

recognized statewide organization of employers and an organization statewide in scope representing a majority of organized labor in the state.

While the designation of a representative of employers and a representative of employees is acceptable, the requirement that these representatives be designated from lists submitted by employer and employee organizations is unduly restrictive. Therefore, I have vetoed in section 20 (1) those items so restricting the appointing authority.

With these exceptions, the remainder of substitute Senate Bill No. 174 is approved."

CHAPTER 229  
[Engrossed Senate Bill No. 186]  
MOBILE HOMES AND TRAVEL TRAILERS--  
EQUIPMENT STANDARDS--ADVISORY BOARD

AN ACT Relating to mobile homes and travel trailers, amending section 1, chapter 157, Laws of 1967 and RCW 43.22.340; amending section 4, chapter 157, Laws of 1967 and RCW 43.22.370; adding new sections to chapter 8, Laws of 1965 and to chapter 43.22 RCW; and providing penalties.

Section 1. Section 1, chapter 157, Laws of 1967 and RCW 43.22-.340 are each amended to read as follows:

The director of labor and industries shall prescribe and enforce rules and regulations governing safety and the installation of plumbing, heating, and electrical equipment in mobile homes and/or travel trailers. Such rules and regulations shall be reasonably consistent with recognized and accepted principles of safety and for plumbing, heating, and electrical installations, in order to protect the health and safety of the people of this state from dangers inherent in the use of substandard and unsafe plumbing, heating, electrical, and other equipment and shall correlate with and, so far as practicable, conform to the then current standards and specifications of the American Standards Association standards A119.1 for mobile homes and A119.2 for travel trailers. It shall be unlawful for any person to lease, sell or offer for sale, within this state, any mobile homes

and/or travel trailers, manufactured after January 1, 1968, containing plumbing, heating, electrical, or other equipment, unless such equipment meets the requirements of the rules and regulations provided herein.

Sec. 2. Section 4, chapter 157, Laws of 1967 and RCW 43.22-.370 are each amended to read as follows:

Any mobile home and/or travel trailer leased or sold in Washington and manufactured prior to July 1, 1968, which has not been inspected prior to its sale and which does not meet the requirements prescribed will not be required to comply with said requirements except for alterations or installations referred to in RCW 43.22.360.

NEW SECTION. Sec. 3. There is added to chapter 8, Laws of 1965 and to chapter 43.22 RCW, a new section to read as follows:

There is hereby created a mobile home and travel trailer advisory board consisting of seven members to be appointed by the governor with the advice of the director of labor and industries as herein provided. It shall be the purpose and function of the board to advise the director on all matters pertaining to the enforcement of this chapter including but not limited to standards of plumbing, heating and electrical installations, minimum inspection procedures, the adoption of rules and regulations pertaining to the manufacture of mobile homes and travel trailers:

PROVIDED, HOWEVER, That no rules or regulations shall be amended or repealed until the mobile home and travel trailer advisory board has first had an opportunity to consider any proposed amendments or repeals and has an opportunity to make recommendations to the director relative thereto.

The members of the mobile home and travel trailer advisory board shall be selected and appointed as follows: One member shall be an employee or officer of a mobile home manufacturing company; one member shall be an employee or officer of a travel trailer manufacturing company; one member shall be an employee, officer or distributor of a company engaged in the manufacture of component parts affecting the plumbing apparatus and equipment; one member shall be an employee, officer or distributor of

a company engaged in the manufacture of electrical material, equipment or appliances; one member shall be a distributor or manufacturer of heating equipment, material or devices; and one member shall represent that segment of the general public owning or leasing mobile homes and/or travel trailers. The chief supervisor for the mobile home and travel trailer section within the department of labor and industries shall be a member of the advisory board and shall act as secretary.

Each of the members except the chief supervisor shall be appointed by the governor from among a list of individuals nominated by nonprofit organizations or associations representing individuals, corporations or firms engaged in the business classification from which such members shall be selected.

The regular term of each member shall be four years: PROVIDED, HOWEVER, The original board shall be appointed for the following terms: The first term of the member representing a manufacturer of mobile homes and of the member representing the general public shall be four years; the member representing the manufacturer of travel trailers shall serve three years; the member representing the manufacturer or distributor of plumbing component parts shall serve three years; the member representing the manufacturer or distributor of electrical apparatus and equipment shall serve two years; the manufacturer or distributor of heating equipment and appliances shall serve one year. The governor shall fill vacancies caused by death, resignation, or otherwise for the unexpired term of such members by appointing their successors from the same business classification. The same procedure shall be followed in making such subsequent appointments as is provided for the original appointments. The board, at this first meeting shall elect one of its members to serve as chairman. The chief supervisor or any person acting as chief supervisor for the mobile home and travel trailer section shall serve as secretary of the board during his tenure as chief. Meetings of the board shall be called at the discretion of the director of labor and industries. Each member of the board shall be paid per diem of twenty-five dollars for each day or portion thereof that the board is in session and each

member shall receive in addition thereto his necessary and reasonable transportation and other expenses recognized by the state of Washington which shall be paid out of the appropriation to the department of labor and industries, upon vouchers approved by the director of labor and industries.

NEW SECTION. Sec. 4. There is added to chapter 8, Laws of 1965 and to chapter 43.22 RCW a new section to read as follows:

Any person violating the provisions of RCW 43.22.340 as amended by this 1969 amendatory act shall be guilty of a misdemeanor. Each day upon which a violation occurs shall constitute a separate violation.

Passed the Senate April 19, 1969

Passed the House April 11, 1969

Approved by the Governor April 25, 1969, with the exception of two items in section 3 which are vetoed

Filed in office of Secretary of State May 14, 1969

NOTE: Governor's explanation of partial veto is as follows:

"...Section 3 of the bill establishes the Mobile Home and Travel Trailer Advisory Board consisting of seven members to be appointed by the Governor. Of the seven members, one member represents the mobile home manufacturers, one member represents the travel trailer manufacturers, one member represents the plumbing apparatus and equipment suppliers, one member represents the electrical material, equipment or appliance suppliers, one member represents the heating equipment suppliers, one member represents the general public, and one member is the chief supervisor for the mobile home and travel trailer section of the Department of Labor and Industries.

Under the terms of section 3, no rule or regulation may be amended or repealed until the advisory board has first had the opportunity to consider the amendment or repeal and to make recommendations to the director.

The group is advisory in nature and will be of assistance to the Director of Labor and Industries. In my judgment, however, it serves no useful purpose for the rule-making responsibility of the director to be limited by requiring the committee to meet on every amendment or repeal. Under the wording of the bill, inability of the board to hold a meeting, or lack of a quorum, would prevent any change in the rules. One of the chief purposes of the rule-making power is to deal with emergency conditions. In order to preserve the emergency power of the director, I have vetoed the item requiring the committee to meet on any amendment or repeal of the rules of

the department. In practice, my veto will not change the role of the advisory board.

In appointing the representatives to the board, the Governor may only select from lists submitted by nonprofit organizations or associations representing individuals, corporations or associations engaged in the business classification from which such members shall be selected.

While the designation of a representative of the designated groups is acceptable, the requirement that these representatives be selected only from lists submitted by specific organizations is unduly restrictive. I have therefore vetoed in section 3 those items restricting the appointing authority.

With these exceptions, the remainder of Engrossed Senate Bill No. 186 is approved."
