FIELD CASE REPORT

NARRATIVE

At about 1912hrs, I responded to 2624 N Discovery PI, the Discovery Park Center, to investigate the report of an argument. The complainant, stated there was a private event taking place and security was in an argument with a group of uninvited subjects.

Upon arrival, I met security personnel outside of the venue. They informed me the venue had been rented by an organization supporting a 51st State. It was linked to Rep. Matt Shea. A group of unwanted guests refused to leave when asked to do so. They affirmed the event was by invitation only and the venue was rented by the organizer. They said about 9 subjects who were opposed to the organizer's views were in the audience and had created a disturbance. They refused to leave when asked by security personnel.

While talking to them, they directed my attention to a white male subject who was walking by, saying this was the leader of the group. The subject stopped and went back inside the venue. Shortly thereafter, he returned with a group of about 9 other subjects.

I advised the group that the organizer wanted them to leave and that, contrary to their belief, the event was not public. In addition, I advised them they were welcome to express their disagreement on public property. The group was very cooperative and agreed to leave.

I did not identify any of the individuals involved.

I certify under the penalty of perjury under the laws of the State of Washington that all statements made herein are true and accurate and that I have entered my authorized user ID and password to authenticate it. Place Signed: Spokane County WA

FIELD CASE SUPPLEMENT

NARRATIVE

On May 23, 2019, at approximately 1842 hours, I responded to an argument at 2426 N Discovery Place in Spokane County, Washington.

I responded to assist Deputy Stolz with an argument. The complainant was with the private party and asked for a group of males to be escorted out.

. When I arrived, I saw three-armed security guards standing outside of the venue. The guards advised that 9 unwelcomed males were standing inside of the venue causing a problem. The group running the event wanted the unwelcomed males to leave.

When I entered the venue, I saw the group of males standing in the back of the room listening to the speaker. The males were not making any noise or bother anyone attending the event. While the event was ongoing a male from the group exited the room. I asked him if he would talk to me about the incident we were called to. The male was very respectful when speaking with me. The male was very calm and asked his group of friends to calmly leave the venue. His group of guys left with out question. He told me he was never asked to leave the event from the staff on site. The issue was solved and there was no crime to investigate.

Case for information only.

I certify under the penalty of perjury under the laws of the State of Washington that all statements made herein are true and accurate and that I have entered my authorized user ID and password to authenticate it. Place Signed: Spokane County WA
