The ninety-one titles with chapters and sections designated as the "Revised Code of Washington" and attested by the secretary of the senate and the chief clerk of the house of representatives of the legislature of the state of Washington, are hereby enacted and designated as the "Revised Code of Washington." Said code is intended to embrace in a revised, consolidated, and codified form and arrangement all the laws of the state of a general and permanent nature. [1951 c 5 § 2; 1950 ex.s. c 16 § 1.]

Creation of new code titles authorized, effect: RCW 1.08.015.

1.04.013 1950 Supplement enacted. The titles, chapters, and sections designated as the "1950 Supplement to the Revised Code of Washington" attested by the secretary of the senate and the chief clerk of the house of representatives of the legislature of the state of Washington, and filed with the secretary of state, are hereby enacted and consolidated into and with the Revised Code of Washington. Said 1950 supplement is intended to embrace (1) in a revised and codified form, all those laws of the state of Washington of a general and permanent nature enacted since January 1, 1949, (2) revision and recodification of certain of the titles, chapters, and sections of the revised code, and (3) application of a new system of numbering to all of the sections and certain of the chapters of the revised code, subject to RCW 1.04.014. [1951 c 5 § 1.]

1.04.014 Numbering system adopted—Application. The system of numbering employed in the 1950 supplement is hereby adopted as the general system to be followed in designating sections of the revised code. Specific numbers, in accordance with such system, are authorized to be assigned to sections of the revised code as follows:

Those chapters and sections of the revised code expressly numbered or renumbered in the 1950 supplement are authorized to be numbered or renumbered to the new number respectively shown in the 1950 supplement. All other sections of the revised code now existing are authorized to be renumbered by tens according to the plan generally used in the 1950 supplement, using the number of the title, the new number, if any, of the chapter in which the section occurs, and adding the digit "0" to the terminal end of the number marking the position of the section within the chapter. The secretary of state shall, before publication of any laws enacted at this session of the legislature which are by their terms expressly amendatory of any section or sections contained in the revised code or the 1950 supplement, renumber each section and correlate the numbers of sections so renumbered, in accordance with this provision, so that each such section when published bears or is referred to by its proper new number. The secretary of state, in publishing the session laws of this thirty-second session of the legislature shall use therein the applicable new numbers of the respective sections so renumbered. [1951 c 5 § 3.]

1.04.015 Numbering new sections, chapters—Corrections. New chapters or sections added to the Revised Code of Washington (as supplemented or modified by the 1950 supplement), as the result of laws enacted at this or subsequent sessions of the legislature, shall be numbered in harmony with said general numbering system, and shall bear such respective numbers in accordance therewith as may be assigned by such official or agency as may be expressly authorized by law so to do.

This section shall not prohibit or prevent the correction by any such official or agency, of the number of any section of the revised code found clearly to be incorrectly numbered or incorrectly correlated with other sections as to number. [1951 c 5 § 4.]

1.04.016 Expansion of numbering system—Decimal factor. It is the intent that under said numbering system the section factor of the section number shall be treated as a decimal figure, and where new sections must hereafter in codifying be inserted between sections then already consecutively numbered, the proper number for such new section shall be created by the insertion of an additional digit at the terminal end of the number of the section immediately preceding the location at which such new section is to be inserted. [1951 c 5 § 5.]
1.04.020 Code as evidence of the law—Rule of construction—Effect of amendment. The contents of the Revised Code of Washington, after striking therefrom sections repealed or superseded by laws of the state of Washington enacted since January 1, 1949, as the revised code is supplemented or modified in the 1950 supplement, shall establish the laws of this state of a general and permanent nature in effect on January 1, 1951; except, that nothing herein shall be construed as changing the meaning of any such laws and, as a rule of construction, in case of any omissions or any inconsistency between any of the provisions of the revised code as so supplemented or modified and the laws existing immediately preceding this enactment, the previously existing laws shall control. Any section of the Revised Code of Washington (as supplemented or modified by the 1950 supplement) expressly amended by the legislature, including the entire context set out, shall, as so amended, constitute the law and the ultimate declaration of legislative intent. [1951 c 5 § 6.]

1.04.021 Rule of construction—Prima facie law. The contents of said code shall establish prima facie the laws of this state of a general and permanent nature in effect on January 1, 1949, but nothing herein shall be construed as changing the meaning of any such laws. In case of any omissions, or any inconsistency between any of the provisions of said code and the laws existing immediately preceding this enactment, the previously existing laws shall control. [1950 ex.s. c 16 § 2.]

1.04.030 New laws to be added to code. All laws of a general and permanent nature enacted after January 1, 1949, shall, from time to time, be incorporated into and become a part of said code. [1950 ex.s. c 16 § 3.]

[2011 c 336 § 4; 1955 c 235 § 4.]

1.08.031 Information service to legislators. If a publication complies with such specifications, the committee shall furnish a certificate of such compliance, executed on behalf of the committee by its chair, to the publisher, and the certificate shall be reproduced at the beginning of each such volume or supplement.

Upon request of any publisher in good faith interested in publishing said code, the committee shall furnish a copy of its current specifications and shall not during the process of any bona fide publication of said code or supplements modify any such specifications, if such modification would result in added expense or material inconvenience to the publisher, without written concurrence therein by such publisher. The legislature finds that web-based access to these materials has become the most popular and efficient method of access by the public, state agencies and local governments, and the legal community and that permanent public access to these web-based materials shall be maintained and preserved. The statute law committee shall also make it a priority to provide reasonably priced print alternatives to the public, state agencies and local governments, and libraries.

The legislature intends that the statute law committee have additional discretion to distribute its publications using the most efficient methods and technologies available and to use less expensive formats for the delivery of free copies to state and local agencies when appropriate." If the statute law committee publishes the Washington State Register exclusively by electronic means on the code reviser web site, the electronic copy posted on the code reviser web site shall be considered the official copy of the Washington State Register.

The code reviser shall provide a paper copy of any issue of the register or any register filing upon request. The code reviser may charge a reasonable fee for printing and mailing the paper copy. [2007 c 456 § 2; 1977 ex.s. c 240 § 2.]

[Title 1 RCW—page 6] (2016 Ed.)
1.12.010 Code to be liberally construed. The provisions of this code shall be liberally construed, and shall not be limited by any rule of strict construction. [1891 c 23 § 1, part; Code 1881 §§ 758, 1686; 1877 p 153 § 763; 1854 p 221 § 504; RRS § 144.]

Reviser's note: (1) This section is a part of 1891 c 23 § 1. The introductory phrase of that section provides: "The following provisions relative to the construction of statutes shall be rules of construction and shall constitute a part of the code of procedure of this state:"

(2) This section was originally section 504 of the 1854 statute entitled "An act to regulate the practice and proceedings in civil actions." Section 504 of the 1854 statute reads as follows: "The provisions of this act shall be liberally construed and shall not be limited by any rule of strict construction."

Identical language appears in Code of 1881 § 1686 relating to probate, and again in Code of 1881 § 758, being part of "An act to regulate the practice and proceedings in civil actions" except that in the latter instance the 1881 codifier changed the words "this act" to read "this code."

1.12.020 Statutes continued, when. The provisions of a statute, so far as they are substantially the same as those of a statute existing at the time of their enactment, must be construed as continuations thereof. [1891 c 23 § 1, part; Code 1881 §§ 761, 1292, 1681; RRS § 145.]

Reviser's note: This section is a part of 1891 c 23 § 1. The introductory phrase of that section provides: "The following provisions relative to the construction of statutes shall be rules of construction and shall constitute a part of the code of procedure of this state:"

1.12.025 Construction of multiple amendments to statutes—Publication—Decodification of repealed sections. (1) If at any session of the legislature there are enacted two or more acts amending the same section of the session laws or of the official code, each amendment without reference to the others, each act shall be given effect to the extent that the amendments do not conflict in purpose, otherwise the act last filed in the office of the secretary of state in point of time, shall control: PROVIDED, That if one or more special sessions of the same legislature shall follow any regular session, this rule of construction shall apply to the laws enacted at either, both, any, or all of such sessions.

(2) If a section of the session laws or of the official code is amended without reference to another amendment of the same section, the code reviser, in consultation with the statute law committee, may publish the section in the official code with all amendments incorporated therein. The publication of the section under this subsection shall occur only if the statute law committee determines that the amendments do not conflict in purpose or effect. Sections so published constitute prima facie evidence of the law but shall not be construed as changing the meaning of any such law.

The code reviser, in consultation with the statute law committee, may decodify a section of the official code which was repealed without reference to an amendment to the section. The decodification of the section shall occur only if the statute law committee determines that the decodification does not conflict with the purpose of the amendment. Any decision of the code reviser, in consultation with the statute law committee, to incorporate amendments in the same section or to decodify a section which was both repealed and amended in the same session shall be clearly noted in the revised code of Washington.

If any conflict arises in the interpretation of a section published or decodified under this subsection, the session law sections shall control. [1983 c 244 § 1; 1980 c 87 § 2; 1974 ex.s. c 87 § 1; 1969 ex.s. c 240 § 1; 1955 c 162 § 1.]

1.12.026 Construction of statutes—Retrospective application. The provisions of RCW 1.12.025 as now or hereafter amended shall apply retrospectively as well as prospectively. [1969 ex.s. c 240 § 2.]

1.12.028 Construction of statutes—Internal references as including amendments thereto. If a statute refers to another statute of this state, the reference includes any amendments to the referenced statute unless a contrary intent is clearly expressed. [1982 c 16 § 1.]

1.12.040 Computation of time. The time within which an act is to be done, as herein provided, shall be computed by excluding the first day, and including the last, unless the last day is a holiday, Saturday, or Sunday, and then it is also excluded. [1997 c 125 § 1; 1887 c 20 § 1; Code 1881 § 743; 1854 p 219 § 486; RRS § 150.]

Reviser's note: This section has been enacted at various times as part of "An act to regulate the practice and proceedings in civil actions." However, Allen v. Morris, 87 Wash. 268, 274, 151 Pac. 827 (1915); State ex rel. Evans v. Superior Court, 168 Wash. 176, 179, 11 P. (2d) 229 (1932); State v. Levesque, 5 Wn. (2d) 631, 635, 106 P. (2d) 309 (1940); and State ex rel. Early v. Batchelor, 15 Wn. (2d) 149, 130 P. (2d) 72 (1942), treat this section as being of general application.

1.12.050 Number and gender. Words importing the singular number may also be applied to the plural of persons and things; words importing the plural may be applied to the singular, and words importing the masculine gender may be extended to females also. [1891 c 23 § 1, part; Code 1881 §§ 756, 965, 1920; 1877 p 153 § 761; 1857 p 45 § 1; 1854 p 99 § 135 and p 221 § 502; RRS § 148.]

Reviser's note: This section is a part of 1891 c 23 § 1. The introductory phrase of that section provides: "The following provisions relative to the construction of statutes shall be rules of construction and shall constitute a part of the code of procedure of this state:"

Probate, number and gender: RCW 11.02.005.

Wrongful death, number and gender: RCW 4.20.005.

1.12.060 Certified mail—Use—Electronic return receipts authorized. (1) Whenever the use of "registered" mail is authorized by this code, "certified" mail, with return receipt requested, may be used.

(2) Whenever the use of "certified mail with a return receipt requested" is authorized or required by this code, electronic return receipt delivery confirmation provided by the United States postal service may be used. [2009 c 251 § 1; 1961 c 204 § 1.]

1.12.070 Reports, claims, tax returns, remittances, etc.—Filing. Except as otherwise specifically provided by law hereafter:
(1) Any report, claim, tax return, statement or other document required to be filed with, or any payment made to the state or to any political subdivision thereof, which is (a) transmitted through the United States mail or private third-party delivery service, shall be deemed filed and received by the state or political subdivision on the date shown by the post office or private third-party delivery service cancellation mark or shipping date stamped or affixed upon the envelope or other appropriate wrapper containing it; or (b) mailed via United States mail or sent by a private third-party delivery service but not received by the state or political subdivision, or where received and the cancellation mark or shipping date is illegible, erroneous, or omitted, shall be deemed filed and received on the date it was mailed if the sender establishes by competent evidence that the report, claim, tax return, statement, remittance, or other document was deposited with a private third-party delivery service or in the United States mail on or before the date due for filing; and in cases of such nonreceipt of a report, tax return, statement, remittance, or other document required by law to be filed, the sender files with the state or political subdivision a duplicate within ten days after written notification is given to the sender by the state or political subdivision of its nonreceipt of such report, tax return, statement, remittance, or other document.

(2)(a) If any report, claim, tax return, statement, remittance, or other document is sent by United States registered mail, certified mail or certificate of mailing, a record authenticated by the United States post office of such registration, certification or certificate shall be considered competent evidence that the report, claim, tax return, statement, remittance or other document was delivered to the addressee, and the date of registration, certification or certificate shall be deemed the postmarked date.

Each employee of the state or its political subdivisions may select the day on which the employee desires to take the additional holiday provided for in this section after consultation with the employer pursuant to guidelines to be promulgated by rule of the appropriate personnel authority, or in the case of local government by ordinance or resolution of the legislative authority.

(3) Employees of the state and its political subdivisions, including employees of school districts and those nonclassified employees of institutions of higher education who hold appointments or are employed under contracts to perform services for periods of less than twelve consecutive months, are entitled to two unpaid holidays per calendar year for a reason of faith or conscience or an organized activity conducted under the auspices of a religious denomination, church, or religious organization. Undue hardship shall have the meaning established in rule by the office of financial management under RCW 43.41.109.

(4) If any of the state legal holidays specified in this section are also federal legal holidays but observed on different dates, only the state legal holidays are recognized as a paid legal holiday for employees of the state and its political subdivisions. However, for port districts and the law enforcement and public transit employees of municipal corporations, either the federal or the state legal holiday is recognized as a paid legal holiday, but in no case may both holidays be recognized as a paid legal holiday for employees.

(5) Whenever any state legal holiday:

Prior: 2014 c 177 § 2; 2014 c 168 § 1; 2013 c 5 § 1; 2012 c 11 § 1; prior: 2007 c 61 § 2; 2007 c 19 § 2; 2003 c 68 § 2; 2000 c 60 § 1; 1999 c 26 § 1; 1993 c 129 § 2; 1991 sp.s. c 20 § 1; 1991 c 57 § 2; 1989 c 128 § 1; 1985 c 189 § 1; 1979 c 77 § 1; 1977 ex.s. c 111 § 1; 1975-76 2nd ex.s. c 24 § 1; 1975 1st ex.s. c 194 § 1; 1973 2nd ex.s. c 1 § 1; 1969 c 11 § 1; 1955 c 20 § 1; 1927 c 51 § 1; RRS § 61; prior: 1895 c 3 § 1; 1891 c 41 § 1; 1888 p 107 § 1.]
Findings—Intent—2016 c 9: "(1) The legislature finds that:
(a) Human trafficking is a horrendous crime and activity in which force, 
   fraud, or coercion is used to force adults into labor or commercial sexual 
   exploitation, or force children and youth into child commercial sexual 
   exploitation;
(b) In 2002, Washington was the first state in the United States to create 
   a state antitrafficking of persons task force; safety measures for noncitizen, 
   nonresident persons recruited by international matchmaking organizations 
   for the purpose of providing dating, matrimonial, or social referral services; 
   and a definition of human trafficking crimes at the state level;
(c) In 2003, Washington was the first state to enact a state crime of human trafficking;
(d) In 2004, an advisory committee on trafficking was convened by the 
   United States attorney's office for the western district of Washington, creat- 
   ing a multidisciplinary team to collaborate locally, nationally, and interna- 
   tionally;
(e) According to the Washington state attorney general's office, fifty- 
   five percent of global internet child pornography is initiated in the United 
   States, with the child victims often being runaways, troubled, or homeless 
   youth;
(f) The Washington anti-trafficking response network reports that they 
   have seen cases of young men and boys exploited in the construction indus- 
   try, and immigrants and others exploited by restaurants, small businesses, 
   agriculture, and the commercial sex industry; and
(g) The Washington state legislature enacted forty antitrafficking laws 
   between 2002 and 2015, and has been recognized by shared hope interna- 
   tional and the polaris project as being among the very top states in the coun- 
   try for antitrafficking advocacy and legislation.
(2) The legislature intends to recognize and honor Washington state's 
   efforts to reduce human trafficking by designating the eleventh day of Janu- 
   ary in each year as "human trafficking awareness day." [2016 c 9 § 1.]

Findings—Intent—2014 c 177: "(1) The Washington state legislature finds that:
(a) Native Americans have long inhabited the area now known as Wash- 
   ington state, living in sustainable cultures based on cooperation and respect 
   for the land and all creatures;
(b) Native Americans suffered many grave injustices when nontribal 
   people settled in Washington state, but endured to preserve remarkable 
   American Indian cultures;
(c) Native Americans have contributed immeasurably to Washington 
   state and the United States as scholars, artists, entrepreneurs, and leaders in 
   all realms of society;
(d) Native Americans have served with honor and distinction in the 
   United States armed forces, and many made the ultimate sacrifice in that ser- 
   vice;
(e) Many states have designated days, weeks, or months honoring 
   Native American heritage, and on October 21, 2013, President Barack 
   Obama proclaimed November 2013 as National Native American Heritage 
   Month and called upon all Americans to celebrate November 29, 2013, as 
   Native American Heritage Day; and
(f) More than one hundred eighty federally acknowledged Native Amer- 
   ican tribes in the United States, including many Washington state tribes, sup- 
   port recognizing a day honoring Native American heritage.
(2) The Washington state legislature therefore intends to recognize and honor 
   Washington state's proud and resonant Native American heritage by 
   designating the Friday immediately following the fourth Thursday in 
   November, currently a state legal and school holiday, as "Native American 
   Heritage Day."" [2014 c 177 § 1.]

Findings—Declaration—2007 c 61: "The legislature recognizes that on 
June 19, 1865, Union soldiers landed at Galveston, Texas with news that the 
Civil War had ended and the slaves were now free; that this was two and a 
half years after President Lincoln signed the Emancipation Proclamation on 
January 1, 1863; that the end of slavery brought on new challenges and real- 
ities in establishing a previously nonexistent status for African-Americans in 
the United States; that racism and continued inequality is the legacy of slav- 
ery and acknowledging it is the first step in its eradication; and that since 
1980 June 19th has been celebrated as Juneenth across the United States as 
a day for people to come together in the spirit of reconciliation to commemo- 
rate the contributions of African-Americans to this country's history and 
culture.
The legislature declares that an annual day of recognition be observed in 
remembrance of the day the slaves realized they were free as a reminder that 
individual rights and freedoms must never be denied." [2007 c 61 § 1.]

Findings—2007 c 19: "The legislature finds that in the more than one 
hundred years that Koreans have immigrated to the United States, these 
immigrants and their descendants have made an invaluable contribution to 
our state and nation. Korean-Americans have worked for many years to bet- 
ter not only their community, but the communities in which they live and the 
state as a whole. The legislature further finds that due to the close friendship 
between the people of Korea and the United States, it is fitting to recognize 
Korean-American contributions to our society in a dignified and fitting man- 
ner, and to encourage Korean-Americans to honor the sacrifices made by 
American citizens during the Korean War." [2007 c 19 § 1.]

Finding—1993 c 129: "The legislature finds that Washington's children 
are one of our most valuable assets, representing hope for the future. Chil- 
dren today are at risk for many things, including drug and alcohol abuse, 
child abuse, suicide, peer pressure, and the economic and educational chal- 
enges of a changing world. It is increasingly important for families, schools, 
health professionals, caregivers, and workers at state agencies charged with 
the protection and help of children to listen to them, to support and encour- 
ge them, and to help them build their dreams for the future.

To increase recognition of children's issues, a national children's day is 
celebrated in October, with ceremonies and activities devoted to children. 
Washington state focuses special attention on its children by establishing a 
Washington state children's day." [1993 c 129 § 1.]

Finding—Declaration—1991 c 57: "The legislature finds that the Washington 
Army and air national guard comprise almost nine thousand dedi- 
cated men and women who serve the state and nation on a voluntary basis. 
The legislature also finds that the state of Washington benefits from that ded- 
ication by immediate access to well-prepared resources in time of natural 
disasters and public emergency. The national guard has consistently and fre- 
cently responded to state and local emergencies with people and equipment 
to provide enforcement assistance, medical services, and overall support to 
emergency management services.
The legislature further declares that an annual day of commemoration 
should be observed in honor of the achievements, sacrifices, and dedication 
of the men and women of the Washington Army and air national guard." [1991 c 57 § 1.]

### 1.16.090 Legislative declaration for civil liberties day of remembrance.

The legislature recognizes that on February 19, 1942, the President of the United States issued Executive Order 9066 which authorized military rule over civilian law and lives; that Executive Order 9066 led to the World War II evacuation and internment of more than one hundred twenty thousand Japanese Americans, most of whom were United States citizens by birth; that Japanese Americans lost their homes and livelihoods and suffered physical and psychological damage; and that, despite widespread hostility and discrimination, Japanese Americans served with distinction in the United States military effort as members of the Military Intelligence Service and in the segregated 100th Infantry Battalion and the 442nd Regimental Combat Team. The legislature further recognizes that in the name of "military necessity," Japanese Americans were deprived of their fundamental constitutional rights and civil liberties; and that the Japanese American experience during World War II tragically illuminates the fragile nature of our most cherished national beliefs and values.

The legislature declares that an annual day of recognition be observed in remembrance of Japanese Americans interned during World War II as a reminder that, regardless of the provocation, individual rights and freedoms must never be denied. [2003 c 68 § 1.]

### 1.16.100 Domestic relations terms—Exceptions.

For the purposes of this code, with the exception of chapter 26.04 RCW, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. [2009 c 521 § 4.]

The legislature further finds that arboreta are of increasing importance as world biodiversity declines. The Washington park arboretum is a two hundred acre living museum that is managed cooperatively by the city of Seattle and the University of Washington. It is devoted to the display and conservation of collections of plants from around the world which can grow in the Pacific Northwest. These plants are used for education, research, conservation, and a sense of public pleasure. The Washington park arboretum, the oldest center for botanical and gardening learning in the Pacific Northwest, is recognized as one of the two foremost collections of woody plants in the United States of America and enjoys an excellent international reputation. WASHINGTON GIFT OF LIFE AWARD

Sections
1.50.005 Findings—Intent.
1.50.006 Findings—Intent.
1.50.010 Definitions.
1.50.030 Washington gift of life award—Presentation.
1.50.040 Appearance of award—Inscription.

1.50.005 Findings—Intent. The legislature finds that persons who donate organs help save the lives and promote the well-being of others in a manner that demonstrates the noblest side of human nature. Many families and friends of both the donors and the donees may want to remember the special act of donation in a way that honors the memory of the donor and encourages donation by others in the future.
To recognize the special kindness of those who donate their organs, the legislature establishes the Washington gift of life award. [1999 c 264 § 1; 1998 c 59 § 1.]

1.50.006 Findings—Intent. (1) The legislature finds that eighty-four people died waiting for an organ transplant in Washington state in 2013. The legislature further finds that more than two thousand six hundred people are currently waiting for a lifesaving organ transplant in Washington state. Forty of those patients waiting are under the age of eighteen and more than two hundred of those patients have been waiting for more than five years for their lifesaving gift. The legislature further finds that organ donation is a very rare and precious gift. Less than one percent of all people who die are eligible to donate their organs due to the unique circumstances needed at death to donate organs. Every donor is a critical donation to those waiting.

(2) Therefore, the legislature intends to update the gift of life award to recognize all Washington citizens who have donated critical lifesaving organs. [2015 c 8 § 1.]

1.50.010 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Organ donor" means an individual who makes an anatomical gift of an organ under chapter 68.64 RCW.

(2) "Organ procurement organization" has the same meaning as in RCW 68.64.010. [2015 c 8 § 2; 2008 c 139 § 25; 1998 c 59 § 2.]

Uniformity of application and construction—2008 c 139: See RCW 68.64.902.

1.50.030 Washington gift of life award—Presentation. (1) The governor's office shall annually present the Washington gift of life award to families of donors who have donated organs in accordance with chapter 68.64 RCW.

Organ procurement organizations may nominate the individuals eligible under this section to represent all those who have donated organs during the previous calendar year and may submit documentation supporting the eligibility of the individuals to the governor's office. If more than one organ procurement organization is involved, they shall coordinate in harmony to designate by consensus the organ procurement organization among them to have primary administrative responsibility under this chapter.

(2) The governor's office shall present the awards on an annual basis to each eligible organ donor's family in coordination with the organ procurement organization. Only one award may be presented to the family of an organ donor.

(3) Organ procurement organizations shall seek permission from the family of organ donors selected to receive the gift of life award to release the name of the organ donor to the governor's office for printing of a gift of life certificate and use at any gift of life ceremonies or events. [2015 c 8 § 3; 1999 c 264 § 2; 1998 c 59 § 4.]

1.50.040 Appearance of award—Inscription. The Washington gift of life award shall consist of the seal of the state of Washington and be inscribed with the words: "For the greatest act of kindness in donating organs to save the lives of others." [2015 c 8 § 4; 1999 c 264 § 3; 1998 c 59 § 5.]
