Notwithstanding the provisions of RCW 43.09.210 or of any statute to the contrary, transfers, as herein authorized, may be made within the same fund regardless of the various offices, departments or divisions of the city or town which may be affected.

**35.33.131 Funds received from sale of bonds and warrants—Expenditure program.** Moneys received from the sale of bonds or warrants shall be used for no other purpose than that for which they were issued and no expenditure shall be made for that purpose until the bonds have been duly authorized. If any unexpended fund balance remains from the proceeds realized from the bonds or warrants after the accomplishment of the purpose for which they were issued it shall be used for the redemption of such bond or warrant indebtedness. Where a budget contains an expenditure program to be financed from a bond issue to be authorized thereafter, no such expenditure shall be made or incurred until after the bonds have been duly authorized. [1969 ex.s. c 95 § 19.]

Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the board of county commissioners as required by RCW 84.52.020. [1969 ex.s. c 95 § 20.]

The report shall also show the receipts from all sources. [1969 ex.s. c 95 § 21.]

35.33.145 Contingency fund—Creation—Purpose—Support—Lapse. Every city or town may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in RCW 35.33.081 and 35.33.091. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in RCW 35.33.121: PROVIDED, That the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city or town at such time. Any moneys in the contingency fund at the end of the fiscal year shall not lapse except upon reappropriation by the council to another fund in the adoption of a subsequent budget. [1973 1st ex.s. c 195 § 21; 1969 ex.s. c 95 § 22.]

Severability—Effective dates—Construction—1973 1st ex.s. c 195: See notes following RCW 84.52.043.

35.33.147 Contingency fund—Withdrawals. No money shall be withdrawn from the contingency fund except by transfer to the appropriate operating fund authorized by a resolution or ordinance of the legislative body of the city or town, adopted by a majority vote of the entire legislative body, clearly stating the facts constituting the reason for the withdrawal or the emergency as the case may be, specifying the fund to which the withdrawn money shall be transferred. [1969 ex.s. c 95 § 23.]

35.33.151 Unexpended appropriations. All appropriations in any current operating fund shall lapse at the end of each fiscal year: PROVIDED, That this shall not prevent payments in the following year upon uncompleted programs or improvements in progress or on orders subsequently filled or claims subsequently billed for the purchase of material, equipment and supplies or for personal or contractual services not completed or furnished by the end of the fiscal year, all of which have been properly budgeted and contracted for prior to the close of such fiscal year but furnished or completed in due course thereafter.

All appropriations in a special fund authorized by ordinance or by state law to be used only for the purpose or purposes therein specified, including any cumulative reserve funds lawfully established in specific or general terms for any municipal purpose or purposes, or a contingency fund as authorized by RCW 35.33.145, shall not lapse, but shall be carried forward from year to year until fully expended or the purpose has been accomplished or abandoned, without necessity of reapproriation.

The accounts for budgetary control for each fiscal year shall be kept open for twenty days after the close of such fiscal year for the purpose of paying and recording claims for indebtedness incurred during such fiscal year; any claim presented after the twentieth day following the close of the fiscal year shall be paid from appropriations lawfully provided for the ensuing period, including those made available by provisions of this section, and shall be recorded in the accounts for the ensuing fiscal year. [1969 ex.s. c 95 § 25.]

Chapter 35.34

BIENNIAL BUDGETS
35.34.010 Legislative intent. The legislature hereby recognizes that the development and adoption of a budget by a city or town is a lengthy and intense process designed to provide adequate opportunities for public input and sufficient time for deliberation and enactment by the legislative authority. The legislature also recognizes that there are limited amounts of time available and that time committed for budgetary action reduces opportunities for deliberating other issues. It is, therefore, the intent of the legislature to authorize cities and towns to establish by ordinance a biennial budget and to provide the means for modification of such budget. This chapter and chapter 35A.34 RCW shall be known as the municipal biennial budget act. [1985 c 175 § 1.]

35.34.020 Application of chapter. This chapter applies to all cities of the first and second classes and to all towns, that have by ordinance adopted this chapter authorizing the adoption of a fiscal biennium budget. [1997 c 361 § 15; 1985 c 175 § 5.]

35.34.030 Definitions. Unless the context clearly indicates otherwise, the definitions in this section apply throughout this chapter.

(1) "Clerk" includes the officer performing the functions of a finance or budget director, comptroller, auditor, or by whatever title the officer may be known in any city or town. However, for cities over three hundred thousand, "clerk" means the budget director as authorized under RCW 35.32A.020.

(2) "Department" includes each office, division, service, system, or institution of the city or town for which no other statutory or charter provision is made for budgeting and accounting procedures or controls.

(3) "Legislative body" includes the council, commission, or any other group of officials serving as the legislative body of a city or town.

(4) "Chief administrative officer" includes the mayor of cities or towns having a mayor-council form of government, the commissioners in cities or towns having a commission form of government, the manager, or any other city or town official designated by the charter or ordinances of such city or town under the plan of government governing the same, or the budget or finance officer designated by the mayor, manager, or commissioners, to perform the functions, or portions thereof, contemplated by this chapter.

(5) "Fiscal biennium" means the period from January 1 of each odd-numbered year through December 31 of the next succeeding even-numbered year.

(6) "Fund" and "funds" where clearly used to indicate the plural of "fund" means the budgeting or accounting entity authorized to provide a sum of money for specified activities or purposes.

(7) "Funds" where not used to indicate the plural of "fund" means money in hand or available for expenditure or payment of a debt or obligation.

(8) Except as otherwise defined in this chapter, municipal accounting terms used in this chapter have the meaning prescribed by the state auditor pursuant to RCW 43.09.200. [1985 c 175 § 6.]

"Fiscal biennium" defined: RCW 1.16.020.

35.34.040 Biennial budget authorized—Limitations. All first and second class cities and towns are authorized to establish by ordinance a two-year fiscal biennium budget. The ordinance shall be enacted at least six months prior to commencement of the fiscal biennium and this chapter applies to all cities and towns which utilize a fiscal biennium budget. Cities and towns which establish a fiscal biennium budget are authorized to repeal such ordinance and provide for reversion to a fiscal year budget. The ordinance may only be repealed effective as of the conclusion of a fiscal biennium. However, the city or town shall comply with chapter 35.32A or 35.33 RCW, whichever the case may be, in developing and adopting the budget for the first fiscal year following repeal of the ordinance. [1994 c 81 § 56; 1985 c 175 § 7.]

35.34.050 Budget estimates—Submittal. On or before the second Monday of the fourth month prior to the beginning of the city's or town's next fiscal biennium, or at such other time as the city or town may provide by ordinance or charter, the clerk shall notify in writing the head of each department of a city or town to file with the clerk within fourteen days of the receipt of such notification, detailed estimates of the probable revenue from sources other than ad valorem taxation and of all expenditures required by the department for the ensuing fiscal biennium. The notice shall be accompanied by the proper forms provided by the clerk, prepared in accordance with the requirements and classification established by the state auditor. The clerk shall prepare the estimates for interest and debt redemption requirements and all other estimates, the preparation of which falls properly within the duties of the clerk's office. The chief administrative officers of the city or town shall submit to the clerk detailed estimates of all expenditures proposed to be financed from the proceeds of bonds or warrants not yet authorized, together with a statement of the proposed method of financing them. In the absence or disability of the official or person regularly in charge of a department, the duties required by this section shall devolve upon the person next in charge of such department. [1995 c 301 § 43; 1985 c 175 § 8.]

35.34.060 Budget estimates—Classification and segregation. All estimates of receipts and expenditures for the ensuing fiscal biennium shall be fully detailed in the biennial budget and shall be classified and segregated according to a standard classification of accounts to be adopted and prescribed by the state auditor after consultation.

35.34.070 Proposed preliminary budget. On or before the first business day in the third month prior to the beginning of the biennium of a city or town or at such other time as the city or town may provide by ordinance or charter, the clerk or other person designated by the charter, by ordinances, or by the chief administrative officer of the city or town shall submit to the chief administrative officer a proposed preliminary budget which shall set forth the complete financial program of the city or town for the ensuing fiscal biennium, showing the expenditure program requested by each department and the sources of revenue by which each such program is proposed to be financed.

The revenue section shall set forth in comparative and tabular form for each fund the actual receipts for the last completed fiscal biennium, the estimated receipts for the current fiscal biennium, and the estimated receipts for the ensuing fiscal biennium, which shall include the amount to be raised from ad valorem taxes and unencumbered fund balances estimated to be available at the close of the current fiscal biennium. However, if the city or town was not utilizing a fiscal biennium budget for the previous three years, it shall set forth its fiscal years’ revenues to reflect actual and estimated receipts as if it had previously utilized a biennial budgetary process.

The expenditure section shall set forth in comparative and tabular form for each fund and every department operating within each fund the actual expenditures for the last completed fiscal biennium, the appropriations for the current fiscal biennium, and the estimated expenditures for the ensuing fiscal biennium. However, if the city or town was not utilizing a fiscal biennium budget for the previous three years, it shall set forth its fiscal years’ expenditures to reflect actual and estimated levels as if it had previously utilized a biennial budgetary process. The expenditure section shall further set forth separately the salary or salary range for each office, position, or job classification together with the title or position designation thereof. However, salaries may be set out in total amounts under each department if a detailed schedule of such salaries and positions be attached and made a part of the budget document. [1985 c 175 § 10.]

35.34.080 Preliminary budget. The chief administrative officer shall prepare the preliminary budget in detail, making any revisions or additions to the reports of the department heads deemed advisable by such chief administrative officer. At least sixty days before the beginning of the city’s or town’s next fiscal biennium the chief administrative officer shall file it with the clerk as the recommendation of the chief administrative officer for the final budget. The clerk shall provide a sufficient number of copies of such preliminary budget and budget message to meet the reasonable demands of taxpayers therefor and have them available for distribution not later than six weeks before the beginning of the city’s or town’s next fiscal biennium. [1985 c 175 § 11.]

35.34.090 Budget message—Hearings. (1) In every city or town, a budget message prepared by or under the direction of the city’s or town’s chief administrative officer shall be submitted as a part of the preliminary budget to the city’s or town’s legislative body at least sixty days before the beginning of the city’s or town’s next fiscal biennium and shall contain the following:

(a) An explanation of the budget document;
(b) An outline of the recommended financial policies and programs of the city or town for the ensuing fiscal biennium;
(c) A statement of the relation of the recommended appropriation to such policies and programs;
(d) A statement of the reason for salient changes from the previous biennium in appropriation and revenue items; and
(e) An explanation for any recommended major changes in financial policy.

(2) Prior to the final hearing on the budget, the legislative body or a committee thereof shall schedule hearings on the budget or parts thereof, and may require the presence of department heads to give information regarding estimates and programs. [1985 c 175 § 12.]

35.34.100 Budget—Notice of hearing. Immediately following the filing of the preliminary budget with the clerk, the clerk shall publish a notice once a week for two consecutive weeks stating that the preliminary budget for the ensuing fiscal biennium has been filed with the clerk, that a copy thereof will be made available to any taxpayer who will call at the clerk’s office therefor, that the legislative body of the city or town will meet on or before the first Monday of the month next preceding the beginning of the ensuing fiscal biennium for the purpose of fixing the final budget, designating the date, time, and place of the legislative budget meeting, and that any taxpayer may appear thereat and be heard for or against any part of the budget. The publication of the notice shall be made in the official newspaper of the city or town if there is one, otherwise in a newspaper of general circulation in the city or town. If there is no newspaper of general circulation in the city or town, then notice may be made by posting in three public places fixed by ordinance as the official places for posting the city’s or town’s official notices. [1985 c 175 § 13.]

35.34.110 Budget—Hearing. The legislative body shall meet on the day fixed by RCW 35.34.100 for the purpose of fixing the final budget of the city or town at the time and place designated in the notice thereof. Any taxpayer may appear and be heard for or against any part of the budget. The hearing may be continued from day to day but not later than the twenty-fifth day prior to commencement of the city’s or town’s fiscal biennium. [1985 c 175 § 14.]

35.34.120 Budget—Adoption. Following conclusion of the hearing, and prior to the beginning of the fiscal biennium, the legislative body shall make such adjustments and changes as it deems necessary or proper and, after determining the allowance in each item, department, classification, and fund, shall by ordinance adopt the budget in its...

35.34.120

35.34.130 Budget—Mid-biennial review and modification. The legislative authority of a city or town having adopted the provisions of this chapter shall provide by ordinance for a mid-biennial review and modification of the biennial budget. The ordinance shall provide that such review and modification shall occur no sooner than eight months after the start nor later than conclusion of the first year of the fiscal biennium. The chief administrative officer shall prepare the proposed budget modification and shall provide for publication of notice of hearings consistent with publication of notices for adoption of other city or town ordinances. City or town ordinances providing for a mid-biennial review and modification shall establish procedures for distribution of the proposed modification to members of the city or town legislative authority, procedures for making copies available to the public, and shall provide for public hearings on the proposed budget modification. The budget modification shall be by ordinance approved in the same manner as are other ordinances of the city or town.

A complete copy of the budget modification as adopted shall be transmitted to the state auditor and to the association of Washington cities. [1995 c 301 § 45; 1985 c 175 § 15.]

35.34.140 Emergency expenditures—Nondebatable emergencies. Upon the happening of any emergency caused by violence of nature, casualty, riot, insurrection, war, or other unanticipated occurrence requiring the immediate preservation of order or public health, or for the property which has been damaged or destroyed by accident, or for public relief from calamity, or in settlement of approved claims for personal injuries or property damages, or to meet mandatory expenditures required by law enacted since the last budget was adopted, or to cover expenses incident to preparing for or establishing a new form of government authorized or assumed after adoption of the current budget, including any expenses incident to selection of additional or new officials required thereby, or incident to employee recruitment at any time, the city or town legislative body, upon the adoption of an ordinance, by the vote of one more than the majority of all members of the legislative body, stating the facts constituting the emergency and the estimated amount required to meet it, may make the expenditures therefor without notice or hearing. [1985 c 175 § 16.]

35.34.150 Emergency expenditures—Hearing. If a public emergency which could not reasonably have been foreseen at the time of filing the preliminary budget requires the expenditure of money not provided for in the budget, and if it is not one of the emergencies specifically enumerated in RCW 35.34.140, the city or town legislative body before allowing any expenditure therefor shall adopt an ordinance stating the facts constituting the emergency and the estimated amount required to meet it and declaring that an emergency exists.

The ordinance shall not be voted on until five days have elapsed after its introduction, and for passage shall require the vote of one more than the majority of all members of the legislative body of the city or town.

Any taxpayer may appear at the meeting at which the emergency ordinance is to be voted on and be heard for or against the adoption thereof. [1985 c 175 § 18.]

35.34.160 Emergency expenditures—Warrants—Payment. All expenditures for emergency purposes as provided in this chapter shall be paid by warrants from any available money in the fund properly chargeable with such expenditures. If, at any time, there is insufficient money on hand in a fund with which to pay such warrants as presented, the warrants shall be registered, bear interest, and be called in the same manner as other registered warrants as prescribed in RCW 35.21.320. [1985 c 175 § 19.]

35.34.170 Registered warrants—Payment. In adopting the final budget for any fiscal biennium, the legislative body shall appropriate from estimated revenue sources available, a sufficient amount to pay the principal and interest on all outstanding registered warrants issued since the adoption of the last preceding budget except those issued and identified as revenue warrants and except those for which an appropriation previously has been made. However, no portion of the revenues which are restricted in use by law may be appropriated for the redemption of warrants issued against a utility or other special purpose fund of a self-supporting nature. In addition, all or any portion of the city's or town's outstanding registered warrants may be funded into bonds in any manner authorized by law. [1985 c 175 § 20.]

35.34.180 Adjustment of wages, hours, and conditions of employment. Notwithstanding the appropriations for any salary or salary range of any employee or employees adopted in a final budget, the legislative body of any city or town may, by ordinance, change the wages, hours, and conditions of employment of any or all of its appointive employees if sufficient funds are available for appropriation to such purposes. [1985 c 175 § 21.]

35.34.190 Forms—Accounting—Supervision by state. The state auditor is empowered to make and install the forms and classifications required by this chapter to define what expenditures are chargeable to each budget class and to establish the accounting and cost systems necessary to secure accurate budget information. [1995 c 301 § 47; 1985 c 175 § 22.]

35.34.200 Funds—Limitations on expenditures—Transfers and adjustments. (1) The expenditures as classified and itemized in the final budget shall constitute the city's or town's appropriations for the ensuing fiscal bienni-
um. Unless otherwise ordered by a court of competent jurisdiction, and subject to further limitations imposed by ordinance of the city or town, the expenditure of city or town funds or the incurring of current liabilities on behalf of the city or town shall be limited to the following:

(a) The total amount appropriated for each fund in the budget for the current fiscal biennium, without regard to the individual items contained therein, except that this limitation does not apply to wage adjustments authorized by RCW 35.34.180;

(b) The unexpended appropriation balances of a preceding budget which may be carried forward from prior fiscal periods pursuant to RCW 35.34.270;

(c) Funds received from the sale of bonds or warrants which have been duly authorized according to law;

(d) Funds received in excess of estimated revenues during the current fiscal biennium, when authorized by an ordinance amending the original budget; and

(e) Expenditures authorized by budget modification as provided by RCW 35.34.130 and those required for emergencies, as authorized by RCW 35.34.140 and 35.34.150.

(2) Transfers between individual appropriations within any one fund may be made during the current fiscal biennium by order of the city's or town's chief administrative officer subject to such regulations, if any, as may be imposed by the city or town legislative body. Notwithstanding the provisions of RCW 43.09.210 or of any statute to the contrary, transfers, as authorized in this section, may be made within the same fund regardless of the various offices, departments, or divisions of the city or town which may be affected.

(3) The city or town legislative body, upon a finding that it is to the best interests of the city or town to decrease, revoke, or recall all or any portion of the total appropriations provided for any one fund, may, by ordinance, approved by the vote of one more than the majority of all members thereof, stating the facts and findings for doing so, decrease, revoke, or recall all or any portion of an unexpended fund balance, and by said ordinance, or a subsequent ordinance adopted by a like majority, the moneys thus released may be reappropriated for another purpose or purposes, without limitation to department, division, or fund, unless the use of such moneys is otherwise restricted by law, charter, or ordinance. [1985 c 175 § 23.]

35.34.205 Administration, oversight, or supervision of utility—Reimbursement from utility budget authorized. Whenever any city or town apports a percentage of the city manager's, administrator's, or supervisor's time, or the time of other management or general government staff, for administration, oversight, or supervision of a utility operated by the city or town, or to provide services to the utility, the utility budget may identify such services and budget for reimbursement of the city's or town's current expense fund for the value of such services. [1991 c 152 § 2.]

35.34.210 Liabilities incurred in excess of budget. Liabilities incurred by any officer or employee of the city or town in excess of any budget appropriations shall not be a liability of the city or town. The clerk shall issue no warrant and the city or town legislative body or other authorized person shall approve no claim for an expenditure in excess of the total amount appropriated for any individual fund, except upon an order of a court of competent jurisdiction or for emergencies as provided in this chapter. [1985 c 175 § 24.]

35.34.220 Funds received from sales of bonds and warrants—Expenditures. Moneys received from the sale of bonds or warrants shall be used for no other purpose than that for which they were issued and no expenditure shall be made for that purpose until the bonds have been duly authorized. If any unexpended fund balance remains from the proceeds realized from the bonds or warrants after the accomplishment of the purpose for which they were issued, it shall be used for the redemption of such bond or warrant indebtedness. Where a budget contains an expenditure program to be financed from a bond issue to be authorized thereafter, no such expenditure shall be made or incurred until after the bonds have been duly authorized. [1985 c 175 § 25.]

35.34.230 Revenue estimates—Amount to be raised by ad valorem taxes. At a time fixed by the city's or town's ordinance or city charter, not later than the first Monday in October of the second year of each fiscal biennium, the chief administrative officer shall provide the city's or town's legislative body with current information on estimates of revenues from all sources as adopted in the budget for the current biennium, together with estimates submitted by the clerk under RCW 35.34.070. The city's or town's legislative body and the city's or town's administrative officer or the officer's designated representative shall consider the city's or town's total anticipated financial requirements for the ensuing fiscal biennium, and the legislative body shall determine and fix by ordinance the amount to be raised the first year of the biennium by ad valorem taxes. The legislative body shall review such information as is provided by the chief administrative officer and shall adopt an ordinance establishing the amount to be raised by ad valorem taxes during the second year of the biennium. Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the county legislative authority as required by RCW 84.52.020. [1985 c 175 § 26.]

35.34.240 Funds—Quarterly report of status. At such intervals as may be required by city charter or city or town ordinance, however, being not less than quarterly, the clerk shall submit to the city's or town's legislative body and chief administrative officer a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding reporting period and like information for the whole of the current fiscal biennium to the first day of the current reporting period together with the unexpended balance of each appropriation. The report shall also show the receipts from all sources. [1985 c 175 § 27.]

35.34.250 Contingency fund—Creation. Every city or town may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been
foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in RCW 35.34.140 and 35.34.150. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in RCW 35.34.200. However, the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city or town at such time. Any moneys in the emergency fund at the end of the fiscal biennium shall not lapse except upon reappropriation by the council to another fund in the adoption of a subsequent budget. [1985 c 175 § 28.]

35.34.260 Contingency fund—Withdrawals. No money shall be withdrawn from the contingency fund except by transfer to the appropriate operating fund authorized by a resolution or ordinance of the legislative body of the city or town, adopted by a majority vote of the entire legislative body, clearly stating the facts constituting the reason for the withdrawal or the emergency as the case may be, specifying the fund to which the withdrawn money shall be transferred. [1985 c 175 § 29.]

35.34.270 Unexpended appropriations. All appropriations in any current operating fund shall lapse at the end of each fiscal biennium. However, this shall not prevent payments in the following biennium upon uncompleted programs or improvements in progress or on orders subsequently filled or claims subsequently billed for the purchase of material, equipment, and supplies or for personal or contractual services not completed or furnished by the end of the fiscal biennium, all of which have been properly budgeted and contracted for prior to the close of such fiscal biennium, but furnished or completed in due course thereafter.

All appropriations in a special fund authorized by ordinance or by state law to be used only for the purpose or purposes therein specified, including any cumulative reserve funds lawfully established in specific or general terms for any municipal purpose or purposes, or a contingency fund as authorized by RCW 35.34.250, shall not lapse, but shall be carried forward from biennium to biennium until fully expended or the purpose has been accomplished or abandoned, without necessity of reappropriation.

The accounts for budgetary control for each fiscal biennium shall be kept open for twenty days after the close of such fiscal biennium for the purpose of paying and recording claims for indebtedness incurred during such fiscal biennium; any claim presented after the twentieth day following the close of the fiscal biennium shall be paid from appropriations lawfully provided for the ensuing period, including those made available by provisions of this section, and shall be recorded in the accounts for the ensuing fiscal biennium. [1985 c 175 § 30.]

35.34.280 Violations and penalties. Upon the conviction of any city or town official, department head, or other city or town employee of knowingly failing, or refusing, without just cause, to perform any duty imposed upon such officer or employee by this chapter, or city charter or city or town ordinance, in connection with the giving of notice, the preparing and filing of estimates of revenues or expenditures or other information required for preparing a budget report in the time and manner required, or of knowingly making expenditures in excess of budget appropriations, the official or employee shall be guilty of a misdemeanor and shall be fined not more than five hundred dollars for each separate violation. [1985 c 175 § 31.]

The county auditor shall register bonds so filed, and the county legislative authority at its next session at which it levies the annual county tax shall add to the city's or town's levy a sum sufficient to realize the amount of principal and interest past due and to become due prior to the next annual levy to be collected and held by the county treasurer and paid out only upon warrants drawn by the county auditor as the payments mature in favor of the owner of the bond as shown by the auditor's register. Similar levies shall be made in each succeeding year until the bonds and any coupons or interest payments are fully satisfied.

This remedy is alternative and in addition to any other remedy which the owner of such a bond or coupon may have. [1983 c 167 § 38; 1965 c 7 § 35.37.120. Prior: 1891 c 128 § 9; RRS § 9547.]

Chapter 35.42 LEASES

LEASING OF SPACE WITH OPTION TO PURCHASE—1959 ACT

35.42.010 Purpose. It is the purpose of RCW 35.42.010 through 35.42.090 to supplement existing law for the leasing of space by cities and towns to provide for the leasing of such space through leases with an option to purchase and the acquisition of buildings erected upon land owned by a city or town upon the expiration of a lease of such land. [1965 c 7 § 35.42.010. Prior: 1959 c 80 § 1.]

35.42.020 Building defined. The term "building" as used in RCW 35.42.010 through 35.42.090 shall be construed to mean any building or buildings used as a part of, or in connection with, the operation of a city or town, and shall include the site and appurtenances, including but not limited to, heating facilities, water supply, sewage disposal, landscaping, walks, and drives. [1965 c 7 § 35.42.020. Prior: 1959 c 80 § 2.]

35.42.030 Authority to lease. Any city or town may, as lessee, lease a building for its use for a term of not to exceed fifty years. [1965 c 7 § 35.42.030. Prior: 1959 c 80 § 3.]

35.42.040 Renewals—Option to purchase. A lease of a building executed pursuant to RCW 35.42.010 through 35.42.090 may grant the lessee city or town an option to renew for a further term on like conditions, or an option to purchase the building covered by the lease at any time prior to the expiration of the term. A lease with an option to purchase shall provide that all sums paid as rent up to the time of exercising the option shall be credited toward the payment of the purchase price as of the date of payment. No lease shall provide, nor be construed to provide, that any city or town shall be under any obligation to purchase the leased building. [1965 c 7 § 35.42.040. Prior: 1959 c 80 § 4.]

35.42.050 Provisions to pay taxes, insurance, make repairs, improvements, etc. A lease of a building may provide that as a part of the rental, the lessee city or town may pay taxes and assessments on the leased building, maintain insurance thereon for the benefit of the lessor, and assume responsibilities for repair, replacement, alterations, and improvements during the term of the lease. [1965 c 7 § 35.42.050. Prior: 1959 c 80 § 5.]

35.42.060 Execution of lease prior to construction—Lessor's bond—City not obligated for construction costs. A city or town may, in anticipation of the acquisition of a site and the construction of a building, execute a lease, as lessee, prior to the actual acquisition of a site and the
construction of a building, but the lease shall not require payment of rental by the lessee until the building is ready for occupancy. The lessor shall furnish a bond satisfactory to the lessee conditioned on the delivery of possession of the completed building to the lessee city or town at the time prescribed in the lease, unavoidable delay excepted. The lease shall provide that no part of the cost of construction of the building shall ever become an obligation of the lessee city or town. [1965 c 7 § 35.42.060. Prior: 1959 c 80 § 6.]

35.42.070  Lease of city land for building purposes and lease back of building by city. Any city or town desiring to have a building for its use erected on land owned, or to be acquired, by it, may, as lessor, lease the land for a reasonable rental for a term of not to exceed fifty years: PROVIDED, That the city or town shall lease back the building or a portion thereof for the same term. The leases shall contain terms as agreed upon between the parties, and shall include the following provisions:

(1) No part of the cost of construction of the building shall ever be or become an obligation of the city or town.

(2) The city or town shall have a prior right to occupy any or all of the building upon payment of rental as agreed upon by the parties, which rental shall not exceed prevailing rates for comparable space.

(3) During any time that all or any portion of the building is not required for occupancy by the city or town, the lessee of the land may rent the unneeded portion to suitable tenants approved by the city or town.

(4) Upon the expiration of the lease, all buildings and improvements on the land shall become the property of the city or town. [1965 c 7 § 35.42.070. Prior: 1959 c 80 § 7.]

35.42.080  Lease of city land for building purposes and lease back of building by city—Bids. A lease and lease back agreement requiring a lessee to build on city or town property shall be made pursuant to a call for bids upon terms most advantageous to the city or town. The call for bids shall be given by posting notice thereof in a public place in the city or town and by publication in the official newspaper of the city or town once each week for two consecutive weeks before the date fixed for opening the bids. The city council or commission of the city or town may by resolution reject all bids and make further calls for bids in the same manner that the original call was given. If no bid is received on the first call, the city council or commission may readvertise and make a second call, or may execute a lease without any further call for bids. [1985 c 469 § 28; 1965 c 7 § 35.42.080. Prior: 1959 c 80 § 8.]

LEASING OF REAL OR PERSONAL PROPERTY OR PROPERTY RIGHTS WITH OR WITHOUT OPTION TO PURCHASE—1963 ACT

35.42.200  Leases authorized—Ballot proposition. Any city or town may execute leases for a period of years with or without an option to purchase with the state or any of its political subdivisions, with the government of the United States, or with any private party for the lease of any real or personal property, or property rights: PROVIDED, That with respect only to leases that finance the acquisition of property by the lessee, the aggregated portions of lease payments over the term of the lease which are allocable to principal shall constitute debt, which shall not result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town computed in accordance with RCW 39.36.030, unless a proposition in regard to whether or not such a lease may be executed is submitted to the voters for their approval or rejection in the same manner that bond issues for capital purposes are submitted, and the voters approve the same. [1990 c 205 § 1; 1965 c 7 § 35.42.200. Prior: 1963 c 170 § 1.]

35.42.210  Exercise of option to purchase. If at the time an option to purchase is exercised the remaining amount to be paid in order to purchase the real or personal property leased after crediting the rental payments toward the total purchase price therefor does not result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town computed in accordance with RCW 39.36.030, such a city or town may exercise its option to purchase such property. If such remaining amount to be paid to purchase such leased property will result in a total indebtedness in excess of one and one-half percent of the taxable property of such city or town, a proposition in regard to whether or not to purchase the property shall be submitted to the voters for approval or rejection in the same manner that bond issues for capital purposes are submitted to the voters. [1965 c 7 § 35.42.210. Prior: 1963 c 170 § 2.]

35.42.220  Budgeting rental payments—Bids—Construction of agreement where rental equals purchase price. The annual budget of a city shall provide for the payment of rental that falls due in the year for which the budget is applicable: PROVIDED, That if the cost of the real or personal property to be leased exceeds the amounts specified in RCW 35.23.352 prior to the execution of a lease with option to purchase therefor, the city or town shall call for bids in accordance with RCW 35.23.352: PROVIDED. That if at the expiration of a lease with option to purchase a city or town exercises such an option, the fact that the rental payments theretofore made equal the amount of the purchase price of the real or personal property involved in such lease shall not preclude the agreement from being a lease with
option to purchase up to the date of the exercising of the
option. [1965 c 7 § 35.42.220. Prior: 1963 c 170 § 3.]

35.43.042 Authority to establish utility local improvement districts—Procedure. Whenever the legislative authority of any city or town has provided pursuant to law for the acquisition, construction, reconstruction, purchase, condemnation and purchase, addition to, repair, or renewal of the whole or any portion of a:

(1) System for providing the city or town and the inhabitants thereof with water, which system includes as a whole or as a part thereof water mains, hydrants or appurtenances which are authorized subjects for local improvements under RCW 35.43.040(13) or other law; or a

(2) System for providing the city or town with sewerage and storm or surface water disposal, which system includes as a whole or as a part thereof drains, sewers or sewer appurtenances which are authorized subjects for local improvements under RCW 35.43.040(7) or other law; or

(3) Off-street parking facilities; and

Has further provided in accordance with any applicable provisions of the Constitution or statutory authority for the issuance and sale of revenue bonds to pay the cost of all or a portion of any such system, such legislative authority shall have the authority to establish utility local improvement districts, and to levy special assessments on all property specially benefited by any such local improvement to pay in whole or in part the damages or costs of any local improvements so provided for.

The initiation and formation of such utility local improvement districts and the levying, collection and enforcement of assessments shall be in the manner and subject to the same procedures and limitations as are now or hereafter provided by law for the initiation and formation of local improvement districts in cities and towns and the levying, collection and enforcement of assessments pursuant thereto.

It must be specified in any petition or resolution initiating the formation of such a utility local improvement district in a city or town and in the ordinance ordered pursuant thereto, that the assessments shall be for the sole purpose of payment into such revenue bond fund as may be specified by the legislative authority for the payment of revenue bonds issued to defray the cost of such system or facilities or any portion thereof as provided for in this section.

Assessments in any such utility local improvement district may be made on the basis of special benefits up to but not in excess of the total cost of the local improvements portion of any system or facilities payable by issuance of revenue bonds. No warrants or bonds shall be issued in any such utility local improvement district, but the collection of interest and principal on all assessments in such utility local improvement district, when collected, shall be paid into any such revenue bond fund.

When in the petition or resolution for establishment of a local improvement district and in the ordinance ordered pursuant thereto, it is specified or provided that the assessments shall be for the sole purpose of payment into a revenue bond fund for the payment of revenue bonds, then the local improvement district shall be designated a "utility local improvement district".

The provisions of chapters 35.45, 35.47 and 35.48 RCW shall have no application to utility local improvement districts created under authority of this section. [1969 ex.s. c 258 § 2; 1967 c 52 § 1.]

Construction—1967 c 52: “The authority granted by this 1967 amendatory act shall be considered an alternative and additional method of securing payment of revenue bonds issued for the purposes specified in RCW 35.43.042 and shall not be construed as a restriction or limitation upon any other method for providing for the payment of any such revenue bonds.” [1967 c 52 § 27.]

Severability—1967 c 52: “If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.” [1967 c 52 § 29.]

The above two annotations apply to 1967 c 52. For codification of that act, see Codification Tables, Volume 0.

35.43.043 Conversion of local improvement district into utility local improvement district. The legislative authority of any city or town may by ordinance convert any then existing local improvement district into a utility local improvement district at any time prior to the adoption of an ordinance approving and confirming the final assessment roll of such local improvement district. The ordinance so converting the local improvement district shall provide for the payment of the special assessments levied in that district into the special fund established or to be established for the payment of revenue bonds issued to defray the cost of the local improvement in that district. [1967 c 52 § 28.]

The action and decision of the council as to all matters passed upon by it in relation to any petition or resolution shall be final and conclusive. No lawsuit whatsoever may be maintained.
challenging the jurisdiction or authority of the council to proceed with the improvement and creating the local improvement district or in any way challenging the validity thereof or any proceedings relating thereto unless that lawsuit is served and filed no later than thirty days after the date of passage of the ordinance ordering the improvement and creating the district or, when applicable, no later than thirty days after the expiration of the thirty-day protest period provided in RCW 35.43.180. [1969 ex.s. c 258 § 4; 1965 c 7 § 35.43.100. Prior: 1911 c 98 § 19; RRS § 9371.]

(1) Any local improvement payable in whole or in part by special assessments which includes a charge for the cost and expense of operation and maintenance of escalators or moving sidewalks shall be initiated only upon a petition signed by the owners of two-thirds of the lineal frontage upon the improvement to be made and two-thirds of the area within the limits of the proposed improvement district;

(2) If the management of park drives, parkways, and boulevards of a city has been vested in a board of park commissioners or similar authority: PROVIDED, That the proceedings may be initiated by a resolution, if the ordinance is passed at the request of the park board or similar authority therefor specifying the particular drives, parkways, or boulevards, or portions thereof to be improved and the nature of the improvement. [1981 c 313 § 10; 1965 c 7 § 35.43.110. Prior: 1957 c 144 § 3; prior: (i) 1911 c 98 § 58, part; RRS § 9411, part. (ii) 1945 c 190 § 1, part; 1915 c 168 § 6, part; 1913 c 131 § 1, part; 1911 c 98 § 6, part; Rem. Supp. 1945 § 9357, part.]

Severability—1981 c 313: See note following RCW 36.94.020.

35.43.120 Petition—Requirements. Any local improvement may be initiated upon a petition signed by the owners of property aggregating a majority of the area within the proposed district. The petition must briefly describe: (1) The nature of the proposed improvement, (2) the territorial extent of the proposed improvement, (3) what proportion of the area within the proposed district is owned by the petitioners as shown by the records in the office of the county auditor, and (4) the fact that actual assessments may vary from assessment estimates so long as they do not exceed a figure equal to the increased true and fair value the improvement, or street lighting, adds to the property.

If any of the property within the area of the proposed district stands in the name of a deceased person, or of any person for whom a guardian has been appointed and not discharged, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property on the petition. The petition must be filed with the clerk or with such other officer as the city or town by charter or ordinance may require. [1989 c 243 § 1; 1981 c 323 § 1; 1969 ex.s. c 258 § 5; 1965 c 7 § 35.43.120. Prior: 1957 c 144 § 6; prior: 1911 c 98 § 9, part; RRS § 9360, part.]

35.43.125 Petition—Notice and public hearing required. A public hearing shall be held on the creation of a proposed local improvement district or utility local improvement district that is initiated by petition. Notice requirements for this public hearing shall be the same as for the public hearing on the creation of a proposed local improvement district or utility local improvement district that is initiated by resolution. [1987 c 315 § 2.]

35.43.130 Preliminary estimates and assessment roll. Upon the filing of a petition or upon the adoption of a resolution, as the case may be, initiating a proceeding for the formation of a local improvement district or utility local improvement district, the proper board, officer, or authority designated by charter or ordinance to make the preliminary estimates and assessment roll shall cause an estimate to be made of the cost and expense of the proposed improvement and certify it to the legislative authority of the city or town together with all papers and information in its possession touching the proposed improvement, a description of the boundaries of the district, and a statement of what portion of the cost and expense of the improvement should be borne by the property within the proposed district.

If the proceedings were initiated by petition the designated board, officer or authority shall also determine the sufficiency of the petition and whether the facts set forth therein are true. If the petition is found to be sufficient and in all proceedings initiated by resolution of the legislative authority of the city or town, the estimates must be accompanied by a diagram showing thereon the lots, tracts, and parcels of land and other property which will be specially benefited by the proposed improvement and the estimated amount of the cost and expense thereof to be borne by each lot, tract, or parcel of land or other property: PROVIDED, That no such diagram shall be required where such estimates are on file in the office of the city engineer, or other designated city office, together with a detailed copy of the preliminary assessment roll and the plans and assessment maps of the proposed improvement.

For the purpose of estimating and levying local improvement assessments, the value of property of the United States, of the state, of any county, city, town, school district, or other public corporation whose property is not assessed for general taxes shall be computed according to the standards afforded by similarly situated property which is assessed for general taxes. 35.43.140 Resolutions—Contents, publication—Hearing, by whom held. Any local improvement to be paid for in whole or in part by the levy and collection of assessments upon the property within the proposed improvement district may be initiated by a resolution of the city or
town council or other legislative authority of the city or town, declaring its intention to order the improvement, setting forth the nature and territorial extent of the improvement, containing a statement that actual assessments may vary from assessment estimates so long as they do not exceed a figure equal to the increased true and fair value the improvement, or street lighting, adds to the property, and notifying all persons who may desire to object thereto to appear and present their objections at a time to be fixed therein.

In case of dikes or other structures to protect the city or town or any part thereof from overflow or to open, deepen, straighten, or enlarge watercourses, waterways and other channels the resolution must set forth the place of commencement and ending thereof and the route to be used.

In the case of auxiliary water systems, or extensions thereof or additions thereto for protection of the city or town or any part thereof from fire, the resolution must set forth the routes along which the auxiliary water system or extensions thereof or additions thereto are to be constructed and specifications of the structures or works necessary thereto or forming a part thereof.

The resolution shall be published in at least two consecutive issues of the official newspaper of the city or town, the first publication to be at least fifteen days before the day fixed for the hearing.

The hearing herein required may be held before the city or town council, or other legislative authority, or before a committee thereof. The legislative authority of a city or town may designate an officer to conduct the hearings. The committee or hearing officer shall report recommendations on the resolution to the legislative authority for final action. Notice of the hearing upon a resolution declaring the intention of the legislative authority of a city or town to order an improvement shall be published by mail at least fifteen days before the day fixed for hearing to the owners or reputed owners of all lots, tracts, and parcels of land or other property to be specially benefited by the proposed improvement, as shown on the rolls of the county assessor, directed to the address thereon shown.

35.43.180 Restraint by protest. The jurisdiction of the legislative authority of a city or town to proceed with any local improvement initiated by resolution shall be divested by a protest filed with the city or town council within thirty days from the date of passage of the ordinance or resolution ordering the improvement, signed by the owners of the property within the proposed local improvement district or utility local improvement district subject to sixty percent or more of the total cost of the improvement including federally-owned or other nonassessable property as shown and determined by the preliminary estimates and assessment roll of the proposed improvement district or, if all or part of the local improvement district or utility local improvement district lies outside of the city or town, such jurisdiction shall be divested by a protest filed in the same manner and signed by the owners of property which is within the proposed local improvement district or utility local improvement district but outside the boundaries of the city or town, which is subject to sixty percent or more of that part of the total cost of the improvement allocable to property within the proposed local improvement district or utility local improvement district but outside the boundaries of the city or town, including federally-owned or other nonassessable property: PROVIDED. That such restraint by protest shall not apply to any of the following local improvements, if the legislative body finds and recites in the ordinance or resolution authorizing the improvement that such improvement is necessary for the protection of the public health and safety and such ordinance or resolution is passed by unanimous vote of all members present: (1) Sanitary sewers or water mains where the health officer of the city or town, or department of ecology, files with the legislative authority a report showing the necessity for such improvement; and (2) fire hydrants where the chief of the fire department files a report showing the necessity for such improvement. Severability—1983 c 303: See RCW 36.60.905.

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.43.182 Waivers of protest—Recording—Limits on enforceability. If an owner of property enters into an agreement with a city or town waiving the property owner’s right under RCW 35.43.180 to protest formation of a local improvement district, the agreement must specify the improvements to be financed by the district and shall set forth the effective term of the agreement, which shall not exceed ten years. The agreement must be recorded with the auditor of the county in which the property is located. It is against public policy and void for an owner, by agreement, as a condition imposed in connection with proposed property development, or otherwise, to waive rights to object to the
property owner's individual assessment (including the determination of special benefits allocable to the property),
or to appeal to the superior court the decision of the city or
town council affirming the final assessment roll. [1988 c 179 § 8.]  

35.43.184 Preformation expenditures. The city or town engineer or other designated official may contract with
owners of real property to provide for payment by the
owners of the cost of the preparation of engineering plans,
surveys, studies, appraisals, legal services, and other expen-
ses associated with improvements to be financed in whole or
in part by a local improvement district (not including the
cost of actual construction of such improvements), that the
owners elect to undertake. The contract may provide for
reimbursement to the owner of such costs from the proceeds
of bonds issued by the district after formation of a district
under this chapter, from assessments paid to the district as
appropriate, or by a credit in the amount of such costs
against future assessments assessed against such property
under the district. Such reimbursement shall be made to the
owner of the property at the time of reimbursement. The
contract shall also provide that such costs shall not be reim-
bursed to the owner if a district to construct the specified
improvements (as the project may be amended) is not
formed within six years of the date of the contract. The
contract shall provide that any preformation work shall be
conducted only under the direction of the city or town
engineer or other appropriate city or town authority. [1988 c 179 § 9.]  

35.43.186 Credits for other assessments. A city or
town ordering a local improvement upon which special assessments on property specifically benefited by the
improvement are levied and collected, may provide as part of the ordinance creating the local improvement district that
monies paid or the cost of facilities constructed by a
property owner in the district in satisfaction of obligations
under chapter 39.92 RCW, shall be credited against assessments
due from the owner of such property at the time the
credit is made, if those monies paid or facilities constructed
directly defray the cost of the specified improvements under
the district and if credit for such amounts is reflected in the
final assessment roll confirmed for the district. [1988 c 179 § 10.]  

35.43.188 Assessment reimbursement accounts. A city or
town ordering a local improvement upon which special assessments on property specifically benefited by the
improvement are levied and collected, may provide as part of the ordinance creating the local improvement district that
the payment of an assessment levied for the district on
underdeveloped properties may be made by owners of other
properties within the district, if they so elect, subject to
terms for reimbursement shall require the owners of under-
developed properties on whose behalf payments of assessments
have been made to reimburse all such assessment payments to the party who made them when those properties are
developed or redeveloped, together with interest at a rate
specified in the ordinance. The ordinance may provide that
reimbursement shall be made on a one-time, lump sum basis,
or may provide that reimbursement shall be made over a
period not to exceed five years. The ordinance may provide that
reimbursement shall be made no later than the time of
dissolution of the district, or may provide that no reimburse­
ment is due if the underdeveloped properties are not devel­
oped or redeveloped before the dissolution of the district.
Reimbursement amounts due from underdeveloped properties
under this section are liens upon the underdeveloped proper­
tries in the same manner and with like effect as assessments
made under this chapter. For the purposes of this section,
"underdeveloped properties" may include those properties
that, in the discretion of the legislative body of the city or
town, (1) are undeveloped or are not developed to their
highest and best use, and (2) are likely to be developed or
redeveloped before the dissolution of the district. [1988 c 179 § 11.]  

35.43.190 Work—By contract or by city or public
corporation. All local improvements, the funds for the
making of which are derived in whole or in part from assess­
ments upon property specially benefited shall be made by
contract on competitive bids whenever the estimated cost of
such improvement including the cost of materials, supplies,
labor, and equipment will exceed the sum of five thousand
dollars. The city, town, or public corporation may reject any
and all bids. The city, town, or public corporation itself may
make the local improvements if all the bids received exceed
by ten percent preliminary cost estimates prepared by an
independent consulting engineer or registered professional
engineer retained for that purpose by the city, town, or
public corporation. [1987 c 242 § 3; 1971 ex.s.s. c 116 § 6;

benefited. Any city or town in this state owning and
operating a municipal street railway over one hundred miles
of track shall have power to provide for purchasing, or
otherwise acquiring, or constructing and equipping surface,
subway and elevated street railways and extensions thereof,
and to levy and collect special assessments on property
specially benefited thereby, for paying the cost and expense
of the same or any portion thereof, as hereinafter provided.

35.44.030 Assessment district—Zones. For the purpose of ascertaining the amount to be assessed against each separate lot, tract, parcel of land or other property therein, the local improvement district or utility local improvement district shall be divided into subdivisions or zones paralleling the margin of the street, avenue, lane, alley, boulevard, park drive, parkway, public place or public square to be improved, numbered respectively first, second, third, fourth, and fifth.

The first subdivision shall include all lands within the district lying between the street margins and lines drawn parallel therewith and thirty feet therefrom.

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.44.040 Assessment rate per square foot. The rate of assessment per square foot in each subdivision of an improvement district shall be fixed on the basis that the special benefits conferred on a square foot of land in subdivisions first, second, third, fourth and fifth, respectively, are related to each other as are the numbers, forty-five, twenty-five, twenty, ten, and five, respectively, and shall be ascertained in the following manner:

(1) The products of the number of square feet in subdivisions first, second, third, fourth, and fifth, respectively, and the numbers forty-five, twenty-five, twenty, ten, and five, respectively, shall be ascertained;

(2) The aggregate sum thereof shall be divided into the total cost and expense of the improvement;

(3) The resultant quotient multiplied by forty-five, twenty-five, twenty, ten, and five, respectively, shall be the respective rate of assessment per square foot for subdivisions first, second, third, fourth and fifth: PROVIDED, That in lieu of the above formula the rate of assessment per square foot in each subdivision of an improvement district may be fixed on the basis that the special benefits conferred on a square foot of land in subdivisions first, second, third, fourth and fifth, respectively, are related to each other as are the numbers 0.015000, 0.008333, 0.006666, 0.003333, and 0.001666, respectively; and the method of determining the assessment on each lot, tract, or parcel of land in the improvement district may be ascertained in the following manner:

(1) The products of the number of square feet in subdivisions first, second, third, fourth and fifth, respectively, for each lot, tract or parcel of land in the improvement district and the numbers 0.015000, 0.008333, 0.006666, 0.003333 and 0.001666, respectively, shall be ascertained. The sum of all such products for each such lot, tract or parcel of land shall be the number of "assessable units of frontage" therein;

(2) The rate for each assessable unit of frontage shall be determined by dividing that portion of the total cost of the improvement representing special benefits by the aggregate sum of all assessable units of frontage;

(3) The assessment for each lot, tract or parcel of land in the improvement district shall be the product of the assessable units of frontage therefor, multiplied by the rate per assessable unit of frontage. [1965 c 7 § 35.44.040. Prior: 1957 c 144 § 18; prior: 1947 c 155 § 1, part; 1941 c 90 § 1, part; 1915 c 168 § 2, part; 1911 c 98 § 13, part; Rem. Supp. 1947 § 9365, part.]

35.44.045 Open canals or ditches—Safeguards—Ascertaining assessments. As an alternative to other methods of ascertaining assessments for local improvements, in a local improvement district established for safeguarding open canals or ditches, the district may be sectioned into subdivisions or zones paralleling the canal or ditch, numbered respectively, first, second, third and fourth. Each subdivision shall be equal to one-quarter of the width of the district as measured back from the margin of the canal right of way. The rate of assessment per square foot in each subdivision so formed shall be fixed on the basis that the special benefits conferred on a square foot of land in subdivisions first, second, third, and fourth, respectively, are related to each other as are the numbers, forty, thirty, twenty, and ten, respectively, and shall be ascertained in the following manner:

(1) The products of the number of square feet in subdivisions first, second, third, and fourth, respectively, and the numbers forty, thirty, twenty, and ten, respectively, shall be ascertained;

(2) The aggregate sum thereof shall be divided into the total cost and expense of the improvement;

(3) The resultant quotient multiplied by forty, thirty, twenty, and ten, respectively, shall be the respective rate of
35.44.047 Other methods of computing assessments may be used. Notwithstanding the methods of assessment provided in RCW 35.44.030, 35.44.040 and 35.44.045, the city or town may use any other method or combination of methods to compute assessments which may be deemed to more fairly reflect the special benefits to the properties being assessed. The failure of the council to specifically recite in its ordinance ordering the improvement and creating the local improvement district that it will not use the zone and termini method of assessment shall not invalidate the use of any other method or methods of assessment. [1969 ex.s. c 258 § 7.]

Within three days after the filing of the transcript with the clerk of the superior court, the appellant shall give notice to the head of the legal department of the city or town and to its clerk that the transcript has been filed. The notice shall also state a time (not less than three days from the date of service thereof) when the appellant will call up the cause for hearing. [1965 c 7 § 35.44.240. Prior: 1957 c 143 § 6; prior: 1911 c 98 § 22, part; RRS § 9374, part.]

35.44.250 Procedure on appeal—Hearing by superior court. At the time fixed for hearing in the notice thereof or at such further time as may be fixed by the court, the superior court shall hear and determine the appeal without a jury and the cause shall have preference over all other civil causes except proceedings relating to eminent domain in cities and towns and actions of forcible entry and detainer. The judgment of the court shall confirm, unless the court shall find from the evidence that such assessment is founded upon a fundamentally wrong basis and/or the decision of the council or other legislative body thereon was arbitrary or capricious; in which event the judgment of the court shall correct, change, modify, or annul the assessment insofar as it affects the property of the appellant. [1969 ex.s. c 258 § 9; 1965 c 7 § 35.44.250. Prior: 1957 c 143 § 7; prior: 1911 c 98 § 22, part; RRS § 9374, part.]

35.44.260 Procedure on appeal—Appellate review. Appellate review of the judgment of the superior court may be obtained as in other cases if sought within fifteen days after the date of the entry of the judgment in the superior court. [1988 c 202 § 37; 1971 c 81 § 92; 1965 c 7 § 35.44.260. Prior: 1957 c 143 § 8; prior: 1911 c 98 § 22, part; RRS § 9374, part.]

35.44.270 Procedure on appeal—Certified copy of decision or order. A certified copy of the decision of the superior court pertaining to assessments for local improvements shall be filed with the officer having custody of the assessment roll and he shall modify and correct the assessment roll in accordance with the decision. In the event appellate review of the decision is sought, a certified copy of the court’s order shall be filed with the officer having custody of the assessment roll and the officer shall thereupon modify and correct the assessment roll in accordance with the order. [1988 c 202 § 37; 1971 c 81 § 92; 1965 c 7 § 35.44.270. Prior: 1957 c 143 § 9; prior: 1911 c 98 § 22, part; RRS § 9374, part.]

35.44.280 Reassessments—When authorized. In all cases of special assessments for local improvements wherein the assessments are not valid in whole or in part for want of form, or insufficiency, informality, irregularity, or nonconformance with the provisions of law, charter, or ordinance, the city or town council may reassess the assessments and enforce their collection in accordance with the provisions of law and ordinance existing at the time the reassessment is made. This shall apply not only to an original assessment but also to any reassessment, to any assessment upon omitted property and to any supplemental assessment which is declared void and its enforcement refused by any court or which for any cause has been set aside, annulled or declared void by any court either directly or by virtue of any decision thereof. [1965 c 7 § 35.44.280. Prior: 1911 c 98 § 42, part; 1893 c 96 § 3; RRS § 9395, part.]

35.44.290 Reassessments—Basis—Property included. Every reassessment shall be made upon the property which has been or will be specially benefited by the local improvement and may be made upon property whether or not it abuts upon, is adjacent to, or proximate to the improvement or was included in the original assessment district.
Property not included in the original improvement district when so assessed shall become a part of the improvement district and all payments of assessments shall be paid into and become part of the local improvement fund to pay for the improvement.

Property in the original local improvement district which is excluded in reassessment need not be entered upon the assessment roll.

Every reassessment must be based upon the actual cost of the improvement at the time of its completion. [1965 c 7 § 35.44.290. Prior: (i) 1911 c 98 § 42, part; 1893 c 96 § 3, part; RRS § 9395, part. (ii) 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

35.44.300 Reassessments—Irregularities not fatal. The fact that the contract has been let or that the improvement has been completed and completed in whole or in part shall not prevent the reassessment from being made, nor shall the omission or neglect of any office or officers to comply with the law, the charter, or ordinances governing the city or town as to petition, notice, resolution to improve, estimate, survey, diagram, manner of letting contract, or execution of work or any other matter connected with the improvement and the first assessment thereof operate to invalidate or in any way affect the making of a reassessment. [1965 c 7 § 35.44.300. Prior: 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

35.44.310 Reassessments—Amount thereof. The reassessment shall be for an amount which shall not exceed the actual cost and expense of the improvement, together with the accrued interest thereon, being the true intent and meaning of the statutes relating to local improvements to make the cost and expense of local improvements payable by the property specially benefited thereby, notwithstanding the proceedings of the council, board of public works or other board, officer, or authority may be found to be irregular or defective, whether jurisdictional or otherwise. [1965 c 7 § 35.44.310. Prior: 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

35.44.320 Reassessments—Credit for prior payments. In case of reassessment, all sums paid on the former attempted assessments shall be credited to the property on account of which they were paid. [1965 c 7 § 35.44.320. Prior: 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

35.44.330 Reassessments—Payment. In case of reassessment after the certification of the assessment roll to the city or town treasurer for collection, the same length of time for payment of the assessment thereon without the imposition of any penalties or interest and the notice that the assessments are in the hands of the treasurer for collection shall be given as in case of an original assessment. After delinquency, penalties and interest may be charged as in cases of original assessment and if the original assessment was payable in installments, the new assessment may be divided into equal installments and made payable at such times as the city or town council may prescribe in the ordinance ordering the new assessment. [1965 c 7 § 35.44.330. Prior: 1911 c 98 § 43, part; 1909 c 71 § 1, part; 1893 c 95 § 2, part; RRS § 9396, part.]

35.44.340 Reassessments—Limitation of time for. No city or town shall have jurisdiction to proceed with any reassessment unless the ordinance ordering it is passed by the city or town council within ten years from and after the time the original assessment for the same improvement was finally held to be invalid, insufficient or for any cause set aside, in whole or in part or its enforcement denied directly or indirectly by the courts. [1965 c 7 § 35.44.340. Prior: 1911 c 98 § 45, part; RRS § 9398, part.]

35.44.350 Reassessments, assessments on omitted property, supplemental assessments—Provisions governing. All of the provisions of law relating to the filing of assessment rolls, time and place for hearing thereon, notice of hearing, the hearing upon the roll, the confirmation of the assessment roll, the time when the assessments become a lien upon the property assessed, the proceedings on appeal from any such assessment, the method of collecting the assessment and all proceedings for enforcing the lien thereof shall be had and conducted the same in the case of reassessments, assessments on omitted property, or supplemental assessments as in the case of an original assessment. [1965 c 7 § 35.44.350. Prior: 1911 c 98 § 44; 1893 c 95 § 1; RRS § 9397.]

35.44.360 Assessments on omitted property—Authority. If by reason of mistake, inadvertence, or for any cause, property in a local improvement district or utility local improvement district which except for its omission would have been subject to assessment has been omitted from the assessment roll, the city or town council, upon its own motion, or upon the application of the owner of any property in the district which has been assessed for the improvement, may proceed to assess the property so omitted in accordance with the benefits accruing to it by reason of the improvement in proportion to the assessments levied upon other property in the district. [1967 c 52 § 12; 1965 c 7 § 35.44.360. Prior: 1911 c 98 § 37; part; RRS § 9390, part.]

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.44.370 Assessments on omitted property—Resolution—Notice. In case of assessments on omitted property the city or town council shall pass a resolution:

(1) Setting forth that the property therein described was omitted from the assessment;

(2) Notifying all persons who may desire to object thereeto to appear at a meeting of the city or town council at a time specified in the resolution and present their objections thereto, and

(3) Directing the proper board, officer, or authority to report to the council at or prior to the date fixed for the hearing the amount which should be borne by each lot, tract, or parcel of land or other property so omitted. The resolution shall be published in all respects as provided for publishing the resolutions for an original assessment. [1965 c 7 § 35.44.370. Prior: 1911 c 98 § 37, part; RRS § 9390, part.]
35.44.380 Assessments on omitted property—Confirmation ordinance—Collection. At the conclusion of the hearing or any adjournment thereof upon proposed assessments on omitted property the council shall consider the matter as though the property were included in the original roll and may confirm the roll or any portion thereof by ordinance. Thereupon the roll of omitted property shall be certified to the treasurer for collection as other assessments. [1965 c 7 § 35.44.380. Prior: 1911 c 98 § 37, part; RRS § 9390, part.]

35.44.390 Supplemental assessments—When authorized. If by reason of any mistake, inadvertence, or other cause, the amount assessed was not equal to the cost and expense of a local improvement or that portion thereof to be paid by assessment of the property benefited the city or town council shall make supplemental assessments on all the property in the district. The property found to be specially benefited shall not be limited to the property included in the original assessment district.

These assessments shall be made in accordance with the provisions of law, charter, and ordinances existing at the time of the levy. [1965 c 7 § 35.44.390. Prior: 1911 c 98 § 42, part; 1893 c 96 § 3, part; RRS § 9395, part.]

35.44.400 Supplemental assessments—Limitation of time for. No city or town shall have jurisdiction to proceed with any supplemental assessment unless the ordinance ordering it is passed by the city or town council within ten years from and after the time that it was finally determined that the total amount of valid assessments levied and assessed on account of a local improvement was insufficient to pay the whole or that portion of the cost and expense thereof to be paid by special assessment. [1965 c 7 § 35.44.400. Prior: 1911 c 98 § 45, part; RRS § 9398, part.]

35.44.410 Segregation of assessments. Whenever any land against which there has been levied any special assessment by any city or town shall have been sold in part or subdivided, the legislative authority of that city or town shall have the power to order a segregation of the assessment.

Any person desiring to have such a special assessment against a tract of land segregated to apply to smaller parts thereof shall apply to the city or town which levied the assessment. If the legislative authority thereof determines that a segregation should be made, it shall by resolution order the city or town treasurer to make segregation on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the city or town treasurer who shall proceed to make the segregation ordered upon being tendered a fee of ten dollars for each tract of land for which a segregation is to be made. In addition to such charge the legislative authority of the city or town may require as a condition to the order of segregation that the person seeking it pay the city or town the reasonable engineering and clerical costs incident to making the segregation. No segregation need be made if the legislative authority of the city or town shall find that by such segregation the security of the lien for such assessment will be so jeopardized as to reduce the security for any outstanding local improvement district obligations payable from such assessment. [1969 ex.s. c 258 § 10.]

35.44.420 Property donations—Credit against assessments. A city legislative authority may give credit for all or any portion of any property donation against an assessment, charge, or other required financial contribution for transportation improvements within a local improvement district. The credit granted is available against any assessment, charge, or other required financial contribution for any transportation purpose that uses the donated property. [1987 c 267 § 9.]

Any portion of the bonds of any issue remaining unsold may be issued to the contractor constructing the improvement in payment thereof.

The proceeds of all sales of bonds shall be applied in payment of the cost and expense of the improvement.

(2) Notwithstanding subsection (1) of this section, such bonds may be sold in accordance with chapter 39.46 RCW. [1983 c 167 § 42; 1981 c 323 § 2; 1965 c 7 § 35.45.040. Prior: (i) 1911 c 98 § 46, part; 1899 c 124 § 1; RRS § 9399, part. (ii) 1911 c 98 § 48; 1899 c 124 § 3; RRS § 9401.]

Liberal construction—Severability—1983 c 167: See RCW 39.46.010 and note following.

35.45.050 Call of bonds. Except when bonds have been issued with a fixed maturity schedule or with a fixed maximum annual retirement schedule as authorized in RCW 35.45.020, the city or town treasurer shall call in and pay the principal of one or more bonds of any issue in their numerical order whenever there is sufficient money in any local improvement fund, against which the bonds have been issued, over and above that which is sufficient for the payment of interest on all unpaid bonds of that issue. The call shall be made for publication in the city or town official newspaper in its first publication following the date of delinquency of any installment of the assessment or as soon thereafter as practicable. The call shall state that bonds No. . . . (giving the serial number or numbers of the bonds called) will be paid on the day the next interest payments are due and that interest on those bonds will cease upon that date. [1983 c 167 § 43; 1971 ex.s. c 116 § 11; 1965 c 7 § 35.45.050. Prior: 1911 c 98 § 44, part; RRS § 9407, part.]

Liberal construction—Severability—1983 c 167: See RCW 39.46.010 and note following.

35.45.060 Interest on bonds—How payable. The city or town treasurer shall pay interest on the bonds issued against local improvement funds out of the local improvement fund from which the bonds are payable. [1965 c 7 § 35.45.060. Prior: 1911 c 98 § 54, part; RRS § 9407, part.]

35.45.065 Interest on bonds—Payment from general revenues—Authority—Procedure. The city or town council may provide by ordinance that all or part of the interest upon said bonds shall be paid from the general revenues of the city or town and may create a local improvement district bond interest fund for this purpose. If the city or town council determine that the city or town shall pay all interest on such bonds from its general revenues, the interest coupons attached to the bond shall recite that the interest thereby evidenced is payable from general revenues. If the city or town council determines that the city or town council shall pay a part of the interest on such bonds from its general revenues, the interest coupons representing interest payable from the general revenues of the city or town shall be denominated as "B" coupons and shall recite that the interest payable thereunder is payable from the general revenues of the city or town. [1967 ex.s. c 44 § 2.]

35.45.070 Nonliability of city or town. Neither the holder nor owner of any bond, interest coupon, or warrant issued against a local improvement fund shall have any claim therefor against the city or town by which it is issued, except for payment from the special assessments made for the improvement for which the bond or warrant was issued and except also for payment from the local improvement guaranty fund of the city or town as to bonds issued after the creation of a local improvement guaranty fund of that city or

town. The city or town shall not be liable to the holder or
owner of any bond, interest coupon, or warrant for any loss
to the local improvement guaranty fund occurring in the
lawful operation thereof. A copy of the foregoing part of
this section shall be plainly written, printed or engraved on
each bond. [1965 c 7 § 35.45.070. Prior: (i) 1911 c 98 §
52, part; RRS § 9405, part. (ii) 1927 c 209 § 5; 1925 ex.s.
c 183 § 5; 1923 c 141 § 5, part; RRS § 9351-5, part.]

35.45.080  Remedy of bondholders. If a city or town
fails to pay any bonds or to promptly collect any local
improvement assessments when due, the owner of the bonds
may proceed in his own name to collect the assessment and
foreclose the lien thereof in any court of competent jurisdic-
tion and shall recover in addition to the amount of the bond
and interest thereon, five percent, together with the cost of
suit. Any number of holders of bonds for any single
improvement may join as plaintiffs and any number of
owners of property upon which the assessments are liens
may be joined as defendants in the same suit.

The owners of local improvement bonds issued by a city
or town after the creation of a local improvement guaranty
fund therein, shall also have recourse against the local
improvement guaranty fund of such city or town. [1965 c
7 § 35.45.080. Prior: (i) 1927 c 209 § 5, part; 1925 ex.s.
c 183 § 5, part; 1923 c 141 § 5, part; RRS § 9351-5, part.
(ii) 1911 c 98 § 51; 1899 c 124 § 6, RRS § 9404.]

35.45.090  Excess to be refunded—Demand—Right
of action. Any funds in the treasury of any municipal
corporation belonging to the fund of any local improvement
district after the payment of the whole cost and expense of
such improvement, in excess of the total sum required to
defray all the expenditures by such municipal corporation on
account thereof, shall be refunded, on demand, to the payers
into such fund. Each such payer shall be entitled to such
proportion of such excess as his original assessment bears to
the entire original assessment levied for such improvement.
Such municipal corporation may, after one year from the
date on which the last installment becomes due, transfer any
balance remaining on hand to the general fund of such
municipal corporation, but shall, notwithstanding such
transfer remain liable for the refund herein provided for until
such refund shall have been made, unless the actual cost
involved in making such refund shall exceed the excess in
such fund.

Such demand shall be made in writing to the treasurer
of such municipal corporation. No action shall be com-
menced in any court to obtain any such refund, except upon
such demand, and until ninety days after making such
demand. No excess shall be recovered in any action where
the excess in the fund does not average the sum of one
dollar in favor of all payers into such fund.

This section shall not be deemed to require the refund-
ing of any balance left in any local improvement fund after
the payment of all outstanding obligations issued against
such fund, where such balance accrues from any saving in
interest or from penalties collected upon delinquent assess-
ments, but any such balance, whether accruing heretofore or
hereafter, may be turned into the general fund or otherwise
disposed of, as the legislative authority of the city may
direct.

The provisions of this chapter relating to the refund of
excess local improvement district funds shall not apply to
any district whose obligations are guaranteed by the local
improvement guaranty fund. [1965 c 7 § 35.45.090. Prior:
1917 c 140 § 1; 1909 c 108 § 1; RRS § 9351.]

35.45.130  Warrants against local improvement fund
authorized. Every city and town may provide by ordinance
for the issuance of warrants in payment of the cost and
expense of any local improvement, payable out of the local
improvement district fund. The warrants shall bear interest
at a rate or rates established by the issuing officer under the
direction of the legislative authority of the city or town
and shall be redeemed either in cash or by local improvement
bonds for the same improvement authorized by ordinance.

All warrants against any local improvement fund sold
by the city or town or issued to a contractor and by him sold
or hypothecated for a valuable consideration shall be claims
and liens against the improvement fund against which they
are drawn prior and superior to any right, lien, or claim of
any surety upon the bond or bonds given to the city or town
by or for the contractor to secure the performance of his
contract or to secure the payment of persons who have
performed work thereon, furnished materials therefor, or
provisions and supplies for the carrying on of the work.

35.45.130. Prior: 1953 c 117 § 1; prior: 1915 c 168 § 3;
1911 c 98 § 72; 1899 c 146 § 7; RRS 9425.]

Purpose—1970 ex.s. c 56: See note following RCW 39.52.020.

35.45.140  Warrants acceptable in payment of
assessments. Cities and towns may accept warrants drawn
against any local improvement fund upon such conditions as
they may by ordinance or resolution prescribe, in satisfaction
of:

(1) Assessments levied to supply such fund, in due order
of priority of right;

(2) Judgments rendered against property owners who
have become delinquent in the payment of assessments
levied to supply such fund; and

(3) In payment of certificates of purchase in cases where
property of delinquents has been sold under execution or at
tax sale for failure to pay assessments levied to supply such
fund. [1965 c 7 § 35.45.140. Prior: (i) 1899 c 97 § 1;

35.45.150  Installment notes—Interest certificates.
In addition to the issuance of bonds and warrants in payment
of the cost and expense of any local improvement, any city
or town may also issue and sell installment notes payable out
of the local improvement district fund. Such installment
notes may be issued any time after the thirty day period
allowed by law for the payment of assessments of any dis-
Trict without penalty or interest, and may bear any denomina-
tion or denominations, the aggregate of which shall represent
the balance of the cost and expense of the local improvement
district which is to be borne by the property owners therein.

[Title 35 RCW—page 162]
Application of local improvement district funds for the reduction of the principal and interest amounts due on any notes herein provided to finance said improvement shall be made not less than once each year beginning with the issue date thereof. Appropriate notification of such application of funds shall be made by the city or town treasurer to the registered payees of said notes, except those notes owned by funds of the issuing municipality. Such notes may be registered as provided in RCW 39.46.030. If more than one local improvement installment note is issued for a single district, said notes shall be numbered consecutively. All notes issued shall bear on the face thereof: (1) The name of the payee; (2) the number of the local improvement district from whose funds the notes are payable; (3) the date of issue of each note; (4) the date on which the note, or the final installment thereon shall become due; (5) the rate or rates of interest, as provided by the city or town legislative authority, to be paid on the unpaid balance thereof, and; (6) such manual or facsimile signatures and attestations as are required by state statute or city charter to appear on the warrants of each issuing municipality.

The reverse side of each installment note issued pursuant to this section shall bear a tabular payment record which shall indicate at prescribed installment dates, the receipt of any local improvement district funds for the purpose of servicing the debt evidenced by said notes. Such receipts shall first be applied toward the interest due on the unpaid balance of the note, and any additional moneys shall thereafter apply as a reduction of the principal amount thereof. The tabular payment record shall, in addition to the above, show the unpaid principal balance due on each installment note, together with sufficient space opposite each transaction affecting said note for the manual signature of the city's or town's clerk, treasurer or other properly designated receiving officer of the municipality, or of any other registered payee presenting said note for such installment payments.

Whenever there are insufficient funds in a local improvement district to meet any payment of installment interest due on any note herein authorized, a noninterest-bearing defaulted installment interest certificate shall be issued by the city or town treasurer which shall consist of a written statement certifying the amount of such defaulted interest installment; the name of the payee of the note to whom the interest is due and the number of the local improvement district from whose funds the note and interest thereon is payable. Such certificates may be registered as provided in RCW 39.46.030. The certificate herein provided shall bear the manual signature of the city or town treasurer or his authorized agent. The defaulted installment interest certificate so issued shall be redeemed for the face amount thereof with any available funds in the local improvement guaranty fund.

Whenever at the date of maturity of any installment note issued pursuant to this section, there are insufficient funds in a local improvement district, due to delinquencies in the collection of assessments, to pay the final installment of the principal due thereon, the note shall be redeemed with any available funds in the local improvement guaranty fund for the amount of said final installment.

All certificates and notes issued pursuant to this section are to become subject to the same redemption privileges as apply to any local improvement district bonds and warrants now accorded the protection of the local improvement guaranty fund as provided in chapter 35.54 RCW. and whenever the certificates or notes issued as herein provided are redeemed by said local improvement guaranty fund, they shall be held therein as investments thereof in the same manner as prescribed for other defaulted local improvement district obligations.

Notwithstanding any other statutory provisions, local improvement installment notes authorized by this section which are within the protection of the local improvement guaranty fund law shall be considered legal investments for any available surplus funds of the issuing municipality which now or hereafter may be authorized to be invested in the city’s or town’s local improvement districts’ bonds or warrants and shall be considered legal investments for all national and state banks, savings and loan institutions, and any and all other commercial banking or financial institutions to the same extent that the local improvement district bonds and any coupons issued pursuant to the provisions of this chapter have been and are legal investments for such institutions. Any such local improvement installment notes may be transferred or sold by said city or town upon such terms or conditions and in such manner as the local governing body of said city or town may determine, or may be issued to another fund of the city or town: PROVIDED, HOWEVER, That the same shall not be sold at less than par plus accrued interest.

Notwithstanding the provisions of this section, such notes and certificates may be issued, and such notes may be sold, in accordance with chapter 39.46 RCW. [1983 c 167 § 44. Prior: 1981 c 323 § 4; 1981 c 156 § 2; prior: 1970 ex.s. c 93 § 2; 1970 ex.s. c 56 § 37; 1965 c 7 § 35.45.150; prior: 1961 c 165 § 1.]

35.45.155 Installation notes—Refunding. Any city or town having issued one or more installment notes pursuant to RCW 35.45.150 may refund all of such notes or the principal thereof then outstanding payable from any one local improvement district fund by the issuance of local improvement district bonds pursuant to chapter 35.45 RCW and by the payment into the city or town fund or funds holding such notes the then outstanding principal amount of such notes plus the interest thereon accrued to the date of such refunding. The bonds shall be payable from the same local improvement district fund from which such notes were payable; shall be payable no later than the final payment date of the notes being refunded; shall be in the same total principal amount as the outstanding principal amount of the notes being refunded less any sums in the local improvement district fund the city or town applies to the redemption of such notes; and shall be sold at not less than par plus accrued interest to date of delivery. 35.45.160 Consolidated local improvement districts—Authorized—Purpose. For the purpose of issuing bonds only, the governing body of any municipality may authorize the establishment of consolidated local improvement districts. The local improvements within such consolidated districts need not be adjoining, vicinal or neighboring. If the governing body orders the creation of such consolidated local improvement districts, the moneys received from the installment payment of the principal of and interest on assessments levied within original local assessment districts shall be deposited in a consolidated local improvement district bond redemption fund to be used to redeem outstanding consolidated local improvement district bonds. [1967 ex.s. c 44 § 3.]

35.45.170 Refunding bonds—Limitations. The legislative authority of any city or town may issue and sell bonds to refund outstanding local improvement district or consolidated local improvement district bonds issued after June 7, 1984, on the earliest date such outstanding bonds may be redeemed following the date of issuance of such refunding bonds. Such refunding shall be subject to the following:

1. The refunding shall result in a net interest cost savings after paying the costs and expenses of the refunding, and the principal amount of the refunding bonds may not exceed the principal balance of the assessment roll or rolls pledged to pay the bonds being refunded at the time of the refunding.
2. The refunding bonds shall be paid from the same local improvement fund or bond redemption fund as the bonds being refunded.
3. The costs and expenses of the refunding shall be paid from the proceeds of the refunding bonds, or the same local improvement district fund or bond redemption fund for the bonds being refunded, except the city or town may advance such costs and expenses to such fund pending the receipt of assessment payments available to reimburse such advances.
4. The last maturity of the refunding bonds shall be no later than one year after the last maturity of bonds being refunded.
5. The refunding bonds may be exchanged for the bonds being refunded or may be sold in the same manner permitted at the time of sale for local improvement district bonds.
6. All other provisions of law applicable to the refunded bonds shall apply to the refunding bonds. [1984 c 186 § 66.]

(bonds or warrants) for . . . . L.I.D. improvement Nos. . . . to . . . inclusive will be canceled as provided in RCW 35.47.020, unless such bonds or warrants are presented to the city or town within one year from the date of last publication of the notice, together with good cause shown as to why such cancellation should not take place. 35.48.010 Special revolving fund for delinquent nonguaranteed bonds and warrants—Composition. If any city or town has issued bonds or warrants payable from a local improvement or condemnation award fund, to which the local improvement guaranty fund law is not applicable, and if the assessment, or last installment thereof, against which the bonds or warrants were issued has been delinquent not more than thirty-two years, the city or town may create a special revolving fund and may provide moneys therefor by general tax levies, or, if the levy, together with other levies made or authorized by such city or town, will not exceed the levy which is legally allowed; or such city or town may place in said fund or advance or loan to said fund any money which it is not prohibited by law from advancing, loaning to or placing in said fund. [1965 c 7 § 35.48.010. Prior: 1961 c 46 § 1; 1943 c 244 § 2; Rem. Supp. 1943 § 9351-11.]

35.48.020 Use of revolving fund—Maximum bond price. Any moneys in such revolving fund may be used for the purchase of unpaid delinquent local improvement warrants, or bonds and interest payments, or bonds and interest coupons thereon, issued by the city or town, payable from a local improvement district fund or condemnation award fund, to which the local improvement guaranty fund law is not applicable, if the assessment, or last installment thereof, against which the bonds or warrants have been issued, has been delinquent not more than thirty-two years. The maximum purchase price to be paid for said bonds or warrants shall be fixed by the municipality, and may from time to time be changed but shall never exceed fifty percent of the face value of the bonds, interest payments, interest coupons, or warrants: PROVIDED, That no warrants shall be issued payable from the revolving fund unless there is sufficient cash in said fund available for payment of such warrants. [1983 c 167 § 45; 1965 c 7 § 35.48.020. Prior: 1961 c 46 § 2; 1943 c 244 § 3; Rem. Supp. 1943 § 9351-12.]

35.48.030 Subrogation—Refund of surplus. The purchase of any such bonds or warrants shall not relieve the local improvement or condemnation award fund from which the same are payable from liability for payment of the same, but the city or town upon purchase thereof shall become subrogated to all the rights of the former owners thereof and may proceed to enforcement of said bonds or warrants as any owner thereof might do. The city or town may sell any property acquired by it in such proceedings upon such terms and for such prices as it sees fit, or it may resell any of the bonds or warrants for such prices as it shall fix. Any excess in any local improvement district fund or condemnation award fund which will average a payment of one dollar to each payer into said fund shall, after payment, retirement, or cancellation of all bonds or warrants payable from said fund, be refunded and paid to the payers into the fund in the proportion that their respective assessments bear to the entire original assessment levied for such improvement, and any unpaid assessments, or portion thereof, shall be reduced in the same proportion. Any proceeds derived
from the sale of any bonds or warrants, or from the sale of real estate, shall be placed in the revolving fund. [1965 c 7 § 35.48.030. Prior: 1943 c 244 § 4; Rem. Supp. 1943 § 9351-13.]

35.48.040 Refund to revolving fund. If there are funds in any local improvement district fund or condemnation award fund sufficient to pay or retire any bond or warrant issued and payable from said fund, and the city or town is the holder and owner of the bond or warrant, the city or town treasurer shall from the moneys in the local improvement or condemnation award fund place in the revolving fund a sum of money equivalent to the amount paid by the city or town for such bond or warrant and shall thereupon cancel, mark paid and remove from said revolving fund such bond or warrant. [1965 c 7 § 35.48.040. Prior: 1943 c 244 § 5; Rem. Supp. 1943 § 9351-14.]

35.48.050 Purchase of warrants on previous funds—Transfer of assets to revolving fund—Disposition. Whenever a city or town has heretofore by ordinance created a fund for use in purchasing delinquent local improvement or condemnation award bonds or warrants not protected by the local improvement guaranty fund law, and has purchased any such bonds or warrants and issued warrants payable from said fund, which warrants are unpaid because of lack of funds and have remained unpaid for a period of less than thirty-two years from date of issue thereof, the city or town may use any funds available in the revolving fund to purchase said warrants at such price as it may determine, but in no event at more than fifty percent of the face value, without interest.

Whenver all such warrants have been purchased or paid, the city or town may transfer to the revolving fund any bonds, warrants or other assets belonging to said fund first above mentioned, and thereafter such bonds, warrants or other assets shall be held and disposed of for the benefit of said revolving fund in the same manner as other funds and assets therein: PROVIDED, That nothing contained in this chapter shall legalize any warrants heretofore issued or render any city or town liable thereunder. [1965 c 7 § 35.48.050. Prior: 1961 c 46 § 3; 1943 c 244 § 6; Rem. Supp. 1943 § 9351-15.]

If any property situated in a local improvement district or utility local improvement district created by a city or town is offered for sale for general taxes by the county treasurer, the city or town shall have power to protect the lien or liens of any local improvement assessments outstanding against the whole or portion of such property by purchase at the treasurer’s foreclosure sale. [1995 c 38 § 2; 1994 c 301 § 4; 1965 c 7 § 35.49.130. Prior: (i) 1911 c 98 § 63; RRS § 9416. (ii) 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

[1965 c 7 § 35.49.150. Prior: 1929 c 143 § 1, part; 1925 ex.s. c 170 § 1, part; 1911 c 98 § 40, part; RRS § 9393, part.]

### 35.49.160 Tax title property—Disposition of proceeds upon resale.

Local Improvements—Foreclosure of Assessments

35.50.005 Filing of title, diagram, expense—Posting proposed roll. Within fifteen days after any city or town has ordered a local improvement and created a local improvement district, the city or town shall cause to be filed with the officer authorized by law to collect the assessments for such improvement, the title of the improvement and district number and a copy of the diagram or print showing the boundaries of the district and preliminary assessment roll or abstract of same showing thereon the lots, tracts and parcels of land that will be specially benefited thereby and the estimated cost and expense of such improvement to be borne by each lot, tract, or parcel of land. Such officer shall immediately post the proposed assessment roll upon his index of local improvement assessments against the properties affected by the local improvement. [1969 ex.s. c 258 § 16; 1965 c 7 § 35.50.005. Prior: 1955 c 353 § 1.]

35.50.010 Assessment lien—Attachment—Priority. The charge assessed upon the respective lots, tracts, or parcels of land and other property in the assessment roll confirmed by ordinance of the city or town council for the purpose of paying the cost and expense in whole or in part of any local improvement, shall be a lien upon the property assessed from the time the assessment roll is placed in the hands of the city or town treasurer for collection, but as between the grantor and grantee, or vendor and vendee of any real property, when there is no express agreement as to payment of the local improvement assessments against the real property, the lien of such assessment shall attach thirty days after the filing of the diagram or print and the estimated cost and expense of such improvement to be borne by each lot, tract, or parcel of land. Such officer shall immediately post the proposed assessment roll upon his index of local improvement assessments against the properties affected by the local improvement. [1969 ex.s. c 258 § 16; 1965 c 7 § 35.50.005. Prior: 1955 c 353 § 1.]

35.50.020 Assessment lien—Validity. If the city or town council in making assessments against any property within any local improvement district or utility local improvement district has acted in good faith and without fraud, the assessments shall be valid and enforceable as such and the lien thereof upon the property assessed shall be valid.

It shall be no objection to the validity of the assessment, or the lien thereof:

(1) That the contract for the improvement was not awarded in the manner or at the time required by law; or

(2) That the assessment was made by an unauthorized officer or person if the assessment roll was confirmed by the city or town authorities; or

(3) That the assessment is based upon a front foot basis, or upon a basis of benefits to the property within the improvement district unless it is made to appear that the city or town authorities did not act in good faith and did not attempt to act fairly in regard thereto or unless it is made to appear that the city or town authorities acted fraudulently or oppressively in making the assessment.

All local improvement assessments heretofore or hereafter made by city or town authorities in good faith are valid and in full force and effect. [1967 c 52 § 17; 1965 c 7 § 35.50.020. Prior: 1911 c 98 § 61; RRS § 9414.]

Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.50.030 Authority and conditions precedent to foreclosure. If on the first day of January in any year, two installments of any local improvement assessment are delinquent, or if the final installment thereof has been delinquent for more than one year, the city or town shall proceed with the foreclosure of the delinquent assessment or delinquent installments thereof by proceedings brought in its own name in the superior court of the county in which the city or town is situate.

The proceedings shall be commenced on or before March 1st of that year or on or before such other date in such year as may be fixed by general ordinance, but not before the city or town treasurer has notified by certified mail the persons whose names appear on the assessment roll as owners of the property charged with the assessments or installments which are delinquent, at the address last known to the treasurer, a notice thirty days before the commencement of the proceedings. If the person whose name appears on the tax rolls of the county assessor as owner of the property, or the address shown for the owner, differs from that appearing on the city or town assessment roll, then the treasurer shall also mail a copy of the notice to that person or that address.

The notice shall state the amount due, including foreclosure costs, upon each separate lot, tract, or parcel of land and the date after which the proceedings will be commenced. The city or town treasurer shall file with the clerk of the superior court at the time of commencement of the foreclosure proceeding the affidavit of the person who mailed the notices. This affidavit shall be conclusive proof of compliance with the requirements of this section. [1997 c 393 § 1; 1983 c 303 § 18; 1982 c 91 § 1; 1981 c 323 § 6; 1965 c 7 § 35.50.030. Prior: 1933 c 9 § 1; part; 1927 c 275 § 5, part; 1919 c 70 § 2; 1915 c 185 § 1; 1911 c 98 §§ 34, 36, part; RRS § 9386, part; prior: 1897 c 111.]

Severability—1983 c 303: See RCW 36.60.905.

Severability—1982 c 91: “If any provision of this amendatory act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.” [1982 c 91 § 10.]

Construction—1933 c 9: “The provisions of this act shall be applicable to the lien of assessments heretofore as well as hereafter levied and to foreclosure proceedings now pending.” [1933 c 9 § 3.]

(1998 Ed.)
35.50.040 Entire assessment, foreclosure of. When the local improvement assessment is payable in installments, the enforcement of the lien of any installment shall not prevent the enforcement of the lien of any subsequent installment.

A city or town may by general ordinance provide that upon failure to pay any installment due the entire assessment shall become due and payable and the collection thereof enforced by foreclosure: PROVIDED, That the payment of all delinquent installments together with interest, penalty, and administrative costs at any time before entry of judgment in foreclosure shall extend the time of payment on the remainder of the assessments as if there had been no delinquency or foreclosure. Where foreclosure of two installments of the same assessment on any lot, tract, or parcel is sought, the city or town treasurer shall cause such lot, tract, or parcel to be dismissed from the action, if the installment first delinquent together with interest, penalty, administrative costs, and charges is paid at any time before sale. [1997 c 393 § 2; 1965 c 7 § 35.50.040. Prior: (i) 1933 c 9 § 1, part; 1927 c 275 § 5, part; 1919 c 70 § 2, part; 1915 c 185 § 1; 1911 c 98 §§ 34, 36, part; RRS § 9386, part. (ii) 1919 c 70 § 1; 1911 c 98 § 35; RRS § 9388; prior: 1897 c 111.]

35.50.050 Limitation of foreclosure action. An action to collect a local improvement assessment or any installment thereof or to enforce the lien thereof whether brought by the city or town, or by any person having the right to bring such action must be commenced within ten years after the assessment becomes delinquent or within ten years after the last installment becomes delinquent, if the assessment is payable in installments: PROVIDED, That the time during which payment of principal is deferred as to economically disadvantaged property owners as provided for in RCW 35.43.250 shall not be a part of the time limited for the commencement of action. [1989 c 11 § 6; 1972 ex.s.c 137 § 5; 1965 c 7 § 35.50.050. Prior: 1911 c 98 § 41; RRS § 9394.]

Severability—1989 c 11: See note following RCW 9A.56.220.
Severability—1972 ex.s.c 137: See note following RCW 35.49.010.

35.50.220 Procedure—Commencement of action. In foreclosing local improvement assessment liens, a city or town shall proceed by filing a complaint in the superior court of the county in which the city or town is located. It shall be sufficient to allege in the complaint (1) the passage of the ordinance authorizing the improvement, (2) the making of the improvement, (3) the levying of the assessment, (4) the confirmation thereof, (5) the date of delinquency of the installment or installments of the assessment for the enforcement of which the action is brought and (6) that they have not been paid prior to delinquency or at all. [1982 c 91 § 2; 1965 c 7 § 35.50.220. Prior: 1933 c 9 § 2, part; RRS § 9386-1, part.]

Severability—1982 c 91: See note following RCW 35.50.030.

[street address]

In order to defend against this lawsuit, you must respond to the complaint by stating your defense in writing, and by serving a copy upon the person signing this summons within 20 days after the service of this summons, excluding the day of service, or a default judgment may be entered against you without notice. A default judgment is one where plaintiff is entitled to what he asks for because you have not responded. If you serve a notice of appearance on the undersigned person, you are entitled to notice before a default judgment may be entered.

IMPORTANT NOTICE

Severability—1982 c 91: See note following RCW 35.50.030.

35.50.230 Procedure—Parties and property included. In foreclosing local improvement assessment liens, it is not necessary to bring a separate suit for each of the lots, tracts, or parcels of land or other property or for each separate local improvement district or utility local improvement district. All or any of the lots, tracts, or parcels of land or other property upon which local improvement assessments are delinquent under any and all local improve-
ment assessment rolls in the city or town may be proceeded against in the same action. For all lots, tracts, or parcels which contain a residential structure with an assessed value of at least two thousand dollars, all persons owning or claiming to own the property shall be made defendants thereto. For all other lots, tracts, or parcels, the persons whose names appear on the assessment roll and property tax rolls as owners of the property charged with the assessments or taxes shall be made defendants thereto. [1983 c 303 § 19; 1982 c 91 § 3; 1967 c 52 § 19; 1965 c 7 § 35.50.230. Prior: 1933 c 9 § 2, part; RRS § 9386-1, part.]

Severability—1982 c 91: See note following RCW 35.50.030.
Construction—Severability—1967 c 52: See notes following RCW 35.43.042.

35.50.240 Procedure—Pleadings and evidence. In foreclosing local improvement assessment liens, the assessment roll and the ordinance confirming it, or duly authenticated copies thereof shall be prima facie evidence of the regularity and legality of the proceedings conducted there-with and the burden of proof shall be on the defendants. [1982 c 91 § 4; 1965 c 7 § 35.50.240. Prior: 1933 c 9 § 2, part; RRS § 9386-1, part.]

Severability—1982 c 91: See note following RCW 35.50.030.

35.50.250 Procedure—Summons and service. For all other lots, tracts, or parcels the summons shall be served by either personal service on the defendants or by certified and regular mail. [1983 c 303 § 20; 1982 c 91 § 5; 1965 c 7 § 35.50.250. Prior: 1933 c 9 § 2, part; RRS § 9386-1, part.]

Severability—1982 c 91: See note following RCW 35.50.030.

Commencement of actions: Chapter 4.28 RCW.

35.50.260 Procedure—Trial and judgment—Notice of sale. In foreclosing local improvement assessments, the action shall be tried to the court without a jury. If the parties interested in any particular lot, tract, or parcel default, the court may enter judgment of foreclosure and sale as to such parties and lots, tracts, or parcels and the action may proceed as to the remaining defendants and lots, tracts, or parcels. Judgment and order of sale may be entered as to any one or more separate lots, tracts, or parcels involved in the action and the court shall retain jurisdiction to others.

The judgment shall specify separately the amount of the installments with interest, penalty, and all reasonable administrative costs, including, but not limited to, the title searches, chargeable to each lot, tract, or parcel. The judgment shall have the effect of a separate judgment as to each lot, tract, or parcel described in the judgment, and any appeal shall not invalidate or delay the judgment except as to the property concerning which the appeal is taken. In the judgment the court shall order the lots, tracts, or parcels therein described sold by the city or town treasurer or by the county sheriff and an order of sale shall issue pursuant thereto for the enforcement of the judgment.

In all other respects, the trial, judgment, and appeals to the supreme court or the court of appeals shall be governed by the statutes governing the foreclosure of mortgages on real property.

Prior to the sale of the property, if the property is shown on the property tax rolls under unknown owner or if the property contains a residential structure having an assessed value of two thousand dollars or more, the treasurer shall order or conduct a title search of the property to determine the record title holders and all persons claiming a mortgage, deed of trust, or mechanic’s, laborer’s, materialman’s, or vendor’s lien on the property.

At least thirty days prior to the sale of the property, a copy of the notice of sale shall be mailed by certified and regular mail to all defendants in the foreclosure action as to that parcel, lot, or tract and, if the owner is unknown or the property contains a residential structure having an assessed value of two thousand dollars or more, a copy of the notice of sale shall be mailed by regular and certified mail to any additional record title holders and persons claiming a mortgage, deed of trust, or mechanic’s, laborer’s, materialman’s, or vendor’s lien on the property.

In all other respects the procedure for sale shall be conducted in the same manner as property tax sales described in RCW 84.64.080. [1997 c 393 § 3; 1983 c 303 § 21; 1982 c 91 § 7; 1971 c 81 § 93; 1965 c 7 § 35.50.260. Prior: 1933 c 9 § 2, part; RRS § 9386-1, part.]

35.51.080 Severability—1985 c 397.

35.51.010 Definitions. The definitions set forth in this section apply throughout this chapter.
(1) "Local improvement district" means any local improvement district, local utility district, or any other similar special assessment district.

(2) "Municipality" means any city, town, county, metropolitan municipal corporation, or any other municipal corporation or quasi-municipal corporation of the state of Washington authorized to order local improvements, to establish local improvement districts, and to levy special assessments on property specially benefited thereby to pay the expense of the improvements.

(3) "Permissible floor area" means the maximum total floor area, at grade and above and below grade, of a building or other structure that may lawfully be developed on a property.

(4) "Private land use restriction" means any restriction on the use of property imposed by agreement and enforceable by a court of law and that the legislative authority of a municipality determines is useful in measuring special benefits to a property from an improvement. Such restrictions include but are not limited to easements, covenants, and equitable servitudes that are not mere personal obligations.

(5) "Public land use restriction" means any restriction on the use of property imposed by federal, state, or local laws, regulations, ordinances, or resolutions. Such restrictions include but are not limited to local zoning ordinances and historic preservation statutes. [1985 c 397 § 5.]

35.51.020 Joint planning, construction, and operation of improvements. A municipality may contract with any other municipality, with a public corporation, with the state of Washington, for the following purposes:

(1) To have the acquisition or construction of the whole or any part of an improvement performed by another municipality, by a public corporation, or by the state of Washington;

(2) To pay, from assessments on property within a local improvement district or from the proceeds of local improvement district bonds, notes or warrants, the whole or any part of the expense of an improvement ordered, constructed, acquired, or owned by another municipality or a public corporation;

(3) To integrate the planning, financing, construction, acquisition, management, or operation, or any combination thereof, of the improvements of one municipality or a public corporation with the planning, financing, construction, acquisition, management, or operation, or any combination thereof, of the improvements of another municipality or public corporation on such terms and conditions as may be mutually agreed upon including, but not limited to, the allocation of the costs of the improvements and the allocation of planning, financing, construction, management, operation, or other responsibilities. [1985 c 242 § 5; 1985 c 397 § 6.]

Policy—1987 c 242: See note following RCW 35.43.005.

35.51.030 Alternative or additional method of assessment—Classification of property. (1) As an alternative or in addition to other methods of ascertaining assessments for local improvements, the legislative authority of a municipality may develop and apply a system of classification of properties based upon some or all of the public land use restrictions or private land use restrictions to which such property may be put at the time the assessment roll is confirmed.

(2) The legislative authority of a municipality may classify property into office, retail, residential, public, or any other classification the legislative authority finds reasonable, and may levy special assessments upon different classes of property at different rates, but in no case may a special assessment exceed the special benefit to a particular property. A municipality also may exempt certain classes of property from assessment if the legislative authority of the municipality determines that properties within such classes will not specially benefit from the improvement.

(3) For each property within a classification, the legislative authority of the municipality may determine the special assessment after consideration of any or all of the following:

- Square footage of the property;
- Permissible floor area;
- Distance from or proximity of access to the local improvement;
- Private land use restrictions and public land use restrictions;
- Existing facilities on the property at the time the assessment roll is confirmed; and
- Any other factor the legislative authority finds to be a reasonable measure of the special benefits to the properties being assessed.

(4) If after the assessment roll is confirmed, the legislative authority of a municipality finds that the lawful uses of any assessed property have changed and that the property no longer falls within its original classification, the legislative authority may, in its discretion, reclassify and reassess such property whether or not the bonds issued to pay any part of such costs remain outstanding. If such reassessment reduces the total outstanding assessments within the local improvement district, the legislative authority shall either reassess all other properties upward in an aggregate amount equal to such reduction, or shall pledge additional money, including money in a reserve fund, to the payment of principal of and interest on such bonds in an equal amount to such reduction.

(5) When the legislative authority of a municipality determines that it will use the alternative or additional method of assessment authorized by this section, it may select and describe the method or methods of assessment in the ordinance ordering a local improvement and creating a local improvement district if such method or methods of assessment have been described in the notice of hearing required under RCW 35.43.150. If the method or methods of assessment are so selected and described in the ordinance ordering a local improvement and creating a local improvement district, the action and decision of the legislative authority as to such method or methods of assessment shall be final and conclusive, and no lawsuit whatsoever may be maintained challenging such method or methods of assessment unless that lawsuit is served and filed no later than thirty days after the date of passage of the ordinance ordering the improvement, and creating the district or, when applicable, no later than thirty days after the expiration of the thirty-day protest period provided in RCW 35.43.180. [1985 c 397 § 7.]
35.51.040 Reserve fund authorized—Use. For the purpose of securing the payment of the principal of and interest on an issue of local improvement bonds, notes, warrants, or other short-term obligations, the legislative authority of a municipality may create a reserve fund in an amount not exceeding fifteen percent of the principal amount of the bonds, notes, or warrants issued. The cost of a reserve fund may be included in the cost and expense of any local improvement for assessment against the property in the local improvement district to pay the cost, or any part thereof. The reserve fund may be provided for from the proceeds of the bonds, notes, warrants, or other short-term obligations, from special assessment payments, or from any other money legally available therefor. The legislative authority of a municipality shall provide that after payment of administrative costs a sum in proportion to the ratio between the part of the original assessment against a given lot, tract, or parcel of land in a local improvement district assessed to create a reserve fund, if any, and the total original amount of such assessment, plus a proportionate share of any interest accrued in the reserve fund, shall be credited and applied, respectively, to any nondelinquent portion of the principal of that assessment and any nondelinquent installment interest on that assessment paid by a property owner, but in no event may the principal amount of bonds outstanding exceed the principal amount of assessments outstanding. Whether the payment is made during the thirty-day prepayment period referred to in RCW 35.49.010 and 35.49.020 or thereafter and whenever all or part of a remaining nondelinquent assessment or any nondelinquent installment payment of principal and interest is paid, the reserve fund balance shall be reduced accordingly as each such sum is thus credited and applied to a nondelinquent principal payment and a nondelinquent interest payment. Each payment of a nondelinquent assessment or any nondelinquent installment payment of principal and interest shall be reduced by the amount of the credit. The balance of a reserve fund remaining after payment in full and retirement of all local improvement bonds, notes, warrants, or other short-term obligations secured by such fund shall be transferred to the municipality’s guaranty fund.

Where, before July 26, 1987, a municipality established a reserve fund under this section that did not provide for a credit or reimbursement of the money remaining in the reserve fund to the owners of the lots, tracts, or parcels of property subject to the assessments, the balance in the reserve fund shall be distributed, after payment in full and retirement of all local improvement district bonds and other obligations secured by the reserve fund, to those owners of the lots, tracts, or parcels of property subject to the assessments at the time the final installment or assessment payment on the lot, tract, or parcel was made. No owner is eligible to receive reimbursement for a lot, tract, or parcel if a lien on an unpaid assessment, or an installment thereon, that was imposed on such property remains in effect at the time the reimbursement is made or was foreclosed on the property. The amount to be distributed to the owners of each lot, tract, or parcel that is eligible for reimbursement shall be equal to the balance in the reserve fund, multiplied by the assessment imposed on the lot, tract, or parcel, divided by the total of all the assessments on the lots, tracts, or parcels eligible for reimbursement. [1987 c 340 § 1; 1985 c 397 § 8.]

35.51.050 Loan agreements—Assessments may be pledged. Assessments for local improvements in a local improvement district created by a municipality may be pledged and applied when collected to the payment of its obligations under a loan agreement entered into under chapter 39.69 RCW to pay costs of improvements in such a local improvement district. [1965 c 7 § 35.54.020. Prior: 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

35.54.040 Source—Subrogation rights to assessments. Whenever any sum is paid out of the local improvement guaranty fund on account of principal or interest of a local improvement bond or warrant, the city or town as trustee of the fund shall be subrogated to all the rights of the holder of the bond or interest coupon or warrant so paid, and the proceeds thereof, or of the underlying assessment, shall become part of the guaranty fund. [1965 c 7 § 35.54.040. Prior: 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

35.54.050 Source—Surplus from improvement funds. 35.54.060 Source—Taxation. For the purpose of maintaining the local improvement guaranty fund, every city and town shall, at the time of making its annual budget and tax levy, provide for the levy of a sum sufficient, with the other sources of the fund, to pay the warrants issued against the fund during the preceding fiscal year and to establish a balance therein: PROVIDED, That the levy in any one year shall not exceed the greater of: (1) Twelve percent of the outstanding obligations guaranteed by the fund, or (2) the total amount of delinquent assessments and interest accumulated on the delinquent assessments before the levy as of September 1.

The taxes levied for the maintenance of the local improvement guaranty fund shall be additional to and, if need be, in excess of all statutory and charter limitations applicable to tax levies in any city or town. [1981 c 323 § 7; 1965 c 7 § 35.54.060. Prior: (i) 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

Special assessments or taxation for local improvements: State Constitution Art. 7 § 9

35.54.070 Use of fund—Purchase of bonds, coupons and warrants. Defaulted bonds, interest coupons and warrants against local improvement funds shall be purchased out of the guaranty fund, and as between the several issues of bonds, coupons, or warrants no preference shall exist, but they shall be purchased in the order of their presentation. 35.54.080 Use of fund—Purchase of general tax certificates or property on or after foreclosure—Disposition. For the purpose of protecting the guaranty fund, so much of the guaranty fund as is necessary may be used to purchase certificates of delinquency for general taxes on property subject to local improvement assessments which underlie the bonds, coupons, or warrants guaranteed by the fund, or to purchase such property at county tax foreclosures, or from the county after foreclosure.

The city or town, as trustee of the fund, may foreclose the lien of general tax certificates of delinquency and purchase the property at foreclosure sale; when doing so the court costs, costs of publication, expense for clerical work and other expenses incidental thereto shall be charged to and paid from the local improvement guaranty fund.

(1998 Ed.)
After acquiring title to property by purchase at general tax foreclosure sale or from the county after foreclosure, a city or town may lease it or sell it at public or private sale at such price on such terms as may be determined by resolution of the council. All proceeds shall belong to and be paid into the local improvement guaranty fund. [1965 c 7 § 35.54.080. Prior: 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

35.54.090 Warrants against fund. Warrants drawing interest at a rate established by the issuing officer under the direction of the legislative authority of the city or town shall be issued against the local improvement guaranty fund to meet any liability accruing against it. The warrants so issued shall at no time exceed five percent of the outstanding obligations guaranteed by the fund. [1981 c 323 § 8; 1965 c 7 § 35.54.090. Prior: 1933 c 109 § 1, part; 1927 c 209 § 3, part; 1925 ex.s. c 183 § 3, part; 1923 c 141 § 3, part; RRS § 9351-3, part.]

35.54.095 Transfer of assets to general fund—When authorized—Payment of claims as general obligation, when. (1) Any city or town maintaining a local improvement guaranty fund under this chapter, upon certification by the city or town treasurer that the local improvement guaranty fund has sufficient funds currently on hand to meet all valid outstanding obligations of the fund and all other obligations of the fund reasonably expected to be incurred in the near future, may by ordinance transfer assets from such fund to its general fund. The net cash of the local improvement guaranty fund may be reduced by such transfer to an amount not less than ten percent of the net outstanding obligations guaranteed by such fund.

(2) If, at any time within five years of any transfer of assets from the local improvement guaranty fund to the general fund of a city or town, the net cash of the local improvement guaranty fund is reduced below the minimum amount specified in subsection (1) of this section, the city or town shall, to the extent of the amount transferred, pay valid claims against the local improvement guaranty fund as a general obligation of the city or town. In addition, such city or town shall pay all reasonable costs of collection necessarily incurred by the holders of valid claims against the local improvement guaranty fund. [1979 c 55 § 1.]

35.54.100 Deferral of collection of assessments for economically disadvantaged persons—Payment from guaranty fund—Lien—Payment dates for deferred obligations. Whenever payment of a local improvement district assessment is deferred pursuant to the provisions of RCW 35.43.250 the amount of the deferred assessment shall be paid out of the local improvement guaranty fund. The local improvement guaranty fund shall have a lien on the benefited property in an amount equal to the deferral together with interest as provided for by the establishing ordinance.

The lien may accumulate up to an amount not to exceed the sum of two installments: PROVIDED, That the ordinance creating the local improvement district may provide for one or additional deferrals of up to two installments. Local improvement assessment obligations deferred under *this 1972 amendatory act shall become payable upon the earliest of the following dates:

(1) Upon the date and pursuant to conditions established by the political subdivision granting the deferral; or
(2) Upon the sale of property which has a deferred assessment lien upon it from the purchase price; or
(3) Upon the death of the person to whom the deferral was granted from the value of his estate; except a surviving spouse shall be allowed to continue the deferral which shall then be payable by that spouse as provided in this section. [1972 ex.s. c 137 § 3.]

*Reviser's note: "this 1972 amendatory act" [1972 ex.s. c 137] consists of RCW 35.43.250 and 35.54.100 and the 1972 ex.s. amendments to RCW 35.49.010 and 35.50.050.

Assessments and charges against state lands: Chapter 79.44 RCW.

35.55.010 Authority—Second class cities. If the city council of any city of the second class deems it necessary or expedient on account of the public health, sanitation, the general welfare, or other cause, to fill or raise the grade of any marshlands, swamplands, tidelands, shorelands, or lands commonly known as tidelats, or any other lowlands situated within the limits of the city, and to clear and prepare the lands for such filling, it may do so and assess the expense thereof, including the cost of making compensation for property taken or damaged, and all other costs and expense incidental to such improvement, to the property benefited, except such amount of such expense as the city council may direct to be paid out of the current or general expense fund.

If, in the judgment of the city council the special benefits for any such improvement shall extend beyond the boundaries of the filled area, the council may create an enlarged district which shall include, as near as may be, all the property, whether actually filled or not, which will be specially benefited by such improvement, and in such case the council shall specify and describe the boundaries of such enlarged district in the ordinance providing for such im-
improvement and shall specify that such portion of the total cost and expense of such improvement as may not be borne by the current or general expense fund, shall be distributed and assessed against all the property of such enlarged district. [1994 c 81 § 57; 1965 c 7 § 35.55.010. Prior: 1917 c 63 § 1; 1909 c 147 § 1; RRS § 9432.]

35.55.020 Alternative methods of financing. If the city council desires to make any improvement authorized by the provisions of this chapter it shall provide therefor by ordinance and unless the ordinance provides that the improvement shall be paid for wholly or in part by special assessments upon the property benefited, compensation therefor shall be made from any general funds of the city applicable thereto. If the ordinance provides that the improvement shall be paid for wholly or in part by special assessments upon property benefited, the proceedings for the making of the special assessments shall be as hereinafter provided. [1965 c 7 § 35.55.020. Prior: 1909 c 147 § 2, part; RRS § 9433, part.]

Special assessments or taxation for local improvements: State Constitution Art. 7 § 9.

35.55.030 Boundaries—Excepted property. Such ordinance shall specify the boundaries of the proposed improvement district and shall describe the lands which it is proposed to assess for said improvement. If any parcel of land within the boundaries of such proposed improvement district has been wholly filled to the proposed grade elevation of the proposed fill, such parcel of land may be excluded from the lists of lands to be assessed, when in the opinion of the city council justice and equity require its exclusion. The boundaries of any improvement district may be altered so as to exclude land therefrom at any time up to the levying of the assessment but such changing of the boundaries shall be by ordinance. [1965 c 7 § 35.55.030. Prior: 1909 c 147 § 2, part; RRS § 9433, part.]

35.55.040 Damages—Eminent domain. If an ordinance has been passed as in this chapter provided, and it appears that in making of the improvement so authorized, private property will be taken or damaged thereby, the city shall file a petition in the superior court of the county in which such city is situated, in the name of the city, praying that just compensation to be made for the property to be taken or damaged for the improvement specified in the ordinance be ascertained, and conduct proceedings in eminent domain in accordance with the statutes relating to cities for the ascertainment of the compensation to be made for the taking and damaging of property, except insofar as the same may be inconsistent with this chapter.

The filling of unimproved and uncultivated lowlands of the character mentioned in RCW 35.55.010 shall not be considered as damaging or taking of such lands. The damage if any, done to cultivated lands or growing crops thereon, or to buildings and other improvements situated within the district proposed to be filled, shall be ascertained and determined in the manner above provided; but no damage shall be awarded to any property owner for buildings or improvements placed upon lands included within said district after the publication of the ordinance defining the boundaries of the proposed improvement district: PROVIDED, That the city shall after the passage of such ordinance, proceed with said improvement with due diligence. If the improvement is to be made at the expense of the property benefited, no account shall be taken of benefits by the jury or court in assessing the amount of compensation to be made to the owner of any property within such district, but such compensation shall be assessed without regard to benefits to the end that said property for which damages may be so awarded, may be assessed the same as other property within the district for its just share and proportion of the expense of making said improvement, and the fact that compensation has been awarded for the damaging or taking of any parcel of land shall not preclude the assessment of such parcel of land for its just proportion of said improvement. [1965 c 7 § 35.55.040. Prior: 1909 c 147 § 3; RRS § 9434.]

Eminent domain by cities: Chapter 8.12 RCW.

35.55.050 Estimates—Plans and specifications. At the time of the initiation of the proceedings for any improvement as contemplated by this chapter, or at any time afterward, the city council shall cause plans and specifications for said improvement to be prepared and shall cause an estimate to be made of the cost and expense of making said improvement, including the cost of supervision and engineering, abstractor's fees, interest and discounts and all other expenses incidental to said improvement, including an estimate of the amount of damages for property taken or damaged, which plans, specifications and estimates shall be approved by the city council. [1965 c 7 § 35.55.050. Prior: 1909 c 147 § 4; RRS § 9435.]

35.55.060 Assessment roll—Items—Assessment units—Installments. When such plans and specifications have been prepared and the estimates of the cost and expense of making the improvement have been adopted by the council and when an estimate has been made of the compensation to be paid for property damaged or taken, either before or after the compensation has been ascertained in the eminent domain proceedings, the city council shall cause an assessment roll to be prepared containing a list of all of the property within the improvement district which it is proposed to assess for the improvement, together with the names of the owners, if known, and if unknown the property shall be assessed to an unknown owner, and opposite each description shall be set the amount assessed to such description.

When so ordered by the council, the entire amount of compensation paid or to be paid for property damaged or taken, including all of the costs and expenses incidental to the condemnation proceedings together with the entire cost and expense of making the improvement, may be assessed against the property within the district subject to assessment, but the council may order any portion of the costs paid out of the current or general expense fund of the city.

The assessments shall be made according to and in proportion to surface area one square foot of surface to be the unit of assessment, except that the several parcels of land in any enlarged district not actually filled shall be assessed in accordance with special benefits: PROVIDED, That where any parcel of land was partially filled by the owner
prior to the initiation of the improvement, an equitable
deduction for such partial filling may be allowed.

The cost and expense incidental to the filling of
the streets, alleys and public places within such assessment
district shall be borne by the private property within such
district subject to assessment when so ordered by the coun-
cil. When the assessments are payable in installments, the
assessment roll when equalized, shall show the number of
installments and the amounts thereof. The assessments may
be made payable in any number of equal annual installments
not exceeding ten in number. [1965 c 7 § 35.55.060. Prior:
1917 c 63 § 2; 1909 c 147 § 5; RRS § 9436.]

35.55.070 Hearing on assessment roll—Notice—
Council's authority. When such assessment roll has been
prepared it shall be filed in the office of the city clerk and
thereupon the city clerk shall give notice by publication in
at least three issues of the official paper that such roll is on
file in his office and that at a date mentioned in said notice,
which shall be at least twenty days after the date of the first
publication thereof, the city council will sit as a board of
equalization to equalize said roll and to hear, consider and
determine protests and objections against the same.

At the time specified in the notice, the city council shall
sit as a board of equalization to equalize the roll and they
may adjourn the sitting from time to time until the equaliza-
tion of such roll is completed. The city council as board of
equalization may hear, consider and determine objections and
protests against any assessment and may make such alter-
tations and modifications in the assessment roll as justice and
equity may require. [1965 c 7 § 35.55.070. Prior: 1909 c
147 § 6; RRS § 9437.]

35.55.080 Hearings—Appellate review. Any person
who has made objections to the assessment as equalized,
shall have the right to appeal from the equalization as made
by the city council to the superior court of the county. The
appeal shall be made by filing a written notice of appeal
with the city clerk within ten days after the equalization of
the assessments by the council. The notice of appeal shall
describe the property and the objections of such appellant to
such assessment.

The appellant shall also file with the clerk of the
superior court within ten days from the time of taking the
appeal a copy of the notice of appeal together with a copy of
the assessment roll and proceedings thereon, certified by
the city clerk and a bond to the city conditioned to pay all
costs that may be awarded against appellant in such sum not
exceeding ten in number. [1965 c 7 § 35.55.080. Prior: 1909 c
147 § 7; RRS § 9438.]

35.55.090 Lien—Collection of assessments. From
and after the equalization of the roll, the several assessments
therein shall become a lien upon the real estate described
therein and shall remain a lien until paid. The assessment
lien shall take precedence of all other liens against such
property, except the lien of general taxes. The assessments
shall be collected by the same officers and enforced in the
same manner as provided by law for the collection and
enforcement of local assessments for street improvements.
All of the provisions of laws and ordinances relative to the
enforcement and collection of local assessments for street
improvements shall be applicable to these assessments. [1965 c 7 § 35.55.090. Prior: 1909 c 147 § 8; RRS §
9439.]

Assessments for local improvements, collection and foreclosure: Chapters
35.49, 35.50 RCW.

35.55.100 Interest on assessments. The local
assessments shall bear interest at such rate as may be fixed
by the council after the expiration of thirty days after the
equalization of the assessment roll and shall bear such
interest after delinquency as may be provided by general
ordinance of the city. [1981 c 156 § 3; 1965 c 7 §
35.55.100. Prior: 1909 c 147 § 12, part; RRS § 9443, part.]

35.55.110 Payment of cost of improvement—
Interest on warrants. If the improvement contemplated by
this chapter is ordered to be made upon the immediate
payment plan, the city council shall provide for the payment
thereof by the issuance of local improvement fund warrants
against the local improvement district, which warrants shall
be paid only out of the funds derived from the local assess-
ments in the district and shall bear interest at a rate deter-
mined by the city council from date of issuance. If the
improvement is ordered to be made upon the bond install-
ment plan, the city council shall provide for the issuance of
bonds against the improvement district. [1981 c 156 § 4;
1965 c 7 § 35.55.110. Prior: (i) 1909 c 147 § 12, part;
RRS § 9443, part. (ii) 1909 c 147 § 9; RRS § 9440.]

35.55.120 Local improvement bonds—Terms. The
city council shall have full authority to provide for the
issuance of bonds against the improvement district fund in
such denominations as the city council may provide which
shall bear such rate of interest as the city council may fix.
Interest shall be paid annually and the bonds shall become
due and payable at such time, not exceeding ten years from
the date thereof, as may be fixed by the council and shall be
payable out of the local assessment district fund.

If so ordered by the council, the bonds may be issued
in such a way that different numbers of the bonds may
become due and payable at different intervals of time, or
they may be so issued that all of the bonds against said
district mature together. [1981 c 156 § 5; 1965 c 7 §
35.55.120. Prior: 1909 c 147 § 10, part; RRS § 9441, part.]

35.55.130 Local improvement bonds—Guaranties.
The city may guarantee the payment of the whole or any
part of the bonds issued against a local improvement district,
but the guaranties on the part of the city, other than a city operating under the council-manager form or the commission form, shall be made only by ordinance passed by the vote of not less than nine councilmembers and the approval of the mayor in noncharter code cities that retained the old second class city plan of government with twelve council positions, and six councilmembers and approval of the mayor in cities of the second class. In a city under the council-manager form of government, such guaranties shall be made only in an ordinance passed by a vote of three out of five or five out of seven councilmembers, as the case may be, and approval of the mayor. In a city under the commission form of government, such guaranties shall be made only in an ordinance passed by a vote of two out of three of the commissioners. The mayor’s approval shall not be necessary in commission form cities. [1994 c 81 § 58; 1965 c 7 § 35.55.130. Prior: 1909 c 147 § 10, part; RRS § 9441, part.]

35.55.140 Local improvement bonds and warrants—Sale to pay damages, preliminary financing. The city council may negotiate sufficient warrants or bonds against any local improvement district at a price not less than ninety-five percent of their par value to raise sufficient money to pay any and all compensation which may be awarded for property damaged or taken in the eminent domain proceedings including the costs of such proceedings. In lieu of so doing, the city council may negotiate current or general expense fund warrants at par to raise funds for the payment of such compensation and expenses in the first instance, but in that event the current or general expense fund shall be reimbursed out of the first moneys collected in any such local assessment district or realized from the negotiation or sale of local improvement warrants or bonds. [1965 c 7 § 35.55.140. Prior: 1909 c 147 § 11; RRS § 9442.]

35.55.150 Local improvement fund—Investment. If money accumulates in an improvement fund and is likely to lie idle awaiting the maturity of the bonds against the district, the city council, under proper safeguards, may invest it temporarily, or may borrow it temporarily, at a reasonable rate of interest, but when so invested or borrowed, the city shall be responsible and liable for the restoration to such fund of the money so invested or borrowed with interest thereon, whenever required for the redemption of bonds maturing against such district. [1965 c 7 § 35.55.150. Prior: 1909 c 147 § 15; RRS § 9446.]

35.55.160 Letting contract for improvement—Excess or deficiency of fund. The contract for the making of the improvement may be let either before or after the making up of the equalization of the assessment roll, and warrants, or bonds may be issued against the local improvement district fund either before or after the equalization of the roll as in the judgment of the council may best subserve the public interest.

If, after the assessment roll is made up and equalized, based in whole or in part upon an estimate of the cost of the improvement, and it is found that the estimate was too high, the excess shall be rebated pro rata to the property owners on the assessment roll, the rebates to be deducted from the last installment, or installments, when the assessment is upon the installment plan. If it is found that the estimated cost was too low and that the actual bona fide cost of the improvement is greater than the estimate, the city council, after due notice and a hearing, as in case of the original equalization of the roll, may add the required additional amount to the assessment roll to be apportioned among the several parcels of property upon the same rules and principles as if it had been originally included, except that the additional amount shall be added to the last installment of an assessment if assessments are payable upon the installment plan. The same notice shall be required for adding to the assessment roll in this manner as is required for the original equalization of the roll, and the property owner shall have the right of appeal. [1965 c 7 § 35.55.160. Prior: 1909 c 147 § 13; RRS § 9444.]

35.55.170 Payment of contractor—Bonds, warrants, cash. The city council may provide in letting the contract for an improvement, that the contractor shall accept special fund warrants or local improvement bonds against the local improvement district within which such improvement is to be made, in payment for the contract price of the work, and that the warrants or bonds may be issued to the contractor from time to time as the work progresses, or the city council may negotiate the special fund warrants or bonds against the local improvement district at not less than ninety-five cents in money for each dollar of warrants or bonds, and with the proceeds pay the contractor for the work and pay the other costs of such improvement. [1965 c 7 § 35.55.170. Prior: 1909 c 147 § 14; RRS § 9445.]

35.55.180 Reassessments. If any assessment is found to be invalid for any cause or if it is set aside for any reason in judicial proceeding, a reassessment may be made and all laws relative to the reassessment of local assessments, for street or other improvements, shall, as far as practicable, be applicable hereto. [1965 c 7 § 35.55.180. Prior: 1909 c 147 § 16; RRS § 9447.]

35.55.190 Provisions of chapter not exclusive. The provisions of this chapter shall not be construed as repealing or in any wise affecting any existing laws relative to the making of any such improvements, but shall be considered as concurrent therewith. [1965 c 7 § 35.55.190. Prior: 1909 c 147 § 17; RRS § 9448.]

Assessments and charges against state lands: Chapter 79.44 RCW.

35.56.010 Authority—First and second class cities.
If the city council or commission of any city of the first or second class in this state deems it necessary or expedient on account of the public health, sanitation, the general welfare, or other cause, to fill or raise the grade or elevation of any marshlands, swamplands, tidelands or lands commonly known as tideflats, or any other lands situated within the limits of such city and to clear and prepare said lands for such filling it may do so by proceeding in accordance with the provisions of this chapter.

For the purpose of filling and raising the grade or elevation of such lands and to secure material therefor and to provide for the proper drainage thereof after such fill has been effected, the city council or commission may acquire rights of way (and where necessary or desirable, may vacate, use and appropriate streets and alleys for such purposes) and lay out, build, construct and maintain over and across such lowlands, canals or artificial waterways of at least sufficient width, depth and length to provide and afford the quantity of earth, dirt and material required to complete such fill, and with the earth, dirt and material removed in digging and constructing such canals and waterways, fill and raise the grade or elevation of such marshlands, swamplands, tidelands or tideflats; and such canals or waterways shall be constructed of such width and depth (provided that all the earth, dirt and other suitable material removed in constructing the same shall be used to fill the landings as herein provided) as will make them available, convenient and suitable to provide water frontage for landings, wharves and other conveniences of navigation and commerce for the use and benefit of the city and the public. If canals or waterways are to be constructed as herein provided, such city may construct and maintain the necessary bridges over and across the same; such canals or waterways shall be forever under the control of such city and shall be and become public thoroughfares and waterways for the use and benefit of commerce, shipping, the city and the public generally.

The expense of making such improvement and in doing, accomplishing and effecting all the work provided for in this chapter including the cost of making compensation for property taken or damaged, and all other cost and expense incidental to such improvement, shall be assessed to the property benefited, except such amount of such expense as the city council or commission, in its discretion, may direct to be paid out of the current or general expense fund. [1994 c 81 § 59; 1965 c 7 § 35.56.010. Prior: 1929 c 63 § 1; 1913 c 16 § 1; RRS § 9449.]

35.56.020 Alternative methods of financing. If the city council or commission desires to make any improvement authorized by the provisions of this chapter it shall provide therefor by ordinance and unless the ordinance provides that the improvement shall be paid for wholly or in part by special assessment upon the property benefited, compensation therefor shall be made from any general or special funds of the city applicable thereto. If the ordinance provides that the improvement shall be paid for wholly or in part by special assessments upon property benefited, the proceedings for the making of such special assessment shall be as hereafter provided. [1965 c 7 § 35.56.020. Prior: 1913 c 16 § 2, part; RRS § 9450, part.]

Special assessments or taxation for local improvements: State Constitution Art. 7 § 9.

35.56.030 Boundaries—Excepted property. Such ordinance shall specify the boundaries of the proposed improvement district and shall describe the lands which it is proposed to assess for said improvement, and shall provide for the filling of such lowlands and shall outline the general scheme or plan of such fill. If any parcel of land within the boundaries of such proposed improvement district prior to the initiation of the improvement has been wholly filled to the proposed grade or elevation of the proposed fill, such parcel of land may be excluded from the lands to be assessed when in the opinion of the city council or commission justice and equity require its exclusion. The boundaries of any improvement district may be altered so as to exclude land therefrom at any time up to the levying of the assessment but such changing of the boundaries shall be by ordinance. [1965 c 7 § 35.56.030. Prior: 1913 c 16 § 2, part; RRS § 9450, part.]

35.56.040 Conditions precedent to passage of ordinance—Protests. Upon the introduction of an ordinance providing for such fill, if the city council or commission desires to proceed, it shall fix a time, not less than ten days, in which protests against said fill may be filed in the office of the city clerk. Thereupon it shall be the duty of the clerk of said city to publish in the official newspaper of said city in at least two consecutive issues thereof before the time fixed for the filing of protests, a notice of the time fixed for the filing of protests together with a copy of the proposed ordinance as introduced.

Protests against the proposed fill to be effective must be filed by the owners of more than half of the area of land situated within the proposed filling district exclusive of streets, alleys and public places on or before the date fixed for such filing. If an effective protest is filed the council shall not proceed further unless two-thirds of the members of the city council vote to proceed with the work; if the city is operating under a commission form of government composed of three commissioners, the commission shall not
proceed further except by a unanimous affirmative vote of all the members thereof, if the commission is composed of five members, at least four affirmative votes thereof shall be necessary before proceeding.

If no effective protest is filed or if an effective protest is filed and two-thirds of the councilmen vote to proceed with the work or in cases where cities are operating under the commission form of government, the commissioners vote unanimously or four out of five commissioners vote to proceed with the work, the city council or commission shall at such meeting or in a succeeding meeting proceed to pass the proposed ordinance for the work, with such amendments and modifications as to the said city council or commission of said city may seem proper. The local improvement district shall be called "filling district No. . . . ." [1965 c 7 § 35.56.040. Prior: 1913 c 16 § 2, part; RRS § 9450, part.]

35.56.050 Damages—Eminent domain. If an ordinance is passed as in this chapter provided, and it appears that in making of the improvements so authorized, private property will be taken or damaged thereby within or without the city, the city shall file a petition in the superior court of the county in which such city is situated, in the name of the city, praying that just compensation be made for the property to be taken or damaged for the improvement specified in the ordinance and conduct proceedings in eminent domain in accordance with the statutes relating to cities for the ascertainment of the compensation to be made for the taking and damaging of property, except insofar as the same may be inconsistent with this chapter.

The filling of unimproved and uncultivated lowlands of the character mentioned in RCW 35.56.010 shall not be considered as a damaging or taking of such lands. The damage, if any, done to cultivated lands or growing crops thereon, or to buildings and other improvements situated within the district proposed to be filled shall be ascertained and determined in the manner above provided; but no damage shall be awarded to any property owner for buildings or improvements placed upon lands included within said district after the publication of the ordinance defining the boundaries of the proposed improvement district: PROVIDED, That the city shall, after the passage of such ordinance, proceed with said improvement with due diligence.

If the improvement is to be made at the expense of the property benefited, no account shall be taken of benefits by the jury or court in assessing the amount of compensation to be made to the owner of any property within such district, but such compensation shall be assessed without regard to benefits to the end that said property for which damages may be so awarded, may be assessed the same as other property within the district for its just share and proportion of the expense of making said improvement, and the fact that compensation has been awarded for the damaging or taking of any parcel of land shall not preclude the assessment of such parcel of land for its just proportion of said improvement. [1965 c 7 § 35.56.050. Prior: (i) 1913 c 16 § 3; RRS § 9451. (ii) 1929 c 63 § 4; 1913 c 16 § 21; RRS § 9469]

Eminent domain, cities: Chapter 8.12 RCW

35.56.060 Estimates—Plans and specifications. At the time of the initiation of the proceedings for any improvement as contemplated by this chapter or at any time afterward, the city council or commission shall cause plans and specifications for said improvement to be prepared and shall cause an estimate to be made of the cost and expense of making said improvement, including the cost of supervision and engineering, abstractor's fees, interest and discounts and all other expenses incidental to said improvement, including an estimate of the amount of damages for property taken or damaged, which plans, specifications and estimates shall be approved by the city council or commission. [1965 c 7 § 35.56.060. Prior: 1913 c 16 § 4; RRS § 9452.]

35.56.070 Assessment roll—Items—Assessment units—Installments. When such plans and specifications shall have been prepared and the estimate of the cost and expense of making the improvement has been adopted by the council or commission and when an estimate has been made of the compensation to be paid for property damaged or taken, either before or after the compensation has been ascertained in the eminent domain proceedings, the city council or commission shall cause an assessment roll to be prepared containing a list of all the property within the improvement district which it is proposed to assess for the improvements together with the names of the owners, if known, and if unknown, the property shall be assessed to an unknown owner, and opposite each description shall be set the amount assessed to such description.

When so ordered by the city council or commission, the entire amount of compensation paid or to be paid for property damaged or taken, including all of the costs and expenses incidental to the condemnation proceedings together with the entire cost and expense of making the improvement may be assessed against the property within the district subject to assessment, but the city council or commission may order any portion of the costs paid out of the current or general expense fund of the city. The assessments shall be made according to and in proportion to surface area, one square foot of surface to be the unit of assessment: PROVIDED, That where any parcel of land was wholly or partially filled by the owner prior to the initiation of the improvement an equitable deduction for such filling or partial filling may be allowed.

The cost and expense incidental to the filling of the streets, alleys and public places within said assessment district shall be borne by the private property within such district subject to assessment when so ordered by the city council or commission. When the assessments are payable in installments, the assessment roll when equalized shall show the number of installments and the amounts thereof. The assessment may be made payable in any number of equal annual installments not exceeding fifteen in number. [1965 c 7 § 35.56.070. Prior: 1913 c 16 § 5; RRS § 9453.]

35.56.080 Hearing on assessment roll—Notice—Council's authority. When such assessment roll has been prepared it shall be filed in the office of the city clerk and thereupon the city clerk shall give notice by publication in at least three issues of the official paper that such roll is on file in his office and on a date mentioned in said notice,
which shall be at least twenty days after the date of the first publication thereof, the city council or commission will sit as a board of equalization to equalize said roll and to hear, consider and determine protests and objections against the same.

At the time specified in the notice, the city council or commission shall sit as a board of equalization to equalize the roll and they may adjourn the sitting from time to time until the equalization of such roll is completed. The city council or commission as such board of equalization may hear, consider and determine objections and protests against any assessment and make such alterations and modifications in the assessment roll as justice and equity may require. [1965 c 7 § 35.56.080. Prior: 1913 c 16 § 6; RRS § 9454.]

35.56.090 Hearing—Appellate review. Any person who has made objections to the assessment as equalized, shall have the right to appeal from the equalization as made by the city council or commission to the superior court of the county. The appeal shall be made by filing a written notice of appeal with the city clerk within ten days after the equalization of the assessments by the council or commission. The notice of appeal shall describe the property and the objections of such appellant to such assessment.

The appellant shall also file with the clerk of the superior court within ten days from the time of taking the appeal a copy of the notice of appeal together with a copy of the assessment roll and proceedings thereon, certified by the city clerk and a bond to the city conditioned to pay all costs that may be awarded against appellant in such sum not less than two hundred dollars, and with such security as shall be approved by the clerk of the court.

The case shall be docketed by the clerk of the court in the name of the person taking the appeal as plaintiff, and the city as defendant. The cause shall then be at issue and shall be tried immediately by the court as in the case of equitable causes; no further pleadings shall be necessary. The judgment of the court shall be either to confirm, modify or annul the assessment insofar as the same affects the property of the appellant. Appellate review of the superior court’s decision may be sought in other causes. [1988 c 202 § 39; 1971 c 81 § 95; 1965 c 7 § 35.56.090. Prior: 1913 c 16 § 7; RRS § 9455.]

35.56.100 Lien—Collection of assessments. From and after the equalization of the roll, the several assessments therein shall become a lien upon the real estate described therein and shall remain a lien until paid. The assessment lien shall take precedence of all other liens against such property, except the lien of general taxes. The assessments shall be collected by the same officers and enforced in the same manner as provided by law for the collection and enforcement of local assessments for street improvements. All of the provisions of laws and ordinances relative to the guaranty, enforcement, and collection of local assessments for street improvements, including foreclosure in case of delinquency, shall be applicable to these assessments. [1965 c 7 § 35.56.100. Prior: 1929 c 63 § 2; 1913 c 16 § 8; RRS § 9456.]

35.56.110 Interest on assessments. The local assessments shall bear interest at such rate as may be fixed by the council or commission from and after the expiration of thirty days after the equalization of the assessment roll and shall bear such interest after delinquency as may be provided by general ordinance of the city. [1981 c 156 § 6; 1965 c 7 § 35.56.110. Prior: 1929 c 63 § 3; 1913 c 16 § 12; RRS § 9460.]

35.56.120 Payment of cost of improvement—Interest on warrants. If the improvement contemplated by this chapter is ordered to be made upon the immediate payment plan, the city council or commission shall provide for the payment thereof by the issuance of local improvement fund warrants against the local improvement district, which warrants shall be paid only out of the funds derived from the local assessments in the district and shall bear interest at a rate determined by the city council or commission from date of issuance. If the improvement is ordered to be made upon the bond installment plan, the city council or commission shall provide for the issuance of bonds against the improvement district. [1981 c 156 § 7; 1965 c 7 § 35.56.120. Prior: 1913 c 16 § 9; RRS § 9457.]

35.56.130 Local improvement bonds—Terms. The city council or commission shall have full authority to provide for the issuance of such bonds against the improvement district fund in such denominations as the city council or commission may provide, which shall bear such rate of interest as the city council or commission may fix. Interest shall be paid annually and the bonds shall become due and payable at such time, not exceeding fifteen years from the date thereof, as may be fixed by the said council or commission and shall be payable out of the assessment district funds.

If so ordered by the council or commission, the bonds may be issued in such a way that different numbers of the bonds may become due and payable at different intervals of time, or they may be so issued that all of the bonds against said district mature together. The city may reserve the right to call or mature any bond on any interest paying date when sufficient funds are on hand for its redemption; but bonds shall be called in numerical order. [1981 c 156 § 8; 1965 c 7 § 35.56.130. Prior: 1913 c 16 § 10, part; RRS § 9458, part.]

35.56.140 Local improvement bonds—Guaranties. The city may guarantee the payment of the whole or any part of the bonds issued against a local improvement district, but the guaranties on the part of the city shall be made only by ordinance passed by the vote of not less than two-thirds of the councilmen and the approval of the mayor, or three commissioners in case the governing body consist of three commissioners, or four where such city is governed by five commissioners. [1965 c 7 § 35.56.140. Prior: 1913 c 16 § 10, part; RRS § 9458, part.]
35.56.150 Local improvement bonds and warrants—Sale to pay damages—Preliminary financing. The city council or commission may negotiate sufficient warrants or bonds against any local improvement district at a price not less than ninety-five percent of their par value to raise sufficient money to pay any and all compensation which may be awarded for property damaged or taken in the eminent domain proceedings, including the costs of such proceedings. In lieu of so doing, the city council or commission may negotiate current or general expense fund warrants at par to raise funds for the payment of such compensation and expenses in the first instance, but in that event the current or general expense fund shall be reimbursed out of the first moneys collected in any such local assessment district or realized from the negotiation or sale of local improvement warrants or bonds. [1965 c 7 § 35.56.150. Prior: 1913 c 16 § 11; RRS § 9459.]

35.56.160 Local improvement fund—Investment. If money accumulates in an improvement fund and is likely to lie idle waiting the maturity of the bonds against the district, the city council or commission, under proper safeguards, may invest it temporarily, or may borrow it temporarily, at a reasonable rate of interest, but when so invested or borrowed, the city shall be responsible and liable for the restoration to such fund of the money so invested or borrowed with interest thereon, whenever required for the redemption of bonds maturing against such district. [1965 c 7 § 35.56.160. Prior: 1913 c 16 § 15; RRS § 9463.]

35.56.170 Letting contracts for improvement—Excess or deficiency of fund. The contract for the making of the improvement may be let either before or after the making up of the equalization of the assessment roll, and warrants or bonds may be issued against the local improvement district fund either before or after the equalization of the roll as in the judgment of the council or commission may best subserve the public interest.

If after the assessment roll is made up and equalized, based in whole or in part upon an estimate of the cost of the improvement, and it is found that the estimate was too high, the excess shall be deducted from the last installment, or instalments, when the assessment is upon the installment plan.

If it is found that the estimated cost was too low and that the actual bona fide cost of the improvement is greater than the estimate, the city council or commission after due notice and a hearing, as in case of the original equalization of the roll, may add the required additional amount to the assessment roll to be apportioned among the several parcels of property upon the same rules and principles as if it had been originally included except that the additional amount shall be added to the last installment of an assessment if assessments are payable upon the installment plan. The same notice shall be required for adding to the assessment roll in this manner as is required for the original equalization of the roll, and the property owner shall have the right of appeal. [1965 c 7 § 35.56.170. Prior: 1913 c 16 § 13; RRS § 9461.]

35.56.180 Payment of contractor—Bonds—Warrants—Cash. Chapter 35.58 Title 35 RCW: Cities and Towns

35.58.010 Declaration of policy and purpose. It is hereby declared to be the public policy of the state of Washington to provide for the people of the populous metropolitan areas in the state the means of obtaining essential services not adequately provided by existing agencies of local government. The growth of urban population and the movement of people into suburban areas has created problems of water pollution abatement, garbage disposal, water supply, transportation, planning, parks and parkways which extend beyond the boundaries of cities, counties and special districts. For reasons of topography, location and movement of population, and land conditions and development, one or more of these problems cannot be adequately met by the individual cities, counties and districts of many metropolitan areas. It is the purpose of this chapter to enable cities and counties to act jointly to meet these common problems in order that the proper growth and development of the metropolitan areas of the state may be assured and the health and welfare of the people residing therein may be secured. [1974 ex.s. c 70 § 1; 1965 c 7 § 35.58.010. Prior: 1957 c 213 § 1.]

The boundaries of such metropolitan corporation may not be enlarged or diminished after such date by annexation as provided in chapter 35.58 RCW and any purported annexation of territory shall be deemed void. Any contiguous metropolitan municipal corporations may be consolidated into a single metropolitan municipal corporation upon such terms, for the purpose of performing such metropolitan function or functions, and to be effective at such time as may be approved by resolutions of the respective metropolitan councils. In the event of such consolidation the component city with the largest population shall be the central city of such consolidated metropolitan municipal corporation and the component county with the largest population shall be the central county of such consolidated metropolitan municipal corporation. [1993 c 364 § 3; 1971 ex.s. c 303 § 3; 1967 c 105 § 1; 1965 c 7 § 35.58.040. Prior: 1957 c 213 § 4.]

The commissioners may make such changes in the boundaries of the metropolitan area as they shall deem reasonable and proper, but may not delete any portion of the proposed area which will create an island of included or excluded lands, may not delete a portion of any city, and may not delete any portion of the proposed area which is contributing or may reasonably be expected to contribute to the pollution of any water course or body of water in the proposed area when the petition or resolution names metropolitan water pollution abatement as a function to be performed by the proposed metropolitan municipal corporation. If the commissioners shall determine that any additional territory should be included in the metropolitan area, a second hearing shall be held and notice given in the same manner as for the original hearing. The commissioners may adjourn the hearing on the formation of a metropolitan municipal corporation from time to time not exceeding thirty days in all. At the next regular meeting following the conclusion of such hearing the commissioners shall adopt a resolution fixing the boundaries of the proposed metropolitan municipal corporation, declaring that the formation of the proposed metropolitan municipal corporation will be conducive to the welfare and benefit of the persons and property therein and providing for the calling of a special election on the formation of the metropolitan municipal corporation to be held not more than one hundred twenty days nor less than sixty days following the adoption of such resolution. [1974 ex.s. c 70 § 4; 1965 c 7 § 35.58.080. Prior: 1957 c 213 § 8.]

[1993 c 240 § 3; 1973 1st ex.s. c 195 § 23; 1965 c 7 § 35.58.090. Prior: 1957 c 213 § 9.]

Severability—Effective dates—Construction—1973 1st ex.s. c 195: See notes following RCW 84.52.043.
35.58.100 Additional functions—Authorized by election. A metropolitan municipal corporation may be authorized to perform one or more metropolitan functions in addition to those which it has previously been authorized to perform, with the approval of the voters at an election, in the manner provided in this section.

An election to authorize a metropolitan municipal corporation to perform one or more additional metropolitan functions may be called pursuant to a resolution or a petition in the following manner:

1. A resolution calling for such an election may be adopted by:
   (a) The city council of the central city; or
   (b) The city councils of at least one-half in number of the component cities other than the central city; or
   (c) The board of commissioners of the central county.

   Such resolution shall be transmitted to the metropolitan council.

2. A petition calling for such an election shall be signed by at least four percent of the registered voters residing within the metropolitan area and shall be filed with the auditor of the central county.

   Any resolution or petition calling for such an election shall name the additional metropolitan functions which the metropolitan municipal corporation shall be authorized to perform.

   Upon receipt of such a petition, the auditor shall examine the signatures thereon and certify to the sufficiency thereof. For the purpose of examining the signatures on such petition, the auditor shall be permitted access to all voter registration books of any component county and of all component cities. No person may withdraw his name from a petition after it has been filed with the auditor. Within thirty days following the receipt of such petition, the auditor shall transmit the same to the metropolitan council, together with his certificate as to the sufficiency of signatures thereon.

   Upon receipt of a valid resolution or duly certified petition calling for an election on the authorization of the performance of one or more additional metropolitan functions, the metropolitan council shall cause to be called a special election to be held not more than one hundred and twenty days nor less than sixty days following such receipt. Such special election shall be conducted and canvassed as provided in this chapter for an election on the question of forming a metropolitan municipal corporation. The ballot proposition shall be in substantially the following form:

   "Shall the . . . . metropolitan municipal corporation be authorized to perform the additional metropolitan functions of . . . . . (here insert the title of each of the additional functions to be authorized as set forth in the petition or resolution)?

   YES ☐ NO ☐

   If a majority of the persons voting on the proposition shall vote in favor thereof, the metropolitan municipal corporation shall be authorized to perform such additional metropolitan function or functions. [1967 c 105 § 2; 1965 c 7 § 35.58.100. Prior: 1957 c 213 § 10.]

35.58.110 Additional functions—Authorized without election. A metropolitan municipal corporation may be authorized to perform one or more metropolitan functions in addition to those which it has previously been authorized to perform, without an election, in the manner provided in this section. A resolution providing for the performance of such additional metropolitan function or functions shall be adopted by the metropolitan council. A copy of such resolution shall be transmitted by registered mail to the legislative body of each component city and county. If, within ninety days after the date of such mailing, a concurring resolution is adopted by the legislative body of each component county, of each component city of the first class, and of at least two-thirds of all other component cities, and such concurring resolutions are transmitted to the metropolitan council, such council shall by resolution declare that the metropolitan municipal corporation has been authorized to perform such additional metropolitan function or functions. A copy of such resolution shall be transmitted by registered mail to the legislative body of each component city and county and of each special district which will be affected by the particular additional metropolitan function authorized. [1965 c 7 § 35.58.110. Prior: 1957 c 213 § 11.]

Election required to authorize public transportation function: RCW 35.58.245

35.58.112 Recommended comprehensive plan for performance of additional function—Study and preparation. The metropolitan council of a metropolitan municipal corporation upon the affirmative vote of two-thirds of the members of such council may make planning, engineering, legal, financial and feasibility studies preliminary to or incident to the preparation of a recommended comprehensive plan for any metropolitan function, and may prepare such a recommended comprehensive plan before the metropolitan municipal corporation has been authorized to perform such function. The studies and plan may cover territory within and without the metropolitan municipal corporation. A recommended comprehensive plan prepared pursuant to this section for any metropolitan function may not be adopted by the metropolitan council unless the metropolitan municipal corporation shall have been authorized to perform such function. [1967 c 105 § 7.]

35.58.114 Recommended comprehensive plan for performance of additional function—Resolution for special election to authorize additional function—Contents—Hearings—Election procedure. Whenever a recommended comprehensive plan for the performance of any additional metropolitan function shall have been prepared and the metropolitan council shall have found the plan to be feasible the council may by resolution call a special election to authorize the performance of such additional function without the filing of the petitions or resolutions provided for in RCW 35.58.100.

If the metropolitan council shall determine that the performance of such function requires enlargement of the
metropolitan area, such resolution shall contain a description of the boundaries of the proposed metropolitan area and may be adopted only after a public hearing thereon before the council. Notice of such hearing shall be published once a week for at least two consecutive weeks in one or more newspapers of general circulation within the proposed metropolitan area. The notice shall contain a description of the boundaries of the proposed metropolitan area, shall name the additional function or functions to be performed and shall state the time and place of the hearing and the fact that any changes in the boundaries of the proposed metropolitan area will be considered at such time and place. At such hearing any interested person may appear and be heard. The council may make such changes in the proposed metropolitan area as they shall deem reasonable and proper, but may not delete any portion of the existing metropolitan area and may not delete any portion of the proposed additional area which will create an island of included or excluded lands. If the council shall determine that the proposed additional area should be further enlarged, a second hearing shall be held and notice given in the same manner as for the original hearing. The council may adjourn the hearing or hearings from time to time.

Following the conclusion of such hearing or hearings, the council may adopt a resolution fixing the boundaries of the proposed metropolitan area and calling a special election on the performance of such additional function. If the metropolitan municipal corporation is then authorized to perform the function of metropolitan sewage disposal, the council may provide in such resolution that local governmental agencies collecting sewage from areas outside the metropolitan area as same is constituted on the date of adoption of such resolution will not thereafter be required to discharge such sewage into the metropolitan sewer system or to secure approval of local construction plans from the metropolitan municipal corporation unless such local agency shall first have entered into a contract with the metropolitan municipal corporation for the disposal of such sewage. The metropolitan council may also provide in such resolution that the authorization to perform such additional function be effective only if the voters at such election also authorize the issuance of any general obligation bonds required to carry out the recommended comprehensive plan.

The resolution calling such election shall fix the form of the ballot proposition and the same may vary from that specified in RCW 35.58.100. If the metropolitan council shall find that the issuance of general obligation bonds is necessary to perform such additional function and to carry out such recommended comprehensive plan, then the ballot proposition shall set forth the principal amount of such bonds and the maximum maturity thereof and the proposition shall be so worded that the voters may, by a single yes or no vote authorize the performance of the designated function in the area described in the resolution and the issuance of such general obligation bonds.

The persons voting at such election shall be all of the qualified voters who have resided within the boundaries of the proposed metropolitan area for at least thirty days preceding the date of the election. The election shall be conducted and canvassed as provided in RCW 35.58.090.

If the resolution calling such election does not require the approval of general obligation bonds as a condition of the performance of such additional function and if a majority of the persons voting on the ballot proposition residing within the existing metropolitan municipal corporation shall vote in favor thereof and a majority of the persons residing within the area proposed to be added to the existing metropolitan municipal corporation shall vote in favor thereof the boundaries described in the resolution calling the election shall become the boundaries of the metropolitan municipal corporation and the metropolitan municipal corporation shall be authorized to perform the additional function described in the proposition.

If the resolution calling such election shall require the authorization of general obligation bonds as a condition of the performance of such additional function, then to be effective the ballot proposition must be approved as provided in the preceding paragraph and must also be approved by at least three-fifths of the persons voting thereon and the number of persons voting on such proposition must constitute not less than forty percent of the total number of votes cast within such area at the last preceding state general election. [1967 c 105 § 8.]

35.58.116 Proposition for issuance of general obligation bonds or levy of general tax—Submission at same election or special election. The metropolitan council may at the same election called to authorize the performance of an additional function or at a special election called by the council after it has been authorized to perform any metropolitan function submit a proposition for the issuance of general obligation bonds for capital purposes as provided in RCW 35.58.450 or a proposition for the levy of a general tax for any authorized purpose for one year in such total dollar amount as the metropolitan council may determine and specify in such proposition. Any such proposition to be effective must be assented to by at least three-fifths of the persons voting thereon and the number of persons voting on such proposition shall constitute not less than forty percent of the total number of votes cast within the metropolitan area at the last preceding state general election. Any such proposition shall only be effective if the performance of the additional function shall be authorized at such election or shall have been authorized prior thereto. [1967 c 105 § 9.]

35.58.120 Metropolitan council—Composition. Unless the rights, powers, functions, and obligations of a metropolitan municipal corporation have been assumed by a county as provided in chapter 36.56 RCW, a metropolitan municipal corporation shall be governed by a metropolitan council composed of elected officials of the component counties and component cities, and possibly other persons, as determined by agreement of each of the component counties and the component cities equal in number to at least twenty-five percent of the total number of component cities that have at least seventy-five percent of the combined component city populations. The agreement shall remain in effect until altered in the same manner as the initial composition is determined. [1993 c 240 § 4; 1983 c 92 § 1; 1981 c 190 § 3; 1974 ex.s. c 70 § 5; 1971 ex.s. c 303 § 5; 1969 ex.s. c 135 § 1; 1967 c 105 § 3; 1965 c 7 § 35.58.120. Prior: 1957 c 213 § 12.]
35.58.130 Metropolitan council—Organization, chairman, procedures. At the first meeting of the metropolitan council following the formation of a metropolitan municipal corporation, the mayor of the central city shall serve as temporary chair man. As its first official act the council shall elect a chairman. The chairman shall be a voting member of the council and shall preside at all meetings. In the event of his absence or inability to act the council shall select one of its members to act as chairman pro tempore. A majority of all members of the council shall constitute a quorum for the transaction of business. A smaller number of council members than a quorum may adjourn from time to time and may compel the attendance of absent members in such manner and under such penalties as the council may provide. The council shall determine its own rules and order of business, shall provide by resolution for the manner and time of holding all regular and special meetings and shall keep a journal of its proceedings which shall be a public record. Every legislative act of the council of a general or permanent nature shall be by resolution. [1965 c 7 § 35.58.130. Prior: 1957 c 213 § 13.]

35.58.140 Metropolitan council—Terms. Each member of a metropolitan council except those selected under the provisions of *RCW 35.58.120 (1)(a), (5), (7), and (8), shall hold office at the pleasure of the body which selected him. Each member, who shall hold office ex officio, may not hold office after he ceases to hold the position of elected county executive, mayor, commissioner, or councilman. The chairman shall hold office until the second Tuesday in July of each even-numbered year and may, if reelected, serve more than one term. Each member shall hold office until his successor has been selected as provided in this chapter. [1971 ex.s. c 303 § 6; 1969 ex.s. c 135 § 2; 1967 c 105 § 4; 1965 c 7 § 35.58.140. Prior: 1957 c 213 § 14.]

*Reviser's note: RCW 35.58.120 was amended by 1993 c 240 § 4 which deleted subsections (1)(a), (5), (7), and (8).

35.58.150 Metropolitan council—Vacancies. A vacancy in the office of a member of the metropolitan council shall be filled in the same manner as provided for the original selection. The meeting of mayors to fill a vacancy of the member selected under the provisions of *RCW 35.58.120(4) or of special district representatives to fill a vacancy of a member selected under *RCW 35.58.120(7) shall be held at such time and place as shall be designated by the chairman of the metropolitan council after ten days' written notice mailed to the mayors of each of the cities specified in *RCW 35.58.120(4) or to the representatives of the special purpose districts specified in *RCW 35.58.120(7), whichever is applicable. [1984 c 44 § 1; 1967 c 105 § 5; 1965 c 7 § 35.58.150. Prior: 1957 c 213 § 15.]

*Reviser's note: RCW 35.58.120 was amended by 1993 c 240 § 4 which deleted subsections (4) and (7).

35.58.160 Metropolitan council—Compensation—Waiver of compensation. The chairman and committee chairmen of the metropolitan council except elected public officials serving on a full-time salaried basis may receive such compensation as the other members of the metropolitan council shall provide. Members of the council other than the chairman and committee chairmen shall receive compensation of fifty dollars per day or portion thereof for attendance at metropolitan council or committee meetings, or for performing other services on behalf of the metropolitan municipal corporation, but not exceeding a total of four thousand eight hundred dollars in any year, in addition to any compensation which they may receive as officers of component cities or counties: PROVIDED, That elected public officers serving in such capacities on a full-time basis shall not receive compensation for attendance at metropolitan, council, or committee meetings, or otherwise performing services on behalf of the metropolitan municipal corporation: PROVIDED FURTHER, That committee chairmen shall not receive compensation in any one year greater than one-third of the compensation authorized for the county commissioners or county councilmen of the central county.

Any member of the council may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the council as provided in this section. The waiver, to be effective, must be filed any time after the member's selection and prior to the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

All members of the council shall be reimbursed for expenses actually incurred by them in the conduct of official business for the metropolitan municipal corporation. [1985 c 330 § 1; 1974 ex.s. c 84 § 2; 1965 c 7 § 35.58.160. Prior: 1957 c 213 § 16.]

35.58.170 Corporation name and seal. The name of a metropolitan municipal corporation shall be established by its metropolitan council. Each metropolitan municipal corporation shall adopt a corporate seal containing the name of the corporation and the date of its formation. [1965 c 7 § 35.58.170. Prior: 1957 c 213 § 17.]

35.58.180 General powers of corporation. In addition to the powers specifically granted by this chapter a metropolitan municipal corporation shall have all powers which are necessary to carry out the purposes of the metropolitan municipal corporation and to perform authorized metropolitan functions. A metropolitan municipal corporation may contract with the United States or any agency thereof, any state or agency thereof, any other metropolitan municipal corporation, any county, city, special district, or governmental agency and any private person, firm or corporation for the purpose of receiving gifts or grants or securing loans or advances for preliminary planning and feasibility studies, or for the design, construction or operation of metropolitan facilities and a metropolitan municipal corporation may contract with any governmental agency or with any private person, firm or corporation for the use by either contracting party of all or any part of the facilities, structures, lands, interests in lands, air rights over lands and rights of way of all kinds which are owned, leased or held by the other party and for the purpose of planning, constructing or operating any facility or performing any service which the metropolitan municipal corporation may be authorized to operate or perform, on such terms as may be agreed upon by...
the contracting parties. PROVIDED, That before any contract for the lease or operation of any metropolitan public transportation facilities shall be let to any private person, firm or corporation, a general schedule of rental rates for bus equipment with or without drivers shall be publicly posted applicable to all private certificated carriers, and for other facilities competitive bids shall first be called upon such notice, bidder qualifications and bid conditions as the metropolitan council shall determine.

A metropolitan municipal corporation may sue and be sued in its corporate capacity in all courts and in all proceedings. [1974 ex.s. c 84 § 3; 1967 c 105 § 6; 1965 c 7 § 35.58.180. Prior: 1957 c 213 § 18.]

35.58.190 Performance of function or functions—Commencement date. The metropolitan council shall provide by resolution the effective date on which the metropolitan municipal corporation will commence to perform any one or more of the metropolitan functions which it shall have been authorized to perform. [1965 c 7 § 35.58.190. Prior: 1957 c 213 § 19.]

35.58.200 Powers relative to water pollution abatement. If a metropolitan municipal corporation shall be authorized to perform the function of metropolitan water pollution abatement, it shall have the following powers in addition to the general powers granted by this chapter:

(1) To prepare a comprehensive water pollution abatement plan including provisions for waterborne pollutant removal, water quality improvement, sewage disposal, and storm water drainage for the metropolitan area.

(2) To acquire by purchase, condemnation, gift, or grant, and to lease, construct, add to, improve, replace, repair, maintain, operate and regulate the use of facilities for water pollution abatement, including but not limited to, removal of waterborne pollutants, water quality improvement, sewage disposal and storm water drainage within or without the metropolitan area, including but not limited to trunk, interceptor and outfall sewers, whether used to carry sanitary waste, storm water, or combined storm and sanitary sewage, lift and pumping stations, pipelines, drains, sewage treatment plants, flow control structures together with all lands, property rights, equipment and accessories necessary for such facilities. Sewer facilities which are owned by a county, city, or special district may be acquired or used by the metropolitan municipal corporation only with the consent of the legislative body of the county, city, or special districts owning such facilities. Counties, cities, and special districts are hereby authorized to convey or lease such facilities to the metropolitan municipal corporation or to contract for their joint use on such terms as may be fixed by agreement between the legislative body of such county, city, or special district and the metropolitan council, without submitting the matter to the voters of such county, city, or district.

(3) To require counties, cities, special districts and other political subdivisions to discharge sewage collected by such entities from any portion of the metropolitan area which can drain by gravity flow into such metropolitan facilities as may be provided to serve such areas when the metropolitan council shall declare by resolution that the health, safety, or welfare of the people within the metropolitan area requires such action.

(4) To fix rates and charges for the use of metropolitan water pollution abatement facilities, and to expend the moneys so collected for authorized water pollution abatement activities.

(5) To establish minimum standards for the construction of local water pollution abatement facilities and to approve plans for construction of such facilities by component counties or cities or by special districts, which are connected to the facilities of the metropolitan municipal corporation. No such county, city, or special district shall construct such facilities without first securing such approval.

(6) To acquire by purchase, condemnation, gift, or grant, to lease, construct, add to, improve, replace, repair, maintain, operate and regulate the use of facilities for the local collection of sewage or storm water in portions of the metropolitan area not contained within any city or special district operating local public sewer facilities and, with the consent of the legislative body of any such city or special district, to exercise such powers within such city or special district and for such purpose to have all the powers conferred by law upon such city or special district with respect to such local collection facilities: PROVIDED, That such consent shall not be required if the department of ecology certifies that a water pollution problem exists within any such city or special district and notifies the city or special district to correct such problem and corrective construction of necessary local collection facilities shall not have been commenced within one year after notification. All costs of such local collection facilities shall be paid for by the area served thereby.

(b) authority to require by appropriate regulations that its component agencies comply with all effluent treatment and limitation requirements, standards of performance requirements, pretreatment requirements, a user charge and industrial cost recovery system conforming to federal regulation, and all conditions of national permit discharge elimination system permits issued to the metropolitan municipal corporation or its component agencies. Adoption of such regulations and compliance therewith shall not constitute a breach of any sewage disposal contract between a metropolitan municipal corporation and its component agencies nor a defense to an action for the performance of all terms and conditions of such contracts not inconsistent with such regulations and such contracts, as modified by such regulations, shall be in all respects valid and enforceable. [1975 c 36 § 1; 1974 ex.s. c 70 § 6; 1971 ex.s. c 303 § 7; 1965 c 7 § 35.58.200. Prior: 1957 c 213 § 20.]

35.58.215  Powers relative to systems of sewerage. A metropolitan municipal corporation authorized to perform water pollution abatement may exercise all the powers relating to systems of sewerage authorized by RCW 36.94.010, 36.94.020, and 36.94.140 for counties. [1997 c 447 § 13.]

Finding—Purpose—1997 c 447: See note following RCW 70.03.074.

35.58.220  Powers relative to water supply. If a metropolitan municipal corporation shall be authorized to perform the function of metropolitan water supply, it shall have the following powers in addition to the general powers granted by this chapter:

(1) To prepare a comprehensive plan for the development of sources of water supply, trunk supply mains and water treatment and storage facilities for the metropolitan area.

(2) To acquire by purchase, condemnation, gift or grant and to lease, construct, add to, improve, replace, repair, maintain, operate and regulate the use of water facilities for water supply within or without the metropolitan area, including buildings, structures, water sheds, wells, springs, dams, settling basins, intakes, treatment plants, trunk supply mains and pumping stations, together with all lands, property, equipment and accessories necessary to enable the metropolitan municipal corporation to obtain and develop sources of water supply, treat and store water and deliver water through trunk supply mains. Water supply facilities which are owned by a city or special district may be acquired or used by the metropolitan municipal corporation only with the consent of the legislative body of the city or special district owning such facilities. Cities and special districts are hereby authorized to convey or lease such facilities to metropolitan municipal corporations or to contract for their joint use on such terms as may be fixed by agreement between the legislative body of such city or special district and the metropolitan council, without submitting the matter to the voters of such city or district.

(3) To fix rates and charges for water supplied by the metropolitan municipal corporation.

(4) To acquire by purchase, condemnation, gift or grant and to lease, construct, add to, improve, replace, repair, maintain, operate and regulate the use of facilities for the local distribution of water in portions of the metropolitan area not contained within any city or water district and, with the consent of the legislative body of any city or water district, to exercise such powers within such city or water district and for such purpose to have all the powers conferred by law upon such city or water district with respect to such local distribution facilities. All costs of such local distribution facilities shall be paid for by the area served thereby. [1965 c 7 § 35.58.220. Prior: 1957 c 213 § 22.]

35.58.230  Metropolitan water advisory committee. If a metropolitan municipal corporation shall be authorized to perform the function of metropolitan water supply, the metropolitan council shall, prior to the effective date of the assumption of such function, cause a metropolitan water advisory committee to be formed by notifying the legislative body of each component city which operates a water system to appoint one person to serve on such advisory committee and the board of commissioners of each water district, any portion of which lies within the metropolitan area, to appoint one person to serve on such committee who shall be a member of such a sewer or water district. The metropolitan water pollution abatement advisory committee shall meet at the time and place provided in the notice and elect a chairman. The members of such committee shall serve at the pleasure of the appointing bodies and shall receive no compensation other than reimbursement for expenses actually incurred in the performance of their duties. The function of such advisory committee shall be to advise the metropolitan council in matters relating to the performance of the water pollution (abatement) function. [1974 ex.s. c 70 § 7; 1965 c 7 § 35.58.210. Prior: 1957 c 213 § 21.]

35.58.240  Powers relative to transportation. If a metropolitan municipal corporation shall be authorized to perform the function of metropolitan transportation, it shall have the following powers in addition to the general powers granted by this chapter:

systems, passenger terminal and parking facilities and properties, and such other facilities and properties as may be necessary for passenger and vehicular access to and from such people-moving systems, terminal and parking facilities and properties, together with all lands, rights of way, property, equipment, and accessories necessary for such systems and facilities. Public transportation facilities and properties which are owned by any city may be acquired or used by the metropolitan municipal corporation only with the consent of the city council of the city owning such facilities. Cities are hereby authorized to convey or lease such facilities to metropolitan corporations or to contract for their joint use on such terms as may be fixed by agreement between the city council of such city and the metropolitan council, without submitting the matter to the voters of such city.

The facilities and properties of a metropolitan public transportation system whose vehicles will operate primarily within the rights of way of public streets, roads, or highways, may be acquired, developed and operated without the corridor and design hearings which are required by RCW 35.58.273 for mass transit facilities operating on a separate right of way.

(3) To fix rates, tolls, fares, and charges for the use of such facilities and to establish various routes and classes of service. Fares or charges may be adjusted or eliminated for any distinguishable class of users including, but not limited to, senior citizens, handicapped persons, and students. Classes of service and fares will be maintained in the several parts of the metropolitan area at such levels as will provide, insofar as reasonably practicable, that the portion of any annual transit operating deficit of the metropolitan municipal corporation attributable to the operation of all routes, taken as a whole, which are located within the central city is approximately in proportion to the portion of total taxes collected by or on behalf of the metropolitan municipal corporation for transit purposes within the central city, and that the portion of such annual transit operating deficit attributable to the operation of all routes, taken as a whole, which are located outside the central city, is approximately in proportion to the portion of such taxes collected outside the central city.

In the event any metropolitan municipal corporation shall extend its metropolitan transportation function to any area or service already offered by any company holding a certificate of public convenience and necessity from the Washington utilities and transportation commission under RCW 81.68.040, it shall by purchase or condemnation acquire at the fair market value, from the person holding the existing certificate for providing the services, that portion of the operating authority and equipment representing the services within the area of public operation. [1981 c 25 § 1; 1971 ex. s. c 303 § 8; 1967 c 105 § 11; 1965 c 7 § 35.58.240. Prior: 1957 c 213 § 24.]

35.58.245 Public transportation function—Authorization by election required—Procedure. Notwithstanding any other provision of chapter 35.58 RCW a metropolitan municipal corporation may perform the function of metropolitan public transportation only if the performance of such function is authorized by election. The metropolitan council may call such election and certify the ballot proposi-

tion. The election shall be conducted and canvassed as provided in RCW 35.58.090 and the municipality shall be authorized to perform the function of metropolitan public transportation if a majority of the persons voting on the proposition shall vote in favor. [1971 ex.s. c 303 § 1.]

35.58.250 Other local public passenger transportation service prohibited—Agreements—Purchase—Condemnation. Except in accordance with an agreement made as provided herein, upon the effective date on which the metropolitan municipal corporation commences to perform the metropolitan transportation function, no person or private corporation shall operate a local public passenger transportation service within the metropolitan area with the exception of taxis, busses owned or operated by a school district or private school, and busses owned or operated by any corporation or organization solely for the purposes of the corporation or organization and for the use of which no fee or fare is charged.

An agreement may be entered into between the metropolitan municipal corporation and any person or corporation legally operating a local public passenger transportation service wholly within or partly within and partly without the metropolitan area and on said effective date under which such person or corporation may continue to operate such service or any part thereof for such time and upon such terms and conditions as provided in such agreement. Where any such local public passenger transportation service will be required to cease to operate within the metropolitan area, the commission may agree with the owner of such service to purchase the assets used in providing such service, or if no agreement can be reached, the commission shall condemn such assets in the manner provided herein for the condemnation of other properties.

Wherever a privately owned public carrier operates wholly or partly within a metropolitan municipal corporation, the Washington utilities and transportation commission shall continue to exercise jurisdiction over such operation as provided by law. [1965 c 7 § 35.58.250. Prior: 1957 c 213 § 25.]

35.58.260 Transportation function—Acquisition of city system. If a metropolitan municipal corporation shall be authorized to perform the metropolitan transportation function, it shall, upon the effective date of the assumption of such power, have and exercise all rights with respect to the construction, acquisition, maintenance, operation, extension, alteration, repair, control and management of passenger transportation which any component city shall have been previously empowered to exercise and such powers shall not thereafter be exercised by such component cities without the consent of the metropolitan municipal corporation: PROVIDED, That any city owning and operating a public transportation system on such effective date may continue to operate such system within such city until such system shall have been acquired by the metropolitan municipal corporation and a metropolitan municipal corporation may not acquire such system without the consent of the city council of such city. [1965 c 7 § 35.58.260. Prior: 1957 c 213 § 26.]

Each component city shall pay such proportion of the supplemental income of the metropolitan municipal corporation as the assessed valuation of property within its limits bears to the total assessed valuation of taxable property within the metropolitan area. Each component county shall pay such proportion of such supplemental income as the assessed valuation of the property within the unincorporated area of such county lying within the metropolitan area bears to the total assessed valuation of taxable property within the metropolitan area. In making such determination, the metropolitan council shall use the last available assessed valuations. The metropolitan council shall certify to each component city and county, prior to the fourth Monday in June of each year, the share of the supplemental income to be paid by such component city or county for the next calendar year. The latter shall then include such amount in its budget for the ensuing calendar year, and during such year shall pay to the metropolitan municipal corporation, in equal quarterly installments, the amount of its supplemental income share from whatever sources may be available to it. Such general obligation bonds may be authorized in any total amount in one or more propositions and the amount of such authorization may exceed the amount of bonds which could then lawfully be issued. Such bonds may be issued in one or more series from time to time out of such authorization. The elections shall be held pursuant to RCW 39.36.050.

Whenever the voters of a metropolitan municipal corporation have, pursuant to RCW 84.52.056, approved excess property tax levies to retire such bond issues, both the principal of and interest on such general obligation bonds may be made payable from annual tax levies to be made upon all the taxable property within the metropolitan municipal corporation in excess of the constitutional and/or statutory tax limit. The principal of and interest on any general obligation bond may be made payable from any other taxes or any special assessments which the metropolitan municipal corporation may be authorized to levy or from any otherwise unpledged revenue which may be derived from the ownership or operation of properties or facilities incident to the performance of the authorized function for which such bonds are issued or may be made payable from any combination of the foregoing sources. The metropolitan council may include in the principal amount of such bond issue an amount for engineering, architectural, planning, financial, legal, urban design and other services incident to acquisition or construction solely for authorized capital purposes.

General obligation bonds shall be issued and sold by the metropolitan council as provided in chapter 39.46 RCW and shall mature in not to exceed forty years from the date of issue. The metropolitan council shall create a special fund or funds for the sole purpose of paying the principal of and interest on the bonds of each such issue, into which fund or funds the metropolitan council may obligate the metropolitan municipal corporation to pay such amounts of the gross revenue of the particular utility constructed, acquired, improved, added to, or repaired out of the proceeds of sale of such bonds, as the metropolitan council shall determine and may obligate the metropolitan municipal corporation to pay such amounts out of otherwise unpledged revenue which may be derived from the ownership, use or operation of properties or facilities owned, used or operated incident to the performance of the authorized function for which such bonds are issued or out of otherwise unpledged fees, tolls, charges, tariffs, fares, rentals, special taxes or other sources of payment lawfully authorized for such purpose, as the metropolitan council shall determine. The principal of, and interest on, such bonds shall be payable only out of such special fund or funds, and the owners of such bonds shall have a lien and charge against the gross revenue of such utility or any other revenue, fees, tolls, charges, tariffs, fares, special taxes or other authorized sources pledged to the payment of such bonds.
Such revenue bonds and the interest thereon issued against such fund or funds shall be a valid claim of the owners thereof only as against such fund or funds and the revenue pledged therefor, and shall not constitute a general indebtedness of the metropolitan municipal corporation.

Each such revenue bond shall state upon its face that it is payable from such special fund or funds, and all revenue bonds issued under this chapter shall be negotiable securities within the provisions of the law of this state. Such revenue bonds may be registered either as to principal only or as to principal and interest as provided in RCW 39.46.030, or may be bearer bonds; shall be in such denominations as the metropolitan council shall deem proper; shall be payable at such time or times and at such places as shall be determined by the metropolitan council; shall bear interest at such rate or rates as shall be determined by the metropolitan council; shall be signed by the chairman and attested by the secretary of the metropolitan council, any of which signatures may be facsimile signatures, and the seal of the metropolitan municipal corporation shall be impressed or imprinted thereon; any attached interest coupons shall be signed by the facsimile signatures of said officials.

Such revenue bonds shall be sold in such manner, at such price and at such rate or rates of interest as the metropolitan council shall deem to be for the best interests of the metropolitan municipal corporation, either at public or private sale.

The metropolitan council may at the time of the issuance of such revenue bonds make such covenants with the owners of said bonds as it may deem necessary to secure and guarantee the payment of the principal thereof and the interest thereon, including but not being limited to covenants to set aside adequate reserves to secure or guarantee the payment of such principal and interest, to maintain rates sufficient to pay such principal and interest and to maintain adequate coverage over debt service, to appoint a trustee or trustees for the bond owners to safeguard the expenditure of the proceeds of sale of such bonds and to fix the powers and duties of such trustee or trustees and to make such other covenants as the metropolitan council may deem necessary to accomplish the most advantageous sale of such bonds. The metropolitan council may also provide that revenue bonds payable out of the same source may later be issued on a parity with revenue bonds being issued and sold.

The metropolitan council may include in the principal amount of any such revenue bond issued an amount to establish necessary reserves, an amount for working capital and an amount necessary for interest during the period of construction of any such metropolitan facilities plus six months. The metropolitan council may, if it deems it to the best interest of the metropolitan municipal corporation, provide in any contract for the construction or acquisition of any metropolitan facilities or additions or improvements thereto or replacements or extensions thereof that payment therefor shall be made only in such revenue bonds at the par value thereof.

If the metropolitan municipal corporation shall fail to carry out or perform any of its obligations or covenants made in the authorization, issuance and sale of such bonds, the owner of any such bond may bring action against the metropolitan municipal corporation and compel the performance of any or all of such covenants.

35.61.360 Withdrawal or reannexation of areas. (1) As provided in this section, a metropolitan park district may withdraw areas from its boundaries, or reannex areas into the metropolitan park district that previously had been withdrawn from the metropolitan park district under this section.

(2) The withdrawal of an area shall be authorized upon: (a) Adoption of a resolution by the park district commissioners requesting the withdrawal and finding that, in the opinion of the commissioners, inclusion of this area within the metropolitan park district will result in a reduction of the district's tax levy rate under the provisions of RCW 84.52.010; and (b) adoption of a resolution by the city or town council approving the withdrawal, if the area is located within the city or town, or adoption of a resolution by the county legislative authority of the county within which the area is located approving the withdrawal, if the area is located outside of a city or town. A withdrawal shall be effective at the end of the day on the thirty-first day of December in the year in which the resolutions are adopted, but for purposes of establishing boundaries for property tax purposes, the boundaries shall be established immediately upon the adoption of the second resolution.

The withdrawal of an area from the boundaries of a metropolitan park district shall not exempt any property therein from taxation for the purpose of paying the costs of redeeming any indebtedness of the metropolitan park district existing at the time of the withdrawal.

(3) An area that has been withdrawn from the boundaries of a metropolitan park district under this section may be reannexed into the metropolitan park district upon: (a) Adoption of a resolution by the park district commissioners proposing the reannexation; and (b) adoption of a resolution by the city or town council approving the reannexation, if the area is located within the city or town, or adoption of a resolution by the county legislative authority of the county within which the area is located approving the reannexation, if the area is located outside of a city or town. If a valid petition signed by the requisite number of registered voters has been so filed, the effect of the resolutions shall be held in abeyance and a ballot proposition to authorize the reannexation shall be submitted to the voters of the area at the next special election date specified in *RCW 29.13.020 that occurs forty-five or more days after the petitions have been validated. Approval of the ballot proposition authorizing the reannexation by a simple majority vote shall authorize the reannexation. [1987 c 138 § 2.]

However, for any newly incorporated city or town that has not had city officials elected at a normal general municipal election, the election that is used as the base for determining the number of required signatures shall be the election at which the initial elected officials were elected.

The election on changing the name of the city or town shall be held at the next general election occurring sixty or more days after the resolution was adopted, or the resolution [petition] was submitted that has been certified by the county auditor as having sufficient valid signatures. "If a name change is approved, which of the following should be the new name?

If a majority of the votes cast on the first proposition favor changing the name, the name that receives at least a majority of the total number of votes cast for an alternative name shall become the new name of the city or town effective thirty days after the certification of the election results.

If no alternative name receives a simple majority vote, then an election shall be held at the next November special election date, at which voters shall be given the option of choosing which of the two alternative names that received the most votes shall become the new name of the city or town. This ballot proposition shall be worded substantially as follows:

"Which of the following names shall become the new name of the city (or town) of (insert name)?

(insert name)

(1) Each comprehensive plan which does not allow for the siting of manufactured homes on individual lots shall be subject to a review by the city of the need and demand for such homes. The review shall be completed by December 31, 1990.

(2) For the purpose of providing an optional reference for cities which choose to allow manufactured homes on individual lots, a "designated manufactured home" is a manufactured home constructed after June 15, 1976, in accordance with state and federal requirements for manufactured homes, which:

(a) Is comprised of at least two fully enclosed parallel sections each of not less than twelve feet wide by thirty-six feet long;
(b) Was originally constructed with and now has a composition or wood shake or shingle, coated metal, or similar roof of not less than 3:12 pitch; and
(c) Has exterior siding similar in appearance to siding materials commonly used on conventional site-built uniform building code single-family residences.

(3) Nothing in this section precludes cities from allowing any manufactured home from being sited on individual lots through local standards which differ from the designated manufactured home as described in this section, except that the term "designated manufactured home" shall not be used except as defined in subsection (2) of this section. [1988 c 239 § 1.]

(2) “Mini-day care center” means a person or agency providing care during part of the twenty-four-hour day to twelve or fewer children in a facility other than the family abode of the person or persons under whose direct care the children are placed, or for the care of seven through twelve children in the family abode of such person or persons.

(3) “Day care center” means a person or agency that provides care for thirteen or more children during part of the twenty-four-hour day.

(4) “Child care facility” means a family day care home, mini-day care center, and day care center. [1989 c 335 § 3.]

Findings—1989 c 335: “The legislature finds that:

(1) A majority of women with preschool and school age children in Washington state are working outside of the home and are in need of child care services for their children;

(2) The supply of licensed child care facilities in Washington state is insufficient to meet the growing demand for child care services;

(3) The most convenient location of child care facilities for many working families is near the family’s home or workplace.” [1989 c 335 § 1.]

Purpose—1989 c 335: “The purpose of this act is to encourage the dispersion of child care facilities throughout cities and counties in Washington state so that child care services are available at convenient locations to working parents.” [1989 c 335 § 2.]

Severability—1989 c 335: “If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.” [1989 c 335 § 10.]

35.63.180 Child care facilities—Review of need and demand—Adoption of ordinances. Each municipality that does not provide for the siting of family day care homes in zones or areas that are designated for single family or other residential uses, and for the siting of mini-day care centers and day care centers in zones or areas that are designated for any residential or commercial uses, shall conduct a review of the need and demand for child care facilities, including the cost of any conditional or special use permit that may be required. The review shall be completed by August 31, 1990. A copy of the findings, conclusions, and recommendations resulting from the review shall be sent to the department of community development by September 30, 1990.

[1989 c 335 § 4.]

*Reviser’s note: Powers, duties, and functions of the department of community development and the department of trade and economic development were transferred to the department of community development by RCW 93-280, effective July 1, 1994.

Findings—Purpose—Severability—1989 c 335: See notes following RCW 35.63.170.

Definitions for RCW 35.63.180: See RCW 35.63.170.

35.63.185 Family day-care provider’s home facility—City may not prohibit in residential or commercial area. No city may enact, enforce, or maintain an ordinance, development regulation, zoning regulation, or official control, policy, or administrative practice which prohibits the use of a residential dwelling, located in an area zoned for residential or commercial use, as a family day-care provider’s home facility.

A city may require that the facility: (1) Comply with all building, fire, safety, health code, and business licensing requirements; (2) conform to lot size, building size, setbacks, and lot coverage standards applicable to the zoning district except if the structure is a legal nonconforming structure; (3) is certified by the office of child care policy licensor as providing a safe passenger loading area; (4) include signage, if any, that conforms to applicable regulations; and (5) limit hours of operations to facilitate neighborhood compatibility, while also providing appropriate opportunity for persons who use family day-care and who work a nonstandard work shift.

A city may also require that the family day-care provider, before state licensing, require proof of written notification by the provider that the immediately adjoining property owners have been informed of the intent to locate and maintain such a facility. If a dispute arises between neighbors and the family day-care provider over licensing requirements, the licensor may provide a forum to resolve the dispute.

Nothing in this section shall be construed to prohibit a city from imposing zoning conditions on the establishment and maintenance of a family day-care provider’s home in an area zoned for residential or commercial use, so long as such conditions are no more restrictive than conditions imposed on other residential dwellings in the same zone and the establishment of such facilities is not precluded. As used in this section, “family day-care provider” is as defined in RCW 74.15.020. [1995 c 49 § 1; 1994 c 273 § 14.]

35.63.200 Moratoria, interim zoning controls—Public hearing—Limitation on length. A council or board that adopts a moratorium or interim zoning control, without holding a public hearing on the proposed moratorium or interim zoning control, shall hold a public hearing on the adopted moratorium or interim zoning control within at least sixty days of its adoption, whether or not the council or board received a recommendation on the matter from the commission. If the council or board does not adopt findings of fact justifying its action before this hearing, then the council or board shall do so immediately after this public hearing. A moratorium or interim zoning control adopted under this section may be effective for not longer than six months, but may be effective for up to one year if a work plan is developed for related studies providing for such a longer period. A moratorium or interim zoning control may be renewed for one or more six-month periods if a subsequent public hearing is held and findings of fact are made prior to each renewal. [1992 c 207 § 1.]

35.63.210 Accessory apartments. Any local government, as defined in RCW 43.63A.215, that is planning under this chapter shall comply with RCW 43.63A.215(3). [1993 c 478 § 8.]
35.63.220 Treatment of residential structures occupied by persons with handicaps. No city may enact or maintain an ordinance, development regulation, zoning regulation or official control, policy, or administrative practice which treats a residential structure occupied by persons with handicaps differently than a similar residential structure occupied by a family or other unrelated individuals. As used in this section, "handicaps" are as defined in the federal fair housing amendments act of 1988 (42 U.S.C. Sec. 3602). [1993 c 478 § 20]

35.63.230 Watershed restoration projects—Permit processing—Fish habitat enhancement project. A permit required under this chapter for a watershed restoration project as defined in RCW 89.08.460 shall be processed in compliance with RCW 89.08.450 through 89.08.510. A fish habitat enhancement project meeting the criteria of RCW 75.20.350(1) shall be reviewed and approved according to the provisions of RCW 75.20.350. [1998 c 249 § 5; 1995 c 378 § 8.]

35.63.240 Planning regulations—Copies provided to county assessor. By July 31, 1997, a city planning under RCW 36.70A.040 shall provide to the county assessor a copy of the city’s comprehensive plan and development regulations in effect on July 1st of that year and shall thereafter provide any amendments to the plan and regulations that were adopted before July 31st of each following year. [1996 c 254 § 3.]

35.63.250 General aviation airports. Adoption and amendment of comprehensive plan provisions and development regulations under this chapter affecting a general aviation airport are subject to RCW 36.70.547. [1996 c 239 § 3.]

35.63.260 Conditional and special use permit applications by parties licensed or certified by the department of social and health services or the department of corrections—Mediation prior to appeal required. (1) Prior to filing an appeal of a final decision by a hearing examiner involving a conditional or special use permit application requested by a party that is licensed or certified by the department of social and health services or the department of corrections, the aggrieved party must, within five days after the final decision, initiate formal mediation procedures in an attempt to resolve the parties’ differences. If, after initial evaluation of the dispute, the parties agree to proceed with a mediation, the mediation shall be conducted by a trained mediator selected by agreement of the parties. The agreement to mediate shall be in writing and subject to RCW 5.60.070. If the parties are unable to agree on a mediator, each party shall nominate a mediator and the mediator shall be selected by lot from among the nominees. The mediator must be selected within five days after formal mediation procedures are initiated. The mediation process must be completed within fourteen days from the time the mediator is selected except that the mediation process may extend beyond fourteen days by agreement of the parties. The mediator shall, within the fourteen-day period or within the extension if an extension is agreed to, provide the parties with a written summary of the issues and any agreements reached. If the parties agree, the mediation report shall be made available to the governing jurisdiction. The cost of the mediation shall be shared by the parties.

(2) Any time limits for filing of appeals are tolled during the pendency of the mediation process.

(3) As used in this section, “party” does not include county, city, or town. [1998 c 119 § 1.]

(1) Sanitary sewage collection, treatment, and/or disposal facilities and services, on-site or off-site sanitary sewerage facilities, inspection services and maintenance services for public or private on-site systems, or any other means of sewage treatment and disposal approved by the city;

(2) Combined sanitary sewage disposal and storm or surface water sewers;

(6) Point and nonpoint water pollution monitoring programs that are directly related to the sewerage facilities and programs operated by a city or town;

(7) Public restroom and sanitary facilities; and

(8) Any combination of or part of any or all of such facilities.

The words "public utility" when used in this chapter has the same meaning as the words "system of sewerage." [1997 c 447 § 7, 1965 c 110 § 1; 1965 c 7 § 35.67.010. Prior: 1955 c 266 § 2; prior: 1941 c 193 § 1, part; Rem. Supp. 1941 § 9354-4, part.]

Finding—Purpose—1997 c 447: See note following RCW 70.05.074

35.67.020 Authority to construct system and fix rates and charges—Classification of services and facilities—Assistance for low-income persons. Every city and town may construct, condemn and purchase, acquire, add to, maintain, conduct, and operate systems of sewerage and systems and plants for refuse collection and disposal together with additions, extensions, and betterments thereto, within and without its limits, with full jurisdiction and authority to manage, regulate, and control them and to fix, alter, regulate, and control the rates and charges for their use. The rates charged must be uniform for the same class of customers or service and facilities furnished.

In classifying customers served or service and facilities furnished by such system of sewerage, the city or town legislative body may in its discretion consider any or all of the following factors: (1) The difference in cost of service and facilities to the various customers; (2) the location of the various customers within and without the city or town; (3) the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; (4) the different character of the service and facilities furnished various customers; (5) the quantity and quality of the sewage delivered and the time of its delivery; (6) the achievement of water conservation goals and the discouragement of wasteful water use practices; (7) capital contributions made to the system, including but not limited to, assessments; (8) the nonprofit public benefit status, as defined in RCW 24.03.490, of the land user; and (9) any other matters which present a reasonable difference as a ground for distinction. Rates or charges for on-site inspection and maintenance services may not be imposed under this chapter on the development, construction, or reconstruction of property.

A city or town may provide assistance to aid low-income persons in connection with services provided under this chapter.

Under this chapter, after July 1, 1998, any requirements for pumping the septic tank of an on-site sewage system should be based, among other things, on actual measurement of accumulation of sludge and scum by a trained inspector, trained owner's agent, or trained owner. Training must occur in a program approved by the state board of health or by a local health officer.

Before adopting on-site inspection and maintenance utility services, or incorporating residences into an on-site inspection and maintenance or sewer utility under this
chapter, notification must be provided, prior to the applicable public hearing, to all residences within the proposed service area that have on-site systems permitted by the local health officer. The notice must clearly state that the residence is within the proposed service area and must provide information on estimated rates or charges that may be imposed for the service.

A city or town shall not provide on-site sewage system inspection, pumping services, or other maintenance or repair services under this section using city or town employees unless the on-site system is connected by a publicly owned collection system to the city or town’s sewerage system, and the on-site system represents the first step in the sewage disposal process. Nothing in this section shall affect the authority of state or local health officers to carry out their responsibilities under any other applicable law. [1997 c 447 § 8; 1995 c 124 § 3; 1991 c 347 § 17; 1965 c 7 § 35.67.020. Prior: 1959 c 90 § 1; 1955 c 266 § 3; prior: 1941 c 193 § 1, part; Rem. Supp. 1941 § 9354-4, part.]

Severability—1991 c 347: See RCW 90.42.900.

35.67.022 Extension outside city subject to review by boundary review board. The extension of sewer facilities outside of the boundaries of a city or town may be subject to potential review by a boundary review board under chapter 36.93 RCW. [1989 c 84 § 32.]

35.67.025 Public property subject to rates and charges for storm water control facilities. Except as otherwise provided in RCW 90.03.525, any public entity and public property, including the state of Washington and state property, shall be subject to rates and charges for storm water control facilities to the same extent private persons and private property are subject to such rates and charges that are imposed by cities and towns pursuant to RCW 35.67.020. In setting these rates and charges, consideration may be made of in-kind services, such as stream improvements or donation of property. [1986 c 278 § 55; 1983 c 315 § 1.1]

Severability—1986 c 278: See note following RCW 36.01.010.

35.67.030 Adoption of plan—Ordinance. Whenever the legislative body of any city or town, shall deem it advisable that such city or town shall purchase, acquire or construct any public utility mentioned in RCW 35.67.020, or make any additions, betterments, or alterations thereto, or extensions thereof, such legislative body shall provide therefor by ordinance, which shall specify and adopt the system or plan proposed, and declare the estimated cost thereof as near as may be. [1985 c 445 § 1; 1965 c 7 § 35.67.030. Prior: 1941 c 193 § 2; Rem. Supp. 1941 § 9354-5.]

 Elections—Title 29 RCW

35.67.065 General obligation bonds—Issuance. General obligation bonds issued by a city or town to pay for all or part of the costs of purchasing, acquiring, or constructing any public utility mentioned in RCW 35.67.020, or the costs of making any additions, betterments, or alterations thereto, or extensions thereof, shall be issued and sold in accordance with chapter 39.46 RCW. [1985 c 445 § 2.]

35.67.110 General obligation bonds—Payment—Revenue from service charges. In addition to taxes pledged to pay the principal of and interest on general obligation bonds issued to pay for costs of purchasing, acquiring, or constructing any public utility mentioned in RCW 35.67.020, or to make any additions, betterments, or alterations thereto, or extensions thereof, the city or town legislative body, may set aside into a special fund and pledge to the payment of such principal and interest any sums or amounts which may accrue from the collection of service rates and charges for the private and public use of said sewerage system or systems for the collection and disposal of refuse, in excess of the cost of operation and maintenance thereof as constructed or added to, and the same shall be applied solely to the payment of such interest and bonds. Such pledge of revenue shall constitute a binding obligation, according to its terms, to continue the collection of such revenue so long as such bonds or any of them are outstanding. If the rates and charges are sufficient to meet the debt service requirements on such bonds no general tax need be levied. [1985 c 445 § 3; 1965 c 118 § 1; 1965 c 7 § 35.67.110. Prior: 1941 c 193 § 3, part; Rem. Supp. 1941 § 9354-6, part.]

35.67.120 Revenue bond fund—Authority to establish. After the city or town legislative body adopts a proposition for any such public utility, and either (1) no general indebtedness has been authorized, or (2) the city or town legislative body does not desire to incur a general indebtedness, and the legislative body can lawfully proceed without submitting the proposition to a vote of the people, it may create a special fund or funds for the sole purpose of defraying the cost of the proposed system, or additions, betterments or extensions thereto.

The city or town legislative body may obligate the city or town to set aside and pay into this special fund: (1) A fixed proportion of the gross revenues of the system, or (2) a fixed amount out of and not exceeding a fixed proportion of the gross revenues, or (3) a fixed amount without regard to any fixed proportion, and (4) amounts received from any utility local improvement district assessments pledged to secure such bonds. [1967 c 52 § 24; 1965 c 7 § 35.67.120. Prior: 1941 c 193 § 4, part; Rem. Supp. 1941 § 9354-7, part.]

Alternative authority to issue revenue bonds: RCW 39.46.150, 39.46.160. Funds for reserve purposes may be included in issue amount: RCW 39.44.140.
35.67.130 Revenue bond fund—Limitations upon creation. In creating the special fund, the city or town legislative body shall have due regard to the cost of operation and maintenance of the system as constructed or added to, and to any proportion or part of the revenue previously pledged as a fund for the payment of bonds, warrants and other indebtedness. It shall not set aside into the special fund a greater amount or proportion of the revenue and proceeds than in its judgment will be available over and above the cost of maintenance and operation and the amount or proportion of the revenue so previously pledged. [1965 c 7 § 35.67.130. Prior: 1941 c 193 § 4, part; Rem. Supp. 1941 § 9354-7, part.]

35.67.140 Revenue bonds—Authority—Constitutions—Terms. A city or town may issue revenue bonds against the special fund or funds created solely from revenues. The revenue bonds so issued shall: (1) Be registered bonds as provided in RCW 39.46.030 or coupon bonds, (2) be issued in denominations of not less than one hundred dollars nor more than one thousand dollars, (3) be numbered from one upwards consecutively, (4) bear the date of their issue, (5) be serial in form finally maturing not more than thirty years from their date, (6) bear interest at the rate or rates as authorized by the legislative body of the city or town, payable annually or semiannually, (7) be payable as to principal and interest at such place as may be designated therein, and (8) shall state upon their face that they are payable from a special fund, naming it and the ordinance creating it: PROVIDED, That such bonds may also be issued and sold in accordance with chapter 39.46 RCW. The legislative body of such city or town may provide by ordinance for revenues by fixing rates and charges for the furnishing of service to those served by its system of sewerage or system for refuse collection and disposal, which rates and charges shall be uniform for the same class of customer or service. In classifying customers served or service furnished by such system of sewerage, the city or town legislative body may in its discretion consider any or all of the following factors: (1) The difference in cost of service to the various customers; (2) the location of the various customers within and without the city or town; (3) the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; (4) the different character of the service furnished various customers; (5) the quantity and quality of the sewage delivered and the time of its delivery; (6) capital contributions made to the system, including but not limited to, assessments; (7) the nonprofit public benefit status, as defined in RCW 24.03.490, of the land user; and (8) any other matters which present a reasonable difference as a ground for distinction. All property owners within the area served by such sewerage system shall be compelled to connect their private drains and sewers with such city or town system, under such penalty as the legislative body of such city or town may by ordinance direct. Such penalty may in the discretion of such legislative body be an amount equal to the charge that would be made for sewer service if the property was connected to
such system. All penalties collected shall be considered revenue of the system. [1995 c 124 § 4; 1965 c 7 § 35.67.190. Prior: 1959 c 90 § 2; 1941 c 193 § 5; Rem. Supp. 1941 § 9354-8.]

The judgment shall specify separately the amount of the sewerage charges, with interest, penalty and costs chargeable to each tract. The judgment shall have the effect of a separate judgment as to each tract described in the judgment, and any appeal shall not invalidate or delay the judgment except as to the property concerning which the appeal is taken. In the judgment the court shall order the tracts therein described sold at one general sale, and an order of sale shall issue pursuant thereto for the enforcement of the judgment. Judgment may be entered as to any one or more separate tracts involved in the action, and the court shall retain jurisdiction of other properties. [1965 c 7 § 35.67.250. As an additional and concurrent method of enforcing the lien authorized in this chapter any city or town operating its own municipal water system may provide by ordinance for the enforcement of the lien by cutting off the water service from the premises to which such sewer service was furnished after the charges become delinquent and unpaid, until the charges are paid.

The right to enforce the lien by cutting off and refusing water service shall not be exercised after two years from the date of the recording of sewerage lien notice except to enforce payment of six months' charges for which no lien notice is required to be recorded. [1965 c 7 § 35.67.290. Prior: 1941 c 193 § 10; Rem. Supp. 1941 § 9354-13.]

If any such agreement is made and filed with the county auditor of the county in which said property is located, it shall constitute a covenant running with the land and the agreements and covenants therein shall be binding on the owner and all persons subsequently acquiring any right, title or interest in or to said property.

If the terms and conditions of the ordinance or of the agreement are not kept and performed, or the payments made, as required, the city or town may disconnect the sewer and for that purpose may at any time enter upon any public street or road or upon said property. Less treatment will be needed, and capacity for existing treatment systems will be saved. It is the intent of the legislature to enact legislation that grants specific authority to units of local government that provide storm water and sewer services to operate programs that are consistent with the authority granted in House Joint Resolution No. 4209." [1998 c 31 § 1.]

#### 35.68.010 Authority conferred. Any city or town, hereinafter referred to as city, is authorized to construct, reconstruct, and repair sidewalks, gutters and curbs along and driveways across sidewalks, which work is hereafter referred to as the improvement, and to pay the costs thereof from any available funds, or to require the abutting property owner to construct the improvement at the owner's own cost or expense, or, subject to the limitations in RCW 35.69.020 (2) and (3), to assess all or any portion of the costs thereof against the abutting property owner. [1996 c 19 § 1; 1965 c 7 § 35.68.010. Prior: 1949 c 177 § 1; Rem. Supp. 1949 § 9332a.]

#### 35.68.020 Resolution—Contents. No such improvement shall be undertaken or required except pursuant to a resolution of the council or commission of the city or town, hereinafter referred to as the city council. The resolution shall state whether the cost of the improvement shall be borne by the city or whether all or a specified portion shall be borne by the city or whether all or a specified portion shall be borne by the abutting property owner; or whether the abutting owner is required to construct the improvement at his own cost and expense. If the abutting owner is required to construct the improvement the resolution shall specify the time within which the construction shall be commenced and completed; and further that if the improvement or construction is not undertaken and completed within the time specified that the city will perform or complete the improvement and assess the cost against the abutting owner. [1965 c 7 § 35.68.020. Prior: 1949 c 177 § 2; Rem. Supp. 1949 § 9332b.]
35.68.030 Resolution—Publication—Notice—Hearing. If all or any portion of the cost is to be assessed against the abutting property owner, or if the abutting property owner is required to construct the improvement, the resolution shall fix a time from and after its passage, and a place, for hearing on the resolution. The resolution shall be published for two consecutive weeks before the time of hearing in the official newspaper or regularly published official publication of the city or town and a notice of the date of the hearing shall be given each owner or reputed owner of the abutting property by mailing to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer, at the address shown thereon a notice of the date of hearing, the mailing to be at least ten days before the date fixed for the hearing. If the publication and mailing is made as herein required, proof thereof by affidavit shall be filed with the city clerk, comptroller or auditor of the city before the hearing. The hearing may be postponed from time to time to a definite date until the hearing is held. At the time of hearing the council shall hear persons who appear for or against the improvement, and determine whether it will or will not proceed with the improvement and whether it will make any changes in the original plan, and what the changes shall be. This action may be taken by motion adopted in the usual manner. [1985 c 469 § 37; 1965 c 7 § 35.68.030. Prior: 1949 c 177 § 3; Rem. Supp. 1949 § 9332c.]

35.68.040 Sidewalk construction fund. When all or any portion of the cost is to be assessed against the abutting property owner, the council may create a "sidewalk construction fund No. . . ." to be numbered differently for each improvement; and with warrants drawn on this fund the cost of the respective improvements may be paid. The city may advance as a loan to the sidewalk construction fund from any available funds the amounts necessary to pay any costs of the improvement. When any assessments are made for the improvement, payments therefor shall be paid into the particular sidewalk improvement fund; and whenever any funds are available over the amounts necessary to pay outstanding warrants any advances or loans made to the fund shall be repaid. Whenever warrants are drawn on any such fund which are not paid for want of sufficient funds, they shall be so stamped and shall bear interest until called and paid at a rate established by the city council by resolution. [1965 c 7 § 35.68.040. Prior: 1949 c 177 § 4; Rem. Supp. 1949 § 9332d.]

35.68.050 Assessment roll—Hearing—Notice—Confirmation—Appeal. Where all or any portion of the costs are to be assessed against the abutting property, an assessment roll shall be prepared by the proper city official or by the city council which shall to the extent necessary be based on benefits and which shall describe the property assessed, the name of the owner, if known, otherwise stating that the owner is unknown and fixing the amount of the assessment. The assessment roll shall be filed with the city clerk, and when so filed the council shall by resolution fix a date for hearing thereon and direct the clerk to give notice of the hearing and the time and place thereof. The notice of hearing shall be mailed to the person whose name appears on the county treasurer's tax roll as the owner or reputed owner of the property, at the address shown thereon, and shall be published before the date fixed for the hearing for two consecutive weeks in the official newspaper or regular official publication of the city. The notice shall be mailed and first publication made at least ten days before the hearing date. Proof of mailing and publication shall be made by affidavit and shall be filed with the city clerk before the date fixed for the hearing. Following the hearing the city council shall by ordinance affirm, modify, or reject or order recasting of the assessment roll. An appeal may be taken to the superior court from the ordinance confirming the assessment roll in the same manner as is provided for appeals from the assessment roll by chapters 35.43 to 35.54 RCW, inclusive, as now or hereafter amended. [1985 c 469 § 38; 1965 c 7 § 35.68.050. Prior: 1949 c 177 § 5; Rem. Supp. 1949 § 9332e.]

35.68.060 Method of payment of assessments. The city council shall by resolution provide whether the full amount of the assessment shall be paid in one payment or whether it may be paid in installments and shall prescribe the time and amount of such payments; and if more than one payment is provided for, the city council may by resolution provide for interest on unpaid installments and fix the rate thereof. [1965 c 7 § 35.68.060. Prior: 1949 c 177 § 6; Rem. Supp. 1949 § 9332f.]

35.68.070 Collection of assessments. The assessment roll as affirmed or modified by the city council shall be filed with the city treasurer for collection, and the amount thereof including interest, if any, shall become a lien against the property described therein from the date of such filing. Whenever any payment on any assessment or installment is delinquent and unpaid for a period of thirty days or more the lien may be foreclosed in the same manner and with the same effect as is provided by chapters 35.43 to 35.54 RCW, inclusive; as now or hereafter amended. Whenever the deed is issued after the sale therein provided, the regularity, validity and correctness of the proceedings relating to such improvement and the assessment therefor shall be final and conclusive and no action shall thereafter be brought by or in behalf of any person to set aside said deed. [1965 c 7 § 35.68.070. Prior: 1949 c 177 § 7; Rem. Supp. 1949 § 9332g.]

35.69.020 Resolution of necessity—Liability of abutting property—
Reconstruction. (1) Whenever a portion, not longer than one block in length, of any street in
any city is not improved by the construction of a sidewalk
thereon, or the sidewalk thereon has become unfit or unsafe
for purposes of public travel, and such street adjacent to both
ends of said portion is so improved and in good repair, and
the city council of such city by resolution finds that the
improvement of such portion of such street by the construc-
tion or reconstruction of a sidewalk thereon is necessary for

devolve upon the property directly abutting upon such
portion except as provided in subsections (2) and (3) of this
section.

(2) An abutting property shall not be charged with any
costs of construction or reconstruction under this chapter, or
under chapter 35.68 or 35.70 RCW, if the reconstruction is required to

deterioration of or damage to the sidewalk that is the
direct result of the failure of the city to enforce its ordinances.

35.69.030 Notice to owners—Service—Contents—
Assessment—Collection. Whenever the city council of any
such city has adopted such resolution it shall cause a notice
to be served on the owner of the property directly abutting
on such portion of such street, instructing him to construct
or reconstruct a sidewalk on such portion of such street, in
accordance with the plans and specifications which shall be
attached to such notice. The notice shall be deemed sufficiently served if
delivered in person to the owner or if left at the home of
such owner with a person of suitable age and discretion then
resident therein, or with an agent of such owner, authorized
to collect rentals on such property, or, if the owner is a
nonresident of the state of Washington, by mailing a copy to
his last known address, or if he is unknown or if his address
is unknown, then by posting a copy in a conspicuous place
at such portion of the street where the improvement is to be
made. The notice shall specify a reasonable time within
which such construction or reconstruction shall be made, and
shall state that in case the owner fails to make the same
within such time, the city will proceed to make it through
the office or department thereof charged with the inspection
of sidewalks and that such officer or department will report
to the city council, at a subsequent date, to be definitely
stated in the notice, an assessment roll showing the lot or
parcel of land directly abutting on such portion of the street
so improved, the cost of the improvement, and the name of
the owner, if known, and that the city council at the time
stated in the notice or at the time or times to which the same
may be adjourned, will hear any and all protests against the
proposed assessment. Upon the expiration of the time fixed
within which the owner is required to construct or reconstruct such sidewalk, if the owner has failed to perform such work, the city may proceed to perform it, and the officer or department of the city performing the work shall, within the time fixed in the notice, report to the city council an assessment roll showing the lot or parcel of land directly abutting on that portion of the street so improved, the cost of the work, and the name of the owner, if known. The city council shall, at the time in such notice designated, or at an adjourned time or times, assess the cost of such improvement against said property and shall fix the time and manner for payment thereof, which said assessment shall become a lien upon said property and shall be collected in the manner as is provided by law for collection of local improvements assessments under this title. [1965 c 7 § 35.69.030. Prior: 1927 c 203 § 3; RRS § 9332-3.]

35.69.040 Abutting property defined. For the purposes of this chapter all property having a frontage upon the sides or margins of any street shall be deemed to be abutting property, and such property shall be chargeable, as provided herein, for all costs of construction or reconstruction or any form of sidewalk improvement between the margin of said street and the roadway lying in front of and adjacent to said property. 35.69.050 Construction of chapter. Nothing in this chapter shall be construed to limit or repeal any existing powers of cities with reference to the construction or reconstruction of sidewalks or the improvement or maintenance of streets, but the power and authority herein granted is to be exercised concurrent with or in extension of powers and authority now existing. The legislative authority of any city before exercising the powers and authority herein granted shall, by proper ordinance, provide for the application and enforcement of the same within the limitations herein specified. Chapter 35.71

PEDESTRIAN MALLS

Definitions.

35.71.010 Definitions. As used in this chapter, the following terms shall have the meaning herein given to each of them:

"City" means any city or town.

"Chief executive" means the mayor in a mayor-council or commission city and city manager in a council-manager city.

"Corporate authority" means the legislative body of any city.

"Project" means a pedestrian mall project.

"Right of way" means that area of land dedicated for public use or secured by the public for purposes of ingress and egress to abutting property and other public purposes.

"Mall" means an area of land, part of which may be surfaced, landscaped, and used entirely for pedestrian movements, except with respect to governmental functions, utilities, and loading and unloading of goods.

"Mall organization" means a group of property owners, lessors, or lessees in an area that has been organized to consider the establishment, maintenance, and operation of a mall in a given area and persons owning or having any legal or equitable interest in the real property affected by the establishment of the mall. [1965 c 7 § 35.71.010. Prior: 1961 c 111 § 1.]

35.71.020 Establishment declared public purpose—Authority to establish—General powers. The establish-
ment of pedestrian malls is declared to be for a public purpose. Any corporate authority, by ordinance, may establish and regulate any street right of way as a mall, may prohibit, in whole or in part, vehicular traffic on a mall, and may provide for the acquisition of any interest in the right of way necessary to its establishment, and may provide for the determination of legal damages, if any, to abutting property. [1965 c 7 § 35.71.020. Prior: 1961 c 111 § 2.]

35.71.030 Resolution of intention—Traffic limitation—Property owner’s right of ingress and egress. When the corporate authority determines that the public interest, safety, and convenience is best served by the establishment of a mall and that vehicular traffic will not be unduly inconvenienced thereby, it may adopt a resolution declaring its intention to do so, and announcing the intended extent of traffic limitation. Any corporate authority is authorized to limit the utilization of any right of way, except for utilities and governmental functions, provided adequate alternative routes for vehicular movement, and the loading and unloading of goods are established or are available. The abutting property owner’s right of ingress and egress shall be considered to have been satisfied whenever the corporate authority has planned and constructed, or there is available, an alternate route, alleyway, and service driveway. [1965 c 7 § 35.71.030. Prior: 1961 c 111 § 3.]

35.71.040 Plan—Alternate vehicle routes—Off-street parking—Hearing, notice. Before a mall is established, a plan shall be formulated consistent with the city’s comprehensive plan, including at least the area of the right of way between two intersecting streets and showing alternate routes outside the mall area upon which any vehicles excluded from using the mall may be accommodated; it may include a provision for on and off-street parking. After the plans have been prepared, the corporate authority shall hold a public hearing thereon, giving notice of time and place at least two weeks in advance of the hearing in a newspaper of general circulation in the city and as required by chapter 42.32 RCW [1965 c 7 § 35.71.040. Prior: 1961 c 111 § 4.]

35.71.050 Real estate appraisers—Report. The corporate authority is authorized to engage duly qualified real estate appraisers, for the purpose of determining the value, or legal damages, if any, to any person, owning or having any legal or equitable interest in any real property who contends that he would suffer damage if a projected mall were established; in connection therewith the city shall take into account any increment in value that may result from the establishment of the mall. The appraisers shall submit their findings in writing to the chief executive of the city. [1965 c 7 § 35.71.050. Prior: 1961 c 111 § 5.]

35.71.060 Financing methods. The corporate authority may finance the establishment of a mall, including, but not limited to, right of way improvements, traffic control devices, and off-street parking facilities in the vicinity of the mall, by one or more of the following methods or by a combination of any two or more of them:

1. By creating local improvement districts under the laws applicable thereto in Title 35 RCW.
2. By issuing revenue bonds pursuant to chapter 35.41 RCW. *RCW 35.24.305, chapter 35.92 RCW. RCW 35.81.100, and by such other statutes that may authorize such bonds.
3. By issuing general obligation bonds pursuant to chapter 39.52 RCW, RCW 35.81.115, and by such other statutes and applicable provisions of the state Constitution that may authorize such bonds.
4. By use of gifts and donations.
5. General fund and other available moneys: PROVIDED, That if any general fund moneys are expended for a mall, provision may be made for repayment thereof to the general fund from money received from the financing of the mall.

The corporate authority may include within the cost of any mall project the expense of moving utilities, or any facility located within a right of way. [1965 c 7 § 35.71.060. Prior: 1961 c 111 § 6.]

*Reviser’s note: RCW 35.24.305 was recodified as RCW 35.23.454 pursuant to 1994 c 81 § 90.

35.71.070 Waivers and quitclaim deeds—Rights in right of way. The corporate authority may formulate, solicit, finance and acquire, purchase, or negotiate the acquisition of waivers and the execution of quitclaim deeds by persons owning or having any legal or equitable interest in the real property affected by the establishment of a mall, conveying the necessary rights to the city to prohibit through vehicular traffic and otherwise limit vehicular access to, and from, such right of way. PROVIDED, That the execution of such waivers and quitclaim deeds shall not operate to extinguish the rights of the abutting owner, lessor, or lessee in the right of way, not included in such waiver or quitclaim deed. [1965 c 7 § 35.71.070. Prior: 1961 c 111 § 7.]

35.71.080 Vacating, replatting right of way for mall purposes. The corporate authority, as an alternate to the preceding methods, may find that the right of way no longer is needed as a right of way. When persons owning or having any legal or equitable interest in the real property affected by a proposed mall, present a petition to the corporate authority for vacating the right of way pursuant to chapter 35.79 RCW, or the corporate authority initiates by resolution such a vacation proceeding, a right of way may be vacated and replatted for mall purposes, and closed to vehicular traffic except as provided in RCW 35.71.030, consistent with the subdivision standards allowed by Title 58 RCW, and chapter 35.63 RCW. [1965 c 7 § 35.71.080. Prior: 1961 c 111 § 8.]

35.71.090 "Mall organization"—Powers in general—Directors—Officers. The corporate authority may cause an organization of persons to be known as a "Mall organization" interested in creating a mall in a given area to be formed to provide for consultative assistance to the city with respect to the establishment and administration of a mall. This organization may elect a board of directors of not less than three nor more than twelve members. The board shall elect a president, a vice president, and a secretary from
35.71.090

Title 35 RCW: Cities and Towns

its membership. [1965 c 7 § 35.71.090. Prior: 1961 c 111 § 9.]

35.71.100 Special assessment. After the establishment of the mall, the corporate authority may levy a special assessment on the real property within the area specially benefited by the improvement. Such special levy, if any, shall be for operation and maintenance of the mall and appurtenances thereto, which may not exceed one percent of the aggregate actual valuation of the real property (including twenty-five percent of the actual valuation of the improvements thereon) according to the valuation last placed upon it for purposes of general taxation: PROVIDED, That if a mall organization board of directors exists as authorized by RCW 35.71.090, the corporate authority may entertain a recommendation from this organization with respect to such a levy by the corporate authority. [1965 c 7 § 35.71.100. Prior: 1961 c 111 § 10.]

35.71.110 Claims for damages. Following the public hearing on the ordinance to establish a mall any person owning or having any legal or equitable interest in property which might be affected by reason of the establishment of the proposed mall or the board of directors of a mall organization shall, within twenty days of such hearing, file with the city clerk a statement describing the real property as to which the claim is made, the nature of the claimant’s interest therein, the nature of the alleged damage thereto and the amount of damages claimed. After the receipt thereof, the corporate authority may negotiate with the affected parties concerning them or deny them. [1965 c 7 § 35.71.110. Prior: 1961 c 111 § 11.]

35.71.120 Contracts with mall organization for administration—Conflicting charter provisions. If the corporate authority desires to have the mall administered by a mall organization rather than by one of its departments, the corporate authority may execute a contract with such an organization for the administration of the mall upon mutually satisfactory terms and conditions: PROVIDED, That if any provision of a city charter conflicts with this section, such provision of the city charter shall prevail. [1965 c 7 § 35.71.120. Prior: 1961 c 111 § 12.]

35.71.130 Election to discontinue mall—Ordinance—Outstanding obligations—Restoration to former status. The board of directors of a mall organization may call for an election, after the mall has been in operation for two years, at which the voting shall be by secret ballot, on the question: “Shall the mall be continued in operation?” If sixty percent of the membership of the organization vote to discontinue the mall, the results of the election shall be submitted to the corporate authority. The corporate authority may initiate proceedings by ordinance for the discontinuation of the mall, allocate the proportionate amount of the outstanding obligations of the mall to the abutting property of the mall or property specially benefited if a local improvement district is established, subject to the provisions of any applicable statutes and bond ordinances, resolutions, or agreements, and thereafter, at a time set by the corporate authority, the mall may be restored to its former right of way status. [1965 c 7 § 35.71.130. Prior: 1961 c 111 § 13.]

35.71.910 Chapter controls inconsistent laws. Insofar as the provisions of this chapter are inconsistent with a provision of any other law, the provisions of this chapter shall be controlling. [1965 c 7 § 35.71.910. Prior: 1961 c 111 § 15.]

Chapter 35.72

CONTRACTS FOR STREET, ROAD, AND HIGHWAY PROJECTS

Sections
35.72.010 Contracts authorized for street projects.
35.72.020 Reimbursement by other property owners.
35.72.030 Reimbursement by other property owners—Reimbursement share.
35.72.040 Assessment reimbursement contracts.
35.72.050 Alternative financing methods—Participation in or creation of assessment reimbursement area by county, city, town, or department of transportation—Eligibility for reimbursement.

35.72.010 Contracts authorized for street projects. The legislative authority of any city, town, or county may contract with owners of real estate for the construction or improvement of street projects which the owners elect to install as a result of ordinances that require the projects as a prerequisite to further property development. [1983 c 126 § 1.]

35.72.020 Reimbursement by other property owners. The contract may provide for the partial reimbursement to the owner or the owner’s assigns for a period not to exceed fifteen years of a portion of the costs of the project by other property owners who:

(1) Are determined to be within the assessment reimbursement area pursuant to RCW 35.72.040;

(2) Are determined to have a reimbursement share based upon a benefit to the property owner pursuant to RCW 35.72.030;

(3) Did not contribute to the original cost of the street project; and

(4) Subsequently develop their property within the fifteen-year period and at the time of development were not required to install similar street projects because they were already provided for by the contract.

Street projects subject to reimbursement may include design, grading, paving, installation of curbs, gutters, storm drainage, sidewalks, street lighting, traffic controls, and other similar improvements, as required by the street standards of the city, town, or county. [1983 c 126 § 2.]

35.72.030 Reimbursement by other property owners—Reimbursement share. The reimbursement shall be a pro rata share of construction and reimbursement of contract administration costs of the street project. A city, town, or county shall determine the reimbursement share by using a method of cost apportionment which is based on the benefit to the property owner from such project. [1983 c 126 § 3.]
35.72.040 Assessment reimbursement contracts. The procedures for assessment reimbursement contracts shall be governed by the following:

1. An assessment reimbursement area shall be formulated by the city, town, or county based upon a determination by the city, town, or county of which parcels adjacent to the improvements would require similar street improvements upon development.

2. The preliminary determination of area boundaries and assessments, along with a description of the property owners' rights and options, shall be forwarded by certified mail to the property owners of record within the proposed assessment area. If any property owner requests a hearing in writing within twenty days of the mailing of the preliminary determination, a hearing shall be held before the legislative body, notice of which shall be given to all affected property owners. The legislative body's ruling is determinative and final.

3. The contract must be recorded in the appropriate county auditor's office within thirty days of the final execution of the agreement.

4. If the contract is so filed, it shall be binding on owners of record within the assessment area who are not party to the contract. [1988 c 179 § 16; 1983 c 126 § 4.]

35.72.050 Alternative financing methods—Participation in or creation of assessment reimbursement area by county, city, town, or department of transportation—Eligibility for reimbursement. (1) As an alternative to financing projects under this chapter solely by owners of real estate, a county, city, or town may join in the financing of improvement projects and may be reimbursed in the same manner as the owners of real estate who participate in the projects, if the county, city, or town has specified the conditions of its participation in an ordinance. As another alternative, a county, city, or town may create an assessment reimbursement area on its own initiative, without the participation of a private property owner, finance the costs of the road or street improvements, and become the sole beneficiary of the reimbursements that are contributed. A county, city, or town may be reimbursed only for the costs of improvements that benefit that portion of the public who will use the developments within the assessment reimbursement area established pursuant to RCW 35.72.040(1). No county, city, or town costs for improvements that benefit the general public may be reimbursed.

2. The department of transportation may, for state highways, participate with the owners of real estate or may be the sole participant in the financing of improvement projects, in the same manner and subject to the same restrictions as provided for counties, cities, and towns, in subsection (1) of this section. The department shall enter into agreements whereby the appropriate county, city, or town shall act as an agent of the department in administering this chapter. [1997 c 158 § 1; 1987 c 261 § 1; 1986 c 252 § 1.]

35.73.010 Authority—First and second class cities. If a city of the first or second class establishes the grade of any street or alley at a higher elevation than any private property abutting thereon, thereby rendering the drainage of such private property or any part thereof impracticable without the raising of the surface of such private property, or if the surface of any private property in any such city is so low as to make sanitary drainage thereof impracticable and it is determined by resolution of the city council of such city that a fill of such private property is necessary as a sanitary measure, the city may provide therefor, and by general or special ordinance or both make provision for the necessary surveys, estimates, bids, contract, bond and supervision of the work and for making and approving the assessment roll of the local improvement district and for the collection of the assessments made thereby, and for the doing of everything which in their discretion may be necessary or be incidental thereto. PROVIDED, That before the approval of the assessment roll, notice shall be given and an opportunity offered for the owners of the property affected by the assessment roll to be heard before the city council in the same manner as in case of assessments for drainage or sewerage in the city. [1965 c 7 § 35.73.010. Prior: (i) 1907 c 243 § 1; RRS § 9426. (ii) 1907 c 243 § 4; RRS § 9429.]

35.73.020 Estimates—Intention—Property included—Resolution. Before establishing a grade for property or providing for the fill of property, the city must adopt a resolution declaring its intention to do so. The resolution shall:

1. Describe the property proposed to be improved by the fill,

2. State the estimated cost of making the improvement,

3. State that the cost thereof is to be assessed against the property improved thereby, and

4. Fix a time not less than thirty days after the first publication of the resolution within which protests against the proposed improvement may be filed with the city clerk.

The resolution may include as many separate parcels of property as may seem desirable whether or not they are contiguous so long as they lie in the same general neighborhood and may be included conveniently in one local improvement district. [1965 c 7 § 35.73.020. Prior: 1907 c 243 § 2, part; RRS § 9427, part.]

35.73.030 Hearing—Time of—Publication of resolution. Upon the passage of the resolution the city clerk shall cause it to be published in the official newspaper of the
city in at least two successive issues before the time fixed in the resolution for filing protests. Proof of publication by affidavit shall be filed as part of the record of the proceedings. [1965 c 7 § 35.73.030. Prior: 1907 c 243 § 2, part; RRS § 9427, part.]

35.73.040 Ordinance—Assessments. If no protest is filed, or if protests are filed but the city council after full hearing determines that it is necessary to fill any portion of the private property it shall proceed to enact an ordinance for such improvement. By the provisions of the ordinance, a local improvement district shall be established to be called "local improvement district No. . . . ." which shall include all the property found by the said council to require the fill as a sanitary measure. The ordinance shall provide that such improvement shall be made and shall fix and establish the grades to which the said property and the different portions thereof shall be brought by such improvement, and that the cost and expense thereof shall be taxed and assessed upon all the property in such local improvement district, which cost shall be assessed in proportion to the number of cubic yards of earth and bulkheading required for the different portions of said property included in said improvement district and in proportion to the benefits derived by such improvement: PROVIDED, That the city council may expend from the general fund for such purposes such sums as in its judgment may seem fair and equitable in consideration of the benefits accruing to the general public by reason of such improvement. [1965 c 7 § 35.73.040. Prior: 1907 c 243 § 3, part; RRS § 9428, part.]

35.73.050 Lien of assessments. Whenever any expense or cost of work has been assessed the amount of such expense and cost shall become a lien upon said lands against which the same are so assessed and shall take precedence of all other liens, except general tax liens and special assessment liens theretofore assessed by the said city thereon and which may be foreclosed in accordance with law in the name of such city as plaintiff. And in any such proceeding if the court trying the same shall be satisfied that the work has been done or material furnished for the fill of such property, a recovery shall be permitted or charged against the extent of the proper proportion of the value of the work or material which would be chargeable on such lot or land notwithstanding any informality, irregularity or defects in any of the proceedings of such municipal corporation or its officers. 35.73.060 Improvement district bonds—Issuance. (1) The city may, in its discretion, by general or special ordinance, or both, instead of requiring immediate payment for the said work to be made by the owners of property included in the assessment roll, authorize the issuance of interest bearing bonds or warrants of the local improvement district, payable on or before a date not to exceed twelve years from and after their date. The bonds may be issued subject to call, the amount of the said assessment to be payable in installments or otherwise, and the bonds to be of such terms as may be provided in the ordinances and to bear interest at such rate or rates as may be prescribed in the ordinances. Such bonds or warrants may be of any form, including bearer bonds or bearer warrants, or registered bonds or registered warrants as provided in RCW 39.46.030. (2) Notwithstanding subsection (1) of this section, such bonds or warrants may be issued and sold in accordance with chapter 39.46 RCW. [1983 c 167 § 63; 1979 ex.s. c 30 § 1; 1965 c 7 § 35.73.060. 35.73.070 Improvement district bonds—Payment—Remedies. The bonds or warrants shall be payable only from the fund created by the special assessments upon the property in the local improvement district, and the owner of any bond or warrant shall look only to this fund for the payment of the principal and interest thereof and shall have no claim or lien therefor against the city by which the same was issued except from that fund. [1983 c 167 § 63; 1965 c 7 § 35.73.070. Prior: 1915 c 87 § 1, part; 1907 c 243 § 5, part; RRS § 9430, part.]

Before any franchise to build any bridge across any such navigable stream is granted by any city or town council it shall fix a license tax, not to exceed ten percent of the tolls collected annually. Upon the completion of the bridge the city or town council shall cause it to be inspected and if it is found to comply in all respects with the specifications previously made, and to be safe and convenient for the public, the council shall declare it open as a toll bridge, and shall immediately fix the rates of toll thereof. [1965 c 7 § 35.74.060. Prior: 1890 p 55 § 3; RRS § 9325.]

35.76.050 Cost-audit examination and report.
35.76.060 Budgets.

35.76.010 Declaration of purpose—Budget and accounting by functional categories. Records of city street expenditures are generally inadequate to meet the needs of cities for planning and administration of their street programs and the needs of the legislature in providing for city street financing. It is the intent of the legislature that each city and town shall budget and thereafter maintain records and accounts for all street expenditures by functional categories in a manner consistent with its size, administrative capabilities, and the amounts of money expended by it for street purposes. [1965 c 7 § 35.76.010. Prior: 1963 c 115 § 1.]

35.76.020 Cost accounting and reporting—Cities of eight thousand. The state auditor shall formulate, prescribe, and install a system of cost accounting and reporting for each city having a population of more than eight thousand, according to the last official census, which will correctly show all street expenditures by functional categories. The system shall also provide for reporting all revenues available for street purposes from whatever source including local improvement district assessments and state and federal aid. Cities over eight thousand, equipment rental fund in street department: RCW 35.21.088.

35.76.030 Cost accounting and reporting—Cities of eight thousand or less. Consistent with the intent of this chapter as stated in RCW 35.76.010, the state auditor, from and after July 1, 1965, is authorized and directed to prescribe accounting and reporting procedures for street expenditures for cities and towns having a population of eight thousand or less, according to the last official census. [1995 c 301 § 49; 1965 c 7 § 35.76.030. Prior: 1963 c 115 § 3.]

35.76.040 Manual of instructions. The state auditor, after consultation with the association of Washington cities and the planning division of the state department of transportation shall prepare and distribute to the cities and towns a manual of instructions governing accounting and reporting procedures for all street expenditures. Severability—1984 c 7: See note following RCW 47.01.141.

35.76.050 Cost-audit examination and report. The state auditor shall annually make a cost-audit examination of street records for each city and town and make a written report thereon to the legislative body of each city and town. The expense of the examination shall be paid out of that portion of the motor vehicle fund allocated to the cities and towns and withheld for use by the state department of transportation under the terms of RCW 46.68.110(1). [1995 c 301 § 50; 1984 c 7 § 22; 1965 c 7 § 35.76.050. Prior: 1963 c 115 § 5.]

Severability—1984 c 7: See note following RCW 47.01.141.

35.76.060 Budgets. Expenditures for city and town streets shall be budgeted by each city and town according to the same functional categories prescribed by the state auditor for purposes of accounting and reporting as provided in RCW 35.76.020 and 35.76.030. In the preparation of city and town budgets, including the preparation and filing of budget estimates, adoption of preliminary budgets and adoption of final budgets, all expenditures for street purposes shall be designated by such functional categories only. 35.77.010  Perpetual advanced six-year plans for coordinated transportation program expenditures—Nonmotorized transportation—Railroad right-of-way.  (1)  The legislative body of each city and town, pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive transportation program for the ensuing six calendar years. If the city or town has adopted a comprehensive plan pursuant to chapter 35.63 or 35A.63 RCW, the inherent authority of a first class city derived from its charter, or chapter 36.70A RCW, the program shall be consistent with this comprehensive plan.  The program shall be filed with the secretary of transportation not more than thirty days after its adoption.  Annually thereafter the legislative body of each city and town shall review the work accomplished under the program and determine current city transportation needs. Based on these findings each such legislative body shall prepare and after public hearings thereon adopt a revised and extended comprehensive transportation program before July 1st of each year, and each one-year extension and revision shall be filed with the secretary of transportation not more than thirty days after its adoption.  The purpose of this section is to assure that each city and town shall perpetually have available advanced plans looking to the future for not less than six years as a guide in carrying out a coordinated transportation program.  The program may at any time be revised by a majority of the legislative body of a city or town, but only after a public hearing.  The six-year plan for each city or town shall specifically set forth those projects and programs of regional significance for inclusion in the transportation improvement program within that region.  (2) Each six-year transportation program forwarded to the secretary in compliance with subsection (1) of this section shall contain information as to how a city or town will expend its moneys, including funds made available pursuant to chapter 47.30 RCW, for nonmotorized transportation purposes.  (3) Each six-year transportation program forwarded to the secretary in compliance with subsection (1) of this section shall contain information as to how a city or town shall act to preserve railroad right-of-way in the event the railroad ceases to operate in the city's or town's jurisdiction.

The annual revision and extension of comprehensive street programs pursuant to RCW 35.77.010 shall include consideration of and, wherever reasonably practicable, provisions for bicycle routes: PROVIDED, That no provision need be made for any such route where the cost of establishing it would be excessively disproportionate to the need or probable use.  [1974 ex.s. c 141 § 11.]

35.77.020  Agreements with county for planning, establishment, construction, and maintenance.  Any city or town may enter into an agreement with the county in which it is located authorizing the county to perform all or any part of the construction, repair, and maintenance of streets in such city or town at such cost as shall be mutually agreed upon. The agreement shall be approved by ordinance of the governing body of the city or town and by resolution of the board of county commissioners. Any such agreement may include, but shall not be limited to the following:

(1) A provision that the county shall perform all or a specified part of the construction, repair, or maintenance of the city or town streets and bridges to the same standards provided by the county in unincorporated areas, or to increased standards as shall be specified which may include construction, repair, or maintenance of drainage facilities including storm sewers, sidewalks and curbs, street lighting, and traffic control devices.

Pursuant to an agreement authorized by RCW 35.77.020, the board of county commissioners may expend funds from the county road fund for the construction, repair, and maintenance of the streets of such city or town and for engineering and administrative services. Payments by a city or town under such an agreement shall be made to the county treasurer and by him deposited in the county road fund. Such construction, repair, maintenance, and engineering service shall be ordered by resolution and proceedings conducted in respect thereto in the same manner as provided for the construction, repair, and maintenance of county roads by counties, and for the preparation of maps, plans and specifications, advertising and award of contracts therefor: PROVIDED, That except in case of emergency all construction work performed by a county on city streets pursuant to RCW 35.77.020 through 35.77.040, which exceeds ten thousand dollars, shall be done by contract, unless after advertisement and solicitation of competitive bids it appears that bids are unobtainable or that the lowest bid exceeds the amount for which such construction can be done by means other than contract. No street construction project shall be divided into lesser component parts for the purpose of avoiding the requirements for competitive bidding. [1965 c 7 § 35.77.030. Prior: 1961 c 245 § 2.]

35.77.040  Agreements with county for planning, establishment, construction, and maintenance—Act is additional and concurrent method. RCW 35.77.020 through 35.77.040 shall not repeal, amend, or modify any law providing for joint or cooperative agreements between cities and counties with respect to city streets, but shall be held to be an additional and concurrent method providing for such purpose. Major arterials, which are defined as transportation arteries which connect the focal points of traffic interest within a city; arteries which provide communications with other communities and the outlying areas; or arteries which have relatively high traffic volume compared with other streets within the city;

The owners of an interest in any real estate abutting upon any street or alley who may desire to vacate the street or alley, or any part thereof, may petition the legislative authority to make vacation, giving a description of the property to be vacated, or the legislative authority may itself initiate by resolution such vacation procedure. The petition or resolution shall be filed with the city or town clerk, and, if the petition is signed by the owners of more than two-thirds of the property abutting upon the part of such street or alley sought to be vacated, the legislative authority by resolution shall fix a time when the petition will be heard and determined by such authority or a committee thereof, which time shall not be more than sixty days nor less than twenty days after the date of the passage of such resolution. [1965 c 7 § 35.79.010. Prior: 1957 c 156 § 2; 1901 c 84 § 1, part; RRS § 9297, part.]

35.79.020 Notice of hearing—Objections prior to hearing. Upon the passage of the resolution the city or town clerk shall give twenty days' notice of the pendency of the petition by a written notice posted in three of the most public places in the city or town and a like notice in a conspicuous place on the street or alley sought to be vacated. The said notice shall contain a statement that a petition has been filed to vacate the street or alley described in the notice, together with a statement of the time and place fixed for the hearing of the petition. In all cases where the proceeding is initiated by resolution of the city or town council or similar legislative authority without a petition having been signed by the owners of more than two-thirds of the property abutting upon the part of the street or alley sought to be vacated, in addition to the notice hereinafore required, there shall be given by mail at least fifteen days before the date fixed for the hearing, a similar notice to the owners or reputed owners of all lots, tracts or parcels of land or other property abutting upon any street or alley or any part thereof sought to be vacated, as shown on the rolls of the county treasurer, directed to the address thereon shown: PROVIDED, That if fifty percent of the abutting property owners file written objection to the proposed vacation with the clerk, prior to the time of hearing, the city shall be prohibited from proceeding with the resolution. 35.79.030 Hearing—Ordinance of vacation. The hearing on such petition may be held before the legislative authority, or before a committee thereof upon the date fixed by resolution or at the time said hearing may be adjourned to. If the hearing is before such a committee the same shall, following the hearing, report its recommendation on the petition to the legislative authority which may adopt or reject the recommendation. If such hearing be held before such a committee it shall not be necessary to hold a hearing on the petition before such legislative authority. If the legislative authority determines to grant said petition or any part thereof, such city or town shall be authorized and have authority by ordinance to vacate such street, or alley, or any part thereof, and the ordinance may provide that it shall not become effective until the owners of property abutting upon the street or alley, or part thereof so vacated, shall compensate such city or town in an amount which does not exceed one-half the appraised value of the area so vacated, except in the event the subject property or portions thereof were acquired at public expense, compensation may be required in an amount equal to the full appraised value of the vacation: PROVIDED, That such ordinance may provide that the city retain an easement or the right to exercise and grant easements in respect to the vacated land for the construction, repair, and maintenance of public utilities and services. A certified copy of such ordinance shall be recorded by the clerk of the legislative authority and in the office of the auditor of the county in which the vacated land is located. 35.79.035 Limitations on vacations of streets abutting bodies of water—Procedure. (1) A city or town shall not vacate a street or alley if any portion of the street or alley abuts a body of fresh or salt water unless:
(a) The vacation is sought to enable the city or town to acquire the property for port purposes, beach or water access purposes, boat moorage or launching sites, park, public view, recreation, or educational purposes, or other public uses;
(b) The city or town, by resolution of its legislative authority, declares that the street or alley is not presently being used as a street or alley and that the street or alley is not suitable for any of the following purposes: Port, beach or water access, boat moorage, launching sites, park, public view, recreation, or education; or
(c) The vacation is sought to enable a city or town to implement a plan, adopted by resolution or ordinance, that provides comparable or improved public access to the same shoreline area to which the streets or alleys sought to be vacated abut, had the properties included in the plan not been vacated.
(2) Before adopting a resolution vacating a street or alley under subsection (1)b) of this section, the city or town shall:

(d) Make a finding that the street or alley sought to be vacated is not suitable for any of the purposes listed under (b) of this subsection, and that the vacation is in the public interest.

(3) No vacation shall be effective until the fair market value has been paid for the street or alley that is vacated. 35.80.010 Declaration of purpose. It is hereby found that there exist, in the various municipalities and counties of the state, dwellings which are unfit for human habitation, and buildings, structures, and premises or portions thereof which are unfit for other uses due to dilapidation, disrepair, structural defects, defects increasing the hazards of fire, accidents, or other calamities, inadequate ventilation and uncleanliness, inadequate light or sanitary facilities, inadequate drainage, overcrowding, or due to other conditions which are inimical to the health and welfare of the residents of such municipalities and counties.

It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended, and that the necessity of the public interest for the enactment of this law is hereby declared to be a matter of local legislative determination. [1989 c 133 § 1; 1969 ex.s. c 127 § 1; 1967 c 111 § 1; 1965 c 7 § 35.80.010. Prior: 1959 c 82 § 1.]

35.80.020 Definitions. The following terms, however used or referred to in this chapter, shall have the following meanings, unless a different meaning is clearly indicated by the context:

(1) "Board" shall mean the improvement board as provided for in RCW 35.80.030(1)(a);
The local governing body of the municipality shall designate or establish a municipal agency to serve as the appeals commission. The local governing body shall also establish rules of procedure adequate to assure a prompt and thorough review of matters submitted to the appeals commission, and such rules of procedure shall include the following, without being limited thereto: (i) All matters submitted to the appeals commission must be resolved by the commission within sixty days from the date of filing therewith and (ii) a transcript of the findings of fact of the appeals commission shall be made available to the owner or other party in interest upon demand.

The findings and orders of the appeals commission shall be reported in the same manner and shall bear the same legal consequences as if issued by the board, and shall be subject to review only in the manner and to the extent provided in subdivision (2) of this section.

If the owner or party in interest, following exhaustion of his rights to appeal, fails to comply with the final order to repair, alter, improve, vacate, close, remove, or demolish the dwelling, building, structure, or premises, the board or officer may direct or cause such dwelling, building, structure, or premises to be repaired, altered, improved, vacated, and closed, removed, or demolished.

(h) That the amount of the cost of such repairs, alterations or improvements; or vacating and closing; or removal or demolition by the board or officer, shall be assessed against the real property upon which such cost was incurred unless such amount is previously paid. Upon certification to him by the treasurer of the municipality in cases arising out of the city or town or by the county improvement board or officer, in cases arising out of the county, of the assessment amount being due and owing, the county treasurer shall enter the amount of such assessment upon the tax rolls against the property for the current year and the same shall become a part of the general taxes for that year to be collected at the same time and with interest at such rates and in such manner as provided for in RCW 84.56.020, as now or hereafter amended, for delinquent taxes, and when collected to be deposited to the credit of the general fund of the municipality. If the dwelling, building, structure, or premises is removed or demolished by the board or officer, the board or officer shall, if possible, sell the materials of such dwelling, building, structure, or premises in accordance with procedures set forth in said ordinance, and shall credit the proceeds of such sale against the cost of the removal or demolition and if there be any balance remaining, it shall be paid to the parties entitled thereto, as determined by the board or officer, after deducting the costs incident thereto.

The assessment shall constitute a lien against the property which shall be of equal rank with state, county and municipal taxes.

(2) Any person affected by an order issued by the appeals commission pursuant to subdivision (1)(f) hereof may, within thirty days after the posting and service of the order, petition to the superior court for an injunction restraining the public officer or members of the board from carrying out the provisions of the order. In all such proceedings the court is authorized to affirm, reverse, or modify the order and such trial shall be heard de novo.

(3) An ordinance adopted by the local governing body of the municipality may authorize the board or officer to
exercise such powers as may be necessary or convenient to carry out and effectuate the purposes and provisions of this section. These powers shall include the following in addition to others herein granted: (a)(i) To determine which dwellings within the municipality are unfit for human habitation; (ii) to determine which buildings, structures, or premises are unfit for other use; (b) to administer oaths and affirmations, examine witnesses and receive evidence; and (c) to investigate the dwelling and other property conditions in the municipality or county and to enter upon premises for the purpose of making examinations when the board or officer has reasonable ground for believing they are unfit for human habitation, or for other use. PROVIDED, That such entries shall be made in such manner as to cause the least possible inconvenience to the persons in possession, and to obtain an order for this purpose after submitting evidence in support of an application which is adequate to justify such an order from a court of competent jurisdiction in the event entry is denied or resisted.

(4) The local governing body of any municipality adopting an ordinance pursuant to this chapter may appropriate the necessary funds to administer such ordinance.

(5) Nothing in this section shall be construed to abrogate or impair the powers of the courts or of any department of any municipality to enforce any provisions of its charter or its ordinances or regulations, nor to prevent or punish violations thereof; and the powers conferred by this section shall be in addition and supplemental to the powers conferred by any other law.

(6) Nothing in this section shall be construed to impair or limit in any way the power of the municipality to define and declare nuisances and to cause their removal or abatement, by summary proceedings or otherwise.

(7) Any municipality may (by ordinance adopted by its governing body) (a) prescribe minimum standards for the use and occupancy of dwellings throughout the municipality, or county, (b) prescribe minimum standards for the use or occupancy of any building, structure, or premises used for any other purpose, (c) prevent the use or occupancy of any dwelling, building, structure, or premises, which is injurious to the public health, safety, morals, or welfare, and (d) prescribe punishment for the violation of any provision of such ordinance. Every county, city, or town may acquire by condemnation, in accordance with the notice requirements and other procedures for condemnation provided in Title 8 RCW, any property, dwelling, building, or structure which constitutes a blight on the surrounding neighborhood. A “blight on the surrounding neighborhood” is any property, dwelling, building, or structure that meets any two of the following factors: (1) If a dwelling, building, or structure exists on the property, the dwelling, building, or structure has not been lawfully occupied for a period of one year or more; (2) the property, dwelling, building, or structure constitutes a threat to the public health, safety, or welfare as determined by the executive authority of the county, city, or town, or the designee of the executive authority; or (3) the property, dwelling, building, or structure is or has been associated with illegal drug activity during the previous twelve months. Prior to such condemnation, the local governing body shall adopt a resolution declaring that the acquisition of the real property described therein is necessary to eliminate neighborhood blight. Condemnation of property, dwellings, buildings, and structures for the purposes described in this chapter is declared to be for a public use. [1994 c 175 § 1; 1989 c 271 § 239.]

The purchasers or lessees and their successors and assigns shall be obligated to comply with such other requirements as the county, city, or town may determine to be in the public interest, including the obligation to begin, within a reasonable time, any improvements on such property required to make the dwelling, building, or structure habitable. Such real property or interest shall be sold, leased, or otherwise transferred, at not less than its fair market value. In determining the fair market value of real property for uses in accordance with this section, a municipality shall take into account and give consideration to, the restrictions upon and the covenants, conditions, and obligations assumed by the purchaser or lessee. [1989 c 271 § 240.]

35.80A.030 Disposition of blighted property—Procedures. A county, city, or town may dispose of real property acquired pursuant to this section to private persons only under such reasonable, competitive procedures as it shall prescribe. Thereafter, the county, city, or town may execute and deliver contracts, deeds, leases, and other instruments of transfer. [1989 c 271 § 241.]
35.80A.040 Authority to enter blighted buildings or property—Acceptance of financial assistance. Every county, city, or town may, in addition to any other authority granted by this chapter: (1) Enter upon any building or property found to constitute a blight on the surrounding neighborhood in order to make surveys and appraisals, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; and (2) borrow money, apply for, and accept, advances, loans, grants, contributions, and any other form of financial assistance from the federal government, the state, a county, or other public body, or from any sources, public or private, for the purposes of this chapter, and enter into and carry out contracts in connection herewith. Purpose—Captions not law—1991 c 363: See notes following RCW 35.81.020.

35.81.020 Declaration of purpose and necessity. It is hereby found and declared that blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state exist in municipalities of the state; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime and depreciation of property values, constitutes an economic and social liability, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of such areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, are conducive to fires, are difficult to police and to provide police protection for, and, while contributing little to the tax income of the state and its municipalities, consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services, and facilities.

It is further found and declared that certain of such areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this chapter, since the prevailing condition of decay may make impracticable the reclamation of the area by rehabilitation; that other areas or portions thereof may, through the means provided in this chapter, be susceptible of rehabilitation in such a manner that the conditions and evils hereinbefore enumerated may be eliminated, remedied or prevented; and that to the extent feasible salvageable blighted areas should be rehabilitated through voluntary action and the regulatory process.

It is further found and declared that the powers conferred by this chapter are for public uses and purposes for which public money may be expended and the power of eminent domain exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination. [1965 c 7 § 35.81.020. Prior: 1957 c 42 § 2.]

35.81.030 Encouragement of private enterprise. A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this chapter, shall afford maximum opportunity, consistent with the sound needs of the municipality as a whole, to the rehabilitation or redevelopment of the urban renewal area by private enterprise. A municipality shall give consideration to this objective in exercising its powers under this chapter, including the formulation of a workable program, the approval of urban renewal plans (consistent with the comprehensive plan or parts thereof for the municipality), the exercise of its zoning powers, the enforcement of other laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements, the disposition of any property acquired, and the provision of necessary public improvements. [1965 c 7 § 35.81.030. Prior: 1957 c 42 § 3.]

35.81.040 Formulation of workable program. A municipality for the purposes of this chapter may formulate a workable program for utilizing appropriate private and public resources to eliminate, and prevent the development or spread of, blighted areas, to encourage needed urban rehabilitation, to provide for the redevelopment of such areas, or to undertake such of the aforesaid activities, or other feasible municipal activities as may be suitably employed to achieve the objectives of such workable program. Such workable program may include, without limitation, provision for: The prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning, and
occupancy controls and standards; the rehabilitation of blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of blighted areas or portions thereof. [1965 c 7 § 35.81.040. Prior: 1957 c 42 § 4.]

35.81.050 Findings by local governing body required. No municipality shall exercise any of the powers hereafter conferred upon municipalities by this chapter until after its local governing body shall have adopted a resolution finding that: (1) One or more blighted areas exist in such municipality; and (2) the rehabilitation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals, or welfare of the residents of such municipality. [1965 c 7 § 35.81.050. Prior: 1957 c 42 § 5.]

35.81.060 Comprehensive plan—Preparation—Hearing—Approval—Modification—Effect. (1) A municipality shall not approve an urban renewal project for an urban renewal area unless the local governing body has, by resolution, determined such area to be a blighted area and designated such area as appropriate for an urban renewal project. The local governing body shall not approve an urban renewal plan until a comprehensive plan or parts of such plan for an area which would include an urban renewal area for the municipality have been prepared as provided in chapter 35.63 RCW. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt, and to revise from time to time, a comprehensive plan or parts thereof for the physical development of the municipality as a whole (giving due regard to the environs and metropolitan surroundings), to establish and maintain a planning commission for such purpose and related municipal planning activities, and to make available and to appropriate necessary funds therefor. A municipality shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal project plan in accordance with subsection (4) hereof.

(2) The municipality may itself prepare or cause to be prepared an urban renewal plan, or any person or agency, public or private, may submit such a plan to the municipality. Prior to its approval of an urban renewal project, the local governing body shall submit such plan to the planning commission of the municipality for review and recommendations as to its conformity with the comprehensive plan or parts thereof for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed urban renewal plan to the local governing body within sixty days after receipt of it. Upon receipt of the recommendations of the planning commission, or if no recommendations are received within sixty days, then without such recommendations, the local governing body may proceed with the hearing on the proposed urban renewal project plan prescribed by subsection (3) hereof.

(3) The local governing body shall hold a public hearing on an urban renewal plan after public notice thereof. Such notice shall be given by publication once each week for two consecutive weeks not less than ten nor more than thirty days prior to the date of the hearing in a newspaper having a general circulation in the urban renewal area of the municipality and by mailing a notice of such hearing not less than ten days prior to the date of the hearing to the persons whose names appear on the county treasurer’s tax roll as the owner or reputed owner of the property, at the address shown on the tax roll. The notice shall describe the time, date, place, and purpose of the hearing, shall generally identify the urban renewal area affected, and shall outline the general scope of the urban renewal plan under consideration.

(4) Following such hearing, the local governing body may approve an urban renewal project if it finds that (a) a workable and feasible plan exists for making available adequate housing for the persons who may be displaced by the project; (b) the urban renewal plan conforms to the comprehensive plan or parts thereof for the municipality as a whole; (c) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise; and (d) a sound and adequate financial program exists for the financing of said project; (e) the urban renewal project area is a blighted area as defined in RCW 35.81.010(2).

(5) An urban renewal project plan may be modified at any time by the local governing body: PROVIDED, That if modified after the lease or sale by the municipality of real property in the urban renewal project area, such modification shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest may be entitled to assert.

(6) Upon the approval of an urban renewal project by a municipality, the provisions of the urban renewal plan with respect to the future use and building requirements applicable to the property covered by said plan shall be controlling with respect thereto. [1965 c 7 § 35.81.060. Prior: 1957 c 42 § 6.]

35.81.070 Powers of municipality. Every municipality shall have all the powers necessary or convenient to carry out and effectuate the purposes and provisions of this chapter, including the following powers in addition to others herein granted:

(1) To undertake and carry out urban renewal projects within the municipality, to make and execute contracts and other instruments necessary or convenient to the exercise of its powers under this chapter, and to disseminate blight clearance and urban renewal information.

(2) To provide or to arrange or contract for the furnishing or repair by any person or agency, public or private, of services, privileges, works, streets, roads, public utilities or other facilities for, or in connection with, an urban renewal project; to install, construct, and reconstruct streets, utilities, parks, playgrounds, and other public improvements; and to agree to any conditions that it may deem reasonable and appropriate attached to federal financial assistance and imposed pursuant to federal law relating to the determination of prevailing salaries or wages or compliance with labor standards, in the undertaking or carrying out of an urban renewal project, and to include in any contract let in connec-

tion with such a project, provisions to fulfill such of said conditions as it may deem reasonable and appropriate.

(3) Within the municipality, to enter upon any building or property in any urban renewal area, in order to make surveys and appraisals, provided that such entries shall be made in such a manner as to cause the least possible inconvenience to the persons in possession, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; to acquire by purchase, lease, option, gift, grant, bequest, devise, eminent domain, or otherwise, any real property and such personal property as may be necessary for the administration of the provisions herein contained, together with any improvements thereon; to hold, improve, clear, or prepare for redevelopment any such property; to dispose of any real property; to insure or provide for the insurance of any real or personal property or operations of the municipality against any risks or hazards, including the power to pay premiums on any such insurance: PROVIDED, That no statutory provision with respect to the acquisition, clearance, or disposition of property by public bodies shall restrict a municipality in the exercise of such functions with respect to an urban renewal project.

(4) To invest any urban renewal project funds held in reserves or sinking funds or any such funds which are not required for immediate disbursement, in property or securities in which mutual savings banks may legally invest funds subject to their control; to redeem such bonds as have been issued pursuant to RCW 35.81.100 at the redemption price established therein or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be canceled.

(5) To borrow money and to apply for, and accept, advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this chapter, and to enter into and carry out contracts in connection therewith. A municipality may include in any application or contract for financial assistance with the federal government for an urban renewal project such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of this chapter.

(6) Within the municipality, to make or have made all plans necessary to the carrying out of the purposes of this chapter and to contract with any person, public or private, in making and carrying out such plans and to adopt or approve, modify, and amend such plans. Such plans may include, without limitation: (a) A comprehensive plan or parts thereof for the locality as a whole, (b) urban renewal plans, (c) plans for carrying out a program of voluntary or compulsory repair and rehabilitation of buildings and improvements, (d) plans for the enforcement of state and local laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements, and (e) appraisals, title searches, surveys, studies, and other preliminary plans and work necessary to prepare for the undertaking of urban renewal projects. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of urban blight and to apply for, accept, and utilize grants of, funds from the federal government for such purposes.

(7) To prepare plans for the relocation of families displaced from an urban renewal area, and to coordinate public and private agencies in such relocation, including requesting such assistance for this purpose as is available from other private and governmental agencies, both for the municipality and other parties.

(8) To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this chapter, and in accordance with state law: (a) Levy taxes and assessments for such purposes; (b) acquire land by negotiation and/or eminent domain; (c) close, vacate, plan, or replan streets, roads, sidewalks, ways, or other places; (d) plan or replan, zone or rezone any part of the municipality; (e) adopt annual budgets for the operation of an urban renewal agency, department, or offices vested with urban renewal project powers under RCW 35.81.150; (f) enter into agreements with such agencies or departments (which agreements may extend over any period) respecting action to be taken by such municipality pursuant to any of the powers granted by this chapter.

(9) Within the municipality, to organize, coordinate, and direct the administration of the provisions of this chapter as they apply to such municipality in order that the objective of remedying blighted areas and preventing the causes thereof within such municipality may be most effectively promoted and achieved, and to establish such new office or offices of the municipality or to reorganize existing offices in order to carry out such purpose most effectively.

(10) To exercise all or any part or combination of powers herein granted. [1965 c 7 § 35.81.070. Prior: 1957 c 42 § 7.]

35.81.080 Eminent domain. A municipality shall have the right to acquire by condemnation, in accordance with the procedure provided for condemnation by such municipality for other purposes, any interest in real property, which it may deem necessary for an urban renewal project under this chapter after the adoption by the local governing body of a resolution declaring that the acquisition of the real property described therein is necessary for such purpose. Condemnation for urban renewal of blighted areas is declared to be a public use, and property already devoted to any other public use or acquired by the owner or his predecessor in interest by eminent domain may be condemned for the purposes of this chapter.

The award of compensation for real property taken for such a project shall not be increased by reason of any increase in the value of the real property caused by the assembly, clearance, or reconstruction, or proposed assembly, clearance, or reconstruction in the project area. No allowance shall be made for the improvements begun on real property after notice to the owner of such property of the institution of proceedings to condemn such property. Evidence shall be admissible bearing upon the insanitary, unsafe, or substandard condition of the premises, or the unlawful use thereof. [1965 c 7 § 35.81.080. Prior: 1957 c 42 § 8.]

Eminent domain by cities: Chapter 8.12 RCW.
35.81.090 Disposal of real property in urban renewal area. (1) A municipality may sell, lease, or otherwise transfer real property or any interest therein acquired by it for an urban renewal project, in an urban renewal area for residential, recreational, commercial, industrial, or other uses or for public use, and may enter into contracts with respect thereto, or may retain such property or interest for parks and recreation, education, public utilities, public transportation, public safety, health, highways, streets, and alleys, administrative buildings, or civic centers, in accordance with the urban renewal project plan, subject to such covenants, conditions, and restrictions, including covenants running with the land, as it may deem to be necessary or desirable to assist in preventing the development or spread of blighted areas or otherwise to carry out the purposes of this chapter: PROVIDED, That such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the urban renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin, within a reasonable time, any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a municipality shall take into account, and give consideration to, the uses provided in such plan; the restrictions upon, and the covenants, conditions, and obligations assumed by, the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease, or otherwise transfer the real property without the prior written consent of the municipality unless he has completed the construction of any and all improvements which he has obligated himself to construct thereon. Real property acquired by a municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible, in the public interest, consistent with the carrying out of the provisions of the urban renewal plan. The inclusion in any such contract or conveyance to a purchaser or lessee of any such covenants, restrictions, or conditions (including the incorporation by reference therein of the provisions of an urban renewal plan or any part thereof) shall not prevent the recording of such contract or conveyance in the land records of the auditor or the county in which such city or town is located, in such manner as to afford actual or constructive notice thereof.

(2) A municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe or as hereinafter provided in this subsection. A municipality may, by public notice by publication once each week for three consecutive weeks in a newspaper having a general circulation in the community, prior to the execution of any contract or deed to sell, lease, or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite bids from, and make available all pertinent information to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof, and shall state that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all redevelopment or rehabilitation bids and the financial and legal ability of the persons making such bids to carry them out. The municipality may accept such bids as it deems to be in the public interest and in furtherance of the purposes of this chapter. Thereafter, the municipality may execute, in accordance with the provisions of subsection (1), and deliver contracts, deeds, leases, and other instruments of transfer.

(3) A municipality may operate and maintain real property acquired in an urban renewal area for a period of three years pending the disposition of the property for redevelopment, without regard to the provisions of subsection (1) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan: PROVIDED, That the municipality may, after a public hearing, extend the time for a period not to exceed three years. [1965 c 7 § 35.81.090. Prior: 1957 c 42 § 9.]

35.81.100 Bonds—Issuance—Form, terms, payment, etc. (1) A municipality shall have the power to issue bonds from time to time in its discretion to finance the undertaking of any urban renewal project under this chapter, including, without limiting the generality thereof, the payment of principal and interest upon any advances for surveys and plans for urban renewal projects, and shall also have power to issue refunding bonds for the payment or retirement of such bonds previously issued by it. Such bonds shall not pledge the general credit of the municipality and shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from, or held in connection with, its undertaking and carrying out of urban renewal projects under this chapter: PROVIDED, That payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the federal government or other source, in aid of any urban renewal projects of the municipality under this chapter.

(2) Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance, or sale of bonds. Bonds issued under the provisions of this chapter are declared to be issued for an essential public and governmental purpose, and together with interest thereon and income therefrom, shall be exempted from all taxes.

(3) Bonds issued under this section shall be authorized by resolution or ordinance of the local governing body and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates, be in such denomi-

PROVIDED, That such bonds and other obligations shall be secured by an agreement between the issuer and the federal government in which the issuer agrees to borrow from the federal government and the federal government agrees to lend to the issuer, prior to the maturity of such bonds or other obligations, moneys in an amount which (together with any other moneys irrevocably committed to the payment of interest on such bonds or other obligations) will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which moneys under the terms of said agreement are required to be used for the purpose of paying the principal of, and the interest on, such bonds or other obligations at their maturity. Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions, and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities. [1965 c 7 § 35.81.110. Prior: 1957 c 42 § 11.]

35.81.115 General obligation bonds authorized. of aiding in the planning, undertaking, or carrying out of an
urban renewal project located within the area in which it is
authorized to act, any public body authorized by law or by
this chapter, may, upon such terms, with or without consid-

the powers herein granted.

35.82.010 Finding and declaration of necessity. It is hereby declared: (1) That there exist in the state insanitary or unsafe dwelling accommodations and that persons of low income are forced to reside in such insanitary or unsafe accommodations; that within the state there is a shortage of safe or sanitary dwelling accommodations available at rents which persons of low income can afford and that such persons are forced to occupy overcrowded and congested dwelling accommodations; that the aforesaid conditions cause an increase in and spread of disease and crime and constitute a menace to the health, safety, morals and welfare of the residents of the state and impair economic values; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities; (2) that these areas in the state cannot be cleared, nor can the shortage of safe and sanitary dwellings for persons of low income be relieved, through the operation of private enterprise, and that the construction of housing projects for persons of low income (as herein defined) would therefore not be competitive with private enterprise; (3) that the clearance, replanning and reconstruction of the areas in which insanitary or unsafe housing conditions exist and the providing of safe and sanitary dwelling accommodations for persons of low income are public uses and purposes for which public money may be spent and private property acquired and are governmental functions of state concern; (4) that it is in the public interest that work on projects for such purposes be commenced as soon as possible in order to relieve unemployment which now (1939) constitutes an emergency; and the necessity in the public interest for the provisions hereinafter enacted, is hereby declared as a matter of legislative determination. In each city (as herein defined) and in each county of the state there is hereby created a public body corporate and politic to be known as the "Housing Authority" of the city or county: PROVIDED, HOWEVER, That such authority shall not transact any business or exercise its powers hereunder until or unless the governing body of the city or the county, as the case may be, by proper resolution shall declare at any time hereafter that there is need for an authority to function in such city or county. The determination as to whether or not there is such need for an authority to function (1) may be made by the governing body on its own motion or (2) shall be made by the governing body upon the filing of a petition signed by twenty-five residents of the city or county, as the case may be, asserting that there is need for an authority to function in such city or county and requesting that the governing body so declare.

Such resolution or resolutions shall be deemed sufficient if it declares that there is such need for an authority and finds in substantially the foregoing terms (no further detail being necessary) that either or both of the above enumerated conditions exist in the city or county, as the case may be. A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding. [1979 ex.s. c 187 § 2; 1965 c 7 § 35.82.030. Prior: 1939 c 23 § 4; RRS § 6889-4. Formerly RCW 74.24.030.]

Severability—1979 ex.s. c 187: See note following RCW 35.82.020.

35.82.040 Appointment, qualifications, and tenure of commissioners. Except as provided in RCW 35.82.045, when the governing body of a city adopts a resolution declaring that there is a need for a housing authority, it shall
promptly notify the mayor of such adoption. Upon receiving such notice, the mayor shall appoint five persons as commissioners of the authority created for the city. When the governing body of a county adopts a resolution declaring that there is a need for a housing authority, it shall appoint five persons as commissioners of the authority created for the county. The commissioners who are first appointed shall be designated to serve for terms of one, two, three, four and five years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed for a term of office of five years except that all vacancies shall be filled for the unexpired term. No commissioner of an authority may be an officer or employee of the city or county for which the authority is created, unless the commissioner is an employee of a separately elected county official other than the county governing body in a county with a population of less than one hundred seventy-five thousand as of the 1990 federal census, and the total government employment in that county exceeds forty percent of total employment. A commissioner shall hold office until a successor has been appointed and has qualified, unless sooner removed according to this chapter. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his or her services for the authority, in any capacity, but he or she shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his or her duties.

The powers of each authority shall be vested in the commissioners thereof in office from time to time. Except as provided in RCW 35.82.045, three commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The mayor (or in the case of an authority for a county, the governing body of the county) shall designate which of the commissioners appointed shall be the first chair of the commission and he or she shall serve in the capacity of chair until the expiration of his or her term of office as commissioner. When the office of the chair of the authority becomes vacant, the authority shall select a chair from among its commissioners. An authority shall select from among its commissioners a vice-chair, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. For such legal services as it may require, an authority may call upon the chief law officer of the city or the county or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper. [1998 c 140 § 1; 1995 c 293 § 1; 1965 c 7 § 35.82.040. Prior: 1939 c 23 § 5; RRS § 6889-5. Formerly RCW 74.24.040.]

(1) After June 11, 1998, the governing body of a city with a population of four hundred thousand or more, that has created a housing authority under RCW 35.82.040, shall adopt a resolution to expand the number of commissioners on the housing authority from five to seven. Upon receiving the notice, the mayor, with approval of the city council, shall appoint additional persons as commissioners of the authority created for the city.

(2) In appointing commissioners, the mayor shall consider persons that represent the community, provided that two commissioners shall consist of tenants that reside in a housing project that is owned by the housing authority.

(3) After June 11, 1998, all commissioners shall be appointed to serve four-year terms, except that all vacancies shall be filled for the remainder of the unexpired term. A commissioner of an authority may not be an officer or employee of the city for which the authority is created. A commissioner shall hold office until a successor has been appointed and has qualified, unless sooner removed according to this chapter.

(4) A commissioner may be reappointed only after review and approval by the city council.

(5) A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and the certificate is conclusive evidence of the due and proper appointment of the commissioner.

(6) A commissioner shall receive no compensation for his or her services for the authority, in any capacity, but he or she is entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his or her duties.

(7) The powers of each authority vest in the commissioners of the authority in office from time to time. Four commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The mayor, with consent of the city council, shall designate which of the commissioners appointed shall be the first chair of the commission and he or she shall serve in the capacity of chair until the expiration of his or her term of office as commissioner. When the office of the chair of the authority becomes vacant, the authority shall select a chair from among its commissioners. An authority shall select from among its commissioners a vice-chair, and the authority may employ a secretary, who shall be executive director, technical experts and such other officers, agents, and employees, permanent and temporary, as the authority requires, and shall determine their qualifications, duties, and compensation.

(9) For such legal services as it may require, an authority may call upon the chief law officer of the city or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper. [1998 c 140 § 2.]
authority shall own or hold an interest in any contract or property or engage in any business, transaction, or professional or personal activity, that would:

(a) Be, or appear to be, in conflict with the commissioner's, employee's, or appointee's official duties to any decision-making body for the housing authority duties relating to the housing authority served by or subject to the authority of such commissioner, employee, or appointee to any decision-making body for the housing authority;

(b) Secure, or appear to secure, unwarranted privileges or advantages for such commissioner, employee, or appointee to any decision-making body for the housing authority, or others; or

(c) Prejudice, or appear to prejudice, such commissioner's, employee's, or appointee's to any decision-making body for the housing authority independence of judgment in exercise of his or her official duties relating to the housing authority served by or subject to the authority of the commissioner, employee, or appointee to any decision-making body for the housing authority.

(2) No commissioner, employee, or appointee to any decision-making body for the housing authority shall act in an official capacity in any manner in which such commissioner, employee, or appointee to any decision-making body of the housing authority has a direct or indirect financial or personal involvement.

(3) No commissioner, employee, or appointee to any decision-making body for the housing authority shall use his or her public office or employment to secure financial gain to such commissioner, employee, or appointee to any decision-making body for the housing authority.

(4) If any commissioner or employee of an authority or any appointee to any decision-making body for the housing authority owns or controls an interest direct or indirect in any property included or planned to be included in any housing project, he immediately shall disclose the same in writing to the authority and such disclosure shall be entered upon the minutes of the authority. Failure to disclose such interest shall constitute misconduct in office. Upon such disclosure such commissioner, employee, or appointee to any decision-making body for the housing authority shall not participate in any action by the authority affecting such property.

(5) No provision of this section shall preclude a tenant of the public housing authority from serving as a commissioner, employee, or appointee to any decision-making body of the housing authority. No provision of this section shall preclude a tenant of the public housing authority who is serving as a commissioner, employee, or appointee to any decision-making body of the housing authority from voting on any issue or decision, or participating in any action by the authority, unless a conflict of interest, as set forth in subsections (1) through (4) of this section, exists as to that particular tenant and the particular property or interest at issue before, or subject to action by the housing authority. [1998 c 140 § 3; 1965 c 7 § 35.82.050. Prior: 1939 c 23 § 6; RRS § 6889-6. Formerly RCW 74.24.050.]

(3) To acquire, lease, rent, sell, or otherwise dispose of any commercial space located in buildings or structures containing a housing project or projects.

(4) To arrange or contract for the furnishing by any person or agency, public or private, of services, privileges, works, or facilities for, or in connection with, a housing project or the occupants thereof; and (notwithstanding anything to the contrary contained in this chapter or in any other provision of law) to include in any contract let in connection with a project, stipulations requiring that the contractor and any subcontractors comply with requirements as to minimum wages and maximum hours of labor, and comply with any conditions which the federal government may have attached to its financial aid of the project.

(5) To lease or rent any dwellings, houses, accommodations, lands, buildings, structures or facilities embraced in any housing project and (subject to the limitations contained in this chapter) to establish and revise the rents or charges therefor; to own or manage buildings containing a housing project or projects as well as commercial space or other

(6) To invest any funds held in reserves or sinking funds, or any funds not required for immediate disbursement, in property or securities in which savings banks may legally invest funds subject to their control; to purchase its bonds at a price not more than the principal amount thereof and accrued interest, all bonds so purchased to be canceled.

(7) Within its area of operation: To investigate into living, dwelling and housing conditions and into the means and methods of improving such conditions; to determine where slum areas exist or where there is a shortage of decent, safe and sanitary dwelling accommodations for persons of low income; to make studies and recommendations relating to the problem of clearing, replanning and reconstructing of slum areas, and the problem of providing dwelling accommodations for persons of low income, and to cooperate with the city, the county, the state or any political subdivision thereof in action taken in connection with such problems; and to engage in research, studies and experimentation on the subject of housing.

(8) Acting through one or more commissioners or other person or persons designated by the authority: To conduct examinations and investigations and to hear testimony and take proof under oath at public or private hearings on any matter material for its information; to administer oaths, issue subpoenas requiring the attendance of witnesses or the production of books and papers and to issue commissions for the examination of witnesses who are outside of the state or unable to attend before the authority, or excused from attendance; to make available to appropriate agencies (including those charged with the duty of abating or requiring the correction of nuisances or like conditions, or of demolishing unsafe or insanitary structures within its area of operation) its findings and recommendations with regard to any building or property where conditions exist which are dangerous to the public health, morals, safety or welfare.

No provisions of law with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to an authority unless the legislature shall specifically so state.

(11) To agree (notwithstanding the limitation contained in RCW 35.82.210) to make such payments in lieu of taxes as the authority finds consistent with the achievement of the purposes of this chapter.

(12) Upon the request of a county or city, to exercise any powers of an urban renewal agency under chapter 35.81 RCW or a public corporation, commission, or authority under chapter 35.21 RCW. However, in the exercise of any such powers the housing authority shall be subject to any express limitations contained in this chapter.

(13) To exercise the powers granted in this chapter within the boundaries of any city, town, or county not included in the area in which such housing authority is originally authorized to function: PROVIDED, HOWEVER, The governing or legislative body of such city, town, or county, as the case may be, adopts a resolution declaring that there is a need for the authority to function in such territory.

(14) To administer contracts for assistance payments to persons of low income in accordance with section 8 of the United States Housing Act of 1937, as amended by Title II, section 201 of the Housing and Community Development Act of 1974, P.L. 93-383.

(15) To sell at public or private sale, with or without public bidding, for fair market value, any mortgage or other obligation held by the authority.

(16) To the extent permitted under its contract with the holders of bonds, notes, and other obligations of the authority, to consent to any modification with respect to rate of interest, time and payment of any installment of principal or interest security, or any other term of any contract, mortgage, mortgage loan, mortgage loan commitment, contract or agreement of any kind to which the authority is a party.

(17) To make, purchase, participate in, invest in, take assignments of, or otherwise acquire loans to persons of low income to enable them to acquire, construct, reconstruct, rehabilitate, improve, lease, or refinance their dwellings, and to take such security therefor as is deemed necessary and prudent by the authority.

(18) To make, purchase, participate in, invest in, take assignments of, or otherwise acquire loans for the acquisi-
section, construction, reconstruction, rehabilitation, improvement, leasing, or refinancing of land, buildings, or developments for housing for persons of low income. For purposes of this subsection, development shall include either land or buildings or both.

(a) Any development financed under this subsection shall be subject to an agreement that for at least twenty years the dwelling units made available to persons of low income together with functionally related and subordinate facilities shall occupy at least fifty percent of the interior space in the total development or at least fifty percent of the total number of units in the development, whichever produces the greater number of units for persons of low income. For mobile home parks, the mobile home lots made available to persons of low income shall be at least fifty percent of the total number of mobile home lots in the park. During the term of the agreement, the owner shall use its best efforts in good faith to maintain the dwelling units or mobile home lots required to be made available to persons of low income at rents affordable to persons of low income. The twenty-year requirement under this subsection (18)(a) shall not apply when an authority finances the development by nonprofit corporations or governmental units of dwellings or mobile home lots intended for sale to persons of low and moderate income, and shall not apply to construction or other short-term financing provided to nonprofit corporations or governmental units when the financing has a repayment term of one year or less.

(b) In addition, if the development is owned by a for-profit entity, the dwelling units or mobile home lots required to be made available to persons of low income shall be rented to persons whose incomes do not exceed fifty percent of the area median income, adjusted for household size, and shall have unit or lot rents that do not exceed fifteen percent of area median income, adjusted for household size, unless rent subsidies are provided to make them affordable to persons of low income.

For purposes of this subsection (18)(b), if the development is owned directly or through a partnership by a governmental entity or a nonprofit organization, which nonprofit organization is itself not controlled by a for-profit entity or affiliated with any for-profit entity that a nonprofit organization itself does not control, it shall not be treated as being owned by a for-profit entity when the governmental entity or nonprofit organization exercises legal control of the ownership entity and in addition, (i) the dwelling units or mobile home lots required to be made available to persons of low income are rented to persons whose incomes do not exceed sixty percent of the area median income, adjusted for household size, and (ii) the development is subject to an agreement that transfers ownership to the governmental entity or nonprofit organization or extends an irrevocable right of first refusal to purchase the development under a formula for setting the acquisition price that is specified in the agreement.

(c) Commercial space in any building financed under this subsection that exceeds four stories in height shall not constitute more than twenty percent of the interior area of the building. Before financing any development under this subsection the authority shall make a written finding that financing is important for project feasibility or necessary to enable the authority to carry out its powers and purposes under this chapter.

(19) To contract with a public authority or corporation, created by a county, city, or town under RCW 35.21.730 through 35.21.755, to act as the developer for new housing projects or improvement of existing housing projects. Severability—1983 c 225: See note following RCW 35.82.020.

35.82.075 Small works roster. (1) In addition to any other powers authorized in RCW 35.82.070, an authority may establish a small works roster consisting of all qualified contractors who have requested to be included on the roster and are, where required by law, properly licensed or registered to perform such work in the state of Washington.

(2) The small works roster may make distinctions between contractors based on the nature of the work the contractor is qualified to perform. At least once every year, the authority shall advertise in a newspaper of general circulation, in the authority's area of operation, the existence of the small works roster and shall add to the roster those contractors who request to be included on the roster.

(3) The commissioners of the authority shall establish uniform procedures to prequalify contractors for inclusion on the small works roster and a procedure for securing telephone or written quotations from contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder.

(4) Construction, repair, or alteration projects estimated to cost less than forty thousand dollars are exempt from the requirement that contracts be awarded after advertisement and competitive bid as defined in RCW 39.04.010. In lieu of advertisement and competitive bid, the authority shall solicit at least five quotations, confirmed in writing, from contractors in a manner that will equitably distribute opportunities among contractors on the small works roster for the category of job type involved. Whenever possible, the authority shall invite at least one proposal from a minority or woman contractor, or from a contractor that employs, or commits to employ, residents of housing owned or managed by the authority, who shall otherwise qualify under this section. Such solicitations shall include an estimate of the scope and nature of the work to be performed, and materials and equipment to be furnished.

(5) Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone request.

(6) The breaking-down of any public work or improvement into units, or accomplishing any public work or improvement by phases, for the purpose of avoiding the minimum dollar amount for bidding, is contrary to public policy and is prohibited.

(7) No authority under chapter 42.17 RCW shall be required to make financial information required to be provided by the prequalification procedure for inclusion on the small works roster available for public inspection or copying. [1989 c 363 § 6.]
35.82.080 **Operation not for profit.** It is hereby declared to be the policy of this state that each housing authority shall manage and operate its housing projects in an efficient manner so as to enable it to fix the rentals for low-income dwelling accommodations at the lowest possible rates consistent with its providing decent, safe and sanitary dwelling accommodations, and that no housing authority shall construct or operate any such project for profit, or as a source of revenue to the city or the county. To this end, an authority shall fix the rentals for rental units for persons of low income in projects owned or leased by the authority at no higher rates than it shall find to be necessary in order to produce revenues which (together with all other available moneys, revenues, income and receipts of the authority from whatever sources derived) will be sufficient (1) to pay, as the same become due, the principal and interest on the bonds or other obligations of the authority issued or incurred to finance the projects; (2) to meet the cost of, and to provide for, maintaining and operating the projects (including the cost of any insurance) and the administrative expenses of the authority; and (3) to create (during not less than the six years immediately succeeding its issuance of any such bonds) a reserve sufficient to meet the largest principal and interest payments which will be due on such bonds in any one year thereafter and to maintain such reserve. Nothing contained in this section shall be construed to limit an authority's power to rent commercial space located in buildings containing housing projects or non-low-income units owned, acquired, financed, or constructed under *RCW 35.82.070*(5), (16), or (17) at profitable rates and to use any profit realized from such rentals in carrying into effect the powers and purposes provided to housing authorities under this chapter. *Reviser's note:* RCW 35.82.070 was amended by 1991 c 167 § 1, changing subsections (16) and (17) to subsections (17) and (18); and subsequently amended by 1993 c 478 § 17 changing subsections (17) and (18) to subsections (18) and (19).

**Severability**—1983 c 225: See note following RCW 35.82.020.

35.82.090 **Rentals and tenant selection.** In the operation and management of rental units which are rented to persons of low income in any housing project an authority shall at all times observe the following duties with respect to rentals and tenant selection: (1) It may rent or lease the dwelling accommodations therein to persons of low income and at rentals within the financial reach of such persons of low income; (2) it may rent or lease to a low-income tenant dwelling accommodations consisting of the number of rooms (but no greater number) which it deems necessary to provide safe and sanitary accommodations to the proposed occupants thereof, without overcrowding; and (3) it shall not accept any person as a low income tenant in any housing project designated for persons of low income if the person or persons who would occupy the dwelling accommodations have an annual net income in excess of five times the annual rental of the quarters to be furnished such person or persons, except that in the case of families with three or more minor dependents, such ratio shall not exceed six to one; in computing the rental for this purpose of selecting tenants, there shall be included in the rental the average annual cost (as determined by the authority) to occupants of heat, water, electricity, gas, cooking range and other necessary services or facilities, whether or not the charge for such services and facilities is in fact included in the rental. This income limitation does not apply to housing projects designated for senior citizens.

Nothing contained in this section or RCW 35.82.080 shall be construed as limiting the power of an authority to vest in an obligee the right, in the event of a default by the authority, to take possession of a housing project or cause the appointment of a receiver thereof, free from all the restrictions imposed by this section or RCW 35.82.090. [1989 c 363 § 4; 1979 ex.s. c 187 § 3; 1977 ex.s. c 274 § 4; 1965 c 7 § 35.82.090. Prior: 1939 c 23 § 10; RRS § 6889-10. Formerly RCW 74.24.090.]

35.82.100 **Cooperation between authorities.** Any two or more authorities may join or cooperate with one another in the exercise of any or all of the powers conferred hereby for the purpose of financing, planning, undertaking, constructing or operating a housing project or projects located within the area of operation of any one or more of said authorities. [1965 c 7 § 35.82.100. Prior: 1939 c 23 § 11; RRS § 6889-11. Formerly RCW 74.24.100.]

35.82.110 **Eminent domain.** An authority shall have the right to acquire by the exercise of the power of eminent domain any real property which it may deem necessary for its purposes under this chapter after the adoption by it of a resolution declaring that the acquisition of the real property described therein is necessary for such purposes. An authority may exercise the power of eminent domain in the same manner and under the same procedure as now is or may be hereafter provided by law in the case of other corporations authorized by the laws of the state to exercise the right of eminent domain; or it may exercise the power of eminent domain in the manner now or which may be hereafter provided by any other applicable statutory provisions for the exercise of the power of eminent domain. Property already devoted to a public use may be acquired in like manner: PROVIDED, That no real property belonging to the city, the county, the state or any political subdivision thereof may be acquired without its consent. [1965 c 7 § 35.82.110. Prior: 1939 c 23 § 12; RRS § 6889-12. Formerly RCW 74.24.110.]

**Eminent domain:** Title 8 RCW.

35.82.120 **Planning, zoning and building laws.** All housing projects of an authority shall be subject to the planning, zoning, sanitary and building laws, ordinances and regulations applicable to the locality in which the housing project is situated. In the planning and location of any housing project, an authority shall take into consideration the relationship of the project to any larger plan or long-range program for the development of the area in which the housing authority functions. [1965 c 7 § 35.82.120. Prior: 1939 c 23 § 13; RRS § 6889-13. Formerly RCW 74.24.120.]

**Planning commissions:** Chapter 35.63 RCW.
35.82.130 **Bonds.** An authority shall have power to issue bonds from time to time in its discretion, for any of its corporate purposes. An authority shall also have power to issue refunding bonds for the purpose of paying or retiring bonds previously issued by it. An authority may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds on which the principal and interest are payable: (1) Exclusively from the income and revenues of the housing project financed with the proceeds of such bonds; (2) exclusively from the income and revenues of certain designated housing projects whether or not they are financed in whole or in part with the proceeds of such bonds; or (3) from all or part of its revenues or assets generally. Any such bonds may be additionally secured by a pledge of any grant or contributions from the federal government or other source, or a pledge of any income or revenues of the authority, or a mortgage of any housing project, projects or other property of the authority. Any pledge made by the authority shall be valid and binding from the time when the pledge is made; the revenues, monies, or property so pledged and thereafter received by the authority shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the authority, irrespective of whether the parties have notice thereof.

Neither the commissioners of an authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of an authority (and such bonds and obligations shall so state on their face) shall not be a debt of the city, the county, the state or any political subdivision thereof and neither the city or the county, nor the state or any political subdivision thereof shall be liable thereon, nor in any event shall such bonds or obligations be payable out of any funds or properties other than those of the authority. The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Bonds of an authority are declared to be issued for an essential public and governmental purpose and to be public instrumentalities and, together with interest thereon and income therefrom, shall be exempt from taxes. Nothing in this section shall prevent an authority from issuing bonds the interest on which is included in gross income of the owners thereof for income tax purposes. [1995 c 293 § 2; 1991 c 167 § 2; 1977 ex.s. c 274 § 5; 1965 c 7 § 35.82.130. Prior: 1939 c 23 § 14; RRS § 6889-14. Formerly RCW 74.24.130.]

The bonds may be sold at public or private sale.

In case any of the commissioners or officers of the authority whose signatures appear on any bond or any coupons shall cease to be such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if they had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.

In any suit, action or proceedings involving the validity or enforceability of any bond of an authority or the security therefor, any such bond reciting in substance that it has been issued by the authority to aid in financing a housing project to provide dwelling accommodations for persons of low income shall be conclusively deemed to have been issued for a housing project of such character and said project shall be conclusively deemed to have been planned, located and constructed in accordance with the purposes and provisions of this chapter.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW. [1983 c 167 § 65; 1977 ex.s. c 274 § 6; 1970 ex.s. c 56 § 45; 1969 ex.s. c 232 § 22; 1965 c 7 § 35.82.140. Prior: 1939 c 23 § 15; RRS § 6889-15. Formerly RCW 74.24.140.]

Upon the submission of such proceedings to the attorney general, it shall be the duty of the attorney general to examine into and pass upon the validity of such bonds and the regularity of all proceedings in connection therewith. If such proceedings conform to the provisions of this chapter and are otherwise regular in form and if such bonds when delivered and paid for will constitute binding and legal obligations of the authority enforceable according to the terms thereof, the attorney general shall certify in substance upon the back of each of said bonds that it is issued in accordance with the Constitution and laws of the state of Washington. No funds shall be expended by an authority for a supplemental project except by resolution adopted on notice at a public hearing as provided by chapter 42.32 RCW, supported by formal findings of fact incorporated therein, establishing that:

(1) Low-income housing needs within the area of operation of the authority are being or will be adequately met by existing programs; and

(2) A surplus of funds will exist after meeting such low-income housing needs.

Expenditures for supplemental projects shall be limited to those funds determined to be surplus.

"Supplemental project" for the purposes of this chapter shall mean any work or undertaking to provide buildings, land, equipment, facilities, and other real or personal property for recreational, group home, halfway house or other community purposes which by resolution of the housing authority is determined to be necessary for the welfare of the community within its area of operation and to fully accomplish the purposes of this chapter. Such project need not be in conjunction with the clearing of a slum area under subsection (9)(a) of RCW 35.82.020 or with the providing of low-income housing under subsection (9)(b) of RCW 35.82.020. [1971 ex.s. c 300 § 2.]

The findings listed in RCW 35.82.030 to activate the housing authority shall be considered prior to deactivating the housing authority. For the sole purposes of winding up the affairs of a deactivated housing authority, the governing body of the city, town, or county may exercise any power granted to a housing authority under this chapter. [1987 c 275 § 1.]

Housing authorities law: Chapter 35.82 RCW.

35.83.005 Short title. This act may be referred to as the "Housing Cooperation Law." [1965 c 7 § 35.83.005. Prior: 1939 c 24 § 1; RRS § 6889-31.]

35.83.010 Finding and declaration of necessity. It has been found and declared in the housing authorities law that there exist in the state unsafe and insanitary housing conditions and a shortage of safe and sanitary dwelling accommodations for persons of low income; that these conditions necessitate excessive and disproportionate expenditures of public funds for crime prevention and punishment, public health and safety, fire and accident protection, and other public services and facilities; and that the public interest requires the remedying of these conditions. It is hereby found and declared that the assistance herein provided for the remedying of the conditions set forth in the housing authorities law constitutes a public use and purpose and an essential governmental function for which public moneys may be spent, and other aid given; that it is a proper public purpose for any state public body to aid any housing authority operating within its boundaries or jurisdiction or any housing project located therein, as the state public body derives immediate benefits and advantages from such an authority or project; and that the provisions hereinafter enacted are necessary in the public interest. [1965 c 7 § 35.83.010. Prior: 1939 c 24 § 2; RRS § 6889-32. Formerly RCW 74.28.010.]

(8) Do any and all things, necessary or convenient to aid and cooperate in the planning, undertaking, construction or operation of such housing projects;

35.83.050 Advances to housing authority. Any city, town, or county located in whole or in part within the area of operation of a housing authority shall have the power from time to time to lend or donate money to such authority or to agree to take such action. First class cities, generally: Chapter 35.22 RCW.

35.85.020 Assessment district—Resolution—Hearing—Ordinance ordering improvement. Any such improvement may be initiated by the city council, or other legislative body, by a resolution, declaring its intention to order such improvement, which resolution shall set forth the nature and territorial extent of such proposed improvement, shall specify and describe the boundaries of the proposed improvement district and notify all persons who may desire to object thereto to appear and present such objections at a meeting of the council specified in such resolution and directing the board of public works, or other proper board, officer, or authority of the city, to submit to such council at or prior to the date fixed for such hearing the estimated cost and expense of the improvement, and a statement of the proportionate amount thereof which should be borne by the property within the proposed improvement district, and a statement of the aggregate assessed valuation of the real property exclusive of improvements, within said district, according to the valuation last placed upon it for purposes of general taxation. Such resolution shall be published in at least two consecutive issues of the official newspaper of the city, the date of the first publication to be at least thirty days.
prior to the date fixed by the resolution for hearing before the council.

Upon such hearing, or upon any adjournment thereof, the council shall have power to amend, change, extend, or contract the boundaries of the proposed improvement district as specified in the resolution, and to consider and determine all matters in relation to the proposed improvement, and, upon the conclusion of the hearing, or any adjournment thereof, shall have power by ordinance to order the improvement to be made and to adopt, fix and establish the boundaries of the improvement district. The action of such council in ordering such improvement, or in abandoning it, and in fixing and establishing the boundaries of the improvement district shall be final and conclusive. Any such ordinance may be passed upon majority vote of the council or other legislative body of the city.

Such ordinance may provide for the construction of the improvement in sections, the letting of separate contracts for each such section, and, in case the same is made in sections, separate assessment rolls to defray the cost and expense of any such section of such improvement may be prepared, and the amounts thereon appearing as finally determined, may be levied and assessed against real property within the improvement district. The provisions of law, charter and ordinance of any such city, relating to supplemental assessments, reassessments and omitted property shall be applicable to any improvement authorized in this chapter.

The city council, or other legislative body of such city, shall by general ordinance, make provision for hearing any objections in writing, to any assessment roll for such improvement, filed with the city clerk or comptroller at a prior date to the hearing thereon. Any right of appeal to the superior court provided by law to be taken from any local improvement assessment levied and assessed by any such city, may be exercised, within the time and in the manner therein provided, by any person so objecting to any assessment levied and assessed for any improvement authorized in this chapter. 35.85.030 Limit of assessment—Lien—Priority. The city council may prescribe by general ordinance, the mode and manner in which the charge upon property in such local improvement district shall be assessed and determined for the purpose of paying the cost and expense of establishing and constructing such improvement: PROVIDED, That no assessment shall be levied on any such district, the aggregate of which is a greater sum than twenty-five percent of the assessed value of all the real property in such district according to the last equalized assessment thereof for general taxation: PROVIDED FURTHER, That there shall be, in all cases, an opportunity for a hearing upon objections to the assessment roll by the parties affected thereby, before the council as a board of equalization, which hearing shall be after publication of a reasonable notice thereof, such notice to be published in such manner and for such time as may be prescribed by ordinance. At such hearing, or at legal adjournments thereof, such changes may be made in the assessment roll as the city council may find necessary to make the same just and equitable. Railroad rights-of-way shall be assessed for such benefits as shall inure or accrue to the owners, lessees, or operators of the same, resulting or to result from the construction and maintenance of any such improvement, whether such rights-of-way lie within the limits of any street or highway or not; such assessment to lie against the franchise rights when such right-of-way is within the proposed improvement district.

When the assessment roll has been finally confirmed by the city council, the charges therein made shall be and become a lien against the property or franchise therein described, paramount to all other liens (except liens for assessments and taxes) upon the property assessed from the time the assessment roll shall be placed in the hands of the collector. The rate of lease or use of such street railway tracks for streets or interurban cars shall be as fixed by the legislative authority of the city, but shall not be less than one mill for each passenger carried, or ten cents for each freight car moved over such improvement. The income from such charges, rental and leasing shall be used wholly for the maintenance, repair and betterment of said improvement and the extinguishment of any debt incurred by the city in constructing it. Whenever it is desired to pay the whole or any portion of the cost and expense of any such improvement by special
assessments, the council or other legislative body of such city shall, in the ordinance ordering such improvement, fix and establish the boundaries of the improvement district, the property in which is to bear such assessment, which district shall include as near as may be all the property specially benefited by such improvement. 35.86.050 Procedure to establish—Plan, surveys, hearings. In the establishment of off-street parking space and/or facilities, cities shall proceed with the development of the plan therefor by making such economic and physical surveys as are necessary, shall prepare comprehensive plans therefor, and shall hold a public hearing thereon prior to the adoption of any ordinances relating to the leasing or acquisition of property and providing for the financing thereof for this purpose. [1965 c 7 § 35.86.050. Prior: 1959 c 302 § 5.]

35.86.060 Maximum parking fee schedule. The lease referred to in RCW 35.86.040 shall specify a schedule of maximum parking fees which the operator may charge. This maximum parking fee schedule may be modified from time to time by agreement of the city and the operator. [1965 c 7 § 35.86.060. Prior: 1959 c 302 § 6.]

35.86.080 Leasing for store space in lieu of undesirable off-street parking facility. Cities are expressly authorized to lease space which would otherwise be wasted in an off-street parking facility for store space, both for the enhancement of civic beauty and aesthetic values and for revenue which such leasing can provide. [1965 c 7 § 35.86.080. Prior: 1961 c 186 § 4.]

35.86.910 Chapter prevails over inconsistent laws. Insofar as the provisions of this chapter are inconsistent with the provisions of any other law, the provisions of this chapter shall be controlling. [1965 c 7 § 35.86.910. Prior: 1959 c 302 § 9.]

35.86A.010 Declaration. It is hereby determined and declared:

(1) The free circulation of traffic of all kinds through our cities is necessary to the health, safety and general welfare of the public, whether residing in, traveling to or through the cities of this state;

(2) The most efficient use of the street and highway system requires availability of strategically located parking for vehicles in localities where large numbers of persons congregate;

(3) An expanding suburban population has increased demands for further concentration of uses in central metropolitan areas, necessitating an increasing investment in streets and highways;

(4) On-street parking is now inadequate, and becomes increasingly an inefficient and uneconomical method for temporary storage of vehicles in commercial, industrial and high-density residential areas, causing such immediate adverse consequences as the following, among others:

(a) Serious traffic congestion from on-street parking, which interferes with use of streets for travel, disrupts public surface transportation at peak hours, impedes rapid and effective fighting of fires and disposition of police forces, slows emergency vehicles, and inflicts hardship upon handicapped persons and others dependent upon private vehicles for transportation;

(b) On-street parking absorbs right-of-way useful and usable for travel;

(c) On-street parking reduces the space available for truck and passenger loading for the abutting properties, hinders ready access, and impedes cleaning of streets;

(d) Inability to temporarily store automobiles has discouraged the public from travel to and within our cities, from congregating at public events, and from using public facilities.

(5) Insufficient off-street parking has had long-range results, as the following, among others:

(a) Metropolitan street and highway systems have lost efficiency and the free circulation of traffic and persons has been impaired;

(Title 35 RCW—page 271)
(b) The growth and development of metropolitan areas has been retarded;
(c) Business, industry, and housing has become unnecessarily and uneconomically dispersed;
(d) Limited and valuable land area is under used.

All of which cause loss of payrolls, business and productivity, and property values, with resulting impairment of the public health, safety and welfare, the utility of our streets and highways, and tax revenues;
(6) Establishment of public off-street parking facilities will promote the public health, safety, convenience, and welfare, by:

(a) Expediting the movement of the public, and of goods in metropolitan areas, alleviating traffic congestion, and preserving the large investment in streets and highways;
(b) Permitting a greater use of public facilities, congregation of the public, and more intensive development of private property within the community;
(7) Establishment of public off-street parking is a necessary ancillary to and extension of an efficient street and highway system in metropolitan areas, as much so as a station or terminal is to a railroad or urban transit line;
(8) Public off-street parking facilities, open to the public and owned by a city or town, are and remain a public use and a public function, irrespective of whether:
(a) Parking fees are charged to users;
(b) The management or operation of one or more parking facilities is conducted by a public agency, or under contract or lease by private enterprise; or
(c) A portion of the facilities is used for commercial, store or automobile accessory purposes;
(9) Public parking facilities under the control of a parking commission are appropriately treated differently from other parking facilities of a city. [1969 ex.s. c 204 § 1.]

Severability—1969 ex.s. c 204: "If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1969 ex.s. c 204 § 15.] This applies to chapter 35.86A RCW and RCW 35.86.020 and 35.86.040.

35.86A.020 Authority of cities of first and second class to establish parking facilities through parking commissions. Cities of the first and second class are authorized and empowered to establish and maintain public off-street parking facilities through a parking commission; the use of property and property rights for such purpose is declared to be a public use; and parking facilities under the control of such parking commission shall be governed by the provisions of this chapter. [1994 c 81 § 64; 1969 ex.s. c 204 § 2.]

35.86A.030 Definitions. (1) "Parking facilities" means lots, garages, parking terminals, buildings and structures and accommodations for parking of motor vehicles off the street or highway, open to public use, with or without charge.
(2) "Parking commission" shall mean the department or agency created by the legislative authority of the municipality as hereinafter provided.
(3) "City council" shall mean the city council or legislative authority of the municipality.

35.86A.040 Ownership, control and use of parking facilities. Parking facilities established pursuant to this chapter shall be owned by the city, under the control of the parking commission (unless relinquished), and for the use of the public. The provisions of chapter 35.86 RCW as now or hereafter amended shall not apply to such parking facilities or other facilities under parking commission control. [1969 ex.s. c 204 § 4.]

35.86A.050 Parking commission—Creation authorized—Purpose—Membership—Terms—Vacancies—Expenses. Any city of the first or second class may by ordinance create a parking commission for the purpose of establishing and operating off-street parking facilities.

Such parking commission shall consist of five members appointed by the mayor and confirmed by the city council, who shall serve without compensation but may be reimbursed for necessary expenses. One member of the parking commission shall be selected from among persons actively engaged in the private parking industry, if available.

Three of those first appointed shall be designated to serve for one, two, and three years respectively, and two shall be designated to serve four years. The terms for all subsequently appointed members shall be four years. In event of any vacancy, the mayor, subject to confirmation of the city council, shall make appointments to fill the unexpired portion of the term.

A member may be reappointed, and shall hold office until his or her successor has been appointed and has qualified. Members may be removed by the mayor upon consent of the city council. [1994 c 81 § 65; 1969 ex.s. c 204 § 5.]

35.86A.060 Parking commission—Chairman—Rules—Resolutions. The parking commission shall select from its members a chairman, and may establish its own rules, regulations and procedures not inconsistent with this chapter. No resolution shall be adopted by the parking commission except upon the concurrence of at least three members. [1969 ex.s. c 204 § 6.]

35.86A.070 Powers and authority of parking commission. The parking commission is authorized and empowered, in the name of the municipality by resolution to:
(1) Own and acquire property and property rights by purchase, gift, devise, or lease for the construction, maintenance, or operation of off-street parking facilities, or for effectuating the purpose of this chapter; and accept grants-in-aid, including compliance with conditions attached thereto;
(2) Construct, maintain, and operate off-street parking facilities located on land dedicated for park or civic center purposes, or on other municipally-owned land where the primary purpose of such off-street parking facility is to provide parking for persons who use such park or civic center facilities, and undertake research, and prepare plans incidental thereto subject to applicable statutes and charter provisions for municipal purchases, expenditures, and improvements; and in addition may own other off-street
parking facilities and operate them in accordance with RCW 35.86A.120. PROVIDED, That the provisions of chapter 35.86 RCW as now or hereafter amended shall not apply to such construction, operation or maintenance;

(3) Establish and collect parking fees, require that receipts be provided for parking fees, make exemption for handicapped persons, lease space for commercial, store, advertising or automobile accessory purposes, and regulate prices and service charges, for use of and within and the aerial space over parking facilities under its control;

(4) Subject to applicable city civil service provisions, provide for the appointment, removal and control of officers and employees, and prescribe their duties and compensation, and to control all equipment and property under the commission's jurisdiction;

(5) Contract with private persons and organizations for the management and/or operation of parking facilities under its control, and services related thereto, including leasing of such facilities or portions thereof;

(6) Cause construction of parking facilities as a condition of an operating agreement or lease, derived through competitive bidding, or in the manner authorized by chapter 35.42 RCW;

(7) Execute and accept instruments, including deeds, necessary or convenient for the carrying on of its business; acquire rights to develop parking facilities over or under city property; and to contract to operate and manage parking facilities under the jurisdiction of other city departments or divisions and of other public bodies;

(8) Determine the need for and recommend to the city council:

(a) The establishment of local improvement districts to pay the cost of parking facilities or any part thereof;

(b) The issuance of bonds or other financing by the city for construction of parking facilities;

(c) The acquisition of property and property rights by condemnation from the public, or in street areas;

(9) Transfer its control of property to the city and liquidate its affairs, so long as such transfer does not contravene any covenant or agreement made with the holders of bonds or other creditors; and

(10) Require payment of the excise tax hereinafter provided.

Parking fees for parking facilities under the control of the parking commission shall be maintained commensurate with and neither higher nor lower than prevailing rates for parking charged by commercial operators in the general area. [1980 c 127 § 1; 1975 1st ex.s. c 221 § 3; 1969 ex.s. c 204 § 7.]

Severability—1975 1st ex.s. c 221: See note following RCW 35.86.010.

35.86A.080 New off-street parking facilities—Powers of parking commission and city council. (1) Whenever the parking commission intends to construct new off-street parking facilities it shall:

(a) Prepare plans for such proposed development, which shall meet the approval of the planning commission, other appropriate city planning agency, or city council;

(b) Prepare a report to the city council stating the proposed method of financing and property acquisition;

(c) Specify the property rights, if any, to be secured from the public or of property devoted to public use; the uses of streets necessary therefor, or realignment or vacation of streets and alleys; the relocation of street utilities; and any street area to be occupied or closed during construction.

(2) In the event the proposed parking facility shall require:

(a) Creation of a local improvement district;

(b) Issuance of bonds, allocation or appropriation of municipal revenues from other sources, or guarantees of or use of the credit of the municipality;

(c) Exercise of the power of eminent domain; or

(d) Use of, or vacation, realignment of streets and alleys, or relocation of municipal utilities.

One or more public hearings shall be held thereon before the city council, or an assigned committee thereof, which shall report its recommendations to be approved, revised, or rejected by the city council. Such hearings may be consolidated with any required hearings for street vacations, or creation of a local improvement district. Pursuant to such hearing, the city council may:

(1) Create a local improvement district to finance all or part of the parking facility, in accordance with Title 35 RCW, as now existing or hereinafter amended: PROVIDED, HOWEVER, That assessments against property within the district may be measured per lot, per square foot, by property valuation, or any other method as fairly reflects the special benefits derived therefrom, and credit in calculating the assessment may be allowed for property rights or services performed;

(2) Provide for issuance of revenue bonds payable from revenues of the proposed parking facility, from other off-street parking facilities, on-street meter collections, or allocations of other sources of funds; issue general obligation bonds; make reimbursable or nonrefundable appropriations from the general fund, or reserves; and/or guarantee bonds issued or otherwise pledge the city's credit, all in such combination, and under such terms and conditions as the city council shall specify;

(3) Authorize acquisition of the necessary property and property rights by eminent domain proceedings, in the manner authorized by law for cities in Title 8 RCW: PROVIDED, That the city council shall first determine that the proposed parking facility will promote the circulation of traffic or the more convenient or efficient use by the public of streets or public facilities in the immediate area than would exist if the proposed parking facility were not provided, or that the parking facility otherwise enhances the public health, safety and welfare; and

(4) Authorize and execute the necessary transfer or control of property rights; vacate or realign streets and alleys or permit uses within the same; and direct relocation of street utilities.

In event none of the four above powers need be exercised, the city council's approval of construction plans shall be deemed full authority to construct and complete the parking facility. [1969 ex.s. c 204 § 8.]

35.86A.090 Powers of cities. The city may:
(1) Transfer control of off-street parking facilities under other departments to the parking commission under such conditions as deemed appropriate;

(2) Issue revenue bonds pursuant to chapter 35.41 RCW, and RCW *35.24.305, and 35.81.100 as now or hereafter amended, and such other statutes as may authorize such bonds for parking facilities authorized herein;

(3) Issue general obligation bonds pursuant to chapters 39.44, 39.52 RCW, and RCW 35.81.115 as now or hereafter amended, and such other statutes and applicable provisions of the state Constitution that may authorize such bonds for parking facilities authorized herein;

(4) Appropriate funds for the parking commission; and

(5) Enact such ordinances as may be necessary to carry out the provisions of this chapter, notwithstanding any charter provisions to the contrary. [1969 ex.s. c 204 § 9.]

*Reviser's note: RCW 35.24.305 was reclassified as RCW 35.23.454 pursuant to 1994 c 81 § 90.

35.86A.100 Disposition of revenues—Expenditure procedure. All revenues received shall be paid to the municipal treasurer for the credit of the general fund, or such other funds as may be provided by ordinance.

Expenditures of the parking commission shall be made in accordance with the budget adopted by the municipality pursuant to chapter 35.32A RCW. [1969 ex.s. c 204 § 10.]

35.86A.110 Excise tax to reimburse taxing authorities for loss of property tax revenue. Such cities shall pay to the county treasurer an annual excise tax equal to the amount which would be paid upon real property devoted to the purpose of off-street parking, were it in private ownership. This section shall apply to parking facilities acquired and/or operated under this chapter. The proceeds of such excise tax shall be allocated by the county treasurer to the various taxing authorities in which such property is situated, in the same manner as though the property were in private ownership. [1969 ex.s. c 204 § 11.]

35.86A.120 Operation of parking facilities—Bid requirements and procedure. Except for off-street parking facilities situated on real property leased or rented to a city and not used for park and civic center parking, cities may operate off-street parking facilities with city forces. Leased or rented off-street parking facilities shall be operated by responsible, experienced private operators of such facilities. The call for bids shall specify the terms and conditions under which the facility will be leased for private operation. The call for bids shall specify the time and place at which the bids will be received and the time and when the same will be opened, and such call shall be advertised once a week for two successive weeks before the time fixed for the filing of bids in a newspaper of general circulation in the city. If no bid is received for the operation of such an off-street parking facility, or if the bids received are not satisfactory, the legislative body of the city may reject such bids and shall readvertise the facility for lease. In the event that no bids or no satisfactory bids shall have been received following the second advertising, the city may negotiate with a private operator for the operation of the facility without competitive bidding. In the event the city shall be unable to negotiate for satisfactory private operation within a reasonable time, the city may operate the facility for a period not to exceed three years, at which time it shall readvertise as provided above in this section. [1980 c 127 § 2; 1975 1st ex.s. c 221 § 4; 1969 ex.s. c 204 § 12.]

(4) "Residential operator" means the owner or operator of a multifamily residential or mixed-use project if title is held in single or undivided ownership, or, if title is held in a form of common interest ownership, the association of unit owners, condominium association, homeowners' association, property owners' association, or residential cooperative corporation. [1993 c 429 § 2; 1971 ex.s. c 45 § 2.]

**35.87A.030 Initiation petition or resolution—Contents.** For the purpose of establishing a parking and business improvement area, an initiation petition may be presented to the legislative authority having jurisdiction of the area in which the proposed parking and business improvement area is to be located or the legislative authority may by resolution initiate a parking and business improvement area. The initiation petition or resolution shall contain the following:

(1) A description of the boundaries of the proposed area;

(2) The proposed uses and projects to which the proposed special assessment revenues shall be put and the total estimated cost thereof;
35.87A.030 Title 35 RCW: Cities and Towns

(3) The estimated rate of levy of special assessment with a proposed breakdown by class of business and multifamily residential or mixed-use project if such classification is to be used.

The initiating petition shall also contain the signatures of the persons who operate businesses and residential operators in the proposed area which would pay fifty percent of the proposed special assessments. [1993 c 429 § 3; 1971 ex.s. c 45 § 3.]

35.87A.040 Resolution of intention to establish—Contents—Hearing. The legislative authority, after receiving a valid initiation petition or after passage of an initiation resolution, shall adopt a resolution of intention to establish an area. The resolution shall state the time and place of a hearing to be held by the legislative authority to consider establishment of an area and shall restate all the information contained in the initiation petition or initiation resolution regarding boundaries, projects and uses, and estimated rates of assessment. [1971 ex.s. c 45 § 4.]

35.87A.050 Notice of hearing. Notice of a hearing held under the provisions of this chapter shall be given by:

(1) One publication of the resolution of intention in a newspaper of general circulation in the city; and

(2) Mailing a complete copy of the resolution of intention to each business and multifamily residential or mixed-use project in the proposed, or established, area. Publication and mailing shall be completed at least ten days prior to the time of the hearing. [1993 c 429 § 4; 1971 ex.s. c 45 § 5.]

35.87A.060 Hearings. Whenever a hearing is held under this chapter, the legislative authority shall hear all protests and receive evidence for or against the proposed action. The legislative authority may continue the hearing from time to time. Proceedings shall terminate if protest is made by businesses and residential operators in the proposed area which would pay a majority of the proposed special assessments. [1993 c 429 § 5; 1971 ex.s. c 45 § 6.]

35.87A.070 Change of boundaries. If the legislative authority decides to change the boundaries of the proposed area, the hearing shall be continued to a time at least fifteen days after such decision and notice shall be given as prescribed in RCW 35.87A.050, showing the boundary amendments, but no resolution of intention is required. [1971 ex.s. c 45 § 7.]

35.87A.080 Special assessments—Legislative authority may make reasonable classifications—Assessments for separate purposes. For purposes of the special assessments to be imposed pursuant to this chapter, the legislative authority may make a reasonable classification of businesses and multifamily residential or mixed-use projects, giving consideration to various factors such as business and occupation taxes imposed, square footage of the business, number of employees, gross sales, or any other reasonable factor relating to the benefit received, including the degree of benefit received from parking. Whenever it is proposed that a parking and business improvement area provide more than one of the purposes listed in RCW 35.87A.010, special assessments may be imposed in a manner that measures benefit from each of the separate purposes, or any combination of the separate purposes. Special assessments shall be imposed and collected annually, or on another basis specified in the ordinance establishing the parking and business improvement area. [1993 c 429 § 6; 1985 c 128 § 2; 1981 c 279 § 2; 1971 ex.s. c 45 § 8.]

35.87A.090 Special assessments—Same basis or rate for classes not required—Factors as to parking facilities. The special assessments need not be imposed on different classes of business and multifamily residential or mixed-use projects, as determined pursuant to RCW 35.87A.080, on the same basis or the same rate. The special assessments imposed for the purpose of the acquisition, construction or maintenance of parking facilities for the benefit of the area shall be imposed on the basis of benefit determined by the legislative authority after giving consideration to the total cost to be recovered from the businesses and multifamily residential or mixed-use projects upon which the special assessment is to be imposed, the total area within the boundaries of the parking and business improvement area, the assessed value of the land and improvements within the area, the total business volume generated within the area and within each business, and such other factors as the legislative authority may find and determine to be a reasonable measure of such benefit. [1993 c 429 § 7; 1971 ex.s. c 45 § 9.]

35.87A.100 Ordinance to establish—Adoption—Contents. If the legislative authority, following the hearing, decides to establish the proposed area, it shall adopt an ordinance to that effect. This ordinance shall contain the following information:

Should private property be necessary for any such purposes or for storing water above high water mark, the city or town may condemn and purchase, or purchase and acquire such private property. For the purposes of waterworks which include facilities for the generation of electricity as a byproduct, nothing in this section may be construed to authorize a city or town that does not own or operate an electric utility system to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner. (1) The quality of the natural environment shall be protected and, where possible, enhanced as follows: Perennial rivers and streams of the state shall be retained with base flows necessary to provide for preservation of wildlife, fish, scenic, aesthetic and other environmental values, and navigational values. Lakes and ponds shall be retained substantially in their natural condition. Withdrawals of water which would conflict therewith shall be authorized only in those situations where it is clear that overriding considerations of the public interest will be served.

(2) Development of water supply systems, whether publicly or privately owned, which provide water to the public generally, shall be discouraged where water supplies are available from water systems serving the public.” [1985 c 444 § 1.]

Construction—Economic feasibility study—1985 c 444: “(1) Nothing in this act exempts any city or town, water district, or sewer district from compliance with applicable state and federal statutes and regulations including but not limited to: State environmental policy act, chapter 43.21C RCW, national environmental policy act, 42 U.S.C. Sec. 4321 et seq.; federal power act, 16 U.S.C. Sec. 791 et seq.; public utility regulatory policies act, 15 U.S.C. (2) In addition, if the work proposed under this act involves a new water supply project combined with an electric generation facility with an installed capacity in excess of five megawatts which may produce electricity for sale in excess of present and future needs of the water system, then each of those with a greater than two to one vote on such proposition project shall jointly prepare an independent economic feasibility study evaluating the cost-effectiveness of the combined facility in the context of forecast regional water needs, alternate sources of water supply, and the potential impact of the combined facility on rates charged for water and electricity.

In addition to the economic feasibility study, the results of the environmental impact statement required by chapter 43.21C RCW and any review by the department of ecology made pursuant to chapter 90.54 RCW shall be made available to the public at least sixty days prior to any public vote on the new combined project.

(3) This act supplements the authority of cities and towns, water districts, and sewer districts and does not restrict or impose limits on any authority such municipal corporations may otherwise have under any laws of this state nor may the authority of such municipal corporations under other laws of this state be construed more narrowly on account of this act.” [1985 c 444 § 7.]

Separability—1985 c 444: “If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.” [1985 c 444 § 8.]

Validating—1917 c 12: “Whenever any city or town has heretofore issued or authorized to be issued by such vote of its electors as is required by law at any election duly and legally held any bond or bonds or other obligations, contracts, special funds, and bonds or warrants, payable only out of such fund or funds, and the issuance of such bond or bonds or other obligations or the authorization to issue such bond or bonds or other obligations is hereby declared to be legal and valid, and such city or town is hereby authorized and empowered to proceed to issue and execute such bonds and to continue and conclude proceedings for the purchase or acquisition of such utility, and is hereby given full power to maintain and operate the same within all and every part of such contiguous territory whether incorporated or unincorporated.” [1917 c 12 § 2.]

Eminent domain by cities: Chapter 8.12 RCW.

Evaluation of application to appropriate water for electric generation facility: RCW 90.54.170.
35.92.012 May accept and operate water district’s property when boundaries are identical. A town, whose boundaries are identical with those of a water district which is free from all debts and liabilities except contractual obligations between the district and the town, may accept the property and assets of the water district and operate such property and assets as a municipal waterworks, if the district and the town each participate in a summary dissolution proceedings for the district as provided in RCW 57.04.110. [1965 c 7 § 35.92.015. Prior: 1951 c 39 § 2. Formerly RCW 80.40.015.]

35.92.017 Authority to assist customers in the acquisition of water conservation equipment—Limitations. Any city or town engaged in the sale or distribution of water is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of structures in financing the acquisition and installation of fixtures, systems, and equipment, for compensation or otherwise, for the conservation or more efficient use of water in the structures under a water conservation plan adopted by the city or town if the cost per unit of water saved or conserved by the use of the fixtures, systems, and equipment is less than the cost per unit of water supplied by the next least costly new water source available to the city or town to meet future demand. Except where otherwise authorized, assistance shall be limited to:

(1) Providing an inspection of the structure, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation fixtures, systems, and equipment for which financial assistance will be approved and the estimated life cycle savings to the water system and the consumer that are likely to result from the installation of the fixtures, systems, or equipment;

(2) Providing a list of businesses that sell and install the fixtures, systems, and equipment within or in close proximity to the service area of the city or town, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize the fixtures, systems, and equipment in accordance with the prevailing national standards;

(3) Arranging to have approved conservation fixtures, systems, and equipment installed by a private contractor whose bid is acceptable to the owner of the structure and verifying the installation; and

Pay back shall be in the form of incremental additions to the utility bill, billed either together with use charge or separately. Loans shall not exceed one hundred twenty months in length. [1989 c 421 § 3.]

Intent—Water conservation encouraged—1989 c 421: “The conservation and efficient use of water is found and declared to be a public purpose of highest priority. The legislature further finds and declares that all municipal corporations, public utility districts, water districts, and other political subdivisions of the state that are engaged in the sale or distribution of water should be granted the authority to develop and carry our programs that will conserve resources, reduce waste, and encourage more efficient use of water by consumers.

In order to establish the most effective state-wide program for water conservation, the legislature hereby encourages any company, corporation, or association engaged in selling or furnishing utility services to assist their customers in the acquisition and installation of fixtures, systems, and equipment, for compensation or otherwise, for the conservation or more efficient use of water.” [1989 c 421 § 1.]

Contingent effective date—1989 c 421: “This act shall take effect on the same date as the proposed amendment to Article VIII of the state Constitution, authorizing the use of public moneys or credit to promote conservation or more efficient use of water, is validly submitted and is approved and ratified by the voters at a general election held in November 1989. If the proposed amendment is not so approved and ratified, this act shall be void in its entirety.” [1989 c 421 § 6. Senate Joint Resolution No. 8210 was approved and ratified by the voters at the November 7, 1989, general election.

35.92.020 Authority to acquire and operate sewerage and solid waste handling systems, plants, sites, or facilities—Classification of services and facilities for rates—Assistance for low-income persons. A city or town may construct, condemn and purchase, purchase, acquire, add to, alter, maintain, and operate systems, plants, sites, or other facilities of sewerage as defined in RCW 35.67.010, or solid waste handling as defined by RCW 70.95.030, and shall have full authority to manage, regulate, operate, control, and to fix the price of service and facilities of those systems, plants, sites, or other facilities within and without the limits of the city or town. The rates charged shall be uniform for the same class of customers or service and facilities. In classifying customers served or service and facilities furnished by a system or systems of sewerage, the legislative authority of the city or town may in its discretion consider any or all of the following factors: (1) The difference in cost of service and facilities to customers; (2) the location of customers within and without the city or town; (3) the difference in cost of maintenance, operation, repair, and replacement of the parts of the system; (4) the different character of the service and facilities furnished to customers; (5) the quantity and quality of the sewage delivered and the time of its delivery; (6) capital contribu-
tions made to the systems, plants, sites, or other facilities, including but not limited to, assessments; (7) the nonprofit public benefit status, as defined in RCW 24.03.490, of the land user; and (8) any other factors that present a reasonable difference as a ground for distinction. Rates or charges for on-site inspection and maintenance services may not be imposed under this chapter on the development, construction, or reconstruction of property.

A city or town may provide assistance to aid low-income persons in connection with services provided under this chapter.

Under this chapter, after July 1, 1998, any requirements for pumping the septic tank of an on-site sewage system should be based, among other things, on actual measurement of accumulation of sludge and scum by a trained inspector, trained owner’s agent, or trained owner. Training must occur in a program approved by the state board of health or by a local health officer.

Before adopting on-site inspection and maintenance utility services, or incorporating residences into an on-site inspection and maintenance or sewer utility under this chapter, notification must be provided, prior to the applicable public hearing, to all residences within the proposed service area that have on-site systems permitted by the local health officer. The notice must clearly state that the residence is within the proposed service area and must provide information on estimated rates or charges that may be imposed for the service.

A city or town shall not provide on-site sewage system inspection, pumping services, or other maintenance or repair services under this section using city or town employees unless the on-site system is connected by a publicly owned collection system to the city or town’s sewerage system, and the on-site system represents the first step in the sewage disposal process. Nothing in this section shall affect the authority of state or local health officers to carry out their duties under any other applicable law. The equitable share may include interest charges applied from the date of construction of the water or sewer system until the connection, or for a period not to exceed ten years, at a rate commensurate with the rate of interest applicable to the city or town at the time of construction or major rehabilitation of the water or sewer system, or at the time of installation of the water or sewer lines to which the property owner is seeking to connect but not to exceed ten percent per year: PROVIDED, That the aggregate amount of interest shall not exceed the equitable share of the cost of the system allocated to such property owners. (2) A city using or owning common facilities under this section may issue revenue bonds or other obligations to finance the city's share of the use or ownership of the common facilities.

(3) Cities of the first class shall have the power and authority to participate and enter into agreements for the use or undivided ownership of a coal-fired thermal electric generating plant and facility placed in operation before July 1, 1975, including related common facilities, and for the planning, financing, acquisition, construction, operation, and maintenance of the plant and facility. 35.92.070 Procedure—Election. When the governing body of a city or town deems it advisable that the city or town purchase, acquire, or construct any such public utility, or make any additions and betterments thereto or extensions thereof, it shall provide therefor by ordinance, which shall specify and adopt the system or plan proposed, and declare the estimated cost thereof, as near as may be, and the ordinance shall be submitted for ratification or rejection by majority vote of the voters of the city or town at a general or special election.

(1) No submission shall be necessary:
(a) When the work proposed is an addition to, or betterment of, extension of, or an increased water supply for existing waterworks, or an addition, betterment, or extension of an existing system or plant of any other public utility;
(b) When in the charter of a city a provision has been adopted authorizing the corporate authorities thereof to provide by ordinance for acquiring, opening, or operating any of such public utilities; or
(c) When in the judgment of the corporate authority, the public health is being endangered by the discharge of raw or untreated sewage into any body of water and the danger to the public health may be abated by the construction and maintenance of a sewage disposal plant.

(2) Notwithstanding subsection (1) of this section, submission to the voters shall be necessary if:
(a) The project or work may produce electricity for sale in excess of present or future needs of the water system;
(b) The city or town does not own or operate an electric utility system;
(c) The work involves an ownership greater than twenty-five percent in a new water supply project combined with an electric generation facility; and
(d) The combined facility has an installed capacity in excess of five megawatts.

(3) Notwithstanding subsection (1) of this section, submission to the voters shall be necessary to make extensions to a public utility which would expand the previous service capacity by fifty percent or more, where such increased service capacity is financed by the issuance of general obligation bonds.

(4) Thirty days' notice of the election shall be given in the official newspaper of the city or town, by publication at least once each week in the paper during such time.

(5) When a proposition has been adopted, or in the cases where no submission is necessary, the corporate authorities of the city or town may proceed forthwith to purchase, construct, and acquire the public utility or make additions, betterments, and extensions thereto and to make payment therefor. 35.92.075 Indebtedness incurred on credit of expected utility revenues. A city or town may contract indebtedness and borrow money for a period not in excess of two years for any public utility purpose on the credit of the revenues expected from such public utility. [1982 c 24 § 1.]

35.92.080 General obligation bonds. General obligation bonds may be issued by a city or town for the purposes of providing all or part of the costs of purchasing, acquiring, or constructing a public utility or making any additions, betterments, or alterations thereto, or extensions thereof. The bonds shall be issued and sold in accordance with chapter 39.46 RCW.

There shall be levied each year a tax upon the taxable property of the city or town sufficient to pay the interest on and principal of the bonds then due, which taxes shall become due and collectible as other taxes: PROVIDED, That it may pledge to the payment of such principal and interest the revenue of the public utility being acquired, constructed, or improved out of the proceeds of sale of such bonds. The total general indebtedness incurred under this chapter, added to all other indebtedness of a city or town at any time outstanding, shall not exceed the amounts of indebtedness authorized by chapter 39.36 RCW, as now or hereafter amended, to be incurred without and with the assent of the voters: PROVIDED, That a city or town may become indebted to a larger amount, but not exceeding the amount authorized therefor by chapter 39.36 RCW, as now or hereafter amended, for supplying it with water, artificial light, and sewers when works for supplying such water, light, and sewers are owned and controlled by the city or town. [1965 c 7 § 35.92.090. Prior: 1990 c 150 § 3, part; RRS § 9490, part. Formerly RCW 80.40.090.]

Limitations upon indebtedness: State Constitution Art. 7 § 2 (Amendments 55, 59), Art. 8 § 6 (Amendment 27), RCW 84.52.050.

35.92.100 Revenue bonds or warrants. (1) When the voters of a city or town, or the corporate authorities thereof, have adopted a proposition for any public utility and either no general indebtedness has been authorized or the corporate authorities do not desire to incur a general indebtedness, and when the corporate authorities are authorized to exercise any of the powers conferred by this chapter without submitting the proposition to a vote, the corporate authorities may create a special fund for the sole purpose of defraying the cost of the public utility or addition, betterment, or extension thereto, into which special fund they may obligate and bind the city or town to set aside and pay a fixed proportion of the gross revenues of the utility, or any fixed amount out of and not exceeding a fixed proportion of such revenues, or a fixed amount without regard to any fixed proportion, and issue and sell bonds or warrants bearing interest at a rate or rates as authorized by the corporate authorities; payable semiannually, executed in such manner and payable at such times and places as the corporate authorities shall determine, but the bonds or warrants and the interest thereon shall be payable only out of the special fund and shall be a lien and charge against payments received from any utility local improvement district assessments pledged to secure such bonds. Such bonds shall be negotiable instruments within the meaning of the negotiable instruments law, Title 62A RCW, notwithstanding same are made payable out of a particular fund contrary to the provisions of RCW 62A.3-105. Such bonds and warrants may be of any form, including bearer bonds or bearer warrants, or registered bonds or registered warrants as provided in RCW 39.46.030.

When corporate authorities deem it necessary to construct any sewage disposal plant, it may be considered as a part of the waterworks department of the city or town and the cost of construction and maintenance thereof may be chargeable to the water fund of the municipality, or to any other special fund which the corporate authorities may by ordinance designate.

In creating a special fund, the corporate authorities shall have due regard to the cost of operation and maintenance of the plant or system as constructed or added to, and to any proportion or part of the revenue previously pledged as a fund for the payment of bonds, warrants, or other indebtedness, and shall not set aside into such special fund a greater amount or proportion of the revenue and proceeds than in their judgment will be available above such cost of maintenance and operation and the amount or proportion, if any, of the revenue so previously pledged. Rates shall be maintained adequate to service such bonds and to maintain the utility in sound financial condition.

The bonds or warrants and interest thereon issued against any such fund shall be a valid claim of the owner thereof only as against the special fund and its fixed proportion or amount of the revenue pledged thereto, and shall not constitute an indebtedness of the city or town within the meaning of constitutional provisions and limitations. Each bond or warrant shall state upon its face that it is payable from a special fund, naming it and the ordinance creating it. The bonds and warrants shall be sold in such manner as the corporate authorities shall deem for the best interest of the city or town, and they may provide in any contract for the construction and acquisition of the proposed improvement.
that payment therefor shall be made only in such bonds and warrants at par value thereof.

When a special fund is created and any such obligation is issued against it, a fixed proportion, or a fixed amount out of and not exceeding such fixed proportion, or a fixed amount without regard to any fixed proportion, of revenue shall be set aside and paid into such fund as provided in the ordinance creating it, and in case the city or town fails to thus set aside and pay such fixed proportion or amount, the owner of any bond or warrant against the fund may bring action against the city or town and compel such setting aside and payment PROVIDED. That whenever the corporate authorities of any city or town shall so provide by ordinance then all such bonds thereafter issued shall be on a parity, without regard to date of issuance or authorization and without preference or priority of right or lien with respect to participation of special funds in amounts from gross revenues for payment thereof.

(2) Notwithstanding subsection (1) of this section, such bonds and warrants may be issued and sold in accordance with chapter 39.46 RCW. [1965 c 7 § 35.92.110. Prior: 1935 c 81 § 1; RRS § 9492-1. Formerly RCW 80.40.110.]

At the option of the legislative authority of the city or town various series and issues of outstanding warrants or bonds, or parts thereof, issued for the purpose of acquiring or constructing any public utility, or for making any additions or betterments thereto or extensions thereof, may be funded or refunded by a single issue of funding or refunding bonds. No proportion or part of the revenue of any one such public utility shall be pledged for the payment of funding or refunding bonds issued to fund or refund warrants or bonds issued for the acquisition or construction, or the making of additions or betterments to or extensions of, any other public utility. In creating such special fund, the legislative authority shall have due regard to the cost of operation and maintenance of the utility as constructed or added to, and to any proportion or part of the revenue thereof previously pledged as a fund for the payment of bonds, warrants, or other indebtedness, and shall not bind and obligate the city or town to set aside into the fund a greater amount of the revenue of the utility than in its judgment will be available above the cost of maintenance and operation and the amount or proportion of the revenue thereof so previously pledged. They shall be sold in such manner as the corporate authorities shall deem for the best interest of the municipality. The effective rate of interest on the bonds shall not exceed the effective rate of interest on warrants or bonds to be funded or refunded thereby. Interest on the bonds shall be paid semiannually. The respective governing bodies of any such city or town and of any such public utility district desiring to cooperate in the joint ownership, maintenance and operation of electric utility properties pursuant to the authority contained in RCW 35.92.280 through 35.92.310, shall by mutual agreement provide for such joint ownership, maintenance and operation. Such agreement shall prescribe the rights and property interest which the parties thereto shall have in such electric utility properties, which property interest may be either divided or undivided; and shall further provide for the rights of the parties thereto in the ownership and disposition of the power and energy produced by such electric utility properties, and for the operation and management thereof. [1965 c 7 § 35.92.290. Prior: 1957 c 287 § 2. Formerly RCW 80.40.290.]

35.92.300  Cities over 150,000, joint undertaking with P.U.D. as to electric utility properties—Financing. Any city or town and any public utility district cooperating under the provisions of RCW 35.92.280 through 35.92.310

35.92.310 Cities over 150,000, joint undertaking with P.U.D. as to electric utility properties—Authority granted is additional power. [1965 c 7 § 35.92.310. Prior: 1957 c 287 § 4. Formerly RCW 80.40.310.]

35.92.355 Energy conservation—Legislative findings. The conservation of energy in all forms and by every possible means is found and declared to be a public purpose of highest priority. The legislature further finds and declares that all municipal corporations, quasi municipal corporations, and other political subdivisions of the state which are engaged in the generation, sale, or distribution of energy should be granted the authority to develop and carry out programs which will conserve resources, reduce waste, and encourage more efficient use of energy by consumers.

In order to establish the most effective state-wide program for energy conservation, the legislature hereby encourages any company, corporation, or association engaged in selling or furnishing utility services to assist their customers in the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy. The use of appropriate tree plantings for energy conservation is encouraged as part of these programs. [1993 c 204 § 5; 1979 ex.s. c 239 § 1.]

Findings—1993 c 204: See note following RCW 35.92.390.

Effective date—Contingency—1979 ex.s. c 239: See note following RCW 35.92.360.

35.92.360 Energy conservation plan—Financing authorized for energy conservation projects in structures or equipment—Limitations. Any city or town engaged in the generation, sale, or distribution of energy is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of structures or equipment in financing the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy in such structures or equipment pursuant to an energy conservation plan adopted by the city or town if the cost per unit of energy saved or produced by the use of such materials and equipment is less than the cost per unit of energy produced by the next least costly new energy resource which the city or town could acquire to meet future demand. Any financing authorized under this chapter shall only be used for conservation purposes in existing structures, and such financing shall not be used for any purpose which results in a conversion from one energy source to another. Except
where otherwise authorized, such assistance shall be limited to:

1. Providing an inspection of the structure or equipment, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation materials and equipment for which financial assistance will be approved and the estimated life cycle savings in energy costs that are likely to result from the installation of such materials or equipment;

2. Providing a list of businesses who sell and install such materials and equipment within or in close proximity to the service area of the city or town, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize such materials in accordance with the prevailing national standards.

3. Arranging to have approved conservation materials and equipment installed by a private contractor whose bid is acceptable to the owner of the residential structure and verifying such installation, and

4. Arranging or providing financing for the purchase and installation of approved conservation materials and equipment. Such materials and equipment shall be purchased from a private business and shall be installed by a private business or the owner.

5. Pay back shall be in the form of incremental additions to the utility bill, billed either together with use charge or separately. Loans shall not exceed one hundred twenty months in length. [1989 c 268 § 1; 1979 ex.s. c 239 § 2.]

Effective date—Contingency—1979 ex.s. c 239: "This 1979 act shall take effect on the same date as the proposed amendment to Article VIII of the state Constitution, authorizing the use of public moneys or credit to promote conservation or more efficient use of energy, is validly submitted and is approved and ratified by the voters at a general election held in November, 1979. If the proposed amendment is not so approved and ratified, this 1979 act shall be null and void in its entirety." [1979 ex.s. c 239 § 4.] The referenced constitutional amendment (1979 Substitute Senate Joint Resolution No. 120) was approved by the voters on November 6, 1979. See Article VIII, section 10 of the state Constitution.

35.92.370 Lease of real property under electrical transmission lines for private gardening purposes. A city or town owning facilities for the purpose of furnishing the city or town and its inhabitants with electricity may lease for private gardening purposes the real property under its electrical transmission and distribution lines for a nominal rent to any person who has an income of less than ten thousand dollars per year. [1981 c 100 § 1.]

35.92.380 Waiver or delay of collection of tap-in charges, connection or hookup fees for low income persons. Whenever a city or town waives or delays collection of tap-in charges, connection fees, or hookup fees for low income persons, or class of low income persons, to connect to lines or pipes used by the city or town to provide utility service, the waiver or delay shall be pursuant to a program established by ordinance. As used in this section, the provision of "utility service" includes, but is not limited to, water, sanitary or storm sewer service, electricity, gas, other means of power, and heat. [1980 c 150 § 1.]

35.92.390 Municipal utilities encouraged to provide customers with landscaping information and to request voluntary donations for urban forestry. (1) Municipal utilities under this chapter are encouraged to provide information to their customers regarding landscaping that includes tree planting for energy conservation.

(2) Municipal utilities under this chapter are encouraged to request voluntary donations from their customers for the purposes of urban forestry. The request may be in the form of a check-off on the billing statement or other form of request for a voluntary donation. [1993 c 204 § 2.]

Findings—1993 c 204: "The legislature finds that large-scale deforestation of tree cover increases the temperature of urban areas, known as the "heat island effect." Planting trees in urban areas for shading and cooling mitigates the urban heat island effect and reduces energy consumption. Tree planting also benefits the environment by combating global climate change, reducing soil erosion, and improving air quality. Urban forestry programs can improve urban aesthetics that will improve public and private property values.

The legislature also finds that urban forestry programs should consider the relationship between urban forests and public service facilities such as water, sewer, natural gas, telephone, and electric power lines. Urban forestry programs should promote the use of appropriate tree species that will not interfere with or cause damage to such public service facilities." [1993 c 204 § 1.]

35.94.020 Procedure. The legislative authority of the city, if it deems it advisable to lease or sell the works, plant, or system, or any part thereof, shall adopt a resolution stating whether it desires to lease or sell. If it desires to lease, the resolution shall state the general terms and conditions of the lease, but not the rent. If it desires to sell the general terms of sale shall be stated, but not the price. The resolution shall direct the city clerk, or other proper official, to publish the resolution not less than once a week for four weeks in the official newspaper of the city, together with a notice calling for sealed bids to be filed with the clerk or other proper official not later than a certain time, accompanied by a certified check payable to the order of the city, for such amount as the resolution shall require, or a deposit of a like sum in money. At the first meeting of the legislative authority of the city held after the expiration of the time fixed for receiving bids, or at some later meeting, the bids shall be considered. In order for the legislative authority to declare it advisable to accept any bid it shall be necessary for two-thirds of all the members elected to the legislative authority to vote in favor of a resolution making the declaration. If the resolution is adopted it shall be necessary, in order that the bid be accepted, to enact an ordinance accepting it and directing the execution of a lease or conveyance by the mayor and city clerk or other proper official. The ordinance shall not take effect until it has been submitted to the voters of the city for their approval or rejection at the next general election or at a special election called for that purpose, and a majority of the voters voting thereon have approved it. If approved it shall take effect as soon as the result of the vote is proclaimed by the mayor. If it is so submitted and fails of approval, it shall be rejected and annulled. The mayor shall proclaim the vote as soon as it is properly certified. [1985 c 469 § 40; 1965 c 7 § 35.94.020. Prior: 1917 c 137 § 2; RRS § 9513. Cf. 1907 c 86 §§ 1-3; 1897 c 106 §§ 1-4. 35.94.040 Lease or sale of land or property originally acquired for public utility purposes. Whenever a city shall determine, by resolution of its legislative authority, that any lands, property, or equipment originally acquired for public utility purposes is surplus to the city's needs and is not required for providing continued public utility service, then such legislative authority by resolution and after a public hearing may cause such lands, property, or equipment to be leased, sold, or conveyed. Such resolution shall state the fair market value or the rent or consideration to be paid and such other terms and conditions for such disposition as the legislative authority deems to be in the best public interest.

The provisions of RCW 35.94.020 and 35.94.030 shall not apply to dispositions authorized by this section. [1973 1st ex.s. c 95 § 1.]

Public transportation systems: RCW 35.38.272 through 35.38.2794.

35.95.010 Declaration of intent and purpose. We, the legislature find that an increasing number of municipally owned, or leased, and operated transportation systems in the urban areas of the state of Washington, as in the nation, are finding it impossible, from the revenues derived from tolls, tariffs and fares, to maintain the financial solvency of such systems, and as a result thereof such municipalities have been forced to subsidize such systems to the detriment of other essential public services.

All persons in a community benefit from a solvent and adequate public transportation system, either directly or indirectly, and the responsibility of financing the operation, maintenance, and capital needs of such systems is a community obligation and responsibility which should be shared by all.

We further find and declare that the maintenance and operation of an adequate public transportation system is an absolute necessity and is essential to the economic, industrial and cultural growth, development and prosperity of a municipality and of the state and nation, and to protect the health and welfare of the residents of such municipalities and the public in general.

We further find and declare that the appropriation of general funds and levying and collection of taxes by such municipalities as authorized in the succeeding sections of this chapter is necessary, and any funds so derived and ex-

35.96.030 Conversion of electric and communication facilities to underground facilities authorized—Local improvement districts—Special assessments. Every city or town shall have the power to convert existing overhead electric and communication facilities to underground facilities pursuant to RCW 35.43.190 where such facilities are owned or operated by the city or town. Where such facilities are not so owned or operated, every city or town shall have the power to contract with electric and communication utilities, as hereinafter provided, for the conversion of existing overhead electric and communication facilities to underground facilities. To provide funds to pay the whole or any part of the cost of any such conversion, either where the existing overhead electric and communication facilities are owned or operated by the city or town or where they are not so owned or operated, every city or town shall have the power to create local improvement districts and to levy and collect special assessments against the real property specially benefited by such conversion. For the purpose of ascertaining the amount to be assessed against each lot or parcel of land within any local improvement district established pursuant to this chapter, in addition to other methods provided by law for apportioning special benefits, the legislative authority of any city or town may apportion all or part of the special benefits accruing on a square footage basis or on a per lot basis. [1967 c 119 § 4.]

35.96.040 Contracts for conversion—Authorized—Provisions. Every city or town shall have the power to contract with electric and communication utilities for the conversion of existing overhead electric and communication facilities to underground facilities including all work incidental to such conversion. Such contracts may include, among other provisions, any of the following:

(1) Service from the underground facilities is available;
(2) All electric and communication service lines from the existing overhead facilities within the area to any structure or improvement must be disconnected and removed within ninety days after the date of the mailing of the notice;
(3) Should such owner fail to convert such service lines from overhead to underground within ninety days after the date of the mailing of the notice, the city or town will order the electric and communication utilities to disconnect and remove the service lines;

(4) Should the owner object to the disconnection and removal of the service lines he may file his written objections thereto with the city or town clerk within thirty days after the date of the mailing of the notice and failure to so object within such time will constitute a waiver of his right thereafter to object to such disconnection and removal.

If the owner of any structure or improvement served from the existing overhead electric and communication facilities within a conversion area shall fail to convert to underground the service lines from such overhead facilities to such structure or improvement within ninety days after the mailing to him of the notice, the city or town shall order the electric and communication utilities to disconnect and remove all such service lines: PROVIDED, That if the owner has filed his written objections to such disconnection and removal with the city or town clerk within thirty days after the mailing of the notice then the city or town shall not order such disconnection and removal until after the hearing on such objections.

Upon the timely filing by the owner of objections to the disconnection and removal of the service lines, the legislative authority of such city or town, or a committee thereof, shall conduct a hearing to determine whether the removal of all or any part of the service lines is in the public benefit. The hearing shall be held at such time as the legislative authority of such city or town may establish for hearings on the objections and shall be held in accordance with the regularly established procedure set by the legislative authority of the city or town. If the hearing is before a committee, the committee shall follow the hearing report its recommendation to the legislative authority of the city or town for final action. The determination reached by the legislative authority shall be final in the absence of an abuse of discretion. [1967 c 119 § 6.]

Unless otherwise provided in this chapter, the general provisions relating to local improvements in cities and towns including but not limited to chapters 35.43, 35.44, 35.45, 35.48, 35.49, 35.50, 35.53 and 35.54 RCW shall apply to local improvements authorized by this chapter. [1967 c 119 § 7.]

35.96.070 Validation of preexisting debts, contracts, obligations, etc., made or incurred incidental to conversion of electric and communication facilities to underground facilities. All debts, contracts and obligations heretofore made or incurred by or in favor of any city or town incident to the conversion of overhead electric and communication facilities to underground facilities and all bonds, warrants, or other obligations issued by any such city or town, or by any local improvement district created to effect such conversion and any and all assessments heretofore levied in any such local improvement district, and all other things and proceedings relating thereto are hereby declared to be legal and valid and of full force and effect from the date thereof. [1967 c 119 § 8.]

35.96.080 Authority granted deemed alternative and additional. The authority granted by this chapter shall be considered an alternative and additional method for converting existing overhead electric and communication facilities to underground facilities, and for paying all or part of the cost thereof, and shall not be construed as a restriction or limitation upon any other authority for or method of converting any such facilities or placing such facilities underground or paying all or part of the cost thereof, including, but not limited to, existing authority or methods under chapter 35.43 RCW and chapter 35.44 RCW. [1967 c 119 § 10.]

35.96.900 Severability—1967 c 119. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected. [1967 c 119 § 9.]

(1) "Biomass energy system" means a system that provides for the production or collection of organic materials such as wood and agricultural residues and municipal solid waste that are primarily organic materials and the conversion or use of that material for the production of heat or substitute fuels through several processes including, but not limited to, burning, pyrolysis, or anaerobic digestion.

(2) "Cogeneration" means the sequential generation of two or more forms of energy from a common fuel or energy source.

(3) "Cogeneration facility" means any machinery, equipment, structure, process, or property or any part thereof, installed or acquired for the primary purpose of cogeneration by a person or corporation.

(4) "Geothermal heat" means the natural thermal energy of the earth.

(5) "Waste heat" means the thermal energy which otherwise would be released to the environment from an industrial process, electric generation, or other process.

(6) "Heat" means thermal energy.

(7) "Heat source" includes but is not limited to (a) any integral part of a heat production or heat rejection system of an industrial facility, cogeneration facility, or electric power generation facility, (b) geothermal well or spring, (c) biomass energy system, (d) solar collection facility, and (e) hydrothermal resource or heat extraction process.

(8) "Municipality" means a county, city, town, irrigation district which distributes electricity, sewer district, water district, port district, or metropolitan municipal corporation.

(9) "Heating facilities or heating systems" means all real and personal property, or interests therein, necessary or useful for: (a) The acquisition, production, or extraction of heat; (b) the storage of heat; (c) the distribution of heat from its source to the place of utilization; (d) the extraction of heat at the place of utilization from the medium by which the heat is distributed; (e) the distribution of heat at the place of utilization; and (f) the conservation of heat.

35.97.020 Heating systems-Specific powers of municipalities. In addition to the general powers under RCW 35.97.030, and not by way of limitation, municipalities have the following specific powers:

(1) The usual powers of a corporation, to be exercised for public purposes;

(2) To acquire by purchase, gift, or condemnation property or interests in property within and without the municipality, necessary for the construction and operation of heating systems, including additions and extensions of heating systems. No municipality may acquire any heat source by condemnation. To the extent judged economically feasible by the municipality, public property and rights of way shall be utilized in lieu of private property acquired by condemnation. The municipality shall determine in cooperation with existing users that addition of district heating facilities to any public property or rights of way shall not be a hazard or interference with existing uses or, if so, that the cost for any relocation of facilities of existing users shall be a cost and expense of installing the heating facility;

(3) To acquire, install, add to, maintain, and operate heating facilities at a heat source or to serve particular consumers of heat, whether such facilities are located on property owned by the municipality, by the consumer of heat, or otherwise;

(4) To sell, lease, or otherwise dispose of heating facilities;

(5) To contract for the operation of heating facilities;

(6) To apply and qualify for and receive any private or federal grants, loans, or other funds available for carrying out the objects of the municipality under this chapter;

(7) Full and exclusive authority to sell and regulate and control the use, distribution, rates, service, charges, and price of all heat supplied by the municipality and to carry out any other powers and duties under this chapter free from the jurisdiction and control of the utilities and transportation commission;

(8) To utilize fuels other than the heat sources described in RCW 35.97.020 on a standby basis, to meet start up and emergency requirements, to meet peak demands, or to supplement those heat sources as necessary to provide a reliable and economically feasible supply of heat;

(9) To the extent permitted by the state Constitution, to make loans for the purpose of enabling suppliers or consumers of heat to finance heating facilities;

(10) To enter into cooperative agreements providing for the acquisition, construction, ownership, financing, use, control, and regulation of heating systems and heating services from Washington’s heat sources.

Severability—1989 c 11: See note following RCW 9A.56.220.

35.97.030 Heating systems-General powers of municipalities. A municipality may construct, purchase, acquire, to, extend, maintain, and operate a system of heating facilities, within or without its limits, for the purpose of supplying its inhabitants and other persons with heat, with full power to regulate and control the use, distribution, and price of supplying heat, and to enter into agreements for the maintenance and operation of heating facilities under terms and conditions determined by the legislative authority of the municipality. The provision of heat and heating facilities and the establishment and operation of heating systems by a municipality under this chapter are hereby declared to be a public use and a public and strictly municipal purpose. However, nothing in this chapter shall be construed to restrain or limit the authority of any individual, partnership, corporation, or private utility from establishing and operating heating systems. [1983 c 216 § 3.]
facilities by more than one municipality or by one or more municipalities on behalf of other municipalities. [1983 c 216 § 4.]

35.97.050 Heating systems—Authorized by legislative authority of municipality—Competitive bidding. If the legislative authority of a municipality deems it advisable that the municipality purchase, acquire, or construct a heating system, or make any additions or extensions to a heating system, the legislative authority shall so provide by an ordinance or a resolution specifying and adopting the system or plan proposed, declaring the estimated cost thereof, as near as may be, and specifying the method of financing and source of funds. Any construction, alteration, or improvement of a heating system by any county, city, town, irrigation district, water-sewer district, or port district shall be in compliance with the appropriate competitive bidding requirements in Titles 35, 36, 53, 57, or 87 RCW. [1996 c 230 § 1603; 1983 c 216 § 5.]

Part headings not law—Effective date—1996 c 230: See notes following RCW 57.02.001.

35.97.060 Municipality may impose rates and charges—Classification of customers. A municipality may impose rates, charges, or rentals for heat, service, and facilities provided to customers of the system if the rates charged are uniform for the same class of customers or service. In classifying customers served or service furnished, the legislative authority may consider: The difference in cost of service to the various customers; location of the various customers within or without the municipality; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the service furnished various customers; the quantity and quality of the heat furnished; the time heat is used; the demand on the system; capital contributions made to the system including, but not limited to, assessments or the amount of capital facilities provided for use by the customer; and any other matters which present a reasonable difference as a ground for distinction. [1983 c 216 § 6.]

35.97.070 Municipality may shut off heat for nonpayment—Late payment charges authorized. If prompt payment of a heating rate, charge, or rental is not made, a municipality after reasonable notice may shut off the heating supply to the building, place, or premises to which the municipality supplied the heating. A municipality may also make an additional charge for late payment. [1983 c 216 § 7.]

35.97.080 Connection charges authorized. A municipality may charge property owners seeking to connect to the heating system, as a condition to granting the right to connect and in addition to the cost of the connection, such reasonable connection charge as the legislative authority determines to be proper in order that the property owners bear their pro rata share of the cost of the system. Potential customers shall not be compelled to subscribe or connect to the heating system. The cost of connection to the system shall include the cost of acquisition and installation of heating facilities necessary or useful for the connection, including any heating facilities located or installed on the property being served. Connection charges may, in the discretion of the municipality, be made payable in installments over a period of not more than thirty years or the estimated life of the facilities installed, whichever is less. Installments, if any, shall bear interest and penalties at such rates and be payable at such times and in such manner as the legislative authority of the municipality may provide. [1983 c 216 § 8.]

35.97.090 Local improvement district—Assessments—Bonds and warrants. For the purpose of paying all or a portion of the cost of heating facilities, a municipality may form local improvement districts or utility local improvement districts, foreclose on, levy, and collect assessments, reassessments, and supplemental assessments; and issue local improvement district bonds and warrants in the manner provided by law for cities or towns. [1983 c 216 § 9.]

35.97.100 Special funds authorized. For the purpose of providing funds for defraying all or a portion of the costs of planning, purchase, leasing, condemnation, or other acquisition, construction, reconstruction, development, improvement, extension, repair, maintenance, or operation of a heating system, and the implementation of the powers in RCW 35.97.030 and 35.97.040, a municipality may authorize, by ordinance or resolution, the creation of a special fund or funds into which the municipality shall be obligated to set aside and pay all or any designated proportion or amount of any or all revenues derived from the heating system, including any utility local improvement district assessments, any grants received to pay the cost of the heating system, and any municipal license fees specified in the ordinance or resolution creating such special fund. [1983 c 216 § 10.]

35.97.110 Revenue bonds—Form, terms, etc. If the legislative authority of a municipality deems it advisable to finance all or a portion of the costs of planning, purchase, leasing, condemnation, or other acquisition, construction, reconstruction, development, improvement, extension, repair, maintenance, or operation of a heating system, or for the implementation of the powers in RCW 35.97.030 and 35.97.040, or for working capital, interest during construction and for a period of up to one year thereafter, debt service and other reserves, and the costs of issuing revenue obligations, a municipality may issue revenue bonds against the special fund or fund created from revenues or assessments. The revenue bonds so issued may be issued in one or more series and shall be dated, shall bear interest at such rate or rates, and shall mature at such time or times as may be determined by the legislative authority of the municipality, and may be made redeemable before maturity at such price or prices and under such terms and conditions as may be fixed by the legislative authority of the municipality prior to the issuance of the bonds. The legislative authority of the municipality shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest. If an officer whose signature or a facsimile of
whose signature appears on any bonds or coupons ceases to be such officer before the delivery of the bonds, the signature shall for all purposes have the same effect as if the officer had remained in office until the delivery. The bonds may be issued in coupon or in registered form or both, and provisions may be made for the registration of any coupon bonds as to the principal alone and also as to both principal and interest. Bonds may be sold at public or private sale for such price and bearing interest at such fixed or variable rate as may be determined by the legislative authority of the municipality.

The principal and interest on any revenue bonds shall be secured by a pledge of the revenues and receipts derived from the heating system, including any amounts pledged to be paid into a special fund under RCW 35.97.100, and may be secured by a mortgage covering all or any part of the system, including any enlargements of and additions to such system thereafter made. The revenue bonds shall state upon their face that they are payable from a special fund, naming it and the ordinance creating it, and that they do not constitute a general indebtedness of the municipality. The ordinance or resolution under which the bonds are authorized to be issued and any such mortgage may contain agreements and provisions respecting the maintenance of the system, the fixing and collection of rates and charges, the creation and maintenance of special funds from such revenues, the rights and remedies available in the event of default, and other matters improving the marketability of the revenue bonds, all as the legislative authority of the municipality deems advisable. Any revenue bonds issued under this chapter may be secured by a trust agreement by and between the municipality and a corporate trustee, which may be any trust company or bank having the powers of a trust company within the state. Any such trust agreement or ordinance or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law. Any such trust agreement may set forth the rights and remedies of the bond owners and of the trustee and may restrict the individual right of action by bond owners as is customary in trust agreements or trust indentures. [1983 c 216 § 11.]

35.97.120 Revenue warrants. Revenue warrants may be issued and such warrants and interest thereon may be payable out of the special fund or refunded through the proceeds of the sale of refunding revenue warrants or revenue bonds. Every revenue warrant and the interest thereon issued against the special fund is a valid claim of the owner thereof only as against that fund and the amount of revenue pledged to the fund, and does not constitute an indebtedness of the authorized municipality. Every revenue warrant shall state on its face that it is payable from a special fund, naming it and the ordinance or resolution creating it. [1983 c 216 § 12.]

35.97.130 Revenue bonds and warrants—Holder may enforce. If a municipality fails to set aside and pay into the special fund created for the payment of revenue bonds and warrants the amount which it has obligated itself in the ordinance or resolution creating the fund to set aside and pay therein, the holder of any bond or warrant issued against the bond may bring suit against the municipality to compel it to do so. [1983 c 216 § 13.]

35.97.900 Severability—1983 c 216. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1983 c 216 § 15.]

addition and supplementary to the powers conferred in general terms by this title. All grants of municipal power to municipalities electing to be governed under the provisions of this title, whether the grant is in specific terms or in general terms, shall be liberally construed in favor of the municipality. [1967 ex.s. c 119 § 35A.01.010.]

35A.01.020 Noncharter code city. A noncharter code city is one, regardless of population, which has initially incorporated as a noncharter code city, subject to the provisions of this title, or is an incorporated municipality which has elected, under the procedure prescribed in this title, to be classified as a noncharter code city and to be governed according to the provisions of this title under one of the optional forms of government provided for noncharter code cities. [1967 ex.s. c 119 § 35A.01.020.]

35A.01.030 Charter code city. A charter code city is one having at least ten thousand inhabitants at the time of its organization or reorganization which has either initially incorporated as a charter code city and has adopted a charter under the procedure prescribed in this title; or which, as an incorporated municipality, has elected to be classified as a charter code city and to be governed according to the provisions of this title and of its adopted charter. [1967 ex.s. c 119 § 35A.01.030.]

35A.01.035 Code city. The term "code city" means any noncharter code city or charter code city. [1967 ex.s. c 119 § 35A.01.035.]

35A.01.040 Sufficiency of petitions. Wherever in this title petitions are required to be signed and filed, the following rules shall govern the sufficiency thereof:

(1) A petition may include any page or group of pages containing an identical text or prayer intended by the circulators, signers or sponsors to be presented and considered as one petition and containing the following essential elements when applicable, except that the elements referred to in (d) and (e) of this subsection are essential for petitions referring or initiating legislative matters to the voters, but are directory as to other petitions:

(a) The text or prayer of the petition which shall be a concise statement of the action or relief sought by petitioners and shall include a reference to the applicable state statute or city ordinance, if any;

(b) If the petition initiates or refers an ordinance, a true copy thereof;

(c) If the petition seeks the annexation, incorporation, withdrawal, or reduction of an area for any purpose, an accurate legal description of the area proposed for such action and if practical, a map of the area;

(d) Numbered lines for signatures with space provided beside each signature for the name and address of the signer and the date of signing;

(e) The warning statement prescribed in subsection (2) of this section.

(2) Petitions shall be printed or typed on single sheets of white paper of good quality and each sheet of petition paper having a space thereon for signatures shall contain the text or prayer of the petition and the following warning:

WARNING

Every person who signs this petition with any other than his or her true name, or who knowingly signs more than one of these petitions, or signs a petition seeking an election when he or she is not a legal voter, or signs a petition when he or she is otherwise not qualified to sign, or who makes herein any false statement, shall be guilty of a misdemeanor.

Each signature shall be executed in ink or indelible pencil and shall be followed by the name and address of the signer and the date of signing.

(3) The term "signer" means any person who signs his or her own name to the petition.

(4) To be sufficient a petition must contain valid signatures of qualified registered voters or property owners, as the case may be, in the number required by the applicable statute or ordinance. Within three working days after the filing of a petition, the officer with whom the petition is filed shall transmit the petition to the county auditor for petitions signed by registered voters, or to the county assessor for petitions signed by property owners for determination of sufficiency. The officer whose duty it is to determine the sufficiency of the petition shall proceed to make such a determination with reasonable promptness and shall file with the officer receiving the petition for filing a certificate stating the date upon which such determination was begun, which date shall be referred to as the terminal date. Additional pages of one or more signatures may be added to the petition by filing the same with the appropriate filing officer prior to such terminal date. Any signer of a filed petition may withdraw his or her signature by a written request for withdrawal filed with the receiving officer prior to such terminal date. Such written request shall so sufficiently describe the petition as to make identification of the person and the petition certain. The name of any person seeking to withdraw shall be signed exactly the same as contained on the petition and, after the filing of such request for withdrawal, prior to the terminal date, the signature of any person seeking such withdrawal shall be deemed withdrawn.

(5) Petitions containing the required number of signatures shall be accepted as prima facie valid until their invalidity has been proved.

(6) A variation on petitions between the signatures on the petition and that on the voter's permanent registration caused by the substitution of initials instead of the first or middle names, or both, shall not invalidate the signature on the petition if the surname and handwriting are the same.

(7) Signatures, including the original, of any person who has signed a petition two or more times shall be stricken.

(8) Signatures followed by a date of signing which is more than six months prior to the date of filing of the petition shall be stricken.

(9) When petitions are required to be signed by the owners of property, the determination shall be made by the county assessor. Where validation of signatures to the petition is required, the following shall apply:

(a) The signature of a record owner, as determined by the records of the county auditor, shall be sufficient without the signature of his or her spouse;
(b) In the case of mortgaged property, the signature of the mortgagor shall be sufficient, without the signature of his or her spouse;

(c) In the case of property purchased on contract, the signature of the contract purchaser, as shown by the records of the county auditor, shall be deemed sufficient, without the signature of his or her spouse;

(d) Any officer of a corporation owning land within the area involved who is duly authorized to execute deeds or encumbrances on behalf of the corporation, may sign on behalf of such corporation, and shall attach to the petition a certified excerpt from the bylaws of such corporation showing such authority;

(e) When property stands in the name of a deceased person or any person for whom a guardian has been appointed, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property.

(10) The officer who is responsible for determining the sufficiency of the petition shall do so in writing and transmit the written certificate to the officer with whom the petition was originally filed. [1996 c 286 § 7; 1985 c 281 § 26; 1967 ex.s.c 119 § 35A.01.040.]

53A.01.070 Definitions—Change of plan or classification of municipal government. Where used in this title with reference to procedures established by this title in regard to a change of plan or classification of government, unless a different meaning is plainly required by the context:

(1) "Classify" means a change from a city of the first or second class, an unclassified city, or a town, to a code city.

(2) "Classification" means either that portion of the general law under which a city or a town operates under Title 35 RCW as a first or second class city, unclassified city, or town, or otherwise as a code city.

35A.02.140 Petition or resolution pending—Restriction—Exception. Incorporation subject to approval by boundary review board: RCW 36.93.090.

35A.02.010 Adoption of noncharter code city classification authorized. Any incorporated city or town may become a noncharter code city in accordance with, and be governed by, the provisions of this title relating to noncharter code cities and may select one of the plans of government authorized by this title. A city or town adopting and reinorganizing under the optional municipal code shall not be deemed to have reorganized and to have abandoned its existing general plan of government, upon changing classification and becoming a noncharter code city, solely because organizing under a plan of government authorized in this title changes the number of elective offices or changes the terms thereof, or because an office becomes appointive rather than elective, or because that city or town has come under the optional municipal code, or because of any combination of these factors. [1979 ex.s. c 18 § 2; 1967 ex.s. c 119 § 35A.02.010.]

Severability—1979 ex.s. c 18: See note following RCW 35A.01.070.

35A.02.020 Petition method—Direct. When a petition is filed, signed by registered voters of an incorporated city or town, in number equal to not less than fifty percent of the votes cast at the last general municipal election, seeking the adoption by the city or town of the classification of noncharter code city, either under its existing authorized plan of government or naming one of the plans of government authorized for noncharter code cities, the county auditor shall promptly proceed to determine the sufficiency of the petition under the rules set forth in RCW 35A.01.040. If the petition is found to be sufficient, the county auditor shall file with the legislative body a certificate of sufficiency of the petition. Thereupon the legislative body of such city or town shall, by resolution, declare that the inhabitants of the city or town have decided to adopt the classification of noncharter code city and to be governed under the provisions of this title. If a prayer for reorganization is included in the petition such resolution shall also declare that the inhabitants of the city or town have decided to reorganize under the plan of government specified in the petition. The legislative body shall cause such resolution to be published at least once in a newspaper of general circulation within the city or town not later than ten days after the passage of the resolution. Upon the expiration of the ninetieth day from, but excluding the date of, first publication of the resolution, if no timely and sufficient referendum petition has been filed pursuant to RCW 35A.02.025, as now or hereafter amended, as determined by RCW 35A.29.170, the legislative body at its next regular meeting shall effect the decision of the inhabitants, as expressed in the petition, by passage of an ordinance adopting for the city the classification of noncharter code city, and if the petition also sought governmental reorganization by adoption of one of the plans of government authorized for noncharter code cities involving a different general plan of government from that under which the city is operating, then the legislative body shall provide at that time for such reorganization by ordinance and for election of all new officers pursuant to RCW 35A.02.050, as now or hereafter amended. [1990 c 259 § 2; 1979 ex.s. c 18 § 3; 1967 ex.s. c 119 § 35A.02.020.]

Severability—1979 ex.s. c 18: See note following RCW 35A.01.070.

35A.02.025 Referendum. Upon the filing of a referendum petition in the manner provided in RCW 35A.29.170 signed by qualified electors in number equal to not less than ten percent of the votes cast in the last general municipal election, such resolution as authorized by RCW 35A.02.020 shall be referred to the voters for confirmation or rejection in the next general municipal election if one is to be held within one hundred and eighty days from the date of filing of the referendum petition, or at a special election to be called for that purpose in accordance with RCW 29.13.020. [1979 ex.s. c 18 § 4; 1967 ex.s. c 119 § 35A.02.025.]

Severability—1979 ex.s. c 18: See note following RCW 35A.01.070.

35A.02.030 Resolution method. When a majority of the legislative body of an incorporated city or town determines that it would serve the best interests and general welfare of such municipality to change the classification of such city or town to that of noncharter code city, such legislative body may, by resolution, declare its intention to adopt for the city or town the classification of noncharter code city. If the legislative body so determines, such resolution may also contain a declaration of intention to reorganize the municipal government under one of the plans of government authorized in this title, naming such plan; but it shall also be lawful for the legislative body of any incorporated city or town which is governed under a plan of government authorized prior to the time this title takes effect to adopt for the city or town the classification of noncharter code city while retaining the same general plan of government under which such city or town is then operating. Within ten days after the passage of the resolution, the legislative body shall cause it to be published at least once in a newspaper of general circulation within the city or town. Upon the expiration of the ninetieth day from, but excluding the date of first publication of the resolution, if no timely and sufficient referendum petition has been filed pursuant to RCW 35A.02.035, as determined by RCW 35A.29.170, the intent expressed in such resolution shall at the next regular meeting of the legislative body be effected by an ordinance adopting for the city or town the classification of noncharter code city; and, if the resolution includes a declaration of intention to reorganize, the legislative body shall provide at that time for such reorganization by ordinance. [1979 ex.s. c 18 § 5; 1967 ex.s. c 119 § 35A.02.030.]

Severability—1979 ex.s. c 18: See note following RCW 35A.01.070.

35A.02.035 Referendum. Upon the filing of a referendum petition in the manner provided in RCW 35A.29.170 signed by qualified electors of an incorporated city or town in number equal to not less than ten percent of the votes cast in the last general municipal election, such resolution shall be referred for approval or rejection by the voters at an election as specified in RCW 35A.02.025. [1967 ex.s. c 119 § 35A.02.035.]

Procedure for Incorporated Municipality to Become a Noncharter Code City

35A.02.040 Certification of ordinance—Transcript of record to secretary of state. When one or more ordinances are passed under RCW 35A.02.020 or 35A.02.030, as now or hereafter amended, the clerk of the city or town shall forward to the secretary of state a certified copy of any such ordinance. Upon the filing in the office of the secretary of state of a certified copy of an ordinance adopting the classification of noncharter code city, such city or town shall thereafter be classified as a noncharter code city; except that if there is also filed with the secretary of state a certified copy of an ordinance providing for reorganization of the municipal government of such city or town under a different general plan of government, such reclassification and reorganization shall not be effective until the election, qualification, and assumption of office under RCW 35A.02.050 as now or hereafter amended of at least a quorum of all new officers under the plan of government so adopted. [1979 ex. s. c 18 § 6; 1970 ex. s. c 52 § 1; 1967 ex. s. c 119 § 35A.02.040.]
Severability—1979 ex. s. c 18: See note following RCW 35A.01.070.

35A.02.050 Election of new officers. The first election of officers where required for reorganization under a different general plan of government newly adopted in a manner provided in RCW 35A.02.020, 35A.02.030, 35A.06.030, or 35A.06.060, as now or hereafter amended, shall be at the next general municipal election if one is to be held more than ninety days but not more than one hundred and eighty days after certification of a reorganization ordinance or resolution, or otherwise at a special election to be held for that purpose in accordance with RCW 29.13.020. In the event that the first election of officers is to be held at a general municipal election, such election shall be preceded by a primary election pursuant to RCW 29.21.010 and 29.13.070. In the event that the first election of all officers is to be held at a special election rather than at a general election, and notwithstanding any provisions of any other law to the contrary, such special election shall be preceded by a primary election to be held on a date authorized by RCW 29.13.010, and the persons nominated at that primary election shall be voted upon at the next succeeding special election that is authorized by RCW 29.13.010: PROVIDED, That in the event the ordinances calling for reclassification or reorganization and reorganization under the provisions of Title 35A RCW have been filed with the secretary of state pursuant to RCW 35A.02.040 in an even-numbered year at least ninety days prior to a state general election then the election of new officers shall be concurrent with the state primary and general election and shall be conducted as set forth in general election law.

Upon reorganization, candidates for all offices shall file or be nominated for and successful candidates shall be elected to specific council positions. The initial terms of office for those elected at a first election of all officers shall be as follows: (1) A simple majority of the persons who are elected as councilmembers receiving the greatest numbers of votes and the mayor in a city with a mayor-council plan of government shall be elected to four-year terms of office, if the election is held in an odd-numbered year, or three-year terms of office, if the election is held in an even-numbered year; and (2) the other persons who are elected as councilmembers shall be elected to two-year terms of office, if the election is held in an odd-numbered year, or one-year terms of office, if the election is held in an even-numbered year. The newly elected officials shall take office immediately when they are elected and qualified, but the length of their terms of office shall be calculated from the first day of January in the year following the election. Thereafter, each person elected as a councilmember or mayor in a city with a mayor-council plan of government shall be elected to a four-year term of office. Each councilmember and mayor in a city with a mayor-council plan of government shall serve until a successor is elected and qualified and assumes office as provided in RCW 29.04.170.

The former officers shall, upon the election and qualification of new officers, deliver to the proper officers of the reorganized noncharter code city all books of record, documents and papers in their possession belonging to such municipal corporation before the reorganization thereof. [1994 c 223 § 25; 1979 ex. s. c 18 § 7; 1971 ex. s. c 251 § 1; 1970 ex. s. c 52 § 2; 1967 ex. s. c 119 § 35A.02.050.]

Severability—1971 ex. s. c 251: See RCW 35A.90.050.

35A.02.055 Election of new officers—Exception where same general plan of government is retained. Where a city elects to become a noncharter code city under one of the optional plans of government provided in Title 35A RCW for code cities which involves the same general plan of government as that under which the city operated prior to the choice and where with the change in classification the number of councilmanic positions in a city remains the same or increases from five to seven, the procedures for the first election of officers which appear in RCW 35A.02.050 shall not be followed. When membership in a city council remains the same or is increased upon becoming a noncharter code city, the terms of incumbent council members shall not be affected. If the number of council members is increased from five to seven, the city council shall, by majority vote, pursuant to RCW 35A.12.050 and 35A.13.020, appoint two persons to serve in these offices until the next municipal general election, at which election one person shall be elected for a two-year term and one person shall be elected for a four-year term.

A first election of all officers upon a change in classification to a noncharter code city is also not required where the change in classification otherwise retains the same general or specific plan of government and where the change in classification results in a decrease in the number of councilmanic positions in a city.

If the membership in a city council is decreased from seven to five members upon adopting the classification of noncharter code city, this decrease in the number of council members shall be determined in the following manner: the council members shall determine by lot which two councilmanic positions shall be eliminated upon the expiration of their terms of office. The terms of the remaining council members shall not be affected. [1979 ex. s. c 18 § 8.]

35A.02.060 Petition for election. When a petition which is sufficient under the rules set forth in RCW...
35A.02.060 Title 35A RCW: Optional Municipal Code

35A.01.040 is filed with the legislative body of an incorporated city or town, signed by qualified electors of such municipality in number equal to not less than ten percent of the votes cast at the last general municipal election, seeking adoption by the city or town of the classification of noncharter code city and the reorganization of the city or town under one of the plans of government authorized in this title, the county auditor shall file with the legislative body thereof a certificate of sufficiency of such petition. Thereupon, the legislative body shall cause such proposal to be submitted to the voters at the next general municipal election if one is to be held within one hundred eighty days after certification of the sufficiency of the petition, or at a special election to be held for that purpose not less than ninety days nor more than one hundred and eighty days from such certification of sufficiency. Ballot titles for elections under this chapter shall be prepared by the city attorney as provided in *RCW 35A.29.120. [1990 c 259 § 3; 1967 ex.s. c 119 § 35A.02.060.]

*Reviser's note: RCW 35A.29.120 was repealed by 1994 c 223 § 92.

35A.02.070 Resolution for election. The legislative body of an incorporated city or town may, by resolution, submit to the voters in the next general municipal election if one is to be held within one hundred eighty days after passage of the resolution, or in a special election to be called for that purpose not less than ninety days nor more than one hundred and eighty days after passage of the resolution, a proposal that the city or town adopt the classification of noncharter code city and organize under one of the plans of government authorized in this title, naming such plan. [1967 ex.s. c 119 § 35A.02.070.]

35A.02.080 Election of officers upon approval of plan of government by voters. If the majority of votes cast at an election for organization under a plan provided in this title favor the plan, the city or town shall elect in accordance with RCW 35A.02.050 the officers for the positions created. The former officers of the municipality shall, upon the election and qualification of the new officers, deliver to the proper officers of the new noncharter code city all books of record, documents and papers in their possession belonging to such municipal corporation before reorganization. [1971 ex.s. c 251 § 2; 1967 ex.s. c 119 § 35A.02.080.]

Severability—1971 ex.s. c 251: See RCW 35A.90.050.

35A.02.090 Alternative plan of government. Proposals for each of the plans of government authorized by this title may be placed on the ballots in the same election by timely petition as provided in this chapter. When the ballot contains alternative proposals for each of the plans of government the ballot shall clearly state that voters may vote for only one of the plans of government. [1971 ex.s. c 251 § 3; 1967 ex.s. c 119 § 35A.02.090.]

Severability—1971 ex.s. c 251: See RCW 35A.90.050.

35A.02.120 Effective date of reclassification and reorganization. Upon the filing of the certified copy of the resolution with the secretary of state, the county auditor shall issue certificates of election to the successful candidates for the offices under the plan of government for which a majority of the votes were cast, and upon the issuance of such certificates, such city or town shall become a noncharter code city governed under the plan of government chosen by the voters, under the provisions of this title and with the powers conferred by this title. [1967 ex.s. c 119 § 35A.02.120.]

35A.02.130 Adoption of classification of noncharter code city without change of governmental plan. Any incorporated city or town governed under a plan of government authorized prior to the time this title takes effect may become a noncharter code city without changing such plan of government by the use of the petition-for-election or resolution-for-election procedures provided in RCW 35A.02.060 and 35A.02.070 to submit to the voters a proposal that such municipality adopt the classification of noncharter code city while retaining its existing plan of government, and upon a favorable vote on the proposal, such municipality shall be classified as a noncharter code city and retain its old plan of government, such reclassification to be effective upon the filing of the record of such election with the office of the secretary of state. Insofar as the provisions of *RCW 35A.02.100 and 35A.02.110 are applicable to an election on such a reclassification proposal they shall apply to such election. [1994 c 223 § 26; 1994 c 81 § 67; 1967 ex.s. c 119 § 35A.02.130.]

*Reviser's note: RCW 35A.02.100 and 35A.02.110 were repealed by 1994 c 223 § 92.

35A.02.140 Petition or resolution pending—Restriction—Exception. While proceedings are pending under any petition or resolution relating to reclassification of a municipality or reorganization of the government thereof pursuant to this chapter, no resolution shall be passed for the purpose of initiating other such proceedings or submitting other such proposals to the voters at an election thereunder; and no petition for reclassification or reorganization of such municipality shall be accepted for filing pending such proceedings, except that a timely and sufficient petition seeking to place on the ballot for such election a proposal for an alternative plan of government authorized by this title, as provided in RCW 35A.02.090, may be filed and acted upon. [1967 ex.s. c 119 § 35A.02.140.]

35A.06.010 Each optional plan of government declared complete form of government. Each of the optional plans of government authorized by chapter 35A.12 RCW and chapter 35A.13 RCW, with any amendments thereto, is declared to be a complete and separate plan of government authorized by the legislature for submission to the voters of a municipality or for adoption by resolution of the legislative body thereof in the manner provided herein, and is additional to the plans of government existing prior to the time this title takes effect. [1967 ex.s. c 119 § 35A.06.010.]

35A.06.020 Laws applicable to noncharter code cities. The classifications of municipalities as first class cities, second class cities, unclassified cities, and towns, and the restrictions, limitations, duties, and obligations specifically imposed by law upon such classes of cities and towns, shall have no application to noncharter code cities, but every noncharter code city, by adopting such classification, has elected to be governed by the provisions of this title, with the powers granted hereby. However, any code city that retains its old plan of government is subject to the laws applicable to that old plan of government until the city abandons its old plan of government and reorganizes and adopts a plan of government under chapter 35A.12 or 35A.13 RCW. 35A.06.030 Abandonment of plan of government of a noncharter code city. By use of the resolution for election or petition for election methods described in RCW 35A.06.040, any noncharter code city which has operated for more than six consecutive years under one of the optional plans of government authorized by this title, or for more than a combined total of six consecutive years under a particular plan of government both as a code city and under the same general plan under Title 35 RCW immediately prior to becoming a code city, may abandon such organization and may reorganize and adopt another plan of government authorized for noncharter code cities, but only after having been a noncharter code city for more than one year or a city after operating for more than six consecutive years under a particular plan of government as a noncharter code city: PROVIDED, That these limitations shall not apply to a city seeking to adopt a charter.

In reorganization under a different general plan of government as a noncharter code city, officers shall all be elected as provided in RCW 35A.02.050. When a noncharter code city adopts a plan of government other than those authorized under Title 35 RCW, such city ceases to be governed under this optional municipal code and shall be classified as a city or town of the class selected in the proceeding for adoption of such new plan, with the powers granted to such class under the general law. [1994 c 223 § 28; 1994 c 81 § 69; 1979 ex.s. c 18 § 14; 1971 ex.s. c 251 § 13; 1967 ex.s. c 119 § 35A.06.030.]

35A.06.040 Abandonment—Resolution or petition for election. Upon the passage of a resolution of the legislative body of a noncharter code city, or upon the filing of a sufficient petition with the county auditor signed by registered voters in number equal to not less than ten percent of the votes cast at the last general municipal election therein, proposing abandonment by the city of the plan of government under which it is then operating and adoption of another plan, naming such plan, the sufficiency of the petition for abandonment shall be determined, an election ordered and conducted, and the results declared generally as provided in chapter 35A.02 RCW insofar as such provisions are applicable. If the resolution or petition proposes a plan of government other than those authorized in chapters 35A.12 RCW and 35A.13 RCW of this title, the resolution or petition shall specify the class under which such city will be classified upon adoption of such plan. 35A.06.060  Abandonment—Reorganization under plan adopted—Effective date. If a majority of votes cast at the election favor abandonment of the general plan of government under which the noncharter code city is then organized and reorganization under the different general plan proposed in the resolution or petition, the officers to be elected shall be those prescribed by the plan of government so adopted, and they shall be elected as provided in RCW 35A.02.050 if the city is to remain a noncharter code city, or if the city is abandoning optional municipal code status, they shall be elected at the next succeeding general municipal election. Upon the election, qualification, and assumption of office by such officers the reorganization of the government of such municipality shall be complete and such municipality shall thereafter be governed under such plan. If the plan so adopted is not a plan authorized for noncharter code cities, upon the election, qualification, and assumption of office by such officers the municipality shall cease to be a noncharter code city governed under the provisions of this optional municipal code and shall revert to the classification selected and shall be governed by the general laws relating to municipalities of such class with the powers conferred by law upon municipalities of such class. Such change of classification shall not affect the then existing property rights or liabilities of the municipal corporation. [1979 ex.s. c 18 § 16; 1967 ex.s. c 119 § 35A.06.060.]

A change of classification approved by a majority of the voters voting on such proposition shall become effective upon the filing of the record of such election with the office of the secretary of state. 35A.12.010 Elective city officers—Size of council.
The government of any noncharter code city or charter code city electing to adopt the mayor-council plan of government authorized by this chapter shall be vested in an elected mayor and an elected council. The council of a noncharter code city having less than twenty-five hundred inhabitants shall consist of five members; when there are twenty-five hundred or more inhabitants, the council shall consist of seven members. A city with a population of less than twenty-five hundred at the time of reclassification as an optional municipal code city may choose to maintain a seven-member council. The decision concerning the number of council members shall be made by the council and be incorporated as a section of the ordinance adopting for the city the classification of noncharter code city. If the population of a city after having become a code city decreases from twenty-five hundred or more to less than twenty-five hundred, it shall continue to have a seven member council.

If, after a city has become a mayor-council code city, its population increases to twenty-five hundred or more inhabitants, the number of councilmanic offices in such city may increase from five to seven members upon the affirmative vote of a majority of the existing council to increase the number of councilmanic offices in the city. When the population of a mayor-council code city having five councilmanic offices increases to five thousand or more inhabitants, the number of councilmanic offices in the city shall increase from five to seven members. In the event of an increase in the number of councilmanic offices, the city council shall, by majority vote, pursuant to RCW 35A.12.050, appoint two persons to serve in these offices until the next municipal general election, at which election one person shall be elected for a two-year term and one person shall be elected for a four-year term. The number of inhabitants shall be determined by the most recent official state or federal census or determination by the state office of financial management.

A charter adopted under the provisions of this title, incorporating the mayor-council plan of government set forth in this chapter, may provide for an uneven number of council members not exceeding eleven.

A noncharter code city of less than five thousand inhabitants which has elected the mayor-council plan of government and which has seven councilmanic offices may establish a five-member council in accordance with the following procedure. At least six months prior to a municipal general election, the city council shall adopt an ordinance providing for reduction in the number of councilmanic offices to five. The ordinance shall specify which two councilmanic offices, the terms of which expire at the next general election, are to be terminated. The ordinance shall provide for the renumbering of council positions and shall also provide for a two-year extension of the term of office of a retained councilmanic office, if necessary, in order to comply with RCW 35A.12.040.

However, a noncharter code city that has retained its old mayor-council plan of government, as provided in RCW 35A.02.130, is subject to the laws applicable to that old plan of government. [1997 c 36 § 6; 1994 c 223 § 30; 1994 c 81 § 71; 1985 c 106 § 1; 1983 c 128 § 1; 1979 ex.s. c 18 § 19; 1979 c 151 § 33; 1967 ex.s. c 119 § 35A.12.010.]

Severability—1979 ex.s. c 18: See note following RCW 35A.01.070.

35A.12.020 Appointive officers—Duties—Compensation. The appointive officers shall be those provided for by charter or ordinance and shall include a city clerk and a chief law enforcement officer. The office of city clerk may be merged with that of a city treasurer, if any, with an appropriate title designated therefor. Provision shall be made for obtaining legal counsel for the city, either by appointment of a city attorney on a full-time or part-time basis, or by any reasonable contractual arrangement for such professional services. The authority, duties and qualifications of all appointive officers shall be prescribed by charter or ordinance, consistent with the provisions of this title, and any amendments thereto, and the compensation of appointive officers shall be prescribed by ordinance; PROVIDED, That the compensation of an appointed municipal judge shall be within applicable statutory limits. [1987 c 3 § 14; 1967 ex.s. c 119 § 35A.12.020.]

Severability—1987 c 3: See note following RCW 3.46.020.

35A.12.030 Eligibility to hold elective office. No person shall be eligible to hold elective office under the mayor-council plan unless the person is a registered voter of the city at the time of filing his declaration of candidacy and has been a resident of the city for a period of at least one year next preceding his election. Residence and voting within the limits of any territory which has been included in, annexed to, or consolidated with such city is construed to have been residence within the city. A mayor or councilman shall hold within the city government no other public office or employment except as permitted under the provisions of chapter 42.23 RCW. [1979 ex.s. c 18 § 20; 1967 ex.s. c 119 § 35A.12.030.]

Severability—1979 ex.s. c 18: See note following RCW 35A.01.070.

35A.12.040 Elections—Terms of elective officers—Numbering of council positions. Officers shall be elected at biennial municipal elections to be conducted as provided in chapter 35A.29 RCW. The mayor and the councilmembers shall be elected for four-year terms of office and until their successors are elected and qualified and assume office in accordance with RCW 29.04.170. At any first election upon reorganization, councilmembers shall be elected as provided in RCW 35A.02.050. Thereafter the requisite number of councilmembers shall be elected biennially as the terms of their predecessors expire and shall serve for terms of four years. The positions to be filled on the city council shall be designated by consecutive numbers and shall be dealt with as separate offices for all election purposes. Election to positions on the council shall be by majority vote from the city at large, unless provision is made by charter or ordinance for election by wards. The mayor and councilmembers shall qualify by taking an oath or affirmation of office and as may be provided by law, charter, or ordinance. [1994 c 223 § 31; 1979 ex.s. c 18 § 21; 1970 ex.s. c 52 § 3; 1967 ex.s. c 119 § 35A.12.040.]

Severability—1979 ex.s. c 18: See note following RCW 35A.01.070.
35A.12.050 Vacancies. The office of a mayor or councilmember shall become vacant if the person who is elected or appointed to that position fails to qualify as provided by law, fails to enter upon the duties of that office at the time fixed by law without a justifiable reason, or as provided in RCW 35A.12.060 or 42.12.010. A vacancy in the office of mayor or in the council shall be filled as provided in chapter 42.12 RCW. [1994 c 223 § 32; 1967 ex.s. c 119 § 35A.12.050.]

35A.12.060 Vacancy for nonattendance. In addition a council position shall become vacant if the councilmember fails to attend three consecutive regular meetings of the council without being excused by the council. [1994 c 223 § 33; 1967 ex.s. c 119 § 35A.12.060.]

35A.12.065 Pro tempore appointments. Biennially at the first meeting of a new council, or periodically, the members thereof, by majority vote, may designate one of their number as mayor pro tempore or deputy mayor for such period as the council may specify, to serve in the absence or temporary disability of the mayor; or, in lieu thereof, the council may, as the need may arise, appoint any qualified person to serve as mayor pro tempore in the absence or temporary disability of the mayor. In the event of the extended excused absence or disability of a councilman, the remaining members by majority vote may appoint a councilman pro tempore to serve during the absence or disability. [1967 ex.s. c 119 § 35A.12.065.]

35A.12.070 Compensation of elective officers—Expenses. The salaries of the mayor and the councilmen shall be fixed by ordinance and may be revised from time to time by ordinance, but any increase in the compensation attaching to an office shall not be applicable to the term then being served by the incumbent if such incumbent is a member of the city legislative body fixing his own compensation or as mayor in a mayor-council code city casts a tie-breaking vote relating to such ordinance: PROVIDED, That if the mayor of such a city does not cast such a vote, his salary may be increased during his term of office.

Until the first elective officers under this mayor-council plan of government may lawfully be paid the compensation provided by such salary ordinance, such officers shall be entitled to be compensated in the same manner and in the same amount as the compensation paid to officers of such city performing comparable services immediately prior to adoption of this mayor-council plan.

Until a salary ordinance can be passed and become effective as to elective officers of a newly incorporated code city, such first officers shall be entitled to compensation as follows: In cities having less than five thousand inhabitants, the mayor shall be entitled to a salary of one hundred and fifty dollars per calendar month and a councilman shall be entitled to twenty dollars per meeting for not more than two meetings per month; in cities having more than five thousand but less than fifteen thousand inhabitants, the mayor shall be entitled to a salary of three hundred and fifty dollars per calendar month and a councilman shall be entitled to one hundred and fifty dollars per calendar month; in cities having more than fifteen thousand inhabitants, the mayor shall be entitled to a salary of twelve hundred and fifty dollars per calendar month and a councilman shall be entitled to four hundred dollars per calendar month: PROVIDED, That such interim compensation shall remain in effect only until a salary ordinance is passed and becomes effective as to such officers, and the amounts herein provided shall not be construed as fixing the usual salary of such officers. The mayor and councilmen shall receive reimbursement for their actual and necessary expenses incurred in the performance of the duties of their office, or the council by ordinance may provide for a per diem allowance. Procedure for approval of claims for expenses shall be as provided by ordinance. [1971 ex.s. c 251 § 5; 1967 ex.s. c 119 § 35A.12.070.]

Severability—1971 ex.s. c 251: See RCW 35A.90.050.

Limitations on salaries: State Constitution Art. 11 § 8.

35A.12.080 Oath and bond of officers. Any officer before entering upon the performance of his duties may be required to take an oath or affirmation as prescribed by charter or by ordinance for the faithful performance of his duties. The oath or affirmation shall be filed with the county auditor. The clerk, treasurer, if any, chief of police, and such other officers or employees as may be designated by ordinance or by charter shall be required to furnish annually an official bond conditioned on the honest and faithful performance of their official duties. The terms and penalty of official bonds and the surety therefor shall be prescribed by ordinance or charter and the bond shall be approved by the chief administrative officer of the city. The premiums on such bonds shall be paid by the city. When the furnishing of an official bond is required of an officer or employee, compliance with such provisions shall be an essential part of qualification for office. [1986 c 167 § 20; 1967 ex.s. c 119 § 35A.12.080.]

Severability—1986 c 167: See note following RCW 29.01.055.

35A.12.090 Appointment and removal of officers—Terms. The mayor shall have the power of appointment and removal of all appointive officers and employees subject to any applicable law, rule, or regulation relating to civil service. The head of a department or office of the city government may be authorized by the mayor to appoint and remove subordinates in such department or office, subject to any applicable civil service provisions. All appointments of city officers and employees shall be made on the basis of ability and training or experience of the appointees in the duties they are to perform, from among persons having such qualifications as may be prescribed by ordinance or by charter, and in compliance with provisions of any merit system applicable to such city. Confirmation by the city council of appointments of officers and employees shall be required only when the city charter, or the council by ordinance, provides for confirmation of such appointments. Confirmation of mayoral appointments by the council may be required by the council in any instance where qualifications for the office or position have not been established by ordinance or charter provision. Appointive officers shall be without definite term unless a term is established for such office by law, charter or ordinance. [1987 c 3 § 15; 1967 ex.s. c 119 § 35A.12.090.]

Severability—1987 c 3: See note following RCW 3.46.020.

He shall see that all laws and ordinances are faithfully enforced and that law and order is maintained in the city, and shall have general supervision of the administration of city government and all city interests. All official bonds and bonds of contractors with the city shall be submitted to the mayor or such person as he may designate for approval or disapproval. He shall see that all contracts and agreements made with the city or for its use and benefit are faithfully kept and performed, and to this end he may cause any legal proceedings to be instituted and prosecuted in the name of the city, subject to approval by majority vote of all members of the council. The mayor shall preside over all meetings of the city council, when present, but shall have a vote only in the case of a tie in the votes of the councilmen with respect to matters other than the passage of any ordinance, grant, or revocation of franchise or license, or any resolution for the payment of money. He shall report to the council concerning the affairs of the city and its financial and other needs, and shall make recommendations for council consideration and action. He shall prepare and submit to the council a proposed budget, as required by chapter 35A.33 RCW. The mayor shall have the power to veto ordinances passed by the council and submitted to him as provided in RCW 35A.12.130 but such veto may be overridden by the vote of a majority of all council members plus one more vote. The mayor shall be the official and ceremonial head of the city and shall represent the city on ceremonial occasions, except that when illness or other duties prevent the mayor’s attendance at an official function and no mayor pro tempore has been appointed by the council, a member of the council or some other suitable person may be designated by the mayor to represent the city on such occasion. [1979 c 18 § 22; 1967 ex.s. c 119 § 35A.12.100.]

All final actions on resolutions and ordinances must take place within the corporate limits of the city. Special meetings may be called by the mayor or any three members of the council by written notice delivered to each member of the council at least twenty-four hours before the time specified for the proposed meeting. All actions that have heretofore been taken at special council meetings held pursuant to this section, but for which the number of hours of notice given has been at variance with requirements of RCW 42.30.080, are hereby validated. All council meetings shall be open to the public except as permitted by chapter 42.30 RCW. No ordinance or resolution shall be passed, or contract let or entered into, or bill for the payment of money allowed at any meeting not open to the public, nor at any public meeting the date of which is not fixed by ordinance, resolution, or rule, unless public notice of such meeting has been given by such notice to each local newspaper of general circulation and to each local radio or television station, as provided in RCW 42.30.080 as now or hereafter amended. Meetings of the council shall be presided over by the mayor, if present, or otherwise by the mayor pro tempore, or deputy mayor if one has been appointed, or by a member of the council selected by a majority of the council members at such meeting. Appointment of a council member to preside over the meeting shall not in any way abridge his right to vote on matters coming before the council at such meeting. In the absence of the clerk, a deputy clerk or other qualified person appointed by the clerk, the mayor, or the council, may perform the duties of clerk at such meeting. A journal of all proceedings shall be kept, which shall be a public record. [1993 c 199 § 3; 1979 ex.s. c 18 § 23; 1967 ex.s. c 119 § 35A.12.110.]

The council shall determine its own rules and order of business, and may establish rules for the conduct of council meetings and the maintenance of order. At the desire of any member, any question shall be voted upon by roll call and the ayes and nays shall be recorded in the journal. The passage of any ordinance, grant or revocation of franchise or license, and any resolution for the payment of money shall require the affirmative vote of at least a majority of the whole membership of the council. [1967 ex.s. c 119 § 35A.12.120.]

35A.12.130 Ordinances—Style—Requisites—Veto. The enacting clause of all ordinances shall be as follows: "The city council of the city of . . . . do ordain as follows:"

No ordinance shall contain more than one subject and that must be clearly expressed in its title.

No ordinance or any section or subsection thereof shall be revised or amended unless the new ordinance sets forth the revised ordinance or the amended section or subsection at full length.

No ordinance shall take effect until five days after the date of its publication unless otherwise provided by statute or charter, except that an ordinance passed by a majority plus one of the whole membership of the council, designated therein as a public emergency ordinance necessary for the protection of public health, public safety, public property or the public peace, may be made effective upon adoption, but such ordinance may not levy taxes, grant, renew, or extend a franchise, or authorize the borrowing of money.

Every ordinance which passes the council in order to become valid must be presented to the mayor; if he approves it, he shall sign it, but if not, he shall return it with his written objections to the council and the council shall cause his objections to be entered at large upon the journal and proceed to a reconsideration thereof. If upon reconsideration a majority plus one of the whole membership, voting upon a call of ayes and nays, favor its passage, the ordinance shall
become valid notwithstanding the mayor’s veto. If the mayor fails for ten days to either approve or veto an ordinance, it shall become valid without his approval. Ordinances shall be signed by the mayor and attested by the clerk. [1967 ex.s. c 119 § 35A.12.130.]

35A.12.140 Adoption of codes by reference. Ordinances may by reference adopt Washington state statutes and state, county, or city codes, regulations, or ordinances or any standard code of technical regulations, or portions thereof, including, for illustrative purposes but not limited to, fire codes and codes or ordinances relating to the construction of buildings, the installation of plumbing, the installation of electric wiring, health and sanitation, the slaughtering, processing, and selling of meats and meat products for human consumption, the production, pasteurizing, and sale of milk and milk products, or other subjects, together with amendments thereof or additions thereto, on the subject of the ordinance. Such Washington state statutes or codes or other codes or compilations so adopted need not be published in a newspaper as provided in RCW 35A.12.160, but the adopting ordinance shall be so published and a copy of any such adopted statute, ordinance, or code, or portion thereof, with amendments or additions, if any, in the form in which it was adopted, shall be filed in the office of the city clerk for use and examination by the public. While any such statute, code, or compilation is under consideration by the council prior to adoption, not less than one copy thereof shall be filed in the office of the city clerk for examination by the public. [1995 c 71 § 1; 1982 c 226 § 2; 1967 ex.s. c 119 § 35A.12.140.]

35A.12.150 Ordinances—Authentication and recording. The city clerk shall authenticate by his signature and record in full in a properly indexed book kept for the purpose all ordinances and resolutions adopted by the council. Such book, or copies of ordinances and resolutions, shall be available for inspection by the public at reasonable times and under reasonable conditions. [1967 ex.s. c 119 § 35A.12.150.]

35A.12.160 Publication of ordinances or summary—Public notice of hearings and meeting agendas. Promptly after adoption, the text of each ordinance or a summary of the content of each ordinance shall be published at least once in the city’s official newspaper.

For purposes of this section, a summary shall mean a brief description which succinctly describes the main points of the ordinance. Publication of the title of an ordinance authorizing the issuance of bonds, notes, or other evidences of indebtedness shall constitute publication of a summary of that ordinance. When the city publishes a summary, the publication shall include a statement that the full text of the ordinance will be mailed upon request.

An inadvertent mistake or omission in publishing the text or a summary of the content of an ordinance shall not render the ordinance invalid.

In addition to the requirement that a city publish the text or a summary of the content of each adopted ordinance, every city shall establish a procedure for notifying the public of upcoming hearings and the preliminary agenda for the forthcoming council meeting. Such procedure may include, but not be limited to, written notification to the city’s official newspaper, publication of a notice in the official newspaper, posting of upcoming council meeting agendas, or such other processes as the city determines will satisfy the intent of this requirement. [1994 c 273 § 15; 1988 c 168 § 7; 1987 c 400 § 3; 1985 c 469 § 42; 1967 ex.s. c 119 § 35A.12.160.]

35A.12.170 Audit and allowance of demands against city. All demands against a code city shall be presented and audited in accordance with such regulations as may be prescribed by charter or ordinance; and upon the allowance of a demand, the clerk shall draw a warrant upon the treasurer for it, which warrant shall be countersigned by the mayor, or such person as he may designate, and shall specify the fund from which it is to be paid; or, payment may be made by a bank check when authorized by the legislative body of the code city under authority granted by RCW 35A.40.020, which check shall bear the signatures of the officers designated by the legislative body as required signatories of checks of such city, and shall specify the fund from which it is to be paid. [1967 ex.s. c 119 § 35A.12.170.]

35A.12.180 Optional division of city into wards. At any time not within three months previous to a municipal general election the council of a noncharter code city organized under this chapter may divide the city into wards or change the boundaries of existing wards. No change in the boundaries of wards shall affect the term of any councilmember, and councilmembers shall serve out their terms in the wards of their residences at the time of their elections: PROVIDED, That if this results in one ward being represented by more councilmembers than the number to which it is entitled those having the shortest unexpired terms shall be assigned by the council to wards where there is a vacancy, and the councilmembers so assigned shall be deemed to be residents of the wards to which they are assigned for purposes of those positions being vacant. The representation of each ward in the city council shall be in proportion to the population as nearly as is practicable.

Wards shall be redrawn as provided in chapter 29.70 RCW. Wards shall be used as follows: (1) Only a resident of the ward may be a candidate for, or hold office as, a councilmember of the ward; and (2) only voters of the ward may vote at a primary to nominate candidates for a councilmember of the ward. Voters of the entire city may vote at the general election to elect a councilmember of a ward, unless the city had prior to January 1, 1994, limited the voting in the general election for any or all council positions to only voters residing within the ward associated with the council positions. If a city had so limited the voting in the general election to only voters residing within the ward, then the city shall be authorized to continue to do so. [1994 c 223 § 34; 1967 ex.s. c 119 § 35A.12.180.]

35A.12.190 Powers of council. The council of any code city organized under the mayor-council plan of government provided in this chapter shall have the powers and authority granted to the legislative bodies of cities governed
by this title, as more particularly described in chapter 35A.11 RCW. [1967 ex.s. c 119 § 35A.12.190.]

Chapter 35A.13
COUNCIL-MANAGER PLAN OF GOVERNMENT

Sections
35A.13.010 City officers—Size of council. The council members shall be the only elective officers of a code city electing to adopt the council-manager plan of government authorized by this chapter, except where statutes provide for an elective municipal judge. The council shall appoint an officer whose title shall be "city manager" who shall be the chief executive officer and head of the administrative branch of the city government. The city manager shall be responsible to the council for the proper administration of all affairs of the code city. The council of a noncharter code city having less than twenty-five hundred inhabitants shall consist of five members; when there are twenty-five hundred or more inhabitants the council shall consist of seven members: PROVIDED, That if the population of a city after having become a code city decreases from twenty-five hundred or more to less than twenty-five hundred, it shall continue to have a seven member council. If, after a city has become a council-manager code city its population increases to twenty-five hundred or more inhabitants, the number of councilmician offices in such city may increase from five to seven members upon the affirmative vote of a majority of the existing council to increase the number of councilmician offices in the city. When the population of a council-manager code city having five councilmician offices increases to five thousand or more inhabitants, the number of councilmician offices in the city shall increase from five to seven members. In the event of an increase in the number of councilmician offices, the city council shall, by majority vote, pursuant to RCW 35A.13.020, appoint two persons to serve in these offices until the next municipal general election, at which election one person shall be elected for a two-year term and one person shall be elected for a four-year term. The number of inhabitants shall be determined by the most recent official state or federal census or determination by the state office of financial management. A charter adopted under the provisions of this title, incorporating the council-manager plan of government set forth in this chapter may provide for an uneven number of council members not exceeding eleven.

A noncharter code city of less than five thousand inhabitants which has elected the council-manager plan of government and which has seven councilmician offices may establish a five-member council in accordance with the following procedure. At least six months prior to a municipal general election, the city council shall adopt an ordinance providing for reduction in the number of councilmician offices to five. The ordinance shall specify which two councilmician offices, the terms of which expire at the next general election, are to be terminated. The ordinance shall provide for the renumbering of council positions and shall also provide for a two-year extension of the term of office of a retained councilmician office, if necessary, in order to comply with RCW 35A.12.040.

However, a noncharter code city that has retained its old council-manager plan of government, as provided in RCW 35A.02.130, is subject to the laws applicable to that old plan of government. 35A.13.020 Election of councilmen—Eligibility—Terms—Vacancies—Forfeiture of office—Council chairman. In council-manager code cities, eligibility for election to the council, the manner of electing councilmen, the numbering of council positions, the terms of councilmen, the occurrence and the filling of vacancies, the grounds for forfeiture of office, and appointment of a mayor pro tempore or deputy mayor or councilman pro tempore shall be governed by the corresponding provisions of RCW 35A.12.030, 35A.12.040, 35A.12.050, 35A.12.060, and 35A.12.065 relating to the council of a code city organized under the mayor-council plan, except that in council-manager cities where all council positions are at-large positions, the city council may, pursuant to RCW 35A.13.033, provide that the person elected to council position one shall be the council chairman and shall carry out the duties prescribed by RCW 35A.13.030. [1994 c 223 § 36; 1975 1st ex.s. c 155 § 1; 1967 ex.s. c 119 § 35A.13.020.]

35A.13.030 Mayor—Election—Chairman to be mayor—Duties. Biennially at the first meeting of the new council the members thereof shall choose a chairman from among their number unless the chairman is elected pursuant to RCW 35A.13.033. The chairman of the council shall have the title of mayor and shall preside at meetings of the
35A.13.033 Election on proposition to designate person elected to position one as chairman—Subsequent holders of position one to be chairman. The city council of a council-manager city may by resolution place before the voters of the city, a proposition to designate the person elected to council position one as the chairman of the council with the powers and duties set forth in RCW 35A.13.030. If a majority of those voting on the proposition cast a positive vote, then at all subsequent general elections at which position one is on the ballot, the person who is elected to position one shall become the chairman upon taking office. [1975 1st ex.s. c 155 § 3.]

35A.13.035 Mayor pro tempore or deputy mayor. Biennially at the first meeting of a new council, or periodically, the members thereof, by majority vote, may designate one of their number as mayor pro tempore or deputy mayor for such period as the council may specify, to serve in the absence or temporary disability of the mayor; or, in lieu thereof, the council may, as the need may arise, appoint any qualified person to serve as mayor pro tempore in the absence or temporary disability of the mayor. In the event of the extended excused absence or disability of a councilman, the remaining members by majority vote may appoint a councilman pro tempore to serve during the absence or disability. [1969 ex.s. c 81 § 1.]

Effective date—1969 ex.s. c 81: “This 1969 amendatory act shall take effect July 1, 1969.” [1969 ex.s. c 81 § 7.]

35A.13.040 Compensation of councilmen—Expenses. The salaries of the councilmen, including the mayor, shall be fixed by ordinance and may be revised from time to time by ordinance, but any increase or reduction in the compensation attaching to an office shall not become effective until the expiration of the term then being served by the incumbent: PROVIDED, That compensation of councilmen may not be increased or diminished after their election nor may the compensation of the mayor be increased or diminished after the mayor has been chosen by the council.

Until councilmen of a newly-organized council-manager code city may lawfully be paid as provided by salary ordinance, such councilmen shall be entitled to compensation in the same manner and in the same amount as councilmen of such city prior to the adoption of this council-manager plan.

Until a salary ordinance can be passed and become effective as to elective officers of a newly incorporated code city, the first councilmen shall be entitled to compensation as follows: In cities having less than five thousand inhabitants—twenty dollars per meeting for not more than two meetings per month; in cities having more than five thousand but less than fifteen thousand inhabitants—a salary of one hundred and fifty dollars per calendar month; in cities having more than fifteen thousand inhabitants—a salary of four hundred dollars per calendar month. A councilman who is occupying the position of mayor, in addition to his salary as a councilman, shall be entitled, while serving as mayor, to an additional amount per calendar month, or portion thereof, equal to twenty-five percent of the councilmanic salary: PROVIDED, That such interim compensation shall remain in effect only until a salary ordinance is passed and becomes effective as to such officers, and the compensation provided herein shall not be construed as fixing the usual compensation of such officers. Councilmen shall receive reimbursement for their actual and necessary expenses incurred in the performance of the duties of their office, or the council by ordinance may provide for a per diem allowance. Procedure for approval of claims for expenses shall be as provided by ordinance. [1979 ex.s. c 18 § 25; 1967 ex.s. c 119 § 35A.13.040.]

Severability—1979 ex.s. c 18: See note following RCW 35A.01.070.

35A.13.050 City manager—Qualifications. The city manager need not be a resident at the time of his appointment, but shall reside in the code city after his appointment unless such residence is waived by the council. He shall be chosen by the council solely on the basis of his executive and administrative qualifications with special reference to his actual experience in, or his knowledge of, accepted practice in respect to the duties of his office. No person elected to membership on the council shall be eligible for appointment as city manager until one year has elapsed following the expiration of the term for which he was elected. [1967 ex.s. c 119 § 35A.13.050.]

35A.13.060 City manager may serve two or more cities. Whether the city manager shall devote his full time to the affairs of one code city shall be determined by the council. A city manager may serve two or more cities in that capacity at the same time. [1967 ex.s. c 119 § 35A.13.060.]

of a city planning commission, and other advisory citizens' committees, commissions, and boards advisory to the city council: PROVIDED FURTHER, That if the municipal judge of the code city is appointed, such appointment shall be made by the city manager subject to confirmation by the council, for a four year term. The council may cause an audit to be made of any department or office of the code city government and may select the persons to make it, without the advice or consent of the city manager;

(3) To attend all meetings of the council at which his attendance may be required by that body;

(4) To see that all laws and ordinances are faithfully executed, subject to the authority which the council may grant the mayor to maintain law and order in times of emergency;

Compensation of appointive officers and employees may be fixed by ordinance after recommendations are made by the city manager. The appointive officers shall include a city clerk and a chief of police or other law enforcement officer. Pursuant to recommendation of the city manager, the council shall make provision for obtaining legal counsel for the city, either by appointment of a city attorney on a full time or part time basis, or by any reasonable contractual arrangement for such professional services. [1967 ex.s. c 119 § 35A.13.090.]

35A.13.100 City manager—Department heads—Authority. The city manager may authorize the head of a department or office responsible to him to appoint and remove subordinates in such department or office. Subject to the provisions of RCW 35A.13.080 and any applicable civil service provisions, the decision of the manager or other appointing officer, shall be final and there shall be no appeal therefrom to any other office, body, or court whatsoever. Except for the purpose of inquiry, the council and its members shall deal with the administrative service solely through the manager and neither the council nor any committee or member thereof shall give orders to any subordinate of the city manager, either publicly or privately. The provisions of this section do not prohibit the council, while in open session, from fully and freely discussing with the city manager anything pertaining to appointments and removals of city officers and employees and city affairs. [1967 ex.s. c 119 § 35A.13.120.]

35A.13.130 City manager—Removal—Resolution and notice. The city manager shall be appointed for an indefinite term and may be removed by a majority vote of the council. If a reply shall be timely filed with the city clerk, the council shall fix a time for a public hearing upon the question of the manager's removal and a final resolution removing the manager shall not be adopted until a public hearing has been had. The action of the council in removing the manager shall be final. [1967 ex.s. c 119 § 35A.13.140.]

The resolution shall, subject to RCW 35.02.170, describe the boundaries of the area to be annexed, state the number of voters residing therein as nearly as may be, and shall provide that said city will pay the cost of the annexation election. The resolution may require that there also be submitted to the electorate of the territory sought to be annexed a proposition that all property within the area annexed shall, upon annexation, be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed. A certified copy of the resolution shall be filed with the legislative authority of the county in which said territory is located. 35A.14.020 Election method—Contents of petition—Certification by auditor—Approval or rejection by legislative body—Costs. When a petition is sufficient under the rules set forth in RCW 35A.01.040, calling for an election to vote upon the annexation of unincorporated territory contiguous to a code city, describing the boundaries of the area proposed to be annexed, stating the number of voters therein as nearly as may be, and signed by qualified electors resident in such territory equal in number to ten percent of the votes cast at the last state general election therein, it shall be filed with the auditor of the county in which all, or the greatest portion, of the territory is located, and a copy of the petition shall be filed with the legislative body of the code city. If the territory is located in more than a single county, the auditor of the county with whom the petition is filed shall act as the lead auditor and transmit a copy of the petition to the auditor of each other county within which a portion of the territory is located. The auditor or auditors shall examine the petition, and the auditor or lead auditor shall certify the sufficiency of the petition to the legislative authority of the code city.

If the signatures on the petition are certified as containing sufficient valid signatures, the city legislative authority shall, by resolution entered within sixty days thereafter, notify the petitioners, either by mail or by publication in the
same manner notice of hearing is required by RCW 35A.14.040 to be published, of its approval or rejection of the proposed action. In approving the proposed action, the legislative body may require that there also be submitted to the electorate of the territory to be annexed, a proposition that all property within the area to be annexed shall, upon annexation, be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed to pay for all or any portion of the then-outstanding indebtedness of the city to which said area is annexed, which indebtedness has been approved by the voters, contracted for, or incurred prior to, or existing at, the date of annexation. Only after the legislative body has completed preparation and filing of a proposed zoning regulation for the area to be annexed as provided for in RCW 35A.14.330 and 35A.14.340, the legislative body in approving the proposed action, may require that the proposed zoning regulation be simultaneously adopted upon the approval of annexation by the electorate of the area to be annexed. The approval of the legislative body shall be a condition precedent to further proceedings upon the petition. The costs of conducting the election called for in the petition shall be a charge against the city concerned. The proposition or questions provided for in this section may be submitted to the voter either separately or as a single proposition. [1989 c 351 § 4; 1981 c 332 § 6; 1979 ex.s. c 124 § 2; 1967 ex.s. c 119 § 35A.14.020.]

Severability—1981 c 332: See note following RCW 35.13.165.

35A.14.025 Election method—Creation of community municipal corporation. The resolution initiating the annexation of territory under RCW 35A.14.015, and the petition initiating the annexation of territory under RCW 35A.14.020, may provide for the simultaneous creation of a community municipal corporation and election of community council members as provided for in chapter 35A.14 RCW, as separate ballot measures or as part of the same ballot measure authorizing the annexation, or for the simultaneous inclusion of the annexed area into a named existing community municipal corporation operating under chapter 35A.14 RCW, as separate ballot measures or as part of the same ballot measure authorizing the annexation. If the petition so provides for the creation of a community municipal corporation and election of community council members, the petition shall describe the boundaries of the proposed service area, state the number of voters residing therein as nearly as may be, and pray for the election of community council members by the voters residing in the service area.

The ballots shall contain the words "For annexation and creation of community municipal corporation" and "Against annexation and creation of community municipal corporation," or "For creation of community municipal corporation" and "Against creation of community municipal corporation," as the case may be. Approval of either optional ballot proposition shall be by simple majority vote of the voters voting on the proposition, but the annexation must be authorized before a community municipal corporation is created. [1993 c 75 § 3.]

35A.14.030 Filing of petition as approved by city. Upon approval of the petition for election by the legislative body of the code city to which such territory is proposed to be annexed, the petition shall be filed with the legislative authority of the county in which such territory is located, along with a statement, in the form required by the city, of the provisions, if any there be, relating to assumption of the portion of the debt that the city requires to be assumed by the owners of property of the area proposed to be annexed, and/or the simultaneous adoption of a proposed zoning regulation for the area. A copy of the petition and the statement, if any, shall also be filed with the boundary review board as provided for in chapter 36.93 RCW or the county annexation review board established by RCW 35A.14.160, unless such proposed annexation is within the provisions of RCW 35A.14.220. [1979 ex.s. c 124 § 3; 1971 ex.s. c 251 § 6; 1967 ex.s. c 119 § 35A.14.030.]

Severability—1971 ex.s. c 251: See RCW 35A 90.050.

35A.14.040 Election method—Hearing by review board—Notice. Within ten days after receipt of a petition or resolution calling for an election on the question of annexation, the county annexation review board shall meet and, if the proposed annexation complies with the requirements of law, shall fix a date for a hearing thereon, to be held not less than fifteen days nor more than thirty days thereafter, of which hearing the city must give notice by publication at least once a week for two weeks prior thereto in one or more newspapers of general circulation within the city and in one or more newspapers of general circulation within the area proposed to be annexed. The hearing shall be held within the city to which the territory is proposed to be annexed, at a time and place to be designated by the board. Upon the day fixed, the board shall conduct a hearing upon the petition or resolution, at which hearing a representative of the city shall make a brief presentation to the board in explanation of the annexation and the benefits to be derived therefrom, and the petitioners and any resident of the city or the area proposed to be annexed shall be afforded a reasonable opportunity to be heard. The hearing may be adjourned from time to time in the board's discretion, not to exceed thirty days in all from the commencement of the hearing. [1967 ex.s. c 119 § 35A.14.040.]

35A.14.050 Decision of the county annexation review board—Filing—Date for election. After consideration of the proposed annexation as provided in RCW 35A.14.200, the county annexation review board, within thirty days after the final day of hearing, shall take one of the following actions:

(1) Approval of the proposal as submitted.

(2) Subject to RCW 35A.14.200, modification of the proposal by adjusting boundaries to include or exclude territory; except that any such inclusion of territory shall not increase the total area of territory proposed for annexation by an amount exceeding the original proposal by more than five percent: PROVIDED, That the county annexation review board shall not adjust boundaries to include territory not included in the original proposal without first affording to
residents and property owners of the area affected by such adjustment of boundaries an opportunity to be heard as to the proposal.

(3) Disapproval of the proposal.

The written decision of the county annexation review board shall be filed with the board of county commissioners and with the legislative body of the city concerned. If the annexation proposal is modified by the county annexation review board, such modification shall be fully set forth in the written decision. If the decision of the boundary review board or the county annexation review board is favorable to the annexation proposal, or the proposal as modified by the review board, the legislative body of the city at its next regular meeting if to be held within thirty days after receipt of the decision of the boundary review board or the county annexation review board, or at a special meeting to be held within that period, shall indicate to the county auditor its preference for a special election date for submission of such annexation proposal, with any modifications made by the review board, to the voters of the territory proposed to be annexed. The special election date that is so indicated shall be one of the dates for special elections provided under RCW 29.13.020 that is sixty or more days after the date the preference is indicated. The county legislative authority shall call the special election at the special election date so indicated by the county. If the boundary review board or the county annexation review board disapproves the annexation proposal, no further action shall be taken thereon, and no proposal for annexation of the same territory, or substantially the same as determined by the board, shall be initiated or considered for twelve months thereafter. [1989 c 351 § 5; 1986 c 234 § 30; 1975 1st ex.s. c 220 § 15; 1971 ex.s. c 251 § 7; 1967 ex.s. c 119 § 35A.14.050.]

Legislative finding, intent—1975 1st ex.s. c 220: See note following RCW 35.02.170

Severability—1971 ex.s. c 251: See RCW 35A.90.050.

Notice of an annexation election shall particularly describe the boundaries of the area proposed to be annexed, as the same may have been modified by the boundary review board or the county annexation review board, state the objects of the election as prayed in the petition or as stated in the resolution, and require the voters to cast ballots which shall contain the words "For Annexation" or "Against Annexation" or words equivalent thereto, or contain the words "For Annexation and Adoption of Proposed Zoning Regulation", and "Against Annexation and Adoption of Proposed Zoning Regulation", or words equivalent thereto in case the simultaneous adoption of a proposed zoning regulation is proposed, and in case the assumption of all or a portion of indebtedness is proposed, shall contain an appropriate, separate proposition for or against the portion of indebtedness that the city requires to be assumed. The notice shall be posted for at least two weeks prior to the date of election in four public places within the area proposed to be annexed and published at least once a week for two weeks prior to the date of election in a newspaper of general circulation within the limits of the territory proposed to be annexed. Such notice shall be in addition to the notice required by general election law. [1994 c 223 § 38; 1979 ex.s. c 124 § 4; 1967 ex.s. c 119 § 35A.14.070.]

35A.14.080 Election method—Vote required for annexation—Proposition for assumption of indebtedness—Certification. On the Monday next succeeding the annexation election, the county canvassing board shall proceed to canvass the returns thereof and shall submit the statement of canvass to the county legislative authority.

The proposition for or against annexation or for or against annexation and adoption of the proposed zoning regulation, as the case may be, shall be deemed approved if a majority of the votes cast on that proposition are cast in favor of annexation or in favor of annexation and adoption of the proposed zoning regulation, as the case may be. If a proposition for or against assumption of all or any portion of indebtedness was submitted to the electorate, it shall be deemed approved if a majority of at least three-fifths of the electors of the territory proposed to be annexed voting on such proposition vote in favor thereof, and the number of persons voting on such proposition constitutes not less than forty percent of the total number of votes cast in such territory at the last preceding general election. If either or both propositions were approved by the electors, the county legislative authority shall enter a finding to that effect on its minutes, a certified copy of which shall be forthwith transmitted to and filed with the clerk of the city to which annexation is proposed, together with a certified abstract of the vote showing the whole number who voted at the election, the number of votes cast for annexation and the number cast against annexation or for annexation and adoption of the proposed zoning regulation and the number cast against annexation and adoption of the proposed zoning regulation, as the case may be, and, if a proposition for assumption of all or any portion of indebtedness was submitted to the electorate, the abstract shall include the number of votes cast for assumption of indebtedness and the number of votes cast against assumption of indebtedness, together with a statement of the total number of votes cast in such territory at the last preceding general election. [1979 ex.s. c 124 § 5; 1967 ex.s. c 119 § 35A.14.080.]

35A.14.085 Election method—Vote required for annexation with assumption of indebtedness—Without assumption of indebtedness. A code city may cause a proposition authorizing an area to be annexed to the city to be submitted to the qualified voters of the area proposed to be annexed in the same ballot proposition as the question to authorize an assumption of indebtedness. If the measures are combined, the annexation and the assumption of indebtedness shall be authorized only if the proposition is approved by at least three-fifths of the voters of the area proposed to be annexed voting on the proposition, and the number of persons voting on the proposition constitutes not less than forty percent of the total number of votes cast in the area at the last preceding general election.
However, the code city council may adopt a resolution accepting the annexation, without the assumption of indebtedness, where the combined ballot proposition is approved by a simple majority vote of the voters voting on the proposition. [1989 c 84 § 23.]

35A.14.090 Election method—Ordinance providing for annexation, assumption of indebtedness. Upon filing of the certified copy of the finding of the county legislative authority, the clerk shall transmit it to the legislative body of the city at the next regular meeting or as soon thereafter as practicable. If only a proposition relating to annexation or to annexation and adoption of a proposed zoning regulation was submitted to the voters and such proposition was approved, the legislative body shall adopt an ordinance providing for the annexation or adopt ordinances providing for the annexation and adoption of a proposed zoning regulation, as the case may be. If a proposition for annexation or for annexation and adoption of a proposed zoning regulation, and a proposition for assumption of all or any portion of indebtedness were both submitted, and both were approved, the legislative body shall adopt an ordinance providing for the annexation or for annexation and adoption of the proposed zoning regulation, including the assumption of the portion of indebtedness that was approved by the voters. If both propositions were submitted and only the annexation or the annexation and adoption of the proposed zoning regulation was approved, the legislative body may refuse to annex when a proposal for assumption of the portion of indebtedness has been disapproved by the voters. [1979 ex.s. c 124 § 6; 1967 ex.s. c 119 § 35A.14.090.]

35A.14.100 Election method—Effective date of annexation. Upon the date fixed in the ordinance of annexation, the area annexed shall become a part of the city. Upon the date fixed in the ordinances of annexation and adoption of the proposed zoning regulation, the area annexed shall become a part of the city, and property in the annexed area shall be subject to the proposed zoning regulation, as prepared and filed as provided for in RCW 35A.14.330 and 35A.14.340. All property within the territory hereafter annexed shall, if the proposition approved by the people so provides, be assessed and taxed at the same rate and on the same basis as the property of such annexing city is assessed and taxed to pay for the portion of indebtedness of the city that was approved by the voters. [1979 ex.s. c 124 § 7; 1967 ex.s. c 119 § 35A.14.100.]

35A.14.110 Election method is alternative. The method of annexation provided for in RCW 35A.14.015 through 35A.14.100 is an alternative method and is additional to the other methods provided for in this chapter. [1967 ex.s. c 119 § 35A.14.110.]

35A.14.120 Direct petition method—Notice to legislative body—Meeting—Assumption of indebtedness—Proposed zoning regulation—Contents of petition. Proceedings for initiating annexation of unincorporated territory to a charter code city or noncharter code city may be commenced by the filing of a petition of property owners of the territory proposed to be annexed, in the following manner. This method of annexation shall be alternative to other methods provided in this chapter. Prior to the circulation of a petition for annexation, the initiating party or parties, who shall be the owners of not less than ten percent in value, according to the assessed valuation for general taxation of the property for which annexation is sought, shall notify the legislative body of the code city in writing of their intention to commence annexation proceedings. The legislative body shall set a date, not later than sixty days after the filing of the request, for a meeting with the initiating parties to determine whether the code city will accept, reject, or geographically modify the proposed annexation, whether it shall require the simultaneous adoption of a proposed zoning regulation, if such a proposal has been prepared and filed for the area to be annexed as provided for in RCW 35A.14.330 and 35A.14.340, and whether it shall require the assumption of all or any portion of existing city indebtedness by the area to be annexed. If the legislative body requires the assumption of all or any portion of indebtedness and/or the adoption of a proposed zoning regulation, it shall record this action in its minutes and the petition for annexation shall be so drawn as to clearly indicate these facts. Approval by the legislative body shall be a condition precedent to circulation of the petition. There shall be no appeal from the decision of the legislative body. A petition for annexation of an area contiguous to a code city may be filed with the legislative body of the municipality to which annexation is desired. It must be signed by the owners, as defined by RCW 35A.01.040(9) (a) through (d), of not less than sixty percent in value, according to the assessed valuation for general taxation of the property for which annexation is petitioned: PROVIDED, That a petition for annexation of an area having at least eighty percent of the boundaries of such area contiguous with a portion of the boundaries of the code city, not including that portion of the boundary of the area proposed to be annexed that is coterminal with a portion of the boundary between two counties in this state, need be signed by only the owners of not less than fifty percent in value according to the assessed valuation for general taxation of the property for which the annexation is petitioned. Such petition shall set forth a description of the property according to government legal subdivisions or legal plats and shall be accompanied by a map which outlines the boundaries of the property sought to be annexed. If the legislative body has required the assumption of all or any portion of city indebtedness by the area annexed or the adoption of a proposed zoning regulation, these facts, together with a quotation of the minute entry of such requirement, or requirements, shall also be set forth in the petition. [1989 c 351 § 6; 1979 ex.s. c 124 § 8; 1967 ex.s. c 119 § 35A.14.120.]

Sufficiency of petition in code city: RCW 35A.01.040.
35A.14.130 Direct petition method—Notice of hearing. Whenever such a petition for annexation is filed with the legislative body of a code city, which petition meets the requirements herein specified and is sufficient according to the rules set forth in RCW 35A.01.040, the legislative body may entertain the same, fix a date for a public hearing thereon and cause notice of the hearing to be published in one or more issues of a newspaper of general circulation in the city. The notice shall also be posted in three public places within the territory proposed for annexation, and shall specify the time and place of hearing and invite interested persons to appear and voice approval or disapproval of the annexation. [1967 ex.s. c 119 § 35A.14.130.]

35A.14.140 Direct petition method—Ordinance providing for annexation. Following the hearing, if the legislative body determines to effect the annexation, they shall do so by ordinance. Subject to RCW 35.02.170, the ordinance may annex all or any portion of the proposed area but may not include in the annexation any property not described in the petition. Upon passage of the annexation ordinance a certified copy shall be filed with the board of county commissioners of the county in which the annexed property is located. [1986 c 234 § 31; 1975 1st ex.s. c 220 § 16; 1967 ex.s. c 119 § 35A.14.140.]

Legislative finding, intent—1975 1st ex.s. c 220: See note following RCW 35.02.170.

35A.14.150 Direct petition method—Effective date of annexation. Upon the date fixed in the ordinance of annexation the area annexed shall become part of the city. All property within the territory hereafter annexed shall, if the annexation petition so provided, be assessed and taxed at the same rate and on the same basis as the property of such annexing code city is assessed and taxed and paid for the portion of any then-outstanding indebtedness of the city to which said area is annexed, which indebtedness has been approved by the voters, contracted for, or incurred prior to, or existing at, the date of annexation and that the city has required to be assumed. If the annexation petition so provided, all property in the annexed area shall be subject to and a part of the proposed zoning regulation as prepared and filed as provided for in RCW 35A.14.330 and 35A.14.340. [1979 ex.s. c 124 § 9; 1967 ex.s. c 119 § 35A.14.150.]

35A.14.160 Annexation review board—Composition. There is hereby established in each county of the state, other than counties having a boundary review board as provided for in chapter 189, Laws of 1967 [chapter 36.93 RCW], a board to be known as the "annexation review board for the county of . . . . (naming the county)" which shall be charged with the duty of reviewing proposals for annexation of unincorporated territory to charter code cities and noncharter code cities within its respective county; except that proposals within the provisions of RCW 35A.14.220 shall not be subject to the jurisdiction of such board.

In all counties in which a boundary review board is established pursuant to chapter 189, Laws of 1967 [chapter 36.93 RCW] review of proposals for annexation of unincorporated territory to charter code cities and noncharter code cities within such counties shall be subject to chapter 189, Laws of 1967 [chapter 36.93 RCW]. Whenever any county establishes a boundary review board pursuant to chapter 189, Laws of 1967 [chapter 36.93 RCW] the provisions of this act relating to annexation review boards shall not be applicable.

Except as provided above in this section, whenever one or more cities of a county shall have elected to be governed by this title by becoming a charter code city or noncharter code city, the governor shall, within forty-five days thereafter, appoint an annexation review board for such county consisting of five members appointed in the following manner:

Two members shall be selected independently by the governor. Three members shall be selected by the governor from the following sources: (1) One member shall be appointed from nominees of the individual members of the board of county commissioners; (2) one member shall be appointed from nominees of the individual mayors of charter code cities within such county; (3) one member shall be appointed from nominees of the individual mayors of noncharter code cities within such county.

Each source shall nominate at least two persons for an available position. In the event there are less than two nominees for any position, the governor may appoint the member for that position independently. If, at the time of appointment, there are within the county no cities of one of the classes named above as a nominating source, a position which would otherwise have been filled by nomination from such source shall be filled by independent appointment of the governor.

In making appointments independently and in making appointments from among nominees, the governor shall strive to appoint persons familiar with municipal government and administration by experience and/or training. [1971 ex.s. c 251 § 8; 1967 ex.s. c 119 § 35A.14.160.]

Severability—1971 ex.s. c 251: See RCW 35A.90.050.

35A.14.170 Time for filing nominations—Vacancies. Upon the initial formation of a county annexation review board the governor shall give written notice of such formation to all the nominating sources designated therein and nominations must be filed with the office of the governor within fifteen days after receipt of such notice. Nominations to fill vacancies caused by expiration of terms must be filed at least thirty days preceding the expiration of the terms. When vacancies occur in the membership of the board, the governor shall solicit nominations from the appropriate source and if none are filed within fifteen days thereafter, the governor shall fill the vacancy by an independent appointment. [1967 ex.s. c 119 § 35A.14.170.]

35A.14.180 Terms of members. The members of the annexation review board shall be appointed for five year terms. Upon the initial formation of a board, one member appointed by the governor independently shall be appointed for a four year term, the member appointed from among nominees of the board of county commissioners shall be appointed for a three year term, the member appointed from among nominees of the mayors of noncharter code cities
shall be appointed for a three year term, and the remaining members shall be appointed for five year terms. Thereafter board members shall be appointed for five year terms as the terms of their predecessors expire. Members shall be eligible for reappointment to the board for successive terms. [1967 ex.s. c 119 § 35A.14.180]

35A.14.190 Organization of annexation review board—Rules—Journal—Authority. The members of each annexation review board shall elect from among the members a chairman and a vice chairman, and may employ a nonmember as chief clerk, who shall be the secretary of the board. The board shall determine its own rules and order of business, shall provide by resolution for the time and manner of holding regular or special meetings, and shall keep a journal of its proceedings which shall be a public record. A majority of all the members shall constitute a quorum for the transaction of business.

The chief clerk of the board, the chairman, or the vice chairman shall have the power to administer oaths and affirmations, certify to all official acts, issue subpoenas to any public officer or employee ordering him to testify before the board and produce public records, papers, books or documents. The chief clerk, the chairman or the vice chairman may invoke the aid of any court of competent jurisdiction to carry out such powers.

The planning departments of the county, other counties, and any city, and any state or regional planning agency shall furnish such information to the board at its request as may be reasonably necessary for the performance of its duties.

At the request of the board, the state attorney general shall provide counsel for the board. [1967 ex.s. c 119 § 35A.14.190]

35A.14.200 Determination by county annexation review board—Factors considered—Filing of findings and decision. The jurisdiction of the county annexation review board shall be invoked upon the filing with the board of a resolution for an annexation election as provided in RCW 35A.14.015, or of a petition for an annexation election as provided in RCW 35A.14.030, and the board shall proceed to hold a hearing, upon notice, as all provided in RCW 35A.14.040. A verbatim record shall be made of all testimony presented at the hearing and upon request and payment of the reasonable costs thereof, a copy of the transcript of such testimony shall be provided to any person or governmental unit. The board shall make and file its decision, all as provided in RCW 35A.14.050, insofar as said section is applicable to the matter before the board. Dissenting members of the board shall have the right to have their written dissents included as part of the decision. In reaching a decision on an annexation proposal, the county annexation review board shall consider the factors affecting such proposal, which shall include but not be limited to the following:

(1) The immediate and prospective population of the area proposed to be annexed, the configuration of the area, land use and land uses, comprehensive use plans and zoning, per capita assessed valuation, topography, natural boundaries and drainage basins, the likelihood of significant growth in the area and in adjacent incorporated and unincorporated areas during the next ten years, location and coordination of community facilities and services; and

(2) The need for municipal services and the available municipal services, effect of ordinances and governmental codes, regulations and resolutions on existing uses, present cost and adequacy of governmental services and controls, the probable future needs for such services and controls, the probable effect of the annexation proposal or alternatives on cost and adequacy of services and controls in area and adjacent area, the effect on the finances, debt structure, and contractual obligations and rights of all affected governmental units, and

(3) The effect of the annexation proposal or alternatives on adjacent areas, on mutual economic and social interests, and on the local governmental structure of the county.

The county annexation review board shall determine whether the proposed annexation would be in the public interest and for the public welfare. The decision of the board shall be accompanied by the findings of the board. Such findings need not include specific data on all the factors listed in this section, but shall indicate that all such factors were considered. [1971 ex.s. c 251 § 11; 1967 ex.s. c 119 § 35A.14.200]

Severability—1971 ex.s. c 251: See RCW 35A.90.050.

35A.14.210 Court review of decisions of the county annexation review board. Decisions of the county annexation review board shall be final unless within ten days from the date of said action a governmental unit affected by the decision or anyone owning real property in or residing in the area proposed to be annexed files in the superior court a notice of appeal. The filing of such notice of appeal within such time limit shall stay the effective date of the decision of the board until such time as the appeal shall have been adjudicated or withdrawn. On appeal the superior court shall not take any evidence other than that contained in the record of the hearing before the board. The superior court may affirm the decision of the county annexation review board or reverse the decision and remand it if finds that substantial rights have been prejudiced because the findings, conclusions, or decision of the board are:

(1) In violation of constitutional provisions; or

(2) In excess of the statutory authority or jurisdiction of the board; or

(3) Made upon unlawful procedure; or

(4) Affected by other error of law; or

(5) Unsupported by material and substantial evidence in view of the entire record as submitted; or

(6) Arbitrary or capricious. [1971 ex.s. c 251 § 12; 1967 ex.s. c 119 § 35A.14.210]

Severability—1971 ex.s. c 251: See RCW 35A.90.050.

35A.14.220 When review procedure may be dispensed with. Annexations under the provisions of RCW 35A.14.295, 35A.14.297, 35A.14.300, and 35A.14.310 shall not be subject to review by the annexation review board: PROVIDED, That in any county in which a boundary review board is established under chapter 36.93 RCW all annexations shall be subject to review except as provided for in RCW 36.93.110. When the area proposed for annexation in
a petition or resolution, initiated and filed under any of the methods of initiating annexation authorized by this chapter, is less than fifty acres or less than two million dollars in assessed valuation, review procedures shall not be required as to such annexation proposal, except as provided in chapter 36.93 RCW in those counties with a review board established pursuant to chapter 36.93 RCW: PROVIDED, That when an annexation proposal is initiated by the direct petition method authorized by RCW 35A.14.120, review procedures shall not be required without regard to acreage or assessed valuation, except as provided in chapter 36.93 RCW in those counties with a boundary review board established pursuant to chapter 36.93 RCW. [1979 ex.s. c 18 § 27; 1973 1st ex.s. c 195 § 26; 1967 ex.s. c 119 § 35A.14.220.]

(a) Containing less than one hundred acres and having at least eighty percent of the boundaries of such area contiguous to the code city; or
(b) Of any size and having at least eighty percent of the boundaries of such area contiguous to the city if such area existed before June 30, 1994, and is within the same county and within the same urban growth area designated under RCW 36.70A.110, and the city was planning under chapter 36.70A RCW as of June 30, 1994.
(2) The resolution shall describe the boundaries of the area to be annexed, state the number of voters residing therein as nearly as may be, and set a date for a public hearing on such resolution for annexation. Notice of the hearing shall be given by publication of the resolution at least once a week for two weeks prior to the date of the hearing, in one or more newspapers of general circulation within the code city and one or more newspapers of general circulation within the area to be annexed.

From and after such date, if the ordinance so provided, property in the annexed area shall be subject to the proposed zoning regulation prepared and filed for such area as provided in RCW 35A.14.330 and 35A.14.340. If the ordinance so provided, all property within the area annexed shall be assessed and taxed at the same rate and on the same basis as the property of such annexing code city is assessed and taxed to pay for any then outstanding indebtedness of such city contracted prior to, or existing at, the date of annexation. Severability—1981 c 332: See note following RCW 35.13.165.

35A.14.310 Annexation of federal areas. A code city may annex an unincorporated area contiguous to the city that is owned by the federal government by adopting an ordinance providing for the annexation and which ordinance either acknowledges an agreement of the annexation by the government of the United States, or accepts a gift, grant, or lease from the government of the United States of the right to occupy, control, improve it or sublet it for commercial, manufacturing, or industrial purposes: PROVIDED, That this right of annexation shall not apply to any territory more than four miles from the corporate limits existing before such annexation. Whenever a code city proposes to annex territory under this section, the city shall provide written notice of the proposed annexation to the legislative authority of the county within which such territory is located. The notice shall be provided at least thirty days before the city proposes to adopt the annexation ordinance. The city shall not adopt the annexation ordinance, and the annexation shall not occur under this section, if within twenty-five days of receipt of the notice, the county legislative authority adopts a resolution opposing the annexation, which resolution makes a finding that the proposed annexation will have an adverse fiscal impact on the county or road district. [1985 c 105 § l: 1967 ex.s. c 119 § 35A.14.310.]

35A.14.320 Annexation of federal areas—Provisions of ordinance—Authority over annexed territory. In the ordinance annexing territory pursuant to a gift, grant, or lease from the government of the United States, a code city may include such tide and shorelands as may be necessary or convenient for the use thereof, and may include in the ordinance an acceptance of the terms and conditions attached to the gift, grant, or lease. A code city may cause territory annexed pursuant to a gift, grant, or lease of the government of the United States to be surveyed, subdivided and platted into lots, blocks, or tracts and lay out, reserve for public use, and improve streets, roads, alleys, slips, and other public places. It may grant or sublet any lot, block, or tract therein for commercial, manufacturing, or industrial purposes and reserve, receive and collect rents therefrom. It may expend the rents received therefrom in making and maintaining public improvements therein, and if any surplus remains at the end of any fiscal year, may transfer it to the city’s current expense fund. [1967 ex.s. c 119 § 35A.14.320.]

35A.14.330 Proposed zoning regulation—Purposes of regulations and restrictions. The legislative body of any code city acting through a planning agency created pursuant to chapter 35A.63 RCW, or pursuant to its granted powers, may prepare a proposed zoning regulation to become effective upon the annexation of any area which might reasonably be expected to be annexed by the code city at any future time. Such proposed zoning regulation, to the extent deemed reasonably necessary by the legislative body to be in the interest of health, safety, morals and the general welfare may provide, among other things, for:

(1) The regulation and restriction within the area to be annexed of the location and use of buildings, structures and land for residence, trade, industrial and other purposes; the height, number of stories, size, construction and design of buildings and other structures; the size of yards, courts and other open spaces on the lot or tract; the density of population; the set-back of buildings and structures along highways, parks or public water frontages; and the subdivision and development of land;

(2) The division of the area to be annexed into districts or zones of any size or shape, and within such districts or zones regulate and restrict the erection, construction, reconstruction, alteration, repair or use of buildings, structures or land;

(3) The appointment of a board of adjustment, to make, in appropriate cases and subject to appropriate conditions and safeguards established by ordinance, special exceptions in harmony with the general purposes and intent of the proposed zoning regulation; and

(4) The time interval following an annexation during which the ordinance or resolution adopting any such proposed regulation, or any part thereof, must remain in effect before it may be amended, supplemented or modified by subsequent ordinance or resolution adopted by the annexing city or town.

All such regulations and restrictions shall be designed, among other things, to encourage the most appropriate use of land throughout the area to be annexed; to lessen traffic congestion and accidents; to secure safety from fire; to provide adequate light and air; to prevent overcrowding of land; to avoid undue concentration of population; to promote a coordinated development of the unoccupied areas; to encourage the formation of neighborhood or community units; to secure an appropriate allotment of land area in new developments for all the requirements of community life; to conserve and restore natural beauty and other natural resources; to facilitate the adequate provision of transportation, water, sewerage and other public uses and requirements. [1967 ex.s. c 119 § 35A.14.330.]

35A.14.340 Notice and hearing—Filings and recordings. The legislative body of the code city shall hold two or more public hearings, to be held at least thirty days

apart, upon the proposed zoning regulation, giving notice of the time and place thereof by publication in a newspaper of general circulation in the annexing city and the area to be annexed. A copy of the ordinance or resolution adopting or embodying such proposed zoning regulation or any part thereof or any amendment thereto, duly certified as a true copy by the clerk of the annexing city, shall be filed with the county auditor. A like certified copy of any map or plat referred to or adopted by the ordinance or resolution shall likewise be filed with the county auditor. The auditor shall record the ordinance or resolution and keep on file the map or plat. [1967 ex.s. c 119 § 35A.14.340.]

35A.14.380 Ownership of assets of fire protection district—Assumption of responsibilities for fire protection—When at least sixty percent of assessed valuation is annexed or incorporated in code city. If a portion of a fire protection district including at least sixty percent of the assessed valuation of the real property of the district is annexed to or incorporated into a code city, ownership of all of the assets of the district shall be vested in the code city, upon payment in cash, properties or contracts for fire protection services to the district within one year, of a percentage of the value of said assets equal to the percentage of the value of the real property in the entire district remaining outside the incorporated or annexed area.

The fire protection district may elect, by a vote of a majority of the persons residing outside the annexed area who vote on the proposition, to require the annexing code city to assume responsibility for the provision of fire protection, and for the operation and maintenance of the district's property, facilities, and equipment throughout the district and to pay the code city a reasonable fee for such fire protection, operation, and maintenance. [1981 c 332 § 8; 1967 ex.s. c 119 § 35A.14.380.]

Severability—1981 c 332: See note following RCW 35.13.165.

35A.14.400 Ownership of assets of fire protection district—When less than sixty percent of assessed valuation is annexed or incorporated in code city. If a portion of a fire protection district including less than sixty percent of the assessed value of the real property of the district is annexed to or incorporated into a code city, the ownership of all assets of the district shall remain in the district and the district shall pay to the code city within one year or within such period of time as the district continues to collect taxes in such incorporated or annexed areas, in cash, properties or contracts for fire protection services, a percentage of the value of said assets equal to the percentage of the value of the real property in the entire district lying within the area so incorporated or annexed: PROVIDED, That if less than five percent of the area of the district is affected, no payment shall be made to the code city except as provided in RCW 35.02.205. The fire protection district shall provide fire protection to the incorporated or annexed area for such period as the district continues to collect taxes levied in such annexed or incorporated area. [1989 c 267 § 2; 1967 ex.s. c 119 § 35A.14.400.]

35A.14.410 When right of way may be included—Use of right of way line as corporate boundary. The boundaries of a code city arising from an annexation of territory shall not include a portion of the right of way of any public street, road, or highway except where the boundary runs from one end of the right of way to the other edge of the right of way. However, the right of way line of any public street, road, or highway, or any segment thereof, may be used to define a part of a corporate boundary in an annexation proceeding. [1989 c 84 § 9.]

35A.14.500 Outstanding indebtedness not affected. When any portion of a fire protection district is annexed by or incorporated into a code city, any outstanding indebtedness, bonded or otherwise, shall remain an obligation of the taxable property annexed or incorporated as if the annexation or incorporation had not occurred. [1967 ex.s. c 119 § 35A.14.500.]

35A.14.550 Providing annexation information to public. A code city can provide factual public information on the effects of pending annexation proposed for the code city. [1989 c 351 § 9.]

35A.14.700 Determining population of annexed territory—Certificate—As basis for allocation of state funds—Revised certificate. Whenever any territory is annexed to a code city, a certificate as hereinafter provided shall be submitted in triplicate to the office of financial management within thirty days of the effective date of annexation specified in the relevant ordinance. After approval of the certificate, the office of financial management shall retain the original copy in its files, and transmit the second copy to the department of transportation and return the third copy to the code city. Such certificates shall be in such form and contain such information as shall be prescribed by the office of financial management. A copy of the complete ordinance containing a legal description and a map showing specifically the boundaries of the annexed territory shall be attached to each of the three copies of the certificate. The certificate shall be signed by the mayor and attested by the city clerk. Upon request, the office of financial management shall furnish certification forms to any code city.

Upon approval of the annexation certificate, the office of financial management shall forward to each state official or department responsible for making allocations or payments to cities or towns, a revised certificate reflecting the increase in population due to such annexation. Upon and after the date of the commencement of the next quarterly period, the population determination indicated in such revised certificate shall be used as the basis for the allocation and payment of state funds to such city or town.

For the purposes of this section, each quarterly period shall commence on the first day of the months of January, April, July, and October. Whenever a revised certificate is forwarded by the office of financial management thirty days or less prior to the commencement of the next quarterly period, the population of the annexed territory shall not be considered until the commencement of the following quarterly period.

35A.14.550
The resident population of the annexed territory shall be determined by, or under the direction of, the mayor of the code city. Such population determination shall consist of an actual enumeration of the population which shall be made in accordance with practices and policies, and subject to the approval of the office of financial management. The population shall be determined as of the effective date of annexation as specified in the relevant ordinance.

Until an annexation certificate is filed and approved as provided herein, such annexed territory shall not be considered by the office of financial management in determining the population of such code city. [1979 ex.s. c 18 § 28; 1979 c 151 § 35; 1975 1st ex.s. c 31 § 2; 1967 ex.s. c 119 § 35A.14.700.]

35A.14.801 Road district taxes collected in annexed territory—Disposition—Notification of annexation. Whenever any territory is annexed to a code city which is part of a road district of the county and road district taxes have been levied but not collected on any property within the annexed territory, the same shall when collected by the county treasurer be paid to the code city and by the city placed in the city street fund: PROVIDED, That this section shall not apply to any special assessments due in behalf of such property. The code city is required to provide notification, by certified mail, that includes a list of annexed parcel numbers, to the county treasurer and assessor at least thirty days before the effective date of the annexation. The county treasurer is only required to remit to the code city those road taxes collected thirty or more days after receipt of the notification. [1998 c 106 § 2; 1971 ex.s. c 251 § 14.]

35A.14.900 Cancellation, acquisition of franchise or permit for operation of public service business in territory annexed—Regulation of solid waste collection. The annexation by any code city of any territory pursuant to this chapter shall cancel, as of the effective date of such annexation, any franchise or permit theretofore granted to any person, firm or corporation by the state of Washington, or by the governing body of such annexed territory, authorizing or otherwise permitting the operation of any public utility, including but not limited to, public electric, water, transportation, garbage disposal or other similar public service business or facility within the limits of the annexed territory, but the holder of any such franchise or permit canceled pursuant to this section shall be forthwith granted by the annexing code city a franchise to continue such business within the annexed territory for a term of not less than the remaining term of the original franchise or permit, or not less than seven years, whichever is the shorter period, and the city, by franchise, permit, or public operation, shall not extend similar or competing services to the annexed territory except upon a proper showing of the inability or refusal of such person, firm, or corporation to adequately service the annexed territory at a reasonable price. Upon the effective date specified by the code city council's ordinance or resolution to have the code city contract for solid waste collection or undertake solid waste collection itself, the transition period specified in this section begins to run. This section does not preclude the purchase by the annexing city of the franchise, business, or facilities at an agreed or negotiated price, or from acquiring the same by condemnation upon payment of damages, including a reasonable amount for the loss of the franchise or permit. In the event that any person, firm, or corporation whose franchise or permit has been canceled by the terms of this section suffers any measurable damages as a result of any annexation pursuant to the provisions of the laws above-mentioned, such person, firm or corporation shall have a right of action against any code city causing such damages.

Severability—1997 c 171: See note following RCW 35.02.160.

35A.14.901 Application of chapter to annexations involving water or sewer service. Nothing in this chapter precludes or otherwise applies to an annexation by a code city of unincorporated territory as authorized by RCW 57.24.170, 57.24.190, and 57.24.210. [1996 c 230 § 1604; 1995 c 279 § 4.]

Warrants issued for such purpose shall be in denominations not less than one hundred dollars nor more than five hundred dollars; they shall draw interest at the rate of six percent per annum, shall be numbered consecutively and be paid in the order of their issue. [1967 ex.s. c 119 § 35A.31.060.]

35A.31.070  Tax levy for fund. The legislative body of the code city, after the drawing of warrants against the accident fund, shall estimate the amount necessary to pay the warrant with accrued interest thereon and may appropriate and transfer money from the contingency fund sufficient therefor, or if there is not sufficient money in the contingency fund the legislative body shall levy a tax sufficient to pay all or such unpaid portion of any judgment not exceeding seventy-five cents per thousand dollars of assessed value. If a single levy of seventy-five cents per thousand dollars of assessed value is not sufficient, and if other moneys are not available therefor, an annual levy of seventy-five cents per thousand dollars of assessed value shall be made until the warrants and interest are fully paid. [1973 1st ex.s. c 195 § 27; 1967 ex.s. c 119 § 35A.31.070.]

Severability—Effective dates and termination dates—Construction—1973 1st ex.s. c 195: See notes following RCW 84.52.043.

### 35A.33.050 Proposed preliminary budget

35A.33.060 Budget—Notice of hearing on final. Immediately following the filing of the preliminary budget with the clerk, the clerk shall publish a notice once each week for two consecutive weeks stating that the preliminary budget for the ensuing fiscal year has been filed with the clerk, that a copy thereof will be furnished to any taxpayer who will call at the clerk's office therefor and that the legislative body of the city will meet on or before the first Monday of the month next preceding the beginning of the ensuing fiscal year for the purpose of fixing the final budget, designating the date, time and place of the legislative budget meeting and that any taxpayer may appear thereat and be heard for or against any part of the budget. The publication of the notice shall be made in the official newspaper of the city. [1985 c 469 § 43; 1973 c 67 § 1; 1967 ex.s. c 119 § 35A.33.060.]

35A.33.070 Budget—Hearing. The council shall meet on the day fixed by RCW 35A.33.060 for the purpose of fixing the final budget of the city at the time and place designated in the notice thereof. The hearing may be continued from day to day but not later than the twenty-fifth day prior to commencement of the city's fiscal year. [1967 ex.s. c 119 § 35A.33.070.]

35A.33.075 Budget adoption. Following conclusion of the hearing, and prior to the beginning of the fiscal year, the legislative body shall make such adjustments and changes as it deems necessary or proper and after determining the allowance in each item, department, classification and fund, and shall by ordinance, adopt the budget in its final form and content. Appropriations shall be limited to the total estimated revenues contained therein including the amount to be raised by ad valorem taxes and the unencumbered fund balances estimated to be available at the close of the current fiscal year. Such ordinances may adopt the final budget by reference: PROVIDED, That the ordinance adopting such budget shall set forth in summary form the totals of estimated revenues and appropriations for each separate fund and the aggregate totals for all such funds combined.

A complete copy of the final budget as adopted shall be transmitted to the state auditor, and to the association of Washington cities. [1995 c 301 § 55; 1969 ex.s. c 81 § 3; 1967 ex.s. c 119 § 35A.33.075.]

[1967 ex.s. c 119 § 35A.33.102.]

35A.33.105 Adjustment of wages, etc., of employees permissible budget notwithstanding. Notwithstanding the appropriations for any salary, or salary range of any employee or employees adopted in a final budget, the legislative body of any code city may, by ordinance, change the wages, hours, and conditions of employment of any or all of its appointive employees if sufficient funds are available for appropriation to such purposes. [1967 ex.s. c 119 § 35A.33.105.]

35A.33.110 Forms—Accounting—Supervision by state. The state auditor is empowered to make and install the forms and classifications required by this chapter to define what expenditures are chargeable to each budget class and to establish the accounting and cost systems necessary to secure accurate budget information. [1995 c 301 § 54; 1967 ex.s. c 119 § 35A.33.110.]

35A.33.120 Funds—Limitations on expenditures—Transfers and adjustments. The expenditures as classified and itemized in the final budget shall constitute the city's appropriations for the ensuing fiscal year. Unless otherwise ordered by a court of competent jurisdiction, and subject to further limitations imposed by ordinance of the code city, the expenditure of city funds or the incurring of current liabilities on behalf of the city shall be limited to the following:

(1) The total amount appropriated for each fund in the budget for the current fiscal year, without regard to the individual items contained therein, except that this limitation shall not apply to wage adjustments authorized by RCW 35A.33.105; and

(2) The unexpended appropriation balances of a preceding budget which may be carried forward from prior fiscal years pursuant to RCW 35A.33.150; and

(3) Funds received from the sale of bonds or warrants which have been duly authorized according to law; and

(4) Funds received in excess of estimated revenues during the current fiscal year, when authorized by an ordinance amending the original budget; and

(5) Expenditures required for emergencies, as authorized in RCW 35A.33.080 and 35A.33.090.

Transfers between individual appropriations within any one fund may be made during the current fiscal year by order of the city's chief administrative officer subject to such regulations, if any, as may be imposed by the city council. Notwithstanding the provisions of RCW 43.09.210 or of any statute to the contrary, transfers, as herein authorized, may be made within the same fund regardless of the various offices, departments or divisions of the city which may be affected.

The city council, upon a finding that it is to the best interests of the code city to decrease, revoke or recall any portion of the total appropriations provided for any one fund, may, by ordinance, approved by the vote of one more than the majority of all members thereof, stating the facts and findings for doing so, decrease, revoke or recall all or any portion of an unexpended fund balance, and by said ordinance, or a subsequent ordinance adopted by a like majority, the moneys thus released may be reappropriated for another purpose or purposes, without limitation to department, division or fund, unless the use of such moneys is otherwise restricted by law, charter, or ordinance. [1967 ex.s. c 119 § 35A.33.120.]

35A.33.122 Administration, oversight, or supervision of utility—Reimbursement from utility budget authorized. Whenever any code city apports a percentage of the city manager's, administrator's, or supervisor's time, or the time of other management or general government staff, for administration, oversight, or supervision of a utility operated by the city, or to provide services to the utility, the utility budget may identify such services and budget for reimbursement of the city's current expense fund for the value of such services. [1991 c 152 § 3.]

35A.33.125 Limitation on expenditures—Void. Liabilities incurred by any officer or employee of the city in excess of any budget appropriations shall not be a liability of the city. The clerk shall issue no warrant and the city council or other authorized person shall approve no claim for an expenditure in excess of the total amount appropriated for any individual fund, except upon an order of a court of competent jurisdiction or for emergencies as provided in this chapter. [1969 ex.s. c 81 § 4; 1967 ex.s. c 119 § 35A.33.125.]

Effective date—1969 ex.s. c 81: See note following RCW 35A.13.035.

35A.33.130 Funds received from sales of bonds and warrants—Expenditures. Moneys received from the sale of bonds or warrants shall be used for no other purpose than that for which they were issued and no expenditure shall be made for that purpose until the bonds have been duly authorized. If any unexpended fund balance remains from the proceeds realized from the bonds or warrants after the accomplishment of the purpose for which they were issued it shall be used for the redemption of such bond or warrant indebtedness. Where a budget contains an expenditure program to be financed from a bond issue to be authorized thereafter, no such expenditure shall be made or incurred until after the bonds have been duly authorized. [1967 ex.s. c 119 § 35A.33.130.]

35A.33.135 Levy for ad valorem tax. At a time fixed by the city's ordinance or charter, not later than the first Monday in October of each year, the chief administrative officer shall provide the city's legislative body with current information on estimates of revenues from all sources as adopted in the budget for the current year, together with estimates submitted by the clerk under RCW 35A.33.050.

The city's legislative body and the city's administrative

[Title 35A RCW—page 44]
officer or his designated representative shall consider the city's total anticipated financial requirements for the ensuing fiscal year, and the legislative body shall determine and fix by ordinance the amount to be raised by ad valorem taxes. Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the board of county commissioners as required by RCW 84.52.020. [1967 ex.s. c 119 § 35A.33.135.]

35A.33.140 Funds—Quarterly report of status. At such intervals as may be required by city charter or ordinance, however, being not less than quarterly, the clerk shall submit to the city's legislative body and chief administrative officer a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding reporting period and like information for the whole of the current fiscal year to the first day of the current reporting period together with the unexpended balance of each appropriation. The report shall also show the receipts from all sources. [1967 ex.s. c 119 § 35A.33.140.]

35A.33.145 Contingency fund—Creation. Every code city may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in RCW 35A.33.080 and 35A.33.090. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in RCW 35A.33.120: PROVIDED, That the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city at such time. Any moneys in the contingency fund at the end of the fiscal year shall not lapse except upon reappropriation by the council to another fund in the adoption of a subsequent budget. [1973 1st ex.s. c 195 § 28; 1967 ex.s. c 119 § 35A.33.145.]

Severability—Effective dates and termination dates—Construction—1973 1st ex.s. c 195: See notes following RCW 84.52.043.

35A.33.146 Contingency fund—Withdrawals. No money shall be withdrawn from the contingency fund except by transfer to the appropriate operating fund authorized by a resolution or ordinance of the council, adopted by a vote of the majority of the entire council, clearly stating the facts constituting the reason for the withdrawal or the emergency as the case may be, specifying the fund to which the withdrawn money shall be transferred. [1967 ex.s. c 119 § 35A.33.146.]

35A.33.150 Unexpended appropriations. All appropriations in any current operating fund shall lapse at the end of each fiscal year: PROVIDED, That this shall not prevent payments in the following year upon uncompleted programs or improvements in progress or on orders subsequently filled or claims subsequently billed for the purchase of material, equipment and supplies or for personal or contractual services not completed or furnished by the end of the fiscal year, all of which have been properly budgeted and contracted for prior to the close of such fiscal year but furnished or completed in due course thereafter.

All appropriations in a special fund authorized by ordinance or by state law to be used only for the purpose or purposes therein specified, including any cumulative reserve funds lawfully established in specific or general terms for any municipal purpose or purposes, or a contingency fund as authorized by RCW 35A.33.145, shall not lapse, but shall be carried forward from year to year until fully expended or the purpose has been accomplished or abandoned, without necessity of reappropriation.

The accounts for budgetary control for each fiscal year shall be kept open for twenty days after the close of such fiscal year for the purpose of paying and recording claims for indebtedness incurred during such fiscal year; any claim presented after the twentieth day following the close of the fiscal year shall be paid from appropriations lawfully provided for the ensuing period, including those made available by provisions of this section, and shall be recorded in the accounts for the ensuing fiscal year. [1967 ex.s. c 119 § 35A.33.150.]

35A.33.160 Violations and penalties. Upon the conviction of any city official, department head or other city employee of knowingly failing, or refusing, without just cause, to perform any duty imposed upon such officer or employee by this chapter, or city ordinance or charter, in connection with the giving of notice, the preparing and filing of estimates of revenues or expenditures or other information required for preparing a budget report in the time and manner required, or of knowingly making expenditures in excess of budget appropriations, he shall be guilty of a misdemeanor and shall be fined not more than five hundred dollars for each separate violation. [1967 ex.s. c 119 § 35A.33.160.]

"Fiscal biennium" defined: RCW 1.16.020.

35A.34.040 Biennial budget authorized—Limitations. All code cities are authorized to establish by ordinance a two-year fiscal biennium budget. The ordinance shall be enacted at least six months prior to commencement of the fiscal biennium and this chapter applies to all code cities which utilize a fiscal biennium budget. Code cities which establish a fiscal biennium budget are authorized to repeal such ordinance and provide for reversion to a fiscal year budget. The ordinance may only be repealed effective as of the conclusion of a fiscal biennium. However, the city shall comply with chapter 35A.33 RCW in developing and adopting the budget for the first fiscal year following repeal of the ordinance. [1985 c 175 § 36.]

35A.34.050 Budget estimates—Submittal. On or before the second Monday of the fourth month prior to the beginning of the city's next fiscal biennium, or at such other time as the city may provide by ordinance or charter, the clerk shall notify in writing the head of each department of a city to file with the clerk within fourteen days of the receipt of such notification, detailed estimates of the probable revenue from sources other than ad valorem taxation and of all expenditures required by the department for the ensuing fiscal biennium. The chief administrative officers of the city shall submit to the clerk detailed estimates of all expenditures proposed to be financed from the proceeds of bonds or warrants not yet authorized, together with a statement of the proposed method of financing them. In the absence or disability of the official or person regularly in charge of a department, the duties required by this section shall devolve upon the person next in charge of such department. [1995 c 301 § 55; 1985 c 175 § 37.]

35A.34.060 Budget estimates—Classification and segregation. All estimates of receipts and expenditures for the ensuing fiscal biennium shall be fully detailed in the biennial budget and shall be classified and segregated according to a standard classification of accounts to be adopted and prescribed by the state auditor after consultation with the Washington Finance Officers Association, the association of Washington cities, and the association of Washington city managers. [1995 c 301 § 56; 1985 c 175 § 38.]

35A.34.070 Proposed preliminary budget. However, if the city was not utilizing a fiscal biennium budget for the previous three years, it shall set forth its fiscal years’ revenues to reflect actual and estimated receipts as if it had previously utilized a biennial budgetary process.

The expenditure section shall set forth in comparative and tabular form for each fund and every department operating within each fund the actual expenditures for the last completed fiscal biennium, the appropriations for the current fiscal biennium, and the estimated expenditures for the ensuing fiscal biennium. However, if the city was not utilizing a fiscal biennium budget for the previous three years, it shall set forth its fiscal years’ expenditures to reflect actual and estimated levels as if it had previously utilized a biennial budgetary process. The expenditure section shall further set forth separately the salary or salary range for each office, position, or job classification together with the title or position designation thereof. However, salaries may be set out in total amounts under each department if a detailed schedule of such salaries and positions be attached and made a part of the budget document. [1985 c 175 § 39.]

35A.34.080 Preliminary budget. The chief administrative officer shall prepare the preliminary budget in detail, making any revisions or additions to the reports of the department heads deemed advisable by such chief administrative officer. At least sixty days before the beginning of the city’s next fiscal biennium the chief administrative officer shall file it with the clerk as the recommendation of the chief administrative officer for the final budget. The clerk shall provide a sufficient number of copies of such preliminary budget and budget message to meet the reasonable demands of taxpayers therefor and have them available for distribution not later than six weeks before the beginning of the city’s next fiscal biennium. [1985 c 175 § 40.]

35A.34.090 Budget message—Hearings. (1) In every city, a budget message prepared by or under the direction of the city’s chief administrative officer shall be submitted as a part of the preliminary budget to the city’s legislative body at least sixty days before the beginning of the city’s next fiscal biennium and shall contain the following:

(a) An explanation of the budget document;
(b) An outline of the recommended financial policies and programs of the city for the ensuing fiscal biennium;
(c) A statement of the relation of the recommended appropriation to such policies and programs;
(d) A statement of the reason for salient changes from the previous biennium in appropriation and revenue items; and
(e) An explanation for any recommended major changes in financial policy.

(2) Prior to the final hearing on the budget, the legislative body or a committee thereof shall schedule hearings on the budget or parts thereof, and may require the presence of department heads to give information regarding estimates and programs. [1985 c 175 § 41.]

35A.34.100 Budget—Notice of hearing. Immediately following the filing of the preliminary budget with the clerk, the clerk shall publish a notice once a week for two consecutive weeks stating that the preliminary budget for the ensuing fiscal biennium has been filed with the clerk, that a copy thereof will be made available to any taxpayer who will call at the clerk’s office therefor, that the legislative body of the city will meet on or before the first Monday of the month next preceding the beginning of the ensuing fiscal biennium for the purpose of fixing the final budget, designating the date, time, and place of the legislative budget meeting, and that any taxpayer may appear thereat and be heard for or against any part of the budget. The publication of the notice shall be made in the official newspaper of the city if there is one, otherwise in a newspaper of general circulation in the city. If there is no newspaper of general circulation in the city, then notice may be made by posting in three public places fixed by ordinance as the official places for posting the city’s official notices. [1985 c 175 § 42.]

35A.34.110 Budget—Hearing. The legislative body shall meet on the day fixed by RCW 35A.34.100 for the purpose of fixing the final budget of the city at the time and place designated in the notice thereof. Any taxpayer may appear and be heard for or against any part of the budget. The hearing may be continued from day to day but not later than the twenty-fifth day prior to commencement of the city’s fiscal biennium. [1985 c 175 § 43.]

35A.34.120 Budget—Adoption. Following conclusion of the hearing, and prior to the beginning of the fiscal biennium, the legislative body shall make such adjustments and changes as it deems necessary or proper and, after determining the allowance in each item, department, classification, and fund, shall by ordinance adopt the budget in its final form and content. Appropriations shall be limited to the total estimated revenues contained therein including the amount to be raised by ad valorem taxes and the unencumbered fund balances estimated to be available at the close of the current fiscal biennium. Such ordinances may adopt the final budget by reference. However, the ordinance adopting the budget shall set forth in summary form the totals of estimated revenues and appropriations for each separate fund and the aggregate totals for all such funds combined.

A complete copy of the final budget as adopted shall be transmitted to the state auditor and to the association of Washington cities. [1995 c 301 § 57; 1985 c 175 § 44.]

35A.34.130 Budget—Mid-biennial review and modification. The legislative authority of a city having adopted the provisions of this chapter shall provide by ordinance for a mid-biennial review and modification of the biennial budget. The ordinance shall provide that such review and modification shall occur no sooner than eight months after the start nor later than conclusion of the first year of the fiscal biennium. The chief administrative officer shall prepare the proposed budget modification and shall provide for publication of notice of hearings consistent with publication of notices for adoption of other city ordinances. City ordinances providing for a mid-biennium review and modification shall establish procedures for distribution of the
proposed modification to members of the city legislative authority, procedures for making copies available to the public, and shall provide for public hearings on the proposed budget modification. The budget modification shall be by ordinance approved in the same manner as are other ordinances of the city.

A complete copy of the budget modification as adopted shall be transmitted to the state auditor and to the association of Washington cities. [1995 c 301 § 58; 1985 c 175 § 45.]

35A.34.140 Emergency expenditures—Nondebatable emergencies. Upon the happening of any emergency caused by violence of nature, casualty, riot, insurrection, war, or other unanticipated occurrence requiring the immediate preservation of order or public health, or for the property which has been damaged or destroyed by accident, or for public relief from calamity, or in settlement of approved claims for personal injuries or property damages, or to meet mandatory expenditures required by law enacted since the last budget was adopted, or to cover expenses incident to preparing for or establishing a new form of government authorized or assumed after adoption of the current budget, including any expenses incident to selection of additional or new officials required thereby, or incident to employee recruitment at any time, the city legislative body, upon the adoption of an ordinance, by the vote of one more than the majority of all members of the legislative body, stating the facts constituting the emergency and the estimated amount required to meet it, may make the expenditures therefor without notice or hearing. [1985 c 175 § 46.]

35A.34.150 Emergency expenditures—Other emergencies—Hearing. If a public emergency which could not reasonably have been foreseen at the time of filing the preliminary budget requires the expenditure of money not provided for in the budget, and if it is not one of the emergencies specifically enumerated in RCW 35A.34.140, the city legislative body before allowing any expenditure therefor shall adopt an ordinance stating the facts constituting the emergency and the estimated amount required to meet it and declaring that an emergency exists.

The ordinance shall not be voted on until five days have elapsed after its introduction, and for passage shall require the vote of one more than the majority of all members of the legislative body of the city.

Any taxpayer may appear at the meeting at which the emergency ordinance is to be voted on and be heard for or against the adoption thereof. [1985 c 175 § 47.]

35A.34.160 Emergency expenditures—Warrants—Payment. All expenditures for emergency purposes as provided in this chapter shall be paid by warrants from any available money in the fund properly chargeable with such expenditures. If, at any time, there is insufficient money on hand in a fund with which to pay such warrants as presented, the warrants shall be registered, bear interest, and be called in the same manner as other registered warrants as prescribed in RCW 35A.21.110. [1985 c 175 § 48.]

35A.34.170 Registered warrants—Payment. In adopting the final budget for any fiscal biennium, the legislative body shall appropriate from estimated revenue sources available, a sufficient amount to pay the principal and interest on all outstanding registered warrants issued since the adoption of the last preceding budget except those issued and identified as revenue warrants and except those for which an appropriation previously has been made. However, no portion of the revenues which are restricted in use by law may be appropriated for the redemption of warrants issued against a utility or other special purpose fund of a self-supporting nature. In addition, all or any portion of the city's outstanding registered warrants may be funded into bonds in any manner authorized by law. [1985 c 175 § 49.]

35A.34.180 Adjustment of wages, hours and conditions of employment. Notwithstanding the appropriations for any salary or salary range of any employee or employees adopted in a final budget, the legislative body of any city may, by ordinance, change the wages, hours, and conditions of employment of any or all of its appointive employees if sufficient funds are available for appropriation to such purposes. [1985 c 175 § 50.]

35A.34.190 Forms—Accounting—Supervision by state. The state auditor is empowered to make and install the forms and classifications required by this chapter to define what expenditures are chargeable to each budget class and to establish the accounting and cost systems necessary to secure accurate budget information. [1995 c 301 § 59; 1985 c 175 § 51.]

35A.34.200 Funds—Limitations on expenditures—Transfers and adjustments. (1) The expenditures as classified and itemized in the final budget shall constitute the city's appropriations for the ensuing fiscal biennium. Unless otherwise ordered by a court of competent jurisdiction, and subject to further limitations imposed by ordinance of the city, the expenditure of city funds or the incurring of current liabilities on behalf of the city shall be limited to the following:

(a) The total amount appropriated for each fund in the budget for the current fiscal biennium, without regard to the individual items contained therein, except that this limitation does not apply to wage adjustments authorized by RCW 35A.34.180;

(b) The unexpended appropriation balances of a preceding budget which may be carried forward from prior fiscal periods pursuant to RCW 35A.34.270;

(c) Funds received from the sale of bonds or warrants which have been duly authorized according to law;

(d) Funds received in excess of estimated revenues during the current fiscal biennium, when authorized by an ordinance amending the original budget; and

(e) Expenditures authorized by budget modification as provided by RCW 35A.34.130 and those required for emergencies, as authorized by RCW 35A.34.140 and 35A.34.150.

(2) Transfers between individual appropriations within any one fund may be made during the current fiscal biennium by order of the city's chief administrative officer subject to such regulations, if any, as may be imposed by the city legislative body. Notwithstanding the provisions of RCW [1998 Ed.]
Biennial Budgets

35A.34.200

43.09.210 or of any statute to the contrary, transfers, as authorized in this section, may be made within the same fund regardless of the various offices, departments, or divisions of the city which may be affected.

(3) The city legislative body, upon a finding that it is to the best interests of the city to decrease, revoke, or recall all or any portion of the total appropriations provided for any one fund, may, by ordinance, approved by the vote of one more than the majority of all members thereof, stating the facts and findings for doing so, decrease, revoke, or recall all or any portion of an unexpended fund balance, and by said ordinance, or a subsequent ordinance adopted by a like majority, the moneys thus released may be reappropriated for another purpose or purposes, without limitation to department, division, or fund, unless the use of such moneys is otherwise restricted by law, charter, or ordinance. [1985 c 175 § 52.]

35A.34.205 Administration, oversight, or supervision of utility—Reimbursement from utility budget authorized. Whenever any code city apportions a percentage of the city manager's, administrator's, or supervisor's time, or the time of other management or general government staff, for administration, oversight, or supervision of a utility operated by the city, or to provide services to the utility, the utility budget may identify such services and budget for reimbursement of the city's current expense fund for the value of such services. [1991 c 152 § 4.]

35A.34.210 Liabilities incurred in excess of budget. Liabilities incurred by any officer or employee of the city in excess of any budget appropriations shall not be a liability of the city. The clerk shall issue no warrant and the city legislative body or other authorized person shall approve no claim for an expenditure in excess of the total amount appropriated for any individual fund, except upon an order of a court of competent jurisdiction or for emergencies as provided in this chapter. [1985 c 175 § 53.]

35A.34.220 Funds received from sales of bonds and warrants—Expenditures. Moneys received from the sale of bonds or warrants shall be used for no other purpose than that for which they were issued and no expenditure shall be made for that purpose until the bonds have been duly authorized. If any unexpended fund balance remains from the proceeds realized from the bonds or warrants after the accomplishment of the purpose for which they were issued, it shall be used for the redemption of such bond or warrant indebtedness. Where a budget contains an expenditure program to be financed from a bond issue to be authorized thereafter, no such expenditure shall be made or incurred until after the bonds have been duly authorized. [1985 c 175 § 54.]

35A.34.230 Revenue estimates—Amount to be raised by ad valorem taxes. At a time fixed by the city's ordinance or city charter, not later than the first Monday in October of the second year of each fiscal biennium, the chief administrative officer shall provide the city's legislative body with current information on estimates of revenues from all sources as adopted in the budget for the current biennium, together with estimates submitted by the clerk under RCW 35A.4.070. The city's legislative body and the city's administrative officer or the officer's designated representative shall consider the city's total anticipated financial requirements for the ensuing fiscal biennium, and the legislative body shall determine and fix by ordinance the amount to be raised the first year of the biennium by ad valorem taxes. The legislative body shall review such information as is provided by the chief administrative officer and shall adopt an ordinance establishing the amount to be raised by ad valorem taxes during the second year of the biennium. Upon adoption of the ordinance fixing the amount of ad valorem taxes to be levied, the clerk shall certify the same to the county legislative authority as required by RCW 84.52.020. [1985 c 175 § 55.]

35A.34.240 Funds—Quarterly report of status. At such intervals as may be required by city charter or city ordinance, however, being not less than quarterly, the clerk shall submit to the city's legislative body and chief administrative officer a report showing the expenditures and liabilities against each separate budget appropriation incurred during the preceding reporting period and like information for the whole of the current fiscal biennium to the first day of the current reporting period together with the unexpended balance of each appropriation. The report shall also show the receipts from all sources. [1985 c 175 § 56.]

35A.34.250 Contingency fund—Creation. Every city may create and maintain a contingency fund to provide moneys with which to meet any municipal expense, the necessity or extent of which could not have been foreseen or reasonably evaluated at the time of adopting the annual budget, or from which to provide moneys for those emergencies described in RCW 35A.34.140 and 35A.34.150. Such fund may be supported by a budget appropriation from any tax or other revenue source not restricted in use by law, or also may be supported by a transfer from other unexpended or decreased funds made available by ordinance as set forth in RCW 35A.34.200. However, the total amount accumulated in such fund at any time shall not exceed the equivalent of thirty-seven and one-half cents per thousand dollars of assessed valuation of property within the city at such time. Any moneys in the emergency fund at the end of the fiscal biennium shall not lapse except upon reapportionment by the council to another fund in the adoption of a subsequent budget. [1985 c 175 § 57.]

35A.34.260 Contingency fund—Withdrawals. No money shall be withdrawn from the contingency fund except by transfer to the appropriate operating fund authorized by a resolution or ordinance of the legislative body of the city, adopted by a majority vote of the entire legislative body, clearly stating the facts constituting the reason for the withdrawal or the emergency as the case may be, specifying the fund to which the withdrawn money shall be transferred. [1985 c 175 § 58.]

35A.34.270 Unexpended appropriations. All appropriations in any current operating fund shall lapse at the end of each fiscal biennium. However, this shall not
prevent payments in the following biennium upon uncompleted programs or improvements in progress or on orders subsequently filled or claims subsequently billed for the purchase of material, equipment, and supplies or for personal or contractual services not completed or furnished by the end of the fiscal biennium, all of which have been properly budgeted and contracted for prior to the close of such fiscal biennium, but furnished or completed in due course thereafter.

All appropriations in a special fund authorized by ordinance or by state law to be used only for the purpose or purposes therein specified, including any cumulative reserve funds lawfully established in specific or general terms for any municipal purpose or purposes, or a contingency fund as authorized by RCW 35A.34.250, shall not lapse, but shall be carried forward from biennium to biennium until fully expended or the purpose has been accomplished or abandoned, without necessity of reappropriation.

The accounts for budgetary control for each fiscal biennium shall be kept open for twenty days after the close of such fiscal biennium for the purpose of paying and recording claims for indebtedness incurred during such fiscal biennium; any claim presented after the twentieth day following the close of the fiscal biennium shall be paid from appropriations lawfully provided for the ensuing period, including those made available by provisions of this section, and shall be recorded in the accounts for the ensuing fiscal biennium. [1985 c 175 § 59.]

35A.34.280 Violations and penalties. Upon the conviction of any city official, department head, or other city employee of knowingly failing, or refusing, without just cause, to perform any duty imposed upon such officer or employee by this chapter, or city charter or city ordinance, in connection with the giving of notice, the preparing and filing of estimates of revenues or expenditures or other information required for preparing a budget report in the time and manner required, or of knowingly making expenditures in excess of budget appropriations, the official or employee shall be guilty of a misdemeanor and shall be fined not more than five hundred dollars for each separate violation. [1985 c 175 § 60.]

If the signature of one of these officers is affixed to a bond during his continuance in office by a proxy designated by him whose authority has not been revoked, the bond shall be as binding upon the city and all concerned as though the officer had signed the bond in person. This chapter shall apply to all bonds, whether they constitute obligations of the city as a whole or of any local improvement or other district or subdivision thereof, whether they call for payment from the general funds of the city or from a local, special or other fund, and whether negotiable or otherwise. [1967 ex.s. c 119 § 35A.36.010.]

[1967 ex.s. c 119 § 35A.36.020.]

[1967 ex.s. c 119 § 35A.36.030.]

35A.36.040 Designation of bonds to be signed. Every printer, engraver, or lithographer who knowingly prints, engraves, or lithographs a greater number of bonds than that

35A.36.050 Liability of officer. A code city officer authorizing the affixing of his signature to a bond by a proxy shall be subject to the same liability personally and on his bond for any signature so affixed and to the same extent as if he had affixed his signature in person. [1967 ex.s. c 119 § 35A.36.050.]

35A.36.060 Notice to council. In order to designate a proxy to affix his signature to bonds, a code city officer shall address a written notice to the legislative body of the city giving the name of the person whom he has selected therefor and stating generally or specifically what bonds are to be so signed.

Attached to or included in the notice shall be a written signature of the officer making the designation executed by the proposed proxy followed by the word “by” and his own signature; or, if the notice so states, the specimen signatures may consist of a facsimile reproduction of the officer’s signature impressed by some mechanical process followed by the word “by” and the proxy’s own signature.

If the authority is intended to include the signature upon bonds bearing an earlier date than the effective date of the notice, the prior dated bonds must be specifically described by reasonable reference thereto.

The notice designating a proxy shall be filed with the city finance officer or city clerk, together with the specimen signatures attached thereto and a record of the filing shall be made in the journal of the legislative body. This record shall note the date and hour of filing and may be made by the official who keeps the journal at any time after the filing of the notice, even during a period of recess or adjournment of the legislative body. The notice shall be effective from the time of its recording. [1967 ex.s. c 119 § 35A.36.060.]

35A.36.070 Revocation of proxy. Any designation of a proxy may be revoked by written notice addressed to the legislative body of the code city signed by the officer who made the designation and filed and recorded in the same manner as the notice of designation. It shall be effective from the time of its recording but shall not affect the validity of any signatures theretofore made. [1967 ex.s. c 119 § 35A.36.070.]

a planning agency concludes that he has a conflict of interest or an appearance of fairness problem with respect to a matter pending before the agency so that he cannot discharge his duties on such an agency, he shall disqualify himself from participating in the deliberations and the decision-making process with respect to the matter. If this occurs, the appointing authority that appoints such a person may appoint a person to serve as an alternate on the agency to serve in his stead in regard to such a matter. [1979 ex.s. c 18 § 33; 1967 ex.s. c 119 § 35A.63.020.]

A code city with one or more municipalities within a region, otherwise authorized by law to plan, including municipalities of adjoining states, when empowered by ordinances of their respective legislative bodies, may cooperate to form, organize, and administer a regional planning commission to prepare a comprehensive plan and perform other planning functions for the region defined by agreement of the respective municipalities. The various agencies may cooperate in all phases of planning, and professional staff may be engaged to assist in such planning. All costs shall be shared on a pro rata basis as agreed among the various entities. A code city may also cooperate with any department or agency of a state government having planning functions. 35A.63.060 Comprehensive plan—General. Every code city, by ordinance, shall direct the planning agency to prepare a comprehensive plan for anticipating and influencing the orderly and coordinated development of land and building uses of the code city and its environs. The comprehensive plan may be prepared as a whole or in successive parts. [1967 ex.s. c 119 § 35A.63.060.]

35A.63.061 Comprehensive plan—Required elements. The comprehensive plan shall be in such form and of such scope as the code city’s ordinance or charter may require. (1998 Ed.)
35A.63.070 Comprehensive plan—Notice and hearing. After preparing the comprehensive plan, or successive parts thereof, as the case may be, the planning agency shall hold at least one public hearing on the comprehensive plan or successive part. Notice of the time, place, and purpose of such public hearing shall be given as provided by ordinance and including at least one publication in a newspaper of general circulation delivered in the code city and in the official gazette, if any, of the code city, at least ten days prior to the date of the hearing. Continued hearings may be held at the discretion of the planning agency but no additional notices need be published. [1967 ex.s. c 119 § 35A.63.070.]

35A.63.071 Comprehensive plan—Forwarding to legislative body. Upon completion of the hearing or hearings on the comprehensive plan or successive parts thereof, the planning agency, after making such changes as it deems necessary following such hearing, shall transmit a copy of its recommendations for the comprehensive plan, or successive parts thereof, to the legislative body through the chief administrative officer, who shall acknowledge receipt thereof and direct the clerk to certify thereon the date of receipt. [1967 ex.s. c 119 § 35A.63.071.]

35A.63.072 Comprehensive plan—Approval by legislative body. Within sixty days from its receipt of the recommendation for the comprehensive plan, as above set forth, the legislative body at a public meeting shall consider the same. The legislative body within such period as it may by ordinance provide, shall vote to approve or disapprove or to modify and approve, as modified, the comprehensive plan or to refer it back to the planning agency for further proceedings, in which case the legislative body shall specify the time within which the planning agency shall report back to the legislative body its findings and recommendations on the matters referred to it. The final form and content of the comprehensive plan shall be determined by the legislative body. An affirmative vote of not less than a majority of total members of the legislative body shall be required for adoption of a resolution to approve the plan or its parts. The comprehensive plan, or its successive parts, as approved by the legislative body, shall be filed with an appropriate official of the code city and shall be available for public inspection. [1967 ex.s. c 119 § 35A.63.072.]

35A.63.080 Comprehensive plan—Effect. From the date of approval by the legislative body the comprehensive plan, its parts and modifications thereof, shall serve as a basic source of reference for future legislative and administrative action: PROVIDED, That the comprehensive plan shall not be construed as a regulation of property rights or land uses. PROVIDED, FURTHER, That no procedural irregularity or informality in the consideration, hearing, and development of the comprehensive plan or a part thereof, or any of its elements, shall affect the validity of any zoning ordinance or amendment thereto enacted by the code city after the approval of the comprehensive plan.

The comprehensive plan shall be consulted as a preliminary to the establishment, improvement, abandonment, or vacation of any street, park, public way, public building, or public structure, and no dedication of any street or other area for public use shall be accepted by the legislative body until the location, character, extent, and effect thereof shall have been considered by the planning agency with reference to the comprehensive plan. The legislative body shall specify the time within which the planning agency shall report and make a recommendation with respect thereto. Recommendations of the planning agency shall be advisory only. [1967 ex.s. c 119 § 35A.63.080.]

35A.63.100 Municipal authority. After approval of the comprehensive plan, as set forth above, the legislative body, in developing the municipality and in regulating the use of land, may implement or give effect to the comprehensive plan or parts thereof by ordinance or other action to such extent as the legislative body deems necessary or appropriate. Such ordinances or other action may provide for:

(1) Adoption of an official map and regulations relating thereto designating locations and requirements for one or more of the following: Streets, parks, public buildings, and other public facilities, and protecting such sites against encroachment by buildings and other physical structures.

(2) Dividing the municipality, or portions thereof, into appropriate zones within which specific standards, requirements, and conditions may be provided for regulating the use of public and private land, buildings, and structures, and the location, height, bulk, number of stories, and size of buildings and structures, size of yards, courts, open spaces, density of population, ratio of land area to the area of buildings and structures, setbacks, area required for off-street parking, protection of access to direct sunlight for solar energy systems, and such other standards, requirements, regulations, and procedures as are appropriately related thereto. The ordinance encompassing the matters of this subsection is hereinafter called the "zoning ordinance". No zoning ordinance, or amendment thereto, shall be enacted by the legislative body without at least one public hearing, notice of which shall be given as set forth in RCW 35A.63.070. Such hearing may be held before the planning agency or the board of adjustment or such other body as the legislative body shall designate.

(3) Adoption of design standards, requirements, regulations, and procedures for the subdivision of land into two or more parcels, including, but not limited to, the approval of plats, dedications, acquisitions, improvements, and reservation of sites for public use.

(4) Scheduling public improvements on the basis of recommended priorities over a period of years, subject to periodic review.

(5) Such other matters as may be otherwise authorized by law or as the legislative body deems necessary or appropriate to effectuate the goals and objectives of the comprehensive plan or parts thereof and the purposes of this

35A.63.100

Chapter. [1979 ex.s. c 170 § 8; 1967 ex.s. c 119 § 35A.63.100.]

Severability—1979 ex.s. c 170: See note following RCW 64.04.140.

35A.63.105 Development regulations—Consistency with comprehensive plan. Beginning July 1, 1992, the development regulations of each code city that does not plan under RCW 36.70A.040 shall not be inconsistent with the city’s comprehensive plan. For the purposes of this section, “development regulations” has the same meaning as set forth in RCW 36.70A.030. [1990 1st ex.s. c 17 § 23.]

Severability—Part, section headings not law—1990 1st ex.s. c 17: See RCW 36.70A.900 and 36.70A.901.

35A.63.110 Board of adjustment—Creation—Powers and duties. A code city which pursuant to this chapter creates a planning agency and which has twenty-five hundred or more inhabitants, by ordinance, shall create a board of adjustment and provide for its membership, terms of office, organization, jurisdiction. A code city which pursuant to this chapter creates a planning agency and which has a population of less than twenty-five hundred may, by ordinance, similarly create a board of adjustment. In the event a code city with a population of less than twenty-five hundred creates a planning agency, but does not create a board of adjustment, the code city shall provide that the city legislative authority shall itself hear and decide the items listed in subdivisions (1), (2), and (3) of this section. The action of the board of adjustment shall be final and conclusive, unless, within ten days from the date of the action, the original applicant or an adverse party makes application to the superior court for the county in which that city is located for a writ of certiorari, a writ of prohibition, or a writ of mandamus. No member of the board of adjustment shall be a member of the planning agency or the legislative body. Subject to conditions, safeguards, and procedures provided by ordinance, the board of adjustment may be empowered to hear and decide:

(1) Appeals from orders, recommendations, permits, decisions, or determinations made by a code city official in the administration or enforcement of the provisions of this chapter or any ordinances adopted pursuant to it.

(2) Applications for variances from the terms of the zoning ordinance, the official map ordinance or other land-use regulatory ordinances under procedures and conditions prescribed by city ordinance, which among other things shall provide that no application for a variance shall be granted unless the board of adjustment finds:

(a) the variance shall not constitute a grant of special privilege inconsistent with the limitation upon uses of other properties in the vicinity and zone in which the property on behalf of which the application was filed is located; and

(b) that such variance is necessary, because of special circumstances relating to the size, shape, topography, location, or surroundings of the subject property, to provide it with use rights and privileges permitted to other properties in the vicinity and in the zone in which the subject property is located; and

(c) that the granting of such variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the vicinity and zone in which the subject property is situated.

(3) Applications for conditional-use permits, unless such applications are to be heard and decided by the planning agency. A conditional use means a use listed among those classified in any given zone but permitted to locate only after review as herein provided in accordance with standards and criteria set forth in the zoning ordinance.

(4) Such other quasi judicial and administrative determinations as may be delegated by ordinance.

In deciding any of the matters referred to in subsections (1), (2), (3), and (4) of this section, the board of adjustment shall issue a written report giving the reasons for its decision. If a code city provides for a hearing examiner and vests in him the authority to hear and decide the items listed in subdivisions (1), (2), and (3) of this section pursuant to RCW 35A.63.170, then the provisions of this section shall not apply to such a city. [1979 ex.s. c 18 § 34; 1967 ex.s. c 119 § 35A.63.110.]

Severability—1979 ex.s. c 18: See note following RCW 35A.01.070.

35A.63.120 Administration and enforcement. In order to carry into effect the purposes of this chapter, administrative and enforcement responsibilities, other than those set forth in RCW 35A.63.110, may be assigned by ordinance to such departments, boards, officials, employees, or agents as the legislative body deems appropriate. [1967 ex.s. c 119 § 35A.63.120.]

35A.63.130 Provisions inconsistent with charters. Insofar as the provisions of an existing charter of a municipality are inconsistent with this chapter, a municipality may exercise the authority, or any part thereof, granted by this chapter notwithstanding the inconsistent provision of an existing charter. [1967 ex.s. c 119 § 35A.63.130.]

35A.63.140 Duties and responsibilities imposed by other acts. Any duties and responsibilities which by other statutes are imposed upon a planning commission may, in a code city, be performed by a planning agency, as provided in this chapter. [1967 ex.s. c 119 § 35A.63.140.]

35A.63.145 Prohibitions on manufactured homes—Review required—"Designated manufactured home" defined. (1) Each comprehensive plan which does not allow for the siting of manufactured homes on individual lots shall be subject to a review by the city of the need and demand for such homes. The review shall be completed by December 31, 1990.

(2) For the purpose of providing an optional reference for cities which choose to allow manufactured homes on individual lots, a "designated manufactured home" is a manufactured home constructed after June 15, 1976, in accordance with state and federal requirements for manufactured homes, which:

(a) Is comprised of at least two fully enclosed parallel sections each of not less than twelve feet wide by thirty-six feet long;

(b) Was originally constructed with and now has a composition or wood shake or shingle, coated metal, or similar roof of not less than 3:12 pitch; and

(1998 Ed.)

[Title 35A RCW—page 61]
(c) Has exterior siding similar in appearance to siding materials commonly used on conventional site-built uniform building code single-family residences.

(3) Nothing in this section precludes cities from allowing any manufactured home from being sited on individual lots through local standards which differ from the designated manufactured home as described in this section, except that the term "designated manufactured home" shall not be used except as defined in subsection (2) of this section. [1988 c 239 § 2.]

### 35A.63.149 Residential care facilities—Review of need and demand—Adoption of ordinances.

Each municipality that does not provide for the siting of residential care facilities in zones or areas that are designated for single family or other residential uses, shall conduct a review of the need and demand for the facilities, including the cost of any conditional or special use permit that may be required. The review shall be completed by August 31, 1990. 36.08.010 Petition and notice of election. If a harbor, inlet, bay, or mouth of river is embraced within two adjoining counties, and an incorporated city is located upon the shore of such harbor, bay, inlet, or mouth of river and it is desired to embrace within the limits of one county, the full extent of the shore line of the harbor, port, or bay, and the waters thereof, together with a strip of the adjacent and contiguous upland territory not exceeding three miles in width, to be measured back from high water mark, and six miles in length, and not being at a greater distance in any part of said strip from the courthouse in the county seat of the county to which the territory is proposed to be annexed, as such county seat and courthouse are now situated, than ten miles, a majority of the qualified electors living in such territory may petition to have the territory stricken from the county of which it shall then be a part, and added to and made a part of the county contiguous thereto.

The petition shall describe with certainty the bounds and area of the territory, with the reasons for making the change and shall be presented to the board of county commissioners of the county in which the territory is located, which shall proceed to ascertain if the petition contains the requisite number of petitioners, who must be bona fide residents of the territory sought to be stricken off and transferred to the contiguous county.

If satisfied that the petition is signed by a majority of the bona fide electors of the territory, and that there will remain in the county from which it is taken more than four thousand inhabitants, the board shall make an order that a special election be held within the limits of the territory described in the petition, on a date to be named in the order.

Notices of the election shall contain a description of the territory proposed to be transferred and the names of the counties from and to which the transfer is intended to be made, and shall be posted and published as required for general elections. The ballots used at such election shall contain the words "for transferring territory," or "against transferring territory." The votes shall be canvassed, as by law required, within twenty days, and if three-fifths of the votes cast in the territory at such election are "for transferring territory," the territory described in the petition shall become a part of and be added to and made a part of the county contiguous thereto, and within thirty days after the canvass of the returns of the election, the governor shall issue his proclamation of the change of county lines. 36.08.050 Transferee county liable for existing debts—Exception. Every county which is thus enlarged by territory taken from another county shall be liable for a just proportion of the existing debts of the county from which such territory is stricken, which proportion shall be paid by the county to which such territory is transferred at such time and in such manner as may be agreed upon by the boards of county commissioners of both counties: PROVIDED, That the county to which the territory is transferred shall not be liable for any portion of the debt of the county from which the territory is taken, incurred in the purchase of any county property, or the construction of any county building then in use or under construction, which shall fall within and be retained by the county from which the territory is taken.

36.08.060 Adjustment of indebtedness. The county auditors of the respective counties interested in the transfer of territory, as in this chapter provided, are constituted a board of appraisers and adjusters, to appraise the property, both real and personal, owned by the county from which the territory is taken, and to adjust the indebtedness of such county with the county to which such territory is transferred, in proportion to the amount of taxable property within the territory taken from the one county and transferred to the other. [1963 c 4 § 36.08.050. Prior: 1891 c 144 § 5; RRS § 3976.]

36.09.010 Debts and property to be apportioned. Whenever a new county shall be or shall have been organized out of the territory which was included within the limits of any other county or counties, the new county shall be liable for a reasonable proportion of the debts of the county from which it was taken, and entitled to its proportion of the property of the county. [1963 c 4 § 36.09.010. Prior: Code 1881 § 2657; 1863 p 538 § 3; 1854 p 330 § 1; RRS § 3986.]

36.09.020 Procedure to settle amount charged new county—Basis of apportionment. The auditor of the old county shall give the auditor of the new county reasonable notice to meet him on a certain day at the county seat of the old county, or at some other convenient place, to settle upon and fix the amount which the new county shall pay. In doing so, they shall not charge either county with any share of debts arising from the erection of public buildings, or out of the construction of roads or bridges which shall be and remain, after the division, within the limits of the other county, and of the other debts they shall apportion to each county such a share of the indebtedness as may be just and equitable, taking into consideration the population of such portion of territory so forming a part of the said counties while so united, and also the relative advantages, derived from the old county organization.

36.09.035 Procedure to settle amount charged new county—Disagreement between auditors—Determination by third person. In case the two auditors cannot agree, they shall call a third person, not a citizen of either county, or in any other manner interested, whose decision shall be binding. 36.09.040 Payment of indebtedness—Transfer of property. The auditor of the county indebted upon such decision shall give to the auditor of the other county his order upon the treasurer for the amount to be paid out of the proper fund, as in other cases, and also make out a transfer of such property as shall be assigned to either county. [1963 c 4 § 36.09.040. Prior: Code 1881 § 2660; 1863 p 559 § 6; 1854 p 330 § 4; RRS § 3989.]

36.09.050 Collection of taxes levied—Apportionment. When a county is divided or the boundary is altered, all taxes levied before the division was made or boundaries changed, shall be collected by the auditors of the county in which the territory was situated before the division or change. And the auditor or auditors of the county or counties so divided or having boundaries changed, shall apportion the amount of the real property taxes so collected after division or change of boundary to the old county or counties and the new county or counties, in the ratio of the assessed value of such property situated in the territory of each county or counties respectively, and the old county that may have been divided or whose boundaries may have been changed, shall retain all of the personal property taxes on the said tax rolls, as compensation for cost of collection of the entire taxes: PROVIDED, That in such accounting neither county shall be charged with any debt or liability thereafter incurred in the purchase of any county property, or in the purchase or construction of any county buildings then in use or under construction, which shall fall within and be retained by the county: PROVIDED FURTHER, That this shall not be construed to affect the rights of creditors: AND PROVIDED FURTHER, That any such county property or buildings shall be the property of and owned by the county wherein the same is situated. In case the auditors of the interested counties are not able to agree upon the proportion to be awarded to each county, the same shall be determined by the judge of the superior court of the district in which all of the interested counties are situated, if they be in one district, and have one common judge, and if not, by the judges sitting en banc of the superior courts of the counties involved. Said auditors shall make said apportionment within sixty days after the creation of any new county or the changing of boundaries of any old county, and if they do not, within said time, agree upon said apportionment, thereafter either or any county affected may petition the judge or judges of any court given jurisdiction by this section, and upon ten days' notice to any other county affected, the same may be brought on for hearing and summarily disposed of by said judge or judges, after allowing each side an opportunity to be heard. 36.32.010 Board of commissioners established—Quorum. There is established in each county in this state a board of county commissioners. Except as provided in RCW 36.32.055 and 36.32.0552, each board of county commissioners shall consist of three qualified electors, two of whom shall constitute a quorum to do business. 36.32.020 Commissioner districts. The board of county commissioners of each county shall divide their county into three commissioner districts so that each district shall comprise as nearly as possible one-third of the population of the county: PROVIDED, That the territory comprising in any voting precincts of such districts shall remain compact, and shall not be divided by the lines of said districts.

However, the commissioners of any county composed entirely of islands and with a population of less than thirty-five thousand may divide their county into three commissioner districts without regard to population, except that if any single island is included in more than one district, the districts on such island shall comprise, as nearly as possible, equal populations.

The lines of the districts shall not be changed oftener than once in four years and only when a full board of commissioners is present. The districts shall be designated as districts numbered one, two and three. [1982 c 226 § 4; 1970 ex.s. c 58 § 1; 1963 c 4 § 36.32.020. Prior: 1893 c 39 § 2; 1890 p 317 §§ 1, 2; RRS § 4037.]

Such candidates shall be nominated in the same manner as candidates for other county and district offices are nominated in all other respects.

(2) Where the commissioners of a county composed entirely of islands with a population of less than thirty-five thousand have chosen to divide the county into unequal-sized commissioner districts pursuant to the exception provided in RCW 36.32.020, the qualified electors of the entire county shall nominate from among their own number who reside within a commissioner district, candidates for the office of county commissioner of such commissioner district to be voted for at the following general election. Such candidates shall be nominated in the same manner as candidates for other county offices are nominated in all other respects. [1982 c 226 § 5; 1963 c 4 § 36.32.040. 36.32.230 Inventory of county personal property—Taxpayer's action. Any taxpayer of such county is hereby authorized to institute said action in conjunction with or independent of the action of the prosecuting attorney. [1963 c 4 § 36.32.230. Prior: 1931 c 95 § 6; RRS § 4056-6. FORMER PART OF SECTION: 1931 c 95 § 5; RRS § 4057-5, now codified as RCW 36.32.225.]

36.32.235 Competitive bids—Purchasing department—Counties with a population of one million or more—Public works procedures—Exceptions. (1) In each county with a population of one million or more which by resolution establishes a county purchasing department, the purchasing department shall enter into leases of personal property on a competitive basis and purchase all supplies, materials, and equipment on a competitive basis, for all departments of the county, as provided in this chapter and chapter 39.04 RCW, except that the county purchasing department is not required to make purchases that are paid from the county road fund or equipment rental and revolving fund.

(2) As used in this section, "public works" has the same definition as in RCW 39.04.010.

(3) Except as otherwise specified in this chapter or in chapter 36.77 RCW, all counties subject to these provisions shall contract on a competitive basis for all public works after bids have been submitted to the county upon specifications therefor. Such specifications shall be in writing and shall be filed with the clerk of the county legislative authority for public inspection.

(4) An advertisement shall be published in the county official newspaper stating the time and place where bids will be opened, the time after which bids will not be received, the character of the work to be done, the materials and equipment to be furnished, and that specifications thereof may be seen at the office of the clerk of the county legislative authority. An advertisement shall also be published in a legal newspaper of general circulation in or as near as possible to that part of the county in which such work is to be done. If the county official newspaper is a newspaper of general circulation covering at least forty percent of the residences in that part of the county in which such public works are to be done, then the publication of an advertisement of the applicable specifications in the county official newspaper is sufficient. Such advertisements shall be published at least once at least thirteen days prior to the last date upon which bids will be received.

(5) The bids shall be in writing, shall be filed with the clerk, shall be opened and read in public at the time and place named therefor in the advertisements, and after being opened, shall be filed for public inspection. No bid may be considered for public work unless it is accompanied by a bid deposit in the form of a surety bond, postal money order, cash, cashier's check, or certified check in an amount equal to five percent of the amount of the bid proposed.
(6) The contract for the public work shall be awarded to the lowest responsible bidder. Any or all bids may be rejected for good cause. The county legislative authority shall require from the successful bidder for such public work a contractor's bond in the amount and with the conditions imposed by law.

(7) If the bidder to whom the contract is awarded fails to enter into the contract and furnish the contractor's bond as required within ten days after notice of the award, exclusive of the day of notice, the amount of the bid deposit shall be forfeited to the county and the contract awarded to the next lowest and best bidder. The bid deposit of all unsuccessful bidders shall be returned after the contract is awarded and the required contractor's bond given by the successful bidder is accepted by the county legislative authority. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry.

(8) As limited by subsection (10) of this section, a county subject to these provisions may have public works performed by county employees in any annual or biennial budget period equal to a dollar value not exceeding ten percent of the public works construction budget, including any amount in a supplemental public works construction budget, over the budget period.

Whenever a county subject to these provisions has had public works performed in any budget period up to the maximum permitted amount for that budget period, all remaining public works except emergency work under subsection (12) of this section within that budget period shall be done by contract pursuant to public notice and call for competitive bids as specified in subsection (3) of this section. The state auditor shall report to the state treasurer any county subject to these provisions that exceeds this amount and the extent to which the county has or has not reduced the amount of public works it has performed by public employees in subsequent years.

(9) If a county subject to these provisions has public works performed by public employees in any budget period that are in excess of this ten percent limitation, the amount in excess of the permitted amount shall be reduced from the otherwise permitted amount of public works that may be performed by public employees for that county in its next budget period. Ten percent of the motor vehicle fuel tax distributions to that county shall be withheld if two years after the year in which the excess amount of work occurred, the county has failed to so reduce the amount of public works that it has performed by public employees. The amount withheld shall be distributed to the county when it has demonstrated in its reports to the state auditor that the amount of public works it has performed by public employees has been reduced as required.

(10) In addition to the percentage limitation provided in subsection (8) of this section, counties subject to these provisions containing a population of one million or more shall not have public employees perform a public works project in excess of seventy thousand dollars if more than a single craft or trade is involved with the public works project, or a public works project in excess of twenty-five thousand dollars if only a single craft or trade is involved with the public works project. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by public employees on a single project.

The cost of a separate public works project shall be the costs of materials, supplies, equipment, and labor on the construction of that project. The value of the public works budget shall be the value of all the separate public works projects within the budget.

(11) In addition to the accounting and recordkeeping requirements contained in chapter 39.04 RCW, any county which uses public employees to perform public works projects under RCW 36.32.240(1) shall prepare a year-end report to be submitted to the state auditor indicating the total dollar amount of the county's public works construction budget and the total dollar amount for public works projects performed by public employees for that year.

The year-end report submitted pursuant to this subsection to the state auditor shall be in accordance with the standard form required by RCW 43.09.025.

(12) Notwithstanding any other provision in this section, counties may use public employees without any limitation for emergency work performed under an emergency declared pursuant to RCW 36.32.270, and any such emergency work shall not be subject to the limitations of this section. Publication of the description and estimate of costs relating to correcting the emergency may be made within seven days after the commencement of the work. Within two weeks of the finding that such an emergency existed, the county legislative authority shall adopt a resolution certifying the damage to public facilities and costs incurred or anticipated relating to correcting the emergency. Additionally this section shall not apply to architectural and engineering or other technical or professional services performed by public employees in connection with a public works project.

(13) In lieu of the procedures of subsections (3) through (11) of this section, a county may use a small works roster process and award contracts for public works projects with an estimated value of ten thousand dollars up to one hundred thousand dollars as provided in RCW 39.04.155.

Whenever possible, the county shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section.

(14) The allocation of public works projects to be performed by county employees shall not be subject to a collective bargaining agreement.

(15) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

(16) Nothing in this section prohibits any county from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

(17) This section does not apply to contracts between the public stadium authority and a team affiliate under RCW 36.102.060(4), or development agreements between the public stadium authority and a team affiliate under RCW 36.102.060(7) or leases entered into under RCW 36.102.060(8). 36.32.240 Competitive bids—Purchasing department—Counties with a population of less than one million. (1) In any county the county legislative authority may by resolution establish a county purchasing department.

(2) In each county with a population of less than one million which exercises this option, the purchasing department shall contract on a competitive basis for all public works, enter into leases of personal property on a competitive basis, and purchase all supplies, materials, and equipment, on a competitive basis, for all departments of the county, as provided in this chapter and chapter 39.04 RCW, except that the county purchasing department is not required to make purchases for the county hospital, or make purchases that are paid from the county road fund or equipment rental and revolving fund. 36.32.245 Competitive bids—Requirements—Advertisements—Exceptions—Recycled materials. (1) No contract for the purchase of materials, equipment, or supplies may be entered into by the county legislative authority or by any elected or appointed officer of the county until after bids have been submitted to the county. Bid specifications shall be in writing and shall be filed with the clerk of the county legislative authority for public inspection. An advertisement shall be published in the official newspaper of the county stating the time and place where bids will be opened, the time after which bids will not be received, the materials, equipment, supplies, or services to be purchased, and that the specifications may be seen at the office of the clerk of the county legislative authority. The advertisement shall be published at least once at least thirteen days prior to the last date upon which bids will be received.

(2) The bids shall be in writing and filed with the clerk. The bids shall be opened and read in public at the time and place named in the advertisement. Contracts requiring competitive bidding under this section may be awarded only to the lowest responsible bidder. Immediately after the award is made, the bid quotations shall be recorded and open to public inspection and shall be available by telephone inquiry. Any or all bids may be rejected for good cause.

(3) For advertisement and formal sealed bidding to be dispensed with as to purchases between two thousand five hundred and twenty-five thousand dollars, the county legislative authority must use the uniform process to award contracts as provided in RCW 39.04.190. Advertisement and formal sealed bidding may be dispensed with as to purchases of less than two thousand five hundred dollars upon the order of the county legislative authority.

(4) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW; or contracts and purchases for the printing of election ballots, voting machine labels, and all other election material containing the names of candidates and ballot titles.

An advertisement shall be published in the county official newspaper stating the time and place where bids will be opened, the time after which bids will not be received, the character of the work to be done, the materials and equipment to be furnished, and that specifications therefor may be seen at the office of the clerk of the county legislative authority. An advertisement shall also be published in a legal newspaper of general circulation in or near as possible to that part of the county in which such work is to be done. No bid may be considered for public work unless it is accompanied by a bid deposit in the form of a surety bond, postal money order, cash, cashier’s check, or certified check in an amount equal to five percent of the amount of the bid proposed. The contract for the public work shall be awarded to the lowest responsible bidder. Any or all bids may be rejected for good cause. The county legislative authority shall require from the successful bidder for such public work a contractor’s bond in the amount and with the conditions imposed by law. If the bidder to whom the contract is awarded fails to enter into the contract and furnish the contractor’s bond as required within ten days after notice of the award, exclusive of the day of notice, the amount of the bid deposit shall be forfeit-
ed to the county and the contract awarded to the next lowest and best bidder. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project. The bid deposit of all unsuccessful bidders shall be returned after the contract is awarded and the required contractor’s bond given by the successful bidder is accepted by the county legislative authority. In the letting of any contract for public works involving less than ten thousand dollars, advertisement and competitive bidding may be dispensed with on order of the county legislative authority. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry.

Pursuant to public notice and hearing, any county may establish comprehensive procedures for the management of county property consistent with the public interest and counties establishing such procedures shall be exempt from the provisions of chapter 36.34 RCW: PROVIDED, That all counties shall retain all powers now or hereafter granted by chapter 36.34 RCW. [1973 1st ex.s. c 196 § 1.]

36.34.010 Authority to sell—May sell timber, minerals separately—Mineral reservation. Whenever it appears to the board of county commissioners that it is for the best interests of the county and the taxing districts and the people thereof that any part or parcel, or portion of such part or parcel, of property, whether real, personal, or mixed, belonging to the county, including tax title land, should be sold, the board shall sell and convey such property, under the limitations and restrictions and in the manner hereinafter provided.

In making such sales the board of county commissioners may sell any timber, mineral, or other resources on any land owned by the county separate and apart from the land in the same manner and upon the same terms and conditions as provided in this chapter for the sale of real property.

The board of county commissioners may reserve mineral rights in such land and, if such reservation is made, any conveyance of the land shall contain the following reservation:

"The party of the first part hereby expressly saves, excepts, and reserves out of the grant hereby made, unto itself, its successors, and assigns, forever, all oils, gases, coals, ores, minerals, gravel, timber, and fossils of every name, kind, or description, and which may be in or upon said lands above described; or any part thereof, and the right to explore the same for such oils, gases, coals, ores, minerals, gravel, timber and fossils; and it also hereby expressly saves and reserves out of the grant hereby made, unto itself, its successors, and assigns, forever, the right to enter by itself, its agents, attorneys, and servants upon said lands, or any part or parts thereof, at any and all times, for the purpose of opening, developing, and working mines thereon, and taking out and removing therefrom all such oils, gases, coal, ores, minerals, gravel, timber, and fossils, and to that end it further expressly reserves out of the grant hereby made, unto itself, its successors, and assigns, forever, the right by it or its agents, servants, and attorneys at any and all times to erect, construct, maintain, and use all such buildings, machinery, roads and railroads, sink such shafts, remove such oil, and to remain on said lands or any part thereof, for the business of mining and to occupy as much of said lands as may be necessary or convenient for the successful prosecution of such mining business, hereby expressly reserving to itself, its successors, and assigns, as aforesaid, generally, all rights and powers in, to, and over said land, whether herein expressed or not, reasonably necessary or convenient to render beneficial and efficient the complete enjoyment of the property and the rights hereby expressly reserved."

No rights shall be exercised under the foregoing reservation until provision has been made to pay to the owner of the land upon which the rights reserved are sought to be exercised, full payment for all damages sustained by reason of entering upon the land: PROVIDED, That if the owner for any cause refuses or neglects to settle the damages, the county, its successors, or assigns, or any applicant for a lease or contract from the county for the purpose of prospecting for or mining valuable minerals, or operation contract, or lease, for mining coal, or lease for extracting petroleum or natural gas, shall have the right to institute such legal proceedings in the superior court of the county wherein the land is situated, as may be necessary to determine the damages which the owner of the land may suffer. Any of the reserved minerals or other resources not exceeding two hundred dollars in value may be sold, when the board deems it advisable, either with or without publication of notice of sale, and in such manner as the board may determine will be most beneficial to the county. [1963 c 4 § 36.34.010. Prior: 1945 c 172 § 3; 1943 c 19 § 1; 1891 c 76 § 1; Rem. Supp. 1945 § 4007.]

[1991 c 363 § 66; 1985 c 469 § 45; 1967 ex.s. c 144 § 1; 1963 c 4 § 36.34.020. Prior: 1945 c 254 § 1; Rem. Supp. 1945 § 4014-1; prior: 1891 c 76 § 2, part; RRS § 4008, part.]

36.34.030 Requirements of notice—Posting. The notice of hearing on the proposal to dispose of any county property must particularly describe the property or portion thereof proposed to be sold and designate the place where and the day and hour when a hearing will be held thereon and be posted in a conspicuous place in the courthouse. Both posting and the date of first publication must be at least ten days before the day set for the hearing. [1963 c 4 § 36.34.030. Prior: 1945 c 254 § 2; Rem. Supp. 1945 § 4014-2; prior: 1891 c 76 § 2, part; RRS § 4008, part.]

Supp. 1945 § 4014-3; prior: 1891 c 76 § 2, part; RRS § 4008, part.]

36.34.050 Findings and determination—Minimum price. Within three days after the hearing upon a proposal to dispose of county property, the county legislative authority shall make its findings and determination thereon and cause them to be spread upon its minutes and made a matter of record. The county legislative authority may set a minimum sale price on property that is proposed for sale. [1991 c 363 § 67; 1963 c 4 § 36.34.050. Prior: 1945 c 254 § 4; Rem. If the board elects to trade in the used equipment it shall include in its call for bids on the new equipment a notice that the county has for sale or trade-in used equipment of a specified type and description which will be sold or traded in on the same day and hour that the bids on the new equipment are opened. Any bidder on the new equipment may include in his offer to sell, an offer to accept the used equipment as a part payment of the new equipment purchase price, setting forth the amount of such allowance.

In determining the lowest and best bid on the new equipment the board shall consider the net cost to the county of such new equipment after trade-in allowances have been deducted. The board may accept the new equipment bid of any bidder without trading in the used equipment but may not require any such bidder to purchase the used equipment without awarding the bidder the new equipment contract. Nothing in this section shall bar anyone from making an offer for the purchase of the used equipment independent of a bid on the new equipment and the board shall consider such offers in relation to the trade-in allowances offered to determine the net best sale and purchase combination for the county. [1963 c 4 § 36.34.070. Prior: 1945 c 254 § 6; Rem. Supp. 1945 § 4014-6.]

36.35.110 Disposition of proceeds of sales. No claims shall ever be allowed against the county from any municipality, school district, road district or other taxing district for taxes levied on property acquired by the county by tax deed under the provisions of this chapter, but all taxes shall at the time of deeding said property be thereby canceled: PROVIDED, That the proceeds of any sale of any property acquired by the county by tax deed shall be justly apportioned to the various funds existing at the date of the sale, in the territory in which such property is located, according to the tax levies of the year last in process of collection. 36.35.120 Sales of tax-title property—Reservations—Notices—Installment contracts—Separate sale of reserved resources. Real property acquired by any county of this state by foreclosure of delinquent taxes may be sold by order of the county legislative authority of the county when in the judgment of the county legislative authority it is deemed in the best interests of the county to sell the real property.

When the legislative authority desires to sell any such property it may, if deemed advantageous to the county, combine any or all of the several lots and tracts of such property in one or more units, and may reserve from sale coal, oil, gas, gravel, minerals, ores, timber, or other resources on or in the lands, and the right to mine for and remove the same, and it shall then enter an order on its records fixing the unit or units in which the property shall be sold and the minimum price for each of such units, and whether the sale will be for cash or whether a contract will be offered, and reserving from sale such of the resources as it may determine and from which units such reservations shall apply, and directing the county treasurer to sell such property in the unit or units and at not less than the price or prices and subject to such reservations so fixed by the county legislative authority. The order shall be subject to the approval of the county treasurer if several lots or tracts of land are combined in one unit.

Except in cases where the sale is to be by direct negotiation as provided in this chapter, it shall be the duty of the county treasurer upon receipt of such order to publish once a week for three consecutive weeks a notice of the sale of such property in a newspaper of general circulation in the county where the land is situated. The notice shall describe the property to be sold, the unit or units, the reservations, and the minimum price fixed in the order, together with the time and place and terms of sale, in the same manner as foreclosure sales as provided by RCW 84.64.080.

The person making the bid shall state whether he or she will pay cash for the amount of his or her bid or accept a real estate contract of purchase in accordance with the provisions hereinafter contained. The person making the highest bid shall become the purchaser of the property. If the highest bidder is a contract bidder the purchaser shall be required to pay thirty percent of the total purchase price at the time of the sale and shall enter into a contract with the county as vendor and the purchaser as vendee which shall obligate and require the purchaser to pay the balance of the purchase price in ten equal annual installments commencing November 1st and each year following the date of the sale, and shall require the purchaser to pay twelve percent interest on all deferred payments, interest to be paid at the time the annual installment is due; and may contain a provision authorizing the purchaser to make payment in full at any time of any balance due on the total purchase price plus accrued interest on such balance. The contract shall contain a provision requiring the purchaser to pay before delinquency all subsequent taxes and assessments that may be levied or assessed against the property subsequent to the date of the contract, and shall contain a provision that time is of the essence of the contract and that in event of a failure of the vendee to make payments at the time and in the manner required and to keep and perform the covenants and conditions therein required of him or her that the contract may be forfeited and terminated at the election of the vendor, and that in event of the election all sums theretofore paid by the vendee shall be forfeited as liquidated damages for failure to comply with the provisions of the contract; and shall require the vendor to execute and deliver to the vendee a deed of conveyance covering the property upon the payment in full of the purchase price, plus accrued interest.

The county legislative authority may, by order entered in its records, direct the coal, oil, gas, gravel, minerals, ores, timber, or other resources sold apart from the land, such sale to be conducted in the manner hereinafter prescribed for the sale of the land. Any such reserved minerals or resources not exceeding two hundred dollars in value may be sold, when the county legislative authority deems it advisable, either with or without such publication of the notice of sale, and in such manner as the county legislative authority may determine will be most beneficial to the county. Assessments and charges against state lands: Chapter 79.44 RCW.

36.36.010 Purpose. The protection of subterranean water from pollution or degradation is of great concern. The purpose of this chapter is to allow the creation of aquifer protection areas to finance the protection, preservation, and rehabilitation of subterranean water, and to reduce special assessments imposed upon households to finance facilities for such purposes. Pollution and degradation of subterranean drinking water supplies, and the depletion of subterranean drinking water supplies, pose immediate threats to the safety and welfare of the citizens of this state. [1991 c 151 § 1; 1985 c 425 § 1.]

36.36.020 Creation of aquifer protection area—Public hearing—Ballot proposition. The county legislative authority of a county may create one or more aquifer protection areas for the purpose of funding the protection, preservation, and rehabilitation of subterranean water.

When a county legislative authority proposes to create an aquifer protection area it shall conduct a public hearing on the proposal. Notice of the public hearing shall be published at least once, not less than ten days prior to the hearing, in a newspaper of general circulation within the proposed aquifer protection area. The public hearing may be continued to other times, dates, and places announced at the public hearing, without publication of the notice. At the public hearing, the county legislative authority shall hear objections and comments from anyone interested in the proposed aquifer protection area.

After the public hearing, the county legislative authority may adopt a resolution causing a ballot proposition to be submitted to the registered voters residing within the proposed aquifer protection area to authorize the creation of the aquifer protection area, if the county legislative authority finds that the creation of the aquifer protection area would be in the public interest. The resolution shall: (1) Describe the boundaries of the proposed aquifer protection area; (2) find that its creation is in the public interest; (3) state the maximum level of fees for the withdrawal of water, or on-site sewage disposal, occurring in the aquifer protection area, or both; and (4) describe the uses for the fees.

An aquifer protection area shall be created by ordinances of the county if the voters residing in the proposed aquifer protection area approve the ballot proposition by a simple majority vote. The ballot proposition shall be in substantially the following form:

"Shall the . . . (insert the name) aquifer protection area be created and authorized to impose monthly fees on . . . (insert "the withdrawal of water" or "on-site sewage disposal") of not to exceed . . . (insert a dollar amount) per household unit for up to . . . (insert a number of years) to finance . . . (insert the type of activities proposed to be financed)?

Yes . . . . . . .

No . . . . . . . "

If both types of monthly fees are proposed to be imposed, maximum rates for each shall be included in the ballot proposition.

An aquifer protection area may not include territory located within a city or town without the approval of the city or town governing body, nor may it include territory located in the unincorporated area of another county without the approval of the county legislative authority of that county. [1985 c 425 § 2.]

36.36.030 Imposition of fees—Ballot proposition to authorize increased fees or additional purposes. Aquifer protection areas are authorized to impose fees on the withdrawal of subterranean water and on on-site sewage disposal. The fees shall be expressed as a dollar amount per household unit. Fees imposed for the withdrawal of water, or on-site sewage disposal, other than by households shall be expressed and imposed in equivalents of household units. If both types of fees are imposed, the rate imposed on on-site sewage disposal shall not exceed the rate imposed for the withdrawal of water.

No fees shall be imposed in excess of the amount authorized by the voters of the aquifer protection area. Fees shall only be used for the activity or activities authorized by the voters of the aquifer protection area. Ballot propositions may be submitted to the voters of an aquifer protection area to authorize a higher maximum level of such fees or to authorize additional activities for which the fees may be used. Such a ballot proposition shall be substantially in the form of that portion of the proposition to authorize the creation of an aquifer protection district that relates to fees or activities, as provided in RCW 36.36.020. Approval of the ballot proposition by simple majority vote shall authorize the higher maximum level of fees or additional activities for which the fees may be used.

A county may contract with existing public utilities to collect the fees, or collect the fees itself. [1985 c 425 § 3.]

36.36.035 Reduced fees for low-income persons. A county may adopt an ordinance reducing the level of fees, for the withdrawal of subterranean water or for on-site sewage disposal, that are imposed upon the residential property of a class or classes of low-income persons. [1987 c 381 § 1.]

36.36.040 Use of fee revenues. Aquifer protection areas may impose fees to fund:

(1) The preparation of a comprehensive plan to protect, preserve, and rehabilitate subterranean water, including ground water management programs adopted under chapter
Aquifer Protection Areas

36.36.040

90.44 RCW. This plan may be prepared as a portion of a county sewerage and/or water general plan pursuant to RCW 36.94.030;

(2) The construction of facilities for: (a) The removal of water-borne pollution; (b) water quality improvement; (c) sanitary sewage collection, disposal, and treatment; (d) storm water or surface water drainage collection, disposal, and treatment; and (e) the construction of public water systems;

(3) The proportionate reduction of special assessments imposed by a county, city, town, or special district in the aquifer protection area for any of the facilities described in subsection (2) of this section;

(4) The costs of monitoring and inspecting on-site sewage disposal systems or community sewage disposal systems for compliance with applicable standards and rules, and for enforcing compliance with these applicable standards and rules in aquifer protection areas created after June 9, 1988; and

(5) The costs of: (a) Monitoring the quantity and quality of subterranean water and analyzing data that is collected; (b) ongoing implementation of the comprehensive plan developed under subsection (1) of this section; (c) enforcing compliance with standards and rules relating to the quality and quantity of subterranean waters; and (d) public education relating to protecting, preserving, and enhancing subterranean waters. [1991 c 151 § 2; 1988 c 258 § 1; 1985 c 425 § 4.]

36.36.045 Lien for delinquent fees. The county shall have a lien for any delinquent fees imposed for the withdrawal of subterranean water or on-site sewage disposal, which shall attach to the property to which the fees were imposed, if the following conditions are met:

(1) At least eighteen months have passed since the first billing for a delinquent fee installment; and

(2) At least three billing notices and a letter have been mailed to the property owner, within the period specified in subsection (1) of this section, explaining that a lien may be imposed for any delinquent fee installment that has not been paid in that period.

The lien shall otherwise be subject to the provisions of chapter 36.94 RCW related to liens for delinquent charges. The county shall record liens for any delinquent fees in the office of the county auditor. Failure on the part of the county to record the lien does not affect the validity of the lien. [1997 c 393 § 6; 1987 c 381 § 2.]

36.36.050 Dissolution of aquifer protection area—Petition—Ballot proposition. A county legislative authority may dissolve an aquifer protection area upon a finding that such dissolution is in the public interest.

A ballot proposition to dissolve an aquifer protection district shall be placed on the ballot for the approval or rejection of the voters residing in an aquifer protection area. When a petition requesting such a ballot proposition is signed by at least twenty percent of the voters residing in the aquifer protection area and is filed with the county legislative authority of the county originally creating the aquifer protection area. The ballot proposition shall be placed on the ballot at the next general election occurring sixty or more days after the petition has been filed. Approval of the ballot proposition by a simple majority vote shall cause the dissolution of the aquifer protection area. [1985 c 425 § 5.]

36.36.900 Severability—1985 c 425. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1985 c 425 § 7.]

(1998 Ed.)
36.37.050 District or multiple county fairs authorized. Each county is authorized to hold one county fair in each year, or, as an alternative, to participate with any other county or counties in the holding of a district fair. [1963 c 4 § 36.37.050. Prior: 1947 c 184 § 4; Rem. Supp. 1947 § 2753a.]

36.37.090 Poultry shows—Petition—Appropriation. 36.37.150 Lease of state-owned lands for county fairgrounds. If requested by a county legislative authority, an agency of the state managing state-owned lands, other than state trust lands, shall consider leasing a requested portion of those lands that are not used for any significant purpose and if not otherwise prohibited, to the county to be used as county fairgrounds. If it is determined that such a lease shall be made, the agency in setting lease charges shall consider the fair market return for leasing the land, the public benefit for leasing the land to the county for county fair purposes at a level below the fair market return, and other appropriate factors. [1986 c 307 § 3.]

Intent—1986 c 307: “The legislature finds that county fairs provide unique educational opportunities to the people of this state and are a public purpose. However, the portion to be leased shall be contiguous and compact, of an area not to exceed two hundred fifty acres and shall be segregated in such a manner that the remaining portion of these state lands can be efficiently managed by the department. The lease shall be for as long as the county is actually using the land as the site of the county fairgrounds. Notwithstanding chapter 178, Laws of 1974 ex. sess., the department shall charge the county the sum of one thousand dollars per year for the lease of such lands and this sum may be periodically adjusted to compensate the department for any increased costs in administration of the lease. The lease shall contain provisions directing payment of all assessments and authorizing the county to place any improvements on the leased lands if the improvements are consistent with the purposes of county fairs. [1986 c 307 § 2.]

ADMISSIONS TAX

Taxes authorized—Exception to schools. 36.38.010

Optional provisions in ordinance. 36.38.020

Form of ordinance. 36.38.030

Vehicle parking charges tax—Parking facility at stadium and exhibition center—Use of revenues before and after issuance of bonds. 36.38.040

Taxes for city and town purposes: State Constitution Art. 11 § 12.

36.38.010 Taxes authorized—Exception as to schools. (1) Any county may by ordinance enacted by its county legislative authority, levy and fix a tax of not more than one cent on twenty cents or fraction thereof to be paid for county purposes by persons who pay an admission charge to any place, including a tax on persons who are admitted free of charge or at reduced rates to any place for which other persons pay a charge or a regular higher charge for the same or similar privileges or accommodations; and require that one who receives any admission charge to any place shall collect and remit the tax to the county treasurer of the county: PROVIDED, No county shall impose such tax on persons paying an admission to any activity of any elementary or secondary school.

(2) As used in this chapter, the term "admission charge" includes a charge made for season tickets or subscriptions, a cover charge, or a charge made for use of seats and tables, reserved or otherwise, and other similar accommodations; a charge made for food and refreshments in any place where any free entertainment, recreation, or amusement is provided; a charge made for rental or use of equipment or facilities for purpose of recreation or amusement, and where the rental of the equipment or facilities is necessary to the enjoyment of a privilege for which a general admission is charged, the combined charges shall be considered as the admission charge. It shall also include any automobile parking charge where the amount of such charge is determined according to the number of passengers in any automobile.
(3) Subject to subsections (4) and (5) of this section, the tax herein authorized shall not be exclusive and shall not prevent any city or town within the taxing county, when authorized by law, from imposing within its corporate limits a tax of the same or similar kind: PROVIDED, That whenever the same or similar kind of tax is imposed by any such city or town, no such tax shall be levied within the corporate limits of such city or town by the county.

(4) Notwithstanding subsection (3) of this section, the legislative authority of a county with a population of one million or more may exclusively levy taxes on events in baseball stadiums constructed on or after January 1, 1995, that are owned by a public facilities district under chapter 36.100 RCW and that have seating capacities over forty thousand at the rates of:

(a) Not more than one cent on twenty cents or fraction thereof, to be used for the purpose of paying the principal and interest payments on bonds issued by a county to construct a baseball stadium as defined in RCW 82.14.0485. If the revenue from the tax exceeds the amount needed for that purpose, the excess shall be placed in a contingency fund which may only be used to pay unanticipated capital costs on the baseball stadium, excluding any cost overruns on initial construction; and

(b) Not more than one cent on twenty cents or fraction thereof, to be used for the purpose of paying the principal and interest payments on bonds issued by a county to construct a baseball stadium as defined in RCW 82.14.0485. The tax imposed under this subsection (4)(b) shall expire when the bonds issued for the construction of the baseball stadium are retired, but not later than twenty years after the tax is first collected.

(5) Notwithstanding subsection (3) of this section, the legislative authority of a county that has created a public stadium authority to develop a stadium and exhibition center under RCW 36.102.050 may levy and fix a tax on charges for admission to events in a stadium and exhibition center, as defined in RCW 36.102.010, constructed in the county on or after January 1, 1998, that is owned by a public stadium authority under chapter 36.102 RCW. The tax shall be exclusive and shall preclude the city or town within which the stadium and exhibition center is located from imposing a tax of the same or similar kind on charges for admission to events in the stadium and exhibition center, and shall preclude the imposition of a general county admissions tax on charges for admission to events in the stadium and exhibition center. For the purposes of this subsection, "charges for admission to events" means only the actual admission charge, exclusive of taxes and service charges and the value of any other benefit conferred by the admission. The tax authorized under this subsection shall be at the rate of not more than one cent on ten cents or fraction thereof. Revenues collected under this subsection shall be deposited in the stadium and exhibition center account under RCW 43.99N.060 until the bonds issued under RCW 43.99N.020 for the construction of the stadium and exhibition center are retired. After the bonds issued for the construction of the stadium and exhibition center are retired, the tax authorized under this section shall be used exclusively to fund repair, reequipping, and capital improvement of the stadium and exhibition center. The tax under this subsection may be levied upon the first use of any part of the stadium and exhibition center but shall not be collected at any facility already in operation as of July 17, 1997. (1997 c 220 § 301 (Referendum Bill No. 48, approved June 17, 1997); 1995 3rd sp.s. c 1 § 203; 1995 1st sp.s. c 14 § 9; 1963 c 4 § 36.38.010. Prior: 1957 c 126 § 2; 1951 c 34 § 1; 1943 c 269 § 1; Rem. (7) A provision that in case any person required by the ordinance to collect the tax imposed thereby fails to collect the same, or having collected the tax fails to pay the same to the county treasurer in the manner prescribed by the ordinance, whether such failure is the result of such person's own acts or the result of acts or conditions beyond such person's control, such person shall nevertheless be personally liable to the county for the amount of the tax;

(11) A provision requiring the applicant for a temporary certificate of registration, if required by the ordinance, to furnish with the application therefor, the name and address of the owner, lessee, or custodian of the premises upon which the amusement is to be conducted, and requiring the county treasurer to notify such owner, lessee, or custodian of the issuance of any such temporary certificate, and of the joint liability for such tax;

(12) A provision empowering the county treasurer to declare the tax upon temporary or itinerant places of amusement to be immediately due and payable and to collect the same, when he believes there is a possibility that the tax imposed under the ordinance will not be otherwise paid;

(13) Any or all of the applicable general administrative provisions contained in RCW 82.32.010 through 82.32.340 and 82.32.380, and the amendments thereto, except that unless otherwise indicated by the context of said sections, in all provisions so incorporated in such ordinance (a) the term "county treasurer" (of the county enacting said ordinance) shall be substituted for each reference made in said sections to the "department," the "department of revenue," "any employee of the department," or "director of the department of revenue"; (b) the name of the county enacting such ordinance shall be substituted for each reference made in said sections to the "state" or to the "state of Washington"; (c) the term "this ordinance" shall be substituted for each reference made in said sections to this chapter; (d) the name of the county enacting said ordinance shall be substituted for each reference made in said sections to "Thurston county"; and (e) the term "board of county commissioners" shall be substituted for each reference made in said sections to the "director of financial management."
