AN ACT Relating to city or town name changes; adding new sections to chapter 35.62 RCW; and repealing RCW 35.62.020, 35.62.030, 35.62.040, and 35.62.050.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 35.62 RCW to read as follows:

The question of whether the name of a city or town shall be changed shall be presented to the voters of the city or town upon either: (1) The adoption of a resolution by the city or town council proposing a specific name change; or (2) the submission of a petition proposing a specific name change that has been signed by voters of the city or town equal in number to at least ten percent of the total number of voters of the city or town who voted at the last municipal general election. However, for any newly incorporated city or town that has not had city officials elected at a normal general municipal election, the election that is used as the base for determining the number of required signatures shall be the election at which the initial elected officials were elected.

The election on changing the name of the city or town shall be held at the next general election occurring sixty or more days after the resolution was adopted, or the resolution was submitted that has been certified by the county auditor as having sufficient valid signatures.

NEW SECTION. Sec. 2. A new section is added to chapter 35.62 RCW to read as follows:

Where only one new name has been proposed by petition or resolution such question shall be in substantially the following form:

Yes

No "

If a majority of the votes cast favor the name change, the city or town shall have its name changed effective thirty days after the certification of the election results.

NEW SECTION. Sec. 3. A new section is added to chapter 35.62 RCW to read as follows:

"If a name change is approved, which of the following should be the new name?

 (insert name)

(insert name)
Vote for one."

Voters may select a name change whether or not they vote in favor of changing the name of the city or town. If a majority of the votes cast on the first proposition favor changing the name, the name that receives at least a majority of the total number of votes cast for an alternative name shall become the new name of the city or town effective thirty days after the certification of the election results.

If no alternative name receives a simple majority vote, then an election shall be held at the next November special election date, at which voters shall be given the option of choosing which of the two alternative names that received the most votes shall become the new name of the city or town. This ballot proposition shall be worded substantially as follows:

"Which of the following names shall become the new name of the city (or town) of (insert name) ?

(insert name)
(insert name)
Vote for one."

The name that receives the majority vote shall become the new name of the city or town effective thirty days after the certification of the election results.
