

SIXTY FIFTH LEGISLATURE - THIRD SPECIAL SESSION

TENTH DAY

House Chamber, Olympia, Friday, June 30, 2017

The House was called to order at 10:00 a.m. by the Speaker (Representative Orwall presiding). The Clerk called the roll and a quorum was present.

The flags were escorted to the rostrum by a Sergeant at Arms Color Guard, Matt Brickey and Terry Swanson. The Speaker (Representative Orwall presiding) led the Chamber in the Pledge of Allegiance. The prayer was offered by Representative Paul Graves, 5th Legislative District.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

RESOLUTION

HOUSE RESOLUTION NO. 2017-4650, by Representative Johnson

WHEREAS, A state fair is a time-honored tradition that is enjoyed by all Americans; and

WHEREAS, 125 years ago, in February 1892, the Washington State Legislature declared Yakima would be the location of Washington's first, and for many years only, State Fair; and

WHEREAS, In 1893, the Legislature appropriated 10,000 dollars to purchase 120 acres of land where the present State Fair is located; and

WHEREAS, By September 1894, the first State Fair of Washington was held in Yakima; and

WHEREAS, The gala milestone in state history boasted a 2,000 seat grandstand, a racetrack, an exhibit hall, 100 horse stalls, and a judging stand three stories high; and featured horse races, an auto show, and fireworks displays; and

WHEREAS, During the Great Depression, it was difficult for the state of Washington to fund the Fair and so it was discontinued in 1937; and

WHEREAS, In 1939, a group of people representing agricultural, livestock, and business interests incorporated as the "Central Washington Fair Association" with the purpose of once again holding a fair in Yakima; and

WHEREAS, The 1939, 1940, and 1941 Fairs were all successful, and though the event was suspended from 1942 through 1945 because of World War II, it was revived in 1946 and continues to this day; and

WHEREAS, Men and women from the livestock and agricultural industries, Grange organizations, Future Farmers of America, 4-H groups, and others display their skills of raising and showing animals, their culinary abilities, and provide displays in many arts and foods categories; and

WHEREAS, Later this year, September 22nd through October 1st, thousands of proud exhibitors from all over the state, the Pacific Northwest, and Canada will again fill the

halls and stalls of the Central Washington State Fairgrounds; and

WHEREAS, It is proper and fitting to recognize the designation of the City of Yakima as the location for the original State Fair of Washington; and

WHEREAS, The original State Fair of Washington is celebrating its 125th year of becoming a fair and has stayed faithful to its agricultural roots and mission;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives honor the Central Washington State Fair Association as the esteemed and steadfast keeper of our 125 year State Fair tradition, and recognize its cultural and economic impacts on the state of Washington; and

BE IT FURTHER RESOLVED, That copies of this Resolution be immediately transmitted by the Chief Clerk of the House of Representatives to members of the Central Washington State Fair Association's Board of Directors and to the management and staff of the Central Washington State Fair Association.

SECOND READING

HOUSE BILL NO. 2190, by Representative Ormsby**Addressing budget stabilization account transfers to the general fund.**

The bill was read the second time.

Representative Ormsby moved the adoption of the striking amendment (635):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. FOR THE PENSION FUNDING STABILIZATION ACCOUNT. During the 2017-19 fiscal biennium, the treasurer shall transfer the sum of \$925,166,000 from the budget stabilization account into the pension funding stabilization account. For purposes of RCW 43.88.055(4), the transfer in this section does not alter the requirement to balance in ensuing biennia.

NEW SECTION. Sec. 2. FOR THE DISASTER RESPONSE ACCOUNT. During the 2017-19 fiscal biennium, the treasurer must transfer the sum of \$19,000,000 from the budget stabilization account to the disaster response account. This amount is provided solely for disaster response and recovery efforts. For purposes of RCW 43.88.055(4), the transfer in this section does not alter the requirement to balance in ensuing biennia.

NEW SECTION. Sec. 3. FOR THE WASHINGTON STATE PATROL-FIRES. The sum of \$14,500,000, or as much thereof as may be necessary, is appropriated from the budget stabilization account for the fiscal year ending June 30, 2017, and is provided solely for Washington state fire service resource mobilization costs incurred in response to an emergency or disaster authorized under RCW 43.43.960 through 43.43.964 for wildfires. For purposes of RCW 43.88.055(4), the appropriation in this section does not alter the requirement to balance in ensuing biennia.

NEW SECTION. Sec. 4. FOR THE DEPARTMENT OF NATURAL RESOURCES-FIRES. The sum of \$23,622,000 is appropriated from the budget stabilization account for the fiscal year ending June 30, 2017, and is provided solely for fire suppression costs incurred by the department of natural resources during the 2016 fire season. For purposes of RCW 43.88.055(4), the appropriation in this section does not alter the requirement to balance in ensuing biennia.

Sec. 5. RCW 43.79.496 and 2015 3rd sp.s. c 2 s 1 are each amended to read as follows:

(1) By June 30, 2015, the treasurer shall transfer into the state general fund the entire budget stabilization account deposit for the 2013-2015 fiscal biennium that is attributable to extraordinary revenue growth, not to exceed fifty million dollars.

(2) ~~((During the 2015-2017 fiscal biennium, the treasurer shall transfer into the state general fund the entire~~

~~budget stabilization account deposit for the 2015-2017 fiscal biennium that is attributable to extraordinary revenue growth, not to exceed seventy-five million dollars.~~

~~(3))~~ During the 2017-2019 fiscal biennium, the treasurer shall transfer into the state general fund the entire budget stabilization account deposit for the 2017-2019 fiscal biennium that is attributable to extraordinary revenue growth, not to exceed ~~((five hundred fifty million))~~ one billion seventy-eight million dollars.

~~((4))~~ (3) For purposes of RCW 43.88.055(4), the transfers in this section do not alter the requirement to balance in ensuing biennia.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

SECOND READING

SECOND ENGROSSED SUBSTITUTE SENATE BILL NO. 5890, by Senate Committee on Ways & Means (originally sponsored by Senators O'Ban, Braun and Rolfes)

Concerning foster care and adoption support. (REVISED FOR ENGROSSED: Concerning child welfare, foster care, and adoption support.) Revised for 1st Substitute: Concerning foster care and adoption support.

The bill was read the second time.

Representative Kagi moved the adoption of the striking amendment (637):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.13.270 and 1990 c 284 s 8 are each amended to read as follows:

(1) The legislature recognizes the need for temporary short-term relief for foster parents who care for children with emotional, mental, or physical handicaps. For purposes of this section, respite care means appropriate, temporary, short-term care for these foster children placed with licensed foster parents. The purpose of this care is to give the foster parents temporary relief from the stresses associated with the care of these foster children. The department shall design a program of respite care that will minimize disruptions to the child and will serve foster parents within these priorities, based on input from foster parents, foster parent associations, and reliable research if available.

(2) (a) For the purposes of this section, and subject to funding appropriated specifically for this purpose, short-term support shall include case aides who provide temporary assistance to foster parents as needed with the overall goal of supporting the parental efforts of the foster parents except that this assistance shall not include overnight assistance. The department shall contract with nonprofit community-based organizations in each region to establish a statewide pool of individuals to provide the support described in this subsection. These individuals shall be hired by the nonprofit community-based organization

and shall have the appropriate training, background checks, and qualifications as determined by the department. Short-term support as described in this subsection shall be available to all licensed foster parents in the state as funding is available and shall be phased in by geographic region. To obtain the assistance of a case aide for this purpose, the foster parent may request the services from the nonprofit community-based organization and the nonprofit community-based organization may offer assistance to licensed foster families. If the requests for the short-term support provided in this subsection exceed the funding available, the nonprofit community-based organization shall have discretion to determine the assignment of case aides. The nonprofit community-based organization shall report all short-term support provided under this subsection to the department.

(b) Subject to funding appropriated specifically for this purpose, the Washington state institute for public policy shall prepare an outcome evaluation of the short-term support described in this subsection. The evaluation will, to the maximum extent possible, assess the impact of the short-term support services described in this subsection on the retention of foster homes and the number of placements a foster child receives while in out-of-home care as well as the return on investment to the state. The institute shall submit a preliminary report to the appropriate committees of the legislature and the governor by December 1, 2018, that describes the initial implementation of these services and descriptive statistics of the families utilizing these services. A final report shall be submitted to the appropriate committees of the legislature by June 30, 2020. At no cost to the institute, the department shall provide all data necessary to discharge this duty.

(c) Costs associated with case aides as described in this subsection shall not be included in the forecast.

(d) Pursuant to RCW 41.06.142(3), performance-based contracting under (a) of this subsection is expressly mandated by the legislature and is not subject to the processes set forth in RCW 41.06.142 (1), (4), and (5).

NEW SECTION. Sec. 2. (1) No later than December 31, 2017, the department of social and health services, in consultation with stakeholders, including

child placing agencies, foster parents, foster care advocates, and biological parents shall identify a system of support services to be provided to foster parents to assist foster parents in their parental efforts with foster children and a plan to implement these support services statewide, which may include contracts with community-based organizations.

(2) For the purpose of this section, "support services" shall include, but shall not be limited to, counseling, educational assistance, respite care, and hands-on assistance for children with high-risk behaviors.

(3) The department of social and health services shall submit the final plan, which shall include estimated costs to implement these support services and recommendations for implementing these support services in a phased-in manner to the appropriate committees and the legislature no later than January 15, 2018.

(4) This section expires February 1, 2018.

NEW SECTION. Sec. 3. (1) No later than December 31, 2017, the office of innovation, alignment, and accountability, in consultation with stakeholders, including child placing agencies, foster parents, foster care advocates, and biological parents shall identify a system of support services to be provided to foster parents to assist foster parents in their parental efforts with foster children and a plan to implement these support services statewide, which may include contracts with community-based organizations.

(2) For the purpose of this section, "support services" shall include, but shall not be limited to, counseling, educational assistance, respite care, and hands-on assistance for children with high-risk behaviors.

(3) The office of innovation, alignment, and accountability shall submit the final plan, which shall include estimated costs to implement these support services and recommendations for implementing these support services in a phased-in manner to the appropriate committees of the legislature no later than January 15, 2018.

(4) This section expires February 1, 2018.

NEW SECTION. Sec. 4. A new section is added to chapter 74.15 RCW to read as follows:

(1) The department shall design and implement an expedited foster licensing process.

(2) The expedited foster licensing process described in this section shall be available to individuals who:

(a) Were licensed within the last five years;

(b) Were not the subject of an adverse licensing action or a voluntary relinquishment;

(c) Seek licensure for the same residence for which he or she was previously licensed provided that any changes to family constellation since the previous license is limited to individuals leaving the family constellation; and

(d) Apply to the same agency for which he or she was previously licensed, with the understanding that the agency must be agreeable to supervise the home.

(3) The department shall make every effort to ensure that individuals qualifying for and seeking an expedited license are able to become licensed within forty days of the department receiving his or her application.

(4) The department shall only issue a foster license pursuant to this section after receiving a completed fingerprint-based background check, and may delay issuance of an expedited license solely based on awaiting the results of a background check.

(5) The department may issue a provisional expedited license pursuant to this section before completing a home study, but shall complete the home study as soon as possible after issuing a provisional expedited license.

(6) The department and its officers, agents, employees, and volunteers are not liable for injuries caused by the expedited foster licensing process.

Sec. 5. RCW 43.43.832 and 2012 c 44 s 2 and 2012 c 10 s 41 are each reenacted and amended to read as follows:

(1) The Washington state patrol identification and criminal history section shall disclose conviction records as follows:

(a) An applicant's conviction record, upon the request of a business or organization as defined in RCW 43.43.830, a developmentally disabled person, or a vulnerable adult as defined in RCW 43.43.830 or his or her guardian;

(b) The conviction record of an applicant for certification, upon the request of the Washington professional educator standards board;

(c) Any conviction record to aid in the investigation and prosecution of child, developmentally disabled person, and vulnerable adult abuse cases and to protect children and adults from further incidents of abuse, upon the request of a law enforcement agency, the office of the attorney general, prosecuting authority, or the department of social and health services; and

(d) A prospective client's or resident's conviction record, upon the request of a business or organization that qualifies for exemption under section 501(c)(3) of the internal revenue code of 1986 (26 U.S.C. Sec. 501(c)(3)) and that provides emergency shelter or transitional housing for children, persons with developmental disabilities, or vulnerable adults.

(2) The secretary of the department of social and health services must establish rules and set standards to require specific action when considering the information received pursuant to subsection (1) of this section, and when considering additional information including but not limited to civil adjudication proceedings as defined in RCW 43.43.830 and any out-of-state equivalent, in the following circumstances:

(a) When considering persons for state employment in positions directly responsible for the supervision, care, or treatment of children, vulnerable adults, or individuals with mental illness or developmental disabilities provided that: For persons residing in a home that will be utilized to provide foster care for dependent youth, a criminal background check will be required for all persons aged sixteen and older and the department of social and health services may require a criminal background check for persons who are younger than sixteen in situations where it may be warranted to ensure the safety of youth in foster care;

(b) When considering persons for state positions involving unsupervised access to vulnerable adults to conduct comprehensive

assessments, financial eligibility determinations, licensing and certification activities, investigations, surveys, or case management; or for state positions otherwise required by federal law to meet employment standards;

(c) When licensing agencies or facilities with individuals in positions directly responsible for the care, supervision, or treatment of children, developmentally disabled persons, or vulnerable adults, including but not limited to agencies or facilities licensed under chapter 74.15 or 18.51 RCW;

(d) When contracting with individuals or businesses or organizations for the care, supervision, case management, or treatment, including peer counseling, of children, developmentally disabled persons, or vulnerable adults, including but not limited to services contracted for under chapter 18.20, 70.127, 70.128, 72.36, or 74.39A RCW or Title 71A RCW;

(e) When individual providers are paid by the state or providers are paid by home care agencies to provide in-home services involving unsupervised access to persons with physical, mental, or developmental disabilities or mental illness, or to vulnerable adults as defined in chapter 74.34 RCW, including but not limited to services provided under chapter 74.39 or 74.39A RCW.

(3) The director of the department of early learning shall investigate the conviction records, pending charges, and other information including civil adjudication proceeding records of current employees and of any person actively being considered for any position with the department who will or may have unsupervised access to children, or for state positions otherwise required by federal law to meet employment standards. "Considered for any position" includes decisions about (a) initial hiring, layoffs, reallocations, transfers, promotions, or demotions, or (b) other decisions that result in an individual being in a position that will or may have unsupervised access to children as an employee, an intern, or a volunteer.

(4) The director of the department of early learning shall adopt rules and investigate conviction records, pending charges, and other information including civil adjudication proceeding records, in the following circumstances:

(a) When licensing or certifying agencies with individuals in positions

that will or may have unsupervised access to children who are in child day care, in early learning programs, or receiving early childhood education services, including but not limited to licensees, agency staff, interns, volunteers, contracted providers, and persons living on the premises who are sixteen years of age or older;

(b) When authorizing individuals who will or may have unsupervised access to children who are in child day care, in early learning programs, or receiving early childhood learning education services in licensed or certified agencies, including but not limited to licensees, agency staff, interns, volunteers, contracted providers, and persons living on the premises who are sixteen years of age or older;

(c) When contracting with any business or organization for activities that will or may have unsupervised access to children who are in child day care, in early learning programs, or receiving early childhood learning education services;

(d) When establishing the eligibility criteria for individual providers to receive state paid subsidies to provide child day care or early learning services that will or may involve unsupervised access to children.

(5) Whenever a state conviction record check is required by state law, persons may be employed or engaged as volunteers or independent contractors on a conditional basis pending completion of the state background investigation. Whenever a national criminal record check through the federal bureau of investigation is required by state law, a person may be employed or engaged as a volunteer or independent contractor on a conditional basis pending completion of the national check. The Washington personnel resources board shall adopt rules to accomplish the purposes of this subsection as it applies to state employees.

(6)(a) For purposes of facilitating timely access to criminal background information and to reasonably minimize the number of requests made under this section, recognizing that certain health care providers change employment frequently, health care facilities may, upon request from another health care facility, share copies of completed criminal background inquiry information.

(b) Completed criminal background inquiry information may be shared by a willing health care facility only if the following conditions are satisfied: The licensed health care facility sharing the criminal background inquiry information is reasonably known to be the person's most recent employer, no more than twelve months has elapsed from the date the person was last employed at a licensed health care facility to the date of their current employment application, and the criminal background information is no more than two years old.

(c) If criminal background inquiry information is shared, the health care facility employing the subject of the inquiry must require the applicant to sign a disclosure statement indicating that there has been no conviction or finding as described in RCW 43.43.842 since the completion date of the most recent criminal background inquiry.

(d) Any health care facility that knows or has reason to believe that an applicant has or may have a disqualifying conviction or finding as described in RCW 43.43.842, subsequent to the completion date of their most recent criminal background inquiry, shall be prohibited from relying on the applicant's previous employer's criminal background inquiry information. A new criminal background inquiry shall be requested pursuant to RCW 43.43.830 through 43.43.842.

(e) Health care facilities that share criminal background inquiry information shall be immune from any claim of defamation, invasion of privacy, negligence, or any other claim in connection with any dissemination of this information in accordance with this subsection.

(f) Health care facilities shall transmit and receive the criminal background inquiry information in a manner that reasonably protects the subject's rights to privacy and confidentiality.

NEW SECTION. Sec. 6. A new section is added to chapter 13.34 RCW to read as follows:

(1) Within the department's appropriations, the department shall ensure that a case review panel reviews cases involving dependent children where permanency is not achieved for children within eighteen months after being placed in out-of-home care.

(2) The case review panel shall be comprised of, at a minimum, a lead social services specialist and either the office of the family and children's ombuds or another external organization with child welfare experience.

(3) Beginning September 1, 2018, the panel shall review all cases where, after the effective date of this section, a dependent child reaches eighteen months in out-of-home placement and has not achieved permanency. This review must occur by the child's nineteenth month in out-of-home placement. At each case review, the panel must develop a plan of action, including recommended next steps for the department to take, to achieve permanency.

(4) The department is encouraged to convene the case review panel regularly to review other cases involving dependent children as needed to ensure stability and permanency is achieved and length of stay for children in out-of-home placement is reduced.

Sec. 7. RCW 74.13.031 and 2015 c 240 s 3 are each amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or

exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

(5) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

(6) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with

children and caregivers to whom it is providing child welfare services.

(7) The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

(8) The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

(9) The department and supervising agency shall have authority to purchase care for children.

(10) The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

(11) (a) The department and supervising agencies shall provide continued extended foster care services to nonminor dependents who are:

(i) Enrolled in a secondary education program or a secondary education equivalency program;

(ii) Enrolled and participating in a postsecondary academic or postsecondary vocational education program;

(iii) Participating in a program or activity designed to promote employment or remove barriers to employment;

(iv) Engaged in employment for eighty hours or more per month; or

(v) Not able to engage in any of the activities described in (a)(i) through (iv) of this subsection due to a documented medical condition.

(b) To be eligible for extended foster care services, the nonminor dependent must have been dependent and in foster care at the time that he or she reached age eighteen years. If the dependency case of the nonminor dependent was dismissed pursuant to RCW 13.34.267, he or she may receive extended foster care services pursuant to a voluntary placement agreement under RCW 74.13.336 or pursuant to an order of dependency issued by the court under RCW 13.34.268. A nonminor dependent whose dependency case was dismissed by the court must have requested extended foster care services before reaching age nineteen years.

(c) The department shall develop and implement rules regarding youth eligibility requirements.

(d) The department shall make efforts to ensure that extended foster care services maximize medicaid reimbursements. This must include the department ensuring that health and mental health extended foster care providers participate in medicaid, unless the condition of the extended foster care youth requires specialty care that is not available among participating medicaid providers or there are no participating medicaid providers in the area. The department shall coordinate other services to maximize federal resources and the most cost-efficient delivery of services to extended foster care youth.

(12) The department shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen or older and who meet the criteria described in subsection (11) of this section.

(13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be

referred to the division of child support unless required by federal law.

(14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order. The purchase of such care is exempt from the requirements of chapter 74.13B RCW and may be purchased from the federally recognized Indian tribe or tribally licensed child-placing agency, and shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 (~~and 74.13.032 through~~), 43.185C.295, 74.13.035, and 74.13.036, or of this section all services to be provided by the department under subsections (4), (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.250 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens

services for the protection of children. Consultation shall occur at the regional and statewide levels.

(18)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);

(iii) Parent-child visits;

(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and

(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

(19) The department shall have the authority to purchase legal representation for parents of children who are at risk of being dependent, or who are dependent, to establish or modify a parenting plan under chapter 26.09 or 26.26 RCW, when it is necessary for the child's safety, permanence, or well-being. This subsection does not create an entitlement to legal representation purchased by the department and does not create judicial authority to order the department to purchase legal representation for a parent. Such determinations are solely within the department's discretion.

Sec. 8. RCW 74.13A.025 and 2013 c 23 s 210 are each amended to read as follows:

The factors to be considered by the secretary in setting the amount of any payment or payments to be made pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080 and in adjusting standards hereunder shall include: The size of the family including the adoptive child, the usual living expenses of the family, the special needs of any family member including education needs, the family income, the family resources and plan for

savings, the medical and hospitalization needs of the family, the family's means of purchasing or otherwise receiving such care, and any other expenses likely to be needed by the child to be adopted. In setting the amount of any initial payment made pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080, the secretary is authorized to establish maximum payment amounts that are reasonable and allow permanency planning goals related to adoption of children under RCW 13.34.145 to be achieved at the earliest possible date. To encourage adoption of children between the ages of fourteen and eighteen, and in particular those children between the ages of fourteen and eighteen who are hard to place for adoption, the secretary is authorized to include as part of any new negotiated adoption agreement executed after the effective date of this section continued eligibility for the Washington college bound scholarship pursuant to RCW 28B.118.010.

The amounts paid for the support of a child pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080 may vary from family to family and from year to year. Due to changes in economic circumstances or the needs of the child such payments may be discontinued and later resumed.

Payments under RCW 26.33.320 and 74.13A.005 through 74.13A.080 may be continued by the secretary subject to review as provided for herein, if such parent or parents having such child in their custody establish their residence in another state or a foreign jurisdiction.

In fixing the standards to govern the amount and character of payments to be made for the support of adopted children pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080 and before issuing rules and regulations to carry out the provisions of RCW 26.33.320 and 74.13A.005 through 74.13A.080, the secretary shall consider the comments and recommendations of the committee designated by the secretary to advise him or her with respect to child welfare.

Sec. 9. RCW 74.13A.030 and 1996 c 130 s 2 are each amended to read as follows:

To carry out the program authorized by RCW 26.33.320 and ~~((74.13.100 through 74.13.145))~~ 74.13A.005 through 74.13A.080, the secretary may make continuing payments or lump sum payments of adoption support. In lieu of continuing

payments, or in addition to them, the secretary may make one or more specific lump sum payments for or on behalf of a hard to place child either to the adoptive parents or directly to other persons to assist in correcting any condition causing such child to be hard to place for adoption.

Consistent with a particular child's needs, continuing adoption support payments shall include, if necessary to facilitate or support the adoption of a special needs child, an amount sufficient to remove any reasonable financial barrier to adoption as determined by the secretary under RCW (~~74.13.112~~) 74.13A.025.

After determination by the secretary of the amount of a payment or the initial amount of continuing payments, the prospective parent or parents who desire such support shall sign an agreement with the secretary providing for the payment, in the manner and at the time or times prescribed in regulations to be issued by the secretary subject to the provisions of RCW 26.33.320 and (~~74.13.100 through 74.13.145~~) 74.13A.005 through 74.13A.080, of the amount or amounts of support so determined.

Payments shall be subject to review as provided in RCW 26.33.320 and (~~74.13.100 through 74.13.145~~) 74.13A.005 through 74.13A.080.

Sec. 10. RCW 74.13A.047 and 2012 c 147 s 2 are each amended to read as follows:

(1) To ensure expenditures continue to remain within available funds as required by RCW 74.13A.005 and 74.13A.020, the secretary shall not set the amount of any adoption assistance payment or payments, made pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080, to more than eighty percent of the foster care maintenance payment for that child had he or she remained in a foster family home during the same period. This subsection applies prospectively to adoption assistance agreements established on or after July 1, 2013, through June 30, 2017.

(2)(a) To ensure expenditures continue to remain within available funds as required by RCW 74.13A.005 and 74.13A.020, the secretary shall not set the amount of any adoption assistance payment or payments, made pursuant to RCW 26.33.320 and 74.13A.005 through 74.13A.080, to more than the following:

(i) For a child under the age of five, no more than eighty percent of the foster

care maintenance payment for that child had he or she remained in a foster family home during the same period.

(ii) For a child aged five through nine, no more than ninety percent of the foster care maintenance payment for that child had he or she remained in a foster family home during the same period.

(iii) For a child aged ten through eighteen, no more than ninety-five percent of the foster care maintenance payment for that child had he or she remained in a foster family home during the same period.

(b) This subsection applies prospectively to adoption assistance agreements established on or after the effective date of this section.

(3) The department must establish a central unit of adoption support negotiators to help ensure consistent negotiation of adoption support agreements that will balance the needs of adoptive families with the state's need to remain fiscally responsible.

~~((3))~~ (4) The department must request, in writing, that adoptive families with existing adoption support contracts renegotiate their contracts to establish lower adoption assistance payments if it is fiscally feasible for the family to do so. The department shall explain that adoption support contracts may be renegotiated as needs arise.

Sec. 11. RCW 28B.118.010 and 2015 3rd sp.s. c 36 s 8 are each amended to read as follows:

The office of student financial assistance shall design the Washington college bound scholarship program in accordance with this section and in alignment with the state need grant program in chapter 28B.92 RCW unless otherwise provided in this section.

(1) "Eligible students" are those students who:

(a) Qualify for free or reduced-price lunches. If a student qualifies in the seventh grade, the student remains eligible even if the student does not receive free or reduced-price lunches thereafter; ~~((e))~~

(b) Are dependent pursuant to chapter 13.34 RCW and:

(i) In grade seven through twelve; or

(ii) Are between the ages of eighteen and twenty-one and have not graduated from high school; or

(c) Were dependent pursuant to chapter 13.34 RCW and were adopted between the ages of fourteen and eighteen with a negotiated adoption agreement that includes continued eligibility for the Washington state college bound scholarship program pursuant to RCW 74.13A.025.

(2) Eligible students shall be notified of their eligibility for the Washington college bound scholarship program beginning in their seventh grade year. Students shall also be notified of the requirements for award of the scholarship.

(3) (a) To be eligible for a Washington college bound scholarship, a student eligible under subsection (1) (a) of this section must sign a pledge during seventh or eighth grade that includes a commitment to graduate from high school with at least a C average and with no felony convictions. The pledge must be witnessed by a parent or guardian and forwarded to the office of student financial assistance by mail or electronically, as indicated on the pledge form.

(b) A student eligible under subsection (1) (b) of this section shall be automatically enrolled, with no action necessary by the student or the student's family, and the enrollment form must be forwarded by the department of social and health services to the higher education coordinating board or its successor by mail or electronically, as indicated on the form.

(4) (a) Scholarships shall be awarded to eligible students graduating from public high schools, approved private high schools under chapter 28A.195 RCW, or who received home-based instruction under chapter 28A.200 RCW.

(b) (i) To receive the Washington college bound scholarship, a student must graduate with at least a "C" average from a public high school or an approved private high school under chapter 28A.195 RCW in Washington or have received home-based instruction under chapter 28A.200 RCW, must have no felony convictions, and must be a resident student as defined in RCW 28B.15.012(2) (a) through (d).

(ii) For eligible children as defined in subsection (1) (b) and (c) of this section, to receive the Washington college bound scholarship, a student must have received a high school equivalency

certificate as provided in RCW 28B.50.536 or have graduated with at least a "C" average from a public high school or an approved private high school under chapter 28A.195 RCW in Washington or have received home-based instruction under chapter 28A.200 RCW, must have no felony convictions, and must be a resident student as defined in RCW 28B.15.012(2) (a) through (d).

For a student who does not meet the "C" average requirement, and who completes fewer than two quarters in the running start program, under chapter 28A.600 RCW, the student's first quarter of running start course grades must be excluded from the student's overall grade point average for purposes of determining their eligibility to receive the scholarship.

(5) A student's family income will be assessed upon graduation before awarding the scholarship.

(6) If at graduation from high school the student's family income does not exceed sixty-five percent of the state median family income, scholarship award amounts shall be as provided in this section.

(a) For students attending two or four-year institutions of higher education as defined in RCW 28B.10.016, the value of the award shall be (i) the difference between the student's tuition and required fees, less the value of any state-funded grant, scholarship, or waiver assistance the student receives; (ii) plus five hundred dollars for books and materials.

(b) For students attending private four-year institutions of higher education in Washington, the award amount shall be the representative average of awards granted to students in public research universities in Washington or the representative average of awards granted to students in public research universities in Washington in the 2014-15 academic year, whichever is greater.

(c) For students attending private vocational schools in Washington, the award amount shall be the representative average of awards granted to students in public community and technical colleges in Washington or the representative average of awards granted to students in public community and technical colleges in Washington in the 2014-15 academic year, whichever is greater.

(7) Recipients may receive no more than four full-time years' worth of scholarship awards.

(8) Institutions of higher education shall award the student all need-based and merit-based financial aid for which the student would otherwise qualify. The Washington college bound scholarship is intended to replace unmet need, loans, and, at the student's option, work-study award before any other grants or scholarships are reduced.

(9) The first scholarships shall be awarded to students graduating in 2012.

(10) The state of Washington retains legal ownership of tuition units awarded as scholarships under this chapter until the tuition units are redeemed. These tuition units shall remain separately held from any tuition units owned under chapter 28B.95 RCW by a Washington college bound scholarship recipient.

(11) The scholarship award must be used within five years of receipt. Any unused scholarship tuition units revert to the Washington college bound scholarship account.

(12) Should the recipient terminate his or her enrollment for any reason during the academic year, the unused portion of the scholarship tuition units shall revert to the Washington college bound scholarship account.

NEW SECTION. Sec. 12. A new section is added to chapter 41.04 RCW to read as follows:

(1) The foster parent shared leave pool is created to allow employees to donate leave to be used as shared leave for any employee who is a foster parent needing to care for or preparing to accept a foster child in their home. Participation in the pool shall, at all times, be voluntary on the part of the employee. The department of social and health services, in consultation with the office of financial management, shall administer the foster parent shared leave pool.

(2) Employees, as defined in RCW 41.04.655, may donate leave to the foster parent shared leave pool.

(3) An employee, as defined in RCW 41.04.655, who is also a foster parent licensed pursuant to RCW 74.15.040 may request shared leave from the foster parent shared leave pool.

(4) Shared leave under this section may not be granted unless the pool has a sufficient balance to fund the requested shared leave.

(5) Shared leave paid under this section must not exceed the level of the employee's state monthly salary.

(6) Any leave donated must be removed from the personally accumulated leave balance of the employee donating the leave.

(7) An employee who receives shared leave from the pool is not required to retribute such leave to the pool, except as otherwise provided in this section.

(8) Leave that may be donated or received by any one employee shall be calculated as in RCW 41.04.665.

(9) As used in this section, "monthly salary" includes monthly salary and special pay and shift differential, or the monthly equivalent for hourly employees. "Monthly salary" does not include:

- (a) Overtime pay;
- (b) Call back pay;
- (c) Standby pay; or
- (d) Performance bonuses.

(10) The office of financial management, in consultation with the department of social and health services, shall adopt rules and policies governing the donation and use of shared leave from the foster parent shared leave pool, including definitions of pay and allowances and guidelines for agencies to use in recordkeeping concerning shared leave.

(11) Agencies must investigate any alleged abuse of the foster parent shared leave pool and on a finding of wrongdoing, the employee may be required to repay all of the shared leave received from the foster parent shared leave pool.

(12) Higher education institutions shall adopt policies consistent with the needs of the employees under their respective jurisdictions.

NEW SECTION. Sec. 13. A new section is added to chapter 43.06 RCW to read as follows:

Within the office of the governor's appropriations, the governor shall regularly acknowledge the contributions of foster parents to the state of Washington

with, at a minimum, a letter signed by the governor. The department of social and health services shall provide to the office of the governor all data necessary to discharge this duty.

NEW SECTION. Sec. 14. A new section is added to chapter 74.13 RCW to read as follows:

(1) The child welfare system improvement account is created in the state treasury. Moneys in the account may be spent only after appropriation. Moneys in the account may be expended solely for the following: (a) Foster home licensing; (b) achieving permanency for children; (c) support and assistance provided to foster parents in order to improve foster home retention and stability of placements; (d) improving and increasing placement options for youth in out-of-home care; and (e) preventing out-of-home placement.

(2) Revenues to the child welfare system improvement account consist of: (a) Legislative appropriations; and (b) any other public or private funds appropriated to or deposited in the account.

NEW SECTION. Sec. 15. RCW 74.13.107 (Child and family reinvestment account—Methodology for calculating savings resulting from reductions in foster care caseloads and per capita costs) and 2013 c 332 s 12 & 2012 c 204 s 2 are each repealed.

NEW SECTION. Sec. 16. RCW 74.12.037 (Income eligibility—Unearned income exemption) and 2014 c 75 s 1 & 2011 1st sp.s. c 42 s 4 are each repealed, effective July 1, 2018.

NEW SECTION. Sec. 17. The following acts or parts of acts are repealed:

(1) RCW 43.131.415 (Child and family reinvestment account and methodology for calculating savings—Termination) and 2012 c 204 s 4; and

(2) RCW 43.131.416 (Child and family reinvestment account and methodology for calculating savings—Repeal) and 2013 c 332 s 13 & 2012 c 204 s 5.

NEW SECTION. Sec. 18. Any residual balance of funds remaining in the child and family reinvestment account repealed by section 17 of this act must be transferred to the general fund.

NEW SECTION. Sec. 19. Pursuant to RCW 41.06.142(3), the competitive procurement process and contract provisions in this act are expressly mandated by the

legislature and are not subject to the processes of RCW 41.06.142 (1), (4), and (5).

NEW SECTION. Sec. 20. Section 17 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect June 30, 2017.

NEW SECTION. Sec. 21. Section 18 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2017.

NEW SECTION. Sec. 22. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 23. If any part of this act is found to be in conflict with P.L. 95-608 Indian Child Welfare Act of 1978 or federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements of P.L. 95-608 Indian Child Welfare Act of 1978 and federal requirements that are a necessary condition to the receipt of federal funds by the state.

Sec. 24. RCW 26.44.030 and 2017 c 118 s 1 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, state family and children's ombuds or any volunteer in the ombuds's office, or host home program has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such

incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1) (b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her

official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11 and 13 RCW and this title, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report

must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency, including military law enforcement, if appropriate. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency

shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute.

Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received,

unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian (~~sign an agreement~~) agree to participate in services before services are initiated (~~that~~). The department shall inform(~~the~~) the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not (~~sign the consent form~~) agree to participate in services.

(14) (a) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(i) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(ii) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(b) The Washington state school directors' association shall adopt a model policy addressing protocols when an interview, as authorized by this subsection, is conducted on school premises. In formulating its policy, the association shall consult with the department and the Washington association of sheriffs and police chiefs.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombuds of the contents of the report. The department shall also notify the ombuds of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17) (a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(20) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

(21) The department shall make efforts as soon as practicable to determine the military status of parents whose children are subject to abuse or neglect allegations. If the department determines that a parent or guardian is in the military, the department shall notify a department of defense family advocacy program that there is an allegation of abuse and neglect that is screened in and open for investigation that relates to that military parent or guardian.

(22) The department shall make available on its public web site a downloadable and printable poster that includes the reporting requirements included in this section. The poster must be no smaller than eight and one-half by eleven inches with all information on one side. The poster must be made available in both the English and Spanish languages. Organizations that include employees or

volunteers subject to the reporting requirements of this section must clearly display this poster in a common area. At a minimum, this poster must include the following:

(a) Who is required to report child abuse and neglect;

(b) The standard of knowledge to justify a report;

(c) The definition of reportable crimes;

(d) Where to report suspected child abuse and neglect; and

(e) What should be included in a report and the appropriate timing.

NEW SECTION. **Sec. 25.** (1) The department of social and health services, with technical consultation from the caseload forecast council and associated technical work groups, shall review the forecasts of licensed foster care to ensure that all youth in licensed foster care are included in the caseload forecast and that maintenance level costs associated with these youth, not including costs associated with behavioral rehabilitation services, are accurately calculated.

(2) The department of social and health services shall submit a report detailing their findings and any recommendations associated with this review to the governor and the appropriate committees of the legislature no later than December 1, 2017.

(3) This section expires January 1, 2018.

NEW SECTION. **Sec. 26.** Section 2 of this act takes effect only if neither Second Engrossed Second Substitute House Bill No. 1661 (including any later amendments or substitutes) nor Substitute Senate Bill No. 5498 (including any later amendments or substitutes) is signed into law by the governor by the effective date of this section.

NEW SECTION. **Sec. 27.** Section 3 of this act takes effect only if Second Engrossed Second Substitute House Bill No. 1661 (including any later amendments or substitutes) or Substitute Senate Bill No. 5498 (including any later amendments or substitutes) is signed into law by the governor by the effective date of this section."

"**NEW SECTION. Sec. 28.** APPROPRIATIONS FOR THE OFFICE OF CIVIL LEGAL AID.

(1) The sums of \$648,000 from the state general fund for fiscal year 2018 and \$648,000 from the state general fund for fiscal year 2019, or so much thereof as may be necessary, are each appropriated to the office of civil legal aid and are provided solely for the office to provide legal representation for foster children in two counties at the initial shelter care hearing in dependency proceedings prior to termination of parental rights in conjunction with the research assessment authorized in subsection (2) of this section.

(2)(a) The sum of \$75,000, or so much thereof as may be necessary, is appropriated from the state general fund for fiscal year 2019 to the office of civil legal aid and is provided solely for the office to contract with the Washington state center for court research for a statistically reliable assessment of differential outcomes in dependency proceedings prior to termination of parental rights. The assessment must involve a randomized control test or other appropriate research methodology. The center may engage or otherwise associate with other researcher organizations, as appropriate, to help with data design, collection, and analysis. The assessment must compare impacts and outcomes for foster children who receive standards-based legal representation to those who are not represented by an attorney before termination of parental rights. The assessment must focus on dependent children in Grant, Lewis, Douglas, and Whatcom counties. The assessment must quantify differentials, if any, between the experience of children who are represented in the dependency proceeding and those who are not in relation to the following:

(i) The time to achieve permanency and permanency outcomes; and

(ii) Educational, social, or other relevant child welfare indicators as determined relevant by the center including, but not limited to, relevant child welfare indicators identified through consultation with foster children,

youth, and other stakeholders involved in the research assessment.

The assessment must also identify and project cost savings to the state, if any, as a result of providing legal representation for children at the shelter care hearing.

(b) The office of the superintendent of public instruction and the children's administration or a successor agency shall provide, in compliance with the federal family education rights and privacy act, the center with necessary data including necessary personal identifiers. The office of the superintendent of public instruction shall consult with the center to ensure the validity of data elements and the interpretation of results.

(c) The Washington state center for court research shall report its initial findings to the legislature by December 31, 2019. Subject to the availability of amounts appropriated during the 2019-2021 fiscal biennium or obtained from other sources, the center may continue the research assessment through December 31, 2021, and submit a supplemental report to the legislature. The report or reports may not include personal identifiers, or any personally identifiable information, as defined in the federal family educational rights and privacy act.

(d) The office of civil legal aid may apply for and receive grants, donations, or other contributions to help underwrite this research assessment effort."

"Sec. 45. RCW 47.68.250 and 2016 c 20 s 3 are each amended to read as follows:

SECTION 40 CONFORMING AMENDMENT.

(1) Every aircraft must be registered with the department for each calendar year in which the aircraft is operated or is

based within this state. A fee of fifteen dollars is charged for each such registration and each annual renewal thereof.

(2) Possession of the appropriate effective federal certificate, permit, rating, or license relating to ownership and airworthiness of the aircraft, and payment of the excise tax imposed by Title 82 RCW for the privilege of using the aircraft within this state during the year for which the registration is sought, and payment of the registration fee required by this section are the only requisites for registration of an aircraft under this section.

(3) The registration fee imposed by this section is payable to and collected by the secretary. The fee for any calendar year must be paid during the month of January, and must be collected by the secretary at the time of the collection by him or her of the excise tax. If the secretary is satisfied that the requirements for registration of the aircraft have been met, he or she must issue to the owner of the aircraft a certificate of registration therefor. The secretary must pay to the state treasurer the registration fees collected under this section, which registration fees must be credited to the aeronautics account (~~in the transportation fund~~).

(4) It is not necessary for the registrant to provide the secretary with originals or copies of federal certificates, permits, ratings, or licenses. The secretary must issue certificates of registration, or such other evidences of registration or payment of fees as he or she may deem proper; and in connection therewith may prescribe requirements for the possession and exhibition of such certificates or other evidences.

(5) The provisions of this section do not apply to:

(a) An aircraft owned by and used exclusively in the service of any government or any political subdivision thereof, including the government of the United States, any state, territory, or possession of the United States, or the District of Columbia, which is not engaged in carrying persons or property for commercial purposes;

(b) An aircraft registered under the laws of a foreign country;

(c) An aircraft that is owned by a nonresident if:

(i) The aircraft remains in this state or is based in this state, or both, for a period less than ninety days; or

(ii) The aircraft is a large private airplane as defined in RCW 82.08.215 and remains in this state for a period of ninety days or longer, but only when:

(A) The airplane is in this state exclusively for the purpose of repairs, alterations, or reconstruction, including any flight testing related to the repairs, alterations, or reconstruction, or for the purpose of continual storage of not less than one full calendar year;

(B) An employee of the facility providing these services is on board the airplane during any flight testing; and

(C) Within ninety days of the date the airplane first arrived in this state during the calendar year, the nonresident files a written statement with the department indicating that the airplane is exempt from registration under this subsection (5)(c)(ii). The written statement must be filed in a form and manner prescribed by the department and must include such information as the department requires. The department may require additional periodic verification that the airplane remains exempt from registration under this subsection (5)(c)(ii) and that written statements conform with the provisions of RCW 9A.72.085;

(d) An aircraft engaged principally in commercial flying constituting an act of interstate or foreign commerce;

(e) An aircraft owned by the commercial manufacturer thereof while being operated for test or experimental purposes, or for the purpose of training crews for purchasers of the aircraft;

(f) An aircraft being held for sale, exchange, delivery, test, or demonstration purposes solely as stock in trade of an aircraft dealer licensed under Title 14 RCW; and

(g) An aircraft based within the state that is in an unairworthy condition, is not operated within the registration period, and has obtained a written exemption issued by the secretary.

(6) The secretary must be notified within thirty days of any change in ownership of a registered aircraft. The

notification must contain the N, NC, NR, NL, or NX number of the aircraft, the full name and address of the former owner, and the full name and address of the new owner. For failure to so notify the secretary, the registration of that aircraft may be canceled by the secretary, subject to reinstatement upon application and payment of a reinstatement fee of ten dollars by the new owner.

(7) A municipality or port district that owns, operates, or leases an airport, as defined in RCW 47.68.020, with the intent to operate, must require from an aircraft owner proof of aircraft registration as a condition of leasing or selling tiedown or hangar space for an aircraft. It is the responsibility of the lessee or purchaser to register the aircraft. Proof of registration must be provided according to the following schedule:

(a) For the purchase of tiedown or hangar space, the municipality or port district must allow the purchaser thirty days from the date of the application for purchase to produce proof of aircraft registration.

(b) For the lease of tiedown or hangar space that extends thirty days or more, the municipality or port district must allow the lessee thirty days to produce proof of aircraft registration from the date of the application for lease of tiedown or hangar space.

(c) For the lease of tiedown or hangar space that extends less than thirty days, the municipality or port district must allow the lessee to produce proof of aircraft registration at any point prior to the final day of the lease.

(8) The airport must work with the aviation division to assist in its efforts to register aircraft by providing information about based aircraft on an annual basis as requested by the division.

NEW SECTION. **Sec. 46.** Section 45 of this act expires July 1, 2021.

(c) For the lease of tiedown or hangar space that extends less than thirty days,

the municipality or port district must allow the lessee to produce proof of aircraft registration at any point prior to the final day of the lease.

(8) The airport must work with the aviation division to assist in its efforts to register aircraft by providing information about based aircraft on an annual basis as requested by the division.

NEW SECTION. **Sec. 48.** Section 47 of this act takes effect July 1, 2021.

Sec. 49. RCW 14.20.060 and 1998 c 187 s 2 are each amended to read as follows:

SECTION 40 CONFORMING AMENDMENT.

The fees set forth in RCW 14.20.050 shall be paid to the secretary. The fee for any calendar year may be paid on and after the first day of December of the preceding year. The secretary shall give appropriate receipts therefor. The fees collected under this chapter shall be credited to the aeronautics account (~~(of the transportation fund)~~). The secretary may prescribe requirements for the possession and exhibition of aircraft dealer's licenses and aircraft dealer's certificates.

Sec. 50. RCW 82.44.190 and 1996 c 262 s 2 are each amended to read as follows:

SECTION 40 CONFORMING AMENDMENT.

The transportation infrastructure account is hereby created in the (~~(transportation fund)~~) state treasury. Public and private entities may deposit moneys in the transportation infrastructure account from federal, state, local, or private sources. Proceeds from bonds or other financial instruments sold to finance surface transportation projects from the transportation infrastructure account shall be deposited into the account. Principal and interest payments made on loans from the transportation infrastructure account shall be deposited into the account. Moneys in the account shall be available for purposes specified in RCW 82.44.195. Expenditures from the transportation infrastructure account shall be subject to appropriation by the legislature. To the extent required by federal law or regulations promulgated by the United States secretary of transportation, the state treasurer is authorized to create separate subaccounts within the transportation infrastructure account.

Sec. 51. RCW 43.84.092 and 2017 c 290 s 8 are each amended to read as follows:

SECTION 40 CONFORMING AMENDMENT.

(1) All earnings of investments of surplus balances in the state treasury shall be deposited to the treasury income account, which account is hereby established in the state treasury.

(2) The treasury income account shall be utilized to pay or receive funds associated with federal programs as required by the federal cash management improvement act of 1990. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for refunds or allocations of interest earnings required by the cash management improvement act. Refunds of interest to the federal treasury required under the cash management improvement act fall under RCW 43.88.180 and shall not require appropriation. The office of financial management shall determine the amounts due to or from the federal government pursuant to the cash management improvement act. The office of financial management may direct transfers of funds between accounts as deemed necessary to implement the provisions of the cash management improvement act, and this subsection. Refunds or allocations shall occur prior to the distributions of earnings set forth in subsection (4) of this section.

(3) Except for the provisions of RCW 43.84.160, the treasury income account may be utilized for the payment of purchased banking services on behalf of treasury funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasury and affected state agencies. The treasury income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4) Monthly, the state treasurer shall distribute the earnings credited to the treasury income account. The state treasurer shall credit the general fund with all the earnings credited to the treasury income account except:

"Part I

Eliminating or Narrowing Tax Preferences

Subpart A

Eliminating the Sales and Use Tax Exemption for Bottled Water

Sec. 101. RCW 82.08.0293 and 2014 c 140 s 22 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of food and food ingredients. "Food and food ingredients" means substances, whether in liquid, concentrated, solid, frozen, dried, or dehydrated form, that are sold for ingestion or chewing by humans and are consumed for their taste or nutritional value. "Food and food ingredients" does not include:

(a) "Alcoholic beverages," which means beverages that are suitable for human consumption and contain one-half of one percent or more of alcohol by volume;

(b) "Tobacco," which means cigarettes, cigars, chewing or pipe tobacco, or any other item that contains tobacco; and

(c) Marijuana, useable marijuana, or marijuana-infused products.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section does not apply to prepared food, soft drinks, bottled water, or dietary supplements. ~~((For purposes of this subsection, the following definitions apply:))~~ The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Bottled water" means water that is placed in a safety sealed container or package for human consumption. Bottled water is calorie free and does not contain sweeteners or other additives except that it may contain: (i) Antimicrobial agents; (ii) fluoride; (iii) carbonation; (iv) vitamins, minerals, and electrolytes; (v) oxygen; (vi) preservatives; and (vii) only those flavors, extracts, or essences derived from a spice or fruit. "Bottled water" includes water that is delivered to the buyer in a reusable container that is not sold with the water.

(b) "Dietary supplement" means any product, other than tobacco, intended to supplement the diet that:

(i) Contains one or more of the following dietary ingredients:

- (A) A vitamin;
- (B) A mineral;
- (C) An herb or other botanical;
- (D) An amino acid;

(E) A dietary substance for use by humans to supplement the diet by increasing the total dietary intake; or

(F) A concentrate, metabolite, constituent, extract, or combination of any ingredient described in this subsection;

(ii) Is intended for ingestion in tablet, capsule, powder, softgel, gelcap, or liquid form, or if not intended for ingestion in such form, is not represented as conventional food and is not represented for use as a sole item of a meal or of the diet; and

(iii) Is required to be labeled as a dietary supplement, identifiable by the "supplement facts" box found on the label as required pursuant to 21 C.F.R. Sec. 101.36, as amended or renumbered as of January 1, 2003.

~~((b))~~ (c)(i) "Prepared food" means:

(A) Food sold in a heated state or heated by the seller;

(B) Food sold with eating utensils provided by the seller, including plates, knives, forks, spoons, glasses, cups, napkins, or straws. A plate does not include a container or packaging used to transport the food; or

(C) Two or more food ingredients mixed or combined by the seller for sale as a single item, except:

(I) Food that is only cut, repackaged, or pasteurized by the seller; or

(II) Raw eggs, fish, meat, poultry, and foods containing these raw animal foods requiring cooking by the consumer as recommended by the federal food and drug administration in chapter 3, part 401.11 of The Food Code, published by the food and drug administration, as amended or renumbered as of January 1, 2003, so as to prevent foodborne illness.

(ii) "Prepared food" does not include the following food or food ingredients, if

the food or food ingredients are sold without eating utensils provided by the seller:

(A) Food sold by a seller whose proper primary North American industry classification system (NAICS) classification is manufacturing in sector 311, except subsector 3118 (bakeries), as provided in the "North American industry classification system—United States, 2002";

(B) Food sold in an unheated state by weight or volume as a single item; or

(C) Bakery items. The term "bakery items" includes bread, rolls, buns, biscuits, bagels, croissants, pastries, donuts, Danish, cakes, tortes, pies, tarts, muffins, bars, cookies, or tortillas.

~~((c))~~ (d) "Soft drinks" means nonalcoholic beverages that contain natural or artificial sweeteners. Soft drinks do not include beverages that contain: Milk or milk products; soy, rice, or similar milk substitutes; or greater than fifty percent of vegetable or fruit juice by volume.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section applies to food and food ingredients that are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the older Americans act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) That are provided to senior citizens, individuals with disabilities, or low-income persons by a not-for-profit organization organized under chapter 24.03 or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" means a facility:

(i) That meets the definition of a qualified low-income housing project under 26 U.S.C. Sec. 42 of the federal internal

revenue code, as existing on August 1, 2009;

(ii) That has been partially funded under 42 U.S.C. Sec. 1485; and

(iii) For which the lessor or operator has at any time been entitled to claim a federal income tax credit under 26 U.S.C. Sec. 42 of the federal internal revenue code.

(4)(a) Subsection (1) of this section notwithstanding, the retail sale of food and food ingredients is subject to sales tax under RCW 82.08.020 if the food and food ingredients are sold through a vending machine. Except as provided in (b) of this subsection, the selling price of food and food ingredients sold through a vending machine for purposes of RCW 82.08.020 is fifty-seven percent of the gross receipts.

(b) For soft drinks, bottled water, and hot prepared food and food ingredients, other than food and food ingredients which are heated after they have been dispensed from the vending machine, the selling price is the total gross receipts of such sales divided by the sum of one plus the sales tax rate expressed as a decimal.

(c) For tax collected under this subsection (4), the requirements that the tax be collected from the buyer and that the amount of tax be stated as a separate item are waived.

Sec. 102. RCW 82.12.0293 and 2011 c 2 s 303 are each amended to read as follows:

(1) The provisions of this chapter do not apply in respect to the use of food and food ingredients for human consumption. "Food and food ingredients" has the same meaning as in RCW 82.08.0293.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section does not apply to prepared food, soft drinks, bottled water, or dietary supplements. "Prepared food," "soft drinks," "bottled water," and "dietary supplements" have the same meanings as in RCW 82.08.0293.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section applies to food and food ingredients which are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided

for in the older Americans act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) Which are provided to senior citizens, individuals with disabilities, or low-income persons by a not-for-profit organization organized under chapter 24.03 or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" has the same meaning as in RCW 82.08.0293.

NEW SECTION. Sec. 103. A new section is added to chapter 82.08 RCW to read as follows:

(1) Subject to the conditions in this section, the tax levied by RCW 82.08.020 does not apply to sales of bottled water dispensed or to be dispensed to patients pursuant to a prescription for use in the cure, mitigation, treatment, or prevention of disease or medical condition.

(2) For purposes of this section, "prescription" means an order, formula, or recipe issued in any form of oral, written, electronic, or other means of transmission by a duly licensed practitioner authorized by the laws of this state to prescribe.

(3) Except for sales of bottled water delivered to the buyer in a reusable container that is not sold with the water, sellers must collect tax on sales subject to this exemption. Any buyer that has paid at least twenty-five dollars in state and local sales taxes on purchases of bottled water subject to this exemption may apply for a refund of the taxes directly from the department in a form and manner prescribed by the department. The department must deny any refund application if the amount of the refund requested is less than twenty-five dollars. No refund may be made for taxes paid more than four years after the end of the calendar year in which the tax was paid to the seller.

(4) With respect to sales of bottled water delivered to the buyer in a reusable container that is not sold with the water,

buyers claiming the exemption provided in this section must provide the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

NEW SECTION. Sec. 104. A new section is added to chapter 82.12 RCW to read as follows:

(1) The provisions of this chapter do not apply in respect to the use of bottled water dispensed or to be dispensed to patients pursuant to a prescription for use in the cure, mitigation, treatment, or prevention of disease or medical condition.

(2) For the purposes of this section, "prescription" has the same meaning as provided in section 103 of this act.

NEW SECTION. Sec. 105. A new section is added to chapter 82.08 RCW to read as follows:

(1)(a) Subject to the conditions in this section, the tax levied by RCW 82.08.020 does not apply to sales of bottled water to persons whose primary source of drinking water is unsafe.

(b) For purposes of this subsection and section 106 of this act, a person's primary source of drinking water is unsafe if:

(i) The public water system providing the drinking water has issued a public notification that the drinking water may pose a health risk, and the notification is still in effect on the date that the bottled water was purchased;

(ii) Test results on the person's drinking water, which are no more than twelve months old, from a laboratory certified to perform drinking water testing show that the person's drinking water does not meet safe drinking water standards applicable to public water systems; or

(iii) The person otherwise establishes, to the department's satisfaction, that the person's drinking water does not meet safe drinking water standards applicable to public water systems.

(2) Except for sales of bottled water delivered to the buyer in a reusable container that is not sold with the water, sellers must collect tax on sales subject to this exemption. Any buyer that has paid at least twenty-five dollars in state and local sales taxes on purchases of bottled

water subject to this exemption may apply for a refund of the taxes directly from the department in a form and manner prescribed by the department. The department must deny any refund application if the amount of the refund requested is less than twenty-five dollars. No refund may be made for taxes paid more than four years after the end of the calendar year in which the tax was paid to the seller.

(3) (a) With respect to sales of bottled water delivered to the buyer in a reusable container that is not sold with the water, buyers claiming the exemption provided in this section must provide the seller with an exemption certificate in a form and manner prescribed by the department. The seller must retain a copy of the certificate for the seller's files.

(b) The department may waive the requirement for an exemption certificate in the event of disaster or similar circumstance.

NEW SECTION. Sec. 106. A new section is added to chapter 82.12 RCW to read as follows:

The provisions of this chapter do not apply in respect to the use of bottled water by persons whose primary source of drinking water is unsafe as provided in section 105 of this act.

Subpart B

Narrowing a Use Tax Exemption for Self-Produced Fuel

Sec. 107. RCW 82.12.0263 and 1980 c 37 s 62 are each amended to read as follows:

The provisions of this chapter (~~shall~~) do not apply in respect to the use of biomass fuel by the extractor or manufacturer thereof when used directly in the operation of the particular extractive operation or manufacturing plant which produced or manufactured the same. For purposes of this section, "biomass fuel" means wood waste and other wood residuals, including forest derived biomass, but does not include firewood or wood pellets. "Biomass fuel" also includes partially organic by-products of pulp, paper, and wood manufacturing processes.

NEW SECTION. Sec. 108. A new section is added to chapter 82.12 RCW to read as follows:

(1) The value of the article used with respect to refinery fuel gas under this chapter is the most recent monthly United

States natural gas wellhead price, as published by the federal energy information administration.

(2) In lieu of the use tax rate provided in RCW 82.12.020, refinery fuel gas is subject to a rate of 3.852 percent.

(3) The use of fuel by the extractor or manufacturer thereof when used directly in the operation of the particular extractive operation or manufacturing plant that produced or manufactured the same is not subject to local use tax.

NEW SECTION. Sec. 109. Sections 107 through 109 of this act apply with respect to fuel, other than biomass fuel, consumed within this state on or after the effective date of this section, regardless of whether such fuel was produced or manufactured before the effective date of this section. For purposes of this section, "consumed" means the use of fuel resulting in the release of usable energy.

Part II

Remote Sellers, Referrers, and Marketplace Facilitators

NEW SECTION. Sec. 201. (1) The legislature finds that states fail to collect more than twenty-three billion dollars annually in sales taxes from remote sales over the internet and through catalogs. The legislature further finds that Washington and its local governments will lose out on an estimated three hundred fifty-three million dollars in sales and use taxes in fiscal year 2018 from remote sales, reducing funds that would otherwise be available for the public education system, health care services, infrastructure, and other vital public services.

(2) The legislature finds that Colorado adopted a law requiring out-of-state retailers that do not collect Colorado's sales tax to report tax-related information to their Colorado customers and the Colorado department of revenue. The legislature further finds that in 2016 the United States court of appeals for the tenth circuit upheld that law.

(3) The legislature intends by this act to address the significant harm and unfairness brought about by the physical presence nexus rule. To achieve this objective, this act adopts a new program. Under the new program, remote sellers meeting a specified threshold of gross receipts from retail sales into this state

would have the option to either collect retail sales or use tax on taxable retail sales into this state or comply with certain sales and use tax notice and reporting provisions. This option is also available to other persons such as marketplace facilitators for facilitated sales on behalf of third-party remote sellers. The sales and use tax notice and reporting provisions in this act are similar to the multistate tax commission's draft model sales and use tax notice and reporting statute and Colorado's sales and use tax notice and reporting law.

NEW SECTION. Sec. 202. A new section is added to chapter 82.08 RCW to be codified between RCW 82.08.052 and 82.08.054 to read as follows:

(1) (a) (i) Except as provided in (a) (ii) of this subsection, beginning January 1, 2018, and for any calendar year thereafter, remote sellers, referrers, and marketplace facilitators meeting the criteria in subsection (2) of this section or that have a physical presence in this state, must elect to either collect and remit retail sales or use tax on all taxable retail sales into this state pursuant to this chapter and chapters 82.12 and 82.32 RCW or comply with section 205 of this act.

(ii) Until January 1, 2020, the requirement under (a) (i) of this subsection (1) to collect and remit tax or comply with section 205 of this act does not apply with respect to the retail sale of digital products and digital codes, other than (A) specified digital products and digital games and (B) digital codes used to redeem specified digital products and digital games, by a marketplace seller through a marketplace facilitator or directly resulting from a referral.

(b) For marketplace facilitators, the election provided in (a) of this subsection (1) applies only with respect to:

(i) Retail sales through the marketplace facilitator's marketplace by or on behalf of marketplace sellers who do not have a physical presence in this state; and

(ii) A marketplace facilitator's own retail sales, if the marketplace facilitator does not have a physical presence in this state.

(c) (i) For referrers, the election provided in (a) of this subsection (1) applies only with respect to:

(A) Retail sales directly resulting from a referral of the purchaser to a marketplace seller who does not have a physical presence in this state; and

(B) A referrer's own retail sales, if the referrer does not have a physical presence in this state.

(ii) A referrer may make different elections with respect to retail sales described in (c)(i)(A) and (B) of this subsection.

(d) An election under (a) of this subsection (1) to collect retail sales or use tax is binding on the remote seller, referrer, or marketplace facilitator until January 1st of the calendar year that is at least twelve consecutive months after the remote seller, referrer, or marketplace facilitator began collecting retail sales or use tax under such election. A remote seller, referrer, or marketplace facilitator who has made an election under this subsection to collect retail sales or use tax may change its election and comply with section 205 of this act by providing written notice to the department in a form and manner required by the department. Such an election change may take effect only on the first day of the calendar year that is at least thirty days following the date that the department received written notice from the remote seller, referrer, or marketplace facilitator of its change in election.

(e)(i) Remote sellers, referrers, and marketplace facilitators complying with section 205 of this act may change their election under this subsection (1) at any time by collecting and remitting retail sales or use taxes under this chapter or chapter 82.12 RCW on taxable retail sales sourced to this state. Such an election is binding as provided in (d) of this subsection (1).

(ii) Remote sellers, referrers, and marketplace facilitators electing for the first time to collect retail sales or use tax must begin collecting state and local retail sales or use taxes on taxable retail sales sourced to this state beginning on the first day of the calendar month that is at least thirty days from the date that the remote seller, referrer, or marketplace facilitator met either threshold described in subsection (2) of this section.

(f) If the department discovers that any remote seller, referrer, or marketplace facilitator required to make

an election under this subsection (1) is not registered with the department and collecting retail sales or use tax, the remote seller, referrer, or marketplace facilitator is conclusively presumed to have elected to comply with the notice and reporting requirements of section 205 of this act.

(2)(a) A remote seller is subject to subsection (1) of this section if, during the current or immediately preceding calendar year, its gross receipts from retail sales sourced to this state under RCW 82.32.730 are at least ten thousand dollars.

(b) A marketplace facilitator is subject to subsection (1) of this section if, during the current or immediately preceding calendar year, the gross receipts from retail sales sourced to this state under RCW 82.32.730 by the marketplace facilitator, whether in its own name or as an agent of a marketplace seller, total at least ten thousand dollars.

(c) A referrer is subject to subsection (1) of this section if, during the current or immediately preceding calendar year, the gross income of the business received from the referrer's referral services apportioned to Washington under RCW 82.04.462, whether or not subject to tax under chapter 82.04 RCW, and from retail sales sourced to this state under RCW 82.32.730, if any, is at least two hundred sixty-seven thousand dollars.

(3) This section is subject to the provisions of section 214 of this act.

(4) For the purposes of this section, "marketplace facilitator," "referral," "referrer," and "remote seller" have the same meaning as provided in section 204 of this act.

NEW SECTION. Sec. 203. A new section is added to chapter 82.08 RCW to be codified between section 202 of this act and RCW 82.08.054 to read as follows:

(1)(a) For purposes of this chapter and chapter 82.12 RCW, a marketplace facilitator or referrer is deemed to be an agent of any marketplace seller making retail sales through the marketplace facilitator's physical or electronic marketplace or directly resulting from a referral of the purchaser by the referrer.

(b) In addition to other applicable recordkeeping requirements, the department may require a marketplace

facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this chapter and chapter 82.--- RCW (the new chapter created in section 501 of this act). Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace or directly resulting from a referral by the referrer. The department may prescribe by rule the form and manner for providing this information.

(2) A marketplace facilitator or referrer is relieved of liability under this chapter and chapter 82.12 RCW for failure to collect the correct amount of tax to the extent that the marketplace facilitator or referrer can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator or referrer by the marketplace seller, unless the marketplace facilitator, or referrer, and marketplace seller are affiliated persons. Where the marketplace facilitator or referrer is relieved of liability under this subsection (2), the marketplace seller is solely liable for the amount of uncollected tax due.

(3)(a) Subject to the limits in (b) and (c) of this subsection (3), a marketplace facilitator or referrer is relieved of liability under this chapter and chapter 82.12 RCW for the failure to collect tax on taxable retail sales to the extent that the marketplace facilitator or referrer can show to the department's satisfaction that:

(i) The taxable retail sale was made through the marketplace facilitator's marketplace or directly resulting from a referral of the purchaser by the referrer;

(ii) The taxable retail sale was made solely as the agent of a marketplace seller, and the marketplace facilitator, or referrer, and marketplace seller are not affiliated persons; and

(iii) The failure to collect sales tax was not due to an error in sourcing the sale under RCW 82.32.730.

(b) Liability relief for a marketplace facilitator under (a) of this subsection (3) for a calendar year is limited as follows:

(i) For calendar year 2018, the liability relief may not exceed ten

percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales by the marketplace facilitator as agent of a marketplace seller and sourced to this state under RCW 82.32.730 during the same calendar year.

(ii) For calendar years 2019, 2020, 2021, 2022, and 2023, the liability relief may not exceed five percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales by the marketplace facilitator as agent of a marketplace seller and sourced to this state under RCW 82.32.730 during the same calendar year.

(iii) Beginning in calendar year 2024, the liability relief may not exceed three percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales by the marketplace facilitator as agent of a marketplace seller and sourced to this state under RCW 82.32.730 during the same calendar year.

(c) Liability relief for a referrer under (a) of this subsection (3) for a calendar year is limited as follows:

(i) For calendar year 2018, the liability relief may not exceed ten percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales directly resulting from a referral of the purchaser to the marketplace seller by the referrer and sourced to this state under RCW 82.32.730 during the same calendar year.

(ii) For calendar years 2019, 2020, 2021, 2022, and 2023, the liability relief may not exceed five percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales directly resulting from a referral of the purchaser to the marketplace seller by the referrer and sourced to this state under RCW 82.32.730 during the same calendar year.

(iii) Beginning in calendar year 2024, the liability relief may not exceed three percent of the total tax due under this chapter and chapter 82.12 RCW on taxable retail sales directly resulting from a referral of the purchaser to the marketplace seller by the referrer and sourced to this state under RCW 82.32.730 during the same calendar year.

(d) Where the marketplace facilitator or referrer is relieved of liability under this subsection (3), the marketplace seller is also relieved of liability for the amount of uncollected tax due, subject

to the limitations in subsection (4) of this section.

(e) The department may by rule determine the manner in which a taxpayer may claim the liability relief provided under this subsection.

(4) Except as otherwise provided in this section, a marketplace seller obligated or electing to collect the taxes imposed under this chapter and chapter 82.12 RCW is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator or directly resulting from a referral of the purchaser to the marketplace seller by the referrer if the marketplace seller has obtained documentation from the marketplace facilitator or referrer indicating that the marketplace facilitator or referrer is registered with the department and will collect all applicable taxes due under this chapter and chapter 82.12 RCW on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator or taxable retail sales directly resulting from a referral of the purchaser to the marketplace seller by the referrer. The documentation required by this subsection (4) must be provided in a form and manner prescribed by or acceptable to the department. This subsection (4) does not relieve a marketplace seller from liability for uncollected taxes due under this chapter or chapter 82.12 RCW resulting from a marketplace facilitator's or referrer's failure to collect the proper amount of tax due when the error was due to incorrect information given to the marketplace facilitator or referrer by the marketplace seller.

(5) Except as otherwise provided in this section, a marketplace seller that is also a remote seller subject to section 202(1) of this act is relieved of its obligation to collect sales or use taxes imposed under section 202 of this act with respect to all taxable retail sales through a marketplace operated by a marketplace facilitator that provides the marketplace seller with written confirmation that the marketplace facilitator has elected to comply with the notice and reporting requirements of section 205 of this act in lieu of collecting sales and use taxes.

(6) Notwithstanding subsections (4) and (5) of this section, a marketplace seller is not relieved of the obligation to collect taxes imposed under this chapter

and chapter 82.12 RCW or comply with section 202 of this act with respect to retail sales of digital products and digital codes, other than (a) specified digital products and digital games and (b) digital codes used to redeem specified digital products and digital games, until January 1, 2020.

(7) No class action may be brought against a marketplace facilitator or referrer in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided under chapter 82.32 RCW.

(8) Nothing in this section affects the obligation of any purchaser to remit sales or use tax as to any applicable taxable transaction in which the seller or the seller's agent does not collect and remit sales tax.

(9) This section is subject to the provisions of section 214 of this act.

(10) The definitions in section 204 of this act apply to this section.

NEW SECTION. Sec. 204. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Affiliated person" means a person that, with respect to another person:

(a) Has an ownership interest of more than five percent, whether direct or indirect, in the other person; or

(b) Is related to the other person because a third person, or group of third persons who are affiliated persons with respect to each other, holds an ownership interest of more than five percent, whether direct or indirect, in the related persons.

(2) "Consumer" has the same meaning as provided in chapters 82.04, 82.08, and 82.12 RCW.

(3) "Marketplace facilitator" means a person that contracts with sellers to facilitate for consideration, regardless of whether deducted as fees from the transaction, the sale of the seller's products through a physical or electronic marketplace operated by the person, and engages:

(a) Directly or indirectly, through one or more affiliated persons in any of the following:

(i) Transmitting or otherwise communicating the offer or acceptance between the buyer and seller;

(ii) Owning or operating the infrastructure, electronic or physical, or technology that brings buyers and sellers together;

(iii) Providing a virtual currency that buyers are allowed or required to use to purchase products from the seller; or

(iv) Software development or research and development activities related to any of the activities described in (b) of this subsection (3), if such activities are directly related to a physical or electronic marketplace operated by the person or an affiliated person; and

(b) In any of the following activities with respect to the seller's products:

(i) Payment processing services;

(ii) Fulfillment or storage services;

(iii) Listing products for sale;

(iv) Setting prices;

(v) Branding sales as those of the marketplace facilitator;

(vi) Order taking;

(vii) Advertising or promotion; or

(viii) Providing customer service or accepting or assisting with returns or exchanges.

(4) "Marketplace seller" means a seller that makes retail sales through any physical or electronic marketplaces operated by a marketplace facilitator or directly resulting from a referral by a referrer, regardless of whether the seller is required to be registered with the department as provided in RCW 82.32.030.

(5) "Platform" means an electronic or physical medium, including a web site or catalog, operated by a referrer.

(6) "Product" has the same meaning as provided in RCW 82.32.023.

(7) "Purchaser" means any consumer who purchases or leases a product sourced to this state under RCW 82.32.730.

(8) "Referral" means the transfer by a referrer of a potential customer to a marketplace seller who advertises or lists

products for sale on the referrer's platform.

(9) (a) "Referrer" means a person, other than a person engaging in the business of printing a newspaper or publishing a newspaper as defined in RCW 82.04.214, who contracts or otherwise agrees with a seller to list or advertise for sale one or more items in any medium, including a web site or catalog; receives a commission, fee, or other consideration from the seller for the listing or advertisement; transfers, via telephone, internet link, or other means, a purchaser to a seller or an affiliated person to complete the sale; and does not collect receipts from the purchasers for the transaction.

(b) "Referrer" does not include a person that:

(i) Provides internet advertising services; and

(ii) Does not ever provide either the marketplace seller's shipping terms or advertise whether a marketplace seller charges sales tax.

(10) "Remote seller" means any seller, other than a marketplace facilitator or referrer, who does not have a physical presence in this state and makes retail sales to purchasers.

(11) "Retail sale" and "sale" have the same meaning as provided in chapter 82.04 RCW.

(12) "Seller" has the same meaning as in RCW 82.08.010 and includes marketplace facilitators, whether making sales in their own right or on behalf of marketplace sellers, and referrers.

NEW SECTION. Sec. 205. (1) Except as otherwise provided in subsection (5) of this section, a seller that does not collect the tax imposed under chapter 82.08 or 82.12 RCW on a taxable retail sale must comply with the applicable notice and reporting requirements of this section. For taxable retail sales made through a marketplace facilitator, or other agent, the marketplace facilitator, or other agent must comply with the notice and reporting requirements of this section, and the principal is not subject to the notice and reporting requirements of this section with respect to those sales. If the referrer makes an election to comply with the applicable notice and reporting requirements of this section, marketplace sellers to whom a referral is

made by the referrer remain subject to the applicable notice and reporting requirements under this section for their sales unless the marketplace sellers collect the tax imposed under chapter 82.08 or 82.12 RCW on taxable retail sales sourced to this state under RCW 82.32.730.

(2)(a) A seller, other than a referrer acting in its capacity as a referrer, subject to the notice and reporting requirements of this section must:

(i) Post a conspicuous notice on its marketplace, platform, web site, catalog, or any other similar medium that informs Washington purchasers that:

(A) Sales or use tax is due on certain purchases;

(B) Washington requires the purchaser to file a use tax return; and

(C) The notice is provided under the requirements of this section; and

(ii) Provide a notice to each consumer at the time of each retail sale. The notice under this subsection (2)(a)(ii) must include the following information:

(A) A statement that neither sales nor use tax is being collected or remitted upon the sale;

(B) A statement that the consumer may be required to remit sales or use tax directly to the department; and

(C) Instructions for obtaining additional information from the department regarding whether and how to remit the sales or use tax to the department.

(b) The notice under (a)(ii) of this subsection (2) must be prominently displayed on all invoices and order forms including, where applicable, electronic and catalog invoices and order forms, and upon each sales receipt or similar document provided to the purchaser, whether in paper or electronic form. No indication may be made that sales or use tax is not imposed upon the transaction, unless:

(i) Such indication is followed immediately with the notice required by (a)(ii) of this subsection (2); or

(ii) The transaction with respect to which the indication is given is exempt from sales and use tax pursuant to law.

(3) A referrer subject to the notice and reporting requirements of this section must:

(a) Post a conspicuous notice on its platform that informs Washington purchasers:

(i) That sales or use tax is due on certain purchases;

(ii) That the seller may or may not collect and remit retail sales tax on a purchase;

(iii) That Washington requires the purchaser to file a use tax return if retail sales tax is not assessed at the time of a taxable sale by the seller;

(iv) That the notice is provided under the requirements of this section;

(v) Of the instructions for obtaining additional information from the department regarding whether and how to remit the sales or use tax to the department; and

(vi) That if the seller to whom the purchaser is referred does not collect retail sales tax on a subsequent purchase by the purchaser, the seller may be required to provide information to the purchaser and the department about the purchaser's potential sales or use tax liability.

(b) The notice under (a) of this subsection (3) must be prominently displayed on the platform and may include pop-up boxes or notification by other means that appear when the referrer transfers a purchaser to a marketplace seller or an affiliated person to complete the sale.

(4)(a) A seller, other than a referrer acting in its capacity as a referrer, subject to the notice and reporting requirements of subsection (2) of this section must, no later than February 28th of each year, provide a report to each consumer for whom the seller was required to provide a notice under subsection (2)(a)(ii) of this section.

(b) The report under this subsection (4) must include:

(i) A statement that the seller did not collect sales or use tax on the consumer's transactions with the seller and that the consumer may be required to remit such tax directly to the department;

(ii) A list, by date, generally indicating the type of product purchased or leased during the immediately preceding calendar year by the consumer from the seller, sourced to this state under RCW 82.32.730, and the price of each product;

(iii) Instructions for obtaining additional information from the department regarding whether and how to remit the sales or use tax to the department;

(iv) A statement that the seller is required to submit a report to the department pursuant to subsection (6) of this section stating the total dollar amount of the consumer's purchases from the seller; and

(v) Any information as the department may reasonably require.

(c)(i) The report required under this subsection (4) must be sent to the consumer's billing address or, if unknown, the consumer's shipping address, by first-class mail, in an envelope marked prominently with words indicating important tax information is enclosed.

(ii) If no billing or shipping address is known, the report must be sent electronically to the consumer's last known email address with a subject heading indicating important tax information is enclosed.

(5)(a) A referrer subject to the notice requirements under subsection (3) of this section must, no later than February 28th of each year, provide notice to each marketplace seller to whom the referrer transferred a potential purchaser located in Washington during the previous calendar year.

(b) The notice under this subsection (5) must include:

(i) A statement that Washington imposes a sales or use tax on retail sales;

(ii) A statement that a seller, meeting the threshold in section 202(2) of this act, is required to either collect and remit retail sales or use tax on all taxable retail sales sourced to this state under RCW 82.32.730 or to comply with this section; and

(iii) Instructions for obtaining additional information from the department.

(c) By February 28th of each year, a referrer required to provide the notice under this subsection must provide the department with:

(i) A list of sellers who received the referrer's notice under this subsection. The information must be provided electronically in a form and manner required by the department.

(ii) An affidavit signed under penalty of perjury from an officer of the referrer affirming that the referrer made reasonable efforts to comply with the applicable sales and use tax notice and reporting requirements of this section.

(6)(a) A seller, other than a referrer acting in its capacity as a referrer, subject to the notice and reporting requirements of this section must, no later than February 28th of each year, file a report with the department.

(b) The report under this subsection (6) must include, with respect to each consumer to whom the seller is required to provide a report under subsection (4) of this section by February 28th of the current calendar year:

(i) The consumer's name;

(ii) The billing address and, if different, the last known mailing address;

(iii) The shipping address for each product sold or leased to such consumer for delivery to a location in this state during the immediately preceding calendar year; and

(iv) The total dollar amount of all such purchases by such consumer.

(c) The report under this subsection (6) must also include an affidavit signed under penalty of perjury from an officer of the seller affirming that the seller made reasonable efforts to comply with the applicable sales and use tax notice and reporting requirements in this section.

(d) Except for the affidavit, the report under this subsection (6) must be filed electronically in a form and manner required by the department.

(7) A seller who is registered with the department to collect and remit retail sales and use tax, and who makes a reasonable effort to comply with the requirements of RCW 82.08.050 and 82.12.040, is not required to provide notice or file reports under this section.

(8) Every seller subject to this chapter must keep and preserve, for a period of five years, suitable records as may be necessary for the department to verify the seller's compliance with this chapter. All of the seller's books, records, and invoices must be open for examination at any reasonable time by the department. The department may require the attendance of any officer of the seller or any employee of the seller having

knowledge pertinent to the department's investigation of the seller's compliance with this chapter, at a time and place fixed in a subpoena issued under RCW 82.32.117, and may take the person's testimony under oath.

(9) In exercising discretion in enforcing the provisions of this chapter, the department may take into consideration available resources, whether the anticipated benefits from any potential enforcement activities are likely to exceed the department's expected enforcement costs, and any other factors the department deems appropriate.

NEW SECTION. Sec. 206. (1) (a) The department must assess a penalty against any seller, other than a referrer acting in its capacity as a referrer, that fails to provide notice to consumers pursuant to section 205(2) (a) of this act, in addition to any other applicable penalties, in the amount of twenty thousand dollars. The department may assess the penalty under this subsection only once per calendar year, regardless of the number of notices a seller fails to provide pursuant to section 205(2) (a) of this act during the calendar year. The department may apply this penalty at any time during a calendar year and no more frequently than annually.

(b) The department must assess a penalty against any referrer that fails to provide notice to consumers pursuant to section 205(3) of this act, in addition to any other applicable penalties, in the amount of twenty thousand dollars. The department may apply this penalty at any time during a calendar year and no more frequently than annually.

(2) (a) The department must assess a penalty against a seller who fails to provide a report as required by section 205 (4) or (5) of this act, in addition to any other applicable penalties, as follows:

(i) Five thousand dollars if the gross receipts of the seller and through the seller's marketplace from retail sales sourced to this state under RCW 82.32.730 are less than fifty thousand dollars for the calendar year for which the report was required to be made;

(ii) Ten thousand dollars if the gross receipts of the seller and through the seller's marketplace from retail sales sourced to this state under RCW 82.32.730 are at least fifty thousand dollars but less than one hundred fifty thousand dollars;

(iii) Fifty thousand dollars if the gross receipts of the seller and through the seller's marketplace from retail sales sourced to this state under RCW 82.32.730 are at least one hundred fifty thousand dollars but less than three hundred thousand dollars; or

(iv) If the gross receipts of the seller and through the seller's marketplace from retail sales sourced to this state under RCW 82.32.730 are three hundred thousand dollars or greater, one hundred thousand dollars plus twenty thousand dollars for every fifty thousand dollars in gross receipts over three hundred thousand dollars.

(b) The department must assess a penalty against a referrer who fails to provide the notice and list required by section 205(5) of this act, in addition to any other applicable penalties. The department may assess the penalty under this subsection only once per calendar year, regardless of the number of failures to comply with section 205(5) of this act during the calendar year. The amount of the penalties assessed are as follows:

(i) Fifty thousand dollars if the gross income of the referrer is at least two hundred sixty-seven thousand dollars but less than three hundred thousand dollars of the gross income of the business received from the referrer's referral services apportioned to Washington under RCW 82.04.460, whether or not subject to tax under chapter 82.04 RCW, for the calendar year for which the notice and list was required to be made; or

(ii) If the gross income of the referrer is three hundred thousand dollars or greater, one hundred thousand dollars plus twenty thousand dollars for every fifty thousand dollars in gross income over three hundred thousand dollars of the gross income of the business received from the referrer's referral services apportioned to Washington under RCW 82.04.460, whether or not subject to tax under chapter 82.04 RCW, for the calendar year for which the notice and list was required to be made.

(3) The department must assess a penalty against any seller, other than a referrer acting in its capacity as a referrer, who fails to provide a report to the department as required by section 205(6) of this act, in addition to any other applicable penalties, in the amount of twenty-five dollars multiplied by the number of consumers that should have been

included on such report, but not less than twenty thousand dollars for any calendar year.

(4) The penalties imposed under subsections (1) through (3) of this section are cumulative.

(5) No penalty may be imposed by the department under subsections (1) through (4) of this section more than four years after the close of the calendar year in which the notice or report giving rise to the penalty was required to have been provided. This subsection (5) does not apply to penalties reassessed under subsection (9) of this section.

(6) When assessing a penalty under this section, the department may use any reasonable estimation technique where necessary or appropriate to determine the amount of any penalty.

(7) Interest accrues on the amount of the total penalty that has been assessed under this section until the total penalty amount is paid in full. Interest imposed under this section must be computed and assessed as provided in RCW 82.32.050 as if the penalty imposed under this subsection was a tax liability.

(8) The department must notify a seller by mail, or electronically as provided in RCW 82.32.135, of the amount of any penalty and interest due under this section. Amounts due under this section must be paid in full within thirty days from the date of the notice, or within such further time as the department may provide in its sole discretion.

(9)(a)(i) A seller is entitled to a conditional waiver of penalties and interest imposed under this section if the seller enters into a written agreement with the department electing to collect retail sales or use tax or fully comply with all applicable notice and reporting requirements of this chapter, beginning by a date acceptable to the department. An election to collect retail sales or use tax must be for a period of at least twelve consecutive months and is subject to the provisions of section 202(1)(d) of this act.

(ii) The department may grant a waiver of penalties and interest under this subsection (9)(a) for penalties and interest assessed for a seller's failure to comply with the notice and reporting requirements for one or more violations.

(iii) The department may not grant more than one request by a seller for a waiver of penalties and interest under this subsection (9)(a).

(iv) The department must reassess penalties and interest conditionally waived under this subsection (9)(a) if the department finds that, after the date that the seller agreed to fully comply with the applicable notice and reporting requirements of this chapter, the seller failed to:

(A) Provide notice under section 205(2)(a)(ii) of this act to at least ninety percent of the consumers entitled to such notice in any given calendar year or portion of the initial calendar year in which the agreement required under this subsection was in effect if the agreement was in effect for less than the entire calendar year;

(B) Timely provide the reports required under section 205(4) of this act to all consumers who received notice from the seller under section 205(2)(a)(ii) of this act during any calendar year, unless the department finds that any such failure was due to circumstances beyond the seller's control;

(C) Timely provide the reports required under section 205(6) of this act during any calendar year, unless the department finds that any such failure was due to circumstances beyond the seller's control; or

(D) With respect to referrers, timely provide the notice required under section 205(3) of this act and the notice and list required under section 205(5) of this act during any calendar year, unless the department finds that any such failure was due to circumstances beyond the referrer's control.

(v) The department must reassess penalties and interest conditionally waived under this subsection (9)(a) if the department finds that, after the date that the seller elected to collect retail sales or use tax, the seller failed to register with the department and make a reasonable effort to comply with the requirements of RCW 82.08.050 and 82.12.040.

(vi) The department may not reassess penalties and interest conditionally waived under this subsection (9)(a) more than four calendar years following the calendar year in which the department granted the conditional waiver under this subsection (9)(a).

(vii) The provisions of subsection (8) of this section apply to penalties and interest reassessed under this subsection (9) (a). The department may add additional interest on penalties reassessed under this subsection (9) (a) only if the total amount of penalties reassessed under this subsection (9) (a) is not paid in full by the date due.

(b) The department must waive penalties and interest imposed under this section if the department determines that the failure of the seller to fully comply with the notice or reporting requirements was due to circumstances beyond the seller's control.

(c) The department may waive penalties imposed under this section if the department determines that the failure of the seller to fully comply with the notice or reporting requirements was due to reasonable cause and not willful neglect. In determining whether reasonable cause exists, the department will consider, among other relevant factors, whether: (i) The failure was due to willful or reckless disregard of the seller's notice or reporting obligations; (ii) the seller made subsequent efforts to avoid future noncompliance; and (iii) the magnitude of the noncompliance was significant in terms of dollars and time when accounting for the seller's size and volume of transactions. On appeal, a court or the board of tax appeals must give great deference to the department's penalty waiver decision under this subsection (9) (c) and affirm the department's decision, unless the taxpayer can show by clear, cogent, and convincing evidence that the department's decision lacked any reasonable basis.

(d) A request for a waiver of penalties and interest under this subsection must be received by the department in writing and before the penalties and interest for which a waiver is requested are due pursuant to subsection (8) of this section. The department must deny any request for a waiver of penalties and interest that does not fully comply with the provisions of this subsection (9) (d).

NEW SECTION. Sec. 207. Chapter 82.32 RCW applies to the administration of this chapter.

NEW SECTION. Sec. 208. Nothing in this chapter relieves sellers or consumers who are subject to chapter 82.08 or 82.12 RCW from any responsibilities imposed under those chapters. Nor does anything in this

chapter prevent the department from administering and enforcing the taxes imposed under chapter 82.08 or 82.12 RCW with respect to any seller or consumer who is subject to such taxes.

NEW SECTION. Sec. 209. A new section is added to chapter 82.32 RCW to be codified between RCW 82.32.045 and 82.32.050 to read as follows:

(1) Except as otherwise provided in this section, taxes imposed under chapter 82.08 or 82.12 RCW and payable by a consumer directly to the department are due, on returns prescribed by the department, by the earlier of April 1st of the calendar year immediately following the calendar year in which the sale or use occurred or within thirty days of the date of a notice from the department that tax may be due.

(2) This section does not apply to the reporting and payment of taxes imposed under chapters 82.08 and 82.12 RCW:

(a) On the retail sale or use of motor vehicles, vessels, or aircraft; or

(b) By consumers who are engaged in business, unless the department has relieved the consumer of the requirement to file returns pursuant to RCW 82.32.045(4).

NEW SECTION. Sec. 210. A new section is added to chapter 82.32 RCW to read as follows:

(1) A remote seller, referrer, or marketplace facilitator that is subject to section 202 of this act and is complying with the requirements of chapters 82.08 and 82.12 RCW may only seek a recovery of retail sales and use taxes, penalties, or interest from the department by following the recovery procedures established under RCW 82.32.060. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of chapters 82.08 and 82.12 RCW voluntarily.

(2) Neither the state nor any seller who elects under section 202 of this act to collect and remit retail sales or use tax is liable to a purchaser who claims that the retail sales or use tax has been over-collected because a provision of chapter . . . , Laws of 2017 3rd sp. sess. (this act) is later deemed unlawful.

(3) Nothing in chapter . . . , Laws of 2017 3rd sp. sess. (this act) affects the obligation of any purchaser from this

state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

Sec. 211. RCW 82.08.050 and 2010 c 112 s 8 are each amended to read as follows:

(1) The tax imposed in this chapter must be paid by the buyer to the seller. Each seller must collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the department under the provisions of RCW 82.08.060.

(2) The tax required by this chapter, to be collected by the seller, is deemed to be held in trust by the seller until paid to the department. Any seller who appropriates or converts the tax collected to the seller's own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter is guilty of a gross misdemeanor.

(3) Except as otherwise provided in this section, if any seller fails to collect the tax imposed in this chapter or, having collected the tax, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of the seller's own acts or the result of acts or conditions beyond the seller's control, the seller is, nevertheless, personally liable to the state for the amount of the tax.

(4) Sellers are not relieved from personal liability for the amount of the tax unless they maintain proper records of exempt or nontaxable transactions and provide them to the department when requested.

(5) Sellers are not relieved from personal liability for the amount of tax if they fraudulently fail to collect the tax or if they solicit purchasers to participate in an unlawful claim of exemption.

(6) Sellers are not relieved from personal liability for the amount of tax if they accept an exemption certificate from a purchaser claiming an entity-based exemption if:

(a) The subject of the transaction sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the seller in Washington; and

(b) Washington provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in Washington. Graying out exemption reason types on a uniform form and posting it on the department's web site is a clear and affirmative indication that the grayed out exemptions are not available.

(7)(a) Sellers are relieved from personal liability for the amount of tax if they obtain a fully completed exemption certificate or capture the relevant data elements required under the streamlined sales and use tax agreement within ninety days, or a longer period as may be provided by rule by the department, subsequent to the date of sale.

(b) If the seller has not obtained an exemption certificate or all relevant data elements required under the streamlined sales and use tax agreement within the period allowed subsequent to the date of sale, the seller may, within one hundred twenty days, or a longer period as may be provided by rule by the department, subsequent to a request for substantiation by the department, either prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith.

(c) Sellers are relieved from personal liability for the amount of tax if they obtain a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. The department may not request from a seller renewal of blanket exemption certificates or updates of exemption certificate information or data elements if there is a recurring business relationship between the buyer and seller. For purposes of this subsection (7)(c), a "recurring business relationship" means at least one sale transaction within a period of twelve consecutive months.

(d) Sellers are relieved from personal liability for the amount of tax if they obtain a copy of a direct pay permit issued under RCW 82.32.087.

(8) The amount of tax, until paid by the buyer to the seller or to the department, constitutes a debt from the buyer to the seller. Any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due

under this chapter is guilty of a misdemeanor.

(9) Except as otherwise provided in this subsection, the tax required by this chapter to be collected by the seller must be stated separately from the selling price in any sales invoice or other instrument of sale. On all retail sales through vending machines, the tax need not be stated separately from the selling price or collected separately from the buyer. Except as otherwise provided in this subsection, for purposes of determining the tax due from the buyer to the seller and from the seller to the department it must be conclusively presumed that the selling price quoted in any price list, sales document, contract or other agreement between the parties does not include the tax imposed by this chapter. But if the seller advertises the price as including the tax or that the seller is paying the tax, the advertised price may not be considered the selling price.

(10) Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the buyer for collection of the tax. If the department proceeds directly against the buyer for collection of the tax as authorized in this subsection, the department may add a penalty of ten percent of the unpaid tax to the amount of the tax due for failure of the buyer to pay the tax to the seller, regardless of when the tax may be collected by the department. In addition to the penalty authorized in this subsection, all of the provisions of chapter 82.32 RCW, including those relative to interest and penalties, apply. For the sole purpose of applying the various provisions of chapter 82.32 RCW, the twenty-fifth day of the month following the tax period in which the purchase was made will be considered as the due date of the tax.

~~(11) ((Notwithstanding subsections (1) through (10) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if:~~

~~(a) The person's activities in this state, whether conducted directly or through another person, are limited to:~~

~~(i) The storage, dissemination, or display of advertising;~~

~~(ii) The taking of orders; or~~

~~(iii) The processing of payments; and~~

~~(b) The activities are conducted electronically via a web site on a server or other computer equipment located in Washington that is not owned or operated by the person making sales into this state nor owned or operated by an affiliated person. "Affiliated persons" has the same meaning as provided in RCW 82.04.424.~~

~~(12) Subsection (11) of this section expires when: (a) The United States congress grants individual states the authority to impose sales and use tax collection duties on remote sellers; or (b) it is determined by a court of competent jurisdiction, in a judgment not subject to review, that a state can impose sales and use tax collection duties on remote sellers.~~

~~(13) For purposes of this section:))~~
The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Exemption certificate" means documentation furnished by a buyer to a seller to claim an exemption from sales tax. An exemption certificate includes a reseller permit or other documentation authorized in RCW 82.04.470 furnished by a buyer to a seller to substantiate a wholesale sale ~~((; and))~~.

(b) "Seller" includes a certified service provider, as defined in RCW 82.32.020, acting as agent for the seller.

Sec. 212. RCW 82.12.040 and 2015 c 169 s 9 are each amended to read as follows:

(1) Every person who ~~((maintains in this state a place of business or a stock of goods, or engages in business activities within this state))~~ is subject to a collection obligation under chapter 82.08 RCW, except a person making a valid election to comply with the notice and reporting provisions of section 205 of this act, must obtain from the department a certificate of registration, and must, at the time of making sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW 82.04.050 (2) (a) or (g) or (6) ~~((4))~~ (c), or making transfers of either possession or title, or both, of tangible personal property for use in this state, collect from the purchasers or transferees the tax imposed under this chapter. The tax to be collected under this section must be in an amount equal to the purchase

price multiplied by the rate in effect for the retail sales tax under RCW 82.08.020. ~~((For the purposes of this chapter, the phrase "maintains in this state a place of business" includes the solicitation of sales and/or taking of orders by sales agents or traveling representatives. For the purposes of this chapter, "engages in business activity within this state" includes every activity which is sufficient under the Constitution of the United States for this state to require collection of tax under this chapter. The department must in rules specify activities which constitute engaging in business activity within this state, and must keep the rules current with future court interpretations of the Constitution of the United States.))~~

(2) Every person who engages in this state in the business of acting as an independent selling agent for persons who do not hold a valid certificate of registration, and who receives compensation by reason of sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW 82.04.050 (2) (a) or (g) or (6) ~~((b))~~ (c), of his or her principals for use in this state, must, at the time such sales are made, collect from the purchasers the tax imposed on the purchase price under this chapter, and for that purpose is deemed a retailer as defined in this chapter.

(3) The tax required to be collected by this chapter is deemed to be held in trust by the retailer until paid to the department, and any retailer who appropriates or converts the tax collected to the retailer's own use or to any use other than the payment of the tax provided herein to the extent that the money required to be collected is not available for payment on the due date as prescribed is guilty of a misdemeanor. In case any seller fails to collect the tax herein imposed or having collected the tax, fails to pay the same to the department in the manner prescribed, whether such failure is the result of the seller's own acts or the result of acts or conditions beyond the seller's control, the seller is nevertheless personally liable to the state for the amount of such tax, unless the seller has taken from the buyer a copy of a direct pay permit issued under RCW 82.32.087.

(4) Any retailer who refunds, remits, or rebates to a purchaser, or transferee, either directly or indirectly, and by whatever means, all or any part of the tax levied by this chapter is guilty of a misdemeanor.

~~(5) ((Notwithstanding subsections (1) through (4) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if:~~

~~(a) The person's activities in this state, whether conducted directly or through another person, are limited to:~~

~~(i) The storage, dissemination, or display of advertising;~~

~~(ii) The taking of orders; or~~

~~(iii) The processing of payments; and~~

~~(b) The activities are conducted electronically via a web site on a server or other computer equipment located in Washington that is not owned or operated by the person making sales into this state nor owned or operated by an affiliated person. ~~(6) Subsection (5) of this section expires when: (a) The United States congress grants individual states the authority to impose sales and use tax collection duties on remote sellers; or (b) it is determined by a court of competent jurisdiction, in a judgment not subject to review, that a state can impose sales and use tax collection duties on remote sellers.~~

~~(7))~~ Notwithstanding subsections (1) through (4) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if the person would have been obligated to collect retail sales tax on the sale absent a specific exemption provided in chapter 82.08 RCW, and there is no corresponding use tax exemption in this chapter. Nothing in this subsection ~~((7))~~ (5) may be construed as relieving purchasers from liability for reporting and remitting the tax due under this chapter directly to the department.

~~((8))~~ (6) Notwithstanding subsections (1) through (4) of this section, any person making sales is not obligated to collect the tax imposed by this chapter if the state is prohibited under the Constitution or laws of the United States from requiring the person to collect the tax imposed by this chapter.

~~((+9))~~ (7) Notwithstanding subsections (1) through (4) of this section, any licensed dealer facilitating a firearm sale or transfer between two unlicensed persons by conducting background checks under chapter 9.41 RCW is not obligated to collect the tax imposed by this chapter.

Sec. 213. RCW 82.12.040 and 2017 c 323 s 525 are each amended to read as follows:

(1) Every person who ~~((maintains in this state a place of business or a stock of goods, or engages in business activities within this state))~~ is subject to a collection obligation under chapter 82.08 RCW, except a person making a valid election to comply with the notice and reporting provisions of section 205 of this act, must obtain from the department a certificate of registration, and must, at the time of making sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW 82.04.050 (2) (a) or (g) or (6) (c), or making transfers of either possession or title, or both, of tangible personal property for use in this state, collect from the purchasers or transferees the tax imposed under this chapter. (2) Every person who engages in this state in the business of acting as an independent selling agent for persons who do not hold a valid certificate of registration, and who receives compensation by reason of sales of tangible personal property, digital goods, digital codes, digital automated services, extended warranties, or sales of any service defined as a retail sale in RCW

82.04.050 (2) (a) or (g) or (6) (c), of his or her principals for use in this state, must, at the time such sales are made, collect from the purchasers the tax imposed on the purchase price under this chapter, and for that purpose is deemed a retailer as defined in this chapter.

(3) The tax required to be collected by this chapter is deemed to be held in trust by the retailer until paid to the department, and any retailer who appropriates or converts the tax collected to the retailer's own use or to any use other than the payment of the tax provided herein to the extent that the money required to be collected is not available for payment on the due date as prescribed is guilty of a misdemeanor. NEW SECTION. Sec. 214. A new section is added to chapter 82.32 RCW to read as follows:

(1) If the department determines that a change, taking effect after the effective date of this section, in the streamlined sales and use tax agreement or federal law creates a conflict with any provision of section 202 or 203 of this act, such conflicting provision or provisions of section 202 or 203 of this act, including any related provisions that would not function as originally intended, have no further force and effect as of the date the change in the streamlined sales and use tax agreement or federal law becomes effective.

(2) For purposes of this section:

(a) A change in federal law conflicts with section 202 or 203 of this act if the change clearly allows states to impose greater sales and use tax collection obligations on remote sellers, referrers,

or marketplace facilitators than provided for, or clearly prevents states from imposing sales and use tax collection obligations on remote sellers, referrers, or marketplace facilitators to the extent provided for, under section 202 or 203 of this act.

(b) A change in the streamlined sales and use tax agreement conflicts with section 202 or 203 of this act if one or more provisions of section 202 or 203 of this act causes this state to be found out of compliance with the streamlined sales and use tax agreement by its governing board.

(3) If the department makes a determination under this section that a change in federal law or the streamlined sales and use tax agreement conflicts with one or more provisions of section 202 or 203 of this act, the department:

(a) May adopt rules in accordance with chapter 34.05 RCW that are consistent with the streamlined sales and use tax agreement and that impose sales and use tax collection obligations on remote sellers, referrers, or marketplace facilitators to the fullest extent allowed under state and federal law; and

(b) Must include information on its web site informing taxpayers and the public (i) of the provision or provisions of section 202 or 203 of this act that will have no further force and effect, (ii) when such change will become effective, and (iii) about how to participate in any rule making conducted by the department in accordance with (a) of this subsection (3).

(4) For purposes of this section, "remote seller," "referrer," and "marketplace facilitator" have the same meaning as provided in section 204 of this act.

Part III

Nexus for Excise Tax Purposes

Sec. 301. RCW 82.04.066 and 2015 3rd sp.s. c 5 s 203 are each amended to read as follows:

"Engaging within this state" and "engaging within the state," when used in connection with any apportionable activity as defined in RCW 82.04.460 or ~~((wholesale sales))~~ selling activity taxable under RCW 82.04.250(1), 82.04.257(1), or 82.04.270, means that a person generates gross income of the business from sources within this state, such as customers or intangible

property located in this state, regardless of whether the person is physically present in this state.

Sec. 302. RCW 82.04.067 and 2016 c 137 s 2 are each amended to read as follows:

(1) A person engaging in business is deemed to have substantial nexus with this state if, in the current or immediately preceding calendar year, the person is:

(a) An individual and is a resident or domiciliary of this state;

(b) A business entity and is organized or commercially domiciled in this state; or

(c) A nonresident individual or a business entity that is organized or commercially domiciled outside this state, and ~~((in the immediately preceding tax year))~~ the person had:

(i) More than fifty-three thousand dollars of property in this state;

(ii) More than fifty-three thousand dollars of payroll in this state;

(iii) More than two hundred ~~((fifty))~~ sixty-seven thousand dollars of receipts from this state; or

(iv) At least twenty-five percent of the person's total property, total payroll, or total receipts in this state.

(2)(a) Property counting toward the thresholds in subsection (1)(c)(i) and (iv) of this section is the average value of the taxpayer's property, including intangible property, owned or rented and used in this state during the current or immediately preceding ~~((tax))~~ calendar year.

(b)(i) Property owned by the taxpayer, other than loans and credit card receivables owned by the taxpayer, is valued at its original cost basis. Loans and credit card receivables owned by the taxpayer are valued at their outstanding principal balance, without regard to any reserve for bad debts. However, if a loan or credit card receivable is charged off in whole or in part for federal income tax purposes, the portion of the loan or credit card receivable charged off is deducted from the outstanding principal balance.

(ii) Property rented by the taxpayer is valued at eight times the net annual rental rate. For purposes of this subsection, "net annual rental rate" means the annual rental rate paid by the

taxpayer less any annual rental rate received by the taxpayer from subrentals.

(c) The average value of property must be determined by averaging the values at the beginning and ending of the ~~((tax))~~ applicable calendar year; but the department may require the averaging of monthly values during the ~~((tax))~~ applicable calendar year if reasonably required to properly reflect the average value of the taxpayer's property.

(d)(i) For purposes of this subsection (2), loans and credit card receivables are deemed owned and used in this state as follows:

(A) Loans secured by real property, personal property, or both real and personal property are deemed owned and used in the state if the real property or personal property securing the loan is located within this state. If the property securing the loan is located both within this state and one or more other states, the loan is deemed owned and used in this state if more than fifty percent of the fair market value of the real or personal property is located within this state. If more than fifty percent of the fair market value of the real or personal property is not located within any one state, then the loan is deemed owned and used in this state if the borrower is located in this state. The determination of whether the real or personal property securing a loan is located within this state must be made, as of the time the original agreement was made, and any and all subsequent substitutions of collateral must be disregarded.

(B) Loans not secured by real or personal property are deemed owned and used in this state if the borrower is located in this state.

(C) Credit card receivables are deemed owned and used in this state if the billing address of the cardholder is in this state.

(ii)(A) Except as otherwise provided in (d)(ii)(B) of this subsection (2), the definitions in the multistate tax commission's recommended formula for the apportionment and allocation of net income of financial institutions as existing on June 1, 2010, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section, apply to this section.

(B) "Credit card" means a card or device existing for the purpose of obtaining

money, property, labor, or services on credit.

(e) Notwithstanding anything else to the contrary in this subsection, property counting toward the thresholds in subsection (1)(c)(i) and (iv) of this section does not include a person's ownership of, or rights in, computer software as defined in RCW 82.04.215, including computer software used in providing a digital automated service; master copies of software; and digital goods and digital codes residing on servers located in this state.

(3)(a) Payroll counting toward the thresholds in subsection (1)(c)(ii) and (iv) of this section is the total amount paid by the taxpayer for compensation in this state during the current or immediately preceding (~~(tax)~~) calendar year plus nonemployee compensation paid to representative third parties in this state. Nonemployee compensation paid to representative third parties includes the gross amount paid to nonemployees who represent the taxpayer in interactions with the taxpayer's clients and includes sales commissions.

(b) Employee compensation is paid in this state if the compensation is properly reportable to this state for unemployment compensation tax purposes, regardless of whether the compensation was actually reported to this state.

(c) Nonemployee compensation is paid in this state if the service performed by the representative third party occurs entirely or primarily within this state.

(d) For purposes of this subsection, "compensation" means wages, salaries, commissions, and any other form of remuneration paid to employees or nonemployees and defined as gross income under 26 U.S.C. Sec. 61 of the federal internal revenue code of 1986, as existing on June 1, 2010.

(4) Receipts counting toward the thresholds in subsection (1)(c)(iii) and (iv) of this section are:

(a) Those amounts included in the numerator of the receipts factor under RCW 82.04.462;

(b) For financial institutions, those amounts included in the numerator of the receipts factor under the rule adopted by the department as authorized in RCW 82.04.460(2); and

(c) For persons taxable under RCW 82.04.250(1), 82.04.257(1), or 82.04.270 (~~(with respect to wholesale sales)~~), the gross proceeds of sales taxable under those statutory provisions and sourced to this state in accordance with RCW 82.32.730.

(5)(a) Each December, the department must review the cumulative percentage change in the consumer price index. The department must adjust the thresholds in subsection (1)(c)(i) through (iii) of this section if the consumer price index has changed by five percent or more since the later of June 1, 2010, or the date that the thresholds were last adjusted under this subsection. For purposes of determining the cumulative percentage change in the consumer price index, the department must compare the consumer price index available as of December 1st of the current year with the consumer price index as of the later of June 1, 2010, or the date that the thresholds were last adjusted under this subsection. The thresholds must be adjusted to reflect that cumulative percentage change in the consumer price index. The adjusted thresholds must be rounded to the nearest one thousand dollars. Any adjustment will apply to tax periods that begin after the adjustment is made.

(b) As used in this subsection, "consumer price index" means the consumer price index for all urban consumers (CPI-U) available from the bureau of labor statistics of the United States department of labor.

(6)(a)(i) Except as provided in (a)(iii) of this subsection (6), subsections (1) through (5) of this section only apply with respect to the taxes on persons engaged in apportionable activities as defined in RCW 82.04.460 or making wholesale sales taxable under RCW 82.04.257(1) or 82.04.270.

(ii) Subject to the limitation in RCW 82.32.531, for purposes of the taxes imposed under this chapter on ((any)) the business of making sales at retail or any other activity not included in the definition of apportionable activities in RCW 82.04.460, other than the business of making wholesale sales taxed under RCW 82.04.257(1) or 82.04.270, ((except as provided in RCW 82.32.531,)) a person is deemed to have a substantial nexus with this state if the person has a physical presence in this state during the ((tax)) current or immediately preceding calendar

year, which need only be demonstrably more than a slightest presence.

(iii) For purposes of the taxes imposed under this chapter on the business of making sales at retail taxable under RCW 82.04.250(1) or 82.04.257(1), a person is also deemed to have a substantial nexus with this state if the person's receipts from this state, pursuant to subsection (4)(c) of this section, meet either criterion in subsection (1)(c)(iii) or (iv) of this section, as adjusted under subsection (5) of this section.

(b) For purposes of this subsection, a person is physically present in this state if the person has property or employees in this state.

(c)(i) A person is also physically present in this state for the purposes of this subsection if the person, either directly or through an agent or other representative, engages in activities in this state that are significantly associated with the person's ability to establish or maintain a market for its products in this state.

(ii) A remote seller as defined in RCW 82.08.052 is presumed to be engaged in activities in this state that are significantly associated with the remote seller's ability to establish or maintain a market for its products in this state if the remote seller is presumed to have a substantial nexus with this state under RCW 82.08.052. The presumption in this subsection (6)(c)(ii) may be rebutted as provided in RCW 82.08.052. To the extent that the presumption in RCW 82.08.052 is no longer operative pursuant to RCW 82.32.762, the presumption in this subsection (6)(c)(ii) is no longer operative. ~~((Nothing in this section may be construed to affect in any way RCW 82.04.424, 82.08.050(11), or 82.12.040(5) or to narrow the scope of the terms "agent" or "other representative" in this subsection (6)(c).))~~

Sec. 303. RCW 82.04.220 and 2011 1st sp.s. c 20 s 101 are each amended to read as follows:

(1) There is levied and collected from every person that has a substantial nexus with this state, as provided in RCW 82.04.067, a tax for the act or privilege of engaging in business activities. The tax is measured by the application of rates against value of products, gross proceeds of sales, or gross income of the business, as the case may be.

(2)(a) A person who has a substantial nexus with this state in ((any tax year under the provisions of RCW 82.04.067 will be deemed to have a substantial nexus with this state for the following tax year)) the current calendar year under the provisions of RCW 82.04.067, based solely on the person's property, payroll, or receipts in this state during the current calendar year, is subject to the tax imposed under this chapter for the current calendar year only on business activity occurring on and after the date that the person established a substantial nexus with this state in the current calendar year.

(b) This subsection (2) does not apply to any person who also had a substantial nexus with this state during:

(i) The immediately preceding calendar year under RCW 82.04.067; or

(ii) The current calendar year under RCW 82.04.067 (1)(a) or (b) or (6)(a)(ii) or (c).

NEW SECTION. Sec. 304. RCW 82.04.424 (Exemptions—Certain in-state activities) and 2015 3rd sp.s. c 5 s 206 & 2003 c 76 s 2 are each repealed.

Part IV

Eliminate Streamlined Sales Tax Mitigation to Local Governments

Sec. 401. RCW 82.14.495 and 2010 1st sp.s. c 37 s 952 are each amended to read as follows:

(1) The streamlined sales and use tax mitigation account is created in the state treasury. Through July 1, 2019, the state treasurer ((shall)) must transfer into the account from the general fund amounts as directed in RCW 82.14.500. Expenditures from the account may be used only for the purpose of mitigating the negative fiscal impacts to local taxing jurisdictions as a result of RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW 82.14.020. ((During the 2009-2011 fiscal biennium, the legislature may transfer from the streamlined sales and use tax mitigation account to the state general fund such amounts as reflect the excess fund balance of the account.))

(2) Beginning July 1, 2008, through September 30, 2019, the state treasurer, as directed by the department, ((shall)) must distribute the funds in the streamlined sales and use tax mitigation account to local taxing jurisdictions in accordance with RCW 82.14.500.

(3) The definitions in this subsection apply throughout this section and RCW 82.14.390 and 82.14.500 unless the context clearly requires otherwise.

(a) "Agreement" means the same as in RCW 82.32.020.

(b) "Local taxing jurisdiction" means through June 30, 2017, counties, cities, transportation authorities under RCW 82.14.045, public facilities districts under chapters 36.100 and 35.57 RCW, public transportation benefit areas under RCW 82.14.440, and regional transit authorities under chapter 81.112 RCW, that impose a sales and use tax. Beginning July 1, 2017, "local taxing jurisdiction" means cities, counties, and public facilities districts under chapters 36.100 and 35.57 RCW.

(c) "Loss" or "losses" means the local sales and use tax revenue reduction to a local taxing jurisdiction resulting from the sourcing provisions in RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW 82.14.020.

(d) "Marketplace facilitator/remote seller revenue" means the local sales and use tax revenue gain, including taxes voluntarily remitted and taxes collected from consumers, to each local taxing jurisdiction from part II of this act as estimated by the department in RCW 82.14.500(6).

(e) "Net loss" or "net losses" means a loss offset by any voluntary compliance revenue and marketplace facilitator/remote seller revenue.

~~((e))~~ (f) "Voluntary compliance revenue" means the local sales tax revenue gain to each local taxing jurisdiction reported to the department from persons registering through the central registration system authorized under the agreement.

~~((f))~~ (g) "Working day" has the same meaning as in RCW 82.45.180.

Sec. 402. RCW 82.14.500 and 2011 1st sp.s. c 50 s 974 are each amended to read as follows:

(1)~~((a))~~ In order to mitigate local sales tax revenue net losses as a result of the sourcing provisions of the streamlined sales and use tax agreement under this title, the state treasurer, on July 1, 2011, and each July 1st thereafter through July 1, 2019, must transfer into the streamlined sales and use tax mitigation account from the general fund

the sum required to mitigate actual net losses as determined under this section.

~~((b) During the 2011-2013 fiscal biennium, the amount that would otherwise be transferred under (a) of this subsection must be reduced by 3.4 percent.)~~

(2) Beginning July 1, 2008, and continuing until the department determines annual losses under subsection (3) of this section, the department must determine the amount of local sales tax net loss each local taxing jurisdiction experiences as a result of the sourcing provisions of the streamlined sales and use tax agreement under this title each calendar quarter. The department must determine losses by analyzing and comparing data from tax return information and tax collections for each local taxing jurisdiction before and after July 1, 2008, on a calendar quarter basis. The department's analysis may be revised and supplemented in consultation with the oversight committee as provided in subsection (4) of this section. To determine net losses, the department must reduce losses by the amount of voluntary compliance revenue for the calendar quarter analyzed. Beginning December 31, 2008, distributions must be made quarterly from the streamlined sales and use tax mitigation account by the state treasurer, as directed by the department, to each local taxing jurisdiction, other than public facilities districts for losses in respect to taxes imposed under the authority of RCW 82.14.390, in an amount representing its net losses for the previous calendar quarter. Distributions must be made on the last working day of each calendar quarter and must cease when distributions under subsection (3) of this section begin.

(3)(a) By December 31, 2009, or such later date the department in consultation with the oversight committee determines that sufficient data is available, the department must determine each local taxing jurisdiction's annual loss. The department must determine annual losses by comparing at least twelve months of data from tax return information and tax collections for each local taxing jurisdiction before and after July 1, 2008. The department is not required to determine annual losses on a recurring basis, but may make any adjustments to annual losses as it deems proper as a result of the annual reviews provided in (b) of this subsection. Beginning the calendar quarter in which the department

determines annual losses, and each calendar quarter thereafter through September 30, 2019, distributions must be made from the streamlined sales and use tax mitigation account by the state treasurer on the last working day of the calendar quarter, as directed by the department, to each local taxing jurisdiction, other than public facilities districts for losses in respect to taxes imposed under the authority of RCW 82.14.390, in an amount representing one-fourth of the jurisdiction's annual loss reduced by voluntary compliance revenue reported during the previous calendar quarter and marketplace facilitator/remote seller revenue reported during the previous calendar quarter.

(b) The department's analysis of annual losses must be reviewed by December 1st of each year and may be revised and supplemented in consultation with the oversight committee as provided in subsection (4) of this section.

(4) The department must convene an oversight committee to assist in the determination of losses. The committee includes one representative of one city whose revenues are increased, one representative of one city whose revenues are reduced, one representative of one county whose revenues are increased, one representative of one county whose revenues are decreased, one representative of one transportation authority under RCW 82.14.045 whose revenues are increased, and one representative of one transportation authority under RCW 82.14.045 whose revenues are reduced, as a result of RCW 82.14.490 and the chapter 6, Laws of 2007 amendments to RCW 82.14.020. Beginning July 1, 2008, the oversight committee must meet quarterly with the department to review and provide additional input and direction on the department's analyses of losses. Local taxing jurisdictions may also present to the oversight committee additional information to improve the department's analyses of the jurisdiction's loss. Beginning January 1, 2010, the oversight committee must meet at least annually with the department by December 1st.

(5) The rule-making provisions of chapter 34.05 RCW do not apply to this section.

(6)(a) As a result of part II of this act, local sales and use tax revenue is anticipated to increase due to additional tax remittance by marketplace

facilitators, remote sellers, and consumers. This additional revenue will further mitigate the losses that resulted from the sourcing provisions of the streamlined sales and use tax agreement under this title and should be reflected in mitigation payments to negatively impacted local jurisdictions.

(b) Beginning January 1, 2018, and continuing through September 30, 2019, the department must determine the increased sales and use tax revenue each local taxing jurisdiction experiences from marketplace facilitator/remote seller revenue as a result of sections 201 through 213 of this act each calendar quarter. The department must convene the mitigation advisory committee before January 1, 2018, to receive input on the determination of marketplace facilitator/remote seller revenue. Beginning with distributions made after March 31, 2018, distributions from the streamlined sales and use tax mitigation account by the state treasurer, as directed by the department, to each local taxing jurisdiction, must be reduced by the amount of its marketplace facilitator/remote seller revenue reported during the previous calendar quarter. No later than December 1, 2019, the department will determine the total marketplace facilitator/remote seller revenue for each local taxing jurisdiction for reporting periods beginning January 1, 2018, through reporting periods ending June 30, 2019. If the total distribution made from the streamlined sales and use tax mitigation account to a local taxing jurisdiction was not fully reduced by its total amount of marketplace facilitator/remote seller revenue for reporting periods beginning January 1, 2018, through reporting periods ending June 30, 2019, the department must reduce the local taxing jurisdiction's distribution of local sales and use tax under RCW 82.14.060 by the excess amount received.

NEW SECTION. Sec. 403. (1) (a) Monthly, the state treasurer must distribute from the local sales and use tax account to the counties, cities, transportation authorities, public facilities districts, and transportation benefit districts the amount of tax collected on behalf of each taxing authority, less:

(i) The deduction provided for in RCW 82.14.050; and

(ii) The amount of any refunds of local sales and use taxes exempted under RCW

82.08.962, 82.12.962, 82.08.02565, 82.12.02565, 82.08.025661, or 82.12.025661, which must be made without appropriation; and

(iii) The deduction required under RCW 82.14.500.

(b) The state treasurer must make the distribution under this section without appropriation.

(2) In the event that any ordinance or resolution imposes a sales and use tax at a rate in excess of the applicable limits contained herein, such ordinance or resolution may not be considered void in toto, but only with respect to that portion of the rate that is in excess of the applicable limits contained herein.

NEW SECTION. Sec. 404. The following acts or parts of acts, as now existing or hereafter amended, are each repealed, effective October 1, 2019:

(1) RCW 82.14.495 (Streamlined sales and use tax mitigation account—Creation) and 2017 3rd sp.s. c . . . s 401 (section 401 of this act), 2010 1st sp.s. c 37 s 952, 2009 c 4 s 907, & 2007 c 6 s 902;

(2) RCW 82.14.500 (Streamlined sales and use tax mitigation account—Funding—Determination of losses) and 2017 3rd sp.s. c . . . s 402 (section 402 of this act), 2011 1st sp.s. c 50 s 974, & 2007 c 6 s 903; and

(3) 2017 3rd sp.s. c . . . s 403 (uncodified) (section 403 of this act).

Part V

Miscellaneous Provisions

NEW SECTION. Sec. 501. Sections 204 through 208 of this act constitute a new chapter in Title 82 RCW.

NEW SECTION. Sec. 502. This act does not affect any existing right acquired or liability or obligation incurred under the sections amended or repealed or under any rule or order adopted under those sections, nor does it affect any proceeding instituted under those sections.

NEW SECTION. Sec. 503. (1) If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(2) If the department of revenue is prevented from enforcing chapter 82.08 or

82.12 RCW against persons without a physical presence in this state because any provision of this act or its application to any person or circumstance is held invalid, the department of revenue must impose such provisions to the fullest extent allowed under the Constitution and laws of the United States.

NEW SECTION. Sec. 504. The tax collection, reporting, and payment obligations imposed by this act apply prospectively only.

NEW SECTION. Sec. 505. (1) Except as otherwise provided in this section, this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

(2) Part I of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect August 1, 2017.

(3) Section 213 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 23, 2017.

(4) Part III of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2017.

NEW SECTION. Sec. 506. Section 212 of this act expires July 23, 2017."

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2163 with the following amendment:

On page 8, line 17, after "rate of" strike "3.852 percent" and insert ":

(a) 0.963 percent from January 1, 2018, through December 31, 2018;

(b) 1.926 percent from January 1, 2019, through December 31, 2019;

(c) 2.889 percent from January 1, 2020, through December 31, 2020; and

(d) 3.852 percent from January 1, 2021, and thereafter"

On page 46, after line 33, insert the following:

"Part V

**Public Utility Privilege Tax
Distributions**

Sec. 501. RCW 54.28.055 and 1986 c 189 s 1 are each amended to read as follows:

(1) After computing the tax imposed by RCW 54.28.025(1), the department of revenue (~~shall~~) must instruct the state treasurer to distribute the amount collected on the first business day of July as follows:

(a) Fifty percent to the state general fund for the support of schools; and

(b) Twenty-two percent to the counties, twenty-three percent to the cities, three percent to the fire protection districts, and two percent to the library districts.

(2) Each county, city, fire protection district and library district (~~shall~~) must receive a percentage of the amount for distribution to counties, cities, fire protection districts and library districts, respectively, in the proportion

that the population of such district residing within the impacted area bears to the total population of all such districts residing within the impacted area. For the purposes of this chapter, the term "library district" includes only regional libraries ((as defined in RCW 27.12.010(4))), rural county library districts ((as defined in RCW 27.12.010(5))), intercounty rural library districts ((as defined in RCW 27.12.010(6))), and island library districts ((as defined in RCW 27.12.010(7))). The population of a library district, for purposes of such a distribution, ((shall)) does not include any population within the library district and the impact area that also is located within a city or town.

(3) If any distribution pursuant to subsection (1)(b) of this section cannot be made, then that share ((shall)) must be prorated among the state and remaining local districts.

(4) All distributions directed by this section to be made on the basis of population ((shall)) must be calculated in accordance with data to be provided by the office of financial management.

Sec. 502. RCW 54.28.055 and 2017 c 323 s 105 are each amended to read as follows:

(1) Except as provided in subsection (3) of this section, the department of revenue must instruct the state treasurer to distribute the amount collected under RCW 54.28.025(1) on the first business day of July as follows:

(a) Fifty percent to the state general fund for the support of schools; and

(b) Twenty-two percent to the counties, twenty-three percent to the cities, three percent to the fire protection districts, and two percent to the library districts.

(2) Each county, city, fire protection district, and library district must receive a percentage of the amount for distribution to counties, cities, fire protection districts, and library districts, respectively, in the proportion that the population of such district residing within the impacted area bears to the total population of all such districts residing within the impacted area. For the purposes of this chapter, the term "library district" includes only regional libraries, rural county library districts, intercounty rural library districts, and island library districts as those terms are defined in RCW 27.12.010. The

population of a library district, for purposes of such a distribution, does not include any population within the library district and the impact area that also is located within a city or town.

(3) Distributions under this section must be adjusted as follows:

(a) If any distribution pursuant to subsection (1)(b) of this section cannot be made, then that share must be prorated among the state and remaining local districts.

(b) The department of revenue must instruct the state treasurer to adjust distributions under this section, in whole or in part, to account for each county's, city's, fire protection district's, and library district's proportionate share of amounts previously distributed under this section and subsequently refunded to a public utility district under RCW 82.32.060.

(4) All distributions directed by this section to be made on the basis of population must be calculated in accordance with population data as last determined by the office of financial management."

Re-number the remaining part and sections consecutively and correct any internal references accordingly.

On page 47, after line 35, insert the following:

"(5) Section 502 of this act takes effect January 1, 2018."

On page 48, after line 2, insert the following:

"NEW SECTION. Sec. 507. Section 501 of this act expires January 1, 2018."

On page 1, line 3 of the title, after "82.14.495," strike "and 82.14.500" and insert "82.14.500, 54.28.055, and 54.28.055"

On page 1, line 8 of the title, after "dates; providing" strike "an expiration date" and insert "expiration dates"

17-19 FISCAL IMPACT: \$1,401,000 GF-S revenue increase.

and the same is herewith transmitted.

ENGROSSED SUBSTITUTE SENATE BILL NO. 5965, having received the necessary constitutional majority, was declared passed.

There being no objection, ENGROSSED SUBSTITUTE SENATE BILL NO. 5965 was immediately transmitted to the Senate.

HOUSE BILL NO. 1075, by Representative Tharinger

Concerning the capital budget.

The bill was read the second time.

There being no objection, Substitute House Bill No. 1075 was substituted for House Bill No. 1075 and the substitute bill was placed on the second reading calendar.

SUBSTITUTE HOUSE BILL NO. 1075 was read the second time.

With the consent of the House, amendment (647) was withdrawn.

Representative Tharinger moved the adoption of amendment (650):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) A capital budget is hereby adopted and, subject to the provisions set forth in this act, the

several dollar amounts hereinafter specified, or so much thereof as shall be sufficient to accomplish the purposes designated, are hereby appropriated and authorized to be incurred for capital projects during the period beginning with the effective date of this act and ending June 30, 2019, out of the several funds specified in this act.

(2) The definitions in this subsection apply throughout this act unless the context clearly requires otherwise.

(a) "Fiscal year 2018" or "FY 2018" means the period beginning July 1, 2017, and ending June 30, 2018.

(b) "Fiscal year 2019" or "FY 2019" means the period beginning July 1, 2018, and ending June 30, 2019.

(c) "Lapse" or "revert" means the amount shall return to an unappropriated status.

(d) "Provided solely" means the specified amount may be spent only for the specified purpose.

(3) Unless otherwise specifically authorized in this act, any portion of an amount provided solely for a specified purpose that is not expended subject to the specified conditions and limitations to fulfill the specified purpose shall lapse.

(4) The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts. "Prior biennia" typically refers to the immediate prior biennium for reappropriations, but may refer to multiple biennia in the case of specific projects. A "future biennia" amount is an estimate of what may be appropriated for the project or program in the 2019-2021 biennium and the following three biennia; an amount of zero does not necessarily constitute legislative intent to not provide funding for the project or program in the future.

(5) "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining on June 30, 2017, from previous biennial appropriations for each project.

NEW SECTION. Sec. 1067. FOR THE DEPARTMENT OF COMMERCE

2017-19 Housing Trust Fund Program (30000872)

The appropriations in this section are subject to the following conditions and limitations:

(1) \$58,000,000 of the state taxable building construction account—state appropriation, \$44,000,000 of the state building construction account—state appropriation, and \$4,370,000 of the Washington housing trust account—state appropriation are provided solely for affordable housing and preservation of affordable housing. Of the amounts in this subsection:

(a) \$24,370,000 is provided solely for housing projects that provide supportive housing and case-management services to persons with chronic mental illness. The department must prioritize low-income supportive housing unit proposals that provide services or include a partner community behavioral health treatment provider;

(b) \$10,000,000 is provided solely for housing preservation grants or loans to be awarded competitively. The grants may be provided for major building improvements, preservation, and system replacements, necessary for the existing housing trust fund portfolio to maintain long-term viability. The department must require that a capital needs assessment is performed to estimate the cost of the preservation project at contract execution. Funds may not be used to add or expand the capacity of the property. To receive grants, housing projects must meet the following requirements:

(i) The property is more than fifteen years old;

(ii) At least 50 percent of the housing units are occupied by families and individuals at or below 30 percent area median income.

(iii) The improvements will result in reduction of operating or utilities costs, or both; and

(iv) Other criteria that the department considers necessary to achieve the purpose of this program.

(c) \$5,000,000 is provided solely for housing projects that benefit people at or below 80 percent of the area median income who have been displaced by a natural disaster declared by the governor, including people who have been displaced within the last two biennia.

(d) \$1,000,000 of the Washington housing trust account-state appropriation is provided solely for the department to work with the communities of concern commission to focus on creating capital assets that will help reduce poverty and build stronger and more sustainable communities using the communities' cultural understanding and vision. The funding must be used for predevelopment costs for capital projects identified by the commission and for other activities to assist communities in developing capacity to create community-owned capital assets.

(e) \$22,098,000 is provided solely for the following list of housing projects:

(i) Cross-Laminated Timber Spokane Housing Predesign \$500,000

(ii) El Centro de la Raza \$737,000

(iii) Highland Village Preservation \$1,500,000

(iv) King County Modular Housing Project \$3,000,000

(v) Nisqually Tribal Housing \$1,250,000

(vi) Othello Homesight Community Center \$3,000,000

(vii) \$6,000,000 is provided solely for grants for high quality low-income housing projects that will quickly move people from homelessness into secure housing, and are significantly less expensive to construct than traditional housing. It is the intent of the legislature that these grants serve projects with a total project development cost per housing unit of less than \$125,000, excluding the value of land, and with a commitment by the applicant to maintain the housing units for at least a twenty-five year period. Amounts provided that are subject to this subsection must be used to plan, predesign, design, provide technical assistance and financial services, purchase land for, and build innovative low-income housing units. \$3,000,000 of the appropriation that is subject to this subsection is provided solely for innovative affordable housing in Shelton and \$3,000,000 of the appropriation that is subject to this subsection is provided solely for innovative affordable housing for veterans in Orting. Mental health and substance abuse counseling services must be offered to residents of housing projects supported by appropriations in this subsection. The housing projects supported by appropriations in this subsection must meet or exceed the standards for temporary working housing in chapter 70.114A RCW.

(viii) \$6,000,000 is provided solely for grants to the following organizations using innovative methods to address homelessness: \$3,000,000 for THA Arlington drive youth campus in Tacoma and \$3,000,000 for a King county modular housing project.

(f) Of the amounts appropriated remaining after (a) through (e) of this subsection, the department must allocate the funds as follows:

(i) 10 percent is provided solely for housing projects that benefit veterans;

(ii) 10 percent is provided solely for housing projects that benefit homeownership;

(iii) 5 percent is provided solely for housing projects that benefit people with developmental disabilities;

(iv) The remaining amount is provided solely for projects that serve low-income and special needs populations in need of housing, including, but not limited to, homeless families with children, homeless youth, farmworkers, and seniors.

(2) In evaluating projects in this section, the department must give preference for applications based on some or all of the criteria in RCW 43.185.070(5).

(3) The department must strive to allocate all of the amounts appropriated in this section within the 2017-2019 fiscal biennium in the manner prescribed in subsection (1) of this section. However, if upon review of applications the department determines there are not adequate suitable projects in a category, the department may allocate funds to projects serving other low-income and special needs populations, provided those projects are located in an area with an identified need for the type of housing proposed.

Clean Energy Funds 3 (30000881)

The appropriations in this section are subject to the following conditions and limitations:

(1) The appropriations are provided solely for projects that provide a benefit to the public through development, demonstration, and deployment of clean energy technologies that save energy and reduce energy costs, reduce harmful air emissions, or increase energy independence for the state.

(2) In soliciting and evaluating proposals, awarding contracts, and monitoring projects under this section, the department must:

(a) Ensure that competitive processes, rather than sole source contracting processes, are used to select all projects, except as otherwise noted in this section; and

(b) Conduct due diligence activities associated with the use of public funds including, but not limited to, oversight of the project selection process, project monitoring and ensuring that all applications and contracts fully comply with all applicable laws including disclosure and conflict of interest statutes.

(3)(a) Pursuant to chapter 42.52 RCW, the ethics in public service act, the department must require a project applicant to identify in application materials any state of Washington employees or former state employees employed by the firm or on the firm's governing board during the past twenty-four months. Application materials must identify the individual by name, the agency previously or currently employing the individual, job title or position held, and separation date. If it is determined by the department that a conflict of interest exists, the applicant may be disqualified from further consideration for award of funding.

(b) If the department finds, after due notice and examination, that there is a violation of chapter 42.52 RCW, or any similar statute involving a grantee who received funding under this section, either in procuring or performing under the grant, the department in its sole discretion may terminate the funding grant by written notice. If the grant is terminated, the department must reserve its right to pursue all available remedies under law to address the violation.

(4) The requirements in subsections (2) and (3) of this section must be specified in funding agreements issued by the department.

(5) \$11,000,000 of the state building construction account, is provided solely for grid modernization grants for projects that advance clean and renewable energy technologies, and transmission and distribution control systems; that support integration of renewable energy sources, deployment of distributed energy resources, and sustainable microgrids; and that increase utility customer options for energy sources, energy efficiency, energy equipment, and utility services.

(a) Projects must be implemented by public and private electrical utilities that serve retail customers in the state. Eligible utilities may partner with other public and private sector research

organizations and businesses in applying for funding.

(b) The department shall develop a grant application process to competitively select projects for grant awards, to include scoring conducted by a group of qualified experts with application of criteria specified by the department. In development of the application criteria, the department shall, to the extent possible, allow smaller utilities or consortia of small utilities to apply for funding.

(c) Applications for grants must disclose all sources of public funds invested in a project.

(6) \$7,900,000 of the state building construction account and \$3,100,000 of the energy efficiency account are provided solely for grants to demonstrate new approaches to electrification of transportation systems.

(a) Projects must be implemented by local governments, or by public and private electrical utilities that serve retail customers in the state. Eligible parties may partner with other public and private sector research organizations and businesses in applying for funding. The department of commerce must coordinate with other electrification programs, including projects the department of transportation is developing and projects funded by the Volkswagen consent decree, to determine the most effective distribution of the systems.

(b) Priorities must be given to eligible technologies that reduce the top two hundred hours of demand and the demand side.

(c) Eligible technologies for these projects include, but are not limited to:

(i) Electric vehicle and transportation system charging and open source control infrastructure, including inductive charging systems;

(ii) Electric vehicle sharing in low-income, multi-unit housing communities in urban areas;

(iii) Grid-related vehicle electrification, connecting vehicle fleets to grid operations, including school and transit buses;

(iv) Electric vehicle fleet management tools with open source software;

(v) Maritime electrification, such as electric ferries, water taxis, and shore power infrastructure.

(7) (a) \$8,600,000 of the state building construction account is provided solely for strategic research and development for new and emerging clean energy technologies, as needed to match federal or other nonstate funds to research, develop, and demonstrate clean energy technologies.

(b) The department shall consult and coordinate with the University of Washington, Washington State University, the Pacific Northwest national laboratory and other clean energy organizations to design the grant program unless the organization prefers to compete for the grants. If the organization prefers to receive grants from the program they may not participate in the consultant process determining how the grant process is structured. The program shall offer matching funds for competitively selected clean energy projects, including but not limited to: Solar technologies, advanced bioenergy and biofuels, development of new earth abundant materials or lightweight materials, advanced energy storage, battery components recycling, and new renewable energy and energy efficiency technologies. Criteria for the grant program must include life cycle cost analysis for projects that are part of the competitive process.

(c) \$750,000 of this subsection (7) is provided solely for the state efficiency and environmental program.

(8) (a) \$8,000,000 of the state taxable construction account is provided solely for scientific instruments to help accelerate research in advanced materials at the proposed science laboratories infrastructure facility at the Pacific Northwest national laboratory. These state funds are contingent on securing federal funds for the new facility, and are provided as match to the federal funding. The instruments will support researchers at the bioproducts sciences and engineering laboratory, the joint center for deployment research in earth abundant materials, the center for advanced materials and clean energy technology, and other energy and materials collaborations with the University of Washington and Washington State University.

(b) If by December 30, 2018, federal funding is not secured, the funds in this subsection (8) shall lapse.

(9) \$1,600,000 of the state building construction account and \$2,400,000 of the energy efficiency account are provided solely for grants to be awarded in competitive rounds for the deployment of solar projects located in Washington state.

(a) Priority must be given to distribution side projects that reduce peak electricity demand.

(b) Projects must be capable of generating at least five hundred kilowatts of direct current generating capacity.

(c) Grants shall not exceed \$200,000 per megawatt of direct current generating capacity and total grant funds per project shall not exceed \$1,000,000 per applicant. Applicants may not use other state grants.

(d) At least 25 percent of the total allocation of a project shall be provided solely for projects that provide direct benefits to low-income residents or communities. The department must attempt to prioritize an equal geographic distribution.

(e) Priority must be given to major components made in Washington.

(10) \$2,400,000 of the state building construction account is provided solely for a project which, when fully deployed, will reduce emissions of greenhouse gases by a minimum of seven hundred fifty thousand tons per year, increase energy efficiency, and protect or create manufacturing jobs located in a county with a population of less than three hundred thousand.

**NEW SECTION. Sec. 1074. FOR THE
DEPARTMENT OF COMMERCE**

Energy Efficiency and Solar Grants
(30000882)

The appropriations in this section are subject to the following conditions and limitations:

(1) (a) \$3,675,000 for fiscal year 2018 and \$3,675,000 for fiscal year 2019 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts, and state agencies for operational cost savings improvements to facilities and related projects that result in energy and operational cost savings.

(b) At least twenty percent of each competitive grant round must be awarded to small cities or towns with a population of five thousand or fewer residents.

(c) In each competitive round, the higher the leverage ratio of nonstate funding sources to state grant and the higher the energy savings, the higher the project ranking.

(d) For school district applicants, priority consideration must be given to school districts that demonstrate improved health and safety through: (i) Reduced exposure to polychlorinated biphenyl; or (ii) replacing outdated heating systems that use oil or propane as fuel sources as identified by the Washington State University extension energy program. Priority consideration must be given to applicants that have not received grant awards for this purpose in prior biennia.

(2) \$1,750,000 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts, and state agencies for projects that involve the purchase and installation of solar energy systems, including solar modules and inverters, with a preference for products manufactured in Washington.

(3) \$1,400,000 is provided solely for energy efficiency improvements to minor works and stand-alone projects at state-owned facilities that repair or replace existing building systems including, but not limited to HVAC, lighting, insulation, windows, and other mechanical systems. Eligibility for this funding is dependent on an analysis using the office of financial management's life-cycle cost tool that compares project design alternatives for initial and long-term cost-effectiveness. Assuming a reasonable return on investment, the cost to improve the project's energy efficiency compared to the original project request will be added to the project appropriation after

construction bids are received. The department of commerce shall coordinate with the office of financial management to develop a process for project submittal, review, approval criteria, tracking project budget adjustments, and performance measures.

(4) \$500,000 is provided solely for resource conservation managers in the department of enterprise services to coordinate with state agencies and school districts to assess and adjust existing building systems and operations to optimize the efficiency in use of energy and other resources in state-owned facilities. The department of commerce will oversee an interagency agreement with the department of enterprise services to fund the resource conservation managers.

(5) The department shall develop metrics that indicate the performance of energy efficiency efforts and provide a report of the metrics, including at a minimum the current energy used by the building, the energy use after efficiencies are completed, and cost of energy saved. The report must include these metrics from other states.

NEW SECTION. Sec. 1076. FOR THE DEPARTMENT OF COMMERCE

2018 Local and Community Projects (40000005)

The appropriations in this section are subject to the following conditions and limitations:

(1) The department shall not expend the appropriations in this section unless and until the nonstate share of project costs have been either expended or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a

minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

(5) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

(6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

(7) The appropriation is provided solely for the following list of projects:

(8) \$26,000 of the appropriation in this section is provided solely for implementation of the Spanaway lake management plan, contingent on commitment of local funding to support the on-going operational costs of the project, including but not limited to the creation of a lake management district.

(9) \$250,000 of the appropriation in this section is provided solely for the planning, development, acquisition, and other activities pursuing open space conservation strategies for the historic Federal Way Weyerhaeuser campus. The grant recipient must be a regional nonprofit nature conservancy that works to conserve keystone properties selected by the city of Federal Way.

(10) (a) \$900,000 of the appropriation in this section is provided solely for an Interbay public development advisory committee. It is the intent of the legislature to examine current and future needs of a state entity that performs an essential public function on state-owned property located in one of the state's designated manufacturing industrial centers. The legislature further intends to explore the potential future uses of this state-owned property in the event that the state entity determines that it must relocate in order to protect its ability to perform its essential public function.

(b) The Interbay public development advisory committee is created to make recommendations regarding the highest public benefit and future economic development uses for the Washington army national guard armory facility in the city of Seattle, pier 91 property, located at the descriptions referred to in the quit claim deeds for two parcels of land, 24.75 acres total, dated January 8, 1971, and December 22, 2009.

(c) The Interbay advisory committee consists of seven persons appointed as follows:

(i) One person appointed by the speaker of the house of representatives;

(ii) One person appointed by the president of the senate; and

(iii) Five persons appointed by the governor, who must collectively have experience in forming public-private partnerships to develop workforce housing or affordable housing; knowledge of project financing options for public-private partnerships related to housing; architectural design and development experience related to industrial lands and mixed-use zoning to include housing; and experience leading public processes to engage communities and other stakeholders in public discussions regarding economic development decisions.

(d) The Interbay public development advisory committee must:

(i) Work in collaboration with the military department to determine the needs of the military department if it is relocated from the land described in subsection (1) of this section, including identifying:

(A) Current uses;

(B) Future needs of the units currently at this location;

(C) Potential suitable publicly owned sites in Washington for relocation of current units; and

(D) The costs associated with acquisition, construction, and relocation to another site or sites for these units;

(ii) Explore the future economic development opportunities if the land described in subsection (1) of this section is vacated by the military department, and make recommendations, including identifying:

(A) Suitable and unsuitable future uses for the land;

(B) Environmental issues and associated costs;

(C) Current public infrastructure availability, future public infrastructure plans by local or regional entities, and potential public infrastructure needs;

(D) Transportation corridors in the immediate area and any potential right-of-way needs; and

(E) Existing zoning regulations for the land and potential future zoning needs to evaluate workforce housing, affordable housing, and other commercial and industrial development compatible with the Ballard-Interbay manufacturing industrial center designation;

(iii) Explore the potential funding sources and partners as well as any needed transactions, and make recommendations, including:

(A) Any potential private partners or investors;

(B) Necessary real estate transactions;

(C) Federal funding opportunities; and

(D) State and local funding sources, including any tax-related programs;

(iv) Conduct at least three public meetings at a location within the Ballard-Interbay manufacturing industrial center, where a quorum of the Interbay public development advisory committee members are present, at which members of the public are invited to present to the Interbay advisory committee regarding the future uses of the site and potential issues such as industrial land use, commercial development, residential zoning, and public infrastructure needs; and

(v) Provide a report to the legislature and office of the governor with recommendations for each area described in this subsection (10)(d) by June 29, 2019. The Interbay advisory committee's recommendations must include recommendations regarding the structure, composition, and scope of authority of any subsequent state public development authority that may be established to implement the recommendations of the Interbay advisory committee created in this section.

(e) The Interbay advisory committee created in this section terminates June 30, 2019.

(f) Nothing in this section authorizes the solicitation of interest or bids for work related to the purposes of this section.

(g) The department of commerce shall provide staff support to the Interbay advisory committee. The department may contract with outside consultants to provide any needed expertise.

(h) Legislative members of the Interbay advisory committee are reimbursed for travel in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(11) \$2,000,000 of the appropriation in this section is provided solely to the city of Lakewood for the purchase of property within the federally designated north clear zone at joint base Lewis-McChord. Once acquired, the property must be zoned for use compatible with the mission and activity of McChord airfield. The city may lease or resell the acquired property for fair market value, but any such lease or sale must include restrictions or covenants ensuring that the use of the property is safely compatible with the mission and activity of McChord airfield. If the city subsequently resells, rezones, develops, or leases the property for commercial or industrial uses contrary to the allowed uses in the north clear zone, the city must repay to the state the amount spent on the purchase of the property in its entirety within ten years.

(12) \$250,000 of the appropriation in this section is provided solely for a grant to the Federal Way chamber of commerce for two economic development projects focused in the south Puget Sound area. The amounts in this section must be used for a business retention and expansion program to conduct economic research in collaboration with stakeholders, develop data-driven economic strategies, and produce a written evaluation; and a tourism enhancement program to develop and inventory the Federal Way area tourism sector, analyze data regarding visitation, and produce a written evaluation.

(13) \$400,000 of the appropriation in this section is provided solely for the Northshore athletic field which shall be named "Andy Hill Sports Complex."

NEW SECTION. Sec. 1080. FOR THE DEPARTMENT OF COMMERCE

Behavioral Health Community Capacity (40000018)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation in this section is provided solely for the department of commerce, in collaboration with the department of social and health services, to issue grants to community hospitals or other community entities to expand and establish new capacity for behavioral health services in communities. Amounts provided in this section may be used for construction and equipment costs associated with establishment of the facilities. Amounts provided in this section may not be used for operating costs associated with the treatment of patients using these services. The department shall establish criteria for the issuance of the grants, which must include:

(a) Evidence that the application was developed in collaboration with one or more behavioral health organizations, as defined in RCW 71.24.025;

(b) Evidence that the applicant has assessed and would meet gaps in geographical behavioral health services needs in their region;

(c) A commitment by applicants to serve persons who are publicly funded and persons detained under the involuntary treatment act under chapter 71.05 RCW;

(d) A commitment by the applicant to maintain the beds or facility for at least a ten-year period;

(e) The date upon which structural modifications or construction would begin and the anticipated date of completion of the project;

(f) A detailed estimate of the costs associated with opening the beds; and

(g) The applicant's commitment to work with local courts and prosecutors to ensure that prosecutors and courts in the area served by the hospital or facility will be available to conduct involuntary commitment hearings and proceedings under chapter 71.05 RCW.

(2) In awarding funding for projects in subsection (3), the department, in consultation with the department of social and health services and behavioral health organizations, must strive for geographic distribution and allocate funding based on population and service needs of an area. The department must consider current services available, anticipated services

available based on projects underway, and the service delivery needs of an area.

(3) \$36,600,000 is provided solely for a competitive process for each category listed and is subject to the criteria in subsections (1) and (2) of this section:

(a) \$4,600,000 is provided solely for at least two enhanced service facilities for long-term placement of geriatric or traumatic brain injury patients and that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(b) \$2,000,000 is provided solely for at least one facility with secure detox treatment beds that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(c) \$2,000,000 is provided solely for at least one facility with acute detox treatment beds that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(d) \$11,400,000 is provided solely for crisis diversion or stabilization facilities that are not subject to federal funding restrictions that apply to institutions of mental diseases. At least two of the facilities must be located in King county and one in Pierce county;

(e) \$10,000,000 is provided solely for the department to provide grants to community hospitals or freestanding evaluation and treatment providers to develop capacity for beds to serve individuals on ninety or one hundred eighty day civil commitments as an alternative to treatment in the state hospitals. In awarding this funding, the department must coordinate with the department of social and health services and the department of health and must only select facilities that meet the following conditions:

(i) The funding must be used to increase capacity related to serving individuals who will be transitioned from or diverted from the state hospitals;

(ii) The facility is not subject to federal funding restrictions that apply to institutions of mental diseases;

(iii) The provider has submitted a proposal for operating the facility to the department of social and health services;

(iv) The provider has demonstrated to the department of health and the department of social and health services

that it is able to meet applicable licensing and certification requirements in the facility that will be used to provide services; and

(v) The department of social and health services has confirmed that it intends to contract with the facility for operating costs within funds provided in the operating budget for these purposes; and

(f) \$6,600,000 is provided solely for the department to provide grants to community providers to develop psychiatric residential treatment beds to serve individuals being diverted or transitioned from the state hospitals. In awarding this funding, the department must coordinate with the department of social and health services, the department of health, and the local behavioral health organization jurisdiction for which a proposal has been submitted and must only select facilities that meet the following conditions:

(i) The funding must be used to increase capacity related to serving individuals who will be transitioned from or diverted from the state hospitals;

(ii) The facility is not subject to federal funding restrictions that apply to institutions of mental diseases;

(iii) The provider has submitted a proposal for operating the facility to the behavioral health organization in the region;

(iv) The provider has demonstrated to the department of health and the department of social and health services that it is able to meet applicable licensing and certification requirements in the facility that will be used to provide services; and

(v) The behavioral health organization has confirmed that it intends to contract with the facility for operating costs within funds provided in the operating budget for these purposes.

(4) \$26,000,000 is provided solely for the following list of projects and is subject to the criteria in subsection (1) of this section:

North Sound Behavioral Health Organization Denny	Youth Center	\$5,000,000
North Sound Behavioral Health Organization Substance	Use Disorder Intensive Treatment	\$5,000,000

Bellingham Mental Health Triage
\$5,000,000

\$3,000,000

Nexus Youth and Families \$500,000

Valley City Recovery Place\$2,000,000

Geriatric Diversion\$500,000

(5) \$3,000,000 is provided solely for a grant to a joint venture between MultiCare-Franciscan to provide community based behavioral health services. Funding provided in this subsection is subject to the criteria in subsection (1) of this section. The department of commerce may not release funding for this project unless MultiCare-Franciscan enters into a memorandum of understanding with the department of social and health services by October 31, 2017, to collaborate on development and implementation of strategies to expand the behavioral health workforce in the region. At a minimum, the agreement must include strategies for increasing recruitment of health professionals required to staff psychiatric inpatient facilities, including psychiatrists, psychologists, nurses and other health care professionals. The agreement must also identify opportunities for coordination between the parties to expand access to clinical skill development and training opportunities in the region and strategies for collaborative service delivery between the parties when possible. To objectively evaluate the efficacy of the strategies implemented to achieve the desired outcomes of the agreement, performance measures and targets must be established to include:

(a) MultiCare-Franciscan and the department of social and health services must work collaboratively to decrease vacancy rates for hard-to-recruit health care professionals employed by each facility. The parties must develop strategies to attract more qualified health care professionals to the area and ensure comparable exposure to the benefits of working for each organization. The parties must measure the success of these strategies by the decrease in vacancy rate for health care professionals necessary to provide safe, quality inpatient psychiatric care in MultiCare-Franciscan

and department facilities following the first year as the baseline of the partnership/consortium and with updated goals for each subsequent year. MultiCare-Franciscan and the department of social and health services must work to increase the competency and skills of health care professionals across both facilities by establishing organized joint- and cross-training programs. The parties must measure the success of this strategy by the number of health care professionals in total and by discipline complete cross-training activities and by the number and hours of cross-training opportunities offered under the agreement.

(6) The department of commerce shall notify all applicants that they may be required to have a construction review performed by the department of health.

(7) To accommodate the emergent need for behavioral health services, the department of health and the department of commerce, in collaboration with the health care authority and the department of social and health services, shall establish a concurrent and expedited process to assist grant applicants in meeting any applicable regulatory requirements necessary to operate inpatient psychiatric beds, free-standing evaluation and treatment facilities, enhanced services facilities, triage facilities, crisis stabilization facilities, detox, or secure detox.

NEW SECTION. Sec. 1081. FOR THE DEPARTMENT OF COMMERCE

CERB Administered Broadband
Infrastructure (91000943)

The appropriation in this section is subject to the following conditions and limitations: During the 2017-2019 fiscal biennium, the community economic revitalization board may make grants and loans to local governments and federally recognized tribes to build infrastructure to provide high-speed, open-access broadband service, with a minimum of 25 megabits per second download speed, to rural and underserved communities, for the purpose of economic development.

(1) "Local governments" means cities, towns, counties, municipal corporations, public port districts, quasi-municipal corporations, and special purpose districts.

(2) "Broadband" means networks of deployed telecommunications equipment and technologies necessary to provide high-speed Internet access and other advanced telecommunications services.

(3) The board is authorized to make rural broadband loans to local governments and to federally recognized Indian tribes for the purposes of financing the cost to build infrastructure to provide high-speed, open-access broadband service, to rural and underserved communities, for the purpose of economic development. Grants may also be authorized for purposes designated in this chapter, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the local government or the federally recognized Indian tribe, and subject to a finding by the board that financial circumstances require grant assistance to enable the project to move forward. However, no more than 25 percent of all financial assistance approved by the board in any biennium may consist of grants to local governments and federally recognized Indian tribes.

(4) Application for funding must be made in the form and manner as the board may prescribe. In making grants or loans the board must conform to the following requirements:

(a) The board may not provide financial assistance:

(i) For a project the primary purpose of which is to facilitate or promote a retail shopping development or expansion.

(ii) For any project that evidence exists would result in a development or expansion that would displace existing jobs in any other community in the state.

(iii) For a project the primary purpose of which is to facilitate or promote gambling.

(iv) For a project located outside the jurisdiction of the applicant local government or federally recognized Indian tribe.

(v) For equipment or facilities which would enable a public entity to provide retail telecommunications services or services that the entity is not authorized by statute to provide.

(vi) For the deployment of publicly-owned telecommunication network infrastructure ("backbone") solely for the sake of creating competitive, publicly-owned telecommunication network infrastructure.

(b) The board may provide financial assistance only:

(i) For projects demonstrating convincing evidence that a specific private development or expansion is ready to occur and will occur only if the public facility improvement is made that:

(A) Results in the creation of significant private sector jobs or significant private sector capital investment as determined by the board;

(B) Will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities; and

(C) Is located in a rural community as defined by the board, or a rural county; or

(ii) For a project that does not meet the requirements of (b)(i) of this subsection but is a project that:

(A) Results in the creation of significant private sector jobs or significant private sector capital investment as determined by the board;

(B) Is part of a local economic development plan consistent with applicable state planning requirements;

(C) Can demonstrate project feasibility using standard economic principles; and

(D) Is located in a rural community as defined by the board, or a rural county;

(c) The board must develop guidelines for local participation and allowable match and activities.

(d) An application must demonstrate local match and local participation, in accordance with guidelines developed by the board.

(e) An application must be approved by the local government and supported by the local associate development organization or local workforce development council or approved by the governing body of the federally recognized Indian tribe.

(f) The board may allow de minimis general system improvements to be funded

if they are critically linked to the viability of the project.

(g) An application must demonstrate convincing evidence that the median hourly wage of the private sector jobs created after the project is completed will exceed the countywide median hourly wage.

(h) The board must prioritize each proposed project according to:

(i) The relative benefits provided to the community by the jobs the project would create, not just the total number of jobs it would create after the project is completed, but also giving consideration to the unemployment rate in the area in which the jobs would be located;

(ii) The rate of return of the state's investment, including, but not limited to, the leveraging of private sector investment, anticipated job creation and retention, and expected increases in state and local tax revenues associated with the project;

(iii) Whether the proposed project offers a health insurance plan for employees that includes an option for dependents of employees;

(iv) Whether the public facility investment will increase existing capacity necessary to accommodate projected population and employment growth in a manner that supports infill and redevelopment of existing urban or industrial areas that are served by adequate public facilities. Projects should maximize the use of existing infrastructure and provide for adequate funding of necessary transportation improvements;

(v) Whether the applicant's permitting process has been certified as streamlined by the office of regulatory assistance; and

(vi) Whether the applicant has developed and adhered to guidelines regarding its permitting process for those applying for development permits consistent with section 1(2), chapter 231, Laws of 2007.

(i) A responsible official of the local government or the federally recognized Indian tribe must be present during board deliberations and provide information that the board requests.

(5) Before any financial assistance application is approved, the local government or the federally recognized

Indian tribe seeking the assistance must demonstrate to the community economic revitalization board that no other timely source of funding is available to it at costs reasonably similar to financing available from the community economic revitalization board.

The study shall be contracted to an independent third-party consultant with expertise in the state capital budget development process, capital project cost estimating, value engineering, and related professional fields. The study must be provided to the fiscal committees of the legislature by September 1, 2018. The purpose of the study is to evaluate commission practices in comparison with best practices in public sector capital program design and execution.

The study must include an assessment of:

(1) The commission's capital budget development process for its 2019-2021 biennial budget and ten-year capital plan, including analysis of:

(a) Project identification and scoping processes;

(b) Project cost estimation methods and tools; and

(c) Project prioritization criteria and methods.

(2) State parks capital budget staffing compared to other public and private industry standards, including the percent of project funding that is used for staff FTEs and the number and function of:

(a) Design professionals (including engineers and landscape architects);

(b) Construction and Design project managers; and

(c) Other staff supported by capital funds.

(3) Historical capital project funding including, at a minimum:

(a) 2013-2015 and 2015-2017 capital budgets and expenditures;

(b) An analysis of actual project costs in comparison to budgeted costs including the percentage that projects were over and under the construction cost estimate and the total project cost estimate, both individually and in aggregate; and

(c) Percentage of reappropriations.

(4) The basis for cabin and comfort station project costs to include:

(a) Project objectives and customer requirements;

(b) Project elements (scale, materials, utilities, location, aesthetics, and other considerations significantly affecting project costs); and

(c) Operational fiscal analysis including projected operating costs and revenue from cabins; and

(d) Detailed cost estimates of previous and future cabin and comfort station projects.

(5) Costs compared to at least two other states with similar state parks and two other Washington state or local governments.

(6) An analysis of development costs associated with state park projects that differ from other public works projects and commercial private sector projects.

Higher Education and State Facility Financing Study (92000021)

The appropriation in this section is subject to the following conditions and limitations:

(1) The office of financial management shall submit a higher education capital facility study to the governor and the appropriate legislative fiscal committees by October 1, 2018. In designing and conducting the study, the office of financial management shall consult with legislative and fiscal committee leadership, the department of revenue, the state investment board, the student achievement council, the state board for community and technical colleges, and the public four-year institutions of higher education. The study must include:

(a) A review of the methods that are used to fund higher education facility expansion and improvements in other states and the relative portions of such expenditures that are borne by students, state taxpayers, federal grants, and private contributions;

(b) An examination of alternatives for reducing facility construction and maintenance expenditures per student through strategies such as expansion of distance learning opportunities, increased scheduling of classes during evenings and weekends, the establishment of expected cost benchmarks by facility type, and other means;

(c) An assessment of the strengths and weaknesses of potential new revenue sources that might be applied to the funding of higher education facilities. These alternative sources must include, but not be limited to, adjusting student fees to support a larger share of the cost of such facilities, bonding against student fee revenues, utilizing local tax revenues to support local higher education capital needs, promoting business participation in the financing of programs strongly linked to area economic development, and other means;

(d) Learning space utilization standards for higher education facilities. The standards may include, but are not limited to:

(i) Percentage of hours utilized per scheduling window;

(ii) Percentage of seats utilized;

(iii) Square feet per seat; and

(iv) Type of technology utilized in learning spaces;

(e) Reasonableness of cost standards for higher education capital facilities. The standards may include, but are not limited to:

(i) Costs per square feet per type of facility; and

(ii) Expected life-cycle costs; and

(f) A criteria scoring and weighting tool for use by four-year higher education institutions and other decision makers that measures two components:

(i) A measure of achievement of higher education capital projects criteria; and

(ii) A measure to weigh the importance of those criteria.

(2) The office of financial management shall submit a state capital facility financing study to the governor and the appropriate legislative fiscal committees by December 1, 2018. In designing and conducting the study, the office of financial management shall consult with legislative and fiscal committee leadership. The study must include the establishment of expected cost benchmarks by facility type.

Drinking Water System Repairs and Consolidation (40000006)

The appropriation in this section is subject to the following conditions and limitations: The appropriation is provided solely for grants to well-managed, publicly-owned group A water utilities for the repair and consolidation of group A and B water systems under the following conditions:

(1) A grant can be provided when a water system has been voluntarily transferred to a publicly owned water utility within the last three years. The grant may be used for repair and consolidation costs.

(2) The grant applicant must provide the department of health with an accounting of rehabilitation costs and the value of the system. The grant must be used primarily to cover project design and construction costs, and only in limited cases to cover the cost of system acquisitions, as determined by the department of health in evaluating grant applications.

(3) Grants must primarily be used to cover project construction costs that customers benefiting from the project cannot afford to repay through loans, as determined by the department of health and the publicly owned utility receiving the grant to complete the project.

(4) Applicants must provide a plan demonstrating that project completion will occur within three years of the grant contract execution.

(5) Each grant must be less than twenty-five percent of the total appropriation.

(6) The primary purpose of this appropriation is to fund water system repair and consolidation construction

costs. However, the department may use a limited amount of funds under this section for grants for feasibility review of water system repair and consolidation projects that would meet the objectives of this section and RCW 70.119A.190.

(a) Pose no risk of pollution to soil, water, or air;

(b) Be cost effective; and

(c) Produce clean water that can be effectively used on dairy farms and/or solids which can either be marketed or disposed of without risk of the environment.

(2) The grants must fund at least one dairy nutrient management innovation project east of the crest of the Cascade mountains and one west of the crest of the Cascade mountains. The commission shall report about the challenges and opportunities of the granted projects to the appropriate committees of the legislature at the conclusion of the last project or at least by December 1, 2020. The report should cover the acquisition, maintenance, and operating costs for the technology; how costs can be mitigated by any marketable byproducts, such as nitrogen, phosphorous, electricity, etc.; the cost of processing remaining materials

to avoid contamination of soil, water, or air; and the ability to adapt the equipment for various size of dairies.

(3) When providing funding for specific technologies, the commission shall enter into appropriate agreements to support the state's interest in advancing innovation solutions to environmental issues while ensuring compliance with Article VIII, section 5 and Article XII, section 9 of the state Constitution.

Watershed Plan Implementation and Flow Achievement (30000714)

The appropriation in this section is subject to the following conditions and limitations:

The appropriation is provided solely for activities that improve rural water supplies and help achieve instream flows by implementing locally developed projects and watershed plans, as follows:

(1) Surface or ground water storage projects. The department shall consult with the departments of agriculture and fish and wildlife before issuing water storage grants.

(2) Infrastructure or water management projects that resolve conflicts among water needs for municipal, agricultural, rural, and fish restoration purposes.

(3) Agricultural water supply projects that improve water conservation and water use efficiency.

(4) Purchase and installation of water measuring devices in water-short basins, salmon critical basins, other basins participating in the department of fish and wildlife fish screening and cooperative compliance program, and basins where watershed plans call for additional water use measurement.

(5) Acquisition of water to achieve instream flows or to establish water banks. The department must give priority to acquisitions in water short basins. The department must place acquired water into the state's trust water rights program pursuant to chapters 90.38 and 90.42 RCW.

Water Irrigation Efficiencies Program (30000740)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation is provided solely for technical assistance and grants to conservation districts for the purpose of implementing water conservation measures and irrigation efficiencies. The department and the state conservation commission shall give preference to projects located in the 16 fish critical basins, other water-short or drought impacted basins, and basins with significant water resource and instream flow issues. Projects that are not within the basins described in this subsection are also eligible to receive funding.

(2) Conservation districts statewide are eligible for grants listed in subsection (1) of this section. A conservation district receiving funds shall manage each grant to ensure that a portion of the water saved by the water conservation measure or irrigation efficiency will be placed as a purchase or a lease in the trust water rights program to enhance instream flows. The proportion of saved water placed in the trust water rights program must be equal to the percentage of the public investment in the conservation measure or irrigation efficiency. The percentage of the public investment may not exceed eighty-five percent of the total cost of the conservation measure or irrigation efficiency.

(3) Up to \$300,000 of the appropriation in this section may be allocated for the purchase and installation of flow meters that are implemented in cooperation with the Washington state department of fish and wildlife fish screening program authorized under RCW 77.57.070.

NEW SECTION. Sec. 3180. FOR THE DEPARTMENT OF ECOLOGY

VW Settlement Funded Projects
(40000018)

The appropriation in this section is subject to the following conditions and limitations:

(1) The legislature finds that it is appropriate to provide a framework for the administration of mitigation funds provided to the state as a beneficiary under the terms of the consent decrees entered into by the United States, Volkswagen AG, and other participating parties that settle emissions-related claims for 2.0 and 3.0 liter diesel vehicles of certain models and years. The legislature deems the department of ecology the responsible agency for the administration and expenditure of funds provided by the trustee under the terms of the consent decrees, including the development of a mitigation plan to guide the use of the funds, whether or not the department receives funds directly for projects included in the plan.

(2) (a) The department of ecology shall develop the mitigation plan through an open, transparent public process consistent with direction in the consent decrees. The department shall provide ample opportunity using a variety of engagement options, as appropriate, for stakeholders and the public to shape, review, and comment throughout the development of the mitigation plan, including at least two meetings of the legislative advisory group as described in (c) of this subsection.

(b) The department of ecology shall work collaboratively with other agencies to develop and implement the elements of the mitigation plan that address categories of projects for which other agencies have already developed programs or expertise. In doing so, the department of ecology must consider and utilize, where appropriate and to the extent possible, the following existing programs for alternative fuels and zero emission vehicles:

(i) The department of transportation's electric vehicle infrastructure bank program;

(ii) The state alternative fuel commercial vehicle tax credit;

(iii) The state sales and use tax exemption for clean vehicles; and

(iv) Public transportation grant programs administered by the department of transportation.

(c)(i) For the purposes of providing legislative input and gathering public feedback on the development of the mitigation plan, a legislative advisory group is established. The advisory group is comprised of eight legislators, including the chairs and ranking members, or designees of the chairs and ranking members, of the transportation and capital budget committees in the House and in the Senate; the director of the department of ecology; and the secretary of the department of transportation.

(ii) The advisory group must select a chair from among its membership. Meetings of the advisory group must be open to the public and allow for public comment.

(iii) The advisory group must meet at least twice, once immediately prior to the date that the draft mitigation plan is released publicly, and again after public comment has been incorporated but before the department submits the plan to the trustee.

(iv) The office of program research and the senate committee services must provide staff support to the advisory group. The department of ecology staff must provide technical support, as needed. Legislative members of the advisory group are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, government entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW. Advisory group expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(3) The mitigation plan and the stewardship of project implementation must adhere to the following principles:

(a) Maximize air quality and public health benefits relating to the reduction of nitrogen oxides emissions;

(b) Give priority to projects that improve air quality relating to the reduction of nitrogen oxides emissions in

areas that bear a disproportionate share of the burden from nitrogen oxides emissions;

(c) Achieve substantial additional air quality benefits relating to the reduction of nitrogen oxides emissions beyond that which would already occur, absent trust funding;

(d) Investments in clean vehicles or investments in clean engine replacements must be shown to be cost-effective. For the purposes of leveraging funding, investments in clean vehicles may not exceed the incremental cost of the clean vehicle, relative to the cost of a similar conventionally fueled vehicle. To incentivize the replacement of standard engines, investments may be made up to the full cost of the clean engine replacement;

(e) Consideration must be given to investments across a range of fueling technologies and emissions reduction technologies; and

(f) Priority must be given to projects that have the highest benefit-cost ratios, in terms of the amount of nitrogen oxides emissions reduced per dollar invested.

(4) Funding must be allocated to eligible projects under the terms of the consent decrees in the following manner:

(a)(i) No more than thirty percent of funding provided during the 2017-2019 biennium for commercial vehicle class four through eight transit buses, shuttle buses, and school buses;

(ii) No more than thirty percent of funding provided during the 2017-2019 biennium for commercial vehicle class eight local freight trucks and port drayage trucks;

(iii) No more than twenty percent of funding provided during the 2017-2019 biennium for commercial vehicle class four through seven local freight trucks;

(iv) No more than twenty percent of funding provided during the 2017-2019 biennium for airport ground support equipment;

(v) No more than twenty percent of funding provided during the 2017-2019 biennium for ocean-going vessels' shore power;

(vi) No more than fifteen percent of funding provided during the 2017-2019 biennium for light duty, zero emission vehicle supply equipment;

(vii) No more than twenty percent of funding provided during the 2017-2019 biennium for nonfederal matching funds for projects eligible under the diesel emission reduction act option; and

(viii) For each of the other categories of mitigation actions that are eligible under the consent decrees but not otherwise specified under this subsection (4)(a), no more than ten percent of funding provided during the 2017-2019 biennium.

(b) Projects that receive funding under subsection (4)(a)(ii) and (iii) of this section and ocean-going vessels shorepower projects that receive funding under subsection (4)(a)(viii) of this section must include electric technologies, if practicable.

(5) To the extent this section conflicts with the consent decrees, the consent decrees supersede it.

(6) The department of ecology may modify the mitigation plan as needed to comply with trustee requirements, including to the extent these modifications conflict with this section. In making any adjustments, the department of ecology shall consult with the department of transportation and the office of the superintendent of public instruction and provide notice to the steering committee of any significant changes to the plan submitted.

(7) The department of ecology shall provide a report to the governor and the appropriate committees of the legislature by January 1, 2018, and each year thereafter, on any plans or efforts to change the mitigation plan, its progress in implementing the mitigation plan, and the specific projects funded through these mitigation funds for the previous fiscal year.

(8) For the purposes of this section:

(a) "Project" means an eligible mitigation action under the terms of the consent decrees entered into by the United States, Volkswagen AG, and other participating parties that settle emissions-related claims for 2.0 and 3.0 liter diesel vehicles of certain models and years.

(b) "Trustee" means the entity selected under the terms of the consent decrees to administer the disbursement of funds to eligible projects for the purposes of

mitigating nitrogen oxides emission pollution.

Water Availability (91000343)

The appropriation in this section is subject to the following conditions and limitations:

(1)(a) \$450,000 of the appropriation is provided solely to retain a qualified consultant or consultants to develop technical water resources studies needed to support negotiation of a basin-wide water management solution in Whatcom county that includes the following elements:

- (i) Instream flow;
- (ii) Water quality;
- (iii) Habitat restoration;
- (iv) Water supply;
- (v) Accountability.

(b) The amounts provided in this subsection must be used to accomplish three primary tasks related to the instream flow and water supply elements. Of the amounts provided in this subsection:

(i) \$50,000 is provided solely for an analysis of existing water rights, including but not limited to water rights relinquishment and mitigated water rights;

(ii) \$100,000 is provided solely for an analysis of water conservation and efficiency measures to be utilized by out-of-stream water users; and

(iii) \$300,000 is provided solely for an analysis of potential new or modified water infrastructure to supply water for out-of-stream and instream uses, including but not limited to storage, pipelines, aquifer recharge, reclaimed water, and other projects.

(c) The resulting planning-level analysis are subject to review through a series of public workshops, where workshop participants must develop project screening criteria and select alternatives for further evaluation.

(d) Overall, this work must be designed to meet water resource needs for both instream and out-of-stream needs, must be capable of supporting future water resource agreements protective of senior water rights holders, and must be methodical and transparent.

(e) The department must establish a steering committee to develop the scope of work for the various analyses, which must include major water resource stakeholders and federally recognized tribes.

(2) \$2,500,000 of the appropriation is provided solely for Dungeness off-channel reservoir.

Trust Land Transfer Program (30000269)

The appropriation in this section is
subject to the following conditions and
limitations:

(1) The appropriation is provided
solely to the department of natural
resources to transfer from trust status
certain trust lands of statewide
significance deemed appropriate for state
parks, fish and wildlife habitats, natural
area preserves, natural resources
conservation areas, department of natural
resources community forest open spaces, or
recreation purposes. The approved property
for transfer is identified in the LEAP
capital document no. 2017-2H, developed
June 30, 2017.

(2) Property transferred under this
section must be appraised and transferred
at fair market value. By September 30,
2018, the department must deposit in the
common school construction account the
portion of the appropriation in this
section that represents the estimated
value of the timber on the transferred
properties. This transfer must be made in
the same manner as timber revenues from
other common school trust lands. No
deduction may be made for the resource
management cost account under RCW
79.64.040. The portion of the
appropriation in this section that
represents the value of the land
transferred must be deposited in the
natural resources real property
replacement account.

(3) All reasonable costs incurred by
the department to implement this section
are authorized to be paid out of the
appropriations. Authorized costs include
the actual cost of appraisals, staff time,
environmental reviews, surveys, and other
similar costs, and may not exceed one and
nine-tenths percent of the appropriation.

(4) By June 30, 2018, land within the common school trust shall be exchanged for land of equal value held for other trust beneficiaries of the property identified in subsection (1) of this section.

(5) Prior to or concurrent with conveyance of these properties, the department shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section. Fee transfer agreements for properties identified in subsection (1) of this section must include terms that perpetually restrict the use of the property to the intended purpose. Transfer agreements may include provisions for receiving agencies to request alternative uses of the property, provided the alternative uses are compatible with the originally intended public purpose and the department and legislature approves such uses.

(6) The department shall work in good faith to carry out the intent of this section.

(7) By June 30, 2019, the state treasurer shall transfer to the common school construction account any unexpended balance of the appropriation in this section.

Future Biennia (Projected Costs) \$0

TOTAL \$10,000,000

**NEW SECTION. Sec. 3265. FOR THE
DEPARTMENT OF NATURAL RESOURCES**

State Forest Land Replacement
(30000277)

The appropriation in this section is subject to the following conditions and limitations:

(1) \$60,000 of the appropriation is provided solely for the department to assess options to replace timber trust revenues for counties with populations of twenty-five thousand or fewer that are subject to timber harvest deferrals greater than thirty years due to the presence of wildlife species listed as endangered or threatened under the federal endangered species act. The department must consult with the qualifying counties and other stakeholders in conducting the

assessment. The department shall report the findings of its assessment, including recommendations for addressing decreased revenues from state forestlands and improving the forest products economy in the qualifying counties, by December 15, 2017.

(2)(a) The remaining portion of the appropriation is provided solely to the department to transfer from state forestland status to natural resources conservation area status certain state forestlands in counties:

(i) With a population of twenty-five thousand or fewer; and

(ii) With risks of timber harvest deferrals greater than thirty years due to the presence of wildlife species listed as endangered or threatened under the federal endangered species act.

(b) This appropriation must be used equally for the transfer of qualifying state forestlands in the qualifying counties.

(3) Property transferred under this section must be appraised and transferred at fair market value, without consideration of management or regulatory encumbrances associated with wildlife species listed under the federal endangered species act. The value of the timber and other valuable materials transferred must be distributed as provided in RCW 79.64.110. The value of the land transferred must be deposited in the park land trust revolving account and be used solely to buy replacement state forestland, consistent with RCW 79.22.060.

(4) Prior to or concurrent with conveyance of these properties, the department shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (2) of this section. Transfer agreements for properties identified in subsection (2) of this section must include terms that restrict the use of the property to the intended purpose.

(5) The department and applicable counties shall work in good faith to carry out the intent of this section. The department will identify eligible properties for transfer, consistent with subsections (2) and (3) of this section, in consultation with the applicable counties, and will not execute any property transfers that are not in the statewide interest of either the state

forest trust or the natural resources conservation area program.

Forest Hazard Reduction (30000290)

The appropriation in this section is subject to the following conditions and limitations:

(1) Pursuant to chapter 248, Laws of 2017 (E2SHB 1711) (forest health treatments) and chapter 95, Laws of 2017 (2SSB 5546) (forest health assessment and treatment framework), \$450,000 of the appropriation is provided solely for planning and analysis to support a prioritized list of forest health treatments, and that is the maximum amount the department may expend for this purpose.

(2) \$6,400,000 is provided solely to reduce hazards to public safety, establish new firewise communities, and implement thinning and fuels reduction activities on state trust lands and high-risk private lands. The department shall work in conjunction with communities, counties, fire districts, and conservation districts in implementing firewise activities, including through grants to these entities for project implementation. The following areas are eligible:

- (a) Republic to Wauconda;
- (b) North Spokane;
- (c) Kittitas to Manastash; and
- (d) Klickitat to Goldendale.

(3) \$453,000 is provided solely to implement controlled burning treatments on one thousand acres of state trust land in

southeast Stevens and northwest Spokane county.

(4) \$500,000 is provided solely for the forest collaborative infrastructure pilot, which will provide contract services, such as technical analysis, facilitation, and logistical support.

(5) \$2,500,000 is provided solely for the "good neighbor" cross-boundary competitive grants for projects on federal land that support existing and planned state and local hazard reduction investments, of which \$1,600,000 is provided solely for the north central Washington forest health collaborative, and \$650,000 is provided solely for the Tapash sustainable forests collaborative.

(6) \$1,700,000 is provided solely for state trust land reforestation in wildfire-damaged areas.

(7) \$997,000 is provided solely to perform tree thinning, pruning, and brush disposal. The department must contract with the Washington conservation corps and national student conservation association programs, including the veterans fire corps program, to perform the work.

Public School Seismic Safety Assessment
(91000091)

The appropriation in this section is subject to the following conditions and limitations:

(1) The department, in consultation with the office of emergency management, the office of the superintendent of public instruction, and the state board of education, shall develop a prioritized seismic risk assessment that includes seismic safety surveys of public facilities that are subject to high seismic risk as a consequence of high earthquake hazard and soils that amplify that hazard. The seismic safety surveys must be conducted for the following types of public facilities in the following order:

(a) Facilities that have a capacity of two hundred fifty or more persons and are routinely used for student activities by kindergarten through twelfth grade public schools; and

(b) Fire stations located within a one-mile radius of a facility described in subsection (1)(a) of this section.

(2) The initial phase of the prioritized seismic needs assessment of the facilities specified in subsections (1)(a) and (b) shall include, but is not limited to, the following:

(a) An on-site assessment, under the supervision of licensed geologists, of the seismic site class of the soils at the facilities;

(b) An on-site inspection of the facility buildings, including structural systems using structural plans where available, condition, maintenance, and nonstructural seismic hazards following standardized methods by licensed structural engineers;

(c) An estimate of costs to retrofit facilities specified in subsection (1) (a) of this section to life safety standards as defined by the American society of civil engineers; and

(d) An estimate of costs to retrofit facilities specified in subsection (1) (b) of this section to immediate occupancy standards as defined by the American society of civil engineers.

(3) The department shall develop geographic information system databases of survey data and must share that data with the governor, the superintendent of public instruction, and the appropriate legislative committees.

(4) The statewide seismic needs assessment specified in this section shall be submitted to the office of financial management and the appropriate committees of the legislature by October 1, 2018.

NEW SECTION. Sec. 4004. FOR THE DEPARTMENT OF TRANSPORTATION

Aviation Revitalization Loans
(92000003)

The appropriation in this section is subject to the following conditions and limitations:

(1) This appropriation is provided solely for deposit into the public use general aviation airport loan revolving account created in section 7029 of this act for direct loans to political subdivisions of the state and privately owned airports for the purpose of improvements at public use airports that primarily support general aviation activities.

(2) The department must convene a community aviation revitalization board to develop criteria for selecting loan recipients, to develop a process for evaluating applications, and to make decisions. The board must consist of the capital budget chair and ranking minority member of the capital budget committee of the house of representatives and the senate ways and means committee, and a representative from both the department of transportation's aviation division and the department of commerce. The board must also consist of the following members appointed by the secretary of transportation: One port district official, one county official, one city official, one representative of airport managers, and one representative of pilots. The chair of the board must be selected by the secretary of transportation. The members of the board must elect one of their members to serve as vice chair. The director of commerce and the secretary of transportation must serve as nonvoting advisory members of the board.

(3) The board may provide loans to privately owned airports for the purpose of airport improvements only if the state is receiving commensurate public benefit, such as guaranteed long-term public access to the airport as a condition of the loan. For purposes of this subsection, "public use airports that primarily support general aviation activities" means all public use airports not listed as having more than fifty thousand annual commercial air service passenger enplanements as published by the federal aviation administration.

(4) An application for loan funds under this section must be made in the form and manner as the board may prescribe. When evaluating loan applications, the board must prioritize applications that provide conclusive justification that completion of the loan application project will create revenue-generating opportunities. The board is not limited to, but must also use, the following expected outcome conditions when evaluating loan applications:

(a) A specific private development or expansion is ready to occur and will occur only if the aviation facility improvement is made;

(b) The loan application project results in the creation of jobs or private sector capital investment as determined by the board;

(c) The loan application project improves opportunities for the successful maintenance, operation, or expansion of an airport or adjacent airport business park;

(d) The loan application project results in the creation or retention of long-term economic opportunities; and

(e) The loan application project results in leveraging additional federal funding for an airport.

(5) The repayment of any loan made from the public use general aviation airport loan revolving account under the contracts for aviation loans must be paid into the public use general aviation airport loan revolving account.

Emergency Repairs and Equal Access
Grants for K-12 Public Schools (30000182)

The appropriations in this section are
subject to the following conditions and
limitations:

(1) \$2,000,000 of the common school
construction account-state appropriation
is provided solely for emergency repair
grants to address unexpected and imminent
health and safety hazards at K-12 public
schools, including skill centers, that
will impact the day-to-day operations of
the school facility, and this is the
maximum amount that may be spent for this
purpose. For emergency repair grants only,
an emergency declaration must be signed by
the school district board of directors and
submitted to the superintendent of public
instruction for consideration. The
emergency declaration must include a
description of the imminent health and
safety hazard, the possible cause, the
proposed scope of emergency repair work
and related cost estimate, and
identification of local funding to be
applied to the project. Grants of
emergency repair moneys must be
conditioned upon the written commitment
and plan of the school district board of
directors to repay the grant with any
insurance payments or other judgments that
may be awarded, if applicable.

(2) \$3,000,000 of the state building
construction account-state appropriation
is provided solely for urgent repair
grants to address non-reoccurring urgent
small repair projects at K-12 public
schools, excluding skill centers, that
could impact the health and safety of
students and staff if not completed, and
this is the maximum amount that may be
spent for this purpose. The office of the
superintendent of public instruction,
after consulting with maintenance and
operations administrators of school
districts, shall develop criteria and
assurances for providing funding for
specific projects through a competitive
grant program. The criteria and assurances
must include, but are not limited to, the
following: (a) Limiting school districts
to one grant, not to exceed \$200,000, per
three-year period; (b) prioritizing
applications based on limited school
district financial resources for the
project; and (c) requiring any district

receiving funding provided in this section to demonstrate a consistent commitment to addressing school facility needs. The grant applications must include a comprehensive description of the health and safety issues to be addressed, a detailed description of the remedy including a detailed cost estimate of the repair or replacement work to be performed, and identification of local funding, if any, which will be applied to the project. Grants may be used for, but are not limited to: Repair or replacement of failing building systems; abatement of potentially hazardous materials; and safety-related structural improvements.

(3) \$1,000,000 of the state building construction account—state appropriation is provided solely for equal access grants for facility repairs and alterations at K-12 public schools, including skills centers, to improve compliance with the Americans with disabilities act and individuals with disabilities education act, and this is the maximum amount that may be spent for this purpose. The superintendent of public instruction shall develop criteria and assurances for providing funding for specific projects through a competitive grant program. The criteria and assurances must include, but are not limited to, the following: (a) Limiting districts to one grant, not to exceed \$100,000, per three-year period; (b) prioritizing applications based on limited school district financial resources for the project; and (c) requiring recipient districts to demonstrate a consistent commitment to addressing school facility needs. The grant applications must include a description of the Americans with disabilities act or individuals with disabilities education act compliance deficiency, a comprehensive description of the facility accessibility issues to be addressed, a detailed description of the remedy including a detailed cost estimate of the repair or replacement work to be performed, and identification of local funding, if any, which will be applied to the project. Priority for grant funding must be given to school districts that demonstrate a lack of capital resources to address the compliance deficiencies outlined in the grant application.

(4) The superintendent of public instruction must notify the office of financial management, the legislative evaluation and accountability program committee, the house capital budget committee, and the senate ways and means

committee as projects described in subsection (1) of this section are approved for funding.

Healthy Kids/Healthy Schools (30000184)

The appropriation in this section is subject to the following conditions and limitations:

(1) The office of the superintendent of public instruction, after consulting with maintenance and operations administrators of school districts and the department of health, shall develop criteria for providing funding for specific projects that are consistent with the healthiest next generation priorities. The criteria must include, but are not limited to, the following:

(a) Districts or schools may apply for grants but no single district may receive more than \$200,000 of the appropriation;

(b) Any district receiving funding provided in this section must demonstrate a consistent commitment to addressing school facilities' needs; and

(c) Applicants with a high percentage of students who are eligible and enrolled in the free and reduced-price meals program must be prioritized.

(2) A maximum of \$1,000,000 of the appropriation may be used for the replacement of lead-contaminated drinking water fixtures.

(3) A maximum of \$1,000,000 of the appropriation may be used to purchase equipment or make repairs related to improving children's physical health and may include, but is not limited to: Fitness playground equipment, covered play areas, and physical education equipment or related structures or renovation.

(4) A maximum of \$250,000 of the appropriation may be used to purchase equipment or make repairs related to improving children's awareness and participation in sustaining efficient schools and may include, but is not limited to: Dashboards that display energy savings, composting systems, and recycling stations.

(5) The remaining portion of the appropriation is provided solely to purchase equipment or make repairs related to improving children's nutrition and may include, but is not limited to: Garden related structures and greenhouses to provide students access to fresh produce, and kitchen equipment or upgrades.

STEM Classrooms and Labs (30000203)

The appropriation in this section is subject to the following conditions and limitations:

(1) \$2,800,000 of the appropriation is provided solely for the Federal Way school district to merge STEM facilities.

(2) \$200,000 of the appropriation is provided solely for the contract with the statewide STEM organization described in subsection (5) of this section.

(3) The remaining portion of the appropriation in this section is provided solely for the superintendent of public instruction to provide STEM classrooms and labs grants to school districts for public school facilities serving students in grades nine through twelve, or any combination thereof, to construct classrooms, or labs, as additions to existing school buildings or to modernize specialized STEM facilities.

(4) The superintendent shall award grants to school districts under the following conditions:

(a) Districts eligible to receive STEM classrooms and labs grants include:

(i) Districts that demonstrate a lack of sufficient space of STEM classrooms or labs to provide opportunities for students to meet statutory graduation requirements;

(ii) Districts that demonstrate that their current STEM classrooms or labs are insufficient to provide opportunities for students to meet statutory graduation requirements;

(iii) Districts that have not received state capital funding assistance in the previous ten years for the STEM classrooms or labs project proposals; and

(iv) Districts that have secured private donations of cash, like-kind, or equipment in a value of no less than \$100,000. Prior to receiving grant funding, the district must provide verification of the donation to the

superintendent within ninety days of notification of grant award.

(b) Allowable project costs under the grant program include design, renovation, or modernization of existing science labs or classrooms; project management costs; furnishings, fixtures, and equipment; and necessary utility and information technology systems upgrades to support specialized STEM facilities.

(c) At least one grant award is made to school districts located in southwest Washington;

(d) At least one grant award is made to school districts located in the Puget Sound region; and

(e) At least two grant awards are made to school districts located east of the crest of the Cascade mountain range.

(5) The STEM classrooms and labs grants program must be administered by the superintendent of public instruction in consultation with the STEM education innovation alliance specified in RCW 28A.188.030 and the statewide STEM organization specified in RCW 28A.188.050. The superintendent of public instruction must develop grant application materials and criteria in consultation with the statewide STEM organization, must review applications for accuracy and financial reasonableness, and must administer awarded grants. With funding specifically appropriated for this purpose, the superintendent of public instruction must contract with the statewide STEM organization specified in RCW 28A.188.050 to evaluate applications against the criteria developed for the program and develop a single prioritized list. The superintendent of public instruction must award grants within the appropriated funding and may depart from the recommended prioritized list only after consulting with the office of financial management and the appropriate committees of the legislature. The criteria must include, but are not limited to, the following:

(a) Priority for school districts that have experienced decreased enrollments of more than ten percent over the previous five year period due to interdistrict transfers to schools with STEM facilities constructed or modernized in that same period of time;

(b) Priority for applicants with a high percentage of students who are eligible

and enrolled in the free and reduced-price meals program;

(c) Economic conditions within the school district that limits their ability to finance the modernization of STEM classrooms and labs from local funding sources;

(d) Educational benefits of proposed projects;

(e) Age and condition of existing STEM classroom and lab space, if applicable;

(f) The extent that existing STEM facilities are inadequate including the lack of adequate STEM facilities to meet graduation requirements in RCW 28A.150.220;

(g) Financial reasonableness based on total project cost per square foot; and

(h) Demonstration of readiness to proceed that may include, but is not limited to:

(i) A demonstration that existing STEM faculty are in place and are qualified to deliver an interactive, project-based STEM curriculum in the proposed specialized STEM facilities; or

(ii) A plan and budget in place to recruit or train such STEM faculty.

(6) For purposes of grant applications made in the 2017-2019 biennium, additional square footage funded through this grant program is excluded from the school district's inventory of available educational space for determining eligibility for state assistance for new construction until the earlier of:

(a) Five years following acceptance of the project by the school district board of directors; or

(b) The date of the final review of the latest study and survey of the affected school district following acceptance of the project by the school district board of directors.

(7) Each school district is limited to one grant award, which may be used for more than one school facility within the district, of no more than \$2,000,000.

(8) The office of the superintendent of public instruction may charge fees consistent with capital budget guidelines established by the office of financial management for administering the grants.

(9) The superintendent of public instruction must report to the appropriate

committees of the legislature and the office of financial management on the timing and use of the funds by the end of each fiscal year, until the funds are fully expended.

(2) \$50,000 of the appropriation is provided solely for the Issaquah school district for career and technical education equipment.

(3) \$30,000 of the appropriation is provided solely for the Elma school district for career and technical education equipment.

(4) The remaining portion of the appropriation in this section is provided solely for the superintendent of public instruction to provide career and technical education equipment grants to school districts. The office of the superintendent of public instruction, after consulting with school districts and the workforce training and education coordinating board, shall develop criteria for providing funding and outcomes for specific projects to stay within the appropriation level provided in this section consistent with the following priorities. The criteria must include, but are not limited to, the following:

(a) Districts or schools must demonstrate that the request provides necessary equipment to deliver career and technical education;

(b) Districts or schools must demonstrate a consistent commitment to maintaining school facilities and equipment by participating in the asset preservation program administered by the office of the superintendent of public instruction; and

(c) Prioritizing applicants with a high percentage of students who are eligible and enrolled in the free and reduced-price meals program.

(5) The superintendent must award grants to applicants on a first-come, first-serve basis if the district or

school demonstrates that the request meets the criteria set by the office of superintendent of public instruction as described in subsection (4) of this section and the site is prepared to receive the equipment.

Joint Center for Deployment and Research in Earth Abundant Materials (91000039)

The appropriation in this section is subject to the following conditions and limitations:

(1) Funding is provided solely for capital improvements, infrastructure, and equipment, to support: (a) A transformative program in earth-abundant materials to accelerate the development of next generation clean energy and transportation technologies in

Washington; (b) a coordinated framework and resources that can facilitate and promote multi-institution collaborations to drive research, development, and deployment efforts in the use of earth-abundant materials for manufactured clean technologies or recycling of advanced materials used in clean technologies; and (c) environmentally responsible processes in the areas of manufacturing and recycling of advanced materials used in clean technologies.

(2) Administration of the appropriation is under the authority of Washington State University in collaboration with the University of Washington. Washington State University and the University of Washington, in consultation with the regional universities, the Pacific Northwest national laboratory, and industry experts, shall develop criteria for providing grant funding for specific projects at public four-year institutions of higher education to stay within the appropriation level provided in this section. Funding for administrative offices may be provided for administrative offices west of the crest of the Cascade mountains only.

(3) The office of the state treasurer must manage the issuance of bonds associated with these grants so as to incur the lowest possible cost of funds in recognition of the short useful life of the equipment purchased with the bond proceeds.

The appropriation in this section is
subject to the following conditions and
limitations:

(1) The appropriation is provided
solely for a predesign to determine: (a)
Necessary program space for the state
library currently located in Tumwater, and
additional archive space; (b) capital
budget requirements, including the use of
fees collected by the secretary of state
that will support a certificate of
participation for the financing of the
construction of the facility, and future
operating costs; and (c) projected
efficiencies of electronic document
storage in determining necessary space.

(2) The study must consider the use of
the general administration building site
as a possible location; and any benefits
or consequences may be identified at this
site or other sites considered; and lease
options.

(3) The office of financial management
shall determine the maximum use of the
site and consider the consolidation of
other state agencies, including separately
elected officials.

(4) The building must be a high
performance building as described in
section 7008 of this act and the
construction must be procured using a

Sec. 6003. 2015 3rd sp.s. c 3 s 1028 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF COMMERCE

Clean Energy and Energy Freedom Program (30000726)

The appropriations in this section are subject to the following conditions and limitations:

(1) The appropriations are provided solely for projects that provide a benefit to the public through development, demonstration, and deployment of clean energy technologies that save energy and reduce energy costs, reduce harmful air emissions or otherwise increase energy independence for the state.

(2) In soliciting and evaluating proposals, awarding contracts, and monitoring projects under this section, the department must:

(a) Ensure that competitive bidding processes, rather than sole source contracting processes, are used to select all projects;

(b) Require that all expenditures be used for projects that develop and acquire asset that have a useful life of at least thirteen years; and

(c) Conduct due diligence activities associated with the use of public funds including, but not limited to, oversight of the project selection process, project monitoring and ensuring that all applications and contracts fully comply with all applicable laws including disclosure and conflict of interest statutes.

(3)(a) Pursuant to chapter 42.52 RCW, the ethics in public service act, the department must require an applicant to identify in application materials any state of Washington employees or former state employees employed or on the firm's governing board during the past twenty-four months. Application materials must identify the individual by name, the agency previously or currently employed by, job title or position held, and separation date. If it is determined by the department that a conflict of interest exists, the applicant may be disqualified from further consideration for award of a contract.

(b) If the department finds, after due notice and examination, that there is a violation of chapter 42.52 RCW, or any similar statute involving a contractor either in procuring or performing under the contract, the department in its sole discretion may terminate the contract by written notice. If the contract is terminated, the department must be entitled to pursue the same remedies against the contractor as it could pursue in the event of a breach of the contract by the contractor.

(4) The requirements in subsections (2) and (3) of this section must be specified in funding agreements issued by the department.

(5) The department may not obligate or expend any of the amounts provided in this section on new projects that involve the Snohomish county public utilities district or its subcontractors until the executive ethics board responds to the department's June 17, 2015, request for an advisory opinion on poststate employment.

(6)(a) (~~\$10,000,000~~) \$13,650,000 of the state taxable building construction account is provided solely to create a revolving loan fund to support the widespread use of proven energy efficiency and renewable energy, and transportation

electrification technologies now inhibited by lack of access to capital.

(b) The department shall provide grant funds to one or more competitively selected nonprofit lenders that will provide matching private capital and will administer the loan fund. The department must select the loan fund administrator or administrators through a competitive process, with scoring conducted by a group of qualified experts, applying criteria specified by the department.

(c) The department must establish guidelines that specify applicant eligibility, the screening process, and evaluation and selection criteria. The guidelines must be used by the nonprofit lenders.

(d) Loan applications must disclose all sources of public funds invested in the project. The nonprofit lender must make loans available to the following types of projects that include, but are not limited to: Residential, commercial, industrial, and agricultural energy retrofits((~~7~~)); residential and community-scale solar installations((~~7~~)); anaerobic digesters to treat dairy and organic waste((~~7~~ and)); combined heat and power projects using woody biomass as a fuel source; electric vehicle charging infrastructure and equipment for cars, trucks, and buses; upgrades to facilitate such equipment and infrastructure; and acquisition of zero-emission buses and class 4-8 vehicles, including but not limited to trucks and passenger shuttles.

(e) State funds may not exceed fifty percent of the estimated cost of a project, and funding preference must be provided to projects that offer a higher percentage of nonstate match funds.

(7) (~~(\$6,600,000)~~) \$100,000 of the state taxable building construction account is provided solely for credit enhancements of advanced solar and renewable energy manufacturing within Washington state. The department shall develop an application process to competitively select projects.

(8)(a) \$13,000,000 of the state building construction account is provided solely for grants to advance clean and renewable energy technologies and advance transmission and distribution control system improvements for increased reliability, resiliency, and enabling integration of distributed and renewable resources and technology by public and private electrical utilities that serve

retail customers in the state. Eligible utilities may partner with other public and private sector research organizations and businesses in applying for funding.

(b) The department shall develop a grant application process to competitively select projects for grant awards, to include scoring conducted by a group of qualified experts with application of criteria specified by the department. In development of the application criteria, the department shall, to the extent possible, allow smaller utilities or consortia of small utilities to apply for funding.

(c) The department shall convene an advisory panel of electric utility representatives to identify program objectives, near term priorities and long term goals.

(d) Applications for grants must disclose all sources of public funds invested in a project.

(e) Grant funds must be used for research, development, or demonstration projects that integrate intermittent renewables through energy storage, information technology or other smart grid technologies, dispatch energy storage resources from utility control rooms, use demand response, transactive control, or the thermal properties and electric load of commercial buildings and district energy systems to store energy, reduce transmission congestion or otherwise improve system reliability and resiliency and enable integration of distributed and renewable energy sources.

(9)(a) \$10,000,000 of the state building construction account is provided solely for grants to match federal funds or other nonstate funding sources used to research, develop, and demonstrate clean energy technologies.

(b) The department shall consult with the University of Washington, Washington State University, the Pacific Northwest national laboratory and other clean energy organizations to design the program. The program shall offer matching funds for competitively selected clean energy projects including, but not limited to: Advancing energy storage and solar technologies, advancing bioenergy, developing new lightweight materials, and advancing renewable energy and energy efficiency technologies.

(10) \$400,000 of the state building construction account-state is provided

solely for capital funding of competitively selected wood energy conversion projects at public facilities.

(11) The department must report on number and results of projects that receive grants or loans through the clean energy fund, including the number of job hours created and the number of jobs maintained and created, to the governor and the legislature, by November 1, 2016.

(12) The department shall develop metrics that indicate the performance of energy efficiency efforts and provide a report of the metrics, including at a minimum the current energy used by the building, the energy use after efficiencies are completed, and cost of energy saved, to the house of representatives technology & economic development committee and the senate energy, environment & telecommunications committee. The report must include these metrics from other states.

(13) \$3,250,000 of the state building construction account—state appropriation is provided solely for the Pacific Northwest national laboratory to use demand side management and analyze electricity use by the department of corrections. After the analysis is performed any remaining funds may be used for reducing energy use of the department of corrections. The department must make energy records available.

FOR THE DEPARTMENT OF COMMERCE

2017 Local and Community Projects (30000846)

The appropriation in this section is subject to the following conditions and limitations:

(1) Except as directed otherwise prior to the effective date of this section, the department may not expend the appropriation in this section unless and until the nonstate share of project costs have been either expended, or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is released for design costs only.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations whose sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

(5) Projects funded in this section must be held by the recipient for a minimum of ten years and used for the same purpose or purposes intended by the legislature as required in RCW 43.63A.125(6).

(6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

(7) As the most trade dependent state in the nation, the legislature recognizes the significant statewide benefits to be gained from the proposed Asia Pacific cultural center. The multipurpose facility will serve as a needed cultural resource for Washington's Asian and Pacific Islander community; provide affordable housing and educational opportunities; strengthen relations with our Asia-Pacific trading partners; and deliver economic growth as a commercial and tourist destination. The legislature intends to support the development of the project

through a grant to be used for project coordination and development of a sustainable financial plan, which the legislature intends as a prerequisite to consideration of any further state capital commitment.

(8) \$500,000 of the appropriation in this section is provided solely to the 242 home development corporation to develop mental health housing, first and broad, Seattle.

Construction Contingency Pool (90000300)	
---	--

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation in this section is provided solely for construction projects that confront emergent and unavoidable costs in excess of the construction contingency included in the project appropriation. For requests occurring during a legislative session, an agency must notify the legislative fiscal committees before requesting contingency funds from the office of financial management. Eligible agencies that may apply to the pool include higher education institutions, the department of corrections, the department of social and health services, the department of

enterprise services, the department of veterans affairs, the parks and recreation commission, and the department of fish and wildlife. Eligible construction projects are only projects that had cost reductions as kept on file with the office of financial management, and the carver academic renovation project funded in section 5084, chapter 3, Laws of 2015 3rd sp.s. The office of financial management must notify the legislative evaluation and accountability program committee, the house capital budget committee, and senate ways and means committee as projects are approved for funding.

(2)(a) The legislature intends to use the 1063 Block building development project as a model of efficient space and energy use for both owned and leased state office buildings.

(b) To achieve this intent, the office of financial management must reconsider tenants for the building, including consideration of the utilities and transportation commission, all current tenants of the general administration building with operations compatible with a high density office building, and other possible tenants. The measure of achieving a higher space efficiency is measured by the average square feet per housed employee.

(c) The office of financial management must provide a report to the appropriate committees of the legislature on the redesign and the increase space efficiency by October 15, 2015.

------------------------------	--

The appropriation in this section is subject to the following conditions and limitations: Emergency repair funding is provided solely to address unexpected building or grounds failures that will impact public health and safety and the day-to-day operations of the facility. To be eligible for funds from the emergency

repair pool, an emergency declaration signed by the affected agency director must be submitted to the office of financial management and the appropriate legislative fiscal committees. The emergency declaration must include a description of the health and safety hazard, the possible cause, the proposed scope of emergency repair work and related cost estimate, and identification of other funding that may be applied to the project. For emergencies occurring during a legislative session, an agency must notify the legislative fiscal committees before requesting emergency funds from the office of financial management. The office of financial management must notify the legislative evaluation and accountability program committee, the house capital budget committee, and senate ways and means committee as emergency projects are approved for funding.

validated by the Washington State University extension energy office for the inventory and condition of existing school facilities.

(3) School districts receiving funding through the 2015-17 school construction assistance program must map the design of new facilities and remap the design of facilities to be remodeled.

(4) The office of the superintendent of public instruction must weight and prioritize grant requests on the following criteria and in the following order: (a) Will provide facility capacity needs to reduce kindergarten through third grade class sizes at high poverty schools; (b) will provide facility capacity needs to reduce kindergarten through third grade class sizes in remaining schools.

(5) The office of the superintendent of public instruction must expedite allocation and distribution of any eligible funds under the school construction assistance grant program for the appropriations provided to the superintendent of public instruction in this act for distressed schools, STEM pilot projects, or skill centers. For purposes of determining state funding assistance, eligible area must be calculated as follows: (a) Eligible area for STEM pilot projects is 1,440 square feet per science lab or classroom combination, or both; and 1,040 square feet per science classroom. Total eligible area per STEM pilot project must not exceed 15,840 square feet, and total eligible area of all STEM pilot projects from this section must not exceed 36,880 square feet; (b) eligible area for skill centers is gross square feet of the proposed project as submitted to the office of financial management as requested by the superintendent for consideration in the 2015-2017 capital budget. Eligible area for the Spokane Valley technical skills center must not exceed 5,400 square feet, and; (c) eligible area for replacement of the cafeteria at Marysville-Pilchuck high school is 13,500 square feet.

(1) On July 1, 2016, if the cash balance amount in the pollution liability insurance program trust account exceeds seven million five hundred thousand dollars after excluding the reserves under RCW 70.148.020(2), the state treasurer shall transfer the amount exceeding seven million five hundred thousand dollars, up to a transfer of ten million dollars, from the pollution liability insurance program trust account into the pollution liability insurance agency underground storage tank revolving account. If ten million dollars is not available to be transferred on July 1, 2016, then by the end of fiscal year 2017, if the cash balance amount in the pollution liability insurance program trust account exceeds seven million five hundred thousand dollars after excluding the reserves under RCW 70.148.020(2), the state treasurer shall transfer the amount exceeding seven million five hundred thousand dollars from the pollution liability insurance program trust account into the pollution liability insurance agency underground storage tank revolving account. The total amount transferred in fiscal year 2017 from the pollution liability insurance program trust account into the pollution liability insurance agency underground storage tank revolving account may not exceed ten million dollars.

(2) On July 1, 2017, and every two years thereafter at the start of each successive biennium, if the cash balance amount in the pollution liability insurance program trust account exceeds seven million five hundred thousand dollars, the state treasurer shall transfer the amount exceeding seven million five hundred thousand dollars after excluding the reserves under RCW 70.148.020(2), up to a

transfer of twenty million dollars, from the pollution liability insurance program trust account into the pollution liability insurance agency underground storage tank revolving account. If twenty million dollars is not available to be transferred at the beginning of the first fiscal year of the biennium, ~~((on July 1st))~~ by the end of the subsequent fiscal year, if the cash balance amount in the pollution liability insurance program trust account exceeds seven million five hundred thousand dollars after excluding the reserves under RCW 70.148.020(2), the state treasurer shall transfer the amount exceeding seven million five hundred thousand dollars from the pollution liability insurance program trust account into the pollution liability insurance agency underground storage tank revolving account. The total amount transferred in a biennium from the pollution liability insurance program trust account into the pollution liability insurance agency underground storage tank revolving account may not exceed twenty million dollars.

Sec. 6024. 2016 sp.s. c 35 s 6015 (uncodified) is amended to read as follows:

STATE TREASURER TRANSFER AUTHORITY

State toxics control account: For transfer to the

environmental legacy stewardship account \$24,000,000

Local toxics control account: For transfer to the

environmental legacy stewardship account \$30,000,000

(1) As directed by the department of ecology in consultation with the office of financial management, the state treasurer shall transfer amounts among the state toxics control account, the local toxics control account, and the environmental legacy stewardship account as needed during the 2015-2017 fiscal biennium to maintain positive account balances in all three accounts.

(2) As directed by the department of ecology in consultation with the office of financial management, the state treasurer shall transfer amounts from the cleanup settlement account established in RCW 70.105D.130 to the state toxics control account, the local toxics control account or the environmental legacy stewardship account to maintain positive account balances up to an amount not to exceed

((~~\$23,000,000~~)) \$13,000,000 that must be considered an ((~~inter-fund~~)) interfund loan that must be repaid with interest to the cleanup settlement account in three equal repayments in fiscal years 2019, 2020, and 2021.

(3) If, after using the ((~~inter-fund~~)) interfund transfer authority granted in this section, the department of ecology determines that further reductions are needed to maintain positive account balances in the state toxics control account, the local toxics control account, and the environmental legacy stewardship account, the department is authorized to delay the start of clean-up projects based on acuity of need, readiness to proceed, cost-efficiency, or need to ensure geographic distribution.

(4) By June 30, 2017, the department must submit a list of projects that were delayed to the office of financial management and the appropriate fiscal committees of the legislature.

PART 7

MISCELLANEOUS PROVISIONS

NEW SECTION. Sec. 7001. RCW 43.88.031 requires the disclosure of the estimated debt service costs associated with new capital bond appropriations. The estimated debt service costs for the appropriations contained in this act are forty two million four hundred eighty-six thousand dollars for the 2017-2019 biennium, two hundred sixty-eight million six thousand dollars for the 2019-2021 biennium, and three hundred seventy-four million seven hundred eight thousand dollars for the 2021-2023 biennium.

NEW SECTION. Sec. 7002. ACQUISITION OF PROPERTIES AND FACILITIES THROUGH FINANCIAL CONTRACTS. (1) The following agencies may enter into financial contracts, paid from any funds of an agency, appropriated or nonappropriated, for the purposes indicated and in not more than the principal amounts indicated, plus financing expenses and required reserves pursuant to chapter 39.94 RCW. When securing properties under this section, agencies shall use the most economical financial contract option available, including long-term leases, lease-purchase agreements, lease-development with option to purchase agreements or financial contracts using certificates of participation. Expenditures made by an agency for one of the indicated purposes before the issue date of the authorized financial contract and any certificates of

participation therein are intended to be reimbursed from proceeds of the financial contract and any certificates of participation therein to the extent provided in the agency's financing plan approved by the state finance committee.

(2) Those noninstructional facilities of higher education institutions authorized in this section to enter into financial contracts are not eligible for state funded maintenance and operations. Instructional space that is available for regularly scheduled classes for academic transfer, basic skills, and workforce training programs may be eligible for state funded maintenance and operations.

(3) Department of enterprise services:

(a) Enter into a financing contract for up to \$5,323,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to repair the east plaza garage in Olympia.

(b) Enter into a financing contract for up to \$2,000,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW for Tacoma Rhodes elevators.

(4) Washington state patrol:

(a) Enter into a financing contract for up to \$7,450,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to construct a burn building for live fire training.

(b) Enter into a financing contract for up to \$2,700,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW for furnishings and equipment at the 1063 building.

(5) Department of labor and industries: Enter into a financing contract for up to \$12,700,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to modernize a lab and training facility.

(6) Community and technical colleges:

(a) Enter into a financing contract on behalf of Cascadia College for up to \$29,500,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to build a parking structure.

(b) Enter into a financing contract on behalf of Renton Community College for up to \$2,000,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to acquire property in Renton.

(c) Enter into a financing contract on behalf of South Seattle College for up to

\$10,000,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to build a student wellness and fitness center.

(d) Enter into a financing contract on behalf of Shoreline Community College for up to \$31,100,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to build student housing.

(e) Enter into a financing contract on behalf of Clark College for up to \$35,000,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to build a student recreation center.

(f) Enter into a financing contract on behalf of Lower Columbia College for up to \$3,000,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to renovate the main building.

(g) Enter into a financing contract on behalf of Clover Park Technical College for up to \$33,288,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to construct a center for advanced manufacturing technologies.

NEW SECTION. Sec. 7003. To ensure that major construction projects are carried out in accordance with legislative and executive intent, appropriations in this act in excess of \$5,000,000, or \$10,000,000 for higher education institutions, may not be expended or encumbered until the office of financial management has reviewed and approved the agency's predesign. The predesign document must include, but not be limited to, program, site, and cost analysis, and an analysis of the life-cycle costs of the alternatives explored, in accordance with the predesign manual adopted by the office of financial management. The results of life-cycle cost analysis must be a primary consideration in the selection of a building design. Construction may proceed only upon providing to the office of financial management the life-cycle costs. To improve monitoring of major construction projects, progress reports must be submitted by the agency administering the project to the office of financial management and to the fiscal committees of the house of representatives and senate. Reports must be submitted on July 1st and December 31st each year in a format to be developed by the office of financial management.

NEW SECTION. Sec. 7004. (1) The legislature finds that use of life-cycle cost analysis will aid public entities,

architects, engineers, and contractors in making design and construction decisions that positively impact both the initial construction cost and the ongoing operating and maintenance cost of a project. To ensure that the total cost of a project is accounted for and the most reasonable and cost efficient design is used, agencies shall develop life-cycle costs for any construction project over \$10,000,000. The life-cycle costs must represent the present value sum of capital costs, installation costs, operating costs, and maintenance costs over the life expectancy of the project. The legislature further finds the most effective approach to the life-cycle cost analysis is to integrate it into the early part of the design process.

(2) Agencies shall develop a minimum of three project alternatives for use in the life-cycle cost analysis. These alternatives must be both distinctly different and viable solutions to the issue being addressed. The chosen alternative must be the most reasonable and cost-effective solution. A brief description of each project alternative and why it was chosen must be included in the life-cycle cost analysis section of the predesign.

(3) The office of financial management shall: (a) Make available a life-cycle cost model to be used for analysis; (b) in consultation with the department of enterprise services, provide assistance in using the life-cycle cost model; and (c) update the life-cycle cost model annually including assumptions for inflation rates, discount rates, and energy rates.

(4) Agencies shall consider architectural and engineering firms' and general contractors' experience using life-cycle costs, operating costs, and energy efficiency measures when selecting an architectural and engineering firm, or when selecting contractors using alternative contracting methods.

NEW SECTION. Sec. 7005. To improve monitoring of major construction projects, progress reports must be submitted by the agency administering the project to the office of financial management and to the fiscal committees of the house of representatives and senate. Reports must be submitted on July 1st and December 31st each year in a format to be determined by the office of financial management.

NEW SECTION. Sec. 7006. (1) Allotments for appropriations in this act shall be

provided in accordance with the capital project review requirements adopted by the office of financial management and in compliance with RCW 43.88.110. Projects that will be employing alternative public works construction procedures under chapter 39.10 RCW are subject to the allotment procedures defined in this section and RCW 43.88.110.

(2) Each project is defined as proposed in the legislative budget notes or in the governor's budget document.

NEW SECTION. Sec. 7007. (1) The office of financial management may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer may be used to expand the capacity of any facility beyond that intended in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account. No transfers may occur between projects to local government agencies except where the grants are provided within a single omnibus appropriation and where such transfers are specifically authorized by the implementing statutes that govern the grants.

(2) The office of financial management may find that an amount is in excess of the amount required for the completion of a project only if: (a) The project as defined in the notes to the budget document is substantially complete and there are funds remaining; or (b) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated in this act.

(3) For the purposes of this section, the intent is that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

(4) A report of any transfer effected under this section, except emergency projects or any transfer under \$250,000,

shall be filed with the legislative fiscal committees of the senate and house of representatives by the office of financial management at least thirty days before the date the transfer is effected. The office of financial management shall report all emergency or smaller transfers within thirty days from the date of transfer.

(5) The transfer authority granted in this section does not apply to appropriations for projects for the state parks and recreation commission. Appropriations for commission projects may be spent only for the specified projects, and funding may not be transferred from one commission project to another or from other sources to a commission project.

NEW SECTION. Sec. 7008. (1) It is expected that projects be ready to proceed in a timely manner depending on the type or phase of the project or program that is the subject of the appropriation in this act. Except for major projects that customarily may take more than two biennia to complete from predesign to the end of construction, or large infrastructure grant or loan programs supporting projects that often take more than two biennia to complete, the legislature generally does not intend to reappropriate funds more than once, particularly for smaller grant programs, local/community projects, and minor works.

(2) Agencies shall expedite the expenditure of reappropriations and appropriations in this act in order to:

- (a) Rehabilitate infrastructure resources;
- (b) accelerate environmental rehabilitation and restoration projects for the improvement of the state's natural environment;
- (c) reduce additional costs associated with acquisition and construction inflationary pressures; and
- (d) provide additional employment opportunities associated with capital expenditures.

(3) To the extent feasible, agencies are directed to accelerate expenditure rates at their current level of permanent employees and shall use contracted design and construction services wherever necessary to meet the goals of this section.

NEW SECTION. Sec. 7009. (1) Any building project that receives over \$10,000,000 in funding from the capital budget must be built to sustainable standards. "Sustainable building" means a building that integrates and optimizes all major high-performance building

attributes, including energy efficiency, durability, life-cycle performance, and occupant productivity. The following design and construction attributes must be integrated into the building project:

(a) **Employ integrated design principles:** Use a collaborative, integrated planning and design process that initiates and maintains an integrated project team in all stages of a project's planning and delivery. Establish performance goals for siting, energy, water, materials, and indoor environmental quality along with other comprehensive design goals and ensures incorporation of these goals throughout the design and life-cycle of the building. Considers all stages of the building's life-cycle, including deconstruction.

(b) **Commissioning:** Employ commissioning practices tailored to the size and complexity of the building and its system components in order to verify performance of building components and systems and help ensure that design requirements are met. This should include an experienced commissioning provider, inclusion of commissioning requirements in construction documents, a commissioning plan, verification of the installation and performance of systems to be commissioned, and a commissioning report.

(c) **Optimize energy performance:** Establish a whole building performance target that takes into account the intended use, occupancy, operations, plug loads, other energy demands, and design to earn the ENERGY STAR targets for new construction and major renovation where applicable. For new construction target low energy use index. For major renovations, reduce the energy use by fifty percent below prerenovations baseline.

(d) **On-site renewable energy:** Meet at least thirty percent of the hot water demand through the installation of solar hot water heaters, when life-cycle cost effective. Implement renewable energy generation projects on agency property for agency use, when life-cycle cost effective.

(e) **Measurement and verification:** Install building level electricity meters in new major construction and renovation projects to track and continuously optimize performance. Include equivalent meters for natural gas and steam, where natural gas and steam are used. Install

dashboards inside buildings to display and incentivize occupants on energy use.

(f) **Benchmarking:** Compare actual performance data from the first year of operation with the energy design target. Verify that the building performance meets or exceeds the design target. For other building and space types, use an equivalent benchmarking tool for laboratory buildings. Web-based data collection and dashboards must also be provided.

NEW SECTION. **Sec. 7010.** State agencies, including institutions of higher education, shall allot and report full-time equivalent staff for capital projects in a manner comparable to staff reporting for operating expenditures.

NEW SECTION. **Sec. 7011.** Executive Order No. 05-05, archaeological and cultural resources, was issued effective November 10, 2005. Agencies shall comply with the requirements set forth in this executive order.

NEW SECTION. **Sec. 7012.** FOR THE ARTS COMMISSION-ART WORK ALLOWANCE. (1) One-half of one percent of moneys appropriated in this act for original construction of school plant facilities is provided solely for the purposes of RCW 28A.335.210.

(2) One-half of one percent of moneys appropriated in this act for original construction or any major renovation or remodel work exceeding \$200,000 by colleges or universities is provided solely for the purposes of RCW 28B.10.027.

(3) One-half of one percent of moneys appropriated in this act for original construction of any public building by a state agency identified in RCW 43.17.020 is provided solely for the purposes of RCW 43.17.200.

(4) At least eighty-five percent of the moneys spent by the Washington state arts commission during the 2017-2019 biennium for the purposes of RCW 28A.335.210, 28B.10.027, and 43.17.200 must be expended solely for direct acquisition of works of art. Art allocations not expended within the ensuing two biennia will lapse. The commission may use up to \$150,000 of this amount to conserve or maintain existing pieces in the state art collection pursuant to RCW 28A.335.210.

(5) The executive director of the arts commission shall appoint a study group to review the operations of the one-half of one percent for works of art purchased or

commissioned as required by RCW 28A.335.210, 28B.10.027, and 43.17.200. The findings of the review must be reported annually to the office of financial management and the fiscal committees of the legislature by September 15th. The review must include, but is not limited to, the following: (a) Projects purchased or commissioned per biennium; (b) partner agencies; (c) funding sources by fiscal year; (d) artwork costs; (e) administrative costs; (f) collection care costs; and (g) project status.

Sec. 7013. RCW 28B.10.027 and 2016 sp.s. c 35 s 6008 are each amended to read as follows:

(1) All universities and colleges shall allocate as a nondeductible item, out of any moneys appropriated for the original construction or any major renovation or remodel work exceeding two hundred thousand dollars of any building, an amount of one-half of one percent of the appropriation to be expended by the Washington state arts commission with the approval of the board of regents or trustees for the acquisition of works of art.

(2) For projects funded in the 2015-2017 capital budget and the 2017-2019 capital budget, an institution of higher education, working with the Washington arts commission, may expend up to ten percent of the projected art allocation for a project during the design phase in order to select an artist and design art to be integrated in the building design. The one-half of one percent to be expended by the Washington arts commission must be adjusted downward by the amount expended by a university or college during the design phase of the capital project.

(3) The works of art may be placed on public lands of institutions of higher education, integral to or attached to a public building or structure of institutions of higher education, detached within or outside a public building or structure of institutions of higher education, part of a portable exhibition or collection, part of a temporary exhibition, or loaned or exhibited in other public facilities.

(4) In addition to the cost of the works of art, the one-half of one percent of the appropriation shall be used to provide for the administration of the visual arts program, including conservation of the state art collection, by the Washington state arts commission and all costs for

installation of the work of art. For the purpose of this section building shall not include sheds, warehouses, and other buildings of a temporary nature.

NEW SECTION. Sec. 7014. To carry out the provisions of this act, the governor may assign responsibility for predesign, design, construction, and other related activities to any appropriate agency.

NEW SECTION. Sec. 7015. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with funds available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate ways and means committee and the house of representatives capital budget committee.

NEW SECTION. Sec. 7016. (1) Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditures of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs.

(2) Provision of the full amount of required matching funds is not required to permit the expenditure of capital budget appropriations for phased projects if a proportional amount of the required matching funds is provided for each distinct, identifiable phase of the project.

NEW SECTION. Sec. 7017. NONTAXABLE AND TAXABLE BOND PROCEEDS. Portions of the appropriation authority granted by this act from the state building construction account, or any other account receiving bond proceeds, may be transferred to the state taxable building construction account as deemed necessary by the state finance committee to comply with the federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds. Portions of the general obligation bond proceeds authorized by chapter . . ., Laws of 2017 (Substitute House Bill No. 1080, the general obligation bond bill) for deposit into the state taxable building construction account that are in excess of amounts required to comply with the federal internal revenue service rules and

regulations shall be deposited into the state building construction account. The state treasurer shall submit written notification to the director of financial management if it is determined that a shift of appropriation authority between the state building construction account, or any other account receiving bond proceeds, and the state taxable building construction account is necessary, or that a shift of appropriation authority from the state taxable building construction account to the state building construction account may be made.

NEW SECTION. Sec. 7018. COLUMBIA RIVER BASIN NONTAXABLE AND TAXABLE BOND PROCEEDS. Portions of the appropriation authority granted by this act from the Columbia river basin water supply development account may be transferred to the Columbia river basin taxable bond water supply development account as deemed necessary by the state finance committee to comply with the federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds. The state treasurer shall submit written notification to the director of financial management if it is determined that a shift of appropriation authority between the Columbia river basin water supply development account and the Columbia river basin taxable bond water supply development account is necessary, or that a shift of appropriation authority from the Columbia river basin taxable bond water supply development account to the Columbia river basin water supply development account may be made.

Sec. 7019. RCW 28B.20.725 and 2015 3rd sp.s. c 3 s 7025 are each amended to read as follows:

The board is hereby empowered:

(1) To reserve the right to issue bonds later on a parity with any bonds being issued;

(2) To authorize the investing of moneys in the bond retirement fund and any reserve account therein;

(3) To authorize the transfer of money from the University of Washington building account to the bond retirement fund when necessary to prevent a default in the payments required to be made out of such fund;

(4) To create a reserve account or accounts in the bond retirement fund to secure the payment of the principal of and interest on any bonds;

(5) To authorize the transfer to the University of Washington building account of any money on deposit in the bond retirement fund in excess of debt service for a period of three years from the date of such transfer on all outstanding bonds payable out of such fund. (~~However, during the 2013-2015 fiscal biennium, the legislature may transfer to the University of Washington building account moneys that are in excess of the debt service due within the 2013-2015 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.~~) However, during the 2015-2017 fiscal biennium, the legislature may transfer to the University of Washington building account moneys that are in excess of the debt service due within the 2015-2017 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund. However, during the 2017-2019 fiscal biennium, the legislature may transfer to the University of Washington building account moneys that are in excess of the debt service due within the 2017-2019 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.

Sec. 7020. RCW 28B.30.750 and 2015 3rd sp.s. c 3 s 7028 are each amended to read as follows:

The board is hereby empowered:

(1) To reserve the right to issue bonds later on a parity with any bonds being issued;

(2) To authorize the investing of moneys in the bond retirement fund and any reserve account therein;

(3) To authorize the transfer of money from the Washington State University building account to the bond retirement fund when necessary to prevent a default in the payments required to be made out of such fund;

(4) To create a reserve account or accounts in the bond retirement fund to secure the payment of the principal of and interest on any bonds;

(5) To authorize the transfer to the Washington State University building account of any money on deposit in the bond retirement fund in excess of debt service for a period of three years from the date of such transfer on all outstanding bonds payable out of such fund. (~~However, during the 2013-2015 fiscal biennium, the legislature may~~

~~transfer to the Washington State University building account moneys that are in excess of the debt service due within the 2013-2015 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.)~~ However, during the 2015-2017 fiscal biennium, the legislature may transfer to the Washington State University building account moneys that are in excess of the debt service due within the 2015-2017 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund. However, during the 2017-2019 fiscal biennium, the legislature may transfer to the Washington State University building account moneys that are in excess of the debt service due within the 2017-2019 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.

NEW SECTION. Sec. 7021. (1) Funds appropriated in this act for minor works may not be allotted until final project lists are submitted to the office of financial management. Revisions to the project lists are allowed for projects not anticipated at the time of budget development but must be submitted to the office of financial management, the house of representatives capital budget committee, and the senate ways and means committee for review and comment and must include an explanation of variances from the prior lists before funds may be expended on the revisions. Any project list revisions must be approved by the office of financial management before funds may be expended from the minor works appropriation.

(2)(a) Minor works project lists are single line appropriations that include multiple projects of a similar nature and that are valued between \$25,000 and \$1,000,000 each, with the exception of higher education minor works projects that may be valued up to \$2,000,000. All projects must meet the criteria included in this subsection (2)(a). These projects should be completed within two years of the appropriation with the funding provided. Agencies are prohibited from including projects on their minor works lists that are a phase of a larger project, and that if combined over a continuous period of time, would exceed \$1,000,000, or \$2,000,000 for higher education minor works projects. Improvements for accessibility in compliance with the Americans with disabilities act may be

included in any of the minor works categories.

(b) Minor works appropriations may not be used for the following: Studies, except for technical or engineering reviews or designs that lead directly to and support a project on the same minor works list; planning; design outside the scope of work on a minor works list; movable, temporary, and traditionally funded operating equipment not in compliance with the equipment criteria established by the office of financial management; software not dedicated to control of a specialized system; moving expenses; land or facility acquisition; rolling stock; computers; or to supplement funding for projects with funding shortfalls unless expressly authorized. The office of financial management may make an exception to the limitations described in this subsection (2)(b) for exigent circumstances after notifying the legislative fiscal committees and waiting ten days for comments by the legislature regarding the proposed exception.

(c) Minor works preservation projects may include program improvements of no more than twenty-five percent of the individual minor works preservation project cost.

NEW SECTION. Sec. 7022. STATE TREASURER TRANSFER AUTHORITY

State Toxics Control Account: For transfer to the

environmental legacy stewardship account, \$17,625,000 for

fiscal year 2018 and \$17,625,000 for fiscal year 2019 \$35,250,000

Local Toxics Control Account: For transfer to the

environmental legacy stewardship account, \$10,500,000 in

fiscal year 2018 and \$10,500,000 in fiscal year 2019 \$21,000,000

(1)(a) As directed by the department of ecology in consultation with the office of financial management, the state treasurer shall transfer amounts among the state toxics control account, the local toxics control account, and the environmental legacy stewardship account as needed during the 2017-2019 fiscal biennium to maintain positive account balances in all three accounts.

(b) If, after using the interfund transfer authority granted in this

section, the department of ecology determines that further reductions are needed to maintain positive account balances in the state toxics control account, the local toxics control account, and the environmental legacy stewardship account, the department is authorized to delay the start of stormwater and clean-up projects based on acuity of need, readiness to proceed, cost-efficiency, purposes of increasing affordable housing, or need to ensure geographic distribution. If the department uses this authority, the department must submit a prioritized list of projects that may be delayed to the office of financial management and the appropriate fiscal committees of the legislature.

(2) As directed by the pollution liability insurance agency in consultation with the office of financial management, the state treasurer shall transfer from the pollution liability insurance program trust account to the underground storage tank revolving account the lesser of \$20,000,000 or the balance of the fund exceeding \$7,500,000 after excluding the reserves during the 2017-2019 fiscal biennium.

NEW SECTION. **Sec. 7023.** To the extent that any appropriation authorizes expenditures of state funds from the state building construction account, or from any other capital project account in the state treasury, for a capital project or program that is specified to be funded with proceeds from the sale of bonds, the legislature declares that any such expenditures for that project or program made prior to the issue date of the applicable bonds are intended to be reimbursed from proceeds of those bonds in a maximum amount equal to the amount of such appropriation.

NEW SECTION. **Sec. 7024.** The energy efficiency account is hereby created in the state treasury. The sums deposited in the energy recovery act account shall be appropriated and expended for loans, loan guarantees, and grants for projects that encourage the establishment and use of innovative and sustainable industries for renewable energy and energy efficiency technology. The balance of state funds, federal funds, and loan repayments, from the energy recovery act account, are deposited in this account.

NEW SECTION. **Sec. 7025.** The department of enterprise services must sell the property known as Tacoma Rhodes complex for at least fair market value. The

property consists of the Broadway building, the market building, and the parking garage. The department must use the surplus property operations requirements for the sale process in RCW 43.17.400. The department must retain federal obligations and may retain appraisal costs, debt service, and closing costs. The remaining net proceeds from the sale must be deposited into the Thurston county capital facilities account.

NEW SECTION. **Sec. 7026.** JOINT LEGISLATIVE TASK FORCE ON IMPROVING STATE FUNDING FOR SCHOOL CONSTRUCTION. (1) (a) A joint legislative task force on improving state funding for school construction is established, with members as provided in this subsection.

(i) The president of the senate shall appoint one member from each of the two largest caucuses of the senate from the senate committees on ways and means and early learning and K-12 education.

(ii) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives from the house of representatives committees on capital budget and education.

(iii) The president of the senate and the speaker of the house of representatives jointly shall ensure that at least three of the eight members appointed pursuant to (a) (i) and (ii) of this subsection serve legislative districts located east of the crest of the Cascade mountains.

(iv) The chair of the task force selected pursuant to (b) of this subsection may appoint one additional member representing large school districts and one additional member representing small, rural school districts as voting members of the task force.

(b) The task force shall choose its chair from among its membership. The chair of the house of representatives committee on capital budget shall convene the initial meeting of the task force. All meetings of the task force must be scheduled and conducted in accordance with the requirements of both the senate and the house of representatives.

(2) The task force shall review the following issues:

(a) Improvements to state financial assistance for K-12 school construction to

be implemented over several fiscal biennia;

(b) Utilization of school spaces for multiple purposes;

(c) School design and construction approaches that support effective teaching and learning by delivering education through innovative, sustainable, cost-effective, and enduring design and construction methods; and

(d) Recent reports on school construction, including but not limited to the school construction cost study from the educational service district 112 and the efforts of collecting inventory and condition of schools data by the Washington state university extension energy office.

(3) In consideration of the findings pursuant to subsection (2) of this section, the task force must recommend a state school construction financial assistance program that:

(a) Supports the construction and preservation of schools; and

(b) Balances the state and local share of school construction and preservation costs considering local school districts' financial capacity, based on measures of relative wealth recommended pursuant to subsection (4)(b) of this section, and the state's limited bond capacity and common school trust land revenue.

(4) In making recommendations pursuant to subsection (3) of this section, the task force must, at a minimum, also recommend:

(a) A methodology to project needs for state financial assistance for school construction and preservation over a ten-year period;

(b) Measures of relative wealth of a school district, including but not limited to assessed land value per student, eligible free and reduced price meal enrollments, income per capita per school district, and costs of construction;

(c) Education specifications recognized by the state for the purpose of providing guidance to school districts when designing school construction projects;

(d) A capital asset model for K-12 school construction that considers space and usage needs to calculate construction assistance for:

(i) New schools to accommodate enrollment growth;

(ii) Major modernization projects to address aging facilities;

(iii) Replacement and renewal of major building systems based on achieving lowest life-cycle building costs, provided that standards of routine maintenance are achieved by local districts; and

(iv) Specialized facility improvements including but not limited to STEM facilities, career and technical education facilities, skills centers, and computer labs; and

(e) Alternative means to fund and accommodate increased classroom capacity to meet K-3 class-size reduction objectives.

(5)(a) Staff support for the task force must be provided by the senate committee services and the house of representatives office of program research.

(b) The office of the superintendent of public instruction and the office of financial management shall cooperate with the task force and maintain liaison representatives, who are nonvoting members.

(c) The task force, where appropriate, may consult with individuals from public schools or related organizations or ask the individuals to establish a committee for technical advice and assistance. Members of such an advisory committee are not entitled to expense reimbursement.

(6) Legislative members of the task force are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(7) The expenses of the task force must be paid jointly by the senate and the house of representatives. Task force expenditures and meetings are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(8) The task force must report its preliminary findings and recommendations to the appropriate committees of the legislature by December 1, 2017. The task

force must report its final findings and recommendations to the governor, the superintendent of public instruction, and the appropriate committees of the legislature by October 1, 2018.

(9) This section expires June 30, 2019.

Sec. 7027. RCW 43.19.501 and 2016 c 202 s 58 are each reenacted and amended to read as follows:

The Thurston county capital facilities account is created in the state treasury. The account is subject to the appropriation and allotment procedures under chapter 43.88 RCW. Moneys in the account may be expended for capital projects in facilities owned and managed by the department in Thurston county. ~~((For the 2007-2009 biennium, moneys in the account may be used for pre-design identified in section 1037, chapter 328, Laws of 2008.))~~ For the 2015-2017 biennium, moneys in the account may be used for studies related to real estate.

~~((During the 2009-2011 and 2011-2013 fiscal biennia, the legislature may transfer from the Thurston county capital facilities account to the state general fund such amounts as reflect the excess fund balance of the account.))~~ During the 2017-2019 fiscal biennium, the Thurston county capital facilities account may be appropriated for costs associated with staffing to support capital budget and project activities and lease and facility oversight activities.

NEW SECTION. Sec. 7028. The public use general aviation airport loan revolving account is created in the custody of the state treasurer. All receipts from moneys collected under this chapter must be deposited into the account. Expenditures from the account may be used only for the purposes described in section 4004 of this act. Only the community aviation revitalization board or the board's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

NEW SECTION. Sec. 7029. The Washington state parks and recreation commission, with guidance and instruction from the office of financial management, must create a reporting structure to track the success and progress of addressing the maintenance backlog of state parks facilities. The reporting structure must provide a forecast of new project proposals, the status of current funded

projects and a list of completed projects. The report must also include a facilities condition index that illustrates changes to the overall quality of facilities of state parks. The legislature intends to receive future biennia capital budget requests that address facility maintenance backlog from the commission in the form of this new report structure as additional information to the current format for agency budget submittal requests.

NEW SECTION. Sec. 7030. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 7031. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."
