Is this accurate? And if so, how would I go about getting that into a discussion on the agenda?
Just to gather information and look at the feasibility of this, etc.? Thanks!

Hello, thank you for your email. PERS isn't something that is related to our CBA, this would be decided by the pension board. I have copied Mike Yestramski our council President and representative on the pension board.

Hello Ashley,

I'd like to propose that we change how PERS 3 plans can change contribution amount. Currently you have to change agencies to change contribution amounts. I've moved up in the agency I'm at and find it odd that I now would need to change agencies in order to change how much I contribute.

Thank you,

Matthew
