

other statutory directives. To this end, the department shall periodically adjust the acreages designated for inclusion in the sustained yield management program and calculate a sustainable harvest level.

NEW SECTION. Sec. 4. If an arrearage exists at the end of any planning decade, the department shall conduct an analysis of alternatives to determine the course of action regarding the arrearage which provides the greatest return to the trusts based upon economic conditions then existing and forecast, as well as impacts on the environment of harvesting the additional timber. The department shall offer for sale the arrearage in addition to the sustainable harvest level adopted by the board of natural resources for the next planning decade if the analysis determined doing so will provide the greatest return to the trusts.

NEW SECTION. Sec. 5. Sections 2 and 4 of this act are each added to chapter 79.68 RCW.

Passed the House March 16, 1987.

Passed the Senate April 8, 1987.

Approved by the Governor April 22, 1987.

Filed in Office of Secretary of State April 22, 1987.
