(b) "Credit report" means a consumer report, as defined in 15 U.S.C. Sec. 1681a, that is used or collected to serve as a factor in establishing a consumer's eligibility for credit for personal, family, or household purposes.

(c) "Normal business hours" means Sunday through Saturday, between the hours of 6:00 a.m. and 9:30 p.m. Pacific Standard Time.

3. A consumer reporting agency shall place a security freeze on a consumer's credit report no later than five business days after receiving a written request from the consumer and payment of the fee required by the consumer credit reporting agency under subsection (13) of this section.

4. The consumer reporting agency shall send a written confirmation of the security freeze to the consumer within ten business days and shall provide the consumer with a unique personal identification number or password to be used by the consumer when providing authorization for the release of his or her credit report for a specific party or period of time.

When a consumer reporting agency intends to remove a freeze upon a consumer's credit report under this subsection, the consumer reporting agency shall notify the consumer in writing prior to removing the freeze on the consumer's credit report.

(11) When a consumer requests a security freeze, the consumer reporting agency shall disclose the process of placing and temporarily lifting a freeze, and the process for allowing access to information from the consumer's credit report for a specific (period of time) while the freeze is in place.

(12) A security freeze remains in place until the consumer requests that the security freeze be removed. A consumer reporting agency shall remove a security freeze within three business days of receiving a request for removal from the consumer, who provides (both) all of the following:
