CHAPTER 27.

[S. B. 149.]

AIR POLLUTION.

AN ACT relating to the control and prevention of air pollution; amending sections 11 and 16, chapter 232, Laws of 1957 and RCW 70.94.110 and 70.94.160; and adding a new section to chapter 232, Laws of 1957 and chapter 70.94 RCW.

Be it enacted by the Legislature of the State of Washington:

RCW 70.94.110 amended.

SECTION 1. Section 11, chapter 232, Laws of 1957 and RCW 70.94.110 are each amended to read as follows:

Air pollution. City selection committees.

There shall be a separate and distinct city selection committee for each county included within a district. The membership of such committees shall consist of the mayor of each city and town within such county, which is also included within the district. A majority of the members of each city selection committee shall constitute a quorum.

RCW 70.94.160 amended.

SEC. 2. Section 16, chapter 232, Laws of 1957 and RCW 70.94.160 are each amended to read as follows:

Ordinances of cities or towns pertaining to control and prevention of air pollution shall be enforced in the same manner as other similar ordinances. Any violation of resolutions of a county or valid rules and regulations of a district pertaining to the prevention and control of air pollution, not permitted by an existing variance order, may be enjoined in a civil action brought in the name of the state of Washington by the prosecuting attorney of the county in which the violation occurred.

rules.

SEC. 3. There is added to chapter 232, Laws of 1957 and to chapter 70.94 RCW a new section to read as follows:

New section.

The state board may, after the director of health has made recommendations as to appropriate measures, including appropriate areas and territories, for the control and prevention of air pollution as provided herein, and when a recommended control district has not been formed within a reasonable time, hold a public hearing in accordance with chapter 42.32 RCW for the purpose of examining the need for an air pollution control district. If the state board finds that an air pollution control district is necessary for the effective control of air pollution, it shall specify the geographic area and cities, towns, and counties therein which should be included, and such cities, towns, and counties may proceed with the formation of an air pollution control district by ordinance or resolution without the necessity for further hearings as provided for in RCW 70.94.050. Unincorporated areas within the geographic area of the recommended air pollution control district, which incorporate after the date on which the state board makes public its findings, shall become a component part of such air pollution control district when formed, subject in all respects to district regulations. The failure of any municipality within the geographic area of the recommended district, to take necessary
