POINT OF PERSONAL PRIVILEGE

Representative DeBolt: “Thank you Madam Speaker. I rise for a point of personal privilege. A couple things are happening very soon and I want to remind everybody that Valentine’s Day is coming and make sure you take care of your significant other or special person in your life. My special person is in the wings; my wife Amy is here today, and if you’re asking why I’m rising up to talk today, I have a story to share with everyone. These shoes, “props” sorry, these shoes were purchased when I was 29 years old and I was a newly elected member of the House of Representatives and an older member told me it’s very important that you have good shoes. So I went and I bought a very expensive pair, which was $100. Twenty-four years ago, that was a lot. And every three years, or two years, I
would have to get them resoled, and I went to get them resold last year and I dropped them off and I picked them up and he didn’t do anything to them. It was Jack’s shoe repair; you guys know it, use it, and he said “I can’t fix these anymore, they’re worn out.” And it was funny to me because it was at that moment I knew that it was time for me to retire. And sometimes you can do things in life that you have and you have a purpose, and it’s that simple little gesture that kind of tells you it’s time to go. And, I love this institution so much, and I love each and every one of you and I am so grateful to my constituents. And so, I won’t be seeking reelection. I will be with you till the end so it’s not like I’m walking off and leaving you, but I just wanted to do this on the floor because the floor’s been such a part of my life. I love this floor, I love the debates, I love being able to. Representative Chopp, we’ve had a lot of great times up there, and the one thing I would remind everybody is that it’s ok to disagree, and we can’t fall into the trap of today where if you disagree with me I hate you. We just remember, we disagree on this bill, we move to the next. And Madam Speaker, I’m so proud of you being up there, and you and I have had such a good past and I am looking forward to watching you in the future. So, thank you very much for today in allowing me to do this on the floor.

The Speaker called upon Representative Orwall to preside.

There being no objection, the House advanced to the sixth order of business.

(c) For persons subject to the surcharge imposed under this subsection (4) that report under one or more tax classifications, the surcharge applies only to business activities taxed under RCW 82.04.290(2).

(d) The surcharge imposed under this subsection (4) must be reported and paid in a manner and frequency as required by the department.

(e) To aid in the effective administration of the surcharge in this subsection (4), the department may require persons believed to be engaging in advanced computing or affiliated with a person believed to be engaging in advanced computing to disclose whether they are a member of an affiliated group and, if so, to identify all other members of the affiliated group subject to the surcharge. If the department determines that a person, with intent to evade the surcharge under this subsection (4), failed to fully comply with this subsection (4)(e), the seven million dollar limitation in (b) of this subsection (4) does not apply to the person's affiliated group.

(f) For the purposes of this subsection (4) the following definitions apply:

(i) "Advanced computing" means designing or developing computer software or computer hardware, whether directly or contracting with another person, including modifications to computer software or computer hardware, cloud computing services, or operating an online marketplace, an online search engine, or online social networking platform;

(ii) "Affiliate" and "affiliated" means a person that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with another person;

(iii) "Affiliated group" means a group of two or more persons that are affiliated with each other;

(iv) "Cloud computing services" means on-demand delivery of computing resources, such as networks, servers, storage, applications, and services, over the internet;

(v) "Control" means the possession, directly or indirectly, of more than fifty percent of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting shares, by contract, or otherwise; and

(vi) "Select advanced computing business" means a person who is a member of an affiliated group with at least one member of the affiliated group engaging in the business of advanced computing, and the affiliated group has worldwide gross revenue of more than twenty-five billion dollars during the entire current or immediately preceding calendar year. A person who is primarily engaged within this state in the provision of commercial mobile service, as that term is defined in 47 U.S.C. Sec. 332(d)(1), shall not be considered a select advanced computing business. A person who is primarily engaged in this state in the operation and provision of access to transmission facilities and infrastructure that the person owns or leases for the transmission of voice, data, text, sound, and video using wired telecommunications networks shall not be considered a select advanced computing business.

(5) The workforce education investment surcharges under this section do not apply to any hospital as defined in RCW 70.41.020, including any hospital that comes within the scope of chapter 71.12 RCW if the hospital is also licensed under chapter 70.41 RCW.

(6) Revenues from the surcharges under this section must be deposited directly into the workforce education investment account established in RCW 43.79.195.
(7) The department has the authority to determine through an audit or other investigation whether a person is subject to the surcharges imposed in this section. The department’s determination that a person is subject to the surcharge is presumed to be correct unless the person shows by clear, cogent, and convincing evidence that the department’s determination was incorrect. The increased evidentiary standard under this subsection (7) does not apply after January 1, 2022.

On page 18, after line 2, insert the following:

"Sec. 5. RCW 28B.92.200 and 2019 c 406 s 19 are each amended to read as follows:

(1) The Washington college grant program is created to provide a statewide free college program for eligible participants and greater access to postsecondary education for Washington residents. The Washington college grant program is intended to increase the number of high school graduates and adults that can attain a postsecondary credential and provide them with the qualifications needed to compete for job opportunities in Washington."

(2) The office shall implement and administer the Washington college grant program and is authorized to establish rules necessary for implementation of the program.

(3) The legislature shall appropriate funding for the Washington college grant program. Allocations must be made on the basis of estimated eligible participants enrolled in eligible institutions of higher education or apprenticeship programs. All eligible students are entitled to a Washington college grant beginning in academic year 2020-21.

(4) The office shall award Washington college grants to all eligible students beginning in academic year 2020-21.

(5) To be eligible for the Washington college grant, students must meet the following requirements:

(a) Demonstrate financial need under RCW 28B.92.205;

(b)(i) Be enrolled or accepted for enrollment for at least three quarter credits or the equivalent semester credits at an institution of higher education in Washington as defined in RCW 28B.92.030; or

(ii) Be enrolled in a registered apprenticeship program approved under chapter 49.04 RCW;

(6) Washington college grant eligibility may not extend beyond five years or one hundred twenty-five percent of the published length of the program in which the student is enrolled or the credit or clock-hour equivalent.

(7) Institutional aid administrators shall determine whether a student
eligible for the Washington college grant in a given academic year may remain eligible for the ensuing year if the student's family income increases by no more than three percent.

(8) Qualifications for receipt and renewal include maintaining satisfactory academic progress toward completion of an eligible program as determined by the office and established in rule.

(9) Should a recipient terminate his or her enrollment for any reason during the academic year, the unused portion of the grant shall be returned to the state educational grant fund by the institution of higher education according to the institution of higher education's policy for issuing refunds, except as provided in RCW 28B.92.070.

(10) An eligible student enrolled on a part-time basis shall receive a prorated portion of the Washington college grant for any academic period in which he or she is enrolled on a part-time basis.

(11) The Washington college grant is intended to be used to meet the costs of postsecondary education for students with financial need. The student shall be awarded all need-based financial aid for which the student qualifies as determined by the institution.

(12) Students and participating institutions of higher education shall comply with all the rules adopted by the council for the administration of this chapter.

(13) An eligible student who receives contributions under section 2 of this act:

(a) Must have any grant received from the Washington college grant program under this section reduced by an amount equal to all contributions received from all companies; and

(b) Must submit an affidavit, in a manner and form prescribed by the council, to the council and to the institution of higher education in which the student is enrolled. The affidavit must:

(i) Verify the amount of contributions the student has received from all companies; and

(ii) Attest to the student's reduced Washington college grant funding to be received.

NEW SECTION. Sec. 6. A new section is added to chapter 82.04 RCW to read as follows:

(1) Subject to the limitations in this section, a company that owes a surcharge under RCW 82.04.299 or is subject to the tax under RCW 82.04.290(2)(i) is allowed a credit against the surcharge under RCW 82.04.299 for contributions made by that company to any eligible student for the purposes of pursuing higher education.

(2) The credit is equal to the total amount of contributions made to all eligible students in a calendar year. The credit may not exceed the amount of the surcharge otherwise due under RCW 82.04.299 or the amount of the tax otherwise due under RCW 82.04.290(2)(i). The credit may be used against the surcharge due on tax returns due after January 31st of the calendar year in which the application was approved and before February 1st of the following calendar year. No refunds may be granted for credits under this section. A company taking an exemption under this subsection must keep and preserve records for the period required by RCW 82.32.070, documenting contributions made to qualifying students.

(3) To receive the credit, a company must submit an application to the department. Applications for tax credits under this section must be received by the department between the first day of January and the thirty-first day of January, following the calendar year in which the applicant made contributions to eligible students. The application must be made to the department in a form and manner prescribed by the department. The application must contain information including the number of eligible students to which contributions were made, the amounts paid to eligible students in total and by individual contribution, and any other information required by the department.

(4) If the eligible student who is the recipient of a qualifying contribution returns some or all of the contribution to the company for any reason, the company must file an amended return.

(5) An eligible student receiving a contribution from a company under this section must follow notification requirements outlined in RCW 28B.92.200(13). The company providing
the contribution must inform the eligible student of these notification requirements upon disbursement of the contribution.

(6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Contributions" means direct financial assistance in the form of bona fide grants, scholarships, or tuition reimbursement payments provided to an eligible student for the purposes of assisting the student with the pursuit of higher education. Contributions must be used by the student to cover costs related to tuition, books, fees, room, and housing.

(b) "Eligible student" means any individual who is:

(i) Enrolled in an institution of higher education in Washington state; and

(ii) Eligible for the Washington college grant program under RCW 28B.92.200."

Renumber the remaining sections consecutively and correct any internal references accordingly.

Representative Hansen spoke against the adoption of the amendment.

Amendment (1097) was not adopted.

Representative Barkis moved the adoption of amendment (1089):

On page 18, after line 21, insert the following:

"NEW SECTION. Sec. 10. By July 1, 2024, the joint legislative audit and review committee must evaluate the impact of the tax rate increases under this act on the regressivity of Washington's excise tax structure on households. The joint legislative audit and review committee must specifically evaluate the amount of Washington excise tax paid by household income threshold, prior to and after April 1, 2020. If the joint legislative audit and review committee determines that the tax structure is more regressive due to the changes in this act, this act expires January 1, 2025. The joint legislative audit and review committee must notify the department of revenue and the fiscal committees of the legislature of its findings and conclusions by August 15, 2024."

Representative Barkis spoke in favor of the adoption of the amendment.

Representative Frame spoke against the adoption of the amendment.

Amendment (1089) was not adopted.

The Speaker (Representative Lovick presiding) called upon Representative Orwall to preside.

Representative Corry moved the adoption of amendment (1090):

On page 18, after line 21, insert the following:

"Sec. 10. RCW 43.88.055 and 2012 1st sp.s. c 8 s 1 are each amended to read as follows:

(1) The legislature must adopt a four-year balanced budget as follows:

(a) Beginning in the 2013-2015 fiscal biennium, the legislature shall enact a balanced omnibus operating appropriations bill that leaves, in total, a positive ending fund balance in the general fund and related funds.

(b) Beginning in the 2013-2015 fiscal biennium, the projected maintenance level of the omnibus appropriations bill enacted by the legislature shall not exceed the available fiscal resources for the next ensuing fiscal biennium.

(2) For purposes of this section:

(a) "Available fiscal resources" means the beginning general fund and related fund balances and any fiscal resources estimated for the general fund and related funds, adjusted for enacted legislation, and with forecasted revenues adjusted to the greater of (i) the official general fund and related funds revenue forecast for the ensuing biennium, or (ii) the official general fund and related funds forecast for the second fiscal year of the current fiscal biennium, increased by 4.5 percent for each fiscal year of the ensuing biennium;

(b) "Projected maintenance level" means estimated appropriations necessary to maintain the continuing costs of program and service levels either funded in that appropriations bill or mandated
by other state or federal law, and the amount of any general fund moneys projected to be transferred to the budget stabilization account pursuant to Article VII, section 12 of the state Constitution (but does not include in the 2013-2015 and 2015-2017 fiscal biennia the costs related to the enhanced funding under the new definition of basic education as established in chapter 548, Laws of 2009, and affirmed by the decision in Mathew McCleary et al., v. The State of Washington, 173 Wn.2d 477, 269 P.3d 227, (2012), from which the short-term exclusion of these obligations is solely for the purposes of calculating this estimate and does not in any way indicate an intent to avoid full funding of these obligations));

(c) "Related funds," as used in this section, means the Washington opportunity pathways account, the workforce education investment account, and the education legacy trust account.

(3) Subsection (1)(a) and (b) of this section does not apply to an appropriations bill that makes net reductions in general fund and related funds appropriations and is enacted between July 1st and February 15th of any fiscal year.

(4) Subsection (1)(b) of this section does not apply in a fiscal biennium in which money is appropriated from the budget stabilization account."

Correct the title.

POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (1090) to ESSB 6492.

SPEAKER’S RULING

Madame Speaker (Representative Orwall presiding): "The title of the bill is an act relating to “addressing workforce education investment funding through business and occupation tax reform.”

The amendment is wholly unrelated to the business and occupation tax and instead addresses whether the workforce education investment account should be included in the calculation of funds for purposes of the state four-year balanced budget requirement.

The Speaker therefore finds and rules that the amendment is outside the scope of the bill as defined by its title.

The point of order is well taken.”

Representative Orcutt moved the adoption of the striking amendment (1091):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. RCW 82.04.299 (Workforce education investment surcharges) and 2019 c 406 s 74 are each repealed.

NEW SECTION. Sec. 2. The provisions of RCW 82.32.805 and 82.32.808 do not apply to this act.

NEW SECTION. Sec. 3. Section 1 of this act applies both prospectively and retroactively to January 1, 2020.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

Correct the title.

Representative Hansen spoke against the adoption of the striking amendment.

The striking amendment (1091) was not adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.
