Representative Dahlquist moved the adoption of amendment (280).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that it is difficult for many property owners to pay property taxes under the current system in which past due property tax payments must be paid in full, including penalties and interest. The legislature further finds that providing counties and property owners some flexibility in structuring past due property tax payments may result in a more stable source of revenues for local governments and provide some relief for property owners.

Sec. 2. RCW 84.56.020 and 2010 c 200 s 1 are each amended to read as follows:

(1) The county treasurer must be the receiver and collector of all taxes extended upon the tax rolls of the county, whether levied for state, county, school, bridge, road, municipal or other purposes, and also of all fines, forfeitures or penalties received by any person or officer for the use of his or her county. No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notice of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and, except as provided in this section, ("shall") are delinquent after that date.

(2) Each tax statement must include a notice that checks for payment of taxes may be made payable to "Treasurer of . . . County" or other appropriate office, but tax statements may not include any suggestion that checks may be made payable to the name of the individual holding the office of treasurer nor any other individual.

(3) When the total amount of tax or special assessments on personal property or on any lot, block or tract of real property payable by one person is fifty dollars or more, and if one-half of such tax be paid on or before the thirtieth day of April, the remainder of such tax
is due and payable on or before the thirty-first day of October following and (shall be) delinquent after that date.

(4) When the total amount of tax or special assessments on any lot, block or tract of real property or on any mobile home payable by one person is fifty dollars or more, and if one-half of such tax be paid after the thirtieth day of April but before the thirty-first day of October, together with the applicable interest and penalty on the full amount of tax payable for that year, the remainder of such tax is due and payable on or before the thirty-first day of October following and is delinquent after that date.

(5) Delinquent taxes under this section are subject to interest at the rate of twelve percent per annum computed on a monthly basis on the full year amount of tax unpaid from the date of delinquency until paid. Interest must be calculated at the rate in effect at the time of payment of the tax, regardless of when the taxes were first delinquent. In addition, delinquent taxes under this section are subject to penalties as follows:

(a) A penalty of three percent of the full year amount of tax unpaid is assessed on the tax delinquent on June 1st of the year in which the tax is due.

(b) An additional penalty of eight percent is assessed on the amount of tax delinquent on December 1st of the year in which the tax is due.

(6) Subsection (5) of this section notwithstanding, no interest or penalties may be assessed during any period of armed conflict on delinquent taxes imposed on the personal residences owned by active duty military personnel who are participating as part of one of the branches of the military involved in the conflict and assigned to a duty station outside the territorial boundaries of the United States.

(7) During a state of emergency declared under RCW 43.06.010(12), the county treasurer, on his or her own motion or at the request of any taxpayer affected by the emergency, may grant extensions of the due date of any taxes payable under this section as the treasurer deems proper.

(8)(a) In accordance with the requirements and conditions of this subsection (8), the county treasurer of a county with a population of eight hundred thousand or more must establish an installment payment program for taxpayers delinquent on taxes due and payable in any year prior to the calendar year in which an application to participate in the program is submitted. The county treasurer from any other county may also establish a similar installment program, but is not required to do so. In a county with a population of eight hundred thousand or more, the installment payment program must be implemented by calendar year 2014, but may be implemented earlier.

(b) A taxpayer must submit an application to the county treasurer in a form and manner required by the county treasurer. The application must specify the timing of payments and payment amounts. A county treasurer may establish a reasonable minimum payment threshold, a reasonable maximum time period in which a taxpayer must become current on delinquent taxes, penalties, and interest, and any other reasonable requirements for an installment payment program under this subsection.

(c) To initially qualify and to remain in the program, a taxpayer may not be delinquent on taxes due and payable in the calendar year in which the application is submitted or become delinquent on any taxes due and payable in subsequent calendar years.

(d) The county treasurer may not assess interest and penalties on delinquent property taxes that are included within the installment payment program beginning on the first day of the month in which the taxpayer is first admitted into the program. Interest and penalties that have been assessed prior to this date remain due and payable as provided in the payment program. A taxpayer is disqualified immediately from the program if the taxpayer does not make payments in accordance with the program on more than two occasions. If a taxpayer is disqualified from the program for any reason, all penalties and interest that would have otherwise been assessed become immediately due and payable.

(e) The department, collaborating with any county treasurer participating in the installment payment program under this subsection, must prepare a report to the legislature consistent with RCW 43.01.036. The report must summarize the effectiveness of the pilot program in increasing payments on past due taxes and include information on the number of applicants, the number of active participants, the number of participants who have paid off all past due taxes, and the total amount of revenue collected under the pilot program. The report may include any recommendations to the legislature to improve the effectiveness of the pilot program. The report is due on the first December 1st occurring after the pilot program has been operating for at least twenty-four months.

(9) For purposes of this chapter, "interest" means both interest and penalties.

((6)(9)) (10) All collections of interest on delinquent taxes must be credited to the county current expense fund; but the cost of foreclosure and sale of real property, and the fees and costs of distraint and sale of personal property, for delinquent taxes, must, when collected, be credited to the operation and maintenance fund of the county treasurer prosecuting the foreclosure or distraint or sale; and must be used by the county treasurer as a revolving fund to defray the cost of further foreclosure, distraint and sale for delinquent taxes without regard to budget limitations.

((6)(10)) (11)(a) For purposes of this chapter, and in accordance with this section and RCW 36.29.190, the treasurer may collect taxes, assessments, fees, rates, penalties, interest, and charges by electronic bill presentment and payment. Electronic bill presentment and payment may be utilized as an option by the taxpayer, but the treasurer may not require the use of electronic bill presentment and payment. Electronic bill presentment and payment may be on a monthly or other periodic basis as the treasurer deems proper for past due payments or prepayments. All prepayments must be paid in full by the due date specified in (c) of this subsection.

(b) The treasurer must provide, by electronic means, a payment agreement that may include past due payment or prepayment collection charges. The payment agreement must be signed by the taxpayer and treasurer prior to the sending of an electronic bill.

(c) All taxes upon real and personal property made payable by the provisions of this title are due and payable to the treasurer on or before the thirtieth day of April and are delinquent after that date. The remainder of the tax is due and payable on or before the thirty-first day of October following and is delinquent after that date. All other assessments, fees, rates, and charges are delinquent after the due date.

(d) A county legislative authority may authorize payment of past due property taxes, penalties, and interest under this chapter by electronic funds transfer payments on a monthly basis. Monthly payments must first be applied to penalties and interest. The treasurer must pay any collection costs, investment earnings, or both on prepayments to the credit of a county treasurer service fund account to be created and used only for the payment of expenses incurred by the treasurer, without limitation, in administering the system for collecting prepayments.

((6)(11)) (12) For purposes of this section, the following definitions apply:

(a) "Electronic bill presentment and payment" means statements, invoices, or bills that are created, delivered, and paid using the internet. The term includes an automatic electronic payment from a person's checking account, debit account, or credit card.

(b) "Internet" has the same meaning as provided in RCW 19.270.010."

NEW SECTION. Sec. 1. (1) The legislature finds that in 2007 the legislature passed Substitute Senate Bill No. 5647, which expanded the allowable uses of lodging tax revenues for tourism promotion. The legislature further finds that the 2007 legislation was temporary but required the analysis of the economic impact of the expanded uses of lodging tax revenues. The legislature further finds that hotelsiers are the cornerstone of the tourism industry and are the entities that generate lodging tax revenues that benefit the local jurisdictions throughout the state. The legislature further finds that lodging tax revenues stimulate economic activity when the use of revenues is specific and targeted based on the differing needs of local jurisdictions.

(2) Because of the diverging needs of local jurisdictions, the legislature intends to continue to allow the expanded uses of lodging tax revenues to promote tourism and increase economic activity for local jurisdictions. The legislature further intends to subject the use of lodging tax revenues to a periodic review to ensure that the incremental economic benefit is measured and that the use of lodging tax revenues continues to increase tourism and generate revenue for local jurisdictions.

Sec. 2. RCW 67.28.1816 and 2008 c 28 s 1 are each amended to read as follows:

(1) Lodging tax revenues under this chapter may be used, directly by local jurisdictions or indirectly through a convention and visitors bureau or destination marketing organization, for the marketing and operations of special events and festivals designed to attract tourists and local travelers and to support the operations and capital expenditures of tourism-related facilities, designed to attract tourists and local travelers, owned or operated by public entities or nonprofit organizations described under section 69.28B.435 (b) of this chapter and section 501(c)(6) of the internal revenue code of 1986, as amended.

(2) (Local jurisdictions that use the lodging tax revenues under this section must submit an annual economic impact report to the department of community, trade, and economic development for expenditures made beginning January 1, 2008. These reports must include the expenditures by the local jurisdiction for tourism promotion purposes and what is used by a nonprofit organization exempt from taxation under 26 U.S.C. Sec. 501(c)(3) or 501(c)(6). This economic impact report, at a minimum, must include: (a) The total revenue received under this chapter for each year; (b) the list of festivals, special events, or nonprofit 501(c)(3) or 501(c)(6) organizations that received funds under this chapter; (c) the list of festivals, special events, or tourism facilities sponsored or owned by the local jurisdiction that received funds under this chapter; (d) the amount of revenue expended on each festival, special event, or tourism-related facility owned or sponsored by a nonprofit 501(c)(3) or 501(c)(6) organization or local jurisdiction; (e) the estimated number of tourists, persons traveling over fifty miles to the destination, persons remaining at the destination overnight, and lodging stays generated per festival, special event, or tourism-related facility owned or sponsored by a nonprofit 501(c)(3) or 501(c)(6) organization or local jurisdiction; and (f) any other measurements the local government finds that demonstrate the impact of the increased tourism attributable to the festival, special event, or tourism-related facility owned or sponsored by a nonprofit 501(c)(3) or 501(c)(6) organization or local jurisdiction.

(3) The joint legislative audit and review committee must report to the legislature and the governor on the use and economic impact of lodging tax revenues by local jurisdictions since January 1, 2008. These reports must provide the legislative body of the municipality to which they are applicable estimates of how any moneys received will result in incremental economic benefit is measured and that the use of lodging tax revenues continues to increase tourism and generate revenue for local jurisdictions.

(c)(i) All recipients must submit a report to the legislative body of the municipality reporting pertinent data evaluating tourism and local visitor benefits resulting from the use of the funds as compared with the estimates contained in the application. The legislative body of the municipality receiving a report must: Make such report available to the public and furnish copies of the report to the joint legislative audit and review committee and members of the local lodging tax advisory committee by December 31st each year.

(ii) On a biennial basis, and in compliance with RCW 43.01.036, the joint legislative audit and review committee must submit a report to the economic development committees of the legislature that details the use and economic impact of lodging tax revenues by local jurisdictions based on the reports furnished to the joint legislative audit and review committee under (c)(i) of this subsection.
