Sec. 59. Section 1, chapter 1, Laws of 1969 as last amended by section 151, chapter 158, Laws of 1979 and RCW 46.20.308 are each amended to read as follows:

(1) Any person who operates a motor vehicle upon the public highways of this state shall be deemed to have given consent, subject to the provisions of RCW 46.61.506, to a chemical test or tests of his breath or blood for the purpose of determining the alcoholic content of his blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor. The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor. Such officer shall inform the person of his right to refuse the test, and of his right to have additional tests administered by any qualified person of his choosing as provided in RCW 46.61.506. The officer shall warn the driver that his privilege

to drive will be revoked or denied if he refuses to submit to the test. Unless the person to be tested is unconscious, the chemical test administered shall be of his breath only: **PROVIDED**, That if an individual is under arrest for the crime of negligent homicide by motor vehicle as provided in RCW 46-.61.520, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46-.61.506, which arrest results from an accident in which another person has been injured and there is a reasonable likelihood that such other person may die as a result of injuries sustained in the accident, a breath or blood test may be administered without the consent of the individual so arrested. In such circumstances, the provisions of subsections (2) through (6) of this section shall not apply.

(2) Any person who is dead, unconscious, or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506.

(3) If, following his arrest, the person arrested refuses upon the request of a law enforcement officer to submit to a chemical test of his breath, after being informed that his refusal will result in the revocation or denial of his privilege to drive, no test shall be given. The department of licensing, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor and that the person had refused to submit to the test upon the request of the law enforcement officer after being informed that such refusal would result in the revocation or denial of his privilege to drive, shall revoke his license or permit to drive or any nonresident operating privilege. If the person is a resident without a license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for a period of six months after the date of the alleged violation, subject to review as hereinafter provided.

(4) Upon revoking the license or permit to drive or the nonresident operating privilege of any person, or upon determining that the issuance of a license or permit shall be denied to the person, as hereinbefore in this section directed, the department shall immediately notify the person involved in writing by personal service or by registered or certified mail of its decision and the grounds therefor, and of his right to a hearing, specifying the steps he must take to obtain a hearing. The person upon receiving such notice may, in writing and within ten days therefrom request a formal hearing. Upon receipt of such request, the department shall afford him an opportunity for a hearing as provided in RCW 46.20.329 and 46.20.332. The scope of such hearing for the purposes of this section shall cover the issues of

whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle upon the public highways of this state while under the influence of intoxicating liquor, whether the person was placed under arrest and whether he refused to submit to the test upon request of the officer after having been informed that such refusal would result in the revocation or denial of his privilege to drive. The department shall order that the revocation or determination that there should be a denial of issuance either be rescinded or sustained. Any decision by the department revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as herein provided or during the pendency of a subsequent appeal to superior court: **PROVIDED**, That this stay shall be effective only so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction which is a moving violation during pendency of the hearing and appeal.

(5) If the revocation or determination that there should be a denial of issuance is sustained after such a hearing, the person whose license, privilege, or permit is so affected shall have the right to file a petition in the superior court of the county wherein he resides, or, if a nonresident of this state, where the charge arose, to review the final order of revocation or denial by the department in the manner provided in RCW 46.20.334.

(6) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he has a license.

Sec. 60. Section 27, chapter 121, Laws of 1965 ex. sess. as last amended by section 1, chapter 36, Laws of 1973 1st ex. sess. and RCW 46.20.311 are each amended to read as follows:

(1) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a fixed period of more than one year, except as permitted under RCW 46.20.342. Whenever the license of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, or pursuant to RCW 46.20.291, such suspension shall remain in effect and the department shall not issue to such person any new or renewal of license until such person shall pay a reinstatement fee of ten dollars and shall give and thereafter maintain proof of financial responsibility for the future as provided in chapter 46.29 RCW.

(2) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked shall not be entitled to have such license or privilege renewed or restored unless the revocation was for a cause which has been removed, except that after the expiration of six months in cases of revocation for refusal to submit to a chemical test under the provisions of RCW 46.20.308 as now or hereafter amended, and in all other revocation

cases after the expiration of one year from the date on which the revoked license was surrendered to and received by the department, such person may make application for a new license as provided by law together with an additional fee in the amount of ten dollars, but the department shall not then issue a new license unless it is satisfied after investigation of the driving ability of such person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until such person shall give and thereafter maintain proof of financial responsibility for the future as provided in chapter 46.29 RCW.

Sec. 61. Section 36, chapter 121, Laws of 1965 ex. sess. as amended by section 1, chapter 29, Laws of 1972 ex. sess. and RCW 46.20.329 are each amended to read as follows:

Upon receiving a request for a formal hearing as provided in RCW 46.20.328, the department shall fix a time and place for hearing as early as may be arranged in the county where the applicant or licensee resides, and shall give ten days' notice of the hearing to the applicant or licensee, except that the hearing may be set for a different place with the concurrence of the applicant or licensee and the period of notice may be waived.

Any decision by the department suspending or revoking a person's driving privilege shall be stayed and shall not take effect while a formal hearing is pending as herein provided or during the pendency of a subsequent appeal to superior court: **PROVIDED**, That this stay shall be effective only so long as there is no conviction of a moving violation or a finding that the person has committed a traffic infraction which is a moving violation during pendency of hearing and appeal: **PROVIDED FURTHER**, That nothing in this section shall be construed as prohibiting the department from seeking an order setting aside the stay during the pendency of such appeal in those cases where the action of the department is based upon physical or mental incapacity, or a failure to successfully complete an examination required by this chapter.

A formal hearing shall be conducted by the director or by a referee or hearing board appointed by him from officers or employees of the department. Such referee or hearing board may be authorized by the director to make final determinations regarding the issuance, denial, or suspension, or revocation of a license.

Permits may be issued at any time, but if issued after July 1st of any year the fee shall be thirty-seven dollars and fifty cents. If issued on or after October 1st the fee shall be twenty-five dollars, and if issued on or after January 1st the fee shall be twelve dollars and fifty cents. A copy of such special permit covering the vehicle involved shall be carried in the cab of the vehicle at all times. The vehicle covered by such canceled special permit shall not be eligible for a new special permit until thirty days after the cancellation of the special permit issued to said vehicle. The fee for such renewal shall be at the same rate as set forth in this section which covers the original issuance of such special permit. Each special permit shall be assigned to a three-axle truck tractor in combination with a two-axle pole trailer. When the (~~highway commission~~) department issues a duplicate

For the purpose of determining gross weight the actual scale weight taken by the officer shall be prima facie evidence of such total gross weight. In the event the gross weight is in excess of the weight permitted by law, the officer may, within his discretion, permit the operator to proceed with his vehicles in combination.

The chief of the state patrol, with the advice of the (~~(state highway commission)~~) department, may make reasonable rules and regulations to aid in the enforcement of the provisions of this section.

Sec. 75. Section 23, chapter 64, Laws of 1975-'76 2nd ex. sess. and RCW 46.44.105 are each amended to read as follows:

(1) (~~(Any person violating)~~) Violation of any of the provisions of RCW 46.44.042, 46.44.047, 46.44.090, 46.44.091, 46.44.095, and 46.44.041, or (~~(who fails)~~) failure to obtain a permit as provided by RCW 46.44.090 and 46.44.095, or (~~(misrepresents)~~) misrepresentation of the size or weight of any load or (~~(does not)~~) failure to follow the requirements and conditions of a permit issued hereunder (~~(shall be guilty of a misdemeanor)~~) is a traffic infraction, and upon the first (~~(conviction)~~) finding thereof shall be (~~(fined)~~) assessed a basic (~~(fine)~~) penalty of not less than fifty dollars; and upon second (~~(conviction)~~) finding thereof shall be (~~(fined)~~) assessed a basic (~~(fine)~~) penalty of not less than seventy-five dollars; and upon a third or subsequent

~~((conviction))~~ finding shall be ~~((fined))~~ assessed a basic ~~((fine))~~ penalty of not less than one hundred dollars.

(2) In addition to the ~~((fines levied))~~ penalties imposed in subsection (1) of this section any person violating RCW 46.44.042, 46.44.047, 46.44.090, 46.44.091, 46.44.095, or 46.44.041 shall be ~~((fined))~~ assessed three cents for each pound of excess weight: PROVIDED, That upon a first violation in any calendar year, the court may suspend the ~~((fine))~~ penalty for five hundred pounds of excess weight for each axle on any vehicle or combination of vehicles, not to exceed a two thousand pound suspension. In no case shall the basic ~~((fine levied))~~ penalty assessed in subsection (1) of this section be suspended.

(3) Whenever any vehicle or combination of vehicles is involved in two violations of RCW 46.44.042, 46.44.047, 46.44.090, 46.44.091, 46.44.095, or 46.44.041 during any twelve month period, the court may suspend the certificate of license registration of the vehicle or combination of vehicles for not less than thirty days. Upon a third or succeeding violation in any twelve month period, the court shall suspend the certificate of license registration for not less than thirty days. ~~((For purposes of this section, bail forfeiture shall be given the same effect as a conviction.))~~ Whenever the certificate of license registration is suspended, the court shall secure such certificate and immediately forward the same to the director with information concerning the suspension.

(4) Any person ~~((convicted of violating))~~ found to have violated any posted limitations of a highway or section of highway shall be ~~((fined))~~ assessed a monetary penalty of not less than one hundred and fifty dollars, and the court shall in addition thereto upon second violation within a twelve month period involving the same power unit, suspend the certificate of license registration for not less than thirty days.

(5) Any police officer is authorized to require the driver of any vehicle or combination of vehicles to stop and submit to a weighing either by means of a portable or stationary scale and may require that such vehicle be driven to the nearest public scale. Whenever a police officer, upon weighing a vehicle and load, determines that the weight is unlawful, such officer may require the driver to stop the vehicle in a suitable location and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of the vehicle to such limit as permitted by law.

Any vehicle whose driver or owner represents that the vehicle is disabled or otherwise unable to proceed to a weighing location shall have its load sealed or otherwise marked by any police officer. The owner or driver shall be directed that upon completion of repairs, the vehicle shall submit to weighing with the load and markings and/or seal intact and undisturbed. Failure to report for weighing, appearing for weighing with the seal broken or the markings disturbed, or removal of any cargo prior to weighing shall be unlawful. Any person so convicted shall be fined five hundred dollars,

and in addition the certificate of license registration shall be suspended for not less than thirty days.

(6) Any other provision of law to the contrary notwithstanding, justice courts having venue shall have concurrent jurisdiction with the superior courts for the imposition of any penalties authorized under this section.

(7) For the purpose of determining additional (~~fin~~) penalties as provided by subsection (2) of this section, "excess weight" shall mean the poundage in excess of the maximum gross weight prescribed by RCW 46.44.042 and 46.44.041 plus the weights allowed by RCW 46.44.047, 46.44.091, and 46.44.095.

(8) The basic (~~fine~~) penalty provided in subsection (1) of this section shall be distributed as prescribed in RCW 46.68.050: PROVIDED, That all fees, fines, forfeitures, and penalties collected or assessed by a justice court because of the violation of a state law shall be remitted as provided in chapter 3.62 RCW as it now exists or is later amended. For the purpose of computing the basic (~~fin~~) penalties and additional (~~fin~~) penalties to be imposed under the provisions of subsections (1) and (2) of this section the convictions shall be on the same vehicle or combination of vehicles within a twelve month period under the same ownership.

(9) The additional (~~fine~~) penalty for excess poundage provided in subsection (2) of this section shall be transmitted by the court to the county treasurer and by him transmitted to the state treasurer for deposit in the motor vehicle fund: PROVIDED, That all fees, fines, forfeitures, and penalties collected or assessed by a justice court because of the violation of a state law shall be remitted as provided in chapter 3.62 RCW as it now exists or is later amended. It shall then be allocated annually on or before June 30th of each year in the amounts prescribed in RCW 46.68.100 as now or hereafter amended.

(10) Any state patrol officer or any weight control officer who shall find any person operating a vehicle or a combination of vehicles in violation of the conditions of a permit issued under RCW 46.44.037, 46.44.090, and 46.44.095 may confiscate such permit and forward the same to the state highway commission which may return it to the permittee or revoke, cancel, or suspend it without refund. The state highway commission shall keep a record of all action taken upon permits so confiscated, and if a permit shall be returned to the permittee the action taken by the commission shall be endorsed thereon. Any permittee whose permit is suspended or revoked may upon request receive a hearing before the commission or person designated by the commission. The commission after such hearing may reinstate any permit or revise its previous action.

Every permit issued as provided for in this chapter shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any law enforcement officer or authorized agent of any authority granting such a permit.

Upon the third (~~(conviction)~~) finding within a calendar year (~~(for)~~) of a violation of the requirements and conditions of a permit issued under RCW 46.44.095 as now or hereafter amended, the permit shall be canceled, and the canceled permit shall be immediately transmitted by the court or the arresting officer to the department of (~~(highways, and for the purposes of this section bail forfeiture shall be considered to be a conviction)~~) transportation. The vehicle covered by such canceled permit shall not be eligible for a new permit for a period of thirty days.

(11) For the purposes of determining gross weights the actual scale weight taken by the arresting officer shall be prima facie evidence of such total gross weight.

The chief of the state patrol, with the advice of the (~~(state highway commission)~~) department, may adopt reasonable rules to aid in the enforcement of the provisions of this section.

The abstract provided to the insurance company shall also exclude any information pertaining to law enforcement officers or fire fighters as defined in RCW 41.26.030, or any member of the Washington state patrol, while driving official vehicles in the performance of occupational duty during an emergency situation if the chief of the officer's or fire fighter's department certifies on the accident report that the actions of the officer or fire fighter were reasonable under the circumstances as they existed at the time of the accident.

The director shall collect for each such abstract the sum of one dollar fifty cents which shall be deposited in the highway safety fund.
