EDUCATION.

AN ACT relating to education; providing for the extension of high schools and the merging of Junior Colleges with extended high schools.

*Be it enacted by the Legislature of the State of Washington:*

Purpose.

SECTION 1. The purpose of this act is to authorize and encourage school districts to establish and maintain educational programs designed to meet the needs and interests of high school graduates for whom educational and vocational preparation opportunities would not otherwise be available and for war veterans and others in need of educational and vocational preparation and adjustment, and to provide a state plan for the orderly development of such programs.

Extended high schools authorized.

SEC. 2. School districts are hereby authorized to establish and maintain, under rules and regulations hereinafter provided for, vocational and/or general educational programs for high school graduates, war veterans and others, as thirteenth (13th) and fourteenth (14th) years in high schools and as a part of the common school system of the state, and to pay for such programs out of their general fund budgets.
