

afforded an opportunity to be notified of any substantial development and to comment on its consistency with the goals, policies and regulations of the local master program and of the Shoreline Management Act.

The change proposed to the definition in section 1(3)(c)(vii) would provide a blanket exemption from the permit and public review process for any dock with a value of up to \$6,500. Since docks of this value can have a substantial impact on the environment, create neighborhood conflicts and interfere with navigation, I do not believe such an exemption from the process is appropriate. I am therefore vetoing this portion of Substitute Senate Bill No. 4572.

With the exception of section 1(3)(c)(vii), Substitute Senate Bill No. 4572 is approved.*

CHAPTER 293

[Senate Bill No. 4691]

INDUSTRIAL INSURANCE—CHILD REDEFINED

AN ACT Relating to the definition of child for industrial insurance purposes; amending RCW 51.08.030; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 4, chapter 14, Laws of 1980 and RCW 51.08.030 are each amended to read as follows:

"Child" means every natural born child, posthumous child, stepchild, child legally adopted prior to the injury, child born after the injury where conception occurred prior to the injury, and dependent child in the legal custody and control of the worker, all while under the age of eighteen years, or under the age of twenty-three years while permanently enrolled at a full time course in an accredited school, and over the age of eighteen years if the child is a dependent as a result of a physical, mental, or sensory handicap.

****NEW SECTION. Sec. 2. The director of the department of labor and industries shall appoint a temporary chiropractic advisory committee from health care professionals licensed under chapter 18.25 RCW. The committee shall consist of six members, three from eastern Washington and three from western Washington, who shall serve without compensation, with the director or the director's designee as chair. The committee shall assist in the development for the director's consideration of standards for the determination of temporary and permanent disability, standards for chiropractic treatment, care and practice, and a proposal for a chiropractic peer review program. The temporary chiropractic advisory committee established by this section shall cease to exist on June 30, 1987.***

*Sec. 2 was vetoed, see message at end of chapter.

Passed the Senate March 8, 1986.

Passed the House March 4, 1986.

Approved by the Governor April 4, 1986, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 4, 1986.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 2, Senate Bill No. 4691, entitled:

"AN ACT Relating to the definition of child for industrial insurance purposes."

Section 2 of this bill would create a Chiropractic Advisory Committee to assist the Director of Labor and Industries. Boards, commissions, committees, task forces and similar entities have proliferated in this state, now numbering over 400 such bodies.

State agencies, moreover, generally have the authority to create ad hoc advisory groups as the need arises. This authority makes it unnecessary to create advisory boards in statute.

A Chiropractic Advisory Board to advise the Department of Labor and Industries already exists, created by the department by rule. The committee proposed in this legislation would expire on June 30, 1987; the existing committee can — and probably should — continue past that date. Furthermore, the existing committee can undertake the tasks specified in section 2 of this bill.

For these reasons, I have vetoed section 2.

With the exception of section 2, Senate Bill No. 4691 is approved."

CHAPTER 294

[Substitute Senate Bill No. 4590]

LOCAL GOVERNMENTS—INVESTMENT OF SURPLUS PUBLIC FUNDS

AN ACT Relating to local government; amending RCW 56.16.160 and 57.20.160; adding a new chapter to Title 43 RCW; adding a new section to chapter 36.29 RCW; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The purpose of this chapter is to enable political subdivisions to participate with the state in providing maximum opportunities for the investment of surplus public funds consistent with the safety and protection of such funds. The legislature finds and declares that the public interest is found in providing maximum prudent investment of surplus funds, thereby reducing the need for additional taxation. The legislature also recognizes that not all political subdivisions are able to maximize the return on their temporary surplus funds. The legislature therefore provides in this chapter a mechanism whereby political subdivisions may, at their option, utilize the resources of the state treasurer's office to maximize the potential of surplus funds while ensuring the safety of public funds.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) "Public funds investment account" or "investment pool" means the aggregate of all funds from political subdivisions that are placed in the custody of the state treasurer for investment and reinvestment.

(2) "Political subdivision" means any county, city, town, municipal corporation, political subdivision, or special purpose taxing district in the state.
