

Liability under the bond may be released only upon written notification from the department. Notification shall be given upon acceptance by the department of a substitute bond or forty-five days after the expiration of the wholesale fish dealer's annual license. In no event shall the liability of the surety exceed the amount of the surety bond required under this chapter.

NEW SECTION. Sec. 7. A new section is added to chapter 75.28 RCW to read as follows:

The director shall promptly notify by order a wholesale dealer and the appropriate surety when a violation of rules relating to the accounting of commercial harvest has occurred. The notification shall specify the type of violation, the liability to be imposed for damages caused by the violation, and a notice that the amount of liability is due and payable to the department by the wholesale fish dealer and the surety.

If the amount specified in the order is not paid within thirty days after receipt of the notice, the prosecuting attorney for any county in which the persons to whom the order is directed do business, or the attorney general upon request of the department, may bring an action on behalf of the state in the superior court for Thurston county or any county in which the persons to whom the order is directed do business to recover the amount specified in the final order of the department. The surety shall be liable to the state to the extent of the bond.

NEW SECTION. Sec. 8. A new section is added to chapter 75.28 RCW to read as follows:

The liabilities imposed upon a wholesale fish dealer by this chapter shall be in addition to the penalties authorized in chapter 75.10 RCW.

NEW SECTION. Sec. 9. Section 75.28.350, chapter 12, Laws of 1955, section 1, chapter 29, Laws of 1965 ex. sess., section 133, chapter 46, Laws of 1983 1st ex. sess. and RCW 75.28.350 are each repealed.

Passed the House April 22, 1985.

Passed the Senate April 12, 1985.

Approved by the Governor May 10, 1985.

Filed in Office of Secretary of State May 10, 1985.

CHAPTER 249

[Engrossed Substitute House Bill No. 815]

PUGET SOUND—PRETREATMENT OF INDUSTRIAL WASTEWATER— SEWAGE TREATMENT

AN ACT Relating to water quality; and adding new sections to chapter 90.48 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) In order to protect water quality, the department of ecology, in cooperation with the Puget Sound water quality

authority, shall review existing standards for pretreatment of industrial wastewater that is discharged into sewage treatment facilities that discharge into Puget Sound. Standards for treatment by industrial facilities that discharge directly into Puget Sound or into waters that flow into Puget Sound shall also be reviewed.

(2) The department of ecology shall report its progress to the legislature by January 1, 1986. The report shall address whether standards require revision to reflect all known, available, and reasonable methods of treatment. The department shall report its conclusions to the legislature by January 1, 1987.

NEW SECTION. Sec. 2. (1) The department of ecology shall work with local governments to develop reasonable plans and compliance schedules for the greatest reasonable reduction of combined sewer overflows. The plan shall address various options, including construction of storage tanks for sewage and separation of sewage and stormwater transport systems. The compliance schedule shall be designed to achieve the greatest reasonable reduction of combined sewer overflows at the earliest possible date. The plans and compliance schedules shall be completed by January 1, 1988. A compliance schedule will be a condition of any waste discharge permit issued or renewed after January 1, 1988.

(2) By September 1, 1987, the department of ecology shall report to the legislature any statutory changes necessary to implement the plans and compliance schedules described in subsection (1) of this section. The report shall include (a) a recommended date by which all sewage treatment facilities shall achieve the greatest reasonable reduction of combined sewer overflows, and (b) a comprehensive assessment of the total cost to achieve compliance, the projected need and recommended distribution of local, state, and federal funding, and the availability of local, state, and federal funding. A thorough discussion of the potential funding sources shall accompany the report.

NEW SECTION. Sec. 3. Plans for upgrading sewage treatment facilities and plans for new sewage treatment facilities shall address the greatest reasonable reduction of combined sewer overflows and implementation of pretreatment standards.

NEW SECTION. Sec. 4. The department of ecology shall collect administrative expenses from any person or entity requesting action of the department pertaining to the processing of applications for permits provided in RCW 90.48.160, 90.48.162, and 90.48.260. For the purposes of this section, "administrative expenses" shall mean the total actual costs incurred by the department in processing such permit applications.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act are each added to chapter 90.48 RCW.

Passed the House April 22, 1985.

Passed the Senate April 16, 1985.

Approved by the Governor May 10, 1985.

Filed in Office of Secretary of State May 10, 1985.

CHAPTER 250

[Substitute Senate Bill No. 3387]

SEWER HOOKUP CHARGES

AN ACT Relating to sewer hookups; and amending RCW 56.08.010.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 10, chapter 210, Laws of 1941 as last amended by section 4, chapter 190, Laws of 1981 and RCW 56.08.010 are each amended to read as follows:

A sewer district may acquire by purchase or by condemnation and purchase all lands, property rights, water, and water rights, both within and without the district, necessary for its purposes. A sewer district may lease real or personal property necessary for its purposes for a term of years for which such leased property may reasonably be needed where in the opinion of the board of sewer commissioners such property may not be needed permanently or substantial savings to the district can be effected thereby. The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities of the third class, insofar as consistent with the provisions of this title, except that all assessments or reassessment rolls required to be filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the district, and the duties devolving upon the city treasurer shall be imposed upon the county treasurer for the purposes hereof; it may construct, condemn and purchase, add to, maintain, and operate systems of sewers for the purpose of furnishing the district and inhabitants thereof with an adequate system of sewers for all uses and purposes, public and private, including but not limited to on-site sewage disposal facilities, facilities for the drainage of storm or surface waters, public highways, streets, and roads with full authority to regulate the use and operation thereof and the service rates to be charged. For such purposes a district may conduct sewage throughout the district and throughout other political subdivisions within the district, and construct and lay sewer pipe along and upon public highways, roads, and streets, within and without the district, and condemn and purchase or acquire land and rights of way necessary for such sewer pipe. A district may erect sewage treatment plants, within or without the district, and may acquire by purchase or condemnation, properties or privileges necessary to be had to
