Subject: Annual Cola for Plan 1 members

CAUTION:External email.

It is just so very sad that the legislature continues to ignore an annual COLA for its few existing Plan 1 TRS members. Most of us are now in our 70's and 80's. With every passing year, our pensions keep losing serious spending value for us as our medical and living expenses keep going up. We certainly have appreciated the two one time colas, but it is time to be fair and make it annual so we can keep up. Please show us that we are still valuable for the years of service we put in.

Thank you for your consideration.

Sincerely,

Kay Chabot
