(2) If a commercial fertilizer is distributed in bulk, a written or printed statement of the information required by subsection (1) of this section shall accompany delivery and be supplied to the purchaser at the time of delivery.

(3) Each delivery of a customer-formula fertilizer shall be subject to containing those ingredients specified by the purchaser, which ingredients shall be shown on the statement or invoice with the amount contained therein, and a record of all invoices of customer-formula grade mixes shall be kept by the registrant or licensee for a period of twelve months and shall be available to the department upon request: PROVIDED, That each such delivery shall be accompanied by either a statement, invoice, a delivery slip, or a label if bagged, containing the following information: The net weight; the brand; the guaranteed analysis which may be stated to the nearest tenth of a percent or to the next lower whole number; the name and address of the registrant or licensee, or manufacturer, or both; and the name and address of the purchaser. (1) There shall be paid to the department for all commercial fertilizers distributed in this state to nonregistrants or nonlicensees an inspection fee of fifteen cents per ton of lime and thirty cents per ton of all other commercial fertilizer distributed during the year beginning July 1st and ending June 30th.

(2) Distribution of commercial fertilizers for shipment to points outside this state may be excluded.

(3) When more than one distributor is involved in the distribution of a commercial fertilizer, the last registrant or licensee who distributes to a nonregistrant or nonlicensee is responsible for paying the inspection fee, unless the payment of fees has been made by a prior distributor of the fertilizer. [1993 c 183 § 6; 1987 c 45 § 13; 1981 c 297 § 18; 1975 1st ex.s.c 257 § 9; 1967 ex.s.c 22 § 23.]

15.54.362 Reports—Inspection fees—Confidentiality, exception. (1) Every registrant or licensee who distributes commercial fertilizer in this state shall file a semiannual report on forms provided by the department setting forth the number of net tons of each commercial fertilizer so distributed in this state. The reports will cover the following periods: January 1 through June 30 and July 1 through December 31 of each year. Upon permission of the department, an annual statement under oath may be filed for the annual reporting period of July 1 through June 30 of any year by any person distributing within the state less than one hundred tons for each six-month period during any calendar year, and upon filing such statement, such person shall pay the inspection fee required under RCW 15.54.350. The department may accept sales records or other records accurately reflecting the tonnage sold and verifying such reports.

(2) Each person responsible for the payment of inspection fees for commercial fertilizer distributed in this state shall include the inspection fees with the report on the same dates and for the same reporting periods mentioned in subsection (1) of this section. If in one year a registrant or licensee distributes less than eighty-three tons of commercial fertilizer or less than one hundred sixty-seven tons of commercial lime or equivalent combination of the two, the registrant or licensee shall pay the minimum inspection fee. The minimum inspection fee shall be twenty-five dollars per year.

(3) The department may, upon request, require registrants or licensees to furnish information setting forth the net tons of commercial fertilizer distributed to each location in this state.

(4) Semiannual or annual reports filed after the close of the corresponding reporting period shall pay a late filing fee of twenty-five dollars. Inspection fees which are due and have not been remitted to the department by the due date shall have a late-collection fee of ten percent, but not less than twenty-five dollars, added to the amount due when payment is finally made. The assessment of this late collection fee shall not prevent the department from taking any other action as provided for in this chapter.

(5) It shall be a misdemeanor for any person to divulge any information provided under this section that would reveal the business operation of the person making the report. However, nothing contained in this subsection may be construed to prevent or make unlawful the use of information concerning the business operations of a person in any action, suit, or proceeding instituted under the authority of this chapter, including any civil action for the collection of unpaid inspection fees, which action is hereby authorized and which shall be as an action at law in the name of the director of the department. 15.54.370 Official samples—Inspection, analysis, testing—Right of entry. (1) It shall be the duty of the department to inspect, sample, make analysis of, and test commercial fertilizers distributed within this state at such time and place and to such an extent as it may deem necessary to determine whether such fertilizers are in compliance with the provisions of this chapter. The department is authorized to stop any commercial vehicle transporting fertilizers on the public highways and direct it to the nearest scales approved by the department to check weights of fertilizers being delivered. The department is also authorized, upon presentation of proper identification, to enter any distributor’s premises, including any vehicle of transport, at all reasonable times in order to have access to commercial fertilizers and to records relating to their distribution.

(2) The methods of sampling and analysis shall be those adopted by the department from officially recognized sources.

(2002 Ed.) [Title 15 RCW—page 87]
(3) The department, in determining for administrative purposes whether a fertilizer is deficient in any component or total nutrients, shall be guided solely by the official sample as defined in RCW 15.54.270 and obtained and analyzed as provided for in this section.

(4) When the inspection and analysis of an official sample has been made, the results of analysis shall be forwarded by the department to the registrant or licensee and to the purchaser, if known. Upon request and within thirty days, the department shall furnish to the registrant or licensee a portion of the sample concerned.

(5) Analysis of an official sample by the department shall be accepted as prima facie evidence by any court of competent jurisdiction. [1993 c 183 § 8; 1987 c 45 § 16; 1967 ex.s. c 22 § 25.]

15.54.380 Penalties for deficiencies upon analysis of commercial fertilizers—Appeal—Disposition of penalties.

(1) If the analysis shall show that any commercial fertilizer falls short of the guaranteed analysis in any one plant nutrient or in total nutrients, penalty shall be assessed in favor of the department in accordance with the following provisions:

(a) A penalty of three times the commercial value of the deficiency, if such deficiency in any one plant nutrient is more than two percent under guarantee on any one commercial fertilizer in which that plant nutrient is guaranteed up to and including ten percent; a penalty of three times the commercial value of the deficiency, if such deficiency in any one plant nutrient is more than three percent under guarantee on any one commercial fertilizer in which that plant nutrient is guaranteed from ten and one-tenth percent to twenty percent; a penalty of three times the commercial value of the deficiency, if such deficiency in any one plant nutrient is more than four percent under guarantee on any one commercial fertilizer in which that plant nutrient is guaranteed twenty and one-tenth percent and above.

(b) A penalty of three times the commercial value of the total nutrient deficiency shall be assessed when such deficiency is more than two percent under the calculated total nutrient guarantee.

(c) When a commercial fertilizer is subject to penalty under both (a) and (b) of this subsection, only the larger penalty shall be assessed.

(2) All penalties assessed under this section on any one commercial fertilizer, represented by the sample analyzed, shall be paid to the department within three months after the date of notice from the department to the registrant or licensee. The department shall deposit the amount of the penalty into an account with the agricultural local fund.

(3) Nothing contained in this section shall prevent any person from appealing to a court of competent jurisdiction for a judgment as to the justification of such penalties imposed under subsections (1) and (2) of this section.

(4) The civil penalties payable in subsections (1) and (2) of this section shall in no manner be construed as limiting the consumer’s right to bring a civil action in damage against the registrant or licensee paying said civil penalties. [1998 c 36 § 7; 1993 c 183 § 9; 1987 c 45 § 17; 1967 ex.s. c 22 § 26.]

15.54.390 Determination and publication of commercial values—Use in assessment of penalty payments.

For the purpose of determining the commercial value to be applied under the provisions of RCW 15.54.380, the department shall determine and publish the values per unit of nitrogen, available phosphoric acid, and soluble potash in commercial fertilizers in this state. The values so determined and published shall be used in determining and assessing penalty payments and shall be established by rule. [1987 c 45 § 18; 1967 ex.s. c 22 § 27.]

Construction—Severability—1987 c 45: See notes following RCW 15.54.270.

Specialty fertilizers, except manipulated animal and vegetable manures, guaranteeing less than five percent total plant food shall contain on the label specific directions for use, and prior to registration, the department may require proof of the efficacy of the product when used as directed. [1987 c 45 § 19; 1967 ex.s. c 22 § 28.]

Construction—Severability—1987 c 45: See notes following RCW 15.54.270.

(1) If its labeling bears any statement, design, or graphic representation relative thereto or to its ingredients which is false or misleading in any particular;

(2) If it is distributed under the name of another fertilizer product;

(3) If its labeling bears any reference to registration under this chapter unless such reference is required by rule under this chapter;

(4) If any word, statement, or other information, required by this chapter or rules adopted thereunder to appear on the label or labeling, is not prominently placed thereon with such conspicuousness (as compared with other words, statements, design, or graphic matter in the labeling), and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use; or

(5) If it purports to be or is represented as a fertilizer, or is represented as containing a plant nutrient or fertilizer unless such plant nutrient or fertilizer conforms to the definition of identity, if any, prescribed by the department by rule. In adopting such rules the department shall give due regard to commonly accepted definitions and official fertilizer terms as those issued by the association of American plant food control officials. [1987 c 45 § 20.]

(2) If its composition falls below or differs from that which it is purported to possess by its labeling;

(3) If it contains unwanted viable seed; or

(4) If the concentration of any nonnutritive constituent in a representative sample of commercial fertilizer exceeds the maximum concentration stated on the registration application or on the label. [1998 c 36 § 8; 1993 c 183 § 10; 1987 c 45 § 21.]

(3) The department, and the department of ecology in consultation with the department of health, shall biennially prepare a report to the legislature presenting information on levels of nonnutritive substances in fertilizers. Results from agency testing of products that were sampled shall also be displayed. The first such report will be provided to the legislature by December 1, 1999.

(4) After July 1, 1999, the department shall post on the internet the information contained in applications for fertilizer registration. [1998 c 36 § 21.]

(1) An incomplete or insufficient license or registration application;

(2) The misbranding or adulteration of a commercial fertilizer; or

(3) A violation of this chapter or rules adopted under this chapter.

If the department cancels or refuses to renew an existing license or registration due to the misbranding or adulteration of a commercial fertilizer or due to a violation of this chapter or a rule adopted hereunder, the licensee/registrant or applicant may request a hearing as provided for in chapter 34.05 RCW. (1) Commercial fertilizers that are not registered in Washington state or that fail to meet the Washington standards for total metals pose an emergency situation because they may contain certain metals at levels which are harmful to Washington soils and plants and may contain substances which are harmful to the public without its knowledge. Commercial fertilizers that are not registered or that fail to meet the Washington standards for total metals are subject to immediate stop sale, stop use, or withdrawal from distribution in this state and seizure, disposal, or both.

(2) The department may issue and enforce a written "stop sale," "stop use," or "withdrawal from distribution" order to the distributor, owner, or custodian of any lot of commercial fertilizer to hold the commercial fertilizer at a designated place when the department has reasonable cause to believe such fertilizer is being offered or exposed for sale in violation of any of the provisions of this chapter.

(3) In the event the court finds, upon application by the department under subsection (1) or (2) of this section, that a commercial fertilizer violates this chapter or the rules adopted under it and orders the condemnation of the commercial fertilizer, the commercial fertilizer shall be disposed of in any manner consistent with the quality of the commercial fertilizer and the laws of the state: PROVIDED, That in no instance shall the disposition of the commercial fertilizer be ordered by the court without first giving the claimant an opportunity to apply to the court for release of the commercial fertilizer or for permission to process or relabel the commercial fertilizer to bring it into compliance with this chapter and the rules adopted under it.

(4) All costs associated with disposal are the responsibility of the distributor, owner, or custodian of the commercial fertilizer unless such a distributor, owner, or custodian is the consumer or is a person whose role as a distributor, owner, or custodian of the fertilizer is only that of a transporter of the fertilizer. Such disposal costs shall not be the responsibility of the consumer or such a transporter of the commercial fertilizer. [1999 c 383 § 4; 1967 ex.s. c 22 § 33.]

(2) Nothing in this chapter shall be considered as requiring the department to report for prosecution or to cancel the registration of a commercial fertilizer product or to stop the sale of fertilizers for violations of this chapter, when violations are of a minor character, and/or when the department believes that the public interest will be served and protected by a suitable notice of the violation in writing.

(3) It shall be the duty of each prosecuting attorney to whom any violation of this chapter is reported, to cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay. Before the department reports a violation of this chapter for such prosecution, an opportunity shall be given the distributor to present his or her view in writing or orally to the department.

Washington application rates shall be used to ensure that the maximum acceptable cumulative metal additions to soil are not exceeded.

(b) If federal or other risk-based standards are adopted or scientific peer-reviewed studies show that the standards adopted in this section are not at the appropriate level to protect human health or the environment, the department, in consultation with the departments of ecology and health, may initiate a rule making [may adopt a rule] to amend these standards. All the authority and requirements provided for in chapter 34.05 RCW (Administrative Procedure Act) and chapter 42.30 RCW shall apply to this chapter in the adoption of rules including those requiring due notice and a hearing for the adoption of permanent rules.

(2) The director is authorized to adopt appropriate rules for carrying out the purpose and provisions of this chapter, including but not limited to rules providing for:

(a) Declaring as a pest any form of plant or animal life or virus which is injurious to plants, people, animals (domestic or otherwise), land, articles, or substances;

(b) Determining that certain pesticides are highly toxic to people. For the purpose of this chapter, highly toxic pesticide means any pesticide that conforms to the criteria in 40 C.F.R. Sec. 156.10 for toxicity category I due to oral inhalation or dermal toxicity. The director shall publish a list of all pesticides, determined to be highly toxic, by their common or generic name and their trade or brand name if practical. Such list shall be kept current and shall, upon request, be made available to any interested party;

(c) Determining standards for denaturing pesticides by color, taste, odor, or form;

(d) The collection and examination of samples of pesticides or devices;

(e) The safe handling, transportation, storage, display, distribution, and disposal of pesticides and their containers;

(f) Restricting or prohibiting the use of certain types of containers or packages for specific pesticides. These restrictions may apply to type of construction, strength, and/or size to alleviate danger of spillage, breakage, misuse, or any other hazard to the public. The director shall be guided by federal regulations concerning pesticide containers;

(g) Procedures in making of pesticide recommendations;

(h) Adopting a list of restricted use pesticides for the state or for designated areas within the state if the director determines that such pesticides may require rules restricting or prohibiting their distribution or use. The director may include in the rule the time and conditions of distribution or use of such restricted use pesticides and may, if it is found necessary to carry out the purpose and provisions of this chapter, require that any or all restricted use pesticides shall be purchased, possessed, or used only under permit of the director and under the director’s direct supervision in certain areas and/or under certain conditions or in certain quantities or concentrations. The director may require all persons issued such permits to maintain records as to the use of all the restricted use pesticides;

(i) Label requirements of all pesticides required to be registered under provisions of this chapter;

(j) Regulating the labeling of devices;

(k) The establishment of criteria governing the conduct of a structural pest inspection; and

(l) Declaring crops, when grown to produce seed specifically for crop reproduction purposes, to be nonfood and/or nonfeed sites of pesticide application. The director may include in the rule any restrictions or conditions regarding: (i) The application of pesticides to the designated crops; and (ii) the disposition of any portion of the treated crop.

(3) For the purpose of uniformity and to avoid confusion endangering the public health and welfare the director may adopt rules in conformity with the primary pesticide standards, particularly as to labeling, established by the United States environmental protection agency or any other federal agency.       (c) If any word, statement, or other information, required by this chapter or rules adopted under this chapter to appear on the label or labeling, is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or graphic matter in the labeling), and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;
      (d) If the label does not bear:
         (i) The name and address of the manufacturer, registrant or person for whom manufactured;
         (ii) Name, brand or trademark under which the pesticide is sold;
      (ii) An ingredient statement on that part of the immediate container and on the outside container or wrapper, if there be one, through which the ingredient statement on the immediate container cannot be clearly read, of the retail package which is presented or displayed under customary conditions of purchase: PROVIDED, That the director may permit the ingredient statement to appear prominently on some other part of the container, if the size or form of the container makes it impracticable to place it on the part of the retail package which is presented or displayed under customary conditions of purchase;

of this chapter or rules adopted under this chapter, and the
director contemplates instituting criminal proceedings against
any person, the director shall cause notice to be given to
such person. Any person so notified shall be given an op-

15.65.028 Regulating agricultural commodities—Existing comprehensive scheme. The history, economy, culture, and the future of Washington state to a large degree all involve agriculture. In order to develop and promote Washington’s agricultural products as part of the existing comprehensive scheme to regulate agricultural commodities, the legislature declares:

(1) That the marketing of agricultural products within this state is in the public interest. It is vital to the continued economic well-being of the citizens of this state and their general welfare that its agricultural commodities be properly promoted by (a) enabling producers of agricultural commodities to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of the commodities they produce and (b) working towards stabilizing the agricultural industry by increasing consumption of agricultural commodities within the state, the nation, and internationally;

(2) That farmers and ranchers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the agricultural producer’s ability to compete in local, domestic, and foreign markets;

(3) That it is now in the overriding public interest that support for the agricultural industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that each agricultural commodity be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state’s agricultural commodities;

(b) Increase the sale and use of Washington state’s agricultural commodities in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of Washington state’s agricultural commodities;

(d) Increase the knowledge of the health-giving qualities and dietetic value of Washington state’s agricultural commodities and products; and

(e) Support and engage in programs or activities that benefit the planting, production, harvesting, handling, processing, marketing, and uses of agricultural commodities produced in Washington state;

(4) That the director seek to enhance, protect, and perpetuate the ability of the private sector to produce food and fiber, and seek to maintain the economic well-being of the agricultural industry in Washington state consistent with its regulatory activities and responsibilities;

(5) That the director is hereby authorized to implement, administer, and enforce this chapter through the adoption of marketing orders that establish commodity boards; and

(6) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state. [2002 c 313 § 2.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

The director shall administer and enforce this chapter and it shall be his or her duty to carry out its provisions and put them into force in accordance with its terms, but issuance, amendment, modification, and/or suspension of marketing agreements and orders and of any terms or provisions thereof shall be accomplished according to the procedures set forth in this chapter and not otherwise. 15.65.055 Regulatory authority on the production of rapeseed by variety and location. The legislature finds that the production of marketable rapeseed within this state is in the interest of the public welfare. The legislature further finds that the production of incompatible varieties of rapeseed in close geographical proximity adversely affects the purity and marketability of rapeseed, and that it is in the public interest to establish geographical districts and buffer zones wherein the production of rapeseed may be restricted by variety.

For the purpose of rapeseed production in the state of Washington, the director of the department of agriculture shall have the regulatory authority on the production of rapeseed by variety and geographic location until such time as a rapeseed commodity commission is formulated. Once formed, the rapeseed commodity commission shall assume the regulatory authority on the production of rapeseed by variety and geographic location in the state of Washington. [1986 c 203 § 21.]

No person shall be excused from attending and testifying or from producing documentary evidence before the director in obedience to the subpoena of the director on the ground or for the reason that the testimony or evidence, documentary or otherwise, required of him or her may tend to incriminate him or her or subject him or her to a penalty or forfeiture, but no natural person shall be prosecuted or subject to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he or she may be so required to testify or produce evidence, documentary or otherwise, before the director in obedience to a subpoena issued by him or her: PROVIDED, That no natural person so testifying shall be exempt from prosecution and punishment for perjury committed in so testifying. The superior court of the county in which any such hearing or proceeding may be had, may compel the attendance of witnesses and the production of records, papers, books, accounts, documents and testimony as required by such subpoena. In case any witness refuses to attend or testify or produce any papers required by the subpoena, the director or his or her examiner shall so report to the superior court of the county in which the proceeding is pending by petition setting forth that due notice was given of the time and place of attendance of the witness or the production of the papers and that the witness has been summoned in the manner prescribed in this chapter and that the fees and mileage of the witness have been paid or tendered to him or her in accordance with RCW 2.40.020 and that he or she has failed to attend or produce the papers required by the subpoena at the hearing, cause, or proceeding specified in the notice and subpoena, or has refused to answer questions propounded to him or her in the course of such hearing, cause or proceeding, and shall ask an order of the court to compel such witness to appear and testify before the director. The court upon such petition shall enter an order directing the witness to appear before the court at a time and place to be fixed in such order and then and there show cause why he or she has not responded to the subpoena. A certified copy of the show cause order shall be served upon the witness. Such findings shall be made upon every material point controverted at the hearing and/or required by this chapter and upon such other matters and things as the director may deem fitting and proper. The final decision shall set out in full the text of the agreement, order, or amendment covered thereby, and the director shall issue and deliver or mail copies of the final decision to all producers and handlers within the affected area who may be directly affected by such final decision and whose names and addresses appear, on the day next preceding the day on which such final decision is issued, upon the lists of such persons then on file in the department, and to all parties of record appearing at the hearing, or their attorneys of record. With respect to marketing agreements, the director shall after publication of his final decision, invite all producers and handlers affected thereby to assent or agree to the agreement or amendment set out in such decision. Said marketing agreements or amendments thereto shall be binding upon and only upon persons who have agreed thereto in writing and
whose written agreement has been filed with the director: PROVIDED, That the filing of such written agreement by a cooperative association shall be binding upon such cooperative and all of its members, and PROVIDED, FURTHER, That the director shall enter into and put into force a marketing agreement or amendment thereto when and only when he shall find in addition to the other findings specified in this chapter that said marketing agreement or any amendment thereto has been assented to by a sufficient number of signatories who handle or produce a sufficient volume of the commodity affected to tend to effectuate the declared policies and purposes of this chapter and to accomplish the purposes and objects of such agreement or amendment thereto and provide sufficient moneys from assessments levied to defray the necessary expenses of formulation, issuance, administration and enforcement. Such agreement shall be deemed to be issued and put into force and effect when the director shall have so notified all persons who have assented thereto. [1961 c 256 § 13.]

15.65.140 Minimum assent requirements prerequisite to order or amendment affecting producers or producer marketing. No marketing order or amendment thereto directly affecting producers or producer marketing shall be issued unless the director determines (in accordance with any of the procedures described at RCW 15.65.160) that the issuance of such order or amendment is assented to or favored by producers within the affected area who during a representative period determined by the director constituted either (1) at least sixty-five percent by number and at least fifty-one percent by volume of the producers who have been engaged within the area of production specified in such marketing order in the production for market of the commodity specified therein, or who during such representative period have been engaged in the production of such commodity for marketing in the marketing area specified in such marketing order, or (2) at least fifty-one percent by number and at least sixty-five percent by volume of production of such producers: PROVIDED, That producers shall be deemed to have assented to or approved a proposed amendment order if sixty percent or more by number and sixty percent or more by volume of those replying assent or approve the proposed order in a referendum. [1985 c 261 § 4; 1975 1st ex.s. c 7 § 3; 1961 c 256 § 14.]

15.65.150 Minimum requirements prerequisite to order or amendment assessing handlers—Assent by producers. Any marketing order or amendment thereto directly assessing handlers shall be issued either (1) when the director determines that the issuance of such order or amendment is assented to or favored by handlers who during a representative period determined by the director constituted at least fifty-one percent by number or fifty-one percent by volume handled of the handlers who have been engaged in the handling of the commodity specified in such marketing order produced in such production area or marketed in such marketing area, as the case may be, or (2) when upon the basis of findings on a duly noticed hearing held in the manner herein provided, the director determines:

(a) That the issuance of such order or amendment will not result in unequal cost of product or availability of supplies, or cause competitive disadvantage of other respects as between handlers;

(b) That the issuance of such order or amendment is the only practical means of advancing the interest of producers of such commodity pursuant to the declared policy of this chapter and that failure to issue such order or amendment would tend to prevent effectuation of the declared policies of this chapter;

(c) That the issuance of such order is assented to or favored by producers who during a representative period determined by the director constituted at least seventy-five percent by number or at least sixty-five percent by volume of production of the producers who have been engaged within the production area specified in such marketing order in the production for market of the commodity specified therein, or who during such representative period have been engaged in the production of such commodity for sale in the marketing area specified in such order. [1985 c 261 § 5; 1961 c 256 § 15.]

15.65.160 Ascertainment of required assent percentages. After publication of his final decision, the director shall ascertain (either by written agreement in accordance with subdivision (1) of this section or by referendum in accordance with subdivision (2) of this section) whether the above specified percentages of producers and/or handlers assent to or approve any proposed order, amendment or termination, and for such purpose:

(1) The director may ascertain whether assent or approval by the percentages specified in RCW 15.65.140, 15.65.150 or 15.65.190 (whichever is applicable) have been complied with by written agreement, and the requirements of assent or approval shall, in such case, be held to be complied with, if of the total number of affected producers or affected handlers within the affected area and the total volume of production of the affected commodity or product thereof, the percentages evidencing assent or approval are equal to or in excess of the percentages specified in said sections; or

(2) The director may conduct a referendum among producers within the affected area and the requirements of assent or approval shall be held to be complied with if of the total number of such producers and the total volume of production represented in such referendum the percentage assenting or favoring is equal to or in excess of the percentage specified in RCW 15.65.140, 15.65.150 or 15.65.190 (whichever is applicable) as now or hereafter amended: PROVIDED, That thirty percent of the affected producers within the affected area producing thirty percent by volume of the affected commodity have been represented in a referendum to determine assent or approval of the issuance of a marketing order: PROVIDED FURTHER, That a marketing order shall not become effective when the provisions of subdivision (3) of this section are used unless sixty-five percent by number of the affected producers within the affected area producing fifty-one percent by volume of the affected commodity or fifty-one percent by number of such affected producers producing sixty-five percent by volume of the affected commodity approve such marketing order.
§ 11; 1987 c 393 § 6; 1961 c 256 § 17.

(3) The director shall consider the assent or dissent or the approval or disapproval of any cooperative marketing association authorized by its producer members either by a majority vote of those voting thereon or by its articles of incorporation or by its bylaws or by any marketing or other agreement to market the affected commodity for such members or to act for them in any such referendum as being the assent or dissent or the approval or disapproval of the producers who are members of or stockholders in or under contract with such cooperative association of producers: PROVIDED. That the association shall first determine that a majority of its affected producers authorizes its action concerning the specific marketing order. [1985 c 261 § 6; 1975 1st ex.s. c 7 § 4; 1961 c 256 § 16.]

### 15.65.170 Issuance or amendment of marketing order—Assent—Rules. If the director determines that the requisite assent has been given to issue or amend a marketing order, the issuance or amendment shall be adopted by rule by the director within thirty days of the validation of the vote. If the director determines that the requisite assent has not been given no further action shall be taken by the director upon the proposal, and the order contained in the final decision shall be without force or effect. [2002 c 313 § 13; 1961 c 256 § 18.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

### 15.65.175 Issuing, amending, or terminating a marketing order—Limitation on public hearings or referendums. The director shall not be required to hold a public hearing or a referendum more than once in any twelve-month period on petitions to issue, amend, or terminate a commodity marketing order if any of the following circumstances are present:

1. The petition proposes to establish a marketing order or agreement for the same commodity;
2. The petition proposes the same or a similar amendment to a marketing order or agreement; or
3. The petition proposes to terminate the same marketing order or agreement. [2002 c 313 § 12.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

### 15.65.180 Suspension of marketing agreement or order upon advice of commodity board—Certain prerequisites waived. The director may, upon the advice of the commodity board serving under any marketing agreement or order and without compliance with the provisions of RCW 15.65.050 through 15.65.170, suspend any such agreement or order or term or provision thereof for a period of not to exceed one year, if the director finds that such suspension will tend to effectuate the declared policy of this chapter. Any suspension of all or substantially all of a marketing agreement or order by the director shall not become effective until the end of the then current marketing season. [2002 c 313 § 13; 1961 c 256 § 18.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

4. The director shall include a copy of a petition to terminate a marketing order or agreement with the notice to affected producers when rule-making proceedings are commenced.

5. If the petitioners fail to meet the requirements of this chapter, the director shall deny the petition and a referendum vote will not be conducted. The person designated to represent the petitioners shall be notified if a petition is denied. [2002 c 313 § 14.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

### 15.65.185 Referendum prior to termination of a marketing order or agreement—Procedure—Exceptions. Except as provided in RCW 15.65.190 or subsection (4) of this section, the director, prior to termination of the marketing order or agreement, shall conduct a referendum as provided in this chapter, the rules adopted by the director, and the applicable marketing order or agreement.

1. If a referendum on the termination of a marketing order or agreement is assented to, the referendum proposal shall be adopted by the director within thirty days of the count of the ballots and shall go into effect under chapter 34.05 RCW. If those affected producers eligible to vote in the referendum do not assent, no further action shall be taken by the director on the proposal.

2. The director may, upon the advice of the commodity board serving under any marketing agreement or order and without compliance with the provisions of RCW 15.65.050 through 15.65.170, suspend any such agreement or order or term or provision thereof for a period of not to exceed one year, if the director finds that such suspension will tend to effectuate the declared policy of this chapter. Any suspension of all or substantially all of a marketing agreement or order by the director shall not become effective until the end of the then current marketing season. [2002 c 313 § 13; 1961 c 256 § 18.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

4. If the director determines that one hundred percent of the affected producers have filed a written application with the director requesting that a marketing order or agreement be terminated, the director may terminate the marketing order or agreement without conducting a referendum. The termination of the marketing order or agreement
shall go into effect under chapter 34.05 RCW, but no sooner than at the end of the marketing season then current. [2002 c 313 § 15.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.65.190 Termination of agreement or order on assent of producers—Procedure. Any marketing agreement or order shall be terminated if the director finds that fifty-one percent by numbers or fifty-one percent by volume of production of the affected producers within the affected area favor or assent to such termination. The director may ascertain without compliance with the provisions of RCW 15.65.050 through 15.65.130 whether such termination is so assented to or favored whenever twenty percent by numbers or twenty percent by volume of production of said producers file written application with him for such termination. No such termination shall become effective until the expiration of the marketing season then current. [1985 c 261 § 7; 1961 c 256 § 19.]

15.65.193 When marketing order or agreement is terminated—Duties of affected commodity board. If after complying with the procedures outlined in this chapter and a referendum proposal to terminate a marketing order or agreement is assented to, the affected commodity board shall:

1. Document the details of all measures undertaken to terminate the marketing order and identify and document all closing costs;
2. Contact the office of the state auditor and arrange for a final audit of the commodity board. Payment for the audit shall be from commodity board funds and identified in the budget for closing costs;
3. Provide for the reimbursement to affected producers of moneys collected by assessment. Reimbursement shall be made to those considered affected producers over the previous three-year time frame on a pro rata basis and at a percent commensurate with their volume of production over the previous three-year period unless a different time period is specified in the marketing order or agreement. If the commodity board finds that the amounts of moneys are so small as to make impractical the computation and remitting of the pro rata refund, the moneys shall be paid into the state treasury as unclaimed trust moneys; and
4. Transfer all remaining files to the department for storage and archiving, as appropriate. [2002 c 313 § 16.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.65.200 Lists of affected parties—Information used to establish lists—Purpose and use. (1) Whenever application is made for the issuance of a marketing agreement or order or the director otherwise determines to hold a hearing for the purpose of such issuance, the director or a designee shall establish a list of affected parties along with volume of production data covering a minimum three-year period, or in such lesser time as the affected party has produced the commodity in question, from information provided by the petitioners, by obtaining information on affected parties from applicable producer, handler, or processor organizations or associations or other sources identified as maintaining the information.

(2) The director shall use the list of affected parties for the purpose of notice, referendum proceedings, and electing and selecting members of commodity boards in accordance with this chapter.

(3) An affected party may at any time file his or her name and mailing address with the director. A list of affected parties may be brought up-to-date by the director up to the day preceding a mailing of a notice or ballot under this chapter and that list is deemed the list of affected parties entitled to vote.

(4) The list of affected parties used for the issuance of a marketing order or agreement shall be kept in a file maintained by the director. The list shall be certified as a true representation of the mailing list. Inadvertent failure to notify an affected party does not invalidate a proceeding conducted under this chapter.

(5) The list of affected parties that is certified as the true representation of the mailing list of a referendum shall be used to determine assent as provided in this chapter.

(6) The director shall provide the commodity board the list of affected and interested parties once a marketing order or agreement is adopted and a commodity board is established as provided in this chapter. [2002 c 313 § 17; 1985 c 261 § 8; 1961 c 256 § 20.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

(2) Financial and commercial information and records submitted to either the department or a commodity board for the purpose of administering this chapter or a marketing order or agreement may be shared between the department and the applicable commodity board. They may also be used, if required, in any suit or administrative hearing involving this chapter or a marketing order or agreement.

(3) This chapter does not prohibit:
   a. The issuance of general statements based upon the reports of a number of persons subject to any marketing order or agreement as long as the statements do not identify the information furnished by any person; or
   b. The publication by the director or a commodity board of the name of any person violating any marketing order or agreement and a statement of the manner of the violation by that person. [2002 c 313 § 18.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

(2) If an affected party disputes the results of a vote, that affected party, within sixty days from the announced results, shall provide in writing a statement of why the vote is disputed and request a recount.
(3) Once the vote is tallied and distributed, all disputes are resolved, and all matters in a vote are finalized, the individual ballots may be destroyed. [2002 c 313 § 19.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

For such purposes he shall include in each order and he may include in each agreement provisions for the employment of such administrator and such additional personnel (including attorneys engaged in the private practice of law, subject to the approval and supervision of the attorney general) as he determines are necessary and proper for such order or agreement to effectuate the declared policies of this chapter. Such provisions may provide for the qualifications, method of selection, term of office, grounds of dismissal and the detailed powers and duties to be exercised by such administrator or board and by such additional personnel, including the authority to borrow money and incur indebtedness, and may also provide either that the said administrative board shall be the commodity board or that the administrator or administrative board be designated by the director or the governor. [1977 ex.s. c 26 § 4; 1961 c 256 § 21.]

15.65.220 Commodity boards—Membership—Marketing agreement or order to establish and control—Director votes. Any marketing agreement or order may authorize use of any money received and of any persons employed thereunder for legal proceedings, of any type and in the name of any person, directed to enforcement of this or any other law in force in the state of Washington relating to the prevention of unfair trade practices. Such rate may be at the full amount of, or at any lesser amount than the amount hereinabove limited. Such rate may be altered or amended from time to time, but only upon compliance with the procedural requirements of this chapter. In every such marketing agreement, order and amendment the director shall base his determination of such rate upon the volume and price of sales of affected units (or units which would have been affected units had the agreement or order been in effect) during a period which the director determines to be a representative period. The rate of assessment prescribed in any such agreement, order or amendment shall for all purposes and times be deemed to be within the limits of assessment above provided until such time as such agreement or order is amended as to such rate. (b) That such commodity not be shipped from a cold storage facility until the facility has been notified by the commission that the commodity owner has paid the commission for any assessments imposed by the marketing order.

Unless the director has otherwise provided in any marketing order or agreement, assessments payable by producers shall be paid prior to the time when the affected unit is shipped off the farm, and assessments payable to handlers shall be paid prior to the time when the affected units are received by or for the account of the first handler. No affected units shall be transported, carried, shipped, sold, marketed or otherwise handled or disposed of until every due and payable assessment herein provided for has been paid by the producer or first handler and the receipt issued. 15.65.420 Use of moneys collected—Departmental expenses. Moneys collected by the director or his designee pursuant to any marketing order or agreement from any assessment or as an advance deposit thereon, shall be used by the director or his designee only for the purpose of paying for expenses and costs arising in connection with the formulation, issuance, administration and enforcement of such order or agreement and carrying out its provisions together with a proportionate share of the overhead expenses of the department attributable to its performance of its duties under this chapter with respect to such marketing order or agreement. In order to develop and promote Washington’s agricultural products as part of the existing comprehensive scheme to regulate agricultural commodities, the legislature declares:

(1) That the marketing of agricultural products within this state is in the public interest. It is vital to the continued economic well-being of the citizens of this state and their general welfare that its agricultural commodities be properly promoted by (a) enabling producers of agricultural commodities to help themselves in establishing orderly, fair, sound,
efficient, and unhindered marketing, grading, and standardizing of the commodities they produce; and (b) working towards stabilizing the agricultural industry by increasing consumption of agricultural commodities within the state, the nation, and internationally;

(2) That farmers and ranchers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the agricultural producer’s ability to compete in local, domestic, and foreign markets;

(3) That it is now in the overriding public interest that support for the agricultural industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that each agricultural commodity be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state’s agricultural commodities;

(b) Increase the sale and use of Washington state’s agricultural commodities in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of Washington state’s agricultural commodities;

(d) Increase the knowledge of the health-giving qualities and dietetic value of Washington state’s agricultural commodities and products; and

(e) Support and engage in programs or activities that benefit the planting, production, harvesting, handling, processing, marketing, and uses of agricultural commodities produced in Washington state;

(4) That the director seek to enhance, protect, and perpetuate the ability of the private sector to produce food and fiber, and seek to maintain the economic well-being of the agricultural industry in Washington state consistent with its regulatory activities and responsibilities;

(5) That the director is hereby authorized to implement, administer, and enforce this chapter through the adoption of marketing orders that establish commodity commissions; and

(6) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state. [2002 c 313 § 38.]

(6) The director shall provide the commodity commission the list of affected and interested parties once a marketing order is adopted and a commodity commission is established as provided in this chapter. witness to attest or testify or produce any papers required by
the subpoena, shall report to the superior court of the county
in which the proceeding is pending by petition setting forth
that due notice has been given of the time and place of
attendance of the witness or the production of the papers and
that the witness has been summoned in the manner pre-
scribed in this chapter and that he or she has failed to attend
or produce the papers required by the subpoena at the
hearing, cause or proceeding specified in the subpoena, or

witness. If it appears to the court that the subpoena was

copies of the findings and recommended decision to be
delivered or mailed to all parties of record appearing at the
hearing, or their attorneys of record. The recommended
decision shall contain the text in full of any order, or
amendment or termination of existing order, and may deny
or approve the proposal in its entirety, or it may recommend
a marketing order containing other or different terms or
conditions from those contained in the proposal: PROVID-

within the purview of the notice of hearing and shall be supported by evidence taken at the hearing or by documents
of which the director is authorized to take official notice.
The director shall not approve the issuance, amendment, or
termination of any marketing order unless he shall find with
respect thereto:
(1) That the proposed issuance, amendment or termina-
tion thereof is reasonably calculated to attain the objective
sought in such marketing order;
(2) That the proposed issuance, amendment, or termina-
tion is in conformity with the provisions of this chapter and
within the applicable limitations and restrictions set forth
therein will tend to effectuate the declared purposes and
policies of this chapter;
(3) That the interests of consumers of such commodity
are protected in that the powers of this chapter are being
exercised only to the extent necessary to attain such objec-

After the issuance of a recommended decision all
interested parties shall have a period of not less than ten
days to file objections with the director. The director shall
consider the objections and shall issue his final decision
which may be the same as the recommended decision or
may be revised in the light of said objections. The final
decision shall set out in full the text of the order. The
director shall deliver or mail copies of the final decision to
the same parties to whom copies of the findings and recom-

proposed action or not. The director shall conduct the
referendum among the affected parties or producers based on
the list as provided for in RCW 15.66.060, and the affected
parties or producers shall be deemed to have assented to the
proposed issuance or termination order if fifty-one percent or
more by number or by number and fifty-one percent or more
by volume assent to the proposed order. The producers shall
be deemed to have assented to the proposed amendment order
if sixty percent or more by number and sixty percent or
more by volume of those replying assent to the proposed
order. The determination by volume shall be made on the
basis of volume as determined in the list of affected produc-
ers created under provisions of RCW 15.66.060, subject to
rules and regulations of the director for such determination.
The director shall consider the approval or disapproval of
any cooperative marketing association authorized by its
producer members to act for them in any such referendum,
as being the approval or disapproval of the producers who
are members of or stockholders in or under contract with
such association of cooperative producers: PROVIDED,
That the association shall first determine that a majority of
the membership of the association authorize its action
concerning the specific marketing order. If the requisite
assent is given, the director shall promulgate the order and
shall mail notices of the same to all affected producers.

giving notice and electing or selecting members of a com-
mision, the applicable list corrected up to the day preceding
the date the list is certified by the commission and mailed to
the director is deemed to be the list of all affected producers
or affected handlers, as applicable, entitled to notice or to
to vote. Inadvertent failure to notify an affected producer or
handler does not invalidate a proceeding conducted under
this chapter. [2002 c 313 § 58.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.66.145 Members may belong to association with
same objectives—Contracts with associations authorized.
Any member of an agricultural commission may also be a
member or officer of an association which has the same
objectives for which the agricultural commission was
formed. An agricultural commission may also contract with
such association for services necessary to carry out any
purposes authorized under this chapter, provided that an
appropriate contract has been entered into. [1972 ex.s. c 112
§ 4.]

15.66.150 Annual assessments—Rate—Collection.
There is hereby levied, and there shall be collected by each
commission, upon each and every unit of any agricultural
commodity specified in any marketing order an annual
assessment which shall be paid by the producer thereof upon
each and every such unit sold, processed, stored or delivered
for sale, processing or storage by him. Such assessments
shall be expressed as a stated amount of money per unit or
as a percentage of the net unit price at the time of sale. The
total amount of such annual assessment to be paid by all
affected producers of such commodity shall not exceed three
percent of the total market value of all affected units sold,
processed, stored or delivered for sale, processing or storage
by all affected producers of such units during the year to
which the assessment applies.

Every marketing order shall prescribe the per unit or
percentage rate of such assessment. Such rate may be at the
full amount of, or at any lesser amount than the amount
hereinabove limited and may be altered from time to time by
amendment of such order. In every such marketing order and
amendment the determination of such rate shall be based
upon the volume and price of sales of affected units during
a period which the director determines to be a representative
period. The per unit or percentage rate of assessment
prescribed in any such order or amendment shall for all
purposes and times be deemed to be within the limits of
assessment above provided until such time as such order is
amended as to such rate. However, at the end of any year,
any affected producer may obtain a refund from the com-
mision of any assessment payments made which exceed three
percent of the total market value of all of the affected
commodity sold, processed, stored or delivered for sale,
processing or storage by such producer during the year.
Such refund shall be made only upon satisfactory proof
given by such producer in accordance with reasonable rules
and regulations prescribed by the director. Such market
value shall be based upon the average sales price received by
such producer during the year from all bona fide sales or,
if such producer did not sell twenty-five percent or more of
all of the affected commodity produced by him during the
year, such market value shall be determined by the director
upon other sales of the affected commodity determined by
the director to be representative and comparable.

To collect such assessment each order may require:
(1) Stamps to be purchased from the affected commodity
commission or other authority stated in such order and
attached to the containers, invoices, shipping documents,
inspection certificates, releases, or receiving receipts or
tickets (said stamps to be canceled immediately upon being
attached and the date of cancellation placed thereon).
(2) Payment of producer assessments before the affected
units are shipped off the farm or payment of assessments at
different or later times, and in such event the order may
require any person subject to the assessment to give adequate
assurance or security for its payment.
(3) Every affected producer subject to assessment under
such order to deposit with the commission in advance an
amount based on the estimated number of affected units
upon which such person will be subject to such assessment
in any one year during which such marketing order is in
force, or upon any other basis which the director determines
to be reasonable and equitable and specifies in such order,
but in no event shall such deposit exceed twenty-five percent
of the estimated total annual assessment payable by such
person. At the close of such marketing year the sums so
deposited shall be adjusted to the total of such assessments
payable by such person.
(4) Handlers receiving the affected commodity from the
producer, including warehousemen and processors, to collect
producer assessments from producers whose production they
handle and remit the same to the affected commission. The
lending agency for a commodity credit corporation loan to
producers shall be deemed a handler for the purpose of this
subsection. No affected units shall be transported, carried,
shipped, sold, stored or otherwise handled or disposed of
until every due and payable assessment herein provided for
has been paid and the receipt issued, but no liability hereun-
der shall attach to common carriers in the regular course of
their business. [1981 c 297 § 40; 1979 ex.s. c 93 § 1; 1961
c 11 § 15.66.150. Prior: 1957 c 133 § 1; 1955 c 191 § 15.]

Severability—1981 c 297: See note following RCW 15.36.201.

15.66.153 Promotional hosting expenditures—Rules.
Agricultural commodity commissions shall adopt rules
governing promotional hosting expenditures by commodity
commission employees, agents, or commission members
under RCW 15.04.200. [2002 c 313 § 59.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.66.157 When commodity commission is terminat-
ed—Duties of affected commodity commission. If after
complying with the procedures outlined in this chapter and
a referendum proposal to terminate a commodity commission
is assented to, the affected commodity commission shall:
(1) Document the details of all measures undertaken to
terminate the commodity commission and identify and
document all closing costs;
(2) Contact the office of the state auditor and arrange
for a final audit of the commission. Payment for the audit
shall be from commission funds and identified in the budget
for closing costs;
(3) Provide for the reimbursement to affected producers of moneys collected by assessment. Reimbursement shall be made to those considered affected producers over the previous three-year time frame on a pro rata basis and at a percent commensurate with their volume of production over the previous three-year period unless a different time period is specified in the marketing order. If the commodity commission finds that the amounts of moneys are so small as to make impractical the computation and remitting of the pro rata refund, the moneys shall be paid into the state treasury as unclaimed trust moneys; and

(4) Transfer all remaining files to the department for storage and archiving, as appropriate. [2002 c 313 § 60.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.66.160 Annual assessments—Disposition of revenue. Moneys collected by any commodity commission pursuant to any marketing order from any assessment for marketing purposes or as an advance deposit thereon shall be used by the commission only for the purpose of paying for the costs or expenses arising in connection with carrying out the purposes and provisions of such agreement or order.

Upon the termination of any marketing order any and all moneys remaining with the commodity commission operating under that marketing order and not required to defray expenses or repay obligations incurred by that commission shall be returned to the affected producers in proportion to the assessments paid by each in the two year period preceding the date of the termination order. [1961 c 11 § 15.66.160. Prior: 1955 c 191 § 16.]

15.66.170 Annual assessments—Payments—Civil action to enforce. Any due and payable assessment herein levied, and every sum due under any marketing order in a specified amount shall constitute a personal debt of every person so assessed or who otherwise owes the same, and the same shall be due and payable to the commission when payment is called for by the commission. In the event any person fails to pay the full amount of such assessment or such other sum on or before the date due, the commission may add to such unpaid assessment or sum an amount not exceeding ten percent of the same to defray the cost of enforcing the collection of the same. In the event of failure of such person or persons to pay any such due and payable assessment or other such sum, the commission may bring a civil action against such person or persons in a state court of competent jurisdiction for the collection thereof, together with the above specified ten percent thereon, and such action shall be tried and judgment rendered as in any other cause of action for debt due and payable. [1961 c 11 § 15.66.170. Prior: 1955 c 191 § 17.]

15.66.180 Expenditure of funds collected. All moneys which are collected or otherwise received pursuant to each marketing order created under this chapter shall be used solely by and for the commodity commission concerned and shall not be used for any other commission, nor the department except as otherwise provided in this chapter. Such moneys shall be deposited in a separate account or accounts in the name of the individual commission in any bank which is a state depository. All expenses and disbursements incurred and made pursuant to the provisions of any marketing order shall be paid from moneys collected and received pursuant to such order without the necessity of a specific legislative appropriation and all moneys deposited for the account of any order shall be paid from said account by check or voucher in such form and in such manner and upon the signature of such person as may be prescribed by the commission. None of the provisions of RCW 43.01.050 shall be applicable to any such account or any moneys so received, collected or expended. [2002 c 313 § 61; 1961 c 11 § 15.66.180. Prior: 1955 c 191 § 18.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.66.185 Investment of agricultural commodity commission funds in savings or time deposits of banks, trust companies, and mutual savings banks. Any funds of any agricultural commodity commission may be invested in savings or time deposits in banks, trust companies, and mutual savings banks that are doing business in the United States, up to the amount of insurance afforded such accounts by the Federal Deposit Insurance Corporation. This section shall apply to all funds which may be lawfully so invested, which in the judgment of any agricultural commodity commission are not required for immediate expenditure. The authority granted by this section is not exclusive and shall be construed to be cumulative and in addition to other authority provided by law for the investment of such funds. [2002 c 313 § 62; 1967 ex.s. c 54 § 2. Formerly RCW 30.04.370.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.66.190 Official bonds required. Every administrator, employee or other person occupying a position of trust under any marketing order and every member actually handling or drawing upon funds shall give a bond in such penal amount as may be required by the affected commission or by the order, the premium for which bond or bonds shall be paid by the commission. [1961 c 11 § 15.66.190. Prior: 1955 c 191 § 19.]

15.66.200 Petition for modification or exemption—Hearing—Appeal from ruling. An affected producer subject to a marketing order may file a written petition with the director stating that the order, agreement or program or any part thereof is not in accordance with the law, and requesting a modification thereof or exemption therefrom. He shall thereupon be given a hearing, which hearing shall be conducted in the manner provided by RCW 15.66.070, and thereafter the director shall make his ruling which shall be final.

Appeal from any ruling of the director may be taken to the superior court of the county in which the petitioner resides or has his principal place of business, by serving upon the director a copy of the notice of appeal and complaint within twenty days from the date of entry of the ruling. Upon such application the court may proceed in accordance with RCW 7.16.010 through 7.16.140. If the court determines that the ruling is not in accordance with law, it shall remand the proceedings to the director with directions to make such ruling as the court determines to be in accordance with law or to take such further proceedings
as in its opinion are required by this chapter. [1961 c 11 § 15.66.200. Prior: 1955 c 191 § 20.]

**15.66.210 Unlawful acts—Penalties—Injunctions—Investigations.** It shall be a misdemeanor for:

1. Any person wilfully to violate any provision of this chapter or any provision of any marketing order duly issued by the director pursuant to this chapter.
2. Any person wilfully to render or furnish a false or fraudulent report, statement of record required by the director or any commission pursuant to the provisions of this chapter or any provision of any marketing order duly issued by the director pursuant to this chapter or wilfully to fail or refuse to furnish or render any such report, statement or record so required.

In the event of violation or threatened violation of any provision of this chapter or of any marketing order duly issued or entered into pursuant to this chapter, the director, the affected commission, or any affected producer on joining the affected commission, shall be entitled to an injunction to prevent further violation and to a decree of specific performance of such order, and to a temporary restraining order and injunction pending litigation upon filing a verified complaint and sufficient bond.

All persons subject to any order shall severally from time to time, upon the request of the director, furnish him with such information as he finds to be necessary to enable him to effectuate the policies of this chapter and the purposes of such order or to ascertain and determine the extent to which such order has been carried out or has effectuated such policies and purposes, or to determine whether or not there has been any abuse of the privilege of exemptions from laws relating to trusts, monopolies and restraints of trade. Such information shall be furnished in accordance with forms and reports to be prescribed by the director. For the purpose of ascertaining the correctness of any report made to the director pursuant to this section or for the purpose of obtaining the information required in any such report where it has been requested and has not been furnished, the director is authorized to examine such books, papers, records, copies of tax reports, accounts, correspondence, contracts, documents or memoranda as he deems relevant and which are within the control of any such person from whom such report was requested, or of any person having, either directly or indirectly, actual or legal control of or over such person or such records, or of any subsidiary of any such person. To carry out the purposes of this section the director, upon giving due notice, may hold hearings, take testimony, administer oaths, subpoena witnesses and issue subpoenas for the production of books, records, documents or other writings of any kind, and RCW 15.66.070 shall apply with respect to any such hearing, together with such other regulations consistent therewith as the director may from time to time prescribe. [1961 c 11 § 15.66.210. Prior: 1955 c 191 § 21.]

**15.66.220 Compliance with chapter a defense in any action.** In any civil or criminal action or proceeding for violation of any rule of [or] statutory or common law against monopolies or combinations in restraint of trade, proof that the act complained of was done in compliance with the provisions of this chapter or a marketing order issued under this chapter, and in furtherance of the purposes and provisions of this chapter, shall be a complete defense to such action or proceeding. [1961 c 11 § 15.66.220. Prior: 1955 c 191 § 22.]

**15.66.230 Liability of commission, state, etc.** Obligations incurred by any commission and any other liabilities or claims against the commission shall be enforced only against the assets of such commission in the same manner as if it were a corporation and no liability for the debts or actions of the commission shall exist against either the state of Washington or any subdivision or instrumentality thereof or against any other commission established pursuant to this chapter or the assets thereof or against any member officer, employee or agent of the board in his individual capacity. The members of any such commission, including employees of such board, shall not be held responsible individually in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person or employee, except for their own individual acts of dishonesty or crime. No such person or employee shall be held responsible individually for any act or omission of any other member of any such commission. The liability of the members of such commission shall be several and not joint and no member shall be liable for the default of any other member. [1961 c 11 § 15.66.230. Prior: 1955 c 191 § 23.]

**15.66.240 Marketing agreements.** Marketing agreements shall be created upon written application filed with the director by not less than five commercial producers of an agricultural commodity and upon approval of the director. The director shall hold a public hearing upon such application. Not less than five days prior thereto he shall give written notice thereof to all producers whom he determines may be proper parties to such agreement and shall publish such notice at least once in a newspaper of general circulation in the affected area. The director shall approve an agreement so applied for only if he shall find:

1. That no other agreement or order is in force for the same commodity in the same area or any part thereof;
2. That such agreement will tend to effectuate its purpose and the declared policies of this chapter and conforms to law;
3. That enough persons who produce a sufficient amount of the affected commodity to tend to effectuate said policies and purposes and to provide sufficient moneys to defray the necessary expenses of formulation, issuance, administration and enforcement have agreed in writing to said agreement.

Such agreement may be for any of the purposes and may contain any of the provisions that a marketing order may contain under the provisions of this chapter but no other purposes and provisions. A commodity commission created by such agreement shall in all respects have all powers and duties as a commodity commission created by a marketing order. Such agreement shall be binding upon, and only upon, persons who have signed the agreement: PROVIDED, That a cooperative association may, in behalf of its members, execute any and all marketing agreements authorized.
hereunder, and upon so doing, such agreement so executed shall be binding upon said cooperative association and its members. Such agreements shall go into force when the director endorses his approval in writing upon the agreement and so notifies all who have signed the agreement. Additional signatories may be added at any time with the approval of the director. Every agreement shall remain in force and be binding upon all persons so agreeing for the period specified in such agreement but the agreement shall provide a time at least once in every twelve months when any or all such persons may withdraw upon giving notice as provided in the agreement. Such an agreement may be amended or terminated in the same manner as herein provided for its creation and may also be terminated whenever after the withdrawal of any signatory the director finds on the basis of evidence presented at such hearing that not enough persons remain signatory to such agreement to effectuate the purposes of the agreement or the policies of the act or to provide sufficient moneys to defray necessary expenses. However, in the event that a cooperative association is signatory to the marketing agreement in behalf of its members, the action of the cooperative association shall be considered the action of its members for the purpose of determining withdrawal or termination. [1961 c 11 § 15.66.240. Prior: 1955 c 191 § 24.]

15.66.245 Marketing agreement or order—Authority for participation in proceedings concerning regulation of pesticides or agricultural chemicals. Any marketing agreement or order may authorize the members of a commodity commission, or their agents or designees, to participate in federal or state hearings or other proceedings concerning regulation of the manufacture, distribution, sale, or use of any pesticide as defined by RCW 15.58.030(30) or any agricultural chemical which is of use or potential use in producing the affected commodity. Any marketing agreement or order may authorize the expenditure of commodity commission funds for this purpose. [2002 c 313 § 63; 1988 c 54 § 2.]

15.66.260 Costs of conducting nominations and elections—Reimbursement. The department shall be reimbursed for actual costs incurred in conducting nominations and elections for members of any commodity commission established under the provisions of this chapter. The legislature further recognizes that the development of hardwood forests and hardwood products will require multistate, sustained-yield management plans for industrial and nonindustrial timber tracts, the development of products and markets for all grades of hardwoods, a stable and predictable tax program for new and existing firms and financial assistance for the attraction and expansion of new and existing hardwood processing facilities. The legislature also recognizes that the welfare of the citizens of the state of Washington require, as a public purpose, a continuing effort toward the full utilization of hardwood forests and the hardwood products industry. The members of the commission, including employees of the commission, shall not be held responsible in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principle, agent, person, or employees, except for their own individual acts of dishonesty or crime. No such person or employee shall be held responsible individually for any act or omission of any other members of the commission. [1990 c 142 § 6.]

15.74.060 Assessments—Generally. To provide for permanent funding of the Washington hardwoods commission, agricultural commodity assessments shall be levied by the commission on processors of hardwoods.

An assessment is hereby levied on hardwood processors operating within the state of Washington. The assessment categories shall be based on the hardwood processor’s production per calendar quarter. The assessment shall be levied based upon the following schedule:

or who otherwise owes the same, and the same shall be due and payable to the commission when payment is called for by the commission. In the event any person fails to pay the commission the full amount of such assessment or such other sum on or before the date due, the commission may, and is hereby authorized to, add to such unpaid assessment or sum an amount not exceeding ten percent of the same to defray the cost of enforcing the collecting of the same. It is hereby declared that it is in the public interest to hold agricultural fairs, including the exhibition of livestock and agricultural produce of all kinds, as well as related arts and manufactures; including products of the farm home and educational contest, displays and demonstrations designed to train youth and to promote the welfare of farm people and rural living. Fairs qualifying hereunder shall be eligible for allocations from the state fair fund as provided in this chapter. [1961 c 61 § 1.]

### 15.76.110 Definitions.

"Director" shall mean the director of agriculture. "Commission" shall mean the fairs commission created by this chapter. "State allocations" shall mean allocations from the state fair fund. [1961 c 61 § 2.]

### 15.76.115 Fair fund—Created—Treasurer’s transfer—Purpose.

The fair fund is created in the custody of the state treasurer. All moneys received by the department of agriculture for the purposes of this fund and from RCW 67.16.105(4) shall be deposited into the fund. At the beginning of fiscal year 2002 and each fiscal year thereafter, the state treasurer shall transfer into the fair fund from the general fund the sum of two million dollars. Expenditures from the fund may be used only for assisting fairs in the manner provided in this chapter. Only the director of agriculture or the director’s designee may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures. [2001 2nd sp.s. c 16 § 1; 1998 c 345 § 2.]

Severability—Effective date—Contingent effective date—1998 c 345: See notes following RCW 15.04.090.

### 15.76.120 Categories of fairs—Jurisdiction and organization.

For the purposes of this chapter all agricultural fairs in the state which may become eligible for state allocations shall be divided into categories, to wit:

1. "Area fairs"—those not under the jurisdiction of boards of county commissioners; organized to serve an area larger than one county, having both open and junior participation, and having an extensive diversification of classes, displays and exhibits;

2. "County and district fairs"—organized to serve the interests of single counties other than those in which a recognized area fair or a district fair as defined in RCW 36.37.050, is held and which are under the direct control and supervision of the county commissioners of the respective counties, which have both open and junior participation, but whose classes, displays and exhibits may be more restricted or limited than in the case of area or district fairs. There may be more than one county fair in a single county: PROVIDED, HOWEVER, that the county commissioners of two or more counties may, by resolution, jointly sponsor a county fair.

3. "Community fairs"—organized primarily to serve a smaller area than an area or county fair, which may have open or junior classes, displays, or exhibits. There may be more than one community fair in a county.

4. "Youth shows and fairs"—approved by duly constituted agents of Washington State University or the office of the superintendent of public instruction, serving three or more counties, and having for their purpose the education and training of rural youth in matters of rural living. [1993 c 163 § 1; 1991 c 238 § 74; 1961 c 61 § 3.]

Such application shall be in such form as the director may prescribe. [1961 c 61 § 4.]

### 15.76.140 Eligibility requirements for state allocation.

1. Before any agricultural fair may become eligible...
for state allocations it must have conducted two successful consecutive annual fairs immediately preceding application for such allocations, and have its application therefor approved by the director.

(2) Beginning January 1, 1994, the director may waive this requirement for an agricultural fair that through itself or its predecessor sponsoring organization has successfully operated at least two years as a county fair and that reorganizes as an area fair. [2001 c 157 § 1; 1995 c 374 § 71; 1965 ex.s. c 32 § 1; 1961 c 61 § 5.]

The director shall have the authority to make allocations from the state fair fund, including interest income under RCW 43.79A.040, exclusively as follows: Eighty-five percent to participating agricultural fairs, distributed according to the merit of such fairs measured by a merit rating to be set up by the director. This merit rating shall take into account such factors as area and population served, open and/or youth participation, attendance, gate receipts, number and type of exhibits, premiums and prizes paid, community support, evidence of successful achievement of the aims and purposes of the fair, extent of improvements made to grounds and facilities from year to year, and overall condition and appearance of grounds and facilities. The remaining fifteen percent of money in the state fair fund may be used for special assistance to any participating fair or fairs and for administrative expenses incurred in the administration of this chapter only, including expenses incurred by the fair commission as may be approved by the director: PROVIDED, That not more than five percent of the state fair fund may be used for such expenses.

The division and payment of funds authorized in this section shall occur at such times as the director may prescribe. [2002 c 313 § 113; 1965 ex.s. c 32 § 2; 1961 c 61 § 6.]

15.83.005  Intent. Agricultural products are produced by many individual farmers and ranchers located throughout the state. The efficient production and marketing of agricultural products by farmers, ranchers, and handlers is of vital concern to the welfare and general economy of the state. It is the purpose of this chapter to establish standards of fair practices required of handlers, producers, and associations of producers, with respect to certain agricultural commodities, to establish the mutual obligation of handlers and accredited associations of producers to negotiate relative to the production or marketing of these agricultural commodities.

It is the intent of the legislature that a workable process be developed through which a fair price and other contract terms can be arrived at through negotiations between processors of agricultural products and an accredited association of producers, and that in developing rules and administering this chapter the director of agriculture shall recognize this intent. [1989 c 355 § 1.]

15.83.010  Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1)  "Accredited association of producers" means an association of producers which is accredited by the director to be the exclusive negotiation agent for all producer members of the association within a negotiating unit.

(2)  "Advance contract" means a contract for purchase and sale of a crop entered into before the crop becomes a growing crop and providing for delivery at or after the harvest of that crop.

(3)  "Agricultural products" as used in this chapter means sweet corn and potatoes produced for sale from farms in this state.

(4)  "Association of producers" means any association of producers of agricultural products engaged in marketing, negotiating for its members, shipping, or processing as defined in section 15(a) of the federal agriculture marketing act of 1929 or in section 1 of 42 Stat. 388.

(5)  "Director" means the director of the department of agriculture.

(6)  "Handler" means a processor or a person engaged in the business or practice of:

(a)  Acquiring agricultural products from producers or associations of producers for use by a processor;

(b)  Processing agricultural products received from producers or associations of producers, provided that a cooperative association owned by producers shall not be a handler except when contracting for crops from producers who are not members of the cooperative association;

(c)  Contracting or negotiating contracts or other arrangements, written or oral, with or on behalf of producers or associations of producers with respect to the production or marketing of any agricultural product for use by a processor; or

(d)  Acting as an agent or broker for a handler in the performance of any function or act specified in (a), (b), or (c) of this subsection.

(7)  "Negotiate" means meeting at reasonable times and for reasonable periods of time commencing at least sixty days before the normal planting date and concluding within thirty days of the normal planting date to make a serious, fair, and reasonable attempt to reach agreement by acknowledging or refuting with reason points brought up by either party with respect to the price, terms of sale, compensation for products produced under contract, or other terms relating to the production or sale of these products: PROVIDED, That neither party shall be required to disclose proprietary business or financial records or information.

(8)  "Negotiating unit" means a negotiating unit approved by the director under RCW 15.83.020.

(9)  "Person" means an individual, partnership, corporation, association, or any other entity.

(10)  "Processor" means any person that purchases agricultural crops from a producer and cans, freezes, dries, dehydrates, cooks, presses, powders, or otherwise processes those crops in any manner for eventual resale. A person who solely cleans, sorts, grades, and packages a farm product for sale without altering the natural condition of the product is not a processor. A person processing any portion of a crop is a processor.

(11)  "Producer" means a person engaged in the production of agricultural products as a farmer or planter, including a grower or farmer furnishing inputs, production management, or facilities for growing or raising agricultural products. A producer who is also a handler shall be considered a handler under this chapter.
15.83.020  Negotiating agents—Association of producers—Accreditation. (1) An association of producers may file an application with the director:
(a) Requesting accreditation to serve as the exclusive negotiating agent on behalf of its producer members who are within a proposed negotiating unit with respect to any qualified commodity;
(b) Describing geographical boundaries of the proposed negotiating unit;
(c) Specifying the number of producers and the quantity of products included within the proposed negotiating unit;
(d) Specifying the number and location of the producers and the quantity of products represented by the association; and
(e) Supplying any other information required by the director.

(2) Within a reasonable time after receiving an application under subsection (1) of this section, the director shall approve or disapprove the application in accordance with this section.

(a) The director shall approve the initial application or renewal if the director determines that:
   (i) The association is owned and controlled by producers under the charter documents or bylaws of the association;
   (ii) The association has valid and binding contracts with its members empowering the association to sell or negotiate terms of sale of its members’ products or to negotiate for compensation for products produced under contract by its members;
   (iii) The association represents a sufficient percentage of producers or that its members produce a sufficient percentage of agricultural products to enable it to function as an effective agent for producers in negotiating with a given handler as defined in rules promulgated by the department. In making this finding, the director shall exclude any quantity of the agricultural products contracted by producers with producer-owned and controlled processing cooperatives with its members and any quantity of these products produced by handlers;
   (iv) One of the association’s functions is to act as principal or agent for its members in negotiations with handlers for prices and other terms of trade with respect to the production, sale, and marketing of the products of its members, or for compensation for products produced by its members under contract; and
   (v) Accreditation would not be contrary to the policies established in RCW 15.83.005.

(b) If the director does not approve the application under (a) of this subsection, then the association of producers may file an amended application with the director. The director, within a reasonable time, shall approve the amended application if it meets the requirements set out in (a) of this subsection.

(3) At the discretion of the director, upon submission of a timely filed petition by an affected handler or an affected association of producers, the association of producers accredited under this section may be required by the director to renew the application for accreditation by providing the information required under subsection (1) of this section. [1989 c 355 § 3.]

(1) To refuse to negotiate with an association of producers accredited under RCW 15.83.020 with respect to any qualified commodity: PROVIDED, That the obligation to negotiate does not require either party to agree to a proposal, to make a concession, or to enter into a contract;

(2) To coerce any producer in the exercise of his or her right to contract with, join, refrain from contracting with or joining, belong to an association of producers, or refuse to deal with any producer because of the exercise of that producer’s right to contract with, join, or belong to an association or because of that producer’s promotion of legislation on behalf of an association of producers;

(3) To discriminate against any producer with respect to price, quantity, quality, or other terms of purchase, acquisition, or other handling of agricultural products because of that producer’s membership in or contract with an association of producers or because of that producer’s promotion of legislation on behalf of an association of producers;

(4) To coerce or intimidate any producer to enter into, maintain, breach, cancel, or terminate a membership agreement or marketing contract with an association of producers or a contract with a handler;

(5) To pay or loan money, give anything of value, or offer any other inducement or reward to a producer for refusing or ceasing to belong to an association of producers;

The order may also require the person to make reports from time to time showing the extent of compliance with the order. If, upon the preponderance of the testimony and other evidence, the director determines that the person named in the complaint has not engaged in or is not engaging in any prohibited practice, the director shall make and enter findings of fact and an order dismissing the complaint. [1989 c 355 § 6.]

15.83.060 Director’s authority—Recordkeeping—Cooperation. If required to carry out the objectives of this chapter, including the conduct of any investigations or hearing:

(1) The director shall require any person to:
   (a) Establish and maintain records;

   (c) Provide other information as may be reasonably required.

(2) Any person subject to the provisions of this chapter shall provide the information, records, and reports reasonably required by the director, or make such material available to the director for inspection and/or copying at reasonable times and places, except that no person shall be required under this section to provide to the director proprietary business or financial records or information. [1989 c 355 § 7.]

15.83.070 Injury due to unlawful practices—Damages. A person injured in his or her business or property by reason of any violation of or conspiracy to violate RCW 15.83.030 or 15.83.040 may sue in a court of competent jurisdiction of the county in which such violation occurred without respect to the amount in controversy, and shall recover damages sustained, including reasonable attorneys’ fees and costs of bringing the suit. Any action to enforce any cause of action under this section shall be forever barred unless commenced not later than two years after the cause of action accrues. [1989 c 355 § 8.]

15.83.080 Unlawful practices—Civil penalty. A person who violates RCW 15.83.030 or 15.83.040 may be assessed a civil penalty by the director of not more than five thousand dollars for each offense. No civil penalty may be assessed unless the person charged has been given notice and opportunity for a hearing pursuant to chapter 34.05 RCW. In determining the amount of the penalty, the director shall consider the size of the business of the person charged, the penalty’s affect [effect] on the person’s ability to continue in business, and the gravity of the violation. If the director is unable to collect the civil penalty, the director shall refer the collection to the attorney general. [1989 c 355 § 9.]

15.83.090 Injunction. The director or any aggrieved producer, accredited association, or handler may bring an action to enjoin the violation of any provision of this chapter or any regulation made pursuant to this chapter in a court of competent jurisdiction of the county in which such violation occurs or is about to occur. Aquaculture disease control: Chapter 77.115 RCW.

15.85.010 Legislative declaration. The legislature declares that aquatic farming provides a consistent source of
The legislature finds that many areas of the state of Washington are scientifically and biologically suitable for aquaculture development, and therefore the legislature encourages promotion of aquacultural activities, programs, and development with the same status as other agricultural activities, programs, and development within the state.

The legislature finds that aquaculture should be considered a branch of the agricultural industry of the state for purposes of any laws that apply to or provide for the advancement, benefit, or protection of the agriculture industry within the state.

The legislature further finds that in order to ensure the maximum yield and quality of cultured aquatic products, the department of fish and wildlife should provide diagnostic services that are workable and proven remedies to aquaculture disease problems.

It is therefore the policy of this state to encourage the development and expansion of aquaculture within the state. It is also the policy of this state to protect wildstock fisheries by providing an effective disease inspection and control program and prohibiting the release of salmon or steelhead trout by the private sector into the public waters of the state and the subsequent recapture of such species as in the practice commonly known as ocean ranching. [1994 c 264 § 4; 1985 c 457 § 1.]

### 15.85.060 Private sector cultured aquatic products—Identification—Rules

The director shall establish identification requirements for private sector cultured aquatic products to the extent that identifying the source and quantity of the products is necessary to permit the department of fish and wildlife to administer and enforce Titles *75 and 77 RCW effectively. The rules shall apply only to those private sector cultured aquatic products the transportation, sale, processing, or other possession of which would otherwise be required to be licensed under Title *75 or 77 RCW if they were not cultivated by aquatic farmers. The rules shall apply to the transportation or possession of such products on land other than aquatic lands and may require that they be: (1) Placed in labeled containers or
accompanied by bills of lading or sale or similar documents identifying the name and address of the producer of the products and the quantity of the products governed by the documents; or (2) both labeled and accompanied by such documents.

The director shall consult with the director of fish and wildlife to ensure that such rules enable the department of fish and wildlife to enforce the programs administered under those titles. If rules adopted under chapter 69.30 RCW satisfy the identification required under this section for shellfish, the director shall not establish different shellfish identification requirements under this section. [1994 c 264 § 5; 1988 c 36 § 6; 1985 c 457 § 5.]

*Reviser's note: Title 75 RCW was recodified, repealed, and/or decodified in its entirety by 2000 c 107. See Comparative Table for Title 75 RCW in the Table of Disposition of Former RCW Sections, Volume 0.

15.88.010 Legislative declaration. The legislature declares that:

(1) Marketing is a dynamic and changing part of Washington agriculture and a vital element in expanding the state economy.

(2) The sale in the state and export to other states and abroad of wine made in the state contribute substantial benefits to the economy of the state, provide a large number of jobs and sizeable tax revenues, and have an important stabilizing effect on prices received by agricultural producers. Development of exports of these commodities abroad will contribute favorably to the balance of trade of the United States and of the state. The sale and export are therefore affected with the public interest.

(3) The production of wine grapes in the state is a new and important segment of Washington agriculture which has potential for greater contribution to the economy of the state if it undergoes healthy development.
(4) The general welfare of the people of the state will be served by healthy development of the activities of growing and processing wine grapes, which development will improve the tax bases of local communities in which agricultural land and processing facilities are located, and obviate the need for state and federal funding of local services. The industries are therefore affected with the public interest.

(5) Creation of a commission for the public purpose of administering the revenue of the commission under RCW 66.24.210(3) for the enhancement of production of wine grapes and wine and the marketing of Washington wine will materially advance the industries of growing and processing wine grapes and thereby the interests of the citizens of the state. [1987 c 452 § 1.]

15.88.025 Regulating wine grapes and wine—Existing comprehensive scheme—Applicable laws. The history, economy, culture, and future of Washington state’s agriculture involves the wine industry. In order to develop and promote wine grapes and wine as part of an existing comprehensive scheme to regulate those products the legislature declares:

(1) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its wine grapes and wine be properly promoted by (a) enabling the wine industry to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing of wine grapes and wine they produce; and (b) working to stabilize the wine industry by increasing markets for wine grapes and wine within the state, the nation, and internationally;

(2) That wine grape growers and wine processors operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the wine grape growers’ and wine producers’ ability to compete in local, domestic, and foreign markets;

(3) That it is in the overriding public interest that support for the wine industry be clearly expressed; that adequate protection be given to agricultural commodities, uses, activities, and operations; and that wine grapes and wine be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state’s agriculture industry;

(b) Increase the sale and use of wine grapes and wine in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of wine grapes and wine;

(d) Increase the knowledge of the qualities and value of Washington’s wine grapes and wine; and

(e) Support and engage in programs or activities that benefit the production, handling, processing, marketing, and uses of wine grapes and wine;

(4) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state; and

(5) That the production and marketing of wine grapes and wine is a highly regulated industry and that the provisions of this chapter and the rules adopted under it are only one aspect of the regulated industry. Other regulations and restraints applicable to the wine grape and wine industry include:

(a) Organic food products act under chapter 15.86 RCW;

(b) Horticultural pests and diseases under chapter 15.08 RCW;

(c) Horticultural plants and facilities—Inspection and licensing under chapter 15.13 RCW;
(d) Planting stock under chapter 15.14 RCW;
(e) Washington pesticide control act under chapter 15.58 RCW;
(f) Insect pests and plant diseases under chapter 17.24 RCW;

Effective dates—2002 c 313: See note following RCW 15.65.020.

11. To sue and be sued as a commission, without individual liability for acts of the commission within the scope of the powers conferred upon it by this chapter. [1987 c 452 § 7.]

15.88.080 Research, promotional, and educational campaign. The commission shall create, provide for, and conduct a comprehensive and extensive research, promotional, and educational campaign as crop, sales, and market conditions reasonably require. It shall investigate and ascertain the needs of producers, conditions of markets, and degree of public awareness of products, and take into account the information adduced thereby in the discharge of its duties under this chapter. [1987 c 452 § 8.]

15.88.090 Campaign goals. The commission shall adopt as major objectives of its research, promotional, and educational campaign such goals as will serve the needs of producers, which may include, without limitation, efforts to:

1. Establish Washington wine as a major factor in markets everywhere;

(1) Except as provided in subsections (2) and (3) of this section, the vote of each of the voting members of the commission shall be weighted as provided by this subsection for the transaction of any of the business of the commission. The total voting strength of the entire voting membership of the commission shall be eleven votes. The vote of position one shall be equal to the lesser of the following: Five and one-half votes; or eleven votes times the percentage of the wine produced in the state that is produced by the person filling position one. The percentage shall be based upon the amount of wine produced in the previous calendar year and shall be rounded to the nearest ten percent. The remaining votes of the membership of the commission shall be divided equally among the remaining members of the commission.

(2) In the event the assessment described in RCW 66.24.215(1)(b) is not effective on July 1, 1989, the positions designated for growers cease to exist. In such an event, the commission shall be composed of six voting members and two nonvoting members. The nonvoting industry member shall be position seven. Four voting members of the commission constitute a quorum for the modified commission. Of the six votes of the entire voting membership of the modified commission, the vote of position one shall be the lesser of the following: Three votes; or six votes times the percentage of the wine produced in the state that is produced by the person filling position one. The percentage shall be based upon the amount of wine produced in the previous calendar year and shall be rounded to the nearest ten percent. The remaining votes of the membership of the commission shall be divided equally among the remaining members of the commission.

(3) In the event that the percentage of wine produced by the producer represented by position one falls below twenty-five percent of the wine produced in this state, the weighted voting mechanism provided for in subsections (1) and (2) of this section shall cease to be effective. In that case, the voting shall be based on one vote per position. [1988 c 254 § 14; 1987 c 452 § 10.]

15.88.110 Assessments on wine producers and growers to fund commission. See RCW 66.24.215.

15.88.120 List of growers of vinifera grapes—Reporting system. (1) The commission shall cause a list to be prepared of all Washington growers from any information available from the department, growers’ association, or wine producers. This list shall contain the names and addresses of all persons who grow vinifera grapes for sale or use by wine producers within this state and the amount (by tonnage) of vinifera grapes produced during the period designated by the commission. A qualified person may, at any time, have his or her name placed upon the list by delivering or mailing the information to the commission. This list shall be corrected and brought up to date in accordance with evidence and information available to the commission on or before December 31st of each year. For all purposes of giving notice and holding referendums, the list on hand, corrected up to the day next preceding the date for issuing notices or ballots as the case may be, is, for purposes of this chapter, deemed to be the list of all growers entitled to notice or to assent or dissent or to vote.

(2) The commission shall develop a reporting system to document that the vinifera grape growers in this state are reporting quantities of vinifera grapes grown and subject to the assessment as provided in RCW 15.88.130. [1988 c 257 § 1.]

15.88.130 Annual assessment on harvested vinifera grapes—Approval by referendum—Rules. (1) Pursuant to approval by referendum in accordance with RCW 15.88.140, commencing on July 1, 1989, there shall be levied, and the commission shall collect, upon all vinifera grapes grown within this state an annual assessment of three dollars per ton of vinifera grapes harvested to be paid by the grower of the grapes.

(2) The commission shall recommend rules to the director prescribing the time, place, and method for payment and collection of this assessment. For such purpose, the commission may recommend that the director, by rule, require the wine producers or handlers within this state to collect the grower assessments from growers whose vinifera grapes they purchase or accept delivery and remit the assessments to the commission, and provide for collecting assessments from growers who ship directly out of state.

(3) After considering any recommendations made under subsection (2) of this section, the director shall adopt rules, in accordance with chapter 34.05 RCW, prescribing the time, place, and method for the payment and collection of the assessment levied under this section and approved under RCW 15.88.140. [1988 c 257 § 2.]

15.88.140 Referendum determining grower participation—Effect. (1) For purposes of determining grower participation in the commission and assessment under RCW 15.88.130, the director shall conduct a referendum among all vinifera grape growers within the state. The requirements of assent or approval of the referendum will be held to be complied with if: (a) At least fifty-one percent by numbers of growers replying in the referendum vote affirmatively or at least fifty-one percent by acreage of those growers
relying in the referendum vote affirmatively; and (b) thirty percent of all vinifera grape growers and thirty percent by acreage have been represented in the referendum to determine assent or approval of participation and assessment. The referendum shall be conducted on or before September 15, 1988.

(2) If the director determines that the requisite assent has been given, the director shall direct the commission to put into force the assessment in RCW 15.88.130.

(3) If the director determines that the requisite assent has not been given, the director shall direct the commission not to levy the assessment provided in RCW 15.88.130. All expenditures and disbursements made from this account under this chapter may be made without the necessity of a specific legislative appropriation. None of the provisions of RCW 43.01.050 apply to this account or to the moneys received, collected, or expended as provided in RCW 15.88.120 through 15.88.160. [1988 c 257 § 4.]

15.88.160 Assessment constitutes debt—Penalty for nonpayment—Civil action. A due and payable assessment levied in such specified amount as determined by the commission under RCW 15.88.130 constitutes a personal debt of every person so assessed or who otherwise owes the assessment, and the assessment is due and payable to the commission when payment is called for by the commission. If a person fails to pay the commission the full amount of the assessment by the date due, the commission may add to the unpaid assessment an amount not exceeding ten percent of the assessment to defray the cost of enforcing its collection. If the person fails to pay any such due and payable assessment or other such sum, the commission may bring a civil action for collection against the person or persons in a court of competent jurisdiction. The action shall be tried and judgment rendered as in any other cause of action for a debt due and payable. [1988 c 257 § 5.]

(1) Under RCW 42.17.31907, certain agricultural business records, commission records, and department of agriculture records relating to the commission and producers of agricultural commodities are exempt from public disclosure.

(2) Financial and commercial information and records submitted to either the department or the commission for the purpose of administering this chapter may be shared between the department and the commission. They may also be used, if required, in any suit or administrative hearing involving any provision of this chapter or a marketing order.

(3) This chapter does not prohibit:

(a) The issuance of general statements based upon the reports of persons subject to this chapter as long as the statements do not identify the information furnished by any person; or

(b) The publication by the director or the commission of the name of any person violating this chapter and a statement of the manner of the violation by that person. [2002 c 313 § 70.]

The director may provide by rule for a method to fund staff support for all commodity boards or commissions in accordance with RCW 43.23.033 if a position is not directly funded by the legislature and costs related to the specific activity undertaken on behalf of an individual commodity board or commission. The commission shall provide funds to the department according to the rules adopted by the director. [2002 c 313 § 76.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

Center for Sustaining Agriculture and Natural Resources 15.92.005

15.92.005 Finding. The legislature finds that public concerns are increasing about the need for significant efforts to develop sustainable systems in agriculture. The sustainable systems would address many anxieties, including the erosion of agricultural lands, the protection and wise utilization of natural resources, and the safety of food production. Consumers have demonstrated their apprehension in the marketplace by refusing to purchase products whose safety is suspect and consumer confidence is essential for a viable agriculture in Washington. Examples of surface and ground water contamination by pesticides and chemical fertilizers raise concerns about deterioration of environmental quality. Reducing soil erosion would maintain water quality and protect the long-term viability of the soil for agricultural productivity. Both farmers and farm labor are apprehensive about the effects of pesticides on their health and personal safety. Development of sustainable farming systems would strengthen the economic viability of Washington’s agricultural production industry.

Public anxieties over the use of chemicals in agriculture have resulted in congress amending the federal insecticide, fungicide and rodenticide act which requires all pesticides and their uses registered before November 1984 to be reregistered, complying with present standards, by the end of 1997. The legislature finds that the pesticide reregistration process and approval requirements could reduce the availability of chemical pesticides for use on minor crops in Washington and may jeopardize the farmers’ ability to grow these crops in Washington.

The legislature recognizes that Washington State University supports research and extension programs that can lead to reductions in pesticide use where viable alternatives are both environmentally and economically sound. Yet, the legislature finds that a focused and coordinated program is needed to develop possible alternatives, increase public confidence in the safety of the food system, and educate farmers and natural resource managers on land stewardship.

The legislature further finds that growers, processors, and agribusiness depend upon pesticide laboratories associated with manufacturers, regional universities, state departments of agriculture, and the United States department of agriculture to provide residue data for registering essential pesticides. The registration of uses for minor crops, which include vegetables, fruits, nuts, berries, nursery and greenhouse crops, and reregistration of needed chemicals, are activities of particular concern to ensure crop production. Furthermore, public demands for improved information and education on pesticides and risk assessment efforts justify these efforts.

The legislature further finds that multiple alternatives are needed for pest control, including programs for integrated pest management, genetic resistance to pests, biological control, cultural practices, and the use of appropriate approved chemicals. [1991 c 341 § 1.]

15.92.010 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Agricultural commodity" means any distinctive type of agricultural, horticultural, viticultural, floricultural, vegetable, or animal product, including but not limited to, products qualifying as organic food products under chapter 15.86 RCW, private sector cultured aquatic products as defined in RCW 15.85.020, bees and honey, and Christmas trees but not including timber or timber products.

(2) "Center" means the center for sustaining agriculture and natural resources established at Washington State University.

(3) "Laboratory" means the food and environmental quality laboratory established at Washington State University at Tri-Cities.

15.92.090 Commission on pesticide registration—
Established—Composition—Duration of membership—
Compensation. (1) A commission on pesticide registration
is established. The commission shall be composed of twelve
voting members appointed by the governor as follows:

state’s agricultural industry as nominated by a statewide
private agricultural association or agricultural commodity
commission formed under Title 15 RCW: (i) The tree fruit
industry; (ii) hop growers; (iii) potato growers; (iv) wheat
growers; (v) vegetable and seed growers; (vi) berry growers;
(vii) wine grape growers; and (viii) the nursery and land-
scape industry. Although members are appointed from
various segments of the agriculture industry, they are
appointed to represent and advance the interests of the
industry and shall be nominated by a statewide, private asso-
ciation of that segment of the industry. The representative
of the agricultural chemical industry shall be involved in the
manufacture of agricultural crop protection products.

The following shall be ex officio, nonvoting members of
the commission: The coordinator of the interregional
project number four at Washington State University; the
director of the department of ecology or the director’s
designee; the director of the department of agriculture or the
director’s designee; the director of the department of labor
and industries or the director’s designee; and the secretary
of the department of health or the secretary’s designee.

(2) Each voting member of the commission shall serve
a term of three years. However, the first appointments in the
first year shall be made by the governor for one, two, and
three-year terms so that, in subsequent years, approximately
one-third of the voting members shall be appointed each
year. The governor shall assign the initial one, two, and
three-year terms to members by lot. A vacancy shall be
filled by appointment for the unexpired term in the same
manner provided for an appointment to the full term. No
member of the commission may be removed by the governor
during his or her term of office unless for cause of incapaci-
ty, incompetence, neglect of duty, or malfeasance in office.
Each member of the commission shall receive travel expens-
es in accordance with RCW 43.03.050 and 43.03.060 for
attending meetings of the commission and for performing
special duties, in the way of official commission business,
specifically assigned to the person by the commission. The
voting members of the commission serve without compensa-
tion from the state other than such travel expenses.

(3) Nominations for the initial appointments to the
commission under subsection (1) of this section shall be
submitted by September 1, 1995. The governor shall make
initial appointments to the commission by October 15, 1995.

organizational meeting, the commission shall meet at the call
of the chair. A majority of the voting members of the
commission constitutes a quorum and an official action of
the commission may be taken by a majority vote of the
quorum. [1999 c 247 § 1; 1995 c 390 § 1.]

15.92.095 Commission on pesticide registration—
State appropriations—Restrictions on use of state
money—Commission approval required. (1) This subsec-

legislatively intended for the commission on pesticide
registration and to any other moneys appropriated by the
state and received by the commission on pesticide registra-
tion:

express approval of the commission on pesticide registr-
ation;

(b) The moneys may be used for: (i) Evaluations,
studies, or investigations approved by the commission on
pesticide registration regarding the registration or
reregistration of pesticides for minor crops or minor uses or
regarding the availability of pesticides for emergency uses.
These evaluations, studies, or investigations may be conduct-
ed by the food and environmental quality laboratory or may
be secured by the commission from other qualified laborato-
ties, researchers, or contractors by contract, which contracts may include, but are not limited to, those purchasing the use of proprietary information; (ii) evaluations, studies, or investigations approved by the commission regarding research, implementation, and demonstration of any aspect of integrated pest management and pesticide resistance management programs; (iii) the tracking system described in RCW 15.92.060; and (iv) the support of the commission on pesticide registration and its activities; and

(c) Not less than twenty-five percent of such moneys shall be dedicated to studies or investigations concerning the registration or use of pesticides for crops that are not among the top twenty agricultural commodities in production value produced in the state, as determined annually by the Washington agricultural statistics service.

(2) The commission on pesticide registration shall establish priorities to guide it in approving the use of moneys for evaluations, studies, and investigations under this section. Each biennium, the commission shall prepare a contingency plan for providing funding for laboratory studies or investigations that are necessary to pesticide registrations or related processes that will address emergency conditions for agricultural crops that are not generally predicted at the beginning of the biennium. (3) Provide guidance to the laboratory regarding a program for: Tracking the availability of effective pesticides for minor crops, minor uses, and emergency uses; providing this information to organizations of agricultural producers; and maintaining close contact between the laboratory, the department of agriculture, and organizations of agricultural producers regarding the need for research to support the registration of pesticides for minor crops and minor uses and the availability of pesticides for emergency uses;

(4) Ensure that the activities of the commission and the laboratory are coordinated with the activities of other laboratories in the Pacific Northwest, the United States department of agriculture, and the United States environmental protection agency to maximize the effectiveness of regional efforts to assist in the registration of pesticides for minor crops and minor uses and in providing for the availability of pesticides for emergency uses for the region and the state; and

(5) Ensure that prior to approving any residue study that there is written confirmation of registrant support and willingness or ability to add the given minor crop to its label including any restrictions or guidelines the registrant intends to impose. [1999 c 247 § 3; 1995 c 390 § 3.]

15.92.105 Commission on pesticide registration—Report on activities—Review by legislature. By December 15, 2002, the commission shall file with the legislature a report on the activities supported by the commission for the period beginning on July 23, 1995, and ending on December 1, 2002. The report shall include an identification of: The priorities that have been set by the commission; the state appropriations made to Washington State University that have been within the jurisdiction of the commission; the evaluations, studies, and investigations funded in whole or in part by such moneys and the registrations and uses of pesticides made possible in large part by those evaluations, studies, and investigations; the matching moneys, in-kind services, and materials provided by agricultural organizations for those evaluations, studies, and investigations; and the program or programs for tracking pesticide availability provided by the laboratory under the guidance of the commission and the means used for providing this information to organizations of agricultural producers.

15.100.010 Finding. The legislature finds that the creation of a forest products commission would assist in expanding the state’s economy, because:

(1) Marketing is a dynamic and changing part of the Washington forest products industry and a vital element in expanding the state economy;

(2) The sale in the state and export to other states and abroad of forest products made in the state contribute substantial benefits to the economy of the state, provide a large number of jobs and sizeable tax revenues, and are key components of the health of many local communities because many secondary businesses are largely dependent on the health of the forest products industry; and

(3) Forest products are made from a renewable resource and are more environmentally sound than many alternative products. [2001 c 314 § 1.]

15.100.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Commission" means the forest products commission.

(2) "Department" means the department of agriculture.

(3) "Director" means the director of the department of agriculture or the director’s authorized representative.

(4) "Forest products" or "timber" means trees of any species maintained for eventual harvest whether planted or of natural growth, standing or down, on privately or publicly owned land, and also includes wood products related thereto, but does not include Christmas trees or other trees on which the timber excise tax provided under chapter 84.33 RCW is not imposed.

(5) "Person" includes any individual, corporation, firm, partnership, trust, association, or any other organization of individuals.

(6) "Producer" means any person who harvests timber in Washington state and pays the timber excise tax imposed under chapter 84.33 RCW on at least two million board feet in a calendar year or in four consecutive calendar quarters.

(7) "Eastern Washington" means that portion of the state lying east of the Cascade mountain range.

(8) "Western Washington" means that portion of the state lying west of the Cascade mountain range. [2001 c 314 § 2.]

15.100.030 Washington forest products commission—Created—Membership—Quorum—Terms. (1)(a) There is created a commodity commission to be known and designated as the Washington forest products commission. The commission is composed of nine voting members. The commission may, in its sole discretion, add or remove nonvoting ex officio members to the commission. Of the members, six shall be from western Washington, and three shall be from eastern Washington. After the initial election of commission members, however, if a position cannot be filled by a member from eastern Washington within sixty days from the date on which nominations may first be received because of a lack of candidates, the position may be filled by a member from western Washington. Under no circumstances will there be less than two board members from eastern Washington. If a position was filled by a member from western Washington because of a lack of candidates from eastern Washington, and districts are not used for the nomination and election of members, then a person from eastern Washington must fill the next available vacancy or open position at the next election to bring the number of representatives from eastern Washington up to three members. All members shall be elected by the entire group of producers unless the commission creates districts for the members as authorized in RCW 15.100.050. If districts are used for the nomination and election of commission members, and it does not appear that one of the positions from eastern Washington will be filled because of a lack of candidates, then a commission member who resides in western Washington must be elected by the entire group of producers as an at-large member. The position of the western Washington member who is elected as an at-large member shall be filled by a member from eastern Washington at the expiration of the term of the at-large member. If districts are not used for the nomination and election of members, the commission shall strive to achieve representation on the commission from the different geographic regions of the state.

(b) Of the six members from western Washington, three members must have annual harvests of more than seventy-five million board feet, and three members must have annual harvests between two million board feet and seventy-five million board feet.

(c) Of the two members from eastern Washington, one member must have an annual harvest greater than forty million board feet, and one member must have an annual harvest between two million board feet and forty million board feet. If there is a third member from eastern Washington, the only harvest requirement is that the member have an annual harvest of at least two million board feet.

(2) The members must be citizens and residents of this state, and over the age of twenty-one years. Each member must currently, and for the five years last preceding his or her election, be actually engaged in producing forest products within the state of Washington, either individually or as an officer of a corporation, firm, partnership, trust, association, or business organization at the level of production required to qualify as a producer. Each member must also derive a substantial amount of his or her income from the production of forest products. The qualifications set forth in this section apply throughout each member’s term of office.

(3) No more than one member of the commission may be employed by, or connected in a proprietary capacity with, the same corporation, firm, partnership, trust, association, or business organization.

(4) Five voting members of the commission constitute a quorum for the transaction of all business and the carrying out of the duties of the commission.

(5) The regular term of office of the members is four years from the date fixed by law. However, the first terms of the members elected in the initial November 1st
15.100.040 Initial meeting—Nominations for initial election of members—Subsequent efforts when approval not given. (1) The director shall call the initial meeting of producers of forest products for the purpose of nominating their respective members of the commission after receiving notice from an association representing producers of forest products that substantial interest exists in forming a forest products commission. Public notice of the meeting shall be given by the director in the manner the director determines is appropriate. A producer may on his or her own motion file his or her name with the director for the purpose of receiving notice of the meeting. The nonreceipt of the notice by any interested person does not invalidate the proceedings.

(2) Prior to the nomination of commission members, the department of revenue shall provide the director with a list of all qualified producers within the state based upon tax records of the department.

(3) For the initial election of commission members, any qualified producer may be nominated orally for a commissioner position at the meeting convened by the director. Nominations may also be made within five days prior to the meeting by a written petition filed with the department, signed by at least five producers who reside in the state. If the director determines that one of the positions from eastern Washington will go unfilled because of a lack of candidates, the director shall announce that this position shall be filled by a member from western Washington. If the position designated for eastern Washington is filled by a member from western Washington because of a lack of candidates from eastern Washington, this position shall be designated as position number seven by the director for purposes of RCW 15.100.031(5). Under no circumstances will there be less than two board members from eastern Washington.

(4) The initial members of the commission shall be elected by secret mail ballot under the supervision of the director at the same time the referendum is submitted under RCW 15.100.120 calling for the creation of the commission and the imposition of the initial assessment. If a nominee does not receive a majority of the votes on the first ballot, a run-off election shall be held by mail in a similar manner between the two candidates for the position receiving the largest number of votes.

(5) If the director determines under RCW 15.100.120(3) that the requisite approval for the establishment of a commission has not been given, any subsequent efforts to create a commission must follow the procedures established under this chapter for the initial nomination and election of members. [2002 c 251 § 2; 2001 c 314 § 3.]

15.100.050 After initial election of members—Rules—Annual meetings—Public notice. (1) After the initial election of commission members, the commission shall establish rules for electing commission members, including the method used for notification, nominating, and voting. The commission may create commission districts and boundaries, and may also establish a weighted voting procedure for election of commission members. The commission shall hold its annual meeting during the month of October each year for the purpose of nominating commission members and the transaction of other business. Public notice of the meeting shall be given by the commission in the manner it determines is appropriate. A producer may on his or her own motion file his or her name with the commission for the purpose of receiving notice of the meeting. The nonreceipt of the notice by any interested person does not invalidate the proceedings.

(2) Prior to the nomination of commission members, the department of revenue shall provide the commission with a list of all qualified producers within the state based upon tax records of the department. [2001 c 314 § 5.]

15.100.060 Vacancies—Compensation. (1) In the event a position becomes vacant due to resignation, disqualification, death, or for any other reason, the position until the next annual meeting shall be filled by vote of the remaining members of the commission. At the annual meeting a commissioner shall be elected to fill the balance of the unexpired term.

(2) Each member of the commission shall be compensated in accordance with RCW 43.03.230 and shall be reimbursed for actual travel expenses incurred in carrying out the provisions of this chapter. Employees of the commission may also be reimbursed for actual travel expenses when on official commission business. [2001 c 314 § 6.]

15.100.070 Obligations of commission—Limitations on liabilities or claims—State—Individual capacity. Obligations incurred by the commission and liabilities or claims against the commission may be enforced only against the assets of the commission in the same manner as if it were a corporation and no liability for the debts or actions of the commission exists against either the state of Washington or any subdivision or instrumentality thereof or against any member, officer, employee, or agent of the commission in his or her individual capacity. The members of the commission, including employees of the commission, may not be held responsible individually or in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person, or employees, except for their own individual acts of dishonesty or crime. A person or employee may not
be held responsible individually for any act or omission of any other members of the commission. [2001 c 314 § 7.]

15.100.080 Powers and duties of commission. The powers and duties of the commission include:

The commission shall adopt rules for its own governance, which provide for the holding of an annual meeting for the election of officers and transaction of other business and for such other meetings as the commission may direct;

(7) To enforce the provisions of this chapter, including investigating and prosecuting violations of this chapter;

(8) To acquire and transfer personal and real property, establish offices, incur expense, and enter into contracts. Contracts for creation and printing of promotional literature are not subject to chapter 43.78 RCW, but such contracts may be canceled by the commission unless performed under conditions of employment which substantially conform to the laws of this state and the rules of the department of labor and industries. The commission may create such debt and other liabilities as may be reasonable for proper discharge of its duties under this chapter;

(9) To maintain such account or accounts with one or more qualified public depositaries as the commission may direct, to cause moneys to be deposited therein, and to expend moneys for purposes authorized by this chapter by drafts made by the commission upon such institutions or by other means;

(15) To participate in federal and state agency hearings, meetings, and other proceedings relating to the regulation, production, manufacture, distribution, sale, or use of forest products. [2001 c 314 § 8.]

15.100.090 Research, promotional, and educational campaigns. The commission shall create, provide for, and conduct a research, promotional, and educational campaign as sales and market conditions reasonably require. It shall investigate and ascertain the needs of producers, conditions of markets, and degree of public awareness of products, and take into account the information obtained in the discharge of its duties under this chapter. [2001 c 314 § 9.]

15.100.100 List of all Washington producers—Confidential—Reporting system for assessment purposes.

(1) The commission shall cause a list to be prepared of all Washington producers of forest products from any information available from the commission, producers’ association, or producers, including tax records from the department of revenue. This list shall contain the names and addresses of all persons who produce forest products within this state, the amount of forest products produced during the period designated by the commission, and the assessment amount for each member. The list is considered confidential and may be reviewed only by the employees of the commission, except for information that may be disclosed to the public and commission members under subsection (4) of this section. A qualified person may, at any time, have his or her name placed upon the list by delivering or mailing the information to the commission. 15.100.130 Deposit of moneys collected— Appropriation not required. The commission shall deposit moneys collected under RCW 15.100.110 in a separate account in the name of the commission in any bank that is a state depository. All expenditures and disbursements made from this account under this chapter may be made without the necessity of a specific legislative appropriation. RCW 43.01.050 does not apply to this account or to the moneys received, collected, or expended under this chapter. [2001 c 314 § 13.]

15.100.140 Assessment—Personal debt—Payable when called—Failure to pay—Civil action. A due and payable assessment levied in the amount determined by the commission under RCW 15.100.110 constitutes a personal debt of every person so assessed, or who otherwise owes the assessment, and the assessment is due and payable to the commission when payment is called for by the commission. If a person fails to pay the commission the full amount of the assessment by the date due, the commission may add to the unpaid assessment an amount not exceeding ten percent of the assessment to defray the cost of enforcing its collection. If the person fails to pay any due and payable assessment or other such sum, the commission may bring a civil action for collection against the person or persons in a court of competent jurisdiction. 16.08.070 Dangerous dogs and related definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout RCW 16.08.070 through 16.08.100.

(1) "Potentially dangerous dog" means any dog that when unprovoked: (a) Inflicts bites on a human or a domestic animal either on public or private property, or (b) Chases or approaches a person upon the streets, sidewalks, or any public grounds in a menacing fashion or apparent attitude of attack, or any dog with a known propensity, tendency, or disposition to attack unprovoked, to cause injury, or to cause injury or otherwise to threaten the safety of humans or domestic animals.

(2) "Dangerous dog" means any dog that (a) Inflicts severe injury on a human being without provocation on public or private property, (b) Kills a domestic animal without provocation while the dog is off the owner’s property, or (c) Has been previously found to be potentially dangerous because of injury inflicted on a human, the owner having received notice of such and the dog again aggressively bites, attacks, or endangers the safety of humans.

(3) "Severe injury" means any physical injury that results in broken bones or disfiguring lacerations requiring multiple sutures or cosmetic surgery.

(4) "Proper enclosure of a dangerous dog" means, while on the owner’s property, a dangerous dog shall be securely confined indoors or in a securely enclosed and locked pen or
structure, suitable to prevent the entry of young children and designed to prevent the animal from escaping. Such pen or structure shall have secure sides and a secure top, and shall also provide protection from the elements for the dog.

(5) "Animal control authority" means any entity acting alone or in concert with other local governmental units for enforcement of the animal control laws of the city, county, state and the shelter and welfare of animals.

(6) "Animal control officer" means any individual employed, contracted with, or appointed by the animal control authority for the purpose of aiding in the enforcement of this chapter or any other law or ordinance relating to the licensure of animals, control of animals, or seizure and impoundment of animals, and includes any state or local law enforcement officer or other employee whose duties in whole or in part include assignments that involve the seizure and impoundment of any animal.

(7) "Owner" means any person, firm, corporation, organization, or department possessing, harboring, keeping, having an interest in, or having control or custody of an animal. [2002 c 244 § 1; 1987 c 94 § 1.]

Severability—1987 c 94: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1987 c 94 § 6.]

16.08.080 Dangerous dogs—Notice to owners—Right of appeal—Certificate of registration required—Surety bond—Liability insurance—Restrictions. (1) Any city or county that has a notification and appeal procedure with regard to determining a dog within its jurisdiction to be dangerous may continue to utilize or amend its procedure. A city or county animal control authority that does not have a notification and appeal procedure in place as of June 13, 2002, and seeks to declare a dog within its jurisdiction, as defined in subsection (7) of this section, to be dangerous must serve notice upon the dog owner in person or by regular and certified mail, return receipt requested.

(2) The notice must state: The statutory basis for the proposed action; the reasons the authority considers the animal dangerous; a statement that the dog is subject to registration and controls required by this chapter, including a recitation of the controls in subsection (6) of this section; and an explanation of the owner’s rights and of the proper procedure for appealing a decision finding the dog dangerous.

(3) Prior to the authority issuing its final determination, the authority shall notify the owner in writing that he or she is entitled to an opportunity to meet with the authority, at which meeting the owner may give, orally or in writing, any reasons or information as to why the dog should not be declared dangerous. The notice shall state the date, time, and location of the meeting, which must occur prior to expiration of fifteen calendar days following delivery of the notice. The owner may propose an alternative meeting date and time, but such meeting must occur within the fifteen-day time period set forth in this section. After such meeting, the authority must issue its final determination, in the form of a written order, within fifteen calendar days. In the event the authority declares a dog to be dangerous, the order shall include a recital of the authority for the action, a brief concise statement of the facts that support the determination, and the signature of the person who made the determination. The order shall be sent by regular and certified mail, return receipt requested, or delivered in person to the owner at the owner’s last address known to the authority.

(4) If the local jurisdiction has provided for an administrative appeal of the final determination, the owner must follow the appeal procedure set forth by that jurisdiction. If the local jurisdiction has not provided for an administrative appeal, the owner may appeal a municipal authority’s final determination that the dog is dangerous to the municipal court, and may appeal a county animal control authority’s or county sheriff’s final determination that the dog is dangerous to the district court. The owner must make such appeal within twenty days of receiving the final determination. While the appeal is pending, the authority may order that the dog be confined or controlled in compliance with RCW 16.08.090. If the dog is determined to be dangerous, the owner must pay all costs of confinement and control.

(5) It is unlawful for an owner to have a dangerous dog in the state without a certificate of registration issued under this section. This section and RCW 16.08.090 and 16.08.100 shall not apply to police dogs as defined in RCW 4.24.410.

(6) Unless a city or county has a more restrictive code requirement, the animal control authority of the city or county in which an owner has a dangerous dog shall issue a certificate of registration to the owner of such animal if the owner presents to the animal control unit sufficient evidence of:

(a) A proper enclosure to confine a dangerous dog and the posting of the premises with a clearly visible warning sign that there is a dangerous dog on the property. In addition, the owner shall conspicuously display a sign with a warning symbol that informs children of the presence of a dangerous dog;

(b) A surety bond issued by a surety insurer qualified under chapter 48.28 RCW in a form acceptable to the animal control authority in the sum of at least two hundred fifty thousand dollars, payable to any person injured by the dangerous dog; or

(c) A policy of liability insurance, such as homeowner’s insurance, issued by an insurer qualified under Title 48 RCW in the amount of at least two hundred fifty thousand dollars, insuring the owner for any personal injuries inflicted by the dangerous dog.

(7)(a)(i) If an owner has the dangerous dog in an incorporated area that is serviced by both a city and a county animal control authority, the owner shall obtain a certificate of registration from the city authority;

(ii) If an owner has the dangerous dog in an incorporated or unincorporated area served only by a county animal control authority, the owner shall obtain a certificate of registration from the county authority;

(iii) If an owner has the dangerous dog in an incorporated or unincorporated area that is not served by an animal control authority, the owner shall obtain a certificate of registration from the office of the local sheriff.

(b) This subsection does not apply if a city or county does not allow dangerous dogs within its jurisdiction.

(8) Cities and counties may charge an annual fee, in addition to regular dog licensing fees, to register dangerous dogs.
(9) Nothing in this section limits a local authority in placing additional restrictions upon owners of dangerous dogs. This section does not require a local authority to allow a dangerous dog within its jurisdiction. [2002 c 244 § 2; 1989 c 26 § 3; 1987 c 94 § 2.]

Severability—1987 c 94: See note following RCW 16.08.070.

16.08.090 Dangerous dogs—Requirements for restraint—Potentially dangerous dogs—Dogs not declared dangerous. (1) It is unlawful for an owner of a dangerous dog to permit the dog to be outside the proper enclosure unless the dog is muzzled and restrained by a substantial chain or leash and under physical restraint of a responsible person. The muzzle shall be made in a manner that will not cause injury to the dog or interfere with its vision or respiration but shall prevent it from biting any person or animal.

(2) Potentially dangerous dogs shall be regulated only by local municipal, and county ordinances. Nothing in this section limits restrictions local jurisdictions may place on owners of potentially dangerous dogs.

(3) Dogs shall not be declared dangerous if the threat, injury, or damage was sustained by a person who, at the time, was committing a willful trespass or other tort upon the premises occupied by the owner of the dog, or was tormenting, abusing, or assaulting the dog or has, in the past, been observed or reported to have tormented, abused, or assaulted the dog or was committing or attempting to commit a crime. [1987 c 94 § 3.]

Severability—1987 c 94: See note following RCW 16.08.070.

16.08.100 Dangerous dogs—Confiscation—Conditions—Duties of animal control authority—Penalties and affirmative defenses for owners of dogs that attack—Dog fights, penalty. (1) Any dangerous dog shall be immediately confiscated by an animal control authority if the: (a) Dog is not validly registered under RCW 16.08.080; (b) owner does not secure the liability insurance coverage required under RCW 16.08.080; (c) dog is not maintained in the proper enclosure; or (d) dog is outside of the dwelling of the owner, or outside of the proper enclosure and not under physical restraint of the responsible person. The owner must pay the costs of confinement and control. The animal control authority must serve notice upon the dog owner in person or by regular and certified mail, return receipt requested, specifying the reason for the confiscation of the dangerous dog, that the owner is responsible for payment of the costs of confinement and control, and that the dog will be destroyed in an expeditious and humane manner if the deficiencies for which the dog was confiscated are not corrected within twenty days. The animal control authority shall destroy the confiscated dangerous dog in an expeditious and humane manner if any deficiencies required by this subsection are not corrected within twenty days of notification. In addition, the owner shall be guilty of a gross misdemeanor punishable in accordance with RCW 9A.20.021.

(2) If a dangerous dog of an owner with a prior conviction under this chapter attacks or bites a person or another domestic animal, the dog’s owner is guilty of a class C felony, punishable in accordance with RCW 9A.20.021. It is an affirmative defense that the defendant must prove by a preponderance of the evidence that he or she was in compliance with the requirements for ownership of a dangerous dog pursuant to this chapter and the person or domestic animal attacked or bitten by the defendant’s dog trespassed on the defendant’s real or personal property or provoked the defendant’s dog without justification or excuse. In addition, the dangerous dog shall be immediately confiscated by an animal control authority, placed in quarantine for the proper length of time, and thereafter destroyed in an expeditious and humane manner.

(3) The owner of any dog that aggressively attacks and causes severe injury or death of any human, whether or not the dog has previously been declared potentially dangerous or dangerous, shall, upon conviction, be guilty of a class C felony punishable in accordance with RCW 9A.20.021. It is an affirmative defense that the defendant must prove by a preponderance of the evidence that the human severely injured or killed by the defendant’s dog: (a) Trespassed on the defendant’s real or personal property which was enclosed by fencing suitable to prevent the entry of young children and designed to prevent the dog from escaping and marked with clearly visible signs warning people, including children, not to trespass and to beware of dog; or (b) provoked the defendant’s dog without justification or excuse on the defendant’s real or personal property which was enclosed by fencing suitable to prevent the entry of young children and designed to prevent the dog from escaping and marked with clearly visible signs warning people, including children, not to trespass and to beware of dog. In such a prosecution, the state has the burden of showing that the owner of the dog either knew or should have known that the dog was potentially dangerous as defined in this chapter. The state may not meet its burden of proof that the owner should have known the dog was potentially dangerous solely by showing the dog to be a particular breed or breeds. In addition, the dog shall be immediately confiscated by an animal control authority, quarantined, and upon conviction of the owner destroyed in an expeditious and humane manner.

(4) Any person entering a dog in a dog fight is guilty of a class C felony punishable in accordance with RCW 9A.20.021. [2002 c 244 § 3; 1987 c 94 § 4.]

Severability—1987 c 94: See note following RCW 16.08.070.

16.10.010 Purpose. The purpose of this chapter is to provide for the licensing of dogs within specific areas of particular counties. [1969 c 72 § 1.]
16.10.020 Dog control zones—Determination of need by county commissioners. County commissioners may, if the situation so requires, establish dog control zones within high density population districts, or other specified areas, of a county outside the corporate limits of any city, and outside the corporate limits of any organized township. For such zones, licensing regulations may be established which shall not necessarily be operative in sparsely settled rural districts, or in other portions of the county where they may not be needed. In determining the need for such zones, and in drawing their boundaries, county commissioners shall take into consideration the following factors:

1. The density of population in the area proposed to be zoned;
2. Zoning regulations, if any, in force in the area proposed to be zoned;
3. The public health, safety and welfare within the area proposed to be zoned.

If the commissioners shall find that the area proposed to be zoned is heavily populated, or that the purposes for which the land is being used therein require that dogs be controlled, or that the health, safety, and welfare of the people in the area require such control, they may propose the establishment of a dog control zone. [1969 c 72 § 2.]

16.10.030 Dog control zones—Public hearing, publication of notice. In determining whether a dog control zone should be established, the county commissioners shall call a public hearing, notice of which shall be published once a week for each of four consecutive weeks prior thereto in a newspaper of general circulation within the proposed zone. At such a hearing, proponents and opponents of the proposed dog control zone may appear and present their views. The final decision of the commissioners with respect to the establishment of such a zone shall not be made until the conclusion of the hearing. [1969 c 72 § 3.]

16.10.040 Dog control zones—Regulations—License fees, collection, disposition. The county commissioners shall by ordinance promulgate the regulations to be enforced within a dog control zone. These shall include provisions for the control of unlicensed dogs and the establishment of license fees. The county sheriff and/or other agencies designated by the county commissioners shall be responsible for the enforcement of the act, including the collection of license fees. Fees collected shall be transferred to the current expense fund of each county. [1969 c 72 § 4.]

Chapter 16.50

Sections

16.50.100  Declaration of policy. The legislature of the state of Washington finds that the use of humane methods in the slaughter of livestock prevents needless suffering; results in safer and better working conditions for persons engaged in the slaughtering industry; brings about improvement of products and economy in slaughtering operations; and produces other benefits for producers, processors and consumers which tend to expedite the orderly flow of livestock and their products. It is therefore declared to be the policy of the state of Washington to require that the slaughter of all livestock, and the handling of livestock in connection with slaughter, shall be carried out only by humane methods and to provide that methods of slaughter shall conform generally to those authorized by the Federal Humane Slaughter Act of 1958, and regulations thereunder. Finding—Intent—1994 c 261: "The legislature finds there is a need to modernize the law on animal cruelty to more appropriately address the nature of the offense. It is not the intent of this act to remove or decrease any of the exemptions from the statutes on animal cruelty that now apply to customary animal husbandry practices, state game or fish laws, rodeos, fairs under chapter 15.76 RCW, or medical research otherwise authorized under federal or state law. It is the intent of this act to require the enforcement of chapter 16.52 RCW by persons who are accountable to elected officials at the local and state level." [1994 c 261 § 1.]

16.52.015 Enforcement—Law enforcement agencies and animal care and control agencies. (1) Law enforcement agencies and animal care and control agencies may enforce the provisions of this chapter. (c) The power to carry nonfirearm protective devices for personal protection;

16.52.020 Humane societies—Enforcement authority. Any citizens of the state of Washington incorporated under the laws of this state as a humane society or as a society for the prevention of cruelty to animals may enforce the provisions of this chapter through its animal control officers subject to the limitations in RCW 16.52.015 and 16.52.025. The legislative authority in each county may grant exclusive authority to exercise the privileges and authority granted by this chapter to more qualified corporations for a period of up to three years based upon ability to fulfill the purposes of this chapter. To obtain judicial authorization, an appointee seeking judicial authorization on or after June 9, 1994, shall provide evidence satisfactory to the judge that the appointee has successfully completed training which has prepared the appointee to assume the powers granted to animal control officers pursuant to RCW 16.52.015. The trustees shall review appointments every three years and may revoke an appointment at any time by filing a certified revocation with the superior court that approved the appointment. Authorizations shall not exceed three years and may revoke an appointment at any time by filing a certified revocation with the superior court that approved the appointment. Appointments shall not exceed three years or trustee termination, whichever occurs first. (1) If a law enforcement officer or animal control officer has probable cause to believe that an owner of a domestic animal has violated this chapter and no responsible person can be found to assume the animal’s care, the officer may authorize, with a warrant, the removal of the animal to a suitable place for feeding and care, or may place the animal under the custody of an animal care and control agency. In determining what is a suitable place, the officer shall consider the animal’s needs, including its size and behavioral characteristics. An officer may remove an animal under this subsection without a warrant only if the animal is in an immediate life-threatening condition.

(2) If a law enforcement officer or an animal control officer has probable cause to believe a violation of this chapter has occurred, the officer may authorize an examination of a domestic animal allegedly neglected or abused in violation of this chapter by a veterinarian to determine whether the level of neglect or abuse in violation of this chapter is sufficient to require removal of the animal. This section does not condone illegal entry onto private property.

(3) Any owner whose domestic animal is removed pursuant to this chapter shall be given written notice of the circumstances of the removal and notice of legal remedies available to the owner. The notice shall be given by posting at the place of seizure, by delivery to a person residing at the place of seizure, or by registered mail if the owner is known. The director may, when a certified feed lot’s conditions become such that the integrity of reports or records of the cattle therein becomes doubtful, suspend such certified feed lot’s license until such time as the director can conduct an investigation to carry out the purpose of this chapter. [1991 c 109 § 15; 1971 ex.s. c 181 § 16.]

shipper. The licensee in each case shall keep such accounts
and records that will at all times disclose the names of the
consignors and the amount due and payable to each from the
funds in the custodial account for consignor's proceeds. The
licensee shall maintain the custodial account for consignor’s
proceeds in a manner that will expedite examination by the
director and reflect compliance with the requirements of this
section. [1971 ex.s. c 192 § 4; 1959 c 107 § 14.]

director may determine and prescribe the form and manner
in which such schedule shall be prepared, arranged and
posted.

(2) No changes shall be made in rates or charges so
filed and published except after thirty days’ notice to the
director and to the public filed and posted as aforesaid,
which shall plainly state the changes proposed to be made
and the time such changes will go into effect.

(3) No licensee shall charge, demand or collect a greater
or a lesser or a different compensation for such service than
the rates and charges specified in the schedule filed with the
director and in effect at the time; nor shall a licensee refund
or remit in any manner any portion of the rates or charges
so specified (but this shall not prohibit a cooperative
association of producers from properly returning to its
members, on a patronage basis, its excess earnings on their
livestock); nor shall a licensee extend to any person at such
public livestock market or special open consignment horse
sale any stockyard services except such as are specified in

1. Determine the dollar volume of business carried on, at, or through, such applicant’s public livestock market in the twelve-month period prior to such applicant’s application for a license.

2. Divide such dollar volume of business by the number of official sale days granted such applicant’s public livestock market, as herein provided, in the same twelve-month period provided for in subsection (1).

3. Bond amount shall be that amount obtained by the formula in subsection (2) except that it shall not be an amount less than ten thousand dollars and if that amount shall exceed fifty thousand dollars then that portion above fifty thousand shall be at the rate of ten percent of that value, except that the amount of the bond shall be to the nearest five thousand figure above that arrived at in the formula. [1971 ex.s. c 192 § 5; 1961 c 182 § 4. Prior: 1959 c 107 § 20.]

16.65.220 Licensee’s bond to operate market—Amount when no prior business operations—Minimum and maximum amount. [1971 ex.s. c 192 § 7; 1959 c 107 § 22.]

16.65.230 Licensee’s bond to operate market—One bond for each market. Any licensee operating more than one public livestock market shall execute a bond, as herein provided, for each such licensed public livestock market. [1959 c 107 § 23.]

The sum of the bond to be executed by an applicant for a special open consignment horse sale license shall be determined by estimating the dollar volume of business to be carried on, at, or through the applicant’s proposed special open consignment horse sale. The bond amount shall be that amount estimated as the applicant’s dollar volume of business. However, the bond shall not be in an amount less than ten thousand dollars. If the amount exceeds fifty thousand dollars, then that portion above fifty thousand dollars shall be at the rate of ten percent of that value, except that the amount of the bond shall be to the nearest greater five thousand dollar figure. [1983 c 298 § 4.]

16.65.235 Cash or other security in lieu of surety bond. In lieu of the surety bond required under the provisions of this chapter, an applicant or licensee may file with the director a deposit consisting of cash or other security acceptable to the director. The director may adopt rules and regulations necessary for the administration of such security. [1973 c 142 § 3.]

16.65.240 Action on bond—Fraud of licensee. Any vendor or consignor creditor claiming to be injured by the fraud of any licensee may bring action upon said bond against both principal and surety in any court of competent jurisdiction to recover the damages caused by such fraud. [1959 c 107 § 24.]

If a vendor or consignor creditor so addressed fails, refuses or neglects to file in the office of the director his verified claim as requested by the director within sixty days from the date of such request, the director shall thereafter be relieved of further duty or action hereunder on behalf of said producer or consignor creditor. [1959 c 107 § 27.]

16.65.280 Licensee’s failure to pay vendor, consignor—Duties of director when names of creditors not available. Where by reason of the absence of records, or other circumstances making it impossible or unreasonable for the director to ascertain the names and addresses of all said vendor and consignor creditors, the director, after exerting due diligence and making reasonable inquiry to secure said information from all reasonable and available sources, may make demand on said bond on the basis of information then in his possession, and thereafter shall not be liable or responsible for claims or the handling of claims which may subsequently appear or be discovered. [1959 c 107 § 28.]

16.65.290 Licensee’s failure to pay vendor, consignor—Settlement, compromise of claims—Demand on bond—Discharge. Upon the refusal of the surety company to pay the demand, the director may thereupon bring an action on the bond in behalf of said vendor and consignor creditors. Upon any action being commenced on said bond, the director may require the filing of a new bond. Immediately upon the recovery in any action on such bond such licensee shall file a new bond. Upon failure to file the same within ten days, in either case, such failure shall constitute grounds for the suspension or revocation of his license. [1959 c 107 § 30.]

16.65.310 Licensee’s failure to pay vendor, consignor—Settlement, compromise—Creditors share—Priority of state’s claim. In any settlement or compromise by the director with a surety company as provided in RCW 16.65.290, where there are two or more consignor and/or vendor creditors that have filed claims, either fixed or contingent, against a licensee’s bond, such creditors shall share pro rata in the proceeds of the bond to the extent of their actual damage: PROVIDED, That the claims of the state and the department which may accrue from the conduct of the licensee’s public livestock market shall have priority over all other claims. The director is empowered to administer oaths of verification of such complaints. [1985 c 415 § 10; 1959 c 107 § 32.]

16.65.330 Investigations—Powers of director. For the purpose of making investigations as provided for in RCW 16.65.320, the director may enter a public livestock market and examine any records required under the provisions of this chapter. [1959 c 107 § 33.]

16.65.340 Testing, examination, etc., of livestock for disease. The director shall, when livestock is sold, traded, exchanged or handled at or through a public livestock market, require such testing, treating, identifying, examining and record keeping of such livestock by a deputy state veterinarian as in the director’s judgment may be necessary to prevent the spread of brucellosis, tuberculosis, paratuberculosis, hog cholera or any other infectious, contagious or communicable disease among the livestock of this state. [1967 c 192 § 2; 1959 c 107 § 34.]

The deputy state veterinarian at any such public livestock market shall notify the licensee or his managing agent, in writing, of insanitary practices or conditions. Such deputy state veterinarian shall notify the director if the improper sanitary practices or conditions are not corrected within the time specified. 16.67.035 Regulating beef and beef products—Existing comprehensive scheme—Laws applicable. The history, economy, culture, and the future of Washington state’s agriculture involves the beef industry. In order to develop and promote beef and beef products as part of an existing comprehensive scheme to regulate those products the legislature declares:

(1) That the Washington state beef commission is created;

(2) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its beef and beef products be properly promoted by (a) enabling the beef industry to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of beef and beef products they produce; and (b) working to stabilize the beef industry by increasing consumption of beef and beef products within the state, the nation, and internationally;

(3) That beef producers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the beef producer’s ability to compete in local, domestic, and foreign markets;

(4) That it is in the overriding public interest that support for the beef industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that beef and beef products be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state’s agriculture industry;

(b) Increase the sale and use of beef products in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of beef and beef products, and in reference to the various cuts and grades of beef and the uses to which each should be put;

(d) Increase the knowledge of the health-giving qualities and dietetic value of beef products; and

(e) Support and engage in programs or activities that benefit the production, handling, processing, marketing, and uses of beef and beef products;

(5) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state; and

(6) That the beef industry is a highly regulated industry and that this chapter and the rules adopted under it are only one aspect of the regulated industry. Other regulations and restraints applicable to the beef industry include the:

Special purpose districts, expenditures to recruit job candidates: RCW 42.24.170.

17.06.010  Definitions. As used in this chapter, unless the context indicates otherwise, "principal board of county commissioners", "principal county treasurer", and "principal county auditor" mean respectively those in the county of that part of the proposed intercounty weed district in which the greatest amount of acreage is located. [1959 c 205 § 1.]

17.06.020  Intercounty weed districts authorized. An intercounty weed district, including all or any part of two counties or more, may be created for the purposes set forth in RCW 17.04.010 by the joint action of the boards of county commissioners of the counties in which any portion of the proposed district is located. [1959 c 205 § 2.]

17.06.030  Petition for formation—Notice of hearing. Any one or more freeholders owning more than fifty percent of the acreage desired to be included within the proposed intercounty weed district may file a petition with the principal board of county commissioners praying that their land be included, either separately or with other lands included in the petition, in a weed district to be formed for the purpose of destroying, preventing or exterminating any one or all such weeds, or that such lands be included within a district already formed, or a new district or districts to be formed out of any district or districts then existing. Such petition shall state the boundaries of the proposed district, the approximate number of acres in the proposed district, the particular weed or weeds to be destroyed, prevented or exterminated, the general method or means to be used in such work, and shall contain a list of all known landowners within the proposed district, together with the addresses of such landowners. Upon the filing of such petition the principal board of county commissioners shall notify the other boards of commissioners, shall arrange a time for a joint hearing on the petition, and shall give at least thirty days’ notice of the time and place of such hearing by posting copies of such notice in three conspicuous places within the proposed district, and at the main entrance to the court house of each county, and by mailing a copy of such notice to each of the landowners named in the petition at the address named therein. If any of the land described in the petition be owned by the state a copy thereof shall be mailed to the department of natural resources at Olympia. [1988 c 128 § 5; 1959 c 205 § 3.]

17.06.040  Hearing—Boundaries—Order of establishment. At the time and place fixed for such hearing, with the chairman of the principal board acting as chairman, the respective boards shall determine by a majority vote of each of the boards of county commissioners of the counties whether such intercounty weed district shall be created, and if they determine that such district shall be created, the respective boards shall fix the boundaries of the portion of the proposed district within their respective counties, but they shall not modify the purposes of the petition with respect to the weed or weeds to be destroyed, prevented and exterminated as set forth in the petition, and they shall not enlarge the boundary of the proposed district, or enlarge or change the boundary or boundaries of any district or districts already formed without first giving notice, as provided in RCW 17.06.030, to all landowners interested. If the respective boards shall determine that the weed district petitioned for shall be created each such board shall thereupon enter an order establishing and defining the boundary lines of the proposed district within its respective county. A number shall be assigned to such weed district which shall be the lowest number not already taken or adopted by an intercounty weed district in the state, and thereafter such district shall be known as "weed district No. . . . .", inserting in the blank the number of the district.

If any county represented does not by a majority vote of its board of commissioners support the petition for an intercounty district, the petition shall be dismissed. [1959 c 205 § 4.]

17.06.050  Meetings—Qualifications of electors and directors—Elections—Officers—Bonds—Terms—Rules. If the respective boards of county commissioners establish such district the chairman of the principal board shall call a special meeting of landowners to be held within such district for the purpose of electing three directors for such district. No person shall be eligible to hold the office of director who is not a qualified elector of the state of Washington and a resident and landowner within such district. Such meeting shall be held not less than thirty nor more than ninety days from the date when such district is established.

Notice of such meeting shall be given by the principal county auditor by publication once a week for three successive weeks in a newspaper of general circulation in such district, and by posting such notice for not less than ten days before the date fixed for such meeting in three public places within the boundaries of such district. The notices shall state the object of the meeting and the time and place when the same shall be held.

At the time and place fixed for the meeting the chairman shall appoint two persons to assist him in conducting the election, one of whom shall act as clerk. If such chairman be not present the electors of such district then present shall elect a chairman of the meeting.

Every person who is a landowner within such district and a qualified elector of the state of Washington shall be entitled to vote at such meeting. Any person offering to vote may be challenged by any legally qualified elector of such district, and the chairman of such meeting shall thereupon administer to the person challenged an oath in substance as follows: “You do swear (or affirm) that you are a citizen of the United States and a qualified elector of the state of Washington and an owner of land within the boundaries of weed district No. . . . . (giving number of district).” If the challenged person shall take such oath or make such affirmation, he shall be entitled to vote; otherwise his vote shall not be received. Any person making a false oath, or affirmation, or any person illegally voting at such meeting, shall be punished as provided in the general election laws of the state for illegal voting.
The vote shall be by secret ballot, on white paper of uniform size and quality, of such arrangement that when names are written thereon, the same may be folded so as not to disclose the names. The elector shall write the names of three persons that he desires as the first directors of such district and shall fold his ballot and hand the same to the chairman of the meeting who shall deposit it in a ballot box provided for that purpose. The clerk shall thereupon write the name of such person on a list as having voted at such election. After all persons present and entitled to vote have voted, the chairman shall declare the election closed, and shall, with the assistance of the clerk and the other person appointed as assistant, proceed to count the ballots. The person receiving the greatest number of votes shall be elected as director for a term ending three years from the first Monday in March following his election; the person receiving the second greatest number of votes shall be elected for a term ending two years from the first Monday in March following his election, and the person receiving the third greatest number of votes shall be elected for a term ending one year from the first day of March following his election.

Annually thereafter, there shall be held a meeting of the electors of such district on the first Monday in February. At such meeting one director shall be elected to succeed the director whose term will expire on the first Monday in March following. The directors shall call the annual meeting, and shall fix the time when and place where the same shall be held and shall give the same notice thereof as provided for the initial meeting. The annual meeting shall be conducted in the same manner as is provided for the initial meeting, and the qualifications of electors at such annual meeting shall be the same as is required for the initial meeting.

All directors shall hold office for the term for which they are elected, and until their successors are elected and qualified. In case of a vacancy occurring in the office of any director, the remaining members of the board of directors shall appoint a qualified person to fill the vacancy for the unexpired term. The board of directors shall elect one of its members chairman and may appoint a secretary who need not be a member of the board, and who shall be paid such compensation as the board may determine. Each director shall furnish a bond in the sum of one thousand dollars, which may be a surety company bond or property bond approved by the principal board of county commissioners, which bond shall be filed with the same board and shall be conditioned for the faithful discharge of his duties. The cost of such bond shall be paid by the district the same as other expenses of the district.

At any annual meeting the method for destroying, preventing and exterminating weeds of such district as set forth in the petition, and the rules and regulations adopted by such district, may be changed by a majority vote of the qualified electors present at such meeting, or a special meeting may be called for that purpose, notice of which meeting and of such proposed changes to be voted on, shall be given to all landowners residing within the district by mailing a copy of such notice and of such proposed changes to the address of such landowner at least one week before the date fixed for such special meeting. [1971 ex.s. c 292 § 16; 1959 c 205 § 5.]

17.10.030  State noxious weed control board—Members—Terms—Elections—Meetings—Reimbursement for travel expenses. There is created a state noxious weed control board comprised of nine voting members and three nonvoting members. Four of the voting members shall be elected by the members of the various activated county noxious weed control boards, and shall be residents of a county in which a county noxious weed control board has been activated and a member of said board, and those qualifications shall continue through their term of office. Two of these members shall be elected from the west side of the state, the crest of the Cascades being the dividing line, and two from the east side of the state. The director of agriculture is a voting member of the board. One voting member shall be elected by the directors of the various active weed districts formed under chapter 17.04 or 17.06 RCW. The Washington state association of counties appoints one voting member who shall be a member of a county legislative authority. The director shall appoint two voting members to represent the public interest, one from the west side and one from the east side of the state. The director shall also appoint three nonvoting members representing scientific disciplines relating to weed control. The term of office for all members of the board is three years from the date of election or appointment.

The board, by rule, shall establish a position number for each elected position of the board and shall designate which county noxious weed control board members are eligible to vote for each elected position. The elected members serve staggered terms. Elections for the elected members of the board shall be held thirty days prior to the expiration date of their respective terms. Nominations and elections shall be by mail and conducted by the board.

The board shall conduct its first meeting within thirty days after all its members have been elected. The board shall elect from its members a chair and other officers as may be necessary. A majority of the voting members of the board constitutes a quorum for the transaction of business and is necessary for any action taken by the board. The members of the board serve without salary, but shall be reimbursed for travel expenses incurred in the performance of their duties under this chapter in accordance with RCW 43.03.050 and 43.03.060. [1997 c 353 § 4; 1987 c 438 § 2; 1975-76 2nd ex.s. c 34 § 23; 1969 ex.s. c 113 § 3.]

Effective date—Severability—1975-76 2nd ex.s. c 34: See notes following RCW 2.08.115.

17.10.040  Activation of inactive county noxious weed control board. An inactive county noxious weed control board may be activated by any one of the following methods:

(1) Either within sixty days after a petition is filed by one hundred registered voters within the county or, on its own motion, the county legislative authority shall hold a hearing to determine whether there is a need, due to a damaging infestation of noxious weeds, to activate the county noxious weed control board. If such a need is found to exist, then the county legislative authority shall, in the manner provided by RCW 17.10.050, appoint five persons to the county’s noxious weed control board.

(2) If the county’s noxious weed control board is not activated within one year following a hearing by the county legislative authority to determine the need for activation, then upon the filing with the state noxious weed control board of a petition comprised either of the signatures of at least two hundred registered voters within the county, or of the signatures of a majority of an adjacent county’s noxious weed control board, the state board shall, within six months of the date of the filing, hold a hearing in the county to determine the need for activation. If a need for activation is found to exist, then the state board shall order the county legislative authority to activate the county’s noxious weed control board and to appoint members to the board in the manner provided by RCW 17.10.050.

(3) The director, upon request of the state noxious weed control board, shall order a county legislative authority to activate the noxious weed control board immediately if an infestation of a class A noxious weed or class B noxious weed designated for control on the state noxious weed list is confirmed in that county. The county legislative authority may, as an alternative to activating the noxious weed board, combat the class A noxious weed or class B noxious weed with county resources and personnel operating with the authorities and responsibilities imposed by this chapter on a county noxious weed control board. No county may continue without a noxious weed control board for a second consecutive year if the class A noxious weed or class B noxious weed has not been eradicated. [1997 c 353 § 3; 1987 c 438 § 3; 1975 1st ex.s. c 13 § 2; 1969 ex.s. c 113 § 4.]

17.10.050  Activated county noxious weed control board—Members—Election—Terms—Meetings—Quorum—Expenses—Officers—Vacancy. (1) Each activated county noxious weed control board consists of five voting members appointed by the county legislative authority. In appointing the voting members, the county legislative authority shall divide the county into five geographical areas that best represent the county’s interests, and appoint a voting member from each geographical area. At least four of the voting members shall be engaged in the primary production of agricultural products. There is one nonvoting member on the board who is the chair of the county extension office or an extension agent appointed by the chair of the county extension office. Each voting member of the board serves a term of four years, except that the county legislative authority shall, when a board is first activated under this chapter, designate two voting members to serve terms of two years. The board members shall not receive a salary but shall be compensated for actual and necessary expenses incurred in the performance of their official duties.

(2) The voting members of the board serve until their replacements are appointed. New members of the board shall be appointed at least thirty days prior to the expiration of any board member’s term of office.
Notice of expiration of a term of office shall be published at least twice in a weekly or daily newspaper of general circulation in the section [geographical area] with last publication occurring at least ten days prior to the nomination. All persons interested in appointment to the board and residing in the geographical area with a pending nomination shall make a written application that includes the signatures of at least ten registered voters residing in the geographical area supporting the nomination to the county noxious weed control board. After nominations close, the county noxious weed control board shall, after a hearing, send the applications to the county legislative authority recommending the names of the most qualified candidates, and post the names of those nominees in the county courthouse and publish in at least one newspaper of general circulation in the county. The county legislative authority, within ten days of receiving the list of nominees, shall appoint one of those nominees to the county noxious weed control board to represent that geographical area during that term of office.

(3) Within thirty days after all the members have been appointed, the board shall conduct its first meeting. A majority of the voting members of the board constitutes a quorum for the transaction of business and is necessary for any action taken by the board. The board shall elect from its members a chair and other officers as may be necessary.

(4) In case of a vacancy occurring in any voting position on a county noxious weed control board, the county legislative authority of the county in which the board is located shall appoint a qualified person to fill the vacancy for the unexpired term. [1997 c 353 § 6; 1987 c 438 § 4; 1980 c 95 § 1; 1977 ex.s.c 26 § 6; 1975 1st ex.s.c 13 § 3; 1974 ex.s.c 143 § 1; 1969 ex.s.c 113 § 5.]

17.10.050 Title 17 RCW: Weeds, Rodents, and Pests

17.10.060 Activated county noxious weed control board—Weed coordinator—Authority—Rules and regulations. (1) Each activated county noxious weed control board shall employ or otherwise provide a weed coordinator whose duties are fixed by the board but which shall include inspecting land to determine the presence of noxious weeds, offering technical assistance and education, and developing a program to achieve compliance with the weed law. The weed coordinator may be employed full time, part time, or seasonally by the county noxious weed control board. County weed board employment practices shall comply with county personnel policies. Within sixty days from initial employment the weed coordinator shall obtain a pest control consultant license, a pesticide operator license, and the necessary endorsements on the licenses as required by law. Each board may purchase, rent, or lease equipment, facilities, or products and may hire additional persons as it deems necessary for the administration of the county’s noxious weed control program.

(2) Each activated county noxious weed control board has the power to adopt rules and regulations, subject to notice and hearing as provided in chapters 42.30 and 42.32 RCW, as are necessary for an effective county weed control or eradication program.

(3) Each activated county noxious weed control board shall meet with a quorum at least quarterly. [1997 c 353 § 7; 1987 c 438 § 5; 1969 ex.s.c 113 § 6.]

17.10.070 State noxious weed control board—Powers—Report. (1) In addition to the powers conferred on the state noxious weed control board under other provisions of this chapter, it has the power to:

(a) Employ a state noxious weed control board executive secretary, and additional persons as it deems necessary, to disseminate information relating to noxious weeds to county noxious weed control boards and weed districts, to coordinate the educational and weed control efforts of the various county and regional noxious weed control boards and weed districts, and to assist the board in carrying out its responsibilities;

(b) Adopt, amend, or repeal rules, pursuant to the administrative procedure act, chapter 34.05 RCW, as may be necessary to carry out the duties and authorities assigned to the board by this chapter.

(2) The state noxious weed control board shall provide a written report before January 1st of each odd-numbered year to the county noxious weed control boards and the weed districts showing the expenditure of state funds on noxious weed control; specifically how the funds were spent; the status of the state, county, and district programs; and recommendations for the continued best use of state funds for noxious weed control. The report shall include recommendations as to the long-term needs regarding weed control. [1998 c 245 § 3; 1997 c 353 § 8; 1987 c 438 § 6; 1975 1st ex.s.c 13 § 4; 1969 ex.s.c 113 § 7.]

17.10.074 Director—Powers. (1) In addition to the powers conferred on the director under other provisions of this chapter, the director, with the advice of the state noxious weed control board, has power to:

(a) Require the county legislative authority or the noxious weed control board of any county or any weed district to report to it concerning the presence, absence, or estimated amount of noxious weeds and measures, if any, taken or planned for the control thereof;

(b) Employ staff as may be necessary in the administration of this chapter;

(c) Adopt, amend, or repeal rules, pursuant to the administrative procedure act, chapter 34.05 RCW, as may be necessary to carry out this chapter;

(d) Do such things as may be necessary and incidental to the administration of its functions pursuant to this chapter including but not limited to surveying for and detecting noxious weed infestations;

(e) Upon receipt of a complaint signed by a majority of the members of an adjacent county noxious weed control board or weed district, or by one hundred registered voters that are land owners within the county, require the county legislative authority or noxious weed control board of the county or weed district that is the subject of the complaint to respond to the complaint within forty-five days with a plan for the control of the noxious weeds cited in the complaint;

(f) If the complaint in (e) of this subsection involves a class A or class B noxious weed, order the county legislative authority, noxious weed control board, or weed district to take immediate action to eradicate or control the noxious weed infestation. If the county or the weed district does not take action to control the noxious weed infestation in
accordance with the order, the director may control it or cause it to be controlled. The county or weed district is liable for payment of the expense of the control work including necessary costs and expenses for attorneys’ fees incurred by the director in securing payment from the county or weed district. The director may bring a civil action in a court of competent jurisdiction to collect the expenses of the control work, costs, and attorneys’ fees;

(g) In counties without an activated noxious weed control board, enter upon any property as provided for in RCW 17.10.160, issue or cause to be issued notices and citations and take the necessary action to control noxious weeds as provided in RCW 17.10.170, hold hearings on any charge or cost of control action taken as provided for in RCW 17.10.180, issue a notice of civil infraction as provided for in RCW 17.10.230 and 17.10.310 through [and] 17.10.350, and place a lien on any property pursuant to RCW 17.10.280, 17.10.290, and 17.10.300 with the same authorities and responsibilities imposed by these sections on county noxious weed control boards;

(h) Adopt a list of noxious weed seeds and toxic weeds which shall be controlled in designated articles, products, or feed stuffs as provided for in RCW 17.10.235.

(2) The moneys appropriated for noxious weed control to the department shall be used for administration of the state noxious weed control board, the administration of the director’s powers under this chapter, the purchase of materials for controlling, containing, or eradicating noxious weeds, the purchase or collection of biological control agents for controlling noxious weeds, and the contracting for services to carry out the purposes of this chapter. In a county with an activated noxious weed control board, the director shall make every effort to contract with that board for the needed services.

(3) If the director determines the need to reallocate funds previously designated for county use, the director shall convene a meeting of the state noxious weed control board to seek its advice concerning any reallocation. [1997 c 353 § 9; 1987 c 438 § 7.]

17.10.080 State noxious weed list—Hearing—Adoption—Dissemination. (1) The state noxious weed control board shall adopt a state noxious weed list. Any person may request during a comment period established by the state weed board the inclusion, deletion, or designation change of any plant to the state noxious weed list.

(2) The state noxious weed control board shall send a copy of the list to each activated county noxious weed control board, to each weed district, and to the county legislative authority of each county with an inactive noxious weed control board.

(3) The state noxious weed control board shall send a copy of the list to each activated county noxious weed control board, to each weed district, and to the county legislative authority of each county with an inactive noxious weed control board.

(4) The record of rule making must include the written findings of the board for the inclusion of each plant on the list. The findings shall be made available upon request to any interested person. [1997 c 353 § 10; 1989 c 175 § 57; 1987 c 438 § 8; 1975 1st ex.s. c 13 § 5; 1969 ex.s. c 113 § 8.]

Effective date—1989 c 175: See note following RCW 34.05.010.

17.10.090 State noxious weed list—Selection of weeds for control by county board. Each county noxious weed control board shall, within ninety days of the adoption of the state noxious weed list from the state noxious weed control board and following a hearing, select those weeds from the class C list and those weeds from the class B list not designated for control in the noxious weed control region in which the county lies that it finds necessary to be controlled in the county. The weeds thus selected and all class A weeds and those class B weeds that have been designated for control in the noxious weed control region in which the county lies shall be classified within that county as noxious weeds, and those weeds comprise the county noxious weed list. [1997 c 353 § 11; 1987 c 438 § 9; 1969 ex.s. c 113 § 9.]

17.10.100 Order to county board to include weed from state board’s list in county’s noxious weed list. Where any of the following occur, the state noxious weed control board may, following a hearing, order any county noxious weed control board or weed district to include a noxious weed from the state board’s list in the county’s noxious weed list:

(1) Where the state noxious weed control board receives a petition from at least one hundred registered voters within the county requesting that the weed be listed.

(2) Where the state noxious weed control board receives a request for inclusion from an adjacent county’s noxious weed control board or weed district, which the adjacent board or district has included that weed in its county list, and the adjacent board or weed district alleges that its noxious weed control program is being hampered by the failure to include the weed on the county’s noxious weed list. [1997 c 353 § 12; 1987 c 438 § 10; 1969 ex.s. c 113 § 10.]

17.10.110 Regional noxious weed control board—Creation. A regional noxious weed control board comprising the area of two or more counties may be created as follows:

Either the county legislative authority, or the noxious weed control board, or both, of two or more counties may, upon a determination that the purpose of this chapter will be served by the creation of a regional noxious weed control board, adopt a resolution providing for a limited merger of the functions of their respective counties noxious weed control boards. The resolution becomes effective only when a similar resolution is adopted by the other county or counties comprising the proposed regional board. [1997 c 353 § 13; 1987 c 438 § 11; 1975 1st ex.s. c 13 § 6; 1969 ex.s. c 113 § 11.]

17.10.120 Regional noxious weed control board—Members—Meetings—Quorum—Officers—Effect on county boards. In any case where a regional noxious weed control board is created, the county noxious weed control boards comprising the regional board shall still remain in existence and shall retain all powers and duties provided for the boards under this chapter.

The regional noxious weed control board is comprised of the voting members and the nonvoting members of the component counties noxious weed control boards or county
subsection (1)(c) of this section for a single five-year period

adjacent land uses. In addition, forest lands are subject to the requirements of subsection (1)(c) of this section only within a one thousand foot buffer strip of owner's property. [1997 c 353 § 16; 1987 c 438 § 12; 1969 ex.s. c 113 § 12.]

17.10.130 Regional noxious weed control board—Powers and duties. The powers and duties of a regional noxious weed control board are as follows:

(1) The regional board shall, within ninety days of the adoption of the state noxious weed list from the state noxious weed control board and following a hearing, select those weeds from the state list that it finds necessary to be controlled on a regional basis. The weeds thus selected shall also be contained in the county noxious weed list of each county in the region.

(2) The regional board shall take action as may be necessary to coordinate the noxious weed control programs of the region and adopt a regional plan for the control of noxious weeds. [1997 c 353 § 15; 1987 c 438 § 13; 1969 ex.s. c 113 § 13.]

17.10.134 Liability of county and regional noxious weed control boards. Obligations or liabilities incurred by any county or regional noxious weed control board or any claims against a county or regional noxious weed control board are governed by chapter 4.96 RCW or RCW 4.08.120: PROVIDED, That individual members or employees of a county noxious weed control board are personally immune from civil liability for damages arising from actions performed within the scope of their official duties or employment. [1997 c 353 § 16; 1987 c 438 § 14.]

17.10.140 Owner’s duty to control spread of noxious weeds. (1) Except as is provided under subsection (2) of this section, every owner shall perform or cause to be performed those acts as may be necessary to:

(a) Eradicate all class A noxious weeds;

(b) Control and prevent the spread of all class B noxious weeds designated for control in that region within and from the owner’s property; and

(c) Control and prevent the spread of all class B and class C noxious weeds listed on the county weed list as locally mandated control priorities within and from the owner’s property.

(2) Forest lands classified under RCW 17.10.240(2), or meeting the definition of forest lands contained in RCW 17.10.240, are subject to the requirements of subsection (1)(a) and (b) of this section at all times. Forest lands are subject to the requirements of subsection (1)(c) of this section only within a one thousand foot buffer strip of adjacent land uses. In addition, forest lands are subject to subsection (1)(c) of this section for a single five-year period following the harvesting of trees for lumber. [1997 c 353 § 17; 1969 ex.s. c 113 § 14.]

17.10.145 State agencies’ duty to control spread of noxious weeds. All state agencies shall control noxious weeds on lands they own, lease, or otherwise control through integrated pest management practices. Agencies shall develop plans in cooperation with county noxious weed control boards to control noxious weeds in accordance with standards in this chapter. All state agencies’ lands must comply with this chapter, regardless of noxious weed control efforts on adjacent lands. [1997 c 353 § 18; 1995 c 374 § 75.]

17.10.154 Owners’ agreements with county noxious weed control boards—Terms—Enforcement. It is recognized that the prevention, control, and eradication of noxious weeds presents a problem for immediate as well as for future action. It is further recognized that immediate prevention, control, and eradication is practicable on some lands and that prevention, control, and eradication on other lands should be extended over a period of time. Therefore, it is the intent of this chapter that county noxious weed control boards may use their discretion and, by agreement with the owners of land, may propose and accept plans for prevention, control, and eradication that may be extended over a period of years. The county noxious weed control board may make an agreement with the owner of any parcel of land by contract between the landowner and the respective county noxious weed control board, and the board shall enforce the terms of any agreement. The county noxious weed control board may make any terms that will best serve the interests of the owners of the parcel of land and the common welfare that comply with this chapter. Agreements made under this section must include at least a one thousand foot buffer for all adjacent agricultural land uses. Noxious weed control in this buffer must comply with RCW 17.10.140(1). [1997 c 353 § 19; 1987 c 438 § 16.]

17.10.160 Right of entry—Warrant for noxious weed search—Civil liability—Penalty for preventing entry. Any authorized agent or employee of the county noxious weed control board or of the state noxious weed control board or of the department of agriculture where not otherwise proscribed by law may enter upon any property for the purpose of administering this chapter and any power exercisable pursuant thereto, including the taking of specimens of weeds, general inspection, and the performance of eradication or control work. Prior to carrying out the purpose for which the entry is made, the official making such entry or someone in his or her behalf, shall make a reasonable attempt to notify the owner of the property as to the purpose and need for the entry.

(1) When there is probable cause to believe that there is property within this state not otherwise exempt from process or execution upon which noxious weeds are standing or growing and the owner refuses permission to inspect the property, a judge of the superior court or district court in the county in which the property is located may, upon the
request of the county noxious weed control board or its agent, issue a warrant directed to the board or agent authorizing the taking of specimens of weeds or other materials, general inspection, and the performance of eradication or control work.

(2) Application for issuance and execution and return of the warrant authorized by this section shall be in accordance with the applicable rules of the superior court or the district courts.

(3) Nothing in this section requires the application for and issuance of any warrant not otherwise required by law: PROVIDED, That civil liability for negligence shall lie in any case in which entry and any of the activities connected therewith are not undertaken with reasonable care.

(4) Any person who improperly prevents or threatens to prevent entry upon land as authorized in this section or any person who interferes with the carrying out of this chapter shall be upon conviction guilty of a misdemeanor. [1997 c 353 § 20; 1987 c 438 § 17; 1969 ex.s. c 113 § 16.]

17.10.170 Finding presence of noxious weeds—Notice for failure of owner to control—Control by county board—Liability of owner—Lien—Alternative. (1) Whenever the county noxious weed control board finds that noxious weeds are present on any parcel of land, and that the owner is not taking prompt and sufficient action to control the noxious weeds, pursuant to the provisions of RCW 17.10.140, it shall notify the owner that a violation of this chapter exists. The notice shall be in writing and sent by certified mail, and shall identify the noxious weeds found to be present, order prompt control action, and specify the time, if of at least ten days from issuance of the notice, within which the prescribed action must be taken. Upon deposit of the certified letter of notice, the noxious weed control authority shall make an affidavit of mailing that is prima facie evidence that proper notice was given. If seed or other propagate dispersion is imminent, immediate control action may be taken forty-eight hours following the time that notification is reasonably expected to have been received by the owner or agent by certified mail or personal service, instead of ten days. If a landowner received a notice of violation from the county noxious weed control board in a prior growing season, removal or destruction of all above ground plant parts may be required at the most effective point in the growing season, as determined by the county weed board, which may be before or after propagate dispersion.

(2) The county noxious weed control board or its authorized agents may issue a notice of civil infraction as provided for in RCW 17.10.230, 17.10.310, and 17.10.350 to owners who do not take action to control noxious weeds in accordance with the notice.

(3) If the owner does not take action to control the noxious weeds in accordance with the notice, the county board may control them, or cause their being controlled, at the expense of the owner. The amount of the expense constitutes a lien against the property and may be enforced by proceedings on the lien except as provided for by RCW 79.44.060. The owner is liable for payment of the expense, and nothing in this chapter shall be construed to prevent collection of any judgment on account thereof by any means available pursuant to law, in substitution for enforcement of the lien. Necessary costs and expenses including reasonable attorneys’ fees incurred by the county noxious weed control board in carrying out this section may be recovered at the same time as a part of the action filed under this section. Funds received in payment for the expense of controlling noxious weeds shall be transferred to the county noxious weed control board to be expended as required to carry out the purposes of this chapter.

(4) The county auditor shall record in his or her office any lien created under this chapter, and any lien shall bear interest at the rate of twelve percent per annum from the date on which the county noxious weed control board approves the amount expended in controlling the weeds.

(5) As an alternative to the enforcement of any lien created under subsection (3) of this section, the county legislative authority may by resolution or ordinance require that each lien created be collected by the treasurer in the same manner as a delinquent real property tax, if within thirty days from the date the owner is sent notice of the lien, including the amount thereof, the lien remains unpaid and an appeal has not been made pursuant to RCW 17.10.180. Liens treated as delinquent taxes bear interest at the rate of twelve percent per annum and the interest accrues as of the date notice of the lien is sent to the owner: PROVIDED, That any collections for the lien shall not be considered as tax. [1997 c 353 § 21; 1987 c 438 § 18; 1979 c 118 § 1; 1975 1st ex.s. c 13 § 8; 1974 ex.s. c 143 § 3; 1969 ex.s. c 113 § 17.]

17.10.180 Hearing on liability for expense of control—Notice—Review. Any owner, upon request pursuant to the rules and regulation of the county noxious weed control board, is entitled to a hearing before the board on any charge or cost for which the owner is alleged to be liable pursuant to RCW 17.10.170 or 17.10.210. The board shall send notice by certified mail within thirty days, to each owner at the owner’s last known address, as to any charge or cost and as to his or her right of a hearing. The hearing shall be scheduled within forty-five days of notification. Any determination or final action by the board is subject to judicial review by a proceeding in the superior court in the county in which the property is located, and the court has original jurisdiction to determine any suit brought by the owner to recover damages allegedly suffered on account of control work negligently performed: PROVIDED, That no stay or injunction shall lie to delay any control work subsequent to notice given pursuant to RCW 17.10.160 or pursuant to an order under RCW 17.10.210. [1997 c 353 § 22; 1987 c 438 § 19; 1969 ex.s. c 113 § 18.]

17.10.190 Notice and information as to noxious weed control. Each activated county noxious weed control board must publish annually, and at other times as may be appropriate, in at least one newspaper of general circulation within its area, a general notice. The notice shall direct attention to the need for noxious weed control and give other information concerning noxious weed control requirements as may be appropriate, or indicate where such information may be secured. In addition to the general notice required, the county noxious weed control board may use any appro-
priate media for the dissemination of information to the public as may be calculated to bring the need for noxious weed control to the attention of owners. The board may consult with individual owners concerning their problems of noxious weed control and may provide them with information and advice, including giving specific instructions and methods when and how certain named weeds are to be controlled. The methods may include some combination of physical, mechanical, cultural, chemical, and/or biological methods, including livestock. Publication of a notice as required by this section is not a condition precedent to the enforcement of this chapter. [1997 c 353 § 23; 1987 c 438 § 20; 1975 1st ex.s. c 13 § 9; 1969 ex.s. c 113 § 19.]

17.10.201 Noxious weed control on federal and tribal lands—State and county cooperation. (1) The state noxious weed control board shall:
   (a) Work with the various federal and tribal land management agencies to coordinate state and federal noxious weed control;
   (b) Encourage the various federal and tribal land management agencies to devote more time and resources to noxious weed control; and
   (c) Assist the various federal and tribal land management agencies by seeking adequate funding for noxious weed control.
   (2) County noxious weed control boards and weed districts shall work with the various federal and tribal land management agencies in each county in order to:
      (a) Identify new noxious weed infestations;
      (b) Outline and plan necessary noxious weed control actions;
      (c) Develop coordinated noxious weed control programs; and
      (d) Notify local federal and tribal agency land managers of noxious weed infestations.
   (3) The department of agriculture, county noxious weed control boards, and weed districts are authorized to enter federal lands, with the approval of the appropriate federal agency, to survey for and control noxious weeds where control measures of a type and extent required under this chapter have not been taken.
   (4) The department of agriculture, county noxious weed control boards, and weed districts may bill the federal land management agency that manages the land for all costs of the noxious weed control performed on federal land. If not paid by the federal agency that manages the land, the cost of the noxious weed control on federal land may be paid from any funds specifically appropriated to the department of agriculture for that purpose.
   (5) The department of agriculture, county noxious weed control boards, and weed districts are authorized to enter into any reasonable agreement with the appropriate authorities for the control of noxious weeds on federal or tribal lands.
   (6) The department of agriculture, county noxious weed control boards, and weed districts shall consult with state agencies managing federal land concerning noxious weed infestation and control programs. [1997 c 353 § 34.]

17.10.205 Control of noxious weeds in open areas. Open areas subject to the spread of noxious weeds, including but not limited to subdivisions, school grounds, playgrounds, parks, and rights of way shall be subject to regulation by activated county noxious weed control boards in the same manner and to the same extent as is provided for all terrestrial and aquatic lands of the state. [1997 c 353 § 24; 1975 1st ex.s. c 13 § 16.]

17.10.210 Quarantine of land—Order—Expense. (1) Whenever the director, the county noxious weed control board, or a weed district finds that a parcel of land is so seriously infested with class A or class B noxious weeds that control measures cannot be undertaken thereon without quarantining the land and restricting or denying access thereto or use thereof, the director, the county noxious weed control board, or weed district, with the approval of the director of the department of agriculture, may issue an order for the quarantine and restriction or denial of access or use. Upon issuance of the order, the director, the county noxious weed control board, or the weed district shall commence necessary control measures and may institute legal action for the collection of costs for control work, which may include attorneys’ fees and the costs of other appropriate actions.
   (2) An order of quarantine shall be served, by any method sufficient for the service of civil process, on all persons known to qualify as owners of the land within the meaning of this chapter.
   (3) The director shall, with the advice of the state noxious weed control board, determine how the expense of control work undertaken pursuant to this section, and the cost of any quarantine in connection therewith, is apportioned. [1997 c 353 § 25; 1987 c 438 § 22; 1969 ex.s. c 113 § 21.]

17.10.230 Violations—Penalty. Any owner knowing of the existence of any noxious weeds on the owner’s land who fails to control such weeds in accordance with this chapter and rules and regulations in force pursuant thereto; or any person who enters upon any land in violation of an order in force pursuant to RCW 17.10.210; or any person who interferes with the carrying out of the provisions of this chapter has committed a civil infraction. [1987 c 438 § 23; 1979 c 118 § 2; 1969 ex.s. c 113 § 23.]

17.10.235 Selling product, article, or feed containing noxious weed seeds or toxic weeds—Penalty—Rules—Inspections—Fees. (1) The director of agriculture shall adopt, with the advice of the state noxious weed control board, rules designating noxious weed seeds which shall be controlled in products, screenings, or articles to prevent the spread of noxious weeds. The rules shall identify the products, screenings, and articles in which the seeds must be controlled and the maximum amount of the seed to be permitted in the product, screenings, or article to avoid a hazard of spreading the noxious weed by seed from the product, screenings, or article. The director shall also adopt, with the advice of the state board, rules designating toxic
Weeds which shall be controlled in feed stuffs and screenings to prevent injury to the animal that consumes the feed. The rules shall identify the feed stuffs and screenings in which the toxic weeds must be controlled and the maximum amount of the toxic weed to be permitted in the feed. Rules developed under this section shall identify ways that products, screenings, articles, or feed stuffs containing noxious weed seeds or toxic weeds can be made available for beneficial uses.

(2) Any person who knowingly or negligently sells or otherwise distributes a product, article, screenings, or feed stuff designated by rule containing noxious weed seeds or toxic weeds designated for control by rule and in an amount greater than the amount established by the director for the seed or weed by rule is guilty of a misdemeanor.

(3) The department of agriculture shall, upon request of the buyer, inspect products, screenings, articles, or feed stuffs designated by rule and charge fees, in accordance with chapter 22.09 RCW, to determine the presence of designated noxious weed seeds or toxic weeds. [1997 c 353 § 26; 1987 c 438 § 30; 1979 c 118 § 4.]

17.10.240 Special assessments, appropriations for noxious weed control—Assessment rates. (1) The activated county noxious weed control board of each county shall annually submit a budget to the county legislative authority for the operating cost of the county’s weed program for the ensuing fiscal year: PROVIDED, That if the board finds the budget approved by the legislative authority is insufficient for an effective county noxious weed control program it shall petition the county legislative authority to hold a hearing as provided in RCW 17.10.890. Control of weeds is a benefit to the lands within any such section. Funding for the budget is derived from any or all of the following:

(a) The county legislative authority may, in lieu of a tax, levy an assessment against the land for this purpose. Prior to the levying of an assessment the county noxious weed control board shall hold a public hearing at which it will gather information to serve as a basis for classification and then classify the lands into suitable classifications, including but not limited to dry lands, range lands, irrigated lands, nonuse lands, forest lands, or federal lands. The board shall develop and forward to the county legislative authority, as a proposed level of assessment for each class, an amount as seems just. The assessment rate shall be either uniform per acre in its respective class or a flat rate per parcel rate plus a uniform rate per acre: PROVIDED, That if no benefits are found to accrue to a class of land, a zero assessment may be levied. The county legislative authority, upon receipt of the proposed levels of assessment from the board, after a hearing, shall accept or modify by resolution, or refer back to the board for reconsideration all or any portion of the proposed levels of assessment. The amount of the assessment constitutes a lien against the property. The county legislative authority may by resolution or ordinance require that notice of the lien be sent to each owner of property for which the assessment has not been paid by the date it was due and that each lien created be collected by the treasurer in the same manner as delinquent real property tax, if within thirty days from the date the owner is sent notice of the lien, including the amount thereof, the lien remains unpaid and an appeal has not been made pursuant to RCW 17.10.180. Liens treated as delinquent taxes bear interest at the rate of twelve percent per annum and the interest accrues as of the date notice of the lien is sent to the owner: PROVIDED FURTHER, That any collections for the lien shall not be considered as tax; or

(b) The county legislative authority may appropriate money from the county general fund necessary for the administration of the county noxious weed control program. In addition the county legislative authority may make emergency appropriations as it deems necessary for the implementation of this chapter.

(2) Forest lands used solely for the planting, growing, or harvesting of trees and which are typified, except during a single period of five years following clear-cut logging, by canopies so dense as to prohibit growth of an understory may be subject to an annual noxious weed assessment levied by a county legislative authority that does not exceed one-tenth of the weighted average per acre noxious weed assessment levied on all other lands in unincorporated areas within the county that are subject to the weed assessment. This assessment shall be computed in accordance with the formula in subsection (3) of this section.

(3) The calculation of the "weighted average per acre noxious weed assessment" is a ratio expressed as follows:

(a) The numerator is the total amount of funds estimated to be collected from the per acre assessment on all lands except (i) forest lands as identified in subsection (2) of this section, (ii) lands exempt from the noxious weed assessment, and (iii) lands located in an incorporated area.

(b) The denominator is the total acreage from which funds in (a) of this subsection are collected. For lands of less than one acre in size, the denominator calculation may be based on the following assumptions: (i) Unimproved lands are calculated as being one-half acre in size on the average, and (ii) improved lands are calculated as being one-third acre in size on the average. The county legislative authority may choose to calculate the denominator for lands of less than one acre in size using other assumptions about average parcel size based on local information.

(4) For those counties that levy a per parcel assessment to help fund noxious weed control programs, the per parcel assessment on forest lands as defined in subsection (2) of this section shall not exceed one-tenth of the per parcel assessment on nonforest lands. [1997 c 353 § 27; 1995 c 374 § 77; 1987 c 438 § 31; 1975 1st ex.s. c 13 § 10; 1969 ex.s. c 113 § 24.]

17.10.250 Applications for noxious weed control funds. The legislative authority of any county with an activated noxious weed control board or the board of any weed district may apply to the director for noxious weed control funds when informed by the director that funds are available. Any applicant must employ adequate administrative personnel to supervise an effective weed control program as determined by the director with advice from the state noxious weed control board. The director with advice from the state noxious weed control board shall adopt rules on the distribution and use of noxious weed control account

funds. [1997 c 353 § 28; 1987 c 438 § 32; 1975 1st ex.s. c 13 § 11; 1969 ex.s. c 113 § 25.]

17.10.260  Administrative powers to be exercised in conformity with administrative procedure act—Use of weed control substances subject to other acts. The administrative powers granted under this chapter to the director of the department of agriculture and to the state noxious weed control board shall be exercised in conformity with the provisions of the administrative procedure act, chapter 34.05 RCW, as now or hereafter amended. The use of any substance to control noxious weeds shall be subject to the provisions of the water pollution control act, chapter 90.48 RCW, as now or hereafter amended, the Washington pesticide control act, chapter 15.58 RCW, and the Washington pesticide application act, chapter 17.21 RCW. [1987 c 438 § 33; 1969 ex.s. c 113 § 28.]

17.10.270  Noxious weed control boards—Authority to obtain insurance or surety bonds. Each noxious weed control board may obtain such insurance or surety bonds, or both with such limits as they may deem reasonable for the purpose of protecting their officials and employees against liability for personal or bodily injuries and property damage arising from their acts or omissions while performing or in good faith purporting to perform their official duties. [1987 c 438 § 34; 1974 ex.s. c 143 § 5.]

17.10.280  Lien for labor, material, equipment used in controlling noxious weeds. Every activated county noxious weed control board performing labor, furnishing material, or renting, leasing or otherwise supplying equipment, to be used in the control of noxious weeds, or in causing control of noxious weeds, upon any property pursuant to the provisions of chapter 17.10 RCW has a lien upon such property for the labor performed, material furnished, or equipment supplied whether performed, furnished, or supplied with the consent of the owner, or his agent, of such property, or without the consent of said owner or agent. [1987 c 438 § 35; 1975 1st ex.s. c 13 § 13.]

17.10.290  Lien for labor, material, equipment used in controlling noxious weeds—Notice of lien. Every county noxious weed control board furnishing labor, materials, or supplies or renting, leasing, or otherwise supplying equipment to be used in the control of noxious weeds upon any property pursuant to RCW 17.10.160 and 17.10.170 or pursuant to an order under RCW 17.10.210 as now or hereafter amended, shall give to the owner or reputed owner or his agent a notice in writing, within ninety days from the date of the cessation of the performance of such labor, the furnishing of such materials, or the supplying of such equipment, which notice shall cover the labor, material, supplies, or equipment furnished or leased, as well as all subsequent labor, materials, supplies, or equipment furnished or leased, stating in substance and effect that such county noxious weed control board is furnishing or has furnished labor, materials and supplies or equipment for use thereon, with the name of the county noxious weed control board ordering the same, and that a lien may be claimed for all materials and supplies or equipment furnished by such county noxious weed control board for use thereon, which notice shall be given by mailing the same by registered or certified mail in an envelope addressed to the owner at his place of residence or reputed residence. [1987 c 438 § 36; 1975 1st ex.s. c 13 § 14.]

17.10.300  Lien for labor, material, equipment used in controlling noxious weeds—Claim—Filing—Contents. No lien created by RCW 17.10.280 exists, and no action to enforce the same shall be maintained, unless within ninety days from the date of cessation of the performance of the labor, furnishing of materials, or the supplying of equipment, a claim for the lien is filed for record as provided in this section, in the office of the county auditor of the county in which the property, or some part of the property to be affected by the claim for a lien, is situated. The claim shall state, as nearly as may be, the time of the commencement and cessation of performing the labor, furnishing the material, or supplying the equipment, the name of the county noxious weed control board that performed the labor or caused the labor to be performed, furnished the material, or supplied the equipment, a description of the property to be charged with the lien sufficient for identification, the name of the owner, or reputed owner if known, or his or her agent, and if the owner is not known, that fact shall be mentioned, the amount for which the lien is claimed, and shall be signed by the county noxious weed control board, and be verified by the oath of the county noxious weed control board, to the effect that the affiant believes that claim to be just; and the claim of lien may be amended in case of action brought to foreclose the same, by order of the court, as pleadings may be, insofar as the interest of third parties shall not be affected by such an amendment. [1997 c 353 § 29; 1975 1st ex.s. c 13 § 15.]

17.10.310  Notice of infraction—Issuance. The county noxious weed control board may issue a notice of civil infraction if after investigation it has reasonable cause to believe an infraction has been committed. A civil infraction may be issued pursuant to RCW 7.80.005, 7.80.070 through 7.80.110, 7.80.120 (3) and (4), and 7.80.130 through 7.80.900. [1997 c 353 § 30; 1987 c 438 § 24.]

17.10.350  Infraction—Penalty. Any person found to have committed a civil infraction under this chapter shall be assessed a monetary penalty not to exceed one thousand dollars. The state noxious weed control board shall adopt a schedule of monetary penalties for each violation of this chapter classified as a civil infraction and submit the schedule to the appropriate court. If a monetary penalty is imposed by the court, the penalty is immediately due and payable. The court may, at its discretion, grant an extension of time, not to exceed thirty days, in which the penalty must be paid. Failure to pay any monetary penalties imposed under this chapter is punishable as a misdemeanor. [1997 c 353 § 31; 1987 c 438 § 28.]

17.10.890  Deactivation of county noxious weed control board—Hearing. The following procedures shall
be followed to deactivate a county noxious weed control board:

(1) The county legislative authority holds a hearing to determine whether there continues to be a need for an activated county noxious weed control board if:

(a) A petition is filed by one hundred registered voters within the county;
(b) A petition is filed by a county noxious weed control board as provided in RCW 17.10.240; or
(c) The county legislative authority passes a motion to hold such a hearing.

(2) Except as provided in subsection (4) of this section, the hearing shall be held within sixty days of final action taken under subsection (1) of this section.

(3) If, after a hearing, the county legislative authority determines that no need exists for a county noxious weed control board, due to the absence of class A or class B noxious weeds designated for control in the region, the county legislative authority shall deactivate the board.

(4) The county legislative authority shall not convene a hearing as provided for in subsection (1) of this section more frequently than once a year. [1997 c 353 § 32; 1987 c 438 § 37.]

17.10.900 Weed districts—Continuation—Dissolution—Transfer of assessment funds. Any weed district formed under chapter 17.04 or 17.06 RCW prior to the enactment of this chapter, continues to operate under the provisions of the chapter under which it was formed: PROVIDED, That if ten percent of the landowners subject to any such weed district, and the county noxious weed control board upon its own motion, petition the county legislative authority for a dissolution of the weed district, the county legislative authority shall provide for an election to be conducted in the same manner as required for the election of directors under the provisions of chapter 17.04 RCW, to determine by majority vote of those casting votes, if the weed district will continue to operate under the chapter it was formed. The land area of any dissolved weed district becomes subject to the provisions of this chapter. Any district assessment funds may be transferred after the dissolution election under contract to the county noxious weed control board to fund the noxious weed control program. [1997 c 353 § 33; 1987 c 438 § 38; 1975 1st ex.s. c 13 § 12; 1969 ex.s. c 113 § 26.]

17.10.910 Severability—1969 ex.s. c 113. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of this act, or the application of the provision to other persons or circumstances is not affected. [1969 ex.s. c 113 § 27.]

17.15.010 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise:

(1) "Integrated pest management" means a coordinated decision-making and action process that uses the most appropriate pest control methods and strategy in an environmentally and economically sound manner to meet agency programmatic pest management objectives. The elements of integrated pest management include:

(a) Preventing pest problems;
(b) Monitoring for the presence of pests and pest damage;
(c) Establishing the density of the pest population, that may be set at zero, that can be tolerated or correlated with a damage level sufficient to warrant treatment of the problem based on health, public safety, economic, or aesthetic thresholds;
(d) Treating pest problems to reduce populations below those levels established by damage thresholds using strategies that may include biological, cultural, mechanical, and chemical control methods and that must consider human health, ecological impact, feasibility, and cost-effectiveness; and

(e) Evaluating the effects and efficacy of pest treatments.

(2) "Pest" means, but is not limited to, any insect, rodent, nematode, snail, slug, weed, and any form of plant or animal life or virus, except virus, bacteria, or other microorganisms on or in a living person or other animal or in or on processed food or beverages or pharmaceuticals, which is normally considered to be a pest. [1997 c 357 § 2.]

17.15.020 Implementation of integrated pest management practices. Each of the following state agencies or institutions shall implement integrated pest management practices when carrying out the agency’s or institution’s duties related to pest control:

(1) The department of agriculture;
(2) The state noxious weed control board;
(3) The department of ecology;
(4) The department of fish and wildlife;
(5) The department of transportation;
(6) The parks and recreation commission;

(1) A state agency or institution listed in RCW 17.15.020 shall provide integrated pest management training for employees responsible for pest management. The training programs shall be developed in cooperation with the interagency integrated pest management coordinating committee created under RCW 17.15.040.

(2) A state agency or institution listed in RCW 17.15.020 shall designate an integrated pest management coordinator and the department of labor and industries and the office of the superintendent of public instruction shall each designate one representative to serve on the committee established in RCW 17.15.040. [1997 c 357 § 4.]

17.15.040 Interagency integrated pest management coordinating committee—Creation—Composition—Duties—Public notice—Progress reports.

(1) The interagency integrated pest management coordinating committee is created. The committee is composed of the integrated pest management coordinator from each agency or institution listed under RCW 17.15.020 and the representatives designated under RCW 17.15.030. The coordinator from the department of agriculture shall serve as chair of the committee.

(2) The interagency integrated pest management coordinating committee shall share information among the state agencies and institutions and facilitate interagency coordination.

(3) The interagency integrated pest management coordinating committee shall meet at least two times a year. All meetings of the committee must be open to the public. The committee shall give public notice of each meeting.

(4) By November 30th of each odd-numbered year up to and including November 30th, 2001, the department of agriculture, with the advice of the interagency integrated pest management coordinating committee, shall prepare a report on the progress of integrated pest management programs. The report is to be made available through the state library and placed on the legislative alert list. [1997 c 357 § 5.]

Chapter 17.21

Title 17 RCW: Weeds, Rodents, and Pests

17.21.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. "Agricultural commodity" means any plant or part of a plant, or animal, or animal product, produced by a person (including farmers, ranchers, vineyardists, plant propagators, Christmas tree growers, aquaculturists, floriculturists, orchardists, foresters, or other comparable persons) primarily for sale, consumption, propagation, or other use by people or animals.

2. "Agricultural land" means land on which an agricultural commodity is produced or land that is in a government-recognized conservation reserve program. This definition does not apply to private gardens where agricultural commodities are produced for personal consumption.

3. "Antimicrobial pesticide" means a pesticide that is used for the control of microbial pests, including but not limited to viruses, bacteria, algae, and protozoa, and is intended for use as a disinfectant or sanitizer.

4. (3) "Rancher private applicator" means a certified applicator who uses or is in direct supervision, as defined for private applicators in *RCW 17.21.020(12), of the use of any herbicide and/or any rodenticide classified by the environmental protection agency or the director as a restricted use pesticide for the purpose of controlling weeds and pest animals on the agricultural land owned or rented by the applicator or the applicator’s employer. The purpose of this subsection, "agricultural land" means nonproduction agricultural land and production agricultural land used to grow hay and grain crops that are consumed by the livestock on the farm where produced: PROVIDED, That up to ten percent of the crops grown on the agricultural land in a calendar year may be sold within the county of production. Nonproduction agricultural land includes pastures, rangeland, fencerows, and areas around farm buildings. For the purposes of this subsection, agricultural land does not include aquatic sites. A rancher private applicator also may apply restricted use herbicides and rodenticides to the agricultural land of another person if applied without compensation other than trading of personal services between the applicator and the other person.

(4) Limited private applicator and rancher private applicator licenses may be issued only in counties where the county cooperative extension service and/or the county weed board complete a memorandum of understanding with the department agreeing to conduct a minimum of two hours of department-approved weed control-related recertification coursework every year and to maintain the recertification credit records for the limited private applicators in their county.

(5) A person may participate in the pilot project by applying to be licensed as a limited private applicator or
rancher private applicator in 2000, 2001, or 2002. The application and examination requirements for a limited private applicator and a rancher private applicator are the same as for a private applicator.

(a) Applications for a limited private applicator license shall be accompanied by a fee of twenty-five dollars.

(b) Applications for a rancher private applicator shall be accompanied by a fee of seventy-five dollars.

(6) All limited private applicator and rancher private applicator licenses expire on December 31, 2004.

(7)(a) Limited private applicators and rancher private applicators are exempt from the credit accumulation requirements of RCW 17.21.128(2)(a), and, upon application, begins a recertification period which ends on December 31, 2004.

(iv) Rancher private applicators first applying for a license in 2001 or 2002 shall accumulate a minimum of ten department-approved credits by the end of the recertification period.

(b) All credits for the limited private applicator license must be applicable to the control of weeds with at least half of the credits directly related to weed control and the remaining credits in topic areas indirectly related to weed control, such as the safe and legal use of pesticides.

(8) Limited private applicators and rancher private applicators who successfully complete the recertification requirements of this section are deemed to have met the credit accumulation requirements of RCW 17.21.128(2)(a) for private applicators and may reapply as a private applicator in 2005. A limited private applicator or rancher private applicator who applies for a private applicator license during the pilot project must meet the fee, annual renewal, and credit accumulation requirements for private applicators.

(9) By September 1, 2003, the department shall report to the legislature on the results of the pilot project.

(ii) Be entitled, on request, to have his or her name protected from disclosure in any communication with persons outside the department and in any record published, released, or made available pursuant to this chapter: PROVIDED, That in any appeal proceeding the identity of the aggrieved person who requests the inspection shall be disclosed to the alleged violator of the act upon request of the alleged violator;

(b) Shall be notified promptly, on written application to the director, of any penalty or other action taken by the
department pursuant to an investigation of the violation under this chapter; and

(c) May request, within ten days from the service of a final order fixing a penalty for the violation, that the director reconsider the entire matter if it is alleged that the penalty is inappropriate. If the person is aggrieved by a decision of the director on reconsideration, the person may request an adjudicative proceeding under chapter 34.05 RCW. However, the procedures for a brief adjudicative proceeding may not be used unless agreed to by the person requesting the adjudicative proceeding. During the adjudicative proceeding under (c) of this subsection, the presiding officer shall consider the interests of the person requesting the adjudicative proceeding.

(2) Nothing in this chapter shall preclude any person aggrieved by a violation of this chapter from bringing suit in a court of competent jurisdiction for damages arising from the violation. [1989 c 380 § 63.]

   (d) The pest to be controlled; and
   (e) The name and phone number of a contact person at the school.

(5) A school facility application must be made within forty-eight hours following the intended date and time stated in the notification or the notification process shall be repeated.

(6) A school shall, at the time of application, post notification signs for all pesticide applications made to school facilities unless the application is otherwise required to be posted by a certified applicator under the provisions of RCW 17.21.410(1)(d).

(7) A school facility application does not include the application of antimicrobial pesticides or the placement of insect or rodent baits that are not accessible to children.

(8) The prenotification requirements of this section do not apply if the school facility application is made when the school is not occupied by students for at least two consecutive days after the application.

(9) The prenotification requirements of this section do not apply to any emergency school facility application for control of any pest that poses an immediate human health or safety threat, such as an application to control sting insects. When an emergency school facility application is made, notification consistent with the school’s notification system shall occur as soon as possible after the application. The notification shall include information consistent with subsection (6)(b) of this section.

(10) A school shall make the records of all pesticide applications to school facilities required under this chapter, including an annual summary of the records, readily accessible to interested persons.

applicators making landscape applications or right of way applications are able to easily determine what properties and individuals require notification for a specific application. An updated list shall be distributed whenever deemed necessary by the department. Certified applicators may request a list of newly registered individuals that have been added to the list since the last distribution. Registered individuals shall receive verification that their name has been placed on the list. [1994 c 283 § 34; 1992 c 176 § 3.]

If a person on the pesticide-sensitive list lives in a multifamily dwelling such as an apartment or condominium, the applicator shall notify the person on the list or shall advise the manager or other property owner’s representative to notify the person on the list of the application. [1992 c 176 § 4.]

17.21.440 Agricultural workers and handlers of agricultural pesticides—Coordination of regulation and enforcement with department of labor and industries.

(1) As used in this section, "federal worker protection standard" or "federal standard" means the worker protection standard for agricultural workers and handlers of agricultural pesticides adopted by the United States environmental protection agency in 40 C.F.R., part 170 as it exists on June 6, 1996.

(2)(a) No rule adopted under this chapter may impose requirements that make compliance with the federal worker protection standard impossible.

(b) The department shall adopt by rule safety and health standards that are at least as effective as the federal standard. Standards adopted by the department under this section shall be adopted in coordination with the department of labor and industries.

(3) If a violation of the federal worker protection standard, or of state rules regulating activities governed by the federal standard, is investigated by the department and by the department of labor and industries, the agencies shall conduct a joint investigation if feasible, and shall share relevant information. However, an investigation conducted by the department of labor and industries under Title 51 RCW solely with regard to industrial insurance shall not be considered to be an investigation by the department of labor and industries for this purpose. The agencies shall not issue duplicate citations to an individual or business for the same violation of the federal standard or state rules regulating activities governed by the federal standard. By December 1, 1996, the department and the department of labor and industries shall jointly establish a formal agreement that: Identifies the roles of each of the two agencies in conducting investigations of activities governed by the federal standard; and provides for protection of workers and enforcement of standards that is at least [as] effective as provided for other enforcement under this chapter. [1996 c 260 § 3.]

17.24.003 Purpose. The purpose of this chapter is to provide a strong system for the exclusion of plant and bee pests and diseases through regulation of movement and quarantines of infested areas to protect the forest, agricultural, horticultural, floricultural, and apiary industries of the state; plants and shrubs within the state; and the environment of the state from the impact of insect pests, plant pathogens, noxious weeds, and bee pests and the public and private costs that result when these infestations become established. [1991 c 257 § 3.]

(2002 Ed.)
17.24.011 Regulation of plant, plant product, bee movement, and genetically engineered organisms. Notwithstanding the provisions of RCW 17.24.041, the director may:

1. Make rules under which plants, plant products, bees, hives and beekeeping equipment, and noxious weeds may be brought into this state from other states, territories, or foreign countries; and
2. Make rules with reference to plants, plant products, bees, bee hives and equipment, and genetically engineered organisms while in transit through this state as may be deemed necessary to prevent the introduction into and dissemination within this state of plant and bee pests and noxious weeds. [1991 c 257 § 5.]

17.24.021 Inspection and investigation. (1) The director may intercept and hold or order held for inspection, or cause to be inspected while in transit or after arrival at their destination, all plants, plant products, bees, or other articles likely to carry plant pests, bee pests, or noxious weeds being moved into this state from another state, territory, or a foreign country or within or through this state for plant and bee pests and disease.

(2) The director may enter upon public and private premises at reasonable times for the purpose of carrying out this chapter. If the director be denied access, the director may apply to any court of competent jurisdiction for a search warrant authorizing access to such premises. The court may upon such application issue the search warrant for the purposes requested.

(3) The director may adopt rules in accordance with chapter 34.05 RCW as may be necessary to carry out the purposes and provisions of this chapter. [1991 c 257 § 6.]

17.24.031 Determination of origin. The director may demand of a person who has in his or her possession or under his or her control, plants, bees, plant products, or other articles that may carry plant pests, bee pests, or noxious weeds, full information as to the origin and source of these items. Failure to provide that information, if known, may subject the person to a civil penalty. [1991 c 257 § 7.]

17.24.041 Power to adopt quarantine measures—Rules. If determined to be necessary to protect the forest, agricultural, horticultural, floricultural, beekeeping, or environmental interests of this state, the director may declare a quarantine against an area, place, nursery, orchard, vineyard, apiary, or other agricultural establishment, county or counties within the state, or against other states, territories, or foreign countries, or a portion of these areas, in reference to plant pests, or bee pests, or noxious weeds, or genetically engineered plant or plant pest organisms. The director may prohibit the movement of all regulated articles from such quarantined places or areas that are likely to contain such plant pests or noxious weeds or genetically engineered plant, plant pest, or bee pest organisms. The quarantine may be made absolute or rules may be adopted prescribing the conditions under which the regulated articles may be moved into, or sold, or otherwise disposed of in the state. [1991 c 257 § 8.]

17.24.051 Introduction of plant pests, noxious weeds, or organisms affecting plant life. The introduction into or release within the state of a plant pest, noxious weeds, bee pest, or any other organism that may directly or indirectly affect the plant life of the state as an injurious pest, parasite, predator, or other organism is prohibited, except under special permit issued by the department under rules adopted by the director. A special permit is not required for the introduction or release within the state of a genetically engineered plant or plant pest organism if the introduction or release has been approved under provisions of federal law and the department has been notified of the planned introduction or release. The department shall be the sole issuing agency for the permits. Except for research projects approved by the department, no permit for a biological control agent shall be issued unless the department has determined that the parasite, predator, or plant pathogen is target organism or plant specific and not likely to become a pest of nontarget plants or other beneficial organisms. The director may also exclude biological control agents that are infested with parasites determined to be detrimental to the biological control efforts of the state. The department may rely upon findings of the United States department of agriculture or any experts that the director may deem appropriate in making a determination about the threat posed by such organisms. In addition, the director may request confidential business information subject to the conditions in RCW 17.24.061.

Plant pests, noxious weeds, or other organisms introduced into or released within this state in violation of this section shall be subject to detention and disposition as otherwise provided in this chapter. [1991 c 257 § 9.]

17.24.061 Protection of privileged or confidential information—Procedure—Notice—Declaratory judgment. (1) In submitting data required by this chapter, the applicant may: (a) Mark clearly portions of data which in his or her opinion are trade secrets or commercial or financial information; and (b) submit the marked material separately from other material required to be submitted under this chapter.

(2) Notwithstanding any other provision of this chapter or other law, the director shall not make information submitted by an applicant or registrant under this chapter available to the public if, in the judgment of the director, the information is privileged or confidential because it contains or relates to trade secrets or commercial or financial information. Where necessary to carry out the provisions of this chapter, information relating to unpublished formulas of products acquired by authorization of this chapter may be revealed to any state or federal agency consulted and may be revealed at a public hearing or in findings of fact issued by the director.

(3) If the director proposes to release for inspection or to reveal at a public hearing or in findings of fact issued by the director, information that the applicant or registrant believes to be protected from disclosure under subsection (2) of this section, he or she shall notify the applicant or registrant in writing, by certified mail. The director may not make this data available for inspection nor reveal the information at a public hearing or in findings of fact issued by the director until thirty days after receipt of the notice by
the applicant or registrant. During this period, the applicant or registrant may withdraw the application or may institute an action in the superior court of Thurston county for a declaratory judgment as to whether the information is subject to protection under subsection (2) of this section. [1991 c 257 § 10.]

17.24.071 Compliance agreements. The director may enter into compliance agreements with a person engaged in growing, handling, or moving articles, bees, plants, or plant products regulated under this chapter. [1991 c 257 § 11.]

17.24.081 Prohibited acts. It shall be unlawful for a person to:

(1) Sell, offer for sale, or distribute a noxious weed or a plant or plant product or regulated article infested or infected with a plant pest declared by rule to be a threat to the state’s forest, agricultural, horticultural, floricultural, or beekeeping industries or environment;

(2) Knowingly receive a noxious weed, or a plant, plant product, bees, bee hive or appliances, or regulated article sold, given away, carried, shipped, or delivered for carriage or shipment within this state, in violation of the provisions of this chapter or the rules adopted under this chapter;

(3) Fail to immediately notify the department and isolate and hold the noxious weed, bees, bee hives or appliances, plants or plant products, or other thing unopened or unused subject to inspection or other disposition as may be provided by the department, where the item has been received without knowledge of the violation and the receiver has become subsequently aware of the potential problem;

(4) Knowingly conceal or willfully withhold available information regarding an infected or infested plant, plant product, regulated article, or noxious weed;

(5) Introduce or move into this state, or to move or dispose of in this state, a plant, plant product, or other item included in a quarantine, except under rules as may be prescribed by the department, after a quarantine order has been adopted under this chapter against a place, nursery, orchard, vineyard, apiary, other agricultural establishment, county of this state, another state, territory, or a foreign country as to a plant pest, bee pest, or noxious weed or genetically engineered plant or plant pest organism, until such quarantine is removed. [1991 c 257 § 12.]

17.24.091 Impound and disposition. (1) If upon inspection, the director finds that an inspected plant or plant product or bees are infected or infested or that a regulated article is being held or transported in violation of a rule or quarantine of the department, the director shall notify the owner that a violation of this chapter exists. The director may impound or order the impounding of the infected or infested or regulated article in such a manner as may be necessary to prevent the threat of infestation. The notice shall be in writing and sent by certified mail or personal service identifying the impounded article and giving notice that the articles will be treated, returned to the shipper or to a quarantined area, or destroyed in a manner as to prevent infestation. The impounded article shall not be destroyed unless the director determines that (a) no effective treatment can be carried out; and (b) the impounded article cannot be returned to the shipper or shipped back to a quarantine area without threat of infestation to this state; and (c) mere possession by the owner constitutes an emergency.

(2) Before taking action to treat, return, or destroy the impounded article, the director shall notify the owner of the owner’s right to a hearing before the director under chapter 34.05 RCW. Within ten days after the notice has been given the owner may request a hearing. The request must be in writing.

(3) The cost to impound articles along with the cost, if any, to treat, return, or destroy the articles shall be at the owner’s expense. The owner is not entitled to compensation for infested or infected articles destroyed by the department under this section. [1991 c 257 § 13.]

17.24.100 Penalties—Second and subsequent offenses. Every person who shall violate or fail to comply with any rule or regulation adopted and promulgated by the director of agriculture in accordance with and under the provision of chapter 17.24 RCW, as now or hereafter amended, shall be guilty of a misdemeanor, and for a second and each subsequent violation or failure to comply with the provisions of this chapter or rule or regulation adopted hereunder, shall be guilty of a gross misdemeanor. [1981 c 296 § 26; 1927 c 292 § 7; RRS § 2786. Prior: 1921 c 105 § 7.]

Severability—1981 c 296: See note following RCW 15.08.010.

17.24.101 Statewide survey and control activity. If there is reason to believe that a plant or bee pest may adversely impact the forestry, agricultural, horticultural, floricultural, or related industries of the state; or may cause harm to the environment of the state; or such information is needed to facilitate or allow the movement of forestry, agricultural, horticultural, or related products to out-of-state, foreign and domestic markets, the director may conduct, or cause to be conducted, surveys to determine the presence, absence, or distribution of a pest.

The director may take such measures as may be required to control or eradicate such pests where such measures are determined to be in the public interest, are technically feasible, and for which funds are appropriated or provided through cooperative agreements. [1991 c 257 § 14.]

17.24.111 Director’s cooperation with other agencies. The director may enter into cooperative arrangements with a person, municipality, county, Washington State University or any of its experiment stations, or other agencies of this state, and with boards, officers, and authorities of other states and the United States, including the United States department of agriculture, for the inspection of bees, plants and plant parts and products and the control or eradication of plant pests, bee pests, or noxious weeds and to carry out other provisions of this chapter. [1991 c 257 § 15.]

17.24.121 Acquisition of lands, water supply, or other properties for quarantine locations. The director may acquire, in fee or in trust, by gift, or whenever funds are appropriated for such purposes, by purchase, easement,
lease, or condemnation, lands or other property, water supplies, as may be deemed necessary for use by the department for establishing quarantine stations for the purpose of the isolation, prevention, eradication, elimination, and control of insect pests or plant pathogens that affect the agricultural or horticultural products of the state; for the propagation of biological control agents; or the isolation of genetically engineered plants or plant pests; or the isolation of bee pests. [1991 c 257 § 16.]

17.24.131 Requested inspections—Fee for service—Disbursements in lieu of fee. To facilitate the movement or sale of forest, agricultural, floricultural, horticultural and related products, or bees and related products, the director may provide, if requested by farmers, growers, or other interested persons, special inspections, pest identifications, plant identifications, plant diagnostic services, pest control activities, other special certifications and activities not otherwise authorized by statute and prescribe a fee for that service. The fee shall, as closely as practical, cover the cost of the service rendered, including the salaries and expenses of the personnel involved. Moneys collected shall be deposited in the plant pest account, which is hereby created within the agricultural local fund. No appropriation is required for disbursement from the plant pest account to provide the services authorized by this section. In lieu of a fee, assessments and other funds deposited in the plant pest account may be disbursed to provide the services authorized by this section. [1997 c 227 § 2; 1991 c 257 § 17.]

Effective date—1997 c 227: See note following RCW 15.17.243.

17.24.141 Penalties—Criminal and civil penalty. Whenever the director finds that a person has committed a violation of any of the provisions of this chapter, and that violation has not been punished pursuant to RCW 17.24.100, the director may impose upon and collect from the violator a civil penalty not exceeding five thousand dollars per violation. Each violation shall be a separate and distinct offense. A person who knowingly, through an act of commission or omission, procures or aids or abets in the violation shall be considered to have violated this section and may be subject to the civil penalty. [1991 c 257 § 18.]

17.24.151 Violations—Costs of control. A person who, through a knowing and willful violation of a quarantine established under this chapter, causes an infestation to become established, may be required to pay the costs of public control or eradication measures caused as a result of that violation. [1991 c 257 § 19.]

17.24.161 Funds for technical and scientific services. The director may, at the director’s discretion, provide funds for technical or scientific services, labor, materials and supplies, and biological control agents for the control of plant pests, bee pests, and noxious weeds. [1991 c 257 § 20.]

17.24.171 Determination of imminent danger of infestation of plant pests or plant diseases—Emergency measures—Conditions—Procedures. (1) If the director determines that there exists an imminent danger of an infestation of plant pests or plant diseases that seriously endangers the agricultural or horticultural industries of the state, or that seriously threatens life, health, or economic well-being, the director shall request the governor to order emergency measures to control the pests or plant diseases under *RCW 43.06.010(14). The director’s findings shall contain an evaluation of the affect of the emergency measures on public health.

(2) If an emergency is declared pursuant to *RCW 43.06.010(14), the director may appoint a committee to advise the governor through the director and to review emergency measures necessary under the authority of *RCW 43.06.010(14) and this section and make subsequent recommendations to the governor. The committee shall include representatives of the agricultural industries, state and local government, public health interests, technical service providers, and environmental organizations.

(3) Upon the order of the governor of the use of emergency measures, the director is authorized to implement the emergency measures to prevent, control, or eradicate plant pests or plant diseases that are the subject of the emergency order. Such measures, after thorough evaluation of all other alternatives, may include the aerial application of pesticides. 

(4) Upon the order of the governor of the use of emergency measures, the director is authorized to enter into agreements with individuals or companies, or both, to accomplish the prevention, control, or eradication of plant pests or plant diseases, notwithstanding the provisions of chapter 15.58 or 17.21 RCW, or any other statute.

(5) The director shall continually evaluate the emergency measures taken and report to the governor at intervals of not less than ten days. The director shall immediately advise the governor if he or she finds that the emergency no longer exists or if certain emergency measures should be discontinued. [1991 c 257 § 21.]

*Reviser's note: RCW 43.06.010 was amended by 1993 c 142 § 5, changing subsection (14) to subsection (13).

17.24.210 Indemnity contracts for damages resulting from prevention, control, or eradication measures—Authorized—Conditions. The director of agriculture may, on the behalf of the state of Washington, enter into indemnity contracts wherein the state of Washington agrees to repay any person, firm, corporation, or other entity acting under the direction or control of the proper authority to provide plant pest or plant disease prevention, control, or eradication measures as provided in this chapter or any rule adopted pursuant to the provisions of this chapter, for losses and damages incurred as a result of such prevention, control, or eradication measures if all of the following conditions occur:

(1) At the time of the incident the worker is performing services as an emergency measures worker and is acting within the course of his duties as an emergency measures worker;

(2) At the time of the injury, loss, or damage, the organization providing emergency measures by which the worker is employed is an approved organization for providing emergency measures;
(3) The injury, loss, or damage is proximately caused by his service either with or without negligence as an emergency measures worker;
(4) The injury, loss, or damage is not caused by the intoxication of the worker; and
(5) The injury, loss, or damage is not due to wilful misconduct or gross negligence on the part of a worker.

Where an act or omission by an emergency services provider in the course of providing emergency services injures a person or property, the provider and the state may be jointly and severally liable for the injury, if state liability is proved under existing or hereafter enacted law.

Each person, firm, corporation, or other entity authorized to provide the prevention, control, or eradication measures implementing a program approved under *RCW 17.24.200 shall be identified on a list approved by the director. For the purposes of this section, each person on the list shall be known, for the duration of the person’s services under the program, as "an emergency measures worker." [1982 c 153 § 3.]

*Reviser’s note: RCW 17.24.200 was repealed by 1991 c 257 § 23.

Severability—1982 c 153: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1982 c 153 § 5.]

Effective date—1982 c 153: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect April 1, 1982." [1982 c 153 § 7.]

CONTROL OF SPARTINA AND PURPLE LOOSESTRIFE

17.26.901 Effective date—1995 c 255.

17.26.005 Findings. The legislature finds that:
(1) Spartina alterniflora, Spartina anglica, Spartina x townsendii, and Spartina patens which are collectively called spartina are not native to the state of Washington nor to the west coast of North America. This noxious weed was inadvertently introduced into the wetlands of the state and is now aggressively invading new areas to the detriment of native ecosystems and aquatic habitat. The spread of spartina threatens to permanently convert and displace native freshwater and saltwater wetlands and intertidal zones, including critical habitat for migratory birds, many fish species, bivalves, invertebrates, marine mammals, and other animals. The continued spread of spartina will permanently reduce the diversity and the quantity of these species and will have a significant negative environmental impact.

Spartina poses a significant hydrological threat. Clumps and meadows of spartina are dense environments that bind sediments and lift the intertidal gradient up out of the intertidal zone through time. This process reduces flows during flood conditions, raises flood levels, and significantly alters the hydrological regime of estuarine areas.

Spartina spreads by rhizomes and seed production. Through lateral growth by rhizomes, spartina establishes a dense monotypic meadow. Through seed production and the spread of seed through the air and by water, spartina is currently being spread to other states and to Canadian provinces.

(2) Purple loosestrife was first documented in the state in 1929 along freshwater shorelands. It is now present throughout the state and is particularly abundant in Grant county and its neighboring counties. The plant appears to be colonizing more rapidly on the eastern side of the state than on the western side. It was first introduced to the Winchester wasteway area in the 1960’s and has invaded the area rapidly. Purple loosestrife is displacing native plants and as a result is threatening an extremely important part of this state’s wildlife habitat. Lythrum salicaria and L. virgatum are closely related loosestrife species that are morphologically similar and not easily distinguished from each other in the field. Both species have been referred to as purple loosestrife.

(3) Current laws and rules designed to protect the environment and preserve the wetland habitats, fish, and wildlife of the state are not designed to respond to an ecosystem-wide threat of this kind. State and federal agencies, local governments, weed boards, concerned individuals, and property owners attempting to deal with the ecological emergency posed by spartina and purple loosestrife infestations have been frustrated by interagency disagreements, demands for an undue amount of procedural and scientific process and information, dilatory appeals, and the improper application of laws and regulations by agencies that have in fact undermined the legislative purposes of those same laws while ignoring the long-term implications of delay and inaction. There is a compelling need for strong leadership, coordination, and reporting by a single state agency to respond appropriately to this urgent environmental challenge.

Any further delay of control efforts will significantly increase the cost of spartina and purple loosestrife control and reduce the likelihood of long-term success. Control efforts must be coordinated across political and ownership boundaries in order to be effective.

(4) The presence of noxious weeds on public lands constitutes a public nuisance and negatively impacts public and private lands. The legislature finds that control and eradication of noxious weeds on private lands is in the public interest. [1995 c 255 § 1.]
1995 is to focus agency action on control and future eradication of spartina and purple loosestrife. It is the mandate of the legislature that one state agency, the department of agriculture, be responsible for a unified effort to eliminate spartina and control purple loosestrife, with the advice of the state noxious weed control board, and that state agency shall be directly accountable to the legislature on the progress of the spartina eradication and purple loosestrife control program. [1995 c 255 § 2.]

17.26.007 Findings—Application to appropriations. This section applies to appropriations made to the department of agriculture specifically for the removal or control of spartina or purple loosestrife or both plants. The legislature finds that: The presence of spartina or purple loosestrife on private lands threatens wildlife habitat and provides a source of renewed infestation for public lands; and effective eradication or control of spartina or purple loosestrife requires concerted efforts on both public and private lands to protect public resources. The department of agriculture may grant funds to other state agencies, local governments, and nonprofit corporations for eradication or control purposes and may use those moneys itself. The department of agriculture may match private funds for eradication or control programs on private property on a fifty-fifty matching basis. The accounting and supervision of the funds at the local level shall be conducted by the department of agriculture. [1995 c 255 § 11.]

17.26.010 Restriction on state agencies and local governments. State agencies and local governments may not use any other local, state, or federal permitting requirement, regulatory authority, or legal mechanism to override the legislative intent and statutory mandates of chapter 255, Laws of 1995. [1995 c 255 § 8.]

17.26.011 Spartina removal includes restoration—Study. Spartina removal shall include restoration to return intertidal land and other infested lands to the condition found on adjacent unaffected lands in the same tidal elevation. The department of fish and wildlife, the department of ecology, the department of agriculture, and the department of natural resources shall develop a restoration plan in cooperation with owners of spartina infested lands and shall submit the plan to the appropriate standing committees of the house of representatives and the senate by December 31, 1995. [1995 c 255 § 9.]

17.26.015 Lead agency—Responsibilities. (1) The state department of agriculture is the lead agency for the control of spartina and purple loosestrife with the advice of the state noxious weed control board.

(2) Responsibilities of the lead agency include:
(a) Coordination of the control program including memorandums of understanding, contracts, and agreements with local, state, federal, and tribal governmental entities and private parties;
(b) Preparation of a statewide spartina management plan utilizing integrated vegetation management strategies that encompass all of Washington’s tidelands. The plan shall be developed in cooperation with local, state, federal, and tribal governments, private landowners, and concerned citizens. The plan shall prioritize areas for control. Nothing in this subsection prohibits the department from taking action to control spartina in a particular area of the state in accordance with a plan previously prepared by the state while preparing the statewide plan;
(c) Directing on the ground control efforts that include, but are not limited to: (i) Control work and contracts; (ii) spartina survey; (iii) collection and maintenance of spartina location data; (iv) purchasing equipment, goods, and services; (v) survey of threatened and endangered species; and (vi) site-specific environmental information and documents; and
(d) Evaluating the effectiveness of the control efforts.

The lead agency shall report to the appropriate standing committees of the house of representatives and the senate no later than December 15th of each year through the year 1999 on the progress of the program, the number of acres treated by various methods of control, and on the funds spent. [1998 c 245 § 4; 1995 c 255 § 10.]

17.26.020 High priority for all state agencies—Definitions. (1) Facilitating the control of spartina and purple loosestrife is a high priority for all state agencies.

(2) The department of natural resources is responsible for spartina and purple loosestrife control on state-owned aquatic lands managed by the department of natural resources.

(3) The department of fish and wildlife is responsible for spartina and purple loosestrife control on state-owned aquatic lands managed by the department of fish and wildlife.

(4) The state parks and recreation commission is responsible for spartina and purple loosestrife control on state-owned aquatic lands managed by the state parks and recreation commission.

(5) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this chapter, RCW 90.48.020, 90.58.030, and *75.20.108:
(a) "Spartina" means Spartina alterniflora, Spartina anglica, Spartina x townsendii, and Spartina patens.
(b) "Purple loosestrife" means Lythrum salicaria and Lythrum virgatum.
(c) "Aquatic noxious weed" means an aquatic weed on the state noxious weed list adopted under RCW 17.10.080.

(6) The definitions in this chapter do not affect definitions in RCW 75.20.108.

17.26.900 Severability—1995 c 255. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1995 c 255 § 14.]

17.26.901 Effective date—1995 c 255. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately [May 5, 1995]. [1995 c 255 § 15.]

Special purpose districts, expenditures to recruit job candidates: RCW 42.24.170.

17.28.010 Definitions. When used in this chapter, the following terms, words or phrases shall have the following meaning:
(1) "District" means any mosquito control district formed pursuant to this chapter.
(2) "Board" or "district board" means the board of trustees governing the district.
(3) "County commissioners" means the governing body of the county.
(4) "Unit" means all unincorporated territory in a proposed district in one county, regarded as an entity, or each city in a proposed district, likewise regarded as an entity.
(5) "Territory" means any city or county or portion of either or both city or county having a population of not less than one hundred persons.
(6) "Person" means any individual, firm, partnership, corporation, company, association, or joint stock association, and the legal successor thereof. [1957 c 153 § 1.]

17.28.020 Districts may be organized in counties—Petition, presentment, signatures. Any number of units of a territory within the state of Washington in Adams, Benton, Franklin, Grant, Kittitas, Walla Walla and Yakima counties or any other county may be organized as a mosquito control district under the provisions of this chapter.

A petition to form a district may consist of any number of separate instruments which shall be presented at a regular meeting of the county commissioners of the county in which the greater area of the proposed district is located. Petitions shall be signed by registered voters of each unit of the proposed district, equal in number to not less than ten percent of the votes cast in each unit respectively for the office of governor at the last gubernatorial election prior to the time of presenting the petition. [1969 c 96 § 1; 1957 c 153 § 2.]

17.28.030 Petition method—Description of boundaries—Verification of signatures—Resolution to include city. Before a city can be included as a part of the proposed district its governing body shall have requested that the city be included by resolution, duly authenticated.

The petition shall set forth and describe the boundaries of the proposed district and it shall request that it be organized as a mosquito control district. Upon receipt of such a petition, the auditor of the county in which the greater area of the proposed district is located shall be charged with the responsibility of examining the same and certifying to the sufficiency of the signatures thereon. For the purpose of examining the signatures on such petitions, the auditor shall be permitted access to the voters’ registration books of each city and county located in the proposed district and may appoint the respective county auditors and city clerks thereof as his deputies. No person may withdraw his name from a petition after it has been filed with the auditor. Within thirty days following the receipt of such petition, the auditor shall transmit the same to the board of commissioners of the county in which the greater area of the proposed district is located, together with his certificate as to the sufficiency thereof. [1957 c 153 § 3.]
Petition method—Publication of petition and notice of meeting. Upon receipt of a duly certified petition, the board of commissioners shall cause the text of the petition to be published once a week for at least three consecutive weeks in one or more newspapers of general circulation within the county where the petition is presented and at each city a portion of which is included in the proposed district. If any portion of the proposed district lies in another county, the petition and notice shall be likewise published in that county.

Only one copy of the petition need be published even though the district embraces more than one unit. No more than five of the names attached to the petition need appear in the publication of the petition and notice, but the number of signers shall be stated.

With the publication of the petition there shall be published a notice of the time of the meeting of the county commissioners when the petition will be considered, stating that all persons interested may appear and be heard. [1957 c 153 § 4.]

Resolution method. Such districts may also be organized upon the adoption by the county commissioners of a resolution of intention so to do, in lieu of the procedure hereinbefore provided for the presentation of petitions. In the event the county commissioners adopt a resolution of intention, such resolution shall describe the boundaries of the proposed district and shall set a time and place at which they will consider the organization of the district, and shall state that all persons interested may appear and be heard. Such resolution of intention shall be published in the same manner and for the same length of time as a petition. [1957 c 153 § 5.]

Hearing—Defective petition—Establishment of boundaries. At the time stated in the notice of the filing of the petition or the time mentioned in the resolution of intention, the county commissioners shall consider the organization of the district and hear those appearing and all protests and objections to it. The commissioners may adjourn the hearing from time to time, not exceeding two months in all.

No defect in the contents of the petition or in the title to or form of the notice or signatures, or lack of signatures thereto, shall vitiate any proceedings if the petition has a sufficient number of qualified signatures.

On the final hearing the county commissioners shall make such changes in the proposed boundaries as are advisable, and shall define and establish the boundaries. [1957 c 153 § 6.]

Procedure to include other territory. If the county commissioners deem it proper to include any territory not proposed for inclusion within the proposed boundaries, they shall first cause notice of intention to do so to be mailed to each owner of land in the territory whose name appears as owner on the last completed assessment roll of the county in which the territory lies, addressed to the owner at his address given on the assessment roll, or if no address is given, to his last known address; or if it is not known, at the county seat of the county in which his land lies. The notice shall describe the territory and shall fix a time, not less than two weeks from the date of mailing, when all persons interested may appear before the county commissioners and be heard.

The boundaries of a district lying in a city shall not be altered unless the governing board of the city, by resolution, consents to the alteration. [1957 c 153 § 7.]

Determination of public necessity and compliance with chapter. Upon the hearing of the petition the county commissioners shall determine whether the public necessity or welfare of the proposed territory and of its inhabitants requires the formation of the district, and shall also determine whether the petition complies with the provisions of this chapter, and for that purpose shall hear all competent and relevant testimony offered. [1957 c 153 § 8.]

Declaration establishing and naming district—Election to form district—Establishment of district. If, from the testimony given before the county commissioners, it appears to that board that the public necessity or welfare requires the formation of the district, it shall, by an order entered on its minutes, declare that to be its finding, and shall further declare and order that the territory within the boundaries so fixed and determined be organized as a district, under an appropriate name to be selected by the county commissioners, subject to approval of the voters of the district as hereinafter provided. The name shall contain the words “mosquito control district.”

At the time of the declaration establishing and naming the district, the county commissioners shall by resolution call a special election to be held not less than thirty days and not more than sixty days from the date thereof, and shall cause to be published a notice of such election at least once a week for three consecutive weeks in a newspaper of general circulation in the county, setting forth the hours during which the polls will be open, the boundaries of the proposed district as finally adopted, and the object of the election. If any portion of the proposed district lies in another county, a notice of such election shall likewise be published in that county.

A. The Insurance Fund shall be administered by a Governing Board and Executive Committee as hereinafter provided. The actions of the Governing Board and Executive Committee pursuant to this compact shall be deemed the actions of the Insurance Fund.

B. The members of the Governing Board shall be entitled to one vote each on such Board. No action of the Governing Board shall be binding unless taken at a meeting at which a majority of the total number of votes on the Governing Board are cast in favor thereof. Action of the Governing Board shall be only at a meeting at which a majority of the members are present.

C. The Insurance Fund shall have a seal which may be employed as an official symbol and which may be affixed to documents and otherwise used as the Governing Board may provide.

D. The Governing Board shall elect annually, from among its members, a chairman, a vice chairman, a secretary and a treasurer. The chairman may not succeed himself. The Governing Board may appoint an executive director and fix his duties and his compensation, if any. Such executive director shall serve at the pleasure of the Governing Board. The Governing Board shall make provisions for the bonding of such of the officers and employees of the Insurance Fund as may be appropriate.

E. Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director, or if there be no executive director, the chairman, in accordance with such procedures as the bylaws may provide, shall appoint, remove or discharge such personnel as may be necessary for the performance of the functions of the Insurance Fund and shall fix the duties and compensation of such personnel. The Governing Board in its bylaws shall provide for the personnel policies and programs of the Insurance Fund.

F. The Insurance Fund may borrow, accept or contract for the services of personnel from any state, the United States, or any other governmental agency, or from any person, firm, association or corporation.

G. The Insurance Fund may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association or corporation, and may receive, utilize and dispose of the same. Any donation, gift or grant accepted by the Governing Board pursuant to this paragraph or services borrowed pursuant to paragraph (F) of this Article shall be reported in the annual report of the Insurance Fund. Such report shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender.

H. The Governing Board shall adopt bylaws for the conduct of the business of the Insurance Fund and shall have the power to amend and rescind these bylaws. The Insurance Fund shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto with the appropriate agency or officer in each of the party states.

I. The Insurance Fund annually shall make to the Governor and legislature of each party state a report covering its activities for the preceding year. The Insurance Fund may make such additional reports as it may deem desirable.

J. In addition to the powers and duties specifically authorized and imposed, the Insurance Fund may do such other things as are necessary and incidental to the conduct of its affairs pursuant to this compact.

ARTICLE V
COMPACT AND INSURANCE FUND ADMINISTRATION

A. In each party state there shall be a compact administrator, who shall be selected and serve in such manner as the laws of his state may provide, and who shall:

1. Assist in the coordination of activities pursuant to the compact in his state; and

2. Represent his state on the Governing Board of the Insurance Fund.
B. If the laws of the United States specifically so provide, or if administrative provision is made therefor within the Federal Government, the United States may be represented on the Governing Board of the Insurance Fund by not to exceed three representatives. Any such representative or representatives of the United States shall be appointed and serve in such manner as may be provided by or pursuant to federal law, but no such representative shall have a vote on the Governing Board or on the Executive Committee thereof.

C. The Governing Board shall meet at least once each year for the purpose of determining policies and procedures in the administration of the Insurance Fund and, consistent with the provisions of the compact, supervising and giving direction to the expenditure of moneys from the Insurance Fund. Additional meetings of the Governing Board shall be held on call of the chairman, the Executive Committee, or a majority of the membership of the Governing Board.

D. At such times as it may be meeting, the Governing Board shall pass upon applications for assistance from the Insurance Fund and authorize disbursements therefrom. When the Governing Board is not in session, the Executive Committee thereof shall act as agent of the Governing Board, with full authority to act for it in passing upon such applications.

E. The Executive Committee shall be composed of the chairman of the Governing Board and four additional members of the Governing Board chosen by it so that there shall be one member representing each of four geographic groupings of party states. The Governing Board shall make such geographic groupings. If there is representation of the United States on the Governing Board one such representative may meet with the Executive Committee. The chairman of the Governing Board shall be chairman of the Executive Committee. No action of the Executive Committee shall be binding unless taken at a meeting at which at least four members of such Committee are present and vote in favor thereof. Necessary expenses of each of the five members of the Executive Committee incurred in attending meetings of such Committee, when not held at the same time and place as a meeting of the Governing Board, shall be charges against the Insurance Fund.

**ARTICLE VI**

**ASSISTANCE AND REIMBURSEMENT**

A. Each party state pledges to each other party state that it will employ its best efforts to eradicate, or control within the strictest practicable limits, any and all pests. It is recognized that performance of this responsibility involves:

1. The maintenance of pest control and eradication activities of interstate significance by a party state at a level that would be reasonable for its own protection in the absence of this compact.

2. The meeting of emergency outbreaks or infestations of interstate significance to no less an extent than would have been done in the absence of this compact.

B. Whenever a party state is threatened by a pest not present within its borders but present within another party state, or whenever a party state is undertaking or engaged in activities for the control or eradication of a pest or pests, and finds that such activities are or would be impracticable or substantially more difficult of success by reason of failure of another party state to cope with infestation or threatened infestation, that state may request the Governing Board to authorize expenditures from the Insurance Fund for eradication or control measures to be taken by one or more of such other party states at a level sufficient to prevent, or to reduce to the greatest practicable extent, infestation or reinfestation of the requesting state. Upon such authorization the responding state or states shall take or increase such eradication or control measures as may be warranted. A responding state shall use moneys made available from the Insurance Fund expeditiously and efficiently to assist in affording the protection requested.

C. In order to apply for expenditures from the Insurance Fund, a requesting state shall submit the following in writing:

1. A detailed statement of the circumstances which occasion the request for the invoking of the compact.

2. Evidence that the pest on account of whose eradication or control assistance is requested constitutes a danger to an agricultural or forest crop, product, tree, shrub, grass or other plant having a substantial value to the requesting state.

3. A statement of the extent of the present and projected program of the requesting state and its subdivision, including full information as to the legal authority for the conduct of such program or programs and the expenditures being made or budgeted therefor, in connection with the eradication, control, or prevention of introduction of the pest concerned.

4. Proof that the expenditures being made or budgeted as detailed in item 3 do not constitute a reduction of the effort for the control or eradication of the pest concerned or, if there is a reduction, the reasons why the level of program detailed in item 3 constitutes a normal level of pest control activity.

5. A declaration as to whether, to the best of its knowledge and belief, the conditions which in its view occasion the invoking of the compact in the particular instance can be abated by a program undertaken with the aid of moneys from the Insurance Fund in one year or less, or whether the request is for an installment in a program which is likely to continue for a longer period of time.

6. Such other information as the Governing Board may require consistent with the provisions of this compact.
D. The Governing Board or Executive Committee shall give due notice of any meeting at which an application for assistance from the Insurance Fund is to be considered. Such notice shall be given to the compact administrator of each party state and to such other officers and agencies as may be designated by the laws of the party states. The requesting state and any other party state shall be entitled to be represented and present evidence and argument at such meeting.

E. Upon the submission as required by paragraph (C) of this Article and such other information as it may have or acquire, and upon determining that an expenditure of funds is within the purposes of this compact and justified thereby, the Governing Board or Executive Committee shall authorize support of the program. The Governing Board or the Executive Committee may meet at any time or place for the purpose of receiving and considering an application. Any and all determinations of the Governing Board or Executive Committee, with respect to an application, together with the reasons therefor shall be recorded and subscribed in such manner as to show and preserve the votes of the individual members thereof.

F. A requesting state which is dissatisfied with a determination of the Executive Committee shall upon notice in writing given within twenty days of the determination with which it is dissatisfied, be entitled to receive a review thereof at the next meeting of the Governing Board. Determinations of the Executive Committee shall be reviewable only by the Governing Board at one of its regular meetings, or at a special meeting held in such manner as the Governing Board may authorize.

G. Responding states required to undertake or increase measures pursuant to this compact may receive moneys from the Insurance Fund, either at the time or times when such state incurs expenditures on account of such measures, or as reimbursement for expenses incurred and chargeable to the Insurance Fund. The Governing Board shall adopt and, from time to time, may amend or revise procedures for submission of claims upon it and for payment thereof.

H. Before authorizing the expenditure of moneys from the Insurance Fund pursuant to an application of a requesting state, the Insurance Fund shall ascertain the extent and nature of any timely assistance or participation which may be available from the Federal Government and shall request the appropriate agency or agencies of the Federal Government for such assistance and participation.

I. The Insurance Fund may negotiate and execute a memorandum of understanding or other appropriate instrument defining the extent and degree of assistance or participation between and among the Insurance Fund, cooperating federal agencies, states and any other entities concerned.

ARTICLE VII

ADVISORY AND TECHNICAL COMMITTEES

The Governing Board may establish advisory and technical committees composed of state, local, and federal officials, and private persons to advise it with respect to any one or more of its functions. Any such advisory or technical committee, or any member or members thereof may meet with and participate in its deliberations. Upon request of the Governing Board or Executive Committee an advisory or technical committee may furnish information and recommendations with respect to any application for assistance from the Insurance Fund being considered by such Board or Committee and the Board or Committee may receive and consider the same: provided that any participant in a meeting of the Governing Board or Executive Committee held pursuant to Article VI(D) of the compact shall be entitled to know the substance of any such information and recommendations, at the time of the meeting if made prior thereto or as a part thereof or, if made thereafter, no later than the time at which the Governing Board or Executive Committee makes its disposition of the application.

ARTICLE VIII

RELATIONS WITH NONPARTY JURISDICTIONS

A. A party state may make application for assistance from the Insurance Fund in respect of a pest in a nonparty state. Such application shall be considered and disposed of by the Governing Board or Executive Committee in the same manner as an application with respect to a pest within a party state, except as provided in this Article.

B. At or in connection with any meeting of the Governing Board or Executive Committee held pursuant to Article VI(D) of this compact a nonparty state shall be entitled to appear, participate, and receive information only to such extent as the Governing Board or Executive Committee may provide. A nonparty state shall not be entitled to review of any determination made by the Executive Committee.

C. The Governing Board or Executive Committee shall authorize expenditures from the Insurance Fund to be made in a nonparty state only after determining that the conditions in such state and the value of such expenditures to the party states as a whole justify them. The Governing Board or Executive Committee may set any conditions which it deems appropriate with respect to the expenditure of moneys from the Insurance Fund in a nonparty state and may enter into such agreement or agreements with nonparty states and other jurisdictions or entities as it may deem necessary or appropriate to protect the interests of the Insurance Fund with respect to expenditures and activities outside of party states.

ARTICLE IX

FINANCE

A. The Insurance Fund shall submit to the executive head or designated officer or officers of each party
state a budget for the Insurance Fund for such period as may be required by the laws of that party state for presentation to the legislature thereof.

B. Each of the budgets shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The requests for appropriations shall be apportioned among the party states as follows: one-tenth of the total budget in equal shares and the remainder in proportion to the value of agricultural and forest crops and products, excluding animals and animal products, produced in each party state. In determining the value of such crops and products the Insurance Fund may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the budgets and requests for appropriations shall indicate the source or sources used in obtaining information concerning value of products.

C. The financial assets of the Insurance Fund shall be maintained in two accounts to be designated respectively as the “Operating Account” and the “Claims Account”. The Operating Account shall consist only of those assets necessary for the administration of the Insurance Fund during the next ensuing two-year period. The Claims Account shall contain all moneys not included in the Operating Account and shall not exceed the amount reasonably estimated to be sufficient to pay all legitimate claims on the Insurance Fund for a period of three years. At any time when the Claims Account has reached its maximum limit or would reach its maximum limit by the addition of moneys requested for appropriation by the party states, the Governing Board shall reduce its budget requests on a pro rata basis in such manner as to keep the Claims Account within such maximum limit. Any moneys in the Claims Account by virtue of conditional donations, grants or gifts shall be included in calculations made pursuant to this paragraph only to the extent that such moneys are available to meet demands arising out of claims.

D. The Insurance Fund shall not pledge the credit of any party state. The Insurance Fund may meet any of its obligations in whole or in part with moneys available to it under Article IV(G) of this compact, provided that the Governing Board takes specific action setting aside such moneys prior to incurring any obligation to be met in whole or in part in such manner. Except where the Insurance Fund makes use of moneys available to it under Article IV(G) hereof, the Insurance Fund shall not incur any obligation prior to the allotment of moneys by the party states adequate to meet the same.

E. The Insurance Fund shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Insurance Fund shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Insurance Fund shall be audited yearly by a certified or licensed public accountant and a report of the audit shall be included in and become part of the annual report of the Insurance Fund.

F. The accounts of the Insurance Fund shall be open at any reasonable time for inspection by duly authorized officers of the party states and by any persons authorized by the Insurance Fund.

ARTICLE X
ENTRY INTO FORCE AND WITHDRAWAL

A. This compact shall enter into force when enacted into law by any five or more states: provided, that one such state is contiguous to this state and the legislature has appropriated the necessary funds. Thereafter, this compact shall become effective as to any other state upon its enactment thereof.

B. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until two years after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

ARTICLE XI
CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating herein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters. [1969 ex.s. c 130 § 1.]

17.34.020 Cooperation with insurance fund authorized. Consistent with law and within available appropriations, the departments, agencies and officers of this state may cooperate with the insurance fund established by the Pest Control Compact. [1969 ex.s. c 130 § 2.]

17.34.040 Compact administrator. The compact administrator for this state shall be the director of agriculture. The duties of the compact administrator shall be deemed a regular part of his office. [1969 ex.s. c 130 § 4.]
17.34.050 Requests or applications for assistance from insurance fund. Within the meaning of Article VI(B) or VIII(A), a request or application for assistance from the insurance fund may be made by the director of agriculture whenever in his judgment the conditions qualifying this state for such assistance exist and it would be in the best interest of this state to make such request. [1969 ex.s. c 130 § 5.]

17.34.060 Agency incurring expenses to be credited with payments to this state. The department, agency, or officer expending or becoming liable for an expenditure on account of a control or eradication program undertaken or intensified pursuant to the compact shall have credited to his account in the state treasury the amount or amounts of any payments made to this state to defray the cost of such program, or any part thereof, or as reimbursement thereof. [1969 ex.s. c 130 § 6.]

17.34.070 "Executive head" defined. As used in the compact, with reference to this state, the term "executive head" shall mean the director of agriculture. [1969 ex.s. c 130 § 7.]
