(1) The department shall administer, enforce and carry out the provisions of this chapter and may adopt rules necessary to carry out its purpose. In adopting such rules, the director shall consider (a) the official definitions of feed ingredients and official feed terms adopted by the association of American feed control officials and published in the official publication of that organization; and (b) any regulation adopted pursuant to the authority of the federal food, drug, and cosmetic act (21 U.S.C. Sec. 301, et seq.), if the department would have the authority under this chapter to adopt the regulations. The adoption of rules shall be subject to a public hearing and all other applicable provisions of chapter 34.05 RCW (Administrative Procedure Act).

(2) The director when adopting rules in respect to the feed industry shall consult with affected parties, such as manufacturers and distributors of commercial feed and any final rule adopted shall be designed to promote orderly marketing and shall be reasonable and necessary and based upon the requirements and condition of the industry and shall be for the purpose of promoting the well-being of the members of the feed industry as well as the well-being of the purchasers and users of feed and for the general welfare of the people of the state. [1995 c 374 § 34; 1965 ex.s. c 31 § 3.]

15.53.9013 Commercial feed license—Required—Exemptions—Application—Fees—Renewal—Denial or revocation for noncompliance—Violation—Penalty—Rules. (1) Beginning January 1, 1996, a person who manufactures a commercial feed, is an initial distributor of a commercial feed, or whose name appears as the responsible party on a commercial feed label to be distributed in or into this state shall first obtain from the department a commercial feed license for each facility. Sale of food processing byproducts from fruit, vegetable, or potato processing plants, freezing or dehydrating facilities, or juice or jelly preserving plants, bona fide experimental feed on which accurate records and experimental programs are maintained, and pet food and specialty pet food are exempt from the requirement of a commercial feed license. The sale of byproducts or products of sugar refineries are not exempt from the requirement of a commercial feed license.

(2) Application for a commercial feed license shall be made annually on forms provided by the department and shall be accompanied by a fee of fifty dollars, except that for the period beginning January 1, 1996, and ending June 30, 1996, the fee shall be twenty-five dollars. The commercial feed license shall expire on June 30th of each year.

(3) An application for license shall include the following:

(a) The name and address of the applicant;

(b) Other information required by the department by rule.

(4) After January 1, 1996, application for license renewal is due July 1st of each year. If an application for license renewal provided for in this section is not filed with the department prior to July 15th, a delinquency fee of fifty dollars shall be assessed and added to the original fee and must be paid by the applicant before the renewal license is issued. The assessment of the delinquency fee shall not prevent the department from taking other action as provided for in this chapter. The penalty does not apply if the applicant furnishes an affidavit that he or she has not distributed a commercial feed subsequent to the expiration of his or her prior license.

(5) The department may deny a license application if the applicant is not in compliance with this chapter or applicable rules, and may revoke a license if the licensee is not in compliance with this chapter or applicable rules. Prior to denial or revocation of a license, the department shall provide notice and an opportunity to correct deficiencies. If an applicant or licensee fails to correct the deficiency, the department shall deny or revoke the license. If aggrieved by the decision, the applicant or licensee may request a hearing as authorized under chapter 34.05 RCW.

(6) Notwithstanding the payment of a delinquency fee, it is a violation to distribute a commercial feed by an unlicensed person, and nothing in this chapter shall prevent the department from imposing a penalty authorized by this chapter for the violation.
(7) The department may under conditions specified by rule, request copies of labels and labeling in order to determine compliance with the provisions of this chapter. [1995 c 374 § 35.]

15.53.9014 Registration of pet food and specialty pet food—Exemption—Application—Renewal—Fees—Refusal or cancellation for noncompliance—Violation—Penalty. (1) Each pet food and specialty pet food shall be registered with the department and such registration shall be renewed annually before such commercial feed may be distributed in this state.

(2) The application for registration of pet food and specialty pet food shall be on forms provided by the department and shall be accompanied by the fees in subsection (3) of this section. Registrations expire on June 30th of each year.

(3) Pet food and specialty pet food registration fees are as follows:
   (a) Each pet food and specialty pet food distributed in packages of ten pounds or more shall be accompanied by a fee of eleven dollars, except that for the period beginning January 1, 1996, and ending June 30, 1996, the fee shall be five dollars and fifty cents. If such commercial feed is also distributed in packages of less than ten pounds it shall be registered under (b) of this subsection.
   (b) Each pet food and specialty pet food distributed in packages of less than ten pounds shall be accompanied by a fee of forty-five dollars, except that for the period beginning January 1, 1996, and ending June 30, 1996, the fee shall be twenty-two dollars and fifty cents. No inspection fee may be collected on pet food and specialty pet food distributed in packages of less than ten pounds.

(4) The department may require that the application for registration of pet food and specialty pet food be accompanied by a label and/or other printed matter describing the product.

(5) A distributor shall not be required to register a pet food or specialty pet food that is already registered under the provisions of this chapter, as long as it is distributed with the original label.

(6) Changes in the guarantee of either chemical or ingredient composition of a pet food or specialty pet food registered under the provisions of this chapter may be permitted if there is satisfactory evidence that such changes would not result in a lowering of the feed value of the product for the purpose for which it was designed.

(7) The department is authorized to refuse registration of any application not in compliance with the provisions of this chapter and any rule adopted under this chapter and to cancel any registration subsequently found to be not in compliance with any provisions of this chapter and any rule adopted under this chapter. Prior to refusal or cancellation of a registration, the applicant or registrant of an existing registered pet food or specialty pet food shall be notified of the reasons and given an opportunity to amend the application to comply. If the applicant does not make the necessary corrections, the department shall refuse to register the feed. The applicant or registrant of an existing registered pet food or specialty pet food may request a hearing as provided for in chapter 34.05 RCW.

(8) After January 1, 1996, application for renewal of registration is due July 1st of each year. If an application for renewal of the registration provided for in this section is not filed prior to July 15th of any one year, a penalty of ten dollars per product shall be assessed and added to the original fee and shall be paid by the applicant before the renewal registration may be issued, unless the applicant furnishes an affidavit that he has not distributed this feed subsequent to the expiration of his or her prior registration.

(9) It is a violation of this chapter to distribute an unregistered pet food or specialty pet food. Payment of a delinquency fee shall not prevent the department from imposing a penalty authorized by this chapter for the violation. [1995 c 374 § 36; 1993 sp.s. c 19 § 2; 1982 c 177 § 2; 1975 1st ex.s. c 257 § 4; 1965 ex.s. c 31 § 4.]

   (c) The common or usual name of each ingredient used in the manufacture of the commercial feed, except as the department may, by regulation, permit the use of a collective term for a group of ingredients all of which perform the same function. These records must be kept on file for one year after the last sale. This information shall be made available to the purchaser, the dealer making the sale, and the department on request.

(5) Each person made responsible by this chapter for the payment of inspection fees for commercial feed sold during the six calendar months immediately preceding the date the report is due. The proper inspection fee shall be remitted with the report. The person required to file the report and pay the fee shall have a thirty-day period of grace immediately following the day the report and payment are due to file the report, and pay the fee. Upon permission of the department, an annual statement under oath may be filed by any person distributing within the state less than one hundred tons for each six-month period during any year, and upon filing such statement such person shall pay the inspection fee at the rate provided for in subsection (1) of this section. (9) Any person responsible for reporting tonnage or paying inspection fees who fails to do so before the thirty-first day following the last day of each reporting period, shall pay a penalty equal to fifteen percent of the inspection fee due or fifty dollars, whichever is greater. The penalty, together with any delinquent inspection fee is due before the forty-first day following the last day of each reporting period. The department may cancel registration of a registrant or may revoke a license of a licensee who fails to pay the penalty and delinquent inspection fees within that time period. The applicant or licensee may request a hearing as authorized under chapter 34.05 RCW.

(10) The report required by subsection (5) of this section shall not be a public record, and it is a misdemeanor for any person to divulge any information given in such report which would reveal the business operation of the person making the report: PROVIDED, That nothing contained in this subsection shall be construed to prevent or make unlawful the use of information concerning the business operation of a person if any action, suit, or proceeding instituted under the authority of this chapter, including any civil action for collection of unpaid inspection fees, which action is hereby authorized and which shall be as an action at law in the name of the director of the department.

(5) Each person made responsible by this chapter for the payment of inspection fees for commercial feed sold in this state shall file a report with the department on January 1st and July 1st of each year showing the number of tons of such commercial feed sold during the six calendar months immediately preceding the date the report is due. In adopting such rules, the department shall adopt the current good manufacturing practice regulations for type A medicated articles and type B and type C medicated feeds established under authority of the federal food, drug, and cosmetic act, unless the department determines that they are not appropriate to the conditions that exist in this state; or

the claimant an opportunity to apply to the court for release of
the commercial feed or for permission to process or relabel

If the application and appropriate labels are in proper form and contain the required information, the particular commercial fertilizer products shall be registered by the department and a certificate of registration shall be issued to the applicant.

(2) In reviewing the commercial fertilizer product registration application, the department may consider experimental data, manufacturers' evaluations, data from agricultural experiment stations, product review evaluations, or other authoritative sources to substantiate labeling claims. The data shall be from statistically designed and analyzed trials representative of the soil, crops, and climatic conditions found in the northwestern area of the United States.

(3) In determining whether approval of a labeling statement or guarantee of an ingredient is appropriate, the department may require the submission of a written statement describing the methodology of laboratory analysis utilized, the source of the ingredient material, and any reference material relied upon to support the label statement or guarantee of ingredient.

(4) Before registering a waste-derived fertilizer or micronutrient fertilizer, the department shall obtain written approval from the department of ecology as provided in RCW 15.54.820. Once a waste-derived fertilizer or micronutrient fertilizer has been approved by the department of ecology, its subsequent use in another product during that registration cycle shall not require department of ecology review. (2) Distribution of commercial fertilizers for shipment to points outside this state may be excluded.

(3) When more than one distributor is involved in the distribution of a commercial fertilizer, the last registrant or licensee who distributes to a nonregistrant or nonlicensee is responsible for paying the inspection fee, unless the payment of fees has been made by a prior distributor of the fertilizer. [1993 c 183 § 6; 1987 c 45 § 13; 1981 c 297 § 18; 1975 1st ex.s. c 257 § 9; 1967 ex.s. c 22 § 23.]

**15.54.362 Reports—Inspection fees—Confidentiality, exception.** (1) Every registrant or licensee who distributes commercial fertilizer in this state shall file a semiannual report on forms provided by the department setting forth the number of net tons of each commercial fertilizer so distributed in this state. The reports will cover the following periods: January 1 through June 30 and July 1 through December 31 of each year. Upon permission of the department, an annual statement under oath may be filed for the annual reporting period of July 1 through June 30 of any year by any person distributing within the state less than one hundred tons for each six-month period during any calendar year, and upon filing such statement, such person shall pay the inspection fee required under RCW 15.54.350. The department may accept sales records or other records accurately reflecting the tonnage sold and verifying such reports.

(2) Each person responsible for the payment of inspection fees for commercial fertilizer distributed in this state shall include the inspection fees with the report on the same dates and for the same reporting periods mentioned in subsection (1) of this section. If in one year a registrant or licensee distributes less than eighty-three tons of commercial fertilizer or less than one hundred sixty-seven tons of commercial lime or equivalent combination of the two, the registrant or licensee shall pay the minimum inspection fee. The minimum inspection fee shall be twenty-five dollars per year.

Construction—Severability—1987 c 45: See notes following RCW 15.54.270.

**15.54.370 Official samples—Inspection, analysis, testing—Right of entry.** (1) It shall be the duty of the department to inspect, sample, make analysis of, and test commercial fertilizers distributed within this state at such time and place and to such an extent as it may deem necessary to determine whether such fertilizers are in compliance with the provisions of this chapter. The department is authorized to stop any commercial vehicle transporting fertilizers on the public highways and direct it to the nearest scales approved by the department to check weights of fertilizers being delivered. The department is also authorized, upon presentation of proper identification, to enter any distributor’s premises, including any vehicle of transport, at all reasonable times in order to have access to commercial fertilizers and to records relating to their distribution.

(2) The methods of sampling and analysis shall be those adopted by the department from officially recognized sources.

(3) The department, in determining for administrative purposes whether a fertilizer is deficient in any component or total nutrients, shall be guided solely by the official sample as defined in RCW 15.54.270 and obtained and analyzed as provided for in this section.

(4) When the inspection and analysis of an official sample has been made, the results of analysis shall be forwarded by the department to the registrant or licensee and to the purchaser, if known. Upon request and within thirty days, the
department shall furnish to the registrant or licensee a portion of the sample concerned.

15.54.380 Penalties for deficiencies upon analysis of commercial fertilizers—Appeal—Disposition of penalties. (1) If the analysis shall show that any commercial fertilizer falls short of the guaranteed analysis in any one plant nutrient or in total nutrients, penalty shall be assessed in favor of the department in accordance with the following provisions:

(a) A penalty of three times the commercial value of the deficiency, if such deficiency in any one plant nutrient is more than two percent under guarantee on any one commercial fertilizer in which that plant nutrient is guaranteed up to and including ten percent; a penalty of three times the commercial value of the deficiency, if such deficiency in any one plant nutrient is more than three percent under guarantee on any one commercial fertilizer in which that plant nutrient is guaranteed from ten and one-tenth percent to twenty percent; a penalty of three times the commercial value of the deficiency, if such deficiency in any one plant nutrient is more than four percent under guarantee on any one commercial fertilizer in which that plant nutrient is guaranteed twenty and one-tenth percent and above.

(b) A penalty of three times the commercial value of the total nutrient deficiency shall be assessed when such deficiency is more than two percent under the calculated total nutrient guarantee.

(c) When a commercial fertilizer is subject to penalty under both (a) and (b) of this subsection, only the larger penalty shall be assessed.

(2) All penalties assessed under this section on any one commercial fertilizer, represented by the sample analyzed, shall be paid to the department within three months after the date of notice from the department to the registrant or licensee. The department shall deposit the amount of the penalty into an account with the agricultural local fund.

(3) Nothing contained in this section shall prevent any person from appealing to a court of competent jurisdiction for a judgment as to the justification of such penalties imposed under subsections (1) and (2) of this section.

(4) The civil penalties payable in subsections (1) and (2) of this section shall in no manner be construed as limiting the consumer's right to bring a civil action in damage against the registrant or licensee paying said civil penalties. [1998 c 36 § 7; 1993 c 183 § 9; 1987 c 45 § 17; 1967 ex.s. c 22 § 26.]

15.54.390 Determination and publication of commercial values—Use in assessment of penalty payments. For the purpose of determining the commercial value to be applied under the provisions of RCW 15.54.380, the department shall determine and publish the values per unit of nitrogen, available phosphoric acid, and soluble potash in commercial fertilizers in this state. The values so determined and published shall be used in determining and assessing penalty payments and shall be established by rule. [1987 c 45 § 18; 1967 ex.s. c 22 § 27.]

Construction—Severability—1987 c 45: See notes following RCW 15.54.270.

Specialty fertilizers, except manipulated animal and vegetable manures, guaranteeing less than five percent total plant food shall contain on the label specific directions for use, and prior to registration, the department may require proof of the efficacy of the product when used as directed. [1987 c 45 § 19; 1967 ex.s. c 22 § 28.]

(1) Commercial fertilizers that are not registered in Washington state or that fail to meet the Washington standards for total metals pose an emergency situation because they may contain certain metals at levels which are harmful to Washington soils and plants and may contain substances which are harmful to the public without its knowledge. Commercial fertilizers that are not registered or that fail to meet the Washington standards for total metals are subject to immediate stop sale, stop use, or withdrawal from distribution in this state and seizure, disposal, or both.

(2) The department may issue and enforce a written "stop sale," "stop use," or "withdrawal from distribution" order to the distributor, owner, or custodian of any lot of commercial fertilizer to hold the commercial fertilizer at a designated place when the department has reasonable cause to believe such fertilizer is being offered or exposed for sale in violation of any of the provisions of this chapter.

(3) The department may issue and enforce a written immediate "stop sale," "stop use," or "withdrawal from distribution" order to any distributor, owner, or custodian of commercial fertilizer in the state for any commercial fertilizer that:

(a) Is not registered in Washington state; or

(b) According to the department, fails to meet the Washington standards for total metals, as established in RCW 15.54.800 or the rules adopted under this chapter.

(4) The department shall release the commercial fertilizer stopped or withdrawn under subsection (2) or (3) of this section when the distributor, owner, or custodian has complied with the provisions of this chapter and the rules adopted under it and the department has issued a written release order. (3) In the event the court finds, upon application by the department under subsection (1) or (2) of this section, that a commercial fertilizer violates this chapter or the rules adopted under it and orders the condemnation of the commercial fertilizer, the commercial fertilizer shall be disposed of in any manner consistent with the quality of the commercial fertilizer and the laws of the state: PROVIDED, That in no instance shall the disposition of the commercial fertilizer be ordered by the court without first giving the claimant an opportunity to apply to the court for release of the commercial fertilizer or for permission to process or relabel the commercial fertilizer to bring it into compliance with this chapter and the rules adopted under it.

(4) All costs associated with disposal are the responsibility of the distributor, owner, or custodian of the commercial fertilizer unless such a distributor, owner, or custodian is the consumer or is a person whose role as a distributor, owner, or custodian of the fertilizer is only that of a transporter of the fertilizer. Such disposal costs shall not be the responsibility of the consumer or such a transporter of the commercial fertilizer. [1999 c 383 § 4; 1967 ex.s. c 22 § 33.]

(2) The director is authorized to adopt appropriate rules for carrying out the purpose and provisions of this chapter, including but not limited to rules providing for:

(a) Declaring as a pest any form of plant or animal life or virus which is injurious to plants, people, animals (domestic or otherwise), land, articles, or substances;

(b) Determining that certain pesticides are highly toxic to people. For the purpose of this chapter, highly toxic pesticide means any pesticide that conforms to the criteria in 40 C.F.R. Sec. 156.10 for toxicity category I due to oral inhalation or dermal toxicity. The director shall publish a list of all pesticides, determined to be highly toxic, by their common or generic name and their trade or brand name if practical. Such list shall be kept current and shall, upon request, be made available to any interested party;

(c) Determining standards for denaturing pesticides by color, taste, odor, or form;

(e) The safe handling, transportation, storage, display, distribution, and disposal of pesticides and their containers;

(f) Restricting or prohibiting the use of certain types of containers or packages for specific pesticides. Every pesticide which is distributed within this state or delivered for transportation or transported in intrastate commerce or between points within this state through any point outside this state shall be registered with the director subject to the provisions of this chapter. However, registration is not required if: A pesticide is shipped from one plant or warehouse to another plant or warehouse operated by the same person and used solely at such plant or warehouse as a constituent part to make a pesticide which is registered under the provisions of this chapter; or a written permit has been obtained from the director to distribute or use the specific pesticide for experimental purposes subject to restrictions and conditions set forth in the permit. [2002 c 274 § 1; 1989 c 380 § 3; 1971 ex.s. c 190 § 5.]

(b) Submit such marked material separately from other material required to be submitted under this chapter.
(2) Notwithstanding any other provision of this chapter or other law, the director shall not make public information which in the director's judgment should be privileged or confidential because it contains or relates to trade secrets or commercial or financial information except that, when necessary to carry out the provisions of this chapter, information relating to unpublished formulas of products acquired by authorization of this chapter may be revealed to any state or federal agency consulted and may be revealed at a public hearing or in findings of fact issued by the director when necessary under this chapter.
(3) If the director proposes to release for inspection information which the applicant or registrant believes to be protected from disclosure under subsection (2) of this section, the director shall notify the applicant or registrant in writing, by certified mail. The director shall not thereafter make available for inspection such data until thirty days after receipt of the notice by the applicant or registrant. During this period, the applicant or registrant may institute an action in the superior court of Thurston county for a declaratory judgment as to whether such information is subject to protection under subsection (2) of this section. [1989 c 380 § 5; 1979 c 146 § 4.]
15.58.080 Additional fee for late registration renewal. If the renewal of a pesticide registration or special needs registration is not filed by the day the registration expires, an additional fee of fifty dollars shall be assessed and added to the original fee. The additional fee shall be paid by the applicant before the registration renewal for that pesticide shall be issued unless the applicant furnishes an affidavit certifying that the applicant did not distribute the unregistered pesticide during the period of nonregistration. The payment of the additional fee is not a bar to any prosecution for doing business without proper registry. [2002 c 274 § 4; 1994 c 46 § 2; 1989 c 380 § 7; 1983 c 95 § 3; 1971 ex.s. c 190 § 8.]

   (a) Its composition is such as to warrant the proposed claims for it;
   (b) Its labeling and other material required to be submitted comply with the requirements of this chapter;
   (c) It will perform its intended function without unreasonable adverse effects on the environment;
   (d) When used in accordance with widespread and commonly recognized practice it will not generally cause unreasonable adverse effects on the environment;

      (i) The proposed classification for general use, for restricted use, or for both is in conformity with section 3(d) of FIFRA;
      (ii) A special local need exists.
   (2) The director shall not make any lack of essentiality a criterion for denying registration of any pesticide. [1979 c 146 § 2; 1971 ex.s. c 190 § 10.]

15.58.110 Refusing or canceling registration—Procedure. (1) If it does not appear to the director that the pesticide is such as to warrant the proposed claims for it or if the pesticide and its labeling and other material required to be submitted do not comply with the provisions of this chapter or rules adopted under this chapter, the registrant shall be notified of the manner in which the pesticide, labeling, or other material required to be submitted fails to comply with the provisions of this chapter so as to afford the applicant an opportunity to make the necessary corrections. If, upon receipt of such notice, the applicant does not make the corrections the director shall refuse to register the pesticide. The applicant may request a hearing as provided for in chapter 34.05 RCW.

   (2) The director may, when the director determines that a pesticide or its labeling does not comply with the provisions of this chapter or the rules adopted under this chapter, cancel the registration of a pesticide after a hearing in accordance with the provisions of chapter 34.05 RCW. [1989 c 380 § 8; 1971 ex.s. c 190 § 11.]

   (2) To any pesticide:
      (a) If it is an imitation of or is offered for sale under the name of another pesticide;
      (b) If its labeling bears any reference to registration under the provision of this chapter unless such reference be required by rules under this chapter;
      (c) If any word, statement, or other information, required by this chapter or rules adopted under this chapter to appear on the label or labeling, is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or graphic matter in the labeling), and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use;
      (d) If the label does not bear:
         (i) The name and address of the manufacturer, registrant or person for whom manufactured;
         (ii) Name, brand or trademark under which the pesticide is sold;
         (iii) An ingredient statement on that part of the immediate container and on the outside container or wrapper, if there be one, through which the ingredient statement on the immediate container cannot be clearly read, of the retail package which is presented or displayed under customary conditions of purchase: PROVIDED, That the director may permit the ingredient statement to appear prominently on some other part of the container, if the size or form of the container makes it impracticable to place it on the part of the retail package which is presented or displayed under customary conditions of purchase;
      (iv) Directions for use and a warning or caution statement which are necessary and which if complied with would be adequate to protect the public and to prevent injury to the public, including living people, useful vertebrate animals, useful vegetation, useful invertebrate animals, wildlife, and land; and
(v) The weight or measure of the content, subject to the provisions of chapter 19.94 RCW (state weights and measures act) as enacted or hereafter amended.

(c) Any pesticide unless it is in the registrant's or the manufacturer's unbroken immediate container and there is affixed to such container, and to the outside container or wrapper of the retail package, if there is one through which the required information on the immediate container cannot be clearly read, a label bearing the information required in this chapter and the rules adopted under this chapter;

(d) Any pesticide including arsenicals, fluorides, fluorosilicates, and/or any other white powdered pesticides unless they have been distinctly denatured as to color, taste, odor, or form if so required by rule;

(e) Any pesticide which is adulterated or misbranded, or any device which is misbranded;

(f) Any pesticide in containers, violating rules adopted pursuant to RCW 15.58.040(2)(f) or pesticides found in containers which are unsafe due to damage.

(2) It shall be unlawful:

(a) To sell or deliver any pesticide to any person who is required by law or rules promulgated under such law to be certified, licensed, or have a permit to use or purchase the pesticide unless such person or the person's agent, to whom sale or delivery is made, has a valid certification, license, or permit to use or purchase the kind and quantity of such pesticide sold or delivered: PROVIDED, That, subject to conditions established by the director, such permit may be obtained immediately prior to sale or delivery from any person designated by the director;

(b) For any person to detach, alter, deface or destroy, wholly or in part, any label or labeling provided for in this chapter or rules adopted under this chapter, or to add any substance to, or take any substance from, a pesticide in a manner that may defeat the purpose of this chapter or the rules adopted thereunder;

(c) For any person to use or cause to be used any pesticide contrary to label directions or to regulations of the director if those regulations differ from or further restrict the label directions: PROVIDED, The compliance to the term "contrary to label directions" is enforced by the director consistent with the intent of this chapter;

(d) For any person to use for his or her own advantage or to reveal, other than to the director or proper officials or employees of the state, or to the courts of the state in response to a subpoena, or to physicians, or in emergencies to pharmacists and other qualified persons for use in the preparation of antidotes, any information relative to formulas of products acquired by authority of RCW 15.58.060;

(f) For any person to make false, misleading, or erroneous statements or reports in connection with any pesticide complaint or investigation;

(g) For any person to act as, or advertise that they perform the services of, a structural pest inspector without having a license to act as a structural pest inspector;

(h) For a business to conduct one or more complete wood destroying organism inspections without first having obtained a structural pest inspection company license from the department. [2003 c 212 § 3; 2000 c 96 § 6; 1991 c 264 § 3; 1989 c 380 § 11; 1987 c 45 § 25; 1979 c 146 § 3; 1971 ex.s. c 190 § 15.]

Construction—Severability—1987 c 45: See notes following RCW 15.54.270.

15.58.160 Violations of chapter—"Stop sale, use or removal" order. When the director has reasonable cause to believe a pesticide or device is being distributed, stored, or transported in violation of any of the provisions of this chapter, or of any of the prescribed rules under this chapter, the director may issue and serve a written "stop sale, use or removal" order upon the owner or custodian of any such pesticide or device. If the owner or custodian is not available for service of the order, the director may attach the order to the pesticide or device. The pesticide or device shall not be sold, used or removed until the provisions of this chapter have been complied with and the pesticide or device has been released in writing under conditions specified by the director,
or the violation has been otherwise disposed of as provided in this chapter by a court of competent jurisdiction. [1989 c 380 § 12; 1971 ex.s. c 190 § 16.]

(1) After service of a "stop sale, use or removal" order is made upon any person, either that person or the director may file an action in a court of competent jurisdiction in the county in which a violation of this chapter or rules adopted under this chapter is alleged to have occurred for an adjudication of the alleged violation. The court in such action may issue temporary or permanent injunctions mandatory or restraining, and such intermediate orders as it deems necessary or advisable. The court may order condemnation of any pesticide or device which does not meet the requirements of this chapter or rules adopted under this chapter: PROVIDED, That no authority is granted hereunder to affect the sale or use of products on which legally approved pesticides have been legally used.

(2) If the pesticide or device is condemned, it shall, after entry of decree, be disposed of by destruction or sale as the court directs, and the proceeds, if such pesticide or device is sold, less cost including legal costs, shall be paid to the state treasury: PROVIDED, That the pesticide or device shall not be sold contrary to the provisions of this chapter or rules adopted under this chapter. Upon payment of costs and execution and delivery of a good and sufficient bond conditioned that the pesticide or device shall not be disposed of unlawfully, the court may direct that the pesticide or device be delivered to the owner thereof for relabeling or reprocessing as the case may be.

(3) When a decree of condemnation is entered against the pesticide, court costs, fees, and storage and other proper expenses shall be awarded against the person, if any, appearing as claimant of the pesticide. [1997 c 242 § 3; 1989 c 380 § 13; 1971 ex.s. c 190 § 17.]

The application shall further state the principal business address of the applicant in the state and elsewhere, the name of a person domiciled in this state authorized to receive and accept service of summons of legal notices of all kinds for the applicant, and any other necessary information prescribed by the director.

(3) It is unlawful for any licensed dealer outlet to operate without a pesticide dealer manager who has a license of qualification. The department shall be notified forthwith of any change in the pesticide dealer manager designee during the licensing period.

(4) This section does not apply to (a) a licensed pesticide applicator who sells pesticides only as an integral part of the applicator's pesticide application service when such pesticides are dispensed only through apparatuses used for such pesticide application, or (b) any federal, state, county, or municipal agency that provides pesticides only for its own programs.

(5) A user of a pesticide may distribute a properly labeled pesticide to another user who is legally entitled to use that pesticide without obtaining a pesticide dealer's license if the exclusive purpose of distributing the pesticide is keeping it from becoming a hazardous waste as defined in chapter 70.105 RCW. [1997 c 242 § 4; 1989 c 380 § 14; 1983 c 95 § 4; 1982 c 182 § 27; 1971 ex.s. c 190 § 18.]

The insurance policy shall be maintained at not less than the required sum at all times during the licensed period. The insurance policy shall provide coverage for errors and omissions in an inspection conducted during the term of the policy. However, the policy may limit the insurer’s liability on the policy in effect at the time of the inspection to two years from the date of the inspection.

(b) Surety Bond. The amount of the surety bond required by RCW 15.58.460(2)(b) shall not be less than twenty-five thousand dollars. The surety bond shall be maintained at not less than the required sum at all times during the licensed period. Any person having a claim against the structural pest inspector for legal damages as a result of the actions of the structural pest inspector may bring suit upon the bond in the court of the county in which the inspection took place or of the county in which jurisdiction of the structural pest inspector may be had. The surety issuing the bond shall be named as a party to any suit upon the bond. The suit upon the bond must be commenced within two years of the date of the inspection.

(c) Surety Bond and Errors and Omissions Insurance. The amount of the surety bond required by RCW 15.58.460(2)(c) shall not be less than twelve thousand five hundred dollars. Except as to the amount of the bond, the terms of the bond shall be identical to those set forth in (b) of this subsection. The amount of the errors and omissions insurance policy required by RCW 15.58.460(2)(c) shall not be less than twenty-five thousand dollars. The insurance policy shall be maintained at not less than the required sum at all times during the licensed period. The insurance policy shall provide coverage for errors and omissions in an inspection conducted during the term of the policy.

(d) Assigned Account. The amount of the assigned account required by RCW 15.58.460(2)(d) shall not be less than twenty-five thousand dollars. The assigned account shall be held by the department to satisfy any execution on a judgment issued against the inspector for legal damages...
resulting from errors and omissions in the conduct of an inspection, according to the provisions of the assigned account agreement. The department has no liability for payment in excess of the amount of the assigned account.

(i) The assigned account agreement filed with the director as evidence of financial responsibility shall be canceled at the expiration of two years after the inspector's license has expired or been revoked, or at the expiration of two years after the inspector has furnished another form of evidence of financial responsibility required by RCW 15.58.460, unless legal action has been instituted against the inspector prior to the expiration of the two-year period and the director has been provided written notice of the same by the claimant. In such a case the director shall not cancel the assigned account agreement until the director either receives a copy of the order dismissing the action by registered or certified mail, or has received a copy of the unsatisfied judgment and has complied with the requirements of (d)(ii) of this subsection.

(ii) Any person having an unsatisfied final judgment against the inspector for legal damages awarded based on errors and omissions in the conduct of an inspection may execute upon the funds in the assigned account by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the department within one year of the date of entry of such judgment. Upon the receipt of service of such certified copy the department shall direct the financial institution to pay from the assigned account, through the registry of the court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment from the assigned account shall be the order of receipt of the final judgment by the department.

(2) Nothing in subsection (1) of this section that limits the time period in which a suit must be commenced on a surety bond or in which a claim must be made on a policy effects the statute of limitations applicable to any claim any person may have against the structural pest inspector or company.

(3) The director may only accept a surety bond or insurance policy as evidence of financial responsibility if the bond or policy is issued by an insurer authorized to do business in this state. The director shall be notified ten days before any reduction of insurance coverage at the request of the applicant or cancellation of the surety bond or insurance by the surety or insurer and by the insured.

(4) The total and aggregate of the surety and insurer for all claims is limited to the face of the surety bond or insurance policy. The director may accept a surety bond or insurance policy in the proper sum that has a deductible clause in an amount not exceeding five thousand dollars for the total amount of surety bond or insurance required by this section. If the applicant has not satisfied the requirement of the deductible amount in any prior legal claim the deductible clause may not be accepted by the director unless the applicant furnishes the director with a surety bond or insurance policy which satisfies the amount of the deductible as to all claims that may arise. All such rules shall be considered to have been adopted under the provisions of this chapter. [1989 c 380 § 31; 1971 ex.s. c 190 § 43.]

(a) Assist small farms in complying with federal, state, and local rules and regulations as they apply to direct marketing of agricultural products;

(b) Assist in developing infrastructure to increase direct marketing opportunities for small farms;

(c) Provide information on direct marketing opportunities for small farms;

(h) Perform other functions that will assist small farms in directly marketing their products.

(4) This section expires July 1, 2007. [2001 2nd sp.s. c 3 § 2.]

Findings—2001 2nd sp.s. c 3: "The legislature finds that:

(1) Many consumers in this state appreciate and seek out the opportunity to purchase local farm products.

(2) Consumers and small-scale farmers would both benefit from increased opportunities to market farm products locally. Direct marketing provides farmers with the opportunity to realize an increased share of consumers' food dollars and provides consumers with a greater opportunity to support local agriculture and understand farm operations, farm culture, and the role farms play in meeting our food needs.

(3) The state would greatly benefit from a focused effort to increase the economic viability and profitability of small farms through increasing their ability to market their products directly to consumers.

(4) Direct marketing opportunities are often not feasible for farmers to undertake because of market barriers and the difficulty of obtaining information related to marketing.

(5) A direct marketing assistance program for small farmers could provide the needed information, technical assistance, and barrier clearing work that is a key to increasing direct marketing of farm products." [2001 2nd sp.s. c 3 § 1.]

15.64.053 Small farm direct marketing assistance program—Report on accomplishments. (Expires July 1, 2007.) (1) The director shall, by December 1, 2006, issue a report on the accomplishments of the small farm direct marketing assistance program. The report must be submitted to the committees of the senate and the house of representatives that have jurisdiction over agricultural issues. The report must be made available to the public.

(2) This section expires July 1, 2007. [2001 2nd sp.s. c 3 § 3.]

Findings—2001 2nd sp.s. c 3: See note following RCW 15.64.050.

The director is hereby authorized to determine (on the basis of common usage and practice) what kinds, types or subtypes should be classed together as an agricultural commodity for the purposes of this chapter.

(6) "Production area" and "marketing area" means any area defined as such in any marketing order or agreement in accordance with RCW 15.65.350. "Affected area" means the marketing or production area so defined in such order, agreement or proposal.

(7) "Unit" of an agricultural commodity means a unit of volume, weight, quantity, or other measure in which such commodity is commonly measured. The director shall designate in each marketing order and agreement the unit to be used therein.

(8) "Affected unit" means in the case of marketing agreements and orders drawn on the basis of a production area, any unit of the commodity specified in or covered by such agreement or order which is produced in such area and sold or marketed or delivered for sale or marketing; and "affected unit" means, in the case of marketing agreements and orders drawn on the basis of marketing area, any unit of the commodity specified in or covered by such agreement or order which is stored in frozen condition or sold or marketed or delivered for sale or marketing within such marketing area: PROVIDED, That in the case of marketing agreements "affected unit" shall include only those units which are produced by producers or handled by handlers who have assented to such agreement.

(9) "Affected commodity" means that part or portion of any agricultural commodity which is covered by or forms the subject matter of any marketing agreement or order or proposal, and includes all affected units thereof as herein defined and no others.

(10) "Producer" means any person engaged in the business of producing any agricultural commodity for market in commercial quantities. (13) "Cooperative association" means any incorporated or unincorporated association of producers which conforms to the qualifications set out in the act of congress of the United States of February 18, 1922 as amended, known as the "Capper-Volstead Act" and which is engaged in making collective sales or in marketing any agricultural commodity or product thereof or in rendering service for or advancing the interests of the producers of such commodity on a nonprofit cooperative basis.

(16) "Commercial quantities" as applied to producers and/or production means such quantities per year (or other period of time) of an agricultural commodity as the director finds are not less than the minimum which a prudent man engaged in agricultural production would produce for the purpose of making such quantity of such commodity a substantial contribution to the economic operation of the farm on which such commodity is produced. "Commercial quantities" as applied to handlers and/or handling means such quantities per year (or other period of time) of an agricultural commodity or product thereof as the director finds are not less than the minimum which a prudent man engaged in such handling would handle for the purpose of making such quantity a substantial contribution to the handling operation in which such commodity or product thereof is so handled. In either case the director may in his or her discretion: (a) Determine that substantial quantity is any amount above zero; and (b) apply the quantity so determined on a uniform rule applicable alike to all persons which he or she finds to be similarly situated.
15.65.028  Regulating agricultural commodities—Existing comprehensive scheme. The history, economy, culture, and the future of Washington state to a large degree all involve agriculture. In order to develop and promote Washington's agricultural products as part of the existing comprehensive scheme to regulate agricultural commodities, the legislature declares:

(1) That the marketing of agricultural products within this state is in the public interest. It is vital to the continued economic well-being of the citizens of this state and their general welfare that its agricultural commodities be properly promoted by (a) enabling producers of agricultural commodities to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of the commodities they produce and (b) working towards stabilizing the agricultural industry by increasing consumption of agricultural commodities within the state, the nation, and internationally;

(2) That farmers and ranchers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the agricultural producer's ability to compete in local, domestic, and foreign markets;

(3) That it is now in the overriding public interest that support for the agricultural industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that each agricultural commodity be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state's agricultural commodities;
(b) Increase the sale and use of Washington state's agricultural commodities in local, domestic, and foreign markets;
(c) Protect the public by educating the public in reference to the quality of Washington state's agricultural commodities;
(d) Increase the knowledge of the health-giving qualities and dietic value of Washington state's agricultural commodities and products; and
(e) Support and engage in programs or activities that benefit the planting, production, harvesting, handling, processing, marketing, and uses of agricultural commodities produced in Washington state;

(4) That the director seek to enhance, protect, and perpetuate the ability of the private sector to produce food and fiber,

[Title 15 RCW—page 118] (2004 Ed.)
and seek to maintain the economic well-being of the agricultural industry in Washington state consistent with its regulatory activities and responsibilities;

(6) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state. [2002 c 313 § 2.]

15.65.055 Regulatory authority on the production of rapeseed by variety and location. The legislature finds that the production of marketable rapeseed within this state is in the interest of the public welfare. The legislature further finds that the production of incompatible varieties of rapeseed in close geographical proximity adversely affects the purity and marketability of rapeseed, and that it is in the public interest to establish geographical districts and buffer zones wherein the production of rapeseed may be restricted by variety.

For the purpose of rapeseed production in the state of Washington, the director of the department of agriculture shall have the regulatory authority on the production of rapeseed by variety and geographic location until such time as a rapeseed commodity commission is formulated. Once formed, the rapeseed commodity commission shall assume the regulatory authority on the production of rapeseed by variety and geographic location in the state of Washington. [1986 c 203 § 21.]

No person shall be excused from attending and testifying or from producing documentary evidence before the director in obedience to the subpoena of the director on the ground or for the reason that the testimony or evidence, documentary or otherwise, required of him or her may tend to incriminate him or her or subject him or her to a penalty or forfeiture, but no natural person shall be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he or she may be so required to testify or produce evidence, documentary or otherwise, before the director in obedience to a subpoena issued by him or her: PROVIDED, That no natural person so testifying shall be exempt from prosecution and punishment for perjury committed in so testifying. The superior court of the county in which any such hearing or proceeding may be had, may compel the attendance of witnesses and the production of records, papers, books, accounts, documents and testimony as required by such subpoena. In case any witness refuses to attend or testify or produce any papers required by the subpoena, the director or his or her examiner shall so report to the superior court of the county in which the proceeding is pending by petition setting forth that due notice was given of the time and place of attendance of the witness or the production of the papers and that the witness has been summoned in the manner prescribed in this chapter and that the fees and mileage of the witness have been paid or tendered to him or her in accordance with RCW 2.40.020 and that he or she has failed to attend or produce the papers required by the subpoena at the hearing, cause, or proceeding specified in the notice and subpoena, or has refused to answer questions propounded to him or her in the course of such hearing, cause or proceeding, and shall ask an order of the court to compel such witness to appear and testify before the director. 15.65.130 Agreements binding only on those who assent in writing—Agreement not effective until sufficient signatories to effectuate chapter—When effective. With respect to marketing agreements, the director shall after publication of his final decision, invite all producers and handlers affected thereby to assent or agree to the agreement or amendment set out in such decision. Said marketing agreements or amendments thereto shall be binding upon and only upon persons who have agreed thereto in writing and whose written agreement has been filed with the director: PROVIDED, That the filing of such written agreement by a cooperative association shall be binding upon such cooperative and all of its members, and PROVIDED, FURTHER, That the director shall enter into and put into force a marketing agreement or amendment thereto when and only when he shall find in addition to the other findings specified in this chapter that said marketing agreement or any amendment thereto has been assented to by a sufficient number of signatories who handle or produce a sufficient volume of the commodity affected to tend to effectuate the declared policies and purposes of this chapter and to accomplish the purposes and objects of such agreement or amendment thereto and provide sufficient moneys from assessments levied to defray the necessary expenses of formulation, issuance, administration and enforcement. Such agreement shall be deemed to be issued and put into force and effect when the director shall have so notified all persons who have assented thereto. [1961 c 256 § 13.]

15.65.140 Minimum assent requirements prerequisite to order or amendment affecting producers or processor marketing. No marketing order or amendment thereto directly affecting producers or processor marketing shall be issued unless the director determines (in accordance with any of the procedures described at RCW 15.65.160) that the issuance of such order or amendment is assented to or favored by producers within the affected area who during a representative period determined by the director constituted either (1) at least sixty-five percent by number or at least fifty-one percent by volume of those replying assent or approve the proposed order in a referendum. [1985 c 261 § 4; 1975 1st ex.s. c 7 § 3; 1961 c 256 § 14.]

15.65.150 Minimum requirements prerequisite to order or amendment assessing handlers—Assent by producers. Any marketing order or amendment thereto directly assessing handlers shall be issued either (1) when the director determines that the issuance of such order or amendment is assented to or favored by handlers who during a representative period determined by the director constituted at least fifty-one percent by numbers or fifty-one percent by volume handled of the handlers who have been engaged in the handling of the commodity specified in such marketing order produced in such production area or marketed in such marketing area, as the case may be, or (2) when upon the basis of findings on a duly noticed hearing held in the manner herein provided, the director determines:

(a) That the issuance of such order or amendment will not result in unequal cost of product or availability of supplies, or cause competitive disadvantage of other respects as between handlers;

(b) That the issuance of such order or amendment is the only practical means of advancing the interest of producers of such commodity pursuant to the declared policy of this chapter; and that failure to issue such order or amendment would tend to prevent effectuation of the declared policies of this chapter;

(c) That the issuance of such order is assented to or favored by producers who during a representative period determined by the director constituted at least seventy-five percent or more by volume of those replying assent or approve the proposed order in a referendum. [1985 c 261 § 5; 1961 c 256 § 15.]

15.65.160 Ascertainment of required assent percentages. After publication of his final decision, the director shall ascertain (either by written agreement in accordance with subdivision (1) of this section or by referendum in accordance with subdivision (2) of this section) whether the above specified percentages of producers and/or handlers assent to or approve any proposed order, amendment or termination, and for such purpose:

(1) The director may ascertain whether assent or approval by the percentages specified in RCW 15.65.140, 15.65.150 or 15.65.190 (whichever is applicable) have been complied with by written agreement, and the requirements of assent or approval shall, in such case, be held to be complied with, if of the total number of affected producers or affected handlers within the affected area and the total volume of production of the affected commodity or product thereof, the percentages evidencing assent or approval are equal to or in excess of the percentages specified in said sections; or

(2) The director may conduct a referendum among producers within the affected area and the requirements of assent...
or approval shall be held to be complied with if of the total number of such producers and the total volume of production represented in such referendum the percentage assenting to or favoring is equal to or in excess of the percentage specified in RCW 15.65.140, 15.65.150 or 15.65.190 (whichever is applicable) as now or hereafter amended: PROVIDED, That thirty percent of the affected producers within the affected area producing thirty percent by volume of the affected commodity have been represented in a referendum to determine assent or approval of the issuance of a marketing order: PROVIDED FURTHER, That a marketing order shall not become effective when the provisions of subdivision (3) of this section are used unless sixty-five percent by number of the affected producers within the affected area producing fifty-one percent by volume of the affected commodity or fifty-one percent by number of such affected producers producing sixty-five percent by volume of the affected commodity approve such marketing order.

(3) The Director shall consider the assent or dissent or the approval or disapproval of any cooperative marketing association authorized by its producer members either by a majority vote of those voting thereon or by its articles of incorporation or by its bylaws or by any marketing or other agreement to market the affected commodity for such members or to act for them in any such referendum as being the assent or dissent or the approval or disapproval of the producers who are members of or stockholders in or under contract with such cooperative association of producers: PROVIDED, That the association shall first determine that a majority of its affected producers authorizes its action concerning the specific marketing order.

If the director determines that the requisite assent has been given to issue or amend a marketing order, the issuance or amendment shall be adopted by rule by the director within thirty days of the validation of the vote. If the director determines that the requisite assent has not been given no further action shall be taken by the director upon the proposal, and the order contained in the final decision shall be without force or effect. [2002 c 313 § 11; 1987 c 393 § 6; 1961 c 256 § 17.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.65.175 Issuing, amending, or terminating a marketing order—Limitation on public hearings or referendums. The director shall not be required to hold a public hearing or a referendum more than once in any twelve-month period on petitions to issue, amend, or terminate a commodity marketing order if any of the following circumstances are present:

1. The petition proposes to establish a marketing order or agreement for the same commodity;
2. The petition proposes the same or a similar amendment to a marketing order or agreement; or
3. The petition proposes to terminate the same marketing order or agreement. [2002 c 313 § 12.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.65.180 Suspension of marketing agreement or order upon advice of commodity board—Certain prerequisites waived. Any suspension of all or substantially all of a marketing agreement or order by the director shall not become effective until the end of the then current marketing season. [2002 c 313 § 13; 1961 c 256 § 18.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.65.183 Termination of marketing order or agreement—Petition—Procedure. The director may terminate a marketing order or agreement in accordance with this chapter.

1. To terminate a marketing order or agreement:
   a. The director must receive a petition by affected producers under this chapter signed by at least ten percent of the affected producers; or
   b. A majority of a commodity board may file a petition with the director.

2. The petitioners must include in the petition at the time of filing:

   b. The name of a person designated to represent the petitioners; and
   c. The effective date of a marketing order or agreement termination, which may not be less than one year from the date the petition was filed with the director.

3. Within sixty days of receipt of a petition meeting the requirements of this section, the director shall commence rule-making proceedings to repeal the marketing order or agreement and, subsequently, a referendum on the issue.

4. The director shall include a copy of a petition to terminate a marketing order or agreement with the notice to affected producers when rule-making proceedings are commenced.

5. If the petitioners fail to meet the requirements of this chapter, the director shall deny the petition and a referendum vote will not be conducted. The person designated to represent the petitioners shall be notified if a petition is denied. [2002 c 313 § 14.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.65.185 Referendum prior to termination of a marketing order or agreement—Procedure—Exceptions. Except as provided in RCW 15.65.190 or subsection (4) of this section, the director, prior to termination of the marketing order or agreement, shall conduct a referendum as provided in this chapter, the rules adopted by the director, and the applicable marketing order or agreement.

1. If a referendum on the termination of a marketing order or agreement is assented to, the referendum proposal shall be adopted by the director within thirty days of the
count of the ballots and shall go into effect under chapter 34.05 RCW. If those affected producers eligible to vote in the referendum do not assent, no further action shall be taken by the director on the proposal.

(2) The list of affected producers used for conducting a referendum on the termination of a marketing order or agreement shall be kept in the rule-making file by the director. The list shall be certified as a true representation of the referendum mailing list. Inadvertent failure to notify an affected producer does not invalidate a referendum.

(3) The list of affected producers that is certified as the true representation of the mailing list of a referendum shall be used to determine assent as provided for in RCW 15.65.190.

(4) If the director determines that one hundred percent of the affected producers have filed a written application with the director requesting that a marketing order or agreement be terminated, the director may terminate the marketing order or agreement without conducting a referendum. The termination of the marketing order or agreement shall go into effect under chapter 34.05 RCW, but no sooner than at the end of the marketing season then current. [2002 c 313 § 15.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.65.190 Termination of agreement or order on assent of producers—Procedure. Any marketing agreement or order shall be terminated if the director finds that fifty-one percent by numbers and fifty-one percent by volume of production of the affected producers within the affected area favor or assent to such termination. The director may ascertain without compliance with the provisions of RCW 15.65.050 through 15.65.130 whether such termination is so assented to or favored whenever twenty percent by numbers or twenty percent by volume of production of said producers file written application with him for such termination. No such termination shall become effective until the expiration of the marketing season then current. [1985 c 261 § 7; 1961 c 256 § 19.]

15.65.193 When marketing order or agreement is terminated—Duties of affected commodity board. If after complying with the procedures outlined in this chapter and a referendum proposal to terminate a marketing order or agreement is assented to, the affected commodity board shall:

(1) Document the details of all measures undertaken to terminate the marketing order and identify and document all closing costs;

(2) Contact the office of the state auditor and arrange for a final audit of the commodity board. Payment for the audit shall be from commodity board funds and identified in the budget for closing costs;

(3) Provide for the reimbursement to affected producers of moneys collected by assessment. Reimbursement shall be made to those considered affected producers over the previous three-year time frame on a pro rata basis and at a percent commensurate with their volume of production over the previous three-year period unless a different time period is specified in the marketing order or agreement. If the commodity board finds that the amounts of moneys are so small as to make impractical the computation and remitting of the pro rata refund, the moneys shall be paid into the state treasury as unclaimed trust moneys; and

(4) Transfer all remaining files to the department for storage and archiving, as appropriate. [2002 c 313 § 16.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

(2) The director shall use the list of affected parties for the purpose of notice, referendum proceedings, and electing and selecting members of commodity boards in accordance with this chapter.

(3) An affected party may at any time file his or her name and mailing address with the director. A list of affected parties may be brought up-to-date by the director up to the day preceding a mailing of a notice or ballot under this chapter and that list is deemed the list of affected parties entitled to vote.

(4) The list of affected parties used for the issuance of a marketing order or agreement shall be kept in a file maintained by the director. The list shall be certified as a true representation of the mailing list. Inadvertent failure to notify an affected party does not invalidate a proceeding conducted under this chapter.

(5) The list of affected parties that is certified as the true representation of the mailing list of a referendum shall be used to determine assent as provided in this chapter.

(6) The director shall provide the commodity board the list of affected and interested parties once a marketing order or agreement is adopted and a commodity board is established as provided in this chapter. [2002 c 313 § 17; 1985 c 261 § 8; 1961 c 256 § 20.]

(2) Financial and commercial information and records submitted to either the department or a commodity board for the purpose of administering this chapter or a marketing order or agreement may be shared between the department and the applicable commodity board. They may also be used, if required, in any suit or administrative hearing involving this chapter or a marketing order or agreement.

(3) This chapter does not prohibit:
(a) The issuance of general statements based upon the reports of a number of persons subject to any marketing order or agreement as long as the statements do not identify the information furnished by any person; or

(b) The publication by the director or a commodity board of the name of any person violating any marketing order or agreement and a statement of the manner of the violation by that person. [2002 c 313 § 18.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.65.205 After any vote, referendum, nomination, or election—Affected parties provided results—Disputes. (1) Upon completion of any vote, referendum, or nomination and elections, the department shall tally the results of the vote and provide the results to affected parties.

(2) If an affected party disputes the results of a vote, that affected party, within sixty days from the announced results, shall provide in writing a statement of why the vote is disputed and request a recount.

(3) Once the vote is tallied and distributed, all disputes are resolved, and all matters in a vote are finalized, the individual ballots may be destroyed. [2002 c 313 § 19.]

Such provisions may provide for the qualifications, method of selection, term of office, grounds of dismissal and the detailed powers and duties to be exercised by such administrator or board and by such additional personnel, including the authority to borrow money and incur indebtedness, and may also provide either that the said administrative board shall be the commodity board or that the administrator or administrative board be designated by the director or the governor. (2) The members of the board shall be producers or handlers or both in such proportion as the director shall specify in the marketing agreement or order, but in any marketing order or agreement the number of handlers on the board shall not exceed the number of producers thereon. The marketing order or agreement may provide that a majority of the board be appointed by the director, but in any event, no less than one-third of the board members shall be elected by the affected producers.

Each such order or agreement and all programs thereunder shall be directed toward increasing the sale of such commodity without reference to any particular brand or trade name and shall neither make use of false or unwarranted claims in behalf of such commodity nor disparage the quality, value, sale or use of any other agricultural commodity. [1961 c 256 § 31.]

### 15.65.320 Agreement and order provisions for research. **Any marketing agreement or order may provide for research in the production, processing and/or distribution of the affected commodity and for the expenditure of money for such purposes. Insofar as practicable, such research shall be carried out by experiment stations of Washington state university but if in the judgment of the director or his designee said experiment stations do not have adequate facilities for a particular project or if some other research agency has better facilities therefor, the project may be carried out by other research agencies selected by the director or his designee.** [1961 c 256 § 32.]

### 15.65.330 Agreement and order provisions for uniform grades and standards—Enforcement—Rules. **Any marketing agreement or order may contain provisions which directly provide for, or which authorize the director or his designee to provide by rules and regulations for, any one or more, or all, of the following:**

1. Establishing uniform grades and standards of quality, condition, maturity, size, weight, pack, packages and/or label for the affected commodity or any products thereof;

1. Paying rebates, commissions or unearned discounts;
2. Giving away or selling below the true cost (which includes all direct and indirect costs incurred to the point of sale plus a reasonable margin of mark-up for the seller) any of the affected commodities or of any other commodity or product thereof;

5. Using the affected or any other commodity or product thereof as a loss leader or using any other device whereby for advertising, promotional, come-on or other purposes such commodity or product is sold below its fair value;
6. Making or publishing false or misleading advertising. Such regulation may authorize uniform trade practices applicable to all similarly situated handlers and/or other persons. Such regulation shall not prevent any person (a) from selling below cost to liquidate excess inventory which cannot otherwise be moved, or (b) from meeting the equally low legal price of any competitor within any one trading area during any one trading period and the director may define in said marketing agreement or order said trading area and said trading period in accordance with generally accepted industry practices; but in any event the burden of proving that such selling was to meet the equally low legal price of a competi-
tor or to liquidate said excess inventory shall be upon the person who sells below cost as above defined. Any marketing agreement or order may authorize use of any money received and of any persons employed thereunder for legal proceedings, of any type and in the name of any person, directed to enforcement of this or any other law in force in the state of Washington relating to the prevention of unfair trade practices. [1961 c 256 § 34.]

No marketing agreement or order or amendment thereto shall prohibit or discriminatorily burden the marketing in its area of any agricultural commodity or product thereof produced in any production area of the United States. [1961 c 256 § 37.]

15.65.375 Agreement and order provisions—Participation in proceedings concerning regulation of pesticides or agricultural chemicals. Any marketing agreement or order may authorize the members of a commodity board, or their agents or designees, to participate in federal or state hearings or other proceedings concerning regulation of the manufacture, distribution, sale, or use of any pesticide as defined by *RCW 15.58.030(30) or any agricultural chemical which is of use or potential use in producing the affected commodity. Effective dates—2002 c 313: See note following RCW 15.65.020.

15.65.390 Annual assessment—Limitation generally. There is hereby levied, and the director or his designee shall collect, upon each and every affected unit of any agricultural commodity specified in any marketing agreement or order an annual assessment which shall be paid by the producer thereof upon each and every such affected unit stored in frozen condition or sold or marketed or delivered for sale or marketed by him, and which shall be paid by the handler thereof upon each and every such unit purchased or received for sale, processing or distribution, or stored in frozen condition, by him: PROVIDED, That such assessment shall be paid by producers only, if only producers are regulated by such agreement or order, and by handlers only, if only handlers are so regulated, and by both producers and handlers if both are so regulated. Such assessments shall be expressed as a stated amount of money per unit or as a percentage of the receipt price at the first point of sale. The total amount of such annual assessment to be paid by all producers of such commodity, or by all handlers of such commodity shall not exceed four percent of the total market value of all affected units stored in frozen condition or sold or marketed or delivered for sale or marketing by all producers of such units during the year to which the assessment applies. [1987 c 393 § 9; 1985 c 261 § 13; 1961 c 256 § 39.]

15.65.400 Rate of assessment. In every marketing agreement and order the director shall prescribe the rate of such assessment. Such assessment shall be expressed as a stated amount of money per unit or as a percentage of the receipt price at the first point of sale. Such rate may be at the full amount of, or at any lesser amount than the amount hereinafore limited. Such rate may be altered or amended from time to time, but only upon compliance with the procedural requirements of this chapter. In every such marketing agreement, order and amendment the director shall base his determination of such rate upon the volume and price of sales of affected units (or units which would have been affected units had the agreement or order been in effect) during a period which the director determines to be a representative period. The rate of assessment prescribed in any such agreement, order or amendment shall for all purposes and times be deemed to be within the limits of assessment above provided until such time as such agreement or order is amended as to such rate. [1987 c 393 § 10; 1961 c 256 § 40.]

15.65.410 Time, place, method for payment and collection of assessments. The director shall prescribe in each marketing order and agreement the time, place and method for payment and collection of assessments under such order or agreement upon any uniform basis applicable alike to all producers subject to such assessment, and upon the same or any other uniform basis applicable alike to all handlers sub-
ject to such assessment. For such purpose the director may, by the terms of the marketing order or agreement:

1. Require stamps to be purchased from him or his designee and attached to the containers, invoices, shipping documents, inspection certificates, releases, or receiving receipts or tickets (said stamps to be canceled immediately upon being attached and the date of cancellation placed thereon); or

2. Require handlers to collect producer assessments from producers whose production they handle and remit the same to the director or his designee; or

3. Require the person subject to the assessment to give adequate assurance or security for its payment; or

4. Require in the case of assessments against affected units stored in frozen condition:
   a. Cold storage facilities storing such commodity to file information and reports with the department or affected commission regarding the amount of commodity in storage, the date of receipt, and the name and address of each such owner; and
   b. That such commodity not be shipped from a cold storage facility until the facility has been notified by the commission that the commodity owner has paid the commission for any assessments imposed by the marketing order.

Unless the director has otherwise provided in any marketing order or agreement, assessments payable by producers shall be paid prior to the time when the affected unit is shipped off the farm, and assessments payable to handlers shall be paid prior to the time when the affected units are received by or for the account of the first handler. No affected units shall be transported, carried, shipped, sold, marketed or otherwise handled or disposed of until every due and payable assessment herein provided for has been paid by the producer or first handler and the receipt issued. [1985 c 261 § 15; 1961 c 256 § 41.]

15.65.420  Use of moneys collected—Departmental expenses. Moneys collected by the director or his designee pursuant to any marketing order or agreement from any assessment or as an advance deposit thereon, shall be used by the director or his designee only for the purpose of paying for expenses incurred to amend or terminate a marketing order or agreement and for other services provided by the department under this chapter. The department shall provide to a commodity board an estimate of expenses that may be incurred to amend or terminate a marketing order or agreement prior to any services taking place.

1. Petitioners who are not a majority of a commodity board, and who file a petition with the director to issue, amend, or terminate a marketing order or agreement, shall deposit funds with the director to pay for expenses incurred by the department, under rules adopted by the director.

2. A commodity board shall reimburse petitioners the amount paid to the department under the following circumstances:
   a. If the petition is to issue a marketing order or agreement, the commodity board shall reimburse the petitioners the amount expended by the department when funds become available after establishment of the commodity board; or
   b. If the petition is to amend or terminate a marketing order or agreement and the proposal is assented to by the affected parties or affected producers, the commodity board shall reimburse the petitioners within thirty days of the referendum.

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.66.015 Regulating agricultural commodities—Existing comprehensive scheme. The history, economy, culture, and the future of Washington state to a large degree all involve agriculture. In order to develop and promote Washington's agricultural products as part of the existing comprehensive scheme to regulate agricultural commodities, the legislature declares:

1. That the marketing of agricultural products within this state is in the public interest. It is vital to the continued economic well-being of the citizens of this state and their general welfare that its agricultural commodities be properly promoted by (a) enabling producers of agricultural commodities to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of the commodities they produce; and (b) working towards stabilizing the agricultural industry by increasing consumption of agricultural commodities within the state, the nation, and internationally;

2. That farmers and ranchers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the agricultural producer's ability to compete in local, domestic, and foreign markets;

3. That it is now in the overriding public interest that support for the agricultural industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that each agricultural commodity be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state's agricultural commodities;

(b) Increase the sale and use of Washington state's agricultural commodities in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of Washington state's agricultural commodities;

(d) Increase the knowledge of the health-giving qualities and dietetic value of Washington state's agricultural commodities and products; and

(e) Support and engage in programs or activities that benefit the planting, production, harvesting, handling, processing, marketing, and uses of agricultural commodities produced in Washington state;

4. That the director seek to enhance, protect, and perpetuate the ability of the private sector to produce food and fiber, and seek to maintain the economic well-being of the agricultural industry in Washington state consistent with its regulatory activities and responsibilities;

5. That the director is hereby authorized to implement, administer, and enforce this chapter through the adoption of marketing orders that establish commodity commissions; and

6. That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state. [2002 c 313 § 38.]

(2) The director shall review each commodity commission's advertising or promotion program to ensure that no false claims are being made concerning the affected commodity.

(3) Each commodity commission, prior to the beginning of its fiscal year, shall prepare and submit to the director for approval its research plan, its commodity-related education and training plan, and its budget on a fiscal period basis.

(4) The director shall strive to review and make a determination of all submissions described in this section in a timely manner. [2003 c 396 § 5.]

15.66.142 Commission speaks for state—Director's oversight. Each commodity commission organized under a marketing order adopted under this chapter exists primarily for the benefit of the people of the state of Washington and its economy. The legislature hereby charges each commission, with oversight by the director, to speak on behalf of Washington state government with regard to its particular commodity. [2003 c 396 § 6.]

Effective date—2003 c 396: See note following RCW 15.66.030.

15.66.143 Lists of all affected producers and handlers—Affected parties responsible for accuracy—Use of lists. (1) Each commodity commission shall prepare a list of all affected producers from any information available from the department, producers, producer associations, organizations, or handlers of the affected commodity. This list shall contain the names and addresses of all affected persons who produce the affected commodity and the amount, by unit, of the affected commodity produced during at least the past three years.

(2) Each commodity commission shall prepare a list of all persons who handle the affected commodity and the amount of the commodity handled by each person during at least the past three years.

(3) It is the responsibility of all affected parties to ensure that their correct address is filed with the commodity commission. It is also the responsibility of affected parties to submit production data and handling data to the commission as prescribed by the commission's marketing order.

(4) Any qualified person may, at any time, have his or her name placed upon any list for which he or she qualifies by delivering or mailing the information to the commission. The lists shall be corrected and brought up-to-date in accordance with evidence and information provided to the commission.

(5) At the director's request, the commodity commission shall provide the director a certified list of affected producers or affected handlers from the commodity commission records. The list shall contain all information required by the director to conduct a referendum or commission member elections under this chapter.

(6) For all purposes of giving notice and holding referenda on amendment or termination proposals, and for giving notice and electing or selecting members of a commission, the applicable list corrected up to the day preceding the date the list is certified by the commission and mailed to the director is deemed to be the list of all affected producers or affected handlers, as applicable, entitled to notice or to vote. Inadvertent failure to notify an affected producer or handler does not invalidate a proceeding conducted under this chapter. [2002 c 313 § 58.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.66.145 Members may belong to association with same objectives—Contracts with associations authorized. Any member of an agricultural commission may also be a member or officer of an association which has the same objectives for which the agricultural commission was formed. An agricultural commission may also contract with such association for services necessary to carry out any purposes authorized under this chapter, provided that an appropriate contract has been entered into. [1972 ex.s. c 112 § 4.]

15.66.150 Annual assessments—Rate—Collection. There is hereby levied, and there shall be collected by each commission, upon each and every unit of any agricultural commodity specified in any marketing order an annual assessment which shall be paid by the producer thereof upon each and every such unit sold, processed, stored or delivered for sale, processing or storage by him. Such assessments shall be expressed as a stated amount of money per unit or as a percentage of the net unit price at the time of sale. The total amount of such annual assessment to be paid by all affected producers of such commodity shall not exceed three percent of the total market value of all affected units sold, processed, stored or delivered for sale, processing or storage by all affected producers of such units during the year to which the assessment applies.

Every marketing order shall prescribe the per unit or percentage rate of such assessment. Such rate may be at the full amount of, or at any lesser amount than the amount hereinabove limited and may be altered from time to time by amendment of such order. In every such marketing order and amendment the determination of such rate shall be based upon the volume and price of sales of affected units during a
period which the director determines to be a representative period. The per unit or percentage rate of assessment prescribed in any such order or amendment shall for all purposes and times be deemed to be within the limits of assessment above provided until such time as such order is amended as to such rate. However, at the end of any year, any affected producer may obtain a refund from the commission of any assessment payments made which exceed three percent of the total market value of all of the affected commodity sold, processed, stored or delivered for sale, processing or storage by such producer during the year. Such refund shall be made only upon satisfactory proof given by such producer in accordance with reasonable rules and regulations prescribed by the director. Such market value shall be based upon the average sales price received by such producer during the year from all his bona fide sales or, if such producer did not sell twenty-five percent or more of all of the affected commodity produced by him during the year, such market value shall be determined by the director upon other sales of the affected commodity determined by the director to be representative and comparable.

To collect such assessment each order may require:

(1) Stamps to be purchased from the affected commodity commission or other authority stated in such order and attached to the containers, invoices, shipping documents, inspection certificates, releases, or receiving receipts or tickets (said stamps to be canceled immediately upon being attached and the date of cancellation placed thereon).

(2) Payment of producer assessments before the affected units are shipped off the farm or payment of assessments at different or later times, and in such event the order may require any person subject to the assessment to give adequate assurance or security for its payment.

(3) Every affected producer subject to assessment under such order to deposit with the commission in advance an amount based on the estimated number of affected units upon which such person will be subject to such assessment in any one year during which such marketing order is in force, or upon any other basis which the director determines to be reasonable and equitable and specifies in such order, but in no event shall such deposit exceed twenty-five percent of the estimated total annual assessment payable by such person. At the close of such marketing year the sums so deposited shall be adjusted to the total of such assessments payable by such person.

(4) Handlers receiving the affected commodity from the producer, including warehousemen and processors, to collect producer assessments from producers whose production they handle and remit the same to the affected commission. The lending agency for a commodity credit corporation loan to producers shall be deemed a handler for the purpose of this subsection. No affected units shall be transported, carried, shipped, sold, stored or otherwise handled or disposed of until every due and payable assessment herein provided for has been paid and the receipt issued, but no liability hereunder shall attach to common carriers in the regular course of their business. [1981 c 297 § 40; 1979 ex.s. c 93 § 1; 1961 c 11 § 15.66.150. Prior: 1957 c 133 § 1; 1955 c 191 § 15.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.66.157 When commodity commission is terminated—Duties of affected commodity commission. If after complying with the procedures outlined in this chapter and a referendum proposal to terminate a commodity commission is assented to, the affected commodity commission shall:

(1) Document the details of all measures undertaken to terminate the commodity commission and identify and document all closing costs;

(2) Contact the office of the state auditor and arrange for a final audit of the commission. Payment for the audit shall be from commission funds and identified in the budget for closing costs;

(3) Provide for the reimbursement to affected producers of moneys collected by assessment. Reimbursement shall be made to those considered affected producers over the previous three-year time frame on a pro rata basis and at a percent commensurate with their volume of production over the previous three-year period unless a different time period is specified in the marketing order. If the commodity commission finds that the amounts of moneys are so small as to make impractical the computation and remitting of the pro rata refund, the moneys shall be paid into the state treasury as unclaimed trust moneys; and

(4) Transfer all remaining files to the department for storage and archiving, as appropriate. [2002 c 313 § 60.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.66.160 Annual assessments—Disposition of revenue. Moneys collected by any commodity commission pursuant to any marketing order from any assessment for marketing purposes or as an advance deposit thereon shall be used by the commission only for the purpose of paying for the costs or expenses arising in connection with carrying out the purposes and provisions of such agreement or order.

Upon the termination of any marketing order any and all moneys remaining with the commodity commission operating under that marketing order and not required to defray expenses or repay obligations incurred by that commission shall be returned to the affected producers in proportion to the assessments paid by each in the two year period preceding the date of the termination order. [1961 c 11 § 15.66.160. Prior: 1955 c 191 § 16.]

15.66.170 Annual assessments—Payments—Civil action to enforce. Any due and payable assessment herein levied, and every sum due under any marketing order in a specified amount shall constitute a personal debt of every person so assessed or who otherwise owes the same, and the same shall be due and payable to the commission when payment is called for by the commission. In the event any person fails to pay the full amount of such assessment or such other sum on or before the date due, the commission may add to such unpaid assessment or sum an amount not exceeding ten
percent of the same to defray the cost of enforcing the collect-
ing of the same. In the event of failure of such person or per-
sions to pay any such due and payable assessment or other
such sum, the commission may bring a civil action against
such person or persons in a state court of competent juris-
diction for the collection thereof, together with the above speci-
tied ten percent thereon, and such action shall be tried and
judgment rendered as in any other cause of action for debt

15.66.180 Expenditure of funds collected. All moneys
which are collected or otherwise received pursuant to each
marketing order created under this chapter shall be used
solely by and for the commodity commission concerned and
shall not be used for any other commission, nor the depart-
ment except as otherwise provided in this chapter. Such mon-
eys shall be deposited in a separate account or accounts in the
name of the individual commission in any bank which is a
state depositary. All expenses and disbursements incurred
and made pursuant to the provisions of any marketing order
shall be paid from moneys collected and received pursuant to
such order without the necessity of a specific legislative
appropriation and all moneys deposited for the account of
any order shall be paid from said account by check or
voucher in such form and in such manner and upon the signa-
ture of such person as may be prescribed by the commission.
None of the provisions of RCW 43.01.050 shall be applicable
to any such account or any moneys so received, collected or

commission funds in savings or time deposits of banks,
trust companies, and mutual savings banks. (1) Any funds
of any agricultural commodity commission may be invested
in savings or time deposits in banks, trust companies, and
mutual savings banks that are doing business in the United
States, up to the amount of insurance afforded such accounts
by the Federal Deposit Insurance Corporation.

(2) This section shall apply to all funds which may be
lawfully so invested, which in the judgment of any agricul-
tural commodity commission are not required for immediate
expenditure. The authority granted by this section is not
exclusive and shall be construed to be cumulative and in
addition to other authority provided by law for the investment
of such funds, including, but not limited to, authority granted
under chapters 39.58, 39.59, and 43.84 RCW. [2003 c 396 §
3; 2002 c 313 § 62; 1967 ex.s. c 54 § 2. Formerly RCW

director stating that the order, agreement or program or any
part thereof is not in accordance with the law, and requesting
a modification thereof or exemption therefrom. He shall
thereupon be given a hearing, which hearing shall be con-
ducted in the manner provided by RCW 15.66.070, and there-
after the director shall make his ruling which shall be final.

Appeal from any ruling of the director may be taken to
the superior court of the county in which the petitioner
resides or has his principal place of business, by serving upon
the director a copy of the notice of appeal and complaint
within twenty days from the date of entry of the ruling. Upon
such application the court may proceed in accordance with
RCW 7.16.010 through 7.16.140. If the court determines that
the ruling is not in accordance with law, it shall remand the
proceedings to the director with directions to make such rul-

In the event of violation or threatened violation of any
provision of this chapter or of any marketing order duly

the affected commission, or any affected producer on joining
the affected commission, shall be entitled to an injunction
to prevent further violation and to a decree of specific perfor-

injunction pending litigation upon filing a verified complaint
and sufficient bond.

All persons subject to any order shall severally from time
to time, upon the request of the director, furnish him with
such information as he finds to be necessary to enable him to
effectuate the policies of this chapter and the purposes of
such order or to ascertain and determine the extent to which
such order has been carried out or has effectuated such poli-
cies and purposes, or to determine whether or not there has
been any abuse of the privilege of exemptions from laws
relating to trusts, monopolies and restraints of trade. Such
information shall be furnished in accordance with forms and
report to be prescribed by the director. For the purpose of
ascertaining the correctness of any report made to the director
pursuant to this section or for the purpose of obtaining the
information required in any such report where it has been
requested and has not been furnished, the director is authorized to examine such books, papers, records, copies of tax reports, accounts, correspondence, contracts, documents or memoranda as he deems relevant and which are within the control of any such person from whom such report was requested, or of any person having, either directly or indirectly, actual or legal control of or over such person or such records, or of any subsidiary of any such person. [1961 c 11 § 15.66.220. Prior: 1955 c 191 § 22.]

15.66.230 Liability of commission, state, etc. Obligations incurred by any commission and any other liabilities or claims against the commission shall be enforced only against the assets of such commission in the same manner as if it were a corporation and no liability for the debts or actions of the commission shall exist against either the state of Washington or any subdivision or instrumentality thereof or against any other commission established pursuant to this chapter or the assets thereof or against any member officer, employee or agent of the board in his individual capacity. The members of any such commission, including employees of such board, shall not be held responsible individually in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person or employee, except for their own individual acts of dishonesty or crime. The director shall hold a public hearing upon such application. Not less than five days prior thereto he shall give written notice thereof to all producers whom he determines may be proper parties to such agreement and shall publish such notice at least once in a newspaper of general circulation in the affected area. The director shall approve an agreement so applied for only if he shall find:

1. That no other agreement or order is in force for the same commodity in the same area or any part thereof;
2. That such agreement will tend to effectuate its purpose and the declared policies of this chapter and conforms to law;
3. That enough persons who produce a sufficient amount of the affected commodity to tend to effectuate said policies and purposes and to provide sufficient moneys to defray the necessary expenses of formulation, issuance, administration and enforcement have agreed in writing to said agreement.

Such agreement may be for any of the purposes and may contain any of the provisions that a marketing order may contain under the provisions of this chapter but no other purposes and provisions. A commodity commission created by such agreement shall in all respects have all powers and duties as a commodity commission created by a marketing order. Such agreement shall be binding upon, and only upon, persons who have signed the agreement: PROVIDED, That a cooperative association may, in behalf of its members, execute any and all marketing agreements authorized hereunder, and upon so doing, such agreement so executed shall be binding upon said cooperative association and its members. Such agreements shall go into force when the director endorses his approval in writing upon the agreement and so notifies all who have signed the agreement. Additional signatories may be added at any time with the approval of the director. Every agreement shall remain in force and be binding upon all persons so agreeing for the period specified in such agreement but the agreement shall provide a time at least once in every twelve months when any or all such persons may withdraw upon giving notice as provided in the agreement. [Title 15 RCW—page 156]
15.83.005 Intent. Agricultural products are produced by many individual farmers and ranchers located throughout the state. The efficient production and marketing of agricultural products by farmers, ranchers, and handlers is of vital concern to the welfare and general economy of the state. It is the purpose of this chapter to establish standards of fair practices required of handlers, producers, and associations of producers, with respect to certain agricultural commodities, to establish the mutual obligation of handlers and accredited associations of producers to negotiate relative to the production or marketing of these agricultural commodities.

It is the intent of the legislature that a workable process be developed through which a fair price and other contract terms can be arrived at through negotiations between processors of agricultural products and an accredited association of producers, and that in developing rules and administering this chapter the director of agriculture shall recognize this intent. [1989 c 355 § 1.]

15.83.010 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Accredited association of producers" means an association of producers which is accredited by the director to be the exclusive negotiation agent for all producer members of the association within a negotiating unit.

(2) "Advance contract" means a contract for purchase and sale of a crop entered into before the crop becomes a growing crop and providing for delivery at or after the harvest of that crop.

(3) "Agricultural products" as used in this chapter means sweet corn and potatoes produced for sale from farms in this state.

(4) "Association of producers" means any association of producers of agricultural products engaged in marketing, negotiating for its members, shipping, or processing as defined in section 15(a) of the federal agriculture marketing act of 1929 or in section 1 of 42 Stat. 388.

(5) "Director" means the director of the department of agriculture.

(6) "Handler" means a processor or a person engaged in the business or practice of:

(a) Acquiring agricultural products from producers or associations of producers for use by a processor;

(b) Processing agricultural products received from producers or associations of producers, provided that a cooperative association owned by producers shall not be a handler except when contracting for crops from producers who are not members of the cooperative association;

(c) Contracting or negotiating contracts or other arrangements, written or oral, with or on behalf of producers or associations of producers with respect to the production or marketing of any agricultural product for use by a processor; or

(d) Acting as an agent or broker for a handler in the performance of any function or act specified in (a), (b), or (c) of this subsection.

(7) "Negotiate" means meeting at reasonable times and for reasonable periods of time commencing at least sixty days before the normal planting date and concluding within thirty days of the normal planting date to make a serious, fair, and reasonable attempt to reach agreement by acknowledging or refuting with reason points brought up by either party with respect to the price, terms of sale, compensation for products produced under contract, or other terms relating to the production or sale of these products: PROVIDED, That neither party shall be required to disclose proprietary business or financial records or information.

(8) "Negotiating unit" means a negotiating unit approved by the director under RCW 15.83.020.

(9) "Person" means an individual, partnership, corporation, association, or any other entity.

(10) "Processor" means any person that purchases agricultural crops from a producer and cans, freezes, dries, dehydrates, cooks, presses, powders, or otherwise processes those crops in any manner for eventual resale. A person who solely cleans, sorts, grades, and packages a farm product for sale without altering the natural condition of the product is not a processor. A person processing any portion of a crop is a processor.

(11) "Producer" means a person engaged in the production of agricultural products as a farmer or planter, including a grower or farmer furnishing inputs, production management, or facilities for growing or raising agricultural products. A producer who is also a handler shall be considered a handler under this chapter.

(12) "Qualified commodity" means agricultural products as defined in subsection (3) of this section. [1989 c 355 § 2.]

15.83.020 Negotiating agents—Association of producers—Accreditation. (1) An association of producers may file an application with the director:

(a) Requesting accreditation to serve as the exclusive negotiating agent on behalf of its producer members who are within a proposed negotiating unit with respect to any qualified commodity;

(b) Describing geographical boundaries of the proposed negotiating unit;

(c) Specifying the number of producers and the quantity of products included within the proposed negotiating unit;

(d) Specifying the number and location of the producers and the quantity of products represented by the association; and

(e) Supplying any other information required by the director.

(2) Within a reasonable time after receiving an application under subsection (1) of this section, the director shall approve or disapprove the application in accordance with this section.

(a) The director shall approve the initial application or renewal if the director determines that:

(i) The association is owned and controlled by producers under the charter documents or bylaws of the association;

(ii) The association has valid and binding contracts with its members empowering the association to sell or negotiate terms of sale of its members' products or to negotiate for compensation for products produced under contract by its members;

(iii) The association represents a sufficient percentage of producers or that its members produce a sufficient percentage
of agricultural products to enable it to function as an effective agent for producers in negotiating with a given handler as defined in rules promulgated by the department. In making this finding, the director shall exclude any quantity of the agricultural products contracted by producers with producer-owned and controlled processing cooperatives with its members and any quantity of these products produced by handlers;

(iv) One of the association's functions is to act as principal or agent for its members in negotiations with handlers for prices and other terms of trade with respect to the production, sale, and marketing of the products of its members, or for compensation for products produced by its members under contract; and

(v) Accreditation would not be contrary to the policies established in RCW 15.83.005.

(b) If the director does not approve the application under (a) of this subsection, then the association of producers may file an amended application with the director. The director, within a reasonable time, shall approve the amended application if it meets the requirements set out in (a) of this subsection.

(3) At the discretion of the director, or upon submission of a timely filed petition by an affected handler or an affected association of producers, the association of producers accredited under this section may be required by the director to renew the application for accreditation by providing the information required under subsection (1) of this section. [1989 c 355 § 3.]

15.83.030 Unlawful practices of handlers. It shall be unlawful for any handler to engage, or permit any employee or agent to engage, in the following practices:

(1) To refuse to negotiate with an association of producers accredited under RCW 15.83.020 with respect to any qualified commodity: PROVIDED, That the obligation to negotiate does not require either party to agree to a proposal, to make a concession, or to enter into a contract;

(2) To coerce any producer in the exercise of his or her right to contract with, join, refrain from contracting with or joining, belong to an association of producers, or refuse to deal with any producer because of the exercise of that producer's right to contract with, join, or belong to an association or because of that producer's promotion of legislation on behalf of an association of producers;

(3) To discriminate against any producer with respect to price, quantity, quality, or other terms of purchase, acquisition, or other handling of agricultural products because of that producer's membership in or contract with an association of producers or because of that producer's promotion of legislation on behalf of an association of producers;

(4) To coerce or intimidate any producer to enter into, maintain, breach, cancel, or terminate a membership agreement or marketing contract with an association of producers or a contract with a handler;

(5) To pay or loan money, give anything of value, or offer any other inducement or reward to a producer for refusing or ceasing to belong to an association of producers;

(6) To pay or loan money, give anything of value, or offer any other inducement or reward to a producer for refusing to contract or negotiate with a processor. [1989 c 355 § 5.]

15.83.050 Violations of chapter—Complaint. (1) If any person is charged with violating any provision of this chapter, the director shall investigate the charges. If, upon investigation, the director has reasonable cause to believe that the person charged has violated the provision, the director shall issue and cause to be served upon the person, a complaint stating the charges. A hearing on the charges shall be conducted in accordance with the provisions of chapter 34.05 RCW concerning contested cases.

(2) No complaint may be issued based upon any act occurring more than six months before the filing of the charge with the director. At the discretion of the director, any other person may be allowed to intervene in the proceeding and to present testimony and other evidence.

The order may also require the person to make reports from time to time showing the extent of compliance with the order. If, upon the preponderance of the testimony and other evidence, the director determines that the person named in the complaint has not engaged in or is not engaging in any prohibited practice, the director shall make and enter findings of fact and an order dismissing the complaint. [1989 c 355 § 6.]
15.83.060 Director's authority—Recordkeeping—Cooperation. If required to carry out the objectives of this chapter, including the conduct of any investigations or hearings:

1. The director shall require any person to:
   a. Establish and maintain records;
   b. Make reports; and
   c. Provide other information as may be reasonably required.

2. Any person subject to the provisions of this chapter shall provide the information, records, and reports reasonably required by the director, or make such material available to the director for inspection and/or copying at reasonable times and places, except that no person shall be required under this section to provide to the director proprietary business or financial records or information. [1989 c 355 § 7.]

15.83.070 Injury due to unlawful practices—Damages. A person injured in his or her business or property by reason of any violation of or conspiracy to violate RCW 15.83.030 or 15.83.040 may sue in a court of competent jurisdiction of the county in which such violation occurred without respect to the amount in controversy, and shall recover damages sustained, including reasonable attorneys' fees and costs of bringing the suit. Any action to enforce any cause of action under this section shall be forever barred unless commenced not later than two years after the cause of action accrues. [1989 c 355 § 8.]

15.83.080 Unlawful practices—Civil penalty. A person who violates RCW 15.83.030 or 15.83.040 may be assessed a civil penalty by the director of not more than five thousand dollars for each offense. No civil penalty may be assessed unless the person charged has been given notice and opportunity for a hearing pursuant to chapter 34.05 RCW. In determining the amount of the penalty, the director shall consider the size of the business of the person charged, the penalty's affect on the person's ability to continue in business, and the gravity of the violation. If the director is unable to collect the civil penalty, the director shall refer the collection to the attorney general. [1989 c 355 § 9.]

15.83.090 Injunction. The director or any aggrieved producer, accredited association, or handler may bring an action to enjoin the violation of any provision of this chapter or any regulation made pursuant to this chapter in a court of competent jurisdiction of the county in which such violation occurs or is about to occur. Aquaculture disease control: Chapter 77.115 RCW.

15.85.010 Legislative declaration. The legislature declares that aquatic farming provides a consistent source of quality food, offers opportunities of new jobs, increased farm income stability, and improves balance of trade.

The legislature finds that many areas of the state of Washington are scientifically and biologically suitable for aquaculture development, and therefore the legislature encourages promotion of aquacultural activities, programs, and development with the same status as other agricultural activities, programs, and development within the state.

The legislature finds that aquaculture should be considered a branch of the agricultural industry of the state for purposes of any laws that apply to or provide for the advancement, benefit, or protection of the agriculture industry within the state.

The legislature further finds that in order to ensure the maximum yield and quality of cultured aquatic products, the department of fish and wildlife should provide diagnostic services that are workable and proven remedies to aquaculture disease problems.

It is therefore the policy of this state to encourage the development and expansion of aquaculture within the state. It is also the policy of this state to protect wildstock fisheries by providing an effective disease inspection and control program and prohibiting the release of salmon or steelhead trout by the private sector into the public waters of the state and the subsequent recapture of such species as in the practice commonly known as ocean ranching. [1994 c 264 § 4; 1985 c 457 § 1.]

Release and recapture of salmon or steelhead prohibited: RCW 77.12.459.

[Title 15 RCW—page 161]
Title 15 RCW: Agriculture and Marketing

15.88.010 Legislative declaration. The legislature declares that:

(1) Marketing is a dynamic and changing part of Washington agriculture and a vital element in expanding the state economy.

(2) The sale in the state and export to other states and abroad of wine made in the state contribute substantial benefits to the economy of the state, provide a large number of jobs and sizeable tax revenues, and have an important stabilizing effect on prices received by agricultural producers. Development of exports of these commodities abroad will contribute favorably to the balance of trade of the United States and of the state. The sale and export are therefore affected with the public interest.

(3) The production of wine grapes in the state is a new and important segment of Washington agriculture which has potential for greater contribution to the economy of the state if it undergoes healthy development.

(4) The general welfare of the people of the state will be served by healthy development of the activities of growing and processing wine grapes, which development will improve the tax bases of local communities in which agricultural land and processing facilities are located, and obviate the need for state and federal funding of local services. The industries are therefore affected with the public interest.

(5) Creation of a commission for the public purpose of administering the revenue of the commission under RCW 66.24.210(3) for the enhancement of production of wine grapes and wine and the marketing of Washington wine will materially advance the industries of growing and processing wine grapes and thereby the interests of the citizens of the state. 15.88.025 Regulating wine grapes and wine—Existing comprehensive scheme—Applicable laws. The history, economy, culture, and future of Washington state's agriculture involves the wine industry. In order to develop and promote wine grapes and wine as part of an existing comprehensive scheme to regulate those products the legislature declares:

(1) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its wine grapes and wine be properly promoted by (a) enabling the wine industry to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing of wine grapes and wines they produce; and (b) working to stabilize the wine industry by increasing markets for wine grapes and wine within the state, the nation, and internationally;

(2) That wine grape growers and wine producers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the wine grape growers' and wine producers' ability to compete in local, domestic, and foreign markets;

(3) That it is in the overriding public interest that support for the wine industry be clearly expressed; that adequate protection be given to agricultural commodities, uses, activities, and operations; and that wine grapes and wine be promoted individually, and as part of a comprehensive industry to:

(a) Enhance the reputation and image of Washington state's agriculture industry;

(b) Increase the sale and use of wine grapes and wine in local, domestic, and foreign markets;

(c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of wine grapes and wine;

(d) Increase the knowledge of the qualities and value of Washington's wine grapes and wine; and

(e) Support and engage in programs or activities that benefit the production, handling, processing, marketing, and uses of wine grapes and wine;

(f) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state; and

(g) That the production and marketing of wine grapes and wine is a highly regulated industry and that the provisions of this chapter and the rules adopted under it are only one aspect of the regulated industry. Other regulations and restraints applicable to the wine grape and wine industry include:

(a) Organic food products act under chapter 15.86 RCW;

(b) Horticultural pests and diseases under chapter 15.08 RCW;

(c) Horticultural plants and facilities—Inspection and licensing under chapter 15.13 RCW;

(2) To do all things reasonably necessary to effect the purposes of this chapter. However, the commission shall have no legislative power;

[Title 15 RCW—page 164]
(3) At the pleasure of the commission, to employ and discharge managers, secretaries, agents, attorneys, and employees and to engage the services of independent contractors as the commission deems necessary, to prescribe their duties, and to fix their compensation;

(4) To receive donations of wine from wineries for promotional purposes;

(5) To engage directly or indirectly in the promotion of Washington wine, including without limitation the acquisition in any lawful manner and the dissemination without charge of wine, which dissemination shall not be deemed a sale for any purpose and in which dissemination the commission shall not be deemed a wine producer, supplier, or manufacturer of any kind or the clerk, servant, or agent of a producer, supplier, or manufacturer of any kind. Such dissemination shall be for agricultural development or trade promotion, which may include promotional hosting and shall in the good faith judgment of the commission be in aid of the marketing, advertising, or sale of wine, or of research related to such marketing, advertising, or sale;

(6) To acquire and transfer personal and real property, establish offices, incur expense, enter into contracts (including contracts for creation and printing of promotional literature, which contracts shall not be subject to chapter 43.78 RCW, but which shall be cancelable by the commission unless performed under conditions of employment which substantially conform to the laws of this state and the rules of the department of labor and industries). The commission may create such debt and other liabilities as may be reasonable for proper discharge of its duties under this chapter;

(7) To maintain such account or accounts with one or more qualified public depositaries as the commission may direct, to cause moneys to be deposited therein, and to expend moneys for purposes authorized by this chapter by drafts made by the commission upon such institutions or by other means;

(8) To cause to be kept and annually closed, in accordance with generally accepted accounting principles, accurate records of all receipts, disbursements, and other financial transactions, available for audit by the state auditor;

(10) To employ, designate as agent, act in concert with, and enter into contracts with any person, council, commission or other entity for the purpose of promoting the general welfare of the vinifera grape industry and particularly for the purpose of assisting in the sale and distribution of Washington wine in domestic and foreign commerce, expending moneys as it may deem necessary or advisable for such purpose and for the purpose of paying its proportionate share of the cost of any program providing direct or indirect assistance to the sale and distribution of Washington wine in domestic or foreign commerce, employing and paying for vendors of professional services of all kinds; and

(11) To sue and be sued as a commission, without individual liability for acts of the commission within the scope of the powers conferred upon it by this chapter. [1987 c 452 § 7.]
15.88.100 Commission members' votes weighted—Exception. (1) Except as provided in subsection (2) of this section, the vote of each of the voting members of the commission shall be weighted as provided by this subsection for the transaction of any of the business of the commission. The total voting strength of the entire voting membership of the commission shall be twelve votes. The vote of position one shall be equal to the lesser of the following: Six and one-half votes; or eleven votes times the percentage of the wine produced in the state that is produced by the person filling position one. The percentage shall be based upon the amount of wine produced in the previous calendar year and shall be rounded to the nearest ten percent. The remaining votes of the membership of the commission shall be divided equally among the remaining members of the commission.

(2) In the event that the percentage of wine produced by the producer represented by position one falls below twenty-five percent of the wine produced in the state, the weighted voting mechanism provided for in subsection (1) of this section shall cease to be effective. In that case, the voting shall be based on one vote per position. [2003 c 396 § 41; 1988 c 254 § 14; 1987 c 452 § 10.]

Effective date—2003 c 396: See note following RCW 15.66.030.
Effective date—1988 c 254 § 14: “Section 14 of this act shall take effect July 1, 1989.” [1988 c 254 § 15.]

15.88.110 Assessments on wine producers and growers to fund commission. See RCW 66.24.215.

15.88.120 List of growers of vinifera grapes—Reporting system. (1) The commission shall cause a list to be prepared of all Washington growers from any information available from the department, growers’ association, or wine producers. This list shall contain the names and addresses of all persons who grow vinifera grapes in this state for sale or use by wine producers within this state and the amount (by tonnage) of vinifera grapes produced during the period designated by the commission. A qualified person may, at any time, have his or her name placed upon the list by delivering or mailing the information to the commission. This list shall be corrected and brought up to date in accordance with evidence and information available to the commission on or before December 31st of each year. For all purposes of giving notice and holding referendums, the list on hand, corrected up to the day next preceding the date for issuing notices or ballots as the case may be, is, for purposes of this chapter, deemed to be the list of all growers entitled to notice or to assent or dissent or to vote.

(2) The commission shall develop a reporting system to document that the vinifera grape growers in this state are reporting quantities of vinifera grapes grown and subject to the assessment as provided in RCW 15.88.130. [1988 c 257 § 1.]

15.88.130 Annual assessment on harvested vinifera grapes—Approval by referendum—Rules. (1) Pursuant to approval by referendum in accordance with RCW 15.88.140, commencing on July 1, 1989, there shall be levied, and the commission shall collect, upon all vinifera grapes grown within this state an annual assessment of three dollars per ton of vinifera grapes harvested to be paid by the grower of the grapes.

(2) The commission shall recommend rules to the director prescribing the time, place, and method for payment and collection of this assessment. For such purpose, the commission may recommend that the director, by rule, require the wine producers or handlers within this state to collect the grower assessments from growers whose vinifera grapes they purchase or accept delivery and remit the assessments to the commission, and provide for collecting assessments from growers who ship directly out of state.

(3) After considering any recommendations made under subsection (2) of this section, the director shall adopt rules, in accordance with chapter 34.05 RCW, prescribing the time, place, and method for the payment and collection of the assessment levied under this section and approved under RCW 15.88.140. [1988 c 257 § 2.]

15.88.140 Referendum determining grower participation—Effect. (1) For purposes of determining grower participation in the commission and assessment under RCW 15.88.130, the director shall conduct a referendum among all vinifera grape growers within the state. The requirements of assent or approval of the referendum will be held to be complied with if: (a) At least fifty-one percent by numbers of growers replying in the referendum vote affirmatively; and (b) thirty percent of all vinifera grape growers and thirty percent by acreage have been represented in the referendum to determine assent or approval of participation and assessment. The referendum shall be conducted on or before September 15, 1988.

(2) If the director determines that the requisite assent has been given, the director shall direct the commission to put into force the assessment in RCW 15.88.130.

(3) If the director determines that the requisite assent has not been given, the director shall direct the commission not to levy the assessment provided in RCW 15.88.130. If the requisite assent has not been given, the commission shall not continue to specifically foster the interests of vinifera grape growers. [1988 c 257 § 3.]

15.88.150 Deposit of moneys. The commission shall deposit moneys collected under RCW 15.88.130 in a separate account in the name of the commission in any bank that is a state depository. All expenditures and disbursements made from this account under this chapter may be made without the necessity of a specific legislative appropriation. None of the provisions of RCW 43.01.050 apply to this account or to the moneys received, collected, or expended as provided in RCW 15.88.120 through 15.88.160. [1988 c 257 § 4.]
15.88.160 Assessment constitutes debt—Penalty for nonpayment—Civil action. A due and payable assessment levied in such specified amount as determined by the commission under RCW 15.88.130 constitutes a personal debt of every person so assessed or who otherwise owes the assessment, and the assessment is due and payable to the commission when payment is called for by the commission. If a person fails to pay the commission the full amount of the assessment by the date due, the commission may add to the unpaid assessment an amount not exceeding ten percent of the assessment to defray the cost of enforcing its collection. If the person fails to pay any such due and payable assessment or other such sum, the commission may bring a civil action for collection against the person or persons in a court of competent jurisdiction. The action shall be tried and judgment rendered as in any other cause of action for a debt due and payable. [1988 c 257 § 5.]

15.88.170 Certain records exempt from public disclosure—Exceptions—Actions not prohibited by chapter. (1) Under RCW 42.17.31907, certain agricultural business records, commission records, and department of agriculture records relating to the commission and producers of agricultural commodities are exempt from public disclosure.

(2) Financial and commercial information and records submitted to either the department or the commission for the purpose of administering this chapter may be shared between the department and the commission. They may also be used, if required, in any suit or administrative hearing involving any provision of this chapter or a marketing order.

(3) This chapter does not prohibit:

(a) The issuance of general statements based upon the reports of persons subject to this chapter as long as the statements do not identify the information furnished by any person; or

(b) The publication by the director or the commission of the name of any person violating this chapter and a statement of the manner of the violation by that person. [2002 c 313 § 76.]

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.88.180 Funding staff support—Rules—Costs of implementing RCW 15.88.073. (1) The director may provide by rule for a method to fund staff support for all commodity boards or commissions in accordance with RCW 43.23.033 if a position is not directly funded by the legislature and costs related to the specific activity undertaken on behalf of an individual commodity board or commission. The commission shall provide funds to the department according to the rules adopted by the director.

(2) The costs incurred by the department associated with the implementation of RCW 15.88.073 shall be paid for by the commission. [2003 c 396 § 44; 2002 c 313 § 76.]

Effective date—2003 c 396: See note following RCW 15.66.030.

Effective dates—2002 c 313: See note following RCW 15.65.020.

15.88.900 Construction—1987 c 452. This act shall be liberally construed to effectuate its purposes. [1987 c 452 § 19.]

(2004 Ed.)
process and approval requirements could reduce the availability of chemical pesticides for use on minor crops in Washington and may jeopardize the farmers' ability to grow these crops in Washington.

The legislature recognizes that Washington State University supports research and extension programs that can lead to reductions in pesticide use where viable alternatives are both environmentally and economically sound. Yet, the legislature finds that a focused and coordinated program is needed to develop possible alternatives, increase public confidence in the safety of the food system, and educate farmers and natural resource managers on land stewardship.

The legislature further finds that growers, processors, and agribusiness depend upon pesticide laboratories associated with manufacturers, regional universities, state departments of agriculture, and the United States department of agriculture to provide residue data for registering essential pesticides. The registration of uses for minor crops, which include vegetables, fruits, nuts, berries, nursery and greenhouse crops, and reregistration of needed chemicals, are activities of particular concern to ensure crop production. Furthermore, public demands for improved information and education on pesticides and risk assessment efforts justify these efforts.

The legislature further finds that multiple alternatives are needed for pest control, including programs for integrated pest management, genetic resistance to pests, biological control, cultural practices, and the use of appropriate approved chemicals. [1991 c 341 § 1.]

The first report, due no later than November 1, 1992, shall use federal criteria of acceptable risk of human and environmental exposure for establishing such priorities and for conducting responsive research and education programs. For each subsequent year, the report shall detail the center’s progress toward meeting the goals identified in the center’s plan. [1991 c 341 § 9.]

15.92.090 Commission on pesticide registration—Established—Composition—Duration of membership—Compensation. (1) A commission on pesticide registration is established. The commission shall be composed of twelve voting members appointed by the governor as follows:

(a) Eight members from the following segments of the state’s agricultural industry as nominated by a statewide private agricultural association or agricultural commodity commission formed under Title 15 RCW: (i) The tree fruit industry; (ii) hop growers; (iii) potato growers; (iv) wheat growers; (v) vegetable and seed growers; (vi) berry growers; (vii) wine grape growers; and (viii) the nursery and landscape industry. Although members are appointed from various segments of the agriculture industry, they are appointed to represent and advance the interests of the industry as a whole.

(b) One member from each of the following: (i) Forest protection industry; (ii) food processors; (iii) agricultural chemical industry; and (iv) professional pesticide applicators. One member shall be appointed for each such segment of the industry and shall be nominated by a statewide, private association of that segment of the industry. The representative of the agricultural chemical industry shall be involved in the manufacture of agricultural crop protection products.

The following shall be ex officio, nonvoting members of the commission: The coordinator of the interregional project number four at Washington State University; the director of the department of ecology or the director’s designee; the director of the department of agriculture or the director’s designee; the director of the department of labor and industries or the director’s designee; and the secretary of the department of health or the secretary’s designee.

(2) Each voting member of the commission shall serve a term of three years. However, the first appointments in the first year shall be made by the governor for one, two, and three-year terms so that, in subsequent years, approximately one-third of the voting members shall be appointed each year. The governor shall assign the initial one, two, and three-year terms to members by lot. A vacancy shall be filled by appointment for the unexpired term in the same manner provided for an appointment to the full term. No member of the commission may be removed by the governor during his or her term of office unless for cause of incapacity, incompetence, neglect of duty, or malfeasance in office. Each member of the commission shall receive travel expenses in accordance with RCW 43.03.050 and 43.03.060 for attending meetings of the commission and for performing special duties, in the way of official commission business, specifically assigned to the person by the commission. The voting members of the commission serve without compensation from the state other than such travel expenses.

(3) Nominations for the initial appointments to the commission under subsection (1) of this section shall be submitted by September 1, 1995. The governor shall make initial appointments to the commission by October 15, 1995.

(4) The commission shall elect a chair from among its voting members each calendar year. After its original organizational meeting, the commission shall meet at the call of the chair. A majority of the voting members of the commission constitutes a quorum and an official action of the commission may be taken by a majority vote of the quorum. [1999 c 247 § 1; 1995 c 390 § 1.]

15.92.095 Commission on pesticide registration—State appropriations—Restrictions on use of state money—Commission approval required. (1) This subsection applies to the use of state appropriations made to or legislatively intended for the commission on pesticide registration and to any other moneys appropriated by the state and received by the commission on pesticide registration:

(a) The moneys may not be expended without the express approval of the commission on pesticide registration;

(b) The moneys may be used for: (i) Evaluations, studies, or investigations approved by the commission on pesticide registration regarding the registration or reregistration of pesticides for minor crops or minor uses or regarding the availability of pesticides for emergency uses. These evaluations, studies, or investigations may be conducted by the food and environmental quality laboratory or may be secured by the commission from other qualified laboratories, researchers, or contractors by contract, which contracts may include, but are not limited to, those purchasing the use of proprietary information; (ii) evaluations, studies, or investigations approved by the commission regarding research, implementation, and demonstration of any aspect of integrated pest management and pesticide resistance management programs; (iii) the tracking system described in RCW 15.92.060; and (iv) the support of the commission on pesticide registration and its activities; and

(c) Not less than twenty-five percent of such moneys shall be dedicated to studies or investigations concerning the registration or use of pesticides for crops that are not among the top twenty agricultural commodities in production value produced in the state, as determined annually by the Washington agricultural statistics service.

(2) The commission on pesticide registration shall establish priorities to guide it in approving the use of moneys for evaluations, studies, and investigations under this section. Each biennium, the commission shall prepare a contingency plan for providing funding for laboratory studies or investigations that are necessary to pesticide registrations or related processes that will address emergency conditions for agricultural crops that are not generally predicted at the beginning of the biennium. [1999 c 247 § 2; 1995 c 390 § 2.]

15.92.100 Commission on pesticide registration—Duties. The commission on pesticide registration shall:
15.92.105 Commission on pesticide registration—Report on activities—Review by legislature. By December 15, 2002, the commission shall file with the legislature a report on the activities supported by the commission for the period beginning on July 23, 1995, and ending on December 1, 2002. The report shall include an identification of: The priorities that have been set by the commission; the state appropriations made to Washington State University that have been within the jurisdiction of the commission; the evaluations, studies, and investigations funded in whole or in part by such moneys and the registrations and uses of pesticides made possible in large part by those evaluations, studies, and investigations; the matching moneys, in-kind services, and materials provided by agricultural organizations for those evaluations, studies, and investigations; and the program or programs for tracking pesticide availability provided by the laboratory under the guidance of the commission and the means used for providing this information to organizations of agricultural producers.

During the regular session of the legislature in the year 2003, the appropriate committees of the house of representatives and senate shall evaluate the effectiveness of the commission in fulfilling its statutory responsibilities. [1995 c 390 § 6.]

15.100.010 Finding. The legislature finds that the creation of a forest products commission would assist in expanding the state’s economy, because:

(1) Marketing is a dynamic and changing part of the Washington forest products industry and a vital element in expanding the state economy;

(2) The sale in the state and export to other states and abroad of forest products made in the state contribute substantial benefits to the economy of the state, provide a large number of jobs and sizeable tax revenues, and are key components of the health of many local communities because many secondary businesses are largely dependent on the health of the forest products industry; and

(3) Forest products are made from a renewable resource and are more environmentally sound than many alternative products. [2001 c 314 § 1.]

15.100.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Commission" means the forest products commission.

(2) "Department" means the department of agriculture.

(3) "Director" means the director of the department of agriculture or the director’s authorized representative.
15.100.030 Washington forest products commission—Created—Membership—Quorum—Terms. (1) (a) There is created a commodity commission to be known and designated as the Washington forest products commission. The commission is composed of nine voting members. The commission may, in its sole discretion, add or remove nonvoting ex officio members to the commission. Of the members, six shall be from western Washington, and three shall be from eastern Washington. After the initial election of commission members, however, if a position cannot be filled by a member from eastern Washington within sixty days from the date on which nominations may first be received because of a lack of candidates, the position may be filled by a member from western Washington. Under no circumstances will there be less than two board members from eastern Washington. If a position was filled by a member from western Washington because of a lack of candidates from eastern Washington, and districts are not used for the nomination and election of members, then a person from eastern Washington must fill the next available vacancy or open position at the next election to bring the number of representatives from eastern Washington up to three members. All members shall be elected by the entire group of producers unless the commission creates districts for the members as authorized in RCW 15.100.050. If districts are used for the nomination and election of commission members, and it does not appear that one of the positions from eastern Washington will be filled because of a lack of candidates, then a commission member who resides in western Washington must be elected by the entire group of producers as an at-large member. The position of the western Washington member who is elected as an at-large member shall be filled by a member from eastern Washington at the expiration of the term of the at-large member. If districts are not used for the nomination and election of members, the commission shall strive to achieve representation on the commission from the different geographic regions of the state.

(b) Of the six members from western Washington, three members must have annual harvests of more than seventy-five million board feet, and three members must have annual harvests between two million board feet and seventy-five million board feet.

(c) Of the two members from eastern Washington, one member must have an annual harvest greater than forty million board feet, and one member must have an annual harvest between two million board feet and forty million board feet. If there is a third member from eastern Washington, the only harvest requirement is that the member have an annual harvest of at least two million board feet.

(2) The members must be citizens and residents of this state, and over the age of twenty-one years. Each member must currently, and for the five years last preceding his or her election, be actually engaged in producing forest products within the state of Washington, either individually or as an officer of a corporation, firm, partnership, trust, association, or business organization at the level of production required to qualify as a producer. Each member must also derive a substantial amount of his or her income from the production of forest products. The qualifications set forth in this section apply throughout each member’s term of office.

(3) No more than one member of the commission may be employed by, or connected in a proprietary capacity with, the same corporation, firm, partnership, trust, association, or business organization.

(4) Five voting members of the commission constitute a quorum for the transaction of all business and the carrying out of the duties of the commission.

(5) The regular term of office of the members is four years from November 1st following their election and until their successors are elected and qualified. However, the first terms of the members elected in the initial November 1st election is as follows: Positions one, four, and seven terminate on November 1st, two years after the initial election is held; positions two, five, and eight terminate on November 1st, three years after the initial election is held; and positions three, six, and nine terminate on November 1st, four years after the initial election is held. [2002 c 251 § 2; 2001 c 314 § 3.]

15.100.040 Initial meeting—Nominations for initial election of members—Subsequent efforts when approval not given. (1) The director shall call the initial meeting of producers of forest products for the purpose of nominating their respective members of the commission after receiving notice from an association representing producers of forest products that substantial interest exists in forming a forest products commission. Public notice of the meeting shall be given by the director in the manner the director determines is appropriate. A producer may on his or her own motion file his or her name with the director for the purpose of receiving notice of the meeting. The nonreceipt of the notice by any interested person does not invalidate the proceedings.

(2) Prior to the nomination of commission members, the department of revenue shall provide the director with a list of all qualified producers within the state based upon tax records of the department.

(3) For the initial election of commission members, any qualified producer may be nominated orally for a commissioner position at the meeting convened by the director. Nominations may also be made within five days prior to the meeting by a written petition filed with the department, signed by at least five producers who reside in the state. If the director determines that one of the positions from eastern
Washington will go unfilled because of a lack of candidates, the director shall announce that this position shall be filled by a member from western Washington. If the position designated for eastern Washington is filled by a member from western Washington because of a lack of candidates from eastern Washington, this position shall be designated as position number seven by the director for purposes of RCW 15.100.030(5). Under no circumstances will there be less than two board members from eastern Washington.

(4) The initial members of the commission shall be elected by secret mail ballot under the supervision of the director at the same time the referendum is submitted under RCW 15.100.120 calling for the creation of the commission and the imposition of the initial assessment. If a nominee does not receive a majority of the votes on the first ballot, a run-off election shall be held by mail in a similar manner between the two candidates for the position receiving the largest number of votes.

(5) If the director determines under RCW 15.100.120(3) that the requisite approval for the establishment of a commission has not been given, any subsequent efforts to create a commission must follow the procedures established under this chapter for the initial nomination and election of members. [2002 c 251 § 3; 2001 c 314 § 4.]

15.100.043 Costs of proceeding to form a commission—Reimbursement. The association responsible for giving the director notice under RCW 15.100.040 that substantial interest exists in forming a forest products commission shall reimburse the department for its costs associated with conducting a proceeding to initiate a commission under RCW 15.100.040 and 15.100.120. If the necessary approval is received for the creation of a commission, the commission shall reimburse the association for the costs paid to the department when funds become available. [2002 c 251 § 4.]

15.100.050 After initial election of members—Rules—Annual meetings—Public notice. (1) After the initial election of commission members, the commission shall establish rules for electing commission members, including the method used for notification, nominating, and voting. The commission may create commission districts and boundaries, and may also establish a weighted voting procedure for election of commission members. The commission shall hold its annual meeting during the month of October each year for the purpose of nominating commission members and the transaction of other business. Public notice of the meeting shall be given by the commission in the manner it determines is appropriate. A producer may on his or her own motion file his or her name with the commission for the purpose of receiving notice of the meeting. The nonreceipt of the notice by any interested person does not invalidate the proceedings.

(2) Prior to the nomination of commission members, the department of revenue shall provide the commission with a list of all qualified producers within the state based upon tax records of the department. [2001 c 314 § 5.]

15.100.060 Vacancies—Compensation. (1) In the event a position becomes vacant due to resignation, disqualification, death, or for any other reason, the position until the next annual meeting shall be filled by vote of the remaining members of the commission. At the annual meeting a commissioner shall be elected to fill the balance of the unexpired term.

(2) Each member of the commission shall be compensated in accordance with RCW 43.03.230 and shall be reimbursed for actual travel expenses incurred in carrying out the provisions of this chapter. Employees of the commission may also be reimbursed for actual travel expenses when on official commission business. [2001 c 314 § 6.]

15.100.070 Obligations of commission—Limitations on liabilities or claims—State—Individual capacity. Obligations incurred by the commission and liabilities or claims against the commission may be enforced only against the assets of the commission in the same manner as if it were a corporation and no liability for the debts or actions of the commission exists against either the state of Washington or any subdivision or instrumentality thereof or against any member, officer, employee, or agent of the commission in his or her individual capacity. The members of the commission, including employees of the commission, may not be held responsible individually or in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person, or employees, except for their own individual acts of dishonesty or crime. A person or employee may not be held responsible individually for any act or omission of any other members of the commission. [2001 c 314 § 7.]

15.100.080 Powers and duties of commission. The powers and duties of the commission include:

(7) To enforce the provisions of this chapter, including investigating and prosecuting violations of this chapter;

(8) To acquire and transfer personal and real property, establish offices, incur expense, and enter into contracts. Contracts for creation and printing of promotional literature are not subject to chapter 43.78 RCW, but such contracts may be canceled by the commission unless performed under conditions of employment which substantially conform to the laws of this state and the rules of the department of labor and industries. The commission may create such debt and other liabilities as may be reasonable for proper discharge of its duties under this chapter;

(9) To maintain such account or accounts with one or more qualified public depositaries as the commission may direct, to cause moneys to be deposited therein, and to expend moneys for purposes authorized by this chapter by drafts made by the commission upon such institutions or by other means;

15.100.090 Research, promotional, and educational campaigns. The commission shall create, provide for, and conduct a research, promotional, and educational campaign as sales and market conditions reasonably require. It shall investigate and ascertain the needs of producers, conditions of markets, and degree of public awareness of products, and take into account the information obtained in the discharge of its duties under this chapter. [2001 c 314 § 9.]

15.100.100 List of all Washington producers—Confidential—Reporting system for assessment purposes. (1) The commission shall cause a list to be prepared of all Washington producers of forest products from any information available from the commission, producers’ association, or producers, including tax records from the department of revenue. This list shall contain the names and addresses of all persons who produce forest products within this state, the amount of forest products produced during the period designated by the commission, and the assessment amount for each member. The list is considered confidential and may be reviewed only by the employees of the commission, except for information that may be disclosed to the public and commission members under subsection (4) of this section. A qualified person may, at any time, have his or her name placed upon the list by delivering or mailing the information to the commission. This list shall be corrected and brought up to date in accordance with evidence and information available to the commission on or before December 31st of each year, or as soon thereafter as possible. For all purposes of giving notice and holding referendums, the list on hand, corrected up to the day next preceding the date for issuing notices or ballots as the case may be, is, for purposes of this chapter, the list of all producers entitled to notice or to assent or dissent or to vote.

(2) The commission shall develop a reporting system to document that the producers of forest products in this state are reporting quantities of forest products produced and subject to the assessment as provided in RCW 15.100.110.

(3) The department of revenue may charge the commission for the reasonable costs of providing reports of harvest activity on a quarterly basis.

(4) Any taxpayer information received by the commission from the department of revenue may only be used for the limited purposes of establishing lists of producers necessary to determine eligibility for voting, eligibility for serving as a commission member, the amount of assessments owed, or other necessary purposes as established by law. Any return or tax information received from the department of revenue may be reviewed only by the employees of the commission. Employees may disclose to the public and commission members a list of commission members, groupings of at least three commission members by the amount of forest products harvested over any time period designated by the commission of at least one quarter, and the members who are eligible for the various positions on the commission. [2001 c 314 § 10.]

15.100.110 Assessment for permanent funding of commission—Adjustments—Referendum. (1) To provide for permanent funding of the forest products commission, an assessment shall be levied by the commission on producers of each species of forest products. The initial rate of assessment that shall be submitted for approval by referendum pursuant to RCW 15.100.120 is fifty-seven cents per thousand board feet. The initial assessment is not effective until approved by a majority of producers as required by RCW 15.100.120.

(2) After the initial assessment rate is approved, the commission may adjust the amount of the assessment within a range of forty-five cents up to ninety cents per thousand board feet. The commission shall submit any proposed increase in the assessment to producers pursuant to the referendum process established in this section, and shall supply all
known producers with a ballot for the referendum. The commission shall establish the assessment for the marketing year by January 1st of each year, or as soon thereafter as possible. Assessments may only be used for the purposes and objects of this chapter.

(3) The forest products commission may raise the assessment on forest products in excess of the fiscal growth factor under chapter 43.135 RCW. The assessment limits established by this section are solely to provide prior legislative authority for the purposes of RCW 43.135.055 and are not a limit on the authority of the forest products commission to alter assessments in any manner not limited by RCW 43.135.055. However, any alteration in assessments made under this section must be made with the procedural requirements established by this chapter for altering such assessments.

(4) The requirement for approval of an assessment is met if: (a) At least fifty-one percent by numbers of producers replying in the referendum vote affirmatively, and these producers represent at least sixty-one percent of the volume of the producers replying in the referendum; or (b) sixty-five percent by numbers of producers replying in the referendum vote affirmatively, and these producers represent at least fifty-one percent of the volume of the producers replying in the referendum. An assessment shall only be approved if at least forty percent of the eligible producers participate in the vote. [2001 c 314 § 11.]

15.100.120 Establishment of commission and initial assessment—Statewide referendum among producers.
(1) For purposes of determining producer participation in the commission, the initial election of commissioners, and for imposition of the original assessment specified in RCW 15.100.110, the director shall conduct a referendum among all producers of forest products within the state.

(2) The requirement for approval of the assessment and creation of the commission is met if: (a) At least fifty-one percent by numbers of producers replying in the referendum vote affirmatively, and these producers represent at least sixty-one percent of the volume of the producers replying in the referendum; or (b) sixty-five percent by numbers of producers replying in the referendum vote affirmatively, and these producers represent at least fifty-one percent of the volume of the producers replying in the referendum. The referendum shall only be approved if at least forty percent of the eligible producers participate in the vote.

(3) If the director determines that the requisite approval has been given, the director shall declare the establishment of the commission and direct it to put into force the assessment authorized in RCW 15.100.110. If the director finds that the requisite approval has not been given, then this chapter is not operative. [2001 c 314 § 12.]

15.100.130 Deposit of moneys collected— Appropriation not required. The commission shall deposit moneys collected under RCW 15.100.110 in a separate account in the name of the commission in any bank that is a state depository. All expenditures and disbursements made from this account under this chapter may be made without the necessity of a specific legislative appropriation. RCW 43.01.050 does not apply to this account or to the moneys received, collected, or expended under this chapter. [2001 c 314 § 13.]

15.100.140 Assessment—Personal debt—Payable when called—Failure to pay—Civil action. A due and payable assessment levied in the amount determined by the commission under RCW 15.100.110 constitutes a personal debt of every person so assessed, or who otherwise owes the assessment, and the assessment is due and payable to the commission when payment is called for by the commission. If a person fails to pay the commission the full amount of the assessment by the date due, the commission may add to the unpaid assessment an amount not exceeding ten percent of the assessment to defray the cost of enforcing its collection. If the person fails to pay any due and payable assessment or other such sum, the commission may bring a civil action for collection against the person or persons in a court of competent jurisdiction. The action shall be tried and judgment rendered as in any other cause of action for a debt due and payable. [2001 c 314 § 14.]

15.100.150 Enforcement of chapter. All county and state law enforcement officers shall assist in the enforcement of this chapter. [2001 c 314 § 15.]

15.100.160 Superior courts—Jurisdiction. The superior courts are hereby vested with jurisdiction to enforce this chapter and the rules of the commission, and to prevent and restrain violations thereof. [2001 c 314 § 16.]

15.100.900 Construction. This chapter shall be liberally construed to effectuate its purposes. [2001 c 314 § 17.]

15.100.901 Severability—2001 c 314. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [2001 c 314 § 22.]

The legislature also finds that the from the heart of Washington program, developed by the Washington state department of agriculture with one-time federal grant monies, is a valuable tool to convey important messages about Washington agriculture and to encourage Washington citizens to buy Washington-grown and Washington-processed food and agricultural products. With the exhaustion of the one-time federal grant funding, the legislature finds that the program would benefit from a new governance structure that will allow the necessary operational flexibility to enable the program to expand and to encourage private investment in the program, and that the continuance of the program as a private, nonprofit corporation is the best method to achieve these goals.

The legislature further finds that the continuation of the from the heart of Washington program will provide both direct and indirect economic benefits to the people of the state of Washington. [2004 c 26 § 1.]

**15.105.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "From the heart of Washington" or "program" means that program created by the department to encourage Washington citizens to purchase Washington food and agricultural products and to promote the value of agriculture and family farms to Washington state.

(2) "Successor organization" means a private, nonprofit corporation created specifically to assume responsibility for carrying out the from the heart of Washington program that is now part of the department. The private, nonprofit corporation must qualify as a tax-exempt, nonprofit corporation under section 501(c) of the federal internal revenue code; the majority of members on its board of directors must be from Washington commodity commissions, nonprofit associations organized for the promotion of Washington agricultural products, and other agricultural industry groups; and the corporation must carry forward with the work of the current program.

(3) "Department" means the Washington state department of agriculture.

(4) "Director" means the director of the Washington state department of agriculture.

(5) "Fiscal agent" means the Washington state fruit commission, as a contractor of the department. [2004 c 26 § 2.]

**15.105.020 Establishing a private, nonprofit corporation—Duties of successor organization—Debts and other liabilities.** (1) The department may cooperate with other agencies, boards, commissions, and associations in the state of Washington to establish a private, nonprofit corporation for the purpose of carrying out the program. The nonprofit corporation must be organized under chapter 24.03 RCW and has the powers granted under that chapter. However, this chapter does not prohibit the department or other agencies, boards, commissions, and associations from separately continuing to promote Washington products under their existing authorities.

(2) The department may contract with the successor organization to carry out the program. The contract must require the successor organization to aggressively seek to fund its continued operation from nonstate funding sources.

(3) The successor organization must report to the department each January 1st on the amounts it has secured from both nonstate and state funding sources, its operations, and its programs.

(4) Debts and other liabilities of the successor organization are successor organization debts and liabilities only and may be satisfied only from the resources of the successor organization. The state of Washington is not liable for the debts or liabilities of the successor organization. [2004 c 26 § 3.]

**15.105.030 Actions by department to establish a successor organization.** In order to accomplish the establishment of a successor organization, the department and its fiscal agent may take all necessary and proper steps, including:

(1) Transferring any equipment, software, data base, other assets except the logo of the program, or contracts for services to the successor organization under appropriate terms and conditions, including reasonable compensation deemed appropriate by the department. The department shall retain the right to repossession any property transferred to the successor organization in the event that the successor organization dissolves, becomes bankrupt, insolvent, or is otherwise unable to carry out the program, or if the successor organization fails to comply with any contract with the department. In the event that the department exercises its right to repossess under this section, any property returned to the department becomes the property of the state and is administered by the department;

(2) Unless otherwise provided by agreement, assigning any contracts and other duties and responsibilities to the successor organization related to the program; and

(3) Providing necessary support services to the successor organization under contract for up to a two-year period after the effective date of a contract between a successor organization and the department for the delivery of program services. The successor organization shall provide full reimbursement for all costs of services contracted for under this subsection. [2004 c 26 § 4.]

**15.105.040 Board of directors of the successor organization—State membership.** (1) The department shall designate one or more persons to serve in the capacity of a member of the board of directors of the successor organization. The state is not liable under any circumstances for the acts of the successor organization, any member of its board of directors, or its employees.

(2) The department may pay an annual membership fee to the successor organization not to exceed the value of services received. [2004 c 26 § 5.]

**15.105.050 Program logo.** The logo of the program is the property of the department. The department may license the use of the logo to the successor organization and others, as it deems appropriate. The department retains the right to cancel any license to use the logo. [2004 c 26 § 6.]
15.105.060 Gifts, grants, or endowments. The department may receive gifts, grants, or endowments from private or public sources that are made from time to time, in trust or otherwise, for the use and benefit of the purposes of the program. The department may spend or contract with the successor organization to spend the gifts, grants, or endowments or income from the private or public sources according to their terms. [2004 c 26 § 7.]

15.105.900 Severability—2004 c 26. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [2004 c 26 § 8.]

15.105.901 Effective date—2004 c 26. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [March 19, 2004]. [2004 c 26 § 10.]

16.08.070 Dangerous dogs and related definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout RCW 16.08.070 through 16.08.100.

1. "Potentially dangerous dog" means any dog that when unprovoked: (a) Inflicts bites on a human or a domestic animal either on public or private property, or (b) chases or approaches a person upon the streets, sidewalks, or any public grounds in a menacing fashion or apparent attitude of attack, or any dog with a known propensity, tendency, or disposition to attack unprovoked, to cause injury, or to cause injury or otherwise to threaten the safety of humans or domestic animals.

2. "Dangerous dog" means any dog that (a) inflicts severe injury on a human being without provocation on public or private property, (b) kills a domestic animal without provocation while the dog is off the owner's property, or (c) has been previously found to be potentially dangerous because of injury inflicted on a human, the owner having received notice of such and the dog again aggressively bites, attacks, or endangers the safety of humans.

3. "Severe injury" means any physical injury that results in broken bones or disfiguring lacerations requiring multiple sutures or cosmetic surgery.

4. "Proper enclosure of a dangerous dog" means, while on the owner's property, a dangerous dog shall be securely confined indoors or in a securely enclosed and locked pen or structure, suitable to prevent the entry of young children and designed to prevent the animal from escaping. Such pen or structure shall have secure sides and a secure top, and shall also provide protection from the elements for the dog.

5. "Animal control authority" means an entity acting alone or in concert with other local governmental units for...
enforcement of the animal control laws of the city, county, and state and the shelter and welfare of animals.

(6) "Animal control officer" means any individual employed, contracted with, or appointed by the animal control authority for the purpose of aiding in the enforcement of this chapter or any other law or ordinance relating to the licensure of animals, control of animals, or seizure and impoundment of animals, and includes any state or local law enforcement officer or other employee whose duties in whole or in part include assignments that involve the seizure and impoundment of any animal.

(7) "Owner" means any person, firm, corporation, organization, or department possessing, harboring, keeping, having an interest in, or having control or custody of an animal.

Severability—1987 c 94: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1987 c 94 § 6.]

16.08.080 Dangerous dogs—Notice to owners—Right of appeal—Certificate of registration required—Surety bond—Liability insurance—Restrictions. (1) Any city or county that has a notification and appeal procedure with regard to determining a dog within its jurisdiction to be dangerous may continue to utilize or amend its procedure. A city or county animal control authority that does not have a notification and appeal procedure in place as of June 13, 2002, and seeks to declare a dog within its jurisdiction, as defined in subsection (7) of this section, to be dangerous must serve notice upon the dog owner in person or by regular and certified mail, return receipt requested.

(2) The notice must state: The statutory basis for the proposed action; the reasons the authority considers the animal dangerous; a statement that the dog is subject to registration and controls required by this chapter, including a recitation of the controls in subsection (6) of this section; and an explanation of the owner’s rights and of the proper procedure for appealing a decision finding the dog dangerous.

(3) Prior to the authority issuing its final determination, the authority shall notify the owner in writing that he or she is entitled to an opportunity to meet with the authority, at which meeting the owner may give, orally or in writing, any reasons or information as to why the dog should not be declared dangerous. The notice shall state the date, time, and location of the meeting, which must occur prior to expiration of fifteen calendar days following delivery of the notice. The owner may propose an alternative meeting date and time, but such meeting must occur within the fifteen-day time period set forth in this section. After such meeting, the authority must issue its final determination, in the form of a written order, within fifteen calendar days. In the event the authority declares a dog to be dangerous, the order shall include a recital of the authority for the action, a brief concise statement of the facts that support the determination, and the signature of the person who made the determination. The order shall be sent by regular and certified mail, return receipt requested, or delivered in person to the owner at the owner’s last address known to the authority.

(4) If the local jurisdiction has provided for an administrative appeal of the final determination, the owner must follow the appeal procedure set forth by that jurisdiction. If the local jurisdiction has not provided for an administrative appeal, the owner may appeal a municipal authority’s final determination that the dog is dangerous to the municipal court, and may appeal a county animal control authority’s or county sheriff’s final determination that the dog is dangerous to the district court. The owner must make such appeal within twenty days of receiving the final determination. While the appeal is pending, the authority may order that the dog be confined or controlled in compliance with RCW 16.08.090. If the dog is determined to be dangerous, the owner must pay all costs of confinement and control.

(5) It is unlawful for an owner to have a dangerous dog in the state without a certificate of registration issued under this section. This section and RCW 16.08.090 and 16.08.100 shall not apply to police dogs as defined in RCW 4.24.410.

(6) Unless a city or county has a more restrictive code requirement, the animal control authority of the city or county in which an owner has a dangerous dog shall issue a certificate of registration to the owner of such animal if the owner presents to the animal control unit sufficient evidence of:

(a) A proper enclosure to confine a dangerous dog and the posting of the premises with a clearly visible warning sign that there is a dangerous dog on the property. In addition, the owner shall conspicuously display a sign with a warning symbol that informs children of the presence of a dangerous dog;

(b) A surety bond issued by a surety insurer qualified under chapter 48.28 RCW in a form acceptable to the animal control authority in the sum of at least two hundred fifty thousand dollars, payable to any person injured by the dangerous dog; or

(c) A policy of liability insurance, such as homeowner’s insurance, issued by an insurer qualified under Title 48 RCW in the amount of at least two hundred fifty thousand dollars, insuring the owner for any personal injuries inflicted by the dangerous dog.

(7)(a)(i) If an owner has the dangerous dog in an incorporated area that is serviced by both a city and a county animal control authority, the owner shall obtain a certificate of registration from the city authority;

(ii) If an owner has the dangerous dog in an incorporated or unincorporated area served only by a county animal control authority, the owner shall obtain a certificate of registration from the county authority;

(iii) If an owner has the dangerous dog in an incorporated or unincorporated area that is not served by an animal control authority, the owner shall obtain a certificate of registration from the office of the local sheriff.

(b) This subsection does not apply if a city or county does not allow dangerous dogs within its jurisdiction.

(8) Cities and counties may charge an annual fee, in addition to regular dog licensing fees, to register dangerous dogs.

(9) Nothing in this section limits a local authority in placing additional restrictions upon owners of dangerous dogs. This section does not require a local authority to allow a dangerous dog within its jurisdiction. [2002 c 244 § 1; 1989 c 26 § 3; 1987 c 94 § 2.]

Severability—1987 c 94: See note following RCW 16.08.070.
### Dangerous dogs—Requirements for restraint—Potentially dangerous dogs—Dogs not declared dangerous

1. It is unlawful for an owner of a dangerous dog to permit the dog to be outside the proper enclosure unless the dog is muzzled and restrained by a substantial chain or leash and under physical restraint of a responsible person. The muzzle shall be made in a manner that will not cause injury to the dog or interfere with its vision or respiration but shall prevent it from biting any person or animal.

2. Potentially dangerous dogs shall be regulated only by local, municipal, and county ordinances. Nothing in this section limits restrictions local jurisdictions may place on owners of potentially dangerous dogs.

3. Dogs shall not be declared dangerous if the threat, injury, or damage was sustained by a person who, at the time, was committing a willful trespass or other tort upon the premises occupied by the owner of the dog, or was tormenting, abusing, or assaulting the dog or has, in the past, been observed or reported to have tormented, abused, or assaulted the dog or was committing or attempting to commit a crime.

[1987 c 94 § 3.]

Severability—1987 c 94: See note following RCW 16.08.070.

### Dangerous dogs—Confiscation—Conditions—Duties of animal control authority—Penalties and affirmative defenses for owners of dogs that attack—Dog fights, penalty

1. Any dangerous dog shall be immediately confiscated by an animal control authority if the: (a) Dog is not validly registered under RCW 16.08.080; (b) owner does not secure the liability insurance coverage required under RCW 16.08.080; (c) dog is not maintained in the proper enclosure; or (d) dog is outside of the dwelling of the owner, or outside of the proper enclosure and not under physical restraint of the responsible person. The owner must pay the costs of confinement and control. The animal control authority must serve notice upon the dog owner in person or by regular and certified mail, return receipt requested, specifying the reason for the confiscation of the dangerous dog, that the owner is responsible for payment of the costs of confinement and control, and that the dog will be destroyed in an expeditious and humane manner if the deficiencies for which the dog was confiscated are not corrected within twenty days. The animal control authority shall destroy the confiscated dangerous dog in an expeditious and humane manner if any deficiencies required by this subsection are not corrected within twenty days. In addition, the owner shall be guilty of a gross misdemeanor punishable in accordance with RCW 9A.20.021.

2. If a dangerous dog of an owner with a prior conviction under this chapter attacks or bites a person or another domestic animal, the dog's owner is guilty of a class C felony punishable in accordance with RCW 9A.20.021. It is an affirmative defense that the defendant must prove by a preponderance of the evidence that he or she was in compliance with the requirements for ownership of a dangerous dog pursuant to this chapter and the person or domestic animal attacked or bitten by the defendant's dog trespassed on the defendant's real or personal property or provoked the defendant's dog without justification or excuse. In addition, the dangerous dog shall be immediately confiscated by an animal control authority, placed in quarantine for the proper length of time, and thereafter destroyed in an expeditious and humane manner.

3. The owner of any dog that aggressively attacks and causes severe injury or death of any human, whether or not the dog has previously been declared potentially dangerous or dangerous, shall, upon conviction, be guilty of a class C felony punishable in accordance with RCW 9A.20.021. It is an affirmative defense that the defendant must prove by a preponderance of the evidence that the human severely injured or killed by the defendant's dog: (a) Trespassed on the defendant's real or personal property which was enclosed by fencing suitable to prevent the entry of young children and designed to prevent the dog from escaping and marked with clearly visible signs warning people, including children, not to trespass and to beware of dog; or (b) provoked the defendant's dog without justification or excuse on the defendant's real or personal property which was enclosed by fencing suitable to prevent the entry of young children and designed to prevent the dog from escaping and marked with clearly visible signs warning people, including children, not to trespass and to beware of dog. In such a prosecution, the state has the burden of showing that the owner of the dog either knew or should have known that the dog was potentially dangerous as defined in this chapter. The state may not meet its burden of proof that the owner should have known the dog was potentially dangerous solely by showing the dog to be a particular breed or breeds. In addition, the dog shall be immediately confiscated by an animal control authority, quarantined, and, upon conviction of the owner destroyed in an expeditious and humane manner.

4. Any person entering a dog in a dog fight is guilty of a class C felony punishable in accordance with RCW 9A.20.021. [2002 c 244 § 3; 1987 c 94 § 4.]

Severability—1987 c 94: See note following RCW 16.08.070.

**16.10.010  Purpose.** The purpose of this chapter is to provide for the licensing of dogs within specific areas of particular counties. [1969 c 72 § 1.]

**16.10.020  Dog control zones—Determination of need by county commissioners.** County commissioners may, if the situation so requires, establish dog control zones within high density population districts, or other specified areas, of a county outside the corporate limits of any city, and outside the corporate limits of any organized township. For such zones, licensing regulations may be established which shall not necessarily be operative in sparsely settled rural districts, or in other portions of the county where they may not be
needed. In determining the need for such zones, and in drawing their boundaries, county commissioners shall take into consideration the following factors:

1. The density of population in the area proposed to be zoned;
2. Zoning regulations, if any, in force in the area proposed to be zoned;
3. The public health, safety and welfare within the area proposed to be zoned.

If the commissioners shall find that the area proposed to be zoned is heavily populated, or that the purposes for which the land is being used therein require that dogs be controlled, or that the health, safety, and welfare of the people in the area require such control, they may propose the establishment of a dog control zone. [1969 c 72 § 2.]

16.10.030 Dog control zones—Public hearing, publication of notice. In determining whether any dog control zone should be established, the county commissioners shall call a public hearing, notice of which shall be published once a week for each of four consecutive weeks prior thereto in a newspaper of general circulation within the proposed zone. At such a hearing, proponents and opponents of the proposed dog control zone may appear and present their views. The final decision of the commissioners with respect to the establishment of such a zone shall not be made until the conclusion of the hearing. [1969 c 72 § 3.]

16.10.040 Dog control zones—Regulations—License fees, collection, disposition. The county commissioners shall by ordinance promulgate the regulations to be enforced within a dog control zone. These shall include provisions for the control of unlicensed dogs and the establishment of license fees. The county sheriff and/or other agencies designated by the county commissioners shall be responsible for the enforcement of the act, including the collection of license fees. Fees collected shall be transferred to the current expense fund of each county. [1969 c 72 § 4.]

Finding—Intent—1994 c 261: "The legislature finds there is a need to modernize the law on animal cruelty to more appropriately address the nature of the offense. It is not the intent of this act to remove or decrease any of the exemptions from the statutes on animal cruelty that now apply to customary animal husbandry practices, state game or fish laws, rodeos, fairs under chapter 15.76 RCW, or medical research otherwise authorized under federal or state law. It is the intent of this act to require the enforcement of chapter 16.52 RCW by persons who are accountable to elected officials at the local and state level." [1994 c 261 § 1.]

16.52.015 Enforcement—Law enforcement agencies and animal care and control agencies. (1) Law enforcement agencies and animal care and control agencies may enforce the provisions of this chapter. Animal care and control agencies may enforce the provisions of this chapter in a county or city only if the county or city legislative authority has entered into a contract with the agency to enforce the provisions of this chapter.

(2) Animal control officers enforcing this chapter shall comply with the same constitutional and statutory restrictions concerning the execution of police powers imposed on law enforcement officers who enforce this chapter and other criminal laws of the state of Washington.

(3) Animal control officers have the following enforcement powers when enforcing this chapter:

(a) The power to issue citations based on probable cause to offenders for misdemeanor and gross misdemeanor violations of this chapter or RCW 9.08.070 through 9.08.078 or 81.56.120;

(b) The power to cause a law enforcement officer to arrest and take into custody any person the animal control officer has probable cause to believe has committed or is committing a violation of this chapter or RCW 9.08.070 or 81.56.120. Animal control officers may make an oral complaint to a prosecuting attorney or a law enforcement officer to initiate arrest. The animal control officer causing the arrest shall file with the arresting agency a written complaint within twenty-four hours of the arrest, excluding Sundays and legal holidays, stating the alleged act or acts constituting a violation;

(c) The power to carry nonfirearm protective devices for personal protection;

(d) The power to prepare affidavits in support of search warrants and to execute search warrants when accompanied by law enforcement officers to investigate violations of this chapter or RCW 9.08.070 or 81.56.120, and to seize evidence of those violations.

(4) Upon request of an animal control officer who has probable cause to believe that a person has violated this chapter or RCW 9.08.070 or 81.56.120, a law enforcement agency officer may arrest the alleged offender. [2003 c 53 § 110; 1994 c 261 § 3.]

16.52.020 Humane societies—Enforcement authority. Any citizens of the state of Washington incorporated under the laws of this state as a humane society or as a society for the prevention of cruelty to animals may enforce the provisions of this chapter through its animal control officers subject to the limitations in RCW 16.52.015 and 16.52.025. The legislative authority in each county may grant exclusive authority to exercise the privileges and authority granted by this section to one or more qualified corporations for a period of up to three years based upon ability to fulfill the purposes of this chapter. [1994 c 261 § 4; 1973 1st ex.s. c 125 § 1; 1901 c 146 § 1; RRS § 3184.]

16.52.025 Humane societies—Animal control officers. Trustees of humane societies incorporated pursuant to RCW 16.52.020 may appoint society members to act as animal control officers. The trustee appointments shall be in writing. The appointment shall be effective in a particular county only if an appointee obtains written authorization from the superior court of the county in which the appointee seeks to enforce this chapter. To obtain judicial authorization, an appointee seeking judicial authorization on or after June 9, 1994, shall provide evidence satisfactory to the judge that the appointee has successfully completed training which has prepared the appointee to assume the powers granted to animal control officers pursuant to RCW 16.52.015. The trustees shall review appointments every three years and may revoke an appointment at any time by filing a certified revocation with the superior court that approved the appointment. Authorizations shall not exceed three years or trustee termination, whichever occurs first. To qualify for reappointment when a term expires on or after June 9, 1994, the officer shall obtain training or satisfy the court that the officer has sufficient experience to exercise the powers granted to animal control officers pursuant to RCW 16.52.015. [1994 c 261 § 5.]

16.52.080 Transporting or confining in unsafe manner—Penalty. [1982 c 114 § 5; 1974 ex.s. c 12 § 1; 1901 c 146 § 5; RRS § 3188. Prior: 1893 c 27 § 2, part; Code 1881 § 930, part.]

Cruelty to stock in transit: RCW 81.56.120.

16.52.085 Removal of animals for feeding—Examination—Notice—Euthanasia. (1) If a law enforcement officer or animal control officer has probable cause to believe that an owner of a domestic animal has violated this chapter and no responsible person can be found to assume the animal's care, the officer may authorize, with a warrant, the removal of the animal to a suitable place for feeding and care, or may place the animal under the custody of an animal care and control agency. In determining what is a suitable place, the officer shall consider the animal's needs, including its size and behavioral characteristics. An officer may remove an animal under this subsection without a warrant only if the animal is in an immediate life-threatening condition.

(2) If a law enforcement officer or an animal control officer has probable cause to believe that a violation of this chapter has occurred, the officer may authorize an examination of a domestic animal allegedly neglected or abused in violation of this chapter by a veterinarian to determine whether the level of neglect or abuse in violation of this chapter is sufficient to require removal of the animal. This section does not condone illegal entry onto private property.

(3) Any owner whose domestic animal is removed pursuant to this chapter shall be given written notice of the circumstances of the removal and notice of legal remedies available to the owner. The notice shall be given by posting at the place of seizure, by delivery to a person residing at the place of seizure, or by registered mail if the owner is known. In making the decision to remove an animal pursuant to this chapter, the officer shall make a good faith effort to contact the animal's owner before removal.

(4) The agency having custody of the animal may euthanize the animal or may find a responsible person to adopt the animal not less than fifteen business days after the animal is taken into custody. A custodial agency may euthanize severely injured, diseased, or suffering animals at any time. An owner may prevent the animal's destruction or adoption by: (a) Petitioning the district court of the county where the animal was seized for the animal's immediate return subject to court-imposed conditions, or (b) posting a bond or security in an amount sufficient to provide for the animal's care for a minimum of thirty days from the seizure date. If the custodial agency still has custody of the animal when the bond or security expires, the animal shall become the agency's property unless the court orders an alternative disposition. If a court order prevents the agency from assuming ownership and the agency continues to care for the animal, the court shall order the owner to renew a bond or security for the agency's continuing costs for the animal's care.

(5) If no criminal case is filed within fourteen business days of the animal's removal, the owner may petition the district court of the county where the animal was removed for the animal's return. The petition shall be filed with the court, with copies served to the law enforcement or animal care and control agency responsible for removing the animal and to the prosecuting attorney. If the court grants the petition, the agency which seized the animal must deliver the animal to the owner at no cost to the owner. If a criminal action is filed after the petition is filed but before the animal is returned, the petition shall be joined with the criminal matter.

(6) In a motion or petition for the animal's return before a trial, the burden is on the owner to prove by a preponderance of the evidence that the animal will not suffer future neglect or abuse and is not in need of being restored to health.

(7) Any authorized person treating or attempting to restore an animal to health under this chapter shall not be civilly or criminally liable for such action. [1994 c 261 § 6; 1987 c 335 § 1; 1974 ex.s. c 12 § 2.]

Construction—1987 c 335: "Nothing in this act shall be construed as expanding or diminishing, in any manner whatsoever, any authority granted officers under RCW 16.52.020 or 16.52.030." [1987 c 335 § 6.]

Severability—1987 c 335: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1987 c 335 § 7.]

16.52.090 Docking horses—Misdemeanor. Every person who shall cut or cause to be cut, or assist in cutting the solid part of the tail of any horse in the operation known as "docking," or in any other operation for the purpose of shortening the tail or changing the carriage thereof, shall be guilty of a misdemeanor. [1901 c 146 § 6; RRS § 3189. FORMER PART OF SECTION: Code 1881 § 840; 1871 p 103 § 1; RRS § 3206, now codified as RCW 16.52.095.]

16.52.095 Cutting ears—Misdemeanor. It shall not be lawful for any person to cut off more than one-half of the ear or ears of any domestic animal such as an ox, cow, bull, calf, sheep, goat or hog, or dog, and any person cutting off more than one-half of the ear or ears of any such animals, shall be deemed guilty of a misdemeanor, and upon conviction, shall be fined in any sum less than twenty dollars. This section does not apply if cutting off more than one-half of the ear or ears of any such animals, shall be customary husbandry practice. [1994 c 261 § 7; Code 1881 § 840; 1871 p 103 § 1; RRS § 3206. Formerly RCW 16.52.090, part.]

16.52.100 Confinement without food and water—Intervention by others. If any domestic animal is impounded or confined without necessary food and water for more than thirty-six consecutive hours, any person may, from time to time, as is necessary, enter into and open any pound or place of confinement in which any domestic animal is confined, and supply it with necessary food and water so long as
it is confined. The person shall not be liable to action for the entry, and may collect from the animal’s owner the reasonable cost of the food and water. The animal shall be subject to attachment for the costs and shall not be exempt from levy and sale upon execution issued upon a judgment. If an investigating officer finds it extremely difficult to supply confined animals with food and water, the officer may remove the animals to protective custody for that purpose. No inspection shall be required when cattle are moved or transferred from one certified feed lot to another when they are accompanied by satisfactory proof of ownership and there is no change of ownership or from a certified feed lot to a point within this state, or out of state where this state maintains inspection, for the purpose of immediate slaughter. Any change of ownership within a certified feed lot requires a livestock inspection unless the cattle are sent direct to slaughter. An inspection fee as provided for in RCW 16.57.220 is payable to the director by the seller of the cattle or through the licensee as an agent. Upon notice by the director to suspend a license under this section, a person may request a hearing under chapter 34.05 RCW. [2003 c 326 § 58; 1971 ex.s. c 181 § 15.]

The director may, when a certified feed lot’s conditions become such that the integrity of reports or records of the cattle in that feed lot becomes doubtful, immediately suspend the certified feed lot’s license until such time as the director can conduct an investigation to verify the condition of reports or records.

Upon notice by the director to suspend a license under this section, a person may request a hearing under chapter 34.05 RCW. [2003 c 326 § 59; 1991 c 109 § 15; 1971 ex.s. c 181 § 16.]

The total and aggregate liability of the surety for all claims upon the bond shall be limited to the face of the bond. If the amount exceeds fifty thousand dollars, then that portion above fifty thousand dollars shall be at the rate of ten percent of that

16.67.035 Regulating beef and beef products—Existing comprehensive scheme—Laws applicable. The history, economy, culture, and the future of Washington state's agriculture involves the beef industry. In order to develop and promote beef and beef products as part of an existing comprehensive scheme to regulate those products the legislature declares:
(1) That the Washington state beef commission is created;
(2) That it is vital to the continued economic well-being of the citizens of this state and their general welfare that its beef and beef products be properly promoted by (a) enabling the beef industry to help themselves in establishing orderly, fair, sound, efficient, and unhampered marketing, grading, and standardizing of beef and beef products they produce; and (b) working to stabilize the beef industry by increasing consumption of beef and beef products within the state, the nation, and internationally;
(3) That beef producers operate within a regulatory environment that imposes burdens on them for the benefit of society and the citizens of the state and includes restrictions on marketing autonomy. Those restrictions may impair the beef producer's ability to compete in local, domestic, and foreign markets;
(4) That it is in the overriding public interest that support for the beef industry be clearly expressed, that adequate protection be given to agricultural commodities, uses, activities, and operations, and that beef and beef products be promoted individually, and as part of a comprehensive industry to:
   (a) Enhance the reputation and image of Washington state's agriculture industry;
   (b) Increase the sale and use of beef products in local, domestic, and foreign markets;
   (c) Protect the public by educating the public in reference to the quality, care, and methods used in the production of beef and beef products, and in reference to the various cuts and grades of beef and the uses to which each should be put;
   (d) Increase the knowledge of the health-giving qualities and dietetic value of beef products; and
   (e) Support and engage in programs or activities that benefit the production, handling, processing, marketing, and uses of beef and beef products;

[Title 16 RCW—page 42] (2004 Ed.)
(5) That this chapter is enacted in the exercise of the police powers of this state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state; and  

(6) That the beef industry is a highly regulated industry and that this chapter and the rules adopted under it are only one aspect of the regulated industry. Other regulations and restraints applicable to the beef industry include the:

(a) Beef promotion and research act of 1985, U.S.C. Title 7, chapter 62;

17.06.060 Directors powers and duties—Taxation—Treasurer—Costs. The board of directors of an intercounty weed district shall have the same powers and duties as the board of directors of a weed district located entirely within one county, and all the provisions of chapter 17.04 RCW are hereby made applicable to intercounty weed districts: PROVIDED, That in the case of evaluation, assessment, collection, apportionment, and any other allied power or duty relating to taxes in connection with the district, the action shall be performed by the officer or board of the county for that area of the district which is located within his respective county, and all materials, information, and other data and all moneys collected shall be submitted to the proper officer of the county of that part of the district in which the greatest amount of acreage is located. Any power which may be or duty which shall be performed in connection therewith shall be performed by the officer or board receiving such as though only a district in a single county were concerned. All moneys collected from such area constituting a part of such district that should be paid to such district shall be delivered to the principal county treasurer who shall be ex officio treasurer of such district. All other materials, information, or data relating to the district shall be submitted to the district board of directors.

Any costs or expenses incurred under this section shall be borne proportionately by each county involved. [1959 c 205 § 6.]

17.06.070 Actions of county officers—Costs. Whenever any action is required or may be performed by any county officer or board for all purposes essential to the maintenance, operation, and administration of the district, such action shall be performed by the respective officer or board of the county of that part of the district in which the greatest amount of acreage of the district is located.

All costs incurred shall be borne proportionately by each county in that ratio which the amount of acreage of the district located in that part of each county forming a part of the district bears to the total amount of acreage located in the whole district. [1959 c 205 § 7.]

The intent of the legislature is that this chapter be liberally construed, and that the jurisdiction, powers, and duties granted to the county noxious weed control boards by this chapter are limited only by specific provisions of this chapter or other state and federal law. [1997 c 353 § 1; 1975 1st ex.s. c 13 § 17. Formerly RCW 17.10.905.]

17.10.010 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise:

(1) "Noxious weed" means a plant that when established is highly destructive, competitive, or difficult to control by cultural or chemical practices.

(2) "State noxious weed list" means a list of noxious weeds adopted by the state noxious weed control board. The list is divided into three classes:

(a) Class A consists of those noxious weeds not native to the state that are of limited distribution or are unrecorded in the state and that pose a serious threat to the state;

(b) Class B consists of those noxious weeds not native to the state that are of limited distribution or are unrecorded in a region of the state and that pose a serious threat to that region;

(c) Class C consists of any other noxious weeds.

(3) "Person" means any individual, partnership, corporation, firm, the state or any department, agency, or subdivision thereof, or any other entity.

(4) "Owner" means the person in actual control of property, or his or her agent, whether the control is based on legal or equitable title or on any other interest entitling the holder to possession and, for purposes of liability, pursuant to RCW 17.10.170 or 17.10.210, means the possessor of legal or equitable title or the possessor of an easement: PROVIDED, That when the possessor of an easement has the right to control or limit the growth of vegetation within the boundaries of an easement, only the possessor of the easement is deemed, for the purpose of this chapter, an "owner" of the property within the boundaries of the easement.

(5) As pertains to the duty of an owner, the words "control", "contain", "eradicate", and the term "prevent the spread of noxious weeds" means conforming to the standards of noxious weed control or prevention in this chapter or as adopted by rule in chapter 16-750 WAC by the state noxious weed control board and an activated county noxious weed control board.

(6) "Agent" means any occupant or any other person acting for the owner and working or in charge of the land.

(7) "Agricultural purposes" are those that are intended to provide for the growth and harvest of food and fiber.

(8) "Director" means the director of the department of agriculture or the director's appointed representative.

(9) "Weed district" means a weed district as defined in chapters 17.04 and 17.06 RCW.

(10) "Aquatic noxious weed" means an aquatic plant species that is listed on the state weed list under RCW 17.10.080.

(11) "Screenings" means a mixture of mill or elevator run mixture or a combination of varying amounts of materials obtained in the process of cleaning either grain or seeds, or both, such as light or broken grain or seed, weed seeds, hulls, chaff, joints, straw, elevator dust, floor sweepings, sand, and dirt. [1997 c 353 § 2; 1995 c 255 § 6; 1987 c 438 § 1; 1975 1st ex.s. c 13 § 1; 1969 ex.s. c 113 § 1.]

17.10.020 County noxious weed control boards—Created—Jurisdiction—Inactive status. (1) In each county of the state there is created a noxious weed control board, bearing the name of the county within which it is located. The jurisdictional boundaries of each board are the boundaries of the county within which it is located.

(2) Each noxious weed control board is inactive until activated pursuant to the provisions of RCW 17.10.040. [1997 c 353 § 3; 1969 ex.s. c 113 § 2.]

17.10.030 State noxious weed control board—Members—Terms—Elections—Meetings—Reimbursement for travel expenses. There is created a state noxious weed control board comprised of nine voting members and three nonvoting members. Four of the voting members shall be elected by the members of the various activated county noxious weed control boards, and shall be residents of a county in which a county noxious weed control board has been activated and a member of said board, and those qualifications shall continue through their term of office. Two of these members shall be elected from the west side of the state, the crest of the Cascades being the dividing line, and two from the east side of the state. The director of agriculture is a voting member of the board. One voting member shall be elected by the directors of the various active weed districts formed under chapter 17.04 or 17.06 RCW. The Washington state association of counties appoints one voting member who

[Title 17 RCW—page 8]
shall be a member of a county legislative authority. The director shall appoint two voting members to represent the public interest, one from the west side and one from the east side of the state. The director shall also appoint three nonvoting members representing scientific disciplines relating to weed control. The term of office for all members of the board is three years from the date of election or appointment.

The board, by rule, shall establish a position number for each elected position of the board and shall designate which county noxious weed control board members are eligible to vote for each elected position. The elected members serve staggered terms. Elections for the elected members of the board shall be held thirty days prior to the expiration date of their respective terms. Nominations and elections shall be by mail and conducted by the board.

The board shall conduct its first meeting within thirty days after all its members have been elected. The board shall elect from its members a chair and other officers as may be necessary. A majority of the voting members of the board constitutes a quorum for the transaction of business and is necessary for any action taken by the board. The members of the board serve without salary, but shall be reimbursed for travel expenses incurred in the performance of their duties under this chapter in accordance with RCW 43.03.050 and 43.03.060. [1997 c 353 § 4; 1987 c 438 § 2; 1975-’76 2nd ex.s. c 34 § 23; 1969 ex.s. c 113 § 3.]

Effective date—Severability—1975-’76 2nd ex.s. c 34: See notes following RCW 2.08.115.

17.10.040 Activation of inactive county noxious weed control board. An inactive county noxious weed control board may be activated by any one of the following methods:

(1) Either within sixty days after a petition is filed by one hundred registered voters within the county or, on its own motion, the county legislative authority shall hold a hearing to determine whether there is a need, due to a damaging infestation of noxious weeds, to activate the county noxious weed control board. If such a need is found to exist, then the county legislative authority shall, in the manner provided by RCW 17.10.050, appoint five persons to the county’s noxious weed control board.

(2) If the county’s noxious weed control board is not activated within one year following a hearing by the county legislative authority to determine the need for activation, then upon the filing with the state noxious weed control board of a petition comprised either of the signatures of at least two hundred registered voters within the county, or of the signatures of a majority of an adjacent county’s noxious weed control board, the state board shall, within six months of the date of the filing, hold a hearing in the county to determine the need for activation. If a need for activation is found to exist, then the state board shall order the county legislative authority to activate the county’s noxious weed control board and to appoint members to the board in the manner provided by RCW 17.10.050.

(3) The director, upon request of the state noxious weed control board, shall order a county legislative authority to activate the noxious weed control board immediately if an infestation of a class A noxious weed or class B noxious weed designated for control on the state noxious weed list is confirmed in that county. The county legislative authority may, as an alternative to activating the noxious weed board, combat the class A noxious weed or class B noxious weed with county resources and personnel operating with the authorities and responsibilities imposed by this chapter on a county noxious weed control board. No county may continue without a noxious weed control board for a second consecutive year if the class A noxious weed or class B noxious weed has not been eradicated. [1997 c 353 § 5; 1987 c 438 § 3; 1975 1st ex.s. c 13 § 2; 1969 ex.s. c 113 § 4.]

17.10.050 Activated county noxious weed control board—Members—Election—Terms—Meetings—Quorum—Expenses—Officers—Vacancy. (1) Each activated county noxious weed control board consists of five voting members appointed by the county legislative authority. In appointing the voting members, the county legislative authority shall divide the county into five geographical areas that best represent the county’s interests, and appoint a voting member from each geographical area. At least four of the voting members shall be engaged in the primary production of agricultural products. There is one nonvoting member on the board who is the chair of the county extension office or an extension agent appointed by the chair of the county extension office. Each voting member of the board serves a term of four years, except that the county legislative authority shall, when a board is first activated under this chapter, designate two voting members to serve terms of two years. The board members shall not receive a salary but shall be compensated for actual and necessary expenses incurred in the performance of their official duties.

(2) The voting members of the board serve until their replacements are appointed. New members of the board shall be appointed at least thirty days prior to the expiration of any board member’s term of office.

Notice of expiration of a term of office shall be published at least twice in a weekly or daily newspaper of general circulation in the section [geographical area] with last publication occurring at least ten days prior to the nomination. All persons interested in appointment to the board and residing in the geographical area with a pending nomination shall make a written application that includes the signatures of at least ten registered voters residing in the geographical area supporting the nomination to the county noxious weed control board. After nominations close, the county noxious weed control board shall, after a hearing, send the applications to the county legislative authority recommending the names of the most qualified candidates, and post the names of those nominees in the county courthouse and publish in at least one newspaper of general circulation in the county. The county legislative authority, within ten days of receiving the list of nominees, shall appoint one of those nominees to the county noxious weed control board to represent that geographical area during that term of office.

(3) Within thirty days after all the members have been appointed, the board shall conduct its first meeting. A majority of the voting members of the board constitutes a quorum for the transaction of business and is necessary for any action taken by the board. The board shall elect from its members a chair and other officers as may be necessary.

(4) In case of a vacancy occurring in any voting position on a county noxious weed control board, the county legis-
tive authority of the county in which the board is located shall appoint a qualified person to fill the vacancy for the unexpired term. [1997 c 353 § 6; 1987 c 438 § 4; 1980 c 95 § 1; 1977 ex.s. c 26 § 6; 1975 1st ex.s. c 13 § 3; 1974 ex.s. c 143 § 1; 1969 ex.s. c 113 § 5.]

17.10.060 Activated county noxious weed control board—Weed coordinator—Authority—Rules and regulations. (1) Each activated county noxious weed control board shall employ or otherwise provide a weed coordinator whose duties are fixed by the board but which shall include inspecting land to determine the presence of noxious weeds, offering technical assistance and education, and developing a program to achieve compliance with the weed law. The weed coordinator may be employed full time, part time, or seasonally by the county noxious weed control board. County weed board employment practices shall comply with county personnel policies. Within sixty days from initial employment the weed coordinator shall obtain a pest control consultant license, a pesticide operator license, and the necessary endorsements on the licenses as required by law. Each board may purchase, rent, or lease equipment, facilities, or products and may hire additional persons as it deems necessary for the administration of the county's noxious weed control program.

(2) Each activated county noxious weed control board has the power to adopt rules and regulations, subject to notice and hearing as provided in chapters 42.30 and 42.32 RCW, as are necessary for an effective county weed control or eradication program.

(3) Each activated county noxious weed control board shall meet with a quorum at least quarterly. [1997 c 353 § 7; 1987 c 438 § 5; 1969 ex.s. c 113 § 6.]

17.10.070 State noxious weed control board—Powers—Report. (1) In addition to the powers conferred on the state noxious weed control board under other provisions of this chapter, it has the power to:

(a) Employ a state noxious weed control board executive secretary, and additional persons as it deems necessary, to disseminate information relating to noxious weeds to county noxious weed control boards and weed districts, to coordinate the educational and weed control efforts of the various county and regional noxious weed control boards and weed districts, and to assist the board in carrying out its responsibilities;

(b) Adopt, amend, or repeal rules, pursuant to the administrative procedure act, chapter 34.05 RCW, as may be necessary to carry out the duties and authorities assigned to the board by this chapter.

(2) The state noxious weed control board shall provide a written report before January 1st of each odd-numbered year to the county noxious weed control boards and the weed districts showing the expenditure of state funds on noxious weed control; specifically how the funds were spent; the status of the state, county, and district programs; and recommendations for the continued best use of state funds for noxious weed control. The report shall include recommendations as to the long-term needs regarding weed control. [1998 c 245 § 3; 1997 c 353 § 8; 1987 c 438 § 6; 1975 1st ex.s. c 13 § 4; 1969 ex.s. c 113 § 7.]

17.10.074 Director—Powers. (1) In addition to the powers conferred on the director under other provisions of this chapter, the director, with the advice of the state noxious weed control board, has power to:

(a) Require the county legislative authority or the noxious weed control board of any county or any weed district to report to it concerning the presence, absence, or estimated amount of noxious weeds and measures, if any, taken or planned for the control thereof;

(b) Employ staff as may be necessary in the administration of this chapter;

(c) Adopt, amend, or repeal rules, pursuant to the administrative procedure act, chapter 34.05 RCW, as may be necessary to carry out this chapter;

(d) Do such things as may be necessary and incidental to the administration of its functions pursuant to this chapter including but not limited to surveying for and detecting noxious weed infestations;

(e) Upon receipt of a complaint signed by a majority of the members of an adjacent county noxious weed control board or weed district, or by one hundred registered voters that are land owners within the county, require the county legislative authority or noxious weed control board of the county or weed district that is the subject of the complaint to respond to the complaint within forty-five days with a plan for the control of the noxious weeds cited in the complaint;

(f) If the complaint in (e) of this subsection involves a class A or class B noxious weed, order the county legislative authority, noxious weed control board, or weed district to take immediate action to eradicate or control the noxious weed infestation. If the county or the weed district does not take action to control the noxious weed infestation in accordance with the order, the director may control it or cause it to be controlled. The county or weed district is liable for payment of the expense of the control work including necessary costs and expenses for attorneys' fees incurred by the director in securing payment from the county or weed district. The director may bring a civil action in a court of competent jurisdiction to collect the expenses of the control work, costs, and attorneys' fees;

(g) In counties without an activated noxious weed control board, enter upon any property as provided for in RCW 17.10.160, issue or cause to be issued notices and citations and take the necessary action to control noxious weeds as provided in RCW 17.10.170, hold hearings on any charge or cost of control action taken as provided for in RCW 17.10.180, issue a notice of civil infraction as provided for in RCW 17.10.230 and 17.10.310 through [and] 17.10.350, and place a lien on any property pursuant to RCW 17.10.280, 17.10.290, and 17.10.300 with the same authorities and responsibilities imposed by these sections on county noxious weed control boards;

(h) Adopt a list of noxious weed seeds and toxic weeds which shall be controlled in designated articles, products, or feed stuffs as provided for in RCW 17.10.235.

(2) The moneys appropriated for noxious weed control to the department shall be used for administration of the state noxious weed control board, the administration of the director's powers under this chapter, the purchase of materials for controlling, containing, or eradicating noxious weeds, the purchase or collection of biological control agents for con-
controlling noxious weeds, and the contracting for services to carry out the purposes of this chapter. In a county with an activated noxious weed control board, the director shall make every effort to contract with that board for the needed services.

(3) If the director determines the need to reallocate funds previously designated for county use, the director shall convene a meeting of the state noxious weed control board to seek its advice concerning any reallocation. [1997 c 353 § 9; 1987 c 438 § 7.]

17.10.080 State noxious weed list—Hearing—Adoption—Dissemination. (1) The state noxious weed control board shall each year or more often, following a hearing, adopt a state noxious weed list.

(2) Any person may request during a comment period established by the state weed board the inclusion, deletion, or designation change of any plant to the state noxious weed list.

(3) The state noxious weed control board shall send a copy of the list to each activated county noxious weed control board, to each weed district, and to the county legislative authority of each county with an inactive noxious weed control board.

(4) The record of rule making must include the written findings of the board for the inclusion of each plant on the list. The findings shall be made available upon request to any interested person. [1997 c 353 § 10; 1989 c 175 § 57; 1987 c 438 § 8; 1975 1st ex.s. c 13 § 5; 1969 ex.s. c 113 § 8.]

Effective date—1989 c 175: See note following RCW 34.05.010.

17.10.090 State noxious weed list—Selection of weeds for control by county board. Each county noxious weed control board shall, within ninety days of the adoption of the state noxious weed list from the state noxious weed control board and following a hearing, select those weeds from the class C list and those weeds from the class B list not designated for control in the noxious weed control region in which the county lies that it finds necessary to be controlled in the county. The weeds thus selected and all class A weeds and class C list and those weeds from the class B list not designated for control in the noxious weed control region in which the county lies shall be classified within that county as noxious weeds, and those weeds comprise the county noxious weed list. [1997 c 353 § 11; 1987 c 438 § 9; 1969 ex.s. c 113 § 9.]

17.10.100 Order to county board to include weed from state board's list in county's noxious weed list. Where any of the following occur, the state noxious weed control board may, following a hearing, order any county noxious weed control board or weed district to include a noxious weed from the state board's list in the county's noxious weed list:

(1) Where the state noxious weed control board receives a petition from at least one hundred registered voters within the county requesting that the weed be listed.

(2) Where the state noxious weed control board receives a request for inclusion from an adjacent county's noxious weed control board or weed district, which the adjacent board or district has included that weed in its county list, and the adjacent board or weed district alleges that its noxious weed control program is being hampered by the failure to include the weed on the county's noxious weed list. [1997 c 353 § 12; 1987 c 438 § 10; 1969 ex.s. c 113 § 10.]

17.10.110 Regional noxious weed control board—Creation. A regional noxious weed control board comprising the area of two or more counties may be created as follows:

Either the county legislative authority, or the noxious weed control board, or both, of two or more counties may, upon a determination that the purpose of this chapter will be served by the creation of a regional noxious weed control board, adopt a resolution providing for a limited merger of the functions of their respective counties noxious weed control boards. The resolution becomes effective only when a similar resolution is adopted by the other county or counties comprising the proposed regional board. [1997 c 353 § 13; 1987 c 438 § 11; 1975 1st ex.s. c 13 § 6; 1969 ex.s. c 113 § 11.]

17.10.120 Regional noxious weed control board—Members—Meetings—Quorum—Officers—Effect on county boards. In any case where a regional noxious weed control board is created, the county noxious weed control boards comprising the regional board shall still remain in existence and shall retain all powers and duties provided for the boards under this chapter.

The regional noxious weed control board is comprised of the voting members and the nonvoting members of the component counties noxious weed control boards or county legislative authorities who shall, respectively, be the voting and nonvoting members of the regional board: PROVIDED, That each county shall have an equal number of voting members. The board may appoint other nonvoting members as deemed necessary. A majority of the voting members of the board constitutes a quorum for the transaction of business and is necessary for any action taken by the board. The board shall elect a chair from its members and other officers as may be necessary. Members of the regional board serve without salary but shall be compensated for actual and necessary expenses incurred in the performance of their official duties. [1997 c 353 § 14; 1987 c 438 § 12; 1969 ex.s. c 113 § 12.]

17.10.130 Regional noxious weed control board—Powers and duties. The powers and duties of a regional noxious weed control board are as follows:

(1) The regional board shall, within ninety days of the adoption of the state noxious weed list from the state noxious weed control board and following a hearing, select those weeds from the state list that it finds necessary to be controlled on a regional basis. The weeds thus selected shall also be contained in the county noxious weed list of each county in the region.

(2) The regional board shall take action as may be necessary to coordinate the noxious weed control programs of the region and adopt a regional plan for the control of noxious weeds. [1997 c 353 § 15; 1987 c 438 § 13; 1969 ex.s. c 113 § 13.]
17.10.134 Liability of county and regional noxious weed control boards. Obligations or liabilities incurred by any county or regional noxious weed control board or any claims against a county or regional noxious weed control board are governed by chapter 4.96 RCW or RCW 4.08.120: PROVIDED, That individual members or employees of a county noxious weed control board are personally immune from civil liability for damages arising from actions performed within the scope of their official duties or employment. [1997 c 353 § 16; 1987 c 438 § 14.]

17.10.140 Owner’s duty to control spread of noxious weeds. (1) Except as is provided under subsection (2) of this section, every owner shall perform or cause to be performed those acts as may be necessary to:
   (a) Eradicate all class A noxious weeds;
   (b) Control and prevent the spread of all class B noxious weeds designated for control in that region within and from the owner’s property; and
   (c) Control and prevent the spread of all class B and class C noxious weeds listed on the county weed list as locally mandated control priorities within and from the owner’s property.

   (2) Forest lands classified under RCW 17.10.240(2), or meeting the definition of forest lands contained in RCW 17.10.240, are subject to the requirements of subsection (1)(a) and (b) of this section at all times. Forest lands are subject to the requirements of subsection (1)(c) of this section only within a one thousand foot buffer strip of adjacent land uses. In addition, forest lands are subject to subsection (1)(c) of this section for a single five-year period following the harvesting of trees for lumber. [1997 c 353 § 17; 1969 ex.s. c 113 § 14.]

17.10.145 State agencies’ duty to control spread of noxious weeds. All state agencies shall control noxious weeds on lands they own, lease, or otherwise control through integrated pest management practices. Agencies shall develop plans in cooperation with county noxious weed control boards to control noxious weeds in accordance with standards in this chapter. All state agencies’ lands must comply with this chapter, regardless of noxious weed control efforts on adjacent lands. [1997 c 353 § 18; 1995 c 374 § 75.]

17.10.154 Owners’ agreements with county noxious weed control boards—Terms—Enforcement. It is recognized that the prevention, control, and eradication of noxious weeds presents a problem for immediate as well as for future action. It is further recognized that immediate prevention, control, and eradication is practicable on some lands and that prevention, control, and eradication on other lands should be extended over a period of time. Therefore, it is the intent of this chapter that county noxious weed control boards may use their discretion and, by agreement with the owners of land, may propose and accept plans for prevention, control, and eradication that may be extended over a period of years. The county noxious weed control board may make an agreement with the owner of any parcel of land by contract between the landowner and the respective county noxious weed control board, and the board shall enforce the terms of any agreement. The county noxious weed control board may make any terms that will best serve the interests of the owners of the parcel of land and the common welfare that comply with this chapter. Agreements made under this section must include at least a one thousand foot buffer for all adjacent agricultural land uses. Noxious weed control in this buffer must comply with RCW 17.10.140(1). [1997 c 353 § 19; 1987 c 438 § 16.]

17.10.160 Right of entry—Warrant for noxious weed search—Civil liability—Penalty for preventing entry. Any authorized agent or employee of the county noxious weed control board or of the state noxious weed control board or of the department of agriculture where not otherwise prescribed by law may enter upon any property for the purpose of administering this chapter and any power exercisable pursuant thereto, including the taking of specimens of weeds, general inspection, and the performance of eradication or control work. Prior to carrying out the purpose for which the entry is made, the official making such entry or someone in his or her behalf, shall make a reasonable attempt to notify the owner of the property as to the purpose and need for the entry.

(1) When there is probable cause to believe that there is property within this state not otherwise exempt from process or execution upon which noxious weeds are standing or growing and the owner refuses permission to inspect the property, a judge of the superior court or district court in the county in which the property is located may, upon the request of the county noxious weed control board or its agent, issue a warrant directed to the board or agent authorizing the taking of specimens of weeds or other materials, general inspection, and the performance of eradication or control work.

(2) Application for issuance and execution and return of the warrant authorized by this section shall be in accordance with the applicable rules of the superior court or the district courts.

(3) Nothing in this section requires the application for and issuance of any warrant not otherwise required by law: PROVIDED, That civil liability for negligence shall lie in any case in which entry and any of the activities connected therewith are not undertaken with reasonable care.

(4) Any person who improperly prevents or threatens to prevent entry upon land as authorized in this section or any person who interferes with the carrying out of this chapter shall be upon conviction guilty of a misdemeanor. [1997 c 353 § 20; 1987 c 438 § 17; 1969 ex.s. c 113 § 16.]

17.10.170 Finding presence of noxious weeds—Notice for failure of owner to control—Control by county board—Liability of owner—Lien—Alternative. (1) Whenever the county noxious weed control board finds that noxious weeds are present on any parcel of land, and that the owner is not taking prompt and sufficient action to control the noxious weeds, pursuant to the provisions of RCW 17.10.140, it shall notify the owner that a violation of this chapter exists. The notice shall be in writing and sent by certified mail, and shall identify the noxious weeds found to be present, order prompt control action, and specify the time, of at least ten days from issuance of the notice, within which the
prescribed action must be taken. Upon deposit of the certified letter of notice, the noxious weed control authority shall make an affidavit of mailing that is prima facie evidence that proper notice was given. If seed or other propagule dispersion is imminent, immediate control action may be taken forty-eight hours following the time that notification is reasonably expected to have been received by the owner or agent by certified mail or personal service, instead of ten days. If a landowner received a notice of violation from the county noxious weed control board in a prior growing season, removal or destruction of all above ground plant parts may be required at the most effective point in the growing season, as determined by the county weed board, which may be before or after propagule dispersion.

(2) The county noxious weed control board or its authorized agents may issue a notice of civil infraction as provided for in RCW 17.10.230, 17.10.310, and 17.10.350 to owners who do not take action to control noxious weeds in accordance with the notice.

(3) If the owner does not take action to control the noxious weeds in accordance with the notice, the county board may control them, or cause their being controlled, at the expense of the owner. The amount of the expense constitutes a lien against the property and may be enforced by proceedings on the lien except as provided for by RCW 79.44.060. The owner is liable for payment of the expense, and nothing in this chapter shall be construed to prevent collection of any judgment on account thereof by any means available pursuant to law, in substitution for enforcement of the lien. Necessary costs and expenses including reasonable attorneys’ fees incurred by the county noxious weed control board in carrying out this section may be recovered at the same time as a part of the action filed under this section. Funds received in payment for the expense of controlling noxious weeds shall be transferred to the county noxious weed control board to be expended as required to carry out the purposes of this chapter.

(4) The county auditor shall record in his or her office any lien created under this chapter, and any lien shall bear interest at the rate of twelve percent per annum from the date on which the county noxious weed control board approves the amount expended in controlling the weeds.

(5) As an alternative to the enforcement of any lien created under subsection (3) of this section, the county legislative authority may by resolution or ordinance require that each lien created be collected by the treasurer in the same manner as a delinquent real property tax, if within thirty days from the date the owner is sent notice of the lien, including the amount thereof, the lien remains unpaid and an appeal has not been made pursuant to RCW 17.10.180. Liens treated as delinquent taxes bear interest at the rate of twelve percent per annum and the interest accrues as of the date notice of the lien is sent to the owner: PROVIDED, That any collections for the lien shall not be considered as tax. [1997 c 353 § 22; 1987 c 438 § 20; 1975 1st ex.s. c 13 § 8; 1974 ex.s. c 143 § 3; 1969 ex.s. c 113 § 17.]

17.10.180 Hearing on liability for expense of control—Notice—Review. Any owner, upon request pursuant to the rules and regulation of the county noxious weed control board, is entitled to a hearing before the board on any charge or cost for which the owner is alleged to be liable pursuant to RCW 17.10.170 or 17.10.210. The board shall send notice by certified mail within thirty days, to each owner at the owner’s last known address, as to any charge or cost and as to his or her right of a hearing. The hearing shall be scheduled within forty-five days of notification. Any determination or final action by the board is subject to judicial review by a proceeding in the superior court in the county in which the property is located, and the court has original jurisdiction to determine any suit brought by the owner to recover damages allegedly suffered on account of control work negligently performed: PROVIDED, That no stay or injunction shall lie to delay any control work subsequent to notice given pursuant to RCW 17.10.160 or pursuant to an order under RCW 17.10.210. [1997 c 353 § 22; 1987 c 438 § 19; 1969 ex.s. c 113 § 18.]

17.10.190 Notice and information as to noxious weed control. Each activated county noxious weed control board must publish annually, and at other times as may be appropriate, in at least one newspaper of general circulation within its area, a general notice. The notice shall direct attention to the need for noxious weed control and give other information concerning noxious weed control requirements as may be appropriate, or indicate where such information may be secured. In addition to the general notice required, the county noxious weed control board may use any appropriate media for the dissemination of information to the public as may be calculated to bring the need for noxious weed control to the attention of owners. The board may consult with individual owners concerning their problems of noxious weed control and may provide them with information and advice, including giving specific instructions and methods when and how certain named weeds are to be controlled. The methods may include some combination of physical, mechanical, cultural, chemical, and/or biological methods, including livestock. Publication of a notice as required by this section is not a condition precedent to the enforcement of this chapter. [1997 c 353 § 23; 1987 c 438 § 20; 1975 1st ex.s. c 13 § 9; 1969 ex.s. c 113 § 19.]

17.10.201 Noxious weed control on federal and tribal lands—State and county cooperation. (1) The state noxious weed control board shall:
   (a) Work with the various federal and tribal land management agencies to coordinate state and federal noxious weed control;
   (b) Encourage the various federal and tribal land management agencies to devote more time and resources to noxious weed control; and
   (c) Assist the various federal and tribal land management agencies by seeking adequate funding for noxious weed control.

(2) County noxious weed control boards and weed districts shall work with the various federal and tribal land management agencies in each county in order to:
   (a) Identify new noxious weed infestations;
   (b) Outline and plan necessary noxious weed control actions;
   (c) Develop coordinated noxious weed control programs; and
(d) Notify local federal and tribal agency land managers of noxious weed infestations.

(3) The department of agriculture, county noxious weed control boards, and weed districts are authorized to enter federal lands, with the approval of the appropriate federal agency, to survey for and control noxious weeds where control measures of a type and extent required under this chapter have not been taken.

(4) The department of agriculture, county noxious weed control boards, and weed districts may bill the federal land management agency that manages the land for all costs of the noxious weed control performed on federal land. If not paid by the federal agency that manages the land, the cost of the noxious weed control on federal land may be paid from any funds available to the county noxious weed control board or weed district that performed the noxious weed control. Alternatively, the costs of noxious weed control on federal land may be paid from any funds specifically appropriated to the department of agriculture for that purpose.

(5) The department of agriculture, county noxious weed control boards, and weed districts are authorized to enter into any reasonable agreement with the appropriate authorities for the control of noxious weeds on federal or tribal lands.

(6) The department of agriculture, county noxious weed control boards, and weed districts shall consult with state agencies managing federal land concerning noxious weed infestations. 

17.10.205 Control of noxious weeds in open areas. Open areas subject to the spread of noxious weeds, including but not limited to subdivisions, school grounds, playgrounds, parks, and rights of way shall be subject to regulation by activated county noxious weed control boards in the same manner and to the same extent as is provided for all terrestrial and aquatic lands of the state. [1997 c 353 § 34.]

17.10.210 Quarantine of land—Order—Expense. (1) Whenever the director, the county noxious weed control board, or a weed district finds that a parcel of land is so seriously infested with class A or class B noxious weeds that control measures cannot be undertaken thereon without quarantining the land and restricting or denying access thereto or use thereof, the director, the county noxious weed control board, or weed district, with the approval of the director of the department of agriculture, may issue an order for the quarantine and restriction or denial of access or use. Upon issuance of the order, the director, the county noxious weed control board, or the weed district shall commence necessary control measures and may institute legal action for the collection of costs for control work, which may include attorneys’ fees and the costs of other appropriate actions.

(2) An order of quarantine shall be served, by any method sufficient for the service of civil process, on all persons known to qualify as owners of the land within the meaning of this chapter.

(3) The director shall, with the advice of the state noxious weed control board, determine how the expense of control work undertaken pursuant to this section, and the cost of any quarantine in connection therewith, is apportioned. [1997 c 353 § 25; 1987 c 438 § 22; 1969 ex.s. c 113 § 21.]

17.10.230 Violations—Penalty. Any owner knowing of the existence of any noxious weeds on the owner’s land who fails to control such weeds in accordance with this chapter and rules and regulations in force pursuant thereto; or any person who enters upon any land in violation of an order in force pursuant to RCW 17.10.210; or any person who interferes with the carrying out of the provisions of this chapter has committed a civil infraction. [1987 c 438 § 23; 1979 c 118 § 2; 1969 ex.s. c 113 § 23.]

17.10.235 Selling product, article, or feed containing noxious weed seeds or toxic weeds—Penalty—Rules—Inspections—Fees. (1) The director of agriculture shall adopt, with the advice of the state noxious weed control board, rules designating noxious weed seeds which shall be controlled in products, screenings, or articles to prevent the spread of noxious weeds. The rules shall identify the products, screenings, and articles in which the seeds must be controlled and the maximum amount of the seed to be permitted in the product, screenings, or article to avoid a hazard of spreading the noxious weed by seed from the product, screenings, or article. The director shall also adopt, with the advice of the state board, rules designating toxic weeds which shall be controlled in feed stuffs and screenings to prevent injury to the animal that consumes the feed. The rules shall identify the feed stuffs and screenings in which the toxic weeds must be controlled and the maximum amount of the toxic weed to be permitted in the feed. Rules developed under this section shall identify ways that products, screenings, articles, or feed stuffs containing noxious weed seeds or toxic weeds can be made available for beneficial uses.

(2) Any person who knowingly or negligently sells or otherwise distributes a product, article, screenings, or feed stuff designated by rule containing noxious weed seeds or toxic weeds designated for control by rule and in an amount greater than the amount established by the director for the seed or weed by rule is guilty of a misdemeanor.

(3) The department of agriculture shall, upon request of the buyer, inspect products, screenings, articles, or feed stuffs designated by rule and charge fees, in accordance with chapter 22.09 RCW, to determine the presence of designated noxious weed seeds or toxic weeds. [1997 c 353 § 26; 1987 c 438 § 30; 1979 c 118 § 4.]

17.10.240 Special assessments, appropriations for noxious weed control—Assessment rates. (1) The activated county noxious weed control board of each county shall annually submit a budget to the county legislative authority for the operating cost of the county’s weed program for the ensuing fiscal year: PROVIDED, That if the board finds the budget approved by the legislative authority is insufficient for an effective county noxious weed control program it shall petition the county legislative authority to hold a hearing as provided in RCW 17.10.890. Control of weeds is a benefit to the lands within any such section. Funding for the budget is derived from any or all of the following:
(a) The county legislative authority may, in lieu of a tax, levy an assessment against the land for this purpose. Prior to the levying of an assessment the county noxious weed control board shall hold a public hearing at which it will gather information to serve as a basis for classification and then classify the lands into suitable classifications, including but not limited to dry lands, range lands, irrigated lands, nonuse lands, forest lands, or federal lands. The board shall develop and forward to the county legislative authority, as a proposed level of assessment for each class, an amount as seems just. The assessment rate shall be either uniform per acre in its respective class or a flat rate per parcel rate plus a uniform rate per acre: PROVIDED, That if no benefits are found to accrue to a class of land, a zero assessment may be levied. The county legislative authority, upon receipt of the proposed levels of assessment from the board, after a hearing, shall accept or modify by resolution, or refer back to the board for its reconsideration all or any portion of the proposed levels of assessment. The amount of the assessment constitutes a lien against the property. The county legislative authority may by resolution or ordinance require that notice of the lien be sent to each owner of property for which the assessment has not been paid by the date it was due and that each lien created be collected by the treasurer in the same manner as delinquent real property tax, if within thirty days from the date the owner is sent notice of the lien, including the amount thereof, the lien remains unpaid and an appeal has not been made pursuant to RCW 17.10.180. Liens treated as delinquent taxes bear interest at the rate of twelve percent per annum and the interest accrues as of the date notice of the lien is sent to the owner: PROVIDED FURTHER, That any collections for the lien shall not be considered as tax; or

(b) The county legislative authority may appropriate money from the county general fund necessary for the administration of the county noxious weed control program. In addition the county legislative authority may make emergency appropriations as it deems necessary for the implementation of this chapter.

(2) Forest lands used solely for the planting, growing, or harvesting of trees and which are typified, except during a single period of five years following clear-cut logging, by canopies so dense as to prohibit growth of an understory may be subject to an annual noxious weed assessment levied by a county legislative authority that does not exceed one-tenth of the per parcel assessment on nonforest lands. [1997 c 353 § 27; 1995 c 374 § 77; 1987 c 438 § 31; 1975 1st ex.s. c 13 § 10; 1969 ex.s. c 113 § 24.]

17.10.250  Applications for noxious weed control funds. The legislative authority of any county with an activated noxious weed control board or the board of any weed district may apply to the director for noxious weed control funds when informed by the director that funds are available. Any applicant must employ adequate administrative personnel to supervise an effective weed control program as determined by the director with advice from the state noxious weed control board. The director with advice from the state noxious weed control board shall adopt rules on the distribution and use of noxious weed control account funds. [1997 c 353 § 28; 1987 c 438 § 32; 1975 1st ex.s. c 13 § 11; 1969 ex.s. c 113 § 25.]

17.10.260  Administrative powers to be exercised in conformity with administrative procedure act—Use of weed control substances subject to other acts. The administrative powers granted under this chapter to the director of the department of agriculture and to the state noxious weed control board shall be exercised in conformity with the provisions of the administrative procedure act, chapter 34.05 RCW, as now or hereafter amended. The use of any substance to control noxious weeds shall be subject to the provisions of the water pollution control act, chapter 90.48 RCW, as now or hereafter amended, the Washington pesticide control act, chapter 15.58 RCW, and the Washington pesticide application act, chapter 17.21 RCW. [1987 c 438 § 33; 1969 ex.s. c 113 § 28.]

17.10.270  Noxious weed control boards—Authority to obtain insurance or surety bonds. Each noxious weed control board may obtain such insurance or surety bonds, or both with such limits as they may deem reasonable for the purpose of protecting their officials and employees against liability for personal or bodily injuries and property damage arising from their acts or omissions while performing or in good faith purporting to perform their official duties. [1987 c 438 § 34; 1974 ex.s. c 143 § 5.]

17.10.280  Lien for labor, material, equipment used in controlling noxious weeds. Every activated county noxious weed control board performing labor, furnishing material, or renting, leasing or otherwise supplying equipment, to be used in the control of noxious weeds, or in causing control of noxious weeds, upon any property pursuant to the provisions of

(2004 Ed.)
chapter 17.10 RCW has a lien upon such property for the labor performed, material furnished, or equipment supplied whether performed, furnished, or supplied with the consent of the owner, or his agent, of such property, or without the consent of said owner or agent. [1987 c 438 § 35; 1975 1st ex.s.c 13 § 13.]

17.10.290 Lien for labor, material, equipment used in controlling noxious weeds—Notice of lien. Every county noxious weed control board furnishing labor, materials, or supplies or renting, leasing, or otherwise supplying equipment to be used in the control of noxious weeds upon any property pursuant to RCW 17.10.160 and 17.10.170 or pursuant to an order under RCW 17.10.210 as now or hereafter amended, shall give to the owner or reputed owner or his agent a notice in writing, within ninety days from the date of the cessation of the performance of such labor, the furnishing of such materials, or the supplying of such equipment, which notice shall cover the labor, material, supplies, or equipment furnished or leased, as well as all subsequent labor, materials, supplies, or equipment furnished or leased, stating in substance and effect that such county noxious weed control board is furnishing or has furnished labor, materials and supplies or equipment for use thereon, with the name of the county noxious weed control board ordering the same, and that a lien may be claimed for all materials and supplies or equipment furnished by such county noxious weed control board for use thereon, which notice shall be given by mailing the same by registered or certified mail in an envelope addressed to the owner at his place of residence or reputed residence. [1987 c 438 § 36; 1975 1st ex.s.c 13 § 14.]

17.10.300 Lien for labor, material, equipment used in controlling noxious weeds—Claim—Filing—Contents. No lien created by RCW 17.10.280 exists, and no action to enforce the same shall be maintained, unless within ninety days from the date of cessation of the performance of the labor, furnishing of materials, or the supplying of equipment, a claim for the lien is filed for record as provided in this section, in the office of the county auditor of the county in which the property, or some part of the property to be affected by the claim for a lien, is situated. The claim shall state, as nearly as may be, the time of the commencement and cessation of performing the labor, furnishing the material, or supplying the equipment, the name of the county noxious weed control board that performed the labor or caused the labor to be performed, furnished the material, or supplied the equipment, a description of the property to be charged with the lien sufficient for identification, the name of the owner, or reputed owner if known, or his or her agent, and if the owner is not known, that fact shall be mentioned, the amount for which the lien is claimed, and shall be signed by the county noxious weed control board, and be verified by the oath of the county noxious weed control board, to the effect that the affiant believes that claim to be just; and the claim of lien may be amended in case of action brought to foreclose the same, by order of the court, as pleadings may be, insofar as the interest of third parties shall not be affected by such an amendment. [1997 c 353 § 29; 1975 1st ex.s.c 13 § 15.]

17.10.310 Notice of infraction—Issuance. The county noxious weed control board may issue a notice of civil infraction if after investigation it has reasonable cause to believe an infraction has been committed. A civil infraction may be issued pursuant to RCW 7.80.005, 7.80.070 through 7.80.110, 7.80.120 (3) and (4), and 7.80.130 through 7.80.900. [1997 c 353 § 30; 1987 c 438 § 24.]

17.10.350 Infraction—Penalty. (1) Any person found to have committed a civil infraction under this chapter shall be assessed a monetary penalty not to exceed one thousand dollars. The state noxious weed control board shall adopt a schedule of monetary penalties for each violation of this chapter classified as a civil infraction and submit the schedule to the appropriate court. If a monetary penalty is imposed by the court, the penalty is immediately due and payable. The court may, at its discretion, grant an extension of time, not to exceed thirty days, in which the penalty must be paid.

(2) Failure to pay any monetary penalties imposed under this chapter is punishable as a misdemeanor. [2003 c 53 § 117; 1997 c 353 § 31; 1987 c 438 § 28.]

17.10.890 Deactivation of county noxious weed control board—Hearing. The following procedures shall be followed to deactivate a county noxious weed control board:

(1) The county legislative authority holds a hearing to determine whether there continues to be a need for an activated county noxious weed control board if:

(a) A petition is filed by one hundred registered voters within the county;

(b) A petition is filed by a county noxious weed control board as provided in RCW 17.10.240; or

(c) The county legislative authority passes a motion to hold such a hearing.

(2) Except as provided in subsection (4) of this section, the hearing shall be held within sixty days of final action taken under subsection (1) of this section.

(3) If, after a hearing, the county legislative authority determines that no need exists for a county noxious weed control board, due to the absence of class A or class B noxious weeds designated for control in the region, the county legislative authority shall deactivate the board.

(4) The county legislative authority shall not convene a hearing as provided for in subsection (1) of this section more frequently than once a year. [1997 c 353 § 32; 1987 c 438 § 37.]

17.10.900 Weed districts—Continuation—Dissolution—Transfer of assessment funds. Any weed district formed under chapter 17.04 or 17.06 RCW prior to the enactment of this chapter, continues to operate under the provisions of the chapter under which it was formed: PROVIDED, That if ten percent of the landowners subject to any such weed district, and the county noxious weed control board upon its own motion, petition the county legislative authority for a dissolution of the weed district, the county legislative authority shall provide for an election to be conducted in the same manner as required for the election of directors under the provisions of chapter 17.04 RCW, to
17.12.010 Pest districts authorized. For the purpose of destroying or exterminating squirrels, prairie dogs, gophers, moles or other rodents, or of rabbits or any predatory animals that destroy or interfere with the crops, fruit trees, shrubs, valuable plants, fodder, seeds or other agricultural plants or products, thing or pest injurious to any agricultural plant or product, or to prevent the introduction, propagation, growth or increase in number of any of the above described animals, or rodents, the board of county commissioners of any county may create a pest district or pest districts within such county and may enlarge any district containing a lesser territory than the whole county, or reduce any district already created, or combine or consolidate districts or divide, or create new districts from time to time in the manner hereinafter set forth. [1919 c 152 § 2; RRS § 2801.]

17.12.020 Petition—Notice—Hearing. Whenever ten or more resident freeholders in any county petition the board of county commissioners, asking that their lands be included, either separately or with other lands designated in the petition in a district to be formed for the purpose of preventing, destroying, or exterminating any of the animals, rodents or other such things described in RCW 17.12.010, or that such lands be included within a district already formed by the enlargement of such district, or a new district or districts be formed out of a district or districts then in existence or out of territory partly in districts already formed and not included in any district, and such petition indicating the boundaries of such proposed district, whether all or any part of such county, and stating the purpose of such district, the board shall fix a time for the hearing of such petition and shall give at least thirty days notice of the time and place of such hearing by posting copies of such notice of the time and place of such hearing in three conspicuous places within the proposed district and posting one copy of such notice at the court house or place of business of the board, and also by mailing to each freeholder within the proposed district a copy of such notice, to his last known residence, if known, and if not known to the clerk of such board, then and in that event the posting shall be deemed sufficient: PROVIDED, HOWEVER, If the board shall deem it impractical to mail notices to each freeholder, within the proposed district, or if the post office address of all the freeholders are not known, then in that event when recited in a resolution adopted by the board, the notice in addition to posting, shall be published once a week for three successive weeks in the county official paper if there is such, and if there be no official paper, then in some paper published in said county, and if there be no paper published in said county, then in some paper of general circulation within the proposed district. The persons in whose name the property is assessed shall be deemed the owners thereof for the purpose of notice as herein required: PROVIDED, HOWEVER, That for lands belonging to the state, the commissioner of public lands shall be notified, and for lands belonging to the county, the county auditor shall be notified, and if such lands are under lease or conditional sale the lessee or purchaser shall also be notified in the manner above provided. Any person interested may appear at the time of such hearing and may under such rules and regulations as the board may prescribe give his or her reasons for or objections to the creation of such a district. [1919 c 152 § 2; RRS § 2802.]

17.12.030 Determination—Boundaries of district. Upon the hearing of such petition the board shall determine whether such a district shall be created and shall fix the boundaries thereof, but shall not enlarge the boundaries of proposed districts or enlarge or change the boundary or boundaries of any district or districts already formed without first giving the notice to all parties interested as provided in RCW 17.12.020. [1919 c 152 § 3; RRS § 2803.]

17.12.040 Designation of district. If the board shall deem the interests of the county or of any particular section thereof will be benefited by the creation of such a district or districts, or the changing thereof, it shall make a record thereof upon the minutes of the board and shall designate such territory in each such district as "Pest District . . . . . . . . . . . . County". [1919 c 152 § 4; RRS § 2804.]

The county treasurer shall be ex officio treasurer for each of such districts so formed and the county assessor and other county officers shall take notice of the formation of such district or districts and shall be governed thereby according to the provisions of this chapter. The assessment or the tax levies as hereinafter provided for shall be extended on the tax rolls against the property liable therefor the same as other assessments or taxes are extended, and shall become a part of the general tax against such property and be collected and accounted for the same as other taxes are, with the terms and penalties attached thereto. The moneys so collected shall be held and disbursed as a special fund for such district and shall be paid out only on
warrant issued by the county auditor upon voucher approved by the board of county commissioners. [1919 c 152 § 5; RRS § 2805.]

17.12.060 Supervision of the district. The agricultural expert in counties having an agricultural expert, shall under the direction of Washington State University have general supervision of the methods and means of preventing, destroying or exterminating any animals or rodents as herein mentioned within his county, and of how the funds of any pest district shall be expended to best accomplish the purposes for which such funds were raised; in counties having no such agricultural expert each county commissioner shall be within his respective commissioner district, ex officio supervisor, or the board may designate some such person to so act, and shall fix his compensation therefor. Whenever any member of the board shall act as supervisor he shall be entitled to his actual expenses and his per diem as county commissioner the same as if he were doing other county business. [1977 ex.s. c 169 § 4; 1919 c 152 § 6; RRS § 2806.]

Reviser's note: The law authorizing the employment of agricultural experts was 1913 c 18 as amended by 1919 c 193 but since repealed by 1949 c 181 which authorizes cooperative extension work in agriculture and home economics. See RCW 36.50.010.

17.12.080 Levies on state and county lands—Levies on state lands to be added to rental or purchase price. Whenever there shall be included within any pest district lands belonging to the state or to the county the board of county commissioners shall determine the amount of the tax or assessment for which such land would be liable if the same were in private ownership for each subdivision of forty acres or fraction thereof. The assessor shall transmit to the county commissioners a statement of the amounts so due from county lands and the county commissioners shall appropriate from the current expense fund of the county sufficient money to pay such amounts. A statement of the amounts due from state lands within each county shall be annually forwarded to the commissioner of public lands who shall examine the same and if he finds the same correct and that the determination was made according to law, he shall certify the same and issue a warrant for the payment of same against any funds in the state treasury appropriated for such purposes.

The commissioner of public lands shall keep a record of the amounts so paid on account of any state lands which are under lease or contract of sale and such amounts shall be added to and become a part of the annual rental or purchase price of the land, and shall be paid annually at the time of payment of rent or payment of interest or purchase price of such land. When such amounts shall be collected by the commissioner of public lands it shall be paid into the general fund in the state treasury. [1973 c 106 § 11; 1919 c 152 § 8; RRS § 2808. 17.15.005 Legislative declaration. The legislature declares that it is the policy of the state of Washington to require all state agencies that have pest control responsibilities to follow the principles of integrated pest management. [1997 c 357 § 1.]

17.15.010 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise:

(1) "Integrated pest management" means a coordinated decision-making and action process that uses the most appropriate pest control methods and strategy in an environmentally and economically sound manner to meet agency programmatic pest management objectives. The elements of integrated pest management include:

(a) Preventing pest problems;
(b) Monitoring for the presence of pests and pest damage;
(c) Establishing the density of the pest population, that may be set at zero, that can be tolerated or correlated with a damage level sufficient to warrant treatment of the problem based on health, public safety, economic, or aesthetic thresholds;

(d) Treating pest problems to reduce populations below those levels established by damage thresholds using strategies that may include biological, cultural, mechanical, and chemical control methods and that must consider human health, ecological impact, feasibility, and cost-effectiveness; and

(e) Evaluating the effects and efficacy of pest treatments.

(2) "Pest" means, but is not limited to, any insect, rodent, nematode, snail, slug, weed, and any form of plant or animal life or virus, except virus, bacteria, or other microorganisms on or in a living person or other animal or in or on processed food or beverages or pharmaceuticals, which is normally considered to be a pest, or which the director of the department of agriculture may declare to be a pest. [1997 c 357 § 2.]

17.15.020 Implementation of integrated pest management practices. Each of the following state agencies or institutions shall implement integrated pest management practices when carrying out the agency’s or institution’s duties related to pest control:

(1) The department of agriculture;
(2) The state noxious weed control board;
(3) The department of ecology;
(4) The department of fish and wildlife;
(5) The department of transportation;
(6) The parks and recreation commission;
(7) The department of natural resources;
(8) The department of corrections;
(9) The department of general administration; and
(10) Each state institution of higher education, for the institution's own building and grounds maintenance. [1997 c 357 § 3.]

17.15.030 Integrated pest management training—

Designated coordinator—Representation on interagency coordinating committee. (1) A state agency or institution listed in RCW 17.15.020 shall provide integrated pest management training for employees responsible for pest management. The training programs shall be developed in cooperation with the interagency integrated pest management coordinating committee created under RCW 17.15.040.

(2) A state agency or institution listed in RCW 17.15.020 shall designate an integrated pest management coordinator and the department of labor and industries and the office of the superintendent of public instruction shall each designate one representative to serve on the committee established in RCW 17.15.040. [1997 c 357 § 4.]

17.15.040 Interagency integrated pest management coordinating committee—Creation—Composition—Duties—Public notice—Progress reports. (1) The interagency integrated pest management coordinating committee is created. The committee is composed of the integrated pest management coordinator from each agency or institution listed under RCW 17.15.020 and the representatives designated under RCW 17.15.030. The coordinator from the department of agriculture shall serve as chair of the committee.

(2) The interagency integrated pest management coordinating committee shall share information among the state agencies and institutions and facilitate interagency coordination.

(3) The interagency integrated pest management coordinating committee shall meet at least two times a year. All meetings of the committee must be open to the public. The committee shall give public notice of each meeting.

(1) "Agricultural commodity" means any plant or part of a plant, or animal, or animal product, produced by a person (including farmers, ranchers, vineyardists, plant propagators, Christmas tree growers, aquaculturists, floriculturists, orchardists, foresters, or other comparable persons) primarily for sale, consumption, propagation, or other use by people or animals.

(2) "Agricultural land" means land on which an agricultural commodity is produced or land that is in a government-recognized conservation reserve program. This definition does not apply to private gardens where agricultural commodities are produced for personal consumption.

(3) "Antimicrobial pesticide" means a pesticide that is used for the control of microbial pests, including but not limited to viruses, bacteria, algae, and protozoa, and is intended for use as a disinfectant or sanitizer.

(4) "Apparatus" means any type of ground, water, or aerial equipment, device, or contrivance using motorized, mechanical, or pressurized power and used to apply any pesticide on land and anything that may be growing, habitating, or stored on or in such land, but shall not include any pressurized handsized household device used to apply any pesticide, or any equipment, device, or contrivance of which the person who is applying the pesticide is the source of power or energy in making such pesticide application, or any other small equipment, device, or contrivance that is transported in a piece of equipment licensed under this chapter as an apparatus.

(5) "Arthropod" means any invertebrate animal that belongs to the phylum arthropoda, which in addition to insects, includes allied classes whose members are wingless and usually have more than six legs; for example, spiders, mites, ticks, centipedes, and isopod crustaceans.

The certified private applicator shall have direct management responsibility and familiarity of the pesticide, manner of application, pest, and land to which the pesticide is being applied. Direct supervision by all other certified applicators means direct on-the-job supervision and shall require that the certified applicator be physically present at the application site and that the person making the application be in voice and visual contact with the certified applicator at all times during the application. However, direct supervision for forest application does not require constant voice and visual contact when general use pesticides are applied using nonapparatus type equipment, the certified applicator is physically present and readily available in the immediate application area, and the certified applicator directly observes pesticide mixing and batching. Direct supervision of an aerial apparatus means the pilot of the aircraft must be appropriately certified.

(2) "Limited private applicator" means a certified applicator who uses or is in direct supervision, as defined for private applicators in *RCW 17.21.020(12), of the use of any herbicide classified by the EPA or the director as a restricted use pesticide, for the sole purpose of controlling weeds on nonproduction agricultural land owned or rented by the applicator or the applicator's employer. Nonproduction agricultural land includes pastures, range land, fencerows, and areas around farm buildings but not aquatic sites. A limited private applicator also may apply restricted use herbicides to nonproduction agricultural land of another person if applied without compensation other than trading of personal services between the applicator and the other person.

(3) "Rancher private applicator" means a certified applicator who uses or is in direct supervision, as defined for private applicators in *RCW 17.21.020(12), of the use of any herbicide and/or any rodenticide classified by the environmental protection agency or the director as a restricted use...
pesticide for the purpose of controlling weeds and pest animals on the agricultural land owned or rented by the applicator or the applicator's employer. For the purpose of this subsection, "agricultural land" means nonproduction agricultural land and production agricultural land used to grow hay and grain crops that are consumed by the livestock on the farm where produced: PROVIDED, That up to ten percent of the crops grown on the agricultural land in a calendar year may be sold within the county of production. Nonproduction agricultural land includes pastures, rangeland, fencerows, and areas around farm buildings. For the purposes of this subsection, agricultural land does not include aquatic sites. A rancher private applicator also may apply restricted use herbicides and rodenticides to the agricultural land of another person if applied without compensation other than trading of personal services between the applicator and the other person.

(4) Limited private applicator and rancher private applicator licenses may be issued only in counties where the county cooperative extension service and/or the county weed board complete a memorandum of understanding with the department agreeing to conduct a minimum of two hours of department-approved weed control-related recertification coursework every year and to maintain the recertification credit records for the limited private applicators in their county.

(5) A person may participate in the pilot project by applying to be licensed as a limited private applicator or rancher private applicator in 2000, 2001, or 2002. The application and examination requirements for a limited private applicator and a rancher private applicator are the same as for a private applicator.

(a) Applications for a limited private applicator license shall be accompanied by a fee of twenty-five dollars.

(b) Applications for a rancher private applicator shall be accompanied by a fee of seventy-five dollars.

(6) All limited private applicator and rancher private applicator licenses expire on December 31, 2004.

(7)(a) Limited private applicators and rancher private applicators are exempt from the credit accumulation requirements of RCW 17.21.128(2)(a), and, upon application, begins a recertification period which ends on December 31, 2004.

(iii) Rancher private applicators first applying for a license in 2000 shall accumulate a minimum of twelve department-approved credits by the end of the recertification period.

(iv) Rancher private applicators first applying for a license in 2001 or 2002 shall accumulate a minimum of ten department-approved credits by the end of the recertification period.

(b) All credits for the limited private applicator license must be applicable to the control of weeds with at least half of the credits directly related to weed control and the remaining credits in topic areas indirectly related to weed control, such as the safe and legal use of pesticides.

(8) Limited private applicators and rancher private applicators who successfully complete the recertification requirements of this section are deemed to have met the credit accumulation requirements of RCW 17.21.128(2)(a) for private applicators and may reapply as a private applicator in 2005. A limited private applicator or rancher private applicator who applies for a private applicator license during the pilot project must meet the fee, annual renewal, and credit accumulation requirements for private applicators.

(9) By September 1, 2003, the department shall report to the legislature on the results of the pilot project.

17.21.410 Landscape applications—Marking of property, posting requirements. (1) A certified applicator making a landscape application to:

(a) Residential property shall at the time of the application place a marker at the usual point of entry to the property. If the application is made to an isolated spot that is not a substantial portion of the property, the applicator shall only be required to place a marker at the application site. If the application is in a fenced or otherwise isolated backyard, no marker is required.

(b) Commercial properties such as apartments or shopping centers shall at the time of application place a marker in a conspicuous location at or near each site being treated.

(c) A golf course shall at the time of the application place a marker at the first tee and tenth tee or post the information in a conspicuous location such as on a central message board.

(d) A school, nursery school, or licensed day care shall at the time of the application place a marker at each primary point of entry to the school grounds. A school employee making an application to a school facility shall comply with the posting requirements in RCW 17.21.415.

(3) The marker shall be a minimum of four inches by five inches. It shall have the words: "THIS LANDSCAPE HAS BEEN TREATED BY" as the headline and "FOR MORE INFORMATION PLEASE CALL" as the footer. Larger size requirements for markers may be established in rule for specific applications. The company name and service mark shall be included between the headline and the footer on a marker. [Title 17 RCW—page 34]
placed by a commercial applicator. The applicator's telephone number where information can be obtained about the application shall be included in the footer of the marker. Markers shall be printed in colors contrasting to the background.

(4) The property owner or tenant shall remove the marker according to the schedule established in rule. A certified applicator or individual who complies with this section is not liable for the removal of markers by unauthorized persons or removal outside the designated removal time.

Effective date—2001 c 333: See note following RCW 17.21.020.

17.21.415 Schools—Policies and methods—Notification—Records—Liability.  (1) As used in this section, “school” means a licensed day care center or a public kindergarten or a public elementary or secondary school.

(2) A school shall provide written notification annually or upon enrollment to parents or guardians of students and employees describing the school’s pest control policies and methods, including the posting and notification requirements of this section.

(3) A school shall establish a notification system that, as a minimum, notifies interested parents or guardians of students and employees at least forty-eight hours before a pesticide application to a school facility. The notification system shall include posting of the notification in a prominent place in the main office of the school.

(4) All notifications to parents, guardians, and employees shall include the heading "Notice: Pesticide Application" and, at a minimum, shall state:

(a) The product name of the pesticide to be applied;
(b) The intended date and time of application;
(c) The location to which the pesticide is to be applied;
(d) The pest to be controlled; and
(e) The name and phone number of a contact person at the school.

(5) A school facility application must be made within forty-eight hours following the intended date and time stated in the notification or the notification process shall be repeated.

(6) A school shall, at the time of application, post notification signs for all pesticide applications made to school facilities unless the application is otherwise required to be posted by a certified applicator under the provisions of RCW 17.21.410(1)(d).

(a) Notification signs for applications made to school grounds by school employees shall be placed at the location of the application and at each primary point of entry to the school grounds. The signs shall be a minimum of four inches by five inches and shall include the words: "THIS LANDSCAPE HAS BEEN RECENTLY SPRAYED OR TREATED WITH PESTICIDES BY YOUR SCHOOL" as the headline and "FOR MORE INFORMATION PLEASE CALL" as the footer. The footer shall provide the name and telephone number of a contact person at the school.

(b) Notification signs for applications made to school facilities other than school grounds shall be posted at the location of the application. The signs shall be a minimum of eight and one-half by eleven inches and shall include the heading "Notice: Pesticide Application" and, at a minimum, shall state:

(v) The name and phone number of a contact person at the school.

(c) Notification signs shall be printed in colors contrasting to the background.

(d) Notification signs shall remain in place for at least twenty-four hours from the time the application is completed. In the event the pesticide label requires a restricted entry interval greater than twenty-four hours, the notification sign shall remain in place consistent with the restricted entry interval time as required by the label.

(7) A school facility application does not include the application of antimicrobial pesticides or the placement of insect or rodent baits that are not accessible to children.

(8) The prenotification requirements of this section do not apply if the school facility application is made when the school is not occupied by students for at least two consecutive days after the application.

(9) The prenotification requirements of this section do not apply to any emergency school facility application for control of any pest that poses an immediate human health or safety threat, such as an application to control stinging insects. When an emergency school facility application is made, notification consistent with the school's notification system shall occur as soon as possible after the application. The notification shall include information consistent with subsection (6)(b) of this section.

(10) A school shall make the records of all pesticide applications to school facilities required under this chapter, including an annual summary of the records, readily accessible to interested persons.

Effective date—2001 c 333: See note following RCW 17.21.020.

17.21.420 Pesticide-sensitive individuals—List procedure.  (1) The department shall develop a list of pesticide-sensitive individuals. The list shall include any person with a documented pesticide sensitivity who submits information to the department on an application form developed by the department indicating the person's pesticide sensitivity.

(2) An applicant for inclusion on the pesticide-sensitive list may apply to the department at any time and shall provide the department, on the department’s form, the name, street address, and telephone number of the applicant and of each property owner with property abutting the applicant's principal place of residence. The pesticide sensitivity of an individual shall be certified by a physician who holds a valid license.
to practice medicine in this state. The lands listed on an application for inclusion on the pesticide-sensitive list shall constitute the pesticide notification area for that applicant. For highway or road rights of way, a property abutting shall mean that portion of the property within one-half mile of the principal place of residence.

(3) A person whose name has been included on the pesticide-sensitive list shall notify the department of a need to update the list as soon as possible after: (a) A change of address or telephone number; (b) a change in ownership of property abutting a pesticide-sensitive individual; (c) a change in the applicant’s condition; or (d) the sensitivity is deemed to no longer exist.

(4) The pesticide-sensitive list shall expire on December 31 of each year. The department shall distribute application forms for the new list at a reasonable time prior to the expiration of the current list, including mailing an application form to each person on the current list at the address given by the person in his or her most recent application. Persons desiring to be placed on or remain on the list shall submit a new application each year.

(5) The department shall distribute the list by January 1 and June 15 of each year to all certified applicators likely to make landscape applications. The list shall provide multiple methods of accessing the information so that certified applicators making landscape applications or right of way applications are able to easily determine what properties and individuals require notification for a specific application. An updated list shall be distributed whenever deemed necessary by the department. Certified applicators may request a list of newly registered individuals that have been added to the list since the last distribution. Registered individuals shall receive verification that their name has been placed on the list. [1994 c 283 § 34; 1992 c 176 § 3.]

17.21.430 Pesticide-sensitive individuals—Notification. (1) A certified applicator making a landscape application or a right of way application to the pesticide notification area, as defined in RCW 17.21.420(2), of a person on the pesticide-sensitive list shall notify the listed pesticide-sensitive individual of the application. Notification shall be made at least two hours prior to the scheduled application, or in the case of an immediate service call, the applicator shall provide notification at the time of the application.

(2) Notification under this section shall be made in writing, in person, or by telephone, and shall disclose the date and approximate time of the application. In the event a certified applicator is unable to provide prior notification because of the absence or inaccessibility of the individual, the applicator shall leave a written notice at the residence of the individual listed on the pesticide-sensitive list at the time of the application. If a person on the pesticide-sensitive list lives in a multifamily dwelling such as an apartment or condominium, the applicator shall notify the person on the list or shall advise the manager or other property owner’s representative to notify the person on the list of the application. [1992 c 176 § 4.]

17.21.440 Agricultural workers and handlers of agricultural pesticides—Coordination of regulation and enforcement with department of labor and industries. (1) As used in this section, “federal worker protection standard” or “federal standard” means the worker protection standard for agricultural workers and handlers of agricultural pesticides adopted by the United States environmental protection agency in 40 C.F.R., part 170 as it exists on June 6, 1996.

(2)(a) No rule adopted under this chapter may impose requirements that make compliance with the federal worker protection standard impossible.

(b) The department shall adopt by rule safety and health standards that are at least as effective as the federal standard. Standards adopted by the department under this section shall be adopted in coordination with the department of labor and industries.

(3) If a violation of the federal worker protection standard, or of state rules regulating activities governed by the federal standard, is investigated by the department and by the department of labor and industries, the agencies shall conduct a joint investigation if feasible, and shall share relevant information. However, an investigation conducted by the department of labor and industries under Title 51 RCW solely with regard to industrial insurance shall not be considered to be an investigation by the department of labor and industries for this purpose. The agencies shall not issue duplicate citations to an individual or business for the same violation of the federal standard or state rules regulating activities governed by the federal standard. By December 1, 1996, the department and the department of labor and industries shall jointly establish a formal agreement that identifies the roles of each of the two agencies in conducting investigations of activities governed by the federal standard, and provides for protection of workers and enforcement of standards that is at least as effective as provided for other enforcement under this chapter. [1996 c 260 § 3.]

Department of labor and industries authority: RCW 49.17.280.

17.21.900 Preexisting liabilities not affected. The enactment of this act shall not have the effect of terminating, or in any way modifying, any liability, civil or criminal, which shall already be in existence on the date this act becomes effective. [1961 c 249 § 31.]

17.21.920 Short title. This chapter may be cited as the Washington pesticide application act. [1961 c 249 § 33.]

17.21.930 Severability—1961 c 249. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected. [1961 c 249 § 35.]

17.21.931 Severability—1967 c 177. If any provision of this amendatory act or its application to any person or circumstance is held invalid, the remainder of this act, or the application of the provision to other persons or circumstances is not affected. [1967 c 177 § 20.]

17.21.932 Severability—1979 c 92. If any provision of this 1979 act or its application to any person or circumstance
Chapter 17.24 RCW
INSECT PESTS AND PLANT DISEASES

17.24.003 Purpose. The purpose of this chapter is to provide a strong system for the exclusion of plant and bee pests and diseases through regulation of movement and quarantines of infested areas to protect the forest, agricultural, horticultural, floricultural, and apiary industries of the state; plants and shrubs within the state; and the environment of the state from the impact of insect pests, plant pathogens, noxious weeds, and bee pests and the public and private costs that result when these infestations become established. [1991 c 257 § 3.]

Effective date—2000 c 100: See RCW 15.60.901.

17.24.011 Regulation of plant, plant product, bee movement, and genetically engineered organisms. Notwithstanding the provisions of RCW 17.24.041, the director may:

(1) Make rules under which plants, plant products, bees, hives and beekeeping equipment, and noxious weeds may be brought into this state from other states, territories, or foreign countries; and

(2) Make rules with reference to plants, plant products, bees, hives and equipment, and genetically engineered organisms while in transit through this state as may be deemed necessary to prevent the introduction into and dissemination within this state of plant and bee pests and noxious weeds. [1991 c 257 § 5.]

17.24.021 Inspection and investigation. (1) The director may intercept and hold or order held for inspection, or cause to be inspected while in transit or after arrival at their destination, all plants, plant products, bees, or other articles likely to carry plant pests, bee pests, or noxious weeds being moved into this state from another state, territory, or a foreign country or within or through this state for plant and bee pests and disease.

(2) The director may enter upon public and private premises at reasonable times for the purpose of carrying out this chapter. If the director be denied access, the director may apply to any court of competent jurisdiction for a search warrant authorizing access to such premises. The court may upon such application issue the search warrant for the purposes requested.

(3) The director may adopt rules in accordance with chapter 34.05 RCW as may be necessary to carry out the purposes and provisions of this chapter. [1991 c 257 § 6.]

17.24.031 Determination of origin. The director may demand of a person who has in his or her possession or under his or her control, plants, bees, plant products, or other articles that may carry plant pests, bee pests, or noxious weeds, full information as to the origin and source of these items. Failure to provide that information, if known, may subject the person to a civil penalty. [1991 c 257 § 7.]

17.24.041 Power to adopt quarantine measures—Rules. If determined to be necessary to protect the forest, agricultural, horticultural, floricultural, beekeeping, or environmental interests of this state, the director may declare a quarantine against an area, place, nursery, orchard, vineyard, apiary, or other agricultural establishment, county or counties within the state, or against other states, territories, or foreign countries, or a portion of these areas, in reference to plant pests, or bee pests, or noxious weeds, or genetically engineered plant or plant pest organisms. The director may prohibit the movement of all regulated articles from such quarantined places or areas that are likely to contain such plant pests or noxious weeds or genetically engineered plant, plant pest, or bee pest organisms. The quarantine may be made absolute or rules may be adopted prescribing the conditions under which the regulated articles may be moved into, or sold, or otherwise disposed of in the state. [1991 c 257 § 8.]

17.24.051 Introduction of plant pests, noxious weeds, or organisms affecting plant life. The introduction into or release within the state of a plant pest, noxious weeds, bee pest, or any other organism that may directly or indirectly affect the plant life of the state as an injurious pest, parasite, predator, or other organism is prohibited, except under special permit issued by the department under rules adopted by the director. A special permit is not required for the introduction or release within the state of a genetically engineered plant or plant pest organism if the introduction or release has been approved under provisions of federal law and the department has been notified of the planned introduction or release. The department shall be the sole issuing agency for the permits. Except for research projects approved by the department, no permit for a biological control agent shall be issued unless the department has determined that the parasite, predator, or plant pathogen is target organism or plant specific and not likely to become a pest of nontarget plants or other beneficial organisms. The director may also exclude biological control agents that are infested with parasites determined to be detrimental to the biological control efforts of the state. The department may rely upon findings of the United States department of agriculture or any experts that the director may deem appropriate in making a determination about the threat posed by such organisms. In addition, the director may request confidential business information subject to the conditions in RCW 17.24.061. Plant pests, noxious weeds, or other organisms introduced into or released within this state in violation of this section shall be subject to detention and disposition as otherwise provided in this chapter. [1991 c 257 § 9.]

17.24.061 Protection of privileged or confidential information—Procedure—Notice—Declaratory judgment. (1) In submitting data required by this chapter, the applicant may: (a) Mark clearly portions of data which in his or her opinion are trade secrets or commercial or financial

[Title 17 RCW—page 38]
subsection (2) of this section. [1991 c 257 § 10.]

Where necessary to carry out the provisions of this chapter, information relating to unpublished formulas of products acquired by authorization of this chapter may be revealed to any state or federal agency consulted and may be revealed at a public hearing or in findings of fact issued by the director.

(3) If the director proposes to release for inspection or to reveal at a public hearing or in findings of fact issued by the director, information that the applicant or registrant believes to be protected from disclosure under subsection (2) of this section, he or she shall notify the applicant or registrant in writing, by certified mail. The director may not make this data available for inspection nor reveal the information at a public hearing or in findings of fact issued by the director until thirty days after receipt of the notice by the applicant or registrant. During this period, the applicant or registrant may withdraw the application or may institute an action in the superior court of Thurston county for a declaratory judgment as to whether the information is subject to protection under subsection (2) of this section. [1991 c 257 § 10.]

17.24.071 Compliance agreements. The director may enter into compliance agreements with a person engaged in growing, handling, or moving articles, bees, plants, or plant products regulated under this chapter. [1991 c 257 § 11.]

17.24.081 Prohibited acts. It shall be unlawful for a person to:

(1) Sell, offer for sale, or distribute a noxious weed or a plant or plant product or regulated article infested or infected with a plant pest declared by rule to be a threat to the state's forest, agricultural, horticultural, floricultural, or beekeeping industries or environment;

(2) Knowingly receive a noxious weed, or a plant, plant product, bees, bee hive or appliances, or regulated article sold, given away, carried, shipped, or delivered for carriage or shipment within this state, in violation of the provisions of this chapter or the rules adopted under this chapter;

(3) Fail to immediately notify the department and isolate and hold the noxious weed, bees, bee hives or appliances, plants or plant products, or other thing unopened or unused subject to inspection or other disposition as may be provided by the department, where the item has been received without knowledge of the violation and the receiver has become subsequently aware of the potential problem;

(4) Knowingly conceal or willfully withhold available information regarding an infected or infested plant, plant product, regulated article, or noxious weed;

(5) Introduce or move into this state, or to move or dispose of in this state, a plant, plant product, or other item included in a quarantine, except under rules as may be prescribed by the department, after a quarantine order has been adopted under this chapter against a place, nursery, orchard, vineyard, apiary, other agricultural establishment, county of this state, another state, territory, or a foreign country as to a plant pest, bee pest, or noxious weed or genetically engineered plant or plant pest organism, until such quarantine is removed. [1991 c 257 § 12.]

17.24.091 Impound and disposition. (1) If upon inspection, the director finds that an inspected plant or plant product or bees are infected or infested or that a regulated article is being held or transported in violation of a rule or quarantine of the department, the director shall notify the owner that a violation of this chapter exists. The director may impound or order the impounding of the infected or infested or regulated article in such a manner as may be necessary to prevent the threat of infestation. The notice shall be in writing and sent by certified mail or personal service identifying the impounded article and giving notice that the articles will be treated, returned to the shipper or to a quarantined area, or destroyed in a manner as to prevent infestation to this state; and (c) mere possession by the owner constitutes an emergency.

(2) Before taking action to treat, return, or destroy the impounded article, the director shall notify the owner of the owner's right to a hearing before the director under chapter 34.05 RCW. Within ten days after the notice has been given the owner may request a hearing. The request must be in writing.

(3) The cost to impound articles along with the cost, if any, to treat, return, or destroy the articles shall be at the owner's expense. The owner is not entitled to compensation for infested or infected articles destroyed by the department under this section. [1991 c 257 § 13.]

17.24.100 Penalties—Second and subsequent offenses. (1) Except as provided in subsection (2) of this section, every person who violates or fails to comply with any rule or regulation adopted and promulgated by the director of agriculture in accordance with and under the provision of this chapter is guilty of a misdemeanor.

(2) A second and each subsequent violation or failure to comply with the provisions of this chapter or rule or regulation adopted hereunder is a gross misdemeanor. [2003 c 53 § 119; 1981 c 296 § 26; 1927 c 292 § 7; RRS § 2786. Prior: 1921 c 105 § 7.]

Intent—Effective date—2003 c 53: See notes following RCW 2.48.180.

Severability—1981 c 296: See note following RCW 15.08.010.

17.24.101 Statewide survey and control activity. If there is reason to believe that a plant or bee pest may adversely impact the forestry, agricultural, horticultural, floricultural, or related industries of the state; or may cause harm to the environment of the state; or such information is needed to facilitate or allow the movement of forestry, agricultural, horticultural, or related products to out-of-state, for-
eign and domestic markets, the director may conduct, or cause to be conducted, surveys to determine the presence, absence, or distribution of a pest.

The director may take such measures as may be required to control or eradicate such pests where such measures are determined to be in the public interest, are technically feasible, and for which funds are appropriated or provided through cooperative agreements. [1991 c 257 § 14.]

17.24.111 Director's cooperation with other agencies.
The director may enter into cooperative arrangements with a person, municipality, county, Washington State University or any of its experiment stations, or other agencies of this state, and with boards, officers, and authorities of other states and the United States, including the United States department of agriculture, for the inspection of bees, plants and plant parts and products and the control or eradication of plant pests, bee pests, or noxious weeds and to carry out other provisions of this chapter. [1991 c 257 § 15.]

17.24.121 Acquisition of lands, water supply, or other properties for quarantine locations. The director may acquire, in fee or in trust, by gift, or whenever funds are appropriated for such purposes, by purchase, easement, lease, or condemnation, lands or other property, water supplies, as may be deemed necessary for use by the department for establishing quarantine stations for the purpose of the isolation, prevention, eradication, elimination, and control of insect pests or plant pathogens that affect the agricultural or horticultural products of the state; for the propagation of biological control agents; or the isolation of genetically engineered plants or plant pests; or the isolation of bee pests. [1991 c 257 § 16.]

17.24.131 Requested inspections—Fee for service—Disbursements in lieu of fee. To facilitate the movement or sale of forest, agricultural, floricultural, horticultural and related products, or bees and related products, the director may provide, if requested by farmers, growers, or other interested persons, special inspections, pest identifications, plant identifications, plant diagnostic services, pest control activities, other special certifications and activities not otherwise authorized by statute and prescribe a fee for that service. The fee shall, as closely as practical, cover the cost of the service rendered, including the salaries and expenses of the personnel involved. Moneys collected shall be deposited in the plant pest account, which is hereby created within the agricultural local fund. No appropriation is required for disbursement from the plant pest account to provide the services authorized by this section. In lieu of a fee, assessments and other funds deposited in the plant pest account may be disbursed to provide the services authorized by this section. [1991 c 257 § 17.]

Effective date—1997 c 227: See note following RCW 15.17.243.

17.24.141 Penalties—Criminal and civil penalty.
Whenever the director finds that a person has committed a violation of any of the provisions of this chapter, and that violation has not been punished pursuant to RCW 17.24.100, the director may impose upon and collect from the violator a civil penalty not exceeding five thousand dollars per violation. Each violation shall be a separate and distinct offense. A person who knowingly, through an act of commission or omission, procures or aids or abets in the violation shall be considered to have violated this section and may be subject to the civil penalty. [1991 c 257 § 18.]

17.24.151 Violations—Costs of control. A person who, through a knowing and willful violation of a quarantine established under this chapter, causes an infestation to become established, may be required to pay the costs of public control or eradication measures caused as a result of that violation. [1991 c 257 § 19.]

17.24.161 Funds for technical and scientific services. The director may, at the director's discretion, provide funds for technical or scientific services, labor, materials and supplies, and biological control agents for the control of plant pests, bee pests, and noxious weeds. [1991 c 257 § 20.]

17.24.171 Determination of imminent danger of infestation of plant pests or plant diseases—Emergency measures—Conditions—Procedures. (1) If the director determines that there exists an imminent danger of an infestation of plant pests or plant diseases that seriously endangers the agricultural or horticultural industries of the state, or that seriously threatens life, health, economic well-being, or the environment, the director shall request the governor to order emergency measures to control the pests or plant diseases under RCW 43.06.010(13). The director's findings shall contain an evaluation of the affect of the emergency measures on public health.

(2) If an emergency is declared pursuant to RCW 43.06.010(13), the director may appoint a committee to advise the governor through the director and to review emergency measures necessary under the authority of RCW 43.06.010(13) and this section and make subsequent recommendations to the governor. The committee shall include representatives of the agricultural industries, state and local government, public health interests, technical service providers, and environmental organizations.

(3) Upon the order of the governor of the use of emergency measures, the director is authorized to implement the emergency measures to prevent, control, or eradicate plant pests or plant diseases that are the subject of the emergency order. Such measures, after thorough evaluation of all other alternatives, may include the aerial application of pesticides.

(4) Upon the order of the governor of the use of emergency measures, the director is authorized to enter into agreements with individuals, companies, or agencies, to accomplish the prevention, control, or eradication of plant pests or plant diseases, notwithstanding the provisions of chapter 15.58 or 17.21 RCW, or any other statute.

(5) The director shall continually evaluate the emergency measures taken and report to the governor at intervals of not less than ten days. The director shall immediately advise the governor if he or she finds that the emergency no longer exists or if certain emergency measures should be discontinued. [2003 c 314 § 6; 1991 c 257 § 21.]

17.24.210 Indemnity contracts for damages resulting from prevention, control, or eradication measures—Authorized—Conditions. The director of agriculture may, on the behalf of the state of Washington, enter into indemnity contracts wherein the state of Washington agrees to repay any person, firm, corporation, or other entity acting under the direction or control of the proper authority to provide plant pest or plant disease prevention, control, or eradication measures as provided in this chapter or any rule adopted pursuant to the provisions of this chapter, for losses and damages incurred as a result of such prevention, control, or eradication measures if all of the following conditions occur:

1. At the time of the incident the worker is performing services as an emergency measures worker and is acting within the course of his duties as an emergency measures worker;

2. At the time of the injury, loss, or damage, the organization providing emergency measures by which the worker is employed is an approved organization for providing emergency measures;

3. The injury, loss, or damage is proximately caused by the service either with or without negligence as an emergency measures worker;

4. The injury, loss, or damage is not caused by the intoxication of the worker; and

5. The injury, loss, or damage is not due to wilful misconduct or gross negligence on the part of a worker.

Where an act or omission by an emergency services provider in the course of providing emergency services injures a person or property, the provider and the state may be jointly and severally liable for the injury, if state liability is proved under existing or hereafter enacted law.

Each person, firm, corporation, or other entity authorized to provide the prevention, control, or eradication measures implementing a program approved under *RCW 17.24.200 shall be identified on a list approved by the director. For the purposes of this section, each person on the list shall be known, for the duration of the person’s services under the program, as “an emergency measures worker.” [1982 c 153 § 3.]

*Reviser’s note: RCW 17.24.200 was repealed by 1991 c 257 § 23.

Severability—1982 c 153: “If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.” [1982 c 153 § 5.]

Effective date—1982 c 153: “This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect April 1, 1982.” [1982 c 153 § 7.]

17.24.220 Sudden oak death syndrome—Coordinated response effort. The department and the department of natural resources shall coordinate their sudden oak death syndrome response efforts with other plant pest agencies and private organizations to exchange information, monitor the confirmed incidences of the disease, and take action as appropriate under existing plant pest control authorities to prevent the introduction of the disease into Washington and to control or eradicate the disease if it is determined to be present in the state. [2003 c 314 § 8.]

Findings—2003 c 314: “The legislature finds that since 1995 large numbers of oak and tanoak trees have been dying in the coastal counties of California. The legislature also finds that the disease causing the tree loss, which is commonly referred to as sudden oak death syndrome, has, as of July 27, 2003, been confirmed in twelve California counties, and one Oregon county. The legislature also finds that in addition to affecting several species of oak, this disease has been confirmed to affect several plant species common in Washington’s forests, including Douglas Fir, big leaf maple, huckleberry, rhododendron, madrone, and manzanita. The legislature recognizes that the state of California and the United States department of agriculture have adopted restrictions on the movement of articles that may host the disease, and the state of Oregon and the Canadian government have adopted restrictions on the importation of potential host articles. The legislature finds that an introduction of sudden oak death syndrome into Washington could cause potential damage to the state’s forest health, leading to both economic and ecological losses.” [2003 c 314 § 7.]

CONTROL OF SPARTINA AND PURPLE LOOSESTRIFE

17.26.901 Effective date—1995 c 255.

17.26.005 Findings. The legislature finds that:

1. Spartina alterniflora, Spartina anglica, Spartina townsendii, and Spartina patens which are collectively called spartina are not native to the state of Washington nor to the west coast of North America. This noxious weed was inadvertently introduced into the wetlands of the state and is now aggressively invading new areas to the detriment of native ecosystems and aquatic habitat. The spread of spartina threatens to permanently convert and displace native freshwater and saltwater wetlands and intertidal zones, including critical habitat for migratory birds, many fish species, bivalves, invertebrates, marine mammals, and other animals. The continued spread of spartina will permanently reduce the diversity and the quantity of these species and will have a significant negative environmental impact.

Spartina poses a significant hydrological threat. Clumps and meadows of spartina are dense environments that bind sediments and lift the intertidal gradient up out of the intertidal zone through time. This process reduces flows during flood conditions, raises flood levels, and significantly alters the hydrological regime of estuarine areas.

Spartina spreads by rhizomes and seed production. Through lateral growth by rhizomes, spartina establishes a dense monotypic meadow. Through seed production and the spread of seed through the air and by water, spartina is currently being spread to other states and to Canadian provinces.

2. Purple loosestrife was first documented in the state in 1929 along freshwater shorelands. It is now present throughout the state and is particularly abundant in Grant county and its neighboring counties. The plant appears to be colonizing more rapidly on the eastern side of the state than on the west-
ern side. It was first introduced to the Winchester wastewater area in the 1960’s and has invaded the area rapidly. Purple loosestrife is displacing native plants and as a result is threatening an extremely important part of this state’s wildlife habitat. Lythrum salicaria and L. virgatum are closely related loosestrife species that are morphologically similar and not easily distinguished from each other in the field. Both species have been referred to as purple loosestrife.

(3) Current laws and rules designed to protect the environment and preserve the wetland habitats, fish, and wildlife of the state are not designed to respond to an ecosystem-wide threat of this kind. State and federal agencies, local governments, weed boards, concerned individuals, and property owners attempting to deal with the ecological emergency posed by spartina and purple loosestrife infestations have been frustrated by interagency disagreements, demands for an undue amount of procedural and scientific process and information, dilatory appeals, and the improper application of laws and regulations by agencies that have in fact undermined the legislative purposes of those same laws while ignoring the long-term implications of delay and inaction. There is a compelling need for strong leadership, coordination, and reporting by a single state agency to respond appropriately to this urgent environmental challenge.

Any further delay of control efforts will significantly increase the cost of spartina and purple loosestrife control and reduce the likelihood of long-term success. Control efforts must be coordinated across political and ownership boundaries in order to be effective.

(4) The presence of noxious weeds on public lands constitutes a public nuisance and negatively impacts public and private lands. The legislature finds that control and eradication of noxious weeds on private lands is in the public interest. [1995 c 255 § 1.]

17.26.006 Findings—Purpose. This state is facing an environmental disaster that will affect other states as well as other nations. The legislature finds that six years is sufficient time for state agencies to debate solutions to the spartina and purple loosestrife problems that are occurring in state waters. One of the purposes of chapter 255, Laws of 1995 is to focus agency action on control and future eradication of spartina and purple loosestrife. It is the mandate of the legislature that one state agency, the department of agriculture, be responsible for a unified effort to eliminate spartina and control purple loosestrife, with the advice of the state noxious weed control board, and that state agency shall be directly accountable to the legislature on the progress of the spartina eradication and purple loosestrife control program. [1995 c 255 § 2.]

17.26.007 Findings—Application to appropriations. This section applies to appropriations made to the department of agriculture specifically for the removal or control of spartina or purple loosestrife or both plants. The legislature finds that: The presence of spartina or purple loosestrife on private lands threatens wildlife habitat and provides a source of renewed infestation for public lands; and effective eradication or control of spartina or purple loosestrife requires concerted efforts on both public and private lands to protect public resources. The department of agriculture may grant funds to other state agencies, local governments, and nonprofit corporations for eradication or control purposes and may use those moneys itself. The department of agriculture may match private funds for eradication or control programs on private property on a fifty-fifty matching basis. The accounting and supervision of the funds at the local level shall be conducted by the department of agriculture. [1995 c 255 § 11.]

17.26.010 Restriction on state agencies and local governments. State agencies and local governments may not use any other local, state, or federal permitting requirement, regulatory authority, or legal mechanism to override the legislative intent and statutory mandates of chapter 255, Laws of 1995. [1995 c 255 § 8.]

17.26.011 Spartina removal includes restoration—Study. Spartina removal shall include restoration to return intertidal land and other infested lands to the condition found on adjacent unaffected lands in the same tidal elevation. The department of fish and wildlife, the department of ecology, the department of agriculture, and the department of natural resources shall develop a restoration plan in cooperation with owners of spartina infested lands and shall submit the plan to the appropriate standing committees of the house of representatives and the senate by December 31, 1995. [1995 c 255 § 9.]

17.26.015 Lead agency—Responsibilities. (1) The state department of agriculture is the lead agency for the control of spartina and purple loosestrife with the advice of the state noxious weed control board.

(2) Responsibilities of the lead agency include:
(a) Coordination of the control program including memorandums of understanding, contracts, and agreements with local, state, federal, and tribal governmental entities and private parties;
(b) Preparation of a statewide spartina management plan utilizing integrated vegetation management strategies that encompass all of Washington’s tidelands. The plan shall be developed in cooperation with local, state, federal, and tribal governments, private landowners, and concerned citizens. The plan shall prioritize areas for control. Nothing in this subsection prohibits the department from taking action to control spartina in a particular area of the state in accordance with a plan previously prepared by the state while preparing the statewide plan;
(c) Directing on the ground control efforts that include, but are not limited to: (i) Control work and contracts; (ii) spartina survey; (iii) collection and maintenance of spartina location data; (iv) purchasing equipment, goods, and services; (v) survey of threatened and endangered species; and (vi) site-specific environmental information and documents; and
(d) Evaluating the effectiveness of the control efforts. The lead agency shall report to the appropriate standing committees of the house of representatives and the senate no later than December 15th of each year through the year 1999 on the progress of the program, the number of acres treated
by various methods of control, and on the funds spent. [1998 c 245 § 4; 1995 c 255 § 10.]

17.26.020 High priority for all state agencies—Definitions. (1) Facilitating the control of spartina and purple loosestrife is a high priority for all state agencies.

(2) The department of natural resources is responsible for spartina and purple loosestrife control on state-owned aquatic lands managed by the department of natural resources.

(3) The department of fish and wildlife is responsible for spartina and purple loosestrife control on state-owned aquatic lands managed by the department of fish and wildlife.

(4) The state parks and recreation commission is responsible for spartina and purple loosestrife control on state-owned aquatic lands managed by the state parks and recreation commission.

(5) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this chapter, RCW 90.48.020, 90.58.030, and 77.55.150:

(a) "Spartina" means Spartina alterniflora, Spartina anglica, Spartina x townsendii, and Spartina patens.

(b) "Purple loosestrife" means Lythrum salicaria and Lythrum virgatum.

(c) "Aquatic noxious weed" means an aquatic weed on the state noxious weed list adopted under RCW 17.10.080. [2003 c 39 § 10; 1995 c 255 § 12.]

17.26.900 Severability—1995 c 255. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1995 c 255 § 14.]

17.26.901 Effective date—1995 c 255. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately [May 5, 1995]. [1995 c 255 § 15.]

Special purpose districts, expenditures to recruit job candidates: RCW 42.24.170.

17.28.010 Definitions. When used in this chapter, the following terms, words or phrases shall have the following meaning:

(1) "District" means any mosquito control district formed pursuant to this chapter.

(2) "Board" or "district board" means the board of trustees governing the district.

(3) "County commissioners" means the governing body of the county.

(4) "Unit" means all unincorporated territory in a proposed district in one county, regarded as an entity, or each city in a proposed district, likewise regarded as an entity.

(5) "Territory" means any city or county or portion of either or both city or county having a population of not less than one hundred persons.

(6) "Person" means any individual, firm, partnership, corporation, company, association, or joint stock association, and the legal successor thereof. [1957 c 153 § 1.]

17.28.020 Districts may be organized in counties—Petition, presentment, signatures. Any number of units of a territory within the state of Washington in Adams, Benton, Franklin, Grant, Kittitas, Walla Walla and Yakima counties or any other county may be organized as a mosquito control district under the provisions of this chapter.

A petition to form a district may consist of any number of separate instruments which shall be presented at a regular
meeting of the county commissioners of the county in which the greater area of the proposed district is located. Petitions shall be signed by registered voters of each unit of the proposed district, equal in number to not less than ten percent of the votes cast in each unit respectively for the office of governor at the last gubernatorial election prior to the time of presenting the petition. [1969 c 96 § 1; 1957 c 153 § 2.]

17.28.030 Petition method—Description of boundaries—Verification of signatures—Resolution to include city. Before a city can be included as a part of the proposed district its governing body shall have requested that the city be included by resolution, duly authenticated.

The petition shall set forth and describe the boundaries of the proposed district and it shall request that it be organized as a mosquito control district. Upon receipt of such a petition, the auditor of the county in which the greater area of the proposed district is located shall be charged with the responsibility of examining the same and certifying to the sufficiency of the signatures thereon. For the purpose of examining the signatures on such petitions, the auditor shall be permitted access to the voters' registration books of each city and county located in the proposed district and may appoint the respective county auditors and city clerks thereof as his deputies. No person may withdraw his name from a petition after it has been filed with the auditor. Within thirty days following the receipt of such petition, the auditor shall transmit the same to the board of commissioners of the county in which the greater area of the proposed district is located, together with his certificate as to the sufficiency thereof. [1957 c 153 § 3.]

17.28.040 Petition method—Publication of petition and notice of meeting. Upon receipt of a duly certified petition, the board of commissioners shall cause the text of the petition to be published once a week for at least three consecutive weeks in one or more newspapers of general circulation within the county where the petition is presented and at each city a portion of which is included in the proposed district. If any portion of the proposed district lies in another county, the petition and notice shall be likewise published in that county.

Only one copy of the petition need be published even though the district embraces more than one unit. No more than five of the names attached to the petition need appear in the publication of the petition and notice, but the number of signers shall be stated.

With the publication of the petition there shall be published a notice of the time of the meeting of the county commissioners when the petition will be considered, stating that all persons interested may appear and be heard. [1957 c 153 § 4.]

17.28.050 Resolution method. Such districts may also be organized upon the adoption by the county commissioners of a resolution of intention so to do, in lieu of the procedure hereinbefore provided for the presentation of petitions. In the event the county commissioners adopt a resolution of intention, such resolution shall describe the boundaries of the proposed district and shall set a time and place at which they will consider the organization of the district, and shall state that all persons interested may appear and be heard. Such resolution of intention shall be published in the same manner and for the same length of time as a petition. [1957 c 153 § 5.]

17.28.060 Hearing—Defective petition—Establishment of boundaries. At the time stated in the notice of the filing of the petition or the time mentioned in the resolution of intention, the county commissioners shall consider the organization of the district and hear those appearing and all protests and objections to it. The commissioners may adjourn the hearing from time to time, not exceeding two months in all.

No defect in the contents of the petition or in the title to or form of the notice or signatures, or lack of signatures thereto, shall vitiate any proceedings if the petition has a sufficient number of qualified signatures.

On the final hearing the county commissioners shall make such changes in the proposed boundaries as are advisable, and shall define and establish the boundaries. [1957 c 153 § 6.]

17.28.070 Procedure to include other territory. If the county commissioners deem it proper to include any territory not proposed for inclusion within the proposed boundaries, they shall first cause notice of intention to do so to be mailed to each owner of land in the territory whose name appears as owner on the last completed assessment roll of the county in which the territory lies, addressed to the owner at his address given on the assessment roll, or if no address is given, to his last known address; or if it is not known, at the county seat of the county in which his land lies. The notice shall describe the territory and shall fix a time, not less than two weeks from the date of mailing, when all persons interested may appear before the county commissioners and be heard.

The boundaries of a district lying in a city shall not be altered unless the governing board of the city, by resolution, consents to the alteration. [1957 c 153 § 7.]

17.28.080 Determination of public necessity and compliance with chapter. Upon the hearing of the petition the county commissioners shall determine whether the public necessity or welfare of the proposed territory and of its inhabitants requires the formation of the district, and shall also determine whether the petition complies with the provisions of this chapter, and for that purpose shall hear all competent and relevant testimony offered. [1957 c 153 § 8.]

17.28.090 Declaration establishing and naming district—Election to form district—Establishment of district. If, from the testimony given before the county commissioners, it appears to that board that the public necessity or welfare requires the formation of the district, it shall, by an order entered on its minutes, declare that to be its finding, and shall further declare and order that the territory within the boundaries so fixed and determined be organized as a district, under an appropriate name to be selected by the county commissioners, subject to approval of the voters of the district as hereinafter provided. The name shall contain the words "mosquito control district."
At the time of the declaration establishing and naming the district, the county commissioners shall by resolution call a special election to be held not less than thirty days and not more than sixty days from the date thereof, and shall cause to be published a notice of such election at least once a week for three consecutive weeks in a newspaper of general circulation in the county, setting forth the hours during which the polls will be open, the boundaries of the proposed district as finally adopted, and the object of the election. If any portion of the proposed district lies in another county, a notice of such election shall likewise be published in that county.

The election on the formation of the mosquito control district shall be conducted by the auditor of the county in which the greater area of the proposed district is located in accordance with the general election laws of the state and the results thereof shall be canvassed by that county's canvassing board. For the purpose of conducting an election under this section, the auditor of the county in which the greater area of the proposed district is located may appoint the auditor of any county or the city clerk of any city lying wholly or partially within the proposed district as his deputies. No person shall be entitled to vote at such election unless he is a qualified voter under the laws of the state in effect at the time of such election and has resided within the mosquito control district for at least thirty days preceding the date of the election. The ballot proposition shall be in substantially the following form:

"Shall a mosquito control district be established for the area described in a resolution of the board of commissioners of . . . . . . . . . . . . county adopted on the . . . . . . day of . . . . . ., 19 . . . ?

YES .................................. ☐
NO .................................. ☐"
the district by the governing body of the city; but if the board created consists of less than five members, the county commissioners in which the greater area of the district is situated shall appoint from the district at large enough additional members to make a board of five members. [1959 c 64 § 1; 1957 c 153 § 11.]

17.28.120 Board of trustees—Name of board—Qualification of members. The district board shall be called "The board of trustees of . . . . . . mosquito control district."

Each member of the board appointed by the governing body of a city shall be an elector of the city from which he is appointed and a resident of that portion of the city which is in the district.

Each member appointed from a county or portion of a county shall be an elector of the county and a resident of that portion of the county which is in the district.

Each member appointed at large shall be an elector of the district. [1957 c 153 § 12.]

17.28.130 Board of trustees—Terms—Vacancies. The members of the first board in any district shall classify themselves by lot at their first meeting so that:

(1) If the total membership is an even number, the terms of one-half the members will expire at the end of one year, and the terms of the remainder at the end of two years, from the second day of the calendar year next succeeding their appointment.

(2) If the total membership is an odd number, the terms of a bare majority of the members will expire at the end of one year, and the terms of the remainder at the end of two years, from the second day of the calendar year next succeeding their appointment.

The term of each subsequent member is two years from and after the expiration of the term of his predecessor.

In event of the resignation, death, or disability of any member, his successor shall be appointed by the governing body which appointed him. [1957 c 153 § 13.]

17.28.140 Board of trustees—Organization—Officers—Compensation—Expenses. The members of the first district board shall meet on the first Monday subsequent to thirty days after the filing with the secretary of state of the certificate of incorporation of the district. They shall organize by the election of one of their members as president and one as secretary.

The members of the district board shall serve without compensation; but the necessary expenses of each member for actual traveling in connection with meetings or business of the board may be allowed and paid.

The secretary shall receive such compensation as shall be fixed by the district board. [1957 c 153 § 14.]

17.28.150 Board of trustees—Meetings—Rules—Quorum. The district board shall provide for the time and place of holding its regular meetings, and the manner of calling them, and shall establish rules for its proceedings.

Special meetings may be called by three members, notice of which shall be given to each member at least twenty-four hours before the meeting.

All of its sessions, whether regular or special, shall be open to the public.

A majority of the members shall constitute a quorum for the transaction of business. [1957 c 153 § 15.]

17.28.160 Powers of district. A mosquito control district organized under this chapter may:

(1) Take all necessary or proper steps for the extermination of mosquitoes.

(2) Subject to the paramount control of the county or city in which they exist, abate as nuisances all stagnant pools of water and other breeding places for mosquitoes.

(3) If necessary or proper, in the furtherance of the objects of this chapter, build, construct, repair, and maintain necessary dikes, levees, cuts, canals, or ditches upon any land, and acquire by purchase, condemnation, or by other lawful means, in the name of the district, any lands, rights of way, easements, property, or material necessary for any of those purposes.

(4) Make contracts to indemnify or compensate any owner of land or other property for any injury or damage necessarily caused by the use or taking of property for dikes, levees, cuts, canals, or ditches.

(5) Enter upon without hindrance any lands within the district for the purpose of inspection to ascertain whether breeding places of mosquitoes exist upon such lands; or to abate public nuisances in accordance with this chapter; or to ascertain if notices to abate the breeding of mosquitoes upon such lands have been complied with; or to treat with oil or other larvicidal material any breeding places of mosquitoes upon such lands.

(6) Sell or lease any land, rights of way, easements, property or material acquired by the district.

(7) Issue warrants payable at the time stated therein to evidence the obligation to repay money borrowed or any other obligation incurred by the district, warrants so issued to draw interest at a rate fixed by the board payable annually or semiannually as the board may prescribe.

(8) Make contracts with the United States, or any state, municipality, or any department of those entities for carrying out the general purpose for which the district is formed.

[1981 c 156 § 1; 1957 c 153 § 16.]

17.28.170 Mosquito breeding places declared public nuisance—Abatement. Any breeding place for mosquitoes which exists by reason of any use made of the land on which it is found or of any artificial change in its natural condition is a public nuisance: PROVIDED, That conditions or usage of land which are beyond the control of the landowner or are not contrary to normal, accepted practices of water usage in the district, shall not be considered a public nuisance.
Mosquito Control Districts

17.28.256

The nuisance may be abated in any action or proceeding, or by any remedy provided by law. [1959 c 64 § 2; 1957 c 153 § 17.]

17.28.175 Control of mosquitos—Declaration that owner is responsible. A board established pursuant to RCW 17.28.110 may adopt, by resolution, a policy declaring that the control of mosquitos within the district is the responsibility of the owner of the land from which the mosquitos originate. To protect the public health or welfare, the board may, in accordance with policies and standards established by the board following a public hearing, adopt a regulation requiring owners of land within the district to perform such acts as may be necessary to control mosquitos. [1990 c 300 § 2.]

17.28.185 Control of mosquitos—Noncompliance by landowner with regulations. (1) Whenever the board finds that the owner has not taken prompt and sufficient action to comply with regulations adopted pursuant to RCW 17.28.175 to control mosquitos originating from the owner's land, the board shall notify the owner that a violation of this chapter exists. The notice shall be in writing and sent by certified mail, or served by personal service. The notice shall provide a reasonable time period for action to be taken to control mosquitos. If the board deems that a public nuisance or threat to public health or welfare caused by the mosquito infestation is sufficiently severe, it may require immediate control action to be taken within forty-eight hours following the time that notification is reasonably expected to have been received by the owner or agent by certified mail or personal service.

(2) If the owner does not take sufficient action to control mosquitos in accordance with the notice, the board may control them, or cause their being controlled, at the expense of the owner. The amount of such expense shall constitute a lien against the property and may be enforced by proceedings on such lien. The owner shall be liable for payment of the expenses, and nothing in this chapter shall be construed to prevent collection of any judgment on account thereof by any means available pursuant to law, in substitution for enforcement of the lien. Necessary costs and expenses, including reasonable attorneys' fees, incurred by the board in carrying out this section, may be recovered at the same time, as a part of the action filed under this section. The venue in proceedings for reimbursement of expenses brought pursuant to this section, including those involving governmental entities, shall be the county in which the real property that is the subject of the action is situated. [1990 c 300 § 3.]

A mosquito control district shall have the power to levy additional taxes in excess of the constitutional and/or statutory limitations for any of the authorized purposes of such district, not in excess of fifty cents per thousand dollars of assessed value per year when authorized so to do by the electors of such district by a three-fifths majority of those voting on the proposition in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as thereafter amended at such time as may be fixed by the board of trustees for the district, which special election may be called by the board of trustees of the district, at which special election the proposition of authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote "Yes" and those opposing thereto to vote "No". Nothing herein shall be construed to prevent holding the foregoing special election at the same time as that fixed for a general election. [1973 1st ex.s. c 195 § 3; 1959 c 64 § 4.]

17.28.253 District boundaries for tax purposes. For the purpose of property taxation and the levying of property taxes the boundaries of the mosquito control district shall be the established official boundary of such district existing on the first day of September of the year in which the levy is made, and no such levy shall be made for any mosquito control district whose boundaries are not duly established on the first day of September of such year. [1959 c 64 § 5.]

Mosquito control districts may become indebted for capital purposes up to an amount equal to one and one-fourth percent of the value of the taxable property in the district, as the term "value of the taxable property" is defined in RCW 39.36.015.

Such bonds shall never be issued to run for a longer period than ten years from the date of issue and shall be issued and sold in accordance with chapter 39.46 RCW. [1984 c 186 § 5; 1983 c 167 § 18; 1973 1st ex.s. c 195 § 4; 1970 ex.s. c 56 § 5; 1969 ex.s. c 232 § 65; 1957 c 153 § 26.]

The treasurers of the other counties shall, at any time, not oftener than twice each year, upon the order of the district board settle with the district board and pay over to the treasurer of the county where the district is organized all money in their possession belonging to the district. It shall publish notice of the hearing along with a copy of the petition, stating the time and place set for the hearing, in each county in which any part of the district or of the territory is situated, and in each city situated wholly or in part in the territory. Not more than five of the names attached to the petition need appear in the publication, but the number of signers shall be stated.

[Title 17 RCW—page 48] (2004 Ed.)
At the time set for the hearing the district board shall hear persons appearing in behalf of the petition and all protests and objections to it. The district board may adjourn the hearing from time to time, but not exceeding two months in all.

However, the members of the district board in office at the time of the annexation shall continue to serve as members during the remainder of the terms for which they were appointed. [1957 c 153 § 35.]

### 17.28.360 Consolidation of districts—Initial proceedings.
Whenever in the judgment of the district board it is for the best interests of the district that it be consolidated with one or more other districts, it may, by a two-thirds vote of its members, adopt a resolution reciting that fact and declaring the advisability of such consolidation and the willingness of the board to consolidate. The resolution shall be sent to the board of each district with which consolidation is proposed.

The board of each district to which a proposal of consolidation is sent shall consider said proposal and give notice of its decision to the proposing board. [1957 c 153 § 36.]

The board of each district shall declare the returns of the election in its district, and shall certify the results to the county commissioners of the county in which all the districts, or the major portion of the land of all the districts, are situated. [1957 c 153 § 38.]

### 17.28.390 Consolidation of districts—Order of consolidation.
Should not less than two-thirds of the votes of each of the respective districts proposed to be consolidated favor consolidation the county commissioners shall immediately:

1. Enter an order on its minutes consolidating all of the districts proposed for consolidation into one district with name as specified in the concurrent resolution.
2. Transmit a certified copy of the order to the county commissioners of any other county in which any portion of the consolidated district is situated.
3. Record a copy in the office of the county auditor of each of the counties in which any portion of the consolidated district is situated.
4. File a copy in the office of the secretary of state.

After the transmission, recording and filing of the order, the territory in the districts entering into the consolidation proposal forms a single consolidated district. [1957 c 153 § 39.]

A consolidated district shall not be liable for any indebtedness of any of the former districts included in it which was outstanding at the time of consolidation.

No property in any of the former districts shall be taxed to pay any indebtedness of any other former district existing at the date of the consolidation. [1957 c 153 § 41.]

The question shall be submitted as, “Shall the district be dissolved?”, or words to that effect.

Notice of the election shall be published at least once a week for at least four weeks prior to the date of the election in a newspaper of general circulation in each county of the district. [1957 c 153 § 42.]

Upon receipt of such certification the secretary of state shall issue his certificate reciting that the district (naming it) has been dissolved, and shall transmit to and file a copy with the county clerk of each county in which any portion of the district is situated.

After the date of the certificate of the secretary of state, the district is dissolved. [1957 c 153 § 43.]

17.28.440 Dissolution—Disposition of property. If the district at the time of dissolution was wholly within unincorporated territory in one county, its property vests in that county.

If the district at the time of dissolution was situated wholly within the boundaries of a single city, its property vests in that city.

If the district at the time of dissolution comprised only unincorporated territory in two or more counties, its property vests in those counties in proportion to the assessed value of each county’s property within the boundaries of the district as shown on the last equalized county assessment roll.

If the district at the time of dissolution comprised both incorporated and unincorporated territory, its property vests in each unit in proportion as its assessed property value lies within the boundaries of the district: PROVIDED, HOWEVER, That any real property, easements, or rights of way vest in the city in which they are situated or in the county in which they are situated. [1957 c 153 § 44.]

17.28.450 Dissolution—Collection of taxes to discharge indebtedness. If, at the time of election to dissolve, a district has outstanding any indebtedness, the vote to dissolve the district dissolves it for all purposes except the levy and collection of taxes for the payment of the indebtedness, and expenses of assessing, levying, and collecting such taxes.

Until the indebtedness is paid, the county commissioners of the county in which the greater portion of the district was situated shall act as the ex officio district board and shall levy taxes and perform such functions as may be necessary in order to pay the indebtedness. [1957 c 153 § 45.]

17.28.900 Severability—1957 c 153. If any part, or parts, of this chapter shall be held unconstitutional, the remaining provisions shall be given full force and effect, as completely as if the part held unconstitutional had not been included therein, if any such remaining part can then be administered in furtherance of the purposes of this chapter. [1957 c 153 § 46.]

17.34.010 Compact provisions. The pest control compact is hereby enacted into law and entered into with all other jurisdiction legally joining therein in the form substantially as follows:

ARTICLE I

FINDINGS

The party states find that:

1. In the absence of the higher degree of cooperation among them possible under this compact, the annual loss of approximately seven billion dollars from the depredations of pests is virtually certain to continue, if not to increase.

2. Because of varying climatic, geographic and economic factors, each state may be affected differently by particular species of pests; but all states share the inability to protect themselves fully against those pests which present serious dangers to them.

3. The migratory character of pest infestations makes it necessary for states both adjacent to and distant from one
another, to complement each other’s activities when faced with conditions of infestation and reinestation.

4. While every state is seriously affected by a substantial number of pests, and every state is susceptible of infestation by many species of pests not now causing damage to its crop and plant life and products, the fact that relatively few species of pests present equal danger to or are of interest to all states makes the establishment and operation of an Insurance Fund, from which individual states may obtain financial support for pest control programs of benefit to them in other states and to which they may contribute in accordance with their relative interests, the most equitable means of financing cooperative pest eradication and control programs.

ARTICLE II
DEFINITIONS

As used in this compact, unless the context clearly requires a different construction:

1. "State" means a state, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

2. "Requesting state" means a state which invokes the procedures of the compact to secure the undertaking or intensification of measures to control or eradicate one or more pests within one or more other states.

3. "Responding state" means a state request to undertake or intensify the measures referred to in subdivision (2) of this Article.

4. "Pest" means any invertebrate animal, pathogen, parasitic plant or similar or allied organism which can cause disease or damage in any crops, trees, shrubs, grasses or other plants of substantial value.

5. "Insurance Fund" means the Pest Control Insurance Fund established pursuant to this compact.

6. "Governing Board" means the administrators of this compact representing all of the party states when such administrators are acting as a body in pursuance of authority vested in them by this compact.

7. "Executive Committee" means the committee established pursuant to Article V(E) of this compact.

ARTICLE III
THE INSURANCE FUND

There is hereby established the Pest Control Insurance Fund for the purpose of financing other than normal pest control operations which states may be called upon to engage in pursuant to this compact. The Insurance Fund shall contain moneys appropriated to it by the party states and any donations and grants accepted by it. All appropriations, except as conditioned by the rights and obligations of party states expressly set forth in this compact, shall be unconditional and may not be restricted by the appropriating state to use in the control of any specified pest or pests. Donations and grants may be conditional or unconditional, provided that the Insurance Fund shall not accept any donation or grant whose terms are inconsistent with any provision of this compact.

ARTICLE IV
THE INSURANCE FUND, INTERNAL OPERATIONS AND MANAGEMENT

A. The Insurance Fund shall be administered by a Governing Board and Executive Committee as hereinafter provided. The actions of the Governing Board and Executive Committee pursuant to this compact shall be deemed the actions of the Insurance Fund.

B. The members of the Governing Board shall be entitled to one vote each on such Board. No action of the Governing Board shall be binding unless taken at a meeting at which a majority of the total number of votes on the Governing Board are cast in favor thereof. Action of the Governing Board shall be only at a meeting at which a majority of the members are present.

C. The Insurance Fund shall have a seal which may be employed as an official symbol and which may be affixed to documents and otherwise used as the Governing Board may provide.

D. The Governing Board shall elect annually, from among its members, a chairman, a vice chairman, a secretary and a treasurer. The chairman may not succeed himself. The Governing Board may appoint an executive director and fix his duties and his compensation, if any. Such executive director shall serve at the pleasure of the Governing Board. The Governing Board shall make provisions for the bonding of such of the officers and employees of the Insurance Fund as may be appropriate.

E. Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director, or if there be no executive director, the chairman, in accordance with such procedures as the bylaws may provide, shall appoint, remove or discharge such personnel as may be necessary for the performance of the functions of the Insurance Fund and shall fix the duties and compensation of such personnel. The Governing Board in its bylaws shall provide for the personnel policies and programs of the Insurance Fund.

F. The Insurance Fund may borrow, accept or contract for the services of personnel from any state, the United States, or any other governmental agency, or from any person, firm, association or corporation.

G. The Insurance Fund may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association or corporation, and may receive, utilize and dispose of the same. Any donation, gift or grant accepted by the Governing Board pursuant to this paragraph or services borrowed pursuant to paragraph (F) of this Article shall be reported in the annual report of the Insurance Fund. Such report shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender.

H. The Governing Board shall adopt bylaws for the conduct of the business of the Insurance Fund and shall have the power to amend and rescind these bylaws. The Insurance Fund shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto with
the appropriate agency or officer in each of the party states.

I. The Insurance Fund annually shall make to the Governor and legislature of each party state a report covering its activities for the preceding year. The Insurance Fund may make such additional reports as it may deem desirable.

J. In addition to the powers and duties specifically authorized and imposed, the Insurance Fund may do such other things as are necessary and incidental to the conduct of its affairs pursuant to this compact.

ARTICLE V
COMPACT AND INSURANCE FUND ADMINISTRATION

A. In each party state there shall be a compact administrator, who shall be selected and serve in such manner as the laws of his state may provide, and who shall:

1. Assist in the coordination of activities pursuant to the compact in his state; and
2. Represent his state on the Governing Board of the Insurance Fund.

B. If the laws of the United States specifically so provide, or if administrative provision is made therefor within the Federal Government, the United States may be represented on the Governing Board of the Insurance Fund by not to exceed three representatives. Any such representative or representatives of the United States shall be appointed and serve in such manner as may be provided by or pursuant to federal law, but no such representative shall have a vote on the Governing Board or on the Executive Committee thereof.

C. The Governing Board shall meet at least once each year for the purpose of determining policies and procedures in the administration of the Insurance Fund and, consistent with the provisions of the compact, supervising and giving direction to the expenditure of moneys from the Insurance Fund. Additional meetings of the Governing Board shall be held on call of the chairman, the Executive Committee, or a majority of the membership of the Governing Board.

D. At such times as it may be meeting, the Governing Board shall pass upon applications for assistance from the Insurance Fund and authorize disbursements therefrom. When the Governing Board is not in session, the Executive Committee thereof shall act as agent of the Governing Board, with full authority to act for it in passing upon such applications.

E. The Executive Committee shall be composed of the chairman of the Governing Board and four additional members of the Governing Board chosen by it so that there shall be one member representing each of four geographic groupings of party states. The Governing Board shall make such geographic groupings. If there is representation of the United States on the Governing Board one such representative may meet with the Executive Committee. The chairman of the Governing Board shall be chairman of the Executive Committee. No action of the Executive Committee shall be binding unless taken at a meeting at which at least four members of such Committee are present and vote in favor thereof.

Necessary expenses of each of the five members of the Executive Committee incurred in attending meetings of such Committee, when not held at the same time and place as a meeting of the Governing Board, shall be charges against the Insurance Fund.

ARTICLE VI
ASSISTANCE AND REIMBURSEMENT

A. Each party state pledges to each other party state that it will employ its best efforts to eradicate, or control within the strictest practicable limits, any and all pests. It is recognized that performance of this responsibility involves:

1. The maintenance of pest control and eradication activities of interstate significance by a party state at a level that would be reasonable for its own protection in the absence of this compact.
2. The meeting of emergency outbreaks or infestations of interstate significance to no less an extent than would have been done in the absence of this compact.

B. Whenever a party state is threatened by a pest not present within its borders but present within another party state, or whenever a party state is undertaking or engaged in activities for the control or eradication of a pest or pests, and finds that such activities are or would be impracticable or substantially more difficult of success by reason of failure of another party state to cope with infestation or threatened infestation, that state may request the Governing Board to authorize expenditures from the Insurance Fund for eradication or control measures to be taken by one or more of such other party states at a level sufficient to prevent, or to reduce to the greatest practicable extent, infestation or reinfection of the requesting state. Upon such authorization the responding state or states shall take or increase such eradication or control measures as may be warranted. A responding state shall use moneys made available from the Insurance Fund expeditiously and efficiently to assist in affording the protection requested.

C. In order to apply for expenditures from the Insurance Fund, a requesting state shall submit the following in writing:

1. A detailed statement of the circumstances which occasion the request for the invoking of the compact.
2. Evidence that the pest on account of whose eradication or control assistance is requested constitutes a danger to an agricultural or forest crop, product, tree, shrub, grass or other plant having a substantial value to the requesting state.
3. A statement of the extent of the present and projected program of the requesting state and its subdivision, including full information as to the legal authority for the conduct of such program or programs and the expenditures being made or budgeted therefor, in connection with the eradication, control, or prevention of introduction of the pest concerned.
4. Proof that the expenditures being made or budgeted as detailed in item 3 do not constitute a reduction of the effort for the control or eradication

[Title 17 RCW—page 52] (2004 Ed.)
of the pest concerned or, if there is a reduction, the reasons why the level of program detailed in item 3 constitutes a normal level of pest control activity.

5. A declaration as to whether, to the best of its knowledge and belief, the conditions which in its view occasion the invoking of the compact in the particular instance can be abated by a program undertaken with the aid of moneys from the Insurance Fund in one year or less, or whether the request is for an installment in a program which is likely to continue for a longer period of time.

6. Such other information as the Governing Board may require consistent with the provisions of this compact.

D. The Governing Board or Executive Committee shall give due notice of any meeting at which an application for assistance from the Insurance Fund is to be considered. Such notice shall be given to the compact administrator of each party state and to such other officers and agencies as may be designated by the laws of the party states. The requesting state and any other party state shall be entitled to be represented and present evidence and argument at such meeting.

E. Upon the submission as required by paragraph (C) of this Article and such other information as it may have or acquire, and upon determining that an expenditure of funds is within the purposes of this compact and justified thereby, the Governing Board or Executive Committee shall authorize support of the program. The Governing Board or the Executive Committee may meet at any time or place for the purpose of receiving and considering an application. Any and all determinations of the Governing Board or Executive Committee, with respect to an application, together with the reasons therefor shall be recorded and subscribed in such manner as to show and preserve the votes of the individual members thereof.

F. A requesting state which is dissatisfied with a determination of the Executive Committee shall upon notice in writing given within twenty days of the determination with which it is dissatisfied, be entitled to receive a review thereof at the next meeting of the Governing Board. Determinations of the Executive Committee shall be reviewable only by the Governing Board at one of its regular meetings, or at a special meeting held in such manner as the Governing Board may authorize.

G. Responding states required to undertake or increase measures pursuant to this compact may receive moneys from the Insurance Fund, either at the time or times when such state incurs expenditures on account of such measures, or as reimbursement for expenses incurred and chargeable to the Insurance Fund. The Governing Board shall adopt and, from time to time, may amend or revise procedures for submission of claims upon it and for payment thereof.

H. Before authorizing the expenditure of moneys from the Insurance Fund pursuant to an application of a requesting state, the Insurance Fund shall ascertain the extent and nature of any timely assistance or participation which may be available from the Federal Government and shall request the appropriate agency or agencies of the Federal Government for such assistance and participation.

I. The Insurance Fund may negotiate and execute a memorandum of understanding or other appropriate instrument defining the extent and degree of assistance or participation between and among the Insurance Fund, cooperating federal agencies, states and any other entities concerned.

ARTICLE VII

ADVISORY AND TECHNICAL COMMITTEES

The Governing Board may establish advisory and technical committees composed of state, local, and federal officials, and private persons to advise it with respect to any one or more of its functions. Any such advisory or technical committee, or any member or members thereof may meet with and participate in its deliberations. Upon request of the Governing Board or Executive Committee an advisory or technical committee may furnish information and recommendations with respect to any application for assistance from the Insurance Fund being considered by such Board or Committee and the Board or Committee may receive and consider the same; provided that any participant in a meeting of the Governing Board or Executive Committee held pursuant to Article VI(D) of the compact shall be entitled to know the substance of any such information and recommendations, at the time of the meeting if made prior thereto or as a part thereof or, if made thereafter, no later than the time at which the Governing Board or Executive Committee makes its disposition of the application.

ARTICLE VIII

RELATIONS WITH NONPARTY JURISDICTIONS

A. A party state may make application for assistance from the Insurance Fund in respect of a pest in a nonparty state. Such application shall be considered and disposed of by the Governing Board or Executive Committee in the same manner as an application with respect to a pest within a party state, except as provided in this Article.

B. At or in connection with any meeting of the Governing Board or Executive Committee held pursuant to Article VI(D) of this compact a nonparty state shall be entitled to appear, participate, and receive information only to such extent as the Governing Board or Executive Committee may provide. A nonparty state shall not be entitled to review of any determination made by the Executive Committee.

C. The Governing Board or Executive Committee shall authorize expenditures from the Insurance Fund to be made in a nonparty state only after determining that the conditions in such state and the value of such expenditures to the party states as a whole justify them. The Governing Board or Executive Committee may set any conditions which it deems appropriate with respect to the expenditure of moneys from the Insurance Fund in a nonparty state and may enter into such agreement or agreements with nonparty states and other jurisdictions or entities as it may deem necessary or appropriate to protect the interests of the Insurance Fund with respect to expenditures and activities outside of party states.
ARTICLE IX
FINANCE

A. The Insurance Fund shall submit to the executive head or designated officer or officers of each party state a budget for the Insurance Fund for each fiscal year as prescribed by the laws of that party state for presentation to the legislature thereof.

B. Each of the budgets shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The requests for appropriations shall be apportioned among the party states as follows: one-tenth of the total budget in equal shares and the remainder in proportion to the value of agricultural and forest crops and products, excluding animals and animal products, produced in each party state. In determining the value of such crops and products the Insurance Fund may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the budgets and requests for appropriations shall indicate the source or sources used in obtaining information concerning value of products.

C. The financial assets of the Insurance Fund shall be maintained in two accounts to be designated respectively as the "Operating Account" and the "Claims Account". The Operating Account shall consist only of those assets necessary for the administration of the Insurance Fund during the next ensuing two-year period. The Claims Account shall contain all moneys not included in the Operating Account and shall not exceed the amount reasonably estimated to be sufficient to pay all legitimate claims on the Insurance Fund for a period of three years. At any time when the Claims Account has reached its maximum limit or would reach its maximum limit by the addition of moneys requested for appropriation by the party states, the Governing Board shall reduce its budget requests on a pro rata basis in such manner as to keep the Claims Account within such maximum limit. Any moneys in the Claims Account by virtue of conditional donations, grants or gifts shall be included in calculations made pursuant to this paragraph only to the extent that such moneys are available to meet demands arising out of claims.

D. The Insurance Fund shall not pledge the credit of any party state. The Insurance Fund may meet any of its obligations in whole or in part with moneys available to it under Article IV(G) of this compact, provided that the Governing Board takes specific action setting aside such moneys prior to incurring any obligation to be met in whole or in part in such manner. Except where the Insurance Fund makes use of moneys available to it under Article IV(G) hereof, the Insurance Fund shall not incur any obligation prior to the allotment of moneys by the party states adequate to meet the same.

E. The Insurance Fund shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Insurance Fund shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Insurance Fund shall be audited yearly by a certified or licensed public accountant and a report of the audit shall be included in and become part of the annual report of the Insurance Fund.

F. The accounts of the Insurance Fund shall be open at any reasonable time for inspection by duly authorized officers of the party states and by any persons authorized by the Insurance Fund.

ARTICLE X
ENTRY INTO FORCE AND WITHDRAWAL

A. This compact shall enter into force when enacted into law by any five or more states: provided, that one such state is contiguous to this state and the legislature has appropriated the necessary funds. Thereafter, this compact shall become effective as to any other state upon its enactment thereof.

B. Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until two years after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

ARTICLE XI
CONSTRUCTION AND SEVERABILITY

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating herein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters. [1969 ex.s. c 130 § 1.]

17.34.040 Compact administrator. The compact administrator for this state shall be the director of agriculture. The duties of the compact administrator shall be deemed a regular part of his office. [1969 ex.s. c 130 § 4.]

17.34.050 Requests or applications for assistance from insurance fund. Within the meaning of Article VI(B) or VIII(A), a request or application for assistance from the insurance fund may be made by the director of agriculture whenever in his judgment the conditions qualifying this state...
for such assistance exist and it would be in the best interest of this state to make such request. [1969 ex.s. c 130 § 5.]

17.34.060 Agency incurring expenses to be credited with payments to this state. The department, agency, or officer expending or becoming liable for an expenditure on account of a control or eradication program undertaken or intensified pursuant to the compact shall have credited to his account in the state treasury the amount or amounts of any payments made to this state to defray the cost of such program, or any part thereof, or as reimbursement thereof. [1969 ex.s. c 130 § 6.]

17.34.070 "Executive head" defined. As used in the compact, with reference to this state, the term "executive head" shall mean the director of agriculture. [1969 ex.s. c 130 § 7.]
