AN ACT Relating to state funds; creating new sections; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. During the fiscal biennium ending June 30, 1983, the state treasurer shall transfer from the resource management cost account to the University of Washington building account three million three hundred thousand dollars or so much thereof as may be necessary to maintain a positive balance in the University of Washington building account.

NEW SECTION. Sec. 2. During the fiscal year ending June 30, 1984, the state treasurer shall transfer from the University of Washington building account to the resource management cost account an amount equal to the amount transferred under section 1 of this act. To the extent moneys in the University of Washington building account, less funds required for debt service and funds authorized for capital expenditure, are not sufficient to allow full transfer under the preceding sentence, the state treasurer shall transfer moneys from the state general fund to the resource management cost account on June 30, 1984.

NEW SECTION. Sec. 3. The increased deductions shall continue until the additional amounts received from the increased rate equal the amounts of the deductions that were discontinued or transferred under subsection (2) of this section.
