Subject: Plan 1 COLA

CAUTION:External email.

Please recommend an on-going Plan 1 COLA that will help retirees survive during their retirement. While my house is paid for, property taxes are continuing to increase causing me to consider where else I might be able to live. Unfortunately, after dedicating 35 years to public education, without an annual, dependable COLA, it is almost impossible to pay these taxes, cover medical expenses and live a productive life during retirement.

Thank you.

Lee Ann
