**Subject:** In support of a permanent COLA for PERS1 retirees

**CAUTION:**External email.

As a longtime Snohomish County employee, I knew many single workers who were the sole earners for themselves and family.

With rising prices for everything from clothing, to heat, to water, to transportation - it is important to help many of those same workers keep up with the cost of living in their remaining years.

Please support a permanent COLA for Plan 1 retirees.

Thank you!
