### HIGHWAYS AND STREETS—SIGNS AND GUIDE POSTS.

AN ACT relating to highway and street directional signs and guide posts; authorizing the Director of Highways to designate a uniform standard for the manufacture, display, erection and location of all signs, signals, signboards, guide posts and traffic devices; requiring the Director of Highways upon request to furnish to County Commissioners and governing bodies of cities and towns specifications for such uniform standard and materials for signboards, guide boards and posts, and make a charge therefor; and amending section 48, chapter 53, Laws of 1937 (section 6400-48, Remington's Revised Statutes, also Pierce's Perpetual Code 631-1).

*Be it enacted by the Legislature of the State of Washington:*

Amendments.

SECTION 1. Section 48, chapter 53, Laws of 1937 (section 6400-48, Remington's Revised Statutes, also Pierce's Perpetual Code 631-1), is amended to read as follows:

Section 48. The Director of Highways shall have the power and it shall be his duty to adopt and designate a uniform state standard for the manufacture,

display, erection and location of all signs, signals, signboards, guide posts and other traffic devices erected or to be erected upon the primary state highways of the State of Washington for the purpose of furnishing information to persons traveling upon such primary state highways regarding traffic regulations, directions, distances, points of danger and conditions requiring caution, and for the purpose of imposing restrictions upon persons operating vehicles thereon. Such signs shall conform as nearly as practicable to the manual of specifications for the manufacture, display, and erection of uniform traffic control devices for streets and highways and all amendments, corrections and additions thereto. The Director of Highways shall prepare plans and specifications of the uniform state standard of traffic devices so adopted and designated, showing the materials, colors and designs thereof, and shall upon the issuance of any such plans and specifications or revisions thereof and upon request, furnish to the Boards of County Commissioners and the governing body of any incorporated city or town, a copy thereof. Signs, signals, signboards, guide posts and other traffic devices erected on county roads shall conform in all respects to the specifications of color, design and location devised by the Director of Highways. Traffic devices hereafter erected within incorporated cities and towns shall conform to such uniform state standard of traffic devices so far as is practicable. The Director of Highways, upon written request, shall cause to be manufactured, painted and printed, and shall furnish to any Board of County Commissioners or the governing body of any incorporated city or town, directional signboards, guide boards and posts of the uniform state standard of color, shape and design for the erection and maintenance thereof by the Board of County Commissioners or the governing body of any incorporated city or town upon the roads and streets within their respective

Highway Department shall regulate signs and signals.
