To the Members of the SCPP,

I am currently on zoom to observe the SCPP meeting, and am specifically interested in the Plans 1 COLA issue.

There was discussion on the ability to sign in, etc for the meeting. I tried for the last 24 hrs to sign in as a pro for the proposal to fund COLAs for Plans 1. I never was successful. So, I was able to register and watch/listen to the meeting, but unable to register a pro for the proposal.

Thank you. I realize we are all struggling with technology and we are all trying to improve our experiences.

Sincerely,

Neva Luke
