The term includes, in addition to the consideration paid or given or contracted to be paid or given, the amount of any tariff or duty paid with respect to the importation of the article used. In case the article used is acquired by lease or by gift or is extracted, produced, or manufactured by the person using the same or is sold under conditions wherein the purchase price does not represent the true value thereof, the value of the article used shall be determined as nearly as possible according to the retail selling price at place of use of similar products of like quality and character under such rules and regulations as the department of revenue may prescribe.

In case the articles used are acquired by bailment, the value of the use of the articles so used shall be in an amount representing a reasonable rental for the use of the articles so bailed, determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules and regulations as the department of revenue may prescribe: **PROVIDED**, That in case any such articles of tangible personal property are used in respect to the construction, repairing, decorating, or improving of, and which become or are to become an ingredient or component of, new or existing buildings or other structures under, upon, or above real property of or for the United States, any instrumentality thereof, or a county or city housing authority created pursuant to

chapter 35.82 RCW, including the installing or attaching of any such articles therein or thereto, whether or not such personal property becomes a part of the realty by virtue of installation, then the value of the use of such articles so used shall be determined according to the retail selling price of such articles, or in the absence of such a selling price, as nearly as possible according to the retail selling price at place of use of similar products of like quality and character or, in the absence of either of these selling price measures, such value may be determined upon a cost basis, in any event under such rules and regulations as the department of revenue may prescribe.

In the case of articles manufactured or produced by the user and used in the manufacture or production of products sold or to be sold to the department of defense of the United States, the value of the articles used shall be determined according to the value of the ingredients of such articles.

In the case of an article manufactured or produced for purposes of serving as a prototype for the development of a new or improved product, the value of the article used shall be determined by: (a) The retail selling price of such new or improved product when first offered for sale; or (b) the value of materials incorporated into the prototype in cases in which the new or improved product is not offered for sale.

(2) "Use," "used," "using," or "put to use" shall have their ordinary meaning, and shall mean the first act within this state by which the taxpayer takes or assumes dominion or control over the article of tangible personal property (as a consumer), and include installation, storage, withdrawal from storage, or any other act preparatory to subsequent actual use or consumption within this state;

(3) "Taxpayer" and "purchaser" include all persons included within the meaning of the word "buyer" and the word "consumer" as defined in chapters 82.04 and 82.08 RCW;

(4) "Retailer" means every seller as defined in RCW 82.08.010 and every person engaged in the business of selling tangible personal property at retail and every person required to collect from purchasers the tax imposed under this chapter;

(5) The meaning ascribed to words and phrases in chapters 82.04 and 82.08 RCW, insofar as applicable, shall have full force and effect with respect to taxes imposed under the provisions of this chapter. "Consumer," in addition to the meaning ascribed to it in chapters 82.04 and 82.08 RCW insofar as applicable, shall also mean any person who distributes or displays, or causes to be distributed or displayed, any article of tangible personal property, except newspapers, the primary purpose of which is to promote the sale of products or services.
