An elector resident in the district shall vote in the precinct in which he resides, all others shall vote in the precinct nearest their residence. No director shall be qualified to take or retain office unless he holds title or evidence of title to five acres or more of land within the district: PROVIDED, That this additional qualification for the office of director shall not apply in any irrigation district where more than fifty percent of the total acreage of the district is owned in individual ownerships of less than five acres.

To vote against the same, place a cross (x) on the line opposite the word 'no'."

Any person of the age of ((twenty-one)) eighteen years, being a citizen of the United States and a resident of the state of Washington, and who holds title to land or evidence of title to land embraced within the boundaries of said distribution district, shall be entitled to vote at said election. Additional qualifications for voting required by the general election laws of the state shall not
apply: PROVIDED, That where the title or evidence of title to community land is held by the husband or the wife, both members of such community shall be entitled to vote: PROVIDED, FURTHER, That at any election held under the provisions of this chapter, an officer or agent of any corporation owning land in the district, duly authorized thereto in writing, may cast a vote on behalf of said corporation; when so voting he shall file with the election officers such written instrument of his authority, and such officer or agent shall be deemed an elector within the meaning of this chapter. No action shall be commenced by ((an infant plaintiff)) any person under the age of eighteen years, except by his guardian, or until a next friend for such ((infant)) a person shall have been appointed. Whenever requested, the justice shall appoint some suitable person, who shall consent thereto in writing, to be named by such plaintiff, to act as his next friend in such action, who shall be responsible for the costs therein.

After service and return of process against ((an infant defendant)) a defendant under the age of eighteen years, the action shall not be further prosecuted, until a guardian for such ((infant)) defendant shall have been appointed. Upon the request of such defendant, the justice shall appoint some person who shall consent thereto in writing, to be guardian of the defendant in defense of the
action; and if the defendant shall not appear on the return day of
the process, or if he neglect or refuse to nominate such guardian,
the justice may, at the request of the plaintiff, appoint any
discreet person as such guardian. The consent of the guardian or
next friend shall be filed with the justice; and such guardian for
the defendant shall not be liable for any costs in the action.

NEW SECTION. Sec. 77. If any provision of this 1971
amendatory act, or its application to any person or circumstance is
held invalid, the remainder of the act, or the application of the
provision to other persons or circumstances is not affected.

Passed the House May 10, 1971.
Passed the Senate May 9, 1971.
Approved by the Governor May 21, 1971 with the exception of
three sections which are vetoed.
Filed in Office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:

"...This bill adopts a comprehensive modification of
provisions throughout our law which establish age
requirements and qualifications for certain purposes. The
effect of this bill is to lower the legal age of majority in
most instances from twenty-one to eighteen years of age. In
a bill of this scope it is not surprising that certain
inconsistencies occur with respect to bills already passed
during this session.

Section 40 of this bill purports to lower the age
below which service must be made upon guardians of minor
owners of real property in certain condemnation actions.
This section was repealed by House Bill 211 (Chapter 76, Laws
of 1971). I am therefore vetoing section 40 to conform to
the prior enactment.

Likewise section 59 of ESHB 309 lowers the age below
which service must be made on guardians in certain instances.
This section was also repealed by House Bill 211. I have
vetoed section 59 of this bill.

House Bill 416 amended RCH 74.16.030 to eliminate any
age requirements as a condition to eligibility for Aid to the
Blind assistance. Section 67 of ESHB 309 reduces this age
requirement from twenty-one to eighteen. Accordingly I have
vetoed section 67 of this bill to conform to the specific
legislative intent as to eligibility for Aid to the Blind.
With the exception of sections 40, 59 and certain other sections, the remainder of the bill is approved.

[Engrossed Senate Bill No. 52]

AN ACT Relating to solid waste collection; amending section 9, chapter 134, Laws of 1969 ex. sess. and RCW 70.95.090; adding new sections to chapter 36.32 RCW; repealing section 1, chapter 155, Laws of 1933 as amended by section 1, chapter 98, Laws of 1941 and RCW 55.04.010; repealing sections 2 through 7, chapter 155, Laws of 1933 and RCW 55.04.020, 55.04.030, 55.08.010, 55.08.020, 55.12.010 and 55.12.020; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 9, chapter 134, Laws of 1969 ex. sess. and RCW 70.95.090 are each amended to read as follows:

Each county and city solid waste management plan shall include the following:

1. A detailed inventory and description of all existing solid waste handling facilities including an inventory of any deficiencies in meeting current solid waste handling needs.

2. The estimated long-range needs for solid waste handling facilities projected twenty years into the future.

3. A program for the orderly development of solid waste handling facilities in a manner consistent with the plans for the entire county which shall:
   a. Meet the minimum functional standards for solid waste handling adopted by the department and all laws and regulations relating to air and water pollution, fire prevention, flood control, and protection of public health;
   b. Take into account the comprehensive land use plan of each jurisdiction;
   c. Contain a six year construction and capital acquisition program for solid waste handling facilities; and
   d. Contain a plan for financing both capital costs and operational expenditures of the proposed solid waste management system.

4. A program for surveillance and control.

5. A current inventory and description of solid waste
collection needs and operations within each respective jurisdiction which shall include:

(a) Any franchise for solid waste collection granted by the utilities and transportation commission in the respective jurisdictions including the name of the holder of the franchise and the address of his place of business and the area covered by his operation;

(b) Any city solid waste operation within the county and the boundaries of such operation;

(c) The population density of each area serviced by a city operation or by a franchised operation within the respective jurisdictions;

(d) The projected solid waste collection needs for the respective jurisdictions for the next six years.

NEW SECTION. Sec. 2. There is added to chapter 36.32 RCW a new section to read as follows:

Any county legislative authority may establish solid waste collection districts within the county boundaries for the mandatory collection of solid waste; PROVIDED, That no such district shall include any area within the corporate limits of any city or town without the consent of the legislative authority of the city or town. Such districts may be established only after approval of a coordinated, comprehensive solid waste management plan adopted pursuant to chapter 134, Laws of 1969 ex. sess. and chapter 70.95 RCW or pursuant to another solid waste management plan adopted prior to effective date of this 1971 amendatory act or within one year thereafter. The legislative authority of the county may modify or dissolve such district after a hearing as provided for in this 1971 amendatory act.

NEW SECTION. Sec. 3. There is added to chapter 36.32 RCW a new section to read as follows:

The county legislative authority proposing to establish a solid waste collection district or to modify or dissolve an existing solid waste collection district shall conduct a hearing at the time and place specified in a notice published at least once not less than ten days prior to the hearing in a newspaper of general circulation within the county. Additional notice of such hearing may be given by mail, posting on the property, or in any manner local authorities deem necessary to notify adjacent landowners and the public. All hearings shall be public and the legislative authority shall hear objections from any person affected by the formation of the solid waste collection district and make such changes in the boundaries of the district or any other modifications of plans that the legislative authority deems necessary.

NEW SECTION. Sec. 4. There is added to chapter 36.32 RCW a
No solid waste collection district shall be established in an area within the county boundaries unless the county legislative authority, after the hearing regarding formation of such district, determines from that hearing that mandatory solid waste collection is in the public interest and necessary for the preservation of public health. Such determination by the county legislative authority shall require the utilities and transportation commission to investigate and make a finding as to the ability and willingness of the existing garbage and refuse collection companies servicing the area to provide the required service.

If the utilities and transportation commission finds that the existing garbage and refuse collection company or companies are unable or unwilling to provide the required service it shall proceed to issue a certificate of public need and necessity to any qualified person or corporation in accordance with the provisions of RCW 81.77.040.

The utilities and transportation commission shall notify the county legislative authority within sixty days of its findings and actions and if no qualified garbage and refuse collection company or companies are available in the proposed solid waste collection district, the county legislative authority may provide county garbage and refuse collection services in the area and charge and collect reasonable fees therefor. The county shall not provide service in any portion of the area found by the utilities and transportation commission to be receiving adequate service from an existing certificated carrier unless the county shall acquire the rights of such existing certificated carrier by purchase or condemnation.

NEW SECTION. Sec. 5. In the event that any county or municipality shall extend public solid waste collection service to any area already served by a refuse collection company holding a certificate as required by RCW 81.77.040, it shall by purchase or condemnation acquire at the fair market value, from the person holding the existing certificate for providing the services, that portion of the operating authority and equipment representing the services within the area of public operation.

NEW SECTION. Sec. 6. There is added to chapter 36.32 RCW a new section to read as follows:

If any garbage and refuse collection company certified by the utilities and transportation commission which operates in any solid waste collection district fails to collect any fees due and payable to it for garbage and refuse collection services, such company may request the county to collect such fees. Upon the collection of such fees, the county shall pay one-half of the fees actually collected to the garbage and refuse collection company entitled to receive such
and shall deposit the remaining one-half in the county general fund.

When the county undertakes to collect such fees as requested by the garbage and refuse collection companies, the county shall be subrogated to all of the rights of such companies. Any such fees which the county fails to collect shall become liens on the real or personal property of the persons owing such fees and the county may take all appropriate legal action to enforce such liens.

NEW SECTION. Sec. 7. Nothing contained in the provisions of this 1971 amendatory act shall detract from the powers, duties, and functions given to the utilities and transportation commission in chapter 81.77 RCW.

NEW SECTION. Sec. 8. The following acts or parts of acts are each hereby repealed:

1. Section 1, chapter 155, Laws of 1933 as amended by section 1, chapter 98, Laws of 1941 and RCW 55.04.010;

2. Sections 2 through 7, chapter 155, Laws of 1933 and RCW 55.04.020, 55.04.030, 55.08.010, 55.08.020, 55.12.010 and 55.12.020.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate May 10, 1971.
Passed the House May 9, 1971.
Approved by the Governor May 21, 1971 with the exception of section 5 which is vetoed.
Filed in Office of Secretary of State May 21, 1971.

Note: Governor's explanation of partial veto is as follows:

"...Section 5 provides that any county or municipality which extends public solid waste collection service to any area already served by a refuse collection company must acquire by purchase or condemnation the operating authority and equipment of the private operator.

I have determined to veto section 5. The provisions of section 5 do not answer such questions as how a total "operating authority" would be valued or condemned, or how, if at all, the operating authority and equipment can be severed, if a municipality desires to serve a portion (either geographical or by class of customer) of an area.

Further, the impact of section 5 on cities and towns on one hand and counties on the other is unclear. Cities and towns, presently have full authority to collect garbage and
refuse and to contract with a company for that purpose. Outside of cities and towns certificates of public convenience and necessity are issued to operators by the state. These relationships are not made clear since there is no precise meaning to the phrase "extend public solid waste collection", as used in section 5. If section 5 is applied within a city it may well convert a standard contract for garbage service into one with a guaranteed settlement procedure requiring the city to buy equipment it may not need or use along with goodwill, etc., which may be of no value to the city. If section 5 is applied to areas outside of a city then that territory is being served by a bonafide certificate holder and his property may not now be taken from him without just compensation under law.

Consequently, section 5 is unnecessary outside of cities and towns because the parties are protected under law already and there does not appear to be any clear justification for its application within cities and towns.

For these reasons, I have vetoed section 5. The remainder of Senate Bill 52 is approved."

CHAPTER 294
[Substitute Senate Bill No. 849]
TAXATION OF TIMBER AND FOREST LANDS

AN ACT Relating to revenue and taxation of timber and forest lands; amending section 28A.41.130, chapter 223, Laws of 1969 ex. sess. as amended by section 2, chapter 138, Laws of 1969 and RCW 28A.41.130; adding new sections to chapter 15, Laws of 1961 and to Titles 82 and 84 RCW; adding a new section to chapter 15, Laws of 1961 and to chapter 82.04 RCW; creating a new chapter in Title 84 RCW; creating new sections; repealing sections 4 and 5, chapter 249, Laws of 1963 and RCW 84.40.034 and 84.40.035; providing effective dates; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

As a result of the study and analysis of systems of taxation of standing timber and forest lands by the forest tax committee pursuant to Senate Concurrent Resolution No. 30 of the 41st session
of the legislature, and the recommendations of the committee based thereon, the legislature hereby finds that:

(1) The public welfare requires that this state's system for taxation of timber and forest lands be modernized to assure the citizens of this state and its future generations the advantages to be derived from the continuous production of timber and forest products from the significant area of privately owned forests in this state. It is this state's policy to encourage forestry and restocking and reforesting of such forests so that present and future generations will enjoy the benefits which forest areas provide in enhancing water supply, in minimizing soil erosion, storm and flood damage to persons or property, in providing a habitat for wild game, in providing scenic and recreational spaces, in maintaining land areas whose forests contribute to the natural ecological equilibrium, and in providing employment and profits to its citizens and raw materials for products needed by everyone.

(2) The combination of variations in quantities, qualities and locations of timber and forest lands, the fact that market areas for timber products are nation-wide and world-wide and the unique long term nature of investment costs and risks associated with growing timber, all make exceedingly difficult the function of valuing and assessing timber and forest lands.

(3) The existing ad valorem property tax system is unsatisfactory for taxation of standing timber and forest land and will significantly frustrate, to an ever increasing degree with the passage of time, the perpetual enjoyment of the benefits enumerated above.

(4) For these reasons it is desirable, in exercise of the powers to promote the general welfare and to impose taxes, that

(a) the ad valorem system for taxing timber be modified and discontinued in stages over a three year period during which such system will be replaced by one under which timber will be taxed on the basis of stumpage value at the time of harvest, and

(b) forest land remain under the ad valorem taxation system but be taxed only as provided in this 1971 amendatory act.

NEW SECTION. Sec. 2. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

Lands not heretofore so classified, which are primarily devoted to and used for growing and harvesting timber are hereby classified as lands devoted to reforestation and such lands and timber shall be taxed in accordance with the provisions of this 1971 amendatory act.

NEW SECTION. Sec. 3. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

For purposes of this chapter:
"Timber county" means any county within which timber is located.

"Timber" means forest trees, standing or down, on privately owned land, and except as provided in section 17 of this 1971 amendatory act includes Christmas trees.

**NEW SECTION.** Sec. 4. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

Commencing as of January 1, 1972 with respect to taxes payable in 1973, except as provided in section 5 of this act, timber shall be exempt from ad valorem taxation.

**NEW SECTION.** Sec. 5. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

(1) In preparing the assessment roll as of January 1, 1971 for taxes payable in 1972, the assessor of each timber county shall list all timber within such county on January 1, 1971 at the 1970 timber value. For each year commencing with 1972, the assessor of each timber county shall prepare a timber roll, which shall be separate and apart from the assessment roll, listing all timber within such county on January 1, 1972 at values determined as follows:

(a) For the five years commencing with 1972, the value shall be the 1970 timber value;

(b) For each succeeding five year period, the first of which commences on January 1, 1977, the value shall be such 1970 timber value increased or decreased in proportion to the percentage change, if any, which has occurred between the last year of the preceding five year period and 1973 in the average stumpage value per unit of measure of all timber harvested in such county. Such percentage change shall be determined by the department of revenue on the basis of information contained in the excise tax returns filed pursuant to section 7 of this act.

(2) As used in subsection (1) of this section, "1970 timber value" means the value for timber calculated in the same manner and using the same values and valuation factors actually used by such assessor in determining the value of timber for the January 1, 1970 assessment roll, except that if a revised schedule of such values and valuation factors was applied to some but not all timber in a county for the January 1, 1970 assessment roll, such revised schedule shall be used by the assessor for any timber revalued for the 1971 or 1972 assessment rolls, and except that if the value of timber in any county on January 1, 1970 was not separately determined and shown on such assessment roll, 1970 timber value shall mean the value reconstructed from available records and information in accordance with rules to be prescribed by the department of revenue.

(3) The assessor of each timber county shall add to the assessment roll showing values of property as of January 1 of the
years listed below, an "assessed valuation" of the portion, indicated below opposite each such year, of the value of timber as shown on the timber roll for such year. Such assessed valuation shall be calculated by multiplying such portion of the timber roll by the assessment ratio applied generally by such assessor in computing the assessed valuation of other property in his county. The millage rates, calculated pursuant to section 6 of this act for each taxing district within which there was timber on January 1 of such year, shall be extended against such "assessed valuation" of timber within such district as well as against the assessed value of all other property within such district as shown on such assessment roll.

NEW SECTION. Sec. 5. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

(a) The portion indicated below for each year of the value of timber therein as shown on the timber roll prepared in accordance with section 5 of this act for such year; and

(b) The assessment ratio applied generally by such assessor in computing the assessed value of other property in his county:

NEW SECTION. Sec. 7. There is added to chapter 15, Laws of 1961 and to chapter 82.04 RCW a new section to read as follows:

(1) Upon every person engaging within this state in business as a harvester of timber; as to such persons the amount of tax with respect to such business shall be equal to the stumpage value of timber harvested for sale or for commercial or industrial use multiplied by the appropriate rate as follows:

(a) For timber harvested between October 1, 1972 and September 30, 1973 inclusive, the rate shall be one and two-tenths percent:
(b) For timber harvested between October 1, 1973 and September 30, 1974 inclusive, the rate shall be determined and fixed by the first session of the legislature commencing on or after January 1, 1972, whether regular or extraordinary, in accordance with the purposes and intent of section 18 of this 1971 amendatory act.

(c) For timber harvested on or after October 1, 1974, the rate shall be determined and fixed by the first session of the legislature commencing on or after January 1, 1973, whether regular or extraordinary, in accordance with the purposes and intent of section 18 of this 1971 amendatory act.

(2) For purposes of this section:

(a) "Harvester" means every person who from his own privately owned land or from the privately owned land of another under a right or license granted by lease or contract, either directly or by contracting with others for the necessary labor or mechanical services sells, cuts or takes timber for sale or for commercial or industrial use. It does not include persons performing under contract the necessary labor or mechanical services for a harvester.

(b) "Timber" means forest trees, standing or down on privately owned land, and except as provided in section 17 of this 1971 amendatory act includes Christmas trees.

(c) "Stumpage value of timber" means the appropriate stumpage value shown on tables to be prepared by the department of revenue pursuant to subsection (3) of this section.

(d) Timber shall be considered harvested at the time when in the ordinary course of business the quantity thereof by species is first definitely determined. The amount harvested shall be determined by the Scribner Decimal C Scale or other prevalent measuring practice adjusted to arrive at substantially equivalent measurements, as approved by the department of revenue.

(3) On or before July 1, 1972 and as necessary thereafter, the department of revenue shall designate areas containing timber having similar growing, harvesting and marketing conditions to be used as units for the preparation and application of stumpage values. Before September 1, 1972 for use during the fourth quarter of 1972 and all of 1973, and before December 1 of each year commencing with 1973, for use during the succeeding year, the department shall prepare tables of stumpage values of each species or subclassification of timber within such units, which values shall be the amount that each such species or subclassification would sell for at a voluntary sale made in the ordinary course of business for purposes of immediate harvest. Such stumpage values, expressed in terms of a dollar amount per thousand board feet or other unit measure, shall be determined from (a) gross proceeds from sales on the stump of similar timber of like quality and character at similar locations, and in similar
quantities, or from (b) gross proceeds from sales of logs adjusted to reflect only the portion of such proceeds attributable to value on the stump immediately prior to harvest, or from a combination of (a) and (b), and shall be determined in a manner which makes reasonable and adequate allowances for age, size, quality, costs of removal, accessibility to point of conversion, market conditions and all other relevant factors. Upon application from any person who plans to harvest damaged timber, the stumpage values for which have been materially reduced from the values shown in the applicable tables due to damage resulting from fire, blowdown, ice storm, flood or other sudden unforeseen cause, the department shall revise such tables for any area in which such timber is located and shall specify any additional accounting or other requirements to be complied with in reporting and paying such tax. The area designations and stumpage value tables and any revisions thereof shall be subject to approval by the forest tax committee established pursuant to section 13 of this 1971 amendatory act. Tables of stumpage values shall be signed by the director or his designee and authenticated by the official seal of the department. A copy thereof shall be mailed to anyone who has submitted to the department a written request therefor.

(4) On or before October 31, 1972, with respect to stumpage values set by the department of revenue for the fourth quarter of 1972 and all of 1973, and on or before January 31 of each succeeding year commencing with 1974, with respect to stumpage values set by the department of revenue for such year, any harvester may appeal to the board of tax appeals for a revision of stumpage values for an area determined pursuant to subsection (3) of this section.

(5) There are hereby created in the state treasury a state timber tax fund A and a state timber tax fund B, separate and apart from the state general fund. The revenues from the tax imposed by subsection (1) of this section shall be deposited in state timber tax fund A and state timber tax fund B as follows:

(6) In addition to the rates specified in subsection (1) of this section, there shall be imposed upon such persons a surtax at a rate of .5% of the stumpage value of timber as specified in such subsection (1) upon timber harvested between October 1, 1972 and December 31, 1974 inclusive. The revenues from such surtax shall be deposited in a separate fund designated the state timber reserve fund, which is hereby created in the state treasury separate and
apart from the state general fund. Such surtax shall be reimposed for one year upon timber harvested in any calendar year following any fourth quarter during which transfers from such reserve fund pursuant to subsection (3) of section 8 of this act reduce the balance in such fund to less than five hundred thousand dollars, but in no event shall such surtax be imposed in any year after 1980.

(7) The tax imposed under this section shall be computed with respect to timber harvested each calendar quarter and shall be due and payable in quarterly installments and remittance therefore shall be made on or before the last day of the month next succeeding the end of the quarterly period in which the tax accrued. The taxpayer on or before each such date shall make out a return, upon such forms and setting forth such information as the department of revenue may require, showing the amount of the tax for which he is liable for the preceding quarterly period, and shall sign and transmit the same to the department of revenue, together with a remittance for such amount.

(8) The taxes imposed by this section shall be in addition to any taxes imposed upon the same persons pursuant to one or more of sections RCW 82.04.230 to 82.04.290, inclusive, and RCW 82.04.440, and none of such sections shall be construed to modify or interact with this section in any way, except RCW 82.04.450 and 82.04.490 shall not apply to the taxes imposed by this section.

(9) Any harvester incurring less than ten dollars tax liability under this section in any calendar quarter shall be excused from the payment of such tax, but may be required by the department of revenue to file a return even though no tax may be due.

(10) Subsection (1) of this section is enacted to be fully effective commencing upon the effective date of this 1971 amendatory act, even though all rates of tax are not specified. The forest tax committee established pursuant to section 18 of this 1971 amendatory act shall, as its first priority and in addition to its other responsibilities, develop a recommendation with respect to rates for presentation to the first session of the legislature commencing on or after January 1, 1972, whether regular or extraordinary.

NEW SECTION. Sec. 8. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

(1) On or before December 15 of each year commencing with 1972 and ending with 1980, the assessor of each timber county shall deliver to the treasurer of such county and to the department of revenue a schedule setting forth for each taxing district or portion thereof lying within such county:

(a) The value of timber as shown on the timber roll for such year;

(b) The aggregate millage rate calculated pursuant to section
6 of this act and actually utilized the immediately preceding October
in extending property taxes upon the tax rolls for collection in the
following year;

(c) A "timber factor" which is the product of such aggregate
millage rate and the appropriate portion listed below of the timber
roll for such year ((a) above):

On or before December 31 of each year commencing with 1972 and
ending with 1980, the department of revenue shall determine the
proportion that each taxing district's timber factor bears to the sum
of the timber factors for all taxing districts in the state, and
shall deliver a list to the assessor and the treasurer of each timber
county and to the state treasurer showing the factor and proportion
for each taxing district.

(2) On the tenth day of the second month of each calendar
quarter, commencing February 10, 1973 and ending November 10, 1981,
the state treasurer shall pay to the treasurer of each timber county
for the account of each taxing district such district's proportion
(determined in December of the preceding year pursuant to subsection
(1) of this section) of the amount in state timber tax fund A
collected upon timber harvested in the preceding calendar quarter,
but in no event shall any quarterly payment to a taxing district,
when added to the payments made to such district the previous
quarters of the same year, exceed the timber factor for such district
determined in December of the preceding year. The balance in state
timber tax fund A, if any, after the distribution to taxing districts
on November 10 each year commencing with 1973 and ending with 1981,
shall be transferred to the state timber reserve fund.

(3) If the balance in state timber tax fund A immediately
prior to such November 10 distribution to taxing districts is not
sufficient to permit a payment which, when added to the payments made
to any taxing district the previous quarters of the same year, will
equal the timber factor for such district determined in December of
the preceding year, the necessary additional amount shall be
transferred from the state timber reserve fund to state timber tax
fund A.

(4) The balance, if any, in the state timber reserve fund
after the final transfer, if any, to or from state timber tax fund A
in November of 1981, shall be transferred to state timber tax fund B
on December 31, 1981, and one-fourth of such balance shall be
distributed in each quarter of 1982 in the manner set forth in
subsection (6) of this section.

(5) On or before December 31 of each year commencing with
1978, the department of revenue shall deliver to the treasurer of
each timber county a schedule setting forth for each taxing district
or portion thereof lying within such county:

(a) The average of the aggregate value of all timber harvested
within such district in each of the immediately preceding five years
as determined from the excise tax returns filed with the department
of revenue;

(b) The aggregate millage rate calculated pursuant to section
6 of this act and chapter 84.52 RCW and actually utilized the
immediately preceding October in extending property taxes upon the
tax rolls for collection the following year;

(c) A "harvest factor" which is the product of such five year
average and such aggregate millage rate;

(d) The proportion that each taxing district's harvest factor
bears to the sum of the harvest factors for all taxing districts in
the state.

(6) On the tenth day of the second month of each calendar
quarter commencing February 10, 1979, the state treasurer shall pay
to the treasurer of each timber county for the account of each taxing
district such district's proportion (determined in December of the
preceding year pursuant to subsection (5) of this section) of the
amount in state timber tax fund B collected upon timber harvested in
the preceding calendar quarter.

NEW SECTION. Sec. 9. There is added to chapter 15, Laws of
1961 and to Title 84 RCW a new section to read as follows:

For the purpose of calculating the limit of indebtedness which
may be incurred by any taxing district, the value of the taxable
property of any taxing district, as that term is used in chapter
39.36 RCW and any other statutes governing limitation of indebtedness
of taxing districts, shall include the value of timber as shown from
time to time on the timber roll prepared in accordance with section 5
of this act.

NEW SECTION. Sec. 10. There is added to chapter 15, Laws of
1961 and to Title 84 RCW a new section to read as follows:

As used in sections 11 through 15 of this act:

(1) "Forest land" is synonymous with timberland and means all
land in any contiguous ownership of twenty or more acres which is
primarily devoted to and used for growing and harvesting timber and
means the land only.

(2) "Owner" means the party or parties having the fee interest
in land, except where land is subject to a real estate contract
"owner" means the contract vendee.

NEW SECTION. Sec. 11. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

On or before September 1, 1971, subject to approval by the forest tax committee established pursuant to section 18 of this act, the department of revenue shall promulgate rules in accordance with chapter 34.04 RCW setting forth criteria and procedures for grading forest land on the basis of its quality, accessibility and topography. Three general quality classes shall be established which shall be "good", "average" and "poor". Within each of the three general quality classes, four classes of accessibility and topography shall be established which shall be "favorable", "average", "difficult" and "inoperable". On or before March 1, 1972 each assessor shall grade all forest land within his county, in accordance with such rules. Land not initially so graded but later designated as forest land pursuant to subsection (3) of section 12 of this act or section 13 of this act, or otherwise determined to be forest land, shall be graded in accordance with such rules.

NEW SECTION. Sec. 12. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

(1) On or before March 1, 1972 and January 1 of each year commencing with 1973, subject to approval by the forest tax committee established pursuant to section 18 of this act and after compliance with the procedures set forth in chapter 34.04 RCW for adoption of rules, the department of revenue shall determine the true and fair value of each grade of forest land and shall certify such values to the county assessors. Such values shall be determined on the basis that the only use of the land is for growing and harvesting timber, and other potential uses shall not be considered in fixing such values.

(2) In preparing the assessment rolls as of January 1, 1971 for taxes payable in 1972, the assessor shall list each parcel of forest land at a value not to exceed the value used on the 1970 assessment roll for such land. In preparing the assessment roll for 1972 and each year thereafter, the assessor shall enter as the true and fair value of each parcel of forest land the appropriate grade value certified to him by the department of revenue, and he shall compute the assessed value of such land by using the same assessment ratio he applies generally in computing the assessed value of other property in his county.

(3) In any year commencing with 1972, an owner of land which is assessed and valued by the assessor other than pursuant to the procedures set forth in section 11 of this 1971 amendatory act and subsections (1) and (2) of this section, and which has, in the immediately preceding year, been assessed and valued by the assessor...
as forest land, may appeal to the county board of equalization by filing an application with the board in the manner prescribed in subsection (2) of section 13 of this 1971 amendatory act. The county board shall afford the applicant an opportunity to be heard if the application so requests and shall act upon the application with due regard to all relevant evidence without any one or more items of evidence necessarily being determinative.

(4) The assessor may in any year commencing with 1972 discontinue assessing and valuing pursuant to the procedures set forth in section 11 of this 1971 amendatory act and subsections (1) and (2) of this section any land, except designated forest land, for which a higher and better use exists than growing and harvesting timber. The owner of such land shall thereupon have the right to apply for designation of such land as forest land pursuant to subsection (3) of this section or section 13 of this 1971 amendatory act.

NEW SECTION. Sec. 13. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

(1) An owner of land desiring that it be designated as forest land and valued pursuant to section 12 of this act as of January 1 of any year commencing with 1972 shall make application to the county assessor before such January 1.

(2) The application shall be made upon forms prepared by the department of revenue and supplied by the county assessor, and shall include the following:

(a) A legal description of or assessor's tax lot numbers for all land the applicant desires to be designated as forest land;
(b) The date or dates of acquisition of such land;
(c) A brief description of the timber on such land, or if the timber has been harvested, the owner's plan for restocking;
(d) Whether there is a forest management plan for such land;
(e) If so, the nature and extent of implementation of such plan;
(f) Whether such land is used for grazing;
(g) Whether such land has been subdivided or a plat filed with respect thereto;
(h) Whether a permit for cutting on such land has been granted pursuant to RCW 76.08.030;
(i) Whether such land is subject to fire patrol assessments pursuant to RCW 76.04.360;
(j) Whether such land is subject to a lease, option or other right which permits it to be used for any purpose other than growing and harvesting timber;
(k) A summary of the past experience and activity of the applicant in growing and harvesting timber;
(1) A summary of current and continuing activity of the applicant in growing and harvesting timber;

(m) A statement that the applicant is aware of the potential tax liability involved when such land ceases to be designated as forest land;

(n) An affirmation that the statements contained in the application are true.

The assessor shall afford the applicant an opportunity to be heard if the application so requests.

(3) The assessor shall act upon the application with due regard to all relevant evidence and without any one or more items of evidence necessarily being determinative. The application shall be deemed to have been approved unless, prior to May 1 of the year after such application was mailed or delivered to the assessor, he shall notify the applicant in writing of the extent to which the application is denied.

(4) An owner who receives notice pursuant to subsection (3) of this section that his application has been denied may appeal such denial to the county board of equalization.

NEW SECTION. Sec. 14. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

(1) When land has been designated as forest land pursuant to subsection (3) of section 12 of this act or section 13 of this act, a notation of such designation shall be made each year upon the assessment and tax rolls and such land shall be graded and valued pursuant to sections 11 and 12 of this act until removal of such designation by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove such designation;

(b) Passage of sixty days following the sale or transfer of such land to a new owner without receipt of an application pursuant to section 13 of this act from the new owner;

(c) Sale or transfer to an ownership making such land exempt from ad valorem taxation;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that such land is no longer primarily devoted to and used for growing and harvesting timber.

(2) Within thirty days after such removal of designation of forest land, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The owner may appeal such removal to the county board of equalization.

(3) Unless the removal is reversed on appeal, commencing on January 1 of the year following the year in which the assessor mailed such notice, such land shall be assessed on the same basis as real
property is assessed generally in that county. Except as provided in subsection (5) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer on or before April 30 of the following year. On or before May 31 following such assessment date, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to:

(a) The difference between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the millage rate of the last levy extended against such land, multiplied by

(b) A number, in no event greater than ten, equal to the number of years for which such land was designated as forest land.

(4) Any compensating tax unpaid on its due date shall thereupon become delinquent and together with applicable interest thereon, shall as of said date become a lien on such land which shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(5) The compensating tax specified in subsection (3) of this section shall not be imposed if the removal of designation pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) Sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in such land.

NEW SECTION. Sec. 15. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

The value of forest land entered on the assessment and tax rolls of any county shall include only the value of the land and shall not include any value attributable to any timber thereon.

NEW SECTION. Sec. 16. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

Land approved for classification pursuant to RCW 84.28.020 or RCW 84.32.030 prior to the effective date of this 1971 amendatory act
under chapter 84.28 RCW as reforestation lands or under chapter 84.32 RCW as forest lands, and the timber on such lands, shall be assessed and taxed in accordance with the applicable provision of those chapters and shall not be subject to this act. However, after the effective date of this 1971 amendatory act, no additional land shall be classified under chapter 84.28 or 84.32 RCW.

NEW SECTION. Sec. 17. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

Notwithstanding any provision of this chapter or section 7 of this 1971 amendatory act to the contrary, this chapter shall not exempt from the ad valorem tax nor subject to the excise tax imposed by section 7 of this act, Christmas trees which are grown on land which has been prepared by intensive cultivation and tilling, such as by plowing or turning over the soil, and on which all unwanted plant growth is controlled continuously for the exclusive purpose of raising such Christmas trees, and such land on which such Christmas trees stand shall not be taxed as provided in sections 10 through 15 of this act.

NEW SECTION. Sec. 18. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

(1) There is hereby created a committee to be known as the forest tax committee, which shall consist of eleven members: Two senators, one from each political party, to be appointed by the president of the senate; two representatives, one from each political party, to be appointed by the speaker of the house of representatives; two county assessors to be selected by the four appointed legislative members from a list of five assessors to be submitted by the Washington state association of county assessors; the director of the department of revenue or his designated representative; the commissioner of public lands or his designated representative; the superintendent of public instruction or his designated representative and two representatives of private timber or timber land owners throughout the state to be selected by the four appointed legislative members from a list of five such representative persons submitted by the Washington forest protection association. Members shall be appointed and selected on or before June 30 of every odd-numbered year to serve two year terms. Except for such designees as the director of the department of revenue or the commissioner of public lands who appoint, membership shall not be dependent upon continuance in elective office or other status that may be required for initial qualification as a member, and should any vacancy occur, it shall be filled in the same manner as for the original appointment. Certificates of appointment of members shall be filed by the legislative members so appointing in the office of the president of the senate and in the office of the speaker of the

(2) The initial meeting of the forest tax committee each odd-numbered year shall be held within thirty days after the filing of all certificates of appointment, notice thereof to be given to the director of the department of revenue, and shall be called by the director of the department of revenue who shall act as temporary chairman. At such first meeting, the committee shall elect a chairman and a vice chairman. The chairman shall appoint a secretary and such other staff as the legislative members of the committee deem necessary.

(3) Except for the director of the department of revenue and the commissioner of public lands or their designees who shall receive expenses as provided in RCW 43.03.050 and 43.03.060, as now or hereafter amended, members of the committee shall receive allowances while attending meetings of the committee or while engaged in other committee business in the amount provided in RCW 44.04.120, as now or hereafter amended. All expenses incurred by the committee or the members thereof shall be paid upon voucher forms signed by the chairman of the committee. Vouchers shall be drawn upon funds appropriated generally by the legislature for legislative expenses or upon any special appropriation which may be provided by the legislature for the expenses of the committee.

(4) The duties and responsibilities of the committee shall include, without limitation, the following:

(a) A continuing review of the provisions of this 1971 amendatory act, including the tax rate provisions, and the implementation thereof to determine the need for any revision, and preparation of any needed legislation;

(b) Review of chapters 84.28, 84.32, 84.34 RCW and any other laws relating to taxation of timber and forest land, and preparation of legislation for introduction in the 1973 session of the legislature to integrate into this 1971 amendatory act the taxation of forest lands and timber classified and taxed under such laws;

(c) Supervision and control of the activities of any consultants retained by the committee for preparation of any special studies or reports;

(d) Preparation of a report summarizing committee actions and findings for submission to each regular session of the legislature.

Sec. 19. Section 28A.41.130, chapter 223, Laws of 1969 ex. sess. as amended by section 2, chapter 138, Laws of 1969 and RCW 28A.41.130 are each amended to read as follows:

From those funds made available by the legislature for the current use of the common schools, other than the proceeds of the state property tax, the state superintendent of public instruction shall distribute annually as provided in RCW 28A.48.010 to each
school district of the state operating a program approved by the state board of education, an amount which, when combined with the following revenues, will constitute an equal guarantee in dollars for each weighted student enrolled, based upon one full school year of one hundred eighty days:

(1) Eighty-five percent of the amount of revenues which would be produced by a levy of fourteen mills on the assessed valuation of taxable property within the school district adjusted to twenty-five percent of true and fair value thereof as determined by the state department of revenue's indicated county ratio: PROVIDED, That in each of the calendar years 1968 and 1969 the funds otherwise distributable under this section to any school district which is collecting property taxes based upon a levy of less than five-sixths of the maximum levy permissible for the district for such year under RCW 84.52.050 shall be reduced by an amount equal to the difference between the proceeds of the actual school district tax levy in the district and the proceeds which five-sixths of such maximum permissible levy for the district would produce irrespective of any delinquencies: PROVIDED, FURTHER, That the funds otherwise distributable under this section to any school district for any year other than the calendar years 1968 and 1969 shall be reduced by the difference between the proceeds from the actual school district tax levy in the district and the amount the maximum levy permissible for the district under RCW 84.52.050 would produce irrespective of any delinquencies; and

(2) The receipts from the one percent tax on real estate transactions which may be imposed pursuant to chapter 28A.45 RCW: PROVIDED, That the funds otherwise distributable under this section to any school district in any county which does not impose a tax in the full amount authorized by chapter 28A.45 RCW shall be reduced by five percent; and

(3) Eighty-five percent of the maximum receipts collectible from the high school district fund pursuant to chapter 28A.44 RCW; and

(4) Eighty-five percent of the receipts from public utility district funds distributed to school districts pursuant to RCW 54.28.090; and

(5) Eighty-five percent of the receipts from federal forest revenues distributed to school districts pursuant to RCW 36.33.110; and

(6) Eighty-five percent of the proportion of the receipts from the tax imposed pursuant to section 7 of this 1971 amendatory act upon harvesters of timber equal to the proportion that the millage rate for the regular property tax levy for such school district pursuant to RCW 84.52.050 bears to the aggregate millage rate for all
property tax levies for such school district, both regular and
exception, and
Eighty-five percent of such other available revenues as
the superintendent of public instruction may deem appropriate for
consideration in computing state equalization support.

NEW SECTION. Sec. 20. The following acts or parts of acts
are each repealed:

(1) Section 4, chapter 249, Laws of 1963 and RCW 84.40.034;
and
(2) Section 5, chapter 249, Laws of 1963 and RCW 84.40.035.

NEW SECTION. Sec. 21. Sections 1 through 6 and 8 through 18
shall constitute a new chapter in Title 84 RCW.

NEW SECTION. Sec. 22. This act is necessary for the
immediate preservation of the public peace, health and safety, the
support of the state government and its existing public institutions,
and shall take effect immediately.

Passed the Senate May 7, 1971.
Passed the House May 6, 1971.
Approved by the Governor May 21, 1971 with the exception
of three items which are vetoed.
Filed in Office of Secretary of State May 21, 1971.

Note: Governor’s explanation of partial veto is as follows:

"...This bill constitutes a comprehensive new program
for the taxation of timber and timber lands, by phasing out
the taxation of timber under the property tax system and
placing timber on an excise tax system based upon yield. The
bill also provides that timber lands shall remain under the
property tax system, but that the valuation of such lands
shall be on the basis of their actual use, i.e., the growing
and harvesting of timber.

The act further provides, with respect to the
valuation of such lands and the timber thereon that
responsibility for making the valuations will be in the
Department of Revenue. However, it is also provided that the
decisions of the department in carrying out its
responsibility under the bill can become effective only upon
approval of the forest tax committee established pursuant to
section 18 of the bill.

I believe that the full responsibility for the
valuation process should be solely with a department of the
executive branch of government, and that the functions of the
forest tax committee, the majority of which will consist of legislators and representatives of the timber industry, should be limited to those specified in sections 7(10) and 18. Undoubtedly the committee will be in a position to give valuable advice to the department with respect to the valuation process, and I believe that the role of the committee in the valuation process should be limited to that function.

In addition it should be noted that the eligibility of members of the 42nd Legislature to serve as members of the forest tax committee is open to serious constitutional question without these vetoes; see Oceanographic Commission v. O'Brien, 74 Wn.2d 904 (1968).

For these reasons, I have vetoed those items of the bill which give the committee the approval function described above.

With the exception of these three items, Engrossed Substitute Senate Bill No. 849 is approved."

CHAPTER 295
[Engrossed Senate Bill No. 108]
CRIMES--
CONCURRENT AND CONSECUTIVE SENTENCES

AN ACT Relating to crimes and punishment; and amending section 33, chapter 249, Laws of 1909 as amended by section 2, chapter 109, Laws of 1925 ex. sess. and RCW 9.92.080; and adding a new section.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 33, chapter 249, Laws of 1909 as amended by section 2, chapter 109, Laws of 1925 ex. sess. and RCW 9.92.080 are each amended to read as follows:

"((Whenever a person shall be convicted of two or more offenses before sentence has been pronounced for either, the imprisonment to which he is sentenced upon the second or other subsequent conviction shall commence at the termination of the first or other prior term or terms of imprisonment to which he is sentenced; and)) From and after the effective date of this 1971 amendatory act:

(1) Whenever a person while under sentence of felony shall commit another felony and be sentenced to another term of
imprisonment, such latter term shall not begin until the expiration
of all prior terms: PROVIDED, That any person granted probation
pursuant to the provisions of RCW 9.95.210 and/or 9.92.060 shall not
be considered to be under sentence of a felony for the purposes of
this subsection.

121 Whenever a person is convicted of two or more offenses
(set forth as separate counts in one indictment or information the
court may, in pronouncing sentence, provide that sentences therefor
shall run concurrently) which arise from a single act or omission,
the sentences imposed therefor shall run concurrently, unless the
court, in pronouncing sentence, expressly orders the service of said
sentences to be consecutive.

131 In all other cases, whenever a person is convicted of two
or more offenses arising from separate and distinct acts or
omissions, and not otherwise governed by the provisions of
subsections 11 and 12 of this section, the sentences imposed
therefor shall run consecutively, unless the court, in pronouncing
the second or other subsequent sentences, expressly orders concurrent
service thereof.

141 The sentencing court may require the secretary of the
department of social and health services, or his designee, to provide
information to the court concerning the existence of all prior
judgments against the defendant, the terms of imprisonment imposed,
and the status thereof.

NEW SECTION. Sec. 2. No court shall suspend or defer the
sentence of any person having been convicted of selling or attempting
to sell narcotic or dangerous drugs for profit.

Passed the Senate May 10, 1971.
Passed the House May 10, 1971.
Approved by the Governor May 21, 1971 with the exception
of one item which was vetoed.
Filed in Office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:

"...Section one of this bill clarifies and makes more
equitable the law relating to concurrent and consecutive
sentencing when persons are convicted of two or more
offenses.

Section 2 of the bill provides that no court shall
suspend or defer the sentence of any person having been
convicted of selling or attempting to sell narcotic or
dangerous drugs for profit. I have determined to veto
section 2 however, in so doing, I wish to make very clear
that I have no sympathy for those who sell or attempt to sell
narcotic or dangerous drugs, nor do I, in any way, mean to
infer that the law should not deal strictly with such
persons. However, I have had to veto this section for
technical reasons. Second Substitute Senate Bill No. 146,
the Uniform Controlled Substances Act, which I have signed
into law, replaces and repeals the previous laws of this
state relating to narcotic or dangerous drugs. The new law
does not define narcotic or dangerous drugs but sets up five
classifications of controlled substances. There is, as a
consequence, no definition to which section 2 of SB 108 can
refer. Furthermore, SSSB 146 does not at any point define
sale or attempted sale either for profit or without profit as
a crime. Delivery is defined as a criminal violation but
sale is not. As a consequence, once again, there is nothing
in this aspect to which section 2 of SB 108 can refer.
Section 2 is thus technically deficient and would create
confusion and ambiguity in the law.

For these reasons, but with the hope that appropriate
controls of the problems of drug trafficking and drug abuse
will continue to be acted upon by the legislature, as done in
SSSB 146 and SB 273, I have vetoed section 2 of SB 108 and
have approved section 1."

CHAPTER 296
[Engrossed Senate Bill No. 691]
FINANCING OF PUBLIC TRANSPORTATION SERVICE

AN ACT Relating to revenue and taxation and public transportation;
amending section 2, chapter 111, Laws of 1965 ex. sess. as
last amended by section 2, chapter 255, Laws of 1969 ex. sess.
and RCW 35.95.020; amending section 4, chapter 111, Laws of
1965 ex. sess. and RCW 35.95.040; amending section 5, chapter
111, Laws of 1965 ex. sess. as amended by section 66, chapter
145, Laws of 1967 ex. sess. and RCW 35.95.080; amending
section 6, chapter 94, Laws of 1970 ex. sess. and RCW
sess. and RCW 82.14.050; creating new sections.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. The legislature finds that adequate
public transportation systems are necessary to the economic,
industrial and cultural development of the urban areas of this state
and the health, welfare and prosperity of persons who reside or are employed in such areas or who engage in business therein and such systems are increasingly essential to the functioning of the urban highways of the state. The legislature further finds and declares that fares and tolls for the use of public transportation systems cannot maintain such systems in solvent financial conditions and at the same time meet the need to serve those who cannot reasonably afford or use other forms of transportation. The legislature further finds and declares that additional and alternate means of financing adequate public transportation service are necessary for the cities, metropolitan municipal corporations and counties of this state which provide such service.

**New Section.** Sec. 2. There is added to chapter 82.14 RCW a new section to read as follows:

The governing body upon written request by the mayor or other executive officer of any city within a class AA county, a class AA county or any metropolitan municipal corporation within a class AA county, which owns and operates a public transportation system, while not required by legislative mandate to do so, may, by resolution or ordinance for the sole purpose of providing funds for the operation, maintenance or capital needs of public transportation systems and in lieu of the excise taxes authorized by RCW 35.95.040, as now or hereafter amended, submit an authorizing proposition to the voters or include such authorization in a proposition to perform the function of metropolitan public transportation pursuant to chapter 35.58 RCW and if approved by a majority of persons voting thereon, fix and impose a sales and use tax in accordance with the terms of this chapter to be effective on or after July 1, 1972; that such proposition submitted to the voters for authorization shall include language stating that such proposition shall be partially financed by the levying of an additional three-tenths of one percent per dollar on sales transactions within King county; PROVIDED, That during the fiscal year ending June 30, 1973, no more than three million dollars of the sales and use tax levied and collected pursuant to the 1971 amendatory act may be used as qualifying matching funds to authorize a levy of motor vehicle excise taxes during such fiscal year pursuant to chapter 255, 1st ex. sess., Laws of 1969; AND PROVIDED FURTHER, That after June 30, 1973 no sales or use tax levied and collected pursuant to the 1971 amendatory act may be used as such qualifying matching funds. Such tax shall be in addition to the tax authorized by RCW 82.14.030 and shall be collected from those persons who are taxable by the state pursuant to chapters 82.08 and 82.12 RCW upon
the occurrence of any taxable event within such city, county or metropolitan municipal corporation as the case may be. The rate of such tax imposed by such city, county or metropolitan municipal corporation shall be three-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax): PROVIDED, HOWEVER, That in the event a metropolitan municipal corporation shall impose a sales and use tax pursuant to this chapter no city or county wholly or partly within such metropolitan municipal corporation shall impose a sales and use tax pursuant to this chapter but nothing herein shall prevent such city or county from imposing sales and use taxes pursuant to any other authorization: PROVIDED FURTHER, That in the event a metropolitan municipal corporation or county shall impose a sales and use tax pursuant to this 1971 amendatory act, no city within such county or wholly or partly within such metropolitan municipal corporation shall impose an excise tax pursuant to RCW 35.95.040.

Sec. 3. Section 6, chapter 94, Laws of 1970 ex. sess. and RCW 82.14.050 are each amended to read as follows:

The counties, metropolitan municipal corporations and cities shall contract, prior to the effective date of a resolution or ordinance imposing a sales and use tax, the administration and collection to the state department of revenue, which shall deduct a percentage amount, as provided by contract, not to exceed two percent of the taxes collected for administration and collection expenses incurred by the department. The remainder of any portion of any tax authorized by this chapter which is collected by the department of revenue shall be deposited by the state department of revenue in a special fund under the custody of the state treasurer to be known as the local sales and use tax revolving fund. All administrative provisions in chapters 82.03, 82.08, 82.12, and 82.32 RCW, as they now exist or may hereafter be amended, shall, insofar as they are applicable to state sales and use taxes, be applicable to taxes imposed pursuant to this chapter.
Sec. 4. Section 7, chapter 94, Laws of 1970 ex. sess. and RCW 82.14.050 are each amended to read as follows:

Bimonthly the state treasurer shall make distribution from the local sales and use tax revolving fund to the counties, metropolitan municipal corporations and cities the amount of tax collected on behalf of each county, metropolitan municipal corporation or city, less the deduction provided for in RCW 82.14.050.

In the event that any ordinance or resolution imposes a sales and use tax at a rate in excess of the applicable limits contained herein, such ordinance or resolution shall not be considered void in toto, but only with respect to that portion of the rate which is in excess of the applicable limits contained herein.

NEW SECTION. Sec. 5. If any provision of this 1971 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

Passed the Senate May 7, 1971.
Passed the House May 9, 1971.
Approved by the Governor May 21, 1971 with the exception of certain items which are vetoed.
Filed in Office of Secretary of State May 21, 1971.

Note: Governor's explanation of partial veto is as follows:

"...This bill permits the voters within the boundaries of a metropolitan municipal corporation to authorize a local sales tax of three tenths of a percent in lieu of the local household tax in Class AA Counties. It provides the funding mechanism for the financing of a public transportation system to be operated by a metropolitan municipal corporation. Monies raised at the local level through the imposition of the additional sales tax are matchable, with certain limitations, with state funds.

Section 2 provides that the metro council may submit an authorizing proposition to the voters with respect to the issue of the imposition of the sales tax. There is an ambiguity in the first sentence of section 2 with respect to the reference to ownership of a public transportation system. In order to avoid any uncertainty I have, for clarification purposes, item vetoed that reference.

Section 2 also contains a requirement that the proposition submitted to the voters shall include language
stating that such proposition shall be partially financed by the levying of an additional three tenths of one percent per dollar on sales transactions "within King County". The reference to "King County" creates internal inconsistencies within the bill since the bill pertains to a city within a Class AA County, a Class AA County, or any metropolitan municipal corporation within a Class AA County. Since the tax authorization will, in any event, be included in the ballot proposition the clause is functionally superfluous. Accordingly, this item has been vetoed.

Section 2 contains a proviso that after June 30, 1973, no sales or use tax levied and collected pursuant to this act may be used as qualifying matching funds. The effect of this proviso will be that a Class AA County which approves a sales tax will lose state matching funds after 1973 even though cities in all other counties would continue to be eligible to receive state matching funds for public transportation systems. After careful consideration of this question, I have determined to item veto this proviso. With this matching capability restored, the needed long-term funding support for public transportation within a Class AA County will be provided.

With the exception of the items referred to above, the remainder of the bill is approved."

CHAPTER 297
[Engrossed Senate Bill No. 465]
PILOTAGE--
STUDY AUTHORIZED--
INVESTIGATIONS AND HEARINGS ON PILOTAGE SERVICES

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 9, chapter 18, Laws of 1935 as amended by
section 6, chapter 15, Laws of 1967 and RCW 88.16.030 are each amended to read as follows:

The board is authorized and shall have power to make rules and regulations not in conflict with this chapter covering the matters hereinafter set forth which shall have the force and effect of law until altered, repealed or set aside by action of the board:

(1) To establish the qualifications of pilots, provide for their examination and the issuance of licenses to qualified persons and to keep a register of licensed pilots and of vessels, operators and agents.

(2) To provide for the maintenance of efficient and competent pilotage service on all waters covered by this chapter.

(3) To fix the rates of pilotage for the waters covered by this chapter: PROVIDED, That no rate shall be changed by the board more than once in any twelve months' period; AND PROVIDED FURTHER, That the rates presently in effect shall remain in effect until changed by the board pursuant to this chapter: AND PROVIDED FURTHER, That no rate shall be increased, lowered or altered without a public hearing of which due notice ((by registered letter)) mailed at least ((fifteen)) twenty days prior to the date of hearing, shall have been ((served upon)) sent to all pilots licensed under this chapter to pilot vessels on the particular waters for which the change of rate is proposed and upon all vessel operators and agents who have registered with the board. The notice shall specify the waters for which the change of rate is sought and also the change proposed. The board may, despite anything in this chapter contained, fix extra compensation for extra services to vessels in distress and compensation for awaiting vessels or being carried to sea on vessels against the will of the pilot. In determining rates the board shall have the right to subpoena witnesses.

(4) To do such other things as are reasonable, necessary and expedient to insure proper and safe pilotage upon the waters covered by this chapter and to facilitate the efficient administration of this chapter.

All rules and regulations adopted by the board shall be printed, and a copy thereof shall be mailed to each licensed pilot and to every vessel operator or agent who has registered with the board. Such mailing shall be proved by the affidavit of the person mailing the same, filed with the records of the board, and such affidavit shall be conclusive as to such mailing. All rules and regulations shall be effective three days after the completion of such mailing.

Sec. 2. Section 3, chapter 18, Laws of 1935 as amended by section 2, chapter 15, Laws of 1967 and RCW 88.16.050 are each amended to read as follows:
This chapter applies to Puget Sound and adjacent inland waters and to Grays Harbor and Willapa Bay as those terms are hereinafter defined:

(1) "Puget Sound and adjacent inland waters", whenever used in this chapter, shall be construed to mean and include all the inland waters of the state of Washington inside the international boundary line between the state of Washington and British Columbia (extending south to and including Olympia) but excluding that portion of the Straits of Juan de Fuca west of Port Angeles.

(2) "Grays Harbor and Willapa Bay" shall include all inland waters, channels, waterways, and navigable tributaries within each area. The boundary line between inland waters and the high seas shall be designated as the outermost sea buoy as established and placed for Grays Harbor and Willapa Bay.

Sec. 3. Section 4, chapter 18, Laws of 1935, as amended by section 3, chapter 15, Laws of 1967 and RCW 88.16.070 are each amended to read as follows:

All vessels under enrollment and all private vessels of United States or Canadian registry engaged exclusively in the coasting trade on the west coast of the continental United States (including Alaska) and/or British Columbia shall be exempt from the provisions of this chapter unless a pilot licensed under this chapter be actually employed, in which case the pilotage rates provided for in this chapter shall apply. Every vessel (not so exempt) having two pilots holding current licenses issued by the United States Coast Guard on board shall, while entering and navigating into Puget Sound and adjacent inland waters, Grays Harbor and Willapa Bay, (employ a pilot licensed under the provisions of this chapter and shall be liable for and pay pilotage rates in accordance with the pilotage rates herein established or which may hereafter be established under the provisions of this chapter) be subject to rules and regulations promulgated by the Washington Pilotage Commission insofar as such rules and regulations may require such vessel to employ a pilot licensed under the provisions of this chapter; PROVIDED, That the Washington Pilotage Commission, immediately after the effective date of this act, shall conduct a study of the need to require employment of pilots licensed under the provisions of this chapter on all vessels entering into Puget Sound and adjacent inland waters, together with an assessment of the legality and feasibility of such requirement. The commission shall report the results of such study together with recommended legislative action to the next session of the legislature.

Sec. 4. Section 13, chapter 18, Laws of 1935 and RCW 88.16.100 are each amended to read as follows:

The board shall have power on its own motion or, in its
discretion, upon the written request of any interested party, to investigate the performance of pilotage services subject to this act and to suspend, withhold or revoke the license of any pilot for misconduct, incompetency, inattention to duty, intoxication or failure to perform his duties under this chapter, or violation of any of the rules or regulations provided by the board for the government of pilots. (No complaint shall be entertained by the board unless same be reduced to writing and duly verified as in civil actions;)

When the board determines that reasonable cause exists for the conduct of a hearing on the issue of the suspension, withholding or revocation of a pilot license it shall forthwith prepare and serve a copy of a notice of hearing upon the pilot in question who shall be (When a written complaint is filed, the accused party shall be forthwith served with a copy thereof and) required to appear and answer the same within ten days from date of service and shall be entitled to a full (tried) hearing thereof before the board and to be represented by counsel and to subpoena witnesses. The decision of the board must be in writing and entered of record upon the minutes of the board. All final decisions of the board shall be subject to review by the superior court of the state of Washington for Thurston county, to which court any case with all the papers and proceedings therein shall be immediately certified by the chairman of the board if requested to do so by any party to the proceedings at anytime within thirty days after the date of any such final decision. No appeal may be taken after the expiration of thirty days after the date of final decision. Any case so certified to the superior court shall be tried de novo and after certification of the record to said superior court the proceedings shall be had as in a civil action.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health and safety, and support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate May 9, 1971.
Passed the House May 8, 1971.
Approved by the Governor May 21, 1971 with the exception of one item which is vetoed.
Filed in Office of Secretary of State May 21, 1971.

Note: Governor's explanation of partial veto is as follows:

"...While the apparent purpose of section 3, that of insuring greater environmental protection to the waters of Puget Sound, is commendable, the unfortunate effect of the section is to delete the provision of state law making pilotage compulsory with respect to vessels not specifically
exempted by the Legislature. If section 3 is enacted into law, certain described vessels will be exempted from all the provisions of the Pilotage Act. All vessels not so exempt will "be subject to rules and regulations promulgated by the Washington Pilotage Commission", but there will be no legislative enactment making pilotage compulsory as to any vessels whatsoever.

While the pilotage commission might, and probably would, adopt rules and regulations requiring that a pilot be engaged for all vessels not specifically exempted by the legislature, there is a serious question as to the constitutionality and thus the enforceability of such a regulation.

The provision in section 3 does require the pilotage commission, immediately after the effective date of the act, to conduct a study relative to the need to require pilots licensed under the provisions of state law on all vessels entering Puget Sound and adjacent waters. I will instruct the chairman of the pilotage commission to make such a study the prime order of business of the commission so a comprehensive report will be available for the next session of the legislature.

Rather than run the risk of seriously weakening the present law relative to pilotage on Puget Sound I am vetoing certain portions of section 3, with the belief that after the submission of the report by the pilotage commission to the next session of the legislature the entire matter will be reviewed and the legislature will be able to determine what, if any, amendments are needed to the pilotage act.

The remainder of Senate Bill 465 is approved."
CHAPTER 298
[Senate Bill No. 408]
PUBLIC ASSISTANCE--
COMMITTEE ON VENDOR'S RATES

AN ACT Relating to public assistance; concerning the committee on
vendor's rates; and adding new sections to chapter 74.32 RCW.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. There is added to chapter 74.32 RCW
a new section to read as follows:
Before completing its recommendations regarding rates, the
governor's committee on vendor rates shall conduct an extensive
investigation to determine the nature and extent of any additional
requirements or standards established which affect any vendor group
if the same have not been fully considered and provided for in the
committee's last recommendations, and shall similarly determine the
nature and effect of any additional requirements or standards which
are expected to be imposed during the period covered by the
committee's recommendations.

NEW SECTION. Sec. 2. There is added to chapter 74.32 RCW a
new section to read as follows:
The additional requirements and standards referred to in
section 1 of this 1971 act shall include but shall not be limited to
changes in minimum wage or overtime provisions, changes in building
code or facility requirements for occupancy or licensing, and changes
in requirements for staffing, available equipment, or methods and
procedures.

NEW SECTION. Sec. 3. There is added to chapter 74.32 RCW a
new section to read as follows:
The committee shall investigate such changes whether their
source is or may be federal, state, or local governmental agencies,
departments and officers, and shall give full consideration to the
cost of such changes and expected changes in the vendor rates
recommended.

NEW SECTION. Sec. 4. There is added to chapter 74.32 RCW a
new section to read as follows:
The committee shall also consider prevailing wage scales and
fringe benefit programs affecting the vendor's industry or affecting
related or associated industries or vendor classes, and shall
consider in its rate recommendations a scale of competitive wages, to
assure the availability of necessary personnel in each vendor
program.

NEW SECTION. Sec. 5. There is added to chapter 74.32 RCW a
new section to read as follows:
The committee shall further fully account in its recommended
rate structure for the effect of changes in payroll and property
taxes accurate costs of insurance, and increased or lowered costs of
borrowing money.

NEW SECTION. Sec. 6. There is added to chapter 74.32 RCW a
new section to read as follows:

The principal function of the committee shall be to reasonably
and fairly relate levels of payment or reimbursement to required
standards or regulations and effective taxes, personnel costs, and
other applicable cost factors.

Passed the Senate May 10, 1971.
Passed the House May 7, 1971.
Approved by the Governor May 21, 1971 with the exception of
one section which is vetoed.
Filed in Office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:

"...This bill provides that the governor's committee
on vendor rates shall investigate and consider various items
in developing its recommendations for vendor rates to the
Department of Social and Health Services.

However, section 6 of the bill purports to define the
principal function of the committee, and while that section
does define one of the functions of the committee there are
other functions which are also of substantial importance,
such as content of services purchased, assurance of adequate
service delivery, and conformity to appropriate state and
federal laws and regulations.

I have therefore vetoed section 6. I have approved
the remainder of the bill which is, in any event, the
operative portion of the legislation."

REVENUE AND TAXATION

AN ACT Relating to revenue and taxation; amending section 4, chapter
236, Laws of 1955 and RCW 60.28.040; amending section 2,
chapter 272, Laws of 1959 and RCW 73.32.130; amending section

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 4, chapter 236, Laws of 1955 and RCW 60.28.040 are each amended to read as follows:

The amount of all taxes, increases and penalties due or to become due under Title 82, from a contractor or his successors or assignees with respect to a public improvement contract wherein the contract price is ((five)) twenty thousand dollars or more shall be a lien prior to all other liens upon the amount of the retained percentage withheld by the disbursing officer under such contract, and the amount of all other taxes, increases and penalties due and owing from the contractor shall be a lien upon the balance of such retained percentage remaining in the possession of the disbursing officer after all other statutory lien claims have been paid.

Sec. 2. Section 2, chapter 272, Laws of 1959 and RCW 73.32.130 are each amended to read as follows:

For the purpose of creating the fund for the retirement of such bonds upon maturity and the payment of interest thereon as it falls due, all proceeds hereafter received from the excise tax on cigarettes imposed by chapter 82.24 as now or hereafter amended, shall, so long as any part of principal or interest of the bonds herein provided for remains outstanding, be paid into the war veterans' compensation bond retirement fund hereinafter provided for.

In addition thereto, there is hereby levied and there shall be collected by the ((tax commission)) department of revenue from the persons mentioned in and in the manner provided by chapter 82.24, as now or hereafter amended, an excise tax upon the sale, use, consumption, handling or distribution of cigarettes in an amount equal to the rate of one mill per cigarette, but the provisions of RCW 82.24.070 allowing dealers' compensation for affixing stamps shall not apply to this additional tax. Instead, wholesalers and retailers subject to the provisions of chapter 82.24 shall be allowed
as compensation for their services in affixing the stamps for the additional tax required by this section a sum equal to one percent of the value of the stamps for such additional tax purchased or affixed by them.

All money derived from such tax shall be paid to the state treasurer and credited to a special trust fund to be known as the war veterans' compensation bond retirement fund, which shall be kept segregated from all money in the state treasury and shall, while any of the bonds herein authorized or any interest thereon remain unpaid, be available solely for the payment thereof.

Whenever the receipts into the war veterans' compensation bond retirement fund during any year exceed (four million five hundred thousand dollars, all sums received above that amount) the annual amounts required for debt service, the balance shall be transferred by the state treasurer to the state general fund, and whenever there has accumulated in the war veterans' compensation bond retirement fund (four million one hundred thousand dollars) a sum in excess of the amount required in any year, as determined by the state finance committee, to meet obligations during that year for bond retirement and interest, the state treasurer shall transfer from such fund to the state general fund all money in excess of such amount.

Sec. 5. Section 82.04.280, chapter 15, Laws of 1961 as last amended by section 2, chapter 8, Laws of 1970 ex. sess. and RCW 82.04.280 are each amended to read as follows:

Upon every person engaging within this state in the business of: (1) Printing, and of publishing newspapers, periodicals or magazines; (2) building, repairing or improving any ("publicly owned") street, place, road, highway, easement, right of way, mass public transportation terminal or parking facility, bridge, tunnel, or trestle which is owned by a municipal corporation or political subdivision of the state or by the United States and which is used or to be used, primarily for foot or vehicular traffic including ("publicly owned") mass transportation vehicles of any kind and including any readjustment, reconstruction or relocation of the facilities of any public, private or cooperatively owned utility or railroad in the course of such building, repairing or improving, the cost of which readjustment, reconstruction, or relocation, is the responsibility of the public authority whose street, place, road, highway, easement, right of way, mass public transportation terminal or parking facility, bridge, tunnel, or trestle is being built, repaired or improved; (3) extracting for hire or processing for hire; (4) operating a cold storage warehouse, but not including the rental of cold storage lockers; (5) representing and performing services for fire or casualty insurance companies as an independent resident managing general agent licensed under the provisions of RCW 48.05.310; (6) radio and television broadcasting, excluding network, national and regional advertising computed as a standard deduction based on the national average thereof as annually reported by the Federal Communications Commission, or in lieu thereof by itemization by the individual broadcasting station, and excluding that portion of revenue represented by the out-of-state audience computed as a ratio to the station's total audience as measured by the 100 micro-volt signal strength and delivery by wire, if any; as to such persons, the amount of tax on such business shall be equal to the gross income of the business multiplied by the rate of forty-four one hundredths of one percent (\( \text{PROV.} \)). That upon and after the effective date of the provisions of chapter 262, Laws of 1969 ex. sess., as now or hereafter amended, which impose a tax upon net income, the amount of tax on such business shall be equal to the gross income of the business multiplied by the rate of twenty-two one-hundredths of one percent).
Sec. 6. Section 26, chapter 173, Laws of 1965 as last amended by section 1, chapter 257, Laws of 1969 ex. sess. and RCW 82.04.435 are each amended to read as follows:

In computing tax under this chapter there may be credited against the amount of the tax the following items:

As to persons engaging in activities defined in RCW 82.04.120 (the definition of the term "to manufacture"), an amount not to exceed the tax actually paid under chapter 82.08 RCW (Retail Sales Tax) or chapter 82.12 RCW (Use Tax) by such persons or their lessors or their contract vendors, on materials, labor and services in the construction of new buildings or the enlarging of existing buildings directly used in such activities. Where a building is used partly for manufacturing and partly for other purposes the applicable tax credit shall be determined by apportionment of the costs of construction under such rules as the department of revenue shall provide. For purposes of this section the term "buildings" shall mean and include only those structures used to house or shelter manufacturing activities, including the usual lighting, heating, ventilating and sanitary plumbing facilities. The term shall include plant offices and warehouses or other storage facilities for the storage of raw materials or finished goods when such facilities are essential to and an integral part of a factory, mill or manufacturing plant, but shall not include manufacturing or industrial fixtures or equipment such as tanks, conveyor systems, cranes, industrial machinery and related facilities irrespective of whether or not such fixtures or equipment are affixed to the realty. Notwithstanding the foregoing, the term "buildings" shall also include potlines and furnaces used directly in the manufacturing of metals. The phrase "construction of buildings" refers only to new or enlarged buildings and not to the repair or renovation of existing buildings.

This credit shall be allowable only against tax payable by the manufacturer and measured by the value of products or gross proceeds of sales of articles, substances or commodities manufactured in this state, and shall be allowable only against any tax payable which is attributable to manufacturing occurring in the particular factory, mill or manufacturing plant in which such buildings are located.

No tax credit claimed shall be deducted on any return until such claim has been approved by the department of revenue or until ninety days after such claim has been submitted to the department of revenue for approval. This credit shall not be allowable for tax paid on purchases of material, labor or services on which the supplier thereof became entitled to compensation prior to July 1, 1964 or subsequent to January 1, 1971: PROVIDED, That the credit shall be allowable for the tax paid on such purchases pursuant to any contract entered into prior to January 1, 1971 if such tax is paid on
such contract purchases prior to July 1, 1972; AND PROVIDED FURTHER, That with respect only to the construction of buildings used directly in the manufacturing of metals, this credit shall be allowable for tax paid on all purchases pursuant to construction which was in progress on January 1, 1971, and was completed after that date.

Any credits granted prior to July 1, 1969 pursuant to this section shall not be affected by this 1969 amendatory act.

Sec. 7. Section 82.08.050, chapter 15, Laws of 1961, as amended by section 15, chapter 173, Laws of 1965 ex. sess., and RCW 82.08.050 are each amended to read as follows:

The tax hereby imposed shall be paid by the buyer to the seller, and each seller shall collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the (tax commission) department pursuant to the provisions of RCW 82.08.060. The tax required by this chapter, to be collected by the seller, shall be deemed to be held in trust by the seller until paid to the (commission) department, and any seller who appropriates or converts the tax collected to his own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter shall be guilty of a gross misdemeanor.

In case any seller fails to collect the tax herein imposed or having collected the tax, fails to pay it to the (commission) department in the manner prescribed by this chapter, whether such failure is the result of his own acts or the result of acts or conditions beyond his control, he shall, nevertheless, be personally liable to the state for the amount of the tax.

The amount of tax, until paid by the buyer to the seller or to the (commission) department, shall constitute a debt from the buyer to the seller and any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due under this chapter shall be guilty of a misdemeanor. The tax required by this chapter to be collected by the seller shall be stated separately from the selling price and for purposes of determining the tax due from the buyer to the seller and from the seller to the (commission) department, it shall be conclusively presumed that the selling price quoted in any price list, sales document, contract or other agreement between the parties does not include the tax imposed by this chapter.

Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax to the (commission) department, the (commission) department may, in its discretion, proceed directly against the buyer for collection of
the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the buyer to pay the same to the seller, regardless of when the tax may be collected by the department; and all of the provisions of chapter 82.32, including those relative to interest and penalties, shall apply in addition; and, for the sole purpose of applying the various provisions of chapter 82.32, the fifteenth day of the month following the tax period in which the purchase was made shall be considered as the due date of the tax.

Sec. 8. Section 82.08.070, chapter 15, Laws of 1961, as amended by section 8, chapter 293, Laws of 1961, and RCW 82.08.070 are each amended to read as follows:

Each seller, on or before the fifteenth day of the month succeeding the end of each monthly period, shall make out a return for the preceding monthly period, upon forms to be provided by the department, setting forth the amount of all sales, nontaxable sales, taxable sales, the amount of tax thereon, and such other information as the department may require, sign, and transmit the same to the department: PROVIDED, That any such taxpayer may elect to remit each month on such forms as the department shall in its discretion prescribe, an estimate of the tax to be due for each month on or before the fifteenth day of the month next succeeding the end of the monthly period in which the tax accrued, and a quarterly return to the department on or before the fifteenth day of the month next succeeding the end of each quarter of every year and shall remit therewith the balance of the actual tax due for the period of the report: PROVIDED FURTHER, That every person who shall elect to remit a monthly "estimate of the tax to be due" as hereinabove described shall remit each month at least one-third of the tax paid during the previous quarter or, at least ninety percent of the tax actually collected or owing during the month.

The department may also relieve any taxpayer or class of taxpayers from the obligation of filing monthly returns and may require the return to cover other reporting periods, but in no event shall returns be filed for a period greater than one year.

The department may also, by general rule or regulation, establish conditions for submission of annual or semiannual reconciling returns by such taxpayers or class of taxpayers in lieu of quarterly returns.

The department may also require verified annual returns from any taxpayer, setting forth such additional information as it may deem necessary to correctly determine tax liability.
The (commission) department shall, by rule or regulation, establish procedures and forms for reporting consonant with efficient tax administration and accounting procedure to carry into effect the provisions of this chapter.

The (commission) department may also require annual returns from any taxpayer, setting forth such additional information as it may deem necessary to correctly determine tax liability. The tax accrued under the provisions of this chapter, whether or not collected from the buyer shall be paid by the seller to the (commission) department in installments at the time of transmitting the return above provided for.

Every person who maintains in this state a place of business or a stock of goods shall obtain from the tax commission a certificate of registration, and shall, at the time of making sales, or making transfers of either possession or title or both, of tangible personal property for use in this state, collect from the purchasers or transferees the tax imposed under this chapter. For the purposes of this chapter, the phrase "maintains in this state a place of business" shall include the solicitation of sales and/or taking of orders by sales agents or traveling representatives.

Every person who engages in this state in the business of acting as an independent selling agent for persons who do not hold a valid certificate of registration, and who receives compensation by reason of sales of tangible personal property of his principals made for use in this state, shall, at the time such sales are made, collect from the purchasers the tax imposed under this chapter, and for that purpose shall be deemed a retailer as defined in this chapter.
The tax required to be collected by this chapter shall be deemed to be held in trust by the retailer until paid to the (
\text{(tax commission)}) department and any retailer who appropriates or converts the tax collected to his own use or to any use other than the payment of the tax provided herein to the extent that the money required to be collected is not available for payment on the due date as prescribed shall be guilty of a misdemeanor. In case any seller fails to collect the tax herein imposed or having collected the tax, fails to pay the same to the ((tax commission)) department in the manner prescribed, whether such failure is the result of his own acts or the result of acts or conditions beyond his control, he shall nevertheless, be personally liable to the state for the amount of such tax.

Any retailer who refunds, remits, or rebates to a purchaser, or transferee, either directly or indirectly, and by whatever means, all or any part of the tax levied by this chapter, or makes in any form of advertising, verbal or otherwise, any statements which might infer that he is absorbing the tax or paying the tax for the purchaser or transferee by an adjustment of prices, or at a price including the tax, or in any other manner whatsoever shall be guilty of a misdemeanor.

Sec. 12. Section 82.16.020, chapter 15, Laws of 1961 as last amended by section 24, chapter 149, Laws of 1967 ex. sess. and RCW 82.16.020 are each amended to read as follows:

There is levied and there shall be collected from every person a tax for the act or privilege of engaging within this state in any one or more of the businesses herein mentioned. The tax shall be equal to the gross income of the business, multiplied by the rate set out after the business, as follows:

(1) Railroad, express, railroad car, water distribution, light and power, telephone and telegraph businesses: Three and six-tenths percent;

(2) Gas distribution business: ((Two and four-tenths)) \text{Three percent};

(3) Urban transportation business: Six-tenths of one percent;

(4) Vessels under sixty-five feet in length, except tugboats, operating upon the waters within the state: Six-tenths of one percent;

(5) Motor transportation and tugboat businesses, and all public service businesses other than ones mentioned above: One and eight-tenths of one percent.

Sec. 13. Section 82.24.020, chapter 15, Laws of 1961 as last amended by section 23, chapter 173, Laws of 1965 ex. sess. and RCW 82.24.020 are each amended to read as follows:

There is levied and there shall be collected as hereinafter
provided, a tax upon the sale, use, consumption, handling or
distribution of all cigarettes, in an amount equal to the rate of
(six and one-half mills per cigarette).

Sec. 14. Section 82.24.070, chapter 15, Laws of 1961, as last
amended by section 24, chapter 173, Laws of 1965 ex. sess. and RCW
82.24.070 are each amended to read as follows:

Wholesalers and retailers subject to the provisions of this
chapter shall be allowed compensation for their services in affixing
the stamps herein required a sum equal to two percent of the first
four mills of the value of the stamps purchased or affixed by them.

Sec. 15. Section 82.32.040, chapter 15, Laws of 1961 and RCW
82.32.040 are each amended to read as follows:

Each vending machine and each coin operated machine, except
where used in conducting a public utility business, and each
mechanical device, the operator of which is taxable under chapter
82.28, shall be considered a separate place of business and a
separate registration certificate shall be obtained for each such
mechanical device. The issuance of any certificate for such
mechanical device to any applicant therefor may be denied by
the department, if the department, after hearing, finds that the conditions of the applicant's business
or prior record as a taxpayer place in jeopardy the collection of the
tax. The department may require that any applicant
for a certificate of registration for any such mechanical device
furnish a proper surety bond sufficient to secure the payment of any
tax imposed. It shall be unlawful for any person to operate such
mechanical device or permit it to be operated on his premises
unless a certificate of registration has been obtained and is
conspicuously displayed upon such mechanical device, or for any
person to operate any such mechanical device under a forged
certificate of registration or under a certificate of registration
not issued for such mechanical device or to the operator thereof
or under a certificate of registration which has been revoked, or for
any person upon making application for a certificate of registration
to fail or refuse to give any information requested by the
department or to give false information with intent to
conceal the true name or address of the owner or operator of such
mechanical device.

Any person violating the provisions of this section shall be
guilty of a misdemeanor.

Any mechanical device described herein which does not
display a certificate of registration, or any mechanical device
which displays a forged certificate of registration or a certificate
of registration not issued for such mechanical device or to the
operator thereof or revoked certificate of registration, is hereby
declared to be contraband and may be seized by the ((tax commission)) department, or by any peace officer of the state, when directed by the ((commission)) department so to do, without warrant, and shall be offered for sale by the ((commission)) department in the same manner as property distrained under warrant for the satisfaction of delinquent taxes. The proceeds of sale shall be paid to the ((commission)) department and credited to the account of miscellaneous revenue: PROVIDED, That the costs of the seizure and sale shall be paid out of the proceeds before making remittance.

Any money contained in such ((machines or)) devices may be removed before the ((machine or)) device is offered for sale and the amount thereof shall be considered as part of the proceeds of the sale.

Sec. 16. Section 82.32.050, chapter 15, Laws of 1961, as amended by section 1, chapter 141, Laws of 1965 ex. sess., and RCW 82.32.050 are each amended to read as follows:

If upon examination of any returns or from other information obtained by the ((tax commission)) department it appears that a tax or penalty has been paid less than that properly due, the ((commission)) department shall assess against the taxpayer such additional amount found to be due and as to assessments made on and after May 1, 1965, including assessments for additional tax or penalties due prior to that date shall add thereto interest at the rate of ((six)) nine percent per annum from the last day of the year in which the deficiency is incurred until date of payment. The ((commission)) department shall notify the taxpayer by mail of the additional amount and the same shall become due and shall be paid within ten days from the date of the notice, or within such further time as the ((commission)) department may provide. If payment is not received by the ((commission)) department by the due date specified in the notice, or any extension thereof, the ((commission)) department shall add a penalty of ten percent of the amount of the additional tax found due. If the ((commission)) department finds that all or any part of the deficiency resulted from an intent to evade the tax payable hereunder, a further penalty of fifty percent of the additional tax found to be due shall be added.

No assessment or correction of an assessment for additional taxes due may be made by the ((commission)) department more than four years after the close of the tax year, except (1) against a taxpayer who has not registered as required by this chapter, (2) upon a showing of fraud or of misrepresentation of a material fact by the taxpayer, or (3) where a taxpayer has executed a written waiver of such limitation.

Sec. 17. Section 82.32.060, chapter 15, Laws of 1961, as last amended by section 27, chapter 173, Laws of 1965 ex. sess., and RCW
82.32.060 are each amended to read as follows:

If, upon application by a taxpayer for a refund or for an audit of his records, or upon an examination of the returns or records of any taxpayer, it is determined by the ((tax commission)) department that within the two years immediately preceding the receipt ((ef)) by the ((commission)) department of the application by the taxpayer for a refund or for an audit, or, in the absence of such an application, within the two years immediately preceding the commencement by the ((commission)) department of such examination, a tax has been paid in excess of that properly due, the excess amount paid within such period of two years shall be credited to the taxpayer's account or shall be refunded to the taxpayer, at his option. Except as to the utilization by the taxpayer of the credits in computing tax authorized by RCW 82.04.435, application for which credits must be made within two years of payment of the taxes giving rise to such credits, no refund or credit shall be allowed with respect to any payments made to the ((commission)) department more than two years before the date of such application or examination. Where a refund or credit may not be made because of the lapse of said two year period, the amount of the refund or credit which would otherwise be allowable for the portion of the statutory assessment period preceding the two year period may be offset against the amount of any tax deficiency which may be determined by the ((commission)) department for such statutory assessment period. ((Notwithstanding the foregoing, no refund or credit shall be granted with respect to taxes paid prior to May 1, 1957, but where a refund or credit may not be made because the tax was paid prior to May 1, 1957, the amount of the refund or credit which would otherwise be allowable for the portion of the statutory assessment period preceding May 1, 1957, may be offset against the amount of any tax deficiency which may be determined by the commission for such preceding period.))

Notwithstanding the foregoing limitations there shall be refunded or credited to taxpayers engaged in the performance of United States government contracts or subcontracts the amount of any tax paid, measured by that portion of the amounts received from the United States, which taxpayer is required by contract or applicable federal statute to refund or credit to the United States, if claim for such refund is filed by the taxpayer with the ((tax commission)) department within one year of the date that the amount of the refund or credit due to the United States is finally determined and filed within four years of the date on which the tax was paid: PROVIDED, That no interest shall be allowed on such refund.

Any such refunds shall be made by means of vouchers approved by the ((tax commission)) department and by the issuance of state warrants drawn upon and payable from such funds as the legislature
may provide.

Any judgment for which a recovery is granted by any court of competent jurisdiction, not appealed from, for tax, penalties, and interest which were paid by the taxpayer, and costs, in a suit by any taxpayer shall be paid in like manner, upon the filing with the ((tax commission)) department of a certified copy of the order or judgment of the court. Except as to the credits in computing tax authorized by RCW 82.04.435, interest at the rate of three percent per annum shall be allowed by the ((tax commission)) department and by any court on the amount of any refund or recovery allowed to a taxpayer for taxes, penalties, or interest paid by him after May 1, 1949, and interest at the same rate shall be allowed on any judgment recovered by a taxpayer for taxes, penalties, or interest paid after such date.

Sec. 18. Section 82.32.080, chapter 15, Laws of 1961, as last amended by section 2, chapter 141, Laws of 1965 ex. sess., and RCW 82.32.080 are each amended to read as follows:

Payment of the tax may be made by uncertified check under such regulations as the ((tax commission)) department shall prescribe, but, if a check so received is not paid by the bank on which it is drawn, the taxpayer, by whom such check is tendered, shall remain liable for payment of the tax and for all legal penalties, the same as if such check had not been tendered.

A return or remittance which is transmitted to the ((tax commission)) department by United States mail shall be deemed filed or received on the date shown by the post office cancellation mark stamped upon the envelope containing it.

The ((tax commission)) department, for good cause shown, may extend the time for making and filing any return, and may grant such reasonable additional time within which to make and file returns as it may deem proper, but any permanent extension granting the taxpayer a reporting date without penalty more than ten days beyond the due date, and any extension in excess of thirty days shall be conditional on deposit with the ((tax commission)) department of an amount to be determined by the ((tax commission)) department which shall be approximately equal to the estimated tax liability for the reporting period or periods for which the extension is granted. In the case of a permanent extension or a temporary extension of more than thirty days the deposit shall be deposited within the state treasury with other tax funds and a credit recorded to the taxpayer's account which may be applied to taxpayer's liability upon cancellation of the permanent extension or upon reporting of the tax liability where an extension of more than thirty days has been granted.

The ((tax commission)) department shall review the requirement for deposit at least annually and may require a change in the amount of the deposit required when it believes that such amount does not
approximate the tax liability for the reporting period or periods for which the extension is granted.

The department shall keep full and accurate records of all funds received and disbursed by it. Subject to the provisions of RCW 82.32.105 and 82.32.350, the department shall apply the payment of the taxpayer first against penalties and interest, and then upon the tax, without regard to any direction of the taxpayer.

The department may refuse to accept any return which is not accompanied by a remittance of the tax shown to be due thereon. When such return is not accepted, the taxpayer shall be deemed to have failed or refused to file a return and shall be subject to the procedures provided in RCW 82.32.100 and to the penalties provided in RCW 82.32.090.

Sec. 19. Section 82.32.050, chapter 15, Laws of 1961, as last amended by section 26, chapter 149, Laws of 1967 ex. sess. and RCW 82.32.090 are each amended to read as follows:

If payment of any tax due is not received by the department of revenue by the last day of the month in which the tax becomes due, there shall be assessed a penalty of (two) five percent of the amount of the tax; and if the tax is not received by the last day of the month next succeeding the month in which the due date falls, there shall be assessed a total penalty of ten percent of the amount of the tax; and if the tax is not received by the last day of the second month next succeeding the month in which the due date falls, there shall be assessed a total penalty of twenty percent of the amount of the tax. No penalty so added shall be less than two dollars.

If payment of any tax is received within the first ten days of the month next succeeding the month in which the due date falls, the amount of such payment shall be credited to, and shall be treated for all purposes as having been collected during, the fiscal year in which such due date falls.

If a warrant be issued by the department of revenue for the collection of taxes, increases, and penalties, there shall be added thereto a penalty of five percent of the amount of the tax, but not less than five dollars.

Notwithstanding the foregoing, the aggregate of penalties imposed under this chapter for failure to file a return, late payment of any tax, increase, or penalty, or issuance of a warrant shall not exceed twenty-five percent of the tax due, or seven dollars, whichever is greater.

Sec. 20. Section 82.32.100, chapter 15, Laws of 1961, as amended by section 4, chapter 141, Laws of 1965 ex. sess. and RCW 82.32.100 are each amended to read as follows:

If any person fails or refuses to make any return or to make...
available for examination the records required by this chapter, the
((tax commission)) department shall proceed, in such manner as it may
decide best, to obtain facts and information on which to base its
estimate of the tax; and to this end the ((commission)) department
may examine the books, records, and papers of any such person and may
take evidence, on oath, of any person, relating to the subject of
inquiry.

As soon as the ((commission)) department procures such facts
and information as it is able to obtain upon which to base the
assessment of any tax payable by any person who has failed or refused
to make a return, it shall proceed to determine and assess against
such person the tax and penalties due, but such action shall not
deprive such person from appealing to the superior court as
hereinafter provided. To the assessment the ((commission)) department
shall add, the penalties provided in RCW 82.32.090. The
((commission)) department shall notify the taxpayer by mail of the
total amount of such tax, penalties, and interest, and the total
amount shall become due and shall be paid within ten days from the
date of such notice.

No assessment or correction of an assessment may be made
by the ((commission)) department more than four years after the close of
the tax year, except (1) against a taxpayer who has not registered as
required by this chapter, (2) upon a showing of fraud or of
misrepresentation of a material fact by the taxpayer, or (3) where a
taxpayer has executed a written waiver of such limitation.

Sec. 21. Section 82.32.190, chapter 15, Laws of 1961, as
amended by section 6, chapter 141, Laws of 1965 ex. sess., and RCW
82.32.190 are each amended to read as follows:

The ((tax commission)) department, by its order, may hold in
abeyance the collection of tax from any taxpayer or any group of
taxpayers when a question bearing on their liability for tax
hereunder is pending before the courts: PROVIDED, That the
((commission)) department may impose such conditions as may be deemed
just and equitable and shall require the payment of interest at the
rate of ((one-half)) three-quarters of one percent of the amount of
the tax for each thirty days or portion thereof from the date upon
which such tax became due.

Sec. 22. Section 11, chapter 28, Laws of 1963 ex. sess. and
RCW 82.32.235 are each amended to read as follows:

After deducting the costs and fees, he shall pay to the county auditor the amount to pay the taxes, the penalty and accrued interest to the date of sale, if there is sufficient to do so, and, if there is any overplus of money arising from the sale, he shall pay such overplus to the owner of the travel trailer or camper so sold or to his legal representative, who shall be deemed to be the county treasurer in the event the owner or other legal representative cannot be determined or found.

Passed the Senate May 10, 1971.
Passed the House May 10, 1971.
Approved by the Governor May 21, 1971 with the exception of
certain sections which are vetoed. Filed in Office of Secretary of State May 21, 1971.

Note: Governor's explanation of partial veto is as follows:

"...Section 19 of this bill is an amendment to RCW 82.32.090, and provides for an increase in the penalty for delinquent state excise taxes from 2% to 5%. The effective date of this section is, in accordance with section 79 of the bill, July 1, 1971.

RCW 82.32.090 was also amended by section 1 of Substitute House Bill No. 461 which I have already signed. Section 1 of Substitute House Bill No. 461 not only increases the penalty from 2% to 5%, but also provides that taxes accrued, though not collected, in the last month of the fiscal year shall be credited to that fiscal year rather than the succeeding fiscal year. Further, the effective date of these provisions is June 1, 1971.

In order to avoid any inconsistency between section 19 of Engrossed Substitute Senate Bill No. 897 and section 1 of Substitute House Bill 461 as to effective dates, I have vetoed section 19.

I have also vetoed sections 26 through 31, which establish a 3.6% compensating excise tax upon the use of electrical energy sold at retail by the Bonneville Power Administration to its industrial customers. The purpose of these provisions is an excellent one, in that they compensate for the fact that these sales of electrical energy cannot be made subject to the 3.6% public utility tax imposed upon retail sales of electrical energy by other sellers, such as private power companies, public utility districts, and municipal utility systems.

However, special circumstances require a veto of these provisions at this time. For these industrial customers of the Bonneville Power Administration will be making contributions in the amount of approximately three million dollars annually as part of the additional costs of keeping in operation the "N" Reactor at Hanford. This will allow continuous operation of the Hanford No. 1 steam generating plant of Washington Public Power Supply System, which is essential for the economic welfare of the state.
In view of this unexpected and heavy burden upon these
industrial customers, I feel the additional burden of the
proposed compensating tax is unwarranted at this time.
However, consideration must certainly be given to imposing
this tax at the expiration of the agreements providing for
the contributions from these industrial customers,
approximately three years hence.

I have also vetoed section 32 and 34, which raise the
yield tax applicable to timber on classified reforestation
lands under chapter 84.28 RCW from twelve and one-half to
twenty-five percent of the timber value. Pursuant to
Substitute Senate Bill No. 849, which I have signed today, a
study is to be made of the problem of integrating taxation of
land and timber now classified under chapter 84.28 RCW into
the provisions of Substitute Senate Bill No. 849. I believe
that any legislative action with respect to changing the
rates of the yield tax under chapter 84.28 RCW should await
the results of this study.

With the exception of sections 19, 26 through 32, and
34, the remainder of the bill is approved.

CHAPTER 300
[Senate Bill No. 884]
HOUSING AUTHORITIES--
SUPPLEMENTAL PROJECTS

AN ACT Relating to housing authorities; amending section 35.82.030,
chapter 7, Laws of 1965 and RCW 35.82.030; and adding a new
section to chapter 35.82 RCW.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 35.82.030, chapter 7, Laws of 1965 and RCW
35.82.030 are each amended to read as follows:

In each city (as herein defined) and in each county of the
state there is hereby created a public body corporate and politic to
be known as the "Housing Authority" of the city or county: PROVIDED,
HOWEVER, That such authority shall not transact any business or
exercise its powers hereunder until or unless the governing body of
the city or the county, as the case may be, by proper resolution
shall declare at any time hereafter that there is need for an
authority to function in such city or county. The determination as
to whether or not there is such need for an authority to function (1)
may be made by the governing body on its own motion or (2) shall be made by the governing body upon the filing of a petition signed by twenty-five residents of the city or county, as the case may be, asserting that there is need for an authority to function in such city or county and requesting that the governing body so declare.

Provided. That the governing body of any class A county east of the Cascade Mountains and of any city within such county shall only make such determination after referendum thereon to the people of such city or county, as the case may be.

The governing body shall adopt a resolution declaring that there is need for a housing authority in the city or county, as the case may be, if it shall find (1) that unsanitary or unsafe inhabited dwelling accommodations exist in such city or county or (2) that there is a shortage of safe or sanitary dwelling accommodations in such city or county available to persons of low income at rentals they can afford. In determining whether dwelling accommodations are unsafe or insanitary said governing body may take into consideration the degree of overcrowding, the percentage of land coverage, the light, air, space and access available to the inhabitants of such dwelling accommodations, the size and arrangement of the rooms, the sanitary facilities, and the extent to which conditions exist in such buildings which endanger life or property by fire or other causes.

In any suit, action or proceeding involving the validity or enforcement of or relating to any contract of the authority, the authority shall be conclusively deemed to have become established and authorized to transact business and exercise its powers hereunder upon proof of the adoption of a resolution by the governing body declaring the need for the authority. Such resolution or resolutions shall be deemed sufficient if it declares that there is such need for an authority and finds in substantially the foregoing terms (no further detail being necessary) that either or both of the above enumerated conditions exist in the city or county, as the case may be. A copy of such resolution duly certified by the clerk shall be admissible in evidence in any suit, action or proceeding.

**NEW SECTION.** Sec. 2. There is added to chapter 35.82 RCW a new section to read as follows:

Except as limited by this section, an authority shall have the same powers with respect to supplemental projects as hereinafter in this section defined as are now or hereafter granted to it under this chapter with respect to housing projects.

No funds shall be expended by an authority for a supplemental project except by resolution adopted on notice at a public hearing as provided by chapter 42.32 RCW, supported by formal findings of fact incorporated therein, establishing that:

(1) Low-income housing needs within the area of operation of
the authority are being or will be adequately met by existing
programs; and
(2) A surplus of funds will exist after meeting such
low-income housing needs.
Expenditures for supplemental projects shall be limited to
those funds determined to be surplus.
"Supplemental project" for the purposes of this chapter shall
mean any work or undertaking to provide buildings, land, equipment,
facilities, and other real or personal property for recreational,
group home, halfway house or other community purposes which by
resolution of the housing authority is determined to be necessary for
the welfare of the community within its area of operation and to
fully accomplish the purposes of this chapter. Such project need not
be in conjunction with the clearing of a slum area under subsection
(9)(a) of RCW 35.82.020 or with the providing of low-income housing
under subsection (9)(b) of RCW 35.82.020.

Passed the Senate May 9, 1971.
Passed the House May 6, 1971.
Approved by the Governor May 21, 1971 with the exception of
section 1 which is vetoed.
Filed in Office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:
"...The proviso in SB 884, "That the governing body of
any class A county east of the Cascade mountains and of any
city within such county shall only make such determination
after referendum thereon to the people of such city or
county, as the case may be." is narrowly drawn to apply to
only one county in the state. Such a limitation to the
general requirements of existing statutes relative to housing
authorities is inappropriate and contrary to sound public
policy. I have therefore vetoed this proviso and approved
the remainder of the bill."

Passed the Senate May 10, 1971.
Passed the House May 10, 1971.
Approved by the Governor May 21, 1971 with the exception of certain items which are vetoed.
Filed in office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:

"...The specific items I have vetoed are as follows:

1. Department of Social and Health Services

On page 8, beginning on line 27, I have vetoed the following language: For the Division of Health: PROVIDED, that this appropriation, or so much as will be necessary, will be utilized for the operation of Firland Sanatorium from January 1, 1972 for the remainder of the biennium.

This appropriation is necessary to provide interim financing until the revenue provided for in the passage of HB 313 becomes available to operate the Sanatorium. The effect of removing this language is to enable the Department to
utilize a portion of these funds for interim financing of Firland and to fund other mandatory legislation for which an appropriation was not provided in the rush of passing a supplemental budget in the last moments of the session. Any remaining balance will be placed in unallotted status and reverted at the end of the biennium.

2. State Treasurer - State Revenue for Distribution

On page 9, beginning on line 14, I have vetoed the following language: not to exceed 15% of revenues. This language is inconsistent with SB 156 which requires the Treasurer to distribute 25% of the snowmobile registration fees to county treasurers. I believe the intent of the substantive legislation should be followed, rather than the erroneous provision in a hastily considered supplemental appropriations bill.

3. Interim Committee on Water Resources.

On page 10, on lines 32 and 33, I have vetoed the appropriation to the Interim Committee on Water Resources. I have been advised by the Speaker of the House and other legislators that such an interim committee was not appointed.

With the exception of the items described above, the remainder of the bill is approved."

Fingerprints and photographs taken pursuant to this section shall be kept in a separate "Juvenile Confidential" file maintained by the arresting law enforcement agency for such purpose and shall not be a public record unless the juvenile court so orders. The "Juvenile Confidential" file shall be separate from all adult files and access to such files shall be limited to authorized personnel only. Fingerprints and photographs authorized under this section shall not be taken of a boy or girl fourteen years of age or younger without the consent of, and pursuant to an order by, the juvenile court.

Fingerprints and photographs taken pursuant to this section shall be used for identification purposes only and the law enforcement agency which takes such fingerprints and photographs shall retain the originals thereof. In each instance where fingerprints and photographs are taken, the law enforcement agency shall forward a written report of the alleged offense to the juvenile court.

The sheriff or director of public safety shall keep such information in a "Juvenile Confidential" file in the same manner as the arresting law enforcement agency. Sheriffs and directors of public safety or chiefs of police in cities with a population of seventy-five thousand or more are authorized to release fingerprints and photographs taken pursuant to this section to other law enforcement agencies only on specific request and only for the purpose of identification.

Such agents shall have state-wide jurisdiction to investigate any suspected violation of the provisions of chapter 69.33 RCW and 69.40 RCW if such suspected violation is believed to have occurred in whole or in part within their local jurisdiction.

Whenever such agents travel outside their local jurisdiction to investigate a possible violation of chapters 69.33 or 69.40 RCW such agents shall register with the sheriff of the county and if operating within a town or city, with the chief of police of such town or city before such agents may engage in any enforcement.
activities therein. Any such agent shall have power to arrest in all jurisdictions in which he is registered: PROVIDED, That such arrest power shall be limited to arrests for violations of chapter 69.33 and 69.40 RCW.

For purposes of this section such agents will be considered to be acting in behalf of their local law enforcement agency, shall continue on the staff of such agency with all rights and benefits, and shall not be deemed to be officers or employees of the Washington state patrol.

NEW SECTION. Sec. 18. There is added to chapter 9.91 RCW a new section to read as follows:

(1) It shall be unlawful for any person, firm or corporation engaged in the business of buying or otherwise obtaining new, used or secondhand metals to purchase or otherwise obtain such metals unless a permanent record of the purchase of such metals is maintained: PROVIDED, That no such record need be kept of purchases made by or from a manufacturer, remanufacturer or distributor appointed by a manufacturer of such metals.

NEW SECTION. Sec. 19. The legislative hereby declares it to be the public interest, and for the protection of the health, welfare and property of the residents of the state of Washington to provide for the orderly and lawful conduct of outdoor music festivals by assuring that proper sanitary, health, fire, safety, and police measures are provided and maintained. This invocation of the police power is prompted by and based upon prior experience with outdoor music festivals where the enforcement of the existing laws and regulations on dangerous and narcotic drugs, indecent exposure,
intoxicating liquor, and sanitation has been rendered most difficult
by the flagrant violations thereof by a large number of festival
patrons.

NEW SECTION. Sec. 20. Nothing in this act shall be construed
as precluding counties, cities and other political subdivisions of
the state of Washington from enacting ordinances or regulations for
the control and regulation of outdoor music festivals nor shall this
act repeal any existing ordinances or regulations.

NEW SECTION. Sec. 21. For the purposes of this act the
following words and phrases shall have the indicated meanings:

1. "Outdoor music festival" or "music festival" or "festival"

a court order.

NEW SECTION. Sec. 22. No person or other legal entity shall
knowingly allow, conduct, hold, maintain, cause to be advertised or
permit an outdoor music festival unless a valid permit has been
obtained from the issuing authority for the operation of such music
festival as provided for by this act. One such permit shall be
required for each outdoor music festival. A permit may be granted
for a period not to exceed sixteen consecutive days and a festival may be operated during any or all of the days within such period. detail the specific grounds therefor. The applicant shall have ten
days after the receipt of such denial or such additional time as the

set forth in detail the specific grounds therefor.

After the applicant has filed corrections and the issuing
authority has thereafter again denied the permit, the applicant may
within five days after receipt of such second denial seek judicial
review of such denial by filing a petition in the superior court for
the county of the issuing authority. The review shall take
precedence over all other civil actions and shall be conducted by the
court without a jury. The court shall, upon request, hear oral
argument and receive written briefs and shall either affirm the

any other procedure to obtain judicial review of a denial.

NEW SECTION. Sec. 25. Any local agency requested by an
applicant to give written approval as required by section 23 of this
act may within fifteen days after the applicant has filed his
application apply to the issuing authority for reimbursement of
expenses reasonably incurred in reviewing such request. Upon a
finding that such expenses were reasonably incurred the issuing
authority shall reimburse the local agency therefor from the funds of
the permit fee. The issuing authority shall prior to the first
scheduled date of the festival return to the applicant that portion
of the permit fee remaining after all such reimbursements have been
made.

NEW SECTION. Sec. 26. After the application has been
approved the promoter shall deposit with the issuing authority, a
cash deposit or surety bond in the amount of one hundred fifty
thousand dollars. The bond or deposit shall be used to pay any costs
or charges incurred to regulate health or to clean up afterwards
outside the festival grounds or any extraordinary costs or charges
incurred to regulate traffic or parking. The bond or other deposit
shall be returned to the promoter when the issuing authority is
satisfied that no claims for damage or loss will be made against said
bond or deposit, or that the loss or damage claimed is less than the
amount of the deposit, in which case the uncommitted balance thereof
shall be returned: PROVIDED, That the bond or cash deposit or the
uncommitted portion thereof shall be returned not later than thirty

Any permit granted pursuant to the provisions of this act to conduct a music festival shall be summarily revoked by the issuing authority when it finds that by reason of emergency the public peace, health, safety, morals or welfare can only be preserved and protected by such revocation.

Any permit granted pursuant to the provisions of this act to conduct a music festival may otherwise be revoked for any material violation of this act or the laws of the state of Washington after a hearing held upon not less than three days notice served upon the promoter personally or by certified mail.

Every permit issued under the provisions of this act shall state that such permit is issued as a measure to protect and preserve the public peace, health, safety, morals and welfare, and that the right of the appropriate authority to revoke such permit is a consideration of its issuance.

NEW SECTION. Sec. 28. No person, persons, partnership, corporation, association, society, fraternal or social organization to whom a music festival permit has been granted shall, during the time an outdoor music festival is in operation, knowingly permit or allow any person to bring upon the premises of said music festival, any narcotic or dangerous drug as defined by chapters 69.33 or 69.40 RCW, or knowingly permit or allow narcotic or dangerous drug to be consumed on the premises, and no person shall take or carry onto said premises any narcotic or dangerous drug.

NEW SECTION. Sec. 29. No music festival shall be operated in a location which is closer than one thousand yards from any schoolhouse or church, or five hundred yards from any house, residence or other human habitation unless waived by occupants.

NEW SECTION. Sec. 30. No person under the age of sixteen years shall be admitted to any outdoor music festival without the escort of his or her parents or legal guardian and proof of age shall
be provided upon request.

NEW SECTION. Sec. 31. Any permit granted pursuant to this act shall be posted in a conspicuous place on the site of the outdoor music festival and such permit shall be not transferable or assignable without the consent of the issuing authority.

NEW SECTION. Sec. 32. Any person who shall violate any provision of this act or knowingly participate in a music festival, or who shall, having obtained a permit pursuant to this act, wilfully fail to comply with the rules, regulations and conditions set forth in this act or who shall aid or abet such a violation or failure to comply, shall be deemed guilty of a gross misdemeanor.

NEW SECTION. Sec. 33. Sections 19 through 32 of this act shall be added to Title 70 RCW.

NEW SECTION. Sec. 34. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 35. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

Passed the Senate May 9, 1971.
Passed the House May 8, 1971.
Approved by the Governor May 21, 1971 with the exception of certain items and section which are vetoed.
Filed in Office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:

"...In three separate sections, the legislature provided for mandatory minimum sentences, actions which are contrary to current trends in the criminal justice field, and which take away discretion from the judiciary, the parole board, and the administrators of our correctional programs. Further more, veto of these sections is consistent with the Legislative Council's proposed comprehensive revision of the State Criminal Code which does not contain mandatory minimum sentences, despite dealing with the most serious types of crimes.

I have vetoed Section 6 of the act which expands the crime of first degree murder to include homicides occurring during commission of, or withdrawal from, the scene of any crime involving incendiary devices or explosives. My reasons for this action arise from my well-known opposition to
expansion of applicability of the death penalty. It is
unwise automatically to attach such a sanction to acts
regardless of surrounding circumstances, particularly when
under present law, murder in the first degree encompasses any
homicide resulting from an act imminently dangerous to human
life. Also, present law, coupled with provisions in this
bill which I have approved will classify as second degree
murder, with the possibility of application of the life
sentence penalty, the acts contained in this vetoed section.

I have removed from the bill sections which provide
for up to a $5,000 reward for the apprehension, bringing back
and securing of any alleged or convicted felon. I have done
so in the belief that the specific language in these
provisions amounts to enabling legislation for bounty hunters
and vigilante action by citizens untrained in the specialized
techniques of law enforcement. This could only increase the
danger to citizens and law enforcement officials alike.

I have vetoed in its entirety the provision in the act
authorizing the police in their discretion to fingerprint and
photograph juveniles. Not only may fingerprints and
photographs be obtained under present law simply by securing
the permission of the juvenile court, but this subject is
directly covered in the nearly completed revision of the
juvenile code undertaken by a committee of broad
representation, including the judicial council, prosecuting
attorneys, juvenile court judges, juvenile probation
officers, law enforcement officials, Department of Social and
Health Services staff, the Attorney General and others. It
would be untimely to adopt this single provision when a
comprehensive treatment of juvenile court law and the law
relating to juvenile offenders will be presented to the 1972
session of the Legislature.

In hope of preserving its constitutionality, I have
vetoed portions of Section 16 dealing with demonstrations and
picketing in or near courthouses. Legislation regulating
conduct in the areas of thought or expression must stay
within the bounds of our basic constitutional framework. As
revised by veto action, the bill now punishes acts which
amount to obstruction of or interference with the judicial
process. Such conduct is not protected under the first
amendment and should not go unregulated if we are to preserve
for each citizen the orderly processes of government.

[1763]
The State Patrol and many police chiefs and sheriffs throughout the state have communicated to me their displeasure with Section 17, which grants statewide powers to local law enforcement officials for enforcement of drug laws in certain situations. This state has a strong history of combating statewide crime problems through cooperation and coordination which would be seriously weakened by this increase in power to local law enforcement without proper checks or controls when cross-jurisdictional problems occur. Rather than cooperation, this section would inevitably foster conflict among local police agencies. A further problem exists in that the investigation authority under this provision may well be repealed by the Uniform Controlled Substances Act, Second Substitute Senate Bill 146.

Included in this bill is an excellent piece of legislation providing for comprehensive regulation of outdoor music festivals which have presented the state with grave law enforcement and health problems in recent years. Inasmuch as music festivals have presented problems to local governmental units which are beyond their ability to respond, and to assure a consistent, planned, statewide approach, the state must assume a necessarily pre-emptive regulatory role. I have therefore vetoed Section 20 of this bill.

I have vetoed those portions of the bill as to outdoor music festivals which set fixed amounts for required bonds and evidence of insurance. I have taken this action to insure flexibility in the state's efforts at control. Fixed amounts may well prove too low for some poorly conceived activities, yet be far too high for relatively well-organized activities.

The veto action taken in Section 32 is technical, to correct an obvious drafting error making it an offense to participate in a music festival regardless of its legality. The section as vetoed now makes it a crime, as I am sure was the legislative intent, to fail to comply with the rules and conditions of the act."

Sec. 9. Section 1, chapter 11, Laws of 1970 ex. sess. as amended by section 13, chapter 42, Laws of 1970 ex. sess. and by section 38, chapter 56, Laws of 1970 ex. sess. and RCW 35.50.450 are each amended and reenacted to read as follows:

Sec. 10. Section 16, chapter 105, Laws of 1967 and RCW 35.58.560 are each amended to read as follows:

No county or city shall have the right to impose a tax upon the gross revenues derived by a metropolitan municipal corporation from the operation of a metropolitan sewage disposal, water supply, garbage disposal or public transportation system.
A metropolitan municipal corporation may credit or offset against the amount of any tax which is levied by the state during any calendar year upon the gross revenues derived by such metropolitan municipal corporation from the performance of any authorized function, the amount of any expenditures made from such gross revenues by such metropolitan municipal corporation during the same calendar year or any year prior to the effective date of this act in planning for or performing the function of metropolitan public transportation and including interest on any moneys advanced for such purpose from other funds and to the extent of such credit a metropolitan municipal corporation may expend such revenues for such purposes.

A metropolitan municipal corporation authorized to perform the function of metropolitan public transportation and engaged in the operation of an urban passenger transportation system shall receive a refund of the amount of the motor vehicle fuel tax levied by the state and paid on each gallon of motor vehicle fuel used, whether such vehicle fuel tax has been paid either directly to the vendor from whom the motor vehicle fuel was purchased or indirectly by adding the amount of such tax to the price of such fuel: PROVIDED, That no refunds authorized by this section shall be granted on fuel used by any urban transportation vehicle on any trip where any portion of said trip is more than six (6) road miles beyond the corporate limits of the metropolitan municipal corporation in which said trip originated.

NEW SECTION. Sec. 11. If any provision of this 1971 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. This 1971 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate May 9, 1971.
Passed the House May 7, 1971.
Approved by the Governor May 21, 1971 with the exception of certain items in section 2 which are vetoed.
Filed in Office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:

"...Senate Bill 690 amends the Metropolitan Municipal Corporations Act to establish county-wide metro boundaries, enlarge the metropolitan council and strengthen its capacity to operate an area-wide transportation system."
Section 2 (14) defines "metropolitan public transportation" to exclude the operation of "chartered bus", "sight seeing bus", or any other "motor vehicle" not operating on an individual fare-paying basis. This subsection is intended to protect the position of the private charter carriers. However, the subsection appears to go further than was intended since it may have the inadvertent effect, by the terms of the final proviso, of preventing the use of people-moving systems other than those using "motor vehicles".

In addition, this subsection limits the municipality to providing school bus service for the transportation of the pupils between their homes and schools. Because public education involves the transportation of students in an educational context on a broader basis than merely between homes and school this limitation upon the municipality is not appropriate.

I have accordingly item vetoed these limitations from subsection 14 of section 2.

The remainder of the bill is approved."

Such approval shall be effective for one calendar year from the date of such approval. Renewal of approval shall be made in accordance with the provisions of this section for initial approval and in accordance with the standards set forth in rules and regulations promulgated by the secretary.

NEW SECTION. Sec. 4. The secretary shall establish within the department a program designed to aid and rehabilitate persons suffering from problems relating to narcotic drugs, dangerous drugs, and alcohol. Without duplicating, and in coordination with the programs established by the state superintendent of public instruction, the secretary shall establish community educational programs outside of the kindergarten through twelve programs in the schools relating to alcohol and drug use and abuse. The secretary is authorized to promulgate rules and regulations pursuant to chapter 34.04 RCW to carry out the provisions and purposes of this 1971 amendatory act and is authorized to contract, cooperate and coordinate with other public or private agencies or individuals for such purposes.

2. Inpatient psychiatric services.
3. Rehabilitation services for patients with psychiatric illnesses.
4. Informational services to the general public and educational services furnished by qualified mental health personnel to schools, courts, health agencies, welfare agencies, probation departments and other appropriate public or private agencies or groups.
5. Consultant services to public or private agencies for the promotion and coordination of services that preserve mental health and for the early recognition and management of conditions that might develop into psychiatric illnesses.
6. Inpatient or outpatient care, treatment or rehabilitation services of persons using narcotic drugs as defined in chapter 69.33 RCW or dangerous drugs as defined in chapter 69.40 RCW.
7. Such services as are set forth in subsection (4) which pertain to the education and information about and prevention of problems of drug and alcohol abuse.

Such inservice training as may be necessary in providing any of the foregoing services shall be proper items of expenditure in connection therewith.

NEW SECTION. Sec. 8. Any person fourteen years of age or older may give consent for himself to the furnishing of counseling, care, treatment or rehabilitation by an approved drug treatment center or person licensed or certified by the state related to conditions and problems caused by drug or alcohol abuse. Consent of the parent, parents, or legal guardian of a person less than eighteen years of age shall not be necessary to authorize such care, except that such person shall not become a resident of such treatment center without parental permission. No such person, organization, institution or corporation or their agents acting in the scope and course of their duties, providing such care, treatment, counseling or rehabilitation shall divulge nor shall they be required to provide any specific information concerning individuals being cared for, treated, counseled or rehabilitated, nor shall pharmacists or their agents provide such information when or if they become aware of or receive such information when requested to or for the purpose of providing products or performing services relevant to said care, treatment, counseling or rehabilitation. Should any person, organization, institution or corporation, or their agents, breach confidentiality as provided for in this section, such information and any product thereof shall not be admissible as evidence or be considered in any criminal proceeding. The fact of an individual of authorized age being cared for, treated, counseled or rehabilitated pursuant to this 1971 amendatory act shall likewise be held confidential and shall not be admissible as evidence or be considered in any criminal proceeding.

Any confidentiality provided for by this section may be waived by the individual, provided such waiver is freely and voluntarily made, and with full prior information as to the consequences thereof.

NEW SECTION. Sec. 10. Nothing contained in this 1971 amendatory act shall prohibit or be construed to prohibit the divulging or providing of statistical or other substantive information pertaining to care, treatment, counseling or rehabilitation, pursuant to this 1971 amendatory act, so long as no individual is identified or reasonably identifiable, and individual privacy and confidentiality is retained.

NEW SECTION. Sec. 11. Such records, insofar as they contain
confidential information under this 1971 amendatory act, shall only be available to state and federal drug inspectors who shall not divulge such information as is contained in these records, including the identification of individuals, except (1) upon subpoena in a court or administrative proceeding to which the person to whom such prescription, orders or other records relate is a party, or (2) when the information reasonably leads to the conclusion that there has been a violation of RCW 69.33.380 or 69.40.090, then the information may be referred to other law enforcement officers.

NEW SECTION. Sec. 12. There shall be paid to each county on account of expenditures made for community mental health programs defined in section 7 of this 1971 amendatory act not more than fifty percent of the amount expended for such programs, exclusive of the expenditure of funds secured by a community mental health program from federal sources. Where it is determined by the secretary to be necessary for the expansion of existing mental health services or for the development of new mental health services, as described in section 7 of this 1971 amendatory act, and after consultation with the department of revenue regarding the extent to which local funds for the support of mental health services have been exhausted, the state share in any community mental health program may exceed fifty percent of the total expenditures: PROVIDED, That the state share shall be reduced to not more than fifty percent of the total expenditures within two years from the starting date of such new services. Reimbursement shall be made on a monthly basis, upon submission to the secretary of such information as he may require: PROVIDED, FURTHER, That when deemed necessary to maintain proper standards of care in the program, within the discretion of the secretary, the counties shall be required to provide up to fifty percent of the total expended for such program through fees, gifts, contributions, and volunteer services.

Passed the Senate May 10, 1971.
Passed the House May 10, 1971.
Approved by the Governor May 20, 1971 with the exception of certain items in sections 2 and 7 and all of section 12 which are vetoed.
Filed in Office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:

"...This bill enacts a comprehensive approach to drug and alcohol education and rehabilitation.

There are certain inconsistencies between the present act and two other acts which passed this legislature: House
Bill No. 277 relating to Community Mental Health programs and Second Substitute Senate Bill No. 146, the Uniform Controlled Substances Act relating to dangerous and narcotic drugs. I have therefore exercised certain vetoes in this act to alleviate any problems of inconsistency.

Second Substitute Senate Bill No. 146, the Uniform Controlled Substances Act repeals chapters 69.33 and 69.40 RCW. Section 2, page 2, lines 12, 13 and 14 of Senate Bill No. 273 has reference to those chapters. Reference to those same chapters are also contained in section 7, page 5, lines 5 and 6 of Senate Bill No. 273. As a consequence I have vetoed the inappropriate words in those sections, recognizing that the Uniform Controlled Substances Act relating to narcotic and dangerous drugs is a new chapter, RCW 69.50, and that the intention of the legislature is that the definitions contained in the new RCW chapter will apply to Senate Bill No. 273.

Section 12 of S.B. 273 was included in the event that H.B. 277 did not pass. Section 2 of H.B. 277 provides for funding of community mental health services as contained in sections 6 and 7 of S.B. 273.

It was understood by the legislators involved that in the event H.B. 277 did pass, section 12 would be vetoed out of S.B. 273. As a consequence, since H.B. 277 did pass, I have vetoed section 12 of S.B. 273 in order to avoid duplication, ambiguity and confusion in the funding mechanism related to community mental health services and drug treatment programs.
certain specified circumstances; granting immunity from civil liability for good faith emergency lifesaving services rendered by physician's trained mobile intensive care paramedics; amending section 14, chapter 192, Laws of 1909 as last amended by section 18, chapter 199, Laws of 1969 ex. sess. and RCW 18.71.020; adding new sections to chapter 192, Laws of 1909 and chapter 18.71 RCW; adding a new section; adding a new section to chapter 46.61 RCW; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 14, chapter 192, Laws of 1909 as last amended by section 18, chapter 199, Laws of 1969 ex. sess. and RCW 18.71.020 are each amended to read as follows:

Any person who shall practice or attempt to practice or hold himself out as practicing medicine and surgery in this state, without having, at the time of so doing, a valid, unrevoked certificate as provided in this chapter, shall be guilty of a misdemeanor; PROVIDED. That nothing in this section shall be so construed as to prohibit or penalize emergency life-saving service rendered by a physician's trained mobile intensive care paramedic, as defined in section 2 of this 1971 amendatory act, if such emergency life-saving service be rendered under the responsible supervision and control of a licensed physician. In each such conviction the fine shall be paid, when collected, to the state treasurer: PROVIDED, That all fees, fines, forfeitures and penalties collected or assessed by a justice court because of the violation of a state law shall be remitted as provided in chapter 3.62 RCW as now exists or is later amended. The director of licenses is authorized to prosecute all persons guilty of a violation of the provisions of this chapter.

NEW SECTION. Sec. 2. There is added to chapter 192, Laws of 1909 and to chapter 18.71 RCW a new section to read as follows:

As used in section 1 of this 1971 amendatory act, "physician's trained mobile intensive care paramedic" means a person who:

(1) has successfully completed an advanced first aid course equivalent to the advanced industrial first aid course prescribed by the Division of Safety, Department of Labor and Industries; and
(2) is trained by a licensed physician:
   (a) to carry out all phases of cardio-pulmonary resuscitation;
   (b) to administer drugs under written or oral authorization of a licensed physician; and
   (c) to administer intravenous solutions under written or oral authorization of a licensed physician; and
(3) has been examined and certified as a physician's trained mobile intensive care paramedic by a county health officer or by the
University of Washington's School of Medicine or by their designated representatives.

**NEW SECTION.** Sec. 3. There is added to chapter 192, Laws of 1909 and to chapter 18.71 RCW a new section to read as follows:

No act or omission of any physician's trained mobile intensive care paramedic, as defined in section 2 of this 1971 amendatory act, done or omitted in good faith while rendering emergency lifesaving service under the responsible supervision and control of a licensed physician to a person who is in immediate danger of loss of life shall impose any liability upon the trained mobile intensive care paramedic, the supervising physician, any hospital, the officers, members of the staff, nurses, or other employees of a hospital or upon a federal, state, county, city or other local governmental unit or upon other employees of such a governmental unit: PROVIDED, That this section shall not relieve a physician or a hospital of any duty otherwise imposed by law upon such physician or hospital for the designation or training of a physician's trained mobile intensive care paramedic or for the provision or maintenance of equipment to be used by the physician's trained mobile intensive care paramedics.

**NEW SECTION.** Sec. 4. No physician or hospital licensed in this state shall be subject to civil liability, based solely upon failure to obtain consent in rendering emergency medical, surgical, hospital, or health services to any individual regardless of age where its patient is unable to give his consent for any reason and there is no other person reasonably available who is legally authorized to consent to the providing of such care: PROVIDED, That such physician or hospital has acted in good faith and without knowledge of facts negating consent. The state board of health shall adopt rules and regulations defining situations which may be considered emergent for the purposes of this act.

**NEW SECTION.** Sec. 5. This 1971 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions and shall take effect immediately.

Passed the Senate May 10, 1971.
Passed the House May 10, 1971.
Approved by the Governor May 20, 1971 with the exception of an item in section 4 which is vetoed.
Filed in Office of Secretary of State May 21, 1971.

Note: Governor's explanation of partial veto is as follows:

"...This bill enacts a program of emergency life-saving services and further, in section four provides for immunity from liability for physicians or hospitals..."
rendering emergency services based solely upon failure to obtain consent where the individuals served are unable by reason of age or condition to give consent and when there is no other person reasonably available who is legally authorized to give such consent.

I have vetoed the sentence in section 4 on page 3, lines 17 through 19, which provides that the state board of health shall adopt rules and regulations defining situations which may be considered emergent for the purposes of this act. Unfortunately, no one, including the state board of health has sufficient foresight to define emergency situations in a manner which would include all emergencies. Having such defined codified regulations might well at times require an additional expenditure of time by the physician or hospital personnel on the scene while they try to assure that the situation falls within rules and regulations. In such circumstances, time is of the essence and the judgment of a qualified and licensed physician and hospital personnel on the scene is the best judgment which must be relied upon. No one would be protected by rules and regulations defining emergencies, and at times someone might well be harmed thereby avoiding the very purpose of this act. The public is well protected from inappropriate judgments by the requirement of "good faith" action and the other limitations in the statute.

Since the opportunity for harm to persons in emergency situations due to delay or misunderstanding would be increased and no offsetting benefit either to the public or the individuals involved would accrue, this item has been vetoed. The remainder of the bill is approved."

[Engrossed Senate Bill No. 179]
PUBLIC ASSISTANCE--
RECOVERY OF MEDICAL EXPENSES BY STATE

AN ACT Relating to public assistance; and amending section 74.09.180, chapter 26, Laws of 1959 as amended by section 8, chapter 173, Laws of 1969 ex. sess. and RCW 74.09.180.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
Section 1. Section 74.09.180, chapter 26, Laws of 1959 as
amended by section 8, chapter 173, Laws of 1969 ex. sess. and RCW
74.09.180 are each amended to read as follows:

The provisions of this chapter shall not apply to recipients
whose personal injuries are occasioned by negligence or wrong of
another: PROVIDED, HOWEVER, That the (director) secretary of the
department of social and health services may, in his discretion, furnish assistance, under the provisions of this
chapter, for the results of injuries to a recipient, and the
department of social and health services shall thereby be subrogated to the recipient's right of recovery therefor
to the extent of the value of the assistance furnished by the
department of social and health services: PROVIDED FURTHER, That to
the end of securing reimbursement of any assistance furnished to such
recipient, the department of social and health services may, as a
nonexclusive legal remedy, assert and enforce a lien upon any claim,
right of action and/or money to which such recipient is entitled (a)
against any tort feasor and/or insurer of such tort feasor, or (b)
any contract of insurance providing coverage to such recipient for
said injuries, to the extent of the assistance furnished by said
department to the recipient. If a recovery shall be made and the
subrogation or lien is satisfied either in full or in part as a
result of an independent action initiated by or on behalf of a
recipient to recover the personal injuries against any tort feasor or
insurer, then and in that event the amount repaid to the state of
Washington as a result of said action, whether concluded by entry of
a judgment or compromise and settlement, shall bear its proportionate
share of attorney's fees and costs incurred by the injured recipient
or his widow, children, or dependents, as the case may be, to the
extent that such attorney's fees and costs are approved by the court
in which the action is initiated, and upon notice to the department
which shall have the right to be heard on the matter: PROVIDED, That
if the attorney's fees conform to the applicable minimum bar fee
schedule, court approval for such fees shall not be necessary.

Passed the Senate May 8, 1971.
Passed the House May 7, 1971.
Approved by the Governor May 20, 1971 with the exception of an
item in section 1 which is vetoed.
Filed in Office of Secretary of State May 21, 1971.

Note: Governor's explanation of partial veto is as follows:

"...This bill provides for recovery by the Department of Social and Health Services for medical expenses it has
paid where a public assistance recipient has been injured by
a third party. The act further provides that the department
will bear its proportionate share of attorney's fees and costs where an injured party has obtained his own attorney and has recovered from the third party. Court approval of such attorney's fees is required by the act, with the proviso that if the attorney's fees conform to the applicable minimum bar fee schedule, court approval is not necessary.

The Department of Labor and Industries has had similar legislation for some time which has provided for that department bearing its proportionate share of attorney's fees and costs, provided that there is court approval. There has been no exemption from court approval even where there was conformity to the applicable minimum bar fee schedule. Without that exemption the act has proven quite workable, to the public, the bar and the department. There would not appear to be any reason to deviate from the already successful statutory formula which has applied to the Department of Labor and Industries.

It would appear the present law relating to the Department of Social and Health Services should, in the absence of substantial reason for difference, be consistent with the law related to the Department of Labor and Industries. Furthermore, there may well be times when the minimum bar fee schedule may not be appropriate and the court should have the opportunity to review such situations. I have therefore vetoed the item in section one, page two, lines 9 through 11.

The remainder of Senate Bill 179 is approved."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. Recognizing the rapid population growth of the state of Washington and the ever increasing mobility of its people, as well as the fundamental need for a healthful, clean and beautiful environment; and further recognizing that the proliferation and accumulation of litter discarded throughout this state impairs this need and constitutes a public health hazard; and further recognizing that there is an imperative need to anticipate, plan for, and accomplish effective litter control, there is hereby enacted this "Model Litter Control Act".

NEW SECTION. Sec. 2. NEW SECTION. Sec. 5. The director may designate trained employees of the department to be vested with police powers to enforce and administer the provisions of this 1971 amendatory act and all rules and regulations adopted thereunder. The director shall also have authority to contract with other state and local governmental agencies having law enforcement capabilities for services and personnel reasonably necessary to carry out the enforcement provisions of this 1971 amendatory act. In addition, state patrol officers, game protectors and deputy game protectors, fire wardens, deputy fire wardens and forest rangers, sheriffs and marshals and their deputies, and police officers, and those employees of the department of ecology and the parks and recreation commission vested with police powers all shall enforce the provisions of this 1971 amendatory act and all rules and regulations adopted thereunder and are hereby empowered to issue citations to and/or arrest without warrant, persons violating any provision of this 1971 amendatory act or any of the rules and regulations adopted hereunder. All of the foregoing enforcement officers may serve and execute all warrants, citations, and other process issued by the courts in enforcing the provisions of this 1971 amendatory act and rules and regulations adopted hereunder. In addition, mailing by registered mail of such warrant, citation, or other process to his last known place of
residence shall be deemed as personal service upon the person charged.

NEW SECTION. Sec. 6. No person shall throw, drop, deposit, discard, or otherwise dispose of litter upon any public property in the state or upon private property in this state not owned by him or in the waters of this state whether from a vehicle or otherwise including but not limited to any public highway, public park, beach, campground, forest land, recreational area, trailer park, highway, road, street, or alley except:

NEW SECTION. Sec. 7. The director shall prescribe the procedures for the collection of fines and bail forfeitures including the imposition of additional penalty charges for late payment of fines.

NEW SECTION. Sec. 8. Pertinent portions of this 1971 amendatory act shall be posted along the public highways of this state and in all campgrounds and trailer parks, at all entrances to state parks, forest lands, and recreational areas, at all public beaches, and at other public places in this state where persons are likely to be informed of the existence and content of this 1971 amendatory act and the penalties for violating its provisions.

NEW SECTION. Sec. 9. The department shall design and the director shall adopt by rule or regulation one or more types of litter receptacles which are reasonably uniform as to size, shape, capacity and color, for wide and extensive distribution throughout the public places of this state. Each such litter receptacle shall bear an anti-litter symbol as designed and adopted by the department. In addition, all litter receptacles shall be designed to attract attention and to encourage the depositing of litter.
Litter receptacles of the uniform design shall be placed along the public highways of this state and at all parks, campgrounds, trailer parks, drive-in restaurants, gasoline service stations, tavern parking lots, shopping centers, grocery store parking lots, parking lots of major industrial firms, marinas, boat launching areas, boat moorage and fueling stations, public and private piers, beaches and bathing areas, and such other public places within this state as specified by rule or regulation of the director adopted pursuant to chapter 34.04 RCW. It shall be the responsibility of any person owning or operating any establishment or public place in which litter receptacles of the uniform design are required by this section to procure and place such receptacles at their own expense on the premises in accord with rules and regulations adopted by the department.

Any person who fails to place such litter receptacles on the premises in the numbers required by rule or regulation of the department, violating the provisions of this section or rules or regulations adopted thereunder shall be subject to a fine of ten dollars for each day of violation.

NEW SECTION. Sec. 10. The department may design and produce a litter bag bearing the state-wide anti-litter symbol and a statement of the penalties prescribed herein for littering in this state. As soon as possible after the effective date of this 1971 amendatory act, such litter bags may be distributed by the department of motor vehicles at no charge to the owner of every licensed vehicle in this state at the time and place of license renewal. The department of ecology may make such litter bags available to the owners of watercraft in this state and may also provide such litter bags at no charge at points of entry into this state and at visitor centers to the operators of incoming vehicles and watercraft. The owner of any vehicle or watercraft who fails to keep and use a litter bag in his vehicle or watercraft shall be guilty of a violation of this section and shall be subject to a fine as provided in this 1971 amendatory act.

NEW SECTION. Sec. 11. Responsibility for the removal of litter from receptacles placed at parks, beaches, campgrounds, trailer parks, and other public places shall remain upon those state and local agencies performing litter removal. Removal of litter from litter receptacles placed on private property which is used by the public shall remain the responsibility of the owner of such private property.

NEW SECTION. Sec. 12. There is hereby levied and there shall
be collected by the department of revenue from every person engaging within this state in business as a manufacturer and/or making sales at wholesale and/or making sales at retail, an annual litter assessment equal to the value of products manufactured and sold within this state, including by-products, multiplied by one and one-half hundredths of one percent in the case of manufacturers, and equal to the gross proceeds of the sales of the business within this state multiplied by one and one-half hundredths of one percent in the case of sales at wholesale and/or at retail.

NEW SECTION. Sec. 13. Because it is the express purpose of this 1971 amendatory act to accomplish effective litter control within the state of Washington and because it is a further purpose of this 1971 amendatory act to allocate a portion of the cost of administering it to those industries whose products including the packages, wrappings, and containers thereof, are reasonably related to the litter problem, in arriving at the amount upon which the assessment is to be calculated only the value of products or the gross proceeds of sales of products falling into the following categories shall be included:

1. Food for human or pet consumption.
2. Groceries.
3. Cigarettes and tobacco products.
4. Soft drinks and carbonated waters.
5. Beer and other malt beverages.

NEW SECTION. Sec. 14. The department of revenue by rule and regulation made pursuant to chapter 34.04 RCW may, if such is required, define the categories (1) through (13) as set forth in section 13 of this 1971 amendatory act. In making such definitions, the department of revenue shall be guided by the following standards:

1. It is the purpose of this 1971 amendatory act to accomplish effective control of litter within this state;
2. It is the purpose of this 1971 amendatory act to allocate a portion of the cost of administration of this 1971 amendatory act to those industries manufacturing and/or selling products and the packages, wrappings, or containers thereof which are reasonably related to the litter problem within this state.
NEW SECTION. Sec. 15. "Sold within this state" or "sales of the business within this state" as used in section 12 of this 1971 amendatory act shall mean all sales of retailers engaged in business within this state and all sales of products for use or consumption within this state in the case of manufacturers and wholesalers.

NEW SECTION. Sec. 17. The litter assessment herein provided for shall not be applied to the value of products or orross proceeds of the sales of any animal, bird, or insect or the milk, eggs, wool, fur, meat, honey, or other substance obtained therefrom, if the person performs only the growing or raising function of such animal, bird, or insect. In all other instances, the assessment shall be applied.

NEW SECTION. Sec. 18. There is hereby created an account within the general fund to be known as the "Litter Control Account". All assessments, fines, bail forfeitures, and other funds collected or received pursuant to this 1971 amendatory act shall be deposited in the litter control account and used for the administration and implementation of this 1971 amendatory act.

NEW SECTION. Sec. 19. The department shall allocate funds annually for the study of available research and development in the field of litter control, removal, and disposal, as well as study methods for implementation in this state of said research and development. In addition, such fund may be used for the development of public educational programs concerning the litter problem. Grants shall be made available for these purposes to those persons deemed appropriate and qualified by the director.

NEW SECTION. Sec. 20. In addition to the foregoing, the department of ecology shall:

(1) Serve as the coordinating agency between the various industry organizations seeking to aid in the anti-litter effort;

(2) Recommend to the governing bodies of all local governments that they adopt ordinances similar to the provisions of this 1971 amendatory act;

(3) Cooperate with all local governments to accomplish coordination of local anti-litter efforts;

(4) Encourage, organize, and coordinate all voluntary local anti-litter campaigns seeking to focus the attention of the public on the programs of this state to control and remove litter;

(5) Investigate the availability of, and apply, for funds available from any private or public source to be used in the program outlined in this 1971 amendatory act.

NEW SECTION. Sec. 21. To aid in the state-wide anti-litter
campaign, the state legislature requests that the various industry organizations which are active in anti-litter efforts provide active cooperation with the department of ecology so that additional effect may be given to the anti-litter campaign of the state of Washington.

Sec. 22. Section 46.56.135, chapter 12, Laws of 1961 as amended by section 1, chapter 52, Laws of 1965 ex. sess. and RCW 46.61.655 are each amended to read as follows:

No vehicle shall be driven or moved on any public highway unless such vehicle is so constructed or loaded as to prevent any of its load from dropping, sifting, leaking or otherwise escaping therefrom, except that sand may be dropped for the purpose of securing traction, or water or other substance may be sprinkled on a roadway in the cleaning or maintaining of such roadway by public authority having jurisdiction. Any person operating a vehicle from which any glass or objects have fallen or escaped, which would constitute an obstruction or injure a vehicle or otherwise endanger travel upon such public highway shall immediately cause the public highway to be cleaned of all such glass or objects and shall pay any costs therefor.

NEW SECTION. Sec. 23. Every person convicted of a violation of this 1971 amendatory act for which no penalty is specially provided for shall be punished by a fine of not more than ten dollars for each such violation.

NEW SECTION. Sec. 24. The following acts are each hereby repealed:

(1) Section 1, chapter 36, Laws of 1909, section 1, chapter 73, Laws of 1931, section 49, chapter 281, Laws of 1969 ex. sess. and RCW 9.61.120;

(2) Section 2, chapter 85, Laws of 1967 and RCW 9.66.060;

(3) Section 3, chapter 85, Laws of 1967, section 50, chapter 281, Laws of 1969 ex. sess. and RCW 9.66.070;

NEW SECTION. Sec. 25. If any provision of this 1971 amendatory act or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provisions to other persons or circumstances is not affected.

NEW SECTION. Sec. 26. This 1971 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 27. This 1971 amendatory act constitutes an alternative to Initiative 40. The secretary of state is directed to place this 1971 amendatory act on the ballot in conjunction with Initiative 40 at the next general election.
This 1971 amendatory act shall continue in force and effect until the secretary of state certifies the election results on this 1971 amendatory act. If affirmatively approved at the general election, this 1971 amendatory act shall continue in effect thereafter.

Passed the Senate May 10, 1971.
Passed the House May 10, 1971.
Approved by the Governor May 21, 1971 with the exception of one item which is vetoed.
Filed in Office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:

"...This bill is a comprehensive litter control act. It established new litter control powers in the Department of Ecology, and imposes a tax upon those businesses which produce or sell items relating to the litter problem, in order to finance the administration of the act. However, by reason of the fact that the definition of "person" in section 3(7) includes state and local government, the act would by its terms impose the tax upon the State Liquor Control Board, and possibly upon certain local governmental agencies. I believe this result to be unwarranted, and accordingly have vetoed that item from section 3(7) of the act.

With the exception of the above item, Engrossed Senate Bill No. 428 is approved."

ARTICLE III
REGULATION OF MANUFACTURE, DISTRIBUTION
AND DISPENSING OF CONTROLLED SUBSTANCES

NEW SECTION. Sec. 69.50.301. Rules. The state board of
pharmacy may promulgate rules and charge reasonable fees of not less than ten dollars or more than fifty dollars relating to the registration and control of the manufacture, distribution, and dispensing of controlled substances within this state.

NEW SECTION. Sec. 69.50.302. Registration Requirements. (a) Every person who manufactures, distributes, or dispenses any controlled substance within this state or who proposes to engage in the manufacture, distribution, or dispensing of any controlled substance within this state, must obtain annually a registration issued by the state board of pharmacy in accordance with its rules.

(b) Persons registered by the board under this act to manufacture, distribute, dispense, or conduct research with controlled substances may possess, manufacture, distribute, dispense, or conduct research with those substances to the extent authorized by their registration and in conformity with the other provisions of this Article.

(c) The following persons need not register and may lawfully possess controlled substances under this act:

(1) an agent or employee of any registered manufacturer, distributor, or dispenser of any controlled substance if he is acting in the usual course of his business or employment: PROVIDED, That this exemption shall not include any agent or employee distributing sample controlled substances to practitioners without an order:

(2) a common or contract carrier or warehouseman, or an employee thereof, whose possession of any controlled substance is in the usual course of business or employment;

(3) an ultimate user or a person in possession of any controlled substance pursuant to a lawful order of a practitioner or in lawful possession of a Schedule V substance.

(d) The board may waive by rule the requirement for registration of certain manufacturers, distributors, or dispensers if it finds it consistent with the public health and safety: PROVIDED, That personal practitioners licensed or registered in the state of Washington under the respective professional licensing acts shall not be required to be registered under this act unless the specific exemption is denied pursuant to section 69.50.305 for violation of any provisions of this act.

(e) A separate registration is required at each principal place of business or professional practice where the applicant manufactures, distributes, or dispenses controlled substances.

(f) The board may inspect the establishment of a registrant or applicant for registration in accordance with the board's rule.

NEW SECTION. Sec. 69.50.303. Registration. (a) The state board of pharmacy shall register an applicant to manufacture or distribute controlled substances included in sections 69.50.208,
69.50.206, 69.50.208, 69.50.210, and 69.50.212 unless it determines that the issuance of that registration would be inconsistent with the public interest. In determining the public interest, the board shall consider the following factors:

1. maintenance of effective controls against diversion of controlled substances into other than legitimate medical, scientific, or industrial channels;
2. compliance with applicable state and local law;
3. any convictions of the applicant under any federal and state laws relating to any controlled substance;
4. past experience in the manufacture or distribution of controlled substances, and the existence in the applicant’s establishment of effective controls against diversion;
5. furnishing by the applicant of false or fraudulent material in any application filed under this act;
6. suspension or revocation of the applicant’s federal registration to manufacture, distribute, or dispense controlled substances as authorized by federal law; and
7. any other factors relevant to and consistent with the public health and safety.

(b) Registration under subsection (a) does not entitle a registrant to manufacture and distribute controlled substances in Schedule I or II other than those specified in the registration.

(c) Practitioners must be registered, or exempted under section 69.50.302(d) of this act, to dispense any controlled substances or to conduct research with controlled substances in Schedules II through V if they are authorized to dispense or conduct research under the law of this state. The board need not require separate registration under this Article for practitioners engaging in research with nonnarcotic controlled substances in Schedules II through V where the registrant is already registered under this Article in another capacity. Practitioners registered under federal law to conduct research with Schedule I substances may conduct research with Schedule I substances within this state upon furnishing the board evidence of that federal registration.

(d) Compliance by manufacturers and distributors with the provisions of the federal law respecting registration entitles them to be registered under this act upon application and payment of the required fee.

NEW SECTION. Sec. 69.50.304. Revocation and Suspension of Registration. (a) A registration, or exemption from registration, under section 69.50.303 to manufacture, distribute, or dispense a controlled substance may be suspended or revoked by the state board of pharmacy upon a finding that the registrant:

1. has furnished false or fraudulent material information in...
any application filed under this act;

(2) has been found guilty of a felony under any state or federal law relating to any controlled substances; or

(3) has had his federal registration suspended or revoked to manufacture, distribute, or dispense controlled substances.

(b) The board may limit revocation or suspension of a registration to the particular controlled substance or schedule of controlled substances, with respect to which grounds for revocation or suspension exist.

(c) If the board suspends or revokes a registration, all controlled substances owned or possessed by the registrant at the time of suspension or the effective date of the revocation order may be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all controlled substances may be forfeited to the state.

(d) The board shall promptly notify the Bureau of all orders suspending or revoking registration and all forfeitures of controlled substances.

NEW SECTION. Sec. 69.50.305. Procedure for Denial, Suspension or Revocation of Registration. (a) Any registration, or exemption from registration, issued pursuant to the provisions of this act shall not be denied, suspended, or revoked unless the board denies, suspends, or revokes such registration, or exemption from registration, by proceedings consistent with the administrative procedure act, chapter 34.04 RCW.

(b) The board may suspend any registration simultaneously with the institution of proceedings under section 69.50.304, or where renewal of registration is refused, if it finds that there is an imminent danger to the public health or safety which warrants this action. The suspension shall continue in effect until the conclusion of the proceedings, including judicial review thereof, unless sooner withdrawn by the board or dissolved by a court of competent jurisdiction.

NEW SECTION. Sec. 69.50.306. Records of Registrants. Persons registered, or exempted from registration under 69.50.302(d), to manufacture, distribute, dispense, or administer controlled substances under this act shall keep records and maintain inventories in conformance with the record-keeping and inventory requirements of federal law and with any additional rules the state board of pharmacy issues.

NEW SECTION. Sec. 69.50.307. Order Forms. Controlled
substances in Schedule I and II shall be distributed by a registrant or person exempt from registration under 69.50.302(d) to another registrant, or person exempt from registration under 69.50.302(d), only pursuant to an order form. Compliance with the provisions of federal law respecting order forms shall be deemed compliance with this section.

NEW SECTION. Sec. 69.50.308. Prescriptions. (a) Except when dispensed directly by a practitioner authorized to prescribe or administer a controlled substance to an ultimate user, no controlled substance in Schedule II may be dispensed without the written prescription of a practitioner.

(b) In emergency situations, as defined by rule of the state board of pharmacy, Schedule II drugs may be dispensed upon oral prescription of a practitioner, reduced promptly to writing and filed by the pharmacy. Prescriptions shall be retained in conformity with the requirements of section 69.50.306. No prescription for a Schedule II substance may be refilled.

(c) Except when dispensed directly by a practitioner authorized to prescribe or administer a controlled substance to an ultimate user, a controlled substance included in Schedule III or IV, which is a prescription drug as determined under RCW 69.04.560, shall not be dispensed without a written or oral prescription of a practitioner. Any oral prescription must be promptly reduced to writing. The prescription shall not be filled or refilled more than six months after the date thereof or be refilled more than five times, unless renewed by the practitioner.

(d) A valid prescription or lawful order of a practitioner, in order to be effective in legalizing the possession of controlled substances, must be issued in good faith for a legitimate medical purpose by one authorized to prescribe the use of such controlled substance. An order purporting to be a prescription not in the course of professional treatment is not a valid prescription or lawful order of a practitioner within the meaning and intent of this act; and the person who knows or should know that he is filling such an order, as well as the person issuing it, can be charged with a violation of this chapter.

(e) A controlled substance included in Schedule V shall not be distributed or dispensed other than for a medical purpose.

NEW SECTION. Sec. 69.50.309. Containers. A person to whom or for whose use any controlled substance has been prescribed, sold, or dispensed by a practitioner, and the owner of any animal for which such controlled substance has been prescribed, sold, or dispensed may lawfully possess it only in the container in which it was delivered to him by the person selling or dispensing the same.

ARTICLE V
ENFORCEMENT AND ADMINISTRATIVE PROVISIONS

NEW SECTION. Sec. 69.50.500. Powers of Enforcement Personnel.
(a) It is hereby made the duty of the state board of pharmacy, its officers, agents, inspectors and representatives, and all law enforcement officers within the state, and of all prosecuting attorneys, to enforce all provisions of this act, except those specifically delegated, and to cooperate with all agencies charged with the enforcement of the laws of the United States, of this state, and all other states, relating to controlled substances as defined in this act.

(b) Employees of the Washington state board of pharmacy, who are so designated by the board as enforcement officers are declared to be peace officers and shall be vested with police powers to enforce the drug laws of this state, including this act.

NEW SECTION. Sec. 69.50.501. Administrative Inspections. The state board of pharmacy may make administrative inspections of controlled premises in accordance with the following provisions:

(1) For purposes of this section only, "controlled premises" means:

(a) places where persons registered or exempted from registration requirements under this act are required to keep records; and

(b) places including factories, warehouses, establishments, and conveyances in which persons registered or exempted from registration requirements under this act are permitted to hold, manufacture, compound, process, sell, deliver, or otherwise dispose of any controlled substance.
(2) When authorized by an administrative inspection warrant issued pursuant to section 69.50.502 of this act, an officer or employee designated by the board, upon presenting the warrant and appropriate credentials to the owner, operator, or agent in charge, may enter controlled premises for the purpose of conducting an administrative inspection.

(3) When authorized by an administrative inspection warrant, an officer or employee designated by the board may:
   (a) inspect and copy records required by this act to be kept;
   (b) inspect, within reasonable limits and in a reasonable manner, controlled premises and all pertinent equipment, finished and unfinished material, containers and labeling found therein, and, except as provided in subsection (5) of this section, all other things therein, including records, files, papers, processes, controls, and facilities bearing on violation of this act; and
   (c) inventory any stock of any controlled substance therein and obtain samples thereof;

(4) This section does not prevent the inspection without a warrant of books and records pursuant to an administrative subpoena issued in accordance with chapter 34.04 RCW, nor does it prevent entries and administrative inspections, including seizures of property, without a warrant:
   (a) if the owner, operator, or agent in charge of the controlled premises consents;
   (b) in situations presenting imminent danger to health or safety;
   (c) in situations involving inspection of conveyances if there is reasonable cause to believe that the mobility of the conveyance makes it impracticable to obtain a warrant;
   (d) in any other exceptional or emergency circumstance where time or opportunity to apply for a warrant is lacking; or,
   (e) in all other situations in which a warrant is not constitutionally required;

(5) An inspection authorized by this section shall not extend to financial data, sales data, other than shipment data, or pricing data unless the owner, operator, or agent in charge of the controlled premises consents in writing.

NEW SECTION. Sec. 69.50.502. Warrants for Administrative Inspections. Issuance and execution of administrative inspection warrants shall be as follows:

(1) A judge of a superior court, or a judge of a district court within his jurisdiction, and upon proper oath or affirmation showing probable cause, may issue warrants for the purpose of conducting administrative inspections authorized by this act or rules hereunder, and seizures of property appropriate to the inspections.
For purposes of the issuance of administrative inspection warrants, probable cause exists upon showing a valid public interest in the effective enforcement of this act or rules hereunder, sufficient to justify administrative inspection of the area, premises, building or conveyance in the circumstances specified in the application for the warrant;

(2) A warrant shall issue only upon an affidavit of a designated officer or employee having knowledge of the facts alleged, sworn to before the judge and establishing the grounds for issuing the warrant. If the judge is satisfied that grounds for the application exist or that there is probable cause to believe they exist, he shall issue a warrant identifying the area, premises, building, or conveyance to be inspected, the purpose of the inspection, and, if appropriate, the type of property to be inspected, if any. The warrant shall:

(a) state the grounds for its issuance and the name of each person whose affidavit has been taken in support thereof;

(b) be directed to a person authorized by section 69.50.500 to execute it;

(c) command the person to whom it is directed to inspect the area, premises, building, or conveyance identified for the purpose specified and, if appropriate, direct the seizure of the property specified;

(d) identify the items or types of property to be seized, if any;

(e) direct that it be served during normal business hours and designate the judge to whom it shall be returned;

(3) A warrant issued pursuant to this section must be executed and returned within ten days of its date unless, upon a showing of a need for additional time, the court orders otherwise. If property is seized pursuant to a warrant, a copy shall be given to the person from whom or from whose premises the property is taken, together with a receipt for the property taken. The return of the warrant shall be made promptly, accompanied by a written inventory of any property taken. The inventory shall be made in the presence of the person executing the warrant and of the person from whose possession or premises the property was taken, if present, or in the presence of at least one credible person other than the person executing the warrant. A copy of the inventory shall be delivered to the person from whom or from whose premises the property was taken and to the applicant for the warrant;

(4) The judge who has issued a warrant shall attach thereto a copy of the return and all papers returnable in connection therewith and file them with the clerk of the court in which the inspection was made.
NEW SECTION. Sec. 69.50.503. Injunctions. (a) The superior courts of this state have jurisdiction to restrain or enjoin violations of this act.

(b) The defendant may demand trial by jury for an alleged violation of an injunction or restraining order under this section.

NEW SECTION. Sec. 69.50.504. Cooperative Arrangements. The state board of pharmacy shall cooperate with federal and other state agencies in discharging its responsibilities concerning traffic in controlled substances and in suppressing the abuse of controlled substances.

1. all controlled substances which have been manufactured, distributed, dispensed or acquired in violation of this act;

2. all raw materials, products and equipment of any kind which are used, or intended for use, in manufacturing, compounding, processing, delivering, importing, or exporting any controlled substance in violation of this act;

3. all property which is used, or intended for use, as a container for property described in paragraphs (1) or (2);

4. all conveyances, including aircraft, vehicles or vessels, which are used, or intended for use, to transport, or in any manner to facilitate the transportation, for the purpose of sale or receipt of property described in paragraph (1) or (2), but:

   i. no conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this act;

   ii. no conveyance is subject to forfeiture under this section by reason of any act or omission established by the owner thereof to have been committed or omitted without his knowledge or consent;

   iii. a conveyance is not subject to forfeiture for a violation of section 69.50.401(c); and,

   iv. a forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if he neither had knowledge of nor consented to the act or omission.

5. all books, records, and research products and materials, including formulas, microfilm, tapes, and data which are used, or intended for use, in violation of this act.

(b) Property subject to forfeiture under this act may be seized by any board inspector or law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure without process may be made if:

   1. the seizure is incident to an arrest or a search under a
search warrant or an inspection under an administrative inspection warrant;

(2) the property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this act;

(3) a board inspector or law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(4) the board inspector or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this act.

(c) In the event of seizure pursuant to subsection (b), proceedings under subsection (d) shall be instituted promptly.

(d) Property taken or detained under this section shall not be subject to replevin, but is deemed to be in the custody of the board or seizing law enforcement agency subject only to the orders and decrees of the superior court having jurisdiction over the forfeiture proceedings. When property is seized under this act, the board or seizing law enforcement agency may:

(1) place the property under seal;

(2) remove the property to a place designated by it; or

(3) request the appropriate sheriff or director of public safety to take custody of the property and remove it to an appropriate location for disposition in accordance with law.

(e) When property is forfeited under this act the board or seizing law enforcement agency may:

(1) retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this act;

(2) sell that which is not required to be destroyed by law and which is not harmful to the public. The proceeds shall be used for payment of all proper expenses of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising and court costs;

(3) request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law; or

(4) forward it to the Bureau for disposition.

(f) Controlled substances listed in Schedule I, II, III, IV and V that are possessed, transferred, sold, or offered for sale in violation of this act are contraband and shall be seized and summarily forfeited to the state. (g) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this act, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the board.

(h) The failure, upon demand by a board inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are growing or being stored, to produce an appropriate registration, or proof that he is the holder thereof, constitutes authority for the seizure and forfeiture of the plants.

NEW SECTION. Sec. 69.50.506. Burden of Proof; Liabilities. (a) It is not necessary for the state to negate any exemption or exception in this act in any complaint, information, indictment or other pleading or in any trial, hearing, or other proceeding under this act. The burden of proof of any exemption or exception is upon the person claiming it.

(b) In the absence of proof that a person is the duly authorized holder of an appropriate registration or order form issued under this act, he is presumed not to be the holder of the registration or form. The burden of proof is upon him to rebut the presumption.

(c) No liability is imposed by this act upon any authorized state, county or municipal officer, engaged in the lawful performance of his duties.

NEW SECTION. Sec. 69.50.507. Judicial Review. All final determinations, findings and conclusions of the state board of pharmacy under this act are final and conclusive decisions of the matters involved. Any person aggrieved by the decision may obtain review of the decision in the superior court wherein he resides or in the superior court of Thurston county, such review to be in conformity with the administrative procedure act, chapter 34.04 RCW.

NEW SECTION. Sec. 69.50.508. Education and Research. (a) The state board of pharmacy may carry out educational programs designed to prevent and deter misuse and abuse of controlled substances. In connection with these programs it may:

(6) assist in the education and training of state and local law enforcement officials in their efforts to control misuse and abuse of controlled substances.

(b) The board may encourage research on misuse and abuse of controlled substances. In connection with the research, and in furtherance of the enforcement of this act, it may:

(1) establish methods to assess accurately the effects of controlled substances and identify and characterize those with potential for abuse;

(2) make studies and undertake programs of research to:
   (i) develop new or improved approaches, techniques, systems, equipment and devices to strengthen the enforcement of this act;
   (ii) determine patterns of misuse and abuse of controlled substances and the social effects thereof; and,
   (iii) improve methods for preventing, predicting, understanding and dealing with the misuse and abuse of controlled substances; and,

(3) enter into contracts with public agencies, institutions of higher education, and private organizations or individuals for the purpose of conducting research, demonstrations, or special projects which bear directly on misuse and abuse of controlled substances.

(c) The board may enter into contracts for educational and research activities without performance bonds.

(d) The board may authorize persons engaged in research on the use and effects of controlled substances to withhold the names and other identifying characteristics of individuals who are the subjects of the research. Persons who obtain this authorization are not compelled in any civil, criminal, administrative, legislative, or other proceeding to identify the individuals who are the subjects of research for which the authorization was obtained.

(e) The board may authorize the possession and distribution of controlled substances by persons engaged in research. Persons who obtain this authorization are exempt from state prosecution for possession and distribution of controlled substances to the extent of the authorization.

NEW SECTION. Sec. 69.50.509. Search and Seizure of Controlled Substances. If, upon the sworn complaint of any person, it shall be made to appear to any judge of the superior court, justice of the peace, district court judge or municipal judge that there is probable cause to believe that any controlled substance is
being used, manufactured, sold, bartered, exchanged, administered, dispensed, delivered, distributed, produced, possessed, given away, furnished or otherwise disposed of or kept in violation of the provisions of this act, such justice of the peace or judge shall, with or without the approval of the prosecuting attorney, issue a warrant directed to any law enforcement officer of the state, commanding him to search the premises designated and described in such complaint and warrant, and to seize all controlled substances there found, together with the vessels in which they are contained, and all implements, furniture and fixtures used or kept for the illegal manufacture, sale, barter, exchange, administering, dispensing, delivering, distributing, producing, possessing, giving away, furnishing or otherwise disposing of such controlled substances, and to safely keep the same, and to make a return of said warrant within three days, showing all acts and things done thereunder, with a particular statement of all articles seized and the name of the person or persons in whose possession the same were found, if any, and if no person be found in the possession of said articles, the returns shall so state. The provisions of RCW 10.31.030 as now or hereafter amended shall apply to actions taken pursuant to this act.

NEW SECTION. Sec. 69.50.510. Recording. The provisions of chapter 9.73 RCW shall not be applicable to the transmitting or recording of any private conversation or communication by any means by law enforcement authorities when a violation of any of the provisions of this chapter is involved and the authorities have the consent of one of the parties to said conversation or communication.

NEW SECTION. Sec. 69.50.511. Immunity. Whenever, in the judgment of a prosecuting attorney, evidence is available from any person relative to an offense described in this chapter, a prosecuting attorney may apply to a superior court for a grant of immunity concerning the testimony given or expected to be given by such person. If the court grants immunity, the person thereafter shall not be prosecuted or subjected to any penalty or forfeiture concerning any matter revealed upon which he was granted immunity, except for perjury or contempt upon his failure to testify concerning said matter.

Passed the Senate May 9, 1971.
Passed the House May 8, 1971.
Approved by the Governor May 21, 1971 with the exception of two sections which are vetoed.
Filed in Office of Secretary of State May 21, 1971.
Note: Governor's explanation of partial veto is as follows:

"...I am vetoing section 69.50.510 which pertains to recording of private communications and conversations. While a change in the law of this state with regard to wiretapping and the use of recording devices by law enforcement officers may be necessary, I am of the opinion that such changes must, in the interest of safeguarding the citizens right to privacy, be taken in the context of comprehensive revision with provisions for proper judicial supervision. The partial revision represented by this section can only delay and frustrate such efforts while opening the door to possible abuse.

I have also vetoed section 69.50.511 which provides for immunity from prosecution for witnesses when such immunity is necessary in the enforcement of the Controlled Substances Act. Enactment of the new grand jury bill with its immunity provisions and its provision for inquiry judges will insure availability of immunity as a law enforcement tool in combating drug abuse. It would be unwise to jeopardize this tool through possible conflict of two bills dealing with the same subject."

CHAPTER 309
[Engrossed Substitute House Bill No. 915]
SOCIAL AND HEALTH SERVICES--USE OF NONAPPROPRIATED FUNDS--PURCHASE OF SERVICES

AN ACT Relating to social and health services; providing for the use of nonappropriated funds to improve such services; and adding new sections to chapter 18, Laws of 1970 ex. sess. and to chapter 43.20A RCW.

(1) Whether the particular service or services is available or might be developed.

(2) The probability that program and workload performance standards will be met, by means of the services purchased.

(3) The availability of reasonably adequate cost finding and performance evaluation criteria.

Nothing in this act is to be construed to authorize reduction in state employment in service component areas presently rendering such services.

NEW SECTION. Sec. 4. There is added to chapter 18, Laws of 1970 ex. sess. and to chapter 43.20A RCW a new section to read as follows:

(d) In computing the amount required for payment of principal and interest on outstanding debt under this section, debt shall be construed to mean borrowed money represented by bonds, notes, or other evidences of indebtedness which are secured by the full faith and credit of the state or are required to be repaid, directly or indirectly, from general state revenues and which are incurred by the state, any department, authority, public corporation, or quasi public corporation of the state, any state university or college, or any other public agency created by the state but not by counties, cities, towns, school districts, or other municipal corporations, but shall

[1837]
not include obligations for the payment of current expenses of state government, nor shall it include debt hereafter incurred pursuant to section 3 of this article. Obligations guaranteed as provided for in subsection (f) of this section, principal of bond anticipation notes or obligations issued to fund or refund the indebtedness of the Washington state building authority.

(1) The state may, without limitation, fund or refund, at or prior to maturity, the whole or any part of any existing debt or of any debt hereafter contracted pursuant to section 1, section 2, or section 3 of this article, including any premium payable with respect thereto and interest thereon, or fund or refund, at or prior to maturity, the whole or any part of any indebtedness incurred or authorized prior to the effective date of this amendment by any entity of the type described in subsection (g) of this section, including any premium payable with respect thereto and any interest thereon. Such funding or refunding shall not be deemed to be contracting debt by the state.

(2) Notwithstanding the limitation contained in subsection (b) of this section, the state may pledge its full faith, credit, and taxing power to guarantee the parent of any obligation payable from revenues received from any of the following sources: (1) Fees collected by the state as license fees for motor vehicles; (2) Excise taxes collected by the state on the sale, distribution or use of motor vehicle fuel; and (3) Interest on the permanent common school fund. PROVIDED, That the legislature shall, at all times, provide sufficient revenues from such sources to pay the principal and interest due on all obligations for which said source of revenue is pledged.

(3) No money shall be paid from funds in custody of the treasurer, with respect to any debt contracted after the effective date of this amendment by the Washington state building authority, the capital committee, or any similar entity existing or operating for similar purposes pursuant to which such entity undertakes to finance or provide a facility for use or occupancy by the state or any agency, department, or instrumentality thereof.

(4) The legislature shall prescribe all matters relating to the contracting, funding or refunding of debt pursuant to this section, including: The purposes for which debt may be contracted; by a favorable vote of three-fifths of the members elected to each house, the amount of debt which may be contracted for any class of such purposes; the kinds of notes, bonds, or other evidences of debt which may be issued by the state; and the manner by which the treasurer shall determine and advise the legislature, any appropriate agency, officer, or instrumentality of the state as to the available debt capacity within the limitation set forth in this section. The
legislature may delegate to any state officer, agency, or instrumentality any of its powers relating to the contracting, funding or refunding of debt pursuant to this section except its power to determine the amount and purposes for which debt may be contracted.

(1) The full faith, credit, and taxing power of the state of Washington are pledged to the payment of the debt created on behalf of the state pursuant to this section and the legislature shall provide by appropriation for the payment of the interest upon and installments of principal of all such debt as the same falls due, but in any event, any court of record may compel such payment.

(2) Notwithstanding the limitations contained in subsection (b) of this section, the state may issue certificates of indebtedness in such sum or sums as may be necessary to meet temporary deficiencies of the treasury, to preserve the best interests of the state in the conduct of the various state institutions, departments, bureaus, and agencies during each fiscal year; such certificates may be issued only to provide for appropriations already made by the legislature and such certificates must be retired and the debt discharged other than by refunding within twelve months after the date of incurrence.

(3) Bonds, notes, or other obligations issued and sold by the state of Washington pursuant to and in conformity with this article shall not be invalid for any irregularity or defect in the proceedings of the issuance or sale thereof and shall be incontestable in the hands of a bona fide purchaser or holder thereof.

Article VIII, section 3. Except the debt specified in sections one and two of this article, no debts shall hereafter be contracted by, or on behalf of this state, unless such debt shall be authorized by law for some single work or object to be distinctly specified therein (whether law shall provide ways and means, exclusive of loans, for the payment of the interest on such debt as it falls due and also to pay and discharge the principal of such debt within twenty years from the time of the contracting thereof).

No such law shall take effect until it shall, at a general election, or a special election called for that purpose, have been submitted to the people and have received a majority of all the votes cast for and against it at such election (whether and all moneys raised by authority of such law shall be applied only to the specific object therein stated, or to the payment of the debt thereby created; and notice that such law will be submitted to the people shall be published at least four times during the four weeks next preceding the election in every legal newspaper in the state). PROVIDED: That failure of any newspaper to publish this notice shall not be interpreted as
affecting the outcome of the election).

BE IT FURTHER RESOLVED, That the foregoing amendment constitutes a single integrated plan for the balanced revision of the debt structure of the state government and shall be construed as a single amendment within the meaning of Article XXIII, section one (Amendment 37) of this Constitution.

AND BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state.
