Dear Chair Fitzgibbon and members:

Thanks to the recommendation of the Select Committee on Pension Policy and subsequent legislative action, my monthly pension increased enough in July to cover over one-half of one normal weekly trip to the grocery store. Something heard after each of the previous one-time TRS 1 increases is still valid--every little bit helps!

But a permanent annual Plans 1 COLA—as all other plans have—would still be preferable to annually requesting yet another one-time increase.
