

social and health services of the state senate and to the standing committees on appropriations and on institutions of the house of representatives a report on the juvenile probation services in the state. Such report shall include, but not be limited to:

- (1) A disposition of all juvenile probation officers by county;
- (2) The number of juvenile probation officers provided with juvenile probation subsidy funds by county;
- (3) A description of the full range of services provided under the juvenile probation subsidy program by county;
- (4) The cost per child served by the program by county;
- (5) An evaluation of the program by county; and
- (6) An analysis of the application and impact of the "banking" provision.

NEW SECTION. Sec. 3. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1977.

Passed the House June 10, 1977.

Passed the Senate May 23, 1977.

Approved by the Governor June 21, 1977.

Filed in Office of Secretary of State June 21, 1977.

CHAPTER 308

[Substitute House Bill No. 1184]

SALMON ENHANCEMENT FACILITIES—FINANCING

AN ACT Relating to the support of state government; providing for salmon enhancement facilities; providing for the financing thereof by the issuance of bonds and anticipation notes; adding a new chapter to Title 75 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. The long range economic development goals for the state of Washington must include the restoration of salmon runs to provide an increased supply of this renewable resource for the benefit of commercial and recreational users and the economic well-being of the state.

NEW SECTION. Sec. 2. For the purpose of providing funds for the planning, acquisition, construction, and improvement of salmon hatcheries, other salmon propagation facilities including natural production sites, and necessary supporting facilities within the state, the state finance committee is authorized to issue, at any time prior to January 1, 1985, general obligation bonds of the state of Washington in the sum of thirty-one million five hundred thousand dollars or so much thereof as may be required to finance the improvements defined in this chapter and all costs incidental thereto. These bonds shall be paid and discharged within thirty years. No bonds authorized by this chapter shall be offered for sale without prior legislative appropriation of the proceeds of such bonds to be sold.

NEW SECTION. Sec. 3. The proceeds from the sale of bonds authorized by this chapter shall be deposited in the salmon enhancement construction account hereby created in the general fund and shall be used exclusively for the purpose

specified in this chapter and for payment of the expenses incurred in the issuance and sale of the bonds.

NEW SECTION. Sec. 4. The proceeds from the sale of the bonds deposited in the salmon enhancement construction account of the general fund under the terms of this chapter shall be administered by the state department of fisheries subject to legislative appropriation.

NEW SECTION. Sec. 5. As used in this chapter, the term "facilities" means salmon propagation facilities including, but not limited to, all equipment, utilities, structures, real property, and interests in and improvements on real property, as well as stream bed clearing, for or incidental to the acquisition, construction, or development of salmon propagation facilities.

NEW SECTION. Sec. 6. The state finance committee is authorized to prescribe the form, terms, conditions, and covenants of the bonds, the time or times of sale of all or any portion of them, and the conditions and manner of their sale and issuance. None of the bonds authorized in this chapter shall be sold for less than their par value.

NEW SECTION. Sec. 7. When the state finance committee has decided to issue such bonds or a portion thereof, it may, pending the issuing of such bonds, issue, in the name of the state, temporary notes in anticipation of the money to be derived from the sale of such bonds, which notes shall be designated as "anticipation notes". Such portion of the proceeds of the sale of such bonds as may be required for such purpose shall be applied to the payment of the principal of and interest on such anticipation notes which have been issued. The bonds and notes shall pledge the full faith and credit of the state of Washington and shall contain an unconditional promise to pay the principal and interest when due. The state finance committee may authorize the use of a printed facsimile of the seal of the state of Washington in the issuance of the bonds and notes.

NEW SECTION. Sec. 8. The salmon enhancement construction bond retirement fund is created in the state treasury. This fund shall be exclusively devoted to the payment of interest on and retirement of the bonds authorized by this chapter. The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required in the next succeeding twelve months for the payment of the principal of and the interest coming due on such bonds. Not less than thirty days prior to the date on which any such interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the salmon enhancement construction bond retirement fund an amount equal to the amount certified by the state finance committee to be due on such payment date. The owner and holder of each of the bonds or the trustee for any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed herein.

NEW SECTION. Sec. 9. The director of the department of fisheries shall report to the legislature on or before January 1 of each year on the revenues received from the sport and commercial salmon license sales and from salmon privilege taxes for the previous fiscal year and estimates of the revenues to be received for the current and ensuing fiscal years.

The report shall also include the estimates of the amounts required from these revenues for the payment of principal and interest on the bonds authorized by this act and proposals for the use of any remaining revenues for salmon enhancement purposes. The report shall also include a progress report on the current salmon enhancement programs.

The report shall be given to the following standing committees: the house committee on appropriations, the senate committee on ways and means, and the house and senate committees on natural resources.

NEW SECTION. Sec. 10. The bonds authorized by this chapter shall be issued only after the director of the department of fisheries has certified, based upon reasonable estimates and data provided to the department, that sufficient revenues will be available from sport and commercial salmon license sales and from salmon fees and taxes to meet the requirements of section 8 of this act during the life of the bonds.

NEW SECTION. Sec. 11. The bonds authorized in this chapter shall be a legal investment for all state funds or for funds under state control and for all funds of any other public body.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act shall constitute a new chapter in Title 75 RCW.

NEW SECTION. Sec. 13. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House June 10, 1977.

Passed the Senate June 6, 1977.

Approved by the Governor June 21, 1977.

Filed in Office of Secretary of State June 21, 1977.
