## CHAPTER 301

[House Bill No. 304]

### OPERATING AGENCIES—SECURITY FORCES

AN ACT Relating to security forces for operating agencies; and adding new sections to chapter 43.52 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. There is added to chapter 43.52 RCW a new section to read as follows:

An operating agency constructing or operating a nuclear power plant under a site certificate issued under chapter 80.50 RCW may establish a security force for the protection and security of each nuclear power plant site exclusion area. Members of the security force may be supplied with uniforms and badges indicating their position as security force members if the uniforms and badges do not closely resemble the uniforms or badges of any law enforcement agency or other agency possessing law enforcement

powers in the surrounding area of the nuclear power plant exclusion area. Members of the security force shall enroll in and successfully complete a training program approved by the criminal justice training commission which does not conflict with any requirements of the United States nuclear regulatory commission for the training of security personnel at nuclear power plants. All costs incurred by the criminal justice training commission in the preparation, delivery, or certification of the training programs shall be paid by the operating agency.

NEW SECTION. Sec. 2. There is added to chapter 43.52 RCW a new section to read as follows:

An operating agency is authorized to obtain criminal history record information pursuant to RCW 10.97.050 for any member of an operating agency security force and for any applicant seeking employment as a member of an operating agency security force.

NEW SECTION. Sec. 3. There is added to chapter 43.52 RCW a new section to read as follows:

(1) Members of an operating agency security force authorized under section 1 of this act may use reasonable force to detain, search, or remove persons who enter or remain without permission within the nuclear power plant site exclusion area or whenever, upon probable cause, it appears to a member of the security force that a person has committed or is attempting to commit a crime. Should any person be detained, the security force shall immediately notify the law enforcement agency, having jurisdiction over the nuclear power plant site, of the detainment. The security force is authorized to detain the person for a reasonable time until custody can be transferred to a law enforcement officer. Members of a security force may use that force necessary in the protection of persons and properties located within the confines of the nuclear power plant site exclusion area.

(2) An operating agency may adopt and enforce rules controlling the speed, operation, and location of vehicles on property owned or occupied by the operating agency. Such rules shall be conspicuously posted and persons violating the rules may be expelled or detained.

NEW SECTION. Sec. 4. There is added to chapter 43.52 RCW a new section to read as follows:
