

which the land to be sold is located. If the commission feels that no bid received adequately reflects the fair value of the land to be sold, it may reject all bids, and may call for new bids. All proceeds derived from the sale of such park property shall be paid into the state general fund. All land considered for exchange shall be evaluated by the commission to determine its adaptability to park usage. The equal value of all lands exchanged shall first be determined by the appraisals to the satisfaction of the commission: PROVIDED, That no sale or exchange of state park lands shall be made without the unanimous consent of the commission.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

[Substitute Senate Bill No. 3620]

AIR POLLUTION CONTROL AUTHORITIES—PERIODIC FEE REVENUE LIMITED

AN ACT Limiting periodic fee revenue for air pollution control authorities; amending section 28, chapter 238, Laws of 1967 as amended by section 19, chapter 168, Laws of 1969 ex. sess. and RCW 70.94.151; and adding a new section to chapter 70.94 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. There is added to chapter 70.94 RCW a new section to read as follows:

Revenues collected from sources of air pollution for services rendered on a periodic basis for any authority shall not exceed in any fiscal year fifty percent of the "supplemental income" paid by component cities, towns, and counties as defined in RCW 70.94.092 for the same fiscal year. Fees collected under RCW 70.94.152 are exempt from this limitation.

Sec. 2. Section 28, chapter 238, Laws of 1967 as amended by section 19, chapter 168, Laws of 1969 ex. sess. and RCW 70.94.151 are each amended to read as follows:

(1) The board of any activated authority or the state board, may classify air contaminant sources, by ordinance, resolution, rule or regulation, which in its judgment may cause or contribute to air pollution, according to levels and types of emissions and other characteristics which cause or contribute to air pollution, and may require registration or reporting or both for any such class or classes. Classifications made pursuant to this section may

be for application to the area of jurisdiction of such authority, or the state as a whole or to any designated area within the jurisdiction, and shall be made with special reference to effects on health, economic and social factors, and physical effects on property.

(2) Any person operating or responsible for the operation of air contaminant sources of any class for which the ordinances, resolutions, rules or regulations of the state board or board of the authority, require registration and reporting shall register therewith and make reports containing information as may be required by such state board or board concerning location, size and height of contaminant outlets, processes employed, nature of the contaminant emission and such other information as is relevant to air pollution and available or reasonably capable of being assembled. The state board or board may require that such registration be accompanied by a fee and may determine the amount of such fee for such class or classes: PROVIDED, That the amount of the fee shall only be to compensate for the costs of administering such registration program which shall be defined as initial registration and annual or other periodic reports from the source owner providing information directly related to air pollution registration, on-site inspections necessary to verify compliance with registration requirements, data storage and retrieval systems necessary for support of the registration program, emission inventory reports and emission reduction credits computed from information provided by sources pursuant to registration program requirements, staff review, including engineering analysis for accuracy and currentness, of information provided by sources pursuant to registration program requirements, clerical and other office support provided in direct furtherance of the registration program, and administrative support provided in directly carrying out the registration program: PROVIDED FURTHER, That any such registration made with either the board or the state board shall preclude a further registration with any other board or the state board.

Passed the Senate February 5, 1984.

Passed the House February 23, 1984.

Approved by the Governor March 2, 1984.

Filed in Office of Secretary of State March 2, 1984.
