide having a reentry interval of greater than twenty-four hours is applied to a labor-intensive agricultural crop, the pesticide-treated area shall be posted with warning signs in accordance with the requirements of this section.

(2) When pesticide warning signs are required under this section, the employer shall post signs visible from all usual points of entry to the pesticide-treated area. If there are no usual points of entry or the area is adjacent to an unfenced public right of way, signs shall be posted (a) at each corner of the pesticide-treated area, and (b) at intervals not exceeding six hundred feet, or (c) at other locations approved by the department that provide maximum visibility.

(3) The signs shall be posted within twenty-four hours before the scheduled application of the pesticide, remain posted during application and throughout the applicable reentry interval, and be removed within two days after the expiration of the applicable reentry interval and before employee reentry is permitted. Employees working in an area scheduled for a pesticide application shall be informed of the application and shall vacate the area to be sprayed prior to application of the pesticide.

(4) Signs shall be legible for the duration of use. Signs shall contain a prominent symbol approved by the department of agriculture and the department of labor and industries by rule, and wording shall be in English and Spanish or other languages as required by the department. Signs shall meet the minimum specifications of rules adopted by the department, which rules shall include, at a minimum, size and lettering requirements. [1992 c 173 § 2; 1989 c 380 § 76.]

Effective date—1989 c 380 § 76: "Section 76 of this act shall take effect on July 1, 1990." [1989 c 380 § 92.]

Severability—1989 c 380: See RCW 15.58.942.

49.70.119 Agricultural employees—Pesticides—Records. (1) An employer who applies pesticides in connection with the production of an agricultural crop, or who causes pesticides to be applied in connection with such production, shall keep records for each application, which shall include the following information:

(a) The location of the land where the pesticide was applied or site where the pesticide was stored;
(b) The year, month, day, and time the pesticide was applied;
(c) The product name used on the registered label and the United States environmental protection agency registration number, if applicable, of the pesticide that was applied or stored;
(d) The crop or site to which the pesticide was applied;
(e) The amount of pesticide applied per acre, or other appropriate measure;
(f) The concentration of pesticide that was applied;
(g) The number of acres, or other appropriate measure, to which pesticide was applied;
(h) If applicable, the licensed applicator’s name, address, and telephone number and the name of the individual or individuals making the application;
(i) The direction and estimated velocity of the wind at the time the pesticide was applied. PROVIDED, That this subsection (i) shall not apply to applications of baits in bait stations and pesticide applications within structures; and

(j) Any other reasonable information required by the director.

(2) The records shall be updated on the same day that a pesticide is applied. If the employer has been provided a copy of a pesticide application record under RCW 17.21.100(2)(b), the copy may be used as the record of the pesticide application required under this section. The employer shall maintain and preserve the pesticide application records for no less than seven years from the date of the application of the pesticide to which the records refer.

(3) The pesticide application records shall be readily accessible to the employer's employees and their designated representatives in a central location in the workplace beginning on the day the application is made and for at least thirty days following the application. The employee or representative shall be entitled to view the pesticide application records and make his or her own record from the information contained in the application records. New or newly assigned employees shall be made aware of the accessibility of the application records before working with pesticides or in a work area containing pesticides.

(4)(a) An employer subject to this section who stores pesticides shall at least once in each calendar year perform an inventory of the pesticides stored in any work area. The pesticide inventory records shall include the following information:

(i) The location of the site where the pesticide is stored;
(ii) The year, month, day, and time the pesticide was first stored;
(iii) The product name used on the registered label and the United States environmental protection agency registration number, if applicable, of the pesticide that is stored; and
(iv) The amount of pesticide in storage at the time of the inventory.

The inventory records shall be maintained and preserved for no less than seven years.

(b) In addition to performing the annual pesticide inventory required under this subsection, an employer shall maintain a record of pesticide purchases made between the annual inventory dates. In lieu of this purchase record, an employer may obtain from distributors from whom pesticides are purchased a statement obligating the distributor to maintain the purchase records on behalf of the employer and in satisfaction of the employer's obligations under this subsection. The director may require the submission of all purchase records from employers or distributors, covering the purchases during a specified period of time or in a specified geographical area.

(5) If activities for which the records are maintained cease, the records shall be filed with the department. If an employer subject to this section is succeeded or replaced in that function by another person, the person who succeeds or replaces the employer shall retain the records as required by this section but is not liable for violations committed by the former employer under this chapter or rules adopted under this chapter, including violations relating to the retention and preservation of records.

(6)(a) The records required under this section shall be readily accessible to the department for inspection. Copies of the records shall be provided, on request, to: An employee or the employee's designated representative in the case of an industrial insurance claim filed under Title 51 RCW with the department of labor and industries, treating health care personnel, the pesticide incident reporting and tracking review panel, or department representative. The designated representative or treating health care personnel are not required to identify the employee represented or treated. The department shall keep the name of any affected employee confidential in accordance with RCW 49.17.080(1). When a request for records is made under this subsection by treating health care personnel and the record is required for determining treatment, copies of the record shall be provided immediately. For all other requests, copies of the records shall be provided within seventy-two hours.

(b) Copies of records provided to any person or entity under this subsection (6) shall, if so requested, be provided or made available on a form adopted under subsection (10) of this section. Information for treating health care personnel shall be made immediately available by telephone if requested, with a copy of the records provided within twenty-four hours.

(c) If an employer has reason to suspect that an employee is ill or injured because of an exposure to one or more pesticides, the employer shall immediately provide the employee a copy of the relevant pesticide application records.

(7) If a request for a copy of a record is made under this section and the employer refuses to provide a copy, the requester may notify the department of the request and the employer's refusal. Within seven working days, the department shall request that the employer provide the department with all pertinent copies of the records, except that in a medical emergency the request shall be made within two working days. The employer shall provide copies of the records to the department within twenty-four hours after the department's request.

(8) The department shall include inspection of the records required under this section as part of any on-site inspection of a workplace conducted under this chapter or chapter 49.17 RCW. The inspection shall determine whether the records are readily transferable to a form adopted by the department, and readily accessible to employees. However, no employer subject to a department inspection may be inspected under this subsection (8) more than once in any calendar year, unless a previous inspection has found recordkeeping violations. If recordkeeping violations are found, the department may conduct reasonable multiple inspections, pursuant to rules adopted by the department. Nothing in this subsection (8) limits the department's inspection of records pertaining to pesticide-related injuries, illnesses, fatalities, accidents, or complaints.

(9) If an employer has failed to maintain and preserve the records or provide access to or copies of the records as required under this section, the employer shall be subject to penalties authorized under RCW 49.17.180.

(10) The department of labor and industries and the department of agriculture shall jointly adopt, by rule, forms that satisfy the information requirements of this section and RCW 17.21.100. [1992 c 173 § 3; 1989 c 380 § 77.]

In the event that no recommendations for a particular category of membership are made to the director three months after June 7, 1984, in the case of the initial appointments, or within sixty days of the date of the expiration of the term of office of any member or the occurrence of any vacancy in the case of subsequent appointments, the director shall appoint as a member for that category of membership a person whom the director believes will be representative thereof.

(2) A majority of the membership of the council constitutes a quorum for the transaction of council business. Action may be taken and motions and resolutions adopted by the council at any meeting thereof by the affirmative vote of a majority of the members of the council present and voting.

(3) The director or the director's designee shall be the nonvoting ex officio chair of the council. The council shall meet at least semiannually at the call of the chair.

(4) The council shall appoint other officers as may be necessary from among its members. The council may, within the limits of any funds appropriated or otherwise made available to it for this purpose, appoint such staff or hire such experts as it may require.

(5) Members of the council shall serve without compensation, but the council may, within the limits of funds appropriated or otherwise made available to it for such purposes, reimburse its members for necessary expenses incurred in the discharge of their official duties in accordance with RCW 43.03.050 and 43.03.060. [1987 c 24 § 1; 1985 c 409 § 5; 1984 c 289 § 17.]

(b) Study the impact of this chapter on employers and make recommendations to the legislature. Special emphasis shall be given to the study of the impacts on agricultural and small business employers;

(c) Prepare an updated fiscal note of the costs of this chapter to the department and to local governments, school districts, institutions of higher education and hospitals;

(d) Report to the legislature its findings under (b) and (c) of this section by January 1, 1985;

Civil action authorized. A person may bring a civil action on his or her own behalf against a manufacturer, supplier, employer, or user to compel compliance with the provisions of this chapter or any rule promulgated under this chapter subject to the provisions of Title 51 RCW. The superior court shall have jurisdiction over these actions. The court may award costs of litigation to the prevailing party, including reasonable attorney and expert witness fees. [1984 c 289 § 21.]

Request for additional information—Confidentiality. The department may request from an employer submitting surveys to it further information concerning the surveys, and the employer shall provide the additional information upon the request. The employer may require the department to provide reasons why further information is needed and to sign an agreement protecting the confidentiality of any additional information provided under this section. [1984 c 289 § 23.]

Trade secret exemptions. (1) The department shall adopt rules in accordance with chapter 34.05 RCW establishing criteria for evaluating the validity of trade secret claims and procedures for issuing a trade secret
exemption. Manufacturers or importers that make a trade secret claim to the department must notify direct purchasers if a trade secret claim has been made on a product being offered for sale.

(2) If a trade secret claim exists, a manufacturer, importer, or employer may require a written statement of need or confidentiality agreement before the specific chemical identity of a hazardous substance is released. However, if a treating physician or nurse determines that a medical emergency exists and the specific chemical identity of a hazardous substance is necessary for emergency or first aid treatment, the manufacturer, importer, or employer shall immediately disclose the specific chemical identity to that treating physician or nurse, regardless of the existence of a written statement of need or a confidentiality agreement. The chemical manufacturer, importer, or employer may require a written statement of need and confidentiality agreement, as defined by rule, as soon as circumstances permit.

(3) Any challenge to the denial of a trade secret claim shall be heard by an administrative law judge in accordance with chapter 34.05 RCW. [1985 c 409 § 4.]

(1) The worker and community right to know fund is hereby established in the custody of the state treasurer. The department shall deposit all moneys received under this chapter in the fund. Moneys in the fund may be spent only for the purposes of this chapter following legislative appropriation. Disbursements from the fund shall be on authorization of the director or the director's designee. The fund is subject to the allotment procedure provided under chapter 43.88 RCW.

(2) The department shall assess each employer who reported ten thousand four hundred or more worker hours in the prior calendar year an annual fee to provide for the implementation of this chapter. The department shall promulgate rules establishing a fee schedule for all employers who reported ten thousand four hundred or more worker hours in the prior calendar year and are engaged in business operations having a standard industrial classification, as designated in the standard industrial classification manual prepared by the federal office of management and budget, within major group numbers 01 through 08 (agriculture and forestry industries), numbers 10 through 14 (mining industries), numbers 15 through 17 (construction industries), numbers 20 through 39 (manufacturing industries), numbers 41, 42, and 44 through 49 (transportation, communications, electric, gas, and sanitary services), number 75 (automotive repair, services, and garages), number 76 (miscellaneous repair services), number 80 (health services), and number 82 (educational services). The department shall establish the annual fee for each employer who reported ten thousand four hundred or more worker hours in the prior calendar year in industries identified by this section, provided that fees assessed shall not be more than two dollars and fifty cents per full time equivalent employee. The annual fee shall not exceed fifty thousand dollars. The fees shall be collected solely from employers whose industries have been identified by rule under this chapter. The department shall promulgate rules allowing employers who do not have hazardous substances at their workplace to request an exemption from the assessment and shall establish penalties for fraudulent exemption requests. All fees collected by the department pursuant to this section shall be collected in a cost-efficient manner and shall be deposited in the fund.

(3) Records required by this chapter shall at all times be open to the inspection of the director, or his designee including, the traveling auditors, agents or assistants of the department provided for in RCW 51.16.070 and 51.48.040. The information obtained from employer records under the provisions of this section shall be subject to the same confidentiality requirements as set forth in RCW 51.16.070.

(4) An employer may appeal the assessment of the fee or penalties pursuant to the procedures set forth in Title 51 RCW and accompanying rules except that the employer shall not have the right of appeal to superior court as provided in Title 51 RCW. The employer from whom the fee or penalty is demanded or enforced, may however, within thirty days of the board of industrial insurance appeal's final order, pay the fee or penalty under written protest setting forth all the grounds upon which such fee or penalty is claimed to be unlawful, excessive or otherwise improper and thereafter bring an action in superior court against the department to recover such fee or penalty or any portion of the fee or penalty which was paid under protest.

(5) Repayment shall be made to the general fund of any moneys appropriated by law in order to implement this chapter. [1986 c 310 § 1; 1984 c 289 § 24.]

49.70.175 Worker and community right to know fund—Expenditure—Disbursements. Funds in the worker and community right to know fund established under RCW 49.70.170 may be spent by the department of ecology to implement RCW 70.102.020 (1) through (3) following legislative appropriation. Disbursements from the fund shall be on authorization of the director of the department of ecology. [1985 c 410 § 5.]

If payment of any fee assessed under RCW 49.70.170 is not received by the department by the due date, there shall be assessed a penalty of five percent of the amount of the fee. If the fee is not received within thirty days after the due date, there shall be assessed a total penalty of ten percent of the amount of the fee. The department may impose an additional penalty of five percent of the amount of the fee, but not less than five dollars nor more than one hundred dollars. Warrants shall earn interest at the rate of one percent per month, or fraction thereof, from and after the date of entry of the warrant. The department may utilize the procedures for collection of fees, penalties, and interest set forth in Title 51 RCW. [1986 c 310 § 2.]

49.70.180 Application of enforcement and administrative procedures of Washington industrial safety and
health act. Unless reference is specifically made to another chapter, this chapter shall be implemented and enforced including penalties, violations, citations, and other administrative procedures pursuant to chapter 49.17 RCW. [1984 c 289 § 25.]

49.70.190 Compliance with chapter—Notice—Fines—Injunctive relief. If a manufacturer, supplier, employer, or user refuses or fails to provide the department with any data sheets, workplace surveys, or other papers, documents, or information required by this chapter, the department may give written notice to the manufacturer, supplier, employer, or user demanding immediate compliance. If the manufacturer, supplier, employer, or user fails to begin to comply with the terms of the notice within fourteen days of receipt, the department may levy a fine of up to fifty dollars per affected employee per day, not to exceed five thousand dollars per day from the final date for compliance allowed by this section or by the department. In any case where the noncompliance continues for more than fifteen days or where the department determines the failure to comply creates a potential health or safety hazard to employees or hinders the department's performance of its duties under this chapter, the department may, in lieu of levying a fine or further fines, petition the superior court of Thurston county or the county where the manufacturer, supplier, employer, or user is located for an order enjoining the manufacturer, employer, supplier, or user from further noncompliance and granting any other remedies that may be appropriate. The court may award the department costs of litigation, including attorney's fees, if the department is the prevailing party. [1984 c 289 § 26.]

49.70.200 Adoption of rules. Except as otherwise provided in this chapter, the department, after consultation with the department of agriculture, shall adopt any rules necessary to carry out its responsibilities under this chapter. [1984 c 289 § 27.]

49.70.210 Application of chapter to consumer products. (1) It is the intent of the legislature that this chapter shall not apply to products that are generally made available to the noncommercial consumer: PROVIDED, That such "consumer" products used by employees in the workplace are used in substantially the same manner, form, and concentration as they are used by noncommercial consumers, and that the product exposure is not substantially greater to the employee than to the noncommercial consumer during normal and accepted use of that product.

(2) The department shall adopt rules in accordance with chapter 34.05 RCW to implement this section. This section shall not affect the department's authority to implement and enforce the Washington industrial safety and health act, chapter 49.17 RCW, at least as effectively as the federal occupational safety and health act. [1987 c 365 § 1.]

49.70.900 Short title. This chapter shall be known and may be cited as the "worker and community right to know act." [1984 c 289 § 1.]

49.70.905 Severability—1984 c 289. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1984 c 289 § 30.]

49.74.005 Legislative findings—Purpose. Discrimination because of race, creed, color, national origin, age, sex, marital status, or the presence of any sensory, mental, or physical handicap is contrary to the findings of the legislature and public policy. The legislature finds and declares that racial minorities, women, persons in protected age groups, persons with disabilities, Vietnam-era veterans, and disabled veterans are underrepresented in Washington state government employment.

The purpose of this chapter is to provide for enforcement measures for affirmative action within Washington state government employment and institutions of higher education in order to eliminate such underrepresentation. [1985 c 365 § 7.]

49.74.010 Commission. As used in this chapter, "commission" means the Washington state human rights commission. [1985 c 365 § 8.]

49.74.020 Affirmative action rules—Noncompliance—Notification—Hearing. If the commission reasonably believes that a state agency, an institution of higher education, or the state patrol has failed to comply with an affirmative action rule adopted under RCW 28B.16.100, 41.06.150, or 43.43.340, the commission shall notify the director of the state agency, president of the institution of higher education, or chief of the Washington state patrol of the noncompliance, as well as the director of personnel or the director of the higher education personnel board, whichever is appropriate. The commission shall give the director of the state agency, president of the institution of higher education, or chief of the Washington state patrol an opportunity to be heard on the failure to comply. [1985 c 365 § 9.]

49.74.030 Noncompliance—Conciliation—Order. The commission in conjunction with the department of personnel, the higher education personnel board, or the state patrol, whichever is appropriate, shall attempt to resolve the noncompliance through conciliation. If an agreement is reached for the elimination of noncompliance, the agreement shall be reduced to writing and an order shall be issued by
the commission setting forth the terms of the agreement. The noncomplying state agency, institution of higher education, or state patrol shall make a good faith effort to conciliate and make a full commitment to correct the noncompliance with any action that may be necessary to achieve compliance, provided such action is not inconsistent with the rules adopted under RCW 28B.16.100(20), 41.06.150(21), and 43.43.340(5), whichever is appropriate. [1985 c 365 § 10.]

49.74.040 Failure to reach conciliation agreement—Administrative hearing—Appeal. If no agreement can be reached under RCW 49.74.030, the commission may refer the matter to the administrative law judge for hearing pursuant to RCW 49.60.250. If the administrative law judge finds that the state agency, institution of higher education, or state patrol has not made a good faith effort to correct the noncompliance, the administrative law judge shall order the state agency, institution of higher education, or state patrol to comply with this chapter. The administrative law judge may order any action that may be necessary to achieve compliance, provided such action is not inconsistent with the rules adopted under RCW 28B.16.100(20), 41.06.150(21), and 43.43.340(5), whichever is appropriate.

An order by the administrative law judge may be appealed to superior court. [1985 c 365 § 11.]

49.74.050 Superior court—Remedies. If the superior court finds that the state agency, institution of higher education, or state patrol has not made a good faith effort to correct the noncompliance, the court, in addition to any other penalties and sanctions prescribed by law, shall order the state agency, institution of higher education, or state patrol to comply with this chapter. The court may require any action deemed appropriate by the court which is consistent with the intent of this chapter. [1985 c 365 § 12.]

49.78.010 Legislative findings. The legislature finds that the demands of the workplace and of families need to be balanced to promote family stability and economic security. Changes in workplace leave policies are desirable to accommodate changes in the work force such as rising numbers of dual-career couples and working single parents. In addition, given the mobility of American society, many people no longer have available community or family support networks and therefore need additional flexibility in the workplace. The legislature declares it to be in the public interest to provide reasonable family leave upon the birth or adoption of a child and to care for a child under eighteen years old with a terminal health condition. [1989 1st ex.s. c 11 § 1.]

49.78.030 Requirements—Limitation. (1) An employee is entitled to twelve workweeks of family leave during any twenty-four month period to: (a) Care for a newborn child or adopted child of the employee who is under the age of six at the time of placement for adoption, or, (b) care for a child under eighteen years old of the employee who has a terminal health condition. Leave under subsection (1)(a) of this section shall be completed within twelve months after the birth or placement for adoption, as applicable. An employee is entitled to leave under subsection (1)(b) of this section only once for any given child.

(2) Family leave may be taken on a reduced leave schedule subject to the approval of the employer.

(3) The leave required by this section may be unpaid. If an employer provides paid family leave for fewer than twelve workweeks, the additional workweeks of leave added to attain the twelve-workweek total may be unpaid. An employer may require an employee to first use up the employee's total accumulation of leave to which the employee is otherwise entitled before going on family leave; however, except as provided in subsection (4) of this section, nothing in this section requires more than twelve total workweeks of leave during any twenty-four month period. An employer is not required to allow an employee to use the employee's other leave in place of the leave provided under this chapter.

(4) The leave required by this section is in addition to any leave for sickness or temporary disability because of pregnancy or childbirth.

(5) An employer may limit or deny family leave to either: (a) Up to ten percent of the employer's workforce in the state designated as key personnel by the employer. Any designation made under this section shall be completed within thirty days after it is issued and may be changed no more than once in any twelve-month period. An employer shall not designate key personnel on the basis of age or gender or for the purpose of evading the requirements of this chapter. No employee may be designated as key personnel after giving notice of intent to take leave pursuant to RCW 49.78.040. The designation shall be in writing and shall be displayed in a conspicuous place; or (b) if the employer does not designate key personnel, the highest paid ten percent of the employer's employees in the state. 49.78.040 Notice to employer. (1) An employee planning to take family leave under RCW 49.78.030(1)(a) shall provide the employer with written notice at least thirty days in advance of the anticipated date of delivery or placement for adoption, stating the dates during which the employee intends to take family leave. The employee shall adhere to the dates stated in the notice unless:

(a) The birth is premature;
(b) The mother is incapacitated due to birth such that she is unable to care for the child;
(c) The employee takes physical custody of the newly adopted child at an unanticipated time and is unable to give notice thirty days in advance; or
(d) The employer and employee agree to alter the dates of family leave stated in the notice.

(2) In cases of premature birth, incapacity, or unanticipated placement for adoption referred to in subsection (1) of this section, the employee must give notice of revised dates of family leave as soon as possible but at least within one working day of the birth or placement for adoption or incapacity of the mother.

(3) If family leave under RCW 49.78.030(1)(b) is foreseeable, the employee shall provide the employer with written notice at least fourteen days in advance of the expected leave and shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the employer. If family leave under RCW 49.78.030(1)(b) is not foreseeable fourteen or more days before the leave is to take place, the employee shall notify the employer of the expected leave as soon as possible, but at least within one working day of the beginning of the leave.

(4) If the employee fails to give the notice required by this section, the employer may reduce or increase the family leave required by this chapter by three weeks. [1989 1st ex.s. c 11 § 4.]

49.78.050 Requirements for confirmation—Second opinion. (1) In the event of any dispute under this chapter regarding premature birth, incapacity, or terminal condition of a child, an employer may require confirmation by a health care provider of: (a) The date of the birth; (b) the date on which incapacity because of childbirth or disability because of pregnancy or childbirth commenced or will probably commence, and its probable duration; or (c) for family leave under RCW 49.78.030(1)(b), the fact that the child has a terminal health condition.

(2) An employer may require, at the employer's expense, that the employee obtain the opinion of a second health care provider selected by the employer concerning any information required under subsection (1) of this section. If the health care providers disagree on any factor which is determinative of the employee's eligibility for family leave, the two health care providers shall select a third health care provider, whose opinion, obtained at the employer's expense, shall be conclusive. [1989 1st ex.s. c 11 § 5.]

49.78.060 Both parents with same employer. If both parents of a child are employed by the same employer, they shall together be entitled to a total of twelve workweeks of family leave during any twenty-four month period, and leave need be granted to only one parent at a time. [1989 1st ex.s. c 11 § 6.]

49.78.070 Employee employment rights—Limitations. (1) Subject to subsection (2) of this section, an employee who exercises any right provided under RCW 49.78.030 shall be entitled, upon return from leave or during any reduced leave schedule:

(2) The entitlement under subsection (1) of this section is subject to bona fide changes in compensation or work duties, and does not apply if:

(a) The employee’s position is eliminated by a bona fide restructuring, or reduction-in-force;
(b) The employee’s workplace is permanently or temporarily shut down for at least thirty days;
(c) The employee’s workplace is moved to a location at least sixty miles from the location of the workplace when leave commenced;
(d) An employee on family leave takes another job; or
(e) The employee fails to provide timely notice of family leave as required under RCW 49.78.040, or fails to return on the established ending date of leave. [1989 1st ex.s. c 11 § 7.]

49.78.080 Employee benefits. (1) The taking of leave under this chapter shall not result in the loss of any benefit, including seniority or pension rights, accrued before the date on which the leave commenced.

(2) Nothing in this chapter shall be construed to require the employer to grant benefits, including seniority or pension rights, during any period of leave.

(3) All policies applied during the period of leave to the classification of employees to which the employee on leave belongs shall apply to the employee on leave.

(4) During any period of leave taken under RCW 49.78.030, if the employee is not eligible for any employer contribution to medical or dental benefits under an applicable collective bargaining agreement or employer policy during any period of leave, an employer shall allow the employee to continue, at his or her own expense, medical or dental insurance coverage, including any spouse and dependent coverage, in accordance with state or federal law. (2) Nothing in this chapter shall be construed to discourage employers from adopting policies which provide greater leave rights to employees than those required by this chapter. [1989 1st ex.s. c 11 § 10.]

49.78.110 Collective bargaining agreements—Obligations and rights not diminished. (1) Nothing in this chapter shall be construed to diminish an employer’s obligation to comply with any collective bargaining agreement or any employment benefit program or plan which provides greater leave rights to employees than the rights provided under this chapter.

(2) The rights provided to employees under this chapter may not be diminished by any collective bargaining agreement or any employment benefit program or plan entered into or renewed after September 1, 1989. [1989 1st ex.s. c 11 § 11.]

49.78.120 Collective bargaining agreements—Application of chapter—Grievance procedures. (1) In the case of employees covered by an unexpired collective bargaining agreement that expires on or after September 1, 1989, or by an employee benefit program or plan with a stated year ending on or after September 1, 1989, the effective date of this chapter shall be the later of: (a) The first day following expiration of the collective bargaining agreement; or (b) the first day of the next plan year.

(2) Notwithstanding the provisions of RCW 49.78.140 through 49.78.210, where this chapter has been incorporated into a collective bargaining agreement, the grievance procedures contained in the respective collective bargaining agreement shall be used to resolve complaints related to this chapter. (8) Constructive service may be made by certified mail directed to the employer named in the notice of infraction.

[1989 1st ex.s. c 11 § 15.]

49.78.160 Notice of infraction—Service. (1) If an employer is a corporation or a partnership, the department need not serve the employer personally. In such a case, if no officer or partner of a violating employer is present, the department may issue a notice of infraction to any managerial employee.

(2) If the department serves a notice of infraction on a managerial employee, and not on an officer, or partner of the employer, the department shall mail by certified mail a copy of the notice of infraction to the employer. The department shall mail a second copy by ordinary mail. [1989 1st ex.s. c 11 § 16.]

Chapter 50.01
GENERAL PROVISIONS

Sections
50.01.005 Short title. This title shall be known and may be cited as the "Employment Security Act." [1953 ex.s. c 8 § 24; 1945 c 35 § 1; Rem. Supp. 1945 § 9998-140.]

50.01.010 Preamble. Whereas, economic insecurity due to unemployment is a serious menace to the health, morals and welfare of the people of this state; involuntary unemployment is, therefore, a subject of general interest and concern which requires appropriate action by the legislature to prevent its spread and to lighten its burden which now so often falls with crushing force upon the unemployed worker and his family. Social security requires protection against this greatest hazard of our economic life. This can be provided only by application of the insurance principle of sharing the risks, and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing powers and limiting the serious social consequences of relief assistance. The state of Washington, therefore, exercising herein its police and sovereign power endeavors by this title to remedy any widespread unemployment situation which may occur and to set up safeguards to prevent its recurrence in the years to come. The legislature, therefore, declares that in its considered judgment the public good, and the general welfare of the citizens of this state require the enactment of this measure, under the police powers of the state, for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed through no fault of their own, and that this title shall be liberally construed for the purpose of reducing involuntary unemployment and the suffering caused thereby to the minimum. [1945 c 35 § 2; Rem. Supp. 1945 § 9998-141. Prior: 1937 c 162 § 2.]

50.04.020  **Base year—Alternative base year.**  "Base year" with respect to each individual, shall mean either the first four of the last five completed calendar quarters or the last four completed calendar quarters immediately preceding the first day of the individual's benefit year.

For the purposes of establishing a benefit year, the department shall initially use the first four of the last five completed calendar quarters as the base year. If a benefit year is not established using the first four of the last five calendar quarters as the base year, the department shall use the last four completed calendar quarters as the base year.

Computations using the last four completed calendar quarters shall be based on available wage items processed as of the close of business on the day preceding the date of application. Wage items not processed at the time of application shall become available to the claim as they are added to department systems. The department shall not be required to make employer contacts or take other actions that would not be applicable to claims based on the first four of the last five completed calendar quarters. [1987 c 278 § 1; 1970 ex.s. c 2 § 1; 1945 c 35 § 3; Rem. Supp. 1945 § 9998-142. Prior: 1943 c 127 § 13; 1939 c 214 § 19; 1937 c 162 § 19.]

**Effective date—1970 ex.s. c 2:** "This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect April 5, 1970." PROVIDED. That sections 3 and 8 of this 1970 amendatory act shall not take effect until January 1, 1971." [1970 ex.s. c 2 § 25.] For codification of 1970 ex.s. c 2, see Codification Tables—Volume 0.

50.04.030  **Benefit year.**  "Benefit year" with respect to each individual, means the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual files an application for an initial determination and thereafter the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual next files an application for an initial determination after the expiration of the individual's last preceding benefit year. PROVIDED, HOWEVER, That the foregoing limitation shall not be deemed to preclude the establishment of a new benefit year under the laws of another state pursuant to any agreement providing for the interstate combining of employment and wages and the interstate payment of benefits nor shall this limitation be deemed to preclude the commissioner from backdating an initial application at the request of the claimant either for the convenience of the department of employment security or for any other reason deemed by the commissioner to be good cause.

An individual's benefit year shall be extended to be fifty-three weeks when at the expiration of fifty-two weeks the establishment of a new benefit year would result in the use of a quarter of wages in the new base year that had been included in the individual's prior base year.

No benefit year will be established unless it is determined that the individual earned wages in "employment" in not less than six hundred eighty hours of the individual's base year. PROVIDED, HOWEVER, That a benefit year cannot be established if the base year wages include wages earned prior to the establishment of a prior benefit year unless the individual worked and earned wages since the last separation from employment immediately before the application for initial determination in the previous benefit year if the applicant was an unemployed individual at the time of application, or since the initial separation in the previous benefit year if the applicant was not an unemployed individual at the time of filing an application for initial determination for the previous benefit year, of not less than six times the weekly benefit amount computed for the individual's new benefit year.

If an individual's prior benefit year was based on the last four completed calendar quarters, a new benefit year shall not be established until the new base year does not include any hours used in the establishment of the prior benefit year.

If the wages of an individual are not based upon a fixed duration of time or if the individual's wages are paid at irregular intervals or in such manner as not to extend regularly over the period of employment, the wages for any week shall be determined in such manner as the commissioner may by regulation prescribe. Such regulation shall, so far as possible, secure results reasonably similar to those which would prevail if the individual were paid his or her wages at regular intervals. [1991 c 117 § 1; 1990 c 245 § 1. Prior: 1987 c 278 § 2; 1987 c 256 § 1; 1977 ex.s. c 33 § 1; 1973 c 73 § 1; 1970 ex.s. c 2 § 2; 1949 c 214 § 1; 1945 c 35 § 4; Rem. Service performed in agricultural labor for farm operator or crew leader. (1) Service performed in agricultural labor on and after January 1, 1978, for a farm operator or crew leader will be deemed services in employment if the farm operator or crew leader:

(a) Paid twenty thousand dollars or more as remuneration to individuals employed in agricultural labor during any calendar quarter in the current or preceding calendar year; or

(b) Employed ten or more individuals in agricultural labor for some portion of the day in each of twenty different calendar weeks in either the current or preceding calendar year regardless of whether they were employed at the same moment of time or whether or not the weeks were consecutive.

(2) A farm operator is the owner or tenant of the farmlands who stands to gain or lose economically from the operations of the farm. Employment will be considered employment by the farm operator unless it is established to the satisfaction of the commissioner that the services were performed in the employ of a crew leader. The risk of nonpersuasion is upon the farm operator. The operator will nonetheless be liable for contributions under RCW 50.24.130 even though services performed on the operator's farmlands would not be sufficient to bring the services under the term employment if services performed on the operator's land in the employ of a crew leader would be covered and the crew leader has failed to pay contributions on the services. For the purposes of the preceding sentence and RCW 50.24.130, all moneys paid or payable to the crew leader by the farm operator shall be deemed paid for services unless there is a written contract clearly specifying the amounts of money to be attributed to items other than services of the crew leader or the crew leader's employees.

(3) For the purposes of this section, a crew leader is a person who furnishes individuals to perform services in agricultural labor for the benefit of any other person, who pays for the services performed in agricultural labor (either on his or her own behalf or on behalf of the other person), and who has not made a written agreement making himself or herself an employee of the other person: PROVIDED, That no person shall be deemed a crew leader unless he or herself is established independently of the person for whom the services are performed and either has a valid certificate of registration under the farm labor contractor registration act of 1963 or substantially all the members of his or her crew operate or maintain tractors, mechanized harvesting or crop dusting equipment, or any other mechanized equipment which is provided by the crew leader. Employment—Domestic service. Services performed in domestic service in a private home, local college club, or local chapter of a college fraternity or sorority shall not be considered services in employment unless the services are performed after December 31, 1977, for a person who paid remuneration of one thousand dollars or more to individuals employed in this domestic service in any calendar quarter in the current or the preceding calendar year. The terms local college club and local chapter of a college fraternity or sorority shall not be deemed to include alumni clubs or chapters. [1977 ex.s. c 292 § 4; 1947 c 215 § 4; 1945 c 35 § 17; Rem. Employment—Corporate officers—Election of coverage. (1) Services performed by corporate officers as defined in subsection (2) of this section, *other than those* covered by chapter 50.44 RCW, shall not be considered services in employment. However, a corporation may elect to cover not less than all of its corporate officers under RCW 50.24.160. If an employer does not elect to cover its corporate officers under RCW 50.24.160, the employer must notify its corporate officers in writing that they are ineligible for unemployment benefits. If the employer fails to notify any corporate officer, then that person shall not be considered to be a corporate officer for the purposes of this section.

(2) The officers of a corporation shall consist of a president, one or more vice presidents as may be prescribed by the bylaws, a secretary, and a treasurer. [1991 c 72 § 57; 1986 c 110 § 1; 1983 1st ex.s. c 23 § 4; 1981 c 35 § 13.]

five dollars. The commissioner shall prescribe regulations
applicable to unemployed individuals making such distinc-

50.04.320 Wages, remuneration. For the purpose of payment of contributions, "wages" means the remuneration paid by one employer during any calendar year to an individual in its employment under this title or the unemployment compensation law of any other state in the amount specified in RCW 50.24.010. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the operating assets of another employer (hereinafter referred to as a predecessor employer) or assets used in a separate unit of a trade or business of a predecessor employer, and immediately after the acquisition employs in the individual's trade or business an individual who immediately before the acquisition was employed in the trade or business of the predecessor employer, then, for the purposes of determining the amount of remuneration paid by the successor employer to the individual during the calendar year which is subject to contributions, any remuneration paid to the individual by the predecessor employer during that calendar year and before the acquisition shall be considered as having been paid by the successor employer.

For the purpose of payment of benefits, "wages" means the remuneration paid by one or more employers to an individual for employment under this title during his base year: PROVIDED, That at the request of a claimant, wages may be calculated on the basis of remuneration payable. The department shall notify each claimant that wages are calculated on the basis of remuneration paid, but at the claimant's request a redetermination may be performed and based on remuneration payable.

The reasonable cash value of compensation paid in any medium other than cash and the reasonable value of gratuities shall be estimated and determined in accordance with rules prescribed by the commissioner. Remuneration does not include payments to members of a reserve component of the armed forces of the United States, including the organized militia of the state of Washington, for the performance of duty for periods not exceeding seventy-two hours at a time.

Previously accrued compensation, other than severance pay or payments received pursuant to plant closure agreements, when assigned to a specific period of time by virtue of a collective bargaining agreement, individual employment contract, cusomary trade practice, or request of the individual compensated, shall be considered remuneration for the period to which it is assigned. Assignment clearly occurs when the compensation serves to make the individual eligible for all regular fringe benefits for the period to which the compensation is assigned.

The provisions of this section pertaining to the assignment of previously accrued compensation shall not apply to individuals subject to RCW 50.44.050. [1986 c 21 § 1; 1984 c 134 § 2; 1983 1st ex.s. c 23 § 6; 1983 c 67 § 1; 1970 ex.s. c 2 § 3; 1953 ex.s. c 8 § 2; 1951 c 265 § 3; 1949 c 214 § 4; 1947 c 215 § 6; 1945 c 35 § 33; Rem. The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state." [1986 c 21 § 2.]

Severability—1986 c 21: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1986 c 21 § 3.]

(3) A lump sum payment accumulated in a plan described in this section paid to an individual eligible for such payment shall be prorated over the life expectancy of the individual computed in accordance with the commissioner’s regulation.

(4) The resulting weekly benefit amount payable after reduction under this section, if not a multiple of one dollar, shall be reduced to the next lower multiple of one dollar.

50.06.020 Allowable beneficiaries. [1984 c 65 § 2; 1975 1st ex.s. c 228 § 8.]

Notice from the department of labor and industries shall satisfy this requirement. The records of the agency supervising the award of compensation shall be conclusive evidence of the fact of temporary disability and the beginning date of such disability. The employment security department shall process and issue an initial determination of entitlement or nonentitlement as the case may be.

For the purpose of this chapter, a special base year is established for an individual consisting of either the first four of the last five completed calendar quarters or the last four completed calendar quarters immediately prior to the first day of the calendar week in which the individual's temporary total disability commenced, and a special individual benefit year is established consisting of the entire period of disability and a fifty-two consecutive week period commencing with the first day of the calendar week immediately following the week or part thereof with respect to which the individual received his final temporary total disability compensation under the applicable industrial insurance or crime victims compensation laws except that no special benefit year shall have a duration in excess of three hundred twelve calendar weeks: PROVIDED HOWEVER, That such special benefit year will not be established unless the criteria contained in RCW 50.04.030 has been met, except that an

For the purposes of establishing a benefit year, the department shall initially use the first four of the last five completed calendar quarters as the base year. If a benefit year is not established using the first four of the last five calendar quarters as the base year, the department shall use the last four completed calendar quarters as the base year. 50.12.210 Employment services for handicapped—Report to legislative committees. The legislature recognizes that handicapped persons have faced unfair discrimination in employment.
For these reasons, the state employment service division of the employment security department shall give particular and special attention service to those persons with physical, mental, or sensory handicaps which substantially limit one or more of their major life functions as defined under P.L. 93-112 and rules promulgated thereunder. Particular and special attention service shall include but not be limited to particular and special attention in counseling, referral, notification of job listings in advance of other persons, and other services of the employment service division.

No penalty so added shall be less than ten dollars. These penalties are in addition to the interest charges assessed under RCW 50.24.040.

(3) Penalties shall not accrue on contributions from an estate in the hands of a receiver, executor, administrator, trustee in bankruptcy, common law assignee, or other liquidating officer subsequent to the date when such receiver, executor, administrator, trustee in bankruptcy, common law assignee, or other liquidating officer qualifies as such, but contributions accruing with respect to employment of persons by a receiver, executor, administrator, trustee in bankruptcy, common law assignee, or other liquidating officer shall become due and shall be subject to penalties in the same manner as contributions due from other employers.

(4) Where adequate information has been furnished to the department and the department has failed to act or has advised the employer of no liability or inability to decide the issue, penalties shall be waived by the commissioner. Penalties may also be waived for good cause if the commissioner determines that the failure to timely file reports or pay contributions was not due to the employer’s fault.

(5) Any decision to assess a penalty as provided by this section shall be made by the chief administrative officer of the tax branch or his or her designee.

(6) Nothing in this section shall be construed to deny an employer the right to appeal the assessment of any penalty. Such appeal shall be made in the manner provided in RCW 50.32.030. [1987 c 111 § 2; 1979 ex.s. c 190 § 1.]

Conflict with federal requirements—1987 c 111: "If any part of this act is found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state." [1987 c 111 § 10.]

 Severability—1987 c 111: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1987 c 111 § 11.]

Title 50 RCW: Unemployment Compensation

50.12.252 Information clearinghouse—Consultation on establishment. In establishing the information clearinghouse, the employment security department shall consult with organizations of private sector employers and persons of disability. [1987 c 369 § 3.]

Legislative finding—1987 c 369: "The legislature finds that improving the economic status of persons of disability, the state's largest social minority with over four hundred thousand people, will require active state involvement. Persons of disability suffer unemployment at almost twice the rate and experience poverty at more than twice the rate of the general population. Employers have experienced confusion about the variety of employment services available to them. Optimum service from, and access to, the state's training and placement programs for persons of disability requires coordination and a clear focus on the stated needs of persons of disability and their prospective employers. It is the purpose of this chapter to guarantee that representatives of the disability community, labor, and the private sector have an institutionalized means of meeting their respective needs in the training, employment, and economic participation of persons of disability." [1987 c 369 § 1.]

50.12.260 Annual report to legislature and governor—Contents. The employment security department shall submit an annual report to the legislature and the governor that includes but is not limited to:

(1) Identification and analysis of industries in the United States, Washington state, and local labor markets with high levels of seasonal, cyclical, and structural unemployment;

(2) The industries and local labor markets with plant closures and mass lay-offs and the number of affected workers;

(3) An analysis of the major causes of plant closures and mass lay-offs;

(4) The number of dislocated workers and persons who have exhausted their unemployment benefits, classified by industry, occupation, and local labor markets;

(5) The experience of the unemployed in their efforts to become reemployed. This should include research conducted on the continuous wage and benefit history;

(6) Five-year industry and occupational employment projections;

(7) Annual and hourly average wage rates by industry and occupation. [1987 c 284 § 5.]

Contingent effective date—1987 c 284 § 5: "Section 5 of this act shall take effect if and only if the legislature provides funds sufficient for its implementation in an appropriations act adopted prior to July 1, 1987." [1987 c 284 § 6.] For reference to this program in 1987 appropriations act, see 1987 1st ex.s.s.ch 7 § 226(3).

50.12.270 Timber impact areas—Training and services program—Survey—Definition. (1) Subject to the availability of state or federal funds, the employment security department, as a member of the agency timber task force and in consultation with the economic recovery coordination board, shall consult with and may subcontract with local educational institutions, local businesses, local labor organizations, local associate development organizations, local private industry councils, local social service organizations, and local governments in carrying out a program of training and services, including training through the self-employment and enterprise development (SEED) program, for dislocated workers in timber impact areas.

(2) The department shall conduct a survey to determine the actual future employment needs and jobs skills in timber impact areas.

(3) The department shall coordinate the services provided in this section with all other services provided by the department and with the other economic recovery efforts undertaken by state and local government agencies on behalf of the timber impact areas.

(4) The department shall make every effort to procure additional federal and other moneys for the efforts enumerated in this section.

(5) For the purposes of this section, "timber impact area" means a county having a population of less than five hundred thousand, or a city or town located within a county having a population of less than five hundred thousand, and meeting two of the following three criteria, as determined by the employment security department, for the most recent year such data is available: (a) A lumber and wood products employment location quotient at or above the state average; (b) projected or actual direct lumber and wood products job losses of one hundred positions or more, except counties having a population greater than two hundred thousand but less than five hundred thousand must have direct lumber and wood products job losses of one thousand positions or more; or (c) an annual unemployment rate twenty percent or more above the state average. [1991 c 315 § 3.]

Intent—1991 c 315: "The legislature finds that:

(1) The economic health and well-being of timber-dependent communities is of substantial public concern. The significant reduction in annual timber harvest levels likely will result in reduced economic activity and persistent unemployment and underemployment over time, which would be a serious threat to the safety, health, and welfare of residents of the timber impact areas, decreasing the value of private investments and jeopardizing the sources of public revenue.

(2) Timber impact areas are most often located in areas that are experiencing little or no economic growth, creating an even greater risk to the health, safety, and welfare of these communities. The ability to remedy problems caused by the substantial reduction in harvest activity is beyond the power and control of the regulatory process and influence of the state, and the ordinary operations of private enterprise without additional governmental assistance are insufficient to adequately remedy the resulting problems of poverty and unemployment.

(3) To address these concerns, it is the intent of the legislature to increase training and retraining services accessible to timber impact areas, and provide for coordination of noneconomic development services in timber impact areas as economic development efforts will not succeed unless social, housing, health, and other needs are addressed." [1991 c 315 § 1.]

Chapter 50.13

RECORDS AND INFORMATION—PRIVACY AND CONFIDENTIALITY

Sections
50.13.010 Legislative intent and recognition.
50.13.015 Information held private and confidential—Requests for disclosure.
50.13.020 Information or records deemed private and confidential—Release when required by federal program.
50.13.030 Rules.

(1992 Ed.)
50.13.010 Legislative intent and recognition. This chapter is intended to reconcile the free access to public records granted by the open government act and the discovery rights of judicial and administrative systems with the historical confidentiality of certain records of the department of employment security and the individual’s right of privacy as acknowledged by the open government act.

The legislature recognizes that records and information held by the department of employment security could be misused. Therefore, this chapter defines a right of privacy and confidentiality as regards individual and employing unit records maintained by the department of employment security. The legislature further recognizes that there are situations where this right of privacy and confidentiality is outweighed by other considerations. Therefore, this chapter also defines certain exceptions to the right of privacy and confidentiality. [1977 ex.s. c 153 § 1.]

50.13.015 Information held private and confidential—Requests for disclosure. (1) If information provided to the department by another governmental agency is held private and confidential by state or federal laws, the department may not release such information.

(2) Information provided to the department by another governmental entity conditioned upon privacy and confidentiality is to be held private and confidential according to the agreement between the department and other governmental agency.

(3) The department may hold private and confidential information obtained for statistical analysis, research, or study purposes if the information was supplied voluntarily, conditioned upon maintaining confidentiality of the information.

(4) Persons requesting disclosure of information held by the department under subsection (1) or (2) of this section shall request such disclosure from the agency providing the information to the department rather than from the department.

(5) This section supersedes any provisions of chapter 42.17 RCW to the contrary. [1989 c 92 § 3.]

50.13.020 Information or records deemed private and confidential—Release when required by federal program. Any information or records concerning an individual or employing unit obtained by the department of employment security pursuant to the administration of this title or other programs for which the department has responsibility shall be private and confidential, except as otherwise provided in this chapter. This chapter does not create a rule of evidence. Information or records may be released by the department of employment security when the release is required by the federal government in connection with, or as a condition of funding for, a program being administered by the department. The provisions of RCW 50.13.060 (1) (a), (b) and (c) will not apply to such release. [1981 c 35 § 2; 1977 ex.s. c 153 § 2.]

Effective dates—Severability—1981 c 35: See notes following RCW 50.22.030.

50.13.030 Rules. The commissioner of the department of employment security shall have the authority to adopt, amend, or rescind rules interpreting and implementing the provisions of this chapter. In particular, these rules shall specify the procedure to be followed to obtain information or records to which the public has access under this chapter or chapter 42.17 RCW. [1977 ex.s. c 153 § 3.]

50.13.040 Access of individual or employing unit to records and information. An individual shall have access to all records and information concerning that individual held by the department of employment security, unless the information is exempt from disclosure under RCW 42.17.310. An employing unit shall have access to its own records and to any records and information relating to a benefit claim by an individual if the employing unit is either the individual’s last employer or is the individual’s base year employer. An employing unit shall have access to general summaries of benefit claims by individuals whose benefits are chargeable to the employing unit’s experience rating or reimbursement account. [1977 ex.s. c 153 § 4.]

50.13.050 Access to records or information by interested party in proceeding before appeal tribunal or commissioner—Decisions not private and confidential, exception. (1) Any interested party, as defined by rule, in a proceeding before the appeal tribunal or commissioner shall have access to any information or records deemed private and confidential under this chapter if the information or records are material to the issues in that proceeding.

(2) No decisions by the commissioner or the appeals tribunal shall be deemed private and confidential under this chapter unless the decisions are based on information obtained in a closed hearing. [1977 ex.s. c 153 § 5.]

50.13.060 Access to records or information by governmental agencies. (1) Governmental agencies, including law enforcement agencies, prosecuting agencies, and the executive branch, whether state, local, or federal shall have access to information or records deemed private and confidential under this chapter if the information or records are needed by the agency for official purposes and:

(a) The agency submits an application in writing to the employment security department for the records or information containing a statement of the official purposes for which the information or records are needed and specific identifica-
tion of the records or information sought from the department; and

(b) The director, commissioner, chief executive, or other official of the agency has verified the need for the specific information in writing either on the application or on a separate document; and

(c) The agency requesting access has served a copy of the application for records or information on the individual or employing unit whose records or information are sought and has provided the department with proof of service. Service shall be made in a manner which conforms to the civil rules for superior court. The requesting agency shall include with the copy of the application a statement to the effect that the individual or employing unit may contact the public records officer of the employment security department to state any objections to the release of the records or information. The employment security department shall not act upon the application of the requesting agency until at least five days after service on the concerned individual or employing unit. The employment security department shall consider any objections raised by the concerned individual or employing unit in deciding whether the requesting agency needs the information or records for official purposes.

(2) The requirements of subsections (1) and (7) of this section shall not apply to the state legislative branch. The state legislature shall have access to information or records deemed private and confidential under this chapter, if the legislature or a legislative committee finds that the information or records are necessary and for official purposes. If the employment security department does not make information or records available as provided in this subsection, the legislature may exercise its authority granted by chapter 44.16 RCW.

(3) In cases of emergency the governmental agency requesting access shall not be required to formally comply with the provisions of subsection (1) of this section at the time of the request if the procedures required by subsection (1) of this section are complied with by the requesting agency following the receipt of any records or information deemed private and confidential under this chapter. An emergency is defined as a situation in which irreparable harm or damage could occur if records or information are not released immediately.

(4) The requirements of subsection (1)(c) of this section shall not apply to governmental agencies where the procedures would frustrate the investigation of possible violations of criminal laws.

(5) Governmental agencies shall have access to certain records or information, limited to such items as names, addresses, social security numbers, and general information about benefit entitlement or employer information possessed by the department, for comparison purposes with records or information possessed by the requesting agency to detect improper or fraudulent claims, or to determine potential tax liability or employer compliance with registration and licensing requirements. In those cases the governmental agency shall not be required to comply with subsection (1)(c) of this section, but the requirements of the remainder of subsection (1) must be satisfied.

(6) Disclosure to governmental agencies of information or records obtained by the employment security department from the federal government shall be governed by any applicable federal law or any agreement between the federal government and the employment security department where so required by federal law. When federal law does not apply to the records or information state law shall control.

(7) The disclosure of any records or information by a governmental agency which has obtained the records or information under this section is prohibited unless the disclosure is directly connected to the official purpose for which the records or information were obtained.

(8) In conducting periodic salary or fringe benefit studies pursuant to law, the department of personnel and the higher education personnel board shall have access to records of the employment security department as may be required for such studies. For such purposes, the requirements of subsection (1)(c) of this section need not apply. [1981 c 177 § 1; 1979 ex.s. c 177 § 1; 1977 ex.s. c 153 § 6.]

50.13.070 Availability of records or information to parties to judicial or administrative proceedings—Discovery proceedings—Subpoenas. Information or records deemed private and confidential under this chapter shall be available to parties to judicial or formal administrative proceedings only upon a finding by the presiding officer that the need for the information or records in the proceeding outweighs any reasons for the privacy and confidentiality of the information or records. Information or records deemed private and confidential under this chapter shall not be available in discovery proceedings unless the court in which the action has been filed has made the finding specified above. A judicial or administrative subpoena directed to the employment security department must contain this finding. A subpoena for records or information held by the department may be directed to and served upon any employee of the department, but the department may specify by rule which employee shall produce the records or information in compliance with the subpoena. [1977 ex.s. c 153 § 7.]

50.13.080 Disclosure of records or information to private persons or organizations contracting to assist in operation and management of department. The employment security department shall have the right to disclose information or records deemed private and confidential under this chapter to any private person or organization when such disclosure is necessary to permit private contracting parties to assist in the operation and management of the department in instances where certain departmental functions may be delegated to private parties to increase the department’s efficiency or quality of service to the public. The private persons or organizations shall use the information or records solely for the purpose for which the information was disclosed and shall be bound by the same rules of privacy and confidentiality as employment security department employees. Nothing in this section shall be construed as limiting or restricting the effect of *RCW 42.17.260(5). The misuse or unauthorized release of records or information deemed private and confidential under this chapter by any private person or organization to which access is permitted by this section shall subject the person or organization to a civil penalty of five hundred dollars. Suit to enforce this section shall be brought by the attorney general and the.
amount of any penalties collected shall be paid into the employment security department administrative contingency fund. The attorney general may recover reasonable attorneys’ fees for any action brought to enforce this section. [1977 ex.s. c 153 § 8.]

*Reviser’s note: RCW 42.17.260 was amended by 1989 c 175 § 36, and the previous subsection (5) was renumbered as subsection (6). This section was subsequently amended by 1992 c 139 § 3, and the previous subsection (5) is now subsection (7).*

50.13.090 Disclosure of records or information to contracting governmental or private organizations. Where the employment security department contracts to provide services to other governmental or private organizations, the department may disclose to those organizations information or records deemed private and confidential which have been acquired in the performance of the department’s obligations under the contracts. [1977 ex.s. c 153 § 9.]

50.13.100 Disclosure of records or information where identifying details deleted or individual or employing unit consents. Nothing in this chapter shall prevent the disclosure of information or records deemed private and confidential under this chapter if all details identifying an individual or employing unit are deleted or the individual or employing unit consents to the disclosure. [1977 ex.s. c 153 § 10.]

50.13.900 Construction. Any ambiguities in this chapter shall be construed in a manner consistent with federal laws applying to the employment security department. If any provision of this chapter or the application thereof is held invalid by a final decision of any court or declared by the secretary of the department of labor of the United States to be inconsistent with federal laws upon which funding of the employment security department is contingent, the invalid or inconsistent provision shall be ineffective only to the extent necessary to insure compliance with the court decision or federal determination and the remainder of the chapter shall be given full effect. [1977 ex.s. c 153 § 11.]

50.13.905 Severability—1977 ex.s. c 153. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected. [1977 ex.s. c 153 § 13.]

50.13.910 Legislative designation and placement. Sections 1 through 11 of this act shall constitute a new chapter in Title 50 RCW and shall be designated as chapter 50.13 RCW. [1977 ex.s. c 153 § 14.]

*Reviser's note: The reference to "RCW 74.09.035, 74.09.510, 74.09.520, and 74.09.700" is in error. An amendment to this section in a previous enactment (1985 exs. c 5 § 6) referred to "this 1985 act." The error occurred when this phrase was translated to chapter 5 of the 1985 regular session instead of chapter 5 of the extraordinary session. Refunds payable pursuant to the provisions of this title from the unemployment compensation fund may be paid from the clearing account upon warrants issued by the treasurer under the direction of the commissioner: PROVIDED, HOWEVER, That refunds of interest or penalties on delinquent contributions shall be paid from the administrative contingency fund upon warrants issued by the treasurer under the direction of the commissioner.

After clearance thereof, all other moneys in the clearing account shall be immediately deposited with the Secretary of the Treasury of the United States to the credit of the account of this state in the unemployment trust fund, established and maintained pursuant to section 904 of the social security act, as amended, any provisions of law in this state relating to the deposit, administration, release, or disbursement of moneys in the possession or custody of this state to the contrary notwithstanding.

The benefit account shall consist of all moneys requisitioned from this state's account in the unemployment trust fund. 50.16.030 Title 50 RCW: Unemployment Compensation

state’s account in the unemployment trust fund solely for the payment of benefits and repayment of loans from the federal government to guarantee solvency of the unemployment compensation fund in accordance with regulations prescribed by the commissioner, except that money credited to this state’s account pursuant to section 903 of the social security act, as amended, shall be used exclusively as provided in RCW 50.16.030(5). The commissioner shall from time to time requisition from the unemployment trust fund such amounts, not exceeding the amounts standing to its account therein, as he deems necessary for the payment of benefits for a reasonable future period. Upon receipt thereof the treasurer shall deposit such moneys in the benefit account and shall issue his warrants for the payment of benefits solely from such benefits account.

(2) Expenditures of such moneys in the benefit account and refunds from the clearing account shall not be subject to any provisions of law requiring specific appropriations or other formal release by state officers of money in their custody, and RCW 43.01.050, as amended, shall not apply. All warrants issued by the treasurer for the payment of benefits and refunds shall bear the signature of the treasurer and the countersignature of the commissioner, or his duly authorized agent for that purpose.

(3) Any balance of moneys requisitioned from the unemployment trust fund which remains unclaimed or unpaid in the benefit account after the expiration of the period for which sums were requisitioned shall either be deducted from estimates for, and may be utilized for the payment of, benefits during succeeding periods, or in the discretion of the commissioner, shall be redeposited with the secretary of the treasury of the United States of America to the credit of this state’s account in the unemployment trust fund.

(4) Money credited to the account of this state in the unemployment trust fund by the secretary of the treasury of the United States of America pursuant to section 903 of the social security act, as amended, may be requisitioned and used for the payment of expenses incurred for the administration of this title pursuant to a specific appropriation by the legislature, provided that the expenses are incurred for the payment of benefits during succeeding periods, or in the discretion of the commissioner, shall be redeposited with the secretary of the treasury of the United States of America to the credit of this state’s account in the unemployment trust fund.

(5) Money credited to the account of this state pursuant to section 903 of the social security act, as amended, may be requisitioned as provided in RCW 50.16.030(4), (5) and (6) for the payment of expenses of administration shall be deposited in the unemployment compensation fund, but until expended, shall remain a part of the unemployment compensation fund. The commissioner shall maintain a separate record of the deposit, obligation, expenditure and return of funds so deposited. Any money so deposited which either will not be obligated within the period specified by the appropriation law or remains unobligated at the end of the period, and any money which has been obligated within the period but will not be expended, shall be returned promptly to the account of this state in the unemployment trust fund.

50.16.040 Management of funds upon discontinuance of federal unemployment trust fund. The provisions of this title, to the extent that they relate to the unemployment trust fund, shall be operative only so long as such unemployment trust fund continues to exist and so long as the secretary of the treasury of the United States of America continues to maintain for this state a separate book account of all funds deposited therein for this state for benefit purposes, together with this state’s proportionate share of the earnings of such unemployment trust fund, from which no other state is permitted to make withdrawals. If and when such unemployment trust fund ceases to exist, or such separate book account is no longer maintained, all moneys, properties or securities therein, belonging to the unemployment compensation fund of this state shall be transferred to the treasurer of the unemployment compensation fund, who shall hold, invest, transfer, sell, deposit, and release such moneys, properties, or securities in a manner approved by the commissioner, in accordance with the provisions of this title: PROVIDED, That such moneys shall be invested in the following readily marketable classes of securities: Bonds or other interest bearing obligations of the United States of America: AND PROVIDED FURTHER, That such investment shall at all times be made so that all the assets of the fund shall always be readily convertible into cash when needed for the payment of benefits. The treasurer shall dispose of securities or other properties belonging to the unemployment compensation fund only under the direction
50.16.050  Unemployment compensation administration fund. There is hereby established a fund to be known as the unemployment compensation administration fund. All moneys which are deposited or paid into this fund are hereby made available to the commissioner. All moneys in this fund shall be expended solely for the purpose of defraying the cost of the administration of this title, and for no other purpose whatsoever. All moneys received from the United States of America, or any agency thereof, for said purpose pursuant to section 302 of the social security act, as amended, shall be expended solely for the purposes and in the amounts found necessary by the secretary of labor for the proper and efficient administration of this title. All moneys received from the United States employment service, United States department of labor, for said purpose pursuant to the act of congress approved June 6, 1933, as amended or supplemented by any other act of congress, shall be expended solely for the purposes and in the amounts found necessary by the secretary of labor for the proper and efficient administration of the public employment office system of this state. The unemployment compensation administration fund shall consist of all moneys received from the United States of America or any department or agency thereof, or from any other source, for such purpose. All moneys in this fund shall be deposited, administered, and disbursed by the treasurer of the unemployment compensation administration fund and shall give a bond conditioned upon the faithful performance of his duties in connection with that fund. All sums recovered on the official bond for losses sustained by the unemployment compensation administration fund shall be deposited in said fund. Notwithstanding any provision of this section, all money requisitioned and deposited in this fund pursuant to RCW 50.16.030(6) shall remain part of the unemployment compensation fund and shall be used only in accordance with the conditions specified in RCW 50.16.030(4), (5) and (6). 50.16.060  Replacement of federal funds. The state of Washington hereby pledges that it will replace within a reasonable time any moneys paid to this state under Title III of the social security act, and the Wagner-Peyser act, which, because of any action or contingency, have been lost or have been expended for purposes other than, or in amounts in excess of, those found necessary by the secretary of labor for the proper administration of the Washington employment security act. [1959 c 170 § 4; 1945 c 35 § 67; Rem. Supp. 1945 § 9998-205.]

50.16.070  Federal interest payment fund—Employer contributions—When payable—Maximum rate—Deduction from remuneration unlawful. The federal interest payment fund shall consist of contributions payable by each employer (except employers as described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, employers who are required to make payments in lieu of contributions, and employers paying contributions under RCW 50.44.035) for any calendar quarter which begins on or after January 1, 1984, and for which the commissioner determines that the department will have an outstanding balance of accruing federal interest at the end of the calendar quarter. The amount of wages subject to tax shall be determined according to RCW 50.24.010. The tax rate applicable to wages paid during the calendar quarter shall be determined by the commissioner and shall not exceed fifteen one-hundredths of one percent. In determining whether to require contributions as authorized by this section, the commissioner shall consider the current balance in the federal interest payment fund and the projected amount of interest which will be due and payable as of the following September 30. Except as appropriated for the fiscal biennium ending June 30, 1991, any excess moneys in the federal interest payment fund shall be retained in the fund for future interest payments.

Contributions under this section shall become due and be paid by each employer in accordance with such rules as the commissioner may prescribe and shall not be deducted, in whole or in part, from the remuneration of individuals in the employ of the employer. Any deduction in violation of this section is unlawful.

In the payment of any contributions under this section, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent. [1989 1st ex.s. c 19 § 811; 1988 c 289 § 710; 1983 1st ex.s. c 13 § 7.]

50.16.080  Federal targeted jobs tax credit program—Administration—Processing fee—Deposit of fees. The cost of administering the federal targeted jobs tax credit program shall be fully borne by the employers requesting the credits. The commissioner shall establish the amount of the processing fee and procedures for collecting the fee. The commissioner shall establish the processing fee at a sufficient level to defray the costs of administering the federal targeted jobs tax credit program. The fee shall be established by the commissioner by rule. However, if federal funding is provided to finance such services, the commissioner shall revise or eliminate this fee based on the amount
of federal funding received. Fees received for processing shall be deposited in a special account in the unemployment compensation administration fund. [1988 c 84 § 2.]

**Legislative finding—1988 c 84:** "The legislature finds that:

1. The employment security department through the targeted jobs tax credit program has the responsibility to issue federal tax credit certifications to Washington state employers. The tax credit certification allows the employer to claim a credit against federal income tax for wages paid during the first year to employees who qualify for the program.

2. To the extent that funding is available, the department, through the federal targeted jobs tax credit program, provides service to employers in the form of technical assistance and training, program marketing, monitoring, and maintenance of records and processing of documents that may result in a certification which allows employers to claim a federal tax credit.

3. The United States Congress through the Tax Reform Act of 1986 reauthorized the targeted jobs tax credit but did not include funds to cover the costs of processing employer requests for federal tax credit certifications.

4. The state has a vital interest in the economic benefits employers realize from the targeted jobs tax credit because the economic competitiveness of Washington state is enhanced as tax credit savings are reinvested in the state's economy.

5. The departments of corrections, social and health services, and veterans affairs, and the superintendent of public instruction, along with employment security and other state service providers, utilize the targeted jobs tax credit program as an incentive for employers to hire hard-to-place clients.

6. Economically disadvantaged youth, Vietnam-era veterans, ex-felons, and vocational rehabilitation, supplemental security income, general assistance and AFDC recipients have an especially difficult time in obtaining employment." [1988 c 84 § 1.]

**Conflict with federal requirements—1988 c 84:** "If any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state." [1988 c 84 § 3.]

**Severability—1988 c 84:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1988 c 84 § 4.]

**Effective date—1988 c 84:** "This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect March 1, 1988." [1988 c 84 § 6.] This act was signed by the governor March 16, 1988.

1. He or she has registered for work at, and thereafter has continued to report at, an employment office in accordance with such regulation as the commissioner may prescribe, except that the commissioner may by regulation waive or alter either or both of the requirements of this subdivision as to individuals attached to regular jobs and as to such other types of cases or situations with respect to which he or she finds that the compliance with such requirements would be oppressive, or would be inconsistent with the purposes of this title;

2. He or she has filed an application for an initial determination and made a claim for waiting period credit or for benefits in accordance with the provisions of this title;

3. He or she is able to work, and is available for work in any trade, occupation, profession, or business for which he or she is reasonably fitted. To be available for work an individual must be ready, able, and willing, immediately to accept any suitable work which may be offered to him and must be actively seeking work pursuant to customary trade practices and through other methods when so directed by the commissioner or his agents;

4. He or she has been unemployed for a waiting period of one week; and

5. As to weeks beginning after March 31, 1981, which fall within an extended benefit period as defined in RCW 50.22.010(1), as now or hereafter amended, the individual meets the terms and conditions of RCW 50.22.020, as now or hereafter amended, with respect to benefits claimed in excess of twenty-six times the individual's weekly benefit amount.

An individual's eligibility period for regular benefits shall be coincident to his or her established benefit year. An individual's eligibility period for additional or extended benefits shall be the periods prescribed elsewhere in this title for such benefits. [1981 c 35 § 3; 1973 c 73 § 6; 1970 ex.s. c 2 § 4; 1959 c 266 § 3; 1953 ex.s. c 8 § 7; 1951 c 265 § 9; 1951 c 215 § 11; 1949 c 214 § 9; 1945 c 35 § 68; Rem.
50.20.015 Person with marginal labor force attachment. If the product of an otherwise eligible individual’s weekly benefit amount multiplied by thirteen is greater than the total amount of wages earned in covered employment in the higher of two corresponding calendar quarters included within the individual’s determination period, that individual shall be considered to have marginal labor force attachment. For the purposes of this subsection and RCW 50.29.020, "determination period" means the first eight of the last nine completed calendar quarters immediately preceding the individual’s current benefit year. [1986 c 106 § 1; 1985 c 285 § 3; 1984 c 205 § 9.]

Conflict with federal requirements—1986 c 106: "If any part of this act is found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state." [1986 c 40 § 2.]

50.20.044 Ineligibility for benefits for failure to attend job search workshop or training course. If an otherwise eligible individual fails without good cause, as determined by the commissioner under rules prescribed by the commissioner, to attend a job search workshop or a training or retraining course when directed by the department and such workshop or course is available at public expense, such individual shall not be eligible for benefits with respect to any week in which such failure occurred. [1984 c 205 § 8.]

Conflict with federal requirements—Severability—Effective dates—1984 c 205: See notes following RCW 50.20.120.

50.20.045 Employee separated from employment due to wage garnishment not disqualified. Subject to the provisions of RCW 62.7.170, an individual who is separated from his employment due to garnishment of his wages shall not be disqualified from receiving unemployment benefits because of such separation. [1969 ex.s. c 264 § 35.]

50.20.050 Disqualification for leaving work voluntarily without good cause. (1) An individual shall be disqualified from benefits beginning with the first day of the calendar week in which he or she has left work voluntarily without good cause and thereafter until he or she has obtained bona fide work and earned wages of not less than his or her suspended weekly benefit amount in each of five calendar weeks.

The disqualification shall continue if the work obtained is a mere sham to qualify for benefits and is not bona fide work. In determining whether work is of a bona fide nature,
the commissioner shall consider factors including but not limited to the following:
   (a) The duration of the work;
   (b) The extent of direction and control by the employer over the work; and
   (c) The level of skill required for the work in light of the individual’s training and experience.

(2) An individual shall not be considered to have left work voluntarily without good cause when:
   (a) He or she has left work to accept a bona fide offer of bona fide work as described in subsection (1) of this section; or
   (b) The separation was because of the illness or disability of the claimant or the death, illness, or disability of a member of the claimant’s immediate family if the claimant took all reasonable precautions, in accordance with any regulations that the commissioner may prescribe, to protect his or her employment status by having promptly notified the employer of the reason for the absence and by having promptly requested reemployment when again able to assume employment: PROVIDED, That these precautions need not have been taken when they would have been a futile act, including those instances when the futility of the act was a result of a recognized labor-management dispatch system.

(3) In determining under this section whether an individual has left work voluntarily without good cause, the commissioner shall only consider work-connected factors such as the degree of risk involved to the individual’s health, safety, and morals, the individual’s physical fitness for the work, the individual’s ability to perform the work, and such other work connected factors as the commissioner may deem pertinent, including state and national emergencies. Good cause shall not be established for voluntarily leaving work because of its distance from an individual’s residence where the distance was known to the individual at the time he or she accepted the employment and where, in the judgment of the department, the distance is customarily traveled by workers in the individual’s job classification and labor market, nor because of any other significant work factor which was generally known and present at the time he or she accepted employment, unless the related circumstances have so changed as to amount to a substantial involuntary deterioration of the work factor or unless the commissioner determines that other related circumstances would work an unreasonable hardship on the individual were he or she required to continue in the employment.

(4) Subsections (1) and (3) of this section shall not apply to an individual whose marital status or domestic responsibilities cause him or her to leave employment. Such an individual shall not be eligible for unemployment insurance benefits until he or she has requalified, either by obtaining bona fide work and earning wages of not less than the suspended weekly benefit amount in each of five calendar weeks or by reporting in person to the department during ten different calendar weeks and certifying on each occasion that he or she is ready, able, and willing to immediately accept any suitable work which may be offered, is actively seeking work pursuant to customary trade practices, and is utilizing such employment counseling and placement services as are available through the department. When an application for initial determination has been made, the employment security department shall promptly make an initial determination which shall be a statement of the applicant's base year wages, his weekly benefit amount, his maximum amount of benefits potentially payable and his benefit year. Such determination shall fix the general conditions under which waiting period credit shall be granted and under which benefits shall be paid during any period of unemployment occurring within the benefit year fixed by such determination. [1951 c 215 § 4; 1945 c 35 § 82; Rem. Supp. 1945 § 9998-220. Prior: 1943 c 127 § 4; 1941 c 253 § 4; 1939 c 214 § 4; 1937 c 162 § 6.]

50.20.150 Notice of application or claim. The applicant for initial determination, his most recent employing unit as stated by the applicant, and any other interested party which the commissioner by regulation prescribes, shall, if not previously notified within the same continuous period of unemployment, be given notice promptly in writing that an application for initial determination has been filed and such notice shall contain the reasons given by the applicant for his last separation from work. If, during his benefit year, the applicant becomes unemployed after having accepted subsequent work, and reports for the purpose of reestablishing his eligibility for benefits, a similar notice shall be given promptly to his then most recent employing unit as stated by him, or to any other interested party which the commissioner by regulation prescribes.

Each base year employer shall be promptly notified of the filing of any application for initial determination which may result in a charge to his account. [1970 ex.s. c 2 § 7; 1951 c 215 § 5; 1945 c 35 § 83; Rem. Supp. 1945 § 9998-221. Prior: 1943 c 127 § 4; 1941 c 253 § 4; 1939 c 214 § 4; 1937 c 162 § 6.]

50.20.160 Redetermination. (1) A determination of amount of benefits potentially payable issued pursuant to the provisions of RCW 50.20.120 and 50.20.140 shall not serve as a basis for appeal but shall be subject to request by the claimant for reconsideration and/or for redetermination by the commissioner at any time within one year from the date of delivery or mailing of such determination, or any redetermination thereof: PROVIDED, That in the absence of fraud or misrepresentation on the part of the claimant, any benefits paid prior to the date of any redetermination which reduces the amount of benefits payable shall not be subject to recovery under the provisions of RCW 50.20.190. A denial of a request to reconsider or a redetermination shall be furnished the claimant in writing and provide the basis for appeal under the provisions of RCW 50.32.020.

(2) A determination of denial of benefits issued under the provisions of RCW 50.20.180 shall become final, in absence of timely appeal therefrom: PROVIDED, That the commissioner may reconsider and redetermine such determinations at any time within one year from delivery or mailing to correct an error in identity, omission of fact, or misapplication of law with respect to the facts.

(3) A determination of allowance of benefits shall become final, in absence of a timely appeal therefrom: PROVIDED, That the commissioner may redetermine such allowance at any time within two years following the benefit year in which such allowance was made in order to recover any benefits improperly paid and for which recovery is provided under the provisions of RCW 50.20.190: AND PROVIDED FURTHER, That in the absence of fraud, misrepresentation, or nondisclosure, this provision or the provisions of RCW 50.20.190 shall not be construed so as to permit redetermination or recovery of an allowance of benefits which having been made after consideration of the provisions of RCW 50.20.010(3), or the provisions of RCW 50.20.050, 50.20.060, 50.20.080, or 50.20.090 has become final.

(4) A redetermination may be made at any time: (a) To conform to a final court decision applicable to either an initial determination or a determination of denial or allow-
ance of benefits; (b) in the event of a back pay award or settlement affecting the allowance of benefits; or (c) in the case of fraud, misrepresentation, or willful nondisclosure. Written notice of any such redetermination shall be promptly given by mail or delivered to such interested parties as were notified of the initial determination or determination of denial or allowance of benefits and any new interested party or parties who, pursuant to such regulation as the commissioner may prescribe, would be an interested party. [1990 c 245 § 4; 1959 c 266 § 4; 1953 exs.s. c 8 § 13; 1951 c 215 § 6; 1945 c 35 § 84; Rem. Supp. 1945 § 9998-222. Prior: 1941 c 253 § 4.]

Conflict with federal requirements—1990 c 245: See note following RCW 50.04.030.

50.20.170 Payment of benefits. An individual who has received an initial determination finding that he is potentially entitled to receive waiting period credit or benefits shall, during the benefit year, be given waiting period credit or be paid benefits in accordance with such initial determination for any week with respect to which the conditions of eligibility for such credit or benefits, as prescribed by this title, are met, unless the individual is denied waiting period credit or benefits under the disqualification provisions of this title.

All benefits shall be paid through employment offices in accordance with such regulations as the commissioner may prescribe. [1945 c 35 § 85; Rem. Supp. 1945 § 9998-223. Prior: 1943 c 127 § 1; 1941 c 253 § 1; 1939 c 214 § 1; 1937 c 162 § 3.]

50.20.180 Denial of benefits. If waiting period credit or the payment of benefits shall be denied to any claimant for any week or weeks, the claimant and such other interested party as the commissioner by regulation prescribes shall be promptly issued written notice of the denial and the reasons therefor. In any case where the department is notified in accordance with such regulation as the commissioner prescribes or has reason to believe that the claimant’s right to waiting period credit or benefits is in issue because of his separation from work for any reason other than lack of work, the department shall promptly issue a determination of allowance or denial of waiting period credit or benefits and the reasons therefor to the claimant, his most recent employing unit as stated by the claimant, and such other interested party as the commissioner by regulation prescribes. Notice that waiting period credit or benefits are allowed or denied shall suffice for the particular weeks stated in the notice or until the condition upon which the allowance or denial was based has been changed. [1951 c 215 § 7; 1945 c 38 § 86; Rem. Supp. 1945 § 9998-224. Prior: 1943 c 127 § 4; 1941 c 253 § 4; 1939 c 214 § 4; 1937 c 162 § 6.]

50.20.190 Recovery of benefit payments. (1) An individual who is paid any amount as benefits under this title to which he or she is not entitled shall, unless otherwise relieved pursuant to this section, be liable for repayment of the amount overpaid. The department shall issue an overpayment assessment setting forth the reasons for and the amount of the overpayment. The amount assessed, to the extent not collected, may be deducted from any future benefits payable to the individual: PROVIDED, That in the absence of fraud, misrepresentation, or willful nondisclosure, every determination of liability shall be mailed or personally served not later than two years after the close of the individual’s benefit year in which the purported overpayment was made unless the merits of the claim are subjected to administrative or judicial review in which event the period for serving the determination of liability shall be extended to allow service of the determination of liability during the six-month period following the final decision affecting the claim.

(2) The commissioner may waive an overpayment if the commissioner finds that said overpayment was not the result of fraud, misrepresentation, willful nondisclosure, or fault attributable to the individual and that the recovery thereof would be against equity and good conscience: PROVIDED, HOWEVER, That the overpayment so waived shall be charged against the individual’s applicable entitlement for the eligibility period containing the weeks to which the overpayment was attributed as though such benefits had been properly paid.

(3) Any assessment herein provided shall constitute a determination of liability from which an appeal may be had in the same manner and to the same extent as provided for appeals relating to determinations in respect to claims for benefits: PROVIDED, That an appeal from any determination covering overpayment only shall be deemed to be an appeal from the determination which was the basis for establishing the overpayment unless the merits involved in the issue set forth in such determination have already been heard and passed upon by the appeal tribunal. If no such appeal is taken to the appeal tribunal by the individual within thirty days of the delivery of the notice of determination of liability, or within thirty days of the mailing of the notice of determination, whichever is the earlier, said determination of liability shall be deemed conclusive and final. Whenever any such notice of determination of liability becomes conclusive and final, the commissioner, upon giving at least twenty days notice by certified mail return receipt requested to the individual’s last known address of the intended action, may file with the superior court clerk of any county within the state a warrant in the amount of the notice of determination of liability plus a filing fee of five dollars. The clerk of the county where the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the person(s) mentioned in the warrant, the amount of the notice of determination of liability, and the date when the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to, and any personal property of the person(s) against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. A warrant so docketed shall be sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state in the manner provided by law for a civil judgment. A copy of the warrant shall be mailed to the person(s) mentioned in the warrant by certified mail to the person’s last known address within five days of its filing with the clerk.
(4) On request of any agency which administers an employment security law of another state, the United States, or a foreign government and which has found in accordance with the provisions of such law that a claimant is liable to repay benefits received under such law, the commissioner may collect the amount of such benefits from the claimant to be refunded to the agency. In any case in which under this section a claimant is liable to repay any amount to the agency of another state, the United States, or a foreign government, such amounts may be collected without interest by civil action in the name of the commissioner acting as agent for such agency if the other state, the United States, or the foreign government extends such collection rights to the employment security department of the state of Washington, and provided that the court costs be paid by the governmental agency benefiting from such collection.

(5) Any employer who is a party to a back pay award or settlement due to loss of wages shall, within thirty days of the award or settlement, report to the department the amount of the award or settlement, the name and social security number of the recipient of the award or settlement, and the period for which it is awarded. When an individual has been awarded or receives back pay, for benefit purposes the amount of the back pay shall constitute wages paid in the period for which it was awarded. For contribution purposes, the back pay award or settlement shall constitute wages paid in the period in which it was actually paid. The following requirements shall also apply:

(a) The employer shall reduce the amount of the back pay award or settlement by an amount determined by the department based upon the amount of unemployment benefits received by the recipient of the award or settlement during the period for which the back pay award or settlement was awarded;

(b) The employer shall pay to the unemployment compensation fund, in a manner specified by the commissioner, an amount equal to the amount of such reduction;

(c) The employer shall also pay to the department any taxes due for unemployment insurance purposes on the entire amount of the back pay award or settlement notwithstanding any reduction made pursuant to (a) of this subsection;

(d) If the employer fails to reduce the amount of the back pay award or settlement as required in (a) of this subsection, the department shall issue an overpayment assessment against the recipient of the award or settlement in the amount that the back pay award or settlement should have been reduced; and

(e) If the employer fails to pay to the department an amount equal to the reduction as required in (b) of this subsection, the department shall issue an assessment of liability against the employer which shall be collected pursuant to the procedures for collection of assessments provided herein and in RCW 50.24.110.

(6) When an individual fails to repay an overpayment assessment that is due and fails to arrange for satisfactory repayment terms, the commissioner shall impose an interest penalty of one percent of the outstanding balance for each month that payments are not made in a timely fashion. Interest shall accrue immediately on overpayments assessed pursuant to RCW 50.20.070. For any other overpayment, interest shall accrue when the individual has missed two or more of their monthly payments either partially or in full. The interest penalty shall be used to fund detection and recovery of overpayment and collection activities. (2) There is an "on" indicator for this state for a week if the commissioner determines, in accordance with the regulations of the United States secretary of labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) either:
   (a) Equaled or exceeded one hundred twenty percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years and equaled or exceeded five percent; or
   (b) Equaled or exceeded six percent: PROVIDED, That the six percent trigger shall apply only until December 31, 1985.

(3) There is an "off" indicator for this state for a week if the commissioner determines, in accordance with the regulations of the United States secretary of labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) was either:
   (a) Less than five percent; or
   (b) Five percent or more but less than six percent and the rate of insured unemployment was less than one hundred twenty percent of the average of the rates for the corresponding thirteen-week period ending in each of the two preceding calendar years: PROVIDED, That the six percent trigger shall apply only until December 31, 1985.

(4) "Regular benefits" means benefits payable to an individual under this title or under any state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than extended benefits or additional benefits.

(5) "Extended benefits" means benefits payable for weeks of unemployment beginning in an extended benefit period to an individual under this title or under any state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than regular or additional benefits.

(6) "Additional benefits" are benefits totally financed by the state and payable under this title to exhaustees by reason of conditions of high unemployment or by reason of other special factors.

(7) "Eligibility period" of an individual means the period consisting of the weeks in his or her benefit year which begin in an extended benefit period that is in effect in this state and, if his or her benefit year ends within such extended benefit period, any weeks thereafter which begin in such period.

(8) "Additional benefit eligibility period" of an individual means the period consisting of the weeks in his or her benefit year which begin in an additional benefit period that is in effect and, if his or her benefit year ends within such additional benefit period, any weeks thereafter which begin in such period.

(9) "Exhaustee" means an individual who, with respect to any week of unemployment in his or her eligibility period:
   (a) Has received, prior to such week, all of the regular benefits that were payable to him or her under this title or any other state law (including dependents' allowances and regular benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his or her current benefit year that includes such week; or
   (b) Has received, prior to such week, all of the regular benefits that were available to him or her under this title or any other state law (including dependents' allowances and regular benefits available to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his or her current benefit year that includes such week, after the cancellation of some or all of his or her wage credits or the total or partial reduction of his or her rights to regular benefits: PROVIDED, That, for the purposes of (a) and (b), an individual shall be deemed to have received in his or her current benefit year all of the regular benefits that were payable to him or her, or available to him or her, as the case may be, even though:
   (i) As a result of a pending appeal with respect to wages or employment, or both, that were not included in the original monetary determination with respect to his or her current benefit year, he or she may subsequently be determined to be entitled to more regular benefits; or
   (ii) By reason of the seasonal provisions of another state law, he or she is not entitled to regular benefits with respect to such week of unemployment (although he or she may be entitled to regular benefits with respect to future weeks of unemployment in the next season, as the case may be, in his or her current benefit year), and he or she is otherwise an exhaustee within the meaning of this section with respect to his or her right to regular benefits under such state law seasonal provisions during the season or off season in which that week of unemployment occurs; or

50.22.020 Application of title provisions and commissioner's regulations—Eligibility for extended benefits. When the result would not be inconsistent with the other provisions of this chapter, the provisions of this title and commissioner's regulations enacted pursuant thereto, which apply to claims for, or the payment of, regular benefits, shall apply to claims for, and the payment of, extended benefits: PROVIDED, That

(1) Payment of extended compensation under this chapter shall not be made to any individual for any week of unemployment in his or her eligibility period—

(a) During which he or she fails to accept any offer of suitable work (as defined in subsection (3) of this section) or fails to apply for any suitable work to which he or she was referred by the employment security department; or

(b) During which he or she fails to actively engage in seeking work.

(2) If any individual is ineligible for extended compensation for any week by reason of a failure described in subsections (1)(a) or (1)(b) of this section, the individual shall be ineligible to receive extended compensation for any week which begins during a period which—

(a) Begins with the week following the week in which such failure occurs; and

(b) Does not end until such individual has been employed during at least four weeks which begin after such failure and the total of the remuneration earned by the individual for being so employed is not less than the product of four multiplied by the individual's weekly benefit amount (as determined under RCW 50.20.120) for his or her benefit year.

(3) For purposes of this section, the term "suitable work" means, with respect to any individual, any work which is within such individual's capabilities and which does not involve conditions described in RCW 50.20.110: PROVIDED, That if the individual furnishes evidence satisfactory to the employment security department that such individual's prospects for obtaining work in his or her customary occupation within a reasonably short period are good, the determination of whether any work is suitable work with respect to such individual shall be made in accordance with RCW 50.20.100.

(4) Extended compensation shall not be denied under subsection (1)(a) of this section to any individual for any week by reason of a failure to accept an offer of, or apply for, suitable work if:

(a) The gross average weekly remuneration payable to such individual for the position does not exceed the sum of—

(i) The individual's weekly benefit amount (as determined under RCW 50.20.120) for his or her benefit year; plus

(ii) Any applicable state or local minimum wage.

(b) The position was not offered to such individual in writing and was not listed with the employment security department;

(c) Such failure would not result in a denial of compensation under the provisions of RCW 50.20.080 and 50.20.100 to the extent such provisions are not inconsistent with the provisions of subsections (3) and (5) of this section; or

(d) The position pays wages less than the higher of—

(i) The minimum wage provided by section (6)(a)(1) of the Fair Labor Standards Act of 1938, without regard to any exemption; or

(ii) Any applicable state or local minimum wage.

(5) For purposes of this section, an individual shall be treated as actively engaged in seeking work during any week if:

(a) The individual has engaged in a systematic and sustained effort to obtain work during such week; and

(b) The individual provides tangible evidence to the employment security department that he or she has engaged in such an effort during such week.
(6) The employment security department shall refer applicants for benefits under this chapter to any suitable work to which subsections (4)(a) through (4)(d) of this section would not apply.

(7) No provisions of this title which terminates a disqualification for voluntarily leaving employment, being discharged for misconduct, or refusing suitable employment shall apply for purposes of determining eligibility for extended compensation unless such termination is based upon employment subsequent to the date of such disqualification.

(8) The provisions of subsections (1) through (7) of this section shall apply with respect to weeks of unemployment beginning after March 31, 1981. [1981 c 35 § 8; 1971 c 1 § 3.]

50.22.030 Extended benefit eligibility conditions—Interstate claim. (1) An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his or her eligibility period only if the commissioner finds with respect to such week that:

(a) The individual is an "exhaustee" as defined in RCW 50.22.010;

(b) He or she has satisfied the requirements of this title for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits; and

(c) He or she has earned wages in the applicable base year of at least forty times his or her weekly benefit amount.

(2) An individual filing an interstate claim in any state under the interstate benefit payment plan shall not be eligible to receive extended benefits for any week beyond the first two weeks claimed for which extended benefits are payable unless an extended benefit period embracing such week is also in effect in the agent state. [1981 c 35 § 9; 1971 c 1 § 4.]

Effective dates—1982 1st ex.s. c 18: "Sections 2. 9[10], 10[11], 11[12], 16[17], and 17[18] of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately [April 2, 1982]. (1) An additional benefit period is established for counties identified under subsection (2) of this section beginning on the first Sunday after July 1, 1991, and for the forest products industry beginning with the third week after the first Sunday after July 1, 1991. Benefits shall be paid as provided in subsection (3) of this section to exhaustees eligible under subsection (4) of this section.

(2) The additional benefit period applies to counties having a population of less than five hundred thousand beginning with the third week after a week in which the commissioner determines that a county meets two of the following three criteria, as determined by the department, for the most recent year in which such data is available: (a) A lumber and wood products employment location quotient at or above the state average; (b) projected or actual direct lumber and wood products job losses of one hundred positions or more, except counties having a population greater than two hundred thousand but less than five hundred thousand must have direct lumber and wood products job losses of one thousand positions or more; or (c) an annual unemployment rate twenty percent or more above the state average. (b) The total additional benefit amount shall be fifty-two times the individual's weekly benefit amount, reduced by the total amount of regular benefits and extended benefits paid, or deemed paid, with respect to the benefit year. Additional benefits shall not be payable for weeks more than one year beyond the end of the benefit year of the regular claim for benefits shall not be payable for weeks more than one year after March 26, 1992, for individuals who become eligible as a result of chapter 47, Laws of 1992, and shall be payable for up to five weeks following the completion of the training required by this section.

(c) The weekly benefit amount shall be calculated as specified in RCW 50.22.040.

(d) Benefits paid under this section shall be paid under the same terms and conditions as regular benefits and shall not be charged to the experience rating account of individual employers. The additional benefit period shall be suspended with the start of an extended benefit period, or any totally federally funded benefit program, with eligibility criteria and benefits comparable to the program established by this section, and shall resume the first week following the end of the federal program.

(4) An additional benefit eligibility period is established for any exhaustee who:

(a)(i) At the time of last separation from employment, resided in or was employed in a county identified under subsection (2) of this section; or

(ii) During his or her base year, earned wages in at least six hundred eighty hours in the forest products industry, which shall be determined by the department but shall include the industries assigned the major group standard industrial classification codes "24" and "26" and the industries involved in the harvesting and management of logs, transportation of logs and wood products, processing of wood products, and the manufacturing and distribution of wood processing and logging equipment. The commissioner may adopt rules further interpreting the industries covered under this subsection. For the purposes of this subsection, "standard industrial classification code" means the code identified in RCW 50.29.025(6)(c); and

(b)(i) Has received notice of termination or layoff; and

(ii) Is unlikely to return to employment in his or her principal occupation or previous industry because of a diminishing demand within his or her labor market for his or her skills in the occupation or industry; and

(c)(i) Is notified by the department of the requirements of this section and develops an individual training program that is submitted to the commissioner for approval not later than sixty days after the individual is notified of the requirements of this section, and enters the approved training program not later than ninety days after the date of the individual's termination or layoff, or ninety days after July 1, 1991, whichever is later, unless the department determines that the training is not available during the ninety-day period, in which case the individual shall enter training as soon as it is available; or

(ii) Is enrolled in training approved under this section on a full-time basis and maintains satisfactory progress in the training; and

(d) Does not receive a training allowance or stipend under the provisions of any federal or state law.

(5) For the purposes of this section:

(a) "Training program" means:

(i) A remedial education program determined to be necessary after counseling at the educational institution in which the individual enrolls pursuant to his or her approved training program; or

(ii) A vocational training program at an educational institution that:

(A) Is training for a labor demand occupation;

(B) Is likely to facilitate a substantial enhancement of the individual's marketable skills and earning power; and

(C) Does not include on-the-job training or other training under which the individual is paid by an employer for work performed by the individual during the time that the individual receives additional benefits under subsection (1) of this section.

(c) "Training allowance or stipend" means discretionary use, cash-in-hand payments available to the individual to be used as the individual sees fit, but does not mean direct or indirect compensation for training costs, such as tuition or books and supplies.

(6) The commissioner shall adopt rules as necessary to implement this section.

(7) For the purpose of this section, an individual who has a benefit year beginning after January 1, 1989, and
ending before July 27, 1991, shall be treated as if his or her benefit year ended on July 27, 1991. [1992 c 47 § 2; 1991 c 315 § 4.]

Finding—1992 c 47: "The legislature finds that the timber retraining benefits program as enacted in RCW 50.22.090 did not provide benefits to workers who were unemployed more than one year prior to its effective date. In order to provide benefits to these individuals, this act extends the benefits of the timber retraining benefits program to any eligible worker who filed an unemployment claim beginning on or after January 1, 1989." [1992 c 47 § 1.]

Severability—1992 c 47: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1992 c 47 § 3.]

Conflict with federal requirements—1992 c 47: "If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state." [1992 c 47 § 4.]

Severability—Conflict with federal requirements—Effective date—1991 c 315: See RCW 50.70.900 through 50.70.902.

payments in lieu of contributions, at the rate of two one-hundredths of one percent. The amount of wages subject to tax shall be determined under RCW 50.24.010.

Contributions under this section shall become due and be paid by each employer under rules as the commissioner may prescribe, and shall not be deducted, in whole or in part, from the remuneration of individuals in the employ of the employer. Any deduction in violation of this section is unlawful.

In the payment of any contributions under this section, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

If the commissioner determines that federal funding has been increased to provide financing for the services specified in chapter 50.62 RCW, the commissioner shall direct that collection of contributions under this section be terminated on the following January 1st. [1987 c 171 § 4; 1985 ex.s. c 5 § 8.]

Contributions erroneously paid to United States or another state. Payments of contributions erroneously paid to an unemployment compensation fund of another state or to the United States government which should have been paid to this state and which thereafter shall be refunded by such other state or the United States government and paid by the employer to this state, shall be deemed to have been paid to this state and to have filed contribution reports thereon at the date of payment to the United States government or such other state. [1953 ex.s. c 8 § 15; 1949 c 214 § 19; 1945 c 35 § 91; Rem. Supp. 1949 § 9998-229.]

Interest on delinquent contributions. If contributions are not paid on the date on which they are due and payable as prescribed by the commissioner, the whole or part thereof remaining unpaid shall bear interest at the rate of one percent per month or fraction thereof from and after such date until payment plus accrued interest is received by him. The date as of which payment of contributions, if mailed, is deemed to have been received may be determined by such regulations as the commissioner may prescribe. Interest collected pursuant to this section shall be paid into the administrative contingency fund. Interest shall not accrue on contributions from any estate in the hands of a receiver, executor, administrator, trustee in bankruptcy, common law assignee or other liquidating officer subsequent to the date when such receiver, executor, administrator, trustee in bankruptcy, common law assignee or other liquidating officer qualifies as such, but contributions accruing with respect to employment of persons by any receiver, executor, administrator, trustee in bankruptcy, common law assignee or other liquidating officer shall become due and shall draw interest in the same manner as contributions due from other employers. Where adequate information has been furnished the department and the department has failed to act or has advised the employer of no liability or inability to decide the issue, interest may be waived. [1987 c 111 § 3; 1973 1st ex.s. c 158 § 8; 1953 ex.s. c 8 § 16; 1945 c 35 § 92; Rem. Supp. 1945 § 9998-230. Prior: 1943 c 127 § 10; 1941 c 253 § 11.]

[Title 50 RCW—page 40]
50.24.050 Lien for contributions generally. The claim of the employment security department for any contributions, interest, or penalties not paid when due, shall be a lien prior to all other liens or claims and on a parity with prior tax liens against all property and rights to property, whether real or personal, belonging to the employer. In order to avail itself of the lien hereby created, the department shall file with any county auditor where property of the employer is located a statement and claim of lien specifying the amount of delinquent contributions, interest, and penalties claimed by the department. From the time of filing for record, the amount required to be paid shall constitute a lien upon all property and rights to property, whether real or personal, in the county, owned by the employer or acquired by him. The lien shall not be valid against any purchaser, holder of a security interest, mechanic's lien, or judgment lien creditor until notice thereof has been filed with the county auditor. This lien shall be separate and apart from, and in addition to, any other lien or claim created by, or provided for in, this title. When any such notice of lien has been so filed, the commissioner may release the same by filing a certificate of release when it shall appear that the amount of delinquent contributions, interest, and penalties have been paid, or when such assurance of payment shall be made as the commissioner may deem to be adequate. Fees for filing and releasing the lien provided herein may be charged to the employer and may be collected from the employer utilizing the remedies provided in this title for the collection of contributions. [1981 c 302 § 39; 1979 ex.s. c 190 § 2; 1973 1st ex.s. c 158 § 9; 1947 c 215 § 19; 1945 c 35 § 93; Rem. Supp. 1947 § 9998-231. Effective date—1973 1st ex.s. c 158: See note following RCW 50.08.020.

Penalties for late reports or contributions: RCW 50.12.220.

50.24.060 Lien in event of insolvency or dissolution.

In the event of any distribution of an employer's assets pursuant to an order of any court, including receivership, probate, legal dissolution, or similar proceeding, or in case of any assignment for the benefit of creditors, composition, or similar proceeding, contributions, interest, or penalties then or thereafter due shall be a lien upon all the assets of such employer. Said lien will be prior to all other liens or claims except prior tax liens, other liens provided by this title, and claims for remuneration for services of not more than two hundred and fifty dollars to each claimant earned within six months of the commencement of the proceeding. The mere existence of a condition of insolvency or the institution of any judicial proceeding for legal dissolution or of any proceeding for distribution of assets shall cause such a lien to attach without action on behalf of the commissioner or the state. In the event of an employer's adjudication in bankruptcy, judicially confirmed extension proposal, or composition, under the federal bankruptcy act of 1898, as amended, contributions, interest, or penalties then or thereafter due shall be entitled to such priority as provided in that act, as amended. [1983 1st ex.s. c 23 § 15; 1945 c 35 § 94; Rem. Supp. 1945 § 9998-232. Prior: 1943 c 127 § 10; 1941 c 253 § 11; 1939 c 214 § 12; 1937 c 162 § 14.]

50.24.070 Order and notice of assessment. At any time after the commissioner shall find that any contributions, interest, or penalties have become delinquent, the commissioner may issue an order and notice of assessment specifying the amount due, which order and notice of assessment shall be served upon the delinquent employer in the manner prescribed for the service of a summons in a civil action, or by certified mail to the last known address of the employer as shown by the records of the department. Failure of the employer to receive such notice or order whether served or mailed shall not release the employer from any tax, or any interest or penalties thereon. [1987 c 111 § 4; 1979 ex.s. c 190 § 3; 1945 c 35 § 95; Rem. Supp. 1945 § 9998-233. Prior: 1943 c 127 § 10; 1941 c 253 § 11.]

Conflict with federal requirements—Severability—Effective date—1987 c 111: See notes following RCW 50.12.220.

Commencement of actions: Chapter 4.28 RCW.

50.24.080 Jeopardy assessment. If the commissioner shall have reason to believe that an employer is insolvent or if any reason exists why the collection of any contributions accrued will be jeopardized by delaying collection, he may make an immediate assessment thereof and may proceed to enforce collection immediately, but interest and penalties shall not begin to accrue upon any contributions until the date when such contributions would normally have become delinquent. [1979 ex.s. c 190 § 4; 1945 c 35 § 96; Rem. Supp. 1945 § 9998-234. Prior: 1943 c 127 § 10; 1941 c 253 § 11.]

50.24.090 Distraint, seizure, and sale. If the amount of contributions, interest, or penalties assessed by the commissioner by order and notice of assessment provided in this title is not paid within ten days after the service or mailing of the order and notice of assessment, the commissioner or his duly authorized representative may collect the amount stated in said assessment by the distraint, seizure, and sale of the property, goods, chattels, and effects of said delinquent employer. There shall be exempt from distraint and sale under this section such goods and property as are exempt from execution under the laws of this state. [1979 ex.s. c 190 § 5; 1945 c 35 § 97; Rem. Supp. 1945 § 9998-235. Prior: 1943 c 127 § 10; 1941 c 253 § 11.]

Executions: Chapter 6.17 RCW.
Personal exemptions, generally: Chapter 6.15 RCW.

50.24.100 Distraint procedure. The commissioner, upon making a distraint, shall seize the property and shall make an inventory of the property distrained, a copy of which shall be mailed to the owner of such property or personally delivered to him, and shall specify the time and place when said property shall be sold. A notice specifying the property to be sold and the time and place of sale shall be posted in at least two public places in the county wherein the seizure has been made. The time of sale shall be not less than ten nor more than twenty days from the date of posting of such notices. Said sale may be adjourned from time to time at the discretion of the commissioner, but not
for a time to exceed in all sixty days. Said sale shall be conducted by the commissioner or his authorized representative who shall proceed to sell such property by parcel or by lot at a public auction, and who may set a minimum price to include the expenses of making a levy and of advertising the sale, and if the amount bid for such property at the sale is not equal to the minimum price so fixed, the commissioner or his representative may declare such property to be purchased by the employment security department for such minimum price. In such event the delinquent account shall be credited with the amount for which the property has been sold. Property acquired by the employment security department as herein prescribed may be sold by the commissioner or his representative at public or private sale, and the amount realized shall be placed in the unemployment compensation trust fund.

In all cases of sale, as aforesaid, the commissioner shall issue a bill of sale or a deed to the purchaser and said bill of sale or deed shall be prima facie evidence of the right of the commissioner to make such sale and conclusive evidence of the regularity of his proceeding in making the sale, and shall transfer to the purchaser all right, title, and interest of the delinquent employer in said property. The proceeds of any such sale, except in those cases wherein the property has been acquired by the employment security department, shall be first applied by the commissioner in satisfaction of the delinquent account, and out of any sum received in excess of the amount of delinquent contributions, interest, and penalties the administration fund shall be reimbursed for the costs of distraint and sale. Any excess which shall thereafter remain in the hands of the commissioner shall be refunded to the delinquent employer. Sums so refundable to a delinquent employer may be subject to seizure or distraint in the hands of the commissioner by any other taxing authority of the state or its political subdivisions. [1979 ex.s. c 190 § 6; 1949 c 214 § 20; 1945 c 35 § 98; Rem. Supp. 1949 § 9998-236. Prior: 1943 c 127 § 10; 1941 c 253 § 11.]

50.24.110 Notice and order to withhold and deliver.
The commissioner is hereby authorized to issue to any person, firm, corporation, political subdivision, or department of the state, a notice and order to withhold and deliver property of any kind whatsoever when the commissioner has reason to believe that there is in the possession of such person, firm, corporation, political subdivision, or department, property which is due, owing, or belonging to any person, firm, or corporation upon whom the department has served a benefit overpayment assessment or a notice and order of assessment for unemployment compensation contributions, interest, or penalties. The effect of a notice to withhold and deliver shall be continuous from the date such notice and order to withhold and deliver is first made until the liability is satisfied or becomes unenforceable because of a lapse of time.

Should any person, firm, or corporation fail to make answer to an order to withhold and deliver within the time prescribed herein, it shall be lawful for the court, after the time to answer such order has expired, to render judgment by default against such person, firm, or corporation for the full amount claimed by the commissioner in the notice to withhold and deliver, together with costs. Any lien created by this title may be foreclosed by decree of the court in any such action. Civil actions brought under this title to collect contributions, interest, or penalties from an employer shall be heard by the court at the earliest possible date and shall be entitled to preference upon the calendar of the court over all other civil actions except petitions for judicial review under this title and cases arising under the industrial insurance laws of this state.

(2) Any employing unit which is not a resident of this state and which exercises the privilege of having one or more individuals perform service for it within this state, and any resident employing unit which exercises that privilege and thereafter removes from this state, shall be deemed thereby to appoint the secretary of state as its agent and attorney for the acceptance of process in any action under this title. In instituting such an action against any such employing unit the commissioner shall cause such process or notice to be filed with the secretary of state and such service shall be sufficient service upon such employing unit, and shall be of the same force and validity as if served upon it personally within this state: PROVIDED, That the commissioner shall forthwith send notice of the service of such process or notice, together with a copy thereof, by registered mail, return receipt requested, to such employing unit at its last known address and such return receipt, the commissioner’s affidavit of compliance with the provisions of this section, and a copy of the notice of service shall be appended to the original of the process filed in the court in which such action is pending.

Failure to comply with the provisions of this section shall render said employing unit directly liable for such contributions, interest, and penalties and the commissioner shall have all of the remedies of collection against said employing unit under the provisions of this title as though the services in question were performed directly for said employing unit.

For the purposes of this section, a contractor registered under chapter 18.27 RCW or licensed under chapter 19.28 RCW shall not be responsible for any contributions for the work of any subcontractor if:

(1) The subcontractor is currently engaging in a business which is registered under chapter 18.27 RCW or licensed under chapter 19.28 RCW;

If the commissioner upon an ex parte consideration shall determine that such contributions, interest, penalties, or portion thereof were erroneously collected, he shall allow such employer to make an adjustment thereof without interest in connection with subsequent contribution payments by him, or if such adjustment cannot be made, the commissioner shall refund said amount without interest from the unemployment compensation fund. PROVIDED, HOWEVER, That after June 20, 1953, that refunds of interest on delinquent contributions or penalties shall be paid from the administrative contingency fund upon warrants issued by the treasurer under the direction of the commissioner. For like cause and within the same period, adjustment or refund may be made on the commissioner's own initiative. If the commissioner finds that upon ex parte consideration he cannot readily determine that such adjustment or refund should be allowed, he shall deny such application and notify the employer in writing. Upon the written approval of such election by the commissioner, such services shall be deemed to constitute employment subject to this title from and after the date stated in such approval. Services covered pursuant to this section shall cease to be deemed employment subject hereto as of January 1st of any calendar year subsequent to such two calendar years, only if the employing unit files with the commissioner prior to the fifteenth day of January of such year a written application for termination of coverage. [1977 ex.s. c 292 § 12; 1972 ex.s. c 35 § 1; 1971 c 3 § 14; 1959 c 266 § 6; 1951 c 265 § 8; 1951 c 215 § 9; 1945 c 35 § 104; Rem. Supp. 1945 § 9998-242.]

Action pursuant to the provisions of this section may be instituted in the superior court of any county of the state wherein the employer resides, has its principal place of business, or where it has anyone performing services for it, whether or not such services constitute employment. The commissioner may charge off as uncollectible and no longer an asset of the unemployment compensation fund or the administrative contingency fund, as the case may be, any delinquent contributions, interest, penalties, credits, or benefit overpayments if the commissioner is satisfied that there are no cost-effective means of collecting the contributions, interest, penalties, credits, or benefit overpayments. No successor may be liable for any contributions due from the person from whom that person has acquired a business or stock of goods if that person gives written notice to the employment security department of such acquisition and no assessment is issued by the department within one hundred eighty days of receipt of such notice against the former operator of the business and a copy thereof mailed to such successor. Benefits paid to any eligible individuals shall be charged to the experience rating accounts of each of such individual’s employers during the individual’s base year in the same ratio that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that base year, except as otherwise provided in this section.

(2) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

(ii) Benefits paid to an individual under RCW 50.20.090(1) for weeks of unemployment ending before February 20, 1987, shall not be charged to the experience rating account of any base year employer.

(g) In the case of individuals identified under RCW 50.20.015, benefits paid with respect to a calendar quarter, which exceed the total amount of wages earned in the state of Washington in the higher of two corresponding calendar quarters included within the individual’s determination period, as defined in RCW 50.20.015, shall not be charged to the experience rating account of any contribution paying employer.

(h) Beginning July 1, 1985, a contribution-paying base year employer, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if:

(i) The benefit charges result from payment to an individual who last left the employ of such employer voluntarily for reasons not attributable to the employer, or was discharged for misconduct connected with his or her work; and

(ii) The employer requests relief of charges in writing within thirty days following mailing to the last known address of the notification of the initial determination of such a claim, stating the date and reason for the last leaving; and

(j) Benefits paid to an individual who does not successfully complete an approved on-the-job training program under RCW 50.12.240 shall not be charged to the experience rating account of the contribution paying employer who provided the approved on-the-job training.

(k) Benefits paid resulting from a closure or severe curtailment of operations at the employer’s plant, building, work site, or facility due to damage caused by fire, flood, or other natural disaster shall not be charged to the experience rating account of the employer if:

From and after January 1 following the transfer, the successor's contribution rate for each rate year shall be based on his or her experience with payrolls and benefits including the experience of the acquired business or portion of business from the date of transfer, as of the regular computation date for that rate year.

(2) If the successor is not an employer at the time of the transfer, he or she shall pay contributions at the rate class assigned to the predecessor employer at the time of the transfer for the remainder for that rate year and continuing until such time as he or she qualifies for a different rate in his or her own right.

(3) If the successor is not an employer at the time of the transfer and simultaneously acquires the business or a portion of the business of two or more employers in different rate classes, his or her rate from the date the transfer occurred until the end of that rate year and until he or she qualifies in his or her own right for a new rate, shall be the highest rate class applicable at the time of the acquisition to any predecessor employer who is a party to the acquisition.

When an order and notice of assessment has been served upon or mailed to a delinquent employer, as heretofore provided, such employer may within thirty days thereafter file a petition in writing with the appeal tribunal, stating that such assessment is unjust or incorrect and requesting a hearing thereon. Such petition shall set forth the reasons why the assessment is objected to and the amount of contributions, if any, which said employer admits to be due the employment security department. If no such petition be filed with the appeal tribunal within thirty days, the assessment shall be conclusively deemed to be just and correct: PROVIDED, That in such cases, and in cases where payment of contributions, interest, or penalties has been made pursuant to a jeopardy assessment, the commissioner may properly entertain a subsequent application for refund. The filing of a petition on a disputed assessment with the appeal tribunal shall stay the distress and sale proceeding provided for in this title until a final decision thereon shall have been made, but the filing of such petition shall not affect the right of the commissioner to perfect a lien, as provided by this title, upon the property of the employer. The filing of a petition on a disputed assessment shall stay the accrual of interest and penalties on the disputed contributions until a final decision shall have been made thereon.

Within thirty days after notice of denial of refund or adjustment has been mailed or delivered (whichever is the earlier) to an employer, the employer may file a petition in writing with the appeal tribunal for a hearing thereon: PROVIDED, That this right shall not apply in those cases in which assessments have been appealed from and have become final. The petitioner shall set forth the reasons why such hearing should be granted and the amount which the petitioner believes should be adjusted or refunded. If no such petition be filed within said thirty days, the determination of the commissioner as stated in said notice shall be final. (3) A "benefit cost ratio" for each such employer shall be computed by dividing its total benefit charges during the thirty-six months ending on June 30 by its total remuneration during the three preceding calendar years: PROVIDED, That after August 31 in 1979 each employer's total benefit charges for the twelve months ending on June 30 shall be divided by its total remuneration paid in the last three quarters of calendar year 1978; and after August 31 in 1980 each employer's total benefit charges for the twenty-four months ending June 30 shall be divided by its total remuneration paid in the last three calendar quarters of 1978 and the four calendar quarters of 1979. Such computations shall be carried to four decimal places, with the remaining fraction, if any, disregarded.

(4) For each such employer its benefit cost ratio shall be subtracted from its reserve ratio. One-third of the resulting amount shall be subtracted from its benefit cost ratio. The resulting figure, expressed as a percentage and rounded to the nearest tenth of one percent, shall become its local government tax rate for the following rate year. For the rate year 1980 no tax rate shall be less than 0.6 percent nor more than 2.2 percent. For 1981 no tax rate shall be less than 0.4 percent nor more than 2.6 percent. For years after 1981 no tax rate shall be less than 0.2 percent or more than 3.0 percent. No individual rate shall be increased any more than 1.0 percent from one rate year to the next.

(5) Any county, city or town electing participation under this section at any time after December 15, 1977, shall be assigned a tax rate of one and one-quarter percent of total remuneration for the first eight quarters of the participation.

(6) Each year after 1980 the commissioner shall review the local government tax system and make recommendations to the legislature for changes in said system.

(7) "Local government tax" shall be deemed to be "contributions" to the extent that such usage is consistent with the purposes of this title. Such construction shall include but not be limited to those portions of this title and the rules and regulations enacted pursuant thereto dealing with assessments, interest, penalties, liens, collection procedures and remedies, administrative and judicial review, and the imposition of administrative, civil and criminal sanctions. 50.44.050 Benefits payable, terms and conditions. Except as otherwise provided in subsections (1) through (4) of this section, benefits based on services in employment covered by or pursuant to this chapter shall be payable on the same terms and subject to the same conditions as compensation payable on the basis of other service subject to this title.

(1) Benefits based on service in an instructional, research or principal administrative capacity for an educational institution shall not be paid to an individual for any week of unemployment which commences during the period between two successive academic years or terms (or, when an agreement provides instead for a similar period between two regular but not successive terms, during such period) if such individual performs such services in the first of such academic years or terms and if there is a contract or reasonable assurance that such individual will perform services in any such capacity for any educational institution in the
second of such academic years or terms. Any employee of a common school district who is presumed to be reemployed pursuant to RCW 28A.405.210 shall be deemed to have a contract for the ensuing term.

(2) Benefits shall not be paid based on services in any other capacity for an educational institution for any week of unemployment which commences during the period between two successive academic years or terms, if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms: PROVIDED, That if benefits are denied to any individual under this subsection and that individual was not offered an opportunity to perform such services for the educational institution for the second of such academic years or terms, the individual is entitled to a retroactive payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of this subsection.

(3) Benefits shall not be paid based on any services described in subsections (1) and (2) of this section for any week of unemployment which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is a reasonable assurance that such individual will perform such services in the period immediately following such vacation period or holiday recess.

(4) Benefits shall not be paid (as specified in subsections (1), (2), or (3) of this section) based on any services described in subsections (1) or (2) of this section to any individual who performed such services in an educational institution while in the employ of an educational service district which is established pursuant to chapter 28A.310 RCW and exists to provide services to local school districts.

(5) Benefits shall not be paid based on services performed by an educational service district which is established pursuant to chapter 28A.310 RCW and exists to provide services to local school districts, in the same capacity during the ensuing academic year or terms or conditions of employment in the ensuing year as in the first academic year or term. A person shall not be deemed to be performing services "in the same capacity" unless those services are rendered under the same terms or conditions of employment in the ensuing year as in the first academic year or term. [1985 ex.s. c 5 § 9.]

Conflict with federal requirements—Severability—1985 ex.s. c 5: See notes following RCW 50.02.010.

50.44.060 Financing benefits paid employees of nonprofit organizations—Election to make payments in lieu of contributions. Benefits paid to employees of "nonprofit organizations" shall be financed in accordance with the provisions of this section. For the purpose of this section and RCW 50.44.070, the term "nonprofit organization" is limited to those organizations described in RCW 50.44.010, and joint accounts composed exclusively of such organizations.

(1) Any nonprofit organization which is, or becomes subject to this title on or after January 1, 1972 shall pay contributions under the provisions of RCW 50.24.010 and chapter 50.29 RCW, unless it elects, in accordance with this subsection, to pay to the commissioner for the unemployment compensation fund an amount equal to the full amount of regular and additional benefits and one-half of the amount of extended benefits paid to individuals for weeks of unemployment that are based upon wages paid or payable during the effective period of such election to the extent that such payments are attributable to service in the employ of such nonprofit organization.

(a) Any nonprofit organization which becomes subject to this title after January 1, 1972 may elect to become liable for payments in lieu of contributions for a period of not less than twelve months beginning with the date on which such subjectivity begins by filing a written notice of its election with the commissioner not later than thirty days immediately following the date of the determination of such subjectivity.

(b) Any nonprofit organization which makes an election in accordance with paragraph (a) of this subsection will continue to be liable for payments in lieu of contributions until it files with the commissioner a written notice terminating its election not later than thirty days prior to the beginning of the taxable year for which such termination shall first be effective.

(c) Any nonprofit organization which has been paying contributions under this title for a period subsequent to January 1, 1972 may change to a reimbursable basis by filing with the commissioner not later than thirty days prior to the beginning of any taxable year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by the organization for that and the next year.

(d) The commissioner may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after December 31, 1969.

(e) The commissioner, in accordance with such regulations as the commissioner may prescribe, shall notify each nonprofit organization of any determination which the commissioner may make of its status as an employer and of the effective date of any election which it makes and of any termination of such election. Any nonprofit organization subject to such determination and dissatisfied with such
determination may file a request for review and redetermina-
tion with the commissioner within thirty days of the mailing
of the determination to the organization. Should such
request for review and redetermination be denied, the
organization may, within ten days of the mailing of such
notice of denial, file with the appeal tribunal a petition for
hearing which shall be heard in the same manner as a
petition for denial of refund. The appellate procedure
prescribed by this title for further appeal shall apply to all
denials of review and redetermination under this paragraph.

(2) Payments in lieu of contributions shall be made in
accordance with the provisions of this section including
either paragraph (a) or (b) of this subsection.

(a) At the end of each calendar quarter, the commis-
sioner shall bill each nonprofit organization or group of such
organizations which has elected to make payments in lieu of
contributions for an amount equal to the full amount of
regular and additional benefits plus one-half of the amount
of extended benefits paid during such quarter that is attribut-
able to service in the employ of such organization.

(b) (i) Each nonprofit organization that has elected
payments in lieu of contributions may request permission to
make such payments as provided in this paragraph. Such
method of payment shall become effective upon approval by
the commissioner.

(ii) At the end of each calendar quarter, or at the end of
such other period as determined by the commissioner, the
commissioner shall bill each nonprofit organization for an
amount representing one of the following:

(A) The percentage of its total payroll for the immedi-
ately preceding calendar year as the commissioner shall
determine. Such determination shall be based each year on
the average benefit costs attributable to service in the employ
of nonprofit organizations during the preceding calendar
year.

(B) For any organization which did not pay wages
throughout the four calendar quarters of the preceding
calendar year, such percentage of its payroll during such
year as the commissioner shall determine.

(iii) At the end of each taxable year, the commissioner
may modify the quarterly percentage of payroll thereafter
payable by the nonprofit organization in order to minimize
excess or insufficient payments.

(iv) At the end of each taxable year, the commissioner
shall determine whether the total of payments for such year
made by a nonprofit organization is less than, or in excess
of, the total amount of regular and additional benefits plus
one-half of the amount of extended benefits paid to individu-
als during such taxable year based on wages attributable to
service in the employ of such organization. Each nonprofit
organization whose total payments for such year are less
than the amount so determined shall be liable for payment of
the unpaid balance to the fund in accordance with paragraph
(c). If the total payments exceed the amount so determined
for the taxable year, all of the excess payments will be re-
tained in the fund as part of the payments which may be
required for the next taxable year, or a part of the excess
may, at the discretion of the commissioner, be refunded from
the fund or retained in the fund as part of the payments
which may be required for the next taxable year.

(c) Payment of any bill rendered under paragraph (a) or
(b) shall be made not later than thirty days after such bill
was mailed to the last known address of the nonprofit
organization or was otherwise delivered to it, and if not paid
within such thirty days, the reimbursement payments
itemized in the bill shall be deemed to be delinquent and the
whole or part thereof remaining unpaid shall bear interest
and penalties from and after the end of such thirty days at
the rate and in the manner set forth in RCW 50.12.220 and
50.24.040.

(d) Payments made by any nonprofit organization under
the provisions of this section shall not be deducted or
deductible, in whole or in part, from the remuneration
of individuals in the employ of the organization. Any deduc-
tion in violation of the provisions of this paragraph shall be
unlawful.

(3) Each employer that is liable for payments in lieu of
contributions shall pay to the commissioner for the fund the
total amount of regular and additional benefits plus the
amount of one-half of extended benefits paid that are
attributable to service in the employ of such employer. If
benefits paid to an individual are based on wages paid by
more than one employer and one or more of such employers
are liable for payments in lieu of contributions, the amount
payable to the fund by each employer that is liable for such
payments shall be determined in accordance with the
provisions of paragraphs (a) and (b) of this subsection.

(a) If benefits paid to an individual are based on wages
paid by one or more employers that are liable for payments
in lieu of contributions and on wages paid by one or more
employers who are liable for contributions, the amount of
benefits payable by each employer that is liable for payments
in lieu of contributions shall be an amount which bears the
same ratio to the total benefits paid to the individual as the
total base-period wages paid to the individual by such
employer bear to the total base-period wages paid to the
individual by all of his base-period employers.

(b) If benefits paid to an individual are based on wages
paid by two or more employers that are liable for payments
in lieu of contributions, the amount of benefits payable by
each such employer shall be an amount which bears the
same ratio to the total benefits paid to the individual as the
total base-period wages paid to the individual by such
employer bear to the total base-period wages paid to the
individual by all of his base-period employers. [1990 c 245
§ 9; 1983 1st ex.s. c 23 § 24; 1977 ex.s. c 292 § 19; 1971
c 3 § 23.]
bond or deposit shall be determined in accordance with the provisions of this section.

(1) The amount of the bond or deposit required by this subsection shall be an amount deemed by the commissioner to be sufficient to cover any reimbursement payments which may be required from the employer attributable to employment during any year for which the election is in effect but in no event shall such amount be in excess of the amount which said employer would pay for such year if he were subject to the contribution provisions of this title. The determination made pursuant to this subsection shall be based on payroll information, employment experience, and such other factors as the commissioner deems pertinent.

(2) Any bond deposited under this section shall be in force for a period of not less than two taxable years and shall be renewed with the approval of the commissioner, at such times as the commissioner may prescribe, but not less frequently than at two-year intervals as long as the organization continues to be liable for payments in lieu of contributions. The commissioner shall require adjustments to be made in a previously filed bond as he deems appropriate. If the bond is to be increased, the adjusted bond shall be filed by the organization within thirty days of the date notice of the required adjustment was mailed or otherwise delivered to it. Failure by any organization covered by such bond to pay the full amount of payments in lieu of contributions when due, together with any applicable interest and penalties provided for in this title, shall render the surety liable on said bond to the extent of the bond, as though the surety was such organization.

(3) Any deposit of money or securities in accordance with this section shall be retained by the commissioner in an escrow account until liability under the election is terminated, at which time it shall be returned to the organization, less any deductions as hereinafter provided. The commissioner may deduct from the money deposited under this section by a nonprofit organization or sell the securities it has so deposited to the extent necessary to satisfy any due and unpaid payments in lieu of contributions and any applicable interest and penalties provided for in this act. The commissioner shall require the organization within thirty days following any deduction from a money deposit or sale of deposited securities under the provisions of this subsection to deposit sufficient additional money or securities to make whole the organization’s deposit at the prior level. Any cash remaining from the sale of such securities shall be a part of the organization’s escrow account. The commissioner may, at any time review the adequacy of the deposit made by any organization. If, as a result of such review, he determines that an adjustment is necessary he shall require the organization to make an additional deposit within thirty days of written notice of his determination or shall return to it such portion of the deposit as he no longer considers necessary, whichever action is appropriate. Disposition of income from securities held in escrow shall be governed by the applicable provisions of the state law.

(4) If any nonprofit organization fails to file a bond or make a deposit, or to file a bond in an increased amount or to increase or make whole the amount of a previously made deposit, as provided under this section, the commissioner may terminate such organization’s election to make payments in lieu of contributions and such termination shall continue for not less than the four-consecutive-calendar-quarter period beginning with the quarter in which termination becomes effective: PROVIDED, That the commissioner may extend for good cause the applicable filing, deposit or adjustment period by not more than thirty days. [1973 c 73 § 11; 1971 c 3 § 24.]

50.44.080 Construction—Compliance with federal act—1971 c 3. RCW 50.44.010 through 50.44.070 have been enacted to meet the requirements imposed by the federal unemployment tax act as amended by 91-373. Internal references in any section of *this 1971 amendatory act to the provisions of that act are intended only to apply to those provisions as they existed as of January 28, 1971.

In view of the importance of compliance of *this 1971 amendatory act with the federal unemployment tax act, any ambiguities contained herein should be resolved in a manner consistent with the provisions of that act. Considerable weight has been given to the commentary contained in that document entitled “Draft Legislation to Implement the Employment Security Amendments of 1970 . . . H.R. 14705”, published by the United States Department of Labor, Manpower Administration, and that commentary should be referred to when interpreting the provisions of *this 1971 amendatory act.

Language in *this 1971 amendatory act concerning the extension of coverage to employers entitled to make payments in lieu of contributions should, in a manner consistent with the foregoing paragraph, be construed so as to have a minimum financial impact on the employers subject to the experience rating provisions of this title. [1971 c 3 § 25.]

50.44.090 Construction—Mandatory coverage of employees of political subdivision provisions of 1977 ex.s. c 292. (1) The provisions of *this act mandating coverage of employees of political subdivisions have been enacted to comply with the provisions of Public Law 94-566. Therefore, as provided in subsection (2), this mandatory feature shall be contingent on the existence of valid and constitutional federal law requiring the Secretary of Labor to refuse to certify as approved the employment security laws of this state if such laws did not continue such mandatory coverage.

(2) In the event the mandatory coverage feature for political subdivisions ceases to be necessary for compliance with valid and constitutional federal law, then the mandatory feature of *this 1977 act shall cease to be effective as of the end of the next quarter following the quarter in which the mandatory feature contained in *this 1977 act is not necessary for such compliance.

(3) In the event mandatory coverage ceases to be effective pursuant to subsection (2), then the sections, or subsections as the case may be, of *this 1977 amendatory act shall to the extent that they apply to coverage of employees of political subdivisions be deemed nullified and the language of the sections being amended shall be deemed reinstated as the laws of this state.

[Title 50 RCW—page 60] (1992 Ed.)
(4) Benefits paid based on the services covered during the effective life of the mandatory coverage feature shall be financed as follows:

(a) If the political subdivision was financing payment of benefits on a reimbursable basis, benefits attributable to employment with the political subdivision shall be assessed to and paid by the political subdivision;

(b) If the political subdivision is a county, city, or town which elected financing pursuant to RCW 50.44.035, such political subdivision will pay "the local government tax" for all earnings by employees through the end of the calendar quarter in which the mandatory coverage is no longer effective pursuant to subsection (2);

(c) If the political subdivision was financing benefits by the contribution method it will pay contributions on wages earned by its employees through the end of the calendar quarter in which mandatory coverage is no longer effective pursuant to subsection (2). [1977 ex.s. c 292 § 23.]

50.60.010 Legislative intent. In order to provide an economic climate conducive to the retention of skilled workers in industries adversely affected by general economic downturns and to supplement depressed buying power of employees affected by such downturns, the legislature finds that the public interest would be served by the enactment of laws providing greater flexibility in the payment of unemployment compensation benefits in situations where qualified employers elect to retain employees at reduced hours rather than instituting layoffs. [1983 c 207 § 1.]

50.60.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Affected unit" means a specified plant, department, shift, or other definable unit consisting of one or more employees, to which an approved shared work compensation plan applies.

(2) "Fringe benefits” include health insurance, retirement benefits under benefit pension plans as defined in section 3(35) of the employee retirement income security act of 1974, paid vacation and holidays, and sick leave, which are incidents of employment in addition to cash remuneration.

(3) "Shared work benefits" means the benefits payable to employees in an affected unit under an approved shared work compensation plan as distinguished from the benefits otherwise payable under this title.

(4) "Shared work compensation plan" means a plan of an employer, or of an employers’ association, under which there is a reduction in the number of hours worked by employees rather than temporary layoffs.

(5) "Shared work employer” means an employer, one or more of whose employees are covered by a shared work compensation plan.

(6) "Usual weekly hours of work" means the normal number of hours of work for full-time employees in the affected unit when that unit is operating on a full-time basis, not to exceed forty hours and not including overtime.

(7) "Unemployment compensation" means the benefits payable under this title other than shared work benefits and includes any amounts payable pursuant to an agreement under federal law providing for compensation, assistance, or allowances with respect to unemployment.

(8) "Employers’ association” means an association which is a party to a collective bargaining agreement under which there is a shared work compensation plan. [1983 c 207 § 2.]

50.60.030 Shared work compensation plan—Criteria for approval. An employer or employers’ association wishing to participate in a shared work compensation program shall submit a written and signed shared work compensation plan to the commissioner for approval. The commissioner shall approve a shared work compensation plan only if the following criteria are met:

(1) The plan identifies the affected units to which it applies;

(2) An employee in an affected unit is identified by name, social security number, and by any other information required by the commissioner;

(3) The usual weekly hours of work for an employee in an affected unit are reduced by not less than ten percent and not more than fifty percent;

(4) Fringe benefits will continue to be provided on the same basis as before the reduction in work hours. In no event shall the level of health benefits be reduced due to a reduction in hours;

(5) The plan certifies that the aggregate reduction in work hours is in lieu of temporary layoffs which would have affected at least ten percent of the employees in the affected units to which the plan applies and which would have resulted in an equivalent reduction in work hours;

(1992 Ed.)
(6) The plan applies to at least ten percent of the employees in the affected unit;

(7) The plan is approved in writing by the collective bargaining agent for each collective bargaining agreement covering any employee in the affected unit;

(8) The plan will not subsidize seasonal employers during the off season nor subsidize employers who have traditionally used part-time employees; and

(9) The employer agrees to furnish reports necessary for the proper administration of the plan and to permit access by the commissioner to all records necessary to verify the plan before approval and after approval to evaluate the application of the plan.

In addition to subsections (1) through (9) of this section, the commissioner shall take into account any other factors which may be pertinent. [1985 c 43 § 1; 1983 c 207 § 3.]

Conflicts with federal requirements—1985 c 43: "If any part of this act is found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state." [1985 c 43 § 2.]

Severability—1985 c 43: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1985 c 43 § 3.]

50.60.040 Shared work compensation plan—Approval or rejection—Resubmission. The commissioner shall approve or reject a shared work compensation plan in writing within fifteen days of its receipt. The reasons for the rejection shall be final and nonappealable, but the rejection shall not prevent an employer from submitting another plan for approval not earlier than fifteen days after the date of a previous written rejection. [1983 c 207 § 4.]

50.60.050 Approved shared work compensation plan—Misrepresentation—Penalties. If an approved plan or any representation for implementation of the plan is intentionally and substantially misleading or false, any individual who participated in any such misrepresentation shall be subject to criminal prosecution as well as personal liability for any amount of benefits deemed by the commissioner to have been improperly paid from the fund as a result thereof. This provision for personal liability is in addition to any remedy against individual claimants for collection of overpayment of benefits if such claimants participated in or were otherwise at fault in the overpayment. [1983 c 207 § 5.]

50.60.060 Approved shared work compensation plan—Effective date—Expiration. A shared work compensation plan shall be effective on the date specified in the plan or on the first day of the second calendar week after the date of the commissioner's approval, whichever is later. The plan shall expire at the end of the twelfth full calendar month after its effective date, or on the date specified in the plan if that date is earlier, unless the plan is revoked before that date by the commissioner. If a plan is revoked by the commissioner, it shall terminate on the date specified in the commissioner's order of revocation. [1983 c 207 § 6.]
(2) No individual is eligible in any benefit year for more than the maximum entitlement established for benefits under this title, including benefits under this chapter, nor may an individual be paid shared work benefits for more than a total of twenty-six weeks in any twelve-month period under a shared work compensation plan;

(3) The shared work benefits paid an individual shall be deducted from the total benefit amount established for that individual's benefit year;

(4) Claims for shared work benefits shall be filed in the same manner as claims for other benefits under this title or as prescribed by the commissioner by rule;

(5) Provisions otherwise applicable to unemployment compensation claimants under this title apply to shared work claimants to the extent that they are not inconsistent with this chapter;

(6) (a) If an individual works in the same week for an employer other than the shared work employer and his or her combined hours of work for both employers are equal to or greater than the usual weekly hours of work with the shared work employer, the individual shall not be entitled to benefits under this chapter or title;

(b) If an individual works in the same week for both the shared work employer and another employer and his or her combined hours of work for both employers are less than his or her usual weekly hours of work, the benefit amount payable for that week shall be the weekly unemployment compensation benefit amount reduced by the same percentage that the combined hours are of the usual weekly hours of work. A week for which benefits are paid under this subsection shall count as a week of shared work benefits;

(7) An individual who does not work during a week for the shared work employer, and is otherwise eligible, shall be paid his or her full weekly unemployment compensation benefit amount. Such a week shall not be counted as a week for which shared work benefits were received;

(8) An individual who does not work for the shared work employer during a week but works for another employer, and is otherwise eligible, shall be paid benefits for that week under the partial unemployment compensation provisions of this title. Such a week shall not be counted as a week for which shared work benefits were received. [1983 c 207 § 10.]

50.60.110 Shared work benefits—Charge to employers' experience rating accounts. Shared work benefits shall be charged to employers' experience rating accounts in the same manner as other benefits under this title are charged. [1983 c 207 § 11.]

50.60.120 Shared work benefits—Exhaustee. An individual who has received all of the shared work benefits, or all of the combined unemployment compensation and shared work benefits, available in a benefit year shall be considered an exhaustee for purposes of the extended benefits program under chapter 50.22 RCW, and, if otherwise eligible under that chapter, shall be eligible to receive extended benefits. [1983 c 207 § 12.]

50.60.900 Title and rules to apply to shared work benefits—Conflict with federal requirements. Unless inconsistent with or otherwise provided by this section, this title and rules adopted under this title apply to shared work benefits. To the extent permitted by federal law, those rules may make such distinctions and requirements as may be necessary with respect to unemployed individuals to carry out the purposes of this chapter, including rules defining usual hours, days, work week, wages, and the duration of plans adopted under this chapter. To the extent that any portion of this chapter may be inconsistent with the requirements of federal law relating to the payment of unemployment insurance benefits, the conflicting provisions or interpretations of this chapter shall be deemed inoperative, but only to the extent of the conflict. If the commissioner determines that such a conflict exists, a statement to that effect shall be filed with the governor's office for transmission to both houses of the legislature. [1983 c 207 § 13.]

50.60.901 Rules—Report to legislature—1983 c 207. The department shall adopt such rules as are necessary to carry out the purposes of this act. The department shall make a report to the legislature by January 1, 1984 which describes the implementation of this act. [1983 c 207 § 14.]

50.62.010 Legislative findings. The legislature finds and declares that:

(1) The number of persons unemployed in the state is significantly above the national average.

(2) Persons who are unemployed represent a skilled resource to the economy and the quality of life for all persons in the state.

(3) There are jobs available in the state that can be filled by unemployed persons.

(4) A public labor exchange can appreciably expedite the employment of unemployed job seekers and filling employer vacancies thereby contributing to the overall health of the state and national economies.

(5) The Washington state job service of the employment security department has provided a proven service of assisting persons to find employment for the past fifty years.

(6) Expediting the reemployment of unemployment insurance claimants will reduce payment of claims drawn from the state unemployment insurance trust fund.

(1992 Ed.)
(7) Increased emphasis on assisting in the reemployment of claimants and monitoring claimants' work search efforts will positively impact employer tax rates resulting from the recently enacted experience rating legislation, chapter 205, Laws of 1984.

(8) Special employment service efforts are necessary to adequately serve agricultural employers who have unique needs in the type of workers, recruitment efforts, and the urgency of obtaining sufficient workers.

(9) Study and research of issues related to employment and unemployment provides economic information vital to the decision-making process.

(10) Older workers and the long-term unemployed experience greater difficulty finding new employment at wages comparable to their prelayoff earnings relative to all unemployment insurance claimants who return to work.

(11) After a layoff, older unemployed workers and the long-term unemployed workers fail to find unemployment insurance-covered employment at a much higher rate than other groups of unemployment insurance claimants.

The legislature finds it necessary and in the public interest to have a program of job service to assist persons drawing unemployment insurance claims to find employment, to provide employment assistance to the agricultural industry, and to conduct research into issues related to employment and unemployment. [1987 c 284 § 1; 1987 c 171 § 1; 1985 ex.s. c 5 § 1.]

The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state." [1987 c 171 § 7.]

50.63.010 Legislative findings. The legislature finds that the restructuring in the Washington economy has created rising public assistance caseloads and declining real wages for Washington workers. There is a profound need to develop partnership programs between the private and public sectors to create new jobs with adequate salaries and promotional opportunities for chronically unemployed and underemployed citizens of the state. A voluntary program which utilizes public wage subsidies and employer matching salaries has provided a beneficial financial incentive allowing public assistance recipients transition to permanent full-time employment. [1986 c 172 § 1.]

50.63.020 Employment partnership program—Created—Goals. The employment partnership program is created to develop a series of model projects to provide permanent full-time employment for low-income and unemployed persons. The program shall be a cooperative effort between the employment security department and the department of social and health services. The goals of the program are as follows:

(1) To reduce inefficiencies in administration and provide model coordination of agencies with responsibilities for employment and human service delivery to unemployed persons;

(2) To create voluntary financial incentives to simultaneously reduce unemployment and welfare caseloads; and

(3) To provide other state and federal support services to the client population to enable economic independence. [1986 c 172 § 2.]

50.63.030 Pilot projects—Grants to be used as wage subsidies—Criteria. The commissioner of employment security and the secretary of the department of social and health services shall establish pilot projects that enable grants to be used as a wage subsidy. The department of social and health services is designated as the lead agency for the purpose of complying with applicable federal statutes and regulations. The department shall seek any waivers from the federal government necessary to operate the employment partnership program. The projects shall be available on an individual case-by-case basis or subject to the limitations outlined in RCW 50.63.050 for the start-up or reopening of a plant under worker ownership. The projects shall be subject to the following criteria:

(1) It shall be a voluntary program and no person may have any sanction applied for failure to participate.

(2) Employment positions established by this chapter shall not be created as the result of, nor result in, any of the following:

(a) Displacement of current employees, including overtime currently worked by these employees;

(b) The filling of positions that would otherwise be promotional opportunities for current employees;

(c) The filling of a position, before compliance with applicable personnel procedures or provisions of collective bargaining agreements;

(d) The filling of a position created by termination, layoff, or reduction in workforce;

(1992 Ed.)
50.63.030 Title 50 RCW: Unemployment Compensation

(e) The filling of a work assignment customarily performed by a worker in a job classification within a recognized collective bargaining unit in that specific work site, or the filling of a work assignment in any bargaining unit in which funded positions are vacant or in which regular employees are on layoff;

(f) A strike, lockout, or other bona fide labor dispute, or violation of any existing collective bargaining agreement between employees and employers;

(g) Decertification of any collective bargaining unit.

(3) Wages shall be paid at the usual and customary rate of comparable jobs;

(4) A recoupment process shall recover state supplemented wages from an employer when a job does not last six months following the subsidization period for reasons other than the employee voluntarily quitting or being fired for good cause as determined by the commissioner of employment security under rules prescribed by the commissioner pursuant to chapter 50.20 RCW;

(5) Job placements shall have promotional opportunities or reasonable opportunities for wage increases;

(6) Other necessary support services such as training, day care, medical insurance, and transportation shall be provided to the extent possible;

(7) Employers shall provide monetary matching funds of at least fifty percent of total wages;

(8) Wages paid to participants shall be a minimum of five dollars an hour; and

(9) The projects shall target the hardest-to-employ populations to the extent that necessary support services are available. [1986 c 172 § 3.]

50.63.040 Employer eligibility—Conditions. An employer, before becoming eligible to fill a position under the employment partnership program, shall certify to the department of employment security that the employment, offer of employment, or work activity complies with the following conditions:

(1) The conditions of work are reasonable and not in violation of applicable federal, state, or local safety and health standards;

(2) The assignments are not in any way related to political, electoral, or partisan activities;

(3) The employer shall provide industrial insurance coverage as required by Title 51 RCW;

(4) The employer shall provide unemployment compensation coverage as required by Title 50 RCW;

(5) The employment partnership program participants hired following the completion of the program shall be provided benefits equal to those provided to other employees including social security coverage, sick leave, the opportunity to join a collective bargaining unit, and medical benefits. [1986 c 172 § 4.]

50.63.050 Diversion of grants to worker-owned businesses. Grants may be diverted for the start-up or retention of worker-owned businesses if:

(1) A feasibility study or business plan is completed on the proposed business; and

(2) The project is approved by the loan committee of the Washington state development loan fund as created by RCW 43.168.110. [1986 c 172 § 5.]

50.63.060 Program participants—Eligibility for assistance programs. Participants shall be considered recipients of aid to families with dependent children and remain eligible for medicaid benefits even if the participant does not receive a residual grant. Work supplement participation shall be eligible for (1) the thirty-dollar plus one-third of earned income exclusion from income, (2) the work related expense disregard, and (3) the child care expense disregard deemed available to recipient of aid in computing his or her grant under this chapter, unless prohibited by federal law. [1986 c 172 § 6.]

50.63.070 Program participants—Benefits and salary not to be diminished. An applicant or recipient of aid under this chapter who participates in the employment partnership program shall be guaranteed that the value of the benefits available to him or her before entry into the program shall not be diminished. In addition, a participant employed under this chapter shall be treated in the same manner as are regular employees, and the participant's salary shall be the amount that he or she would have received if employed in that position and not participating under this chapter. [1986 c 172 § 7.]

50.63.080 Program participants—Classification under federal job training law. Applicants for and recipients of aid under this chapter are "individuals in special need" of training as described in section 2 of the federal job training partnership act, 29 U.S.C. Sec. 1501 et seq., "individuals who require special assistance" as provided in section 123 of that act, and "most in need" of employment and training opportunities as described in section 141 of that act. [1986 c 172 § 8.]

50.63.090 Department of social and health services to seek federal funds. The department of social and health services shall seek any federal funds available for implementation of this chapter, including, but not limited to, funds available under Title IV of the federal social security act (42 U.S.C. Sec. 601 et seq.) for the work incentive demonstration program, and the employment search program. [1986 c 172 § 9.]

50.63.900 Conflicts with federal requirements—1986 c 172. If any part of this act is found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and such finding or determination shall not affect the operation of the remainder of this act in its application to the agencies concerned. [1986 c 172 § 12.]

50.63.901 Severability—1986 c 172. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of
the provision to other persons or circumstances is not affected. [1986 c 172 § 11.]

Washington service corps: Chapter 43.220 RCW.

50.65.010 Legislative findings. The legislature finds that:

(1) The unemployment rate in the state of Washington is the highest since the great depression, with a significantly higher rate among Washington youth.

(2) The policy of the state is to conserve and protect its natural and urban resources, scenic beauty, and historical and cultural sites.

(3) It is in the public interest to target employment projects to those activities which have the greatest benefit to the local economy.

(4) There are many unemployed young adults without hope or opportunities for entrance into the labor force who are unable to afford higher education and who create a serious strain on tax revenues in community services.

(5) The severe cutbacks in community and human services funding leave many local community service agencies without the resources to provide necessary services to those in need.

(6) The talent and energy of Washington’s unemployed young adults are an untapped resource which should be challenged to meet the serious shortage in community services and promote and conserve the valuable resources of the state.

Therefore, the legislature finds it necessary and in the public interest to enact the Washington youth employment and conservation act. As part of this chapter, the Washington service corps is established as an operating program of the employment security department. The legislature desires to facilitate the potential of youth to obtain available job opportunities in both public and private agencies. [1987 c 167 § 1; 1983 1st ex.s. c 50 § 1.]

Reviser’s note: Wherever the phrase “this act” occurred in RCW 50.65.010 through 50.65.130, it has been changed to “this chapter.” “This act” [1983 1st ex.s. c 50] consists of this chapter and three uncodified sections.

50.65.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) “Commissioner” means the commissioner of the employment security department.

(2) “Department” means the employment security department.

(3) “Enrollees” means those persons who have completed enrollment forms, completed a work agreement, and who have entered into the Washington service corps following the approval of the director of the supervising agency.

(4) “Corps” means the Washington service corps.

(5) “Work agreement” means the written agreement between the department, the enrollee and the supervising agency under this chapter for a period of up to eighteen months.

(6) “Supervising agencies” means those private or public agencies which develop and implement full-time service projects in which enrollees agree to participate.

(7) “Matching funds” means funding that is provided to the employment security department by agencies or individuals as financial support for a portion of the stipend or wage and benefits paid to the enrollee.

(8) “Financial support” means any thing of value contributed by agencies or individuals to the department for a youth employment project which is reasonably calculated to support directly the development and expansion of a particular program under this chapter and which represents an addition to any financial support previously or customarily provided by the individual or agency. "Financial support" includes, but is not limited to funds, equipment, facilities, and training.

(9) “Director” means the individual who shall serve as the director of the exchange. [1987 c 167 § 2; 1983 1st ex.s. c 50 § 2.]

50.65.030 Washington service corps established—Commissioner’s duties. The Washington service corps is established within the employment security department. The commissioner shall:

(1) Appoint a director for the exchange and other personnel as necessary to carry out the purposes of this chapter;

(2) Coordinate youth employment and training efforts under the department’s jurisdiction and cooperate with other agencies or departments providing youth services to ensure that funds appropriated for the purposes of this chapter will not be expended to duplicate existing services, but will increase the services of youth to the state;
(3) The employment security department is authorized to place subgrants with other federal, state, and local governmental agencies and private agencies to provide youth employment projects and to increase the numbers of youth employed;

(4) Determine appropriate financial support levels by private business, community groups, foundations, public agencies, and individuals which will provide matching funds for enrollees in service projects under work agreements. The matching funds requirement may be waived for public agencies or reduced for private agencies;

(5) Recruit enrollees who are residents of the state unemployed at the time of application and are at least eighteen years of age but have not reached their twenty-sixth birthday;

(6) Recruit supervising agencies to host the enrollees in full-time service activities which shall not exceed six months’ duration, which may be extended for an additional six months by mutual consent;

(7) Assist supervising agencies in the development of scholarships and matching funds from private and public agencies, individuals, and foundations in order to support a portion of the enrollee’s stipend and benefits;

(8) Develop general employment guidelines for placement of enrollees in supervising agencies to establish appropriate authority for hiring, firing, grievance procedures, and employment standards which are consistent with state and federal law;

(9) Match enrollees with appropriate public agencies and available service projects;

(10) Monitor enrollee activities for compliance with this chapter and cooperation with work agreements;

(11) Assist enrollees in transition to employment upon termination from the program, including such activities as orientation to the labor market, on-the-job training, and placement in the private sector;

(12) Establish a program for providing incentives to encourage successful completion of terms of enrollment in the service corps and the continuation of educational pursuits. Such incentives shall be in the form of educational assistance;

(13) Enter into agreements with the state’s community college system and other educational institutions or independent nonprofit agencies to provide special education in basic skills, including reading, writing, and mathematics for those participants who may benefit by participation in such classes. Participation is not mandatory but shall be strongly encouraged. [1987 c 167 § 3; 1983 1st ex.s. c 50 § 3.]

*Reviser’s note: The state board for community college education was renamed the state board for community and technical colleges by 1991 c 238 § 30.

50.65.040 Washington service corps—Criteria for enrollment. The commissioner may select and enroll in the Washington service corps program any person who is at least eighteen years of age but has not reached their twenty-sixth birthday, is a resident of the state, and who is not for medical, legal, or psychological reasons incapable of service. In the selection of enrollees of the service corps, preference shall be given to youths residing in areas, both urban and rural, in which there exists substantial unemployment above the state average. Efforts shall be made to enroll youths who are economically, socially, physically, or educationally disadvantaged. The commissioner may prescribe such additional standards and procedures in consultation with supervising agencies as may be necessary in conformance with this chapter. [1987 c 167 § 4; 1983 1st ex.s. c 50 § 4.]

50.65.050 Washington service corps—Li st of local youth employment opportunities. The commissioner shall use existing local offices of the employment security department or contract with independent, private nonprofit agencies in a local community to establish the Washington service corps program and to insure coverage of the program state-wide. Each local office shall maintain a list of available youth employment opportunities in the jurisdiction covered by the local office and the appropriate forms or work agreements to enable the youths to apply for employment in private or public supervising agencies. 50.65.060 Washington service corps—Placement under work agreements. Placements in the Washington service corps shall be made in supervising agencies under work agreements as provided under this chapter and shall include those assignments which provide for addressing community needs and conservation problems and will assist the community in economic development efforts. Each work agreement shall:

(1) Demonstrate that the service project is appropriate for the enrollee’s interests, skills, and abilities and that the project is designed to meet unmet community needs;

(2) Include a requirement of regular performance evaluation. This shall include clear work performance standards set by the supervising agency and procedures for identifying strengths, recommended improvement areas and conditions for probation or dismissal of the enrollee; and

(3) Include a commitment for partial financial support for the enrollee for a private industry, public agency, community group, or foundation. The commissioner may establish additional standards for the development of placements for enrollees with supervising agencies and assure that the work agreements comply with those standards. This section shall not apply to conservation corps programs established by chapter 43.220 RCW.

Agencies of the state may use the youth employment exchange for the purpose of employing youth qualifying under this chapter. [1987 c 167 § 6; 1983 1st ex.s. c 50 § 6.]

50.65.070 Enrollees not to displace current workers. The assignment of enrollees shall not result in the displacement of currently employed workers, including partial displacement such as reduction in hours of nonover time work, wages, or other employment benefits. Supervising agencies that participate in the program may not terminate, lay-off, or reduce the working hours of any employee for the purpose of utilizing an enrollee with funds available. In circumstances where substantial efficiencies or a public purpose may result, supervising agencies may utilize enrollees to carry out essential agency work or contractual functions without displacing current employees. [1983 1st ex.s. c 50 § 7.]
50.65.080 Commissioner to seek assistance for youth employment exchange. The commissioner shall seek and may accept, on behalf of the youth employment exchange, charitable donations of cash and other assistance including, but not limited to, equipment and materials if the donations are available for appropriate use for the purposes set forth in this chapter. [1983 1st ex.s. c 50 § 8.]

*Reviser's note:* The youth employment exchange was redesignated the Washington service corps by 1987 c 167.

50.65.090 Authority for income-generating projects—Disposition of income. The commissioner may enter into income-generating projects with public or private organizations to further the purposes of this chapter. Moneys received from contractual projects qualifying under this chapter shall be deposited in the state general fund. This section does not apply to conservation corps programs established by chapter 43.220 RCW. [1983 1st ex.s. c 50 § 9.]

50.65.100 Work agreements—Nondiscrimination. All parties entering into work agreements under this chapter shall agree that they will not discriminate in the providing of any service on the basis of race, creed, ethnic origin, sex, age, or political affiliation. [1983 1st ex.s. c 50 § 10.]

50.65.110 Enrollees—Training and subsistence allowance—Medical insurance and medical aid—Notice of coverage. The compensation received shall be considered a training and subsistence allowance. Comprehensive medical insurance, and medical aid shall be paid for the enrollees in the service corps by the commissioner in accordance with the standards and limitations of the appropriation provided for this chapter. The department shall give notice of coverage to the director of labor and industries after enrollment. The department shall not be deemed an employer of an enrollee for any other purpose.

Other provisions of law relating to civil service, hours of work, rate of compensation, sick leave, unemployment compensation, old age health and survivor's insurance, state retirement plans, and vacation leave do not apply to enrollees. [1987 c 167 § 7; 1985 c 230 § 6; 1983 1st ex.s. c 50 § 11.]

50.65.120 Exemption of enrollees from unemployment compensation coverage. The services of enrollees placed with supervising agencies described in chapter 50.44 RCW are exempt from unemployment compensation coverage under RCW 50.44.040(5) and the enrollees shall be so advised by the department. [1983 1st ex.s. c 50 § 12.]

50.65.130 Federal and private sector funds and grants. In addition to any other power, duty, or function described by law or rule, the employment security department, through the program established under this chapter, may accept federal or private sector funds and grants and implement such programs relating to community services or employment programs and may enter into contracts respecting such funds or grants. The department may also use funds appropriated for the purposes of this chapter as matching funds for federal or private source funds to accomplish the purposes of this chapter. The Washington service corps shall be the sole recipient of federal funds for youth employment and conservation corps programs. [1987 c 167 § 8; 1983 1st ex.s. c 50 § 13.]

50.65.138 Use of funds for enrollees and projects in distressed areas—Service corps. Sixty percent of the general funds available to the service corps program shall be for enrollees from distressed areas and for projects in distressed areas. A distressed area shall mean:

1. A county which has an unemployment rate which is twenty percent above the state average for the immediately preceding three years;
2. A community which has experienced sudden and severe loss of employment; or
3. An area within a county which area:
   a. Is composed of contiguous census tracts;
   b. Has a minimum population of five thousand persons;

   d. Has an unemployment rate which is at least forty percent higher than the county's unemployment rate. For purposes of this definition, "families and unrelated individuals" has the same meaning that is ascribed to that term by the federal department of housing and urban development in its regulations authorizing action grants for economic development and neighborhood revitalization projects. [1987 c 167 § 10.]

50.65.140 Use of funds for enrollees and members, projects in distressed areas—Youth employment exchange. See RCW 43.220.220.

50.65.143 Limitation on use of funds for administration—Service corps. (1) Not more than fifteen percent of the funds available for the service corps shall be expended for administrative costs. For the purposes of this chapter, "administrative costs" include, but are not limited to, program planning and evaluation, budget development and monitoring, personnel management, contract administration, administrative payroll, development of program reports, and administrative office space costs and utilities.

2. The fifteen percent limitation does not include costs for any of the following: Program support activities such as direct supervision of enrollees and corpsmembers, counseling, education and job training, equipment, advisory board expenses, and extraordinary recruitment and placement procedures necessary to fill project positions.

3. The total for all items included under subsection (1) of this section and excluded under subsection (2) of this section shall not: (a) Exceed thirty percent of the appropriated funds available during a fiscal biennium for the service and conservation corps programs; or (b) result in an average cost per enrollee or corpsmember from general funds exceeding seven thousand dollars in the 1987-89 biennium and in succeeding biennia as adjusted by inflation factors established by the office of financial management for state budgeting purposes. The test included in (a) and (b) of this
sections are in the alternative, and it is only required that one of the tests be satisfied. [1987 c 167 § 11.]

The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state. [1983 1st ex.s. c 50 § 16.]

50.65.902 Severability—1983 1st ex.s. c 50. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1983 1st ex.s. c 50 § 17.]

(1) Effective with benefit years beginning on and after January 1, 1978, base year wages shall include remuneration paid for previously uncovered services: PROVIDED, That the maximum benefits payable to an individual as computed for the benefit year will be reduced to the extent that benefits were paid on the basis of identical calendar quarters of the previously uncovered services with respect to a claim filed by the individual under Title II of the Emergency Jobs and Unemployment Assistance Act of 1974. 51.04.010 Declaration of police power—Jurisdiction of courts abolished. The common law system governing the remedy of workers against employers for injuries received in employment is inconsistent with modern industrial conditions. In practice it proves to be economically unwise and unfair. Its administration has produced the result that little of the cost of the employer has reached the worker and that little only at large expense to the public. The remedy of the worker has been uncertain, slow and inadequate. Injuries in such works, formerly occasional, have become frequent and inevitable. The welfare of the state depends upon its industries, and even more upon the welfare of its wage worker. The state of Washington, therefore, exercising herein its police and sovereign power, declares that all phases of the premises are withdrawn from private controversy, and sure and certain relief for workers, injured in their work, and their families and dependents is hereby provided regardless of questions of fault and to the exclusion of every other remedy, proceeding or compensation, except as otherwise provided in this title; and to that end all civil actions and civil causes of action for such personal injuries and all jurisdiction of the courts of the state over such causes are hereby abolished, except as in this title provided. 51.12.102 Benefits resulting from asbestos-related disease in maritime workers—Expiration of section. (1) The department shall furnish the benefits provided under this title to any worker or beneficiary who may have a right or claim for benefits under the maritime laws of the United States resulting from an asbestos-related disease if (a) there are objective clinical findings to substantiate that the worker has an asbestos-related claim for occupational disease and (b) the worker’s employment history has a prima facie indicia of injurious exposure to asbestos fibers while employed in the state of Washington in employment covered under this title. The department shall render a decision as to the liable insurer and shall continue to pay benefits until the liable insurer initiates payments or benefits are otherwise properly terminated under this title.

(2) The benefits authorized under subsection (1) of this section shall be paid from the medical aid fund, with the self-insurers and the state fund each paying a pro rata share, based on number of worker hours, of the costs necessary to fund the payments. For the purposes of this subsection only, the employees of self-insured employers shall pay an amount equal to one-half of the share charged to the self-insured employer.

(3) If the department determines that the benefits paid under subsection (1) of this section are owed to the worker or beneficiary by a self-insurer or the state fund, then the self-insurer or state fund shall reimburse the medical aid fund for all benefits paid and costs incurred by the fund.

(4) If the department determines that the benefits paid under subsection (1) of this section are owed to the worker or beneficiary by a federal program other than the federal social security, old age survivors, and disability insurance act, 42 U.S.C. or an insurer under the maritime laws of the United States:

(a) The department shall pursue the federal program insurer on behalf of the worker or beneficiary to recover from the federal program insurer the benefits due the worker or beneficiary and on its own behalf to recover the benefits previously paid to the worker or beneficiary and costs incurred;

(b) For the purpose of pursuing recovery under this subsection, the department shall be subrogated to all of the rights of the worker or beneficiary receiving compensation under subsection (1) of this section; and

(c) The department shall not pursue the worker or beneficiary for the recovery of benefits paid under subsection (1) of this section unless the worker or beneficiary receives recovery from the federal program insurer, in addition to receiving benefits authorized under this section. The director may exercise his or her discretion to waive, in whole or in part, the recovery of any such benefits where the recovery would be against equity and good conscience.

(5) The provisions of subsection (1) of this section shall not apply if the worker or beneficiary refuses, for whatever reason, to assist the department in making a proper determination of coverage. If a worker or beneficiary refuses to cooperate with the department, self-insurer, or federal program insurer by failing to provide information that, in the opinion of the department, is relevant in determining the liable insurer, or if a worker refuses to submit to medical examination, or obstructs or fails to cooperate with the examination, the department shall reject the application for benefits. No information obtained under this section is subject to release by subpoena or other legal process.

(6) The amount of any third party recovery by the worker or beneficiary shall be subject to a lien by the department to the full extent that the medical aid fund has not been otherwise reimbursed by another insurer. Reimbursement shall be made immediately to the medical aid fund upon recovery from the third party suit. If the department determines that the benefits paid under subsection (1) of this section are owed to the worker or beneficiary by a federal program insurer, the department shall not participate in the costs or attorneys’ fees incurred in bringing the third party suit.

(7) This section shall expire July 1, 1993. [1988 c 271 § 1]

[1988 c 271 § 4.]
51.12.110 Elective adoption—Withdrawal—Cancellation. Any employer who has in his or her employment any person or persons excluded from mandatory coverage pursuant to RCW 51.12.020 may file notice in writing with the director, on such forms as the department may provide, of his or her election to make such persons otherwise excluded subject to this title. The employer shall forthwith display in a conspicuous manner about his or her works, and in a sufficient number of places to reasonably inform his or her workers of the fact, printed notices furnished by the department stating that he or she has so elected. Said election shall become effective upon the filing of said notice in writing. The employer and his or her workers shall be subject to all the provisions of this title and entitled to all of the benefits thereof. PROVIDED, That those who have heretofore complied with the foregoing conditions and are carried and considered by the department as within the purview of this title shall be deemed and considered as having fully complied with its terms and shall be continued by the department as entitled to all of the benefits and subject to all of the liabilities without further action. Any employer who has complied with this section may withdraw his or her acceptance of liability under this title by filing written notice with the director of the withdrawal of his or her acceptance. Such withdrawal shall become effective thirty days after the filing of such notice or on the date of the termination of the security for payment of compensation, whichever last occurs. The employer shall, at least thirty days before the effective date of the withdrawal, post reasonable notice of such withdrawal where the affected worker or workers work and shall otherwise notify personally the affected workers. Withdrawal of acceptance of this title shall not affect the liability of the department or self-insurer for compensation for any injury occurring during the period of acceptance.

The department shall have the power to cancel the elective adoption coverage if any required payments or reports have not been made. Cancellation by the department shall be no later than thirty days from the date of notice in writing by the department advising of cancellation being made. 51.12.120 Extra territorial coverage—Injuries incurred outside state—Injuries incurred in employ of nondomiciled employer—Conflicts of jurisdiction—

Agreements. (1) If a worker, while working outside the territorial limits of this state, suffers an injury on account of which he or she, or his or her beneficiaries, would have been entitled to compensation under this title had such injury occurred within this state, such worker, or his or her beneficiaries, shall be entitled to compensation under this title: PROVIDED, That at the time of such injury:

(a) His or her employment is principally localized in this state; or

(b) He or she is working under a contract of hire made in this state for employment not principally localized in any state; or

(c) He or she is working under a contract of hire made in this state for employment principally localized in another state whose workers’ compensation law is not applicable to his or her employer; or

(d) He or she is working under a contract of hire made in this state for employment outside the United States and Canada.

(2) The payment or award of compensation under the workers’ compensation law of another state, territory, province, or foreign nation to a worker or his or her beneficiaries otherwise entitled on account of such injury to compensation under this title shall not be a bar to a claim for compensation under this title: PROVIDED, That claim under this title is timely filed. If compensation is paid or awarded under this title, the total amount of compensation paid or awarded the worker or beneficiary under such other workers’ compensation law shall be credited against the compensation due the worker or beneficiary under this title.

(3) If a worker or beneficiary is entitled to compensation under this title by reason of an injury sustained in this state while in the employ of an employer who is domiciled in another state and who has neither opened an account with the department nor qualified as a self-insurer under this title, such an employer or his or her insurance carrier shall file with the director a certificate issued by the agency which administers the workers’ compensation law in the state of the employer’s domicile, certifying that such employer has secured the payment of compensation under the workers’ compensation law of such other state and that with respect to said injury such worker or beneficiary is entitled to the benefits provided under such law. In such event:

(a) The filing of such certificate shall constitute appointment by the employer or his or her insurance carrier of the director as its agent for acceptance of the service of process in any proceeding brought by any claimant to enforce rights under this title;

(b) The director shall send to such employer or his or her insurance carrier, by registered or certified mail to the address shown on such certificate, a true copy of any notice of claim or other process served on the director by the claimant in any proceeding brought to enforce rights under this title;

(c) (i) If such employer is a self-insurer under the workers’ compensation law of such other state, such employer shall, upon submission of evidence or security, satisfactorily to the director, of his or her ability to meet his or her liability to such claimant under this title, be deemed to be a qualified self-insurer under this title;

(ii) If such employer’s liability under the workers’ compensation law of such other state is insured, such
employer’s carrier, as to such claimant only, shall be deemed to be subject to this title: PROVIDED, That unless its contract with said employer requires it to pay an amount equivalent to the compensation benefits provided by this title, the insurer’s liability for compensation shall not exceed its liability under the workers’ compensation law of such other state;

(d) If the total amount for which such employer’s insurer is liable under (c)(ii) above is less than the total of the compensation to which such claimant is entitled under this title, the director may require the insurer to file security satisfactory to the director to secure the payment of compensation under this title; and

(e) If such employer has neither qualified as a self-insurer nor secured insurance coverage under the workers’ compensation law of another state, such claimant shall be paid compensation by the department;

(f) Any such employer shall have the same rights and obligations as other employers subject to this title and where he or she has not provided coverage or sufficient coverage to secure the compensation provided by this title to such claimant, the director may impose a penalty payable to the department of a sum not to exceed fifty percent of the cost to the department of any deficiency between the compensation provided by this title and the afforded such claimant by such employer or his or her insurance carrier if any.

(4) As used in this section:

(a) A person’s employment is principally localized in this or another state when (i) his or her employer has a place of business in this or such other state and he or she regularly works at or from such place of business, or (ii) if clause (i) foregoing is not applicable, he or she is domiciled in and spends a substantial part of his or her working time in the service of his or her employer in this or such other state;

(b) "Workers’ compensation law” includes "occupational disease law” for the purposes of this section.

(5) A worker whose duties require him or her to travel regularly in the service of his or her employer in this and one or more other states may agree in writing with his or her employer that his or her employment is principally localized in this or another state, and, unless such other state refuses jurisdiction, such agreement shall govern as to any injury occurring after the effective date of the agreement.

(6) The director shall be authorized to enter into agreements with the appropriate agencies of other states and provinces of Canada which administer their workers’ compensation law with respect to conflicts of jurisdiction and the assumption of jurisdiction in cases where the contract of employment arises in one state or province and the injury occurs in another, and when any such agreement has been executed and promulgated as a regulation of the department under chapter 34.05 RCW, it shall bind all employers and workers subject to this title and the jurisdiction of this title shall be governed by this regulation. [1977 ex.s. c 350 § 23; 1972 ex.s. c 43 § 12; 1971 ex.s. c 289 § 82.]

51.12.130 Registered apprentices or trainees. (1) All persons registered as apprentices or trainees with the state apprenticeship council and participating in supplemental and related instruction classes conducted by a school district, a community college, a vocational school, or a local joint apprenticeship committee, shall be considered as workers of the state apprenticeship council and subject to the provisions of Title 51 RCW, for the time spent in actual attendance at such supplemental and related instruction classes.

(2) The assumed wage rate for all apprentices or trainees during the hours they are participating in supplemental and related instruction classes, shall be three dollars per hour. This amount shall be used for purposes of computations of premiums. For purposes of computing disability compensation payments, the actual wage rate during employment shall be used.

(3) Only those apprentices or trainees who are registered with the state apprenticeship council prior to their injury or death and who incur such injury or death while participating in supplemental and related instruction classes shall be entitled to benefits under the provisions of Title 51 RCW.

(4) The filing of claims for benefits under the authority of this section shall be the exclusive remedy of apprentices or trainees and their beneficiaries for injuries or death compensable under the provisions of Title 51 RCW against the state, its political subdivisions, the school district, community college, or vocational school and their members, officers or employees or any employer regardless of negligence.

(5) This section shall not apply to any apprentice or trainee who has earned wages for the time spent in participating in supplemental and related instruction classes. [1988 c 140 § 1; 1973 c 110 § 1.]

Intent—1987 c 185: "In 1977, in two separate pieces of legislation relating to industrial insurance, the Washington legislature changed certain references from "workmen’s" or "workman’s” compensation to "workers’” compensation. The purpose of this act is to correct remaining obsolete references to "workmen’s compensation” and "workmen.”” [1987 c 185 § 1.]

Severability—1987 c 185: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.” [1987 c 185 § 41.]

(c) "Volunteer law enforcement officer” means a person who is a member of a law enforcement department and who (i) performs assigned or authorized duties for the law enforcement department by his or her own free choice; (ii) serves in a position that is not basically clerical or secretarial in nature; (iii) is registered and accepted as a volunteer by the law enforcement department; and (iv) receives no monetary remuneration other than maintenance and reim-
burscement for actual expenses necessarily incurred in performing assigned duties; and

(d) "Performance of duty" includes any work in and about the volunteer law enforcement officers’ quarters, police station, or any other place under the direction or general orders of the officer having the authority to order a volunteer law enforcement officer to perform the work; providing law enforcement assistance; patrol; drill; and any work of an emergency nature performed in accordance with the rules of the law enforcement department.

(2) Any municipal corporation maintaining and operating a law enforcement department may elect to provide coverage under this title for all of its volunteer law enforcement officers for death or disability occurring in the performance of their duties as volunteer law enforcement officers. Any municipal corporation electing to provide the coverage shall file a written notice of coverage with the director.

(3) Coverage under this section shall be for all the applicable death, disability, and medical aid benefits of this title and shall be effective only for injuries which occur and occupational diseases which are contracted after the notice of coverage has been filed with the director.

Nothing in this subsection shall be construed to prohibit a municipal corporation from covering its volunteer law enforcement officers and other volunteers under RCW 51.12.035(2), as now or hereafter amended, for medical aid benefits only.

(4) Volunteer law enforcement officers for whom municipal corporations have given notice of coverage under this section shall be deemed workers or employees, as the case may be, and the performance of their duties shall be deemed employment or in the course of employment, as the case may be, for all purposes of this title except where expressly excluded or where the context clearly requires otherwise.

(5) All premiums, assessments, contributions, and penalties due under this title because coverage is provided under this section shall be the obligation of and be paid by the municipal corporation giving the notice of coverage to the director.

(6) Any municipal corporation electing coverage under this section shall maintain a time log in which the number of hours worked by each of its volunteer law enforcement officers is recorded. The log shall be made available for inspection upon the request of any authorized employee of the department.

(7) Any municipal corporation electing coverage under this section may withdraw the coverage by filing a written notice of the withdrawal with the director. The withdrawal shall become effective thirty days after filing the notice or on the date of the termination of the security for payment of compensation, whichever occurs later. At least thirty days before the effective date of the withdrawal, the municipal corporation shall notify each of its volunteer law enforcement officers of the withdrawal. Withdrawal of coverage under this section shall not affect the liability of the department or self-insurer for compensation for any injury occurring during the period in which coverage was provided. [1977 ex. s. c 113 § 1.]

Severability—1977 ex.s. c 113: "If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1977 ex. s. c 113 § 2.]

However, any such sole performer, partner, or casual performer may elect to be covered under this title and shall be subject to all the provisions and entitled to all the benefits under this title. 51.14.010 Duty to secure payment of compensation—Options. Every employer under this title shall secure the payment of compensation under this title by:

1. Insuring and keeping insured the payment of such benefits with the state fund; or
2. Qualifying as a self-insurer under this title. [1971 ex. s. c 289 § 26.]

Effective dates—Severability—1971 ex.s. c 289: See RCW 51.98.060 and 51.98.070.

51.14.020 Qualification as self-insurer—Application for certification—Security deposit or letter of credit—Reinsurance. (1) An employer may qualify as a self-insurer by establishing to the director’s satisfaction that he or she has sufficient financial ability to make certain the prompt
payment of all compensation under this title and all assessments which may become due from such employer. Each application for certification as a self-insurer submitted by an employer shall be accompanied by payment of a fee of one hundred fifty dollars or such larger sum as the director shall find necessary for the administrative costs of evaluation of the applicant's qualifications. Any employer who has formerly been certified as a self-insurer and thereafter ceases to be so certified may not apply for certification within three years of ceasing to have been so certified.

(2) (a) A self-insurer may be required by the director to supplement existing financial ability by depositing in an escrow account in a depository designated by the director, money and/or corporate or governmental securities approved by the director, or a surety bond written by any company admitted to transact surety business in this state, or provide an irrevocable letter of credit issued by a federally or state chartered commercial banking institution authorized to conduct business in the state of Washington filed with the department. The money, securities, bond, or letter of credit shall be in an amount reasonably sufficient in the director's discretion to insure payment of reasonably foreseeable compensation and assessments but not less than the employer's normal expected annual claim liabilities and in no event less than one hundred thousand dollars. In arriving at the amount of money, securities, bond, or letter of credit required under this subsection, the director shall take into consideration the financial ability of the employer to pay compensation and assessments and his or her probable continuity of operation. However, a letter of credit shall be acceptable only if the self-insurer has a net worth of not less than five hundred million dollars as evidenced in an annual financial statement prepared by a qualified, independent auditor using generally accepted accounting principles. The money, securities, bond, or letter of credit so deposited shall be held by the director to secure the payment of compensation by the self-insurer and to secure payment of his or her assessments. The amount of security may be increased or decreased from time to time by the director. The income from any securities deposited may be distributed currently to the self-insurer.

(b) The letter of credit option authorized in (a) of this subsection shall not apply to self-insurers authorized under RCW 51.14.150 or to self-insurers who are counties, cities, or municipal corporations.

(3) Securities or money deposited by an employer pursuant to subsection (2) of this section shall be returned to him or her upon his or her written request provided the employer files the bond required by such subsection.

(4) If the employer seeking to qualify as a self-insurer has previously insured with the state fund, the director shall require the employer to make up his or her proper share of any deficit or insufficiency in the state fund as a condition to certification as a self-insurer.

(5) A self-insurer may reinsure a portion of his or her liability under this title with any reinsurer authorized to transact such reinsurance in this state: PROVIDED, That the reinsurer may not participate in the administration of the responsibilities of the self-insurer under this title. Such reinsurance may not exceed eighty percent of the liabilities under this title.

(6) For purposes of the application of this section, the department may adopt separate rules establishing the security requirements applicable to units of local government. In setting such requirements, the department shall take into consideration the ability of the governmental unit to meet its self-insured obligations, such as but not limited to source of funds, permanency, and right of default.

(7) The director shall adopt rules to carry out the purposes of this section including, but not limited to, rules respecting the terms and conditions of letters of credit and the establishment of the appropriate level of net worth of the self-insurer to qualify for use of the letter of credit. Only letters of credit issued in strict compliance with the rules shall be deemed acceptable. [1990 c 209 § 1; 1986 c 57 § 1; 1977 ex.s. c 323 § 9; 1972 ex.s. c 43 § 16; 1971 ex.s. c 289 § 27.]

Effective date—1990 c 209 § 1: "Section 1 of this act shall take effect January 1, 1991." [1990 c 209 § 3.]

Severability—Effective date—1977 ex.s. c 323: See notes following RCW 51.04.040.

51.14.030 Certification of employer as self-insurer—Requirements. The director may issue a certification that an employer is qualified as a self-insurer when such employer meets the following requirements:

(1) He or she has fulfilled the requirements of RCW 51.14.020.

(2) He or she has submitted to the department a payroll report for the preceding consecutive twelve month period.

(3) He or she has submitted to the department a sworn itemized statement accompanied by an independent audit of the employer's books demonstrating to the director's satisfaction that the employer has sufficient liquid assets to meet his or her estimated liabilities as a self-insurer.

(4) He or she has demonstrated to the department the existence of the safety organization maintained by him or her within his or her establishment that indicates a record of accident prevention.

(5) He or she has submitted to the department a description of the administrative organization to be maintained by him or her to manage industrial insurance matters including:

(a) The reporting of injuries;

(b) The authorization of medical care;

(c) The payment of compensation;

(d) The handling of claims for compensation;

(e) The name and location of each business location of the employer; and

(f) The qualifications of the personnel of the employer to perform this service.

Such certification shall remain in effect until withdrawn by the director or surrendered by the employer with the approval of the director. An employer's qualification as a self-insurer shall become effective on the date of certification or any date specified in the certificate after the date of certification. [1977 ex.s.c 323 § 10; 1971 ex.s. c 289 § 28.]

Severability—Effective date—1977 ex.s. c 323: See notes following RCW 51.04.040.

51.14.040 Surety liability—Termination. (1) The surety on a bond filed by a self-insurer pursuant to this title may terminate its liability thereon by giving the director
written notice stating when, not less than thirty days thereafter, such termination shall be effective.

(2) In case of such termination, the surety shall remain liable, in accordance with the terms of the bond, with respect to future compensation for injuries to employees of the self-insurer occurring prior to the termination of the surety’s liability.

(3) If the bond is terminated for any reason other than the employer’s terminating his status as a self-insurer, the employer shall, prior to the date of termination of the surety’s liability, otherwise comply with the requirements of this title.

(4) The liability of a surety on any bond filed pursuant to this section shall be released and extinguished and the bond returned to the employer or surety provided either such liability is secured by another bond filed, or money or securities deposited as required by this title. [1971 ex.s. c 289 § 29.]

51.14.050 Termination of self-insurer status—Notice—Financial requirements. (1) Any employer may at any time terminate his status as a self-insurer by giving the director written notice stating when, not less than thirty days thereafter, such termination shall be effective, provided such termination shall not be effective until the employer either shall have ceased to be an employer or shall have filed with the director for state industrial insurance coverage under this title.

(2) An employer who ceases to be a self-insurer, and who so files with the director, must maintain money, securities or surety bonds deemed sufficient in the director’s discretion to cover the entire liability of such employer for injuries or occupational diseases to his employees which occurred during the period of self-insurance: PROVIDED, That the director may agree for the medical aid and accident funds to assume the obligation of such claims, in whole or in part, and shall adjust the employer’s premium rate to provide for the payment of such liabilities on behalf of the employer. [1971 ex.s. c 289 § 30.]

51.14.060 Default by self-insurer—Director authorized to sue, sell securities, fulfill employer obligations—Liability for reimbursement. (1) The director may, in cases of default upon any obligation under this title by the self-insurer, after ten days notice by certified mail to the defaulting self-insurer of the intention to do so, bring suit upon such bond or collect the interest and principal of any of the securities as they may become due or sell the securities or any of them as may be required or apply the money deposited, all in order to pay compensation and discharge the obligations of the defaulting self-insurer under this title.

(2) The director shall be authorized to fulfill the defaulting self-insured employer’s obligations under this title from the defaulting self-insured employer’s deposit or from other funds provided under this title for the satisfaction of claims against the defaulting self-insured employer. The defaulting self-insured employer is liable to and shall reimburse the director for the amounts necessary to fulfill the obligations of the defaulting self-insurer that are in excess of the amounts received by the director from any bond filed, or securities or money deposited, by the defaulting self-insured employer pursuant to chapter 51.14 RCW. The amounts to be reimbursed shall include all amounts paid or payable as compensation under this title together with administrative costs, including attorneys’ fees, and shall be considered taxes due the state of Washington. [1986 c 57 § 2; 1971 ex.s. c 289 § 31.]

51.14.070 Payment of compensation upon default. Whenever compensation due under this title is not paid because of an uncorrected default of a self-insurer, such compensation shall be paid from the medical aid and accidents funds, and any moneys obtained by the director from the bonds or other security provided under RCW 51.14.020 shall be deposited to the appropriate fund for the payment of compensation and administrative costs, including attorneys’ fees. [1986 c 57 § 3; 1971 ex.s. c 289 § 36.]

51.14.073 Default by self-insurer—Lien created—Priority—Assessment. (1) In all cases of probate, insolvency, assignment for the benefit of creditors, or bankruptcy, the claim of the state for the amounts necessary to fulfill the obligations of a defaulting self-insured employer together with administrative costs and attorneys’ fees is a lien prior to all other liens or claims and on a parity with prior tax liens and the mere existence of a default by a self-insured employer is sufficient to create the lien without any prior or subsequent action by the state. All administrators, receivers, and assignees for the benefit of creditors shall notify the director of such administration, receivership, or assignment within thirty days of their appointment or qualification.

(2) Separate and apart and in addition to the lien established by this section, the department may issue an assessment, as provided for in RCW 51.48.120, for the amount necessary to fulfill the defaulting self-insured employer’s obligations, including all amounts paid and payable as compensation under this title and administrative costs, including attorneys’ fees. [1986 c 57 § 4.]

51.14.077 Self-insurers’ insolvency trust—Insolvency assessments—Rules. (1) A self-insurers’ insolvency trust is established to provide for the unsecured benefits paid to the injured workers of self-insured employers under this title for insolvent or defaulting self-insured employers and for the department’s associated administrative costs, including attorneys’ fees. The self-insurers’ insolvency trust shall be funded by an insolvency assessment which shall be levied on a post-insolvency basis and after the defaulting self-insured employer’s security deposit, assets, and reinsurance, if any, have been exhausted. Insolvency assessments shall be imposed on all self-insured employers, except school districts, cities, and counties. The manner of imposing and collecting assessments to the insolvency fund shall be set forth in rules adopted by the department to ensure that self-insured employers pay into the fund in proportion to their claim costs. The department’s rules shall provide that self-insured employers who have surrendered their certification shall be assessed for a period of not more
than three calendar years following the termination date of
their certification.

(2) The director shall adopt rules to carry out the purposes of this section, including but not limited to:
(a) Governing the formation of the self-insurers' insolvency trust for the purpose of this chapter;
(b) Governing the organization and operation of the self-insurers' insolvency trust to assure compliance with the requirements of this chapter;
(c) Requiring adequate accountability of the collection and disbursement of funds in the self-insurers' insolvency trust; and
(d) Any other provisions necessary to carry out the requirements of this chapter. [1986 c 57 § 5.]

Intent—1986 c 57: "It is the intent of the legislature to provide for the continuation of workers' compensation benefits in the event of the failure of a self-insured employer to meet its compensation obligations when the employer's security deposit, assets, and reinsurance are inadequate. The legislature finds and declares that the establishment of a self-insurers' insolvency trust is necessary to assure that benefit payments to injured workers of self-insured employers will not become the responsibility of the state fund." [1986 c 57 § 5.]

51.14.080 Withdrawal of certification—Grounds. Certification of a self-insurer shall be withdrawn by the director upon one or more of the following grounds:
(1) The employer no longer meets the requirements of a self-insurer; or
(2) The self-insurer's deposit is insufficient; or
(3) The self-insurer intentionally or repeatedly induces employees to fail to report injuries, induces claimants to treat injuries in the course of employment as off-the-job injuries, persuades claimants to accept less than the compensation due, or unreasonably makes it necessary for claimants to resort to proceedings against the employer to obtain compensation; or
(4) The self-insurer habitually fails to comply with rules and regulations of the director regarding reports or other requirements necessary to carry out the purposes of this title; or
(5) The self-insurer habitually engages in a practice of arbitrarily or unreasonably refusing employment to applicants for employment or discharging employees because of nondisabling bodily conditions; or
(6) The self-insurer fails to pay an insolvency assessment under the procedures established pursuant to RCW 51.14.077. [1986 c 57 § 7; 1971 ex.s. c 289 § 32.]

51.14.095 Corrective action against employer authorized—Appeal. (1) The director shall take corrective action against a self-insured employer if the director determines that:
(a) The employer is not following proper industrial insurance claims procedures;
(b) The employer's accident prevention program is inadequate; or
(c) Any condition described in RCW 51.14.080 (1) through (5) exists.

(2) Corrective actions may be taken upon the director's initiative or in response to a petition filed under RCW 51.14.090. Corrective actions which may be taken by the director shall include:
(a) Probationary certification for a period of time determined by the director;
(b) Mandatory training for employers in areas including claims management, safety procedures, and administrative reporting requirements; and
(c) Monitoring of the activities of the employer to determine progress towards compliance.

The director shall adopt rules defining the corrective actions which may be taken in response to a given condition.

Corrective actions shall be limited to those described in (a), (b), and (c) of this subsection.

(3) Upon the termination of the corrective action, the director shall review the employer's program for compliance with state statutes and regulations. A written report regarding the employer's compliance shall be provided to the employer and to any party to a petition filed under RCW 51.14.090. If the director determines that compliance has been attained, no further action shall be taken. If compliance has not been attained, the director may take additional corrective action as defined in this section, or proceed toward decertification as described in RCW 51.14.080.
51.14.095 School districts, ESDs, or hospitals as self-insurers—Rules—Scope. The director shall promulgate rules to carry out the purposes of RCW 51.14.150:

(1) Governing the formation of self-insurance groups for the purposes of this chapter;

(2) Governing the organization and operation of the groups to assure their compliance with the requirements of this chapter;

(3) Requiring adequate monetary reserves, determined under accepted actuarial practices, to be maintained by each group to assure financial solvency of the group; and

(4) Requiring each group to carry adequate reinsurance.

The department shall classify all occupations or industries in accordance with their degree of hazard and fix therefor basic rates of premium which shall be the lowest necessary to maintain actuarial solvency of the accident and medical aid funds in accordance with recognized insurance principles. The department shall formulate and adopt rules and regulations governing the method of premium calculation and
collection and providing for a rating system consistent with recognized principles of workers' compensation insurance which shall be designed to stimulate and encourage accident prevention and to facilitate collection. The department may annually, or at such other times as it deems necessary to maintain solvency of the funds, readjust rates in accordance with the rating system to become effective on such dates as the department may designate.

The department may insure the workers' compensation obligations of employers as a group if the following conditions are met:

1. All the employers in the group are members of an organization that has been in existence for at least two years;
2. The organization was formed for a purpose other than that of obtaining workers' compensation coverage;
3. The occupations or industries of the employers in the organization are substantially similar, taking into consideration the nature of the services being performed by workers of such employers; and
4. The formation and operation of the group program in the organization will substantially improve accident prevention and claim management for the employers in the group.

In providing an employer group plan under this section, the department may consider an employer group as a single employing entity for purposes of dividends or premium discounts. [1989 c 49 § 1; 1980 c 129 § 4; 1977 ex.s. c 350 § 24; 1971 ex.s. c 289 § 16.]

Every employer shall keep at his place of business a record of his employment from which the information needed by the department may be obtained and such record shall at all times be open to the inspection of the director, supervisor of industrial insurance, or the traveling auditors, agents, or assistants of the department, as provided in RCW 51.48.040.

Information obtained from employing unit records under the provisions of this title shall be deemed confidential and shall not be open to public inspection (other than to public employees in the performance of their official duties), but any interested party shall be supplied with information from
such records to the extent necessary for the proper presentation of the case in question: PROVIDED, That any employing unit may authorize inspection of its records by written consent. [1961 c 23 § 51.16.070. Prior: 1957 c 70 § 48; prior: 1947 c 247 § 1, part; Rem. Supp. 1947 § 7676c, part.]

51.16.090 Employer may not evade unfavorable cost experience—Continuation of experience rating when legal structure of employer changes. To the end that no employer shall evade the burdens imposed by an unfavorable or high cost experience, the director may determine whether or not an increase, decrease, or change (1) of operating property; (2) of interest in operating property; (3) of employer; (4) of personnel or interest in employer is sufficient to show a bona fide change which would make inoperative any high cost experience: PROVIDED, That where an employer is now or has prior to January 1, 1958, been covered under the provisions of this title for a period of at least two years and subsequent thereto the legal structure of the employer changes by way of incorporation, disincorporation, merger, consolidation, transfer of stock ownership, or by any other means, such person or entity as legally reconstituted shall be entitled to a continuation of the experience rating which existed prior to such change in the employer’s legal structure unless there has been such a substantial change as provided in subdivisions (1), (2), (3) or (4) of this section as would warrant making inoperative any high cost experience. [1961 c 23 § 51.16.090. Prior: 1959 c 179 § 1; 1957 c 70 § 49; prior: 1947 c 247 § 1, part; Rem. Supp. 1947 § 7676c, part.]

51.16.100 Changes in classification. It is the intent that the accident fund shall ultimately become neither more nor less than self-supporting, except as provided in RCW 51.16.105 and, if in the adjustment of premium rates by the director the moneys paid into the fund by any class or classes shall be insufficient to properly and safely distribute the burden of accidents occurring therein, the department may divide, rearrange, or consolidate such class or classes, making such adjustment or transfer of funds as it may deem proper. The director shall make corrections of classifications or subclassifications or changes in rates in classes and subclasses when the best interest of such classes or subclasses will be served thereby. [1961 c 23 § 51.16.100. Prior: 1953 c 218 § 1; prior: (i) 1947 c 247 § 1, part; Rem. Supp. 1947 § 7676d, part. (ii) 1947 c 247 § 1, part; Rem. Supp. 1947 § 7676c, part.]

Every employer who shall enter into any business, or who shall resume operations in any work or plant after the final adjustment of his or her payroll in connection therewith, or who was formerly a self-insurer and wishes to continue his or her operations subject to this title, shall, before so commencing or resuming or continuing operations, as the case may be, notify the department of such fact. 51.16.120 Distribution of further accident cost. (1) Whenever a worker has a previous bodily disability from any previous injury or disease, whether known or unknown to the employer, and shall suffer a further disability from injury or occupational disease in employment covered by this title and become totally and permanently disabled from the combined effects thereof or die when death was substantially accelerated by the combined effects thereof, then the experience record of an employer insured with the state fund at the time of said further injury or disease shall be charged and a self-insured employer shall pay directly into the reserve fund only the accident cost which would have resulted solely from said further injury or disease, had there been no preexisting disability, and which accident cost shall be based upon an evaluation of the disability by medical experts. The difference between the charge thus assessed to such employer at the time of said further injury or disease and the total cost of the pension reserve shall be assessed against the second injury fund. The department shall pass upon the application of this section in all cases where benefits are paid for total permanent disability or death and issue an order thereon appealable by the employer. Pending outcome of such appeal the transfer or payment shall be made as required by such order.

(2) The department shall, in cases of claims of workers sustaining injuries or occupational diseases in the employ of state fund employers, recompute the experience record of such employers when the claims of workers injured in their employ have been found to qualify for payments from the second injury fund after the regular time for computation of such experience records and the department may make appropriate adjustments in such cases including cash refunds or credits to such employers.

(3) To encourage employment of injured workers who are not reemployed by the employer at the time of injury, the department may adopt rules providing for the reduction or elimination of premiums or assessments from subsequent employers of such workers and may also adopt rules for the reduction or elimination of charges against such employers in the event of further injury to such workers in their employ. [1984 c 63 § 1; 1980 c 14 § 7. Prior: 1977 ex.s. c 350 § 28; 1977 ex.s. c 323 § 13; 1972 ex.s. c 43 § 13; 1961 c 23 § 51.16.120; prior: 1959 c 308 § 16; 1945 c 219 § 1; 1943 c 16 § 1; Rem. Severability—Effective date—1977 ex.s. c 323: See notes following RCW 51.04.040.

51.16.130 Distribution of catastrophe cost. Whenever there shall occur an accident in which three or more employees of an employer insured with the state fund are fatally injured or sustain permanent total disability, the amount of total cost other than medical aid costs arising out of such accident that shall be charged to the account of the employer, shall be twice the average cost of the pension claims arising out of such accident. The entire cost of such accident, exclusive of medical aid costs, shall be charged against and defrayed by the catastrophe injury account. [1972 ex.s. c 43 § 14; 1961 c 23 § 51.16.130. 51.16.140 Premium liability of worker. (1) Every employer who is not a self-insurer shall deduct from the pay of each of his or her workers one-half of the amount he or she is required to pay, for medical benefits within each risk classification. Such amount shall be periodically determined by the director and reported by him or her to all employers under this title: PROVIDED, That the state governmental unit shall pay the entire amount into the medical aid fund for volunteers, as defined in RCW 51.12.035, and the state apprenticeship council shall pay the entire amount into the medical aid fund for registered apprentices or trainees, for the purposes of RCW 51.12.130. The deduction under this section is not authorized for premiums assessed under RCW 51.16.210.

(2) It shall be unlawful for the employer, unless specifically authorized by this title, to deduct or obtain any part of the premium or other costs required to be by him or her paid from the wages or earnings of any of his or her workers, and the making of or attempt to make any such deduction shall be a gross misdemeanor. [1989 c 385 § 3; 1977 ex.s. c 350 § 29; 1973 c 110 § 2; 1971 ex.s. c 289 § 77; 1971 c 20 § 2; 1961 c 23 § 51.16.140. 51.16.150 Delinquent employers—Penalty after demand—Injunctive relief. If any employer shall default in any payment to any fund, the sum due may be collected by action at law in the name of the state as plaintiff, and in any action or remedy. If such default occurs after demand, the director may require from the defaulting employer a bond to the state for the benefit of any fund, with surety to the director’s satisfaction, in the penalty of double the amount of the estimated payments which will be required from such employer into the said funds for and during the ensuing one year, together with any penalty or penalties incurred. In case of refusal or failure after written demand personally served to furnish such bond, the state shall be entitled to an injunction restraining the delinquent from prosecuting an occupation or work until such bond is furnished, and until all delinquent premiums, penalties, interest and costs are paid, conditioned for the prompt and punctual making of all payments into said funds during such periods, and any sale, transfer, or lease attempted to be made by such delinquent during the period of any of the defaults herein mentioned, of his works, plant, or lease thereto, shall be invalid until all past delinquencies are made good, and such bond furnished. 51.16.155 Failure or refusal of employer to report or pay premiums due—Collection. In every case where an employer insured with the state fails or refuses to file any report of payroll required by the department and fails or refuses to pay the premiums due on such unreported payroll, the department shall have authority to estimate such payroll and the premiums due thereon and collect premiums on the basis of such estimate.

If the report required and the premiums due thereon are not made within ten days from the mailing of such demand by the department, which shall include the amount of premiums estimated by the department, the employer shall be in default as provided by this title and the department may have and recover judgment, warrant, or file liens for such estimated premium or the actual premium, whichever is greater. [1985 c 315 § 3; 1971 ex.s. c 289 § 87.]

Effective dates—Severability—1971 ex.s. c 289: See RCW 51.98.060 and 51.98.070.

51.16.160 Lien for payments due—Priority—Probate, insolvency, etc. In all cases of probate, insolvency, assignment for the benefit of creditors, or bankruptcy, the claim of the state for the payments due shall be a lien prior to all other liens or claims and on a parity with prior tax liens and the mere existence of such cases or conditions shall be sufficient to create such lien without any prior or subsequent action by the state, and all administrators, receivers, or assignees for the benefit of creditors shall notify the department of such administration, receivership, or assignment within thirty days from date of their appointment and qualification. In any action or proceeding brought for the recovery of payments due upon the payroll of an employer, the certificate of the department that an audit has been made of the payroll of such employer pursuant to the direction of the department and the amount of such payroll for the period stated in the certificate shall be prima facie evidence of such fact. 51.16.170 Lien for premiums, assessments, contributions, and penalties—Priority—In general—Notice. Separate and apart from and in addition to the foregoing provisions in this chapter, the claims of the state for pay-
ments and penalties due under this title shall be a lien prior to all other liens or claims and on a parity with prior tax liens not only against the interest of any employer, in real estate, plant, works, equipment, and buildings improved, operated, or constructed by any employer, and also upon any products or articles manufactured by such employer.

The lien created by this section shall attach from the date of the commencement of the labor upon such property for which such premiums are due. In order to avail itself of the lien hereby created, the department shall, within four months after the employer has made report of his payroll and has defaulted in the payment of his premiums thereupon, file with the county auditor of the county within which such property is then situated, a statement in writing describing in general terms the property upon which a lien is claimed and stating the amount of the lien claimed by the department. If any employer fails or refuses to make report of his payroll, the lien hereby created shall continue in full force and effect, although the amount thereof is undetermined and the four months' time within which the department shall file its claim of lien shall not begin to run until the actual receipt by the department of such payroll report. From and after the filing of such claim of lien, the department shall be entitled to commence suit to cause such lien to be foreclosed in the manner provided by law for the foreclosure of other liens on real or personal property, and in such suit the certificate of the department stating the date of the actual receipt by the department of such payroll report shall be prima facie evidence of such fact. [1986 c 9 § 5; 1961 c 23 § 51.16.170. The director shall have the custody of all property acquired by the state at execution sale upon judgments obtained for delinquent payments and penalties therefor and costs, and may sell and dispose of the same at private sales for the sale purchase price, and shall pay the proceeds into the state treasury to the credit of the appropriate fund. In case of the sale of real estate the director shall execute the deed in the name of the state. [1971 ex.s.c 289 § 79; 1961 c 23 § 51.16.180. Prior: 1921 c 7 § 78, subdivision (4); RRS § 10836(4).]

(2) Any action to collect any delinquent premium, assessment, contribution, penalty, or other sum due to the department from any employer subject to this title shall be brought within three years of the date any such sum became due.

(3) In case of a false or fraudulent report with intent to evade premiums, assessments, contributions, penalties, interest, or other sums, or in the event of a failure to file a report, action may be begun at any time.

(4) Any claim for refund or adjustment by an employer of any premium, assessment, contribution, penalty, or other sum collected by the department shall be made in writing to the department within three years of the date the sum became due. [1987 c 111 § 7; 1985 c 315 § 5; 1977 ex.s.c 323 § 27.]

No successor may be liable for any tax due from the person from whom that person has acquired a business or stock of goods if that person gives written notice to the department of such acquisition and no assessment is issued by the department within sixty days of receipt of such notice against the former operator of the business and a copy thereof mailed to such successor. Chapter 51.24

ACTIONS AT LAW FOR INJURY OR DEATH

Sections

51.24.020 Action against employer for intentional injury.
51.24.030 Action against third person—Election by injured person or beneficiary authorized—Statutory interest in recovery—"Injury" defined—Applicability of chapter to underinsured motorist insurance coverage. (1) If a third person, not in a worker's same employ, is or may become liable to pay damages on account of a worker's injury for which benefits and compensation are provided under this title, the injured worker or beneficiary may elect to seek damages from the third person.
(2) In every action brought under this section, the plaintiff shall give notice to the department or self-insurer when the action is filed. The department or self-insurer may file a notice of statutory interest in recovery. When such notice has been filed by the department or self-insurer, the parties shall thereafter serve copies of all notices, motions, pleadings, and other process on the department or self-insurer. The department or self-insurer may then intervene as a party in the action to protect its statutory interest in recovery.
(3) For the purposes of this chapter, "injury" shall include any physical or mental condition, disease, ailment or loss, including death, for which compensation and benefits are paid or payable under this title.
(4) Damages recoverable by a worker or beneficiary pursuant to the underinsured motorist coverage of an insurance policy shall be subject to this chapter only if the owner of the policy is the employer of the injured worker.

51.24.035 Action against third person—Immunity of design professional and employees—"Design professional" defined. (1) Notwithstanding RCW 51.24.030(1), the injured worker or beneficiary may not seek damages against a design professional who is a third person and who has been retained to perform professional services on a construction project, or any employee of a design profession-
al who is assisting or representing the design professional in the performance of professional services on the site of the construction project, unless responsibility for safety practices is specifically assumed by contract, the provisions of which were mutually negotiated, or the design professional actually exercised control over the portion of the premises where the worker was injured.

(2) The immunity provided by this section does not apply to the negligent preparation of design plans and specifications.

(3) For the purposes of this section, "design professional" means an architect, professional engineer, land surveyor, or landscape architect, who is licensed or authorized by law to practice such profession, or any corporation organized under chapter 18.100 RCW or authorized under RCW 18.08.420 or 18.43.130 to render design services through the practice of one or more of such professions. [1987 c 212 § 1801.]

51.24.040 Action against third person—Election or recovery not bar to compensation or benefits. The injured worker or beneficiary shall be entitled to the full compensation and benefits provided by this title regardless of any election or recovery made under this chapter. [1977 ex.s. c 85 § 2.]

51.24.050 Action against third person—Assignment of cause of action to department or self-insurer—Disposition of award or settlement—Adjustment of experience rating. (1) An election not to proceed against the third person operates as an assignment of the cause of action to the department or self-insurer, which may prosecute or compromise the action in its discretion in the name of the injured worker, beneficiary or legal representative.

(2) If an injury to a worker results in the worker's death, the department or self-insurer to which the cause of action has been assigned may petition a court for the appointment of a special personal representative for the limited purpose of maintaining an action under this chapter and chapter 4.20 RCW.

(3) If a beneficiary is a minor child, an election not to proceed against a third person on such beneficiary's cause of action may be exercised by the beneficiary's legal custodian or guardian.

(4) Any recovery made by the department or self-insurer shall be distributed as follows:

(a) The department or self-insurer shall be paid the expenses incurred in making the recovery including reasonable costs of legal services;

(b) The injured worker or beneficiary shall be paid twenty-five percent of the balance of the recovery made, which shall not be subject to subsection (5) of this section: PROVIDED, That in the event of a compromise and settlement by the parties, the injured worker or beneficiary may agree to a sum less than twenty-five percent;

(c) The department and/or self-insurer shall be paid the compensation and benefits paid to or on behalf of the injured worker or beneficiary by the department and/or self-insurer; and

(d) The injured worker or beneficiary shall be paid any remaining balance.

(5) Thereafter no payment shall be made to or on behalf of a worker or beneficiary by the department and/or self-insurer for such injury until the amount of any further compensation and benefits shall equal any such remaining balance. Thereafter, such benefits shall be paid by the department and/or self-insurer to or on behalf of the worker or beneficiary as though no recovery had been made from a third person.

(6) In the case of an employer not qualifying as a self-insurer, the department shall make a retroactive adjustment to such employer's experience rating in which the third party claim has been included to reflect that portion of the award or settlement which is reimbursed for compensation and benefits paid and, if the claim is open at the time of recovery, applied against further compensation or benefits to which the injured worker or beneficiary may be entitled.

(7) When the cause of action has been assigned to the self-insurer and compensation and benefits have been paid and/or are payable from state funds for the same injury:

(a) The prosecution of such cause of action shall also be for the benefit of the department to the extent of compensation and benefits paid and payable from state funds;

(b) Any compromise or settlement of such cause of action which results in less than the entitlement under this title is void unless made with the written approval of the department;

(c) The department shall be reimbursed for compensation and benefits paid from state funds;

(d) The department shall bear its proportionate share of the costs and reasonable attorneys' fees incurred by the self-insurer in obtaining the award or settlement; and

(e) Any remaining balance under subsection (4)(d) of this section shall be applied, under subsection (5) of this section, to reduce the obligations of the department and self-insurer to pay further compensation and benefits in proportion to which the obligations of each bear to the remaining entitlement of the worker or beneficiary. [1984 c 218 § 4; 1983 c 211 § 1; 1977 ex.s. c 85 § 3.]

Applicability—1983 c 211: "Sections 1 and 2 of this act apply to all actions against third persons in which judgment or settlement of the underlying action has not taken place prior to July 24, 1983." [1983 c 211 § 3.] "Sections 1 and 2 of this act" consist of the 1983 amendments of RCW 51.24.050 and 51.24.060.

Severability—1983 c 211: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1983 c 211 § 4.]

51.24.060 Action against third person—Distribution of award or settlement recovered by injured worker or beneficiary—Lien—Adjustment of experience rating—Enforcement. (1) If the injured worker or beneficiary elects to seek damages from the third person, any recovery made shall be distributed as follows:

(a) The costs and reasonable attorneys' fees shall be paid proportionately by the injured worker or beneficiary and the department and/or self-insurer;

(b) The injured worker or beneficiary shall be paid twenty-five percent of the balance of the award: PROVIDED, That in the event of a compromise and settlement by the parties, the injured worker or beneficiary may agree to a sum less than twenty-five percent;
(c) The department and/or self-insurer shall be paid the balance of the recovery made, but only to the extent necessary to reimburse the department and/or self-insurer for compensation and benefits paid;

(i) The department and/or self-insurer shall bear its proportionate share of the costs and reasonable attorneys' fees incurred by the worker or beneficiary to the extent of the benefits paid or payable under this title: PROVIDED, That the department or self-insurer may require court approval of costs and attorneys’ fees or may petition a court for determination of the reasonableness of costs and attorneys’ fees.

(ii) The sum representing the department’s and/or self-insurer’s proportionate share shall not be subject to subsection (1) (d) and (e) of this section.

(d) Any remaining balance shall be paid to the injured worker or beneficiary;

(e) Thereafter no payment shall be made to or on behalf of a worker or beneficiary by the department and/or self-insurer for such injury until the amount of any further compensation and benefits shall equal any such remaining balance. Thereafter, such benefits shall be paid by the department and/or self-insurer to or on behalf of the worker or beneficiary as though no recovery had been made from a third person;

(f) If the employer or a co-employee are determined under RCW 4.22.070 to be at fault, (c) and (e) of this subsection do not apply and benefits shall be paid by the department and/or self-insurer to or on behalf of the worker or beneficiary as though no recovery had been made from a third person;

(2) The recovery made shall be subject to a lien by the department and/or self-insurer for its share under this section.

(3) The department or self-insurer has sole discretion to compromise the amount of its lien. In deciding whether or to what extent to compromise its lien, the department or self-insurer shall consider at least the following:

(a) The likelihood of collection of the award or settlement as may be affected by insurance coverage, solvency, or other factors relating to the third person;

(b) Factual and legal issues of liability as between the injured worker or beneficiary and the third person. Such issues include but are not limited to possible contributory negligence and novel theories of liability; and

(c) Problems of proof faced in obtaining the award or settlement.

(4) In the case of an employer not qualifying as a self-insurer, the department shall make a retroactive adjustment to such employer’s experience rating in which the third party claim has been included to reflect that portion of the award or settlement which is reimbursed for compensation and benefits paid and, if the claim is open at the time of recovery, applied against further compensation and benefits to which the injured worker or beneficiary may be entitled.

(5) In an action under this section, the self-insurer may act on behalf and for the benefit of the department to the extent of any compensation and benefits paid or payable from state funds.

(6) It shall be the duty of the person to whom any recovery is paid before distribution under this section to advise the department or self-insurer of the fact and amount of such recovery, the costs and reasonable attorneys' fees associated with the recovery, and to distribute the recovery in compliance with this section.

(7) The distribution of any recovery made by award or settlement of the third party action shall be confirmed by department order, served by registered or certified mail, and shall be subject to chapter 51.52 RCW. In the event the order of distribution becomes final under chapter 51.52 RCW, the director or the director's designee may file with the clerk of any county within the state a warrant in the amount of the sum representing the unpaid lien plus interest accruing from the date the order became final. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for such warrant and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of such worker or beneficiary mentioned in the warrant, the amount of the unpaid lien plus interest accrued and the date when the warrant was filed. The amount of such warrant as docketed shall become a lien upon the title to and interest in all real and personal property of the injured worker or beneficiary against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of such clerk. The sheriff shall then proceed in the same manner and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the department in the manner provided by law in the case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee of five dollars, which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the injured worker or beneficiary within three days of filing with the clerk.

(8) The director, or the director's designee, may issue to any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, a notice and order to withhold and deliver property of any kind if he or she has reason to believe that there is in the possession of such person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property which is due, owing, or belonging to any worker or beneficiary upon whom a warrant has been served by the department for payments due to the state fund. The notice and order to withhold and deliver shall be served by the sheriff of the county or by the sheriff's deputy, or by any authorized representatives of the director. Any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order to withhold and deliver. In the event there is in the possession of the party named and served with such notice and order, any property which may be subject to the claim of the department, such property shall be delivered forthwith to the director or the director's authorized representative upon demand. If the party served and named in the notice and order fails to answer the notice and order within the time prescribed in this section, the court
may, after the time to answer such order has expired, render judgment by default against the party named in the notice for the full amount claimed by the director in the notice together with costs. In the event that a notice to withhold and deliver is served upon an employer and the property found to be subject thereto is wages, the employer may assert in the answer to all exemptions provided for by chapter 6.27 RCW to which the wage earner may be entitled. [1987 c 442 § 1118; 1986 c 305 § 403; 1984 c 218 § 5; 1983 c 211 § 2; 1977 ex.s. c 85 § 4.]

(1) The department or self-insurer may require the injured worker or beneficiary to exercise the right of election under this chapter by serving a written demand by registered mail, certified mail, or personal service on the worker or beneficiary.

(2) Unless an election is made within sixty days of the receipt of the demand, and unless an action is instituted or set within the time granted by the department or self-insurer, the injured worker or beneficiary is deemed to have assigned the action to the department or self-insurer. The department or self-insurer shall allow the worker or beneficiary at least ninety days from the election to institute or settle the action. When a beneficiary is a minor child the demand shall be served upon the legal custodian or guardian of such beneficiary.

(3) If an action which has been filed is not diligently prosecuted, the department or self-insurer may petition the court in which the action is pending for an order assigning the cause of action to the department or self-insurer. Upon a sufficient showing of a lack of diligent prosecution the court in its discretion may issue the order.

(4) If the department or self-insurer has taken an assignment of the third party cause of action under subsection (2) of this section, the injured worker or beneficiary may, at the discretion of the department or self-insurer, exercise a right of reelection and assume the cause of action subject to reimbursement of litigation expenses incurred by the department or self-insurer. The notice shall be by registered mail, certified mail, or personal service. If an action is filed by the injured worker or beneficiary, a copy of the complaint must be sent by registered mail to the department or self-insurer.

(2) A return showing service of the notice on the department or self-insurer shall be filed with the court but shall not be part of the record except as necessary to give notice to the defendant of the lien imposed by RCW 51.24.060(2). [1977 ex.s. c 85 § 6.]

51.24.090 Action against third person—Compromise or settlement less than benefits—Approval by department or self-insurer—Assignment of action. (1) Any compromise or settlement of the third party cause of action by the injured worker or beneficiary which results in less than the entitlement under this title is void unless made with the written approval of the department or self-insurer: PROVIDED, That for the purposes of this chapter, "entitlement" means benefits and compensation paid and payable.

(2) If a compromise or settlement is void because of subsection (1) of this section, the department or self-insurer may petition the court in which the action was filed for an order assigning the cause of action to the department or self-insurer. If an action has not been filed, the department or self-insurer may proceed as provided in chapter 7.24 RCW. [1984 c 218 § 7; 1977 ex.s. c 85 § 7.]

51.24.100 Action against third person—Right to compensation not pleasurable or admissible—Challenge to right to bring action. The fact that the injured worker or beneficiary is entitled to compensation under this title shall not be pleaded or admissible in evidence in any third party action under this chapter. Any challenge of the right to bring such action shall be made by supplemental pleadings only and shall be decided by the court as a matter of law. [1977 ex.s. c 85 § 8.]

[1984 c 218 § 1.]

51.24.120 Department may adopt rules. The department may adopt, amend, and rescind under chapter 34.05 RCW such rules as may be necessary to the administration of this chapter. [1984 c 218 § 8.]

(iv) If there are three children of the deceased worker and in the legal custody of such spouse, sixty-six percent of the wages of the deceased worker but not less than two hundred seventy-six dollars;

(v) If there are four children of the deceased worker and in the legal custody of such spouse, sixty-eight percent of the wages of the deceased worker but not less than two hundred ninety-nine dollars; or

(vi) If there are five or more children of the deceased worker and in the legal custody of such spouse, seventy percent of the wages of the deceased worker but not less than three hundred twenty-two dollars.

(b) Where the surviving spouse does not have legal custody of any child or children of the deceased worker or where after the death of the worker legal custody of such child or children passes from such surviving spouse to another, any payment on account of such child or children not in the legal custody of the surviving spouse shall be made to the person or persons having legal custody of such child or children. The amount of such payments shall be five percent of the monthly benefits payable as a result of the worker's death for each such child but such payments shall not exceed twenty-five percent. Such payments on account of such child or children shall be subtracted from the amount to which such surviving spouse would have been entitled had such surviving spouse had legal custody of all of the children and the surviving spouse shall receive the remainder after such payments on account of such child or children have been subtracted. Such payments on account of a child or children not in the legal custody of such surviving spouse shall be apportioned equally among such children.

(c) Payments to the surviving spouse of the deceased worker shall cease at the end of the month in which remarriage occurs: PROVIDED, That a monthly payment shall be made to the child or children of the deceased worker from the month following such remarriage in a sum equal to five percent of the wages of the deceased worker for one child and a sum equal to five percent for each additional child up to a maximum of five such children. Payments to such child or children shall be apportioned equally among such children. Such sum shall be in place of any payments theretofore made for the benefit of or on account of any such child or children. If the surviving spouse does not have legal custody of any child or children of the deceased worker, or if after the death of the worker, legal custody of such child or children passes from such surviving spouse to another, any payment on account of such child or children not in the legal custody of the surviving spouse shall be made to the person or persons having legal custody of such child or children.

(d) In no event shall the monthly payments provided in subsection (2) of this section exceed one hundred percent of the average monthly wage in the state as computed under RCW 51.08.018.

(e) In addition to the monthly payments provided for in (2)(a) through (2)(c) of this section, a surviving spouse or child of such worker if there is no surviving spouse, or dependent parent or parents, if there is no surviving spouse or child or children of any such deceased worker shall be forthwith paid the sum of one thousand six hundred dollars, any such children, or parents to share and share alike in said sum.

(f) Upon remarriage of a surviving spouse the monthly payments for the child or children shall continue as provided in this section, but the monthly payments to such surviving spouse shall cease at the end of the month during which remarriage occurs. However, after September 8, 1975, an
otherwise eligible surviving spouse of a worker who died at any time prior to or after September 8, 1975, shall have an option of:

(i) Receiving, once and for all, a lump sum of twenty-four times the monthly compensation rate in effect on the date of remarriage allocable to the spouse for himself or herself pursuant to (2)(a)(i) of this section and subject to any modifications specified under (2)(d) of this section and RCW 51.32.075(3) or fifty percent of the then remaining annuity value of his or her pension, whichever is the lesser: PROVIDED, That if the injury occurred prior to July 28, 1991, the remarriage benefit lump sum available shall be as provided in the remarriage benefit schedules then in effect; or

(ii) If a surviving spouse does not choose the option specified in (2)(f)(i) of this section to accept the lump sum payment, the remarriage of the surviving spouse of a worker shall not bar him or her from claiming the lump sum payment authorized in (2)(f)(i) of this section during the life of the remarriage, or shall not prevent subsequent monthly payments to him or to her if the remarriage has been terminated by death or has been dissolved or annulled by valid court decree provided he or she has not previously accepted the lump sum payment.

(g) If the surviving spouse during the remarriage should die without having previously received the lump sum payment provided in (2)(f)(i) of this section, his or her estate shall be entitled to receive the sum specified under subsection (2)(f)(i) of this section or fifty percent of the then remaining annuity value of his or her pension whichever is the lesser.

(h) The effective date of resumption of payments under (2)(f)(ii) of this section to a surviving spouse based upon termination of a remarriage by death, annulment, or dissolution shall be the date of the death or the date the judicial decree of annulment or dissolution becomes final and when application for the payments has been received.

(i) If it should be necessary to increase the reserves in the reserve fund or to create a new pension reserve fund as a result of the amendments in chapter 45, Laws of 1975-76 2nd ex. sess., the amount of such increase in pension reserve in any such case shall be transferred to the reserve fund from the supplemental pension fund.

(3) If there is a child or children and no surviving spouse of the deceased worker or the surviving spouse is not eligible for benefits under this title, a sum equal to thirty-five percent of the wages of the deceased worker shall be paid monthly for each child and a sum equivalent to fifteen percent of such wage shall be paid monthly for each additional child, the total of such sum to be divided among such children, share and share alike: PROVIDED, That benefits under this subsection or subsection (4) shall not exceed sixty-five percent of the wages of the deceased worker at the time of his or her death or one hundred percent of the average monthly wage in the state as defined in RCW 51.08.018, whichever is the lesser of the two sums.

(4) In the event a surviving spouse receiving monthly payments dies, the child or children of the deceased worker shall receive the same payment as provided in subsection (3) of this section.

(5) If the worker leaves no surviving spouse or child, but leaves a dependent or dependents, a monthly payment shall be made to each dependent equal to fifty percent of the average monthly support actually received by such dependent from the worker during the twelve months next preceding the occurrence of the injury, but the total payment to all dependents in any case shall not exceed sixty-five percent of the wages of the deceased worker at the time of the death or one hundred percent of the average monthly wage in the state as defined in RCW 51.08.018, whichever is the lesser of the two sums. If any dependent is under the age of eighteen years at the time of the occurrence of the injury, the payment to such dependent shall cease when such dependent reaches the age of eighteen years except such payments shall continue until the dependent reaches age twenty-three while permanently enrolled at a full time course in an accredited school. The payment to any dependent shall cease if and when, under the same circumstances, the necessity creating the dependency would have ceased if the injury had not happened.

(6) For claims filed prior to July 1, 1986, if the injured worker dies during the period of permanent total disability, whatever the cause of death, leaving a surviving spouse, or child, or children, the surviving spouse or child or children shall receive benefits as if death resulted from the injury as provided in subsections (2) through (4) of this section. Upon remarriage or death of such surviving spouse, the payments to such child or children shall be made as provided in subsection (2) of this section when the surviving spouse of a deceased worker remarries.

(7) For claims filed on or after July 1, 1986, every worker who becomes eligible for permanent total disability benefits shall elect an option as provided in RCW 51.32.067.

Legislative intent—1975 1st ex.s. c 179: "The legislative intent of chapter 179, Laws of 1975 1st ex.s. sess. (2nd SSB No. 2241) was in part to offer surviving spouses of eligible workmen two options upon remarriage; such options to be available to any otherwise eligible surviving spouse regardless of the date of death of the injured workman. Accordingly this 1976 amendatory act is required to clarify that intent." [1975-76 2nd ex.s. c 45 § 1.]

51.32.055 Determination of permanent disabilities.

(1) One purpose of this title is to restore the injured worker as near as possible to the condition of self-support as an able-bodied worker. Benefits for permanent disability shall be determined under the director’s supervision only after the injured worker’s condition becomes fixed.

(2) All determinations of permanent disabilities shall be made by the department. Either the worker, employer, or self-insurer may make a request or such inquiry may be initiated by the director on his or her own motion. Such determinations shall be required in every instance where permanent disability is likely to be present. All medical reports and other pertinent information in the possession of or under the control of the employer or self-insurer shall be forwarded to the director with such requests.

(3) A request for determination of permanent disability shall be examined by the department and an order shall issue in accordance with RCW 51.52.050.

(4) The department may require that the worker present himself or herself for a special medical examination by a physician, or physicians, selected by the department, and the department may require that the worker present himself or herself for a personal interview. In such event the costs of such examination or interview, including payment of any reasonable travel expenses, shall be paid by the department or self-insurer as the case may be.

(5) The director may establish a medical bureau within the department to perform medical examinations under this section. Physicians hired or retained for this purpose shall be grounded in industrial medicine and in the assessment of industrial physical impairment. Self-insurers shall bear a proportionate share of the cost of such medical bureau in a manner to be determined by the department.

(6) Where dispute arises from the handling of any claims prior to the condition of the injured worker becoming fixed, the worker, employer, or self-insurer may request the department to resolve the dispute or the director may initiate an inquiry on his or her own motion. In such cases the department shall proceed as provided in this section and an order shall issue in accordance with RCW 51.52.050.

(7)(a) In the case of claims accepted by self-insurers after June 30, 1986, and before July 1, 1990, which involve only medical treatment and/or the payment of temporary disability compensation under RCW 51.32.090 and which at the time medical treatment is concluded do not involve permanent disability, such claims may be closed by the self-insurers subject to reporting of claims to the department in a manner prescribed by department rules promulgated pursuant to chapter 34.05 RCW. Upon such closure the self-insurers shall enter a written order, communicated to the worker, which contains the following statement clearly set forth in bold-face type: "This order constitutes notification that your claim is being closed with medical benefits only, as provided. If for any reason you disagree with this closure, you may protest in writing to the department of labor and industries, within sixty days of the date you received this order. The department will then review your claim and enter a further determinative order." In the event the department receives such a protest the self-insurer’s closure order shall be held in abeyance. The department shall review the claim closure action and enter a determinative order as provided for in RCW 51.52.050.

(d) If within two years of claim closure the department determines that the self-insurer has made payment of benefits because of clerical error, mistake of identity, or innocent misrepresentation, or the department discovers a violation of the conditions of claim closure, the department may require the self-insurer to correct the benefits paid or payable. This paragraph shall not limit in any way the application of RCW 51.32.240.

(8) In the case of claims accepted by self-insurers after June 30, 1990, which involve only medical treatment and which do not involve payment of temporary disability compensation under RCW 51.32.090 and which at the time medical treatment is concluded do not involve permanent disability, such claims may be closed by the self-insurers subject to reporting of claims to the department in a manner prescribed by department rules promulgated pursuant to chapter 34.05 RCW. Upon such closure the self-insurers shall enter a written order, communicated to the worker, which contains the following statement clearly set forth in bold-face type: "This order constitutes notification that your claim is being closed with medical benefits only, as provided. If for any reason you disagree with this closure, you may protest in writing to the Department of Labor and Industries, Olympia, within 60 days of the date you receive this order. The department will then review your claim and enter a further determinative order." In the event the department receives such a protest it shall review the claim and enter a further determinative order as provided for in RCW 51.52.050. [1988 c 161 § 13; 1986 c 55 § 1; 1981 c 326 § 1; 1977 ex.s. c 350 § 43; 1971 ex.s. c 289 § 46.]

Effective date—Applicability—1986 c 55 § 1: "Section 1 of this act shall take effect July 1, 1986, and shall apply to claims accepted after June 30, 1986." [1986 c 55 § 4.]

Effective date—Severability—1971 ex.s. c 289: See RCW 51.98.060 and 51.98.070.

51.32.060 Permanent total disability compensation—Personal attendant. (1) When the supervisor of industrial insurance shall determine that permanent total disability results from the injury, the worker shall receive compensation only as provided, and with the condition you have returned to work with the self-insured employer. If for any reason you disagree with the conditions or duration of your return to work or the medical benefits or the temporary disability compensation that has been provided, you may protest in writing to the department of labor and industries, self-insurance section, within sixty days of the date you received this order. In the event the department receives such a protest the self-insurer’s closure order shall be held in abeyance. The department shall review the claim closure action and enter a determinative order as provided for in RCW 51.52.050.

(l) If unmarried with five or more children at the time of injury, seventy percent of his or her wages but not less than two hundred thirty dollars per month.

(2) For any period of time where both husband and wife are entitled to compensation as temporarily or totally disabled workers, only that spouse having the higher wages of the two shall be entitled to claim their child or children for compensation purposes.

(3) In case of permanent total disability, if the character of the injury is such as to render the worker so physically helpless as to require the hiring of the services of an attendant, the department shall make monthly payments to such attendant for such services as long as such requirement continues, but such payments shall not obtain or be operative while the worker is receiving care under or pursuant to the provisions of chapter 51.36 RCW and RCW 51.04.105.

(4) Should any further accident result in the permanent total disability of an injured worker, he or she shall receive the pension to which he or she would be entitled, notwithstanding the payment of a lump sum for his or her prior injury.

(5) In no event shall the monthly payments provided in this section exceed one hundred percent of the average monthly wage in the state as computed under the provisions of RCW 51.08.018, except that this limitation shall not apply to the payments provided for in subsection (3) of this section.

(6) In the case of new or reopened claims, if the supervisor of industrial insurance determines that, at the time of filing or reopening, the worker is voluntarily retired and is no longer attached to the work force, benefits shall not be paid under this section.

(7) The benefits provided by this section are subject to modification under RCW 51.32.067. [1988 c 161 § 1. children. The monthly payments such surviving spouse or totally disabled worker are receiving pursuant to compensation schedules in effect prior to July 1, 1971 shall be deducted from the monthly payments above specified.

Where such a surviving spouse has remarried, or where any such child of such worker, whether living or deceased, is not in the legal custody of such worker or such surviving spouse there shall be paid for the benefit of and on account of each such child a sum equal to two percent of such average monthly wage up to a maximum of five such children in addition to any payments theretofore paid under compensation schedules in effect prior to July 1, 1971 for the benefit of and on account of each such child. In the case of any child or children of a deceased worker not leaving a surviving spouse or where the surviving spouse has later died, there shall be paid for the benefit of and on account of each such child a sum equal to two percent of such average monthly wage up to a maximum of five such children in addition to any payments theretofore paid under such schedules for the benefit of and on account of each such child.

If the character of the injury or occupational disease is such as to render the worker so physically helpless as to require the hiring of the services of an attendant, the department shall make monthly payments to such attendant for such services as long as such requirement continues but such payments shall not obtain or be operative while the worker is receiving care under or pursuant to the provisions of this title except for care granted at the discretion of the supervisor pursuant to RCW 51.36.010: PROVIDED, That such payments shall not be considered compensation nor shall they be subject to any limitation upon total compensation payments.

No part of such additional payments shall be payable from the accident fund.

The director shall pay monthly from the supplemental pension fund such an amount as will, when added to the compensation theretofore paid under compensation schedules in effect prior to July 1, 1971, equal the amounts hereinabove specified.

In cases where money has been or shall be advanced to any such person from the pension reserve, the additional amount to be paid under this section shall be reduced by the amount of monthly pension which was or is predicated upon such advanced portion of the pension reserve. 51.32.073 Additional payments for prior pensioners—Premium liability of worker and employer for additional payments. (1) Except as provided in subsection (2) of this section, each employer shall retain from the earnings of each worker that amount as shall be fixed from time to time by the director, the basis for measuring said amount to be determined by the director. The money so retained shall be matched in an equal amount by each employer, and all such moneys shall be remitted to the department in such manner and at such intervals as the department directs and shall be placed in the supplemental pension fund: PROVIDED, That the state apprenticeship council shall pay the entire amount into the supplemental pension fund for registered apprentices or trainees during their participation in supplemental and related instruction classes. The moneys so collected shall be used exclusively for the additional payments from the supplemental pension fund prescribed in this title and for the amount of any increase payable under the provisions of RCW 51.32.075, as now or hereafter amended, and shall be no more than necessary to make such payments on a current basis. The department may require a self-insurer to make any additional payments which are payable from the supplemental pension fund and thereafter such self-insurer shall be reimbursed therefrom.

(2) None of the amount assessed for the supplemental pension fund under RCW 51.16.210 may be retained from the earnings of workers covered under RCW 51.16.210. [1989 c 385 § 4; 1980 c 14 § 9. 51.32.075 Adjustments in compensation or death benefits. The compensation or death benefits payable pursuant to the provisions of this chapter for temporary total disability, permanent total disability, or death arising out of injuries or occupational diseases shall be adjusted as follows:

(1) On July 1, 1982, there shall be an adjustment for those whose right to compensation was established on or after July 1, 1971, and before July 1, 1982. The adjustment shall be determined by multiplying the amount of compensation to which they are entitled by a fraction, the denominator of which shall be the average monthly wage in the state under RCW 51.08.018 for the fiscal year in which such person’s right to compensation was established, and the numerator of which shall be the average monthly wage in the state under RCW 51.08.018 on July 1, 1982.

(2) In addition to the adjustment established by subsection (1) of this section, there shall be another adjustment on July 1, 1983, for those whose right to compensation was established on or after July 1, 1971, and before July 1, 1983, which shall be determined by multiplying the amount of compensation to which they are entitled by a fraction, the denominator of which shall be the average monthly wage in the state under RCW 51.08.018 for the fiscal year in which such person’s right to compensation was established, and the numerator of which shall be the average monthly wage in the state under RCW 51.08.018 on July 1, 1983.

(3) In addition to the adjustments under subsections (1) and (2) of this section, further adjustments shall be made beginning on July 1, 1984, and on each July 1st thereafter for those whose right to compensation was established on or after July 1, 1971. The adjustment shall be determined by multiplying the amount of compensation to which they are entitled by a fraction, the denominator of which shall be the average monthly wage in the state under RCW 51.08.018 for the fiscal year in which such person’s right to compensation
was established, and the numerator of which shall be the average monthly wage in the state under RCW 51.08.018 on July 1st of the year in which the adjustment is being made. The department or self-insurer shall adjust the resulting compensation rate to the nearest whole cent, not to exceed the average monthly wage in the state as computed under RCW 51.08.018. [1988 c 161 § 7; 1983 c 203 § 1; 1982 1st ex.s. c 20 § 1; 1979 c 108 § 1; 1977 ex.s. c 202 § 2; 1975 1st ex.s. c 286 § 2.]

(2) Compensation for amputation of a member or part thereof at a site other than those above specified, and for loss of central visual acuity and loss of hearing other than complete, shall be in proportion to that which such other amputation or partial loss of visual acuity or hearing most closely resembles and approximates. Compensation for any other permanent partial disability not involving amputation shall be in the proportion which the extent of such other disability, called unspecified disability, shall bear to that above specified, which most closely resembles and approximates in degree of disability such other disability, compensation for any other unspecified permanent partial disability shall be in an amount as measured and compared to total bodily impairment: PROVIDED, That in order to reduce litigation and establish more certainty and uniformity in the rating of unspecified permanent partial disabilities, the department shall enact rules having the force of law classifying such disabilities in the proportion which the department shall determine such disabilities reasonably bear to total bodily impairment. In enacting such rules, the department shall give consideration to, but need not necessarily adopt, any nationally recognized medical standards or guides for determining various bodily impairments. For purposes of calculating monetary benefits, the amount payable for total bodily impairment shall be deemed to be ninety thousand dollars: PROVIDED, That the total compensation for all unspecified permanent partial disabilities resulting from the same injury shall not exceed the sum of ninety thousand dollars: PROVIDED FURTHER, That in case permanent partial disability compensation is followed by permanent total disability compensation, any portion of the permanent partial disability compensation which exceeds the amount that would have been paid the injured worker if permanent total disability compensation had been paid in the first instance, shall be deducted from the pension reserve of such...
injured worker and his or her monthly compensation payments shall be reduced accordingly.

(3) Should a worker receive an injury to a member or part of his or her body already, from whatever cause, permanently partially disabled, resulting in the amputation of his or her body already, from whatever cause, partial disability shall be adjudged with regard to the previous disability of the injured member or part and the degree or extent of the aggravation or increase of disability thereof.

(4) When the compensation provided for in subsections (1) and (2) exceeds three times the average monthly wage in the state as computed under the provisions of RCW 51.08.018, payment shall be made in monthly payments in accordance with the schedule of temporary total disability payments set forth in RCW 51.32.090 until such compensation is paid to the injured worker in full, except that the first monthly payment shall be in an amount equal to three times the average monthly wage in the state as computed under the provisions of RCW 51.08.018, and interest shall be paid at the rate of eight percent on the unpaid balance of such compensation commencing with the second monthly payment: PROVIDED, That upon application of the injured worker or survivor the monthly payment may be converted, in whole or in part, into a lump sum payment, in which event the monthly payment shall cease in whole or in part. Such conversion may be made only upon written application of the injured worker or survivor to the department and shall rest in the discretion of the department depending upon the merits of each individual application: PROVIDED FURTHER, That upon death of a worker all unpaid installments accrued shall be paid according to the payment schedule established prior to the death of the worker to the widow or widower, or if there is no widow or widower surviving, to the dependent children of such claimant, and if there are no such dependent children, then to such other dependents as defined by this title. 51.32.090 Temporary total disability—Partial restoration of earning power—Return to available work—When employer continues wages—Limitations.

(1) When the total disability is only temporary, the schedule of payments contained in RCW 51.32.060 (1) and (2) shall apply, so long as the total disability continues.

(2) Any compensation payable under this section for children not in the custody of the injured worker as of the date of injury shall be payable only to such person as actually is providing the support for such child or children pursuant to the order of a court of record providing for support of such child or children.

(3) As soon as recovery is so complete that the present earning power of the worker, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall cease. If and so long as the present earning power is only partially restored, the payments shall continue in the proportion which the new earning power shall bear to the old. No compensation shall be payable unless the loss of earning power shall exceed five percent.

(4) Whenever an employer requests that a worker who is entitled to temporary total disability under this chapter be certified by a physician as able to perform available work other than his or her usual work, the employer shall furnish to the physician, with a copy to the worker, a statement describing the available work in terms that will enable the physician to relate the physical activities of the job to the worker's disability. The physician shall then determine whether the worker is physically able to perform the work described. If the worker is released by his or her physician for said work, and the work thereafter comes to an end before the worker's recovery is sufficient in the judgment of his or her physician to permit him or her to return to his or her usual job, or to perform other available work, the worker's temporary total disability payments shall be resumed. Should the available work described, once undertaken by the worker, impede his or her recovery to the extent that in the judgment of his or her physician he or she should not continue to work, the worker's temporary total disability payments shall be resumed when the worker ceases such work.

Once the worker returns to work under the terms of this subsection, he or she shall not be assigned by the employer to work other than the available work described without the worker's written consent, or without prior review and approval by the worker's physician.

In the event of any dispute as to the worker's ability to perform the available work offered by the employer, the department shall make the final determination.

(5) No worker shall receive compensation for or during the day on which injury was received or the three days following the same, unless his or her disability shall continue for a period of fourteen consecutive calendar days from date of injury: PROVIDED, That attempts to return to work in the first fourteen days following the injury shall not serve to break the continuity of the period of disability if the disability continues fourteen days after the injury occurs.

(6) Should a worker suffer a temporary total disability and should his or her employer at the time of the injury continue to pay him or her the wages which he or she was earning at the time of such injury, such injured worker shall not receive any payment provided in subsection (1) of this section during the period his or her employer shall so pay such wages.

(7) In no event shall the monthly payments provided in this section exceed one hundred percent of the average monthly wage in the state as computed under the provisions of RCW 51.08.018.

(8) If the supervisor of industrial insurance determines that the worker is voluntarily retired and is no longer attached to the work force, benefits shall not be paid under
Title 51 RCW: Industrial Insurance

51.32.090

Vocational rehabilitation services—Benefits authorized—Priorities—Allowable costs—Performance criteria. (1) One of the primary purposes of this title is to enable the injured worker to become employable at gainful employment. To this end, the department or self-insurers shall utilize the services of individuals and organizations, public or private, whose experience, training, and interests in vocational rehabilitation and retraining qualify them to lend expert assistance to the supervisor of industrial insurance in such programs of vocational rehabilitation as may be reasonable to make the worker employable consistent with his or her physical and mental status. Where, after evaluation and recommendation by such individuals or organizations and prior to final evaluation of the worker’s permanent disability and in the sole opinion of the supervisor or supervisor’s designee, whether or not medical treatment has been concluded, vocational rehabilitation is both necessary and likely to enable the injured worker to become employable at gainful employment, the supervisor or supervisor’s designee may, in his or her sole discretion, pay or, if the employer is a self-insurer, direct the self-insurer to pay the cost as provided in subsection (3) of this section.

(2) When in the sole discretion of the supervisor or the supervisor’s designee vocational rehabilitation is both necessary and likely to make the worker employable at gainful employment, then the following order of priorities shall be used:

(a) Return to the previous job with the same employer;
(b) Modification of the previous job with the same employer including transitional return to work;
(c) A new job with the same employer in keeping with any limitations or restrictions;
(d) Modification of a new job with the same employer including transitional return to work;
(e) Modification of the previous job with a new employer;
(f) A new job with a new employer or self-employment based upon transferable skills;
(g) Modification of a new job with a new employer;
(h) A new job with a new employer or self-employment involving on-the-job training;

(i) Short-term retraining and job placement.

(3) Costs for vocational rehabilitation benefits allowed by the supervisor or supervisor’s designee under subsection (1) of this section may include the cost of books, tuition, fees, supplies, equipment, transportation, child or dependent care, and other necessary expenses for any such worker in an amount not to exceed three thousand dollars in any fifty-two week period, and the cost of continuing the temporary total disability compensation under RCW 51.32.090 while the worker is actively and successfully undergoing a formal program of vocational rehabilitation. Such expenses may include training fees for on-the-job training and the cost of furnishing tools and other equipment necessary for self-employment or reemployment: PROVIDED, That such compensation or payment of retraining with job placement expenses may not be authorized for a period of more than fifty-two weeks: PROVIDED FURTHER, That such period may, in the sole discretion of the supervisor after his or her review, be extended for an additional fifty-two weeks or portion thereof by written order of the supervisor.

In cases where the worker is required to reside away from his or her customary residence, the reasonable cost of board and lodging shall also be paid. Said costs shall be chargeable to the employer's cost experience or shall be paid by the self-insurer as the case may be.

(4) The department shall establish criteria to monitor the quality and effectiveness of rehabilitation services provided by the individuals and organizations used under subsection (1) of this section. The state fund shall make referrals for vocational rehabilitation services based on these performance criteria.

(5) The department shall engage in, where feasible and cost-effective, a cooperative program with the state employment security department to provide job placement services under this section.

(6) The benefits in this section shall be provided for the injured workers of self-insured employers. Self-insurers shall report both benefits provided and benefits denied under this section in the manner prescribed by the department by rule adopted under chapter 34.05 RCW. The director may, in his or her sole discretion and upon his or her own initiative or at any time that a dispute arises under this section, promptly make such inquiries as circumstances require and take such other action as he or she considers will properly determine the matter and protect the rights of the parties.

(7) The benefits provided for in this section are available to any otherwise eligible worker regardless of the date of industrial injury. However, claims shall not be reopened solely for vocational rehabilitation purposes. [1988 c 161 § 9; 1985 c 339 § 2; 1983 c 70 § 2; 1982 c 63 § 11; 1980 c 14 § 10. Prior: 1977 ex s. c 350 § 48; 1977 ex s. c 323 § 16; 1972 ex s. c 43 § 23; 1971 ex s. c 289 § 12.]

Legislative finding—1985 c 339: "The legislature finds that the vocational rehabilitation program created by chapter 63, Laws of 1982, has failed to assist injured workers to return to suitable gainful employment without undue loss of time from work and has increased costs of industrial insurance for employers and employees alike. The legislature further finds that the administrative structure established within the industrial insurance division of the department of labor and industries to develop and oversee the provision of vocational rehabilitation services has not provided efficient delivery of vocational rehabilitation services. The legislature finds that..."
restructuring the state's vocational rehabilitation program under the department of labor and industries is necessary." [1985 c 339 § 1.]

Severability—1985 c 339: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1985 c 339 § 6.]

Severability—1983 c 70: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1983 c 70 § 5.]

Effective dates—Implementation—1982 c 63: "Section 4 of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately [March 26, 1982]. All other sections of this act shall take effect on January 1, 1983. The director of the department of labor and industries is authorized to immediately take such steps as are necessary to insure that this act is implemented on its effective dates." [1982 c 63 § 26.]

Severability—Effective date—1977 ex.s. c 323: See notes following RCW 51.04.040.

51.32.098 Vocational rehabilitation services—Applicability. Nothing in RCW 51.32.095 or in the repeal of chapter 51.41 RCW by section 5, chapter 339, Laws of 1985 shall be construed as prohibiting the completion of vocational rehabilitation plans approved under this title prior to May 16, 1985. Injured workers referred for vocational rehabilitation services under this title, but for whom vocational rehabilitation plans have not been approved by the department under this title before May 16, 1985, may only be provided vocational rehabilitation services, if applicable, by the department according to the provisions of RCW 51.32.095. [1985 c 339 § 44.]

Legislative finding—Severability—1985 c 339: See notes following RCW 51.32.095.

51.32.100 When preexisting disease delays or prevents recovery. If it is determined that an injured worker had, at the time of his or her injury, a preexisting disease and that such disease delays or prevents complete recovery from such injury, it shall be ascertained, as nearly as possible, the period over which the injury would have caused disability were it not for the diseased condition and the extent of permanent partial disability which the injury would have caused were it not for the disease, and compensation shall be awarded only therefor. [1977 ex.s. c 350 § 49; 1971 ex.s. c 289 § 44; 1961 c 23 § 51.32.100. Supp. 1949 § 7679, part.]

51.32.112 Medical examination—Standards and criteria—Compensation guidelines and reporting criteria. (1) The department shall develop standards for the conduct of special medical examinations to determine permanent disabilities, including, but not limited to:

(a) The qualifications of persons conducting the examinations;

(b) The criteria for conducting the examinations, including guidelines for the appropriate treatment of injured workers during the examination; and

(c) The content of examination reports.

(2) The department shall investigate the amount of examination fees received by persons conducting special medical examinations to determine permanent disabilities, including total compensation received for examinations of department and self-insured claimants, and establish compensation guidelines and compensation reporting criteria.

(3) The department shall investigate the level of compliance of self-insurers with the requirement of full reporting of claims information to the department, particularly with respect to medical examinations, and develop effective enforcement procedures or recommendations for legislation if needed. [1988 c 114 § 2.]

Intent—1988 c 114: "It is the intent of the legislature that medical examinations for determining permanent disabilities be conducted fairly and
objectively by qualified examiners and with respect for the dignity of the injured worker." [1988 c 114 § 1.]

51.32.114 Medical examination—Department to monitor quality and objectivity. The department shall examine the credentials of persons conducting special medical examinations and shall monitor the quality and objectivity of examinations and reports for the department and self-insured claimants. The department shall adopt rules to ensure that examinations are performed only by qualified persons meeting department standards. [1988 c 114 § 3.]

Intent—1988 c 114: See note following RCW 51.32.112.

51.32.116 Medical examination—Report to legislature. The department shall report periodically, no less than annually, to the committee on economic development and labor of the senate and the committee on commerce and labor of the house of representatives, or the appropriate successor committees, on the program established to fulfill the requirements of RCW 51.32.112 and 51.32.114. [1988 c 114 § 4.]

Intent—1988 c 114: See note following RCW 51.32.112.

51.32.120 Further accident after lump sum payment. Should a further accident occur to a worker who has been previously the recipient of a lump sum payment under this title, his or her future compensation shall be adjusted according to the other provisions of this chapter and with regard to the combined effect of his or her injuries and his or her past receipt of money under this title. [1977 ex.s. c 350 § 51; 1961 c 23 § 51.32.120. Supp. 1949 § 7679, part.]

51.32.130 Lump sum for death or permanent total disability. In case of death or permanent total disability, the monthly payment provided may be converted, in whole or in part, into a lump sum payment, not in any case to exceed eight thousand five hundred dollars, equal or proportionate, as the case may be, to the value of the annuity then remaining, to be fixed and certified by the state insurance commissioner, in which event the monthly payments shall cease in whole or in part accordingly or proportionately. Such conversion may be made only upon written application (in case of minor children the application may be by either parent) to the department and shall rest in the discretion of the department. Within the rule aforesaid the amount and value of the lump sum payment may be agreed upon between the department and applicant. In the event any payment shall be due to an alien residing in a foreign country, the department may settle the same by making a lump sum payment in such amount as may be agreed to by such alien, not to exceed fifty percent of the value of the annuity then remaining. Nothing herein shall preclude the department from making, and authority is hereby given it to make, on its own motion, lump sum payments equal or proportionate, as the case may be, to the value of the annuity then remaining, in full satisfaction of claims due to dependents. [1961 c 23 § 1961 c 23 § 51.32.130. Prior: 1957 c 70 § 45; prior: 1941 c 209 § 2; 1929 c 132 § 3; 1927 c 310 § 6(i); 1917 c 29 § 22; 1911 c 74 § 7; Rem. Supp. 1941 § 7681.]

In pension cases when a worker or beneficiary closes his or her claim by full conversion to a lump sum or in any other manner as provided in RCW 51.32.130 and 51.32.150, such action shall be conclusive and effective to bar any subsequent application or claim relative thereto by the worker or any beneficiary which would otherwise exist had such person not elected to close the claim: PROVIDED, The director may require the spouse of such worker to consent in writing as a prerequisite to conversion and/or the closing of such claim. [1977 ex.s. c 350 § 52; 1973 1st ex.s. c 154 § 98; 1961 c 23 § 51.32.135. Prior: 1953 c 143 § 1.]

51.32.140 Nonresident alien beneficiary. Except as otherwise provided by treaty, whenever compensation is payable to a beneficiary who is an alien not residing in the United States, there shall be paid fifty percent of the compensation herein otherwise provided to such beneficiary. But if a nonresident alien beneficiary is a citizen of a government having a compensation law which excludes citizens of the United States, either resident or nonresident, from partaking of the benefit of such law in as favorable a degree as herein extended to nonresident aliens, he shall receive no compensation. No payment shall be made to any beneficiary residing in any country with which the United States does not maintain diplomatic relations when such payment is due. [1971 ex.s. c 289 § 45; 1961 c 23 § 51.32.140. 51.32.150 Lump sum to beneficiary outside state. If a beneficiary shall reside or move out of the state, the department may, with the written consent of the beneficiary, convert any monthly payments provided for such cases into a lump sum payment (not in any case to exceed the value of the annuity then remaining, to be fixed and certified by the state insurance commissioner, but in no case to exceed the sum provided in RCW 51.32.130 and 51.32.150, such action shall be conclusive and effective to bar any subsequent application or claim relative thereto by the worker or any beneficiary which would otherwise exist had such person not elected to close the claim: PROVIDED, The director may require the spouse of such worker to consent in writing as a prerequisite to conversion and/or the closing of such claim. [1977 ex.s. c 323 § 18; 1961 c 23 § 51.32.150. Supp. 1949 § 7679, part.]

Severability—Effective date—1977 ex.s. c 323: See notes following RCW 51.04.040.

51.32.160 Aggravation, diminution, or termination. If aggravation, diminution, or termination of disability takes place, the director may, upon the application of the benefici-
provider proper and necessary medical and surgical services 51.32.160 that a diminution of the disability has occurred. The preceding sentence shall not apply to any closing order the rules in this section provided for the same, or in a proper prior to January 1, 1981. First closing orders issued between July 1, 1981, and July 1, 1985, shall, for the purposes of this section only, be deemed issued on July 1, 1985. The time limitation of this section shall be ten years in claims involving loss of vision or function of the eyes. If an order denying an application to reopen filed on or after July 1, 1988, is not issued within ninety days of receipt of such application by the self-insured employer or the department, such application shall be deemed granted. However, for good cause, the department may extend the time for making the final determination on the application for an additional sixty days.

If a worker receiving a pension for total disability returns to gainful employment for wages, the director may suspend or terminate the rate of compensation established for the disability without producing medical evidence that shows that a diminution of the disability has occurred.

No act done or ordered to be done by the director, or the department prior to the signing and filing in the matter of a written order for such readjustment shall be grounds for such readjustment. Supp. 1949 § 7679, part.]

51.32.180 Occupational diseases—Limitation. Every worker who suffers disability from an occupational disease in the course of employment under the mandatory or elective adoption provisions of this title, or his or her family and dependents in case of death of the worker from such disease or infection, shall receive the same compensation benefits and medical, surgical and hospital care and treatment as would be paid and provided for a worker injured or killed in employment under this title, except as follows: (a) This section and RCW 51.16.040 shall not apply where the last exposure to the hazards of the disease or infection occurred prior to January 1, 1937; and (b) for claims filed on or after July 1, 1988, the rate of compensation for occupational diseases shall be established as of the date the disease requires medical treatment or becomes totally or partially disabling, whichever occurs first, and without regard to the date of the contraction of the disease or the date of filing the claim. 51.32.185 Occupational diseases—Respiratory disease presumption for fire fighters. (1) In the case of fire fighters as defined in RCW 41.26.030(4) (a), (b), and (c) who are covered under Title 51 RCW, there shall exist a prima facie presumption that respiratory disease is an occupational disease under RCW 51.08.140. This presumption of occupational disease may be rebutted by a preponderance of the evidence controverting the presumption. Controverting evidence may include, but is not limited to, use of tobacco products, physical fitness and weight, lifestyle, hereditary factors, and exposure from other employment or nonemployment activities.

(2) The presumption established in subsection (1) of this section shall be extended to an applicable member following termination of service for a period of three calendar months for each year of requisite service, but may not extend more than sixty months following the last date of employment. [1987 c 515 § 2.]

Legislative findings—1987 c 515: "The legislature finds that the employment of fire fighters exposes them to smoke, fumes, and toxic or chemical substances. The legislature recognizes that fire fighters as a class have a higher rate of respiratory disease than the general public. The legislature therefore finds that respiratory disease should be presumed to be occupationally related for industrial insurance purposes for fire fighters." [1987 c 515 § 1.]

51.32.190 Self-insurers—Notice of denial of claim, reasons—Procedure—Director authorized to investigate and settle controversies, enact rules and regulations. (1) If the self-insurer denies a claim for compensation, written notice of such denial, clearly informing the claimant of the reasons therefor and that the director will rule on the matter shall be mailed or given to the claimant and the director within thirty days after the self-insurer has notice of the claim.

(2) Until such time as the department has entered an order in a disputed case acceptance of compensation by the claimant shall not be considered a binding determination of his or her rights under this title. Likewise the payment of compensation shall not be considered a binding determination of the obligations of the self-insurer as to future compensation payments.

(3) Upon making the first payment of income benefits, and upon stopping or changing of such benefits except where a determination of the permanent disability has been made as elsewhere provided in this title, the self-insurer shall immediately notify the director in accordance with a form to be prescribed by the director that the payment of income benefits has begun or has been stopped or changed. Where temporary disability compensation is payable, the first payment thereof shall be made within fourteen days after notice of claim and shall continue at regular semimonthly or biweekly intervals.

(4) If, after the payment of compensation without an award, the self-insurer elects to controvert the right to compensation, the payment of compensation shall not be
considered a binding determination of the obligations of the self-insurer as to future compensation payments. The acceptance of compensation by the worker or his or her beneficiaries shall not be considered a binding determination of their rights under this title.

(5) The director (a) may, upon his or her own initiative at any time in a case in which payments are being made without an award, and (b) shall, upon receipt of information from any person claiming to be entitled to compensation, from the self-insurer, or otherwise that the right to compensation is controverted, or that payment of compensation has been opposed, stopped or changed, whether or not claim has been filed, promptly make such inquiry as circumstances require, cause such medical examinations to be made, hold such hearings, require the submission of further information, make such orders, decisions or awards, and take such further action as he or she considers will properly determine the matter and protect the rights of all parties.

(6) The director, upon his or her own initiative, may make such inquiry as circumstances require or is necessary to protect the rights of all the parties and he or she may enact rules and regulations providing for procedures to ensure fair and prompt handling by self-insurers of the claims of workers and beneficiaries. These proceedings may be instituted in the superior court for the county in which the claimant resides, or, if the claimant is not then a resident of this state, in the superior court for the county in which the self-insurer may be served with process.

(2) The court shall enforce obedience to the order by proper means, enjoining compliance upon the person obligated to comply with the compensation order. The court may issue such writs and processes as are necessary to carry out its orders.

(3) A proceeding under this section does not preclude other methods of enforcement provided for in this title. [1971 ex.s. c 289 § 48.]

(4) No reduction may be made unless the worker receives notice of the reduction prior to the month in which the reduction is made.

(5) In no event shall the reduction reduce total benefits to less than the greater amount the worker may be entitled to under this title or the federal old-age, survivors and disability insurance act.

(6) The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise his discretion to waive, in whole or in part, the amount of any overpayment where the recovery would be against equity and good conscience.

(7) The amendment in subsection (1) of this section by chapter 63, Laws of 1982 raising the age limit during which the reduction shall be made from age sixty-two to age sixty-five shall apply with respect to workers whose effective entitlement to total disability compensation begins after January 1, 1983. Where greater recovery has already been made, the director, in his discretion, may make restitution in those cases where an extraordinary hardship has been created. [1979 ex.s. c 151 § 2.]

Applicability—Severability—1979 ex.s. c 151: See notes following RCW 51.32.220.

51.32.240 Payments made due to error, mistake, erroneous adjudication, fraud, etc.—Penalty—Appeal—Enforcement of orders. (1) Whenever any payment of benefits under this title is made because of clerical error, mistake of identity, innocent misrepresentation by or on behalf of the recipient thereof mistakenly acted upon, or any other circumstance of a similar nature, all not induced by fraud, the recipient thereof shall repay it and recoupment may be made from any future payments due to the recipient on any claim with the state fund or self-insurer, as the case may be.

The department or self-insurer, as the case may be, must make claim for such repayment or recoupment within one year of the making of any such payment or it will be deemed any claim therefor has been waived. The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise his discretion to waive, in whole or in part, the amount of any such timely claim where the recovery would be against equity and good conscience.

(2) Whenever the department issues an order rejecting a claim for benefits paid pursuant to RCW 51.32.190 or 51.32.210, after payment for temporary disability benefits has been paid by a self-insurer pursuant to RCW 51.32.190(3) or by the department pursuant to RCW 51.32.210, the recipient thereof shall repay such benefits and recoupment may be made from any future payments due to the recipient on any claim with the state fund or self-insurer, as the case may be. The director, under rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise discretion to waive, in whole or in part, the amount of any such payments where the recovery would be against equity and good conscience.

(3) Whenever any payment of benefits under this title has been made pursuant to an adjudication by the department or by order of the board or any court and timely appeal therefrom has been made where the final decision is that any such payment was made pursuant to an erroneous adjudication, the recipient thereof shall repay it and recoupment may be made from any future payments due to the recipient on any claim with the state fund or self-insurer, as the case may be. The director, pursuant to rules adopted in accordance
with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise his discretion to waive, in whole or in part, the amount of any such payments where the recovery would be against equity and good conscience.

(4) Whenever any payment of benefits under this title has been induced by fraud the recipient thereof shall repay any such payment together with a penalty of fifty percent of the total of any such payments and the amount of such total sum may be recouped from any future payments due to the recipient on any claim with the state fund or self-insurer against whom the fraud was committed, as the case may be, and the amount of such penalty shall be placed in the supplemental pension fund. Such repayment or recoupment must be demanded or ordered within one year of the discovery of the fraud.

(5) The worker, beneficiary, or other person affected thereby shall have the right to contest an order assessing an overpayment pursuant to this section in the same manner and to the same extent as provided under RCW 51.52.050 and 51.52.060. In the event such an order becomes final under chapter 51.52 RCW and notwithstanding the provisions of subsections (1) through (4) of this section, the director, director's designee, or self-insurer may file with the clerk in any county within the state a warrant in the amount of the sum representing the unpaid overpayment and/or penalty plus interest accruing from the date the order became final. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for such warrant and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the worker, beneficiary, or other person mentioned in the warrant, the amount of the unpaid overpayment and/or penalty plus interest accrued, and the date the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to and interest in all real and personal property of the worker, beneficiary, or other person against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of such clerk. The sheriff shall then proceed in the same manner and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the department or self-insurer in the manner provided by law in the case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee of five dollars, which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the worker, beneficiary, or other person within three days of filing with the clerk.

The director, director's designee, or self-insurer may issue to any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, a notice to withhold and deliver property of any kind if there is reason to believe that there is in the possession of such person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is due, owing, or belonging to any worker, beneficiary, or other person upon whom a warrant has been served for payments due the department or self-insurer. The notice and order to withhold and deliver shall be served by certified mail accompanied by an affidavit of service by mailing or served by the sheriff of the county, or by the sheriff's deputy, or by any authorized representative of the director, director's designee, or self-insurer. Any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired or in the notice and order to withhold and deliver. In the event there is in the possession of the party named and served with such notice and order, any property that may be subject to the claim of the department or self-insurer, such property shall be delivered forthwith to the director, the director's authorized representative, or self-insurer upon demand. If the party served and named in the notice and order fails to answer the notice and order within the time prescribed in this section, the court may, after the time to answer such order has expired, render judgment by default against the party named in the notice for the full amount, plus costs, claimed by the director, director's designee, or self-insurer in the notice. In the event that a notice to withhold and deliver is served upon an employer and the property found to be subject thereto is wages, the employer may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the wage earner may be entitled.

This subsection shall only apply to orders assessing an overpayment which are issued on or after July 28, 1991: PROVIDED, That this subsection shall apply retroactively to all orders assessing an overpayment resulting from fraud, civil or criminal.

(6) Orders assessing an overpayment which are issued on or after July 28, 1991, shall include a conspicuous notice of the collection methods available to the department or self-insurer. [1991 c 88 § 1; 1986 c 54 § 1; 1975 1st ex.s. c 224 § 13.]

Effective date—1975 1st ex.s. c 224: See note following RCW 51.04.110.

51.32.250 Payment of job modification costs. Modification of the injured worker's previous job or modification of a new job is recognized as a desirable method of returning the injured worker to gainful employment. In order to assist employers in meeting the costs of job modification, and to encourage employers to modify jobs to accommodate retaining or hiring workers with disabilities resulting from work-related injury, the supervisor or the supervisor's designee, in his or her discretion, may pay job modification costs in an amount not to exceed five thousand dollars per worker per job modification. This payment is intended to be a cooperative participation with the employer and funds shall be taken from the appropriate account within the second injury fund.

The benefits provided for in this section are available to any otherwise eligible worker regardless of the date of industrial injury. [1988 c 161 § 10; 1983 c 70 § 3; 1982 c 63 § 13.]

Severability—1983 c 70: See note following RCW 51.32.095.

[1983 c 111 § 1.]

51.32.300 State employee vocational rehabilitation coordinator. The director shall appoint a state employee vocational rehabilitation coordinator who shall provide technical assistance and coordination of claims management to state agencies and institutions of higher education under the state return-to-work programs created by RCW 41.06.490 and 28B.16.300. In the case of permanent partial disability, not to extend beyond the date when compensation shall be awarded him or her, except when the worker returned to work before permanent partial disability award is made, in such case not to extend beyond the time when monthly allowances to him or her shall cease; in case of temporary disability not to extend beyond the time when monthly allowances to him or her shall cease: PROVIDED, That after any injured worker has returned to his or her work his or her medical and surgical treatment may be continued if, and so long as, such continuation is deemed necessary by the supervisor of industrial insurance to be necessary to his or her more complete recovery; in case of a permanent total disability not to extend beyond the date on which a lump sum settlement is made with him or her or he or she is placed upon the permanent pension roll: PROVIDED, HOWEVER, That the supervisor of industrial insurance, solely in his or her discretion, may authorize continued medical and surgical treatment for conditions previously accepted by the department when such medical and surgical treatment is deemed necessary by the supervisor of industrial insurance to protect such worker's life or provide for the administration of medical and therapeutic measures including payment of prescription medications, but not including those controlled substances currently scheduled by the state board of pharmacy as Schedule I, II, III, or IV substances under chapter 69.50 RCW, which are necessary to alleviate continuing pain which results from the industrial injury. In order to authorize such continued treatment the written order of the supervisor of industrial insurance issued in advance of the continuation shall be necessary.

The supervisor of industrial insurance, the supervisor's designee, or a self-insurer, in his or her sole discretion, may authorize inoculation or other immunological treatment in cases in which a work-related activity has resulted in probable exposure of the worker to a potential infectious occupational disease. Authorization of such treatment does not bind the department or self-insurer in any adjudication of a claim by the same worker or the worker's beneficiary for an occupational disease. (7) Whenever in the sole discretion of the supervisor it is reasonable and necessary to provide residence modifications necessary to meet the needs and requirements of the worker who has sustained catastrophic injury, the department or self-insurer may be ordered to pay an amount not to exceed the state’s average annual wage for one year as determined under RCW 50.04.355, as now existing or hereafter amended, toward the cost of such modifications or construction. The foregoing provisions shall not apply to the employer if the absence of such guard or protection is due to the removal thereof by the injured worker himself or herself or with his or her knowledge by any of his or her fellow workers, unless such removal is by order or direction of the employer or superintendent or foreman of the employer, or anyone placed by the employer in control or direction of such worker. If the removal of such guard or protection is by the worker himself or herself or with his or her consent by any of his or her fellow workers, unless by order or direction of the employer or the superintendent or foreman of the employer, or anyone placed by the employer in control or direction of such worker, the schedule of compensation provided in chapter 51.32 RCW shall be reduced ten percent for the individual case of such worker. 

51.48.080 Violation of rules. Every person, firm or corporation who violates or fails to obey, observe or comply with any rule of the department promulgated under authority of this title, shall be subject to a penalty of not to exceed five hundred dollars. 

51.48.090 Collection of penalties. Civil penalties to the state under this title shall be collected by civil action in the name of the state and paid into the accident fund unless a different fund is designated. 

51.48.100 Waiver of penalties—Penalty-free periods. (1) The director may waive the whole or any part of any penalty charged under this title.
(2) Until June 30, 1986: (a) The director may, at his or her discretion, declare a penalty-free period of no more than three months only for employers who have never previously registered under RCW 51.16.110 for eligible employees under Title 51 RCW; and (b) such employers may qualify once for penalty-free status upon payment of up to one year’s past due premium in full and satisfaction of the requirements of RCW 51.16.110. Such employers shall be subject to all penalties for any subsequent failure to comply with the requirements of this title. [1985 c 227 § 1; 1961 c 23 § 51.48.100. Prior: 1947 c 247 § 1, part; Rem. Supp. 1947 § 7676d, part.]

51.48.103 Penalties for engaging in business without certificate of coverage. (1) It is unlawful:
   (a) For any employer to engage in business subject to this title without having obtained a certificate of coverage as provided for in this title;
   (b) For the president, vice-president, secretary, treasurer, or other officer of any company to cause or permit the company to engage in business subject to this title without having obtained a certificate of coverage as provided for in this title.

   Any person violating any of the provisions of this subsection is guilty of a gross misdemeanor punishable under RCW 9A.20.021.

   (2) It is unlawful:
   (a) For any employer to engage in business subject to this title after the employer's certificate of coverage has been revoked by order of the department;
   (b) For the president, vice-president, secretary, treasurer, or other officer of any company to cause or permit the company to engage in business subject to this title after revocation of a certificate of coverage.

   Any person violating any of the provisions of this subsection is guilty of a class C felony punishable under RCW 9A.20.021. [1986 c 9 § 12.]

51.48.105 Penalties for failure to apply for coverage of employees—Not applicable, when. The penalties provided under this title for failure to apply for coverage for employees as required by the provisions of Title 51 RCW, the worker's compensation law, shall not be applicable prior to March 1, 1972, as to any employer whose work first became subject to this title on or after January 1, 1972. [1977 ex.s. c 350 § 73; 1972 ex.s. c 78 § 1.]

51.48.110 Decedent having no beneficiaries—Payment into supplemental pension fund. Where death results from the injury or occupational disease and the deceased leaves no beneficiaries, a self-insurer shall pay into the supplemental pension fund the sum of ten thousand dollars. [1986 c 56 § 1; 1971 ex.s. c 289 § 65.]

Effective dates—Severability—1971 ex.s. c 289: See RCW 51.98.060 and 51.98.070.

51.48.120 Notice of assessment for default in payments by employer—Issuance—Service—Contents. If any employer should default in any payment due to the state fund the director or the director's designee may issue a notice of assessment certifying the amount due, which notice shall be served upon the employer by mailing such notice to the employer by certified mail to the employer's last known address, accompanied by an affidavit of service by mailing, or served in the manner prescribed for the service of a summons in a civil action. Such notice shall contain the information that an appeal must be filed with the board of industrial insurance appeals and the director by mail or personally within thirty days of the date of service of the notice of assessment in order to appeal the assessment unless a written request for reconsideration is filed with the department of labor and industries. [1986 c 9 § 10; 1985 c 315 § 6; 1972 ex.s. c 43 § 32.]

51.48.131 Notice of assessment for default in payments by employer—Appeal. A notice of assessment becomes final thirty days from the date the notice of assessment was served upon the employer unless: (1) A written request for reconsideration is filed with the department of labor and industries, or (2) an appeal is filed with the board of industrial insurance appeals and sent to the director of labor and industries by mail or delivered in person. The appeal shall not be denied solely on the basis that it was not filed with both the board and the director if it was filed with either the board or the director. The appeal shall set forth with particularity the reason for the employer's appeal and the amounts, if any, that the employer admits are due.

The department, within thirty days after receiving a notice of appeal, may modify, reverse, or change any notice of assessment, or may hold any such notice of assessment in abeyance pending further investigation, and the board shall thereupon deny the appeal, without prejudice to the employer's right to appeal from any subsequent determinative notice of assessment issued by the department.

The burden of proof rests upon the employer in an appeal to prove that the taxes and penalties assessed upon the employer in the notice of assessment are incorrect. The department shall promptly transmit its original record, or a legible copy thereof, produced by mechanical, photographic, or electronic means, in such matter to the board. RCW 51.52.080 through 51.52.106 govern appeals under this section. Further appeals taken from a final decision of the board under this section are governed by the provisions relating to judicial review of administrative decisions contained in RCW 34.05.510 through 34.05.598, and the department has the same right of review from the board's decisions as do employers. [1989 c 175 § 120; 1987 c 316 § 3; 1985 c 315 § 7.]

Effective date—1989 c 175: See note following RCW 34.05.010.

51.48.140 Notice of assessment for default in payments by employer—When amount becomes final—Warrant—Execution—Garnishment—Fees. If a notice of appeal is not served on the director and the board of industrial insurance appeals pursuant to RCW 51.48.131 within thirty days from the date of service of the notice of assess-
ment, or if a final decision and order of the board of industrial insurance appeals in favor of the department is not appealed to superior court in the manner specified in RCW 34.05.510 through 34.05.598, or if a final decision of any court in favor of the department is not appealed within the time allowed by law, then the amount of the unappealed assessment, or such amount of the assessment as is found due by the final decision and order of the board of industrial insurance appeals or final decision of the court shall be deemed final and the director or the director's designee may file with the clerk of any county within the state a warrant in the amount of the notice of assessment. The clerk of the county wherein the warrant is filed shall immediately designate a superior court cause number for such warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of such employer mentioned in the warrant, the amount of the taxes and penalties due thereon, and the date when such warrant was filed. The aggregate amount of such warrant as docketed shall become a lien upon the title to, and interest in all real and personal property of the employer against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. The sheriff shall thereupon proceed upon the same in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee of five dollars, which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the employer within three days of filing with the clerk. [1989 c 175 § 121; 1985 c 315 § 8; 1972 ex.s. c 43 § 34.]

Effective date—1989 c 175: See note following RCW 34.05.010.

51.48.150 Notice of assessment for default in payments by employer—Notice to withhold and deliver property due employer. The director or the director's designee is hereby authorized to issue to any person, firm, corporation, municipal corporation, political subdivision of the state, a public corporation, or any agency of the state, a notice and order to withhold and deliver property of any kind whatsoever when he or she has reason to believe that there is in the possession of such person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or any agency of the state, property which is or shall become due, owing, or belonging to any employer upon whom a notice of assessment has been served by the department for payments due to the state fund. The effect of a notice and order to withhold and deliver shall be continuous from the date such notice and order to withhold and deliver is first made until the liability out of which such notice and order to withhold and deliver arose is satisfied or becomes unenforceable because of lapse of time. The department shall release the notice and order to withhold and deliver when the liability out of which the notice and order to withhold and deliver arose is satisfied or becomes unenforceable by reason of lapse of time and shall notify the person against whom the notice and order to withhold and deliver was made that such notice and order to withhold and deliver has been released.

The notice and order to withhold and deliver shall be served by the sheriff of the county or by the sheriff's deputy, or by any duly authorized representatives of the director. Any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation or any agency of the state upon whom service has been made is hereby required to answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order to withhold and deliver. In the event there is in the possession of the party named and served with a notice and order to withhold and deliver, any property which may be subject to the claim of the department, such property shall be delivered forthwith to the director or the director's duly authorized representative upon service of the notice to withhold and deliver which will be held in trust by the director for application on the employer's indebtedness to the department, or for return without interest, in accordance with a final determination of a petition for review, or in the alternative such party shall furnish a good and sufficient surety bond satisfactory to the director conditioned upon final determination of liability. Should any party served and named in the notice to withhold and deliver fail to make answer to such notice and order to withhold and deliver, within the time prescribed herein, it shall be lawful for the court, after the time to answer such order has expired, to render judgment by default against the party named in the notice to withhold and deliver for the full amount claimed by the director in the notice to withhold and deliver together with costs. In the event that a notice to withhold and deliver is served upon an employer and the property found to be subject thereto is wages, then the employer shall be entitled to assert in the answer to all exemptions provided for by chapter 6.27 RCW to which the wage earner may be entitled. [1987 c 442 § 1119; 1986 c 9 § 11; 1972 ex.s. c 43 § 35.]

51.48.160 Revocation of certificate of coverage for failure to pay warrants or taxes. If any warrant issued under this title is not paid within thirty days after it has been filed with the clerk of the superior court, or if any employer is delinquent, for three consecutive reporting periods, in the transmission to the department of taxes due, the department may, by order issued under its official seal, revoke the certificate of coverage of the employer against whom the warrant was issued; and if the order is entered, a copy thereof shall be posted in a conspicuous place at the main entrance to the employer's place of business and shall remain posted until such time as the warrant has been paid. Any certificate so revoked shall not be reinstated, nor shall a new certificate of coverage be issued to the employer, until the amount due on the warrant has been paid, or provisions for payment satisfactory to the department have been entered, and until the taxpayer has deposited with the department such security for payment of any taxes, increases, and penalties, due or which may become due in an amount and under such terms and conditions as the department may require, but the amount of the security shall not be greater
51.48.170 Emergency assessment and collection of taxes. If the director or the director's designee has reason to believe that an employer is insolvent or about to cease business, leave the state, or remove or dissipate assets out of which taxes or penalties might be satisfied, and the collection of any taxes accrued will be jeopardized by delaying collection, the director or the director's designee may make an immediate assessment thereof and may proceed to enforce collection immediately under the terms of RCW 51.48.180 and 51.48.190, but interest and penalties shall not begin to accrue upon any taxes until the date when such taxes would normally have become delinquent. [1986 c 9 § 14.]

51.48.180 Emergency assessment and collection of taxes—Distraint and sale of property. If the amount of taxes, interest, or penalties assessed by the director or the director's designee by order and notice of assessment pursuant to RCW 51.48.170 is not paid within ten days after the service or mailing of the order and notice of assessment, the director or the director's designee may collect the amount stated in said assessment by the distraint, seizure, and sale of the property, goods, chattels, and effects of the delinquent employer. There shall be exempt from distraint and sale under this section such goods and property as are exempt from execution under the laws of this state. [1986 c 9 § 15.]

51.48.190 Emergency assessment and collection of taxes—Distraint and sale of property—Conduct of sale. The director or the director's designee, upon making a distraint pursuant to RCW 51.48.170 and 51.48.180, shall seize the property and shall make an inventory of the property distraint, a copy of which shall be mailed to the owner of such property or personally delivered to the owner, and shall specify the time and place when the property shall be sold. A notice specifying the property to be sold and the time and place of sale shall be posted in at least two public places in the county wherein the seizure has been made. The time of sale shall be not less than twenty days from the date of posting of such notices. The sale may be adjourned from time to time at the discretion of the director or the director's designee, but not for a time to exceed in all sixty days. No sale shall take place if an appeal is pending. The sale shall be conducted by the director or the director's designee who shall proceed to sell such property by parcel or by lot at a public auction, and who may set a minimum price to include the expenses of making a levy and of advertising the sale, and if the amount bid for such property at the sale is not equal to the minimum price so fixed, the director or the director's designee may declare such property to be purchased by the department for such minimum price. In such event the delinquent account shall be credited with the amount for which the property has been sold. Property acquired by the department as herein prescribed may be sold by the director or the director's designee at public or private sale, and the amount realized shall be placed in the state of Washington industrial insurance fund.

51.48.200 Search and seizure of property to satisfy tax warrant or assessment—Issuance and execution of search warrant. (1) When there is probable cause to believe that there is property within this state not otherwise exempt from process or execution in the possession or control of any employer against whom a tax warrant issued under RCW 51.48.140 has been filed which remains unsatisfied, or an assessment issued pursuant to RCW 51.48.170, any judge of the superior court or district court in the county in which such property is located may, upon the request of the sheriff or agent of the department authorized to collect taxes, issue a warrant directed to the officers commanding the search for and seizure of the property described in the request for warrant.

(2) The procedure for the issuance, and execution and return of the warrant authorized by this section and for return of any property seized shall be the criminal rules of the superior court and the district court.

(3) The sheriff or agent of the department shall levy execution upon property seized under this section as provided in RCW 51.48.220 and 51.48.230.

(4) This section does not require the application for or issuance of any warrant not otherwise required by law. [1986 c 9 § 17.]

51.48.210 Delinquent taxes—Penalties. If payment of any tax due is not received by the department by the due date, there shall be assessed a penalty of five percent of the amount of the tax for the first month or part thereof of delinquency; there shall be assessed a total penalty of ten percent of the amount of the tax for the second month or part thereof of delinquency; and there shall be assessed a total penalty of twenty percent of the amount of the tax for the third month or part thereof of delinquency. No penalty so added may be less than ten dollars. If a warrant is issued by the department for the collection of taxes, increases, and penalties, there shall be added thereto a penalty of five percent of the amount of the tax, but not less than five dollars nor greater than one hundred dollars. In addition,
delinquent taxes shall bear interest at the rate of one percent of the delinquent amount per month or fraction thereof from and after the due date until payment, increases, and penalties are received by the department. [1987 c 111 § 8; 1986 c 9 § 18.]

Conflict with federal requirements—Severability—Effective date—
1987 c 111: See notes following RCW 50.12.220.

51.48.220 Order of execution upon property—Procedure.—Sale. The department may issue an order of execution, pursuant to a filed warrant, under its official seal directed to the sheriff of the county in which the warrant has been filed, commanding the sheriff to levy upon and sell the real and/or personal property of the taxpayer found within the county, or so much thereof as may be necessary, for the payment of the amount of the warrant, plus the cost of executing the warrant, and return the warrant to the department and pay to it the money collected by virtue thereof within sixty days after the receipt of the warrant. The sheriff shall thereupon proceed upon the same in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgments of the superior court.

The sheriff shall be entitled to fees as provided by law for services in levying execution on a superior court judgment and the clerk shall be entitled to a filing fee as provided by law, which shall be added to the amount of the warrant.

The proceeds received from any sale shall be credited upon the amount due under the warrant and when the final amount due is received, together with interest, penalties, and costs, the judgment docket shall show the claim for taxes to be satisfied and the clerk of the court shall note upon the docket. Any surplus received from any sale of property shall be paid to the taxpayer or to any lien holder entitled thereto. If the return on the warrant shows that the same has not been satisfied in full, the amount of the deficiency shall remain the same as a judgment against the taxpayer which may be collected in the same manner as the original amount of the warrant. [1986 c 9 § 21.]

51.48.230 Order of execution upon property—Agents of department authorized to enforce. In the discretion of the department, an order of execution of like terms, force, and effect may be issued and directed to any agent of the department authorized to collect taxes, and in the execution thereof such agent shall have all the powers conferred by law upon sheriffs, but shall not be entitled to any fee or compensation in excess of the actual expenses paid in the performance of such duty, which shall be added to the amount of the warrant. [1986 c 9 § 22.]

51.48.240 Agents and employees of department not personally liable—Conditions. When recovery is had in any suit or proceeding against an officer, agent, or employee of the department for any act done by that person or for the recovery of any money exacted by or paid to that person and by that person paid over to the department, in the performance of the person's official duty, and the court certifies that there was probable cause for the act done by such officer, agent, or employee, or that he or she acted under the direction of the department or an officer thereof, no execution shall issue against such officer, agent, or employee, but the amount so recovered shall, upon final judgment, be paid by the department as an expense of operation. [1986 c 9 § 23.]

51.48.250 Liability of persons wilfully obtaining erroneous payments—Civil penalties. (1) No person, firm, corporation, partnership, association, agency, institution, or other legal entity, but not including an industrially injured recipient of health service, shall, on behalf of himself or others, obtain or attempt to obtain payments under this chapter in a greater amount than that to which entitled by means of:

Such person or other entity shall further, in addition to any other penalties provided by law, be subject to civil penalties. The director of the department of labor and industries may assess civil penalties in an amount not to exceed the greater of one thousand dollars or three times the amount of such excess benefits or payments: PROVIDED, That these civil penalties shall not apply to any acts or omissions occurring prior to April 1, 1986.

(3) A criminal action need not be brought against a person, firm, corporation, partnership, association, agency, institution, or other legal entity for that person or entity to be civilly liable under this section.

Any person, firm, corporation, partnership, association, agency, institution, or other legal entity, but not including an industrially injured recipient of health services, that, without intent to violate this chapter, obtains payments under Title 51 RCW to which such person or entity is not entitled, shall be liable for:

(1) Any excess payments received; and

(2) Interest on the amount of excess payments at the rate of one percent each month for the period from the date upon which payment was made to the date upon which repayment is made to the state. [1986 c 200 § 3.]

Chapter 51.52

Title 51 RCW: Industrial Insurance

51.52.010 Board of industrial insurance appeals. There shall be a "board of industrial insurance appeals," hereinafter called the "board," consisting of three members appointed by the governor, with the advice and consent of the senate, as hereinafter provided. One shall be a representative of the public and a lawyer, appointed from a mutually agreed to list of not less than three active members of the Washington state bar association, submitted to the governor by the two organizations defined below, and such member shall be the chairperson of said board. The second member shall be a representative of the majority of workers engaged in employment under this title and selected from a list of not less than three names submitted to the governor by an organization, state-wide in scope, which through its affiliates embraces a cross section and a majority of the organized labor of the state. The third member shall be a representative of employers under this title, and appointed from a list of at least three names submitted to the governor by a recognized state-wide organization of employers, representing a majority of employers. The initial terms of office of the members of the board shall be for six, four, and two years respectively. Thereafter all terms shall be for a period of six years. Each member of the board shall be eligible for reappointment and shall hold office until his or her successor is appointed and qualified. In the event of a vacancy the governor is authorized to appoint a successor to fill the unexpired term of his or her predecessor. All appointments to the board shall be made in conformity with the foregoing plan. Whenever the workload of the board and its orderly and expeditious disposition shall necessitate, the governor may appoint two additional pro-tem members in addition to the regular members. Such appointments shall be for a definite period of time, and shall be made from lists submitted respectively by labor and industry as in the case of regular members. One pro-tem member shall be a representative of labor and one shall be a representative of industry. 51.52.095 Conference for disposal of matters involved in appeal—Mediation of disputes. (1) The board, upon request of the worker, beneficiary, or employer, or upon its own motion, may direct all parties interested in an appeal, together with their attorneys, if any, to appear before it, a member of the board, or an authorized industrial appeals judge, for a conference for the purpose of determining the feasibility of settlement, the simplification of issues of law and fact, the necessity of amendments to the notice of appeal or other pleadings, the possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof, the limitation of the number of expert witnesses, and such other matters as may aid in the disposition of the appeal. Such conference may be held prior to the hearing, or it may be held during the hearing, at the discretion of the board member or industrial appeals judge conducting the same, in which case the hearing will be recessed for such conference. Following the conference, the board member or industrial appeals judge conducting the same, shall state on the record the results of such conference, and the parties present or their representatives shall state their concurrence on the record. Such agreement as stated on the record shall control the subsequent course of the proceedings, unless modified at a subsequent hearing to prevent manifest injustice. If agreement concerning final disposition of the appeal is reached by the parties present at the conference, or by the employer and worker or beneficiary, the board may enter a final decision and order in accordance therewith, providing the board finds such agreement is in conformity with the law and the facts.

(2) In order to carry out subsection (1) of this section, the board shall develop expertise to mediate disputes informally. Where possible, industrial appeals judges with a demonstrated history of successfully resolving disputes or who have received training in dispute resolution techniques shall be appointed to perform mediation functions. No industrial appeals judge who mediates in a particular appeal may, without the consent of the parties, participate in writing the proposed decision and order in the appeal: PROVIDED, That this shall not prevent an industrial appeals judge from issuing a proposed decision and order responsive to a motion for summary disposition or similar motion. This section shall not operate to prevent the board from developing additional methods and procedures to encourage resolution of disputes by agreement or otherwise making efforts to reduce adjudication time. [1986 c 10 § 1; 1985 c 209 § 2; 1982 c 109 § 7; 1977 ex.s. c 350 § 78; 1963 c 148 § 3; 1963 c 6 § 1; 1961 c 23 § 51.52.095. Prior: 1951 c 225 § 10.]

51.52.100 Proceedings before board—Contempt. Hearings shall be held in the county of the residence of the worker or beneficiary, or in the county where the injury occurred, at a place designated by the board. Such hearing shall be de novo and summary, but no witness' testimony shall be received unless he or she shall first have been sworn to testify the truth, the whole truth and nothing but the truth in the matter being heard, or unless his or her testimony shall have been taken by deposition according to the statutes and rules relating to superior courts of this state. The department shall be entitled to appear in all proceedings before the board and introduce testimony in support of its order. The board shall cause all oral testimony to be stenographically reported and thereafter transcribed, and when transcribed, the same, with all depositions, shall be filed in, and remain a part of, the record on the appeal. Such hearings on appeal to the board may be conducted by one or more of its members, or a duly authorized industrial appeals judge, and depositions may be taken by a person duly commissioned for the purpose by the board.

Members of the board, its duly authorized industrial appeals judges, and all persons duly commissioned by it for the purpose of taking depositions, shall have power to administer oaths; to preserve and enforce order during such hearings; to issue subpoenas for, and to compel the attendance and testimony of, witnesses, or the production of books, papers, documents, and other evidence, or the taking of depositions before any designated individual competent to administer oaths, and it shall be their duty so to do to examine witnesses; and to do all things conformable to law which may be necessary to enable them, or any of them, effectively to discharge the duties of his or her office.

If any person in proceedings before the board disobeys or resists any lawful order or process, or misbehaves during a hearing or so near the place thereof as to obstruct the same, or neglects to produce, after having been ordered to do so, any pertinent book, paper or document, or refuses to appear after having been subpoenaed, or upon appearing refuses to take oath as a witness, or after having the oath refuses to be examined according to law, the board or any member or duly authorized industrial appeals judge may
certify the facts to the superior court having jurisdiction in the place in which said board or member or industrial appeals judge is sitting; the court shall thereupon, in a summary manner, hear the evidence as to the acts complained of, and, if the evidence so warrants, punish such person in the same manner and to the same extent as for a contempt committed before the court, or commit such person upon the same conditions as if the doing of the forbidden act had occurred with reference to the proceedings, or in the presence, of the court. [1982 c 109 § 8; 1977 ex.s. c 350 § 79; 1963 c 148 § 4; 1961 c 23 § 51.52.100. Supp. 1949 § 7697, part.]

51.52.102 Hearing the appeal—Dismissal for failure to present evidence—Evidence—Continuances. At the time and place fixed for hearing each party shall present all his evidence with respect to the issues raised in the notice of appeal, and if any party fails so to do, the board may determine the issues upon such evidence as may be presented to it at said hearing, or if an appealing party who has the burden of going forward with the evidence fails to present any evidence, the board may dismiss the appeal: PROVIDED, That for good cause shown in the record to prevent hardship, the board may grant continuances upon application of any party, but such continuances, when granted, shall be to a time and place certain within the county where the initial hearing was held unless it shall appear that a continuance elsewhere is required in justice to interested parties: AND PROVIDED FURTHER, That the board may continue hearings on its own motion to secure in an impartial manner such evidence, in addition to that presented by the parties, as the board, in its opinion, deems necessary to decide the appeal fairly and equitably, but such additional evidence shall be received subject to any objection as to its admissibility, and, if admitted in evidence all parties shall be given the same. Filing of a petition for review is perfected by mailing or personally delivering the petition to the board’s offices in Olympia. Such petition for review shall set forth in detail the grounds therefor and the party or parties filing the same shall be deemed to have waived all objections or irregularities not specifically set forth therein.

In the event no petition for review is filed as provided herein by any party, the proposed decision and order of the industrial appeals judge shall be adopted by the board and become the decision and order of the board, and no appeal may be taken therefrom to the courts. If an order adopting the proposed decision and order is not formally signed by the board on the day following the date the petition for review of the proposed decision and order is due, said proposed decision and order shall be deemed adopted by the board and become the decision and order of the board, and no appeal may be taken therefrom to the courts. After the filing of a petition or petitions for review as provided for in RCW 51.52.104, the proposed decision and order of the industrial appeals judge, petition or petitions for review and, in its discretion, the record or any part thereof, may be considered by the board and on agreement of at least two of the regular members thereof, the board may, upon twenty days after the receipt of such petition or petitions, decline to review the proposed decision and order and thereupon deny the petition or petitions. In such event all parties shall forthwith be notified in writing of said denial: PROVIDED, That if a petition for review is not denied within said twenty days it shall be deemed to have been granted. If the petition for review is granted, the proposed decision and order, the petition or petitions for review and the record or any part thereof deemed necessary shall be considered by a panel of at least two of the members of the board, on which not more than one industry and one labor member serve. The chairman may be a member of any panel. The decision and order of any such panel shall be the decision and order of the board. Every final decision and order rendered by the board shall be in writing and shall contain findings and conclusions as to each contested issue of fact and law, as well as the board’s order based thereon. The board shall, in all cases, render a final decision and order within one hundred and eighty days from the date a petition for review is filed. A copy of the decision and order, including the findings and conclusions, shall be mailed to each party to the appeal and to his attorney of record. In cases involving injured workers, an appeal to the superior court shall be to the superior court of the county of residence of the worker or beneficiary, as shown by the department's records, or to the superior court of the county wherein the injury occurred or where neither the county of residence nor the county wherein the injury occurred are in the state of Washington then the appeal may be directed to the superior court for Thurston county. If the case is one involving a self-insurer, a copy of the notice of appeal shall also be served by mail, or personally, on such self-insurer. The department shall, in all cases not involving a self-insurer, within twenty days after the receipt of such notice of appeal, serve and file its notice of appearance and such appeal shall thereupon be deemed at issue. If the case is one involving a self-insurer, such self-insurer shall, within twenty days after receipt of such notice of appeal, serve and file its notice of appearance and such appeal shall thereupon be deemed to be at issue. In such cases the department may appear and take part in any proceedings. The board shall serve upon the appealing party, the director, the self-insurer if the case involves a self-insurer, and any other party appearing at the board's proceeding, and file with the clerk of the court before trial, a certified copy of the board's official record which shall include the notice of appeal and other pleadings, testimony and exhibits, and the board's decision and order, which shall become the record in such case. No bond shall be required on appeals to the superior court or on review by the supreme court or the court of appeals, except that an appeal by the employer from a decision and order of the board under RCW 51.48.070, shall be ineffectual unless, within five days following the service of notice thereof, a bond, with surety satisfactory to the court, shall be filed, conditioned to perform the judgment of the court. Except in the case last named an appeal shall not be a stay: PROVIDED, HOWEVER, That whenever the board has made any decision and order reversing an order of the supervisor of industrial insurance on questions of law or mandatory administrative actions of the director, the department shall have the right of appeal to the superior court. 51.52.112 Court appeal—Payment of taxes, penalties, and interest required. All taxes, penalties, and interest shall be paid in full before any action may be instituted in any court to contest all or any part of such taxes, penalties, or interest unless the court determines that there would be an undue hardship to the employer. In the event an employer prevails in a court action, the employer shall be allowed interest on all taxes, penalties, and interest paid by the employer but determined by a final order of the court to not be due, from the date such taxes, penalties, and interest were paid. Interest shall be at the rate allowed by law as prejudgment interest. [1986 c 9 § 19.]

The proceedings in every such appeal shall be informal and summary, but full opportunity to be heard shall be had before judgment is pronounced. In all court proceedings under or pursuant to this title the findings and decision of the board shall be prima facie correct and the burden of proof shall be upon the party attacking the same. If the court shall determine that the board has acted within its power and has correctly construed the law and found the facts, the decision of the board shall be confirmed; otherwise, it shall be reversed or modified. In case of a modification or reversal the superior court shall refer the same to the department with an order directing it to proceed in accordance with the findings of the court: PROVIDED, That in all cases not involving a trial by jury upon demand, and the jury's verdict shall have the same force and effect as in actions at law. Where the court submits a case to the jury, the court shall by instruction advise the jury of the exact findings of the board on each material issue before the court. [1961 c 23 § 51.52.115. Such reasonable fee shall be fixed by the director or the director's designee for services performed by an attorney for such worker or beneficiary, if written application therefor is made by the attorney, worker, or beneficiary within one year from the date the final decision and order of the department is communicated to the party making the application.

(2) If, on appeal to the board, the order, decision, or award of the department is reversed or modified and additional relief is granted to a worker or beneficiary, or in cases where a party other than the worker or beneficiary is the appealing party and the worker's or beneficiary's right to relief is sustained by the board, the board shall fix a reasonable fee for the services of his or her attorney in proceedings before the board if written application therefor is made by the attorney, worker, or beneficiary within one year from the date the final decision and order of the board is communicated to the party making the application. In fixing the amount of such attorney's fee, the board shall take into consideration the fee allowed, if any, by the director, for services before the department, and the board may review the fee fixed by the director or the board or the court, pursuant to RCW 51.52.132. Chapter 52.04

ANNEXATION

Sections
52.04.001 Actions subject to review by boundary review board. Actions taken under chapter 52.04 RCW may be subject to potential review by a boundary review board under chapter 36.93 RCW. [1989 c 84 § 42.]

52.04.011 Annexation of territory by election method—Procedure—Indebtedness—Election dispensed with, when. (1) A territory contiguous to a fire protection district and not within the boundaries of a city, town, or other fire protection district may be annexed to the fire protection district by petition of fifteen percent of the qualified registered electors residing within the territory proposed to be annexed. Such contiguous territory may be located in a county or counties other than the county or counties within which the fire protection district is located. The petition shall be filed with the fire commissioners of the fire protection district and if the fire commissioners concur in the petition they shall file the petition with the county auditor of the county within which the territory is located. If this territory is located in more than one county, the original petition shall be filed with the auditor of the county within which the largest portion of the territory is located, who shall be designated as the lead auditor, and a copy shall be filed with the auditor of each other county within which such territory is located. Within thirty days after the date of [Title 52 RCW—page 3]
the filing of the petition the auditor shall examine the signatures on the petition and certify to the sufficiency or insufficiency of the signatures. If this territory is located in more than one county, the auditor of each other county who receives a copy of the petition shall examine the signatures and certify to the lead auditor the number of valid signatures and the number of registered voters residing in that portion of the territory that is located within the county. The lead auditor shall certify the sufficiency or insufficiency of the signatures.

After the county auditor has certified the sufficiency of the petition, the county legislative authority or authorities, or the boundary review board or boards, of the county or counties in which such territory is located shall consider the proposal under the same basis that a proposed incorporation of a fire protection district is considered, with the same authority to act on the proposal as in a proposed incorporation, as provided under chapter 52.02 RCW. If the proposed annexation is approved by the county legislative authority or boundary review board, the board of fire commissioners shall adopt a resolution requesting the county auditor to call a special election, as specified under RCW 29.13.020, at which the ballot proposition is to be submitted. No annexation shall occur when the territory proposed to be annexed is located in more than one county unless the county legislative authority or boundary review board of each county approves the proposed annexation.

(2) The county legislative authority or authorities of the county or counties within which such territory is located have the authority and duty to determine on an equitable basis, the amount of any obligation which the territory to be annexed to the district shall assume to place the property and shall be accompanied by a plat which outlines the boundaries of the territory to be annexed as a result of the benefits of annexing to a district previously supported by the property owners of the existing district. If a boundary review board has had its jurisdiction invoked on the proposal and approves the proposal, the county legislative authority of the county within which such territory is located may exercise the authority granted in this subsection and require such an assumption of indebtedness. This obligation may be paid to the district in yearly benefit charge installments to be fixed by the county legislative authority. This benefit charge shall be collected with the annual tax levies against the property in the annexed territory until fully paid. The amount of the obligation and the plan of payment established by the county legislative authority shall be described in general terms in the notice of election for annexation and shall be described in the ballot proposition on the proposed annexation that is presented to the voters for their approval or rejection. Such benefit charge shall be limited to an amount not to exceed a total of fifty cents per thousand dollars of assessed valuation: PROVIDED, HOWEVER, That the special election on the proposed annexation shall be held only within the boundaries of the territory proposed to be annexed to the fire protection district.

(3) On the entry of the order of the county legislative authority incorporating the territory into the existing fire protection district, the territory shall become subject to the indebtedness, bonded or otherwise, of the existing district. If the petition is signed by sixty percent of the qualified registered electors residing within the territory proposed to be annexed, and if the board of fire commissioners concur, an election in the territory and a hearing on the petition shall be dispensed with and the county legislative authority shall enter its order incorporating the territory into the existing fire protection district. [1989 c 63 § 8; 1984 c 230 § 22; 1973 1st ex.s. c 195 § 49; 1965 ex.s. c 18 § 1; 1959 c 237 § 3; 1947 c 254 § 5; 1945 c 162 § 2; 1941 c 70 § 3; Rem. Supp. 1947 § 5654-116a. Formerly RCW 52.08.060.]

52.04.021 Annexation by petition method—Alternative to election method. The method of annexation provided for in RCW 52.04.031, 52.04.041, and 52.04.051 shall be an alternate method to that specified in RCW 52.04.011. [1984 c 230 § 23; 1965 c 59 § 1. Formerly RCW 52.08.065.]

52.04.031 Annexation by petition method—Petition—Signers—Content. A petition for annexation of an area contiguous to a fire district shall be in writing, addressed to and filed with the board of fire commissioners of the district to which annexation is desired. Such contiguous territory may be located in a county or counties other than the county or counties within which the fire protection district is located. It must be signed by the owners, according to the records of the county auditor or auditors, of not less than sixty percent of the area of land included in the annexation petition, shall set forth a legal description of the property and shall be accompanied by a plat which outlines the boundaries of the property to be annexed. The petition shall state the financial obligation, if any, to be assumed by the area to be annexed. [1984 c 230 § 24; 1973 1st ex.s. c 195 § 3; 1965 c 59 § 2. Formerly RCW 52.08.066.]

52.04.041 Annexation by petition method—Hearing—Notice. If the petition for annexation filed with the board of commissioners complies with the requirements of law, the board may accept the petition, fix a date for public hearing, and publish notice of the hearing in a newspaper of general circulation in the area proposed to be annexed and also post the notice in three public places within the area proposed for annexation. The notice shall specify the time and place of the hearing and invite interested persons to attend. The expense of publication of the notice shall be paid by the district. [1984 c 230 § 25; 1965 c 59 § 3. Formerly RCW 52.08.067.]

52.04.051 Annexation by petition method—Resolution providing for annexation. After the hearing, the board of fire commissioners shall determine by resolution whether the area shall be annexed. It may annex all or any portion of the proposed area but may not include in the annexation property not described in the petition. The proposed annexation shall be subject to action by the county legislative authority, as provided under RCW 52.04.011, to the same extent as if the annexation were done under the election method of annexation. If the area proposed to be annexed under this procedure is reduced, the annexation shall occur only if the owners of not less than sixty percent of the
remaining area have signed the petition. After adoption of the resolution a copy shall be filed with the county legislative authority or authorities within which the territory is located. [1989 c 63 § 10; 1984 c 230 § 26; 1965 c 59 § 4. Formerly RCW 52.08.068.]

52.04.056 Withdrawal or reannexation of areas. (1) As provided in this section, a fire protection district may withdraw areas from its boundaries, or reannex areas into the fire protection district that previously had been withdrawn from the fire protection district under this section.

(2) The withdrawal of an area shall be authorized upon:
(a) Adoption of a resolution by the board of fire commissioners requesting the withdrawal and finding that, in the opinion of the board, inclusion of this area within the fire protection district will result in a reduction of the district's tax levy rate under the provisions of RCW 84.52.010; and
(b) adoption of a resolution by the city or town council approving the withdrawal, if the area is located within the city or town, or adoption of a resolution by the county legislative authority or authorities of the county or counties within which the area is located approving the withdrawal, if the area is located outside of a city or town. A withdrawal shall be effective at the end of the day on the thirty-first day of December in the year in which the resolutions are adopted, but for purposes of establishing boundaries for property tax purposes, the boundaries shall be established immediately upon the adoption of the second resolution.

The authority of an area to be withdrawn from a fire protection district as provided under this section is in addition, and not subject, to the provisions of RCW 52.04.101.

The withdrawal of an area from the boundaries of a fire protection district shall not exempt any property therein from taxation for the purpose of paying the costs of redeeming any indebtedness of the fire protection district existing at the time of the withdrawal.

(3) An area that has been withdrawn from the boundaries of a fire protection district under this section may be reannexed into the fire protection district upon: (a) Adoption of a resolution by the board of fire commissioners proposing the reannexation; and (b) adoption of a resolution by the city or town council approving the reannexation, if the area is located within the city or town, or adoption of a resolution by the county legislative authority or authorities of the county or counties within which the area is located approving the reannexation, if the area is located outside of a city or town. The reannexation shall be effective at the end of the day on the thirty-first day of December in the year in which the adoption of the second resolution occurs, but for purposes of establishing boundaries for property tax purposes, the boundaries shall be established immediately upon the adoption of the second resolution. Referendum action on the proposed reannexation may be taken by the voters of the area proposed to be reannexed if a petition calling for a referendum is filed with the city or town council, or county legislative authority or authorities, within a thirty-day period after the adoption of the second resolution, which petition has been signed by registered voters of the area proposed to be reannexed equal in number to ten percent of the total number of the registered voters residing in that area. If a valid petition signed by the requisite number of registered voters has been so filed, the effect of the resolutions shall be held in abeyance and a ballot proposition to authorize the reannexation shall be submitted to the voters of the area at the next special election date specified in *RCW 29.13.020 that occurs forty-five or more days after the petitions have been validated. Approval of the ballot proposition authorizing the reannexation by a simple majority vote shall authorize the reannexation. [1989 c 63 § 11; 1987 c 138 § 3.]

*Reviser's note: As enacted by 1987 c 138 § 3, this section contained an apparently erroneous reference to RCW 29.13.030, a section repealed in 1965. Pursuant to RCW 1.08.015, this reference has been changed to RCW 29.13.020, a later enactment of the section repealed.

52.04.061 Annexation of contiguous city or town—Procedure. A city or town lying contiguous to a fire protection district may be annexed to such district if at the time of the initiation of annexation the population of the city or town is 100,000 or less. The legislative authority of the city or town may initiate annexation by the adoption of an ordinance stating an intent to join the fire protection district and finding that the public interest will be served thereby. If the board of fire commissioners of the fire protection district shall concur in the annexation, notification thereof shall be transmitted to the legislative authority or authorities of the counties in which the city or town and the district are situated. fire protection district was located, is validated where the annexation would have occurred if the territory had been located in the same county as the fire protection district. The effective date of such annexations occurring in 1987 shall be February 1, 1988, for purposes of establishing the boundaries of taxing districts for purposes of imposing property taxes as provided in RCW 84.09.030.

52.06.010 Merger of districts authorized—Review. A fire protection district may merge with another adjacent fire protection district, on such terms and conditions as they agree upon, in the manner provided in this title. The fire protection districts may be located in different counties. The district desiring to merge with another district, or the district from which it is proposed that a portion of the district be merged with another district, shall be called the "merging district." The district into which the merger is to be made shall be called the "merging district." 52.06.020 Petition—Contents. To effect such a merger, a petition to merge shall be filed with the board of the merging district by the commissioners of the merging district. The commissioners of the merging district may sign and file the petition on their own initiative, and they shall file a petition when it is signed by ten percent of the registered voters resident in the merging district who voted in the last general municipal election and presented to the board of commissioners. 52.06.030 Action on petition—Special election. The board of the merging district may, by resolution, reject or approve the petition as presented, or it may modify the terms and conditions of the proposed merger, and shall transmit the petition, together with a copy of its resolution to the merging district.

If the petition is approved as presented or as modified, the board of the merging district shall send an elector-signed petition, if there is one, to the auditor or auditors of the county or counties in which the merging district is located, who shall within thirty days examine the signatures and certify to the sufficiency or insufficiency of the signatures. If the merging district is located in more than one county, the auditor of the county within which the largest portion of the merging district is located shall be the lead auditor. Each other auditor shall certify to the lead auditor the number of valid signatures and the number of registered voters of the merging district who reside in the county. The lead auditor shall certify as to the sufficiency or insufficiency of the signatures. No signatures may be withdrawn from the petition after the filing. A certificate of sufficiency shall be provided to the board of the merging district, which shall adopt a resolution requesting the county auditor or auditors to call a special election, as provided in RCW 29.13.020, for the purpose of presenting the question of merging the districts to the voters of the merging district.

If there is no elector-signed petition, the merging district board shall adopt a resolution requesting the county auditor or auditors to call a special election in the merging district, as specified under RCW 29.13.020, for the purpose of presenting the question of the merger to the electors. [1989 c 63 § 14; 1984 c 230 § 59; 1947 c 254 § 14; Rem. Supp. 1947 § 5654-151c. Formerly RCW 52.24.030.]

52.06.050 Vote required—Status after favorable vote. The board of the merging district shall notify the board of the merger district of the results of the election. If three-fifths of the votes cast at the election favor the merger, the respective district boards shall adopt concurrent resolu-
52.06.050 Districts located in more than a single county, shall return petitions, declaring the districts merged, under the name of the district is dissolved without further proceedings; and the boundaries of the merging district are thereby extended to include all the area of the merging district. Thereafter the legal existence cannot be questioned by any person by reason of any defect in the proceedings had for the merger. [1947 c 254 § 16; Rem. Supp. 1947 § 5654-151e. Formerly RCW 52.24.050.]

52.06.060 Merger by petition. If three-fifths of all the qualified electors in the merging district sign the petition to merge, no election on the question of the merger is necessary and the auditor, or lead auditor if the merging district is located in more than one single county, shall return the petition, together with a certificate of sufficiency to the board of the merging district. The boards of the respective districts shall then adopt resolutions declaring the districts merged in the same manner and to the same effect as if the merger had been authorized by an election. [1989 c 63 § 15; 1984 c 230 § 61; 1947 c 254 § 17; Rem. Supp. 1947 § 5654-151f. Formerly RCW 52.24.060.]

52.06.070 Obligations of merged districts. None of the obligations of the merged districts or of a local improvement district located in the merged districts may be affected by the merger and dissolution, and all land liable to be assessed to pay any of the indebtedness shall remain liable to the same extent as if the districts had not been merged and any assessments previously levied against the land shall remain unimpaired and shall be collected in the same manner as if the districts had not merged. The commissioners of the merged district shall have all the powers of the two districts to levy, assess, and cause to be collected all assessments against any land in both districts that may be necessary to pay for the indebtedness thereof, and until the assessments are collected and all indebtedness of the districts paid, separate funds shall be maintained for each district as were maintained before the merger: PROVIDED, That the board of the merged district may, with the consent of the creditors of the districts merged, cancel any or all assessments previously levied, in accordance with the terms and conditions of the merger, so that the lands in the respective districts bear their fair and proportionate share of the indebtedness. [1984 c 230 § 62; 1947 c 254 § 18; Rem. Supp. 1947 § 5654-151g. Formerly RCW 52.24.070.]

52.06.080 Delivery of property and funds. The commissioners of the merging district shall, upon completion of the merger, transfer, convey, and deliver to the merged district all property and funds of the merging district, together with all interest in and right to collect any assessments previously levied. 52.06.085 Board membership upon merger of districts—Subsequent boards—Creation of commissioner districts. (1) Whenever two or more fire protection districts merge, the board of fire commissioners of the merged fire protection district shall consist of all of the original fire commissioners. At the next three elections for fire commissioners the number of fire commissioners for the merged district shall be reduced as follows, notwithstanding the number of fire commissioners whose terms expire:

In the first election after the merger, only one position shall be filled, whether the new fire protection district be a three member district or a five member district pursuant to RCW 52.14.020.

In each of the two subsequent elections, one position shall be filled if the new fire protection district is a three member district and two positions shall be filled if the new fire protection district is a five member district pursuant to RCW 52.14.020.

Thereafter, the fire commissioners shall be elected in the same manner as prescribed for such fire protection districts of the state.

(2) A ballot proposition to create commissioner districts may be submitted to the voters of the fire protection districts proposed to be merged at the same election the ballot proposition is submitted authorizing the merging of the fire protection districts. The procedure to create commissioner districts shall conform with RCW 52.14.013, except that: (a) Resolutions proposing the creation of commissioner districts must be adopted by unanimous vote of the boards of fire commissioners of each of the fire protection districts that are proposed to be merged; and (b) commissioner districts will be authorized only if the ballot propositions to authorize the merger and to create commissioner districts are both approved. A ballot proposition authorizing the creation of commissioner districts is approved if it is approved by a simple majority vote of the combined voters of all the fire protection districts proposed to be merged. The commissioner districts shall not be drawn until the number of commissioners in the fire protection district has been reduced under subsection (1) of this section to either three or five commissioners. After this reduction of fire commissioners has occurred the commissioner districts shall be drawn and used for the election of the successor fire commissioners. [1992 c 74 § 1; 1985 c 7 § 118; 1977 ex.s. c 121 § 1; 1971 c 55 § 1. Formerly RCW 52.24.085.]

52.06.090 Merger of part of district with adjacent district. A part of one district may be transferred and merged with an adjacent district if the area can be better served by the merged district. To effect such a merger, a petition, signed by a majority of the commissioners of the merging district or signed by not less than fifteen percent of the qualified electors residing in the area to be merged, shall be filed with the commissioners of the merging district, if signed by electors, or with the commissioners of the merger district if signed by commissioners of the merging district. If the commissioners of the merging district approve the petition, the petition shall be presented to the commissioners of the merger district. If the commissioners of the merger district approve the petition, an election shall be called in the area to be merged.

In the event that either board of fire district commissioners does not approve the petition, the petition may be approved by the boundary review board of the county or the county legislative authority of the county in which the area
to be merged is situated, and may approve the merger if it decides the area can be better served by a merger. If the part of the merging district that is proposed to merge with the merger district is located in more than one county, the approval must be by the boundary review board or county legislative authority of each county. If there is an affirmative decision, an election shall be called in the area to be merged.

A majority of the votes cast is necessary to approve the transfer. [1989 c 63 § 16; 1984 c 230 § 64; 1965 ex.s. c 18 § 2; 1963 c 42 § 1; 1953 c 176 § 5. Formerly RCW 52.24.090.]

52.06.100 Merger of part of district with adjacent district—When election unnecessary. If three-fifths of the qualified electors in the area to be merged sign a petition to merge the districts, no election on the question of the merger is necessary, in which case the auditor or lead auditor shall return the petition, together with a certificate of sufficiency, to the board of the merger district. The board of the merger district shall then adopt a resolution declaring the portion of the district merged in the same manner and to the same effect as if the same had been authorized by an election. [1989 c 63 § 17; 1984 c 230 § 65; 1953 c 176 § 6. Formerly RCW 52.24.110.]

52.06.110 Transfer of employees. For purposes of this section and RCW 52.06.120 and 52.06.130, employee means an individual whose employment with a fire protection district has been terminated because the fire protection district merged with another fire protection district for purposes of fire protection. [1986 c 254 § 13.]

(1) An eligible employee may transfer into the merger district by filing a written request with the board of fire commissioners of the merger district and by giving written notice to the board of fire commissioners of the merging district. Upon receipt of such request by the board of the merger district the transfer of employment shall be made. The employee so transferring will (a) be on probation for the same period as are new employees of the merger district in the position filled, (b) be eligible for promotion after completion of the probationary period as completed, (c) receive a salary at least equal to that of other new employees of the merger district in the position filled, and (d) in all other matters, such as retirement, vacation, and sick leave, have, all the rights, benefits, and privileges to which he or she would have been entitled to as an employee of the merger district from the beginning of employment with the merging district: PROVIDED, That for purposes of layoffs by the merger fire agency, only the time of service accrued with the merger agency shall apply unless an agreement is reached between the collective bargaining representatives of the employees of the merging and merger fire agencies and the merging and merger fire agencies. The board of the merging district shall, upon receipt of such notice, transmit to the board of the merger district a record of the employee’s service with the merging district which shall be credited to such employee as a part of the period of employment in the merger district. All accrued benefits are transferable provided that the recipient agency provides comparable benefits. All benefits shall then accrue based on the combined seniority of each employee in the recipient agency.

(2) As many of the transferring employees shall be placed upon the payroll of the merger district as the merger district determines are needed to provide services. These needed employees shall be taken in order of their seniority, and the remaining employees who transfer as provided in this section and RCW 52.06.110 and 52.06.130 shall head the list for employment in order of their seniority, to the end that they shall be the first to be reemployed in the merger district when appropriate positions become available: PROVIDED, That employees who are not immediately hired by the fire protection district shall be placed on a reemployment list for a period not to exceed thirty-six months unless a longer period is authorized by an agreement reached between the collective bargaining representatives of the employees of the merging and merged fire agencies and the merging and merged fire agencies. [1986 c 254 § 14.]

52.06.130 Transfer of employees—Notice—Time limitation. If, as a result of merging of districts any employee is laid off who is eligible to transfer to the merger district under this section and RCW 52.06.110 and 52.06.120, the merging district shall notify the employee of the right to transfer and the employee shall have ninety days to transfer employment to the merger district. [1986 c 254 § 15.]

52.06.140 Merger of districts located in different counties—District name. A merger fire protection district located in a single county, that merged with a merging fire protection district located in another county or counties, shall be identified by the name of each county in which the fire protection district is located, listed alphabetically, followed by a number that is the next highest number available for a fire protection district in the one of these counties that has the greatest number of fire protection districts. [1989 c 63 § 18.]

52.06.150 Merger of districts located in same county—District name. A fire protection district resulting from the merger of two or more fire protection districts located in the same county shall be identified by the name of the county and the number of the merger fire protection district. However, the fire protection district resulting from such a merger shall be identified by the number of the merging district or one of the merging districts if a resolution providing for this number change is adopted by the
board of fire commissioners of the district resulting from the merger or if resolutions providing for this number change are adopted by each of the boards of fire commissioners of the districts proposed to be merged. [1992 c 74 § 3.]

52.14.013 Commissioner districts—Creation. The board of fire commissioners of a fire protection district may adopt a resolution by unanimous vote causing a ballot proposition to be submitted to voters of the district authorizing the creation of commissioner districts. The board of fire commissioners shall create commissioner districts if the ballot proposition authorizing the creation of commissioner districts is approved by a simple majority vote of the voters of the fire protection district voting on the proposition. Three commissioner districts shall be created for a fire protection district with three commissioners, and five commissioner districts shall be created for a fire protection district with five commissioners. No two commissioners may reside in the same commissioner district.

The population of each commissioner district shall include approximately equal population. Commissioner districts shall be redrawn as provided in chapter 29.70 RCW. Commissioner districts shall be used as follows: (1) Only a registered voter who resides in a commissioner district may be a candidate for, or serve as, a commissioner of the commissioner district; and (2) only voters of a commissioner district may vote at a primary to nominate candidates for a commissioner of the commissioner district. Voters of the entire fire protection district may vote at a general election to elect a person as a commissioner of the commissioner district.

When a board of fire commissioners that has commissioner districts has been increased to five members under RCW 52.14.015, the board of fire commissioners shall divide the fire protection district into five commissioner districts before it appoints the two additional fire commissioners. The two additional fire commissioners who are appointed shall reside in separate commissioner districts in which no other fire commissioner resides. [1992 c 74 § 2.]

Creation of commissioner districts upon merger: RCW 52.06.085.

52.14.015 Increase from three to five commissioners—Election. In the event a three member board of commissioners of any fire protection district determines by
resolution and approves by unanimous vote of the board that it would be in the best interest of the district to increase the number of commissioners from three to five, or in the event the board is presented with a petition signed by ten percent of the registered voters resident within the district who voted in the last general municipal election calling for such an increase in the number of commissioners of the district, the board shall submit a resolution to the county legislative authority or authorities of the county or counties in which the district is located requesting that an election be held. Upon receipt of the resolution, the legislative authority or authorities of the county or counties shall call a special election to be held within the fire protection district at which election the following proposition shall be submitted to the voters substantially as follows:

Shall the board of commissioners of . . . . county fire protection district no. . . . . be increased from three members to five members?

Yes . . . . . . . .
No . . . . . .

If the fire protection district is located in more than a single county, this proposition shall indicate the name of the district.

The two additional members shall be appointed in the same manner as provided in RCW 52.14.020. [1990 c 259 § 14; 1989 c 63 § 20; 1984 c 230 § 85.]

52.14.020 Number in district having full-time, fully-paid personnel—Terms of first appointees. In a fire protection district maintaining a fire department consisting wholly of personnel employed on a full-time, fully-paid basis, there shall be five fire commissioners. The two positions created on boards of fire commissioners by this section shall be filled initially as for a vacancy, except that the appointees shall draw lots, one appointee to serve until the next general fire district election after the appointment, at which two commissioners shall be elected for six-year terms, and the other appointee to serve until the second general fire district election after the appointment, at which two commissioners shall be elected for six-year terms. [1984 c 230 § 29; 1971 ex.s. c 242 § 3. Formerly RCW 52.12.015.]

52.14.030 Election precincts. The polling places for district elections shall be those of the county voting precincts which include any of the territory within the fire protection districts. District elections may be located outside the boundaries of the district and shall not be held to be irregular or void on that account. [1984 c 230 § 31; 1939 c 34 § 24; RRS § 5654-124. Formerly RCW 52.12.030.]

52.14.050 Vacancies—Procedure for filling—Grounds for declaring office vacant. In the event of a vacancy occurring in the office of fire commissioner, the vacancy shall, within sixty days, be filled by appointment of a resident elector of the district by a vote of the remaining fire commissioners. If the board of commissioners fails to fill the vacancy within the sixty-day period, the county legislative authority of the county in which all, or the largest portion, of the district is located shall make the appointment. If the number of vacancies is such that there is not a majority of the full number of commissioners in office as fixed by law, the county legislative authority of the county in which all, or the largest portion, of the district is located shall appoint someone to fill each vacancy, within thirty days of each vacancy, that is sufficient to create a majority as prescribed by law.

An appointee shall serve ad interim until a successor has been elected and qualified at the next general election as provided in chapter 29.21 RCW. A person who is so elected shall take office immediately after he or she is qualified and shall serve for the remainder of the unexpired term.

If a fire commissioner is absent from the district for three consecutive regularly scheduled meetings unless by permission of the board, the office shall be declared vacant by the board of commissioners and the vacancy shall be filled as provided for in this section. However, such an action shall not be taken unless the commissioner is notified by mail after two consecutive unexcused absences that the position will be declared vacant if the commissioner is absent without being excused from the next regularly scheduled meeting. Vacancies additionally shall occur as provided in chapter 42.12 RCW. [1989 c 63 § 21; 1984 c 238 § 2; 1977 c 64 § 1; 1974 ex.s. c 17 § 1; 1971 ex.s. c 153 § 1; 1939 c 34 § 26; RRS § 5654-126. Formerly RCW 52.12.050.]

52.14.060 Terms of first elected commissioners. The initial three members of the board of fire commissioners shall be elected at the same election as when the ballot proposition is submitted to the voters authorizing the creation of the fire protection district. If the district is not authorized to be created, the election of the initial fire commissioners shall be null and void. If the district is authorized to be created, the initial fire commissioners shall take office immediately when qualified. Candidates shall file for each of the three separate fire commissioner positions. Elections shall be held as provided in chapter 29.21 RCW, with the county auditor opening up a special filing period as provided in *RCW 29.21.360 and 29.21.370, as if there were a vacancy. The candidate for each position who receives the greatest number of votes shall be elected to that position. If the election is held in an odd-numbered year, the winning candidate receiving the highest number of votes shall hold office for a term of six years, the winning candidate receiving the next highest number of votes shall hold office for a term of four years, and the candidate receiving the next highest number of votes shall serve for a term of two years. If the election were held in an even-numbered year, the winning candidate receiving the highest number of votes shall hold office for a term of five years, the winning candidate receiving the next highest number of votes shall hold office for a term of three years, and the winning candidate receiving the next highest number of votes shall hold office for a term of one year. The terms of office of the initially elected fire commissioners shall be calculated from the first day of January in the year following their election. [1989 c 63 § 22; 1984 c 230 § 33; 1979 ex.s. c

(2) Prior to November 15 of each year the board of fire commissioners shall hold a public hearing to review and establish the fire district benefit charges for the subsequent year. All resolutions imposing or changing the benefit charges shall be filed with the county treasurer or treasurers of each county in which the property is located and be available for public inspection. After the benefit charges have been established, the owners of the property subject to the charge shall be notified in writing of the amount of the charge. 52.20.010  L.I.D.'s authorized—Petition or resolution method. If, for fire protection or emergency medical purposes the acquisition, maintenance, and operation of real property, buildings, apparatus, and instrumentalities needed to provide such services are of special benefit to part or all of the lands in the fire protection district, the board of fire commissioners may include the lands in a local improvement district, and may levy special assessments under a mode of annual installments extending over a period not exceeding twenty years on all property specially benefited by any local improvement, on the basis of the special benefits to pay in whole or in part the damages or costs of improvements ordered in the local improvement district. Local improvement districts may be initiated either by resolution of the board of fire commissioners or by petition signed by the owners of a majority of the acreage of lands to be included within the local improvement district.

If the petition procedure is followed, the petition shall set forth generally the necessity for the creation of a local improvement district, outline the plan of fire or emergency medical protection to be accomplished, and the means by which the cost shall be financed. Upon receipt of a petition, the board of fire commissioners of the district shall at its next regular meeting review the petition. The owners of the
lands as shown on the general tax roll in the county treasurer's office, last equalized, shall be used to determine the ownership of the lands to be included in the local improvement district. If the petition is sufficient, the district board shall consider the petition and determine whether the proposed local improvement appears feasible and of special benefit to the lands concerned.

If the board of fire commissioners desire[s] to initiate the formation of a local improvement district by resolution, it shall adopt a resolution declaring its intention to order the proposed improvement, set forth the nature and territorial extent of the proposed improvement, designate the number of the proposed district, describe the boundaries, state the estimated costs and expenses of the improvement and the proportionate amount of the costs which will be borne by the property within the proposed district, and fix a date, time, and place for a public hearing on the formation of the proposed district. [1984 c 230 § 48; 1975 1st ex.s. c 130 § 2; 1961 c 161 § 1; 1939 c 34 § 40; RRS § 5654-140.]

If the district board approves the petition or adopts a resolution of intention to order an improvement, it shall fix a date, hour, and place for hearing the matter and shall (1) mail notice of the hearing at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of each lot, tract, or parcel of land within the proposed local improvement district as shown on the tax rolls of the county treasurer at the address shown thereon, and (2) publish notice of the hearing in a newspaper of general circulation in the county, for three consecutive weeks prior to the day of the hearing. The cost of publication shall be paid by the fire protection district. The notices shall describe the boundaries of the proposed local improvement district and the plan of fire or emergency medical protection proposed, or may refer to the resolution of intention describing the nature and territorial extent of the proposed improvement. The notices shall state the means by which the cost shall be financed, shall state the date, hour, and place of the hearing on the petition and shall be signed by the secretary of the fire protection district. In addition, the notice given each owner or reputed owner by mail shall state the estimated cost and expense of the improvement to be borne by the particular lot, tract, or parcel. A less than county-wide port district with an assessed valuation of at least seventy-five million dollars may be created in a county bordering on saltwater that already has a less than county-wide port district located within its boundaries. Except as provided in this section, such a port district shall be created in accordance with the procedure to create a county-wide port district.

The effort to create such a port district is initiated by the filing of a petition with the county auditor calling for the creation of such a port district, describing the boundaries of the proposed port district, and providing a name for the proposed port district. The petition must be signed by voters residing within the proposed port district equal in number to at least ten percent of such voters who voted at the last county general election.

A public hearing on creation of the proposed port district shall be held by the county legislative authority if the county auditor certifies that the petition contained sufficient valid signatures. Notice of the public hearing must be published in the county’s official newspaper at least ten days prior to the date of the public hearing. After taking testimony, the county legislative authority may make changes in the boundaries of the proposed port district if it finds that such changes are in the public interest and shall determine if the creation of the port district is in the public interest. The port district shall be created if a majority of the voters voting on the ballot proposition favor the creation of the port district. The initial port commissioners shall be elected at the same election as provided in *RCW 53.12.050, but the election of commissioners shall be null and void if the port district is not created. Commissioner districts shall not be used in the initial election of the port commissioners.

Any large block of such property having a value in excess of twenty-five hundred dollars shall not be broken down into components of less than twenty-five hundred dollars value and sold in such smaller components unless such smaller components be sold by public competitive bid. A port district may sell and convey any of its real or personal property valued at more than twenty-five hundred dollars when the port commission has, by resolution, declared the property to be no longer needed for district purposes, but no property which is a part of the comprehensive plan of improvement or modification thereof shall be disposed of until the comprehensive plan has been modified to find such property surplus to port needs. (1) The purchaser shall enter into a contract with the district in which the purchaser shall covenant that he will make the payments of principal and interest when due, and that he will pay all taxes and assessments on such property. Upon failure to make payments of principal, interest, assessments or taxes when due all rights of the purchaser under said contract may, at the election of the district, after notice to said purchaser, be declared to be forfeited. When the rights of the purchaser are declared forfeited, the district shall be released from all obligation to convey land covered by the contract, and in the case of personal property, the district shall have all rights granted to a secured party under chapter 62A.9 RCW;

(2) The district may, as it deems advisable, extend the time for payment of principal and interest due or to become due;

All unpaid deferred payments shall draw interest at a rate not less than six percent per annum.

Nothing in this section shall be deemed to supersede other provisions of law more specifically governing sales of port district property. It is the purpose of this section to provide additional authority and procedures for sale of port district property no longer needed for port purposes. [1982 c 75 § 1; 1969 ex.s. c 11 § 1; 1965 c 23 § 2.]

53.08.092  Sale of property—Taxes and assessments against property sold by contract. A copy of all contract sales of port district property shall be filed with the county assessor within thirty days after the first payment is received by the port. The assessor shall place such property on the tax rolls of the county and the purchaser of such property shall become liable for all levies and assessments against such property. The port shall not be liable for any taxes or assessments, but if any outstanding taxes are not paid the property may be sold by the county as with other property with delinquent taxes due. Any amounts accruing from such a sale by the county, not required to pay outstanding and delinquent taxes or assessments and foreclosure costs, shall be paid to the port district. [1965 c 23 § 3.]

53.08.110  Gifts—Improvement. Port commissioners of any port district are hereby authorized to accept for and on behalf of said port district gifts of real and personal property and to expend in improvements and betterment such amount as may be necessary. [1921 c 39 § 4; RRS § 9705.]

Each port district shall maintain a small works roster which shall be comprised of all contractors who have requested to be on the roster and are, where required by law, properly licensed or registered to perform such work in the state of Washington.

Whenever work is done by contract, the estimated cost of which is one hundred thousand dollars or less, the managing official of the port district may invite proposals from all appropriate contractors on the small works roster: PROVIDED, That not less than five separate appropriate contractors shall be invited to submit proposals on any individual contract: PROVIDED FURTHER, That whenever possible, the managing official shall invite at least one proposal from a minority contractor who shall otherwise qualify under this section. Such invitation shall include an estimate of the scope and nature of the work to be performed, and materials and equipment to be furnished.

When awarding such a contract for work, when utilizing proposals from the small works roster, the managing official shall give weight to the contractor submitting the lowest and best proposal, and whenever it would not violate the public interest, such contracts shall be distributed equally among contractors, including minority contractors, on the small works roster. [1988 c 235 § 1; 1982 c 92 § 1; 1975 1st ex.s. c 47 § 1; 1955 c 348 § 2. Prior: 1921 c 179 § 1, part; 1911 c 92 § 5, part; RRS § 9693, part.]

Each bid shall be accompanied by a bid proposal deposit in the form of a cashier’s check, money order, or surety bid bond to the commission for a sum not less than five percent of the amount of the bid, and no bid shall be considered unless accompanied by such bid proposal deposit. At the time and place named the bids shall be publicly opened and read and the commission shall proceed to canvass the bids and, except as otherwise in this section provided, shall let the contract to the lowest responsible bidder upon plans and specifications on file, or to the best bidder submitting his own plans and specifications. If, in the opinion of the commission, all bids are unsatisfactory, they may reject all of them and readvertise, and in such case all such bid proposal deposits shall be returned to the bidders; but if the contract is let, then all bid proposal deposits shall be returned to the bidders, except that of the successful bidder which shall be retained until a contract is entered into for the purchase of such materials or doing such work, and a bond given to the port district for the performance of the contract and otherwise conditioned as required by law, with sureties satisfactory to the commission, in an amount to be fixed by the commission, but not in any event less than twenty-five percent of the contract price. If said bidder fails to enter into the contract in accordance with his bid and furnish such bond within ten days from the date at which he is notified that he is the successful bidder, the check or money order and the amount thereof shall be forfeited to the port district or the port district shall recover the amount of the surety bid bond. [1971 ex.s. c 258 § 2; 1955 c 348 § 3. Prior: 1921 c 179 § 1, part; 1911 c 92 § 5, part; RRS § 9693, part.]

Subject to chapter 48.62 RCW, the port commission shall have authority to provide or pay such benefits directly, or to provide for such benefits by the purchase of insurance policies or entering into contracts with and compensating any person, firm, agency or organization furnishing such benefits, or by making contributions to vacation plans or funds, or health and welfare plans and funds, or pension plans or funds, or similar plans or funds, already established by other employers of similar employees and in which the port district is permitted to participate for particular classifications of its employees by the trustees or other persons responsible for the administration of such established plans or funds: PROVIDED FURTHER, That no port district employee shall be allowed to apply for admission to or be accepted as a member of the state employees' retirement system after January 1, 1965, if admission to such system would result in coverage under both a private pension system and the state employees' retirement system, it being the purpose of this proviso that port districts shall not at the same time contribute for any employee to both a private pension or retirement plan and to the state employees' retirement system. The port commission shall have authority by resolution to utilize and compensate agents for the purpose of paying, in the name and by the check of such agent or agents or otherwise, wages, salaries and other benefits to employees, or particular classifications thereof, and for the purpose of withholding payroll taxes and paying over tax moneys so withheld to appropriate government agencies, on a combined basis with the wages, salaries, benefits, or taxes of other employers or otherwise; to enter into such contracts and arrangements with and to transfer by warrant such funds from time to time to any such agent or agents so appointed as are necessary to accomplish such salary, wage, benefit, or tax payments as though the port district were a private employer, notwithstanding any other provision of the law to the contrary. In addition to the other powers under this chapter, a port district, in connection with the operation of facilities and improvements of the district, may perform all necessary activities related to the intermodal movement of interstate and foreign cargo: PROVIDED, That nothing contained herein shall authorize a port district to engage in the transportation of commodities by motor vehicle for compensation outside the boundaries of the port district. A port district may, by itself or in conjunction with public or private entities, acquire, construct, purchase, lease, contract for, provide, and operate rail services, equipment, and facilities inside or outside the port district: PROVIDED, That such authority may only be exercised outside the boundaries of the port district if such extraterritorial rail services, equipment, or facilities are found, by resolution of the commission of the port district exercising such authority, to be reasonably necessary to link the rail services, equipment, and facilities within the port district to an interstate railroad system; however, if such extraterritorial rail services, equipment, or facilities are in or are to be located in one or more other port districts, the commission of such other port district or districts must consent by resolution to the proposed plan of the originating port district which consent shall not be unreasonably withheld: PROVIDED FURTHER, That no port district shall engage in the manufacture of rail cars for use off port property. [1981 c 47 § 1; 1980 c 110 § 2.]

Purpose—1980 c 110: "The purpose of this act is to:
(1) Clarify existing law as to the authority of port districts to perform certain cargo movement activities and to contract for or otherwise provide facilities for rail service for the movement of such cargo; and
(2) Provide authority for port districts to assist in development of the recreation-tourism industry by acquiring and operating certain watercraft in limited areas." [1980 c 110 § 1.]

53.08.295 Passenger carrying watercraft. A port district may acquire, lease, construct, purchase, maintain, and operate passenger carrying vessels on interstate navigable rivers of the state and intrastate waters of adjoining states. Service provided shall be under terms, conditions, and rates to be fixed and approved by the port commission. Operation of such vessels shall be subject to applicable state and federal laws pertaining to such service. [1980 c 110 § 3.]

Purpose—1980 c 110: See note following RCW 53.08.290.

53.08.300 Rewards for arrest and conviction of persons committing criminal offenses against port district authorized. See RCW 10.85.030.
53.08.310 Moorage facilities—Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this section and RCW 53.08.320.

(1) "Port charges" mean charges of a moorage facility operator for moorage and storage, and all other charges owing or to become owing under a contract between a vessel owner and the moorage facility operator, or under an officially adopted tariff including, but not limited to, costs of sale and related legal expenses.

(2) "Vessel" means every species of watercraft or other artificial contrivance capable of being used as a means of transportation on water and which does not exceed two hundred feet in length. "Vessel" includes any trailer used for the transportation of watercraft.

(3) "Moorage facility" means any properties or facilities owned or operated by a moorage facility operator which are capable of use for the moorage or storage of vessels.

(4) "Moorage facility operator" means any port district, city, town, metropolitan park district, or county which owns and/or operates a moorage facility.

(5) "Owner" means every natural person, firm, partnership, corporation, association, or organization, or agent thereof, with actual or apparent authority, who expressly or impliedly contracts for use of a moorage facility.

(6) "Transient vessel" means a vessel using a moorage facility and which belongs to an owner who does not have a moorage agreement with the moorage facility operator. Transient vessels include, but are not limited to: Vessels seeking a harbor of refuge, day use, or overnight use of a moorage facility on a space-as-available basis.

53.08.320 Moorage facilities—Regulations authorized—Port charges, delinquency—Abandoned vessels, public sale. A moorage facility operator may adopt all regulations necessary for rental and use of moorage facilities and for the expeditious collection of port charges. The regulations may also establish procedures for the enforcement of these regulations by port district, city, county, metropolitan park district or town personnel. The regulations shall include the following:

(1) Procedures authorizing moorage facility personnel to take reasonable measures, including the use of chains, ropes, and locks, or removal from the water, to secure vessels within the moorage facility so that the vessels are in the possession and control of the moorage facility operator and cannot be removed from the moorage facility. These procedures may be used if an owner mooring or storing a vessel at the moorage facility fails, after being notified that charges are owing and of the owner's right to commence legal proceedings to contest that such charges are owing, to pay the port charges owed or to commence legal proceedings. Notification shall be by registered mail to the owner at his last known address. In the case of a transient vessel, or where no address was furnished by the owner, the moorage facility operator need not give such notice prior to securing the vessel. At the time of securing the vessel, an authorized moorage facility employee shall attach to the vessel a readily visible notice. The notice shall be of a reasonable size and shall contain the following information:

(a) The date and time the notice was attached;
(b) A statement that if the account is not paid in full within ninety days from the time the notice is attached, the vessel may be sold at public auction to satisfy the port charges; and
(c) The address and telephone number where additional information may be obtained concerning release of the vessel.

After a vessel is secured, the operator shall make a reasonable effort to notify the owner by registered mail in order to give the owner the information contained in the notice.

(2) Procedures authorizing moorage facility personnel at their discretion to move moored vessels ashore for storage within properties under the operator's control or for storage with private persons under their control as bailees of the moorage facility, if the vessel is, in the opinion of port personnel a nuisance, if the vessel is in danger of sinking or creating other damage, or is owing port charges. Costs of any such procedure shall be paid by the vessel's owner.

(3) If a vessel is secured under subsection (1) of this section or moved ashore under subsection (2) of this section, the owner who is obligated to the moorage facility operator for port charges may regain possession of the vessel by:

(a) Making arrangements satisfactory with the moorage facility operator for the immediate removal of the vessel from the moorage facility or for authorized moorage; and
(b) Making payment to the moorage facility operator of all port charges, or by posting with the moorage facility operator a sufficient cash bond or other acceptable security, to be held in trust by the moorage facility operator pending written agreement of the parties with respect to payment by the vessel owner of the amount owing, or pending resolution of the matter of the charges in a civil action in a court of competent jurisdiction. After entry of judgment, including any appeals, in a court of competent jurisdiction, or after the parties reach agreement with respect to payment, the trust shall terminate and the moorage facility operator shall receive so much of the bond or other security as is agreed, or as is necessary to satisfy any judgment, costs, and interest as may be awarded to the moorage facility operator. The balance shall be refunded immediately to the owner at his last known address.

(4) If a vessel has been secured by the moorage facility operator under subsection (1) of this section and is not released to the owner under the bonding provisions of this section within ninety days after notifying or attempting to notify the owner under subsection (1) of this section, the vessel shall be conclusively presumed to have been abandoned by the owner.

(5) If a vessel moored or stored at a moorage facility is abandoned, the moorage facility operator may, by resolution of its legislative authority, authorize the public sale of the vessel by authorized personnel to the highest and best bidder for cash as follows:
(a) Before the vessel is sold, the owner of the vessel shall be given at least twenty days' notice of the sale in the manner set forth in subsection (1) of this section if the name and address of the owner is known. The notice shall contain the time and place of the sale, a reasonable description of the vessel to be sold, and the amount of port charges owed with respect to the vessel. The notice of sale shall be published at least once, more than ten but not more than twenty days before the sale, in a newspaper of general circulation in the county in which the moorage facility is located. Such notice shall include the name of the vessel, if any, the last known owner and address, and a reasonable description of the vessel to be sold. The moorage facility operator may bid all or part of its port charges at the sale and may become a purchaser at the sale;

(b) Before the vessel is sold, any person seeking to redeem an impounded vessel under this section may commence a lawsuit in the superior court for the county in which the vessel was impounded to contest the validity of the impoundment or the amount of the port charges owing. Such lawsuit must be commenced within ten days of the date the notification was provided pursuant to subsection (1) of this section, or the right to a hearing shall be deemed waived and the owner shall be liable for any port charges owing the moorage facility operator. In the event of litigation, the prevailing party shall be entitled to reasonable attorneys' fees and costs.

(c) The proceeds of a sale under this section shall first be applied to the payment of port charges. The balance, if any, shall be paid to the owner. If the owner cannot in the exercise of due diligence be located by the moorage facility operator within one year of the date of the sale, the excess funds from the sale shall revert to the department of revenue pursuant to chapter 63.29 RCW. If the sale is for a sum less than the applicable port charges, the moorage facility operator is entitled to assert a claim for a deficiency.

(d) In the event no one purchases the vessel at a sale, or a vessel is not removed from the premises or other arrangements are not made within ten days of sale, title to the vessel will revert to the moorage facility operator.

(6) The regulations authorized under this section shall be enforceable only if the moorage facility has had its tariff containing such regulations conspicuously posted at its moorage facility at all times. [1986 c 260 § 2; 1985 c 7 § 124; 1983 c 188 § 2.]

Severability—Construction—Savings—1983 c 188: See notes following RCW 53.08.310.

53.08.330 Streets, roads, and highways—Construction, upgrading, improvement, and repair authorized. Any port district in this state, acting through its commission, may expend port funds toward construction, upgrading, improvement, or repair of any street, road, or highway that serves port facilities. [1990 c 5 § 1.]

53.08.340 Streets, roads, and highways—Expenditure of funds. The funds authorized by RCW 53.08.330 may be expended by the port commission in conjunction with any plan of improvements undertaken by the state of Washington, an adjoining state, or a county or municipal government of either, in combination with any of said public entities, and without regard to whether expenditures are made for a road located within the state of Washington or an adjoining state. [1990 c 5 § 2.]

53.08.350 Moratorium on runway construction or extension, or initiation of new service—Certain counties affected. No city, county, or county-wide port district in a county in the western part of Washington state as divided by the summit of the Cascade mountain range, with a population of one hundred fifty thousand or more on January 1, 1992, and contiguous to a county with a population of four hundred thousand or more may construct a runway of one thousand feet or more, or cause a runway to be extended, or permit an air carrier to initiate new service at any airport not presently receiving commercial service that is affected by this section, before the air transportation commission has submitted its final report to the legislative transportation committee, which shall occur no later than December 1, 1994. [1992 c 190 § 2.]

53.12.005 Definition—"Gross operating revenue." For purposes of this chapter, "gross operating revenue" means the total of all revenues received by a port district. [1992 c 147 § 5.]

Severability—1992 c 147: See note following RCW 53.04.020.

53.12.010 Port commission—Number of commissioners. The powers of the port district shall be exercised...
through a port commission consisting of three members. Every port district that is not coextensive with a county having a population of five hundred thousand or more shall be divided into three commissioner districts each having approximately equal population. Where a port district is coextensive with the boundaries of a county that has a population of less than five hundred thousand and the county has three county legislative authority districts, the port district commissioner districts shall be the county legislative authority districts. In other instances where a port district is divided into commissioner districts, the petition proposing the formation of such a port district shall describe three commissioner districts each having approximately the same population and the commissioner districts shall be altered as provided in chapter 53.16 RCW.

Commissioner districts shall be used as follows: (1) Only a registered voter who resides in a commissioner district may be a candidate for, or hold office as, a commissioner of the commissioner district; and (2) only the voters of a commissioner district may vote at a primary election to nominate candidates for a commissioner of the commissioner district. Voters of the entire port district may vote at a general election to elect a person as a commissioner of the commissioner district.

In port districts having additional commissioners as authorized by RCW 53.12.120, 53.12.130, and 53.12.115, the powers of the port district shall be exercised through a port commission consisting of five members as provided therein. [1992 c 146 § 1; 1991 c 363 § 128; 1965 c 51 § 1; 1959 c 17 § 3. Prior: 1913 c 62 § 2; 1911 c 92 § 3; RRS § 9690.]

Purpose—Captions not law—1991 c 363: See notes following RCW 2.32.180.

53.12.047 Withdrawal of candidacy. A candidate for the office of port commissioner may withdraw his or her declaration of candidacy at any time before the close of business on the Thursday following the last day for candidates to file by filing, with the officer with whom the declaration of candidacy was filed, a signed request that his or her name not be printed on the ballot. There shall be no withdrawal period for declarations of candidacy filed during special filing periods. The filing officer may permit the withdrawal of a filing for the office of port commissioner at the request of the candidate at any time before a primary if the primary ballots for that election have not been ordered. No filing fee may be refunded to any candidate who withdraws under this section. Notice of the deadline for withdrawal of candidacy and that the filing fee is not refundable shall be given to each candidate at the time he or she files. [1992 c 146 § 6.]

53.12.061 Elections to conform with general election law. All elections relating to a port district shall conform with general election law, except as expressly provided in Title 53 RCW. [1992 c 146 § 5.]

53.12.115 Increasing number of commissioners to five—Petition—Ballot proposition. A ballot proposition shall be submitted to the voters of any port district authorizing an increase in the number of port commissioners to five whenever a petition requesting such an increase has been submitted to the county auditor of the county in which the port district is located that has been signed by voters of the port district at least equal in number to ten percent of the number of voters in the port district who voted at the last general election. The ballot proposition shall be submitted at the next general election occurring sixty or more days after the petition was submitted.

At the next general election following the election in which an increase in the number of port commissioners was authorized, candidates for the two additional port commissioner positions shall be elected as provided in RCW 53.12.130. [1992 c 146 § 7.]

53.12.120 Increasing number of commissioners to five—Districts with a population of five hundred thousand or more—Ballot proposition. When the population of a port district reaches five hundred thousand, in accordance with the latest United States regular or special census or with the official state population estimate, there shall be submitted to the voters of the district, at the next general election or at a special port election called for that purpose, the proposition of increasing the number of commissioners to five. At any general election thereafter, the same proposition may be submitted by resolution of the port commissioners, by filing a certified copy of the resolution with the county auditor at least four months prior to the general election. If the proposition is approved by the voters, the commission in that port district shall consist of five commissioners. [1992 c 146 § 8; 1982 c 219 § 1; 1965 c 51 § 7; 1959 c 175 § 3; 1959 c 17 § 10. Prior: 1953 c 198 § 1; 1913 c 62 § 2, part; 1911 c 92 § 3, part; RRS § 9690, part.]

53.12.130 Increasing number of commissioners to five—Election of additional commissioners—Commencement and term of office. Two additional port commissioners shall be elected at the next general election following the election at which voters authorized the increase in port commissioners to five members. The two additional positions shall be numbered positions four and five. A primary shall be held to nominate candidates where necessary. The person receiving the highest number of votes for each position shall be elected to that position and shall take office immediately after qualification as defined under RCW 29.01.135. In a port district where commissioners are elected to four-year terms of office, the additional commissioner thus elected receiving the highest number of votes shall be elected to a four-year term of office and the other additional commissioner thus elected shall be elected to a term of office of two years, if the election were held in an odd-numbered year, or the additional commissioner thus elected receiving the highest number of votes shall be elected to a term of office of three years and the other shall be elected to a term of office of one year, if the election were held in an even-numbered year. In a port district where the commissioners are elected to six-year terms of office, the additional commissioner thus elected receiving the highest number of votes shall be elected to a six-year term of office and the other additional commissioner shall be elected to a four-year term of office, if the election is held in an odd-numbered year, or the additional commissioner.
receiving the highest number of votes shall be elected to a term of office of five-years and the other shall be elected to a three-year term of office, if the election is held in an even-numbered year. The length of terms of office shall be computed from the first day of January in the year following this election.

A successor to a commissioner holding position four or five whose term is about to expire, shall be elected at the general election next preceding such expiration, for a term of either six or four years, depending on the length of terms of office to which commissioners of that port district are elected. Positions four and five shall not be associated with a commissioner district and the elections to both nominate candidates for those positions and elect commissioners for these positions shall be held on a port district-wide basis. [1992 c 146 § 9; 1965 c 51 § 8; 1959 c 17 § 11. Prior: 1953 c 198 § 2; 1913 c 62 § 2, part; 1911 c 92 § 3, part; RRS § 9690, part.]

53.12.140 Vacancy, how caused. A vacancy in the office of port commissioner shall occur by death, resignation, removal, vacation of a felony, nonattendance at meetings of the port commission for a period of sixty days unless excused by the port commission, by any statutory disqualification, or by any permanent disability preventing the proper discharge of his duty. [1959 c 17 § 9. Prior: 1913 c 62 § 2, part; 1911 c 92 § 3, part; RRS § 9690, part.]

53.12.150 Vacancies, how filled. A vacancy in the office of port commissioner created by death, resignation, or otherwise, shall be filled as follows:

(1) If there are simultaneously such number of vacancies that less than a majority of the full number of commissioners fixed by law remain in office, the legislative authority of the county shall within thirty days of such vacancies appoint the number of commissioners necessary to provide a majority. The commissioners thus appointed, together with any remaining commissioners, shall then, within sixty days of their appointment, meet and appoint the number of commissioners needed to complete the board of commissioners. However, if they fail to fill the remaining vacancies within this sixty-day period, the legislative authority of the county shall make the necessary appointments.

(2) If a majority of the full number of commissioners fixed by law remains on the board, the remaining commissioners shall fill any vacancies. However, if they fail to fill any vacancy within sixty days of its occurrence, the legislative authority of the county shall make the necessary appointment.

(3) A person appointed to fill a vacancy in the office of port commissioner shall serve until a successor is elected and qualified under chapter 29.21 RCW. The person who is elected shall take office immediately after he or she is qualified and shall serve the remainder of the unexpired term. [1990 c 40 § 1; 1985 c 87 § 1; 1983 c 11 § 1; 1959 c 175 § 8; 1959 c 17 § 8. Prior: 1913 c 62 § 2, part; 1911 c 92 § 3, part; RRS § 9690, part.]

In every port district the term of office of each port commissioner shall be four years in each port district that is county-wide with a population of one hundred thousand or more, or either six or four years in all other port districts as provided in RCW 53.12.175, and until a successor is elected and qualified and assumes office in accordance with RCW 29.04.170. The initial port commissioners shall be elected at the same election as when the ballot proposition is submitted to voters authorizing the creation of the port district. If the port district is created the persons elected at this election shall serve as the initial port commission. No primary shall be held. The person receiving the greatest number of votes for commissioner from each commissioner district shall be elected as the commissioner of that district.

The terms of office of the initial port commissioners shall be staggered as follows in a port district that is county-wide with a population of one hundred thousand or more: (1) The two persons who are elected receiving the two greatest numbers of votes shall be elected to four-year terms of office if the election is held in an odd-numbered year, or three-year terms of office if the election is held in an even-numbered year, and shall hold office until successors are elected and qualified and assume office in accordance with RCW 29.04.170; and (2) the other person who is elected shall be elected to a two-year term of office if the election is held in an odd-numbered year, or a one-year term of office if the election is held in an even-numbered year, and shall hold office until a successor is elected and qualified and assumes office in accordance with RCW 29.04.170. The terms of office of the initial port commissioners in all other port districts shall be staggered as follows: (a) The person who is elected receiving the greatest number of votes shall be elected to a six-year term of office if the election is held in an odd-numbered year or to a five-year term of office if the election is held in an even-numbered year, and shall hold office until a successor is elected and qualified and assumes office in accordance with RCW 29.04.170; (b) the person who is elected receiving the next greatest number of votes shall be elected to a two-year term of office if the election is held in an odd-numbered year or to a three-year term of office if the election is held in an even-numbered year, and shall hold office until a successor is elected and qualified and assumes office in accordance with RCW 29.04.170; and (c) the other person who is elected shall be elected to a two-year term of office if the election is held in an odd-numbered year or a one-year term of office if the election is held in an even-numbered year, and shall hold office until a successor is elected and qualified and assumes office in accordance with RCW 29.04.170.

The initial port commissioners shall take office immediately after being elected and qualified, but the length of their terms shall be calculated from the first day in January in the year following their elections. [1992 c 146 § 2; 1979 ex.s. c 126 § 34; 1951 c 68 § 2. Prior: (i) 1953 c 133 § 2; RRS § 9691A-2. (ii) 1953 c 133 § 3; RRS § 9691A-3. (iii) 1953 c 133 § 4; RRS § 9691A-4. A ballot proposition to reduce the terms of office of port commissioners from six years to four years shall be submitted to the voters of any port district that otherwise would have commissioners with six-year terms of office upon either resolution of the port commissioners or petition of voters of the port district proposing the reduction in terms of office, which petition has been signed by voters of the port district equal in number to at least ten percent of the number of voters in the port district voting at the last district general election. The petition shall be submitted to the county auditor. If the petition was signed by sufficient valid signatures, the ballot proposition shall be submitted at the next district general elections.

(4) For any commissioner who has not elected to become a member of public employees retirement system before May 1, 1975, the compensation provided pursuant to this section shall not be considered salary for purposes of the provisions of any retirement system created pursuant to the general laws of this state nor shall attendance at such meetings or other service on behalf of the district constitute service as defined in RCW 41.40.010(9): PROVIDED, That in the case of a port district when commissioners are receiving compensation and contributing to the public employees retirement system, these benefits shall continue in full force and effect notwithstanding the provisions of RCW 53.12.260 and 53.12.265. 53.25.010 Marginal lands—Declaration of policies and purposes. It is hereby declared to be the public policy of the legislative state of the state of Washington, that it is in the public interest to employ the power of eminent domain and advance and expend public moneys for the purposes herein contained, and to provide for means by which marginal area properties may be developed or redeveloped in accordance with the legislative policies hereinafter stated:

(1) A sound development of the economic security of the peoples of the state of Washington is dependent upon proper development and redevelopment of marginal properties, and the general welfare of the inhabitants of the port districts in which they exist require the remedying of such injurious conditions marginal properties are now subjected to; and

(2) The development and redevelopment of such marginal area properties cannot be accomplished by private enterprise alone without public participation and assistance in the acquisition of land and planning and in the financing of land assembly in the work of clearance, development and redevelopment, and in the making of improvements necessary therefor.

(3) To protect and promote sound development and redevelopment of marginal lands as hereinafter defined, and the general welfare of the inhabitants of the port districts in which they exist, to remedying such injurious conditions through the employment of all appropriate means.

(4) That whenever the development or redevelopment of such marginal lands cannot be accomplished by private enterprise alone, without public participation and assistance in the acquisition of land and planning and in financing of land assembly in the work of clearance, development and redevelopment, and in the making of improvements necessary therefor, it is in the public interest to employ the power of eminent domain, to advance and expend public moneys for those purposes, and to provide for means by which such marginal lands may be developed or redeveloped.

(5) That the development or redevelopment of such marginal lands and the provision of appropriate continuing land use constitute public uses and purposes for which public moneys may be advanced or expended and private property acquired, and are governmental functions and are of state concern in the interest of health, safety and welfare of the state of Washington, and of the communities in which such areas exist.

(6) That the necessity in the public interest for the provision of this chapter is declared to be a matter of legislative determination. [1955 c 73 § 1.]

53.25.020 Marginal lands—Further declaration. It is further found and declared that:

(1) The existence of such marginal lands characterized by any or all of such conditions constitutes a serious and growing menace which is condemned as injurious and inimical to the public health, safety, and welfare of the people of the communities in which they exist and of the people of the state.

(2) Such marginal lands present difficulties and handicaps which are beyond remedy and control solely by regulatory processes in the exercise of the police power.

(3) They contribute substantially and increasingly to the problems of, and necessitate excessive and disproportionate expenditures for, crime prevention, correction, prosecution and punishment, the treatment of juvenile delinquency, the preservation of the public health and safety, and the maintaining of adequate police, fire and accident protection and other public services and facilities.

(4) This menace is becoming increasingly direct and substantial in its significance and effect.

(5) The benefits which will result from the remedying of such conditions and the redevelopment of such marginal lands will accrue to all the inhabitants and property owners of the communities in which they exist.

(6) Such conditions of marginal lands tend to further obsolescence, deterioration, and disuse because of the lack of incentive to the individual landowner and his inability to improve, modernize, or rehabilitate his property while the condition of the neighboring properties remains unchanged.

(7) As a consequence the process of deterioration of such marginal lands frequently cannot be halted or corrected.
except by redeveloping the entire area, or substantial portions of it.

(8) Such conditions of marginal lands are chiefly found in areas subdivided into small parcels, held in divided and widely scattered ownerships, frequently under defective titles, and in many such instances the private assembly of the land areas for redevelopment is so difficult and costly that it is uneconomic and as a practical matter impossible for owners to undertake because of lack of the legal power and excessive costs.

(9) The remedying of such conditions may require the public acquisition at fair prices of adequate areas, the redevelopment of the areas suffering from such conditions under proper supervision, with appropriate planning, and continuing land use.

(10) The development or redevelopment of land, or both, acquired under the authority of this chapter constitute a public use and are governmental functions, and that the sale or leasing of such land after the same has been developed or redeveloped is merely incidental to the accomplishment of the real or fundamental purpose, that is, to remove the condition which caused said property to be marginal property as in this chapter defined. [1955 c 73 § 2.]

53.25.030 "Marginal lands" defined. "Marginal lands" is defined and characterized by any one or more of the following described conditions:

(1) An economic dislocation, deterioration, or disuse resulting from faulty planning.

(2) The subdividing and sale of lots of irregular form and shape and inadequate size for proper usefulness and development.

(3) The laying out of lots in disregard of the contours and other physical characteristics of the ground and surrounding conditions.

(4) The existence of inadequate streets, open spaces, and utilities.

(5) The existence of lots or other areas which are subject to being submerged by water.

(6) By a prevalence of depreciated values, impaired investments, and social and economic maladjustment to such an extent that the capacity to pay taxes is reduced and tax receipts are inadequate for the cost of public services rendered.

(7) In some parts of marginal lands, a growing or total lack of proper utilization of areas, resulting in a stagnant and unproductive condition of land potentially useful and valuable for contributing to the public health, safety and welfare.

(8) In other parts of marginal lands, a loss of population and reduction of proper utilization of the area, resulting in its further deterioration and added costs to the taxpayer for the creation of new public facilities and services elsewhere.

(9) Property of an assessed valuation of insufficient amount to permit the establishment of a local improvement district for the construction and installation of streets, walks, sewers, water and other utilities.

(10) Lands within an industrial area which are not devoted to industrial use but which are necessary to industrial development within the industrial area. [1955 c 73 § 3.]

53.25.040 Industrial development districts authorized—Boundaries—Deletion of land area. (1) A port commission may, after a public hearing thereon, of which at least ten days' notice shall be published in a newspaper of general circulation in the port district, create industrial development districts within the district and define the boundaries thereof, if it finds that the creation of the industrial development district is proper and desirable in establishing and developing a system of harbor improvements and industrial development in the port district.

(2) The boundaries of an industrial development district created by subsection (1) of this section may be revised from time to time by resolution of the port commission, to delete land area therefrom, if the land area to be deleted was acquired by the port district with its own funds or by gift or transfer other than pursuant to RCW 53.25.050 or 53.25.060.

As to any land area to be deleted under this subsection that was acquired or improved by the port district with funds obtained through RCW 53.36.100, the port district shall deposit funds equal to the fair market value of the lands and improvements into the fund for future use described in RCW 53.36.100 and such funds shall be thereafter subject to RCW 53.36.100. The fair market value of the land and improvements shall be determined as of the effective date of the port commission action deleting the land from the industrial development district and shall be determined by an average of at least two independent appraisals by professionally designated real estate appraisers as defined in RCW 74.46.020 or licensed real estate brokers. The funds shall be deposited into the fund for future use described in RCW 53.36.100 within ninety days of the effective date of the port commission action deleting the land area from the industrial district. Land areas deleted from an industrial development district under this subsection shall not be further subject to the provisions of this chapter. This subsection shall apply to presently existing and future industrial development districts. Land areas deleted from an industrial development district under this subsection that were included within such district for less than two years, if the port district acquired the land through condemnation or as a consequence of threatened condemnation, shall be offered for sale, for cash, at the appraised price, to the former owner of the property from whom the district obtained title. Such offer shall be made by certified or registered letter to the last known address of the former owner. The letter shall include the appraised price of the property and notice that the former owner must respond in writing within thirty days or lose the right to purchase. If this right to purchase is exercised, the sale shall be closed by midnight of the sixtieth day, including nonbusiness days, following close of the thirty-day period. [1989 c 167 § 1; 1985 c 469 § 53; 1955 c 73 § 4. Prior: 1943 c 166 § 1; 1939 c 45 § 1; Rem. Supp. 1943 § 9709-1; RCW 53.24.010.]

53.25.050 Tax title lands may be conveyed to district. Any lands in an industrial development district acquired by the county by tax foreclosure, may, if the county commissioners deem the lands chiefly valuable for industrial development purposes, be conveyed to the port district. The lands shall be held in trust by the port district and may be
managed, developed, leased, or sold by it as provided in this chapter. From the proceeds of the sale or lease of the lands, the district shall first reimburse itself for any expense incurred by it in managing and developing the lands and any balance shall be paid to the county, which shall distribute it the same as general taxes collected in that year. [1955 c 73 § 5. Prior: 1939 c 45 § 2; RRS § 9709-2; RCW 53.24.020.]

53.25.060 Private lands may be conveyed to district—Cancellation of taxes. With the approval of the county commissioners, any lands in an industrial development district, owned privately, which the port commission deems valuable for industrial development purposes, may be deeded to and accepted by the port district, subject to delinquent general taxes thereon. When the commission has recorded the deed and notified the county commissioners thereof, the county commissioners shall order all taxes assessed against the lands canceled and the county treasurer shall record the cancellation, and remove the lands from the tax rolls. Thereafter the lands shall be held in trust, managed, developed, leased, and sold by the district, and the proceeds therefrom disposed of in the same manner as hereinabove provided. [1955 c 73 § 6. Prior: 1939 c 45 § 3; RRS § 9709-3; RCW 53.24.030.]

53.25.070 Discharge of trust. With the approval of the county commissioners, a port district may free any lands acquired by it pursuant to this chapter from the trust imposed upon it herein, by paying to the county the amount of the delinquent taxes against the land at the time the county acquired it by tax foreclosure, or the amount of the delinquent taxes against it when it was conveyed to the district by the private owner. [1955 c 73 § 7. Prior: 1939 c 45 § 4; RRS § 9709-4; RCW 53.24.040.]

53.25.080 When lands revert to county. Ten years from the date of its acquisition, property acquired by a port district pursuant to this chapter shall revert to the county to be used the same as property acquired by tax foreclosure, and upon demand by the county commissioners the port commission shall convey the property to the county, unless before the expiration of the ten year period, the port district has adopted a comprehensive plan of harbor improvement which provides for the improvement of an industrial development district which includes such lands or the district has freed the land from the trust imposed upon it as provided in this chapter. [1955 c 73 § 8. Prior: 1939 c 45 § 8; RRS § 9709-8; RCW 53.24.050.]

53.25.090 Conditions precedent to making improvements. No expenditure for improvement of property in an industrial development district, other than the expense of preparing and submitting a plan of improvement shall be made by a port district, and no property shall be acquired by it therefor except as provided for hereinbefore until it has been made a part of the comprehensive scheme of harbor improvements and industrial developments or amendments thereto.

That said comprehensive scheme or amendments thereto shall provide for the development or redevelopment of those marginal lands acquired and a provision for the continuing of the land uses which are hereby declared to constitute public uses and the purposes for which public moneys may be advanced and provide property acquired. [1955 c 73 § 9. Prior: 1939 c 45 § 5; RRS § 9709-5; RCW 53.24.060.]

53.25.100 Powers as to industrial development districts. All port districts wherein industrial development districts have been established are authorized and empowered to acquire by purchase or condemnation or both, all lands, property and property rights necessary for the purpose of the development and improvement of such industrial development district and to exercise the right of eminent domain in the acquirement or damaging of all lands, property and property rights and the levying and collecting of assessments upon property for the payment of all damages and compensation in carrying out the provisions for which said industrial development district has been created; to develop and improve the lands within such industrial development district to make the same suitable and available for industrial uses and purposes; to dredge, bulkhead, fill, grade, and protect such property; to provide, maintain, and operate water, light, power and fire protection facilities and services, streets, roads, bridges, highways, waterways, tracks, and rail and water transfer and terminal facilities and other harbor and industrial improvements; to execute leases of such lands or property or any part thereof; to establish local improvement districts within such industrial development districts which may, but need not, be coextensive with the boundaries thereof, and to levy special assessments, under the mode of annual installments, over a period not exceeding ten years, on all property specially benefited by any local improvement, on the basis of special benefits, to pay in whole or in part the damages or costs of any improvement ordered in such local improvement district; to issue local improvement bonds in any such local improvement district; to be repaid by the collection of local improvement assessments; and generally to exercise with respect to and within such industrial development districts all the powers now or hereafter conferred by law upon port districts in counties with a population of one hundred twenty-five thousand or more: PROVIDED, That the exercise of powers hereby authorized and granted shall be in the manner now and hereafter provided by the laws of the state for the exercise of such powers by port districts under the general laws relating thereto insofar as the same shall not be inconsistent with this chapter. [1991 c 363 § 132; 1955 c 73 § 10. Prior: 1939 c 45 § 6; RRS § 9709-6; RCW 53.24.070.]

The port commission shall give notice of the proposed sale by publication in a newspaper of general circulation in the county, and by posting in three public places in the port district at least ten days before the date fixed for the hearing thereon.

The notice shall describe the property to be sold and state that at the time and place specified therein, the commission will meet at its usual meeting place, designating it, to hear and determine the advisability of the sale.

The hearing shall be held not more than twenty days from the publication of notice. At the hearing the commission shall hear the reasons of any taxpayer in the port district, for or against the sale.

Any aggrieved party may appeal the determination of the commission by filing appeal with the superior court of the county in which the district is located within twenty days of the entry of the determination but no appeal shall be allowed except on the grounds that the action of the commission was arbitrary, capricious, or unlawful. 53.25.140 Action on determination—Sale by competitive bid or negotiation. If the determination is against the sale, all proceedings thereon shall terminate. EXPORT TRADING COMPANIES

53.31.010 Legislative findings—Intent. (Effective until June 30, 1995.) It is declared to be the public policy of the state to promote and preserve the economic well-being of the citizens of this state by creating opportunities for expanded participation in international trade by state businesses and expanding international trade through state ports. Increased international trade of state products creates and retains jobs, increases the state's tax base, and diversifies the state's economy. Port districts, through economies of scale, are uniquely situated to promote and expand international trade and provide greater opportunities for state businesses to participate in international trade.

The legislature finds that significant public benefit, in the form of increased employment and tax revenues, can be realized through export trading companies without lending the credit of port districts, and without capital investment of public funds by port districts. The legislature finds that the use of port district funds to promote and establish export trading companies under this chapter constitutes trade promotion and industrial development within the meaning of Article VIII, section 8 of the state Constitution.

It is the purpose of this chapter: (1) To stimulate greater participation by private businesses in international trade; (2) to authorize port districts to promote and facilitate international trade more actively; (3) to make export services more widely available; (4) to generate revenue for port districts; and (5) to develop markets for Washington state goods and services. Port sponsored export trading companies can also assist small to medium-sized companies in achieving economies of scale in order to expand into the export market.

It is the intent of this chapter to enhance export trade and not to create outside competition for existing Washington state businesses. The primary intent of a port sponsored export trading company is to increase exports of Washington state products.

This chapter shall not be construed as modifying or restricting any other powers granted to port districts by law. The legislature does not intend by the enactment of this chapter for port districts to use export trading companies to create unfair competition with private business. [1986 c 276 § 1.]

### 53.34.060 Notes

A district shall have power from time to time to issue bond anticipation revenue notes (herein referred to as notes), and from time to time to issue renewal notes, such notes in any case to mature not later than six years from the date of incurring the indebtedness represented thereby in an amount not exceeding in the aggregate at any time outstanding the amount of revenue bonds then or theretofore authorized but not issued. Payment of such notes shall be made from any moneys or revenue which the district may have available for such purpose or the proceeds of the sale of revenue bonds of the district, or such notes may be exchanged for a like amount of such revenue bonds bearing the same or a lower or higher rate of interest than that borne by such notes.

All notes may be issued and sold in the same manner as revenue bonds. Any district shall have power to make contracts for the future sale from time to time of notes on terms and conditions stated in such contracts, and the district shall have power to pay such consideration as it shall deem proper for any commitments to purchase notes in the future. Such notes may also be collaterally secured by pledges and deposits with a bank or trust company, in trust for the payment of said notes, of revenue bonds in an aggregate amount at least equal to the amount of such notes and, in any event, in amount deemed by the district sufficient to provide for the payment of the notes in full at the maturity thereof. The district may provide in such collateral agreement that the notes may be exchanged for revenue bonds held as collateral security for the notes, or that the trustee may sell the revenue bonds if the notes are not otherwise paid at maturity and apply the proceeds of such sale to the payment of the notes. Such notes shall bear interest at a rate
or rates as authorized by the port commission. [1970 ex.s. c 56 § 71; 1969 ex.s. c 232 § 81; 1959 c 236 § 6.]

[1959 c 236 § 7.]

53.34.080 **Special funds and accounts—Disposition.** The resolution, resolutions, or trust agreement providing for the issuance of revenue bonds or notes pursuant to the provisions of this chapter shall create and establish a special fund of the district into which the district shall be obligated to deposit as collected all income, revenues, receipts, and profits derived by the district through the ownership and operation of any project or projects acquired or constructed from the proceeds of the sale of such revenue bonds or notes: PROVIDED, That additional separate special funds or accounts may be created by such resolution or trust agreement into which the district may obligation itself to deposit the proceeds of the sale of such revenue bonds and notes, the proceeds of the sale or other disposition in whole or in part of any project or projects, the proceeds of any policy of insurance on such projects, and any other additional moneys received by the district and applicable to such projects. All such moneys shall be held by the district, the depositories and trustees of such funds and accounts, in trust for the equal and ratable benefit and security of the holders from time to time of the revenue bonds and notes issued pursuant to the resolution, resolutions, or trust agreement establishing such special funds or accounts, and shall be collected, held, deposited, and disbursed solely for the acquisition, construction, operation, maintenance, renewal, replacement, improvement, extension, and betterment of such project or projects and the payment of the principal of and interest and premium, if any, on the revenue bonds and notes issued pursuant to such resolution, resolutions, or trust agreements, and the creation and maintenance of reasonable reserves for all such purposes: PROVIDED, HOWEVER, That the district may in its discretion and subject to any agreements with the holders of such revenue bonds and notes expend amounts of such moneys as are not required for the purposes aforesaid for other corporate purposes of the district.

53.34.090 **Pledge of moneys, when binding—When lien attaches.** It is the intention hereof that any pledge of revenues, income, receipts, profits, charges, fees, or other moneys made by a district for the payment of bonds shall be valid and binding from the time of the adoption of any resolution or the execution of any trust agreement making such pledge notwithstanding the fact that there may not then be any simultaneous delivery thereof, that the revenues, income, receipts, profits, charges, fees, and other moneys so pledged shall as soon as received by the district immediately be subject to the lien of such pledge without the physical delivery thereof and without further act, and that the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the district irrespective of whether such parties have notice thereof. Neither the resolution, resolutions, or trust agreement authorizing revenue bonds or notes nor any other instrument by which such a pledge is created need be recorded to be effective. [1959 c 236 § 9.]

[1959 c 236 § 12.]

53.34.130 Bonds, notes, obligations not state or district debt—No ad valorem taxes. The revenue bonds, revenue notes, and any other obligations of a district issued under the authority of this chapter shall not be a debt of the state of Washington or of any political subdivision of this state, nor shall such obligations be considered indebtedness of the port district issuing same within any constitutional, statutory, or other limitation of indebtedness, and neither the state nor any political subdivision thereof, including the port district issuing such revenue bonds or notes, shall ever become obligated to levy ad valorem taxes on any taxable property within the state for the payment of such revenue bonds and notes, but such revenue bonds and notes shall be payable solely from and shall be a charge only upon the revenues and other funds of the project or projects pledged to the payment thereof by the proceedings authorizing the issuance of such bonds and notes. [1959 c 236 § 13.]

53.34.140 Registration of bonds and notes—Prima facie validity. Prior to the issuance and delivery of revenue bonds or notes under the authority of this chapter, such revenue bonds or notes and a certified copy of the resolution, resolutions, or trust agreements authorizing such revenue bonds or notes shall be forwarded by the port commission to the state auditor together with any additional information requested by him, and when such revenue bonds or notes have been examined they shall be registered by the auditor in books to be kept by him for that purpose, and a certificate of registration shall be endorsed upon each such revenue bond or note and signed by the auditor or a deputy appointed by him for that purpose.

Revenue bonds or notes so registered shall then be prima facie valid and binding obligations of the port district in accordance with the terms thereof, notwithstanding any defect or irregularity in the proceedings for the authorization and issuance of such revenue bonds or notes or in the sale, execution or delivery thereof or in the application of the proceeds thereof. [1959 c 236 § 14.]

Such bonds and notes are also made securities which may be deposited with and shall be received by all public officers and bodies of this state, all municipalities, municipal subdivisions, and other political subdivisions of this state for any purpose for which the deposit of bonds or other obligations of this state is now or may hereafter be authorized. [1959 c 236 § 15.]

This section shall constitute a covenant and agreement with the holders of all revenue bonds and notes issued by port districts pursuant to the provisions of this chapter. [1959 c 236 § 16.]

53.34.170 District's power to acquire property, rights, etc.—Gifts—Condemnation—Contracts by public agencies authorized. In the acquisition, construction, reconstruction, improvement, extension, or betterment of any project or projects authorized under the provisions of this chapter any port district creating and establishing any such project or projects may have and exercise all of the powers hereetofore or hereafter granted to port districts for corporate purposes and, in addition thereto, may acquire by gift or grant, lease, purchase, or condemnation any public and private property, franchises and property rights, including state, county, and school lands and property, and littoral and water rights whether or not any such property is then devoted to public or quasi public proprietary or governmental use: PROVIDED, That the court shall find that the proposed condemnation of any property already devoted to a public use is for a higher public use, and may by appropriate contracts with any city, county, or other political subdivision of the state, with the state and any department of the government of the state (hereinafter referred to collectively.
as public agencies), or with any department, instrumentality or agency of the United States, acquire title to or the use of existing roads, streets, parkways, avenues, or highways or the closing of any roads, streets, parkways, avenues, or highways as may be necessary or convenient to the acquisition, construction, or operation of any such project or projects under such terms and conditions as may be mutually agreed upon. All public agencies are authorized to enter into contracts with port districts for the aforesaid purposes. [1959 c 236 § 17.]

53.34.180 Public agencies authorized to contract with district for contribution of money, property, services, etc. Any public agency, including without limitation the department of transportation, may contract with a port district that is constructing a project or projects under this chapter for the contribution of moneys or real or personal property in aid of the construction of the projects, or for the furnishing of engineering, legal, police, and fire protection, and all other services necessary or convenient to the acquisition, construction, reconstruction, operation, maintenance, renewal, replacement, improvement, additions to, or extension of the project or projects. The contracts shall run for such period of years and contain such terms and conditions as the parties thereto mutually agree upon. Any public agency, by resolution, may authorize the execution of the contracts with a port district and no other authorization on the part of the public agency is necessary, regardless of any provision of laws or of a city charter to the contrary. Obligations assumed by a public agency under the contracts entered into under this chapter shall be included and provided for in each annual budget of the public agency made thereafter until all the obligations have been fully discharged. 53.46.005 Definitions. As used in this chapter the term "principal county auditor" and "principal county treasurer" shall be the county auditor or county treasurer in the county having the largest assessed valuation of the total of the proposed consolidated port district. [1965 c 102 § 1.]

53.46.010 Consolidation authorized—Petition or resolution, contents. Two or more port districts may be joined into one consolidated port district in the following manner: The port commissioners of each of the port districts proposed to be consolidated may, or on petition of ten percent of the qualified electors residing within each of the districts proposed to be consolidated based on the total vote cast in the last general election, shall, by joint resolution submit to the qualified electors of the port districts to be consolidated the proposition of consolidating such districts into one port district. Such resolution or petition in request thereof shall identify each port district to be consolidated, listing its assets and liabilities; state the name by which the port district resulting from the consolidation shall be known; legally describe each port commissioner district to be created
within the port district resulting from the consolidation; state the terms and conditions, if any, under which the consolidation is proposed; and call a special election in the territory of the port districts to be consolidated, to determine whether such consolidation shall take place, and to fill the offices of the port commission of the port district resulting from the consolidation. The resolution or petition shall provide that the commission in the proposed district shall consist of three, five, or seven commissioners and that the number shall be approved by the voters at the time the proposition for consolidation is voted upon. The proposition in this respect shall provide that the commissioners shall be elected one from commissioner districts which shall be described as set forth in this section, or if such districts are not so described then the commissioners shall be elected at large. [1965 c 102 § 2; 1961 c 26 § 1.]

The county auditor shall in such event issue a certificate of election to the successful candidate from each port commissioner district. If the proposed district includes area in two or more counties, certificates of election shall be issued by the principal county auditor, and the canvassing board of elections shall be made up of the chairmen of the board of county commissioners, prosecutors, and the auditors of each county with area within the consolidated port district. Of the successful port commissioner candidates, if three are elected, the one receiving the highest number of votes shall serve until his successor is elected and qualified at the third subsequent regular election for port commissioner, and the ones receiving the second and third highest numbers of votes shall serve until their successors are elected and qualified at the second and first subsequent regular elections for port commissioner, respectively. If five or seven commissioners are elected, the two with the greatest number of votes shall serve until their successors are elected and qualified at the third subsequent regular election of port commissioners, the two commissioners receiving the next highest number of votes shall serve until their successors are elected and qualified at the second subsequent regular election of port commissioners; and the remaining commissioner or commissioners shall serve until their successors are elected and qualified at the next regular election of port commissioners. [1965 c 102 § 4; 1961 c 26 § 3.]

The port commission of the port district resulting from the consolidation shall have all the powers possessed at the time of the consolidation by the port commission of each port district which has been consolidated, to levy or collect taxes or assessments in respect to property in such former port district, for payment of such obligations. While any such obligations remain outstanding, funds subject to such obligations shall be kept separate. [1961 c 26 § 4.]

53.46.050 County commissioners may act if no active port commission. In the event a port district does not have an active port commission to which the petition for consolidation may be directed, the board of county commissioners of the county wherein such inactive port district is located may act in the place and stead of the port commission for the purposes of consolidation. [1961 c 26 § 5.]

53.46.060 Dissolution of district which has no active commission—Authority of county commissioners. For the purpose of dissolution of any port district not having an active port commission the board of county commissioners of the county wherein such inactive port district is located may exercise the powers and duties vested by chapter 53.48 RCW in the governing body of such port district. [1961 c 26 § 6.]

53.46.070 Title to property vests in consolidated district. Upon consolidation of two or more port districts the title to all property owned by or held in trust for the former districts shall vest in the consolidated port district. [1965 c 102 § 5.]

If the district includes area from two or more counties, it shall be the duty of the county assessor in each county to certify annually to the auditor of his county, who shall forward the same to the principal county auditor, the total assessed valuation of that part of the port district which lies within his county. The port commission of such consolidated port district shall certify to the principal county auditor the budget and the levies to be assessed for port purposes: PROVIDED, That the amount of tax to be levied upon taxable property of that part of a port district lying in one county shall be in such ratio to the whole amount levied upon the property lying in the entire consolidated port district as the assessed valuation lying in such county bears to the assessed valuation of the property in the entire consolidated port district. Thereafter the principal county auditor shall forward a certificate to each county auditor, for the county commissioners thereof, which shall specify the proportion of taxes to be levied for port district purposes. [1965 c 102 § 6.]
53.46.090 District including area from two or more counties—Levy and collection of taxes—Principal county treasurer, duties. Upon receipt of the certificate from the principal county auditor as provided in RCW 53.46.080 it shall be the duty of the board of county commissioners of each county to levy on all taxable property of the consolidated port district which lies within the county a tax sufficient to raise the amount necessary to meet the county’s proportionate share of the total tax levy. Such taxes shall be levied and collected in the same manner as other taxes are levied and collected. The proceeds shall be forwarded quarterly by the treasurer of each county to the principal county treasurer. The principal county treasurer shall place to the credit of said consolidated port district all funds received from the other county treasurers as well as those amounts he shall have collected for the account of the port district. The principal county treasurer shall be the treasurer of the consolidated port district and shall perform all functions required of a treasurer of a port district. [1965 c 102 § 7.]

53.46.100 General powers of consolidated district—Debt limitation. Any port district created by consolidation prior to June 10, 1965, or formed hereafter under *this amendatory act, shall have all the powers of a newly formed port district, without any other restriction except the requirements of RCW 53.46.040: PROVIDED, That general obligation indebtedness outstanding for all port purposes within the area of the consolidated port shall not exceed the limits of RCW 53.36.030, and for purpose of computing such bonded debt, the bonds outstanding of all port agencies shall be considered. [1965 c 102 § 8.]

*Reviser’s note: This amendatory act [1965 c 102] consisted of amendments to RCW 53.46.010, 53.46.020, and 53.46.030 and the enactment of RCW 53.46.005, 53.46.070, 53.46.080, 53.46.090, and 53.46.100.

Dissolution of inactive special purpose districts: Chapter 36.96 RCW.

53.47.010 Purpose. This chapter shall provide an additional method by which inactive port districts may be dissolved. [1971 ex.s. c 162 § 1.]

53.47.020 Port district deemed inactive, when. A port district shall be deemed inactive if, at the time of the filing of the petition for dissolution with the clerk of the superior court of the county in which such port district is situated, such port has failed to comply with subdivision (1), (2), or (3) of this section.

(1) The port district has failed to file its budget with the board of county commissioners or, in the case of home rule charters, the appropriate governing body for the two fiscal years immediately preceding the date of filing such petition, and the port district, having been in existence for two years or more, has failed to adopt its comprehensive plan of harbor improvement and/or industrial development as provided by statute, and does not presently own or has not leased within two years prior to the filing of such petition, real property for use for port purposes.

(2) The port district does not presently own or has not leased or owned real property for use for port purposes within the four calendar years prior to the filing of such petition.

(3) The port district has not filed its budget with the board of county commissioners or, in the case of home rule charters, the appropriate governing body for the two fiscal years immediately preceding the filing of said petition has not adopted its comprehensive plan of harbor improvement and/or industrial development as provided by statute, and has not met with a legal quorum at least twice in the last two calendar years prior to the filing of such petition. [1971 ex.s. c 162 § 2.]

53.47.030 Petition for dissolution—Filing—Contents. The county prosecutor of the county in which such port district is located acting upon his own motion shall file such petition for dissolution with the clerk of the superior court of the county in which such inactive port district is located. Such petition shall:

(1) Describe with certainty the port district which is declared to be inactive and which is sought to be dissolved;

(2) Allege with particularity that the port district sought to be dissolved is inactive within the purview of any of the several particulars set forth in RCW 53.47.020; and

(3) Request that the court find the port district inactive and declare it dissolved upon such terms and conditions as the court may impose and declare. [1971 ex.s. c 162 § 3.]

53.47.040 Hearing on petition—Notice, publication—Creditor claims, determination—Terms and conditions of court order if district to be dissolved. The superior court, upon the filing of such petition, shall set such petition for hearing not less than one hundred twenty days and not more than one hundred eighty days after the date of filing said petition. Further, the court shall order the clerk of said court to give notice of the time and place fixed for the hearing by publication of notice in a newspaper of general circulation within such district, such publication to be once each week for three consecutive weeks, the date of first publication to be not less than thirty nor more than seventy days prior to the date fixed for the hearing upon such petition. Said notice shall further provide that all creditors of said district, including holders of revenue or general obligation bonds issued by said district, if any, shall present their claims to the clerk of said court within ninety days from the date of first publication of said notice, and that upon failure to do so all such claims will be forever barred. The clerk shall also mail a copy by ordinary mail of such notice to all creditors of said district, including holders of revenue or general obligation bonds issued by said district, if any, such mailing to be mailed not later than thirty days after the hearing date has been set. No other or further (1992 Ed.)
notifications shall be required at any stage of the proceedings for dissolution of an inactive port district pursuant to this chapter.

The clerk, ten days prior to the date set for the hearing, shall deliver to the court the following:

(1) A list of the liabilities of the port district in detail with the names and addresses of creditors as then known; and

(2) A list of the assets of the port district in detail as then known.

The court upon hearing the petition shall fix and determine all such claims subject to proof being properly filed as provided in this section; shall fix and determine the financial condition of the district as to its assets and liabilities, and if it finds the port district to be inactive in respect of any standard of inactivity set forth by this chapter, shall order the port district to be dissolved upon the following terms and conditions:

(1) If there be no outstanding debts, or if the debts be less than the existing assets, the court shall appoint the auditor of the county in which the port district is located to be trustee of the port’s assets and shall empower such person to wind up and liquidate the affairs of such district in such manner as the court shall provide and to file his accounting with the court within ninety days from the date of his appointment. Upon the filing of such account, the court shall fix a date for hearing upon the same and upon approval thereof, if such accounting be the final accounting, shall enter its order approving the same and declaring the port district dissolved.

At the request of the trustee the county sheriff may sell, at public auction, all real and personal property of the port district. The county sheriff shall cause a notice of such sale fixing the time and place thereof which shall be at a suitable place, which will be noted in the advertisement for sale. Such notice shall contain a description of the property to be sold and shall be signed by the sheriff or his deputy. Such notice shall be published at least once in an official newspaper in said county at least ten days prior to the date fixed for said sale. The sheriff or his deputy shall conduct said sale and sell the property described in the notice at public auction to the highest and best bidder for cash, and upon payment of the amount of such bid shall deliver the said property to such bidder. The moneys arising from such sale shall be turned over to the county auditor acting as trustee: PROVIDED, HOWEVER, That the sheriff shall first deduct the costs and expenses of the sale from the moneys and shall apply such moneys to pay said costs and expenses.

The court order shall provide that the assets remaining in the hands of the trustee shall be transferred to any school district, districts, or portions of districts, lying within the dissolved port district boundaries. The transfer of assets shall be prorated to the districts based on the assessed valuation of said districts.

(2) If the debts exceed the assets of the port district, then the court shall appoint the auditor of the county in which a port district is located to be trustee of the port’s assets for the purpose of conserving the same and of paying liability of the port district as funds become available therefor. The trustee shall be empowered to generally manage, wind up, and liquidate the affairs of such district in such manner as the court shall provide and to file his accounting with the court within ninety days from the date of his appointment and as often thereafter as the court shall provide. The board of county commissioners, acting as pro tempore port district commissioners under the authority of RCW 53.36.020 shall levy an annual tax not exceeding forty-five cents per thousand dollars of assessed value or such lesser amount as may previously have been voted by the taxpayers within said district, together with an amount deemed necessary for payment of the costs and expenses attendant upon the dissolution of said district, upon all the taxable property within said district, the amount of such levy to be determined from time to time by the court. When, as shown by the final accounting of the trustee, all of the indebtedness of the district shall have been satisfied, the cost and expense of the proceeding paid or provided for, and the affairs of the district wound up, the court shall declare the district dissolved: PROVIDED, That if the indebtedness be composed in whole or in part of bonded debt for which a regular program of retirement has been provided, then the board of county commissioners shall be directed by the court to continue to make such annual levies as are required for the purpose of debt service upon said bonded debt. [1973 1st ex.s. c 195 § 59; 1971 ex.s. c 162 § 4.]

53.47.050 Effect of final order of dissolution. Upon the entry of the final order of dissolution declaring the port district dissolved all offices of the port district shall be deemed abolished, and no other or further levy shall be certified by the county commissioners except pursuant to the directive of the court as hereinafter provided. [1971 ex.s. c 162 § 5.]

53.47.900 Chapter cumulative and nonexclusive. The provisions of this chapter shall be cumulative and nonexclusive and shall not affect any other remedy. [1971 ex.s. c 162 § 6.]

[1989 c 84 § 46.]

53.48.010 Definitions. The following words and terms shall, whenever used in this chapter, have the meaning set forth in this section:

(1) The term "district", as used herein, shall include all municipal and quasi municipal corporations having a governing body, other than cities, towns, counties, and townships, such as port, school, water, fire protection, and all other districts of similar organization, but shall not include local improvement districts, diking, drainage and irrigation districts, special districts as defined in RCW 85.38.010, nor public utility districts.

(2) The words "board of commissioners," as used herein, shall mean the governing authority of any district as defined in subdivision (1) of this section. [1986 c 278 § 17; 1979 e.x.s. c 30 § 10; 1941 c 87 § 1; Rem. Supp. 1941 § 8931-11.]

Severability—1986 c 278: See note following RCW 36.01.010.

Purpose—1941 c 87: "This act is intended to authorize the dissolution of all types of municipal corporations having governing bodies, other than those excepted from the application of this act, in cases where the occasion or reason for continued existence of such corporation has ceased, or where the best interests of all persons concerned would be served by such dissolution, and shall be liberally construed to effect such intent." [1941 c 87 § 12.]

Severability—1941 c 87: "If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable." [1941 c 87 § 11.]

53.48.020 Petition. For the purpose of dissolution of a district, a petition for an order of dissolution signed by the majority of the board of commissioners, or other governing authority of such district shall be presented to the superior court of the county in which the board of commissioners is situated. [1941 c 87 § 2; Rem. Supp. 1941 § 8931-12.]

53.48.030 Order for hearing—Notice. Upon the filing of such petition for an order of dissolution, the superior court shall enter an order setting the same for hearing at a date not less than thirty days from the date of filing, and the clerk of the court of said county shall give notice of such hearing by publication in a newspaper of general circulation in the county in which the district is located once a week for three successive weeks, and by posting in three public places in the county in which the district is located at least twenty-one days before said hearing. At least one notice shall be posted in the district. The notices shall set forth the filing of the petition, its purpose and the date and place of the hearing thereon. [1941 c 87 § 3; Rem. Supp. 1941 § 8931-13.]

53.48.040 Order of dissolution—Sale of assets. After said hearing the court shall enter its order dissolving or refusing to dissolve said district. A finding that the best interests of all persons concerned will be served by the proposed dissolution shall be essential to an order of dissolution. If the court find that such district is solvent, the court shall order the sale of such assets, other than cash, by the sheriff of the county in which the board is situated, in the manner provided by law for the sale of property on execution. [1941 c 87 § 4; Rem. Supp. 1941 § 8931-14.]

Execution: Chapter 6.17 RCW.

53.48.050 Payment of debts and costs—Balance to school district. [1941 c 87 § 5; Rem. Supp. 1941 § 8931-15.]

Port districts in counties with populations of from eight thousand to less than twelve thousand—Disposition of funds: Chapter 53.49 RCW.

53.48.060 Insolvency—Second hearing. Upon a finding of insolvency the court shall then determine the indebtedness of the district, the creditors thereof and their claims. The court shall then set a date and a place for a second hearing, which hearing shall be not less than sixty days nor more than one hundred twenty days from the hearing as provided in RCW 53.48.030.

The purpose of such hearing shall be to determine ways and means of retiring the established indebtedness of the district and paying all costs and expenses of proceedings hereunder. Such ways and means may include the levy of assessments against the property in the district as provided in RCW 53.48.080. [1941 c 87 § 6; Rem. Supp. 1941 § 8931-16.]

53.48.070 Notice of second hearing. The clerk shall give notice of the second hearing by publication in a newspaper of general circulation in the county in which the district is located once a week for three successive weeks, and by posting in three public places in the county in which the district is located at least twenty-one days before the hearing, and shall give such other notice to creditors and other interested parties as the court may deem necessary or advisable. At least one notice shall be posted in the district. The notices shall set forth the filing of the petition, its purpose, the finding of the court on the petition, the date and place of the second hearing and the purpose of the hearing as stated in RCW 53.48.060. [1941 c 87 § 7; Rem. Supp. 1941 § 8931-17.]

53.48.080 Sale of property—Levy to pay deficit. At the second hearing the court shall have authority to order the sale of any district property. If the proceeds of such sale together with any cash remaining on hand to the credit of the
district are insufficient to retire such indebtedness together with all costs and expenses, the court shall have authority to order the board of commissioners to levy assessments in the manner provided by law against the property in the district in amounts sufficient to retire said indebtedness and pay the costs and expenses. At such hearing any property owner within the district may appear and be heard for or against such levy. [1941 c 87 § 8; Rem. Supp. 1941 § 8931-18.]

53.48.090 Order of dissolution or refusal. The court shall then enter its order dissolving or refusing to dissolve said district. [1941 c 87 § 9; Rem. Supp. 1941 § 8931-19.]

53.48.120 Provision for costs and expenses. In all proceedings brought under this chapter the court shall make provision for the costs and expenses of proceedings hereunder and for the payment of the same. [1941 c 87 § 10; Rem. Supp. 1941 § 8931-20.]

The court shall equitably divide such sums of money between school districts if there be more than one district involved. [1943 c 282 § 2; Rem. Supp. 1943 § 9718-11. Formerly RCW 53.48.110.]

Chapter 53.54

AIRCRAFT NOISE ABATEMENT

Sections
53.54.010 Programs for abatement of aircraft noise authorized. A port district operating an airport serving more than twenty scheduled jet aircraft flights per day may undertake any of the programs or combinations of such programs, as authorized by this chapter, for the purpose of alleviating and abating the impact of jet aircraft noise on areas surrounding such airport. [1974 ex.s. c 121 § 1.]

53.54.020 Investigation and monitoring of noise impact—Programs to conform to needs—"Impacted areas". Prior to initiating programs as authorized in this chapter, the port commission shall undertake the investigation and monitoring of aircraft noise impact to determine the nature and extent of the impact. The port commission shall adopt a program of noise impact abatement based upon the investigations and as amended periodically to conform to needs demonstrated by the monitoring programs: PROVISED, That in no case may the port district undertake any of the programs of this chapter in an area which is more than six miles beyond the paved end of any runway or more than one mile from the centerline of any runway or from an imaginary runway centerline extending six miles from the paved end of such runway. Such areas as determined above, shall be known as "impacted areas". [1984 c 193 § 1; 1979 c 85 § 1; 1974 ex.s. c 121 § 2.]

53.54.030 Authorized programs—When property deemed within impacted area. For the purposes of this chapter, in developing a remedial program, the port commission may utilize one or more of the following programs:

(1) Acquisition of property or property rights within the impacted area, which shall be deemed necessary to accomplish a port purpose. The port district may purchase such property or property rights by time payment notwithstanding the time limitations provided for in RCW 53.08.010. The port district may mortgage or otherwise pledge any such properties acquired to secure such transactions. The port district may assume any outstanding mortgages.

(2) Transaction assistance programs, including assistance with real estate fees and mortgage assistance, and other
neighborhood remedial programs as compensation for impacts due to aircraft noise and noise associated conditions. Any such programs shall be in connection with properties located within an impacted area and shall be provided upon terms and conditions as the port district shall determine appropriate.

(3) Programs of soundproofing structures located within an impacted area. Such programs may be executed without regard to the ownership, provided the owner waives all damages and conveys a full and unrestricted easement for the operation of all aircraft, and for all noise and noise associated conditions therewith, to the port district.

(4) Mortgage insurance of private owners of lands or improvements within such noise impacted area where such private owners are unable to obtain mortgage insurance solely because of noise impact. In this regard, the port district may establish reasonable regulations and may impose reasonable conditions and charges upon the granting of such mortgage insurance: PROVIDED, That such fees and charges shall at no time exceed fees established for federal mortgage insurance programs for like service.

(5) An individual property may be provided benefits by the port district under each of the programs described in subsections (1) through (4) of this section. However, an individual property may not be provided benefits under any one of these programs more than once.

(6) Management of all lands, easements, or development rights acquired, including but not limited to the following:
   (a) Rental of any or all lands or structures acquired;
   (b) Redevelopment of any such lands for any economic use consistent with airport operations, local zoning and the state environmental policy;
   (c) Sale of such properties for cash or for time payment and subjection of such property to mortgage or other security transaction: PROVIDED, That any such sale shall reserve to the port district by covenant an unconditional right of easement for the operation of all aircraft and for all noise or noise conditions associated therewith.

(7) A property shall be considered within the impacted area if any part thereof is within the impacted area. [1985 c 115 § 1; 1974 ex.s. c 121 § 3.]

The port district may also finance such fund, as necessary, in whole or in part, with the proceeds of general obligation bond issues of not more than one-eighth of one percent of the value of taxable property in the port district: PROVIDED, That any such bond issue shall be in addition to bonds authorized by RCW 53.36.030: PROVIDED FURTHER, That any such general obligation bond issue may be subject to referendum by petition as provided by county charter, the same as if it were a county ordinance. [1974 ex.s. c 121 § 4.]

**53.54.900 Liberal construction—Powers additional.** The rule of strict construction shall have no application to this chapter, which shall be liberally construed to carry out the purposes and objects for which this chapter is intended. The powers granted in this chapter shall be in addition to all others granted to port districts. [1974 ex.s. c 121 § 5.]

[1959 c 218 § 14.]

"Wholesale power" defined: RCW 54.04.100.

54.04.020 Districts authorized. Municipal corporations, to be known as public utility districts, are hereby authorized for the purposes of "this act and may be established within the limits of the state of Washington, as provided herein. [1931 c 1 § 2; RRS § 11606.]

Purpose—1931 c 1: "The purpose of this act is to authorize the establishment of public utility districts to conserve the water and power resources of the State of Washington for the benefit of the people thereof, and to supply public utility service, including water and electricity for all uses." [1931 c 1 § 1.]

Severability—Construction—1931 c 1: "Adjudication of invalidity of any section, clause or part of a section of this act shall not impair or otherwise affect the validity of the act as a whole or any other part thereof."
54.04.020 Title 54 RCW: Public Utility Districts

The rule of strict construction shall have no application to this act, but the same shall be liberally construed, in order to carry out the purposes and objects for which this act is intended.

When this act comes in conflict with any provision, limitation or restriction in any other law, this act shall govern and control." [1931 c 1 § 11.]

54.04.030 Restrictions on invading other municipalities. *This act shall not be deemed or construed to repeal or affect any existing act, or any part thereof, relating to the construction, operation and maintenance of public utilities by irrigation or water districts or other municipal corporations, but shall be supplemental thereto and concurrent therewith.

No public utility district created hereunder shall include therein any municipal corporation, or any part thereof, where such municipal corporation already owns or operates all the utilities herein authorized: PROVIDED, that in case it does not own or operate all such utilities it may be included within such public utility district for the purpose of establishing or operating therein such utilities as it does not own or operate: PROVIDED, FURTHER, That no property situated within any irrigation or water districts or other municipal corporations shall ever be taxed or assessed to pay for any utility, or part thereof, of like character to any utility, owned or operated by such irrigation or water districts or other municipal corporations. [1931 c 1 § 12; RRS § 11616.]

*Reviser's note: "This act," see note following RCW 54.04.020.

Irrigation districts: Title 87 RCW.
Municipal utilities: RCW 80.04.500, 81.04.490 and chapter 35.92 RCW.
Water districts: Title 57 RCW.

54.04.035 Annexation of territory. In addition to other powers authorized in Title 54 RCW, public utility districts may annex territory as provided in this section.

The boundaries of a public utility district may be enlarged and new contiguous territory added pursuant to the procedures for annexation by cities and towns provided in RCW 35.13.015 through 35.13.110. The provisions of these sections concerning community municipal corporations, review boards, and comprehensive plans, however, do not apply to public utility district annexations. For purposes of conforming with such procedures, the public utility district is deemed to be the city or town and the board of commissioners is deemed to be the city or town legislative body.

Annexation procedures provided in this section may only be used to annex territory that is both: (1) Contiguous to the annexing public utility district; and (2) located within the service area of the annexing public utility district. As used in this section, a public utility district's "service area" means those areas whether located within or outside of the annexing public utility district's boundaries that were generally served with electrical energy by the annexing public utility district on January 1, 1987. Such service area may, or may not, have been recognized in an agreement made under chapter 54.48 RCW, but no area may be included within such service area that was generally served with electrical energy on January 1, 1987, by another public utility as defined in RCW 54.48.010. An area proposed to be annexed may be located in the same or a different county as the annexing public utility district.

If an area proposed to be annexed is located within the boundaries of another public utility district, annexation may be initiated only upon petition of registered voters residing in the area in accordance with RCW 35.13.020 and adoption by the boards of commissioners of both districts of identical resolutions stating (a) the boundaries of the area to be annexed, (b) a determination that annexation is in the public interest of the residents of the area to be annexed as well as the public interest of their respective districts, (c) approval of annexation by the board, (d) the boundaries of the districts after annexation, (e) the disposition of any assets of the districts in the area to be annexed, (f) the obligations to be assumed by the annexing district, (g) apportionment of election costs, and (h) that voters in the area to be annexed will be advised of lawsuits that may impose liability on the annexed territory and the possible impact of annexation on taxes and utility rates.

If annexation is approved, the area annexed shall cease to be a part of the one public utility district at the same time that it becomes a part of the other district. The annexing public utility district shall assume responsibility for providing the area annexed with the services provided by the other public utility district in the area annexed. [1987 c 292 § 2; 1983 c 101 § 1.]

Consolidation and annexation: Chapter 54.32 RCW.

54.04.037 Annexation of territory—Coordination among county officials. When territory has been added to a public utility district in accordance with RCW 54.04.035, the supervisor of elections and other officers of the county in which the public utility district first operated shall coordinate elections, the levy and collection of taxes, and other necessary duties with the appropriate county officials of the other county. [1987 c 292 § 3.]

54.04.040 Utilities within a city or town—Restrictions. A district shall not construct any property to be utilized by it in the operation of a plant or system for the generation, transmission, or distribution of electric energy for sale, on the streets, alleys, or public places within a city or town without the consent of the governing body of the city or town and approval of the plan and location of the construction, which shall be made under such reasonable terms as the city or town may impose. All such properties shall be maintained and operated subject to such regulations as the city or town may prescribe under its police power. [1957 c 278 § 9. Prior: (i) 1941 c 245 § 3a; Rem. Supp. 1941 § 11616-4. (ii) 1941 c 245 § 1, part; Rem. Supp. 1941 § 11616-1.]

54.04.050 Group employee insurance—Annuities—Retirement income policies. (1) Subject to chapter 48.62 RCW, any public utility district engaged in the operation of electric or water utilities may enter into contracts of group insurance for the benefit of its employees, and pay all or any part of the premiums for such insurance. Such premiums shall be paid out of the revenues derived from the operation of such properties: PROVIDED, That if the premium is to be paid by the district and employees jointly, and the benefits of the policy are offered to all eligible employees, not less than seventy-five percent of such employees may be so insured.
(2) A public utility district whose employees or officials are not members of the state retirement system engaged in the operation of electric or water utilities may contract for individual annuity contracts, retirement income policies or group annuity contracts, including prior service, to provide the operation of electric or water utilities may contract for the benefit of its employees, and pays all or any part of the premiums therefor out of the revenue derived from the operation of its properties. [1991 sps. c 30 § 23; 1984 c 15 § 1; 1959 c 233 § 1; 1941 c 245 § 8; Rem. Supp. 1941 § 11616-6.]

Severability—1941 c 245: "If any section or provision of this act shall be adjudged to be invalid, such adjudication shall not affect the validity of the act as a whole or any section, provision or part thereof not adjudged to be invalid." [1941 c 245 § 11.]

Group insurance: Chapters 48.21 and 48.24 RCW.

Hospitalization and medical insurance authorized: RCW 41.04.180.

54.04.055 Employee benefits—District may continue to pay premiums after employee retires. Any public utility district which provides for the coverage of any of its employees under any plan for individual annuity contracts, retirement income policies, group annuity contracts, group insurance for the benefit of its employees, or any other contract for the benefit of its employees, and pays all or any part of the premiums or other payments required therefor, is hereby authorized to continue to make such payments for such employees after their retirement from employment. Such payments agreed to by the public utility district shall be considered as deferred compensation. Such payments shall not be retroactive but shall only be available for those employees employed on or after August 6, 1965 provided that such payments for retired employees shall not exceed those being paid for regular employees. [1965 ex.s. c 149 § 1.]

54.04.060 District elections. The supervisor of elections or other proper officer of the county shall give notice of all elections held under this title, for the time and in the manner and form provided for city, town, school district, and port district elections. When the supervisor or other officer deems an emergency exists, and is requested so to do by a resolution of the district commission, he may call a special election at any time in the district, and he may combine or divide precincts for the purpose of holding special elections, and special elections shall be conducted and notice thereof given in the manner provided by law.

The supervisor or other officer shall provide polling places, appoint the election officers, provide their compensation, provide ballot boxes, and ballots or voting machines, poll books and tally sheets, and deliver them to the election officers at the polling places, publish and post notices of the elections in the manner provided by law, and apportion to the district its share of the expense of the election.

The manner of conducting and voting at the elections, opening and closing of polls, keeping of poll lists, canvassing the votes, declaring the result, and certifying the returns, shall be the same as for the election of state and county officers, except as otherwise provided herein.

The district commission shall certify to the supervisor a list of offices to be filled at a district election and the commission, if it desires to submit to the voters of the district a proposition, shall require the secretary of the commission to certify it at the time and in the manner and form provided for certifying propositions by the governing board of cities, towns, and port districts. [1951 c 207 § 1; 1941 c 245 § 5; 1931 c 1 § 5; RRS § 11609.]

Certification of measures: RCW 29.27.060.

Notice of election: RCW 29.27.080.

54.04.070 Contracts for work or materials—Notice—Emergency purchases. Any item, or items of the same kind of materials, equipment, or supplies purchased, the estimated cost of which is in excess of five thousand dollars, exclusive of sales tax shall be by contract: PROVIDED, That a district may make purchases of the same kind of items of materials, equipment and supplies not exceeding five thousand dollars in any calendar month without a contract, purchasing any excess thereof over five thousand dollars by contract. Any work ordered by a district commission, the estimated cost of which is in excess of ten thousand dollars exclusive of sales tax, shall be by contract, except that a district commission may have its own regularly employed personnel perform work which is an accepted industry practice under prudent utility management without a contract. Prudent utility management means performing work with regularly employed personnel utilizing material of a worth not exceeding fifty thousand dollars in value without a contract: PROVIDED, That such limit on the value of material being utilized in work being performed by regularly employed personnel shall not include the value of individual items of equipment purchased or acquired and used as one unit of a project. Before awarding such a contract, the commission shall publish a notice once or more in a newspaper of general circulation in the district at least twenty days before the letting of the contract, inviting sealed proposals for the work or materials; plans and specifications of which shall at the time of the publication be on file at the office of the district subject to public inspection: PROVIDED, That any published notice ordering work to be performed for the district shall be mailed at the time of publication to any established trade association which files a written request with the district to receive such notices. The commission may at the same time and as part of the same notice, invite tenders for the work or materials upon plans and specifications to be submitted by the bidders.

Notwithstanding any other provisions herein, all contract projects, the estimated cost of which is less than one hundred thousand dollars, may be awarded to a contractor on the small works roster. The small works roster shall be comprised of all responsible contractors who have requested to be on the list. The commission shall authorize by resolution a procedure for securing telephone and/or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. Such procedure shall require that a good-faith effort be made to request quotations from all contractors on the small works roster. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry. The small works roster shall be revised once a year. All contract projects equal to or in
excess of one hundred thousand dollars shall be let by competitive bidding.

Whenever equipment or materials required by a district are held by a governmental agency and are available for sale but such agency is unwilling to submit a proposal, the commission may ascertain the price of such items and file a statement of such price supported by the sworn affidavit of one member of the commission and may consider such price as a bid without a deposit or bond. In the event of an emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the commission, or proclamation of an official designated by the board to act for the board during such emergencies, declaring the existence of such emergency and reciting the facts constituting the same, the board, or the official acting for the board, may waive the requirements of this chapter with reference to any purchase or contract, after having taken precautions to secure the lowest price practicable under the circumstances.

After determination by the commission during a public meeting that a particular purchase is available clearly and legitimately only from a single source of supply, the bidding requirements of this section may be waived by the commission. [1990 c 251 § 1; 1971 ex.s. c 220 § 4; 1955 c 124 § 2. Prior: 1951 c 207 § 2; 1931 c 1 § 8, part; RRS § 11612, part.]

Public purchase preferences: Chapter 39.24 RCW.

54.04.080 Bids—Deposit—Contract—Bond—Definitions. Any notice inviting sealed bids shall state generally the work to be done, or the material to be purchased and shall call for proposals for furnishing it, to be sealed and filed with the commission on or before the time named therein. Each bid shall be accompanied by a certified or cashier’s check, payable to the order of the commission, for a sum not less than five percent of the amount of the bid, or accompanied by a bid bond in an amount not less than five percent of the bid with a corporate surety licensed to do business in the state, conditioned that the bidder will pay the district as liquidated damages the amount specified in the bond unless he enters into a contract in accordance with his bid and furnishes the performance bond herein mentioned within ten days from the date on which he is notified that he is the successful bidder. At the time and place named, the bids shall be publicly opened and read, and the commission shall canvass the bids, and may let the contract to the lowest responsible bidder upon the plans and specifications on file, or to the best bidder submitting his own plans or specifications; or if the contract to be let is to construct or improve electrical facilities, the contract may be let to the lowest bidder prequalified according to the provisions of RCW 54.04.085 upon the plans and specifications on file, or to the best bidder submitting his own plans and specifications: PROVIDED, That no contract shall be let for more than fifteen percent in excess of the estimated cost of the materials or work. The commission may reject all bids and readvertise, and in such case all checks shall be returned to the bidders. The commission may procure materials in the open market, have its own personnel perform the work or negotiate a contract for such work to be performed by others, in lieu of readvertising, if it receives no bid. If the contract is let, all checks shall be returned to the bidders, except that of the successful bidder, which shall be retained until a contract is entered into and a bond to perform the work furnished, with sureties satisfactory to the commission, in an amount to be fixed by the commission, not less than twenty-five percent of the contract price, in accordance with the bid. If the bidder fails to enter into the contract and furnish the bond within ten days from the date at which he is notified that he is the successful bidder, his check and the amount thereof shall be forfeited to the district.

The commission shall, by resolution, define the term "same kind of materials, equipment, and supplies" with respect to purchase of items under the provisions of RCW 54.04.070.

The term "construction or improvement of any electrical facility" as used in this section and in RCW 54.04.085, shall mean the construction, the moving, maintenance, modification, or enlargement of facilities primarily used or to be used for the transmission or distribution of electricity at voltages above seven hundred fifty volts, including structures directly supporting transmission or distribution conductors but not including site preparation, housing, or protective fencing associated with but not included in a contract for such construction, moving, modification, maintenance, or enlargement of such facilities.

The commission shall be the final authority with regard to whether a bid is responsive to the call for bids and as to whether a bidder is a responsible bidder under the conditions of his bid. No award of contract shall be invalidated solely because of the failure of any prospective bidder to receive an invitation to bid. [1972 ex.s. c 41 § 1; 1971 ex.s. c 220 § 3; 1955 c 124 § 3. Prior: 1951 c 207 § 3; 1931 c 1 § 8, part; RRS § 11612, part.]

54.04.082 Alternative bid procedure—Telephone and/or written quotations of price. For the awarding of a contract to purchase any item, or items of the same kind of materials, equipment, or supplies in an amount exceeding five thousand dollars, but less than fifteen thousand dollars, exclusive of sales tax, the commission may, in lieu of the procedure described in RCW 54.04.070 and 54.04.080 requiring public notice to invite sealed proposals for such materials, equipment, or supplies, authorize by commission resolution a staff procedure for securing telephone and/or written quotations from enough vendors to assure establishment of a competitive price and for awarding such contracts for purchase of materials, equipment, or supplies to the lowest responsible bidder. Immediately after the award is made, the bid quotations obtained shall be recorded and shall be posted or otherwise made available at the office of the commission or any other officially designated location. Waiver of the deposit or bid bond required under RCW 54.04.080 may be authorized by the commission in securing such bid quotations. [1977 ex.s. c 116 § 1.]

54.04.085 Electrical facility construction or improvement—Bid proposals—Contract proposal forms—Conditions for issuance—Appeals. A district shall require
that bid proposals upon any construction or improvement of any electrical facility shall be made upon contract proposal form supplied by the district commission, and in no other manner. The district commission shall, before furnishing any person, firm or corporation desiring to bid upon any electrical work with a contract proposal form, require from such person, firm or corporation, answers to questions contained in a standard form of questionnaire and financial statement, including a complete statement of the financial ability and experience of such person, firm, or corporation in performing electrical work. Such questionnaire shall be sworn to before a notary public or other person authorized to take acknowledgment of deeds, and shall be submitted once a year and at such other times as the district commission may require. Whenever the district commission is not satisfied with the sufficiency of the answers contained in such questionnaire and financial statement or whenever the district commission determines that such person, firm, or corporation does not meet all of the requirements hereinafter set forth it may refuse to furnish such person, firm or corporation with a contract proposal form and any bid proposal of such person, firm or corporation must be disregarded. In order to obtain a contract proposal form, a person, firm or corporation shall have all of the following requirements:

1. Adequate financial resources, or the ability to secure such resources;
2. The necessary experience, organization, and technical qualifications to perform the proposed contract;
3. The ability to comply with the required performance schedule taking into consideration all of its existing business commitments;
4. A satisfactory record of performance, integrity, judgment and skills; and
5. Be otherwise qualified and eligible to receive an award under applicable laws and regulations.

Such refusal shall be conclusive unless appeal therefrom to the superior court of the county where the utility district is situated or Thurston county be taken within fifteen days, which appeal shall be heard summarily within ten days after the same is taken and on five days’ notice thereof to the district commission. [1971 ex.s.c 220 § 2.]

54.04.090 Minimum wages. Each contractor and subcontractor performing work for a public utility district or a local utility district within a public utility district shall pay or cause to be paid to its employees on the work or under the contract or subcontract, not less than the minimum scale fixed by the resolution of the commission prior to the notice and call for bids on the work. The commission, in fixing the minimum scale of wages, shall fix them as nearly as possible to the current prevailing wages within the district for work of like character. [1955 c 124 § 4. Prior: 1931 c 1 § 8, part; RRS § 11612, part.]

 Prevailing wages on public works: Chapter 39.12 RCW.

54.04.092 Application of RCW 54.04.070 through 54.04.090 to certain service provider agreements under chapter 70.150 RCW. RCW 54.04.070 through 54.04.090 shall not apply to agreements entered into under authority of chapter 70.150 RCW provided there is compliance with the procurement procedure under RCW 70.150.040. [1986 c 244 § 14.]

Severability—1986 c 244: See RCW 70.150.905.

54.04.100 Wholesale power—Procedure as to rate filing—Definition—Duty to furnish to district. Whenever a decree of public use and necessity heretofore has been or hereafter shall be entered in condemnation proceedings conducted by a public utility district for the acquisition of electrical distribution properties, or whenever it has executed a contract for the purchase of such properties, the district may cause to be filed with the utilities and transportation commission a copy of such contract or a certified copy of the decree, together with a petition requesting that the commission cause a rate to be filed with it for the sale of wholesale power to the district. Thereupon the utilities and transportation commission shall order that a rate be filed with the commission forthwith for the sale of wholesale power to such district. The term "wholesale power" means electric energy sold for purposes of resale. The commission shall have authority to enter such order as to any public service corporation which owns or operates the electrical distribution properties being condemned or purchased or as to any such corporation which owns or operates transmission facilities within a reasonable distance of such distribution properties and which engages in the business of selling wholesale power, pursuant to contract or otherwise. The rate filed shall be for the period of service specified by the district, or if the district does not specify a particular period, such rate shall apply from the commencement of service until the district terminates same by thirty days’ written notice.

Upon reasonable notice, any such public service corporation shall furnish wholesale power to any public utility district owning or operating electrical distribution properties. Whenever a public service corporation shall furnish wholesale power to a district and the charge or rate therefor is reviewed by the commission, such reasonable rate as the commission finally may fix shall apply as to power thereafter furnished and as to that previously furnished under such charge or rate from the time that the complaint concerning the same shall have been filed by the commission or the district, as the case may be. [1983 c 4 § 5; 1945 c 130 § 2; Rem. Supp. 1945 § 10459-12. Formerly RCW 54.04.010, 54.04.100 and 54.04.110.]

Purpose—1945 c 130: "The legislature has found that the public utility districts of this state, including several which at the present moment are completing the acquisition of electrical properties and the sale of revenue bonds, have immediate need for this act. in order to effectuate timely arrangements for their wholesale power requirements, clarify their condemnation procedure, and plan their operations." [1945 c 130 § 1.]

Severability—1945 c 130: "If any section or provision of this act shall be adjudged to be invalid, such adjudication shall not affect the validity of the act as a whole or any section, provision or part thereof not adjudged to be invalid." [1945 c 130 § 5.]

54.04.120 Planning powers. In order that the commissioners of a public utility district may be better able to plan for the marketing of power and for the development of resources pertaining thereto, they shall have the same powers as are vested in a board of county commissioners as provided in "chapter 44, Laws of 1935 (sections 9322-2 to 9322-4, both inclusive, and 9322-10 to 9322-11 inclusive,
54.04.120 Title 54 RCW: Public Utility Districts

For the purposes of such act, the president of a public utility district shall have the powers of the chairman of the board of county commissioners, and a planning commission created hereunder shall have the same powers, enumerated in the above sections, with reference to a public utility district as a county planning commission has with reference to a county. However, this section shall not be construed to grant the power to adopt, regulate, or enforce comprehensive plans, zoning, land use, or building codes. [1985 c 95 § 1; 1945 c 130 § 4; Rem. Supp. 1945 § 10459-14.]

*Reviser's note: The portions of chapter 44, Laws of 1935 compiled as RRS §§ 9322-2 to 9322-4 and 9322-10 to 9322-11 are codified in RCW 35.63.020 through 35.63.070.

Purpose—Severability—1945 c 130: See notes following RCW 54.04.100.

54.04.130 Employee benefit plans when private utility acquired—Rights, powers and duties as to existing private employee benefit plans. Whenever any municipal corporation acquires by condemnation or otherwise any utility which at the time of acquisition is in private ownership and the employees of such private utility have been for at least two years and are at the time of acquisition covered by any plan for individual annuity contracts, retirement income policies, group annuity contracts, group insurance for the benefit of employees, or any other contract for the benefit of employees, such district shall, when the personnel is retained by the district, assume all of the obligations and liabilities of the private utility acquired with relation to such plan and the employees covered thereby at the time of acquisition, or the municipal corporation may by agreement with a majority of the employees affected substitute a plan or contract of the same or like nature. The municipal corporations acquiring such private utility shall proceed in such manner as is necessary so as not to reduce or impair any benefits or privileges which such employees would have received or be entitled to had such acquisition not been effected. The district may pay all or any part of the premiums or other payments required therefor out of the revenue derived from the operation of its properties. [1961 c 139 § 1.]

54.04.140 Employee benefit plans when private utility acquired—Admission to district's employee plan—Service credit—Contributions—Benefits. Any person affected by RCW 54.04.130 who was employed by the private utility at the time of acquisition may, at his option, apply to the district and/or appropriate officers, for admission to any plan available to other employees of the district. Every such person who was covered at the time of acquisition by a plan with the private utility shall have added and accredited to his period of employment his period of immediately preceding continuous service with such private utility if he remains in the service of the municipal corporation until such plan for which he seeks admission becomes applicable to him.

No such person shall have added and accredited to his period of employment his period of service with said private utility unless he or a third party shall pay to the appropriate officer or fund of the plan to which he requests admission his contribution for the period of such service with the private utility at the rate provided in or for such plan to which he desires admission, or if he shall be entitled to any private benefits, as a result of such private service, unless he agrees at the time of his employment with the district to accept a reduction in the payment of any benefits payable under the plan to which he requests entry that are based in whole or in part on such added and accredited service by the amount of benefits received. For the purposes of contributions, the date of entry into service with the private utility, which service is accredited by this section, and the amount of contributions for the period of accredited service shall be based on the wages or salary of such person during that added and accredited period of service with the private utility.

The district may receive such payments from a third party and shall make from such payments contributions with respect to such prior service as may be necessary to enable it to assume its obligations.

After such contributions have been made and such service added and accredited such employee shall be established in the plan to which he seeks admission with all rights, benefits and privileges that he would have been entitled to had he been a member of the plan from the beginning of his immediately preceding continuous employment with the private utility or of his eligibility. [1961 c 139 § 2.]

54.04.150 Employee benefit plans when private utility acquired—Agreements and contracts—Prior rights preserved. The municipal corporation may enter into any agreements and contracts necessary to carry out the powers and duties prescribed by RCW 54.04.130 and 54.04.140, but nothing in RCW 54.04.130 through 54.04.160 shall be so construed as requiring without consent the modification of the obligation of any contract or as requiring any third party to modify the rights, privileges or obligations acquired or incurred under a prior agreement. [1961 c 139 § 3.]

54.04.160 Assumption of obligations of private pension plan when urban transportation system acquired. Any municipal corporation which has heretofore or shall hereafter acquire from a private owner any urban transportation system which at the time of such acquisition has or had in effect any pension or retirement system for its employees, shall assume all such obligations with respect to continued contributions to and/or administration of, such retirement system, as the private owner bore or shall bear at such time, insofar as shall be necessary to discharge accrued obligations under such retirement system to beneficiaries who are not thereafter made members of a municipal or state retirement system. [1961 c 139 § 4.]

54.04.170 Collective bargaining authorized for employees. Employees of public utility districts are hereby authorized and entitled to enter into collective bargaining relations with their employers with all the rights and privileges incident thereto as are accorded to similar employees in private industry. [1963 c 28 § 1.]
54.04.180 Collective bargaining authorized for districts. Any public utility district may enter into collective bargaining relations with its employees in the same manner that a private employer might do and may agree to be bound by the result of such collective bargaining. [1963 c 28 § 2.]

54.08.010 Districts including entire county or less—Procedure. At any general election held in an even-numbered year, the county legislative authority of any county in this state may, or, on petition of ten percent of the qualified electors of the county based on the total vote cast in the last general county election held in an even-numbered year, shall, by resolution, submit to the voters of the county the proposition of creating a public utility district which shall be coextensive with the limits of the county as now or hereafter established. A form of petition for the creation of a public utility district shall be submitted to the county auditor within ten months prior to the election at which the proposition is to be submitted to the voters. Petitions shall be filed with the county auditor not less than four months before the election and the county auditor shall within thirty days examine the signatures thereof and certify to the sufficiency or insufficiency thereof. If the petition be found to be insufficient, it shall be returned to the persons filing the same, who may amend or add names thereto for ten days, when the same shall be returned to the county auditor, who shall have an additional fifteen days to examine the same and attach his certificate thereto. No person having signed the petition shall be allowed to withdraw his name therefrom after the filing of the same with the county auditor: PROVIDED, That each signature shall be dated and that no signature dated prior to the date on which the form of petition was submitted to the county auditor shall be valid. Whenever the petition shall be certified to as sufficient, the county auditor shall forthwith transmit the same, together with his certificate of sufficiency attached thereto, to the county legislative authority which shall submit the proposition to the voters of the county at the next general election in an even-numbered year occurring forty-five days after submission of the proposition to the legislative authority. The notice of the election shall state the boundaries of the proposed public utility district and the object of such election, and shall in other respects conform to the requirements of the general laws of the state of Washington, governing the time and manner of holding elections. In submitting the question to the voters for their approval or rejection, the proposition shall be expressed on the ballot substantially in the following terms:

Public Utility District No. ................. YES □
Public Utility District No. ................. NO □

Any petition for the formation of a public utility district may describe a less area than the entire county in which the petition is filed, the boundaries of which shall follow the then existing precinct boundaries and not divide any voting precinct; and in the event that such a petition is filed the county legislative authority shall fix a date for a hearing on such petition, and shall publish the petition, without the signatures thereto appended, for two weeks prior to the date of the hearing, together with a notice stating the time of the meeting when the petition will be heard. The publication, and all other publications required by *this act, shall be in a newspaper of general circulation in the county in which the district is situated. The hearing on the petition may be adjourned from time to time, not exceeding four weeks in all. If upon the final hearing the county legislative authority shall find that any lands have been unjustly or improperly included within the proposed public utility district and will not be benefited by inclusion therein, it shall change and fix the boundary lines in such manner as it shall deem reasonable and just and conducive to the public welfare and convenience, and make and enter an order establishing and defining the boundary lines of the proposed public utility district: PROVIDED, That no lands shall be included within the boundaries so fixed lying outside the boundaries described in the petition, except upon the written request of the owners of those lands. Thereafter the same procedure shall be followed as prescribed in this chapter for the formation of a public utility district including an entire county, except that the petition and election shall be confined solely to the less public utility district.

No public utility district created after September 1, 1979, shall include any other public utility district within its boundaries: PROVIDED, That this paragraph shall not alter, amend, or modify provisions of chapter 54.32 RCW. 54.12.010 When district formed—Commissioners—Election—Terms—District boundaries change, etc.
Within ten days after such election, the county canvassing board shall canvass the returns, and if at such election a majority of the voters voting upon such proposition shall vote in favor of the formation of such district, the canvassing board shall so declare in its canvass of the returns of such election, and such public utility district shall then be and become a municipal corporation of the state of Washington, and the name of such public utility district shall be Public Utility District No. . . . of . . . . County. The powers of the public utility district shall be exercised through a commission consisting of three members in three commissioner districts, and five members in five commissioner districts. When the public utility district is coextensive with the limits of such county, then, at the first election of commissioners and until any change shall have been made in the boundaries of public utility district commissioner districts, one public utility district commissioner shall be chosen from each of the three county commissioner districts of the county in which the public utility district is located if the county is not operating under a "Home Rule" charter. When the public utility district comprises only a portion of the county, with boundaries established in accordance with chapter 54.08 RCW, or when the public utility district is located in a county operating under a "Home Rule" charter, three public utility district commissioner districts, numbered consecutively, having approximately equal population and boundaries, following ward and precinct lines, as far as practicable, shall be described in the petition for the formation of the public utility district, which shall be subject to appropriate change by the county legislative authority if and when they change the boundaries of the proposed public utility district, and one commissioner shall be elected from each of said public utility district commissioner districts. In all five commissioner districts an additional commissioner at large shall be chosen from each of the two at large districts. No person shall be eligible to be elected to the office of public utility district commissioner for a particular district commissioner district unless he is a registered voter of the public utility district commissioner district or at large district from which he is elected.

Except as otherwise provided, the term of office of each public utility district commissioner other than the commissioners at large shall be six years, and the term of each
commissioner at large shall be four years. Each term shall be computed in accordance with RCW 29.04.170 following the commissioner’s election. One commissioner at large and one commissioner from a commissioner district shall be elected at each general election held in an even-numbered year for the term of four years and six years respectively. All candidates shall be voted upon by the entire public utility district.

When a public utility district is formed, three public utility district commissioners shall be elected at the same election at which the proposition is submitted to the voters as to whether such public utility district shall be formed. If the general election adopting the proposition to create the public utility district was held in an even-numbered year, the commissioner residing in commissioner district number one shall hold office for the term of six years; the commissioner residing in commissioner district number two shall hold office for the term of four years; and the commissioner residing in commissioner district number three shall hold office for the term of two years. If the general election adopting the proposition to create the public utility district was held in an odd-numbered year, the commissioner in district two shall hold office for the term of three years, and the commissioner in district three shall hold office for the term of one year. The commissioners first to be elected as above provided shall hold office from the first day of the month following the commissioners’ election and their respective terms of office shall be computed from the first day of January next following the election.

All public utility district commissioners shall hold office until their successors shall have been elected and have qualified and assume office in accordance with RCW 29.04.170. A filing for nomination for public utility district commissioner shall be accompanied by a petition signed by one hundred registered voters of the public utility district which shall be certified by the county auditor to contain the required number of registered voters, and shall otherwise be filed in accordance with the requirements of Title 29 RCW. At the time of filing such nominating petition, the person so nominated shall execute and file a declaration of candidacy subject to the provisions of Title 29 RCW, as now or hereafter amended. The petition and each page of the petition shall state whether the nomination is for a commissioner from a particular commissioner district or for a commissioner at large and shall state the districts; otherwise it shall be void. A vacancy in the office of public utility district commissioner shall occur by death, resignation, removal, conviction of a felony, nonattendance at meetings of the public utility district commission for a period of sixty days unless excused by the public utility district commission, by any statutory disqualification, or by any permanent disability preventing the proper discharge of his duty. In the event of a vacancy in said office, such vacancy shall be filled at the next general election held in an even-numbered year, the vacancy in the interim to be filled by appointment by the remaining commissioners. If more than one vacancy exists at the same time in a three commissioner district, or more than two in a five commissioner district, a special election shall be called by the county canvassing board upon the request of the remainder, or, that failing, by the county election board, such election to be held not more than forty days after the occurring of such vacancies.

A majority of the persons holding the office of public utility district commissioner at any time shall constitute a quorum of the commission for the transaction of business, and the concurrence of a majority of the persons holding such office at the time shall be necessary and shall be sufficient for the passage of any resolution, but no business shall be transacted, except in usual and ordinary course, unless there are in office at least a majority of the full number of commissioners fixed by law.

The boundaries of the public utility district commissioners’ district may be changed only by the public utility district commission, and shall be examined every ten years to determine substantial equality of population, but said boundaries shall not be changed oftener than once in four years, and only when all members of the commission are present. Whenever territory is added to a public utility district under RCW 54.04.035, the boundaries of the public utility commissioners’ districts shall be changed to include such additional territory. The proposed change of the boundaries of the public utility district commissioners’ district must be made by resolution and after public hearing. Notice of the time of a public hearing thereon shall be published for two weeks prior thereto. Upon a referendum petition signed by ten percent of the qualified voters of the public utility district being filed with the county auditor, the county legislative authority shall submit such proposed change of boundaries to the voters of the public utility district for their approval or rejection. Such petition must be filed within ninety days after the adoption of resolution of the proposed action. The validity of said petition shall be governed by the provisions of chapter 54.08 RCW. 54.16.145  Local utility districts—Sanitary sewer or potable water facilities—Notice to certain property owners. Whenever it is proposed that a local utility district finance sanitary sewers or potable water facilities, additional notice of the public hearing on the proposed local utility district shall be mailed to the owners of any property located outside of the proposed local utility district that would be required as a condition of federal housing administration loan qualification, at the time of notice, to be connected to the specific sewer or water facilities installed by the local utility district. The notice shall include information about this restriction. [1987 c 315 § 4.]

54.16.150  Procedure when petition is signed by majority of landowners. When a petition signed by a majority of the landowners in a proposed local improvement district is filed with the commission, asking that the improvement therein described be ordered, the commission shall forthwith fix a date for hearing thereon after which it shall, by resolution, order the improvement, and may alter the boundaries of the proposed district; prepare and adopt the improvement; prepare and adopt detail plans thereof; declare the estimated cost thereof, what proportion of the cost shall be borne by the local district, and what proportion, if any, shall be borne by the entire public utility district, and provide the general funds thereof to be applied thereto, if any; acquire all lands and other properties therefor; pay all damages caused thereby; and commence in the name of the public utility district such eminent domain proceedings and supplemental assessment or reappraisal proceedings to pay all eminent domain awards necessary to entitle the district to proceed with the work, and shall thereafter proceed with the work, and shall file with the county treasurer its roll levying special assessments in the amount to be paid by special assessment against the property in the local improvement district in proportion to the special benefits to be derived by the property in the local district from the improvement: PROVIDED, HOWEVER, No such improvement shall be ordered unless the same appears to the commission to be financially and economically feasible: AND PROVIDED FURTHER, That the commission may require as a condition to ordering such improvement or to making its determination as to the financial and economic feasibility, that all or a portion of such engineering, legal or other costs incurred or to be incurred by the commission in determining financial and economic feasibility shall be borne or guaranteed by the petitioners of the proposed local improvement district under such rules as the commission may adopt. No person shall withdraw his name from the petition after the same has been filed with the commission. [1959 c 142 § 3; 1955 c 390 § 16. Prior: 1945 c 143 § 1(l), part; 1931 c 1 § 6(l), part; Rem. Supp. 1945 § 11610(l), part.]

54.16.160  Assessment roll—Hearing—Appellate review—Expenses. Before approval of the roll, a notice shall be published once each week for two successive weeks in a newspaper of general circulation in the county, stating that the roll is on file and open to inspection in the office of the secretary, and fixing a time not less than fifteen nor more than thirty days from the date of the first publication of the notice, within which protests must be filed with the [Title 54 RCW—page 16] (1992 Ed)
Title 54 RCW: Public Utility Districts

Segregation of assessments. Whenever any land against which there has been levied any special assessment by any public utility district shall have been sold in part or subdivided, the board of commissioners of such public utility district shall have the power to order a segregation of the assessment.

Any person owning any part of the land involved in a special assessment and desiring to have such special assessment against the tracts of land segregated to apply to smaller parts thereof shall apply in writing to the board of commissioners of the public utility district which levied the assessment. If the commissioners determine that a segregation should be made they shall do so as nearly as possible on the same basis as the original assessment was levied and the total of the segregated parts of the assessment shall equal the assessment before segregation.

The commission shall then send notice thereof by mail to the several owners interested in the tract, as shown on the general tax rolls. If no protest is filed within twenty days from date of mailing said notice, the commission shall then by resolution approve said segregation. If a protest is filed, the commission may have a hearing thereon, after mailing to the several owners at least ten days notice of the time and place thereof. After the hearing, the commission may by resolution approve said segregation, with or without change.

Within ten days after the approval, any person aggrieved by the segregation may perfect an appeal to the superior court of the county wherein the property is situated and thereafter seek appellate review, all as provided for appeals from assessments levied by cities of the first class. The resolution approving said segregation shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part, and shall order the county treasurer to make segregation on the original assessment roll as directed in the resolution. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to make the segregation ordered. The board of commissioners may require as a condition to the order of segregation that the person seeking it pay the reasonable engineering and clerical costs incident to making the segregation. Unless otherwise provided in said resolution, the county treasurer shall apportion amounts paid on the original assessment in the same proportion as the segregated assessments bear to the original assessment.

Upon segregation being made by the county treasurer, as aforesaid, the lien of the special assessment shall apply to the segregated parcels only to the extent of the segregated part of such assessment. [1988 c 202 § 52; 1971 c 81 § 124; 1959 c 142 § 1.]

54.16.170 Apportionment of cost of improvement. When an improvement is ordered hereunder, payment for which shall be made in part from assessments against property specially benefited, not more than fifty percent of the cost thereof shall ever be borne by the entire public utility district, nor shall any sum be contributed by it to any improvement acquired or constructed with or by any other body, exceed such amount, unless a majority of the electors of the district consent to or ratify the making of such expenditure. [1955 c 390 § 18. Prior: 1945 c 143 § 1(l), part; 1931 c 1 § 6(l), part; Rem. Supp. 1945 c 11610(l), part.]

54.16.180 Sale, lease, disposition of properties—Procedure—Acquisition, operation of sewage system by districts in certain counties. A district may sell and convey, lease, or otherwise dispose of all or any part of its works, plants, systems, utilities and properties, after proceedings and approval by the voters of the district, as provided for the lease or disposition of like properties and facilities owned by cities and towns: PROVIDED, That the affirmative vote of three-fifths of the voters voting at an election on the question of approval of a proposed sale, shall be necessary to authorize such sale: PROVIDED FURTHER, That a district may sell, convey, lease or otherwise dispose of all or any part of the property owned by it, located outside its boundaries, to another public utility district, city, town or other municipal corporation without the approval of the voters; or may sell, convey, lease, or otherwise dispose of to any person or public body, any part, either within or without its boundaries, which has become unserviceable, inadequate, obsolete, worn out or unfit to be used in the operations of the system and which is no longer necessary, material to,
and useful in such operations, without the approval of the voters: PROVIDED FURTHER, That a public utility district located within a county with a population of from one hundred twenty-five thousand to less that [than] two hundred ten thousand may sell and convey to a city of the first class, which owns its own water system, all or any part of a water system owned by said public utility district where a portion of it is located within the boundaries of such city, without approval of the voters upon such terms and conditions as the district shall determine: PROVIDED FURTHER, That a public utility district located in a county with a population of from twelve thousand to less than eighteen thousand and bordered by the Columbia river may, separately or in connection with the operation of a water system, or as part of a plan for acquiring or constructing and operating a water system, or in connection with the creation of another or subsidiary local utility district, may provide for the acquisition or construction, additions or improvements to, or extensions of, and operation of a sewage system within the same service area as in the judgment of the district commission is necessary or advisable in order to eliminate or avoid any existing or potential danger to the public health by reason of the lack of sewerage facilities or by reason of the inadequacy of existing facilities: AND PROVIDED FURTHER, That a public utility district located in a county with a population of from one hundred twenty-five thousand to less than two hundred ten thousand bordering on Puget Sound may sell and convey to any city of the third class or town all or any part of a water system owned by said public utility district without approval of the voters upon such terms and conditions as the district shall determine. Public utility districts are municipal corporations for the purposes of this section and the commission shall be held to be the legislative body and the president and secretary shall have the same powers and perform the same duties as the mayor and city clerk and the resolutions of the districts shall be held to be ordinances within the meaning of the statutes governing the sale, lease, or other disposal of public utilities owned by cities and towns. [1991 c 363 § 135; 1977 ex.s.c 31 § 1; 1963 c 196 § 1; 1959 c 275 § 1; 1955 c 390 § 19. Prior: 1945 c 143 § 1(m); 1931 c 1 § 6(m); Rem. Supp. 1945 § 11610(m).]

54.16.190 General resolutions. The commission of a district may adopt general resolutions to carry out the purposes, objects, and provisions of this title. [1955 c 390 § 20. Prior: 1945 c 143 § 1(n); 1931 c 1 § 6(n); Rem. Supp. 1945 § 11610(n).]

54.16.200 Joint exercise of powers and joint acquisition of properties. Any two or more public utility districts organized under the provisions of the laws of this state shall have the power, by mutual agreement, to exercise jointly all powers granted to each individual district, and in the exercise of such powers shall have the right and power to acquire jointly all or any part of any electric utility properties which, at the time of the passage of this act, constitutes an interconnected and physically integrated electric utility system, whether entirely within or partly within and partly without such districts: PROVIDED, That any two or more districts so acting jointly, by mutual agreement, shall not acquire any electric utility distribution properties in any other public utility district without the consent of such district, and shall not exercise jointly the power to condemn any privately owned utility property or any public utility owned by a municipality, to levy taxes or, to create subdistricts. [1949 c 227 § 2; Rem. Supp. 1949 § 10459-15.]

*Reviser's note: As to "the time of the passage of this act," the legislative history of chapter 227, Laws of 1949 is as follows: Passed the house March 8, 1949; passed the senate March 7, 1949; approved by the governor March 22, 1949.

54.16.220 Columbia river hydroelectric projects—Grant back of easements to former owners. Notwithstanding any other provision of law, every public utility district acquiring privately owned lands, real estate or property for reservoir purposes of a hydroelectric power project dam on the Columbia river, upon acquisition of title to said lands, whether acquired by purchase or condemnation, shall grant back to the former owners of the lands acquired upon their request therefor, whether prior to conveyance of title to the district or within sixty days thereafter, a perpetual easement appurtenant to the adjoining property for such occupancy and use and improvement of the acquired lands as will not be detrimental to the operation of the hydroelectric project and not be in violation of the required conditions of the district’s Federal Power Commission license for the project: PROVIDED, That said former owners shall not thereafter erect any structure or make any extensive physical change thereon except under a permit issued by the public utility district: PROVIDED FURTHER, That said easement shall include a provision that any shorelands thereunder shall be open to the public, and shall be subject to cancellation upon sixty days notice to the owners by the district that such lands are to be conveyed to another public agency for game or game fish purposes or public recreational use, in which event the owners shall remove any structures they may have erected thereon within a reasonable time without cost to the district. The provisions of this section shall not be applicable with respect to: (1) lands acquired from an owner who does not desire an easement for such occupancy and use; (2) lands acquired from an owner where the entire estate has been acquired; (3) lands acquired for, and reasonably necessary for, project structures (including borrow areas) or for relocation of roads, highways, railroads, other utilities or railroad industrial sites; and (4) lands heretofore acquired or disposed of by sale or lease by a public utility district for whatsoever purpose. [1965 ex.s.c 118 § 1.]

54.16.230 Sewage system works—Acquire, construct, operate, etc.—Authorizing election—Procedure. A public utility district may acquire, construct, operate, maintain, and add to sewage systems, subject to and in compliance with the county comprehensive plan, under the general powers of Title 54 RCW or through the formation of
local utility districts as provided in RCW 54.16.120 through 54.16.170: PROVIDED, That prior to engaging in any sewage system works as authorized by this section, the voters of the public utility district shall first approve by majority vote a referendum proposition authorizing such district to exercise the powers set forth in this section, which proposition shall be presented at a general election. [1975 1st ex.s. c 57 § 1.]

54.16.240 Sewage system works—Resolution or petition—Voter approval or rejection. The commission of a public utility district, by resolution may, or on petition in the same manner as provided for the creation of a district under RCW 54.08.010 shall, submit to the voters for their approval or rejection the proposal that said public utility district be authorized to exercise the powers set forth in RCW 54.16.230. [1975 1st ex.s. c 57 § 2.]

54.16.250 Sewage system works—Ballot proposition—Canvass. The legislative authority of the county in which the public utility district is located, upon receipt of the resolution of the public utility district commission or petition as provided for in RCW 54.08.010, shall submit such proposal to the voters of the district at the next general election in substantially the following terms:

Shall Public Utility District No. . . . of . . . . County be authorized to acquire, construct, operate, maintain, and add to sewage systems?

Yes ☐ No ☐

Within ten days after such election, the election board of the county shall canvass the returns, and if at such election a majority of voters voting on the proposition shall vote in favor of such authority, the district shall have the powers set forth in RCW 54.16.230. [1975 1st ex.s. c 57 § 3.]

54.16.270 Sewage system works—Existing authority not affected. Nothing contained in RCW 54.16.230 through 54.16.260 shall change or alter the present authority of certain public utility districts as regards sewage systems and as provided in RCW 54.16.180. [1975 1st ex.s. c 57 § 5.]

54.16.280 Energy conservation plan—Financing authorized for energy conservation projects in structures or equipment—Limitations. Any district is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of structures or equipment in financing the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy in such structures or equipment pursuant to an energy conservation plan adopted by the district if the cost per unit of energy saved or produced by the use of such materials and equipment is less than the cost per unit of energy produced by the next least costly new energy resource which the district could acquire to meet future demand. Any financing authorized under this chapter shall only be used for conservation purposes in existing structures, and such financing shall not be used for any purpose which results in a conversion from one energy source to another. Except where otherwise authorized, such assistance shall be limited to:

1. Providing an inspection of the structure or equipment, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation materials and equipment for which financial assistance will be approved and the estimated life cycle savings in energy costs that are likely to result from the installation of such materials or equipment;

2. Providing a list of businesses who sell and install such materials and equipment within or in close proximity to the service area of the district, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize such materials in accordance with the prevailing national standards.

3. Arranging to have approved conservation materials and equipment installed by a private contractor whose bid is acceptable to the owner of the residential structure and verifying such installation; and

4. Arranging or providing financing for the purchase and installation of approved conservation materials and equipment. Such materials and equipment shall be purchased from a private business and shall be installed by a private business or the owner.

5. Pay back shall be in the form of incremental additions to the utility bill, billed either together with use charge or separately. Loans shall not exceed one hundred twenty months in length. [1989 c 268 § 2; 1979 ex.s. c 239 § 3.]

Legislative declaration—Effective date—Contingency—1979 ex.s. c 239: See RCW 35.92.355 and note following RCW 35.92.360.

54.16.285 Limitations on termination of utility service for residential heating. (1) A district providing utility service for residential space heating shall not terminate such utility service between November 15 through March 15 if the customer:

(a) Notifies the utility of the inability to pay the bill, including a security deposit. This notice should provide within five business days of receiving a payment overdue notice unless there are extenuating circumstances. If the customer fails to notify the utility within five business days and service is terminated, the customer can, by paying reconnection charges, if any, and fulfilling the requirements of this section, receive the protections of this chapter;

(b) Provides self-certification of household income for the prior twelve months to a grantee of the department of community development which administers federally funded energy assistance programs. The grantee shall determine that the household income does not exceed the maximum allowed for eligibility under the state's plan for low-income energy assistance under 42 U.S.C. 8624 and shall provide a dollar figure that is seven percent of household income. The grantee may verify information provided in the self-certification;
(c) Has applied for home heating assistance from applicable government and private sector organizations and certifies that any assistance received will be applied to the current bill and future utility bills;

(d) Has applied for low-income weatherization assistance to the utility or other appropriate agency if such assistance is available for the dwelling;

(e) Agrees to a payment plan and agrees to maintain the payment plan. The plan will be designed both to pay the past due bill by the following October 15 and to pay for continued utility service. If the past due bill is not paid by the following October 15, the customer shall not be eligible for protections under this chapter until the past due bill is paid. The plan shall not require monthly payments in excess of seven percent of the customer’s monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter during November 15 through March 15. A customer may agree to pay a higher percentage during this period, but shall not be in default unless payment during this period is less than seven percent of monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter. If assistance payments are received by the customer subsequent to implementation of the plan, the customer shall contact the utility to reformulate the plan; and

(f) Agrees to pay the moneys owed even if he or she moves.

(2) The utility shall:

(a) Include in any notice that an account is delinquent and that service may be subject to termination, a description of the customer’s duties in this section; 
(b) Assist the customer in fulfilling the requirements under this section; 
(c) Be authorized to transfer an account to a new residence when a customer who has established a plan under this section moves from one residence to another within the same utility service area; 
(d) Be permitted to disconnect service if the customer fails to honor the payment program. Utilities may continue to disconnect service for those practices authorized by law other than for nonpayment as provided for in this section. Customers who qualify for payment plans under this section who default on their payment plans and are disconnected can be reconnected and maintain the protections afforded under this chapter by paying reconnection charges, if any, and by paying all amounts that would have been due and owing under the terms of the applicable payment plan, absent default, on the date on which service is reconnected; and 
(e) Advise the customer in writing at the time it disconnects service that it will restore service if the customer contacts the utility and fulfills the other requirements of this section. 

(3) All districts providing utility service for residential space heating shall offer residential customers the option of a budget billing or equal payment plan. The budget billing or equal payment plan shall be offered low-income customers eligible under the state’s plan for low-income energy assistance prepared in accordance with 42 U.S.C. 8624(C)(1) without limiting availability to certain months of the year, without regard to the length of time the customer has occupied the premises, and without regard to whether the customer is the tenant or owner of the premises occupied. 

(4) An agreement between the customer and the utility, whether oral or written, shall not waive the protections afforded under this chapter. [1991 c 165 § 3; 1990 1st ex.s. c 1 § 3; 1986 c 245 § 3; 1985 c 6 § 19; 1984 c 251 § 2.]

54.16.300 Combined utility functions. A public utility district by resolution may combine two or more of its separate utility functions into a single utility and combine its related funds or accounts into a single fund or account. The separate utility functions include electrical energy systems, domestic water systems, irrigation systems, sanitary sewer systems, and storm sewer systems. All powers granted to public utility districts to acquire, construct, maintain, and operate such systems may be exercised in the joint acquisition, construction, maintenance, and operation of such combined systems. The establishment, maintenance, and operation of the combined system shall be governed by the public utility district statutes relating to one of the utility systems that is being combined, as specified in the resolution combining the utility systems. [1987 c 18 § 1.]

54.16.310 Operation, maintenance, and inspection of sewage disposal facilities, septic tanks, and wastewater disposal facilities and systems—Maintenance costs. A public utility district as authorized by a county board of health, may perform operation and maintenance, including inspections, of on-site sewage disposal facilities, alternate sewage disposal facilities, approved septic tanks or approved septic tank systems, other facilities and systems for the collection, interception, treatment, and disposal of wastewater, and for the control and protection, preservation, and rehabilitation of surface and underground waters. Those costs associated with the maintenance of private on-site sewage systems may be charged by the public utility district to the system owner. [1990 c 107 § 1.]

CONDEMNATION PROCEEDINGS

54.20.010 Statement of operations—Decree of appropriation—Retirement of properties—Accounting—Limitation on new proceedings.

54.20.010 Statement of operations—Decree of appropriation—Retirement of properties—Accounting—Limitation on new proceedings. In any condemnation proceeding heretofore or hereafter instituted or conducted by a public utility district for the acquisition of properties, the district may serve upon the condemnee’s attorneys of record and file with the court a notice of its intention to present a decree of appropriation together with a demand for a verified statement showing in reasonable detail the following information with respect to the operation of the properties since the date of verdict, if the case was tried by jury, or since the date of the judgment fixing compensation, if the case was tried by the court, namely: the cost of any improvements and betterments to the properties which were reasonably necessary and prudently made; the gross income received from the properties, betterments and improvements; the
actual reasonable expense, exclusive of depreciation, incurred in the operation thereof. If the condemnee fails to serve and file the statement within fifteen days after service of the demand therefor, it may be compelled to do so by contempt proceedings, and the time during which such proceedings are pending shall not be considered in computing the time within which the district may exercise its right of appropriation. After the statement is filed, the district may pay the amount of the verdict or judgment plus (1) accrued interest thereon less the net income before allowance for depreciation, and (2) the cost of such improvements and betterments, all as shown by the sworn statement, and concurrently obtain its decree of appropriation. The condemnee may retire from use after the verdict or judgment such items of the properties as may be reasonably necessary in the ordinary and usual course of operation thereof, in which case it shall show in its statement the reasonable value of such items retired, and the district may deduct such value from the sum otherwise payable by it. If the condemnee fails to file the statement within fifteen days after service of the demand therefor, the district at its option may pay the full amount of the judgment or verdict plus accrued interest thereon and concurrently obtain a decree of appropriation.

After payment has been made and the decree of appropriation entered as provided in this section, the district or the condemnee shall be entitled to an accounting in the condemnation proceedings to determine the true amount of each item required to be furnished in the above statement, and to payment of any balance found due in such accounting.

Whenever any such condemnation proceedings have been, or hereafter may be abandoned, no new proceedings for the acquisition of the same or substantially similar properties shall be instituted until the expiration of one year from the date of such abandonment, but such proceedings may be instituted at any time thereafter. [1959 c 218 § 15.]

BONDS OR WARRANTS—1931 ACT

54.24.018 Acquisition of property—Adoption of plan—Bonds or warrants—Special funds. (1) Whenever the commission shall deem it advisable that the public utility district purchase, purchase and condemn, acquire, or construct any such public utility, or make any additions or betterments thereto, or extensions thereof, the commission shall provide therefor by resolution, which shall specify and adopt the system or plan proposed, and declare the estimated cost thereof, as near as may be, and specify whether general or utility indebtedness is to be incurred, the amount of such indebtedness, the amount of interest and the time in which all general bonds (if any) shall be paid, not to exceed thirty years. In the event the proposed general indebtedness to be incurred will bring the nonvoter approved indebtedness of the public utility district to an amount exceeding three-fourths of one percent of the value of the taxable property of the public utility district, as the term “value of the taxable property” is defined in RCW 39.36.015, the proposition of incurring such indebtedness and the proposed plan or system shall be submitted to the qualified electors of said public utility district for their approval or rejection at the next general election held in such public utility district. Elections shall be held as provided in RCW 39.36.050.

Whenever the commission (or a majority of the qualified voters of such public utility district, voting at said election, when it is necessary to submit the same to said voters) shall have adopted a system or plan for any such public utility, as aforesaid, and shall have authorized indebtedness therefor by a three-fifths vote of the qualified voters of such district, voting at said election, general or public utility bonds may be used as hereinafter provided. The principal and interest of such general bonds shall be paid from the revenue of such public utility district after deducting costs of maintenance, operation, and expenses of the public utility district, and any deficit in the payment of principal and interest of said general bonds shall be paid by levying each year a tax upon the taxable property within said district sufficient to pay said interest and principal of said bonds, which tax shall be due and collectible as any other tax. Said bonds shall be issued and sold in accordance with chapter 39.46 RCW.

(2) All bonds and warrants issued under the authority of this chapter shall be legal securities, which may be used by any bank or trust company for deposit with the state treasurer, or any county or city treasurer, as security for deposits, in lieu of a surety bond, under any law relating to deposits of public moneys.

(3) When the commission shall not desire to incur a general indebtedness in the purchase, condemnation and purchase, acquisition, or construction of any such public utility, or addition or betterment thereto, or extension thereof, it shall have the power to create a special fund or funds for the sole purpose of defraying the cost of such public utility, or addition or betterment thereto, or extension thereof, into which special fund or funds it may obligate and bind the district to set aside and pay a fixed proportion of the gross revenues of such public utility, or any fixed amount out of, and not exceeding a fixed proportion of, such revenues, or a fixed amount without regard to any fixed proportion, and to issue and sell revenue bonds or warrants bearing interest at such rate or rates, payable semiannually, executed in such manner, and payable at such times and places as the commission shall determine, but such bonds or warrants and the interest thereon, shall be payable only out of such special fund or funds. In creating any such special fund or funds, the commission shall have due regard to the cost of operation and maintenance of the plant or system as constructed or added to, and to any proportion or part of the revenues previously pledged as a fund for the payment of bonds or warrants, and shall not set aside into such special fund or funds a greater amount or proportion of the revenues and proceeds than, in its judgment, will be available over and above such cost of maintenance and operation and the amount or proportion, if any, of the revenues so previously pledged. Any such bonds or warrants, and interest thereon, issued against any such fund, as herein provided, shall be a valid claim of the owner thereof only as against the said special fund and its fixed proportion or amount of the revenue pledged to such fund, and shall not constitute an indebtedness of such district within the meaning of the constitutional provisions and limitations. Each such bond or warrant shall state on its face that it is payable from a special fund, naming such fund and the resolution creating it. Said bonds and warrants shall be sold in such manner as the commission shall deem for the best interests of the district. The commission may provide in any contract for the construction and acquisition of a proposed improvement or utility that payment therefor shall be made only in such bonds or warrants at the par value thereof. In all other respects, the issuance of such utility bonds or warrants and payment therefor shall be governed by the public utility laws for cities and towns. The revenue or utility bonds or warrants may be in any form, including bearer bonds or bearer warrants, or registered bonds or registered warrants as provided in RCW 39.46.030.

(4) Notwithstanding subsection (3) of this section, any of such revenue bonds and revenue warrants may be issued and sold in accordance with chapter 39.46 RCW. 54.24.030 Title 54 RCW: Public Utility Districts

(2) Notwithstanding subsection (1) of this section, such revenue obligations may be issued and sold in accordance with chapter 39.46 RCW. [1983 c 167 § 147; 1959 c 218 § 4; 1941 c 182 § 2; Rem. Supp. 1941 § 11611-2.]

Liberal construction—Severability—1983 c 167: See RCW 39.46.010 and note following.

54.24.040 Considerations in creating special fund—Status of claims against fund—When lien attaches. In creating any special fund for the payment of revenue obligations, the commission shall have due regard to the cost of operation and maintenance of the plant or system constructed or added to, and to any proportion or amount of the revenues previously pledged as a fund for the payment of revenue obligations, and shall not set aside into such special fund or funds a greater amount or proportion of the revenues and proceeds than in its judgment will be available over and above such cost of maintenance and operation and the amount or proportion, if any, of the revenues so previously pledged. Any such revenue obligations and interest thereon issued against any such fund as herein provided shall be a valid claim of the owner thereof only as against such special fund and the proportion or amount of the revenues pledged to such fund, but shall constitute a prior charge over all other charges or claims whatsoever, including the charge or lien of any general obligation bonds against such fund and the proportion or amount of the revenues pledged thereto. Such revenue obligations shall not constitute an indebtedness of such district within the meaning of the constitutional provisions and limitations. Each revenue obligation shall state on its face that it is payable from a special fund, naming such fund and the resolution creating it, or shall describe such alternate method for the payment thereof as shall be provided by the resolution authorizing same.

It is the intention hereof that any pledge of the revenues or other moneys or obligations made by a district shall be valid and binding from the time that the pledge is made, that the revenues or other moneys or obligations so pledged and thereafter received by a district shall immediately be subject to the lien of such pledge without any physical delivery or further act, and that the lien of any such pledge shall be valid and binding as against any parties having claims of any kind in tort, contract, or otherwise against a district irrespective of whether such parties have notice thereof. Neither the resolution or other instrument by which a pledge is created need be recorded. [1983 c 167 § 148; 1959 c 218 § 5; 1941 c 182 § 5; Rem. Supp. 1941 § 11611-5.]

54.24.050 Covenants to secure owners of revenue obligations. Any resolution creating any such special fund or authorizing the issue of revenue obligations payable therefrom, or by such alternate method of payment as may be provided therein, shall specify the title of such revenue obligations as determined by the commission and may contain covenants by the district to protect and safeguard the security and the rights of the owners thereof, including covenants as to, among other things:

(1) The purpose or purposes to which the proceeds of sale of such obligations may be applied and the use and disposition thereof;

(2) The use and disposition of the gross revenues of the public utility, and any additions or betterments thereto or extensions thereof, the cost of which is to be defrayed with such proceeds, including the creation and maintenance of funds for working capital to be used in the operation of the public utility and for renewals and replacements to the public utility;

(3) The amount, if any, of additional revenue obligations payable from such fund which may be issued and the terms and conditions on which such additional revenue obligations may be issued;

(4) The establishment and maintenance of adequate rates and charges for electric energy, water, and other services, facilities, and commodities sold, furnished, or supplied by the public utility;

(5) The operation, maintenance, management, accounting, and auditing of the public utility;

(6) The terms and prices upon which such revenue obligations or any of them may be redeemed at the election of the district;

(7) Limitations upon the right to dispose of such public utility or any part thereof without providing for the payment of the outstanding revenue obligations; and

(8) The appointment of trustees, depositaries, and paying agents to receive, hold, disburse, invest, and reinvest all or any part of the income, revenues, receipts, and profits derived by the district from the operation, ownership, and management of its public utility. [1983 c 167 § 149; 1959 c 218 § 6; 1945 c 143 § 2; 1941 c 182 § 3; Rem. Supp. 1945 § 11611-3.]

The commission may, if it deem it to the best interest of the district, provide in any contract for the construction or acquisition of the public utility, or the additions or betterments thereto or extensions thereof, that payment therefor shall be made only in such revenue obligations at the par value thereof.

(2) Notwithstanding subsection (1) of this section, such obligations may be issued and sold in accordance with chapter 39.46 RCW. [1983 c 167 § 150; 1970 ex.s.s. c 56 § 78; 1969 ex.s.s. c 232 § 83; 1959 c 218 § 7; 1941 c 182 § 4; Rem. Supp. 1941 § 11611-4.]

[1981 c 37 § 1; 1959 c 218 § 8; 1941 c 182 § 6; Rem. Supp. 1941 § 11611-6.]

54.24.080 Rates and charges. (1) The commission of each district which shall have revenue obligations outstanding shall have the power and shall be required to establish, maintain, and collect rates or charges for electric energy and water and other services, facilities, and commodities sold, furnished, or supplied by the district which shall be fair and nondiscriminatory and adequate to provide revenues sufficient for the payment of the principal of and interest on such revenue obligations for which the payment has not otherwise been provided and all payments which the district is obligated to set aside in any special fund or funds created for such purpose, and for the proper operation and maintenance of the public utility and all necessary repairs, replacements, and renewals thereof.

(2) In establishing rates or charges for water service, commissioners may in their discretion consider the achievement of water conservation goals and the discouragement of wasteful water use practices. [1991 c 347 § 21; 1959 c 218 § 9; 1941 c 182 § 7; Rem. Supp. 1941 § 11611-7.]

Such funding or refunding revenue obligations shall be payable only out of a special fund created out of the gross revenues of such public utility, and shall only be a valid claim as against such special fund and the amount of the revenues of such utility pledged to such fund. Such funding or refunding revenue obligations shall in the discretion of the commission be exchanged at par for the revenue obligations which are being funded or refunded or shall be sold in such manner, at such price and at such rate or rates of interest as the commission shall deem for the best interest of the district. Said funding or refunding [revenue] obligations shall except as specifically provided in this section, be issued in accordance with the provisions with respect to revenue obligations in *this act set forth. LOCAL IMPROVEMENT GUARANTY FUND

54.24.200 Local improvement guaranty fund. Every public utility district in the state is hereby authorized, by resolution, to create a fund for the purpose of guaranteeing, to the extent of such fund, and in the manner hereinafter provided, the payment of such of its local improvement bonds and/or warrants as the commission may determine issued to pay for any local improvement within any local utility district established within the boundaries of the public utility district. Such fund shall be designated "local improvement guaranty fund, public utility district No. . . . .". For the purpose of maintaining such fund the public utility district shall set aside and pay into it such proportion as the commissioners may direct by resolution of the monthly gross revenues of its public utilities for which local improvement bonds and/or warrants have been issued and guaranteed by said fund: PROVIDED, HOWEVER, That any obligation to make payments into said fund as herein provided shall be junior to any pledge of said gross revenues for the payment of any outstanding or future general obligation bonds or revenue bonds of the district. The proportion may be varied from time to time as the commissioners deem expedient: PROVIDED, FURTHER, That under the existence of the conditions set forth in subdivisions (1) and (2), hereunder, and when consistent with the covenants of a public utility district securing its bonds, the proportion shall be as therein specified, to wit:

(1) When bonds and/or warrants of a local utility district have been guaranteed and are outstanding and the guaranty fund does not have a cash balance equal to twenty percent of all bonds and/or warrants originally guaranteed hereunder, excluding bonds and/or warrants which have been retired in full, then twenty percent of the gross monthly revenues from each public utility for which such bonds and/or warrants have been issued and are outstanding but not necessarily from users in other parts of the public utility district as a whole, shall be set aside and paid into the guaranty fund: PROVIDED, That when, under the requirements of this subdivision, the cash balance accumulates so that it is equal to twenty percent of the total original guaranteed bonds and/or warrants, exclusive of any issue of bonds and/or warrants of a local utility district which issue has been paid and/or redeemed in full, or equal to the full amount of all bonds and/or warrants guaranteed, outstanding and unpaid, which amount might be less than twenty percent of the original total guaranteed, then no further revenue need be set aside and paid into the guaranty fund so long as such condition continues;

(2) When warrants issued against the guaranty fund remain outstanding and uncalled, for lack of funds, for six months from date of issuance, or when bonds, warrants, or any coupons or interest payments guaranteed hereunder have been matured for six months and have not been redeemed, then twenty percent of the gross monthly revenue, or such portion thereof as the commissioners determine will be sufficient to retire the warrants or redeem the coupons, interest payments, bonds and/or warrants in the ensuing six months, derived from all the users of the public utilities for which such bonds and/or warrants have been issued and are outstanding in whole or in part, shall be set aside and paid into the guaranty fund: PROVIDED, That when under the requirements of this subdivision all warrants, coupons, bonds and/or warrants specified in this subdivision have been redeemed and interest payments made, no further income need be set aside and paid into the guaranty fund under the requirements of this subdivision unless other warrants remain outstanding and unpaid for six months or other coupons, bonds and/or warrants default or interest payments are not made: PROVIDED, FURTHER, HOWEVER, That no more than a total of twenty percent of the gross monthly revenue shall be required to be set aside and paid into the guaranty fund by these subdivisions (1) and (2). [1983 c 167 § 152; 1957 c 150 § 1.]

Liberal construction—Severability—1983 c 167: See RCW 39.46.010 and note following.

Local utility districts: RCW 54.16.120.

54.24.210 Local improvement guaranty fund—Duties of the district. To comply with the requirements of setting aside and paying into the local improvement guaranty fund a proportion of the monthly gross revenues of the public utilities of a district, for which guaranteed local improvement bonds and/or warrants have been issued and are outstanding, the district shall bind and obligate itself so long as economically feasible to maintain and operate the utilities and establish, maintain and collect such rates for water and/or electric energy, as the case may be, as will produce gross revenues sufficient to maintain and operate the utilities, and make necessary provision for the guaranty fund. The district shall alter its rates for water and/or electric energy, as the case may be, from time to time and shall vary them in different portions of its territory to comply with such requirements. [1957 c 150 § 2.]

54.24.220 Local improvement guaranty fund—Warrants to meet liabilities. When a bond, warrant, or any coupon or interest payment guaranteed by the guaranty fund matures and there are not sufficient funds in the local utility district bond redemption fund to pay it, the county treasurer shall pay it from the local improvement guaranty fund of the public utility district; if there are not sufficient funds in the guaranty fund to pay it, it may be paid by issuance and delivery of a warrant upon the local improvement guaranty fund.

When the cash balance in the local improvement guaranty fund is insufficient for the required purposes, warrants drawing interest at a rate determined by the commission may be issued by the district auditor, against the fund to meet any liability accrued against it and shall issue them upon demand of the owners of any matured coupons, bonds, interest payments, and/or warrants guaranteed hereby, or to pay for any certificate of delinquency for delinquent installments of assessments as provided hereinafter. Guaranty fund warrants shall be a first lien in their order of issuance upon the guaranty fund. [1983 c 167 § 153; 1981 c 156 § 19; 1957 c 150 § 3.]

Liberal construction—Severability—1983 c 167: See RCW 39.46.010 and note following.
54.24.230  Local improvement guaranty fund—
Certificates of delinquency—Contents, purchase, payment, issuance, sale. Within twenty days after the date of delinquency of any annual installment of assessments levied for the purpose of paying the local improvement bonds and/or warrants of a district guaranteed hereunder, the county treasurer shall compile a statement of all installments delinquent together with the amount of accrued interest and penalty appurtenant to each installment, and shall forthwith purchase, for the district, certificates of delinquency for all such delinquent installments. Payment for the certificates shall be made from the local improvement guaranty fund and if there is not sufficient money in that fund to pay for the certificates, the county treasurer shall accept the local improvement guaranty fund warrants in payment therefor. All certificates shall be issued in the name of the local improvement guaranty fund and all guaranty fund warrants issued in payment therefor shall be issued in the name of the appropriate local utility district fund. When a market is available and the commissioners direct, the county treasurer shall sell any certificates belonging to the local improvement guaranty fund, for not less than face value thereof plus accrued interest from date of issuance to date of sale.

The certificates shall be issued by the county treasurer, shall bear interest at the rate of ten percent per year, shall each be for the face value of the delinquent installment, plus accrued interest to date of issuance, plus a penalty of five percent of the face value, and shall set forth the:

1. Description of property assessed;
2. Date the installment of assessment became delinquent; and
3. Name of the owner or reputed owner, if known. [1957 c 150 § 4.]

54.24.240  Local improvement guaranty fund—
Certificates of delinquency—Redemption, foreclosure. The certificates of delinquency may be redeemed by the owner of the property assessed at any time up to two years from the date of foreclosure of the certificate.

If a certificate is not redeemed on the second occurring first day of January, after its issuance, the county treasurer shall foreclose the certificate in the manner specified for the foreclosure of the lien of local improvement assessments in cities, and if no redemption is made within the succeeding two years, from date of the decree of foreclosure, shall execute and deliver unto the public utility district, as trustee for the fund, a deed conveying fee simple title to the property described in the foreclosed certificate. [1957 c 150 § 5.]

54.24.250  Local improvement guaranty fund—
Subrogation of district as trustee of fund, effect on fund, disposition of proceeds. When there is paid out of a guaranty fund any sum on the principal or interest upon local improvement bonds, and/or warrants, or on the purchase of certificates of delinquency, the public utility district, as trustee, for the fund, shall be subrogated to all rights of the owner of the bonds, and/or warrants, any interest coupons, or delinquent assessment installments so paid; and the proceeds thereof, or of the assessment underlying them, shall become a part of the guaranty fund. There shall also be paid into the guaranty fund the interest received from the bank deposits of the fund, as well as any surplus remaining in the local utility district funds guaranteed hereunder, after the payment of all outstanding bonds and/or warrants payable primarily out of such local utility district funds. As among the several issues of bonds and/or warrants guaranteed by the fund, no preference shall exist, but defaulted interest coupons and bonds and/or warrants shall be purchased out of the fund in the order of their presentation.

The commissioners shall prescribe, by resolution, appropriate rules for the guaranty fund consistent herewith. So much of the money of a guaranty fund as is necessary and not required for other purposes hereunder may be used to purchase property at county tax foreclosure sales or from the county after foreclosure in cases where the property is subject to unpaid local improvement assessments securing bonds and/or warrants guaranteed hereunder and such purchase is deemed necessary for the purpose of protecting the guaranty fund. In such cases the funds shall be subrogated to all rights of the district. After so acquiring title to real property, the district may lease or resell and convey it in the same manner that county property may be leased or resold and for such prices and on such terms as may be determined by resolution of the commissioners. All proceeds resulting from such resales shall belong to and be paid into the guaranty fund. [1983 c 167 § 154; 1957 c 150 § 6.]

Liberal construction—Severability—1983 c 167: See RCW 39.46.010 and note following.

54.24.260  Local improvement guaranty fund—
Rights and remedies of bond or warrant holder which shall be printed on bond or warrant—Disposition of balance of fund. Neither the holder nor the owner of local improvement bonds and/or warrants guaranteed hereunder shall have a claim therefor against the public utility district, except for payment from the special assessment made for the improvement for which the bonds and/or warrants were issued, and except as against the guaranty fund. The district shall not be liable to any holder or owner of such local improvement bonds and/or warrants for any loss to the guaranty fund occurring in the lawful operation thereof by the district. The remedy of the holder of a local improvement bond and/or warrant shall be confined to the enforcement of the assessment and to the guaranty fund. A copy of the foregoing part of this section shall be plainly written, printed, or engraved on each local improvement bond and/or warrant guaranteed hereby. The establishment of a guaranty fund shall not be deemed at variance from any comprehensive plan heretofore adopted by a district.

If a guaranty fund at any time has balance therein in cash, and the obligations guaranteed thereby have all been paid off, the balance may be transferred to such other fund of the district as the commissioners shall, by resolution, direct. [1957 c 150 § 7.]

Each participant shall defray its own interest and other payments required to be made or deposited in connection with any financing undertaken by it to pay its percentage of the money furnished or value of property supplied by it for the planning, acquisition and construction of any common facility, or any additions or betterments thereto. The agreement shall provide a uniform method of determining and allocating operation and maintenance expenses of the common facility.

Each city, public utility district, joint operating agency, regulated utility, and cooperatives participating in the ownership or operation of a common facility shall pay all taxes chargeable to its share of the common facility and the electric energy generated thereby under applicable statutes as now or hereafter in effect, and may make payments during preliminary work and construction for any increased financial burden suffered by any county or other existing taxing district in the county in which the common facility is located, pursuant to agreement with such county or taxing district. No money or property supplied by any such city, public utility district, or joint operating agency for the planning, financing, acquisition, construction, operation or maintenance of any common facility shall be credited or otherwise applied to the account of any other participant therein, nor shall the undivided share of any city, public utility district, or joint operating agency in any common facility be charged, directly or indirectly, with any debt or obligation of any other participant or be subject to any lien as a result thereof. No action in connection with a common facility shall be binding upon any public utility district, city, or joint operating agency unless authorized or approved by resolution or ordinance of its governing body. Such bonds shall be issued under the provisions of applicable laws authorizing the issuance of revenue bonds for the acquisition and construction of electric public utility properties by cities, public utility districts, or joint operating agencies as the case may be. All moneys paid or property supplied by any such city, public utility district, or joint operating agency for the purpose of carrying out the powers conferred herein are declared to be for a public purpose. [1973 1st ex.s. c 7 § 6; 1967 c 159 § 6.]

54.44.900 Liberal construction—Not to affect existing acts. The provisions of this chapter shall be liberally construed to effectuate the purposes thereof. This chapter shall not be construed to affect any existing act or part thereof relating to the construction, operation or maintenance of any public utility. [1967 c 159 § 7.]

54.44.901 Severability—1973 1st ex.s. c 7. If any provision of this 1973 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected. [1973 1st ex.s. c 7 § 8.]

54.48.010 Definitions. When used in this chapter:
(1) "Public utility" means any privately owned public utility company engaged in rendering electric service to the public for hire, any public utility district engaged in rendering service to residential customers and any city or town engaged in the electric business.

(2) "Cooperative" means any cooperative having authority to engage in the electric business. [1969 c 102 § 1.]

54.48.020 Legislative declaration of policy. The legislature hereby declares that the duplication of the electric lines and service of public utilities and cooperatives is uneconomical, may create unnecessary hazards to the public safety, discourages investment in permanent underground facilities, and is unattractive, and thus is contrary to the public interest and further declares that it is in the public interest for public utilities and cooperatives to enter into agreements for the purpose of avoiding or eliminating such duplication. [1969 c 102 § 2.]

54.48.030 Agreements between public utilities and cooperatives authorized—Boundaries—Extension procedures—Purchase or sale—Approval. In aid of the foregoing declaration of policy, any public utility and any cooperative is hereby authorized to enter into agreements with any one or more other public utility or one or more other cooperative for the designation of the boundaries of adjoining service areas which each such public utility or each such cooperative shall observe, for the establishment of procedures for orderly extension of service in adjoining areas not currently served by any such public utility or any such cooperative and for the acquisition or disposal by purchase or sale by any such public utility or any such cooperative of duplicating utility facilities, which agreements shall be for a reasonable period of time not in excess of twenty-five years: PROVIDED, That the participation in such agreement to any public utility which is an electrical company under RCW 80.04.010, excepting cities and towns, shall be approved by the Washington utilities and transportation commission. [1969 c 102 § 3.]

54.48.040 Cooperatives not to be classified as public utilities or under authority of utilities and transportation commission. 54.52.010 Voluntary contributions to assist low-income residential customers—Administration. A public utility district may include along with, or as part of its regular customer billings, a request for voluntary contributions to assist qualified low-income residential customers of the district in paying their electricity bills. All funds received by the district in response to such requests shall be transmitted to the grantee of the department of community development which administers federally funded energy assistance programs for the state in the district's service area or to a charitable organization within the district’s service area.
area. All such funds shall be used solely to supplement assistance to low-income residential customers of the district in paying their electricity bills. The grantee or charitable organization shall be responsible to determine which of the district's customers are qualified for low-income assistance and the amount of assistance to be provided to those who are qualified. [1985 c 6 § 20; 1984 c 59 § 1.]

54.52.020 Disbursal of contributions—Quarterly report. All assistance provided under this chapter shall be disbursed by the grantee or charitable organization. The availability of funds for assistance to a district's low-income customers as a result of voluntary contributions shall not reduce the amount of assistance for which the district's customers are eligible under the federally funded energy assistance programs administered by the grantee of the department of community development within the district's service area. The grantee or charitable organization shall provide the district with a quarterly report on January 15th, April 15th, July 15th, and October 15th which includes information concerning the total amount of funds received from the district, the names of all recipients of assistance from these funds, the amount received by each recipient, and the amount of funds received from the district currently on hand and available for future low-income assistance. [1985 c 6 § 21; 1984 c 59 § 2.]

54.52.030 Contributions not considered commingling of funds. Contributions received under a program implemented by a public utility district in compliance with this chapter shall not be considered a commingling of funds. [1984 c 59 § 3.]

Severability—1959 c 103: See note following RCW 56.08.010.

56.02.050 Jurisdiction of elections in joint sewer districts—Filing of declarations of candidacy—Joint sewer district defined. (1) Jurisdiction of any general election or special election held on the same date as a general election in a joint sewer district shall rest with the county auditor of each of the counties in which the joint sewer district is located. Election returns of such elections shall be canvassed by the canvassing board of each county and the official results certified to the county auditor of the county in which fifty-one percent or more of the area of the joint sewer district is located. Such county auditor shall then combine the official results from each county in which the joint sewer district is located into a single official result.

(2) Jurisdiction of any special election held on a different date than a general election in a joint sewer district shall rest with the county auditor of the county in which fifty-one percent or more of the area of the joint sewer district is located. Election returns of such elections shall be canvassed by the canvassing board of such county and certified to the county auditor of such county as required by law.

(3) Elections referred to in subsections (1) and (2) of this section shall be conducted as provided by such subsections and by the general election laws not inconsistent therewith.

(4) Candidates for the office of sewer commissioner in a joint sewer district shall file declarations of candidacy with the county auditor of the county in which fifty-one percent or more of the area of the joint sewer district is located and their election shall be conducted as provided by this section and by the general election laws not inconsistent herewith. The candidate receiving the greatest number of votes for each sewer commissioner position shall be declared elected.

For the purposes of this section, "joint sewer district" means any sewer district composed of territory lying in more than one county. [1971 ex.s. c 272 § 12.]

56.02.055 Districts comprising territory in more than one county—Delegation of duties—Exceptions. Whenever the boundaries or proposed boundaries of a sewer district include or are proposed to include by means of formation, annexation, consolidation, or merger (including merger with a water district) territory in more than one county, all duties delegated by Title 56 RCW to officers of the county in which the district is located shall be delegated to the officers of the county in which the largest land area of the district is located, except that elections shall be conducted pursuant to RCW 56.02.050, actions subject to review and approval under RCW 56.02.060 and 56.02.070 shall be reviewed and approved by only the officers or boards in the county in which such actions are proposed to occur, verification of electors' signatures shall be conducted by the county election officer of the county in which such signators reside, and comprehensive plan review and approval or rejection by the respective county legislative authorities under RCW 56.08.020 shall be limited to that part of such plans within the respective counties. [1982 1st ex.s. c 17 § 1.]

56.02.060 Sewer district activities to be approved—Criteria for approval by county legislative authority. Notwithstanding any provision of law to the contrary, no sewer district shall be formed or reorganized under chapter 56.04 RCW, nor shall any sewer district annex territory under chapter 56.24 RCW, nor shall any sewer district withdraw territory under chapter 56.28 RCW, nor shall any sewer district consolidate or be merged under chapter 56.32 RCW, nor shall any water district be merged into a sewer district under chapter 56.36 RCW, unless such proposed action shall be approved as provided for in RCW 56.02.070.

The county legislative authority shall within thirty days after receiving notice of the proposed action, approve such action or hold a hearing on such action. In addition, a copy of such proposed action shall be mailed to the state department of ecology and to the state department of social and health services.

The county legislative authority shall decide within sixty days of a hearing whether to approve or not approve such proposed action. In approving or not approving the proposed action, the county legislative authority shall consider the following criteria:

(1) Whether the proposed action in the area under consideration is in compliance with the development program which is outlined in the county comprehensive plan and its supporting documents; and/or

(2) Whether the proposed action in the area under consideration is in compliance with the basinwide water and/or sewage plan as approved by the state department of ecology and the state department of social and health services; and/or

(3) Whether the proposed action is in compliance with the policies expressed in the county plan for water and/or sewage facilities.

If the proposed action is inconsistent with subsections (1), (2), or (3) of this section, the county legislative authority shall not approve it. If such action is consistent with all such subsections, the county legislative authority shall approve it unless it finds that utility service in the area under consideration will be most appropriately served by the county itself under the provisions of chapter 36.94 RCW, by a city, town, or municipality, or by another existing special purpose district rather than by the proposed action under consideration. If there has not been adopted for the area under consideration a plan under any one of subsections (1), (2) or (3) of this section, the proposed action shall not be found inconsistent with such subsection.

Where a sewer district is proposed to be formed, and where no boundary review board has been established, the petition described in RCW 56.04.030 shall serve as the notice of proposed action under this section, and the hearing provided for in RCW 56.04.040 shall serve as the hearing provided for in this section and in RCW 56.02.070. [1988 c 162 § 5; 1971 ex.s. c 139 § 1.]

56.02.070 Approval by county legislative authority final, when—Boundary review board approval. In any
county where a boundary review board, as provided in chapter 36.93 RCW, has not been established, the approval of the proposed action shall be by the county legislative authority pursuant to RCW 56.02.060 and 57.02.040, and shall be final and the procedures required to adopt such proposed action shall be followed as provided by law.

In any county where a boundary review board, as provided in chapter 36.93 RCW, has been established, notice of intention of the proposed action shall be filed with the board as required by RCW 36.93.090 and a copy thereof with the legislative authority. The latter shall transmit to the board a report of its approval or disapproval of the proposed action together with its findings and recommendations thereon under the provisions of RCW 56.02.060 and 57.02.040. If the county legislative authority has approved of the proposed action, such approval shall be final and the procedures required to adopt such proposal shall be followed as provided by law, unless the board reviews the action under the provisions of RCW 36.93.100 through 36.93.180. If the county legislative authority has not approved the proposed action, the board shall review the action under the provisions of RCW 36.93.150 through 36.93.180. Action of the board after review of the proposed action shall supersede approval or disapproval by the county legislative authority.

Where a water or sewer district is proposed to be formed, and where no boundary review board has been established, the hearings provided for in RCW 56.04.040 and 57.04.030 shall serve as the hearing provided for in this section, in RCW 56.02.060, and in RCW 57.02.040. [1988 c 162 § 6; 1971 ex.s. c 139 § 3.]

1988 validation: RCW 57.06.180.

56.02.080 Formation of districts validated. The existence of all sewer districts formed in counties without a boundary review board in compliance with the requirements of chapter 56.04 RCW, whether or not the requirements of RCW 56.02.060 and 56.02.070 were satisfied, is validated and such districts shall be deemed to be legally formed. [1988 c 162 § 8.]

The procedure and provisions of RCW 85.08.830 through 85.08.890, which are applicable to drainage improvement districts, joint drainage improvement districts, or consolidated drainage improvement districts which desire to merge into an irrigation district, shall also apply to sewer districts organized, or reorganized, under this title which desire to merge into irrigation districts. The authority granted by this section shall be cumulative and in addition to any other power or authority granted by law to any sewer district. [1977 ex.s. c 208 § 3.]

56.04.030 Petition or resolution—Notice of hearing.

For the purpose of formation or reorganization of sewer districts, a petition shall be presented to the county legislative authority of the county in which the proposed sewer district is located, which petition shall set forth the object for the creation or reorganization of the district, shall designate the boundaries thereof and set forth the further fact that the establishment or reorganization of the district will be conducive to the public health, convenience and welfare and will be of benefit to the property included therein. The petition shall specify the proposed property tax levy assessment, if any, which shall not exceed one dollar and twenty-five cents per thousand dollars of assessed value, for general preliminary expenses of the district. The petition shall be signed by at least ten percent of the registered voters residing within the district described in the petition who voted in the last general municipal election: PROVIDED, If in the opinion of the county health officer the existing sewerage disposal facilities are inadequate in the district to be created only, and it is for the public welfare, then the county legislative authority of the county may declare a sewerage disposal district a necessity, and the district shall be organized under the provisions of this title, and all amendments thereto. The petition or resolution shall be filed with the county auditor, who shall, within ten days examine the signatures thereof and certify to the sufficiency or insufficiency. For such purpose the county auditor shall have access to all registration books in the possession of the officers of any political subdivision in such proposed district. No person having signed such a petition shall be allowed to withdraw his or her name therefrom after the filing of the same with the county auditor. If the petition shall be found to contain a sufficient number of signatures, the county auditor shall transmit the same, together with his certificate of sufficiency attached thereto to the county legislative authority. If the petition or resolution is certified to contain a sufficient number of signatures, or if in the opinion of the county health officer the existing sewerage disposal facilities are a menace to the health and convenience of the public, the county legislative authority may, by resolution, and not otherwise, declare a sewerage district a necessity, then at a regular or special meeting of the county legislative authority of such county, the county legislative authority shall cause to be published for at least once a week for two successive weeks in some newspaper of general circulation in the county, giving notice that such a petition has been presented, stating the time of the meeting at which the same shall be presented, and setting forth the boundaries of the proposed district. [1990 c 259 § 21; 1987 c 33 § 1; 1945 c 140 § 2; 1941 c 210 § 2; Rem. Supp. 1945 § 9425-11.]

Rules governing petition signatures of property owners: RCW 56.02.010.

56.04.040 Hearing—Boundaries. When such a petition or resolution is presented for hearing, the board of county commissioners shall hear the same or may adjourn said hearing from time to time not exceeding one month in all. Any person, firm or corporation may appear before the said board of county commissioners and make objections to the establishment or reorganization of the said district or the proposed boundary lines thereof. Upon a final hearing said board of county commissioners shall make such changes in the proposed or reorganized boundary lines as they deem to be proper and shall establish and define such boundaries and shall find whether the proposed sewer district will be conducive to the public health, welfare and convenience and be of special benefit to the land included within the said boundaries of said proposed district so established by the said board of county commissioners. No lands which will, not, in the judgment of said board, be benefited by inclusion therein, shall be included within the boundaries of said district as so established and defined, and no change shall be made by the said board of county commissioners in said boundary lines to include any territory outside of the boundaries described in the said petition, except that the boundaries of any proposed district may be extended by the board of county commissioners at such hearing to include other lands in said county upon a petition signed by the owners of all of the land within the proposed extension. [1945 c 140 § 3; 1941 c 210 § 3; Rem. Supp. 1945 § 9425-12.]

56.04.050 Election—Time—Notice—Ballots—Excess tax levy. Upon entry of the findings of the final hearing on the petition, if the commissioners find the proposed sewer system will be conducive to the public health, welfare, and convenience and be of special benefit to the land within the boundaries of the proposed or reorganized district, they shall call a special election by presenting a resolution to the county auditor at least forty-five days prior to the proposed election date. A special election will be held on a date decided by the commissioners in accordance with RCW 29.13.010 and 29.13.020. The commissioners shall cause to be published a notice of such election at least once a week for four successive weeks in a newspaper of general circulation in the county, setting forth the hours during which the polls will be open, the boundaries of the proposed or reorganized district as finally adopted, and the object of the election, and the notice shall also be posted for ten days in ten public places in the proposed or reorganized district. The proposition shall be expressed on the ballots in the following terms:

- Sewer District: YES ☐
- Sewer District: NO ☐
or in the reorganization of a district, the proposition shall be expressed on the ballot in the following terms:

Sewer District Reorganization ............. YES □
Sewer District Reorganization ............. NO □

giving in each instance the name of the district as decided by the board.

At the same election the county legislative authority shall submit a proposition to the voters, for their approval or rejection, authorizing the sewer district, if formed, to levy at the earliest time permitted by law on all property located in the district a general tax for one year, in excess of the tax limitations provided by law, in the amount specified in the petition to create the district, not to exceed one dollar and twenty-five cents per thousand dollars of assessed value, for general preliminary expenses of the district, the proposition to be expressed on the ballots in the following terms:

One year . . . dollars and . . . cents per thousand dollars of assessed value tax . YES □
One year . . . dollars and . . . cents per thousand dollars of assessed value tax . NO □

Such proposition to be effective must be approved by a majority of at least three-fifths of the registered voters thereof voting on the proposition in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as hereafter amended. 56.04.060 Canvas—District created—Name. If at such election a majority of the voters in each district voting upon such proposition shall vote in favor of the formation or reorganization of such district and/or districts, the county election board shall so declare in its canvass of the returns of such election, and such sewer district shall then be and become a municipal corporation of the state of Washington and the name of such sewer district shall be "... Sewer District" (inserting the name appearing on the ballot). [1945 c 140 § 5; 1941 c 210 § 6; Rem. Supp. 1945 § 9425-15.]

56.04.065 Alternative method of formation. (1) As an alternative to the methods of formation under RCW 56.04.030 through 56.04.060, a sewer district may be formed by a petition signed by the owners of at least sixty percent of the property to be included in the proposed district. The petition shall propose the formation of the district, designate the boundaries thereof, and indicate the name of the district. The petition shall be filed with the county auditor, who shall within ten days examine the signatures thereof and certify to the sufficiency or insufficiency. For this purpose, the county auditor shall have access to all registration books in the possession of the officers of any political subdivision in the proposed district. No person having signed such a petition shall be allowed to withdraw his name therefrom after the filing of the petition with the county auditor. If the petition is found to contain a sufficient number of signatures, the county auditor shall forward the petition to the county legislative authority who shall hold a hearing pursuant to RCW 56.02.060. Approval or disapproval of the proposed district shall be as provided in RCW 56.02.070.

(2) The initial commissioners for a district formed under this section shall be elected pursuant to RCW 56.12.020 at the next election held under RCW 29.13.010 following by more than ninety days a determination by the county auditor that three or more registered voters reside within the boundaries of the district. [1983 c 88 § 1.]

56.04.070 When two or more petitions are filed. Whenever two or more petitions for the formation of a sewer district shall be filed as provided in this chapter, the petition describing the greater area shall supersede all others, and an election shall first be held thereunder, and no lesser sewer district shall ever be created within the limits in whole or in part of any other sewer district, except as provided in RCW 56.36.060 and 36.94.420, as now or hereafter amended. [1985 c 141 § 2; 1981 c 45 § 3; 1941 c 210 § 5; Rem. Supp. 1941 § 9425-14.]

All elections held pursuant to this title, whether general or special, shall be conducted by the county election board of the county in which the district is located. The expense of all such elections shall be paid for out of the funds of such sewer district. [1941 c 210 § 40; Rem. Supp. 1941 § 9425-49.]

56.04.090 Dissolution. Any sewer district organized, or reorganized, under this title may be disincorporated in the same manner (insofar as the same is applicable) as is provided in sections 8914 to 8931, inclusive, of Remington’s Revised Statutes, also Pierce’s Perpetual Code 395-1 to 395-35 [RCW 35.07.010 through 35.07.220], for the disincorporation of the third and fourth class cities, except that the petition for disincorporation shall be signed by not less than twenty-five percent of the voters in the sewer district. [1945 c 140 § 16; 1941 c 210 § 47; Rem. Supp. 1945 § 9425-56.]

56.04.110 Sewer district activities to be approved—Criteria for approval by county legislative authority. See RCW 56.02.060 and 56.02.070.

56.04.120 Sewerage improvement districts located in counties with populations of from forty thousand to less than seventy thousand become sewer districts. (1) On and after March 16, 1979, any sewerage improvement districts created under Title 85 RCW and located in a county with a population of from forty thousand to less than seventy thousand shall become sewer districts and shall be operated,
maintained, and have the same powers as sewer districts created under Title 56 RCW, upon being so ordered by the county legislative authority of the county in which such district is located after a hearing of which notice is given by publication in a newspaper of general circulation within the district and mailed to any known creditors, holders of contracts and obligees at least thirty days prior to such hearing. After such hearing if the county legislative authority finds the converting of such district to be in the best interest of that district, it shall order that such sewer improvement district shall become a sewer district and fix the date of such conversion. All debts, contracts and obligations created while attempting to organize or operate a sewerage improvement district shall become a sewer district and all other financial obligations and powers of the district to satisfy such obligations established under Title 85 RCW are legal and valid until they are fully satisfied or discharged under Title 85 RCW.

(2) The board of supervisors of a sewerage improvement district in a county with a population of from forty thousand to less than seventy thousand shall act as the board of commissioners of the sewer district created under subsection (1) of this section until other members of the board of commissioners of the sewer district are elected and qualified. There shall be an election on the same date as the 1979 state general election and the seats of all three members of the governing authority of every entity which was previously known as a sewerage improvement district in a county with a population of from forty thousand to less than seventy thousand shall be up for election. The election shall be held in the manner provided for in RCW 56.12.020 for the election of the first board of commissioners of a sewer district. Thereafter, the terms of office of the members of the governing body shall be determined under RCW 56.12.020. [1991 c 363 § 136; 1979 c 35 § 1.]

Purpose—Captions not law—1991 c 363: See notes following RCW 2.32.180.

56.04.130 Sewerage improvement districts operating as sewer districts become sewer districts—Procedure. Any sewerage improvement district which has been operating as a sewer district shall be a sewer district under this title as of March 16, 1979 upon being so ordered by the board of county commissioners of the county in which such district is located after a hearing of which notice is given by publication in a newspaper of general circulation within the district and mailed to any known creditors, holders of contracts and obligees at least thirty days prior to such hearing. After such hearing if the board of county commissioners finds that the sewerage improvement district was operating as a sewer district and that the converting of such district will be in the best interest of that district, it shall order that such sewer improvement district shall become a sewer district immediately upon the passage of the resolution containing such order. The debts, contracts and obligations of any sewerage improvement district which has been erroneously operating as a sewer district are recognized as legal and binding. The members of the government authority of any sewerage improvement district which has been operating as a sewer district and who were erroneously elected as sewer district commissioners shall be recognized as the governing authority of a sewer district. The members of the governing authority shall continue in office for the term for which they were elected. [1979 c 35 § 2.]

56.08.010 Power to acquire property and rights—Eminent domain—Construction and operation of system—Generation of electricity—Rates and charges. A sewer district may acquire by purchase or by condemnation and purchase all lands, property rights, water, and water
rights, both within and without the district, necessary for its purposes. A sewer district may lease real or personal property necessary for its purposes for a term of years for which such leased property may reasonably be needed where in the opinion of the board of sewer commissioners such property may not be needed permanently or substantial savings to the district can be effected thereby. The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities and towns, insofar as consistent with the provisions of this title, except that all assessments or reassessment rolls required to be filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the district, and the duties devolving upon the city treasurer shall be imposed upon the county treasurer for the purposes hereof. A sewer district may construct, condemn and purchase, add to, maintain, and operate systems of sewers for the purpose of furnishing the district and inhabitants thereof with an adequate system of sewers for all uses and purposes, public and private, including but not limited to on-site sewage disposal facilities, approved septic tank systems, other facilities and systems for the collection, interception, treatment, and disposal of wastewater, and for the control of pollution from wastewater and for the protection, preservation, and rehabilitation of surface and underground waters, facilities for the drainage of storm or surface waters, public highways, streets, and roads with full authority to regulate the use and operation thereof and the service rates to be charged and may construct, acquire, or own buildings and other necessary district facilities. Such sewage facilities may include facilities which result in combined sewage disposal, treatment, or drainage and electric generation, provided that the electricity generated thereby is a byproduct of the system of sewers. Such electricity may be used by the sewer district or sold to any entity authorized by law to distribute electricity. Such electricity is a byproduct when the electrical generation is subordinate to the primary purpose of sewage disposal, treatment, or drainage. For such purposes a district may conduct sewage throughout the district and throughout other political subdivisions within the district, and construct and lay sewer pipe along and upon public highways, roads, and streets, within and without the district, and condemn and purchase or acquire land and rights of way necessary for such sewer pipe. A district may erect sewage treatment plants, within or without the district, and may acquire by purchase or condemnation, properties or privileges necessary to be had to protect any lakes, rivers, or watercourses and also other areas of land from pollution, from its sewers or its sewage treatment plant. For the purposes of sewage facilities which include facilities which result in combined sewage disposal, treatment, or drainage and electric generation where the electric generation is a byproduct, nothing in this section may be construed to authorize a district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner. A district may charge property owners seeking to connect to the district system of sewers, as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the board of commissioners shall determine to be proper in order that such property owners shall bear their equitable share of the cost of such system. For purposes of calculating a connection charge, the board of commissioners shall determine the pro rata share of the cost of existing facilities and facilities planned for construction within the next ten years and contained in an adopted comprehensive plan and other costs borne by the district which are directly attributable to the improvements required by property owners seeking to connect to the system. The cost of existing facilities shall not include those portions of the system which have been donated or which have been paid for by grants.

The connection charge may include interest charges applied from the date of construction of the sewer system until the connection, or for a period not to exceed ten years, whichever is shorter, at a rate commensurate with the rate of interest applicable to the district at the time of construction or major rehabilitation of the sewer system, or at the time of installation of the sewer lines to which the property owner is seeking to connect. A district may permit payment of the cost of connection and the reasonable connection charge to be paid with interest in installments over a period not exceeding fifteen years. The county treasurer may charge and collect a fee of three dollars per parcel for each year for the treasurer's services. Such fees shall be a charge to be included as part of each annual installment, and shall be credited to the county current expense fund by the county treasurer. A district may compel all property owners within the sewer district located within an area served by the district system of sewers to connect their private drain and sewer systems with the district system under such penalty as the sewer commissioners shall prescribe by resolution. The district may for such purpose enter upon private property and connect the private drains or sewers with the district system and the cost thereof shall be charged against the property owner and shall be a lien upon property served.

Revenues from connection charges excluding permit fees are to be considered payments in aid of construction as defined by department of revenue rule. [1989 c 389 § 2; 1989 c 308 § 1; 1987 c 449 § 1. Reviser's note: This section was amended by 1989 c 308 § 1 and by 1989 c 389 § 2, each without reference to the other. Both amendments are incorporated in the publication of this section pursuant to RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

Title 56 RCW: Sewer Districts

56.08.012 Public property subject to rates and charges for storm water control facilities. Except as otherwise provided in RCW 90.03.525, any public entity and public property, including the state of Washington and state
property, shall be subject to rates and charges for storm water control facilities to the same extent private persons and private property are subject to such rates and charges that are imposed by sewer districts pursuant to RCW 56.08.010 or 56.16.090. In setting these rates and charges, consideration may be made of in-kind services, such as stream improvements or donation of property. [1986 c 278 § 5; 1983 c 315 § 5.]

Severability—1986 c 278: See note following RCW 36.01.010.
Severability—1983 c 315: See note following RCW 90.03.500.

Flood control zone districts—Storm water control improvements: Chapter 86.15 RCW.

Rates and charges for storm water control facilities—Limitations—Definitions: RCW 56.08.014.

56.08.013 Authority to reduce pollutants in lakes, streams, ground water, and waterways. Where a sewer district contains within its borders, abuts, or is located adjacent to any lake, stream, ground water as defined by RCW 90.44.035, or other waterway within the state of Washington, by resolution the board of commissioners may provide for the reduction, minimization, or elimination of pollutants from these waters in accordance with the district’s comprehensive plan as provided in RCW 56.08.020, and may authorize the issuance of general obligation bonds within the limits prescribed by RCW 56.16.010, revenue bonds, local improvement district bonds, or utility local improvement bonds for the purpose of paying all or any part of the cost of reducing, minimizing, or eliminating the pollutants from these waters. [1985 c 98 § 1; 1977 ex.s. c 146 § 1.]

56.08.014 Authority to adjust or delay rates and charges for low-income persons—Notice. In addition to the authority of a sewer district to establish classifications for rates and charges and impose such rates and charges, as provided in RCW 56.08.010 and 56.16.090, a sewer district may adjust, or delay such rates and charges for low-income persons or classes of low-income persons, including but not limited to, poor handicapped persons and poor senior citizens. Other-financial assistance available to poor persons shall be considered in determining charges and rates under this section. Notification of special rates or charges established under this section shall be provided to all persons served by the district annually and upon initiating service. Information on cost shifts caused by establishment of the special rates or charges shall be included in the notification. Any reduction in charges and rates granted to poor persons in one part of a service area shall be uniformly extended to poor persons in all other parts of the service area. [1983 c 198 § 1.]

Severability—1983 c 198: “If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.” [1983 c 198 § 3.]

56.08.015 Change of name—Authorized—Procedure—Validation. Any sewer district heretofore or hereafter organized and existing may apply to change its name by filing with the county legislative authority in which was filed the original petition for the organization of the district, a certified copy of a resolution of its board of commissioners adopted by the majority vote of all the members of said board at a regular meeting thereof providing for such change of name. After approval of the new name by the county legislative authority, all proceedings of such district shall be had under such changed name, but all existing obligations and contracts of the district entered into under its former name shall remain outstanding without change and with the validity thereof unimpaired and unaffected by such change of name, and a change of name heretofore made by any existing sewer district in this state, substantially in the manner above provided is hereby ratified, confirmed and validated. [1984 c 147 § 6; 1969 c 119 § 1.]

56.08.020 General comprehensive plan—Approval of engineer, director of health, and city, town, or county—Amendments. The sewer commissioners before ordering any improvements hereunder or submitting to vote any proposition for incurring indebtedness shall adopt a general comprehensive plan for a system of sewers for the district. They shall investigate all portions and sections of the district and select a general comprehensive plan for a system of sewers for the district suitable and adequate for present and reasonably foreseeable future needs thereof. The general comprehensive plan shall provide for treatment plants and other methods for the disposal of sewage and industrial and other liquid wastes now produced or which may reasonably be expected to be produced within the district and shall, for such portions of the district as may then reasonably be served, provide for the acquisition or construction and installation of laterals, trunk sewers, intercepting sewers, syphons, pumping stations, or other sewage collection facilities. The general comprehensive plan shall provide the method of distributing the cost and expense of the sewer system provided therein against the district and against utility local improvement districts within the district, including any utility local improvement district lying wholly or partially within any other political subdivision included in the district; and provide whether the whole or some part of the cost and expenses shall be paid from sewer revenue bonds. The commissioners may employ such engineering and legal services as they deem necessary in carrying out the purposes hereof.

The general comprehensive plan shall be adopted by resolution and submitted to an engineer designated by the legislative authority of the county in which fifty-one percent or more of the area of the district is located, and to the director of health of the county in which the district or any portion thereof is located, and must be approved in writing by the engineer and director of health. The general comprehensive plan shall be approved, conditionally approved, or rejected by the director of health within sixty days of the plan’s receipt and by the designated engineer within sixty days of the plan’s receipt. However, this sixty-day time limitation may be extended by the director of health or engineer for up to an additional sixty days if sufficient time is not available to review adequately the general comprehensive plans.

Before becoming effective, the general comprehensive plan shall also be submitted to, and approved by resolution of, the legislative authority of every county within whose boundaries all or a portion of the sewer district lies. The
general comprehensive plan shall be approved, conditionally
approved, or rejected by each of these county legislative
authorities pursuant to the criteria in RCW 56.02.060 for
approving the formation, reorganization, annexation, consoli-
dation, or merger of sewer districts, and the resolution,
ordinance, or motion of the legislative body which rejects the
comprehensive plan or a part thereof shall specifically state
in what particular the comprehensive plan or part thereof
rejected fails to meet these criteria. The general comprehen-
sive plan shall not provide for the extension or location of
facilities that are inconsistent with the requirements of RCW
36.70A.110. Nothing in this chapter shall preclude a county
from rejecting a proposed plan because it is in conflict with
the criteria in RCW 56.02.060. Each general comprehensive
plan shall be deemed approved if the county legislative
authority fails to reject or conditionally approve the plan
within ninety days of submission to the county legislative
authority or within thirty days of a hearing on the plan when
the hearing is held within ninety days of the plan's submis-
sion to the county legislative authority. However, a county
legislative authority may extend this ninety-day time limita-
tion by up to an additional ninety days where a finding is
made that ninety days is insufficient to review adequately the
general comprehensive plan. In addition, the sewer commis-
ioners and the county legislative authority may mutually
agree to an extension of the deadlines in this section.

If the district includes portions or all of one or more
cities or towns, the general comprehensive plan shall be
submitted also to, and approved by resolution of, the
governing body of such cities and towns before becoming
effective. The general comprehensive plan shall be deemed
approved by the city or town governing body if the city or
town governing body fails to reject or conditionally approve
the plan within ninety days of the plan's submission to the
city or town or within thirty days of a hearing on the plan
when the hearing is held within ninety days of submission to
the county legislative authority. However, a city or town
governing body may extend this time limitation by up to an
additional ninety days where a finding is made that insuffi-
cient time exists to adequately review the general compre-
sensive plan within these time limitations. In addition, the
sewer commissioners and the city or town governing body

All contract projects, the estimated cost of which is less than fifty thousand dollars, may be awarded to a contractor on the small works roster. The small works roster shall be comprised of all responsible contractors who have requested to be on the list. The board of sewer commissioners may set up uniform procedures to prequalify contractors for inclusion on the small works roster. The board of sewer commissioners shall authorize by resolution a procedure for securing telephone and/or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. Such procedure shall require that a good faith effort be made to request quotations from all contractors on the small works roster. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry. The small works roster shall be revised once a year. All contract projects equal to or in excess of fifty thousand dollars shall be let by competitive bidding. Before awarding any competitive contract the board of sewer commissioners shall cause a notice to be published in a newspaper in general circulation where the district is located at least once, ten days before the letting of such contract, inviting sealed proposals for such work, plans and specifications which must at the time of publication of such notice be on file in the office of the board of sewer commissioners subject to public inspection. If said bidder fails to enter into said contract in accordance with said bid and furnish such bond within ten days from the date at which he is notified that he is the successful bidder, the said check, cash or bid bonds and the amount thereof shall be forfeited to the sewer district.

The board shall conduct a public hearing on the resolution to create a street lighting system. Notice of the hearing shall be published at least once each week for two consecutive weeks in one or more newspapers of general circulation in the area to be served by the proposed street lighting system. Following the hearing, the board may by resolution establish the street lighting system.

Section 56.16.010 General indebtedness. The sewer commissioners may submit to the sewer district voters a ballot proposition authorizing the sewer district to incur a general indebtedness payable from annual tax levies to be made in excess of the constitutional and/or statutory tax limitations for the construction of any part or all of the comprehensive plan for the district. Elections shall be held as provided in RCW 39.36.050. The proposition authorizing both the bond issue and bond retirement levies must be approved by three-fifths of the qualified voters of the said sewer district voting on said proposition, at which election the total number of persons voting on the proposition shall constitute not less than forty percent of the total number of votes cast in the sewer district at the last preceding general election. Such bonds shall be issued and sold in accordance with chapter 39.46 RCW. [1984 c 186 § 46; 1973 1st ex.s. c 195 § 63; 1953 c 250 § 10; 1951 2nd ex.s. c 26 § 1; 1941 c 210 § 14; Rem. Revenue bonds authorized. The sewer commissioners may, by resolution, issue revenue bonds for the construction costs, interest during the period of construction and six months thereafter, working capital, or other costs of any part or all of the general comprehensive plan or for other purposes or functions of a sewer district authorized by statute without submitting a proposition therefor to the voters. The resolution shall include the amount of the bonds to be issued. [1987 c 449 § 5; 1977 ex.s. c 300 § 3; 1959 c 103 § 5; 1953 c 250 § 11; 1951 c 129 § 2; 1941 c 210 § 16; Rem. Special assessments and taxation for local improvements: State Constitution Art. 7 § 9.

Additions and betterments—Financing plan. (1) In the same manner as herein provided for the adoption of the general comprehensive plan, and after the adoption of the general comprehensive plan, a plan providing for additions and betterments to the general comprehensive plan, or reorganized district may be adopted. Without limiting its generality "additions and betterments" shall include any necessary change in, amendment of, or addition to the general comprehensive plan. The sewer district may incur a general indebtedness payable from annual tax levies to be made in excess of the constitutional and/or statutory tax limitations for the construction of the additions and betterments in the same way the general indebtedness may be incurred for the construction of the general comprehensive plan as provided in RCW 56.16.010. Upon ratification by the voters of the entire district, of the proposition to incur such indebtedness, the additions and betterments may be carried out by the sewer commissioners to the extent specified or referred to in the proposition to incur such general indebtedness. The sewer district may issue revenue bonds to pay for the construction of the additions and betterments by resolution of the board of sewer commissioners.

(2) After July 23, 1989, when the district adopts a general comprehensive plan or plans for an area annexed as provided for in RCW 56.08.020, the district shall include a long-term plan for financing the planned projects. Additional revenue bonds for increased cost of improvements. Whenever a sewer district shall have adopted a general comprehensive plan, and bonds to defray the cost thereof shall have been authorized by the board of commissioners, and if before completion of the improvements the board of commissioners shall by resolution find that the authorized bonds are not sufficient to defray the cost of such improvements due to the increase of costs of construction subsequent to the adoption of said plan, the board of commissioners may, by resolution, authorize the issuance and sale of additional sewer revenue bonds for such purpose in excess of those previously issued. [1977 ex.s. c 300 § 5; 1959 c 103 § 7.]

Severability—1959 c 103: See note following RCW 56.08.010.

General obligation bonds—Bond retirement property tax levies. Whenever any such sewer district shall hereafter adopt a plan for a sewer system as herein provided, or any additions and betterments thereto, or whenever any reorganized sewer district shall hereafter adopt a plan for any additions or betterments thereto, and the qualified voters of any such sewer district or reorganized sewer district shall hereafter authorize both bond retirement property tax levies and a general indebtedness for all the said plan, or any part thereof, or any additions and betterments thereto or for refunding in whole or in part bonds theretofore issued, general obligation bonds for the payment thereof may be issued.

The general obligation bonds shall never be issued to run for a longer period than thirty years from the date of the issue and shall as nearly as practicable be issued for a period which will not exceed the life of the improvement to be acquired by the issue of the bonds.

Such bonds shall be issued and sold in accordance with chapter 39.46 RCW. Each and every sewer district hereafter to be organized pursuant to this title, or reorganized under chapter 140, Laws of 1945, may contract indebtedness pursuant to the provisions of RCW 56.16.040, but not exceeding in amount, together with existing indebtedness two and one-half percent of the value of the taxable property in said district, as the term "value of the taxable property" is defined in RCW 39.36.015, whenever three-fifths of the voters voting at said election in such sewer district assent thereto, at which election the total number of persons voting on the proposition shall constitute not less than forty percent of the total number of votes cast at the last preceding general election. The election shall be held as provided in RCW 39.36.050. All bonds so to be issued shall be subject to the provisions regarding bonds as set out in RCW 56.16.040. 56.16.060 Revenue bonds—Issuance, form, payment, etc. (1) When sewer revenue bonds are issued for authorized purposes, said bonds shall be in bearer form or registered as to principal or interest or both, as provided in RCW 39.46.030, and may provide for conversion between registered and coupon bonds; shall be in such denominations, shall be numbered, shall bear such date, shall be payable at such time or times up to a maximum period of not to exceed thirty years and at such place or places one of which must be the office of the treasurer of the county in which the district is located, or of the county in which fifty-one percent or more of the area of the district is located such place or places to be determined by the board of commissioners of the district; shall bear interest at such rate or rates payable at such time or times as authorized by the board of sewer commissioners; shall be executed by the president of the board of commissioners and attested by the secretary thereof, one of which signatures may, with the written permission of the signator whose facsimile signature is being used, be a facsimile and have the seal of the district impressed thereon; and may have facsimile signatures of the president and secretary imprinted on any interest coupons in lieu of original signatures.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued in accordance with chapter 39.46 RCW. [1983 c 167 § 156; 1975 1st ex.s. c 25 § 1; 1971 ex.s. c 272 § 4; 1970 ex.s. c 56 § 81; 1969 ex.s. c 232 § 86; 1959 c 103 § 8; 1941 c 210 § 19; Rem. Supp. 1941 § 9425-28.]

56.16.065 Revenue warrants and revenue bond anticipation warrants. Sewer districts may also issue revenue warrants and revenue bond anticipation warrants for the same purposes for which such districts may issue revenue bonds. The provisions of this chapter relating to the authorization, terms, conditions, covenants, issuance and sale of revenue bonds (exclusive of provisions relating to refunding) shall be applicable to such warrants. Sewer districts issuing revenue bond anticipation warrants may make covenants relative to the issuance of revenue bonds to provide funds for the redemption of part or all of such warrants and may contract for the sale of such bonds and warrants. [1975 1st ex.s. c 25 § 4.]

56.16.070 Special fund to pay revenue bonds. The sewer commissioners shall have power and are required to create a special fund, or funds, for the sole purpose of paying the interest and principal of sewer revenue bonds, as herein provided into which special fund or funds the said sewer commissioners shall obligate and bind the sewer district to set aside and pay a fixed proportion of the gross revenues of the system of sewers, or any fixed amount out of and not exceeding a fixed proportion of such revenues, or a fixed amount or amounts without regard to any fixed proportion, and such bonds and the interest thereof shall be payable only out of such special fund or funds, and shall be a lien and charge against all revenues of the district and payments received from any utility local improvement district or districts pledged to secure such bonds, subject only to operating and maintenance expenses. Severability—1959 c 103: See note following RCW 56.08.010.

56.16.080 Special fund, considerations in creating—Rights of bond owner. (1) In creating any special fund or funds the sewer commissioners of such sewer district shall have due regard to the cost of operation and maintenance of the plant or system as constructed or added to, and to any proportion or part of the revenue previously pledged as a fund for the payment of bonds, warrants or other indebtedness, and shall not set aside into such special fund a greater amount or proportion of the revenue and proceeds than in their judgment will be available over and above such cost of maintenance and operation and the amount or proportion, if any, of the revenue so previously pledged. Any such bonds, and the interest thereon, issued against any such fund as herein provided, shall be a valid claim of the owner thereof only as against the said special fund and its fixed proportion or amount of the revenue pledged to such fund, and shall not constitute an indebtedness of such sewer district within the meaning of the constitutional provisions and limitations. Each such bond or warrant shall state upon its face that it is payable from a special fund, naming the said fund and the resolution creating it. Said bonds shall be sold in such manner, at such prices and at such rate or rates of interest as the sewer commissioners shall deem for the best interests of the sewer district, either at public or private sale, and the said commissioners may provide in any contract for the construction and acquisition of the proposed improvement that payment therefor shall be made in such bonds at par value thereof.

When any such special fund shall have been heretofore or shall be created and any such bonds shall have been heretofore or shall hereafter be issued against the same, a fixed proportion or a fixed amount out of and not to exceed such fixed proportion, or a fixed amount without regard to any fixed proportion, of revenue shall be set aside and paid into said special fund as provided in the resolution creating such fund or authorizing such bonds. In case any sewer district shall fail thus to set aside and pay said fixed proportion or amount as aforesaid, the owner of any bond payable from such special fund may bring suit or action against the sewer district and compel such setting aside and payment.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW. [1983 c 167 § 157; 1975 1st ex.s. c 25 § 2; 1970 ex.s. c 56 § 82; 1941 c 210 § 21; Rem. Supp. 1941 § 9425-30.]

[Title 56 RCW—page 16]
56.16.085  Covenants to guarantee payment of revenue bonds—Bonds payable from same source may be issued on parity. The board of commissioners may make such covenants as it may deem necessary to secure and guarantee the payment of the principal of and interest on sewer revenue bonds of the district, including but not being limited to covenants for the establishment and maintenance of adequate reserves to secure or guarantee the payment of such principal and interest; the protection and disposition of the proceeds of sale of such bonds; the use and disposition of the gross revenues of the sewer system of the district and any additions or betterments thereto or extensions thereof; the use and disposition of any utility local improvement district assessments; the creation and maintenance of funds for renewals and replacements of the system; the establishment and maintenance of rates and charges adequate to pay principal and interest of such bonds and to maintain adequate coverage over debt service; the maintenance, operation and management of the system and the accounting, insuring and auditing of the business in connection therewith; the terms upon which such bonds or any of them may be redeemed at the election of the district; limitations upon the right of the district to dispose of its system or any part thereof; the appointment of trustees, depositaries and paying agents to receive, hold, disburse, invest and reinvest all or any part of the proceeds of sale of the bonds and all or any part of the income, revenue and receipts of the district, and the board of commissioners may make such other covenants as it may deem necessary to accomplish the most advantageous sale of such bonds. The board of commissioners may also provide that revenue bonds payable out of the same source or sources may later be issued on a parity with any revenue bonds being issued and sold. [1959 c 103 § 10.]

Severability—1959 c 103: See note following RCW 56.08.010.

56.16.090  Rates and charges—Classification of services. The sewer commissioners of any sewer district, in the event that such sewer revenue bonds are issued, shall provide for revenues by fixing rates and charges for the furnishing of sewerage disposal service to those to whom such service is available. Such rates and charges may be combined for the furnishing of more than one type of sewer service such as but not limited to storm or surface water and sanitary. Such rates and charges are to be fixed as deemed necessary by such sewer commissioners, so that uniform charges will be made for the same class of customer or service.

In classifying customers served or service furnished by such system of sewerage, the board of commissioners may in its discretion consider any or all of the following factors: The difference in cost of service to the various customers; the location of the various customers within and without the district; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the service furnished various customers; the quantity and quality of the sewage delivered and the time of its delivery; the achievement of water conservation goals and the discouragement of wasteful water use practices; capital contributions made to the system including but not limited to assessments; and any other matters which present a reasonable difference as a ground for distinction. Such rates are to be made on a monthly basis and shall produce revenues sufficient to take care of the costs of maintenance and operation, revenue bond and warrant interest and principal amortization requirements, and all other charges necessary for efficient and proper operation of the system. [1991 c 347 § 19; 1974 ex.s. c 58 § 3; 1959 c 103 § 11; 1941 c 210 § 22; Rem. Supp. 1941 § 9425-31.]

Public property subject to rates and charges for storm water control facilities: RCW 56.08.012.

56.16.100  Collection of charges—Lien. The commissioners shall enforce collection of the sewer connection charges and sewerage disposal service charges against property to which and its owners to whom the service is available, such charges being deemed charges against the property to which the service is available, by addition of penalties of not more than ten percent thereof in case of failure to pay the charges at times fixed by resolution. The commissioners may provide by resolution that where either sewer connection charges or sewer service charges are delinquent for any specified period of time, the district shall certify the delinquencies to the treasurer of the county in which the real property is located, and the charges and any penalties added thereto and interest thereon at the rate fixed by resolution, shall be a lien against the property to which the service was available, subject only to the lien for general taxes. [1977 ex.s. c 300 § 6; 1971 ex.s. c 272 § 5; 1953 c 250 § 14; 1941 c 210 § 23; Rem. Supp. 1941 § 9425-32.]

56.16.110  Foreclosure of lien for charges. The district may, at any time after the sewer connection charges or sewerage disposal service charges and penalties provided for in RCW 56.16.100, as now or hereafter amended, are delinquent for a period of sixty days, bring suit in foreclosure by civil action in the superior court of the county in which the real property is situated. The court may allow, in addition to the costs and disbursements provided by statute, such an attorney's fee as it may adjudge reasonable. The action shall be in rem against the property, and in addition may be brought in the name of the district against an individual, or against all of those who are delinquent in one action, and the laws and rules of the court shall control as in other civil actions. [1977 ex.s. c 300 § 7; 1971 ex.s. c 272 § 6; 1953 c 250 § 15; 1941 c 210 § 24; Rem. Supp. 1941 § 9425-33.]

56.16.115  Refunding bonds. The board of sewer commissioners may by resolution, without submitting the matter to the voters of the district, authorize the issuance of refunding general obligation bonds to refund any outstanding general obligation bonds, or any part thereof, at maturity thereof, or before the maturity thereof, if they are subject to call for prior redemption, or if all of the holders thereof consent thereto. The total cost to the district over the life of the refunding bonds shall not exceed the total cost, which the
56.16.115  Title 56 RCW:  Sewer Districts

district would have incurred but for such refunding, over the remainder of the life of the bonds being refunded. The provisions of RCW 56.16.040 specifying the issuance and sale of general obligation bonds and providing for annual tax levies in excess of the constitutional and/or statutory tax limitations shall apply to the refunding general obligation bonds issued under this title.

The board of sewer commissioners may by resolution provide for the issuance of refunding revenue bonds to refund outstanding general obligation bonds and/or revenue bonds, or any part thereof, at maturity thereof, or before maturity thereof, if they are subject to call for prior redemption, or if all of the holders thereof consent thereto. The total cost to the district over the life of said refunding revenue bonds shall not exceed the total cost, which the district would have incurred but for such refunding, over the remainder of the life of the bonds being refunded. Uncollected assessments originally payable into the revenue bond fund of a refunded revenue bond issue shall be paid into the revenue bond fund of the refunding issue. The provisions of RCW 56.16.060 specifying the form and maturities of refunding revenue bonds shall apply to the refunding revenue bonds issued under this title.

Refunding general obligation bonds or refunding revenue bonds may be exchanged for the bonds being refunded or may be sold in such manner as the sewer commissioners shall deem for the best interest of the sewer district. [1984 c 186 § 50; 1977 ex.s. c 300 § 8; 1973 1st ex.s. c 195 § 66; 1959 c 103 § 12; 1953 c 250 § 16.]

56.16.130  Interest payments. Any coupons for the payment of interest on bonds of any sewer district shall be considered for all purposes as warrants drawn upon the general fund of the said sewer district issuing such bonds, and when presented to the treasurer of the county having custody of the funds of such sewer district at maturity, or thereafter, and when so presented, if there are not funds in the treasury to pay the said coupons, it shall be the duty of the county treasurer to endorse said coupons as presented for payment, in the same manner as county warrants are indorsed, and thereafter said coupons shall bear interest at the same rate as the bonds to which they were attached. When there are no funds in the treasury to make interest payments on bonds not having coupons, the overdue interest payment shall continue bearing interest at the bond rate until it is paid, unless otherwise provided in the proceedings authorizing the sale of the bonds. 56.16.135  Treasurer—Designation—Approval—Powers and duties—Bond. Upon obtaining the approval of the county treasurer, the board of commissioners of a sewer district with more than twenty-five hundred customers may designate by resolution some other person having experience in financial or fiscal matters as the treasurer of the district. Such a treasurer shall possess all of the powers, responsibilities, and duties of, and shall be subject to the same restrictions as provided by law for, the county treasurer with regard to a sewer district, and the county auditor with regard to sewer district financial matters. Such treasurer shall be bonded for not less than twenty-five thousand dollars. Approval by the county treasurer authorizing such a sewer district to designate its treasurer shall not be arbitrarily or capriciously withheld. [1988 c 162 § 10; 1983 c 57 § 2.]

Unless the board of commissioners of a sewer district designates a treasurer under RCW 56.16.135, the county treasurer of the county in which the district is located or the county in which fifty-one percent or more of the area of the district is located shall create and maintain a separate fund designated as the maintenance fund or general fund of the sewer district into which shall be paid all money received by him from the collection of taxes levied by such district other than taxes levied for the payment of general obligation bonds thereof, and into which shall be paid all revenues of the district other than assessments levied in utility local improvement districts, and no money shall be disbursed therefrom except upon warrants of the county auditor issued by authority of the commissioners or upon a resolution of the commissioners ordering a transfer to any other fund of the district. The county treasurer of each county in which the district or a portion thereof is located shall also maintain such other special funds as may be prescribed by the sewer district, into which shall be placed such moneys as the board of sewer commissioners may by its resolution direct, and from which disbursements shall be made upon proper warrants of the county auditor issued against the same by authority of the board of sewer commissioners. Severability—1959 c 103: See note following RCW 56.08.010.

56.16.150  Maintenance or general fund and special funds—Use of surplus in maintenance or general fund. Whenever a sewer district has accumulated moneys in the maintenance fund or general fund of the district in excess of the requirements of such fund, the board of commissioners may in its discretion use any of such surplus moneys for any of the following purposes: (1) Redemption or servicing of outstanding obligations of the district; (2) maintenance expenses of the district; (3) construction or acquisition of any facilities necessary to carry out the purpose of the district. [1959 c 103 § 14.]

Severability—1959 c 103: See note following RCW 56.08.010.

56.16.160  Maintenance or general fund and special funds—Deposits and investments. Whenever there shall have accumulated in any general or special fund of a sewer district moneys, the disbursement of which is not yet due, the board of commissioners may, by resolution, authorize the county treasurer to deposit or invest such moneys in quali-
fied public depositaries, or to invest such moneys in any investment permitted at any time by RCW 36.29.020: PROVIDED, that the county treasurer may refuse to invest any district moneys the disbursement of which will be required during the period of investment to meet outstanding obligations of the district. The account shall be in the name of the district except, upon request by the treasurer, the accounts shall be in the name of the "(name of county) county treasurer." The treasurer may instruct the financial institutions holding the deposits to transfer them to the treasurer at such times as the treasurer may deem appropriate, consistent with regulations governing and policies of the financial institution. Deferral of special assessments: Chapter 84.38 RCW.
Local improvements, supplemental authority: Chapter 35.51 RCW.

56.20.010 Local districts authorized—Special assessments. Any sewer district shall have the power to establish utility local improvement districts within its territory as hereinafter provided, and to levy special assessments under a mode of annual installments extending over a period not exceeding twenty years on all property specially benefited by any local improvement, on the basis of the special benefits to pay in whole or in part the damages or costs of any improvements ordered in such sewer district. The levying, collection and enforcement of all special assessments hereby authorized shall be in the manner now and hereafter provided by law for the levying, collection and enforcement of special assessments by cities and towns, insofar as the same shall not be inconsistent with the provisions of this title. The duties devolving upon the city or town treasurer under said laws are imposed upon the county treasurer of each county in which the real property is located for the purposes of this title. The mode of assessment shall be in the manner to be determined by the sewer commissioners by resolution. It must be specified in any petition for the establishment of a utility local improvement district and in the approved general comprehensive plan or approved amendment thereto, that, except as provided in this section, the special assessments shall be for the sole purpose of payment into the revenue bond fund for the payment of revenue bonds. Special assessments in any utility local improvement district may be made on the basis of special benefits up to but not in excess of the total cost of any comprehensive scheme or plan payable by issuance of revenue bonds. No warrants or bonds shall be issued in any such utility local improvement district, but the collection of interest and principal on all special assessments in such utility local improvement district, when collected, shall be paid into the revenue bond fund, except that special assessments paid before the issuance and sale of bonds may be deposited in a fund for the payment of costs of improvements in the utility local improvement district. Local improvements, collection of assessments: Chapter 35.49 RCW.

56.20.015 Certain powers of cities and water districts granted to sewer districts—General obligation bonds for water system purposes—Election. In addition to all of the powers and authorities set forth in Title 56 RCW, any sewer district shall have all of the powers of cities as set forth in chapter 35.44 RCW. Sewer districts may also exercise all of the powers permitted to a water district under Title 57 RCW, except that a sewer district may not exercise water district powers in any area within its boundaries which is part of an existing district which previously shall have been duly authorized to exercise water district powers in such area without the consent by resolution of the board of commissioners of such district.

A sewer district shall have the power to issue general obligation bonds for water system purposes: PROVIDED, That a proposition to authorize general obligation bonds payable from excess tax levies for water system purposes
pursuant to chapters 57.16 and 57.20 RCW shall be submitted to all of the qualified voters within that part of the sewer district which is not contained within another existing district duly authorized to exercise water district powers, and the taxes to pay the principal of and interest on the bonds approved by such voters shall be levied only upon all of the taxable property within such part of the sewer district. Such bonds may also be issued and sold in accordance with chapter 39.46 RCW. [1983 c 167 § 159; 1981 c 45 § 5; 1980 c 12 § 1; 1977 ex.s. c 300 § 9; 1974 ex.s. c 58 § 4.]

Legislative declaration—"District" defined—Severability—1981 c 45: See notes following RCW 56.36.060.

56.20.020 Petition or resolution to form local district—Procedure—Written protest. Utility local improvement districts to carry out all or any portion of the comprehensive plan, or additions and betterments thereof, adopted for the sewer district may be initiated either by resolution of the board of sewer commissioners or by petition signed by the owners according to the records of the office of the county auditor of at least fifty-one percent of the area of the land within the limits of the utility local improvement district to be created.

In case the board of sewer commissioners desires to initiate the formation of a utility local improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed utility local improvement district, describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, and fixing a date, time, and place for a public hearing on the formation of the proposed local district, which date shall, unless there is an emergency, be no less than thirty days and no more than ninety days from the day the resolution of intention was adopted.

In case any such utility local improvement district is initiated by petition, such petition shall set forth the nature and territorial extent of such proposed improvement and the fact that the signers thereof are the owners according to the records of the county auditor of at least fifty-one percent of the area of land within the limits of the utility local improvement district to be created. Upon the filing of such petition with the secretary of the board of sewer commissioners, the board shall determine whether the petition is sufficient, and the board’s determination thereof shall be conclusive upon all persons. No person may withdraw his name from the petition after the filing thereof with the secretary of the board of sewer commissioners. If the board finds the petition to be sufficient, it shall proceed to adopt a resolution declaring its intention to order the improvement petitioned for, setting forth the nature and territorial extent of the improvement, designating the number of the proposed local district, describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed local district, and fixing a date, time, and place for a public hearing on the formation of the proposed local district.

Notice of the adoption of the resolution of intention, whether the resolution was adopted on the initiative of the board or pursuant to a petition of the property owners, shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed local district, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of sewer commissioners. Notice of the adoption of the resolution of intention shall also be given each owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed improvement district by mailing the notice at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer at the address shown thereon. Whenever such notices are mailed, the sewer commissioners shall maintain a list of such reputed property owners, which list shall be kept on file at a location within the sewer district and shall be made available for public perusal. The notices shall refer to the resolution of intention and designate the proposed improvement district by number. The notices shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the date, time, and place of the hearing before the board of sewer commissioners. In the case of improvements initiated by resolution, the notice shall also: (1) State that all persons desiring to object to the formation of the proposed district must file their written protests with the secretary of the board of sewer commissioners no later than ten days after the public hearing; (2) state that if owners of at least forty percent of the area of land within the proposed district file written protests with the secretary of the board, the power of the sewer commissioners to proceed with the creation of the proposed district shall be divested; (3) provide the name and address of the secretary of the board; and (4) state the hours and location within the sewer district where the names of the property owners within the proposed district are kept available for public perusal. In the case of the notice given each owner or reputed owner by mail, the notice shall set forth the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract, parcel of land, or other property. [1986 c 256 § 1; 1977 ex.s. c 300 § 10; 1974 ex.s. c 58 § 5; 1965 ex.s. c 40 § 1; 1953 c 250 § 17; 1941 c 210 § 27; Rem. Supp. 1941 § 9425-36.]

56.20.030 Hearing—Improvement ordered—Divestment of power to order—Notice—Appeal—Assessment roll. Whether the improvement is initiated by petition or resolution, the board shall conduct a public hearing at the time and place designated in the notice to property owners. At this hearing the board shall hear objections from any person affected by the formation of the local district and may make such changes in the boundaries of the district or such modifications in plans for the proposed improvement as shall be deemed necessary. The board may not change the boundaries of the district to include property not previously included in it without first passing a new resolution of intention and giving a new notice to property owners.
owners in the manner and form and within the time provided in this chapter for the original notice.

After the hearing and the expiration of the ten-day period for filing written protests, the commissioners shall have jurisdiction to overrule protests and proceed with any such improvement initiated by petition or resolution. The jurisdiction of the commissioners to proceed with any improvement initiated by resolution shall be divested: (a) By protests filed with the secretary of the board no later than ten days after the hearing, signed by the owners, according to the records of the county auditor, of at least forty percent of the area of land within the proposed local district or (b) by the commissioners not adopting a resolution ordering the improvement at a public hearing held not more than ninety days from the day the resolution of intention was adopted, unless the commissioners file with the county auditor a copy of the notice required by RCW 56.20.020, and in no event at a hearing held more than two years from the day the resolution of intention was adopted.

If the commissioners find that the district should be formed, they shall by resolution form the district and order the improvement. After execution of the resolution forming the district, the secretary of the board of commissioners shall publish, in a legal publication that serves the area subject to the district, a notice setting forth that a resolution has been passed forming the district and that a lawsuit challenging the jurisdiction or authority of the sewer district to proceed with the improvement and creating the district must be filed, and notice to the sewer district served, within thirty days of the publication of the notice. The notice shall set forth the nature of the appeal. Property owners bringing the appeal shall follow the procedures as set forth under appeal under RCW 56.20.080. Whenever a resolution forming a district has been adopted, the formation is conclusive in all things upon all parties, and cannot be contested or questioned in any manner in any proceeding whatsoever by any person not commencing a lawsuit in the manner and within the time provided in this section, except for lawsuits made under RCW 56.20.080.

Following an appeal, if it is unsuccessful or if no appeal is made under RCW 56.20.080, the commissioners may proceed with the improvement and provide the general funds of the sewer district to be applied thereto, adopt detailed plans of the utility local improvement district and declare the estimated cost thereof, acquire all necessary land therefor, pay all damages caused thereby, and commence in the name of the sewer district such eminent domain proceedings and supplemental assessment or reassessment proceedings to pay all eminent domain awards as may be necessary to entitle the district to proceed with the work. The board of sewer commissioners shall proceed with the work and file with the county treasurer of each county in which the real property is to be assessed its roll levying special assessments in the amount to be paid by special assessment against the property situated within the local improvement district in proportion to the special benefits to be derived by the property therein from the improvement. [1991 c 190 § 3; 1986 c 256 § 2; 1974 ex.s. c 58 § 6; 1971 ex.s. c 272 § 9; 1953 c 250 § 18; 1941 c 210 § 28; Rem. Supp. 1941 § 9425-37.]

56.20.032 Notice must contain statement that assessments may vary from estimates. Any notice given to the public or to the owners of specific lots, tracts, or parcels of land relating to the formation of a utility local improvement district shall contain a statement that actual assessments may vary from assessment estimates so long as they do not exceed a figure equal to the increased true and fair value the improvement adds to the property. [1989 c 243 § 10.]  

56.20.033 Sanitary sewer facilities—Notice to certain property owners. Whenever it is proposed that a utility local improvement district finance sanitary sewers facilities, additional notice of the public hearing on the proposed improvement district shall be mailed to the owners of any property located outside of the proposed utility local improvement district that would be required as a condition of federal housing administration loan qualification, at the time of notice, to be connected to the specific sewer facilities installed by the utility local improvement district. The notice shall include information about this restriction. [1987 c 315 § 5.]

56.20.035 Exemption of farm and agricultural land from special benefit assessments. See RCW 84.34.300 through 84.34.380 and 84.34.922.

56.20.040 Notice of filing roll. Before the approval of the roll a notice shall be published once a week for two consecutive weeks in a newspaper of general circulation in the local district, stating that the roll is on file and open to inspection in the office of the secretary, and fixing the time, not less than fifteen or more than thirty days from the date of the first publication of the notice, within which protests must be filed with the secretary against any assessments shown thereon, and fixing a time when a hearing will be held by the commission on the protests. The notice shall also be given by mailing at least fifteen days before the hearing, a similar notice to the owners or reputed owners of the land in the local district as they appear on the books of the treasurer of the county in which the sewer district is located. [1953 c 250 § 19; 1941 c 210 § 29; Rem. Supp. 1941 § 9425-38.]

56.20.050 Hearing on protests—Order. At such hearing on a protest to an assessment, or any adjournment thereof, the sewer commissioners shall have power to correct, revise, raise, lower, change or modify such roll, or any part thereof, and to set aside such roll, and order that such assessment be made de novo, as to such body shall appear equitable and just and may then by resolution approve the same. In the event of any assessment being raised a new notice similar to such first notice shall be given, after which final approval of such roll may be made by the sewer commissioners. Whenever any property shall have been entered originally upon such roll and the assessment upon any such property shall not be raised, no objection thereto shall be considered by the sewer commissioners or by any court on appeal unless such objection be made in writing at, or prior to, the date fixed for the original hearing.
56.20.050 Title 56 RCW: Sewer Districts

Upon such roll. [1941 c 210 § 30; Rem. Supp. 1941 § 9425-39.]

56.20.060 Enlarged local district may be formed. In the event that any portion of the system after its installation in such utility local improvement district is not adequate for the purpose for which it was intended, or that for any reason changes, alterations or betterments are necessary in any portion of the system after its installation, then such district, with boundaries which may include one or more existing utility local improvement districts, may be created in the sewer district in the same manner as is provided herein for the creation of utility local improvement districts. Upon the organization of such a utility local improvement district as provided for in this section the plan of the improvement and the payment of the cost of the improvement shall be carried out in the same manner as is provided herein for the carrying out of and the paying for the improvement in the utility local improvement districts previously provided for in this title. [1941 c 210 § 31; Rem. Supp. 1941 § 9425-40.]

56.20.070 Conclusiveness of roll when approved—Exceptions. Whenever any assessment roll for local improvements shall have been confirmed by the sewer commission of such sewer district as herein provided, the regularity, validity and correctness of the proceedings relating to such improvement, and to the assessment therefor, including the action of the sewer commission upon such assessment roll and the confirmation thereof, shall be conclusive in all things upon all parties, and cannot in any manner be contested or questioned in any proceeding whatsoever by any person not filing written objections to such roll in the manner and within the time provided in this title, and not appealing from the action of the sewer commission in confirming such assessment roll in the manner and within the time in this title provided. No proceedings of any kind shall be commenced or prosecuted for the purpose of defeating or contesting any such assessment, or the sale of any property to pay such assessment, or any certificate of delinquency issued therefor, or the foreclosure of any lien issued therefor.

This section shall not be construed as prohibiting the bringing of injunction proceedings to prevent the sale of any real estate upon the grounds:

(1) That the property about to be sold does not appear upon the assessment roll, or
(2) That said assessment has been paid.

This section also shall not prohibit the correction of clerical errors and errors in the computation of assessments in assessment rolls by the following procedure:

(1) The board of sewer commissioners may file a petition with the superior court of the county wherein the real property is located, asking that the court enter an order correcting such errors and directing that the county treasurer pay a portion or all of the incorrect assessment by the transfer of funds from the district’s maintenance fund, if such relief be necessary.

(2) Upon the filing of the petition, the court shall set a date for hearing and upon the hearing may enter an order as provided in subsection (1) of this paragraph: PROVIDED, That neither the correcting order or the corrected assessment roll shall result in an increased assessment to the property owner. [1971 ex.s. c 272 § 10; 1969 c 126 § 1; 1941 c 210 § 33; Rem. Supp. 1941 § 9425-42.]

56.20.080 Review. The decision of the sewer commission upon any objections made within the time and in the manner herein prescribed, may be reviewed by the superior court upon an appeal thereto taken in the following manner. Such appeal shall be made by filing written notice of appeal with the secretary of said sewer commission and with the clerk of the superior court in the county in which the real property is situated within ten days after publication of a notice that the resolution confirming such assessment roll has been adopted, and such notice of appeal shall describe the property and set forth the objections of such appellant to such assessment. Within ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of said court, a transcript consisting of the assessment roll and his or her objections thereto, together with the resolution confirming such assessment roll and the record of the sewer district commission with reference to said assessment, which transcript, upon payment of the necessary fees therefor, shall be furnished by such secretary of said sewer commission and by him or her certified to contain full, true and correct copies of all matters and proceedings required to be included in such transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions. At the time of the filing of the notice of appeal with the clerk of the superior court a sufficient bond in the penal sum of two hundred dollars, with sureties thereon as provided by law for appeals in civil cases, shall be filed conditioned to prosecute such appeal without delay, and if unsuccessful, to pay all costs to which the sewer district is put by reason of such appeal. The court may order the appellant upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require. Within three days after such transcript is filed in the superior court, as aforesaid, the appellant shall give written notice to the secretary of such sewer district, that such transcript is filed. Said notice shall state a time, not less than three days from the service thereof, when the appellant will call up the said cause for hearing. The superior court shall, at said time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury, and such cause shall have preference over all civil causes pending in said court, except proceedings under an act relating to eminent domain in such sewer district and actions of forcible entry and detainer. The judgment of the court shall confirm, unless the court shall find from the evidence that such assessment is either founded upon a fundamentally wrong basis or a decision of the council or other legislative body thereon was arbitrary or capricious, or both; in which event the judgment of the court shall correct, modify or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer who shall have the custody of the assessment roll, and he or she shall modify and correct such assessment roll in accor-
dance with such decision. An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases, however, such appeal must be taken within fifteen days after the date of the entry of the judgment of such superior court, and the record and opening brief of the appellant in said cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal shall have been taken by notice as provided in this title. The time for filing such record and serving and filing of briefs in this section prescribed may be extended by order of the superior court, or by stipulation of the parties concerned. The supreme court or the court of appeals on such appeal may correct, change, modify, confirm or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such assessment roll, who shall thereupon modify and correct such assessment roll in accordance with such decision. [1991 c 190 § 4; 1971 ex.s. c 272 § 11; 1971 c 81 § 125; 1965 ex.s. c 40 § 2, 1941 c 210 § 32; Rem. Supp. 1941 § 9425-41.]

### 56.20.090 Segregation of special assessment—Fees—Costs

Whenever any land against which there has been levied any special assessment by any sewer district shall have been sold in part or subdivided, the board of sewer commissioners of such district shall have the power to order a segregation of the assessment.

Any person desiring to have such a special assessment against a tract of land segregated to apply to smaller parts thereof shall apply to the board of commissioners of the sewer district which levied the assessment. If the sewer commissioners determine that a segregation should be made, they shall by resolution order the county treasurer to make segregation on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the county treasurer who shall proceed to make the segregation ordered upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the board of sewer commissioners may require as a condition to the order of segregation that the person seeking it pay the district the reasonable engineering and clerical costs incident to making the segregation. [1953 c 250 § 20.]

Judgments foreclosing special assessments pursuant to RCW 35.50.260 may also allow to sewer districts, in addition to delinquent installments, interest, penalties, and costs, such attorneys’ fees as the court may find reasonable. [1987 c 449 § 7.]

**CONTRACTS FOR SEWER EXTENSIONS**

**Sections**
- 56.22.010 Contracts—Conditions.
- 56.22.020 Reimbursement to owner.
- 56.22.030 Scope of reimbursement.
- 56.22.040 Reimbursement—Procedures.

### 56.22.010 Contracts—Conditions

If the sewer district approves an extension to the sewer system, the district shall contract with owners of real estate located within the district boundaries, at an owner's request, for the purpose of permitting extensions to the district's sewer system to be constructed by such owner at such owner's sole cost where such extensions are required as a prerequisite to further property development. The contract shall contain such conditions as the district may require pursuant to the district's adopted policies and standards. The district shall request comprehensive plan approval for such extension, if required, and connection of the extension to the district system is conditioned upon:

1. Construction of such extension according to plans and specifications approved by the district;
2. Inspection and approval of such extension by the district;
3. Transfer to the district of such extension without cost to the district upon acceptance by the district of such extension;
4. Payment of all required connection charges to the district;
5. Full compliance with the owner's obligations under such contract and with the district's rules and regulations;
6. Provision of sufficient security to the district to ensure completion of the extension and other performance under the contract;
7. Payment by the owner to the district of all of the district's costs associated with such extension including, but not limited to, the district's engineering, legal, and administrative costs; and
8. Verification and approval of all contracts and costs related to such extension. [1989 c 389 § 4.]

### 56.22.020 Reimbursement to owner

The contract shall also provide, subject to the terms and conditions in this section, for the reimbursement to the owner or the owner's assigns for a period not to exceed fifteen years of a portion of the costs of the sewer facilities constructed pursuant to such contract from connection charges received by the
district from other property owners who subsequently
connect to or use the sewer facilities within the fifteen-year
period and who did not contribute to the original cost of
such sewer facilities. [1989 c 389 § 5.]

56.22.030 Scope of reimbursement. The reimburse­
ment shall be a pro rata share of construction and contract
administration costs of the sewer project. Reimbursement
for sewer projects shall include, but not be limited to,
design, engineering, installation, and restoration. [1989 c
389 § 6.]

56.22.040 Reimbursement—Procedures. The
procedures for reimbursement contracts shall be governed by
the following:

(1) A reimbursement area shall be formulated by the
board of commissioners within a reasonable time after the
acceptance of the extension. The reimbursement shall be
based upon a determination by the board of commissioners
of which parcels would require similar sewer improvements
upon development.

(2) The contract must be recorded in the appropriate
county auditor’s office after the final execution of the
agreement. [1989 c 389 § 7.]

56.22.050 District participation in financing project.
As an alternative to financing projects under this chapter
solely by owners of real estate, sewer districts may join in
the financing of improvement projects and may be reim­
bursted in the same manner as the owners of real estate who
participate in the projects, if the board of commissioners has
specified the conditions of its participation in a resolution.

general municipal election may file a petition with the
district commissioners and cause the question to be submit­

annexed and become a part of the district. If the commis­

county auditor, who shall, within ten days, examine the
signatures thereon and certify to the sufficiency or insuffi­

have access to all registration books in the possession of the
officers of any city or town in the proposed district. If the
petition contains a sufficient number of signatures, the
county auditor shall transmit it, together with a certificate of
sufficiency attached thereto to the sewer commissioners of
the district. If there are no registered voters residing in the
territory to be annexed, the petition may be signed by such
a number as appear of record to own at least a majority of

total number of acres of land in the territory and the names
of all record owners of land therein. If the commissioners
are satisfied as to the sufficiency of the petition and concur
therein, they shall send it, together with their certificate of
concurrence attached thereto to the county legislative
authority.

The county legislative authority, upon receipt of a
petition certified to contain a sufficient number of signatures
of registered voters, or upon receipt of a petition signed by
such a number as own at least a majority of the acreage,
together with a certificate of concurrence signed by the
sewer commissioners, at a regular or special meeting shall
cause to be published once a week for at least two weeks in
a newspaper in general circulation throughout the territory
proposed to be annexed a notice that the petition has been
filed, stating the time of the meeting at which it shall be
presented, and setting forth the boundaries of the territory
proposed to be annexed. [1990 c 259 § 25; 1989 c 308 § 3;
1988 c 162 § 13; 1985 c 469 § 56; 1982 1st ex.s. c 17 § 3;
1967 ex.s. c 11 § 1.]
month in all, and any person, firm or corporation may appear before the county legislative authority and make objections to the proposed boundary lines or to the annexation of the territory described in the petition; and upon a final hearing the county legislative authority shall make such changes in the proposed boundary lines as it deems to be proper and shall establish and define the boundaries and shall find whether the proposed annexation of the territory as established by the county legislative authority to the sewer district will be conducive to the public health, welfare and convenience and will be of special benefit to the land included within the boundaries of the territory proposed to be annexed to the sewer district and so established by the county legislative authority: PROVIDED, That no lands which will not, in the judgment of the county legislative authority, be benefited by inclusion therein, shall be included within the boundaries of the territory as so established and defined: PROVIDED FURTHER, That no change shall be made by the county legislative authority in the boundary lines, including any territory outside of the boundary lines described in the petition: AND PROVIDED FURTHER, That no person having signed the petition as herein provided for shall be allowed to withdraw his or her name therefrom after the filing of the same with the board of sewer commissioners of the sewer district.

Upon the entry of the findings of the final hearing to the petition by the county legislative authority, if it finds the proposed annexation of the territory to the sewer district to be conducive to the public health, welfare and convenience and to be of special benefit to the land proposed to be annexed and included within the boundaries of the district, it shall give notice of a special election to be held within the boundaries of the territory proposed to be annexed to the sewer district for the purpose of determining whether the same shall be annexed to the sewer district; and the notice shall particularly describe the boundaries established by the county legislative authority on its final hearing of the petition, and shall state the name of the sewer district to which the territory is proposed to be annexed, and the same shall be published once a week for at least two weeks prior to the election in a newspaper of general circulation within the county within which the district is located, and shall be posted for the same period in at least four public places within the boundaries of the district proposed to be annexed, which notice shall designate the places within the territory proposed to be annexed to the sewer district where the said election shall be held, and shall require the voters to cast ballots which shall contain the words:

For Annexation to Sewer District

or

Against Annexation to Sewer District

The county legislative authority shall name the persons to act as judges at such election. [1985 c 469 § 57; 1967 ex.s. c 11 § 2.]

56.24.090  Election—Qualification of voters. The said election shall be held on the date designated in such notice and shall be conducted in accordance with the general election laws of the state. In the event the original petition for annexation is signed by qualified electors then only qualified electors, at the date of election, residing in the territory proposed to be annexed, shall be permitted to vote at the said election. In the event the original petition for annexation is signed by property owners as provided for in this chapter then no person shall be entitled to vote at such election unless at the time of the filing of the original petition he owned the land in the district of record and in addition thereto at the date of election shall be a qualified elector of the county in which such district is located. It shall be the duty of the county auditor, upon request of the county commissioners, to certify to the election officers of any such election, the names of all persons owning land in the district at the date of filing of the original petition as shown by the records of his office; and at any such election the election officers may require any such landowner offering to vote to take an oath that he is a qualified elector of the county before he shall be allowed to vote: PROVIDED, That at any election held under the provisions of this chapter an officer or agent of any corporation having its principal place of business in said county and owning land at the date of filing the original petition in the district duly authorized thereto in writing may cast a vote on behalf of such corporation. When so voting he shall file with the election officers such a written instrument of his authority. The judge or judges at such election shall make return thereof to the board of sewer commissioners, who shall canvass such return and cause a statement of the result of such election to be entered on the record of such commissioners. If the majority of the votes cast upon the question of such election shall be for annexation, then such territory shall immediately be and become annexed to such sewer district and the same shall then forthwith be a part of the said sewer district, the same as though originally included in such district. [1967 ex.s. c 11 § 3.]

56.24.100  Conduct, expense of election. All elections held pursuant to this chapter, whether general or special, shall be conducted by the county election board of the county in which the district is located.

The expense of all such elections shall be paid for out of the funds of such sewer district. [1967 ex.s. c 11 § 4.]

56.24.110  Petition method is alternative to election method. The method of annexation provided for in RCW 56.24.120 through 56.24.150 shall be an alternative method to that specified in RCW 56.24.070 through 56.24.100. [1967 ex.s. c 11 § 5.]

56.24.120  Petition method—Petition—Signers—Content—Certain public properties excluded from local improvement districts. It must be signed by the owners, according to the records of the county auditor, of not less than sixty percent of the area of land for which annexation is petitioned, excluding county and state rights of way, parks, tidelands, lakes, retention ponds, and stream and water courses. Additionally, the petition shall set forth a description of the property according to government legal subdivisions or legal plats, and shall be accompanied
by a plat which outlines the boundaries of the property sought to be annexed. Such county and state properties shall be excluded from local improvement districts or utility local improvement districts in the annexed area and from special assessments, rates, or charges of the district except where service has been regulated and provided to such properties. The owners of such property shall be invited to be included within local improvement districts or utility local improvement districts at the time they are proposed for formation. [1985 c 141 § 4; 1967 ex.s. c 11 § 6.]

56.24.130 Petition method—Hearing—Notice. If the petition for annexation filed with the board of commissioners complies with the requirements of law, as proved to the satisfaction of the board of commissioners, it may entertain the petition, fix the date for public hearing thereon, and cause notice of the hearing to be published in one issue of a newspaper of general circulation in the area proposed to be annexed and also posted in three public places within the area proposed for annexation. The notice shall specify the time and place of hearing and invite interested persons to appear and voice approval or disapproval of the annexation. The expense of publication and posting of the notice shall be borne by the signers of the petition. [1967 ex.s. c 11 § 7.]

56.24.140 Petition method—Resolution—Filing. Following the hearing the board of commissioners shall determine by resolution whether annexation shall be made. It may annex all or any portion of the proposed area but may not include in the annexation any property not described in the petition. Upon passage of the resolution a certified copy shall be filed with the board of county commissioners of the county in which the annexed property is located. [1967 ex.s. c 11 § 8.]

56.24.150 Petition method—Effective date of annexation—Prior indebtedness. Upon the date fixed in the resolution the area annexed shall become a part of the district. No property within the limits of the territory so annexed shall ever be taxed or assessed to pay any portion of the indebtedness of the district to which it is annexed contracted prior to or existing at the date of annexation; nor shall any such property be released from any taxes or assessments levied against it or from liability for payment of outstanding bonds or warrants issued prior to such annexation. [1967 ex.s. c 11 § 9.]

The resolution shall describe the boundaries of the area to be annexed, state the number of voters residing therein as nearly as may be, and set a date for a public hearing on such resolution for annexation. Notice of the hearing shall be given by publication of the resolution at least once a week for two weeks prior to the date of the hearing, in one or more newspapers of general circulation within the sewer district and one or more newspapers of general circulation within the area to be annexed. [1982 c 146 § 1.]

56.24.190 Annexation of certain unincorporated territory—Opportunity to be heard—Effective date of annexation resolution—Notice—Referendum. On the date set for hearing under RCW 56.24.180, residents or property owners of the area included in the resolution for annexation shall be afforded an opportunity to be heard. The board of commissioners may provide by resolution for annexation of the territory described in the resolution, but the effective date of the resolution shall be not less than forty-five days after the passage thereof. The board of commissioners shall cause notice of the proposed effective date of the annexation, together with a description of the property to be annexed, to be published at least once each week for two weeks subsequent to passage of the resolution, in one or more newspapers of general circulation within the sewer district and in one or more newspapers of general circulation within the area to be annexed. Upon the filing of a timely and sufficient referendum petition under RCW 56.24.200, a referendum election shall be held under RCW 56.24.200, and the annexation shall be deemed approved by the voters unless a majority of the votes cast on the proposition are in opposition thereto. After the expiration of the forty-fifth day from, but excluding the date of passage of the annexation resolution, if no timely and sufficient referendum petition has been filed, under RCW 56.24.200, the area annexed shall become a part of the sewer district upon the date fixed in the resolution of annexation. [1982 c 146 § 2.]

Upon the filing of a timely and sufficient referendum petition with the board of commissioners, signed by registered voters in number equal to not less than ten percent of the registered voters in the area to be annexed who voted in the last general municipal election, the question of annexation shall be submitted to the voters of such area in a general election if one is to be held within ninety days or at a special election called for that purpose by the board of commissioners in accordance with RCW 29.13.010 and 29.13.020. Notice of such election shall be given under RCW 56.24.080 and the election shall be conducted under RCW 56.24.090. The annexation shall be deemed approved by the voters unless a majority of the votes cast on the proposition are in opposition thereto.

After the expiration of the forty-fifth day from but excluding the date of passage of the annexation resolution, if no timely and sufficient referendum petition has been filed, the area annexed shall become a part of the sewer district upon the date fixed in the resolution of annexation upon transmitting the resolution to the county legislative authority. [1990 c 259 § 26; 1982 c 146 § 3.]
56.24.205  Annexation of certain unincorporated territory with boundaries contiguous to two districts—Procedure. When there is unincorporated territory containing less than one hundred acres and having at least eighty percent of the boundaries of such area contiguous to two sewer districts or contiguous to a sewer district and a water district, the board of commissioners of one of the districts may resolve to annex such territory to that district, provided a majority of the board of commissioners of the other sewer or water district concurs. The district resolving to annex such territory may proceed to effect the annexation by complying with RCW 56.24.180 through 56.24.200. [1987 c 449 § 8.]

56.24.210  Expenditure of funds to provide certain information authorized—Limits. Sewer districts may expend funds to inform residents in areas proposed for annexation into the district of the following:

The provisions of RCW 57.28.110 shall apply to territory withdrawn from a sewer district. [1953 c 250 § 27.]

56.28.020  Alternative procedure—Resolution. (1992 Ed.)
56.32.010 Consolidation authorized—Methods. Two or more sewer districts may be joined into one consolidated sewer district. The consolidation may be initiated in either of the following ways: Ten percent of the legal electors residing within each of the sewer districts proposed to be consolidated may petition the board of sewer commissioners of each of their respective sewer districts to cause the question to be submitted to the legal electors of the sewer districts proposed to be consolidated; or, the boards of sewer commissioners of each of the sewer districts proposed to be consolidated may by resolution determine that the consolidation of such districts shall be conducive to the public health, welfare, and convenience and to be of special benefit to the lands of such districts. [1989 c 308 § 9; 1975 1st ex.s. c 86 § 1; 1967 c 197 § 2.]

56.32.020 Petition method—Signers—Filing—Certificate of sufficiency. If consolidation proceedings are initiated by petition, upon the filing of such petitions with the boards of sewer commissioners of the sewer districts, the boards of sewer commissioners of all of the districts shall file such petitions with the county auditor of each county in which any of the affected districts is located, who shall within ten days examine the signatures thereon and certify to the sufficiency or insufficiency thereof. If all of the petitions shall be found to contain a sufficient number of signatures, the respective county auditor shall transmit them, together with his certificate of sufficiency attached thereto, to the boards of sewer commissioners of each of the districts proposed for consolidation. In the event that there are no legal electors residing in one or more of the sewer districts proposed to be consolidated, the petitions may be signed by such a number as appear of record to own at least a majority of the acreage in the pertinent sewer district, and the petitions shall disclose the total number of acres of land in the sewer district and shall also contain the names of all record owners of land therein. [1975 1st ex.s. c 86 § 2; 1967 c 197 § 3.]

56.32.030 Agreements by consolidating districts—Contents—Comprehensive plan. Upon the receipt of each county auditor’s certificate of sufficiency of the petitions by the boards of sewer commissioners of the districts proposed for consolidation, hereinafter referred to as the “consolidating districts”, or upon adoption by the boards of sewer commissioners of the consolidating districts of their resolutions for consolidation, the boards of the consolidating districts shall, within ninety days, enter into an agreement providing for consolidation.

The agreement shall set forth the method and manner of consolidation, a comprehensive plan or scheme of sewer supply for the consolidated district and, if such comprehensive plan or scheme of sewer supply provides that one or more of the consolidating districts or the proposed consolidated district issue revenue bonds for the construction and/or other costs of any part or all of the comprehensive plan, then the details thereof shall be set forth.

The requirement that a comprehensive plan or scheme of sewer supply for the consolidated district be set forth in the agreement for consolidation shall be satisfied if the existing comprehensive plans or schemes of the consolidating districts are incorporated therein by reference and any changes or additions thereto are set forth in detail. [1975 1st ex.s. c 86 § 3; 1967 c 197 § 4.]

56.32.040 Election—Proposition—Notice. The respective boards of sewer commissioners of the consolidating districts shall certify such agreement to the county auditors of the counties in which the districts are located. Thereupon, the county auditor of the county in which the largest amount of territory of the proposed consolidated sewer is located shall call a special election for the purpose of submitting to the voters of each of the consolidating districts the proposition of whether or not the several districts shall be consolidated into one sewer district. The proposition shall give the title of the proposed consolidated district. Notice of the election shall be given and the election conducted in accordance with the general election laws. [1975 1st ex.s. c 86 § 4; 1967 c 197 § 5.]

56.32.050 Consolidation effected—Rights and powers of new district. If at the election a majority of the voters in each of the consolidating districts shall vote in favor of the consolidation, the county canvassing board of the county the auditor of which conducted the election shall so declare in its canvass and the return of the election shall be made within ten days after the date thereof. Upon the return the consolidation shall be effective and the consolidating districts shall cease to exist and shall then be and become a new sewer district and municipal corporation of the state of Washington.

The name of such new sewer district shall be ".....(name). ..... Sewer District of . ..... County", which shall be the name appearing on the ballot.

The district shall have all and every power, right and privilege possessed by other sewer districts of the state of Washington. The district may issue revenue bonds to pay for the construction of any additions and betterments set forth in the comprehensive scheme and plan of sewer supply contained in the agreement for consolidation and any future additions and betterments to the comprehensive scheme and plan of sewer supply, as its board of sewer commissioners shall by resolution adopt, without submitting a proposition therefor to the voters of the district. [1975 1st ex.s. c 86 § 5; 1967 c 197 § 6.]

56.32.060 Vesting of funds and property in consolidated district—Outstanding indebtedness. Upon the formation of any consolidated sewer district, all funds, rights and property, real and personal, of the former districts, shall vest in and become the property of the consolidated district. Unless the agreement for consolidation provides to the contrary, any outstanding indebtedness of any form, owed by the districts, shall remain the obligation of the area of the original debtor district and the sewer commissioners of the consolidated sewer district shall make such levies, assessments, or charges for service upon that area or the sewer users therein as shall pay off the indebtedness at maturity. [1967 c 197 § 7.]

56.32.070 Sewer commissioners—Number. The sewer commissioners of all sewer districts consolidated into
any new consolidated sewer district shall become sewer commissioners thereof until their respective terms of office expire. At each election of sewer commissioners following the consolidation, only one position shall be filled, so that as the terms of office expire the total number of sewer commissioners in the consolidated sewer district shall be reduced to three. [1985 c 141 § 5; 1967 c 197 § 8.]

56.32.080 Merger of districts authorized. Whenever two sewer districts desire to merge, either district hereinafter referred to as the "merging district", may merge into the other districts, hereinafter referred to as the "merger district", and the merger district will survive under its original name or number. [1989 c 308 § 10; 1975 1st ex.s. c 86 § 6; 1967 c 197 § 9.]

56.32.090 Initiation of merger—Methods. A merger of two sewer districts may be initiated in any of the following ways:

(1) Whenever the boards of sewer commissioners of both such districts determine by resolution that the merger of such districts shall be conducive to the public health, welfare and convenience and to be of special benefit to the lands of such districts.

(2) Whenever ten percent of the legal electors residing within the merging district petition the board of sewer commissioners of the merging sewer district for a merger, and the board of sewer commissioners of the merger district determines by resolution that the merger of the districts shall be conducive to the public health, welfare and convenience of the two districts.

(3) Whenever the boards determine that the merger of the districts shall be conducive to the public health, welfare and convenience and to be of special benefit to the lands of the districts, they shall enter into an agreement providing for the merger. [1967 c 197 § 10.]

56.32.100 Election on merging of districts. The respective boards of sewer commissioners of the districts shall certify the agreement to the county auditor of the county in which the largest amount of territory of the merging district is located. Thereupon, the county auditor shall call a special election for the purpose of submitting to the voters of the merging district the proposition of whether the merging district shall be merged into the merger district. Notice of the election shall be given and the election conducted in accordance with the general election laws. [1975 1st ex.s. c 86 § 7; 1967 c 197 § 11.]

56.32.110 Return of election—When merger effective—Cessation of merging district. If at the election a majority of the voters of the merging sewer district shall vote in favor of the merger, the county canvassing board of the county the auditor of which conducted the election shall so declare in its canvass and the return of the election shall be made within ten days after the date thereof. Upon the return the merger shall be effective and the merging sewer district shall cease to exist and shall become a part of the merger sewer district. The sewer commissioners of the merging district shall cease to hold office and the affairs of the merged districts shall be managed by the sewer commissioners of the merger district. [1975 1st ex.s. c 86 § 8; 1967 c 197 § 12.]

56.32.115 County auditor defined. For the purposes of this chapter, county auditor of a county shall mean the election officer of that county. [1975 1st ex.s. c 86 § 9.]

56.32.120 Vesting of funds and property in merger district—Outstanding indebtedness. All funds, rights and property, real and personal, of the merging district, shall vest in and become the property of the merger district. Unless the agreement of merger provides to the contrary, any outstanding indebtedness of any form, owed by the district shall remain the obligation of the area of the original debtor district and the sewer commissioners of the merger sewer district shall make such levies, assessments, or charges for service upon that area or the sewer users therein as shall pay off the indebtedness at maturity. [1967 c 197 § 13.]

56.32.150 Sewer district activities to be approved—Criteria for approval by county legislative authority. See RCW 56.02.060 and 56.02.070.

56.32.160 Transfer of part of district—Procedure. A part of one sewer or water district may be transferred into an adjacent sewer district if the area can be better served thereby. Such transfer can be accomplished by a petition, directed to both districts, signed by the owners according to the records of the county auditor of not less than sixty percent of the area of land to be transferred. If a majority of the commissioners of each district approves the petition, copies of the approving resolutions shall be filed with the county legislative authority which shall act upon the petition as a proposed action in accordance with RCW 56.02.060. [1987 c 449 § 9.]

56.36.020 Initiation of merger—Resolution—Petition. A merger of one or more water districts into a sewer district may be initiated in any one of the following ways:

1. Whenever the board of commissioners of the sewer district, on the one hand, and the board of commissioners of the water district or of the respective water districts seeking to merge into the sewer district, on the other hand, each determine by resolution that the merger of such water district or water districts into the sewer district shall be conducive to the public health, welfare and convenience and to be of special benefit to the lands of such district so desiring to merge.

2. Whenever ten percent of the qualified electors residing within each of the sewer districts and the water district or districts involved petition the board of commissioners of their respective districts for a merger of such district into the sewer district.

3. Whenever ten percent of the qualified electors residing within the sewer district petition the board of sewer commissioners for a merger of such district into the sewer district.

A merger of one or more water districts into a sewer district, for which the person or persons filing the petition for such merger shall be merged shall review the proposed merger under the provisions of RCW 36.93.150 through 36.93.180.

The respective boards of sewer and water commissioners of such districts shall certify such agreement to the county auditor of the county in which the districts are located within twenty days from date of execution of such agreement, with a certified copy thereof filed with the clerk of the board of county commissioners of such county. Thereupon, unless the boundary review board has disapproved the proposed merger, the county auditor shall call a special election for the purpose of submitting to the voters of the water district or of each of the two or more water districts involved the proposition of whether the water district shall be merged into the sewer district. Notice of the election shall be given, and the election conducted, in accordance with the general election laws. [1971 ex.s. c 146 § 7; 1969 ex.s. c 148 § 3.]

Severability—1969 ex.s. c 148: See note following RCW 56.36.010.

56.36.040 Election—Results—Effect—Commissioners—Terms. If at such election a majority of the voters in the water district or all or either of the water districts involved, shall vote in favor of the merger, the county election canvassing board shall so declare in its canvass, and the return of the election shall be made within ten days after the date of such election. Upon completion of the return the merger shall be effective as to the sewer district and each water district in which the majority of voters voted in favor of the merger, and each such water district shall cease to exist as a separate entity and the area within such water district shall become a part of the sewer district. The water commissioners of any water district so merged shall hold office as commissioners of the sewer district into which the water district was merged until their respective terms of office expire or until they resign from office if the resignation is before the expiration of their terms of office. At the district election immediately preceding the time when the total number of remaining sewer commissioners is reduced to two through expiration of terms of office or resignations, one sewer commissioner shall be elected for a four year term of office. At the next district election, one sewer commissioner shall be elected for a four year term of office, and one shall be elected for a six year term of office. Thereafter, each sewer commissioner shall be elected for a six-year term of office in the manner provided in RCW 56.12.020 and 56.12.030 for elections in an existing district. [1982 c 104 § 1; 1981 c 45 § 6; 1969 ex.s. c 148 § 4.]

Severability—1969 ex.s. c 148: See note following RCW 56.36.010.

56.36.045 Persons serving on both boards to hold only one position after merger. A person who serves on the board of commissioners of a water district that merges under this chapter into a sewer district, for which the person also serves on the board of commissioners, shall only hold one position on the board of commissioners of the district that results from the merger and shall only receive compensation, expenses, and benefits that are available to a single commissioner. [1988 c 162 § 3.]
56.36.050 Disposition of funds, rights and property—Indebtedness of merged water districts. All funds, rights and property, real and personal, of any water district merging into a sewer district shall vest in and become the property of the sewer district. Unless the agreement of merger provides to the contrary, any outstanding indebtedness of any form, owed by the water district, shall remain the obligation of and, as applicable, a lien upon the land, assets and/or revenue of the original district. The board of commissioners of the sewer district shall make such levies, assessments or charges upon said land or the water or sewer users therein as are necessary to pay any indebtednesses of the merged water districts as and when the same mature. [1969 ex.s. c 148 § 5.]

Severability—1969 ex.s. c 148: See note following RCW 56.36.010.

56.36.060 Powers of sewer district. Following merger, the sewer district and the board of commissioners thereof shall have all powers granted sewer districts by RCW 56.08.060 and 56.20.015 and shall have all other powers granted sewer districts by Title 56 RCW in any area within its boundaries which is not part of another existing district duly authorized to exercise sewer district powers in such area and shall have all powers granted water districts by RCW 57.08.045 and 57.08.065 and shall have all other powers granted water districts by Title 57 RCW in any area within its boundaries which is not part of another existing district duly authorized to exercise water district powers in such area. The sewer district shall have the power to issue revenue bonds to which are pledged water revenue, sewer revenue, or both water and sewer revenue, as well as the power to levy assessments against property specially benefited in local improvement districts or utility local improvement districts, for improvements to the water system or the sewer system or both. [1981 c 45 § 7; 1969 ex.s. c 148 § 6.]

Legislative declaration—"District" defined—1981 c 45: "It is declared to be the public policy of the state of Washington to provide for the orderly growth and development of those areas of the state requiring public water service or sewer service and to secure the health and welfare of the people residing therein. The growth of urban population and the movement of people into suburban areas has required the performance of such services by water districts and sewer districts and the development of such districts has created problems of conflicting jurisdiction and potential double taxation.

It is the purpose of this act to reduce the duplication of service and the conflict among jurisdictions by establishing the principle that the first in time is the first in right where districts overlap and by encouraging the consolidation of districts. It is also the purpose of this act to prevent the imposition of double taxation upon the same property by establishing a general classification of property which will be exempt from property taxation by a district when such property is within the jurisdiction of an established district duly authorized to provide service of like character.

Unless the context clearly requires otherwise, as used in this act, the term "district" means either a water district organized under Title 57 RCW or a sewer district organized under Title 56 RCW or a merged water and sewer district organized pursuant to chapter 57.40 or 56.36 RCW." [1981 c 45 § 1.]

Severability—1981 c 45: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1981 c 45 § 14.]

Severability—1969 ex.s. c 148: See note following RCW 56.36.010.

57.02.040 Water district activities to be approved—Criteria for approval by county legislative authority. Notwithstanding any provision of law to the contrary, no water district shall be formed or reorganized under chapter 57.04 RCW, nor shall any water district annex territory under chapter 57.24 RCW, nor shall any water district withdraw territory under chapter 57.28 RCW, nor shall any water district consolidate under chapter 57.32 RCW, nor shall any water district be merged under chapter 57.36 RCW, nor shall any sewer district be merged into a water district.
under chapter 57.40 RCW, unless such proposed action shall be approved as provided for in RCW 56.02.070.

The county legislative authority shall within thirty days of the date after receiving notice of the proposed action, approve such action or hold a hearing on such action. In addition, a copy of such proposed action shall be mailed to the state department of ecology and to the state department of social and health services.

The county legislative authority shall decide within sixty days of a hearing whether to approve or not approve such proposed action. In approving or not approving the proposed action, the county legislative authority shall consider the following:

1. Whether the proposed action in the area under consideration is in compliance with the development program which is outlined in the county comprehensive plan and its supporting documents; and/or

2. Whether the proposed action in the area under consideration is in compliance with the basinwide water and/or sewage plan as approved by the state department of ecology and the state department of social and health services; and/or

3. Whether the proposed action is in compliance with the policies expressed in the county plan for water and/or sewage facilities.

If the proposed action is inconsistent with subsections (1), (2), or (3) of this section, the county legislative authority shall not approve it. If such action is consistent with all such subsections, the county legislative authority shall approve it unless it finds that utility service in the area under consideration will be most appropriately served by the county itself under the provisions of chapter 36.94 RCW, by a city, town, or municipality, or by another existing special purpose district rather than by the proposed action under consideration. If there has not been adopted for the area under consideration a plan under any one of subsections (1), (2) or (3) of this section, the proposed action shall not be found inconsistent with such subsection.

Where a water district is proposed to be formed, and where no boundary review board has been established, the petition described in RCW 57.04.030 shall serve as the notice of proposed action under this section, and the hearing provided for in RCW 57.04.030 shall serve as the hearing provided for in this section and in RCW 56.02.070. [1988 c 162 § 7; 1971 ex.s.c 139 § 2.]

1988 validation: RCW 57.06.180.

57.02.050 Districts comprising territory in more than one county—Delegation of duties—Exceptions. Whenever the boundaries or proposed boundaries of a water district include or are proposed to include by means of formation, annexation, consolidation, or merger (including merger with a sewer district) territory in more than one county, all duties delegated by Title 57 RCW to officers of the county in which the district is located shall be delegated to the officers of the county in which the largest land area of the district is located, except that elections shall be conducted pursuant to RCW 57.02.060, as now existing or hereafter amended, actions subject to review and approval under RCW 57.02.040 and 56.02.070 shall be reviewed and approved only by the officers or boards in the county in which such actions are proposed to occur, verification of electors’ signatures shall be conducted by the county election officer of the county in which such signatures reside, and comprehensive plan review and approval or rejection by the respective county legislative authorities under RCW 57.16.010 shall be limited to that part of such plans within the respective counties. [1982 1st ex.s.c 17 § 5.]

57.02.060 Elections—Declarations of candidacy. (1) Jurisdiction of any election held on the same date as a general election shall rest with the county election officer of each county in which the district or proposed district is located. Election returns of such elections shall be canvassed by the canvassing board of each county and the official results certified to the county election officer of the county in which the largest land area of the district or proposed district is located. Such county election officer shall then combine the official results from each county into a single official result.

(2) Jurisdiction of any election held on a different date than a general election shall rest with the county election officer of the county in which the largest land area of the district or proposed district is located. Election returns of such elections shall be canvassed by the canvassing board of such county and certified to the county election officer of such county.

(3) Candidates for the office of commissioner shall file declarations of candidacy with the county election officer of the county in which the largest land area of the district is located.

57.04.020 Districts authorized. Water districts for the acquisition, construction, maintenance, operation, development and regulation of a water supply system and providing for additions and betterments thereto are authorized to be established. Such districts may include within their boundaries one or more incorporated cities and towns. [1982 1st exs. c 17 § 9; 1929 c 114 § 1; RRS § 11579. Cf. 1913 c 161 § 1.]

57.04.030 Petition procedure—Hearing—Boundaries. For the purpose of formation of water districts, a petition shall be presented to the county legislative authority of each county in which the proposed water district is located, which petition shall set forth the object for the creation of the district, shall designate the boundaries thereof and set forth the further fact that establishment of the district will be conducive to the public health, convenience and welfare and will be of benefit to the property included in the district. The petition shall specify the proposed property tax levy assessment, if any, which shall not exceed one dollar and twenty-five cents per thousand dollars of assessed value, for general preliminary expenses of the district. The petition shall be signed by at least ten percent of the registered voters who voted in the last general municipal election, who shall be qualified electors on the date of filing the petition, residing within the district described in the petition. The petition shall be filed with the county auditor of each county in which the proposed district is located, who shall, within ten days examine and verify the signatures of the signers residing in the county; and for such purpose the county election official shall have access to all registration books in the possession of the officers of any incorporated city or town in such proposed district. No person having signed such a petition shall be allowed to withdraw his name from the petition after the filing of the petition with the county election officer. The petition shall be transmitted to the election officer of the county in which the largest land area of the district is located who shall certify to the sufficiency or insufficiency of the number of signatures. If the petition shall be found to contain a sufficient number of signatures, the county election officer shall then transmit the same, together with a certificate of sufficiency attached thereto to the county legislative authority of each county in which the proposed district is located. Following receipt of a petition certified to contain a sufficient number of signatures, at a regular or special meeting the county legislative authority shall cause to be published once a week for at least two weeks in one or more newspapers of general circulation in the proposed district, a notice that such a petition has been presented, stating the time of the meeting at which the petition shall be considered, and setting forth the boundaries of the proposed district. When such a petition is presented for hearing, each county legislative authority shall hear the petition or may adjourn the hearing from time to time not exceeding one month in all. Any person, firm, or corporation may appear before the county legislative authority and make objections to the establishment of the district or the proposed boundary lines thereof. Upon a final hearing each county legislative authority shall make such changes in the proposed boundary lines within the county as it deems to be proper and shall establish and define the boundaries and shall find whether the proposed water district will be conducive to the public health, welfare and convenience and be of special benefit to the land included within the boundaries of the proposed district. No lands which will not, in the judgment of the county legislative authority, be benefited by inclusion therein, shall be included within the boundaries of the district. No change shall be made by the county legislative authority in the boundary lines to include any territory outside of the boundaries described in the petition, except that the boundaries of any proposed district may be extended by the county legislative authority to include other lands in the county upon a petition signed by the owners of all of the land within the proposed extension. 57.04.050 Election—Notice—Ballots—Excess tax levy. Upon entry of the findings of the final hearing on the petition if one or more county legislative authorities find that the proposed district will be conducive to the public health, welfare, and convenience and be of special benefit to the land therein, they shall call a special election by presenting a resolution to the county auditor at least forty-five days prior to the proposed election date. A special election will be held on a date decided by the commissioners in accordance with RCW 29.13.010 and 29.13.020. The commissioners shall cause to be published a notice of the election for four successive weeks in a newspaper of general circulation in the proposed district, which notice shall state the hours during which the polls will be open, the boundaries of the district as finally adopted and the object of the election, and the notice shall also be posted for ten days in ten public places in the proposed district. In submitting the proposition to the voters, it shall be expressed on the ballots in the following terms:

Water District.......................... YES □

giving the name of the district as provided in the petition.

At the same election a proposition shall be submitted to the voters, for their approval or rejection, authorizing the water district, if formed, to levy at the earliest time permitted by law on all property located in the district a general tax for one year, in excess of the limitations provided by law, in the amount specified in the petition to create the district, not to exceed one dollar and twenty-five cents per thousand dollars of assessed value, for general preliminary expenses of the district, the proposition to be expressed on the ballots in the following terms:

57.08.010 Right to acquire property and rights—Eminent domain—Leases—Generation of electricity—Rates and charges—Use of property for park or recreational purposes. (1)(a) A water district may acquire by purchase or condemnation, or both, all property and property rights and all water and water rights, both within and without the district, necessary for its purposes.

(b) A water district may lease real or personal property necessary for its purposes for a term of years for which such leased property may reasonably be needed where in the opinion of the board of water commissioners such property may not be needed permanently or substantial savings to the district can be effected thereby.

(c) The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities of the third class, insofar as consistent with the provisions of this title, except that all assessment rolls to be prepared and filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the water district, and the duties devolving upon the city treasurer are hereby imposed upon the county treasurer.

(d) A water district may construct, condemn and purchase, purchase, add to, maintain, and supply waterworks to furnish the district and inhabitants thereof, and any city or town therein and any other persons, both within and without the district, with an ample supply of water for all uses and purposes public and private with full authority to regulate and control the use, content, distribution, and price thereof in such a manner as is not in conflict with general law and may construct, acquire, or own buildings and other necessary district facilities. Where a customer connected to the district's system uses the water on an intermittent or transient basis, a district may charge for providing water service to such a customer, regardless of the amount of water, if any, used by the customer.

(e) A water district contiguous to Canada may contract with a Canadian corporation for the purchase of water and for the construction, purchase, maintenance, and supply of waterworks to furnish the district and inhabitants thereof and residents of Canada with an ample supply of water under terms approved by the board of commissioners. Such waterworks may include facilities which result in combined water supply and electric generation, provided that the electricity generated thereby is a byproduct of the water supply system.

(f) Such electricity may be used by the water district or sold to any entity authorized by law to distribute electricity. Such electricity is a byproduct when the electrical generation is subordinate to the primary purpose of water supply.

(g) For such purposes, a water district may take, condemn and purchase, purchase, acquire, and retain water from any public or navigable lake, river, or watercourse, or any underflowing water and, by means of aqueducts or pipe line conduct the same throughout such water district and any city or town therein and carry it along and upon public highways, roads, and streets, within and without such district.

(h) For the purpose of constructing or laying aqueducts or pipe lines, dams, or waterworks or other necessary structures in storing and retaining water or for any other lawful purpose such water district may occupy the beds and shores up to the high water mark of any such lake, river, or other watercourse, and may acquire by purchase or condemnation such property or property rights or privileges as may be necessary to protect its water supply from pollution.

(i) For the purposes of waterworks which include facilities for the generation of electricity as a byproduct, nothing in this section may be construed to authorize a water district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner.

(2) A water district may purchase and take water from any municipal corporation.

(3) A water district may fix rates and charges for water supplied and may charge property owners seeking to connect to the district's water supply system, as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the board of commissioners shall determine to be proper in order that such property owners shall bear their equitable share of the cost of such system.
(a) For purposes of calculating a connection charge, the board of commissioners shall determine the pro rata share of the cost of existing facilities and facilities planned for construction within the next ten years and contained in an adopted comprehensive plan and other costs borne by the district which are directly attributable to the improvements required by property owners seeking to connect to the system. The cost of existing facilities shall not include those portions of the system which have been donated or which have been paid for by grants.

(b) The connection charge may include interest charges applied from the date of construction of the water system until the connection, or for a period not to exceed ten years, whichever is shorter, at a rate commensurate with the rate of interest applicable to the district at the time of construction or major rehabilitation of the water system, or at the time of installation of the water lines to which the property owner is seeking to connect.

(4)(a) A district may permit payment of the cost of connection and the reasonable connection charge to be paid with interest in installments over a period not exceeding fifteen years. The county treasurer may charge and collect a fee of three dollars for each year for the treasurer's services. Such fees shall be a charge to be included as part of each annual installment, and shall be credited to the county current expense fund by the county treasurer.

(b) Revenues from connection charges excluding permit fees are to be considered payments in aid of construction as defined by department of revenue rule.

(5) A district may operate and maintain a park or recreational facilities on real property that it owns or in which it has an interest that is not immediately necessary for its purposes.

(6) If such park or recreational facilities are operated by a person other than the district, including a corporation, partnership, or other business enterprise, the person shall indemnify and hold harmless the district for any injury or damage caused by the action of the person. [1991 c 82 § 4. Prior: 1989 c 389 § 9; 1989 c 308 § 2; 1988 c 11 § 1; 1987 c 449 § 10; 1985 c 444 § 4; 1959 c 108 § 1; 1929 c 114 § 8; RRS § 11586. Cf. 1913 c 161 § 8.]

Such a contract may be entered into only if the general comprehensive plan of the water district reflects the water system that is to be so managed, operated, maintained, or repaired.

A water district shall be liable to provide the services provided in such a contract only if the required contractual payments are made to the district, and such payments shall be secured by a lien on the property served by the water system to the same extent that rates and charges imposed by the water district constitute liens on the property served by the district. The responsibility for all costs incurred by the water system in complying with water quality laws, regulations, and standards shall be solely that of the water system and not the water district, except to the extent payments have been made to the district for the costs of such compliance.

A water district periodically may transfer to another account surplus moneys that may accumulate in an account established by the district to receive payments for the provision of services for such a water system. [1989 c 308 § 14.]

57.08.012 Fluoridation of water authorized. A water district by a majority vote of its board of commissioners may fluoridate the water supply system of the water district. The commissioners may cause the proposition of fluoridation of the water supply to be submitted to the electors of the water district at any general election or special election to be called for the purpose of voting on the proposition. The proposition must be approved by a majority of the electors voting on the proposition to become effective. [1988 c 11 § 2.]

Other financial assistance available to poor persons shall be considered in determining charges and rates under this section. Notification of special rates or charges established under this section shall be provided to all persons served by the district annually and upon initiating service. Information on cost shifts caused by establishment of the special rates or charges shall be included in the notification. Any reduction in charges and rates granted to poor persons in one part of a service area shall be uniformly extended to poor persons in all other parts of the service area. [1983 c 198 § 2.]

Severability—1983 c 198: See note following RCW 56.08.014.

57.08.015 Sale of unnecessary property authorized—Notice. The board of commissioners of a water district may sell, at public or private sale, property belonging to the district if the board determines that the property is not and will not be needed for district purposes and if the board gives notice of intention to sell as in this section provided: PROVIDED, That no such notice of intention shall be required to sell personal property of less than five hundred dollars in value.

The notice of intention to sell shall be published once a week for three consecutive weeks in a newspaper of general circulation in the district. The last publication shall be at least twenty days but not more than thirty days before the date of sale. The notice shall describe the property and state the time and place at which it will be sold or offered for sale, the terms of sale, whether the property is to be sold at public or private sale, and if at public sale the notice shall...
call for bids, fix the conditions thereof and shall reserve the right to reject any and all bids. [1989 c 308 § 7; 1977 ex.s. c 299 § 2; 1953 c 50 § 1.]

57.08.016 Sale of unnecessary property authorized—Additional requirements for sale of realty. (1) Subject to the provisions of subsection (2) of this section, no real property valued at five hundred dollars or more of the district shall be sold for less than ninety percent of the value thereof as established by a written appraisal made not more than six months prior to the date of sale by three disinterested real estate brokers licensed under the laws of the state or professionally designated real estate appraisers as defined in RCW 74.46.020. The appraisal shall be signed by the appraisers and filed with the secretary of the board of commissioners of the district, who shall keep it at the office of the district open to public inspection. Any notice of intention to sell real property of the district shall recite the appraised value thereof: PROVIDED, That there shall be no private sale of real property where the appraised value exceeds the sum of five hundred dollars.

(2) If no purchasers can be obtained for the property at ninety percent or more of its appraised value after one hundred eighty days of offering the property for sale, the board of commissioners of the water district may adopt a resolution stating that the district has been unable to sell the property at the ninety percent amount. The water district then may sell the property at the highest price it can obtain at public auction. A notice of intention to sell at public auction shall be published once a week for three consecutive weeks in a newspaper of general circulation in the water district. The last publication shall be at least twenty days but not more than thirty days before the date of sale. [1986 c 244 § 16.]

Severability—1986 c 244: See RCW 70.150.905.

That water districts duly organized under the laws of the state of Washington shall have the following powers in addition to those conferred by existing statutes. Whenever any water district shall have installed a distributing system of mains and laterals and as a source of supply of water shall be purchasing or intending to purchase water from any city or town, and whenever it shall appear to be advantageous to the water consumers in said water district that such city or town shall take over the water system of the water district and supply water to the said water users, the commissioners of said water district, upon being authorized as provided in RCW 57.08.030, shall have the right to convey such distributing system to any such city or town: PROVIDED, Such city or town is willing to accept, maintain and repair the same: PROVIDED, FURTHER, That all bonded and other indebtedness of said water district except local improvement district bonds shall have been paid. If at any such election a majority of the electors voting at such election shall be in favor of making such conveyance, the water district commissioners shall have the right to convey to such city or town the mains and laterals belonging to the water district upon such city or town entering into a contract satisfactory to the water commissioners to maintain and repair the same. [1933 c 142 § 2; RRS § 11586-2.]

Whenever a city or town located wholly or in part within a water district shall enter into a contract with the commissioners of a water district providing that the city or town shall take over all of the operation of the facilities of the district located within its boundaries, such area of said water district located within said city or town shall upon the execution of said contract cease to be a part of said water district and the inhabitants therein shall no longer be permitted to vote in said water district. The land, however, within such city or town shall remain liable for the payment of all assessments, any lien upon said property at the time of the execution of said agreement and for any lien of all general obligation bonds due at the date of said contract, and the city shall remain liable for its fair prorated share of the debt of the area for any revenue bonds outstanding as of said date of contract. [1971 ex.s. c 272 § 13.]

sewer district duly authorized to exercise water district powers may provide water services to property owners in areas within or without the limits of the district: PROVIDED, That if such area is located within another existing district duly authorized to exercise water district powers in such area, then water service may not be so provided by contract or otherwise without the consent by resolution of the board of commissioners of such other district. [1981 c 45 § 10; 1959 c 108 § 4; 1953 c 251 § 3.]

(2) All materials purchased and work ordered, the estimated cost of which is in excess of five thousand dollars shall be let by contract. All contract projects, the estimated cost of which is less than fifty thousand dollars, may be awarded to a contractor on the small works roster. The small works roster shall be comprised of all responsible contractors who have requested to be on the list. The board of water commissioners may set up uniform procedures to prequalify contractors for inclusion on the small works roster. The board of water commissioners shall authorize by resolution a procedure for securing telephone and/or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. Such procedure shall require that a good faith effort be made to request quotations from all contractors on the small works roster. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry. The small works roster shall be revised once a year. All contract projects equal to or in excess of fifty thousand dollars shall be let by competitive bidding. Before awarding any such contract the board of water commissioners shall cause a notice to be published in a newspaper in general circulation where the district is located at least once ten days before the letting of such contract, inviting sealed proposals for such work, plans and specifications which must at the time of publication of such notice be on file in the office of the board of water commissioners subject to public inspection. Such notice shall state generally the work to be done and shall call for proposals for doing the same to be submitted and filed with the board of water commissioners on or before the day and hour named therein.

(3) Each bid shall be accompanied by a certified or cashier's check or postal money order payable to the order of the county treasurer for a sum not less than five percent of the amount of the bid, or accompanied by a bid bond in an amount not less than five percent of the bid with a corporate surety licensed to do business in the state, conditioned that the bidder will pay the district as liquidated damages the amount specified in the bond, unless he enters into a contract in accordance with his bid, and no bid shall be considered unless accompanied by such check, cash or bid bond. At the time and place named such bids shall be publicly opened and read and the board of water commissioners shall proceed to canvass the bids and may let such contract to the lowest responsible bidder upon plans and specifications on file or to the best bidder submitting his own plans and specifications: PROVIDED, That no contract shall be let in excess of the cost of said materials or work, or if in the opinion of the board of water commissioners all bids are unsatisfactory they may reject all of them and readvertise and in such case all checks, cash or bid bonds shall be returned to the bidders. If such contract be let, then all checks, cash or bid bonds shall be returned to the bidders, except that of the successful bidder, which shall be retained until a contract shall be entered into for the purchase of such materials or doing such work, and a bond to perform such work furnished with sureties satisfactory to the board of water commissioners in the full amount of the contract price between the bidder and the commission in accordance with the bid. If said bidder fails to enter into said contract in accordance with said bid and furnish such bond within ten days from the date at which he is notified that he is the successful bidder, the said check, cash or bid bonds and the amount thereof shall be forfeited to the water district: PROVIDED, That if the bidder fails to enter into a contract in accordance with his bid, and the board of water commissioners deems it necessary to take legal action to collect on any bid bond required herein, then the water district shall be entitled to collect from said bidder any legal expenses, including reasonable attorneys' fees occasioned thereby.

(4) In the event of an emergency when the public interest or property of the water district would suffer material injury or damage by delay, upon resolution of the board of water commissioners, or proclamation of an official designated by the board to act for the board during such emergencies, declaring the existence of such emergency and reciting the facts constituting the same, the board, or official acting for the board, may waive the requirements of this chapter with reference to any purchase or contract. In addition, these requirements may be waived for purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation. street lighting system and delineating the boundaries of the area to be served by the proposed street lighting system. The board shall conduct a public hearing on the resolution to create a street lighting system. Notice of the hearing shall be published at least once each week for two consecutive weeks in one or more newspapers of general circulation in the area to be served by the proposed street lighting system. Following the hearing, the board may by resolution establish the street lighting system.

(4) The water district has the same powers of collection for delinquent street lighting charges as the water district has for collection of delinquent water service charges.

(5) Any street lighting system established by a water district prior to March 31, 1982, is declared to be legal and valid. [1987 c 449 § 11; 1982 c 105 § 1; 1941 c 68 § 1; Rem. Supp. 1941 § 11604-12.]

In addition to the powers now given water districts by law, they shall also have power to establish, maintain and operate a mutual water and sewer system or a separate sewer system within their water district area in the same manner as provided by law for the doing thereof in connection with water supply systems.

In addition thereto, a water district constructing, maintaining and operating a sanitary sewer system may exercise all the powers permitted to a sewer district under Title 56 RCW, including, but not limited to, the right to compel connections to the district's system, liens for delinquent sewer connection charges or sewer service charges, and all other powers presently exercised by or which may be hereafter granted to such sewer districts: PROVIDED, That a water district may not exercise sewer district powers in any area within its boundaries which is part of an existing district which previously shall have been duly authorized to exercise sewer district powers in such area without the consent by resolution of the board of commissioners of such other district: PROVIDED FURTHER, That no water district shall proceed to exercise the powers herein granted to establish, maintain, construct and operate any sewer system without first obtaining written approval and certification of necessity so to do from the department of ecology and department of social and health services. Any comprehensive plan for a system of sewers or additions thereto or betterment thereof shall be approved by the same county and state officials as are required to approve such plans adopted by a sewer district.

A water district shall have the power to issue general obligation bonds for sewer system purposes: PROVIDED, That a proposition to authorize general obligation bonds payable from excess tax levies for sewer system purposes pursuant to chapter 56.16 RCW shall be submitted to all of the qualified voters within that part of the water district which is not contained within another existing district duly authorized to exercise sewer district powers, and the taxes to pay the principal of and interest on the bonds approved by such voters shall be levied only upon all of the taxable property within such part of the water district. The commissioners shall enforce collection of the water connection charges and rates and charges for water supplied against property owners connecting with the system and/or receiving such water, such charges being deemed charges against the property served, by addition of penalties of not more than ten percent thereof in case of failure to pay the charges at times fixed by resolution. The commissioners may provide by resolution that where either water connection charges or rates and charges for water supplied are delinquent for any specified period of time, the district shall certify the delinquencies to the treasurer of the county in which the real property is located, and the charges and any penalties added thereto and interest thereon at the rate of not more than eight percent per year shall be a lien against the property upon which the service was received, subject only to the lien for general taxes. [1982 1st ex.s. c 17 § 12; 1959 c 108 § 2.]

The court may allow, in addition to the costs and disbursements provided by statute, such an attorney's fee as it adjudges reasonable. The action shall be in rem, and may be brought in the name of the district against an individual, or against all of those who are delinquent in one action, and the laws and rules of the court shall control as in other civil actions.

In addition to the right to foreclose provided in this section, the district may also cut off all or part of the service after charges for water supplied are delinquent for a period of sixty days. [1981 1st ex.s. c 17 § 13; 1977 ex.s. c 299 § 1; 1959 c 108 § 3.]

[1973 c 125 § 7.]

57.08.107 Liability insurance for officers and employees authorized. See RCW 36.16.138.

To improve the organization and operation of water districts, the commissioners of two or more such districts may form an association thereof, for the purpose of securing and disseminating information of value to the members of the association and for the purpose of promoting the more economical and efficient operation of the comprehensive plans of water supply in their respective districts. The commissioners of water districts so associated shall adopt articles of association, select such officers as they may determine, and employ and discharge such agents and employees as shall be deemed convenient to carry out the purposes of the association. Water district commissioners and employees are authorized to attend meetings of the association. The expense of the association may be paid from the maintenance or general funds of the associated districts in such manner as shall be provided in the articles of association: PROVIDED, That the aggregate contributions made to the association by the district in any calendar year shall not exceed the amount which would be raised by a levy of two and one-half cents per thousand dollars of assessed value against the taxable property of the district. A hearing shall be held pursuant to the terms of the said notice, at which time any and all persons who may be interested shall have the right to appear and to be heard.

No such lease shall be for a period longer than twenty-five years, and each lease of real property shall be secured by a bond conditioned to perform the terms of such lease with surety satisfactory to the commissioners, in a penalty not less than the rental for one-sixth of the term: PROVIDED, That the penalty shall not be less than the rental for one year where the term is one year or more. In a lease, the term of which exceeds five years, and when at the option of the commissioners, it is so stipulated in the lease, the commission shall accept, with surety satisfactory to it, a bond conditioned to perform the terms of the lease for some part of the term, in no event less than five years (unless the remainder of the unexpired term is less than five years, in which case for the full remainder) and in every such case the commissioners shall require of the lessee, another or other like bond to be delivered within two years, and not less than one year prior to the expiration of the period covered by the existing bond, covering an additional part of the term in accordance with the foregoing provisions in respect to the original bond, and so on until the end of the term so that there will always be in force a bond securing the performance of the lease, and the penalty in each bond shall be not less than the rental for one-half the period covered thereby, but no bond shall be construed to secure the furnishing of any other bond. However, the board of commissioners may require a reasonable security deposit in lieu of a bond on leased real property owned by a water district.

The commissioners may accept as surety on any bond required by this section, either an approved surety company or one or more persons satisfactory to the commissioners, or in lieu of such bond may accept a deposit as security of such property or collateral or the giving of such other form of security as may be satisfactory to the commissioners. declared by resolution of the board of commissioners to be property for which there is a future need by the district and for the use of which provision is made in the comprehensive plan of the water system of the district as the same may be amended from time to time. [1967 ex.s. c 135 § 2.]

[1987 c 309 § 4.]

Any district is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of structures in financing the acquisition and installation of fixtures, systems, and equipment, for compensation or otherwise, for the conservation or more efficient use of water in the structures under a water conservation plan adopted by the district if the cost per unit of water saved or conserved by the use of the fixtures, systems, and equipment is less than the cost per unit of water supplied by the next least costly new water source available to the district to meet future demand. Except where otherwise authorized, assistance shall be limited to:

(1) Providing an inspection of the structure, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation fixtures, systems, and equipment for which financial assistance will be approved and the estimated life cycle savings to the water system and the consumer that are likely to result from the installation of the fixtures, systems, or equipment;

(2) Providing a list of businesses that sell and install the fixtures, systems, and equipment within or in close proximity to the service area of the city or town, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize the fixtures, systems, and equipment in accordance with the prevailing national standards;

57.08.170 Water conservation plan—Emergency water use restrictions—Fine. A water district may adopt a water conservation plan and emergency water use restrictions by imposing a fine as provided by resolution for failure to comply with any such plan or restrictions. The commissioners may provide by resolution that if a fine for failure to comply with the water conservation plan or emergency water use restrictions is delinquent for a specified period of time, the district shall certify the delinquency to the treasurer of the county in which the real property is located and serve notice of the delinquency on the subscribing water customer who fails to comply, and the fine is then a separate item for inclusion on the bill of the party failing to comply with the water conservation plan or emergency water use restrictions. [1991 c 82 § 7.]

57.12.015 Increase in number of commissioners. In the event a three-member board of commissioners of any water district with any number of customers determines by resolution that it would be in the best interest of the district to increase the number of commissioners from three to five, or in the event the board of a district with any number of customers is presented with a petition signed by ten percent of the registered voters resident within the district who voted in the last general municipal election calling for an increase in the number of commissioners of the district, the board shall submit a resolution to the county auditor requesting that an election be held. If such a petition is received, the board shall submit the resolution and the petition to the county auditor, who shall call a special election in the manner described in this section and in accordance with the provisions of RCW 29.13.010 and 29.13.020.

The two positions created on boards of water commissioners by this section shall be filled initially as for a vacancy, except that the appointees shall draw lots, one appointee to serve until the next general water district election after the appointment, at which the commissioners shall be elected for six-year terms, and the other appointee to serve until the second general water district election after the appointment, at which two commissioners shall be elected for six-year terms. [1991 c 190 § 6; 1990 c 259 § 29; 1987 c 449 § 12.]

57.12.045 Unexcused absences—When position declared vacant—Procedure. If a water commissioner is absent from three consecutive regularly scheduled meetings unless by permission of the board, the office may be declared vacant by the board of commissioners and the vacancy shall then be filled as provided for in this chapter. However, such an action shall not be taken unless the commissioner is notified by mail after two consecutive unexcused absences that the position will be declared vacant if the commissioner is absent without being excused from the next regularly scheduled meeting. 57.16.010 General comprehensive plan of improvements—Approval of engineer, director of health, and city, town, or county—Amendments. The water district commissioners before ordering any improvements hereunder or submitting to vote any proposition for incurring any indebtedness shall adopt a general comprehensive plan of water supply for the district. They shall investigate the several portions and sections of the district for the purpose of determining the present and reasonably foreseeable future needs thereof; shall examine and investigate, determine and select a water supply or water supplies for such district suitable and adequate for present and reasonably foreseeable future needs thereof; and shall consider and determine a general system or plan for acquiring such water supply or water supplies; and the lands, waters and water rights and easements necessary therefor, and for retaining and storing any such waters, erecting dams, reservoirs, aqueducts and pipe lines to convey the same throughout such district.
There may be included as part of the system the installation of fire hydrants at suitable places throughout the district, and the purchase and maintenance of necessary fire fighting equipment and apparatus, together with facilities for housing same. The water district commissioners shall determine a general comprehensive plan for distributing such water throughout such portion of the district as may then reasonably be served by means of subsidiary aqueducts and pipe lines, and the method of distributing the cost and expense thereof against such water district and against local improvement districts or utility local improvement districts within such water district for any lawful purpose, and including any such local improvement district or utility local improvement district lying wholly or partially within the limits of any city or town in such district, and shall determine whether the whole or part of the cost and expenses shall be paid from water revenue bonds. After July 23, 1989, when the district adopts a general comprehensive plan or plans for an area annexed as provided for in RCW 57.16.010, the district shall include a long-term plan for financing the planned projects. The commissioners may employ such engineering and legal service as in their discretion is necessary in carrying out their duties.

The general comprehensive plan shall be adopted by resolution and submitted to an engineer designated by the legislative authority of the county in which fifty-one percent or more of the area of the district is located, and to the director of health of the county in which the district or any portion thereof is located, and must be approved in writing by the engineer and director of health. The general comprehensive plan shall be approved, conditionally approved, or rejected by the director of health within sixty days of the plan’s receipt and by the designated engineer within sixty days of the plan’s receipt. However, this sixty-day time limitation may be extended by the director of health or engineer for up to an additional sixty days if sufficient time is not available to review adequately the general comprehensive plans.

Before becoming effective, the general comprehensive plan shall also be submitted to, and approved by resolution of, the legislative authority of every county within whose boundaries all or a portion of the water district lies. The general comprehensive plan shall be approved, conditionally approved, or rejected by each of these county legislative authorities pursuant to the criteria in RCW 57.02.040 for approving the formation, reorganization, annexation, consolidation, or merger of water districts, and the resolution, ordinance, or motion of the legislative body which rejects the comprehensive plan or a part thereof shall specifically state in what particular the comprehensive plan or part thereof rejected fails to meet these criteria. The general comprehensive plan shall not provide for the extension or location of facilities that are inconsistent with the requirements of RCW 36.70A.110. Nothing in this chapter shall preclude a county from rejecting a proposed plan because it is in conflict with the criteria in RCW 57.02.040. Each general comprehensive plan shall be deemed approved if the county legislative authority fails to reject or conditionally approve the plan within ninety days of the plan’s submission to the county legislative authority or within thirty days of a hearing on the plan when the hearing is held within ninety days of submission to the county legislative authority. However, a county legislative authority may extend this ninety-day time limitation by up to an additional ninety days where a finding is made that ninety days is insufficient to review adequately the general comprehensive plan. In addition, the water commissioners and the county legislative authority may mutually agree to an extension of the deadlines in this section.

If the district includes portions or all of one or more cities or towns, the general comprehensive plan shall be submitted also to, and approved by resolution of, the governing bodies of such cities and towns before becoming effective. The general comprehensive plan shall be deemed approved by the city or town governing body if the city or town governing body fails to reject or conditionally approve the plan within ninety days of the plan’s submission to the city or town or within thirty days of a hearing on the plan when the hearing is held within ninety days of submission to the county legislative authority. However, a city or town governing body may extend this time limitation by up to an additional ninety days where a finding is made that insufficient time exists to adequately review the general comprehensive plan within these time limitations. In addition, the sewer [water] commissioners and the city or town governing body may mutually agree to an extension of the deadlines in this section.

Before becoming effective, any amendment to, alteration of, or addition to, a general comprehensive plan shall also be subject to such approval as if it were a new general comprehensive plan: PROVIDED, That only if the amendment, alteration, or addition affects a particular city or town, shall the amendment, alteration or addition be subject to approval by such particular city or town governing body. 57.16.020 Vote on general indebtedness. The commissioners may submit to the voters of the district at any general or special election, a proposition that the district incur a general indebtedness payable from annual tax levies to be made in excess of the constitutional and/or statutory tax limitations for the construction of any part or all of the general comprehensive plan. Elections shall be held as provided in RCW 39.36.050. The proposition authorizing both the bond issue and imposition of excess bond retirement levies shall be adopted by three-fifths of the voters voting thereon, at which election the total number of persons voting on the proposition shall constitute not less than forty percent of the total number of votes cast in the water district at the last preceding general election. Such bonds shall not be issued to run for a period longer than twenty years from the date of the issue. Such bonds shall be issued and sold in accordance with chapter 39.46 RCW. When the general comprehensive plan has been adopted the commissioners shall carry it out to the extent specified in the proposition to incur general indebtedness. [1984 c 186 § 1; 1974 ex.s. c 31 § 1. Prior: 1973 1st ex.s. c 195 § 69; 1959 c 108 § 7; 1959 c 18 § 7; prior: 1953 c 251 § 5; 1951 2nd ex.s. c 25 § 1; 1939 c 128 § 2, part; 1937 c 177 § 1, part; 1929 c 114 § 10, part; RRS § 11588, part. Cf. 1913 c 161 § 10, part.]
57.16.030 Revenue bonds authorized—Use. (1) The commissioners may, without submitting a proposition to the voters, authorize by resolution the district to issue revenue bonds for the construction costs, interest during the period of construction and six months thereafter, working capital or other costs of any part or all of the general comprehensive plan or for other purposes or functions of a water district authorized by statute. The amount of the bonds to be issued shall be included in the resolution submitted.

Any resolution authorizing the issuance of revenue bonds may include provision for refunding any local improvement district bonds of a district, out of the proceeds of sale of revenue bonds, and a district may pay off any outstanding local improvement bonds with such funds either by purchase in the open market below their par value and accrued interest or by call at par value and accrued interest at the next succeeding interest payment date. The bonds may be in any form, including bearer bonds or registered bonds as provided by RCW 39.46.030.

When a resolution authorizing revenue bonds has been adopted the commissioners may forthwith carry out the general comprehensive plan to the extent specified.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW. [1984 c 186 § 52; 1977 ex.s. c 299 § 6; 1973 1st ex.s. c 195 § 70; 1959 c 108 § 9; 1959 c 18 § 9. 57.16.035 Additional revenue bonds for increased cost of improvements. Whenever a water district shall have adopted a general comprehensive plan and bonds to defray the cost thereof shall have been authorized by resolution of the board of water commissioners, and before the completion of the improvements the board of water commissioners shall find by resolution that the authorized bonds are not sufficient to defray the cost of such improvements due to the increase of costs of construction subsequent to the adoption of said plan, the board of water commissioners may by resolution authorize the issuance and sale of additional water revenue bonds for such purpose in excess of those previously issued. [1977 ex.s. c 299 § 5; 1959 c 108 § 10.]

57.16.040 Additions and betterments. In the same manner as provided for the adoption of the original general comprehensive plan, a plan providing for additions and betterments to the original general comprehensive plan may be adopted. Without limiting its generality "additions and betterments" shall include any necessary change in, amendment of or addition to the general comprehensive plan.

The district may incur a general indebtedness payable from annual tax levies to be made in excess of the constitutional and/or statutory tax limitations for the construction of the additions and betterments in the same way that general indebtedness may be incurred for the construction of the original general comprehensive plan after submission to the voters of the entire district in the manner the original proposition to incur indebtedness was submitted as provided in RCW 57.16.020. Upon ratification the additions and betterments may be carried out by the commissioners to the extent specified or referred to in the proposition to incur the general indebtedness.

The district may issue revenue bonds to pay for the construction of the additions and the betterments pursuant to resolution of the board of water commissioners. [1984 c 186 § 52; 1977 ex.s. c 299 § 6; 1973 1st ex.s. c 195 § 70; 1959 c 108 § 9; 1959 c 18 § 9. 57.16.050 Districts authorized—Special assessments—Bonds. (1) A district may establish local improvement districts within its territory; levy special assessments under the mode of annual installments extending over a period not exceeding twenty years, on all property specially benefited by a local improvement, on the basis of special benefits to pay in whole or in part the damage or costs of any improvements ordered in the district; and issue local improvement bonds in the local improvement district to be repaid by the collection of special assessments. Such bonds may be of any form, including bearer bonds or registered bonds as provided in RCW 39.46.030. The levying, collection and enforcement of such special assessments and issuance of bonds shall be as provided for the levying, collection, and enforcement of special assessments and the issuance of local improvement district bonds by cities and towns insofar as consistent herewith. The duties devolving upon the city or town treasurer are hereby imposed upon the county treasurer of the county in which the real property is located for the purposes hereof. The mode of assessment shall be determined by the water commissioners by resolution. When in the petition or resolution for the establishment of a local improvement district, and in the approved comprehensive plan or approved amendment thereto or plan providing for additions and betterments to the original plan, previously adopted, it is provided that, except as set forth in this section, the special assessments shall be for the sole purpose of payment into the revenue bond fund for the payment of revenue bonds, then the local improvement district shall be designated as a "utility local improvement district." No warrants or bonds shall be issued in a utility local improvement district, but the collection of interest and principal on all special assessments in the utility local improvement district shall be paid into the revenue bond fund, except that special assessments paid before the issuance and sale of bonds may be deposited in a fund for
the payment of costs of improvements in the utility local improvement district.

(2) Such bonds may also be issued and sold in accordance with chapter 39.46 RCW. [1987 c 169 § 2; 1983 c 167 § 161; 1982 1st ex.s. c 17 § 15; 1953 c 251 § 13; 1939 c 128 § 1; 1929 c 114 § 9; RRS § 11587. Cf. 1913 c 161 § 9.]

Local improvement bonds: Chapter 35.45 RCW.

57.16.060 Resolution or petition to form district—Procedure—Written protest—Notice—Appeal—Improvement ordered—Divestment of power to order.

Local improvement districts or utility local improvement districts to carry out the whole or any portion of the general comprehensive plan of improvements or plan providing for additions and betterments to the original general comprehensive plan previously adopted may be initiated either by resolution of the board of water commissioners or by petition signed by the owners according to the records of the office of the applicable county auditor of at least fifty-one percent of the area of the land within the limits of the local improvement district to be created.

In case the board of water commissioners desires to initiate the formation of a local improvement district or a utility local improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed local improvement district or utility local improvement district, and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, and fixing a date, time, and place for a public hearing on the formation of the proposed local district.

In case any such local improvement district or utility local improvement district is initiated by petition, such petition shall set forth the nature and territorial extent of the proposed improvement requested to be ordered and the fact that the signers thereof are the owners according to the records of the applicable county auditor of at least fifty-one percent of the area of land within the limits of the local improvement district or utility local improvement district to be created. Upon the filing of such petition the board shall determine whether the petition is sufficient, and the board’s determination thereof shall be conclusive upon all persons. No person may withdraw his or her name from the petition after it has been filed with the board of water commissioners. If the board finds the petition to be sufficient, it shall proceed to adopt a resolution declaring its intention to order the improvement petitioned for, setting forth the nature and territorial extent of the improvement, designating the number of the proposed local district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed local district, and fixing a date, time, and place for a public hearing on the formation of the proposed local district.

Notice of the adoption of the resolution of intention, whether the resolution was adopted on the initiative of the board or pursuant to a petition of the property owners, shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed local district, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of water commissioners. Notice of the adoption of the resolution of intention shall also be given each owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed improvement district by mailing the notice at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer of the county in which the real property is located at the address shown thereon. Whenever such notices are mailed, the water commissioners shall maintain a list of such reputed property owners, which list shall be kept on file at a location within the water district and shall be made available for public perusal. The notices shall refer to the resolution of intention and designate the proposed improvement district by number. The notices shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the date, time, and place of the hearing before the board of water commissioners. In the case of improvements initiated by resolution, the notice shall also: (1) State that all persons desiring to object to the formation of the proposed district must file their written protests with the secretary of the board of water commissioners no later than ten days after the public hearing; (2) state that if owners of at least forty percent of the area of land within the proposed district file written protests with the secretary of the board, the power of the water commissioners to proceed with the creation of the proposed district shall be divested; (3) provide the name and address of the secretary of the board; and (4) state the hours and location within the water district where the names of the property owners within the proposed district are kept available for public perusal. In the case of the notice given each owner or reputed owner by mail, the notice shall set forth the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract, parcel of land, or other property.

Whether the improvement is initiated by petition or resolution, the board shall conduct a public hearing at the time and place designated in the notice to property owners. At this hearing the board shall hear objections from any person affected by the formation of the local district and may make such changes in the boundaries of the district or such modifications in the plans for the proposed improvement as shall be deemed necessary. The board may not change the boundaries of the district to include property not previously included in it without first passing a new resolution of intention and giving a new notice to property owners in the manner and form and within the time provided in this chapter for the original notice.

After the hearing and the expiration of the ten-day period for filing written protests, the commissioners shall have jurisdiction to overrule protests and proceed with any such improvement initiated by petition or resolution. The jurisdiction of the commissioners to proceed with any improvement initiated by resolution shall be divested by
protests filed with the secretary of the board no later than ten days after the hearing, signed by the owners, according to the records of the applicable county auditor, of at least forty percent of the area of land within the proposed local district.

If the commissioners find that the district should be formed, they shall by resolution form the district and order the improvement. After execution of the resolution forming the district, the secretary of the board of commissioners shall publish, in a legal publication that serves the area subject to the district, a notice setting forth that a resolution has been passed forming the district and that a lawsuit challenging the jurisdiction or authority of the water district to proceed with the improvement and creating the district must be filed, and notice to the water district served, within thirty days of the publication of the notice. The notice shall set forth the nature of the appeal. Property owners bringing the appeal shall follow the procedures as set forth under appeal under RCW 57.16.090. Whenever a resolution forming a district has been adopted, the formation is conclusive in all things upon all parties, and cannot be contested or questioned in any manner in any proceeding whatsoever by any person not commencing a lawsuit in the manner and within the time provided in this section, except for lawsuits made under RCW 57.16.090.

Following an appeal, if it is unsuccessful or if no appeal is made under RCW 57.16.090, the commissioners may proceed with the improvement and provide the general funds of the water district to be applied thereto, adopt detailed plans of the local improvement district or utility local improvement district and declare the estimated cost thereof, acquire all necessary land therefor, pay all damages caused thereby, and commence in the name of the water district to be applied thereto, adopt detailed plans of the improvement and the paying for the improvement in the local improvement district and declare the estimated cost thereof, the commissioners may correct, change or modify the roll, or any part thereof, or set aside the roll and order a new assessment, and may then by resolution approve it. If an assessment is raised a new notice similar to the first shall be given, after which final approval of the roll may be made. When property has been entered originally upon the roll and the assessment thereon is not raised, no objection thereto shall be considered by the commissioners or by any court on appeal unless the objection is made in writing at, or prior, to the date fixed for the original hearing upon the roll. [1982 1st ex.s. c 17 § 17; 1959 c 18 § 12. Prior: 1953 c 251 § 15; 1929 c 114 § 12, part; RRS § 11590, part. Cf. 1913 c 161 § 12, part.]

57.16.073 Potable water facilities—Notice to certain property owners. Whenever it is proposed that a local improvement district or utility local improvement district finance potable water facilities, additional notice of the public hearing on the proposed improvement district shall be mailed to the owners of any property located outside of the proposed improvement district that would be required as a condition of federal housing administration loan qualification, at the time of notice, to be connected to the specific water facilities installed by the local improvement district. The notice shall include information about this restriction. [1987 c 315 § 6.]

57.16.075 Exemption of farm and agricultural land from special benefit assessments. See RCW 84.34.300 through 84.34.380 and 84.34.922.

57.16.080 Enlarged district. In the event that any portion of the system after its installation is not adequate for the purpose for which it was intended, or that for any reason changes, alterations or betterments are necessary in any portion of the system after its installation then a local improvement district with boundaries which may include one or more existing local improvement districts may be created in the water district in the same manner as is provided herein for the creation of local improvement districts; that upon the organization of such a local improvement district as provided for in this paragraph the plan of the improvement and the payment of the cost of the improvement shall be carried out in the same manner as is provided herein for the carrying out of and the paying for the improvement in the local improvement districts previously provided for in *this act. [1959 c 18 § 13. Prior: 1929 c 114 § 12, part; RRS § 11590, part. Cf. 1913 c 161 § 12.]

*Reviser's note: For "this act," see note following RCW 57.04.080.

57.16.090 Review. The decision of the water district commission upon any objections made within the time and
in the manner herein prescribed, may be reviewed by the superior court upon an appeal thereto taken in the following manner. Such appeal shall be made by filing written notice of appeal with the secretary of said water district commission and with the clerk of the superior court in the county in which the real property is situated within ten days after publication of a notice that the resolution confirming such assessment roll has been adopted, and such notice of appeal shall describe the property and set forth the objections of such appellant to such assessment; and within ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of the court, a transcript consisting of the assessment roll and the appellant's objections thereto, together with the resolution confirming such assessment roll and the record of the water district commission with reference to the assessment, which transcript, upon payment of the necessary fees therefor, shall be furnished by the secretary of the water district commission certified by the secretary to contain full, true and correct copies of all matters and proceedings required to be included in such transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions. At the time of the filing of the notice of appeal with the clerk of the superior court a sufficient bond in the penal sum of two hundred dollars, with at least two sureties, to be approved by the judge of said court, conditioned to prosecute such appeal without delay, and if unsuccessful to pay all costs to which the water district is put by reason of such appeal. The court may order the appellant upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require. Within three days after such transcript is filed in the superior court, the appellant shall give written notice to the secretary of such water district, that such transcript is filed. The notice shall state a time, not less than three days from the service thereof, when the appellant will come to court; and the superior court shall, at said time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury; and such cause shall have preference over all civil causes pending in the court, except proceedings under an act relating to eminent domain and actions of forcible entry and detainer. The judgment of the court shall confirm, unless the court shall find from the evidence that such assessment is either founded upon the fundamentally wrong basis or a decision of the council or other legislative body thereon was arbitrary or capricious, or both; in which event the judgment of the court shall correct, modify or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer who shall have custody of the assessment roll, who shall modify and correct such assessment roll in accordance with such decision. Appellate review of the judgment of the superior court may be sought as in other civil cases. However, the review must be sought within fifteen days after the date of the entry of the judgment of such superior court. A certified copy of the order of the superior court or the court of appeals upon such appeal shall be filed with the officer having custody of such assessment roll, who shall thereupon modify and correct such assessment roll in accordance with such decision. Rules of court: Cf. RAP 5.2, 18.22.

57.16.100 Conclusiveness of roll. Whenever any assessment roll for local improvements shall have been confirmed by the water district commission of such water district as herein provided, the regularity, validity and correctness of the proceedings relating to such improvement, and to the assessment therefor, including the action of the water district commission upon such assessment roll and the confirmation thereof, shall be conclusive in all things upon all parties, and cannot in any manner be contested or questioned in any proceeding whatsoever by any person not filing written objections to such roll in the manner and within the time provided in this act, and not appealing from the action of the water district commission in confirming such assessment roll in the manner and within the time in *this act provided. No proceedings of any kind shall be commenced or prosecuted for the purpose of defeating or contesting any such assessment, or the sale of any property to pay such assessment, or any certificate of delinquency issued therefor, or the foreclosure of any lien issued therefor: PROVIDED, That this section shall not be construed as prohibiting the bringing of injunction proceedings to prevent the sale of any real estate upon the grounds (1) that the property about to be sold does not appear upon the assessment roll, or (2) that said assessment had been paid. [1929 c 114 § 14; RRS § 11592. Cf. 1913 c 161 § 14.]

*Revisor's note: For "this act," see note following RCW 57.04.080.

57.16.110 Segregation of assessment—Procedure—Fee—Charges. Whenever any land against which there has been levied any special assessment by any water district shall have been sold in part or subdivided, the board of water commissioners of such district shall have the power to order a segregation of the assessment.

Any person desiring to have such a special assessment against a tract of land segregated to apply to smaller parts thereof shall apply to the board of commissioners of the water district which levied the assessment. If the water commissioners determine that a segregation should be made, they shall by resolution order the treasurer of the county in which the real property is located to make segregation on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the treasurer of the county in which the real property is located who shall proceed to make the segregation ordered upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the board of water commissioners may require as a condition to the order of segregation that the person
seeking it pay the district the reasonable engineering and clerical costs incident to making the segregation. [1982 1st ex.s. c 17 § 19; 1953 c 251 § 23.]

Segregation duties of county treasurer: RCW 36.29.160.

57.16.120 Acquisition of property subject to local improvement assessments—Payment. See RCW 79.44.190.

57.16.140 Excess water supply capacity not grounds for zoning decision challenge. The construction of or existence of water supply capacity in excess of the needs of the density allowed by zoning shall not be grounds for any legal challenge to any zoning decision by the county. [1982 c 213 § 4.]

57.16.150 Foreclosure of assessments—Attorneys' fees. Judgments foreclosing local improvement assessments pursuant to RCW 35.50.260 may also allow to water districts, in addition to delinquent installments, interest, penalties, and costs, such attorneys' fees as the court may adjudge reasonable. 57.20.015 Refunding general obligation bonds. (1) The board of water commissioners of any water district may by resolution, without submitting the matter to the voters of the district, provide for the issuance of refunding general obligation bonds to refund any outstanding general obligation bonds, or any part thereof, at maturity thereof, or before the maturity thereof if they are subject to call for prior redemption or all of the owners thereof consent thereto.

(2) The total cost to the district over the life of the refunding bonds shall not exceed the total cost to the district which the district would have incurred but for such refunding over the remainder of the life of the bonds to be refunded thereby.

(3) The refunding bonds may be exchanged for the bonds to be refunded thereby, or may be sold in such manner as the board of water commissioners deems to be for the best interest of the district, and the proceeds of such sale used exclusively for the purpose of paying, retiring, and canceling the bonds to be refunded and interest thereon. Such bonds may be of any form, including bearer bonds or registered bonds as provided in RCW 39.46.030.

(4) The provisions of RCW 57.20.010, concerning the issuance and sale of general obligation bonds and providing for annual tax levies in excess of the constitutional and/or statutory tax limitations shall apply to the refunding general obligation bonds issued under this section. [1984 c 186 § 54; 1983 c 167 § 163; 1973 1st ex.s. c 195 § 72; 1953 c 251 § 16.]

Election to authorize revenue bonds: RCW 57.16.030.
57.20.020 Revenue bonds—Special fund—Classification of service—Adequate rates and charges to be fixed. (1) Whenever any issue or issues of water revenue bonds have been authorized in compliance with the provisions of RCW 57.16.010 through 57.16.040, said bonds shall be in bearer form or registered as to principal or interest or both, as provided in RCW 39.46.030, and may provide for conversion between registered and coupon bonds; shall be in such denominations, shall be numbered, shall bear such date, and shall be payable at such time or times up to a maximum period of not to exceed thirty years as shall be determined by the board of water commissioners of the district; shall bear interest at such rate or rates payable at such time or times as authorized by the board; shall be payable at the office of the county treasurer of the county in which the water district is located and may also be payable at such other place or places as the board of water commissioners may determine; shall be executed by the president of the board of water commissioners and attested and sealed by the secretary thereof, one of which signatures may, with the written permission of the signor whose facsimile signature is being used, be a facsimile; and may have facsimile signatures of said president or secretary imprinted on any interest coupons in lieu of original signatures.

The water district commissioners shall have power and are required to create a special fund or funds for the sole purpose of paying the interest and principal of such bonds into which special fund or funds the said water district commissioners shall obligate and bind the water district to set aside and pay a fixed proportion of the gross revenues of the water supply system or any fixed amount out of and not exceeding a fixed proportion of such revenues, or a fixed amount or amounts without regard to any fixed proportion and such bonds and the interest thereof shall be payable only out of such special fund or funds, but shall be a lien and charge against all revenues and payments received from any utility local improvement district or districts pledged to secure such bonds, subject only to operating and maintenance expenses.

In creating any such special fund or funds the water district commissioners of such water district shall have due regard to the cost of operation and maintenance of the plant or system as constructed or added to and to any proportion or part of the revenue previously pledged as a fund for the payment of bonds, warrants or other indebtedness, and shall not set aside into such special fund a greater amount or proportion of the revenue and proceeds than in their judgment will be available over and above such cost of maintenance and operation and the amount or proportion, if any, of the revenue so previously pledged. Any such bonds and interest thereon issued against any such fund as herein provided shall be a valid claim of the owner thereof only as against the said special fund and its fixed proportion or amount of the revenue pledged to such fund, and shall not constitute an indebtedness of such water district within the meaning of the constitutional provisions and limitations. Each such bond shall state upon its face that it is payable from a special fund, naming the said fund and the resolution creating it. Said bonds shall be sold in such manner, at such price and at such rate or rates of interest as the water district commissioners shall deem for the best interests of the water district, either at public or private sale, and the said commissioners may provide in any contract for the construction and acquisition of the proposed improvement (and for the refunding of outstanding local improvement district obligations, if any) that payment therefor shall be made in such bonds at par value thereof.

When any such special fund shall have been heretofore or shall be hereafter created and any such bonds shall have been heretofore or shall hereafter be issued against the same a fixed proportion or a fixed amount out of and not to exceed such fixed proportion, or a fixed amount or amounts without regard to any fixed proportion, of revenue shall be set aside and paid into said special fund as provided in the resolution creating such fund or authorizing such bonds, and in case any water district shall fail thus to set aside and pay said fixed proportion or amount as aforesaid, the owner of any bond payable from such special fund may bring suit or action against the water district and compel such setting aside and payment.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW.

(3) The water district commissioners of any water district, in the event that such water revenue bonds are issued, shall provide for revenues by fixing rates and charges for the furnishing of water supply to those receiving such service, such rates and charges to be fixed as deemed necessary by such water district commissioners, so that uniform charges will be made for the same class of customer or service.

In classifying customers served or service furnished by such water supply system, the board of water commissioners may in its discretion consider any or all of the following factors: The difference in cost of service to the various customers; the location of the various customers within and without the district; the difference in cost of maintenance, operation, repair and replacement of the various parts of the system; the different character of the service furnished various customers; the quantity and quality of the water furnished; the time of its use; the achievement of water conservation goals and the discouragement of wasteful practices; capital contributions made to the system including but not limited to assessments; and any other matters which present a reasonable difference as a ground for distinction. Such rates shall be made on a monthly basis as may be deemed proper by such commissioners and as fixed by resolution and shall produce revenues sufficient to take care of the costs of maintenance and operation, revenue bond and warrant interest and principal amortization requirements and all other charges necessary for efficient and proper operation of the system. 57.20.023 Covenants to guarantee payment of revenue bonds—Bonds payable from same source may be issued on parity. The board of water commissioners may make such covenants as it may deem necessary to secure and guarantee the payment of the principal of and interest on water revenue bonds of the district, including but not being limited to covenants for the establishment and maintenance of adequate reserves to secure or guarantee the payment of such principal and interest; the protection and disposition of the proceeds of sale of such bonds; the use and disposition of the gross revenues of the water supply system of the district and any additions or betterments thereto or extensions thereof; the use and disposition of any utility local improvement district assessments; the creation and maintenance of funds for renewals and replacements of the system; the establishment and maintenance of rates and charges adequate to pay principal and interest of such bonds and to maintain adequate coverage over debt service; the maintenance, operation and management of the system and the accounting, insuring and auditing of the business in connection therewith; the terms upon which such bonds or any of them may be redeemed at the election of the district; limitations upon the right of the district to dispose of its system or any part thereof; the appointment of trustees, depositaries and paying agents to receive, hold, disburse, invest and reinvest all or any part of the proceeds of sale of the bonds and all or any part of the income, revenue and receipts of the district, and the board of water commissioners may make such other covenants as it may deem necessary to accomplish the most advantageous sale of such bonds. The board of water commissioners may also provide that revenue bonds payable out of the same source or sources may later be issued on a parity with any revenue bonds being issued and sold. [1959 c 108 § 12.]

57.20.025 Refunding revenue bonds. The board of water commissioners of any water district may by resolution provide for the issuance of refunding revenue bonds to refund outstanding general obligation bonds and/or revenue bonds, or any part thereof, and/or all outstanding local improvement district bonds, at maturity thereof, or before maturity thereof if they are subject to call for prior redemption or all of the holders thereof consent thereto. The total interest cost to the district over the life of the refunding bonds shall not exceed the total cost to the district which the district would have incurred but for such refunding over the remainder of the life of the bonds to be refunded thereby. The refunding bonds may be exchanged for the bonds to be refunded thereby, or may be sold in such manner as the board of water commissioners deems to be for the best interest of the district, and the proceeds used, except as hereinafter provided, exclusively for the purpose of paying, retiring and canceling the bonds to be refunded and interest thereon.

All unpaid utility local improvement district assessments payable into the revenue bond redemption fund established for payment of the bonds to be refunded shall thereafter when collected be paid into the revenue bond redemption fund established for payment of the refunding revenue bonds.

Whenever local improvement district bonds have been refunded as provided by RCW 57.16.030 as now or hereafter amended, or pursuant to this section, all local improvement district assessments remaining unpaid shall thereafter when collected be paid into the revenue bond redemption fund established for payment of the refunding revenue bonds, and the cash balance, if any, in the local improvement guaranty fund of the district and the proceeds received from any other assets owned by such fund shall be used in whole or in part as a reserve fund for the refunding revenue bonds or be transferred in whole or in part to any other funds of the district as the board of water commissioners may determine.

In the event that any warrants are outstanding against the local improvement guaranty fund of the district at the time of the issuance of such refunding revenue bonds, said bonds shall be issued in an amount sufficient also to fund and pay such outstanding warrants.

The provisions of RCW 57.20.020 shall apply to the refunding revenue bonds issued under this title. [1977 ex.s. c 299 § 8; 1959 c 108 § 13; 1953 c 251 § 17.]

57.20.027 Revenue warrants and revenue bonds anticipation warrants. Water districts may also issue revenue warrants and revenue bond anticipation warrants for the same purposes for which such districts may issue revenue bonds. The provisions of this chapter relating to the authorization, terms, conditions, covenants, issuance and sale of revenue bonds (exclusive of provisions relating to refunding) shall be applicable to such warrants. Water districts issuing revenue bond anticipation warrants may make covenants relative to the issuance of revenue bonds to provide funds for the redemption of part or all of such warrants and may contract for the sale of such bonds and warrants. [1975 1st ex.s. c 25 § 5.]

57.20.030 Local improvement guaranty fund. Every water district in the state is hereby authorized to create a fund for the purpose of guaranteeing, to the extent of such fund, and in the manner hereinafter provided, the payment of all of its local improvement bonds issued, subsequent to June 9, 1937, to pay for any local improvement within its confines. Such fund shall be designated "Local Improvement Guaranty Fund, Water District No. ______," and shall be established by resolution of the board of water commissioners. For the purpose of maintaining such fund, every water district, after the establishment thereof, shall at all times set aside and pay into such a fund such proportion of the monthly gross revenues of the water supply system of such water district as the commissioners thereof may direct by resolution. This proportion may be varied from time to time as the commissioners deem expedient or necessary: PROVIDED, HOWEVER, That under the existence of the conditions set forth in subsections (1) and (2) next hereunder, then the proportion must be as therein specified, to wit:

(1) Whenever any bonds of any local improvement district have been guaranteed under *this act and the guaranty fund does not have a cash balance equal to twenty percent of all bonds originally guaranteed under *this act, (excluding issues which have been retired in full) then twenty percent of the gross monthly revenues derived from all water users in the territory included in said local im-
57.20.030 Title 57 RCW: Water Districts

(provision district (but not necessarily from users in other parts of the water district as a whole) shall be set aside and paid into the guaranty fund: PROVIDED, HOWEVER, That whenever, under the requirements of this subsection, said cash balance accumulates so that it is equal to twenty percent of all bonds guaranteed, or to the full amount of all bonds guaranteed, outstanding and unpaid (which amount might be less than twenty percent of the original total guaranteed), then no further moneys need be set aside and paid into said guaranty fund so long as said condition shall continue.

(2) Whenever any warrants issued against the guaranty fund, as hereinbelow provided, remain outstanding and uncalled for lack of funds for six months from date of issuance thereof; or whenever any coupons or bonds guaranteed under *this act have been matured for six months and have not been redeemed either in cash or by issuance and delivery of warrants upon the guaranty fund, then twenty percent of the gross monthly revenues (or such portion thereof as the commissioners of the water district determine will be sufficient to retire said warrants or redeem said coupons or bonds in the ensuing six months) derived from all water users in the water district shall be set aside and paid into the guaranty fund: PROVIDED, HOWEVER, That whenever under the requirements of this subsection all warrants, coupons, or bonds specified in this subsection above have been redeemed, no further income need be set aside and paid into said guaranty fund under the requirements of this subsection until and unless other warrants remain outstanding and unpaid for six months or other coupons or bonds default.

(3) For the purpose of complying with the requirements of setting aside and paying into the local improvement guaranty fund a proportion of the monthly gross revenues of the water supply system of any water district, as hereinabove provided, said water district shall bind and obligate itself to maintain and operate said system and further bind and obligate itself to establish, maintain and collect such rates for water as will produce gross revenues sufficient to maintain and operate said water supply system and to make necessary provision for the local improvement guaranty fund as specified by this section and RCW 57.20.080 and 57.20.090. And said water district shall alter its rates for water from time to time and shall vary the same in different portions of its territory to comply with the said requirements.

(4) Whenever any coupon or bond guaranteed by *this act shall mature and there shall not be sufficient funds in the appropriate local improvement district bond redemption fund to pay same, then the applicable county treasurer shall pay same from the local improvement guaranty fund of the water district; if there shall not be sufficient funds in the said guaranty fund to pay same, then the same may be paid by issuance and delivery of a warrant upon the local improvement guaranty fund.

(5) Whenever the cash balance in the local improvement guaranty fund is insufficient for the required purposes, warrants drawing interest at a rate determined by the commissioners may be issued by the applicable county auditor, against the said fund to meet any liability accrued against it and must be issued upon demand of the holders of any maturing coupons and/or bonds guaranteed by this section, or to pay for any certificates of delinquency for delinquent installments of assessments as provided in subsection (6) of this section. Guaranty fund warrants shall be a first lien in their order of issuance upon the gross revenues set aside and paid into said fund.

(6) Within twenty days after the date of delinquency of any annual installment of assessments levied for the purpose of paying the local improvement bonds of any water district guaranteed under the provisions of *this act, it shall be mandatory for the county treasurer of the county in which the real property is located to compile a statement of all installments delinquent, together with the amount of accrued interest and penalty appurtenant to each of said installments. Thereupon the applicable county treasurer shall forthwith purchase (for the water district) certificates of delinquency for all such delinquent installments. Payment for all such certificates of delinquency shall be made from the local improvement guaranty fund and if there shall not be sufficient moneys in said fund to pay for such certificates of delinquency, the applicable county treasurer shall accept said local improvement guaranty fund warrants in payment therefor. All such certificates of delinquency shall be issued in the name of the local improvement guaranty fund and all guaranty fund warrants issued in payment therefor shall be issued in the name of the appropriate local improvement district fund. Whenever any market is available and the commissioners of the water district so direct, the applicable county treasurer shall sell any certificates of delinquency belonging to the local improvement guaranty fund: PROVIDED, That any such sale must not be for less than face value thereof plus accrued interest from date of issuance to date of sale.

Such certificates of delinquency, as above provided, shall be issued by the county treasurer of the county in which the real property is located, shall bear interest at the rate of ten percent per annum, shall be in each instance for the face value of the delinquent installment, plus accrued interest to date of issuance of certificate of delinquency, plus a penalty of five percent of such face value, and shall set forth:

(a) Description of property assessed;
(b) Date installment of assessment became delinquent;
(c) Name of owner or reputed owner, if known.

Such certificates of delinquency may be redeemed by the owner of the property assessed at any time up to two years from the date of foreclosure of such certificate of delinquency.

If any such certificate of delinquency be not redeemed on the second occurring first day of January subsequent to its issuance, the county treasurer who issued the certificate of delinquency shall then proceed to foreclose such certificate of delinquency in the manner specified for the foreclosure of the lien of local improvement assessments, pursuant to chapter 35.50 RCW and if no redemption be made within the succeeding two years shall execute and deliver a deed conveying fee simple title to the property described in the foreclosed certificate of delinquency. [1982 1st ex.s. c 17 § 20; 1981 c 156 § 20; 1937 c 102 § 1; 1935 c 82 § 1; RRS § 11589-1. Formerly RCW 57.20.030 through 57.20.070.]

*Reviser's note: The term "this act" first appears in 1937 c 102, codified as RCW 57.20.030, 57.20.080, and 57.20.090.
57.20.080 Guaranty fund—Subrogation of district as trustee. Whenever there shall be paid out of a guaranty fund any sum on account of principal or interest upon a local improvement bond, or on account of purchase of certificates of delinquency, the water district, as trustee for the fund, shall be subrogated to all rights of the owner of the bonds, or any interest, or delinquent assessment installments, so paid; and the proceeds thereof, or of the assessment or assessments underlying the same, shall become a part of the guaranty fund. There shall also be paid into each guaranty fund the interest received from the bank deposits of the fund, as well as any surplus remaining in the local improvement funds guaranteed by the guaranty fund, after the payment of all outstanding bonds payable primarily out of such local improvement funds. As among the several issues of bonds guaranteed by the fund, no preference shall exist, but defaulted bonds and any defaulted interest payments shall be purchased out of the fund in the order of their presentation.

The commissioners of every water district operating under RCW 57.20.030, 57.20.080, and 57.20.090 shall prescribe, by resolution, appropriate rules and regulations for the guaranty fund, not inconsistent herewith. So much of the money of a guaranty fund as is necessary and is not required for other purposes under RCW 57.20.030, 57.20.080, and 57.20.090 may, at the discretion of the commissioners of the water district, be used to purchase property at county tax foreclosure sales or from the county after foreclosure in cases where such property is subject to unpaid local improvement assessments securing bonds guaranteed by the guaranty fund and such purchase is deemed necessary for the purpose of protecting the guaranty fund. In such cases the said fund shall be subrogated to all rights of the water district. After so acquiring title to real property, the water district may lease or resell and convey the same in the same manner that county property is authorized to be leased or resold and for such prices and on such terms as may be determined by resolution of the board of water commissioners. Any provision of law to the contrary notwithstanding, all proceeds resulting from such resales shall belong to and be paid into the guaranty fund. 57.20.090 Rights and remedies of bond owner. The owner of any local improvement bonds guaranteed under the provisions of RCW 57.20.030, 57.20.080, and 57.20.090 shall not have any claim therefor against the water district by which the same is issued, except for payment from the special assessments made for the improvement for which said local improvement bonds were issued, and except as against the local improvement guaranty fund of said water district; and the water district shall not be liable to any owner of such local improvement bond for any loss to the guaranty fund occurring in the lawful operation thereof by the water district. The remedy of the owner of a local improvement bond, in case of nonpayment, shall be confined to the enforcement of the assessment and to the guaranty fund. A copy of the foregoing part of this section shall be plainly written, printed or engraved on each local improvement bond guaranteed by RCW 57.20.030, 57.20.080, and 57.20.090. The establishment of a local improvement guaranty fund by any water district shall not be deemed at variance from any comprehensive plan heretofore adopted by such water district.

In the event any local improvement guaranty fund hereunder authorized at any time has a balance therein in cash, and the obligations guaranteed thereby have all been paid off, then such balance shall be transferred to the maintenance fund of the water district. 57.20.100 Annual tax levy. A district may, in addition to the levies mentioned in RCW 57.16.020, 57.16.040 and 57.20.010, levy a general tax on all property located in the district each year not to exceed fifty cents per thousand dollars of assessed value against the assessed valuation of the property where such water district maintains a fire department as authorized by RCW 57.16.010 to 57.16.040, inclusive, but such levy shall not be made where any property within such water district lies within the boundaries of any fire protection district created under Title 52 RCW. The taxes so levied shall be certified for collection as other general taxes, and the proceeds, when collected, shall be placed in such water district funds as the commissioners may direct and paid out on warrants issued for water district purposes. Each and every water district that may hereafter be organized pursuant to this act is hereby authorized and empowered by and through its board of water commissioners to contract indebtedness for water purposes, and the maintenance thereof not exceeding one-half of one percent of the value of the taxable property in said district, as the term "value of the taxable property" is defined in RCW 39.36.015. 57.20.120 Additional indebtedness. Each and every water district hereafter to be organized pursuant to this title, may contract indebtedness in excess of the amount named in RCW 57.20.110, but not exceeding in amount, together with existing indebtedness, two and one-half percent of the value of the taxable property in said district, as the term "value of the taxable property" is defined in RCW 39.36.015, whenever three-fifths of the voters voting at said election in such water district assent thereto, at which election the total number of persons voting on the proposition shall constitute not less than forty percent of the total number of votes cast in the water district at the last preceding general election, at
an election to be held in said water district in the manner
provided by this title and RCW 39.36.050: PROVIDED,
That all bonds so to be issued shall be subject to the

57.20.130 Bonds—Payment of interest. Any
coupons for the payment of interest on said bonds shall be
considered for all purposes as warrants drawn upon the
general fund of the said water district issuing such bonds,
and when presented to the treasurer of the county having
custody of the funds of such water district at maturity, or
thereafter, and when so presented, if there are not funds in
the treasury to pay the said coupons, it shall be the duty of
the county treasurer to endorse said coupons as presented for
payment, in the same manner as county warrants are
indorsed, and thereafter said coupons shall bear interest at
the same rate as the bond to which it was attached. When
there are no funds in the treasury to make interest payments
on bonds not having coupons, the overdue interest payment
shall continue bearing interest at the bond rate until it is
paid, unless otherwise provided in the proceedings authorizing
the sale of the bonds. [1983 c 167 § 167; 1929 c 114 §

57.20.135 Treasurer—Designation—Approval—
Powers and duties—Bond. Upon obtaining the approval of
the county treasurer, the board of commissioners of a water
district with more than twenty-five hundred customers may
designate by resolution some other person having experience
in financial or fiscal matters as the treasurer of the district.
Such a treasurer shall possess all of the powers, responsibili-
ties, and duties of, and shall be subject to the same restric-
tions as provided by law for, the county treasurer with
regard to a water district, and the county auditor with regard
to water district financial matters. Such treasurer shall be
bonded for not less than twenty-five thousand dollars.
Approval by the county treasurer authorizing such a water
district to designate its treasurer shall not be arbitrarily or
capriciously withheld. [1988 c 162 § 11; 1983 c 57 § 4.]
Ratification—1988 c 162 §§ 10, 11: See note following RCW

57.20.140 Maintenance or general fund and special
funds. Unless the board of commissioners of a water
district designates a treasurer under RCW 57.20.135, the
county treasurer shall create and maintain a separate fund
designated as the maintenance fund or general fund of the
district into which shall be paid all money received by him
from the collection of taxes other than taxes levied for the

57.22.010 Contracts—Conditions. If the water district approves an extension to the water system, the district shall contract with owners of real estate located within the district boundaries, at an owner's request, for the purpose of permitting extensions to the district's water system to be constructed by such owner at such owner's sole cost where such extensions are required as a prerequisite to further property development. The contract shall contain such conditions as the district may require pursuant to the district's adopted policies and standards. The district shall request comprehensive plan approval for such extension, if required, and connection of the extension to the district system is conditioned upon:
(1) Construction of such extension according to plans and specifications approved by the district;
(2) Inspection and approval of such extension by the district;
(3) Transfer to the district of such extension without cost to the district upon acceptance by the district of such extension;
(4) Payment of all required connection charges to the district;

[1989 c 389 § 12.]

57.22.030 Scope of reimbursement. The reimbursement shall be a pro rata share of construction and reimbursement of contract administration costs of the water project.

(2) The contract must be recorded in the appropriate county auditor's office after the final execution of the agreement. [1989 c 389 § 14.]

57.22.050 District participation in financing project.
As an alternative to financing projects under this chapter solely by owners of real estate, a water district may join in the financing of improvement projects and may be reimbursed in the same manner as the owners of real estate who participate in the projects, if the water district has specified the conditions of its participation in a resolution. [1989 c 389 § 15.]

a district is located, or territory adjoining or in close proximity to a district but which is located in another county, may be annexed to and become a part of the district. All annexations shall be accomplished in the following manner: Ten percent of the number of registered voters residing in the territory proposed to be annexed who voted in the last general municipal election may file a petition with the district commissioners and cause the question to be submitted to the voters of the territory whether such territory will be annexed and become a part of the district. If the commissioners concur in the petition, they shall file it with the county auditor of each county in which the real property proposed to be annexed is located, who shall, within ten days, examine and validate the signatures thereon and certify to the sufficiency or insufficiency thereof; and for such purpose the county auditor shall have access to all registration books in the possession of the officers of any city or town in the proposed district. If the petition contains a sufficient number of signatures, the county auditor of the county in which the real property proposed to be annexed is located shall transmit it, together with a certificate of sufficiency attached thereto to the water commissioners of the district. If there are no registered voters residing in the territory to be annexed, the petition may be signed by such a number as appear of record to own at least a majority of the acreage in the territory, and the petition shall disclose the total number of acres in the territory and the names of all record owners of land therein. If the commissioners are satisfied as to the sufficiency of the petition and concur therein, they shall send it, together with their certificate of concurrence attached thereto to the county legislative authority of each county in which the territory proposed to be annexed is located.

The county legislative authority, upon receipt of a petition certified to contain a sufficient number of signatures of registered voters, or upon receipt of a petition signed by such a number as own at least a majority of the acreage, together with a certificate of concurrence signed by the water commissioners, at a regular or special meeting shall cause to be published once a week for at least two weeks in a newspaper in general circulation in the territory proposed to be annexed a notice that the petition has been filed, stating the time of the meeting at which it shall be presented, and setting forth the boundaries of the territory proposed to be annexed. Cf. 1913 c 161 § 15, part.]

57.24.020  Hearing procedure—Boundaries—Election, notice, judges. Upon a final hearing each county legislative authority shall make such changes in the proposed boundary lines within the county as they deem to be proper and shall establish and define such boundaries and shall find whether the proposed annexation as established by the county legislative authority to the water district will be conducive to the public health, welfare and convenience and will be of special benefit to the land included within the boundaries of the territory proposed to be annexed to the water district of the territory proposed to be annexed to the water district. No lands which will not, in the judgment of the county legislative authority, be benefited by inclusion therein, shall be included within the boundaries of the territory as so established and defined. No change shall be made by the county legislative authority in the boundary lines, including any territory outside of the boundary lines described in the petition. No person having signed such petition shall be allowed to withdraw his name therefrom after the filing of the petition with the board of water commissioners.

Upon the entry of the findings of the final hearing each county legislative authority, if they find the proposed annexation to be conducive to the public health, welfare and convenience and to be of special benefit to the land proposed to be annexed and included within the boundaries of the district, shall give notice of a special election to be held within the boundaries of the territory proposed to be annexed to the water district for the purpose of determining whether the same shall be annexed to the water district. 57.24.040  Election—Qualification of voters. The said election shall be held on the date designated in such notice and shall be conducted in accordance with the general election laws of the state. In the event the original petition for annexation is signed by qualified electors then only qualified electors, at the date of election, residing in the territory proposed to be annexed, shall be permitted to vote at the said election. In the event the original petition for annexation is signed by property owners as provided for in *this act then no person shall be entitled to vote at such election unless at the time of the filing of the original petition he owned land in the district of record and in addition thereto at the date of election shall be a qualified

When so voting he shall file with the election officers such a written instrument of his authority. The judge or judges at such election shall make return thereof to the board of water commissioners, who shall canvass such return and cause a statement of the result of such election to be entered on the record of such commissioners. If the majority of the votes cast upon the question of such election shall be for annexation, then such territory shall immediately be and become annexed to such water district and the same shall then forthwith be a part of the said water district, the same as though originally included in such district. [1929 c 114 § 16; RRS § 11593-1.]

*Reviser's note: For "this act," see note following RCW 57.04.080.

57.24.060 Petition method is alternative to election method. The method of annexation provided for in RCW 57.24.070 through 57.24.100 shall be an alternative method to that specified in RCW 57.24.010 through 57.24.050. [1953 c 251 § 22.]

57.24.070 Petition method—Petition—Signers—Content—Certain public properties excluded from local improvement districts. Such county and state properties shall be excluded from local improvement districts or utility local improvement districts in the annexed area and from special assessments, rates, or charges of the district except where service has been regulated and provided to such properties. The owners of such property shall be invited to be included within local improvement districts or utility local improvement districts at the time they are proposed for formation. [1985 c 141 § 8; 1953 c 251 § 18.]

If the petition for annexation filed with the board of commissioners complies with the requirements of law, as proved to the satisfaction of the board of commissioners, it may entertain the petition, fix the date for public hearing thereon, and cause notice of the hearing to be published in one issue of a newspaper of general circulation in the area proposed to be annexed and also posted in three public places within the area proposed for annexation. The notice shall specify the time and place of hearing and invite interested persons to appear and voice approval or disapproval of the annexation. The expense of publication and posting of the notice shall be borne by the signers of the petition. [1953 c 251 § 19.]

57.28.011 Withdrawal authorized—Petition. Territory within an established water district for public supply systems may be withdrawn therefrom in the following manner and upon the following conditions: The petition for withdrawal shall be in writing and shall designate the boundaries of the territory proposed to be withdrawn from the district and shall be signed by at least twenty-five percent of the qualified electors residing within the territory so designated who are qualified electors on the date of filing such petition. The petition shall set forth that the territory proposed to be withdrawn is of such location or character that water cannot be furnished to it by such water district at reasonable cost, and shall further set forth that the withdrawal of such territory will be of benefit to such territory and conducive to the general welfare of the balance of the district. [1941 c 55 § 1; Rem. Supp. 1941 § 11604-1.]
57.28.020 Petition of residents. The petition for withdrawal shall be filed with the county election officer of each county in which the water district is located, and after the filing no person having signed the petition shall be allowed to withdraw his name therefrom. Within ten days after such filing, each county election officer shall examine and verify the signatures of signers residing in the county. For such purpose the county election officer shall have access to all appropriate registration books in the possession of the election officers of any incorporated city or town within the water district. The petition shall be transmitted to the election officer of the county in which the largest land area of the district is located, who shall certify to the sufficiency or insufficiency of the signatures. If such petition be found by such county election officer to contain sufficient signatures, the petition, together with a certificate of sufficiency attached thereto, shall be transmitted to the commissioners of the water district. [1982 1st ex.s. c 17 § 23; 1941 c 55 § 2; Rem. Supp. 1941 § 11604-2.]

57.28.030 Petition of landowners. The petition so signed shall be filed with the commissioners of the water district, and after such filing no person having signed the same shall be allowed to withdraw his name. [1941 c 55 § 3; Rem. Supp. 1941 § 11604-3.]

57.28.035 Alternative procedure—Resolution. As an alternative procedure to those set forth in RCW 57.28.010 through 57.28.030, the withdrawal of territory within a water district may be commenced by a resolution of the board of commissioners that sets forth boundaries of the territory to be withdrawn and sets a date for the public hearing required under RCW 57.28.050. Upon the final hearing, the commissioners shall make such changes in the proposed boundaries as they deem proper, except that no changes in the boundary lines may be made by the commissioners to include lands not within the boundaries of the territory as described in such resolution.

Whenever the board of commissioners proposes to commence the withdrawal of any portion of their territory located within a city or town using the alternative procedures herein authorized, they shall first notify such city or town of their intent to withdraw said territory. If the legislative authority of the city or town takes no action within sixty days of receipt of notification, the district may proceed with the resolution method.

If the city or town legislative authority disapproves of use of the alternative procedures, the board of commissioners may proceed using the process established pursuant to RCW 57.28.010 through 57.28.030.

A withdrawal procedure commenced under this section shall be subject to the procedures and requirements set forth in RCW 57.28.040 through 57.28.110. [1985 c 153 § 1.]

57.28.040 Notice of hearing—Bond for costs. Upon receipt by the commissioners of a petition and certificate of sufficiency of the auditor, or if the petition is signed by landowners and the commissioners are satisfied as to the sufficiency of the signatures thereon, they shall at a regular or special meeting fix a date for hearing on the petition and give notice that the petition has been filed, stating the time and place of the meeting of the commissioners at which the petition will be heard and setting forth the boundaries of the territory proposed to be withdrawn. The notice shall be published at least once a week for two successive weeks in a newspaper of general circulation therein, and if no such newspaper is printed in the county, then in some newspaper of general circulation in the county and district. Any additional notice of the hearing may be given as the commissioners may by resolution direct.

Prior to fixing the time for a hearing on any such petition, the commissioners in their discretion may require the petitioners to furnish a satisfactory bond conditioned that the petitioners shall pay all costs incurred by the water district in connection with the petition, including the cost of an election if one is held pursuant thereto, and should the petitioners fail or refuse to post such a bond, if one is required by the water commissioners, then there shall be no duty on the part of the commissioners to act upon the petition. [1985 c 469 § 59; 1951 c 112 § 3; 1941 c 55 § 4; Rem. Supp. 1941 § 11604-4.]

57.28.050 Hearing—Findings. The petition for withdrawal shall be heard at the time and place specified in such notice or the hearing may be adjourned from time to time, not exceeding one month in all, and any person may appear at such hearing and make objections to the withdrawal of such territory or to the proposed boundary lines thereof.

Upon final hearing on the petition for withdrawal, the commissioners of the water district shall make such changes in the proposed boundary lines as they deem to be proper, except that no changes in the boundary lines shall be made by the commissioners to include lands not within the boundaries of the territory as described in such petition. In establishing and defining such boundaries the commissioners shall exclude any property which is then being furnished with water by the water district or which is included in any distribution system the construction of which has been duly authorized or which is included within any duly established local improvement district or utility local improvement district, and the territory as finally established and defined must be substantial in area and consist of adjoining or contiguous properties. The commissioners shall thereupon make and by resolution adopt findings of fact as to the following questions:

(1) Would the withdrawal of such territory be of benefit to such territory?

(2) Would such withdrawal be conducive to the general welfare of the balance of the district?

Such findings shall be entered in the records of the water district, together with any recommendations the commissioners may by resolution adopt. [1986 c 109 § 1; 1941 c 55 § 5; Rem. Supp. 1941 § 11604-5.]
57.28.060 Transmission to county legislative authorities. Within ten days after the final hearing the commissioners of the water district shall transmit to the county legislative authority of each county in which the water district is located the petition for withdrawal together with a copy of the findings and recommendations of the commissioners of the water district certified by the secretary of the water district to be a true and correct copy of such findings and recommendations as the same appear on the records of the water district. [1982 1st ex.s. c 17 § 24; 1941 c 55 § 6; Rem. Supp. 1941 § 11604-6.]

Upon receipt of the petition and certified copy of the findings and recommendation adopted by the water commissioners, the county legislative authority of each county in which the district is located at a regular or special meeting shall fix a time and place for hearing thereon and shall cause to be published at least once a week for two or more weeks in successive issues of a newspaper of general circulation in the water district, a notice that such petition has been presented to the county legislative authority stating the time and place of the hearing thereon, setting forth the boundaries of the territory proposed to be withdrawn as such boundaries are established and defined in the findings or recommendations of the commissioners of the water district. [1982 1st ex.s. c 17 § 25; 1941 c 55 § 7; Rem. Supp. 1941 § 11604-7.]

57.28.080 Hearing—Findings. Such petition shall be heard at the time and place specified in such notice, or the hearing may be adjourned from time to time, not exceeding one month in all, and any person may appear at such hearing and make objections to the withdrawal of such territory. Upon final hearing on such petition the said county commissioners shall thereupon make, enter and by resolution adopt their findings of fact on the questions above set forth. If such findings of fact answer said questions affirmatively, and if they are the same as the findings made by the water district commissioners, then the county commissioners shall by resolution declare that such territory be withdrawn from such water district, and thereupon such territory shall be withdrawn and excluded from such water district the same as if it had never been included therein except for the lien of any taxes, and any alteration or change. [1941 c 55 § 8; Rem. Supp. 1941 § 11604-8.]

57.28.090 Election on withdrawal. If the findings of any county legislative authority answer any of such questions of fact in the negative, or if any of the findings of the county legislative authority are not the same as the findings of the water district commissioners upon the same question, then in either of such events, the petition for withdrawal shall be deemed denied. Thereupon, and in such event, the county legislative authority of each county in which the district is located shall by resolution cause a special election to be held not less than thirty days or more than sixty days from the date of the final hearing of any county legislative authority upon the petition for withdrawal, at which election the proposition expressed on the ballots shall be substantially as follows:

YES □ NO □"

[1982 1st ex.s. c 17 § 26; 1941 c 55 § 9; Rem. Supp. 1941 § 11604-9.]

57.28.100 Notice of election—Election—Canvass. Notice of such election shall be posted and published in the same manner provided by law for the posting and publication of notice of elections to annex territory to water districts. The territory described in the notice shall be that established and defined by the water district commissioners. All qualified voters residing within the water district shall have the right to vote at the election. If a majority of the votes cast favor the withdrawal from the water district of such territory, then within ten days after the official canvass of such election the county legislative authority of each county in which the district is located, shall by resolution establish that the territory has been withdrawn, and the territory shall thereupon be withdrawn and excluded from the water district the same as if it had never been included therein except for the lien of any taxes as hereinafter set forth. [1982 1st ex.s. c 17 § 27; 1941 c 55 § 10; Rem. Supp. 1941 § 11604-10.]

57.28.110 Taxes and assessments unaffected. Any and all taxes or assessments levied or assessed against property located in territory withdrawn from a water district shall remain a lien and be collectible as by law provided when such taxes or assessments are levied or assessed prior to such withdrawal or when such levies or assessments are duly made to provide revenue for the payment of general obligations or general obligation bonds of the water district duly incurred or issued prior to such withdrawal. 57.32.021 Procedure upon receipt of certificate of sufficiency—Agreement, contents—Comprehensive plan. Upon receipt by the boards of water commissioners of the districts proposed for consolidation, hereinafter referred to as the "consolidating districts", of the county auditor's certificate of sufficiency of the petitions, or upon adoption by the boards of water commissioners of the consolidating districts of their resolutions for consolidation, the boards of water commissioners of the consolidating districts shall, within ninety days, enter into an agreement providing for consolidation. The agreement shall set forth the method and manner of consolidation, a comprehensive plan or scheme of water supply for the consolidated district and, if the comprehensive plan or scheme of water supply provides that one or more of the consolidating districts or the proposed consolidated district issue revenue bonds for the construction and/or other costs of any part or all of said comprehensive plan, then the details thereof shall be set forth. The requirement that a comprehensive plan or scheme of water supply for the consolidated district be set forth in the agreement for consolidation, shall be satisfied if the existing comprehensive plans or schemes of the consolidating districts are incorporated therein by reference and any changes or additions thereto are set forth in detail. [1967 ex.s. c 39 § 8.]

57.32.022 Certification of agreement—Election, notice and conduct. The respective boards of water commissioners of the consolidating districts shall certify the agreement to the county election officer of each county in which the districts are located. A special election shall be called by the county election officer under RCW 57.02.060 for the purpose of submitting to the voters of each of the consolidating districts the proposition of whether or not the several districts shall be consolidated into one water district. The proposition shall give the title of the proposed consolidated district. Notice of the election shall be given and the election conducted in accordance with the general election laws. [1982 1st ex.s. c 17 § 31; 1967 ex.s. c 39 § 9.]

If at the election a majority of the voters in each of the consolidating districts vote in favor of the consolidation, the county canvassing board shall so declare in its canvass under RCW 57.02.060 and the return of such election shall be made within ten days after the date thereof. Upon the return the consolidation shall be effective and the consolidating districts shall cease to exist and shall then be and become a new water district and municipal corporation of the state of Washington. The name of such new water district shall be "Water District No. .... .", which shall be the name appearing on the ballot. The district shall have all and every power, right, and privilege possessed by other water districts of the state of Washington. The district may issue revenue bonds to pay for the construction of any additions and betterments set forth in the comprehensive plan of water supply contained in the agreement for consolidation and any future additions and betterments to the comprehensive plan of water supply, as its board of water commissioners shall by resolution adopt, without submitting a proposi-
tion therefor to the voters of the district. [1982 1st ex.s. c 17 § 32; 1967 ex.s. c 39 § 10.]

57.32.024 Vesting of funds and property in consolidated district—Outstanding indebtedness. [1967 ex.s. c 39 § 11.]

57.32.130 Commissioners—Number. The water commissioners of all water districts consolidated into any new consolidated water district shall become water commissioners thereof until their respective terms of office expire. At each election of water commissioners following the consolidation, only one position shall be filled, so that as the terms of office expire the total number of water commissioners in the consolidated water district shall be reduced to three. [1985 c 141 § 9; 1943 c 267 § 13; Rem. Supp. 1943 § 11604-32.]

57.32.160 Transfer of part of district—Procedure. A part of one water or sewer district may be transferred into an adjacent water district if the area can be better served thereby. Such transfer can be accomplished by a petition, directed to both districts, signed by the owners according to the records of the county auditor of not less than sixty percent of the area of land to be transferred. If a majority of the commissioners of each district approves the petition, copies of the approving resolutions shall be filed with the county legislative authority which shall act upon the petition as a proposed action in accordance with RCW 57.02.040. similarly situated as hereafter described, the territory of
which lies wholly or partly within, or which is adjoining or

between the closest points of approach of the territorial
boundaries of the respective districts. [1982 1st ex.s. c 17
§ 34; 1971 ex.s. c 146 § 1.]

57.40.110 Initiating merger—Alternative methods.
A merger of one or more sewer districts into a water district
may be initiated in any one of the following ways:
(1) Whenever the board of commissioners of the water
district, on the one hand, and the board of commissioners of
the sewer district or of the respective sewer districts seeking
to merge into the water district, on the other hand, each
determine by resolution that the merger of such sewer
district or sewer districts into the water district shall be
conducive to the public health, welfare and convenience and
to be of special benefit to the lands of such district so
desiring to merge.
(2) Whenever ten percent of the qualified electors
residing within each of the water districts and the sewer
district or districts involved petition the board of commis-

district into the water district.
(3) Whenever ten percent of the qualified electors
residing within the water district petition the board of water
commissioners for such a merger, and the board of sewer
commissioners of the district or each sewer district to be
merged determines by resolution that the merger of such
district into the water district will be conducive to the public
health, welfare and convenience of the two districts. [1971
ex.s. c 146 § 2.]

57.40.120 Agreement of merger—Board review—
Special election. Whenever a merger is initiated in any of
the three ways provided in RCW 57.40.110, the boards of
the water and sewer commissioners of the respective districts
involved shall enter into an agreement providing for the
merger. The agreement must be entered into within ninety
days following completion of the last act required for
initiation of the merger by any one of the means above
specified, as provided in RCW 57.40.110. Where two or
more sewer districts seek to merge into a water district at or
about the same time, there need be but one agreement of
merger signed by the water district and such two or more
sewer districts if the parties so agree.

Upon entry of such agreement, the boards of the water
and sewer commissioners shall file a notice of intention to
merge together with a copy of said agreement with the
boundary review board, if any, of the county and the board
shall review the proposed merger under the provisions of
RCW 36.93.150 through 36.93.180.

The respective boards of water and sewer commissi-

county auditor of the county in which the districts are

located within twenty days from date of execution of such agreement, with a certified copy thereof filed with the clerk of the board of county commissioners of such county. Thereupon, unless the boundary review board has disapproved the proposed merger the county auditor shall call a special election for the purpose of submitting to the voters of the sewer district or of each of the two or more sewer districts involved the proposition of whether the sewer district shall be merged into the water district. Notice of the election shall be given, and the election conducted, in accordance with the general election laws. [1971 ex.s. c 146 § 3.]

57.40.130 Election—Results—Effect—Commissioners—Terms. If at such election a majority of the voters in the sewer district or all or either of the sewer districts involved, shall vote in favor of the merger, the county election canvassing board shall so declare in its canvass, and the return of the election shall be made within ten days after the date of such election. Upon completion of the return the merger shall be effective as to the water district and each sewer district in which the majority of voters voted in favor of the merger, and each such sewer district shall cease to exist as a separate entity and the area within such sewer district shall become a part of the water district. The sewer commissioners of any sewer district so merged shall hold office as commissioners of the water district into which the sewer district was merged until their respective terms of office expire or until they resign from office if the resignation is before the expiration of their terms of office. At the district election immediately preceding the time when the total number of remaining water commissioners is reduced to two through expiration of terms of office or resignations, one water commissioner shall be elected for a four year term of office. At the next district election, one water commissioner shall be elected for a four [year] term of office and one shall be elected for a six year term of office. [1988 c 162 § 4.]

57.40.140 Disposition of funds, rights, and property—Indebtedness of merged sewer districts. All funds, rights and property, real and personal, of any sewer district merging into a water district shall vest in and become the property of the water district. Unless the agreement of merger provides to the contrary, any outstanding indebtedness of any form, owned by the sewer district, shall remain the obligation of and, as applicable, a lien upon the land, assets and/or revenue of the original district. The board of commissioners of the water district shall make such levies, assessments or charges upon said land or the sewer or water users therein as are necessary to pay any indebtedness of the merged sewer districts as and when the same mature. 57.90.050 Assessments to retire indebtedness. In the event a special district is disincorporated and the proceeds of the sale of any of its assets, together with moneys on hand in the treasury of the special district are insufficient to retire any outstanding indebtedness together with all costs and expenses of liquidation, the board of county commissioners shall levy assessments in the manner provided by law against the property in the special district in amounts sufficient to retire said indebtedness and pay such costs and expenses. [1963 c 55 § 5.]

57.90.100 Disposal of real property on abandonment of irrigation district right of way—Right of adjacent owners. Whenever as the result of abandonment of an irrigation district right of way real property held by an irrigation district is to be sold or otherwise disposed of, notice shall be given to the owners of lands adjoining that real property and such owners shall have a right of first refusal to purchase at the appraised price all or any part of the real property to be sold or otherwise disposed of which adjoins or is adjacent to their land.

Real property to be sold or otherwise disposed of under this section shall have been first appraised by the county assessor or by a person designated by him.

Notice under this section shall be sufficient if sent by registered mail to the owner, and at the address, as shown in the tax records of the county in which the land is situated.
Notice under this section shall be in addition to any other notice required by law.

After sixty days from the date of sending of notice, if no applications for purchase have been received by the irrigation district or other person or entity sending notice, the rights of first refusal of owners of adjoining lands shall be deemed to have been waived, and the real property may be sold or otherwise disposed of.

If two or more owners of adjoining lands apply to purchase the same real property, or apply to purchase overlapping parts of the real property, the respective rights of the applicants may be determined in the superior court of the county in which the real property is situated; and the court may divide the real property in question between some or all of the applicants or award the whole to one applicant, as justice may require.
