WASHINGTON SESSION LAWS
GENERAL INFORMATION

1. EDITIONS AVAILABLE.
   (a) General Information. The session laws are printed successively in two editions:
      (i) a temporary pamphlet edition consisting of a series of one or more paper bound
          pamphlets, which are published as soon as possible following the session, at random
          dates as accumulated; followed by
      (ii) a permanent bound edition containing the accumulation of all laws adopted in the
          legislative session. Both editions contain a subject index and tables indicating code
          sections affected.
   (b) Temporary pamphlet edition — where and how obtained — price. The temporary session
       laws may be ordered from the Statute Law Committee, Legislative Building, Olympia,
       Washington 98504 at $5.39 per set ($5.00 plus $.39 for state and local sales tax of 7.8%).
       All orders must be accompanied by payment.
   (c) Permanent bound edition — when and how obtained — price. The two-volume set of the
       permanent bound edition of the 1989 session laws may be ordered from the State Law
       Librarian, Temple of Justice, Olympia, Washington 98504 for $43.12 ($20.00 for each
       volume plus $3.12 for state and local sales tax of 7.8%). All orders must be accompanied
       by payment.

2. PRINTING STYLE — INDICATION OF NEW OR DELETED MATTER
   Both editions of the session laws present the laws in the form in which they were adopted by
   the legislature. This style quickly and graphically portrays the current changes to existing law as
   follows:
   (a) In amendatory sections
      (i) underlined matter is new matter.
      (ii) deleted matter is ((lined out and bracketed between double parentheses)).
   (b) Complete new sections are prefaced by the words NEW SECTION.

3. PARTIAL VETOES
   (a) Vetoed matter is printed in italics.
   (b) Pertinent excerpts of the governor's explanation of partial vetoes are printed at the end of
       the chapter concerned.

4. EDITORIAL CORRECTIONS. Words and clauses inserted in the session laws pursuant to
   the authority of RCW 44.26.060 are enclosed in brackets [brackets].

5. EFFECTIVE DATE OF LAWS
   (a) The state Constitution provides that unless otherwise qualified, the laws of any session
       take effect ninety days after adjournment sine die. The Secretary of State has determined
       the pertinent date for the Laws of the 1989 regular session to be July 23, 1989 (midnight
       July 22). The pertinent date for the Laws of the 1989 1st Extraordinary Session is August
       9, 1989 (midnight August 8). The pertinent date for the Laws of the 1989 2nd Extraordi-
       nary Session is August 19, 1989 (midnight August 18).

       Governor.

CHAPTER 2
[Initiative Measure No. 97]
HAZARDOUS WASTE CLEAN UP

AN ACT Relating to the environment; amending RCW 43.21B.310; adding a new chapter to Title 70 RCW; adding a new chapter to Title 82 RCW; adding a new section to chapter 70.105 RCW; adding a new section to chapter 70.105A RCW; adding a new section to chapter 90.48 RCW; creating new sections; repealing RCW 90.48.460; prescribing penalties; and providing an effective date.

Be it enacted by the People of the State of Washington:

NEW SECTION. Sec. 1. DECLARATION OF POLICY. (1) Each person has a fundamental and inalienable right to a healthful environment, and each person has a responsibility to preserve and enhance that right. The beneficial stewardship of the land, air, and waters of the state is a solemn obligation of the present generation for the benefit of future generations.

(2) A healthful environment is now threatened by the irresponsible use and disposal of hazardous substances. There are hundreds of hazardous waste sites in this state, and more will be created if current waste practices continue. Hazardous waste sites threaten the state's water resources, including those used for public drinking water. Many of our municipal landfills are current or potential hazardous waste sites and present serious threats to human health and environment. The costs of eliminating these threats in many cases are beyond the financial means of our local governments and ratepayers. The main purpose of this act is to raise sufficient funds to clean up all hazardous waste sites and to prevent the creation of future hazards due to improper disposal of toxic wastes into the state's land and waters.

(3) Many farmers and small business owners who have followed the law with respect to their uses of pesticides and other chemicals nonetheless may face devastating economic consequences because their uses have contaminated the environment or the water supplies of their neighbors. With a source of funds, the state may assist these farmers and business owners, as well as those persons who sustain damages, such as the loss of their drinking water supplies, as a result of the contamination.

(4) Because it is often difficult or impossible to allocate responsibility among persons liable for hazardous waste sites and because it is essential
that sites be cleaned up well and expeditiously, each responsible person should be liable jointly and severally.

NEW SECTION. Sec. 2. DEFINITIONS. (1) "Department" means the department of ecology.

(2) "Director" means the director of ecology or the director's designee.

(3) "Facility" means (a) any building, structure, installation, equipment, pipe or pipeline (including any pipe into a sewer or publicly owned treatment works), well, pit, pond, lagoon, impoundment, ditch, landfill, storage container, motor vehicle, rolling stock, vessel, or aircraft, or (b) any site or area where a hazardous substance, other than a consumer product in consumer use, has been deposited, stored, disposed of, or placed, or otherwise come to be located.

(5) "Hazardous substance" means:

(a) Any dangerous or extremely hazardous waste as defined in RCW 70.105.010(5) and (6), or any dangerous or extremely dangerous waste designated by rule pursuant to chapter 70.105 RCW;

(b) Any hazardous substance as defined in RCW 70.105.010(14) or any hazardous substance as defined by rule pursuant to chapter 70.105 RCW;

(c) Any substance that, on the effective date of this section, is a hazardous substance under section 101(14) of the federal cleanup law, 42 U.S.C. Sec. 9601(14);

(d) Petroleum or petroleum products; and

(e) Any substance or category of substances, including solid waste decomposition products, determined by the director by rule to present a threat to human health or the environment if released into the environment.

The term hazardous substance does not include any of the following when contained in an underground storage tank from which there is not a release: Crude oil or any fraction thereof or petroleum, if the tank is in compliance with all applicable federal, state, and local law.

(6) "Owner or operator" means:

(a) Any person with any ownership interest in the facility or who exercises any control over the facility; or

(b) In the case of an abandoned facility, any person who had owned, or operated, or exercised control over the facility any time before its abandonment;

The term does not include:

(i) An agency of the state or unit of local government which acquired ownership or control involuntarily through bankruptcy, tax delinquency, abandonment, or circumstances in which the government involuntarily acquires title. This exclusion does not apply to an agency of the state or unit.
of local government which has caused or contributed to the release or threatened release of a hazardous substance from the facility; or

(ii) A person who, without participating in the management of a facility, holds indicia of ownership primarily to protect the person's security interest in the facility.

(7) "Person" means an individual, firm, corporation, association, partnership, consortium, joint venture, commercial entity, state government agency, unit of local government, federal government agency, or Indian tribe.

(8) "Potentially liable person" means any person whom the department finds, based on credible evidence, to be liable under section 4 of this act. The department shall give notice to any such person and allow an opportunity for comment before making the finding, unless an emergency requires otherwise.

(9) "Public notice" means, at a minimum, adequate notice mailed to all persons who have made timely request of the department and to persons residing in the potentially affected vicinity of the proposed action; mailed to appropriate news media; published in the newspaper of largest circulation in the city or county of the proposed action; and opportunity for interested persons to comment.

(10) "Release" means any intentional or unintentional entry of any hazardous substance into the environment, including but not limited to the abandonment or disposal of containers of hazardous substances.

(11) "Remedy" or "remedial action" means any action or expenditure consistent with the purposes of this chapter to identify, eliminate, or minimize any threat or potential threat posed by hazardous substances to human health or the environment including any investigative and monitoring activities with respect to any release or threatened release of a hazardous substance and any health assessments or health effects studies conducted in order to determine the risk or potential risk to human health.

NEW SECTION. Sec. 3. DEPARTMENT'S POWERS AND DUTIES. (1) The department may exercise the following powers in addition to any other powers granted by law:

(a) Investigate, provide for investigating, or require potentially liable persons to investigate any releases or threatened releases of hazardous substances, including but not limited to inspecting, sampling, or testing to determine the nature or extent of any release or threatened release. If there is a reasonable basis to believe that a release or threatened release of a hazardous substance may exist, the department's authorized employees, agents, or contractors may enter upon any property and conduct investigations. The department shall give reasonable notice before entering property unless an emergency prevents such notice. The department may by subpoena require the attendance or testimony of witnesses and the production of documents or other information that the department deems necessary;
(b) Conduct, provide for conducting, or require potentially liable persons to conduct remedial actions (including investigations under (a) of this subsection) to remedy releases or threatened releases of hazardous substances. In carrying out such powers, the department's authorized employees, agents, or contractors may enter upon property. The department shall give reasonable notice before entering property unless an emergency prevents such notice. In conducting, providing for, or requiring remedial action, the department shall give preference to permanent solutions to the maximum extent practicable and shall provide for or require adequate monitoring to ensure the effectiveness of the remedial action;

(c) Indemnify contractors retained by the department for carrying out investigations and remedial actions, but not for any contractor's reckless or willful misconduct;

(d) Carry out all state programs authorized under the federal cleanup law and the federal resource, conservation, and recovery act, 42 U.S.C. Sec. 6901 et seq., as amended;

(e) Classify substances as hazardous substances for purposes of section 2(5) of this act and classify substances and products as hazardous substances for purposes of section 9(1) of this act; and

(f) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.04 RCW.

(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigative and remedial actions where appropriate. The department, within nine months after the effective date of this section, shall adopt, and thereafter enforce, rules under chapter 34.04 RCW to:

(a) Provide for public participation, including at least (i) the establishment of regional citizen's advisory committees, (ii) public notice of the development of investigative plans or remedial plans for releases or threatened releases, and (iii) concurrent public notice of all compliance orders, enforcement orders, or notices of violation;

(b) Establish a hazard ranking system for hazardous waste sites;

(c) Establish reasonable deadlines not to exceed ninety days for initiating an investigation of a hazardous waste site after the department receives information that the site may pose a threat to human health or the environment and other reasonable deadlines forremedying releases or threatened releases at the site; and

(d) Publish and periodically update minimum cleanup standards for remedial actions at least as stringent as the cleanup standards under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at least as stringent as all applicable state and federal laws, including health-based standards under state and federal law.

(3) Before November 1st of each even-numbered year, the department shall develop, with public notice and hearing, and submit to the ways and
means and appropriate standing environmental committees of the senate and house of representatives a ranked list of projects and expenditures recommended for appropriation from both the state and local toxics control accounts. The department shall also provide the legislature and the public each year with an accounting of the department's activities supported by appropriations from the state toxics control account, including a list of known hazardous waste sites and their hazard rankings, actions taken and planned at each site, how the department is meeting its top two management priorities under RCW 70.105.150, and all funds expended under this chapter.

(4) The department shall establish a scientific advisory board to render advice to the department with respect to the hazard ranking system, cleanup standards, remedial actions, deadlines for remedial actions, monitoring, the classification of substances as hazardous substances for purposes of section 2(5) of this act and the classification of substances or products as hazardous substances for purposes of section 9(1) of this act. The board shall consist of five independent members to serve staggered three-year terms. No members may be employees of the department. Members shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(5) The department shall establish a program to identify potential hazardous waste sites and to encourage persons to provide information about hazardous waste sites.

NEW SECTION. Sec. 4. STANDARD OF LIABILITY. (1) Except as provided in subsection (3) of this section, the following persons are liable with respect to a facility:

(a) The owner or operator of the facility;

(b) Any person who owned or operated the facility at the time of disposal or release of the hazardous substances;

(c) Any person who owned or possessed a hazardous substance and who by contract, agreement, or otherwise arranged for disposal or treatment of the hazardous substance at the facility, or arranged with a transporter for transport for disposal or treatment of the hazardous substances at the facility, or otherwise generated hazardous wastes disposed of or treated at the facility;

(d) Any person (i) who accepts or accepted any hazardous substance for transport to a disposal, treatment, or other facility selected by such person from which there is a release or a threatened release for which remedial action is required, unless such facility, at the time of disposal or treatment, could legally receive such substance; or (ii) who accepts a hazardous substance for transport to such a facility and has reasonable grounds to believe that such facility is not operated in accordance with chapter 70.105 RCW; and

(e) Any person who both sells a hazardous substance and is responsible for written instructions for its use if (i) the substance is used according to
the instructions and (ii) the use constitutes a release for which remedial action is required at the facility.

(2) Each person who is liable under this section is strictly liable, jointly and severally, for all remedial action costs and for all natural resource damages resulting from the releases or threatened releases of hazardous substances. The attorney general, at the request of the department, is empowered to recover all costs and damages from persons liable therefor.

(3) The following persons are not liable under this section:

(a) Any person who can establish that the release or threatened release of a hazardous substance for which the person would be otherwise responsible was caused solely by:

(i) An act of God;
(ii) An act of war; or
(iii) An act or omission of a third party (including but not limited to a trespasser) other than (A) an employee or agent of the person asserting the defense, or (B) any person whose act or omission occurs in connection with a contractual relationship existing, directly or indirectly, with the person asserting this defense to liability. This defense only applies where the person asserting the defense has exercised the utmost care with respect to the hazardous substance, the foreseeable acts or omissions of the third party, and the foreseeable consequences of those acts or omissions;

(b) Any person who is an owner, past owner, or purchaser of a facility and who can establish by a preponderance of the evidence that at the time the facility was acquired by the person, the person had no knowledge or reason to know that any hazardous substance, the release or threatened release of which has resulted in or contributed to the need for the remedial action, was released or disposed of on, in, or at the facility. This subsection (b) is limited as follows:

(i) To establish that a person had no reason to know, the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property, consistent with good commercial or customary practice in an effort to minimize liability. Any court interpreting this subsection (b) shall take into account any specialized knowledge or experience on the part of the person, the relationship of the purchase price to the value of the property if uncontaminated, commonly known or reasonably ascertainable information about the property, the obviousness of the presence or likely presence of contamination at the property, and the ability to detect such contamination by appropriate inspection;

(ii) The defense contained in this subsection (b) is not available to any person who had actual knowledge of the release or threatened release of a hazardous substance when the person owned the real property and who subsequently transferred ownership of the property without first disclosing such knowledge to the transferee;
The defense contained in this subsection (b) is not available to any person who, by any act or omission, caused or contributed to the release or threatened release of a hazardous substance at the facility;

(c) Any natural person who uses a hazardous substance lawfully and without negligence for any personal or domestic purpose in or near a dwelling or accessory structure when that person is: (i) A resident of the dwelling; (ii) a person who, without compensation, assists the resident in the use of the substance; or (iii) a person who is employed by the resident, but who is not an independent contractor;

(d) Any person who, for the purpose of growing food crops, applies pesticides or fertilizers without negligence and in accordance with all applicable laws and regulations.

4. There may be no settlement by the state with any person potentially liable under this chapter except in accordance with this subsection.

(a) The attorney general may agree to a settlement with any potentially liable person only if the department finds, after public notice and hearing, that the proposed settlement would lead to a more expeditious cleanup of hazardous substances in compliance with cleanup standards under section 3(2)(d) of this act and with any remedial orders issued by the department. Whenever practicable and in the public interest, the attorney general may expedite such a settlement with persons whose contribution is insignificant in amount and toxicity.

(b) A settlement agreement under this subsection shall be entered as a consent decree issued by a court of competent jurisdiction.

(c) A settlement agreement may contain a covenant not to sue only of a scope commensurate with the settlement agreement in favor of any person with whom the attorney general has settled under this section. Any covenant not to sue shall contain a reopener clause which requires the court to amend the covenant not to sue if factors not known at the time of entry of the settlement agreement are discovered and present a previously unknown threat to human health or the environment.

(d) A party who has resolved its liability to the state under this subsection shall not be liable for claims for contribution regarding matters addressed in the settlement. The settlement does not discharge any of the other liable parties but it reduces the total potential liability of the others to the state by the amount of the settlement.

5. Nothing in this chapter affects or modifies in any way any person's right to seek or obtain relief under other statutes or under common law, including but not limited to damages for injury or loss resulting from a release or threatened release of a hazardous substance. No settlement by the department or remedial action ordered by a court or the department affects any person's right to obtain a remedy under common law or other statutes.

NEW SECTION. Sec. 5. ENFORCEMENT. (1) With respect to any release, or threatened release, for which the department does not conduct or
contract for conducting remedial action and for which the department be-
lieves remedial action is in the public interest, the director shall issue orders
requiring potentially liable persons to provide the remedial action. Any lia-
ble person who refuses, without sufficient cause, to comply with an order of
the director is liable in an action brought by the attorney general for:

(a) Up to three times the amount of any costs incurred by the state as
a result of the party's refusal to comply; and
(b) A civil penalty of up to twenty-five thousand dollars for each day
the party refuses to comply.
The treble damages and civil penalty under this subsection apply to all re-
covery actions filed on or after the effective date of this section.

(2) Any person who incurs costs complying with an order issued under
subsection (1) of this section may petition the department for reimburse-
ment of those costs. If the department refuses to grant reimbursement, the
person may within thirty days thereafter file suit and recover costs by prov-
ing that he or she was not a liable person under section 4 of this act and
that the costs incurred were reasonable.

(3) The attorney general shall seek, by filing an action if necessary, to
recover the amounts spent by the department for investigative and remedial
actions and orders, including amounts spent prior to the effective date of
this section.

(4) The attorney general may bring an action to secure such relief as is
necessary to protect human health and the environment under this chapter.

(5) (a) Any person may commence a civil action to compel the depart-
ment to perform any nondiscretionary duty under this chapter. At least
thirty days before commencing the action, the person must give notice of
intent to sue, unless a substantial endangerment exists. The court may
award attorneys' fees and other costs to the prevailing party in the action.

(b) Civil actions under this section and section 6 of this act may be
brought in the superior court of Thurston county or of the county in which
the release or threatened release exists.

NEW SECTION. Sec. 6. TIMING OF REVIEW. The department's
investigative and remedial decisions under sections 3 and 5 of this act and
its decisions regarding liable persons under sections 2(8) and 4 of this act
shall be reviewable exclusively in superior court and only at the following
times: (1) In a cost recovery suit under section 5(3) of this act; (2) in a suit
by the department to enforce an order or seek a civil penalty under this
chapter; (3) in a suit for reimbursement under section 5(2) of this act; (4)
in a suit by the department to compel investigative or remedial action; and
(5) in a citizen's suit under section 5(5) of this act. The court shall uphold
the department's actions unless they were arbitrary and capricious.

NEW SECTION. Sec. 7. TOXICS CONTROL ACCOUNTS. (1)
The state toxics control account and the local toxics control account are
hereby created in the state treasury.
The following moneys shall be deposited into the state toxics control account: (a) Those revenues which are raised by the tax imposed under section 10 of this act and which are attributable to that portion of the rate equal to thirty-three one-hundredths of one percent; (b) the costs of remedial actions recovered under this chapter or chapter 70.105A RCW after the effective date of this section; (c) penalties collected or recovered under this chapter; and (d) any other money appropriated or transferred to the account by the legislature. Moneys in the account may be used only to carry out the purposes of this chapter, including but not limited to the following activities:

(i) The state's responsibility for hazardous waste planning, management, regulation, enforcement, technical assistance, and public education required under chapter 70.105 RCW;
(ii) The state's responsibility for solid waste planning, management, regulation, enforcement, technical assistance, and public education required under chapter 70.95 RCW;
(iii) The hazardous waste cleanup program required under this chapter;
(iv) State matching funds required under the federal cleanup law;
(v) Financial assistance for local programs in accordance with RCW 70.95.130, 70.95.140, 70.95.220, 70.95.230, 70.95.530, 70.105.220, 70.105.225, 70.105.235, and 70.105.260;
(vi) State government programs for the safe reduction, recycling, or disposal of hazardous wastes from households, small businesses, and agriculture;
(vii) Hazardous materials emergency response training;
(viii) Water and environmental health protection and monitoring programs;
(ix) Programs authorized under chapter 70.146 RCW;
(x) A public participation program, including regional citizen advisory committees;
(xi) Public funding to assist potentially liable persons to pay for the costs of remedial action in compliance with cleanup standards under section 3(2)(d) of this act but only when the amount and terms of such funding are established under a settlement agreement under section 4(4) of this act and when the director has found that the funding will achieve both (A) a substantially more expeditious or enhanced cleanup than would otherwise occur, and (B) the prevention or mitigation of unfair economic hardship; and
(xii) Development and demonstration of alternative management technologies designed to carry out the top two hazardous waste management priorities of RCW 70.105.150.

The following moneys shall be deposited into the local toxics control account: Those revenues which are raised by the tax imposed under section 10 of this act and which are attributable to that portion of the rate
equal to thirty-seven one-hundredths of one percent. Moneys deposited in the local toxics control account shall be used by the department for grants to local governments for the following purposes in descending order of priority: (a) Remedial actions; (b) hazardous waste plans and programs under RCW 70.105.220, 70.105.225, 70.105.235, and 70.105.260; and (c) solid waste plans and programs under RCW 70.95.130, 70.95.140, 70.95.220, and 70.95.230. Funds for plans and programs shall be allocated consistent with the priorities and matching requirements established in chapters 70-.105 and 70.95 RCW.

(4) Except for unanticipated receipts under RCW 43.79.260 through 43.79.282, moneys in the state and local toxics control accounts may be spent only after appropriation by statute. All earnings from investment of balances in the accounts, except as provided in RCW 43.84.090, shall be credited to the accounts.

(5) One percent of the moneys deposited into the state and local toxics control accounts shall be allocated only for public participation grants to persons who may be adversely affected by a release or threatened release of a hazardous substance and to not-for-profit public interest organizations. The primary purpose of these grants is to facilitate the participation by persons and organizations in the investigation and remedying of releases or threatened releases of hazardous substances and to implement the state's solid and hazardous waste management priorities. No grant may exceed fifty thousand dollars though it may be renewed annually. Moneys appropriated for public participation from either account which are not expended at the close of any biennium shall revert to the state toxics control account.

(6) No moneys deposited into either the state or local toxics control account may be used for solid waste incinerator feasibility studies, construction, maintenance, or operation.

(7) The department shall adopt rules for grant issuance and performance.

NEW SECTION. Sec. 8. INTENT OF POLLUTION TAX. It is the intent of this chapter to impose a tax only once for each hazardous substance possessed in this state and to tax the first possession of all hazardous substances, including substances and products that the department of ecology determines to present a threat to human health or the environment. However, it is not intended to impose a tax on the first possession of small amounts of any hazardous substance (other than petroleum and pesticide products) that is first possessed by a retailer for the purpose of sale to ultimate consumers. This chapter is not intended to exempt any person from tax liability under any other law.

NEW SECTION. Sec. 9. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Hazardous substance" means:
(a) Any substance that, on the effective date of this section, is a hazardous substance under section 101(14) of the federal comprehensive environmental response, compensation, and liability act of 1980, 42 U.S.C. Sec. 9601(14), as amended by Public Law 99-499;
(b) Petroleum products;
(c) Any pesticide product required to be registered under the federal insecticide, fungicide and rodenticide act; and
(d) Any other substance, category of substance, and any product or category of product determined by the director of ecology by rule to present a threat to human health or the environment if released into the environment. The director of ecology shall not add or delete substances from this definition more often than twice during each calendar year. For tax purposes, changes in this definition shall take effect on the first day of the next month that is at least thirty days after the effective date of the rule. The word "product" or "products" as used in this paragraph (d) means an item or items containing both: (i) One or more substances that are hazardous substances under (a), (b), or (c) of this subsection or that are substances or categories of substances determined under this paragraph (d) to present a threat to human health or the environment if released into the environment; and (ii) one or more substances that are not hazardous substances.

(2) "Petroleum product" means plant condensate, lubricating oil, gasoline, aviation fuel, kerosene, diesel motor fuel, benzol, fuel oil, residual oil, liquefied or liquefiable gases such as butane, ethane, and propane, and every other product derived from the refining of crude oil, but the term does not include crude oil.

(3) "Possession" means the control of a hazardous substance located within this state and includes both actual and constructive possession. "Actual possession" occurs when the person with control has physical possession. "Constructive possession" occurs when the person with control does not have physical possession. "Control" means the power to sell or use a hazardous substance or to authorize the sale or use by another.

(4) "Previously taxed hazardous substance" means a hazardous substance in respect to which a tax has been paid under this chapter and which has not been remanufactured or reprocessed in any manner (other than mere repackaging or recycling for beneficial reuse) since the tax was paid.

(5) "Wholesale value" means fair market wholesale value, determined as nearly as possible according to the wholesale selling price at the place of use of similar substances of like quality and character, in accordance with rules of the department.

(6) Except for terms defined in this section, the definitions in chapters 82.04, 82.08, and 82.12 RCW apply to this chapter.

NEW SECTION. Sec. 10. POLLUTION TAX. (1) A tax is imposed on the privilege of possession of hazardous substances in this state. The rate
of the tax shall be seven-tenths of one percent multiplied by the wholesale value of the substance.

(2) Moneys collected under this chapter shall be deposited in the toxics control accounts under section 7 of this act.

(3) Chapter 82.32 RCW applies to the tax imposed in this chapter. The tax due dates, reporting periods, and return requirements applicable to chapter 82.04 RCW apply equally to the tax imposed in this chapter.

NEW SECTION. Sec. 11. EXEMPTIONS. The following are exempt from the tax imposed in this chapter:

(1) Any successive possession of a previously taxed hazardous substance. If tax due under this chapter has not been paid with respect to a hazardous substance, the department may collect the tax from any person who has had possession of the hazardous substance. If the tax is paid by any person other than the first person having taxable possession of a hazardous substance, the amount of tax paid shall constitute a debt owed by the first person having taxable possession to the person who paid the tax.

(2) Any possession of a hazardous substance by a natural person under circumstances where the substance is used, or is to be used, for a personal or domestic purpose (and not for any business purpose) by that person or a relative of, or person residing in the same dwelling as, that person.

(3) Any possession of a hazardous substance amount which is determined as minimal by the department of ecology and which is possessed by a retailer for the purpose of making sales to ultimate consumers. This exemption does not apply to pesticide or petroleum products.

(4) Any possession of alumina or natural gas.

(5) Persons or activities which the state is prohibited from taxing under the United States Constitution.

(6) Any persons possessing a hazardous substance where such possession first occurred before the effective date of this section.

NEW SECTION. Sec. 12. CREDITS. (1) Credit shall be allowed in accordance with rules of the department of revenue for taxes paid under this chapter with respect to fuel carried from this state in the fuel tank of any airplane, ship, truck, or other vehicle.

(2) Credit shall be allowed, in accordance with rules of the department, against the taxes imposed in this chapter for any hazardous substance tax paid to another state with respect to the same hazardous substance. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to that hazardous substance. For the purpose of this subsection:

(a) "Hazardous substance tax" means a tax:

(i) Which is imposed on the act or privilege of possessing hazardous substances, and which is not generally imposed on other activities or privileges; and
(ii) Which is measured by the value of the hazardous substance, in terms of wholesale value or other terms, and in the determination of which the deductions allowed would not constitute the tax an income tax or value added tax.

(b) "State" means (i) the state of Washington, (ii) a state of the United States other than Washington, or any political subdivision of such other state, (iii) the District of Columbia, and (iv) any foreign country or political subdivision thereof.

NEW SECTION. Sec. 13. WATER DISCHARGE FEES. A new section is added to chapter 90.48 RCW to read as follows:

(1) The department shall establish annual fees to collect expenses for issuing and administering each class of permits under RCW 90.48.160, 90.48.162, and 90.48.260. An initial fee schedule shall be established by rule within one year of the effective date of this section, and thereafter the fee schedule shall be adjusted no more often than once every two years. This fee schedule shall apply to all permits, regardless of date of issuance, and fees shall be assessed prospectively. All fees charged shall be based on factors relating to the complexity of permit issuance and compliance and may be based on pollutant loading and toxicity and be designed to encourage recycling and the reduction of the quantity of pollutants. Fees shall be established in amounts to fully recover and not to exceed expenses incurred by the department in processing permit applications and modifications, monitoring and evaluating compliance with permits, conducting inspections, securing laboratory analysis of samples taken during inspections, reviewing plans and documents directly related to operations of permittees, overseeing performance of delegated pretreatment programs, and supporting the overhead expenses that are directly related to these activities.

(2) The annual fee paid by a municipality, as defined in 33 U.S.C. Sec. 1362, for all domestic wastewater facility permits issued under RCW 90.48.162 and 90.48.260 shall not exceed the total of a maximum of five cents per month per residence or residential equivalent contributing to the municipality's wastewater system. The department shall adopt by rule a schedule of credits for any municipality engaging in a comprehensive monitoring program beyond the requirements imposed by the department, with the credits available for five years from the effective date of this section and with the total amount of all credits not to exceed fifty thousand dollars in the five-year period.

(3) The department shall ensure that indirect dischargers do not pay twice for the administrative expense of a permit. Accordingly, administrative expenses for permits issued by a municipality under RCW 90.48.165 are not recoverable by the department.

(4) In establishing fees, the department shall consider the economic impact of fees on small dischargers and the economic impact of fees on
public entities required to obtain permits for storm water runoff and shall provide appropriate adjustments.

(5) All fees collected under this section shall be deposited in the water quality permit account hereby created in the state treasury. Moneys in the account may be appropriated only for purposes of administering permits under RCW 90.48.160, 90.48.162, and 90.48.260.

(6) The department shall submit an annual report to the legislature showing detailed information on fees collected, actual expenses incurred, and anticipated expenses for the current and following fiscal years.

(7) The legislative budget committee in 1993 shall review the fees established under this section and report its findings to the legislature in January 1994.

Sec. 14. Section 6, chapter 109, Laws of 1987 and RCW 43.21B.310 are each amended to read as follows:

(1) Any order issued by the department or authority pursuant to RCW 70.94.211, 70.94.332, 70.105.095, 43.27A.190, 86.16.020, or 90.48.120(2) or any provision enacted after July 26, 1987, or any permit, certificate, or license issued by the department may be appealed to the pollution control hearings board if the appeal is filed with the board and served on the department or authority within thirty days after receipt of the order. Except as provided under chapter 70.—RCW (sections 1 through 7 of this 1988 act) this is the exclusive means of appeal of such an order.

(2) The department or the authority in its discretion may stay the effectiveness of an order during the pendency of such an appeal.

(3) At any time during the pendency of an appeal of such an order to the board, the appellant may apply pursuant to RCW 43.21B.320 (section 7, chapter 109, Laws of 1987) to the hearings board for a stay of the order or for the removal thereof.

(4) Any appeal must contain the following in accordance with the rules of the hearings board:

(a) The appellant's name and address;

(b) The date and docket number of the order, permit, or license appealed;

(c) A description of the substance of the order, permit, or license that is the subject of the appeal;

(d) A clear, separate, and concise statement of every error alleged to have been committed;

(e) A clear and concise statement of facts upon which the requester relies to sustain his or her statements of error; and

(f) A statement setting forth the relief sought.

(5) Upon failure to comply with any final order of the department, the attorney general, on request of the department, may bring an action in the superior court of the county where the violation occurred or the potential
violation is about to occur to obtain such relief as necessary, including injunctive relief, to insure compliance with the order. The air authorities may bring similar actions to enforce their orders.

(6) An appealable decision or order shall be identified as such and shall contain a conspicuous notice to the recipient that it may be appealed only by filing an appeal with the hearings board and serving it on the department within thirty days of receipt.

NEW SECTION. Sec. 15. A new section is added to chapter 70.105 RCW to read as follows:

Any person who knowingly transports, treats, stores, handles, disposes of, or exports a hazardous substance in violation of this chapter is guilty of:

(1) A class B felony if the person knows at the time that the conduct constituting the violation places another person in imminent danger of death or serious bodily injury; or

(2) a class C felony if the person knows that the conduct constituting the violation places any property of another person or any natural resources owned by the state of Washington or any of its local governments in imminent danger of harm. As used in this section, "imminent danger" means that there is a substantial likelihood that harm will be experienced within a reasonable period of time should the danger not be eliminated. As used in this section, "knowingly" refers to an awareness of facts, not awareness of law. Violators shall be punished as provided under RCW 9A.20.021.

NEW SECTION. Sec. 16. A new section is added to chapter 70.105A RCW to read as follows:

The legislature is encouraged to revise the hazardous waste fees prescribed in RCW 70.105A.030 in a manner which provides an incentive for waste reduction and recycling. If prior to the effective date of this section, RCW 70.105A.030 as it existed on August 1, 1987, has not been amended in a manner which specifically provides an incentive for hazardous waste reduction and recycling, then (1) the requirement to pay the fees prescribed in that section is eliminated solely for fees due and payable on June 30, 1989; and (2) the department of ecology shall prepare, and submit to the legislature by January 1, 1990, a proposed revision designed to provide an incentive for hazardous waste reduction and recycling.

NEW SECTION. Sec. 17. REPEALER. Section 4, chapter 249, Laws of 1985 and RCW 90.48.460 are each repealed.

This section shall take effect on the date the rule establishing the initial fee schedule under section 13 of this act takes effect.

NEW SECTION. Sec. 18. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.
NEW SECTION, Sec. 19. CONSTRUCTION. The provisions of this act are to be liberally construed to effectuate the policies and purposes of this act. In the event of conflict between the provisions of this act and any other act, the provisions of this act shall govern.

NEW SECTION, Sec. 20. EXISTING AGREEMENTS. The consent orders and decrees in effect on the effective date of this section shall remain valid and binding.

NEW SECTION, Sec. 21. CAPTIONS. As used in this act, captions constitute no part of the law.

NEW SECTION, Sec. 22. SHORT TITLE. This act shall be known as "the model toxics control act."

NEW SECTION, Sec. 23. LEGISLATIVE DIRECTIVE. Sections 1 through 7 of this act shall constitute a new chapter in Title 70 RCW. Sections 8 through 12 of this act shall constitute a new chapter in Title 82 RCW.

NEW SECTION, Sec. 24. REPEALER. Any bill of the legislature involving hazardous substance cleanup (along with any other subject matter) that is enacted between August 15, 1987, and January 1, 1988, is superseded and repealed.

NEW SECTION, Sec. 25. IMPLEMENTATION. By the effective date of this act, the legislature shall provide for any appropriations and/or transfers of appropriations or funds made or accumulated under the bill repealed under section 24 of this act that are necessary to implement this act.

NEW SECTION, Sec. 26. EFFECTIVE DATE. (1) Sections 1 through 24 of this act shall take effect March 1, 1989, except that the director of ecology and the director of revenue may take whatever actions may be necessary to ensure that sections 1 through 24 of this act are implemented on their effective date.

(2) This section does not apply and shall have no force or effect if (a) this act is passed by the legislature in the 1988 regular session or (b) no bill is enacted by the legislature involving hazardous substance cleanup (along with any other subject matter) between August 15, 1987, and January 1, 1988.

Filed in Office of Secretary of State August 13, 1987.
Passed by the vote of the people at the November 8, 1988 state general election.
Proclamation signed by the Governor, December 8, 1988, declaring measure effective law.
CHAPTER 3

[Substitute House Bill No. 1599]

ALCOHOLISM AND DRUG ADDICTION TREATMENT AND SUPPORT ACT—FUNDING AND ELIGIBILITY MODIFICATIONS

AN ACT Relating to programs for persons suffering from alcoholism or drug addiction; adding a new section to chapter 74.50 RCW; adding a new section to chapter 74.08 RCW; creating a new section; repealing RCW 74.50.030; making an appropriation; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that chapter 74.50 RCW, the alcoholism and drug addiction treatment and support act, is a successful method of providing treatment to indigent alcoholics and drug addicts. The legislature further finds that the program is facing fiscal restraints in the current biennium that may prevent the program from accomplishing its mission and may do irreparable harm to the continuation of the program.

NEW SECTION. Sec. 2. A new section is added to chapter 74.50 RCW to read as follows:

Within available funds, the department may provide to eligible persons services for assessment, inpatient and outpatient treatment, and shelter. In order to control expenditures or to comply with conditions or limitations placed on appropriations, the department may establish caseload ceilings and client eligibility standards for any of these services. The eligibility standards may provide for limiting eligibility for any service to that class or classes of applicants that the department determines constitute the highest priority for services under this chapter. The department's determination of priority shall be based on the department's estimate of the potential benefit to applicants and the likelihood that the service will reduce future demands for state assistance. The department may provide such a priority classification system for any or all services provided under this chapter. Any caseload ceiling or priority classification system adopted by the department shall be consistent with any appropriation condition or limitation prescribing or dealing with such a ceiling or system. If funds provided for any of these services have been fully expended, the department shall immediately discontinue that service.

NEW SECTION. Sec. 3. A new section is added to chapter 74.08 RCW to read as follows:

Nothing in this chapter except RCW 74.08.070 and 74.08.080 applies to chapter 74.50 RCW.

NEW SECTION. Sec. 4. Section 4, chapter 406, Laws of 1987, section 2, chapter 163, Laws of 1988 and RCW 74.50.030 are each repealed.
NEW SECTION. Sec. 5. The sum of ten million two hundred thousand dollars, or as much thereof as may be necessary, is appropriated for the fiscal biennium ending June 30, 1989, from the general fund to the department of social and health services solely for alcoholism and drug addiction services as specifically described in this section. Four million eight hundred thousand dollars of this appropriation shall be from federal sources. The appropriation in this section is subject to the following conditions and limitations:

(1) This appropriation shall not be construed as a commitment to a funding level for the program for the 1989–91 fiscal biennium.

(2) The department shall manage treatment services so that caseloads are gradually modified to produce a caseload of approximately 1,075 outpatient clients on June 30, 1989. Living allowance stipends for outpatient treatment clients may be paid within this appropriation.

(3) The highest priority classes of clients for treatment services, in order of priority, are: (a) Pregnant women; (b) persons referred through child protective services; (c) adults living in households with children; and (d) persons who receive substantial services from the state, as determined by the department.

(4) The department shall manage shelter services so that caseloads are gradually modified to achieve an average of approximately 1,213 clients per month receiving shelter services during the period from January 1, 1989, through June 30, 1989.

(5) For the period February 1, 1989, through June 30, 1989, the average monthly rate of expenditure for assessment services shall be not more than seventy-five percent of the expenditure rate for assessment services during January 1989.

(6) If any condition or limitation in this section is held null or invalid, the general fund—state appropriation in this section shall lapse and any unexpended funds shall revert to an unappropriated status.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

AN ACT Relating to elections; providing for a presidential preference primary; amending RCW 29.13.010 and 29.13.020; and creating a new chapter in Title 29 RCW.

Be it enacted by the People of the State of Washington:

NEW SECTION. Sec. 1. The people of the state of Washington declare that:

(1) The current presidential nominating caucus system in Washington state is unnecessarily restrictive of voter participation in that it discriminates against the elderly, the infirm, women, the handicapped, evening workers, and others who are unable to attend caucuses and therefore unable to fully participate in this most important quadrennial event that occurs in our democratic system of government.

(2) It is the intent of this chapter to make the presidential selection process more open and representative of the will of the people of our state.

(3) A presidential primary will afford the maximum opportunity for voter access at regular polling places during the daytime and evening hours convenient to the most people.

(4) This state's participation in the selection of presidential candidates shall be in accordance with the will of the people as expressed in a presidential preference primary.

(5) It is the intent of this chapter, to the maximum extent practicable, to continue to reserve to the political parties the right to conduct their delegate selection as prescribed by party rules insofar as it reflects the will of the people as expressed in a presidential primary election conducted every four years in the manner described by this chapter.

NEW SECTION. Sec. 2. On the fourth Tuesday in May of each year when a president of the United States is to be nominated and elected, or such other date as may be selected by the secretary of state to advance the concept of a regional primary, a presidential preference primary shall be held at which voters may express their preferences as to who should be the nominee of a major political party for the office of president.

NEW SECTION. Sec. 3. The name of any candidate for a major political party nomination for president of the United States shall be printed on the presidential preference primary ballot of a major political party only:

(1) By direction of the secretary of state, who in the secretary's sole discretion has determined that the candidate's candidacy is generally advocated or is recognized in national news media; or
(2) If members of the political party of the candidate have presented a petition for nomination of the candidate that has attached to the petition a sheet or sheets containing the signatures of at least one thousand registered voters who declare themselves in the petition as being affiliated with the same political party as the presidential candidate. The petition shall be filed with the secretary of state not later than the thirty-ninth day before the presidential preference primary. The signature sheets shall also contain the residence address and name or number of the precinct of each registered voter whose signature appears thereon and shall be certified in the manner prescribed in RCW 29.79.200 and 29.79.210.

The secretary of state shall place the name of the candidate on the ballot unless the candidate, at least thirty-five days before the presidential preference primary, executes and files with the secretary of state an affidavit stating without qualification that he or she is not now and will not become a candidate for the office of president of the United States at the forthcoming presidential election. The secretary of state shall certify the names of all candidates who will appear on the presidential preference primary ballot to the respective county auditors on or before the fourth Tuesday in April of each presidential election year.

NEW SECTION. Sec. 4. The arrangement and form of presidential primary ballots shall be substantially as provided for any primary election within the state except as may be modified by this chapter or by rule of the secretary of state as provided for in section 7 of this act to adequately reflect the intent of this chapter.

A separate ballot shall be prepared for each major political party that has candidates whose names have been authorized for placement on presidential preference primary ballots under section 3 of this act. The names of all candidates for a party's nomination for the office of president shall be listed alphabetically in a column on that party's ballot. There shall be a printed box adjacent to the name of each candidate. A blank space to allow the voter to write in the name of another candidate shall also be included on each ballot.

The ballot, in providing for a choice of candidates for the office of president, shall set forth only those candidates, with their political party affiliation, who have qualified for a place on the ballot under section 3 of this act.

NEW SECTION. Sec. 5. Insofar as is practicable, and where the provisions of this chapter do not specifically indicate otherwise, the presidential preference primary shall be conducted in the same manner as a state partisan primary, including the certification of the election returns by the secretary of state. The requirement of rotation of names on the ballot does not apply to the candidates listed on the presidential preference primary ballot.
County auditors may combine and consolidate two or more precincts for the purpose of conducting the presidential preference primary only if precinct vote totals for the primary can still be made available and the consolidation does not require a voter to go to a location different from that of the last regular election.

Each person desiring to vote in the presidential preference primary shall receive a ballot request form on which the voter shall sign his or her name and address and declare the party primary in which he or she wishes to participate.

The secretary shall prescribe rules for providing each party central committee a list of the voters who participated in the presidential primary of that party.

The signed ballot request forms shall be maintained in the centralized containers by the county auditor for a period of time as specified by rule of the secretary of state, after which time they shall be destroyed, unless otherwise directed by federal law.

At a presidential preference primary, a voter may cast no more than one vote on a ballot. Any presidential preference primary ballot with more than one vote is void, and notice to this effect, couched in clear, simple language, and printed in large type, shall appear on the face of each presidential preference primary ballot. Where voting machines or electronic voting devices are in use, the notice shall be displayed on or about each machine or device.

**NEW SECTION.** Sec. 6. (1) The results of the presidential preference primary shall determine the percentage of delegate positions to be allocated to each presidential candidate. Selection of individuals to delegate positions shall be in compliance with applicable state party rules, and to the extent practicable, delegates shall be apportioned among the state's congressional districts. Delegate positions shall be allocated to presidential candidates in the manner specified in subsection (3) of this section except as otherwise provided by national party rules.

(2) All votes cast for a particular presidential candidate in a party's primary shall be considered votes for delegate positions committed to that candidate.

Each candidate for a delegate position who is committed to a particular presidential candidate, before the selection of delegates, shall sign and submit to the appropriate party's state committee the following pledge:

**Delegate Pledge**

I, ............, do hereby swear that I am a supporter of ............ for the office of President of the United States; and that if elected as a delegate to the ............ Party National
Convention I pledge to cast my ballot as a delegate to the convention for that candidate on the first two ballots unless released by the candidate, and I pledge furthermore to do all that I can to advance the cause of that candidate at the national convention.

(3) Except as otherwise provided by national party rules, delegate positions shall be allocated from the state at-large among presidential candidates who receive at least fifteen percent of the total votes cast for candidates of the same political party, or such other percentage as national party rules may provide. Each candidate so qualified shall be allocated a percentage of delegate positions equal to as nearly as practicable that candidate's percentage of the total votes cast for candidates of the same political party in the presidential preference primary. The votes of candidates who do not receive at least fifteen percent of the total votes cast in their parties' presidential preference primary shall be proportionately allocated to those candidates who did receive fifteen percent or more of the total votes cast in their parties' presidential preference primary.

(4) If any presidential candidate, at any time after the presidential preference primary, formally releases the delegates holding positions committed to him or her under the formula established by subsection (3) of this section, the delegates shall be considered uncommitted. The delegates holding positions committed to a candidate shall be considered formally released when the candidate so notifies, in writing, the chair of his or her party's delegation.

(5) In the event of the death of a candidate to whom delegate positions have been committed, all such positions shall be considered uncommitted.

(6) If no ballot choice on a political party ballot receives fifteen percent or more of the total votes cast, the state committee of the political party shall determine how delegate positions allotted to the state by the national committee shall be committed.

(7) If a vacancy occurs in the position of delegate, the remaining delegates committed to the same preference as the vacating person shall name a person to fill the vacancy.

NEW SECTION. Sec. 7. The secretary of state as chief election officer may make rules in accordance with chapter 34.04 RCW or its statutory successor to facilitate the operation, accomplishment, and purpose of this chapter.

NEW SECTION. Sec. 8. Whenever a presidential preference primary election is held as provided by this chapter, the state of Washington shall assume all costs of holding the election if it is held alone. If any other election or elections are held at the same time, the state is liable only for its
prorated share. The county auditor shall determine the election costs, including the state's prorated share, if applicable, and shall file a certified claim therefore with the secretary of state. The secretary of state shall compile such claims for presentation to the next succeeding legislature in the same manner as other legislative relief claims.

Sec. 9. Section 29.13.010, chapter 9, Laws of 1965 as last amended by section 1, chapter 3, Laws of 1980 and RCW 29.13.010 are each amended to read as follows:

Sec. 3. Section 1, chapter 130, Laws of 1913 as last amended by section 1, chapter 79, Laws of 1987 and RCW 19.29.010 are each amended to read as follows:

It shall be unlawful from and after the passage of this chapter for any officer, agent, or employee of the state of Washington, or of any county, city or other political subdivision thereof, or for any other person, firm or corporation, or its officers, agents or employees, to run, place, erect, maintain, or use any electrical apparatus or construction, except as provided in the rules of this chapter.

Rule 1. No wire or cable, except the neutral, carrying a current of less than seven hundred fifty volts of electricity within the corporate limits of any city or town shall be run, placed, erected, maintained or used on any insulator the center of which is less than thirteen inches from the center line of any pole. And no such wire, except the neutral, shall be run past any pole to which it is not attached at a distance of less than thirteen inches from the center line thereof. This rule shall not apply to any wire or cable where the same is run from under ground and placed vertically on the pole; nor to any wire or cable where the same is attached to the top of the pole; nor to a pole top fixture as between it and the same pole; nor to any wire or cable between the points where the same is made to leave any pole or fixture thereon for the purpose of entering any building or other structure and the point of attachment to such building or structure; nor to any jumper wire or cable carrying a current or connected with a transformer or other appliance on the same pole; nor to bridle or jumper wires on any pole which are attached to or connected with signal wires on the same pole; nor to any aerial cable as between such cable and any pole upon which it originates or terminates; nor to exclusive telephone or telegraph toll lines; nor to aerial cables containing telephone, telegraph, or signal wires, or wires continuing from same, where the cable is attached to poles on which no wires or cables other than the wires continuing from said cable are maintained, provided, that electric light or power wires or cables are in no case maintained on the same side of the street or highway on which said aerial cable is placed.

Rule 2. No wire or cable used to carry a current of over seven hundred fifty volts of electricity within the incorporate limits of any city or town shall be run, placed, erected, maintained or used on any insulator the center of which is nearer than twenty-four inches to the center line of any pole. And no such wire or cable shall be run past any pole to which it is not attached at a distance of less than twenty-four inches from the center line thereof: PROVIDED, That this shall not apply to any wire or cable where the same is run from under ground and placed vertically on the pole; nor to any wire or cable where the same is attached to the top of the pole; nor to a pole top fixture, as between it and the same pole; nor to any wire or cable between the points where the same is made to leave any pole or fixture thereon for the purpose of entering any building or other structure, and the
point of attachment to said building or structure; nor to any jumper wire or
cable carrying a current or connected with transformers or other appliances
on the same pole: PROVIDED FURTHER, That where said wire or cable
is run vertically, it shall be rigidly supported and where possible run on the
ends of the cross-arms.

Rule 3. No wire or cable carrying a current of more than seven hun-
dred fifty volts, and less than seventy-five hundred volts of electricity, shall
be run, placed, erected, maintained or used within three feet of any wire or
cable carrying a current of seven hundred fifty volts or less of electricity;
and no wire or cable carrying a current of more than seventy-five hundred
volts of electricity shall be run, placed, erected, maintained, or used within
seven feet of any wire or cable carrying less than seventy-five hundred volts:

the point of attachment to said building or structure; nor to any jumper
wire or cable carrying a current or connected with a transformer or other
appliance on the same pole: PROVIDED, That where run vertically, wires
or cables shall be rigidly supported, and where possible run on the ends of
the cross-arms: PROVIDED FURTHER, That as between any two wires
or cables mentioned in Rules 1, 2 and 3 of this section, only the wires or
cables last in point of time so run, placed, erected or maintained, shall be
held to be in violation of the provisions thereof.

Rule 4. No wire or cable used for telephone, telegraph, district mes-
enger, or call bell circuit, fire or burglar alarm, or any other similar sys-
tem, shall be run, placed, erected, maintained or used on any pole at a
distance of less than three feet from any wire or cable carrying a current of
over three hundred volts of electricity; and in all cases (except those men-

above or below, or cross over or under electric light or power wires, or a
trolley wire, a suitable method of construction, or insulat'ion or protection to
prevent contact shall be maintained as between such wire or cable and such
electric light, power or trolley wire; and said methods of construction, insu-
lation or protection shall be installed by, or at the expense of the person
owning the wire last placed in point of time: PROV'IDED, That telephone,
telegraph or signal wires or cables operated for private use and not furnish-
ing service to the public, may be placed less than three feet from any line
carrying a voltage of less than seven hundred and fifty volts.

Rule 5. Transformers, either single or in bank, that exceed a total ca-
pacity of over ten K.W. shall be supported by a double cross-arm, or some
fixture equally as strong. No transformer shall be placed, erected, main-
tained or used on any cross-arm or other appliance on a pole upon which is
placed a series electric arc lamp or arc light: PROVIDED, This shall not apply to a span wire supporting a lamp only. All aerial and underground transformers used for low potential distribution shall be subjected to an insulation test in accordance with the standardized rules of the American Institute of Electrical Engineers. In addition to this each transformer shall be tested at rated line voltage prior to each installation and shall have attached to it a tag showing the date on which the test was made, and the name of the person making the test.

Rule 6. No wire or cable, other than ground wires, used to conduct or carry electricity, shall be placed, run, erected, maintained or used vertically on any pole without causing such wire or cable to be at all times sufficiently insulated the full length thereof to insure the protection of anyone coming in contact with said wire or cable.

Rule 7. The neutral point or wire of all transformer secondaries strung or erected for use in low potential distributing systems shall be grounded in all cases where the normal maximum difference of potential between the ground and any point in the secondary circuit will not exceed one hundred and fifty volts. When no neutral point or wire is accessible one side of the secondary circuit shall be grounded in the case of single phase transformers, and any one common point in the case of interconnected polyphase bank or banks of transformers. Where the maximum difference of potential between the ground and any point in the secondary circuit will, when grounded, exceed one hundred fifty volts, grounding shall be permitted. Such grounding shall be done in the manner provided in Rule 30.

In all cases where a wire or cable larger than No. 14 B.W.G. originates or terminates on insulators attached to any pin or other appliance, said wire or cable shall be attached to at least two insulators: PROVIDED HOWEVER, That this section shall not apply to service wires to buildings; nor to wires run vertically on a pole; nor to wires originating or terminating on strain insulators or circuit breakers; nor to telephone, telegraph or signal wires outside the limits of any incorporated city or town.

Rule 9. Fixtures placed or erected for the support of wires on the roofs of buildings shall be of sufficient strength to withstand all strains to which they may be subjected, due to the breaking of all wires on one side thereof, and except where insulated wires or cables are held close to fire walls by straps or rings, shall be of such height and so placed that all of the wires supported by such fixtures shall be at least seven feet above any point of roofs less than one-quarter pitch over which they pass or may be attached, and no roof fixtures or wire shall be so placed that they will interfere with the free passage of persons upon, over, to or from the roofs.

Rule 10. No guy wire or cable shall be placed, run, erected, maintained or used within the incorporate limits of any city or town on any pole or appliance to which is attached any wire or cable used to conduct electricity without causing said guy wire or cable to be efficiently insulated with circuit
breakers at all times at a distance of not less than eight feet nor more than ten feet measured along the line of said guy wire or cable from each end thereof: PROVIDED, No circuit breaker shall be required at the lower end of the guy wire or cable where the same is attached to a ground anchor, nor shall any circuit breaker be required where said guy wire or cable runs direct from a grounded messenger wire to a grounded anchor rod.  

Rule 11. In all span wires used for the purpose of supporting trolley wires or series arc lamps there shall be at least two circuit breakers, one of which shall at all times be maintained no less than four feet nor more than six feet distant from the trolley wire or series arc lamp, and in cases where the same is supported by a building or metallic pole, the other circuit breaker shall be maintained at the building or at the pole: PROVIDED, That in span wires which support two or more trolley wires no circuit breaker shall be required in the span wire between any two of the trolley wires: PROVIDED FURTHER, That in span wires supporting trolley wires attached to wooden poles only the circuit breaker adjacent to the trolley wire shall be required.  

Rule 12. At all points where in case of a breakdown of trolley span wires, the trolley wire would be liable to drop within seven feet of the ground, there shall be double span wires and hangers placed at such points.  

Rule 13. All energized wires or appliances installed inside of any building or vault, for the distribution of electrical energy, shall be sufficiently insulated, or so guarded, located, or arranged as to protect any person from injury.  

Rule 14. The secondary circuit of current transformers, the casings of all potential regulators and arc light transformers, all metal frames of all switch boards, metal oil tanks used on oil switches except where the tank is part of the conducting system, all motor and generator frames, the entire frame of the crane and the tracks of all traveling cranes and hoisting devices, shall be thoroughly grounded, as provided in Rule 30.

Rule 16. Suitable insulated platforms or mats shall be provided for the use of all persons while working on any live part of switchboards on which any wire or appliance carries a potential in excess of three hundred volts.  

Rule 17. Every generator, motor, transformer, switch or other similar piece of apparatus and device used in the generation, transmission or distribution of electrical energy in stations or substations, shall be either provided with a name plate giving the capacity in volts and amperes, or have this information stamped thereon in such a manner as to be clearly legible.
Rule 18. When lines of seven hundred fifty volts or over are cut out at the station or substation to allow employees to work upon them, they shall be short-circuited and grounded at the station, and shall in addition, if the line wires are bare, be short-circuited, and where possible grounded at the place where the work is being done.

Rule 19. All switches installed with overload protection devices, and all automatic overload circuit breakers must have the trip coils so adjusted as to afford complete protection against overloads and short circuits, and the same must be so arranged that no pole can be opened manually without opening all the poles, and the trip coils shall be instantly operative upon closing.

Rule 20. All feeders for electric railways must, before leaving the plant or substation, be protected by an approved circuit breaker which will cut off the circuit in case of an accidental ground or short circuit.

Rule 21. There shall be provided in all distributing stations a ground detecting device.

Rule 22. There shall be provided in all stations, plants, and buildings herein specified warning cards printed on red cardboard not less than two and one-quarter by four and one-half inches in size, which shall be attached to all switches opened for the purpose of linemen or other employees working on the wires. The person opening any line switch shall enter upon said card the name of the person ordering the switch opened, the time opened, the time line was reported clear and by whom, and shall sign his own name.

Rule 23. No manhole containing any wire carrying a current of over three hundred volts shall be less than six feet from floor to inside of roof; if circular in shape it shall not be less than six feet in diameter; if square it shall be six feet from wall to wall: PROVIDED HOWEVER, That this paragraph shall not apply to any manhole in which it shall not be required that any person enter to perform work: PROVIDED FURTHER, That the foregoing provisions of this paragraph shall not apply where satisfactory proof shall be submitted to the proper authorities that it is impracticable or physically impossible to comply with this law within the space or location designated by the proper authorities.

Rule 24. All manholes containing any wires or appliances carrying electrical current shall be kept in a sanitary condition, free from stagnant water or seepage or other drainage which is offensive or dangerous to health, either by sewer connection or otherwise, while any person is working in the same.

Rule 26. No manhole shall have an opening which is, at the surface of the ground, within a distance of three feet at any point from any rail of any
railway or street car track: PROVIDED, That this shall not apply where satisfactory proof shall be submitted to the proper authorities that it is impracticable or physically impossible to comply with the provisions of this paragraph: PROVIDED, That in complying with the provisions of this rule only the construction last in point of time performed, placed or erected shall be held to be in violation thereof.

Rule 27. Whenever persons are working in any manhole whose opening to the outer air is less than three feet from the rail of any railway or street car track, a watchman or attendant shall be stationed on the surface at the entrance of such manhole at all times while work is being performed therein.

Rule 28. All persons employed in manholes shall be furnished with insulated platforms so as to protect the (workmen) workers while at work in the manholes: PROVIDED, That this paragraph shall not apply to manholes containing only telephone, telegraph or signal wires or cables.

No work shall be permitted to be done in any manhole or subway on any live wire, cable or appliance carrying more than three hundred volts of electricity by less than two competent and experienced persons, who at all times while performing such work shall be in the same manhole or subway in which such work is being done.

Rule 30. The grounding provided for in these rules shall be done in the following manner: By connecting a wire or wires not less than No. 6 B.&S. gauge to a water pipe of a metallic system outside of the meter, if there is one, or to a copper plate one-sixteenth inch thick and not less than three feet by six feet area buried in coke below the permanent moisture level, or to other device equally as efficient. In the event that there is not a majority in the same trade or occupation paid at the same rate, then the average rate of hourly wage and overtime paid to such laborers, ((workmen)) workers, or mechanics in the same trade or occupation shall be the prevailing rate. If the wage paid by any contractor or subcontractor to laborers, ((workmen)) workers, or mechanics on any public work is based on some period of time other than an hour, the hourly wage for the purposes of this chapter shall be mathematically determined by the number of hours worked in such period of time.

(2) The "locality" for the purposes of this chapter shall be the largest city in the county wherein the physical work is being performed.

(3) The "usual benefits" for the purposes of this chapter shall include the amount of:

(a) The rate of contribution irrevocably made by a contractor or subcontractor to a trustee or to a third person pursuant to a fund, plan, or program; and
(b) The rate of costs to the contractor or subcontractor which may be reasonably anticipated in providing benefits to workmen workers, laborers, and mechanics pursuant to an enforceable commitment to carry out a financially responsible plan or program which was communicated in writing to the workmen workers, laborers, and mechanics affected, for medical or hospital care, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing, for unemployment benefits, life insurance, disability and sickness insurance, or accident insurance, for vacation and holiday pay, for defraying costs of apprenticeship or other similar programs, or for other bona fide fringe benefits, but only where the contractor or subcontractor is not required by other federal, state, or local law to provide any of such benefits.

(4) An "interested party" for the purposes of this chapter shall include a contractor, subcontractor, an employee of a contractor or subcontractor, an organization whose members' wages, benefits, and conditions of employment are affected by this chapter, and the director of labor and industries or the director's designee.

Sec. 7. Section 1, chapter 63, Laws of 1945 as last amended by section 1, chapter 130, Laws of 1982 and RCW 39.12.020 are each amended to read as follows:

The hourly wages to be paid to laborers, workmen workers, or mechanics, upon all public works and under all public building service maintenance contracts of the state or any county, municipality or political subdivision created by its laws, shall be not less than the prevailing rate of wage for an hour's work in the same trade or occupation in the locality within the state where such labor is performed. For a contract in excess of ten thousand dollars, a contractor required to pay the prevailing rate of wage shall post in a location readily visible to workers at the job site: PROVIDED, That on road construction, sewer line, pipeline, transmission line, street, or alley improvement projects for which no field office is needed or established, a contractor may post the prevailing rate of wage statement at the contractor's local office, gravel crushing, concrete, or asphalt batch plant as long as the contractor provides a copy of the wage statement to any employee on request:

(1) A copy of a statement of intent to pay prevailing wages approved by the industrial statistician of the department of labor and industries under RCW 39.12.040; and

(2) The address and telephone number of the industrial statistician of the department of labor and industries where a complaint or inquiry concerning prevailing wages may be made.

This chapter shall not apply to workmen workers or other persons regularly employed on monthly or per diem salary by the state, or any county, municipality, or political subdivision created by its laws.

Apprentice ((workmen)) workers employed upon public works projects for whom an apprenticeship agreement has been registered and approved with the state apprenticeship council pursuant to chapter 49.04 RCW, must be paid at least the prevailing hourly rate for an apprentice of that trade. Any ((workman)) worker for whom an apprenticeship agreement has not been registered and approved by the state apprenticeship council shall be considered to be a fully qualified ((journeymen)) journey level worker, and, therefore, shall be paid at the prevailing hourly rate for ((journeymen)) journey level workers.

Sec. 9. Section 2, chapter 63, Laws of 1945 and RCW 39.12.030 are each amended to read as follows:

The specifications for every contract for the construction, reconstruction, maintenance or repair of any public work to which the state or any county, municipality, or political subdivision created by its laws is a party, shall contain a provision stating the hourly minimum rate of wage, not less than the prevailing rate of wage, which may be paid to laborers, ((workmen)) workers, or mechanics in each trade or occupation required for such public work employed in the performance of the contract either by the contractor, subcontractor or other person doing or contracting to do the whole or any part of the work contemplated by the contract, and the contract shall contain a stipulation that such laborers, ((workmen)) workers, or mechanics shall be paid not less than such specified hourly minimum rate of wage.

The legislature of the state of Washington hereby declares that the relationship between members of the law enforcement officers' and fire fighters' retirement system and their governmental employers is similar to that of ((workmen)) workers to their employers and that the sure and certain relief granted by this chapter is desirable, and as beneficial to such law enforcement officers and fire fighters as workers' compensation coverage is to persons covered by Title 51 RCW. The legislature further declares that removal of law enforcement officers and fire fighters from workers' compensation coverage under Title 51 RCW necessitates the (1) continuance of sure and certain relief for personal injuries incurred in the course of employment or occupational disease, which the legislature finds to be accomplished by the provisions of this chapter and (2) protection for the governmental employer from actions at law; and to this end the legislature further declares that the benefits and remedies conferred by this chapter upon law enforcement officers and fire fighters covered hereunder, shall be to the exclusion of any other remedy, proceeding, or compensation for personal injuries or sickness, caused by the governmental employer except as otherwise provided by this chapter; and to that end all civil actions and civil causes of actions by such law enforcement officers and fire fighters against their governmental employers for personal injuries or sickness are hereby abolished, except as otherwise provided in this chapter.

(1) It shall be the duty of the supervisor of the division of industrial safety and health or (his) the supervisor's deputy to carefully examine each coal mine in operation in this state at least every four months, and as much oftener as is necessary, to see that every precaution is taken to insure the safety of all (workmen) workers who may be engaged in the mine. These inspections shall include at least two visits of the inspection force to every working place in every mine in the state during each calendar year. The supervisor or (his) the supervisor's deputy shall make a record of each visit, noting the time and the material circumstances of the inspection, and shall keep each record on file in the office of the department; and also post at the mine a notice of (his) the inspection.

(2) If the management of any operating company shall refuse to permit the members of the department to enter any mine, the supervisor or (his) the supervisor's deputy shall file an affidavit setting forth such refusal, with the judge of the superior court of the county in which the mine is situated, and obtain an order from such judge commanding the management of the operating company to permit such examination and inspection, and to furnish the necessary facilities for the same, or in default thereof to be adjudged in contempt of court and punished accordingly.

(3) If the supervisor or (his) the supervisor's deputy shall, after examination of any mine, or the works and machinery connected therewith, find the same to be worked contrary to the provisions of this act [1917 c 36], or unsafe for the (workmen) workers employed therein, the supervisor shall notify the management, stating what changes are necessary. If the trouble is not corrected within reasonable time, the supervisor shall, through the attorney general, in the name of the state immediately apply to the superior court of the county in which the mine is located, or to a judge of said court in chambers, for a writ of injunction to enjoin the operation of all work in and about the said mine. Whereupon said court or judge shall at once proceed to hear and determine the case, and if the cause appears to be sufficient, after hearing the parties and their evidence, as in like cases, shall issue its writ to restrain the workings of said mine until all cause of danger is removed; and the cost of such proceeding shall be borne by the operating company of the mine: PROVIDED, That if the said court shall find the cause not sufficient, then the case shall be dismissed, and the costs will be borne by the state: PROVIDED, ALSO, That should the supervisor find during the inspection of a mine, or portion of a mine, such dangerous condition existing therein that in his or her opinion any delay in removing the (workmen) workers from such dangerous places might cause loss of life or serious personal injury to the employee, the supervisor shall have the right to temporarily withdraw all persons from such dangerous places until the foregoing provisions of this section can be carried into effect.
Whenever he or she is notified of any loss of life in or about the mine, or whenever an explosion or other serious accident occurs, the supervisor shall immediately go or send his or her deputy to the scene of the accident to investigate and to render every possible assistance.

The supervisor or ((his)) the supervisor's deputy shall make a record of the circumstances attending each accident investigated, which record shall be preserved in the files of the department. To enable the supervisor or ((his)) the supervisor's deputy to make such investigation and record, they shall have power to compel the attendance of witnesses and to administer oaths or affirmations to them. The costs of such investigations shall be paid by the state.

Such moneys shall be paid over promptly to the physician or surgeon or hospital association or other parties to which such moneys are due and for the purposes for which such collections or deductions were made.

(1) If a greater rate of interest than is allowed by statute shall be contracted for or received or reserved, the contract shall be usurious, but shall not, therefore, be void. If in any action on such contract proof be made that greater rate of interest has been directly or indirectly contracted for or taken or reserved, the creditor shall only be entitled to the principal, less the amount of interest accruing thereon at the rate contracted for; and if interest shall have been paid, the creditor shall only be entitled to the principal less twice the amount of the interest paid, and less the amount of all accrued and unpaid interest; and the debtor shall be entitled to costs and reasonable attorneys' fees plus the amount by which the amount (the) the debtor has paid under the contract exceeds the amount to which the creditor is entitled: PROVIDED, That the debtor may not commence an action on the contract to apply the provisions of this section if a loan or forbearance is made to a corporation engaged in a trade or business for the purposes of carrying on said trade or business unless there is also, in connection with such loan or forbearance, the creation of liability on the part of a natural person or (his) that person's property for an amount in excess of the principal plus interest allowed pursuant to RCW 19.52.020. The reduction in principal shall be applied to diminish pro rata each future installment of principal payable under the terms of the contract.

(2) The acts and dealings of an agent in loaning money shall bind the principal, and in all cases where there is usurious interest contracted for by the transaction of any agent the principal shall be held thereby to the same
extent as though ((he)) the principal had acted in person. ((And)) Where the same person acts as agent of the borrower and lender, ((he)) that person shall be deemed the agent of the lender for the purposes of this ((act)) chapter. If the agent of both the borrower and lender, or of the lender only, transacts a usurious loan for a commission or fee, such agent shall be liable to ((his)) the principal for the amount of the commission or fee received or reserved by the agent, and liable to the lender for the loss suffered by the lender as a result of the application of this ((act)) chapter.

(1) In addition to any other rights he may have, the buyer shall have the right to cancel a retail installment transaction for other than the seller's breach by sending notice of such cancellation to the seller at his place of business as set forth in the contract or charge agreement by certified mail, return receipt requested, which shall be posted not later than midnight of the third day (excluding Sundays and holidays) following the date the buyer signs the contract or charge agreement:

[Substitute House Bill No. 1192]
CONSERVATION DISTRICTS—SPECIAL ASSESSMENTS AND GRANT ELIGIBILITY

AN ACT Relating to conservation districts; and adding new sections to chapter 89.08 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 89.08 RCW to read as follows:

(1) Special assessments are authorized to be imposed for conservation districts as provided in this section. Activities and programs to conserve natural resources, including soil and water, are declared to be of special benefit to lands and may be used as the basis upon which special assessments are imposed.

(2) Special assessments to finance the activities of a conservation district may be imposed by the county legislative authority of the county in which the conservation district is located. The supervisors of a conservation
A system of assessments shall classify lands in the conservation district into suitable classifications according to benefits conferred or to be conferred by the activities of the conservation district, determine an annual per acre rate of assessment for each classification of land, and indicate the total amount of special assessments proposed to be obtained from each classification of lands. Lands deemed not to receive benefit from the activities of the conservation district shall be placed into a separate classification and shall not be subject to the special assessments. An annual assessment rate shall be stated as either uniform annual per acre amount, or an annual flat rate per parcel plus a uniform annual rate per acre amount, for each classification of land. The maximum annual per acre special assessment rate shall not exceed ten cents per acre. The maximum annual per parcel rate shall not exceed five dollars.

Public land, including lands owned or held by the state, shall be subject to special assessments to the same extent as privately owned lands. The procedures provided in chapter 79.44 RCW shall be followed if lands owned or held by the state are subject to the special assessments of a conservation district.

Forest lands used solely for the planting, growing, or harvesting of trees may be subject to special assessments if such lands benefit from the
activities of the conservation district, but the per acre rate of special assessment on benefited forest lands shall not exceed one-tenth of the weighted average per acre assessment on all other lands within the conservation district that are subject to its special assessments. The calculation of the weighted average per acre special assessment shall be a ratio calculated as follows: (a) The numerator shall be the total amount of money estimated to be derived from the imposition of per acre special assessments on the non-forest lands in the conservation district; and (b) the denominator shall be the total number of nonforest land acres in the conservation district that receive benefit from the activities of the conservation district and which are subject to the special assessments of the conservation district. No more than ten thousand acres of such forest lands that is both owned by the same person or entity and is located in the same conservation district may be subject to the special assessments that are imposed for that conservation district in any year. Per parcel charges shall not be imposed on forest land parcels. However, in lieu of a per parcel charge, a charge of up to three dollars per forest landowner may be imposed on each owner of forest lands whose forest lands are subject to a per acre rate of assessment.

(4) A conservation district shall prepare an assessment roll that implements the system of assessments approved by the county legislative authority. The special assessments from the assessment roll shall be spread by the county assessor as a separate item on the tax rolls and shall be collected and accounted for with property taxes by the county treasurer. The amount of a special assessment shall constitute a lien against the land that shall be subject to the same conditions as a tax lien, collected by the treasurer in the same manner as delinquent real property taxes, and subject to the same interest rate and penalty as for delinquent property taxes. The county treasurer shall deduct an amount from the collected special assessments, as established by the county legislative authority, to cover the costs incurred by the county assessor and county treasurer in spreading and collecting the special assessments, but not to exceed the actual costs of such work.

(5) The special assessments for a conservation district shall not be spread on the tax rolls and shall not be collected with property tax collections in the following year if, after the system of assessments has been approved by the county legislative authority but prior to the fifteenth day of December in that year, a petition has been filed with the county legislative authority objecting to the imposition of such special assessments, which petition has been signed by at least twenty percent of the owners of land that would be subject to the special assessments to be imposed for a conservation district.

NEW SECTION. Sec. 2. A new section is added to chapter 89.08 RCW to read as follows:

The state conservation commission may authorize grants to conservation districts from moneys appropriated to the commission for such purposes
as provided in this section. Such grants shall be made annually on or before
the last day of June of each year and shall be made only to those conserva-
tion districts that apply for the grants. After all the grant requests have
been submitted, the initial grants in any year shall be made so that a con-
servation district shall not receive a grant in excess of the lesser of: (1) an
amount equal to the total moneys obtained by the conservation district from
all other sources, other than any grants obtained from the state, during the
preceding calendar year; or (2) twenty-two thousand five hundred dollars.
If the appropriated moneys are insufficient to make the maximum level of
the initial grants, each grant amount shall be reduced by an equal dollar
amount until the total amount of the grants is equal to the amount of the
appropriation.

However, further grants shall be made to those conservation districts
that were limited to grants of twenty-two thousand five hundred dollars if
the appropriated moneys are in excess of the amount of the initial distribu-
tion of grants, but the total of both grants to any conservation district in
any year shall not exceed an amount equal to the total moneys obtained by
that conservation district from all other sources, other than any grants ob-
tained from the state, during the preceding calendar year. If the appropri-
ated moneys are insufficient to make the second distribution of grants, each
grant under the second distribution shall be reduced by an equal dollar
amount until the total amount of all the grants is equal to the amount of the
appropriation.

NEW SECTION. Sec. 3. If any provision of this act or its application
to any person or circumstance is held invalid, the remainder of the act or
the application of the provision to other persons or circumstances is not
affected.

Passed the House March 8, 1989.
Passed the Senate April 4, 1989.

If any member of the organized militia is injured, incapacitated, or otherwise disabled while in active state service or inactive duty as a member of the organized militia, he or she shall receive from the state of Washington just and reasonable relief in the amount to be determined as provided in this section, including necessary medical care. If the member dies from disease contracted or injury received or is killed while in active state service or inactive duty under order of the governor, then the dependents of the deceased shall receive such compensation as may be allowed as provided in this section. If the United States or any agent thereof, in accordance with any federal statute or regulation, furnishes monetary assistance, benefits, or other temporary or permanent relief to militia members or to their dependents for injuries arising out of and occurring in the course of their activities as militia members, but not including Social Security benefits, then the amount of compensation which any militia member or his or her dependents are otherwise entitled to receive from the state of Washington as provided in this section shall be reduced by the amount of monetary assistance, benefits, or other temporary or permanent relief the militia member or his or her dependents have received and will receive from the United States or any agent thereof as a result of his or her injury. All claims arising under this section shall be inquired into by a board of three officers, at least one being a medical officer, to be appointed by the adjutant general. The board has the same power to take evidence, administer oaths, issue subpoenas, compel witnesses to attend and testify and produce books and papers, and punish their failure to do so as is possessed by a general court martial. The amount of compensation or benefits payable shall conform as nearly as possible to the general schedule of payments and awards provided under the workers' compensation law in effect in the state of Washington at the time the disability or death occurred. The findings of the board shall be reviewed by the adjutant general and submitted to the governor for final approval. The reviewing officer or the governor may return the proceedings for revision or for the taking of further testimony. The action of the board when finally approved by the governor is final and conclusive and constitutes the fixed award for the injury or loss and is a debt of the state of Washington.

CHAPTER 20
[Substitute Senate Bill No. 5088]
COMMERCIAL TELEPHONE SOLICITATION REGULATION

AN ACT Relating to telephone solicitation; amending RCW 9A.82.010 and 63.14.154; adding a new chapter to Title 19 RCW; creating new sections; prescribing penalties; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The use of telephones for commercial solicitation is rapidly increasing. This form of communication offers unique benefits, but entails special risks and poses potential for abuse. The legislature finds that the widespread practice of fraudulent commercial telephone solicitation is a matter vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. For the general welfare of the public and in order to protect the integrity of the telemarketing industry, the commercial use of telephones must be regulated by law.

NEW SECTION. Sec. 2. Unfair and deceptive telephone solicitation is not reasonable in relation to the development and preservation of business. A violation of this chapter is an unfair or deceptive act in trade or commerce for the purpose of applying the consumer protection act, chapter 19.86 RCW.

NEW SECTION. Sec. 3. Unless the context requires otherwise, the definitions in this section apply throughout this chapter.

(1) A "commercial telephone solicitor" is any person who engages in commercial telephone solicitation, including service bureaus.

(2) "Commercial telephone solicitation" means:

(b) Other communication with a person where:

   (iii) The salesperson intends to complete a sale or enter into an agreement to purchase during the course of the telephone call;

(c) Other communication with a person which misrepresents the price, quality, or availability of property, goods, or services and which invites a response by telephone or which is followed by a call to the person by a salesperson;

(d) For purposes of this section, "other communication" means a written or oral notification or advertisement transmitted through any means.

(3) A "commercial telephone solicitor" does not include any of the following:

      (i) The solicitation is an isolated transaction and not done in the course of a pattern of repeated transactions of like nature; or
      (ii) Less than sixty percent of such person's prior year's sales were made as a result of a commercial telephone solicitation as defined in this chapter. Where more than sixty percent of a seller's prior year's sales were made as a result of commercial telephone solicitations, the service bureau contracting to provide commercial telephone solicitation services to the seller shall be deemed a commercial telephone solicitor.

   (c) A person soliciting business solely from purchasers who have previously purchased from the business enterprise for which the person is calling.

   (d) A person soliciting:

merchandise; and (ii) which is regulated by the federal trade commission
trade regulation concerning "use of negative option plans by sellers in
commerce";

action is governed by that law;

(2) A commercial telephone solicitor shall not place calls to any residence which will be received before 8:00 a.m. or after 9:00 p.m. at the purchaser's local time.

(3) A commercial telephone solicitor may not engage in any conduct the natural consequence of which is to harass, intimidate, or torment any person in connection with the telephone call.

NEW SECTION. Sec. 5. (1) In order to maintain or defend a lawsuit or do any business in this state, a commercial telephone solicitor must be registered with the department of licensing. Prior to doing business in this state, a commercial telephone solicitor shall register with the department of licensing. Doing business in this state includes both commercial telephone solicitation from a location in Washington and solicitation of purchasers located in Washington.

(2) The department of licensing, in registering commercial telephone solicitors, shall have the authority to require the submission of information necessary to assist in identifying and locating a commercial telephone solicitor, including past business history, prior judgments, and such other information as may be useful to purchasers.
(3) The department of licensing shall issue a registration number to the commercial telephone solicitor.

(4) It is a violation of this chapter for a commercial telephone solicitor to:

NEW SECTION. Sec. 7. Each commercial telephone solicitor shall appoint the director of the department of licensing as an agent to receive civil process under this chapter if the commercial telephone solicitor has no properly registered agent, if the agent has resigned, or if the agent cannot, after reasonable diligence, be found.

NEW SECTION. Sec. 8. The director of the department of licensing may make rules, create forms, and issue orders as necessary to carry out the provisions of this chapter, pursuant to chapter 34.05 RCW.

NEW SECTION. Sec. 9. The director of the department of licensing may refer such evidence as may be available concerning violations of this chapter or of any rule or order hereunder to the attorney general or the proper prosecuting attorney, who may in his or her discretion, with or without such a reference, in addition to any other action they might commence, bring an action in the name of the state against any person to restrain and prevent the doing of any act or practice herein prohibited or declared unlawful: PROVIDED, That this chapter shall be considered in conjunction with chapters 9.04 and 19.86 RCW and the powers and duties of the attorney general and the prosecuting attorney as they may appear in chapters 9.04 and 19.86 RCW shall apply against all persons subject to this chapter.

NEW SECTION. Sec. 10. It is a violation of this chapter for a commercial telephone solicitor to require that payment be by credit card authorization or otherwise to announce a preference for that method of payment over any other for unfair or deceptive reasons.
NEW SECTION. Sec. 11. (1) Within the first minute of the telephone call, a commercial telephone solicitor or salesperson shall:
   (a) Identify himself or herself, the company on whose behalf the solicitation is being made, the property, goods, or services being sold; and
   (b) Terminate the telephone call within ten seconds if the purchaser indicates he or she does not wish to continue the conversation.

   (2) If at any time during the telephone contact, the purchaser states or indicates that he or she does not wish to be called again by the commercial telephone solicitor or wants to have his or her name and individual telephone number removed from the telephone lists used by the commercial telephone solicitor:
      (a) The commercial telephone solicitor shall not make any additional commercial telephone solicitation of the called party at that telephone number within a period of at least one year; and
      (b) The commercial telephone solicitor shall not sell or give the called party's name and telephone number to another commercial telephone solicitor: PROVIDED, That the commercial telephone solicitor may return the list, including the called party's name and telephone number, to the company or organization from which it received the list.

   (3) The utilities and transportation commission shall by rule ensure that telecommunications companies inform their residential customers of the provisions of this section. The notification may be made by:
      (a) Annual inserts in the billing statements mailed to residential customers; or
      (b) Conspicuous publication of the notice in the consumer information pages of local telephone directories.

   (4) If a sale or an agreement to purchase is completed, the commercial telephone solicitor must inform the purchaser of his or her cancellation rights as enunciated in this chapter, state the registration number issued by the department of licensing, and give the street address of the seller.

   (5) If, at any time prior to sale or agreement to purchase, the commercial telephone solicitor's registration number is requested by the purchaser, it must be provided.

   (6) All oral disclosures required by this section shall be made in a clear and intelligible manner.

NEW SECTION. Sec. 12. (1) A purchase of property, goods, or services ordered as a result of a commercial telephone solicitation as defined in this chapter, if not followed by a written confirmation, is not final. The confirmation must contain an explanation of the consumer's rights under this section and a statement indicating where notice of cancellation should be sent. The purchaser may give notice of cancellation to the seller in writing within three business days after receipt of the confirmation. If the commercial telephone solicitor has not provided an address for receipt of such
notice, cancellation is effective by mailing the notice to the department of licensing.

(2) Notice of cancellation shall be given by certified mail, return receipt requested, and shall be effective when mailed. Notice of cancellation given by the purchaser need not take a particular form and is sufficient if it indicates by any form of written expression the name, address, and telephone number of the purchaser and the purchaser's stated intention not to be bound by the sale.

(3) If a commercial telephone solicitor or a seller, if different, violates this chapter in making a sale, or fails to deliver an item within forty-two calendar days, the contract is voidable by giving written notice to the seller and the purchaser is entitled to a return from the seller within fourteen days of all consideration paid. Upon receipt by the purchaser of the consideration paid to the seller, the purchaser shall make available to the seller, at a reasonable time and place, the items received by the purchaser. Any cost of returning the items received by the purchaser shall be borne by the seller, by providing or guaranteeing payment for return shipping. If such payment is not provided or guaranteed, the purchaser may keep without further obligation the items received.

(4) Any contract, agreement to purchase, or written confirmation executed by a seller which purports to waive the purchaser's rights under this chapter is against public policy and shall be unenforceable: PROVIDED, That an agreement between a purchaser and seller to extend the delivery time of an item to more than forty-two days shall be enforceable if the seller has a reasonable basis to expect that he or she will be unable to ship the item within forty-two days and if the agreement is included in the terms of the written confirmation.

(5) Where a contract or agreement to purchase confers on a purchaser greater rights to cancellation, refund, or return than those enumerated in this chapter, such contract shall be enforceable, and not in violation of this chapter: PROVIDED, That all rights under such a contract or agreement to purchase must be specifically stated in a written confirmation sent pursuant to this section.

(6) The provisions of this section shall not reduce, restrict, or eliminate any existing rights or remedies available to purchasers.

NEW SECTION. Sec. 15. No salesperson shall solicit purchasers on behalf of a commercial telephone solicitor who is not currently registered with the department of licensing pursuant to this chapter. Any salesperson who violates this section is guilty of a misdemeanor.

NEW SECTION. Sec. 16. (1) Except as provided in section 15 of this act, any person who knowingly violates any provision of this chapter or who knowingly, directly or indirectly employs any device, scheme or artifice to deceive in connection with the offer or sale by any commercial telephone solicitor shall be guilty of the following:

If the value of a transaction made in violation of section 4(1) of this act is:

(a) Less than fifty dollars, the person shall be guilty of a misdemeanor;
(b) Fifty dollars or more, then such person shall be guilty of a gross misdemeanor; and
(c) Two hundred fifty dollars or more, then such person shall be guilty of a class C felony.

(2) When any series of transactions which constitute a violation of this section would, when considered separately, constitute a series of misdemeanors or gross misdemeanors because of the value of the transactions, and the series of transactions are part of a common scheme or plan, the transactions may be aggregated in one count and the sum of the value of all the transactions shall be the value considered in determining whether the violations are to be punished as a class C felony or a gross misdemeanor.

AN ACT Relating to abuse and neglect reporting; and reenacting and amending RCW 26.44.030.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 1, chapter 39, Laws of 1988 and section 2, chapter 142, Laws of 1988 and RCW 26.44.030 are each reenacted and amended to read as follows:

(1) When any practitioner, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, licensed or certified child care providers or their employees, employee of the department, or juvenile probation officer has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040. The report shall be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect.

(2) Any other person who has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(3) The department, upon receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to sexual abuse, shall report such incident (in writing) to the proper law enforcement agency. In emergency cases, where the child,
adult dependent, or developmentally disabled person's welfare is endan-
gered, the department shall notify the proper law enforcement agency with-
in twenty-four hours after a report is received by the department. In all
other cases, the department shall notify the law enforcement agency within
seventy-two hours after a report is received by the department. If the de-
partment makes an oral report, a written report shall also be made to the
proper law enforcement agency within five days thereafter.

(4) Any law enforcement agency receiving a report of an incident of
abuse or neglect pursuant to this chapter, involving a child or adult depen-
dent or developmentally disabled person who has died or has had physical
injury or injuries inflicted upon him or her other than by accidental means,
or who has been subjected to sexual abuse, shall report such incident in
writing as provided in RCW 26.44.040 to the proper county prosecutor or
city attorney for appropriate action whenever the law enforcement agency's
investigation reveals that a crime may have been committed. The law en-
forcement agency shall also notify the department of all reports received
and the law enforcement agency's disposition of them. In emergency cases,
where the child, adult dependent, or developmentally disabled person's wel-
fare is endangered, the law enforcement agency shall notify the department
within twenty-four hours. In all other cases, the law enforcement agency
shall notify the department within seventy-two hours after a report is re-
ceived by the law enforcement agency.

(5) Any county prosecutor or city attorney receiving a report under
subsection (4) of this section shall notify the victim, any persons the victim
requests, and the local office of the department, of the decision to charge or
decide to charge a crime, within five days of making the decision.

(6) The department may conduct ongoing case planning and consulta-
tion with those persons or agencies required to report under this section,
with consultants designated by the department, and with designated repre-
sentatives of Washington Indian tribes if the client information exchanged
is pertinent to cases currently receiving child protective services or depart-
ment case services for the developmentally disabled. Upon request, the de-
partment shall conduct such planning and consultation with those persons
required to report under this section if the department determines it is in
the best interests of the child or developmentally disabled person. Informa-
tion considered privileged by statute and not directly related to reports re-
quired by this section shall not be divulged without a valid written waiver of
the privilege.

(7) Any case referred to the department by a physician licensed under
Chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that
child abuse, neglect, or sexual assault has occurred and that the child's
safety will be seriously endangered if returned home, the department shall
file a dependency petition unless a second licensed physician of the parents'
choice believes that such expert medical opinion is incorrect. If the parents
fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(8) Persons or agencies exchanging information under subsection (5) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(9) Upon receiving reports of abuse or neglect, the department or law enforcement agency may interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview shall occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

(10) Upon receiving a report of incidents, conditions, or circumstances of child abuse and neglect, the department shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(11) The department shall maintain investigation records and conduct timely and periodic reviews of all cases constituting abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(12) The department of social and health services shall, within funds appropriated for this purpose, use a risk assessment tool when investigating child abuse and neglect referrals. The tool shall be used, on a pilot basis, in three local office service areas. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

The department shall report to the ways and means committees of the senate and house of representatives on the use of the tool by December 1, 1989. The report shall include recommendations on the continued use and possible expanded use of the tool.
Upon receipt of such report the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(4) The commissioner's order disapproving any such form or withdrawing a previous approval shall state the grounds therefor.

(5) No such form shall knowingly be so issued or delivered as to which the commissioner's approval does not then exist.

(6) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper, any insurance document or form or type thereof as specified in such order, to which in his opinion this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

(7) Every member or subscriber to a rating organization shall adhere to the form filings made on its behalf by the organization. Deviations from such organization are permitted only when filed with the commissioner in accordance with this chapter.

Sec. 2. Section .18.14, chapter 79, Laws of 1947 as amended by section 11, chapter 193, Laws of 1957 and RCW 48.18.140 are each amended to read as follows:

   (c) The risk insured against.
   (d) The time at which the insurance thereunder takes effect and the period during which the insurance is to continue.
   (e) A statement of the premium, and if other than life, disability, or title insurance, the premium rate where applicable.
   (f) The conditions pertaining to the insurance.

(3) If under the contract the exact amount of premiums is determinable only at termination of the contract, a statement of the basis and rates upon which the final premium is to be determined and paid shall be (furnished by any policy examining bureau having jurisdiction or to the insured upon request) specified in the policy.

(4) This section shall not apply to surety insurance contracts.

Sec. 3. Section .19.03, chapter 79, Laws of 1947 and RCW 48.19.030 are each amended to read as follows:

Rates shall be used, subject to the other provisions of this chapter, only if made in accordance with the following provisions:
(1) In the case of insurances under standard fire policies and that part of marine and transportation insurances not exempted under RCW 48.19-010, manual, minimum, class or classification rates, rating schedules or rating plans, shall be made and adopted; except as to specific rates on inland marine risks individually rated, which risks are not reasonably susceptible to manual or schedule rating, and which risks by general custom of the business are not written according to manual rates or rating plans.

(2) In the case of casualty and surety insurances:

   a) The systems of expense provisions included in the rates for use by any insurer or group of insurers may differ from those of other insurers or groups of insurers to reflect the requirements of the operating methods of any such insurer or group with respect to any kind of insurance, or with respect to any subdivision or combination thereof for which subdivision or combination separate expense provisions are applicable.

   b) Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans which establish standards for measuring variations in hazards or expense provisions, or both. Such standards may measure any differences among risks that can be demonstrated to have a probable effect upon losses or expenses.

(3) Due consideration in making rates for all insurances shall be given to:

   a) Past and prospective loss experience within ((and outside)) this state((, and in the case of rates for fire insurance, to the loss experience of insurers as to insurance against fire during a period of not less than the most recent five-year period for which such experience is available)) for experience periods acceptable to the commissioner. If the information is not available or is not statistically credible, an insurer may use loss experience in those states which are likely to produce loss experience similar to that in this state.

   b) Conflagration and catastrophe hazards, where present.

   c) A reasonable margin for underwriting profit and contingencies.

   d) Dividends, savings and unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers.

   e) Past and prospective operating expenses.

   f) Past and prospective investment income.

   g) All other relevant factors within and outside this state.

(4) In addition to other factors required by this section, rates filed by an insurer on its own behalf may also be related to the insurer's plan of operation and plan of risk classification.

(5) Except to the extent necessary to comply with RCW 48.19.020 uniformity among insurers in any matter within the scope of this section is neither required nor prohibited.
Sec. 4. Section .19.04, chapter 79, Laws of 1947 as amended by section 14, chapter 32, Laws of 1983 1st ex. sess. and RCW 48.19.040 are each amended to read as follows:

(1) Every insurer or rating organization shall, before using, file with the commissioner every classifications manual ((of-classifications)), manual of rules and rates, ((and-every)) rating plan ((as-to surety insurances; and every)), rating schedule, minimum rate, class rate, and rating rule ((as-to other insurances)), and every modification of any of the foregoing which it proposes. The insurer need not so file any rate on individually rated risks as described in subdivision (1) of RCW 48.19.030; except that any such specific rate made by a rating organization shall be filed.

(2) Every such filing shall ((state its proposed effective date and shall)) indicate the ((character)) type and extent of the coverage contemplated and must be accompanied by sufficient information to permit the commissioner to determine whether it meets the requirements of this chapter. ((When-a filing is not accompanied by the information upon which the insurer supports such filing, and the commissioner does not have sufficient information to determine whether the filing meets the requirements of this chapter, he may require the insurer to furnish the information upon which it supports the filing:)) An insurer ((may)) or rating organization shall offer in support of any filing:

(a) The experience or judgment of the insurer or rating organization making the filing((;));

(b) ((the experience of other insurers or rating organizations, or)) An exhibit detailing the major elements of operating expense for the types of insurance affected by the filing;

(c) ((any other factors which the insurer or rating organization deems relevant. A filing and any supporting information shall be open to public inspection only after the filing becomes effective;)) An explanation of how investment income has been taken into account in the proposed rates; and

(d) Any other information which the insurer or rating organization deems relevant.

(3) If an insurer has insufficient loss experience to support its proposed rates, it may submit loss experience for similar exposures of other insurers or of a rating organization.

(4) Every such filing shall state its proposed effective date.

(5) General liability, professional liability, and commercial automobile insurance rate filings must be submitted or updated at least once in each fifteen-month interval so that the commissioner has timely supporting information necessary to determine that the current schedules, manuals, rules, rates, and rating plans meet the requirements of RCW 48.19.020.
(6) A filing made pursuant to this chapter shall be exempt from the provisions of RCW 48.02.120(3). However, the filing and all supporting information accompanying it shall be open to public inspection only after the filing becomes effective.

(7) Where a filing is required no insurer shall make or issue an insurance contract or policy except in accordance with its filing then in effect, except as is provided by RCW 48.19.090.

Sec. 5. Section .19.06, chapter 79, Laws of 1947 and RCW 48.19.060 are each amended to read as follows:

(1) The commissioner shall review a filing as soon as reasonably possible after made, to determine whether it meets the requirements of this chapter.

(2) Except as provided in RCW 48.19.070:

(a) No such filing shall become effective within ((fifteen)) thirty days after the date of filing with the commissioner, which period may be extended by the commissioner for an additional period not to exceed fifteen days if he gives notice within such waiting period to the insurer or rating organization which made the filing that he needs such additional time for the consideration of the filing. The commissioner may, upon application and for cause shown, waive such waiting period or ((any)) part thereof as to a filing ((which)) that he has not disapproved.

(b) A filing shall be deemed to meet the requirements of this chapter unless disapproved by the commissioner within the waiting period or any extension thereof.

(((3) This section does not apply to casualty insurance.))

Sec. 6. Section .19.10, chapter 79, Laws of 1947 and RCW 48.19.100 are each amended to read as follows:

If within the waiting period or any extension thereof as provided in RCW 48.19.060, the commissioner finds that a filing does not meet the requirements of this chapter, he shall disapprove such filing, and shall give notice of such disapproval, specifying the respect in which he finds the filing fails to meet such requirements, and stating that the filing shall not become effective, to the insurer or rating organization which made the filing. ((This section does not apply to casualty insurance.))

Sec. 7. Section .19.12, chapter 79, Laws of 1947 as amended by section 15, chapter 32, Laws of 1983 1st ex. sess. and RCW 48.19.120 are each amended to read as follows:

(1) If at any time subsequent to the applicable review period provided in RCW 48.19.060(;) or 48.19.110, ((or 48.19.440,)) the commissioner finds that a filing does not meet the requirements of this chapter, he shall, after a hearing, notice of which was given to every insurer and rating organization which made such filing, issue his order specifying in what respect he finds that such filing fails to meet the requirements of this chapter, and
stating when, within a reasonable period thereafter, the filings shall be deemed no longer effective.

(2) Such order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

(3) Any person aggrieved with respect to any filing then in effect, other than the insurer or rating organization which made the filing, may make written application to the commissioner for a hearing thereon. The application shall specify the grounds to be relied upon by the applicant. If the commissioner finds that the application is made in good faith, that the applicant would be so aggrieved if his grounds are established, and that such grounds otherwise justify holding the hearing, he shall, within thirty days after receipt of the application, hold a hearing as required in subsection (1) of this section.

Sec. 8. Section 19.28, chapter 79, Laws of 1947 as amended by section 14, chapter 193, Laws of 1957 and RCW 48.19.280 are each amended to read as follows:

(1) Every member or subscriber to a rating organization shall adhere to the filings made on its behalf by such organization((and shall not deviate therefrom except as provided in this section)). Deviations from the organization's filings are permitted only when filed with the commissioner in accordance with this chapter.

(2) (Any such subscriber may make written application to the commissioner for permission to file a deviation, and shall at the same time send a copy of the application to the rating organization. The application shall specify the deviation desired, and the basis thereof. In the case of deviations as specified in subsection (4) of this section, the application shall be accompanied by the data upon which the applicant relies. The commissioner shall forthwith set a date for a hearing on the application and give notice thereof to the applicant and to the rating organization. If the rating organization informs the commissioner that it does not desire a hearing he may, upon consent of the applicant, waive the hearing:

(3) As to fire insurance under standard form fire policies, and the following insurances when issued as part of a standard form fire policy, any such deviation shall be only by a uniform percentage of addition to or decrease from all rates resulting from all filings relative to such insurance made by the rating organization on behalf of such applicant and then in effect:

(a) Additional property insurance coverage;
(b) Coverages including any kind of insurance in addition to fire for a single undivided premium;

In considering the application for permission to file such deviation the commissioner shall give consideration to the available statistics and the applicable principles for rate making as provided in RCW 48.19.030.
(4) As to insurance other than that designated in subsection (3) of this section, any such deviation shall be only by a uniform percentage decrease or increase to be applied to the premiums produced by the rating system so filed for a kind of insurance, or for a class of insurance which is found by the commissioner to be a proper rating unit for the application of such uniform percentage decrease or increase, or for a subdivision of a kind of insurance (a) comprised of a group of manual classifications which is treated as a separate unit for rate making purposes, or (b) for which separate expense provisions are included in the filings of the rating organization.

(5) If upon such hearing the commissioner finds the proposed deviation to be justified, and that premiums and rates resulting therefrom would not be inadequate, excessive, or unfairly discriminatory, he shall issue his order permitting the deviation to be filed and such deviation shall thereupon become effective. If he finds otherwise, he shall issue his order denying the application:

(6) Each deviation permitted to be filed shall be effective for a period of not less than one year from the date of such permission unless terminated sooner with the approval of the commissioner. Every such deviation shall terminate upon a material change of the basic rate from which the deviation is made. The commissioner shall determine whether a change of the basic rate is so material as to require such termination of deviations.

((7) This section does not apply to casualty insurance.))

TESTAMENTARY POWERS OF APPOINTMENT

AN ACT Relating to powers of appointment; and amending RCW 11.95.060.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 36, chapter 30, Laws of 1985 and RCW 11.95.060 are each amended to read as follows:

(1) The holder of a testamentary or lifetime power of appointment may exercise the power by appointing property outright or in trust and may
grant further powers to appoint. The powerholder may designate the trustee, powers, situs, and governing law for property appointed in trust.

(2) The holder of a testamentary power may exercise the power only by the powerholder's last will, signed before or after the effective date of the instrument granting the power, that manifests an intent to exercise the power (and that identifies the instrument granting the power and its date). Unless the person holding the property subject to the power has within six months after the holder's death received written notice that the powerholder's last will has been admitted to probate or an adjudication of testacy has been entered with respect to the powerholder's last will in some jurisdiction, the person may, until the time the notice is received, transfer the property subject to appointment on the basis that the power has not been effectively exercised. The person holding the property shall not incur liability to anyone for transfers so made if the person had no knowledge that the power had been exercised and had made a reasonable effort to determine if the power had been exercised. A testamentary residuary clause which does not manifest an intent to exercise a power is not deemed the exercise of a testamentary power.

(3) The holder of a lifetime power of appointment shall exercise that power only by delivering a written instrument, signed by the holder, to the person holding the property subject to the power. If the holder conditions the distribution of the appointed property on a future event, the written instrument may be revoked in the same manner at any time before the property becomes distributable upon occurrence of the event specified, except that any contrary provisions in the written instrument exercising the power, including provisions stating the exercise of the power is irrevocable, shall be controlling. If the written instrument is revoked, the holder of the power may reappoint the property that was appointed in the instrument. In the absence of signing and delivery of such a written instrument, a lifetime power is not deemed exercised.

(2) Likewise, a beneficiary may so disclaim through an agent or attorney so authorized by written instrument.

(4) If the date of the transfer is the date of the death of the creator of the interest, a copy of the disclaimer may be filed with the clerk of the probate court in which the estate of the creator is, or has been, administered, or, if no probate administration has been commenced, then with the clerk of the court of any county provided by law as the place for probate administration of such person, where it shall be indexed under the name of the decedent in the probate index upon the payment of a fee of two dollars.

(3) Any future interest taking effect in possession or enjoyment after termination of the interest disclaimed takes effect as if the beneficiary had died prior to the date of the beneficiary’s final ascertainment as a beneficiary and the indefeasible vesting of the interest.

(4) The disclaimer is binding upon the beneficiary and all persons claiming through or under the beneficiary.

(4) The beneficiary has waived the right to disclaim in writing. The written waiver of the right to disclaim also is binding upon all persons claiming through or under the beneficiary.

NEW SECTION. Sec. 6. A beneficiary may disclaim under this chapter notwithstanding any limitation on the interest of the beneficiary in the nature of a spendthrift provision or similar restriction.

NEW SECTION. Sec. 7. No legal representative of a creator of the interest, holder of legal title to property an interest in which is disclaimed, or person having possession of the property shall be liable for any otherwise proper distribution or other disposition made without actual knowledge of the disclaimer, or in reliance upon the disclaimer and without actual knowledge that the disclaimer is barred as provided in section 5 of this act.

[House Bill No. 1026]
SEA URCHIN FISHERY REGULATED

AN ACT Relating to commercial sea urchin fishing; amending RCW 75.30.050; adding a new section to chapter 75.30 RCW; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that a significant commercial sea urchin fishery is developing within state waters. The potential for depletion of the sea urchin stocks in these waters is increasing, particularly as the sea urchin fishery becomes an attractive alternative to fishermen facing increasing restrictions on other types of commercial fishery activities.

The legislature finds that the number of commercial fishermen engaged in sea urchin fishing has steadily increased. This factor, combined with advances in marketing techniques, has resulted in strong pressures on the supply of sea urchins.

The legislature finds that increased regulation of commercial sea urchin fishing is necessary to preserve and efficiently manage the commercial sea urchin fishery in the waters of the state.

NEW SECTION. Sec. 2. A new section is added to chapter 75.30 RCW to read as follows:

(1) After October 1, 1989, it is unlawful to commercially take any species of sea urchin using shellfish diver gear without first obtaining a sea urchin endorsement to accompany a shellfish diver license. A sea urchin endorsement to a shellfish diver license issued under RCW 75.28.130(4) shall be limited to those vessels which:

(a) Held a commercial shellfish diver license, excluding clams, between January 1, 1988, and December 31, 1988, or had transferred to the vessel such a license;

(b) Have not transferred the license to another vessel; and
(c) Can establish, by means of dated shellfish receiving documents issued by the department, that twenty thousand pounds of sea urchins were caught and landed under the license during the period of April 1, 1986, through March 31, 1988.

(2) In addition to the requirements of subsection (1) of this section, after December 31, 1991, sea urchin endorsements to shellfish diver licenses issued under RCW 75.28.130(4) may be issued only to vessels:

(a) Which held a sea urchin endorsement to a shellfish diver license during the previous year or had transferred to the vessel such a license; and

(b) From which twenty thousand pounds of sea urchins were caught and landed in this state during the two-year period ending March 31 of an odd-numbered year, as documented by valid shellfish receiving documents issued by the department.

Where failure to obtain the license during the previous year was the result of a license suspension or revocation by the department, the vessel may qualify for a license by establishing that the vessel held such a license during the last year in which it was eligible.

(3) The director may reduce or waive the landing requirement established under subsection (2)(b) of this section upon the recommendation of a board of review established under section 3 of this act. The board of review may recommend a reduction or waiver of the landing requirement in individual cases if in the board's judgment, extenuating circumstances prevent achievement of the landing requirement. The director shall adopt rules governing the operation of the board of review and defining "extenuating circumstances."

(4) Sea urchin endorsements issued under this section are not transferable from one owner to another owner, except from parent to child, or from spouse to spouse during marriage or as a result of marriage dissolution, or upon the death of the owner. This restriction applies to all changes in the vessel owner's name on the license, including (a) changes during the license year, and (b) changes during the license renewal process between years. This restriction does not prevent changes in vessel operator or transfers between vessels when the vessel owner remains unchanged. Upon request of a vessel owner, the director may issue a temporary permit to allow the vessel owner to use the license endorsement on a leased or rented vessel.

(5) If less than forty-five vessels are eligible for sea urchin endorsements, the director may accept applications for new endorsements. The director shall determine by random selection the successful applicants for the additional endorsements. The number of additional endorsements issued shall be sufficient to maintain up to forty-five vessels in the sea urchin fishery. The director shall adopt rules governing the application, selection, and issuance procedure for new sea urchin endorsements, based upon recommendations of a board of review established under RCW 75.30.050.
Sec. 3. Section 5, chapter 106, Laws of 1977 ex. sess. as last amended by section 7, chapter 198, Laws of 1986 and RCW 75.30.050 are each amended to read as follows:

(1) The director shall appoint three-member advisory review boards to hear cases as provided in RCW 75.30.060. Members shall be from:
   (a) The salmon charter boat fishing industry in cases involving salmon charter boat licenses or angler permits;
   (b) The commercial salmon fishing industry in cases involving commercial salmon licenses;
   (c) The commercial crab fishing industry in cases involving Puget Sound crab license endorsements;
   (d) The commercial herring fishery in cases involving herring validations; ((and))
   (e) The commercial Puget Sound whiting fishery in cases involving Puget Sound whiting license endorsements; and
   (f) The commercial sea urchin fishery in cases involving sea urchin endorsements to shellfish diver licenses.

(2) Members shall serve at the discretion of the director and shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate March 31, 1989.

Be it enacted by the Legislature of the State of Washington:
Sec. 1. Section 1, chapter 63, Laws of 1986 and RCW 83.110.010 are each amended to read as follows:

As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Estate" means the gross estate of a decedent as determined for the purpose of federal estate tax and the estate tax payable to this state;

(2) "Excise tax" means the federal excise tax imposed by section 4980A(d), or such section as renumbered, of the Internal Revenue Code, which was enacted by section 1133(a) of the tax reform act of 1986, P.L. 99-514 or as subsequently amended, and interest and penalties imposed in addition to the excise tax;

(3) "Fiduciary" means executor, administrator of any description, and trustee;

(4) "Internal Revenue Code" means the United States Internal Revenue Code of 1986, as amended or renumbered from time to time;

(5) "Person" means any individual, partnership, association, joint stock company, corporation, government, political subdivision, governmental agency, or local governmental agency;

(6) "Persons interested in retirement distributions" means any person determined as of the date the excise tax is due, including a personal representative, guardian, trustee, or beneficiary, entitled to receive, or who has received, by reason of or following the death of a decedent, any property or interest therein which constitutes a retirement distribution as defined in section 4980A(e), or such section as renumbered, of the Internal Revenue Code, but this definition excludes any alternate payee under a qualified domestic relations order as such terms are defined in section 414(p) of the Internal Revenue Code;

(7) "Person interested in the estate" means any person, including a personal representative, guardian, or trustee, entitled to receive, or who has received, from a decedent while alive or by reason of the death of a decedent any property or interest therein included in the decedent's taxable estate;

(8) "Qualified heir" means a person interested in the estate who is entitled to receive, or who has received, an interest in qualified real property;

(9) "Qualified real property" means real property for which the election described in section 2032A of the Internal Revenue Code has been made;

(10) "State" means any state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico; and

(11) "Tax" means the federal estate tax, the excise tax defined in subsection (2) of this section, and the estate tax payable to this state and interest and penalties imposed in addition to the tax.
Sec. 2. Section 2, chapter 63, Laws of 1986 and RCW 83.110.020 are each amended to read as follows:

(1) Tax other than excise tax. Except as provided in RCW 83.110.090 or subsection (2) of this section, and unless the will, trust, or other dispositive instrument otherwise provides, the tax, but not the excise tax, shall be apportioned among all persons interested in the estate. Except as provided in RCW 83.110.050, the apportionment shall be made in the proportion that the value of the interest of each person interested in the estate bears to the total value of the interests of all persons interested in the estate. Except as provided in RCW 83.110.050, the values used in determining the tax shall be used for that purpose.

(2) Excise tax. Except as provided in RCW 83.110.030(6) and unless the will, beneficiary designation, trust, or other instrument governing the disposition of property subject to the excise tax otherwise provides, the excise tax shall be apportioned among and charged to the persons interested in retirement distributions on which the excise tax is actually imposed. Each person shall be severally liable for the timely payment of the portion of the excise tax so apportioned to the person. The apportionment shall be made in the proportion that the value of the interest of each person interested in the retirement distributions bears to the total value of the interests of all persons interested in the retirement distributions. The values used in determining the excise tax shall be used for that purpose. In order to facilitate timely payment of the excise tax, the fiduciary shall have the right, but not the obligation, in addition to any other power and consistent with the power granted by RCW 11.98.070(13), to make loans, either secured or unsecured at such interest as the fiduciary may determine, not exceeding the amount of the excise tax so apportioned to the persons liable for payment of the excise tax. If the fiduciary or other person is required to pay the excise tax, the fiduciary or other person shall have the rights of recovery provided in RCW 83.110.040 or otherwise.

Sec. 3. Section 3, chapter 63, Laws of 1986 and RCW 83.110.030 are each amended to read as follows:

(1) The court having jurisdiction over the administration of the estate of a decedent shall determine the apportionment of the tax. If there are no probate proceedings, the court of the county wherein the decedent was domiciled at death shall determine the apportionment of the tax upon the application of the person required to pay the tax.

(2) If the court finds that it is inequitable to apportion interest and penalties in the manner provided in this chapter because of special circumstances, it may direct apportionment thereon in the manner it finds equitable.

(3) The expenses reasonably incurred by any fiduciary and by other persons interested in the estate in connection with the determination of the amount and apportionment of the tax shall be apportioned as provided in
RCW 83.110.020 and charged and collected as a part of the tax apportioned. If the court finds it is inequitable to apportion the expenses as provided in RCW 83.110.020, it may direct apportionment thereof equitably.

(4) If the court finds that the assessment of penalties and interest is due to delay caused by the negligence of the fiduciary, the court may charge the fiduciary with the amount of the assessed penalties and interest.

(5) In any suit or judicial proceeding to recover from any person interested in the estate the amount of the tax apportioned to the person in accordance with this chapter, the determination of the court in respect thereto is prima facie correct.

(6) In the case where there are successive interests with respect to retirement distributions, the excise tax shall be equitably apportioned by the court having jurisdiction over the administration of the estate among the persons interested in the retirement distributions as defined in RCW 11.110.010(6).

Sec. 4. Section 5, chapter 63, Laws of 1986 and RCW 83.110.050 are each amended to read as follows:

(1) In making an apportionment, allowances shall be made for any exemptions granted, any classification made of persons interested in the estate, and any deductions and credits allowed by the law imposing the tax.

(2) Any exemption or deduction allowed by reason of the relationship of any person to the decedent or by reason of the purposes of the gift inures to the benefit of the person bearing that relationship or receiving the gift. When an interest is subject to a prior present interest which is not allowable as a deduction, the tax apportionable against the present interest shall be paid from principal.

(3) Any deduction for property previously taxed and any credit for gift taxes or death taxes of a foreign country paid by the decedent or the decedent's estate inures to the proportionate benefit of all persons liable to apportionment.

(4) Any credit for inheritance, succession, or estate taxes or taxes in the nature thereof in respect to property or interests includable in the estate inures to the benefit of the persons or interests chargeable with the payment thereof to the extent that or in proportion that the credit reduces the tax.

(5) To the extent that property passing to or in trust for a surviving spouse or any charitable, public, or similar gift or bequest does not constitute an allowable deduction for purposes of the tax solely by reason of an inheritance tax or other death tax imposed upon and deductible from the property, the property shall not be included in the computation provided for in this chapter, and to that extent no apportionment shall be made against the property. This does not apply in any instance where the result under section 2053(d) of the Internal Revenue Code of 1954 of the United States relates to deduction for state death taxes on transfers for public, charitable, or religious uses.
(6) In the case of qualified real property, the apportionment of the tax shall be based on the values that would have been used to determine the tax without regard to section 2032A of the Internal Revenue Code. The reduction in the tax attributable to the application of section 2032A shall inure as follows:

(a) First to the benefit of the qualified heirs in proportion to their relative interests in the qualified real property, until the tax attributable to the qualified real property is reduced to zero;

(b) Then to the qualified heirs in proportion to their relative interests in other property of the estate, until the tax attributable to the property is reduced to zero; and

(c) Then to other persons interested in the estate in proportion to their relative interests in other property of the estate.

(7) Any extension in the payment of a part of the tax under any provision of the Internal Revenue Code shall inure to the benefit of, and the tax subject to the extension shall be equitably apportioned among, the persons receiving the property relating to the extension. Any tax benefit derived from the interest paid with respect to the tax shall be equitably apportioned among the persons receiving the property.

Sec. 5. Section 6, chapter 63, Laws of 1986 and RCW 83.110.060 are each amended to read as follows: Except as otherwise provided in RCW 83.110.030(6), no interest in income and no estate for years or for life or other temporary interest in any property or fund is subject to apportionment as between the temporary interest and the remainder. The tax on the temporary interest and the tax, if any, on the remainder is chargeable against the corpus of the property or funds subject to the temporary interest and remainder.

Sec. 6. Section 9, chapter 63, Laws of 1986 and RCW 83.110.090 are each amended to read as follows:

If the liabilities of persons interested in the estate as prescribed by this chapter differ from those which result under the federal estate tax law, the liabilities imposed by the federal law will control and the balance of this chapter shall apply as if the resulting liabilities had been prescribed in this chapter. Nothing in this chapter affects the right of a personal representative to recover payments due an estate pursuant to the provisions of section 2207A of the Internal Revenue Code ((of-I-954)).

Sec. 7. Section 50, chapter 30, Laws of 1985 and RCW 11.98.070 are each amended to read as follows:

A trustee, or the trustees jointly, of a trust, in addition to the authority otherwise given by law, have discretionary power to acquire, invest, reinvest, exchange, sell, convey, control, divide, partition, and manage the trust property in accordance with the standards provided by law, and in so doing may:

(33) Rely with acquittance on advice of counsel on questions of law; and

(34) Continue to be a party to any existing voting trust agreement or enter into any new voting trust agreement or renew an existing voting trust agreement with respect to any assets contained in trust.

CHAPTER 43
[Substitute Senate Bill No. 5208]
CONDOMINIUM ACT

AN ACT Relating to condominiums; reenacting and amending RCW 58.17.040; adding a new chapter to Title 64 RCW; creating a new section; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

ARTICLE I
GENERAL PROVISIONS

NEW SECTION. Sec. 1—101. This chapter shall be known and may be cited as the Washington condominium act or the condominium act.

NEW SECTION. Sec. 1—102. APPLICABILITY. (1) This chapter applies to all condominiums created within this state after the effective date of this act. Sections 1—105 (separate titles and taxation), 1—106 (applicability of local ordinances, regulations, and building codes), 1—107 (condemnation), 2—103 (construction and validity of declaration and bylaws), 2—104 (description of units), 3—102(1)(a) through (f) and (k) through (q) (powers
of unit owners' association), 3-112 (tort and contract liability), 3-117 (lien for assessments), 3-119 (association records), 4-107 (resales of units), 4-115 (effect of violation on rights of action; attorney's fees), and 1-103 (definitions) of this act to the extent necessary in construing any of those sections, apply to all condominiums created in this state before the effective date of this act; but those sections apply only with respect to events and circumstances occurring after the effective date of this act and do not invalidate or supersede existing, inconsistent provisions of the declaration, bylaws, or survey maps or plans of those condominiums.

(2) The provisions of chapter 64.32 RCW do not apply to condominiums created after the effective date of this act and do not invalidate any amendment to the declaration, bylaws, and survey maps and plans of any condominium created before the effective date of this act if the amendment would be permitted by this chapter. The amendment must be adopted in conformity with the procedures and requirements specified by those instruments and by chapter 64.32 RCW. If the amendment grants to any person any rights, powers, or privileges permitted by this chapter which are not otherwise provided for in the declaration or chapter 64.32 RCW, all correlative obligations, liabilities, and restrictions in this chapter also apply to that person.

(3) This chapter does not apply to condominiums or units located outside this state.

(4) Sections 4-101 (applicability—waiver), 4-102 (liability for public offering statement requirements), 4-103 (public offering statement—general provisions), 4-104 (public offering statement—condominiums containing conversion buildings), 4-105 (public offering statement—condominium securities), 4-106 (purchaser's right to cancel), 4-108 (escrow of deposits), and 4-115 (effect of violations on rights of action—attorney's fees) apply with respect to all sales of units pursuant to purchase agreements entered into after the effective date of this act in condominiums created before the effective date in which the declarant or an affiliate of the declarant owns at least ten units constituting at least twenty percent of the units in the condominium.

NEW SECTION. Sec. 1-103. DEFINITIONS. In the declaration and bylaws, unless specifically provided otherwise or the context requires otherwise, and in this chapter:

(1) "Affiliate of a declarant" means any person who controls, is controlled by, or is under common control with a declarant. A person "controls" a declarant if the person: (a) is a general partner, officer, director, or employer of the declarant; (b) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing, more than twenty percent of the voting interest in the declarant; (c) controls in any manner the election of a majority of the directors of the declarant; or (d)
has contributed more than twenty percent of the capital of the declarant. A person "is controlled by" a declarant if the declarant: (i) Is a general partner, officer, director, or employer of the person; (ii) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing, more than twenty percent of the voting interest in the person; (iii) controls in any manner the election of a majority of the directors of the person; or (iv) has contributed more than twenty percent of the capital of the person. Control does not exist if the powers described in this subsection are held solely as security for an obligation and are not exercised.

(2) "Allocated interests" means the undivided interest in the common elements, the common expense liability, and votes in the association allocated to each unit.

(3) "Assessment" means all sums chargeable by the association against a unit including, without limitation: (a) Regular and special assessments for common expenses, charges, and fines imposed by the association; (b) interest and late charges on any delinquent account; and (c) costs of collection, including reasonable attorneys' fees, incurred by the association in connection with the collection of a delinquent owner's account.

(4) "Association" or "unit owners' association" means the unit owners' association organized under section 3-101 of this act.

(5) "Board of directors" means the body, regardless of name, with primary authority to manage the affairs of the association.

(6) "Common elements" means all portions of a condominium other than the units.

(7) "Common expenses" means expenditures made by or financial liabilities of the association, together with any allocations to reserves.

(8) "Common expense liability" means the liability for common expenses allocated to each unit pursuant to section 2-107 of this act.

(9) "Condominium" means real property, portions of which are designated for separate ownership and the remainder of which is designated for common ownership solely by the owners of those portions. Real property is not a condominium unless the undivided interests in the common elements are vested in the unit owners, and unless a declaration and a survey map and plans have been recorded pursuant to this chapter.

(10) "Conversion building" means a building that at any time before creation of the condominium was occupied wholly or partially by persons other than purchasers and persons who occupy with the consent of purchasers.

(11) "Conveyance" means any transfer of the ownership of a unit, including a transfer by deed or by real estate contract and, with respect to a unit in a leasehold condominium, a transfer by lease or assignment thereof, but shall not include a transfer solely for security.
(12) "Dealer" means a person who owns either six or more units in a condominium or fifty percent or more of the units in a condominium which have not previously been disposed of to any person other than a declarant or a dealer.

(13) "Declarant" means any person or group of persons acting in concert who (a) executes as declarant a declaration as defined in subsection (15) of this section, or (b) reserves or succeeds to any special declarant right under the declaration.

(14) "Declarant control" means the right of the declarant or persons designated by the declarant to appoint and remove officers and members of the board of directors pursuant to section 3–103 (4) or (5) of this act.

(15) "Declaration" means the document, however denominated, that creates a condominium by setting forth the information required by section 2–105 of this act and any amendments to that document.

(16) "Development rights" means any right or combination of rights reserved by a declarant in the declaration to: (a) Add real property or improvements to a condominium; (b) create units, common elements, or limited common elements within real property included or added to a condominium; (c) subdivide units or convert units into common elements; or (d) withdraw real property from a condominium.

(17) "Dispose" or "disposition" means a voluntary transfer or conveyance to a purchaser or lessee of any legal or equitable interest in a unit, but does not include the transfer or release of a security interest.

(18) "Eligible mortgagee" means the holder of a mortgage on a unit that has filed with the secretary of the association a written request that it be given copies of notices of any action by the association that requires the consent of mortgagees.

(19) "Foreclosure" means a forfeiture or judicial or nonjudicial foreclosure of a mortgage or a deed in lieu thereof.

(20) "Identifying number" means a symbol or address that identifies only one unit in a condominium.

(21) "Leasehold condominium" means a condominium in which all or a portion of the real property is subject to a lease, the expiration or termination of which will terminate the condominium or reduce its size.

(22) "Limited common element" means a portion of the common elements allocated by the declaration or by operation of section 2–102 (2) or (4) of this act for the exclusive use of one or more but fewer than all of the units.

(23) "Master association" means an organization described in section 2–120 of this act, whether or not it is also an association described in section 3–101 of this act.

(24) "Mortgage" means a mortgage, deed of trust or real estate contract.
(25) "Person" means a natural person, corporation, partnership, limited partnership, trust, governmental subdivision or agency, or other legal entity.

(26) "Purchaser" means any person, other than a declarant or a dealer, who by means of a disposition acquires a legal or equitable interest in a unit other than (a) a leasehold interest, including renewal options, of less than twenty years at the time of creation of the unit, or (b) as security for an obligation.

(27) "Real property" means any fee, leasehold or other estate or interest in, over, or under land, including structures, fixtures, and other improvements thereon and easements, rights and interests appurtenant thereto which by custom, usage, or law pass with a conveyance of land although not described in the contract of sale or instrument of conveyance. "Real property" includes parcels, with or without upper or lower boundaries, and spaces that may be filled with air or water.

(28) "Residential purposes" means use for dwelling or recreational purposes, or both.

(29) "Special declarant rights" means rights reserved for the benefit of a declarant to: (a) Complete improvements indicated on survey maps and plans filed with the declaration under section 2-109 of this act; (b) exercise any development right under section 2-110 of this act; (c) maintain sales offices, management offices, signs advertising the condominium, and models under section 2-115 of this act; (d) use easements through the common elements for the purpose of making improvements within the condominium or within real property which may be added to the condominium under section 2-116 of this act; (e) make the condominium part of a larger condominium or a development under section 2-120 of this act; (f) make the condominium subject to a master association under section 2-120 of this act; or (g) appoint or remove any officer of the association or any master association or any member of the board of directors during any period of declarant control under section 3-103(3) of this act.

(30) "Timeshare" shall have the meaning specified in the timeshare act, RCW 64.36.010(11).

(31) "Unit" means a physical portion of the condominium designated for separate ownership, the boundaries of which are described pursuant to section 2-105(1) (d) of this act. "Separate ownership" includes leasing a unit in a leasehold condominium under a lease that expires contemporaneously with any lease, the expiration or termination of which will remove the unit from the condominium.

(32) "Unit owner" means a declarant or other person who owns a unit or leases a unit in a leasehold condominium under a lease that expires simultaneously with any lease, the expiration or termination of which will remove the unit from the condominium, but does not include a person who
has an interest in a unit solely as security for an obligation. "Unit owner" means the vendee, not the vendor, of a unit under a real estate contract.

NEW SECTION. Sec. 1–104. VARIATION BY AGREEMENT. Except as expressly provided in this chapter, provisions of this chapter may not be varied by agreement, and rights conferred by this chapter may not be waived. A declarant may not act under a power of attorney or use any other device to evade the limitations or prohibitions of this chapter or the declaration.

NEW SECTION. Sec. 1–105. SEPARATE TITLES AND TAXATION. (1) If there is any unit owner other than a declarant, each unit that has been created, together with its interest in the common elements, constitutes for all purposes a separate parcel of real property.

(2) If there is any unit owner other than a declarant, each unit together with its interest in the common elements must be separately taxed and assessed.

(3) Any development right shall constitute a separate parcel of real property for property tax purposes and must be separately taxed and assessed.

(4) If there is no unit owner other than a declarant, the real property comprising the condominium may be taxed and assessed in any manner provided by law.

NEW SECTION. Sec. 1–106. APPLICABILITY OF LOCAL ORDINANCES, REGULATIONS, AND BUILDING CODES. (1) A zoning, subdivision, building code, or other real property law, ordinance, or regulation may not prohibit the condominium form of ownership or impose any requirement upon a condominium which it would not impose upon a physically identical development under a different form of ownership. Otherwise, no provision of this chapter invalidates or modifies any provision of any zoning, subdivision, building code, or other real property use law, ordinance, or regulation.

(2) This section shall not prohibit a county legislative authority from requiring the review and approval of declarations and amendments thereto and termination agreements executed pursuant to section 2–118(2) of this act by the county assessor solely for the purpose of allocating the assessed value and property taxes. The review by the assessor shall be done in a reasonable and timely manner.

NEW SECTION. Sec. 1–107. CONDEMNATION. (1) If a unit is acquired by condemnation, or if part of a unit is acquired by condemnation leaving the unit owner with a remnant of a unit which may not practically or lawfully be used for any purpose permitted by the declaration, the award must compensate the unit owner for the owner's unit and its appurtenant interest in the common elements, whether or not any common elements are acquired. Upon acquisition, unless the decree otherwise provides, that unit's
allocated interests are automatically reallocated to the remaining units in proportion to the respective allocated interests of those units before the taking, and the association shall promptly prepare, execute, and record an amendment to the declaration reflecting the reallocations. Any remnant of a unit remaining after part of a unit is taken under this subsection is thereafter a common element.

(2) Except as provided in subsection (1) of this section, if part of a unit is acquired by condemnation, the award must compensate the unit owner for the reduction in value of the unit and its appurtenant interest in the common elements, whether or not any common elements are acquired. Upon acquisition, unless the decree otherwise provides: (a) That unit’s allocated interests are reduced in proportion to the reduction in the size of the unit, or on any other basis specified in the declaration; and (b) the portion of the allocated interests divested from the partially acquired unit are automatically reallocated to that unit and the remaining units in proportion to the respective allocated interests of those units before the taking, with the partially acquired unit participating in the reallocation on the basis of its reduced allocated interests.

(3) If part of the common elements is acquired by condemnation the portion of the award attributable to the common elements taken shall be paid to the owners based on their respective interests in the common elements unless the declaration provides otherwise. Unless the declaration provides otherwise, any portion of the award attributable to the acquisition of a limited common element must be equally divided among the owners of the units to which that limited common element was allocated at the time of acquisition.

(4) The court judgment shall be recorded in every county in which any portion of the condominium is located.

(5) Should the association not act, based on a right reserved to the association in the declaration, on the owners’ behalf in a condemnation process, the affected owners may individually or jointly act on their own behalf.

NEW SECTION. Sec. 1-108. SUPPLEMENTAL GENERAL PRINCIPLES OF LAW APPLICABLE. The principles of law and equity, including the law of corporations and unincorporated associations, the law of real property, and the law relative to capacity to contract, principal and agent, condemnation, estoppel, fraud, misrepresentation, duress, coercion, mistake, receivership, substantial performance, or other validating or invalidating cause supplement the provisions of this chapter, except to the extent inconsistent with this chapter.

NEW SECTION. Sec. 1-109. CONSTRUCTION AGAINST IMPLICIT REPEAL. This chapter being a general act intended as a unified coverage of its subject matter, no part of it shall be construed to be impliedly repealed by subsequent legislation if that construction can reasonably be avoided.
NEW SECTION. Sec. 1-110. UNIFORMITY OF APPLICATION AND CONSTRUCTION. This chapter shall be applied and construed so as to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it.

NEW SECTION. Sec. 1-111. UNCONSCIONABLE AGREEMENT OR TERM OF CONTRACT. (1) The court, upon finding as a matter of law that a contract or contract clause was unconscionable at the time the contract was made, may refuse to enforce the contract, enforce the remainder of the contract without the unconscionable clause, or limit the application of any unconscionable clause in order to avoid an unconscionable result.

(2) Whenever it is claimed, or appears to the court, that a contract or any contract clause is or may be unconscionable, the parties, in order to aid the court in making the determination, shall be afforded a reasonable opportunity to present evidence as to:
   (a) The commercial setting of the negotiations;
   (b) Whether a party has knowingly taken advantage of the inability of the other party reasonably to protect his or her interests by reason of physical or mental infirmity, illiteracy, or inability to understand the language of the agreement or similar factors;
   (c) The effect and purpose of the contract or clause; and
   (d) If a sale, any gross disparity at the time of contracting between the amount charged for the real property and the value of the real property measured by the price at which similar real property was readily obtainable in similar transactions, but a disparity between the contract price and the value of the real property measured by the price at which similar real property was readily obtainable in similar transactions does not, of itself, render the contract unconscionable.

NEW SECTION. Sec. 1-112. OBLIGATION OF GOOD FAITH. Every contract or duty governed by this chapter imposes an obligation of good faith in its performance or enforcement.

NEW SECTION. Sec. 1-113. REMEDIES TO BE LIBERALLY ADMINISTERED. (1) The remedies provided by this chapter shall be liberally administered to the end that the aggrieved party is put in as good a position as if the other party had fully performed. However, consequential, special, or punitive damages may not be awarded except as specifically provided in this chapter or by other rule of law.

(2) Any right or obligation declared by this chapter is enforceable by judicial proceeding.
NEW SECTION. Sec. 2-101. CREATION OF CONDOMINIUM.
(1) A condominium may be created pursuant to this chapter only by recording a declaration executed by the owner of the interest subject to this chapter in the same manner as a deed and by simultaneously recording a survey map and plans pursuant to section 2-109 of this act. The declaration and survey map and plans must be recorded in every county in which any portion of the condominium is located, and the condominium shall not have the same name as any other existing condominium, whether created under this chapter or under chapter 64.32 RCW, in any county in which the condominium is located.

(2) A declaration or an amendment to a declaration adding units to a condominium may not be recorded unless all units thereby created are substantially completed in accordance with the plans required to be recorded by section 2-109 of this act, as evidenced by a recorded certificate of completion executed by a licensed surveyor.

NEW SECTION. Sec. 2-102. UNIT BOUNDARIES. Except as provided by the declaration:
(1) If walls, floors, or ceilings are designated as boundaries of a unit, all lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring, and any other materials constituting any part of the finished surfaces thereof are a part of the unit, and all other portions of the walls, floors, or ceilings are a part of the common elements.

(2) If any chute, flue, duct, wire, conduit, bearing wall, bearing column, or any other fixture lies partially within and partially outside the designated boundaries of a unit, any portion thereof serving only that unit is a limited common element allocated solely to that unit, and any portion thereof serving more than one unit or any portion of the common elements is a part of the common elements.

(3) Subject to the provisions of subsection (2) of this section, all spaces, interior partitions, and other fixtures and improvements within the boundaries of a unit are a part of the unit.

(4) Any shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, patios, and all exterior doors and windows or other fixtures designed to serve a single unit, but which are located outside the unit's boundaries, are limited common elements allocated exclusively to that unit.

NEW SECTION. Sec. 2-103. CONSTRUCTION AND VALIDITY OF DECLARATION AND BYLAWS. (1) All provisions of the declaration and bylaws are severable.
(2) The rule against perpetuities may not be applied to defeat any provision of the declaration, bylaws, rules, or regulations adopted pursuant to section 3-102(1)(a) of this act.

(3) In the event of a conflict between the provisions of the declaration and the bylaws, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

(4) The creation of a condominium shall not be impaired and title to a unit and common elements shall not be rendered unmarketable or otherwise affected by reason of an insignificant failure of the declaration or survey map and plans or any amendment thereto to comply with this chapter. Whether a significant failure impairs marketability shall not be determined by this chapter.

NEW SECTION. Sec. 2-104. DESCRIPTION OF UNITS. A description of a unit which sets forth the name of the condominium, the recording number for the declaration, the county in which the condominium is located, and the identifying number of the unit is a sufficient legal description of that unit and all rights, obligations, and interests appurtenant to that unit which were created by the declaration or bylaws.

NEW SECTION. Sec. 2-105. CONTENTS OF DECLARATION.

(1) The declaration for a condominium must contain:

   (a) The name of the condominium, which must include the word "condominium" or be followed by the words "a condominium," and the name of the association;

   (b) A legal description of the real property included in the condominium;

   (c) A statement of the number of units which the declarant has created and reserves the right to create;

   (d) The identifying number of each unit created by the declaration and a description of the boundaries of each unit if and to the extent they are different from the boundaries stated in section 2-102(1) of this act;

   (e) With respect to each existing unit:

      (i) The approximate square footage;

      (ii) The number of bathrooms, whole or partial;

      (iii) The number of rooms designated primarily as bedrooms;

      (iv) The number of built-in fireplaces;

      (v) The level or levels on which each unit is located; and

      (vi) The type of heat and heat service;

   (f) The number of parking spaces and whether covered, uncovered, or enclosed;

   (g) The number of moorage slips, if any;

   (h) A description of any limited common elements, other than those specified in section 2-102 (2) and (4) and section 2-108 (2) and (3) of this act, as provided in section 2-109(2)(j) of this act;
(i) A description of any real property, except real property subject to
development rights, which may be allocated subsequently as limited com-
mon elements, other than limited common elements specified in section 2-
102 (2) and (4) and section 2-108 (2) and (3) of this act, together with a
statement that they may be so allocated;

(j) A description of any development rights and other special declarant
rights under section 1–103(29) of this act reserved by the declarant, to-
gether with a legal description of the real property to which each of those
rights applies, and a time limit within which each of those rights must be
exercised;

(k) If any development right may be exercised with respect to different
parcels of real property at different times, a statement to that effect togeth-
er with: (i) Either a statement fixing the boundaries of those portions and
regulating the order in which those portions may be subjected to the exer-
cise of each development right, or a statement that no assurances are made
in those regards; and (ii) a statement as to whether, if any development
right is exercised in any portion of the real property subject to that devel-
opment right, that development right must be exercised in all or in any
other portion of the remainder of that real property;

(l) Any other conditions or limitations under which the rights described
in (j) of this subsection may be exercised or will lapse;

(m) An allocation to each unit of the allocated interests in the manner
described in section 2–107 of this act;

(n) Any restrictions in the declaration on use, occupancy, or alienation
of the units;

(o) A cross-reference by recording number to the survey map and
plans for the units created by the declaration; and

(p) All matters required or permitted by sections 2–106 through 2–
109, 2–115, 2–116, 2–120, and 3–103(4) of this act.

(2) All amendments to the declaration shall contain a cross-reference
by recording number to the declaration and to any prior amendments
thereto. All amendments to the declaration adding units shall contain a
cross-reference by recording number to the survey map and plans relating
to the added units and set forth all information required by section 2–
105(1) of this act with respect to the added units.

(3) The declaration may contain any other matters the declarant
deems appropriate.

NEW SECTION. Sec. 2–106. LEASEHOLD CONDOMINIUMS.
(1) Any lease, the expiration or termination of which may terminate the
condominium or reduce its size, or a memorandum thereof, shall be record-
ed. Every lessor of those leases must sign the declaration, and the declara-
tion shall state:

(a) The recording number of the lease or a statement of where the
complete lease may be inspected;
(b) The date on which the lease is scheduled to expire;
(c) A legal description of the real property subject to the lease;
(d) Any right of the unit owners to redeem the reversion and the manner whereby those rights may be exercised, or a statement that they do not have those rights;
(e) Any right of the unit owners to remove any improvements within a reasonable time after the expiration or termination of the lease, or a statement that they do not have those rights; and
(f) Any rights of the unit owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

(2) The declaration may provide for the collection by the association of the proportionate rents paid on the lease by the unit owners and may designate the association as the representative of the unit owners on all matters relating to the lease.

(3) If the declaration does not provide for the collection of rents by the association, the lessor may not terminate the interest of a unit owner who makes timely payment of the owner's share of the rent and otherwise complies with all covenants other than the payment of rent which, if violated, would entitle the lessor to terminate the lease.

(4) Acquisition of the leasehold interest of any unit owner by the owner of the reversion or remainder does not merge the leasehold and fee simple interests unless the leasehold interests of all unit owners subject to that reversion or remainder are acquired and the owner thereof records a document confirming the merger.

(5) If the expiration or termination of a lease decreases the number of units in a condominium, the allocated interests shall be reallocated in accordance with section 1–107(1) of this act as though those units had been taken by condemnation. Reallocations shall be confirmed by an amendment to the declaration and survey map and plans prepared, executed, and recorded by the association.

NEW SECTION. Sec. 2–107. ALLOCATION OF COMMON ELEMENT INTERESTS, VOTES, AND COMMON EXPENSE LIABILITIES. (1) The declaration shall allocate a fraction or percentage of undivided interests in the common elements and in the common expenses of the association, and a portion of the votes in the association, to each unit and state the formulas used to establish those allocations. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(2) If units may be added to or withdrawn from the condominium, the declaration shall state the formulas to be used to reallocate the allocated interests among all units included in the condominium after the addition or withdrawal.

(3) The declaration may provide: (a) For cumulative voting only for the purpose of electing members of the board of directors; and (b) for class
voting on specified issues affecting the class if necessary to protect valid interests of the class. A declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants by this chapter, nor may units constitute a class because they are owned by a declarant.

(4) Except for minor variations due to rounding, the sum of the undivided interests in the common elements and common expense liabilities allocated at any time to all the units must each equal one if stated as fractions or one hundred percent if stated as percentages. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

(5) Except where permitted by other sections of this chapter, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

NEW SECTION. Sec. 2-108. LIMITED COMMON ELEMENTS.

(1) Except for the limited common elements described in section 2-102(2) and (4) of this act, the declaration shall specify to which unit or units each limited common element is allocated.

(2) A limited common element may only be reallocated between units with the approval of the board of directors and by an amendment to the declaration executed by the owners of the units to which the limited common element was and will be allocated. The board of directors shall approve the request of the owner or owners under this subsection within thirty days, or within such other period provided by the declaration, unless the proposed reallocation does not comply with this chapter or the declaration. The failure of the board of directors to act upon a request within such period shall be deemed approval thereof. The amendment shall be recorded in the names of the parties and of the condominium.

(3) Unless otherwise provided in the declaration, sixty-seven percent of the unit owners, including the owner of the unit to which the limited common element will be assigned or incorporated, must agree to reallocate a common element as a limited common element or to incorporate a limited common element into an existing unit. Such reallocation or incorporation shall be reflected in an amendment to the declaration, survey map, or plans.

NEW SECTION. Sec. 2-109. SURVEY MAPS AND PLANS.

(1) A survey map and plans executed by the declarant shall be recorded simultaneously with, and contain cross-references by recording number to, the declaration and any amendments. The survey map and plans must be clear and legible and contain a certification by the person making the survey or the plans that all information required by this section is supplied. All plans filed shall be in such style, size, form and quality as shall be prescribed by
the recording authority of the county where filed, and a copy shall be delivered to the county assessor.

(2) Each survey map shall show or state:
   (a) The name of the condominium and a legal description and a survey of the land in the condominium and of any land that may be added to the condominium;
   (b) The boundaries of all land not subject to development rights, or subject only to the development right to withdraw, and the location and dimensions of all existing buildings containing units on that land;
   (c) The boundaries of any land subject to development rights, labeled to identify the rights applicable to each parcel;
   (d) The extent of any encroachments by or upon any portion of the condominium;
   (e) To the extent feasible, the location and dimensions of all recorded easements serving or burdening any portion of the condominium and any unrecorded easements of which a surveyor knows or reasonably should have known, based on standard industry practices, while conducting the survey;
   (f) The location and dimensions of any vertical unit boundaries not shown or projected on plans recorded pursuant to subsection (4) of this section and that unit's identifying number;
   (g) The location with reference to an established datum of any horizontal unit boundaries not shown or projected on plans recorded pursuant to subsection (4) of this section and that unit's identifying number;
   (h) The location and dimensions of any real property in which the unit owners will own only an estate for years, labeled as "leasehold real property";
   (i) The distance between any noncontiguous parcels of real property comprising the condominium;
   (j) The general location of any existing principal common amenities listed in a public offering statement pursuant to section 4-103(1)(i) of this act and any limited common elements, including limited common element porches, balconies, patios, parking spaces, and storage facilities, but not including the other limited common elements described in section 2-102(2) and (4) of this act;
   (k) In the case of real property not subject to development rights, all other matters customarily shown on land surveys.

(3) A survey map may also show the intended location and dimensions of any contemplated improvement to be constructed anywhere within the condominium. Any contemplated improvement shown must be labeled either "MUST BE BUILT" or "NEED NOT BE BUILT."

(4) To the extent not shown or projected on the survey map, plans of the existing units must show or project:
   (a) The location and dimensions of the vertical boundaries of each unit, and that unit's identifying number;

[ 201 ]
(b) Any horizontal unit boundaries, with reference to an established datum, and that unit's identifying number; and

(c) Any units in which the declarant has reserved the right to create additional units or common elements under section 2-110(3) of this act, identified appropriately.

(5) Unless the declaration provides otherwise, the horizontal boundaries of part of a unit located outside of a building have the same elevation as the horizontal boundaries of the inside part and in such case need not be depicted on the survey map and plans.

(6) Upon exercising any development right, the declarant shall record either a new survey map and plans necessary to conform to the requirements of subsections (1), (2), and (3) of this section or new certifications of a survey map and plans previously recorded if the documents otherwise conform to the requirements of those subsections.

(7) Any survey map, plan, or certification required by this section shall be made by a licensed surveyor.

NEW SECTION. Sec. 2-110. EXERCISE OF DEVELOPMENT RIGHTS. (1) To exercise any development right reserved under section 2-105(1)(j) of this act, the declarant shall prepare, execute, and record an amendment to the declaration under section 2-117 of this act, and comply with section 2-109 of this act. The declarant is the unit owner of any units thereby created. The amendment to the declaration shall assign an identifying number to each new unit created, and, except in the case of subdivision or conversion of units described in subsection (2) of this section, reallocate the allocated interests among all units. The amendment must describe any common elements and any limited common elements thereby created and, in the case of limited common elements, designate the unit to which each is allocated to the extent required by section 2-108 of this act.

(2) Development rights may be reserved within any real property added to the condominium if the amendment adding that real property includes all matters required by section 2-105 or 2-106 of this act, as the case may be, and the survey map and plans include all matters required by section 2-109 of this act. This provision does not extend the time limit on the exercise of development rights imposed by the declaration pursuant to section 2-105(1)(j) of this act.

(3) Whenever a declarant exercises a development right to subdivide or convert a unit previously created into additional units, common elements, or both:

(a) If the declarant converts the unit entirely to common elements, the amendment to the declaration must reallocate all the allocated interests of that unit among the other units as if that unit had been taken by condemnation under section 1-107 of this act.
(b) If the declarant subdivides the unit into two or more units, whether or not any part of the unit is converted into common elements, the amendment to the declaration must reallocate all the allocated interests of the unit among the units created by the subdivision in any reasonable and equitable manner prescribed by the declarant.

(4) If the declaration provides, pursuant to section 2-105(1) (j) of this act, that all or a portion of the real property is subject to the development right of withdrawal:

(a) If all the real property is subject to withdrawal, and the declaration or survey map or amendment thereto does not describe separate portions of real property subject to that right, none of the real property may be withdrawn if a unit in that portion of the real property is owned by a person other than the declarant; and

(b) If a portion or portions are subject to withdrawal as described in the declaration or in the survey map or in any amendment thereto, no portion may be withdrawn if a unit in that portion of the real property is owned by a person other than the declarant.

NEW SECTION. Sec. 2-111. ALTERATIONS OF UNITS. Subject to the provisions of the declaration and other provisions of law, a unit owner:

(1) May make any improvements or alterations to the owner's unit that do not affect the structural integrity or mechanical or electrical systems or lessen the support of any portion of the condominium;

(2) May not change the appearance of the common elements or the exterior appearance of a unit without permission of the association;

(3) After acquiring an adjoining unit or an adjoining part of an adjoining unit may, with approval of the board of directors, remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not adversely affect the structural integrity or mechanical or electrical systems or lessen the support of any portion of the condominium. Removal of partitions or creation of apertures under this subsection is not a relocation of boundaries. The board of directors shall approve a unit owner's request, which request shall include the plans and specifications for the proposed removal or alteration, under this subsection within thirty days, or within such other period provided by the declaration, unless the proposed alteration does not comply with this chapter or the declaration or impairs the structural integrity or mechanical or electrical systems in the condominium. The failure of the board of directors to act upon a request within such period shall be deemed approval thereof.

NEW SECTION. Sec. 2-112. RELOCATION OF BOUNDARIES BETWEEN ADJOINING UNITS. (1) Subject to the provisions of the declaration and other provisions of law, the boundaries between adjoining
units may only be relocated by an amendment to the declaration upon application to the association by the owners of those units. If the owners of the adjoining units have specified a reallocation between their units of their allocated interests, the application must state the proposed reallocations. Unless the board of directors determines within thirty days, or such other period provided in the declaration, that the reallocations are unreasonable, the association shall prepare an amendment that identifies the units involved, states the reallocations, is executed by those unit owners, contains words of conveyance between them, and is recorded in the name of the grantor and the grantee.

(2) The association shall obtain and record survey maps or plans complying with the requirements of section 2-109(4) of this act necessary to show the altered boundaries between adjoining units and their dimensions and identifying numbers.

NEW SECTION. Sec. 2-113. SUBDIVISION OF UNITS. (1) If the declaration permits, a unit may be subdivided into two or more units. Subject to the provisions of the declaration and other provisions of law, upon application of a unit owner to subdivide a unit, the association shall prepare, execute, and record an amendment to the declaration, including survey maps and plans, subdividing that unit.

(2) The amendment to the declaration must be executed by the owner of the unit to be subdivided, assign an identifying number to each unit created, and reallocate the allocated interests formerly allocated to the subdivided unit to the new units in any reasonable and equitable manner prescribed by the owner of the subdivided unit.

NEW SECTION. Sec. 2-114. MONUMENTS AS BOUNDARIES. The physical boundaries of a unit constructed in substantial accordance with the original survey map and set of plans thereof become its boundaries rather than the metes and bounds expressed in the survey map or plans, regardless of settling or lateral movement of the building or minor variance between boundaries shown on the survey map or plans and those of the building. This section does not relieve a declarant or any other person of liability for failure to adhere to the survey map and plans.

NEW SECTION. Sec. 2-115. USE BY DECLARANT. A declarant may maintain sales offices, management offices, and models in units or on common elements in the condominium only if the declaration so provides and specifies the rights of a declarant with regard to the number, size, location, and relocation thereof. Any sales office, management office, or model not designated a unit by the declaration is a common element and, if a declarant ceases to be a unit owner, the declarant ceases to have any rights with regard thereto unless it is removed promptly from the condominium in accordance with a right to remove reserved in the declaration. Subject to any limitations in the declaration, a declarant may maintain signs on the
common elements advertising the condominium. The provisions of this section are subject to the provisions of other state law and to local ordinances.

NEW SECTION. Sec. 2-116. EASEMENT RIGHTS. Subject to the provisions of the declaration, a declarant has an easement through the common elements as may be reasonably necessary for the purpose of discharging a declarant's obligations or exercising special declarant rights, whether arising under this chapter or reserved in the declaration.

NEW SECTION. Sec. 2-117. AMENDMENT OF DECLARATION. (1) Except in cases of amendments that may be executed by a declarant under section 2-109(6) or 2-110 of this act; the association under section 1-107, 2-106(5), 2-108(3), 2-112(1), 2-113, or 2-118(8) of this act; or certain unit owners under section 2-108(2), 2-112(1), 2-113(2), or 2-118(2) of this act, and except as limited by subsection (4) of this section, the declaration, including the survey maps and plans, may be amended only by vote or agreement of unit owners of units to which at least sixty-seven percent of the votes in the association are allocated, or any larger percentage the declaration specifies: PROVIDED, That the declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential use.

(2) No action to challenge the validity of an amendment adopted by the association pursuant to this section may be brought more than one year after the amendment is recorded.

(3) Every amendment to the declaration must be recorded in every county in which any portion of the condominium is located, and is effective only upon recording. An amendment shall be indexed in the name of the condominium and shall contain a cross-reference by recording number to the declaration and each previously recorded amendment thereto.

(4) Except to the extent expressly permitted or required by other provisions of this chapter, no amendment may create or increase special declarant rights, increase the number of units, change the boundaries of any unit, the allocated interests of a unit, or the uses to which any unit is restricted, in the absence of the vote or agreement of the owner of each unit particularly affected and the owners of units to which at least ninety percent of the votes in the association are allocated other than the declarant or such larger percentage as the declaration provides.

(5) Amendments to the declaration required by this chapter to be recorded by the association shall be prepared, executed, recorded, and certified on behalf of the association by any officer of the association designated for that purpose or, in the absence of designation, by the president of the association.

(6) No amendment may restrict, eliminate, or otherwise modify any special declarant right provided in the declaration without the consent of the declarant and any mortgagee of record with a security interest in the
special declarant right or in any real property subject thereto, excluding mortgages of units owned by persons other than the declarant.

**NEW SECTION.** Sec. 2-118. TERMINATION OF CONDOMINIUM. (1) Except in the case of a taking of all the units by condemnation under section 1-107 of this act, a condominium may be terminated only by agreement of unit owners of units to which at least eighty percent of the votes in the association are allocated, or any larger percentage the declaration specifies: PROVIDED, That the declaration may specify a smaller percentage only if all of the units in the condominium are restricted exclusively to nonresidential uses.

(2) An agreement to terminate must be evidenced by the execution of a termination agreement or ratifications thereof, in the same manner as a deed, by the requisite number of unit owners. The termination agreement must specify a date after which the agreement will be void unless it is recorded before that date and shall contain a description of the manner in which the creditors of the association will be paid or provided for. A termination agreement and all ratifications thereof must be recorded in every county in which a portion of the condominium is situated and is effective only upon recording. A termination agreement may be amended by complying with all of the requirements of this section.

(3) A termination agreement may provide that all the common elements and units of the condominium shall be sold following termination. If, pursuant to the agreement, any real property in the condominium is to be sold following termination, the termination agreement must set forth the minimum terms of the sale.

(4) The association, on behalf of the unit owners, may contract for the sale of real property in the condominium, but the contract is not binding on the unit owners until approved pursuant to subsections (1) and (2) of this section. If any real property in the condominium is to be sold following termination, title to that real property, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to unit owners and lien holders as their interests may appear, in proportion to the respective interests of unit owners as provided in subsection (7) of this section. Unless otherwise specified in the termination agreement, as long as the association holds title to the real property, each unit owner and the owner's successors in interest have an exclusive right to occupancy of the portion of the real property that formerly constituted the owner's unit. During the period of that occupancy, each unit owner and the owner's successors in interest remain liable for all assessments and other obligations imposed on unit owners by this chapter or the declaration.
(5) If the real property constituting the condominium is not to be sold following termination, title to all the real property in the condominium vests in the unit owners upon termination as tenants in common in proportion to their respective interests as provided in subsection (7) of this section, and liens on the units shift accordingly. While the tenancy in common exists, each unit owner and the owner's successors in interest have an exclusive right to occupancy of the portion of the real property that formerly constituted the owner's unit.

(6) Following termination of the condominium, the proceeds of any sale of real property, together with the assets of the association, are held by the association as trustee for unit owners and holders of liens on the units and creditors of the association as their interests may appear. No such proceeds or assets may be disbursed to the owners until all of the creditors of the association have been paid or provided for. Following termination, creditors of the association holding liens on the units, which were recorded or perfected under RCW 4.64.020 before termination, may enforce those liens in the same manner as any lien holder.

(7) The respective interests of unit owners referred to in subsections (4), (5), and (6) of this section are as follows:

(a) Except as provided in (b) of this subsection, the respective interests of unit owners are the fair market values of their units, limited common elements, and common element interests immediately before the termination, as determined by one or more independent appraisers selected by the association. The decision of the independent appraisers shall be distributed to the unit owners and becomes final unless disapproved, within thirty days after distribution, by unit owners of units to which twenty-five percent of the votes in the association are allocated. The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of that unit owner's unit and common element interest by the total fair market values of all the units and common elements.

(b) If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value thereof before destruction cannot be made, the interests of all unit owners are their respective common element interests immediately before the termination.

(8) Except as provided in subsection (9) of this section, foreclosure or enforcement of a lien or encumbrance against the entire condominium does not of itself terminate the condominium, and foreclosure or enforcement of a lien or encumbrance against a portion of the condominium, other than withdrawable real property, does not withdraw that portion from the condominium. Foreclosure or enforcement of a lien or encumbrance against withdrawable real property does not of itself withdraw that real property from the condominium, but the person taking title thereto has the right to require from the association, upon request, an amendment excluding the real property from the condominium.
(9) If a lien or encumbrance against a portion of the real property that is withdrawable from the condominium has priority over the declaration, and the lien or encumbrance has not been partially released as to a unit, the parties foreclosing the lien or encumbrance may, upon foreclosure, record an instrument excluding the real property subject to that lien or encumbrance from the condominium. The board of directors shall reallocate interests as if the foreclosed portion were condemned.

(10) The right of partition under chapter 7.52 RCW shall be suspended if an agreement to sell the property is provided for in the termination agreement pursuant to subsection (3) of this section. The suspension of the right to partition shall continue unless and until no binding obligation to sell exists three months after the recording of the termination agreement, the binding sale agreement is terminated, or one year after the termination agreement is recorded, whichever first occurs.

NEW SECTION. Sec. 2-119. RIGHTS OF SECURED LENDERS. The declaration may require that all or a specified number or percentage of the holders of mortgages encumbering the units approve specified actions of the unit owners or the association as a condition to the effectiveness of those actions, but no requirement for approval may operate to (1) deny or delegate control over the general administrative affairs of the association by the unit owners or the board of directors, or (2) prevent the association or the board of directors from commencing, intervening in, or settling any litigation or proceeding, or receiving and distributing any insurance proceeds except pursuant to section 3-114 of this act. With respect to any action requiring the consent of a specified number or percentage of mortgagees, the consent of only eligible mortgagees holding a first lien mortgage need be obtained and the percentage shall be based upon the votes attributable to units with respect to which eligible mortgagees have an interest.

NEW SECTION. Sec. 2-120. MASTER ASSOCIATIONS. (1) If the declaration provides that any of the powers described in section 3-102 of this act are to be exercised by or may be delegated to a profit or nonprofit corporation which exercises those or other powers on behalf of a development consisting of one or more condominiums or for the benefit of the unit owners of one or more condominiums, all provisions of this chapter applicable to unit owners' associations apply to any such corporation, except as modified by this section.

(2) Unless a master association is acting in the capacity of an association described in section 3-101 of this act, it may exercise the powers set forth in section 3-102(1)(b) of this act only to the extent expressly permitted in the declarations of condominiums which are part of the master association or expressly described in the delegations of power from those condominiums to the master association.

(3) If the declaration of any condominium provides that the board of directors may delegate certain powers to a master association, the members
of the board of directors have no liability for the acts or omissions of the master association with respect to those powers following delegation.

(4) The rights and responsibilities of unit owners with respect to the unit owners' association set forth in sections 3-103, 3-109, 3-110, 3-111, and 3-113 of this act apply in the conduct of the affairs of a master association only to those persons who elect the board of a master association, whether or not those persons are otherwise unit owners within the meaning of this chapter.

(5) Notwithstanding the provisions of section 3-103(6) of this act with respect to the election of the board of directors of an association by all unit owners after the period of declarant control ends and even if a master association is also an association described in section 3-101 of this act, the certificate of incorporation or other instrument creating the master association and the declaration of each condominium, the powers of which are assigned by the declaration or delegated to the master association, must provide that the board of directors of the master association shall be elected after the period of declarant control in any of the following ways:

(a) All unit owners of all condominiums subject to the master association may elect all members of that board of directors.

(b) All members of the boards of directors of all condominiums subject to the master association may elect all members of that board of directors.

(c) All unit owners of each condominium subject to the master association may elect specified members of that board of directors.

(d) All members of the board of directors of each condominium subject to the master association may elect specified members of that board of directors.

NEW SECTION. Sec. 2-121. MERGER OR CONSOLIDATION OF CONDOMINIUMS. (1) Any two or more condominiums, by agreement of the unit owners as provided in subsection (2) of this section, may be merged or consolidated into a single condominium. In the event of a merger or consolidation, unless the agreement otherwise provides, the resultant condominium is, for all purposes, the legal successor of all of the preexisting condominiums and the operations and activities of all associations of the preexisting condominiums shall be merged or consolidated into a single association which shall hold all powers, rights, obligations, assets, and liabilities of all preexisting associations.

(2) An agreement of two or more condominiums to merge or consolidate pursuant to subsection (1) of this section must be evidenced by an agreement prepared, executed, recorded, and certified by the president of the association of each of the preexisting condominiums following approval by owners of units to which are allocated the percentage of votes in each condominium required to terminate that condominium. Any such agreement must be recorded in every county in which a portion of the condominium is located and is not effective until recorded.
(3) Every merger or consolidation agreement must provide for the re-allocation of the allocated interests in the new association among the units of the resultant condominium either (a) by stating the reallocations or the formulas upon which they are based or (b) by stating the portion of overall allocated interests of the new condominium which are allocated to all of the units comprising each of the preexisting condominiums, and providing that the percentages allocated to each unit formerly comprising a part of the preexisting condominium in such portion must be equal to the percentages of allocated interests allocated to that unit by the declaration of the preex-isting condominium.

(4) All merged or consolidated condominiums under this section shall comply with this chapter.

ARTICLE 3
MANAGEMENT OF CONDOMINIUM

NEW SECTION. Sec 3-101. ORGANIZATION OF UNIT OWNERS' ASSOCIATION. A unit owners' association shall be organized no later than the date the first unit in the condominium is conveyed. The membership of the association at all times shall consist exclusively of all the unit owners. Following termination of the condominium, the membership of the association shall consist of all of the unit owners at the time of termination entitled to distributions of proceeds under section 2-118 of this act or their heirs, successors, or assigns. The association shall be organized as a profit or nonprofit corporation. In case of any conflict between Title 23A RCW, the business corporation act, chapter 24.03 RCW, the nonprofit corporation act, or chapter 24.06 RCW, the nonprofit miscellaneous and mutual corporations act, and this chapter, this chapter shall control.

NEW SECTION. Sec. 3-102. POWERS OF UNIT OWNERS' ASSOCIATION. (1) Except as provided in subsection (2) of this section, and subject to the provisions of the declaration, the association may:

(a) Adopt and amend bylaws, rules, and regulations;

(b) Adopt and amend budgets for revenues, expenditures, and reserves, and impose and collect assessments for common expenses from unit owners;

(c) Hire and discharge or contract with managing agents and other employees, agents, and independent contractors;

(d) Institute, defend, or intervene in litigation or administrative proceedings in its own name on behalf of itself or two or more unit owners on matters affecting the condominium;

(e) Make contracts and incur liabilities;

(f) Regulate the use, maintenance, repair, replacement, and modification of common elements;

(g) Cause additional improvements to be made as a part of the common elements;
(h) Acquire, hold, encumber, and convey in its own name any right, title, or interest to real or personal property, but common elements may be conveyed or subjected to a security interest only pursuant to section 3–113 of this act;

(i) Grant easements, leases, licenses, and concessions through or over the common elements and petition for or consent to the vacation of streets and alleys;

(j) Impose and collect any payments, fees, or charges for the use, rental, or operation of the common elements, other than limited common elements described in section 2–102(2) and (4) of this act, and for services provided to unit owners;

(k) Impose and collect charges for late payment of assessments pursuant to section 3–117(10) of this act and, after notice and an opportunity to be heard by the board of directors or by such representative designated by the board of directors and in accordance with such procedures as provided in the declaration or bylaws or rules and regulations adopted by the board of directors, levy reasonable fines in accordance with a previously established schedule thereof adopted by the board of directors and furnished to the owners for violations of the declaration, bylaws, and rules and regulations of the association;

(l) Impose and collect reasonable charges for the preparation and recording of amendments to the declaration, resale certificates required by section 4–109 of this act, and statements of unpaid assessments;

(m) Provide for the indemnification of its officers and board of directors and maintain directors' and officers' liability insurance;

(n) Assign its right to future income, including the right to receive common expense assessments, but only to the extent the declaration provides;

(o) Exercise any other powers conferred by the declaration or bylaws;

(p) Exercise all other powers that may be exercised in this state by the same type of corporation as the association; and

(q) Exercise any other powers necessary and proper for the governance and operation of the association.

(2) The declaration may not impose limitations on the power of the association to deal with the declarant which are more restrictive than the limitations imposed on the power of the association to deal with other persons.

NEW SECTION. Sec. 3–103. BOARD OF DIRECTORS AND OFFICERS. (1) Except as provided in the declaration, the bylaws, subsection (2) of this section, or other provisions of this chapter, the board of directors shall act in all instances on behalf of the association. In the performance of their duties, the officers and members of the board of directors are required
to exercise: (a) If appointed by the declarant, the care required of fiduciaries of the unit owners; or (b) if elected by the unit owners, ordinary and reasonable care.

(2) The board of directors shall not act on behalf of the association to amend the declaration in any manner that requires the vote or approval of the unit owners pursuant to section 2-117 of this act, to terminate the condominium pursuant to section 2-118 of this act, or to elect members of the board of directors or determine the qualifications, powers, and duties, or terms of office of members of the board of directors pursuant to subsection (6) of this section; but the board of directors may fill vacancies in its membership for the unexpired portion of any term.

(3) Within thirty days after adoption of any proposed budget for the condominium, the board of directors shall provide a summary of the budget to all the unit owners and shall set a date for a meeting of the unit owners to consider ratification of the budget not less than fourteen nor more than sixty days after mailing of the summary. Unless at that meeting the owners of units to which a majority of the votes in the association are allocated or any larger percentage specified in the declaration reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the unit owners shall be continued until such time as the unit owners ratify a subsequent budget proposed by the board of directors.

(4) Subject to subsection (5) of this section, the declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by the declarant, may appoint and remove the officers and members of the board of directors. Regardless of the period provided in the declaration, a period of declarant control terminates no later than the earlier of: (a) Sixty days after conveyance of seventy-five percent of the units which may be created to unit owners other than a declarant; (b) two years after the last conveyance or transfer of record of a unit except as security for a debt; (c) two years after any development right to add new units was last exercised; or (d) the date on which the declarant records an amendment to the declaration pursuant to which the declarant voluntarily surrenders the right to further appoint and remove officers and members of the board of directors. A declarant may voluntarily surrender the right to appoint and remove officers and members of the board of directors before termination of that period pursuant to (a), (b), and (c) of this subsection, but in that event the declarant may require, for the duration of the period of declarant control, that specified actions of the association or board of directors, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.

(5) Not later than sixty days after conveyance of twenty-five percent of the units which may be created to unit owners other than a declarant, at
least one member and not less than twenty-five percent of the members of the board of directors must be elected by unit owners other than the declarant. Not later than sixty days after conveyance of fifty percent of the units which may be created to unit owners other than a declarant, not less than thirty-three and one-third percent of the members of the board of directors must be elected by unit owners other than the declarant.

(6) Within thirty days after the termination of any period of declarant control, the unit owners shall elect a board of directors of at least three members, at least a majority of whom must be unit owners. The board of directors shall elect the officers. Such members of the board of directors and officers shall take office upon election.

(7) Notwithstanding any provision of the declaration or bylaws to the contrary, the unit owners, by a two-thirds vote of the voting power in the association present and entitled to vote at any meeting of the unit owners at which a quorum is present, may remove any member of the board of directors with or without cause, other than a member appointed by the declarant. The declarant may not remove any member of the board of directors elected by the unit owners. Prior to the termination of the period of declarant control, the unit owners, other than the declarant, may remove by a two-thirds vote, any director elected by the unit owners.

NEW SECTION. Sec. 3-104. TRANSFER OF ASSOCIATION CONTROL. (1) Within sixty days after the termination of the period of declarant control provided in section 3–103(4) of this act or, in the absence of such period, within sixty days after the first conveyance of a unit in the condominium, the declarant shall deliver to the association all property of the unit owners and of the association held or controlled by the declarant including, but not limited to:

(a) The original or a photocopy of the recorded declaration and each amendment to the declaration;

(b) The certificate of incorporation and a copy or duplicate original of the articles of incorporation of the association as filed with the secretary of state;

(c) The bylaws of the association;

(d) The minute books, including all minutes, and other books and records of the association;

(e) Any rules and regulations that have been adopted;

(f) Resignations of officers and members of the board who are required to resign because the declarant is required to relinquish control of the association;

(g) The financial records, including canceled checks, bank statements, and financial statements of the association, and source documents from the time of incorporation of the association through the date of transfer of control to the unit owners;

(h) Association funds or the control of the funds of the association;
(i) All tangible personal property of the association, represented by the declarant to be the property of the association or ostensibly the property of the association, and an inventory of the property;

(j) Except for alterations to a unit done by a unit owner other than the declarant, a copy of the declarant's plans and specifications utilized in the construction or remodeling of the condominium, with a certificate of the declarant or a licensed architect or engineer that the plans and specifications represent, to the best of their knowledge and belief, the actual plans and specifications utilized by the declarant in the construction or remodeling of the condominium;

(k) Insurance policies or copies thereof for the condominium and association;

(l) Copies of any certificates of occupancy that may have been issued for the condominium;

(m) Any other permits issued by governmental bodies applicable to the condominium in force or issued within one year before the date of transfer of control to the unit owners;

(n) All written warranties that are still in effect for the common elements, or any other areas or facilities which the association has the responsibility to maintain and repair, from the contractor, subcontractors, suppliers, and manufacturers and all owners' manuals or instructions furnished to the declarant with respect to installed equipment or building systems;

(o) A roster of unit owners and eligible mortgagees and their addresses and telephone numbers, if known, as shown on the declarant's records and the date of closing of the first sale of each unit sold by the declarant;

(p) Any leases of the common elements or areas and other leases to which the association is a party;

(q) Any employment contracts or service contracts in which the association is one of the contracting parties or service contracts in which the association or the unit owners have an obligation or a responsibility, directly or indirectly, to pay some or all of the fee or charge of the person performing the service; and

(r) All other contracts to which the association is a party.

(2) Upon the transfer of control to the unit owners, the records of the association shall be audited as of the date of transfer by an independent certified public accountant in accordance with generally accepted auditing standards unless the unit owners, other than the declarant, by two-thirds vote elect to waive the audit. The cost of the audit shall be a common expense unless otherwise provided in the declaration. The accountant performing the audit shall examine supporting documents and records, including the cash disbursements and related paid invoices, to determine if expenditures were for association purposes and the billings, cash receipts,
and related records to determine if the declarant was charged for and paid the proper amount of assessments.

**NEW SECTION. Sec. 3-105. TRANSFER OF SPECIAL DECLARANT RIGHTS.** (1) No special declarant right, as described in section 1–103(29) of this act, created or reserved under this chapter may be transferred except by an instrument evidencing the transfer executed by the declarant or the declarant's successor and the transferee is recorded in every county in which any portion of the condominium is located. Each unit owner shall receive a copy of the recorded instrument, but the failure to furnish the copy shall not invalidate the transfer.

(2) Upon transfer of any special declarant right, the liability of a transferor declarant is as follows:

(a) A transferor is not relieved of any obligation or liability arising before the transfer and remains liable for warranty obligations imposed upon the transferor by this chapter. Lack of privity does not deprive any unit owner of standing to maintain an action to enforce any obligation of the transferor.

(b) If a successor to any special declarant right is an affiliate of a declarant as described in section 1–103(1) of this act, the transferor is jointly and severally liable with the successor for any obligations or liabilities of the successor relating to the condominium.

(c) If a transferor retains any special declarant right, but transfers other special declarant rights to a successor who is not an affiliate of the declarant, the transferor is liable for any obligations or liabilities imposed on a declarant by this chapter or by the declaration relating to the retained special declarant rights arising after the transfer.

(d) A transferor has no liability for any act or omission or any breach of a contractual or warranty obligation arising from the exercise of a special declarant right by a successor declarant who is not an affiliate of the transferor.

(3) In case of foreclosure of a mortgage, tax sale, judicial sale, or sale under bankruptcy code or receivership proceedings of any unit owned by a declarant or real property in a condominium subject to development rights, a person acquiring title to all the real property being foreclosed or sold succeeds to all special declarant rights related to that real property held by that declarant and to any rights reserved in the declaration pursuant to section 2–115 of this act and held by that declarant to maintain models, sales offices, and signs, unless such person requests that all or any of such rights not be transferred. The instrument conveying title shall describe any special declarant rights not being transferred.

(4) Upon foreclosure of a mortgage, tax sale, judicial sale, or sale under bankruptcy code or receivership proceedings of all units and other real property in a condominium owned by a declarant:

(a) The declarant ceases to have any special declarant rights; and
(b) The period of declarant control as described in section 3-103(d) of this act terminates unless the judgment or instrument conveying title provides for transfer of all special declarant rights held by that declarant to a successor declarant.

(5) The liabilities and obligations of a person who succeeds to special declarant rights are as follows:

(a) A successor to any special declarant right who is an affiliate of a declarant is subject to all obligations and liabilities imposed on the transferor by this chapter or by the declaration;

(b) A successor to any special declarant right, other than a successor described in (c) or (d) of this subsection, who is not an affiliate of a declarant is subject to all obligations and liabilities imposed by this chapter or the declaration:

(i) On a declarant which relate to such successor's exercise or nonexercise of special declarant rights; or

(ii) On the declarant's transferor, other than:

(A) Misrepresentations by any previous declarant;

(B) Warranty obligations on improvements made by any previous declarant or made before the condominium was created;

(C) Breach of any fiduciary obligation by any previous declarant or the declarant's appointees to the board of directors; or

(D) Any liability or obligation imposed on the transferor as a result of the transferor's acts or omissions after the transfer;

(c) A successor to only a right reserved in the declaration to maintain models, sales offices, and signs as described in section 2-115 of this act, if the successor is not an affiliate of a declarant, may not exercise any other special declarant right and is not subject to any liability or obligation as a declarant, except the obligation to provide a public offering statement and any liability arising as a result thereof;

(d) A successor to all special declarant rights held by the successor's transferor who is not an affiliate of that declarant and who succeeded to those rights pursuant to a foreclosure, a deed in lieu of foreclosure, or a judgment or instrument conveying title to units under subsection (3) of this section may declare his or her intention in a recorded instrument to hold those rights solely for transfer to another person. Thereafter, until transferring all special declarant rights to any person acquiring title to any unit owned by the successor or until recording an instrument permitting exercise of all those rights, that successor may not exercise any of those rights other than any right held by the successor's transferor to control the board of directors in accordance with the provisions of section 3-103(4) of this act for the duration of any period of declarant control, and any attempted exercise of those rights is void. So long as a successor declarant may not exercise special declarant rights under this subsection, the successor is not subject to
any liability or obligation as a declarant other than liability for the successor's acts and omissions under section 3–103(4) of this act;

(e) Nothing in this section subjects any successor to a special declarant right to any claims against or other obligations of a transferor declarant, other than claims and obligations arising under this chapter or the declaration.

NEW SECTION. Sec. 3–106. TERMINATION OF CONTRACTS AND LEASES OF DECLARANT. If entered into before the board of directors elected by the unit owners pursuant to section 3–103(6) of this act takes office, (1) any management contract, employment contract, or lease of recreational or parking areas or facilities, (2) any other contract or lease between the association and a declarant or an affiliate of a declarant, or (3) any contract or lease that is not bona fide or was unconscionable to the unit owners at the time entered into under the circumstances then prevailing may be terminated without penalty by the association at any time after the board of directors elected by the unit owners pursuant to section 3–103(6) of this act takes office upon not less than ninety days' notice to the other party or within such lesser notice period provided for without penalty in the contract or lease. This section does not apply to any lease, the termination of which would terminate the condominium or reduce its size, unless the real property subject to that lease was included in the condominium for the purpose of avoiding the right of the association to terminate a lease under this section.

NEW SECTION. Sec. 3–107. BYLAWS. (1) Unless provided for in the declaration, the bylaws of the association shall provide for:

(a) The number, qualifications, powers and duties, terms of office, and manner of electing and removing the board of directors and officers and filling vacancies;

(b) Election by the board of directors of such officers of the association as the bylaws specify;

(c) Which, if any, of its powers the board of directors or officers may delegate to other persons or to a managing agent;

(d) Which of its officers may prepare, execute, certify, and record amendments to the declaration on behalf of the association; and

(e) The method of amending the bylaws.

(2) Subject to the provisions of the declaration, the bylaws may provide for any other matters the association deems necessary and appropriate.

(3) If the declaration or bylaws provide that any officers or directors of the association must be unit owners, then notwithstanding the provision of section 1–103(32) of this act, the term "unit owner" in such context shall, unless the declaration or bylaws otherwise provide, be deemed to include any director, officer, partner in, or trustee of any person, who is, either alone or in conjunction with another person or persons, a unit owner. Any officer or director of the association who would not be eligible to serve as such if he
or she were not a director, officer, partner in, or trustee of such a person
shall be disqualified from continuing in office if he or she ceases to have any
such affiliation with that person, or if that person would have been disquali-
fied from continuing in such office as a natural person.

**NEW SECTION.** Sec. 3-108. UPKEEP OF CONDOMINIUM. (1) Except to the extent provided by the declaration, subsection (2) of this sec-
tion, or section 3-114(7) of this act, the association is responsible for main-
tenance, repair, and replacement of the common elements, including the
limited common elements, and each unit owner is responsible for mainte-
nance, repair, and replacement of the owner's unit. Each unit owner shall
afford to the association and the other unit owners, and to their agents or
employees, access through the owner's unit and limited common elements
reasonably necessary for those purposes. If damage is inflicted on the com-
mon elements, or on any unit through which access is taken, the unit owner
responsible for the damage, or the association if it is responsible, shall be
liable for the repair thereof.

(2) In addition to the liability that a declarant as a unit owner has un-
der this chapter, the declarant alone is liable for all expenses in connection
with real property subject to development rights except that the declaration
may provide that the expenses associated with the operation, maintenance,
repair, and replacement of a common element that the owners have a right
to use shall be paid by the association as a common expense. No other unit
owner and no other portion of the condominium is subject to a claim for
payment of those expenses. Unless the declaration provides otherwise, any
income or proceeds from real property subject to development rights inures
to the declarant.

**NEW SECTION.** Sec. 3-109. MEETINGS. A meeting of the associ-
atation must be held at least once each year. Special meetings of the associa-
tion may be called by the president, a majority of the board of directors, or
by unit owners having twenty percent or any lower percentage specified in
the declaration or bylaws of the votes in the association. Not less than ten
nor more than sixty days in advance of any meeting, the secretary or other
officer specified in the bylaws shall cause notice to be hand-delivered or sent
prepaid by first class United States mail to the mailing address of each unit
or to any other mailing address designated in writing by the unit owner. The
notice of any meeting shall state the time and place of the meeting and the
items on the agenda to be voted on by the members, including the general
nature of any proposed amendment to the declaration or bylaws, changes in
the previously approved budget that result in a change in assessment obli-
gations, and any proposal to remove a director or officer.

**NEW SECTION.** Sec. 3-110. QUORUMS. (1) Unless the bylaws
specify a larger percentage, a quorum is present throughout any meeting of
the association if the owners of units to which twenty-five percent of the
votes of the association are allocated are present in person or by proxy at the beginning of the meeting.

(2) Unless the bylaws specify a larger percentage, a quorum is deemed present throughout any meeting of the board of directors if persons entitled to cast fifty percent of the votes on the board of directors are present at the beginning of the meeting.

NEW SECTION. Sec. 3–111. VOTING—PROXIES. (1) If only one of the multiple owners of a unit is present at a meeting of the association, the owner is entitled to cast all the votes allocated to that unit. If more than one of the multiple owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the multiple owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the multiple owners casts the votes allocated to that unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.

(2) Votes allocated to a unit may be cast pursuant to a proxy duly executed by a unit owner. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through a duly executed proxy. A unit owner may not revoke a proxy given pursuant to this section except by actual notice of revocation to the person presiding over a meeting of the association. A proxy is void if it is not dated or purports to be revocable without notice. Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(3) If the declaration requires that votes on specified matters affecting the condominium be cast by lessees rather than unit owners of leased units:
(a) The provisions of subsections (1) and (2) of this section apply to lessees as if they were unit owners;
(b) unit owners who have leased their units to other persons may not cast votes on those specified matters; and
(c) lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners. Unit owners must also be given notice, in the manner provided in section 3–109 of this act, of all meetings at which lessees may be entitled to vote.

(4) No votes allocated to a unit owned by the association may be cast, and in determining the percentage of votes required to act on any matter, the votes allocated to units owned by the association shall be disregarded.

NEW SECTION. Sec. 3–112. TORT AND CONTRACT LIABILITY. Neither the association nor any unit owner except the declarant is liable for that declarant's torts in connection with any part of the condominium which that declarant has the responsibility to maintain. Otherwise, an action alleging a wrong done by the association must be brought against the association and not against any unit owner or any officer or director of the association. Unless the wrong was done by a unit owner other than the declarant, if the wrong by the association occurred
during any period of declarant control and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association is liable to the association or to any unit owner: (1) For all tort losses not covered by insurance suffered by the association or that unit owner; and (2) for all costs which the association would not have incurred but for a breach of contract or other wrongful act or omission by the association. If the declarant does not defend the action and is determined to be liable to the association under this section, the declarant is also liable for all litigation expenses, including reasonable attorneys' fees, incurred by the association in such defense. Any statute of limitations affecting the association's right of action under this section is tolled until the period of declarant control terminates. A unit owner is not precluded from bringing an action contemplated by this section because he or she is a unit owner or a member or officer of the association. Liens resulting from judgments against the association are governed by section 3-118 of this act.

NEW SECTION. Sec. 3-113. CONVEYANCE OR ENCUMBRANCE OF COMMON ELEMENTS. (1) Portions of the common elements which are not necessary for the habitability of a unit may be conveyed or subjected to a security interest by the association if the owners of units to which at least eighty percent of the votes in the association are allocated, including eighty percent of the votes allocated to units not owned by a declarant or an affiliate of a declarant, or any larger percentage the declaration specifies, agree to that action; but all the owners of units to which any limited common element is allocated must agree in order to convey that limited common element or subject it to a security interest. The declaration may specify a smaller percentage, but not less than sixty-seven percent of the votes not held by a declarant or an affiliate of a declarant, only if all of the units are restricted exclusively to nonresidential uses. Proceeds of the sale or financing are an asset of the association. The declaration may provide for a special allocation or distribution of the proceeds of the sale or refinancing of a limited common element.

(2) An agreement to convey common elements or subject them to a security interest must be evidenced by the execution of an agreement, or ratifications thereof, in the same manner as a deed, by the requisite number of unit owners. The agreement must specify a date after which the agreement will be void unless recorded before that date. The agreement and all ratifications thereof must be recorded in every county in which a portion of the condominium is situated and is effective only upon recording.

(3) The association, on behalf of the unit owners, may contract to convey common elements or subject them to a security interest, but the contract is not enforceable against the association until approved pursuant to subsections (1) and (2) of this section. Thereafter, the association has all
powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute deeds or other instruments.

(4) Any purported conveyance, encumbrance, or other voluntary transfer of common elements, unless made pursuant to this section, is void.

(5) A conveyance or encumbrance of common elements pursuant to this section shall not deprive any unit of its rights of access and support.

(6) A conveyance or encumbrance of common elements pursuant to this section shall not affect the priority or validity of preexisting encumbrances.

NEW SECTION. Sec. 3–114. INSURANCE. (1) Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association shall maintain, to the extent reasonably available:

(a) Property insurance on the condominium, which may, but need not, include equipment, improvements, and betterments in a unit installed by the declarant or the unit owners, insuring against all risks of direct physical loss commonly insured against or, in the case of a conversion building, against fire and extended coverage perils. The total amount of insurance after application of any deductibles shall be not less than eighty percent, or such greater amount specified in the declaration, of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies; and

(b) Liability insurance, including medical payments insurance, in an amount determined by the board of directors but not less than the amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

(2) If the insurance described in subsection (1) of this section is not reasonably available, the association promptly shall cause notice of that fact to be hand-delivered or sent prepaid by first class United States mail to all unit owners, to each eligible mortgagee, and to each mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last known addresses. The declaration may require the association to carry any other insurance, and the association in any event may carry any other insurance it deems appropriate to protect the association or the unit owners.

(3) Insurance policies carried pursuant to subsection (1) of this section shall provide that:

(a) Each unit owner is an insured person under the policy with respect to liability arising out of the owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit owner, member of the owner's household, and lessee of the owner;
(c) No act or omission by any unit owner, unless acting within the scope of the owner's authority on behalf of the association, will void the policy or be a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same risk covered by the policy, the association's policy provides primary insurance.

(4) Any loss covered by the property insurance under subsection (1)(a) of this section must be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a mortgage. The insurance trustee or the association shall hold any insurance proceeds in trust for unit owners and lienholders as their interests may appear. Subject to the provisions of subsection (7) of this section, the proceeds must be disbursed first for the repair or restoration of the damaged property, and unit owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored or the condominium is terminated.

(5) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for the owner's own benefit.

(6) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit owner or holder of a mortgage. The insurer issuing the policy may not modify, cancel, or refuse to renew it until thirty days after notice of the proposed modification, cancellation, or nonrenewal has been mailed to the association, each unit owner, and each holder of a mortgage to whom a certificate or memorandum of insurance has been issued at their respective last known addresses. The insurer shall not modify the amount or the extent of the coverage by the policy, or cancel or refuse to renew the policy, without complying with this section.

(7) Any portion of the condominium for which insurance is required under this section which is damaged or destroyed shall be repaired or replaced promptly by the association unless: (a) The condominium is terminated; (b) repair or replacement would be illegal under any state or local health or safety statute or ordinance; or (c) eighty percent of the unit owners, including every owner of a unit or assigned limited common element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense. If all of the damaged or destroyed portions of the condominium are not repaired or replaced: (i) The insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the condominium; (ii) the insurance proceeds attributable to units and limited common elements which are not rebuilt shall be distributed to the owners of those units and the owners of the
units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and (iii) the remainder of the proceeds shall be distributed to all the unit owners or lienholders, as their interests may appear, in proportion to the common element interests of all the units. If the unit owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under section 1-107(1) of this act, and the association promptly shall prepare, execute, and record an amendment to the declaration reflecting the reallocations. Notwithstanding the provisions of this subsection, section 2-118 of this act governs the distribution of insurance proceeds if the condominium is terminated.

(8) The provisions of this section may be varied or waived as provided in the declaration if all units of a condominium are restricted to nonresidential use.

**NEW SECTION.** Sec. 3-115. SURPLUS FUNDS. Unless otherwise provided in the declaration, any surplus funds of the association remaining after payment of or provision for common expenses and any prepayment of reserves shall, in the discretion of the board of directors, either be paid to the unit owners in proportion to their common expense liabilities or credited to them to reduce their future common expense assessments.

**NEW SECTION.** Sec. 3-116. ASSESSMENTS FOR COMMON EXPENSES. (1) Until the association makes a common expense assessment, the declarant shall pay all common expenses. After any assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association.

(2) Except for assessments under subsections (3), (4), and (5) of this section, all common expenses must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to section 2-107(1) of this act. Any past due common expense assessment or installment thereof bears interest at the rate established by the association pursuant to section 3-117 of this act.

(3) To the extent required by the declaration:

(a) Any common expense associated with the operation, maintenance, repair, or replacement of a limited common element shall be paid by the owner of or assessed against the units to which that limited common element is assigned, equally, or in any other proportion that the declaration provides;

(b) Any common expense or portion thereof benefiting fewer than all of the units must be assessed exclusively against the units benefited;

(c) The costs of insurance must be assessed in proportion to risk; and

(d) The costs of utilities must be assessed in proportion to usage.
(4) Assessments to pay a judgment against the association pursuant to section 3-118(1) of this act may be made only against the units in the condominium at the time the judgment was entered in proportion to their allocated common expense liabilities at the time the judgment was entered.

(5) To the extent that any common expense is caused by the misconduct of any unit owner, the association may assess that expense against the owner's unit.

(6) If common expense liabilities are reallocated, common expense assessments and any installment thereof not yet due shall be recalculated in accordance with the reallocated common expense liabilities.

NEW SECTION. Sec. 3-117. LIEN FOR ASSESSMENTS. (1) The association has a lien on a unit for any unpaid assessments levied against a unit from the time the assessment is due. Unless the declaration provides otherwise, fees, late charges, fines, and interest charged pursuant to section 3-102(1) (j), (k), and (l) of this act are enforceable as assessments under this section. If an assessment is payable in installments, the association has a lien for the full amount of the assessment from the time the first installment thereof is due.

(2) A lien under this section shall be prior to all other liens and encumbrances on a unit except: (a) Liens and encumbrances recorded before the recording of the declaration; (b) a mortgage on the unit recorded before the date on which the assessment sought to be enforced became delinquent; and (c) liens for real property taxes and other governmental assessments or charges against the unit. If the association elects to foreclose its lien under this section judicially pursuant to chapter 61.12 RCW rather than nonjudicially pursuant to chapter 61.24 RCW, as provided by subsection (6) of this section, the lien shall also be prior to the mortgages described in (b) of this subsection to the extent of assessments for common expenses, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to section 3-116(l) of this act which would have become due, in the absence of acceleration, during the six months immediately preceding institution of an action to enforce the lien: PROVIDED, That the priority of the association's lien against units encumbered by a mortgage held by an eligible mortgagee or by a first mortgagee which has given the association a written request for a notice of delinquent assessments shall be reduced by up to three months if and to the extent its foreclosure includes delinquencies which relate to a period after such holder becomes an eligible mortgagee or has given such notice and before the association gives the holder a written notice of the delinquency. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association. A lien under this section is not subject to the provisions of chapter 6.13 RCW.
(3) Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same real estate, those liens have equal priority.

(4) Recording of the declaration constitutes record notice and perfection of the lien for assessments. While no further recording of any claim of lien for assessment under this section shall be required to perfect the association's lien, the association may record a notice of claim of lien for assessments under this section in the real property records of any county in which the condominium is located. Such recording shall not constitute the written notice of delinquency to a mortgagee referred to in subsection (2) of this section.

(5) A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within three years after the amount of the assessments sought to be recovered becomes due.

(6) The lien arising under this section may be enforced judicially by the association or its authorized representative in the manner set forth in chapter 61.12 RCW or nonjudicially in the manner set forth in chapter 61-.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration so provides and contains the prerequisites therefor set forth in such chapter. The association or its authorized representative shall have the power, unless prohibited by the declaration, to purchase the unit at the foreclosure sale and to acquire, hold, lease, mortgage, or convey the same. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption shall be eight months. Nothing in this section shall prohibit an association from taking a deed in lieu of foreclosure.

(7) From the time of commencement of an action by the association to foreclose a lien for nonpayment of delinquent assessments against a unit that is not occupied by the owner thereof, the association shall be entitled to the appointment of a receiver to collect from the lessee thereof the rent for the unit as and when due. If the rental is not paid, the receiver may obtain possession of the unit, refurbish it for rental up to a reasonable standard for rental units in this type of condominium, rent the unit or permit its rental to others, and apply the rents first to the cost of the receivership and attorneys' fees thereof, then to the cost of refurbishing the unit, then to applicable charges, then to costs, fees, and charges of the foreclosure action, and then to the payment of the delinquent assessments. Only a receiver may take possession and collect rents under this subsection, and a receiver shall not be appointed less than ninety days after the delinquency. The exercise by the association of the foregoing rights shall not affect the priority of preexisting liens on the unit.

(8) Except as provided in subsection (2) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure shall not be liable for assessments that became
due prior to such right of possession. Such unpaid assessments shall be deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior owner of personal liability for assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(9) In addition to constituting a lien on the unit, each assessment shall be the joint and several obligation of the owner or owners of the unit to which the same are assessed as of the time the assessment is due. Suit to recover a personal judgment for any delinquent assessment shall be maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(10) The association may from time to time establish reasonable late charges and a rate of interest to be charged on all subsequent delinquent assessments or installments thereof. In the absence of another established nonusurious rate, delinquent assessments shall bear interest from the date of delinquency at the maximum rate permitted under RCW 19.52.020 on the date on which the assessments became delinquent.

(11) The association shall be entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in suit being commenced or prosecuted to judgment. In addition, the association shall be entitled to recover costs and reasonable attorneys' fees if it prevails on appeal and in the enforcement of a judgment.

(12) The association upon written request shall furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments against that unit. The statement shall be furnished within fifteen days after receipt of the request and is binding on the association, the board of directors, and every unit owner, unless and to the extent known by the recipient to be false.

(13) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

NEW SECTION. Sec. 3-118. OTHER LIENS AFFECTING THE CONDOMINIUM. (1) Except as provided in subsection (2) of this section, a judgment for money against the association perfected under RCW 4.64-020 is a lien in favor of the judgment lienholder against all of the units in the condominium and their interest in the common elements at the time the judgment was entered. No other property of a unit owner is subject to the claims of creditors of the association.

(2) If the association has granted a security interest in the common elements to a creditor of the association pursuant to section 3-113 of this act, the holder of that security interest shall exercise its right first against such common elements before its judgment lien on any unit may be enforced.
(3) Whether perfected before or after the creation of the condominium, if a lien other than a mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the condominium, becomes effective against two or more units, the unit owner of an affected unit may pay to the lienholder the amount of the lien attributable to the owner's unit, and the lienholder, upon receipt of payment, promptly shall deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio which that unit owner's allocated common expense liability bears to the allocated common expense liabilities of all unit owners whose units are subject to the lien. After payment, the association may not assess or have a lien against that unit owner's unit for any portion of the common expenses incurred in connection with that lien.

(4) A judgment against the association shall be filed in the name of the condominium and the association and, when so filed, is notice of the lien against the units.

NEW SECTION. Sec. 3-119. ASSOCIATION RECORDS. (1) The association shall keep financial records sufficiently detailed to enable the association to comply with section 4-107 of this act. All financial and other records shall be made reasonably available for examination by any unit owner and the owner's authorized agents. The financial records of condominiums consisting of fifty or more units shall be audited at least annually by a certified public accountant. In the case of a condominium consisting of fewer than fifty units, an annual audit is also required but may be waived annually by unit owners other than the declarant of units to which sixty percent of the votes are allocated, excluding the votes allocated to units owned by the declarant.

(2) The funds of an association shall not be commingled with the funds of any other association, nor with the funds of any manager of the association or any other person responsible for the custody of such funds. Any reserve funds of an association shall be kept in a segregated account and any transaction affecting such funds, including the issuance of checks, shall require the signature of at least two persons who are officers or directors of the association.

NEW SECTION. Sec. 3-120. ASSOCIATION AS TRUSTEE. With respect to a third person dealing with the association in the association's capacity as a trustee, the existence of trust powers and their proper exercise by the association may be assumed without inquiry. A third person is not bound to inquire whether the association has power to act as trustee or is properly exercising trust powers. A third person, without actual knowledge that the association is exceeding or improperly exercising its powers, is fully protected in dealing with the association as if it possessed and properly exercised the powers it purports to exercise. A third person is not bound to

NEW SECTION. Sec. 4-101. APPLICABILITY—WAIVER. (1) This article applies to all units subject to this chapter, except as provided in subsection (2) of this section and unless and to the extent otherwise agreed to in writing by the seller and purchasers of those units which are not restricted to residential use in the declaration.

(2) Neither a public offering statement nor a resale certificate need be prepared or delivered in the case of:

(a) A conveyance by gift, devise, or descent;
(b) A conveyance pursuant to court order;
(c) A disposition by a government or governmental agency;
(d) A conveyance by foreclosure;
(e) A disposition to a dealer who intends to offer those units to purchasers; or
(f) A disposition that may be canceled at any time and for any reason by the purchaser without penalty.

NEW SECTION. Sec. 4-102. LIABILITY FOR PUBLIC OFFERING STATEMENT REQUIREMENTS. (1) Except as provided in subsection (2) of this section or when no public offering statement is required, a declarant shall prepare a public offering statement conforming to the requirements of sections 4-103 and 4-104 of this act.

(2) A declarant may transfer responsibility for preparation of all or a part of the public offering statement to a successor declarant pursuant to section 3-105 of this act or to a dealer who intends to offer units in the condominium for the person's own account.

(3) Any declarant or dealer who offers a unit for the person's own account to a purchaser shall deliver a public offering statement in the manner prescribed in section 4-106(1) of this act. Any agent, attorney, or other person assisting the declarant or dealer in preparing the public offering statement may rely upon information provided by the declarant or dealer without independent investigation. The agent, attorney, or other person shall not be liable for any material misrepresentation in or omissions of material facts from the public offering statement unless the person had actual knowledge of the misrepresentation or omission at the time the public offering statement was prepared. The declarant or dealer shall be liable for any misrepresentation contained in the public offering statement or for any omission of material fact therefrom if the declarant or dealer had actual knowledge of the misrepresentation or omission or, in the exercise of reasonable care, should have known of the misrepresentation or omission.
(4) If a unit is part of a condominium and is part of another real property regime in connection with the sale of which the delivery of a public offering statement is required under the laws of this state, a single public offering statement, conforming to the requirements of sections 4–103 and 4–104 of this act as those requirements relate to all real property regimes in which the unit is located and conforming to any other requirements imposed under the laws of this state, may be prepared and delivered in lieu of providing two or more public offering statements.

(ee) A list of the documents which the prospective purchaser is entitled to receive from the declarant before the rescission period commences;

(ff) A notice which states: A purchaser may not rely on any representation or express warranty unless it is contained in the public offering statement or made in writing signed by the declarant or by any person identified in the public offering statement as the declarant's agent;

You should consider seeking the assistance of legal counsel; and

(hh) Any other information and cross-references which the declarant believes will be helpful in describing the condominium to the recipients of the public offering statement, all of which may be included or not included at the option of the declarant.

(2) The public offering statement shall include copies of each of the following documents: The declaration, the survey map and plans, the articles of incorporation of the association, bylaws of the association, rules and regulations, if any, current or proposed budget for the association, and the balance sheet of the association current within ninety days if assessments have been collected for ninety days or more.

If any of the foregoing documents listed in this subsection are not available because they have not been executed, adopted, or recorded, drafts of such documents shall be provided with the public offering statement, and, before closing the sale of a unit, the purchaser shall be given copies of any material changes between the draft of the proposed documents and the final documents.

(3) The disclosures required by subsection (1) (g), (j), (r), (t), (u), and (bb) of this section shall also contain a reference to specific sections in the condominium documents which further explain the information disclosed.

(4) The disclosures required by subsection (1) (dd), (ff), and (gg) of this section shall be located at the top of the first page of the public offering statement and be typed or printed in ten-point bold face type size.

(5) A declarant shall promptly amend the public offering statement to reflect any material change in the information required by this section.

NEW SECTION. Sec. 4–104. PUBLIC OFFERING STATEMENT—CONDOMINIUMS CONTAINING CONVERSION BUILDINGS. (1) The public offering statement of a condominium containing any conversion building shall contain, in addition to the information required by section 4–103 of this act:
(a) A statement by the declarant, based on a report prepared by an independent, licensed architect or engineer, describing, to the extent reasonably ascertainable, the present condition of all structural components and mechanical and electrical installations material to the use and enjoyment of the building;

(b) A statement by the declarant of the expected useful life of each item reported on in (a) of this subsection or a statement that no representations are made in that regard; and

(c) A list of any outstanding notices of uncured violations of building code or other municipal regulations, together with the estimated cost of curing those violations. Unless the purchaser waives in writing the curing of specific violations, the extent to which the declarant will cure such violations prior to the closing of the sale of a unit in the condominium shall be included.

(2) This section applies only to buildings containing units that may be occupied for residential use.

*NEW SECTION. Sec. 4-105. PUBLIC OFFERING STATEMENT—CONDOMINIUM SECURITIES. If an interest in a condominium is currently registered with the securities and exchange commission of the United States, a declarant satisfies all requirements relating to the preparation of a public offering statement of this chapter if the declarant delivers to the purchaser a copy of the public offering statement filed with the securities and exchange commission. An interest in a condominium is not a security under the provisions of chapter 21.20 RCW. A declarant satisfies the requirements of this chapter relating to a public offering statement by delivering to the purchaser a copy of the public offering statement filed pursuant to the securities act of Washington, chapter 21.20 RCW, the land development act of 1973, chapter 58.19 RCW, the timeshare act, chapter 64.36 RCW, or the state law relating to camping resorts, chapter 19.105 RCW.

*Sec. 4-105 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 4-106. PURCHASER'S RIGHT TO CANCEL. (1) A person required to deliver a public offering statement pursuant to section 4-102(3) of this act shall provide a purchaser of a unit with a copy of the public offering statement and all material amendments thereto before conveyance of that unit. Unless a purchaser is given the public offering statement more than seven days before execution of a contract for the purchase of a unit, the purchaser, before conveyance, shall have the right to cancel the contract within seven days after first receiving the public offering statement and, if necessary to have seven days to review the public offering statement and cancel the contract, to extend the closing date for conveyance to a date not more than seven days after first receiving the public offering statement. The purchaser shall have no right to cancel the contract upon receipt of an amendment unless the purchaser would have that right under generally applicable legal principles.
(2) If a purchaser elects to cancel a contract pursuant to subsection (1) of this section, the purchaser may do so by hand-delivering notice thereof to the offeror or by mailing notice thereof by prepaid United States mail to the offeror or to his or her agent for service of process. Cancellation is without penalty, and all payments made by the purchaser before cancellation shall be refunded promptly.

(3) If a person required to deliver a public offering statement pursuant to section 4-102(3) of this act fails to provide a purchaser to whom a unit is conveyed with that public offering statement and all material amendments thereto as required by subsection (1) of this section, the purchaser is entitled to receive from that person an amount equal to the greater of (a) actual damages, or (b) ten percent of the sales price of the unit for a willful failure by the declarant or three percent of the sales price of the unit for any other failure. There shall be no liability for failure to deliver any amendment unless such failure would have entitled the purchaser under generally applicable legal principles to cancel the contract for the purchase of the unit had the undisclosed information been evident to the purchaser before the closing of the purchase.

NEW SECTION. Sec. 4-107. RESALES OF UNITS. (1) Except in the case of a sale where delivery of a public offering statement is required, or unless exempt under section 4-101(2) of this act, a unit owner shall furnish to a purchaser before execution of any contract for sale of a unit, or otherwise before conveyance, a copy of the declaration, the bylaws, the rules or regulations of the association, and a certificate, based on the books and records of the association and the actual knowledge of the person signing the certificate, containing:

(a) A statement disclosing the effect on the proposed conveyance of any right of first refusal or other restraint on the free alienability of the unit;

(b) A statement setting forth the amount of the monthly common expense assessment and any unpaid common expense or special assessment currently due and payable from the selling unit owner and a statement, which shall be current to within forty-five days, of any common expenses and special assessments past due over thirty days;

(c) A statement of any other fees payable by unit owners;

(d) A statement of any anticipated capital expenditures in excess of five percent of the annual budget of the association that have been approved by the board of directors;

(e) A statement of the amount of any reserves for capital expenditures and of any portions of those reserves currently designated by the association for any specified projects;

(f) A balance sheet of the association, which shall be current to within one hundred twenty days, and an income and expense statement of the association, if an income and expense statement has been prepared;
(g) The current operating budget of the association;

(h) A statement of any unsatisfied judgments against the association and the status of any pending suits in which the association is a defendant;

(i) A statement describing any insurance coverage provided for the benefit of unit owners;

(j) A statement as to whether there are any alterations or improvements to the unit or to the limited common elements assigned thereto that violate any provision of the declaration;

(k) A statement of the number of units, if any, still owned by the declarant, whether the declarant has transferred control of the association to the unit owners, and the date of such transfer;

(l) A statement as to whether there are any violations of the health or building codes with respect to the unit, the limited common elements assigned thereto, or any other portion of the condominium; and

(m) A statement of the remaining term of any leasehold estate affecting the condominium and the provisions governing any extension or renewal thereof.

(2) The association, within ten days after a request by a unit owner, shall furnish a certificate containing the information necessary to enable the unit owner to comply with this section. A unit owner providing a certificate pursuant to subsection (1) of this section is not liable to the purchaser for any erroneous information provided by the association and included in the certificate unless and to the extent the unit owner had actual knowledge thereof.

(3) A purchaser is not liable for any unpaid assessment or fee greater than the amount set forth in the certificate prepared by the association unless and to the extent such purchaser had actual knowledge thereof. A unit owner is not liable to a purchaser for the failure or delay of the association to provide the certificate in a timely manner, but the purchaser's contract is voidable by the purchaser until the certificate has been provided and for five days thereafter or until conveyance, whichever occurs first.

NEW SECTION. Sec. 4-108. ESCROW OF DEPOSITS. Any deposit made in connection with the purchase or reservation of a unit from a person required to deliver a public offering statement pursuant to section 4-102(3) of this act shall be placed in escrow and held either in this state or in the state where the unit is located in an escrow or trust account designated solely for that purpose by a licensed title insurance company, an attorney, a real estate broker, an independent bonded escrow company, or an institution whose accounts are insured by a governmental agency or instrumentality until: (1) Delivered to the declarant at closing; (2) delivered to the declarant because of purchaser's default under a contract to purchase the unit; (3) refunded to the purchaser; or (4) delivered to a court in connection with the filing of an interpleader action.
NEW SECTION. Sec. 4-109. RELEASE OF LIENS. (1) At the time of the first conveyance of each unit, every mortgage, lien, or other encumbrance affecting that unit and any other unit or units or real property, other than the percentage of undivided interest of that unit in the common elements, shall be paid and satisfied of record, or the unit being conveyed and its undivided interest in the common elements shall be released therefrom by partial release duly recorded or the purchaser of that unit shall receive title insurance from a licensed title insurance company against such mortgage, lien or other encumbrance. This subsection does not apply to any real property which a declarant has the right to withdraw.

(2) Before conveying real property to the association the declarant shall have that real property released from: (a) All liens the foreclosure of which would deprive unit owners of any right of access to or easement of support of their units; and (b) all other liens on that real property unless the public offering statement describes certain real property which may be conveyed subject to liens in specified amounts.

NEW SECTION. Sec. 4-110. CONVERSION BUILDINGS. (1) A declarant of a condominium containing conversion buildings, and any dealer who intends to offer units in such a condominium, shall give each of the residential tenants and any residential subtenant in possession of a portion of a conversion building notice of the conversion and provide those persons with the public offering statement no later than ninety days before the tenants and any subtenant in possession are required to vacate. The notice must set forth generally the rights of tenants and subtenants under this section and shall be delivered pursuant to notice requirements set forth in RCW 59.12.040. No tenant or subtenant may be required to vacate upon less than ninety days' notice, except by reason of nonpayment of rent, waste, conduct that disturbs other tenants' peaceful enjoyment of the premises, or act of unlawful detainer as defined in RCW 59.12.030, and the terms of the tenancy may not be altered during that period. Nothing in this subsection shall be deemed to waive or repeal RCW 59.18.200(2). Failure to give notice as required by this section is a defense to an action for possession.

(2) For sixty days after delivery or mailing of the notice described in subsection (1) of this section, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that sixty-day period, the offeror may not offer to dispose of an interest in that unit during the following one hundred eighty days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant. This subsection does not apply to any unit in a conversion building if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.
(3) If a seller, in violation of subsection (2) of this section, conveys a unit to a purchaser for value who has no knowledge of the violation, recording of the deed conveying the unit extinguishes any right a tenant may have to purchase that unit but does not affect the right of a tenant to recover damages from the seller for a violation of subsection (2) of this section.

(4) If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of this chapter and chapter 59.18 RCW, the notice also constitutes a notice to vacate specified by that statute.

(5) Nothing in this section permits termination of a lease by a declarant in violation of its terms.

*NEW SECTION. Sec. 4-111. EXPRESS WARRANTIES OF QUALITY. (1) Express warranties made by any seller to a purchaser of a unit, if relied upon by the purchaser, are created as follows:

(a) Any written affirmation of fact or promise which relates to the unit, its use, or rights appurtenant thereto, area improvements to the condominium that would directly benefit the unit, or the right to use or have the benefit of facilities not located in the condominium creates an express warranty that the unit and related rights and uses will conform to the affirmation or promise;

(b) Any model or written description of the physical characteristics of the condominium at the time the purchase agreement is executed, including plans and specifications of or for improvements, creates an express warranty that the condominium will conform to the model or description except pursuant to section 4-103(1)(u) of this act;

(c) Any written description of the quantity or extent of the real property comprising the condominium, including plats or surveys, creates an express warranty that the condominium will conform to the description, subject to customary tolerances; and

(d) A written provision that a buyer may put a unit only to a specified use is an express warranty that the specified use is lawful.

(2) Neither formal words, such as "warranty" or "guarantee," nor a specific intention to make a warranty are necessary to create an express warranty of quality, but a statement purporting to be merely an opinion or commendation of the real estate or its value does not create a warranty. A purchaser may not rely on any representation or express warranty unless it is contained in the public offering statement or made in writing signed by the declarant or declarant's agent identified in the public offering statement.

(3) Any conveyance of a unit transfers to the purchaser all express warranties of quality made by previous sellers.

*Sec. 4-111 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 4-112. IMPLIED WARRANTIES OF QUALITY. (1) A declarant and any dealer warrants that a unit will be in
at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, reasonable wear and tear and damage by casualty or condemnation excepted.

(2) A declarant and any dealer impliedly warrants that a unit and the common elements in the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by the person, or made by any person before the creation of the condominium, will be:

(a) Free from defective materials; and
(b) Constructed in accordance with applicable law, according to sound engineering and construction standards, and in a workmanlike manner.

(3) A declarant and any dealer warrants to a purchaser of a unit that may be used for residential use that an existing use, continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

(4) Warranties imposed by this section may be excluded or modified as specified in section 4-113 of this act.

(5) For purposes of this section, improvements made or contracted for by an affiliate of a declarant, as defined in section 1-103(1) of this act, are made or contracted for by the declarant.

(6) Any conveyance of a unit transfers to the purchaser all of the declarant's implied warranties of quality.

NEW SECTION. Sec. 4-113. EXCLUSION OR MODIFICATION OF IMPLIED WARRANTIES OF QUALITY. (1) Except as limited by subsection (2) of this section, implied warranties of quality:

(a) May be excluded or modified by written agreement of the parties; and
(b) Are excluded by written expression of disclaimer, such as "as is," "with all faults," or other language which in common understanding calls the buyer's attention to the exclusion of warranties.

(2) With respect to a purchaser of a unit that may be occupied for residential use, no general disclaimer of implied warranties of quality is effective, but a declarant and any dealer may disclaim liability in an instrument signed by the purchaser for a specified defect or specified failure to comply with applicable law, if the defect or failure entered into and became a part of the basis of the bargain.

*NEW SECTION. Sec. 4-114. STATUTE OF LIMITATIONS FOR WARRANTIES. (1) A judicial proceeding for breach of any obligation arising under section 4-111 or 4-112 of this act must be commenced within four years after the cause of action accrues.

(2) Subject to subsection (3) of this section, a cause of action for breach of warranty of quality, regardless of the purchaser's lack of knowledge of the breach, accrues:
(a) As to a unit, at the time the purchaser to whom the warranty is first made enters into possession if a possessory interest was conveyed or at the time of acceptance of the instrument of conveyance if a nonpossessory interest was conveyed; and

(b) As to each common element, at the time the common element is completed or, if later: (i) As to a common element that may be added to the condominium or portion thereof, at the time the first unit therein is conveyed to a bona fide purchaser; or (ii) as to a common element within any other portion of the condominium, at the time the first unit in the condominium is conveyed to a bona fide purchaser.

(3) If a warranty of quality explicitly extends to future performance or duration of any improvement or component of the condominium, the cause of action accrues at the time the breach is discovered or at the end of the period for which the warranty explicitly extends, whichever is earlier.

*Sec. 4-114 was vetoed, see message at end or chapter.

NEW SECTION. Sec. 4-115. EFFECT OF VIOLATIONS ON RIGHTS OF ACTION—ATTORNEY'S FEES. If a declarant or any other person subject to this chapter fails to comply with any provision hereof or any provision of the declaration or bylaws, any person or class of persons adversely affected by the failure to comply has a claim for appropriate relief. The court, in an appropriate case, may award reasonable attorney's fees to the prevailing party.

NEW SECTION. Sec. 4-116. LABELLING OF PROMOTIONAL MATERIAL. If any improvement contemplated in a condominium is labeled "NEED NOT BE BUILT" on a survey map or plan, or is to be located within a portion of the condominium with respect to which the declarant has reserved a development right, no promotional material may be displayed or delivered to prospective purchasers which describes or portrays that improvement unless the description or portrayal of the improvement in the promotional material is conspicuously labeled or identified as "NEED NOT BE BUILT."

NEW SECTION. Sec. 4-117. DECLARANT'S OBLIGATION TO COMPLETE AND RESTORE. (1) The declarant shall complete all improvements labeled "MUST BE BUILT" on survey maps or plans prepared pursuant to section 2-109 of this act.

(2) The declarant is subject to liability for the prompt repair and restoration, to a condition compatible with the remainder of the condominium, of any portion of the condominium damaged by the exercise of rights reserved pursuant to or created by sections 2-110, 2-111, 2-112, 2-113, 2-115, and 2-116 of this act.

*NEW SECTION. Sec. 4-118. SUBSTANTIAL COMPLETION OF UNITS. In the case of a sale of a unit where delivery of a public offering
statement is required, a contract of sale may be executed, but no interest in
that unit may be conveyed until the declaration is recorded.

*Sec. 4–118 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 4–119. SECTION CAPTIONS. Section captions as used in this chapter do not constitute any part of the law.

NEW SECTION. Sec. 4–120. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

*NEW SECTION. Sec. 4–121. A statutory committee is created to:
(1) Review the Washington condominium act, and consider comments concerning the act;
(2) Draft recommended revisions to the act; and
(3) Prepare written comments on the act to be included in the Senate or House Journals. The committee shall consist of the following members:

   (j) One member appointed by the Washington association of county officials.

The committee shall report to the senate law and justice committee and the house judiciary committee before March 1, 1990.

This section shall expire March 1, 1990.

*Sec. 4–121 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 4–122. LEGISLATIVE DIRECTIVE. Sections 1–101 through 4–120 of this act shall constitute a new chapter in Title 64 RCW.

Sec. 4–123. Section 2, chapter 121, Laws of 1983 as amended by section 1, chapter 108, Laws of 1987 and by section 1, chapter 354, Laws of 1987 and RCW 58.17.040 are each reenacted and amended to read as follows:
The provisions of this chapter shall not apply to:

(2) Divisions of land into lots or tracts each of which is one-one hundred twenty-eighth of a section of land or larger, or five acres or larger if the land is not capable of description as a fraction of a section of land, unless the governing authority of the city, town, or county in which the land is situated shall have adopted a subdivision ordinance requiring plat approval of such divisions: PROVIDED, That for purposes of computing the size of any lot under this item which borders on a street or road, the lot size shall be expanded to include that area which would be bounded by the center line of the road or street and the side lot lines of the lot running perpendicular to such center line;

(3) Divisions made by testamentary provisions, or the laws of descent;

(4) Divisions of land into lots or tracts classified for industrial or commercial use when the city, town, or county has approved a binding site plan for the use of the land in accordance with local regulations;

NEW SECTION. Sec. 4-124. EFFECTIVE DATE. This act shall take effect July 1, 1990.

Passed the Senate February 15, 1989.
Approved by the Governor April 18, 1989, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State April 18, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 4-105, 4-111, 4-114, 4-118, and 4-121, Substitute Senate Bill No. 5208 entitled:

"AN ACT Relating to Condominiums."

The Washington Condominium Act (WCA) sets forth in statute a single and comprehensive body of law governing the development, ownership and management of condominiums. In doing this, the interests of lenders, developers, builders, realtors and local governments have been adequately protected. The interests of purchasers have not fared as well.

For example, Substitute Senate Bill No. 5208 expands warranties of quality. However, section 4-111 is written in such a way that the "express" warranty of quality purports to give much more protection than it does. This provision is substantially less protective than the uniform act already in law. One limitation in this section takes away a purchaser's right to rely on the promoter's reservation of development rights, even though it is made in the public offering statement. Therefore, I have vetoed this section.

Although I support increased flexibility and certainty for developers, these changes must be accompanied by requirements for full disclosure and protection for consumers. Condominium purchasers have a right to rely on information they receive and to know if new buildings or subdivisions may be developed, or if certain portions of the development may be withdrawn from the project. For this reason, I am not approving section 4-105, which exempts condominium promoters from important disclosure requirements.

Section 4-114 specifies the statute of limitations for warranties regarding condominium quality. Under this section, purchasers would receive less time to seek relief for breach of warranty than under existing law. This section allows warranties to expire within four years of the original purchase, regardless of whether the defect is apparent. Under current law, the statute of limitations runs for warranties three years after discovery of the defect, rather than from the date of the first purchase.

Section 4-118 of the Act removes the requirement that a unit be "substantially completed" before the conveyance is completed. This allows the seller to have use of the funds before the purchaser is able to use the property, detracting from the rights of individual purchasers.

Section 4-121 recreates the 1987 statutory committee, which presented the first draft to the legislature. I am vetoing this section because there is no apparent need for a group such as this, and consumer representation is clearly inadequate. The state has far too many boards, commissions and committees already and creation of yet another one for such a questionable purpose is unnecessary.

Substitute Senate Bill No. 5208 clarifies Washington State law on condominiums. Recent changes in lifestyle have increased the prevalence of this type of real estate transaction, thereby increasing the need for more certainty in the law regarding these transactions. However, it is not in the public's interest to use this bill as a vehicle to reduce important consumer protection rights granted through existing law. For this reason I have vetoed the above mentioned sections of Substitute Senate Bill No. 5208.
With the exception of sections 4-105, 4-111, 4-114, 4-118, and 4-121, Substitute Senate Bill No. 5208 is approved.

[Substitute Senate Bill No. 5807]

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. INTENT. The legislature hereby declares that:

(1) Native Indian burial grounds and historic graves are acknowledged to be a finite, irreplaceable, and nonrenewable cultural resource, and are an intrinsic part of the cultural heritage of the people of Washington. The legislature recognizes the value and importance of respecting all graves, and the spiritual significance of such sites to the people of this state;

(2) There have been reports and incidents of deliberate interference with native Indian and historic graves for profit-making motives;

(3) There has been careless indifference in cases of accidental disturbance of sites, graves, and burial grounds;

(4) Indian burial sites, cairns, glyptic markings, and historic graves located on public and private land are to be protected and it is therefore the legislature's intent to encourage voluntary reporting and respectful handling in cases of accidental disturbance and provide enhanced penalties for deliberate desecration.

NEW SECTION. Sec. 2. PROTECTION OF INDIAN GRAVES.
(1) Any person who knowingly removes, mutilates, defaces, injures, or destroys any cairn or grave of any native Indian, or any glyptic or painted record of any tribe or peoples is guilty of a class C felony punishable under chapter 9A.20 RCW. Persons disturbing native Indian graves through inadvertence, including disturbance through construction, mining, logging, agricultural activity, or any other activity, shall reinter the human remains under the supervision of the appropriate Indian tribe. The expenses of reinternment are to be paid by the office of archaeology and historic preservation pursuant to RCW 27.34.220.

(2) Any person who sells any native Indian artifacts or any human remains that are known to have been taken from an Indian cairn or grave, is guilty of a class C felony punishable under chapter 9A.20 RCW.

(3) This section does not apply to:

(a) The possession or sale of native Indian artifacts discovered in or taken from locations other than native Indian cairns or graves, or artifacts
that were removed from cairns or graves as may be authorized by RCW 27.53.060 or by other than human action; or

(b) Actions taken in the performance of official law enforcement duties.

(4) It shall be a complete defense in the prosecution under this section if the defendant can prove by a preponderance of evidence that the alleged acts were accidental or inadvertent and that reasonable efforts were made to preserve the remains, glyptic, or painted records, or artifacts accidentally disturbed or discovered, and that the accidental discovery or disturbance was properly reported.

NEW SECTION. Sec. 3. CIVIL ACTION BY INDIAN TRIBE OR MEMBER—TIME FOR COMMENCING ACTION—VENUE—DAMAGES—ATTORNEYS' FEES. (1) Apart from any criminal prosecution, an Indian tribe or enrolled member thereof, shall have a civil action to secure an injunction, damages, or other appropriate relief against any person who is alleged to have violated section 2 of this act. The action must be brought within two years of the discovery of the violation by the plaintiff. The action may be filed in the superior or tribal court of the county in which the grave, cairn, remains, or artifacts are located, or in the superior court of the county within which the defendant resides.

(2) Any conviction pursuant to section 2 of this act shall be prima facie evidence in an action brought under this section.

(3) If the plaintiff prevails:

(a) The court may award reasonable attorneys' fees to the plaintiff;

(b) The court may grant injunctive or such other equitable relief as is appropriate, including forfeiture of any artifacts or remains acquired or equipment used in the violation. The court shall order the disposition of any items forfeited as the court sees fit, including the reinternment of human remains;

(c) The plaintiff shall recover imputed damages of five hundred dollars or actual damages, whichever is greater. Actual damages include special and general damages, which include damages for emotional distress;

(d) The plaintiff may recover punitive damages upon proof that the violation was willful. Punitive damages may be recovered without proof of actual damages. All punitive damages shall be paid by the defendant to the office of archaeology and historic preservation for the purposes of Indian historic preservation and to cover the cost of reinternment expenses by the office; and

(e) An award of imputed or punitive damages may be made only once for a particular violation by a particular person, but shall not preclude the award of such damages based on violations by other persons or on other violations.

(4) If the defendant prevails, the court may award reasonable attorneys' fees to the defendant.
NEW SECTION. Sec. 4. "HISTORIC GRAVE" DEFINED. "Historic grave" as used in this chapter means a grave or graves that were placed outside a cemetery dedicated pursuant to chapter 68.24 RCW, prior to passage of this section; except Indian graves and burial cairns protected under chapter 27.44 RCW.

NEW SECTION. Sec. 5. PROTECTION OF HISTORIC GRAVES. (1) Any person who knowingly removes, mutilates, defaces, injures, or destroys any historic grave shall be guilty of a class C felony punishable under chapter 9A.20 RCW. Persons disturbing historic graves through inadvertence, including disturbance through construction, shall reinter the human remains under the supervision of the cemetery board. Expenses to reinter such human remains are to be provided by the office of archaeology and historic preservation.

(2) This section does not apply to actions taken in the performance of official law enforcement duties.

(3) It shall be a complete defense in a prosecution under subsection (1) of this section if the defendant can prove by a preponderance of evidence that the alleged acts were accidental or inadvertent and that reasonable efforts were made to preserve the remains accidentally disturbed or discovered, and that the accidental discovery or disturbance was properly reported.

(2) If the governor fails to convene a general court-martial within six months from the presentation of an application for trial under this code, the chief of staff to the governor or adjutant general shall substitute for the dismissal ordered by the governor a form of discharge authorized for administrative issue.

(1) Apprehension is the taking of a person into custody.

(2) Any person authorized by this code, or by regulations issued under it, to apprehend persons subject to this code, any marshal of a court-martial appointed pursuant to the provisions of this code, and any peace officer authorized to do so by law, may do so upon reasonable belief that an offense has been committed and that the person apprehended committed it.

(3) Commissioned officers, warrant officers, and non-commissioned officers have authority to quell quarrels, frays, and disorders among persons subject to this code and to apprehend persons subject to this code who take part therein.
Sec. 8. Section 8, chapter 220, Laws of 1963 and RCW 38.38.068 are each amended to read as follows:

Any civil officer having authority to apprehend offenders under the laws of the United States or of a state, territory, commonwealth, or possession, or the District of Columbia may summarily apprehend a deserter from the state of Washington (military forces) organized militia and deliver ((him)) the offender into the custody of the state of Washington (military forces) organized militia. If an offender is apprehended outside of the state of Washington, ((his)) the return to the area must be in accordance with normal extradition procedures or reciprocal agreement.

Sec. 9. Section 9, chapter 220, Laws of 1963 and RCW 38.38.072 are each amended to read as follows:

(1) Arrest is the restraint of a person by an order, not imposed as a punishment for an offense, directing ((him)) the person to remain within certain specified limits. Confinement is the physical restraint of a person.

(2) An enlisted member may be ordered into arrest or confinement by any commissioned officer by an order, oral or written, delivered in person or through other persons subject to this code or through any person authorized by this code to apprehend persons. A commanding officer may authorize warrant officers (petty officers) or noncommissioned officers to order enlisted members of ((his)) the officer's command or subject to ((his)) the officer's authority into arrest or confinement.

(3) A commissioned officer or a warrant officer may be ordered apprehended or into arrest or confinement only by a commanding officer to whose authority ((he)) the officer is subject, by an order, oral or written, delivered in person or by another commissioned officer. The authority to order such persons apprehended or into arrest or confinement may not be delegated.

(4) No person may be ordered apprehended or into arrest or confinement except for probable cause.

(5) This section does not limit the authority of persons authorized to apprehend offenders to secure the custody of an alleged offender until proper authority may be notified.

Sec. 10. Section 10, chapter 220, Laws of 1963 and RCW 38.38.076 are each amended to read as follows:

Any person subject to this code charged with an offense under this code shall be ordered into arrest or confinement, as circumstances may require; but when charged only with an offense normally tried by a summary court-martial, such person shall not ordinarily be placed in confinement. When any person subject to this code is placed in arrest or confinement prior to trial, immediate steps shall be taken to inform ((him)) the person of the specific wrong of which he or she is accused and to try ((him)) the person or to dismiss the charges and release ((him)) the person.
Sec. 11. Section 11, chapter 220, Laws of 1963 and RCW 38.38.080 are each amended to read as follows:

Persons confined other than in a guard house, whether before, during or after trial by a military court, shall be confined in civil jails, penitentiaries, or prisons designated by the governor or by such person as (he) the governor may authorize to act.

Sec. 12. Section 12, chapter 220, Laws of 1963 and RCW 38.38.084 are each amended to read as follows:

(1) No provost marshal, commander of a guard, master at arms, warden, keeper, or officer of a city or county jail or any other jail, penitentiary, or prison designated under RCW 38.38.080, may refuse to receive or keep any prisoner committed to his or her charge, when the committing person furnishes a statement, signed by the committing person, of the offense charged against the prisoner.

(2) Every commander of a guard, master at arms, warden, keeper, or officer of a city or county jail or of any other jail, penitentiary, or prison designated under RCW 38.38.080, to whose charge a prisoner is committed shall, within twenty-four hours after that commitment or as soon as he or she is relieved from guard, report to the commanding officer of the prisoner the name of the prisoner, the offense charged against the prisoner, and the name of the person who ordered or authorized the commitment.

Sec. 13. Section 13, chapter 220, Laws of 1963 and RCW 38.38.088 are each amended to read as follows:

Subject to RCW 38.38.488, no person, while being held for trial or the result of trial, may be subjected to punishment or penalty other than arrest or confinement upon the charges pending against the person, nor shall the arrest or confinement imposed upon the person be any more rigorous than the circumstances require to insure his or her presence, but the person may be subjected to minor punishment during that period for infractions of discipline.

Sec. 14. Section 14, chapter 220, Laws of 1963 and RCW 38.38.092 are each amended to read as follows:

(1) Under such regulations as may be prescribed under this code a person subject to this code who is on active state service or inactive duty who is accused of an offense against civil authority may be delivered, upon request, to the civil authority for trial.

(2) When delivery under this section is made to any civil authority of a person undergoing sentence of a court-martial, the delivery, if followed by conviction in a civil tribunal, interrupts the execution of the sentence of the court-martial, and the offender after having answered to the civil authorities for the offense shall, upon the request of competent military authority, be returned to military custody for the completion of the sentence.
Sec. 15. Section 15, chapter 220, Laws of 1963 and RCW 38.38.132 are each amended to read as follows:

(((1) Under such regulations as the governor may prescribe any commanding officer may, in addition to or in lieu of admonition or reprimand, impose one of the following disciplinary punishments for minor offenses without the intervention of a court-martial:

(a) Upon officer of his command:

(i) Withholding of privileges for not more than two consecutive weeks;

(ii) Restriction to certain specified limits, with or without suspension from duty, for not more than two consecutive weeks; or

(iii) If imposed by the governor, the commanding officer of a force of the state military forces, or the commanding general of a division, a fine or forfeiture of pay and allowances of not more than seventy-five dollars;

(b) Upon other military personnel of his command:

(i) Withholding of privileges for not more than two consecutive weeks;

(ii) Restriction to certain specified limits, with or without suspension from duty, for not more than two consecutive weeks;

(iii) Extra duties for not more than fourteen days, which need not be consecutive, and for not more than two hours per day, holidays included;

(iv) Reduction to next inferior grade if the grade from which demoted was established by the command or an equivalent or lower command;

(v) If imposed upon a person attached to or embarked in a vessel, confinement for not more than seven consecutive days; or

(vi) If imposed by an officer exercising special court-martial jurisdiction over the offender, a fine or forfeiture of pay and allowances of not more than ten dollars:

(2) The governor may, by regulation, place limitations on the powers granted by this section with respect to the kind and amount of punishment authorized and the categories of commanding officers authorized to exercise those powers:

(3) An officer in charge may, for minor offenses, impose on enlisted members assigned to the unit of which he is in charge, such of the punishments authorized to be imposed by commanding officers as the governor may by regulation specifically prescribe, as provided in subsections (1) and (2) of this section:

(4) A person punished under this section who considers his punishment unjust or disproportionate to the offense may, through the proper channel, appeal to the next superior authority. The appeal shall be promptly forwarded and decided, but the person punished may in the meantime be required to undergo the punishment adjudged. The officer who imposes the punishment, his successor in command, and superior authority may suspend, set aside, or remit any part or amount of the punishment and restore all rights, privileges and property affected.
(5) The imposition and enforcement of disciplinary punishment under this section for any act or omission is not a bar to trial by court-martial for a serious crime or offense growing out of the same act or omission, and not properly punishable under this section, but the fact that a disciplinary punishment has been imposed or enforced by the accused upon trial, and when so shown shall be considered in determining the measure of punishment to be adjudged in the event of a finding of guilty.

(6) Whenever a punishment of forfeiture of pay and allowances is imposed under this section, the forfeiture may apply to pay or allowances accruing on or after the date that punishment is imposed and to any pay and allowances accrued before that date.

(1) Under such regulations as the governor may prescribe, limitations may be placed on the powers granted by this section with respect to the kind and amount of punishment authorized, the categories of commanding officers and warrant officers exercising command authorized to exercise those powers, the applicability of this section to an accused who demands trial by court-martial, and the kinds of courts-martial to which the case may be referred upon such a demand. However, except in the case of a member attached to or embarked in a vessel, punishment may not be imposed upon any member of the organized militia under this section if the member has, before the imposition of such punishment, demanded trial by court-martial in lieu of such punishment. Under similar regulations, rules may be prescribed with respect to the suspension of punishments authorized hereunder. If authorized by regulations of the governor, a commanding officer exercising general court-martial jurisdiction or an officer of general rank in command may delegate powers under this section to a principal assistant.

(2) Subject to subsection (1) of this section, any commanding officer may, in addition to or in lieu of admonition or reprimand, impose one or more of the following disciplinary punishments for minor offenses without the intervention of a court-martial:

(a) Upon officers of his or her command:
   (i) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive duty or drill days;
   (ii) If imposed by an officer exercising general court-martial jurisdiction or an officer of general rank in command:
      (A) Forfeiture of up to thirty days' pay, but not more than fifteen days' pay per month;
      (B) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive drill or duty days;
      (C) Detention of up to forty-five days' pay, but not more than fifteen days' pay per month;

(b) Upon other personnel of his or her command:
(i) If imposed upon a person attached to or embarked in a vessel, confinement for not more than three consecutive days;
(ii) Forfeiture of not more than seven days' pay;
(iii) Reduction to the next inferior pay grade, if the grade from which demoted is within the promotion authority of the officer imposing the reduction or any officer subordinate to the one who imposes the reduction;
(iv) Extra duties, including fatigue or other duties for not more than fourteen duty or drill days, which need not be consecutive, and for not more than two hours per day, holidays included;
(v) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive days;
(vi) Detention of not more than fourteen days' pay;
(vii) If imposed by an officer of the grade of major or above:
(A) The punishment authorized in subsection (2)(b)(i) of this section;
(B) Forfeiture of up to thirty days' pay, but not more than fifteen days' pay per month;
(C) Reduction to the lowest or any intermediate pay grade, if the grade from which demoted is within the promotion authority of the officer imposing the reduction or any officer subordinate to the one who imposes the reduction, but an enlisted member in a pay grade above E–4 may not be reduced more than two pay grades;
(D) Extra duties, including fatigue or other duties, for not more than fourteen drill or duty days, which need not be consecutive, and for not more than two hours per day, holidays included;
(E) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive days;
(F) Detention of up to forty-five days' pay, but not more than fifteen days' pay per month.
Detention of pay shall be for a stated period of not more than one year but if the offender's term of service expires earlier, the detention shall terminate upon that expiration. Extra duties and restriction may not be combined to run consecutively in the maximum amount imposable for each. Whenever any such punishments are combined to run consecutively, there must be an apportionment. In addition, forfeiture of pay may not be combined with detention of pay without an apportionment.
(3) An officer in charge may impose upon enlisted members assigned to the unit of which the officer is in charge such of the punishment authorized under subsection (2)(b) of this section as the governor may specifically prescribe by regulation.
(4) The officer who imposes the punishment authorized in subsection (2) of this section, or a successor in command, may, at any time, suspend probationally any part or amount of the unexecuted punishment imposed and may suspend probationally a reduction in grade or a forfeiture imposed under subsection (2) of this section, whether or not executed. In addition,
the officer may, at any time, remit or mitigate any part or amount of the unexecuted punishment imposed and may set aside in whole or in part the punishment, whether executed or unexecuted, and restore all rights, privileges, and property affected. The officer may also mitigate reduction in grade to forfeiture or detention of pay. When mitigating extra duties to restriction, the mitigated punishment shall not be greater than the amount of the forfeiture. When mitigating reduction in grade to forfeiture or detention of pay, the amount of the forfeiture or detention shall not be greater than the amount that could have been imposed initially under this section by the officer who imposed the punishment mitigated.

(5) A person punished under this section who considers the punishment unjust or disproportionate to the offense may, through the proper channel, appeal to the next superior authority. The appeal shall be promptly forwarded and decided, but the person punished may in the meantime be required to undergo the punishment adjudged. The superior authority may exercise the same powers with respect to the punishment imposed as may be exercised under subsection (4) of this section by the officer who imposed the punishment. Before acting on an appeal from a punishment of:

(a) Forfeiture of more than seven days' pay;
(b) Reduction of one or more pay grades from the fourth or a higher pay grade;
(c) Extra duties for more than ten days;
(d) Restriction for more than ten days; or
(e) Detention of more than fourteen days' pay;
the authority who is to act on the appeal shall refer the case to a judge advocate for consideration and advice, and may so refer the case upon appeal from any punishment imposed under subsection (2) of this section.

(6) The imposition and enforcement of disciplinary punishment under this section for any act or omission is not a bar to trial by court-martial for a serious crime or offense growing out of the same act or omission, and not properly punishable under this section; but the fact that a disciplinary punishment has been enforced may be shown by the accused upon trial, and when so shown shall be considered in determining the measure of punishment to be adjudged in the event of a finding of guilty.

(7) The governor may by regulation prescribe the form of records to be kept of proceedings under this section and may also prescribe that certain categories of those proceedings shall be in writing.

Sec. 16. Section 16, chapter 220, Laws of 1963 and RCW 38.38.172 are each amended to read as follows:

(1) In the (state military forces) organized militia not in federal service, there are general, special, and summary courts-martial constituted like similar courts of the armed forces of the United States. They have the jurisdiction and powers, except as to punishments, and shall follow the forms and procedures provided for those courts.
(2) The three kinds of courts-martial are:
(a) General courts-martial, consisting of a military judge and not less than five members, or only a military judge, if before the court is assembled the accused, knowing the identity of the military judge and after consultation with defense counsel, requests orally on the record or in writing a court composed only of a military judge and the military judge approves;
(b) Special courts-martial, consisting of not less than three members, or a military judge and not less than three members, or only a military judge, if one has been detailed to the court, and the accused under the same conditions as those prescribed in (a) of this subsection so requests; and
(c) Summary courts-martial, consisting of one commissioned officer.

Sec. 17. Section 17, chapter 220, Laws of 1963 and RCW 38.38.176 are each amended to read as follows:
Each force of the organized militia has court-martial jurisdiction over all persons subject to this code. The exercise of jurisdiction by one force over personnel of another force shall be in accordance with regulations prescribed by the governor.

Sec. 18. Section 19, chapter 220, Laws of 1963 and RCW 38.38.184 are each amended to read as follows:
Subject to RCW 38.38.176, special courts-martial have jurisdiction to try persons subject to this code for any offense for which they may be punished under this code. A special court-martial has the same powers of punishment as a general court-martial, except that a fine imposed by a special court-martial may not be more than one hundred dollars for a single offense. A dishonorable discharge may not be adjudged unless a complete record of the proceedings and testimony has been made, counsel having the qualifications prescribed under RCW 38.38.260 was detailed to represent the accused, and a military judge was detailed to the trial, except in any case in which a military judge could not be detailed to the trial because of physical conditions or military exigencies. In any such case in which a military judge was not detailed to the trial, the convening authority shall make a detailed written statement, to be appended to the record, stating the reason or reasons a military judge could not be detailed.

Sec. 19. Section 20, chapter 220, Laws of 1963 and RCW 38.38.188 are each amended to read as follows:
(1) Subject to RCW 38.38.176, summary courts-martial have jurisdiction to try persons subject to this code, except officers for any offense made punishable by this code.
(2) No person with respect to whom summary courts-martial have jurisdiction may be brought to trial before a summary court-martial if the person objects thereto, unless under RCW 38.38.132 the person has been permitted and has elected to refuse punishment under that section.
If objection to trial by summary court-martial is made by an accused who has been permitted to refuse punishment under RCW 38.38.132, trial shall be ordered by special or general court-martial, as may be appropriate.

(3) A summary court-martial may sentence to a fine of not more than twenty-five dollars for a single offense, to forfeiture of pay and allowances, and to reduction of a noncommissioned officer to the ranks.

Sec. 20. Section 22, chapter 220, Laws of 1963 and RCW 38.38.196 are each amended to read as follows:

A dishonorable discharge((, bad conduct discharge)) or dismissal may not be adjudged by any court-martial unless a complete record of the proceedings and testimony before the court has been made.

Sec. 21. Section 23, chapter 220, Laws of 1963 and RCW 38.38.200 are each amended to read as follows:

In the organized militia not in federal service, a court-martial may, instead of imposing a fine, sentence to confinement for not more than one day for each dollar of the authorized fine.

Sec. 22. Section 24, chapter 220, Laws of 1963 and RCW 38.38.240 are each amended to read as follows:

In the organized militia not in federal service, general courts-martial may be convened by the president or by the governor, or by the commanding general of the national guard of the District of Columbia.

Sec. 23. Section 25, chapter 220, Laws of 1963 and RCW 38.38.244 are each amended to read as follows:

(1) In the organized militia not in federal service, the commanding officer of a garrison, fort, post, camp, air base, auxiliary air base, or other place where troops are on duty, or of a brigade, regiment, wing, group, detached battalion, separate squadron, or other detached command, may convene special courts-martial. Special courts-martial may also be convened by superior authority. When any such officer is an accuser, the court shall be convened by superior competent authority.

(2) A special court-martial may not try a commissioned officer.

Sec. 24. Section 26, chapter 220, Laws of 1963 and RCW 38.38.248 are each amended to read as follows:

(1) In the organized militia not in federal service, the commanding officer of a garrison, fort, post, camp, air base, auxiliary air base, or other place where troops are on duty, or of a regiment, wing, group, detached battalion, detached squadron, detached company, or other detachment may convene a summary court-martial consisting of one commissioned officer. The proceedings shall be informal.

(2) When only one commissioned officer is present with a command or detachment the commissioned officer shall be the summary court-martial of that command or detachment and shall hear and determine all
summary court-martial cases brought before him or her. Summary courts-martial may, however, be convened in any case by superior competent authority when considered desirable ((by him)).

Sec. 25. Section 27, chapter 220, Laws of 1963 and RCW 38.38.252 are each amended to read as follows:

(1) Any commissioned officer of or on duty with the ((state military forces)) organized militia is eligible to serve on all courts-martial for the trial of any person who may lawfully be brought before such courts for trial.

(2) Any warrant officer of or on duty with the ((state military forces)) organized militia is eligible to serve on general and special courts-martial for the trial of any person, other than a commissioned officer, who may lawfully be brought before such courts for trial.

(3) (a) Any enlisted member of the ((state military forces)) organized militia who is not a member of the same unit as the accused is eligible to serve on general and special courts-martial for the trial of any enlisted member who may lawfully be brought before such courts for trial, but ((he)) shall serve as a member of a court only if, before the ((convening of the court)) conclusion of a session called by the military judge under RCW 38.38.380(1) prior to trial or, in the absence of such a session, before the court is assembled for the trial of the accused, the accused personally has requested in writing that enlisted members serve on it. After such a request, the accused may not be tried by a general or special court-martial the membership of which does not include enlisted members in a number comprising at least one-third of the total membership of the court, unless eligible members cannot be obtained on account of physical conditions or military exigencies. If such members cannot be obtained, the court may be convened and the trial held without them, but the convening authority shall make a detailed written statement, to be appended to the record, stating why they could not be obtained.

(b) In this section, the word "unit" means any regularly organized body of the ((state military forces)) organized militia not larger than a company, a squadron, ((a division of the naval militia;)) or a body corresponding to one of them.

(4) (a) When it can be avoided, no person subject to this code may be tried by a court-martial any member of which is junior to ((him)) the person in rank or grade.

(b) When convening a court-martial, the convening authority shall detail as members thereof such members as, in his or her opinion, are best qualified for the duty by reason of age, education, training, experience, length of service, and judicial temperament. No member is eligible to serve as a member of a general or special court-martial when ((he)) the member is the accuser or a witness for the prosecution or has acted as investigating
officer or as counsel in the same case. ((If within the command of the con-
vening authority there is present and not otherwise disqualified a commis-
sioned officer who is a member of the bar of the highest court of the state
and of appropriate rank and grade, the convening authority shall appoint
him as president of a special court-martial. Although this requirement is
binding on the convening authority, failure to meet it in any case does not
divest a military court of jurisdiction:))

(c) Before a court-martial is assembled for the trial of a case, the
convening authority may excuse a member of the court from participating
in the case. Under such regulations as the governor may prescribe, the con-
vening authority may delegate his or her authority under this subsection to
the staff judge advocate or to any other principal assistant.

Sec. 26. Section 28, chapter 220, Laws of 1963 and RCW 38.38.256
are each amended to read as follows:

(((1) The authority convening a general court-martial shall detail as
law officer thereof a commissioned officer who is a member of the bar of the
highest court of the state, or a member of the bar of a federal court, and
who is certified to be qualified for such duty by the state judge advocate. No
person is eligible to act as law officer in a case if he is the accuser or a wit-
ness for the prosecution or has acted as investigating officer or as counsel in
the same case:

(2) The law officer may not consult with the members of the court;
other than on the form of the findings as provided in RCW 38.38.380, ex-
cept in the presence of the accused, trial counsel, and defense counsel, nor
may he vote with the members of the court:))

(1) A military judge shall be detailed to each general court-martial.
Subject to regulations of the governor, a military judge may be detailed to
any special court-martial. The governor shall prescribe regulations provid-
ing for the manner in which military judges are detailed for such courts-
martial and for the persons who are authorized to detail military judges for
such courts-martial. The military judge shall preside over each open session
of the court-martial to which he or she has been detailed.

(2) A military judge shall be a commissioned officer of the armed
forces who is a member of the bar of a federal court or a member of the bar
of the highest court of a state and who is certified to be qualified for duty as
a military judge by the state judge advocate.

(3) The military judge of a general court-martial shall be designated
by the state judge advocate or a designee for detail in accordance with reg-
ulations prescribed under subsection (1) of this section. Unless the court-
martial was convened by the governor, neither the convening authority nor
any member of the staff shall prepare or review any report concerning the
effectiveness, fitness, or efficiency of the military judge so detailed, which
relates to performance of duty as a military judge. A commissioned officer
who is certified to be qualified for duty as a military judge of a general
court-martial may perform such duties only when he or she is assigned and
directly responsible to the state judge advocate or designee, and may per-
form duties of a judicial or nonjudicial nature other than those relating to
the primary duty as a military judge of a general court-martial when such
duties are assigned by or with the approval of the state judge advocate or
designee.

(4) No person is eligible to act as military judge in a case if the person
is the accuser or a witness for the prosecution or has acted as investigating
officer or a counsel in the same case.

(5) The military judge of a court-martial may not consult with the
members of the court except in the presence of the accused, trial counsel,
and defense counsel, nor may the military judge vote with the members of
the court.

Sec. 27. Section 29, chapter 220, Laws of 1963 and RCW 38.38.260
are each amended to read as follows:

((4) For each general and special court martial the authority conven-
ing the court shall detail trial counsel and defense counsel, and such assist-
ants as he considers appropriate. No person who has acted as investigating
officer, law officer, or court member in any case may act later as trial coun-
sel, assistant trial counsel, or, unless expressly requested by the accused, as
defense counsel or assistant defense counsel in the same case. No person
who has acted for the prosecution may act later in the same case for the
defense, nor may any person who has acted for the defense act later in the
same case for the prosecution:

(2) Trial counsel or defense counsel detailed for a general court
martial:

(a) Must be a person who is a member of the bar of the highest court
of the state, or a member of the bar of a federal court; and
(b) Must be certified as competent to perform such duties by the state
judge advocate;

(3) In the case of a special court martial:

(a) If the trial counsel is qualified to act as counsel before a general
court martial, the defense counsel detailed by the convening authority must
be a person similarly qualified, and
(b) If the trial counsel is a member of the bar of the highest court of
the state, the defense counsel detailed by the convening authority must be
one of the foregoing.))

(1) (a) Trial counsel and defense counsel shall be detailed for each
general and special court–martial. Assistant trial counsel and assistant and
associate defense counsel may be detailed for each general and special
court–martial. The governor shall prescribe regulations providing for the
manner in which counsel are detailed for such courts–martial and for the
persons who are authorized to detail counsel for such courts–martial.
(b) No person who has acted as investigating officer, military judge, or court member in any case may act later as trial counsel, assistant trial counsel, or, unless expressly requested by the accused, as defense counsel or assistant or associate defense counsel in the same case. No person who has acted for the prosecution may act later in the same case for the defense, nor may any person who has acted for the defense act later in the same case for the prosecution.

(2) Trial counsel or defense counsel detailed for a general court-martial:
   (a) Must be a judge advocate who is a graduate of an accredited law school or is a member of the bar of a federal court or of the highest court of a state, or must be a member of the bar of a federal court or of the highest court of a state; and
   (b) Must be certified as competent to perform such duties by the state judge advocate.

(3) In the case of a special court-martial:
   (a) The accused shall be afforded the opportunity to be represented at the trial by counsel having the qualifications prescribed under RCW 38.38.260(2) unless counsel having such qualifications cannot be obtained on account of physical conditions or military exigencies. If counsel having such qualifications cannot be obtained, the court may be convened and the trial held but the convening authority shall make a detailed written statement, to be appended to the record, stating why counsel with such qualifications could not be obtained;
   (b) If the trial counsel is qualified to act as counsel before a general court-martial, the defense counsel detailed by the convening authority must be a person similarly qualified; and
   (c) If the trial counsel is a judge advocate or a member of the bar of a federal court or the highest court of a state, the defense counsel detailed by the convening authority must be one of the foregoing.

Sec. 28. Section 31, chapter 220, Laws of 1963 and RCW 38.38.268 are each amended to read as follows:

(((t)) No member of a general or special court-martial may be absent or excused after the accused has been arraigned except for physical disability or as the result of a challenge or by order of the convening authority for good cause:

(2) Whenever a general court-martial is reduced below five members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than five members. When the new members have been sworn, the trial may proceed after the recorded testimony of each witness previously examined has been read to the court in the presence of the law officer, the accused, and counsel.
(3) Whenever a special court-martial is reduced below three members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than three members. When the new members have been sworn, the trial shall proceed as if no evidence has previously been introduced, unless a verbatim record of the testimony of previously examined witnesses or a stipulation thereof is read to the court in the presence of the accused and counsel.)

(1) No member of a general or special court-martial may be absent or excused after the court has been assembled for the trial of the accused unless excused as a result of a challenge, excused by the military judge for physical disability or other good cause, or excused by order of the convening authority for good cause.

(2) Whenever a general court-martial, other than a general court-martial composed of a military judge only, is reduced below five members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than five members. The trial may proceed with the new members present after the recorded evidence previously introduced before the members of the court has been read to the court in the presence of the military judge, the accused, and counsel for both sides.

(3) Whenever a special court-martial, other than a special court-martial composed of a military judge only, is reduced below three members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than three members. The trial shall proceed with the new members present as if no evidence had previously been introduced before the members of the court or a stipulation thereof is read to the court in the presence of the military judge, the accused, and counsel for both sides.

(4) If the military judge of a court-martial composed of a military judge only is unable to proceed with the trial because of physical disability, as a result of a challenge, or for other good cause, the trial shall proceed, subject to any applicable conditions of RCW 38.38.172 (2) (a) or (b), after the detail of a new military judge as if no evidence had previously been introduced, unless a verbatim record of the evidence previously introduced or a stipulation thereof is read in court in the presence of the new military judge, the accused, and counsel for both sides.

Sec. 29. Section 32, chapter 220, Laws of 1963 and RCW 38.38.308 are each amended to read as follows:

(1) Charges and specifications shall be signed by a person subject to this code under oath before a person authorized by this code to administer oaths and shall state:

(a) That the signer has personal knowledge of, or has investigated, the matters set forth therein; and

[266]
(b) That they are true in fact to the best of his or her knowledge and belief.

(2) Upon the preferring of charges, the proper authority shall take immediate steps to determine what disposition should be made thereof in the interest of justice and discipline, and the person accused shall be informed of the charges against him or her as soon as practicable.

Sec. 30. Section 33, chapter 220, Laws of 1963 and RCW 38.38.312 are each amended to read as follows:

(1) No person subject to this code may compel ((any)) persons to incriminate ((himself)) themselves or to answer any question the answer to which may tend to incriminate ((him)) them.

(2) No person subject to this code may interrogate, or request any statement from, an accused or a person suspected of an offense without first informing ((him)) the person of the nature of the accusation and advising ((him)) that ((he)) the person does not have to make any statement regarding the offense of which he or she is accused or suspected and that any statement made by ((him)) the person may be used as evidence against him or her in a trial by court-martial.

(3) No person subject to this code may compel any person to make a statement or produce evidence before any military tribunal if the statement or evidence is not material to the issue and may tend to degrade ((him)) the person.

(4) No statement obtained from any person in violation of this section, or through the use of coercion, unlawful influence, or unlawful inducement may be received in evidence against ((him)) the person in a trial by court-martial.

Sec. 31. Section 34, chapter 220, Laws of 1963 and RCW 38.38.316 are each amended to read as follows:

(1) No charge or specification may be referred to a general court-martial for trial until a thorough and impartial investigation of all the matters set forth therein has been made. This investigation shall include inquiry as to the truth of the matter set forth in the charges, consideration of the form of charges, and a recommendation as to the disposition which should be made of the case in the interest of justice and discipline.

(2) The accused shall be advised of the charges against him or her and of ((his)) the right to be represented at that investigation by counsel. ((Upon his own request he shall be represented by civilian counsel if provided by him, or military counsel of his own selection if such counsel is reasonably available, or by counsel detailed by the officer exercising general court-martial jurisdiction over the command:)) The accused has a right to be represented at that investigation as provided in RCW 38.38.376 and in regulations prescribed under that section.

At that investigation full opportunity shall be given to the accused to cross-examine witnesses against him or her if they are available and to
present anything ((he)) the person may desire in his or her own behalf, either in defense or mitigation, and the investigating officer shall examine available witnesses requested by the accused. If the charges are forwarded after the investigation, they shall be accompanied by a statement of the substance of the testimony taken on both sides and a copy thereof shall be given to the accused.

(3) If an investigation of the subject matter of an offense has been conducted before the accused is charged with the offense, and if the accused was present at the investigation and afforded the opportunities for representation, cross-examination, and presentation prescribed in subsection (2) hereof, no further investigation of that charge is necessary under this section unless it is demanded by the accused after ((he-is)) being informed of the charge. A demand for further investigation entitles the accused to recall witnesses for further cross-examination and to offer any new evidence in his or her own behalf.

(4) The requirements of this section are binding on all persons administering this code but failure to follow them does not divest a military court of jurisdiction.

Sec. 32. Section 35, chapter 220, Laws of 1963 and RCW 38.38.320 are each amended to read as follows:

When a person is held for trial by general court-martial the commanding officer shall, within eight days after the accused is ordered into arrest or confinement, if practicable, forward the charges, together with the investigation and allied papers, to the governor. If that is not practicable, ((he)) the officer shall report in writing to the governor the reasons for delay.

Sec. 33. Section 36, chapter 220, Laws of 1963 and RCW 38.38.324 are each amended to read as follows:

(1) Before directing the trial of any charge by general court-martial, the convening authority shall refer it to the state judge advocate for consideration and advice. The convening authority may not refer a charge to a general court-martial for trial unless he or she has found that the charge alleges an offense under this code ((and)) is warranted by evidence indicated in the report of the investigation under RCW 38.38.316, if there is such a report, and the court-martial would have jurisdiction over the accused and the offense.

(2) The advice of the staff judge advocate under subsection (1) of this section with respect to a specification under a charge shall include a written and signed statement by the staff judge advocate:

(a) Expressing conclusions with respect to each matter set forth in subsection (1) of this section; and

(b) Recommending action that the convening authority take regarding the specification.
If the specification is referred for trial, the recommendation of the state judge advocate shall accompany the specification.

(2) If the charges or specifications are not formally correct or do not conform to the substance of the evidence contained in the report of the investigating officer, formal corrections, and such changes in the charges and specifications as are needed to make them conform to the evidence may be made.

Sec. 34. Section 37, chapter 220, Laws of 1963 and RCW 38.38.328 are each amended to read as follows:

The trial counsel to whom court-martial charges are referred for trial shall cause to be served upon the accused a copy of the charges upon which trial is to be had. In time of peace no person may, against his or her objection, be brought to trial (before) or be required to participate by himself or counsel in a session called by a military judge under RCW 38.38.380(1), in a general court-martial within a period of five days after the service of the charges upon him or her, or before a special court-martial within a period of three days after the service of the charges upon him or her.

Sec. 35. Section 38, chapter 220, Laws of 1963 and RCW 38.38.368 are each amended to read as follows:

The procedure, including modes of proof, in cases before military courts and other military tribunals may be prescribed by the governor by regulations, which shall, so far as the governor considers practicable, apply the principles of law and the rules of evidence generally recognized in the trial of criminal cases in the courts of the state, but which may not be contrary to or inconsistent with this code.

Sec. 36. Section 39, chapter 220, Laws of 1963 and RCW 38.38.372 are each amended to read as follows:

(1) No authority convening a general, special, or summary court-martial nor any other commanding officer, or officer serving on the staff thereof, may censure, reprimand, or admonish the court or any member, military judge, or counsel thereof, with respect to the findings or sentence adjudged by the court, or with respect to any other exercise of its or his or her functions in the conduct of the proceeding. No person subject to this code may attempt to coerce or, by any unauthorized means, influence the action of the court-martial or any other military tribunal or any member thereof, in reaching the findings or sentence in any case, or the action of any convening, approving, or reviewing authority with respect to ((his)) judicial acts. The foregoing provisions of this section shall not apply with respect to (a) general instructional or informational courses in military justice if such courses are designed solely for the purpose of instructing members of a command in the substantive and procedural aspects of courts-martial, or (b) to statements and instructions given in open court by the military judge, president of a special court-martial, or counsel.
(2) In the preparation of an effectiveness, fitness, or efficiency report or any other report or document used in whole or in part for the purpose of determining whether a member of the organized militia is qualified to be advanced, in grade, or in determining the assignment or transfer of a member of the organized militia, or in determining whether a member of the organized militia should be retained on active duty, no person subject to this chapter may, in preparing any such report (a) consider or evaluate the performance of duty of any such member of a court-martial, or (b) give a less favorable rating or evaluation of any member of the organized militia because of the zeal with which such member, as counsel, represented any accused before a court-martial.

Sec. 37. Section 40, chapter 220, Laws of 1963 and RCW 38.38.376 are each amended to read as follows:

(1) The trial counsel of a general or special court-martial shall prosecute in the name of the state, and shall, under the direction of the court, prepare the record of the proceedings.

(2) The accused has the right to be represented in his or her defense before a general or special court-martial by civilian counsel if provided by ((him)) the accused, or by military counsel of his or her own selection if reasonably available as defined in regulations of the governor, or by the defense counsel detailed under RCW 38.38.260. Should the accused have civilian counsel of his or her own selection, the defense counsel, and assistant defense counsel, if any, who were detailed, shall, if the accused so desires, act as ((his)) associate counsel; otherwise they shall be excused by the military judge or president of ((the court)) a special court-martial.

(3) In every court-martial proceeding, the defense counsel may, in the event of conviction, forward for attachment to the record of proceedings a brief of such matters ((he)) the defense counsel feels should be considered in behalf of the accused on review, including any objection to the contents of the record which he or she considers appropriate and assist the accused in the submission of any matter under RCW 38.38.536.

(4) An assistant trial counsel of a general court-martial may, under the direction of the trial counsel or when ((he-is)) qualified to be a trial counsel as required by RCW 3P.38.260, perform any duty imposed by law, regulation, or the custom of the service upon the trial counsel of the court. An assistant trial counsel of a special court-martial may perform any duty of the trial counsel.

(5) An assistant defense counsel of a general or special court-martial may, under the direction of the defense counsel or when ((he-is)) qualified to be the defense counsel as required by RCW 38.38.260, perform any duty imposed by law, regulation, or the custom of the service upon counsel for the accused.

Sec. 38. Section 41, chapter 220, Laws of 1963 and RCW 38.38.380 are each amended to read as follows:
Whenever a general or special court martial deliberates or votes, only the members of the court may be present. After a general court martial has finally voted on the findings, the court may request the law officer and the reporter to appear before the court to put the findings in proper form, and those proceedings shall be on the record. All other proceedings, including any other consultation of the court with counsel or the law officer, shall be made a part of the record and shall be in the presence of the accused, the defense counsel, the trial counsel, and in general court martial cases, the law officer;

(1) At any time after the service of charges which have been referred for trial to a court-martial composed of a military judge and members, the military judge may, subject to RCW 38.38.328, call the court into session without the presence of the members for the purpose of:

(a) Hearing and determining motions raising defenses or objections which are capable of determination without trial of the issues raised by a plea of not guilty;

(b) Hearing and ruling upon any matter which may be ruled upon by the military judge under this chapter, whether or not the matter is appropriate for later consideration or decision by the members of the court;

(c) Holding the arraignment and receiving the pleas of the accused; and

(d) Performing any other procedural function which may be performed by the military judge under this chapter or under rules prescribed pursuant to RCW 38.38.368 and which does not require the presence of the members of the court.

These proceedings shall be conducted in the presence of the accused, the defense counsel, and the trial counsel and shall be made a part of the record.

(2) When the members of a court-martial deliberate or vote, only the members may be present. All other proceedings, including any other consultation of the members of the court with counsel or the military judge, shall be made a part of the record and shall be in the presence of the accused, the defense counsel, the trial counsel, and in cases in which a military judge has been detailed to the court, the military judge.

Sec. 39. Section 42, chapter 220, Laws of 1963 and RCW 38.38.384 are each amended to read as follows:

((A court martial may, for reasonable cause, grant a continuance to any party for such time, and as often as may appear to be just;)) The military judge or a court-martial without a military judge may, for reasonable cause, grant a continuance to any party for such time and as often as may appear to be just.

Sec. 40. Section 43, chapter 220, Laws of 1963 and RCW 38.38.388 are each amended to read as follows:
((1) Members of a general or special court martial and the law officer of a general court martial may be challenged by the accused or the trial counsel for cause stated to the court. The court shall determine the relevance and validity of challenges for cause, and may not receive a challenge to more than one person at a time. Challenges by the trial counsel shall ordinarily be presented and decided before those by the accused are offered.

(2) Each accused and the trial counsel is entitled to one peremptory challenge, but the law officer may not be challenged except for cause.))

(1) The military judge and members of a general or special court-martial may be challenged by the accused or the trial counsel for cause stated to the court. The military judge or, if none, the court shall determine the relevance and validity of challenges for cause and may not receive a challenge to more than one person at a time. Challenges by the trial counsel shall ordinarily be presented and decided before those by the accused are offered.

(2) Each accused and the trial counsel is entitled to one peremptory challenge, but the military judge may not be challenged except for cause.

(((1) The law officer, interpreters, and, in general and special courts martial, members, trial counsel, assistant trial counsel, defense counsel, assistant defense counsel, and reporters shall take an oath or affirmation in the presence of the accused to perform their duties faithfully.

(2) Each witness before a military court shall be examined on oath or affirmation:))

(1) Before performing their respective duties, military judges, members of general and special courts-martial, trial counsel, assistant trial counsel, defense counsel, assistant or associate defense counsel, reporters, and interpreters shall take an oath to perform their duties faithfully. The form of the oath, the time and place of the taking thereof, the manner of recording the same, and whether the oath shall be taken for all cases in which these duties are to be performed or for a particular case, shall be as prescribed in regulations of the governor. These regulations may provide that an oath to perform faithfully duties as a military judge, trial counsel, assistant trial counsel, defense counsel, or assistant or associate defense counsel may be taken at any time by a judge advocate or other person certified to be qualified or competent for the duty, and if such an oath is taken it need not again be taken at the time the judge advocate, or other person, is detailed to that duty.

(2) Each witness before a court-martial shall be examined on oath.

Sec. 42. Section 45, chapter 220, Laws of 1963 and RCW 38.38.396 are each amended to read as follows:
(1) A person charged with desertion or absence without leave in time of war, or with aiding the enemy or with mutiny may be tried and punished at any time without limitation.

(2) Except as otherwise provided in this section, a person charged with desertion in time of peace or with the offense punishable under RCW 38.38.784 is not liable to be tried by court-martial if the offense was committed more than three years before the receipt of sworn charges and specifications by an officer exercising summary court-martial jurisdiction over the command.

(3) Except as otherwise provided in this section, a person charged with any offense is not liable to be tried by court-martial or punished under RCW 38.38.132 if the offense was committed more than two years before the receipt of sworn charges and specifications by an officer exercising summary court-martial jurisdiction over the command or before the imposition of punishment under RCW 38.38.132.

(4) Periods in which the accused was absent from territory in which the state has the authority to apprehend the accused, or in the custody of civil authorities, or in the hands of the enemy, shall be excluded in computing the period of limitation prescribed in this section.

Sec. 43. Section 46, chapter 220, Laws of 1963 and RCW 38.38.400 are each amended to read as follows:

(1) No person may, without the person's consent, be tried a second time in any military court of the state for the same offense.

(2) No proceeding in which an accused has been found guilty by a court-martial upon any charge or specification is a trial in the sense of this section until the finding of guilty has become final after review of the case has been fully completed.

(3) A proceeding which, after the introduction of evidence but before a finding, is dismissed or terminated by the convening authority or on motion of the prosecution for failure of available evidence or witnesses without any fault of the accused is a trial in the sense of this section.

Sec. 44. Section 47, chapter 220, Laws of 1963 and RCW 38.38.404 are each amended to read as follows:

(1) If an accused arraigned before a court-martial makes an irregular pleading, or after a plea of guilty sets up matter inconsistent with the plea, or if it appears that the accused has entered the plea of guilty improvidently or through lack of understanding of its meaning and effect, or if the accused fails or refuses to plead, a plea of not guilty shall be entered in the record, and the court shall proceed as though the accused had pleaded not guilty.

(2) With respect to any other charge or specification to which a plea of guilty has been made by the accused and accepted by the military judge or by a court-martial without a military judge, a finding of guilty of the
charge or specification may be entered immediately without vote. This find-
ing shall constitute the finding of the court unless the plea of guilty is with-
drawn prior to announcement of the sentence, in which event the pro-
ceedings shall continue as through the accused had pleaded not guilty.

Sec. 45. Section 48, chapter 220, Laws of 1963 and RCW 38.38.408
are each amended to read as follows:
(1) The trial counsel, the defense counsel, and the court-martial shall
have equal opportunity to obtain witnesses and other evidence in accordance
with such regulations as the governor may prescribe.
(2) The president of a special court-martial, military judge, or a sum-
mary court officer may:
(a) Issue a warrant for the arrest of any accused person who, having
been served with a warrant and a copy of the charges, disobeys a written
order by the convening authority to appear before the court;
(b) Issue subpoenas duces tecum and other subpoenas;
(c) Enforce by attachment the attendance of witnesses and the pro-
duction of books and papers; and
(d) Sentence for refusal to be sworn or to answer, as provided in ac-
tions before civil courts of the state.
(3) Process issued in court-martial cases to compel witnesses to appear
and testify and to compel the production of other evidence shall run to any
part of the state and shall be executed by civil officers as prescribed by the
laws of the state.

Sec. 46. Section 49, chapter 220, Laws of 1963 and RCW 38.38.412
are each amended to read as follows:
(1) Any person not subject to this code who:
(a) Has been duly subpoenaed to appear as a witness or to produce
books and records before a court-martial, military commission, court of in-
quiry, or any other military court or board, or before any military or civil
officer designated to take a deposition to be read in evidence before such a
court;
(b) Has been duly paid or tendered the fees and mileage of a witness at
the rates allowed to witnesses attending the superior court of the state; and
(c) Wilfully neglects or refuses to appear, or refuses to qualify as a
witness or to testify or to produce any evidence which that person may have
been legally subpoenaed to produce; is guilty of an offense against the state
((and a military court may punish him in the same manner as the civil
courts of the state)).

(2) Any person who commits an offense named in subsection (1) of this
section shall be tried before the superior court of this state having jurisdic-
tion and jurisdiction is conferred upon those courts for that purpose. Upon
conviction, such a person shall be punished by a fine of not more than five
hundred dollars, or imprisonment for not more than six months, or both.
(3) The prosecuting attorney in any such court, upon the certification of the facts by the military court, commission, court of inquiry, or board, shall prosecute any person violating this section.

Sec. 47. Section 51, chapter 220, Laws of 1963 and RCW 38.38.420 are each amended to read as follows:

(1) At any time after charges have been signed, as provided in RCW 38.38.308, any party may take oral or written depositions unless a military judge or court-martial without a military judge hearing the case, or if the case is not being heard, an authority competent to convene a court-martial for the trial of those charges forbids it for good cause. If a deposition is to be taken before charges are referred for trial, such an authority may designate commissioned officers to represent the prosecution and the defense and may authorize those officers to take the deposition of any witness.

(2) The party at whose instance a deposition is to be taken shall give to every other party reasonable written notice of the time and place for taking the deposition.

(3) Depositions may be taken before and authenticated by any military or civil officer authorized by the laws of the state or by the laws of the place where the deposition is taken to administer oaths.

(4) A duly authenticated deposition taken upon reasonable notice to the other parties, so far as otherwise admissible under the rules of evidence, may be read in evidence or, in the case of audiotape, videotape, or similar material, may be played in evidence before any court-martial or in any proceeding before a court of inquiry, if it appears:

(a) That the witness resides or is beyond the state in which the court-martial or court of inquiry is ordered to sit, or beyond the distance of one hundred miles from the place of trial or hearing;

(b) That the witness by reason of death, age, sickness, bodily infirmity, imprisonment, military necessity, nonamenable to process, or other reasonable cause, is unable or refuses to appear and testify in person at the place of trial or hearing; or

(c) That the present whereabouts of the witness is unknown.

Sec. 48. Section 53, chapter 220, Laws of 1963 and RCW 38.38.428 are each amended to read as follows:

((1) Voting by members of a general or special court martial upon questions of challenge, on the findings, and on the sentence shall be by secret written ballot. The junior member of the court shall in each case count the votes. The count shall be checked by the president, who shall forthwith announce the result of the ballot to the members of the court.

(2) The law officer of a general court martial and the president of a special court martial shall rule upon interlocutory questions, other than challenge, arising during the proceedings. Any such ruling made by the law officer of a general court martial or by the president of a special court martial upon any interlocutory question other than a motion for a finding of not
Ch. 48 WASHINGTON LAWS, 1989

guilty, or the question of the accused’s sanity, is final and constitutes the ruling of the court. However, the law officer or president may change the ruling at any time during the trial except a ruling on a motion for a finding of not guilty that was granted. Unless the ruling is final, if any member objects thereto, the court shall be cleared and closed and the question decided by a voice vote as provided in RCW 38.38.432 beginning with the junior in rank.

(3) Before a vote is taken on the findings, the law officer of a general court-martial and the president of a special court-martial shall, in the presence of the accused and counsel, instruct the court as to the elements of the offense and charge the court:

(a) That the accused must be presumed to be innocent until his guilt is established by legal and competent evidence beyond reasonable doubt;

(b) That in the case being considered, if there is a reasonable doubt as to the guilt of the accused, the doubt must be resolved in favor of the accused and he must be acquitted;

(c) That, if there is a reasonable doubt as to the degree of guilt, the finding must be in a lower degree as to which there is no reasonable doubt; and

(d) That the burden of proof of establishing the guilt of the accused beyond reasonable doubt is upon the state.)

(1) Voting by members of a general or special court-martial on the findings and on the sentence, and by members of a court-martial without a military judge upon questions of challenge, shall be by secret written ballot. The junior member of the court shall count the votes. The count shall be checked by the president, who shall forthwith announce the result of the ballot to the members of the court.

(2) The military judge and, except for questions of challenge, the president of a court-martial without a military judge shall rule upon all questions of law and all interlocutory questions arising during the proceedings. Any such ruling made by the military judge upon any question of law or any interlocutory question other than the factual issue of mental responsibility of the accused, or by the president of a court-martial without a military judge upon any question of law other than a motion for a finding of not guilty, is final and constitutes the ruling of the court. However, the military judge or the president of a court-martial without a military judge may change a ruling at any time during the trial. Unless the ruling is final, if any member objects thereto, the court shall be cleared and closed and the question decided by a vote as provided in RCW 38.38.432, beginning with the junior in rank.

(3) Before a vote is taken on the findings, the military judge or the president of a court-martial without a military judge shall, in the presence of the accused and counsel, instruct the members of the court as to the elements of the offense and charge them:
(a) That the accused must be presumed to be innocent until guilt is established by legal and competent evidence beyond reasonable doubt;
(b) That in the case being considered, if there is reasonable doubt as to the guilt of the accused, the doubt must be resolved in favor of the accused and the accused must be acquitted;
(c) That, if there is a reasonable doubt as to the degree of guilt, the finding must be in a lower degree to which there is no reasonable doubt; and
(d) That the burden of proof to establish the guilt of the accused beyond reasonable doubt is upon the state.

(4) Subsections (1), (2), and (3) of this section do not apply to a court-martial composed of a military judge only. The military judge of such a court-martial shall determine all questions of law and fact arising during the proceedings and, if the accused is convicted, adjudge an appropriate sentence. The military judge of such a court-martial shall make a general finding and shall in addition on request find the facts specially. If an opinion or memorandum of decision is filed, it will be sufficient if the findings of fact appear therein.

Sec. 49. Section 54, chapter 220, Laws of 1963 and RCW 38.38.432 are each amended to read as follows:

(1) No person may be convicted of an offense, except as provided in RCW 38.38.404(2) or by the concurrence of two-thirds of the members present at the time the vote is taken.

(2) All sentences shall be determined by the concurrence of two-thirds of the members present at the time that the vote is taken.

(3) All other questions to be decided by the members of a general or special court-martial shall be determined by a majority vote, but a determination to reconsider a finding of guilty, or to reconsider a sentence with a view towards decreasing it, may be made by any lesser vote which indicates that the reconsideration is not opposed by the number of votes required for that finding or sentence. A tie vote on a challenge disqualifies the member challenged. A tie vote on a motion for a finding of not guilty or on a motion relating to the question of the accused's sanity is a determination against the accused. A tie vote on any other question is a determination in favor of the accused.

Sec. 50. Section 56, chapter 220, Laws of 1963 and RCW 38.38.440 are each amended to read as follows:

((((1) Each court martial shall keep a separate record of the proceedings of the trial of each case brought before it and the record shall be authenticated by the signatures of the president and the law officer. If the record cannot be authenticated by either the president or the law officer, by reason of his death, disability, or absence, it shall be signed by a member in lieu of him. If both the president and the law officer are unavailable, the record shall be authenticated by two members. A record of the proceedings of a trial in which the sentence adjudged includes a bad-conduct discharge

[ 277 ]
or is more than that which could be adjudged by a special court martial shall contain a verbatim account of the proceedings and testimony before the court. All other records of trial shall contain such matter and be authenticated in such manner as the governor may by regulation prescribe:

(2) A copy of the record of the proceedings of each general and special court-martial shall be given to the accused as soon as it is authenticated. If a verbatim record of trial by general court martial is not required by subsection (1) hereof, but has been made, the accused may buy such a record under such regulations as the governor may prescribe.))

(1) Each general court-martial shall keep a separate record of the proceedings in each case brought before it, and the record shall be authenticated by the signature of the military judge. If the record cannot be authenticated by the military judge by reason of death, disability, or absence, it shall be authenticated by the signature of the trial counsel or by that of a member if the trial counsel is unable to authenticate it by reason of death, disability, or absence. In a court-martial consisting of only a military judge, the record shall be authenticated by the court reporter under the same conditions which would impose such a duty on a member under this subsection.

(2) Each special and summary court-martial shall keep a separate record of the proceedings in each case, and the record shall be authenticated in the manner required by such regulations as the governor may prescribe.

(3) (a) A complete record of the proceedings and testimony shall be prepared:

(i) In each general court-martial case in which the sentence adjudged includes a dismissal, a discharge, or, if the sentence adjudged does not include a discharge, any other punishment which exceeds that which may otherwise be adjudged by a special court-martial; and

(ii) In each special court-martial case in which the sentence adjudged includes a dishonorable discharge.

(b) In all other court-martial cases, the record shall contain such matters as may be prescribed by regulations of the governor.

(4) A copy of the record of the proceedings of each general and special court-martial shall be given to the accused as soon as it is authenticated.

Sec. 51. Section 58, chapter 220, Laws of 1963 and RCW 38.38.484 are each amended to read as follows:

(1) The punishment which a court-martial may direct for an offense may not exceed limits prescribed by this code.

(2) Unless otherwise provided in regulations to be prescribed by the governor, a court-martial sentence of an enlisted member in a pay grade above E-1, as approved by the convening authority, that includes a dishonorable discharge reduces that member to pay grade E-1, effective on the date of that approval.
(3) If the sentence of a member who is reduced in pay grade under subsection (2) of this section is set aside or disapproved, or, as finally approved, does not include any punishment named in subsection (2) of this section, the rights and privileges of which the member was deprived because of that reduction shall be restored and the member is entitled to the pay and allowances to which the member would have been entitled for the period the reduction was in effect, had he or she not been so reduced.

Sec. 52. Section 59, chapter 220, Laws of 1963 and RCW 38.38.488 are each amended to read as follows:

((1) Whenever a sentence of a court martial as lawfully adjudged and approved includes a forfeiture of pay or allowances in addition to confinement not suspended, the forfeiture may apply to pay or allowances becoming due on or after the date the sentence is approved by the convening authority. No forfeiture may extend to any pay or allowance accrued before that date:

(2) Any period of confinement included in a sentence of a court martial begins to run from the date the sentence is adjudged by the court martial but periods during which the sentence to confinement is suspended shall be excluded in computing the service of the term of confinement. Regulations prescribed by the governor may provide that sentences of confinement may not be executed until approved by designated officers.

(3) All other sentences of courts-martial are effective on the date ordered executed:

(1) No forfeiture may extend to any pay or allowances accrued before the date on which the sentence is approved by the person acting under RCW 38.38.536.

(2) Any period of confinement included in a sentence of a court martial begins to run from the date the sentence is ordered to be executed by the convening authority, but periods during which the sentence to confinement is suspended or deferred shall be excluded in computing the service of the term of confinement. Regulations prescribed by the governor may provide that sentences of confinement may not be executed until approved by designated officers.

(3) All other sentences of courts-martial are effective on the date ordered executed.

(4) On application by an accused who is under sentence to confinement that has not been ordered executed, the convening authority or, if the accused is no longer under his or her jurisdiction, the officer exercising general court-martial jurisdiction over the command to which the accused is currently assigned, may, in his or her sole discretion, defer service of the sentence to confinement. The deferment shall terminate when the sentence is
ordered executed. The deferment may be rescinded at any time by the officer who granted it or, if the accused is no longer under his or her jurisdiction, by the officer exercising general court-martial jurisdiction over the command to which the accused is currently assigned.

Sec. 53. Section 60, chapter 220, Laws of 1963 and RCW 38.38.492 are each amended to read as follows:

(1) A sentence of confinement adjudged by a military court, whether or not the sentence includes discharge or dismissal, and whether or not the discharge or dismissal has been executed, may be carried into execution by confinement in any place of confinement under the control of any of the forces of the (state military forces) organized militia or in any jail, penitentiary, or prison designated for that purpose. Persons so confined in a jail, penitentiary, or prison are subject to the same discipline and treatment as persons confined or committed to the jail, penitentiary, or prison by the courts of the state or of any political subdivision thereof.

(2) The omission of the words "hard labor" from any sentence or punishment of a court-martial adjudging confinement does not deprive the authority executing that sentence or punishment of the power to require hard labor as a part of the punishment.

(3) The keepers, officers, and wardens of city or county jails and of other jails, penitentiaries, or prisons designated by the governor, or by such person as (he) the governor may authorize to act under RCW 38.38.080, shall receive persons ordered into confinement before trial and persons committed to confinement by a military court and shall confine them according to law. No such keeper, officer, or warden may require payment of any fee or charge for so receiving or confining a person.

Sec. 54. Section 61, chapter 220, Laws of 1963 and RCW 38.38.532 are each amended to read as follows:

Except as provided in RCW 38.38.196 and 38.38.556, a court-martial sentence, unless suspended, may be ordered executed by the convening authority when approved by him or her. (He) The convening authority shall approve the sentence or such part, amount, or commuted form of the sentence as he or she sees fit, and may suspend the execution of the sentence as approved by him or her.

Sec. 55. Section 63, chapter 220, Laws of 1963 and RCW 38.38.540 are each amended to read as follows:

The convening authority shall refer the record of each general court-martial to the staff judge advocate, who shall submit (his) a written opinion thereon to the convening authority. If the final action of the court has resulted in an acquittal of all charges and specifications, the opinion shall be limited to questions of jurisdiction.

Sec. 56. Section 67, chapter 220, Laws of 1963 and RCW 38.38.556 are each amended to read as follows:
(1) If the convening authority is the governor, (his) the governor's action on the review of any record of trial is final.

(2) In all other cases not covered by subsection (1), if the sentence of a special court-martial as approved by the convening authority includes a dishonorable discharge, whether or not suspended, the entire record shall be sent to the appropriate staff judge advocate (or legal officer) of the state force concerned to be reviewed in the same manner as a record of trial by general court-martial. The record and the opinion of the staff judge advocate (or legal officer) shall then be sent to the state judge advocate for review.

(3) All other special and summary court-martial records shall be sent to the judge advocate of the appropriate force of the organized militia and shall be acted upon, transmitted, and disposed of as may be prescribed by regulations of the governor.

(4) The state judge advocate shall review the record of trial in each case sent for review as provided under subsection (2) of this section. If the final action of the court-martial has resulted in an acquittal of all charges and specifications, the opinion of the state judge advocate is limited to questions of jurisdiction.

(5) The state judge advocate shall take final action in any case reviewable by (him) the state judge advocate.

(6) In a case reviewable by the state judge advocate under this section, the state judge advocate may act only with respect to the findings and sentence as approved by the convening authority. The state judge advocate may affirm only such findings of guilty, and the sentence or such part or amount of the sentence, as the state judge advocate finds correct in law and fact and determines, on the basis of the entire record, should be approved. In considering the record, the state judge advocate may weigh the evidence, judge the credibility of witnesses, and determine controverted questions of fact, recognizing that the trial court saw and heard the witnesses. If the state judge advocate sets aside the findings and sentence, the state judge advocate may, except where the setting aside is based on lack of sufficient evidence in the record to support the findings, order a rehearing. If the state judge advocate sets aside the findings and sentence and does not order a rehearing, he shall order that the charges be dismissed.

(7) In a case reviewable by the state judge advocate under this section, the state judge advocate shall instruct the convening authority to act in accordance with the state judge advocate's decision on the review. If the state judge advocate has ordered a rehearing but the convening authority finds a rehearing impracticable, the state judge advocate may dismiss the charges.
The state judge advocate may order one or more boards of review each composed of not less than three commissioned officers of the organized militia, each of whom must be a member of the bar of the highest court of the state. Each board of review shall review the record of any trial by special court-martial, including a sentence to a dishonorable discharge, referred to it by the state judge advocate. Boards of review have the same authority on review as the state judge advocate has under this section.

Sec. 57. Section 69, chapter 220, Laws of 1963 and RCW 38.38.564 are each amended to read as follows:

(1) Upon the final review of a sentence of a general court-martial, the accused has the right to be represented by counsel before the reviewing authority, before the staff judge advocate, as the case may be, and before the state judge advocate.

(2) Upon the request of an accused entitled to be so represented, the state judge advocate shall appoint a lawyer who is a member of the organized militia and who has the qualifications prescribed in RCW 38.38.260, if available, to represent the accused before the reviewing authority, before the staff judge advocate, as the case may be, and before the state judge advocate, in the review of cases specified in subsection (1) of this section.

(3) If provided by the accused, an accused entitled to be so represented may be represented by civilian counsel before the reviewing authority, before the staff judge advocate, as the case may be, and before the state judge advocate.

Sec. 58. Section 70, chapter 220, Laws of 1963 and RCW 38.38.568 are each amended to read as follows:

(1) Before the vacation of the suspension of a special court-martial sentence, or of any general court-martial sentence, the officer having special court-martial jurisdiction over the probationer shall hold a hearing on the alleged violation of probation. The probationer shall be represented at the hearing by counsel if the probationer so desires.

(2) The record of the hearing and the recommendation of the officer having special court-martial jurisdiction shall be sent for action to the governor in cases involving a general court-martial sentence and to the commanding officer of the force of the organized militia of which the probationer is a member in all other cases covered by subsection (1) of this section. If the governor or commanding officer vacates the suspension, any unexecuted part of the sentence except a dismissal shall be executed.
The suspension of any other sentence may be vacated by any authority competent to convene, for the command in which the accused is serving or assigned, a court of the kind that imposed the sentence.

Sec. 59. Section 71, chapter 220, Laws of 1963 and RCW 38.38.572 are each amended to read as follows:

At any time within two years after approval by the convening authority of a court-martial sentence which extends to dismissal or dishonorable discharge, the accused may petition the governor for a new trial on ground of newly discovered evidence or fraud on the court-martial.

Sec. 60. Section 73, chapter 220, Laws of 1963 and RCW 38.38.580 are each amended to read as follows:

(1) Under such regulations as the governor may prescribe, all rights, privileges, and property affected by an executed part of a court-martial sentence which has been set aside or disapproved, except an executed dismissal or discharge, shall be restored unless a new trial or rehearing is ordered and such executed part is included in a sentence imposed upon a new trial or rehearing.

(2) If a previously executed sentence of dishonorable discharge is not imposed on a new trial, the governor shall substitute therefor a form of discharge authorized for administrative issuance unless the accused is to serve out the remainder of his enlistment.

(3) If a previously executed sentence of dismissal is not imposed on a new trial, the governor shall substitute therefor a form of discharge authorized for administrative issuance, and the commissioned officer dismissed by that sentence may be reappointed by the governor alone to such commissioned grade and with such rank as in the opinion of the governor that former officer would have attained had he not been dismissed. The reappointment of such a former officer may be made if a position vacancy is available under applicable tables of organization. All time between the dismissal and reappointment shall be considered as service for all purposes.

(1) Except as otherwise provided in subsections (3) and (4) of this section, no special permit shall be issued for movement on any state highway or route of a state highway within the limits of any city or town where the gross weight, including load, exceeds the following limits:

(a) Twenty-two thousand pounds on a single axle or on dual axles with a wheelbase between the first and second axles of less than three feet six inches;

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 2, chapter 327, Laws of 1987 and RCW 36.73.020 are each amended to read as follows:

The legislative authority of a county may establish one or more transportation benefit districts within the county for the purpose of acquiring, constructing, improving, providing, and funding (capital costs for) any city street, county road, or state highway improvement within the district that is (1) consistent with state, regional, and local transportation plans, (2) necessitated by existing or reasonably foreseeable congestion levels attributable to economic growth, and (3) partially funded by local government or private developer contributions, or a combination of such contributions. Such transportation improvements shall be owned by the county of jurisdiction if located in an unincorporated area, by the city of jurisdiction if located in an incorporated area, or by the state in cases where the transportation improvement is or becomes a state highway; and all such transportation improvements shall be administered and maintained as other public streets, roads, and highways. The district may not include any area within the corporate limits of a city unless the city legislative authority has agreed to the inclusion pursuant to chapter 39.34 RCW. The agreement shall specify the area and such powers as may be granted to the benefit district.

The members of the county legislative authority (shall be), acting ex officio and independently, shall compose the governing body of the district: PROVIDED, That where a transportation benefit district includes any portion of an incorporated city, town, or another county, the district may be governed as provided in an interlocal agreement adopted pursuant to chapter 39.34 RCW. The county treasurer shall act as the ex officio treasurer of the district. The electors of the district shall all be registered voters residing within the district. For purposes of this section, the term "city" means both cities and towns.

Sec. 2. Section 3, chapter 327, Laws of 1987 and RCW 35.21.225 are each amended to read as follows:

The legislative authority of a city may establish one or more transportation benefit districts within a city for the purpose of acquiring, constructing, improving, providing, and funding (capital costs for) any city street, county road, or state highway improvement that is (1) consistent with state, regional, and local transportation plans, (2) necessitated by existing or reasonably foreseeable congestion levels attributable to economic growth, and
(3) partially funded by local government or private developer contributions, or a combination of such contributions. Such transportation improvements shall be owned by the city of jurisdiction if located in an incorporated area, by the county of jurisdiction if located in an unincorporated area, or by the state in cases where the transportation improvement is or becomes a state highway; and all such transportation improvements shall be administered as other public streets, roads, and highways. The district may include any area within the corporate limits of another city if that city has agreed to the inclusion pursuant to chapter 39.34 RCW. The district may include any unincorporated area if the county legislative authority has agreed to the inclusion pursuant to chapter 39.34 RCW. The agreement shall specify the area and such other powers as may be granted to the benefit district.

The city treasurer shall act as the ex officio treasurer of the district; PROVIDED, That where a transportation benefit district includes any unincorporated area or portion of another city, the district may be governed as provided in an interlocal agreement adopted pursuant to chapter 39.34 RCW. The electors of the district shall all be registered voters residing within the district. For the purposes of this section, the term "city" means both cities and towns.

Sec. 3. Section 4, chapter 327, Laws of 1987 and RCW 36.73.040 are each amended to read as follows:

A transportation benefit district is a quasi-municipal corporation, an independent taxing "authority" within the meaning of Article VII, section 1 of the state Constitution, and a "taxing district" within the meaning of Article VII, section 2 of the state Constitution.

A transportation benefit district constitutes a body corporate and possesses all the usual powers of a corporation for public purposes as well as all other powers that may now or hereafter be specifically conferred by statute, including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, to acquire, hold, and dispose of real and personal property, and to sue and be sued. Public works contract limits applicable to the jurisdiction that established the district shall apply to the district.

Sec. 4. Section 18, chapter 1, Laws of 1988 ex. sess. and RCW 84.52-.052 are each amended to read as follows:

The limitations imposed by RCW 84.52.050 through 84.52.056, and RCW 84.52.043 shall not prevent the levy of additional taxes by any taxing district except school districts in which a larger levy is necessary in order to prevent the impairment of the obligation of contracts. Any county, metropolitan park district, park and recreation service area, park and recreation
district, sewer district, water district, solid waste disposal district, public facilities district, flood control zone district, county rail district, service district, public hospital district, road district, rural county library district, island library district, intercounty rural library district, fire protection district, cemetery district, city, town, or cultural arts, stadium, transportation benefit district, and convention district may levy taxes at a rate in excess of the rate specified in RCW 84.52.050 through 84.52.056 and RCW 84.52-043, or RCW 84.55.010 through 84.55.050, when authorized so to do by the electors of such county, metropolitan park district, park and recreation service area, park and recreation district, sewer district, water district, solid waste disposal district, public facilities district, flood control zone district, county rail district, service district, public hospital district, road district, rural county library district, island library district, intercounty rural library district, fire protection district, cemetery district, city, town, or cultural arts, stadium, transportation benefit district, and convention district in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 64 and as thereafter amended, at a special or general election to be held in the year in which the levy is made.

A special election may be called and the time therefor fixed by the county legislative authority, or council, board of commissioners, or other governing body of any metropolitan park district, park and recreation service area, park and recreation district, sewer district, water district, solid waste disposal district, public facilities district, flood control zone district, county rail district, service district, public hospital district, road district, rural county library district, island library district, intercounty rural library district, fire protection district, cemetery district, city, town, or cultural arts, stadium, transportation benefit district, and convention district, by giving notice thereof by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote "yes" and those opposed thereto to vote "no."

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

CHAPTER 54
[House Bill No. 1290]
WASHINGTON COORDINATE SYSTEM OF 1927—ADOPTION

AN ACT Relating to the Washington coordinate system; amending RCW 58.20.010, 58.20.020, 58.20.030, 58.20.050, 58.20.060, 58.20.070, 58.20.080, and 58.20.090; adding new sections to chapter 58.20 RCW; and repealing RCW 58.20.010, 58.20.020, 58.20.030, 58.20.040, 58.20.050, 58.20.060, 58.20.070, 58.20.080, 58.20.090, and 58.20.900.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 1, chapter 168, Laws of 1945 and RCW 58.20.010 are each amended to read as follows:

The system of plane coordinates which has been established by the United States coast and geodetic survey for defining and stating the positions or locations of points on the surface of the earth within the state of Washington is hereafter to be known and designated as the "Washington coordinate system of 1927".

For the purpose of the use of this system the state is divided into a "north zone" and a "south zone".

The area now included in the following counties shall constitute the north zone: Chelan, Clallam, Douglas, Ferry, Island, Jefferson, King, Kitsap, Lincoln, Okanogan, Pend Oreille, San Juan, Skagit, Snohomish, Spokane, Stevens, Whatcom, and that part of Grant lying north of parallel 47° 30' north latitude.

The area now included in the following counties shall constitute the south zone: Adams, Asotin, Benton, Clark, Columbia, Cowlitz, Franklin, Garfield, that part of Grant lying south of parallel 47° 30' north latitude, Grays Harbor, Kittitas, Klickitat, Lewis, Mason, Pacific, Pierce, Skamania, Thurston, Wahkiakum, Walla Walla, Whitman and Yakima.

Sec. 2. Section 2, chapter 168, Laws of 1945 and RCW 58.20.020 are each amended to read as follows:

As established for use in the north zone, the Washington coordinate system of 1927 shall be named, and in any land description in which it is used it shall be designated, the "Washington coordinate system of 1927, north zone".

As established for use in the south zone, the Washington coordinate system of 1927 shall be named, and in any land description in which it is used it shall be designated, the "Washington coordinate system of 1927, south zone".

Sec. 3. Section 3, chapter 168, Laws of 1945 and RCW 58.20.030 are each amended to read as follows:

The plane coordinates of a point on the earth's surface, to be used in expressing the position or location of such point in the appropriate zone of this system, shall consist of two distances, expressed in feet and decimals of
a foot. One of these distances, to be known as the "x-coordinate", shall give
the position in an east-and-west direction; the other, to be known as the
"y-coordinate", shall give the position in a north-and-south direction.
These coordinates shall be made to depend upon and conform to the coor-
dinates, on the Washington coordinate system of 1927, of the triangulation
and traverse stations of the United States coast and geodetic survey within
the state of Washington, as those coordinates have been determined by the
said survey.

Sec. 4. Section 5, chapter 168, Laws of 1945 and RCW 58.20.050 are
each amended to read as follows:

For purposes of more precisely defining the Washington coordinate
system of 1927, the following definition by the United States coast and
gedetic survey is adopted:

The Washington coordinate system of 1927, north zone, is a Lambert
conformal projection of the Clarke spheroid of 1866, having standard par-
allels at north latitudes 47° 30' and 48° 44', along which parallels the scale
shall be exact. The origin of coordinates is at the intersection of the meridi-
an 120° 50' west of Greenwich and the parallel 47° 00' north latitude. This origin is given the coordinates: x = 2,000,000 feet and y = 0
feet.

The Washington coordinate system of 1927, south zone, is a Lambert
conformal projection of the Clarke spheroid of 1866, having standard par-
allels at north latitudes 45° 50' and 47° 20', along which parallels the scale
shall be exact. The origin of coordinates is at the intersection of the meridi-
an 120° 30' west of Greenwich and the parallel 45° 20' north latitude. This
origin is given the coordinates: x = 2,000,000 feet and y = 0 feet.

The position of the Washington coordinate system of 1927 shall be as
marked on the ground by triangulation or traverse stations established in
conformity with the standards adopted by the United States coast and geo-
detic survey for first-order and second-order work, whose geodetic positions
have been rigidly adjusted on the North American datum of 1927, and
whose coordinates have been computed on the system herein defined. Any
such station may be used to establish a survey connection with the
Washington coordinate system of 1927.

Sec. 5. Section 6, chapter 168, Laws of 1945 and RCW 58.20.060 are
each amended to read as follows:

No coordinates based on the Washington coordinate system of 1927,
purporting to define the position of a point on a land boundary, shall be
presented to be recorded in any public land records or deed records unless
such point is within one-half mile of a triangulation or traverse station est-
ablished in conformity with the standards prescribed in RCW 58.20.050:
PROVIDED, That said one-half mile limitation may be modified by a duly
authorized state agency to meet local conditions.
Sec. 6. Section 7, chapter 168, Laws of 1945 and RCW 58.20.070 are each amended to read as follows:

The use of the term "Washington coordinate system of 1927" on any map, report of survey, or other document, shall be limited to coordinates based on the Washington coordinate system of 1927 as defined in this chapter.

Sec. 7. Section 8, chapter 168, Laws of 1945 and RCW 58.20.080 are each amended to read as follows:

Whenever coordinates based on the Washington coordinate system of 1927 are used to describe any tract of land which in the same document is also described by reference to any subdivision, line or corner of the United States public land surveys, the description by coordinates shall be construed as supplemental to the basic description of such subdivision, line, or corner contained in the official plats and field notes filed of record, and in the event of any conflict the description by reference to the subdivision, line, or corner of the United States public land surveys shall prevail over the description by coordinates.

Sec. 8. Section 9, chapter 168, Laws of 1945 and RCW 58.20.090 are each amended to read as follows:

Nothing contained in this chapter shall require any purchaser or mortgagor to rely on a description, any part of which depends exclusively upon the Washington coordinate system of 1927.

NEW SECTION. Sec. 9. Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 9 through 21 of this act:

(1) "Committee" means the interagency federal geodetic control committee or its successor;

(2) "GRS 80" means the geodetic reference system of 1980 as adopted in 1979 by the international union of geodesy and geophysics defined on an equipotential ellipsoid;

(3) "National geodetic survey" means the national ocean service's national geodetic survey of the national oceanic and atmospheric administration, United States department of commerce, or its successor;

(4) "Washington coordinate system of 1927" means the system of plane coordinates in effect under this chapter until July 1, 1990, which is based on the North American datum of 1927 as determined by the national geodetic survey of the United States department of commerce;

(5) "Washington coordinate system of 1983" means the system of plane coordinates under this chapter based on the North American Datum of 1983 as determined by the national geodetic survey of the United States department of commerce.

NEW SECTION. Sec. 10. Until July 1, 1990, the Washington coordinate system of 1927, or its successor, the Washington coordinate system of
1983, may be used in Washington for expressing positions or locations of points on the surface of the earth. On and after that date, the Washington coordinate system of 1983 shall be the designated coordinate system in Washington. The Washington coordinate system of 1927 may be used only for purposes of reference after June 30, 1990.

NEW SECTION. Sec. 11. The system of plane coordinates which has been established by the national geodetic survey for defining and stating the positions or locations of points on the surface of the earth within the state of Washington is designated as the "Washington coordinate system of 1983."

For the purposes of this system the state is divided into a "north zone" and a "south zone."

The area now included in the following counties shall constitute the north zone: Chelan, Clallam, Douglas, Ferry, Island, Jefferson, King, Kitsap, Lincoln, Okanogan, Pend Oreille, San Juan, Skagit, Snohomish, Spokane, Stevens, Whatcom, and that part of Grant lying north of parallel 47° 30' north latitude.

The area now included in the following counties shall constitute the south zone: Adams, Asotin, Benton, Clark, Columbia, Cowlitz, Franklin, Garfield, that part of Grant lying south of parallel 47° 30' north latitude, Grays Harbor, Kittitas, Klickitat, Lewis, Mason, Pacific, Pierce, Skamania, Thurston, Wahkiakum, Walla Walla, Whitman and Yakima.

NEW SECTION. Sec. 12. As established for use in the north zone, the Washington coordinate system of 1983 shall be named, and in any land description in which it is used it shall be designated, the "Washington coordinate system of 1983, north zone."

As established for use in the south zone, the Washington coordinate system of 1983 shall be named, and in any land description in which it is used it shall be designated, the "Washington coordinate system of 1983, south zone."

NEW SECTION. Sec. 13. "N" and "E" shall be used in labeling coordinates of a point on the earth's surface and in expressing the position or location of such point relative to the origin of the appropriate zone of this system, expressed in meters and decimals of a meter. These coordinates shall be made to depend upon and conform to the coordinates, on the Washington coordinate system of 1983, of the horizontal control stations of the national geodetic survey within the state of Washington, as those coordinates have been determined, accepted, or adjusted by the survey.

NEW SECTION. Sec. 14. When any tract of land to be defined by a single description extends from one into the other of the coordinate zones under section 11 of this act, the positions of all points on its boundaries may be referred to either of the zones, the zone which is used being specifically named in the description.
NEW SECTION. Sec. 15. For purposes of more precisely defining the Washington coordinate system of 1983, the following definition by the national geodetic survey is adopted:

The Washington coordinate system of 1983, north zone, is a Lambert conformal conic projection of the GRS 80 spheroid, having standard parallels at north latitudes 47° 30' and 48° 44', along which parallels the scale shall be exact. The origin of coordinates is at the intersection of the meridian 120° 50' west of Greenwich and the parallel 47° 00' north latitude. This origin is given the coordinates: E = 500,000 meters and N = 0 meters.

The Washington coordinate system of 1983, south zone, is a Lambert conformal conic projection of the GRS 80 spheroid, having standard parallels at north latitudes 45° 50' and 47° 20', along which parallels the scale shall be exact. The origin of coordinates is at the intersection of the meridian 120° 30' west of Greenwich and the parallel 45° 20' north latitude. This origin is given the coordinates: E = 500,000 meters and N = 0 meters.

NEW SECTION. Sec. 16. Coordinates based on the Washington coordinate system of 1983, purporting to define the position of a point on a land boundary, may be presented to be recorded in any public land records or deed records if the survey method used for the determination of these coordinates is established in conformity with standards and specifications prescribed by the interagency federal geodetic control committee, or its successor. These surveys shall be connected to monumented control stations that are adjusted to and published in the national network of geodetic control by the national geodetic survey and such connected horizontal control stations shall be described in the land or deed record. Standards and specifications of the committee in force on the date of the survey shall apply. In all instances where reference has been made to such coordinates in land surveys or deeds, the scale and sea level factors shall be stated for the survey lines used in computing ground distances and areas.

The position of the Washington coordinate system of 1983 shall be marked on the ground by horizontal geodetic control stations which have been established in conformity with the survey standards adopted by the committee and whose geodetic positions have been rigorously adjusted on the North American datum of 1983, and whose coordinates have been computed and published on the system defined in sections 9 through 21 of this act. Any such control station may be used to establish a survey connection with the Washington coordinate system of 1983.

NEW SECTION. Sec. 17. Any conversion of coordinates between the meter and the United States survey foot shall be based upon the length of the meter being equal to exactly 39.37 inches.

NEW SECTION. Sec. 18. The use of the term "Washington coordinate system of 1983" on any map, report of survey, or other document, shall
be limited to coordinates based on the Washington coordinate system of 1983 as defined in this chapter.

NEW SECTION. Sec. 19. Whenever coordinates based on the Washington coordinate system of 1983 are used to describe any tract of land which in the same document is also described by reference to any subdivision, line or corner of the United States public land surveys, the description by coordinates shall be construed as supplemental to the basic description of such subdivision, line, or corner contained in the official plats and field notes filed of record, and in the event of any conflict the description by reference to the subdivision, line, or corner of the United States public land surveys shall prevail over the description by coordinates.

NEW SECTION. Sec. 20. Nothing contained in this chapter shall require any purchaser or mortgagee to rely on a description, any part of which depends exclusively upon the Washington coordinate system of 1927 or 1983.

NEW SECTION. Sec. 21. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 22. The following acts or parts of acts now or hereafter amended are each repealed effective July 1, 1990:

(1) Section 1, chapter 168, Laws of 1945, section 1 of this act and RCW 58.20.010;

Sec. 1. Section 2, chapter 164, Laws of 1971 ex. sess. as last amended by section 4, chapter 276, Laws of 1985 and RCW 74.20A.020 are each amended to read as follows:

Unless a different meaning is plainly required by the context, the following words and phrases as hereinafter used in this chapter and chapter 74.20 RCW shall have the following meanings:

(1) "Department" means the state department of social and health services.
(2) "Secretary" means the secretary of the department of social and health services, his designee or authorized representative.
(3) "Dependent child" means any person:
   (a) Under the age of twenty-one who is not otherwise emancipated; or
   (b) Over the age of eighteen for whom a court order for support exists.
(4) "Support obligation" means the obligation to provide for the necessary care, support, and maintenance, including medical expenses, of a dependent child or other person as required by statutes and the common law of this or another state.
(5) "Superior court order" means any judgment, decree, or order of the superior court of the state of Washington, or a court of comparable jurisdiction of another state, establishing the existence of a support obligation and ordering payment of a set or determinable amount of support moneys to satisfy the support obligation. For purposes of RCW 74.20A.055, orders for support which were entered under the uniform reciprocal enforcement of support act by a state where the responsible parent no longer resides shall not preclude the department from establishing an amount to be paid as current and future support.
(6) "Administrative order" means any determination, finding, decree, or order for support issued by the department pursuant to RCW 74.20A-055, or by an agency of another state pursuant to a substantially similar administrative process, establishing the existence of a support obligation and ordering the payment of a set or determinable amount of support moneys to satisfy the support obligation.

(7) "Responsible parent" means a natural parent, adoptive parent, or stepparent of a dependent child or a person who has signed an affidavit acknowledging paternity which has been filed with the state office of vital statistics.

(8) "Stepparent" means the present spouse of the person who is either the mother, father, or adoptive parent of a dependent child, and such status shall exist and continue as provided for in RCW 26.16.205 until the relationship is terminated by death or dissolution of marriage.

(9) "Support moneys" means any moneys or in-kind providings paid to satisfy a support obligation whether denominated as child support, spouse support, alimony, maintenance, or any other such moneys intended to satisfy an obligation for support of any person or satisfaction in whole or in part of arrears or delinquency on such an obligation.

(10) "Support debt" means any delinquent amount of support moneys which is due, owing, and unpaid under a superior court order or an administrative order, a debt for the payment of expenses for the reasonable or necessary care, support, and maintenance, including medical expenses, of a dependent child or other person for whom a support obligation is owed; or a debt under RCW 74.20A.100 or 74.20A.270. Support debt also includes any accrued interest, fees, or penalties charged on a support debt, and attorneys fees and other costs of litigation awarded in an action to establish and enforce a support obligation or debt.

(11) "State" means any state or political subdivision, territory, or possession of the United States, the District of Columbia, and the commonwealth of Puerto Rico.

Sec. 2. Section 12, chapter 83, Laws of 1907 as last amended by section 8, chapter 5, Laws of 1961 ex. sess. and RCW 70.58.080 are each amended to read as follows:

(1) Within ten days after the birth of any child, the attending physician (or), midwife, or his or her agent shall:

(a) Fill out a certificate of birth, (properly and completely filled out,) giving all of the particulars required, including: (i) The mother's name and date of birth, and (ii) if the mother and father are married at the time of birth or the father has signed an acknowledgement of paternity, the father's name and date of birth; and

(b) File the certificate of birth together with the mother's and father's social security numbers with the local registrar of the district in which the birth occurred.
(2) The local registrar shall forward the birth certificate, any signed affidavit acknowledging paternity, and the mother's and father's social security numbers to the state office of vital statistics pursuant to RCW 70.58.030.

(3) The state office of vital statistics shall make available to the office of support enforcement the birth certificates, the mother's and father's social security numbers and paternity affidavits.

(4) Upon the birth of a child to an unmarried woman, the attending physician, midwife, or his or her agent shall:
   (a) Provide an opportunity for the child's mother and natural father to complete an affidavit acknowledging paternity. The completed affidavit shall be filed with the local registrar. The affidavit shall contain or have attached:
      (i) A sworn statement by the mother consenting to the assertion of paternity and stating that this is the only possible father;
      (ii) A statement by the father that he is the natural father of the child;
      (iii) Written information, furnished by the department of social and health services, explaining the implications of signing, including parental rights and responsibilities; and
      (iv) The social security numbers of both parents.
   (b) Provide written information, furnished by the department of social and health services, to the mother regarding the benefits of having her child's paternity established and of the availability of paternity establishment services, including a request for support enforcement services.

(5) The physician or midwife is entitled to reimbursement for reasonable costs, which the department shall establish by rule, when an affidavit acknowledging paternity is filed with the state office of vital statistics.

(6) If there is no attending physician or midwife, the father or mother of the child, householder or owner of the premises, manager or superintendent of the public or private institution in which the birth occurred, shall notify the local registrar, within ten days after the birth, of the fact of the birth, and the local registrar shall secure the necessary information and signature to make a proper certificate of birth.

(7) When an infant is found for whom no certificate of birth is known to be on file, a birth certificate shall be filed within the time and in the form prescribed by the state board of health.

(8) When no putative father is named on a birth certificate of a child born to an unwed mother the mother may give any surname she so desires to her child but shall designate in space provided for father's name on the birth certificate "None Named".

NEW SECTION. Sec. 3. A new section is added to chapter 74.20A RCW to read as follows:

(1) If an alleged father has signed an affidavit acknowledging paternity which has been filed with the state office of vital statistics, the office of support enforcement may serve a notice and finding of parental responsibility
on him. Service of the notice shall be in the same manner as a summons in a civil action or by certified mail, return receipt requested. The notice shall have attached to it a copy of the affidavit and shall state that:

(a) The alleged father may file an application for an adjudicative proceeding at which he will be required to appear and show cause why the amount stated in the finding of financial responsibility as to support is incorrect and should not be ordered;

(b) An alleged father may request that a blood test be administered to determine whether such test would exclude him from being a natural parent and, if not excluded, may subsequently request that the office of support enforcement initiate an action in superior court to determine the existence of the parent-child relationship; and

(c) If the alleged father does not request that a blood test be administered or file an application for an adjudicative proceeding, the amount of support stated in the notice and finding of parental responsibility shall become final, subject only to a subsequent determination under RCW 26.26.060 that the parent-child relationship does not exist.

(2) An alleged father who objects to the amount of support requested in the notice may file an application for an adjudicative proceeding up to twenty days after the date the notice was served. An application for an adjudicative proceeding may be filed within one year of service of the notice and finding of parental responsibility without the necessity for a showing of good cause or upon a showing of good cause thereafter. An adjudicative proceeding under this section shall be pursuant to RCW 74.20A.055. The only issues shall be the amount of the accrued debt, the amount of the current and future support obligation, and the reimbursement of the costs of blood tests if advanced by the department.

(3) If the application for an adjudicative proceeding is filed within twenty days of service of the notice, collection action shall be stayed pending a final decision by the department. If no application is filed within twenty days:

(a) The amounts in the notice shall become final and the debt created therein shall be subject to collection action; and

(b) Any amounts so collected shall neither be refunded nor returned if the parent is later found not to be the father.

(4) An alleged father who denies being a responsible parent may request that a blood test be administered at any time. The request for testing shall be in writing and served on the office of support enforcement personally or by registered or certified mail. If a request for testing is made, the department shall arrange for the test and, pursuant to rules adopted by the department, may advance the cost of such testing. The department shall mail a copy of the test results by certified mail, return receipt requested, to the alleged father's last known address.
(5) If the test excludes the alleged father from being a natural parent, the office of support enforcement shall file a copy of the results with the state office of vital statistics and shall dismiss any pending administrative collection proceedings based upon the affidavit in issue. The state office of vital statistics shall remove the alleged father's name from the birth certificate.

(6) The alleged father may, within twenty days after the date of receipt of the test results, request the office of support enforcement to initiate an action under RCW 26.26.060 to determine the existence of the parent–child relationship. If the office of support enforcement initiates a superior court action at the request of the alleged father and the decision of the court is that the alleged father is a natural parent, the alleged father shall be liable for court costs incurred.

(7) If the alleged father does not request the office of support enforcement to initiate a superior court action, or if the alleged father fails to appear and cooperate with blood testing, the notice of parental responsibility shall become final for all intents and purposes and may be overturned only by a subsequent superior court order entered under RCW 26.26.060.

Sec. 4. Section 5, chapter 42, Laws of 1975–76 2nd ex. sess. and RCW 26.26.040 are each amended to read as follows:

(1) A man is presumed to be the natural father of a child for all intents and purposes if:

((a)) (a) He and the child's natural mother are or have been married to each other and the child is born during the marriage, or within three hundred days after the marriage is terminated by death, annulment, declaration of invalidity, divorce, or dissolution, or after a decree of separation is entered by a court; or

((b)) (b) Before the child's birth, he and the child's natural mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared invalid, and the child is born within three hundred days after the termination of cohabitation;

((c)) (c) After the child's birth, he and the child's natural mother have married, or attempted to marry, each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared invalid, and

(i) He has acknowledged his paternity of the child in writing filed with the registrar of vital statistics,

(ii) With his consent, he is named as the child's father on the child's birth certificate, or

(iii) He is obligated to support the child under a written voluntary promise or by court order;

((d)) (d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his child; or
(5) He acknowledges his paternity of the child pursuant to section 2 of this act or in a writing filed with the state office of vital statistics, which shall promptly inform the mother of the filing of the acknowledgment, if she does not dispute the acknowledgment within a reasonable time after being informed thereof, in a writing filed with the registrar of vital statistics. (If another man is presumed under subsections (1), (2), (3), or (4) of this section to be the child's father, such acknowledgment shall give rise to the presumption of paternity only with the written consent of the otherwise presumed father or after such other presumption has been rebutted.) In order to enforce rights of residential time, custody, and visitation, a man presumed to be the father as a result of filing a written acknowledgement must seek appropriate judicial orders under this title.

(2) A presumption under this section may be rebutted in an appropriate action only by clear, cogent, and convincing evidence. If two or more presumptions arise which conflict with each other, the presumption which on the facts is founded on the weightier considerations of policy and logic controls. The presumption is rebutted by a court decree establishing paternity of the child by another man.

NEW SECTION. Sec. 5. A new section is added to chapter 74.20A RCW to read as follows:

If an adjudicative proceeding is requested by an alleged father under section 3 of this act, the department shall mail a copy of the notice of hearing to the mother at her last known address. If the mother appears for the proceeding, she shall be allowed to participate in it. Participation includes giving testimony, and being present for or listening to other testimony offered in the proceeding. Nothing in this section shall preclude the administrative law judge from limiting participation to preserve the confidentiality of information protected by law.

CHAPTER 56
[House Bill No. 1480]
PUBLIC EMPLOYEES—PRODUCTIVITY AWARDS AND INCENTIVE PAY

AN ACT Relating to the productivity board; amending RCW 41.60.041, 41.60.100, 41.60.110, 41.60.120, and 41.60.150; making an appropriation; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:
Sec. 1. Section 9, chapter 167, Laws of 1982 as last amended by section 3, chapter 387, Laws of 1987 and RCW 41.60.041 are each amended to read as follows:

(1) Cash awards for suggestions generating net savings to the state shall be ten percent of the net savings.

(2) No award may be granted in excess of ten thousand dollars.

(3) If the suggestion is significantly modified when implemented, the percentage specified in subsection (1) of this section may be decreased at the option of the board.

(4) The board shall establish guidelines for making cash awards for suggestions for which benefits to the state are intangible or for which benefits cannot be calculated. (In cases where cost avoidances are identified, the state personnel board and the higher education personnel board in consultation with the productivity board shall adopt rules which allow agencies and institutions of higher education to grant leave in lieu of cash awards.)

(5) Funds for the awards shall be drawn from the appropriation of the agency benefiting from the employee's suggestion. If the suggestion reduces costs to a nonappropriated fund or reduces costs paid without appropriation from a nonappropriated portion of an appropriated fund, an award may be paid from the benefitting fund or account without appropriation.

(6) Awards (and fees) may be paid to state employees for suggestions which generate new or additional money for the general fund (may be drawn from the general fund by joint approval) or any other funds of the state. The director of financial management shall distribute moneys appropriated for this purpose with the concurrence of the productivity board (and the director of financial management).

(7) In addition to the amount awarded, the agency shall transfer ten percent of the savings to the department of personnel service fund. Moneys so transferred shall be used exclusively for the operations of the productivity board or as an offset to any amount appropriated to the productivity board for administrative expenses from another revenue source, other than that provided under RCW 41.60.120.

The productivity board at least annually shall review amounts transferred to the department of personnel service fund under this section and may reduce the percentage of savings to be transferred or temporarily suspend transfer if cash receipts exceed needs for program administration). Transfers shall be made from other funds of the state to the general fund, in amounts equal to award payments made by the general fund, for suggestions generating new or additional money for those other funds.

Sec. 2. Section 2, chapter 167, Laws of 1982 as last amended by section 5, chapter 387, Laws of 1987 and RCW 41.60.100 are each amended to read as follows:

With the exception of the legislative and judicial branches, any organizational unit of any agency of state government having an identifiable
budget or having its financial records maintained according to an accounting system which identifies the expenditures and receipts properly attributable to that unit may apply to the board for selection as a candidate for the award of teamwork incentive pay to its employees. The application shall be submitted prior to the beginning of any year and shall have the approval of the head of the agency within which the unit is located.

Applications shall be in the form specified by the board and contain such information as the board requires. This may include, but is not limited to (those evaluation components developed by the applying unit which will provide) quantitative measures which establish a data base of program output (and) or performance expectations, or both. This data base is used to evaluate savings in accordance with RCW 41.60.110(1).

The board shall evaluate the applications submitted. From those proposals which are considered to be reasonable and practical and which are found to include developed performance indicators which lend themselves to a judgment of success or failure, the board shall select the units to participate in the teamwork incentive pay program.

Sec. 3. Section 3, chapter 167, Laws of 1982 as last amended by section 6, chapter 387, Laws of 1987 and RCW 41.60.110 are each amended to read as follows:

(1) To qualify for the award of teamwork incentive pay to its employees, a unit selected shall demonstrate to the satisfaction of the board that it has operated during the year of participation at a lower cost with either an increase in the level of services rendered or with no decrease in the level of services rendered.

(a) A unit completing its first year of participation shall compare costs during that year of participation to (i) the fiscal year expenditures for the year immediately preceding the first year of participation, or (ii) an average derived from the unit's historical data, or (iii) engineered standards used in conjunction with an average derived from the unit's historical data;

(b) A unit participating in the teamwork incentive pay program for two or more (than one) consecutive years (shall) may choose to compare its costs during the current year of participation with (i) its costs for the immediately preceding year, or (ii) a yearly average of its costs for the preceding two or three years in the teamwork incentive program; (and)

(c) For the purposes of (a) of this (section) subsection, a unit's historical data shall be restricted to data generated during the period of three years or less immediately preceding the unit's first year of participation in the teamwork incentive pay program; and

(d) For the purposes of (b) of this subsection, a unit's costs for preceding years may include the costs calculated under (a) (i), (ii), or (iii) of this subsection for years the unit participated in the teamwork incentive pay program.
(2) The board shall satisfy itself from documentation submitted by the organizational unit that the claimed cost of operation is real and not merely apparent and that it is not, in whole or in part, the result of:

(a) Chance;
(b) A lowering of the quality of the service rendered;
(c) Nonrecurrence of expenditures which were single outlay, or one-time expenditures, in the preceding year;
(d) Stockpiling inventories in the immediately preceding year so as to reduce requirements in the eligible year;
(e) Substitution of federal funds, other receipts, or nonstate funds for state appropriations;
(f) Unreasonable postponement of payments of accounts payable until the year immediately following the eligible year;
(g) Shifting of expenses to another unit of government; or
(h) Any other practice, event, or device which the board decides has caused a distortion which makes it falsely appear that a savings or increase in level of services has occurred.

(3) The board shall consider as legitimate savings those reductions in expenditures made possible by such items as the following:

(a) Reductions in overtime;
(b) Elimination of consultant fees;
(c) Less temporary help;
(d) Improved systems and procedures;
(e) Better deployment and utilization of personnel;
(f) Elimination of unnecessary travel;
(g) Elimination of unnecessary printing and mailing;
(h) Elimination of unnecessary payments for items such as advertising;
(i) Elimination of waste, duplication, and operations of doubtful value;
(j) Improved space utilization; and
(k) Any other items determined by the board to represent cost savings.

Sec. 4. Section 4, chapter 167, Laws of 1982 as last amended by section 7, chapter 387, Laws of 1987 and RCW 41.60.120 are each amended to read as follows:

At the conclusion of the eligible year, the board shall compare the expenditures for that year of each unit selected against the expenditures of that unit for the immediately preceding year or expenditures determined in accordance with RCW 41.60.110(1)(a) and (b) and, after making such adjustments as in the board's judgment are required to eliminate distortions, shall determine the amount, if any, that the unit has reduced the unit's cost of operations or increased its level of services in the eligible year. Adjustments to eliminate distortions may include any legislative increases in employee compensation and inflationary increases in the cost of services, materials, and supplies. If the board also determines that in the board's
judgment a unit qualifies for an award, the board shall award to the em-
ployees of that unit a sum equal to twenty-five percent of the amount de-
termined to be the savings to the state for the level of services rendered. The
amount awarded shall be divided and distributed in equal shares to the em-
ployees of the unit, except that employees who worked for that unit less
than the twelve months of the year shall receive only a pro rata share based
on the fraction of the year worked for that unit. Funds for this teamwork
incentive pay shall be drawn from the agency in which the unit is located.

((In addition to the amount awarded, the agency shall transfer ten
percent of the savings to the department of personnel service fund. Moneys
so transferred shall be used exclusively for the operations of the productivity
board or as an offset to any amount appropriated to the productivity board
for administrative expenses from another revenue source, other than that
provided under RCW 41.60.120. The productivity board at least annually
shall review amounts transferred to the department of personnel service
fund under this section and may reduce the percentage of savings to be
transferred or temporarily suspend transfer if cash receipts exceed needs for
program administration:))

Sec. 5. Section 7, chapter 114, Laws of 1985 and RCW 41.60.150 are
each amended to read as follows:

Other than suggestion awards and incentive pay unit awards, agencies
shall have the authority to recognize employees for accomplishments in-
cluding outstanding achievements, safety performance, and longevity. Rec-
ognition awards ((which)) may not exceed ((fifty)) 100 dollars in
value per award. Such awards may include, but not be limited to, cash or
such items as pen and desk sets, plaques, pins, framed certificates, clocks,
and calculators. Award costs shall be paid by the agency giving the award.

NEW SECTION. Sec. 6. The sum of fifty thousand dollars, or as
much thereof as may be necessary, is appropriated for the biennium ending
June 30, 1991, from the general fund to the office of financial management
to carry out the purposes of RCW 41.60.041(6).

NEW SECTION. Sec. 7. This act is necessary for the immediate
preservation of the public peace, health, or safety, or support of the state
government and its existing public institutions, and shall take effect July 1,
1989.

CH. 57  WASHINGTON LAWS, 1989

CHAPTER 57
[Substitute House Bill No. 1355]
STATE MOTOR VEHICLE MANAGEMENT

AN ACT Relating to public motor vehicle operations; amending RCW 43.19.605, 43.19-.620, 43.19.630, and 46.08.065; adding new sections to chapter 43.19 RCW; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that:

(1) Uniform management policies, practices, and data systems governing state-owned passenger motor vehicles will increase efficiency of the state's motor vehicle operations, result in cost savings, and contribute to effective use of motor vehicle assets in support of state employees conducting state business;

(2) To ensure compliance with federal and state environmental protection laws, the state must establish an orderly process for the identification, inspection, and, if necessary, repair or replacement of state-owned fuel storage tanks;

(3) Establishment of a state-wide fuel purchase, distribution, and accounting system will result in savings to the state and its agencies on fuel purchases;

(4) Effective safe driving programs for employees who drive the state's motor vehicles will reduce accidents, protect employees from injury and death, and avoid costs associated with liability claims and damage to state property; and

(5) Establishment of reasonable policies for vehicle life-cycle replacement, vehicle marking, and other efficiency and performance practices can result in significant cost savings to the state.

It is therefore the intent of the legislature to improve the service, efficiency, cost-effectiveness, and safety of passenger motor vehicle operations in state government by requiring the department of general administration to establish policies, procedures, and standards that apply to those operations in all state agencies and institutions of higher education. The policies, procedures, and standards shall be consistent with and carry out the objectives of any general policies adopted by the office of financial management pursuant to RCW 43.41.130.

NEW SECTION. Sec. 2. (1) For purposes of sections 1 through 5 of this act, (a) the term "state agency" has the meaning given it in RCW 43-.19.560; and (b) "passenger motor vehicle" means any sedan, station wagon, van, light truck, or other motor vehicle under ten thousand pounds gross vehicle weight.
(2) Nothing in this chapter may be construed to mean that passenger motor vehicles or related facilities and equipment owned or operated by other agencies are transferred to the department of general administration.

NEW SECTION. Sec. 3. (1) To carry out the purposes of sections 1 through 5 of this act and RCW 46.08.065, the director of general administration has the following powers and duties:

(a) To develop and implement a state-wide information system to collect, analyze, and disseminate data on the acquisition, operation, management, maintenance, repair, disposal, and replacement of all state-owned passenger motor vehicles. State agencies shall provide the department with such data as is necessary to implement and maintain the system. The department shall provide state agencies with information and reports designed to assist them in achieving efficient and cost-effective management of their passenger motor vehicle operations.

(b) To survey state agencies to identify the location, ownership, and condition of all state-owned fuel storage tanks.

(c) In cooperation with the department of ecology and other public agencies, to prepare a plan and funding proposal for the inspection and repair or replacement of state-owned fuel storage tanks, and for the clean-up of fuel storage sites where leakage has occurred. The plan and funding proposal shall be submitted to the governor no later than December 1, 1989.

(d) To develop and implement a state-wide motor vehicle fuel purchase, distribution, and accounting system to be used by all state agencies and their employees. The director may exempt agencies from participation in the system if the director determines that participation interferes with the statutory duties of the agency.

(e) To establish minimum standards and requirements for the content and frequency of safe driving instruction for state employees operating state-owned passenger motor vehicles, which shall include consideration of employee driving records. In carrying out this requirement, the department shall consult with other agencies that have expertise in this area.

(f) To develop a schedule, after consultation with the state motor vehicle advisory committee and affected state agencies, for state employees to participate in safe driving instruction.

(g) To require all state employees to provide proof of a valid Washington state driver's license prior to operating a state-owned passenger vehicle.

(h) To develop standards for the efficient and economical replacement of all categories of passenger motor vehicles used by state agencies and provide those standards to state agencies and the office of financial management.

(i) To develop and implement a uniform system and standards to be used for the marking of passenger motor vehicles as state-owned vehicles as provided for in RCW 46.08.065. The system shall be designed to enhance
the resale value of passenger motor vehicles, yet ensure that the vehicles are clearly identified as property of the state.

(j) To develop and implement other programs to improve the performance, efficiency, and cost-effectiveness of passenger motor vehicles owned and operated by state agencies.

(k) To consult with state agencies and institutions of higher education in carrying out sections 1 through 5 of this act.

(2) The director shall establish an operational unit within the department to carry out subsection (1) of this section. The director shall employ such personnel as are necessary to carry out sections 1 through 5 of this act. Not more than three employees within the unit may be exempt from chapter 41.06 RCW.

(3) No later than December 31, 1992, the director shall report to the governor and appropriate standing committees of the legislature on the implementation of programs prescribed by this section, any cost savings and efficiencies realized by their implementation, and recommendations for statutory changes.

NEW SECTION. Sec. 4. (1) The state motor vehicle advisory committee is created. The committee shall consist of not more than fifteen members appointed by the director. The governor shall designate the chair of the committee. Membership on the committee shall include representatives of state agencies, institutions of higher education, and the private sector. Any private sector member appointed to the committee shall have expertise in motor vehicle management.

(2) The committee shall advise the director on policies, procedures, standards, and implementation of programs required by sections 1 through 5 of this act. The director shall provide such staff assistance as is necessary for the operation of the committee.

(3) Members of the committee shall be reimbursed for travel expenses to attend meetings of the committee in accordance with RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 5. The motor transport account shall be used to pay the costs of carrying out the programs provided for in sections 1 through 5 of this act, unless otherwise specified by law. The director of general administration may recover the costs of the programs by billing agencies that own and operate passenger motor vehicles on the basis of a per vehicle charge. The director of general administration, after consultation with affected state agencies and recommendation of the motor vehicle advisory committee, shall establish the rates. All rates shall be approved by the director of financial management. The proceeds generated by these charges shall be used solely to carry out sections 1 through 5 of this act.

Sec. 6. Section 11, chapter 167, Laws of 1975 1st ex. sess. and RCW 43.19.605 are each amended to read as follows:
No cash reimbursement shall be made to agencies for property transferred under RCW 43.19.600 to the extent that such property was originally acquired without cost or was purchased from general fund appropriations. The value of such property shall be entered upon the accounts of the motor transport account as an amount due the agency from which the vehicle was transferred. For such property purchased from dedicated, revolving, or trust funds, the value at the time of transfer shall also be entered upon the accounts of the motor transport account as an amount due the agency and fund from which the vehicle transferred was purchased and maintained. If surplus funds are available in the motor transport account, the agency may be paid all or part of the amount due to the dedicated, revolving, or trust fund concerned. Otherwise, the credit for the amount due shall be applied proportionately over the remaining undepreciated life of such property. The prorated credits shall be applied monthly by the director of general administration against any monthly or other charges for motor vehicle transportation services rendered the agency.

To the extent surplus funds are available in the motor transport account, the director of general administration may direct a cash reimbursement to a dedicated, revolving, or trust fund where an amount due such a fund will not be charged off to services rendered by the department of general administration within a reasonable time.

Any disagreement between the supervisor of motor transport and an agency as to the amount of reimbursement to which it may be entitled shall be resolved by the director of general administration (with the advice and consent of the automotive policy board).

Within thirty days after the date of the filing of the petition the auditor shall examine the signatures on the petition and certify to the sufficiency or insufficiency of the signatures. If this territory is located in more than one county, the auditor of each other county who receives a copy of the petition shall examine the signatures and certify to the lead auditor the number of valid signatures and the number of registered voters residing in that portion of the territory that is located within the county. The lead auditor shall certify the sufficiency or insufficiency of the signatures.

After the county auditor has certified the sufficiency of the petition, the proceedings by the county legislative authority and the rights, powers, and duties of the county legislative authority, petitioners, and objectors, and the election and canvass of the election results shall be the same as in the original proceedings to form a fire protection district. If a boundary review board has had its jurisdiction invoked on the proposal and approves the proposal, the county legislative authority of the county within which such territory is located may exercise the authority granted in this subsection and require such an assumption of indebtedness. This obligation may be paid to the district in yearly benefit charge installments to be fixed by the county legislative authority. This benefit charge shall be collected with the annual tax levies against the property in the annexed territory until fully paid. The amount of the obligation and the plan of payment established by the county legislative authority shall be described in general terms in the notice of election for annexation and shall be described in the ballot proposition on the proposed annexation that is presented to the voters for their approval or rejection. It may annex all or any portion of the proposed area but may not include in the annexation property not described in the petition. The proposed annexation shall be subject to action by the county legislative authority, as provided under RCW 52.04.011, to the same extent as if the annexation were done under the election method of annexation. If the area proposed to be annexed under this procedure is reduced, the annexation shall occur only if the owners of not less than sixty percent of the remaining area have signed the petition. After adoption of the resolution a copy shall be filed with the county legislative authority or authorities within which the territory is located.

Sec. 11. Section 3, chapter 138, Laws of 1987 and RCW 52.04.056 are each amended to read as follows:

(1) As provided in this section, a fire protection district may withdraw areas from its boundaries, or reannex areas into the fire protection district that previously had been withdrawn from the fire protection district under this section.

(2) The withdrawal of an area shall be authorized upon: (a) Adoption of a resolution by the board of fire commissioners requesting the withdrawal and finding that, in the opinion of the board, inclusion of this area within the fire protection district will result in a reduction of the district's tax levy rate under the provisions of RCW 84.52.010; and (b) adoption of a resolution by the city or town council approving the withdrawal, if the area is located within the city or town, or adoption of a resolution by the county legislative authority or authorities of the county or counties within which the area is located approving the withdrawal, if the area is located outside of a city or town. A withdrawal shall be effective at the end of the day on the thirty-first day of December in the year in which the resolutions are adopted, but for purposes of establishing boundaries for property tax purposes, the boundaries shall be established immediately upon the adoption of the second resolution.

The reannexation shall be effective at the end of the day on the thirty-first day of December in the year in which the adoption of the second resolution occurs, but for purposes of establishing boundaries for property tax purposes, the boundaries shall be established immediately upon the adoption of the second resolution. Referendum action on the proposed reannexation may be taken by the voters of the area proposed to be reannexed if a petition calling for a referendum is filed with the city or town council, or county legislative authority or authorities, within a thirty-day period after the adoption of the second resolution, which petition has been signed by registered voters of the area proposed to be reannexed equal in number to ten percent of the total number of the registered voters residing in that area.

If a valid petition signed by the requisite number of registered voters has been so filed, the effect of the resolutions shall be held in abeyance and a ballot proposition to authorize the reannexation shall be submitted to the voters of the area at the next special election date specified in RCW 29.13-.020 that occurs forty-five or more days after the petitions have been validated. Approval of the ballot proposition authorizing the reannexation by a simple majority vote shall authorize the reannexation.

The fire protection districts may be located in different counties. The district desiring to merge with another district, or the district from which it is proposed that a portion of the district be merged with another district, shall be called the "merging district." The district into which the merger is to be made shall be called the "merger district." The merger of any districts under chapter 52.06 RCW is subject to potential review by the boundary review board or boards of the county in which the merging district, or the portion of the merging district that is proposed to be merged with another district, is located.

Sec. 14. Section 14, chapter 254, Laws of 1947 as amended by section 59, chapter 230, Laws of 1984 and RCW 52.06.030 are each amended to read as follows:

The board of the merger district may, by resolution, reject or approve the petition as presented, or it may modify the terms and conditions of the proposed merger, and shall transmit the petition, together with a copy of its resolution to the merging district.

If the petition is approved as presented or as modified, the board of the merging district shall send an elector-signed petition, if there is one, to the auditor or auditors of the county or counties in which the merging district is located, who shall within thirty days examine the signatures and certify to the sufficiency or insufficiency of the signatures. If the merging district is located in more than one county, the auditor of the county within which the largest portion of the merging district is located shall be the lead auditor. Each other auditor shall certify to the lead auditor the number of valid signatures and the number of registered voters of the merging district who reside in the county. The boards of the respective districts shall then adopt resolutions declaring the districts merged in the same manner and to the same effect as if the merger had been authorized by an election.

Sec. 16. Section 5, chapter 176, Laws of 1953 as last amended by section 64, chapter 230, Laws of 1984 and RCW 52.06.090 are each amended to read as follows:

If the commissioners of the merging district approve the petition, the petition shall be presented to the commissioners of the merger district. If the commissioners of the merger district approve the petition, an election shall be called in the area to be merged.

In the event that either board of fire district commissioners does not approve the petition, the petition may (then be presented to a county review board established for such purposes. If there is no county review board for such purposes then the petition shall be presented to the legislative body) be approved by the boundary review board of the county or the county legislative authority of the county in which the area to be merged is situated, (which shall decide if) and may approve the merger if it decides the area can be better served by a merger. If the part of the merging district that is proposed to merge with the merger district is located in more than one county, the approval must be by the boundary review board or county legislative authority of each county. If there is an affirmative decision, an election shall be called in the area to be merged.

A service charge imposed shall be reasonably proportioned to the measurable benefits to property resulting from the services afforded by the district. It is acceptable to apportion the service charge to the values of the properties as found by the county assessor or assessors modified generally in
the proportion that fire insurance rates are reduced or entitled to be reduced as the result of providing the services. Any other method that reasonably apportions the service charges to the actual benefits resulting from the degree of protection, which may include but is not limited to the distance from regularly maintained fire protection equipment, the level of fire prevention services provided to the properties, or the need of the properties for specialized services, may be specified in the resolution and shall be subject to contest on the ground of unreasonable or capricious action or action in excess of the measurable benefits to the property resulting from services afforded by the district: PROVIDED, That a service charge authorized by this chapter shall not be applicable to the personal property or improvements to real property of any individual, corporation, partnership, firm, organization, or association maintaining a fire department and whose fire protection and training system has been accepted by a fire insurance underwriter maintaining a fire protection engineering and inspection service authorized by the state insurance commissioner to do business in this state, but such property may be protected by the fire protection district under a contractual agreement.

The county assessor of each county in which the district is located shall determine and identify the personal properties and improvements to real property which are subject to a service charge in each fire protection district and shall furnish and deliver to the county treasurer of that county a listing of the properties with information describing the location, legal description, and address of the person to whom the statement of service charges is to be mailed, the name of the owner, and the value of the property and improvements, together with the service charge to apply to each. Whenever any license fee, paid under the provisions of this title, has been erroneously paid, wholly or in part, the person paying the fee, upon satisfactory proof to the director of licensing, shall be entitled to have refunded the amount so erroneously paid. A renewal license fee paid prior to the actual expiration date of the license being renewed shall be deemed to be erroneously paid if the vehicle for which the renewal license is being purchased is destroyed or permanently removed from the state prior to the beginning date of the registration period for which the renewal fee is being paid. Upon such refund being certified to the state treasurer by the director as correct and being claimed in the time required by law the state treasurer shall mail or deliver the amount of each refund to the person entitled thereto: PROVIDED, That no claim for refund shall be allowed for such erroneous payments unless filed with the director within thirteen months after such claimed erroneous payment was made.

If due to error a person has been required to pay a vehicle license fee under this title and an excise tax which amounts to an overpayment of ten dollars or more, that person shall be entitled to a refund of the entire amount of the overpayment, regardless of whether a refund of the overpayment has been requested. If due to error the department or its agent has failed to collect the full amount of the license fee and excise tax due and the underpayment is in the amount of ten dollars or more, the department shall charge and collect such additional amount as will constitute full payment of the tax and fees.

Any person who makes a false statement under which he or she obtains a refund to which he or she is not entitled under this section is guilty of a gross misdemeanor.
Sec. 2. Section 82.44.120, chapter 15, Laws of 1961 as last amended by section 3, chapter 26, Laws of 1983 and RCW 82.44.120 are each amended to read as follows:

Whenever any person has paid a motor vehicle license fee, and together therewith has paid an excise tax imposed under the provisions of this chapter, and the director of licensing determines that the payor is entitled to a refund of the entire amount of the license fee as provided by law, then he shall also be entitled to a refund of the entire excise tax collected under the provisions of this chapter. In case the director determines that any person is entitled to a refund of only a part of the license fee so paid, the payor shall be entitled to a refund of the difference, if any, between the excise tax collected and that which should have been collected and the state treasurer shall determine the amount of such refund by reference to the applicable excise tax schedule prepared by the department of revenue in cooperation with the department of licensing.

In case no claim is to be made for the refund of the license fee or any part thereof but claim is made by any person that he has paid an erroneously excessive amount of excise tax, the department of licensing shall determine in the manner generally provided in this chapter the amount of such excess, if any, that has been paid and shall certify to the state treasurer that such person is entitled to a refund in such amount.

In any case where due to error, a person has been required to pay an excise tax pursuant to this chapter and a vehicle license fee pursuant to Title 46 RCW which amounts to an overpayment of ((five)) ten dollars or more, such person shall be entitled to a refund of the entire amount of such overpayment, regardless of whether or not a refund of the overpayment has been requested. If the department approves the claim it shall notify the state treasurer to that effect, and the treasurer shall make such approved refunds and the other refunds herein provided for from the general fund and shall mail or deliver the same to the person entitled thereto.

Any person making any false statement under which he or she obtains any amount of refund to which he or she is not entitled under the provisions of this section((;)) is guilty of a gross misdemeanor.

NEW SECTION. Sec. 3. A new section is added to chapter 82.49 RCW to read as follows:

Whenever any person has paid a vessel license fee, and with the fee has paid an excise tax imposed under this chapter, and the director of licensing determines that the payor is entitled to a refund of the entire amount of the
license fee as provided by law, then the payor shall also be entitled to a refund of the entire excise tax collected under this chapter. If the director determines that any person is entitled to a refund of only a part of the license fee paid, the payor shall be entitled to a refund of the difference, if any, between the excise tax collected and that which should have been collected. The state treasurer shall determine the amount of such refund by reference to the applicable excise tax schedule prepared by the department of revenue in cooperation with the department of licensing.

If no claim is to be made for the refund of the license fee, or any part of the fee, but claim is made by any person that he or she has paid an erroneously excessive amount of excise tax, the department of licensing shall determine in the manner generally provided in this chapter the amount of such excess, if any, that has been paid and shall certify to the state treasurer that the person is entitled to a refund in that amount.

If due to error a person has been required to pay an excise tax pursuant to this chapter and a license fee under chapter 88.02 RCW which amounts to an overpayment of ten dollars or more, such person shall be entitled to a refund of the entire amount of such overpayment, regardless of whether a refund of the overpayment has been requested. If due to error the department or its agents has failed to collect the full amount of the license fee and excise tax due, which underpayment is in the amount of ten dollars or more, the department shall charge and collect such additional amount as will constitute full payment of the tax.

If the department approves the claim, it shall notify the state treasurer to that effect and the treasurer shall make such approved refunds and the other refunds provided for in this section from the general fund and shall mail or deliver the same to the person entitled to the refund.

Any person who makes a false statement under which he or she obtains a refund to which he or she is not entitled under this section is guilty of a gross misdemeanor.

Sec. 4. Section 16, chapter 260, Laws of 1981 and RCW 82.50.170 are each amended to read as follows:

In case a claim is made by any person that he has erroneously paid the tax or a part thereof or any charge hereunder, he may apply in writing to the department of licensing for a refund of the amount of the claimed erroneous payment within thirteen months of the time of payment of the tax on such a form as is prescribed by the department. The department shall review such application for refund, and, if it determines that an erroneous payment has been made by the taxpayer, it shall certify the amount to be refunded to the state treasurer that such person is entitled to a refund in such amount, and the treasurer shall make such approved refund herein provided for from the general fund and shall mail or deliver the same to the person entitled thereto.
If due to error a person has been required to pay an excise tax under this chapter and a vehicle license fee under Title 46 RCW which amounts to an overpayment of ten dollars or more, such person shall be entitled to a refund of the entire amount of such overpayment, regardless of whether a refund of the overpayment has been requested. If due to error the department or its agents has failed to collect the full amount of the license fee and excise tax due, which underpayment is in the amount of ten dollars or more, the department shall charge and collect such additional amount as will constitute full payment of the tax.

Any person making any false statement in the affidavit herein mentioned, under which he or she obtains any amount of refund to which he or she is not entitled under the provisions of this section, shall be guilty of a gross misdemeanor.

NEW SECTION. Sec. 5. A new section is added to chapter 88.02 RCW to read as follows:

Whenever any license fee paid under this chapter has been erroneously paid, in whole or in part, the person paying the fee, upon satisfactory proof to the director of licensing, is entitled to a refund of the amount erroneously paid. A renewal license fee paid before the actual expiration date of the license being renewed shall be deemed to be erroneously paid if the vessel for which the renewal license is being purchased is destroyed or permanently removed from the state before the beginning date of the registration period for which the renewal fee is being paid. Upon the refund being certified as correct to the state treasurer by the director and being claimed in the time required by law, the state treasurer shall mail or deliver the amount of each refund to the person entitled to the refund. A claim for refund shall not be allowed for erroneous payments unless the claim is filed with the director within thirteen months after such payment was made.

If due to error a person has been required to pay a license fee under this chapter and excise tax which amounts to an overpayment of ten dollars or more, such person shall be entitled to a refund of the entire amount of such overpayment, regardless of whether a refund of the overpayment has been requested. If due to error the department or its agents has failed to collect the full amount of the license fee and excise tax due, which underpayment is in the amount of ten dollars or more, the department shall charge and collect such additional amount as will constitute full payment of the tax and fees.

Any person who makes a false statement under which he or she obtains a refund to which he or she is not entitled under this section is guilty of a gross misdemeanor.

Every educational service district board of directors shall establish an attendance incentive program for all certificated and noncertificated employees in the following manner. In January of the year following any year in which a minimum of sixty days of leave for illness or injury is accrued, and each January thereafter, any eligible employee may exercise an option to receive remuneration for unused leave for illness or injury accumulated in the previous year at a rate equal to one day's monetary compensation of the employee for each four full days of accrued leave for illness or injury in excess of sixty days. Leave for illness or injury for which compensation has been received shall be deducted from accrued leave for illness or injury at the rate of four days for every one day's monetary compensation. No employee may receive compensation under this section for any portion of leave for illness or injury accumulated at a rate in excess of one day per month.

At the time of separation from educational service district employment due to retirement or death an eligible employee or the employee's estate shall receive remuneration at a rate equal to one day's current monetary compensation of the employee for each four full days accrued leave for illness or injury or, in lieu of monetary compensation and with equivalent funds, a school district board of directors may provide eligible employees postretirement medical benefits.

Moneys or postretirement medical benefits received under this section shall not be included for the purposes of computing a retirement allowance under any public retirement system in this state.

The superintendent of public instruction in its administration hereof, shall promulgate uniform rules and regulations to carry out the purposes of this section.

Should the legislature revoke any benefits granted under this section, no affected employee shall be entitled thereafter to receive such benefits as a matter of contractual right.

Leave for illness or injury for which compensation has been received shall be deducted from accrued leave for illness or injury at the rate of four days for every one day's monetary compensation. AN ACT Relating to moral nuisances; adding new sections to chapter 7.48A RCW; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that actions against moral nuisances as declared in RCW 7.48A.020 (1) through (4) involve balancing the safeguards necessary to protect constitutionally protected speech and the community and law enforcement efforts to curb dissemination of obscene matters. The legislature finds that the difficulty in ascertaining and obtaining originals and copies of obscene matters for evidentiary purposes thwarts legitimate enforcement efforts. The legislature finds that the balancing of the concerns warrants specific discovery procedures applicable to actions against moral nuisances involving obscene matters.

NEW SECTION. Sec. 2. After the plaintiff files a civil action under this chapter, the plaintiff may apply to the superior court in which the plaintiff filed the action for a temporary or preliminary injunction. The court shall grant a hearing within ten days after the plaintiff applies for a temporary injunction.

NEW SECTION. Sec. 3. After the plaintiff applies for a temporary or preliminary injunction, the court may, upon a showing of good cause, issue an ex parte restraining order restraining the defendant and all other persons from removing or in any manner interfering with the personal property and contents of the place where the nuisance is alleged to exist, until the court grants or denies the plaintiff's application for a temporary or preliminary injunction or until further order of the court. However, pending the court's decision on the injunction, the temporary restraining order shall not restrain the exhibition or sale of any film, publication or item of stock in trade. The order may require that at least one original of each film or publication shall be preserved pending the hearing on the injunction. The court may require an inventory and full accounting of all business transactions.

The officer serving the restraining order or preliminary injunction may serve the order by handing to and leaving a copy with any person in charge of the place or residing in the place, or by posting a copy in a conspicuous place at or upon one or more of the principal doors or entrances to the place, or by both delivery and posting. The officer serving the restraining order or injunction shall forthwith make and return to the court, an inventory of the personal property and contents situated in and used in conducting or maintaining the alleged nuisance.
Any violation of the temporary order or injunction is a contempt of court. Mutilation or removal of a posted order that is in force is a contempt of court if the posted order or injunction contains a notice to that effect.

NEW SECTION. Sec. 4. A bond or security shall not be required of the city attorney, the prosecuting attorney, or the attorney general.

NEW SECTION. Sec. 5. A copy of the complaint, together with a notice of the time and place of the hearing on the application for a temporary injunction, shall be served upon the defendant at least three business days before the hearing. Service may also be made by posting the required documents in the same manner as is provided in section 3 of this act. If the defendant requests a continuance of the hearing, all temporary restraining orders and injunctions shall be extended as a matter of course.

NEW SECTION. Sec. 6. If the court finds at the hearing for an injunction, that the accounting, inventory, personal property, and contents of the place alleged to be a nuisance provide evidence of a moral nuisance as defined by RCW 7.48A.020 (1) through (4), the court may order the defendant to produce to the plaintiff a limited number of original films, film plates, publications, videotapes, any other obscene matter, and other discovery materials the court determines is necessary for evidentiary purposes to resolve the action on the merits.

The court may issue a temporary injunction enjoining the defendant and all other persons from removing or in any manner interfering with the court-ordered discovery. This discovery procedure supplements and does not replace any other discovery procedures and rules generally applicable to civil cases in this state.

NEW SECTION. Sec. 7. The hearing on the injunction shall have precedence over all other actions, except prior matters of the same character, criminal proceedings, election contests, hearings on temporary restraining orders and injunctions, and actions to forfeit vehicles used in violation of the uniform controlled substances act, chapter 69.50 RCW.

NEW SECTION. Sec. 8. An intentional violation of a restraining order, preliminary injunction, or injunction under this chapter is punishable as a contempt of court.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.
NEW SECTION. Sec. 10. Sections 1 through 8 of this act are each added to chapter 7.48A RCW.

Passed the House February 27, 1989.
Passed the Senate April 4, 1989.
Approved by the Governor April 19, 1989.

(1) (Proceedings under this chapter shall be commenced in the county where the juvenile resides. However, proceedings may be commenced in the county where an element of the alleged criminal offense occurred if so requested by the juvenile or by the prosecuting attorney of the county where the incident occurred.) All actions under this chapter shall be commenced and tried in the county where any element of the offense was committed except as otherwise specially provided by statute. In cases in which diversion is provided by statute, venue is in the county in which the juvenile resides or in the county in which any element of the offense was committed.

(2) (If the hearing takes place in the county where an element of the alleged criminal offense occurred,) The case and copies of all legal and social documents pertaining thereto may in the discretion of the court be transferred to the county where the juvenile resides for a disposition hearing. All costs and arrangements for care and transportation of the juvenile in custody shall be the responsibility of the receiving county as of the date of the transfer of the juvenile to such county, unless the counties otherwise agree.

(3) (If the adjudicatory and disposition hearings take place in a county in which an element of the alleged offense occurred,) The case and copies of all legal and social documents pertaining thereto may in the discretion of the court be transferred to the county in which the juvenile resides for supervision and enforcement of the disposition order. The court of the receiving county has jurisdiction to modify and enforce the disposition order.

(4) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when (?:
there is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun (or it appears that venue is incorrect under this section).

CHAPTER 72
[Substitute Senate Bill No. 5733]
TRADEMARK REGISTRATION AND PROTECTION

AN ACT Relating to trademark registration and protection; amending RCW 19.77.010, 19.77.020, 19.77.040, 19.77.050, 19.77.080, 19.77.110, 19.77.130, 19.77.140, 19.77.150, and 19.77.900; adding new sections to chapter 19.77 RCW; and repealing RCW 19.77.100 and 19.77.120.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 1, chapter 211, Laws of 1955 and RCW 19.77.010 are each amended to read as follows:

As used in this chapter:

(1) "Applicant" means the person filing an application for registration of a trademark under this chapter, his legal representatives, successors, or assigns of record with the secretary of state;

(2) The term "colorable imitation" includes any mark which so resembles a registered mark as to be likely to cause confusion or mistake or to deceive;

(3) A "counterfeit" is a spurious mark which is identical with, or substantially indistinguishable from, a registered mark;

(4) "Dilution" means the material reduction of the distinctive quality of a famous mark through use of a mark by another person, regardless of the presence or absence of (a) competition between the users of the mark, or (b) likelihood of confusion, mistake, or deception arising from that use;

(5) "Person" means any individual, firm, partnership, corporation, association, union, or other organization;

(6) "Registered mark" means a trademark registered under this chapter;

(7) "Registrant" means the person to whom the registration of a trademark under this chapter is issued, his legal representatives, successors, or assigns of record with the secretary of state;

(8) "Trademark" or "mark" means any word, name, symbol, or device or any combination thereof adopted and used by a person to identify goods made or sold by him and to distinguish them from goods made or sold...
by others, and (((further includes without limitation a mark, name, sym-
boI;)) any word, name, symbol, or deIice, or any combination thereof, and
any title, designation, slogan, character name, and distinctive feature of ra-
dio or ((other advertising)) television programs used in the sale or advertis-
ing of services to identify the services of one person and distinguish them
from the services of others;

((((5))) (9) A trademark shall be deemed to be "used" in this state
when it is placed in any manner on the goods or their containers, or on tabs
or labels affixed thereto, or displayed in connection with such goods, and
such goods are sold or otherwise distributed in this state, or when it is used
or displayed in the sale or advertising of services rendered in this state;

(10) "Trade name" shall have the same definition as under RCW
19.80.005(1);

(11) A mark shall be deemed to be "abandoned":
(a) When its use has been discontinued with intent not to resume. In-
tent not to resume may be inferred from circumstances. Nonuse for two
consecutive years shall be prima facie abandonment; or

(b) When any course of conduct of the registrant, including acts of
omission as well as commission, causes the mark to lose its significance as
an indication of origin. Purchaser motivation shall not be a test for deter-
mining abandonment under this subsection.

Sec. 2. Section 2, chapter 211, Laws of 1955 and RCW 19.77.020 are
each amended to read as follows:

A trademark by which the goods or services of any applicant for regis-
tration may be distinguished from the goods or services of others shall not
be registered if it:

(1) Consists of or comprises immoral, deceptive, or scandalous matter; or

(2) Consists of or comprises matter which may disparage or falsely
suggest a connection with persons, living or dead, institutions, beliefs, or
national symbols, or bring them into contempt or disrepute; or

(3) Consists of or comprises the flag or coat of arms or other insignia
of the United States, or of any state or municipality, or of any foreign na-
ation, or any simulation thereof; or

(4) Consists of or comprises the name, portrait, or signature identifying
a particular living individual((, except with his written consent)) who has
not consented in writing to its registration; or

(5) Consists of a mark which,
(a) when applied to the goods or services of the applicant is merely
descriptive or deceptively misdescriptive of them, or

(b) when applied to the goods or services of the applicant is primarily
geographically descriptive or deceptively misdescriptive of them, or

(c) is primarily merely a surname: PROVIDED, That nothing in this
subsection shall prevent the registration of a trademark used in this state by
the applicant which has become distinctive of the applicant's goods or services. The secretary of state may accept as prima facie evidence that the trademark has become distinctive, as used on or in connection with the applicant's goods or services, proof of substantially exclusive and continuous use thereof as a trademark by the applicant in this state or elsewhere in the United States for the five years next preceding the date of the filing of the application for registration; or

(6) Consists of or comprises a trademark which so resembles a trademark registered in this state, or a trademark or trade name used in this state by another prior to the date of the applicant's or applicant's predecessor's first use in this state and not abandoned, as to be likely, when applied to the goods or services of the applicant, to cause confusion or mistake or to deceive.

A trade name is not registrable under this chapter. However, if a trade name also functions as a trademark, it is registrable as a trademark.

The secretary of state shall make a determination of registerability by considering the application record and the marks previously registered and subsisting under this chapter.

Sec. 3. Section 3, chapter 211, Laws of 1955 as amended by section 181, chapter 35, Laws of 1982 and RCW 19.77.030 are each amended to read as follows:

Subject to the limitations set forth in this chapter, any person who has adopted and is using a trademark in this state may file in the office of the secretary of state, on a form to be furnished by the secretary of state, an application for registration of that trademark setting forth, but not limited to, the following information:

(1) The name and business address of the applicant, and, if the applicant is a corporation, its state of incorporation;

(2) The particular goods or services in connection with which the trademark is used and the class in which such goods or services fall;

(3) The manner in which the trademark is placed on or affixed to the goods or containers, or displayed in connection with such goods, or used in connection with the sale or advertising of the services;

(4) The date when the trademark was first used with such goods or services anywhere and the date when it was first used with such goods or services in this state by the applicant or his predecessor in business;

(5) A statement that the trademark is presently in use in this state by the applicant; and

(6) A statement that the applicant believes himself to be the owner of the trademark and believes that no other person has the right to use such trademark in connection with the same or similar goods or services in this state either in the identical form or in such near resemblance...
thereto as ((might be calculated)) to be likely, when used on or in connection with the goods or services of such other person, to cause confusion or mistake or to deceive ((or to be mistaken therefor)); and

(7) Such additional information or documents as the secretary of state may reasonably require.

A single application for registration of a trademark may specify all goods or services in a single class for which the trademark is actually being used, but may not specify goods or services in different classes.

The application shall be signed by the applicant individual, or by a member of the applicant firm, or by an officer of the applicant corporation, association, union or other organization.

The application shall be accompanied by three specimens or facsimiles of the trademark for at least one of the goods or services for which its registration is requested, and a filing fee of fifty dollars payable to the secretary of state.

Sec. 4. Section 4, chapter 211, Laws of 1955 and RCW 19.77.040 are each amended to read as follows:

Upon compliance by the applicant with the requirements of this chapter, the secretary of state shall issue a certificate of registration and deliver it to the applicant. The certificate of registration shall be issued under the signature of the secretary of state and the seal of the state, and it shall show the registrant's name and business address and, if the registrant is a corporation, its state of incorporation, the date claimed for the first use of the trademark anywhere, the date claimed for the first use of the trademark in this state, the particular goods or services for which the trademark is used, the class in which such goods and services fall, a reproduction of the trademark, the registration date and the term of the registration.

Any certificate of registration issued by the secretary of state under the provisions hereof or a copy thereof duly certified by the secretary of state shall be admissible ((in evidence as competent and sufficient proof of the registration of such trademark)) in any action or judicial proceeding in any court of this state as prima facie evidence of:

(1) The validity of the registration of the trademark;
(2) The registrant's ownership of the trademark; and
(3) The registrant's exclusive right to use the trademark in this state in connection with the goods or services specified in the certificate, subject to any conditions and limitations stated in the certificate.

Registration of a trademark under this chapter shall be constructive notice of the registrant's claim of ownership of the trademark throughout this state.

Sec. 5. Section 5, chapter 211, Laws of 1955 as amended by section 182, chapter 35, Laws of 1982 and RCW 19.77.050 are each amended to read as follows:
Registration of a trademark hereunder shall be effective for a term of ten years from the date of registration. Upon application filed within six months prior to the expiration of such term, on a form to be furnished by the secretary of state requiring all the allegations of an application for original registration, the registration may be renewed for successive terms of ten years as to the goods or services for which the trademark is still in use in this state. A renewal fee of fifty dollars, payable to the secretary of state, shall accompany each application for renewal of the registration.

The secretary of state shall notify registrants of trademarks hereunder or their agents for service of record with the secretary of state of the necessity of renewal within the year, but not less than six months, next preceding the expiration of the unexpired original or renewed term by writing to the last known address of the registrants or their agents according to the files of the secretary of state. Neither the secretary of state's failure to notify a registrant nor the registrant's nonreceipt of a notice under this section shall extend the term of a registration or excuse the registrant's failure to renew a registration.

Sec. 6. Section 8, chapter 211, Laws of 1955 and RCW 19.77.080 are each amended to read as follows:

The secretary of state shall cancel from the register:

(1) ((After one year from September 1, 1955, all registrations under prior acts which are more than five years old and not renewed in accordance with this chapter;))

(2)) Any registration concerning which the secretary of state shall receive a voluntary written request for cancellation thereof from the registrant;

((3))) (2) All expired registrations not renewed under this chapter;

((4))) (3) Any registration concerning which ((a final decree of a court of competent jurisdiction, upon filing of a certified copy of such decree with the secretary of state, shall adjudge)) a court of competent jurisdiction has rendered a final judgment against the registrant, which has become unappealable, canceling the registration or finding that:

(a) ((That)) The registered trademark has been abandoned; ((or))
(b) (That) The registrant under this chapter or under a prior act is not the owner of the trademark; (or)
(c) (That) The registration was granted (improperly; or) contrary to the provisions of this chapter;
(d) (That) The registration was obtained fraudulently; (or)
(e) (That the registration be canceled on any ground) The registered trademark has become incapable of serving as a trademark; or
(f) The registered trademark is so similar to a trademark registered by another person in the United States patent and trademark office, prior to the date of the filing of the application for registration by the registrant hereunder, and not abandoned, as to be likely to cause confusion or mistake or to deceive: PROVIDED, That such finding was made on petition of such other person and that should the registrant prove that he or she is the owner of a concurrent registration of the trademark in the United States patent and trademark office covering an area including this state, the registration hereunder shall not be canceled.

Sec. 7. Section 11, chapter 211, Laws of 1955 and RCW 19.77.110 are each amended to read as follows:

In determining whether a mark is famous and has distinctive quality, a court shall consider all relevant factors, including, but not limited to the following:

1. Whether the mark is inherently distinctive or has become distinctive through substantially exclusive and continuous use;
2. Whether the duration and extent of use of the mark are substantial;
3. Whether the duration and extent of advertising and publicity of the mark are substantial;

In exceptional cases the court may award to the prevailing party the costs of the suit including reasonable attorneys' fees.

The enumeration of any right or remedy herein shall not affect a registrant's right to prosecute under any penal law of this state.

Sec. 12. Section 16, chapter 211, Laws of 1955 and RCW 19.77.900 are each amended to read as follows:
Nothing herein shall adversely affect the rights or the enforcement of rights in trademarks acquired in good faith ((at any time)) at common law prior to registration under this chapter; however, during any period subsequent to the effective date of this act when the registration of a mark under this chapter is in force and the registrant has not abandoned the trademark, no common law rights as against the registrant may be acquired.

NEW SECTION. Sec. 13. A new section is added to chapter 19.77 RCW to read as follows:

It is the intent of the legislature that, in construing this chapter, the courts be guided by the interpretation given by the federal courts to the federal trademark act of 1946, as amended, 15 U.S.C., Secs. 1051, et seq.

Passed the Senate April 5, 1989.
Approved by the Governor April 19, 1989, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State April 19, 1989.

*Sec. 7 was vetoed, see message at end of chapter.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 7, Substitute House Bill No. 1774 entitled:

"AN ACT Relating to duties of operators and users of commercial ski areas."

This bill reduces the liability exposure of ski area operators and increases the responsibilities of those operators to warn skiers. The need for the emergency clause is not warranted due to the fact that the next ski season will not be starting until long after this bill has become effective in the ordinary course.

With the exception of section 7, Substitute House Bill No. 1774 is approved."

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) The legislature finds that:
(a) Robert Gray's discovery of the Columbia river and Gray's Harbor in 1792 provided the foundation for American claims to sovereignty over the Oregon country;

(b) George Vancouver, following in the tradition of scientific discovery inaugurated by Captain Cook, commanded an expedition that made many contributions to the understanding of world geography, including the existence of Puget Sound, which he explored in 1792;

(c) The Spanish/Mexican outpost at Neah Bay, founded in 1792 to establish a southern limit to Russian and English encroachment on presumed Spanish prerogatives in the north Pacific, was the first European settlement in the state of Washington.

(2) The legislature intends for the Washington state historical society to plan and implement an appropriate commemoration and celebration of the bicentennials of the epic maritime accomplishments of 1792, which separately and collectively represent the multicultural nature of Euroamerican exploration in the Northwest and the onset of sustained contact with Washington's native people.

NEW SECTION. Sec. 2. A new section is added to chapter 27.34 RCW to read as follows:

(1) The Washington state historical society shall plan and implement an appropriate commemorative celebration of the bicentennials of the maritime accomplishments in 1792 of Robert Gray and George Vancouver, and the establishment of a Spanish outpost at Neah Bay.

(2) To accomplish this purpose, the society shall:

(a) Coordinate its activities with the Grays Harbor Tall Ships construction program;

(b) Organize museum exhibitions, including components that can travel to all sections of the state;

(c) Conduct a maritime heritage markers program along the Pacific coast, Puget Sound, and waterways in the Columbia river basin;

(d) Issue publications, organize festivals and scholarly symposia, and conduct other activities as may be appropriate.

(3) The society shall cooperate with the entities in the state of Oregon and the province of British Columbia that are planning similar activities.

(4) The society shall create an advisory committee to review and comment upon the society's commemorative plan and implementation. The committee shall have nine members, five of whom shall be citizens from areas of the state which have a special affinity to the explorations being commemorated and shall be appointed by the society. Four members shall be legislators. The speaker of the house of representatives shall appoint one member from each caucus and the president of the senate shall appoint one member from each caucus. Vacancies in the committee may be filled in accordance with original appointment procedures.
Sec. 3. Section 6, chapter 90, Laws of 1982 as amended by section 3, chapter 268, Laws of 1985 and RCW 27.60.900 are each amended to read as follows:

The 1989 Washington centennial commission as established by this chapter shall cease to exist on ((December 31, 1993)) June 30, 1990.

NEW SECTION. Sec. 4. Section 2, chapter 268, Laws of 1985, section 2, chapter 195, Laws of 1987 and RCW 27.60.045 are each repealed.

*NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

*Sec. 5 was vetoed, see message at end of chapter.

Passed the Senate March 6, 1989.
Passed the House April 4, 1989.
Approved by the Governor April 19, 1989, with the exception of certain items which were vetoed.

FILED IN OFFICE OF SECRETARY OF STATE APRIL 19, 1989.

Note: Governor's explanation of partial veto is as follows:

*I am returning herewith, without my approval as to section 5, Senate Bill No. 5874 entitled:

"AN ACT Relating to maritime commemorative observance."

This bill transfers authority for planning celebrations of certain maritime historical events from the Centennial Commission to the Washington State Historical Society. Section 5 contains an emergency clause requiring the Act to take effect immediately.

The emergency clause eliminates the possibility of a smooth transition as planning authority shifts from one entity to another. I am advised that the Washington State Historical Society intends to work with all interested parties and to build on the planning activities begun by the Centennial Commission. Removal of the emergency clause facilitates this coordination.

With the exception of section 5, Senate Bill No. 5874 is approved.*

(1) Each school district board of directors shall develop a schedule and process by which each public school within its jurisdiction shall undertake self-study procedures on a regular basis: PROVIDED, That districts may
allow two or more elementary school buildings in the district to undertake jointly the self-study process. Each school may follow the accreditation process developed by the state board of education under RCW 28A.04.120 (6), although no school is required to file for actual accreditation, or the school may follow a self-study process developed locally. (4) The state board of education shall ((develop)) adopt rules ((and regulations)) governing procedural criteria. Such rules ((and regulations)) should be flexible so as to accommodate local goals and circumstances. The rules ((and regulations)) may allow for waiver of the self-study for economic reasons and may also allow for waiver of the initial self-study if a district or its schools have participated successfully in an official accreditation process or in a similar assessment of educational programs within the last three years. (5) The superintendent of public instruction shall provide training to assist districts in their self-studies.

*Sec. 1. Section 10, chapter 234, Laws of 1986 and RCW 35.02.078 are each amended to read as follows:

An election shall be held in the area proposed to be incorporated to determine whether the proposed city or town shall be incorporated ((if the boundary review board approves or modifies and approves the proposal, or)) if the county legislative authority does not disapprove the proposal as provided in RCW 35.02.070. Voters at this election shall determine if the area is to be incorporated.

The initial election on the question of incorporation shall be held at the next special election date specified in RCW 29.13.020 that occurs sixty or more days after the final public hearing by the county legislative authority or authorities, or ((the approval or modification and approval)) by the boundary review board or boards. The county legislative authority or authorities shall call for this election and, if the incorporation is approved, shall call for other elections to elect the elected officials as provided in this section. *Sec. 2. Section 15, chapter 189, Laws of 1967 as last amended by section 7, chapter 477, Laws of 1987 and RCW 36.93.150 are each amended to read as follows:

The board, upon review of any proposed action, shall take such of the following actions as it deems necessary to best carry out the intent of this chapter:

1. Approval of the proposal as submitted;

2. Subject to RCW 35.02.170, modification of the proposal by adjusting boundaries to add or delete territory: PROVIDED, That any proposal for annexation by the board shall be subject to RCW 35.21.010 and shall not add additional territory, the amount of which is greater than that included in the original proposal: PROVIDED FURTHER, That such modifications shall not interfere with the authority of a city, town, or special purpose district to require or not require preannexation agreements, covenants, or petitions: AND PROVIDED FURTHER, That a board shall not modify a proposed incorporation of a city by removing territory from the proposal, or adding territory to the proposal, that constitutes ten percent or more of the total area included within the proposal before the board;

3. Determination of a division of assets and liabilities between two or more governmental units where relevant;

4. Determination whether, or the extent to which, functions of a special purpose district are to be assumed by an incorporated city or town, metropolitan municipal corporation, or another existing special purpose district; or

5. Disapproval of the proposal except that the board shall not have jurisdiction: (a) To disapprove the dissolution or disincorporation of a special purpose district which is not providing services but shall have jurisdiction over the determination of a division of the assets and liabilities of a dissolved or disincorporated special purpose district (providing that a board shall not have jurisdiction); (b) over the division of assets and liabilities of a special purpose district that is dissolved or disincorporated pursuant to chapter
36.96 RCW; nor (c) disapprove the incorporation of a city or disincorporation of a city or town.

Unless the board shall disapprove a proposal, it shall be presented under the appropriate statute for approval of a public body and, if required, a vote of the people. A proposal that has been modified shall be presented under the appropriate statute for approval of a public body and if required, a vote of the people. If a proposal, other than that for a city, town, or special purpose district annexation, after modification does not contain enough signatures of persons within the modified area, as are required by law, then the initiating party, parties or governmental unit has thirty days after the modification decision to secure enough signatures to satisfy the legal requirement. If the signatures cannot be secured then the proposal may be submitted to a vote of the people, as required by law.

The addition or deletion of property by the board shall not invalidate a petition which had previously satisfied the sufficiency of signature provisions of RCW 35.13.130 or 35A.14.120. When the board, after due proceedings held, disapproves a proposed action other than an incorporation or disincorporation of a city or town, such proposed action shall be unavailable, the proposing agency shall be without power to initiate the same or substantially the same as determined by the board, and any succeeding acts intended to or tending to effectuate that action shall be void, but such action may be reinitiated after a period of twelve months from date of disapproval and shall again be subject to the same consideration.

The board shall not modify or deny a proposed action unless there is evidence on the record to support a conclusion that the action is inconsistent with one or more of the objectives under RCW 36.93.180. Every such determination to modify or deny a proposed action shall be made in writing pursuant to a motion, and shall be supported by appropriate written findings and conclusions, based on the record. A document describing an action, finding, or conclusion made by a boundary review board may be signed by the chairman or vice-chairman at or out of a public meeting.

*Sec. 2 was vetoed, see message at end of chapter.

(1) The governing bodies of a county and any city or town located therein may by agreement revise any part of the corporate boundary of the city or town which coincides with the centerline, edge, or any portion of a public street, road or highway right of way by substituting therefor a right of way line of the same public street, road or highway so as fully to include or fully to exclude that segment of the public street, road or highway from the corporate limits of the city or town.

(2) The revision of a corporate boundary as authorized by this section shall become effective when approved by ordinance of the city or town council or commission and by ordinance or resolution of the ((board-of)) county ((commissioners or county council)) legislative authority. NEW SECTION. Sec. 12. A new section is added to chapter 35.13 RCW to read as follows:

The purpose of sections 12 through 15 of this act is to establish a process for the adjustment of existing or proposed city boundary lines to avoid a situation where a common boundary line is or would be located within a right of way of a public street, road, or highway, or a situation where two cities are separated or would be separated by only the right of way of a public street, road, or highway, other than situations where a boundary line runs from one edge of the right of way to the other edge of the right of way.
As used in sections 12 through 15 of this act, "city" includes every city or town in the state, including a code city operating under Title 35A RCW.

NEW SECTION. Sec. 13. A new section is added to chapter 35.13 RCW to read as follows:

(1) This section provides a method to adjust the boundary lines between two cities where the two cities share a common boundary within a right of way of a public street, road, or highway, or the two cities have a portion of their boundaries separated only by all or part of the right of way of a public street, road, or highway. However, this section does not apply to situations where a boundary line runs from one edge of the right of way to the other edge of the right of way.

(2) The councils of any two cities in a situation described in subsection (1) of this section may enter into an agreement to alter those portions of their boundaries that are necessary to eliminate this situation and create a partial common boundary on either edge of the right of way of the public street, road, or highway. An agreement made under this section shall include only boundary line adjustments between the two cities that are necessary to eliminate the situation described in subsection (1) of this section.

A boundary line adjustment under this section is not subject to potential review by a boundary review board.

NEW SECTION. Sec. 14. A new section is added to chapter 35.13 RCW to read as follows:

The councils of any two cities that will be in a situation described in section 13(1) of this act as the result of a proposed annexation by one of the cities may enter into an agreement to adjust those portions of the annexation proposal and the boundaries of the city that is not proposing the annexation. Such an agreement shall not be effective unless the annexation is made.

The annexation proposal shall proceed if such an agreement were not made, but any resulting boundaries between the two cities that meet the descriptions of section 13(1) of this act shall be adjusted by agreement between the two cities within one hundred eighty days of the effective date of the annexation, or the county legislative authority of the county within which the right of way is located shall adjust the boundaries within a sixty-day period immediately following the one hundred eightieth day.

An agreement or adjustment made by a county under this section shall include only boundary line adjustments between the two cities that are necessary to eliminate the situation described in section 13(1) of this act.

A boundary line adjustment under this section is not subject to potential review by a boundary review board.

NEW SECTION. Sec. 15. A new section is added to chapter 35.13 RCW to read as follows:
(1) The purpose of this section is to avoid situations arising where the boundaries of an existing city and a newly incorporated city would create a situation described in section 13(1) of this act.

(2) A boundary review board that reviews the boundaries of a proposed incorporation may enter into an agreement with the council of a city, that would be in a situation described in subsection (1) of this section as the result of a proposed incorporation of a city, to adjust the boundary line of the city and those of the city proposed to be incorporated to avoid this situation described in subsection (1) of this section if the incorporation were to be approved by the voters. Such an agreement shall not be effective unless the incorporation occurs.

The incorporation proposal shall proceed if such an agreement were not made, but any resulting boundaries between the two cities that meet create a situation described in section 13(1) of this act shall be adjusted by agreement between the two cities within one hundred eighty days of the official date of the incorporation, or the county legislative authority of the county within which the right of way is located shall adjust the boundaries within a sixty-day period immediately following the one hundred eightieth day.

An agreement or adjustment made by a county under this section shall include only boundary line adjustments between the two cities that are necessary to eliminate the situation described in section 13(1) of this act.

A boundary line adjustment under this section is not subject to potential review by a boundary review board.

Passed the Senate April 7, 1989.
Passed the House April 5, 1989.
Approved by the Governor April 20, 1989, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State April 20, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 1 and 2, Substitute Senate Bill No. 5127, entitled:

"AN ACT Relating to boundary review boards."

Sections 1 and 2 of Substitute Senate Bill No. 5127 would eliminate the authority of boundary review boards to disapprove a proposed city or town incorporation or disincorporation.
I recognize there are some communities in the state that are dissatisfied with recent incorporation decisions of boundary review boards. However, I am not convinced that the answer to this problem is simply to eliminate the board's authority in this critical area. One of the purposes of Chapter 36.93, which created boundary review boards, was to provide a method to guide and control the creation and growth of municipalities in metropolitan areas. By deleting the boards' authority over incorporations, the purpose of this act would be frustrated.

The State has a legitimate interest in ensuring that municipal boundaries are rational and that statutory objectives are adhered to in the incorporation process. The authority of boundary review boards to review and act on incorporations is the established method of achieving that goal. Without such authority, there is some risk of proliferation of small municipalities and governmental fragmentation at the local level. Additionally, annexations often need to be amended to ensure they do not just include the property tax rich area while excluding poorer valuation residential areas which require public services.

Neighboring jurisdictions are usually affected directly by municipal incorporations. Review of these actions by boundary review boards ensures that multi-jurisdictional issues are considered before a vote is taken.

Notwithstanding the concerns with sections 1 and 2 of the bill, I recognize that boundary review boards may not be the best approach for all counties to address these important growth issues. For that reason, I requested legislation this session (House Bill No. 1174) that would provide a mechanism for the dissolution of boundary review boards if a local government service agreement is in place. That bill has not yet been acted upon by the Legislature.

With the exception of sections 1 and 2, Substitute Senate Bill No. 5127 is approved.

CHAPTER 85

[Senate Bill No. 5156]

CEDAR RIVER SOCKEYE SALMON ENHANCEMENT PROJECT

AN ACT Relating to Cedar river sockeye salmon; adding new sections to chapter 75.52 RCW; creating new sections; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature hereby designates the Cedar river sockeye salmon enhancement project as a "Washington state centennial salmon venture."

NEW SECTION. Sec. 2. The legislature recognizes that King county has a unique urban setting for a recreational fishery and that Lake Washington and the rivers flowing into it should be developed for greater salmon production. A Lake Washington fishery is accessible to fifty percent of the state's citizens by automobile in less than one hour. There has been extensive sockeye fishing success in Lake Washington, primarily from fish originating in the Cedar river. The legislature intends to enhance the Cedar river fishery by active state and local management and intends to maximize the Lake Washington sockeye salmon runs for recreational fishing for all of the citizens of the state. A sockeye enhancement program could produce two to three times the current numbers of returning adults. A sockeye enhancement project would increase the public's appreciation of our state's
fisheries, would demonstrate the role of a clean environment, and would show that positive cooperation can exist between local and state government in planning and executing programs that directly serve the public. A spawning channel in the Cedar river has been identified as an excellent way to enhance the Lake Washington sockeye run. A public utility currently diverting water from the Cedar river for beneficial public use has expressed willingness to fund the planning, design, evaluation, construction, and operation of a spawning channel on the Cedar river.

**NEW SECTION.** Sec. 3. A salmon spawning channel shall be constructed on the Cedar river with the assistance and cooperation of the state department of fisheries. The department shall use existing personnel and the volunteer fisheries enhancement program outlined under chapter 75.52 RCW to assist in the planning, construction, and operation of the spawning channel.

**NEW SECTION.** Sec. 4. The department of fisheries shall chair a technical committee, which shall review the preparation of enhancement plans and construction designs for a Cedar river sockeye spawning channel. The technical committee shall consist of not more than eight members: One representative each from the department of fisheries, national marine fisheries service, United States fish and wildlife service, and Muckleshoot Indian tribe; and four representatives from the public utility described in section 6 of this act. The technical committee will be guided by a policy committee, also to be chaired by the department of fisheries, which shall consist of not more than six members: One representative from the department of fisheries, one from the Muckleshoot Indian tribe, and one from either the national marine fisheries service or the United States fish and wildlife service; and three representatives from the public utility described in section 6 of this act. The policy committee shall present a progress report to the senate and house of representatives natural resources and environment committees by January 1, 1990, and shall oversee the operation and evaluation of the spawning channel. The policy committee will continue its oversight until the policy committee concludes that the channel is meeting the production goals specified in section 5 of this act.

**NEW SECTION.** Sec. 5. The channel shall be designed to produce, at a minimum, fry comparable in quality to those produced in the Cedar river and equal in number to what could be produced naturally by the estimated two hundred sixty-two thousand adults that could have spawned upstream of the Landsburg diversion. Construction of the spawning channel shall commence no later than September 1, 1990. Initial construction size shall be adequate to produce fifty percent or more of the production goal specified in this section.

**NEW SECTION.** Sec. 6. The legislature recognizes that, if funding for planning, design, evaluation, construction, and operating expenses is
provided by a public utility that diverts water for beneficial public use, and if the performance of the spawning channel meets the production goals described in section 5 of this act, the spawning channel project will serve, at a minimum, as compensation for lost sockeye salmon spawning habitat upstream of the Landsburg diversion. The amount of funding to be supplied by said utility will fully fund the total cost of planning, design, evaluation, and construction of the spawning channel.

NEW SECTION. Sec. 7. In order to provide operation and maintenance funds for the facility authorized by this act, the utility shall place two million five hundred thousand dollars in the state general fund Cedar river channel construction and operation account herein created. The interest from the fund shall be used for operation and maintenance of the spawning channel and any unused interest shall be added to the fund to increase the principal to cover possible future operation cost increases. The state treasurer may invest funds from the account as provided by law.

*NEW SECTION. Sec. 8. The state department of fisheries, the state department of ecology, all other state agencies, and local governments shall expedite all required permits for construction and operation of the spawning channel.

*Sec. 8 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 9. The legislature hereby declares that the construction of the Cedar river sockeye spawning channel is in the best interests of the state of Washington.

NEW SECTION. Sec. 10. Should the requirements of this act not be met, the department of fisheries shall seek immediate legal clarification of the steps which must be taken to fully mitigate water diversion projects on the Cedar river.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

*NEW SECTION. Sec. 12. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

*Sec. 12 was vetoed, see message at end of chapter.
NEW SECTION. Sec. 13. Sections 3 through 9 of this act are each added to chapter 75.52 RCW.

Passed the Senate February 15, 1989.
Passed the House April 6, 1989.
Approved by the Governor April 20, 1989, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State April 20, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 8 and 12, Senate Bill No. 5156, entitled:

"AN ACT Relating to Cedar River sockeye salmon."

The concept behind this bill is to provide a mechanism to mitigate for the sockeye salmon habitat losses caused by the Landsburg diversion dam. Embodied in the concept of mitigation is that the complete cost, including the long-term operation and maintenance of the mitigation project, shall be borne by the party with the responsibility to mitigate. In this case, the City of Seattle has agreed not only to fund all phases leading up to and including construction, but also to deposit $2.5 million in a trust account so that interest can be used to fund operation and maintenance.

The acceptability of this project to the State to fully mitigate for the sockeye losses caused by the diversion dam shall be judged not only on the success of the spawning channel but also on whether the trust account is adequate to fully finance the long-term operation and maintenance of the channel. It is in the best interest of the City of Seattle to negotiate with the State on methods which could reduce the expenditures from this trust account, so that in the future the fund is sufficient to cover inflationary costs as well as unanticipated costs.

I feel strongly that the decision-making process leading up to the construction of the spawning channel must recognize the relationship between the State and the Muckleshoot Tribe. The process must involve the Tribe in the planning, design, construction and operation of the spawning channel. This project can proceed only so long as consistent with the protection of treaty fishing rights. Finally, it should be noted that any decision made by the State pursuant to this legislation does not affect claims the Muckleshoot Tribe may have against the City of Seattle for damages to the Cedar River fisheries resources.

The expedition of permits in section 8 implies that state agencies are somehow above the permitting processes. This policy sends an inappropriate message that the review should be preferential or incomplete. The emergency clause in section 12 is not warranted by any exigent circumstances.

I believe this legislation, with the exception of sections 8 and 12, is an example of a process, that if successful, will enhance fishing opportunities in this state and will address a current impediment to increasing the Cedar River sockeye run.

Therefore, with the exception of sections 8 and 12, Senate Bill No. 5156 is approved.*

CHAPTER 86
[Senate Bill No. 6012]
SCHOOLS—REVENUES DERIVED FROM REAL PROPERTY—DEPOSIT

*Sec. 1. Section 2, chapter 115, Laws of 1980 as amended by section 2, chapter 306, Laws of 1981 and RCW 28A.58.033 are each amended to read as follows:

(1) Every school district board of directors is authorized to permit the rental, lease, or occasional use of all or any portion of any surplus real property owned or lawfully held by the district to any person, corporation, or government entity for profit or nonprofit, commercial or noncommercial purposes: PROVIDED, That the leasing or renting or use of such property is for a lawful purpose, is in the best interest of the district, and does not interfere with conduct of the district's educational program and related activities((: PROVIDED FURTHER, That the lease or rental agreement entered into shall include provisions which permit the recapture of the leased or rented surplus property of the district should such property be needed for school purposes in the future)).

(2) Authorization to rent, lease or permit the occasional use of surplus school property under this section, RCW 28A.58.034 and 28A.58.040, each as now or hereafter amended, is conditioned on the establishment by each school district board of directors of a policy governing the use of surplus school property.

(3) The board of directors of any school district desiring to rent or lease any surplus real property owned by the school district shall send written notice to the office of the state superintendent of public instruction. School districts shall not rent or lease the property for at least forty-five days following the date notification is mailed to the state superintendent of public instruction.

(4) Private schools shall have the same rights as any other person or entity to submit bids for the rental or lease of surplus real property and to have such bids considered along with all other bids: PROVIDED, That the school board may establish reasonable conditions for the use of such real property to assure the safe and proper operation of the property in a manner consistent with board policies.

*Sec. 1 was vetoed, see message at end of chapter.

Sec. 2. Section 4, chapter 115, Laws of 1980 as last amended by section 15, chapter 59, Laws of 1983 and RCW 28A.58.035 are each amended to read as follows:

Each school district's board of directors shall deposit moneys derived from the lease, rental or occasional use of surplus school property as follows:

(1) Moneys derived from real property shall be deposited into the district's debt service fund and/or capital projects fund except for moneys required to be expended for general maintenance, utility, insurance costs, and any other costs associated with the lease or rental of such property, which moneys shall be deposited in the district's general fund;
(2) Moneys derived from pupil transportation vehicles shall be deposit-
ed in the district's transportation vehicle fund;
(3) Moneys derived from other personal property shall be deposited in
the district's general fund.

Passed the Senate April 11, 1989.
Passed the House April 5, 1989.
Approved by the Governor April 20, 1989, with the exception of cer-
tain items which were vetoed.
Filed in Office of Secretary of State April 20, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 1, Senate Bill No.
6012, entitled:

"AN ACT Relating to the leasing of surplus school property."

Section 1 of this bill would remove the restriction requiring school districts to
"include provisions which permit the recapture of the leased or rented surplus prop-
erty of the district should such property be needed for school purposes in the future." The stated intent of this bill is to clarify the law so school districts can enter into
long-term leases of surplus property to be used for condominiums or office buildings.

The restriction in existing law is good public policy. It should not be repealed. The restriction should not be encouraging school districts to be in the real estate business when there are current demands for school district buildings and funding of school projects.

Each year the Legislature struggles with providing enough capital funding to
school districts to keep up with demands for new construction. It seems inconsistent
to allow districts to lock up buildings and property in long-term leases, when there is
apparently no intent nor ability to ever reclaim these for school purposes. If there is
no foreseeable school use, the district should surplus and sell the properties so the
funds are available for other district uses.

The existing statute provides enough flexibility so school districts can rent or
lease property when it is not needed immediately. However, the existing law wisely
prohibits long-term commitments which bind future school boards and limit their
ability to meet the changing needs of the community.

With the exception of section 1, Senate Bill No. 6012 is approved."

[Second Substitute Senate Bill No. 5011]
ALLOCATION OF ASSETS BETWEEN INSTITUTIONALIZED AND COMMUNITY

(1) The department shall establish standards consistent with section 1917 of the social security act in determining the period of ineligibility for medical assistance due to the transfer of resources.

Approved by the Governor April 20, 1989, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State April 20, 1989.

Note: Governor's explanation of partial veto is as follows:
"I am returning herewith, without my approval as to section 6, Second Substitute Senate Bill No. 5011, entitled:

"AN ACT Relating to providing for allocation of assets of an institutionalized spouse."

Section 6 requires the submission of a biennial report on the number of persons impacted by the laws relating to transfer of assets between spouses. CHAPTER 88
[Senate Bill No. 5353]
DISABLED LAW ENFORCEMENT OFFICERS AND FIRE FIGHTERS—CONTINUED SERVICE CREDIT

AN ACT Relating to continued service credit for disabled law enforcement officers and fire fighters; amending RCW 41.26.470 and 41.26.520; and adding a new section to chapter 41.26 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 8, chapter 294, Laws of 1977 ex. sess. as last amended by section 2, chapter 12, Laws of 1982 and RCW 41.26.470 are each amended to read as follows:

(1) A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the director shall be eligible to receive an allowance under the provisions of RCW 41.26.410 through 41.26.550. Such member shall receive a monthly disability allowance computed as provided for in RCW 41.26.420 and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age fifty-eight.

(2) Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal that such a member has recovered from the incapacitating disability and the member is no longer entitled to benefits under Title 51 RCW, the retirement allowance shall be canceled and the member shall be restored to duty in the same civil service rank, if any, held by the member at the time of retirement or, if unable to perform the duties of the rank, then, at the member's request, in such other like or lesser rank as may be or become open and available, the duties of which the member is then able to perform. In no event shall a member previously drawing a disability allowance be returned or be restored to duty at a salary or rate of pay less than the current salary attached to the rank or position held by the member at the date of the retirement for disability. If the department determines that the member is able to return to service, the member is entitled to notice and a hearing.
Both the notice and the hearing shall comply with the requirements of chapter ((34.04)) 34.05 RCW((, as now or hereafter amended)).

(3) Those members subject to this chapter who became disabled in the line of duty on or after the effective date of this 1989 section, and who receive benefits under RCW 41.04.500 through 41.04.530 or similar benefits under RCW 41.04.535 shall receive or continue to receive service credit subject to the following:

(a) No member may receive more than one month's service credit in a calendar month.

(b) No service credit under this section may be allowed after a member separates or is separated without leave of absence.

(c) Employer contributions shall be paid by the employer at the rate in effect for the period of the service credited.

(d) Employee contributions shall be collected by the employer and paid to the department at the rate in effect for the period of service credited.

(e) State contributions shall be as provided in RCW 41.26.450.

(f) Contributions shall be based on the regular compensation which the member would have received had the disability not occurred.

(g) The service and compensation credit under this section shall be granted for a period not to exceed six consecutive months.

(h) Should the legislature revoke the service credit authorized under this section or repeal this section, no affected employee is entitled to receive the credit as a matter of contractual right.

Sec. 2. Section 13, chapter 294, Laws of 1977 ex. sess. and RCW 41-.26.520 are each amended to read as follows:

(1) A member who is on a paid leave of absence authorized by a member's employer shall continue to receive service credit as provided for under the provisions of RCW 41.26.410 through 41.26.550.

(2) A member shall be eligible to receive a maximum of two years service credit during a member's entire working career for those periods when a member is on an unpaid leave of absence authorized by an employer. Such credit may be obtained only if the member makes the employer, member, and state contributions plus interest as determined by the department for the period of the authorized leave of absence within five years of resumption of service or prior to retirement whichever comes sooner: PROVIDED, That for the purpose of this subsection the contribution shall not include the contribution for the unfunded supplemental present value as required by RCW 41.26.450. The contributions required shall be based on the average of the member's basic salary at both the time the authorized leave of absence was granted and the time the member resumed employment.

(3) A member who is inducted into the armed forces of the United States shall be deemed to be on an unpaid, authorized leave of absence.

(1) The legislature finds that businesses and organizations providing services to children or developmentally disabled persons need adequate information to determine which employees or licensees to hire or engage. When necessary, applicants may be employed on a conditional basis pending completion of such a background investigation.

(2) The legislature also finds that the state board of education may request of the Washington state patrol criminal identification system information regarding a certificate applicant's record for convictions under subsection (1) of this section.
(3) The legislature also finds that law enforcement agencies, the office of the attorney general, prosecuting authorities, and the department of social and health services may request this same information to aid in the investigation and prosecution of child and adult abuse cases and to protect children and adults from further incidents of abuse.

(4) The legislature further finds that the department of social and health services, when considering persons for state positions directly responsible for the care, supervision, or treatment of children or the developmentally disabled or when licensing or authorizing such persons or agencies pursuant to its authority under chapter 74.15 RCW, must consider the information listed in subsection (1) of this section. However, when necessary, persons may be employed on a conditional basis pending completion of the background investigation. The state personnel board shall adopt rules to accomplish the purposes of this subsection as it applies to state employees.

Sec. 3. Section 3, chapter 486, Laws of 1987 and RCW 43.43.834 are each amended to read as follows:

(1) A business or organization shall not make an inquiry to the Washington state patrol under RCW 43.43.832 or an equivalent inquiry to a federal law enforcement agency unless the business or organization has notified the applicant who has been offered a position as an employee or volunteer that an inquiry may be made.

(2) A business or organization shall require each applicant to disclose to the business or organization whether the applicant has been:

   (a) Convicted of any crime against children or other persons;

   The disclosure shall be made in writing and signed by the applicant and sworn under penalty of perjury. The disclosure sheet shall specify all crimes against children or other persons as defined in RCW 43.43.830.

(3) The business or organization shall pay such reasonable fee for the records check as the state patrol may require under RCW 43.43.838.

(4) The business or organization shall notify the applicant of the state patrol's response within ten days after receipt by the business or organization. The employer shall provide a copy of the response to the applicant and shall notify the applicant of such availability.

(5) The business or organization shall use this record only in making the initial employment or engagement decision. Further dissemination or
use of the record is prohibited. A business or organization violating this subsection is subject to a civil action for damages.

(6) An insurance company shall not require a business or organization to request background information on any employee before issuing a policy of insurance.

(7) The business and organization shall be immune from civil liability for failure to request background information on a prospective employee or volunteer unless the failure to do so constitutes gross negligence.

Sec. 4. Section 5, chapter 486, Laws of 1987 and RCW 43.43.838 are each amended to read as follows:

(1) After January 1, 1988, and notwithstanding any provision of RCW 43.43.700 through 43.43.810 to the contrary, the state patrol shall furnish a transcript of the conviction record, disciplinary board final decision and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision, or civil adjudication record pertaining to any person for whom the state patrol or the federal bureau of investigation has a record upon the written request of:

(e) The department of social and health services for the purpose of meeting responsibilities set forth in chapter 74.15 RCW. However, access to conviction records pursuant to this subsection (1)(e) does not limit or restrict the ability of the department to obtain additional information regarding conviction records and pending charges as set forth in RCW 74.15.030(2)(b).

After processing the request, if the conviction record, disciplinary board final decision and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision, or adjudication record shows no evidence of a crime against children or other persons, an identification declaring the showing of no evidence shall be issued to the applicant by the state patrol and shall be issued within fourteen working days of the request. Possession of such identification shall satisfy future background check requirements for the applicant for a two-year period.

(2) The state patrol shall by rule establish fees for disseminating records under this section to recipients identified in subsection (1)(a) and (b) of this section. The state patrol shall also by rule establish fees for disseminating records in the custody of the national crime information center. The fees shall cover, as nearly as practicable, the direct and indirect costs to the state patrol of disseminating the records: PROVIDED, That no fee shall be
charged to a nonprofit organization, including school districts and educational service districts, for the records check.

(3) No employee of the state, employee of a business or organization, or the business or organization is liable for defamation, invasion of privacy, negligence, or any other claim in connection with any lawful dissemination of information under RCW 43.43.830 through 43.43.840 or RCW 43.43.760.

(4) Before July 26, 1987, the state patrol shall adopt rules and forms to implement this section and to provide for security and privacy of information disseminated under this section, giving first priority to the criminal justice requirements of this chapter. The rules may include requirements for users, audits of users, and other procedures to prevent use of civil adjudication record information or criminal history record information inconsistent with this chapter.

(5) Nothing in RCW 43.43.830 through 43.43.840 shall authorize an employer to make an inquiry not specifically authorized by this chapter, or be construed to affect the policy of the state declared in chapter 9.96A RCW.

Sec. 5. Section 6, chapter 486, Laws of 1987 and RCW 43.43.840 are each amended to read as follows:

(1) The supreme court shall by rule require the courts of the state to notify the state patrol of any dependency action under RCW 13.34.030(2)(b) or domestic relations action under Title 26 RCW in which the court makes specific findings of physical abuse or sexual abuse or exploitation of a child.

(2) The department of licensing shall notify the state patrol of any disciplinary board final decision that includes specific findings of physical abuse or sexual abuse or exploitation of a child.

(3) When a business or an organization terminates, fires, dismisses, fails to renew the contract, or permits the resignation of an employee because of crimes against children or other persons, and if that employee is employed in a position requiring a certificate or license issued by a licensing agency such as the state board of education, the business or organization shall notify the licensing agency of such termination of employment.

Whenever a (fireman) firefighter serving in any capacity as a member of (his) the firefighter's own fire department subject to the provisions of this chapter becomes physically or mentally disabled, or sick, in consequence or as the result of the performance of his or her duties, so as to be wholly prevented from engaging in each and every duty of his or her regular occupation, business, or profession, he or she shall be paid from the fund monthly, the sum of one thousand (two hundred) six hundred fifty dollars for a period of not to exceed six months, or (forty) fifty-five dollars per day for such period as is part of a month, after which period, if the member is incapacitated to such an extent that he or she is thereby prevented from engaging in any occupation or performing any work for compensation or profit or if the member sustained an injury after October 1, 1978, which resulted in the loss or paralysis of both legs or arms, or one leg and one arm, or total loss of eyesight, but such injury has not prevented the member from engaging in an occupation or performing work for compensation or profit, he or she is entitled to draw from the fund monthly, the sum of (six hundred) eight hundred twenty-five dollars so long as the disability continues, except as hereinafter provided: PROVIDED, That if the member has a wife or husband and/or a child or children unemancipated or under eighteen years of age, he or she is entitled to draw from the fund monthly the additional sums of one hundred (twenty) sixty-five dollars because of the fact of his wife or her husband, and (fifty) seventy dollars because of the fact of each child unemancipated or under eighteen years of age, all to a total maximum amount of one thousand (two hundred) six hundred fifty dollars. The board may at any time reopen the grant of such disability pension if the pensioner is gainfully employed, and may reduce it in the proportion that the annual income from such gainful employment bears to the
annual income received by the pensioner at the time of his disability: PROVIDED, That where a firefighter sustains a permanent partial disability the state board may provide that such injured firefighter shall receive a lump sum compensation therefor to the same extent as is provided for permanent partial disability under the workers' compensation act under Title 51 RCW in lieu of such monthly disability payments.

Sec. 3. Section 16, chapter 261, Laws of 1945 as last amended by section 2, chapter 163, Laws of 1986 and RCW 41.24.160 are each amended to read as follows:

(1) Whenever a firefighter dies as the result of injuries received, or sickness contracted in consequence or as the result of the performance of his or her duties, the board of trustees shall order and direct the payment of the sum of two thousand dollars to his widow or her widower, or if there is no widow or widower, then to his or her dependent child or children, or if there is no dependent child or children, then to his or her parents or either of them, and the sum of eight hundred twenty-five dollars per month to his widow or her widower during his or her life together with the additional monthly sum of seventy dollars for each child of the member, unemancipated or under eighteen years of age, dependent upon the member for support at the time of his or her death, to a maximum total of one thousand six hundred fifty dollars per month.

(2) If the widow or widower does not have legal custody of one or more dependent children of the deceased firefighter or if, after the death of the firefighter, legal custody of such child or children passes from the widow or widower to another person, any payment on account of such child or children not in the legal custody of the widow or widower shall be made to the person or persons having legal custody of such child or children. Such payments on account of such child or children shall be subtracted from the amount to which such widow or widower would have been entitled had such widow or widower had legal custody of all the children and the widow or widower shall receive the remainder after such payments on account of such child or children have been subtracted. If there is no widow or widower, or the widow or widower dies while there are children, unemancipated or under eighteen years of age, then the amount of eight hundred twenty-five dollars per month shall be paid for the youngest or only child together with an additional seventy dollars per month for each additional of such children to a maximum of one thousand six hundred fifty dollars per month until they become emancipated or reach the age of eighteen years; and if there are no widow or widower, child, or children entitled thereto, then to his or her parents or either of them the sum of eight hundred twenty-five dollars per month for life, if it is proved to the satisfaction of the board that the parents, or either of them, were dependent on the deceased for their
support at the time of his or her death. In any instance in subsections (1) and (2) of this section, if the widow or widower, child or children, or the parents, or either of them, marries while receiving such pension the person so marrying shall thereafter receive no further pension from the fund.

(3) In the case provided for in this section, the monthly payment provided may be converted in whole or in part into a lump sum payment, not in any case to exceed twelve thousand dollars, equal or proportionate, as the case may be, to the (value of the annuity then remaining, to be fixed and certified by the state insurance commissioner,) actuarial equivalent of the monthly payment in which event the monthly payments shall cease in whole or in part accordingly or proportionately. Such conversion may be made either upon written application to the state board and shall rest in the discretion of the state board; or the state board is authorized to make, and authority is hereby given it to make, on its own motion, lump sum payments, equal or proportionate, as the case may be, to the value of the annuity then remaining in full satisfaction of claims due to dependents. Within the rule aforesaid the amount and value of the lump sum payment may be agreed upon between the applicant and the state board. Any person receiving a monthly payment under this section on June 29, 1961, may elect, within two years, to convert such payments into a lump sum payment as provided in this section.

municipality in this state, and the ((fireman)) firefighter has reached the age of sixty-five years, and the annual retirement fee has been paid for a period of less than twenty-five years, the board of trustees shall order and direct that he or she be retired and that such ((fireman)) firefighter shall receive a minimum monthly pension of twenty-five dollars increased by the sum of seven dollars each month for each year the annual fee has been paid, but not to exceed the maximum monthly pension herein provided, for the balance of ((his)) the firefighter’s life.

No pension herein provided may become payable before the sixty-fifth birthday of the ((fireman)) firefighter, nor for any service less than twenty-five years: PROVIDED, HOWEVER, That:

(1) Any ((fireman)) firefighter, upon completion of twenty-five years' service and attainment of age sixty, may irrevocably elect, in lieu of the pension to which ((he)) that firefighter would be entitled hereunder at age sixty-five, to receive for the balance of his or her life a monthly pension equal to sixty percent of such pension.

(2) Any ((fireman)) firefighter, upon completion of twenty-five years' service and attainment of age sixty-two, may irrevocably elect, in lieu of the pension to which ((he)) that firefighter would be entitled hereunder at age sixty-five, to receive for the balance of his or her life a monthly pension equal to seventy-five percent of such pension.

(3) Any ((fireman)) firefighter, upon completion of less than twenty-five years of service shall receive the applicable reduced pension provided below, according to the age at which ((he)) that firefighter elects to begin to receive the pension. If receipt of the benefits begins at age sixty-five ((he)) the firefighter shall receive one hundred percent of the reduced benefit; at age sixty-two ((he)) the firefighter shall receive seventy-five percent of the reduced benefit; and at age sixty ((he)) the firefighter shall receive sixty percent of the reduced benefit. The reduced benefit shall be computed as follows:

(a) Upon completion of ten years, but less than fifteen years of service, a monthly pension equal to fifteen percent of such pension as ((he)) the firefighter would have been entitled to receive at age sixty-five after twenty-five years of service;

(b) Upon completion of fifteen years, but less than twenty years of service, a monthly pension equal to thirty percent of such pension as ((he)) the firefighter would have been entitled to receive at age sixty-five after twenty-five years of service; and

(c) Upon completion of twenty years, but less than twenty-five years of service, a monthly pension equal to sixty percent of such pension as ((he)) the firefighter would have been entitled to receive at age sixty-five after twenty-five years of service.

((4)) Any monthly pension, payable to any fireman, which will not, under the provisions of this section, amount to twenty-five dollars, may be
converted into a lump sum payment to the value of the annuity then remaining, as fixed and certified by the state insurance commissioner. Such conversion may be made either upon written application to the state board and shall rest at the discretion of the state board; or the state board may make, on its own motion, lump sum payments, equal or proportionate, as the case may be, to the value of the annuity then remaining in full satisfaction of claims due. Any person receiving a monthly payment of less than twenty-five dollars at the time of September 1, 1979, may elect, within two years, to convert such payments into a lump sum payment as herein provided:)

CONFIDENTIALITY

AN ACT Relating to unemployment compensation benefits, claims, recovery, appeals, and
confidentiality; amending RCW 50.20.098 and 50.20.190; and adding a new section to chapter
50.13 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 10, chapter 292, Laws of 1977 ex. sess. and RCW 50.20.098 are each amended to read as follows:

(1) Benefits shall not be paid on the basis of services performed by an
alien unless the alien is an individual who has been lawfully admitted for
permanent residence, was lawfully present for purposes of performing such
services, or otherwise is permanently residing in the United States under
color of law (including an alien who is lawfully present in the United States
as a result of the application of 8 U.S.C. Sec. 1153(a)(7) or 8 U.S.C. Sec.
3304(a)(14) as provided by PL 94-566 which specify other conditions or
other effective date than stated herein for the denial of benefits based on
services performed by aliens and which modifications are required to be im-
plemented under state law as a condition for full tax credit against the tax
imposed by 26 U.S.C. Sec. 3301 shall be deemed applicable under this
section.

(2) Any data or information required of individuals applying for bene-
fits to determine whether benefits are not payable to them because of their
alien status shall be uniformly required from all applicants for benefits.

(3) In the case of an individual whose application for benefits would
otherwise be approved, no determination that benefits to the individual are
not payable because of his or her alien status shall be made except upon a
preponderance of the evidence.

Sec. 2. Section 87, chapter 35, Laws of 1945 as last amended by sec-
tion 6, chapter 35, Laws of 1981 and RCW 50.20.190 are each amended to
read as follows:

An individual who is paid any amount as benefits under this title to
which he or she is not entitled shall, unless otherwise relieved pursuant to
this section, be liable for repayment of the amount overpaid. The depart-
ment shall issue an overpayment assessment setting forth the reasons for
and the amount of the overpayment. The amount assessed, to the extent not
collected, may be deducted from any future benefits payable to the individ-
ual: PROVIDED, That in the absence of fraud, misrepresentation, or willful
nondisclosure, every determination of liability shall be mailed or personally
served not later than two years after the close of the individual’s benefit

[ 443 ]
year in which the purported overpayment was made unless the merits of the claim are subjected to administrative or judicial review in which event the period for serving the determination of liability shall be extended to allow service of the determination of liability during the six-month period following the final decision affecting the claim.

The commissioner may waive an overpayment if the commissioner finds that said overpayment was not the result of fraud, misrepresentation, willful nondisclosure, or fault attributable to the individual and that the recovery thereof would be against equity and good conscience: PROVIDED, HOWEVER, That the overpayment so waived shall be charged against the individual's applicable entitlement for the eligibility period containing the weeks to which the overpayment was attributed as though such benefits had been properly paid.

Any assessment herein provided shall constitute a determination of liability from which an appeal may be had in the same manner and to the same extent as provided for appeals relating to determinations in respect to claims for benefits: PROVIDED, That an appeal from any determination covering overpayment only shall be deemed to be an appeal from the determination which was the basis for establishing the overpayment unless the merits involved in the issue set forth in such determination have already been heard and passed upon by the appeal tribunal. If no such appeal is taken to the appeal tribunal by the individual within thirty days of the delivery of the notice of determination of liability, or within thirty days of the mailing of the notice of determination, whichever is the earlier, said determination of liability shall be deemed conclusive and final.

Whenever any such notice of determination of liability becomes conclusive and final, the commissioner, upon giving at least twenty days notice by certified mail return receipt requested to the individual's last known address of the intended action, may file with the superior court clerk of any county within the state a warrant in the amount of the notice of determination of liability plus a filing fee of five dollars. The clerk of the county where the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the person(s) mentioned in the warrant, the amount of the notice of determination of liability, and the date when the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to, and any interest in, all real and personal property of the person(s) against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. A warrant so docketed shall be sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state in the manner provided by law for a civil judgment. A copy of the
warrant shall be mailed to the person(s) mentioned in the warrant by certified mail to the person's last known address within five days of its filing with the clerk.

On request of any agency which administers an employment security law of another state, the United States, or a foreign government and which has found in accordance with the provisions of such law that a claimant is liable to repay benefits received under such law (by reason of having knowingly made a false statement or misrepresentation of a material fact with respect to a claim taken in this state as an agent for such agency), the commissioner may collect the amount of such benefits from the claimant to be refunded to the agency. In any case in which under this section a claimant is liable to repay any amount to the agency of another state, the United States, or a foreign government, such amounts may be collected without interest by civil action in the name of the commissioner acting as agent for such agency if the other state, the United States, or the foreign government extends such collection rights to the employment security department of the state of Washington, and provided that the court costs be paid by the governmental agency benefiting from such collection.

NEW SECTION. Sec. 3. A new section is added to chapter 50.13 RCW to read as follows:

(1) If information provided to the department by another governmental agency is held private and confidential by state or federal laws, the department may not release such information.

(2) Information provided to the department by another governmental entity conditioned upon privacy and confidentiality is to be held private and confidential according to the agreement between the department and other governmental agency.

(3) The department may hold private and confidential information obtained for statistical analysis, research, or study purposes if the information was supplied voluntarily, conditioned upon maintaining confidentiality of the information.

(4) Persons requesting disclosure of information held by the department under subsection (1) or (2) of this section shall request such disclosure from the agency providing the information to the department rather than from the department.

(5) This section supersedes any provisions of chapter 42.17 RCW to the contrary.

CHAPTER 93
[Substitute Senate Bill No. 5933]
STATE EMPLOYEES—ANNUAL LEAVE SHARING

AN ACT Relating to an annual leave sharing program for state employees; adding new sections to chapter 41.04 RCW; adding a new section to chapter 28A.58 RCW; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 41.04 RCW to read as follows:

The legislature finds that: (1) State employees historically have joined together to help their fellow employees who suffer from, or have relatives or household members suffering from, an extraordinary or severe illness, injury, impairment, or physical or mental condition which prevents the individual from working and causes great economic and emotional distress to the employee and his or her family; and (2) these circumstances may be exacerbated because the affected employees use all their accrued sick leave and annual leave and are forced to take leave without pay or terminate their employment. Therefore, the legislature intends to provide for the establishment of a leave sharing program.

NEW SECTION. Sec. 2. A new section is added to chapter 41.04 RCW to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout sections 1 through 7 of this act.

(1) "Employee" means any employee of the state, including employees of school districts and educational service districts, who are entitled to accrue sick leave or annual leave and for whom accurate leave records are maintained.

(2) "State agency" or "agency" means departments, offices, agencies, or institutions of state government, the legislature, institutions of higher education, school districts, and educational service districts.

(3) "Program" means the leave sharing program established in section 3 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 41.04 RCW to read as follows:

The Washington state leave sharing program is hereby created. The purpose of the program is to permit state employees, at no significantly increased cost to the state of providing annual leave, to come to the aid of a fellow state employee who is suffering from or has a relative or household member suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition which has caused or is likely to cause the employee to take leave without pay or terminate his or her employment.
NEW SECTION. Sec. 4. A new section is added to chapter 41.04 RCW to read as follows:

(1) An agency head may permit an employee to receive leave under this section if:
   (a) The employee suffers from, or has a relative or household member suffering from, an illness, injury, impairment, or physical or mental condition which is of an extraordinary or severe nature and which has caused, or is likely to cause, the employee to:
      (i) Go on leave without pay status; or
      (ii) Terminate state employment;
   (b) The employee's absence and the use of shared leave are justified;

   (d) The employee has abided by agency rules regarding sick leave use; and
   (e) The employee has diligently pursued and been found to be ineligible for benefits under chapter 51.32 RCW.

(2) The agency head shall determine the amount of leave, if any, which an employee may receive under this section. However, an employee shall not receive a total of more than two hundred sixty-one days of leave.

(3) An employee who has an accrued annual leave balance of more than ten days may request that the head of the agency for which the employee works transfer a specified amount of annual leave to another employee authorized to receive leave under subsection (1) of this section. In no event may the employee request a transfer of an amount of leave that would result in his or her annual leave account going below ten days.

(4) Transfers of leave made by an agency head under subsection (3) of this section shall not exceed the requested amount.

(5) Leave transferred under this section may be transferred from employees of one agency to an employee of the same agency or, with the approval of the heads of both agencies, to an employee of another state agency. However, leave transferred to or from employees of school districts or educational service districts is limited to transfers to or from employees within the same employing district.

(6) While an employee is on leave transferred under this section, he or she shall continue to be classified as a state employee and shall receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued annual leave or sick leave.

   (a) All salary and wage payments made to employees while on leave transferred under this section shall be made by the agency employing the person receiving the leave. The value of leave transferred shall be based upon the annual leave value of the person receiving the leave.
(b) In the case of leave transferred by an employee of one agency to an employee of another agency, the agencies involved shall arrange for the transfer of funds and credit for the appropriate value of leave.

(i) Pursuant to rules adopted by the office of financial management, funds shall not be transferred under this section if the transfer would violate any constitutional or statutory restrictions on the funds being transferred.

(ii) The office of financial management may adjust the appropriation authority of an agency receiving funds under this section only if and to the extent that the agency's existing appropriation authority would prevent it from expending the funds received.

(iii) Where any questions arise in the transfer of funds or the adjustment of appropriation authority, the director of financial management shall determine the appropriate transfer or adjustment.

(7) Leave transferred under this section shall not be used in any calculation to determine an agency's allocation of full time equivalent staff positions.

(8) The value of any leave transferred under this section which remains unused shall be returned at its original value to the employee or employees who transferred the leave when the agency head finds that the leave is no longer needed or will not be needed at a future time in connection with the illness or injury for which the leave was transferred. To the extent administratively feasible, the value of unused leave which was transferred by more than one employee shall be returned on a pro rata basis.

The state personnel board, the higher education personnel board, and other personnel authorities shall each adopt rules applicable to employees under their respective jurisdictions: (1) Establishing appropriate parameters for the program which are consistent with the provisions of sections 1 through 4 of this act; (2) providing for equivalent treatment of employees between their respective jurisdictions and allowing transfers of leave in accordance with section 4(5) of this act; (3) establishing procedures to ensure that the program does not significantly increase the cost of providing annual leave; and (4) providing for the administration of the program and providing for maintenance and collection of sufficient information on the program to allow a thorough legislative review.

which are consistent with the provisions of sections 1 through 4 of this act; and (2) establishing procedures to ensure that the program does not significantly increase the cost of providing annual leave.

NEW SECTION. Sec. 7. School districts, the department of personnel, the higher education personnel board, and other personnel authorities may adopt temporary emergency policies and procedures to implement the program on the effective date of this act so that donated leave may be used in lieu of leave without pay taken after the effective date of this act.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

CHAPTER 96
[Substit[. Senate Bill No. 5168]
WESTERN LIBRARY NETWORK—PRIVATE, NONPROFIT CORPORATION
STATUS

AN ACT Relating to the operation of an automated bibliographic service by the state library commission; amending RCW 27.26.010, 42.18.221, 27.04.045, and 41.06.070; adding

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that automated bibliographic, computer-based telecommunications, interlibrary, reference, and referral systems and related library services have proven to be a benefit to the citizens of the state of Washington; that these services have been provided through a network of public and private information providers both inside and outside the state; that the current governance structure of the network restricts the ability of the network to meet the needs of the library community and the citizens of Washington; that changes in the governance structure will result in increased efficiency, economy, and effectiveness of the network, in preserving the technology developed by the network, and in serving the library community and the citizens of Washington better; that the network now requires a new governance structure that allows the necessary operational flexibility in order to foster the continued availability of the benefits of the network to the citizens of Washington; and that the operation of the network as a private, nonprofit corporation is the best method to achieve these goals.

Sec. 2. Section 2, chapter 31, Laws of 1975-'76 2nd ex. sess. as amended by section 1, chapter 21, Laws of 1985 and RCW 27.26.010 are each amended to read as follows:

As used in this chapter, unless otherwise required by the context, the following definitions shall apply:

(1) "Western library network computer system" means the communication facilities, computers, and peripheral computer devices supporting the automated library system developed by the state of Washington;

(2) "Network" means the western library network which is an organization of autonomous, geographically dispersed participants using the western library network computer system, telecommunications systems, interlibrary systems, and reference and referral systems;

(3) "Resources" are library materials which include but are not limited to print, nonprint (e.g., audiovisual, realia, etc.), and microform formats; network resources such as software, hardware, and equipment; electronic and magneti- records; data bases; communication technology; facilities; and human expertise;

(4) "Telecommunications" includes any point to point transmission, emission, or reception of signs, signals, writing, images, and sounds or intelligence of any nature by wire, radio, microwave radio, optical, or other electromagnetic system, including any intervening processing and storage serving a point to point system;
(5) "Interlibrary loan system" means the accepted procedures among libraries by which library materials are made available in some format to users of another library;

(6) "Reference and referral system" pertains to procedures among libraries whereby subject or fact-oriented queries may be referred to another institution when the answering resource or subject expertise is unavailable in the institution originally queried;

(7) "Successor organization" means a private, nonprofit corporation created specifically to assume responsibility for providing the services now being provided by the western library network under this chapter. Any such private, nonprofit corporation shall qualify as a tax-exempt, nonprofit corporation under section 501(C) of the federal internal revenue code; shall include on its board of directors a majority of representation by public sector libraries or other public agencies; and shall agree to provide access to a bibliographic database and related service to network users. If no such corporation exists, which is capable, in the commission's opinion, of adequately assuming the networks' operations, then another governmental entity, an organization created under the interlocal cooperation act, chapter 39.34 RCW, or a corporation currently providing automated bibliographic, telecommunications, computer network, or equivalent services to libraries in the state of Washington shall be the successor organization;

(8) "Commission" means the Washington state library commission.

NEW SECTION. Sec. 3. (1) The commission may cooperate with other agencies both inside and outside the state of Washington to establish a private, nonprofit corporation for the purpose of providing automated bibliographic, computer-based telecommunications, interlibrary, reference, and referral systems, computer network services, and related library services that are equivalent to the services provided by the western library network on June 1, 1989. The commission may adopt policies and rules consistent with the purposes and provisions of sections 3 through 5, 9, and 11 of this act and RCW 42.18.221 pursuant to the administrative procedure act.

(2) The commission may terminate the services provided by the western library network before June 30, 1997, if a successor organization agrees to assume full responsibility for providing services that are equivalent to the services provided by the western library network on June 1, 1989, to the state library, other agencies of state and local government, and other users of the western library network. The commission may not terminate western library network services within six months after the effective date of this act. The commission may not enter into a contract with a successor organization for the delivery of network services after five and one-half years from the effective date of this act.

NEW SECTION. Sec. 4. In order to accomplish the establishment of a successor organization, the commission may take all necessary and proper steps, including:
(1) Transfer any equipment, software, database, other assets, or contracts for services to the successor organization under appropriate terms and conditions, including reasonable compensation deemed appropriate by the commission. However, the commission shall retain the right to repossess any such property transferred for a period of up to five years, in the event that the successor organization becomes bankrupt, insolvent, or is otherwise unable to provide network services that are satisfactory to a majority of the network users, or if the successor organization fails to comply with the provisions of any contract with the commission during the five-year period. In the event that the commission exercises its right to repossess under this section, any such property returned to the commission shall become the property of the state of Washington and shall be administered by the commission. If such a repossession occurs, the commission may provide western library network services;

(2) Unless otherwise provided by agreement, assign any membership agreements, software contracts, and other duties and responsibilities to the successor organization that are related to the western library network;

(3) Provide for personnel services by western library network employees, or other necessary support services to the successor organization under contract for up to a two-year period after the effective date of a contract between a successor organization and the commission for delivery of network services. The successor organization shall provide full reimbursement for all costs of services contracted for under this provision;

(4) Pay an annual membership fee to the successor organization not to exceed the value of services received; and

(5) Designate one or more persons to serve in the capacity of a member of the board of directors of a successor organization. The state shall not be liable for either the actions of the director in that capacity, nor for the actions of the successor organization.

NEW SECTION. Sec. 5. At the time western library network services are terminated by the commission pursuant to section 3(2) of this act:

(1) Any supplies, equipment, or other property, whether tangible or intangible, not transferred to the successor organization shall remain the property of the state of Washington and shall be administered by the commission;

(2) Any funds remaining in the western library network computer system revolving fund shall be used by the commission to meet outstanding obligations of the network not transferred to the successor organization. At such time as all such obligations have been fulfilled, any remaining funds shall be transferred to the general fund;

(3) Any contracts or other obligations of the western library network not transferred to the successor organization shall be the obligation of the Washington state library.
Sec. 6. Section 4, chapter 426, Laws of 1987 and RCW 42.18.221 are each amended to read as follows:

(1) No former state employee may at any time subsequent to his or her state employment assist another person, whether or not for compensation, in any transaction involving the state in which the former state employee at any time participated during state employment. This subsection shall not be construed to prohibit any employee or officer of a state employee organization from rendering assistance to state employees in the course of employee organization business.

(2) No former state employee may share in any compensation received by another person for assistance that the former state employee is prohibited from rendering under subsection (1) of this section. This subsection shall not apply to former state employees who were required by statute to have been active members of the state bar association and subject to the code of professional responsibility.

(3) No former state employee may, within a period of one year from the date of termination of state employment, accept employment or receive compensation from any private business if (a) the state employee, during the two years immediately preceding termination of state employment, was engaged in the negotiation or administration on behalf of the state or agency of one or more contracts with that private business and was in a position to make discretionary decisions affecting the outcome of such negotiation or the nature of such administration, (b) such a contract or contracts have a total value of more than ten thousand dollars, and (c) the duties of the employment by the private business or the activities for which the compensation would be received from the private business include fulfilling or implementing, in whole or in part, the provisions of such a contract or contracts or include the supervision or control of actions taken to fulfill or implement, in whole or in part, the provisions of such a contract or contracts. This subsection shall not be construed to prevent a state employee from accepting employment with a state employee organization.

(4) No former state employee may accept an offer of employment or receive compensation from any private business if the state employee knows or has reason to believe that the offer of employment or compensation was intended, in whole or in part, directly or indirectly, as compensation or reward for the performance or nonperformance of a duty by the state employee during the course of state employment.

(5) For the purposes of this section, the term "private business" includes any natural person, partnership, association, or corporation of any kind or description that is engaged in business activity in this state or elsewhere. If any natural person, closely associated or related group of natural persons, partnership, or corporation owns or controls two or more businesses, all of the businesses owned or controlled shall be defined as a single private business for the purposes of this section. The term "private business,"
for purposes of this section, does not include a "successor organization" as defined under RCW 27.26.010.

(6) This section shall not be construed to prevent a former state employee from rendering assistance to others if the assistance is provided without compensation in any form and is limited to one or more of the following:

(a) Providing the names, addresses, and telephone numbers of state agencies or state employees;

(b) Providing free transportation to another for the purpose of conducting business with a state agency;

CHAPTER 98
[Substitute Senate Bill No. 5790]
MORTGAGE LOAN SERVICING—SALE, TRANSFER, OR ASSIGNMENT—DISCLOSURES AND DUTIES

AN ACT Relating to residential mortgage loans; adding a new chapter to Title 19 RCW; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The ability of individuals to obtain information relating to their residential mortgage loans is vital to the financial needs of mortgagors in Washington. The public interest is adversely affected when a residential mortgage loan's servicing is sold or transferred with insufficient notification given to the mortgagor. In addition, mortgagors may experience difficulty in obtaining various mortgage loan information including information concerning mortgage loan prepayments, reserve accounts, and adjustments to monthly payments. The legislature finds that the legitimate interests of mortgagors and mortgage loan servicers are served if the disclosure of the potential sale of loan servicing is made to the mortgagor, reasonable notification of a residential mortgage loan servicing's sale is made, and continued mortgagor access to information regarding the mortgage loan is promoted.

NEW SECTION. Sec. 2. Unless the context requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Lender" shall mean any person in the business of making a loan.

(2) "Loan" shall mean any loan used to finance the acquisition of a one-to-four family owner occupied residence located in this state.

(3) "Purchasing servicing agent" is any person who purchases, receives through transfer or assignment, or otherwise acquires the responsibility of the servicing for a loan.
(4) "Person" shall include an individual, firm, association, partnership, business, trust, corporation, or any other legal entity whether resident or nonresident.

NEW SECTION. Sec. 3. (1) If the servicing for the loan is subject to sale, transfer, or assignment, a lender shall so disclose in writing at the time of or prior to loan closing and shall also disclose in the same writing that when such servicing is sold, transferred, or assigned, the purchasing servicing agent is required to provide notification to the mortgagor. If a lender, which has not provided the notice required by this subsection, consolidates with, merges with or is acquired by another institution, and thereafter loan servicing becomes subject to sale, transfer, or assignment, that institution shall within thirty days of such transaction make the disclosure in writing to the obligor primarily responsible for repaying each loan according to the records of the lender.

(2) If the servicing of a loan is sold, assigned, transferred, or otherwise acquired by another person, the purchasing servicing agent shall:

(a)(i) Issue corrected coupon or payment books, if used and necessary;

(ii) Provide notification to the mortgagor at least thirty days prior to the due date of the first payment to the purchasing servicing agent, of the name, address, and telephone number of the division from whom the mortgagor can receive information regarding the servicing of the loan; and

(iii) Inform the mortgagor of changes made regarding the servicing requirements including, but not limited to, interest rate, monthly payment amount, and escrow balance; and

(b) Respond within fifteen business days upon receipt of a written request for information from a mortgagor. A written response must include the telephone number of the company division who can assist the mortgagor.

(3) Any person injured by a violation of this chapter may bring an action for actual damages and reasonable attorneys' fees and costs incurred in bringing the action.

NEW SECTION. Sec. 4. Sections 1 through 3 of this act shall constitute a new chapter in Title 19 RCW.

NEW SECTION. Sec. 5. This act shall take effect on January 1, 1990.

Passed the House April 4, 1989.

CHAPTER 101
[Substitute Senate Bill No. 5098]
TELECOMMUNICATIONS COMPANIES—RATE SETTING PROCEDURES

AN ACT Relating to the regulation of telecommunications companies; amending RCW 80.04.010, 80.36.170, 80.36.180, 80.36.150, 80.36.100, 80.36.130, 80.36.270, 80.36.310, 80.36.320, 80.36.330, 80.04.110, and 80.36.901; reenacting and amending RCW 80.04-.130; and adding new sections to chapter 80.36 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 80.36 RCW to read as follows:

(1) The legislature declares that:

(a) Changes in technology and the structure of the telecommunications industry may produce conditions under which traditional rate of return, rate base regulation of telecommunications companies may not in all cases provide the most efficient and effective means of achieving the public policy goals of this state as declared in RCW 80.36.300, this section, and section 3 of this act. The commission should be authorized to employ an alternative form of regulation if that alternative is better suited to achieving those policy goals.

(b) Because of the great diversity in the scope and type of services provided by telecommunications companies, alternative regulatory arrangements that meet the varying circumstances of different companies and their ratepayers may be desirable.

(2) Subject to the conditions set forth in this chapter and RCW 80-.04.130, the commission may regulate telecommunications companies subject before the effective date of this act to traditional rate of return, rate base regulation by authorizing an alternative form of regulation. The commission may determine the manner and extent of any alternative forms of regulation as may in the public interest be appropriate. In addition to the public policy goals declared in RCW 80.36.300, the commission shall consider, in determining the appropriateness of any proposed alternative form of regulation, whether it will:

(a) Reduce regulatory delay and costs;
(b) Encourage innovation in services;
(c) Promote efficiency;
(d) Facilitate the broad dissemination of technological improvements to all classes of ratepayers;
(e) Enhance the ability of telecommunications companies to respond to competition;
(f) Ensure that telecommunications companies do not have the opportunity to exercise substantial market power absent effective competition or effective regulatory constraints; and
(g) Provide fair, just, and reasonable rates for all ratepayers.

The commission shall make written findings of fact as to each of the above-stated policy goals in ruling on any proposed alternative form of regulation.

(3) A telecommunications company subject to traditional rate of return, rate base regulation may petition the commission to regulate the company under an alternative form of regulation. The company shall submit with its petition its plan for an alternative form of regulation. The plan shall contain the company's proposal for transition to the alternative form of regulation. The commission shall review and may modify or reject the company's proposed plan. The commission also may initiate consideration of alternative forms of regulation for a company or companies on its own motion. The commission may approve the plan or modified plan and authorize its implementation, if it finds, after notice and hearing, that the plan or modified plan:

(a) Is in the public interest;
(b) Is necessary to respond to such changes in technology and the structure of the intrastate telecommunications industry as are in fact occurring;
(c) Is better suited to achieving the policy goals set forth in RCW 80-36.300 and this section than the traditional rate of return, rate base regulation;
(d) Ensures that ratepayers will benefit from any efficiency gains and cost savings arising out of the regulatory change and will afford ratepayers the opportunity to benefit from improvements in productivity due to technological change;
(e) Will not result in a degradation of the quality or availability of efficient telecommunications services;
(f) Will produce fair, just, and reasonable rates for telecommunications services; and
(g) Will not unduly or unreasonably prejudice or disadvantage any particular customer class.

(4) Not later than sixty days from the entry of the commission's order, the company may file with the commission an election not to proceed with the alternative form of regulation as authorized by the commission. If the company elects to appeal to the courts the final order of the commission authorizing an alternative form of regulation, it shall not change its election to proceed or not proceed after the appeal is concluded. The pendency of a petition by the company for judicial review of the final order shall not serve to extend the sixty–day period.

(5) The commission may waive such regulatory requirements under Title 80 RCW for a telecommunications company subject to an alternative form of regulation as may be appropriate to facilitate the implementation of this section: PROVIDED, That the commission may not grant the authority
to price list services except as provided in RCW 80.36.300 through 80.36-.370, the regulatory flexibility act, nor may it waive any statutory require-
ments or grants of legal rights to any person contained in this chapter and
chapter 80.04 RCW as amended, except as otherwise expressly provided. The commission may waive different regulatory requirements for different
companies or services if such different treatment is in the public interest.

(6) Upon petition by any person, or upon its own motion, the commis-
sion may rescind its approval of an alternative form of regulation if, after
notice and hearing, it finds that the conditions set forth in subsection (3)
of this section can no longer be satisfied. The commission or any person may
file a complaint alleging that the rates charged by a telecommunications
company under an alternative form of regulation are unfair, unjust, unre-
asonable, unduly discriminatory, or are otherwise not consistent with the re-
quirements of this act: PROVIDED, That the complainant shall bear the
burden of proving the allegations in the complaint.

Sec. 2. Section 1, chapter 229, Laws of 1987 and RCW 80.04.010 are

"Electrical company" does not include a company or person employing a cogeneration facility solely for the generation of electricity for its own use or the use of its tenants or for sale to an electrical company, state or local public agency, municipal corporation, or quasi municipal corporation engaged in the sale or distribution of electrical energy, but not for sale to others, unless such company or person is otherwise an electrical company.

The term "service" is used in this title in its broadest and most inclusive sense.

NEW SECTION. Sec. 3. A new section is added to chapter 80.36 RCW to read as follows:
(1) The legislature declares that the availability of an alternative abbreviated formal procedure for use by the commission instead of a full adjudicative proceeding may in appropriate circumstances advance the public interest by reducing the time required by the commission for decision and the costs incurred by interested parties and ratepayers. Therefore, the commission is authorized to use formal investigation and fact-finding instead of an adjudicative proceeding under chapter 34.05 RCW when it determines that its use is in the public interest and that a full adjudicative hearing is not necessary to fully develop the facts relevant to the proceeding and the positions of the parties, including intervenors.

(2) The commission may use formal investigation and fact-finding instead of the hearing provided in the following circumstances:
   (a) A complaint proceeding under RCW 80.04.110 with concurrence of the respondent when the commission is the complainant or with concurrence of the complainant and respondent when not the commission;
   (b) A tariff suspension under RCW 80.04.130; or
   (c) A competitive classification proceeding under RCW 80.36.320 and 80.36.330.

(3) In formal investigation and fact-finding the commission may limit the record to written submissions by the parties, including intervenors. The commission shall review the written submissions and, based thereon, shall enter appropriate findings of fact and conclusions of law and its order. When there is a reasonable expression of public interest in the issues under consideration, the commission shall hold at least one public hearing for the receipt of information from members of the public that are not formal intervenors in the proceeding and may elect to convert the proceeding to an adjudicative proceeding at any stage. The assignment of an agency employee or administrative law judge to preside at such public hearing shall not require the entry of an initial order.

(4) The commission shall adopt rules of practice and procedure including rules for discovery of information necessary for the use of formal investigation and fact-finding and for the filing of written submissions. The commission may provide by rule for a number of rounds of written comments: PROVIDED, That the party with the burden of proof shall always have the opportunity to file reply comments.

Sec. 4. Section 80.36.170, chapter 14, Laws of 1961 as amended by section 31, chapter 450, Laws of 1985 and RCW 80.36.170 are each amended to read as follows:

No telecommunications company shall make or give any undue or unreasonable preference or advantage to any person, corporation or locality, or subject any particular person, corporation or locality to any undue or unreasonable prejudice or disadvantage in any respect whatsoever. The commission shall have primary jurisdiction to determine whether any rate,
regulation, or practice of a telecommunications company violates this section. This section shall not apply to contracts offered by a telecommunications company classified as competitive or to contracts for services classified as competitive under RCW 80.36.320 and 80.36.330.  

Sec. 5. Section 80.36.180, chapter 14, Laws of 1961 as amended by section 32, chapter 450, Laws of 1985 and RCW 80.36.180 are each amended to read as follows:  

No telecommunications company shall, directly or indirectly, or by any special rate, rebate, drawback or other device or method, unduly or unreasonably charge, demand, collect or receive from any person or corporation a greater or less compensation for any service rendered or to be rendered with respect to communication by telecommunications or in connection therewith, except as authorized in this title or Title 81 RCW than it charges, demands, collects or receives from any other person or corporation for doing a like and contemporaneous service with respect to communication by telecommunications under the same or substantially the same circumstances and conditions. The commission shall have primary jurisdiction to determine whether any rate, regulation, or practice of a telecommunications company violates this section. This section shall not apply to contracts offered by a telecommunications company classified as competitive or to contracts for services classified as competitive under RCW 80.36.320 or 80.36.330.  

NEW SECTION. Sec. 6. A new section is added to chapter 80.36 RCW to read as follows:  

Notwithstanding any other provision of this chapter, no telecommunications company shall offer a discounted message toll service based on volume that prohibits aggregation of volumes across all territory with respect to which that company functions as an interexchange carrier. The commission shall continue to have the authority to require state-wide, averaged toll rates to be made available by any telecommunications company subject to its jurisdiction.  

NEW SECTION. Sec. 7. A new section is added to chapter 80.36 RCW to read as follows:  

Notwithstanding any other provision of this chapter, no telecommunications company providing noncompetitive services shall, as to the pricing of or access to noncompetitive services, make or grant any undue or unreasonable preference or advantage to itself or to any other person providing telecommunications service, nor subject any telecommunications company to any undue or unreasonable prejudice or competitive disadvantage. The commission shall have primary jurisdiction to determine whether any rate, regulation, or practice of a telecommunications company violates this section.
Sec. 8. Section 80.36.150, chapter 14, Laws of 1961 as amended by section 29, chapter 450, Laws of 1985 and RCW 80.36.150 are each amended to read as follows:

(1) Every telecommunications company shall file with the commission, as and when required by it, a copy of any contract, agreement or arrangement in writing with any other telecommunications company, or with any other corporation, association or person relating in any way to the construction, maintenance or use of a telecommunications line or service by, or rates and charges over and upon, any such telecommunications line. The commission shall adopt rules that provide for the filing by telecommunications companies on the public record of the essential terms and conditions of every contract for service. The commission shall not require that customer proprietary information contained in contracts be disclosed on the public record.

(2) The commission shall not treat contracts as tariffs or price lists. The commission may require noncompetitive service to be tariffed unless the company demonstrates that the use of a contract is in the public interest based upon a customer requirement or a competitive necessity for deviation from tariffed rates, terms and conditions, or that the contract is for a new service with limited demand.

(3) Contracts shall be for a stated time period and shall cover the costs for the service contracted for, as determined by commission rule or order. Contracts shall be enforceable by the contracting parties according to their terms, unless the contract has been rejected by the commission before its stated effective date as improper under the commission's rules and orders, or the requirements of this chapter. If the commission finds a contract to be below cost after it has gone into effect, based on commission rules or orders or the requirements of this chapter in effect at the time of the execution of the contract, it may make the appropriate adjustment to the contracting company's revenue requirement in a subsequent proceeding.

(4) Contracts executed and filed prior to the effective date of this act are deemed lawful and enforceable by the contracting parties according to the contract terms. If the commission finds that any existing contract provides for rates that are below cost, based on commission rules or orders or the requirements of this chapter in effect at the time of the execution of the contract, it may make the appropriate adjustment to the contracting company's revenue requirement in a subsequent proceeding.

(5) If a contract covers competitive and noncompetitive services, the noncompetitive services shall be unbundled and priced separately from all other services and facilities in the contract. Such noncompetitive services shall be made available to all purchasers under the same or substantially the same circumstances at the same rate, terms, and conditions.
Sec. 9. Section 80.36.100, chapter 14, Laws of 1961 as amended by section 24, chapter 450, Laws of 1985 and RCW 80.36.100 are each amended to read as follows:

Every telecommunications company shall file with the commission and shall print and keep open to public inspection at such points as the commission may designate, schedules showing the rates, tolls, rentals, ((contracts)) and charges of such companies for messages, conversations and services rendered and equipment and facilities supplied for messages and services to be performed within the state between each point upon its line and all other points thereon, and between each point upon its line and all points upon every other similar line operated or controlled by it, and between each point on its line or upon any line leased, operated or controlled by it and all points upon the line of any other similar company, whenever a through service and joint rate shall have been established or ordered between any two such points. If no joint rate covering a through service has been established, the several companies in such through service shall file, print and keep open to public inspection as aforesaid the separately established rates, tolls, rentals, ((contracts)) and charges applicable for such through service. The schedules printed as aforesaid shall plainly state the places between which telecommunications service, or both, will be rendered, and shall also state separately all charges and all privileges or facilities granted or allowed, and any rules or regulations ((or forms of contract)) which may in anywise change, affect or determine any of the aggregate of the rates, tolls, rentals or charges for the service rendered. A schedule shall be plainly printed in large type, and a copy thereof shall be kept by every telecommunications company readily accessible to and for convenient inspection by the public at such places as may be designated by the commission, which schedule shall state the rates charged from such station to every other station on such company's line, or on any line controlled and used by it within the state. All or any of such schedules kept as aforesaid shall be immediately produced by such telecommunications company upon the demand of any person. A notice printed in bold type, and stating that such schedules are on file and open to inspection by any person, the places where the same are kept, and that the agent will assist such person to determine from such schedules any rate, toll, rental, rule or regulation which is in force shall be kept posted by every telecommunications company in a conspicuous place in every station or office of such company.

Sec. 10. Section 80.36.110, chapter 14, Laws of 1961 as amended by section 25, chapter 450, Laws of 1985 and RCW 80.36.110 are each amended to read as follows:

Unless the commission otherwise orders, no change shall be made in any rate, toll, rental, ((contract)) or charge, which shall have been filed and
published by any telecommunications company in compliance with the require-ments of RCW 80.36.100, except after thirty days' notice to the commis-sion and publication ;or thirty days as required in the case of original schedules in RCW 80.36.100, which notice shall plainly state the changes proposed to be made in the schedule then in force, and the time when the changed rate, toll, ((contract)) or charge will go into effect, and all pro-posed changes shall be showr by printing, filing and publishing new sched-ules, or shall be plainly indicated upon the schedules in force at the time and kept open to public inspection. The commission for good cause shown may allow changes in rates, charges, tolls, or rentals ((or contracts)) with-out requiring the thirty days' notice and publication herein provided for, by an order specifying the change so to be made and the time when it shall take effect, and the manner in which the same shall be filed and published. When any change is made in any rate, toll, ((contract;)) rental or charge, the effect of which is to increase any rate, toll, rental or charge then exist-ing, attention shall be directed on the copy filed with the commission to such increase by some character immediately preceding or following the item in such schedule, which character shall be in such form as the com-mission may designate.

Sec. 11. Section 80.36.130, chapter 14, Laws of 1961 as amended by section 27, chapter 450, Laws of 1985 and RCW 80.36.130 are each amended to read as follows:

Except as provided in RCW 80.36.150, no telecommunications compa-ny shall charge, demand, collect or receive different compensation for any service rendered or to be rendered than the charge applicable to such service as specified in its schedule on file and in effect at that time, nor shall any telecommunications company refund or remit, directly or indirectly, any portion of the rate or charge so specified, nor extend to any person or cor-poration any form of contract or agreement or any rule or regulation or any privilege or facility except such as are specified in its schedule filed and in effect at the time, and regularly and uniformly extended to all persons and corporations under like circumstances for like or substantially similar service.

No telecommunications company subject to the provisions of this title shall, directly or indirectly, give any free or reduced service or any free pass or frank for the transmission of messages by telecommunications between points within this state, except to its officers, employees, agents, pensioners, surgeons, physicians, attorneys at law, and their families, and persons and corporations exclusively engaged in charitable and eleemosynary work, and ministers of religion, Young Men's Christian Associations, Young Women's Christian Associations; to indigent and destitute persons, and to officers and employees of other telecommunications companies, railroad companies, and street railroad companies.
Sec. 12. Section 80.36.270, chapter 14, Laws of 1961 as amended by section 39, chapter 450, Laws of 1985 and RCW 80.36.270 are each amended to read as follows:

Nothing in this title shall be construed to prevent any telecommunications company from continuing to furnish the use of its line, equipment or service under any contract or contracts in force on June 7, 1911 or upon the taking effect of any schedule or schedules of rates subsequently filed with the commission, as herein provided, at the rates fixed in such contract or contracts((. PROVIDED, That the commission shall have power, in its discretion, to direct by order that such contract or contracts shall be terminated by the telecommunications company party thereto, and thereupon such contract or contracts shall be terminated by such telecommunications company as and when directed by such order)).

Sec. 13. Section 2, chapter 229, Laws of 1987 and section 1, chapter 333, Laws of 1987 and RCW 80.04.130 are each reenacted and amended to read as follows:

(1) Whenever any public service company shall file with the commission any schedule, classification, rule or regulation, the effect of which is to change any rate, charge, rental or toll theretofore charged, the commission shall have power, either upon its own motion or upon complaint, upon notice, to enter upon a hearing concerning such proposed change and the reasonableness and justness thereof, and pending such hearing and the decision thereon the commission may suspend the operation of such rate, charge, rental or toll for a period not exceeding ten months from the time the same would otherwise go into effect, and after a full hearing the commission may make such order in reference thereto as would be provided in a hearing initiated after the same had become effective. The commission shall not suspend a tariff that makes a decrease in a rate, charge, rental, or toll filed by a telecommunications company pending investigation of the fairness, justness, and reasonableness of the decrease when the filing does not contain any offsetting increase to another rate, charge, rental, or toll and the filing company agrees to not file for an increase to any rate, charge, rental, or toll to recover the revenue deficit that results from the decrease for a period of one year. The filing company shall file with any decrease sufficient information as the commission by rule may require to demonstrate the decreased rate, charge, rental, or toll is above the long run incremental cost of the service. A tariff decrease that results in a rate that is below long run incremental cost, or is contrary to commission rule or order, or the requirements of this chapter, shall be rejected for filing and returned to the company. The commission may prescribe a different rate to be effective on the prospective date stated in its final order after its investigation, if it concludes based on the record that the originally filed and effective rate is unjust, unfair, or unreasonable.
The commission may suspend the initial tariff filing of any water company removed from and later subject to commission jurisdiction because of the number of customers or the average annual gross revenue per customer provisions of RCW 80.04.010. The commission may allow temporary rates during the suspension period. These rates shall not exceed the rates charged when the company was last regulated. Upon a showing of good cause by the company, the commission may establish a different level of temporary rates.

(2) At any hearing involving any change in any schedule, classification, rule or regulation the effect of which is to increase any rate, charge, rental or toll theretofore charged, the burden of proof to show that such increase is just and reasonable shall be upon the public service company.

(3) The implementation of mandatory local measured telecommunications service is a major policy change in available telecommunications service. The commission shall not accept for filing or approve, prior to June 1, 1993, a tariff filed by a telecommunications company which imposes mandatory local measured service on any customer or class of customers, except that, upon finding that it is in the public interest, the commission may accept for filing and approve a tariff that imposes mandatory measured service for a telecommunications company's extended area service or foreign exchange service. This subsection does not apply to land, air, or marine mobile service, or to pay telephone service, or to any service which has been traditionally offered on a measured service basis.

(4) The implementation of lifeline service is a major policy change in available telecommunications service. The implementation of lifeline service will aid in achieving the stated goal of universal telephone service.

Sec. 14. Section 3, chapter 450, Laws of 1985 and RCW 80.36.310 are each amended to read as follows:

Telecommunications companies may petition to be classified as competitive telecommunications companies under RCW 80.36.320 or to have services classified as competitive telecommunications services under RCW 80.36.330. The commission may initiate classification proceedings on its own motion. The commission may require all regulated telecommunications companies potentially affected by a classification proceeding to appear as parties for a determination of their classification. The commission shall enter its final order with respect to classification within ten months from the date of filing of a company’s petition or the commission’s motion.

Sec. 15. Section 4, chapter 450, Laws of 1985 and RCW 80.36.320 are each amended to read as follows:

(1) The commission shall classify a telecommunications company providing service in a relevant market as a competitive telecommunications company if it finds, after notice and hearing, that the telecommunications company has demonstrated that the services it offers are subject to effective competition. Effective competition means that the company's customers have reasonably available alternatives and that the company does not have a
significant captive customer base. In determining whether a company is competitive, factors the commission shall consider include but are not limited to:

(a) The number and sizes of alternative providers of service;
(b) The extent to which services are available from alternative providers in the relevant market;
(c) The ability of alternative providers to make functionally equivalent or substitute services readily available at competitive rates, terms, and conditions; and
(d) Other indicators of market power which may include market share, growth in market share, ease of entry, and the affiliation of providers of services.

The commission shall conduct the initial classification and any subsequent review of the classification in accordance with such procedures as the commission may establish by rule.

(2) Competitive telecommunications companies shall be subject to minimal regulation. Minimal regulation means that competitive telecommunications companies may file, instead of tariffs, price lists which shall be effective after ten days' notice to the commission and customers. The commission shall prescribe the form of notice. The commission may also waive other regulatory requirements under this title for competitive telecommunications companies when it determines that competition will serve the same purposes as public interest regulation. The commission may waive different regulatory requirements for different companies if such different treatment is in the public interest. A competitive telecommunications company shall at a minimum:

(a) Keep its accounts according to regulations as determined by the commission;
(b) File financial reports with the commission as required by the commission and in a form and at times prescribed by the commission;
(c) Keep on file at the commission such current price lists and service standards as the commission may require; and
(d) Cooperate with commission investigations of customer complaints.

(3) When a telecommunications company has demonstrated that the equal access requirements ordered by the federal district court in the case of U.S. v. AT&T, 552 F.Supp. 131 (1982), or in supplemental orders, have been met, the commission shall review the classification of telecommunications companies providing inter-LATA interexchange services. At that time, the commission shall classify all such companies as competitive telecommunications companies unless it finds that effective competition, as defined in subsection (1) of this section, does not then exist.

(4) The commission may revoke any waivers it grants and may reclassify any competitive telecommunications company if such revocation or reclassification would protect the public interest.
(5) The commission may waive the requirements of RCW 80.36.170 and 80.36.180 in whole or in part for a competitive telecommunications company if it finds that competition will serve the same purpose and protect the public interest.

Sec. 16. Section 5, chapter 450, Laws of 1985 and RCW 80.36.330 are each amended to read as follows:

(1) The commission may classify a telecommunications service provided by a telecommunications company as a competitive telecommunications service if it finds, after notice and hearing, that the service is subject to effective competition. Effective competition means that customers of the service have reasonably available alternatives and that the service is not provided to a significant captive customer base. In determining whether a service is competitive, factors the commission shall consider include but are not limited to:

(a) The number and size of alternative providers of services;
(b) The extent to which services are available from alternative providers in the relevant market;
(c) The ability of alternative providers to make functionally equivalent or substitute services readily available at competitive rates, terms, and conditions; and
(d) Other indicators of market power, which may include market share, growth in market share, ease of entry, and the affiliation of providers of services.

(2) When the commission finds that a telecommunications company has demonstrated that a telecommunications service is competitive, the commission may permit the service to be provided under a price list effective on ten days notice to the commission and customers. The commission shall prescribe the form of notice. The commission may adopt procedural rules necessary to implement this section.

(3) Prices or rates charged for competitive telecommunications services shall cover their cost. The commission shall determine proper cost standards to implement this section, provided that in making any assignment of costs or allocating any revenue requirement, the commission shall act to preserve affordable universal telecommunications service.

(4) The commission may investigate prices for competitive telecommunications services upon complaint. In any complaint proceeding initiated by the commission, the telecommunications company providing the service shall bear the burden of proving that the prices charged cover cost, and are fair, just, and reasonable.

(5) Telecommunications companies shall provide the commission with all data it deems necessary to implement this section.

(6) No losses incurred by a telecommunications company in the provision of competitive services may be recovered through rates for noncompetitive services. The commission may order refunds or credits to any class of
subscribers to a noncompetitive telecommunications service which has paid excessive rates because of below cost pricing of competitive telecommunications services.

(7) The commission may reclassify any competitive telecommunications service if reclassification would protect the public interest.

CHAPTER 105
[House Bill No. 1220]
WATER AND SEWER DISTRICTS—CONTRACT PROJECTS—BIDS AND USE OF
SMALL WORKS ROSTER

AN ACT Relating to contract projects by water and sewer districts; and amending RCW
56.08.070 and 57.08.050.

Be it enacted by the Legislature of the State of Washington:
Sec. 1. Section 44, chapter 210, Laws of 1941 as last amended by section 1, chapter 309, Laws of 1987 and RCW 56.08.070 are each amended to read as follows:

(1) All materials purchased and work ordered, the estimated cost of which is in excess of five thousand dollars shall be let by contract. All contract projects, the estimated cost of which is less than \((25\text{,}000)\) fifty thousand dollars, may be awarded to a contractor on the small works roster. The small works roster shall be comprised of all responsible contractors who have requested to be on the list. The board of sewer commissioners may set up uniform procedures to prequalify contractors for inclusion on the small works roster. The board of sewer commissioners shall authorize by resolution a procedure for securing telephone and/or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. Such procedure shall require that a good faith effort be made to request quotations from all contractors on the small works roster. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry. The small works roster shall be revised once a year. All contract projects equal to or in excess of \((25\text{,}000)\) fifty thousand dollars shall be let by competitive bidding. Before awarding any competitive contract the board of sewer commissioners shall cause a notice to be published in a newspaper in general circulation where the district is located at least once, ten days before the letting of such contract, inviting sealed proposals for such work, plans and specifications which must at the time of publication of such notice be on file in the office of the board of sewer commissioners subject to public inspection. Such notice shall state generally the work to be done and shall call for proposals for doing the same to be sealed and filed with the board of sewer commissioners on or before the day and hour named therein.

(2) Each bid shall be accompanied by a bid proposal deposit in the form of a certified check, cashier's check, postal money order, or surety bond payable to the order of the county treasurer for a sum not less than five percent of the amount of the bid and no bid shall be considered unless accompanied by such bid proposal deposit. At the time and place named such bids shall be publicly opened and read and the board of sewer commissioners shall proceed to canvass the bids and may let such contract to the lowest responsible bidder upon plans and specifications: PROVIDED, That no contract shall be let in excess of the cost of said materials or work, or if in the opinion of the board of sewer commissioners all bids are unsatisfactory they may reject all of them and readvertise and in such case all checks, cash or bid bonds shall be returned to the bidders. If such contract be let, then all checks, cash or bid bonds shall be returned to the bidders, except that of the successful bidder, which shall be retained until a contract shall be entered into for the purchase of such materials or doing such work,
and a bond to perform such work furnished with sureties satisfactory to the
board of sewer commissioners in the full amount of the contract price be-
tween the bidder and the commission in accordance with bid. If said bidder
fails to enter into said contract in accordance with said bid and furnish such
bond within ten days from the date at which he is notified that he is the
successful bidder, the said check, cash or bid bonds and the amount thereof
shall be forfeited to the sewer district.

(3) In the event of an emergency when the public interest or property
of the sewer district would suffer material injury or damage by delay, upon
resolution of the board of sewer commissioners, or proclamation of an offi-
cial designated by the board to act for the board during such emergencies,
declaring the existence of such emergency and reciting the facts constituting
the same, the board, or the official acting for the board, may waive the re-
quirements of this chapter with reference to any purchase or contract. In
addition, these requirements may be waived for purchases which are clearly
and legitimately limited to a single source of supply and purchases involving
special facilities, services, or market conditions, in which instances the pur-
chase price may be best established by direct negotiation.

Sec. 2. Section 21, chapter 114, Laws of 1929 as last amended by sec-
tion 2, chapter 309, Laws of 1987 and RCW 57.08.050 are each amended
to read as follows:

(1) The board of water commissioners shall have authority to create
and fill such positions and fix salaries and bonds thereof as it may by reso-
lution provide.

(2) All materials purchased and work ordered, the estimated cost of
which is in excess of five thousand dollars shall be let by contract. All con-
tract projects, the estimated cost of which is less than (twenty-five) fifty
thousand dollars, may be awarded to a contractor on the small works roster.
The small works roster shall be comprised of all responsible contractors who
have requested to be on the list. The board of water commissioners may set
up uniform procedures to prequalify contractors for inclusion on the small
works roster. The board of water commissioners shall authorize by resolu-
tion a procedure for securing telephone and/or written quotations from the
contractors on the small works roster to assure establishment of a competi-
tive price and for awarding contracts to the lowest responsible bidder. Such
procedure shall require that a good faith effort be made to request quota-
tions from all contractors on the small works roster. Immediately after an
award is made, the bid quotations obtained shall be recorded, open to public
inspection, and available by telephone inquiry. The small works roster shall
be revised once a year. All contract projects equal to or in excess of
(twenty-five) fifty thousand dollars shall be let by competitive bidding.
Before awarding any such contract the board of water commissioners shall
cause a notice to be published in a newspaper in general circulation where
the district is located at least once ten days before the letting of such con-
tract, inviting sealed proposals for such work, plans and specifications which
must at the time of publication of such notice be on file in the office of the
board of water commissioners subject to public inspection. Such notice shall
state generally the work to be done and shall call for proposals for doing the
same to be sealed and filed with the board of water commissioners on or
before the day and hour named therein.

(3) Each bid shall be accompanied by a certified or cashier’s check or
postal money order payable to the order of the county treasurer for a sum
not less than five percent of the amount of the bid, or accompanied by a bid
bond in an amount not less than five percent of the bid with a corporate
surety licensed to do business in the state, conditioned that the bidder will
pay the district as liquidated damages the amount specified in the bond,
unless he enters into a contract in accordance with his bid, and no bid shall
be considered unless accompanied by such check, cash or bid bond. At the
time and place named such bids shall be publicly opened and read and the
board of water commissioners shall proceed to canvass the bids and may let
such contract to the lowest responsible bidder upon plans and specifications
on file or to the best bidder submitting his own plans and specifications:
PROVIDED, That no contract shall be let in excess of the cost of said ma-
terials or work, or if in the opinion of the board of water commissioners all
bids are unsatisfactory they may reject all of them and readvertise and in
such case all checks, cash or bid bonds shall be returned to the bidders. If
such contract be let, then all checks, cash or bid bonds shall be returned to
the bidders, except that of the successful bidder, which shall be retained
until a contract shall be entered into for the purchase of such materials or
doing such work, and a bond to perform such work furnished with sureties
satisfactory to the board of water commissioners in the full amount of the
contract price between the bidder and the commission in accordance with
the bid. If said bidder fails to enter into said contract in accordance with
said bid and furnish such bond within ten days from the date at which he is
notified that he is the successful bidder, the said check, cash or bid bonds
and the amount thereof shall be forfeited to the water district: PROVIDED,
That if the bidder fails to enter into a contract in accordance with his bid,
and the board of water commissioners deems it necessary to take legal ac-
tion to collect on any bid bond required herein, then the water district shall
be entitled to collect from said bidder any legal expenses, including reason-
able attorneys’ fees occasioned thereby.

(4) In the event of an emergency when the public interest or property
of the water district would suffer material injury or damage by delay, upon
resolution of the board of water commissioners, or proclamation of an offi-
cial designated by the board to act for the board during such emergencies,
declaring the existence of such emergency and reciting the facts constituting
the same, the board, or official acting for the board, may waive the require-
ments of this chapter with reference to any purchase or contract. In addi-
tion, these requirements may be waived for purchases which are clearly and
legitimately limited to a single source of supply and purchases involving
special facilities, services, or market conditions, in which instances the pur-
chase price may be best established by direct negotiation.

(5) A person who engages in or offers to engage in the activities of a
registered tow truck operator may not be associated in any way with a per-

Sec. 9. Section 10, chapter 377, Laws of 1985 as amended by section 8,
chapter 311, Laws of 1987 and RCW 46.55.100 are each amended to read
as follows:

(1) At the time of impoundment the registered tow truck operator
providing the towing service shall give immediate notification, by telephone

that)). A law enforcement agency shall immediately provide to a requesting
operator the name and address of the legal and registered owners of the ve-
hicle, the vehicle identification number, and any other necessary, pertinent
information. The initial notice of impoundment shall be followed by a writ-

state, time requirements of this subsection do not apply until the requesting
law enforcement agency in this state receives the information.

(2) The operator shall immediately send an abandoned vehicle report
to the department for any vehicle in the operator's possession after the
ninety-six hour abandonment period. Such report need not be sent when the
impoundment is pursuant to a writ, court order, or police hold. The owner notification and abandonment process shall be initiated by the registered tow truck operator immediately following notification by a court or law enforcement officer that the writ, court order, or police hold is no longer in effect.

(3) Following the submittal of an abandoned vehicle report, the department shall provide the registered tow truck operator with owner information within seventy-two hours.

(4) Within fifteen days of the sale of an abandoned vehicle at public auction, the towing operator shall send a copy of the abandoned vehicle report showing the disposition of the abandoned vehicle to the crime information center of the Washington state patrol.

(5) If the operator sends an abandoned vehicle report to the department and the department finds no owner information, an operator may proceed with an inspection of the vehicle to determine whether owner identification is within the vehicle.

(6) If the operator finds no owner identification, the operator shall immediately notify the appropriate law enforcement agency, which shall search the vehicle for the vehicle identification number and check the necessary records to determine the vehicle's owners.

Sec. 10. Section 11, chapter 377, Laws of 1985 as amended by section 9, chapter 311, Laws of 1987 and RCW 46.55.110 are each amended to read as follows:

(1) When an unauthorized vehicle is impounded (from public property, the law enforcement agency or other public official directing the impoundment, or in the case of a vehicle impounded from private property), the impounding towing operator shall notify the legal and registered owners of the impoundment of the unauthorized vehicle. The notification shall be sent by first-class mail within twenty-four hours after the impoundment to the last known registered and legal owners of the vehicle, as provided by the law enforcement agency, and shall inform the owners of the identity of the person or agency authorizing the impound. The notification shall include the name of the impounding tow firm, its address, and telephone number. The notice shall also include the location, time of the impound, and by whose authority the vehicle was impounded. The notice shall also include the written notice of the right of redemption and opportunity for a hearing to contest the validity of the impoundment pursuant to RCW 46.55.120.

(2) In the case of an abandoned vehicle, within twenty-four hours after receiving information on the vehicle owners from the department through the abandoned vehicle report, the tow truck operator shall send by certified mail, with return receipt requested, a notice of custody and sale to the legal and registered owners.
(3) No notices need be sent to the legal or registered owners of an impounded vehicle if the vehicle has been redeemed.

Sec. 11. Section 12, chapter 377, Laws of 1985 as amended by section 12, chapter 311, Laws of 1987 and RCW 46.55.120 are each amended to read as follows:

(1) Vehicles impounded by registered tow truck operators pursuant to RCW 46.55.080, 46.55.085, or 46.55.113 may be redeemed only under the following circumstances:

(a) Only the legal owner, the registered owner, a person authorized in writing by the registered owner or the vehicle's insurer, a person who is determined and verified by the operator to have the permission of the registered owner of the vehicle, or one who has purchased a vehicle from the registered owner who produces proof of ownership or written authorization and signs a receipt therefor, may redeem an impounded vehicle.

(b) The vehicle shall be released upon the presentation to any person having custody of the vehicle of commercially reasonable tender sufficient to cover the costs of towing, storage, or other services rendered during the course of towing, removing, impounding, or storing any such vehicle. Commercially reasonable tender shall include, without limitation, cash, major bank credit cards, or personal checks drawn on in-state banks if accompanied by two pieces of valid identification, one of which may be required by the operator to have a photograph. Any person who stops payment on a personal check or credit card, or does not make restitution within ten days from the date a check becomes insufficient due to lack of funds, to a towing firm that has provided a service pursuant to this section or in any other manner defrauds the towing firm in connection with services rendered pursuant to this section shall be liable for damages in the amount of twice the towing and storage fees, plus costs and reasonable attorney's fees.

(2) (a) The registered tow truck operator shall give to each person who seeks to redeem an impounded vehicle written notice of the right of redemption and opportunity for a hearing, which notice shall be accompanied by a form to be used for requesting a hearing, the name of the person or agency authorizing the impound, and a copy of the towing and storage invoice. The registered tow truck operator shall maintain a record evidenced by the redeeming person's signature that such notification was provided.

(b) Any person seeking to redeem an impounded vehicle under this section has a right to a hearing in the district court for the jurisdiction in which the vehicle was impounded to contest the validity of the impoundment or the amount of towing and storage charges. The district court has jurisdiction to determine the issues involving all impoundments including those authorized by the state or its agents. Any request for a hearing shall be made in writing on the form provided for that purpose and must be received by the district court within ten days of the date the opportunity was provided for in subsection (2)(a) of this section. If the hearing request is not
received by the district court within the ten-day period, the right to a hearing is waived and the registered owner is liable for any towing, storage, or other impoundment charges permitted under this chapter. Upon receipt of a timely hearing request, the district court shall proceed to hear and determine the validity of the impoundment.

(3)(a) The district court, within five days after the request for a hearing, shall notify the registered tow truck operator, the person requesting the hearing if not the owner, (and) the registered and legal owners of the vehicle, and the person or agency authorizing the impound in writing of the hearing date and time.

(b) At the hearing, the person or persons requesting the hearing may produce any relevant evidence to show that the impoundment, towing, or storage fees charged were not proper.

(c) At the conclusion of the hearing, the district court shall determine whether the impoundment was proper, whether the towing or storage fees charged were in compliance with the posted rates, and who is responsible for payment of the fees.

(d) If the impoundment is found proper, the impoundment, towing, and storage fees as permitted under this chapter together with court costs shall be assessed against the person or persons requesting the hearing, unless the operator did not have a signed and valid impoundment authorization from a private property owner or an authorized agent.

(e) If the impoundment is determined to be (invalid) in violation of this chapter, then the registered and legal owners of the vehicle shall bear no impoundment, towing, or storage fees, and any bond or other security shall be returned or discharged as appropriate, and the person or agency who authorized the impoundment shall be liable for any towing, storage, or other impoundment fees permitted under this chapter. The court shall enter judgment against the person or agency authorizing the impound for the impoundment, towing, and storage fees paid. In addition, the court shall enter judgment for reasonable damages for loss of the use of the vehicle during the time the same was impounded, for not less than fifty dollars per day, against the person or agency authorizing the impound. If any judgment entered is not paid within fifteen days of notice in writing of its entry, the court shall award reasonable attorneys' fees and costs against the defendant in any action to enforce the judgment. Notice of entry of judgment may be made by registered or certified mail, and proof of mailing may be made by affidavit of the party mailing the notice. Notice of the entry of the judgment shall read essentially as follows:

(4) Any impounded abandoned vehicle not redeemed within fifteen days of mailing of the notice of custody and sale as required by RCW 46.55.110(2) shall be sold at public auction in accordance with all the provisions and subject to all the conditions of RCW 46.55.130. A vehicle may be redeemed at any time before the start of the auction upon payment of towing and storage fees.

Sec. 12. Section 13, chapter 377, Laws of 1985 as amended by section 13, chapter 311, Laws of 1987 and RCW 46.55.130 are each amended to read as follows:

(1) If, after the expiration of fifteen days from the date of mailing of notice of custody and sale required in RCW 46.55.110(2) to the registered and legal owners, the vehicle remains unclaimed and has not been listed as a stolen vehicle, then the registered tow truck operator having custody of the vehicle shall conduct a sale of the vehicle at public auction after having first published a notice of the date, place, and time of the auction in a newspaper of general circulation in the county in which the vehicle is located not less than three days and no more than ten days before the date of the auction. The notice shall contain a description of the vehicle including the make, model, year, and license number and a notification that a three-hour public viewing period will be available before the auction. The auction shall be held during daylight hours of a normal business day.

(2) The following procedures are required in any public auction of such abandoned vehicles:

(a) The auction shall be held in such a manner that all persons present are given an equal time and opportunity to bid;

(b) All bidders must be present at the time of auction unless they have submitted to the registered tow truck operator, who may or may not choose to use the preauction bid method, a written bid on a specific vehicle. Written bids may be submitted up to five days before the auction and shall clearly state which vehicle is being bid upon, the amount of the bid, and who is submitting the bid;

(c) The open bid process, including all written bids, shall be used so that everyone knows the dollar value that must be exceeded;

(d) The highest two bids received shall be recorded in written form and shall include the name, address, and telephone number of each such bidder;

(e) In case the high bidder defaults, the next bidder has the right to purchase the vehicle for the amount of his or her bid;

(f) The successful bidder shall apply for title within fifteen days;
The registered tow truck operator shall post a copy of the auction procedure at the bidding site. If the bidding site is different from the licensed office location, the operator shall post a clearly visible sign at the office location that describes in detail where the auction will be held. At the bidding site a copy of the newspaper advertisement that lists the vehicles for sale shall be posted;

((fg)) (h) All surplus moneys derived from the auction after satisfaction of the registered tow truck operator's lien shall be remitted within thirty days to the department for deposit in the state motor vehicle fund. A report identifying the vehicles resulting in any surplus shall accompany the remitted funds. If the director subsequently receives a valid claim from the registered vehicle owner of record as determined by the department within one year from the date of the auction, the surplus moneys shall be remitted to such owner;

((ffy)) (i) If an operator receives no bid, or if the operator is the successful bidder at auction, the operator shall, within thirty days sell the vehicle to a licensed vehicle wrecker, hulk hauler, or scrap processor by use of the abandoned vehicle report-affidavit of sale, or the operator shall apply for title to the vehicle.

(3) In no case may an operator hold a vehicle for longer than ninety days without holding an auction on the vehicle, except for vehicles that are under a police or judicial hold.

(4) (a) In no case may the accumulation of storage charges exceed fifteen days from the date of receipt of the information by the operator from the department as provided by RCW 46.55.110(2).

(b) The failure of the registered tow truck operator to comply with the time limits provided in this chapter limits the accumulation of storage charges to five days except where delay is unavoidable. Providing incorrect or incomplete identifying information to the department in the abandoned vehicle report shall be considered a failure to comply with these time limits if correct information is available.

Sec. 13. Section 14, chapter 377, Laws of 1985 as amended by section 14, chapter 311, Laws of 1987 and RCW 46.55.140 are each amended to read as follows:

(1) A registered tow truck operator who has a valid and signed impoundment authorization has a lien upon the impounded vehicle for services provided in the towing and storage of the vehicle, unless the impoundment is determined to have been invalid. The lien does not apply to personal property in or upon the vehicle that is not permanently attached to or is not an integral part of the vehicle. The registered tow truck operator also has a deficiency claim against the registered owner of the vehicle for services provided in the towing and storage of the vehicle not to exceed the sum of three hundred dollars less the amount bid at auction, and for vehicles of over ten thousand pounds gross vehicle weight, the operator has a deficiency claim of
one thousand dollars less the amount bid at auction, unless the impound is
determined to be invalid. In no case may the cost of the auction or a buyer's
fee be added to the amount charged for the vehicle at the auction, the vehi-
cle's lien, or the overage due. A registered owner who has completed and
filed with the department the seller's report as provided for by RCW 46.12-
.101 is relieved of liability under this section.

(2) Any person who tows, removes, or otherwise disturbs any vehicle
parked, stalled, or otherwise left on privately owned or controlled property,
and any person owning or controlling the private property, or either of
them, are liable to the owner or operator of a vehicle, or each of them, for
consequential and incidental damages arising from any interference with the
ownership or use of the vehicle which does not comply with the require-
ments of this chapter.

Sec. 14. Section 15, chapter 377, Laws of 1985 as amended by section
15, chapter 311, Laws of 1987 and RCW 46.55.150 are each amended to
read as follows:

The registered tow truck operator shall keep a transaction file on each
vehicle. The transaction file shall contain as a minimum those of the fol-

46.55.080;

(2) A record of the twenty-four hour written impound notice to a law
enforcement agency;

(3) A copy of the impoundment notification to registered and legal

owners of the address of the impounding firm, a twenty-four hour telephone
number, and the name of the person or agency under whose authority the
vehicle was impounded;

(4) A copy of the abandoned vehicle report that was sent to and re-
turned by the department;

(5) A copy and proof of mailing of the notice of custody and sale sent
by the registered tow truck operator to the owners advising them they have
fifteen days to redeem the vehicle before it is sold at public auction;

(6) A copy of the published notice of public auction;

(7) A copy of the affidavit of sale showing the sales date, purchaser,
amount of the lien, and sale price;

(8) A record of the two highest bid offers on the vehicle, with the
names, addresses, and telephone numbers of the two bidders;

(9) A copy of the notice of opportunity for hearing given to those who
redeem vehicles;

(10) An itemized invoice of charges against the vehicle.

The transaction file shall be kept for a minimum of three years.
Sec. 15. Section 18, chapter 377, Laws of 1985 as amended by section 742, chapter 330, Laws of 1987 and RCW 46.55.180 are each amended to read as follows:

The director or the chief of the state patrol may use a hearing officer or administrative law judge for presiding over a hearing regarding ((infractions by registered tow truck operators of)) licensing provisions under this chapter((, chapter 46.37 RCW,)) or rules adopted ((thereunder)) under it.

Sec. 16. Section 20, chapter 377, Laws of 1985 and RCW 46.55.200 are each amended to read as follows:

A registered tow truck operator's license may be denied, suspended, or revoked, or the licensee may be ordered to pay a monetary penalty of a civil nature, not to exceed one thousand dollars per violation, or the licensee may be subjected to any combination of license and monetary penalty, whenever the director has reason to believe the licensee has committed, or is at the time committing, a violation of this chapter or rules adopted under it or any other statute or rule relating to the title or disposition of vehicles or vehicle hulks, including but not limited to:

1. Towing any abandoned vehicle without first obtaining and having in ((his)) the operator's possession at all times while transporting it, appropriate evidence of ownership or an impound authorization properly executed by the private person or public official having control over the property on which the unauthorized vehicle was found;

2. Forging the signature of the registered or legal owner on a certificate of title, or forging the signature of any authorized person on documents pertaining to unauthorized or abandoned vehicles or automobile hulks;

7. Failing to comply with the statutes and rules relating to the transfer of ownership of vehicles or other procedures after public sale; or

8. Failing to pay any civil monetary penalty assessed by the director pursuant to this section within ten days after the assessment becomes final.

Sec. 17. Section 24, chapter 377, Laws of 1985 as amended by section 20, chapter 311, Laws of 1987 and RCW 46.55.240 are each amended to read as follows:
(1) A city, town, or county that adopts an ordinance or resolution concerning unauthorized, abandoned, or impounded vehicles shall include the applicable provisions of this chapter.

(a) A city, town, or county may, by ordinance, authorize other impound situations that may arise locally upon the public right-of-way or other publicly owned or controlled property.

(b) A city, town, or county ordinance shall contain language that establishes a written form of authorization to impound, which may include a law enforcement notice of infraction or citation, clearly denoting the agency's authorization to impound.

(c) A city, town, or county may, by ordinance, provide for release of an impounded vehicle by means of a promissory note in lieu of immediate payment, if at the time of redemption the legal or registered owner requests a hearing on the validity of the impoundment. If the municipal ordinance directs the release of an impounded vehicle before the payment of the impoundment charges, the municipality is responsible for the payment of those charges to the registered tow truck operator within thirty days of the hearing date.

(d) The hearing specified in RCW 46.55.120(2) and in this section may be conducted by an administrative hearings officer instead of in the district court. A decision made by an administrative hearing officer may be appealed to the district court for final judgment.

(2) A city, town, or county may adopt an ordinance establishing procedures for the abatement and removal as public nuisances of unauthorized junk vehicles or parts thereof from private property. Costs of removal may be assessed against the registered owner of the vehicle if the identity of the owner can be determined, unless the owner in the transfer of ownership of the vehicle has complied with RCW 46.12.101, or the costs may be assessed against the owner of the property on which the vehicle is stored.

(3) Ordinances pertaining to public nuisances shall contain:

(c) A provision that the ordinance shall not apply to (i) a vehicle or part thereof that is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property
or (ii) a vehicle or part thereof that is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler or licensed vehicle dealer and is fenced according to RCW 46.80.130;

(d) A provision that the owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for the denial. If it is determined at the hearing that the vehicle was placed on the land without the consent of the landowner and that he has not subsequently acquiesced in its presence, then the local agency shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect the cost from the owner;

(e) A provision that after notice has been given of the intent of the city, town, or county to dispose of the vehicle and after a hearing, if requested, has been held, the vehicle or part thereof shall be removed at the request of a law enforcement officer with notice to the Washington state patrol and the department of licensing that the vehicle has been wrecked. The city, town, or county may operate such a disposal site when its governing body determines that commercial channels of disposition are not available or are inadequate, and it may make final disposition of such vehicles or parts, or may transfer such vehicle or parts to another governmental body provided such disposal shall be only as scrap.

(4) A registered disposer under contract to a city or county for the impounding of vehicles shall comply with any administrative regulations adopted by the city or county on the handling and disposing of vehicles.

NEW SECTION. Sec. 19. The department of licensing and the Washington state patrol shall conduct a study of the fees charged for registration of tow truck operators and tow trucks and the costs of administering the tow truck operator program in the department and the Washington state patrol to determine what fees would be necessary to defray the program costs. The department and the state patrol shall report the study findings to the legislative transportation committee by December 1, 1989.

(b) The court shall make specific findings of fact concerning: (i) The existence of one or more compelling state interests; (ii) the necessity and effectiveness of the treatment; and (iii) the person's desires regarding the proposed treatment. If the patient is unable to make a rational and informed decision about consenting to or refusing the proposed treatment, the court shall make a substituted judgment for the patient as if he or she were competent to make such a determination.

If a succeeding involuntary treatment order is entered pursuant to RCW 71.05.320(2), a person who refuses to consent to the administration of antipsychotic medications shall be entitled to an evidentiary hearing in accordance with this section.

(e) Antipsychotic medication may be administered to a nonconsenting person detained or committed pursuant to this chapter without a court order under the following circumstances:

(i) A person presents an imminent likelihood of serious harm to self or others;

(ii) Medically acceptable alternatives to administration of antipsychotic medications are not available, have not been successful, or are not likely to be effective; and

(iii) In the opinion of the physician with responsibility for treatment of the person, or his or her designee, the person's condition constitutes an emergency requiring the treatment be instituted before a judicial hearing as authorized pursuant to this section can be held.

If antipsychotic medications are administered over a person's lack of consent pursuant to this subsection, a petition for an order authorizing the administration of antipsychotic medications shall be filed on the next judicial day. The hearing shall be held within two judicial days. If deemed necessary by the physician with responsibility for the treatment of the person, administration of antipsychotic medications may continue until the hearing is held;

The board of directors shall further report to the appropriate standing committees of each house of the legislature by March 1st of each year.
Sec. 5. Section 8, chapter 431, Laws of 1987 and RCW 48.41.080 are each amended to read as follows:

The board shall select an administrator from the membership of the pool whether domiciled in this state or another state through a competitive bidding process to administer the pool.

(1) The board shall evaluate bids based upon criteria established by the board, which shall include:

(a) The administrator's proven ability to handle accident and health insurance;
(b) The efficiency of the administrator's claim-paying procedures;
(c) An estimate of the total charges for administering the plan; and
(d) The administrator's ability to administer the pool in a cost-effective manner.

(2) The administrator shall serve for a period of three years subject to removal for cause. At least six months prior to the expiration of each three-year period of service by the administrator, the board shall invite all interested parties, including the current administrator, to submit bids to serve as the administrator for the succeeding three-year period. Selection of the administrator for this succeeding period shall be made at least three months prior to the end of the current three-year period.

(3) The administrator shall perform such duties as may be assigned by the board including:

(a) All eligibility and administrative claim payment functions relating to the pool;
(b) Establishing a premium billing procedure for collection of premiums from insured persons. Billings shall be made on a periodic basis as determined by the board, which shall not be more frequent than a monthly billing;
(c) Performing all necessary functions to assure timely payment of benefits to covered persons under the pool including:
(i) Making available information relating to the proper manner of submitting a claim for benefits to the pool, and distributing forms upon which submission shall be made; and
(ii) Evaluating the eligibility of each claim for payment by the pool;
(d) Submission of regular reports to the board regarding the operation of the pool. The frequency, content, and form of the report shall be as determined by the board;
(e) Following the close of each accounting year, determination of net paid and earned premiums, the expense of administration, and the paid and incurred losses for the year and reporting this information to the board and the commissioner on a form as prescribed by the commissioner.
Sec. 6. Section 9, chapter 431, Laws of 1987 and RCW 48.41.090 are each amended to read as follows:

(1) Following the close of each ((calendar)) accounting year, the pool administrator shall determine the net premium (premiums less administrative expense allowances), the pool expenses of administration, and incurred losses for the year, taking into account investment income and other appropriate gains and losses.

(2)(a) Each member's proportion of participation in the pool shall be determined annually by the board based on annual statements and other reports deemed necessary by the board and filed by the member with the commissioner; and shall be determined by multiplying the total cost of pool operation by a fraction, the numerator of which equals that member's total number of resident insured persons, including spouse and dependents under the member's health plan in the state during the preceding calendar year, and the denominator of which equals the total number of resident insured persons including spouses and dependents insured under all health plans in the state by pool members.

(b) Any deficit incurred by the pool shall be recouped by assessments among members apportioned under this subsection pursuant to the formula set forth by the board among members.

(3) The board may abate or defer, in whole or in part, the assessment of a member if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. If an assessment against a member is abated or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other members in a manner consistent with the basis for assessments set forth in subsection (2) of this section. The member receiving such abatement or deferment shall remain liable to the pool for the deficiency ((for four years)).

(4) If assessments exceed actual losses and administrative expenses of the pool, the excess shall be held at interest and used by the board to offset future losses or to reduce pool premiums. As used in this subsection, "future losses" includes reserves for incurred but not reported claims.

Sec. 7. Section 10, chapter 431, Laws of 1987 and RCW 48.41.100 are each amended to read as follows:

(1) Any individual person who is a resident of this state is eligible for coverage upon providing evidence of rejection for medical reasons, a requirement of restrictive riders, an up-rated premium, or a preexisting conditions limitation on health insurance, the effect of which is to substantially reduce coverage from that received by a person considered a standard risk,
by at least one member within six months of the date of application. Evidence of rejection may be waived in accordance with rules adopted by the board.

(2) The following persons are not eligible for coverage by the pool:
   (a) Any person who is at the time of pool application eligible for medical assistance;
   (b) Any person having terminated coverage in the pool unless (i) twelve months have lapsed since termination, or (ii) that person can show continuous other coverage which has been involuntarily terminated for any reason other than nonpayment of premiums;
   (c) Any person on whose behalf the pool has paid out five hundred thousand dollars in benefits;
   (d) Inmates of public institutions and persons whose benefits are duplicated under public programs.

(3) Any person whose health insurance coverage is involuntarily terminated for any reason other than nonpayment of premium may apply for coverage under the plan.

Sec. 8. Section 12, chapter 431, Laws of 1987 and RCW 48.41.120 are each amended to read as follows:

(1) Subject to the limitation provided in subsection (3) of this section, a pool policy offered in accordance with this chapter shall impose a deductible. Deductibles of five hundred dollars and one thousand dollars on a per person per calendar year basis shall initially be offered. The board may authorize deductibles in other amounts. The deductible shall be applied to the first five hundred dollars, one thousand dollars, or other authorized amount of eligible expenses incurred by the covered person.

(2) Subject to the limitations provided in subsection (3) of this section, a mandatory coinsurance requirement shall be imposed at the rate of twenty percent of eligible expenses in excess of the mandatory deductible.

(3) The maximum aggregate out of pocket payments for eligible expenses by the insured in the form of deductibles and coinsurance shall not exceed in a ((policy)) calendar year:
   (a) One thousand five hundred dollars per individual, or three thousand dollars per family, per ((policy)) calendar year for the five hundred dollar deductible policy;
   (b) Two thousand five hundred dollars per individual, or five thousand dollars per family per ((policy)) calendar year for the one thousand dollar deductible policy; or
   (c) An amount authorized by the board for any other deductible policy.

(4) Eligible expenses incurred by a covered person in the last three months of a calendar year, and applied toward a deductible, shall also be applied toward the deductible amount in the next calendar year.
Sec. 9. Section 15, chapter 431, Laws of 1987 and RCW 48.41.150 are each amended to read as follows:

(1) The board shall offer a medical supplement policy for persons receiving medicare ((benefits)) parts A and B. The supplement policy shall provide ((coverage)) benefits of one hundred percent of the deductible and copayment required under medicare and eighty percent of the charges for covered services under this chapter that are not paid by medicare. The coverage shall include a limitation of one thousand dollars per person on total annual out-of-pocket expenses for the covered services.

(2) If federal law is adopted that addresses this subject, the board shall offer a policy that is consistent with that federal law.

Sec. 10. Section 19, chapter 431, Laws of 1987 and RCW 48.41.190 are each amended to read as follows:

Neither the participation by members, the establishment of rates, forms, or procedures for coverages issued by the pool, nor any other joint or collective action required by this chapter or the state of Washington shall be the basis of any legal action, civil or criminal liability or penalty against the pool, any member of the board of directors, or members of ((it)) the pool either jointly or separately.

CHAPTER 123

[Substitute Senate Bill No. 5886]
SEXUALLY TRANSMITTED DISEASES—EXCHANGE OF CONFIDENTIAL
MEDICAL INFORMATION

AN ACT Relating to the exchange among health care providers of confidential medical
information regarding sexually transmitted diseases and permitting the exchange of such in-
formation among persons responsible for making case management, case planning, or foster
care decisions regarding a child fourteen years old or younger; and amending RCW 70.24.105.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 904, chapter 206, Laws of 1988 and RCW 70.24.105
are each amended to read as follows:

(1) No person may disclose or be compelled to disclose the identity of
any person who has investigated, considered, or requested a test or treat-
ment for a sexually transmitted disease, except as authorized by this
chapter.

(2) No person may disclose or be compelled to disclose the identity of
any person upon whom (a test for a sexually transmitted disease is per-
formed, or the results of such a test or any information relating to diagnosis
of or treatment for a sexually transmitted disease in a manner which per-
mits identification of the subject of the test, diagnosis, or treatment except
to the following persons)) an HIV antibody test is performed, or the results
of such a test, nor may the result of a test for any other sexually transmit-
ted disease when it is positive be disclosed. This protection against disclo-
sure of test subject, diagnosis, or treatment also applies to any information
relating to diagnosis of or treatment for HIV infection and for any other
confirmed sexually transmitted disease. The following persons, however,
may receive such information:

(a) The subject of the test or the subject's legal representative for
health care decisions in accordance with RCW 7.70.065, with the exception
of such a representative of a minor child over fourteen years of age and
otherwise competent;

(b) Any person who secures a specific release of test results or infor-
mation relating to HIV or confirmed diagnosis of or treatment for any other
sexually transmitted disease executed by the subject ((of the test)) or the
subject's legal representative for health care decisions in accordance with
RCW 7.70.065, with the exception of such a representative of a minor child
over fourteen years of age and otherwise competent;

(c) The state public health officer, a local public health officer, or the
centers for disease control of the United States public health service in ac-
cordance with reporting requirements for a diagnosed case of a sexually
transmitted disease;

(d) A health facility or health care provider that procures, processes,
distributes, or uses: (i) A human body part, tissue, or blood from a deceased
person with respect to medical information regarding that person; (ii)
semen, including that provided prior to March 23, 1988, for the purpose of
artificial insemination; or (iii) blood specimens;

(e) Any state or local public health officer conducting an investigation
pursuant to RCW 70.24.024, provided that such record was obtained by
means of court ordered HIV testing pursuant to RCW 70.24.340 or
70.24.024;

(f) A person allowed access to the record by a court order granted af-
fter application showing good cause therefor. In assessing good cause, the
court shall weigh the public interest and the need for disclosure against the
injury to the patient, to the physician-patient relationship, and to the treat-
ment services. Upon the granting of the order, the court, in determining the
extent to which any disclosure of all or any part of the record of any such
test is necessary, shall impose appropriate safeguards against unauthorized
disclosure. An order authorizing disclosure shall: (i) Limit disclosure to
those parts of the patient's record deemed essential to fulfill the objective
for which the order was granted; (ii) limit disclosure to those persons whose
need for information is the basis for the order; and (iii) include any other
appropriate measures to keep disclosure to a minimum for the protection of
the patient, the physician-patient relationship, and the treatment services,
including but not limited to the written statement set forth in subsection (5)
of this section;

(g) Persons who, because of their behavioral interaction with the in-
fected individual, have been placed at risk for acquisition of a sexually
transmitted disease, as provided in RCW 70.24.022, if the health officer or
authorized representative believes that the exposed person was unaware that
a risk of disease exposure existed and that the disclosure of the identity of
the infected person is necessary;

(h) A law enforcement officer, fire fighter, health care provider, health
care facility staff person, or other persons as defined by the board in rule
pursuant to RCW 70.24.340(4), who has requested a test of a person whose
bodily fluids he or she has been substantially exposed to, pursuant to RCW
70.24.340(4), if a state or local public health officer performs the test;

((and))
(i) Claims management personnel employed by or associated with an insurer, health care service contractor, health maintenance organization, self-funded health plan, state-administered health care claims payer, or any other payer of health care claims where such disclosure is to be used solely for the prompt and accurate evaluation and payment of medical or related claims. Information released under this subsection shall be confidential and shall not be released or available to persons who are not involved in handling or determining medical claims payment; and

(j) A department of social and health services worker, a child placing agency worker, or a guardian ad litem who is responsible for making or reviewing placement or case-planning decisions or recommendations to the court regarding a child, who is less than fourteen years of age, has a sexually transmitted disease, and is in the custody of the department of social and health services or a licensed child placing agency; this information may also be received by a person responsible for providing residential care for such a child when the department of social and health services or a licensed child placing agency determines that it is necessary for the provision of child care services.

(3) No person to whom the results of a test for a sexually transmitted disease have been disclosed pursuant to subsection (2) of this section may disclose the test results to another person except as authorized by that subsection.

(4) The release of sexually transmitted disease information regarding an offender, except as provided in subsection (2)(e) of this section, shall be governed as follows:

(a) The sexually transmitted disease status of a department of corrections offender shall be made available by department of corrections health care providers to a department of corrections superintendent or administrator as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. The information may be submitted to transporting officers and receiving facilities, including facilities that are not under the department of correction's jurisdiction.

(b) The sexually transmitted disease status of a person detained in a jail shall be made available by the local public health officer to a jail administrator as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. The information may be submitted to transporting officers and receiving facilities.

(c) Information regarding a department of corrections offender's sexually transmitted disease status is confidential and may be disclosed by a correctional superintendent or administrator or local jail administrator only as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. Unauthorized disclosure of this information to any person may result in disciplinary action, in addition to any other penalties as may be prescribed by law.
Whenever disclosure is made pursuant to this section, except for subsections (2)(a) and (6) of this section, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of it without the specific written consent of the person to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied or followed by such a notice within ten days.

The requirements of this section shall not apply to the customary methods utilized for the exchange of medical information among health care providers in order to provide health care services to the patient, nor shall they apply within health care facilities where there is a need for access to confidential medical information to fulfill professional duties.

(3) The following additional times shall be added to the presumptive sentence if the offender or an accomplice was armed with a deadly weapon as defined in this chapter and the offender is being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice was armed with a deadly weapon and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following times shall be added to the presumptive range determined under subsection (2) of this section:

If the offender or an accomplice committed one of the crimes listed in this subsection while in a county jail or state correctional facility as that term is defined in this chapter, and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following times shall be added to the presumptive sentence range determined under subsection (2) of this section:

(b) Fifteen months for offenses committed under RCW 69.50.401(a)(1)(ii), (iii), and (iv);
(c) Twelve months for offenses committed under RCW 69.50.401(d).

For the purposes of this subsection, all of the real property of a state correctional facility or county jail shall be deemed to be part of that facility or county jail.

Sec. 2. Section 8, chapter 115, Laws of 1983 as last amended by section 1, chapter 131, Laws of 1987 and RCW 9.94A.370 are each amended to read as follows:

(1) The intersection of the column defined by the offender score and the row defined by the offense seriousness score determines the presumptive sentencing range (see RCW 9.94A.310, (Table I)). The additional time for deadly weapon findings or for those offenses enumerated in RCW 9.94A.310(4) that were committed in a state correctional facility or county jail shall be added to the entire presumptive sentence range. The court may impose any sentence within the range that it deems appropriate. All presumptive sentence ranges are expressed in terms of total confinement.

(2) In determining any sentence, the trial court may rely on no more information than is admitted by the plea agreement, or admitted, acknowledged, or proved in a trial or at the time of sentencing. Acknowledgement includes not objecting to information stated in the presentence reports. Where the defendant disputes material facts, the court must either not consider the fact or grant an evidentiary hearing on the point. The facts shall be deemed proved at the hearing by a preponderance of the evidence. Facts that establish the elements of a more serious crime or additional crimes may
not be used to go outside the presumptive sentence range except upon stipulation or when specifically provided for in RCW 9.94A.390(2) (c), (d), and (e).

When any timber, fallen timber, stone, gravel, or other valuable material on state lands is sold separate from the land, it may be sold as a lump sum sale or as a scale sale((. PROVIDED, That upon the request of the purchaser, any lump sum sale over five thousand dollars appraised value shall be on the installment plan)). Lump sum sales under five thousand dollars appraised value shall be paid for in cash. The initial deposits required in RCW 79.01.204, not to exceed twenty-five percent of the actual or projected purchase price, but in the case of lump sum sales over five thousand dollars not less than five thousand dollars, shall be made on the day of the sale, and in the case of those sales appraised below the amount specified in RCW 79.01.200, the department of natural resources may require full cash payment on the day of sale. The purchaser shall notify the department of natural resources before any timber is cut and before removal or processing of any valuable materials on the sale area, at which time the department of natural resources may require, in the amount determined by the department, advance payment for the removal, processing, and/or cutting of timber or other valuable materials, or bank letters of credit, payment bonds, or assignments of savings accounts acceptable to the department as adequate security. The amount of such advance payments and/or security shall at all times equal or exceed the value of timber cut and other valuable materials processed or removed until paid for. The initial deposit shall be maintained until all contract obligations of the purchaser are satisfied: PROVIDED HOWEVER, That all or a portion of said initial deposit may be applied as the final payment for said materials in the event the department of natural resources determines that adequate security exists for the performance or fulfillment of any remaining obligations of the purchaser under the sale contract.

PROVIDED FURTHER, That in all cases where, in the judgment of the department of natural resources, the purchaser is acting in good faith and endeavoring to remove such materials, the department of natural resources may extend the time for the removal thereof for any period not exceeding twenty years from the date of purchase for the stone, sand, fill material or building stone or for a total of ten years beyond the normal termination date specified in the original sale contract for all other material, upon payment to the state of a sum to be fixed by the department of natural resources, based on the estimated loss of income per acre to the state resulting from the granting of the extension but in no event less than fifty dollars per extension, plus interest on the unpaid portion of the contract. The interest rate shall be fixed, from time to time, by rule adopted by the board of natural resources and shall not be less than six percent per annum. The applicable rate of interest as fixed at the date of sale and the maximum extension payment shall be set forth in the contract. The method for calculating the unpaid portion of the contract upon which such interest shall be paid by the purchaser shall be set forth in the contract. The department of natural resources shall pay into the state treasury all sums received for such extension and the same shall be credited to the fund to which was credited the original purchase price of the material so sold: AND PROVIDED FURTHER, That any sale of valuable materials of an appraised value of one thousand dollars or less may be sold directly to the applicant for cash at full appraised value without notice or advertising.

The provisions of this section apply unless otherwise provided by statute.

The department may require the successful completion of annual refresher courses provided or approved by the department for continued certification as an asbestos worker or supervisor.

(3) The department shall provide for the reciprocal certification of any individual trained to engage in asbestos projects in another state when the prior training is shown to be substantially similar to the training required by the department. Nothing shall prevent the department from requiring such individuals to take an examination or refresher course before certification.

(4) The department may deny, suspend, or revoke a certificate, as provided under RCW 49.26.140, for failure of the holder to comply with any requirement of this chapter or chapter 49.17 RCW, or any rule adopted under those chapters, or applicable health and safety standards and regulations. Before working on an asbestos project, a contractor shall obtain an asbestos contractor's certificate from the department and shall have in its employ at least one certified asbestos supervisor who is responsible for supervising all asbestos projects undertaken by the contractor and for assuring compliance with all state laws and regulations regarding asbestos. The contractor shall apply for certification renewal every year. The department shall ensure that the expiration of the contractor's registration and the expiration of his or her asbestos contractor's certificate coincide.

Sec. 7. Section 4, chapter 387, Laws of 1985 as amended by section 12, chapter 271, Laws of 1988 and RCW 49.26.120 are each reenacted and amended to read as follows:

(1) No person may assign any employee, contract with, or permit any individual or person to remove or encapsulate asbestos in any facility unless performed by a certified asbestos worker and under the direct, on-site supervision of a certified asbestos supervisor except, in the case of an asbestos project undertaken by any partnership, firm, corporation or sole proprietorship which has not lost this exemption under RCW 49.26.016(3), and conducted in its own facility and by its own employees ((under the direct, on-site supervision of a certified asbestos supervisor)). In cases excepted under this section((3));

(a) Direct, on-site supervision by a certified asbestos supervisor shall be required for asbestos projects performed at one project location by workers who are not certified.
(b) If a project is conducted using only certified workers or if a certified worker functions as a foreman or lead person, supervision can be performed in the regular course of a supervisor's duties and need not be direct and on-site.

(c) The partnership, firm, corporation or sole proprietorship shall submit a written description to the department of the kinds of asbestos projects expected to be undertaken and the procedures to be used in undertaking asbestos projects, which description shall demonstrate competence in performing the work in compliance with the requirements of this chapter, rules adopted under this chapter, and any other requirements of law for the safe demolition, removal, encapsulation, salvage, and disposal of asbestos.

(2) The department shall require persons undertaking asbestos projects to provide written notice to the department before the commencement of the project except as provided in RCW 49.26.125. The notice shall include a written description containing such information as the department requires by rule((, including the written report or statement required under RCW 49.26.013)). The department may by rule allow a person to report multiple projects at one site in one report. The department shall by rule ((clarify)) establish the procedure and criteria by which a person will be considered to have attempted to meet the prenotification requirement.

((2))) (3) The department shall ((by rule, after consultation)) consult with the state fire protection policy board, and may establish any additional policies and procedures for municipal fire department and fire district personnel who clean up sites after fires which have rendered it likely that asbestos has been or will be disturbed or released into the air.

Sec. 8. Section 13, chapter 271, Laws of 1988 and RCW 49.26.125 are each reenacted and amended to read as follows:

Prenotification to the department under RCW 49.26.120((, including submission of the report or statement required under RCW 49.26.013;)) shall not be required for:

1. (a) Any asbestos project involving less than ((eleven)) forty-eight square feet of surface area, or less than ten linear feet of pipe unless the surface area of the pipe is greater than ((eleven)) forty-eight square feet. The person undertaking such a project shall keep the reports, or statements, and written descriptions required under RCW 49.26.013 and 49.26.120 which shall be available upon request ((by)) of the department. Employees and employee representatives ((shall be notified as required)) may request such reports under RCW 49.26.013(2).

(b) The director may waive the prenotification requirement upon written request of an owner for large-scale, on-going projects. In granting such a waiver, the director shall require the owner to provide prenotification if significant changes in personnel, methodologies, equipment, work site, or work procedures occur or are likely to occur. The director shall further require annual resubmittal of such notification.
(c) The director, upon review of an owner's reports, work practices, or other data available as a result of inspections, audits, or other authorized activities, may reduce the size threshold for prenotification required by this section. Such a change shall be based on the director's determination that significant problems in personnel, methodologies, equipment, work site, or work procedures are creating the potential for violations of this chapter or asbestos requirements under chapter 49.17 RCW. The new prenotification requirements shall be given in writing to the owner and shall remain in effect until modified or withdrawn in writing by the director.

(2) Emergency projects (which are defined as emergencies by the rules of the department).

(a) As used in this section, "emergency project" means a project that was not planned and results from a sudden, unexpected event, and does not include operations that are necessitated by nonroutine failure of equipment or systems.

(b) Emergency projects which disturb or release any material containing asbestos into the air shall be reported to the department within three working days after the commencement of the project in the manner otherwise required under this chapter. A notice shall be clearly posted adjacent to the work site describing the nature of the emergency project. The employees' collective bargaining representatives, or employee representatives, or designated representatives, if any, shall be notified of the emergency as soon as possible by the person undertaking the emergency project.

Incremental phasing in the conduct or design of asbestos projects or otherwise designing or conducting asbestos projects of a size less than forty-eight square feet, or other threshold for exemption as provided under this section, with the intent of avoiding prenotification requirements is a violation of this chapter.

Sec. 9. Section 3, chapter 387, Laws of 1985 as last amended by section 15, chapter 271, Laws of 1988 and RCW 49.26.130 are each reenacted and amended to read as follows:

(1) The department shall administer this chapter.

(2) The director of the department shall adopt, in accordance with chapters (34.04) 34.05 and 49.17 RCW, rules necessary to carry out this chapter.

(3) The department shall prescribe fees for the issuance and renewal of certificates, including recertification, and the administration of examinations, and for the review of training courses.

(4) The asbestos account is hereby established in the state treasury. All fees collected under this chapter shall be deposited in the account. Moneys in the account shall be spent after appropriation only for costs incurred by
the department in the administration and enforcement of this chapter. Disbursements from the account shall be on authorization of the director of the department or the director's designee.

Sec. 10. Section 16, chapter 271, Laws of 1988 and RCW 49.26.150 are each reenacted to read as follows:

Any employee who notifies the department of any activity the employee reasonably believes to be a violation of this chapter or any rule adopted under this chapter or who participates in any proceeding related thereto shall have the same rights and protections against discharge or discrimination as employees are afforded under chapter 49.17 RCW.

Sec. 11. Section 19, chapter 271, Laws of 1988 and RCW 49.26.901 are each reenacted and amended to read as follows:

((The department of labor and industries may immediately take such steps as are necessary to ensure that sections 6 through 18 of this act are implemented on those dates:))

NEW SECTION. Sec. 12. There is appropriated from the accident and medical aid funds to the department of labor and industries in a ratio consistent with other department appropriations for the biennium ending June 30, 1991, the sum of two hundred twenty-six thousand three hundred forty-three dollars, or as much thereof as may be necessary, to carry out the purposes of this act. Repayment shall be made from the asbestos account to the accident and medical aid funds of any moneys appropriated by law to implement this act.

The proceeds from such fees shall be distributed in accordance with RCW 46.68.035.

Effective with motor vehicle licenses that expire in January, 1989, and thereafter, a surcharge of four dollars and seventy-five cents is added to such fees. The proceeds of this surcharge shall be forwarded to the state treasurer to be deposited into the state patrol highway account of the motor vehicle fund.

Every motor truck, truck tractor, and tractor exceeding 6,000 pounds empty scale weight registered under chapter 46.16, 46.87, or 46.88 RCW shall be licensed for not less than one hundred fifty percent of its empty weight unless the amount would be in excess of the legal limits prescribed for such a vehicle in RCW 46.44.041 or 46.44.042, in which event the vehicle shall be licensed for the maximum weight authorized for such a vehicle.

The following provisions apply when increasing gross or combined gross weight for a vehicle licensed under this section:

1. The new license fee will be one-twelfth of the fee listed above for the new gross weight, multiplied by the number of months remaining in the period for which licensing fees have been paid, including the month in which the new gross weight is effective.

2. Upon surrender of the current certificate of registration or cab card, the new licensing fees due shall be reduced by the amount of the licensing fees previously paid for the same period for which new fees are being charged.

Sec. 2. Section 16, chapter 380, Laws of 1985 as last amended by section 4, chapter 244, Laws of 1987 and RCW 46.16.085 are each amended to read as follows:
In lieu of all other licensing fees, an annual license fee of thirty-six dollars shall be collected in addition to the excise tax prescribed in chapter 82.44 RCW for: (1) Each trailer and semitrailer not subject to the license fee under RCW 46.16.065 or the capacity fees under RCW 46.16.080; (2) every pole trailer; (3) every converter gear or auxiliary axle not licensed as a combination under the provisions of RCW 46.16.083.

Sec. 3. Section 10, chapter 18, Laws of 1986 and RCW 46.16.090 are each amended to read as follows:

Motor trucks, truck tractors, and tractors may be specially licensed based on the declared gross weight thereof for the various amounts set forth in the schedule provided in RCW 46.16.070 less twenty-three dollars; divide the difference by two and add twenty-three dollars, when such vehicles are owned and operated by farmers, but only if the following condition or conditions exist:

(1) When such vehicles are to be used for the transportation of the farmer's own farm, orchard, or dairy products, or the farmer's own private sector cultured aquatic products as defined in RCW 15.85.020, from point of production to market or warehouse, and of supplies to be used on the farmer's farm. Fish other than those that are such private sector cultured aquatic products and forestry products are not considered as farm products; and/or

(2) When such vehicles are to be used for the infrequent or seasonal transportation by one farmer for another farmer in the farmer's neighborhood of products of the farm, orchard, dairy, or aquatic farm owned by the other farmer from point of production to market or warehouse, or supplies to be used on the other farm, but only if transportation for another farmer is for compensation other than money. Farmers shall be permitted an allowance of an additional eight thousand pounds, within the legal limits, on such vehicles, when used in the transportation of the farmer's own farm machinery between the farmer's own farm or farms and for a distance of not more than thirty-five miles from the farmer's farm or farms.

The department shall prepare a special form of application to be used by farmers applying for licenses under this section, which form shall contain a statement to the effect that the vehicle concerned will be used subject to the limitations of this section. The department shall prepare special insignia which shall be placed upon all such vehicles to indicate that the vehicle is specially licensed, or may, in its discretion, substitute a special license plate for such vehicle for such designation.
Operation of such a specially licensed vehicle in transportation upon public highways in violation of the limitations of this section is a traffic infraction.

Sec. 4. Section 21, chapter 380, Laws of 1985 and RCW 46.68.035 are each amended to read as follows:

All proceeds from combined vehicle licensing fees received by the director for vehicles licensed under RCW 46.16.070 and 46.16.085 shall be forwarded to the state treasurer to be distributed into accounts according to the following method:

[Second Substitute Senate Bill No. 5174]
HYDROPOWER—COMPREHENSIVE STATE PLAN

AN ACT Relating to a comprehensive state hydropower plan; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. LEGISLATIVE FINDINGS. The legisla-
ture finds that the task force on hydroelectric development and resource
protection has recommended that:

(1) The state adopt goals to direct future development of hydropower
and protection of river-related resources;
(2) The state take steps to enhance the existing hydropower permit review process; and

(3) The state develop, in concert with appropriate interests, a comprehensive state hydropower plan.

NEW SECTION. Sec. 2. HYDRO TASK FORCE. (1) The Washington state energy office shall contract with an independent facilitator to reconvene and coordinate the task force assembled to implement section 301, chapter 7, Laws of 1987 1st ex. sess. The task force shall prepare by March 31, 1991, a state comprehensive hydropower plan to serve the broad public interest regarding development of cost–effective electricity and conservation of river–related environmental values. Task force meetings shall be open to the public. The facilitator shall assist the task force in appropriate efforts to inform the general public regarding project concepts and progress. Task force members shall make appropriate efforts to inform the interest groups they represent.

(2) By December 15, 1989, the task force shall engage in a midpoint review whereby participants can jointly appraise the progress of the project. If, in the opinion of the participants, a consensus to continue as a task force cannot be achieved, the executive agencies shall use their existing statutory authority to develop a plan, with the assistance of all affected parties and participating agencies, building upon the work that has been done by the task force.

(3) If the task force continues beyond December 15, 1989, it shall by July 1, 1990, recommend to the legislature a lead agency for implementation and management of the state comprehensive hydropower plan.

NEW SECTION. Sec. 3. POLICY GUIDELINES. Future development of hydropower and protection of river–related resources shall be guided by policies and programs which:

(1) Create opportunities for balanced development of cost–effective and environmentally sound hydropower projects by a range of development interests;

(2) Protect significant values associated with the state's rivers, including fish and wildlife populations and habitats, water quality and quantity, unique physical and botanical features, archeological sites, and scenic and recreational resources;

(3) Protect the interests of the citizens of the state regarding river–related economic development, municipal water supply, supply of electric energy, flood control, recreational opportunity, and environmental integrity;

(4) Fully utilize the state's authority in the federal hydropower licensing process.
NEW SECTION. Sec. 4. PLAN CONTENT. (1) At a minimum, the plan shall designate two categories of resource agreement areas: (a) Sensitive areas where hydropower development is likely to conflict with significant environmental values, and (b) less sensitive areas where development will not conflict with or may enhance environmental values. Some areas may remain unclassified due to lack of information or if they fall between the two categories. The plan shall integrate resource agreement area findings with existing state laws and programs including instream flow basin plans prepared by the department of ecology, watershed planning coordinated by the department of fisheries, watershed planning coordinated through the Puget Sound water quality authority, watershed planning for municipal water supply, the scenic rivers program administered by the parks and recreation commission, and the planning process developed through the joint select committee on water resources policy and any actions resulting from that process.

(2) At a minimum, the final plan report shall:
   (a) List applicable laws, rules, and policies;
   (b) Describe the waterways or basins covered by the plan;
   (c) Designate the categories of resource agreement area for each waterway or basin;
   (d) Describe, for each waterway where hydropower is to be affected, the significant resources that cause the waterway or basin to be so designated;
   (e) Identify goals, objectives, and recommendations for improving, developing, or conserving affected waterways;
   (f) Describe how the plan is to be integrated with other planning activities and policy initiatives and how the plan will be implemented and amended;
   (g) Assess the anticipated effect of the plan on hydropower development and resource protection; and
   (h) Describe the plan development process.

NEW SECTION. Sec. 5. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1989, in the omnibus appropriations act, this act shall be null and void.

AN ACT Relating to regulation of excursion service carriers; and amending RCW 81.68-010, 81.68.015, 81.68.020, 81.68.030, 81.68.060, 81.70.020, 81.70.220, 81.70.250, 81.70.260, 81.70.270, 81.70.280, 81.70.290, 81.70.320, 81.70.330, 81.70.340, and 81.70.350.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 81.68.010, chapter 14, Laws of 1961 as last amended by section 1, chapter 166, Laws of 1984 and RCW 81.68.010 are each amended to read as follows:

The definitions set forth in this section shall apply throughout this chapter, unless the context clearly indicates otherwise.

(1) "Corporation" means a corporation, company, association, or joint stock association.

(2) "Person" means an individual, firm, or a copartnership.

(3) "Auto transportation company" means every corporation or person, their lessees, trustees, receivers, or trustees appointed by any court whatsoever, owning, controlling, operating, or managing any motor propelled vehicle not usually operated on or over rails used in the business of transporting persons, and baggage, mail, and express on the vehicles of auto transportation companies carrying passengers, for compensation over any public highway in this state between fixed termini or over a regular route, and not operating exclusively within the incorporated limits of any city or town.

(4) "Excursion-service company" means every corporation or person, their lessees, trustees, receivers, or trustees appointed by any court whatsoever, owning, controlling, operating, or managing any motor propelled vehicle not usually operated on or over rails used in the business of transporting persons for compensation over any public highway in this state from points
of origin within the incorporated limits of any city or town or area designated by the commission, to any other location within the state of Washington and returning to that origin. The service shall not pick up or drop off passengers after leaving and before returning to the area of origin. The excursions may or may not be regularly scheduled. Compensation for the transportation offered or afforded shall be computed, charged, or assessed by the excursion service company on an individual fare basis.

(5) "Public highway" means every street, road, or highway in this state.

The words "between fixed termini or over a regular route" mean the termini or route between or over which any auto transportation company usually or ordinarily operates any motor propelled vehicle, even though there may be departure from the termini or route, whether the departures are periodic or irregular. Whether or not any motor propelled vehicle is operated by any auto transportation company "between fixed termini or over a regular route" within the meaning of this section is a question of fact, and the finding of the commission thereon is final and is not subject to review.

Sec. 2. Section 2, chapter 166, Laws of 1984 and RCW 81.68.015 are each amended to read as follows:

This chapter does not apply to corporations or persons, their lessees, trustees, receivers, or trustees appointed by any court whatsoever insofar as they own, control, operate, or manage taxicabs, hotel buses, school buses, motor propelled vehicles operated exclusively in transporting agricultural, horticultural, dairy, or other farm products from the point of production to the market, or any other carrier that does not come within the term "auto transportation company" as defined in RCW 81.68.010.

This chapter does not apply to persons operating motor vehicles when operated wholly within the limits of incorporated cities or towns, and for a distance not exceeding three road miles beyond the corporate limits of the city or town in Washington in which the original starting point of the vehicle is located, and which operation either alone or in conjunction with another vehicle or vehicles is not a part of any journey beyond the three-mile limit.

This chapter does not apply to commuter ride sharing or ride sharing for the elderly and the handicapped in accordance with RCW 46.74.010, so long as the ride-sharing operation does not compete with nor infringe upon comparable service actually being provided before the initiation of the ride-sharing operation by an existing auto transportation company certificated under this chapter.

Sec. 3. Section 81.68.020, chapter 14, Laws of 1961 as amended by section 3, chapter 166, Laws of 1984 and RCW 81.68.020 are each amended to read as follows:

Sec. 4. Section 81.68.030, chapter 14, Laws of 1961 as amended by section 4, chapter 166, Laws of 1984 and RCW 81.68.030 are each amended to read as follows:

The commission is vested with power and authority, and it is its duty to supervise and regulate every auto transportation company (and every excursion service company)) in this state as provided in this section. 2. Regulate the accounts, service, and safety of operations;
3. Require the filing of annual and other reports and of other data;
4. Supervise and regulate the companies in all other matters affecting the relationship between such companies and the traveling and shipping public;
5. By general order or otherwise, prescribe rules and regulations in conformity with this chapter, applicable to any and all such companies, and within such limits make orders.

The commission may, at any time, by its order duly entered after a hearing had upon notice to the holder of any certificate under this chapter, and an opportunity to the holder to be heard, at which it shall be proven that the holder wilfully violates or refuses to observe any of the commission's proper orders, rules, or regulations, suspend, revoke, alter, or amend any certificate issued under the provisions of this chapter, but the holder of the certificate has all the rights of rehearing, review, and appeal as to the order of the commission as is provided for in RCW 81.68.070.

Sec. 5. Section 81.68.060, chapter 14, Laws of 1961 as last amended by section 6, chapter 166, Laws of 1984 and RCW 81.68.060 are each amended to read as follows:

In granting certificates to operate any auto transportation company (or excursion service company), for transporting for compensation persons and baggage, mail, and express on the vehicles of auto transportation companies (or excursion service companies) carrying passengers, the commission shall require the owner or operator to first procure liability and
property damage insurance from a company licensed to make liability insurance in the state of Washington or a surety bond of a company licensed to write surety bonds in the state of Washington on each motor propelled vehicle used or to be used in transporting persons for compensation, in the amount of not less than one hundred thousand dollars for any recovery for personal injury by one person and not less than three hundred thousand dollars for any vehicle having a capacity of sixteen passengers or less and not less than five hundred thousand dollars for any vehicle having a capacity of seventeen passengers or more for all persons receiving personal injury by reason of at least one act of negligence and not less than fifty thousand dollars for damage to property of any person other than the assured. The commission shall fix the amount of the insurance policy or policies or security deposit giving due consideration to the character and amount of traffic, the number of persons affected, and the degree of danger that the proposed operation involves. The liability and property damage insurance or surety bond shall be maintained in force on [the] motor propelled vehicle while so used, and each policy for liability or property damage insurance or surety bond required by this section shall be filed with the commission and kept in full force and effect. Failure so to do is cause for the revocation of the certificate.

Sec. 6. Section 3, chapter 150, Laws of 1965 as last amended by section 1, chapter 30, Laws of 1988 and RCW 81.70.020 are each amended to read as follows:

(6) Subject to the exclusion of RCW 81.70.030, "excursion service carrier" means every person engaged in the transportation of persons for compensation over any public highway in this state from points of origin.

No person may engage in the business of a charter party carrier or excursion service carrier of persons over any public highway without first having obtained a certificate from the commission to do so or having registered as an interstate carrier.

Sec. 8. Section 5, chapter 30, Laws of 1988 and RCW 81.70.250 are each amended to read as follows:

The commission may cancel, revoke, or suspend any certificate issued under this chapter on any of the following grounds:

1. The violation of any of the provisions of this chapter;
2. The violation of an order, decision, rule, regulation, or requirement established by the commission pursuant to this chapter;
3. Failure of a charter party carrier or excursion service carrier of passengers to pay a fee imposed on the carrier within the time required by law;
4. Failure of a charter party carrier or excursion service carrier to maintain required insurance coverage in full force and effect; or
5. Failure of the certificate holder to operate and perform reasonable service.

Sec. 9. Section 6, chapter 30, Laws of 1988 and RCW 81.70.260 are each amended to read as follows:

The commission shall establish such rules and regulations and require such reports as are necessary to carry out the provisions of this chapter.

Sec. 11. Section 8, chapter 30, Laws of 1988 and RCW 81.70.280 are each amended to read as follows:
In granting certificates under this chapter, the commission shall require charter party carriers and excursion service carriers of passengers to procure and continue in effect during the life of the certificate, liability and property damage insurance from a company licensed to make liability insurance in the state of Washington or a surety bond of a company licensed to write surety bonds in the state of Washington on each motor-propelled vehicle used or to be used in transporting persons for compensation, in the following amounts:

(a) Not less than one hundred thousand dollars for any recovery for personal injury by one person; and

(b) Not less than three hundred thousand dollars for any vehicle having a capacity of sixteen passengers or less; and

Such liability and property damage insurance or surety bond shall be maintained in force on each motor-propelled vehicle while so used. Each policy for liability or property damage insurance or surety bond required herein shall be filed with the commission and kept in effect and a failure so to do is cause for revocation of the certificate.

A charter party carrier or excursion service carrier of passengers authorized to transport persons for compensation on the highways and engaging in interstate, or interstate and intrastate, operations within the state of Washington which is or becomes qualified as a self-insurer with the interstate commerce commission of the United States in accordance with the United States interstate commerce act applicable to self-insurance by motor carriers is exempt from RCW 81.70.280 relating to the carrying or filing of insurance policies or bonds in connection with such operations as long as such qualification remains effective.

The commission may require proof of the existence and continuation of qualification with the interstate commerce commission to be made by affidavit of the charter party carrier or excursion service carrier in a form the commission may prescribe.

by such filing fees as the commission may prescribe by rule, however the fee shall not exceed two hundred dollars.

(2) All fees paid to the commission under this chapter shall be deposited in the state treasury to the credit of the public service revolving fund.

(3) It is the intent of the legislature that all fees collected under this chapter shall reasonably approximate the cost of supervising and regulating charter party carriers and excursion service carriers subject thereto, and to that end the commission is authorized to decrease the schedule of fees provided for in RCW 81.70.350 by general order entered before November 1 of any year in which the commission determines that the moneys then in the charter party carrier and excursion service carrier account of the public service revolving fund and the fees currently to be paid will exceed the reasonable cost of supervising and regulating such carriers during the succeeding calendar year. Whenever the cost accounting records of the commission indicate that the schedule of fees previously reduced should be increased, such increase, not in any event to exceed the schedule set forth in this chapter, may be effected by a similar general order entered before November 1 of any calendar year.

Sec. 14. Section 13, chapter 30, Laws of 1988 and RCW 81.70.330 are each amended to read as follows:

Not less than thirty nor more than ninety days prior to July 1st of each year or to the expiration date of any staggered yearly license, the secretary of state shall mail to each foreign
corporation qualified to do business in this state, by first class mail addressed to its registered office, a notice that its annual license fee must be paid and its annual report must be filed as required by this title, and stating that if it shall fail to pay its annual license fee or to file its annual report its certificate of authority to transact business within this state may be revoked. Failure of the secretary of state to mail any such notice shall not relieve a corporation from its obligations to pay the annual license fees and to obtain or file the annual reports required by this title.

NEW SECTION. Sec. 18. DOMESTIC CORPORATIONS—FEE FOR FILING ARTICLES OF INCORPORATION AND FOR FIRST YEAR'S LICENSE. Every domestic corporation, except one for which existing law provides a different fee schedule, shall pay for filing of its articles of incorporation and its first year's license a fee of one hundred seventy-five dollars.

NEW SECTION. Sec. 19. DOMESTIC CORPORATIONS—ANNUAL LICENSE FEE. For the privilege of doing business, every corporation organized under the laws of this state, except the corporations for which existing law provides a different fee schedule, shall make and file a statement in the form prescribed by the secretary of state and shall pay an annual license fee each year following incorporation, on or before the expiration date of its corporate license, to the secretary of state. The secretary of state shall collect an annual license fee of fifty dollars.

NEW SECTION. Sec. 20. FOREIGN CORPORATIONS—FILING AND LICENSE FEES ON QUALIFICATION. A foreign corporation doing an intrastate business or seeking to do an intrastate business in the state of Washington shall qualify so to do in the manner prescribed in this title and shall pay for the privilege of so doing the filing and license fees prescribed in this title for domestic corporations, including the same fees as are prescribed in section 18 of this act, for the filing of articles of incorporation of a domestic corporation.

NEW SECTION. Sec. 21. FOREIGN CORPORATIONS—ANNUAL LICENSE FEES. All foreign corporations doing intrastate business, or hereafter seeking to do intrastate business in this state shall pay for the privilege of doing such intrastate business in this state the same fees as are prescribed by section 19 of this act for domestic corporations for annual license fees. All license fees shall be paid on or before the first day of July of each and every year or on the annual license expiration date as the secretary of state may establish under this title.

NEW SECTION. Sec. 22. LICENSE FEES FOR REINSTATED CORPORATION. (1) A corporation seeking reinstatement shall pay the full amount of all annual corporation license fees which would have been assessed for the license years of the period of administrative dissolution had
the corporation been in active status, plus a surcharge of twenty-five percent, and the license fee for the year of reinstatement.

(2) The penalties herein established shall be in lieu of any other penalties or interest which could have been assessed by the secretary of state under the corporation laws or which, under those laws, would have accrued during any period of delinquency, dissolution, or expiration of corporate duration.

NEW SECTION. Sec. 23. PENALTY FOR NONPAYMENT OF ANNUAL LICENSE FEES AND FAILURE TO COMPLETE ANNUAL REPORT—PAYMENT OF DELINQUENT FEES. The secretary of state may, where exigent or mitigating circumstances are presented, waive penalty fees and reinstate to full active status any licensed corporation previously in good standing which would otherwise be penalized or lose its active status. Any corporation desiring to seek relief under this section shall, within fifteen days of discovery by corporate officials of the missed filing or lapse, notify the secretary of state in writing. The notification shall include the name and mailing address of the corporation, the corporate officer to whom correspondence should be sent, and a statement under oath by a responsible corporate officer, setting forth the nature of the missed filing or lapse, the circumstances giving rise to the missed filing or lapse, and the relief sought. Upon receipt of the notice, the secretary of state shall investigate the circumstances of the missed filing or lapse. If the secretary of state is satisfied that sufficient exigent or mitigating circumstances exist, that the corporation has demonstrated good faith and a reasonable attempt to comply with the applicable corporate license statutes of this state, that disproportionate harm would occur to the corporation if relief were not granted, and that relief would not be contrary to the public interest expressed in this title, the secretary may issue an order allowing relief from the penalty stating the basis for the relief and specifying any terms and conditions of the relief. If the secretary of state determines the request does not comply with the requirements for relief, the secretary shall issue an order denying the requested relief and stating the reasons for the denial.
Any denial of relief by the secretary of state is not reviewable notwithstanding the provisions of chapter 34.05 RCW. The secretary of state shall keep records of all requests for relief and the disposition of the requests. The secretary of state shall annually report to the legislature the number of relief requests received in the preceding year and a summary of the secretary's disposition of the requests.

NEW SECTION. Sec. 25. PUBLIC SERVICE COMPANIES ENTITLED TO DEDUCTIONS. The annual fee required to be paid to the Washington utilities and transportation commission by any public service corporation shall be deducted from the annual license fee provided in this title and the excess only shall be collected.

It shall be the duty of the commission to furnish to the secretary of state on or before July 1st of each year a list of all public service corporations with the amount of annual license fees paid to the commission for the current year.

sufficient to redeem the shares has been deposited with a bank, trust com-
pany, or other financial institution under an irrevocable obligation to pay
the holders the redemption price on surrender of the shares.

(4) At all times that shares of the corporation are outstanding, one or
more shares that together have unlimited voting rights and one or more
shares that together are entitled to receive the net assets of the corporation
upon dissolution must be outstanding.

NEW SECTION. Sec. 47. FRACTIONAL SHARES. (1) A corpora-
tion may:
(a) Issue fractions of a share or pay in money the value of fractions of a share;
(b) Arrange for disposition of fractional shares by the shareholders;
(c) Issue scrip in registered or bearer form entitling the holder to receive a full share upon surrendering enough scrip to equal a full share.

(2) Each certificate representing scrip must be conspicuously labeled "scrip" and must contain the information required by section 53(2) of this act.

(3) The holder of a fractional share is entitled to exercise the rights of a shareholder, including the right to vote, to receive dividends, and to participate in the assets of the corporation upon liquidation. The holder of scrip is not entitled to any of these rights unless the scrip provides for them.

(4) The board of directors may authorize the issuance of scrip subject to any condition considered desirable, including:
   (a) That the scrip will become void if not exchanged for full shares before a specified date; and
   (b) That the shares for which the scrip is exchangeable may be sold and the proceeds paid to the scripholders.

NEW SECTION. Sec. 48. SUBSCRIPTION FOR SHARES BEFORE INCORPORATION. (1) A written subscription for shares entered into before incorporation is irrevocable for six months unless the subscription agreement provides a longer or shorter period or all the subscribers agree to revocation.

(2) The board of directors may determine the payment terms of subscriptions for shares that were entered into before incorporation, unless the subscription agreement specifies them. A call for payment by the board of directors must be uniform so far as practicable as to all shares of the same class or series, unless the subscription agreement specifies otherwise.

(3) Shares issued pursuant to subscriptions entered into before incorporation are fully paid and nonassessable when the corporation receives the consideration specified in the subscription agreement.

(4) If a subscriber defaults in payment of money or property under a subscription agreement entered into before incorporation, the corporation may collect the amount owed as any other debt. Alternatively, unless the subscription agreement provides otherwise, the corporation may rescind the agreement and may sell the shares if the debt remains unpaid more than twenty days after the corporation sends written demand for payment to the subscriber.

(5) A subscription agreement entered into after incorporation is a contract between the subscriber and the corporation subject to section 49 of this act.

NEW SECTION. Sec. 49. ISSUANCE OF SHARES. (1) The powers granted in this section to the board of directors may be reserved to the shareholders by the articles of incorporation.
(2) Any issuance of shares must be authorized by the board of directors. Shares may be issued for consideration consisting of any tangible or intangible property or benefit to the corporation, including cash, promissory notes, services performed, contracts for services to be performed, or other securities of the corporation.

(3) A good faith determination by the board of directors that the consideration received or to be received for the shares to be issued is adequate is conclusive insofar as the adequacy of consideration relates to whether the shares are validly issued, fully paid and nonassessable. When the board of directors has made such a determination and the corporation has received the consideration, the shares issued therefor are fully paid and nonassessable.

(4) The corporation may place in escrow shares issued for a contract for future services or benefits or a promissory note, or make other arrangements to restrict the transfer of the shares, and may credit distributions in respect to the shares against their purchase price, until the services are performed, the benefits are received, or the note is paid. If the services are not performed, the benefits are not received, or the note is not paid, the shares escrowed or restricted and the distributions credited may be canceled in whole or part.

(5) Where it cannot be determined that outstanding shares are fully paid and nonassessable, there shall be a conclusive presumption that such shares are fully paid and nonassessable if the board of directors makes a good faith determination that there is no substantial evidence that the full consideration for such shares has not been paid.

NEW SECTION. Sec. 50. LIABILITY OF SHAREHOLDERS. A purchaser from a corporation of its own shares is not liable to the corporation or its creditors with respect to the shares except to pay the consideration for which the shares were authorized to be issued under section 49 of this act or specified in the subscription agreement under section 48 of this act.

NEW SECTION. Sec. 51. SHARE DIVIDENDS. (1) Unless the articles of incorporation provide otherwise, shares may be issued pro rata and without consideration to the corporation's shareholders or to the shareholders of one or more classes or series. An issuance of shares under this subsection is a share dividend.

(2) Shares of one class or series may not be issued as a share dividend in respect to shares of another class or series unless (a) the articles of incorporation so authorize, (b) a majority of the votes entitled to be cast by the class or series to be issued approve the issue, or (c) there are no outstanding shares of the class or series to be issued.

NEW SECTION. Sec. 52. SHARE OPTIONS. Unless the articles of incorporation provide otherwise, a corporation may issue rights, options, or
warrants for the purchase of shares of the corporation. The board of directors shall determine the terms upon which the rights, options, or warrants are issued, their form and content, and the consideration for which the shares are to be issued.

NEW SECTION. Sec. 53. FORM AND CONTENT OF CERTIFICATES. (1) Shares may but need not be represented by certificates. Unless this title or another statute expressly provides otherwise, the rights and obligations of shareholders are identical whether or not their shares are represented by certificates.

(2) At a minimum each share certificate must state on its face:
   (a) The name of the issuing corporation and that it is organized under the laws of this state;
   (b) The name of the person to whom issued; and
   (c) The number and class of shares and the designation of the series, if any, the certificate represents.

(3) If the issuing corporation is authorized to issue different classes of shares or different series within a class, the designations, relative rights, preferences, and limitations applicable to each class and the variations in rights, preferences, and limitations determined for each series, and the authority of the board of directors to determine variations for future series, must be summarized on the front or back of each certificate. Alternatively, each certificate may state conspicuously on its front or back that the corporation will furnish the shareholder this information without charge on request in writing.

(4) Each share certificate (a) must be signed, either manually or in facsimile, by two officers designated in the bylaws or by the board of directors and (b) may bear the corporate seal or its facsimile.

(5) If the person who signed, either manually or in facsimile, a share certificate no longer holds office when the certificate is issued, the certificate is nevertheless valid.

NEW SECTION. Sec. 54. SHARES WITHOUT CERTIFICATES. (1) Unless the articles of incorporation or bylaws provide otherwise, the board of directors of a corporation may authorize the issue of some or all of the shares of any or all of its classes or series without certificates. The authorization does not affect shares already represented by certificates until they are surrendered to the corporation.

(2) Within a reasonable time after the issue or transfer of shares without certificates, the corporation shall send the shareholder a written statement of the information required on certificates by section 53 (2) and (3) of this act, and, if applicable, section 55 of this act.

NEW SECTION. Sec. 55. RESTRICTION ON TRANSFER OF SHARES AND OTHER SECURITIES. (1) The articles of incorporation,
bylaws, an agreement among shareholders, or an agreement between shareholders and the corporation may impose restrictions on the transfer or registration of transfer of shares of the corporation. A restriction does not affect shares issued before the restriction was adopted unless the holders of the shares are parties to the restriction agreement or voted in favor of the restriction.

(2) A restriction on the transfer or registration of transfer of shares is valid and enforceable against the holder or a transferee of the holder if the restriction is authorized by this section and its existence is noted conspicuously on the front or back of the certificate or is contained in the information statement required by section 54(2) of this act. Unless so noted, a restriction is not enforceable against a person without knowledge of the restriction.

(3) A restriction on the transfer or registration of transfer of shares is authorized:

(a) To maintain the corporation's status when it is dependent on the number or identity of its shareholders;

(b) To preserve exemptions under federal or state securities law; or

(c) For any other reasonable purpose.

(4) A restriction on the transfer or registration of transfer of shares may:

(a) Obligate the shareholder first to offer the corporation or other persons, separately, consecutively, or simultaneously, an opportunity to acquire the restricted shares;

(b) Obligate the corporation or other persons, separately, consecutively, or simultaneously, to acquire the restricted shares;

(c) Require the corporation, the holders of any class of its shares, or another person to approve the transfer of the restricted shares, if the requirement is not manifestly unreasonable; or

(d) Prohibit the transfer of the restricted shares to designated persons or classes of persons, if the prohibition is not manifestly unreasonable.

(5) For purposes of this section, "shares" includes a security convertible into or carrying a right to subscribe for or acquire shares.

NEW SECTION. Sec. 56. EXPENSE OF ISSUE. A corporation may pay the expenses of selling or underwriting its shares, and of organizing or reorganizing the corporation, from the consideration received for shares.

NEW SECTION. Sec. 57. SHAREHOLDERS' PREEMPTIVE RIGHTS. (1) Unless the articles of incorporation provide otherwise, and subject to the limitations in subsections (3) and (4) of this section, the shareholders of a corporation have a preemptive right, granted on uniform terms and conditions prescribed by the board of directors to provide a fair and reasonable opportunity to exercise the right, to acquire proportional amounts of the corporation's unissued shares upon the decision of the board of directors to issue them.
(2) Unless the articles of incorporation provide otherwise, a shareholder may waive the shareholder's preemptive right. A waiver evidenced by a writing is irrevocable even though it is not supported by consideration.

(3) Unless the articles of incorporation provide otherwise, there is no preemptive right with respect to:
   (a) Shares issued as compensation to directors, officers, agents, or employees of the corporation, or its subsidiaries or affiliates;
   (b) Shares issued to satisfy conversion or option rights created to provide compensation to directors, officers, agents, or employees of the corporation, or its subsidiaries or affiliates;
   (c) Shares issued pursuant to the corporation's initial plan of financing; and
   (d) Shares sold otherwise than for money.

(4) Unless the articles of incorporation provide otherwise:
   (a) Holders of shares of any class without general voting rights but with preferential rights to distributions or assets have no preemptive rights with respect to shares of any class; and
   (b) Holders of shares of any class with general voting rights but without preferential rights to distributions or assets have no preemptive rights with respect to shares of any class with preferential rights to distributions or assets unless the shares with preferential rights are convertible into or carry a right to subscribe for or acquire shares without preferential rights.

(5) Unless the articles of incorporation provide otherwise, shares subject to preemptive rights that are not acquired by shareholders may be issued to any person for a period of one year after being offered to shareholders at a consideration set by the board of directors that is not lower than the consideration set for the exercise of preemptive rights. An offer at a lower consideration or after the expiration of one year is subject to the shareholders' preemptive rights.

(6) For purposes of this section, "shares" includes a security convertible into or carrying a right to subscribe for or acquire shares.

NEW SECTION. Sec. 58. CORPORATION'S ACQUISITION OF ITS OWN SHARES. (1) A corporation may acquire its own shares and shares so acquired constitute authorized but unissued shares.

(2) If the articles of incorporation prohibit the reissue of acquired shares, the number of authorized shares is reduced by the number of shares acquired, effective upon amendment of the articles of incorporation.

(3) The board of directors may adopt articles of amendment under this section without shareholder action and deliver them to the secretary of state for filing. The articles must set forth:
   (a) The name of the corporation;
   (b) The reduction in the number of authorized shares, itemized by class and series; and
NEW SECTION. Sec. 59. DISTRIBUTIONS TO SHAREHOLDERS. (1) A board of directors may authorize and the corporation may make distributions to its shareholders subject to restriction by the articles of incorporation and the limitation in subsection (2) of this section.

(2) No distribution may be made if, after giving it effect:

(a) The corporation would not be able to pay its debts as they become due in the usual course of business; or

(b) The corporation's total assets would be less than the sum of its total liabilities plus, unless the articles of incorporation permit otherwise, the amount that would be needed, if the corporation were to be dissolved at the time of the distribution, to satisfy the preferential rights upon dissolution of shareholders whose preferential rights are superior to those receiving the distribution.

(3) For purposes of determinations under subsection (2) of this section:

(a) The board of directors may base a determination that a distribution is not prohibited under subsection (2) of this section either on financial statements prepared on the basis of accounting practices and principles that are reasonable in the circumstances or on a fair valuation or other method that is reasonable in the circumstances; and

(b) Indebtedness of a corporation, including indebtedness issued as a distribution, is not considered a liability if its terms provide that payment of principal and interest are made only if and to the extent that payment of a distribution to shareholders could then be made under this section.

(4) The effect of a distribution under subsection (3)(b) of this section is measured:

(a) In the case of a distribution of indebtedness, the terms of which provide that payment of principal and interest are made only if and to the extent that payment of a distribution to shareholders could then be made under this section, each payment of principal or interest is treated as a distribution, the effect of which is measured on the date the payment is actually made; or

(b) In the case of any other distribution:

(i) If the distribution is by purchase, redemption, or other acquisition of the corporation's shares, the effect of the distribution is measured as of the earlier of the date any money or other property is transferred or debt incurred by the corporation, or the date the shareholder ceases to be a shareholder with respect to the acquired shares;

(ii) If the distribution is of indebtedness other than that described in subsection (4) (a) and (b)(i) of this section, the effect of the distribution is measured as of the date the indebtedness is distributed; and

(iii) In all other cases, the effect of the distribution is measured as of the date the distribution is authorized if payment occurs within one hundred
twenty days after the date of authorization, or the date the payment is made if it occurs more than one hundred twenty days after the date of authorization.

(5) A corporation's indebtedness to a shareholder incurred by reason of a distribution made in accordance with this section is at parity with the corporation's indebtedness to its general, unsecured creditors except to the extent provided otherwise by agreement.

(6) In circumstances to which this section and related sections of this title are applicable, such provisions supersede the applicability of any other statutes of this state with respect to the legality of distributions.

NEW SECTION. Sec. 60. ANNUAL MEETING. (1) A corporation shall hold a meeting of shareholders annually at a time stated in or fixed in accordance with the bylaws.

(2) Annual shareholders' meetings may be held in or out of this state at the place stated in or fixed in accordance with the bylaws. If no place is stated in or fixed in accordance with the bylaws, annual meetings shall be held at the corporation's principal office.

(3) The failure to hold an annual meeting at the time stated in or fixed in accordance with a corporation's bylaws does not affect the validity of any corporate action.

NEW SECTION. Sec. 61. SPECIAL MEETING. (1) A corporation shall hold a special meeting of shareholders:

(a) On call of its board of directors or the person or persons authorized to do so by the articles of incorporation or bylaws; or

(b) Except as set forth in subsections (2) and (3) of this section, if the holders of at least ten percent of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting sign, date, and deliver to the corporation's secretary one or more written demands for the meeting describing the purpose or purposes for which it is to be held.

(2) The right of shareholders of a public company to call a special meeting may be limited or denied to the extent provided in the articles of incorporation.

(3) If the corporation is other than a public company, the articles or bylaws may require the demand specified in subsection (1)(b) of this section be made by a greater percentage, not in excess of twenty-five percent, of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting.

(4) If not otherwise fixed under section 62 or 66 of this act, the record date for determining shareholders entitled to demand a special meeting is the date the first shareholder signs the demand.

(5) Special shareholders' meetings may be held in or out of this state at the place stated in or fixed in accordance with the bylaws. If no place is
stated or fixed in accordance with the bylaws, special meetings shall be held at the corporation's principal office.

(6) Only business within the purpose or purposes described in the meeting notice required by section 64(3) of this act may be conducted at a special shareholders' meeting.

**NEW SECTION. Sec. 62. COURT ORDERED MEETING.** (1) The superior court of the county in which the corporation's registered office is located may, after notice to the corporation, summarily order a meeting to be held:

(a) On application of any shareholder of the corporation entitled to vote in the election of directors at an annual meeting, if an annual meeting was not held within the earlier of six months after the end of the corporation's fiscal year or fifteen months after its last annual meeting; or

(b) On application of a shareholder who signed a demand for a special meeting valid under section 61 of this act, if:

(i) Notice of the special meeting was not given within thirty days after the date the demand was delivered to the corporation's secretary; or

(ii) The special meeting was not held in accordance with the notice.

(2) The court may, after notice to the corporation, fix the time and place of the meeting, determine the shares and shareholders entitled to participate in the meeting, specify a record date for determining shareholders entitled to notice of and to vote at the meeting, prescribe the manner, form, and content of the meeting notice, fix the quorum required for specific matters to be considered at the meeting, or direct that the votes represented at the meeting constitute a quorum for action on those matters, and enter other orders necessary to accomplish the purpose or purposes of the meeting.

**NEW SECTION. Sec. 63. ACTION WITHOUT MEETING.** (1) Action required or permitted by this title to be taken at a shareholders' meeting may be taken without a meeting if the action is taken by all the shareholders entitled to vote on the action. The action must be evidenced by one or more written consents describing the action taken, signed by all the shareholders entitled to vote on the action, and delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) If not otherwise fixed under section 62 or 66 of this act, the record date for determining shareholders entitled to take action without a meeting is the date the first shareholder signs the consent under subsection (1) of this section.

(3) A shareholder may withdraw consent only by delivering a written notice of withdrawal to the corporation prior to the time that all consents are in possession of the corporation.

(4) Action taken under this section is effective when all consents are in possession of the corporation, unless the consent specifies a later effective date.
(5) A consent signed under this section has the effect of a meeting vote and may be described as such in any document.

(6) If this title requires that notice of proposed action be given to nonvoting shareholders and the action is to be taken by unanimous consent of the voting shareholders, the corporation must give its nonvoting shareholders written notice of the proposed action at least ten days before the action is taken. The notice must contain or be accompanied by the same material that, under this title, would have been required to be sent to nonvoting shareholders in a notice of meeting at which the proposed action would have been submitted to such shareholders for action.

NEW SECTION. Sec. 64. NOTICE OF MEETING. (1) A corporation shall notify shareholders of the date, time, and place of each annual and special shareholders' meeting. Such notice shall be given no fewer than ten nor more than sixty days before the meeting date, except that notice of a shareholders' meeting to act on an amendment to the articles of incorporation, a plan of merger or share exchange, a proposed sale of assets pursuant to section 139 of this act, or the dissolution of the corporation shall be given no fewer than twenty nor more than sixty days before the meeting date. Unless this title or the articles of incorporation require otherwise, the corporation is required to give notice only to shareholders entitled to vote at the meeting.

(2) Unless this title or the articles of incorporation require otherwise, notice of an annual meeting need not include a description of the purpose or purposes for which the meeting is called.

(3) Notice of a special meeting must include a description of the purpose or purposes for which the meeting is called.

(4) Unless the bylaws require otherwise, if an annual or special shareholders' meeting is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or must be fixed under section 66 of this act, however, notice of the adjourned meeting must be given under this section to persons who are shareholders as of the new record date.

NEW SECTION. Sec. 65. WAIVER OF NOTICE. (1) A shareholder may waive any notice required by this title, the articles of incorporation, or bylaws before or after the date and time of the meeting that is the subject of such notice. Except as provided by subsections (2) and (3) of this section, the waiver must be in writing, be signed by the shareholder entitled to the notice, and be delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) A shareholder's attendance at a meeting waives objection to lack of notice or defective notice of the meeting, unless the shareholder at the beginning of the meeting objects to holding the meeting or transacting business at the meeting.
A shareholder waives objection to consideration of a particular matter at a meeting that is not within the purpose or purposes described in the meeting notice, unless the shareholder objects to considering the matter when it is presented.

NEW SECTION. Sec. 66. RECORD DATE. (1) The bylaws may fix or provide the manner of fixing the record date for one or more voting groups in order to determine the shareholders entitled to notice of a shareholders' meeting, to demand a special meeting, to vote, or to take any other action. If the bylaws do not fix or provide for fixing a record date, the board of directors of the corporation may fix a future date as the record date.

(2) If not otherwise fixed under subsection (1) of this section or section 62 of this act, the record date for determining shareholders entitled to notice of and to vote at an annual or special shareholders' meeting is the day before the first notice is delivered to shareholders.

(3) If the board of directors does not fix the record date for determining shareholders entitled to a share dividend, it is the date the board of directors authorizes the share dividend.

(4) If the board of directors does not fix the record date for determining shareholders entitled to a distribution, other than one involving a purchase, redemption, or other acquisition of the corporation's shares, it is the date the board of directors authorizes the distribution.

(5) A record date fixed under this section may not be more than seventy days before the meeting or action requiring a determination of shareholders.

(6) A determination of shareholders entitled to notice of or to vote at a shareholders' meeting is effective for any adjournment of the meeting unless the board of directors fixes a new record date, which it must do if the meeting is adjourned to a date more than one hundred twenty days after the date fixed for the original meeting.

(7) If a court orders a meeting adjourned to a date more than one hundred twenty days after the date fixed for the original meeting, it may provide that the original record date continues in effect or it may fix a new record date.

NEW SECTION. Sec. 67. SHAREHOLDER PARTICIPATION BY MEANS OF COMMUNICATION EQUIPMENT. If the articles of incorporation or bylaws so provide, shareholders may participate in any meeting of shareholders by any means of communication by which all persons participating in the meeting can hear each other during the meeting. A shareholder participating in a meeting by this means is deemed to be present in person at the meeting.

NEW SECTION. Sec. 68. SHAREHOLDERS' LIST FOR MEETING. (1) After fixing a record date for a meeting, a corporation shall prepare an alphabetical list of the names of all its shareholders on the record
date who are entitled to notice of a shareholders' meeting. The list must be arranged by voting group, and within each voting group by class or series of shares, and show the address of and number of shares held by each shareholder.

(2) The shareholders' list must be available for inspection by any shareholder, beginning ten days prior to the meeting and continuing through the meeting, at the corporation's principal office or at a place identified in the meeting notice in the city where the meeting will be held. A shareholder, the shareholder's agent, or the shareholder's attorney is entitled to inspect the list, during regular business hours and at the shareholder's expense, during the period it is available for inspection.

(3) The corporation shall make the shareholders' list available at the meeting, and any shareholder, the shareholder's agent, or the shareholder's attorney is entitled to inspect the list at any time during the meeting or any adjournment.

(4) If the corporation refuses to allow a shareholder, the shareholder's agent, or the shareholder's attorney to inspect the shareholders' list before or at the meeting, the superior court of the county where a corporation's principal office, or, if none in this state, its registered office, is located, on application of the shareholder, may summarily order the inspection at the corporation's expense and may postpone the meeting for which the list was prepared until the inspection is complete.

(5) A shareholder's right to copy the shareholders' list, and a shareholder's right to otherwise inspect and copy the record of shareholders, is governed by section 183(3) of this act.

(6) Refusal or failure to prepare or make available the shareholders' list does not affect the validity of action taken at the meeting.

NEW SECTION. Sec. 69. VOTING ENTITLEMENT OF SHARES. (1) Except as provided in subsections (2) and (3) of this section or unless the articles of incorporation provide otherwise, each outstanding share, regardless of class, is entitled to one vote on each matter voted on at a shareholders' meeting. Only shares are entitled to vote.

(2) The shares of a corporation are not entitled to vote if they are owned, directly or indirectly, by a second corporation, domestic or foreign, and the first corporation owns, directly or indirectly, a majority of the shares entitled to vote for directors of the second corporation.

(3) Subsection (2) of this section does not limit the power of a corporation to vote any shares, including its own shares, held by it in a fiduciary capacity.

NEW SECTION. Sec. 70. PROXIES. (1) A shareholder may vote the shareholder's shares in person or by proxy.

(2) A shareholder may appoint a proxy to vote or otherwise act for the shareholder by signing an appointment form, either personally or by the shareholder's attorney-in-fact or agent.
(3) An appointment of a proxy is effective when received by the secretary or other officer or agent authorized to tabulate votes. An appointment is valid for eleven months unless a longer period is expressly provided in the appointment form.

(4) An appointment of a proxy is revocable by the shareholder unless the appointment is coupled with an interest. Appointments coupled with an interest include the appointment of:
   (a) A pledgee;
   (b) A person who purchased or agreed to purchase the shares;
   (c) A creditor of the corporation who extended it credit under terms requiring the appointment;
   (d) An employee of the corporation whose employment contract requires the appointment; or
   (e) A party to a voting agreement created under section 78 of this act.

(5) The death or incapacity of the shareholder appointing a proxy does not affect the right of the corporation to accept the proxy's authority unless notice of the death or incapacity is received by the secretary or other officer or agent authorized to tabulate votes before the proxy exercises the proxy's authority under the appointment.

(6) An appointment made irrevocable under subsection (4) of this section is revoked when the interest with which it is coupled is extinguished.

(7) A transferee for value of shares subject to an irrevocable appointment may revoke the appointment if the transferee did not know of its existence when the transferee acquired the shares and the existence of the irrevocable appointment was not noted conspicuously on the certificate representing the shares or on the information statement for shares without certificates.

(8) Subject to section 72 of this act and to any express limitation on the proxy's authority appearing on the face of the appointment form, a corporation is entitled to accept the proxy's vote or other action as that of the shareholder making the appointment.

NEW SECTION. Sec. 71. SHARES HELD BY NOMINEES. (1) A corporation may establish a procedure by which the beneficial owner of shares that are registered in the name of a nominee is recognized by the corporation as the shareholder. The extent of this recognition may be determined in the procedure.

(2) The procedure may set forth:
   (a) The types of nominees to which it applies;
   (b) The rights or privileges that the corporation recognizes in a beneficial owner;
   (c) The manner in which the procedure is selected by the nominee;
   (d) The information that must be provided when the procedure is selected;
   (e) The period for which selection of the procedure is effective; and
(f) Other aspects of the rights and duties created.

NEW SECTION. Sec. 72. CORPORATION'S ACCEPTANCE OF VOTES. (1) If the name signed on a vote, consent, waiver, or proxy appointment corresponds to the name of a shareholder, the corporation, if acting in good faith, is entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder.

(2) If the name signed on a vote, consent, waiver, or proxy appointment does not correspond to the name of its shareholder, the corporation, if acting in good faith, is nevertheless entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder if:

(a) The shareholder is an entity and the name signed purports to be that of an officer, partner, or agent of the entity;

(b) The name signed purports to be that of an administrator, executor, guardian, or conservator representing the shareholder and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment;

(c) The name signed purports to be that of a receiver or trustee in bankruptcy of the shareholder and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment;

(d) The name signed purports to be that of a pledgee, beneficial owner, or attorney-in-fact of the shareholder and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the shareholder has been presented with respect to the vote, consent, waiver, or proxy appointment;

(e) Two or more persons are the shareholder as cotenants or fiduciaries and the name signed purports to be the name of at least one of the coowners and the person signing appears to be acting on behalf of all the coowners.

(3) The corporation is entitled to reject a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the shareholder.

(4) The corporation and its officer or agent who accepts or rejects a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the shareholder for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a vote, consent, waiver, or proxy appointment under this section is valid unless a court of competent jurisdiction determines otherwise.

NEW SECTION. Sec. 73. QUORUM AND VOTING REQUIREMENTS. (1) Shares entitled to vote as a separate voting group may take
action on a matter at a meeting only if a quorum of those shares exists with respect to that matter. Unless the articles of incorporation or this title provide otherwise, a majority of the votes entitled to be cast on the matter by the voting group constitutes a quorum of that voting group for action on that matter.

(2) Once a share is represented for any purpose at a meeting other than solely to object to holding the meeting or transacting business at the meeting, it is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless a new record date is or must be set for that adjourned meeting.

(3) If a quorum exists, action on a matter, other than the election of directors, is approved by a voting group if the votes cast within the voting group favoring the action exceed the votes cast within the voting group opposing the action, unless the articles of incorporation or this title require a greater number of affirmative votes.

(4) An amendment of articles of incorporation adding, changing, or deleting either (i) a quorum for a voting group greater or lesser than specified in subsection (1) of this section, or (ii) a voting requirement for a voting group greater than specified in subsection (3) of this section, is governed by section 75 of this act.

(5) The election of directors is governed by section 76 of this act.

NEW SECTION. Sec. 74. ACTION BY SINGLE AND MULTIPLE VOTING GROUPS. (1) If the articles of incorporation or this title provide for voting by a single voting group on a matter, action on that matter is taken when voted upon by that voting group as provided in section 73 of this act.

(2) If the articles of incorporation or this title provide for voting by two or more voting groups on a matter, action on that matter is taken only when voted upon by each of those voting groups counted separately as provided in section 73 of this act. Action may be taken by one voting group on a matter even though no action is taken by another voting group entitled to vote on the matter.

NEW SECTION. Sec. 75. GREATER OR LESSER QUORUM OR VOTING REQUIREMENTS. (1) The articles of incorporation may provide for a greater or lesser quorum, but not less than one-third of the votes entitled to be cast, for shareholders, or voting groups of shareholders, than is provided for by this title.

(2) The articles of incorporation may provide for a greater voting requirement for shareholders, or voting groups of shareholders, than is provided for by this title.

(3) Under sections 122, 133, 139, and 155 of this act, the articles of incorporation may provide for a lesser vote than is otherwise prescribed in those sections or for a lesser vote by separate voting groups, so long as the vote provided for each voting group entitled to vote separately on the plan.
or transaction is not less than a majority of all the votes entitled to be cast
on the plan or transaction by that voting group.

(4) An amendment to the articles of incorporation that adds, changes,
or deletes a greater or lesser quorum or voting requirement must meet the
same quorum requirement and be adopted by the same vote and voting
groups required to take action under the quorum and voting requirements
then in effect.

NEW SECTION. Sec. 76. VOTING FOR DIRECTORS—CUMULATIVE VOTING. (1) Unless otherwise provided in the articles of incor-
poration, shareholders entitled to vote at any election of directors are
entitled to cumulate votes by multiplying the number of votes they are en-
titled to cast by the number of directors for whom they are entitled to vote
and to cast the product for a single candidate or distribute the product
among two or more candidates.

(2) Unless otherwise provided in the articles of incorporation, in any
election of directors the candidates elected are those receiving the largest
numbers of votes cast by the shares entitled to vote in the election, up to the
number of directors to be elected by such shares.

NEW SECTION. Sec. 77. VOTING TRUSTS. (1) One or more
shareholders may create a voting trust, conferring on a trustee the right to
vote or otherwise act for them, by signing an agreement setting out the
provisions of the trust, which may include anything consistent with its pur-
pose, and transferring their shares to the trustee. When a voting trust
agreement is signed, the trustee shall prepare a list of the names and ad-
dresses of all owners of beneficial interests in the trust, together with the
number and class of shares each owner of a beneficial interest transferred to
the trust, and deliver copies of the list and agreement to the corporation's
principal office.

(2) A voting trust becomes effective on the date the first shares subject
to the trust are registered in the trustee's name. A voting trust is valid for
not more than ten years after its effective date unless extended under sub-
section (3) of this section.

(3) All or some of the parties to a voting trust may extend it for addi-
tional terms of not more than ten years each by signing an extension agree-
ment and obtaining the voting trustee's written consent to the extension. An
extension is valid only until the earlier of ten years from the date the first
shareholder signs the extension agreement or the date of expiration of the
extension. The voting trustee must deliver copies of the extension agreement
and list of beneficial owners to the corporation's principal office. An exten-
sion agreement binds only those parties signing it.

NEW SECTION. Sec. 78. VOTING AGREEMENTS. (1) Two or
more shareholders may provide for the manner in which they will vote their
shares by signing an agreement for that purpose. A voting agreement created under this section is not subject to the provisions of section 77 of this act.

(2) A voting agreement created under this section is specifically enforceable.

NEW SECTION. Sec. 79. PROCEDURE IN DERIVATIVE PROCEEDINGS. (1) A person may not commence a proceeding in the right of a domestic or foreign corporation unless the person was a shareholder of the corporation when the transaction complained of occurred or unless the person became a shareholder through transfer by operation of law from one who was a shareholder at that time.

(2) A complaint in a proceeding brought in the right of a corporation must be verified and allege with particularity the demand made, if any, to obtain action by the board of directors and either that the demand was refused or ignored or why a demand was not made. Whether or not a demand for action was made, if the corporation commences an investigation of the charges made in the demand or complaint, the court may stay any proceeding until the investigation is completed.

(3) A proceeding commenced under this section may not be discontinued or settled without the court's approval. If the court determines that a proposed discontinuance or settlement will substantially affect the interest of the corporation's shareholders or a class of shareholders, the court shall direct that notice be given to the shareholders affected.

(4) On termination of the proceeding the court may require the plaintiff to pay any defendant's reasonable expenses, including counsel fees, incurred in defending the proceeding if it finds that the proceeding was commenced without reasonable cause.

(5) For purposes of this section, "shareholder" includes a beneficial owner whose shares are held in a voting trust or held by a nominee on behalf of the beneficial owner.

DIRECTORS AND OFFICERS

NEW SECTION. Sec. 80. REQUIREMENT FOR AND DUTIES OF BOARD OF DIRECTORS. (1) Except as provided in subsection (3) of this section, each corporation must have a board of directors.

(2) All corporate powers shall be exercised by or under the authority of, and the business and affairs of the corporation managed under the direction of, its board of directors, subject to any limitation set forth in the articles of incorporation.

(3) A corporation may dispense with or limit the authority of its board of directors by describing in its articles of incorporation who will perform some or all of the duties of the board of directors.
NEW SECTION. Sec. 81. QUALIFICATIONS OF DIRECTORS.
The articles of incorporation or bylaws may prescribe qualifications for directors. A director need not be a resident of this state or a shareholder of the corporation unless the articles of incorporation or bylaws so prescribe.

NEW SECTION. Sec. 82. NUMBER AND ELECTION OF DIRECTORS. (1) A board of directors must consist of one or more individuals, with the number specified in or fixed in accordance with the articles of incorporation or bylaws.

(2) Directors are elected at the first annual shareholders' meeting and at each annual meeting thereafter unless their terms are staggered under section 85 of this act.

NEW SECTION. Sec. 83. ELECTION OF DIRECTORS BY CERTAIN CLASSES OR SERIES OF SHARES. If the articles of incorporation authorize dividing the shares into classes or series, the articles may also authorize the election of all or a specified number of directors by the holders of one or more authorized classes or series of shares. A class, or classes, or series of shares entitled to elect one or more directors is a separate voting group for purposes of the election of directors.

NEW SECTION. Sec. 84. TERMS OF DIRECTORS GENERALLY. (1) The terms of the initial directors of a corporation expire at the first shareholders' meeting at which directors are elected.

(2) The terms of all other directors expire at the next annual shareholders' meeting following their election unless their terms are staggered under section 85 of this act.

(3) A decrease in the number of directors does not shorten an incumbent director's term.

(4) The term of a director elected to fill a vacancy expires at the next shareholders' meeting at which directors are elected.

(5) Despite the expiration of a director's term, the director continues to serve until the director's successor is elected and qualified or until there is a decrease in the number of directors.

NEW SECTION. Sec. 85. STAGGERED TERMS FOR DIRECTORS. (1) The articles of incorporation may provide for staggering the terms of directors by dividing the total number of directors into two or three groups, with each group containing one-half or one-third of the total, as near as may be. In that event, the terms of directors in the first group expire at the first annual shareholders' meeting after their election, the terms of the second group expire at the second annual shareholders' meeting after their election, and the terms of the third group, if any, expire at the third annual shareholders' meeting after their election. At each annual shareholders' meeting held thereafter, directors shall be chosen for a term of two years or three years, as the case may be, to succeed those whose terms expire.
(2) If cumulative voting is authorized, any provision establishing staggered terms of directors shall provide that at least three directors shall be elected at each annual shareholders' meeting.

NEW SECTION. Sec. 86. RESIGNATION OF DIRECTORS. (1) A director may resign at any time by delivering written notice to the board of directors, its chairperson, the president, or the secretary.

(2) A resignation is effective when the notice is delivered unless the notice specifies a later effective date.

NEW SECTION. Sec. 87. REMOVAL OF DIRECTORS BY SHAREHOLDERS. (1) The shareholders may remove one or more directors with or without cause unless the articles of incorporation provide that directors may be removed only for cause.

(2) If a director is elected by holders of one or more authorized classes or series of shares, only the holders of those classes or series of shares may participate in the vote to remove the director.

(3) If cumulative voting is authorized, a director may not be removed if the number of votes sufficient to elect the director under cumulative voting is voted against the director's removal. If cumulative voting is not authorized, a director may be removed only if the number of votes cast to remove the director exceeds the number of votes cast not to remove the director.

(4) A director may be removed by the shareholders only at a special meeting called for the purpose of removing the director and the meeting notice must state that the purpose, or one of the purposes, of the meeting is removal of the director.

NEW SECTION. Sec. 88. REMOVAL OF DIRECTORS BY JUDICIAL PROCEEDING. (1) The superior court of the county where a corporation's principal office, or, if none in this state, its registered office, is located may remove a director of the corporation from office in a proceeding commenced either by the corporation or by its shareholders holding at least ten percent of the outstanding shares of any class if the court finds that (a) the director engaged in fraudulent or dishonest conduct with respect to the corporation, and (b) removal is in the best interest of the corporation.

(2) The court that removes a director may bar the director from re-election for a period prescribed by the court.

(3) If shareholders commence a proceeding under subsection (1) of this section, they shall make the corporation a party defendant.

NEW SECTION. Sec. 89. VACANCY ON BOARD OF DIRECTORS. (1) Unless the articles of incorporation provide otherwise, if a vacancy occurs on a board of directors, including a vacancy resulting from an increase in the number of directors:

(a) The shareholders may fill the vacancy;

(b) The board of directors may fill the vacancy; or
(c) If the directors in office constitute fewer than a quorum of the board, they may fill the vacancy by the affirmative vote of a majority of all the directors in office.

(2) If the vacant office was held by a director elected by holders of one or more authorized classes or series of shares, only the holders of those classes or series of shares are entitled to vote to fill the vacancy.

(3) A vacancy that will occur at a specific later date, by reason of a resignation effective at a later date under section 86(2) of this act or otherwise, may be filled before the vacancy occurs but the new director may not take office until the vacancy occurs.

NEW SECTION. Sec. 90. COMPENSATION OF DIRECTORS. Unless the articles of incorporation or bylaws provide otherwise, the board of directors may fix the compensation of directors.

NEW SECTION. Sec. 91. MEETINGS AND ACTION OF THE BOARD. (1) The board of directors may hold regular or special meetings in or out of this state.

(2) Unless the articles of incorporation or bylaws provide otherwise, any or all directors may participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all directors participating can hear each other during the meeting. A director participating in a meeting by this means is deemed to be present in person at the meeting.

NEW SECTION. Sec. 92. ACTION WITHOUT MEETING. (1) Unless the articles of incorporation or bylaws provide otherwise, action required or permitted by this title to be taken at a board of directors' meeting may be taken without a meeting if the action is taken by all members of the board. The action must be evidenced by one or more written consents describing the action taken, signed by each director either before or after the action taken, and delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) Action taken under this section is effective when the last director signs the consent, unless the consent specifies a later effective date.

(3) A consent signed under this section has the effect of a meeting vote and may be described as such in any document.

NEW SECTION. Sec. 93. NOTICE OF MEETING. (1) Unless the articles of incorporation or bylaws provide otherwise, regular meetings of the board of directors may be held without notice of the date, time, place, or purpose of the meeting.

(2) Unless the articles of incorporation or bylaws provide for a longer or shorter period, special meetings of the board of directors must be preceded by at least two days' notice of the date, time, and place of the meeting. The notice need not describe the purpose of the special meeting unless required by the articles of incorporation or bylaws.
NEW SECTION. Sec. 94. WAIVER OF NOTICE. (1) A director may waive any notice required by this title, the articles of incorporation, or bylaws before or after the date and time stated in the notice, and such waiver shall be equivalent to the giving of such notice. Except as provided by subsection (2) of this section, the waiver must be in writing, signed by the director entitled to the notice, and delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) A director's attendance at or participation in a meeting waives any required notice to the director of the meeting unless the director at the beginning of the meeting, or promptly upon the director's arrival, objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

NEW SECTION. Sec. 95. QUORUM AND VOTING. (1) Unless the articles of incorporation or bylaws require a greater number, a quorum of a board of directors consists of a majority of the number of directors specified in or fixed in accordance with the articles of incorporation or bylaws.

(2) The articles of incorporation or bylaws may authorize a quorum of a board of directors to consist of no fewer than one-third of the fixed or specified number of directors determined under subsection (1) of this section.

(3) If a quorum is present when a vote is taken, the affirmative vote of a majority of directors present is the act of the board of directors unless the articles of incorporation or bylaws require the vote of a greater number of directors.

(4) A director who is present at a meeting of the board of directors when action is taken is deemed to have assented to the action taken unless:
   (a) The director objects at the beginning of the meeting, or promptly upon the director's arrival, to holding it or transacting business at the meeting;
   (b) the director's dissent or abstention from the action taken is entered in the minutes of the meeting; or (c) the director delivers written notice of the director's dissent or abstention to the presiding officer of the meeting before its adjournment or to the corporation within a reasonable time after adjournment of the meeting. The right of dissent or abstention is not available to a director who votes in favor of the action taken.

NEW SECTION. Sec. 96. COMMITTEES. (1) Unless the articles of incorporation or bylaws provide otherwise, a board of directors may create one or more committees of directors. Each committee must have two or more members, who serve at the pleasure of the board of directors.

(2) The creation of a committee and appointment of members to it must be approved by the greater of (a) a majority of all the directors in office when the action is taken or (b) the number of directors required by the articles of incorporation or bylaws to take action under section 95 of this act.
(3) Sections 91 through 95 of this act, which govern meetings, action without meetings, notice and waiver of notice, and quorum and voting requirements of the board of directors, apply to committees and their members as well.

(4) To the extent specified by the board of directors or in the articles of incorporation or bylaws, each committee may exercise the authority of the board of directors under section 80 of this act.

(5) A committee may not, however:
(a) Authorize or approve a distribution except according to a general formula or method prescribed by the board of directors;
(b) Approve or propose to shareholders action that this title requires be approved by shareholders;
(c) Fill vacancies on the board of directors or on any of its committees;
(d) Amend articles of incorporation pursuant to section 121 of this act;
(e) Adopt, amend, or repeal bylaws;
(f) Approve a plan of merger not requiring shareholder approval; or
(g) Authorize or approve the issuance or sale or contract for sale of shares, or determine the designation and relative rights, preferences, and limitations of a class or series of shares, except that the board of directors may authorize a committee, or a senior executive officer of the corporation to do so within limits specifically prescribed by the board of directors.

(6) The creation of, delegation of authority to, or action by a committee does not alone constitute compliance by a director with the standards of conduct described in section 97 of this act.

NEW SECTION. Sec. 97. GENERAL STANDARDS FOR DIRECTORS. (1) A director shall discharge the duties of a director, including duties as member of a committee:
(a) In good faith;
(b) With the care an ordinarily prudent person in a like position would exercise under similar circumstances; and
(c) In a manner the director reasonably believes to be in the best interests of the corporation.

(2) In discharging the duties of a director, a director is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:
(a) One or more officers or employees of the corporation whom the director reasonably believes to be reliable and competent in the matters presented;
(b) Legal counsel, public accountants, or other persons as to matters the director reasonably believes are within the person's professional or expert competence; or
(c) A committee of the board of directors of which the director is not a member if the director reasonably believes the committee merits confidence.
A director is not acting in good faith if the director has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection (2) of this section unwarranted.

A director is not liable for any action taken as a director, or any failure to take any action, if the director performed the duties of the director's office in compliance with this section.

NEW SECTION. Sec. 98. LIABILITY FOR UNLAWFUL DISTRIBUTIONS. (1) A director who votes for or assents to a distribution made in violation of section 59 of this act or the articles of incorporation is personally liable to the corporation for the amount of the distribution that exceeds what could have been distributed without violating section 59 of this act or the articles of incorporation if it is established that the director did not perform the director's duties in compliance with section 97 of this act. In any proceeding commenced under this section, a director has all of the defenses ordinarily available to a director.

(2) A director held liable under subsection (1) of this section for an unlawful distribution is entitled to contribution:

(a) From every other director who could be held liable under subsection (1) of this section for the unlawful distribution; and

(b) From each shareholder for the amount the shareholder accepted knowing the distribution was made in violation of section 59 of this act or the articles of incorporation.

(3) A proceeding under this section is barred unless it is commenced within two years after the date on which the effect of the distribution was measured under section 59(4) of this act.

NEW SECTION. Sec. 99. LIMITATION ON LIABILITY OF DIRECTORS. The articles of incorporation may contain provisions not inconsistent with law that eliminate or limit the personal liability of a director to the corporation or its shareholders for monetary damages for conduct as a director, provided that such provisions shall not eliminate or limit the liability of a director for acts or omissions that involve intentional misconduct by a director or a knowing violation of law by a director, for conduct violating section 98 of this act, or for any transaction from which the director will personally receive a benefit in money, property, or services to which the director is not legally entitled. No such provision shall eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision becomes effective.

NEW SECTION. Sec. 100. OFFICERS. (1) A corporation has the officers described in its bylaws or appointed by the board of directors in accordance with the bylaws.

(2) A duly appointed officer may appoint one or more officers or assistant officers if authorized by the bylaws or the board of directors.
(3) The bylaws or the board of directors shall delegate to one of the officers responsibility for preparing minutes of the directors' and shareholders' meetings and for authenticating records of the corporation.

(4) The same individual may simultaneously hold more than one office in a corporation.

NEW SECTION. Sec. 101. DUTIES OF OFFICERS. Each officer has the authority and shall perform the duties set forth in the bylaws or, to the extent consistent with the bylaws, the duties prescribed by the board of directors or by an officer authorized by the board of directors to prescribe the duties of other officers.

NEW SECTION. Sec. 102. STANDARDS OF CONDUCT FOR OFFICERS. (1) An officer with discretionary authority shall discharge the officer's duties under that authority:

(a) In good faith;

(b) With the care an ordinarily prudent person in a like position would exercise under similar circumstances; and

(c) In a manner the officer reasonably believes to be in the best interests of the corporation.

(2) In discharging the officer's duties, the officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

(a) One or more officers or employees of the corporation whom the officer reasonably believes to be reliable and competent in the matters presented; or

(b) Legal counsel, public accountants, or other persons as to matters the officer reasonably believes are within the person's professional or expert competence.

(3) An officer is not acting in good faith if the officer has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection (2) of this section unwarranted.

(4) An officer is not liable for any action taken as an officer, or any failure to take any action, if the officer performed the duties of the officer's office in compliance with this section.

NEW SECTION. Sec. 103. RESIGNATION AND REMOVAL OF OFFICERS. (1) An officer may resign at any time by delivering notice to the corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective date.

(2) A board of directors may remove any officer at any time with or without cause. An officer or assistant officer, if appointed by another officer, may be removed by any officer authorized to appoint officers or assistant officers.

NEW SECTION. Sec. 104. CONTRACT RIGHTS OF OFFICERS. (1) The appointment of an officer does not itself create contract rights.
(2) An officer's removal does not affect the officer's contract rights, if any, with the corporation. An officer's resignation does not affect the corporation's contract rights, if any, with the officer.

NEW SECTION. Sec. 105. INDEMNIFICATION DEFINITIONS.
For purposes of sections 106 through 115 of this act:

(1) "Corporation" includes any domestic or foreign predecessor entity of a corporation in a merger or other transaction in which the predecessor's existence ceased upon consummation of the transaction.

(2) "Director" means an individual who is or was a director of a corporation or an individual who, while a director of a corporation, is or was serving at the corporation's request as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise. A director is considered to be serving an employee benefit plan at the corporation's request if the director's duties to the corporation also impose duties on, or otherwise involve services by, the director to the plan or to participants in or beneficiaries of the plan. "Director" includes, unless the context requires otherwise, the estate or personal representative of a director.

(3) "Expenses" include counsel fees.

(4) "Liability" means the obligation to pay a judgment, settlement, penalty, fine, including an excise tax assessed with respect to an employee benefit plan, or reasonable expenses incurred with respect to a proceeding.

(5) "Official capacity" means: (a) When used with respect to a director, the office of director in a corporation; and (b) when used with respect to an individual other than a director, as contemplated in section 112 of this act, the office in a corporation held by the officer or the employment or agency relationship undertaken by the employee or agent on behalf of the corporation. "Official capacity" does not include service for any other foreign or domestic corporation or any partnership, joint venture, trust, employee benefit plan, or other enterprise.

(6) "Party" includes an individual who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(7) "Proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal.

NEW SECTION. Sec. 106. AUTHORITY TO INDEMNIFY. (1) Except as provided in subsection (4) of this section, a corporation may indemnify an individual made a party to a proceeding because the individual is or was a director against liability incurred in the proceeding if:

(a) The individual acted in good faith; and

(b) The individual reasonably believed:

(i) In the case of conduct in the individual's official capacity with the corporation, that the individual's conduct was in its best interests; and
(ii) In all other cases, that the individual's conduct was at least not opposed to its best interests; and
(c) In the case of any criminal proceeding, the individual had no reasonable cause to believe the individual's conduct was unlawful.

(2) A director's conduct with respect to an employee benefit plan for a purpose the director reasonably believed to be in the interests of the participants in and beneficiaries of the plan is conduct that satisfies the requirement of subsection (1)(b)(ii) of this section.

(3) The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that the director did not meet the standard of conduct described in this section.

(4) A corporation may not indemnify a director under this section:
(a) In connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation; or
(b) In connection with any other proceeding charging improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged liable on the basis that personal benefit was improperly received by the director.

(5) Indemnification permitted under this section in connection with a proceeding by or in the right of the corporation is limited to reasonable expenses incurred in connection with the proceeding.

NEW SECTION. Sec. 107. MANDATORY INDEMNIFICATION. Unless limited by its articles of incorporation, a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because of being a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding.

NEW SECTION. Sec. 108. ADVANCE FOR EXPENSES. (1) A corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of final disposition of the proceeding if:
(a) The director furnishes the corporation a written affirmation of the director's good faith belief that the director has met the standard of conduct described in section 106 of this act; and
(b) The director furnishes the corporation a written undertaking, executed personally or on the director's behalf, to repay the advance if it is ultimately determined that the director did not meet the standard of conduct.

(2) The undertaking required by subsection (1)(b) of this section must be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make repayment.
(3) Authorization of payments under this section may be made by provision in the articles of incorporation or bylaws, by resolution adopted by the shareholders or board of directors, or by contract.

NEW SECTION. Sec. 109. COURT-ORDERED INDEMNIFICATION. Unless a corporation's articles of incorporation provide otherwise, a director of a corporation who is a party to a proceeding may apply for indemnification or advance of expenses to the court conducting the proceeding or to another court of competent jurisdiction. On receipt of an application, the court after giving any notice the court considers necessary may order indemnification or advance of expenses if it determines:

(1) The director is entitled to mandatory indemnification under section 107 of this act, in which case the court shall also order the corporation to pay the director's reasonable expenses incurred to obtain court-ordered indemnification;

(2) The director is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director met the standard of conduct set forth in section 106 of this act or was adjudged liable as described in section 106(4) of this act, but if the director was adjudged so liable the director's indemnification is limited to reasonable expenses incurred unless the articles of incorporation or a bylaw, contract, or resolution approved or ratified by the shareholders pursuant to section 111 of this act provides otherwise; or

(3) In the case of an advance of expenses, the director is entitled pursuant to the articles of incorporation, bylaws, or any applicable resolution or contract, to payment or reimbursement of the director's reasonable expenses incurred as a party to the proceeding in advance of final disposition of the proceeding.

NEW SECTION. Sec. 110. DETERMINATION AND AUTHORIZATION OF INDEMNIFICATION. (1) A corporation may not indemnify a director under section 106 of this act unless authorized in the specific case after a determination has been made that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth in section 106 of this act.

(2) The determination shall be made:

(a) By the board of directors by majority vote of a quorum consisting of directors not at the time parties to the proceeding;

(b) If a quorum cannot be obtained under (a) of this subsection, by majority vote of a committee duly designated by the board of directors, in which designation directors who are parties may participate, consisting solely of two or more directors not at the time parties to the proceeding;

(c) By special legal counsel:

(i) Selected by the board of directors or its committee in the manner prescribed in (a) or (b) of this subsection; or
(ii) If a quorum of the board of directors cannot be obtained under (a) of this subsection and a committee cannot be designated under (b) of this subsection, selected by majority vote of the full board of directors, in which selection directors who are parties may participate; or

(d) By the shareholders, but shares owned by or voted under the control of directors who are at the time parties to the proceeding may not be voted on the determination.

(3) Authorization of indemnification and evaluation as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses shall be made by those entitled under subsection (2)(c) of this section to select counsel.

NEW SECTION, Sec. 111. SHAREHOLDER AUTHORIZED INDEMNIIFICATION AND ADVANCEMENT OF EXPENSES. (1) If authorized by the articles of incorporation, a bylaw adopted or ratified by the shareholders, or a resolution adopted or ratified, before or after the event, by the shareholders, a corporation shall have power to indemnify or agree to indemnify a director made a party to a proceeding, or obligate itself to advance or reimburse expenses incurred in a proceeding, without regard to the limitations in sections 106 through 110 of this act, provided that no such indemnity shall indemnify any director from or on account of:

(a) Acts or omissions of the director finally adjudged to be intentional misconduct or a knowing violation of law;

(b) Conduct of the director finally adjudged to be in violation of section 98 of this act; or

(c) Any transaction with respect to which it was finally adjudged that such director personally received a benefit in money, property, or services to which the director was not legally entitled.

(2) Unless the articles of incorporation, or a bylaw or resolution adopted or ratified by the shareholders, provide otherwise, any determination as to any indemnity or advance of expenses under subsection (1) of this section shall be made in accordance with section 110 of this act.

NEW SECTION, Sec. 112. INDEMNIFICATION OF OFFICERS, EMPLOYEES AND AGENTS. Unless a corporation's articles of incorporation provide otherwise:

(1) An officer of the corporation who is not a director is entitled to mandatory indemnification under section 107 of this act, and is entitled to apply for court-ordered indemnification under section 109 of this act, in each case to the same extent as a director;

(2) The corporation may indemnify and advance expenses under sections 106 through 111 of this act to an officer, employee, or agent of the corporation who is not a director to the same extent as to a director; and
A corporation may also indemnify and advance expenses to an officer, employee, or agent who is not a director to the extent, consistent with law, that may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors, or contract.

**NEW SECTION.** Sec. 113. INSURANCE. A corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee, or agent of the corporation, or who, while a director, officer, employee, or agent of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise, against liability asserted against or incurred by the individual in that capacity or arising from the individual's status as a director, officer, employee, or agent, whether or not the corporation would have power to indemnify the individual against the same liability under section 106 or 107 of this act.

**NEW SECTION.** Sec. 114. APPLICATION OF SECTIONS 105 THROUGH 113 OF THIS ACT. (1) A provision treating a corporation's indemnification of or advance for expenses to directors that is contained in its articles of incorporation, bylaws, a resolution of its shareholders or board of directors, or in a contract or otherwise, is valid only if and to the extent the provision is consistent with sections 105 through 113 of this act. If articles of incorporation limit indemnification or advance for expenses, indemnification and advance for expenses are valid only to the extent consistent with the articles of incorporation.

(2) Sections 105 through 113 of this act do not limit a corporation's power to pay or reimburse expenses incurred by a director in connection with the director's appearance as a witness in a proceeding at a time when the director has not been made a named defendant or respondent to the proceeding.

**NEW SECTION.** Sec. 115. REPORT TO SHAREHOLDERS. If a corporation indemnifies or advances expenses to a director under sections 106, 107, 108, 109, or 111 of this act in connection with a proceeding by or in the right of the corporation, the corporation shall report the indemnification or advance in writing to the shareholders with or before the notice of the next shareholders' meeting.

**NEW SECTION.** Sec. 116. DEFINITIONS FOR SECTIONS 117 THROUGH 119 OF THIS ACT. For purposes of sections 117 through 119 of this act:

(1) "Conflicting interest" with respect to a corporation means the interest a director of the corporation has respecting a transaction effected or proposed to be effected by the corporation, or by a subsidiary of the corporation or any other entity in which the corporation has a controlling interest, if:
(a) Whether or not the transaction is brought before the board of directors of the corporation for action, the director knows at the time of commitment that the director or a related person is a party to the transaction or has a beneficial financial interest in or so closely linked to the transaction and of such financial significance to the director or a related person that the interest would reasonably be expected to exert an influence on the director's judgment if the director were called upon to vote on the transaction; or

(b) The transaction is brought, or is of such character and significance to the corporation that it would in the normal course be brought, before the board of directors of the corporation for action, and the director knows at the time of commitment that any of the following persons is either a party to the transaction or has a beneficial financial interest in or so closely linked to the transaction and of such financial significance to the person that the interest would reasonably be expected to exert an influence on the director's judgment if the director were called upon to vote on the transaction: (i) An entity, other than the corporation, of which the director is a director, general partner, agent, or employee; (ii) a person that controls one or more of the entities specified in (b)(i) of this subsection or an entity that is controlled by, or is under common control with, one or more of the entities specified in (b)(i) of this subsection; or (iii) an individual who is a general partner, principal, or employer of the director.

(2) "Director's conflicting interest transaction" with respect to a corporation means a transaction effected or proposed to be effected by the corporation, or by a subsidiary of the corporation or any other entity in which the corporation has a controlling interest, respecting which a director of the corporation has a conflicting interest.

(3) "Related person" of a director means (a) the spouse, or a parent or sibling thereof, of the director, or a child, grandchild, sibling, parent, or spouse of any thereof, of the director, or an individual having the same home as the director, or a trust or estate of which an individual specified herein is a substantial beneficiary; or (b) a trust, estate, incompetent, conservatee, or minor of which the director is a fiduciary.

(4) "Required disclosure" means disclosure by the director who has a conflicting interest of (a) the existence and nature of the director's conflicting interest, and (b) all facts known to the director respecting the subject matter of the transaction that an ordinarily prudent person would reasonably believe to be material to a judgment about whether or not to proceed with the transaction.

(5) "Time of commitment" respecting a transaction means the time when the transaction is consummated or, if made pursuant to contract, the time when the corporation, or its subsidiary or the entity in which it has a controlling interest, becomes contractually obligated so that its unilateral withdrawal from the transaction would entail significant loss, liability, or other damage.
NEW SECTION. Sec. 117. JUDICIAL ACTION. (1) A transaction effected or proposed to be effected by a corporation, or by a subsidiary of the corporation or any other entity in which the corporation has a controlling interest, that is not a director's conflicting interest transaction may not be enjoined, set aside, or give rise to an award of damages or other sanctions, in a proceeding by a shareholder or by or in the right of the corporation, because a director of the corporation, or any person with whom or which the director has a personal, economic, or other association, has an interest in the transaction.

(2) A director's conflicting interest transaction may not be enjoined, set aside, or give rise to an award of damages or other sanctions, in a proceeding by a shareholder or by or in the right of the corporation, because the director, or any person with whom or which the director has a personal, economic, or other association, has an interest in the transaction, if:

(a) Directors' action respecting the transaction was at any time taken in compliance with section 118 of this act;

(b) Shareholders' action respecting the transaction was at any time taken in compliance with section 119 of this act; or

(c) The transaction, judged according to the circumstances at the time of commitment, is established to have been fair to the corporation.

NEW SECTION. Sec. 118. DIRECTORS' ACTION. (1) Directors' action respecting a transaction is effective for purposes of section 117(2)(a) of this act if the transaction received the affirmative vote of a majority, but no fewer than two, of those qualified directors on the board of directors or on a duly empowered committee of the board who voted on the transaction after either required disclosure to them, to the extent the information was not known by them, or compliance with subsection (2) of this section, provided that action by a committee is so effective only if:

(a) All its members are qualified directors; and

(b) Its members are either all the qualified directors on the board or are appointed by the affirmative vote of a majority of the qualified directors on the board.

(2) If a director has a conflicting interest respecting a transaction, but neither the director nor a related person of the director specified in section 116(3)(a) of this act is a party to the transaction, and if the director has a duty under law or professional canon, or a duty of confidentiality to another person, respecting information relating to the transaction such that the director may not make the disclosure described in section 116(4)(b) of this act, then disclosure is sufficient for purposes of subsection (1) of this section if the director (a) discloses to the directors voting on the transaction the existence and nature of the director's conflicting interest and informs them of the character and limitations imposed by that duty before their vote on the transaction, and (b) plays no part, directly or indirectly, in their deliberations or vote.
(3) A majority, but no fewer than two, of all the qualified directors on the board of directors, or on the committee, constitutes a quorum for purposes of action that complies with this section. Directors' action that otherwise complies with this section is not affected by the presence or vote of a director who is not a qualified director.

(4) For purposes of this section "qualified director" means, with respect to a director's conflicting interest transaction, any director who does not have either (a) a conflicting interest respecting the transaction, or (b) a familial, financial, professional, or employment relationship with a second director who does have a conflicting interest respecting the transaction, which relationship would, in the circumstances, reasonably be expected to exert an influence on the first director's judgment when voting on the transaction.

**NEW SECTION.** Sec. 119. SHAREHOLDERS' ACTION. (1) Shareholders' action respecting a transaction is effective for purposes of section 117(2)(b) of this act if a majority of the votes entitled to be cast by the holders of all qualified shares were cast in favor of the transaction after (a) notice to shareholders describing the director's conflicting interest transaction, (b) provision of the information referred to in subsection (4) of this section, and (c) required disclosure to the shareholders who voted on the transaction, to the extent the information was not known by them.

(2) For purposes of this section, "qualified shares" means any shares entitled to vote with respect to the director's conflicting interest transaction except shares that, to the knowledge, before the vote, of the secretary, or other officer or agent of the corporation authorized to tabulate votes, are beneficially owned, or the voting of which is controlled, by a director who has a conflicting interest respecting the transaction or by a related person of the director, or both.

(3) A majority of the votes entitled to be cast by the holders of all qualified shares constitutes a quorum for purposes of action that complies with this section. Subject to the provisions of subsections (4) and (5) of this section, shareholders' action that otherwise complies with this section is not affected by the presence of holders, or the voting, of shares that are not qualified shares.

(4) For purposes of compliance with subsection (1) of this section, a director who has a conflicting interest respecting the transaction shall, before the shareholders' vote, inform the secretary, or other officer or agent of the corporation authorized to tabulate votes, of the number, and the identity of persons holding or controlling the vote, of all shares that the director knows are beneficially owned, or the voting of which is controlled, by the director, or by a related person of the director, or both.

(5) If a shareholders' vote does not comply with subsection (1) of this section solely because of a failure of a director to comply with subsection (4) of this section, and if the director establishes that the director's failure
did not determine and was not intended by the director to influence the outcome of the vote, the court may, with or without further proceedings respecting section 117(2)(c) of this act, take such action respecting the transaction and the director, and give such effect, if any, to the shareholders' vote, as it considers appropriate in the circumstances.

AMENDMENT OF ARTICLES OF INCORPORATION AND BYLAWS

NEW SECTION, Sec. 120. AUTHORITY TO AMEND ARTICLES OF INCORPORATION. (1) A corporation may amend its articles of incorporation at any time to add or change a provision that is required or permitted in the articles of incorporation or to delete a provision not required in the articles of incorporation. Whether a provision is required or permitted in the articles of incorporation is determined as of the effective date of the amendment.

(2) A shareholder of the corporation does not have a vested property right resulting from any provision in the articles of incorporation, including provisions relating to management, control, capital structure, dividend entitlement, or purpose or duration of the corporation.

NEW SECTION, Sec. 121. AMENDMENT OF ARTICLES OF INCORPORATION BY BOARD OF DIRECTORS. Unless the articles of incorporation provide otherwise, a corporation's board of directors may adopt one or more amendments to the corporation's articles of incorporation without shareholder action:

(1) If the corporation has only one class of shares outstanding, to provide, change, or eliminate any provision with respect to the par value of any class of shares;

(2) To delete the names and addresses of the initial directors;

(3) To delete the name and address of the initial registered agent or registered office, if a statement of change is on file with the secretary of state;

(4) If the corporation has only one class of shares outstanding, solely to change the number of authorized shares to effectuate a split of, or stock dividend in, the corporation's own shares, or solely to do so and to change the number of authorized shares in proportion thereto;

(5) To change the corporate name; or

(6) To make any other change expressly permitted by this title to be made without shareholder action.

NEW SECTION, Sec. 122. AMENDMENT OF ARTICLES OF INCORPORATION BY BOARD OF DIRECTORS AND SHAREHOLDERS. (1) A corporation's board of directors may propose one or more amendments to the articles of incorporation for submission to the shareholders.

(2) For the amendment to be adopted:
(a) The board of directors must recommend the amendment to the shareholders unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders with the amendment; and

(b) The shareholders entitled to vote on the amendment must approve the amendment as provided in subsection (5) of this section.

(3) The board of directors may condition its submission of the proposed amendment on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with section 62 of this act. The notice of meeting must also state that the purpose, or one of the purposes, of the meeting is to consider the proposed amendment and contain or be accompanied by a copy of the amendment.

(5) Unless this title, the articles of incorporation, or the board of directors, acting pursuant to subsection (3) of this section, require a greater vote or a vote by voting groups, the amendment to be adopted must be approved by each voting group entitled to vote thereon by two-thirds, or, in the case of a public company, a majority, of all the votes entitled to be cast by that voting group. The articles of incorporation of a corporation other than a public company may provide for a lesser vote than that provided for in this subsection, or for a lesser vote by separate voting groups, so long as the vote provided for each voting group entitled to vote separately on the amendment is not less than a majority of all the votes entitled to be cast on the amendment by that voting group.

NEW SECTION. Sec. 123. VOTING ON AMENDMENTS TO ARTICLES OF INCORPORATION BY VOTING GROUPS. (1) The holders of the outstanding shares of a class are entitled to vote as a separate voting group, if shareholder voting is otherwise required by this title, on a proposed amendment if the amendment would:

(a) Increase or decrease the aggregate number of authorized shares of the class;

(b) Effect an exchange or reclassification of all or part of the shares of the class into shares of another class;

(c) Effect an exchange or reclassification, or create the right of exchange, of all or part of the shares of another class into shares of the class;

(d) Change the designation, rights, preferences, or limitations of all or part of the shares of the class;

(e) Change the shares of all or part of the class into a different number of shares of the same class;

(f) Create a new class of shares having rights or preferences with respect to distributions or to dissolution that are prior, superior, or substantially equal to the shares of the class;
(g) Increase the rights, preferences, or number of authorized shares of any class that, after giving effect to the amendment, have rights or preferences with respect to distributions or to dissolution that are prior, superior, or substantially equal to the shares of the class;

(h) Limit or deny an existing preemptive right of all or part of the shares of the class; or

(i) Cancel or otherwise affect rights to distributions or dividends that have accumulated but not yet been declared on all or part of the shares of the class.

(2) If a proposed amendment would affect only a series of a class of shares in one or more of the ways described in subsection (1) of this section, only the shares of that series are entitled to vote as a separate voting group on the proposed amendment.

(3) If a proposed amendment that entitles two or more series of shares within a class to vote as separate voting groups under this section would affect those two or more series in the same or a substantially similar way, the shares of all the series within the class so affected must vote together as a single voting group on the proposed amendment.

(4) A class or series of shares is entitled to the voting rights granted by this section although the articles of incorporation provide that the shares are nonvoting shares.

NEW SECTION. Sec. 124. AMENDMENT OF ARTICLES OF INCORPORATION BEFORE ISSUANCE OF SHARES. If a corporation has not yet issued shares, its board of directors, or incorporators if initial directors were not named in the articles of incorporation and have not been elected, may adopt one or more amendments to the corporation's articles of incorporation.

NEW SECTION. Sec. 125. ARTICLES OF AMENDMENT. A corporation amending its articles of incorporation shall deliver to the secretary of state for filing articles of amendment setting forth:

(1) The name of the corporation;

(2) The text of each amendment adopted;

(3) If an amendment provides for an exchange, reclassification, or cancellation of issued shares, provisions for implementing the amendment if not contained in the amendment itself;

(4) The date of each amendment's adoption;

(5) If an amendment was adopted by the incorporators or board of directors without shareholder action, a statement to that effect and that shareholder action was not required; and

(6) If shareholder action was required, a statement that the amendment was duly approved by the shareholders in accordance with the provisions of sections 122 and 123 of this act.
NEW SECTION. Sec. 126. RESTATED ARTICLES OF INCORPORATION. (1) Any officer of the corporation may restate its articles of incorporation at any time.

(2) A restatement may include one or more amendments to the articles of incorporation. If the restatement includes an amendment not requiring shareholder approval, it must be adopted by the board of directors. If the restatement includes an amendment requiring shareholder approval, it must be adopted in accordance with section 122 of this act.

(3) If the board of directors submits a restatement for shareholder action, the corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with section 64 of this act. The notice must also state that the purpose, or one of the purposes, of the meeting is to consider the proposed restatement and contain or be accompanied by a copy of the restatement that identifies any amendment or other change it would make in the articles of incorporation.

(4) A corporation restating its articles of incorporation shall deliver to the secretary of state for filing articles of restatement setting forth the name of the corporation and the text of the restated articles of incorporation together with a certificate setting forth:

(a) If the restatement does not include an amendment to the articles of incorporation, a statement to that effect;

(b) If the restatement contains an amendment to the articles of incorporation not requiring shareholder approval, a statement that the board of directors adopted the restatement and the date of such adoption; or

(c) If the restatement contains an amendment to the articles of incorporation requiring shareholder approval, the information required by section 125 of this act.

(5) Duly adopted restated articles of incorporation supersede the original articles of incorporation and all amendments to them.

(6) The secretary of state may certify restated articles of incorporation, as the articles of incorporation currently in effect, without including the certificate information required by subsection (4) of this section.

NEW SECTION. Sec. 127. AMENDMENT OF ARTICLES OF INCORPORATION PURSUANT TO REORGANIZATION. (1) A corporation's articles of incorporation may be amended without action by the board of directors or shareholders to carry out a plan of reorganization ordered or decreed by a court of competent jurisdiction under federal statute if the articles of incorporation after amendment contain only provisions required or permitted by section 27 of this act.

(2) The individual or individuals designated by the court shall deliver to the secretary of state for filing articles of amendment setting forth:

(a) The name of the corporation;

(b) The text of each amendment approved by the court;
(c) The date of the court's order or decree approving the articles of amendment;
(d) The title of the reorganization proceeding in which the order or decree was entered; and
(e) A statement that the court had jurisdiction of the proceeding under federal statute.

(3) Shareholders of a corporation undergoing reorganization do not have dissenters' rights except as and to the extent provided in the reorganization plan.

(4) This section does not apply after entry of a final decree in the reorganization proceeding even though the court retains jurisdiction of the proceeding for limited purposes unrelated to consummation of the reorganization plan.

NEW SECTION. Sec. 128. EFFECT OF AMENDMENT OF ARTICLES OF INCORPORATION. An amendment to articles of incorporation does not affect a cause of action existing against or in favor of the corporation, a proceeding to which the corporation is a party, or the existing rights of persons other than shareholders of the corporation. An amendment changing a corporation's name does not abate a proceeding brought by or against the corporation in its former name.

NEW SECTION. Sec. 129. AMENDMENT OF BYLAWS BY BOARD OF DIRECTORS OR SHAREHOLDERS. (1) A corporation's board of directors may amend or repeal the corporation's bylaws, or adopt new bylaws, unless:
(a) The articles of incorporation or this title reserve this power exclusively to the shareholders in whole or part; or
(b) The shareholders, in amending or repealing a particular bylaw, provide expressly that the board of directors may not amend or repeal that bylaw.

(2) A corporation's shareholders may amend or repeal the corporation's bylaws, or adopt new bylaws, even though the bylaws may also be amended or repealed, or new bylaws may also be adopted, by its board of directors.

NEW SECTION. Sec. 130. BYLAW INCREASING QUORUM OR VOTING REQUIREMENTS FOR DIRECTORS. (1) A bylaw that fixes a greater quorum or voting requirement for the board of directors may be amended or repealed:
(a) If originally adopted by the shareholders, only by the shareholders; or
(b) If originally adopted by the board of directors, either by the shareholders or by the board of directors.
A bylaw adopted or amended by the shareholders that fixes a greater quorum or voting requirement for the board of directors may provide that it may be amended or repealed only by a specified vote of either the shareholders or the board of directors.

If the corporation is a public company, action by the board of directors under subsection (1)(b) of this section to adopt or amend a bylaw that changes the quorum or voting requirement for the board of directors must meet the quorum requirement and be adopted by the vote required to take action under the quorum and voting requirement then in effect.

If the corporation is not a public company, action by the board of directors under subsection (1)(b) of this section to adopt or amend a bylaw that changes the quorum or voting requirement for the board of directors must meet the same quorum requirement and be adopted by the same vote required to take action under the quorum and voting requirement then in effect or proposed to be adopted, whichever is greater.

MERGER AND SHARE EXCHANGE

NEW SECTION. Sec. 131. MERGER. (1) One or more corporations may merge into another corporation if the board of directors of each corporation adopts and its shareholders, if required by section 133 of this act, approve a plan of merger.

(2) The plan of merger must set forth:
   (a) The name of each corporation planning to merge and the name of the surviving corporation into which each other corporation plans to merge;
   (b) The terms and conditions of the merger; and
   (c) The manner and basis of converting the shares of each corporation into shares, obligations, or other securities of the surviving or any other corporation or into cash or other property in whole or part.

(3) The plan of merger may set forth:
   (a) Amendments to the articles of incorporation of the surviving corporation; and
   (b) Other provisions relating to the merger.

NEW SECTION. Sec. 132. SHARE EXCHANGE. (1) A corporation may acquire all of the outstanding shares of one or more classes or series of another corporation if the board of directors of each corporation adopts and its shareholders, if required by section 133 of this act, approve the exchange.

(2) The plan of exchange must set forth:
   (a) The name of the corporation whose shares will be acquired and the name of the acquiring corporation;
   (b) The terms and conditions of the exchange;
   (c) The manner and basis of exchanging the shares to be acquired for shares, obligations, or other securities of the acquiring or any other corporation or for cash or other property in whole or part.
(3) The plan of exchange may set forth other provisions relating to the exchange.

(4) This section does not limit the power of a corporation to acquire all or part of the shares of one or more classes or series of another corporation through a voluntary exchange or otherwise.

NEW SECTION. Sec. 133. ACTION ON PLAN OF MERGER OR SHARE EXCHANGE. (1) After adopting a plan of merger or share exchange, the board of directors of each corporation party to the merger, and the board of directors of the corporation whose shares will be acquired in the share exchange, shall submit the plan of merger, except as provided in subsection (7) of this section, or share exchange for approval by its shareholders.

(2) For a plan of merger or share exchange to be approved:
   (a) The board of directors must recommend the plan of merger or share exchange to the shareholders, unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders with the plan; and
   (b) The shareholders entitled to vote must approve the plan.

(3) The board of directors may condition its submission of the proposed merger or share exchange on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with section 64 of this act. The notice must also state that the purpose, or one of the purposes, of the meeting is to consider the plan of merger or share exchange and contain or be accompanied by a copy or summary of the plan.

(5) Unless this title, the articles of incorporation, or the board of directors, acting pursuant to subsection (3) of this section, require a greater vote or a vote by voting groups, the plan of merger to be authorized must be approved by each voting group entitled to vote separately on the plan by two-thirds of all the votes entitled to be cast on the plan by that voting group. The articles of incorporation may provide for a lesser vote than that provided in this subsection, or for a lesser vote by separate voting groups, so long as the vote provided for each voting group entitled to vote separately on the plan of merger is not less than a majority of all the votes entitled to be cast on the plan of merger by that voting group. Separate voting by voting groups is required on a plan of merger if the plan contains a provision that, if contained in a proposed amendment to articles of incorporation, would require action by one or more separate voting groups on the proposed amendment under section 123 of this act.

(6) Unless this title, the articles of incorporation, or the board of directors, acting pursuant to subsection (3) of this section, require a greater vote or a vote by voting groups, the plan of share exchange to be authorized must be approved by each voting group entitled to vote separately on the
plan by two-thirds of all the votes entitled to be cast on the plan by that voting group. The articles of incorporation may provide for a lesser vote than that provided in this subsection, or for a lesser vote by separate voting groups, so long as the vote provided for each voting group entitled to vote separately on the plan of share exchange is not less than a majority of all the votes entitled to be cast on the plan of share exchange by that voting group. Separate voting by voting groups is required on a plan of share exchange by each class or series of shares included in the exchange, with each class or series constituting a separate voting group.

(7) Action by the shareholders of the surviving corporation on a plan of merger is not required if:

(a) The articles of incorporation of the surviving corporation will not differ, except for amendments enumerated in section 121 of this act, from its articles of incorporation before the merger;

(b) Each shareholder of the surviving corporation whose shares were outstanding immediately before the effective date of the merger will hold the same number of shares, with identical designations, preferences, limitations, and relative rights, immediately after the merger;

(c) The number of voting shares outstanding immediately after the merger, plus the number of voting shares issuable as a result of the merger, either by the conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger, will not exceed the total number of voting shares of the surviving corporation authorized by its articles of incorporation immediately before the merger; and

(d) The number of participating shares outstanding immediately after the merger, plus the number of participating shares issuable as a result of the merger, either by the conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger, will not exceed the total number of participating shares authorized by its articles of incorporation immediately before the merger.

(8) As used in subsection (7) of this section:

(a) "Participating shares" means shares that entitle their holders to participate without limitation in distributions.

(b) "Voting shares" means shares that entitle their holders to vote unconditionally in elections of directors.

(9) After a merger or share exchange is authorized, and at any time before articles of merger or share exchange are filed, the planned merger or share exchange may be abandoned, subject to any contractual rights, without further shareholder action, in accordance with the procedure set forth in the plan of merger or share exchange or, if none is set forth, in the manner determined by the board of directors.

NEW SECTION. Sec. 134. MERGER OF SUBSIDIARY. (1) A parent corporation owning at least ninety percent of the outstanding shares
of each class of a subsidiary corporation may merge the subsidiary into itself without approval of the shareholders of the parent or subsidiary.

(2) The board of directors of the parent shall adopt a plan of merger that sets forth:
   (a) The names of the parent and subsidiary; and
   (b) The manner and basis of converting the shares of the subsidiary into shares, obligations, or other securities of the parent or any other corporation or into cash or other property in whole or part.

(3) Within ten days after the corporate action is taken, the parent shall mail a copy of the plan of merger to each shareholder of the subsidiary.

(4) Articles of merger under this section may not contain amendments to the articles of incorporation of the parent corporation, except for amendments enumerated in section 121 of this act.

NEW SECTION. Sec. 135. ARTICLES OF MERGER OR SHARE EXCHANGE. After a plan of merger or share exchange is approved by the shareholders, or adopted by the board of directors if shareholder approval is not required, the surviving or acquiring corporation shall deliver to the secretary of state for filing articles of merger or share exchange setting forth:
   (1) The plan of merger or share exchange;
   (2) If shareholder approval was not required, a statement to that effect; or
   (3) If approval of the shareholders of one or more corporations party to the merger or share exchange was required, a statement that the merger or share exchange was duly approved by the shareholders pursuant to section 133 of this act.

NEW SECTION. Sec. 136. EFFECT OF MERGER OR SHARE EXCHANGE. (1) When a merger takes effect:
   (a) Every other corporation party to the merger merges into the surviving corporation and the separate existence of every corporation except the surviving corporation ceases;
   (b) The title to all real estate and other property owned by each corporation party to the merger is vested in the surviving corporation without reversion or impairment;
   (c) The surviving corporation has all liabilities of each corporation party to the merger;
   (d) A proceeding pending against any corporation party to the merger may be continued as if the merger did not occur or the surviving corporation may be substituted in the proceeding for the corporation whose existence ceased;
   (e) The articles of incorporation of the surviving corporation are amended to the extent provided in the plan of merger; and
   (f) The former holders of the shares of every corporation party to the merger are entitled only to the rights provided in the articles of merger or to their rights under sections 140 through 153 of this act.
(2) When a share exchange takes effect, the shares of each acquired corporation are exchanged as provided in the plan, and the former holders of the shares are entitled only to the exchange rights provided in the articles of share exchange or to their rights under sections 140 through 153 of this act.

NEW SECTION. Sec. 137. MERGER OR SHARE EXCHANGE WITH FOREIGN CORPORATION. (1) One or more foreign corporations may merge or enter into a share exchange with one or more domestic corporations if:

(a) In a merger, the merger is permitted by the law of the state or country under whose law each foreign corporation is incorporated and each foreign corporation complies with that law in effecting the merger;

(b) In a share exchange, the corporation whose shares will be acquired is a domestic corporation, whether or not a share exchange is permitted by the law of the state or country under whose law the acquiring corporation is incorporated;

(c) The foreign corporation complies with section 135 of this act if it is the surviving corporation of the merger or acquiring corporation of the share exchange; and

(d) Each domestic corporation complies with the applicable provisions of sections 131 through 134 of this act and, if it is the surviving corporation of the merger or acquiring corporation of the share exchange, with section 135 of this act.

(2) Upon the merger or share exchange taking effect, the surviving foreign corporation of a merger and the acquiring foreign corporation of a share exchange is deemed:

(a) To appoint the secretary of state as its agent for service of process in a proceeding to enforce any obligation or the rights of dissenting shareholders of each domestic corporation party to the merger or share exchange; and

(b) To agree that it will promptly pay to the dissenting shareholders of each domestic corporation party to the merger or share exchange the amount, if any, to which they are entitled under sections 140 through 153 of this act.

(3) This section does not limit the power of a foreign corporation to acquire all or part of the shares of one or more classes or series of a domestic corporation through a voluntary exchange or otherwise.

SALE OF ASSETS

NEW SECTION. Sec. 138. SALE OF ASSETS IN REGULAR COURSE OF BUSINESS AND MORTGAGE OF ASSETS. (1) A corporation may on the terms and conditions and for the consideration determined by the board of directors:
(a) Sell, lease, exchange, or otherwise dispose of all, or substantially all, of its property in the usual and regular course of business; or
(b) Mortgage, pledge, dedicate to the repayment of indebtedness, whether with or without recourse, or otherwise encumber any or all of its property whether or not in the usual and regular course of business.

(2) Unless the articles of incorporation require it, approval by the shareholders of a transaction described in subsection (1) of this section.

NEW SECTION. Sec. 139. SALE OF ASSETS OTHER THAN IN THE REGULAR COURSE OF BUSINESS. (1) A corporation may sell, lease, exchange, or otherwise dispose of all, or substantially all, of its property, otherwise than in the usual and regular course of business, on the terms and conditions and for the consideration determined by the corporation's board of directors, if the board of directors proposes and its shareholders approve the proposed transaction.

(2) For a transaction to be authorized:
(a) The board of directors must recommend the proposed transaction to the shareholders unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders with the submission of the proposed transaction; and
(b) The shareholders entitled to vote must approve the transaction.

(3) The board of directors may condition its submission of the proposed transaction on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with section 64 of this act. The notice must also state that the purpose, or one of the purposes, of the meeting is to consider the sale, lease, exchange, or other disposition of all, or substantially all, the property of the corporation and contain or be accompanied by a description of the transaction.

(5) Unless the articles of incorporation or the board of directors, acting pursuant to subsection (3) of this section, require a greater vote or a vote by voting groups, the transaction to be authorized must be approved by two-thirds of all the votes entitled to be cast on the transaction. The articles of incorporation may provide for a lesser vote than that provided for in this subsection, or for a lesser vote by separate voting groups, so long as the vote provided for each voting group entitled to vote separately on the transaction is not less than a majority of all the votes entitled to be cast on the transaction by that voting group.

(6) After a sale, lease, exchange, or other disposition of property is authorized, the transaction may be abandoned, subject to any contractual rights, without further shareholder action.

(7) A transaction that constitutes a distribution is governed by section 59 of this act and not by this section.

NEW SECTION. Sec. 140. DEFINITIONS FOR SECTIONS 140 THROUGH 153 OF THIS ACT. As used in this chapter:

(1) "Corporation" means the issuer of the shares held by a dissenter before the corporate action, or the surviving or acquiring corporation by merger or share exchange of that issuer.

(2) "Dissenter" means a shareholder who is entitled to dissent from corporate action under section 141 of this act and who exercises that right when and in the manner required by sections 143 through 151 of this act.

(3) "Fair value," with respect to a dissenter's shares, means the value of the shares immediately before the effective date of the corporate action to which the dissenter objects, excluding any appreciation or depreciation in anticipation of the corporate action unless exclusion would be inequitable.

(4) "Interest" means interest from the effective date of the corporate action until the date of payment, at the average rate currently paid by the corporation on its principal bank loans or, if none, at a rate that is fair and equitable under all the circumstances.

(5) "Record shareholder" means the person in whose name shares are registered in the records of a corporation or the beneficial owner of shares to the extent of the rights granted by a nominee certificate on file with a corporation.

(6) "Beneficial shareholder" means the person who is a beneficial owner of shares held in a voting trust or by a nominee as the record shareholder.

(7) "Shareholder" means the record shareholder or the beneficial shareholder.

NEW SECTION. Sec. 141. RIGHT TO DISSENT. (1) A shareholder is entitled to dissent from, and obtain payment of the fair value of the shareholder's shares in the event of, any of the following corporate actions:

(a) Consummation of a plan of merger to which the corporation is a party (i) if shareholder approval is required for the merger by section 133 of this act or the articles of incorporation and the shareholder is entitled to vote on the merger, or (ii) if the corporation is a subsidiary that is merged with its parent under section 134 of this act;

(b) Consummation of a plan of share exchange to which the corporation is a party as the corporation whose shares will be acquired, if the shareholder is entitled to vote on the plan;

(c) Consummation of a sale or exchange of all, or substantially all, of the property of the corporation other than in the usual and regular course of business, if the shareholder is entitled to vote on the sale or exchange, including a sale in dissolution, but not including a sale pursuant to court order or a sale for cash pursuant to a plan by which all or substantially all of the net proceeds of the sale will be distributed to the shareholders within one year after the date of sale;
(d) An amendment of the articles of incorporation that materially reduces the number of shares owned by the shareholder to a fraction of a share if the fractional share so created is to be acquired for cash under section 47 of this act; or

(e) Any corporate action taken pursuant to a shareholder vote to the extent the articles of incorporation, bylaws, or a resolution of the board of directors provides that voting or nonvoting shareholders are entitled to dissent and obtain payment for their shares.

(2) A shareholder entitled to dissent and obtain payment for the shareholder's shares under this chapter may not challenge the corporate action creating the shareholder's entitlement unless the action fails to comply with the procedural requirements imposed by this title, the articles of incorporation, or the bylaws, or is fraudulent with respect to the shareholder or the corporation.

(3) The right of a dissenting shareholder to obtain payment of the fair value of the shareholder's shares shall terminate upon the occurrence of any one of the following events:

   (a) The proposed corporate action is abandoned or rescinded;

   (b) A court having jurisdiction permanently enjoins or sets aside the corporate action; or

   (c) The shareholder's demand for payment is withdrawn with the written consent of the corporation.

NEW SECTION. Sec. 142. DISSENT BY NOMINEES AND BENEFICIAL OWNERS. (1) A record shareholder may assert dissenters' rights as to fewer than all the shares registered in the shareholder's name only if the shareholder dissents with respect to all shares beneficially owned by any one person and notifies the corporation in writing of the name and address of each person on whose behalf the shareholder asserts dissenters' rights. The rights of a partial dissenter under this subsection are determined as if the shares as to which the dissenter dissents and the dissenter's other shares were registered in the names of different shareholders.

(2) A beneficial shareholder may assert dissenters' rights as to shares held on the beneficial shareholder's behalf only if:

   (a) The beneficial shareholder submits to the corporation the record shareholder's written consent to the dissent not later than the time the beneficial shareholder asserts dissenters' rights; and

   (b) The beneficial shareholder does so with respect to all shares of which such shareholder is the beneficial shareholder or over which such shareholder has power to direct the vote.

NEW SECTION. Sec. 143. NOTICE OF DISSENTERS' RIGHTS. (1) If proposed corporate action creating dissenters' rights under section
141 of this act is submitted to a vote at a shareholders' meeting, the meeting notice must state that shareholders are or may be entitled to assert dissenters' rights under this chapter and be accompanied by a copy of this chapter.

(2) If corporate action creating dissenters' rights under section 141 of this act is taken without a vote of shareholders, the corporation, within ten days after effective date of such corporate action, shall notify in writing all shareholders entitled to assert dissenters' rights that the action was taken and send them the dissenters' notice described in section 145 of this act.

NEW SECTION. Sec. 144. NOTICE OF INTENT TO DEMAND PAYMENT. (1) If proposed corporate action creating dissenters' rights under section 141 of this act is submitted to a vote at a shareholders' meeting, a shareholder who wishes to assert dissenters' rights must (a) deliver to the corporation before the vote is taken written notice of the shareholder's intent to demand payment for the shareholder's shares if the proposed action is effected, and (b) not vote such shares in favor of the proposed action.

(2) A shareholder who does not satisfy the requirements of subsection (1) of this section is not entitled to payment for the shareholder's shares under this chapter.

NEW SECTION. Sec. 145. DISSENTERS' NOTICE. (1) If proposed corporate action creating dissenters' rights under section 141 of this act is authorized at a shareholders' meeting, the corporation shall deliver a written dissenters' notice to all shareholders who satisfied the requirements of section 144 of this act.

(2) The dissenters' notice must be sent within ten days after the effective date of the corporate action, and must:

(a) State where the payment demand must be sent and where and when certificates for certificated shares must be deposited;

(b) Inform holders of uncertificated shares to what extent transfer of the shares will be restricted after the payment demand is received;

(c) Supply a form for demanding payment that includes the date of the first announcement to news media or to shareholders of the terms of the proposed corporate action and requires that the person asserting dissenters' rights certify whether or not the person acquired beneficial ownership of the shares before that date;

(d) Set a date by which the corporation must receive the payment demand, which date may not be fewer than thirty nor more than sixty days after the date the notice in subsection (1) of this section is delivered; and

(e) Be accompanied by a copy of this chapter.

NEW SECTION. Sec. 146. DUTY TO DEMAND PAYMENT. (1) A shareholder sent a dissenters' notice described in section 145 of this act must demand payment, certify whether the shareholder acquired beneficial
ownership of the shares before the date required to be set forth in the dis-
senders' notice pursuant to section 145(2)(c) of this act, and deposit the 
shareholder's certificates in accordance with the terms of the notice.

(2) The shareholder who demands payment and deposits the share-
holder's share certificates under subsection (1) of this section retains all 
other rights of a shareholder until the proposed corporate action is effected.

(3) A shareholder who does not demand payment or deposit the share-
holder's share certificates where required, each by the date set in the dis-
senders' notice, is not entitled to payment for the shareholder's shares under 
this chapter.

NEW SECTION. Sec. 147. SHARE RESTRICTIONS. (1) The cor-
poration may restrict the transfer of uncertificated shares from the date the 
demand for their payment is received until the proposed corporate action is 
effect ed or the restriction is released under section 149 of this act.

(2) The person for whom dissenters' rights are asserted as to uncertifi-
cated shares retains all other rights of a shareholder until the effective date 
of the proposed corporate action.

NEW SECTION. Sec. 148. PAYMENT. (1) Except as provided in 
section 150 of this act, within thirty days of the later of the effective date of 
the proposed corporate action, or the date the payment demand is received, 
the corporation shall pay each dissenter who complied with section 146 of 
this act the amount the corporation estimates to be the fair value of the 
shareholder's shares, plus accrued interest.

(2) The payment must be accompanied by:
(a) The corporation's balance sheet as of the end of a fiscal year ending 
not more than sixteen months before the date of payment, an income state-
ment for that year, a statement of changes in shareholders' equity for that 
year, and the latest available interim financial statements, if any;
(b) An explanation of how the corporation estimated the fair value of 
the shares;
(c) An explanation of how the interest was calculated;
(d) A statement of the dissenter's right to demand payment under sec-
tion 151 of this act; and
(e) A copy of this chapter.

NEW SECTION. Sec. 149. FAILURE TO TAKE ACTION. (1) If 
the corporation does not effect the proposed action within sixty days after 
the date set for demanding payment and depositing share certificates, the 
corporation shall return the deposited certificates and release any transfer 
restrictions imposed on uncertificated shares.

(2) If after returning deposited certificates and releasing transfer re-
strictions, the corporation wishes to undertake the proposed action, it must 
send a new dissenters' notice under section 145 of this act and repeat the 
payment demand procedure.
NEW SECTION. Sec. 150. AFTER-ACQUIRED SHARES. (1) A corporation may elect to withhold payment required by section 148 of this act from a dissenter unless the dissenter was the beneficial owner of the shares before the date set forth in the dissenter's notice as the date of the first announcement to news media or to shareholders of the terms of the proposed corporate action.

(2) To the extent the corporation elects to withhold payment under subsection (1) of this section, after taking the proposed corporate action, it shall estimate the fair value of the shares, plus accrued interest, and shall pay this amount to each dissenter who agrees to accept it in full satisfaction of the dissenter's demand. The corporation shall send with its offer an explanation of how it estimated the fair value of the shares, an explanation of how the interest was calculated, and a statement of the dissenter's right to demand payment under section 151 of this act.

NEW SECTION. Sec. 151. PROCEDURE IF SHAREHOLDER DISSATISFIED WITH PAYMENT OR OFFER. (1) A dissenter may notify the corporation in writing of the dissenter's own estimate of the fair value of the dissenter's shares and amount of interest due, and demand payment of the dissenter's estimate, less any payment under section 148 of this act, or reject the corporation's offer under section 150 of this act and demand payment of the dissenter's estimate of the fair value of the dissenter's shares and interest due, if:

(a) The dissenter believes that the amount paid under section 148 of this act or offered under section 150 of this act is less than the fair value of the dissenter's shares or that the interest due is incorrectly calculated;

(b) The corporation fails to make payment under section 148 of this act within sixty days after the date set for demanding payment; or

(c) The corporation does not effect the proposed action and does not return the deposited certificates or release the transfer restrictions imposed on uncertificated shares within sixty days after the date set for demanding payment.

(2) A dissenter waives the right to demand payment under this section unless the dissenter notifies the corporation of the dissenter's demand in writing under subsection (1) of this section within thirty days after the corporation made or offered payment for the dissenter's shares.

NEW SECTION. Sec. 152. COURT ACTION. (1) If a demand for payment under section 151 of this act remains unsettled, the corporation shall commence a proceeding within sixty days after receiving the payment demand and petition the court to determine the fair value of the shares and accrued interest. If the corporation does not commence the proceeding within the sixty-day period, it shall pay each dissenter whose demand remains unsettled the amount demanded.

(2) The corporation shall commence the proceeding in the superior court of the county where a corporation's principal office, or, if none in this
state, its registered office, is located. If the corporation is a foreign corporation without a registered office in this state, it shall commence the proceeding in the county in this state where the registered office of the domestic corporation merged with or whose shares were acquired by the foreign corporation was located.

(3) The corporation shall make all dissenters, whether or not residents of this state, whose demands remain unsettled, parties to the proceeding as in an action against their shares and all parties must be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law.

(4) The corporation may join as a party to the proceeding any shareholder who claims to be a dissenter but who has not, in the opinion of the corporation, complied with the provisions of this chapter. If the court determines that such shareholder has not complied with the provisions of this chapter, the shareholder shall be dismissed as a party.

(5) The jurisdiction of the court in which the proceeding is commenced under subsection (2) of this section is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the powers described in the order appointing them, or in any amendment to it. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.

(6) Each dissenter made a party to the proceeding is entitled to judgment (a) for the amount, if any, by which the court finds the fair value of the dissenter's shares, plus interest, exceeds the amount paid by the corporation, or (b) for the fair value, plus accrued interest, of the dissenter's after-acquired shares for which the corporation elected to withhold payment under section 150 of this act.

NEW SECTION. Sec. 153. COURT COSTS AND COUNSEL FEES. (1) The court in a proceeding commenced under section 152 of this act shall determine all costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court shall assess the costs against the corporation, except that the court may assess the costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds the dissenters acted arbitrarily, vexatiously, or not in good faith in demanding payment under section 151 of this act.

(2) The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:

(a) Against the corporation and in favor of any or all dissenters if the court finds the corporation did not substantially comply with the requirements of sections 143 through 151 of this act; or

(b) Against either the corporation or a dissenter, in favor of any other party, if the court finds that the party against whom the fees and expenses

[ 715 ]
are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by sections 140 through 153 of this act.

(3) If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated, and that the fees for those services should not be assessed against the corporation, the court may award to these counsel reasonable fees to be paid out of the amounts awarded the dissenters who were benefited.

DISSOLUTION

NEW SECTION. Sec. 154. DISSOLUTION BY INITIAL DIRECTORS OR INCORPORATORS. A majority of the initial directors, or, if initial directors were not named in the articles of incorporation and have not been elected, the incorporators of a corporation that either has not issued shares or has not commenced business may dissolve the corporation by delivering to the secretary of state for filing:

(2) Articles of dissolution that set forth:
   (a) The name of the corporation;
   (b) The date of its incorporation;
   (c) Either (i) that none of the corporation's shares have been issued or (ii) that the corporation has not commenced business;
   (d) That no debt of the corporation remains unpaid;
   (e) That the net assets of the corporation remaining after winding up have been distributed to the shareholders, if shares were issued; and
   (f) That a majority of the initial directors authorized the dissolution, or that initial directors were not named in the articles of incorporation and have not been elected and a majority of incorporators authorized the dissolution.

NEW SECTION. Sec. 155. DISSOLUTION BY BOARD OF DIRECTORS AND SHAREHOLDERS. (1) A corporation's board of directors may propose dissolution for submission to the shareholders.

(2) For a proposal to dissolve to be adopted:
   (a) The board of directors must recommend dissolution to the shareholders unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders; and
   (b) The shareholders entitled to vote must approve the proposal to dissolve as provided in subsection (5) of this section.

(3) The board of directors may condition its submission of the proposal for dissolution on any basis.
(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with section 64 of this act. The notice must also state that the purpose, or one of the purposes, of the meeting is to consider dissolving the corporation.

(5) Unless the articles of incorporation or the board of directors, acting pursuant to subsection (3) of this section, require a greater vote or a vote by voting groups, the proposal to dissolve must be approved by two-thirds of all the votes entitled to be cast on that proposal in order to be adopted. The articles of incorporation may provide for a lesser vote than that provided for in this subsection, or for a lesser vote by separate voting groups, so long as the vote provided for each voting group entitled to vote separately on the proposal to dissolve is not less than a majority of all the votes entitled to be cast on the proposal by that voting group.

NEW SECTION. Sec. 156. ARTICLES OF DISSOLUTION. (1) At any time after dissolution is authorized, the corporation may dissolve by delivering to the secretary of state for filing:

(2) A corporation is dissolved upon the effective date of its articles of dissolution.

NEW SECTION. Sec. 157. REVOCATION OF DISSOLUTION. (1) A corporation may revoke its dissolution within one hundred twenty days of its effective date.

(2) Revocation of dissolution must be authorized in the same manner as the dissolution was authorized unless that authorization permitted revocation by action of the board of directors alone, in which event the board of directors may revoke the dissolution without shareholder action.

(3) After the revocation of dissolution is authorized, the corporation may revoke the dissolution by delivering to the secretary of state for filing articles of revocation of dissolution, together with a copy of its articles of dissolution, that set forth:

(a) The name of the corporation and a statement that such name satisfies the requirements of section 37 of this act; if the name is not available, the corporation must file articles of amendment changing its name with the articles of revocation of dissolution;

(4) Revocation of dissolution is effective upon the effective date of the articles of revocation of dissolution.

(5) When the revocation of dissolution is effective, it relates back to and takes effect as of the effective date of the dissolution and the corporation resumes carrying on its business as if dissolution had never occurred.

NEW SECTION. Sec. 158. EFFECT OF DISSOLUTION. (1) A dissolved corporation continues its corporate existence but may not carry on any business except that appropriate to wind up and liquidate its business and affairs, including:

(a) Collecting its assets;

(b) Disposing of its properties that will not be distributed in kind to its shareholders;

(c) Discharging or making provision for discharging its liabilities;

(d) Distributing its remaining property among its shareholders according to their interests; and

(e) Doing every other act necessary to wind up and liquidate its business and affairs.

(2) Dissolution of a corporation does not:

(a) Transfer title to the corporation's property;

(b) Prevent transfer of its shares or securities, although the authorization to dissolve may provide for closing the corporation's share transfer records;

(c) Subject its directors or officers to standards of conduct different from those prescribed in sections 80 through 119 of this act;

(3) A claim against the dissolved corporation is barred:
   (a) If a claimant who was given written notice under subsection (2) of this section does not deliver the claim to the dissolved corporation by the deadline; or
   (b) If a claimant whose claim was rejected by the dissolved corporation does not commence a proceeding to enforce the claim within ninety days from the effective date of the rejection notice.
(4) For purposes of this section, "claim" does not include a contingent liability or a claim based on an event occurring after the effective date of dissolution.

NEW SECTION. Sec. 160. GROUNDS FOR ADMINISTRATIVE DISSOLUTION. The secretary of state may commence a proceeding under section 161 of this act to administratively dissolve a corporation if:

NEW SECTION. Sec. 161. PROCEDURE FOR AND EFFECT OF ADMINISTRATIVE DISSOLUTION. (1) If the secretary of state determines that one or more grounds exist under section 160 of this act for dissolving a corporation, the secretary of state shall give the corporation written notice of the determination by first class mail, postage prepaid.

(2) If the corporation does not correct each ground for dissolution or demonstrate to the reasonable satisfaction of the secretary of state that each ground determined by the secretary of state does not exist within sixty days after notice is effective, the secretary of state shall administratively dissolve the corporation and give the corporation written notice of the dissolution that recites the ground or grounds therefor and its effective date.

(3) A corporation administratively dissolved continues its corporate existence but may not carry on any business except that necessary to wind up and liquidate its business and affairs under section 158 of this act and notify claimants under section 159 of this act.

(4) The administrative dissolution of a corporation does not terminate the authority of its registered agent.

NEW SECTION. Sec. 162. REINSTATEMENT FOLLOWING ADMINISTRATIVE DISSOLUTION. (1) A corporation administratively dissolved under section 161 of this act may apply to the secretary of state for reinstatement within two years after the effective date of dissolution. The application must:

(b) State that the ground or grounds for dissolution either did not exist or have been eliminated; and

(c) State that the corporation's name satisfies the requirements of section 37 of this act.

(2) If the secretary of state determines that the application contains the information required by subsection (1) of this section and that the name is available, the secretary of state shall reinstate the corporation and give the corporation written notice of the reinstatement that recites the effective date of reinstatement. If the name is not available, the corporation must file articles of amendment changing its name with its application for reinstatement.

(3) When the reinstatement is effective, it relates back to and takes effect as of the effective date of the administrative dissolution and the corporation resumes carrying on its business as if the administrative dissolution had never occurred.

NEW SECTION. Sec. 163. GROUNDS FOR JUDICIAL DISSOLUTION. The superior courts may dissolve a corporation:

NEW SECTION. Sec. 165. RECEIVERSHIP OR CUSTODIANSHIP. (4) The court, during a receivership, may redesignate the receiver a custodian, and during a custodianship may redesignate the custodian a receiver, if doing so is in the best interests of the corporation, its shareholders, and creditors.

The directors of any such corporation shall hold title to the property of the corporation as trustees for the benefit of its creditors and shareholders. Any such action or proceeding by or against the corporation may be prosecuted or
defended by the corporation in its corporate name. The shareholders, directors, and officers shall have power to take such corporate or other action as shall be appropriate to protect such remedy, right, or claim.

NEW SECTION. Sec. 168. DEPOSIT WITH STATE TREASURER. Assets of a dissolved corporation that should be transferred to a creditor, claimant, or shareholder of the corporation who cannot be found or who is not competent to receive them may be reduced to cash and deposited with the state treasurer for safekeeping. If assets are transferred to the state treasurer, and if the creditor, claimant, or shareholder furnishes satisfactory proof of entitlement to the amount deposited, the state treasurer or other appropriate state official shall pay such person or such person’s representative that amount.

this title upon such corporation had it applied for and received a certificate
of authority to transact business in this state as required by this title and
thereafter filed all reports required by this title, plus all penalties imposed
by this title for failure to pay such fees.

(5) Notwithstanding subsections (1) and (2) of this section, the failure

Except as otherwise provided by this title, a foreign corporation is subject to the same duties, restrictions, penalties, and liabilities now or later imposed on a domestic corporation of like character.

(3) Except as otherwise provided in sections 202 through 205 of this act, this title does not authorize this state to regulate the organization or internal affairs of a foreign corporation authorized to transact business in this state.

NEW SECTION. Sec. 174. CORPORATE NAME OF FOREIGN CORPORATION. (1) No certificate of authority shall be issued to a foreign corporation unless the corporate name of such corporation:

permit the use of a post office address in the same city as the registered
office to be used in conjunction with the registered office address if the cor-

(b) The corporation's authority to transact business in this state has been revoked under section 181 of this act; or

(c) The corporation has been authorized to transact business in this state and has withdrawn under section 179 of this act.

(3) Service on the secretary of state of any such process, notice, or demand shall be made by delivering to and leaving with the secretary of state,
or with any duly authorized clerk of the corporation department of the secretary of state's office, the process, notice, or demand. In the event any such process, notice, or demand is served on the secretary of state, the secretary of state shall immediately cause a copy thereof to be forwarded by certified mail, addressed to the secretary of the corporation at its principal office as shown on the records of the secretary of state. Any service so had on the secretary of state shall be returnable in not less than thirty days.

(4) The secretary of state shall keep a record of all processes, notices, and demands served upon the secretary of state under this section, and shall record therein the time of such service and the secretary of state's action with reference thereto.

(5) This section does not limit or affect the right to serve any process, notice, or demand, required or permitted by law to be served upon a corporation in any other manner now or hereafter permitted by law.

NEW SECTION. Sec. 179. WITHDRAWAL OF FOREIGN CORPORATION. (1) A foreign corporation authorized to transact business in this state may not withdraw from this state until it obtains a certificate of withdrawal from the secretary of state.

(c) That it revokes the authority of its registered agent to accept service on its behalf and appoints the secretary of state as its agent for service of process in any proceeding based on a cause of action arising during the time it was authorized to transact business in this state;

(d) A mailing address to which the secretary of state may mail a copy of any process served on the secretary of state under (c) of this subsection; and

(e) A commitment to notify the secretary of state in the future of any change in its mailing address.

(3) After the withdrawal of the corporation is effective, service of process on the secretary of state under section 178 of this act is service on the foreign corporation.

NEW SECTION. Sec. 180. GROUNDS FOR REVOCATION. The secretary of state may commence a proceeding under section 181 of this act to revoke the certificate of authority of a foreign corporation authorized to transact business in this state if:
The foreign corporation does not deliver its completed annual report to the secretary of state within sixty days after it is due;

NEW SECTION. Sec. 181. PROCEDURE FOR AND EFFECT OF REVOCATION. (1) If the secretary of state determines that one or more grounds exist under section 180 of this act for revocation of a certificate of authority, the secretary of state shall give the foreign corporation written notice of the determination by first class mail, postage prepaid.

(2) If the foreign corporation does not correct each ground for revocation or demonstrate to the reasonable satisfaction of the secretary of state that each ground determined by the secretary of state does not exist within sixty days after notice is effective, the secretary of state shall revoke the foreign corporation's certificate of authority by signing a certificate of revocation that recites the ground or grounds for revocation and its effective date. The secretary of state shall file the original of the certificate and mail a copy to the foreign corporation.

(3) The authority of a foreign corporation to transact business in this state ceases on the date shown on the certificate revoking its certificate of authority.

(4) The secretary of state's revocation of a foreign corporation's certificate of authority appoints the secretary of state the foreign corporation's agent for service of process in any proceeding based on a cause of action which arose during the time the foreign corporation was authorized to transact business in this state. Service of process on the secretary of state under section 178 of this act is service on the foreign corporation.

(1) A shareholder of a corporation is entitled to inspect and copy, during regular business hours at the corporation's principal office, any of the records of the corporation described in section 182(5) of this act if the shareholder gives the corporation written notice of the shareholder's demand at least five business days before the date on which the shareholder wishes to inspect and copy.

(2) A shareholder of a corporation is entitled to inspect and copy, during regular business hours at a reasonable location specified by the corporation, any of the following records of the corporation if the shareholder meets the requirements of subsection (3) of this section and gives the corporation written notice of the shareholder's demand at least five business days before the date on which the shareholder wishes to inspect and copy:

(a) The shareholder's demand is made in good faith and for a proper purpose;
(b) The shareholder describes with reasonable particularity the shareholder's purpose and the records the shareholder desires to inspect; and
(c) The records are directly connected with the shareholder's purpose.

(4) The right of inspection granted by this section may not be abolished or limited by a corporation's articles of incorporation or bylaws.

(5) This section does not affect:
(a) The right of a shareholder to inspect records under section 68 of this act or, if the shareholder is in litigation with the corporation, to the same extent as any other litigant; or
(b) The power of a court, independently of this title, to compel the production of corporate records for examination.

(1) If a corporation does not allow a shareholder who complies with section
183(1) of this act to inspect and copy any records required by that subsection to be available for inspection, the superior court of the county where the corporation's principal office, or, if none in this state, its registered office, is located may summarily order inspection and copying of the records demanded at the corporation's expense upon application of the shareholder.

(2) If a corporation does not within a reasonable time allow a shareholder to inspect and copy any other record, the shareholder who complies with section 183(2) and (3) of this act may apply to the superior court of the county where the corporation's principal office, or, if none in this state, its registered office, is located for an order to permit inspection and copying of the records demanded. The court shall dispose of an application under this subsection on an expedited basis.

(3) If the court orders inspection and copying of the records demanded, it shall also order the corporation to pay the shareholder's costs, including reasonable counsel fees, incurred to obtain the order unless the corporation proves that it refused inspection in good faith because it had a reasonable basis for doubt about the right of the shareholder to inspect the records demanded.

(4) If the court orders inspection and copying of the records demanded, it may impose reasonable restrictions on the use or distribution of the records by the demanding shareholder.

MISCELLANEOUS PROVISIONS

NEW SECTION. Sec. 188. APPLICATION TO EXISTING CORPORATIONS. (1) Unless otherwise provided, this title applies to all domestic corporations in existence on the effective date of this act that were incorporated under any general statute of this state providing for incorporation of corporations for profit.

(2) Unless otherwise provided, a foreign corporation authorized to transact business in this state on the effective date of this act is subject to this title but is not required to obtain a new certificate of authority to transact business under this title.

NEW SECTION. Sec. 189. TRANSACTIONS INVOLVING INTERESTED SHAREHOLDERS. (1) For purposes of this section:

(a) An interested shareholder transaction means any transaction between a corporation, or any subsidiary thereof, and an interested shareholder of such corporation or an affiliated person of an interested shareholder that must be authorized pursuant to the provisions of sections 131 through 137 and 154 through 168, or 139 of this act;

(b) An interested shareholder:

(i) Includes any person or group of affiliated persons who beneficially own twenty percent or more of the outstanding voting shares of a corporation. An affiliated person is any person who either acts jointly or in concert with, or directly or indirectly controls, is controlled by, or is under common control with another person; and

(ii) Excludes any person who, in good faith and not for the purpose of circumventing this section, is an agent, bank, broker, nominee, or trustee for another person, if such other person is not an interested shareholder under (b)(i) of this subsection.

(2) Except as provided in subsection (3) of this section, an interested shareholder transaction must be approved by each voting group entitled to vote separately on the transaction by two-thirds of the votes entitled to be counted under this subsection for that voting group. The votes of all outstanding shares entitled to vote under this title or the articles of incorporation shall be entitled to be counted under this subsection except that the votes of shares owned by or voted under the control of an interested shareholder may not be counted to determine whether shareholders have approved a transaction for purposes of this subsection. The votes of shares owned by or voted under the control of an interested shareholder, however, shall be counted in determining whether a transaction is approved under other sections of this title and for purposes of determining a quorum.

(3) This section shall not apply to a transaction:

(a) Unless the articles of incorporation provide otherwise, by a corporation with fewer than three hundred holders of record of its shares;

(b) Approved by a majority vote of the corporation's board of directors. For such purpose, the votes of directors who are directors or officers of,
or have a material financial interest in an interested shareholder, or who were nominated for election as a director as a result of an arrangement with an interested shareholder and first elected as a director within twenty-four months of the proposed transaction, shall not be counted in determining whether the transaction is approved by such directors;

(c) In which a majority of directors whose votes are entitled to be counted under (3)(b) of this section determines that the fair market value of the consideration to be received by noninterested shareholders for shares of any class of which shares are owned by any interested shareholder is not less than the highest fair market value of the consideration paid by any interested shareholder in acquiring shares of the same class within twenty-four months of the proposed transaction; or

(d) By a corporation whose original articles of incorporation have a provision, or whose shareholders adopt an amendment to the articles of incorporation by two-thirds of the votes entitled to be counted under this subsection, expressly electing not to be covered by this section. The votes of all outstanding shares entitled to vote under this title or the articles of incorporation shall be entitled to be counted under this subsection except that the votes of shares owned by or voted under the control of an interested shareholder may not be counted to determine whether shareholders have voted to approve the amendment. The votes of shares owned by or voted under the control of an interested shareholder, however, shall be counted in determining whether the amendment is approved under other sections of this title and for purposes of determining a quorum.

(4) The requirements imposed by this section are in addition to, and not in lieu of, requirements imposed on any transaction by any other provision in this title, the articles of incorporation, or the bylaws of the corporation, or otherwise.

NEW SECTION. Sec. 190. LIMITATION ON LIABILITY OF DIRECTORS—INDEMNIFICATION. The provisions of sections 99 and 105 through 115 of this act shall apply to any corporation, other than a municipal corporation, incorporated under the laws of the state of Washington.

to acquire the mortgaged property, and to hold and own such property and to
dispose thereof. Such nonadmitted organizations however, shall not be al-
lowed to hold, own, and operate said property for a period exceeding five
years. In the event said nonadmitted organizations do hold, own, and oper-
ate said property for a period in excess of five years, it shall be forthwith
required to appoint an agent as required by section 175 of this act for for-

eign corporations doing business in this state.

NEW SECTION. Sec. 193. BY ENGAGING IN CERTAIN AC-
TIVITIES, NONADMITTED ORGANIZATIONS ARE NOT TRANS-
ACTING BUSINESS. The activities authorized by sections 191 and 192 of
this act by such nonadmitted organizations shall not constitute "transacting
business" within the meaning of sections 169 through 181 of this act.

**SIGNIFICANT BUSINESS TRANSACTIONS**

**NEW SECTION.** Sec. 197. LEGISLATIVE FINDINGS—INTENT. The legislature finds that:

1) Corporations that offer employment and health, retirement, and other benefits to citizens of the state of Washington are vital to the economy of this state and the well-being of all of its citizens;

2) The welfare of the employees of these corporations is of paramount interest and concern to this state;

3) Many businesses in this state rely on these corporations to purchase goods and services;

4) Hostile or unfriendly attempts to gain control of or influence otherwise publicly held corporations can cause corporate management to dissipate a corporation's assets in an effort to resist the takeover by selling or distributing cash or assets, redeeming stock, or taking other steps to increase the short-term gain to shareholders and to dissipate energies required for strategic planning, market development, capital investment decisions, assessment of technologies, and evaluation of competitive challenges that can damage the long-term interests of shareholders and the economic health of the state by reducing or eliminating the ability to finance investments in research and development, new products, facilities and equipment, and by undermining the planning process for those purposes;

5) Hostile or unfriendly attempts to gain control of or influence otherwise publicly held corporations are often highly leveraged pursuant to financing arrangements which assume that an acquirer will promptly obtain access to an acquired corporation's cash or assets and use them, or the proceeds of their sale, to repay acquisition indebtedness;

6) Hostile or unfriendly attempts to gain control of or influence otherwise publicly held corporations can harm the economy of the state by weakening corporate performance, and causing unemployment, plant closings, reduced charitable donations, declining population base, reduced income to fee-supported local government services, reduced tax base, and reduced income to other businesses; and

7) The state has a substantial and legitimate interest in regulating domestic corporations and those foreign corporations that have their most
significant business contacts with this state and in regulating hostile or unfriendly attempts to gain control of or influence otherwise publicly held domestic corporations and those foreign corporations that employ a large number of citizens of the state, pay significant taxes, and have a substantial economic base in the state.

The legislature intends this chapter to balance the substantial and legitimate interests of the state in domestic corporations and those foreign corporations that employ a large number of citizens of the state and that have a substantial economic base in the state with: The interests of citizens of other states who own shares of such corporations; the interests of the state of incorporation of such foreign corporations in regulating the internal affairs of corporations incorporated in that state; and the interests of promoting interstate commerce. To this effect, the legislature intends to regulate certain transactions between publicly held corporations and acquiring persons that will tend to harm the long-term health of domestic corporations and of foreign corporations that have their principal executive office and a majority of their assets in this state and that employ a large number of citizens of this state.

NEW SECTION. Sec. 198. CHAPTER DEFINITIONS. The definitions in this section apply throughout this chapter.

(1) "Acquiring person" means a person or group of persons, other than the target corporation or a subsidiary of the target corporation, who beneficially owns ten percent or more of the outstanding voting shares of the target corporation. The term "acquiring person" does not include a person who (a) beneficially owns ten percent or more of the outstanding voting shares of the target corporation on March 23, 1988; (b) acquires its shares by gift, inheritance, or in a transaction in which no consideration is exchanged; or (c) exceeds the ten percent threshold as a result of action taken solely by the target corporation, such as redemption of shares, unless that person, by its own action, acquires additional shares of the target corporation. An agent, bank, broker, nominee, or trustee for another person, if the other person is not an acquiring person, who acts in good faith and not for the purpose of circumventing this chapter, is not an acquiring person.

(2) "Affiliate" means a person who directly or indirectly controls, or is controlled by, or is under common control with, a person.

(3) "Associate" means (a) a domestic or foreign corporation or organization of which a person is an officer, director, or partner or in which a person performs a similar function; (b) a direct or indirect beneficial owner of ten percent or more of any class of equity securities of a person; (c) a trust or estate in which a person has a beneficial interest or as to which a person serves as trustee or in a similar fiduciary capacity; and (d) if having the same residence as a person, the person's relative, spouse, or spouse's relative.
"Beneficial ownership," when used with respect to any shares, means ownership by a person:

(a) Who, individually or with or through any of its affiliates or associates, beneficially owns such shares, directly or indirectly; or

(b) Who, individually or with or through any of its affiliates or associates, has (i) the right to acquire the shares, whether the right is exercisable immediately or only after the passage of time, pursuant to any agreement, arrangement, or understanding, whether or not in writing, or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise. A person is not the beneficial owner of shares tendered pursuant to a tender or exchange offer made by the person or any of the person's affiliates or associates until the tendered shares are accepted for purchase or exchange; or (ii) the right to vote the shares pursuant to any agreement, arrangement, or understanding, whether or not in writing. A person is not the beneficial owner of any shares under (b)(ii) of this subsection if the agreement, arrangement, or understanding to vote the shares arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made in accordance with the applicable rules and regulations under the exchange act and is not then reportable on schedule 13D under the exchange act, or any comparable or successor report; or

(c) Who has any agreement, arrangement, or understanding, whether or not in writing, for the purpose of acquiring, holding, voting, except voting pursuant to a revocable proxy or consent as described in (b)(ii) of this subsection, or disposing of the shares with any other person who beneficially owns, or whose affiliates or associates beneficially own, directly or indirectly, the shares.

"Control," "controlling," "controlled by," and "under common control with," means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting shares, by contract, or otherwise. A person's beneficial ownership of ten percent or more of a domestic or foreign corporation's outstanding voting shares shall create a presumption that such person has control of such corporation. However, a person does not have control of a domestic or foreign corporation if the person holds voting shares, in good faith and not for the purpose of circumventing this chapter, as an agent, bank, broker, nominee, custodian, or trustee for one or more beneficial owners who do not individually or as a group have control of such corporation.

"Exchange act" means the federal securities exchange act of 1934, as amended.

"Market value," in the case of property other than cash or shares, means the fair market value of the property on the date in question as determined by the board of directors of the target corporation in good faith.
(8) "Person" means an individual, domestic or foreign corporation, partnership, trust, unincorporated association, or other entity; an affiliate or associate of any such person; or any two or more persons acting as a partnership, syndicate, or other group for the purpose of acquiring, holding, or dispersing of securities of a domestic or foreign corporation.

(9) "Significant business transaction" means:

(a) A merger or consolidation of a target corporation or a subsidiary of a target corporation with (i) an acquiring person, or (ii) any other domestic or foreign corporation which is, or after the merger or consolidation would be, an affiliate or associate of the acquiring person;

(b) A sale, lease, exchange, mortgage, pledge, transfer, or other disposition or encumbrance, whether in one transaction or a series of transactions, to or with an acquiring person or an affiliate or associate of an acquiring person of assets of a target corporation or a subsidiary of a target corporation (i) having an aggregate market value equal to five percent or more of the aggregate market value of all the assets, determined on a consolidated basis, of the target corporation, (ii) having an aggregate market value equal to five percent or more of the aggregate market value of all the outstanding shares of the target corporation, or (iii) representing five percent or more of the earning power or net income, determined on a consolidated basis, of the target corporation;

(c) The termination, while the corporation has an acquiring person and as a result of the acquiring person's acquisition of ten percent or more of the shares of the corporation, of five percent or more of the employees of the target corporation or its subsidiaries employed in this state, whether at one time or over the five-year period following the share acquisition date. For the purposes of (c) of this subsection, a termination other than an employee's death or disability or bona fide voluntary retirement, transfer, resignation, or leave of absence shall be presumed to be a termination resulting from the acquiring person's acquisition of shares, which presumption may be rebutted by clear and convincing evidence. A bona fide voluntary transfer of employees between the target corporation and its subsidiaries or between its subsidiaries is not a termination for the purposes of (c) of this subsection;

(d) The issuance, transfer, or redemption by a target corporation or a subsidiary of a target corporation, whether in one transaction or a series of transactions, of shares or of options, warrants, or rights to acquire shares of a target corporation or a subsidiary of a target corporation to or beneficially owned by an acquiring person or an affiliate or associate of an acquiring person except pursuant to the exercise of warrants or rights to purchase shares offered, or a dividend, distribution, or redemption paid or made pro rata to, all shareholders or holders of options, warrants, or rights to acquire shares of the target corporation, and except for involuntary redemptions.
permitted by the target corporation's charter or by the law of this state or the state of incorporation;

(e) The adoption of a plan or proposal for the sale of assets, liquidation, or dissolution of a target corporation proposed by, or pursuant to an agreement, arrangement, or understanding, whether or not in writing, with an acquiring person or an affiliate or associate of an acquiring person;

(f) A reclassification of securities, including, without limitation, any stock split, stock dividend, or other distribution of stock in respect of stock, or any reverse stock split, or recapitalization of a target corporation, or a merger or consolidation of a target corporation with a subsidiary of the target corporation, or any other transaction, whether or not with or into or otherwise involving an acquiring person, proposed by, or pursuant to an agreement, arrangement, or understanding, whether or not in writing, with an acquiring person or an affiliate or associate of an acquiring person, that has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of a class or series of voting shares or securities convertible into voting shares of a target corporation or a subsidiary of the target corporation that is directly or indirectly owned by an acquiring person or an affiliate or associate of an acquiring person, except as a result of immaterial changes due to fractional share adjustments;

(g) A receipt by an acquiring person or an affiliate or associate of an acquiring person of the benefit, directly or indirectly, except proportionately as a shareholder of a target corporation, of loans, advances, guarantees, pledges, or other financial assistance or tax credits or other tax advantages provided by or through a target corporation; or

(h) An agreement, contract, or other arrangement providing for any of the transactions in this subsection.

(10) "Share acquisition date" means the date on which a person first becomes an acquiring person of a target corporation.

(11) "Subsidiary" means a domestic or foreign corporation that has a majority of its outstanding voting shares owned, directly or indirectly, by another domestic or foreign corporation.

(12) "Tangible assets" means tangible real and personal property of all kinds. It shall also include leasehold interests in tangible real and personal property.

(13) "Target corporation" means:

(a) Every domestic corporation organized under sections 26 through 32 of this act or any predecessor provision if, as of the share acquisition date, the corporation's principal executive office is located in the state and either a majority of the corporation's employees, together with those of its subsidiaries, are residents of the state or the corporation, together with its subsidiaries, employs more than one thousand residents of the state; and
(b) Every foreign corporation required to have a certificate of authority to transact business in this state pursuant to sections 169 through 181 of this act, if, as of the share acquisition date:

(i) The corporation's principal executive office is located in the state;

(ii) The corporation has: (A) More than ten percent of its shareholders of record resident in the state; or (B) more than ten percent of its shares owned of record by state residents; or (C) one thousand or more shareholders of record resident in the state;

(iii) A majority of the corporation's employees, together with those of its subsidiaries, are residents of the state or the corporation, together with its subsidiaries, employs more than one thousand residents of the state; and

(iv) A majority of the corporation's tangible assets, together with those of its subsidiaries, measured by market value, are located in the state or the corporation, together with its subsidiaries, has more than fifty million dollars' worth of tangible assets located in the state.

For purposes of this subsection, the record date for determining the percentages and numbers of shareholders and shares shall be the last shareholder record date before the event requiring that the determination be made. A shareholder record date shall be determined pursuant to section 66 of this act for a domestic corporation and the comparable provision of the law of the state in which a foreign corporation is incorporated. If a shareholder record date has not been fixed by the board of directors within the preceding four months, the determination shall be made as of the end of the domestic or foreign corporation's most recent fiscal quarter.

The residence of each shareholder is presumed to be the address appearing in the records of the domestic or foreign corporation. Shares held of record by brokers or nominees shall be disregarded for purposes of calculating the percentages and numbers specified in this subsection. Shares of a domestic or foreign corporation allocated to the account of an employee or former employee or beneficiaries of employees or former employees of a domestic or foreign corporation and held in a plan that is qualified under section 401(a) of the federal internal revenue code of 1986, as amended, and is a defined contribution plan within the meaning of section 414(i) of the code shall be deemed, for the purposes of this subsection, to be held of record by the employee to whose account such shares are allocated.

A domestic or foreign corporation shall be deemed to be a target corporation if the domestic or foreign corporation's failure to satisfy the requirements of this subsection is caused by the action of, or is the result of a proposal by, an acquiring person or affiliate or associate of an acquiring person.

NEW SECTION. Sec. 199. TRANSACTIONS EXCLUDED FROM CHAPTER. This chapter does not apply to:
A significant business transaction of a target corporation that does not have a class of voting stock registered with the securities and exchange commission pursuant to section 12 of the exchange act; or

A significant business transaction of a target corporation with an acquiring person of the target corporation which became an acquiring person inadvertently, if the acquiring person (a) as soon as practicable, divests itself of a sufficient amount of the voting shares of the target corporation so that it no longer is the beneficial owner, directly or indirectly, of ten percent or more of the outstanding voting shares of the target corporation, and (b) would not at any time within the five-year period preceding the date of the first public announcement of the significant business transaction have been an acquiring person but for the inadvertent acquisition.

NEW SECTION. Sec. 200. APPROVAL OF SIGNIFICANT BUSINESS TRANSACTION REQUIRED—VIOLATION. (1)(a) Notwithstanding any provision of this title, a target corporation shall not engage in any significant business transaction for a period of five years following the acquiring person's share acquisition date unless the significant business transaction or the purchase of shares made by the acquiring person on the share acquisition date is approved prior to the acquiring person's share acquisition date by a majority of the members of the board of directors of the target corporation.

(b) If a good faith proposal for a significant business transaction is made in writing to the board of directors of the target corporation prior to the significant business transaction or prior to the share acquisition date, the board of directors shall respond in writing, within thirty days or such shorter period, if any, as may be required by the exchange act setting forth its reasons for its decision regarding the proposal. If a good faith proposal to purchase shares is made in writing to the board of directors of the target corporation, the board of directors, unless it responds affirmatively in writing within thirty days or a shorter period, if any, as may be required by the exchange act shall be deemed to have disapproved such share purchase.

(2) A target corporation that engages in a significant business transaction that violates subsection (1) of this section and that is not exempt under section 197 of this act shall have its certificate of incorporation or certificate of authority to transact business in this state revoked under section 160 or 180 of this act for domestic or foreign target corporations, respectively. In addition, such significant transaction shall be void.

NEW SECTION. Sec. 201. PROVISIONS OF CHAPTER ADDITIONAL TO OTHER REQUIREMENTS. The requirements imposed by this chapter are to be in addition to, and not in lieu of, requirements imposed on a transaction by any provision in the articles of incorporation or the bylaws of the target corporation, or otherwise.
NEW SECTION. Sec. 202. SAVINGS PROVISIONS. (1) Except as provided in subsection (2) of this section, the repeal of a statute by this title does not affect:

(a) The operation of the statute or any action taken under it before its repeal;

(b) Any ratification, right, remedy, privilege, obligation, or liability acquired, accrued, or incurred under the statute before its repeal;

(c) Any violation of the statute, or any penalty, forfeiture, or punishment incurred because of the violation, before its repeal; or

(d) Any proceeding, reorganization, or dissolution commenced under the statute before its repeal, and the proceeding, reorganization, or dissolution may be completed in accordance with the statute as if it had not been repealed.

(2) If a penalty or punishment imposed for violation of a statute repealed by this title is reduced by this title, the penalty or punishment if not already imposed shall be imposed in accordance with this title.

NEW SECTION. Sec. 203. SEVERABILITY. If any provision of this title or its application to any person or circumstance is held invalid by a court of competent jurisdiction, the invalidity does not affect other provisions or applications of the title that can be given effect without the invalid provision or application, and to this end the provisions of the title are severable.

CHAPTER 171

[Substitute Senate Bill No. 5196]
DROUGHT RELIEF—DEPARTMENT OF ECOLOGY—EMERGENCY POWERS

AN ACT Relating to emergency drought relief; amending RCW 43.83B.210, 75.20.150, 86.16.180, 90.54.022, and 90.58.370; adding new sections to chapter 43.83B RCW; repealing RCW 43.83B.305, 43.83B.310, 43.83B.315, 43.83B.320, 43.83B.325, 43.83B.330, 43.83B.340, 43.83B.342, and 43.83B.344; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. It is the intent of the legislature to provide emergency powers to the department of ecology to enable it to take actions, in a timely and expeditious manner, that are designed to alleviate hardships and reduce burdens on various water users and uses arising from drought conditions. As used in this chapter, "drought condition" means that the water supply for a geographical area or for a significant portion of a geographical area is below seventy-five percent of normal and the water shortage is likely to create undue hardships for various water uses and users.

NEW SECTION. Sec. 2. (1) Whenever it appears to the department of ecology that a drought condition either exists or is forecast to occur within the state or portions thereof, the department of ecology is authorized to issue orders, pursuant to rules previously adopted, to implement the powers as set forth in sections 3 through 5 of this act. The department shall, immediately upon the issuance of an order under this section, cause said order to be published in newspapers of general circulation in the areas of the state to which the order relates. Prior to the issuance of an order, the department shall (a) consult with and obtain the views of the federal and state government entities identified in the drought contingency plan periodically revised by the department pursuant to section 3(4) of this act, and (b) obtain the written approval of the governor. Orders issued under this section shall be deemed orders for the purposes of chapter 34.05 RCW.

(2) Any order issued under subsection (1) of this section shall contain a termination date for the order. The termination date shall be not later than one calendar year from the date the order is issued. Although the department may, with the written approval of the governor, change the termination date by amending the order, no such amendment or series of amendments may have the effect of extending its termination to a date which is later than two calendar years after the issuance of the order.

(3) The provisions of subsection (2) of this section do not preclude the issuance of more than one order under subsection (1) of this section for different areas of the state or sequentially for the same area as the need arises for such an order or orders.

NEW SECTION. Sec. 3. Upon the issuance of an order under section 2 of this act, the department of ecology is empowered to:

[ 760 ]
(1)(a) Authorize emergency withdrawal of public surface and ground waters, including dead storage within reservoirs, on a temporary basis and authorize associated physical works which may be either temporary or permanent. The termination date for the authority to make such an emergency withdrawal may not be later than the termination date of the order issued under section 2 of this act under which the power to authorize the withdrawal is established. The department of ecology may issue such withdrawal authorization when, after investigation and after providing appropriate federal, state, and local governmental bodies an opportunity to comment, the following are found:

(i) The waters proposed for withdrawal are to be used for a beneficial use involving a previously established activity or purpose;

(ii) The previously established activity or purpose was furnished water through rights applicable to the use of a public body of water that cannot be exercised due to the lack of water arising from natural drought conditions; and

(iii) The proposed withdrawal will not reduce flows or levels below essential minimums necessary (A) to assure the maintenance of fisheries requirements, and (B) to protect federal and state interests including, among others, power generation, navigation, and existing water rights;

(b) All withdrawal authorizations issued under this section shall contain provisions that allow for termination of withdrawals, in whole or in part, whenever withdrawals will conflict with flows and levels as provided in (a)(iii) of this subsection. Domestic and irrigation uses of public surface and ground waters shall be given priority in determining "beneficial uses." As to water withdrawal and associated works authorized under this subsection, the requirements of chapter 43.21C RCW and public bidding requirements as otherwise provided by law are waived and inapplicable. All state and local agencies with authority to issue permits or other authorizations for such works shall, to the extent possible, expedite the processing of the permits or authorizations in keeping with the emergency nature of the requests and shall provide a decision to the applicant within fifteen calendar days of the date of application. All state departments or other agencies having jurisdiction over state or other public lands, if such lands are necessary to effectuate the withdrawal authorizations issued under this subsection, shall provide short-term easements or other appropriate property interest upon the payment of the fair market value. This mandate shall not apply to any lands of the state that are reserved for a special purpose or use that cannot properly be carried out if the property interest were conveyed;

(2) Approve a temporary change in purpose, place of use, or point of diversion, consistent with existing state policy allowing transfer or lease of waters between willing parties, as provided for in RCW 90.03.380, 90.03.390, and 90.44.100. However, compliance with any requirements of (a)
notice of newspaper publication of these sections or (b) the state environmental policy act, chapter 43.21C RCW, is not required when such changes are necessary to respond to drought conditions as determined by the department of ecology. An approval of a temporary change of a water right as authorized under this subsection is not admissible as evidence in either supporting or contesting the validity of water claims in STATE OF WASHINGTON, DEPARTMENT OF ECOLOGY V. ACQUAVELLA, Yakima county superior court number 77–2–01484–5 or any similar proceeding where the existence of a water right is at issue.

(3) Employ additional persons for specified terms of time, consistent with the term of a drought condition, as are necessary to ensure the successful performance of the activities associated with implementing the emergency drought program of this chapter.

(4) Revise the drought contingency plan previously developed by the department; and

(5) Acquire needed emergency drought–related equipment.

NEW SECTION, Sec. 4. (1) The department of ecology is authorized to make loans, grants, or combinations of loans and grants from emergency agricultural water supply funds when necessary to provide water to alleviate emergency drought conditions in order to ensure the survival of irrigated crops and the state's fisheries. For the purposes of this section, "emergency agricultural water supply funds" means funds appropriated from the state emergency water projects revolving account created under RCW 43.83B-.360. The department of ecology may make the loans, grants, or combinations of loans and grants as matching funds in any case where federal, local, or other funds have been made available on a matching basis. The department may make a loan of up to ninety percent of the total eligible project cost or combination loan and grant up to one hundred percent of the total single project cost. The grant portion for any single project shall not exceed twenty percent of the total project cost except that, for activities forecast to have fifty percent or less of normal seasonal water supply, the grant portion for any single project or entity shall not exceed forty percent of the total project cost. No single entity shall receive more than ten percent of the total emergency agricultural water supply funds available for drought relief. These funds shall not be used for nonagricultural drought relief purposes unless there are no other capital budget funds available for these purposes. In any biennium the total expenditures of emergency agricultural water supply funds for nonagricultural drought relief purposes may not exceed ten percent of the total of such funds available during that biennium.

(2)(a) Except as provided in (b) of this subsection, after June 30, 1989, emergency agricultural water supply funds, including the repayment of loans and any accrued interest, shall not be used for any purpose except during drought conditions as determined under sections 1 and 2 of this act.
Emergency agricultural water supply funds may be used on a one-
time basis for the development of procedures to be used by state govern-
mental entities to implement the state's drought contingency plan.

NEW SECTION. Sec. 5. The department shall adopt such rules as are
necessary to ensure the successful implementation of this chapter.

NEW SECTION. Sec. 6. Nothing in this chapter shall:
(1) Authorize any interference whatsoever with existing water rights;
(2) Authorize the establishment of rights to withdrawal of waters of a
permanent nature or of rights with any priority;
(3) Authorize the establishment of a water right under RCW 90.03-
.250 or 90.44.060;
(4) Preclude any person from filing an application pursuant to RCW
90.03.250 or 90.44.060.

Sec. 7. Section 3, chapter 295, Laws of 1975 1st ex. sess. as last

(The department of social and health services is authorized to make grants of up to forty percent of the cost of construction of any eligible project necessitated by the 1977 drought conditions. Such grants may be made only to public bodies as defined in RCW 43.83B.050 for municipal and industrial water supply and distribution facilities.)

(4) Each agency that is authorized by law to exercise discretion in deciding individual cases is encouraged to formalize the general principles that may evolve from these decisions by adopting the principles as rules that the agency will follow until they are amended or repealed.
Sec. 5. Section 301, chapter 288, Laws of 1988 and RCW 34.05.310 are each amended to read as follows:

(1) In addition to seeking information by other methods, an agency (may), before publication of a notice of a proposed rule adoption under RCW 34.05.320, is encouraged to solicit comments from the public on a subject of possible rule making under active consideration within the agency, by causing notice to be published in the state register of the subject matter and indicating where, when, and how persons may comment.

(2) Each agency may appoint committees to comment, before publication of a notice of proposed rule adoption under RCW 34.05.320, on the subject of a possible rule-making action under active consideration within the agency.

(3) Each agency shall designate a rules coordinator, who shall have knowledge of the subjects of rules being proposed or prepared within the agency for proposal, maintain the records of any such action, and respond to public inquiries about possible or proposed rules and the identity of agency personnel working, reviewing, or commenting on them. The office and mailing address of the rules coordinator shall be published in the state register at the time of designation and in the first issue of each calendar year thereafter for the duration of the designation. The rules coordinator may be an employee of another agency.

Sec. 6. Section 302, chapter 288, Laws of 1988 and RCW 34.05.315 are each amended to read as follows:

(1) Each agency shall maintain a current public rule-making docket. The rule-making docket shall contain (a listing of the subject of each rule currently being prepared by the agency for proposal under RCW 34.05.320; the name and address of agency personnel responsible for the proposal, and an indication of the present status of the proposal) the information specified in subsection (3) of this section.

(2) The rule-making docket shall contain a listing of each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced by publication of a notice of proposed rule adoption under RCW 34.05.320 until (it is terminated) the proposed rule is withdrawn under RCW 34.05.335((3))) or is adopted by the agency.

(3) For each rule-making proceeding, the docket shall indicate all of the following:

(a) The name and address of agency personnel responsible for the proposed rule;

(b) The subject of the proposed rule;

((c)) A citation to all notices relating to the proceeding that have been published in the state register under RCW 34.05.320;

((d)) The place where written submissions about the proposed rule may be inspected;

((e)) The time during which written submissions will be accepted;
Current timetable established for the agency proceeding, including the time and place of any rule-making hearing, the date of the rule's adoption, filing, publication, and its effective date.

Sec. 7. Section 1, chapter 84, Laws of 1977 ex. sess. as last amended by section 303, chapter 288, Laws of 1988 and RCW 34.05.320 are each amended to read as follows:

(1) At least twenty days before the rule-making hearing at which the agency receives public comment regarding adoption of a rule, the agency shall cause notice of the hearing to be published in the state register. The publication constitutes the proposal of a rule. The notice shall include all of the following:

(a) A title, a description of the rule's purpose, and any other information which may be of assistance in identifying the rule or its purpose;
(b) Citations of the statutory authority for adopting the rule and the specific statute the rule is intended to implement;
(c) A summary of the rule and a statement of the reasons supporting the proposed action;
(d) The agency personnel, with their office location and telephone number, who are responsible for the drafting, implementation, and enforcement of the rule;
(e) The name of the person or organization, whether private, public, or governmental, proposing the rule;
(f) Agency comments or recommendations, if any, regarding statutory language, implementation, enforcement, and fiscal matters pertaining to the rule;
(g) Whether the rule is necessary as the result of federal law or federal or state court action, and if so, a copy of such law or court decision shall be attached to the purpose statement;
(h) When, where, and how persons may present their views on the proposed rule;
(i) The date on which the agency intends to adopt the rule;
(j) A short explanation of the rule, its purpose, and anticipated effects, including in the case of a proposal that would modify existing rules, a short description of the changes the proposal would make; and
(k) A copy of the small business economic impact statement, if applicable.

(2) Upon filing notice of the proposed rule with the code reviser, the adopting agency shall have copies of the notice on file and available for public inspection and shall forward three copies of the notice to the rules review committee.

(3) No later than three days after its publication in the state register, the agency shall cause a copy of the notice of proposed rule adoption to be mailed to each person who has made a request to the agency for
a mailed copy of such notices. An agency may charge for the actual cost of providing individual mailed copies of these notices.

(4) In addition to the notice required by subsections (1) and (2) of this section, an institution of higher education shall cause the notice to be published in the campus or standard newspaper of the institution at least seven days before the rule-making hearing.

Sec. 8. Section 11, chapter 186, Laws of 1980 as amended by section 306, chapter 288, Laws of 1988 and RCW 34.05.335 are each amended to read as follows:

(1) A proposed rule may be withdrawn by the proposing agency at any time before adoption. A withdrawn rule may not be adopted unless it is again proposed in accordance with RCW 34.05.320.

(2) Before adopting a rule, an agency shall consider the written and oral submissions, or any memorandum summarizing oral submissions.

(3) Rules not adopted and filed with the code reviser within one hundred eighty days after publication of the text as last proposed in the register shall be regarded as withdrawn. An agency may not thereafter adopt the proposed rule without refiling it in accordance with RCW 34.05.320. The code reviser shall give notice of the withdrawal in the register.

(4) An agency may not adopt a rule before the time established in the published notice, or such later time established on the record or by publication in the state register.

Sec. 9. Section 307, chapter 288, Laws of 1988 and RCW 34.05.340 are each amended to read as follows:

(1) Unless it complies with subsection (3) of this section, an agency may not adopt a rule that is substantially different from the rule proposed in the published notice of proposed rule adoption or a supplemental notice in the proceeding. If an agency contemplates making a substantial variance from a proposed rule described in a published notice, it may file a supplemental notice with the code reviser meeting the requirements of RCW 34.05.320 and reopen the proceedings for public comment on the proposed variance, or the agency may reject withdraw the proposed rule and commence a new rule-making proceeding to adopt a substantially different rule. If a new rule-making proceeding is commenced, relevant public comment received regarding the initial proposed rule shall be considered in the new proceeding.

(2) The following factors shall be considered in determining whether an adopted rule is substantially different from the proposed rule on which it is based:

(a) The extent to which a reasonable person affected by the adopted rule would have understood that the published proposed rule would affect his or her interests;
(b) The extent to which the subject of the adopted rule or the issues determined in it are substantially different from the subject or issues involved in the published proposed rule; and

(c) The extent to which the effects of the adopted rule differ from the effects of the published proposed rule.

(3) If the agency, without filing a supplemental notice under subsection (1) of this section, adopts a rule that varies in content from the proposed rule, the general subject matter of the adopted rule must remain the same as the proposed rule. The agency shall briefly describe any changes, other than editing changes, and the principal reasons for adopting the changes. The brief description shall be filed with the code reviser together with the order of adoption for publication in the state register. Within sixty days of publication of the adopted rule in the state register, any interested person may petition the agency to amend any portion of the adopted rule that is substantially different from the proposed rule. The petition shall briefly demonstrate how the adopted rule is substantially different from the proposed rule and shall contain the text of the petitioner's proposed amendment. For purposes of the petition, an adopted rule is substantially different if the issues determined in the adopted rule differ from the issues determined in the proposed rule or the anticipated effects of the adopted rule differ from those of the proposed rule. If the petition meets the requirements of this subsection and RCW 34.05.330, the agency shall initiate rule-making proceedings upon the proposed amendments within the time provided in RCW 34.05.330.

Sec. 10. Section 3, chapter 234, Laws of 1959 as last amended by section 309, chapter 288, Laws of 1988 and RCW 34.05.350 are each amended to read as follows:

(1) If an agency for good cause finds:

(a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest; or

(b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule, the agency may dispense with those requirements and adopt, amend, or repeal the rule on an emergency basis. The agency's finding and a concise statement of the reasons for its finding shall be incorporated in the order for adoption of the emergency rule or amendment filed with the office of the code reviser under RCW 34.05.380 and with the rules review committee.

(2) An emergency rule adopted under this section takes effect upon filing with the code reviser, unless a later date is specified in the order of adoption, and may not remain in effect for longer than one hundred twenty days after filing. Identical or substantially similar emergency rules may not
be adopted in sequence unless conditions have changed or the agency has filed notice of its intent to adopt the rule as a permanent rule, and is actively undertaking the appropriate procedures to adopt the rule as a permanent rule. This section does not relieve any agency from compliance with any law requiring that its permanent rules be approved by designated persons or bodies before they become effective.

Sec. 11. Section 4, chapter 234, Laws of 1959 as last amended by section 315, chapter 288, Laws of 1988 and RCW 34.05.380 are each amended to read as follows:

(1) Each agency shall file in the office of the code reviser a certified copy of all rules it adopts, except for rules contained in tariffs filed with or published by the Washington utilities and transportation commission. The code reviser shall place upon each rule a notation of the time and date of filing and shall keep a permanent register of filed rules open to public inspection. In filing a rule, each agency shall use the standard form prescribed for this purpose by the code reviser.

(2) Emergency rules adopted under RCW 34.05.350 become effective upon filing unless a later date is specified in the order of adoption. All other rules become effective upon the expiration of thirty days after the date of filing, unless a later date is required by statute or specified in the order of adoption.

(3) A rule may become effective immediately upon its filing with the code reviser or on any subsequent date earlier than that established by subsection (2) of this section, if the agency establishes that effective date in the adopting order and finds that:

(a) Such action is required by the state or federal Constitution, a statute, or court order;
(b) The rule only delays the effective date of another rule that is not yet effective; or
(c) The earlier effective date is necessary because of imminent peril to the public health, safety, or welfare.

The finding and a brief statement of the reasons therefor required by this subsection shall be made a part of the order adopting the rule.

(4) With respect to a rule made effective pursuant to subsection (3) of this section, each agency shall make reasonable efforts to make the effective date known to persons who may be affected by it.

Sec. 12. Section 402, chapter 288, Laws of 1988 and RCW 34.05.413 are each amended to read as follows:

(1) Within the scope of its authority, an agency may commence an adjudicative proceeding at any time with respect to a matter within the agency's jurisdiction.

(2) When required by law or constitutional right, and upon the timely application of any person, an agency shall commence an adjudicative proceeding.
(3) An agency may provide forms for and, by rule, may provide procedures for filing an application for an adjudicative proceeding. An agency may require by rule that an application (for an adjudicative proceeding) be in writing and that it be filed at a specific address, in a specified manner, and within specified time limits. The agency shall allow at least twenty days to apply for an adjudicative proceeding from the time notice is given of the opportunity to file such an application.

(4) If an agency is required to hold an adjudicative proceeding, an application for an agency to enter an order includes an application for the agency to conduct appropriate adjudicative proceedings, whether or not the applicant expressly requests those proceedings.

(5) An adjudicative proceeding commences when the agency or a presiding officer notifies a party that a prehearing conference, hearing, or other stage of an adjudicative proceeding will be conducted.

Sec. 13. Section 8, chapter 237, Laws of 1967 as last amended by section 405, chapter 288, Laws of 1988 and RCW 34.05.422 are each amended to read as follows:

(1) Unless otherwise provided by law: (a) Applications for rate changes and uncontested applications for licenses may, in the agency's discretion, be conducted as adjudicative proceedings; (b) applications for licenses that are contested by a person having standing to contest under the law and review of denials of applications for licenses or rate changes shall be conducted as adjudicative proceedings; and (c) an agency may not revoke, suspend, or modify a license unless the agency gives notice of an opportunity for an appropriate adjudicative proceeding in accordance with this chapter or other statute.

(2) An agency with authority to grant or deny a professional or occupational license shall notify an applicant for a new or renewal license not later than twenty days prior to the date of the examination required for that license of any grounds for denial of the license which are based on specific information disclosed in the application submitted to the agency. The agency shall notify the applicant either that the license is denied or that the decision to grant or deny the license will be made at a future date. If the agency fails to give the notification prior to the examination and the applicant is denied licensure, the examination fee shall be refunded to the applicant. If the applicant takes the examination, the agency shall notify the applicant of the result.

(3) When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, an existing full, temporary, or provisional license does not expire until the application has been finally determined by the agency, and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.
If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

Sec. 14. Section 406, chapter 288, Laws of 1988 and RCW 34.05.425 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, in the discretion of the agency head, the presiding officer in an administrative hearing shall be:

(a) The agency head or one or more members of the agency head;
(b) If the agency has statutory authority to do so, a person other than the agency head or an administrative law judge designated by the agency head to make the final decision and enter the final order; or
(c) One or more administrative law judges assigned by the office of administrative hearings in accordance with chapter 34.12 RCW.

(2) An agency expressly exempted under RCW 34.12.020(4) or other statute from the provisions of chapter 34.12 RCW or an institution of higher education shall designate a presiding officer as provided by rules adopted by the agency.

(3) Any individual serving or designated to serve alone or with others as presiding officer is subject to disqualification for bias, prejudice, interest, or any other cause provided in this chapter or for which a judge is disqualified.

(4) Any party may petition for the disqualification of an individual promptly after receipt of notice indicating that the individual will preside or, if later, promptly upon discovering facts establishing grounds for disqualification.

(5) The individual whose disqualification is requested shall determine whether to grant the petition, stating facts and reasons for the determination.

(6) When the presiding officer is an administrative law judge, the provisions of this section regarding disqualification for cause are in addition to the motion of prejudice available under RCW 34.12.050.

(7) If a substitute is required for an individual who becomes unavailable as a result of disqualification or any other reason, the substitute must be appointed by the appropriate appointing authority.

(8) Any action taken by a duly appointed substitute for an unavailable individual is as effective as if taken by the unavailable individual.

Sec. 15. Section 407, chapter 288, Laws of 1988 and RCW 34.05.428 are each amended to read as follows:

(1) A party to an adjudicatory proceeding may participate personally or, if the party is a corporation or other artificial person, by a duly authorized representative.
(2) Whether or not participating in person, any party may be advised and represented at the party's own expense by counsel or, if permitted by provision of law, other representative.

Sec. 16. Section 411, chapter 288, Laws of 1988 and RCW 34.05.440 are each amended to read as follows:

(1) Failure of a party to file an application for an adjudicative proceeding within the time limit or limits established by statute or agency rule constitutes a default and results in the loss of that party's right to an adjudicative proceeding, and the agency may proceed to resolve the case without further notice to, or hearing for the benefit of, that party, except that any default or other dispositive order affecting that party shall be served upon him or her or upon his or her attorney, if any. Failure of a party to request a hearing before a party is deemed to have waived his or her right to a hearing under this subsection.

(2) If a party fails to attend or participate in a hearing or other stage of an adjudicative proceeding, other than failing to timely request an adjudicative proceeding as set out in subsection (1) of this section, the presiding officer may serve upon all parties a default or other dispositive order, which shall include a statement of the grounds for the order.

(3) Within seven days after service of a default order under subsection (2) of this section, or such longer period as provided by agency rule, the party against whom it was entered may file a written motion requesting that the order be vacated, and stating the grounds relied upon. During the time within which a party may file a written motion under this subsection, the presiding officer may adjourn the proceedings or conduct them without the participation of that party, having due regard for the interests of justice and the orderly and prompt conduct of the proceedings.

Sec. 17. Section 10, chapter 237, Laws of 1967 as amended by section 413, chapter 288, Laws of 1988 and RCW 34.05.446 are each amended to read as follows:

(1) The presiding officer may issue subpoenas and may enter protective orders. A subpoena may be issued with like effect by the agency or the attorney of record in whose behalf the witness is required to appear.

(2) An agency may by rule determine whether or not discovery is to be available in adjudicative proceedings and, if so, which forms of discovery may be used.

(3) Except as otherwise provided by agency rules, the presiding officer may decide whether to permit the taking of depositions, the requesting of admissions, and all other procedures authorized by rules 26 through 36 of the superior court civil rules. The presiding officer may condition use of discovery on a showing of necessity and unavailability by other means.
In exercising such discretion, the presiding officer shall consider: (a) Whether all parties are represented by counsel; (b) whether undue expense or delay in bringing the case to hearing will result; (c) whether the discovery will promote the orderly and prompt conduct of the proceeding; and (d) whether the interests of justice will be promoted.

(4) (Subpoenas issued and) Discovery orders and protective orders entered under this section may be enforced under the provisions of this chapter on civil enforcement of agency action.

(5) Subpoenas issued under this section may be enforced under section 30(1) of this act.

(6) The subpoena powers created by this section shall be state-wide in effect.

(7) Witnesses in an adjudicatory proceeding shall be paid the same fees and allowances, in the same manner and under the same conditions, as provided for witnesses in the courts of this state by chapter 2.40 RCW and by RCW 5.56.010, except that the agency shall have the power to fix the allowance for meals and lodging in like manner as is provided in RCW 5.56.010 as to courts. The person initiating an adjudicative proceeding or the party requesting issuance of a subpoena shall pay the fees and allowances and the cost of producing records required to be produced by subpoena.

Sec. 18. Section 414, chapter 288, Laws of 1988 and RCW 34.05.449 are each amended to read as follows:

(1) The presiding officer shall regulate the course of the proceedings, in conformity with applicable rules and the prehearing order, if any.

(2) To the extent necessary for full disclosure of all relevant facts and issues, the presiding officer shall afford to all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence, except as restricted by a limited grant of intervention or by the prehearing order.

(3) In the discretion of the presiding officer, and where the rights of the parties will not be prejudiced thereby, all or part of the hearing may be conducted by telephone, television, or other electronic means. Each party in the hearing must have an opportunity to participate effectively in, to hear, and, if technically and economically feasible, to see the entire proceeding while it is taking place.

(4) The presiding officer shall cause the hearing to be recorded by a method chosen by the agency. The agency is not required, at its expense, to prepare a transcript, unless required to do so by a provision of law. Any party, at the party's expense, may cause a reporter approved by the agency to prepare a transcript from the agency's record, or cause additional recordings to be made during the hearing if the making of the additional recording does not cause distraction or disruption.
(5) The hearing is open to public observation, except for the parts that the presiding officer states to be closed under a provision of law expressly authorizing closure or under a protective order (issued) entered by the presiding officer pursuant to applicable rules (adopted by the chief administrative law judge). A presiding officer may order the exclusion of witnesses upon a showing of good cause. To the extent that the hearing is conducted by telephone, television, or other electronic means, and is not closed, the availability of public observation is satisfied by giving members of the public an opportunity, at reasonable times, to hear or inspect the agency's record, and to inspect any transcript obtained by the agency.

Sec. 19. Section 418, chapter 288, Laws of 1988 and RCW 34.05.461 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section:

(a) If the presiding officer is the agency head or one or more members of the agency head, the presiding officer may enter an initial order if further review is available within the agency, or a final order if further review is not available;

(b) If the presiding officer is a person designated by the agency to make the final decision and enter the final order, the presiding officer shall enter a final order; and

(c) If the presiding officer is one or more administrative law judges, the presiding officer shall enter an initial order.

(2) With respect to agencies exempt from chapter 34.12 RCW or an institution of higher education, the presiding officer shall transmit a full and complete record of the proceedings, including such comments upon demeanor of witnesses as the presiding officer deems relevant, to each agency official who is to enter a final or initial order after considering the record and evidence so transmitted.

(3) Initial and final orders shall include a statement of findings and conclusions, and the reasons and basis therefor, on all the material issues of fact, law, or discretion presented on the record, including the remedy or sanction and, if applicable, the action taken on a petition for a stay of effectiveness. Any findings based substantially on credibility of evidence or demeanor of witnesses shall be so identified. Findings set forth in language that is essentially a repetition or paraphrase of the relevant provision of law shall be accompanied by a concise and explicit statement of the underlying evidence of record to support the findings. The order shall also include a statement of the available procedures and time limits for seeking reconsideration or other administrative relief. An initial order shall include a statement of any circumstances under which the initial order, without further notice, may become a final order.
(4) Findings of fact shall be based exclusively on the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based on the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. Findings may be based on such evidence even if it would be inadmissible in a civil trial. However, the presiding officer shall not base a finding exclusively on such inadmissible evidence unless the presiding officer determines that doing so would not unduly abridge the parties' opportunities to confront witnesses and rebut evidence. The basis for this determination shall appear in the order.

(5) Where it bears on the issues presented, the agency's experience, technical competency, and specialized knowledge may be used in the evaluation of evidence.

(6) If a person serving or designated to serve as presiding officer becomes unavailable for any reason before entry of the order, a substitute presiding officer shall be appointed as provided in RCW 34.05.425. The substitute presiding officer shall use any existing record and may conduct any further proceedings appropriate in the interests of justice.

(7) The presiding officer may allow the parties a designated time after conclusion of the hearing for the submission of memos, briefs, or proposed findings.

(8) Initial or final orders shall be served in writing within ninety days after conclusion of the hearing or after submission of memos, briefs, or proposed findings in accordance with subsection (7) of this section unless this period is waived or extended for good cause shown.

(9) The presiding officer shall cause copies of (initial and final orders to be delivered to)) the order to be served on each party and ((to)) the agency ((head)).

Sec. 20. Section 419, chapter 288, Laws of 1988 and RCW 34.05.464 are each amended to read as follows:

(1) As authorized by law, an agency may by rule provide that initial orders in specified classes of cases may become final without further agency action unless, within a specified period, (a) the agency head upon its own motion determines that the initial order should be reviewed, or (b) a party to the proceedings files ((exceptions to)) a petition for administrative review of the initial order. Upon occurrence of either event, notice shall be given to all parties to the proceeding.

(2) As provided authorized by law, an agency head may appoint a person to review initial orders and to prepare and enter final agency orders.

(3) RCW 34.05.425 and 34.05.455 apply to any person reviewing an initial order on behalf of an agency as part of the decision process, and to persons communicating with them, to the same extent that it is applicable to presiding officers.
(4) The officer reviewing the initial order (including the agency head reviewing an initial order) is, for the purposes of this chapter, termed the reviewing officer. The reviewing officer shall exercise all the decision-making power that the reviewing officer would have had to decide and enter the final order had the reviewing officer presided over the hearing, except to the extent that the issues subject to review are limited by a provision of law or by the reviewing officer upon notice to all the parties. In reviewing findings of fact by presiding officers, the reviewing officers shall give due regard to the presiding officer's opportunity to observe the witnesses.

(5) The reviewing officer shall personally consider the whole record or such portions of it as may be cited by the parties.

(6) The reviewing officer shall afford each party an opportunity to present written argument and may afford each party an opportunity to present oral argument.

(7) The reviewing officer shall enter a final order disposing of the proceeding or remand the matter for further proceedings, with instructions to the presiding officer who entered the initial order. Upon remanding a matter, the reviewing officer shall order such temporary relief as is authorized and appropriate.

(8) A final order shall include, or incorporate by reference to the initial order, all matters required by RCW 34.05.461(3).

(9) The reviewing officer shall cause copies of the final order or order remanding the matter for further proceedings to be served upon each party.

Sec. 21. Section 421, chapter 288, Laws of 1988 and RCW 34.05.470 are each amended to read as follows:

(1) Within ten days of the service of a final order, any party may file a petition for reconsideration, stating the specific grounds upon which relief is requested. The place of filing and other procedures, if any, shall be specified by agency rule.

(2) No petition for reconsideration may stay the effectiveness of an order.

(3) If a petition for reconsideration is timely filed, and the petitioner has complied with the agency's procedural rules for reconsideration, if any, the time for filing a petition for judicial review does not commence until the agency disposes of the petition for reconsideration. The agency is deemed to have denied the petition for reconsideration if, within twenty days from the date the petition is filed, the agency does not either: (a) Dispose of the petition; or (b) Serve the parties with a written notice specifying the date by which it will act on the petition.

(4) Unless the petition for reconsideration is deemed denied under subsection (3) of this section, the petition shall be disposed of by the same person or persons who entered the order, if reasonably available. The disposition shall be in the form of a written order denying the petition, granting
the petition and dissolving or modifying the final order, or granting the petition and setting the matter for further hearing. ((The petition shall be deemed to have been denied if not disposed of within twenty days: (3) No petition for reconsideration may stay the effectiveness of an order: (4) The agency head may extend the time limits in this section for good cause, with due consideration that the rights of the parties will not be prejudiced by the extension and that extension will be in the public interest:)) (3)(b) of this section is not subject to judicial review.

Sec. 22. Section 422, chapter 288, Laws of 1988 and RCW 34.05.473 are each amended to read as follows: (1) Unless a later date is stated in an order or a stay is granted, an order is effective when ((signed)) entered, but: (a) A party may not be required to comply with a final order unless the party has been served with or has actual knowledge of the final order; (b) A nonparty may not be required to comply with a final order unless the agency has made the final order available for public inspection and copying or the nonparty has actual knowledge of the final order; (c) For purposes of determining time limits for further administrative procedure or for judicial review, the determinative date is the date of service of the order. (2) Unless a later date is stated in the initial order or a stay is granted, the time when an initial order becomes a final order in accordance with RCW 34.05.461 is determined as follows: (a) When the initial order is entered, if administrative review is unavailable; or (b) When the agency head with such authority enters an order stating, after a petition for administrative review has been filed, that review will not be exercised. (3) This section does not preclude an agency from taking immediate action to protect the public interest in accordance with RCW 34.05.479.

Sec. 23. Section 426, chapter 288, Laws of 1988 and RCW 34.05.485 are each amended to read as follows: (1) If not specifically prohibited by law, the following persons may be designated as the presiding officer of a brief adjudicative proceeding: (a) The agency head; (b) One or more members of the agency head; (c) One or more administrative law judges; or (d) One or more other persons designated by the agency head.
(2) Before taking action, the presiding officer shall give each party an opportunity to be informed of the agency's view of the matter and to explain the party's view of the matter.

(3) At the time any unfavorable action is taken the presiding officer shall give each party a brief statement of the reasons for the decision. Within ten days, the presiding officer shall give the parties a brief written statement of the reasons for the decision and information about any internal administrative review available.

(4) If no review is taken of the initial order as authorized by RCW 34.05.488 and 34.05.491, the initial order shall be the final order.

Sec. 24. Section 427, chapter 288, Laws of 1988 and RCW 34.05.488 are each amended to read as follows:

Unless prohibited by any provision of law, an agency, on its own motion, may conduct administrative review of an order resulting from brief adjudicative proceedings. An agency shall conduct this review upon the written or oral request of a party if the agency receives the request within twenty-one days after service of the written statement required by RCW 34.05.485(3).

Sec. 25. Section 511, chapter 288, Laws of 1988 and RCW 34.05.550 are each amended to read as follows:

(1) Unless precluded by law, the agency may grant a stay, in whole or in part, or other temporary remedy during the pendency of judicial review.

(2) After a petition for judicial review has been filed, a party may file a motion in the reviewing court seeking a stay or other temporary remedy.

(3) If judicial relief is sought for a stay or other temporary remedy from agency action based on public health, safety, or welfare grounds the court shall not grant such relief unless the court finds that:

(a) The applicant is likely to prevail when the court finally disposes of the matter;

(b) Without relief the applicant will suffer irreparable injury;

(c) The grant of relief to the applicant will not substantially harm other parties to the proceedings; and

(d) The threat to the public health, safety, or welfare is not sufficiently serious to justify the agency action in the circumstances.

(4) If the court determines that relief should be granted from the agency's action granting a stay or other temporary remedies, the court may remand the matter or may enter an order denying a stay or granting a stay on appropriate terms.

Sec. 26. Section 515, chapter 288, Laws of 1988 and RCW 34.05.566 are each amended to read as follows:
(1) Within thirty days after service of the petition for judicial review, or within further time allowed by the court or by other provision of law, the agency shall transmit to the court the original or a certified copy of the agency record for judicial review of the agency action. The record shall consist of any agency documents expressing the agency action, other documents identified by the agency as having been considered by it before its action and used as a basis for its action, and any other material described in this chapter as the agency record for the type of agency action at issue, subject to the provisions of this section.

(2) If part of the record has been preserved without a transcript, the agency shall prepare a transcript for inclusion in the record transmitted to the court, except for portions that the parties stipulate to omit in accordance with subsection (4) of this section.

(3) The agency may charge a nonindigent petitioner with the reasonable costs of preparing any necessary copies and transcripts for transmittal to the court. A failure by the petitioner to pay any of this cost to the agency relieves the agency from the responsibility for preparation of the record and transmittal to the court.

(4) The record may be shortened, summarized, or organized temporarily or, by stipulation of all parties, permanently.

(5) The court may tax the cost of preparing transcripts and copies of the record:

(a) Against a party who unreasonably refuses to stipulate to shorten, summarize, or organize the record; or

(b) In accordance with any provision of law.

(6) Additions to the record pursuant to RCW 34.05.562 must be made as ordered by the court.

(7) The court may require or permit subsequent corrections or additions to the record.

Sec. 27. Section 13, chapter 234, Laws of 1959 as last amended by section 516, chapter 288, Laws of 1988 and RCW 34.05.570 are each amended to read as follows:

(1) Generally. Except to the extent that this chapter or another statute provides otherwise:

(a) The burden of demonstrating the invalidity of agency action is on the party asserting invalidity;

(b) The validity of agency action shall be determined in accordance with the standards of review provided in this section, as applied to the agency action at the time it was taken;

(c) The court shall make a separate and distinct ruling on each material issue on which the court's decision is based; and
(d) The court shall grant relief only if it determines that a person seeking judicial relief has been substantially prejudiced by the action complained of.

(2) Review of rules. (a) A rule may be reviewed by petition for declaratory judgment filed pursuant to ((RCW 34.05.538)) this subsection or (by review of other agency action) in the context of any other review proceeding under this section. In an action challenging the validity of a rule, the agency shall be made a party to the proceeding.

(b) The validity of any rule may be determined upon petition for a declaratory judgment addressed to the superior court of Thurston county, when it appears that the rule, or its threatened application, interferes with or impairs or immediately threatens to interfere with or impair the legal rights or privileges of the petitioner. ((The agency shall be made a party to the proceeding:)) The declaratory judgment order may be entered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question.

(c) In a (declaratory judgment) proceeding involving review of a rule, the court shall declare the rule invalid only if it finds that it violates constitutional provisions ((or)), exceeds the statutory authority of the agency ((or)), was adopted without compliance with statutory rule-making procedures, or could not conceivably have been the product of a rational decision-maker.

(3) Review of agency orders in adjudicative proceedings. The court shall grant relief from an agency order in an adjudicative proceeding only if it determines that:

(a) The order, or the statute or rule on which the order is based, is in violation of constitutional provisions on its face or as applied;

(b) The order is outside the statutory authority or jurisdiction of the agency conferred by any provision of law;

(c) The agency has engaged in unlawful procedure or decision-making process, or has failed to follow a prescribed procedure;

(d) The agency has erroneously interpreted or applied the law;

(e) The order((, other than a rule,)) is not supported by evidence that is substantial when viewed in light of the whole record before the court, which includes the agency record for judicial review, supplemented by any additional evidence received by the court under this chapter;

(f) The agency has not decided all issues requiring resolution by the agency;

(g) ((The persons entering the order were subject to disqualification)) A motion for disqualification under RCW 34.05.425 or 34.12.050 was made and was improperly denied or, if no motion was made, facts are shown to support the grant of such a motion that were not known and were not reasonably discoverable by the challenging party at the appropriate time for making such a motion;
(h) The order is inconsistent with a rule of the agency unless the agency explains the inconsistency by stating facts and reasons to demonstrate a rational basis for inconsistency; or
   (i) The order is arbitrary or capricious.
(4) Review of other agency action.
   (a) All agency action not reviewable under subsection (2) or (3) of this section shall be reviewed under this subsection.
   (b) A person whose rights are violated by an agency's failure to perform a duty that is required by law to be performed may file a petition for review pursuant to RCW 34.05.514, seeking an order pursuant to this subsection requiring performance. Within twenty days after service of the petition for review, the agency shall file and serve an answer to the petition, made in the same manner as an answer to a complaint in a civil action. The court may hear evidence, pursuant to RCW 34.05.562, on material issues of fact raised by the petition and answer.
   (c) Relief for persons aggrieved by the performance of an agency action, including the exercise of discretion, or an action under (b) of this subsection can be granted only if the court determines that the action is:
      (i) Unconstitutional;
      (ii) Outside the statutory authority of the agency or the authority conferred by a provision of law;
      (iii) Arbitrary or capricious; or
      (iv) Taken by persons who were not properly constituted as agency officials lawfully entitled to take such action.

Sec. 28. Section 517, chapter 288, Laws of 1988 and RCW 34.05.574 are each amended to read as follows:
   (1) In a review under RCW 34.05.570, the court may (a) affirm the agency action or (b) order an agency to take action required by law, order an agency to exercise discretion required by law, (affirm or) set aside agency action, enjoin or stay the agency action, remand the matter for further proceedings, or enter a declaratory judgment order. The court shall set out in its findings and conclusions, as appropriate, each violation or error by the agency under the standards for review set out in this chapter on which the court bases its decision and order. In reviewing matters within agency discretion, the court shall limit its function to assuring that the agency has exercised its discretion in accordance with law, and shall not itself undertake to exercise the discretion that the legislature has placed in the agency. The court shall remand to the agency for modification of agency action, unless remand is impracticable or would cause unnecessary delay.
   (2) The sole remedy available to a person who is wrongfully denied licensure based upon a failure to pass an examination administered by a state agency, or under its auspices, is the right to retake the examination free of the defect or defects the court may have found in the examination or the examination procedure.
(3) The court may award damages, compensation, or ancillary relief only to the extent expressly authorized by another provision of law.

(4) If the court sets aside or modifies agency action or remands the matter to the agency for further proceedings, the court may make any interlocutory order it finds necessary to preserve the interests of the parties and the public, pending further proceedings or agency action.

Sec. 29. Section 520, chapter 288, Laws of 1988 and RCW 34.05.586 are each amended to read as follows:

(1) ((In a proceeding for civil enforcement)) Except as expressly provided in this section, a respondent may ((only)) not assert as a defense in a proceeding for civil enforcement any fact or issue that the respondent had an opportunity to assert before the agency or a reviewing court and did not, or upon which the final determination of the agency or a reviewing court was adverse to the respondent. A respondent may assert as a defense only the following:

(a) That the rule or order is invalid under RCW 34.05.570(3) (a) ((or)), (b), (c), (d), (g), or (h)((. The court may only consider issues and receive evidence within the limitations provided by RCW 34.05.554, 34.05-558, and 34.05.562)), but only when the respondent did not know and was under no duty to discover, or could not reasonably have discovered, facts giving rise to this issue;

(b) That the ((rule or order does not apply to the party or that the party has not violated the rule or order, and)) interest of justice would be served by resolution of an issue arising from:

(i) A change in controlling law occurring after the agency action; or

(ii) Agency action after the respondent has exhausted the last foreseeable opportunity for seeking relief from the agency or from a reviewing court;

(c) That the order does not apply to the respondent or that the respondent has not violated the order; or

(d) A defense specifically authorized by statute to be raised in a civil enforcement proceeding.

(2) The limitations of subsection (1) of this section do not apply to the extent that:

(a) The agency action sought to be enforced is a rule and the respondent has not been a party in an adjudicative proceeding that provided an adequate opportunity to raise the issue; or

(b) The agency action sought to be enforced is an order and the respondent was not notified actually or constructively of the related adjudicative proceeding in substantial compliance with this chapter.

(3) The court, to the extent necessary for the determination of the matter, may ((consider new issues or)) take new evidence.

NEW SECTION. Sec. 30. A new section is added to chapter 34.05 RCW to read as follows:
(1) If a person fails to obey an agency subpoena issued in an adjudicative proceeding, or obeys the subpoena but refuses to testify or produce documents when requested concerning a matter under examination, the agency or attorney issuing the subpoena may petition the superior court of any county where the hearing is being conducted, where the subpoenaed person resides or is found, or where subpoenaed documents are located, for enforcement of the subpoena. The petition shall be accompanied by a copy of the subpoena and proof of service, shall set forth in what specific manner the subpoena has not been complied with, and shall request an order of the court to compel compliance. Upon such petition, the court shall enter an order directing the person to appear before the court at a time and place fixed in the order to show cause why the person has not obeyed the subpoena or has refused to testify or produce documents. A copy of the court's show cause order shall be served upon the person. If it appears to the court that the subpoena was properly issued, and that the particular questions the person refused to answer or the requests for production of documents were reasonable and relevant, the court shall enter an order that the person appear before the agency at the time and place fixed in the order and testify or produce the required documents, and on failing to obey this order the person shall be dealt with as for contempt of court.

(2) Agencies with statutory authority to issue investigative subpoenas may petition for enforcement of such subpoenas in accordance with subsection (1) of this section. The agency may petition the superior court of any county where the subpoenaed person resides or is found, or where subpoenaed documents are located. If it appears to the court that the subpoena was properly issued, and that the investigation is being conducted for a lawfully authorized purpose, and that the testimony or documents required to be produced are adequately specified and relevant to the investigation, the court shall enter an order that the person appear before the agency at the time and place fixed in the order and testify or produce the required documents, and failing to obey this order the person shall be dealt with as for contempt of court.

(3) Petitions for enforcement of agency subpoenas are not subject to RCW 34.05.578 through 34.05.590.

Sec. 31. Section 5, chapter 240, Laws of 1977 ex. sess. and RCW 34.08.040 are each amended to read as follows:

The publication of any information in the Washington State Register shall be deemed to be official notice of such information, and publication in the register of such information and materials shall be certified to be the true and correct copy of such rules or other information as filed in the code reviser's office. The code reviser shall certify, to any court of record, the publication of any notice or information, and attached to such certification shall be the agency's declaration of compliance with the provisions of the
Open Public Meetings Act (chapter 42.30 RCW), the Administrative Procedure Act (chapter ((34.04)) 34.05 RCW) (or the Higher Education Administrative Procedure Act (chapter 28B.19 RCW), as appropriate), and this chapter.

Sec. 34. Section 6, chapter 67, Laws of 1981 as last amended by section 7, chapter 141, Laws of 1984 and RCW 34.12.060 are each amended to read as follows:

When an administrative law judge presides at a hearing under this chapter and a majority of the officials of the agency who are to render the final decision have not heard substantially all of the oral testimony and read all exhibits submitted by any party, it shall be the duty of such judge, or in the event of his unavailability or incapacity, of another judge appointed by the chief administrative law judge, to issue an initial decision or proposal for decision including findings of fact and conclusions of law in accordance with RCW ((34.04.110)) 34.05.461 or 34.05.485. However, this section does not apply to a state patrol disciplinary hearing conducted under RCW 43.43.090.

(2) During this interim period, the chief administrative law judge may hire support staff and purchase facilities and equipment necessary to the task)).

Sec. 36. Section 26, chapter 1, Laws of 1973 as last amended by section 3, chapter 403, Laws of 1987 and RCW 42.17.260 are each amended to read as follows:

(1) Each agency, in accordance with published rules, shall make available for public inspection and copying all public records, unless the record falls within the specific exemptions of subsection (5) of this section, RCW 42.17.310, 42.17.315, or other statute which exempts or prohibits disclosure of specific information or records. To the extent required to prevent an unreasonable invasion of personal privacy interests protected by RCW 42.17-.310 and 42.17.315, an agency shall delete identifying details in a manner consistent with RCW 42.17.310 and 42.17.315 when it makes available or publishes any public record; however, in each case, the justification for the deletion shall be explained fully in writing.

(2) Each local agency shall maintain and make available for public inspection and copying a current index providing identifying information as to the following records issued, adopted, or promulgated after January 1, 1973:

asked to determine or opine upon, the rights of the state, the public, a sub-
division of state government, or of any private party.

(3) (An) A local agency need not maintain such an index, if to do so
would be unduly burdensome, but it shall in that event:

(a) Issue and publish a formal order specifying the reasons why and
the extent to which compliance would unduly burden or interfere with
agency operations; and

(b) Make available for public inspection and copying all indexes main-
tained for agency use.

(4) By July 1, 1990, each state agency shall, by rule, establish and im-

ability to the public, and the schedule for revising or updating the index.
State agencies that have maintained indexes for records issued before July
1, 1990, shall continue to make such indexes available for public inspection
and copying. Information in such indexes may be incorporated into indexes
prepared pursuant to this subsection. State agencies may satisfy the re-
quirements of this subsection by making available to the public indexes
prepared by other parties but actually used by the agency in its operations.
State agencies shall make indexes available for public inspection and copy-
ing. State agencies may charge a fee to cover the actual costs of providing
individual mailed copies of indexes.

(5) A public record may be relied on, used, or cited as precedent by an
agency against a party other than an agency and it may be invoked by the
agency for any other purpose only if——

(a) It has been indexed in an index available to the public; or

(b) Parties affected have timely notice (actual or constructive) of the
terms thereof.
This chapter shall not be construed as giving authority to any agency to give, sell or provide access to lists of individuals requested for commercial purposes, and agencies shall not do so unless specifically authorized or directed by law: PROVIDED, HOWEVER, That lists of applicants for professional licenses and of professional licensees shall be made available to those professional associations or educational organizations recognized by their professional licensing or examination board, upon payment of a reasonable charge therefor: PROVIDED FURTHER, That such recognition may be refused only for a good cause pursuant to a hearing under the provisions of chapter (34.04) 34.05 RCW, the Administrative Procedure Act.

The retirement ((board shall be entitled to)) system may appear in all such proceedings and introduce testimony in support of the decision. Judicial review of any final decision by the ((retirement board shall be)) director is governed by the provisions of chapter (34.04 RCW as now law or hereafter amended)) 34.05 RCW.

(b) Inspect the books, documents, and records of any person lending money to or in any manner financing any license holder or applicant for a license or receiving any income or profits from the use of such license for the purpose of determining compliance or noncompliance with the provisions of this chapter or the rules and regulations adopted pursuant thereto.

(2) For the purpose of any investigation or proceeding under this chapter, the commission or an administrative law judge appointed under chapter 34.12 RCW may conduct hearings, administer oaths or affirmations, or upon the commission's or administrative law judge's motion or

planting stock area may be established only in areas where no commercial
production of the planting stock to be planted in such Washington state
crop improvement nursery is planted. No planting stock area shall be es-
tablished until the director has published in a newspaper of general circula-

The value of the milk shall be computed by the weighted average price for the federal market order under which the milk is delivered.
(2) The penalty is imposed by the department giving a written notice which is either personally served upon or transmitted by certified mail, return receipt requested, to the person incurring the penalty. The notice of the civil penalty shall be a final order of the department unless, within fifteen days after the notice is received, the person incurring the penalty appeals the penalty by filing a notice of appeal with the department. If a notice of appeal is filed in a timely manner, a (contested case) hearing shall be conducted on behalf of the department by the office of administrative hearings in accordance with chapters ((34.04)) 34.05 and 34.12 RCW and, to the extent they are not inconsistent with this subsection, the provisions of RCW 15.36.580. (3) Any penalty imposed under this section is due and payable upon the issuance of the final order by the department. The penalty shall be deducted by the violator's marketing organization from the violator's final payment for the month following the issuance of the final order. The department shall promptly notify the violator's marketing organization of any penalties contained in the final order.

(4) All penalties received or recovered from violations of this section shall be remitted monthly by the violator's marketing organization to the Washington state dairy products commission and deposited in a revolving fund to be used solely for the purposes of education and research. No appropriation is required for disbursements from this fund.

(5) In case of a violation of the antibiotic or pesticide residue test requirements, an investigation shall be made to determine the cause of the residue which shall be corrected. Additional samples shall be taken as soon as possible and tested as soon as feasible for antibiotic or pesticide residue by the department or a certified laboratory. After the notice has been received by the producer and the results of a test of such an additional sample indicate that residues are above the actionable level or levels referred to in subsection (1) of this section, the producer's milk may not be sold until a sample is shown to be below the actionable levels established for the residues.

(2) The penalty is imposed by the department giving a written notice which is either personally served upon or transmitted by certified mail, return receipt requested, to the person incurring the penalty. The notice of the civil penalty shall be a final order of the department unless, within fifteen days after the notice is received, the person incurring the penalty appeals the penalty by filing a notice of appeal with the department. If a notice of appeal is filed in a timely manner, a (contested case) hearing shall be conducted on behalf of the department by the office of administrative hearings in accordance with chapters (34.04) 34.05 and 34.12 RCW and, to the extent they are not inconsistent with this subsection, the provisions of RCW 15.36.580. The order may be appealed to superior court in accordance with chapter (34.04) 34.05 RCW. Tests performed for the component parts of milk products by a state laboratory of a milk sample collected by a department official shall be admitted as prima facie evidence of the amounts of milk components in the product.

(3) Any penalty imposed under this section is due and payable upon the issuance of the final order by the department.

(4) All penalties received or recovered from violations of this section shall be remitted by the violator to the department and deposited in the revolving fund of the Washington state dairy products commission. One-half of the funds received shall be used for purposes of education with the remainder one-half to be used for dairy processing or marketing research or both.    (b) Appropriate organizations, public or private, which serve the professions;
   (c) The public. Notification of the public shall include press releases to appropriate local news media and the major news wire services; and
   (d) Counterpart licensing boards in other states, or associations of state licensing boards.

(3) This section shall not be construed to require the reporting of any information which is exempt from public disclosure under chapter 42.17 RCW.

Sec. 71. Section 19, chapter 279, Laws of 1984 as last amended by section 7, chapter 150, Laws of 1987 and RCW 18.130.190 are each amended to read as follows:

(1) The director shall investigate complaints concerning practice by unlicensed persons of a profession or business for which a license is required by the chapters specified in RCW 18.130.040. In the investigation of the complaints, the director shall have the same authority as provided the director under RCW 18.130.050. The director shall issue a cease and desist order to a person after notice and hearing and upon a determination that the person has violated this subsection. If the director makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the director may issue a temporary cease and desist order. The cease and desist order shall not relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy of a cease and desist order shall be in addition to any criminal liability. The cease and desist order is conclusive proof of unlicensed
practice and may be enforced by civil contempt. This method of enforce-
ment of the cease and desist order may be used in addition to, or as an al-
ternative to, any provisions for enforcement of agency orders set out in
chapter 34.05 RCW.

(2) The attorney general, a county prosecuting attorney, the director, a
board, or any person may in accordance with the laws of this state govern-
ing injunctions, maintain an action in the name of this state to enjoin any
person practicing a profession or business for which a license is required by
the chapters specified in RCW 18.130.040 without a license from engaging
in such practice or operating such business until the required license is se-

cured. However, the injunction shall not relieve the person so practicing or
operating a business without a license from criminal prosecution therefor,
but the remedy by injunction shall be in addition to any criminal liability.

(3) Unlicensed practice of a profession or operating a business for
which a license is required by the chapters specified in RCW 18.130.040,
unless otherwise exempted by law, constitutes a gross misdemeanor. All
fees, fines, forfeitures, and penalties collected or assessed by a court because
of a violation of this section shall be remitted to the health professions
account.

Sec. 72. Section 3, chapter 6, Laws of 1982 and RCW 19.85.030 are
each amended to read as follows:

In the adoption of any rule pursuant to RCW 34.05.320 that will have an economic impact on more than twenty percent of
all industries, or more than ten percent of any one industry, the adopting
agency:

(1) Shall reduce the economic impact of the rule on small business by
doing one or more of the following when it is legal and feasible in meeting
the stated objective of the statutes which are the basis of the proposed rule:
(a) Establish differing compliance or reporting requirements or timeta-
bles for small businesses;
(b) Clarify, consolidate, or simplify the compliance and reporting re-
quirements under the rule for small businesses;
(c) Establish performance rather than design standards;
(d) Exempt small businesses from any or all requirements of the rule;
(2) Shall prepare a small business economic impact statement in ac-
cordance with RCW 19.85.040 and file such statement with the code reviser
along with the notice required under RCW 34.05.320;
(3) May request from the business assistance center
available statistics which the agency can use in the preparation of the small
business economic impact statement.

Sec. 73. Section 4, chapter 6, Laws of 1982 and RCW 9.85.040 are
each amended to read as follows:

A small business economic impact statement shall analyze the costs of
compliance for businesses required to comply with the provisions of a rule
adopted pursuant to RCW ((34.04.025)) 34.05.320, including costs of equipment, supplies, labor, and increased administrative costs, and compare to the greatest extent possible the cost of compliance for small business with the cost of compliance for the ten percent of firms which are the largest businesses required to comply with the proposed new or amendatory rules. The small business economic impact statement shall use one or more of the following as a basis for comparing costs:

1. Cost per employee;
2. Cost per hour of labor;
3. Cost per one hundred dollars of sales;
4. Any combination of (1), (2), or (3).

Sec. 74. Section 5, chapter 6, Laws of 1982 and RCW 19.85.050 are each amended to read as follows:

1. Within one year after June 10, 1982, each agency shall publish and deliver to the office of financial management and to all persons who make requests of the agency for a copy of a plan to periodically review all rules then in effect and which have been issued by the agency which have an economic impact on more than twenty percent of all industries or ten percent of the businesses in any one industry. Such plan may be amended by the agency at any time by publishing a revision to the review plan and delivering such revised plan to the office of financial management and to all persons who make requests of the agency for the plan. The purpose of the review is to determine whether such rules should be continued without change or should be amended or rescinded, consistent with the stated objectives of applicable statutes, to minimize the economic impact on small businesses as described by this chapter. The plan shall provide for the review of all such agency rules in effect on June 10, 1982, within ten years of that date.

2. In reviewing rules to minimize any significant economic impact of the rule on small businesses as described by this chapter, and in a manner consistent with the stated objectives of applicable statutes, the agency shall consider the following factors:

   a. The continued need for the rule;
   b. The nature of complaints or comments received concerning the rule from the public;
   c. The complexity of the rule;
   d. The extent to which the rule overlaps, duplicates, or conflicts with other state or federal rules, and, to the extent feasible, with local governmental rules; and
   e. The degree to which technology, economic conditions, or other factors have changed in the subject area affected by the rule.

3. Each year each agency shall publish a list of rules which are to be reviewed pursuant to this section during the next twelve months and deliver a copy of the list to the office of financial management and all persons who
make requests of the agency for the list. The list shall include a brief description of the legal basis for each rule as described by RCW \((34.04.026(1)(a)\text{ or }34.04.026(1)(b))\) 34.05.360, and shall invite public comment upon the rule.

Sec. 75. Section 2, chapter 187, Laws of 1967 and RCW 24.34.020 are each amended to read as follows:

If the attorney general \((\text{shall have})\) has reason to believe that any such association as provided for in RCW 24.34.010 monopolizes or restrains trade to such an extent that the price of any agricultural product is unduly enhanced by reason thereof, he shall serve upon such association a complaint stating his charge in that respect, to which complaint shall be attached, or contained therein, a notice of hearing, specifying a day and place not less than thirty days after the service thereof, requiring the association to show cause why an order should not be made directing it to cease and desist from monopolization or restraint of trade.

Such hearing, and any appeal which may be made from such hearing, shall be conducted and held subject to and in conformance with the provisions for \((\text{contested cases})\) adjudicative proceedings and judicial review in chapter \((34.04)\) 34.05 RCW \((\text{as now enacted or hereafter amended})\).

Sec. 76. Section 3, chapter 275, Laws of 1988 and RCW 26.19.020 are each amended to read as follows:

(1) (a) Except as provided in (b) of this subsection, in any proceeding under this title or Title 13 or 74 RCW in which child support is at issue, support shall be determined and ordered according to the child support schedule adopted pursuant to RCW 26.19.040.

(b) If approved by a majority vote of the superior court judges of a county, the superior court may adopt by local court rule an economic table that shall be used by the superior court of that county, instead of the economic table adopted by the commission, to determine the appropriate amount of child support. The economic table adopted by the superior court shall not vary by more than twenty-five percent from the economic table adopted by the commission and shall not vary the economic table for combined monthly net income of two thousand five hundred dollars or less.

(2) An order for child support shall be supported by written findings of fact upon which the support determination is based.

(3) All income and resources of each parent's household shall be disclosed and shall be considered by the court or \((\text{administrative law judge})\) the presiding or reviewing officer when the child support obligation of each parent is determined.

(4) Worksheets in the form approved by the commission shall be completed and filed in every proceeding in which child support is determined. Variations of the worksheets shall not be accepted.
(5) Unless specific reasons for deviation are set forth in the written findings of fact or order and are supported by the evidence, the court or (administrative law judge) the presiding or reviewing officer shall order each parent to pay the amount of child support determined using the standard calculation.

(6) The court or (administrative law judge) the presiding or reviewing officer shall review the worksheets and the order for adequacy of the reasons set forth for any deviation and for the adequacy of the amount of support ordered. Each order shall state the amount of child support calculated using the standard calculation and the amount of child support actually ordered. Reasons that may support a deviation from the standard calculation include: Possession of wealth, shared living arrangements, extraordinary debts that have not been voluntarily incurred, extraordinarily high income of a child, a significant disparity of the living costs of the parents due to conditions beyond their control, and special needs of disabled children. A deviation may be supported by tax planning considerations only if the child would not receive a lesser economic benefit. Agreement of the parties, by itself, is not adequate reason for deviation.

Sec. 77. Section 11, chapter 435, Laws of 1987 and RCW 26.23.110 are each amended to read as follows:

The department shall establish, by regulation, a process that may be utilized when a support order does not state the obligation to pay current and future support as a fixed dollar amount, or if there is a dispute about the amount of the support debt owed under a support order. This process is authorized in order to facilitate enforcement of the support order, and is intended to implement and effectuate the terms of the order rather than to modify those terms.

The process shall provide for a notice to be served on the responsible parent by personal service or any form of mailing requiring a return receipt. The notice shall contain an initial finding of the amount of current and future support that should be paid and/or the amount of the support debt owed under the support order. ((A copy of the notice of hearing shall be mailed to the person to whom support is payable under the support order.))

The notice shall direct the responsible parent to appear and show cause (at a hearing held by the department) in an adjudicative proceeding governed by chapter 34.05 RCW, the Administrative Procedure Act, why the amount of current and future support to be paid and/or the amount of the support debt is incorrect and should not be ordered. The notice shall provide that the responsible parent has twenty days from the date of the service of the notice to ((request an administrative hearing)) file an application for an adjudicative proceeding or initiate an action in superior court. If the responsible parent does not ((request a hearing)) file an application for an adjudicative proceeding or initiate an action in superior court, the amount
of current and future support and/or the amount of the support debt stated in the notice shall be subject to collection action.

If the responsible parent does not initiate such an action in superior court, and serve notice of the action on the department within the twenty-day period, the responsible parent shall be deemed to have made an election of remedies and shall be required to exhaust administrative remedies under this chapter with judicial review available as provided for in chapter 34.05 RCW ((34.04.130)).

The adjudicative proceeding shall be held pursuant to this section, chapter 34.05 RCW, and rules adopted by the department ((and the office of administrative hearings)). A copy of the notice of hearing shall be mailed to the person to whom support is payable under the support order.

An adjudicative order entered in accordance with this section shall state the basis, rationale, or formula upon which the amounts established in the order were based. The amount of current and future support and/or the amount of the support debt determined under this section shall be subject to collection under this chapter and other applicable state statutes.

The regulation shall also provide for an annual review of the support order if either the office of support enforcement or the responsible parent requests such a review.

Sec. 78. Section 12, chapter 435, Laws of 1987 and RCW 26.23.120 are each amended to read as follows:

(1) Any information or records concerning individuals who owe a support obligation or for whom support enforcement services are being provided which are obtained or maintained by the Washington state support registry, the office of support enforcement, or under chapter 74.20 RCW shall be private and confidential and shall only be subject to public disclosure as provided in this section.

(2) The secretary of the department of social and health services shall adopt rules which specify the individuals or agencies to whom this information and these records may be disclosed, the purposes for which the information may be disclosed, and the procedures to obtain the information or records. The rules adopted under this section shall provide for disclosure of the information and records, under appropriate circumstances, which shall include, but not be limited to:

(a) When authorized or required by federal statute or regulation governing the support enforcement program;

(b) To the person the subject of the records or information, unless the information is exempt from disclosure under RCW 42.17.310;

(c) To government agencies, whether state, local, or federal, and including law enforcement agencies, prosecuting agencies, and the executive
branch, if the records or information are needed for child support enforce-
ment purposes;

d) To the parties in a judicial or (administrative) adjudica-
tive proceeding upon a specific written finding by the presiding officer that
the need for the information outweighs any reason for maintaining the pri-
vacy and confidentiality of the information or records;

e) To private persons or organizations if the disclosure is necessary to
permit private contracting parties to assist in the management and opera-
tion of the department;

(f) Disclosure of address and employment information to the parties to
a court order for support for purposes relating to the enforcement or modi-
fication of the order;

(g) Disclosure of information or records when necessary to the efficient
administration of the support enforcement program or to the performance
of functions and responsibilities of the support registry and the office of
support enforcement as set forth in state and federal statutes; or

(h) Disclosure of the information or records when authorized under
RCW 74.04.060.

3) Prior to disclosing address information to a party to a child custody
order, a notice shall be mailed, if appropriate under the circumstances, to
the last known address of the party whose address has been request-ed. The
notice shall advise the party that a request for disclosure has been made and
will be complied with unless the department receives a copy of a court order
which enjoins the disclosure of the information or restricts or limits the re-
questing party's right to contact or visit the other party or the child.

4) Nothing in this section shall be construed as limiting or restricting
the effect of RCW 42.17.260(5). Nothing in this section shall be construed
to prevent the disclosure of information and records if all details identifying
an individual are deleted or the individual consents to the disclosure.

5) It shall be unlawful for any person or agency in violation of this
section to solicit, publish, disclose, receive, make use of, or to authorize,
knowingly permit, participate in or acquiesce in the use of any lists of
names for commercial or political purposes or the use of any information for
purposes other than those purposes specified in this section. A violation of
this section shall be a gross misdemeanor as provided in chapter 9A.20
RCW.

Sec. 79. Section 3, chapter 273, Laws of 1971 ex. sess. as last amended
by section 63, chapter 370, Laws of 1985 and RCW 28B.15.013 are each
amended to read as follows:

1) The establishment of a new domicile in the state of Washington by
a person formerly domiciled in another state has occurred if such person is
physically present in Washington primarily for purposes other than educa-
tional and can show satisfactory proof that such person is without a present
intention to return to such other state or to acquire a domicile at some other place outside of Washington.

(2) Unless proven to the contrary it shall be presumed that:

(a) The domicile of any person shall be determined according to the individual's situation and circumstances rather than by marital status or sex.

(b) A person does not lose a domicile in the state of Washington by reason of residency in any state or country while a member of the civil or military service of this state or of the United States, nor while engaged in the navigation of the waters of this state or of the United States or of the high seas if that person returns to the state of Washington within one year of discharge from said service with the intent to be domiciled in the state of Washington; any resident dependent student who remains in this state when such student's parents, having theretofore been domiciled in this state for a period of one year immediately prior to the time of commencement of the first day of the semester or quarter for which the student has registered at any institution, remove from this state, shall be entitled to continued classification as a resident student so long as such student's attendance (except summer sessions) at an institution in this state is continuous.

(3) To aid the institution in deciding whether a student, parent, legally appointed guardian or the person having legal custody of a student is domiciled in the state of Washington primarily for purposes other than educational, the rules and regulations adopted by the higher education coordinating board shall include but not be limited to the following:

(a) Registration or payment of Washington taxes or fees on a motor vehicle, mobile home, travel trailer, boat, or any other item of personal property owned or used by the person for which state registration or the payment of a state tax or fee is required will be a factor in considering evidence of the establishment of a Washington domicile.

(b) Permanent full time employment in Washington by a person will be a factor in considering the establishment of a Washington domicile.

(c) Registration to vote for state officials in Washington will be a factor in considering the establishment of a Washington domicile.

(4) After a student has registered at an institution such student's classification shall remain unchanged in the absence of satisfactory evidence to the contrary. A student wishing to apply for a change in classification shall reduce such evidence to writing and file it with the institution. In any case involving an application for a change from nonresident to resident status, the burden of proof shall rest with the applicant. Any change in classification, either nonresident to resident, or the reverse, shall be based upon written evidence maintained in the files of the institution and, if approved, shall take effect the semester or quarter such evidence was filed with the institution: PROVIDED, That applications for a change in classification shall be accepted up to the thirtieth calendar day following the first day of
instruction of the quarter or semester for which application is made. (Any determination of classification shall be considered a ruling on a contested case subject to court review only under procedures prescribed by chapter 28B.19 RCW.)

Sec. 80. Section 42, chapter 283, Laws of 1969 ex. sess. as amended by section 24, chapter 62, Laws of 1973 and RCW 28B.50.864 are each amended to read as follows:

Any faculty member dismissed pursuant to RCW 28B.50.850 through 28B.50.869 shall have a right to appeal the final decision of the appointing authority in accordance with RCW ((201.19.A56 as now or hereafter amended)) 34.05.510 through 34.05.598.

Sec. 81. Section 1, chapter 13, Laws of 1981 2nd ex. sess. and RCW 28B.50.873 are each amended to read as follows:

The state board for community college education may declare a financial emergency under the following conditions: (1) Reduction of allotments by the governor pursuant to RCW 43.88.110(2), or (2) reduction by the legislature from one biennium to the next or within a biennium of appropriated funds based on constant dollars using the implicit price deflator. When a district board of trustees determines that a reduction in force of tenured or probationary faculty members may be necessary due to financial emergency as declared by the state board, written notice of the reduction in force and separation from employment shall be given the faculty members so affected by the president or district president as the case may be. Said notice shall clearly indicate that separation is not due to the job performance of the employee and hence is without prejudice to such employee and need only state in addition the basis for the reduction in force as one or more of the reasons enumerated in subsections (1) and (2) of this section.

Said tenured or probationary faculty members will have a right to request a formal hearing when being dismissed pursuant to subsections (1) and (2) of this section. The only issue to be determined shall be whether under the applicable policies, rules or collective bargaining agreement the particular faculty member or members advised of severance are the proper ones to be terminated. Said hearing shall be initiated by filing a written request therefor with the president or district president, as the case may be, within ten days after issuance of such notice. At such formal hearing the tenure review committee provided for in RCW 28B.50.863 may observe the formal hearing procedure and after the conclusion of such hearing offer its recommended decision for consideration by the hearing officer. Failure to timely request such a hearing shall cause separation from service of such faculty members so notified on the effective date as stated in the notice, regardless of the duration of any individual employment contract.

((Said)) The hearing required by this section shall be ((a formal hearing)) an adjudicative proceeding pursuant to chapter 34.05 RCW, ((28B.9.120)) the Administrative Procedure Act, conducted by a hearing officer.
appointed by the board of trustees and shall be concluded by the hearing officer within sixty days after written notice of the reduction in force has been issued. Ten days written notice of the formal hearing will be given to faculty members who have requested such a hearing by the president or district president as the case may be. The hearing officer within ten days after conclusion of such formal hearing shall prepare findings, conclusions of law and a recommended decision which shall be forwarded to the board of trustees for its final action thereon. Any such determination by the hearing officer under this section shall not be subject to further tenure review committee action as otherwise provided in this chapter.

Notwithstanding any other provision of this section, at the time of a faculty member or members request for formal hearing said faculty member or members may ask for participation in the choosing of the hearing officer in the manner provided in RCW 28A.58.455(4), said employee therein being a faculty member for the purposes hereof and said board of directors therein being the board of trustees for the purposes hereof: PROVIDED, That where there is more than one faculty member affected by the board of trustees' reduction in force such faculty members requesting hearing must act collectively in making such request: PROVIDED FURTHER, That costs incurred for the services and expenses of such hearing officer shall be shared equally by the community college and the faculty member or faculty members requesting hearing.

When more than one faculty member is notified of termination because of a reduction in force as provided in this section, hearings for all such faculty members requesting formal hearing shall be consolidated and only one such hearing for the affected faculty members shall be held, and such consolidated hearing shall be concluded within the time frame set forth herein.

Separation from service without prejudice after formal hearing under the provisions of this section shall become effective upon final action by the board of trustees.

It is the intent of the legislature by enactment of this section and in accordance with RCW 28B.52.035, to modify any collective bargaining agreements in effect, or any conflicting board policies or rules, so that any reductions in force which take place after December 21, 1981, whether in progress or to be initiated, will comply solely with the provisions of this section: PROVIDED, That any applicable policies, rules, or provisions contained in a collective bargaining agreement related to lay-off units, seniority and re-employment rights shall not be affected by the provisions of this paragraph.

Nothing in this section shall be construed to affect the right of the board of trustees or its designated appointing authority not to renew a probationary faculty appointment pursuant to RCW 28B.50.857.

Sec. 82. Section 9, chapter 136, Laws of 1986 and RCW 28B.85.090 are each amended to read as follows:
(1) A person claiming loss of tuition or fees as a result of an unfair business practice may file a complaint with the board. The complaint shall set forth the alleged violation and shall contain information required by the board. A complaint may also be filed with the board by an authorized staff member of the board or by the attorney general.

(2) The board shall investigate any complaint under this section and may attempt to bring about a settlement. The board may hold a ((contested case)) hearing pursuant to the Administrative Procedure Act, chapter ((34.04)) 34.05 RCW, in order to determine whether a violation has occurred. If the board prevails, the degree-granting institution shall pay the costs of the administrative hearing.

(3) If, after the hearing, the board finds that the institution or its agent engaged in or is engaging in any unfair business practice, the board shall issue and cause to be served upon the violator an order requiring the violator to cease and desist from the act or practice and may impose the penalties under RCW 28B.85.100. If the board finds that the complainant has suffered loss as a result of the act or practice, the board may order full or partial restitution for the loss. The complainant is not bound by the board’s determination of restitution and may pursue any other legal remedy.

Sec. 83. Section 12, chapter 299, Laws of 1986 and RCW 28C.10.120 are each amended to read as follows:

(1) A person claiming loss of tuition or fees as a result of an unfair business practice may file a complaint with the agency. The complaint shall set forth the alleged violation and shall contain information required by the agency. A complaint may also be filed with the agency by an authorized staff member of the agency or by the attorney general.

(2) The agency shall investigate any complaint under this section and may attempt to bring about a settlement. The agency may hold a ((contested case)) hearing pursuant to the Administrative Procedure Act, chapter ((34.04)) 34.05 RCW, in order to determine whether a violation has occurred. If the agency prevails, the private vocational school shall pay the costs of the administrative hearing.

(3) If, after the hearing, the agency finds that the private vocational school or its agent engaged in or is engaging in any unfair business practice, the agency shall issue and cause to be served upon the violator an order requiring the violator to cease and desist from the act or practice and may impose the penalties under RCW 28C.10.130. If the agency finds that the complainant has suffered loss as a result of the act or practice, the agency may order full or partial restitution for the loss. The complainant is not bound by the agency’s determination of restitution and may pursue any other legal remedy.

Sec. 84. Section 2, chapter 137, Laws of 1977 ex. sess. and RCW 35-.68.076 are each amended to read as follows:
The department of general administration shall, pursuant to chapter 34.05 RCW, the Administrative Procedure Act, adopt several suggested model design, construction, or location standards to aid counties, cities, and towns in constructing curb ramps to allow reasonable access to the crosswalk for physically handicapped persons without uniquely endangering blind persons. The department of general administration shall consult with handicapped persons, blind persons, counties, cities, and the state building code (advisory) council in adopting the suggested standards. (In addition, the department of general administration shall, within thirty days of September 21, 1977 and pursuant to RCW 34.04.030, adopt a suggested design or construction standard for curb ramps which may be used by counties, cities, or towns to comply with RCW 35.68.075 in the interval between September 21, 1977 and the adoption of further suggested model standards.)

Sec. 85. Section 3, chapter 120, Laws of 1983 as amended by section 3, chapter 328, Laws of 1987 and RCW 39.19.030 are each amended to read as follows:

There is hereby created the office of minority and women's business enterprises. The governor shall appoint a director for the office, subject to confirmation by the senate. The director may employ a deputy director and a confidential secretary, both of which shall be exempt under chapter 41.06 RCW, and such staff as are necessary to carry out the purposes of this chapter.

The office shall consult with the minority and women's business enterprises advisory committee to:

(1) Develop, plan, and implement programs to provide an opportunity for participation by qualified minority and women-owned and controlled businesses in public works and the process by which goods and services are procured by state agencies and educational institutions from the private sector;

(2) Develop a comprehensive plan insuring that qualified minority and women-owned and controlled businesses are provided an opportunity to participate in public contracts for public works and goods and services;

(3) Identify barriers to equal participation by qualified minority and women-owned and controlled businesses in all state agency and educational institution contracts;

(4) Establish annual overall goals for participation by qualified minority and women-owned and controlled businesses for each state agency and educational institution to be administered on a contract-by-contract basis or on a class-of-contracts basis;

(5) Develop and maintain a central minority and women's business enterprise certification list for all state agencies and educational institutions. No business is entitled to certification under this chapter unless it meets the
definition of small business concern as established by the office. All applications for certification under this chapter shall be sworn under oath;

(6) Develop, implement, and operate a system of monitoring compliance with this chapter;

(7) Adopt rules under chapter ((34.04 or 28B.19 RCW, as applicable)) 34.05 RCW, the Administrative Procedure Act, governing: (a) Establishment of agency goals; (b) development and maintenance of a central minority and women's business enterprise certification program, including a definition of "small business concern" which shall be consistent with the small business requirements defined under section 3 of the Small Business Act, 15 U.S.C. Sec. 632, and its implementing regulations as guidance; (c) procedures for monitoring and enforcing compliance with goals, regulations, contract provisions, and this chapter; and (d) utilization of standard clauses by state agencies and educational institutions, as specified in RCW 39.19.050;

(8) Submit an annual report to the governor and the legislature outlining the progress in implementing this chapter;

(9) Investigate complaints of violations of this chapter with the assistance of the involved agency or educational institution; and

(10) Cooperate and act jointly or by division of labor with the United States or other states, and with political subdivisions of the state of Washington and their respective minority, socially and economically disadvantaged and women business enterprise programs to carry out the purposes of this chapter. However, the power which may be exercised by the office under this subsection permits investigation and imposition of sanctions only if the investigation relates to a possible violation of chapter 39.19 RCW, and not to violation of local ordinances, rules, regulations, however denominated, adopted by political subdivisions of the state.

Sec. 86. Section 2, chapter 232, Laws of 1977 ex. sess. as amended by section 50, chapter 151, Laws of 1979 and RCW 40.07.020 are each amended to read as follows:

(a) The order is regular on its face;
(b) The order has not been complied with; and
(c) The person's answer discloses no valid reason why the order should not be enforced, or that the reason given in the person's answer could have been raised by review under RCW ((34.04.136)) 34.05.510 through 34.05.598, and the person has given no valid excuse for failing to use that remedy.

(5) The jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to appellate review by the supreme court or the court of appeals, on appeal, by either party, irrespective of the nature of the decree or judgment. Sec. 117. Section 120, chapter 35, Laws of 1945 as last amended by section 3, chapter 61, Laws of 1987 and RCW 50.32.040 are each amended to read as follows:

In any proceeding before an appeal tribunal involving a dispute of an individual's initial determination, all matters covered by such initial determination shall be deemed to be in issue irrespective of the particular ground or grounds set forth in the notice of appeal.

In any proceeding before an appeal tribunal involving a dispute of an individual's claim for waiting period credit or claim for benefits, all matters and provisions of this title relating to the individual's right to receive such credit or benefits for the period in question, including but not limited to the question and nature of the claimant's availability for work within the meaning of RCW 50.20.010(3) and 50.20.080, shall be deemed to be in issue irrespective of the particular ground or grounds set forth in the notice of appeal in single claimant cases. The claimant's availability for work shall be determined apart from all other matters.

In any proceeding before an appeal tribunal involving an individual's right to benefits, all parties shall be afforded an opportunity for hearing after not less than seven days' notice (This provision supersedes the twenty-day notice provision of RCW 34.04.090 as to such cases) in accordance with RCW 34.05.434.

In any proceeding involving an appeal relating to benefit determinations or benefit claims, the appeal tribunal, after affording the parties reasonable opportunity for fair hearing, shall render its decision affirming, modifying, or setting aside the determination or decisions of the unemployment compensation division. The parties shall be duly notified of such appeal tribunal's decision together with its reasons therefor, which shall be deemed to be the final decision on the initial determination or the claim for waiting period credit or the claim for benefits unless, within thirty days after the date of notification or mailing, whichever is the earlier, of such decision, further appeal is perfected pursuant to the provisions of this title relating to review by the commissioner.

Sec. 118. Section 125, chapter 35, Laws of 1945 as amended by section 15, chapter 158, Laws of 1973 1st ex. sess. and RCW 50.32.090 are each amended to read as follows:

Any decision of the commissioner involving a review of an appeal tribunal decision, in the absence of a petition therefrom as provided in chapter 34.05 RCW (34.04.106, shall), becomes final thirty days after service. The commissioner shall be deemed to be a party to any judicial action involving any such decision and shall be represented in any such judicial action by the attorney general.

Sec. 119. Section 130, chapter 35, Laws of 1945 as amended by section 18, chapter 158, Laws of 1973 1st ex. sess. and RCW 50.32.140 are each amended to read as follows:
RCW ((34.04.130)) 34.05.514 to the contrary notwithstanding, petitions to the superior court from decisions of the commissioner dealing with the applications or claims relating to benefit payments which were filed outside of this state with an authorized representative of the commissioner shall be filed with the superior court of Thurston county which shall have the original venue of such appeals.

Sec. 120. Section 7, chapter 315, Laws of 1985 as amended by section 3, chapter 316, Laws of 1987 and RCW 51.48.131 are each amended to read as follows:

A notice of assessment becomes final thirty days from the date the notice of assessment was served upon the employer unless: (1) A written request for reconsideration is filed with the department of labor and industries, or (2) an appeal is filed with the board of industrial insurance appeals and sent to the director of labor and industries by mail or delivered in person. The appeal shall not be denied solely on the basis that it was not filed with both the board and the director if it was filed with either the board or the director. The appeal shall set forth with particularity the reason for the employer's appeal and the amounts, if any, that the employer admits are due.

The department, within thirty days after receiving a notice of appeal, may modify, reverse, or change any notice of assessment, or may hold any such notice of assessment in abeyance pending further investigation, and the board shall thereupon deny the appeal, without prejudice to the employer's right to appeal from any subsequent determinative notice of assessment issued by the department.

The burden of proof rests upon the employer in an appeal to prove that the taxes and penalties assessed upon the employer in the notice of assessment are incorrect. The department shall promptly transmit its original record, or a legible copy thereof, produced by mechanical, photographic, or electronic means, in such matter to the board. RCW 51.52.080 through 51.52.106 govern appeals under this section. Further appeals taken from a final decision of the board under this section are governed by the provisions relating to judicial review of administrative decisions contained in RCW ((34.04.130 and 34.04.140)) 34.05.510 through 34.05.598, and the department has the same right of review from the board's decisions as do employers.

Sec. 121. Section 34, chapter 43, Laws of 1972 ex. sess. as amended by section 8, chapter 315, Laws of 1985 and RCW 51.48.140 are each amended to read as follows:

If a notice of appeal is not served on the director and the board of industrial insurance appeals pursuant to RCW ((51.48.030)) 51.48.131 within thirty days from the date of service of the notice of assessment, or if a final decision and order of the board of industrial insurance appeals in favor of the department is not appealed to superior court in the manner specified in
RCW ((34.04.130)) 34.05.510 through 34.05.598, or if a final decision of any court in favor of the department is not appealed within the time allowed by law, then the amount of the unappealed assessment, or such amount of the assessment as is found due by the final decision and order of the board of industrial insurance appeals or final decision of the court shall be deemed final and the director or the director's designee may file with the clerk of any county within the state a warrant in the amount of the notice of assessment. The clerk of the county wherein the warrant is filed shall immediately designate a superior court cause number for such warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of such employer mentioned in the warrant, the amount of the taxes and penalties due thereon, and the date when such warrant was filed. The aggregate amount of such warrant as docketed shall become a lien upon the title to, and interest in all real and personal property of the employer against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. The sheriff shall thereupon proceed upon the same in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee of five dollars, which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the employer within three days of filing with the clerk.

The action, order, or decision of the board as to any denial of an application for the reissuance of a permit or license or as to any revocation, suspension, or modification of any permit or license shall be ((a contested case)) an adjudicative proceeding and subject to the applicable provisions of chapter ((34.04 R.C.W. as amended by this 1967 amendatory act)) 34.05 RCW.

(1) An opportunity for a hearing may be provided an applicant for the reissuance of a permit or license prior to the disposition of the application, and if no such opportunity for a prior hearing is provided then an opportunity for a hearing to reconsider the application must be provided the applicant.

(2) An opportunity for a hearing must be provided a permittee or licensee prior to a revocation or modification of any permit or license and, except as provided in subsection (4) of this section, prior to the suspension of any permit or license.
(3) No hearing shall be required until demanded by the applicant, permittee, or licensee.

(4) The board may summarily suspend a license or permit for a period of up to thirty days without a prior hearing if it finds that public health, safety, or welfare imperatively require emergency action, and incorporates a finding to that effect in its order; and proceedings for revocation or other action must be promptly instituted and determined.

Sec. 123. Section 6, chapter 7, Laws of 1982 2nd ex. sess. and RCW 67.70.060 are each amended to read as follows:

(b) Inspect the books, documents, and records of any person lending money to or in any manner financing any license holder or applicant for a license or receiving any income or profits from the use of such license for the purpose of determining compliance or noncompliance with the provisions of this chapter or the rules and regulations adopted pursuant thereto.

(2) For the purpose of any investigation or proceeding under this chapter, the director or an administrative law judge appointed under chapter 34.12 RCW may conduct hearings, administer oaths or affirmations, or upon the director's or administrative law judge's motion or upon request of any party may subpoena witnesses, compel attendance, take depositions, take evidence, or require the production of any matter which is relevant to the investigation or proceeding, including but not limited to the existence, description, nature, custody, condition, or location of any books, documents, or other tangible things, or the identity or location of persons having knowledge or relevant facts, or any other matter reasonably calculated to lead to the discovery of material evidence.

(3) Upon failure to obey a subpoena or to answer questions propounded by the administrative law judge and upon reasonable notice to all persons affected thereby, the director may apply to the superior court for an order compelling compliance.

(4) The administrative law judges appointed under chapter 34.12 RCW may conduct hearings respecting the suspension, revocation, or denial of licenses, may administer oaths, admit or deny admission of evidence, compel the attendance of witnesses, issue subpoenas, issue orders, and exercise all other powers and perform all other functions set out in chapter 34.05 RCW (34.04.090 (6) and (8), 34.04.100, and 34.04.105).

No cemetery authority whose prearrangement sales license has been suspended, revoked, or refused shall be authorized to enter into prearrangement contracts. Any prearrangement sale by an unlicensed cemetery authority shall be voidable by the purchaser who shall be entitled to a full refund.

Sec. 125. Section 8, chapter 144, Laws of 1955 as amended by section 71, chapter 141, Laws of 1979 and RCW 69.30.080 are each amended to read as follows:

((Any order issued by)) The department ((which denies or revokes)) may deny, revoke, suspend, or modify a certificate of approval ((for a shellfish-growing area or establishment shall be in writing and shall contain a statement of the grounds upon which said denial or revocation is based. A copy of the department's order shall be sent by registered mail to the person whose name appears on the certificate of approval or application therefor: Said order shall become final fifteen days after the date of mailing, provided the person aggrieved by such order does not, within ten days of the date of mailing of such order, apply in writing to the secretary for a fair hearing. Upon such application, the department shall fix a time for such hearing and shall give the person aggrieved a notice of the time fixed for such a hearing. The procedure governing hearings authorized by this section shall be in accordance with rules promulgated by the state board of health. (c) The availability of less costly or more effective alternative methods of providing such services;

(d) The financial feasibility and the probable impact of the proposal on the cost of and charges for providing health services in the community to be served, including findings and recommendations of the Washington state hospital commission in the case of applications submitted by hospitals. An application by a hospital shall be denied if the state hospital commission does not recommend approval, unless the secretary provides the commission with a written statement setting forth the reason or reasons, and citing the applicable subsection or subsections of this section, for approving an application that the commission has determined to be not feasible;

(e) In the case of health services to be provided, (i) the availability of alternative uses of project resources for the provision of other health services, (ii) the extent to which such proposed services will be accessible to all residents of the area to be served, and (iii) the need for and the availability in the community of services and facilities for osteopathic and allopathic physicians and their patients. The department shall consider the application in terms of its impact on existing and proposed institutional training programs for doctors of osteopathy and medicine at the student, internship, and residency training levels;

(j) In the case of existing services or facilities, the quality of care provided by such services or facilities in the past; and

(k) In the case of hospital certificate of need applications, whether the hospital meets or exceeds the regional average level of charity care, as determined by the hospital commission.

(3) A certificate of need application of a health maintenance organization or a health care facility which is controlled, directly or indirectly, by a health maintenance organization, shall be approved by the department if the department finds:

(b) The health maintenance organization is unable to provide, through services or facilities which can reasonably be expected to be available to the organization, its institutional health services in a reasonable and cost-effective manner which is consistent with the basic method of operation of the organization and which makes such services available on a long-term basis through physicians and other health professionals associated with it.

A health care facility (or any part thereof) or medical equipment with respect to which a certificate of need was issued under this subsection may not be sold or leased and a controlling interest in such facility or equipment or in a lease of such facility or equipment may not be acquired unless the department issues a certificate of need approving the sale, acquisition, or lease.

Applicants may decline to submit requested information through written notice to the department, in
which case review starts on the date of receipt of the notice. Applications may be denied or limited because of failure to submit required and necessary information.

(7) Concurrent review is for the purpose of comparative analysis and evaluation of competing or similar projects in order to determine which of the projects may best meet identified needs. Categories of projects subject to concurrent review include at least new health care facilities, new services, and expansion of existing health care facilities. The department shall specify time periods for the submission of applications for certificates of need subject to concurrent review, which shall not exceed ninety days. Review of concurrent applications shall start fifteen days after the conclusion of the time period for submission of applications subject to concurrent review. Concurrent review periods shall be limited to one hundred fifty days, except as provided for in rules adopted by the department authorizing and limiting amendment during the course of the review, or for an unresolved pivotal issue declared by the department.

(8) Review periods for certificate of need applications other than those subject to concurrent review shall be limited to ninety days. Review periods may be extended up to thirty days if needed by a review agency, and for unresolved pivotal issues the department may extend up to an additional thirty days. A review may be extended in any case if the applicant agrees to the extension.

(9) The department or a designated regional health council shall conduct a public hearing on a certificate of need application if requested unless the review is expedited or subject to emergency review. (c) Establish reasonable deadlines and time periods for activities under this subsection; and

(d) Ensure that agreements providing for voluntary cleanups attain the cleanup levels required under RCW 70.105B.060.

(3) Where the department and one or more potentially liable persons are unable to reach agreement for remedial action that will provide a final cleanup remedy, the persons may submit a final offer of a proposed settlement agreement, together with any material supporting the proposal. The department shall consider the offer and material submitted, as well as public comments provided on the offer, and shall issue a decision accepting or rejecting the offer. Where the department accepts the offer, it shall be entered as a consent decree pursuant to the procedures of subsection (5) of this section. Where the department rejects the offer, it shall state in writing its reasons for rejection. This review process shall not be considered (a

(5) Where the department and potentially liable persons reach an agreement providing for voluntary remedial action, it shall be filed with the appropriate superior court as a proposed consent decree. The court shall allow at least thirty days for public comments before the proposed decree is entered, and the department shall file with the court any written comments received on the proposed decree.

(6) A person who has resolved its liability to the state under this section is not liable for claims for contribution regarding matters addressed in the settlement. The settlement does not discharge any of the other potentially liable persons, but it reduces the total potential liability of the others to the state by the amount of the settlement.

(7) The director may enter into a settlement agreement that requires the department to provide a specified amount of money from the state toxics control account to help defray the costs of implementing the plan. These funds may be provided only in circumstances where the director finds it would expedite or enhance cleanup operations or achieve greater fairness with respect to the payment of remedial action costs. In determining whether public funding will achieve greater fairness, the director shall consider the extent to which public funding will prevent or mitigate economic hardship. The director shall adopt rules providing criteria and priorities governing public funding of remedial action costs under this subsection. The amount of public funding in an agreement under this section shall be determined solely in the discretion of the director and is not subject to review. The department may recover the amount of public funding provided under this subsection from a potentially liable person who has not entered into a settlement agreement under this section or fulfilled all obligations under the agreement. For purposes of such a recovery action, the amount shall be considered as remedial action costs paid by the department.

(3) Within fourteen days after the notice is received, the person incurring the penalty may apply in writing to the department for the remission or mitigation of such penalty. Upon receipt of the application, the department may remit or mitigate the penalty upon whatever terms the department in its discretion deems proper, giving consideration to the degree of hazard associated with the violation, provided the department deems such remission or mitigation to be in the best interests of carrying out the purposes of this chapter. The department shall have authority to ascertain the facts regarding all such applications in such reasonable manner as it may deem proper. When an application for remission on mitigation is made, a penalty incurred under this section is due twenty-eight days after receipt of the notice setting forth the disposition of the application, unless an application for an adjudicative proceeding to contest the disposition is filed as provided in subsection (4) of this section.

(4) Within twenty-eight days after notice is received, the person incurring the penalty may file an application for an adjudicative proceeding and may pursue subsequent review as provided in chapter 34.05 RCW and applicable rules of the department or board of health.

When such an application for remission or mitigation is made, any penalty incurred pursuant to this section shall become due and payable thirty days after receipt of notice setting forth the disposition of such application. Any penalty resulting from a decision of the office of administrative hearings shall become due and payable thirty days after receipt of the notice setting forth the decision.
(4) If the amount of any penalty is not paid within thirty days after it becomes due and payable, a final order after an adjudicative proceeding is due upon service of the final order.

(6) The attorney general may bring an action in the name of the department in the superior court of Thurston county, or of any county in which such violator may do business, to collect a penalty. In all such actions, the procedure and rules of evidence shall be the same as an ordinary civil action except as otherwise in this chapter provided:

(5) All penalties imposed under this section shall be payable to the state treasury and credited to the general fund.

Sec. 136. Section 4, chapter 244, Laws of 1986 and RCW 70.150.040 are each amended to read as follows:

The legislative authority of a public body may secure services by means of an agreement with a service provider. Such an agreement may obligate a service provider to design, finance, construct, own, operate, or maintain water pollution control facilities by which services are provided to the public body. Service agreements and related agreements under this chapter shall be entered into in accordance with the following procedure:

(1) The legislative authority of the public body shall publish notice that it is seeking to secure certain specified services by means of entering into an agreement with a service provider. The notice shall be published in the official newspaper of the public body, or if there is no official newspaper then in a newspaper in general circulation within the boundaries of the public body, at least once each week for two consecutive weeks. The final notice shall appear not less than sixty days before the date for submission of proposals. The notice shall state (a) the nature of the services needed, (b) the location in the public body's offices where the requirements and standards for construction, operation, or maintenance of projects needed as part of the services are available for inspection, and (c) the final date for the submission of proposals. The legislative authority may undertake a prequalification process by the same procedure set forth in this subsection.

(2) The request for proposals shall (a) indicate the time and place responses are due, (b) include evaluation criteria to be considered in selecting a service provider, (c) specify minimum requirements or other limitations applying to selection, (d) insofar as practicable, set forth terms and provisions to be included in the service agreement, and (e) require the service provider to demonstrate in its proposal that a public body's annual costs will be lower under its proposal than they would be if the public body financed, constructed, owned, operated, and maintained facilities required for service.

(3) The criteria set forth in the request for proposals shall be those determined to be relevant by the legislative authority of the public body,
which may include but shall not be limited to: The respondent's prior experience, including design, construction, or operation of other similar facilities; respondent's management capability, schedule availability, and financial resources; cost of the service; nature of facility design proposed by respondents; system reliability; performance standards required for the facilities; compatibility with existing service facilities operated by the public body or other providers of service to the public body; project performance warranties; penalty and other enforcement provisions; environmental protection measures to be used; and allocation of project risks. The legislative authority shall designate persons or entities (a) to assist it in issuing the request for proposals to ensure that proposals will be responsive to its needs, and (b) to assist it in evaluating the proposals received. The designee shall not be a member of the legislative authority.

These chosen respondents shall be referred to as the selected respondents in this section. The designee shall conduct a bidder's conference to include all these selected respondents to assure a full understanding of the proposals. The bidder's conference shall also allow the designee to make these selected respondents aware of any changes in the request for proposal. Any information related to revisions in the request for proposal shall be made available to all these selected respondents. Any selected respondent shall be accorded a reasonable opportunity for revision of its proposal prior to commencement of the negotiation provided in subsection (5) of this section, for the purpose of obtaining best and final proposals.

(5) After such conference is held, the designee may negotiate with the selected respondent whose proposal it determines to be the most advantageous to the public body, considering the criteria set forth in the request for proposals. If the negotiation is unsuccessful, the legislative authority may authorize the designee to commence negotiations with any other selected respondent. On completion of this process, the designee shall report to the legislative authority on his or her recommendations and the reasons for them.

(6) Any person aggrieved by the legislative authority's approval of a contract may appeal the determination to an appeals board selected by the public body, which shall consist of not less than three persons determined by the legislative authority to be qualified for such purposes. Such board shall promptly hear and determine whether the public body entered into the agreement in accordance with this chapter and other applicable law. The hearing shall be conducted in the same manner as ((a contested case under

(11) Each service agreement shall include project performance bonds or other security by the service provider which in the judgment of the public body is sufficient to secure adequate performance by the service provider.

(b) The alternative service is appropriate under the goals and objectives of the person's individual service plan;

(c) The alternative service is not in violation of applicable state and federal law; and

(2) Whenever the secretary shall have reasonable cause to believe that grounds for denial, suspension or revocation of a license exist or that a licensee has failed to qualify for renewal of a license he shall notify the licensee in writing by certified mail, stating the grounds upon which it is proposed that the license be denied, suspended, revoked or not renewed:

Within thirty days from the receipt of notice of the grounds for denial, suspension, revocation or lack of renewal, the licensee may serve upon the secretary a written request for hearing. Service of a request for hearing shall be made by certified mail. Upon receiving a request for hearing, the secretary shall fix a date upon which the matter may be heard: If no request for hearing is made within the time specified, the license shall be deemed denied, suspended, revoked or not renewed. (1) The secretary may, in the absence of a superior court order, serve on the responsible parent or parents a notice and finding of financial responsibility requiring a responsible parent or parents to appear and show cause in ((a hearing held by the department)) an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future for such period of time as the child or children of said responsible parent or parents are in need. from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the debtor and is unable to do so the entire sixty-day period is tolled until such time as the debtor can be located. Any responsible parent who objects to all or any part of the notice and finding shall have the right for not more than twenty days from the date of service to ((request in writing a hearing, which request)) file an application for an adjudicative proceeding. The application shall be served upon the department by registered or certified mail or personally. If no such ((request)) application is made, the notice and finding of responsibility shall become final, and the debt created therein shall be subject to collection action as authorized under this chapter. If a timely ((request)) application is made, the execution of notice and finding of responsibility shall be stayed pending the ((decision on such hearing)) entry of the final administrative order. If no timely written ((request for a hearing)) application has previously been made, the responsible parent may petition the secretary or the secretary's designee at any time for ((a hearing)) an adjudicative proceeding as provided for in this section upon a showing of good cause for the failure to make a timely ((request for hearing)) application. The filing of the petition for ((a hearing)) an adjudicative proceeding after the twenty-day period shall not affect any collection action previously taken under this chapter. The granting of ((a request for the hearing shall)) an application after the twenty-day period operates as a stay on any future collection action, pending ((the final decision of the secretary or the secretary's designee on the hearing)) entry of the final administrative order. Moneys withheld as a result of collection action in effect at the time of the granting of the ((request for the hearing)) application after the twenty-day period shall be delivered to the department and shall be held in trust by the department pending ((the final order of the secretary or during the pendency of any appeal to the courts made under chapter 34.04 RCW)) entry of the final administrative order. The department may petition the ((administrative law judge)) presiding or reviewing officer to set temporary current and future support to be paid beginning with the month in which the ((petition for an untimely hearing)) application after the twenty-day period is granted. The ((administrative law judge)) presiding or reviewing officer shall order payment of temporary current and future support if appropriate in an amount determined pursuant to the child support schedule adopted under RCW 26.19.040. In the event the responsible parent does not make payment of the temporary current and future support as ordered by the ((hearing examiner)) presiding or reviewing officer, the department may take collection action pursuant to chapter 74.20A RCW during the pendency of the ((hearing)) adjudicative proceeding or thereafter
to collect any amounts owing under the order. Temporary current and future support paid, or collected, during the pendency of the \((\text{hearing or appeal})\) adjudicative proceeding shall be disbursed to the custodial parent or as otherwise appropriate when received by the department. If the final \((\text{decision of the department, or of the courts on appeal;})\) administrative order is that the department has collected from the responsible parent other than temporary current or future support, an amount greater than such parent’s past support debt, the department shall promptly refund any such excess amount to such parent.

(3) Hearings may be held in the county of residence or other place convenient to the responsible parent. \((\text{Any such hearing shall be a \"contested case\" as defined in RCW 34.04.010:})\) The notice and finding of financial responsibility shall set forth the amount the department has determined the responsible parent owes, the support debt accrued and/or accruing, and periodic payments to be made in the future for such period of time as the child or children of the responsible parent are in need, all computable on the basis of the need alleged. The notice and finding shall also include a statement of the name of the recipient or custodian and the name of the child or children for whom need is alleged; and/or a statement of the amount of periodic future support payments as to which financial responsibility is alleged.

(4) The notice and finding shall include a statement that the responsible parent may object to all or any part of the notice and finding, and \((\text{request a hearing})\) file an application for an adjudicative proceeding to show cause why said responsible parent should not be determined to be liable for any or all of the debt, past and future.

The notice and finding shall include a statement that, if the responsible parent fails in timely fashion to \((\text{request a hearing})\) file an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt shall be subject to collection action; a statement that the property of the debtor, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, or order to withhold and deliver to satisfy the debt.

(5) If \((\text{a hearing is requested, it shall be promptly scheduled, in no more than thirty days. The hearing, including a hearing on prospective modification, shall be conducted by an administrative law judge appointed under chapter 34.12 RCW:})\)

After evidence has been presented at hearings conducted by the administrative law judge, the administrative law judge shall enter an initial decision and order which shall be in writing and shall contain findings and conclusions as to each contested issue of fact and law, as well as the order based thereon. The administrative law judge shall file the original of the
initial decision and order, signed by the administrative law judge, with the secretary or the secretary's designee. Copies of the initial decision and order shall be mailed by the administrative law judge to the department and to the appellant by certified mail to the last known address of each party. Within thirty days of filing, either the appellant or the department may file with the secretary or the secretary's designee a written petition for review of the initial decision and order. The petition for review shall set forth in detail the basis for the requested review and shall be mailed by the petitioning party to the other party by certified or registered mail to the last known address of the party.

The petition shall be based on any of the following causes materially affecting the substantial rights of the petitioner:

(a) Irregularity in the proceedings of the administrative law judge or adverse party, or any order of the administrative law judge, or abuse of discretion, by which the moving party was prevented from having a fair hearing;

(b) Misconduct of the prevailing party;

(c) Accident or surprise which ordinary prudence could not have guarded against;

(d) Newly discovered evidence, material for the party making the application, which the party could not with reasonable diligence have discovered and produced at the hearing;

(e) That there is no evidence or reasonable inference from the evidence to justify the decision, or that it is contrary to law;

(f) Error in mathematical computation;

(g) Error in law occurring at the hearing and objected to at the time by the party making the application;

(h) That the moving party is unable to perform according to the terms of the order without further clarification;

(i) That substantial justice has not been done;

(j) Fraud or misstatement of facts by any witness, which materially affects the debt;

(k) Clerical mistakes in the decision arising from oversight or omission;

or

(l) That the decision and order entered because the responsible parent failed to appear at the hearing should be vacated and the matter be remanded for a hearing upon showing of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60.

In the event no petition for review is made as provided in this subsection by any party, the initial decision and order of the administrative law judge is final as of the date of filing and becomes the decision and order of the secretary. No appeal may be taken therefrom to the courts and the debt created is subject to collection action as authorized by this chapter.
After the receipt of a petition for review, the secretary or the secretary's designee shall consider the initial decision and order, the petition or petitions for review, the record or any part thereof, and such additional evidence and argument as the secretary or the secretary's designee may in his or her discretion allow. The secretary or the secretary's designee may remand the proceedings to the administrative law judge for additional evidence or argument. The secretary or the secretary's designee may deny review of the initial decision and order and thereupon deny the petition or petitions at which time the initial decision and order shall be final as of the date of the denial and all parties shall forthwith be notified, in writing, of the denial, by certified mail to the last known address of the parties. Unless the petition is denied, the secretary or the secretary's designee shall review the initial decision and order and shall make the final decision and order of the department. The final decision and order shall be in writing and shall contain findings of fact and conclusions of law as to each contested issue of fact and law. A copy of the decision and order, including the findings and conclusions, shall be mailed to each party to the appeal by certified mail to the last known address of the party. The decision and order shall authorize collection action, as appropriate, under this chapter.

(6) The administrative law judge in his or her initial decision, or the secretary or the secretary's designee in review of the initial decision,) an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the alleged responsible parent and shall also determine the amount of periodic payments to be made in the future, which amount is not limited by the amount of any public assistance payment made to or for the benefit of the child. If deviating from the child support schedule adopted under RCW 26.19.040 in making these determinations, the ((administrative law judge, and the secretary or the secretary's designee,)) presiding or reviewing officer shall comply with RCW 26.19.020 (4), (5), and (6).

If the responsible parent fails to ((appear at)) attend or participate in the hearing or other stage of an adjudicative proceeding, upon a showing of valid service, the ((administrative law judge)) presiding officer shall enter an initial decision and order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action. ((Within thirty days of entry of said decision and order, the responsible parent may petition the secretary or the secretary's designee to vacate said decision and order upon a showing of any of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60:

(7)) (6) The final ((decision entered pursuant to this section shall be entered as a decision and)) order ((and shall limit the support debt to the amounts stated in said decision. PROVIDED, That said decision)) establishing liability and/or future periodic support payments shall be superseded
upon entry of a superior court order for support to the extent the superior
court order is inconsistent with the (hearing) administrative order (or
decision): PROVIDED (FURTHER), That in the absence of a superior
court order, either the responsible parent or the department may petition
the secretary or his designee for issuance of an order to appear and show
cause based on a showing of good cause and material change of circum-
stances, to require the other party to appear and show cause why the (decision)
order previously entered should not be prospectively modified. Said
order to appear and show cause together with a copy of the petition and af-
fidavit upon which the order is based shall be served in the manner of a
summons in a civil action or by certified mail, return receipt requested, on
the other party by the petitioning party. (A hearing shall be set not less
than fifteen nor more than thirty days from the date of service, unless ex-
tended for good cause shown.) Prospective modification may be ordered,
but only upon a showing of good cause and material change of circum-
stances. (The decision and order for prospective modification entered by
the administrative law judge shall be an initial decision subject to review by
the secretary or the secretary's designee as provided for in this section:
}(7)) (7) The (administrative law judge, in making the initial decision
and the secretary or the secretary's designee in the final decision determin-
ing liability and/or future periodic support payments,) presiding or re-
viewing officer shall order support payments under the child support
schedule adopted under RCW 26.19.040.
}(9)) (8) Debts determined pursuant to this section, accrued and not
paid, are subject to collection action under this chapter without further ne-
cessity of action by (the administrative law judge, or the secretary or sec-
retary's designee) a presiding or reviewing officer.
}(10)) (9) "Need" as used in this section shall mean the necessary
costs of food, clothing, shelter, and medical attendance for the support of a
dependent child or children. The amount determined by reference to the
child support schedule adopted under RCW 26.19.040, shall be a rebuttable
presumption of the alleged responsible parent's ability to pay and the need
of the family: PROVIDED, That such responsible parent shall be presumed
to have no ability to pay child support under this chapter from any income
received from aid to families with dependent children, supplemental security
income, or continuing general assistance.

Sec. 153. Section 6, chapter 164, Laws of 1971 ex. sess. as last
amended by section 5, chapter 171, Laws of 1979 ex. sess. and RCW 74-
.20A.060 are each amended to read as follows:

Twenty-one days after receipt or refusal of notice of debt under provi-
sions of RCW 74.20A.040, or twenty-one days after service of notice and
finding of financial responsibility, or as otherwise appropriate under RCW
74.20A.055, or as appropriate under RCW 74.20A.270 a lien may be as-
serted by the secretary upon the real or personal property of the debtor. The
claim of the department for a support debt, not paid when due, shall be a lien against all property of the debtor with priority of a secured creditor. This lien shall be separate and apart from, and in addition to, any other lien created by, or provided for, in this title. The lien shall attach to all real and personal property of the debtor on the date of filing of such statement with the county auditor of the county in which such property is located. A lien against earnings shall attach and be effective subject to service requirements of RCW 74.20A.070 upon filing with the county auditor of the county in which the employer does business or maintains an office or agent for the purpose of doing business.

Whenever a support lien has been filed and there is in the possession of any person, firm, corporation, association, political subdivision or department of the state having notice of said lien any property which may be subject to the support lien, such property shall not be paid over, released, sold, transferred, encumbered or conveyed, except as provided for by the exemptions contained in RCW 74.20A.090 and 74.20A.130, unless a written release or waiver signed by the secretary has been delivered to said person, firm, corporation, association, political subdivision or department of the state or unless a determination has been made in (a fair hearing) an adjudicative proceeding pursuant to RCW 74.20A.055 or by a superior court ordering release of said support lien on the basis that no debt exists or that the debt has been satisfied.

Sec. 154. Section 8, chapter 164, Laws of 1971 ex. sess. as last amended by section 6, chapter 276, Laws of 1985 and RCW 74.20A.080 are each amended to read as follows:

Twenty-one days after service of a notice of debt as provided for in RCW 74.20A.040, or twenty-one days after service of the notice and finding of financial responsibility or as otherwise appropriate under RCW 74.20A.055, or as appropriate under RCW 74.20A.270, the secretary is hereby authorized to issue to any person, firm, corporation, association, political subdivision, or department of the state, an order to withhold and deliver property of any kind including, but not restricted to, earnings which are due, owing, or belonging to the debtor, when the secretary has reason to believe that there is in the possession of such person, firm, corporation, association, political subdivision, or department of the state property which is due, owing, or belonging to said debtor. The order to withhold and deliver shall state the amount of the support debt accrued, and shall state in summary the terms of RCW 74.20A.090 and 74.20A.100. The order to withhold and deliver shall be served in the manner prescribed for the service of a summons in a civil action or by certified mail, return receipt requested. Any person, firm, corporation, association, political subdivision, or department of the state upon whom service has been made is hereby required to answer said order to withhold and deliver within twenty days, exclusive of the day of service, under oath and in writing, and shall make true answers to the
matters inquired of therein. The secretary may require further and additional answers to be completed by the person, firm, corporation, association, political subdivision, or department of the state. In the event there is in the possession of any such person, firm, corporation, association, political subdivision, or department of the state any property which may be subject to the claim of the department of social and health services, such property shall be withheld immediately upon receipt of the order to withhold and deliver and shall, after the twenty day period, upon demand, be delivered forthwith to the secretary. The secretary shall hold said property in trust for application on the indebtedness involved or for return, without interest, in accordance with final determination of liability or nonliability. In the alternative, there may be furnished to the secretary a good and sufficient bond, satisfactory to the secretary, conditioned upon final determination of liability. Where money is due and owing under any contract of employment, express or implied, or is held by any person, firm, corporation, or association, political subdivision, or department of the state subject to withdrawal by the debtor, such money shall be delivered by remittance payable to the order of the secretary. Delivery to the secretary of the money or other property held or claimed shall satisfy the requirement of the order to withhold and deliver. Delivery to the secretary shall serve as full acquittance and the state warrants and represents that it shall defend and hold harmless for such actions persons delivering money or property to the secretary pursuant to this chapter. The state also warrants and represents that it shall defend and hold harmless for such actions persons withholding money or property pursuant to this chapter. The foregoing is subject to the exemptions contained in RCW 74.20A.090.

The secretary shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed by certified mail a copy of the order to withhold and deliver to the debtor at the debtor's last known post office address, or, in the alternative, a copy of the order to withhold and deliver shall be served on the debtor in the same manner as a summons in a civil action on or before the date of service of the order or within two days thereafter. The copy of the order shall be mailed or served together with a concise explanation of the right to petition for ((a hearing)) judicial review. This requirement is not jurisdictional, but, if the copy is not mailed or served as in this section provided, or if any irregularity appears with respect to the mailing or service, the superior court, in its discretion on motion of the debtor promptly made and supported by affidavit showing that the debtor has suffered substantial injury due to the failure to mail the copy, may set aside the order to withhold and deliver and award to the debtor an amount equal to the damages resulting from the secretary's failure to serve on or mail to the debtor the copy.
An order to withhold and deliver issued in accordance with this section has priority over any other wage assignment or garnishment, except for another wage assignment or garnishment for support moneys.

Any person, firm, corporation, association, or political subdivision or department of the state required to withhold and deliver the earnings of a debtor under this action may deduct a processing fee from the remainder of the debtor's earnings, even if the remainder would otherwise be exempt under RCW 74.20A.090. The processing fee shall not exceed ten dollars for the first disbursement to the department and one dollar for each subsequent disbursement under the order to withhold and deliver.

Sec. 155. Section 12, chapter 164, Laws of 1971 ex. sess. as amended by section 3, chapter 41, Laws of 1983 1st ex. sess. and RCW 74.20A.120 are each amended to read as follows:

In the case of a bank, bank association, mutual savings bank, or savings and loan association maintaining branch offices, service of a lien or order to withhold and deliver or any other notice or document authorized by this chapter shall only be effective as to the accounts, credits, or other personal property of the debtor in the particular branch upon which service is made.

If the department initiates collection action under this chapter against a community bank account, the debtor or the debtor's spouse, upon service on the department of a timely ((request, shall have)) application, has a right to ((a contested hearing under)) an adjudicative proceeding governed by chapter ((34:04)) 34.05 RCW, the Administrative Procedure Act, to establish that the funds in the account, or a portion of those funds, were the earnings of the nonobligated spouse, and are exempt from the satisfaction of the child support obligation of the debtor pursuant to RCW 26.16.200.

Sec. 156. Section 18, chapter 171, Laws of 1979 ex. sess. as last amended by section 14, chapter 276, Laws of 1985 and RCW 74.20A.270 are each amended to read as follows:

The secretary may issue a notice of support debt to any person, firm, corporation, association, or political subdivision of the state of Washington or any officer or agent thereof who has violated RCW 74.20A.100, who is in possession of support moneys, or who has had support moneys in his or her possession at some time in the past, which support moneys were or are claimed by the department as the property of the department by assignment, subrogation, or by operation of law or legal process under chapter 74.20A RCW, if the support moneys have not been remitted to the department as required by law.

The notice shall describe the claim of the department, stating the legal basis for the claim and shall provide sufficient detail to enable the person, firm, corporation, association, or political subdivision or officer or agent thereof upon whom service is made to identify the support moneys in issue or the specific violation of RCW 74.20A.100 that has occurred. The notice
may also make inquiry as to relevant facts necessary to the resolution of the issue.

The notice may be served by certified mail, return receipt requested, or in the manner of a summons in a civil action. Upon service of the notice all moneys not yet disbursed or spent or like moneys to be received in the future are deemed to be impounded and shall be held in trust pending answer to the notice and any ((hearing which is requested)) adjudicative proceeding.

The notice shall be answered under oath and in writing within twenty days of the date of service, which answer shall include true answers to the matters inquired of in the notice. The answer shall also either acknowledge the department's right to the moneys or ([(request an administrative hearing)] application for an adjudicative proceeding to contest the allegation that RCW 74.20A.100 has been violated, or determine the rights to ownership of the support moneys in issue. The hearing shall be held pursuant to this section, chapter ((3404)) 34.05 RCW, the Administrative Procedure Act, and the rules of the department ([(and shall be a contested case as provided for in chapter 34.04 RCW)])). The burden of proof to establish ownership of the support moneys claimed, including but not limited to moneys not yet disbursed or spent, is on the department.

If no answer is made within the twenty days, the department's claim shall be assessed and determined and subject to collection action as a support debt pursuant to chapter 74.20A RCW. Any such debtor may, at any time within one year from the date of service of the notice of support debt, petition the secretary or the secretary's designee for ((a hearing)) an adjudicative proceeding upon a showing of any of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60. A copy of the petition shall also be served on the department. The filing of the petition shall not stay any collection action being taken, but the debtor may petition the secretary or the secretary's designee for an order staying collection action pending ((final decision of the secretary or the secretary's designee or the courts on any appeal made pursuant to chapter 34.04 RCW)) the final administrative order. Any moneys held and/or taken by collection action prior to the date of any such stay and any support moneys claimed by the department, including moneys to be received in the future to which the department may have a claim, shall be held in trust pending the final ((decision and appeal; if any)) order, to be disbursed in accordance with the final ((decision)) order. The secretary or the secretary's designee shall condition the stay to provide for the trust.

If the ((hearing)) petition is granted ((it shall be an administrative hearing)) the issue in the proceeding is limited to the determination of the ownership of the moneys claimed in the notice of debt. The right to ((the hearing)) an adjudicative proceeding is conditioned upon holding of any funds not yet disbursed or expended or to be received in the future in trust.
pending the final order in these proceedings ((or during any appeal made to the courts)). The ((secretary or the secretary's designee)) presiding or reviewing officer shall enter an appropriate order providing for the terms of the trust.

((The hearing shall be a contested case as provided for in chapter 34.04 RCW and shall be held pursuant to this section, chapter 34.04 RCW, and the rules of the department. The hearing shall be promptly scheduled within thirty days from the date of receipt of the answer by the department. The hearing shall be conducted by a duly qualified hearing examiner appointed for that purpose. Hearings may be held in the county of residence of the debtor or other place convenient to the debtor.))

If the debtor fails to ((appear at)) attend or participate in the hearing or other stage of an adjudicative proceeding, the ((hearing examiner)) presiding officer shall, upon showing of valid service, enter an ((initial decision)) order declaring the amount of support moneys, as claimed in the notice, to be assessed and determined and subject to collection action. ((Within thirty days of entry of the decision and order the debtor may petition the secretary or the secretary's designee to vacate the decision and order upon a showing of any of the grounds enumerated in RCW 4.72.010 or superior court civil rule 60;))

The hearing and review process shall be as provided for in RCW 74.20A.055;)

If, at any time, the superior court enters judgment for an amount of debt at variance with the amount determined by the final order in ((these proceedings)) an adjudicative proceeding, the judgment shall supersede the final administrative order ((in these proceedings)). Any debt determined by the superior court in excess of the amount determined by the final administrative order ((in these proceedings)) shall be the property of the department as assigned under 42 U.S.C. 602A(26)(a), RCW 74.20.040, 74.20A.250, 74.20.320, or 74.20.330. The department may, despite any final administrative order ((in these proceedings)), take action pursuant to chapter((s)) 74.20 or 74.20A RCW to obtain such a judgment or to collect moneys determined by such a judgment to be due and owing.

If public assistance moneys have been paid to a parent for the benefit of that parent's minor dependent children, debt under this chapter shall not be incurred by nor at any time be collected from that parent because of that payment of assistance. Nothing in this section prohibits or limits the department from acting pursuant to RCW 74.20.320 and this section to assess a debt against a recipient or ex-recipient for receipt of support moneys paid in satisfaction of the debt assigned under RCW 74.20.330 which have been assigned to the department but were received by a recipient or ex-recipient from another responsible parent and not remitted to the department. To collect these wrongfully retained funds from the recipient, the department may not take collection action in excess of ten percent of the grant payment.
standard during any month the public assistance recipient remains in that status unless required by federal law. Payments not credited against the department's debt pursuant to RCW 74.20.101 may not be assessed or collected under this section.

Sec. 157. Section 21, chapter 171, Laws of 1979 ex. sess. and RCW 74.20A.290 are each amended to read as follows:

Whenever any person ((requests an administrative hearing)) files an application for an adjudicative proceeding under RCW 74.20A.055 or 74.20A.270, after the department has notified the person of the requirements of this section, it shall be the responsibility of the person to notify the department of the person's mailing address at the time the ((request for hearing)) application for an adjudicative proceeding is made and also to notify the department of any subsequent change of mailing address during the pendency of the ((action)) administrative proceeding and any ((appeal made therefrom to the courts)) judicial review. Whenever the person has a duty under this section to advise the department of the person's mailing address, mailing by the department by certified mail to the person's last known address constitutes service as required by chapters 74.20A and ((34.04)) 34.05 RCW.

Sec. 158. Section 10, chapter 434, Laws of 1987 and RCW 74.21.100 are each amended to read as follows:

The executive committee shall direct the department of social and health services and the employment security department to adopt rules providing due process of law protections to applicants for and recipients of family independence program benefits. The requirements shall confer protections no less than those which the federal statutes and regulations confer on participants in the food stamp, aid to families with dependent children, and work incentive programs. The protections shall include, but are not limited to, the following:

(1) The departments shall provide adequate advance written notice to applicants or enrollees of any agency action to deny, award, reduce, terminate, increase, or suspend benefits or to change the manner or form of payment or of any agency action requiring the enrollee to take any action. Adequate notice includes a statement of what action the agency intends to take, the reasons for the intended agency action, the specific rules supporting the action, an explanation of the individual's right to ((request)) file an ((administrative fair hearing)) application for an adjudicative proceeding, how to ((request one)) file an application, and the circumstances under which assistance is continued pending ((such a hearing if requested)) the adjudicative proceeding if an application for one is filed.

(2) Advance notice must be mailed to enrollees at least ten days prior to the date on which the proposed action would become effective.
(3) An applicant or enrollee aggrieved by an action or decision of the departments, including requiring or denying participation in a work, training, or education activity, has the right to ((request a fair hearing to be conducted by the office of administrative hearings in accordance with)) file an application for an adjudicative proceeding under RCW 74.08.080 and chapters 34.05 and 34.12 ((and 34.04)) RCW. The aggrieved person is entitled to all fair hearing rights ((provided under RCW 74.08.070)) and to the right of judicial review therefrom as provided in RCW 74.08.080.

(4) When an enrollee ((requests a hearing)) files an application for an adjudicative proceeding during the advance notice period, the departments shall not implement the challenged action until a written ((decision)) adjudicative order is rendered after a hearing. The advance notice period is the period prior to the effective date of the proposed action or ten days from the date of adequate written notice, whichever is later. Any assistance received pending a hearing or ((decision)) adjudicative order may be considered to be an overpayment if the ((decision)) adjudicative order is against the enrollee.

(5) Financial, food stamp, and medical assistance shall be furnished to eligible individuals in a timely manner and shall be continued regularly to all eligible individuals until they are found to be ineligible. Applications should be disposed of as soon as possible in accordance with 7 C.F.R. Sec. 273.2 (g) and (i) and 45 C.F.R. Sec. 206.10 and no later than thirty days from the date of application unless good cause applies. Prior to denial or termination of family independence program cash or noncash benefits, each family's eligibility for financial assistance, medical assistance, and food stamp benefits shall be determined.

Sec. 159. Section 78, chapter 177, Laws of 1980 as amended by section 40, chapter 67, Laws of 1983 1st ex. sess. and RCW 74.46.780 are each amended to read as follows:

(1) Within ((thirty)) twenty-eight days after a contractor is notified of an action or determination it wishes to challenge, the contractor shall request in writing that the secretary review such determination. The request shall be signed by the contractor or the licensed administrator of the facility, shall identify the challenged determination and the date thereof, and shall state as specifically as practicable the grounds for its contention that the determination was erroneous. Copies of any documentation on which the contractor intends to rely to support its position shall be included with the request.

(2) After receiving a request meeting the above criteria, the secretary or his designee will contact the contractor to schedule a conference for the earliest mutually convenient time. The conference shall be scheduled for no later than ninety days after a properly completed request is received unless both parties agree in writing to a specified later date.

[ 892 ]
(3) The contractor and appropriate representatives of the department shall attend the conference. In addition, representatives selected by the contractor may attend and participate. The contractor shall provide to the department in advance of the conference any documentation on which it intends to rely to support its contentions. The parties shall clarify and attempt to resolve the issues at the conference. If additional documentation is needed to resolve the issues, a second session of the conference shall be scheduled for not later than ((thirty)) twenty-eight days after the initial session unless both parties agree in writing to a specific later date.

(4) A written decision by the secretary will be furnished to the contractor within sixty days after the conclusion of the conference.

(5) If the contractor desires review of an adverse decision of the secretary, it shall within ((thirty)) twenty-eight days following receipt of such decision ((request a fair hearing in writing in accordance with the provisions of chapter 34.04 RCW. A request for fair hearing shall satisfy the criteria for a review request as set forth in subsection (1) of this section)) file a written application for an adjudicative proceeding. The proceeding is governed by chapter 34.05 RCW, the Administrative Procedure Act.

Sec. 160. Section 4, chapter 173, Laws of 1986 as last amended by section 3, chapter 272, Laws of 1988 and RCW 75.20.130 are each amended to read as follows:

(1) There is hereby created within the environmental hearings office under RCW 43.21B.005 the hydraulic appeals board of the state of Washington.

(2) The hydraulic appeals board shall consist of three members: The director of the department of ecology or the director's designee, the director of the department of agriculture or the director's designee, and the director or the director's designee of the department whose action is appealed under subsection (6) of this section. A decision must be agreed to by at least two members of the board to be final.

(3) The board may adopt rules necessary for the conduct of its powers and duties or for transacting other official business.

(4) The board shall make findings of fact and prepare a written decision in each case decided by it, and that finding and decision shall be effective upon being signed by two or more board members and upon being filed at the hydraulic appeals board's principal office, and shall be open to public inspection at all reasonable times.

(5) The board has exclusive jurisdiction to hear appeals arising from the approval, denial, conditioning, or modification of a hydraulic approval issued by either the department of fisheries or the department of wildlife under the authority granted in RCW 75.20.103 for the diversion of water for agricultural irrigation or stock watering purposes or when associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020.
(6) (a) Any person aggrieved by the approval, denial, conditioning, or modification of a hydraulic approval pursuant to RCW 75.20.103 may seek review from the board by filing a request for the same within thirty days of notice of the approval, denial, conditioning, or modification of such approval.

(b) The review proceedings authorized in (a) of this subsection are subject to the provisions of chapter ((34.04)) 34.05 RCW pertaining to procedures in ((contested cases)) adjudicative proceedings.

Sec. 161. Section 5, chapter 173, Laws of 1986 and RCW 75.20.140 are each amended to read as follows:

(1) In all appeals over which the hydraulic appeals board has jurisdiction, a party taking an appeal may elect either a formal or informal hearing. Such election shall be made according to the rules of practice and procedure to be adopted by the hydraulic appeals board. In the event that appeals are taken from the same decision, order, or determination, by different parties and only one of such parties elects a formal hearing, a formal hearing shall be granted.

(2) In all appeals, the hydraulic appeals board shall have all powers relating to administration of oaths, issuance of subpoenas, and taking of depositions, but such powers shall be exercised in conformity with chapter ((34.04)) 34.05 RCW.

(3) In all appeals involving a formal hearing, the hydraulic appeals board, and each member thereof, shall be subject to all duties imposed upon and shall have all powers granted to, an agency by those provisions of chapter ((34.04)) 34.05 RCW relating to ((contested cases)) adjudicative proceedings.

(4) All proceedings, including both formal and informal hearings, before the hydraulic appeals board or any of its members shall be conducted in accordance with such rules of practice and procedure as the board may prescribe. Such rules shall be published and distributed.

(5) Judicial review of a decision of the hydraulic appeals board shall be de novo except when the decision has been rendered pursuant to the formal hearing, in which event judicial review may be obtained only pursuant to RCW ((34.04.130 and 34.04.140)) 34.05.510 through 34.05.598.

Sec. 162. Section 37, chapter 100, Laws of 1986 and RCW 76.04.630 are each amended to read as follows:

There is created a landowner contingency forest fire suppression account which shall be a separate account in the state treasury. This account shall be for the purpose of paying emergency fire costs incurred or approved by the department in the suppression of forest fires. When a determination is made that the fire was started by other than a landowner operation, moneys expended from this account in the suppression of such fire shall be recovered from such general fund appropriations as may be available for emergency fire suppression costs. Moneys spent from this account shall be
by appropriation. The department shall transmit to the state treasurer for deposit in the landowner contingency forest fire suppression account any moneys paid out of the account which are later recovered, less reasonable costs of recovery, which moneys may be expended for purposes set forth herein during the current biennium, without reappropriation.

This account shall be established and renewed by a special forest fire suppression account assessment paid by participating landowners at rates to be established by the department, but not to exceed ten cents per acre per year for such period of years as may be necessary to establish and thereafter reestablish a balance in the account of two million dollars: PROVIDED, That the department may establish a minimum assessment for ownership parcels containing less than thirty acres. The maximum assessment for these parcels shall not exceed the fees levied on a thirty-acre parcel. There shall be no assessment on each parcel of privately owned lands of less than two acres or on each parcel of tax exempt lands of less than ten acres. The assessments with respect to forest lands in western and eastern Washington may differ to equitably distribute the assessment based on emergency fire suppression cost experience necessitated by landowner operations. Amounts assessed for this account shall be a lien upon the forest lands with respect to which the assessment is made, and may be collected as directed by the department in the same manner as forest fire protection assessments. This account shall be held by the state treasurer who is authorized to invest so much of the account as is not necessary to meet current needs. Any interest earned on moneys from the account shall be deposited in and remain a part of the account, and shall be computed as part of the same in determining the balance thereof. Interfund loans to and from this account are authorized at the then current rate of interest as determined by the state treasurer, provided that the effect of the loan is considered for purposes of determining the assessments. Payment of emergency costs from this account shall in no way restrict the right of the department to recover costs pursuant to RCW 76.04.495 or other laws.

When the department determines that a forest fire was started in the course of or as a result of a landowner operation, it shall notify the forest fire advisory board of the determination. The determination shall be final, unless, within ninety days of the notification, the forest fire advisory board or any interested party, serves a request for a hearing before the department. The hearing shall constitute an adjudicative proceeding under chapter 34.05 RCW, the Administrative Procedure Act, and any appeal therefrom shall be to the superior court of Thurston county.

Sec. 163. Section 8, chapter 137, Laws of 1974 ex. sess. as amended by section 5, chapter 200, Laws of 1975 1st ex. sess. and RCW 76.09.080 are each amended to read as follows:
(1) The department shall have the authority to serve upon an operator a stop work order which shall be a final order of the department if:
   (a) There is any violation of the provisions of this chapter or the forest practices regulations; or
   (b) There is a deviation from the approved application; or
   (c) Immediate action is necessary to prevent continuation of or to avoid material damage to a public resource.
   (2) The stop work order shall set forth:
   (a) The specific nature, extent, and time of the violation, deviation, damage, or potential damage;
   (b) An order to stop all work connected with the violation, deviation, damage, or potential damage;
   (c) The specific course of action needed to correct such violation or deviation or to prevent damage and to correct and/or compensate for damage to public resources which has resulted from any violation, unauthorized deviation, or ((willful)) willful or negligent disregard for potential damage to a public resource; and/or those courses of action necessary to prevent continuing damage to public resources where the damage is resulting from the forest practice activities but has not resulted from any violation, unauthorized deviation, or negligence; and
   (d) The right of the operator to a hearing before the appeals board.
   The department shall immediately file a copy of such order with the appeals board and mail a copy thereof to the timber owner and forest land owner at the addresses shown on the application. The operator, timber owner, or forest land owner may commence an appeal to the appeals board within fifteen days after service upon the operator. If such appeal is commenced, a hearing shall be held not more than twenty days after copies of the notice of appeal were filed with the appeals board. Such proceeding shall be ((an contested case)) an adjudicative proceeding within the meaning of chapter (34.04)) 34.05 RCW, the Administrative Procedure Act. The operator shall comply with the order of the department immediately upon being served, but the appeals board if requested shall have authority to continue or discontinue in whole or in part the order of the department under such conditions as it may impose pending the outcome of the proceeding.

Sec. 164. Section 22, chapter 137, Laws of 1974 ex. sess. as last amended by section 109, chapter 287, Laws of 1984 and RCW 76.09.220 are each amended to read as follows:
   (1) The appeals board shall operate on either a part-time or a full-time basis, as determined by the governor. If it is determined that the appeals board shall operate on a full-time basis, each member shall receive an annual salary to be determined by the governor. If it is determined that the appeals board shall operate on a part-time basis, each member shall be compensated in accordance with RCW 43.03.240: PROVIDED, That such
compensation shall not exceed ten thousand dollars in a fiscal year. Each member shall receive reimbursement for travel expenses incurred in the discharge of his duties in accordance with the provisions of RCW 43.03.050 and 43.03.060.

(2) The appeals board shall as soon as practicable after the initial appointment of the members thereof, meet and elect from among its members a chairman, and shall at least biennially thereafter meet and elect or reelect a chairman.

(3) The principal office of the appeals board shall be at the state capital, but it may sit or hold hearings at any other place in the state. A majority of the appeals board shall constitute a quorum for making orders or decisions, promulgating rules and regulations necessary for the conduct of its powers and duties, or transacting other official business, and may act though one position on the board be vacant. One or more members may hold hearings and take testimony to be reported for action by the board when authorized by rule or order of the board. The appeals board shall perform all the powers and duties granted to it in this chapter or as otherwise provided by law.

(4) The appeals board shall make findings of fact and prepare a written decision in each case decided by it, and such findings and decision shall be effective upon being signed by two or more members and upon being filed at the appeals board's principal office, and shall be open to public inspection at all reasonable times.

(5) The appeals board shall either publish at its expense or make arrangements with a publishing firm for the publication of those of its findings and decisions which are of general public interest, in such form as to assure reasonable distribution thereof.

(6) The appeals board shall maintain at its principal office a journal which shall contain all official actions of the appeals board, with the exception of findings and decisions, together with the vote of each member on such actions. The journal shall be available for public inspection at the principal office of the appeals board at all reasonable times.

(7) The forest practices appeals board shall have exclusive jurisdiction to hear appeals arising from an action or determination by the department.

(8) (a) Any person aggrieved by the approval or disapproval of an application to conduct a forest practice may seek review from the appeals board by filing a request for the same within thirty days of the approval or disapproval. Concurrently with the filing of any request for review with the board as provided in this section, the requestor shall file a copy of his request with the department and the attorney general. The attorney general may intervene to protect the public interest and insure that the provisions of this chapter are complied with.
The review proceedings authorized in subparagraph (a) of this subsection are subject to the provisions of chapter ((34.04)) 34.05 RCW pertaining to procedures in ((contested cases)) adjudicative proceedings.

Sec. 165. Section 23, chapter 137, Laws of 1974 ex. sess. and RCW 76.09.230 are each amended to read as follows:

(1) In all appeals over which the appeals board has jurisdiction, a party taking an appeal may elect either a formal or an informal hearing, unless such party has had an informal hearing with the department. Such election shall be made according to the rules of practice and procedure to be promulgated by the appeals board. In the event that appeals are taken from the same decision, order, or determination, as the case may be, by different parties and only one of such parties elects a formal hearing, a formal hearing shall be granted.

(2) In all appeals the appeals board shall have all powers relating to administration of oaths, issuance of subpoenas, and taking of depositions, but such powers shall be exercised in conformity with chapter ((34.04)) 34.05 RCW.

(3) In all appeals involving formal hearing the appeals board, and each member thereof, shall be subject to all duties imposed upon and shall have all powers granted to, an agency by those provisions of chapter ((34.04)) 34.05 RCW relating to ((contested cases)) adjudicative proceedings.

(4) All proceedings, including both formal and informal hearings, before the appeals board or any of its members shall be conducted in accordance with such rules of practice and procedure as the board may prescribe. The appeals board shall publish such rules and arrange for the reasonable distribution thereof.

(5) Judicial review of a decision of the appeals board shall be de novo except when the decision has been rendered pursuant to the formal hearing, in which event judicial review may be obtained only pursuant to RCW ((34.04.130 and 34.04.140)) 34.05.510 through 34.05.598.

Sec. 166. Section 18, chapter 64, Laws of 1970 ex. sess. and RCW 78.44.170 are each amended to read as follows:

Appeals from determinations made under this chapter shall be made under the provisions of the Administrative Procedure Act (chapter ((34.04)) 34.05 RCW), ((as now or hereafter amended)) and shall be considered ((a contested case)) an adjudicative proceeding within the meaning of the Administrative Procedure Act, ((O)chapter ((34.04)) 34.05 RCW(()).

Sec. 167. Section 29, chapter 253, Laws of 1983 and RCW 78.52.463 are each amended to read as follows:

(1) Any operation or activity that is in violation of applicable laws, rules, orders, or permit conditions is subject to suspension by order of the committee. The order may suspend the operations authorized in the permit in whole or in part. The order may be issued only after the committee has
first notified the operator or owner of the violations and the operator or owner has failed to comply with the directions contained in the notification within ten days of service of the notice: PROVIDED, That the committee may issue the suspension order immediately without notice if the violations are or may cause substantial harm to adjacent property, persons, or public resources, or has or may result in the pollution of waters in violation of any state or federal law or rule. A suspension shall remain in effect until the violations are corrected or other directives are complied with unless declared invalid by the committee after hearing or an appeal. The suspension order and notification, where applicable, shall specify the violations and the actions required to be undertaken to be in compliance with such laws, rules, orders, or permit conditions. The order and notification may also require remedial actions to be undertaken to restore, prevent, or correct activities or conditions which have resulted from the violations. The order and notification may be directed to the operator or owner or both.

(2) The suspension order constitutes a final and binding order unless the owner or operator to whom the order is directed requests a hearing before the committee within fifteen days after service of the order. Such a request shall not in itself stay or suspend the order and the operator or owner shall comply with the order immediately upon service. The committee or its chairman have the authority to stay or suspend in whole or in part the suspension order pending a hearing if so requested. The hearing shall constitute an adjudicative proceeding under chapter (34.05) RCW, the Administrative Procedure Act.

Sec. 168. Section 50, chapter 146, Laws of 1951 as amended by section 27, chapter 253, Laws of 1983 and RCW 78.52.470 are each amended to read as follows:

Any person adversely affected by any order of the committee may, within thirty days from the effective date of such order, apply for a hearing with respect to any matter determined therein. No cause for action arising out of any order of the committee shall accrue in any court to any person unless the person makes application for a hearing as herein provided. Such application shall set forth specifically the ground on which the applicant considers the order to be unlawful or unreasonable. No party shall, in any court, urge or rely upon any ground not set forth in said application. An order made in conformity to a decision resulting from a hearing which abrogates, changes, or modifies the original order shall have the same force and effect as an original. Such hearing shall constitute an adjudicative proceeding under chapter (34.05) RCW, the Administrative Procedure Act, and shall be conducted in accordance with its provisions.

Sec. 169. Section 4, chapter 161, Laws of 1977 ex. sess. and RCW 79-72.040 are each amended to read as follows:
(1) The management program for the system shall be administered by the department. The department shall have the responsibility for coordinating the development of the program between affected state agencies and participating local governments, and shall develop and adopt rules (and regulations), in accord with chapter (34.04) 34.05 RCW, the Administrative Procedure Act, for each portion of the system, which shall implement the management policies. In developing rules (and regulations) for a specific river in the system, the department shall hold at least one public hearing in the general locale of the river under consideration. The hearing may constitute the hearing required by chapter 34.05 RCW. The department shall cause a brief summary of the proposed rules (and regulations) to be published twice in a newspaper of general circulation in the area (which) that includes the river to be considered in the period of time between two and four weeks prior to the public hearing. In addition to the foregoing required publication, the department shall also provide notice of the hearings, rules, (regulations,) and decisions of the department to radio and television stations and major local newspapers in the areas (which) that include the river to be considered.

(2) In addition to any other powers granted to carry out the intent of this chapter, the department is authorized, subject to approval by majority vote of the members of the committee, to: (a) Purchase, within the river area, real property in fee or any lesser right or interest in real property including, but not limited to scenic easements and future development rights, visual corridors, wildlife habitats, unique ecological areas, historical sites, camping and picnic areas, boat launching sites, and/or easements abutting the river for the purpose of preserving or enhancing the river or facilitating the use of the river by the public for fishing, boating and other water related activities; and (b) purchase, outside of a river area, public access to the river area.

The right of eminent domain shall not be utilized in any purchase made pursuant to this section.

(3) The department is further authorized to: (a) Acquire by gift, devise, grant, or dedication the fee, an option to purchase, a right of first refusal or any other lesser right or interest in real property and upon acquisition such real property shall be held and managed within the scenic river system; and (b) accept grants, contributions, or funds from any agency, public or private, or individual for the purposes of this chapter.

(4) The department is hereby vested with the power to obtain injunctions and other appropriate relief against violations of any provisions of this chapter and any rules (and regulations) adopted under this section or agreements made under the provisions of this chapter.

Sec. 170. Section 2, chapter 2, Laws of 1983 2nd ex. sess. and RCW 79.90.105 are each amended to read as follows:
The abutting residential owner to state-owned shorelands, tidelands, or related beds of navigable waters, other than harbor areas, may install and maintain without charge a dock on such areas if used exclusively for private recreational purposes and the area is not subject to prior rights. This permission is subject to applicable local regulation governing construction, size, and length of the dock. This permission may be revoked by the department upon finding of public necessity which is limited to the protection of waterward access or ingress rights of other landowners or public health and safety. The revocation may be appealed as an adjudicative proceeding under chapter 34.05 RCW, the Administrative Procedure Act. Nothing in this section prevents the abutting owner from obtaining a lease if otherwise provided by law.

Sec. 171. Section 106, chapter 21, Laws of 1982 1st ex. sess. and RCW 79.94.210 are each amended to read as follows:

(1) The legislature finds that maintaining public lands in public ownership is often in the public interest. However, when second class shorelands on navigable lakes have minimal public value, the sale of those shorelands to the abutting upland owner may not be contrary to the public interest: PROVIDED, That the purpose of this section is to remove the prohibition contained in RCW 79.94.150 regarding the sale of second class shorelands to abutting owners, whose uplands front on the shorelands. Nothing contained in this section shall be construed to otherwise affect the rights of interested parties relating to public or private ownership of shorelands within the state.

(2) Notwithstanding the provisions of RCW 79.94.150, the department of natural resources may sell second class shorelands on navigable lakes to abutting owners whose uplands front upon the shorelands in cases where the board of natural resources has determined that these sales would not be contrary to the public interest. These shorelands shall be sold at fair market value, but not less than five percent of the fair market value of the abutting upland, less improvements, to a maximum depth of one hundred and fifty feet landward from the line of ordinary high water.

(3) Review of the decision of the department regarding the sale price established for a shoreland to be sold pursuant to this section may be obtained by the upland owner by filing a petition with the board of tax appeals created in accordance with chapter 82.03 RCW within thirty days of the date the department notified the owner regarding the price. The board of tax appeals shall review such cases in an adjudicative proceeding as described in chapter 34.05 RCW, the Administrative Procedure Act, and the board's review shall be de novo. Decisions of the board of tax appeals regarding fair market values determined pursuant to this section shall be final unless appealed to the superior court pursuant to RCW 34.05.510 through 34.05.598.
Sec. 172. Section 17, chapter 371, Laws of 1977 ex. sess. and RCW 80.50.075 are each amended to read as follows:

(1) Any person required to file an application for certification of an energy facility pursuant to this chapter may apply to the council for an expedited processing of such an application. The application for expedited processing shall be submitted to the council in such form and manner and accompanied by such information as may be prescribed by council rule. The council may grant an applicant expedited processing of an application for certification upon finding that:

(a) The environmental impact of the proposed energy facility;
(b) The area potentially affected;
(c) The cost and magnitude of the proposed energy facility; and
(d) The degree to which the proposed energy facility represents a change in use of the proposed site are not significant enough to warrant a full review of the application for certification under the provisions of this chapter.

(2) Upon granting an applicant expedited processing of an application for certification, the council shall not be required to:

(a) Commission an independent study, notwithstanding the provisions of RCW 80.50.071; nor
(b) Hold an adjudicative proceeding under chapter 34.05 RCW, the Administrative Procedure Act, on the application.

(3) The council shall adopt rules governing the expedited processing of an application for certification pursuant to this section.

Sec. 173. Section 9, chapter 45, Laws of 1970 ex. sess. and RCW 80.50.090 are each amended to read as follows:

(1) The council shall conduct a public hearing in the county of the proposed site within sixty days of receipt of an application for site certification: PROVIDED, That the place of such public hearing shall be as close as practical to the proposed site.

(2) The council must determine at the initial public hearing whether or not the proposed site is consistent and in compliance with county or regional land use plans or zoning ordinances. If it is determined that the proposed site does conform with existing land use plans or zoning ordinances in effect as of the date of the application, the county or regional planning authority shall not thereafter change such land use plans or zoning ordinances so as to affect the proposed site.

(3) Prior to the issuance of a council recommendation to the governor under RCW 80.50.100 a public hearing, conducted as an adjudicative proceeding under chapter 34.05 RCW, the Administrative Procedure Act, shall be held. At such public hearing any person shall be entitled to be heard in support of or in opposition to the application for certification.
(4) Additional public hearings shall be held as deemed appropriate by the council in the exercise of its functions under this chapter.

Sec. 174. Section 10, chapter 45, Laws of 1970 ex. sess. as last amended by section 8, chapter 371, Laws of 1977 ex. sess. and RCW 80.50.100 are each amended to read as follows:

If the council recommends approval of an application for certification, it shall also submit a draft certification agreement with the report. The council shall include conditions in the draft certification agreement to implement the provisions of this chapter, including, but not limited to, conditions to protect state or local governmental or community interests affected by the construction or operation of the energy facility, and conditions designed to recognize the purpose of laws or ordinances, or rules or regulations promulgated thereunder, that are preempted or superseded pursuant to RCW 80.50.110 as now or hereafter amended.

(2) Within sixty days of receipt of the council's report the governor shall take one of the following actions:
   (a) Approve the application and execute the draft certification agreement; or
   (b) Reject the application; or
   (c) Direct the council to reconsider certain aspects of the draft certification agreement.

The council shall reconsider such aspects of the draft certification agreement by reviewing the existing record of the application or, as necessary, by reopening the ((contested case)) adjudicative proceeding for the purposes of receiving additional evidence. Such reconsideration shall be conducted expeditiously. The council shall resubmit the draft certification to the governor incorporating any amendments deemed necessary upon reconsideration. Within sixty days of receipt of such draft certification agreement, the governor shall either approve the application and execute the certification agreement or reject the application. The certification agreement shall be binding upon execution by the governor and the applicant.

(3) The rejection of an application for certification by the governor shall be final as to that application but shall not preclude submission of a subsequent application for the same site on the basis of changed conditions or new information.

Concurrently with the filing of any request for review with the board as provided in this section pertaining to a final order of a local government, the requestor shall file a copy of his request with the department and the attorney general. If it appears to the department or the attorney general that the requestor has valid reasons to seek review, either the department or the attorney general may certify the request within thirty days after its receipt to the shorelines hearings board following which the board shall then, but not otherwise, review the matter covered by the requestor: PROVIDED, That the failure to obtain such certification shall not preclude the requestor from obtaining a review in the superior court under any right to review otherwise available to the requestor. The department and the attorney general may intervene to protect the public interest and insure that the provisions of this chapter are complied with at any time within fifteen days from the date of the receipt by the department or the attorney general of a copy of the request for review filed pursuant to this section. The shorelines hearings board shall initially schedule review proceedings on such requests for review without regard as to whether such requests have or have not been certified or as to whether the period for the department or the attorney general to intervene has or has not expired, unless such review is to begin within thirty days of such scheduling. If at the end of the thirty day period for certification neither the department nor the attorney general has certified a request for review, the hearings board shall remove the request from its review schedule.

(2) The department or the attorney general may obtain review of any final order granting a permit, or granting or denying an application for a permit issued by a local government by filing a written request with the shorelines hearings board and the appropriate local government within thirty days from the date the final order was filed as provided in RCW 90.58.140(6) (as now or hereafter amended).

If the board determines that (said) the rule, regulation, or guideline:

(a) Is clearly erroneous in light of the policy of this chapter; or

(b) Constitutes an implementation of this chapter in violation of constitutional or statutory provisions; or

(c) Is arbitrary and capricious; or

(d) Was developed without fully considering and evaluating all material submitted to the department by the local government; or

(e) Was not adopted in accordance with required procedures; the board shall enter a final decision declaring the rule, regulation, or guideline invalid, remanding the rule, regulation, or guideline to the department with a statement of the reasons in support of the determination, and directing the department to adopt, after a thorough consultation with the affected local government, a new rule, regulation, or guideline. Unless the board makes one or more of the determinations as hereinbefore provided, the board shall find the rule, regulation, or guideline to be valid and enter a final decision to that effect.

(5) Rules, regulations, and guidelines shall be subject to review in superior court, if authorized pursuant to RCW 34.05.538: PROVIDED, That no review shall be granted by a superior court on petition from a local government unless the local government shall first have obtained review under subsection (4) of this section is filed within three months after the date of final decision by the shorelines hearings board.

If the department either rejects or proposes modification to the master program adjustment, it shall provide substantive written comments as to why the proposal is being rejected or modified.

(2) Any local government aggrieved by the department's decision to approve, reject, or modify a proposed master program or master program adjustment may appeal the department's decision to the shorelines hearings board. In an appeal relating to shorelines, the shorelines hearings board shall review the proposed master program or master program adjustment and, after full consideration of the presentations of the local government and the department, shall determine the validity of the local government's adjustment in light of the policy of RCW 90.58.020 and the applicable guidelines. In an appeal relating to shorelines of state-wide significance, the
board shall uphold the decision by the department unless a local government shall, by clear and convincing evidence and argument, persuade the board that the decision of the department is inconsistent with the policy of RCW 90.58.020 and the applicable guidelines. Review by the hearings board shall be considered (a contested case) an adjudicative proceeding under chapter ((34.04)) 34.05 RCW, the Administrative Procedure Act. The aggrieved local government shall have the burden of proof in all such reviews. Whenever possible, the review by the hearings board shall be heard within the county where the land subject to the proposed master program or master program adjustment is primarily located. The department and any local government aggrieved by a final decision of the hearings board may appeal the decision to the superior court of Thurston county.

(3) A master program amendment shall become effective after the approval of the department or after the decision of the shorelines hearings board to uphold the master program or master program adjustment, provided that the board may remand the master program or master program adjustment to the local government or the department for modification prior to the final adoption of the master program or master program adjustment.

CHAPTER 176
[Substitute House Bill No. 1056]
HERRING SPAWN ON KELP PERMITS

AN ACT Relating to herring spawn on kelp; amending RCW 15.85.020 and 75.08.230; adding a new section to chapter 75.28 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the wise management of Washington state's herring resource is of paramount importance to the people of the state. The legislature finds that herring are an important part of the food chain for a number of the state's living marine resources. The legislature finds that both open and closed pond "spawn on kelp" harvesting techniques allow for an economic return to the state while at the same time providing for the proper management of the herring resource. The legislature finds that limitations on the number of herring harvesters tends to improve the management and economic health of the herring industry. The maximum number of herring spawn on kelp permits shall not exceed five annually. The state therefore must use its authority to regulate the number of herring spawn on kelp permits so that the management and economic health of the herring fishery may be improved.

NEW SECTION. Sec. 2. A new section is added to chapter 75.28 RCW to read as follows:

In addition to a commercial fishing license, a herring validation, and other applicable permits required under state law, a herring spawn on kelp permit is required to commercially take herring eggs which have been deposited on vegetation of any type. All herring spawn on kelp permits shall be sold at auction to the highest bidder. Bidders are required to identify their sources of kelp. Kelp harvested from state-owned aquatic lands as defined in RCW 79.90.465 requires the written consent of the department of natural resources. The department shall give all herring validation holders thirty days' notice of the auction.

Sec. 3. Section 2, chapter 457, Laws of 1985 and RCW 15.85.020 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Aquaculture" means the process of growing, farming, or cultivating private sector cultured aquatic products in marine or freshwaters and includes management by an aquatic farmer.

(2) "Aquatic farmer" is a private sector person who commercially farms and manages the cultivating of private sector cultured aquatic products on the person's own land or on land in which the person has a present right of possession.

(3) "Private sector cultured aquatic products" are native, nonnative, or hybrids of marine or freshwater plants and animals that are propagated, farmed, or cultivated on aquatic farms under the supervision and management of a private sector aquatic farmer or that are naturally set on aquatic farms which at the time of setting are under the active supervision and management of a private sector aquatic farmer. When produced under such supervision and management, private sector cultured aquatic products include, but are not limited to, the following plants and animals:

INTRASTATE CORRECTIONS COMPACT

AN ACT Relating to the inmate exchange and custody compact; adding a new chapter to Title 72 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. This chapter shall be known and may be cited as the Washington Intrastate Corrections Compact.

NEW SECTION. Sec. 2. It is the intent of the legislature to enable and encourage a cooperative relationship between the department of corrections and the counties of the state of Washington, and to provide adequate facilities and programs for the confinement, care, treatment, and employment of offenders through the exchange or transfer of offenders.

NEW SECTION. Sec. 3. The Washington intrastate corrections compact is enacted and entered into on behalf of this state by the department with any and all counties of this state legally joining in a form substantially as follows:

WASHINGTON INTRASTATE CORRECTIONS COMPACT

A compact is entered into by and among the contracting counties and the department of corrections, signatories hereto, for the purpose of maximizing the use of existing resources and to provide adequate facilities and programs for the confinement, care, treatment, and employment of offenders.

The contracting counties and the department do solemnly agree that:

(1) As used in this compact, unless the context clearly requires otherwise:

(a) "Department" means the Washington state department of corrections.

(b) "Secretary" means the secretary of the department of corrections or designee.

(c) "Compact jurisdiction" means the department of corrections or any county of the state of Washington which has executed this compact.
(d) "Sending jurisdiction" means a county party to this agreement or the department of corrections to whom the courts have committed custody of the offender.

(e) "Receiving jurisdiction" means the department of corrections or a county party to this agreement to which an offender is sent for confinement.

(f) "Offender" means a person who has been charged with and/or convicted of an offense established by applicable statute or ordinance.

(g) "Convicted felony offender" means a person who has been convicted of a felony established by state law and is eighteen years of age or older, or who is less than eighteen years of age, but whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110.

(h) An "offender day" includes the first day an offender is delivered to the receiving jurisdiction, but ends at midnight of the day immediately preceding the day of the offender's release or return to the custody of the sending jurisdiction.

(i) "Facility" means any state correctional institution, camp, or other unit established or authorized by law under the jurisdiction of the department of corrections; any jail, holding, detention, special detention, or correctional facility operated by the county for the housing of adult offenders; or any contract facility, operated on behalf of either the county or the state for the housing of adult offenders.

(j) "Extraordinary medical expense" means any medical expense beyond that which is normally provided by contract or other health care providers at the facility of the receiving jurisdiction.

(k) "Compact" means the Washington intrastate corrections compact.

(2)(a) Any county may make one or more contracts with one or more counties, the department, or both for the exchange or transfer of offenders pursuant to this compact. Appropriate action by ordinance, resolution, or otherwise in accordance with the law of the governing bodies of the participating counties shall be necessary before the contract may take effect. The secretary is authorized and requested to execute the contracts on behalf of the department. Any such contract shall provide for:

(i) Its duration;

(ii) Payments to be made to the receiving jurisdiction by the sending jurisdiction for offender maintenance, extraordinary medical and dental expenses, and any participation in or receipt by offenders of rehabilitative or correctional services, facilities, programs, or treatment not reasonably included as part of normal maintenance;

(iii) Participation in programs of offender employment, if any; the disposition or crediting of any payments received by offenders on their accounts; and the crediting of proceeds from or the disposal of any products resulting from the employment;

(iv) Delivery and retaking of offenders;
Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving jurisdictions.

(b) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant to the contract. Nothing in any contract may be inconsistent with the compact.

(3)(a) Whenever the duly constituted authorities of any compact jurisdiction decide that confinement in, or transfer of an offender to a facility of another compact jurisdiction is necessary or desirable in order to provide adequate housing and care or an appropriate program of rehabilitation or treatment, the officials may direct that the confinement be within a facility of the other compact jurisdiction, the receiving jurisdiction to act in that regard solely as agent for the sending jurisdiction.

(b) The receiving jurisdiction shall be responsible for the supervision of all offenders which it accepts into its custody.

(c) The receiving jurisdiction shall be responsible to establish screening criteria for offenders it will accept for transfer. The sending jurisdiction shall be responsible for ensuring that all transferred offenders meet the screening criteria of the receiving jurisdiction.

(d) The sending jurisdiction shall notify the sentencing courts of the name, charges, cause numbers, date, and place of transfer of any offender, prior to the transfer, on a form to be provided by the department. A copy of this form shall accompany the offender at the time of transfer.

(e) The receiving jurisdiction shall be responsible for providing an orientation to each offender who is transferred. The orientation shall be provided to offenders upon arrival and shall address the following conditions at the facility of the receiving jurisdiction:
   (i) Requirements to work;
   (ii) Facility rules and disciplinary procedures;
   (iii) Medical care availability; and
   (iv) Visiting.

(f) Delivery and retaking of inmates shall be the responsibility of the sending jurisdiction. The sending jurisdiction shall deliver offenders to the facility of the receiving jurisdiction where the offender will be housed, at the dates and times specified by the receiving jurisdiction. The receiving jurisdiction retains the right to refuse or return any offender. The sending jurisdiction shall be responsible to retake any transferred offender who does not meet the screening criteria of the receiving jurisdiction, or who is refused by the receiving jurisdiction. If the receiving jurisdiction has notified the sending jurisdiction to retake an offender, but the sending jurisdiction does not do so within a seven-day period, the receiving jurisdiction may return the offender to the sending jurisdiction at the expense of the sending jurisdiction.
(g) Offenders confined in a facility under the terms of this compact shall at all times be subject to the jurisdiction of the sending jurisdiction and may at any time be removed from the facility for transfer to another facility within the sending jurisdiction, for transfer to another facility in which the sending jurisdiction may have a contractual or other right to confine offenders, for release or discharge, or for any other purpose permitted by the laws of the state of Washington.

(h) Unless otherwise agreed, the sending jurisdiction shall provide at least one set of the offender's personal clothing at the time of transfer. The sending jurisdiction shall be responsible for searching the clothing to ensure that it is free of contraband. The receiving jurisdiction shall be responsible for providing work clothing and equipment appropriate to the offender's assignment.

(i) The sending jurisdiction shall remain responsible for the storage of the offender's personal property, unless prior arrangements are made with the receiving jurisdiction. The receiving jurisdiction shall provide a list of allowable items which may be transferred with the offender.

(j) Copies or summaries of records relating to medical needs, behavior, and classification of the offender shall be transferred by the sending jurisdiction to the receiving jurisdiction at the time of transfer. At a minimum, such records shall include:

(i) A copy of the commitment order or orders legally authorizing the confinement of the offender;
(ii) A copy of the form for the notification of the sentencing courts required by subsection (3)(d) of this section;
(iii) A brief summary of any known criminal history, medical needs, behavioral problems, and other information which may be relevant to the classification of the offender; and
(iv) A standard identification card which includes the fingerprints and at least one photograph of the offender.

Disclosure of public records shall be the responsibility of the sending jurisdiction, except for those documents generated by the receiving jurisdiction.

(k) The receiving jurisdiction shall be responsible for providing regular medical care, including prescription medication, but extraordinary medical expenses shall be the responsibility of the sending jurisdiction. The costs of extraordinary medical care incurred by the receiving jurisdiction for transferred offenders shall be reimbursed by the sending jurisdiction. The receiving jurisdiction shall notify the sending jurisdiction as far in advance as practicable prior to incurring such costs. In the event emergency medical care is needed, the sending jurisdiction shall be advised as soon as practicable after the offender is treated. Offenders who are required by the medical authority of the sending jurisdiction to take prescription medication at the time of the transfer shall have at least a three-day supply of the medication.
transferred to the receiving jurisdiction with the offender, and at the ex-

pense of the sending jurisdiction. Costs of prescription medication incurred 
after the use of the supply shall be borne by the receiving jurisdiction.

(l) Convicted offenders transferred under this agreement may be re-

quired by the receiving jurisdiction to work. Transferred offenders partici-
pating in programs of offender employment shall receive the same 
reimbursement, if any, as other offenders performing similar work. The 
receiving jurisdiction shall be responsible for the disposition or crediting of 
any payments received by offenders, and for crediting the proceeds from or 
disposal of any products resulting from the employment. Other programs 
normally provided to offenders by the receiving jurisdiction such as educa-
tion, mental health, or substance abuse treatment shall also be available to 
transferred offenders, provided that usual program screening criteria are 
met. No special or additional programs will be provided except by mutual 
agreement of the sending and receiving jurisdiction, with additional ex-

penses, if any, to be borne by the sending jurisdiction.

(m) The receiving jurisdiction shall notify offenders upon arrival of the 
rules of the jurisdiction and the specific rules of the facility. Offenders will 
be required to follow all rules of the receiving jurisdiction. Disciplinary de-
tention, if necessary, shall be provided at the discretion of the receiving ju-
risdiction. The receiving jurisdiction may require the sending jurisdiction to 
retake any offender found guilty of a serious infraction; similarly, the re-
ceiving jurisdiction may require the sending jurisdiction to retake any off-

fender whose behavior requires segregated or protective housing.

(n) Good–time calculations and notification of each offender's release 
date shall be the responsibility of the sending jurisdiction. The sending ju-
risdiction shall provide the receiving jurisdiction with a formal notice of the 
date upon which each offender is to be released from custody. If the receiv-
ing jurisdiction finds an offender guilty of a violation of its disciplinary 
rules, it shall notify the sending jurisdiction of the date and nature of the 
violation. If the sending jurisdiction resets the release date according to its 
good–time policies, it shall provide the receiving jurisdiction with notice of 
the new release date.

(o) The sending jurisdiction shall retake the offender at the receiving 
jurisdiction's facility on or before his or her release date, unless the sending 
and receiving jurisdictions shall agree upon release in some other place. The 
sending jurisdiction shall bear the transportation costs of the return.

(p) Each receiving jurisdiction shall provide monthly reports to each 
sending jurisdiction on the number of offenders of that sending jurisdiction 
in its facilities pursuant to this compact.

(q) Each party jurisdiction shall notify the others of its coordinator 
who is responsible for administrating the jurisdiction's responsibilities under 
the compact. The coordinators shall arrange for alternate contact persons in 
the event of an extended absence of the coordinator.
(r) Upon reasonable notice, representatives of any party to this compact shall be allowed to visit any facility in which another party has agreed to house its offenders, for the purpose of inspecting the facilities and visiting its offenders that may be confined in the institution.

(4) This compact shall enter into force and become effective and binding upon the participating parties when it has been executed by two or more parties. Upon request, each party county shall provide any other compact jurisdiction with a copy of a duly enacted resolution or ordinance authorizing entry into this compact.

(5) A party participating may withdraw from the compact by formal resolution and by written notice to all other parties then participating. The withdrawal shall become effective, as it pertains to the party wishing to withdraw, thirty days after written notice to the other parties. However, such withdrawal shall not relieve the withdrawing party from its obligations assumed prior to the effective date of withdrawal. Before the effective date of withdrawal, a withdrawing participant shall notify the other parties to retake the offenders it has housed in its facilities and shall remove to its facilities, at its own expense, offenders it has confined under the provisions of this compact.

(6) Legal costs relating to defending actions brought by an offender challenging his or her transfer to another jurisdiction under this compact shall be borne by the sending jurisdiction. Legal costs relating to defending actions arising from events which occur while the offender is in the custody of a receiving jurisdiction shall be borne by the receiving jurisdiction.

(7) The receiving jurisdiction shall not be responsible to provide legal services to offenders placed under this agreement. Requests for legal services shall be referred to the sending jurisdiction.

(8) The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence, or provision of this compact is declared to be contrary to the Constitution or laws of the state of Washington or is held invalid, the validity of the remainder of this compact and its applicability to any county or the department shall not be affected.

(9) Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a county or the department may have with each other or with a nonparty county for the confinement, rehabilitation, or treatment of offenders.

**NEW SECTION.** Sec. 4. (1) The costs per offender day to the sending jurisdiction for the custody of offenders transferred according to the terms of this agreement shall be at the rate set by the state of Washington, office of financial management under RCW 70.48.440, unless the parties agree to another rate in a particular transfer. The costs may not include extraordinary medical costs, which shall be billed separately. Except in the case of
prisoner exchanges, as described in subsection (2) of this section, the sending jurisdiction shall be billed on a monthly basis by the receiving jurisdiction. Payment shall be made within thirty days of receipt of the invoice.

(2) When two parties to this agreement transfer offenders to each other, there shall be an accounting of the number of "offender days." If the number is exactly equal, no payment is necessary for the affected period. The payment by the jurisdiction with the higher net number of offender days may be reduced by the amount otherwise due for the number of offender days its offenders were held by the receiving jurisdiction. Billing and reimbursement shall remain on the monthly schedule, and shall be supported by the forms and procedures provided by applicable regulations. The accounting of offender days exchanged may be reconciled on a monthly basis, but shall be at least quarterly.

NEW SECTION. Sec. 5. The secretary is empowered to enter into contracts on behalf of this state on the terms and conditions as may be appropriate to implement the participation of the department in the Washington intrastate corrections compact under section 3(2) of this act. Nothing in this chapter is intended to create any right or entitlement in any offender transferred or housed under the authority granted in this chapter. The failure of the department or the county to comply with any provision of this chapter as to any particular offender or transfer shall not invalidate the transfer nor give rise to any right for such offender.

NEW SECTION. Sec. 6. Notwithstanding any other provisions of law, payments received by the department pursuant to contracts entered into under the authority of this chapter shall be treated as nonappropriated funds and shall be exempt from the allotment controls established under chapter 43.88 RCW. The secretary may use such funds, in addition to appropriated funds, to provide institutional and community corrections programs. The secretary may, in his or her discretion and in lieu of direct fiscal payment, offset the obligation of any sending jurisdiction against any obligation the department may have to the sending jurisdiction. Outstanding obligations of the sending jurisdiction may be carried forward across state fiscal periods by the department as a credit against future obligations of the department to the sending jurisdiction.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act shall constitute a new chapter in Title 72 RCW.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state
government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 7. (1) Drivers of commercial motor vehicles shall obtain a commercial driver's license as required under this chapter by April 1, 1992. After April 1, 1992, except when driving under a commercial driver's instruction permit and a valid automobile or classified license and accompanied by the holder of a commercial driver's license valid for the vehicle being driven, no person may drive a commercial motor vehicle unless the person holds and is in immediate possession of a commercial driver's license and applicable endorsements valid for the vehicle they are driving. However, this requirement does not apply to any person:

Violations of this subsection shall be punished in the same way as violations of RCW 46.20.342(1).

NEW SECTION. Sec. 8. (1)(a) No person may be issued a commercial driver's license unless that person is a resident of this state and has passed a knowledge and skills test for driving a commercial motor vehicle that complies with minimum federal standards established by federal regulation enumerated in 49 C.F.R. part 383, subparts G and H, and has satisfied all other requirements of the CMVSA in addition to other requirements imposed by state law or federal regulation. The tests must be prescribed and conducted by the department. In addition to the fee charged for issuance or renewal of any license, the applicant shall pay a fee of no more than ten dollars for each classified knowledge examination, classified endorsement knowledge examination, or any combination of classified license and endorsement knowledge examinations. The applicant shall pay a fee of no more than fifty dollars for each classified skill examination or combination of classified skill examinations conducted by the department.

(b) The department may authorize a person, including an agency of this or another state, an employer, a private driver training facility, or other private institution, or a department, agency, or instrumentality of local government, to administer the skills test specified by this section under the following conditions:

(2) The department may waive the skills test specified in this section for a commercial driver's license applicant who meets the requirements of 49 C.F.R. part 383.77.

(3) A commercial driver's license or commercial driver's instruction permit may not be issued to a person while the person is subject to a disqualification from driving a commercial motor vehicle, or while the person's driver's license is suspended, revoked, or cancelled in any state, nor may a
commercial driver's license be issued to a person who has a commercial driver's license issued by any other state unless the person first surrenders all such licenses, which must be returned to the issuing state for cancellation.

(4)(a) A commercial driver's instruction permit may be issued to an individual who holds a valid automobile or classified driver's license.

(b) A commercial driver's instruction permit may not be issued for a period to exceed six months. Only one renewal or reissuance may be granted within a two-year period. The holder of a commercial driver's instruction permit may drive a commercial motor vehicle on a highway only when accompanied by the holder of a commercial driver's license valid for the type of vehicle driven who occupies a seat beside the individual for the purpose of giving instruction in driving the commercial motor vehicle. An application for a commercial driver's instruction permit shall be accompanied by a fee of five dollars. The department shall forthwith transmit the fees collected for commercial driver's instruction permits to the state treasurer.

(2) A person is disqualified for life if it has been determined that the person has committed or has been convicted of two or more violations of any of the offenses specified in subsection (1) of this section, or any combination of those offenses, arising from two or more separate incidents. Only offenses committed after the effective date of this act, may be considered in applying this subsection.
(3) The department may adopt rules, in accordance with federal regulations, establishing guidelines, including conditions, under which a disqualification for life under subsection (2) of this section may be reduced to a period of not less than ten years.

(4) A person is disqualified from driving a commercial motor vehicle for life who uses a commercial motor vehicle in the commission of a felony involving the manufacture, distribution, or dispensing of a controlled substance, as defined by chapter 69.50 RCW, or possession with intent to manufacture, distribute, or dispense a controlled substance, as defined by chapter 69.50 RCW.

(5) A person is disqualified from driving a commercial motor vehicle for a period of not less than sixty days if convicted of two serious traffic violations, or one hundred twenty days if convicted of three serious traffic violations, committed in a commercial motor vehicle arising from separate incidents occurring within a three-year period.

NEW SECTION. Sec. 12. When a person has been disqualified from operating a commercial motor vehicle, the person is not entitled to have the commercial driver's license restored until after the expiration of the appropriate disqualification period required under section II of this act. After expiration of the appropriate period and upon payment of a requalification fee of twenty dollars, the person may apply for a new, duplicate, or renewal commercial driver's license as provided by law. If the person has been disqualified for a period of one year or more, the person shall demonstrate that he or she meets the commercial driver's license qualification standards specified in section 8 of this act.

NEW SECTION. Sec. 13. (1) Notwithstanding any other provision of Title 46 RCW, a person may not drive, operate, or be in physical control of a commercial motor vehicle while having alcohol in his or her system.

(2) Law enforcement or appropriate officials shall issue an out-of-service order valid for twenty-four hours against a person who drives, operates, or is in physical control of a commercial motor vehicle while having alcohol in his or her system or who refuses to take a test to determine his or her alcohol content as provided by section 14 of this act.

NEW SECTION. Sec. 14. (1) A person who drives a commercial motor vehicle within this state is deemed to have given consent, subject to RCW 46.61.506, to take a test or tests of that person's blood or breath for the purpose of determining that person's alcohol concentration or the presence of other drugs.
(2) A test or tests may be administered at the direction of a law enforcement officer, who after stopping or detaining the commercial motor vehicle driver, has probable cause to believe that driver was driving a commercial motor vehicle while having alcohol in his or her system.

(3) The law enforcement officer requesting the test under subsection (1) of this section shall warn the person requested to submit to the test that a refusal to submit will result in that person being disqualified from operating a commercial motor vehicle under section 11 of this act.

(4) If the person refuses testing, or submits to a test that discloses an alcohol concentration of 0.04 or more, the law enforcement officer shall submit a sworn report to the department certifying that the test was requested pursuant to subsection (1) of this section and that the person refused to submit to testing, or submitted to a test that disclosed an alcohol concentration of 0.04 or more.

The hearing shall be conducted in the county of the arrest. For the purposes of this section, the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a commercial motor vehicle within this state while under the influence of alcohol or any drug, whether the person was placed under arrest, whether the person refused to submit to the test or tests upon request of the officer after having been informed that the refusal would result in the disqualification of the person from driving a commercial motor vehicle, and, if the test was administered, whether the results indicated an alcoholic concentration in that person's blood of 0.04 percent or more. The department shall order that the disqualification of the person either be rescinded or sustained. Any decision by the department disqualifying a person from driving a commercial motor vehicle is stayed and does not take effect while a formal hearing is pending under this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during the pendency of the hearing and appeal. If the disqualification of the person is sustained after the hearing, the person who is disqualified may file a petition in the superior court of the county of arrest to review the final order of disqualification by the department in the manner provided in RCW 46.20.334.

NEW SECTION. Sec. 15. Within ten days after receiving a report of the conviction of any nonresident holder of a commercial driver's license for any violation of state law or local ordinance relating to motor vehicle traffic control, other than parking violations, committed in a commercial motor
vehicle, the department shall notify the driver licensing authority in the licensing state of the conviction.

The chief of the Washington state patrol shall furnish the index cross-reference record to the director, with reference to each driver involved in the reported accidents.

(2) The case record shall be maintained in two parts:
   (a) One part shall be the employment driving record of the person. This part shall include all motor vehicle accidents in which the person is involved while the person is driving a commercial motor vehicle as an employee of another or an owner-operator, all convictions of the person for violation of the motor vehicle laws while the person is driving a commercial motor vehicle as an employee of another or an owner-operator, and all findings that the person has committed a traffic infraction while the person is driving a commercial motor vehicle as an employee of another or an owner-operator. The same reports shall be entered when the person is a law enforcement officer or fire fighter as defined in RCW 41.26.030, or a state patrol officer, and is driving an official police, state patrol, or fire department vehicle in the course of their official duties.
   (b) The other part shall include all other accidents, convictions, and findings that the person has committed a traffic infraction.

Such case records shall not be offered as evidence in any court except in case appeal is taken from the order of the director, suspending, revoking, canceling, or refusing a vehicle driver's license or to provide proof of a person's failures to appear under RCW 46.64.020.
The director shall tabulate and analyze vehicle driver's case records and suspend, revoke, cancel, or refuse a vehicle driver's license to a person when it is deemed from facts contained in the case record of such person that it is for the best interest of public safety that such person be denied the privilege of operating a motor vehicle. Whenever the director orders the vehicle driver's license of any such person suspended, revoked, or canceled, or refuses the issuance of a vehicle driver's license, such suspension, revocation, cancellation, or refusal is final and effective unless appeal from the decision of the director is taken as provided by law.

The director shall collect for each abstract the sum of four dollars and fifty cents which shall be deposited in the highway safety fund.

Any insurance company or its agent receiving the certified abstract shall use it exclusively for its own underwriting purposes and shall not divulge any of the information contained in it to a third party. Any alcohol/drug assessment or treatment agency approved by the department of social and health services receiving the certified abstract shall use it exclusively for the purpose of assisting its employees in making a determination as to what level of treatment, if any, is appropriate. (3) The supervisor may ((file an action in the superior court of the county in which the bank is located to restrain the pending acquisition of control of a savings bank if he finds after considering the application and within thirty days after its filing any of the following)) disapprove the acquisition of a savings bank within thirty days after the filing of a complete application pursuant to subsections (1) and (2) of this section or an extended period not exceeding an additional fifteen days if:

(a) The poor financial condition of any acquiring party might jeopardize the financial stability of the savings bank or might prejudice the interest of depositors, borrowers, or shareholders;

(b) The plan or proposal of the acquiring party to liquidate the savings bank, to sell its assets, to merge it with any person, or to make any other major change in its business or corporate structure or management is not fair and reasonable to its depositors, borrowers, or stockholders or is not in public interest;

(c) The banking and business experience and integrity of any acquiring party who would control the operation of the savings bank indicates that approval would not be in the interest of the savings bank's depositors, borrowers, or shareholders;

(d) The information provided by the application is insufficient for the supervisor to make a determination or there has been insufficient time to verify the information provided and conduct an examination of the qualifications of the acquiring party; or

(b) Upon application by any acquiring party or associate subject to (a) of this subsection, the supervisor may approve a transaction between a converted savings bank and such acquiring party, person, or associate, upon finding that the terms and conditions of the transaction are at least as advantageous to the savings bank as the savings bank would obtain in a comparable transaction with an unaffiliated person.

(5) Except with the consent of the supervisor, no converted savings bank shall, for the purpose of enabling any person to purchase any or all shares of its capital stock, pledge or otherwise transfer any of its assets as security for a loan to such person or to any associate, or pay any dividend to any such person or associate. Nothing in this section shall prohibit a dividend of stock among shareholders in proportion to their shareholdings. In the event any clause of this section is declared to be unconstitutional or otherwise invalid, all remaining dependent and independent clauses of this section shall remain in full force and effect.

Sec. 7. Section 11, chapter 136, Laws of 1981 as last amended by section 2, chapter 193, Laws of 1986 and RCW 72.09.100 are each amended to read as follows:

It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have limited work programs in the past. For purposes of establishing such a comprehensive program, the legislature recommends that the department consider adopting any or all, or any variation of, the following classes of work programs:

(1) CLASS I: FREE VENTURE INDUSTRIES. The industries in this class shall be operated and managed in total or in part by any profit or nonprofit organization pursuant to an agreement between the organization and the department. The organization shall produce goods or services for sale to both the public and private sector.

The department of corrections shall supply appropriate security and custody services without charge to the participating firms.

Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage not less than sixty percent of the approximate prevailing wage within the state for the occupation, as determined by the director of the ((institutional)) correctional industries division. If the director finds that he cannot reasonably determine the wage, then the pay shall not be less than the federal minimum wage.

(2) CLASS II: TAX REDUCTION INDUSTRIES. Industries in this class shall be state-owned and operated enterprises designed to reduce the costs for goods and services for tax-supported agencies and for nonprofit organizations. The industries selected for development within this class shall, as much as possible, match the available pool of inmate work skills and aptitudes with the work opportunities in the free community. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit. The products and services of this industry, including purchased products and services necessary for a complete product line, may be sold to public agencies and to nonprofit organizations: PROVIDED, That to avoid waste or spoilage and consequent loss to the state, when there is no public sector market for such goods, byproducts and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus by-products and surpluses of timber, agricultural and animal
husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

Security and custody services shall be provided without charge by the department of corrections.

Inmates working in this class of industries shall do so at their own choice and shall be paid for their work on a gratuity scale which shall not exceed the federal minimum wage and which is approved by the director of ((institutional)) correctional industries.

(3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES. Industries in this class shall be operated by the department of corrections. They shall be designed and managed to accomplish the following objectives:

(a) Whenever possible, to provide basic work training and experience so that the inmate will be able to qualify for better work both within (institutional) correctional industries and the free community. It is not intended that an inmate's work within this class of industries should be his or her final and total work experience as an inmate.

(b) Whenever possible, to provide forty hours of work or work training per week.

(c) Whenever possible, to offset tax and other public support costs.

Supervising, management, and custody staff shall be employees of the department.

All able and eligible inmates who are assigned work and who are not working in other classes of industries shall work in this class.

Except for inmates who work in work training programs, inmates in this class shall be paid for their work in accordance with an inmate gratuity scale. The scale shall be adopted by the secretary of corrections.

(4) CLASS IV: COMMUNITY WORK INDUSTRIES. Industries in this class shall be operated by the department of corrections. They shall be designed and managed to provide services in the inmate's resident community at a reduced cost. The services shall be provided to public agencies, to persons who are poor or infirm, or to nonprofit organizations.

Inmates in this program shall reside in facilities owned by, contracted for, or licensed by the department of corrections. A unit of local government shall provide work supervision services without charge to the state and shall pay the inmate's wage.

The department of corrections shall reimburse participating units of local government for liability and workers compensation insurance costs.

Inmates who work in this class of industries shall do so at their own choice and shall receive a gratuity which shall not exceed the minimum wage for their work.

(5) CLASS V: COMMUNITY SERVICE PROGRAMS. Programs in this class shall be subject to supervision by the department of corrections.
The purpose of this class of industries is to enable an offender, placed on community supervision, to work off all or part of a community service order as ordered by the sentencing court.

Employment shall be in a community service program operated by the state, local units of government, or a nonprofit agency.

To the extent that funds are specifically made available for such purposes, the department of corrections shall reimburse nonprofit agencies for workers compensation insurance costs.

Sec. 8. Section 4, chapter 296, Laws of 1983 and RCW 72.09.106 are each amended to read as follows:

Class II ((institutional)) correctional industries may subcontract its data input and microfilm capacities to firms from the private sector. Inmates employed under these subcontracts will be paid in accordance with the Class I free venture industries procedures and wage scale.

Sec. 9. Section 12, chapter 136, Laws of 1981 as amended by section 1, chapter 162, Laws of 1986 and RCW 72.09.110 are each amended to read as follows:

All inmates working in prison industries shall participate in the cost of corrections, including costs to develop and implement ((institutional)) correctional industries programs. The secretary shall develop a formula which can be used to determine the extent to which the wages of these inmates will be deducted for this purpose. The amount so deducted shall be placed in the general fund and shall be a reasonable amount which will not unduly discourage the incentive to work. The secretary may direct the state treasurer to deposit a portion of these moneys in the crime victims compensation account.

When the secretary finds it appropriate and not unduly destructive of the work incentive, the secretary shall also provide deductions for restitution, savings, and family support.

Sec. 10. Section 72.60.100, chapter 28, Laws of 1959 as last amended by section 38, chapter 185, Laws of 1987 and RCW 72.60.100 are each amended to read as follows:

Nothing in this chapter is intended to restore, in whole or in part, the civil rights of any inmate. No inmate compensated for work in ((institutional)) correctional industries shall be considered as an employee or to be employed by the state or the department, nor shall any such inmate, except those provided for in RCW 72.60.102 and 72.64.065, come within any of the provisions of the workers' compensation act, or be entitled to any benefits thereunder whether on behalf of himself or of any other person.

Sec. 11. Section 2, chapter 40, Laws of 1972 ex. sess. as last amended by section 7, chapter 52, Laws of 1983 1st ex. sess. and RCW 72.60.102 are each amended to read as follows:
From and after July 1, 1973, any inmate employed in classes I, II, and IV of ((institutional)) correctional industries as defined in RCW 72.09.100 is eligible for industrial insurance benefits as provided by Title 51 RCW. However, eligibility for benefits for either the inmate or ((his)) the inmate's dependents or beneficiaries for temporary disability or permanent total disability as provided in RCW 51.32.090 or 51.32.060, respectively, shall not take effect until the inmate is released pursuant to an order of parole by the indeterminate sentence review board ((of prison terms and paroles)), or discharged from custody upon expiration of the sentence, or discharged from custody by order of a court of appropriate jurisdiction. Nothing in this section shall be construed to confer eligibility for any industrial insurance benefits to any inmate who is employed in class III or V of ((institutional)) correctional industries as defined in RCW 72.09.100.

Sec. 12. Section 2, chapter 7, Laws of 1972 ex. sess. and RCW 72.62-0.020 are each amended to read as follows:

When used in this chapter, unless the context otherwise requires:

The term "vocational education" means a planned series of learning experiences, the specific objective of which is to prepare individuals for gainful employment as semiskilled or skilled workers or technicians or sub-professionals in recognized occupations and in new and emerging occupations, but shall not mean programs the primary characteristic of which is repetitive work for the purpose of production, including the ((institutional)) correctional industries program. Nothing in this section shall be construed to prohibit the correctional industries board of directors from identifying and establishing trade advisory or apprenticeship committees to advise them on correctional industries work programs.

Sec. 13. Section 4, chapter 286, Laws of 1985 and RCW 72.63.040 are each amended to read as follows:

The costs of implementation of the projects prescribed by this chapter shall be supported to the extent that funds are available under the provisions of chapter 75.52 RCW, and from ((institutional)) correctional industries funds.

CHAPTER 188
[House Bill No. 2051]
FEDERALLY ASSISTED HOUSING—PRESERVATION

AN ACT Relating to federally assisted housing; adding a new chapter to Title 59 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that:
(1) There is a severe shortage of federally assisted housing within the state of Washington. Over one hundred seventy thousand low and moderate-income households are eligible for federally assisted housing but are unable to locate vacant units.

(2) Within the next twenty years, more than twenty-six thousand existing low-income housing units may be lost as a result of the prepayment of mortgages or loans by the owners, or as a result of the expiration of rental assistance contracts. Over three thousand units of federally assisted housing have already been lost and an additional nine thousand units may be lost within the next two and one-half years.

(3) Recent reductions in federal housing assistance and tax benefits related to low-income housing make it uncertain whether additional units of federally assisted housing will be built or that those lost will be replaced.

(4) The loss of federally assisted housing will adversely affect current tenants and lead to their displacement. It will also drastically reduce the supply of affordable housing in our communities.

It is the purpose of this chapter to preserve federally assisted housing in the state of Washington and to minimize the involuntary displacement of tenants currently residing in such housing.

NEW SECTION. Sec. 2. (1) "Federally assisted housing" means any multifamily housing that is insured, financed, assisted, or held by the secretary of housing and urban development or the secretary of agriculture under:

(a) Section 8 of the United States housing act of 1937, as amended (42 U.S.C. Sec. 1437f);
(b) Section 101 of the housing and urban development act of 1965, as amended (12 U.S.C. Sec. 1701s);
(c) The following sections of the national housing act:
(i) Section 202 (12 U.S.C. Sec. 1701q);
(ii) Section 213 (12 U.S.C. Sec. 1715e);
(iii) Section 221 (d) (3) and (4) (12 U.S.C. Sec. 17151(d) (3) and (4));
(iv) Section 223(f) (12 U.S.C. Sec. 1715n(f));
(v) Section 231 (12 U.S.C. Sec. 1715v); or
(vi) Section 236 (12 U.S.C. Sec. 1715z–1); and
(d) The following sections of the housing act of 1949, as amended:
  (i) Section 514 (42 U.S.C. Sec. 1484);
  (ii) Section 515 (42 U.S.C. Sec. 1485);
  (iii) Section 516 (42 U.S.C. Sec. 1486);
  (iv) Section 521(a)(1)(B) (42 U.S.C. Sec. 1490a(a)(1); or
  (v) Section 521(a)(2) (42 U.S.C. Sec. 1490a(a)(2)).

(2) "Rental agreement" means any agreement that establishes or modifies the terms, conditions, rules, regulations, or any other provision concerning the use and occupancy of a federally assisted housing unit.

(3) "Owner" means the current or subsequent owner or owners of federally assisted housing.

NEW SECTION. Sec. 3. This act shall not apply to the expiration or termination of a housing assistance contract between a public housing agency and an owner of existing housing participating in either the section 8 certificate or voucher program (42 U.S.C. Sec. 1437f).

NEW SECTION. Sec. 4. All owners of federally assisted housing shall, at least twelve months before the expiration of the rental assistance contract or prepayment of a mortgage or loan, serve a written notice of the anticipated expiration or prepayment date on each tenant household residing in the housing, on the clerk of the city, or county if in an unincorporated area, in which the property is located, and on the state department of community development, by regular and certified mail.

NEW SECTION. Sec. 5. This chapter shall not in any way prohibit an owner of federally assisted housing from terminating a rental assistance contract or prepaying a mortgage or loan. The requirement in this chapter for notice shall not be construed as conferring any new or additional regulatory power upon the city or county clerk or upon the state department of community development.

NEW SECTION. Sec. 6. The notice to tenants required by section 4 of this act shall state the date of expiration or prepayment and the effect, if any, that the expiration or prepayment will have upon the tenants' rent and other terms of their rental agreement.

The notice to the city or county clerk and to the state department of community development required by section 4 of this act shall state: (1) The name, location, and project number of the federally assisted housing and the type of assistance received from the federal government; (2) the number and size of units; (3) the age, race, family size, and estimated incomes of the tenants who will be affected by the prepayment of the loan or mortgage or expiration of the federal assistance contract; (4) the projected rent increases for each affected tenant; and (5) the anticipated date of prepayment of the loan or mortgage or expiration of the federal assistance contract.
NEW SECTION. Sec. 7. From the date of service of the notice under section 4 of this act until either twelve months have elapsed or expiration or prepayment of the rental assistance contract or mortgage or loan, whichever is later, no owner of federally assisted housing may evict a tenant or demand possession of any federally assisted housing unit, except as authorized by the federal assistance program applicable to the project, prior to expiration or prepayment of the rental assistance contract or mortgage or loan.

NEW SECTION. Sec. 8. From the date of service of the notice under section 4 of this act until either twelve months have elapsed or expiration or prepayment of the rental assistance contract, mortgage, or loan, whichever is later, no owner of federally assisted housing may increase the rent of a federally assisted housing unit above the amount authorized by the federal assistance program applicable to the project prior to expiration or prepayment of the rental assistance contract or mortgage or loan.

NEW SECTION. Sec. 9. From the date of service of the notice under section 4 of this act until either twelve months have elapsed or expiration or prepayment of the rental assistance contract, mortgage, or loan, whichever is later, no owner of federally assisted housing may change the terms of the rental agreement, except as permitted under the existing rental agreement, prior to expiration or prepayment of the rental assistance contract or mortgage or loan.

NEW SECTION. Sec. 10. Any party who is entitled to receive notice under this chapter may bring a civil action to enjoin or recover damages for any violation of this chapter, together with the costs of the suit including reasonable attorneys' fees.

NEW SECTION. Sec. 11. The director of the department of community development shall prepare an annual report on the preservation and loss of federally assisted housing in the state of Washington. The director shall include in this report recommendations for preserving federally assisted housing and for minimizing the involuntary displacement of tenants residing in such housing. The director shall provide a copy of this report to the house of representatives committee on housing and the senate committee on economic development and labor.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 13. Sections 1 through 11 of this act shall constitute a new chapter in Title 59 RCW.

NEW SECTION. Sec. 14. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state
government and its existing public institutions, and shall take effect immediately.

CHAPTER 190
[Senate Bill No. 5679]
WORKERS' COMPENSATION—DUTIES OF INSURANCE COMMISSIONER—TRANSFER TO DEPARTMENT OF LABOR AND INDUSTRIES

AN ACT Relating to industrial insurance funds; and amending RCW 51.44.070 and 51.44.080.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 51.44.070, chapter 23, Laws of 1961 as last amended by section 1, chapter 312, Laws of 1983 and RCW 51.44.070 are each amended to read as follows:

(1) For every case resulting in death or permanent total disability the department shall transfer on its books from the accident fund of the proper class and/or appropriate account to the "reserve fund" a sum of money for that case equal to the estimated present cash value of the monthly payments provided for it, to be calculated upon the basis of an annuity covering the payments in this title provided to be made for the case. Such annuity values shall be based upon rates of mortality, disability, remarriage, and interest as determined by the department, taking into account the experience of the reserve fund in such respects.

Similarly, a self-insurer in these circumstances shall pay into the reserve fund a sum of money computed in the same manner, and the disbursements therefrom shall be made as in other cases.

(2) As an alternative to payment procedures otherwise provided under law, in the event of death or permanent total disability to workers of self-insured employers, a self-insured employer may upon establishment of such obligation file with the department a bond, or an assignment of account from a federally or state chartered commercial banking institution authorized to conduct business in the state of Washington, in an amount deemed by the department to be reasonably sufficient to insure payment of the pension benefits provided by law. The department shall adopt rules governing assignments of account. Such rules shall ensure that the funds are available if needed, even in the case of failure of the banking institution or of the employer's business.

The annuity value for every such case shall be determined by the department based upon the department's experience as to rates of mortality, disability, remarriage, and
interest. The amount of the required bond or assignment of account may be
reviewed and adjusted periodically by the department, based upon periodic
redeterminations by the ((insurance-commissioner)) department as to the
outstanding annuity value for the case.

Under such alternative, the department shall make the monthly pay-
ments from the pension reserve fund for the benefits provided for by RCW
51.32.050 and 51.32.060 to the self-insured beneficiary or beneficiaries and
the department shall be reimbursed for all such payments from the particu-
lar self-insured employer through periodic charges not less than quarterly in
a manner to be determined by the director.

Any self-insured employer electing this alternative method of provid-
ing for payment to the beneficiary or beneficiaries shall additionally pay to
the department a deposit equal to the first three months' payments other-
wise required under RCW 51.32.050 and 51.32.060. Such deposit shall be
placed in the reserve fund in accordance with RCW 51.44.140 and shall be
returned to the respective self-insured employer when monthly payments
are no longer required for such particular obligation.

If a self-insurer delays or refuses to reimburse the department beyond
fifteen days after the reimbursement charges become due, there shall be a
penalty paid by the self-insurer upon order of the director of an additional
amount equal to twenty-five percent of the amount then due which shall be
paid into the pension reserve fund. Such an order shall conform to the re-

CHAPTER 192
[House Bill No. 1545]
FRAUDULENT FAILURE TO REGISTER A VEHICLE

AN ACT Relating to fraudulent failure to register a vehicle; amending RCW 46.16.010; creating a new section; prescribing penalties; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:
NEW SECTION. Sec. 1. The legislature recognizes that there are residents of this state who intentionally register motor vehicles in other states to evade payment of taxes and fees required by the laws of this state. This results in a substantial loss of revenue to the state. It is the intent of the legislature to impose a stronger criminal penalty upon those residents who defraud the state, thereby enhancing compliance with the registration laws of this state and further enhancing enforcement and collection efforts.

In order to encourage voluntary compliance with the registration laws of this state, administrative penalties associated with failing to register a motor vehicle are waived until September 1, 1989. It is not the intent of the legislature to waive traffic infraction or criminal traffic violations imposed prior to the effective date of this act.

Sec. 2. Section 46.16.010, chapter 12, Laws of 1961 as last amended by section 1, chapter 186, Laws of 1986 and RCW 46.16.010 are each amended to read as follows:

(1) It is unlawful for a person to operate any vehicle over and along a public highway of this state without first having obtained and having in full force and effect a current and proper vehicle license and display vehicle license number plates therefor as by this chapter provided. Failure to make initial registration before operation on the highways of this state is a misdemeanor, and any person convicted thereof shall be punished by a fine of no less than three hundred thirty dollars, no part of which may be suspended or deferred. Failure to renew an expired registration before operation on the highways of this state is a traffic infraction.

(2) The licensing of a motor vehicle in another state by a resident of this state, as defined in RCW 46.16.028, with willful intent to evade the payment of any tax or license fee imposed in connection with registration, is a gross misdemeanor punishable as follows:

(a) For a first offense, up to one year in the county jail and a fine equal to twice the amount of delinquent taxes and fees, no part of which may be suspended or deferred;

(b) For a second or subsequent offense, up to one year in the county jail and a fine equal to three times the amount of delinquent taxes and fees, no part of which may be suspended or deferred.

(3) These provisions shall not apply to farm vehicle as defined in RCW 46.04.181 if operated within a radius of fifteen miles of the farm where principally used or garaged, farm tractors and farm implements including trailers designed as cook or bunk houses used exclusively for animal herding temporarily operating or drawn upon the public highways, and trailers used exclusively to transport farm implements from one farm to another during the daylight hours or at night when such equipment has lights that comply with the law: PROVIDED FURTHER, That these provisions shall not apply to spray or fertilizer applicator rigs designed and used exclusively for
spraying or fertilization in the conduct of agricultural operations and not primarily for the purpose of transportation, and nurse rigs or equipment auxiliary to the use of and designed or modified for the fueling, repairing or loading of spray and fertilizer applicator rigs and not used, designed or modified primarily for the purpose of transportation: PROVIDED FURTHER, That these provisions shall not apply to fork lifts operated during daylight hours on public highways adjacent to and within five hundred feet of the warehouses which they serve: PROVIDED FURTHER, That these provisions shall not apply to equipment defined as follows:

"Special highway construction equipment" is any vehicle which is designed and used primarily for grading of highways, paving of highways, earth moving, and other construction work on highways and which is not designed or used primarily for the transportation of persons or property on a public highway and which is only incidentally operated or moved over the highway. It includes, but is not limited to, road construction and maintenance machinery so designed and used such as portable air compressors, air drills, asphalt spreaders, bituminous mixers, bucket loaders, track laying tractors, ditchers, leveling graders, finishing machines, motor graders, paving mixers, road rollers, scarifiers, earth moving scrapers and carryalls, lighting plants, welders, pumps, power shovels and draglines, self-propelled and tractor-drawn earth moving equipment and machinery, including dump trucks and tractor-dump trailer combinations which either (1) are in excess of the legal width or (2) which, because of their length, height or unladen weight, may not be moved on a public highway without the permit specified in RCW 46.44.090 and which are not operated laden except within the boundaries of the project limits as defined by the contract, and other similar types of construction equipment, or (3) which are driven or moved upon a public highway only for the purpose of crossing such highway from one property to another, provided such movement does not exceed five hundred feet and the vehicle is equipped with wheels or pads which will not damage the roadway surface.

Exclusions:

"Special highway construction equipment" does not include any of the following:

Dump trucks originally designed to comply with the legal size and weight provisions of this code notwithstanding any subsequent modification which would require a permit, as specified in RCW 46.44.090, to operate such vehicles on a public highway, including trailers, truck-mounted transit mixers, cranes and shovels, or other vehicles designed for the transportation of persons or property to which machinery has been attached.

shipment as the director may require. All export certificates must be completed and filed with the director within three months of the end of the calendar month in which the shipments to which they relate were made, unless the state, territory or country of destination would not be prejudiced with respect to its collection of taxes thereon if the certificate is not filed within such time. The director may, in cases where it is believed no useful purpose would be served by filing of an export certificate, waive the certificate.

PROVIDED, That the director for good cause shall have the right to rescind the previous authorization for waiver of the export certificate. Failure to file the certificate within the time required by this section shall not preclude the distributor from filing a claim for refund on motor vehicle fuel exported as provided in RCW 82.36.310 or otherwise in chapter 82.36 RCW, with such information as the director may require to support the validity of such claim) for export, the purchaser shall obtain from the selling distributor, and such selling distributor must furnish the purchaser, an invoice giving such details of the sale for export as the director may require, copies of which shall be furnished the department and the entity of the state or foreign jurisdiction of destination which is charged by the laws of that state or foreign jurisdiction with the control or monitoring, or both, of the sales or movement of motor vehicle fuel in that state or foreign jurisdiction.

((In support of any exemption from taxes on account of sales of motor vehicle fuel in individual quantities of five hundred gallons or less for export by the purchaser, the distributor shall retain in his files for at least three years an export certificate executed by the purchaser in such form and containing such information as shall be prescribed by the director. This certificate shall be prima facie evidence of the exportation of the motor vehicle fuel to which it applies only if accepted by the distributor in good faith;))

of all right to the exemption claimed. The director is hereby empowered with full authority to promulgate rules and regulations and to prescribe forms to be used by distributors in reporting to the director so as to prevent evasion of the tax imposed by this chapter.

Upon request from the officials to whom are entrusted the enforcement of the motor fuel tax law of any other state, the District of Columbia, the United States, its territories and possessions, the provinces, or the Dominion of Canada, the director may forward to such officials any information which the director may have relative to the import or export of any motor vehicle fuel by any distributor: PROVIDED, That such governmental unit furnish like information to this state.

The director then shall transmit one copy of the complaint to the licensee within five business days after receipt of the complaint) be grounds for disciplinary action.

Sec. 10. Section 18, chapter 39, Laws of 1983 and RCW 18.35.240 are each amended to read as follows:

Every establishment engaged in the fitting and dispensing of hearing aids shall file with the department a surety bond in the sum of ten thousand dollars, running to the state of Washington, for the benefit of any person injured or damaged as a result of any violation by the establishment's employees or agents of any of the provisions of this chapter or rules adopted by the director.

In lieu of the surety bond required by this section, the establishment may file with the department a cash deposit or other negotiable security acceptable to the department. (The security deposited with the department in lieu of the surety bond shall be returned to the establishment at the expiration of four years after any disciplinary proceedings involving employees or agents of the establishment, if no legal action has been instituted against the establishment or on the security deposit at the expiration of the four-year period) All obligations and remedies relating to surety bonds shall apply to deposits and security filed in lieu of surety bonds.

If a cash deposit is filed, the department shall deposit the funds with the state treasurer. The cash or other negotiable security deposited with the department shall be returned to the depositor one year after the establishment has discontinued the fitting and dispensing of hearing aids if no legal action has been instituted against the establishment, its agents or employees, or the cash deposit or other security. The establishment owners shall notify the department if the establishment is sold or has discontinued the fitting and dispensing of hearing aids in order that the cash deposit or other security may be released at the end of one year from that date.

A surety may file with the department notice of withdrawal of the bond of the establishment. Upon filing a new bond, or upon the expiration of sixty days after the filing of notice of withdrawal by the surety, the liability of the former surety for all future acts of the establishment terminates.
(3) The department shall immediately cancel the bond given by a surety company upon being advised that the surety company's license to transact business in this state has been revoked.

(5) Upon the filing with the department notice by a surety of withdrawal of the surety on the bond of an establishment or upon the cancellation by the department of the bond of a surety under this section, the department shall immediately give notice to the establishment by certified or registered mail with return receipt requested addressed to the establishment's last place of business as filed with the department.

(6) The department shall immediately cancel the bond given by a surety company upon being advised that the surety company's license to transact business in this state has been revoked.

Sec. 11. Section 20, chapter 39, Laws of 1983 and RCW 18.35.250 are each amended to read as follows:

(1) In addition to any other legal remedies, an action may be brought in any court of competent jurisdiction upon the bond, cash deposit, or security in lieu of a surety bond required by this chapter, by any person having a claim against a licensee, agent, or establishment for any violation of this chapter or any rule adopted under this chapter. The aggregate liability of the surety to all claimants shall in no event exceed the sum of the bond. Claims shall be satisfied in the order of judgment rendered.

(2) An action upon the bond (or security) shall be commenced by serving and filing the complaint within one year from the date of the cancellation of the bond (or in case of a cash deposit or other security deposited in lieu of the surety bond, within one year of the date of expiration of revocation of the license). An action upon a cash deposit or other security shall be commenced by serving and filing the complaint within one year from the date of notification to the department of the change in ownership of the establishment or the discontinuation of the fitting and dispensing of hearing aids by that establishment. Two copies of the complaint shall be served by registered or certified mail, return receipt requested, upon the department at the time the suit is started. The service constitutes service on the surety. The director shall transmit one copy of the complaint to the surety within five business days after the copy has been received.

(3) The director shall maintain a record, available for public inspection, of all suits commenced under this chapter under surety bonds, or the cash or other security deposited in lieu of the surety bond. In the event that any final judgment impairs the liability of the surety upon a bond so furnished or the amount of the deposit so that there is not in effect a bond undertaking or deposit in the full amount prescribed in this section, the department shall suspend the license until the bond undertaking or deposit in the required amount, unimpaired by unsatisfied judgment claims, has been furnished.
(4) If a judgment is entered against the deposit or security required under this chapter, the department shall, upon receipt of a certified copy of a final judgment, pay the judgment from the amount of the deposit or security.

NEW SECTION. Sec. 12. A new section is added to chapter 18.35 RCW to read as follows:

(1) In addition to any other rights and remedies a purchaser may have, the purchaser of a hearing aid shall have the right to rescind the transaction for other than the seller's breach if:

(a) The purchaser, for reasonable cause, returns the hearing aid or holds it at the seller's disposal, if the hearing aid is in its original condition less normal wear and tear. "Reasonable cause" shall be defined by the council but shall not include a mere change of mind on the part of the purchaser or a change of mind related to cosmetic concerns of the purchaser about wearing a hearing aid; and

(b) The purchaser sends notice of the cancellation to the licensee at the licensee's place of business by certified mail, return receipt requested, and the notice is posted not later than thirty days following the date of delivery, but the purchaser and the seller may extend the deadline for posting of the notice of rescission by mutual, written agreement. In the event the hearing aid is in the possession of the seller or the seller's representative during the thirty days following the date of delivery, the deadline for posting the notice of rescission shall be extended by an equal number of days that the aid is in the possession of the seller or the seller's representative. Where the hearing aid is returned to the seller for any inspection for modification or repair, and the seller has notified the purchaser that the hearing aid is available for redelivery, and where the purchaser has not responded by either taking possession of the hearing aid or instructing the seller to forward it to the purchaser, then the deadline for giving notice of the rescission shall begin seven working days after this notice.

(2) If the transaction is rescinded under this section or as otherwise provided by law and the hearing aid is returned to the licensee, the licensee shall refund to the purchaser any payments or deposits for that hearing aid. However, the licensee may retain, for each hearing aid, fifteen percent of the total purchase price or one hundred dollars, whichever is less. The licensee shall also return any goods traded in contemplation of the sale, less any costs incurred by the licensee in making those goods ready for resale. The refund shall be made within ten days after the rescission. The buyer shall incur no additional liability for such rescission.

(8) "Relocation assistance" means the monetary assistance provided under section 2 of this act.
NEW SECTION. Sec. 2. (1) If a mobile home park is closed or converted to another use, all affected park tenants are entitled to relocation assistance from the park-owner or the fund at the time the tenant relocates as follows: (a) For a single-wide mobile home, four thousand five hundred dollars; and (b) for a double-wide or larger mobile home, seven thousand five hundred dollars.

(2) When a tenant is forced to relocate before July 1, 1991, the payment of relocation assistance as provided by this section shall be paid by the park-owner. However, if the tenant has been given notice to vacate prior to April 1, 1989, and the tenant has not yet relocated as of the effective date of this act, the payment of relocation assistance by the park-owner shall be required only if the tenant is low income.

(3) When a tenant is forced to relocate after June 30, 1991, the payment of relocation assistance as provided in this section shall be shared as follows: The landlord or park-owner shall provide one-third and the fund shall provide two-thirds.

(4) After July 1, 1992, (a) if twenty-four months' notice of closure is given, the landlord or park-owner shall provide five hundred dollars for a single-wide home or one thousand dollars for a double-wide or larger home and the fund shall provide the balance of the relocation assistance; (b) if the park-owner gives less than twenty-four months' notice the park-owner shall provide one-third and the fund shall provide two-thirds of the relocation assistance.

(5) The parkowner shall make any payment required by this chapter when demanded by the department; however, the department shall not demand such payment earlier than thirty days prior to the expected relocation date of the tenant. If the landlord does not pay his or her portion of the relocation assistance to the department when required by this chapter, the department shall have a lien on the real property on which the park is located. Such lien shall be collected as delinquent general property taxes and shall be forwarded to the department by the county treasurer.

(6) The director or his or her designee shall approve all expenditures from the fund.

(7) Relocation assistance contributions required from landlords or park-owners by this section shall be reduced by the amount paid or required to be paid under any other law for the same mobile home park tenant for the same relocation.

NEW SECTION. Sec. 3. Notice required by RCW 59.20.080 before park closure or conversion of the park, whether twelve months or longer, shall be given to the director and all tenants in writing, and posted at all park entrances. Notice must also include the tenant's right to relocation assistance, if applicable. NEW SECTION. Sec. 4. NEW SECTION. Sec. 5. (1) The mobile home park relocation fund is created in the custody of the state treasurer. All legislative appropriations for mobile home relocation assistance, receipts from assessments collected under section 6 of this act, and amounts required to be paid by park-owners shall be deposited into the fund. Expenditures from the fund may be used only for administration of the fund, relocation assistance under section 2 of this act, or transfer to the mobile home park purchase fund under subsection (2) of this section. Only the director of community development or the director's designee may authorize expenditures from the fund. All relocation payments, including those due from the park-owner shall be made from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

(2) The state treasurer shall maintain the fund and shall invest the fund moneys. Moneys earned on these investments shall be deposited in the fund and shall be used for the same purposes as other fund moneys. Unexpended and unencumbered moneys that remain in the fund at the end of the fiscal year do not revert to the state general fund but remain in the fund, separately accounted for, as a contingency reserve, or if the director determines at the end of any fiscal year beginning after December 31, 1991, that the fund contains a surplus over the projected amount needed for relocation during the upcoming year(s), any surplus may be transferred to the mobile home park purchase fund created by chapter 59.22 RCW. However, the director may cause any uncommitted funds in the mobile home park purchase fund which were transferred from the mobile home park relocation fund to be transferred back to the mobile home park relocation fund if that fund cannot otherwise meet its current obligations.

(3) A tenant who is entitled to relocation assistance under this chapter is entitled to payment only after submitting an application which includes: (a) A copy of the notice from the parkowner that the tenancy is terminated due to closure of the park; (b) a copy of the rental agreement currently in force; and (c) a copy of the contract entered into for the purpose of relocating the mobile home, which includes the date of relocation.

(5) The department may use money from the fund to offset the necessary costs of administering the fund. Administrative cost reimbursement shall not exceed fifty thousand dollars or five percent of the revenue to the
fund for any given fiscal year, whichever is greater, to offset expenses in-
curred during that year.

NEW SECTION. Sec. 6. (1) There is hereby placed on all mobile
homes located in mobile home parks an annual assessment of eleven dollars
per mobile home beginning on January 1, 1990. The assessment shall be
collected by the county treasurer or treasurers within the county or counties
where the mobile home or the mobile home park is located. Notice of the
assessment created under this section may be included on the notice of
property taxes due, or may be sent separately from the notice of property
taxes due. The assessment created under this section shall be due at the
same time property taxes are due and shall constitute a lien on the mobile
home upon which the assessment is imposed. Delinquent assessments cre-
ated under this section shall be foreclosed in the same manner, and subject
to the same time schedules, interest, and penalties as delinquent property
taxes. County treasurers may impose a fee for collecting the assessment
created in this section not to exceed five percent of the dollar value of the
collection of assessments created under this section. The county treasurer
may collect the assessment for 1990 at the same time the county treasurer
collects the assessment for 1991 if the county treasurer would experience
undue hardship in collecting the 1990 assessment in that year.

(2) Upon the request of the treasurer of the county or counties where
the mobile home park is located, each park-owner shall provide the county
treasurer with a list of all tenants residing in the park on January 1, 1989.
This list shall be mailed by August 1, 1989, to the treasurer or treasurers of
the county or counties where the mobile home park is located. The list shall
include the name and address of each tenant, and the mobile home tax
number of each tenant if available. Upon the request of the treasurer of the
county or counties where the mobile home park is located, the park-owners
shall update the list of tenants residing in the park.

(3) The assessments collected under subsection (1) of this section shall
be forwarded to the state treasurer, less any administration fee collected by
the county treasurer under this section. The state treasurer shall deposit one
dollar of the assessment collected per mobile home in the mobile home af-
fairs account created by RCW 59.22.070; the remainder of the assessment
forwarded to the state treasurer under this subsection shall be deposited in
the mobile home park relocation fund created under section 5 of this act.

(4) The department of revenue, the state treasurer, and the county
treasurers may enact any rules necessary to carry out this section.

Sec. 7. Section 4, chapter 280, Laws of 1988 and RCW 59.22.060 are
each amended to read as follows:

(1) Every landlord shall register by October 1, 1988, with the depart-
ment of revenue under such rules as that department shall prescribe.

(2) Every landlord shall pay a fee of one dollar per lot per year, ((and
in addition, shall collect from each tenant on January 1 of each year a fee

[ 1002 ]
of one dollar per year for each lot rented by the tenant. Both fees) except for unoccupied lots. This fee shall be remitted by the landlord to the department of revenue under such rules as the department shall prescribe. (The fee required by this chapter to be collected by the landlord shall be deemed to be held in trust by the landlord until paid to the department of revenue, and any landlord who appropriates or converts the fee collected to his or her own use other than the payment to the department shall be guilty of a gross misdemeanor. The provisions of chapter 82.32 RCW shall apply to the collection and enforcement of this fee.) The department of revenue shall forward the one-dollar fee per lot paid by the landlord to the mobile home affairs account created by RCW 59.22.070.

(3) This section shall take effect on January 1, 1990.

Sec. 8. Section 5, chapter 280, Laws of 1988 and RCW 59.22.070 are each amended to read as follows:

There is created in the custody of the state treasurer a special account known as the mobile home affairs account. (All fees collected pursuant to RCW 59.22.060 shall be placed in that account.)

Disbursements from this special account shall be as follows:

(1) For the two-year period beginning July 1, 1988, forty thousand dollars, or so much thereof as may be necessary for costs incurred in registering landlords and collecting fees, and thereafter five thousand dollars per year for that purpose.

(2) All remaining amounts shall be remitted to the department of community development for the purpose of implementing RCW 59.22.050 and 59.22.060.

Sec. 9. Section 6, chapter 279, Laws of 1977 ex. sess. as last amended by section 1, chapter 58, Laws of 1984 and RCW 59.20.060 are each amended to read as follows:

(1) Any mobile home space tenancy regardless of the term, shall be based upon a written rental agreement, signed by the parties, which shall contain:

(a) The terms for the payment of rent, including time and place, and any additional charges to be paid by the tenant. Additional charges that occur less frequently than monthly shall be itemized in a billing to the tenant;

(b) Reasonable rules for guest parking which shall be clearly stated;

(c) The rules and regulations of the park;

(d) The name and address of the person who is the landlord, and if such person does not reside in the state there shall also be designated by name and address a person who resides in the county where the mobile home park is located who is authorized to act as agent for the purposes of service of notices and process. If no designation is made of a person to act as agent, then the person to whom rental payments are to be made shall be considered the agent;
(e) (i) A covenant by the landlord that, except for acts or events beyond the control of the landlord, the mobile home park will not be converted to a land use that will prevent the space that is the subject of the lease from continuing to be used for its intended use for a period of three years after the beginning of the term of the rental agreement;

(ii) A rental agreement may, in the alternative, contain a statement that the park may be sold or otherwise transferred at any time with the result that subsequent owners may close the mobile home park, or that the landlord may close the park at any time after the required notice. The covenant or statement required by this subsection must appear in print that is larger than the other text of the lease and must be set off by means of a box, blank space, or comparable visual device;

The requirements of this subsection shall apply to tenancies initiated after the effective date of this act.

(f) The terms and conditions under which any deposit or portion thereof may be withheld by the landlord upon termination of the rental agreement if any moneys are paid to the landlord by the tenant as a deposit or as security for performance of the tenant's obligations in a rental agreement;

((f)) (g) A listing of the utilities, services, and facilities which will be available to the tenant during the tenancy and the nature of the fees, if any, to be charged;

((g)) (h) A description of the boundaries of a mobile home space sufficient to inform the tenant of the exact location of his space in relation to other tenants' spaces; and

((h)) (i) A statement of the current zoning of the land on which the mobile home park is located.

(2) Any rental agreement executed between the landlord and tenant shall not contain any provision:

(a) Which allows the landlord to charge a fee for guest parking unless a violation of the rules for guest parking occurs: PROVIDED, That a fee may be charged for guest parking which covers an extended period of time as defined in the rental agreement;

(b) Which authorizes the towing or impounding of a vehicle except upon notice to the owner thereof or the tenant whose guest is the owner of said vehicle;

(c) Which allows the landlord to alter the due date for rent payment or increase the rent: (i) During the term of the rental agreement if the term is less than one year, or (ii) more frequently than annually if the term is for one year or more: PROVIDED, That a rental agreement may include an escalation clause for a pro rata share of any increase in the mobile home park's real property taxes or utility assessments or charges, over the base taxes or utility assessments or charges of the year in which the rental agreement took effect, if the clause also provides for a pro rata reduction in
rent or other charges in the event of a reduction in real property taxes or utility assessments or charges, below the base year: PROVIDED FURTHER, That a rental agreement for a term exceeding one year may provide for annual increases in rent in specified amounts or by a formula specified in such agreement;

(d) By which the tenant agrees to waive or forego rights or remedies under this chapter;

(e) Allowing the landlord to charge an "entrance fee" or an "exit fee";

(f) Which allows the landlord to charge a fee for guests: PROVIDED, That a landlord may establish rules charging for guests who remain on the premises for more than fifteen days in any sixty-day period;

(g) By which the tenant agrees to waive or forego homestead rights provided by chapter 6.13 RCW. This subsection shall not prohibit such waiver after a default in rent so long as such waiver is in writing signed by the husband and wife or by an unmarried claimant and in consideration of the landlord’s agreement not to terminate the tenancy for a period of time specified in the waiver if the landlord would be otherwise entitled to terminate the tenancy under this chapter; or

(h) By which, at the time the rental agreement is entered into, the landlord and tenant agree to the selection of a particular arbitrator.

NEW SECTION. Sec. 10. If the rental agreement includes a covenant by the landlord as described in RCW 59.20.060(I)(e)(i), the covenant runs with the land and is binding upon the purchasers, successors, and assigns of the landlord.

NEW SECTION. Sec. 11. Before a mobile home park-owner may close a mobile home park or convert it to another use, the owner shall pay amounts owed for relocation assistance under section 2 of this act to the state treasurer for deposit into the fund. A park-owner may give notice as required by RCW 59.20.080 and this chapter before payment of these amounts.

Sec. 12. Section 8, chapter 279, Laws of 1977 ex. sess. as last amended by section 5, chapter 150, Laws of 1988 and RCW 59.20.080 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the landlord shall not terminate a tenancy, of whatever duration except for one or more of the following reasons:

(a) Substantial violation, or repeated or periodic violations of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently with the consent of the tenant or for violation of the tenant's duties as provided in RCW 59.20.140. The tenant shall be given written notice to cease the rule violation immediately. The notice shall state that failure to cease the violation of the rule or any subsequent violation of that or any other rule shall result in termination of
the tenancy, and that the tenant shall vacate the premises within fifteen days: PROVIDED, That for a periodic violation the notice shall also specify that repetition of the same violation shall result in termination: PROVIDED FURTHER, That in the case of a violation of a "material change" in park rules with respect to pets, tenants with minor children living with them, or recreational facilities, the tenant shall be given written notice under this chapter of a six month period in which to comply or vacate;

(b) Nonpayment of rent or other charges specified in the rental agreement, upon five days written notice to pay rent and/or other charges or to vacate;

(c) Conviction of the tenant of a crime, commission of which threatens the health, safety, or welfare of the other mobile home park tenants. The tenant shall be given written notice of a fifteen day period in which to vacate;

(d) Failure of the tenant to comply with local ordinances and state laws and regulations relating to mobile homes or mobile home living within a reasonable time after the tenant's receipt of notice of such noncompliance from the appropriate governmental agency;

(e) Change of land use of the mobile home park including, but not limited to, conversion to a use other than for mobile homes or conversion of the mobile home park to a mobile home park cooperative or mobile home park subdivision: PROVIDED, That the landlord shall give the tenants twelve months' notice in advance of the ((proposed)) effective date of such change, except that for the period of six months following the effective date of this act the landlord shall give the tenants eighteen months' notice in advance of the proposed effective date of such change;

(f) Engaging in "drug-related activity." "Drug-related activity" means activity which constitutes a violation of chapter 69.41, 69.50, or 69.52 RCW.

(2) A landlord may terminate any tenancy without cause. Such termination shall be effective twelve months from the date the landlord serves notice of termination upon the tenant or at the end of the current tenancy, whichever is later: PROVIDED, That a landlord shall not terminate a tenancy for any reason or basis which is prohibited under RCW 59.20.070 (3) or (4) or is intended to circumvent the provisions of (1)(c) of this section.

(3) Within five days of a notice of eviction as required by subsection (1)(a) or (2) of this section, the landlord and tenant shall submit any dispute, including the decision to terminate the tenancy without cause, to mediation. The parties may agree in writing to mediation by an independent third party or through industry mediation procedures. If the parties cannot agree, then mediation shall be through industry mediation procedures. A duty is imposed upon both parties to participate in the mediation process in good faith for a period of ten days for an eviction under subsection (1)(a) of this section, or for a period of thirty days for an eviction under subsection
(2) of this section. It is a defense to an eviction under subsection (1)(a) or (2) of this section that a landlord did not participate in the mediation process in good faith.

NEW SECTION. Sec. 34. Sections 1 through 11 of this act are each added to chapter 18.29 RCW.

Passed the House April 15, 1989.
Passed the Senate April 6, 1989.
Approved by the Governor May 3, 1989, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 3, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 17 and 27, Substitute House Bill No. 1894, entitled:

"AN ACT Relating to technical changes in chapter 18.29 and 18.32 RCW."

RCW 43.03.240 specifically designates all part-time boards which perform regulatory or licensing functions with respect to a specific profession, occupation, business, or industry as Class Three Groups for purposes of compensation. Members of boards classified as Class Three Groups receive up to $50 for each day during which the member attends an official meeting or performs statutorily prescribed duties. Both the Board of Dental Examiners and the Dental Disciplinary Board are included in the definition of the part-time boards under RCW 43.03.240 which is the Class Three reimbursement and compensation statute.

Sections 17 and 27 of Substitute House Bill No. 1894 attempt to change the compensation of the Board of Dental Examiners and the Dental Disciplinary Board
by amending their respective practice acts to refer to RCW 43.03.250 which authorizes reimbursement of $100 per day. Enactment of these two sections would clearly be in conflict with the statutory criteria contained in RCW 43.03.240 which says a Class Three Board "performs regulatory or licensing functions with respect to a specific profession". Both boards fit within their existing Class Three ranking. Additionally, the Office of Financial Management, pursuant to a statutory requirement, reviewed all part-time board's compensation and reported to the legislature in November 1988. This report is under consideration by the respective legislative committees.

With the exception of sections 17 and 27, Substitute House Bill No. 1894 is approved.*

CHAPTER 203
[Senate Bill No. 6076]
MOTORCYCLE ENDORSEMENT EXAMINATION AND RENEWAL FEES

AN ACT Relating to motorcycle public awareness campaign; amending RCW 46.20.505; adding a new section to chapter 46.20 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

*NEW SECTION. Sec. 1. A new section is added to chapter 46.20 RCW to read as follows:

(1) Beginning July 1, 1989, the director of licensing shall develop a motorcycle public awareness program, provided funds are appropriated for this purpose. The director may contract with public and private entities for the operation of this program.

(2) There is created a motorcycle public awareness advisory board to assist the director of licensing in the development of a public awareness program. The board shall monitor this program following implementation and report to the director of licensing as necessary with recommendations including, but not limited to, administration, application, and substance of the public awareness program.

The board shall consist of nine members appointed by the director of licensing, one of whom shall be appointed chairperson. Three members of the board shall be members of nonprofit motorcycle organizations which actively support and promote motorcycle safety education. One member of the board shall represent motorcycle dealerships or motorcycle related shops. One member shall be a currently employed Washington state patrol motorcycle officer with at least five years experience and at least one year cumulative experience as a motorcycle officer. One member shall be a member of the public. One member shall be a current motorcycle safety instructor with no less than two years teaching experience. One member shall be the director of licensing or the director's designee. One member shall be a member of the legislative transportation committee or the committee's designee. The term of appointment shall be two years. The board shall meet at the call of the director, but not less than three times annually and not less than six times
during its term of appointment, and shall receive no compensation for services but shall be reimbursed for travel expenses while engaged in business of the board in accordance with RCW 43.03.050 and 43.03.060.

(3) The board shall submit a proposed motorcycle public awareness program to the director and to the legislative transportation committee for review and approval on or before January 1, 1990.

(4) The purpose of the program is to increase public awareness of motorcycle safety.

*Sec. 1 was vetoed, see message at end of chapter.

Sec. 2. Section 50, chapter 145, Laws of 1967 ex. sess. as last amended by section 5, chapter 227, Laws of 1988 and RCW 46.20.505 are each amended to read as follows:

Every person applying for a special endorsement or a new category of endorsement of a driver's license authorizing such person to drive a motorcycle or a motor-driven cycle shall pay ((a motorcycle)) an examination fee of two dollars which is not refundable. ((The)) In addition, the endorsement fee for the initial or new category ((examination)) motorcycle endorsement shall be ((seven)) six dollars and the subsequent renewal ((examination)) endorsement fee shall be ((five)) seven dollars and fifty cents. ((Five dollars of)) The initial or new category ((examination fee and five dollars of any subsequent fee for a renewal)) and renewal endorsement fees shall be deposited in the motorcycle safety education account of the highway safety fund.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate April 17, 1989.
Passed the House April 10, 1989.
Approved by the Governor May 3, 1989, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 3, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 1, Engrossed Senate Bill No. 6076, entitled:

"AN ACT Relating to motorcycle public awareness."

Section 2 of this bill increases the examination and endorsement fees which fund the motorcycle safety education account. Section 3 contains an emergency clause making the increase effective immediately. Note the appropriation is not contained in this bill. I am supportive of this program and its intent to increase public safety for motorcyclists.

In 1983, a motorcycle safety education advisory committee was statutorily created to assist the Director of Licensing in the development of a motorcycle operator training program. In 1987, these statutes were revised to rename the committee as a board and to provide for selection criteria for members and a list of priorities for an education training program. The new board created in section 1 of this bill appears to
be duplicative of the existing board and incompatible in a number of areas. If the legislature desires a different composition of members or a different size board, then future legislation could make these changes in the existing board or abolish the existing board and create a new board.

Mandating new boards and commissions should be done only after careful consideration of their need. I have instructed the Director of Licensing to ensure the intent of Engrossed Senate Bill No. 6076 is carried out by the department.

With the exception of section 1, Engrossed Senate Bill No. 6076 is approved.*

Sec. 6. Section 36.18.010, chapter 4, Laws of 1963 as last amended by section 1, chapter 230, Laws of 1987 and RCW 36.18.010 are each amended to read as follows:

CHAPTER 205
[Second Substitute Senate Bill No. 5400]
COUNTY-BASED MENTAL HEALTH SERVICES

AN ACT Relating to mental health systems; amending RCW 71.24.015, 71.24.025, 71.24.035, 71.24.045, 71.24.160, 71.05.020, and 71.05.170; reenacting and amending RCW 42.17.310; adding new sections to chapter 71.24 RCW; adding new sections to chapter 71.05 RCW; adding a new section to chapter 72.23 RCW; creating new sections; repealing RCW 71.24.039 and 71.05.540; prescribing penalties; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 2, chapter 204, Laws of 1982 as amended by section 1, chapter 274, Laws of 1986 and RCW 71.24.015 are each amended to read as follows:

It is the intent of the legislature to establish a community mental health program which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs which provide((s)) for:

(1) Access to mental health services for adults and children of the state who are acutely mentally ill, seriously disturbed, or chronically mentally ill, which services recognize the special needs of underserved populations, including minorities, children, the elderly, disabled, and low-income persons. It is also the purpose of this chapter to ensure that children in need of mental health care and treatment receive the care and treatment appropriate to their developmental level, and to enable treatment decisions to be
made in response to clinical needs and in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children;

(2) Accountability of services through state-wide standards for ((management)) monitoring and reporting of information;

(3) Minimum service delivery standards;

(4) Priorities for the use of available resources for the care of the mentally ill;

(5) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, community mental health services, and other support services, which ((may)) shall to the maximum extent feasible also include the families of the mentally ill, and other service providers; and

(6) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders. The legislature intends to encourage the development of county-based and county-managed mental health services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties are encouraged to enter into joint operating agreements with other counties to form regional systems of care which integrate planning, administration, and service delivery duties assigned to counties under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end the legislature intends to promote active engagement with mentally ill persons and collaboration between families and service providers.

Sec. 2. Section 3, chapter 204, Laws of 1982 as amended by section 2, chapter 274, Laws of 1986 and RCW 71.24.025 are each amended to read as follows:

(1) "Acutely mentally ill" means a condition which is limited to a short-term severe crisis episode of:

(a) A mental disorder as defined in RCW 71.05.020(2) or, in the case of a child, as defined in RCW 71.34.020(12);
(b) Being gravely disabled as defined in RCW 71.05.020(1) or, in the case of a child, as defined in RCW 71.34.020(8); or
(c) Presenting a likelihood of serious harm as defined in RCW 71.05.020(3) or, in the case of a child, as defined in RCW 71.34.020(11).

The formula shall take into consideration the impact on counties of demographic factors in counties which result in concentrations of priority populations as defined in ((chapter 71.24 RCW)) subsection (15) of this section. These factors shall include the population concentrations resulting from commitments under the involuntary treatment act, chapter 71.05 RCW, to state psychiatric hospitals, as well as concentration in urban areas, at border crossings at state boundaries, and other significant demographic and workload factors.

(b) The department shall submit a proposed distribution formula in accordance with this section to the ways and means and ((human services)) health care and corrections committees of the senate and to the ways and means and human services committees of the house of representatives by ((January 1, 1989)) October 1, 1989. By December 1, 1989, the secretary shall recognize regional support networks requested by counties or groups of counties.

All counties wishing to be recognized as a regional support network on December 1, 1989, shall submit their intentions regarding participation in the regional support networks by October 30, 1989, along with preliminary plans. Counties wishing to be recognized as a regional support network by January 1, 1993, shall submit their intentions by November 30, 1992, along with preliminary plans. Nothing in these plans shall be inconsistent with the intent and requirements of this chapter.

(16) The secretary shall:
(a) Disburse the first funds for the regional support networks that are ready to begin implementation by January 1, 1990, or within sixty days of approval of the biennial contract. The department must either approve or reject the biennial contract within sixty days of receipt.

(b) Enter into biennial contracts with regional support networks to begin implementation between January 1, 1990, and March 1, 1990, and complete implementation by June 1995. The contracts shall be consistent with available resources. No contract shall be approved that does not include progress toward meeting the goals of this 1989 act by taking responsibility for: (i) Short-term commitments; (ii) residential care; and (iii) emergency response systems.

(c) By July 1, 1993, allocate one hundred percent of available resources to regional support networks created by January 1, 1990, in a single grant. Regional support networks created by January 1, 1993, shall receive a single block grant by July 1, 1995. The grants shall include funds currently provided for all residential services, all services pursuant to chapter 71.05 RCW, and all community support services and shall be distributed in accordance with a formula submitted to the legislature by January 1, 1993, in accordance with subsection (14) of this section.

(d) By January 1, 1990, allocate available resources to regional support networks for community support services, resource management services, and residential services excluding evaluation and treatment facilities provided pursuant to chapter 71.05 RCW in a single grant using the distribution formula established in subsection (14) of this section.

(e) By March 1, 1990, or within sixty days of approval of the contract continuing through July 1, 1993, provide grants as specifically appropriated by the legislature to regional support networks for evaluation and treatment facilities for persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. For regional support networks created by January 1, 1993, provide grants as specifically appropriated by the legislature to regional support networks for evaluation and treatment facilities for persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW through July 1, 1995.

(f) Notify regional support networks of their allocation of available resources at least sixty days prior to the start of a new biennial contract period.

(g) Study and report to the legislature by December 1, 1989, on expanding the use of federal Title XIX funds and the definition of institutions for mental diseases to provide services to persons who are acutely mentally ill, chronically mentally ill, or at risk of becoming so. The study shall also include an assessment of the impact of Title XIX funds and the definition of institutions for mental diseases on the use of state funds to provide needed mental health services to the chronically mentally ill.
(h) Deny funding allocations to regional support networks based solely upon formal findings of noncompliance with the terms of the regional support network's contract with the department. Written notice and at least thirty days for corrective action must precede any such action. In such cases, regional support networks shall have full rights to appeal under chapter 34.05 RCW.

(i) Identify in its departmental biennial operating and capital budget requests the funds requested by regional support networks to implement their responsibilities under this chapter.

(j) Contract to provide or, if requested, make grants to counties to provide technical assistance to county authorities or groups of county authorities to develop regional support networks.

(17) The department of social and health services, in cooperation with the state congressional delegation, shall actively seek waivers of federal requirements and such modifications of federal regulations as are necessary to allow federal medicaid reimbursement for services provided by free-standing evaluation and treatment facilities certified under chapter 71.05 RCW. The department shall periodically report its efforts to the health care and corrections committee of the senate and the human services committee of the house of representatives.

(18) The secretary shall establish a task force to examine the recruitment, training, and compensation of qualified mental health professionals in the community, which shall include the advantages and disadvantages of establishing a training academy, loan forgiveness program, or educational stipends offered in exchange for commitments of employment in mental health. The task force shall report back to the appropriate committees of the legislature by January 1, 1990.

Sec. 4. Section 5, chapter 204, Laws of 1982 as amended by section 5, chapter 274, Laws of 1986 and RCW 71.24.045 are each amended to read as follows:

The county authority shall:

(1) Submit biennial needs assessments beginning January 1, 1983, and mental health service plans which incorporate all services provided for by the county authority consistent with state minimum standards and which provide access to treatment for the county's residents including children and other underserved populations who are acutely mentally ill, chronically mentally ill, or seriously disturbed. The county program shall provide:

(a) Outpatient services;

(b) Emergency care services for twenty-four hours per day;

Such services may include therapeutic treatment. In the case of a child, day treatment includes age-appropriate basic living and social
skills, educational and prevocational services, day activities, and therapeutic treatment;

The county shall develop the biennial needs assessment based on clients to be served, services to be provided, and the cost of those services, and may include input from the public, clients, and licensed service providers. Each county authority may appoint a county mental health advisory board which shall review and provide comments on plans and policies developed by the county authority under this chapter. The composition of the board shall be broadly representative of the demographic character of the county and the mentally ill persons served therein. Length of terms of board members shall be determined by the county authority;

(2) Contract as needed with licensed service providers. The county authority may, in the absence of a licensed service provider entity, become a licensed service provider entity pursuant to minimum standards required for licensing by the department for the purpose of providing services not available from licensed service providers;

(3) Operate as a licensed service provider if it deems that doing so is more efficient and cost effective than contracting for services. When doing so, the county authority shall comply with rules promulgated by the secretary that shall provide measurements to determine when a county provided service is more efficient and cost effective. ((Whenever a county authority chooses to operate as a licensed service provider, the secretary shall act as the county authority for that service.))

(4) Monitor and perform biennial fiscal audits of licensed service providers who have contracted with the county to provide services required by this chapter. The monitoring and audits shall be performed by means of a formal process which insures that the licensed service providers and professionals designated in this subsection meet the terms of their contracts, including the minimum standards of ((management and)) service delivery as established by the department;
(5) Assure that the special needs of minorities, the elderly, disabled, children, and low-income persons are met within the priorities established in ((RCW 71.24.035(5)(b))) this chapter;

(8) Coordinate services for individuals who have received services through the community mental health system and who become patients at a state mental hospital.

NEW SECTION. Sec. 5. A new section is added to chapter 71.24 RCW to read as follows:

A county authority or a group of county authorities whose combined population is no less than forty thousand may enter into a joint operating agreement to form a regional support network. The roles and responsibilities of county authorities shall be determined by the terms of that agreement and the provisions of law. The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

(1) Regional support networks shall within three months of recognition submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties by July 1, 1995, instead of those presently assigned to counties under RCW 71.24.045(1):

(a) Administer and provide for the availability of all resource management services, residential services, and community support services.

(b) Administer and provide for the availability of all investigation, transportation, court-related, and other services provided by the state or counties pursuant to chapter 71.05 RCW.

(c) By July 1, 1993, provide within the boundaries of each regional support network evaluation and treatment services for at least eighty-five percent of persons detained or committed for periods up to seventeen days.
according to chapter 71.05 RCW. Regional support networks with populations of less than one hundred fifty thousand may contract to purchase evaluation and treatment services from other networks. For regional support networks that are created after June 30, 1991, the requirements of (c) of this subsection must be met by July 1, 1995.

(d) By July 1, 1993, administer a portion of funds appropriated by the legislature to house mentally ill persons in state institutions from counties within the boundaries of any regional support network, with the exception of mentally ill offenders, and provide for the care of all persons needing evaluation and treatment services for periods up to seventeen days according to chapter 71.05 RCW in appropriate residential services, which may include state institutions. The regional support networks shall reimburse the state for use of state institutions at a rate equal to that assumed by the legislature when appropriating funds for such care at state institutions during the biennium when reimbursement occurs. The duty of a state hospital to accept persons for evaluation and treatment under chapter 71.05 RCW is limited by the responsibilities assigned to regional support networks under this section. For regional support networks that are created after June 30, 1991, the requirements of (d) of this subsection must be met by July 1, 1995.

(e) Administer and provide for the availability of all other mental health services, which shall include patient counseling, day treatment, consultation, education services, and mental health services to children as provided in this chapter.

(f) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(2) Regional support networks shall assume all duties assigned to county authorities by this chapter and chapter 71.05 RCW.

(3) A regional support network may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in trust for the care of the mentally ill and which is within the boundaries of a regional support network be made available to support the operations of the regional support network. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(4) Each regional support network shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter. The composition of the board shall be broadly representative of the demographic character of the region and the mentally ill persons served therein. Length of terms of board members shall be determined by the regional support network.
(5) Regional support networks shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary.

(6) Counties or groups of counties participating in a regional support network are not subject to RCW 71.24.045(7). The office of financial management shall consider information gathered in studies required in this chapter and information about the experience of other states to propose a mental health services administrative cost lid to the 1991 legislature which shall include administrative costs of licensed service providers, the state psychiatric hospitals and the department.

(7) The first regional support network contract may include a pilot project to: Establish standards and procedures for (a) making referrals for comprehensive medical examinations and treatment programs for those whose mental illness is caused or exacerbated by organic disease, and (b) training staff in recognizing the relationship between mental illness and organic disease.

NEW SECTION. Sec. 6. A new section is added to chapter 71.24 RCW to read as follows:

The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently and effectively implemented as part of the regional support network defined in RCW 71.24.025. For this reason, the legislature intends that any enhanced program funding for implementation of chapter 71.05 RCW or this chapter, except for funds allocated for implementation of mandatory state-wide programs as required by federal statute, be made available primarily to those counties participating in regional support networks.

Sec. 7. Section 16, chapter 111, Laws of 1967 ex. sess. as amended by section 10, chapter 204, Laws of 1982 and RCW 71.24.160 are each amended to read as follows:

The county authority shall make satisfactory showing to the secretary that state funds shall in no case be used to replace local funds from any source being used to finance mental health services prior to January 1, 1990.

All matters upon which complaint may be founded may be joined in one hearing, and no motion shall be entertained against a complaint for misjoinder of complaints or grievances or misjoinder of parties; and in any review of the courts of orders of the commission the same rule shall apply and pertain with regard to the joinder of complaints and parties as herein provided: PROVIDED, All grievances to be inquired into shall be plainly
set forth in the complaint. No complaint shall be dismissed because of the absence of direct damage to the complainant.

Upon the filing of a complaint, the commission shall cause a copy thereof to be served upon the person or corporation complained of, which shall be accompanied by a notice fixing the time when and place where a hearing will be had upon such complaint. The time fixed for such hearing shall not be less than ten days after the date of the service of such notice and complaint, excepting as herein provided. Rules of practice and procedure not otherwise provided for in this title may be prescribed by the commission.

The commission shall, as appropriate, exercise auditing and accounting supervision or initiate a complaint upon receipt of an administrative order from the department, or the city or county in which the water system is located, finding that the water delivered by a system does not meet state board of health standards adopted under RCW 43.20.050(2)(a) or standards adopted under chapter 70.116 RCW.

(2) No order so restraining or suspending an order of the commission relating to rates, charges, tolls or rentals, or rules or regulations, practices, classifications or contracts affecting the same, shall be made by the superior court otherwise than upon three days' notice and after hearing. If a supersedeas is granted the order granting the same shall contain a specific finding, based upon evidence submitted to the court making the order, and identified by reference thereto, that great or irreparable damage would otherwise result to the petitioner, and specifying the nature of the damage. A water company seeking a supersedeas must demonstrate to the court that it is in compliance with the state board of health standards adopted pursuant to RCW 43.20.050 and chapter 70.116 RCW relating to the purity, volume, and pressure of water.

(3) In case the order of the commission under review is superseded by the court, it shall require a bond, with good and sufficient surety, conditioned that such company petitioning for such review shall answer for all damages caused by the delay in the enforcement of the order of the commission, and all compensation for whatever sums for transmission or service any person or corporation shall be compelled to pay pending the review proceedings in excess of the sum such person or corporations would have been compelled to pay if the order of the commission had not been suspended.
(4) The court may, in addition to or in lieu of the bond herein provided for, require such other or further security for the payment of such excess charges or damages as it may deem proper.

Sec. 4. Section 80.28.030, chapter 14, Laws of 1961 and RCW 80.28-030 are each amended to read as follows:

Whenever the commission shall find, after such hearing, that the illuminating or heating power, purity or pressure of gas, the efficiency of electric lamp supply, the voltage of the current supplied for light, heat or power, or the purity, quality, volume, and pressure of water, supplied by any gas company, electrical company or water company, as the case may be, is insufficient, impure, inadequate or inefficient, it shall order such improvement in the manufacture, distribution or supply of gas, in the manufacture, transmission or supply of electricity, or in the storage, distribution or supply of water, or in the methods employed by such gas company, electrical company or water company, as will in its judgment be efficient, adequate, just and reasonable. Failure of a water company to comply with state board of health standards adopted under RCW 43.20.050(2)(a) or department standards adopted under chapter 70.116 RCW for purity, volume, and pressure shall be prima facie evidence that the water supplied is insufficient, impure, inadequate, or inefficient.

In ordering improvements in the storage, distribution, or supply of water, the commission shall consult and coordinate with the department. In the event that a water company fails to comply with an order of the commission in a timely fashion, the commission may request that the department petition the court to place the company in receivership.

Sec. 5. Section 80.28.040, chapter 14, Laws of 1961 and RCW 80.28-040 are each amended to read as follows:

Whenever the commission shall find, after hearing, that any rules, regulations, measurements or the standard thereof, practices, acts or services of any such gas company, electrical company or water company are unjust, unreasonable, improper, insufficient, inefficient or inadequate, or that any service which may be reasonably demanded is not furnished, the commission shall fix the reasonable rules, regulations, measurements or the standard thereof, practices, acts or service to be thereafter furnished, imposed, observed and followed, and shall fix the same by order or rule.

In ordering improvements to the service of any water company, the commission shall consult and coordinate with the department. In the event that a water company fails to comply with an order of the commission within the deadline specified in the order, the commission may request that the department petition the court to place the company in receivership.

NEW SECTION. Sec. 6. A new section is added to chapter 80.28 RCW to read as follows:

DURABLE POWER OF ATTORNEY FOR HEALTH CARE

AN ACT Relating to durable power of attorney; amending RCW 11.94.010; and adding new sections to chapter 11.94 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 25, chapter 30, Laws of 1985 and RCW 11.94.010 are each amended to read as follows:

All acts done by the attorney in fact or agent pursuant to the power during any period of disability or incompetence or uncertainty as to whether the principal is dead or alive have the same effect and inure to the benefit of and bind the principal or the principal's guardian or heirs, devisees, and personal representative as if the principal were alive, competent, and not disabled. A principal may nominate, by a durable power of attorney, the guardian or limited guardian of his or her estate or person for consideration by the court if protective proceedings for the principal's person or estate are thereafter commenced. The court shall make its appointment in accordance with the principal's most recent nomination in a durable power of attorney except for good cause or disqualification. If a guardian thereafter is appointed for the principal, the attorney in fact or agent, during the continuance of the appointment, shall account to the
guardian rather than the principal. The guardian has the same power the
principal would have had if the principal were not disabled or incompetent,
to revoke, suspend or terminate all or any part of the power of attorney or
agency.

(2) Persons shall place reasonable reliance on any determination of
disability or incompetence as provided in the instrument that specifies the
time and the circumstances under which the power of attorney document
becomes effective.

(3) A principal may authorize his or her attorney–in–fact to provide

he or she is the spouse, or adult child or brother or sister of the principal,
none of the following persons may act as the attorney–in–fact for the prin-
cipal: Any of the principal's physicians, the physicians' employees, or the
owners, administrators, or employees of the health care facility where the
principal resides or receives care. This authorization is subject to the same
limitations as those that apply to a guardian under RCW 11.92.040 (3)(a)
through (d).

NEW SECTION. Sec. 2. A new section is added to chapter 11.94
RCW to read as follows:

The durable power of attorney provided for under this chapter shall
continue in effect until revoked or terminated by the principal, by a court–
appointed guardian, or by court order.

NEW SECTION. Sec. 3. A new section is added to chapter 11.94
RCW to read as follows:

(1) A durable power of attorney executed pursuant to chapter 11.94
RCW before the effective date of this section that specifically authorizes an
attorney–in–fact to make decisions relating to the health care of the prin-
cipal shall be deemed valid, except for the exemptions provided for in section
1(3) of this act.

(2) Nothing in this chapter affects the validity of a decision made un-
der a durable power of attorney executed pursuant to chapter 11.94 RCW
before the effective date of this section.

NEW SECTION. Sec. 1. The legislature finds and declares that small and moderate-size companies can enhance their access to working capital and to capital for acquiring and equipping commercial and industrial facilities by using the United States small business administration national small business loan program known as the 7(a) loan guaranty program. The 7(a) loan guaranty program provides financing to small firms needing working capital and longer term financing for equipment and other fixed assets. Such loans can be made to small businesses by nondepository lenders and guaranteed by the small business administration only if the state provides for the on-going regulation and examination of such entities.

It is the intent of the legislature that the supervisor of banking license, regulate, and subject to on-going examination, nondepository lenders for the purpose of allowing such lenders to participate in the small business administration's 7(a) loan guaranty program.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Licensee" means a Washington corporation licensed under the terms of this chapter.

(2) "Supervisor" means the state supervisor of banking.

NEW SECTION. Sec. 3. (1) The supervisor shall administer this chapter. The supervisor may issue orders and adopt rules that, in the opinion of the supervisor, are necessary to execute, enforce, and effectuate the purposes of this chapter. (2) Whenever the supervisor issues an order or a license under this chapter, the supervisor may impose conditions that are necessary, in the opinion of the supervisor, to carry out the purposes of this chapter.

(3) An application filed with the supervisor under this chapter shall be in such a form and contain such information as the supervisor may require.

(4) Any change of control of a licensee shall be subject to the approval of the supervisor. Such approval shall be subject to the same criteria as the criteria for approval of the original license. For purposes of this subsection, "change of control" means directly or indirectly, alone or in concert with others, to own, control, or hold the power to vote ten percent or more of the outstanding voting stock of a licensee or the power to elect or control the election of a majority of the board of directors of the licensee.

NEW SECTION. Sec. 4. (1) A licensee may participate in the 7(a) loan guaranty program of the small business administration pursuant to section 7(a) of the federal small business investment act of 1958, 15 U.S.C. If a licensee participates in a
(2) A licensee may be incorporated under either the Washington business corporation act or the Washington nonprofit corporation act. In addition to the powers and privileges provided to a licensee by this chapter, a licensee has all the powers and privileges conferred by its incorporating statute which are not inconsistent with or limited by this chapter.

NEW SECTION. Sec. 5. After a review of information regarding the directors, officers, and controlling persons of the applicant for a license, a review of the applicant's business plan, including at least three years of detailed financial projections and other relevant information, and a review of such additional information as is considered relevant by the supervisor, the supervisor shall approve an application for a license if, and only if, the supervisor determines that:

(1) The applicant is capitalized in an amount that is not less than five hundred thousand dollars and that such sum is adequate for the applicant to transact business as a nondepository 7(a) lender and that in evaluating the capital position of the applicant the supervisor may consider and include the net worth of any corporate shareholder of the applicant corporation if the shareholder guarantees the liabilities of the applicant: PROVIDED, That such corporate shareholder be subject to the reporting requirements of section 8 of this act;

(2) Each director, officer, and controlling person of the applicant is of good character and sound financial standing; that the directors and officers of the applicant are competent to perform their functions with respect to the applicant; and that the directors and officers of the applicant are collectively adequate to manage the business of the applicant as a nondepository 7(a) lender;

(3) The business plan of the applicant will be honestly and efficiently conducted in accordance with the intent and purposes of this chapter; and

(4) The proposed activity possesses a reasonable prospect for success.

NEW SECTION. Sec. 6. (1) Either by itself or in concert with a director, officer, principal shareholder, or affiliate, or with another licensee, a licensee shall not hold control of a business firm to which it has made a loan under section 7(a) of the federal small business investment act of 1958, 15 U.S.C. Sec. 636(a), except that, to the extent necessary to protect the licensee's interest as creditor of the business firm, a licensee that provides financing assistance to a business firm may acquire and hold control of that business firm. Unless the supervisor approves a longer period, a licensee holding control of a business firm under this section shall divest itself of the interest which constitutes holding control as soon as practicable or within five years after acquiring that interest, whichever is sooner.

(2) For the purposes of subsection (1) of this section, "hold control" means alone or in concert with others:

(b) An application for approval to acquire control of a licensee and the investigation thereof;

(c) An application for approval for a licensee to merge with another corporation, an application for approval for a licensee to purchase all or substantially all of the business of another person, or an application for approval for a licensee to sell all or substantially all of its business or of the business of any of its offices to another licensee and the investigation thereof;

(d) An annual license;

(e) An examination by the supervisor of a licensee or a subsidiary of a licensee. Excess examiner time shall be billed at a reasonable rate established by rule.

(2) A fee for filing an application with the supervisor shall be paid at the time the application is filed with the supervisor.

(3) All such fees shall be deposited in the banking examination fund and administered consistent with the provisions of RCW 43.19.095.

NEW SECTION. Sec. 8. (1) A licensee shall keep books, accounts, and other records in such a form and manner as the supervisor may require. These records shall be kept at such a place and shall be preserved for such a length of time as the supervisor may specify.

(2) Not more than ninety days after the close of each calendar year or within a period specified by the supervisor, a licensee shall file with the supervisor a report containing the following:

(a) Financial statements, including the balance sheet, the statement of income or loss, the statement of changes in capital accounts and the statement of changes in financial position; and

(b) Other information that the supervisor may require.

(3) Each licensee shall provide for a loan loss reserve sufficient to cover projected loan losses which are not guaranteed by the United States government or any agency thereof.
NEW SECTION. Sec. 9. (1) The supervisor shall examine each licensee not less than once each year.

(2) The supervisor may with or without notice and at any time during regular business hours examine a licensee or a subsidiary of a licensee.

Such petition shall be filed with the court of appeals no later than ninety days after the department has actual knowledge of terms of the sentence. (1) Boundaries for a newly incorporated city shall be established on the last day of March of the year in which the initial property tax levy is made, and the boundaries of a road district, library district, or fire protection district or districts, that include any portion of the area that was incorporated within its boundaries shall be altered as of this date to exclude this area, if the budget for the newly incorporated city is filed pursuant to RCW 84.52.020 and the levy request of the newly incorporated city is filed pursuant to RCW 84.52.070. Whenever a proposed city incorporation is on the March special election ballot, the county auditor shall submit the legal description of the proposed city to the department of revenue on or before the first day of March:
(2) Boundaries for a newly incorporated port district (newly formed by election, with boundaries coterminous with other taxing district boundaries established prior to the first day of March, shall be the established official boundaries existing) shall be established on the first day of October (following formation. However, these) if the boundaries of the newly incorporated port district are coterminous with the boundaries of another taxing district, as they existed on the first day of March of that year.

(3) Boundaries of any other newly incorporated taxing district shall be established on the first day of June of the year in which the property tax levy is made (whenever) if the taxing district has incorporated that year, and has boundaries coterminous with the boundaries of another taxing district, as they existed on the first day of March of that year.

The boundaries of a taxing district (have been altered that year by removing or adding territory) shall be established on the first day of June if territory has been added to, or removed from, the taxing district after the first day of March of that year with boundaries coterminous with the boundaries of another taxing district (the tax district) as they existed on the first day of March of that year. However, the boundaries of a road district, library district, or fire protection district or districts, that include any portion of the area that was annexed to a city or town within its boundaries shall be altered as of this date to exclude this area. In any case where any instrument setting forth the official boundaries of any newly established taxing district, or setting forth any change in such boundaries, is required by law to be filed in the office of the county auditor or other county official, said instrument shall be filed in triplicate. The officer with whom such instrument is filed shall transmit two copies to the county assessor.

No property tax levy shall be made for any taxing district whose boundaries are not established as of the dates provided in this section.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

(1) In those instances where the deceased depositor left a surviving spouse, and the deceased depositor and the surviving spouse shall have executed a community property agreement which by its terms would include
funds of the deceased depositor remaining in the account, a financial institution may make payment of all funds in the name of the deceased spouse to the surviving spouse upon receipt of a certified copy of the community property agreement as recorded in the office of a county auditor of the state and an affidavit of the surviving spouse that the community property agreement was validly executed and in full force and effect upon the death of the depositor.

(2) In those instances where the balance of the funds in the name of a deceased depositor does not exceed two thousand five hundred dollars, payment of the decedent's funds remaining in the account may be made to the surviving spouse, next of kin, funeral director, or other creditor who may appear to be entitled thereto upon receipt of proof of death and an affidavit to the effect that no personal representative has been appointed for the deceased depositor's estate. CHAPTER 221
[House Bill No. 1042]
COMMERCIAL TRUCKS—BRAKE REQUIREMENTS

AN ACT Relating to front wheel brakes and air brakes on commercial motor vehicles; and amending RCW 46.37.340.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 1, chapter 11, Laws of 1979 and RCW 46.37.340 are each amended to read as follows:

Every motor vehicle, trailer, semitrailer, and pole trailer, and any combination of such vehicle operating upon a highway within this state shall be equipped with brakes in compliance with the requirements of this chapter.
(1) Service brakes—adequacy. Every such vehicle and combination of vehicles, except special mobile equipment as defined in RCW 46.04.552, shall be equipped with service brakes complying with the performance requirements of RCW 46.37.351 and adequate to control the movement of and to stop and hold such vehicle under all conditions of loading, and on any grade incident to its operation.

(2) Parking brakes—adequacy. Every such vehicle and combination of vehicles shall be equipped with parking brakes adequate to hold the vehicle on any grade on which it is operated, under all conditions of loading, on a surface free from snow, ice, or loose material. The parking brakes shall be capable of being applied in conformance with the foregoing requirements by the driver's muscular effort or by spring action or by equivalent means. Their operation may be assisted by the service brakes or other source of power provided that failure of the service brake actuation system or other power assisting mechanism will not prevent the parking brakes from being applied in conformance with the foregoing requirements. The parking brakes shall be so designed that when once applied they shall remain applied with the required effectiveness despite exhaustion of any source of energy or leakage of any kind. The same brake drums, brake shoes and lining assemblies, brake shoe anchors, and mechanical brake shoe actuation mechanism normally associated with the wheel brake assemblies may be used for both the service brakes and the parking brakes. If the means of applying the parking brakes and the service brakes are connected in any way, they shall be so constructed that failure of any one part shall not leave the vehicle without operative brakes.

(3) Brakes on all wheels. Every vehicle shall be equipped with brakes acting on all wheels except:

(a) Trailers, semitrailers, or pole trailers of a gross weight not exceeding three thousand pounds, provided that:

(i) The total weight on and including the wheels of the trailer or trailers shall not exceed forty percent of the gross weight of the towing vehicle when connected to the trailer or trailers; and

(ii) The combination of vehicles consisting of the towing vehicle and its total towed load, is capable of complying with the performance requirements of RCW 46.37.351;

(b) Trailers, semitrailers, or pole trailers manufactured and assembled prior to July 1, 1965, shall not be required to be equipped with brakes when the total weight on and including the wheels of the trailer or trailers does not exceed two thousand pounds;

(c) Any vehicle being towed in driveaway or towaway operations, provided the combination of vehicles is capable of complying with the performance requirements of RCW 46.37.351;

(d) Trucks and truck tractors manufactured before July 25, 1980, and having three or more axles need not have brakes on the front wheels, except
that when such vehicles are equipped with at least two steerable axles, the wheels of one steerable axle need not have brakes. (However, such trucks and truck tractors must be capable of complying with the performance requirements of RCW 46.37.351)) Trucks and truck tractors manufactured on or after July 25, 1980, and having three or more axles are required to have brakes on the front wheels, except that when such vehicles are equipped with at least two steerable axles, the wheels of one steerable axle need not have brakes. Such trucks and truck tractors may be equipped with an automatic device to reduce the front-wheel braking effort by up to fifty percent of the normal braking force, regardless of whether or not antilock system failure has occurred on any axle, and:

(i) Must not be operable by the driver except upon application of the control that activates the braking system; and

(ii) Must not be operable when the pressure that transmits brake control application force exceeds eighty-five pounds per square inch (psi) on air–mechanical braking systems, or eighty-five percent of the maximum system pressure in vehicles utilizing other than compressed air.

All trucks and truck tractors having three or more axles must be capable of complying with the performance requirements of RCW 46.37.351;

(e) Special mobile equipment as defined in RCW 46.04.552 and all vehicles designed primarily for off–highway use with braking systems which work within the power train rather than directly at each wheel;

(f) Vehicles manufactured prior to January 1, 1930, may have brakes operating on only two wheels.

(g) For a forklift manufactured after January 1, 1970, and being towed, wheels need not have brakes except for those on the rearmost axle so long as such brakes, together with the brakes on the towing vehicle, shall be adequate to stop the combination within the stopping distance requirements of RCW 46.37.351.

(4) Automatic trailer brake application upon breakaway. Every trailer, semitrailer, and pole trailer equipped with air or vacuum actuated brakes and every trailer, semitrailer, and pole trailer with a gross weight in excess of three thousand pounds, manufactured or assembled after January 1, 1964, shall be equipped with brakes acting on all wheels and of such character as to be applied automatically and promptly, and remain applied for at least fifteen minutes, upon breakaway from the towing vehicle.

(5) Tractor brakes protected. Every motor vehicle manufactured or assembled after January 1, 1964, and used to tow a trailer, semitrailer, or pole trailer equipped with brakes, shall be equipped with means for providing that in case of breakaway of the towed vehicle, the towing vehicle will be capable of being stopped by the use of its service brakes.

(6) Trailer air reservoirs safeguarded. Air brake systems installed on trailers manufactured or assembled after January 1, 1964, shall be so designed that the supply reservoir used to provide air for the brakes shall be
safeguarded against backflow of air from the reservoir through the supply line.

(7) Two means of emergency brake operation.
   
   (a) Air brakes. After January 1, 1964, every towing vehicle equipped with air controlled brakes, in other than driveaway or towaway operations, and all other vehicles equipped with air controlled brakes, shall be equipped with two means for emergency application of the (trailer) brakes. One of these means shall apply the brakes automatically in the event of a reduction of the towing vehicle's air supply to a fixed pressure which shall be not lower than twenty pounds per square inch nor higher than forty-five pounds per square inch. The other means shall be a manually controlled device for applying and releasing the brakes, readily operable by a person seated in the driving seat, and its emergency position or method of operation shall be clearly indicated. In no instance may the manual means be so arranged as to permit its use to prevent operation of the automatic means. The automatic and the manual means required by this section may be, but are not required to be, separate.

   (b) Vacuum brakes. After January 1, 1964, every towing vehicle used to tow other vehicles equipped with vacuum brakes, in operations other than driveaway or towaway operations, shall have, in addition to the single control device required by subsection (8) of this section, a second control device which can be used to operate the brakes on towed vehicles in emergencies. The second control shall be independent of brake air, hydraulic, and other pressure, and independent of other controls, unless the braking system be so arranged that failure of the pressure upon which the second control depends will cause the towed vehicle brakes to be applied automatically. The second control is not required to provide modulated braking.

(8) Single control to operate all brakes. After January 1, 1964, every motor vehicle, trailer, semitrailer, and pole trailer, and every combination of such vehicles, equipped with brakes shall have the braking system so arranged that one control device can be used to operate all service brakes. This requirement does not prohibit vehicles from being equipped with an additional control device to be used to operate brakes on the towed vehicles. This regulation does not apply to driveaway or towaway operations unless the brakes on the individual vehicles are designed to be operated by a single control in the towing vehicle.

(9) Reservoir capacity and check valve.
   
   (a) Air brakes. Every bus, truck, or truck tractor with air operated brakes shall be equipped with at least one reservoir sufficient to insure that, when fully charged to the maximum pressure as regulated by the air compressor governor cut-out setting, a full service brake application may be made without lowering such reservoir pressure by more than twenty percent. Each reservoir shall be provided with means for readily draining accumulated oil or water.
(b) Vacuum brakes. After January 1, 1964, every truck with three or more axles equipped with vacuum assistor type brakes and every truck tractor and truck used for towing a vehicle equipped with vacuum brakes shall be equipped with a reserve capacity or a vacuum reservoir sufficient to insure that, with the reserve capacity or reservoir fully charged and with the engine stopped, a full service brake application may be made without depleting the vacuum supply by more than forty percent.

(c) Reservoir safeguarded. All motor vehicles, trailers, semitrailers, and pole trailers, when equipped with air or vacuum reservoirs or reserve capacity as required by this section, shall have such reservoirs or reserve capacity so safeguarded by a check valve or equivalent device that in the event of failure or leakage in its connection to the source of compressed air or vacuum, the stored air or vacuum shall not be depleted by the leak or failure.

(10) Warning devices.

(a) Air brakes. Every bus, truck, or truck tractor using compressed air for the operation of its own brakes or the brakes on any towed vehicle, shall be provided with a warning signal, other than a pressure gauge, readily audible or visible to the driver, which will operate at any time the primary supply air reservoir pressure of the vehicle is below fifty percent of the air compressor governor cut-out pressure. In addition, each such vehicle shall be equipped with a pressure gauge visible to the driver, which indicates in pounds per square inch the pressure available for braking.

(b) Vacuum brakes. After January 1, 1964, every truck tractor and truck used for towing a vehicle equipped with vacuum operated brakes and every truck with three or more axles using vacuum in the operation of its brakes, except those in driveaway or towaway operations, shall be equipped with a warning signal, other than a gauge indicating vacuum, readily audible or visible to the driver, which will operate at any time the vacuum in the vehicle's supply reservoir or reserve capacity is less than eight inches of mercury.

(c) Combination of warning devices. When a vehicle required to be equipped with a warning device is equipped with both air and vacuum power for the operation of its own brakes or the brakes on a towed vehicle, the warning devices may be, but are not required to be, combined into a single device which will serve both purposes. A gauge or gauges indicating pressure or vacuum shall not be deemed to be an adequate means of satisfying this requirement.

[Senate Bill No. 5250]

SURFACE MINING—RECLAMATION EXPENSES INCURRED BY STATE—NO LIEN AGAINST RECLAIMED LAND

AN ACT Relating to surface mining; and amending RCW 78.44.140.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 15, chapter 64, Laws of 1970 ex. sess. as amended by section 6, chapter 215, Laws of 1984 and RCW 78.44.140 are each amended to read as follows:

Upon receipt of the operator's report, and at any other reasonable time the department may elect, the department shall cause the permit area to be inspected to determine if the operator has complied with the reclamation plan and the department's rules and regulations.

The operator shall proceed with reclamation as scheduled in the reclamation plan. Following any written notice by the department noting deficiencies, the operator shall commence action within thirty days, or as directed by the department if it has determined that emergency actions are required, to rectify these deficiencies and shall diligently proceed until the deficiencies are corrected: PROVIDED, That deficiencies that also violate other laws that require earlier rectification shall be corrected in accordance
with the applicable time provisions of such laws. The department may extend performance periods referred to in this section and in RCW 78.44.090, for delays clearly beyond the operator's control, but only when the operator is, in the opinion of the department, making every reasonable effort to comply.

Within thirty days after notification by the operator and when in the judgment of the department reclamation of a unit of surface mined area is properly completed, the mining operator shall be notified in writing and his bond on said area shall be released or decreased proportionately.

If reclamation of surface mined land is not proceeding in accordance with the reclamation plan and the operator has not commenced action to rectify deficiencies within thirty days after notification by the department or as directed by the department, or if reclamation is not properly completed in conformance with the reclamation plan within two years after completion or abandonment of surface mining on any segment of the permit area, the department is authorized, with the staff, equipment and material under ((his)) its control, or by contract with others, to take such actions as are necessary for the reclamation of the surface mined areas. If the department intends to undertake the reclamation, the department shall ascertain the probable costs of reclamation and shall notify the operator, the surety, and the owner of the probable costs. The operator or surety, or both, shall pay that amount to the department for reclaiming the surface mined land. The department shall keep a record of all necessary expenses incurred in carrying out any project or activity authorized under this section, including a reasonable charge for the services performed by the state's personnel and the state's equipment and materials utilized.

The department shall notify the operator, the owner, and the surety by order. The order shall state the amount of necessary expenses incurred by the department in reclaiming the surface mined land and a notice that the amount is due and payable to the department by the operator and the surety to the extent that the amount has not already been paid. The department shall refund all amounts received above the amount of expenses incurred.

If the amount specified in the notice or order is not paid within thirty days after receipt of the notice, the attorney general, upon request of the department, shall bring an action on behalf of the state in the superior court for Thurston county or any county in which the persons to whom the notice or order is directed do business to recover the amount specified. The surety shall be liable to the state to the extent of the bond.

((The amount owed the department by the operator for the reclamation performed by the state may be recovered by a lien against the reclaimed property, which may be enforced in the same manner and with the same effect as a mechanic's lien:))

In addition to the other liabilities imposed by this chapter, failure to commence action to rectify deficiencies in reclamation within thirty days
after notification by the department or failure satisfactorily to complete reclamation work on any segment of the permit area within two years after completion or abandonment of surface mining on any segment of the permit area shall constitute sufficient grounds for cancellation of a permit and refusal to issue another permit to the delinquent operator until such deficiencies are corrected by the operator.

MACHINE GUNS—USE IN COMMISSION OF FELONY—CLASS A FELONY

AN ACT Relating to penalties for discharging a machine gun or threatening or menacing with a machine gun, when such discharging, threatening, or menacing is in the commission or furtherance of a felony other than a violation of RCW 9.41.190; amending RCW 9.41.200; adding a new section to chapter 9.41 RCW; creating a new section; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature is concerned about the increasing number of drug dealers, gang members, and other dangerous criminals who are increasingly being found in possession of machine guns. The legislature recognizes that possession of machine guns by dangerous criminals represents a serious threat to law enforcement officers and the general public. The use of a machine gun in furtherance of a felony is a particularly heinous crime because of the potential for great harm or death to a large number of people. It is the intent of the legislature to protect the public safety by deterring the illegal use of machine guns in the furtherance of a felony by creating a separate offense with severe penalties for such use of a machine gun.

Sec. 2. Section 2, chapter 64, Laws of 1933 and RCW 9.41.200 are each amended to read as follows:

For the purpose of RCW 9.41.190 through ((9.41.220)) section 3 of this act, a machine gun is defined as any firearm or weapon known as a machine gun, mechanical rifle, submachine gun, and/or any other weapon, mechanism, or instrument not requiring that the trigger be pressed for each shot and having a reservoir clip, disc, drum, belt, or other separable mechanical device for storing, carrying, or supplying ammunition which can be loaded into such weapon, mechanism, or instrument, and fired therefrom at the rate of five or more shots per second.

NEW SECTION. Sec. 3. A new section is added to chapter 9.41 RCW to read as follows:
It is unlawful for a person, in the commission or furtherance of a felony other than a violation of RCW 9.41.190, to discharge a machine gun or to menace or threaten with a machine gun, another person. A violation of this section shall be punished as a class A felony under chapter 9A.20 RCW.

AT-RISK STUDENTS—ASSISTANCE
AN ACT Relating to students at risk; amending RCW 28A.120.010, 28A.120.016, 28A-120.020, 28A.120.022, 28A.120.032, 28A.58.217, and 28A.02.061; adding a new section to chapter 28A.41 RCW; adding new sections to Title 28A RCW; creating new sections; providing an expiration date; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:
LEARNING ASSISTANCE PROGRAM FOR STUDENTS AT RISK OF DROPPING OUT

Sec. 1. Section 1, chapter 478, Laws of 1987 and RCW 28A.120.010 are each amended to read as follows:

The legislature finds that an important and effective means of improving the educational performance of many students with special needs is to improve the general education program. The legislature also finds that there is a continuum of educational program needs among students with learning problems or poor academic performance. The legislature wants to encourage school districts to serve students with special needs within the regular classroom. Therefore, the legislature intends to replace the remediation program with a broader range of program options, without reducing special instructional programs when those services are both necessary and appropriate. The legislature intends to enhance the ability of basic education teachers to identify and address learning problems within the regular classroom. The legislature further intends to stimulate development by local schools and school districts of innovative and effective means of serving students with special needs. The goal is to increase the achievement of students with special needs in a shorter period of time using processes that are more timely, appropriate and effective in producing better outcomes.

Sec. 2. Section 4, chapter 478, Laws of 1987 and RCW 28A.120.016 are each amended to read as follows:

Each school district which applies for state funds distributed pursuant to RCW 28A.120.022 shall conduct a needs assessment and, on the basis of its findings, shall develop a plan for the use of these funds. The plan may incorporate plans developed by each eligible school. Districts are encouraged to place special emphasis on addressing the needs of students in the early grades. The needs assessment and plan shall be updated at least biennially, and shall be determined in consultation with an advisory committee including but not limited to members of the following groups: Parents, including parents of students served by the program; teachers; principals; administrators; and school directors. The district shall submit a biennial application specifying this plan to the office of the superintendent of public instruction for approval. Plans shall include:

(1) The means which the district will use to identify participating students to receive additional services or support under the proposed program;

(2) The specific services or activities which the funds will be used to support, and their estimated costs;

(3) A plan for annual evaluation of the program by the district, based on performance objectives related to basic skills achievement of participating students, and a plan for reporting the results of this evaluation to the superintendent of public instruction;
(4) Procedures for recordkeeping or other program documentation as may be required by the superintendent of public instruction; and

(5) The approval of the local school district board of directors.

Sec. 3. Section 6, chapter 478, Laws of 1987 and RCW 28A.120.020 are each amended to read as follows:

Services or activities which may be supported under an approved program of learning assistance shall include but not be limited to:

(1) Consultant teachers to assist classroom teachers in meeting the needs of participating students;

(2) Instructional support staff and instructional assistants to assist classroom teachers in meeting the needs of participating students;

(3) In-service training for classroom teachers, instructional support staff, and instructional assistants in multicultural differences and the identification of learning problems or in instructional methods for teaching students with learning problems;

(4) Special instructional programs for participating students, of sufficient size, scope, and quality to address the needs of these students and to give reasonable promise of substantial progress toward((s)) meeting their educational objectives;

(5) Tutoring assistance during or after school or on Saturday provided by instructional support staff, a student tutor, teacher, or instructional assistant;

(6) In-service training for parents of participating students; and

(7) Counseling, with an emphasis on services for elementary students who are in need of learning assistance, provided by instructional support staff such as school counselors, school psychologists, school nurses, and school social workers. Pursuant to the provisions of section 4(2) of this act, learning assistance funds may be used to provide counseling for students who in the absence of counseling would likely become in need of such learning assistance.

*Sec. 4. Section 7, chapter 478, Laws of 1987 and RCW 28A.120.022 are each amended to read as follows:

(1) Each school district which has established an approved program shall be eligible, as determined by the superintendent of public instruction, for state funds made available for the purposes of such programs. The superintendent of public instruction shall make use of data derived from the basic skills tests in determining the amount of funds for which a district may be eligible. Funds shall be distributed according to the district's total full-time equivalent enrollment in kindergarten through grade nine and the percentage of the district's students taking the basic skills tests who scored in the lowest quartile as compared with national norms. In making this calculation, the superintendent of public instruction may use an average over the immediately preceding five or fewer years of the district's percentage scoring in the lowest
quartile. The superintendent of public instruction shall also deduct the number of students at these age levels who are identified as specific learning disabled and are generating state funds for special education programs conducted pursuant to chapter 28A.13 RCW, in distributing state funds for learning assistance.

(2) In those districts receiving learning assistance funds in which students' test scores improve, districts may retain learning assistance funds based on the state-wide average of students eligible for participation in the learning assistance program, or the district's current level of funding under the learning assistance program, whichever is higher: PROVIDED, That only those learning assistance funds which are retained but would have been reduced due to improved student test scores, may be used for district identified purposes: PROVIDED FURTHER, That districts shall consider, as the first priority, expending such retained funds on prevention and intervention programs for students in grades preschool through sixth grade.

(3) The superintendent of public instruction shall review this allocation method and submit a report to the legislature by December 1, 1991. The report shall include but is not limited to the following information:

(a) An analysis of the impact of the allocation method and any recommendations regarding the continuation or discontinuation of the allocation method;

(b) A comparison of students' test scores for each district participating in the learning assistance program for the 1988–89 and 1990–91 school years against the test scores of students in the district for the 1986–87 and 1987–88 school years; and

(c) An analysis of how districts expended unencumbered learning assistance funds, if any, resulting from the allocation method. The distribution formula in this section is for allocation purposes only.

*Sec. 4 was vetoed, see message at end of chapter.

PART II

High schools are also encouraged to develop programs providing for flexibility in daily, weekly, monthly, and yearly schedules. High schools are further encouraged to develop flexible teaching arrangements, including tutor programs which may include the use of adults, high school students, or college students as tutors, with particular encouragement to consider seeking persons from ethnic and racial minority groups to serve as tutors.

I requested this bill as a part of my effort to restructure our public education system and improve student performance. Most of the bill will improve the ability of the office of the Superintendent of Public Instruction and local school districts to respond to the diverse needs of students at risk of dropping out of high school.

Under the learning assistance program, as student's test scores improve, school districts receive less funds. Section 4 of the bill attempts to eliminate this disincentive. Unfortunately, a technical drafting error creates both confusion and potentially higher program costs.

Section 6 provides a broad prohibition on the use of tobacco products on public school property. I strongly support the goal of reducing the number of children who become addicted to cigarettes and other tobacco products which cause health problems. Although there have been some concerns raised about the ban, the provision does have an effective date of September 1, 1991. The delay will allow local districts to plan for implementation and allow the legislature the opportunity to address any technical concerns, such as whether it applies to property leased to private parties, before the effective date. Hence, I have decided not to remove this section.

Section 15 requires the Superintendent of Public Instruction to establish an awards program related to outcomes-based education programs. Although I support the concept of establishing an awards program for outcomes-based education programs, this section is overly specific and directive. I have retained the appropriation in section 18 to allow the Superintendent of Public Instruction to design an awards program for the recognition of schools in school districts that have shown significant and continuous improvement in student basic skills performance as well as other desired outcomes identified by the school district and community.

Section 16 requires the Superintendent of Public Instruction to develop a model curriculum for an outcomes-based health and physical education learning assistance education program. No funds are provided for this activity in the bill or in the House or Senate draft budgets.

With the exception of sections 4, 15, and 16, Engrossed Substitute House Bill No. 1444 is approved.*

CHAPTER 234
[Substitute House Bill No. 1254]
IMMUNITY FROM CIVIL LIABILITY—REPORTS OF POSSIBLE WRONGDOING TO GOVERNMENT AGENCIES

AN ACT Relating to immunity from civil liability; and adding new sections to chapter 4.24 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Information provided by citizens concerning potential wrongdoing is vital to effective law enforcement and the efficient operation of government. The legislature finds that the threat of a civil action for damages can act as a deterrent to citizens who wish to report information to federal, state, or local agencies. The costs of defending against such suits can be severely burdensome. The purpose of sections 1 through 4 of this act is to protect individuals who make good-faith reports to appropriate governmental bodies.

NEW SECTION. Sec. 2. A person who in good faith communicates a complaint or information to any agency of federal, state, or local government regarding any matter reasonably of concern to that agency shall be

[1119]
immune from civil liability on claims based upon the communication to the agency. A person prevailing upon the defense provided for in this section shall be entitled to recover costs and reasonable attorneys' fees incurred in establishing the defense.

*NEW SECTION. Sec. 3. If an agency fails to reasonably respond to a person who in good faith communicates a complaint or information to any agency of federal, state, or local government regarding any matter reasonably of concern to that agency, the person shall be immune from civil liability on claims arising from the communication of such complaint or information which the person genuinely and reasonably believed to be true. A person prevailing upon the defense provided for in this section shall be entitled to recover costs and reasonable attorneys' fees incurred in establishing the defense.

*Sec. 3 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 4. In order to protect the free flow of information from citizens to their government, an agency receiving a complaint or information under section 2 of this act may intervene in and defend against any suit precipitated by the communication to the agency. In the event that a local governmental agency does not intervene in and defend against a suit arising from any communication protected under this act, the office of the attorney general may intervene in and defend against the suit. An agency prevailing upon the defense provided for in section 2 of this act shall be entitled to recover costs and reasonable attorneys' fees incurred in establishing the defense. If the agency fails to establish the defense provided for in section 2 of this act, the party bringing the action shall be entitled to recover from the agency costs and reasonable attorney's fees incurred in proving the defense inapplicable or invalid.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act are each added to chapter 4.24 RCW.

Passed the House April 22, 1989.
Passed the Senate April 22, 1989.
Approved by the Governor May 5, 1989, with the exception of section 3, which is vetoed.
Filed in Office of Secretary of State May 5, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 3, Substitute House Bill No. 1254, entitled:

"AN ACT Relating to immunity from civil liability."

This bill was introduced as a Governor and Attorney General request bill to address concerns which arose out of a specific factual situation. A citizen reported the violation of a tax law to a state agency, the agency took enforcement action, and the party who was alleged to have violated the law sued the citizen for slander and libel even though the information reported was factual. Truth is a defense to any slander or libel lawsuit; however, the request bill allows citizens to be represented and protected against the financial cost of defending against frivolous suits. Sections 1, 2 and
4 address this situation and provide appropriate protection so citizens can feel secure in reporting possible violations of the law to regulatory agencies. The agency then can verify the facts and take appropriate action.

Section 3 was added to Substitute House Bill No. 1254 late in the session and was not subject to thorough legislative discussion and standing committee review. It provides that if an agency fails to respond to a complaint regarding a matter of concern to the agency, the person filing the complaint would be immune from civil liability on claims arising from the communication of the complaint.

I understand that the intent of this section is to ensure that good faith citizen complaints are acted upon by governmental agencies by providing immunity from suit to people who may choose to go public with their concerns. That is an admirable purpose which I support. However, I am concerned that the language used in this section could be interpreted to mean that immunity would be conferred even when statements are made that go beyond the original communication to the agency, such as inferences made about the character of an individual. These claims may arise from the communication and therefore be subject to the immunity provisions. That broadened immunity from civil action is more than what is needed in these instances.

In addition, under section 3, if an agency failed to reasonably respond to a complaint, the complainant would be granted immunity to communicate to other persons information about a private individual that was actually false and damaging to the individual's reputation, as long as the complainant claimed he reasonably believed the information was true. Unfortunately, proving or in this case disproving, the complainant's state of mind is not easy. The injured individual would be precluded from taking action against the person who disseminated the false information.

Also, section 3 fails to indicate what is meant by "if an agency failed to reasonably respond to a complaint". Citizens often expect immediate responses to their complaints regardless of the complexity of the issue or the capacity of the agency to respond. The Legislature should discuss whether this kind of immunity to make false charges is good public policy or if additional safeguards or standards should be included before this provision becomes law.

With the exception of section 3, Substitute House Bill No. 1254 is approved.

[House Bill No. 2129]
CULTURAL AND LINGUISTIC DIVERSITY ENCOURAGED
AN ACT Relating to diverse cultures and languages; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that:

(i) Diverse ethnic and linguistic communities have contributed to the social and economic prosperity of Washington state;

(ii) It is the welcomed responsibility and opportunity of this state to respect and facilitate the efforts of all cultural, ethnic, and linguistic segments of the population to become full participants in Washington communities;

(iii) This state's economic well-being depends heavily on foreign trade and international exchange and more than one out of six jobs is directly linked to foreign trade and international exchange;

(iv) If Washington is to prosper in foreign trade and international exchange, it must have citizens that are multilingual and multicultural;

(v) While recognizing the value of a multilingual background, the state also encourages all citizens to become proficient in English to facilitate full participation of all groups into society and to promote cross-communication between multilingual groups; and

(vi) The multilingual nature of communication that currently exists in this state should be promoted to build trust and understanding among all of its citizens.
Therefore, it shall be the policy of the state of Washington to welcome and encourage the presence of diverse cultures and the use of diverse languages in business, government, and private affairs in this state.

NEW SECTION. Sec. 2. Nothing in section 1 of this act creates any right or cause of action or adds to any existing right or cause of action nor may it be relied upon to compel the establishment of any program or special entitlement.

CHAPTER 237
[House Bill No. 1354]
INTERAGENCY COMMITTEE FOR OUTDOOR RECREATION—ORGANIZATION AND DUTIES

AN ACT Relating to the interagency committee for outdoor recreation; amending RCW 43.99.010, 43.99.020, 43.99.130, 43.99.142, 43.99.146, and 67.32.050; adding a new section to chapter 43.99 RCW; declaring an emergency; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 1, chapter 5, Laws of 1965 and RCW 43.99.010 are each amended to read as follows:

(1) As Washington begins its second century of statehood, the legislature recognizes that renewed efforts are needed to preserve, conserve, and enhance the state's recreational resources. Rapid population growth and increased urbanization have caused a decline in suitable land for recreation and resulted in overcrowding and deterioration of existing facilities. Lack of adequate recreational resources directly affects the health and well-being of all citizens of the state, reduces the state's economic viability, and prevents Washington from maintaining and achieving the quality of life that it deserves.

It is therefore the policy of the state and its agencies to preserve, conserve, and enhance recreational resources and open space. In carrying out this policy, the mission of the interagency committee for outdoor recreation and its staff is to (a) create and work actively for the implementation of a unified state-wide strategy for meeting the recreational needs of Washington's citizens, (b) represent and promote the interests of the state on recreational issues in concert with other state and local agencies and the governor, (c) encourage and provide interagency and regional coordination, and interaction between public and private organizations, (d) administer recreational grant-in-aid programs and provide technical assistance, and (e) serve as a repository for information, studies, research, and other data relating to recreation.
Washington is uniquely endowed with fresh and salt waters rich in scenic and recreational value. This outdoor heritage enriches the lives of citizens, attracts new residents and businesses to the state, and is a major support of its expanding tourist industry. Rising population, increased income and leisure time, and the rapid growth of boating and other water sports have greatly increased the demand for water related recreation, while waterfront land is rapidly rising in value and disappearing from public use. There is consequently an urgent need for the acquisition or improvement of waterfront land on fresh and salt water suitable for marine recreational use by Washington residents and visitors. To meet this need, it is necessary and proper that the portion of motor vehicle fuel taxes paid by boat owners and operators on fuel consumed in their watercraft and not reclaimed as presently provided by law should be expended for the acquisition or improvement of marine recreation land on the Pacific Ocean, Puget Sound, bays, lakes, rivers, reservoirs and other fresh and salt waters of the state.

Sec. 2. Section 2, chapter 5, Laws of 1965 as last amended by section 108, chapter 158, Laws of 1979 and RCW 43.99.020 are each amended to read as follows:

Definitions: As used in this chapter:

(1) "Marine recreation land" means any land with or without improvements which (a) provides access to, or in whole or in part borders on, fresh or salt water suitable for recreational use by watercraft, or (b) may be used to create, add to, or make more usable, bodies of water, waterways, or land, for recreational use by watercraft.

(2) "Public body" means any county, city, town, port district, park and recreation district, metropolitan park district, or other municipal corporation which is authorized to acquire or improve public outdoor recreation land, and shall also mean Indian tribes now or hereafter recognized as such by the federal government for participation in the land and water conservation program.

(3) "Tax on marine fuel" means motor vehicle fuel tax which is (a) tax on fuel used in, or sold or distributed for use in, any watercraft, (b) refundable pursuant to chapter 82.36 RCW, and (c) paid to the director of licensing with respect to taxable sales, distributions, or uses occurring on or after December 3, 1964.

(4) "Watercraft" means any boat, vessel, or other craft used for navigation on or through water.

(5) "Committee" means the interagency committee for outdoor recreation.

(6) "Director" means the director of the interagency committee for outdoor recreation.

Sec. 3. Section 13, chapter 5, Laws of 1965 as last amended by section 2, chapter 206, Laws of 1981 and RCW 43.99.130 are each amended to read as follows:
When requested by the committee, members employed by the state shall furnish assistance to the committee from their departments for the analysis and review of proposed plans and projects, and such assistance shall be a proper charge against the appropriations to the several agencies represented on the committee. Assistance may be in the form of money, personnel, or equipment and supplies, whichever is most suitable to the needs of the committee.

(The committee shall employ a director and may employ an assistant director to serve at the pleasure of the committee and shall appoint such professional, technical, and clerical personnel and other assistants and employees as may be necessary to carry out the work of the committee.)

The director shall be appointed by, and serve at the pleasure of, the governor. The governor shall select the director from a list of three candidates submitted by the committee. However, the governor may request and the committee shall provide an additional list or lists from which the governor may select the director. The lists compiled by the committee shall not be subject to public disclosure. The director shall have background and experience in the areas of recreation management and policy. The director shall be paid a salary to be fixed by the governor in accordance with the provisions of RCW 43.03.040. The director shall appoint such personnel as may be necessary to carry out the duties of the committee. Not more than three employees appointed by the director shall be exempt from the provisions of chapter 41.06 RCW.

The plan shall be submitted to the committee for review, and the committee shall submit its recommendations on the plan to the governor. The plan shall include, but is not limited to: (a) an inventory of current resources; (b) a forecast of recreational resource demand; (c) identification and analysis of actual and potential funding sources; (d) a process for broad scale information gathering; (e) an assessment of the capabilities and constraints, both internal and external to state government, that affect the ability of the state
to achieve the goals of the plan; (f) an analysis of strategic options and decisions available to the state; (g) an implementation strategy that is coordinated with executive policy and budget priorities; and (h) elements necessary to qualify for participation in or the receipt of aid from any federal program for outdoor recreation;

(4) To represent and promote the interests of the state on recreational issues and further the mission of the committee;

(9) To prepare the state trails plan, as required by RCW 67.32.050.

Sec. 5. Section 1, chapter 24, Laws of 1979 ex. sess. and RCW 43.99-.142 are each amended to read as follows:

In addition to its other powers and duties the ((committee)) director is authorized to coordinate the preparation of a comprehensive guide of public parks and recreation sites in the state of Washington. Such guide may include one or more maps showing the locations of such public parks and recreation areas, and may also include information as to the facilities and recreation opportunities available. All state agencies providing public recreational facilities shall participate. Cooperation of federal agencies providing public recreational facilities shall be solicited. The ((committee)) director shall determine the costs of providing and distributing such a guide and pursue the most feasible means of paying the costs of initial production. The guide shall be sold for an amount to cover the reasonable production and distribution costs involved, and the ((committee)) director may contract with any state agency, local government agency, or private firm as otherwise allowed by law for any part of such production or distribution.

Sec. 6. Section 4, chapter 24, Laws of 1979 ex. sess. and RCW 43.99-.146 are each amended to read as follows:

The ((committee)) director shall periodically review and have updated the guide authorized by RCW 43.99.142.

CHAPTER 239
[Substitute Senate Bill No. 5759]
SCHOOL BREAKFAST PROGRAMS
AN ACT Relating to a school breakfast program; and creating new sections.

Be it enacted by the Legislature of the State of Washington:
NEW SECTION. Sec. 1. The superintendent of public instruction is directed to conduct a study of school lunch programs to determine reasons why some schools are not currently participating in the national school lunch program. The report shall include an estimate of the number of students in each of these schools who would be eligible for free or reduced-price lunches if they were available. The superintendent of public instruction shall submit to the legislature prior to January 15, 1990, a report on the results of its study, including recommendations on ways of increasing school participation in the school lunch program.

NEW SECTION. Sec. 2. (1) For the purposes of this section:
(a) "Free or reduced-price lunches" means lunches served by a school district that qualify for federal reimbursement as free or reduced-price lunches under the national school lunch program.
(b) "School breakfast program" means a program meeting federal requirements defined in 42 U.S.C. Sec. 1773.
(c) "Severe-need school" means a school that qualifies for a severe-need school reimbursement rate from federal funds for school breakfasts served to children from low-income families.
(2) School districts shall be required to develop and implement plans for a school breakfast program in severe-need schools, pursuant to the schedule in this section. For the second year prior to the implementation of the district’s school breakfast program, and for each subsequent school year, each school district shall submit data enabling the superintendent of public instruction to determine which schools within the district will qualify as severe-need schools. In developing its plan, each school district shall consult with an advisory committee including school staff and community members appointed by the board of directors of the district.
(3) Using district-wide data on school lunch participation during the 1988–89 school year, the superintendent of public instruction shall adopt a schedule for implementation of school breakfast programs in severe-need schools as follows:
(a) School districts where at least forty percent of lunches served to students are free or reduced-price lunches shall submit a plan for implementation of a school breakfast program in severe-need schools to the superintendent of public instruction no later than July 1, 1990. Each such district shall implement a school breakfast program in all severe-need schools no later than the second day of school in the 1990–91 school year and in each school year thereafter.
(b) School districts where at least twenty-five but less than forty percent of lunches served to students are free or reduced-price lunches shall submit a plan for implementation of a school breakfast program in severe-need schools to the superintendent of public instruction no later than July 1, 1991. Each such district shall implement a school breakfast program in all
severe-need schools no later than the second day of school in the 1991–92 school year and in each school year thereafter.

(c) School districts where less than twenty-five percent of lunches served to students are free or reduced-price lunches shall submit a plan for implementation of a school breakfast program in severe-need schools to the superintendent of public instruction no later than July 1, 1992. Each such district shall implement a school breakfast program in all severe-need schools no later than the second day of school in the 1992–93 school year and in each school year thereafter.

(d) School districts that did not offer a school lunch program in the 1988–89 school year are encouraged to implement such a program and to provide a school breakfast program in all severe-need schools when eligible.

(4) The requirements in this section shall lapse if the federal reimbursement rate for breakfasts served in severe-need schools is eliminated.

(5) Students who do not meet family-income criteria for free breakfasts shall be eligible to participate in the school breakfast programs established under this section, and school districts may charge for the breakfasts served to these students. School breakfast programs established under this section shall be supported entirely by federal funds and commodities, charges to students, and other local resources available for this purpose, and shall not create or imply any state funding obligation for these costs. The legislature does not intend to include these programs within the state's obligation for basic education funding under Article IX of the Constitution.

NEW SECTION. Sec. 3. The superintendent of public instruction shall conduct a study of the costs and feasibility of expanding the school breakfast program to include schools where more than twenty-five but less than forty percent of lunches served are free or reduced-price lunches. The study shall consider the total cost of the program, including but not limited to food costs, staff salaries and benefits, and additional pupil transportation costs. The superintendent of public instruction shall submit to the legislature prior to January 15, 1992, a report on the results of this study, including recommendations on whether to expand the school breakfast program to include these schools.

chapter 70.120 RCW; creating new sections; repealing RCW 70.120.030, 70.120.040, 70.120-
.050, and 70.120.060; repealing section 17, chapter 163, Laws of 1979 ex. sess. (uncodified);
prescribing penalties; providing an expiration date; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 111, chapter 7, Laws of 1985 and RCW 46.16.015 are each amended to read as follows:

(1) Neither the department of licensing nor its agents may issue or re-
new a motor vehicle license for any vehicle registered in an emission con-
tributing area, as that area is established under chapter 70.120 RCW ((70.A26.040)), for any year in which the vehicle is required to be tested
under chapter 70.120 RCW, unless the application for issuance or renewal
is: (a) Accompanied by a valid certificate of compliance ((issued pursuant
to RCW 70.120.060 or 70.120.080)) or a valid certificate of acceptance is-
sued pursuant to chapter 70.120 RCW ((70.120.070)); or (b) exempted
from this requirement pursuant to subsection (2) of this section. The certif-
icates must have a date of validation which is within ninety days of the date
of application for the vehicle license or license renewal. Certificates for fleet
vehicles may have a date of validation which is within twelve months of the
assigned license renewal date.

(2) Subsection (1) of this section does not apply to the following
vehicles:

(a) New motor vehicles whose equitable or legal title has never been
transferred to a person who in good faith purchases the vehicle for purposes
other than resale;

(b) Motor vehicles ((fifteen years old or older)) with a model year of
1967 or earlier;

(c) Motor vehicles that use propulsion units powered exclusively by
electricity;

(d) Motor vehicles fueled exclusively by propane, compressed natural
gas, or liquid petroleum gas, unless it is determined that federal sanctions
will be imposed as a result of this exemption;

(e) Motorcycles as defined in RCW 46.04.330 and motor–driven cycles
as defined in RCW 46.04.332;

(f) Motor vehicles powered by diesel engines;

(g) Farm vehicles as defined in RCW 46.04.181;

(h) Used vehicles which are offered for sale by a motor vehicle dealer
licensed under chapter 46.70 RCW; or

(i) Motor vehicles exempted by the director of the department of
ecology.

The provisions of subparagraph (a) of this subsection may not be con-
strued as exempting from the provisions of subsection (1) of this section
applications for the renewal of licenses for motor vehicles that are or have
been leased.

[ 1134 ]
(3) The department of licensing shall mail to each owner of a vehicle registered within an emission contributing area a notice regarding the boundaries of the area and restrictions established under this section that apply to vehicles registered in such areas. The information for the notice shall be supplied to the department of licensing by the department of ecology. Such a notice shall be mailed to the owner ninety days prior to the expiration date of the owner's motor vehicle license.

NEW SECTION. Sec. 2. VEHICLE EMISSION STANDARDS—DESIGNATION OF NONCOMPLIANCE AREAS AND EMISSION CONTRIBUTING AREAS. The director:

(1) Shall adopt motor vehicle emission standards to ensure that no less than seventy percent of the vehicles tested comply with the standards.

(2) Shall designate a geographic area as being a "noncompliance area" for motor vehicle emissions if (a) the department's analysis of the data, recorded for a period of no less than one year, at the monitoring sites indicates that the standard has or will probably be exceeded, and (b) the department determines that the primary source of the contaminant being monitored at the sites is motor vehicle emissions.

(3) Shall reevaluate noncompliance areas if the United States environmental protection agency modifies the relevant air quality standards, and shall discontinue the program if compliance is indicated and if the department determines that the area would continue to be in compliance after the program is discontinued. The director shall notify persons residing in noncompliance areas of the reevaluation.

(4) Shall analyze information regarding the motor vehicle traffic in a noncompliance area to determine the smallest land area within whose boundaries are present registered motor vehicles that contribute significantly to the violation of motor vehicle-related air quality standards in the noncompliance area. The director shall declare the area to be an "emission contributing area." An emission contributing area established for a carbon monoxide or oxides of nitrogen noncompliance area must contain the noncompliance area within its boundaries. An emission contributing area established for an ozone noncompliance area located in this state need not contain the ozone noncompliance area within its boundaries if it can be proven that vehicles registered in the area contribute significantly to violations of the ozone air quality standard in the noncompliance area. An emission contributing area may be established in this state for violations of federal air quality standards for ozone in an adjacent state if (a) the United States environmental protection agency designates an area to be a "nonattainment area for ozone" under the provisions of the federal Clean Air Act (42 U.S.C. 7401 et. seq.), (b) the nonattainment area encompasses portions of both Washington and the adjacent state, and (c) it can be proven that vehicles registered in this state contribute significantly to the violation of the
federal air quality standards for ozone in the adjacent state's portion of the nonattainment area.

(5) Shall designate areas as being noncompliance areas or emission contributing areas, and shall establish the boundaries of such areas by rule. The director may also modify boundaries. In establishing the external boundaries of an emission contributing area, the director shall use the boundaries established for ZIP code service areas by the United States postal service.

(6) May make grants to units of government in support of planning efforts to reduce motor vehicle emissions in areas where emission control inspections are not required.

NEW SECTION. Sec. 3. NONCOMPLIANCE AREAS—ANNUAL REVIEW. (1) The director shall review annually the air quality and forecasted air quality of each area in the state designated as a noncompliance area for motor vehicle emissions.

(2) An area shall no longer be designated as a noncompliance area if the director determines that:

(a) Air quality standards for contaminants derived from motor vehicle emissions are no longer being violated in the noncompliance area; and

(b) The standards would not be violated if the emission inspection system in the emission contributing area was discontinued and the requirements of RCW 46.16.015 no longer applied.

NEW SECTION. Sec. 4. MOTOR VEHICLE INSPECTIONS REQUIRED—FEES—RESULTS—CERTIFICATE OF COMPLIANCE. (1) The department shall administer a system for biennial inspection of emissions of all motor vehicles registered within the boundaries of each emission contributing area. Persons residing within the boundaries of an emission contributing area shall register their motor vehicle within that area, unless business reasons require registration outside the area. Requests for exemption from inspection for business reasons shall be reviewed and approved by the director.

(2) The director shall:

(a) Adopt procedures for conducting emission tests for motor vehicles. The tests shall include idle and high revolution per minute tests.

(b) Adopt criteria for calibrating emission testing equipment. Electronic equipment used to test for emissions standards provided for in this chapter shall be properly calibrated. The department shall examine frequently the calibration of the emission testing equipment used at the stations.

(c) Authorize, through contracts, the establishment and operation of inspection stations for conducting the vehicle emission tests authorized in this chapter. No person contracted to inspect motor vehicles may perform for compensation repairs on any vehicles. No public body may establish or
operate contracted inspection stations. Any contracts must be let in accordance with the procedures established for competitive bids in chapter 43.19 RCW.

(3) Subsection (2)(c) of this section does not apply to volunteer motor vehicle inspections under RCW 70.120.020(1)(a) if the inspections are conducted for the following purposes:
   (a) Auditing;
   (b) Contractor evaluation;
   (c) Collection of data for establishing calibration and performance standards; or
   (d) Public information and education.

(4)(a) The director shall establish by rule the fee to be charged for emission inspections. The inspection fee shall be a standard fee applicable state-wide or throughout an emission contributing area and shall be no greater than eighteen dollars. Surplus moneys collected from fees over the amount due the contractor shall be paid to the state and deposited in the general fund. Fees shall be set at the minimum whole dollar amount required to (i) compensate the contractor, and (ii) offset the general fund appropriation to the department to cover the administrative costs of the motor vehicle emission inspection program.

   (b) Before each inspection, a person whose motor vehicle is to be inspected shall pay to the inspection station the fee established under this section. The person whose motor vehicle is inspected shall receive the results of the inspection test. If the inspected vehicle's emissions comply with the standards established by the director, the person shall receive a dated certificate of compliance. If the inspected vehicle's emissions do not comply with those standards, one retest of the vehicle's emission shall be afforded without charge.

(5) All units of local government and agencies of the state with motor vehicles garaged or regularly operated in an emissions contributing area shall test the emissions of those vehicles biennially to ensure that the vehicle's emissions comply with the emission standards established by the director. A report of the results of the tests shall be submitted to the department.

Sec. 5. Section 2, chapter 163, Laws of 1979 ex. sess. and RCW 70-120.020 are each amended to read as follows:

(1) The department shall conduct the following programs in a manner that will enhance the successful implementation of the air pollution control system established for motor vehicles by this chapter:
   (a) A voluntary motor vehicle emissions inspection program;
   (b) A public educational program regarding the health effects of air pollution emitted by motor vehicles; the purpose, operation, and effect of emission control devices and systems; and the effect that proper maintenance of motor vehicle engines has on fuel economy and air pollution emission; and
(c) A public notification program identifying the geographic areas of
the state that are designated as being noncompliance areas and emission
contributing areas and describing the requirements imposed under this
chapter for those areas.

(2)(a) The department, the superintendent of public instruction, and
the state board for community college education shall develop cooperatively,
after consultation with automotive trades joint apprenticeship committees
approved in accordance with RCW 49.04.040, a program for granting cer-
tificates of instruction to persons who successfully complete a course of
study, under general requirements established by the director, in the main-
tenance of motor vehicle engines, the use of engine and exhaust analysis
equipment, and the repair and maintenance of emission control devices. The
director may establish and implement procedures for granting certification
to persons who successfully complete other training programs or who have
received certification from private organizations which meet the require-
ments established in this subsection.

(b) The department shall make available to the public a list of those
persons who have received certificates of instruction under subsection (2)(a)
of this section.

Sec. 6. Section 7, chapter 163, Laws of 1979 ex. sess. as amended by
section 4, chapter 176, Laws of 1980 and RCW 70.120.070 are each
amended to read as follows:

(1) Any person:

(a) Whose motor vehicle is tested pursuant to (RCW 70.120.
.060) this chapter and fails to comply with the emission standards estab-
lished for the vehicle; and

(b) Who, following such a test, expends more than fifty dollars
on a 1980 or earlier model year motor vehicle or expends more than one
hundred fifty dollars on a 1981 or later model year motor vehicle for repairs
(and/or parts) solely devoted to meeting the emission standards and that
are performed by a certified emission specialist authorized by RCW
70.120.020(2)(a); and

(c) Whose vehicle (is inspected again but again) fails a retest,
may be issued a certificate of acceptance if (i) the vehicle has been in use
for more than five years or fifty thousand miles, and (ii) any component of
the vehicle installed by the manufacturer for the purpose of reducing emis-
sions, or its appropriate replacement, is installed and operative.

(d) To receive the certificate, the person must document ((the expen-
diture and the purpose of the expenditure)) compliance with (b) and (c) of
this subsection to the satisfaction of the department.

(2) Persons who fail the initial tests shall be provided with information
regarding the availability of federal warranties and certified emission
specialists.
Sec. 7. Section 12, chapter 163, Laws 1979 ex. sess. as amended by section 131, chapter 7, Laws of 1985 and RCW 70.120.110 are each amended to read as follows:

(a) Certificates of compliance and acceptance constitute official forms. False statements made thereon or made to secure such certificates are punishable pursuant to RCW 9A.72.040 and the certificates shall bear notice to that effect.

(b) Certificates of compliance and certificates of acceptance may be issued only in the manner authorized by (RCW 70.120.060, 70.120.070, and 70.120.080) this chapter.

(2) A person who avoids inspection requirements as provided for in section 4(1) of this act is subject to a civil penalty not to exceed one hundred dollars.

Sec. 8. Section 13, chapter 163, Laws of 1979 ex. sess. and RCW 70.120.120 are each amended to read as follows:

The director (of the department of ecology) shall adopt rules implementing and enforcing this chapter and RCW (70.120.010 through 70.120.100) 46.16.015(2)(g) ((and 70.120.110)) in accordance with chapter (34.04) 34.05 RCW. Notwithstanding the provisions of chapter (34.04) 34.05 RCW, any rule implementing and enforcing (RCW 70.120.010 through 70.120.100, 46.16.015(2)(g), and 70.120.110) section 2(5) of this act may not be adopted until it has been submitted to the standing committees on ecology of the house of representatives and senate for review and approval. The standing committees shall take into account when considering proposed modifications of emission contributing boundaries, as provided for in section 2(5) of this act, alternative plans for traffic rerouting and traffic bans that may have been prepared by local municipal corporations for the purpose of satisfying federal emission guidelines.

NEW SECTION. Sec. 9. EXPIRATION DATE. This chapter expires January 1, 1993, unless extended by law for an additional fixed period of time.

NEW SECTION. Sec. 10. DEPARTMENT STUDIES. (1) The department shall identify expected carbon monoxide emission trends over the next five years after the effective date of this act without the motor vehicle emission program and report to the appropriate standing committees of the legislature by January 1, 1991.

(2) The department shall examine available testing data to determine vehicle subpopulations and incremental emission increases associated with subpopulations failing the emission test. This information shall be reported to the appropriate standing committees of the legislature by January 1, 1992.

NEW SECTION. Sec. 11. CAPTIONS NOT LAW. Section headings as used in this act do not constitute any part of law.
NEW SECTION. Sec. 12. The following acts or parts of acts are each repealed:

AN ACT Relating to safety in water skiing; adding a new section to chapter 88.12 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 88.12 RCW to read as follows:
   (1) The purpose of this section is to promote safety in water skiing on the waters of Washington state, provide a means of ensuring safe water skiing and promote the enjoyment of water skiing.
   (2) When used in this section, the following words and phrases shall have the meanings designated in this section unless a different meaning is expressly provided or unless the context clearly indicates otherwise.
       (a) "Operator" means the individual in physical control of the recrea-
       tional boat.
       (b) "Observer" means the individual riding in the recreational boat who shall be responsible for observing the water skier at all times. The observer and the operator shall not be the same person. The observer shall be at least ten years of age.
       (c) "Recreational boat" means any vessel manufactured or used primarily for noncommercial use; or leased, rented, or chartered to another for the latter's noncommercial use.
(d) "Waters of Washington state" means any waters within the territorial limits of Washington state.

(3) No recreational boat which has in tow a person or persons on water skis, or similar contrivance shall be operated on any waters of Washington state unless such craft shall be occupied by at least an operator and an observer. The observer shall continuously observe the person or persons being towed and shall display a flag immediately after the towed person or persons fall into the water, and during the time preparatory to skiing while the person or persons are still in the water. Such flag shall be a bright red color, measuring twelve inches on each side, mounted on a handle not less than twenty-four inches long and displayed as to be visible from every direction. This subsection does not apply to a United States coast guard approved recreational boat, the design of which makes no provision for carrying an operator or any other person on board, and that is actually operated by the person or persons being towed.

(4) No person shall engage or attempt to engage in water skiing without wearing an adequate and effective United States coast guard approved type I, II, III, or V personal floatation device in good and serviceable condition and of appropriate size, or a wet suit specifically designed by a manufacturer for that purpose and capable of floating the water skier.

(5) No person shall engage in water skiing, or operate any vessel to tow a water skier, on the waters of Washington state during the period from one hour after sunset until one hour prior to sunrise.

(6) No person engaged in water skiing shall conduct himself or herself in a negligent manner that endangers, or is likely to endanger, any person or property.

(7) The requirements of subsections (3), (4), and (5) of this section shall not apply to water skiers and boat operators engaged in water ski tournaments, competitions, or exhibitions that have been authorized or otherwise permitted by the appropriate agency having jurisdiction and authority to authorize such events.

For the purposes of this section, "approved legend drugs" means those legend drugs designated by the board by rule as being approved for use by such societies and agencies for animal sedating or capture and does not include any substance regulated under chapter 69.50 RCW. Any society or agency so registered shall not permit persons to administer any legend drugs unless such person has demonstrated to the satisfaction of the board adequate knowledge of the potential hazards involved in and the proper techniques to be used in administering the drugs.

The board shall promulgate rules to regulate the purchase, possession, and administration of legend drugs by such societies and agencies and to insure strict compliance with the provisions of this section. Such rules shall require that the storage, inventory control, administration, and recordkeeping for approved legend drugs conform to the standards adopted by the board under chapter 69.50 RCW to regulate the use of controlled substances by such societies and agencies. The board may suspend or revoke a registration under chapter 69.50 RCW upon a determination by the board that the person administering legend drugs has not demonstrated adequate knowledge as herein provided. Any local improvement may be initiated upon a petition signed by the owners of property aggregating a majority of the area within the proposed district. The petition must briefly describe: (1) The nature of the proposed improvement, (2) the territorial extent of the proposed improvement, (3) what proportion of the area within the proposed district is owned by the petitioners as shown by the records in the office of the county auditor, and (4) the fact that actual assessments may vary from assessment estimates so long as they do not exceed a figure equal to the increased true and fair value the improvement, or street lighting, adds to the property.

If any of the property within the area of the proposed district stands in the name of a deceased person, or of any person for whom a guardian has been appointed and not discharged, the signature of the executor, administrator, or guardian, as the case may be, shall be equivalent to the signature of the owner of the property on the petition. The petition must be filed with the clerk or with such other officer as the city or town by charter or ordinance may require.

Sec. 2. Section 35.43.140, chapter 7, Laws of 1965 as last amended by section 29, chapter 469, Laws of 1985 and RCW 35.43.140 are each amended to read as follows:

Any local improvement to be paid for in whole or in part by the levy and collection of assessments upon the property within the proposed improvement district may be initiated by a resolution of the city or town council or other legislative authority of the city or town, declaring its intention to order the improvement, setting forth the nature and territorial extent of the improvement, containing a statement that actual assessments may vary from assessment estimates so long as they do not exceed a figure equal to the increased true and fair value the improvement, or street lighting, adds

The notice shall set forth the nature of the proposed improvement, the estimated cost, a statement that actual assessments may vary from assessment estimates so long as they do not exceed a figure equal to the increased true and fair value the improvement, or street lighting, adds to the property, and the estimated benefits of the particular lot, tract, or parcel.

NEW SECTION. Sec. 4. A new section is added to chapter 36.69 RCW to read as follows:

Any notice given to the public or to the owners of specific lots, tracts, or parcels of land relating to the formation of a local improvement district shall contain a statement that actual assessments may vary from assessment
estimates so long as they do not exceed a figure equal to the increased true and fair value the improvement adds to the property.

[Substitute House Bill No. 1386]
COUNTIES—SMALL WORKS ROSTER

AN ACT Relating to the creation of small works rosters by counties; reenacting and
amending RCW 36.32.250; and adding new sections to chapter 36.32 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A county may use a small works roster and
award contracts under sections 2 through 4 of this act for any project for
which the estimated cost is one hundred thousand dollars or less.

NEW SECTION. Sec. 2. Each county may maintain a small works
roster which shall be comprised of all contractors requesting to be on the
roster and who are, where required by law, properly licensed or registered to
perform work in the state of Washington. Whenever possible, the county
shall actively solicit participation by women and minority contractors.

NEW SECTION. Sec. 3. Whenever construction is done by contract
for which the estimated cost is one hundred thousand dollars or less and the
county uses a small works roster, the county shall invite proposals from ap-
propriate contractors on the small works roster. Such invitation shall in-
clude an estimate of the scope and nature of the work to be performed as
well as materials and equipment to be furnished. Whenever possible, not
less than five separate appropriate contractors shall be requested to submit
proposals on any individual contract.

Once a contractor on the small works roster has been offered an op-
portunity to submit a proposal, that contractor shall not be offered another
opportunity on any contract until all other appropriate contractors, includ-
ing minority and women contractors, have been afforded an opportunity to
submit a proposal on a contract.

NEW SECTION. Sec. 4. When awarding such a contract for work,
the estimated cost of which is one hundred thousand dollars or less, the
county shall award the contract to the contractor submitting the lowest re-
ponsible proposal.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act are each
added to chapter 36.32 RCW.
Sec. 6. Section 36.32.250, chapter 4, Laws of 1963 as last amended by section 9, chapter 169, Laws of 1985 and by section 1, chapter 369, Laws of 1985 and RCW 36.32.250 are each reenacted and amended to read as follows:

No contract, lease, or purchase may be entered into by the county legislative authority or by any elected or appointed officer of such county until after bids have been submitted to the county upon specifications therefor. Such specifications shall be in writing and shall be filed with the clerk of the county legislative authority for public inspection, and an advertisement thereof stating the time and place where bids will be opened, the time after which bids will not be received, the character of the work to be done, or material, equipment, or service to be purchased, and that specifications therefor may be seen at the office of the clerk of the county legislative authority, shall be published in the county official newspaper: PROVIDED, That advertisements for public works contracts for construction, alteration, repair, or improvement of public facilities shall be additionally published in a legal newspaper of general circulation in or as near as possible to that part of the county in which such work is to be done: AND PROVIDED FURTHER, That if the county official newspaper is a newspaper of general circulation covering at least forty percent of the residences in that part of the county in which such public works are to be done publication of an advertisement of the applicable specifications in the county official newspaper only shall be sufficient. Such advertisements shall be published at least once in each week for two consecutive weeks prior to the last date upon which bids will be received and as many additional publications as shall be determined by the county legislative authority. The bids shall be in writing, shall be filed with the clerk, shall be opened and read in public at the time and place named therefor in said advertisements, and after being opened, shall be filed for public inspection. No bid may be considered for public work unless it is accompanied by a bid deposit in the form of a surety bond, postal money order, cash, cashier's check, or certified check in an amount equal to five percent of the amount of the bid proposed. The contract for the public work, lease, or purchase shall be awarded to the lowest responsible bidder, taking into consideration the quality of the articles or equipment to be purchased or leased. Any or all bids may be rejected for good cause. The county legislative authority shall require from the successful bidder for such public work a contractor's bond in the amount and with the conditions imposed by law. If the bidder to whom the contract is awarded fails to enter into the contract and furnish the contractor's bond as required within ten days after notice of the award, exclusive of the day of notice, the amount of the bid deposit shall be forfeited to the county and the contract awarded to the next lowest and best bidder. The bid deposit of all unsuccessful bidders shall be returned after the contract is awarded and the required contractor's bond given by the successful bidder is accepted by the county legislative
authority. In the letting of any contract, lease, or purchase involving less than \((\text{three thousand five hundred})\) ten thousand dollars, advertisement and competitive bidding may be dispensed with on order of the county legislative authority. Notice of intention to let contracts or to enter into lease agreements involving amounts exceeding one thousand dollars but less than \((\text{three thousand five hundred})\) ten thousand dollars, shall be posted by the county legislative authority on a bulletin board in its office not less than three days prior to making such lease or contract. For advertisement and competitive bidding to be dispensed with as to purchases between one thousand and \((\text{three thousand five hundred})\) ten thousand dollars, the county legislative authority must authorize by resolution a county procedure for securing telephone or written quotations, or both, from enough vendors to assure establishment of a competitive price and for awarding such contracts for purchase of materials, equipment, or services to the lowest responsible bidder. The procedure shall include the annual establishment of an array of general categories in which such contracts, leases, or purchases are anticipated. A roster shall be developed for each category, consisting of all potential bidders who have requested to be included on the roster. The county shall invite proposals from all vendors listed on the appropriate roster for each purchase between one thousand and ten thousand dollars. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry. Wherever possible, supplies shall be purchased in quantities for a period of at least three months, and not to exceed one year. Supplies generally used throughout the various departments shall be standardized insofar as possible, and may be purchased and stored for general use by all of the various departments which shall be charged for the supplies when withdrawn from the purchasing department.

This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

(6) Notwithstanding the provisions of RCW 28B.15.067, for the 1989–91 biennium the undergraduate and graduate cost relationship developed by

CHAPTER 247

[Substitute House Bill No. 1337]

OVER-THE-COUNTER MEDICATIONS—IMPRINTING

AN ACT Relating to imprinting over-the-counter medications; adding a new chapter to Title 69 RCW; creating a new section; and prescribing penalties.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature of the state of Washington finds that:

(1) Accidental and purposeful ingestions of solid medication forms continue to be the most frequent cause of poisoning in our state;

(2) Modern treatment is dependent upon knowing the ingredients of the ingestant;

(3) The imprinting of identifying characteristics on all tablets, capsules, and caplets of prescription medication forms, both trade name products and generic products, has been extremely beneficial in our state and was accomplished at trivial cost to the manufacturers and consumers;

(4) Although over-the-counter medications usually constitute a lower order of risk to ingestees, treatment after overdose is equally dependent upon knowing the ingredients involved, but there is no coding index uniformly used by this class of medication;

(5) Approximately seventy percent of over-the-counter medications in solid form already have some type of an identifier imprinted on their surfaces;
While particular efforts are being instituted to prevent recurrent tampering with over-the-counter medications, the added benefit of rapid and prompt identification of all possible contaminated products, including over-the-counter medications, would make for a significant improvement in planning for appropriate tracking and monitoring programs;

At the same time, health care professionals serving the elderly find it especially advantageous to be able to identify and confirm the ingredients of their multiple medications, including over-the-counter products, as are often consumed by such patients;

The legislature supports and encourages efforts that are being made to establish a national, legally enforceable system governing the imprinting of solid dosage form over-the-counter medications, which system is consistent with the requirements of this chapter.

NEW SECTION. Sec. 2. (1) No over-the-counter medication in solid dosage form may be manufactured or commercially distributed within this state unless it has clearly marked or imprinted on it an individual symbol, number, company name, words, letters, marking, or national drug code number identifying the medication and the manufacturer or distributor of the medication: PROVIDED, HOWEVER, That an over-the-counter medication which has clearly marked or imprinted on it a distinctive logo, symbol, product name, letters, or other identifying mark, or which by its color, shape, or size together with a distinctive logo, symbol, product name, letters, or other mark is identifiable, shall be deemed in compliance with the provisions of this chapter.

(2) No manufacturer may sell any over-the-counter medication contained within a bottle, vial, carton, or other container, or in any way affixed or appended to or enclosed within a package of any kind designed or intended for delivery in such container or package to an ultimate consumer within this state unless such container or package has clearly and permanently marked or imprinted on it an individual symbol, number, company name, words, letters, marking, or national drug code number identifying the medication and the manufacturer of the medication.

NEW SECTION. Sec. 3. The terms defined in this section shall have the meanings indicated when used in this chapter.

(1) "Solid dosage form" means capsules or tablets or similar over-the-counter medication products intended for administration and which could be ingested orally.

(2) "Over-the-counter medication" means a drug that can be obtained without a prescription and is not restricted to use by prescribing practitioners. For purposes of this chapter, over-the-counter medication does not include vitamins.

(3) "Board" means the state board of pharmacy.
(4) "Purveyor" means any corporation, person, or other entity that offers over-the-counter medications for wholesale, retail, or other type of sale.

**NEW SECTION.** Sec. 4. Each manufacturer shall publish and provide to the board printed material which will identify each current imprint used by the manufacturer and the board shall be notified of any change. This information shall be provided by the board to all pharmacies licensed in the state of Washington, poison control centers, and hospital emergency rooms.

**NEW SECTION.** Sec. 5. (1) Any over-the-counter medication prepared or manufactured or offered for sale in violation of this chapter or implementing rules shall be contraband and subject to seizure, in the same manner as contraband legend drugs under RCW 69.41.060.

(2) A purveyor who fails to comply with this chapter after one notice of noncompliance by the board is subject to a one thousand dollar civil fine for each instance of noncompliance.

**NEW SECTION.** Sec. 6. The board shall have authority to promulgate rules for the enforcement and implementation of this chapter.

**NEW SECTION.** Sec. 7. All over-the-counter medications manufactured in, received by, distributed to, or shipped to any retailer or wholesaler in this state after January 1, 1993, shall meet the requirements of this chapter. No over-the-counter medication may be sold to a consumer in this state after January 1, 1994, unless such over-the-counter medication complies with the imprinting requirements of this chapter.

**NEW SECTION.** Sec. 8. The board, upon application of a manufacturer, may exempt an over-the-counter drug from the requirements of chapter 69. RCW (sections 2 through 9 of this act) on the grounds that imprinting is infeasible because of size, texture, or other unique characteristics.

**NEW SECTION.** Sec. 9. Before January 1, 1993, the board of pharmacy will consult with the state toxicologist to determine whether the federal government has established a legally enforceable system that is substantially equivalent to the requirements of this chapter, which governs the imprinting of solid dosage form over-the-counter medication. To be substantially equivalent, the effective dates for implementation of the federal system must be the same or earlier than the dates of implementation set out in the state system. If the board determines that the federal system is substantially equivalent to the state system, this chapter will cease to exist on January 1, 1993. If the board determines that the federal system is substantially equivalent, except that the federal dates for implementation are later than the Washington state dates, this chapter will cease to exist when the federal system is implemented.
NEW SECTION. Sec. 10. Sections 2 through 9 of this act shall constitute a new chapter in Title 69 RCW.

Any program established pursuant to this section shall allow an offender to earn early release credits for presentence incarceration.
If an offender is transferred from a county jail to the department of corrections, the county jail facility shall certify to the department the amount of time spent in custody at the facility and the amount of earned early release time. In no case shall the aggregate earned early release time exceed one-third of the total sentence. Persons convicted of a sex offense or an offense categorized as a serious violent offense, assault in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW may become eligible for community custody in lieu of earned early release time in accordance with the program developed by the department;

(1) All cities and counties are authorized to establish and maintain farms, camps, and work release programs and facilities, as well as special
detention facilities. The facilities shall meet the requirements of chapter 70.48 RCW and any rules adopted thereunder.

(2) Farms and camps may be established either inside or outside the territorial limits of a city or county. A sentence of confinement in a city or county jail may include placement in a farm or camp. Unless directed otherwise by court order, the chief law enforcement officer or department of corrections, may transfer the prisoner to a farm or camp. The sentencing court, chief law enforcement officer, or department of corrections may not transfer to a farm or camp a greater number of prisoners than can be furnished with constructive employment and can be reasonably accommodated.

(3) The city or county may establish a city or county work release program and housing facilities for the prisoners in the program. In such regard, factors such as employment conditions and the condition of jail facilities should be considered. When a work release program is established the following provisions apply:

(a) A person convicted of a felony and placed in a city or county jail is eligible for the work release program. A person sentenced to a city or county jail is eligible for the work release program. The program may be used as a condition of probation for a criminal offense. Good conduct is a condition of participation in the program.

(b) The court may permit a person who is currently, regularly employed to continue his or her employment. The chief law enforcement officer or department of corrections shall make all necessary arrangements if possible. The court may authorize the person to seek suitable employment and may authorize the chief law enforcement officer or department of corrections to make reasonable efforts to find suitable employment for the person. A person participating in the work release program may not work in an establishment where there is a labor dispute.

(c) The work release prisoner shall be confined in a work release facility or jail unless authorized to be absent from the facility for program-related purposes, unless the court directs otherwise.

(d) Each work release prisoner's earnings may be collected by the chief law enforcement officer or a designee. The chief law enforcement officer or a designee may deduct from the earnings moneys for the payments for the prisoner's board, personal expenses inside and outside the jail, a share of the administrative expenses of this section, court-ordered victim compensation, and court-ordered restitution. Support payments for the prisoner's dependents, if any, shall be made as directed by the court. With the prisoner's consent, the remaining funds may be used to pay the prisoner's preexisting debts. Any remaining balance shall be returned to the prisoner.

(e) The prisoner's sentence may be reduced by earned early release time in accordance with procedures that shall be developed and promulgated by the work release facility. The
earned early release time shall be for good behavior and good performance as determined by the facility. In no case may the aggregate earned early release time exceed one-third of the total sentence.

(f) If the work release prisoner violates the conditions of custody or employment, the prisoner shall be returned to the sentencing court. The sentencing court may require the prisoner to spend the remainder of the sentence in actual confinement and may cancel any earned reduction of the sentence.

(4) A special detention facility may be operated by a noncorrectional agency or by noncorrectional personnel by contract with the governing unit. The employees shall meet the standards of training and education established by the criminal justice training commission as authorized by RCW 43.101.080. The special detention facility may use combinations of features including, but not limited to, low-security or honor prisoner status, work farm, work release, community review, prisoner facility maintenance and food preparation, training programs, or alcohol or drug rehabilitation programs. Special detention facilities may establish a reasonable fee schedule to cover the cost of facility housing and programs. The schedule shall be on a sliding basis that reflects the person's ability to pay.

CHAPTER 251
[House Bill No. 1047]
SECURITY INTERESTS—UNIFORM COMMERCIAL CODE

AN ACT Relating to secured transactions under the uniform commercial code; and amending RCW 62A.9-312 and 62A.9-402.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 9-312, chapter 157, Laws of 1965 ex. sess. as last amended by section 52, chapter 35, Laws of 1986 and RCW 62A.9-312 are each amended to read as follows:

(1) The rules of priority stated in other sections of this Part and in the following sections shall govern when applicable: RCW 62A.4-208 with respect to the security interests of collecting banks in items being collected, accompanying documents and proceeds; RCW 62A.9-103 on security interests related to other jurisdictions; RCW 62A.9-114 on consignments.

(2) A perfected purchase money security interest in crops for new value given to enable the debtor to produce the crops during the production season and given not more than three months before the crops become growing crops by planting or otherwise takes priority over an earlier perfected security interest to the extent that such earlier interest secures obligations due more than six months before the crops become growing crops by planting or otherwise; even though the person giving new value has knowledge of the earlier security interest) Conflicting priorities between security interests in crops shall be governed by chapter 60.11 RCW.

(3) A perfected purchase money security interest in inventory has priority over a conflicting security interest in the same inventory and also has priority in identifiable cash proceeds received on or before the delivery of the inventory to a buyer if

(a) the purchase money security interest is perfected at the time the debtor receives possession of the inventory; and

(b) the purchase money secured party gives notification in writing to the holder of the conflicting security interest if the holder had filed a financing statement covering the same types of inventory (i) before the date
of the filing made by the purchase money secured party, or (ii) before the
beginning of the twenty–one day period where the purchase money security
interest is temporarily perfected without filing or possession (subsection (5)
of RCW 62A.9–304); and

(c) the holder of the conflicting security interest receives the notifica-
tion within five years before the debtor receives possession of the inventory; and

(d) the notification states that the person giving the notice has or ex-
pects to acquire a purchase money security interest in inventory of the
debtor, describing such inventory by item or type.

(4) A purchase money security interest in collateral other than inven-
tory has priority over a conflicting security interest in the same collateral or
its proceeds if the purchase money security interest is perfected at the time
the debtor receives possession of the collateral or within twenty days
thereafter.

(5) In all cases not governed by other rules stated in this section (in-
cluding cases of purchase money security interests which do not qualify for
the special priorities set forth in subsections (3) and (4) of this section),
priority between conflicting security interests in the same collateral shall be
determined according to the following rules:

(a) Conflicting security interests rank according to priority in time of
filing or perfection. Priority dates from the time a filing is first made cover-
ing the collateral or the time the security interest is first perfected, which-
ever is earlier, provided that there is no period thereafter when there is
neither filing nor perfection.

(b) So long as conflicting security interests are unperfected, the first to
attach has priority.

(6) For the purposes of subsection (5) a date of filing or perfection as
to collateral is also a date of filing or perfection as to proceeds.

(7) If future advances are made while a security interest is perfected
by filing, the taking of possession, or under RCW 62A.8–321 on securities,
the security interest has the same priority for the purposes of subsection (5)
with respect to the future advances as it does with respect to the first ad-
vance. If a commitment is made before or while the security interest is so
perfected, the security interest has the same priority with respect to ad-
vances made pursuant thereto. In other cases a perfected security interest
has priority from the date the advance is made.

Sec. 2. Section 9–402, chapter 157, Laws of 1965 ex. sess. as last
amended by section 5, chapter 186, Laws of 1982 and RCW 62A.9–402 are
each amended to read as follows:

(1) A financing statement is sufficient if it gives the names of the
debtor and the secured party, is signed by the debtor, gives an address of
the secured party from which information concerning the security interest
may be obtained, gives a mailing address of the debtor and contains a
statement indicating the types, or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. When the financing statement covers timber to be cut or covers minerals or the like (including oil and gas) or accounts subject to subsection (5) of RCW 62A.9-103, or when the financing statement is filed as a fixture filing (RCW 62A.9-313) and the collateral is goods which are or are to become fixtures, the statement must also comply with subsection (5). A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by the debtor. A carbon, photographic or other reproduction of a security agreement or a financing statement is sufficient as a financing statement if the security agreement so provides or if the original has been filed in this state.

(2) A financing statement which otherwise complies with subsection (1) is sufficient when it is signed by the secured party instead of the debtor if it is filed to perfect a security interest in

(a) collateral already subject to a security interest in another jurisdiction when it is brought into this state or when the debtor's location is changed to this state. Such a financing statement must state that the collateral was brought into this state or that the debtor's location was changed to this state under such circumstances; or

(b) proceeds under RCW 62A.9-306 if the security interest in the original collateral was perfected. Such a financing statement must describe the original collateral; or

(c) collateral as to which the filing has lapsed; or

(d) collateral acquired after a change of name, identity or corporate structure of the debtor (subsection (7)).

(3) A form substantially as follows is sufficient to comply with subsection (1):

Name of debtor (or assignor) ........................................
Address .................................................................
Name of secured party (or assignee) ............................
Address .................................................................

1. This financing statement covers the following types (or items) of property:

    (Describe) ............................................................

2. (If applicable) The above goods are to become fixtures on*

    (Describe Real Estate) ...........................................

and this financing statement is to be filed for record in the real estate records. (If the debtor does not have an interest of record) The name of a record owner is ..........................
3. (If products of collateral are claimed)

Products of the collateral are also covered

(use whichever Signature of Debtor (or Assignor)

is applicable) Signature of Secured Party (or Assignee)

(4) A financing statement may be amended by filing a writing signed by both the debtor and the secured party: PROVIDED, That a secured party may amend a financing statement without the signature of the debtor when the amendment is to change the address or name of the secured party. An amendment does not extend the period of effectiveness of a financing statement. If any amendment adds collateral, it is effective as to the added collateral only from the filing date of the amendment. In this Article, unless the context otherwise requires, the term "financing statement" means the original financing statement and any amendments. The fee for filing an amendment shall be the same as the fee for filing a financing statement.

(5) A financing statement covering timber to be cut or covering minerals or the like (including oil and gas) or accounts subject to subsection (5) of RCW 62A.9-103, or a financing statement filed as a fixture filing (RCW 62A.9-313) where the debtor is not a transmitting utility, must show that it covers this type of collateral, must recite that it is to be filed for record in the real estate records, and the financing statement must contain a description of the real estate sufficient if it were contained in a mortgage of the real estate to give constructive notice of the mortgage under the law of this state. If the debtor does not have an interest of record in the real estate, the financing statement must show the name of a record owner.

(6) A mortgage is effective as a financing statement filed as a fixture filing from the date of its recording if (a) the goods are described in the mortgage by item or type, (b) the goods are or are to become fixtures related to the real estate described in the mortgage, (c) the mortgage complies with the requirements for a financing statement in this section other than a recital that it is to be filed in the real estate records, and (d) the mortgage is duly recorded. No fee with reference to the financing statement is required other than the regular recording and satisfaction fees with respect to the mortgage.

(7) A financing statement sufficiently shows the name of the debtor if it gives the individual, partnership or corporate name of the debtor, whether or not it adds other trade names or the names of partners. Where the debtor so changes his name or in the case of an organization its name, identity or
CORPORATE STRUCTURE: If a filed financing statement becomes seriously misleading, it is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change, unless a new appropriate financing statement or an amendment is filed before the expiration of that time. A filed financing statement remains effective with respect to collateral transferred by the debtor even though the secured party knows of or consents to the transfer.

(8) A financing statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

[Substitute House Bill No. 1542]
OFFENDERS—RESPONSIBILITY FOR LEGAL FINANCIAL OBLIGATIONS

AN ACT Relating to offenders' legal financial obligations; amending RCW 9.94A.140, 9.94A.142, 9.94A.270, 72.04A.120, and 72.65.060; reenacting and amending RCW 9.94A.030, 9.94A.120, 9.94A.200, and 7.68.035; adding new sections to chapter 9.94A RCW; adding a new chapter to Title 72 RCW; creating new sections; prescribing penalties; providing effective dates; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The purpose of this act is to create a system that: (1) Assists the courts in sentencing felony offenders regarding the offenders' legal financial obligations; (2) holds offenders accountable to victims, counties, cities, the state, municipalities, and society for the assessed costs associated with their crimes; and (3) provides remedies for an individual or other entities to recoup or at least defray a portion of the loss associated with the costs of felonious behavior.

Sec. 2. Section 11, chapter 145, Laws of 1988, section 1, chapter 153, Laws of 1988, section 2, chapter 154, Laws of 1988 and section 1, chapter 157, Laws of 1988 and RCW 9.94A.030 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department of corrections, means that the department is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving
payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

((3)) (4) "Community custody" means that portion of an inmate's sentence of confinement in lieu of earned early release time served in the community subject to controls placed on the inmate's movement and activities by the department of corrections.

((4)) (5) "Community placement" means a one-year period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

((5)) (6) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

NEW SECTION. Sec. 3. (1) Whenever a person is convicted of a felony, the court may order the payment of a legal financial obligation as part of the sentence. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs fines, and other assessments required by law. On the
same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation.

(2) All legal financial obligations that are ordered as a result of a conviction for a felony, may also be enforced in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. These obligations may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period is longer. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation.

(3) In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of preparing a recommendation to the court. When reporting, the offender is required, under oath, to truthfully and honestly respond to all questions concerning present, past, and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring any and all documents as requested by the department.

(4) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

(5) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. Also, during the period of supervision, the offender may be required at the request of the department to report to the department for the purposes of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to truthfully and honestly respond to all questions concerning earning capabilities and the location and nature of all property or financial assets. Also, the offender is required to bring any and all documents as requested by the department in order to prepare the collection schedule.

(6) After the judgment and sentence or payment order is entered, the department shall for any period of supervision be authorized to collect the legal financial obligation from the offender. Any amount collected by the department shall be remitted daily to the county clerk for the purposes of disbursements. The department is authorized to accept credit cards as payment for a legal financial obligation, and any costs incurred related to accepting credit card payments shall be the responsibility of the offender.

(7) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to section 9 of this act.
(8) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition and term of community supervision and the offender is subject to the penalties as provided in RCW 9.94A.200 for noncompliance.

(9) The county clerk shall provide the department with individualized monthly billings for each offender with an unsatisfied legal financial obligation and shall provide the department with written notice of payments by such offenders no less frequently than weekly.

Sec. 4. Section 21, chapter 143, Laws of 1988, section 2, chapter 153, Laws of 1988 and section 3, chapter 154, Laws of 1988 and RCW 9.94A-.120 are each reenacted and amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;
(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer;

(f) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030 and/or perform community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions for a sex offense or any other felony sexual offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, net to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;

(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
(iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(iv) Report as directed to the court and a community corrections officer;

(v) Pay ((a fine, accomplish some;)) all court-ordered legal financial obligations as provided in RCW 9.94A.030, perform community service work, or any combination thereof; or

(vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense committed before July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of social and health services for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment program at the location determined by the secretary of social and health services or the secretary's designee, only if the report indicates that the offender is amenable to the treatment program provided at these facilities. The offender shall be transferred to the state pending placement in the treatment program. Any offender who has escaped from the treatment program shall be referred back to the sentencing court.

If the offender does not comply with the conditions of the treatment program, the secretary of social and health services may refer the matter to the sentencing court. The sentencing court shall commit the offender to the department of corrections to serve the balance of the term of confinement.

If the offender successfully completes the treatment program before the expiration of the term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Remain within prescribed geographical boundaries and notify the
court or the community corrections officer prior to any change in the offen-
der's address or employment;

(iii) Report as directed to the court and a community corrections
officer;

(iv) Undergo available outpatient treatment.

If the offender violates any of the terms of community supervision, the
court may order the offender to serve out the balance of the community su-
ervision term in confinement in the custody of the department of
corrections.

After June 30, 1993, this subsection (b) shall cease to have effect.

(c) When an offender commits any felony sexual offense on or after
July 1, 1987, and is sentenced to a term of confinement of more than one
year but less than six years, the sentencing court may, on its own motion or
on the motion of the offender or the state, request the department of cor-
rections to evaluate whether the offender is amenable to treatment and the
department may place the offender in a treatment program within a correc-
tional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW
9A.44.040 or 9A.44.050, if the offender completes the treatment program
before the expiration of his term of confinement, the department of correc-
tions may request the court to convert the balance of confinement to com-
munity supervision and to place conditions on the offender including crime-
related prohibitions and requirements that the offender perform any one or
more of the following:

(i) Devote time to a specific employment or occupation;

(ii) Remain within prescribed geographical boundaries and notify the
court or the community corrections officer prior to any change in the offen-
der's address or employment;

(iii) Report as directed to the court and a community corrections
officer;

(iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision,
the court may order the offender to serve out the balance of his community
supervision term in confinement in the custody of the department of
corrections.

Nothing in (c) of this subsection shall confer eligibility for such pro-
grams for offenders convicted and sentenced for a sexual offense committed
prior to July 1, 1987.

(8) (a) When a court sentences a person to a term of total confinement
to the custody of the department of corrections for an offense categorized as
a sex offense, a serious violent offense, assault in the second degree, any
crime against a person where it is determined in accordance with RCW
9.94A.125 that the defendant or an accomplice was armed with a deadly
weapon at the time of commission, or any felony offense under chapter 69-50 or 69.52 RCW, committed on or after July 1, 1988, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150(1). When the court sentences an offender under this section to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150(1). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense, a serious violent offense, assault in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 1988, unless a condition is waived by the court, the sentence shall include, in addition to the other terms of the sentence, a one-year term of community placement on the following conditions:

(i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;
(ii) The offender shall work at department of corrections–approved education, employment, and/or community service;
(iii) The offender shall not consume controlled substances except pursuant to lawfully issued prescriptions;
(iv) An offender in community custody shall not unlawfully possess controlled substances; and
(v) The offender shall pay supervision fees as determined by the department of corrections.

(c) The court may also order any of the following special conditions:
(i) The offender shall remain within, or outside of, a specified geographical boundary;
(ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;
(iii) The offender shall participate in crime–related treatment or counseling services;
(iv) The offender shall not consume alcohol;
(v) The residence location and living arrangements of a sex offender shall be subject to the prior approval of the department of corrections; or
(vi) The offender shall comply with any crime–related prohibitions.
(d) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

(9) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(10) If a sentence imposed includes ((a fine or restitution)) payment of a legal financial obligation, the sentence shall specify ((a reasonable manner and time in which the fine or restitution shall be paid. Restitution to victims shall be paid prior to any other payments of monetary obligations. In any sentence, under this chapter, the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required; (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense; (c) to contribute to a county or interlocal drug fund; and (d) to make such other payments as provided by law)) the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount paid to the county clerk for credit. The offender's compliance with payment of ((monetary)) legal financial obligations shall be supervised by the department. (The rate of payment shall be determined by the court or, in the absence of a rate determined by the court, the rate shall be set by the department). All monetary payments ordered shall be paid no later than ten years after the last date of release from confinement pursuant to a felony conviction or the date the sentence was entered. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation. Nothing in this section makes the department, the state, or any of its employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. (The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments.))

(11) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or
community supervision or community placement which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(12) All offenders sentenced to terms involving community supervision, community service, ((restitution, or fines)) or legal financial obligation shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow explicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

(13) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(14) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(15) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(16) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision.

(17) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release or in a program of home detention.

(18) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

Sec. 5. Section 14, chapter 137, Laws of 1981 as last amended by section 3, chapter 281, Laws of 1987 and RCW 9.94A.140 are each amended to read as follows:

(1) If restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days ((and may set
the terms and conditions under which the defendant shall make restitution). The court shall then set a minimum monthly payment that the offender is required to make towards the restitution that is ordered. The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution may be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property. In addition, restitution may be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.
This section does not limit civil remedies or defenses available to the victim or defendant.

Sec. 6. Section 10, chapter 443, Laws of 1985 as amended by section 4, chapter 281, Laws of 1987 and RCW 9.94A.142 are each amended to read as follows:

(1) When restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days (and shall set the terms and conditions under which the defendant shall make restitution). The court shall then set a minimum monthly payment that the offender is required to make towards the restitution that is ordered. The court should take into consideration the total amount of the restitution owed, the offender's present, past, and future ability to pay, as well as any assets that the offender may have. During the period of supervision, the community corrections officer may examine the offender to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The community corrections officer may recommend a change to the schedule of payment and shall inform the court of the recommended change and the reasons for the change. The sentencing court may then reset the monthly minimum payments based on the report from the community corrections officer of the change in circumstances. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution shall be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment and the court sets forth such circumstances in the record. In addition, restitution shall be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.
(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim, survivors of the victim, or defendant.

(5) This section shall apply to offenses committed after July 1, 1985.

Sec. 7. Section 20, chapter 137, Laws of 1981 as last amended by section 11, chapter 153, Laws of 1988 and by section 2, chapter 155, Laws of 1988 and RCW 9.94A.200 are each reenacted and amended to read as follows:

(1) If an offender violates any condition or requirement of a sentence, the court may modify its order of judgment and sentence and impose further punishment in accordance with this section.

(2) If an offender fails to comply with any of the requirements or conditions of a sentence the following provisions apply:

(a) The court, upon the motion of the state, or upon its own motion, shall require the offender to show cause why the offender should not be punished for the noncompliance. The court may issue a summons or a warrant of arrest for the offender's appearance;

(b) The state has the burden of showing noncompliance by a preponderance of the evidence. If the court finds that the violation has occurred, it may order the offender to be confined for a period not to exceed sixty days for each violation, and may (i) convert a term of partial confinement to total confinement, (ii) convert community service obligation to total or partial confinement, or (iii) convert monetary obligations, except restitution and the crime victim penalty assessment, to community service hours at the rate of the state minimum wage as established in RCW 49.46.020 for each hour of community service. Any time served in confinement awaiting a hearing on noncompliance shall be credited against any confinement order by the court; and

(c) If the court finds that the violation was not willful, the court may modify its previous order regarding payment of ((fines or other monetary payments)) legal financial obligations and regarding community service obligations.

(3) Nothing in this section prohibits the filing of escape charges if appropriate.

Sec. 8. Section 2, chapter 207, Laws of 1982 as amended by section 15, chapter 209, Laws of 1984 and RCW 9.94A.270 are each amended to read as follows:
Whenever a punishment imposed under this chapter requires community supervision services to be provided, the sentencing court shall require that the offender pay to the department of corrections the monthly assessment, prescribed under subsection (2) of this section, which shall be for the duration of the probation and which shall be considered as payment or part payment of the cost of providing probation supervision to the probationer. The court may exempt a person from the payment of all or any part of the assessment based upon any of the following factors:

(a) The offender has diligently attempted but has been unable to obtain employment that provides the offender sufficient income to make such payments.

(b) The offender is a student in a school, college, university, or a course of vocational or technical training designed to fit the student for gainful employment.

(c) The offender has an employment handicap, as determined by an examination acceptable to or ordered by the court.

(d) The offender's age prevents him from obtaining employment.

(e) The offender is responsible for the support of dependents and the payment of the assessment constitutes an undue hardship on the offender.

(f) Other extenuating circumstances as determined by the court.

(2) The department of corrections shall adopt a rule prescribing the amount of the assessment. The department may, if it finds it appropriate, prescribe a schedule of assessments that shall vary in accordance with the intensity or cost of the supervision. The department may not prescribe any assessment that is less than ten dollars nor more than fifty dollars.

(3) All amounts required to be paid under this section shall be collected by the department of corrections and deposited by the department in the dedicated fund established pursuant to section 26 of this act.

(4) This section shall not apply to probation services provided under an interstate compact pursuant to chapter 9.95 RCW or to probation services provided for persons placed on probation prior to June 10, 1982.

NEW SECTION. Sec. 9. A petition or motion seeking a mandatory wage assignment in a criminal action may be filed by the department or any obligee if the offender is more than thirty days past due in monthly payments in an amount equal to or greater than the amount payable for one month. The petition or motion shall include a sworn statement by the secretary or designee, or if filed solely by an obligee, by such obligee, stating the facts authorizing the issuance of the wage assignment order, including:

(1) That the offender, stating his or her name and last known residence, is more than thirty days past due in payments in an amount equal to or greater than the amount payable for one month; (2) a description of the
terms of the judgment and sentence and/or payment order requiring payment of a court-ordered legal financial obligation, the total amount remaining unpaid, and the amount past due; (3) the name and address of the offender's employer; (4) that notice by personal service, or any form of mail requiring a return receipt, has been provided to the offender at least fifteen days prior to the filing of a mandatory wage assignment, unless the judgment and sentence or the order for payment states that the department or obligee may seek a mandatory wage assignment without notice to the defendant. A copy of the judgment and sentence or payment order shall be attached to the petition or motion seeking the wage assignment.

NEW SECTION. Sec. 10. Upon receipt of a petition or motion seeking a mandatory wage assignment that complies with section 9 of this act, the court shall issue a wage assignment order as provided in section 12 of this act and including the information required in section 9 of this act, directed to the employer, and commanding the employer to answer the order on the forms served with the order that comply with section 14 of this act within twenty days after service of the order upon the employer.

NEW SECTION. Sec. 11. (1) The wage assignment order in section 10 of this act shall include: (a) The maximum amount or current amount owed on a court-ordered legal financial obligation, if any, to be withheld from the defendant's earnings each month, or from each earnings disbursement; and (b) the total amount of the arrearage or reimbursement judgment previously entered by the court, if any, together with interest, if any.

(2) The total amount to be withheld from the defendant's earnings each month, or from each earnings disbursement, shall not exceed twenty-five percent of the disposable earnings of the defendant. If the amounts to be paid toward the arrearage are specified in the payment order, then the maximum amount to be withheld is the sum of the current amount owed and the amount ordered to be paid toward the arrearage, or twenty-five percent of the disposable earnings of the defendant, whichever is less.

(3) If the defendant is subject to two or more attachments for payment of a court-ordered legal financial obligation on account of different obligees, the employer shall, if the nonexempt portion of the defendant's earnings is not sufficient to respond fully to all the attachments, apportion the defendant's nonexempt disposable earnings between or among the various obligees equally. Any obligee may seek a court order reapportioning the defendant's nonexempt disposable earnings upon notice to all interested parties. Notice shall be by personal service, or in the manner provided by the civil rules of superior court or applicable statute.

NEW SECTION. Sec. 12. The department shall develop a form and adopt rules for the wage assignment order.
NEW SECTION. Sec. 13. (1) An employer upon whom service of a wage assignment order has been made shall answer the order by sworn affidavit within twenty days after the date of service. The answer shall state whether the offender is employed by or receives earnings from the employer, whether the employer will honor the wage assignment order, and whether there are multiple attachments against the offender.

(2) If the employer possesses any earnings due and owing to the offender, the earnings subject to the wage assignment order shall be withheld immediately upon receipt of the wage assignment order. The employer shall deliver the withheld earnings to the clerk of the court pursuant to the wage assignment order. The employer shall make the first delivery no sooner than twenty days after receipt of the wage assignment order.

(3) The employer shall continue to withhold the ordered amounts from nonexempt earnings of the offender until notified that the wage assignment has been modified or terminated. The employer shall promptly notify the clerk of the court who entered the order when the employee is no longer employed.

(4) The employer may deduct a processing fee from the remainder of the employee's earnings after withholding under the wage assignment order, even if the remainder is exempt under section 1 of this act. The processing fee may not exceed: (a) Ten dollars for the first disbursement made by the employer to the clerk of the court; and (b) one dollar for each subsequent disbursement made under the wage assignment order.

(5) An employer who fails to withhold earnings as required by a wage assignment order issued under this chapter may be held liable for the amounts disbursed to the offender in violation of the wage assignment order, and may be found by the court to be in contempt of court and may be punished as provided by law.

(6) No employer who complies with a wage assignment order issued under this chapter may be liable to the employee for wrongful withholding.

(7) No employer may discharge, discipline, or refuse to hire an employee because of the entry or service of a wage assignment order issued and executed under this chapter. A person who violates this subsection may be found by the court to be in contempt of court and may be punished as provided by law.

(8) An employer shall deliver a copy of the wage assignment order to the obligor as soon as is reasonably possible.

NEW SECTION. Sec. 14. The department shall develop a form and adopt rules for the wage assignment answer, and instructions for employers for preparing such answer.

NEW SECTION. Sec. 15. (1) Service of the wage assignment order on the employer is invalid unless it is served with five answer forms in substantial conformance with section 14 of this act, together with stamped envelopes addressed to, respectively, the clerk of the court where the order was
issued, the obligee's attorney, the petitioner, the department, and the obligor. The petitioner shall also include an extra copy of the wage assignment order for the employer to deliver to the obligor. Service on the employer shall be in person or by any form of mail requiring a return receipt.

(2) On or before the date of service of the wage assignment order on the employer, the petitioner shall mail or cause to be mailed by certified mail a copy of the wage assignment order to the obligor at the obligor's last known post office address; or, in the alternative, a copy of the wage assignment order shall be served on the obligor in the same manner as a summons in a civil action on, before, or within two days after the date of service of the order on the employer. This requirement is not jurisdictional, but if the copy is not mailed or served as this subsection provides, or if any irregularity appears with respect to the mailing of service, the superior court, in its discretion, may quash the wage assignment order, upon motion of the obligor promptly made and supported by an affidavit showing that the defendant has suffered substantial injury due to the failure to mail or serve the copy.

NEW SECTION. Sec. 16. In a hearing to quash, modify, or terminate the wage assignment order, the court may grant relief only upon a showing that the wage assignment order causes extreme hardship or substantial injustice. Satisfactions by the defendant of all past-due payments subsequent to the issuance of the wage assignment order is not grounds to quash, modify, or terminate the wage assignment order. If a wage assignment order has been in operation for twelve consecutive months and the obligor's payment towards a court-ordered legal financial obligation is current, the court may terminate the order upon motion of the obligor unless the obligee or the department can show good cause as to why the wage assignment order should remain in effect. The department shall notify the employer of any modification or termination of the wage assignment order.

NEW SECTION. Sec. 17. In any action to enforce legal financial obligations under this chapter, the prevailing party is entitled to a recovery of costs, including an award for reasonable attorneys' fees. An obligor may not be considered a prevailing party under this section unless the obligee has acted in bad faith in connection with the proceeding in question.

NEW SECTION. Sec. 18. For those individuals who, as a condition and term of their sentence imposed on or before July 1, 1989, have had financial obligations imposed, and who are not in compliance with the court order requiring payment of that legal financial obligation, no action shall be brought before the court from July 1, 1989, through and including December 31, 1989, to impose a penalty for their failure to pay. All individuals who, after December 31, 1989, have not taken the opportunity to bring their legal financial obligation current, shall be proceeded against pursuant to RCW 9.94A.200.
NEW SECTION. Sec. 19. Sections 3 and 9 through 18 of this act are each added to chapter 9.94A RCW.

Sec. 20. Section 1, chapter 207, Laws of 1982 and RCW 72.04A.120 are each amended to read as follows:

(1) Any person placed on parole shall be required to pay the monthly assessment, prescribed under subsection (2) of this section, which shall be for the duration of the parole and which shall be considered as payment or part payment of the cost of providing parole supervision to the parolee. The board may exempt a person from the payment of all or any part of the assessment based upon any of the following factors:

(a) The offender has diligently attempted but has been unable to obtain employment which provides the offender sufficient income to make such payments.

(b) The offender is a student in a school, college, university, or a course of vocational or technical training designed to fit the student for gainful employment.

(c) The offender has an employment handicap, as determined by an examination acceptable to or ordered by the board.

(d) The offender's age prevents him from obtaining employment.

(e) The offender is responsible for the support of dependents and the payment of the assessment constitutes an undue hardship on the offender.

(f) Other extenuating circumstances as determined by the board.

(2) The department of corrections shall adopt a rule prescribing the amount of the assessment. The department may, if it finds it appropriate, prescribe a schedule of assessments which shall vary in accordance with the intensity or cost of the supervision. The department may not prescribe any assessment which is less than ten dollars nor more than fifty dollars.

(3) Payment of the assessed amount shall constitute a condition of parole for purposes of the application of RCW 72.04A.090.

(4) All amounts required to be paid under this section shall be collected by the department of corrections and deposited by the department in the (state general) dedicated fund established pursuant to section 26 of this act.

(5) This section shall not apply to parole services provided under an interstate compact pursuant to chapter 9.95 RCW or to parole services provided for offenders paroled before June 10, 1982.

Sec. 21. Section 6, chapter 17, Laws of 1967 and RCW 72.65.060 are each amended to read as follows:

The earnings of a work release participant shall not be subject to garnishment, attachment, or execution while such earnings are either in the possession of the employer or any state officer authorized to hold such funds, except for payment of a court-ordered legal financial obligation as that term is defined in section 22 of this act.
NEW SECTION. Sec. 22. Unless a different meaning is plainly required by the context, the following words and phrases as hereafter used in this chapter shall have the following meanings:

(1) "Court-ordered legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for payment of restitution to a victim, statutorily imposed crime victims compensation fee, court costs, a county or interlocal drug fund, court-appointed attorneys' fees and costs of defense, fines, and any other legal financial obligation that is assessed as a result of a felony conviction.

(2) "Department" means the department of corrections.

(3) "Offender" means an individual who is currently under the jurisdiction of the Washington state department of corrections, and who also has a court-ordered legal financial obligation as a result of a felony conviction.

(4) "Secretary" means the secretary of the department of corrections or the secretary's designee.

(5) "Superintendent" means the superintendent of a correctional facility under the jurisdiction of the Washington state department of corrections.

NEW SECTION. Sec. 23. The secretary shall be custodian of all funds of a convicted person that are in his or her possession upon admission to a state institution, or that are sent or brought to the person, or earned by the person while in custody, or that are forwarded to the superintendent on behalf of a convicted person. All such funds shall be deposited in the personal account of the convicted person within the institutional resident deposit account as established by the office of financial management pursuant to RCW 43.88.195, and the secretary shall have authority to disburse money from such person's personal account for the purposes of satisfying a court-ordered legal financial obligation to the court. Unless specifically granted authority herein, at no time shall the withdrawal of funds for the payment of a legal financial obligation result in reducing the inmate's account to an amount less than the defined level of indigency to be determined by the department.

Further, unless specifically altered herein, court-ordered legal financial obligations shall be paid.

NEW SECTION. Sec. 24. (1) Except as otherwise provided herein, all court-ordered legal financial obligations shall take priority over any other statutorily imposed mandatory withdrawals from inmate's accounts.

(2) For those inmates who are on work release pursuant to chapter 72.65 RCW, before any legal financial obligations are withdrawn from the inmate's account, the inmate is entitled to payroll deductions that are required by law, or such payroll deductions as may reasonably be required by the nature of the employment unless any such amount which his or her work release plan specifies should be retained to help meet the inmate's
needs, including costs necessary for his or her participation in the work release plan such as travel, meals, clothing, tools, and other incidentals.

(3) Before the payment of any court-ordered legal financial obligation is required, the department is entitled to reimbursement for any expenses advanced for vocational training pursuant to RCW 72.65.020(2), for expenses incident to a work release plan pursuant to RCW 72.65.090, payments for board and room charges for the work release participant, and payments that are necessary for the support of the work release participant's dependents, if any.

NEW SECTION. Sec. 25. Sections 22 through 24 of this act shall constitute a new chapter in Title 72 RCW.

NEW SECTION. Sec. 26. The cost of supervision fund is created in the custody of the state treasurer. All receipts from assessments made under RCW 9.94A.270 and 72.04A.120 shall be deposited into the fund. Expenditures from the fund may be used only to support the collection of legal financial obligations. Only the secretary of the department of corrections or the secretary's designee may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

NEW SECTION. Sec. 27. Except for sections 18, 22, 23, and 24 of this act, this act applies prospectively only and not retrospectively. It applies only to offenses committed on or after the effective date of this act.

NEW SECTION. Sec. 28. The department of corrections and the county clerks association shall develop compatible management and accounting systems that will result in increased collections of legal financial obligations and report their proposed systems to the senate health care and corrections committee and the house health care committee by December 1, 1989.

Sec. 29. Section 10, chapter 302, Laws of 1977 ex. sess. as last amended by section 1, chapter 281, Laws of 1987 and RCW 7.68.035 are each amended to read as follows:

(1) Whenever any person is found guilty in any superior court of having committed a crime, except as provided in subsection (2) of this section, there shall be imposed by the court upon such convicted person a penalty assessment. The assessment shall be in addition to any other penalty or fine imposed by law and shall be ((seventy)) one hundred dollars for each case or cause of action that includes one or more convictions of a felony or gross misdemeanor and ((forty-five)) seventy-five dollars for any case or cause of action that includes convictions of only one or more misdemeanors.

(2) The assessment imposed by subsection (1) of this section shall not apply to motor vehicle crimes defined in Title 46 RCW except those defined in the following sections: RCW 46.61.520, 46.61.522, 46.61.024, 46.52.090,
Whenever any person accused of having committed a crime posts bail in superior court pursuant to the provisions of chapter 10.19 RCW and such bail is forfeited, there shall be deducted from the proceeds of such forfeited bail a penalty assessment, in addition to any other penalty or fine imposed by law, equal to the assessment which would be applicable under subsection (1) of this section if the person had been convicted of the crime.

Such penalty assessments shall be paid by the clerk of the superior court to the county treasurer who shall monthly transmit the money as provided in RCW 10.82.070. Each county shall deposit not less than one and seventy-five one-hundredths percent of the money it retains under RCW 10.82.070 and chapter 3.62 RCW and all money it receives under subsection (8) of this section into a fund maintained exclusively for the support of comprehensive programs to encourage and facilitate testimony by the victims of crimes and witnesses to crimes. A program shall be considered "comprehensive" only after approval of the department upon application by the county prosecuting attorney. The department shall approve as comprehensive only programs which:

(a) Provide comprehensive services to victims and witnesses of all types of crime with particular emphasis on serious crimes against persons and property. It is the intent of the legislature to make funds available only to programs which do not restrict services to victims or witnesses of a particular type or types of crime and that such funds supplement, not supplant, existing local funding levels;

(b) Are administered by the county prosecuting attorney either directly through the prosecuting attorney's office or by contract between the county and agencies providing services to victims of crime;

(c) Make a reasonable effort to inform the known victim or his surviving dependents of the existence of this chapter and the procedure for making application for benefits;

(d) Assist victims in the restitution and adjudication process; and

(e) Assist victims of violent crimes in the preparation and presentation of their claims to the department of labor and industries under this chapter.

Before a program in any county west of the Cascade mountains is submitted to the department for approval, it shall be submitted for review and comment to each city within the county with a population of more than one hundred fifty thousand. The department will consider if the county's proposed comprehensive plan meets the needs of crime victims in cases adjudicated in municipal, district or superior courts and of crime victims located within the city and county.

Upon submission to the department of a letter of intent to adopt a comprehensive program, the prosecuting attorney shall retain the money
deposited by the county under subsection (4) of this section until such time as the county prosecuting attorney has obtained approval of a program from the department. Approval of the comprehensive plan by the department must be obtained within one year of the date of the letter of intent to adopt a comprehensive program. The county prosecuting attorney shall not make any expenditures from the money deposited under subsection (4) of this section until approval of a comprehensive plan by the department. If a county prosecuting attorney has failed to obtain approval of a program from the department under subsection (4) of this section or failed to obtain approval of a comprehensive program within one year after submission of a letter of intent under this section, the county treasurer shall monthly transmit one hundred percent of the money deposited by the county under subsection (4) of this section to the state treasurer for deposit in the public safety and education account established under RCW 43.08.250.

(6) County prosecuting attorneys are responsible to make every reasonable effort to insure that the penalty assessments of this chapter are imposed and collected.

(7) Penalty assessments under this section shall also be imposed in juvenile offense dispositions under Title 13 RCW. Upon motion of a party and a showing of good cause, the court may modify the penalty assessment in the disposition of juvenile offenses under Title 13 RCW.

(8) Every city and town shall transmit monthly one and seventy-five one-hundredths percent of all money, other than money received for parking infractions, retained under RCW 3.46.120, 3.50.100, and 35.20.220 to the county treasurer for deposit as provided in subsection (4) of this section.

NEW SECTION. Sec. 30. (1) Sections 1 through 17, 19 through 21, 25, 26, and 28 of this act shall take effect July 1, 1990 unless otherwise directed by law.

(2) Sections 18, 22, 23, and 24 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1989.

NEW SECTION. Sec. 31. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

CHAPTER 254
[House Bill No. 1445]
STATE COLLEGES AND UNIVERSITIES—HALF-TIME STUDENTS—FINANCIAL AID—ELIGIBILITY

AN ACT Relating to the state needs grant program; amending RCW 28B.10.802, 28B.10.806, 28B.10.808, and 28B.10.810; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. It is the intent of the legislature that nothing in this act shall prevent or discourage an individual from making an effort to repay any state financial aid awarded during his or her collegiate career.

Sec. 2. Section 8, chapter 222, Laws of 1969 ex. sss. as last amended by section 56, chapter 370, Laws of 1985 and RCW 28B.10.802 are each amended to read as follows:

As used in RCW 28B.10.800 through 28B.10.824:

[1197]
(1) "Institutions of higher education" shall mean (1) any public university, college, community college, or vocational-technical institute operated by the state of Washington or any political subdivision thereof or (2) any other university, college, school, or institute in the state of Washington offering instruction beyond the high school level which is a member institution of an accrediting association recognized by rule of the board for the purposes of this section: PROVIDED, That any institution, branch, extension or facility operating within the state of Washington which is affiliated with an institution operating in another state must be a separately accredited member institution of any such accrediting association: PROVIDED FURTHER, That no institution of higher education shall be eligible to participate in a student financial aid program unless it agrees to and complies with program rules and regulations adopted pursuant to RCW 28B.10.822.

(2) The term "financial aid" shall mean loans and/or grants to needy students enrolled or accepted for enrollment as a ((full-time)) student at institutions of higher education.

(3) The term "needy student" shall mean a post high school student of an institution of higher learning as defined in subsection (1) of this section who demonstrates to the board the financial inability, either through the student's parents, family and/or personally, to meet the total cost of board, room, books, and tuition and incidental fees for any semester or quarter.

(4) The term "disadvantaged student" shall mean a post high school student who by reason of adverse cultural, educational, environmental, experiential, familial or other circumstances is unable to qualify for enrollment as a full time student in an institution of higher learning, who would otherwise qualify as a needy student, and who is attending an institution of higher learning under an established program designed to qualify the student for enrollment as a full time student.

(5) "Commission" or "board" shall mean the higher education coordinating board.

Sec. 3. Section 11, chapter 222, Laws of 1969 ex. sess. and RCW 28B.10.806 are each amended to read as follows:

The commission shall have the following powers and duties:

(1) Conduct a full analysis of student financial aid as a means of:

(a) Fulfilling educational aspirations of students of the state of Washington, and

(b) Improving the general, social, cultural, and economic character of the state.

Such an analysis will be a continuous one and will yield current information relevant to needed improvements in the state program of student financial aid. The commission will disseminate the information yielded by their analyses to all appropriate individuals and agents.

(c) This study should include information on the following:
(i) all programs and sources of available student financial aid,
(ii) distribution of Washington citizens by socio-economic class,
(iii) data from federal and state studies useful in identifying:
   (A) demands of students for specific educational goals in colleges, and
   (B) the discrepancy between high school students' preferences and the 
colleges they actually selected.

(2) Design a state program of student financial aid based on the data 
of the study referred to in this section. The state program will supplement 
available federal and local aid programs. The state program of student fi-
nancial aid will not exceed the difference between the budgetary costs of 
attending an institution of higher learning and the student's total resources, 
including family support, personal savings, employment, and federal and lo-
cal aid programs.

(3) Determine and establish criteria for financial need of the individual 
applicant based upon the consideration of that particular applicant. In 
making this determination the commission shall consider the following:
   (a) Assets and income of the student.
   (b) Assets and income of the parents, or the individuals legally respon-
sible for the care and maintenance of the student.
   (c) The cost of attending the institution the student is attending or 
planning to attend.
   (d) Any other criteria deemed relevant to the commission.

(4) Set the amount of financial aid to be awarded to any individual 
needy or disadvantaged student in any school year.

(5) Award financial aid to ((full-time)) needy or disadvantaged stu-
dents for a school year based upon only that amount necessary to fill the fi-
nancial gap between the budgetary cost of attending an institution of higher 
education and the family and student contribution.

(6) Review the need and eligibility of all applications on an annual ba-
sis and adjust financial aid to reflect changes in the financial need of the 
recipients and the cost of attending the institution of higher education.

Sec. 4. Section 12, chapter 222, Laws of 1969 ex. sess. and RCW 
28B.10.808 are each amended to read as follows:

In awarding grants, the commission shall proceed substantially as fol-
loows: PROVIDED, That nothing contained herein shall be construed to 
prevent the commission, in the exercise of its sound discretion, from follow-
ing another procedure when the best interest of the program so dictates:

(1) The commission shall annually select the financial aid award win-
ers from among Washington residents applying for student financial aid 
who have been ranked according to financial need as determined by the 
amount of the family contribution and other considerations brought to the 
commission's attention.
(2) The financial need of the highest ranked students shall be met by grants depending upon the evaluation of financial need until the total allocation has been disbursed. Funds from grants which are declined, forfeited or otherwise unused shall be reawarded until dispersed.

(3) A grant may be renewed until the course of study is completed, but not for more than an additional (three) four academic years beyond the first year of the award. These shall not be required to be consecutive years. Qualifications for renewal will include maintaining satisfactory academic standing toward completion of the course of study, and continued eligibility as determined by the commission. Should the recipient terminate his enrollment for any reason during the academic year, the unused portion of the grant shall be returned to the state educational grant fund by the institution according to the institution's own policy for issuing refunds.

(4) In computing financial need the commission shall determine a maximum student expense budget allowance, not to exceed an amount equal to the total maximum student expense budget at the public institutions plus the current average state appropriation per student for operating expense in the public institutions.

Sec. 5. Section 13, chapter 222, Laws of 1969 ex. sess. and RCW 28B.10.810 are each amended to read as follows:

For a student to be eligible for financial aid (he) the student must:

(2) Have been domiciled within the state of Washington for at least one year.

[House Bill No. 1993]
POULTRY—LABELLING—PROHIBITED PRACTICES

AN ACT Relating to the labeling of poultry products; adding a new section to chapter 69.04 RCW; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that: Poultry produced in this state is known throughout the state for its high quality; and one of the sources of that quality is the proximity of production centers to retail outlets in the state. The legislature also finds that labeling which misrepresents poultry produced elsewhere as being a product of this state may lead consumers to purchase products which they would not otherwise purchase. The legislature further finds that the presence of the geographic outline of this state on a label for poultry produced outside of the state misrepresents the product as having been produced in this state.

NEW SECTION. Sec. 2. A new section is added to chapter 69.04 RCW to read as follows:
Uncooked poultry is deemed to be misbranded if it is produced outside of this state but the label for the poultry contains the geographic outline of this state.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Sec. 4. Section 6, chapter 5, Laws of 1919 as last amended by section 10, chapter 97, Laws of 1974 ex. sess. and RCW 18.25.030 are each amended to read as follows:

Examinations for license to practice chiropractic shall be made by the board of chiropractic examiners according to the method deemed by it to be the most practicable and expeditious to test the applicant's qualifications. The following guidelines for such symposiums shall apply:

(a) ((Symposiums which shall be approved by the board for licensees practicing or residing within the state of Washington are those sponsored or conducted by any chiropractic association in the state or an approved chiropractic college or other institutions or organizations which devote themselves to lectures or demonstrations)) The board shall set criteria for the

(2) Every person practicing chiropractic within this state shall pay on or before ((the first day of September of each year)) his or her birth anniversary date, after a license is issued to him or her as herein provided, to said director a renewal license fee to be determined by the director as provided in RCW 43.24.086. The director shall, thirty days or more before ((September first of each year, mail to all chiropractors in the state)) the birth anniversary date of each chiropractor in the state, mail to that chiropractor a notice of the fact that the renewal fee will be due on or before ((the first of September)) his or her birth anniversary date. Nothing in this chapter shall be construed so as to require that the receipts shall be recorded as original licenses are required to be recorded.

The failure of any licensed chiropractor to pay his or her annual license renewal fee ((by the first day of October following the date on which the fee was due)) within thirty days of license expiration shall work a forfeiture of his or her license. It shall not be reinstated except upon evidence that continuing educational requirements have been fulfilled and the payment of a penalty to be determined by the director as provided in RCW 43.24.086, together with all annual license renewal fees delinquent at the time of the forfeiture, and those for each year thereafter up to the time of reinstatement. Should the licentiate allow his or her license to elapse for more than three years, he ((must)) or she may be reexamined as provided for in RCW 18.25.040 at the discretion of the board.

Nothing in this chapter shall be held to apply to or to regulate any kind of treatment by prayer.

Sec. 7. Section 1, chapter 171, Laws of 1967 and RCW 18.26.010 are each amended to read as follows:
This chapter is passed:

NEW SECTION. Sec. 15. Sections 12 through 14 of this act are each added to chapter 18.25 RCW.

Passed the House April 18, 1989.
Passed the Senate April 13, 1989.
Approved by the Governor May 5, 1989, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 5, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 2 and 10, Substitute House Bill No. 1958 entitled:

"AN ACT Relating to board membership and licensing requirements."

RCW 43.03.240 specifically designates all part-time boards which perform regulatory or licensing functions with respect to a specific profession, occupation, business, or industry as class three groups for purposes of compensation. Members of boards classified as class three groups receive up to $50 for each day during which the member attends an official meeting or performs statutorily prescribed duties. Both the Board of Chiropractic Examiners and the Chiropractic Disciplinary Board are included in the definition of the part-time boards under RCW 43.03.240.

Sections 2 and 10 of Substitute House Bill No. 1958 attempt to change the compensation of the Board of Chiropractic Examiners and the Chiropractic Disciplinary Board by amending their respective practice acts to refer to RCW 43.03.250. Enactment of these two sections would clearly be in conflict with RCW 43.03.240.

Additionally, the Office of Financial Management, pursuant to a statutory requirement, reviewed all part-time boards and reported to the Legislature in November, 1988. This report is under consideration by the respective legislative committees. This is the appropriate forum to consider changes in compensation for all boards within a class or changes in language to recategorize groups of boards from one class to another.

With the exception of sections 2 and 10, Substitute House Bill No. 1958 is approved."
CHAPTER 259
[Substitute House Bill No. 1457]
INDETERMINATE SENTENCING REVIEW BOARD—DUTIES

AN ACT Relating to the indeterminate sentence review board; amending RCW 9.95.009, 9.95.115, and 9.95.0011; adding new sections to chapter 9.95 RCW; repealing RCW 9.95-0.0012; repealing section 1, chapter 224, Laws of 1986 (uncodified); repealing section 14, chapter 224, Laws of 1986 (uncodified); and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 24, chapter 137, Laws of 1981 as last amended by section 6, chapter 224, Laws of 1986 and RCW 9.95.009 are each amended to read as follows:

(1) On July 1, 1986, the board of prison terms and paroles shall be redesignated as the indeterminate sentencing review board. The board's membership shall be reduced as follows: On July 1, 1986, and on July 1st of each year until ((-1992)) 1998, the number of board members shall be reduced in a manner commensurate with the board's remaining workload as determined by the office of financial management based upon its population forecast for the indeterminate sentencing system and in conjunction with the budget process. To meet the statutory obligations of the indeterminate sentence review board, the number of board members shall not be reduced to fewer than three members, although the office of financial management may designate some or all members as part-time members and specify the extent to which they shall be less than full-time members. Any reduction shall take place by the expiration, on that date, of the term or terms having the least time left to serve.

(1) The department of social and health services shall take into account the situation of hospitals which serve a disproportionate number of low-income patients with special needs;

(2) The department shall define eligible disproportionate share hospitals by regulation, and shall consider a hospital's Medicaid utilization rate, its low-income utilization rate, and its provision of obstetric services;

(3) The payment methodology for disproportionate share hospitals shall be specified by the department in regulation.

Sec. 2. Section 2, chapter 303, Laws of 1986 as amended by section 21, chapter 5, Laws of 1987 1st ex. sess. and RCW 74.09.522 are each amended to read as follows:

(2) No later than July 1, 1991, the department of social and health services shall enter into agreements with managed health care systems to provide health care services to recipients of aid to families with dependent children under the following conditions:

(d) To the extent that this provision is consistent with section 1903(m) of Title XIX of the federal social security act, participating managed health care systems shall not enroll a disproportionate number of medical assistance recipients within the total numbers of persons served by the managed
health care systems, except that this subsection (d) shall not apply to enti-
ties described in subparagraph (B) of section 1903(m) of Title XIX of the
federal social security act;

(e) Prior to negotiating with any managed health care system, the de-
partment shall estimate, on an actuarially sound basis, the expected cost of
providing the health care services expressed in terms of upper and lower
limits, and recognizing variations in the cost of providing the services
through the various systems and in different project areas. In negotiating
with managed health care systems the department shall adopt a uniform
procedure ((that includes at least request for proposals)) to negotiate and
enter into contractual arrangements, including standards regarding the
quality of services to be provided; and financial integrity of the responding
system((The department may negotiate with respondents to the extent
necessary to refine any proposals));

(f) The department shall seek waivers from federal requirements as
necessary to implement this chapter;

(g) The department shall, wherever possible, enter into prepaid capita-
tion contracts that include inpatient care. However, if this is not possible or
feasible, the department may enter into prepaid capitation contracts that do
not include inpatient care;

(h) The department shall define those circumstances under which a
managed health care system is responsible for out-of-system services and
assure that recipients shall not be charged for such services; and

similar agreements ((in additional counties or)) for other groups of people
eligible to receive services under chapter 74.09 RCW.

(3) The department shall seek to obtain a large number of contracts
with providers of health services to medicaid recipients. The department
shall ensure that publicly supported community health centers and providers
in rural areas, who show serious intent and apparent capability to partici-
pate in the project as managed health care systems are seriously considered
as providers in the project. The department shall coordinate these projects
with the plans developed under chapter 70.47 RCW.

(4) The department shall work jointly with the state of Oregon and
other states in this geographical region in order to develop recommendations
to be presented to the appropriate federal agencies and the United States
congress for improving health care of the poor, while controlling related

CHAPTER 262
[Substitute House Bill No. 1854]
WATER POLLUTION CONTROL—RESOURCE DAMAGE—MEASURE OF DAMAGES

AN ACT Relating to resource damage assessment under the state water pollution control act; amending RCW 90.48.142, 90.48.390, and 90.48.400; creating new sections; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that there is confusion regarding the measure of damages authorized under RCW 90.48.142. The intent of this act is to clarify existing law on the measure of damages authorized under RCW 90.48.142, not to change the law.
Sec. 2. Section 13, chapter 139, Laws of 1967 ex. sess. as last amended by section 69, chapter 36, Laws of 1988 and RCW 90.48.142 are each amended to read as follows:

(1) Any person who violates any of the provisions of this chapter, or fails to perform any duty imposed by this chapter, or violates an order or other determination of the department or the director made pursuant to the provisions of this chapter, including the conditions of a waste discharge permit issued pursuant to RCW 90.48.160, and in the course thereof causes the death of, or injury to, fish, animals, vegetation or other resources of the state, or otherwise causes a reduction in the quality of the state's waters below the standards set by the department or, if no standards have been set, causes significant degradation of water quality, thereby damaging the same, shall be liable to pay the state damages in an amount equal to the sum of money necessary to: (a) Restore any damaged resource to its condition prior to the injury, to the extent technically feasible, and compensate for the lost value incurred during the period between injury and restoration; or (b) compensate for the lost value throughout the duration of the injury that the resource previously provided if restoration is not technically feasible and, when only partial restoration is technically feasible, compensate for the remaining lost value. "Technical feasibility" or "technically feasible" shall mean for the purposes of this subsection, that given available technology, a restoration or enhancement project can be successfully completed at a cost that is not disproportionate to the value of the resource prior to the injury.

(2) Restoration shall include the cost to restock such waters, replenish or replace such resources, and otherwise restore the stream, lake or other ((water source)) waters of the state, including any estuary, ocean area, submerged lands, shoreline, bank, or other lands adjoining such waters to its condition prior to the injury, as such condition is determined by the department. The lost value of a damaged resource shall be equal to the sum of consumptive, nonconsumptive, and indirect use values, as well as lost taxation, leasing, and licensing revenues. Indirect use values may include existence, bequest, option, and aesthetic values. Damages shall be determined by generally accepted and cost-effective procedures.

(3) Such damages shall be recoverable in an action brought by the attorney general on behalf of the people of the state of Washington in the superior court of Thurston county or the county in which such damages occurred: PROVIDED, That if damages occurred in more than one county the attorney general may bring action in any of the counties where the damages occurred. Any money so recovered by the attorney general shall be transferred to ((either the state wildlife fund or the department of fisheries to use for food fish or shellfish management purposes and propagation, or to any other agency of the state having jurisdiction over the resource damaged and for which said moneys were recovered, as appropriate: PROVIDED; That the agency receiving such money shall utilize not less than one-half of

[ 1219 ]
said money on activities or)) the coastal protection fund established under RCW 90.48.390. A steering committee consisting of representatives of the departments of ecology, fisheries, wildlife, natural resources, and the parks and recreation commission shall authorize the expenditure of the moneys collected under this section after consulting impacted local agencies and local and tribal governments. The department shall chair the steering committee. The moneys collected under this section shall only be used for the following purposes: (a) Environmental restoration and enhancement projects intended to restore or enhance environmental, recreational, or aesthetic resources for the benefit of Washington's citizens; (b) investigations of the long-term effects of discharges, including sewer sludge, on state resources; and (c) reimbursement of agencies for reasonable reconnaissance and damage assessment costs under this chapter. Agencies may not be reimbursed under this section for the salaries and benefits of permanent employees for routine operational support. Agencies may only be reimbursed under this section if money for reconnaissance and damage assessment activities is unavailable from other sources. In authorizing restoration or enhancement projects, preference shall be given to projects within ((the county)) counties where ((the action was brought by the attorney general)) the injury occurred. No action shall be authorized under this section against any person operating in compliance with the conditions of a waste discharge permit issued pursuant to RCW 90.48.160.

Sec. 3. Section 4, chapter 180, Laws of 1971 ex. sess. and RCW 90- .48.390 are each amended to read as follows:

The coastal protection fund is established to be used by the department as a revolving fund for carrying out the purposes of RCW 90.48.315 through 90.48.365 and RCW 78.52.020, 78.52.125, 82.36.330, 90.48.142, 90.48.315, 90.48.370 through 90.48.410, 90.48.903, 90.48.906 and 90.48- .907. Moneys in the fund not needed currently to meet the obligations of the department in the exercise of its powers, duties, and functions under RCW 90.48.315 through 90.48.365 and RCW 78.52.020, 78.52.125, 82.36.330, 90.48.142, 90.48.315, 90.48.370 through 90.48.410, 90.48.903, 90.48.906 and 90.48.907 shall be deposited with the state treasurer to the credit of the fund and may be invested in such manner as is provided for by law. Interest received on such investment shall be credited to the fund.

Sec. 4. Section 5, chapter 180, Laws of 1971 ex. sess. and RCW 90-.48.400 are each amended to read as follows:

(b) All costs involved in the abatement of pollution related to the discharge of oil.

c) The director may allocate a portion of the fund to be devoted to research and development in the causes, effects, and removal of pollution caused by the discharge of oil.

(2) Moneys disbursed from the coastal protection fund for the abatement of pollution caused by the discharge of oil shall be reimbursed to the fund whenever:

(a) Moneys are available under any federal program; or

(b) Moneys are available from a recovery made by the department from the person liable for the discharge of oil.

(3) Moneys collected under section 2 of this act shall only be used for the purposes enumerated in that section, subject to the approval of the steering committee.

*NEW SECTION. Sec. 5. This act applies prospectively only and not retroactively. It applies only to causes of action which arise after the effective date of this act.

*Sec. 5 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 7. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House April 15, 1989.
Passed the Senate April 6, 1989.
Approved by the Governor May 5, 1989, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 5, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 5, Substitute House Bill No. 1854 entitled:

"AN ACT Relating to resource damage assessment under the state water pollution control act."

Section 1 states that the Legislature finds that there is confusion regarding the measure of natural resource damages and that the intent of this bill is to clarify existing law.
This intent, however, is contradicted by section 5 which states that the act is intended to apply prospectively only and not retroactively. This will continue the ambiguity contrary to the rule of statutory construction that remedial or clarifying legislation, in civil matters such as this, is intended to apply retroactively.

With the exception of section 5, Substitute House Bill No. 1854 is approved.

(7) The leasing by a port district as lessor of port district property to a municipal officer or to a contracting party in which a municipal officer may be beneficially interested, if in addition to all other legal requirements, a board of three disinterested appraisers, who shall be appointed from members of the American institute of real estate appraisers by the presiding judge of the superior court in the county where the property is situated, shall find and the court finds that all terms and conditions of such lease are fair to the port district and are in the public interest;

(8) The letting of any contract for the driving of a school bus in a second class school district: PROVIDED, That the terms of such contract shall be commensurate with the pay plan or collective bargaining agreement operating in the district;

(9) The letting of any contract to the spouse of an officer of a second class school district in which less than two hundred full time equivalent students are enrolled at the start of the school year as defined in RCW 28A.01.020, when such contract is solely for employment as a certificated or classified employee of the school district, or the letting of any contract to the spouse of an officer of a second class district in which less than five hundred full time equivalent students are enrolled at the start of the school year as defined in RCW 28A.01.020, when such contract is solely for employment as a substitute teacher for the school district: PROVIDED, That the terms of such contract shall be commensurate with the pay plan or collective bargaining agreement applicable to all district employees and the board of directors has found, consistent with the written policy under section 2 of this act, that there is a shortage of substitute teachers in the school district.

DEVELOPMENTALLY DISABLED—BOND FUNDED FACILITIES—TRANSFER OF FIXED ASSETS

AN ACT Relating to proceeds of bonds issued for facilities for persons with sensory, physical, or mental handicaps; and amending RCW 43.99C.045.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 8, chapter 221, Laws of 1979 ex. sess. as amended by section 1, chapter 136, Laws of 1980 and RCW 43.99C.045 are each amended to read as follows:

In carrying out the purposes of this chapter all counties of the state shall be eligible to participate in the distribution of the bond proceeds. The share coming to each county shall be determined by a division among all counties according to the relation which the population of each county, as shown by the last federal or official state census, whichever is the later, bears to the total combined population of all counties, as shown by such census; except that, each sixth, seventh, or eighth class county shall receive an aggregate amount of up to seventy-five thousand dollars if, through a procedure established in rule, the department has determined there is a demonstrated need and the share determined for such county is less than seventy-five thousand dollars. No single project in a class AA county shall be eligible for more than fifteen percent of such county’s total distribution of bond proceeds.

In carrying out the purposes specified in this chapter, the department may use or permit the use of the proceeds by direct expenditures, grants, or loans to any public body, including but not limited to grants to a public body as matching funds in any case where federal, local, or other funds are made available on a matching basis for purposes specified in this chapter.

In carrying out the purpose of this chapter, fixed assets acquired under this chapter, and no longer utilized by the program having custody of the assets, may be transferred to other public bodies either in the same county or another county. Prior to such transfer the department shall first determine if the assets can be used by another program as designated by the department of social and health services in RCW 43.99C.020. Such programs
shall have priority in obtaining the assets to ensure the purpose of this chapter is carried out.

(1) The governing bodies of counties and cities may amend the codes enumerated in RCW 19.27.031 as amended and adopted by the state building code council as they apply within their respective jurisdictions, but the amendments shall not result in a code that is less than the minimum performance standards and objectives contained in the state building code.

(a) No amendment to a code enumerated in RCW 19.27.031 as amended and adopted by the state building code council that affects single family or multifamily residential buildings shall be effective unless the amendment is approved by the building code council under RCW 19.27.074(1)(b).

(2) Except as permitted or provided otherwise under this section, the state building code shall be applicable to all buildings and structures including those owned by the state or by any governmental subdivision or unit of local government.

(3) The governing body of each county or city may limit the application of any portion of the state building code to exclude specified classes or types of buildings or structures according to use other than single family or multifamily residential buildings: PROVIDED, That in no event shall fruits or vegetables of the tree or vine stored in buildings or warehouses constitute combustible stock for the purposes of application of the uniform fire code.

(4) The provisions of this chapter shall not apply to any building four or more stories high with a B occupancy as defined by the uniform building code, 1982 edition, and with a city fire insurance rating of 1, 2, or 3 as defined by a recognized fire rating bureau or organization.

(5) No provision of the uniform fire code concerning roadways shall be part of the state building code: PROVIDED, That this subsection shall not limit the authority of a county or city to adopt street, road, or access standards.

(6) The provisions of the state building code may be preempted by any city or county to the extent that the code provisions relating to the installation or use of sprinklers in jail cells conflict with the secure and humane operation of jails.
Sec. 3. Section 2, chapter 360, Laws of 1985 and RCW 19.27.074 are each amended to read as follows:

(1) The state building code council shall:

All actions of the state building code council which adopt or amend any code of state-wide applicability shall be pursuant to the administrative procedure act, chapter (34.04) 34.05 RCW.

All decisions to adopt or amend codes of state-wide application shall be made prior to December 1 of any year and shall not take effect before the end of the regular legislative session in the next year.

Sec. 4. Section 3, chapter 360, Laws of 1985 and RCW 19.27.078 are each amended to read as follows:

(4) The state building code council shall conduct a study to identify and define stand-alone ordinances adopted by counties and cities that add or alter construction requirements to buildings and structures built under the codes enumerated in RCW 19.27.031, as adopted and amended by the state building code council. In conducting the study, the council shall consult with representatives from counties, cities, home builders, architects, building officials, and fire officials. CHAPTER 267
[Senate Bill No. 5907]
FIRE PROTECTION DISTRICTS—PARTIAL ANNEXATION INTO CITY OR TOWN

AN ACT Relating to annexations and incorporations that include a portion of a fire protection district; amending RCW 35.02.200 and 35A.14.400; and adding a new section to chapter 35.02 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 35.13.248, chapter 7, Laws of 1965 as last amended by section 19, chapter 234, Laws of 1986 and RCW 35.02.200 are each amended to read as follows:

(1) If a portion of a fire protection district including less than sixty percent of the assessed value of the real property of the district is annexed to or incorporated into a city or town, the ownership of all assets of the district shall remain in the district and the district shall pay to the city or town within one year or within such period of time as the district continues to collect taxes in such incorporated or annexed areas, in cash, properties or contracts for fire protection services, a percentage of the value of said assets equal to the percentage of the value of the real property in the entire district lying within the area so incorporated or annexed: PROVIDED, That if the area annexed or incorporated includes less than five percent of the (assessed value of the real property) area of the district, no payment shall be made to the city or town except as provided in section 3 of this act.

(2) As provided in RCW 35.02.210, the fire protection district from which territory is removed as a result of an incorporation or annexation shall provide fire protection to the incorporated or annexed area for such period as the district continues to collect taxes levied in such annexed or incorporated area.

(3) For the purposes of this section, the word "assets" shall mean the total assets of the fire district, reduced by its liabilities, including bonded indebtedness, the same to be determined by usual and accepted accounting methods. The amount of said liability shall be determined by reference to the fire district's balance sheet, produced in the regular course of business, which is nearest in time to the certification of the annexation of fire district territory by the city or town.
Sec. 2. Section 35A.14.400, chapter 119, Laws of 1967 ex. sess. and RCW 35A.14.400 are each amended to read as follows:

If a portion of a fire protection district including less than sixty percent of the assessed value of the real property of the district is annexed to or incorporated into a code city, the ownership of all assets of the district shall remain in the district and the district shall pay to the code city within one year or within such period of time as the district continues to collect taxes in such incorporated or annexed areas, in cash, properties or contracts for fire protection services, a percentage of the value of said assets equal to the percentage of the value of the real property in the entire district lying within the area so incorporated or annexed: PROVIDED, That if less than five percent of the area of the district is affected, no payment shall be made to the code city except as provided in section 3 of this act. The fire protection district shall provide fire protection to the incorporated or annexed area for such period as the district continues to collect taxes levied in such annexed or incorporated area.

NEW SECTION. Sec. 3. A new section is added to chapter 35.02 RCW to read as follows:

(1) A distribution of assets from the fire protection district to the city or town shall occur as provided in this section upon the annexation or incorporation of an area by the city or town that constitutes less than five percent of the area of the fire protection district upon the adoption of a resolution by the city or town finding that the annexation or incorporation will impose a significant increase in the fire suppression responsibilities of the city or town with a corresponding reduction in fire suppression responsibilities by the fire protection district. Such a resolution must be adopted within sixty days of the effective date of the annexation, or within sixty days of the official date of incorporation of the city. If the fire protection district does not concur in the finding within sixty days of when a copy of the resolution is submitted to the board of commissioners, arbitration shall proceed under subsection (3) of this section over this issue.

(2) An agreement on the distribution of assets from the fire protection district to the city or town shall be entered into by the city or town and the fire protection district within ninety days of the concurrence by the fire protection district under subsection (1) of this section, or within ninety days of a decision by the arbitrators under subsection (3) of this section that a significant increase in the fire protection responsibilities will be imposed upon the city or town as a result of the incorporation or annexation. A distribution shall be based upon the extent of the increased fire suppression responsibilities with a corresponding reduction in fire suppression responsibilities by the fire protection district, and shall consider the impact of any debt obligation that may exist on the property that is so annexed or incorporated. If an agreement is not entered into after this ninety-day period,
arbitration shall proceed under subsection (3) of this section concerning this issue unless both parties have agreed to an extension of this period.

(3) Arbitration shall proceed under this subsection over the issue of whether a significant increase in the fire protection responsibilities will be imposed upon the city or town as a result of the annexation or incorporation with a corresponding reduction in fire suppression responsibilities by the fire protection district, or over the distribution of assets from the fire protection district to the city or town if such a significant increase in fire protection responsibilities will be imposed. A board of arbitrators shall be established for an arbitration that is required under this section. The board of arbitrators shall consist of three persons, one of whom is appointed by the city or town within sixty days of the date when arbitration is required, one of whom is appointed by the fire protection district within sixty days of the date when arbitration is required, and one of whom is appointed by agreement of the other two arbitrators within thirty days of the appointment of the last of these other two arbitrators who is so appointed. If the two are unable to agree on the appointment of the third arbitrator within this thirty-day period, then the third arbitrator shall be appointed by a judge in the superior court of the county within which all or the greatest portion of the area that was so annexed or incorporated lies. The determination by the board of arbitrators shall be binding on both the city or town and the fire protection district.

Passed the Senate April 18, 1989.
Passed the House April 14, 1989.
Approved by the Governor May 5, 1989.

CHAPTER 268
[Senate Bill No. 5172]
ENERGY CONSERVATION—UTILITIES—ASSISTANCE TO OWNERS OF EQUIPMENT

AN ACT Relating to energy conservation; amending RCW 35.92.360 and 54.16.280; adding a new section to chapter 19.27A RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 2, chapter 239, Laws of 1979 ex. sess. and RCW 35.92.360 are each amended to read as follows:

Any city or town engaged in the generation, sale, or distribution of energy is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of ((residential)) structures or equipment in financing the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy in such structures or equipment pursuant to an energy conservation plan adopted by the city or town if the cost per unit of energy
saved or produced by the use of such materials and equipment is less than the cost per unit of energy produced by the next least costly new energy resource which the city or town could acquire to meet future demand. Any financing authorized under this chapter shall only be used for conservation purposes in existing structures, and such financing shall not be used for any purpose which results in a conversion from one energy source to another. Except where otherwise authorized, such assistance shall be limited to:

1. Providing an inspection of the (residential) structure or equipment, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation materials and equipment for which financial assistance will be approved and the estimated life cycle savings in energy costs that are likely to result from the installation of such materials or equipment;

2. Providing a list of businesses who sell and install such materials and equipment within or in close proximity to the service area of the city or town, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize such materials in accordance with the prevailing national standards.

3. Arranging to have approved conservation materials and equipment installed by a private contractor whose bid is acceptable to the owner of the residential structure and verifying such installation;

4. Arranging or providing financing for the purchase and installation of approved conservation materials and equipment. Such materials and equipment shall be purchased from a private business and shall be installed by a private business or the owner.

5. Pay back shall be in the form of incremental additions to the utility bill, billed either together with use charge or separately. Loans shall not exceed one hundred twenty months in length.

Sec. 2. Section 3, chapter 239, Laws of 1979 ex. sess. and RCW 54.16.280 are each amended to read as follows:

Any district is hereby authorized, within limits established by the Constitution of the state of Washington, to assist the owners of (residential) structures or equipment in financing the acquisition and installation of materials and equipment, for compensation or otherwise, for the conservation or more efficient use of energy in such structures or equipment pursuant to an energy conservation plan adopted by the district if the cost per unit of energy saved or produced by the use of such materials and equipment is less than the cost per unit of energy produced by the next least costly new energy resource which the district could acquire to meet future demand. Any financing authorized under this chapter shall only be used for conservation purposes in existing structures, and such financing shall not be used for any purpose which results in a conversion from one energy source to another. Except where otherwise authorized, such assistance shall be limited to:
(1) Providing an inspection of the (residential) structure or equipment, either directly or through one or more inspectors under contract, to determine and inform the owner of the estimated cost of purchasing and installing conservation materials and equipment for which financial assistance will be approved and the estimated life cycle savings in energy costs that are likely to result from the installation of such materials or equipment;

(2) Providing a list of businesses who sell and install such materials and equipment within or in close proximity to the service area of the district, each of which businesses shall have requested to be included and shall have the ability to provide the products in a workmanlike manner and to utilize such materials in accordance with the prevailing national standards.

(3) Arranging to have approved conservation materials and equipment installed by a private contractor whose bid is acceptable to the owner of the residential structure and verifying such installation; and

(4) Arranging or providing financing for the purchase and installation of approved conservation materials and equipment. Such materials and equipment shall be purchased from a private business and shall be installed by a private business or the owner.

(5) Pay back shall be in the form of incremental additions to the utility bill, billed either together with use charge or separately. Loans shall not exceed one hundred twenty months in length.

*NEW SECTION. Sec. 3. A new section is added to chapter 19.27A RCW to read as follows:

In order to improve energy efficiency in residential structures, an entity in the state of Washington engaged in the generation, sale, or distribution of energy may provide financial or other assistance for the planting of trees that will cast shade on residential structures in the summer. The assistance may be given to the owner of the residential structure or to a community group engaged in the planting of trees.

*Sec. 3 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate April 21, 1989.
Passed the House April 10, 1989.
Approved by the Governor May 5, 1989, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 5, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 3, Senate Bill No. 5172, entitled:

"AN ACT Relating to energy conservation."
Sections 1 and 2 of this bill will allow the implementation of the 1988 voter-approved Constitutional Amendment, 1JR 4223 which extends the conservation authority to add equipment to the prior authorization for structures. Section 4 makes the bill effective immediately. This legislation was requested by the State Energy Office and was supported by my office.

Section 3 is an amendment which authorizes financial assistance for the planting of trees that will cast shade on residential structures in the summer. Shade trees are aesthetically pleasing and have some energy benefits. However, the inclusion of shade trees in this bill arguably goes beyond the public understanding of conservation under the constitutional amendment permitting loans for "... materials and equipment for conservation ...".

I would be favorably inclined to review this issue if, after further public discussion, shade trees or other energy conservation methods are shown to be and generally recognized as cost effective.

With the exception of section 3, Senate Bill No. 5172 is approved.*

CHAPTER 269
[House Bill No. 1777]
ALTERNATIVE RESIDENTIAL PLACEMENT OF CHILDREN—DEPARTMENT OF SOCIAL AND HEALTH SERVICES—DUTIES

AN ACT Relating to child welfare services; and amending RCW 13.32A.150, 13.32A.160, 13.32A.170, 13.32A.250, 13.32A.190, and 28A.87.120.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 29, chapter 155, Laws of 1979 as amended by section 11, chapter 298, Laws of 1981 and RCW 13.32A.150 are each amended to read as follows:

(1) Except as otherwise provided in this section the juvenile court shall not accept the filing of an alternative residential placement petition by the child or the parents, unless verification is provided that a family assessment has been completed by the department. The family assessment shall be aimed at family reconciliation and avoidance of the out-of-home placement of the child. If the department is unable to complete an assessment within two working days following a request for assessment the child or the parents may proceed under subsection (2) of this section.

(2) A child or a child's parent may file with the juvenile court a petition to approve an alternative residential placement for the child outside the parent's home. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition shall only ask that the placement of a child outside the home of his or her parent be approved. The filing of a petition to approve such placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an alternative residential placement.

Sec. 2. Section 30, chapter 155, Laws of 1979 and RCW 13.32A.150 are each amended to read as follows:
When a proper petition is filed under RCW 13.32A.120, 13.32A-.140, or 13.32A.150 the juvenile court shall: (a) Schedule a date for a fact-finding hearing; notify the parent, child, and the department of such date; (b) notify the parent of the right to be represented by counsel and, if indigent, to have counsel appointed for him or her by the court; (c) appoint legal counsel for the child; (d) inform the child and his or her parent of the legal consequences of the court approving or disapproving an alternative residential placement petition; and (e) notify all parties, including the department, of their right to present evidence at the fact-finding hearing.

Upon filing of an alternative residential placement petition, the child may be placed, if not already placed, by the department in a crisis residential center, foster family home, group home facility licensed under chapter 74.15 RCW, or any other suitable residence to be determined by the department.

If the child has been placed in a foster family home or group care facility under chapter 74.15 RCW, the child shall remain there, or in any other suitable residence as determined by the department, pending resolution of the alternative residential placement petition by the court. Any placement may be reviewed by the court within three court days upon the request of the juvenile or the juvenile's parent.

Sec. 3. Section 31, chapter 155, Laws of 1979 as last amended by section 1, chapter 524, Laws of 1987 and RCW 13.32A.170 are each amended to read as follows:

The court shall hold a fact-finding hearing to consider a proper petition and may approve or deny alternative residential placement giving due weight to the intent of the legislature that families have the right to place reasonable restrictions and rules upon their children, appropriate to the individual child's developmental level. The court may appoint legal counsel and/or a guardian ad litem to represent the child and advise parents of their right to be represented by legal counsel. The court may approve an order stating that the child shall be placed in a residence other than the home of his or her parent only if it is established by a preponderance of the evidence, including a departmental recommendation for approval or dismissal of the petition, that:

(a) The petition is not capricious;
(b) The petitioner, if a parent or the child, has made a reasonable effort to resolve the conflict;
(c) The conflict which exists cannot be resolved by delivery of services to the family during continued placement of the child in the parental home;
(d) Reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and
(e) A suitable out-of-home placement resource is available.
The court may not grant a petition filed by the child or the department if it is established that the petition is based only upon a dislike of reasonable rules or reasonable discipline established by the parent.

(2) The order approving out-of-home placement shall direct the department to submit a disposition plan for a three-month placement of the child that is designed to reunite the family and resolve the family conflict. Such plan shall delineate any conditions or limitations on parental involvement. In making the order, the court shall further direct the department to make recommendations, as to which agency or person should have physical custody of the child, as to which parental powers should be awarded to such agency or person, and as to parental visitation rights. The court may direct the department to consider the cultural heritage of the child in making its recommendations.

(3) The hearing to consider the recommendations of the department for a three-month disposition plan shall be set no later than fourteen days after the approval of the court of a petition to approve alternative residential placement. Each party shall be notified of the time and place of such disposition hearing.

(4) If the court approves or denies a petition for an alternative residential placement, a written statement of the reasons shall be filed. If the court denies a petition requesting that a child be placed in a residence other than the home of his or her parent, the court shall enter an order requiring the child to remain at or return to the home of his or her parent.

(5) If the court denies the petition, the court shall impress upon the party filing the petition of the legislative intent to restrict the proceedings to situations where a family conflict is so great that it cannot be resolved by the provision of in-home services.

(6) A child who fails to comply with a court order directing that the child remain at or return to the home of his or her parent shall be subject to contempt proceedings, as provided in this chapter, but only if the noncompliance occurs within ninety calendar days after the day of the order.

(7) The department may request, and the juvenile court may grant, dismissal of an alternative residential placement order when it is not feasible for the department to provide services due to one or more of the following circumstances:

(a) The child has been absent from court approved placement for thirty consecutive days or more;

(b) The parents or the child, or all of them, refuse to cooperate in available, appropriate intervention aimed at reunifying the family; or

(c) The department has exhausted all available and appropriate resources that would result in reunification.

Sec. 4. Section 14, chapter 298, Laws of 1981 and RCW 13.32A.250 are each amended to read as follows:
In all alternative residential placement proceedings, the court shall verbally notify the parents and the child of the possibility of a finding of contempt for failure to comply with the terms of an alternative residential placement order. The court shall treat the parents and the child equally for the purposes of applying contempt of court processes and penalties under this section.

(2) Failure by a party to comply with an order entered under this chapter is punishable as contempt.

(2) Failure by a party to comply with an order entered under this chapter is punishable as contempt.

Contempt under this section is punishable by a fine of up to one hundred dollars and imprisonment for up to seven days, or both.

A child found in contempt under this section shall be imprisoned only in a secure juvenile detention facility operated by or pursuant to a contract with a county.

The procedure in a contempt proceeding held under this section is governed by RCW 7.20.040 through 7.20.080, as now law or hereafter amended.

A motion for contempt may be made by a parent, a child, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order adopted pursuant to this chapter.

Sec. 5. Section 33, chapter 155, Laws of 1979 as last amended by section 2, chapter 188, Laws of 1984 and RCW 13.32A.190 are each amended to read as follows:

Upon making a dispositional order under RCW 13.32A.180, the court shall schedule the matter on the calendar for review within three months, advise the parties of the date thereof, appoint legal counsel and/or a guardian ad litem to represent the child at the review hearing, advise parents of their right to be represented by legal counsel at the review hearing, and notify the parties of their rights to present evidence at the hearing. Where resources are available, the court shall encourage the parent and child to participate in mediation programs for reconciliation of their conflict.

At the review hearing, the court shall approve or disapprove the continuation of the dispositional plan in accordance with the goal of resolving the conflict and reuniting the family which governed the initial approval. The court shall determine whether reasonable efforts have been made to re-unify the family and make it possible for the child to return home. The court is authorized to discontinue the placement and order that the child return home if the court has reasonable grounds to believe that the parents have displayed concerted efforts to utilize services and resolve the conflict and the court has reason to believe that the child's refusal to return home is capricious. If out-of-home placement is continued, the court may modify the dispositional plan.
(3) Out-of-home placement may not be continued past one hundred eighty days from the day the review hearing commenced. The court shall order that the child return to the home of the parent at the expiration of the placement. If continued out-of-home placement is disapproved, the court shall enter an order requiring that the child return to the home of the child's parent.

(4) The department may request, and the juvenile court may grant, dismissal of an alternative residential placement order when it is not feasible for the department to provide services due to one or more of the following circumstances:

(a) The child has been absent from court approved placement for thirty consecutive days or more;

(b) The parents or the child, or all of them, refuse to cooperate in available, appropriate intervention aimed at reunifying the family; or

(c) The department has exhausted all available and appropriate resources that would result in reunification.

Sec. 6. Section 28A.87.120, chapter 223, Laws of 1969 ex. sess. as amended by section 1, chapter 38, Laws of 1982 and RCW 28A.87.120 are each amended to read as follows:

(1) Any pupil who shall deface or otherwise injure any school property, shall be liable to suspension and punishment. Any school district whose property has been lost or willfully cut, defaced, or injured, may withhold the grades, diploma, and transcripts of the pupil responsible for the damage or loss until the pupil or the pupil's parent or guardian has paid for the damages. When the pupil and parent or guardian are unable to pay for the damages, the school district shall provide a program of voluntary work for the pupil in lieu of the payment of monetary damages. Upon completion of voluntary work the grades, diploma, and transcripts of the pupil shall be released. The parent or guardian of such pupil shall be liable for damages as otherwise provided by law.

(2) Before any penalties are assessed under this section, a school district board of directors shall adopt procedures which insure that pupils' rights to due process are protected.

(3) If the department of social and health services or a child-placing agency licensed by the department has been granted custody of a child, that child's records, if requested by the department or agency, are not to be withheld for nonpayment of school fees or any other reason.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the use of alcohol and other drugs has become a serious threat to the health of the citizens of the state of Washington. The use of psychoactive chemicals has been found to be a prime factor in the current AIDS epidemic. Therefore, a comprehensive statute to deal with alcoholism and other drug addiction is necessary.

The legislature agrees with the 1987 resolution of the American Medical Association that endorses the proposition that all chemical dependencies, including alcoholism, are diseases. It is the intent of the legislature to end the sharp distinctions between alcoholism services and other drug addiction services, to recognize that chemical dependency is a disease, and to insure that prevention and treatment services are available and are of high quality.

It is the purpose of this chapter to provide the financial assistance necessary to enable the department of social and health services to provide a discrete program of alcoholism and other drug addiction services.

*Sec. 2. Section 1, chapter 12Z Laws of 1972 ex. sess. and RCW 70.96A.010 are each amended to read as follows:

It is the policy of this state that alcoholics, drug addicts, and intoxicated persons may not be subjected to criminal prosecution solely because of their consumption of alcoholic beverages or addiction to other psychoactive substances but rather should be afforded a continuum of treatment in order that they may lead normal lives as productive members of society.

(a) It shall describe the services and activities to be provided;
(b) It shall include anticipated expenditures and revenues;
(c) It shall be prepared by the county alcoholism and other drug addiction program board and be adopted by the county legislative authority;
(d) It shall reflect maximum effective use of existing services and facilities; and
(e) It shall meet other conditions that the secretary may require.

(4) The county may accept and spend gifts, grants, and fees, from public and private sources, to implement its program of alcoholism and other drug addiction.

(5) The county may subcontract for detoxification, residential treatment, or outpatient treatment with treatment programs that are approved treatment programs. The county may subcontract for other services with individuals or organizations approved by the department.

(6) To continue to be eligible for financial support from the department for the county alcoholism and other drug addiction program, an increase in state financial support shall not be used to supplant local funds from a source that was used to support the county alcoholism and other drug addiction program before the effective date of the increase.

Sec. 18. Section 8, chapter 122, Laws of 1972 ex. sess. and RCW 70.96A.080 are each amended to read as follows:

(1) The department shall establish by all appropriate means, including contracting for services, a comprehensive and coordinated discrete program for the treatment of alcoholics and other drug addicts and their families, persons incapacitated by alcohol or other psychoactive chemicals, and intoxicated persons.

(2) The program shall include, but not necessarily be limited to:
(a) (Emergency treatment provided by a facility affiliated with or part of the medical service of a general hospital or licensed medical institution)) Detoxification;

(b) (Inpatient) Residential treatment; and

(c) (Intermediate treatment; and

(d)) Outpatient ((and follow-up)) treatment.

(3) (The department shall provide for adequate and appropriate treatment for alcoholics, persons incapacitated by alcohol, and intoxicated persons admitted under RCW 70.96A.110 through 70.96A.140. Treatment may not be provided at a jail or prison except for inmates.

(4)) All appropriate public and private resources shall be coordinated with and (utilized) used in the program ((if)) when possible.

(5) (The department shall prepare, publish, and distribute annually a list of all approved public and private treatment facilities:

(6)) (4) The department may contract for the use of ((any facility as)) an approved ((public)) treatment ((facility)) program or other individual or organization if the secretary((subject to the policies of the department)); considers this to be an effective and economical course to follow.

Sec. 19. Section 9, chapter 122, Laws of 1972 ex. sess. and RCW 70-96A.090 are each amended to read as follows:

(1) The department shall adopt rules establishing standards for approved treatment ((facilities that must be met for a treatment facility to be)) programs, the process for the review and inspection program applying to the department for certification as an approved ((as a public or private)) treatment ((facility)) program, and fixing the fees to be charged by the department for the required inspections. The standards may concern the health standards to be met and standards of services and treatment to be afforded patients.

(2) The department may either grant or deny a certification of approval or revoke or suspend certification previously granted after investigation to ascertain whether or not the treatment program meets the standards adopted under this chapter.

(3) No treatment program may advertise or represent itself as an approved treatment program if approval has not been granted, has been denied, suspended, revoked, or canceled.

(4) Certification as an approved treatment program is effective for one calendar year from the date of issuance of the certificate. The certification shall specify the types of services provided by the approved treatment program that meet the standards adopted under this chapter. Renewal of certification shall be made in accordance with this section for initial approval and in accordance with the standards set forth in rules adopted by the secretary.
(5) Approved treatment programs shall not provide alcoholism or other drug addiction treatment services for which the approved treatment program has not been certified. Approved treatment programs may provide services for which approval has been sought and is pending, if approval for the services has not been previously revoked or denied.

(6) The department periodically shall inspect approved public and private treatment (facilities) programs at reasonable times and in a reasonable manner.

(7) The department shall maintain and periodically publish a current list of approved (public and private) treatment (facilities) programs.

(8) Each approved (public and private) treatment (facility) program shall file with the department on request, data, statistics, schedules, and information the department reasonably requires. An approved (public or private) treatment (facility) program that without good cause fails to furnish any data, statistics, schedules, or information as requested, or files fraudulent returns thereof, may be removed from the list of approved treatment (facilities) programs, and its (approval) certification revoked or suspended.

(9) The division, after holding a hearing, may suspend, revoke, limit, or restrict an approval, or without hearing, refuse to grant an approval, for failure to meet the provisions of this chapter, or the standards established thereunder.

(10) The superior court may restrain any violation of this section, review any denial, restriction, or revocation of approval, and grant other relief required to enforce its provisions.

NEW SECTION. Sec. 20. The state of Washington declares that there is no fundamental right to methadone treatment. The state of Washington further declares that while methadone is an addictive substance, that it nevertheless has several legal, important, and justified uses and that one of its appropriate and legal uses is, in conjunction with other required therapeutic procedures, in the treatment of persons addicted to or habituated to opioids.

Because methadone is addictive and is listed as a schedule II controlled substance in chapter 69.50 RCW, the state of Washington and authorizing counties on behalf of their citizens have the legal obligation and right to
regulate the use of methadone. The state of Washington declares its au-
thority to control and regulate carefully, in cooperation with the authorizing
counties, all clinical uses of methadone in the treatment of opium addiction.
Further, the state declares that the goal of methadone treatment is drug-
free living for the individuals who participate in the treatment program.

NEW SECTION. Sec. 21. (1) A county legislative authority may pro-
hibit methadone treatment in that county. The department shall not certify
a methadone treatment program in a county where the county legislative
authority has prohibited methadone treatment. If a county legislative au-
thority authorizes methadone treatment programs, it shall limit by ordi-
nance the number of methadone treatment programs operating in that
county by limiting the number of licenses granted in that county. If a
county has authorized methadone treatment programs in that county, it
shall only license methadone treatment programs that comply with the de-
partment's operating and treatment standards under this section and section
22 of this act. A county that authorizes methadone treatment may operate
the programs directly or through a local health department or health dis-
trict or it may authorize certified methadone treatment programs that the
county licenses to provide the services within the county. Counties shall
monitor methadone treatment programs for compliance with the depart-
ment's operating and treatment regulations under this section and section
22 of this act.

(2) A county that authorizes methadone treatment programs shall de-
velop and enact by ordinance licensing standards, consistent with this chap-
ter and the operating and treatment standards adopted under this chapter,
that govern the application for, issuance of, renewal of, and revocation of
the licenses. Certified programs existing before May 18, 1987, applying for
renewal of licensure in subsequent years, that maintain certification and
meet all other requirements for licensure, shall be given preference.

(3) In certifying programs, the department shall not discriminate
against a methadone program on the basis of its corporate structure. In li-
censing programs, the county shall not discriminate against a methadone
program on the basis of its corporate structure.

(4) A program applying for certification from the department and a
program applying for a contract from a state agency that has been denied
the certification or contract shall be provided with a written notice specify-
ing the rationale and reasons for the denial. A program applying for a li-
cense or a contract from a county that has been denied the license or
contract shall be provided with a written notice specifying the rationale and
reasons for the denial.

(5) A license is effective for one calendar year from the date of issu-
ance. The license shall be renewed in accordance with the provisions of this
section for initial approval and in accordance with the standards set forth in
rules adopted by the secretary.
NEW SECTION. Sec. 22. (1) The department, in consultation with methadone treatment service providers and counties authorizing methadone treatment programs, shall establish state-wide treatment standards for methadone treatment programs. The department and counties that authorize methadone treatment programs shall enforce these treatment standards. The treatment standards shall include, but not be limited to, reasonable provisions for all appropriate and necessary medical procedures, counseling requirements, urinalysis, and other suitable tests as needed to ensure compliance with this chapter and the treatment standard authorized by this chapter. A methadone treatment program shall not have a caseload in excess of three hundred fifty persons.

(2) The department, in consultation with methadone treatment programs and counties authorizing methadone treatment programs, shall establish state-wide operating standards for methadone treatment programs. The department and counties that authorize methadone treatment programs shall enforce these operating standards. The operating standards shall include, but not be limited to, reasonable provisions necessary to enable the department and authorizing counties to monitor certified and licensed methadone treatment programs for compliance with this chapter and the treatment standards authorized by this chapter and to minimize the impact of the methadone treatment programs upon the business and residential neighborhoods in which the program is located.

Sec. 23. Section 10, chapter 122, Laws of 1972 ex. sess. and RCW 70.96A.100 are each amended to read as follows:

The secretary shall adopt and may amend and repeal rules for acceptance of persons into the approved treatment program, considering available treatment resources and facilities, for the purpose of early and effective treatment of alcoholics and other drug addicts, persons incapacitated by alcohol or other psychoactive chemicals, and intoxicated persons. In establishing the rules, the secretary shall be guided by the following standards:

(1) If possible a patient shall be treated on a voluntary rather than an involuntary basis.

(2) A patient shall be initially assigned or transferred to outpatient (or intermediate) treatment, unless he or she is found to require (inpatient) residential treatment.

(3) A person shall not be denied treatment solely because he or she has withdrawn from treatment against medical advice on a prior occasion or because he or she has relapsed after earlier treatment.

(4) An individualized treatment plan shall be prepared and maintained on a current basis for each patient.

(5) Provision shall be made for a continuum of coordinated treatment services, so that a person who leaves a facility or a form of treatment will have available and utilize other appropriate treatment.
NEW SECTION. Sec. 24. Any person fourteen years of age or older may give consent for himself or herself to the furnishing of counseling, care, treatment, or rehabilitation by a treatment program or by any person. Consent of the parent, parents, or legal guardian of a person less than eighteen years of age is not necessary to authorize the care, except that the person shall not become a resident of the treatment program without such permission except as provided in RCW 70.96A.120. The parent, parents, or legal guardian of a person less than eighteen years of age are not liable for payment of care for such persons pursuant to this chapter, unless they have joined in the consent to the counseling, care, treatment, or rehabilitation.

Sec. 25. Section 11, chapter 122, Laws of 1972 ex. sess. and RCW 70.96A.110 are each amended to read as follows:

(1) An alcoholic or other drug addict may apply for voluntary treatment directly to an approved treatment program. If the proposed patient is a minor or an incompetent person, he or she, a parent, a legal guardian, or other legal representative may make the application.

(2) Subject to rules adopted by the secretary, the administrator in charge of an approved treatment program may determine who shall be admitted for treatment. If a person is refused admission to an approved treatment program, the administrator, subject to rules adopted by the secretary, shall refer the person to another approved treatment program for treatment if possible and appropriate.

(3) If a patient receiving inpatient care leaves an approved treatment program, he or she shall be encouraged to consent to appropriate outpatient treatment. If it appears to the administrator in charge of the treatment program that the patient is an alcoholic or other drug addict who requires help, the department may arrange for assistance in obtaining supportive services and residential facilities.

(4) If a patient leaves an approved public treatment program, with or against the advice of the administrator in charge of the facility, the department may make reasonable provisions for his or her transportation to another facility or to his or her home. If the patient has no home he or she should be assisted in obtaining shelter. If the patient is less than fourteen years of age or an incompetent person the request for discharge from an inpatient facility shall be made by a parent, legal guardian, or other legal representative or by the minor or incompetent if he or she was the original applicant.

*Sec. 26. Section 12, chapter 122, Laws of 1972 ex. sess. as last amended by section 13, chapter 439, Laws of 1987 and RCW 70.96A.120 are each amended to read as follows:

(1) An intoxicated person may come voluntarily to an approved treatment program for treatment. A person who appears to be intoxicated in a public place and to be in need of help, if he or she consents to the
proffered help, may be assisted to his or her home, an approved treatment ((facility)) program, or other health facility.

(2) Except for a person who may be apprehended for possible violation of laws not relating to alcoholism or intoxication and except for a person who may be apprehended for possible violation of laws relating to driving or being in physical control of a vehicle while intoxicated and except for a person who may wish to avail himself or herself of the provisions of RCW 46.20.308, a person who appears to be incapacitated by alcohol and who is in a public place or who has threatened, attempted, or inflicted physical harm on another, shall be taken into protective custody by the police or the emergency service patrol and as soon as practicable, but in no event beyond eight hours brought to an approved treatment ((facility)) program for treatment. If no approved treatment ((facility)) program is readily available he or she shall be taken to an emergency medical service customarily used for incapacitated persons. The police or the emergency service patrol in detaining the person and in taking him or her to an approved treatment ((facility)) program, is taking him or her into protective custody and shall make every reasonable effort to protect his or her health and safety. In taking the person into protective custody, the detaining officer or member of an emergency patrol may take reasonable steps including reasonable force if necessary to protect himself or herself or effect the custody. A taking into protective custody under this section is not an arrest. No entry or other record shall be made to indicate that the person has been arrested or charged with a crime.

(3) A person who comes voluntarily or is brought to an approved treatment ((facility)) program shall be examined by a qualified person. He or she may then be admitted as a patient or referred to another health facility, which provides emergency medical treatment, where it appears that such treatment may be necessary. The referring approved treatment ((facility)) program shall arrange for his or her transportation.

(4) A person who is found to be incapacitated by alcohol at the time of his or her admission or to have become incapacitated at any time after his or her admission, may not be detained at the ((facility)) program for more than seventy-two hours after admission as a patient, unless a petition is filed under RCW 70.96A.140((, as now or hereafter amended. PROVIDED, That)), However, the treatment personnel at the ((facility)) program are authorized to use such reasonable physical restraint as may be necessary to retain a person incapacitated by alcohol at ((such-facility)) the program for up to seventy-two hours from the time of admission. The seventy-two hour periods specified in this section shall be computed by excluding Saturdays, Sundays, and holidays. A person may consent to remain in the ((facility)) program as long as the physician in charge believes appropriate.

(5) A person who is not admitted to an approved treatment ((facility)) program, is not referred to another health facility, and has no funds, may be
taken to his or her home, if any. If he or she has no home, the approved treatment ((facility)) program shall assist him or her in obtaining shelter.

(6) If a patient is admitted to an approved treatment ((facility)) program, his or her family or next of kin shall be notified as promptly as possible. If an adult patient who is not incapacitated requests that there be no notification, his or her request shall be respected.

(7) The police, members of the emergency service, or treatment ((facility)) program personnel, who in good faith act in compliance with this chapter are performing in the course of their official duty and are not criminally or civilly liable therefor.

(8) If the person in charge of the approved treatment ((facility)) program determines it is for the patient's benefit, the patient shall be encouraged to agree to further diagnosis and appropriate voluntary treatment.

*Sec. 26 was vetoed, see message at end of chapter.

*Sec. 27. Section 14, chapter 122, Laws of 1972 ex. sess. as last amended by section 14, chapter 439, Laws of 1987 and RCW 70.96A.140 are each amended to read as follows:

(1) When the person in charge of an approved treatment ((facility)) program, or his or her designee, receives information alleging that a person is incapacitated as a result of alcoholism, the person in charge, or his or her designee, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the information, may file a petition for commitment of such person with the superior court or district court. If the person in charge, or his or her designee, finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to an evaluation and treatment facility as defined in RCW 71.05.020. If placement in an approved alcohol treatment ((facility)) program is deemed appropriate, the petition shall allege that the person is an alcoholic who is incapacitated by alcohol, or that the person has twice before in the preceding twelve months been admitted for the voluntary treatment for alcoholism pursuant to RCW 70.96A.110 and is in need of a more sustained treatment program, or that the person is an alcoholic who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within two days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the physician's findings in support of the allegations of the petition. A physician employed by the petitioning ((facility)) program or the department is not eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than three and no more than seven days after the date the petition was
filed unless the person petitioned against is presently being detained by the (facility) program, pursuant to RCW 70.96A.120, (as now or hereafter amended,) in which case the hearing shall be held within seventy-two hours of the filing of the petition (provided, however, that the above specified). The seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays (provided further, that). However, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served by the treatment (facility) program on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony of at least one licensed physician who has examined the person whose commitment is sought. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her. In this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person (out-of) outside the courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court-appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment (facility) program. It shall not order commitment of a person unless it determines that an approved treatment (facility) program is able to provide adequate and appropriate treatment for him or her and the treatment is likely to be beneficial.

5) A person committed under this section shall remain in the (facility) program for treatment for a period of thirty days unless sooner discharged. At the end of the thirty-day period, he or she shall be discharged automatically unless the (facility) program, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the (facility) program shall apply
for recommitment if after examination it is determined that the likelihood still exists.

(6) A person recommitted under subsection (5) of this section who has not been discharged by the program before the end of the ninety-day period shall be discharged at the expiration of that period unless the program, before expiration of the period, obtains a court order on the grounds set forth in subsection (1) of this section for recommitment for a further period not to exceed ninety days. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the program shall apply for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders under subsections (5) and (6) of this section are permitted.

(7) Upon the filing of a petition for recommitment under subsections (5) or (6) of this section, the court shall fix a date for hearing no less than three and no more than seven days after the date the petition was filed. However, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment program on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

(8) The program shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed under this section may be transferred from one approved public treatment program to another if transfer is medically advisable.

(9) A person committed to the custody of a program for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon another, that he or she is no longer an alcoholic or the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of an alcoholic committed on the grounds of the need of treatment and incapacity, that the incapacity no longer exists.

(10) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided
by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

(11) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

(12) The venue for proceedings under this section is the county in which person to be committed resides or is present.

*Sec. 27 was vetoed, see message at end of chapter.

*Sec. 28. Section 15, chapter 122, Laws of 1972 ex. sess. and RCW 70.96A.150 are each amended to read as follows:

(1) "(The registration and other records of treatment facilities shall remain confidential and are privileged to the patient.) When an individual submits himself or herself for care, treatment, counseling, or rehabilitation to an organization, institution, or corporation, public or private, approved under this chapter, or a person licensed or certified by the state whose principal function is the care, treatment, counseling, or rehabilitation of alcoholics and other drug addicts, persons incapacitated by alcohol and other psychoactive chemicals, and intoxicated persons, or the providing of medical, psychological, or social counseling or treatment, notwithstanding any other provision of law, that individual is guaranteed confidentiality. No such person, organization, institution, or corporation, or their agents, acting in the scope and course of their duties, providing such care, treatment, counseling, or rehabilitation may divulge nor may they be required to provide specific information concerning individuals being cared for, treated, counseled, or rehabilitated, nor may pharmacists or their agents provide such information if they become aware of or receive such information when requested to or for the purpose of providing products or performing services relevant to that care, treatment, counseling, or rehabilitation. If a person, organization, institution, or corporation, or their agents, breaches confidentiality as provided for in this section, that information and any product of it is not admissible as evidence and shall not be considered in a criminal proceeding. The fact of an individual of authorized age being cared for, treated, counseled, or rehabilitated under this chapter shall likewise be held confidential and is not admissible as evidence and shall not be considered in a criminal proceeding."
(2) Confidentiality provided for by this section may be waived by the indi
dividual, if the waiver is freely and voluntarily made, and with full prior in-
formation as to the consequences of the waiver.

(3) Notwithstanding subsection (1) of this section, the secretary may re-
ceive information from patients' records for purposes of research into the
causes and treatment of alcoholism, and the evaluation of alcoholism and
treatment programs. Information under this subsection shall not be published
in a way that discloses patients' names or otherwise discloses their identities.

(4) Nothing contained in this chapter relieves a person or firm from the
requirements under federal and state drug laws and regulations for the keep-
ing of records and the responsibility for the accountability of drugs received
and dispensed. Such records, insofar as they contain confidential information
under this chapter, are available only to state and federal drug inspectors,
who shall not divulge the information as is contained in these records, in-
cluding the identification of individuals, except (a) upon subpoena in a court
or administrative proceeding to which the person to whom the prescription,
orders, or other records relate is a party, or (b) when the information rea-
sonably leads to the conclusion that there has been a violation of chapter
69.50 RCW, the information may be referred to other law enforcement
officers.

(5) Nothing contained in this chapter prohibits or may be construed to
prohibit the divulging of information concerning the neglect or physical or
sexual abuse of a child as required by chapter 26.44 RCW.

*Sec. 28 was vetoed, see message at end of chapter.

Sec. 29. Section 16, chapter 122, Laws of 1972 ex. sess. and RCW 70-
.96A.160 are each amended to read as follows:

(1) Subject to reasonable rules regarding hours of visitation which the
secretary may adopt, patients in any approved treatment ((facility)) pro-
gram shall be granted opportunities for adequate consultation with counsel,
and for continuing contact with family and friends consistent with an effec-
tive treatment program.

(2) Neither mail nor other communication to or from a patient in any
approved treatment ((facility)) program may be intercepted, read, or cen-
sored. The secretary may adopt reasonable rules regarding the use of tele-
phone by patients in approved treatment ((facilities)) programs.

Sec. 30. Section 17, chapter 122, Laws of 1972 ex. sess. and RCW 70-
.96A.170 are each amended to read as follows:

(1) The state and counties, cities, and other municipalities may estab-
lish or contract for emergency service patrols which are to be under the ad-
ministration of the appropriate jurisdiction. A patrol consists of persons
trained to give assistance in the streets and in other public places to persons
WASHINGTON LAWS, 1989

who are intoxicated. Members of an emergency service patrol shall be capable of providing first aid in emergency situations and may transport intoxicated persons to their homes and to and from treatment (facilities) programs.

(2) The secretary shall adopt rules pursuant to chapter (34.04) 34.05 RCW for the establishment, training, and conduct of emergency service patrols.

Sec. 31. Section 18, chapter 122, Laws of 1972 ex. sess. and RCW 70.96A.180 are each amended to read as follows:

(1) If treatment is provided by an approved treatment (facility) program or emergency treatment is provided by a (facility) program under RCW 70.96A.080(2)(a), and the patient has not paid or is unable to pay the charge therefor, the (facility) program is entitled to any payment (a) received by the patient or to which he may be entitled because of the services rendered, and (b) from any public or private source available to the (facility) program because of the treatment provided to the patient.

(2) A patient in a (facility) program, or the estate of the patient, or a person obligated to provide for the cost of treatment and having sufficient financial ability, is liable to the (facility) program for cost of maintenance and treatment of the patient therein in accordance with rates established.

(3) The secretary shall adopt rules governing financial ability that take into consideration the income, savings, and other personal and real property of the person required to pay, and any support being furnished by him to any person he is required by law to support.

Sec. 32. Section 19, chapter 122, Laws of 1972 ex. sess. and RCW 70.96A.190 are each amended to read as follows:

(1) No county, municipality, or other political subdivision may adopt or enforce a local law, ordinance, resolution, or rule having the force of law that includes drinking, being (a common drunkard) an alcoholic or drug addict, or being found in an intoxicated condition as one of the elements of the offense giving rise to a criminal or civil penalty or sanction.

(2) No county, municipality, or other political subdivision may interpret or apply any law of general application to circumvent the provision of subsection (1) of this section.

(3) Nothing in this chapter affects any law, ordinance, resolution, or rule against drunken driving, driving under the influence of alcohol or other psychoactive chemicals, or other similar offense involving the operation of a vehicle, aircraft, boat, machinery, or other equipment, or regarding the sale, purchase, dispensing, possessing, or use of alcoholic beverages or other psychoactive chemicals at stated times and places or by a particular class of persons; nor shall evidence of intoxication affect, other than as a defense, the application of any law, ordinance, resolution, or rule to conduct otherwise establishing the elements of an offense.
Sec. 33. Section 18, chapter 279, Laws of 1984 as amended by section 10, chapter 259, Laws of 1986 and RCW 18.130.180 are each amended to read as follows:

The following conduct, acts, or conditions constitute unprofessional conduct for any license holder or applicant under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(3) All advertising which is false, fraudulent, or misleading;

Passed the House April 18, 1989.
Passed the Senate April 13, 1989.
Approved by the Governor May 7, 1989, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 7, 1989.

Note: Governor’s explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 2, 14, 26, 27, and 28, Engrossed Substitute House Bill No. 1619 entitled:

"AN ACT Relating to alcoholism and other drug addiction."

These five sections each conflict with amendments to the same statutes which are made in Engrossed Second Substitute House Bill No. 1793, the Omnibus Drug Act, and Substitute Senate Bill No. 5469. This bill is a housekeeping recodification bill, while the Omnibus Drug Act and Substitute Senate Bill No. 5469 contain substantive modifications reflecting legislative policy changes. Therefore, I am vetoing these sections to avoid conflict and confusion.

Section 2 of this bill amends RCW 70.96A.010 which is also amended by section 304 of E2SHB 1793. Section 35 (22) repeals RCW 70.96.150 which is amended by section 308 of E2SHB 1793. In addition, section 14 of this bill provides a new section that is similar to the first paragraph of section 308 of E2SHB 1793 but lacks the new second paragraph. I have signed SHB 1619 first to avoid repealing the amended language in section 308 of E2SHB 1793. In addition, section 14 of this bill provides a new section that is similar to the first paragraph of section 308 of E2SHB 1793 but lacks the new second paragraph. I have signed SHB 1619 first to avoid repealing the amended language in section 308 of E2SHB 1793. Section 26 of this bill amends RCW 70.96A.120 which is also amended by section 306 of E2SHB 1793. Section 27 of this bill amends RCW 70.96A.140 which is also amended by section 307 of E2SHB 1793. Section 28 of this bill amends RCW 70.96A.150 which conflicts with section 1 of SSB 5469 which I have already signed.

With the exception of sections 2, 14, 26, 27, and 28, Engrossed Substitute House Bill No. 1619 is approved."

Sec. 103. Section 7, chapter 115, Laws of 1983 as last amended by section 12, chapter 153, Laws of 1988 and by section 3, chapter 157, Laws of 1988 and RCW 9.94A.360 are each reenacted and amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.400.

(2) Except as provided in subsection (4) of this section, class A prior felony convictions shall always be included in the offender score. Class B prior felony convictions shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without being convicted of any felonies. Class C prior felony convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without being convicted of any felonies. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without being convicted of any serious traffic or felony traffic offenses. This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law.

(4) Include class A juvenile felonies only if the offender was 15 or older at the time the juvenile offense was committed. Include class B and C juvenile felony convictions only if the offender was 15 or older at the time the juvenile offense was committed and the offender was less than 23 at the time the offense for which he or she is being sentenced was committed.

(5) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.
(6) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(a) Prior adult offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently whether those offenses shall be counted as one offense or as separate offenses, and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used;

(b) Juvenile prior convictions entered or sentenced on the same date shall count as one offense, the offense that yields the highest offender score; and

(c) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(7) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense.

(8) If the present conviction is for a nonviolent offense and not covered by subsection (12) or (13) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(9) If the present conviction is for a violent offense and not covered in subsection (10), (11), (12), or (13) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Murder 1 or 2, Assault 1, Kidnapping 1, Homicide by Abuse, or Rape 1, count three points for prior adult and juvenile convictions for crimes in these categories, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(11) If the present conviction is for Burglary 1, count prior convictions as in subsection (9) of this section; however count two points for each prior adult Burglary 2 conviction, and one point for each prior juvenile Burglary 2 conviction.

(12) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Motor Vehicle Homicide or
Vehicular Assault; for each felony offense or serious traffic offense, count one point for each adult and 1/2 point for each juvenile prior conviction.

(13) If the present conviction is for a drug offense count ((two)) three points for each adult prior felony drug offense conviction and ((one)) two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (9) of this section if the current drug offense is violent, or as in subsection (8) of this section if the current drug offense is nonviolent.

(14) If the present conviction is for Willful Failure to Return from Furlough, RCW 72.66.060, or Willful Failure to Return from Work Release, RCW 72.65.070, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

(15) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as 1/2 point.

(16) If the present conviction is for Burglary 2, count priors as in subsection (8) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 conviction, and one point for each juvenile prior Burglary 2 conviction.

(17) If the present conviction is for an offense committed while the offender was under community placement, add one point.

This section shall not apply to offenses defined and punishable under the provisions of RCW 69.50.410.

NEW SECTION. Sec. 105. A new section is added to chapter 69.50 RCW to read as follows:

A person who is convicted of a misdemeanor violation of any provision of this chapter shall be punished by imprisonment for not less than twenty-four consecutive hours, and by a fine of not less than two hundred fifty dollars. On a second or subsequent conviction, the fine shall not be less than five hundred dollars. These fines shall be in addition to any other fine or penalty imposed. Unless the court finds that the imposition of the minimum imprisonment will pose a substantial risk to the defendant's physical or mental well-being or that local jail facilities are in an overcrowded condition, the minimum term of imprisonment shall not be suspended or deferred. If the court finds such risk or overcrowding exists, it shall sentence the defendant to a minimum of forty hours of community service. If a minimum term of imprisonment is suspended or deferred, the court shall state in writing the reason for granting the suspension or deferral and the facts upon which the suspension or deferral is based. Unless the court finds the person to be indigent, the minimum fine shall not be suspended or deferred.

NEW SECTION. Sec. 106. A new section is added to chapter 69.50 RCW to read as follows:

Any person who violates this section is guilty of a misdemeanor. The department of social and health services shall conduct a study of needle exchange programs that are operating in other states and countries. The department of social and health services shall report back to the legislature by December 1, 1989.

*Sec. 107 was vetoed, see message at end of chapter.

NEW SECTION. Sec. 108. The legislature finds that increased trafficking in illegal drugs has increased the likelihood of "drive-by shootings." It is the intent of the legislature in sections 102, 109, and 110 of this act to categorize such reckless and criminal activity into a separate crime and to provide for an appropriate punishment.

NEW SECTION. Sec. 109. A new section is added to chapter 9A.36 RCW to read as follows:

(1) A person is guilty of reckless endangerment in the first degree when he or she recklessly discharges a firearm in a manner which creates a substantial risk of death or serious physical injury to another person and the discharge is either from a motor vehicle or from the immediate area of a motor vehicle that was used to transport the shooter or the firearm to the scene of the discharge.

(2) A person who unlawfully discharges a firearm from a moving motor vehicle may be inferred to have engaged in reckless conduct, unless the discharge is shown by evidence satisfactory to the trier of fact to have been made without such recklessness.

(3) Reckless endangerment in the first degree is a class C felony.

Sec. 110. Section 9A.36.050, chapter 260, Laws of 1975 1st ex. sess. and RCW 9A.36.050 are each amended to read as follows:

(1) A person is guilty of reckless endangerment in the second degree when he recklessly engages in conduct not amounting to reckless endangerment in the first degree but which creates a substantial risk of death or serious physical injury to another person.

Sec. 111. Section 10, chapter 270, Laws of 1984 as amended by section 11, chapter 455, Laws of 1985 and RCW 9A.82.100 are each amended to read as follows:

(1) (a) A person who sustains injury to his or her person, business, or property by an act of criminal profiteering that is part of a pattern of criminal profiteering activity or by a violation of RCW 9A.82.060 or 9A.82.080
may file an action in superior court for the recovery of damages and the costs of the suit, including reasonable investigative and attorney's fees.

(b) The attorney general or county prosecuting attorney may file an action: (i) On behalf of those persons injured or, respectively, on behalf of the state or county if the entity has sustained damages, or (ii) to prevent, restrain, or remedy a pattern of criminal profiteering activity or a violation of RCW 9A.82.060 or 9A.82.080.

(c) An action for damages filed by or on behalf of an injured person, the state, or the county shall be for the recovery of damages and the costs of the suit, including reasonable investigative and attorney's fees.

(d) In an action filed to prevent, restrain, or remedy a pattern of criminal profiteering activity or a violation of RCW 9A.82.060 or 9A.82.080, the court, upon proof of the violation, may impose a civil penalty not exceeding two hundred fifty thousand dollars, in addition to awarding the cost of the suit, including reasonable investigative and attorney's fees.

(2) The superior court has jurisdiction to prevent, restrain, and remedy a pattern of criminal profiteering or a violation of RCW 9A.82.060 or 9A.82.080 after making provision for the rights of all innocent persons affected by the violation and after hearing or trial, as appropriate, by issuing appropriate orders.

(3) Prior to a determination of liability, orders issued under subsection (2) of this section may include, but are not limited to, entering restraining orders or prohibitions or taking such other actions, including the acceptance of satisfactory performance bonds, in connection with any property or other interest subject to damages, forfeiture, or other restraints pursuant to this section as the court deems proper. The orders may also include attachment, receivership, or injunctive relief in regard to personal or real property pursuant to Title 7 RCW. In shaping the reach or scope of receivership, attachment, or injunctive relief, the superior court shall provide for the protection of bona fide interests in property, including community property, of persons who were not involved in the violation of this chapter, except to the extent that such interests or property were acquired or used in such a way as to be subject to forfeiture under RCW 9A.82.100(4)(f).

(4) Following a determination of liability, orders may include, but are not limited to:

(a) Ordering any person to divest himself or herself of any interest, direct or indirect, in any enterprise.

(b) Imposing reasonable restrictions on the future activities or investments of any person, including prohibiting any person from engaging in the same type of endeavor as the enterprise engaged in, the activities of which affect the laws of this state, to the extent the Constitutions of the United States and this state permit.

(c) Ordering dissolution or reorganization of any enterprise.
(d) Ordering the payment of actual damages sustained to those persons injured by a violation of RCW 9A.82.060 or 9A.82.080 or an act of criminal profiteering that is part of a pattern of criminal profiteering, and in the court's discretion, increasing the payment to an amount not exceeding three times the actual damages sustained.

(e) Ordering the payment of all costs and expenses of the prosecution and investigation of a pattern of criminal profiteering activity or a violation of RCW 9A.82.060 or 9A.82.080, civil and criminal, incurred by the state or county, including any costs of defense provided at public expense, as appropriate to the state general fund or the antiprofiteering revolving fund of the county.

(f) Ordering forfeiture first as restitution to any person damaged by an act of criminal profiteering that is part of a pattern of criminal profiteering then to the state general fund or antiprofiteering revolving fund of the county, as appropriate, to the extent not already ordered to be paid in other damages, of the following:

(i) Any property or other interest acquired or maintained in violation of RCW 9A.82.060 or 9A.82.080 to the extent of the investment of funds, and any appreciation or income attributable to the investment, from a violation of RCW 9A.82.060 or 9A.82.080.

(ii) Any property, contractual right, or claim against property used to influence any enterprise that a person has established, operated, controlled, conducted, or participated in the conduct of, in violation of RCW 9A.82.060 or 9A.82.080.

(iii) All proceeds traceable to or derived from an offense included in the pattern of criminal profiteering activity and all moneys, negotiable instruments, securities, and other things of value significantly used or intended to be used significantly to facilitate commission of the offense.

(g) Ordering payment to the state general fund or antiprofiteering revolving fund of the county, as appropriate, of an amount equal to the gain a person has acquired or maintained through an offense included in the definition of criminal profiteering.

(5) In addition to or in lieu of an action under this section, the attorney general or county prosecuting attorney may file an action for forfeiture to the state general fund or antiprofiteering revolving fund of the county, as appropriate, to the extent not already ordered paid pursuant to this section, of the following:

(a) Any interest acquired or maintained by a person in violation of RCW 9A.82.060 or 9A.82.080 to the extent of the investment of funds obtained from a violation of RCW 9A.82.060 or 9A.82.080 and any appreciation or income attributable to the investment.

(b) Any property, contractual right, or claim against property used to influence any enterprise that a person has established, operated, controlled,
conducted, or participated in the conduct of, in violation of RCW 9A.82-060 or 9A.82.080.

(c) All proceeds traceable to or derived from an offense included in the pattern of criminal profiteering activity and all moneys, negotiable instruments, securities, and other things of value significantly used or intended to be used significantly to facilitate the commission of the offense.

(6) A defendant convicted in any criminal proceeding is precluded in any civil proceeding from denying the essential allegations of the criminal offense proven in the criminal trial in which the defendant was convicted. For the purposes of this subsection, a conviction shall be deemed to have occurred upon a verdict, finding, or plea of guilty, notwithstanding the fact that appellate review of the conviction and sentence has been or may be sought. If a subsequent reversal of the conviction occurs, any judgment that was based upon that conviction may be reopened upon motion of the defendant.

(7) The initiation of civil proceedings under this section shall be commenced within three years after discovery of the pattern of criminal profiteering activity or after the pattern should reasonably have been discovered.

(8) The attorney general or county prosecuting attorney may, in a civil action brought pursuant to this section, file with the clerk of the superior court a certificate stating that the case is of special public importance. A copy of that certificate shall be furnished immediately by the clerk to the presiding chief judge of the superior court in which the action is pending and, upon receipt of the copy, the judge shall immediately designate a judge to hear and determine the action. The judge so designated shall promptly assign the action for hearing, participate in the hearings and determination, and cause the action to be expedited.

(9) The standard of proof in actions brought pursuant to this section is the preponderance of the evidence test.

(10) A person other than the attorney general or county prosecuting attorney who files an action under this section shall serve notice and one copy of the pleading on the attorney general within thirty days after the action is filed with the superior court. The notice shall identify the action, the person, and the person's attorney. Service of the notice does not limit or otherwise affect the right of the state to maintain an action under this section or intervene in a pending action nor does it authorize the person to name the state or the attorney general as a party to the action.

(11) Except in cases filed by a county prosecuting attorney, the attorney general may, upon timely application, intervene in any civil action or proceeding brought under this section if the attorney general certifies that in the attorney general's opinion the action is of special public importance. Upon intervention, the attorney general may assert any available claim and is entitled to the same relief as if the attorney general had instituted a separate action.
(12) In addition to the attorney general's right to intervene as a party in any action under this section, the attorney general may appear as amicus curiae in any proceeding in which a claim under this section has been asserted or in which a court is interpreting RCW 9A.82.010, 9A.82.080, 9A-.82.090, 9A.82.110, or 9A.82.120, or this section.

(13) A private civil action under this section does not limit any other civil or criminal action under this chapter or any other provision. Private civil remedies provided under this section are supplemental and not mutually exclusive.

(14) Upon motion by the defendant, the court may authorize the sale or transfer of assets subject to an order or lien authorized by this chapter for the purpose of paying actual attorney's fees and costs of defense. The motion shall specify the assets for which sale or transfer is sought and shall be accompanied by the defendant's sworn statement that the defendant has no other assets available for such purposes. No order authorizing such sale or transfer may be entered unless the court finds that the assets involved are not subject to possible forfeiture under RCW 9A.82.100(4)(f). Prior to disposition of the motion, the court shall notify the state of the assets sought to be sold or transferred and shall hear argument on the issue of whether the assets are subject to forfeiture under RCW 9A.82.100(4)(f). Such a motion may be made from time to time and shall be heard by the court on an expedited basis.

(15) In an action brought under subsection (1) (a) and (b)(i) of this section, either party has the right to a jury trial.

NEW SECTION. Sec. 112. A new section is added to chapter 69.50 RCW to read as follows:

(a) Any person who violates RCW 69.50.401(a) by manufacturing, selling, delivering, or possessing with the intent to manufacture, sell, or deliver a controlled substance listed under that subsection to a person in a school or on a school bus or within one thousand feet of a school bus route stop designated by the school district or within one thousand feet of the perimeter of the school grounds is punishable by a fine of up to twice the fine otherwise authorized by this chapter, but not including twice the fine authorized by RCW 69.50.406, or by imprisonment of up to twice the imprisonment otherwise authorized by this chapter, but not including twice the imprisonment authorized by RCW 69.50.406, or by both such fine and imprisonment.

(b) It is not a defense to a prosecution for a violation of this section that the person was unaware that the prohibited conduct took place while in a school or school bus or within one thousand feet of the school or school bus route stop.

(c) It is not a defense to a prosecution for a violation of this section or any other prosecution under this chapter that persons under the age of
eighteen were not present in the school, the school bus, or at the school bus route stop at the time of the offense or that school was not in session.

(d) It is an affirmative defense to a prosecution for a violation of this section that the prohibited conduct took place entirely within a private residence, that no person under eighteen years of age or younger was present in such private residence at any time during the commission of the offense, and that the prohibited conduct did not involve delivering, manufacturing, selling, or possessing with the intent to manufacture, sell, or deliver any controlled substance in RCW 69.50.401(a) for profit. The affirmative defense established in this section shall be proved by the defendant by a preponderance of the evidence. This section shall not be construed to establish an affirmative defense with respect to a prosecution for an offense defined in any other section of this chapter.

(e) In a prosecution under this section, a map produced or reproduced by any municipal, school district, or county engineer for the purpose of depicting the location and boundaries of the area on or within one thousand feet of any property used for a school or school bus route stop, or a true copy of such a map, shall under proper authentication, be admissible and shall constitute prima facie evidence of the location and boundaries of those areas if the governing body of the municipality, school district, or county has adopted a resolution or ordinance approving the map as the official location and record of the location and boundaries of the area on or within one thousand feet of the school or school bus route stop. Any map approved under this section or a true copy of the map shall be filed with the clerk of the municipality or county, and shall be maintained as an official record of the municipality or county. This section shall not be construed as precluding the prosecution from introducing or relying upon any other evidence or testimony to establish any element of the offense. This section shall not be construed as precluding the use or admissibility of any map or diagram other than the one which has been approved by the governing body of a municipality, school district, or county if the map or diagram is otherwise admissible under court rule.

(f) As used in this section the following terms have the meanings indicated unless the context clearly requires otherwise:

(1) "School" has the meaning under RCW 28A.01.055 or 28A.01.060. The term "school" also includes a private school approved under RCW 28A.02.201;

PART II
PREVENTION, INVESTIGATION, AND PROCEDURE
SUBPART A
ONE-PARTY CONSENT

NEW SECTION. Sec. 201. A new section is added to chapter 9.73 RCW to read as follows:

The legislature finds that the unlawful manufacturing, selling, and distributing of controlled substances is becoming increasingly prevalent and violent. Attempts by law enforcement officers to prevent the manufacture, sale, and distribution of drugs is resulting in numerous life-threatening situations since drug dealers are using sophisticated weapons and modern technological devices to deter the efforts of law enforcement officials to enforce the controlled substance statutes. Dealers of unlawful drugs are employing a wide variety of violent methods to realize the enormous profits of the drug trade.

Therefore, the legislature finds that conversations regarding illegal drug operations should be intercepted, transmitted, and recorded in certain circumstances without prior judicial approval in order to protect the life and safety of law enforcement personnel and to enhance prosecution of drug
offenses, and that that interception and transmission can be done without violating the constitutional guarantees of privacy.

NEW SECTION. Sec. 202. A new section is added to chapter 9.73 RCW to read as follows:

(1) If a police commander or officer above the rank of first line supervisor has reasonable suspicion that the safety of the consenting party is in danger, law enforcement personnel may, for the sole purpose of protecting the safety of the consenting party, intercept, transmit, or record a private conversation or communication concerning the unlawful manufacture, delivery, sale, or possession with intent to manufacture, deliver, or sell, controlled substances as defined in chapter 69.50 RCW, or legend drugs as defined in chapter 69.41 RCW, or imitation controlled substances as defined in chapter 69.52 RCW.

(2) Before any interception, transmission, or recording of a private conversation or communication pursuant to this section, the police commander or officer making the determination required by subsection (1) of this section shall complete a written authorization which shall include (a) the date and time the authorization is given; (b) the persons, including the consenting party, expected to participate in the conversation or communication, to the extent known; (c) the expected date, location, and approximate time of the conversation or communication; and (d) the reasons for believing the consenting party's safety will be in danger.

(3) A monthly report shall be filed by the law enforcement agency with the administrator for the courts indicating the number of authorizations made under this section, the date and time of each authorization, and whether an interception, transmission, or recording was made with respect to each authorization.

(4) Any information obtained pursuant to this section is inadmissible in any civil or criminal case in all courts of general or limited jurisdiction in this state, except:

(a) With the permission of the person whose communication or conversation was intercepted, transmitted, or recorded without his or her knowledge;

(b) In a civil action for personal injury or wrongful death arising out of the same incident, where the cause of action is based upon an act of physical violence against the consenting party; or

(c) In a criminal prosecution, arising out of the same incident for a serious violent offense as defined in RCW 9.94A.030 in which a party who consented to the interception, transmission, or recording was a victim of the offense.

(5) Nothing in this section bars the admission of testimony of a participant in the communication or conversation unaided by information obtained pursuant to this section.
(6) The authorizing agency shall immediately destroy any written, transcribed, or recorded information obtained from an interception, transmission, or recording authorized under this section unless the agency determines there has been a personal injury or death or a serious violent offense which may give rise to a civil action or criminal prosecution in which the information may be admissible under subsection (4) (b) or (c) of this section.

(7) Nothing in this section authorizes the interception, recording, or transmission of a telephonic communication or conversation.

NEW SECTION. Sec. 203. A new section is added to chapter 9.73 RCW to read as follows:

In each superior court judicial district in class AA and A counties there shall be available twenty-four hours a day at least one superior court or district court judge or magistrate designated to receive telephonic requests for authorizations that may be issued pursuant to this chapter. The presiding judge of each such superior court in conjunction with the district court judges in that superior court judicial district shall establish a coordinated schedule of rotation for all of the superior and district court judges and magistrates in the superior court judicial district for purposes of ensuring the availability of at least one judge or magistrate at all times. During the period that each judge or magistrate is designated, he or she shall be equipped with an electronic paging device when not present at his or her usual telephone. It shall be the designated judge's or magistrate's responsibility to ensure that all attempts to reach him or her for purposes of requesting authorization pursuant to this chapter are forwarded to the electronic page number when the judge or magistrate leaves the place where he or she would normally receive such calls.

NEW SECTION. Sec. 204. A new section is added to chapter 9.73 RCW to read as follows:

(1) As part of a bona fide criminal investigation, the chief law enforcement officer of a law enforcement agency or his or her designee above the rank of first line supervisor may authorize the interception, transmission, or recording of a conversation or communication by officers under the following circumstances:

(a) At least one party to the conversation or communication has consented to the interception, transmission, or recording;

(b) Probable cause exists to believe that the conversation or communication involves the unlawful manufacture, delivery, sale, or possession with intent to manufacture, deliver, or sell, controlled substances as defined in chapter 69.50 RCW, or legend drugs as defined in chapter 69.41 RCW, or imitation controlled substances as defined in chapter 69.52 RCW; and

(c) A written report has been completed as required by subsection (2) of this section.
(2) The agency's chief officer or designee authorizing an interception, transmission, or recording under subsection (1) of this section, shall prepare and sign a written report at the time of authorization indicating:

(a) The circumstances that meet the requirements of subsection (1) of this section;

(b) The names of the authorizing and consenting parties, except that in those cases where the consenting party is a confidential informant, the name of the confidential informant need not be divulged;

(c) The names of the officers authorized to intercept, transmit, and record the conversation or communication;

(d) The identity of the particular person or persons, if known, who may have committed or may commit the offense;

(e) The details of the particular offense or offenses that may have been or may be committed and the expected date, location, and approximate time of the conversation or communication; and

(f) Whether there was an attempt to obtain authorization pursuant to RCW 9.73.090(2) and, if there was such an attempt, the outcome of the attempt.

(3) An authorization under this section is valid in all jurisdictions within Washington state and for the interception of communications from additional persons if the persons are brought into the conversation or transaction by the nonconsenting party or if the nonconsenting party or such additional persons cause or invite the consenting party to enter another jurisdiction.

(4) The recording of any conversation or communication under this section shall be done in such a manner that protects the recording from editing or other alterations.

(5) An authorization made under this section is valid for no more than twenty-four hours from the time it is signed by the authorizing officer, and each authorization shall independently meet all of the requirements of this section. The authorizing officer shall sign the written report required under subsection (2) of this section, certifying the exact date and time of his or her signature. An authorization under this section may be extended not more than twice for an additional consecutive twenty-four hour period based upon the same probable cause regarding the same suspected transaction. Each such extension shall be signed by the authorizing officer.

(6) Within fifteen days after the signing of an authorization that results in any interception, transmission, or recording of a conversation or communication pursuant to this section, the law enforcement agency which made the interception, transmission, or recording shall submit a report including the original authorization under subsection (2) of this section to a judge of a court having jurisdiction which report shall identify (a) the persons, including the consenting party, who participated in the conversation, and (b) the date, location, and approximate time of the conversation.
In those cases where the consenting party is a confidential informant, the name of the confidential informant need not be divulged.

A monthly report shall be filed by the law enforcement agency with the administrator for the courts indicating the number of authorizations granted, the date and time of each authorization, interceptions made, arrests resulting from an interception, and subsequent invalidations.

(7)(a) Within two judicial days of receipt of a report under subsection (6) of this section, the court shall make an ex parte review of the authorization, but not of the evidence, and shall make a determination whether the requirements of subsection (1) of this section were met. If the court determines that any of the requirements of subsection (1) of this section were not met, the court shall order that any recording and any copies or transcriptions of the conversation or communication be destroyed. Destruction of recordings, copies, or transcriptions shall be stayed pending any appeal of a finding that the requirements of subsection (1) of this section were not met.

(b) Absent a continuation under (c) of this subsection, six months following a determination under (a) of this subsection that probable cause did not exist, the court shall cause a notice to be mailed to the last known address of any nonconsenting party to the conversation or communication that was the subject of the authorization. The notice shall indicate the date, time, and place of any interception, transmission, or recording made pursuant to the authorization. The notice shall also identify the agency that sought the authorization and shall indicate that a review under (a) of this subsection resulted in a determination that the authorization was made in violation of this section.

(c) An authorizing agency may obtain six-month extensions to the notice requirement of (b) of this subsection in cases of active, ongoing criminal investigations that might be jeopardized by sending the notice.

(8) In any subsequent judicial proceeding, evidence obtained through the interception or recording of a conversation or communication pursuant to this section shall be admissible only if:

(a) The court finds that the requirements of subsection (1) of this section were met and the evidence is used in prosecuting an offense listed in subsection (1)(b) of this section; or

(b) The evidence is admitted with the permission of the person whose communication or conversation was intercepted, transmitted, or recorded; or

(c) The evidence is admitted in a prosecution for a "serious violent offense" as defined in RCW 9.94A.030 in which a party who consented to the interception, transmission, or recording was a victim of the offense; or

(d) The evidence is admitted in a civil suit for personal injury or wrongful death arising out of the same incident, in which a party who consented to the interception, transmission, or recording was a victim of a serious violent offense as defined in RCW 9.94A.030.
Nothing in this subsection bars the admission of testimony of a party or eyewitness to the intercepted, transmitted, or recorded conversation or communication when that testimony is unaided by information obtained solely by violation of RCW 9.73.030.

(9) Any determination of invalidity of an authorization under this section shall be reported by the court to the office of the administrator for the courts.

(10) Any person who intentionally intercepts, transmits, or records or who intentionally authorizes the interception, transmission, or recording of a conversation or communication in violation of this section, is guilty of a class C felony punishable according to chapter 9A.20 RCW.

(11) An authorizing agency is liable for twenty-five thousand dollars in exemplary damages, in addition to any other damages authorized by this chapter or by other law, to a person whose conversation or communication was intercepted, transmitted, or recorded pursuant to an authorization under this section if:

(a) In a review under subsection (7) of this section, or in a suppression of evidence proceeding, it has been determined that the authorization was made without the probable cause required by subsection (1)(b) of this section; and

(b) The authorization was also made without a reasonable suspicion that the conversation or communication would involve the unlawful acts identified in subsection (1)(b) of this section.

Sec. 205. Section 1, chapter 48, Laws of 1970 ex. sess. as last amended by section 2, chapter 38, Laws of 1986 and RCW 9.73.090 are each amended to read as follows:

(1) The provisions of RCW 9.73.030 through 9.73.080 shall not apply to police, fire, emergency medical service, emergency communication center, and poison center personnel in the following instances:

(a) Recording incoming telephone calls to police and fire stations, licensed emergency medical service providers, emergency communication centers, and poison centers;

(b) Video and/or sound recordings may be made of arrested persons by police officers responsible for making arrests or holding persons in custody before their first appearance in court. Such video and/or sound recordings shall conform strictly to the following:

(i) The arrested person shall be informed that such recording is being made and the statement so informing him shall be included in the recording;

(ii) The recording shall commence with an indication of the time of the beginning thereof and terminate with an indication of the time thereof;

(iii) At the commencement of the recording the arrested person shall be fully informed of his constitutional rights, and such statements informing him shall be included in the recording;
(iv) The recordings shall only be used for valid police or court activities.

(2) It shall not be unlawful for a law enforcement officer acting in the performance of the officer's official duties to intercept, record, or disclose an oral communication or conversation where the officer is a party to the communication or conversation or one of the parties to the communication or conversation has given prior consent to the interception, recording, or disclosure: PROVIDED, That prior to the interception, transmission, or recording the officer shall obtain written or telephonic authorization from a judge or magistrate, who shall approve the interception, recording, or disclosure of communications or conversations with a nonconsenting party for a reasonable and specified period of time, if there is probable cause to believe that the nonconsenting party has committed, is engaged in, or is about to commit a felony: PROVIDED HOWEVER, That if such authorization is given by telephone the authorization and officer's statement justifying such authorization must be electronically recorded by the judge or magistrate on a recording device in the custody of the judge or magistrate at the time transmitted and the recording shall be retained in the court records and reduced to writing as soon as possible thereafter.

Any recording or interception of a communication or conversation incident to a lawfully recorded or intercepted communication or conversation pursuant to this subsection shall be lawful and may be divulged.

All recordings of communications or conversations made pursuant to this subsection shall be retained for as long as any crime may be charged based on the events or communications or conversations recorded.

(3) Communications or conversations authorized to be intercepted, recorded, or disclosed by this section shall not be inadmissible under RCW 9.73.050.

(4) Authorizations issued under subsection (2) of this section shall be effective for not more than seven days, after which period the issuing authority may (upon application of the officer who secured the original authorization) renew or continue the authorization for (an) additional periods not to exceed seven days.

(5) If the judge or magistrate determines that there is probable cause to believe that the communication or conversation concerns the unlawful manufacture, delivery, sale, or possession with intent to manufacture, deliver, or sell, controlled substances as defined in chapter 69.50 RCW, or legend drugs as defined in chapter 69.41 RCW, or imitation controlled substances as defined in chapter 69.52 RCW, the judge or magistrate may authorize the interception, transmission, recording, or disclosure of communications or conversations under subsection (2) of this section even though the true name of the nonconsenting party, or the particular time and place for the interception, transmission, recording, or disclosure, is not known at the time of the request, if the authorization describes the nonconsenting
party and subject matter of the communication or conversation with reasonable certainty under the circumstances. Any such communication or conversation may be intercepted, transmitted, recorded, or disclosed as authorized notwithstanding a change in the time or location of the communication or conversation after the authorization has been obtained or the presence of or participation in the communication or conversation by any additional party not named in the authorization.

Authorizations issued under this subsection shall be effective for not more than fourteen days, after which period the issuing authority may renew or continue the authorization for an additional period not to exceed fourteen days.

NEW SECTION. Sec. 206. A new section is added to chapter 9.73 RCW to read as follows:

NEW SECTION. Sec. 210. A new section is added to chapter 9.73 RCW to read as follows:

(1) RCW 9.73.030 through 9.73.080 shall not apply to employees of the department of corrections in the following instances: Intercepting, recording, or divulging any telephone calls from an inmate or resident of a state correctional facility. For the purposes of this section, "state correctional facility" means a facility that is under the control and authority of the department of corrections, and used for the incarceration, treatment, or rehabilitation of convicted felons.
(2) All personal calls made by inmates shall be collect calls only. The calls will be "operator announcement" type calls. The operator shall notify the receiver of the call that the call is coming from a prison inmate, and that it will be recorded and may be monitored.

(a) Before the implementation of this section, all inmates or residents of a state correctional facility shall be notified in writing that, as of the effective date of this section, their telephone conversations may be intercepted, recorded, and/or divulged.

(c) The contents of an intercepted and recorded telephone conversation shall be divulged only as is necessary to safeguard the orderly operation of the correctional facility, in response to a court order, or in the prosecution or investigation of any crime.

(d) All telephone conversations that are recorded under this section, unless being used in the ongoing investigation or prosecution of a crime, or as is necessary to assure the orderly operation of the correctional facility, shall be destroyed one year after the intercepting and recording.

(4) So as to safeguard the sanctity of the attorney-client privilege, the department of corrections shall not intercept, record, or divulge any conversation between an inmate or resident and an attorney. The department shall develop policies and procedures to implement this section.

SUBPART C
PROPERTY FORFEITURE

NEW SECTION. Sec. 211. The legislature finds that: Drug offenses and crimes resulting from illegal drug use are destructive to society; the nature of drug trafficking results in many property crimes and crimes of violence; state and local governmental agencies incur immense expenses in the investigation, prosecution, adjudication, incarceration, and treatment of drug-related offenders and the compensation of their victims; drug-related offenses are difficult to eradicate because of the profits derived from the criminal activities, which can be invested in legitimate assets and later used for further criminal activities; and the forfeiture of real assets where a substantial nexus exists between the commercial production or sale of the substances and the real property will provide a significant deterrent to crime by removing the profit incentive of drug trafficking, and will provide a revenue source that will partially defray the large costs incurred by government as a
result of these crimes. The legislature recognizes that seizure of real property is a very powerful tool and should not be applied in cases in which a manifest injustice would occur as a result of forfeiture of an innocent spouse's community property interest.

Sec. 212. Section 15, chapter 2, Laws of 1983 as last amended by section 2, chapter 282, Laws of 1988 and RCW 69.50.505 are each amended to read as follows:

(a) The following are subject to seizure and forfeiture and no property right exists in them:

1. All controlled substances which have been manufactured, distributed, dispensed, or possessed in violation of this chapter or chapter 69.41 or 69.52 RCW;

2. All raw materials, products, and equipment of any kind which are used, or intended for use, in manufacturing, compounding, processing, delivering, importing, or exporting any controlled substance in violation of this chapter or chapter 69.41 or 69.52 RCW;

3. All property which is used, or intended for use, as a container for property described in paragraphs (1) or (2);

4. All conveyances, including aircraft, vehicles, or vessels, which are used, or intended for use, in any manner to facilitate the sale of property described in paragraphs (1) or (2), except that:

   i. No conveyance used by any person as a common carrier in the transaction of business as a common carrier is subject to forfeiture under this section unless it appears that the owner or other person in charge of the conveyance is a consenting party or privy to a violation of this chapter or chapter 69.41 or 69.52 RCW;

   ii. No conveyance is subject to forfeiture under this section by reason of any act or omission established by the owner thereof to have been committed or omitted without the owner's knowledge or consent;

   iii. A forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party neither had knowledge of nor consented to the act or omission; and

   iv. When the owner of a conveyance has been arrested under this chapter or chapter 69.41 or 69.52 RCW the conveyance in which the person is arrested may not be subject to forfeiture unless it is seized or process is issued for its seizure within ten days of the owner's arrest;

5. All books, records, and research products and materials, including formulas, microfilm, tapes, and data which are used, or intended for use, in violation of this chapter or chapter 69.41 or 69.52 RCW;

6. All drug paraphernalia;

7. All moneys, negotiable instruments, securities, or other tangible or intangible property of value furnished or intended to be furnished by any person in exchange for a controlled substance in violation of this chapter or chapter 69.41 or 69.52 RCW, all tangible or intangible personal property,
proceeds, or assets acquired in whole or in part with proceeds traceable to (such) an exchange or series of exchanges in violation of this chapter or chapter 69.41 or 69.52 RCW, and all moneys, negotiable instruments, and securities used or intended to be used to facilitate any violation of this chapter or chapter 69.41 or 69.52 RCW; PROVIDED, That a forfeiture of money, negotiable instruments, securities, or other tangible or intangible property encumbered by a bona fide security interest is subject to the interest of the secured party if, at the time the security interest was created, the secured party neither had knowledge of nor consented to the act or omission; PROVIDED FURTHER, That no personal property may be forfeited under this paragraph, to the extent of the interest of an owner, by reason of any act or omission which that owner establishes was committed or omitted without the owner’s knowledge or consent; and

(8) All real property, including any right, title, and interest in the whole of any lot or tract of land, and any appurtenances or improvements which are being used with the knowledge of the owner for the manufacturing, compounding, processing, delivery, importing, or exporting of any controlled substance, or which have been acquired in whole or in part with proceeds traceable to an exchange or series of exchanges in violation of this chapter or chapter 69.41 or 69.52 RCW, if such activity is not less than a class C felony and a substantial nexus exists between the commercial production or sale of the controlled substance and the real property: PROVIDED, That:

(i) No property may be forfeited pursuant to this subsection, to the extent of the interest of an owner, by reason of any act or omission committed or omitted without the owner’s knowledge or consent;

(ii) The bona fide gift of a controlled substance, legend drug, or imitation controlled substance shall not result in the forfeiture of real property;

(iii) The possession of marijuana shall not result in the forfeiture of real property unless the marijuana is possessed for commercial purposes, the amount possessed is five or more plants or one pound or more of marijuana, and a substantial nexus exists between the possession of marijuana and the real property. In such a case, the intent of the offender shall be determined by the preponderance of the evidence, including the offender’s prior criminal history, the amount of marijuana possessed by the offender, the sophistication of the activity or equipment used by the offender, and other evidence which demonstrates the offender’s intent to engage in commercial activity;

(iv) The unlawful sale of marijuana or a legend drug shall not result in the forfeiture of real property unless the sale was forty grams or more in the case of marijuana or one hundred dollars or more in the case of a legend drug, and a substantial nexus exists between the unlawful sale and the real property; and

(v) A forfeiture of real property encumbered by a bona fide security interest is subject to the interest of the secured party if the secured party, at
the time the security interest was created, neither had knowledge of nor consented to the act or omission.

(b) Real or personal property subject to forfeiture under this chapter may be seized by any board inspector or law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure of real property shall include the filing of a lis pendens by the seizing agency. Real property seized under this section shall not be transferred or otherwise conveyed until ninety days after seizure or until a judgment of forfeiture is entered, whichever is later: PROVIDED, That real property seized under this section may be transferred or conveyed to any person or entity who acquires title by foreclosure or deed in lieu of foreclosure of a security interest. Seizure of personal property without process may be made if:

1. The seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant;
2. The property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this chapter;
3. A board inspector or law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or
4. The board inspector or law enforcement officer has probable cause to believe that the property was used or is intended to be used in violation of this chapter.

(c) In the event of seizure pursuant to subsection (b), proceedings for forfeiture shall be deemed commenced by the seizure. The law enforcement agency under whose authority the seizure was made shall cause notice to be served within fifteen days following the seizure on the owner of the property seized and the person in charge thereof and any person having any known right or interest therein, including any community property interest, of the seizure and intended forfeiture of the seized property. Service of notice of seizure of real property shall be made according to the rules of civil procedure. However, the state may not obtain a default judgment with respect to real property against a party who is served by substituted service absent an affidavit stating that a good faith effort has been made to ascertain if the defaulted party is incarcerated within the state, and that there is no present basis to believe that the party is incarcerated within the state. The notice of seizure in other cases may be served by any method authorized by law or court rule including but not limited to service by certified mail with return receipt requested. Service by mail shall be deemed complete upon mailing within the fifteen day period following the seizure.

(d) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(4) ((or)), (a)(7), or (a)(8) of this section within forty-five
days of the seizure in the case of personal property and ninety days in the case of real property, the item seized shall be deemed forfeited. The community property interest in real property of a person whose spouse committed a violation giving rise to seizure of the real property may not be forfeited if the person did not participate in the violation.

(e) If any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items specified in subsection (a)(2), (a)(3), (a)(4) ((or)), (a)(5), (a)(6), (a)(7), or (a)(8) of this section within forty-five days of the seizure in the case of personal property and ninety days in the case of real property, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement officer of the seizing agency or the chief law enforcement officer's designee, except where the seizing agency is a state agency as defined in RCW 34.12.020(4), the hearing shall be before the chief law enforcement officer of the seizing agency or an administrative law judge appointed under chapter 34.12 RCW, except that any person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the article or articles involved is more than five hundred dollars. The court to which the matter is to be removed shall be the district court when such aggregate value is ten thousand dollars or less of personal property. A hearing before the seizing agency and any appeal therefrom shall be under Title 34 RCW. In a court hearing between two or more claimants to the article or articles involved, the prevailing party shall be entitled to a judgment for costs and reasonable attorney's fees. In cases involving personal property, the burden of producing evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of ((items specified in subsection (a)(4) or (a)(7) of this section)) the property. In cases involving real property, the burden of producing evidence shall be upon the law enforcement agency. The burden of proof that the seized real property is subject to forfeiture shall be upon the law enforcement agency. The seizing law enforcement agency shall promptly return the article or articles to the claimant upon a determination by the administrative law judge or court that the claimant is the present lawful owner or is lawfully entitled to possession thereof of items specified in subsection (a)(2), (a)(3), (a)(4) ((or)), (a)(5), (a)(6), (a)(7), or (a)(8) of this section.

(f) When property is forfeited under this chapter the board or seizing law enforcement agency may:

(1) Retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this chapter;

(2) (i) Sell that which is not required to be destroyed by law and which is not harmful to the public. The proceeds and all moneys forfeited under
this title shall be used for payment of all proper expenses of the investigation leading to the seizure, including any money delivered to the subject of the investigation by the law enforcement agency, and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, actual costs of the prosecuting or city attorney, and court costs. Money remaining after the payment of all expenses shall be distributed as follows:

(A) ((Seventy-five))) Twenty-five percent of the money derived from the forfeiture of real property and seventy-five percent of the money derived from the forfeiture of personal property shall be deposited in the general fund of the state, county, and/or city of the seizing law enforcement agency and shall be used exclusively for the expansion or improvement of law enforcement services. These services may include the creation of reward funds for the purpose of rewarding informants who supply information leading to the arrest, prosecution and conviction of persons who violate laws relating to controlled substances. Such moneys shall not supplant preexisting funding sources; ((and))

(B) Twenty-five percent of money derived from the forfeiture of real property and twenty-five percent of money derived from the forfeiture of personal property shall be remitted to the state treasurer for deposit in the public safety and education account established in RCW 43.08.250;

(C) Until July 1, 1995, fifty percent of money derived from the forfeiture of real property shall be remitted to the state treasurer for deposit in the drug enforcement and education account under section 401 of this 1989 act, on and after July 1, 1995, the fifty percent of the money shall be remitted in the same manner as the twenty-five percent of the money remitted under (2)(i)(A) of this subsection; and

(D) If an investigation involves a seizure of moneys and proceeds having an aggregate value of less than five thousand dollars, the moneys and proceeds may be deposited in total in the general fund of the governmental unit of the seizing law enforcement agency and shall be appropriated exclusively for the expansion of narcotics enforcement services. Such moneys shall not supplant preexisting funding sources.

(ii) Money deposited according to this section must be deposited within ninety days of the date of final disposition of either the administrative seizure or the judicial seizure;

(3) Request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law; or

(4) Forward it to the drug enforcement administration for disposition.

(g) Controlled substances listed in Schedule I, II, III, IV, and V that are possessed, transferred, sold, or offered for sale in violation of this chapter are contraband and shall be seized and summarily forfeited to the state. Controlled substances listed in Schedule I, II, III, IV, and V, which are
seized or come into the possession of the board, the owners of which are
unknown, are contraband and shall be summarily forfeited to the board.

(h) Species of plants from which controlled substances in Schedules I
and II may be derived which have been planted or cultivated in violation of
this chapter, or of which the owners or cultivators are unknown, or which
are wild growths, may be seized and summarily forfeited to the board.

(i) The failure, upon demand by a board inspector or law enforcement
officer, of the person in occupancy or in control of land or premises upon
which the species of plants are growing or being stored to produce an ap-
propriate registration or proof that he is the holder thereof constitutes au-
thority for the seizure and forfeiture of the plants.

(j) Upon the entry of an order of forfeiture of real property, the court
shall forward a copy of the order to the assessor of the county in which the
property is located. Orders for the forfeiture of real property shall be en-
tered by the superior court, subject to court rules. Such an order shall be
filed by the seizing agency in the county auditor's records in the county in
which the real property is located.

SUBPART D
OFF-LIMITS ORDERS

NEW SECTION. Sec. 213. The legislature finds that drug abuse is
escalating at an alarming rate. New protections need to be established to
address this drug crisis which is threatening every stratum of our society.
Prohibiting known drug traffickers from frequenting areas for continuous
drug activity is one means of addressing this pervasive problem.

NEW SECTION. Sec. 214. Unless the context clearly requires other-
wise, the definitions in this section apply throughout this chapter:

(1) "Applicant" means any person who owns, occupies, or has a sub-
stantial interest in property, or who is a neighbor to property which is ad-
versely affected by drug trafficking, including:

(a) A "family or household member" as defined by RCW
10.99.020(1), who has a possessory interest in a residence as an owner or
tenant, at least as great as a known drug trafficker's interest;

(b) An owner or lessor;

(c) An owner, tenant, or resident who lives or works in a designated
PADT area; or

(d) A city or prosecuting attorney for any jurisdiction in this state
where drug trafficking is occurring.

(2) "Drug" or "drugs" means a controlled substance as defined in
chapter 69.50 RCW or an "imitation controlled substance" as defined in
RCW 69.52.020.

(3) "Known drug trafficker" means any person who has been convicted
of a drug offense in this state, another state, or federal court who subse-
quently has been arrested for a drug offense in this state. For purposes of
this definition, "drug offense" means a felony violation of chapter 69.50 or 69.52 RCW or equivalent law in another jurisdiction that involves the manufacture, distribution, or possession with intent to manufacture or distribute, of a controlled substance or imitation controlled substance.

(4) "Off-limits orders" means an order issued by a superior or district court in the state of Washington that enjoins known drug traffickers from entering or remaining in a designated PADT area.

(5) "Protected against drug trafficking area" or "PADT area" means any specifically described area, public or private, contained in an off-limits order. The perimeters of a PADT area shall be defined using street names and numbers and shall include all real property contained therein, where drug sales, possession of drugs, pedestrian or vehicular traffic attendant to drug activity, or other activity associated with drug offenses confirms a pattern associated with drug trafficking. The area may include the full width of streets, alleys and sidewalks on the perimeter, common areas, planting strips, parks and parking areas within the area described using the streets as boundaries.

NEW SECTION. Sec. 215. A court may enter an off-limits order enjoining a known drug trafficker who has been associated with drug trafficking in an area that the court finds to be a PADT area, from entering or remaining in a designated PADT area for up to one year. This relief may be ordered pursuant to applications for injunctive relief or as part of a criminal proceeding as follows:

(1) In a civil action, including an action brought under this chapter;
(2) In a nuisance abatement action pursuant to chapter 7.43 RCW;
(3) In an eviction action to exclude known drug traffickers or tenants who were evicted for allowing drug trafficking to occur on the premises which were the subject of the eviction action;
(4) As a condition of pretrial release of a known drug trafficker awaiting trial on drug charges. The order shall be in effect until the time of sentencing or dismissal of the criminal charges; or
(5) As a condition of sentencing of any known drug trafficker convicted of a drug offense. The order may include all periods of community placement or community supervision.

NEW SECTION. Sec. 216. Upon the filing of an application for an off-limits order under section 215 (1), (2), or (3) of this act, the court shall set a hearing fourteen days from the filing of the application, or as soon thereafter as the hearing can be scheduled. If the respondent has not already been served with a summons, the application shall be served on the respondent not less than five court days before the hearing. If timely service cannot be made, the court may set a new hearing date.
NEW SECTION. Sec. 217. Upon filing an application for an off-limits order under this chapter, an applicant may obtain an ex parte temporary off-limits order, with or without notice, only upon a showing that serious or irreparable harm will result to the applicant if the temporary off-limits order is not granted. An ex parte temporary off-limits order shall be effective for a fixed period not to exceed fourteen days, but the court may reissue the order upon a showing of good cause. A hearing on a one-year off-limits order, as provided in this chapter, shall be set for fourteen days from the issuance of the temporary order. The respondent shall be personally served with a copy of the temporary off-limits order along with a copy of the application and notice of the date set for the full hearing. At the hearing, if the court finds that respondent is a known drug trafficker who has engaged in drug trafficking in a particular area, and that the area is associated with a pattern of drug activities, the court shall issue a one-year off-limits order prohibiting the respondent from having any contact with the PADT area. At any time within three months before the expiration of the order, the applicant may apply for a renewal of the order by filing a new petition under this chapter.

NEW SECTION. Sec. 218. In granting a temporary off-limits order or a one-year off-limits order, the court shall have discretion to grant additional relief as the court considers proper to achieve the purposes of this chapter. The PADT area defined in any off-limits order must be reasonably related to the area or areas impacted by the unlawful drug activity as described by the applicant in any civil action under section 215 (1), (2), or (3) of this act. The court in its discretion may allow a respondent, who is the subject of any order issued under section 214 of this act as part of a civil or criminal proceeding, to enter an off-limits area or areas for health or employment reasons, subject to conditions prescribed by the court. Upon request, a certified copy of the order shall be provided to the applicant by the clerk of the court.

NEW SECTION. Sec. 219. A temporary off-limits order or a one-year off-limits order may not issue under this chapter except upon the giving of a bond or security by the applicant. The court shall set the bond or security in the amount the court deems proper, but not less than one thousand dollars, for the payment of costs and damages that may be incurred by any party who is found to have been wrongfully restrained or enjoined. A bond or security shall not be required of the state of Washington, municipal corporations, or political subdivisions of the state of Washington.

NEW SECTION. Sec. 220. Nothing in this chapter shall preclude a party from appearing in person or by counsel.

NEW SECTION. Sec. 221. A copy of an off-limits order granted under this chapter shall be forwarded by the court to the local law enforcement agency with jurisdiction over the PADT area specified in the order on
or before the next judicial day following issuance of the order. Upon receipt of the order, the law enforcement agency shall promptly enter it into an appropriate law enforcement information system.

NEW SECTION. Sec. 222. Any person who willfully disobeys an off-limits order issued under this chapter shall be subject to criminal penalties as provided in this chapter and may also be found in contempt of court and subject to penalties under chapter 7.20 RCW.

NEW SECTION. Sec. 223. (1) Any person who willfully disobeys an off-limits order issued under this chapter shall be guilty of a gross misdemeanor.

(2) Any person who willfully disobeys an off-limits order in violation of the terms of the order and who also either:

(a) Enters or remains in a PADT area that is within one thousand feet of any school; or

(b) Is convicted of a second or subsequent violation of this chapter, is guilty of a class C felony.

NEW SECTION. Sec. 224. The superior courts shall have jurisdiction of all civil actions and all felony criminal proceedings brought under this chapter. Courts of limited jurisdiction shall have jurisdiction of all misdemeanor and gross misdemeanor criminal actions brought under this chapter.

NEW SECTION. Sec. 225. For the purposes of this chapter, an action may be brought in any county in which any element of the alleged drug trafficking activities occurred.

NEW SECTION. Sec. 226. Upon application, notice to all parties, and a hearing, the court may modify the terms of an off-limits order. When an order is terminated, modified, or amended before its expiration date, the clerk of the court shall forward, on or before the next judicial day, a true copy of the amended order to the law enforcement agency specified in the order. Upon receipt of an order, the law enforcement agency shall promptly enter it into an appropriate law enforcement information system.

NEW SECTION. Sec. 227. Sections 213 through 226 of this act shall constitute a new chapter in Title 10 RCW.

SUBPART E
DRUG SITE CLEANUP

NEW SECTION. Sec. 228. A new section is added to chapter 69.50 RCW to read as follows:

except for those random and representative samples obtained for evidentiary purposes. The department of ecology shall make every effort to recover costs from the parties responsible for the suspected hazardous substance. All recoveries shall be deposited in the account or fund from which contractor payments are made.

The department of ecology may adopt rules to carry out its responsibilities under this section. The department of ecology shall consult with law enforcement agencies prior to adopting any rule or policy relating to this section.

NEW SECTION. Sec. 231. The board shall adopt rules requiring retail licensees to affix appropriate identification on all containers of four gallons or more of malt liquor for the purpose of tracing the purchasers of such containers. The rules may provide for identification to be done on a state-wide basis or on the basis of smaller geographical areas.

keg registration that are consistent with this chapter. Such local ordinances shall have the same or lesser penalties as provided for by state law. Local laws and ordinances that are inconsistent with, more restrictive than, or exceed the requirements of state law shall not be enacted and are preempted and repealed, regardless of the nature of the code, charter, or home rule status of the city, town, county, or municipality.

NEW SECTION. Sec. 236. A new section is added to chapter 36.27 RCW to read as follows:

NEIGHBORHOOD BLIGHT

NEW SECTION. Sec. 239. Every county, city, and town may acquire by condemnation, in accordance with the notice requirements and other procedures for condemnation provided in Title 8 RCW, any property, dwelling, building, or structure which constitutes a blight on the surrounding neighborhood. A "blight on the surrounding neighborhood" is any property, dwelling, building, or structure that has not been lawfully occupied for a period of one year or more, constitutes a threat to the public health, safety, or welfare as determined by the county health department in the applicable county and that is or has been associated with illegal drug activity during the previous twelve months. Prior to such condemnation, the local governing body shall adopt a resolution declaring that the acquisition of the real property described therein is necessary to eliminate neighborhood blight. Condemnation of property, dwellings, buildings, and structures for the purposes described in this chapter is declared to be for a public use.

NEW SECTION. Sec. 240. Counties, cities, and towns may sell, lease, or otherwise transfer real property acquired pursuant to this chapter for residential, recreational, commercial, industrial, or other uses or for public use, subject to such covenants, conditions, and restrictions, including covenants running with the land, as the county, city, or town deems to be necessary or desirable to rehabilitate and preserve the dwelling, building, or
structure in a habitable condition. The purchasers or lessees and their successors and assigns shall be obligated to comply with such other requirements as the county, city, or town may determine to be in the public interest, including the obligation to begin, within a reasonable time, any improvements on such property required to make the dwelling, building, or structure habitable. Such real property or interest shall be sold, leased, or otherwise transferred, at not less than its fair market value. In determining the fair market value of real property for uses in accordance with this section, a municipality shall take into account and give consideration to, the restrictions upon and the covenants, conditions, and obligations assumed by the purchaser or lessee.

NEW SECTION. Sec. 241. A county, city, or town may dispose of real property acquired pursuant to this section to private persons only under such reasonable, competitive procedures as it shall prescribe. The county, city, or town may accept such proposals as it deems to be in the public interest and in furtherance of the purposes of this chapter. Thereafter, the county, city, or town may execute and deliver contracts, deeds, leases, and other instruments of transfer.

NEW SECTION. Sec. 242. Every county, city, or town may, in addition to any other authority granted by this chapter: (1) Enter upon any building or property found to constitute a blight on the surrounding neighborhood in order to make surveys and appraisals, and to obtain an order for this purpose from a court of competent jurisdiction in the event entry is denied or resisted; and (2) borrow money, apply for, and accept, advances, loans, grants, contributions, and any other form of financial assistance from the federal government, the state, a county, or other public body, or from any sources, public or private, for the purposes of this chapter, and enter into and carry out contracts in connection herewith.

NEW SECTION. Sec. 244. A new section is added to chapter 28A.67 RCW to read as follows:

The legislature finds that illegal drug activity and weapons in schools threaten the safety and welfare of school children and pose a severe threat to the state educational system. School officials need authority to maintain order and discipline in schools and to protect students from exposure to illegal drugs, weapons, and contraband. Searches of school-issued lockers and the contents of those lockers is a reasonable and necessary tool to protect the interests of the students of the state as a whole.
NEW SECTION. Sec. 245. A new section is added to chapter 28A.67 RCW to read as follows:

No right nor expectation of privacy exists for any student as to the use of any locker issued or assigned to a student by a school and the locker shall be subject to search for illegal drugs, weapons, and contraband as provided in sections 244 through 247 of this act.

NEW SECTION. Sec. 246. A new section is added to chapter 28A.67 RCW to read as follows:

(1) A school principal, vice principal, or principal's designee may search a student, the student's possessions, and the student's locker, if the principal, vice principal, or principal's designee has reasonable grounds to suspect that the search will yield evidence of the student's violation of the law or school rules.

(2) Except as provided in subsection (3) of this section, the scope of the search is proper if the search is conducted as follows:

   (a) The methods used are reasonably related to the objectives of the search; and:

   (b) Is not excessively intrusive in light of the age and sex of the student and the nature of the suspected infraction.

(3) A principal or vice principal or anyone acting under their direction may not subject a student to a strip search or body cavity search as those terms are defined in RCW 10.79.070.

NEW SECTION. Sec. 247. A new section is added to chapter 28A.67 RCW to read as follows:

(1) In addition to the provisions in section 246 of this act, the school principal, vice principal, or principal's designee may search all student lockers at any time without prior notice and without a reasonable suspicion that the search will yield evidence of any particular student's violation of the law or school rule.

(2) If the school principal, vice principal, or principal's designee, as a result of the search, develops a reasonable suspicion that a certain container or containers in any student locker contain evidence of a student's violation of the law or school rule, the principal, vice principal, or principal's designee may search the container or containers according to the provisions of section 246(2) of this act.

But this exception shall not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other, nor to a criminal action or proceeding against a spouse if the marriage occurred subsequent to the filing of formal charges against the defendant, nor to a criminal action or proceeding for a crime committed by said husband or wife against any child of whom said husband or wife is the parent or guardian, nor to a proceeding under chapter 70.96A or 71.05 RCW: PROVIDED, That the spouse of a person sought to be detained under chapter 70.96A or 71.05 RCW may not be compelled to testify and shall be so informed by the court prior to being called as a witness.

(a) In any judicial proceedings regarding a child's injury, neglect, or sexual abuse or the cause thereof; and

(b) Ninety days after filing an action for personal injuries or wrongful death, the claimant shall be deemed to waive the physician–patient privilege. information acquired in attending a patient in the registered nurse's profes-
sional capacity, if the information was necessary to enable the registered

(1) The patient consents to disclosure or, in the event of death or dis-

Sec. 304. Section 1, chapter 122, Laws of 1972 ex. sess. and RCW 70-
.96A.010 are each amended to read as follows:

It is the policy of this state that alcoholics and intoxicated persons may
not be subjected to criminal prosecution solely because of their consumption
of alcoholic beverages but rather should, within available funds, be afforded
a continuum of treatment in order that they may lead normal lives as pro-
ductive members of society. Within available funds, treatment should also
be provided for drug addicts.

Sec. 305. Section 2, chapter 122, Laws of 1972 ex. sess. and RCW 70-

(1) An intoxicated person may come voluntarily to an approved treatment facility for treatment. A person who appears to be intoxicated in a public place and to be in need of help, if he or she consents to the proffered help, may be assisted to his or her home, an approved treatment facility or other health facility.

(2) Except for a person who may be apprehended for possible violation of laws not relating to alcoholism, drug addiction, or intoxication and except for a person who may be apprehended for possible violation of laws relating to driving or being in physical control of a vehicle while intoxicated and except for a person who may wish to avail himself or herself of the provisions of RCW 46.20.308, a person who appears to be incapacitated or gravely disabled by alcohol or other drugs and who is in a public place or who has threatened, attempted, or inflicted physical harm on himself, herself, or another, shall be taken into protective custody by ((the police or the emergency service patrol)) a peace officer or staff designated by the county and as soon as practicable, but in no event beyond eight hours brought to an approved treatment facility for treatment. If no approved treatment facility is readily available he or she shall be taken to an emergency medical service customary used for incapacitated persons. The ((police or the emergency service patrol)) peace officer or staff designated by the county, in detaining the person and in taking him or her to an approved treatment facility, is taking him or her into protective custody and shall make every reasonable effort to protect his or her health and safety. In taking the person into protective custody, the detaining peace officer or ((member of an emergency patrol)) staff designated by the county may take reasonable steps including reasonable force if necessary to protect himself or herself or effect the custody. A taking into protective custody under this section is not an arrest. No entry or other record shall be made to indicate that the person has been arrested or charged with a crime.

(3) A person who comes voluntarily or is brought to an approved treatment facility shall be examined by a qualified person. He or she may then be admitted as a patient or referred to another health facility, which provides emergency medical treatment, where it appears that such treatment may be necessary. The referring approved treatment facility shall arrange for his or her transportation.
(4) A person who is found to be incapacitated or gravely disabled by alcohol or other drugs at the time of his or her admission or to have become incapacitated or gravely disabled at any time after his or her admission, may not be detained at the facility for more than seventy-two hours after admission as a patient, unless a petition is filed under RCW 70.96A.140, as now or hereafter amended: PROVIDED, That the treatment personnel at an approved treatment facility are authorized to use such reasonable physical restraint as may be necessary to retain an incapacitated or gravely disabled person for up to seventy-two hours from the time of admission. The seventy-two hour periods specified in this section shall be computed by excluding Saturdays, Sundays, and holidays. A person may consent to remain in the facility as long as the physician in charge believes appropriate.

(5) A person who is not admitted to an approved treatment facility, is not referred to another health facility, and has no funds, may be taken to his or her home, if any. If he or she has no home, the approved treatment facility shall provide him or her with information and assistance to access available community shelter resources.

(6) If a patient is admitted to an approved treatment facility, his or her family or next of kin shall be notified as promptly as possible by the treatment facility. If an adult patient who is not incapacitated requests that there be no notification, his or her request shall be respected.

(7) The peace officer, staff designated by the county, or treatment facility personnel, who act in compliance with this chapter and are performing in the course of their official duty are not criminally or civilly liable therefor.

(8) If the person in charge of the approved treatment facility determines that appropriate treatment is available, the patient shall be encouraged to agree to further diagnosis and appropriate voluntary treatment.

Sec. 307. Section 14, chapter 122, Laws of 1972 ex. sess. as last amended by section 14, chapter 439, Laws of 1987 and RCW 70.96A.140 are each amended to read as follows:

(1) When the person in charge of a treatment facility, or his or her designee, receives information alleging that a person is incapacitated as a result of alcoholism, the person in charge, or his or her designee, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the information, may file a petition for commitment of such person with the superior court or district court. If the person in charge, or his or her designee, finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to an evaluation and treatment facility as defined in RCW 71.05.020. If placement in an alcohol treatment facility is available and
deemed appropriate, the petition shall allege that: The person is an alcoholic who is incapacitated by alcohol, or that the person has twice before in the preceding twelve months been admitted for (the voluntary) detoxification or treatment for alcoholism pursuant to RCW 70.96A.110 and is in need of a more sustained treatment program, or that the person is an alcoholic who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment by itself does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within (two) five days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the licensed physician's findings in support of the allegations of the petition. A physician employed by the petitioning facility or the department is (not) eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than (three) two and no more than seven days after the date the petition was filed unless the person petitioned against is presently being detained (by-the) in a facility, pursuant to RCW 70.96A.120 or 71.05.210, as now or hereafter amended, in which case the hearing shall be held within seventy-two hours of the filing of the petition: PROVIDED, HOWEVER, That the above specified seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony, which may be telephonic, of at least one licensed physician who has examined the person whose commitment is sought. Communications otherwise deemed privileged under the laws of this state are deemed to be waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that the waiver is necessary to protect either the detained person or the public. The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person, or on its own motion, the
court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical, nursing, or psychological records of detained persons so long as the requirements of RCW 5.45.020 are met, except that portions of the record that contain opinions as to whether the detained person is an alcoholic must be deleted from the records unless the person offering the opinions is available for cross-examination. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment facility. It shall not order commitment of a person unless it determines that an approved treatment facility is available and able to provide adequate and appropriate treatment for him or her (and the treatment is likely to be beneficial).

(5) A person committed under this section shall remain in the facility for treatment for a period of thirty sixty days unless sooner discharged. At the end of the thirty sixty-day period, he or she shall be discharged automatically unless the facility, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) A person recommitted under subsection (5) of this section who has not been discharged by the facility before the end of the ninety-day period shall be discharged at the expiration of that period unless the facility, before expiration of the period, obtains a court order on the grounds set forth in subsection (1) of this section for recommitment for a further period not to exceed ninety days. If a person has been committed because he or she is an alcoholic likely to inflict physical harm on another, the facility shall
apply for recommitment if after examination it is determined that the likelihood still exists. Only two recommitment orders under subsections (5) and (6) of this section are permitted:

(7) Upon the filing of a petition for recommitment under subsection (5) of this section, the court shall fix a date for hearing no less than two and no more than seven days after the date the petition was filed: PROVIDED, That, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment facility on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

(8) The approved treatment facility shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed under this section may be transferred from one approved public treatment facility to another if transfer is medically advisable.

(9) A person committed to the custody of a facility for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon himself, herself, or another, the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of an alcoholic committed on the grounds of the need of treatment and incapacity, that the incapacity no longer exists.

(10) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the
person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

(((+++)) (10) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

(((+++2)) (11) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(12) When in the opinion of the professional person in charge of the facility providing involuntary treatment under this chapter, the committed patient can be appropriately served by less restrictive treatment before expiration of the period of commitment, then the less restrictive care may be required as a condition for early release for a period which, when added to the initial treatment period, does not exceed the period of commitment. If the facility designated to provide the less restrictive treatment is other than the facility providing the initial involuntary treatment, the facility so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated county alcoholism specialist, and the court of original commitment. The facility designated to provide less restrictive care may modify the conditions for continued release when the modifications are in the best interests of the patient. If the facility providing less restrictive care and the designated county alcoholism specialist determine that a conditionally released patient is failing to adhere to the terms and conditions of his or her release, or that substantial deterioration in the patient's functioning has occurred, then the designated county alcoholism specialist shall notify the court of original commitment and request a hearing to be held no less than two and no more than seven days after the date of the request to determine whether or not the person should be returned to more restrictive care. The designated alcoholism specialist shall file a petition with the court stating the facts substantiating the need for the hearing along with the treatment recommendations. The patient shall have the same rights with respect to notice, hearing, and counsel as for the original involuntary treatment proceedings. The issues to be determined at the hearing are whether the conditionally released patient did or did not adhere to the terms and conditions of his or her release to less restrictive care or that substantial deterioration of the patient's functioning has occurred and whether the conditions of release should be modified or the person should be returned to a more restrictive facility. The hearing may be waived by the patient and his or her counsel and his or her guardian or conservator, if any, but may not be waived unless all such persons agree to the waiver. Upon waiver, the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.

Sec. 308. Section 15, chapter 85, Laws of 1959 and RCW 70.96.150 are each amended to read as follows:
The department shall not refuse admission for diagnosis, evaluation, guidance or treatment to any applicant because it is determined that the applicant is financially unable to contribute fully or in part to the cost of any services or facilities available under the program on alcoholism.

The department may limit admissions of such applicants or modify its programs in order to ensure that expenditures for services or programs do not exceed amounts appropriated by the legislature and are allocated by the department for such services or programs. The department may establish admission priorities in the event that the number of eligible applicants exceeds the limits set by the department.

NEW SECTION. Sec. 309. A new section is added to chapter 70.96A RCW to read as follows:

SUBPART B

NEW SECTION. Sec. 310. (1) The legislature finds that the provision of drug and alcohol counseling and related prevention and intervention services in schools will enhance the classroom environment for students and teachers, and better enable students to realize their academic and personal potentials.

(2) The legislature finds that it is essential that resources be made available to school districts to provide early drug and alcohol prevention and intervention services to students and their families; to assist in referrals to treatment providers; and to strengthen the transition back to school for students who have had problems of drug and alcohol abuse.

(3) New and existing substance abuse awareness programs funded pursuant to RCW 28A.120.030 through 28A.120.050 do not fall within the definition of basic education for purposes of Article IX of the state Constitution and the state's funding duty thereunder.

(4) The legislature intends to provide grants for drug and alcohol abuse prevention and intervention in schools, targeted to those schools with the highest concentrations of students at risk.

NEW SECTION. Sec. 311. (1) Grants provided under section 312 of this act may be used solely for services provided by a substance abuse intervention specialist or for dedicated staff time for counseling and intervention services provided by any school district certificated employee who has...
been trained by and has access to consultation with a substance abuse intervention specialist. Services shall be directed at assisting students in kindergarten through twelfth grade in overcoming problems of drug and alcohol abuse, and in preventing abuse and addiction to such substances, including nicotine. The grants shall require local matching funds so that the grant amounts support a maximum of eighty percent of the costs of the services funded. The services of a substance abuse intervention specialist may be obtained by means of a contract with a state or community services agency or a drug treatment center. Services provided by a substance abuse intervention specialist may include:

(a) Individual and family counseling, including preventive counseling;
(b) Assessment and referral for treatment;
(c) Referral to peer support groups;

NEW SECTION. Sec. 312. (1) The superintendent of public instruction shall select school districts and cooperatives of school districts to receive grants for drug and alcohol abuse prevention and intervention programs for students in kindergarten through twelfth grade, from funds appropriated by the legislature for this purpose. The minimum annual grant amount per district or cooperative of districts shall be twenty thousand dollars. Factors to be used in selecting proposals for funding and in determining grant awards shall be developed in consultation with the substance
abuse advisory committee appointed under RCW 28A.120.038, with the intent of targeting funding to districts with high-risk populations. These factors may include:

(a) Characteristics of the school attendance areas to be served, such as the number of students from low-income families, truancy rates, juvenile justice referrals, and social services caseloads;

(b) The total number of students who would have access to services; and

(c) Participation of community groups and law enforcement agencies in drug and alcohol abuse prevention and intervention activities.

(2) The application procedures for grants under this section shall be consistent with the application procedures for other grants for substance abuse awareness programs under RCW 28A.120.032, including provisions for comprehensive planning, establishment of a school and community substance abuse advisory committee, and documentation of the district's needs assessment. Planning and application for grants under this section may be integrated with the development of other substance abuse awareness programs by school districts, and other grants under RCW 28A.120.030 through 28A.120.036 shall not require a separate application. School districts shall, to the maximum extent feasible, coordinate the use of grants provided under this section with other funding available for substance abuse awareness programs. School districts should allocate resources giving emphasis to drug and alcohol abuse intervention services for students in grades five through nine. Grants may be used to provide services for students who are enrolled in approved private schools.

(3) School districts receiving grants under this section shall be required to establish a means of accessing formal assessment services for determining treatment needs of students with drug and alcohol problems. The grant applications submitted by districts shall identify the districts' plan for meeting this requirement.

(4) School districts receiving grants under this section shall be required to perform biennial evaluations of their drug and alcohol abuse prevention and intervention programs, and to report on the results of these evaluations to the superintendent of public instruction.

(5) The superintendent of public instruction may adopt rules to implement sections 311 through 313 of this act.

NEW SECTION, Sec. 314. Sections 311 through 313 of this act are each added to chapter 28A.120 RCW.

SUBPART C
COMMUNITY MOBILIZATION

NEW SECTION, Sec. 315. The legislature recognizes that state-wide efforts aimed at reducing the incidence of substance abuse must be increased. The legislature further recognizes that the most effective strategy for reducing the impact of alcohol and other drug abuse is through the collaborative efforts of educators, law enforcement, local government officials, local treatment providers, and concerned community and citizens' groups.

The legislature intends to support the development and activities of community mobilization strategies against substance abuse through the following efforts:

(3) Provide meaningful consequences for participation in illegal activity and promote safe and healthy communities through support of law enforcement strategies;

(4) Create or build on efforts by existing community programs, coordinate their efforts, and develop cooperative efforts or other initiatives to
make most effective use of resources to carry out the community's strategy against substance abuse; and

(5) Other activities which demonstrate both feasibility and a rationale for how the activity will achieve measurable results in the strategy against substance abuse.

NEW SECTION. Sec. 317. Applications for funding under this chapter must:

(1) Demonstrate that the community has developed and is committed to carrying out a coordinated strategy of prevention, treatment, and law enforcement activities; and

(2) Contain evidence of active participation of the community and specific commitments to implementing the community-wide agenda by leadership from at least education, law enforcement, local government, tribal government, and treatment entities in the community, and the opportunity for meaningful involvement from others such as neighborhood and citizen groups, businesses, human service, health and job training organizations, and other key elements of the community, particularly those whose responsibilities in law enforcement, treatment, prevention, or other community efforts provide direct, ongoing contact with substance abusers.

NEW SECTION. Sec. 318. This grant program will be available to communities of any geographic size but will encourage and reward communities which develop coordinated or complimentary strategies within geographic areas such as county areas or groups of county areas which correspond to units of government with significant responsibilities in the area of substance abuse, existing coalitions, or other entities important to the success of a community's strategy against substance abuse.

NEW SECTION. Sec. 319. At a minimum, grant applications must include the following:

(4) Explanation of who was involved in development of the strategy and what specific commitments have been made to carrying it out;

(5) Identification of existing prevention, treatment, and law enforcement resources committed by the community, including financial and other support, and an explanation of how the community's strategy involves and builds on the efforts of existing organizations or coalitions that have been carrying out community efforts against substance abuse;
(6) Identification of activities that address specific objectives in the strategy for which additional resources are needed;

(7) Identification of additional local resources, including public or private funds, donated goods or services, and other measurable commitments, that have been committed to the activities identified in subsection (6) of this section;

(8) Identification of activities which address specific objectivities in the strategy for which funding is requested. Activities should be presented in priority order;

(9) Each activity for which funding is requested must be explained in sufficient detail to demonstrate:
   (a) Feasibility through deliberative design, specific objectivities, and realistic plan for implementation;
   (b) A rationale for how this activity will achieve measurable results and how it will be evaluated;
   (c) That funds requested are necessary and appropriate to effectively carry out the activity; and

(e) That the funds applied for, if received, will not be used to replace funding for existing activities.

(2) In order to encourage and reward communities which develop coordinated or complementary strategies within geographic areas which correspond to units of government with significant responsibilities in the area of substance abuse, up to fifty percent of funds appropriated for the purposes of this chapter may be awarded on a per capita basis to eligible applications reflecting coordinated strategy from a county area or group of county areas. The governor may establish minimum allotments per eligible county areas up to fifteen thousand dollars; and

(3) No less than fifty percent of funds appropriated under this chapter shall be awarded on a competitive basis for activities by communities not participating in a county-wide strategy and activities identified by county-wide strategies but not funded through per capita grants. Eligible applications will be assessed and compared by a peer review committee whose members have experience in prevention, treatment, law enforcement, and other community efforts against substance abuse using the following criteria:

(a) The extent and impact of substance abuse;
(b) The extent to which key elements of the community are involved in and committed to the coordinated strategy;

(5) Activities funded under this section may be considered for funding in future years, but will be considered under the same terms and criteria of new activities. Funding under this section shall not constitute an obligation by the state of Washington to provide ongoing funding.

NEW SECTION. Sec. 321. The governor shall ask communities for suggestions on state practices, policies, and priorities that would help communities implement their strategies against substance abuse. The governor or appropriate agency officials shall review and respond to those suggestions making necessary changes where feasible, making recommendations to the legislature where appropriate, and providing an explanation as to why suggested changes cannot be accomplished, if the suggestions cannot be acted upon.
NEW SECTION. Sec. 322. The governor may receive such gifts, grants, and endowments from public or private sources as may be made from time to time, in trust or otherwise, for the use and benefit of the purposes of sections 315 through 322 of this act and expend the same or any income therefrom according to the terms of the gifts, grants, or endowments.

NEW SECTION. Sec. 505. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Carbonated beverage" has its ordinary meaning and includes any nonalcoholic liquid intended for human consumption which contains carbon dioxide, whether carbonation is obtained by natural or artificial means.

(2) "Possession" means the control of a carbonated beverage or syrup located within this state and includes both actual and constructive possession. "Actual possession" occurs when the person with control has physical possession. "Constructive possession" occurs when the person with control does not have physical possession. "Control" means the power to sell or use a carbonated beverage or syrup or to authorize the sale or use by another.

(3) "Previously taxed carbonated beverage or syrup" means a carbonated beverage or syrup in respect to which a tax has been paid under this chapter. A "previously taxed carbonated beverage" includes carbonated beverages in respect to which a tax has been paid under this chapter on the carbonated beverage or on the syrup in the carbonated beverage.

(4) "Syrup" means a concentrated liquid which is added to carbonated water to produce a carbonated beverage.

(5) Except for terms defined in this section, the definitions in chapters 82.04, 82.08, and 82.12 RCW apply to this chapter.

NEW SECTION. Sec. 506. (1) A tax is imposed on the privilege of possession of a carbonated beverage or syrup in this state. The rate of the tax shall be equal to eighty-four one-thousandths of a cent per ounce for carbonated beverages and seventy-five cents per gallon for syrups. Fractional amounts shall be taxed proportionally.

(2) Moneys collected under this chapter shall be deposited in the drug enforcement and education account under section 401 of this act.

NEW SECTION. Sec. 507. The following are exempt from the tax imposed in this chapter:

(1) Any successive possession of a previously taxed carbonated beverage or syrup. If tax due under this chapter has not been paid with respect to a carbonated beverage or syrup, the department may collect the tax from any person who has had possession of the carbonated beverage or syrup. If the tax is paid by any person other than the first person having taxable possession of a carbonated beverage or syrup, the amount of tax paid constitutes a debt owed by the first person having taxable possession to the person who paid the tax.

(2) Any carbonated beverage or syrup that is transferred to a point outside the state for use outside the state.

(3) Any possession of a carbonated beverage or syrup where the first possession occurred before the effective date of this section.

NEW SECTION. Sec. 508. (1) Credit shall be allowed, in accordance with rules of the department, against the taxes imposed in this chapter for any carbonated beverage or syrup tax paid to another state with respect to the same carbonated beverage or syrup. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to that carbonated beverage or syrup.

(2) For the purpose of this section:

PART VI
MISCELLANEOUS

NEW SECTION. Sec. 601. A new section is added to chapter 69.50 RCW to read as follows:

The state of Washington fully occupies and preempts the entire field of setting penalties for violations of the controlled substances act. Cities, towns, and counties or other municipalities may enact only those laws and ordinances relating to controlled substances that are consistent with this chapter. Such local ordinances shall have the same penalties as provided for
by state law. Local laws and ordinances that are inconsistent with the re-
quirements of state law shall not be enacted and are preempted and re-
pealed, regardless of the nature of the code, charter, or home rule status of
the city, town, county, or municipality.

NEW SECTION. Sec. 602. The legislature ratifies the juvenile dispo-
sition standards commission guidelines submitted to the 1989 legislature
and endorses the action to increase penalties for juvenile drug offenders.

NEW SECTION. Sec. 603. (1) In order to determine the effectiveness
of this act, it is necessary to have an independent evaluation of those pro-
gams that have the most potential for useful program review.

(2) The legislative budget committee shall prepare a plan to conduct
studies of the effectiveness of programs initiated in this act. A plan for
study shall include:

(a) Institution-based drug testing;
(b) The juvenile offenders structured residential program;
(c) The state-wide drug prosecution assistance program;
(d) Community mobilization;
(e) Drug and alcohol abuse prevention and early intervention in
schools; and
(f) Maternity care support services for alcohol and drug-abusing preg-
nant women.

(3) The plan for conducting studies, including start and completion
dates, general research approaches, potential research problems, data re-
quirements, necessary implementation authority, and cost estimates are to
be provided to the appropriate policy and fiscal committees of the house and
senate by December 1, 1989. The plan may include proposals to use con-
tract evaluators and shall identify ways to measure program progress and
outcomes.

(4) In order to establish a beginning point for any future studies of the
effectiveness of programs initiated in this act, all programs proposed for
analysis in this section shall submit a plan detailing expenditures related to
goals and objectives of the program being initiated, to the legislative budget
committee by October 1, 1989.

NEW SECTION. Sec. 604. A new section is added to chapter 44.28
RCW to read as follows:

The legislative budget committee shall cause to be conducted a review
of the taxes and the dedication of revenues for drug enforcement and edu-
cation purposes and a review of the programs as provided in section 603 of
this act. The legislative budget committee shall report its findings to the
legislature by January 1, 1995, and include in its report specific recommend-
dations as to whether public policy would be best served by continuation of
the programs, taxes, and dedication of revenues for the drug enforcement
and education account.
NEW SECTION. Sec. 605. Part, subpart, and section headings and
the index as used in this act do not constitute any part of the law.

NEW SECTION. Sec. 606. If any provision of this act or its applica-
tion to any person or circumstance is held invalid, the remainder of the act
or the application of the provision to other persons or circumstances is not
affected.

NEW SECTION. Sec. 607. This act is necessary for the immediate
preservation of the public peace, health, or safety, or support of the state
government and its existing public institutions, and shall take effect imme-
 diately, except:

(1) Sections 502 and 504 of this act shall take effect June 1, 1989; and
(2) Sections 229 through 233, 501, 503, and 505 through 509 of this
act shall take effect July 1, 1989.

Passed the House April 22, 1989.
Passed the Senate April 22, 1989.
Approved by the Governor May 7, 1989, with the exception of certain
items which were vetoed.

FILED IN OFFICE OF SECRETARY OF STATE MAY 7, 1989.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 107, Engrossed
Second Substitute House Bill No. 1793 entitled:

"AN ACT Relating to alcohol and controlled substances abuse."

This omnibus bill represents a major accomplishment by the Legislature in
working to address the serious and pressing issue of substance abuse in our state
and society. The Legislature is to be commended for its efforts to address this issue in a
comprehensive fashion. It also contains the essence of five Governor-request bills
which address this issue.

Section 107 of the bill would prohibit and force closure of needle exchange pro-
grams, currently operating in Tacoma and Seattle which are a means to reduce
HIV/AIDS transmission and encourage treatment referral. These model programs
have received national attention for their innovative and credible management of the
needle exchange. Both programs are operated and strictly controlled by local public
health authorities and are structured to accommodate maximum research benefit. I
do not condone use of illegal drugs or their taking by intravenous means. The reality
is that these programs have very little potential for encouraging more illegal drug use
but a very high potential for limiting the spread of serious and deadly diseases which
impact not only the persons involved but others. For both humane and economic rea-
sons, we must do everything we can to halt the spread of AIDS.

With the exception of section 107, Engrossed Second Substitute House Bill No. 
1793 is approved."
NEW SECTION. Sec. 1. The legislature recognizes that inflation erodes the purchasing power of retirement benefits. Although the benefit provided to state retirees from social security is fully protected, the benefits provided by the public employees' retirement system, plan I, and the teachers' retirement system, plan I provide an automatic cost-of-living adjustment only for persons who receive the minimum benefit.

The purpose of this act is to add provisions to the teachers' retirement system and the public employees' retirement system which will help mitigate the impact of inflation on retirees of those systems. These additional provisions are intended to reflect and implement the following policies:

1. The minimum benefit is increased in order to provide a more adequate basic standard of living to persons who retired long ago under lower salaries and less generous retirement benefit formulas; and

2. Retirees whose benefits have lost forty percent of their purchasing power are made eligible for automatic adjustments which are provided in a manner that is consistent with the retirement age and benefit provisions of plan II of the teachers' retirement system and the public employees' retirement system.

NEW SECTION. Sec. 2. A new section is added to chapter 41.40 RCW to read as follows:

1. Beginning July 1, 1989, and every year thereafter, the department shall determine the following information for each retired member or beneficiary who is over the age of sixty-five:

   a. The dollar amount of the retirement allowance received by the retiree at age sixty-five, to be known for the purposes of this section as the "age sixty-five allowance";

   b. The index for the calendar year prior to the year that the retiree reached age sixty-five, to be known for purposes of this section as "index A";

   c. The index for the calendar year prior to the date of determination, to be known for purposes of this section as "index B";

   d. The ratio obtained when index B is divided by index A, to be known for the purposes of this section as the "full purchasing power ratio"; and

   e. The value obtained when the retiree's age sixty-five allowance is multiplied by sixty percent of the retiree's full purchasing power ratio, to be known for the purposes of this section as the "target benefit."

2. Beginning with the July payment, the retiree's age sixty-five allowance shall be adjusted to be equal to the retiree's target benefit. In no event, however, shall the adjusted allowance:
(a) Be smaller than the retirement allowance received without the adjustment; nor
  (b) Differ from the previous year's allowance by more than three percent.

(3) For members who retire after age sixty-five, the age sixty-five allowance shall be the initial retirement allowance received by the member.

(4) For beneficiaries of members who die prior to age sixty-five: (a) The age sixty-five allowance shall be the allowance received by the beneficiary on the date the member would have turned age sixty-five; and (b) index A shall be the index for the calendar year prior to the year the member would have turned age sixty-five.

(5) Where the pension payable to a beneficiary was adjusted at the time the benefit commenced, the benefit provided by this section shall be adjusted in a manner consistent with the adjustment made to the beneficiary's pension.

(6) For the purposes of this section:
  (a) "Index" means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor;
  (b) "Retired member" or "retiree" means any member who has retired for service or because of duty or nonduty disability, or the surviving beneficiary of such a member.

(a) The dollar amount of the retirement allowance received by the retiree at age sixty-five, to be known for the purposes of this section as the "age sixty-five allowance";

(b) The index for the calendar year prior to the year that the retiree reached age sixty-five, to be known for purposes of this section as "index A";

(c) The index for the calendar year prior to the date of determination, to be known for purposes of this section as "index B";

(d) The ratio obtained when index B is divided by index A, to be known for the purposes of this section as the "full purchasing power ratio"; and

(e) The value obtained when the retiree's age sixty-five allowance is multiplied by sixty percent of the retiree's full purchasing power ratio, to be known for the purposes of this section as the "target benefit."
(2) Beginning with the July payment, the retiree's age sixty-five allowance shall be adjusted to be equal to the retiree's target benefit. In no event, however, shall the adjusted allowance:

(a) Be smaller than the retirement allowance received without the adjustment; nor

(b) Differ from the previous year's allowance by more than three percent.

(3) For members who retire after age sixty-five, the age sixty-five allowance shall be the initial retirement allowance received by the member.

(4) For beneficiaries of members who die prior to age sixty-five: (a) The age sixty-five allowance shall be the allowance received by the beneficiary on the date the member would have turned age sixty-five; and (b) index A shall be the index for the calendar year prior to the year the member would have turned age sixty-five.

(5) Where the pension payable to a beneficiary was adjusted at the time the benefit commenced, the benefit provided by this section shall be adjusted in a manner consistent with the adjustment made to the beneficiary's pension.

(6) For the purposes of this section:

(a) "Index" means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor;

(b) "Retired member" or "retiree" means any member who has retired for service or because of duty or nonduty disability, or the surviving beneficiary of such a member.

Sec. 5. Section 2, chapter 96, Laws of 1979 ex. sess. as last amended by section 1, chapter 455, Laws of 1987 and RCW 41.32.485 are each amended to read as follows:

(1) Notwithstanding any provision of law to the contrary, effective July 1, ((1987)) 1989, as a cost-of-living adjustment, no beneficiary receiving a
retirement allowance pursuant to this chapter shall receive, as the pension portion of that retirement allowance, less than ((thirteen dollars and fifty)) fourteen dollars and eighty-two cents per month for each year of service creditable to the person whose service is the basis of the pension. Portions of a year shall be treated as fractions of a year and the decimal equivalent shall be multiplied by ((thirteen dollars and fifty)) fourteen dollars and eighty-two cents. Where the pension payable was adjusted at the time benefit payments to the beneficiary commenced, the minimum pension provided in this section shall be adjusted in a manner consistent with that adjustment.

(2) Notwithstanding any provision of law to the contrary, effective July 1, 1979, the retirement allowance of each beneficiary who either is receiving benefits pursuant to RCW 41.32.520 or 41.32.550 as of December 31, 1978, or commenced receiving a monthly retirement allowance under this chapter as of a date no later than July 1, 1974, shall be permanently increased by a post-retirement adjustment. This adjustment shall be in lieu of any adjustments provided under RCW 41.32.499(6) as of July 1, 1979, or July 1, 1980, for the affected beneficiaries. Such adjustment shall be calculated as follows:

(a) Retirement allowances to which this subsection and subsection (1) of this section are both applicable shall be determined by first applying subsection (1) and then applying this subsection. The department shall determine the total years of creditable service and the total dollar benefit base accrued as of December 31, 1978, except that this determination shall take into account only those beneficiaries to whom this subsection applies;

(b) The department shall multiply the total benefits determined in (a) of this subsection by six percent and divide the dollar value thus determined by the total service determined in (a) of this subsection. The resultant figure shall then be a post-retirement increase factor which shall be applied as specified in (c) of this subsection;

(c) Each beneficiary to whom this subsection applies shall receive an increase which is the product of the factor determined in (b) of this subsection multiplied by the years of creditable service.

(3) The provisions of subsections (1) and (2) of this section shall not be applicable to those receiving benefits pursuant to RCW 41.32.540 or 41.32.760 through 41.32.825.

Sec. 6. Section 3, chapter 455, Laws of 1987 and RCW 41.32.487 are each amended to read as follows:

Beginning July 1, ((1988)) 1989, and every year thereafter, the department shall determine the following information for the minimum retirement allowance provided by RCW 41.32.485(1):

(1) The dollar amount of the minimum retirement allowance as of July 1, ((1988)) 1989, after the increase provided in section 5 of this act;
(2) The index for the (1986) 1987 calendar year, to be known as "index A";
(3) The index for the calendar year prior to the date of determination, to be known as "index B"; and
(4) The ratio obtained when index B is divided by index A.

The value of the ratio obtained shall be the annual adjustment to the minimum retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:
(a) Produce a retirement allowance which is lower than the minimum retirement allowance as of July 1, (1987) 1989;
(b) Exceed three percent in the initial annual adjustment; or
(c) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, "index" means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

(4) The ratio obtained when index B is divided by index A.

The value of the ratio obtained shall be the annual adjustment to the minimum retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

The supplemental rate charged under this section to fund automatic postretirement adjustments for
active or retired members of the public employees' retirement system plan I and the teachers' retirement system plan I shall be calculated as the level percentage of pay needed to fund the cost of the automatic adjustments not later than June 30, 2024.

The department and state actuary shall enter into a memorandum of understanding regarding the specific data the department will collect, when it will be collected, and how it will be maintained. The department shall notify the state actuary of any changes it makes, or intends to make, in the collection and maintenance of such data.

Sec. 10. Section 18, chapter 294, Laws of 1977 ex. sess. as last amended by section 5, chapter 102, Laws of 1985 and RCW 41.26.005 are each amended to read as follows:

(2) "Law enforcement officers' and fire fighters' retirement system plan II" or "plan II" means the benefits and funding provisions covering persons who first became members of the law enforcement officers' and fire fighters'
retirement system on or after October 1, 1977. The provisions of RCW 41.26.400 through 41.26.550 shall apply only to members of plan II.

Sec. 11. Section 4, chapter 209, Laws of 1969 ex. sess. as last amended by section 1, chapter 45, Laws of 1979 ex. sess. and RCW 41.26.040 are each amended to read as follows:

The Washington law enforcement officers' and fire fighters' retirement system is hereby created for fire fighters and law enforcement officers.

(1) (a) Notwithstanding RCW 41.26.030(8) and except as provided in subsection (1)(b) of this section, all fire fighters and law enforcement officers employed as such on or after March 1, 1970, on a full time fully compensated basis in this state shall be members of the retirement system established by this chapter with respect to all periods of service as such, to the exclusion of any pension system existing under any prior act except as provided in subsection (2) of this section.

(b) No fire fighter or law enforcement officer who commences a period of employment on or after July 1, 1979, as a participant under the federal comprehensive employment and training act of 1973 (CETA) (29 U.S.C. Sec. 801 et seq.), as amended, shall be a member of this system during the period of such participation unless, at the commencement of the participation under CETA, the fire fighter or law enforcement officer either:

(i) Has at least five years of service and the full amount of the employee's contributions for such service remains on deposit in the system; or

(ii) Has previously been retired from this system.

(2) Any employee serving as a law enforcement officer or fire fighter on March 1, 1970, who is then making retirement contributions under any prior act shall have his membership transferred to the system established by this chapter as of such date. Upon retirement for service or for disability, or death, of any such employee, his retirement benefits earned under this chapter shall be computed and paid. In addition, his benefits under the prior retirement act to which he was making contributions at the time of this transfer shall be computed as if he had not transferred. For the purpose of such computations, the employee's creditability of service and eligibility for service or disability retirement and survivor and all other benefits shall continue to be as provided in such prior retirement act, as if transfer of membership had not occurred. The excess, if any, of the benefits so computed, giving full value to survivor benefits, over the benefits payable under this chapter shall be paid whether or not the employee has made application under the prior act. If the employee's prior retirement system was the Washington public employees' retirement system, payment of such excess shall be made by that system; if the employee's prior retirement system was the state-wide city employees' retirement system, payment of such excess shall be made by the employer which was the member's employer when his transfer of membership occurred: PROVIDED, That any death in line of
duty lump sum benefit payment shall continue to be the obligation of that 
system as provided in RCW 41.44.210; in the case of all other prior retire-
ment systems, payment of such excess shall be made by the employer which 
was the member's employer when his transfer of membership occurred.

(3) All funds held by any firemen's or policemen's relief and pension 
fund shall remain in that fund for the purpose of paying the obligations of 
the fund. The municipality shall continue to levy the dollar rate as provided 
in RCW 41.16.060, and this dollar rate shall be used for the purpose of 
paying the benefits provided in chapters 41.16 and 41.18 RCW. The obli-
gations of chapter 41.20 RCW shall continue to be paid from whatever fi-
nancial sources the city has been using for this purpose.

(4) Any member transferring from the Washington public employees'
retirement system or the state-wide city employees' retirement system shall 
have transferred from the appropriate fund of the prior system of member-
ship, a sum sufficient to pay into the Washington law enforcement officers'
and fire fighters' retirement system fund the amount of the employees' and 
employers' contributions plus credited interest in the prior system for all 
service, as defined in this chapter, from the date of the employee's entrance 
therein until March 1, 1970. Except as provided for in subsection (2), such 
transfer of funds shall discharge said state retirement systems from any 
further obligation to pay benefits to such transferring members with respect 
to such service.

(((5) All unfunded liabilities created by this or any other section of 
this chapter shall be computed by the actuary in his biennial evaluation. 
Such computation shall provide for amortization of the unfunded liabilities 
over a period of not more than forty years from March 1, 1970. The 
amount thus computed as necessary shall be reported to the governor by the 
department of retirement systems for inclusion in the budget. The legisla-
ture shall make the necessary appropriation to fund the unfunded liability 
from the state general fund beginning with the 1971-1973 biennium.))

Sec. 12. Section 7, chapter 209, Laws of 1969 ex. sess. as last amended 
by section 28, chapter 3, Laws of 1981 and RCW 41.26.070 are each 
amended to read as follows:

(((A-fund-is)) Two funds are hereby created and established in the state 
treasury to be known as the Washington law enforcement officers' and fire 
fighters' system plan I retirement fund, and the Washington law enforce-
ment officers' and fire fighters' system plan II retirement fund which shall 
consist of all moneys paid into ((it)) them in accordance with the provisions 
of this chapter, whether such moneys shall take the form of cash, securities, 
or other assets. The plan I fund shall consist of all moneys paid to finance 
the benefits provided to members of plan I, and the plan II fund shall con-
sist of all moneys paid to finance the benefits provided to members of plan 
II. The state investment board has full power to invest or reinvest the funds 
created by this chapter in the securities authorized by RCW 43.84.150.
(1) The state treasurer shall be the custodian of all funds of the retirement system and all disbursements therefrom shall be paid by the state treasurer upon vouchers duly authorized by the retirement department and bearing the signature of the duly authorized officer of the retirement department.

(2) The state treasurer is hereby authorized and directed to deposit any portion of the funds of the retirement system not needed for immediate use in the same manner and subject to all the provisions of law with respect to the deposit of state funds by such treasurer, and all interest earned by such portion of the retirement system's funds as may be deposited by the state treasurer in pursuance of authority herewith given shall be collected by him and placed to the credit of the retirement fund or the department of retirement systems expense fund.

(3) Into the retirement system fund shall be paid all moneys received by the retirement department, and paid therefrom shall be all refunds, adjustments, retirement allowances and other benefits provided for herein. All contributions by employers for the expense of operating the retirement system as provided for herein shall be transferred by the state treasurer from the retirement system fund to the department of retirement systems expense fund upon authorization of the retirement department.

(4) There is hereby utilized for the purposes of this chapter, the department of retirement systems expense fund, as provided for in RCW 41.40.080 and from which shall be paid the expenses of the administration of this retirement system.

(5) In order to reimburse the department of retirement systems expense fund on an equitable basis the retirement department shall ascertain and report to each employer the contribution rate necessary to defray its proportional share of the entire expense of the administration of this chapter during the ensuing biennium or fiscal year whichever may be required. Such sum is to be computed in an amount directly proportional to the estimated entire expense of the said administration as the ratio of monthly salaries of the employer's members bears to the total salaries of all members in the entire system. It shall then be the duty of all such employers to include in their budgets or otherwise provide the amounts so required.

(6) The retirement department shall compute and bill each employer at the end of each month for the amount due for that month to the department of retirement systems expense fund and the same shall be paid as are its other obligations. Such computation as to each such employer shall be made on a percentage rate of salary established by the department: PROVIDED, That the retirement department may at its discretion establish a system of billing based upon calendar year
quarters in which event the said billing shall be at the end of each such quarter.

(7) For the purpose of providing amounts to be used to defray the cost of such administration, the ((retirement board)) department shall ascertain at the beginning of each biennium and request from the legislature an appropriation from the department of retirement systems expense fund sufficient to cover estimated expenses for the said biennium.

Sec. 13. Section 8, chapter 209, Laws of 1969 ex. sess. and RCW 41.26.080 are each amended to read as follows:

The total liability of ((this)) the plan I system shall be funded as follows:

(1) Every plan I member shall have deducted from each payroll a sum equal to six percent of his basic salary for each pay period.

(2) Every employer shall contribute monthly a sum equal to six percent of the basic salary of each plan I employee who is a member of this retirement system. The employer shall transmit the employee and employer contributions with a copy of the payroll to the retirement system monthly.

(3) ((The biennial actuarial evaluation required by RCW 41.26.060(2) shall establish the total liability for this system. This liability shall be divided into current service liability and prior service liability. The contributions required by (1) and (2) above shall be applied toward the current service liability with the balance of the current service liability to be appropriated from the state general fund. The prior service liability shall be amortized over a period of not more than forty years from March 1, 1970. The amount thus computed shall be added to the current service liability to be appropriated from the state general fund:

This total amount shall be reported to the governor by the director of the retirement system, upon approval of the board, for inclusion in the budget. The legislature shall make the necessary appropriation from the state general fund to the Washington law enforcement officers' and fire fighters' retirement fund after considering the estimates as prepared and submitted. The transfer of funds from the state general fund to the retirement system shall be at a rate determined by the board of trustees on the basis of the latest actuarial valuation. The total amount of such transfers for a biennium shall not exceed the total amount appropriated by the legislature)) The remaining liabilities of the plan I system shall be funded as provided in sections 1 through 9 of this act.

(4) Every member shall be deemed to consent and agree to the contribution made and provided for herein, and shall receipt in full for his salary or compensation. Payment less said contributions shall be a complete discharge of all claims and demands whatsoever for the services rendered by
such person during the period covered by such payments, except his claim to
the benefits to which he may be entitled under the provisions of this chapter.

Sec. 14. Section 6, chapter 294, Laws of 1977 ex. sess. as last amended by section 1, chapter 268, Laws of 1986 and RCW 41.26.450 are each amended to read as follows:

The required contribution rates to the (retirement) plan II system for members, employers, and the state of Washington shall be established by the director from time to time as may be necessary upon the advice of the state actuary. The state actuary shall use the aggregate actuarial cost method to calculate contribution rates.

The member, the employer and the state shall each contribute the following shares of the cost of the retirement system:

- Member: 50%
- Employer: 30%
- State: 20%

Effective January 1, 1987, however, no member or employer contributions are required for any calendar month in which the member is not granted service credit.

Any adjustments in contribution rates required from time to time for future costs shall likewise be shared proportionally by the members, employers, and the state. PROVIDED, That the costs of amortizing the unfunded supplemental present value of the retirement system for persons who established membership before September 30, 1977, shall be borne in full by the state.

Any increase in the contribution rate required as the result of a failure of the state or of an employer to make any contribution required by this section shall be borne in full by the state or by that employer not making the contribution.

The director shall notify all employers of any pending adjustment in the required contribution rate and such increase shall be announced at least thirty days prior to the effective date of the change.

Members' contributions required by this section shall be deducted from the members basic salary each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends. The state's contribution required by this section shall be transferred to the plan II fund from the total contributions transferred by the state treasurer under sections 6 and 7 of this act.

(2) "Teachers' retirement system plan II" or "plan II" means the benefits and funding provisions covering persons who first became members of the teachers' retirement system on or after July 1, 1977. The provisions of RCW 41.32.760 through 41.32.830 shall apply only to the members of plan II.

Sec. 16. Section 3, chapter 80, Laws of 1947 as last amended by section 7, chapter 52, Laws of 1982 1st ex. sess. and RCW 41.32.030 are each amended to read as follows:

(1) For the purpose of establishing and maintaining an actuarial reserve adequate to meet present and future liabilities of the system and to pay for an equitable portion of the operating expenses of the department, the director shall determine the necessary contribution rates to be made by each employer on all members' total current compensation on the basis of the latest valuation prepared by the state actuary, and shall include a percentage contribution of the total current compensation, to be known as the "normal contribution" and an additional percentage contribution of such current compensation, to be known as the "unfunded liability contribution." The director shall notify employers of such rates at least thirty days
prior to their effective date. Such determination shall provide for amortization of unfunded retirement system liabilities over a period of not more than fifty years from July 1, 1964. The legislature shall appropriate to the superintendent of public instruction the full amount recommended by the state actuary for the employer contribution rates for state funded certificated staff. The amounts shall be deposited in the teachers' retirement fund for the payment of pensions, survivors' benefits, and the employer's share of the operating expenses for the system. However, a school district for the 1985-86 school year shall not be required to pay to the department of retirement systems for the employer contribution to the teachers' retirement system; any amount in excess of the funds received by such school district from the state through the office of the superintendent of public instruction for such purpose, and for the 1986-87 school year and thereafter, a school district shall not be required to pay at a rate exceeding the rate that the director sets for the employer contribution for each employee:

(2))) In order to equitably reimburse the department of retirement systems expense fund, the director shall ascertain and report to each employer the contribution rate necessary to defray its proportional share of the cost of administering this chapter during either the next biennium or fiscal year, whichever is required to provide the amounts needed to defray such cost of administration. The director shall also ascertain at the beginning of either each biennium or each fiscal year, whichever is required, and request from the legislature an appropriation for the department of retirement systems expense fund sufficient to cover estimated expenses for the biennium or fiscal year.

Sec. 18. Section 3, chapter 236, Laws of 1984 and RCW 41.32.403 are each amended to read as follows:

The amount paid by each employer shall be computed by applying the rates established (by RCW 41.32.401) under sections 1 through 9 of this act to the total earnable compensation of the employer's members as shown on the current payrolls of the employer. The employer's contribution shall be paid at the end of each month in the amount due for that month.

Sec. 19. Section 6, chapter 293, Laws of 1977 ex. sess. as last amended by section 2, chapter 268, Laws of 1986 and RCW 41.32.775 are each amended to read as follows:

The required contribution rates to the retirement system for both members and employers shall be established by the director from time to time as may be necessary upon the advice of the state actuary: PROVIDED, That the employer contribution shall be contributed as provided in RCW (41.32.401) 41.32.403. The state actuary shall use the aggregate actuarial cost method to calculate contribution rates. The employer contribution rate calculated under this section shall be used only for the purpose of determining the amount of employer contributions to be deposited in the
plan II fund from the total employer contributions collected under RCW 41.32.403.

Contribution rates required to fund the costs of the retirement system shall always be equal for members and employers, except as herein provided. Effective January 1, 1987, however, no member or employer contributions are required for any calendar month in which the member is not granted service credit. Any adjustments in contribution rates required from time to time for future costs shall likewise be shared equally by the members and employers.

Any increase in the contribution rate required as the result of a failure of an employer to make any contribution required by this section shall be borne in full by the employer not making the contribution.

The director shall notify all employers of any pending adjustment in the required contribution rate and such increase shall be announced at least thirty days prior to the effective date of the change.

Members contributions required by this section shall be deducted from the members earnable compensation each payroll period. The members contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends and the employers contribution shall be remitted as provided by law.

Sec. 20. Section 21, chapter 295, Laws of 1977 ex. sess. as amended by section 6, chapter 249, Laws of 1979 ex. sess. and RCW 41.40.005 are each amended to read as follows:

(1) "Public employees' retirement system plan I" or "plan I" means the benefits and funding provisions covering persons who first became members of the public employees' retirement system prior to October 1, 1977. The provisions of the following sections of this chapter shall apply only to ((persons who establish membership in the retirement system on or before September 30, 1977)) members of plan I: RCW 41.40.150, 41.40.160, 41.40.170, 41.40.180, 41.40.185, 41.40.190, 41.40.193, 41.40.195, 41.40.200, 41.40.210, 41.40.220, 41.40.230, 41.40.235, 41.40.250, 41.40.260, 41.40.270, 41.40.280, 41.40.300, 41.40.310, 41.40.320, and 41.40.330.

(2) "Public employees' retirement system plan II" or "plan II" means the benefits and funding provisions covering persons who first became members of the public employees' retirement system on or after October 1, 1977. The provisions of RCW 41.40.600 through 41.40.740 apply only to members of plan II.

Sec. 21. Section 9, chapter 274, Laws of 1947 as last amended by section 32, chapter 3, Laws of 1981 and RCW 41.40.080 are each amended to read as follows:
(1) All bonds or other obligations purchased according to RCW 43.84.150 shall be forthwith placed in the hands of the state treasurer who is hereby designated as custodian thereof, and it shall be his duty to collect the principal thereof and the interest thereon as the same becomes due and payable, and place the same when so collected into the retirement system's funds.

(2) The state treasurer shall be the custodian of all other funds of the retirement system and all disbursements therefrom shall be paid by the state treasurer upon vouchers duly authorized by the department and bearing the signature of the duly authorized officer of the department.

(3) The state treasurer is hereby authorized and directed to deposit any portion of the funds of the retirement system not needed for immediate use in the same manner and subject to all the provisions of law with respect to the deposit of state funds by such treasurer, and all interest earned by such portion of the retirement system's funds as may be deposited by the state treasurer in pursuance of authority herewith given shall be collected by him and placed to the credit of the retirement fund or the department of retirement systems expense fund.

(4) There is hereby established in the state treasury three separate funds, namely:

(a) The public employees' retirement system plan I fund and the public employees' plan II fund, into which shall be paid all moneys received by the department and from which shall be paid all refunds, adjustments, retirement allowances and other benefits provided for herein. The plan I fund shall consist of all moneys paid to finance the benefits provided to members of plan I, and the plan II fund shall consist of all moneys paid to finance the benefits provided to members of plan II. All contributions by members to the department of retirement systems expense fund as provided in RCW 41.40.330 and contributions by employers for the expense of operating the retirement system as provided for herein shall be transferred by the state treasurer from the retirement system fund to the department of retirement systems expense fund upon authorization of the department;

(b) The department of retirement systems expense fund, from which shall be paid the expenses of the administration of the retirement system.

(5) In order to reimburse the department of retirement systems expense fund on an equitable basis the department shall, after crediting the estimated amount to be collected as employees' contributions, ascertain and report to each employer the sum necessary to defray its proportional share of the entire expense of the administration of this chapter during the ensuing biennium or fiscal year whichever may be required. Such sum is to be computed in an amount directly proportional to the estimated entire expense of the said administration as the ratio of
monthly salaries of the employer's members bears to the total salaries of all members in the entire system. It shall then be the duty of all such employers to include in their budgets or otherwise provide the amounts so required.

(6) The ((retirement-board)) department shall compute and bill each employer at the end of each month for the amount due for that month to the department of retirement systems expense fund and the same shall be paid as are its other obligations. Such computation as to each such employer shall be made on a percentage rate of salary established by the ((board)) department: PROVIDED, That the ((retirement-board)) department may at its discretion establish a system of billing based upon calendar year quarters in which event the said billing shall be at the end of each such quarter.

(7) For the purpose of providing amounts to be used to defray the cost of such administration, the ((retirement-board)) department shall ascertain at the beginning of each biennium and request from the legislature an appropriation from the department of retirement systems expense fund sufficient to cover estimated expenses for the said biennium.

Sec. 22. Section 4, chapter 231, Laws of 1957 as last amended by section 4, chapter 268, Laws of 1986 and RCW 41.40.361 are each amended to read as follows:

((+(+) For the purpose of this section, the "fundable employer liability" at any date shall be the present value of
(a) all future pension benefits payable in respect of all members in the retirement system at that date, and
(b) all future benefits in respect of beneficiaries then receiving retirement allowances or pensions:
(2) The contributions by the employer for benefits under the retirement system shall consist of the sum of a percentage of the compensation of members to be known as the "normal contribution", a percentage of such compensation to be known as the "unfunded liability contribution" and in the case of employers admitted to the retirement system after April 1, 1949, a percentage of such compensation to be known as the "additional contribution". The rates of such contributions shall be determined by the retirement board on the basis of assets and liabilities as shown by actuarial valuation: PROVIDED, That as to state employers effective July 1, 1973 the total combined contributions of the normal contribution and unfunded liability contribution shall not exceed a total combined percentage rate of seven percent for each employer unless authorized by the legislature.
(3) After the completion of each actuarial valuation subsequent to the first actuarial valuation of June 30, 1953, the retirement board shall determine the normal contribution rate and such contribution rate shall become effective in the ensuing biennium. In addition the board shall determine the additional employer contribution rate necessary to fund the benefits granted officials holding office pursuant to Articles II and III of the Constitution of
the state of Washington and RCW 48.02.010. Said additional employer contribution rate shall be paid in the same manner as the normal contribution and the unfunded liability contribution. Until the unfunded liability contribution shall have been discontinued, such normal contribution rate shall be computed to be sufficient, when applied to the present value of the future compensation of the average new member entering the system, to provide for the payment of all prospective pension benefits in respect of such member. After the unfunded liability contributions have been discontinued, such normal contribution rate shall be determined as the uniform and constant percentage of the prospective compensation of all members of the retirement system at the date of such valuation which is equivalent to the excess of the fundable employer liability over the amount of funds currently standing to the credit of the benefit account fund:

(4) After the completion of each actuarial valuation subsequent to the first actuarial valuation of June 30, 1953, the retirement board shall determine the unfunded liability contribution, and such rate shall become effective in the ensuing biennium. The unfunded liability contribution rate shall be set at a percentage sufficient to provide for the amortization of unfunded retirement system liabilities over a period of not more than forty years from June 30, 1985. The unfunded liability shall be determined at such date as the excess of the fundable employer liability over the sum of the present value of the future normal contributions payable in respect of all members in the retirement system at that date, and the amount of all funds currently standing to the credit of the benefit account fund. The unfunded liability contributions shall continue until there remains no unfunded liability.

(5)) Any employer admitted to the retirement system after April 1, 1949, shall make an additional contribution until such time as the sum of such additional contributions equals the amount of contributions which such employer and employee would have been required to contribute between April 1, 1949, and the date of such employer's admission to the retirement system: PROVIDED, That either the employee or employer may make the contributions the employee would have made during the same period of time: PROVIDED FURTHER, That all additional contributions hereunder and under the provisions of RCW 41.40.160(2) must be completed within fifteen years from the date of the employer's admission. Employee contributions for these periods must be made before the member will receive credit for those periods of service, pursuant to such regulations as the retirement board) department may adopt.

(6) For the biennium beginning July 1, 1971, and ending June 30, 1973, only; and notwithstanding any other provision of the chapter, the rate determined by the board for state employer contributions shall be only the percentage of compensation for members equal to the "normal contribution" computed to be, four and thirty-six one-hundredths percent of compensation;)}
Sec. 23. Section 38, chapter 274, Laws of 1947 as last amended by section 5, chapter 268, Laws of 1986 and RCW 41.40.370 are each amended to read as follows:

(1) The director shall ((ascertain-and)) report to each employer the contribution rates ((necessary to meet present and future pension liabilities of the system)) required for the ensuing biennium or fiscal year, whichever is applicable. ((The amount to be so provided shall be computed by applying the rates of contribution as established by RCW 41.40.361 or 41.40.650 to an estimate of the total compensation earnable of all the said employer's members during the period for which provision is to be made.))

(2) Beginning ((April 1, 1949, or October 1, 1977, as the case may be)) September 1, 1990, the amount to be collected as the employer's contribution shall be computed by applying the applicable rates established ((by RCW 41.40.361 or 41.40.650)) in sections 1 through 9 of this act to the total compensation earnable of employer's members as shown on the current payrolls of the said employer. In addition, the director shall determine and collect the additional employer contribution rate necessary to fund the benefits granted officials holding office pursuant to Articles II and III of the Constitution of the state of Washington and RCW 48.02.010. Each said employer shall compute at the end of each month the amount due for that month and the same shall be paid as are its other obligations. Effective January 1, 1987, however, no contributions are required for any calendar month in which the member is not granted service credit.

(3) In the event of failure, for any reason, of an employer other than a political subdivision of the state to have remitted amounts due for membership service of any of the employer's members rendered during a prior biennium, the director shall bill such employer for such employer's contribution together with such charges as the director deems appropriate in accordance with RCW 41.50.120. Such billing shall be paid by the employer as, and the same shall be, a proper charge against any moneys available or appropriated to such employer for payment of current biennial payrolls.

Sec. 24. Section 6, chapter 295, Laws of 1977 ex. sess. as last amended by section 6, chapter 268, Laws of 1986 and RCW 41.40.650 are each amended to read as follows:

The required contribution rates to the retirement system for both members and employers shall be established by the director from time to time as may be necessary upon the advice of the state actuary. The state actuary shall use the aggregate actuarial cost method to calculate contribution rates. The employer contribution rate calculated under this section shall be used only for the purpose of determining the amount of employer contributions to be deposited in the plan II fund from the total employer contributions collected under RCW 41.40.370.
Contribution rates required to fund the costs of the retirement system shall always be equal for members and employers, except as herein provided. Effective January 1, 1987, however, no member or employer contributions are required for any calendar month in which the member is not granted service credit. Any adjustments in contribution rates required from time to time for future costs shall likewise be shared equally by the members and employers (providing, however, that the costs of amortizing the unfunded supplemental present value of the retirement system for persons who established membership before September 30, 1977, shall be borne in full by the employers).

Any increase in the contribution rate required as the result of a failure of an employer to make any contribution required by this section shall be borne in full by the employer not making the contribution.

The director shall notify all employers of any pending adjustment in the required contribution rate and such increase shall be announced at least thirty days prior to the effective date of the change.

Members contributions required by this section shall be deducted from the members compensation earnable each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends.

Sec. 25. Section 43.43.220, chapter 8, Laws of 1965 as amended by section 2, chapter 180, Laws of 1973 1st ex. sess. and RCW 43.43.220 are each amended to read as follows:

(((1)) The Washington state patrol retirement fund shall be the fund from which shall be paid all retirement allowances or benefits in lieu thereof which are payable as provided herein. The expenses of operating the retirement system shall be paid from appropriations made for the operation of the Washington state patrol.

(((2)) The "fundable employer liability" at any date shall be the present value of:

(a) All future pension benefits payable in respect of all members in the retirement system at that date; and

(b) All future benefits in respect of beneficiaries then receiving retirement allowances or pensions:

(3) The contributions by the state for benefits under the retirement system shall consist of the sum of a percentage of the compensation of members to be known as the "normal contribution", and a percentage of such compensation to be known as the "unfunded liability contribution"; The rates of such contributions shall be determined by the retirement board on the basis of assets and liabilities as shown by actuarial valuation:

(4) After the completion of each actuarial valuation, the retirement board shall determine or redetermine the normal contribution rate and such contribution rate shall become effective in the ensuing biennium. Until the
unfunded liability contribution shall have been discontinued, such normal contribution rate shall be computed to be sufficient, when applied to the present value of the future compensation of the average new member entering the system, to provide for the payment of all prospective pension benefits in respect of such member. After the unfunded liability contributions have been discontinued, such normal contribution rate shall be determined as the uniform and constant percentage of the prospective compensation of all members in the retirement system at the date of such valuation which is equivalent to the excess of the fundable employer liability over the amount of funds currently standing to the credit of the retirement fund:

(5) After the completion of each actuarial valuation, the retirement board shall determine or redetermine the unfunded liability contribution rate, and such rate shall become effective in the ensuing biennium. The unfunded liability contribution rate shall not be less than the uniform and constant percentage of the prospective compensation of all members in the retirement system for the forty-year period following the date of such valuation which is equivalent to the unfunded liability. The unfunded liability shall be determined at such date as the excess of the fundable employer liability over the sum of the present value of the future normal contributions payable in respect of all members in the retirement system at that date, and the amount of all funds currently standing to the credit of the retirement fund. The unfunded liability contributions shall continue until there remains no unfunded liability.

(6) The retirement board shall estimate biennially the amount required to maintain the retirement fund for the ensuing biennium.)

Sec. 26. Section 43.88.090, chapter 8, Laws of 1965 as last amended by section 35, chapter 505, Laws of 1987 and RCW 43.88.090 are each amended to read as follows:

The estimates for the legislature and the judiciary shall be transmitted to the governor and shall be included in the budget without revision. The estimates for state pension contributions shall be based on the rates provided in sections 1 through 9 of this act. Copies of all such estimates shall be transmitted to the standing committees on ways and means of the house and senate at the same time as they are filed with the governor and the office of financial management.

(2) Estimates from each agency shall include goals and objectives for each program administered by the agency. The goals and objectives shall, whenever possible, be stated in terms of objective measurable results. The estimates shall include statements or tables which indicate, by agency, the state funds which are required for the receipt of federal matching revenues.
The estimates shall be revised as necessary to reflect legislative enactments and adopted appropriations and shall be included with the initial biennial allotment submitted under RCW 43.88.110.

(3) In the year of the gubernatorial election, the governor shall invite the governor-elect or the governor-elect's designee to attend all hearings provided in RCW 43.88.100; and the governor shall furnish the governor-elect or the governor-elect's designee with such information as will enable the governor-elect or the governor-elect's designee to gain an understanding of the state's budget requirements. Copies of all such estimates and other required information shall also be submitted to the standing committees on ways and means of the house and senate.

(2) Employees of a public utility or other private enterprise all or any portion of which has been heretofore or may be hereafter acquired by a public agency as a matter of public convenience and necessity, where it is in the public interest to retain the trained personnel of such enterprise, all service to that enterprise shall, upon the acquiring public agency becoming an employer as defined in RCW 41.40.010(4) be credited on the same basis as if rendered to the said employer: PROVIDED, That this shall apply only to those employees who were in the service of the enterprise at or prior to the time of acquisition by the public agency and who remain in the service of the acquiring agency until they attain membership in the state employees' retirement system; and to those employees who were in the service of the enterprise at the time of acquisition by the public agency and subsequently attain membership through employment with any participating agency: PROVIDED FURTHER, In the event that the acquiring agency is an employer at the time of the acquisition, employer's contributions in connection with members achieving service credit hereunder shall be made on the same basis as set forth in RCW 41.40.361 and 41.40.370 for an employer admitted after April 1, 1949.

CHAPTER 274
[House Bill No. 2167]

MOBILE HOME PARKS—REVIEW OF NEED FOR

AN ACT Relating to sites for mobile home parks; adding a new section to chapter 35.63 RCW; adding a new section to chapter 35.22 RCW; adding a new section to chapter 35A.63 RCW; adding a new section to chapter 36.32 RCW; adding a new section to chapter 36.70 RCW; adding a new section to chapter 43.63A RCW; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. (1) The legislature finds that mobile home parks are an important part of housing in Washington state. Mobile homes allow many citizens to own a home who otherwise would not. Mobile home parks provide a place to locate mobile homes, and therefore, can be a source of affordable housing. Mobile home parks also provide community living opportunities which can enable senior citizens to live independently for as long as possible.

(2) The legislature also finds that local siting and zoning regulations for mobile home parks and land use decisions by some local jurisdictions prohibit or hinder the establishment or expansion of mobile home parks. In areas where mobile home parks are closing, such decisions increase the
problem for tenants due to a lack of available spaces on which to move a
mobile home.

(3) The purpose of this act is to encourage local jurisdictions to review
their land use regulations and permit procedures pertaining to mobile home
parks and to encourage the establishment or expansion of mobile home
parks.

NEW SECTION. Sec. 2. A new section is added to chapter 35.63
RCW to read as follows:

Any city with a population of ten thousand or more or any county with
a population of one hundred fifty thousand or more shall conduct a review
of the need and demand for mobile home parks. The review shall be com-
pleted by May 31, 1990. A copy of the findings, conclusions, and recom-
mendations resulting from the review shall be sent to the department of
community development by June 30, 1990.

NEW SECTION. Sec. 3. A new section is added to chapter 35A.63
RCW to read as follows:

Each municipality with a population of ten thousand or more shall
conduct a review of the need and demand for mobile home parks. The re-
view shall be completed by May 31, 1990. A copy of the findings, conclu-
sions, and recommendations resulting from the review shall be sent to the
department of community development by June 30, 1990.

NEW SECTION. Sec. 4. A new section is added to chapter 36.70
RCW to read as follows:

Each county with a population of one hundred fifty thousand or more
shall conduct a review of the need and demand for mobile home parks. The
review shall be completed by May 31, 1990. A copy of the findings, conclu-
sions, and recommendations resulting from the review shall be sent to the
department of community development by June 30, 1990.

NEW SECTION. Sec. 5. A new section is added to chapter 35.22
RCW to read as follows:

If a first class city zones under its inherent charter authority and not
under chapter 35.63 RCW, then each first class city shall conduct a review
of the need and demand for mobile home parks. The review shall be com-
pleted by May 31, 1990. A copy of the findings, conclusions, and recom-
mendations resulting from the review shall be sent to the department of
community development by June 30, 1990.

NEW SECTION. Sec. 6. A new section is added to chapter 36.32
RCW to read as follows:

If a county operating under home rule charter zones under its inherent
charter authority and not under chapter 35.63 RCW, nor chapter 36.70
RCW, the county shall conduct a review of the need and demand for mobile
home parks. The review shall be completed by May 31, 1990. A copy of the

CHAPTER 279
[Substitute House Bill No. 1553]
WASHINGTON ECONOMIC DEVELOPMENT FINANCE AUTHORITY

AN ACT Relating to the creation of the Washington economic development finance authority; amending RCW 42.17.2401; reenacting and amending RCW 42.17.310; creating a new chapter in Title 43 RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Economic development is essential to the health, safety, and welfare of all Washington citizens by broadening and strengthening state and local tax bases, providing meaningful employment opportunities and thereby enhancing the quality of life. Economic development increasingly is dependent upon the ability of small-sized and medium-sized businesses and farms to finance growth and trade activities. Many of these businesses face an unmet need for capital that limits their growth. These unmet capital needs are a problem in both urban and rural areas which cannot be solved by the private sector alone. There presently exist some federal programs, private credit enhancements and other financial tools to complement the private banking industry in providing this needed capital. More research is needed to develop effective strategies to enhance access to capital and thereby stimulate economic development.

It is the purpose of this chapter to establish a state economic development finance authority to act as a financial conduit that, without using
public funds or lending the credit of the state or local governments, can issue nonrecourse revenue bonds, and participate in federal, state, and local economic development programs to help facilitate access to needed capital by Washington businesses that cannot otherwise readily obtain needed capital on terms and rates comparable to large corporations, and can help local governments obtain capital more efficiently. It is also a primary purpose of this chapter to encourage the employment and retention of Washington workers at meaningful wages and to develop innovative approaches to the problem of unmet capital needs. This chapter is enacted to accomplish these and related purposes and shall be construed liberally to carry out its purposes and objectives.

NEW SECTION. Sec. 2. As used in this chapter, the following words and terms have the following meanings, unless the context requires otherwise:

(1) "Authority" means the Washington economic development finance authority created under section 3 of this act or any board, body, commission, department or officer succeeding to the principal functions of the authority or to whom the powers conferred upon the authority shall be given by law;

(2) "Bonds" means any bonds, notes, debentures, interim certificates, conditional sales or lease financing agreements, lines of credit, forward purchase agreements, investment agreements, and other banking or financial arrangements, guaranties, or other obligations issued by or entered into by the authority. Such bonds may be issued on either a tax-exempt or taxable basis;

(3) "Borrower" means one or more public or private persons or entities acting as lessee, purchaser, mortgagor, or borrower who has obtained or is seeking to obtain financing either from the authority or from an eligible banking organization that has obtained or is seeking to obtain funds from the authority to finance a project. A borrower may include a party who transfers the right of use and occupancy to another party by lease, sublease or otherwise, or a party who is seeking or has obtained a financial guaranty from the authority;

(4) "Eligible banking organization" means any organization subject to regulation by the state supervisor of banking or the state supervisor of savings and loans, any national bank, federal savings and loan association, and federal credit union located within this state;

(5) "Eligible export transaction" means any preexport or export activity by a person or entity located in the state of Washington involving a sale for export and product sale which, in the judgment of the authority: (a) Will create or maintain employment in the state of Washington, (b) will obtain a material percent of its value from manufactured goods or services made, processed or occurring in Washington, and (c) could not otherwise obtain financing on reasonable terms from an eligible banking organization;
(6) "Eligible farmer" means any person who is a resident of the state of Washington and whose specific acreage qualifying for receipts from the federal department of agriculture under its conservation reserve program is within the state of Washington;

(7) "Financing document" means an instrument executed by the authority and one or more persons or entities pertaining to the issuance of or security for bonds, or the application of the proceeds of bonds or other funds of, or payable to, the authority. A financing document may include, but need not be limited to, a lease, installment sale agreement, conditional sale agreement, mortgage, loan agreement, trust agreement or indenture, security agreement, letter or line of credit, reimbursement agreement, insurance policy, guaranty agreement, or currency or interest rate swap agreement. A financing document also may be an agreement between the authority and an eligible banking organization which has agreed to make a loan to a borrower;

(8) "Plan" means the general plan of economic development finance objectives developed and adopted by the authority, and updated from time to time, as required under section 10 of this act.

NEW SECTION. Sec. 3. The Washington economic development finance authority is established as a public body corporate and politic, with perpetual corporate succession, constituting an instrumentality of the state of Washington exercising essential governmental functions. The authority is a public body within the meaning of RCW 39.53.010.

The authority shall consist of fifteen members as follows: The director of the department of trade and economic development, the director of the department of community development, the state treasurer, one member from each caucus in the house of representatives appointed by the speaker of the house, one member from each caucus in the senate appointed by the president of the senate, and eight public members with at least three of the members residing east of the Cascades. The public members shall be residents of the state appointed by the governor on the basis of their interest or expertise in trade, agriculture or business finance or jobs creation and development. One of the public members shall be appointed by the governor as chair of the authority and shall serve as chair of the authority at the pleasure of the governor. The authority may select from its membership such other officers as it deems appropriate.

The term of the persons appointed by the governor as public members of the authority, including the public member appointed as chair, shall be four years from the date of appointment, except that the term of three of the initial appointees shall be for two years from the date of appointment and the term of two of the initial appointees shall be for three years from the date of appointment. The governor shall designate the appointees who will serve the two–year and three–year terms.
In the event of a vacancy on the authority due to death, resignation or removal of one of the public members, or upon the expiration of the term of one of the public members, the governor shall appoint a successor for the remainder of the unexpired term. If either of the state offices is abolished, the resulting vacancy on the authority shall be filled by the state officer who shall succeed substantially to the power and duties of the abolished office.

Any public member of the authority may be removed by the governor for misfeasance, malfeasance or willful neglect of duty after notice and a public hearing, unless such notice and hearing shall be expressly waived in writing by the affected public member.

The state officials serving in ex officio capacity may each designate an employee of their respective departments to act on their behalf in all respects with regard to any matter to come before the authority. Such designations shall be made in writing in such manner as is specified by the rules of the authority.

The members of the authority shall serve without compensation but shall be entitled to reimbursement, solely from the funds of the authority, for expenses incurred in the discharge of their duties under this chapter. The authority may borrow funds from the department for the first year of the authority's operations for the purpose of reimbursing members for expenses; however, the authority shall repay the department as soon as practicable.

A majority of the authority shall constitute a quorum.

NEW SECTION. Sec. 4. (1) The authority, in cooperation with the small business export finance assistance center and other export assistance entities, is authorized to develop and conduct a program or programs to provide for the funding of export transactions for small businesses which are unable to obtain funding from private commercial lenders.

(2) The authority is authorized to secure or provide guaranties or insurance for loans and otherwise to provide for loans for any eligible export transaction. Loans may be made either directly by the authority or through an eligible banking organization. For such purpose, the authority may use funds legally available to it to provide for insurance or to guarantee eligible export transactions for which guaranteed funding has been provided.

(3) The authority shall make every effort to cause guaranties or insurance to be provided from the export–import bank of the United States, the foreign credit insurance association, the small business administration or such other similar or succeeding federal or private programs whose financial performance in the guarantee or insurance of export transactions is sound and recognized in the financial community. The maximum amount payable under any guaranty shall be specifically set forth in writing at the time any such guaranteed funding is entered into by the authority.
Prior to providing or securing a guarantee of funding or otherwise providing for a loan for any eligible export transaction hereunder, the authority shall obtain assurance that there has been made an investigation of the credit of the exporter in order to determine its viability, the economic benefits to be derived from the eligible export transaction, the prospects for repayment, and such other facts as it deems necessary in order to determine that such guaranteed funding is consistent with the purposes of this chapter.

NEW SECTION. Sec. 5. To provide capital for economic development purposes, the authority is authorized to develop and conduct a program or programs to provide advance financing to eligible farmers in respect of the contract payments due to them under the federal department of agriculture conservation reserve program. Such advance financing may be provided in the form of lease, sale, loan or other similar financing transactions.

NEW SECTION. Sec. 6. The authority is authorized to develop and conduct a program or programs to promote small business and agricultural financing in the state through the pooling of loans or portions of loans made or guaranteed through programs administered by the federal small business or farmers home administrations. For such purpose, the authority may acquire from eligible banking organizations and other financial intermediaries who make or hold loans made or guaranteed through programs administered by the federal small business or farmers home administrations all or portions of such loans.

NEW SECTION. Sec. 7. (1) The authority is authorized to participate fully in federal and other governmental economic development finance programs and to take such actions as are necessary and consistent with this chapter to secure to itself and the people of the state the benefits of those programs and to meet their requirements.

(2) The authority shall coordinate its programs with those contributing to a common purpose found elsewhere in the departments of trade and economic development, community development, agriculture or employment security, or any other department or organization of, or affiliated with, the state or federal government, and shall avoid any duplication of such activities or programs provided elsewhere. The departments of trade and economic development, community development, agriculture, employment security and other relevant state agencies shall provide to the authority all reports prepared in the course of their ongoing activities which may assist in the identification of unmet capital financing needs by small-sized and medium-sized businesses in the state.

NEW SECTION. Sec. 8. The authority may use any funds legally available to it for any purpose specifically authorized by this chapter, or for otherwise improving economic development in this state by assisting businesses that do not have access to capital at terms and rates comparable to
large corporations due to the location of the business, the size of the business, the lack of financial expertise, or other appropriate reasons: PROVIDED, That no funds of the state shall be used for such purposes.

NEW SECTION. Sec. 9. (1) The authority is authorized to provide assistance and advice to persons forming corporations under chapter 31.24 RCW.

(2) The authority may contract with corporations organized under this chapter. Each contract shall specify that the money received under the contract shall be used to provide management assistance, which may include management and technical advice and services and other technical support, to businesses receiving financing from the contracting corporation. No more than five corporations may contract with the authority under this section at any time. No corporation may receive more than a total of two hundred fifty thousand dollars under this section.

(3) To qualify for a contract under this section, a corporation shall agree that at least one-half of the corporation's loans and investments will be to businesses operating in distressed areas as defined in RCW 43.165.010(3)(a) and that the corporation's loans and investments will be to businesses that have agreed to enter first-source hiring agreements with the employment security department, local private industry councils, local labor unions, or other employment or placement agencies. These agreements shall require the businesses to interview prospective employees from a list of the unemployed supplied by the employment or placement agencies and hire any qualified candidates on the list before hiring any candidates not on the list. The first-source hiring agreements shall require the business to:

(a) Provide a job description for each position;
(b) Provide a description of the skills each position requires; and
(c) Provide a salary range for each position.

The first-source hiring agreements shall require the employment or placement agency to provide a list of candidates who have expressed interest in each available position and who meet the skill requirements of each position. No fees may be charged of the unemployed candidates on the list supplied by the employment or placement agency.

(4) The authority shall adopt rules to carry out this section.

(5) The authority shall adopt general operating procedures for the authority. The authority shall also adopt operating procedures for individual programs as they are developed for obtaining funds and for providing funds to borrowers. These operating procedures shall be adopted by resolution prior to the authority operating the applicable programs.

(6) The operating procedures shall include, but are not limited to: (a) appropriate minimum reserve requirements to secure the authority's bonds and other obligations; (b) appropriate standards for securing loans and other financing the authority provides to borrowers, such as guarantees or collateral; and (c) appropriate standards for providing financing to borrowers,
such as (i) the borrower is a responsible party with a high probability of
being able to repay the financing provided by the authority, (ii) the finan-
cing is reasonably expected to provide economic growth or stability in the
state by enabling a borrower to increase or maintain jobs or capital in the
state, (iii) the borrowers with the greatest needs or that provide the most
public benefit are given higher priority by the authority, and (iv) the fi-

economic development finance objectives to be implemented by the authori-
ity during the period of the plan. The authority may exercise the powers
authorized under this chapter prior to the adoption of the initial plan. In
developing the plan, the authority shall consider and set objectives for:

CHAPTER 282
[Substitute House Bill No. 1756]
TELEPHONES—EXTENDED AREA SERVICE

AN ACT Relating to the provision of extended area service by telecommunications companies; adding new sections to chapter 80.36 RCW; creating new sections; and making an appropriation.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Universal telephone service for the people of the state of Washington is a policy goal of the legislature and has been enacted previously into Washington law. Access to universal and affordable telephone service enhances the economic and social well-being of Washington citizens.

NEW SECTION. Sec. 2. As used in section 3 of this act, "extended area service" means the ability to call from one exchange to another exchange without incurring a toll charge.

NEW SECTION. Sec. 3. Any business, resident, or community may petition for and shall receive extended area service within the service territory of the local exchange company that provides service to the petitioner under the following conditions:
(1) Any customer, business or residential, interested in obtaining extended area service in their community must collect and submit to the commission the signatures of a representative majority of affected customers in the community. A "representative majority" for purposes of this section consists of fifteen percent of the access lines in that community;

(2) After receipt of the signatures, the commission shall authorize a study to be conducted by the affected local exchange company in order to determine whether a community of interest exists for the implementation of extended area service. For purposes of this section a community of interest shall be found if the average number of calls per customer per month from the area petitioning for extended area service to the area to which extended area service will be implemented is at least five;

(3) If a community of interest exists, the commission shall then calculate any increased rate that would be applied to the area which would have extended area service granted to it. This rate shall be based on the charges to a rate group having the same or similar calling capability as set forth in the tariffs of the local exchange telecommunications company involved;

(4) The affected telecommunications company shall be given the opportunity to propose an alternative plan that might be priced differently and that plan shall be included in the poll of subscribers as an alternative under subsection (5) of this section;

(5) After determining the amount of any additional rate, the commission shall notify the subscribers who will be affected by the increased rate and conduct a poll of those subscribers. If a simple majority votes its approval the commission shall order extended area service; and

(6) Any extended area service program adopted pursuant to this section shall be considered experimental and not binding on the commission in subsequent extended area service proceedings. If an extended area service program adopted pursuant to this section results in a revenue deficiency for a local exchange company, the commission shall allocate the resulting revenue requirement in a manner which produces fair, just and reasonable rates for all classes of customers.

NEW SECTION. Sec. 4. The pilot program specified in sections 2 and 3 of this act applies only to extended area service petitions which meet the conditions under section 3 of this act, and have been filed with the commission by January 1, 1989. Any petitions for extended area service filed after January 1, 1989, shall be addressed under terms and conditions determined by the commission. By December 1, 1990, the commission shall submit to the energy and utilities committees of the house of representatives and the senate a report on extended area service. The report shall include:

(1) The status of any experimental, pilot program which provides extended area service developed under this section, and whether such an experimental, pilot program approach should continue to be made available;
(2) The status of all extended area service petitions pending at the commission;

(3) Commission action on the recommendations of the local extended calling advisory committee; and

(4) Commission recommendations for any other legislation addressing the issue of extended area service.

NEW SECTION. Sec. 5. The extended area service program under sections 2 through 5 of this act shall expire on December 1, 1990, except for any extended area service obtained by any business residence or community and put in place under section 3 of this act.

NEW SECTION. Sec. 6. The utilities and transportation commission shall study the feasibility of the elimination, by January 1, 1992, of multiparty lines and mileage charges in all telephone exchanges throughout the state and the relationship between mileage charges and extended area service. The study shall include recommendations as to methods to equitably share the costs of any such program, any recommendations for legislative action, and an analysis of technological changes which may alter the telecommunications network in the next decade. The utilities and transportation commission shall report the results of the study to the energy and utilities committees of the house of representatives and the senate by December 1, 1989.

NEW SECTION. Sec. 7. The sum of forty-five thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1991, from the public service revolving fund to the utilities and transportation commission for the purposes of section 6 of this act.

NEW SECTION. Sec. 8. Sections 2, 3 and 6 of this act are each added to chapter 80.36 RCW.

Passed the House April 18, 1989.
Passed the Senate April 6, 1989.
Approved by the Governor May 8, 1989.
Filed in Office of Secretary of State May 8, 1989.

Every application shall be accompanied by a fee as the commission may prescribe by rule.

(2) A certificate shall be issued to any qualified applicant authorizing the operations covered by the application if it is found that the applicant is fit, willing, and able to perform properly the service and conform to the provisions of this chapter and the rules and regulations of the commission.

The commission shall establish rules and regulations and require such reports as are necessary to carry out the provisions of this chapter.

maintained in force on each motor-propelled vehicle while so used. Each policy for liability or property damage insurance required herein shall be filed with the commission and kept in effect and a failure so to do is cause for revocation of the certificate.

NEW SECTION. Sec. 10. A limousine charter party carrier of passengers authorized to transport persons for compensation on the highways and engaging in interstate and intrastate operations within the state of Washington, which is or becomes qualified as a self-insurer with the interstate commerce commission of the United States in accordance with the United States interstate commerce act applicable to self-insurance by motor carriers, is exempt from section 9 of this act relating to the carrying or filing of insurance policies in connection with such operations as long as such qualification remains effective.

The commission may require proof of the existence and continuation of qualification with the interstate commerce commission to be made by affidavit of the limousine charter party carrier in a form the commission may prescribe.

(2) All fees paid to the commission under this chapter shall be deposited in the state treasury to the credit of the public service revolving fund.

(3) It is the intent of the legislature that all fees collected under this chapter shall reasonably approximate the cost of supervising and regulating limousine charter party carriers subject thereto, and so that end the commission is authorized to decrease the schedule of fees provided for in section 15 of this act by general order entered before November 1 of any year in which the commission determines that the moneys then in the limousine
charter party carrier account of the public service revolving fund and the fees currently to be paid will exceed the reasonable cost of supervising and regulating such carriers during the succeeding calendar year. Whenever the cost accounting records of the commission indicate that the schedule of fees previously reduced should be increased, such increase, not in any event to exceed the schedule set forth in this chapter, may be effected by a similar general order entered before November 1 of any calendar year.

NEW SECTION. Sec. 14. It is unlawful for a limousine charter party carrier of passengers engaged in interstate or foreign commerce to use any of the public highways of this state for the transportation of passengers in interstate or foreign commerce, unless such carrier has identified its vehicles and registered its interstate or foreign operations with the commission. Interstate and foreign carriers possessing operating authority issued by the interstate commerce commission shall register such authority pursuant to P.L. 89–170, as amended, and the regulations of the interstate commerce commission adopted thereunder. Interstate and foreign limousine charter party carriers of passengers exempt from regulation by the interstate commerce commission shall register their interstate operations under regulations adopted by the commission, which shall, to the maximum extent practical, conform to the regulations promulgated by the interstate commerce commission under P.L. 89–170, as amended.

All other provisions of this chapter shall be applicable to motor carriers of passengers engaged in interstate or foreign commerce insofar as the same are not prohibited under the Constitution of the United States or federal statutes.

NEW SECTION. Sec. 15. (1) The commission shall collect from each limousine charter party carrier holding a certificate issued pursuant to this chapter and from each interstate and foreign carrier subject to this chapter, an annual regulatory fee to be established by the commission but which shall not exceed the cost of supervising and regulating such carriers, for each motor vehicle used by such carrier.

(2) All fees prescribed by this section shall be due and payable on or before December 31 of each year, to cover the ensuing year beginning February 1.

NEW SECTION. Sec. 16. The state of Washington fully occupies and preempts the entire field of regulation over limousine charter party carriers of passengers as regulated by this chapter. Provisions of this chapter do not apply to:

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 90.48 RCW to read as follows:

(1) The following definition shall apply to this section: "Upland fin fish hatching and rearing facilities" means those facilities not located within waters of the state where fin fish are hatched, fed, nurtured, held, maintained, or reared to reach the size of release or for market sale. This shall include fish hatcheries, rearing ponds, spawning channels, and other similarly constructed or fabricated public or private facilities.

(2) Not later than September 30, 1989, the department shall adopt standards pursuant to chapter 34.05 RCW for waste discharges from upland fin fish hatching and rearing facilities. In establishing these standards, the department shall incorporate, to the extent applicable, studies conducted
by the United States environmental protection agency on fin fish rearing facilities and other relevant information. The department shall also issue a general permit as authorized by the federal clean water act, 33 U.S.C. 1251 et seq., or RCW 90.48.160 by September 30, 1989, for upland fin fish hatching and rearing facilities. The department shall approve or deny applications for coverage under the general permit for upland fin fish hatching and rearing facilities within one hundred eighty days from the date of application, unless a longer time is required to satisfy public participation requirements in the permit process in accordance with applicable rules, or compliance with the requirements of the state environmental policy act under chapter 43.21C RCW. The department shall notify applicants for coverage by a general permit as soon as it determines that a proposed discharge meets or fails to comply with the standards or general permit conditions set forth pursuant to this section, or that a time period longer than one hundred eighty days is necessary to satisfy public participation requirements or the state environmental policy act.

(2) Any category of waste disposer;

if the department determines such permit requirements are no longer necessary for the effective implementation of this chapter. The department may by rule eliminate the permit requirements for disposing of wastes by upland fin fish rearing facilities unless a permit is required under the federal clean water act's national pollutant discharge elimination system.

charter boat, nor carry, advertise for the carrying of, nor arrange for the
carrying of, more than six passengers on a vessel for a fee or other consid-
eration on the inland navigable waters of the state unless each of the fol-

twelve months and has issued for the vessel a certificate of inspection that is
still valid and current and which allows the carrying of more than six pas-

In addition, the department may at any time inspect or provide for the inspection of any charter boat if the department has reasonable cause to believe either that a provision of this chapter has been violated or that an inspection is necessary to ensure the safety of persons or property on the vessel.

(1) Ninety days before any certificate of inspection expires, the department shall mail written notification to the owner of the vessel that a twelve-month or twenty-four-month inspection must be completed before the expiration date. Such certificate shall specify the maximum passenger, crew, and total person capacity of the charter boat. The certificate shall be valid for one year from the date of issuance. The certificate shall be prominently displayed on the charter boat while the charter boat is operating upon the inland navigable waters of the state.

(3) The department shall determine the minimum number of crew necessary for the safe operation of the charter boat.

(4) If the department determines that the charter boat or its equipment does not comply with the rules promulgated by the department and with the applicable state and federal laws and regulations, the department shall not issue a certificate of inspection and any current certificate of inspection shall be revoked by the department.
NEW SECTION. Sec. 5. (1) The owner of a vessel which does not have a current certificate of inspection or which has not previously been inspected by the department and which must be inspected by the department shall file an application for inspection, accompanied by the required fee, no later than sixty days before the scheduled or requested inspection date. A person filing an application shall certify by the person's signature that the information furnished on the application is true and correct.

(2) If a charter boat has not been inspected during the twenty-four-month period prior to the effective date of this act, the owner shall pay to the department the inspection fee for inspection in the water and the inspection fee for inspection in drydock.

(3) When the department inspects or provides for the inspection of any charter boat because the department has reasonable cause to believe either that a provision of this chapter has been violated or that an inspection is necessary to ensure the safety of persons or property, the owner shall not be required to pay an inspection fee for that inspection.

(4) When a twelve-month in-water inspection and a twenty-four-month drydock inspection are required in the same year, the owner shall only be required to pay the fee for the drydock inspection.

(5) All sums received from licenses, inspection fees, or other sources described in this chapter shall be deposited in the industrial insurance trust funds and shall be used for administrative, education, and enforcement costs associated with this chapter.

NEW SECTION. Sec. 10. (1) The department may enter into reciprocal agreements with other states concerning the operation and inspection of charter boats from those states that operate on the inland navigable waters of the state of Washington. Reciprocity shall be granted only if a state can establish to the satisfaction of the department that their laws and standards concerning charter boats meet or exceed the laws and rules of the state of Washington. A charter boat that operates on the inland navigable waters of this state under a reciprocal agreement pursuant to this section shall obtain an annual operating permit from the department for a fee for each year the charter boat does business on the waters of the state of Washington. The department shall deposit the fees from annual operating permits issued pursuant to this section in the industrial insurance trust funds.

(2) The department shall develop an education and enforcement program designed to eliminate the operation of charter boats that have not
been inspected and certified as required by this chapter, and shall prepare printed materials to provide the public with information regarding the safety features and requirements necessary for the lawful operation of charter boats.

CHAPTER 296
[House Bill No. 1904]
TRANSPORTATION IMPACT FEES—CREDIT FOR OFF-SITE TRANSPORTATION IMPROVEMENTS

AN ACT Relating to private participation for funding transportation improvements; and amending RCW 39.92.040.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 4, chapter 179, Laws of 1988 and RCW 39.92.040 are each amended to read as follows:

The program shall describe the formula or method for calculating the amount of the transportation impact fees to be imposed on new development within the plan area. The program may require developers to pay a transportation impact fee for off-site transportation improvements not yet constructed and for those jointly-funded improvements constructed since the commencement of the program.

The program shall define the event in the development approval process that triggers a determination of the amount of the transportation impact fees and the event that triggers the obligation to make actual payment of the fees. However, the payment obligation shall not commence before the date the developer has obtained a building permit for the new development or, in the case of residential subdivisions or short plats, at the time of final plat approval, at the developer's option. If the developer of a residential subdivision or short plat elects to pay the fee at the date a building permit has been obtained, the option to pay the transportation impact fee by installments as authorized by this section is deemed to have been waived by the developer. The developer shall be given the option to pay the transportation impact fee in a lump sum, without interest, or by installment with reasonable interest over a period of five years or more as specified by the local government.

The local government shall require security for the obligation to pay the transportation impact fee, in the form of a recorded agreement, deed of trust, letter of credit, or other instrument determined satisfactory by the local government. The developer shall also be given credit against its obligations for the transportation impact fee, for the fair market value of off-site land and/or the cost of constructing (improved) off-site transportation (facilities) improvements dedicated to the local government. If the value of the dedication exceeds the amount of transportation impact fee obligation, the developer is entitled to reimbursement from transportation impact fees attributable to the dedicated (facilities) improvements and paid by subsequent developers within the plan area.

Payment of the transportation impact fee entitles the developer and its successors and assigns to credit against any other fee, local improvement
district assessment, or other monetary imposition made specifically for the
designated off-site transportation improvements intended to be covered by
the transportation impact fee imposed pursuant to this program. The pro-
gram shall also define the criteria for establishing periodic fee increases at-
tributable to construction and related cost increases for the improvements
designated in the program.

(26) "Game farm" means property on which wildlife is held or raised for commercial purposes, trade, or gift. The term "game farm" does not include publicly owned facilities.

Passed the Senate April 12, 1989.
Approved by the Governor May 8, 1989, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 8, 1989.

Note: Governor's explanation of partial veto is as follows:

*I am returning herewith, without my approval as to section 6, House Bill No. 2010 entitled:

"AN ACT Relating to permitting hunting by nonambulatory disabled persons."

Current law prohibits hunters from carrying a loaded weapon in a motor vehicle and prohibits hunting from a non-highway vehicle or snowmobile. This legislation would give disabled hunters the opportunity to hunt by allowing hunting from a non-highway vehicle or snowmobile.
WASHINGTON LAWS, 1989

This legislation sets good policy regarding the enhancement of the hunting opportunities for disabled persons. The need to veto section 6 relates solely to an inconsistency. Existing law prohibits hunting from, across or along the maintained portion of a public highway. It is stated in new section 2, "No hunting shall be permitted from a motor vehicle that is parked on or beside the maintained portion of a public road." Yet section 6 implies that disabled hunters may shoot from, across or along public highways. To remove this inconsistency, it is necessary to veto section 6, which then leaves the current prohibition in place.

With the exception of section 6, House Bill No. 2010 is approved.

PORT DISTRICTS—RESTRICTIONS ON SALE AND LEASE OF DISTRICT LAND REMOVED

AN ACT Relating to restrictions on the sale or lease of port district land; and amending RCW 53.08.040 and 53.08.080.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 5, chapter 65, Laws of 1955 as last amended by section 1, chapter 54, Laws of 1972 ex. sess. and RCW 53.08.040 are each amended to read as follows:

A district may improve its lands by dredging, filling, bulkheading, providing waterways or otherwise developing such lands ((for sale or lease)) for industrial and commercial purposes. A district may also acquire, construct, install, improve, and operate sewer and water utilities to serve its own property and other property owners under terms, conditions, and rates to be fixed and approved by the port commission. A district may also acquire, by purchase, construction, lease, or in any other manner, and may maintain and operate other facilities for the control or elimination of air, water, or other pollution, including, but not limited to, facilities for the treatment and/or disposal of industrial wastes, and may make such facilities available to others under terms, conditions and rates to be fixed and approved by the port commission. Such conditions and rates shall be sufficient to reimburse the port for all costs, including reasonable amortization of capital outlays caused by or incidental to providing such other pollution control facilities: PROVIDED, That no part of such costs of providing any pollution control facility to others shall be paid out of any tax revenues of the port: AND PROVIDED FURTHER, That no port shall enter into an agreement or contract to provide sewer and/or water utilities or pollution control facilities if substantially similar utilities or facilities are available from another source (or sources) which is able and willing to provide such utilities or facilities on a reasonable and nondiscriminatory basis unless such other source (or sources) consents thereto.

In the event that a port elects to make such other pollution control facilities available to others, it shall do so by lease, lease purchase agreement, or other agreement binding such user to pay for the use of said facilities for
the full term of the revenue bonds issued by the port for the acquisition of said facilities, and said payments shall at least fully reimburse the port for all principal and interest paid by it on said bonds and for all operating or other costs, if any, incurred by the port in connection with said facilities:

PROVIDED, HOWEVER, That where there is more than one user of any such facilities, each user shall be responsible for its pro rata share of such costs and payment of principal and interest. Any port intending to provide pollution control facilities to others shall first survey the port district to ascertain the potential users of such facilities and the extent of their needs. The port shall conduct a public hearing upon the proposal and shall give each potential user an opportunity to participate in the use of such facilities upon equal terms and conditions.

Sec. 2. Section 9, chapter 65, Laws of 1955 as last amended by section 1, chapter 64, Laws of 1983 and RCW 53.08.080 are each amended to read as follows:

A district may lease all lands, wharves, docks and real and personal property owned and controlled by it, for such purposes and upon such terms as the port commission deems proper: PROVIDED, That no lease shall be for a period longer than fifty years with option for extensions for up to an additional thirty years, except where the property involved is or is to be devoted to airport purposes the port commission may lease said property for such period as may equal the estimated useful life of such work or facilities, but not to exceed seventy-five years: PROVIDED FURTHER, That where the property is held by the district under lease from the United States government or the state of Washington, or any agency or department thereof, the port commission may sublease said property, with option for extensions, up to the total term and extensions thereof permitted by such lease, but in any event not to exceed ninety years.

The advisory committee shall be chaired by the director of the department of community development, or the director's designee. The remaining members on the advisory committee shall be law enforcement personnel and representatives of cities and towns. *Sec. 1 was vetoed, see message at end of chapter.

Sec. 2. Section 2, chapter 212, Laws of 1977 ex. sess. and RCW 43.101.200 are each amended to read as follows:

(1) All law enforcement personnel, except volunteers, and reserve officers whether paid or unpaid, initially employed on or after January 1, 1978, shall engage in basic law enforcement training which complies with standards adopted by the commission pursuant to RCW 43.101.080 and 43.101.160. For personnel initially employed before January 1, 1990, such training shall be successfully completed during the first fifteen months of employment of such personnel unless otherwise extended or waived by the commission and shall be requisite to the continuation of such employment. Personnel initially employed on or after January 1, 1990, shall commence basic training during the first six months of employment unless the basic training requirement is otherwise waived or extended by the commission. Successful completion of basic training is requisite to the continuation of employment of such personnel initially employed on or after January 1, 1990.

Additionally, the commission shall reimburse to participating law enforcement agencies with ten or less full-time commissioned patrol officers the cost of temporary replacement of each officer who is enrolled in basic law enforcement training: PROVIDED, That such reimbursement shall include only the actual cost of temporary replacement not to exceed the total amount of salary and benefits received by the replaced officer during his training period.

Passed the Senate April 17, 1989.
Passed the House April 13, 1989.
Approved by the Governor May 8, 1989, with the exception of certain items which were vetoed.
Filed in Office of Secretary of State May 8, 1989.
Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 1, Substitute Senate Bill No. 5776 entitled:

"AN ACT Relating to law enforcement training."

Section 1 of this measure requires the Department of Community Development (DCD) to establish an advisory committee to study the issue of untrained and uncertified city and town law enforcement personnel. The advisory committee would be chaired by the director of DCD, while technical assistance and staff support would be provided by the Criminal Justice Training Commission (CJTC).

I believe it is important that we ensure our citizens that their law enforcement officers are properly trained. However, evidence has not been provided that this issue is of such compelling public interest that a study, conducted by a new advisory committee, should be statutorily authorized. Furthermore, it is inappropriate to have the resources of one executive agency subject to the authority of another agency director.

Section 2 of this measure requires law enforcement personnel hired after January 1, 1990, to commence training within six months of employment. Current law allows a much greater time before training must be completed. I support this change and believe it will serve to enhance the professionalism of our public safety officers.

With the exception of section 1, Substitute Senate Bill No. 5776 is approved."
