Beginning on page 2, line 1, after "(3)" strike all material through "administration." on page 3, line 9 and insert the following:

"(a) To determine whether or not a defendant is a dependent of a person in the military service under this chapter, the plaintiff may serve on or mail via first-class mail to the defendant a written notice in substantially the following form:

"NOTICE: State and federal law provide protections to defendants who are on active duty in the military service, and to their dependents. Dependents of a service member are the service member's spouse, the service member's minor child, or an individual for whom the service member provided more than one-half of the individual's support for one hundred eighty days immediately preceding an application for relief.

One protection provided is the protection against the entry of a default judgment in certain circumstances. This notice only pertains to a defendant who is a dependent of a member of the national guard or a military reserve component under a call to active service for a period of more than thirty consecutive days. Other defendants in military service also have protections against default judgments not covered by this notice. If you are the dependent of a member of the national guard or a military reserve component under a call to active service for a period of more than thirty consecutive days, you should notify the plaintiff or the plaintiff's attorneys in writing of your status as such within twenty days of the receipt of this notice. If you fail to do so, then a court or an administrative tribunal may presume that you are not a dependent of an active duty member of the national guard or reserves, and proceed with the entry of an order of default and/or a default judgment without further proof of your status. Your response to the plaintiff or plaintiff's attorneys about your status does not constitute an appearance for jurisdictional purposes in any pending litigation nor a waiver of your rights."

(b) If the notice is either served on the defendant twenty or more days prior to an application for an order of default or a default judgment, or mailed to the defendant more than twenty-three days prior to such application, and the defendant fails to timely respond, then for purposes of entry of an order of default or default judgment, the court or administrative tribunal may presume that the defendant is not a dependent of a person in the military service under this chapter."
