Subject: VOTE for Plan 1 COLA to the 2023 for Legislature Budget

CAUTION:External email.

Dear SCPP Member,

My name is Vickie Hayes; I am a TRS 1 retiree. I've been retired since 2005. After I retired not only did I miss the classroom, I realized my retirement was not quite what I had expected so I became a substitute teacher for 10+ years. I learned quickly that TRS 1 wasn't the Retirement Plan that many teachers had thought it was. I have only received "three" cost of living adjustments over that time. I am frugal in my living style but it is embarrassing to think how much less I make then my friends in other career fields or the younger generation of teachers. I am asking you to bring equitable retirement pay by voting for the Plan 1 COLA to the 2023 for Legislature. This has been a long challenging journey for equitable retirement pay for TRS 1 teachers. We all appreciate a higher standard of living in today's world.

Sincerely,
Victoria (Vickie) Hayes
