My name is William R Neubauer and I worked for 30 years at Snohomish County PUD. They did not contribute to Social Security so all I have is the PERS 1 retirement. It has failed to keep up with inflation. We need to have a permanent assessment amount each year based on the current inflation rate.

I am a member of Washington Retired Public Employees Council. We currently lobby each year for help and most of the time get passed over.

THANKS for your continued support on this matter.
