[Recengrossed Substitute Senate Bill No. 4196]

UNEMPLOYMENT—SPECIAL JOB SERVICE PROGRAM UNDERTAKEN— ADDITIONAL UNEMPLOYMENT COMPENSATION BENEFIT PERIOD ESTABLISHED

AN ACT Relating to services for the unemployed; amending RCW 50.04.070, 50.04.072, 50.16.010, 50.29.025, and 50.22.010; adding a new chapter to Title 50 RCW; adding a new section to chapter 50.22 RCW; adding a new section to chapter 50.24 RCW; adding a new section to chapter 50.44 RCW; creating new sections; repealing RCW 50.22.100, 50.22.110,

50.22.120, and 50.44.052; making an appropriation; providing an expiration date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds and declares that:

(1) The number of persons unemployed in the state is significantly above the national average.

(2) Persons who are unemployed represent a skilled resource to the economy and the quality of life for all persons in the state.

(3) There are jobs available in the state that can be filled by unemployed persons.

(4) A public labor exchange can appreciably expedite the employment of unemployed job seekers and filling employer vacancies thereby contributing to the overall health of the state and national economies.

(5) The Washington state job service of the employment security department has provided a proven service of assisting persons to find employment for the past fifty years.

(6) Expediting the reemployment of unemployment insurance claimants will reduce payment of claims drawn from the state unemployment insurance trust fund.

(7) Increased emphasis on assisting in the reemployment of claimants and monitoring claimants' work search efforts will positively impact employer tax rates resulting from the recently enacted experience rating legislation, chapter 205, Laws of 1984.

(8) Special employment service efforts are necessary to adequately serve agricultural employers who have unique needs in the type of workers, recruitment efforts, and the urgency of obtaining sufficient workers.

(9) Study and research of issues related to employment and unemployment provides economic information vital to the decision-making process.

The legislature finds it necessary and in the public interest to establish a program of job service to assist persons drawing unemployment insurance claims to find employment, to provide employment assistance to the agricultural industry, and to conduct research into issues related to employment and unemployment.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Job service" means the employment assistance program of the employment security department;

(2) "Employment assistance" means services to unemployed persons focused on and measured by the obtaining of employment;

(3) "Labor exchange" means those activities which match labor supply and labor demand, including recruitment, screening, and referral of qualified workers to employers;

(4) "Special account of the administrative contingency fund" means that fund under section 8 of this act established within the administrative

contingency fund of the employment security department which provides revenue for the purposes of this chapter.

(5) "Continuous wage and benefit history" means an information and research system utilizing a longitudinal data base containing information on both employment and unemployment.

NEW SECTION. Sec. 3. Job service resources shall be used to assist with the reemployment of unemployed workers using the most efficient and effective means of service delivery. The job service program of the employment security department may undertake any program or activity for which funds are available and which furthers the goals of this chapter. These programs and activities may include, but are not limited to:

(1) Supplementing basic employment services, with special job search and claimant placement assistance designed to assist unemployment insurance claimants to obtain employment;

(2) Providing employment services, such as recruitment, screening, and referral of qualified workers, to agricultural areas where these services have in the past contributed to positive economic conditions for the agricultural industry;

(3) Providing otherwise unobtainable information and analysis to the legislature and program managers about issues related to employment and unemployment; and

(4) To research and consider the degree to which the employment security department can contract with private employment agencies, private for-profit and not-for-profit organizations in the fields of job placement, vocational counseling, career development, career change and employment preparation on a fee for service-performance basis.

Sec. 4. Section 8, chapter 35, Laws of 1945 as last amended by section 9, chapter 13, Laws of 1983 1st ex. sess. and RCW 50.04.070 are each amended to read as follows:

NEW SECTION. Sec. 8. A new section is added to chapter 50.24 RCW to read as follows:

A separate and identifiable account to provide for the financing of special programs to assist the unemployed is established in the administrative contingency fund. Contributions to this account shall accrue and become payable by each employer, except employers as described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu

of contributions, at the rate of two one-hundredths of one percent. The amount of wages subject to tax shall be determined under RCW 50.24.010.

Contributions under this section shall become due and be paid by each employer under rules as the commissioner may prescribe, and shall not be deducted, in whole or in part, from the remuneration of individuals in the employ of the employer. Any deduction in violation of this section is unlawful.

In the payment of any contributions under this section, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

If the commissioner determines that federal funding has been increased to provide financing for the services specified in this act, the commissioner shall direct that collection of contributions under this section be terminated on the following January 1st.

Contributions under this section shall be payable only for calendar years 1986 and 1987.

NEW SECTION. Sec. 9. A new section is added to chapter 50.44 RCW to read as follows:

The term "reasonable assurance," as used in RCW 50.44.050, means a written, verbal, or implied agreement that the employee will perform services in the same capacity during the ensuing academic year or term as in the first academic year or term. A person shall not be deemed to be performing services "in the same capacity" unless those services are rendered under the same terms or conditions of employment in the ensuing year as in the first academic year or term.

Sec. 10. Section 2, chapter 1, Laws of 1971 as last amended by section 1, chapter 1, Laws of 1983 and RCW 50.22.010 are each amended to read as follows:

As used in this chapter, unless the context clearly indicates otherwise:

(1) "Extended benefit period" means a period which:

(a) Begins with the third week after a week for which there is an "on" indicator; and

(b) Ends with the third week after the first week for which there is an "off" indicator: PROVIDED, That no extended benefit period shall last for a period of less than thirteen consecutive weeks, and further that no extended benefit period may begin by reason of an "on" indicator before the fourteenth week after the close of a prior extended benefit period which was in effect with respect to this state.

(2) There is an "on" indicator for this state for a week if the commissioner determines, in accordance with the regulations of the United States secretary of labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) either:

(a) Equaled or exceeded one hundred twenty percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years and equaled or exceeded five percent; or

(b) Equaled or exceeded six percent: PROVIDED, That the six percent trigger shall apply only until ~~((April 30, 1984))~~ December 31, 1985.

(3) There is an "off" indicator for this state for a week if the commissioner determines, in accordance with the regulations of the United States secretary of labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) was either:

(a) Less than five percent; or

(b) Five percent or more but less than six percent and the rate of insured unemployment was less than one hundred twenty percent of the average of the rates for the corresponding thirteen week period ending in each of the two preceding calendar years: PROVIDED, That the six percent trigger shall apply only until ~~((April 30, 1984))~~ December 31, 1985.

(4) "Regular benefits" means benefits payable to an individual under this title or under any state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than extended benefits or additional benefits.

(5) "Extended benefits" means benefits payable for weeks of unemployment beginning in an extended benefit period to an individual under this title or under any state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than regular or additional benefits.

(6) "Additional benefits" are benefits totally financed by the state and payable under this title to exhaustees by reason of conditions of high unemployment or by reason of other special factors.

(7) "Eligibility period" of an individual means the period consisting of the weeks in his or her benefit year which begin in an extended benefit period that is in effect in this state and, if his or her benefit year ends within such extended benefit period, any weeks thereafter which begin in such period.

~~(8) ((An "additional benefit period" means a period within an extended benefit period which:~~

~~(a) Begins with the third week after a week for which:~~

~~(i) The governor determines that adverse economic conditions and high unemployment among the state's workers necessitate payment of additional benefits; and~~

~~(ii) The commissioner determines that, for the fifty-two consecutive weeks ending with such week, the rate of insured unemployment as calculated under (d) of this subsection equals or exceeds six and one-half percent: PROVIDED, That six percent shall apply if the fifty-two week rate of~~

~~insured unemployment has been less than four and one-half percent at any time within the preceding one hundred four weeks.~~

~~(b) Ends with the third week after a week for which the commissioner determines that, for the fifty-two consecutive weeks ending with such week, the rate of insured unemployment as calculated under (d) of this subsection is less than six and one-half percent. PROVIDED, That six percent shall apply if the additional benefit period began because of the proviso in (a)(ii) of this subsection, the fifty-two week rate of insured unemployment has not exceeded six and one-half percent during the additional benefit period, and the additional benefit period has been in effect for fewer than thirty-six weeks.~~

~~(c) No additional benefit period may last for a period of less than thirteen weeks, and no additional benefit period may begin before the fourteenth week after the close of a prior additional benefit period.~~

~~(d) "Rate of insured unemployment," for the purposes of (a) and (b) of this subsection, means the percentage derived by dividing the average weekly number of individuals filing claims in this state for weeks of unemployment with respect to the most recent fifty-two consecutive-week period as determined by the commissioner on the basis of his reports to the United States Secretary of Labor by the average monthly employment covered under this title for the first four of the most recent six completed calendar quarters ending before the end of such fifty-two week period. The division shall be carried to the fourth decimal place with any remaining fraction disregarded.~~

~~(e) If a federally funded program of benefits is established which provides for benefits beyond thirty-nine weeks, any additional benefit period in effect shall terminate on the last day of the week preceding the effective week of the federal program. No additional benefit period may begin while such a federal program is in effect.~~

~~(9)) "Additional benefit eligibility period" of an individual means the period consisting of the weeks in his or her benefit year which begin in an additional benefit period that is in effect and, if his or her benefit year ends within such additional benefit period, any weeks thereafter which begin in such period.~~

~~((+0)) (9) "Exhaustee" means an individual who, with respect to any week of unemployment in his or her eligibility period:~~

~~(a) Has received, prior to such week, all of the regular benefits that were payable to him or her under this title or any other state law (including dependents' allowances and regular benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his or her current benefit year that includes such week; or~~

~~(b) Has received, prior to such week, all of the regular benefits that were available to him or her under this title or any other state law (including dependents' allowances and regular benefits available to federal civilian~~

employees and ex-servicemen under 5 U.S.C. chapter 85) in his or her current benefit year that includes such week, after the cancellation of some or all of his or her wage credits or the total or partial reduction of his or her rights to regular benefits: PROVIDED, That, for the purposes of (a) and (b), an individual shall be deemed to have received in his or her current benefit year all of the regular benefits that were payable to him or her, or available to him or her, as the case may be, even though:

(i) As a result of a pending appeal with respect to wages or employment, or both, that were not included in the original monetary determination with respect to his or her current benefit year, he or she may subsequently be determined to be entitled to more regular benefits; or

(ii) By reason of the seasonal provisions of another state law, he or she is not entitled to regular benefits with respect to such week of unemployment (although he or she may be entitled to regular benefits with respect to future weeks of unemployment in the next season, as the case may be, in his or her current benefit year), and he or she is otherwise an exhaustee within the meaning of this section with respect to his or her right to regular benefits under such state law seasonal provisions during the season or off season in which that week of unemployment occurs; or

(iii) Having established a benefit year, no regular benefits are payable to him or her during such year because his or her wage credits were canceled or his or her right to regular benefits was totally reduced as the result of the application of a disqualification; or

(c) His or her benefit year having ended prior to such week, he or she has insufficient wages or employment, or both, on the basis of which he or she could establish in any state a new benefit year that would include such week, or having established a new benefit year that includes such week, he or she is precluded from receiving regular benefits by reason of the provision in RCW 50.04.030 which meets the requirement of section 3304(a)(7) of the Federal Unemployment Tax Act, or the similar provision in any other state law; and

(d) (i) Has no right for such week to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, and such other federal laws as are specified in regulations issued by the United States secretary of labor; and

NEW SECTION. Sec. 11. A new section is added to chapter 50.22 RCW to read as follows:

(1) An additional benefit period is established beginning on the first Sunday after the effective date of this act. No new claims for additional benefits will be accepted for weeks beginning after December 31, 1985. This additional benefit period shall end with the start of an extended benefit period or with the start of any totally federally funded benefit program for exhaustees.

(2) The weekly benefit amount shall be calculated as specified in RCW 50.22.040.

(3) The total additional benefit amount shall be the lesser of one-fourth of regular benefits or six times the individual's weekly benefit amount.
