CHAPTER 91

[House Bill No. 2942]

RECREATIONAL FISHERIES ENHANCEMENT PLAN PROGRESS REPORTS

AN ACT Relating to progress reports on the recreational fisheries enhancement plan; and adding new sections to chapter 75.08 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature is aware that the Washington state department of fisheries introduced a broad new program titled "The Recreational Fishery Enhancement Plan" in October of 1989. The declared purpose of the plan is to emphasize recreational opportunities and develop the plan with emphasis on recreational salmon fishing.

The plan boldly adopts, as its chief goal, Governor Gardner's personal objective: Make Washington the recreational fishing capital of the nation. The director states this will be accomplished through a series of regional programs. The legislature commends the director for his recreational fishery enhancement plan and the various concepts it contains to meet the need for recreational emphasis.

The legislature recognizes that any plan such as the recreational fishery enhancement plan requires creative thinking, innovation, commitment, allocation of appropriate resources, and risk taking. Certain failures may occur in aspects of the programs but only through such far-sighted acceptance of risks will success be achieved.

Because of the importance of this effort to the state of Washington, the legislature and the thousands of Washington recreational fishers must be kept informed as to the progress and success of the recreational fishery enhancement plan.

NEW SECTION. Sec. 2. The director shall report to the governor and the appropriate legislative committees regarding its progress on the recreational fishery enhancement plan giving the following minimum information:

(1) By July 1, 1990, and by July 1st each succeeding year a report shall include:

(a) Progress on all programs within the plan that are referred to as already underway; and

(b) Specific anticipated needs for additional FTE's, additional capital funds or other needed resources, including whether or not current budgetary dollars are sufficient.

(2) By November 1, 1990, and by November 1st each succeeding year a report shall provide the many specificities omitted from the recreational fishery enhancement plan. They include but are not limited to the following:

(a) The name of the person assigned the responsibility and accountability for over-all management of the recreational fishery enhancement plan.

(b) The name of the person responsible and accountable for management of each regional program.

(c) The anticipated yearly costs related to each regional program.

(d) The specific dates relative to attainment of the recreational fishery enhancement plan goals, including a time-line program by region.

(e) Criteria used for measurement of the successful attainment of the recreational fishery enhancement plan.

****NEW SECTION. Sec. 3. Sections 1 and 2 of this act are each added to chapter 75.08 RCW.***

**Sec. 3 was vetoed, see message at end of chapter.*

Passed the House February 13, 1990.

Passed the Senate February 28, 1990.

Approved by the Governor March 19, 1990, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State March 19, 1990.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 3, House Bill No. 2942 entitled:

"AN ACT Relating to progress reports on the recreational fisheries enhancement plan."

I am supportive of the Recreational Fisheries Enhancement Plan initiated by the Washington Department of Fisheries. I also understand the interest of legislative members in being kept apprised of the implementation of the Plan. I do not, however, believe that it is necessary to codify the intent section of this bill.

I have vetoed section 3 which would have required the codification and will ask the Code Reviser to footnote the intent section.

With the exception of section 3, House Bill No. 2942 is approved.
