MESSAGE FROM THE SENATE

March 4, 2016

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2427 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. Local governments must be efficient and prudent stewards of our residents' tax resources. To best serve our communities, certain local government statutes must be amended to reflect technological and organizational change. It is the intent of the legislature to clarify current authorities so that local government can better serve their residents, and it is the intent of the legislature that the following sections allow local government to pursue modern methods of serving their residents while preserving the public's right to access public records, and judiciously using scarce county resources to achieve maximum benefit.

Sec. 2. RCW 19.360.020 and 2015 c 72 s 2 are each amended to read as follows:

(1) Unless specifically provided otherwise by law or agency rule, whenever the use of a written signature is authorized or required by this code with a state or local agency, an electronic signature may be used with the same force and effect as the use of a signature affixed by hand, as long as the electronic signature conforms to the definition in RCW 19.360.030 and the writing conforms to RCW 19.360.040.

(2) Except as otherwise provided by law, each state or local agency may determine whether, and to what extent, the agency will send and accept electronic records and electronic signatures to and from other persons and otherwise create, generate, communicate, store, process, use, and rely upon electronic records and electronic signatures. Nothing in this act requires a state or local agency to send or accept electronic records or electronic signatures when a writing or signature is required by statute.

(3) Except as otherwise provided by law, for governmental affairs and governmental transactions with state agencies, each state agency electing to send and accept shall establish the method that must be used for electronic submissions and electronic signatures. The method and process for electronic submissions and the use of electronic signatures must be established by policy or rule and be consistent with the policies, standards, or guidance established by the chief information officer required in subsection (4) of this section.

(4)(a) The chief information officer, in coordination with state agencies, must establish standards, guidelines, or policies for the electronic submittal and receipt of electronic records and electronic signatures for governmental affairs and governmental transactions. The standards, policies, or guidelines must take into account reasonable access by and ability of persons to participate in governmental affairs or governmental transactions and be able to rely on transactions that are conducted electronically with agencies. Through the standards, policies, or guidelines, the chief information officer should encourage and promote consistency and interoperability among state agencies.

(b) In order to provide a single point of access, the chief information officer must establish a web site that maintains or links to the agency rules and policies established pursuant to subsection (3) of this section.

(5) Except as otherwise provided by law, for governmental affairs and governmental transactions with local agencies, each local agency electing to send and accept shall establish the method that must be used for electronic submissions and electronic signatures. The method and process for electronic submissions and the use of electronic signatures must be established by ordinance, resolution, policy, or rule. The local agency shall also establish standards, guidelines, or policies for the electronic submittal and receipt of electronic records and electronic signatures for governmental affairs and governmental transactions. The standards, policies, or guidelines must take into account reasonable access by and ability of persons to participate in governmental affairs or governmental transactions and be able to rely on transactions that are conducted electronically with agencies.

Sec. 3. RCW 19.360.030 and 2015 c 72 s 3 are each amended to read as follows:

(1) Unless specifically provided otherwise by law or rule or unless the context clearly indicates otherwise, whenever the term "signature" is used in this code for governmental affairs and is authorized by state or local agency ordinance, resolution, rule, or policy pursuant to RCW 19.360.020, the term includes an electronic signature as defined in subsection (2) of this section.

(2) "Electronic signature" means an electronic sound, symbol, or process attached to or logically associated with a contract or other record and executed or adopted by a person with the intent to sign the record.

Sec. 4. RCW 19.360.040 and 2015 c 72 s 4 are each amended to read as follows:

(1) Unless specifically provided otherwise by law or rule or unless the context clearly indicates otherwise,
whenever the term "writing" is used in this code for governmental affairs and is authorized by state or local agency ordinance, resolution, rule, or policy pursuant to RCW 19.360.020, the term means a record.

(2) "Record," as used in subsection (1) of this section, means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form, except as otherwise defined for the purpose of state or local agency record retention, preservation, or disclosure.

Sec. 5. RCW 19.360.050 and 2015 c 72 s 5 are each amended to read as follows:

(1) Unless specifically provided otherwise by law or rule or unless the context clearly indicates otherwise, whenever the term "mail" is used in this code and authorized by state or local agency ordinance, resolution, rule, or policy pursuant to RCW 19.360.020 to transmit a writing with a state or local agency, the term includes the use of mail delivered through an electronic system such as email or secure mail transfer if authorized by the state agency in rule.

(2) For the purposes of this section, "electronic" means relating to technology having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities.

Sec. 6. RCW 19.360.060 and 2015 c 72 s 6 are each amended to read as follows:

For purposes of RCW 19.360.020 through 19.360.050, "state agency" means any state board, commission, bureau, committee, department, institution, division, or tribunal in the executive branch of state government, including statewide elected offices and institutions of higher education created and supported by the state government. "Local agency" means every county, city, town, municipal corporation, quasi-municipal corporation, special purpose district, or other local public agency.

Sec. 7. RCW 36.62.252 and 1984 c 26 s 20 are each amended to read as follows:

Every county which maintains a county hospital or infirmary shall establish a "county hospital fund" into which fund shall be deposited all unrestricted moneys received from any source for hospital or infirmary services including money received for services to recipients of public assistance and other persons without income and resources sufficient to secure such services. The county may maintain other funds for restricted moneys. Obligations incurred by the hospital shall be paid from such funds by the county treasurer in the same manner as general county obligations are paid, except that in counties where a contract has been executed in accordance with RCW 36.62.290, warrants may be issued by the hospital administrator for the hospital, if authorized by the county legislative authority and the county treasurer. The county treasurer shall furnish to the county legislative authority a monthly report of receipts and disbursements in the county hospital funds which report shall also show the balance of cash on hand.

Sec. 8. RCW 36.32.235 and 2009 c 229 s 6 are each amended to read as follows:

(1) In each county with a population of four hundred thousand or more which by resolution establishes a county purchasing department, the purchasing department shall enter into leases of personal property on a competitive basis and purchase all supplies, materials, and equipment on a competitive basis, for all departments of the county, as provided in this chapter and chapter 39.04 RCW, except that the county purchasing department is not required to make purchases that are paid from the county road fund or equipment rental and revolving fund.

(2) As used in this section, "public works" has the same definition as in RCW 39.04.010.

(3) Except as otherwise specified in this chapter or in chapter 36.77 RCW, all counties subject to these provisions shall contract on a competitive basis for all public works after bids have been submitted to the county upon specifications therefor. Such specifications shall be in writing and shall be filed with the clerk of the county legislative authority for public inspection.

(4) An advertisement shall be published in the county official newspaper stating the time and place where bids will be opened, the time after which bids will not be received, the character of the work to be done, the materials and equipment to be furnished, and that specifications therefor may be seen at the office of the clerk of the county legislative authority. An advertisement shall also be published in a legal newspaper of general circulation in or as near as possible to that part of the county in which such work is to be done. If the county official newspaper is a newspaper of general circulation covering at least forty percent of the residences in that part of the county in which such public works are to be done, then the publication of an advertisement of the applicable specifications in the county official newspaper is sufficient. Such advertisements shall be published at least once at least thirteen days prior to the last date upon which bids will be received.

(5) The bids shall be in writing, may be in either hard copy or electronic form as specified by the county, shall be filed with the clerk, shall be opened and read in public at the time and place named therefor in the advertisements, and after being opened, shall be filed for public inspection. No bid may be considered for public work unless it is accompanied by a bid deposit in the form of a surety bond, postal money order, cash, cashier's check, or certified check in an amount equal to five percent of the amount of the bid proposed.

(6) The contract for the public work shall be awarded to the lowest responsible bidder. Any or all bids may be rejected for good cause. The county legislative authority shall require from the successful bidder for such public work a contractor's bond in the amount and with the conditions imposed by law.

(7) If the bidder to whom the contract is awarded fails to enter into the contract and furnish the contractor's bond as required within ten days after notice of the award, exclusive of the day of notice, the amount of the bid deposit
shall be forfeited to the county and the contract awarded to the next lowest and best bidder. The bid deposit of all unsuccessful bidders shall be returned after the contract is awarded and the required contractor’s bond given by the successful bidder is accepted by the county legislative authority. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry.

(8) As limited by subsection (10) of this section, a county subject to these provisions may have public works performed by county employees in any annual or biennial budget period equal to a dollar value not exceeding ten percent of the public works construction budget, including any amount in a supplemental public works construction budget, over the budget period.

Whenever a county subject to these provisions has had public works performed in any budget period up to the maximum permitted amount for that budget period, all remaining public works except emergency work under subsection (12) of this section within that budget period shall be done by contract pursuant to public notice and call for competitive bids as specified in subsection (3) of this section. The state auditor shall report to the state treasurer any county subject to these provisions that exceeds this amount and the extent to which the county has or has not reduced the amount of public works it has performed by public employees in subsequent years.

(9) If a county subject to these provisions has public works performed by public employees in any budget period that are in excess of this ten percent limitation, the amount in excess of the permitted amount shall be reduced from the otherwise permitted amount of public works that may be performed by public employees for that county in its next budget period. Ten percent of the motor vehicle fuel tax distributions to that county shall be withheld if two years after the year in which the excess amount of work occurred, the county has failed to so reduce the amount of public works that it has performed by public employees. The amount withheld shall be distributed to the county when it has demonstrated in its report to the state auditor that the amount of public works it has performed by public employees has been reduced as required.

(10) In addition to the percentage limitation provided in subsection (8) of this section, counties subject to these provisions containing a population of four hundred thousand or more shall not have public employees perform a public works project in excess of ninety thousand dollars if more than a single craft or trade is involved with the public works project, or a public works project in excess of forty-five thousand dollars if only a single craft or trade is involved with the public works project. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by public employees on a single project.

The cost of a separate public works project shall be the costs of materials, supplies, equipment, and labor on the construction of that project. The value of the public works budget shall be the value of all the separate public works projects within the budget.

(11) In addition to the accounting and recordkeeping requirements contained in chapter 39.04 RCW, any county which uses public employees to perform public works projects under RCW 36.32.240(1) shall prepare a year-end report to be submitted to the state auditor indicating the total dollar amount of the county’s public works construction budget and the total dollar amount for public works projects performed by public employees for that year.

The year-end report submitted pursuant to this subsection to the state auditor shall be in accordance with the standard form required by RCW 43.09.205.

(12) Notwithstanding any other provision in this section, counties may use public employees without any limitation for emergency work performed under an emergency declared pursuant to RCW 36.32.270, and any such emergency work shall not be subject to the limitations of this section. Publications of the description and estimate of costs relating to correcting the emergency may be made within seven days after the commencement of the work. Within two weeks of the finding that such an emergency existed, the county legislative authority shall adopt a resolution certifying the damage to public facilities and costs incurred or anticipated relating to correcting the emergency. Additionally this section shall not apply to architectural and engineering or other technical or professional services performed by public employees in connection with a public works project.

(13) In lieu of the procedures of subsections (3) through (11) of this section, a county may let contracts using the small works roster process provided in RCW 39.04.155.

Whenever possible, the county shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section.

(14) The allocation of public works projects to be performed by county employees shall not be subject to a collective bargaining agreement.

(15) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(4), that are negotiated under chapter 39.35A RCW.

(16) Nothing in this section prohibits any county from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

(17) This section does not apply to contracts between the public stadium authority and a team affiliate under RCW 36.102.060(4), or development agreements between the public stadium authority and a team affiliate under RCW 36.102.060(7) or leases entered into under RCW 36.102.060(8).

**Sec. 9.** RCW 36.32.245 and 2007 c 88 s 1 are each amended to read as follows:

(1) No contract for the purchase of materials, equipment, or supplies may be entered into by the county legislative authority or by any elected or appointed officer of the county until after bids have been submitted to the county. Bid specifications shall be in writing and shall be filed with the clerk of the county legislative authority for public inspection. An advertisement shall be published in
the official newspaper of the county stating the time and place where bids will be opened, the time after which bids will not be received, the materials, equipment, supplies, or services to be purchased, and that the specifications may be seen at the office of the clerk of the county legislative authority. The advertisement shall be published at least once at least thirteen days prior to the last date upon which bids will be received.

(2) The bids shall be in writing, may be in either hard copy or electronic form as specified by the county, and shall be filed with the clerk. The bids shall be opened and read in public at the time and place named in the advertisement. Contracts requiring competitive bidding under this section may be awarded only to the lowest responsible bidder. Immediately after the award is made, the bid quotations shall be recorded and open to public inspection and shall be available by telephone inquiry. Any or all bids may be rejected for good cause.

(3) For advertisement and formal sealed bidding to be dispensed with as to purchases between (fifty) five thousand and (twenty-five) twenty-five thousand dollars, the county legislative authority must use the uniform process to award contracts as provided in RCW 39.04.190. Advertisement and formal sealed bidding may be dispensed with as to purchases of less than (fifty) twenty-five thousand dollars upon the order of the county legislative authority.

(4) This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(4), that are negotiated under chapter 39.35A RCW; or contracts and purchases for the printing of election ballots, voting machine labels, and all other election material containing the names of candidates and ballot titles.

(5) Nothing in this section shall prohibit the legislative authority of any county from allowing for preferential purchase of products made from recycled materials or products that may be recycled or reused.

(6) This section does not apply to contracting for public defender services by a county.

**Sec. 10.** RCW 35.58.585 and 2008 c 123 s 2 are each amended to read as follows:

(1) Both a metropolitan municipal corporation and a city-owned transit system may establish, by resolution, a schedule of fines and penalties for civil infractions established in RCW 35.58.580. Fines established shall not exceed those imposed for class 1 infractions under RCW 7.80.120.

(2)(a) Both a metropolitan municipal corporation and a city-owned transit system may designate persons to monitor fare payment who are equivalent to, and are authorized to exercise all the powers of, an enforcement officer as defined in RCW 7.80.040. Both a metropolitan municipal corporation and a city-owned transit system may employ personnel to either monitor fare payment or contract for such services, or both.

(b) In addition to the specific powers granted to enforcement officers under RCW 7.80.050 and 7.80.060, persons designated to monitor fare payment may also take the following actions:

(i) Request proof of payment from passengers;

(ii) Request personal identification from a passenger who does not produce proof of payment when requested;

(iii) Issue a citation for a civil infraction established in RCW 35.58.580 conforming to the requirements established in RCW 7.80.070, except that the form for the notice of civil infraction must be approved by the administrative office of the courts and must not include vehicle information; and

(iv) Request that a passenger leave the bus or other mode of public transportation when the passenger has not produced proof of payment after being asked to do so by a person designated to monitor fare payment.

(3) Both a metropolitan municipal corporation and a city-owned transit system shall keep records of citations in the manner prescribed by RCW 7.80.150. All civil infractions established by this section and RCW 35.58.580 and 35.58.590 shall be heard and determined by a district court as provided in RCW 7.80.010 (1) and (4).

**Sec. 11.** RCW 36.57A.030 and 1977 ex.s. c 44 s 1 are each amended to read as follows:

Any conference which finds it desirable to establish a public transportation benefit area or change the boundaries of any existing public transportation benefit area shall fix a date for a public hearing thereon, or the legislative bodies of any two or more component cities or the county legislative body by resolution may require the public transportation improvement conference to fix a date for a public hearing thereon. Prior to the convening of the public hearing, the county governing body shall delineate the area of the county proposed to be included within the transportation benefit area, and shall furnish a copy of such delineation to each incorporated city within such area. Each city shall advise the county governing body, on a preliminary basis, of its desire to be included or excluded from the transportation benefit area by means of an ordinance adopted by the legislative body of that city. The county governing body shall cause the delineations to be revised to reflect the wishes of such incorporated cities. This delineation shall be considered by the conference at the public hearing for inclusion in the public transportation benefit area.

Notice of such hearing shall be published once a week for at least four consecutive weeks in one or more newspapers of general circulation within the area. The notice shall contain a description and map of the boundaries of the proposed public transportation benefit area and shall state the time and place of the hearing and the fact that any changes in the boundaries of the public transportation benefit area will be considered at such time and place. At such hearing or any continuation thereof, any interested person may appear and be heard on all matters relating to the effect of the formation of the proposed public transportation benefit area.

The conference may make such changes in the boundaries of the public transportation benefit area as they shall deem reasonable and proper, but may not delete any portion of the proposed area which will create an island of included or excluded lands, and may not delete a portion of any city. If the conference shall determine that any
additional territory should be included in the public transportation benefit area, a second hearing shall be held and notice given in the same manner as for the original hearing. The conference may adjourn the hearing on the formation of a public transportation benefit area from time to time not exceeding thirty days in all.

Following the conclusion of such hearing the conference shall adopt a resolution fixing the boundaries of the proposed public transportation benefit area, declaring that the formation of the proposed public transportation benefit area will be conducive to the welfare and benefit of the persons and property therein.

Within thirty days of the adoption of such conference resolution, the county legislative authority of each county wherein a conference has established proposed boundaries of a public transportation benefit area, may by resolution, upon making a legislative finding that the proposed benefit area includes portions of the county which could not be reasonably expected to benefit from such benefit area or excludes portions of the county which could be reasonably expected to benefit from its creation, disapprove and terminate the establishment of such public transportation benefit area within such county."

and the same is herewith transmitted.

Sec. 7. RCW 9.94A.533 and 2015 c 134 s 2 are each amended to read as follows:

(1) The provisions of this section apply to the standard sentence ranges determined by RCW 9.94A.510 or 9.94A.517.

(2) For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the standard sentence range is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by seventy-five percent.

(3) The following additional times shall be added to the standard sentence range for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any firearm enhancements based on the classification of the completed felony crime. If the offender is being sentenced for more than one offense, the firearm enhancement or enhancements must be added to the total period of confinement for all offenses, regardless of which underlying offense is subject to a firearm enhancement. If the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible for any firearm enhancements, the following additional times shall be added to the standard sentence range determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020:

(a) Five years for any felony defined under any law as a class A felony or with a statutory maximum sentence of at least twenty years, or both, and not covered under (f) of this subsection;

(b) Three years for any felony defined under any law as a class B felony or with a statutory maximum sentence of ten years, or both, and not covered under (f) of this subsection;

(c) Eighteen months for any felony defined under any law as a class C felony or with a statutory maximum sentence of five years, or both, and not covered under (f) of this subsection;

(e) Notwithstanding any other provision of law, all firearm enhancements under this section are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements, for all offenses sentenced under this chapter. However, whether or not a mandatory minimum term has expired, an offender serving a sentence under this subsection may:

(i) Granted an extraordinary medical placement when authorized under RCW 9.94A.728(1)(i)(c); or

(ii) Released under the provisions of RCW 9.94A.730;

(f) The firearm enhancements in this section shall apply to all felony crimes except the following: Possession of a machine gun, possessing a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, and use of a machine gun in a felony;

(g) If the standard sentence range under this section exceeds the statutory maximum sentence for the offense, the statutory maximum sentence shall be the presumptive
sentence unless the offender is a persistent offender. If the addition of a firearm enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

(4) The following additional times shall be added to the standard sentence range for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a deadly weapon other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any deadly weapon enhancements based on the classification of the completed felony crime. If the offender is being sentenced for more than one offense, the deadly weapon enhancement or enhancements must be added to the total period of confinement for all offenses, regardless of which underlying offense is subject to a deadly weapon enhancement. If the offender or an accomplice was armed with a deadly weapon other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible for any deadly weapon enhancements, the following additional times shall be added to the standard sentence range determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020:

(a) Two years for any felony defined under any law as a class A felony or with a statutory maximum sentence of at least twenty years, or both, and not covered under (f) of this subsection;

(b) One year for any felony defined under any law as a class B felony or with a statutory maximum sentence of ten years, or both, and not covered under (f) of this subsection;

(c) Six months for any felony defined under any law as a class C felony or with a statutory maximum sentence of five years, or both, and not covered under (f) of this subsection;

(d) If the offender is being sentenced under (a), (b), and/or (c) of this subsection for any deadly weapon enhancements and the offender has previously been sentenced for any deadly weapon enhancements after July 23, 1995, under (a), (b), and/or (c) of this subsection or subsection (3)(a), (b), and/or (c) of this section, or both, all deadly weapon enhancements under this subsection shall be twice the amount of the enhancement listed;

(e) Notwithstanding any other provision of law, all deadly weapon enhancements under this section are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements, for all offenses sentenced under this chapter. However, whether or not a mandatory minimum term has expired, an offender serving a sentence under this subsection may be:

(i) Granted an extraordinary medical placement when authorized under RCW 9.94A.728((3))) (1)(c); or

(ii) Released under the provisions of RCW 9.94A.730;

(f) The deadly weapon enhancements in this section shall apply to all felony crimes except the following: Possession of a machine gun, possessing a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, and use of a machine gun in a felony;

(g) If the standard sentence range under this section exceeds the statutory maximum sentence for the offense, the statutory maximum sentence shall be the presumptive sentence unless the offender is a persistent offender. If the addition of a deadly weapon enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

(5) The following additional times shall be added to the standard sentence range if the offender or an accomplice committed the offense while in a county jail or state correctional facility and the offender is being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice committed one of the crimes listed in this subsection while in a county jail or state correctional facility, and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following additional times shall be added to the standard sentence range determined under subsection (2) of this section:

(b) Fifteen months for offenses committed under RCW 69.50.401(2) (c), (d), or (e);

(c) Twelve months for offenses committed under RCW 69.50.413.

For the purposes of this subsection, all of the real property of a state correctional facility or county jail shall be deemed to be part of that facility or county jail.

(6) An additional twenty-four months shall be added to the standard sentence range for any ranked offense involving a violation of chapter 69.50 RCW if the offense was also a violation of RCW 69.50.435 or 9.94A.827. All enhancements under this subsection shall run consecutively to all other sentencing provisions, for all offenses sentenced under this chapter.

(7) An additional two years shall be added to the standard sentence range for vehicular homicide committed while under the influence of intoxicating liquor or any drug as defined by RCW 46.61.502 for each prior offense as defined in RCW 46.61.5055.

Notwithstanding any other provision of law, all impaired driving enhancements under this subsection (shall be) are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other impaired driving enhancements, for all offenses sentenced under this chapter.

An offender serving a sentence under this subsection may be granted an extraordinary medical placement when authorized under RCW 9.94A.728(1)(c).

(8)(a) The following additional times shall be added to the standard sentence range for felony crimes committed on or after July 1, 2006, if the offense was committed with sexual motivation, as that term is defined in RCW 9.94A.030. If the offender is being sentenced for more than one offense, the sexual motivation enhancement must be added to the total period of total confinement for all offenses, regardless of which underlying offense is subject to a sexual motivation enhancement. If the offender committed the offense with sexual motivation and the offender is being
attempted, solicited another, or conspired to engage, agree, or offer to engage the victim in the sexual conduct in return for a fee, an additional one year enhancement shall be added to the standard sentence range determined under subsection (2) of this section. For purposes of this subsection, "sexual conduct" means sexual intercourse or sexual contact, both as defined in chapter 9A.44 RCW.

(10)(a) For a person age eighteen or older convicted of any criminal street gang-related felony offense for which the person compensated, threatened, or solicited a minor in order to involve the minor in the commission of the felony offense, the standard sentence range is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by one hundred twenty-five percent. If the standard sentence range under this subsection exceeds the statutory maximum sentence for the offense, the statutory maximum sentence is the presumptive sentence unless the offender is a persistent offender.

(b) This subsection does not apply to any criminal street gang-related felony offense for which involving a minor in the commission of the felony offense is an element of the offense.

(c) The increased penalty specified in (a) of this subsection is unavailable in the event that the prosecution gives notice that it will seek an exceptional sentence based on an aggravating factor under RCW 9.94A.535.

(11) An additional twelve months and one day shall be added to the standard sentence range for a conviction of attempting to elude a police vehicle as defined by RCW 46.61.024, if the conviction included a finding by special allegation of endangering one or more persons under RCW 9.94A.834.

(12) An additional twelve months shall be added to the standard sentence range for an offense that is also a violation of RCW 9.94A.831.

(13) An additional twelve months shall be added to the standard sentence range for vehicular homicide committed while under the influence of intoxicating liquor or any drug as defined by RCW 46.61.520 or for vehicular assault committed while under the influence of intoxicating liquor or any drug as defined by RCW 46.61.522, or for any felony driving under the influence (RCW 46.61.502(6)) or felony physical control under the influence (RCW 46.61.504(6)) for each child passenger under the age of sixteen who is an occupant in the defendant's vehicle. These enhancements shall be mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions. If the addition of a minor child enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

Sec. 8. RCW 46.61.506 and 2015 2nd sp.s. c 3 s 22 are each amended to read as follows:

(1) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or any drug, if the person's alcohol concentration is
less than 0.08 or the person's THC concentration is less than 5.00, it is evidence that may be considered with other competent evidence in determining whether the person was under the influence of intoxicating liquor or any drug.

(2)(a) The breath analysis of the person's alcohol concentration shall be based upon grams of alcohol per two hundred ten liters of breath.

(b) The blood analysis of the person's THC concentration shall be based upon nanograms per milliliter of whole blood.

(c) The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was under the influence of intoxicating liquor or any drug.

(3) Analysis of the person's blood or breath to be considered valid under the provisions of this section or RCW 46.61.502 or 46.61.504 shall have been performed according to methods approved by the state toxicologist and by an individual possessing a valid permit issued by the state toxicologist for this purpose. The state toxicologist is directed to approve satisfactory techniques or methods, to supervise the examination of individuals to ascertain their qualifications and competence to conduct such analyses, and to issue permits which shall be subject to termination or revocation at the discretion of the state toxicologist.

(4)(a) A breath test performed by any instrument approved by the state toxicologist shall be admissible at trial or in an administrative proceeding if the prosecution or department produces prima facie evidence of the following:

(i) The person who performed the test was authorized to perform such test by the state toxicologist;

(ii) The person being tested did not vomit or have anything to eat, drink, or smoke for at least fifteen minutes prior to administration of the test;

(iii) The person being tested did not have any foreign substances, not to include dental work, fixed or removable, in his or her mouth at the beginning of the fifteen-minute observation period;

(iv) Prior to the start of the test, the temperature of any liquid simulator solution utilized as an external standard, as measured by a thermometer approved of by the state toxicologist was thirty-four degrees centigrade plus or minus 0.3 degrees centigrade;

(v) The internal standard test resulted in the message "verified";

(vi) The two breath samples agree to within plus or minus ten percent of their mean to be determined by the method approved by the state toxicologist;

(vii) The result of the test of the liquid simulator solution external standard or dry gas external standard result did lie between .072 to .088 inclusive; and

(viii) All blank tests gave results of .000.

(b) For purposes of this section, "prima facie evidence" is evidence of sufficient circumstances that would support a logical and reasonable inference of the facts sought to be proved. In assessing whether there is sufficient evidence of the foundational facts, the court or administrative tribunal is to assume the truth of the prosecution's or department's evidence and all reasonable inferences from it in a light most favorable to the prosecution or department.

(c) Nothing in this section shall be deemed to prevent the subject of the test from challenging the reliability or accuracy of the test, the reliability or functioning of the instrument, or any maintenance procedures. Such challenges, however, shall not preclude the admissibility of the test once the prosecution or department has made a prima facie showing of the requirements contained in (a) of this subsection. Instead, such challenges may be considered by the trier of fact in determining what weight to give to the test result.

(5) When a blood test is administered under the provisions of RCW 46.20.308, the withdrawal of blood for the purpose of determining its alcoholic or drug content may be performed only by a physician licensed under chapter 18.71 RCW; an osteopathic physician licensed under chapter 18.57 RCW; a registered nurse, licensed practical nurse, or advanced registered nurse practitioner licensed under chapter 18.79 RCW; a physician assistant licensed under chapter 18.71A RCW; an osteopathic physician assistant licensed under chapter 18.57A RCW; an advanced emergency medical technician or paramedic licensed under chapter 18.73 RCW; until July 1, 2016, a health care assistant certified under chapter 18.135 RCW; or a medical assistant-certified or medical assistant-phlebotomist certified under chapter 18.360 RCW. Proof of qualification to draw blood may be established through the department of health's provider credential search. This limitation shall not apply to the taking of breath specimens.

(6) The person tested may have a licensed or certified health care provider listed in subsection (5) of this section, or a qualified technician, chemist, or other qualified person of his or her own choosing administer one or more tests in addition to any administered at the direction of a law enforcement officer. The test will be admissible if the person establishes the general acceptability of the testing technique or method. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(7) Upon the request of the person who shall submit to a test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to him or her or his or her attorney.

Sec. 9. RCW 10.31.100 and 2014 c 202 s 307, 2014 c 100 s 2, and 2014 c 5 s 1 are each reenacted and amended to read as follows:

Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that family or household members have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence of each person involved, including whether the conduct was part of an ongoing pattern of abuse.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(b) A law enforcement officer investigating at the scene of a motor vessel accident may issue a citation for an infraction to the operator of a motor vessel involved in the accident if the officer has probable cause to believe that the operator has committed, in connection with the accident, a violation of any boating safety law of chapter 79A.60 RCW.

(6) Any police officer having probable cause to believe that a person has committed or is committing a violation of RCW 79A.60.040 shall have the authority to arrest the person.

(7) An officer may act upon the request of a law enforcement officer in whose presence a traffic infraction was committed, to stop, detain, arrest, or issue a notice of traffic infraction to the driver who is believed to have committed the infraction. Sec. 12. RCW 46.20.311 and 2006 c 73 s 15 are each amended to read as follows:

(1)(a) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a fixed period of more than one year, except as specifically permitted under RCW 46.20.267, 46.20.342, or other provision of law.

(b) Except for a suspension under RCW 46.20.267, 46.20.289, 46.20.291(5), 46.61.740, or 74.20A.320, whenever the license or driving privilege of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, pursuant to chapter 46.29 RCW, or pursuant to RCW 46.20.291 or 46.20.308, the suspension shall remain in effect until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW.

(c) If the suspension is the result of a nonfelony violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the alcoholism agency or probation
department designated under RCW 46.61.5056 and shall deny reinstatement until enrollment and participation in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502(6) or 46.61.504(6), the department shall determine the person's eligibility for licensing based upon the reports provided by the alcohol or drug dependency agency required under RCW 46.61.524 and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning ignition interlock, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. The department may waive the requirement for written verification under this subsection if it determines to its satisfaction that a device previously verified as having been installed on a vehicle owned or operated by the person is still installed and functioning or as permitted by RCW 46.20.720(8). If, based upon notification from the interlock provider or otherwise, the department determines that an interlock required under RCW 46.20.720 is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(d) Whenever the license or driving privilege of any person is suspended as a result of certification of noncompliance with a child support order under chapter 74.20A RCW (or a residential or visitation order), the suspension shall remain in effect until the person provides a release issued by the department of social and health services stating that the person is in compliance with the order.

(e)(i) The department shall not issue to the person a new, duplicate, or renewal license until the person pays a reissue fee of seventy-five dollars.

(ii) If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, or is the result of administrative action under RCW 46.20.308, the reissue fee shall be one hundred fifty dollars.

(2)(a) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: (i) After the expiration of one year from the date the license or privilege to drive was revoked; (ii) after the expiration of the applicable revocation period provided by RCW 46.20.3101 or 46.61.5055; (iii) after the expiration of two years for persons convicted of vehicular homicide; or (iv) after the expiration of the applicable revocation period provided by RCW 46.20.265.

(b)(i) After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reissue fee in the amount of seventy-five dollars.

(ii) If the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504, the reissue fee shall be one hundred fifty dollars. If the revocation is the result of a nonfelony violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the alcoholism agency or probation department designated under RCW 46.61.5056 and shall deny reissuance of a license, permit, or privilege to drive until enrollment and participation in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502(6) or 46.61.504(6), the department shall determine the person's eligibility for licensing based upon the reports provided by the alcohol or drug dependency agency required under RCW 46.61.524 and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning ignition interlock or other biological or technical device, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person applying for a new license. The department may waive the requirement for written verification under this subsection if it determines to its satisfaction that a device previously verified as having been installed on a vehicle owned or operated by the person is still installed and functioning or as permitted by RCW 46.20.720(8). If, following issuance of a new license, the department determines, based upon notification from the interlock provider or otherwise, that an interlock required under RCW 46.20.720 is no longer functioning, the department shall suspend the person's license or privilege to drive until the department has received written verification from an interlock provider that a functioning interlock is installed.

(c) Except for a revocation under RCW 46.20.265, the department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. For a revocation under RCW 46.20.265, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant that person the privilege of driving a motor vehicle on the public highways.

(3)(a) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020 or 46.20.289 or 46.20.291(5), the department shall not issue to the person any new or renewal license until the person pays a reissue fee of seventy-five dollars.

(b) If the suspension is the result of a violation of the laws of this or any other state, province, or other jurisdiction involving (i) the operation or physical control of a motor
vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or (ii) the refusal to submit to a chemical test of the driver's blood alcohol content, the reissue fee shall be one hundred fifty dollars.

Sec. 13. RCW 46.20.385 and 2015 2nd sp.s. c 3 s 3 are each amended to read as follows:

(1)(a) Any person licensed under this chapter or who has a valid driver's license from another state, who is convicted of: (i) A violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or (ii) a violation of RCW 46.61.520(1)(a) or an equivalent local or out-of-state statute or ordinance, or (iii) a conviction for a violation of RCW 46.61.520(1) (b) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520(1)(a), or (iv) RCW 46.61.522(1) or an equivalent local or out-of-state statute or ordinance, or (v) RCW 46.61.522(1) (a) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522(1)(b) committed while under the influence of intoxicating liquor or any drug, or (vi) who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or who is otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial, unless otherwise permitted under RCW 46.20.720(6). (Subject to the provisions of RCW 46.20.720(3)(b)(ii), the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours.)

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(((iii) The time period during which the person is licensed under this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is required under RCW 46.20.720, 46.61.5055, 10.05.140, 46.61.500(3), and 46.61.5249(4). Beginning with incidents occurring on or after September 1, 2011, when calculating the period of time for the restriction under RCW 46.20.720 (2) or (3), the department must also give the person a day-for-day credit for the time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates. For the purposes of this subsection (1)(c)(iii), the term "all vehicles" does not include vehicles that would be subject to the employer exception under RCW 46.20.720(3).))

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of for found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose ignition interlock driver's license has been canceled under this section may reapply for a new ignition interlock driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

(b)(a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of twenty dollars per month. Payments shall be made directly to the ignition interlock company. The company shall remit the additional twenty dollar fee to the department.

(b) The department shall deposit the proceeds of the twenty dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules
to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

(8)(a) Any person licensed under this chapter who is convicted of a violation of RCW 46.61.500 when the charge was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, may submit to the department an application for an ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this chapter, but who would otherwise be eligible under this section to apply for an ignition interlock license, may submit to the department an application for an ignition interlock license. The department may require the person to take any driver's licensing examination under this chapter and may require the person to also apply and qualify for a temporary restricted driver's license under RCW 46.20.391.

Sec. 14. RCW 46.20.720 and 2013 2nd sp. s. c 35 s 19 are each amended to read as follows:

The court shall establish a specific calibration setting at which the interlock will prevent the vehicle from being started. The court shall also establish the period of time for which interlock use will be required.

(2) Under RCW 46.61.5055 and subject to the exceptions listed in that statute, the court shall order any person convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance to comply with the rules and requirements of the department regarding the installation and use of a functioning ignition interlock device installed on all motor vehicles operated by the person. The department shall require that a person may drive only a motor vehicle equipped with a functioning ignition interlock device if the person is convicted of a violation of RCW 46.61.502 or 46.61.504 and is required under RCW 46.61.504(3)(a) or (b) to install an ignition interlock device on all vehicles operated by the person.

(b)(i) Except as provided in (b)(ii) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours.

(ii) The employer exemption does not apply:

(A) When the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment;

(B) For the first thirty days after an ignition interlock device has been installed as the result of a first conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

(b) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

(c) Failure to pass any random retest with a breath alcohol concentration of 0.025 or lower unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.025, and the digital image confirms the same person provided both samples; or

(d) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device.

(5) For a person required to install an ignition interlock device pursuant to RCW 46.61.5249(4) or 46.61.500(3), the period of time of the restriction shall be for six months and shall be subject to subsection (4) of this section.

The court shall establish a specific calibration setting at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period of time for which ignition interlock use will be required.

(2) Calibration. Unless otherwise specified by the court for a restriction imposed under subsection (1)(e) of this section, the ignition interlock device shall be calibrated to prevent the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.025 or more.

(3) Duration of restriction. A restriction imposed under:

(a) Subsection (1)(a) of this section shall remain in effect until:

(i) The court has authorized the removal of the device under RCW 10.21.055; or

(ii) The department has imposed a restriction under subsection (1)(b), (c), or (d) of this section arising out of the same incident.

(5) Day-for-day credit. (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates,
other than those subject to the employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) Employer exemption. (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to RCW 9A.72.085 from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours.

The department may waive the monthly fee required by subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction.

Sec. 15. RCW 46.20.308 and 2015 2nd sp.s. c 3 s 5 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath for the purpose of determining the alcohol concentration in his or her breath if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. Prior to administering a breath test pursuant to this section, the officer shall inform the person of his or her right under this section to refuse the breath test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year, and

(b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if:

(i) The driver is under age twenty-one or over and the test indicates either that the alcohol concentration of the driver's breath is 0.08 or more; or

(ii) The driver is under age twenty-one and the test indicates either that the alcohol concentration of the driver's breath is 0.02 or more; or

(iii) The driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and

(d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.

(3) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested exercises the right, granted herein, by refusing upon the request of a law enforcement officer to submit to a test or tests of his or her breath, no test shall be given except as otherwise authorized by law.

(4) Nothing in subsection (1), (2), or (3) of this section precludes a law enforcement officer from obtaining a person's blood to test for alcohol, marijuana, or any drug, pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law. Any blood drawn for the purpose of determining the person's alcohol, marijuana levels, or any drug, is drawn pursuant to this section when the officer has reasonable grounds to believe that the person is in physical control or driving a vehicle under the influence or in violation of RCW 46.61.503.

(5) If, after arrest and after any other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.08 or more, or the THC concentration of the person's blood is 5.00 or more, or that the person is under age twenty-one or over, and the alcohol concentration of the person's breath or blood is 0.02 or more, or the THC concentration of the person's blood is above 0.00, if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or
other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive as required by subsection (6) of this section;

(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (7) of this section;

(c) Serve notice in writing that the license or permit, if any, is a temporary license that is valid for ((sixty)) thirty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (7) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and

(d) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by RCW 9A.72.085 that states:

(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol or THC concentration in violation of RCW 46.61.503;

(ii) That after receipt of any applicable warnings required by subsection (2) of this section the person refused to submit to a test of his or her breath, or a test was administered and the results indicated that the alcohol concentration of the person's breath or blood was 0.08 or more, or the THC concentration of the person's breath or blood was 0.02 or more, or the THC concentration of the person's blood was above 0.00, if the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(6) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by RCW 9A.72.085 under subsection (5)(d) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning ((sixty)) thirty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (7) of this section, whichever occurs first.

(7) A person receiving notification under subsection (5)(b) of this section may, within ((twenty)) seven days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of three hundred seventy-five dollars as part of the request. If the request is mailed, it must be postmarked within ((twenty)) seven days after receipt of the notification. Upon timely receipt of such a request for a formal hearing, including receipt of the required three hundred seventy-five dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required three hundred seventy-five dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within ((sixty)) thirty days, excluding Saturdays, Sundays, and legal holidays, following the date of timely receipt of such request for a formal hearing before the department or thirty days, excluding Saturdays, Sundays, and legal holidays following ((the arrest or following)) the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license under subsection (5) of this section extended, if the person is otherwise eligible for licensing. Unless otherwise agreed to by the department and the person, the department must give five days notice of the hearing to the person. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more, or the THC concentration of the person's blood was 0.02 or more, or the THC concentration of the person's breath or blood was 0.00, if the person is under the age of twenty-one, whether the alcohol concentration of the person's breath or blood was 5.00 or more, if the person was age twenty-one or over, or that the alcohol concentration of the person's breath or blood was 5.00 or more, if the person was under the age of twenty-one, whether the alcohol concentration of the person's breath or blood was 0.08 or more, or the THC concentration of the person's blood was 5.00 or more, if the person was age twenty-one or over at the time of the arrest, or that the alcohol concentration of the person's breath or blood was 0.02 or more, or the THC concentration of the person's blood was above 0.00, if the person was under the age of twenty-one at the time of the arrest and was in physical
control of a motor vehicle while having alcohol in his or her system in a concentration of 0.02 or THC concentration above 0.00, the person may petition the hearing officer to apply the affirmative defense found in RCW 46.61.504(3) and 46.61.503(2). The driver has the burden to prove the affirmative defense by a preponderance of the evidence. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by RCW 9A.72.085 of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(8) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(9)(a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (6) of this section, other than as a result of a breath test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (6) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license under subsection (5) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(10) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.
Sec. 16. RCW 10.21.055 and 2015 2nd sp.s. c 3 s 2 are each amended to read as follows:

(1)(a) When any person charged with a violation of RCW 46.61.502, 46.61.504, 46.61.520, or 46.61.522, in which the person has a prior offense as defined in RCW 46.61.5055 and the current offense involves alcohol, is released from custody at arraignment or trial on bail or personal recognizance, the court authorizing the release shall require, as a condition of release that person comply with one of the following four requirements:

(i) Have a functioning ignition interlock device installed on all motor vehicles operated by the person, with proof of installation filed with the court by the person or the certified interlock provider within five business days of the date of release from custody or as soon thereafter as determined by the court based on availability within the jurisdiction; or

(ii) Comply with 24/7 sobriety program monitoring, as defined in RCW 36.28A.330; or

(iii) Have an ignition interlock device on all motor vehicles operated by the person pursuant to (a)(i) of this subsection and submit to 24/7 sobriety program monitoring pursuant to (a)(ii) of this subsection, if available, or alcohol monitoring, at the expense of the person, as provided in RCW 46.61.5055(5) (b) and (c); or

(iv) Have an ignition interlock device on all motor vehicles operated by the person and that such person agrees not to operate any motor vehicle without an ignition interlock device as required by the court. Under this subsection (1)(a)(iv), the person must file a sworn statement with the court upon release at arraignment that states the person will not operate any motor vehicle without an ignition interlock device while the ignition interlock restriction is imposed by the court. Such person must also submit to 24/7 sobriety program monitoring pursuant to (a)(ii) of this subsection, if available, or alcohol monitoring, at the expense of the person, as provided in RCW 46.61.5055(5) (b) and (c).

(b) The court shall immediately notify the department of licensing when an ignition interlock restriction is imposed:

(i) As a condition of release pursuant to (a) of this subsection; or (ii) in instances where a person is charged with, or convicted of, a violation of RCW 46.61.502, 46.61.504, 46.61.520, or 46.61.522, and the offense involves alcohol. If the court imposes an ignition interlock restriction, the department of licensing shall attach or imprint a notation on the driving record of any person restricted under this section stating that the person may operate only a motor vehicle equipped with a functioning ignition interlock device.

(2)(a) Upon acquittal or dismissal of all pending or current charges relating to a violation of RCW 46.61.502, 46.61.504, 46.61.520, or 46.61.522, or equivalent local ordinance, the court shall authorize removal of the ignition interlock device and lift any requirement to comply with electronic alcohol/drug monitoring imposed under subsection (1) of this section. Nothing in this section limits the authority of the court or department under RCW 46.20.720.

(b) If the court authorizes removal of an ignition interlock device imposed under (((a) of) this subsectionH:\DATA\2016 JOURNAL\Journal2016\LegDay060\doc)) section, the court shall immediately notify the department of licensing regarding the lifting of the ignition interlock restriction and the department of licensing shall release any attachment, imprint, or notation on such person's driving record relating to the ignition interlock requirement imposed under this section.

(3) When an ignition interlock restriction imposed as a condition of release is canceled, the court shall provide a defendant with a written order confirming release of the restriction. The written order shall serve as proof of release of the restriction until which time the department of licensing updates the driving record.

Sec. 17. RCW 46.61.5055 and 2015 2nd sp.s. c 3 s 9 are each amended to read as follows:

(1) No prior offenses in seven years. Except as provided in RCW 46.61.502(6) or 46.61.504(6), a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 and who has no prior offense within seven years shall be punished as follows:

(a) Penalty for alcohol concentration less than 0.15. In the case of a person whose alcohol concentration was less than 0.15, or for whom for reasons other than the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) By imprisonment for not less than one day nor more than three hundred sixty-four days. Twenty-four forty consecutive hours of the imprisonment may not be suspended unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended, the court shall state in writing the reason for granting the suspension and the facts upon which the suspension is based. In lieu of the mandatory minimum term of imprisonment required under this subsection (1)(a)(i), the court may order not less than fifteen days of electronic home monitoring or a ninety day period of 24/7 sobriety program monitoring. The court may consider the offender's pretrial 24/7 sobriety program monitoring as fulfilling a portion of posttrial sentencing. The offender shall pay the cost of electronic home monitoring. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device or other separate alcohol monitoring device to include an alcohol detection breathalyzer, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and

(ii) By a fine of not less than three hundred fifty dollars nor more than five thousand dollars. Three hundred fifty dollars of the fine may not be suspended unless the court finds the offender to be indigent; or

(b) Penalty for alcohol concentration at least 0.15. In the case of a person whose alcohol concentration was at least 0.15, or for whom by reason of the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) By imprisonment for not less than two days nor more than three hundred sixty-four days. Forty-eight consecutive hours of the imprisonment may not be suspended unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's
physical or mental well-being. Whenever the mandatory minimum sentence is suspended, the court shall state in writing the reason for granting the suspension and the facts upon which the suspension is based. In lieu of the mandatory minimum term of imprisonment required under this subsection (1)(b)(i), the court may order not less than thirty days of electronic home monitoring or a one hundred twenty day period of 24/7 sobriety program monitoring. The court may consider the offender’s pretrial 24/7 sobriety program testing as fulfilling a portion of posttrial sentencing. The offender shall pay the cost of electronic home monitoring. The county or municipality in which the penalty is being imposed shall determine the cost. The court may also require the offender’s electronic home monitoring device to include an alcohol detection breathalyzer or other separate alcohol monitoring device, and the court may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and

(ii) By a fine of not less than five hundred dollars nor more than five thousand dollars. Five hundred dollars of the fine may not be suspended unless the court finds the offender to be indigent.

(2) One prior offense in seven years. Except as provided in RCW 46.61.502(6) or 46.61.504(6), a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 and who has one prior offense within seven years shall be punished as follows:

(a) Penalty for alcohol concentration less than 0.15. In the case of a person whose alcohol concentration was less than 0.15, or for whom for reasons other than the person’s refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person’s alcohol concentration:

(i) By imprisonment for not less than thirty days nor more than three hundred sixty-four days and sixty days of electronic home monitoring. In lieu of the mandatory minimum term of sixty days electronic home monitoring, the court may order at least an additional four days in jail or, if available in that county or city, a six-month period of 24/7 sobriety program monitoring pursuant to RCW 36.28A.300 through 36.28A.390, and the court shall order an expanded alcohol assessment and treatment, if deemed appropriate by the assessment. The offender shall pay for the cost of the electronic monitoring. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender’s electronic home monitoring device include an alcohol detection breathalyzer or other separate alcohol monitoring device, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and

(ii) By a fine of not less than seven hundred fifty dollars nor more than five thousand dollars. Seven hundred fifty dollars of the fine may not be suspended unless the court finds the offender to be indigent.

(b) Penalty for alcohol concentration at least 0.15. In the case of a person whose alcohol concentration was at least 0.15, or for whom by reason of the person’s refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person’s alcohol concentration:

(i) By imprisonment for not less than forty-five days nor more than three hundred sixty-four days and ninety days of electronic home monitoring. The offender shall pay for the cost of the electronic monitoring. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender’s electronic home monitoring device include an alcohol detection breathalyzer or other separate alcohol monitoring device, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring. Forty-five days of imprisonment and ninety days of electronic home monitoring may not be suspended unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender’s physical or mental well-being. Whenever the mandatory minimum sentence is suspended, the court shall state in writing the reason for granting the suspension and the facts upon which the suspension is based; and

(ii) By a fine of not less than seven hundred fifty dollars nor more than five thousand dollars. Seven hundred fifty dollars of the fine may not be suspended unless the court finds the offender to be indigent.

(3) Two or three prior offenses in seven years. Except as provided in RCW 46.61.502(6) or 46.61.504(6), a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 and who has two or three prior offenses within seven years shall be punished as follows:

(a) Penalty for alcohol concentration less than 0.15. In the case of a person whose alcohol concentration was less than 0.15, or for whom for reasons other than the person’s refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person’s alcohol concentration:

(i) By imprisonment for not less than ninety days nor more than three hundred sixty-four days, if available in that county or city, a six-month period of 24/7 sobriety program monitoring pursuant to RCW 36.28A.300 through 36.28A.390, and one hundred twenty days of electronic home monitoring. In lieu of the mandatory minimum term of one hundred twenty days of electronic home monitoring, the court may order at least an additional eight days in jail. The court shall order an expanded alcohol assessment and treatment, if deemed appropriate by the assessment. The offender shall pay for the cost of the electronic monitoring. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender’s electronic home monitoring device include an alcohol detection breathalyzer or other separate alcohol monitoring device, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring; and

(ii) By a fine of not less than five hundred dollars nor more than five thousand dollars. Five hundred dollars of the fine may not be suspended unless the court finds the offender to be indigent; or
electronic home monitoring. Ninety days of imprisonment and one hundred twenty days of electronic home monitoring may not be suspended unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended, the court shall state in writing the reason for granting the suspension and the facts upon which the suspension is based; and

(ii) By a fine of not less than one thousand dollars nor more than five thousand dollars. One thousand dollars of the fine may not be suspended unless the court finds the offender to be indigent; or

(b) Penalty for alcohol concentration at least 0.15. In the case of a person whose alcohol concentration was at least 0.15, or for whom by reason of the person's refusal to take a test offered pursuant to RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) By imprisonment for not less than one hundred twenty days nor more than three hundred sixty-four days, if available in that county or city, a six-month period of 24/7 sobriety program monitoring pursuant to RCW 36.28A.300 through 36.28A.390, and one hundred fifty days of electronic home monitoring. In lieu of the mandatory minimum term of one hundred fifty days of electronic home monitoring, the court may order at least an additional ten days in jail. The offender shall pay for the cost of the electronic monitoring. The court shall order an expanded alcohol assessment and treatment, if deemed appropriate by the assessment. The county or municipality where the penalty is being imposed shall determine the cost. The court may also require the offender's electronic home monitoring device include an alcohol detection breathalyzer or other separate alcohol monitoring device, and may restrict the amount of alcohol the offender may consume during the time the offender is on electronic home monitoring. One hundred twenty days of imprisonment and one hundred fifty days of electronic home monitoring may not be suspended unless the court finds that the imposition of this mandatory minimum sentence would impose a substantial risk to the offender's physical or mental well-being. Whenever the mandatory minimum sentence is suspended, the court shall state in writing the reason for granting the suspension and the facts upon which the suspension is based; and

(ii) By a fine of not less than one thousand five hundred dollars nor more than five thousand dollars. One thousand five hundred dollars of the fine may not be suspended unless the court finds the offender to be indigent.

(4) Four or more prior offenses in ten years. A person who is convicted of a violation of RCW 46.61.502 or 46.61.504 shall be punished under chapter 9.94A RCW if:

(a) The person has four or more prior offenses within ten years; or

(b) The person has ever previously been convicted of:

(i) A violation of RCW 46.61.520 committed while under the influence of intoxicating liquor or any drug;

(ii) A violation of RCW 46.61.522 committed while under the influence of intoxicating liquor or any drug;

(iii) An out-of-state offense comparable to the offense specified in (b)(i) or (ii) of this subsection; or

(iv) A violation of RCW 46.61.502(6) or 46.61.504(6).

(5) Monitoring. (a) Ignition interlock device. The court shall require any person convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance to comply with the rules and requirements of the department regarding the installation and use of a functioning ignition interlock device installed on all motor vehicles operated by the person.

(b) Monitoring devices. If the court orders that a person refrain from consuming any alcohol, the court may order the person to submit to alcohol monitoring through an alcohol detection breathalyzer device, transdermal sensor device, or other technology designed to detect alcohol in a person's system. The person shall pay for the cost of the monitoring, unless the court specifies that the cost of monitoring will be paid with funds that are available from an alternative source identified by the court. The county or municipality where the penalty is being imposed shall determine the cost.

(c) 24/7 sobriety program monitoring. In any county or city where a 24/7 sobriety program is available and verified by the Washington association of sheriffs and police chiefs, the court shall:

(i) Order the person to install and use a functioning ignition interlock or other device in lieu of such period of 24/7 sobriety program monitoring;

(ii) Order the person to a period of 24/7 sobriety program monitoring pursuant to subsections (1) through (3) of this section; or

(iii) Order the person to install and use a functioning ignition interlock or other device in addition to a period of 24/7 sobriety program monitoring pursuant to subsections (1) through (3) of this section.

(6) Penalty for having a minor passenger in vehicle. If a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 committed the offense while a passenger under the age of sixteen was in the vehicle, the court shall:

(a) Order the use of an ignition interlock or other device for an additional six months;

One thousand dollars of the fine may not be suspended unless the court finds the offender to be indigent;

(c) In any case in which the person has one prior offense within seven years, and except as provided in RCW 46.61.502(6) or 46.61.504(6), order an additional five days of imprisonment and a fine of not less than two thousand dollars and not more than five thousand dollars. One thousand dollars of the fine may not be suspended unless the court finds the offender to be indigent;

(d) In any case in which the person has two or three prior offenses within seven years, and except as provided in RCW 46.61.502(6) or 46.61.504(6), order an additional ten days of imprisonment and a fine of not less than three thousand dollars and not more than ten thousand dollars. One thousand dollars of the fine may not be suspended unless the court finds the offender to be indigent;

(7) Other items courts must consider while setting penalties. In exercising its discretion in setting penalties within the limits allowed by this section, the court shall particularly consider the following:
(a) Whether the person's driving at the time of the offense was responsible for injury or damage to another or another's property;

(b) Whether at the time of the offense the person was driving or in physical control of a vehicle with one or more passengers;

(c) Whether the driver was driving in the opposite direction of the normal flow of traffic on a multiple lane highway, as defined by RCW 46.04.350, with a posted speed limit of forty-five miles per hour or greater; and

(d) Whether a child passenger under the age of sixteen was an occupant in the driver's vehicle.

(8) Treatment and information school. An offender punishable under this section is subject to the alcohol assessment and treatment provisions of RCW 46.61.5056.

(9) Driver's license privileges of the defendant. The license, permit, or nonresident privilege of a person convicted of driving or being in physical control of a motor vehicle while under the influence of intoxicating liquor or drugs must:

(a) Penalty for alcohol concentration less than 0.15. If the person's alcohol concentration was less than 0.15, or if for reasons other than the person's refusal to take a test offered under RCW 46.20.308 there is no test result indicating the person's alcohol concentration:

(i) Where there has been no prior offense within seven years, be suspended or denied by the department for ninety days or until the person is evaluated by an alcoholism agency or probation department pursuant to RCW 46.20.311 and the person completes or is enrolled in a ninety day period of 24/7 sobriety program monitoring. In no circumstances shall the license suspension be for fewer than two days;

In no circumstances shall the license revocation be for fewer than four days;

(iii) Where there have been two or more prior offenses within seven years, be revoked or denied by the department for four years;

(c) Penalty for refusing to take test. If by reason of the person's refusal to take a test offered under RCW 46.20.308, there is no test result indicating the person's alcohol concentration:

(i) Where there have been no prior offenses within seven years, be revoked or denied by the department for two years;

(ii) Where there has been one prior offense within seven years, be revoked or denied by the department for three years; or

(iii) Where there have been two or more previous offenses within seven years, be revoked or denied by the department for four years.

The department shall grant credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under this subsection for a suspension, revocation, or denial imposed under RCW 46.20.3101 arising out of the same incident.

Upon receipt of a notice from the court under RCW 36.28A.390 that a participant has been removed from a 24/7 sobriety program, the department must resume any suspension, revocation, or denial that had been terminated early under subsection (1) due to participation in the program, granting credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under RCW 46.20.3101 or this section arising out of the same incident.

Upon its own motion or upon motion by a person, a court may find, on the record, that notice to the department under RCW 46.20.270 has been delayed for three years or more as a result of a clerical or court error. If so, the court may order that the person's license, permit, or nonresident privilege shall not be revoked, suspended, or denied for that offense. The court shall send notice of the finding and order to the department and to the person. Upon receipt of the notice from the court, the department shall not revoke, suspend, or deny the license, permit, or nonresident privilege of the person for that offense.

For purposes of this subsection (9), the department shall refer to the driver's record maintained under RCW 46.52.120 when determining the existence of prior offenses.

(10) Probation of driving privilege. After expiration of any period of suspension, revocation, or denial of the offender's license, permit, or privilege to drive required by this section, the department shall place the offender's driving privilege in probationary status pursuant to RCW 46.20.355.

(11) Conditions of probation. (a) In addition to any nonsuspendable and nondeferrable jail sentence required by this section, whenever the court imposes up to three hundred sixty-four days in jail, the court shall also suspend but shall not defer a period of confinement for a period not exceeding five years. The court shall impose conditions of probation that include: (i) Not driving a motor vehicle within this state without a functioning ignition interlock device as required by the department under RCW 36.28A.390 that a participant has been removed from a 24/7 sobriety program, the department must resume any suspension, revocation, or denial that had been terminated early under subsection (1) due to participation in the program, granting credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under RCW 46.20.3101 or this section arising out of the same incident.

Upon receipt of a notice from the court under RCW 36.28A.390 that a participant has been removed from a 24/7 sobriety program, the department must resume any suspension, revocation, or denial that had been terminated early under subsection (1) due to participation in the program, granting credit on a day-for-day basis for any portion of a suspension, revocation, or denial already served under RCW 46.20.3101 or this section arising out of the same incident.

Upon receipt of the notice from the court, the department shall not revoke, suspend, or deny the license, permit, or nonresident privilege of the person for that offense.
46.20.720(1)(i)). The court may impose conditions of probation that include nonrepetition, installation of an ignition interlock device on the probationer’s motor vehicle, alcohol or drug treatment, supervised probation, or other conditions that may be appropriate. The sentence may be imposed in whole or in part upon violation of a condition of probation during the suspension period.

(b) For each violation of mandatory conditions of probation under (a)(i), (ii), (iii), (iv), or (v) of this subsection, the court shall order the convicted person to be confined for thirty days, which shall not be suspended or deferred.

(c) For each incident involving a violation of a mandatory condition of probation imposed under this subsection, the license, permit, or privilege to drive of the person shall be suspended by the court for thirty days or, if such license, permit, or privilege to drive already is suspended, revoked, or denied at the time the finding of probation violation is made, the suspension, revocation, or denial then in effect shall be extended by thirty days. The court shall notify the department of any suspension, revocation, or denial or any extension of a suspension, revocation, or denial imposed under this subsection.

(12) Waiver of electronic home monitoring. A court may waive the electronic home monitoring requirements of this chapter when:

(a) The offender does not have a dwelling, telephone service, or any other necessity to operate an electronic home monitoring system. However, if a court determines that an alcohol monitoring device utilizing wireless reporting technology is reasonably available, the court may require the person to obtain such a device during the period of required electronic home monitoring;

(b) The offender does not reside in the state of Washington; or

(c) The court determines that there is reason to believe that the offender would violate the conditions of the electronic home monitoring penalty.

Whenever the mandatory minimum term of electronic home monitoring is waived, the court shall state in writing the reason for granting the waiver and the facts upon which the waiver is based, and shall impose an alternative sentence with similar punitive consequences. The alternative sentence may include, but is not limited to, use of an ignition interlock device, the 24/7 sobriety program monitoring, additional jail time, work crew, or work camp.

Whenever the combination of jail time and electronic home monitoring or alternative sentence would exceed three hundred sixty-four days, the offender shall serve the jail portion of the sentence first, and the electronic home monitoring or alternative portion of the sentence shall be reduced so that the combination does not exceed three hundred sixty-four days.

(13) Extraordinary medical placement. An offender serving a sentence under this section, whether or not a mandatory minimum term has expired, may be granted an extraordinary medical placement by the jail administrator subject to the standards and limitations set forth in RCW 9.94A.728(1)(c).

MESSAGE FROM THE SENATE

March 9, 2016

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2908 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 12. The legislature recognizes the invaluable contributions of law enforcement officers, who risk their own lives every day to protect our families and communities. We hold law enforcement to a high standard in their positions of public trust and as the guardians in our communities, and the legislature applauds their efforts to show respect and compassion to all citizens while holding individuals accountable for their criminal activity.

The legislature acknowledges that officers are often placed in harm's way and must make decisions quickly while under extreme stress. Although regrettable in every case, the use of deadly force may sometimes be necessary to protect the safety of others. The legislature also recognizes that both the people of this state and law enforcement officers themselves rely on and expect accountability, the failure of which damages the public trust in those who serve the public honorably and with compassion.

It is the intent of the legislature to improve our law in a manner that provides clear guidance to law enforcement, respects and supports the role of law enforcement to maintain public safety, and fosters accountability and public trust.

NEW SECTION, Sec. 13. (1) A joint legislative task force on the use of deadly force in community policing is established.

(2) The task force is composed of members as provided in this subsection.

(a) The president of the senate shall appoint one member from each of the two largest caucuses of the senate.

(b) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives.

(Q) One other association representing law enforcement officers who represent traditionally underrepresented communities; and

(d) The governor shall appoint four members representing the following:
(i) Washington state commission on Hispanic affairs;
(ii) Washington state commission on Asian Pacific American affairs;
(iii) Washington state commission on African-American affairs; and
(iv) Governor's office of Indian affairs.
(3) The task force shall:
   (a) Review laws, practices, and training programs regarding the use of deadly force in Washington state and other states;
   (b) Review current policies, practices, and tools used by or otherwise available to law enforcement as an alternative to lethal uses of force, including tasers and other nonlethal weapons; and
   (c) Recommend best practices to reduce the number of violent interactions between law enforcement officers and members of the public.
(4) The task force may review literature and reports on the use of deadly force, and may consult with persons, organizations, and entities with interest or experience in community policing including, but not limited to, law enforcement, local governments, professional associations, community organizations, advocacy groups, and faith-based organizations.
(5) The legislative membership shall convene the initial meeting of the task force no later than July 1, 2016. The task force shall convene at least four meetings in 2016. The task force shall choose its cochairs from among its legislative membership, which must include one representative from the house of representatives and one senator from the senate.
(6) The task force shall submit a report, which may include findings and recommendations, to the governor and the appropriate committees of the legislature by December 1, 2016. A minority report must be submitted along with the task force's report if requested by any member of the task force.
(7) Staff support for the task force shall be provided by the senate committee services and the house office of program research.
(8) Legislative members of the task force are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.
(9) The expenses of the task force shall be paid jointly by the senate and the house of representatives. Task force expenditures are subject to approval by the senate facilities and operations committee and the house executive rules committee, or their successor committees.
(10) This section expires December 31, 2016."

MESSAGE FROM THE SENATE

March 9, 2016

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2928 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 14. (1) The department of natural resources shall conduct a forest resiliency burning pilot project. The goal of the pilot project is to monitor and evaluate the benefits of forest resiliency burning and the

...
impacts on ambient air quality. The department of natural resources is responsible for establishing the processes and procedures necessary to administer the pilot project, including the review and approval of qualifying forest resiliency burning proposals. The department of natural resources may consider forest resiliency burning proposals that include treatments to reduce fuel loads prior to burning, including the thinning of forest stands and grazing to clear brush.

(2)(a) The department of natural resources must, as the primary focus of the pilot project, arrange with interested third parties to perform forest resiliency burning on land prone to forest or wildland fires in coordination with the following forest health collaboratives as recognized by the United States forest service:
(i) North Central Washington forest health collaborative;
(ii) Northeast Washington forestry collaborative; and
(iii) Tapash sustainable forest collaborative.
(b) The department of natural resources must also coordinate with at least one organized group of public agencies and interested stakeholders whose purpose is to protect, conserve, and expand the safe and responsible use of prescribed fire on the Washington landscape.

(3)(a) The department of natural resources must, as part of the pilot project, approve single day or multiple day forest resiliency burns if the burning is unlikely to significantly contribute to an exceedance of air quality standards established by chapter 70.94 RCW. Once approved, forest resiliency burns spanning multiple days may only be revoked or postponed midway through the duration of the approved burn if necessary for the safety of adjacent property or upon a determination by the department of natural resources or the department of ecology that the burn has significantly contributed to an exceedance of air quality standards under chapter 70.94 RCW.
(b) The department of natural resources must approve burns at least twenty-four hours prior to ignition of the fire.

(4) Forest resiliency burning, when conducted under the pilot project authorized by this section, is not subject to the outdoor burning restrictions in RCW 70.94.6512(2) and 70.94.6514.

(5) The implementation of the pilot project authorized in this section is not:
(a) Intended to require the department of natural resources to update the smoke management plan defined in RCW 70.94.6536. However, information obtained through the pilot project's implementation may be used to inform any future updates to the smoke management plan; and
(b) Subject to the provisions of chapter 43.21C RCW.

(6) Forest resiliency burning, and the implementation of the pilot project authorized in this section, must not be conducted at a scale that would require a revision to the state implementation plan under the federal clean air act.

(7) The department of natural resources shall submit a report to the legislature, consistent with RCW 43.01.036, by December 1, 2018. The report must include information and analyses regarding the following elements:
(a) The amount of forest resiliency burns proposed, approved, and conducted;
(b) The quantity and severity of air quality exceedances by pollutant type;
(c) A comparative analysis between the predicted smoke conditions and the actual smoke conditions observed on location by qualified meteorological personnel or trained prescribed burning professionals during the forest resiliency burn; and
(d) Recommendations relating to continuing or expanding forest resiliency burning and creating forest resiliency burning as a new type of outdoor burning permitted by the department of natural resources.

(8) The report to the legislature required by this section may include recommendations for the updating of the smoke management plan defined in RCW 70.94.6536.

(9) For the purposes of this section, “forest resiliency burning” means silvicultural burning carried out under the supervision of qualified silvicultural, ecological, or fire management professionals and used to improve fire dependent ecosystems, mitigate wildfire potential, decrease forest susceptibility to forest insect or disease as defined in RCW 76.06.020, or otherwise enhance forest resiliency to fire.

(10) This section expires July 1, 2019.

NEW SECTION. Sec. 15. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

The Speaker (Representative Moeller presiding) stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 2928, as amended by the Senate.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2928, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 4, 2016

Mr. Speaker:

The Senate has passed FOURTH SUBSTITUTE HOUSE BILL NO. 1541 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature has already established that it is a goal of the state to provide for a public school system that gives all students the opportunity to achieve personal and academic success. This goal contains within it a promise of excellence and opportunity for all students, not just some students. In 2012, in McCleary v. State of Washington, the Washington supreme court reaffirmed the positive constitutional right of every student by noting, "No child is excluded." In establishing the educational opportunity gap oversight and accountability committee in 2009, the legislature recognized that additional work was needed to fulfill the promise of excellence and opportunity for students of certain demographic groups, including English language learners.

(2) In its 2015 report to the legislature, the educational opportunity gap oversight and accountability committee made the following recommendations in keeping with its statutory purpose, which is to recommend specific policies and strategies to close the educational opportunity gap:

(a) Reduce the length of time students of color are excluded from school due to suspension and expulsion and provide students support for reengagement plans;

(b) Enhance the cultural competence of current and future educators and classified staff;

(c) Endorse all educators in English language learner and second language acquisition;

(d) Account for the transitional bilingual instruction program instructional services provided to English language learner students;

(e) Analyze the opportunity gap through deeper disaggregation of student demographic data;

(f) Invest in the recruitment, hiring, and retention of educators of color;

(g) Incorporate integrated student services and family engagement; and

(h) Strengthen student transitions at each stage of the education development pathway; Early learning to elementary, elementary to secondary, secondary to college and career.

(3) The legislature finds that these recommendations represent a holistic approach to making progress toward closing the opportunity gap. The recommendations are interdependent and mutually reinforcing. Closing the opportunity gap requires highly skilled, culturally competent, and diverse educators who understand the communities and cultures that students come from; it requires careful monitoring of not only the academic performance but also the educational environment for all students, at a fine grain of detail to assure adequate accountability; and it requires a robust program of instruction, including appropriately trained educators, to help English language learners gain language proficiency as well as academic proficiency.

(4) Therefore, the legislature intends to adopt policies and programs to implement the six recommendations of the educational opportunity gap oversight and accountability committee and fulfill its promise of excellence and opportunity for all students.

PART I
DISPROPORTIONALITY IN STUDENT DISCIPLINE

Sec. 101. RCW 28A.600.490 and 2013 2nd sp.s. c 18 s 301 are each amended to read as follows:

(1) The office of the superintendent of public instruction shall convene a discipline task force to develop standard definitions for causes of student disciplinary actions taken at the discretion of the school district. The task force must also develop data collection standards for disciplinary actions that are discretionary and for disciplinary actions that result in the exclusion of a student from school. The data collection standards must include data about education services provided while a student is subject to a disciplinary action, the status of petitions for readmission to the school district when a student has been excluded from school, credit retrieval during a period of exclusion, and school dropout as a result of disciplinary action.

(2) The discipline task force shall include representatives from the K-12 data governance group, the educational opportunity gap oversight and accountability committee, the state ethnic commissions, the governor's office of Indian affairs, the office of the education ombudsman (ombudsman H:\DATA\2016 JOURNAL\Journal2016LegDay060(ombuds.doc)) ombuds, school districts, tribal representatives, and other education and advocacy organizations.
(3) The office of the superintendent of public instruction and the K-12 data governance group shall revise the statewide student data system to incorporate the student discipline data collection standards recommended by the discipline task force, and begin collecting data based on the revised standards in the 2015-16 school year.

NEW SECTION. Sec. 102. A new section is added to chapter 28A.320 RCW to read as follows:

(1) School districts shall annually disseminate discipline policies and procedures to students, families, and the community.

(2) School districts shall use disaggregated data collected pursuant to RCW 28A.300.042 to monitor the impact of the school district's discipline policies and procedures.

(3) School districts, in consultation with school district staff, students, families, and the community, shall periodically review and update their discipline rules, policies, and procedures.

NEW SECTION. Sec. 103. A new section is added to chapter 28A.345 RCW to read as follows:

(1) The Washington state school directors' association shall create model school district discipline policies and procedures and post these models publicly by December 1, 2016. In developing these model policies and procedures, the association shall request technical assistance and guidance from the equity and civil rights office within the office of the superintendent of public instruction and the Washington state human rights commission. The model policies and procedures shall be updated as necessary.

(2) School districts shall adopt and enforce discipline policies and procedures consistent with the model policy by the beginning of the 2017-18 school year.

NEW SECTION. Sec. 104. A new section is added to chapter 28A.415 RCW to read as follows:

(1) The office of the superintendent of public instruction, subject to the availability of amounts appropriated for this specific purpose, shall develop a training program to support the implementation of discipline policies and procedures under chapter 28A.600 RCW.

(2) School districts are strongly encouraged to provide the trainings to all school and district staff interacting with students, including instructional staff and noninstructional staff, as well as within a reasonable time following any substantive change to school discipline policies or procedures.

(3) To the maximum extent feasible, the trainings must incorporate or adapt existing online training or curriculum, including securing materials or curriculum under contract or purchase agreements within available funds.

(4) The trainings must be developed in modules that allow:

(a) Access to material over a reasonable number of training sessions;

(b) Delivery in person or online; and

(c) Use in a self-directed manner.

Sec. 105. RCW 28A.600.015 and 2013 2nd sp.s. c 18 s 302 are each amended to read as follows:

(1) The superintendent of public instruction shall adopt and distribute to all school districts lawful and reasonable rules prescribing the substantive and procedural due process guarantees of pupils in the common schools. Such rules shall authorize a school district to use informal due process procedures in connection with the short-term suspension of students to the extent constitutionally permissible: PROVIDED, That the superintendent of public instruction deems the interest of students to be adequately protected. When a student suspension or expulsion is appealed, the rules shall authorize a school district to impose the suspension or expulsion temporarily after an initial hearing for no more than ten consecutive school days or until the appeal is decided, whichever is earlier. Any days that the student is temporarily suspended or expelled before the appeal is decided shall be applied to the term of the student suspension or expulsion and shall not limit or extend the term of the student suspension or expulsion. An expulsion or suspension of a student may not be for an indefinite period of time.

(2) Short-term suspension procedures may be used for suspensions of students up to and including, ten consecutive school days.

(3) Emergency expulsions must end or be converted to another form of corrective action within ten school days from the date of the emergency removal from school. Notice and due process rights must be provided when an emergency expulsion is converted to another form of corrective action.

(4) School districts may not impose long-term suspension or expulsion as a form of discretionary discipline.

(5) Any imposition of discretionary and nondiscretionary discipline is subject to the bar on suspending the provision of educational services pursuant to subsection (8) of this section.

(6) As used in this chapter, "discretionary discipline" means a disciplinary action taken by a school district for student behavior that violates rules of student conduct adopted by a school district board of directors under RCW 28A.600.010 and this section, but does not constitute action taken in response to any of the following:

(a) A violation of RCW 28A.600.420;

(b) An offense in RCW 13.04.155;

(c) Two or more violations of RCW 9A.46.120, 9A.46.280, 28A.600.455, 28A.635.020, or 28A.635.060 within a three-year period; or

(d) Behavior that adversely impacts the health or safety of other students or educational staff.

(7) Except as provided in RCW 28A.600.420, school districts are not required to impose long-term suspension or expulsion for behavior that constitutes a violation or offense listed under subsection (6)(a) through (d) of this section and should first consider alternative actions.

(8) School districts may not suspend the provision of educational services to a student as a disciplinary action. A student may be excluded from a particular classroom or instructional or activity area for the period of suspension or expulsion, but the school district must provide an opportunity for a student to receive educational services during a period of suspension or expulsion.

(9) Nothing in this section creates any civil liability for school districts, or creates a new cause of action or new theory of negligence against a school district board of directors, a school district, or the state.
(1) The rules adopted pursuant to RCW 28A.600.010 shall be interpreted to ensure that the optimum learning atmosphere of the classroom is maintained, and that the highest consideration is given to the judgment of qualified certificated educators regarding conditions necessary to maintain the optimum learning atmosphere.

(2) Any student who creates a disruption of the educational process in violation of the building disciplinary standards while under a teacher's immediate supervision may be excluded by the teacher from his or her individual classroom and instructional or activity area for all or any portion of the balance of the school day, or up to the following two days, or until the principal or designee and teacher have conferred, whichever occurs first. Except in emergency circumstances, the teacher first must attempt one or more alternative forms of corrective action. In no event without the consent of the teacher may an excluded student return to the class during the balance of that class or activity period or up to the following two days, or until the principal or his or her designee and the teacher have conferred.

(3) In order to preserve a beneficial learning environment for all students and to maintain good order and discipline in each classroom, every school district board of directors shall provide that written procedures are developed for administering discipline at each school within the district. Such procedures shall be developed with the participation of parents and the community, and shall provide that the teacher, principal or designee, and other authorities designated by the board of directors, make every reasonable attempt to involve the parent or guardian and the student in the resolution of student discipline problems. Such procedures shall provide that students may be excluded from their individual classes or activities for periods of time in excess of that provided in subsection (2) of this section if such students have repeatedly disrupted the learning of other students. The procedures must be consistent with the rules of the superintendent of public instruction and must provide for early involvement of parents in attempts to improve the student's behavior.

(4) The procedures shall assure, pursuant to RCW 28A.400.110, that all staff work cooperatively toward consistent enforcement of proper student behavior throughout each school as well as within each classroom.

(5)(a) A principal shall consider imposing long-term suspension or expulsion as a sanction when deciding the appropriate disciplinary action for a student who, after July 27, 1997:

(i) Engages in two or more violations within a three-year period of RCW 9A.46.120, (28A.320.135,) 28A.600.455, 28A.600.460, 28A.635.020, 28A.600.020, 28A.635.060, or 9.41.280, (or 28A.320.140); or

(ii) Engages in one or more of the offenses listed in RCW 13.04.155.

(b) The principal shall communicate the disciplinary action taken by the principal to the school personnel who referred the student to the principal for disciplinary action.

(6) Any corrective action involving a suspension or expulsion from school for more than ten days must have an end date of not more than ((one calendar year)) the length of an academic term, as defined by the school board, from the time of corrective action. Districts shall make reasonable efforts to assist students and parents in returning to an educational setting prior to and no later than the end date of the corrective action. Where warranted based on public health or safety, a school may petition the superintendent of the school district, pursuant to policies and procedures adopted by the office of the superintendent of public instruction, for authorization to exceed the ((one calendar year)) academic term limitation provided in this subsection. The superintendent of public instruction shall adopt rules outlining the limited circumstances in which a school may petition to exceed the (one calendar year) academic term limitation, including safeguards to ensure that the school district has made every effort to plan for the student's return to school. School districts shall report to the office of the superintendent of public instruction the number of petitions made to the school board and the number of petitions granted on an annual basis.

(7) Nothing in this section prevents a public school district, educational service district, the Washington state center for childhood deafness and hearing loss, or the state school for the blind if it has suspended or expelled a student from the student's regular school setting from providing educational services to the student in an alternative setting or modifying the suspension or expulsion on a case-by-case basis. An alternative setting should be comparable, equitable, and appropriate to the regular education services a student would have received without the exclusionary discipline. Example alternative settings include alternative high schools, one-on-one tutoring, and online learning.

Sec. 107. RCW 28A.600.022 and 2013 2nd sp.s. c 18 s 308 are each amended to read as follows:

(1) School districts should make efforts to have suspended or expelled students return to an educational setting as soon as possible. School districts ((should)) must convene a meeting with the student and the student's parents or guardians within twenty days of the student's long-term suspension or expulsion, but no later than five days before the student's enrollment, to discuss a plan to reengage the student in a school program. Families must have access to, provide meaningful input on, and have the opportunity to participate in a culturally sensitive and culturally responsive reengagement plan.

(2) In developing a reengagement plan, school districts should consider shortening the length of time that the student is suspended or expelled, other forms of corrective action, and supportive interventions that aid in the student's academic success and keep the student engaged and on track to graduate. School districts must create a reengagement plan tailored to the student's individual circumstances, including consideration of the incident that led to the student's long-term suspension or expulsion. The plan should aid the student in taking the necessary steps to remedy the situation that led to the student's suspension or expulsion.

(3) Any reengagement meetings conducted by the school district involving the suspended or expelled student and his or her parents or guardians are not intended to replace a petition for readmission.

Sec. 108. RCW 43.41.400 and 2012 c 229 s 585 are each amended to read as follows:

(1) An education data center shall be established in the office of financial management. The education data center shall jointly, with the legislative evaluation and

Based on the analysis, the education data center shall submit, if necessary, a recommendation to the legislature regarding any statutory changes or resources that would be needed to collect or improve the data;

(e) Monitor and evaluate the education data collection systems of the organizations and agencies represented in the education data center ensuring that data systems are flexible, able to adapt to evolving needs for information, and to the extent feasible and necessary, include data that are needed to conduct the analyses and provide answers to the research and policy questions identified in (a) of this subsection;

The education data center shall also develop data-sharing and research agreements with the administrative office of the courts to conduct research on educational and workforce outcomes using data maintained under RCW 13.50.010(12) related to juveniles. Private, nonprofit institutions of higher education that provide programs of education beyond the high school level leading at least to the baccalaureate degree and are accredited by the Northwest association of schools and colleges or their peer accreditation bodies may also develop data-sharing and research agreements with the education data center, consistent with applicable security and confidentiality requirements. (2) This section expires August 1, 2017.

PART VI
RECRUITMENT AND RETENTION OF EDUCATORS
Sec. 601. RCW 28A.300.507 and 2009 c 548 s 203 are each amended to read as follows:

(1) A K-12 data governance group shall be established within the office of the superintendent of public instruction to assist in the design and implementation of a K-12 education data improvement system for financial, student, and educator data. It is the intent that the data system reporting specifically serve requirements for teachers, parents, superintendents, school boards, the office of the superintendent of public instruction, the legislature, and the public.

(2) The K-12 data governance group shall include representatives of the education data center, the office of the superintendent of public instruction, the legislative evaluation and accountability program committee, the professional educator standards board, the state board of education, and school district staff, including information technology staff. Additional entities with expertise in education data may be included in the K-12 data governance group.

(3) The K-12 data governance group shall:
  
  (a) Identify the critical research and policy questions that need to be addressed by the K-12 education data improvement system;
(b) Identify reports and other information that should be made available on the internet in addition to the reports identified in subsection (5) of this section;

(c) Create a comprehensive needs requirement document detailing the specific information and technical capacity needed by school districts and the state to meet the legislature's expectations for a comprehensive K-12 education data improvement system as described under RCW 28A.655.210;

(d) Conduct a gap analysis of current and planned information compared to the needs requirement document, including an analysis of the strengths and limitations of an education data system and programs currently used by school districts and the state, and specifically the gap analysis must look at the extent to which the existing data can be transformed into canonical form and where existing software can be used to meet the needs requirement document;

(e) Focus on financial and cost data necessary to support the new K-12 financial models and funding formulas, including any necessary changes to school district budgeting and accounting, and on ensuring the capacity to link data across financial, student, and educator systems; and

(f) Define the operating rules and governance structure for K-12 data collections, ensuring that data systems are flexible and able to adapt to evolving needs for information, within an objective and orderly data governance process for determining when changes are needed and how to implement them. Strong consideration must be made to the current practice and cost of migration to new requirements. The operating rules should delineate the coordination, delegation, and escalation authority for data collection issues, business rules, and performance goals for each K-12 data collection system, including:

(i) Defining and maintaining standards for privacy and confidentiality;

(ii) Setting data collection priorities;

(iii) Defining and updating a standard data dictionary;

(iv) Ensuring data compliance with the data dictionary;

(v) Ensuring data accuracy; and

Nothing in RCW 43.41.400, this section, or RCW 28A.655.210 should be construed to require that a data dictionary or reporting should be hobbled to the lowest common set. The work of the K-12 data governance group must specify which data are desirable. Districts that can meet these requirements shall report the desirable data. Funding from the legislature must establish which subset data are absolutely required.

(4)(a) The K-12 data governance group shall provide updates on its work as requested by the education data center and the legislative evaluation and accountability program committee.

(b) The work of the K-12 data governance group shall be periodically reviewed and monitored by the educational data center and the legislative evaluation and accountability program committee.

(5) To the extent data is available, the office of the superintendent of public instruction shall make the following minimum reports available on the internet. The reports must either be run on demand against current data, or, if a static report, must have been run against the most recent data:

(a) The percentage of data compliance and data accuracy by school district;

(b) The magnitude of spending per student, by student estimated by the following algorithm and reported as the detailed summation of the following components:

(i) An approximate, prorated fraction of each teacher or human resource element that directly serves the student. Each human resource element must be listed or accessible through online tunneling in the report;

(ii) An approximate, prorated fraction of classroom or building costs used by the student;

(iii) An approximate, prorated fraction of transportation costs used by the student; and

(iv) An approximate, prorated fraction of all other resources within the district. District wide components should be disaggregated to the extent that it is sensible and economical;

(c) The cost of K-12 basic education, per student, by student, by school district, estimated by the algorithm in (b) of this subsection, and reported in the same manner as required in (b) of this subsection;

(e) Improvement on the statewide assessments computed as both a percentage change and absolute change on a scale score metric by district, by school, and by teacher that can also be filtered by a student's length of full-time enrollment within the school district;

(f) Number of K-12 students per classroom teacher on a per teacher basis;

(g) Number of K-12 classroom teachers per student on a per student basis;

(h) Percentage of a classroom teacher per student on a per student basis; (and)

(i) Percentage of classroom teachers per school district and per school disaggregated as described in RCW 28A.300.042(1) for student-level data;

(j) Average length of service of classroom teachers per school district and per school disaggregated as described in RCW 28A.300.042(1) for student-level data; and

(k) The cost of K-12 education per student by school district sorted by federal, state, and local dollars.

(6) The superintendent of public instruction shall submit a preliminary report to the legislature by November 15, 2009, including the analyses by the K-12 data governance group under subsection (3) of this section and preliminary options for addressing identified gaps. A final report, including a proposed phase-in plan and preliminary cost estimates for implementation of a comprehensive data improvement system for financial, student, and educator data shall be submitted to the legislature by September 1, 2010.

(7) All reports and data referenced in this section and RCW 43.41.400 and 28A.655.210 shall be made available in a manner consistent with the technical requirements of the legislative evaluation and accountability program committee.
and the education data center so that selected data can be provided to the legislature, governor, school districts, and the public.

(8) Reports shall contain data to the extent it is available. All reports must include documentation of which data are not available or are estimated. Reports must not be suppressed because of poor data accuracy or completeness. Reports may be accompanied with documentation to inform the reader of why some data are missing or inaccurate or estimated.

The purposes of the protocol include:

(a) Supporting a school-based approach to promoting the success of all students by coordinating academic and nonacademic supports to reduce barriers to academic achievement and educational attainment;

(b) Fulfilling a vision of public education where educators focus on education, students focus on learning, and auxiliary supports enable teaching and learning to occur unimpeded;

(4) The superintendent of public instruction shall consult and may contract for services with a national nonpartisan, nonprofit research center that has provided data and analyses to improve policies and programs serving children and youth for over thirty-five years.

(5) The work group must submit to the appropriate committees of the legislature a report recommending policies that need to be adopted or revised to implement the
framework described in section 801 of this act throughout the state by October 1, 2017. The work group must submit a preliminary report by October 1, 2016, and a final report by October 1, 2017.

(7) "Lay caregiver" means any individual designated as such by a patient under this chapter who provides aftercare assistance to a patient in the patient's residence. "Lay caregiver" does not include a long-term care worker as defined in RCW 74.39A.009.

(1) Subject to the availability of amounts appropriated for this specific purpose, the office of the superintendent of public instruction, in consultation with school districts, educational service districts, and other state agencies, shall develop and implement a comprehensive, statewide initiative to increase the number of qualified individuals who apply for teaching positions in Washington. In developing and implementing the initiative, the office of the superintendent of public instruction, in partnership with the employment security department, shall:

The services and tools developed under this subsection must be made available initially to small school districts, and to larger districts as resources are available. When defining small districts for the purpose of this subsection, the office of the superintendent of public instruction must consider whether a district has fewer than three hundred certificated staff;

(2) By December 1, 2019, the office of the superintendent of public instruction shall assess the efficiency and effectiveness of the centralized web-based depository for job applications required under subsection (1)(b) of this section, and shall submit a report to the appropriate committees of the legislature, in accordance with RCW 43.01.036, that recommends whether the requirement for the application depository be continued, modified, or terminated. In performing the assessment required in this subsection (2), the office must solicit and consider feedback from small school districts.

(8) Identify an expedited professional certification process for out-of-state teachers who have five years or more of successful teaching experience (to demonstrate skills and impact on student learning commensurate with Washington requirements for professional certification. The rules may require these teachers, within one year of the time they begin to teach in the state's public schools, take a
course in or show evidence that they can teach to the state's essential academic learning requirements), including a method to determine the comparability of rigor between the Washington professional certification process and the advanced level teacher certification process of other states. The agency responsible for educator certification shall adopt rules for professional certification that identify an expedited professional certification process for out-of-state teachers who have five years or more of successful teaching experience, including a method to determine the comparability of rigor between the Washington professional certification process and any United States federally issued or state-issued advanced level teacher certification process that allows an individual to teach internationally. A professional certificate must be issued to these experienced out-of-state teachers if the teacher holds a United States federally issued or state-issued advanced level teacher certificate that allows the individual to teach internationally and that has been determined to be comparable to the Washington professional certificate.

NEW SECTION. Sec. 17. A new section is added to chapter 28A.410 RCW to read as follows:

(1) By September 1, 2020, the Washington state institute for public policy must review the effect of the provisions in RCW 28A.410.250(8) and section 5 of this act and report to the appropriate committees of the legislature, in accordance with RCW 43.01.036. (c) Whether the provisions in RCW 28A.410.250(8) and section 5 of this act have increased the number of professional certifications issued to individuals from out-of-state.

(2) The Washington state institute for public policy must coordinate with state agencies including the office of the superintendent of public instruction, the employment security department, and the professional educator standards board to gather data that informs the review. These state agencies must cooperate in a timely manner with data requests in service of this review.

(3) This section expires July 1, 2021.

(2) Subject to the availability of amounts appropriated for this specific purpose, an institution of higher education, as defined in RCW 28B.10.016, with a professional educator standards board-approved teacher preparation program that does not operate a professional educator standards board-approved alternative route teacher certification program must seek approval from the professional educator standards board to offer an alternative route teacher certification program by submitting the proposal developed under RCW 28A.410.290, or an updated version of the proposal, by September 1, 2016. Sec. 33, RCW 26.44.030 and 2015 1st sp.s. c 6 s 1 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, ((ae)) state family and children's ombuds or any volunteer in the ombuds's office, or host home program has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11((i)(a) and 13((i) RCW and ((26 RCW) this title, who in the course of their
representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency, including military law enforcement, if appropriate. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:
(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;
(ii) Allow for a change in response assignment based on new information that alters risk or safety level;
(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;
(iv) Provide a full investigation if a family refuses the initial family assessment;
(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;
(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:
(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;
(B) Poses a serious threat of substantial harm to a child;
(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;
(D) The child is an abandoned child as defined in RCW 13.34.030;
(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.
(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.
(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.
(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.
(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:
(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes:
(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;
(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;
(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;
(e) Implement the family assessment response in a consistent and cooperative manner;
(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.
(14)(a) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:
(i) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and
(ii) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.
(b) The Washington state school directors' association shall adopt a model policy addressing protocols when an interview, as authorized by this subsection, is conducted on school premises. In formulating its policy,
The department shall consult with the department and the Washington association of sheriffs and police chiefs.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children’s ombuds of the contents of the report. The department shall also notify the ombuds of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(20) Upon receiving a report of alleged abuse or neglect involving a child under the court’s jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, “guardian ad litem” has the meaning provided in RCW 13.34.030.

(21) The department shall make efforts as soon as practicable to determine the military status of parents whose children are subject to abuse or neglect allegations. If the department determines that a parent or guardian is in the military, the department shall notify a department of defense family advocacy program that there is an allegation of abuse and neglect that is screened in and open for investigation that relates to that military parent or guardian.

On page 1, line 1 of the title, after "youth," strike the remainder of the title and insert "amending RCW 74.15.020 and 26.44.030; adding a new section to chapter 24.03 RCW; and creating a new section.” and the same is herewith transmitted.

MESSAGE FROM THE SENATE

March 10, 2016

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2449 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that all children and youth in Washington state are entitled to a basic education and to an equal opportunity to learn. The legislature recognizes that poor school attendance can have far-reaching effects on academic performance and achievement, development of social skills and school engagement, dropout rates, and even college completion rates, and that these effects occur regardless of whether excessive absenteeism is considered excused or unexcused or the specific reason or reasons for the absences. The legislature recognizes that there are many causes of truancy and that truancy is an indicator of future school dropout and delinquent behavior. The legislature recognizes that early engagement of parents in the education process is an

40
important measure in preventing truancy. It is the intent of
the legislature to encourage the systematic identification of
truancy behavior as early as possible and to encourage the use
of best practices and evidence-based interventions to reduce
truancy behavior in every school in Washington state. The
legislature intends that schools, parents, juvenile courts, and
communities share resources within and across school
districts where possible to enhance the availability of best
practices and evidence-based intervention for truant children
and youth.

By taking a four-pronged approach and providing
additional tools to schools, courts, communities, and
families, the legislature hopes to reduce excessive
absenteeism, strengthen families, engage communities and
families with schools, promote academic achievement,
reduce educational opportunity gaps, reduce juvenile
delinquency, address juveniles’ emotional, mental health,
and chemical dependency needs, and increase high school
graduation rates.

First, with respect to absenteeism in general, the
legislature intends to put in place consistent practices and
procedures, beginning in kindergarten, pursuant to which
schools share information with families about the
importance of consistent attendance and the consequences
of excessive absences, involve families early, and provide
families with information, services, and tools that they may
access to improve and maintain their children’s school
attendance.

Second, the legislature recognizes the success that has
been had by school districts and county juvenile courts
around the state that have worked in tandem with one
another to establish truancy boards capable of prevention
and intervention and that regularly stay truancy petitions in
order to first allow these boards to identify barriers to school
attendance, cooperatively solve problems, and connect
students and their families with needed community-based
services. While keeping petition filing requirements in place,
the legislature intends to require an initial stay of truancy
petitions in order to allow for appropriate intervention and
prevention before using a court order to enforce attendance
laws. The legislature also intends to encourage efforts by
county juvenile courts and school districts to establish and
maintain community truancy boards and to employ other
best practices, including the provision of training for board
members and other school and court personnel on trauma-
informed approaches to discipline, the use of the
Washington assessment of the risks and needs of students
(WARNS) or other assessment tools to identify the specific
needs of individual children, and the provision of evidence-
based treatments that have been found to be effective in
supporting at-risk youth and their families.

Third, the legislature recognizes that there are instances
in which barriers to school attendance that have led to
truancy may be best addressed by juvenile courts, which may
refer truant students to a crisis residential center or HOPE
center for the provision of services. The legislature further
recognizes that even when a truant student is found in
contempt of a court order to attend school, it is best practice
that the truant student not be placed in juvenile detention but,
where feasible and available, instead be placed in a secure
crisis residential center. The legislature intends to increase

the number of beds in HOPE centers and crisis residential
centers in order to facilitate their use for truant students.

Fourth, the legislature recognizes that some problematic
behaviors that are predictive of truancy and delinquency may
be best addressed by appropriate screenings and, where
appropriate, temporary provision of home services. The
legislature intends to strengthen the juvenile court’s ability
to seek a chemical dependency or mental health assessment
for a child subject to a truancy petition, if the court finds that
such an assessment might help to reengage a child in school.
The legislature further finds that where family conflict exists
or a juvenile's health or safety is in jeopardy due to
circumstances in the child's home, referral to a crisis
residential center might be appropriate to help achieve
family reconciliation.

Sec. 2. RCW 28A.225.005 and 2009 c 556 s 5 are each
amended as follows:

(1) Each school within a school district shall inform the
students and the parents of the students enrolled in the school
about: The benefits of regular school attendance; the
potential effects of excessive absenteeism, whether excused
or unexcused, on academic achievement, and graduation and
dropout rates; the school’s expectations of the parents and
guardians to ensure regular school attendance by the child;
the resources available to assist the child and the parents and
guardians; the role and responsibilities of the school; and
the consequences of truancy, including the compulsory
education requirements under this chapter. The school shall
provide access to the information ((at least annually.)) before
or at the time of enrollment of the child at a new school and
at the beginning of each school year. If the school regularly
and ordinarily communicates most other information to
parents online, providing online access to the information
required by this section satisfies the requirements of this
section unless a parent or guardian specifically requests
information to be provided in written form. Reasonable
efforts must be made to enable parents to request and receive
the information in a language in which they are fluent. A
parent must date and acknowledge review of this
information online or in writing before or at the time of
enrollment of the child at a new school and at the beginning
of each school year.

(2) The office of the superintendent of public instruction
shall develop a template that schools may use to satisfy the
requirements of subsection (1) of this section and shall post
the information on its web site.

NEW SECTION. Sec. 3. A new section is added to
chapter 28A.225 RCW to read as follows:

(1) Except as provided in subsection (2) of this section,
in the event that a child in elementary school is required to
attend school under RCW 28A.225.010 or 28A.225.015(1)
and has five or more excused absences in a single month
during the current school year, or ten or more excused
absences in the current school year, the school district shall
schedule a conference or conferences with the parent and
child at a time reasonably convenient for all persons
included for the purpose of identifying the barriers to the
child’s regular attendance, and the supports and resources
that may be made available to the family so that the child is
able to regularly attend school. If a regularly scheduled
parent-teacher conference day is to take place within thirty
days of the absences, the school district may schedule this
conference on that day. To satisfy the requirements of this section, the conference must include at least one school district employee such as a nurse, counselor, social worker, teacher, or community human services provider, except in those instances regarding the attendance of a child who has an individualized education program or a plan developed under section 504 of the rehabilitation act of 1973, in which case the reconvening of the team that created the program or plan is required.

(2) A conference pursuant to subsection (1) of this section is not required in the event of excused absences for which prior notice has been given to the school or a doctor's note has been provided and an academic plan is put in place so that the child does not fall behind.

Sec. 4. RCW 28A.225.020 and 2009 c 266 s 1 are each amended to read as follows:

(1) If a child required to attend school under RCW 28A.225.010 fails to attend school without valid justification, the public school in which the child is enrolled shall:

(a) Inform the child's ((custodial)) parent((, parents, or guardian)) by a notice in writing or by telephone whenever the child has failed to attend school after one unexcused absence within any month during the current school year. School officials shall inform the parent of the potential consequences of additional unexcused absences. If the ((custodial)) parent((, parents, or guardian)) is not fluent in English, the ((preferred practice is to)) school must make reasonable efforts to provide this information in a language in which the ((custodial)) parent((, parents, or guardian)) is fluent;

(b) Schedule a conference or conferences with the ((custodial)) parent((, parents, or guardian)) and child at a time reasonably convenient for all persons included for the purpose of analyzing the causes of the child's absences after two unexcused absences within any month during the current school year. If a regularly scheduled parent-teacher conference day is to take place within thirty days of the second unexcused absence, then the school district may schedule this conference on that day, and

(c) Take data-informed steps to eliminate or reduce the child's absences. These steps shall include application of the Washington assessment of the risks and needs of students (WARNS) by a school district's designee under section 6 of this act, and where appropriate, providing an available approved best practice or research-based intervention, or both, consistent with the WARNS profile, adjusting the child's school program or school or course assignment, providing more individualized or remedial instruction, providing appropriate vocational courses or work experience, referring the child to a community truancy board, ((if available,)) requiring the child to attend an alternative school or program, or assisting the parent or child to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school. If the child's parent does not attend the scheduled conference, the conference may be conducted with the student and school official. However, the parent shall be notified of the steps to be taken to eliminate or reduce the child's absence.

(2) For purposes of this chapter, an "unexcused absence" means that a child:

(a) Has failed to attend the majority of hours or periods in an average school day or has failed to comply with a more restrictive school district policy; and

(b) Has failed to meet the school district's policy for excused absences.

(3) If a child transfers from one school district to another during the school year, the receiving school or school district shall include the unexcused absences accumulated at the previous school or from the previous school district for purposes of this section. RCW 28A.225.030, and 28A.225.015. The sending school district shall provide this information to the receiving school, together with a copy of any previous assessment as required under subsection (1)(c) of this section, history of any best practices or research-based intervention previously provided to the child by the child's sending school district, and a copy of the most recent truancy information including any online or written acknowledgment by the parent and child, as provided for in RCW 28A.225.005.

Sec. 5. RCW 28A.225.025 and 2009 c 266 s 2 are each amended to read as follows:

(1) For purposes of this chapter, "community truancy board" means a board established pursuant to a memorandum of understanding between a juvenile court and a school district and composed of members of the local community in which the child attends school. ((Juvenile courts may establish and operate community truancy boards. If the juvenile court and the school district agree, a school district may establish and operate a community truancy board under the jurisdiction of the juvenile court. Juvenile courts may create a community truancy board or may use other entities that exist or are created, such as diversion units. However, a diversion unit or other existing entity must agree before it is used as a truancy board.)) All members of a community truancy board must receive training regarding the identification of barriers to school attendance, the use of the Washington assessment of the risks and needs of students (WARNS) or other assessment tools to identify the specific needs of individual children, trauma-informed approaches to discipline, evidence-based treatments that have been found effective in supporting at-risk youth and their families, and the specific services and treatment available in the particular school, court, community, and elsewhere. Duties of a community truancy board shall include, but not be limited to: Identifying barriers to school attendance, recommending methods for improving ((school)) attendance such as ((assisting the parent or the child to obtain supplementary services that might eliminate or ameliorate the causes for the absences or)) connecting students and their families with community services, culturally appropriate promising practices, and evidence-based services such as functional family therapy, multisystemic therapy, and aggression replacement training, suggesting to the school district that the child enroll in another school, an alternative education program, an education center, a skill center, a dropout prevention program, or another public or private educational program, or recommending to the juvenile court that a juvenile be referred to a HOPE center or crisis residential center.

(2) The legislature finds that utilization of community truancy boards((, or other diversion units that fulfill a similar function)) is the preferred means of intervention when
preliminary methods ((of notice and parent conferences and taking appropriate steps)) to eliminate or reduce unexcused absences as required by RCW 28A.225.020 have not been effective in securing the child’s attendance at school. The legislature intends to encourage and support the development and expansion of community truancy boards ((and other diversion programs which are effective in promoting school attendance and preventing the need for more intrusive intervention by the court)). Operation of a school truancy board does not excuse a district from the obligation of filing a petition within the requirements of RCW 28A.225.015(3).

NEW SECTION. Sec. 6. A new section is added to chapter 28A.225 RCW to read as follows:

(1) By the beginning of the 2017-18 school year, juvenile courts must establish, through a memorandum of understanding with each school district within their respective counties, a coordinated and collaborative approach to address truancy through the establishment of a community truancy board or, with respect to certain small districts, through other means as provided in subsection (3) of this section.

(2) Except as provided in subsection (3) of this section, each school district must enter into a memorandum of understanding with the juvenile court in the county in which it is located with respect to the operation of a community truancy board. A community truancy board may be operated by a juvenile court, a school district, or a collaboration between both entities, so long as the agreement is memorialized in a memorandum of understanding. For a school district that is located in more than one county, the memorandum of understanding shall be with the juvenile court in the county that acts as the school district’s treasurer.

(3) A school district with fewer than two hundred students must enter into a memorandum of understanding with the juvenile court in the county in which it is located with respect to: (a) The operation of a community truancy board; or (b) addressing truancy through other coordinated means of intervention aimed at identifying barriers to school attendance, and connecting students and their families with community services, culturally appropriate promising practices, and evidence-based services such as functional family therapy, multisystemic therapy, and aggression replacement training. School districts with fewer than two hundred students may work cooperatively with other school districts or the school district’s educational service district to ensure access to a community truancy board or to provide other coordinated means of intervention.

(4) All school districts must designate, and identify to the local juvenile court, a person or persons to coordinate school district efforts to address excessive absenteeism and truancy, including tasks associated with: Outreach and conferences pursuant to section 3 of this act; entering into a memorandum of understanding with the juvenile court; establishing protocols and procedures with the court; coordinating trainings; sharing evidence-based and culturally appropriate promising practices; identifying a person within every school to serve as a contact with respect to excessive absenteeism and truancy; and assisting in the recruitment of community truancy board members.

(5) As has been demonstrated by school districts and county juvenile courts around the state that have worked together and led the way with community truancy boards, success has resulted from involving the entire community and leveraging existing dollars from a variety of sources, including public and private, local and state, and court, school, and community. In emulating this coordinated and collaborative approach statewide pursuant to local memoranda of understanding, courts and school districts are encouraged to create strong community-wide partnerships and to leverage existing dollars and resources.

Sec. 7. RCW 28A.225.030 and 2012 c 157 s 1 are each amended to read as follows:

(1) If a child under the age of seventeen is required to attend school under RCW 28A.225.010 and if the actions taken by a school district under RCW 28A.225.020 are not successful in substantially reducing an enrolled student's absences from public school, not later than the seventh unexcused absence by a child within any month during the current school year or not later than the tenth unexcused absence during the current school year the school district shall file a petition and supporting affidavit for a civil action with the juvenile court alleging a violation of RCW 28A.225.010: (a) By the parent; (b) by the child; or (c) by the parent and the child. The petition must include a list of all interventions that have been attempted as set forth in RCW 28A.225.020, include a copy of any previous truancy assessment completed by the child's current school district, the history of approved best practices intervention or research-based intervention previously provided to the child by the child's current school district, and a copy of the most recent truancy information document signed by the parent and child, pursuant to RCW 28A.225.005. Except as provided in this subsection, no additional documents need be filed with the petition. Nothing in this subsection requires court jurisdiction to terminate when a child turns seventeen or precludes a school district from filing a petition for a child that is seventeen years of age.

(2) The district shall not later than the fifth unexcused absence in a month:

(a) Enter into an agreement with a student and parent that establishes school attendance requirements;

(b) Refer a student to a community truancy board((, if available)), as defined in RCW 28A.225.025. The community truancy board shall enter into an agreement with the student and parent that establishes school attendance requirements and take other appropriate actions to reduce the child's absences; or

(c) File a petition under subsection (1) of this section.

(3) The petition may be filed by a school district employee who is not an attorney.

(4) If the school district fails to file a petition under this section, the parent of a child with five or more unexcused absences in any month during the current school year or upon the tenth unexcused absence during the current school year may file a petition with the juvenile court alleging a violation of RCW 28A.225.010.

(5) Petitions filed under this section may be served by certified mail, return receipt requested. If such service is unsuccessful, or the return receipt is not signed by the addressee, personal service is required.

Sec. 8. RCW 28A.225.035 and 2012 c 157 s 2 are each amended to read as follows:
(7)(a) Notwithstanding the provisions in subsection (4)(a) of this section, a hearing shall not be required if other actions by the court would substantially reduce the child's unexcused absences. Such actions may include referral to an existing community truancy board, use of the Washington assessment of risks and needs of students (WARNs) or other assessment tools to identify the specific needs of individual children, the provision of community-based services, and the provision of evidence-based treatments that have been found to be effective in supporting at-risk youth and their families.

When a juvenile court hearing is held, the court shall:

(i) Separate the child, the parent of the child, and the school district of the hearing. If the parent is not fluent in English, notice should be provided in a language in which the parent is fluent as indicated on the petition pursuant to RCW 28A.225.030(1);

(ii) Notify the parent and the child of their rights to present evidence at the hearing; and

(iii) Notify the parent and the child of the options and rights available under chapter 13.32A RCW.

(b) If the child is not provided with counsel, the advisement of rights must take place in court by means of a colloquy between the court, the child if eight years old or older, and the parent.

(8)(a) The court may require the attendance of the child if eight years old or older, the parents, and the school district at any hearing on a petition filed under RCW 28A.225.030.

(b) The court may not issue a bench warrant for a child for failure to appear at a hearing on a petition filed under RCW 28A.225.030. If there has been proper service, the court may instead enter a default order assuming jurisdiction under the terms specified in subsection (12) of this section.

(9) A school district is responsible for determining who shall represent the school district at hearings on a petition filed under RCW 28A.225.030 or 28A.225.015.

(10) The court shall grant the petition and enter an order assuming jurisdiction to intervene for the period of time determined by the court, after considering the facts alleged in the petition and the circumstances of the juvenile, to most likely cause the juvenile to return to and remain in school while the juvenile is subject to this chapter. In no case may the order expire before the end of the school year in which it is entered.

(11) If the child is in a special education program or has a diagnosed mental or emotional disorder, the court shall inquire as to what efforts the school district has made to assist the child in attending school.

(12) If the allegations in the petition are established by a preponderance of the evidence, the court shall grant the petition and enter an order assuming jurisdiction to intervene for the period of time determined by the court, after considering the facts alleged in the petition and the circumstances of the juvenile, to most likely cause the juvenile to return to and remain in school while the juvenile is subject to this chapter. In no case may the order expire before the end of the school year in which it is entered.

(13)(a) If the court assumes jurisdiction, the school district shall periodically report to the court any additional unexcused absences by the child, actions taken by the school district, and an update on the child's academic status in school at a schedule specified by the court.
(b) The first report under this subsection (13) must be received no later than three months from the date that the court assumes jurisdiction.

(14) Community truancy boards and the courts shall coordinate, to the extent possible, proceedings and actions pertaining to children who are subject to truancy petitions and at-risk youth petitions in RCW 13.32A.191 or child in need of services petitions in RCW 13.32A.140.

(15) If after a juvenile court assumes jurisdiction in one county the child relocates to another county, the juvenile court in the receiving county shall, upon the request of a school district or parent, assume jurisdiction of the petition filed in the previous county.

Sec. 9. RCW 28A.225.090 and 2009 c 266 s 4 are each amended to read as follows:

(1) A court may order a child subject to a petition under RCW 28A.225.035 to do one or more of the following:

(a) Attend the child's current school, and set forth minimum attendance requirements, (including suspensions)) which shall not consider a suspension day as an unexcused absence;
(b) If there is space available and the program can provide educational services appropriate for the child, order the child to attend another public school, an alternative education program, center, a skill center, dropout prevention program, or another public educational program;
(c) Attend a private nonsectarian school or program including an education center. Before ordering a child to attend an approved or certified private nonsectarian school or program, the court shall: (i) Consider the public and private programs available; (ii) find that placement is in the best interest of the child; and (iii) find that the private school or program is willing to accept the child and will not charge any fees in addition to those established by contract with the student's school district. If the court orders the child to enroll in a private school or program, the child's school district shall contract with the school or program to provide educational services for the child. The school district shall not be required to contract for a weekly rate that exceeds the state general apportionment dollars calculated on a weekly basis generated by the child and received by the district. A school district shall not be required to enter into a contract that is longer than the remainder of the school year. A school district shall not be required to enter into or continue a contract if the child is no longer enrolled in the district;
(d) ((Be referred to a community truancy board, if available; or
(e)) Submit to ((testing for the use of controlled substances or alcohol based on a determination that such testing)) a substance abuse assessment if the court finds on the record that such evaluation is appropriate to the circumstances and behavior of the child and will facilitate the child's compliance with the mandatory attendance law; or
(f) Submit to a temporary placement in a crisis residential center or a HOPE center if the court determines there is an immediate health and safety concern, or a family conflict with the need for mediation.

(2) If the child fails to comply with the court order, the court may order the child to be subject to detention, as provided in RCW 7.21.030(2)(e), or may impose alternatives to detention such as community restitution. Failure by a child to comply with an order issued under this subsection shall not be subject to detention for a period greater than that permitted pursuant to a civil contempt proceeding against a child under chapter 13.32A RCW. Detention ordered under this subsection may be for no longer than seven days. Detention ordered under this subsection shall preferably be served at a secure crisis residential center close to the child's home rather than in a juvenile detention facility. A warrant of arrest for a child under this subsection may not be served on a child inside of school during school hours in a location where other students are present.

(3) Any parent violating any of the provisions of either RCW 28A.225.010, 28A.225.015, or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. The court shall remit fifty percent of the fine collected under this section to the child's school district. It shall be a defense for a parent charged with violating RCW 28A.225.010 to show that he or she exercised reasonable diligence in attempting to cause a child in his or her custody to attend school or that the child's school did not perform its duties as required in RCW 28A.225.020. The court may order the parent to provide community restitution instead of imposing a fine. Any fine imposed pursuant to this section may be suspended upon the condition that a parent charged with violating RCW 28A.225.010 shall participate with the school and the child in a supervised plan for the child's attendance at school or upon condition that the parent attend a conference or conferences scheduled by a school for the purpose of analyzing the causes of a child's absence.

(4) If a child continues to be truant after entering into a court-approved order with the truancy board under RCW 28A.225.035, the juvenile court shall find the child in contempt, and the court may order the child to be subject to detention, as provided in RCW 7.21.030(2)(e), or may impose alternatives to detention such as meaningful community restitution. Failure by a child to comply with an order issued under this subsection may not subject a child to detention for a period greater than that permitted under a civil contempt proceeding against a child under chapter 13.32A RCW.

(5) Subsections (1), (2), and (4) of this section shall not apply to a six or seven year old child required to attend public school under RCW 28A.225.015.

Sec. 10. RCW 43.185C.315 and 2015 c 69 s 22 are each amended to read as follows:

(1) The department shall establish HOPE centers that provide no more than seventy-five beds across the state and may establish HOPE centers by contract, within funds
appropriated by the legislature specifically for this purpose. HOPE centers shall be operated in a manner to reasonably assure that street youth placed there will not run away. Street youth may leave a HOPE center during the course of the day to attend school or other necessary appointments, but the street youth must be accompanied by an administrator or an administrator's designee. The street youth must provide the administration with specific information regarding his or her destination and expected time of return to the HOPE center. Any street youth who runs away from a HOPE center shall not be readmitted unless specifically authorized by the street youth's placement and liaison specialist, and the placement and liaison specialist shall document with specific factual findings an appropriate basis for readmitting any street youth to a HOPE center. HOPE centers are required to have the following:

(((1))) (a) A license issued by the department of social and health services;

(((2))) (b) A professional with a master's degree in counseling, social work, or related field and at least one year of experience working with street youth or a bachelor of arts degree in social work or a related field and five years of experience working with street youth. This professional staff person may be contractual or a part-time employee, but must be available to work with street youth in a HOPE center at a ratio of one to every fifteen youth staying in a HOPE center. This professional shall be known as a placement and liaison specialist. Preference shall be given to those professionals cross-credentialed in mental health and chemical dependency. The placement and liaison specialist shall:

(((a))) (i) Conduct an assessment of the street youth that includes a determination of the street youth's legal status regarding residential placement;

(((b))) (ii) Facilitate the street youth's return to his or her legally authorized residence at the earliest possible date or initiate processes to arrange legally authorized appropriate placement. Any street youth who may meet the definition of dependent child under RCW 13.34.080 must be referred to the department of social and health services. The department of social and health services shall determine whether a dependency petition should be filed under chapter 13.34 RCW. A shelter care hearing must be held within seventy-two hours to authorize out-of-home placement for any youth the department of social and health services determines is appropriate for out-of-home placement under chapter 13.34 RCW. All of the provisions of chapter 13.32A RCW must be followed for children in need of services or at-risk youth;

(((c))) (iii) Interface with other relevant resources and system representatives to secure long-term residential placement and other needed services for the street youth;

(((d))) (iv) Be assigned immediately to each youth and meet with the youth within eight hours of the youth receiving HOPE center services;

(((e))) (v) Facilitate a physical examination of any street youth who has not seen a physician within one year prior to residence at a HOPE center and facilitate evaluation by a county-designated mental health professional, a chemical dependency specialist, or both if appropriate; and

(((f))) (vi) Arrange an educational assessment to determine whether a street youth has a learning disability or special needs;

(((3))) (c) Staff trained in development needs of street youth as determined by the department, including an administrator who is a professional with a master's degree in counseling, social work, or a related field and at least one year of experience working with street youth, or a bachelor of arts degree in social work or a related field and five years of experience working with street youth, who must work with the placement and liaison specialist to provide appropriate services on site;

(((4))) (d) A data collection system that measures outcomes for the population served, and enables research and evaluation that can be used for future program development and service delivery. Data collection systems must have confidentiality rules and protocols developed by the department;

(((5))) (e) Notification requirements that meet the notification requirements of chapter 13.32A RCW. The youth's arrival date and time must be logged at intake by HOPE center staff. The staff must immediately notify law enforcement and dependency caseworkers if a street youth runs away from a HOPE center. A child may be transferred to a secure facility as defined in RCW 13.32A.030 whenever the staff reasonably believes that a street youth is likely to leave the HOPE center and not return after full consideration of the factors set forth in RCW 43.185C.290(2)(a) (i) and (ii). The street youth's temporary placement in the HOPE center must be authorized by the court or the secretary of the department of social and health services if the youth is a dependent of the state under chapter 13.34 RCW or the department of social and health services is responsible for the youth under chapter 13.32A RCW, or by the youth's parent or legal custodian, until such time as the parent can retrieve the youth who is returning to home;

(((6))) (f) HOPE centers must identify to the department of social and health services any street youth it serves who is not returning promptly to home. The department of social and health services then must contact the missing children's clearinghouse identified in chapter 13.60 RCW and either report the youth's location or report that the youth is the subject of a dependency action and the parent should receive notice from the department of social and health services; and

(3) Subject to funds appropriated for this purpose, the department must incrementally increase the number of available HOPE beds by at least seven beds in fiscal year 2017, at least seventeen beds in fiscal year 2018, and at least seventeen beds in fiscal year 2019, such that by July 1, 2019, seventy-five HOPE beds are established and operated throughout the state as set forth in subsection (1) of this section.

(4) Subject to funds appropriated for this purpose, the beds available in HOPE centers shall be increased incrementally beyond the limit of seventy-five set forth in subsection (1) of this section. The additional capacity shall be distributed around the state based upon need and, to the extent feasible, shall be geographically situated so that
HOPE beds are available across the state. In determining the need for increased numbers of HOPE beds in a particular county or counties, one of the considerations should be the volume of truancy petitions filed there.

Sec. 11. RCW 43.185C.320 and 2015 c 69 s 23 are each amended to read as follows:

To be eligible for placement in a HOPE center, a minor must be either a street youth, as that term is defined in this chapter, or a youth who, without placement in a HOPE center, will continue to participate in increasingly risky behavior, including truancy. Youth may also self-refer to a HOPE center. Payment for a HOPE center bed is not contingent upon prior approval by the department; however, approval from the department of social and health services is needed if the youth is dependent under chapter 13.34 RCW.

NEW SECTION. Sec. 12. A new section is added to chapter 43.185C RCW to read as follows:

Subject to funds appropriated for this purpose, the capacity available in crisis residential centers established pursuant to this chapter shall be increased incrementally by no fewer than ten beds per fiscal year through fiscal year 2019 in order to accommodate truant students found in contempt of a court order to attend school. The additional capacity shall be distributed around the state based upon need and, to the extent feasible, shall be geographically situated to expand the use of crisis residential centers as set forth in this chapter so they are available for use by all courts for housing truant youth.

(2) School districts implementing a learning assistance program shall focus first on addressing the needs of students:

(a) In grades kindergarten through four who are deficient in reading or reading readiness skills to improve reading literacy; and

(b) For whom a conference is required under section 3 of this act or who are the subject of a petition under RCW 28A.225.035 to increase regular school attendance and eliminate truancy.

The office of the superintendent of public instruction must approve any community-based organization or local agency before learning assistance funds may be expended; and

(h) Up to two percent of a district's learning assistance program allocation may be used to fund school efforts to address excessive absenteeism and truancy as described in section 3 of this act and RCW 28A.225.025.

Subsequent annual approval by the superintendent of public instruction to use the alternative practice or strategy is dependent on the district continuing to
demonstrate increased improved outcomes for participating students.
(c) Beginning in the 2016-17 school year, school districts may enter cooperative agreements with state agencies, local governments, or school districts for administrative or operational costs needed to provide services in accordance with the state menus developed under this section and RCW 28A.655.235.
(5) School districts are encouraged to implement best practices and strategies from the state menus developed under this section and RCW 28A.655.235 before the use is required.

If the district is able to demonstrate improved outcomes for participating students over the previous two school years at a level commensurate with the best practices and strategies on the state menu, the office of the superintendent of public instruction must approve use of the alternative practice or strategy by the district for one additional school year. Subsequent annual approval by the superintendent of public instruction to use the alternative practice or strategy is dependent on the district continuing to demonstrate an increase in improved outcomes for participating students.

NEW SECTION. Sec. 16. NEW SECTION. Sec. 17. A new section is added to chapter 43.330 RCW to read as follows:

(d) A reduction in the number of truancy petitions that result in a civil contempt proceeding or detention order; and
(e) Increased school attendance.
(2) No later than January 1, 2021, the Washington state institute for public policy is directed to evaluate the effectiveness of chapter . . ., Laws of 2016 (this act). An initial report scoping of the methodology to be used to review chapter . . ., Laws of 2016 (this act) shall be submitted to the fiscal committees of the legislature by January 1, 2018. The initial report must identify any data gaps that could hinder the ability of the institute to conduct its review.

NEW SECTION. Sec. 18. (1) The educational opportunity gap oversight and accountability committee shall conduct a review and make recommendations to the appropriate committees of the legislature with respect to:

(b) Best practices for supporting and facilitating parent and community involvement and outreach; and
(c) The cultural relevance of the assessments employed to identify barriers to attendance and the treatments and tools provided to children and their families.

(2) By June 30, 2017, a preliminary review shall be completed and preliminary recommendations provided. The review shall be completed, and a report and final recommendations provided, by December 1, 2017.

(c) Courts are also encouraged to report individual-level data reflecting whether a detention alternative, such as electronic monitoring, was used, and the time spent in detention alternatives.

(d) The administrative office of the courts and the juvenile court administrators must work to develop uniform data standards for detention.

(2) The administrative office of the courts shall deliver an annual statewide report to the legislature that details the number of Washington youth who are placed into detention facilities during the preceding calendar year. The report must have a specific emphasis on youth who are detained for reasons relating to a truancy, at-risk youth, or a child in need of services petition.

NEW SECTION. Sec. 19. A new section is added to chapter 28A.225 RCW to read as follows:

(1) To accurately track the extent to which courts order youth into a secure detention facility in Washington state for the violation of a court order related to a truancy, at-risk youth, or a child in need of services petition, all juvenile courts shall transmit youth-level secure detention data to the administrative office of the courts.

(b) Data may either be entered into the statewide management information system for juvenile courts or securely transmitted to the administrative office of the courts at least monthly. Juvenile courts shall provide, at a minimum, the name and date of birth for the youth, the court case number assigned to the petition, the reasons for admission to the juvenile detention facility, the date of admission, the date of exit, and the time the youth spent in secure confinement.

(c) Courts are also encouraged to report individual-level data reflecting whether a detention alternative, such as electronic monitoring, was used, and the time spent in detention alternatives.

(d) The administrative office of the courts and the juvenile court administrators must work to develop uniform data standards for detention.

(2) The administrative office of the courts shall deliver an annual statewide report to the legislature that details the number of Washington youth who are placed into detention facilities during the preceding calendar year. The first report shall be delivered by March 1, 2017, and shall detail the most serious reason for detention and youth gender, race, and ethnicity. The report must have a specific emphasis on youth who are detained for reasons relating to a truancy, at-risk youth, or a child in need of services petition.

NEW SECTION. Sec. 21. A new section is added to chapter 28A.225 RCW to read as follows:

(1) Subject to funds appropriated for this purpose, the office of the superintendent of public instruction shall allocate to community truancy boards grant funds that may be used to supplement existing funds in order to pay for training for board members or the provision of services and treatment to children and their families.

(2) The superintendent of public instruction must select grant recipients based on the criteria in this section. This is a competitive grant process. A prerequisite to applying for either or both grants is a memoranda of understanding, between a school district and a court, to institute a new or maintain an existing community truancy board that meets the requirements of RCW 28A.225.025.

(3) Successful applicants for an award of grant funds to supplement existing funds to pay for the training of community truancy board members must commit to the provision of training to board members regarding the identification of barriers to school attendance, the use of the Washington assessment of the risks and needs of students (WARNS) or other assessment tools to identify the specific needs of individual children, trauma-informed approaches to discipline, research about adverse childhood experiences, evidence-based treatments and culturally appropriate promising practices, as well as the specific academic and community services and treatments available in the school, court, community, and elsewhere. This training may be provided by educational service districts.

(4) Successful applicants for an award of grant funds to supplement existing funds to pay for services and treatments provided to children and their families must commit to the provision of academic services such as tutoring, credit retrieval and school reengagement supports, community services, and evidence-based treatments that have been found to be effective in supporting at-risk youth and their families, such as functional family therapy, or those that have been shown to be culturally appropriate promising practices.

NEW SECTION. Sec. 21. Sections 13 through 15 of this act take effect September 1, 2016.”

and the same is herewith transmitted.

THIRD READING

MESSAGE FROM THE SENATE
March 10, 2016

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2439 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION.  Sec. 1.  (1) The legislature understands that adverse childhood experiences, such as family mental health issues, substance abuse, serious economic hardship, and domestic violence, all increase the likelihood of developmental delays and later health and mental health problems. The legislature further understands that early intervention services for children and families at high risk for adverse childhood experience help build secure parent-child attachment and bonding, which allows young children to thrive and form strong relationships in the future. The legislature finds that early identification and intervention are critical for children exhibiting aggressive or depressive behaviors indicative of early mental health problems. The legislature intends to improve access to adequate, appropriate, and culturally responsive mental health services for children and youth. The legislature further intends to encourage the use of behavioral health therapies and other therapies that are empirically supported or evidence-based and only prescribe medications for children and youth as a last resort.

(2) The legislature finds that nearly half of Washington's children are enrolled in medicaid and have a higher incidence of serious health problems compared to children who have commercial insurance. The legislature recognizes that disparities also exist in the diagnosis and initiation of treatment services for children of color, with studies demonstrating that children of color are diagnosed and begin receiving early interventions at a later age. The legislature finds that within the current system of care, families face barriers to receiving a full range of services for children experiencing behavioral health problems. The legislature intends to identify what network adequacy requirements, if strengthened, would increase access, continuity, and..."
coordination of behavioral health services for children and families. The legislature further intends to encourage managed care plans and behavioral health organizations to contract with the same providers that serve children so families are not required to duplicate mental health screenings, and to recommend provider rates for mental health services to children and youth which will ensure an adequate network and access to quality based care.

(3) The legislature recognizes that early and accurate recognition of behavioral health issues coupled with appropriate and timely intervention enhances health outcomes while minimizing overall expenditures. The legislature intends to assure that annual depression screenings are done consistently with the highly vulnerable medicaid population and that children and families benefit from earlier access to services.

NEW SECTION. Sec. 2. (1) The children's mental health work group is established to identify barriers to accessing mental health services for children and families, and to advise the legislature on statewide mental health services for this population.

(2)(a) The work group shall include diverse, statewide representation from the public and nonprofit and for-profit entities. Its membership shall reflect regional, racial, and cultural diversity to adequately represent the needs of all children and families in the state.

(b) The work group shall consist of not more than twenty-five members, as follows:

(i) The president of the senate shall appoint one member and one alternative member from each of the two largest caucuses of the senate.

(ii) The speaker of the house of representatives shall appoint one member and one alternative member from each of the two largest caucuses in the house of representatives.

(iii) The governor shall appoint at least one representative from each of the following: The department of early learning, the department of social and health services, the health care authority, the department of health, and a representative of the governor.

(iv) The superintendent of public instruction shall appoint one representative from the office of the superintendent of public instruction.

(v) The governor shall request participation by a representative of tribal governments.

(vi) The governor shall appoint one representative from each of the following: Behavioral health organizations, community mental health agencies, medicaid managed care organizations, pediatricians or primary care providers, providers that specialize in early childhood mental health, child health advocacy groups, early learning and child care providers, the managed health care plan for foster children, the evidence-based practice institute, parents or caregivers who have been a recipient of early childhood mental health services, and foster parents.

(c) The work group shall seek input and participation from stakeholders interested in the improvement of statewide mental health services for children and families.

(d) The work group shall choose two cochairs, one from among its legislative membership and one representative of a state agency. The representative from the health care authority shall convene the initial meeting of the work group.

(3) The children's mental health work group shall review the barriers that exist to identifying and treating mental health issues in children with a particular focus on birth to five and report to the appropriate committees of the legislature. At a minimum the work group must:

(a) Review and recommend developmentally, culturally, and linguistically appropriate assessment tools and diagnostic approaches that managed care plans and behavioral health organizations should use as the mechanism to establish eligibility for services;

(b) Identify and review billing issues related to serving the parent or caregiver in a treatment dyad and the billing issues related to services that are appropriate for serving children, including children birth to five;

(c) Evaluate and identify barriers to billing and payment for behavioral health services provided within primary care settings in an effort to promote and increase the use of behavioral health professionals within primary care settings;

(d) Review workforce issues related to serving children and families, including issues specifically related to birth to five;

(e) Recommend strategies for increasing workforce diversity and the number of professionals qualified to provide children's mental health services;

(f) Review and make recommendations on the development and adoption of standards for training and endorsement of professionals to become qualified to provide mental health services to children birth to five and their parents or caregivers;

(g) Analyze, in consultation with the department of early learning, the health care authority, and the department of social and health services, existing and potential mental health supports for child care providers to reduce expulsions of children in child care and preschool; and

(h) Identify outreach strategies that will successfully disseminate information to parents, providers, schools, and other individuals who work with children and youth on the mental health services offered through the health care plans, including referrals to parenting programs, community providers, and behavioral health organizations.

(4) Legislative members of the work group are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(5) The expenses of the work group must be paid jointly by the senate and the house of representatives. Work group expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(6) The work group shall report its findings and recommendations to the appropriate committees of the legislature by December 1, 2016.

(7) Staff support for the committee must be provided by the house of representatives office of program research, the senate committee services, and the office of financial management.

(8) This section expires December 1, 2017.

NEW SECTION. Sec. 3. A new section is added to chapter 74.09 RCW to read as follows:
To better assure and understand issues related to network adequacy and access to services, the authority and the department shall report to the appropriate committees of the legislature by December 1, 2017, and annually thereafter, on the status of access to behavioral health services for children birth through age seventeen using data collected pursuant to RCW 70.320.050. At a minimum, the report must include the following components broken down by age, gender, and race and ethnicity:

1. The percentage of discharges for patients ages six through seventeen who had a visit to the emergency room with a primary diagnosis of mental health or alcohol or other drug dependence during the measuring year and who had a follow-up visit with any provider with a corresponding primary diagnosis of mental health or alcohol or other drug dependence within thirty days of discharge;

2. The percentage of health plan members with an identified mental health need who received mental health services during the reporting period; and

3. The percentage of children served by behavioral health organizations, including the types of services provided.

NEW SECTION. Sec. 4. (1) The joint legislative audit and review committee shall conduct an inventory of the mental health service models available to students in schools, school districts, and educational service districts and report its findings by October 31, 2016. The report must be submitted to the appropriate committees of the house of representatives and the senate, in accordance with RCW 43.01.036.

2. The committee must perform the inventory using data that is already collected by schools, school districts, and educational service districts. The committee must not collect or review student-level data and must not include student-level data in the report.

3. The inventory and report must include information on the following:

(a) How many students are served by mental health services funded with nonbasic education appropriations in each school, school district, or educational service district;

(b) How many of these students are participating in medicaid programs;

(c) How the mental health services are funded, including federal, state, local, and private sources;

(d) Information on who provides the mental health services, including district employees and contractors; and

(e) Any other available information related to student access and outcomes.

4. The duties of this section must be carried out within existing appropriations.

5. This section expires July 1, 2017.

Sec. 5. RCW 28A.310.500 and 2013 c 197 s 6 are each amended to read as follows:

1. Each educational service district shall develop and maintain the capacity to offer training for educators and other school district staff on youth suicide screening and referral, and on recognition, initial screening, and response to emotional or behavioral distress in students, including but not limited to indicators of possible substance abuse, violence, and youth suicide. An educational service district may demonstrate capacity by employing staff with sufficient expertise to offer the training or by contracting with individuals or organizations to offer the training. Training may be offered on a fee-for-service basis, or at no cost to school districts or educators if funds are appropriated specifically for this purpose or made available through grants or other sources.

2. (a) Subject to the availability of amounts appropriated for this specific purpose, Forefront at the University of Washington shall convene a one-day in-person training of student support staff from the educational service districts to deepen the staff's capacity to assist schools in their districts in responding to concerns about suicide. Educational service districts shall send staff members to the one-day in-person training within existing resources.

(b) Subject to the availability of amounts appropriated for this specific purpose, after establishing these relationships with the educational service districts, Forefront at the University of Washington must continue to meet with the educational service districts via videoconference on a monthly basis to answer questions that arise for the educational service districts, and to assess the feasibility of collaborating with the educational service districts to develop a multiyear, statewide rollout of a comprehensive school suicide prevention model involving regional trainings, on-site coaching, and cohorts of participating schools in each educational service district.

(c) Subject to the availability of amounts appropriated for this specific purpose, Forefront at the University of Washington must work to develop public-private partnerships to support the rollout of a comprehensive school suicide prevention model across Washington's middle and high schools.

(d) The comprehensive school suicide prevention model must consist of:

(i) School-specific revisions to safe school plans required under RCW 28A.320.125, to include procedures for suicide prevention, intervention, assessment, referral, reentry, and intervention and recovery after a suicide attempt or death;

(ii) Developing, within the school, capacity to train staff, teachers, parents, and students in how to recognize and support a student who may be struggling with behavioral health issues;

(iii) Improved identification such as screening, and response systems such as family counseling, to support students who are at risk;

(iv) Enhanced community-based linkages of support; and

(v) School selection of appropriate curricula and programs to enhance student awareness of behavioral health issues to reduce stigma, and to promote resilience and coping skills.

(e) Subject to the availability of amounts appropriated for this specific purpose, and by December 15, 2017, Forefront at the University of Washington shall report to the appropriate committees of the legislature, in accordance with RCW 43.01.036, with the outcomes of the educational service district trainings, any public-private partnership developments, and recommendations on ways to work with the educational service districts or others to implement suicide prevention.

NEW SECTION. Sec. 6. If specific funding for the purposes of this act, with the exception of sections 1, 2, and
3 of this act, referencing this act by bill or chapter number,
is not provided by June 30, 2016, in the omnibus appropriations act, this act, except for sections 1, 2, and 3 of this act, is null and void.' and the same is herewith transmitted.
