CAUTION: External email.

I taught public school for 40 years **plus** federal education projects and presentations. In that time YOU forgot to continue our COLA because you needed our money for the state. PLAN 1 COLA needs to be fully funded so we can get an **ANNUAL FULL COLA so my husband and I can pay our bills including our taxes. 3% is not enough!!!! We are losing the ability to live safely.** Please fully fund Plan 1 Cola and increase our percent.
