Passed the Senate April 23, 1974.

Passed the House April 20, 1974.

Approved by the Governor May 5, 1974, with the exception of certain items which are vetoed.

Filed in Office of Secretary of State May 5, 1974.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith without my approval as to certain items Engrossed Substitute Senate Bill No. 3146 entitled:

"AN ACT Relating to public buildings."

This bill provides for the setting aside of portions of appropriations for capital expenditures to be used for acquisition of art works for public buildings. Veto Message

Sections 2 and 5 contain identical items providing that if an accepted construction bid is under ninety percent of the total appropriation, the expenditure for art works shall be reduced pro tanto. This language potentially creates some serious administrative problems inasmuch as the construction of a building may involve a series of bids on different phases of the project. In the absence of any definition in the bill of what constitutes "construction bid", it would be difficult to determine to what extent the expenditure for art works should be reduced. Accordingly, I have vetoed the referenced items.

Section 3 requires the Washington State Arts Commission to consult with the State Capitol Committee in the purchasing of art works and the

selection and commissioning of artists in connection with projects supervised by the Director of the Department of General Administration. By statute, the State Capitol Committee is limited in its jurisdiction to the real property and improvements within the state capitol campus. Section 3 results in the unwarranted broadening of the jurisdiction of the State Capitol Committee, and I have determined to veto those items which require consultation with that committee by the Arts Commission.

Veto  
Message

With the exception of the foregoing items which I have vetoed, the remainder of Engrossed Substitute Senate Bill No. 3146 is approved."
