Representative J. Johnson moved that Representative Laurie Jinkins be elected for the Office of Speaker of the House of Representatives.

Representative J. Johnson: “Thank you, Mr. Chief Clerk. It is my honor to nominate for the speaker, the gentle lady from the twenty-seventh district. She's known for being a persuasive speaker. But she's also eager to listen and to learn. To listen and to learn from historically marginalized communities. And she's committed to do the work necessary during this pandemic. In a time of great stress and division and polarization, she is the best person to guide us towards racial equity, public health, economic recovery and climate justice. Opportunity, equity and justice. These are more than just words to her. These are actions. In this moment, we need bold, decisive leadership. And that is why I am proud to stand here today and nominate the gentle lady from the twenty-seventh district. Thank you.”

Representative Kretz moved that Representative J.T. Wilcox be elected for the Office of Speaker of the House of Representatives.

Representative Kretz: “Thank you, Mr. Chief Clerk. We're in a time of storms in our nation. A lot of division. We're seeing things we've never seen. We've seen strife, on a state and a federal level like we have not seen before. And this is just a thought, that maybe we try something different here in the state of Washington. I think about what it would be if we had a legislature that did things a little bit different. Maybe we just found fifty members from both parties and made a decision? We could do that on speaker. I think about the rules committee that was more functional where your voice and your vote counted more. Think about going out and finding fifty people to pass a bill. It's just like what we're doing right now. If there's fifty people that want to support this? We could do something really different. And it just seems like a different atmosphere in times like this could be pretty useful in navigating these tough times. With the challenges we're facing with both COVID and our economy. So, I would close with I feel really good about Representative Wilcox. I think he showed a steady hand in our caucus. I know he's a straight shooter from lots of personal experience. And I'm proud to nominate Representative Wilcox for Speaker. Thank you.”

SPEAKER'S REMARKS

Madame Speaker: “Washingtonians, members of the House, we are in the hardest of times. Hard for Washington families. For our businesses. For our teachers and students. For those most in need. For those hurt by systemic racism. And for those committed to our representative democracy. But in these hard times, hope is on the horizon. Hope because of vaccines. Hope because public health workers never rest. Hope because people are wearing masks, social distancing and applying innovation to every single thing they do. Hope because our representative democracy was put to the test of sedition last week and resisted it. Showing our weakness, but more importantly our strength. Our job for every minute of the next one hundred and five days is not just to keep hope alive for the people of our great state, but to make hope a reality. So let's start working right now and all session long. To deliver hope and turn these hardest of times into a recovery that is equitable, that is inclusive, and that is sustainable. Let's get to work right now.”

POINT OF PERSONAL PRIVILEGE

Representative Wilcox: “Thank you, Madame Speaker. And congratulations. I know you are going to work for all of Washington for the next one hundred five days and maybe more, who knows? I'd just like to share one of the worst calls I've ever had in my life. Many of us have had bad news and phone calls. Sometimes it’s expected, sometimes it's a total surprise. And it was with someone who's in the chamber here. My very good friend and this is not a professional courtesy, this is heartfelt. The good representative from the thirteenth legislative district. And I called up to ask him how he was doing. And in a voice that immediately caused a great sense of despair in my heart because it was so weak. He said, 'I'm doing fine J.T. but I'm in ICU.’ That was a bad call. And it just illustrates the things that are happening to us, all around. The impact of COVID has divided us like nothing ever has before. I tell people that anything that isn't perfect is ten times harder because of COVID. And one of the things that divides us is that it's impacts are so uneven. We know that the impact of the disease itself in terms of mortality rates and bad outcomes that can affect people for the rest of their lives, is very uneven. It strikes people that are older. Strikes people that have other health challenges. And it strikes some ethnic groups much harder than others. Madame Speaker, the members of the House Republican Caucus represent many of those people. And we are very concerned. The other thing that divides us, is the fact that the burden and the cost of COVID is falling so unevenly as well. For many of us, the paycheck continues. The job might be modified but it's still there. You have a sense of belonging. A sense of being needed. But for others in our economy, a narrow group, all of those things are gone. The work is gone. Sometimes the thing that you spent your whole life building is gone or nearly gone. And Madame Speaker, I am so happy that we are here to work on these things. We're here for the people of Washington. I wish we would have been here long before now. But we're here now and we are ready to go to work. We hope that we can see immediate action to help even out the burdens and to relieve the burdens that people clear across Washington are bearing because of COVID and our reaction to COVID. Madame Speaker, many in my caucus are as concerned as you are, about the recent events in our country. The violence. The breakdown in civil order. It's been happening all year. It isn't just one day. I think everyone expects us, even though things are ten times harder in a time of COVID, to be better. Madame Speaker, we have a lot of security around us today. One thing that we've got to remember, in the middle of all of this, and it's hard when you've got these people that are here to protect the building, it's not about us, Madame Speaker. It's not about our egos. It's not about our individual agendas or even our party agendas. It's about every single person in the state of Washington that's bearing a burden that is much harder than it used to be. We have to do everything that we can to give them faith. To let them know that they have a voice. We won't always win. We certainly don't always win here.

But they have a voice. And it's important for every single one of us, majority or minority, to recognize that. And honor that. Madame Speaker, we are all ready to get to work. That was a great speech that you made about 'it's time to get to work.’ And it's not just about the policies here. It's about figuring out how to rebuild trust. How to be better than we've been. How to reject name calling, shaming. All of the empty things that have been tried and tried and tried for the last several years. It's time to recognize that there's one thing that each one of us have control over. And that's the example that we project to people clear across the state. And
there could be no more important time to do that. Because I don't think anyone doubts now, that the future of our families, the future of this institution, the future of Washington and the future of our country is at stake. It's not about us. It's about those things. Let's be the best example that we can. Thank you, Madam Speaker.”

The Speaker assumed the chair.

The Sergeant at Arms of the House and the Sergeant at Arms of the Senate escorted President of the Senate Lieutenant Governor Denny Heck to his seat on the Rostrum.

The Speaker called upon President Heck to preside.

**STATE OF THE STATE**

The President of the Senate, Lieutenant Governor Heck, called the Joint Session to order. The Clerk called the roll of House members. The Clerk called the roll of Senate members. A quorum of the Legislature was present.

President Heck: "The purpose of the Joint Session is to receive the state of the state message from His Excellency, Governor Jay Inslee."

His Excellency Governor Jay Inslee was introduced.

“Good afternoon, and thank you for joining us today. I am so appreciative of this chance to serve again. We are embarking on a historic third term and a historic legislative session.

So let’s talk straight. The last year has been challenging in ways none of us have ever experienced. It’s the kind of moment where we are called upon to dig deep, to work together, and to be resourceful like never before. And Washingtonians are answering that call.

At the end of this legislative session alone, we will be able to say our state is more equitable. A state with more opportunities for careers and affordable housing. A state that is more committed to fighting climate change than ever before.

We have big challenges that demand we take big steps. We are not going back to normal. We are going forward towards a new normal. We are on a path in this legislative session to a more just normal, a healthier normal. And we’re not just talking about the pandemic.

These halls may look empty, but when you scratch the surface, there’s a robust and incredible story about Washingtonians that is still unfolding. I’ve been honored to be your governor for the past eight years, which have been part of the story that brought us here.

We’re already looking to the future. The aftermath of 2020 alone demands it. More than 3,500 Washingtonians have lost their lives to this pandemic. Many thousands more continue to struggle on their path to recovery from this virus. Families, business owners, workers and students have been through so much. And there is still a palpable anxiety in the air. However, beneath it all are the ingredients of relief, of recovery and of resilience.

And no matter what has come our way, I am confident, because Washingtonians have risen to the challenge. We have seen remarkable heroism, diligence, and a stalwart commitment in our frontline workers. And we have seen it in all Washingtonians who know they are safer when every one of us is healthy. Washington state is a resilient state. We know how to recover. And this is just not going to stop Washington state’s eternal march of progress to a more just and equitable community.

You know, a new year is often when this building’s marble corridors come to life with civic discourse. But the last eight years were pre-pandemic. When I first took the oath of office, with Trudi nearby, there was pretty much no elbow room in this rotunda. It was the same in the House chamber four years later. We miss those shared experiences now. And in this era of the internet, we no longer share common sources of truth as we once did. But this pandemic is as big as any shared experience. It gives each of us our own struggles. But a common challenge. Everyone has a COVID story. Even if they or their loved ones were never infected. Everyone has their place in this struggle. We cannot consider ourselves alone in these challenges.

We all share a thirst for more justice. The police-citizen violence we saw in 2020 alone has traumatized the nation. And we need not only conversations but action. Action on truths that have been overlooked for far too long. Our collective consciousness is at a crescendo. Let’s ride that wave, head-first. Let’s recognize our opportunities for growth, even in these dark times.

We will incorporate equity into how our laws are applied and how our institutions are run, including independent investigations and prosecutions. We owe it to countless Washingtonians who live with the realities of racial injustice every day. And who are less free because of it. So we’ll be working to incorporate an equity lens into health care, jobs, education, pollution, and more.

So progress is what we’re known for. When I first took the oath in 2013, our state was trying to rebound from the Great Recession. In 2017, my second term began in the midst of one of the strongest economic booms for any state in the nation. Three years later, the COVID-19 pandemic jarred our progress. The pandemic affected our health and our freedoms.

In Washington state, we know how to succeed. We’ve proven it. So why not do it again? It’s time to take back the torch of progress. Our careers, our dreams, our lives; we are getting back on track.

Washington state has continued to lead during the coronavirus pandemic. Together, we have listened to the public health experts. We’ve worn masks, kept our distance from one another, and we know that has allowed us to bend the curve of this deadly virus down. And let’s be real clear about this - because of these actions, we have saved countless lives in Washington through what we’ve done together. And that’s not just the lives of COVID patients, but for anyone who has ongoing medical needs, because everyone’s health is at risk in a pandemic. So these life-saving efforts will continue. We will not yield from that commitment.
And we know our state’s economy is poised to recover. And what we do now, in the next four years, will shape the future for generations of Washingtonians. Our leaders in the business community proved their mettle in these tough times. Like employee owned Superfeet, a company in Ferndale. They make insoles and footwear, but when COVID hit, they announced they would use their expertise in 3D printing to make 30,000 pieces of personal protective equipment. Then, they blew right past that estimate. And they made close to 50,000 respirator hoods for their local hospital network and others nationwide. Then they supplied 450,000 medical gowns to health facilities. This kind of entrepreneurial leadership has happened in communities across our state.

We want community-minded entrepreneurs to continue to pursue their dreams in this new world. And we’re going to keep helping them. It’s why I want to wave increases in the unemployment tax on businesses that never foresaw the mass layoffs that came with this pandemic. While fighting the federal government for more funds and working with the Legislature early to get more money into people’s pockets.

Now, we will have come together if we’re going to do right by the people suffering most in these times.

That’s why we’re going to keep supporting small businesses with every resource at our disposal. And when workers lose pay because they’re sick or laid off, we’re going to help them see them through their struggles. We don’t want to see those problems spiral. We’re going to get these businesses open. Eventually, we’re going to get people back to work. And in the meantime, we are preparing for that day when we can fully reopen the economy. Because at the end of the day, Washington, we know we’re not alone. We have each other.

It’s in Washingtonians like Cindy Franck, a registered nurse at St. Michael Medical Center in Bremerton. She’s on the front lines of our society’s struggle against COVID. She and her colleagues didn’t know what to expect when COVID first hit, but they’ve been fighting ever since. Even being shorthanded when dozens of her colleagues were out due to COVID quarantine, she kept working, night and day, caring for a floor of 28 patients with limited staffing.

We have to take care of our medical professionals so they can take care of others. Our wellbeing is at the heart of what makes us free.

We don’t want them to be alone. We need to be in solidarity with them. That’s why my administration is committed to serving them and reimaging public health for the future. We’re going to remove politics from our public health system and make sure local health professionals can focus on people’s well-being.

And we know all of our frontline and essential workers have been heroes in this effort – grocery clerks, bus drivers, teachers who are already back in the classroom, and educators who have shown such innovation in remote learning. We’re going to make sure people like Cindy will get the resources they need to provide these essential services to all.

You know, we knew before the pandemic, and it’s even more important now, that our state’s behavioral health system, we knew is outdated. Behavioral health is health care and supporting the wellness and health of Washingtonians is crucial. The impacts of the pandemic demand we improve this system.

So we’re going to make sure people have access to jobs by strengthening the new approaches to career training we know work. The old way of doing things limited people’s pathways to jobs. My administration has created more pathways to better livelihoods through our Career Connect program.

More Washingtonians will have stories like Leela Cohen, who participated in Career Connect and will soon get her certified medical assistant credential. She’s already working in a Kaiser Permanente clinic in Bothell right now. Where she’s needed and much appreciated.

Career Connect helps people like her find opportunity when pathways seem closed. So it’s for anybody regardless of age or where they’re at in their studies or job search. And Leela’s not done yet. She wants to continue to advance her career in the medical profession, and one day open her own clinic.

And we want all our children to have a career. Not just those who go to college. That’s why we need Career Connect.

And that includes our young people. We’re going to get students back into the classroom. And make sure it’s in a safe and healthy setting for everyone. And we’re going to keep at some of the glaring disparities in our education system. We’ll continue expanding early childhood education. We are not going to go backwards. We will continue our student financial aid commitments. The most generous in the country. As long as I’m governor, we’re going to keep our commitments so that more people can earn degrees, certificates or apprenticeships to get into great jobs and careers.

And I’m looking forward to working with you to remediate the impacts our students have suffered because of this pandemic. This is hard on young people. No one knows that better than our parents and our educators. I know no one today has a single answer. But we just have to provide the support these students need. Whether it’s academics, mental health, or nutrition.

Now, there are more issues important to our health as well. We live in a time of great housing insecurity. Tenants and small landlords are facing unprecedented economic challenges. At the same time, home prices continue rising. Keeping quality and affordability for housing elusive for far too many Washingtonians.

That means too many people in Washington state are living in fear of homelessness. We should stand in solidarity with people who live in unsafe or inadequate housing, because we know our fellow Washingtonians are more likely to succeed when they have stable housing.

Whether it’s a commitment to our youth who are experiencing homelessness. Or providing mental health or chemical addiction treatment. We’re committed to addressing these obvious challenges.

We cannot let the short-term crisis of COVID-19 blind us to the long-term health cataclysm that is climate change. Pollution and climate change also hurt our health. From respiratory diseases to new infectious vectors, to threats from natural disasters directly linked to a changing planet. There was no shortage of evidence for that certainly in 2020. It was one of the worst wildfire seasons on record. Fueled
by blazes of an intensity previously unseen by our firefighters. In places in the west like Bonney Lake; to the east in Malden, where 80 percent of the town’s buildings were destroyed. And where recovery continues. Both the virus and climate change have fatal results. Both can be solved through science and our own ingenuity. And we can and we will pursue solutions to both at the same time.

Washington’s roaring economy of the last eight years was built on innovation in technology, aviation, agriculture, and clean energy. But climate change threatens to unmake the state that we know and love. From the growing number and intensity of our wildfires to the acidification of our waters and the loss of our snowpack. Which can hit our communities with the double whammy of flooding early in the year followed by drought. So climate change is creating extremes we know that cannot be denied or ignored if we are going to continue to prosper in this great state.

So we are going to recommit ourselves to the cause of environmental justice as well. To address the suffering of disenfranchised communities that have taken the brunt of the immediate impacts of pollution. We’re going to see to it that the future of our economy is bright. Led by a clean and renewable energy sector. Our air will be healthier to breathe. Our waters will not be acidified. And during this time, we will create boatloads of jobs. Machinists, engineers, electricians, carpenters, they all have a role to play. So we will have more people making good family wage jobs and we will have a safer, healthier and sustainable environment for our posterity.

Now we know this has been led by the Washington business owners. The Seattle Kraken are building an all-green arena and practice facilities. They’ll have the first carbon-neutral hockey arena in the world – covering 94,000 square feet. And Washingtonians made this economic and environmental victory a reality. When you see this stunning building, you’re going to see that we can save our environment and prosper at the same time.

You know, moments of great stress reveal things in people. And the people of Washington have shown their strength. We have what it takes to get through these times. We have a tried and true competency for leading change. As we eventually move beyond the coronavirus pandemic, life itself will be different. But we will have more control over our future. So we should embrace what we’ve learned together. Because we have a choice. We can do things the old ways that we know didn’t work, or we can embrace and unleash the knowledge we already have that can accelerate Washington’s dynamic future.

Now, the pandemic has also revealed this - the pandemic has had disproportionate impacts on people of color. From health care to business, labor and education. If we can’t help more people, fewer of us will enjoy the blessings of freedom. Our Latino communities were disproportionately exposed to COVID-19. Our Black communities have demanded equal justice for generations. Yet our systems still haven’t addressed it. We have work ahead of us in the next four years. To undo the racial inequities that remain in our economy, in our democracy, and in our systems of law and justice.

So in conclusion, our place in the world as Washingtonians will be remembered by what we start to build here and now in the next several months. Lincoln said it best, he said that “the fiery trial through which we pass, will light us down, in honor or dishonor, to the latest generation.” And I have total confidence this generation of Washingtonians will take their place in history’s hall of honor. I know this deeply because we are vested with a commitment to change, and constant improvement in our state. So let this new era be a time that lifts our hearts. That renews our dreams and ambitions. And that lets us, as Washingtonians, finally embrace the future we’ve been building up to so far. We all share this struggle. And we should also reap its benefits. Out of the darkness and anxiety of 2020, will come the relief of a new era. Our recovery will be robust and more equitable.

Last year reminded us what matters. Love for our families, our communities, and each other. And we will go forward, Washington, because we are resilient, we are in solidarity, and at the end of the day, we have each other.

Thank you.”

The President thanked the Governor for his remarks.

POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (002).

SPEAKER’S RULING

“Senate Concurrent Resolution 8402 addresses the extension of certain emergency orders issued by the Governor in response to the COVID-19 pandemic. Statutory law requires the adoption of a concurrent resolution to extend the duration of these orders when the legislature is in session.

Amendment (002) strikes the introductory language in the resolution that describes the statutory requirements for authorizing extensions when the legislature is not in session and purports to require a different process.
Statutes cannot be amended by concurrent resolution. The Speaker therefore finds and rules that the amendment is outside the scope and object of Senate Concurrent Resolution 8402. The point of order is well taken."

Representative Gilday moved the adoption of amendment (004):

On page 2, beginning on line 13, after "until" strike all material through "43.06.210" on line 14 and insert "11:59 PM on January 31, 2021"

Real property is used for agricultural purposes if it is used in an operation that produces crops, livestock, or aquatic goods;

(3) That a default has occurred in the obligation secured or a covenant of the grantor, which by the terms of the deed
of trust makes operative the power to sell;

(4) That no action commenced by the beneficiary of the deed of trust is now pending to seek satisfaction of an obligation secured by the deed of trust in any court by reason of the grantor's default on the obligation secured: PROVIDED, That (a) the seeking of the appointment of a receiver, or the filing of a civil case to obtain court approval to access, secure, maintain, and preserve property from waste or nuisance, shall not constitute an action for purposes of this chapter; and (b) if a receiver is appointed, the grantor shall be entitled to any rents or profits derived from property subject to a homestead as defined in RCW 6.13.010. If the deed of trust was granted to secure a commercial loan, this subsection shall not apply to actions brought to enforce any other lien or security interest granted to secure the obligation secured by the deed of trust being foreclosed;

(b) Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the beneficiary's declaration as evidence of proof required under this subsection.

(c) This subsection (7) does not apply to association beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW;

(8) That at least thirty days before notice of sale shall be recorded, transmitted or served, written notice of default and, for residential real property of up to four units, the beneficiary declaration specified in subsection (7)(a) of this section shall be transmitted by the beneficiary or trustee to the borrower and grantor at their last known addresses by both first-class and either registered or certified mail, return receipt requested, and the beneficiary or trustee shall cause to be posted in a conspicuous place on the premises, a copy of the notice, or personally served on the borrower and grantor. (m) For notices issued after June 30, 2018, on the top of the first page of the notice:

(i) The current beneficiary of the deed of trust;

(ii) The current mortgage servicer for the deed of trust; and

(iii) The current trustee for the deed of trust;

(9) That, for ((owner-occupied)) residential real property of up to four units, before the notice of the trustee's sale is recorded, transmitted, or served, the beneficiary has complied with RCW 61.24.031 and, if applicable, RCW 61.24.163;

(10) That, in the case where the borrower or grantor is known to the mortgage servicer or trustee to be deceased, the notice required under subsection (8) of this section must be sent to any spouse, child, or parent of the borrower or grantor known to the trustee or mortgage servicer, and to any owner of record of the property, at any address provided to the trustee or mortgage servicer, and to the property
addressed to the heirs and devisees of the borrower.

(a) If the name or address of any spouse, child, or parent of such deceased borrower or grantor cannot be ascertained with use of reasonable diligence, the trustee must execute and record with the notice of sale a declaration attesting to the same.

(b) Reasonable diligence for the purposes of this subsection (10) means the trustee shall search in the county where the property is located, the public records and information for any obituary, will, death certificate, or case in probate within the county for the borrower and grantor;

(11) Upon written notice identifying the property address and the name of the borrower to the servicer or trustee by someone claiming to be a successor in interest to the borrower's or grantor's property rights, but who is not a party to the loan or promissory note or other obligation secured by the deed of trust, a trustee shall not record a notice of sale pursuant to RCW 61.24.040 until the trustee or mortgage servicer completes the following:

(a) Acknowledges the notice in writing and requests reasonable documentation of the death of the borrower or grantor from the claimant including, but not limited to, a death certificate or other written evidence of the death of the borrower or grantor. The claimant must be allowed thirty days from the date of this request to present this documentation. If the trustee or mortgage servicer has already obtained sufficient proof of the borrower's death, it may proceed by acknowledging the claimant's notice in writing and issuing a request under (b) of this subsection.

(b) If the mortgage servicer or trustee obtains or receives written documentation of the death of the borrower or grantor from the claimant, or otherwise independently confirms the death of the borrower or grantor, then the servicer or trustee must request in writing documentation from the claimant demonstrating the ownership interest of the claimant in the real property. A claimant has sixty days from the date of the request to present this documentation.

(c) If the mortgage servicer or trustee receives written documentation demonstrating the ownership interest of the claimant prior to the expiration of the sixty days provided in (b) of this subsection, then the servicer or trustee must, within twenty days of receipt of proof of ownership interest, provide the claimant with, at a minimum, the loan balance, interest rate and interest reset dates and amounts, balloon payments if any, prepayment penalties if any, the basis for the default, the monthly payment amount, reinstatement amounts or conditions, payoff amounts, and information on how and where payments should be made. The mortgage servicers shall also provide the claimant application materials and information, or a description of the process, necessary to request a loan assumption and modification.

(d) Upon receipt by the trustee or the mortgage servicer of the documentation establishing claimant's ownership interest in the real property, that claimant shall be deemed a "successor in interest" for the purposes of this section.

(e) There may be more than one successor in interest to the borrower's property rights. The trustee and mortgage servicer shall apply the provisions of this section to each successor in interest. In the case of multiple successors in interest, where one or more do not wish to assume the loan as coborrowers or coapplicants, a mortgage servicer may require any nonapplicant successor in interest to consent in writing to the application for loan assumption.

(f) The existence of a successor in interest under this section does not impose an affirmative duty on a mortgage servicer or alter any obligation the mortgage servicer has to provide a loan modification to the successor in interest. If a successor in interest assumes the loan, he or she may be required to otherwise qualify for available foreclosure prevention alternatives offered by the mortgage servicer.

(g) (c), (e), and (f) of this subsection (11) do not apply to association beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW; and

(12) Nothing in this section shall prejudice the right of the mortgage servicer or beneficiary from discontinuing any foreclosure action initiated under the deed of trust act in
favor of other allowed methods for pursuit of foreclosure of the security interest or deed of trust security interest.

Sec. 4. RCW 61.24.031 and 2014 c 164 s 2 are each amended to read as follows:

(i) A trustee, beneficiary, or authorized agent may not issue a notice of default under RCW 61.24.030(8) until:

(a) Thirty days after satisfying the due diligence requirements as described in subsection (5) of this section and the borrower has not responded; or (ii) if the borrower responds to the initial contact, ninety days after the initial contact with the borrower was initiated.

(b) A beneficiary or authorized agent shall make initial contact with the borrower by letter to provide the borrower with information required under (c) of this subsection and by telephone as required under subsection (5) of this section. The letter required under this subsection must be mailed in accordance with subsection (5)(a) of this section and must include the information described in (c) of this subsection and subsection (5)(e)(i) through (iv) of this section.

(c) The letter required under this subsection, developed by the department pursuant to RCW 61.24.033, at a minimum shall include:

(i) A paragraph printed in no less than twelve-point font and bolded that reads:

"You must respond within thirty days of the date of this letter. IF YOU DO NOT RESPOND within thirty days, a notice of default may be issued and you may lose your home in foreclosure.

IF YOU DO RESPOND within thirty days of the date of this letter, you will have an additional sixty days to meet with your lender before a notice of default may be issued.

You should contact a housing counselor or attorney as soon as possible. Failure to contact a housing counselor or attorney may result in your losing certain opportunities, such as meeting with your lender or participating in mediation in front of a neutral third party. A housing counselor or attorney can help you work with your lender to avoid foreclosure.

If you filed bankruptcy or have been discharged in bankruptcy, this communication is not intended as an attempt to collect a debt from you personally, but is notice of enforcement of the deed of trust lien against the property. If you wish to avoid foreclosure and keep your property, this notice sets forth your rights and options."

(ii) The toll-free telephone number from the United States department of housing and urban development to find a department-approved housing counseling agency, the toll-free numbers for the statewide foreclosure hotline recommended by the housing finance commission, and the statewide civil legal aid hotline for assistance and referrals to other housing counselors and attorneys;

(iii) A paragraph stating that a housing counselor may be available at little or no cost to the borrower and that whether or not the borrower contacts a housing counselor or attorney, the borrower has the right to request a meeting with the beneficiary; and

(iv) A paragraph explaining how the borrower may respond to the letter and stating that after responding the borrower will have an opportunity to meet with his or her beneficiary in an attempt to resolve and try to work out an alternative to the foreclosure and that, after ninety days from the date of the letter, a notice of default may be issued, which starts the foreclosure process.

(d) If the beneficiary has exercised due diligence as required under subsection (5) of this section and the borrower does not respond by contacting the beneficiary within thirty days of the initial contact, the notice of default may be issued. "Initial contact" with the borrower is considered made three days after the date the letter required in (b) of this subsection is sent.

(e) If a meeting is requested by the borrower or the borrower's housing counselor or attorney, the beneficiary or authorized agent shall schedule the meeting to occur before the notice of default is issued. An assessment of the borrower's financial ability to modify or restructure the loan obligation and a discussion of options must occur during the meeting scheduled for that purpose.

(f) The meeting scheduled to assess the borrower's financial ability to modify or restructure the loan obligation and discuss options to avoid foreclosure...
may be held telephonically, unless the borrower or borrower's representative requests in writing that a meeting be held in person. The written request for an in-person meeting must be made within thirty days of the initial contact with the borrower. If the meeting is requested to be held in person, the meeting must be held in the county where the property is located unless the parties agree otherwise. A person who is authorized to agree to a resolution, including modifying or restructuring the loan obligation or other alternative resolution to foreclosure on behalf of the beneficiary, must be present either in person or on the telephone or videoconference during the meeting.

(2) A notice of default issued under RCW 61.24.030(8) must include a declaration, as provided in subsection (9) of this section, from the beneficiary or authorized agent that it has contacted the borrower as provided in subsection (1) of this section, it has tried with due diligence to contact the borrower under subsection (5) of this section, or the borrower has surrendered the property to the trustee, beneficiary, or authorized agent. Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the declaration as evidence that the requirements of this section have been satisfied, and the trustee is not liable for the beneficiary's or its authorized agent's failure to comply with the requirements of this section.

(3) If, after the initial contact under subsection (1) of this section, a borrower has designated a housing counseling agency, housing counselor, or attorney to discuss with the beneficiary or authorized agent, on the borrower's behalf, options for the borrower to avoid foreclosure, the borrower shall inform the beneficiary or authorized agent of the designated representative for the borrower to meet.

(4) The beneficiary or authorized agent and the borrower or the borrower's representative shall attempt to reach a resolution for the borrower within the ninety days from the time the initial contact is sent and the notice of default is issued. A resolution may include, but is not limited to, a loan modification, an agreement to conduct a short sale, or a deed in lieu of foreclosure transaction, or some other workout plan. Any modification or workout plan offered at the meeting with the borrower's designated representative by the beneficiary or authorized agent is subject to approval by the borrower.

(5) A notice of default may be issued under RCW 61.24.030(8) if a beneficiary or authorized agent has initiated contact with the borrower as required under subsection (1)(b) of this section and the failure to meet with the borrower occurred despite the due diligence of the beneficiary or authorized agent. Due diligence requires the following:

(a) A beneficiary or authorized agent shall first attempt to contact a borrower by sending, by both first-class and either registered or certified mail, return receipt requested, a letter to the address in the beneficiary's records for sending account statements to the borrower and to the address of the property encumbered by the deed of trust. The letter must be the letter described in subsection (1)(c) of this section.

(b)(i) After the letter has been sent, the beneficiary or authorized agent shall attempt to contact the borrower by telephone at least three times at different hours and on different days. Telephone calls must be made to the primary and secondary telephone numbers on file with the beneficiary or authorized agent.

(ii) A beneficiary or authorized agent may attempt to contact a borrower using an automated system to dial borrowers if the telephone call, when answered, is connected to a live representative of the beneficiary or authorized agent.

(iii) A beneficiary or authorized agent satisfies the telephone contact requirements of this subsection (5)(b) if the borrower's primary telephone number and secondary telephone number or numbers on file, if any, have been disconnected or are not good contact numbers for the borrower.

(iv) The telephonic contact under this subsection (5)(b) does not constitute the meeting under subsection (1)(f) of this section.

(c) If the borrower does not respond within fourteen days after the telephone
call requirements of (b) of this subsection have been satisfied, the beneficiary or authorized agent shall send a certified letter, with return receipt requested, to the borrower at the address in the beneficiary's records for sending account statements to the borrower and to the address of the property encumbered by the deed of trust. The letter must include the information described in (e)(i) through (iv) of this subsection. The letter must also include a paragraph stating: "Your failure to contact a housing counselor or attorney may result in your losing certain opportunities, such as meeting with your lender or participating in mediation in front of a neutral third party."

(d) The beneficiary or authorized agent shall provide a means for the borrower to contact the beneficiary or authorized agent in a timely manner, including a toll-free telephone number or charge-free equivalent that will provide access to a live representative during business hours for the purpose of initiating and scheduling the meeting under subsection (1)(f) of this section.

(e) The beneficiary or authorized agent shall post a link on the home page of the beneficiary's or authorized agent's internet website, if any, to the following information:

(i) Options that may be available to borrowers who are unable to afford their mortgage payments and who wish to avoid foreclosure, and instructions to borrowers advising them on steps to take to explore those options;

(ii) A list of financial documents borrowers should collect and be prepared to present to the beneficiary or authorized agent when discussing options for avoiding foreclosure;

(iii) A toll-free telephone number or charge-free equivalent for borrowers who wish to discuss options for avoiding foreclosure with their beneficiary or authorized agent; and

(iv) The toll-free telephone number or charge-free equivalent made available by the department to find a department-approved housing counseling agency.

(6) Subsections (1) and (5) of this section do not apply if the borrower has surrendered the property as evidenced by either a letter confirming the surrender or delivery of the keys to the property to the trustee, beneficiary, or authorized agent.

(7) (a) This section applies only to deeds of trust that are recorded against (owner-occupied) residential real property of up to four units. This section does not apply to deeds of trust: (i) Securing a commercial loan; (ii) securing obligations of a grantor who is not the borrower or a guarantor; or (iii) securing a purchaser's obligations under a seller-financed sale.

(b) This section does not apply to association beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW.

(8) As used in this section:

(a) "Department" means the United States department of housing and urban development.

(b) "Seller-financed sale" means a residential real property transaction where the seller finances all or part of the purchase price, and that financed amount is secured by a deed of trust against the subject residential real property.

(9) The form of declaration to be provided by the beneficiary or authorized agent as required under subsection (2) of this section must be in substantially the following form:

"FORECLOSURE LOSS MITIGATION FORM

(c) If criminal background inquiry information is shared, the health care facility employing the subject of the inquiry must require the applicant to sign a disclosure statement indicating that there has been no conviction or finding as described in RCW 43.43.842 since the completion date of the most recent criminal background inquiry.

(d) Any health care facility that knows or has reason to believe that an applicant has or may have a disqualifying conviction or finding as described in RCW 43.43.842, subsequent to the completion date of their most recent criminal background inquiry, shall be prohibited from relying on the applicant's previous employer's criminal background inquiry information. A new criminal background inquiry shall be requested pursuant to RCW 43.43.830 through 43.43.842.

(e) Health care facilities that share criminal background inquiry information shall be immune from any claim of defamation, invasion of privacy, negligence, or any other claim in connection with any dissemination of this information in accordance with this subsection.

(f) Health care facilities shall transmit and receive the criminal background inquiry information in a manner that reasonably protects the subject's rights to privacy and confidentiality.

(7) The department of social and health services may not consider any final founded finding of physical abuse or negligent treatment or maltreatment of a child made pursuant to chapter 26.44 RCW that is accompanied by a certificate of parental improvement or dependency as a result of a finding of abuse or neglect pursuant to chapter 13.34 RCW that is accompanied by a certificate of parental improvement when evaluating an applicant.
or employee's character, competency, and suitability pursuant to any background check authorized or required by this chapter, RCW 43.20A.710 or 74.39A.056, or any of the rules adopted thereunder.

Sec. 2. RCW 43.43.837 and 2019 c 470 s 12 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, in order to determine the character, competence, and suitability of any applicant or service provider to have unsupervised access, the secretary of the department of social and health services and the secretary of the department of children, youth, and families may require a fingerprint-based background check through both the Washington state patrol and the federal bureau of investigation at any time, but shall require a fingerprint-based background check when the applicant or service provider has resided in the state less than three consecutive years before application, and:

The purpose of this provision is to allow both departments to fulfill their joint background check responsibility of checking any individual who may have unsupervised access to vulnerable adults, children, or juveniles. Neither department may share the federal background check results with any other state agency or person.

(4) The secretary of the department of children, youth, and families shall require a fingerprint-based background check through the Washington state patrol identification and criminal history section and the federal bureau of investigation when the department seeks to approve an applicant or service provider for a foster or adoptive placement of children in accordance with federal and state law. (5) Any secure facility operated by the department of social and health services or the department of children, youth, and families under chapter 71.09 RCW shall require applicants and service providers to undergo a fingerprint-based background check through the Washington state patrol identification and criminal history section and the federal bureau of investigation.

(6) Service providers and service provider applicants, except for those long-term care workers exempted in subsection (2) of this section, who are required to complete a fingerprint-based background check may be hired for a one hundred twenty-day provisional period as allowed under law or program rules when:

(8) Service providers licensed under RCW 74.15.030 must pay fees charged by the Washington state patrol and the federal bureau of investigation for conducting fingerprint-based background checks.

(9) Department of children, youth, and families service providers licensed under RCW 74.15.030 may not pass on the cost of the background check fees to their applicants unless the individual is determined to be disqualified due to the background information.

(10) The department of social and health services and the department of children, youth, and families shall develop rules identifying the financial responsibility of service providers, applicants, and the department for paying the fees charged by law enforcement to roll, print, or scan fingerprints-based for the purpose of a Washington state patrol or federal bureau of investigation fingerprint-based background check.

"Service provider" does not include those certified under chapter 70.96A RCW.

Sec. 3. RCW 74.39A.056 and 2020 c 270 s 8 are each amended to read as follows:

(1)(a) All long-term care workers shall be screened through state and federal background checks in a uniform and timely manner to verify that they do not have a history that would disqualify them from working with vulnerable persons. The department must process background checks for long-term care workers and make the information available to employers, prospective employers, and others as authorized by law.

(b)(i) Except as provided in (b)(ii) of this subsection, for long-term care workers hired on or after January 7, 2012, the background checks required under this section shall include checking against the federal bureau of investigation fingerprint identification records system (and against the national sex offenders registry or their successor programs) or its successor program. The department shall require these long-term care workers to submit fingerprints for the purpose of investigating conviction records through both the Washington state patrol and the federal bureau of investigation. The department shall not pass on the cost of these criminal background checks to the workers or their employers.

(ii) This subsection does not apply to long-term care workers employed by community residential service businesses until January 1, 2016.) A long-term care worker who is not disqualified by the state background check can work and have unsupervised access pending the results of the federal bureau of investigation fingerprint background check as allowed by rules adopted by the department.

(c) The department shall share state and federal background check results with the department of health in accordance with RCW 18.88B.080.

(d) Background check screening required under this section and department rules is not required for an employee of a consumer directed employer if all of the following circumstances apply:

(i) The individual has an individual provider contract with the department;

(ii) The last background check on the contracted individual provider is still valid under department rules and did not disqualify the individual from providing personal care services;

(iii) Employment by the consumer directed employer is the only reason a new background check would be required; and

(iv) The department's background check results have been shared with the consumer directed employer.

(e) The department may require a fingerprint-based background check through both the Washington state patrol and the federal bureau of investigation at any time.

(2) A provider may not be employed in the care of and have unsupervised access to vulnerable adults if:

(a) The provider is on the vulnerable adult abuse registry or on any other registry based upon a finding of abuse,
abandonment, neglect, or financial exploitation of a vulnerable adult;

(b) On or after October 1, 1998, the department of children, youth, and families, or its predecessor agency, has made a founded finding of abuse or neglect of a child against the provider. If the provider has received a certificate of parental improvement under chapter 74.13 RCW pertaining to the finding, the provider is not disqualified under this section;

(c) A disciplining authority, including the department of health, has made a finding of abuse, abandonment, neglect, or financial exploitation of a minor or a vulnerable adult against the provider; or

(d) A court has issued an order that includes a finding of fact or conclusion of law that the provider has committed abuse, abandonment, neglect, or financial exploitation of a minor or vulnerable adult. If the provider has received a certificate of parental improvement under chapter 74.13 RCW pertaining to the finding of fact or conclusion of law, the provider is not disqualified under this section.

(3) The department shall establish, by rule, a state registry which contains identifying information about long-term care workers identified under this chapter who have final substantiated findings of abuse, neglect, financial exploitation, or abandonment of a vulnerable adult as defined in RCW 74.34.020. The rule must include disclosure, disposition of findings, notification, findings of fact, appeal rights, and fair hearing requirements. The department shall disclose, upon request, final substantiated findings of abuse, neglect, financial exploitation, or abandonment to any person so requesting this information. This information must also be shared with the department of health to advance the purposes of chapter 18.88B RCW.

(4) For the purposes of this section, "provider" means:

(a) An individual provider as defined in RCW 74.39A.240;

(b) An employee, licensee, or contractor of any of the following: A home care agency licensed under chapter 70.127 RCW; a nursing home under chapter 18.51 RCW; an assisted living facility under chapter 18.20 RCW; an enhanced services facility under chapter 70.97 RCW; a certified resident services and supports agency licensed or certified under chapter 71A.12 RCW; an adult family home under chapter 70.120 RCW; or any long-term care facility certified to provide medicaid or medicare services; and

(c) Any contractor of the department who may have unsupervised access to vulnerable adults.

(5) The department shall adopt rules to implement this section.

Sec. 4. RCW 18.51.091 and 2020 c 263 s 1 are each amended to read as follows:

(1) The department shall inspect each nursing home periodically in accordance with federal standards under 42 C.F.R. Part 488, Subpart E. The inspection shall be made without providing advance notice of it. Every inspection may include an inspection of every part of the premises and an examination of all records, methods of administration, the general and special dietary and the stores and methods of supply. Those nursing homes that provide community-based care shall establish and maintain separate and distinct accounting and other essential records for the purpose of appropriately allocating costs of the providing of such care: PROVIDED, That such costs shall not be considered allowable costs for reimbursement purposes under chapter 74.46 RCW. Following such inspection or inspections, written notice of any violation of this law or the rules and regulations promulgated hereunder, shall be given to the applicant or licensee and the department. The notice shall describe the reasons for the facility's noncompliance. The department may prescribe by regulations that any licensee or applicant desiring to make specified types of alterations or additions to its facilities or to construct new facilities shall, before commencing such alteration, addition or new construction, submit its plans and specifications therefor to the department for preliminary inspection and approval or recommendations with respect to compliance with the regulations and standards herein authorized.

(2) If a pandemic, natural disaster, or other declared state of emergency prevents the department from completing inspections according to the timeline in subsection (1) of this section, the
department shall adopt rules to reestablish inspection timelines based on the length of time since the last complete inspection, compliance history of each facility, immediate health or safety concerns, and centers for medicare and medicaid services requirements.

(a) Rules adopted under this subsection (2) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that all facility inspections are occurring according to time frames established in subsection (1) of this section, whichever occurs later. Once the department determines a rule adopted under this subsection (2) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of inspection compliance with subsection (1) of this section and provide the legislature with a report.

Sec. 5. RCW 18.51.230 and 2020 c 263 s 2 are each amended to read as follows:

(1) The department shall, in addition to any inspections conducted pursuant to complaints filed pursuant to RCW 18.51.190, conduct a periodic general inspection of each nursing home in the state without providing advance notice of such inspection. Such inspections must conform to the federal standards for surveys under 42 C.F.R. Part 488, Subpart E.

(2) The department shall institute minimum staffing standards for nursing homes. Beginning July 1, 2016, facilities must provide a minimum of 3.4 hours per resident day of direct care. Direct care staff has the same meaning as defined in RCW 74.42.010. The minimum staffing standard includes the time when such staff are providing hands-on care related to activities of daily living and nursing-related tasks, as well as care planning. The legislature intends to increase the minimum staffing standard to 4.1 hours per resident day of direct care, but the effective date of a standard higher than 3.4 hours per resident day of direct care will be identified if and only if funding is provided explicitly for an increase of the minimum staffing standard for direct care.

(a) The department shall establish in rule a system of compliance of minimum direct care staffing standards by January 1, 2016. Oversight must be done at least quarterly using the centers for medicare and medicaid services' payroll-based journal and nursing home facility census and payroll data.

(b) The department shall establish in rule by January 1, 2016, a system of financial penalties for facilities out of compliance with minimum staffing standards. No monetary penalty may be issued during the implementation period of July 1, 2016, through September 30, 2016. If a facility is found noncompliant during the implementation period, the department shall provide a written notice identifying the staffing deficiency and
require the facility to provide a sufficiently detailed correction plan to meet the statutory minimum staffing levels. Monetary penalties begin October 1, 2016. Monetary penalties must be established based on a formula that calculates the cost of wages and benefits for the missing staff hours. If a facility meets the requirements in subsection (3) or (4) of this section, the penalty amount must be based solely on the wages and benefits of certified nurse aides. The first monetary penalty for noncompliance must be at a lower amount than subsequent findings of noncompliance. Monetary penalties established by the department may not exceed two hundred percent of the wage and benefit costs that would have otherwise been expended to achieve the required staffing minimum hours per resident day for the quarter. A facility found out of compliance must be assessed a monetary penalty at the lowest penalty level if the facility has met or exceeded the requirements in subsection (2) of this section for three or more consecutive years. Beginning July 1, 2016, pursuant to rules established by the department, funds that are received from financial penalties must be used for technical assistance, specialized training, or an increase to the quality enhancement established in RCW 74.46.561.

(c) The department shall establish in rule an exception allowing geriatric behavioral health workers as defined in RCW 74.42.010 to be recognized in the minimum staffing requirements as part of the direct care service delivery to individuals who have a behavioral health condition. Hours worked by geriatric behavioral health workers may be recognized as direct care hours for purposes of the minimum staffing requirements only up to a portion of the total hours equal to the proportion of resident days of clients with a behavioral health condition identified at that facility on the most recent semiannual minimum data set. In order to qualify for the exception:

(i) The worker must:
   (A) Have a bachelor's or master's degree in social work, behavioral health, or other related areas; or
   (B) Have at least three years experience providing care for individuals with chronic mental health issues, dementia, or intellectual and developmental disabilities in a long-term care or behavioral health care setting; or

(C) Have successfully completed a facility-based behavioral health curriculum approved by the department under RCW 74.39A.078;

(ii) Any geriatric behavioral health worker holding less than a master's degree in social work must be directly supervised by an employee who has a master's degree in social work or a registered nurse.

(d)(i) The department shall establish a limited exception to the 3.4 hours per resident day staffing requirement for facilities demonstrating a good faith effort to hire and retain staff.

(ii) To determine initial facility eligibility for exception consideration, the department shall send surveys to facilities anticipated to be below, at, or slightly above the 3.4 hours per resident day requirement. These surveys must measure the hours per resident day in a manner as similar as possible to the centers for medicare and medicaid services’ payroll-based journal and cover the staffing of a facility from October through December of 2015, January through March of 2016, and April through June of 2016. A facility must be below the 3.4 staffing standard on all three surveys to be eligible for exception consideration. If the staffing hours per resident day for a facility declines from any quarter to another during the survey period, the facility must provide sufficient information to the department to allow the department to determine if the staffing decrease was deliberate or a result of neglect, which is the lack of evidence demonstrating the facility's efforts to maintain or improve its staffing ratio. The burden of proof is on the facility and the determination of whether or not the decrease was deliberate or due to neglect is entirely at the discretion of the department. If the department determines a facility's decline was deliberate or due to neglect, that facility is not eligible for an exception consideration.

(iii) To determine eligibility for exception approval, the department shall review the plan of correction submitted by the facility. Before a facility's exception may be renewed, the department must determine that sufficient progress is being made towards reaching the 3.4
hours per resident day staffing requirement. When reviewing whether to grant or renew an exception, the department must consider factors including but not limited to: Financial incentives offered by the facilities such as recruitment bonuses and other incentives; the robustness of the recruitment process; county employment data; specific steps the facility has undertaken to improve retention; improvements in the staffing ratio compared to the baseline established in the surveys and whether this trend is continuing; and compliance with the process of submitting staffing data, adherence to the plan of correction, and any progress toward meeting this plan, as determined by the department.

(iv) Only facilities that have their direct care component rate increase capped according to RCW 74.46.561 are eligible for exception consideration. Facilities that will have their direct care component rate increase capped for one or two years are eligible for exception consideration through June 30, 2017. Facilities that will have their direct care component rate increase capped for three years are eligible for exception consideration through June 30, 2018.

(v) The department may not grant or renew a facility's exception if the facility meets the 3.4 hours per resident day staffing requirement and subsequently drops below the 3.4 hours per resident day staffing requirement.

(vi) The department may grant exceptions for a six-month period per exception. The department's authority to grant exceptions to the 3.4 hours per resident day staffing requirement expires June 30, 2018.

(3)(a) Large nonessential community providers must have a registered nurse on duty directly supervising resident care twenty-four hours per day, seven days per week.

(b)(i) The department shall establish a limited exception process for large nonessential community providers that can demonstrate a good faith effort to hire a registered nurse for the last eight hours of required coverage per day. In granting an exception, the department may consider the competitiveness of the wages and benefits offered as compared to nursing facilities in comparable geographic or metropolitan areas within Washington state, the provider's recruitment and retention efforts, and the availability of registered nurses in the particular geographic area. A one-year exception may be granted and may be renewable; however, the department may limit the admission of new residents, based on medical conditions or complexities, when a registered nurse is not on-site and readily available. If a large nonessential community provider receives an exception, that information must be included in the department's nursing home locator.

(ii) By August 1, 2023, and every three years thereafter, the department, along with a stakeholder work group established by the department, shall conduct a review of the exceptions process to determine if it is still necessary. As part of this review, the department shall provide the legislature with a report that includes enforcement and citation data for large nonessential community providers that were granted an exception in the three previous fiscal years in comparison to those without an exception. The report must include a similar comparison of data, provided to the department by the long-term care ombuds, on long-term care ombuds referrals for large nonessential community providers that were granted an exception in the three previous fiscal years and those without an exception. This report, along with a recommendation as to whether the exceptions process should continue, is due to the legislature by December 1st of each year in which a review is conducted. Based on the recommendations outlined in this report, the legislature may take action to end the exceptions process.

(4) Essential community providers and small nonessential community providers must have a registered nurse on duty directly supervising resident care a minimum of sixteen hours per day, seven days per week, and a registered nurse or a licensed practical nurse on duty directly supervising resident care the remaining eight hours per day, seven days per week.

(5) For the purposes of this section, "behavioral health condition" means one or more of the behavioral symptoms specified in section E of the minimum data set.

(6) If a pandemic, natural disaster, or other declared state of emergency impedes or prevents facilities from compliance with subsections (2) through
(4) of this section, the department may adopt rules to grant exceptions to these requirements, waive penalties, and suspend oversight activities. Facilities must remain in compliance with subsection (1) of this section.

(a) Rules adopted under this subsection (6) are effective until 18 months after the termination of the pandemic, natural disaster, or other declared state of emergency or until determined no longer necessary by the department, whichever occurs first. Once the department determines a rule adopted under this subsection (6) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of direct care staffing adequacy in relation to meeting the requirements of subsections (2) and (4) of this section and provide the legislature with a report.

Sec. 7. RCW 74.39A.074 and 2017 c 216 s 1 are each amended to read as follows:

(1)(a) Except for long-term care workers exempt from certification under RCW 18.88B.041(1)(a), all persons hired as long-term care workers must meet the minimum training requirements in this section within one hundred twenty calendar days after the date of being hired. A long-term care worker must successfully complete five of these seventy-five hours before being eligible to provide care.

(b) Except as provided in RCW 74.39A.076, the minimum training requirement is seventy-five hours of entry-level training approved by the department. A long-term care worker must successfully complete five of these seventy-five hours before being eligible to provide care.

(c) Training required by (d) of this subsection applies toward the training requirements under RCW 18.88B.041(1)(a), as long-term care workers must meet these requirements in this section within one hundred twenty calendar days after the date of being hired.

(d) The seventy-five hours of entry-level training required shall be as follows:

(i) Before a long-term care worker is eligible to provide care, he or she must complete:

(A) Two hours of orientation training regarding his or her role as caregiver and the applicable terms of employment; and

(B) Three hours of safety training, including basic safety precautions, emergency procedures, and infection control.

(ii) Seventy hours of long-term care basic training, including training related to:

(A) Core competencies and population specific competencies, including identification of individuals with potential hearing loss and how to seek assistance if hearing loss is suspected.

(B) Only training curriculum approved by the department may be used to fulfill the training requirements specified in this section.

(2) Only training curriculum approved by the department who were unable to complete the training required in subsection (1)(a) of this section, the department may adopt rules to allow long-term care workers additional time to complete the training requirements.

(a) Rules adopted under this subsection (4) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until determined no longer necessary by the department, whichever occurs first. Once the department determines a rule adopted under this subsection (4) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of direct care staffing adequacy in relation to meeting the requirements of subsections (2) and (4) of this section and provide the legislature with a report.
a review of training compliance with subsection (1)(a) of this section and provide the legislature with a report.

(5) The department shall adopt rules to implement this section.

Sec. 8. RCW 74.39A.076 and 2019 c 363 s 19 are each amended to read as follows:

(a) A biological, step, or adoptive parent who is the individual provider only for the person's developmentally disabled son or daughter must receive twelve hours of training relevant to the needs of adults with developmental disabilities within the first one hundred twenty days after becoming an individual provider.

(b) A spouse or registered domestic partner who is a long-term care worker only for a spouse or domestic partner, pursuant to the long-term services and supports trust program established in chapter 50B.04 RCW, must receive fifteen hours of basic training, and at least six hours of additional focused training based on the care-receiving spouse's or partner's needs, within the first one hundred twenty days after becoming a long-term care worker.

(c) A person working as an individual provider who (i) provides respite care services only for individuals with developmental disabilities receiving services under Title 71A RCW or only for individuals who receive services under this chapter, and (ii) works three hundred hours or less in any calendar year, must complete fourteen hours of training within the first one hundred twenty days after becoming an individual provider. Five of the fourteen hours must be completed before becoming eligible to provide care, including two hours of orientation training regarding the caregiving role and terms of employment, and three hours devoted to safety training, including basic safety precautions, emergency procedures, and infection control. Individual providers subject to this requirement include:

(i) An individual provider caring only for the individual provider's biological, step, or adoptive child or parent unless covered by (a) of this subsection; and

(ii) A person working as an individual provider who provides twenty hours or less of care for one person in any calendar month.

(2) In computing the time periods in this section, the first day is the date of hire.

(3) Only training curriculum approved by the department may be used to fulfill the training requirements specified in this section. The department shall only approve training curriculum that:

(a) Has been developed with input from consumer and worker representatives; and

(b) Requires comprehensive instruction by qualified instructors.

(4) If a pandemic, natural disaster, or other declared state of emergency impacts the ability of long-term care workers to complete training as required by this section, the department may adopt rules to allow long-term care workers additional time to complete the training requirements.

(a) Rules adopted under this subsection (4) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that all long-term care workers who were unable to complete the training required in subsection (1) of this section have had adequate access to complete the required training, whichever is later. Once the department determines a rule adopted under this subsection (4) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of
emergency, the department shall conduct a review of training compliance with subsection (1) of this section and provide the legislature with a report.

(5) The department shall adopt rules to implement this section.

Sec. 9. RCW 74.39A.341 and 2015 c 152 s 3 are each amended to read as follows:

(1) All long-term care workers shall complete twelve hours of continuing education training in advanced training topics each year. This requirement applies beginning July 1, 2012.

(2) Completion of continuing education as required in this section is a prerequisite to maintaining home care aide certification under chapter 18.88B RCW.

(3) Unless voluntarily certified as a home care aide under chapter 18.88B RCW, subsection (1) of this section does not apply to:

(a) An individual provider caring only for his or her biological, step, or adoptive child;

(b) Registered nurses and licensed practical nurses licensed under chapter 18.79 RCW;

(c) Before January 1, 2016, a long-term care worker employed by a community residential service business;

(d) A person working as an individual provider who provides twenty hours or less of care for one person in any calendar month; or

(e) A person working as an individual provider who only provides respite services and works less than three hundred hours in any calendar year.

(4) Only training curriculum approved by the department may be used to fulfill the training requirements specified in this section. The department shall only approve training curriculum that:

(a) Has been developed with input from consumer and worker representatives; and

(b) Requires comprehensive instruction by qualified instructors.

(5) Individual providers under RCW 74.39A.270 shall be compensated for training time required by this section.

(6) If a pandemic, natural disaster, or other declared state of emergency impacts the ability of long-term care workers to complete training as required by this section, the department may adopt rules to allow long-term care workers additional time to complete the training requirements.

(a) Rules adopted under this subsection (6) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that all long-term care workers who were unable to complete the training required in this section have had adequate access to complete the required training, whichever is later. Once the department determines a rule adopted under this subsection (6) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of training compliance with subsection (1) of this section and provide the legislature with a report.

((477)) (8) The department shall adopt rules to implement subsection (2) of this section.

Sec. 10. RCW 18.88B.021 and 2013 c 259 s 1 are each amended to read as follows:

(1) Beginning January 7, 2012, except as provided in RCW 18.88B.041, any person hired as a long-term care worker must be certified as a home care aide as provided in this chapter within two hundred calendar days after the date of ([being hired. In computing the time periods in this subsection, the first day is the date of]) hire, as defined by the department. The department may adopt rules determining under which circumstances a long-term care worker may have more than one date of hire, restarting the person’s 200-day period to obtain certification as a home care aide.

(2)(a) No person may practice or, by use of any title or description, represent himself or herself as a certified home care aide without being certified as provided in this chapter.

(b) This section does not prohibit a person: (i) From practicing a profession for which the person has been issued a
license or which is specifically authorized under this state's laws; or
(ii) who is exempt from certification under RCW 18.88B.041 from providing services as a long-term care worker.

(c) In consultation with consumer and worker representatives, the department shall, by January 1, 2013, establish by rule a single scope of practice that encompasses both long-term care workers who are certified home care aides and long-term care workers who are exempted from certification under RCW 18.88B.041.

(3) If a pandemic, natural disaster, or other declared state of emergency impacts the ability of long-term care workers to complete certification as required by this section, the department may adopt rules to allow long-term care workers additional time to become certified.

(a) Rules adopted under this subsection (3) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that additional time for long-term care workers to become certified is no longer necessary, whichever is later. Once the department determines a rule adopted under this subsection (3) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of certification compliance with subsection (1) of this section and rules adopted under this subsection (3) and provide the legislature with a report.

(4) The department shall adopt rules to implement this section.

Sec. 11. RCW 70.128.230 and 2019 c 466 s 5 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Caregiver" includes all adult family home resident managers and any person who provides residents with hands-on personal care on behalf of an adult family home, except volunteers who are directly supervised.

(b) "Indirect supervision" means oversight by a person who has demonstrated competency in the core areas or has been fully exempted from the training requirements pursuant to this section and is quickly and easily available to the caregiver, but not necessarily on-site.

(2) Training must have three components: Orientation, basic training, and continuing education. All adult family home providers, resident managers, and employees, or volunteers who routinely interact with residents shall complete orientation. Caregivers shall complete orientation, basic training, and continuing education.

(3) Orientation consists of introductory information on residents' rights, communication skills, fire and life safety, and universal precautions. Orientation must be provided at the facility by appropriate adult family home staff to all adult family home employees before the employees have routine interaction with residents.

(4) Basic training consists of modules on the core knowledge and skills that caregivers need to learn and understand to effectively and safely provide care to residents. Basic training must be outcome-based, and the effectiveness of the basic training must be measured by demonstrated competency in the core areas through the use of a competency test. Basic training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care. Until competency in the core areas has been demonstrated, caregivers shall not provide hands-on personal care to residents without direct supervision.

(5) For adult family homes that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of providers and resident managers.

(a) Specialty training consists of modules on the core knowledge and skills that providers and resident managers need to effectively and safely provide care to residents with special needs. Specialty training should be integrated into basic training wherever appropriate. Specialty training must be outcome-based, and the effectiveness of the specialty training measured by demonstrated competency in the core specialty areas through the use of a competency test.

(b) Specialty training must be completed by providers and resident
managers before admitting and serving residents who have been determined to have special needs related to mental illness, dementia, or a developmental disability. Should a resident develop special needs while living in a home without specialty designation, the provider and resident manager have one hundred twenty days to complete specialty training.

(6) Continuing education consists of ongoing delivery of information to caregivers on various topics relevant to the care setting and care needs of residents. Competency testing is not required for continuing education. Continuing education is not required in the same calendar year in which basic or modified basic training is successfully completed. Continuing education is required in each calendar year thereafter. If specialty training is completed, the specialty training applies toward any continuing education requirement for up to two years following the completion of the specialty training.

(7) Persons who successfully complete the competency challenge test for basic training are fully exempt from the basic training requirements of this section. Persons who successfully complete the specialty training competency challenge test are fully exempt from the specialty training requirements of this section.

(8) (a) Registered nurses and licensed practical nurses licensed under chapter 18.79 RCW are exempt from any continuing education requirement established under this section.

(b) The department may adopt rules that would exempt licensed persons from all or part of the training requirements under this chapter, if they are (i) performing the tasks for which they are licensed and (ii) subject to chapter 18.130 RCW.

(9) In an effort to improve access to training and education and reduce costs, especially for rural communities, the adult family home training network must include the use of innovative types of learning strategies such as internet resources, videotapes, and distance learning using satellite technology coordinated through community colleges, private associations, or other entities, as defined by the department.

(10) The adult family home training network shall assist adult family homes that desire to deliver facility-based training with facility designated trainers, or adult family homes that desire to pool their resources to create shared training systems. The department shall develop criteria for reviewing and approving trainers and training materials. The department may approve a curriculum based upon attestation by an adult family home administrator that the adult family home’s training curriculum addresses basic and specialty training competencies identified by the department, and shall review a curriculum to verify that it meets these requirements. The department may conduct the review as part of the next regularly scheduled inspection authorized under RCW 70.128.070. The department shall rescind approval of any curriculum if it determines that the curriculum does not meet these requirements.

(11) The department shall adopt rules by September 1, 2002, for the implementation of this section.

(12) (a) Except as provided in (b) of this subsection, the orientation, basic training, specialty training, and continuing education requirements of this section commence September 1, 2002, and shall be applied to (i) employees hired subsequent to September 1, 2002; or (ii) existing employees that on September 1, 2002, have not successfully completed the training requirements under RCW 70.128.120 or 70.128.130 and this section. Existing employees who have not successfully completed the training requirements under RCW 70.128.120 or 70.128.130 shall be subject to all applicable requirements of this section.

(b) Beginning January 7, 2012, long-term care workers, as defined in RCW 74.39A.009, employed by an adult family home are also subject to the training requirements under RCW 74.39A.074.

(13) If a pandemic, natural disaster, or other declared state of emergency makes specialty training unavailable, the department may adopt rules to allow an adult family home where the provider and resident manager have not completed specialty training to admit a resident or residents with special needs related to mental illness, dementia, or a developmental disability, or to care for a resident or residents already living in the home who develop special needs. Such rules must include information about how to complete the specialty training once the training is available.
(a) Rules adopted under this subsection (13) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that providers and resident managers who were unable to complete the specialty training required in subsection (5)(b) of this section have had adequate access to complete the required training, whichever is later. Once the department determines a rule adopted under this subsection (13) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of training compliance with subsection (5)(b) of this section and provide the legislature with a report.

Sec. 12. RCW 18.20.270 and 2013 c 259 s 4 are each amended to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Caregiver" includes any person who provides residents with hands-on personal care on behalf of an assisted living facility, except volunteers who are directly supervised.

(b) "Direct supervision" means oversight by a person who has demonstrated competency in the core areas or has been fully exempted from the training requirements pursuant to this section, is on the premises, and is quickly and easily available to the caregiver.

(2) Training must have the following components: Orientation, basic training, specialty training as appropriate, and continuing education. All assisted living facility employees or volunteers who routinely interact with residents shall complete orientation. Assisted living facility administrators, or their designees, and caregivers shall complete orientation, basic training, specialty training as appropriate, and continuing education.

(3) Orientation consists of introductory information on residents' rights, communication skills, fire and life safety, and universal precautions. Orientation must be provided at the facility by appropriate assisted living facility staff to all assisted living facility employees before the employees have routine interaction with residents.

(4) Basic training consists of modules on the core knowledge and skills that caregivers need to learn and understand to effectively and safely provide care to residents. Basic training must be outcome-based, and the effectiveness of the basic training must be measured by demonstrated competency in the core areas through the use of a competency test. Basic training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care. Until competency in the core areas has been demonstrated, caregivers shall not provide hands-on personal care to residents without direct supervision. Assisted living facility administrators, or their designees, must complete basic training and demonstrate competency within one hundred twenty days of employment.

(5) For assisted living facilities that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of administrators, or designees, and caregivers.

(a) Specialty training consists of modules on the core knowledge and skills that caregivers need to effectively and safely provide care to residents with special needs. Specialty training should be integrated into basic training wherever appropriate. Specialty training must be outcome-based, and the effectiveness of the specialty training measured by demonstrated competency in the core specialty areas through the use of a competency test.

(b) Specialty training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care to a resident having special needs. However, if specialty training is not integrated with basic training, the specialty training must be completed within ninety days of completion of basic training. Until competency in the core specialty areas has been demonstrated, caregivers shall not provide hands-on personal care to residents with special needs without direct supervision.

(c) Assisted living facility administrators, or their designees, must complete specialty training and demonstrate competency within one
hundred twenty days from the date on which the administrator or his or her designee is hired, if the assisted living facility serves one or more residents with special needs.

(6) Continuing education consists of ongoing delivery of information to caregivers on various topics relevant to the care setting and care needs of residents. Competency testing is not required for continuing education. Continuing education is not required in the same calendar year in which basic or modified basic training is successfully completed. Continuing education is required in each calendar year thereafter. If specialty training is completed, the specialty training applies toward any continuing education requirement for up to two years following the completion of the specialty training.

(7) Persons who successfully challenge the competency test for basic training are fully exempt from the basic training requirements of this section. Persons who successfully challenge the specialty training competency test are fully exempt from the specialty training requirements of this section.

(8)(a) Registered nurses and licensed practical nurses licensed under chapter 18.79 RCW are exempt from any continuing education requirement established under this section.

(b) The department may adopt rules that would exempt licensed persons from all or part of the training requirements under this chapter, if they are (i) performing the tasks for which they are licensed and (ii) subject to chapter 18.130 RCW.

(9) In an effort to improve access to training and education and reduce costs, especially for rural communities, the coordinated system of long-term care training and education must include the use of innovative types of learning strategies such as internet resources, videotapes, and distance learning using satellite technology coordinated through community colleges or other entities, as defined by the department.

(10) The department shall develop criteria for the approval of orientation, basic training, and specialty training programs.

(11) Assisted living facilities that desire to deliver facility-based training with facility designated trainers, or assisted living facilities that desire to pool their resources to create shared training systems, must be encouraged by the department in their efforts. The department shall develop criteria for reviewing and approving trainers and training materials that are substantially similar to or better than the materials developed by the department. The department may approve a curriculum based upon attestation by an assisted living facility administrator that the assisted living facility's training curriculum addresses basic and specialty training competencies identified by the department, and shall review a curriculum to verify that it meets these requirements. The department may conduct the review as part of the next regularly scheduled yearly inspection and investigation required under RCW 18.20.110. The department shall rescind approval of any curriculum if it determines that the curriculum does not meet these requirements.

(12) The department shall adopt rules for the implementation of this section.

(13)(a) Except as provided in (b) of this subsection, the orientation, basic training, specialty training, and continuing education requirements of this section commence September 1, 2002, or one hundred twenty days from the date of employment, whichever is later, and shall be applied to (i) employees hired subsequent to September 1, 2002; and (ii) existing employees that on September 1, 2002, have not successfully completed the training requirements under RCW 74.39A.010 or 74.39A.020 and this section. Existing employees who have not successfully completed the training requirements under RCW 74.39A.010 or 74.39A.020 shall be subject to all applicable requirements of this section.

(b) Beginning January 7, 2012, long-term care workers, as defined in RCW 74.39A.009, employed by facilities licensed under this chapter are also subject to the training requirements under RCW 74.39A.074.

(14) If a pandemic, natural disaster, or other declared state of emergency makes specialty training unavailable, the department may adopt rules to allow an assisted living facility where the administrator, designee, and caregiving staff have not completed specialty training to admit a resident or residents with special needs related to mental illness, dementia, or a developmental
disability. Such rules must include information about how to complete the specialty training once the training is available.

(a) Rules adopted under this subsection (14) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that providers and resident managers who were unable to complete the specialty training required in subsection (5)(b) of this section have had adequate access to complete the required training, whichever is later. Once the department determines a rule adopted under this subsection (14) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of training compliance with subsection (5)(b) of this section and provide the legislature with a report.

Sec. 13. RCW 70.128.070 and 2011 1st sp.s. c 3 s 204 are each amended to read as follows:

(1) A license shall remain valid unless voluntarily surrendered, suspended, or revoked in accordance with this chapter.

(2)(a) Homes applying for a license shall be inspected at the time of licensure.

(b) Homes licensed by the department shall be inspected at least every eighteen months, with an annual average of fifteen months. However, an adult family home may be allowed to continue without inspection for two years if the adult family home had no inspection citations for the past three consecutive inspections and has received no written notice of violations resulting from complaint investigations during that same time period.

(c) The department may make an unannounced inspection of a licensed home at any time to assure that the home and provider are in compliance with this chapter and the rules adopted under this chapter.

(d) If a pandemic, natural disaster, or other declared state of emergency prevents the department from completing inspections according to the timeline in this subsection, the department shall adopt rules to reestablish inspection timelines based on the length of time since the last inspection, compliance history of each facility, and immediate health or safety concerns.

(i) Rules adopted under this subsection (2)(d) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that all facility inspections are occurring according to time frames established in (b) of this subsection, whichever is later. Once the department determines a rule adopted under this subsection (2)(d) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(ii) Within 12 months of the termination of the pandemic, natural disaster, or declared state of emergency, the department shall conduct a review of inspection compliance with (b) of this subsection and provide the legislature with a report.

(3) If the department finds that the home is not in compliance with this chapter, it shall require the home to correct any violations as provided in this chapter.

Sec. 14. RCW 70.97.160 and 2020 c 278 s 9 are each amended to read as follows:

(1) The department shall make or cause to be made at least one inspection of each facility prior to licensure and an unannounced full inspection of facilities at least once every eighteen months. The statewide average interval between full facility inspections must be fifteen months.

(2) Any duly authorized officer, employee, or agent of the department may enter and inspect any facility at any time to determine that the facility is in compliance with this chapter and applicable rules, and to enforce any provision of this chapter. Complaint inspections shall be unannounced and conducted in such a manner as to ensure maximum effectiveness. No advance notice shall be given of any inspection unless authorized or required by federal law.

(3) During inspections, the facility must give the department access to areas, materials, and equipment used to provide care or support to residents, including resident and staff records, accounts, and the physical premises, including the
buildings, grounds, and equipment. The department has the authority to privately interview the provider, staff, residents, and other individuals familiar with resident care and service plans.

(4) Any public employee giving advance notice of an inspection in violation of this section shall be suspended from all duties without pay for a period of not less than five nor more than fifteen days.

(5) The department shall prepare a written report describing the violations found during an inspection, and shall provide a copy of the inspection report to the facility.

(6) The facility shall develop a written plan of correction for any violations identified by the department and provide a plan of correction to the department within ten working days from the receipt of the inspection report.

(7) If a pandemic, natural disaster, or other declared state of emergency prevents the department from completing inspections according to the timeline in this section, the department shall adopt rules to reestablish inspection timelines based on the length of time since last inspection, compliance history of each facility, and immediate health or safety concerns.

(a) Rules adopted under this subsection (7) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that all facility inspections are occurring according to time frames established in subsection (1) of this section, whichever is later. Once the department determines a rule adopted under this subsection (7) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of inspection compliance with subsection (1) of this section and provide the legislature with a report.

Sec. 15. RCW 18.20.110 and 2012 c 10 s 6 are each amended to read as follows:

(1) The department shall make or cause to be made, at least every eighteen months with an annual average of fifteen months, an inspection and investigation of all assisted living facilities. However, the department may delay an inspection to twenty-four months if the assisted living facility has had three consecutive inspections with no written notice of violations and has received no written notice of violations resulting from complaint investigation during that same time period. The department may at anytime make an unannounced inspection of a licensed facility to assure that the licensee is in compliance with this chapter and the rules adopted under this chapter. Every inspection shall focus primarily on actual or potential resident outcomes, and may include an inspection of every part of the premises and an examination of all records, methods of administration, the general and special dietary, and the stores and methods of supply; however, the department shall not have access to financial records or to other records or reports described in RCW 18.20.390. Financial records of the assisted living facility may be examined when the department has reasonable cause to believe that a financial obligation related to resident care or services will not be met, such as a complaint that staff wages or utility costs have not been paid, or when necessary for the department to investigate alleged financial exploitation of a resident. Following such an inspection or inspections, written notice of any violation of this law or the rules adopted hereunder shall be given to the applicant or licensee and the department. The department may prescribe by rule that any licensee or applicant desiring to make specified types of alterations or additions to its facilities or to construct new facilities shall, before commencing such alteration, addition, or new construction, submit plans and specifications therefor to the agencies responsible for plan reviews for preliminary inspection and approval or recommendations with respect to compliance with the rules and standards herein authorized.

(2) If a pandemic, natural disaster, or other declared state of emergency prevents the department from completing inspections according to the timeline in subsection (1) of this section, the department shall adopt rules to reestablish inspection timelines based on the length of time since last inspection, compliance history of each facility.
A nursing assistant may assist in the care of individuals as delegated by and under the direction and supervision of a licensed (registered) nurse or licensed practical nurse.

(b) A health care facility shall not assign a nursing assistant-registered to provide care until the nursing assistant-registered has demonstrated skills necessary to perform competently all assigned duties and responsibilities.

(c) Nothing in this chapter shall be construed to confer on a nursing assistant the authority to administer medication unless delegated as a specific nursing task pursuant to this chapter or to practice as a licensed (registered) nurse or licensed practical nurse as defined in chapter 18.79 RCW.

(2) (a) A nursing assistant employed in a nursing home must have successfully obtained certification through: (i) An approved training program and the competency evaluation within (four months after the date of employment) a period of time determined in rule by the commission; or (ii) alternative training and the competency evaluation prior to employment.

(b) Certification is voluntary for nursing assistants working in health care facilities other than nursing homes unless otherwise required by state or federal law or regulation.

(3) The commission may adopt rules to implement the provisions of this chapter.

Sec. 17. RCW 18.88A.087 and 2010 c 169 s 3 are each amended to read as follows:

(1) The commission shall adopt criteria for evaluating an applicant's alternative training to determine the applicant's eligibility to take the competency evaluation for nursing assistant certification. At least one option adopted by the commission must allow an applicant to take the competency evaluation if he or she:

(a)(i) Is a certified home care aide pursuant to chapter 18.88B RCW; or

(ii) Is a certified medical assistant pursuant to a certification program accredited by a national medical assistant accreditation organization and approved by the commission;

(b) Has successfully completed at least twenty-four hours of training that the commission determines is necessary to provide training equivalent to approved training on topics not addressed in the training specified for certification as a home care aide or medical assistant, as applicable. In the commission's discretion, a portion of these hours may include clinical training.

(2)(a) (By July 1, 2011, the) The commission, in consultation with the secretary, the department of social and health services, and consumer, employer, and worker representatives, shall adopt rules to implement this section and to provide, beginning January 1, 2012, for a program of credentialing reciprocity to the extent required by this section between home care aide and medical assistant certification and nursing assistant certification. (By July 1, 2011, the) The secretary shall also adopt such rules as may be necessary to implement this section and the credentialing reciprocity program.

(b) Rules adopted under this section must be consistent with requirements under 42 U.S.C. Sec. 1395i-3(e) and (f) of the federal social security act relating to state-approved competency evaluation programs for certified nurse aides.

(3) (Beginning December 1, 2012, the) The secretary, in consultation with
the commission, shall report annually by December 1st to the governor and the appropriate committees of the legislature on the progress made in achieving career advancement for certified home care aides and medical assistants into nursing practice.

NEW SECTION. Sec. 19. This act is remedial and curative in nature and all of its sections apply retroactively to February 29, 2020, to include the period of the state of emergency created by the COVID-19 outbreak. The results of the motion are as follows: If determined in the negative, the consideration goes on as if the motion had never been made; if decided in the affirmative it shall have the effect of cutting off all debate and bringing the house to a direct vote upon the motion or amendment on which it has been ordered: PROVIDED HOWEVER, That when a bill is on final passage or when the motion to postpone indefinitely is pending, one of the sponsors of the
bill or the chair of the committee may have the privilege of
closing debate after the previous question has been ordered.

only members at their desks within the bar of the house shall
be counted.

called.

may submit a written statement for the journal clarifying
their intent to vote aye or nay. The statement must be
submitted to the chief clerk on the same day the vote is taken.
A member who is excused for one or more days of recorded
votes may submit a written statement for the journal
explaining the reason for his or her absence. The statement
may not exceed fifty words and must be submitted to the
chief clerk on the same day the member returns.

Reconsideration

Rule 21. Notice of a motion for reconsideration on the
final passage of bills shall be made on the day the vote to be
reconsidered was taken and before the house has voted to
transmit the bill to the senate.

taken: PROVIDED, That on and after the fifth day prior to
the day of adjournment sine die of any session, as
determined pursuant to Article II, Section 12 of the state
Constitution, or concurrent resolution, or on and after the
third day prior to the day a bill must be reported from the
house as established by concurrent resolution, then
reconsideration of votes on the final passage of bills must be
taken on the same day as the original vote was taken.

A motion to reconsider an amendment may be made at
any time the bill remains on second reading.

Any member who voted on the prevailing side may
move for reconsideration or give notice thereof.

A motion to reconsider can be decided only once when
decided in the negative.

When a motion to reconsider has been carried, its effect
shall be to place the original question before the house in the
exact position it occupied before it was voted upon.

Rule 22. One-sixth (1/6) of the members present may
demand a call of the house at any time before the house has

WHEREAS, On February 19, 1942, President Franklin D. Roosevelt issued Executive Order 9066, which authorized the United States military to forcibly remove and incarcerate more than 120,000 persons of Japanese ancestry from the West Coast, including 12,000 Japanese American residents of Washington State; and

WHEREAS, The first civilian evacuation order gave Japanese Americans from Bainbridge Island less than one week to leave behind homes, personal belongings, farms, businesses, friends, and family and report to hastily constructed detention centers like Camp Harmony on the grounds of the Washington State fair in Puyallup; and

WHEREAS, This drastic course of action allegedly aimed to prevent acts of espionage and sabotage by Japanese Americans who were deemed untrustworthy and disloyal to the United States; and

WHEREAS, On March 23, 1943, the War Department organized a segregated unit of Japanese Americans, many of whom reported for military duty from the concentration camps surrounded by barbed wire in which they and their families were detained; and

WHEREAS, More than 12,000 volunteers responded to questions about their loyalty and patriotism by amassing a battle record unparalleled in United States military history with a casualty rate of 314% and earning a collective 7 Presidential Unit Citations, 21 Medals of Honor, 29 Distinguished Service Crosses, 1 Distinguished Service Medal, 588 Silver Stars, more than 4,000 Bronze Stars, 22 Legion of Merit Medals, 145 Soldier's Medals, 9,486 Purple Hearts, 16 decorations from France and Italy, and, in 2010, the Congressional Gold Medal; and

WHEREAS, Equally loyal and patriotic Japanese Americans fought to protect our constitutional rights and liberties through dissent, like University of Washington student and Auburn native Gordon Hirabayashi who was arrested, convicted, and imprisoned for defying the military curfew on select civilians and refusing to evacuate when ordered; and

WHEREAS, In 1982, the Congressional commission on wartime relocation and internment of civilians found "no military or security reason for the internment" of persons of Japanese ancestry, but determined the cause of the incarceration as "racial prejudice, war hysteria, and a failure of political leadership"; and

WHEREAS, Through this travesty of justice, Japanese Americans suffered immense economic loss of property and assets, immeasurable physical and psychological harm, and were deprived of their constitutional liberties without due process of law; and

WHEREAS, In 1979, Washington State Congressman Mike Lowry introduced H.R. 5977 to provide reparations and an apology to the Japanese American incarcerees, thus initiating a ten-year legislative quest that ended when President Ronald Reagan signed the Civil Liberties Act of 1988; and

WHEREAS, Throughout Washington State, the last remaining survivors of the European and Asian Pacific battlefields of World War II and of American incarceration camps live their golden years in quiet contrast to their extraordinary acts of conscience and valor while all of America continues to benefit from their heroic patriotism;

NOW, THEREFORE, BE IT RESOLVED, That the Washington State House of Representatives pause to acknowledge the seventy-ninth anniversary of the signing of Executive Order 9066; to recognize and remember Japanese American veterans, incarcerees, and civil rights activists from the State of Washington, and to honor the lessons and blessings of liberty and justice for all; and

(D) DISTRIBUTION OF MATERIALS. Any materials of any nature distributed to the members' desks on the floor shall be subject to approval by the speaker and shall bear the name of at least one member granting permission for the
distribution. This shall not apply to materials normally distributed by the chief clerk.

If the decision be in favor of the member called to order, the member shall be at liberty to proceed; if otherwise, and the case shall require it, the member shall be liable to the censure of the house.

The results of the motion are as follows: If determined in the negative, the consideration goes on as if the motion had never been made; if decided in the affirmative it shall have the effect of cutting off all debate and bringing the house to a direct vote upon the motion or amendment on which it has been ordered: PROVIDED HOWEVER, That when a bill is on final passage or when the motion to postpone indefinitely is pending, one of the sponsors of the bill or the chair of the committee may have the privilege of closing debate after the previous question has been ordered.

If an adjournment is had after the previous question is ordered, the motion or proposition on which the previous question was ordered shall be put to the house immediately following the approval of the journal on the next working day, thus making the main question privileged over all other business, whether new or unfinished.

"NEW SECTION. Sec. 1. A new section is added to chapter 48.43 RCW to read as follows:

(1) Beginning January 1, 2022, a contract between a hospital or any affiliate of a hospital and a health
carrier may not, directly or indirectly, do any of the following:

(a) Set provider compensation agreements or other terms for affiliates of the hospital that are out of the carrier's network;

(b) Require the health carrier to contract with multiple hospitals owned or controlled by the same single entity. This subsection (1)(b) does not prohibit a health carrier from voluntarily agreeing to contract with other hospitals owned or controlled by the same single entity. If a health carrier voluntarily agrees to contract with other hospitals owned or controlled by the same single entity under this subsection (1)(b), the health carrier must file an attestation with the office of the insurance commissioner that complies with the filing requirements of RCW 48.43.730;

(c) To the extent that a health plan varies enrollee cost-sharing based upon placing participating providers into tiered provider networks, require health carriers to place the hospital or any affiliate in the tier reflecting the lowest or lower enrollee cost-sharing amounts;

(d) Require the health carrier to keep the contract's payment rates confidential from any existing or potential payor that is or may become financially responsible for the payments. This subsection (1)(d) does not prohibit a requirement that any communication of the contract's payment rates to an existing or potential payor be subject to a reasonable nondisclosure agreement.

(2) The attorney general may enforce this section under the consumer protection act, chapter 19.86 RCW. For actions brought by the attorney general to enforce this section, the legislature finds that the practices covered by this section are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW, and that a violation of this section is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

(3) This section does not prohibit a hospital certified as a critical access hospital by the centers for medicare and medicaid services or an independent hospital certified as a sole community hospital by the centers for medicare and medicaid services from negotiating payment rates and methodologies on behalf of an individual health care practitioner or a medical group that the hospital is affiliated with.

(4) This section does not apply to the extent that it impairs the ability of a hospital, provider, or health carrier to participate in a state-sponsored, federally funded program, or grant opportunity.

(5) For the purposes of this section:

(a) "Affiliate" means a person who directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, another specified person.

(b) "Control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through ownership of voting securities, membership rights, by contract, or otherwise.

(c) "Provider" means:

(i) A health care provider as defined in RCW 48.43.005;

(ii) A participating provider as defined in RCW 48.44.010;

(iii) A health care facility as defined in RCW 48.43.005; and

(iv) Intermediaries that have agreed in writing with a carrier to provide access to providers as defined under this subsection (5)(c) who render covered services to enrollees of a carrier.

(d) "Provider compensation agreement" means any written agreement that includes specific information about payment methodology, payment rates, and other terms that determine the remuneration a carrier will pay to a provider.

(e) "Tiered provider network" means a network that identifies and groups providers and facilities into specific groups to which different provider reimbursement, enrollee cost sharing, or provider access requirements, or any combination thereof, apply as a means to manage cost, utilization, quality, or to otherwise incentivize enrollee or provider behavior.
NEW SECTION. Sec. 2. A new section is added to chapter 48.43 RCW to read as follows:

(1) Beginning January 1, 2022, health provider contracts between a health carrier and a provider, may not contain a provision that prohibits the disclosure of health care service claims data to employers providing the coverage. However, any disclosure of claims data must comply with state and federal health privacy laws.

(2) The attorney general may enforce this section under the consumer protection act, chapter 19.86 RCW. For actions brought by the attorney general to enforce this section, the legislature finds that the practices covered by this section are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW, and that a violation of this section is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

(3) For the purposes of this section, "provider" means:

(a) A health care provider as defined in RCW 48.43.005;

(b) A participating provider as defined in RCW 48.44.010;

(c) A health care facility as defined in RCW 48.43.005; and

On page 2, line 15, after "(3)" insert "The legislature finds that the clean fuel standard created in this chapter will create jobs in Washington state in the production and distribution of sustainable fuels like biofuels from agricultural feedstocks and forest residuals, hydrogen produced from renewable feedstocks, and more. In order to maximize the benefits of this policy to Washington workers while also protecting the environment for current and future generations, it is necessary to uphold and improve upon the state's siting policies. By identifying priority areas of the state for development and by developing methods to further avoid, minimize, and mitigate environmental impacts consistent with statute, rules, and guidance, Washington can protect its environment, contribute to the global fight against climate change, and support broadly shared prosperity.

(4)"

On page 5, beginning on line 17, strike all of subsection (5)

On page 31, after line 7, insert the following:

"NEW SECTION. Sec. 24. A new section is added to chapter 28B.30 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, Washington State University's energy program must initiate a least conflict priority clean energy project siting program in coordination with the energy facility site evaluation council, the department of ecology, the department of commerce, the department of fish and wildlife, local governments, clean energy stakeholders, conservation stakeholders, and Indian tribes. This program must engage all relevant agencies, stakeholders, and Indian tribes to identify priority areas in Washington state with the least amount of potential environmental impact and other conflict over competing land uses in the siting of major clean energy projects with the potential to produce significant volumes of transportation fuel with a low carbon intensity, or that support the production of such transportation fuel. Washington State University's energy program may identify different priority areas for different types of industrial or manufacturing clean energy projects with the potential to produce significant volumes of transportation fuel with a low carbon intensity in sectors including, but not limited to, biofuels, agricultural and forest biomass, hydrogen produced via electrolysis of water, and renewable natural gas.

(2) A project proposed in an area designated under subsection (1) of this section does not receive a guarantee or assurance of being permitted and is subject to review consistent with chapter 43.21C RCW and applicable environmental permit processes. Project proponents are not limited to proposing projects in identified least conflict zones.

(3) The identification of priority areas completed in subsection (1) of this..."
section must be updated at least once every six years.

NEW SECTION. Sec. 25. A new section is added to chapter 43.21A RCW to read as follows:

Subject to the availability of amounts appropriated for this specific purpose, the department, in consultation with the department of commerce, must periodically convene stakeholders, including all of those identified in section 24 of this act, Indian tribes, and the member agencies of the energy facility site evaluation council to identify and discuss avoidance, minimization, and mitigation of significant likely environmental impacts of clean energy projects specified in section 24 of this act. The environmental impacts identified and discussed must include, but are not limited to, air quality impacts, impacts to land and aquatic habitats, and wildlife impacts that may result from clean energy projects. The department must periodically provide a report to the appropriate committees of the house of representatives and the senate identifying mitigation resources, funding needs, and potential policies and programs to modify permitting and environmental review necessary for construction of clean energy projects with the potential to produce significant volumes of transportation fuel with a low carbon intensity, or that support the production of such transportation fuel, in Washington state."

Renumber the remaining sections consecutively, correct any internal references accordingly, and correct the title.

POINT OF ORDER

Representative Maycumber requested a scope and object ruling on amendment (155).

SPEAKER’S RULING.

“The title of the bill is an act relating to ‘reducing greenhouse gas emissions by reducing the greenhouse gas emission of transportation fuels.’ The bill directs the Department of Ecology to establish a Clean Fuels Program and specifies the requirements of that program.

Section 3, subsection 5 of the bill directs the department to improve and expedite State Environmental Policy Act (SEPA) reviews and permit applications for siting projects that would produce or support the production of low carbon transportation fuels.

Amendment (155) eliminates this subsection and directs the WSU Energy program to first identify low conflict sites for the production of low carbon transportation fuels, followed by Department of Ecology review under SEPA. The amendment further directs Ecology to monitor and report on mitigation needs associated with project siting.

Both the bill and the amendment address the siting of projects for the production of low carbon transportation fuels, including environmental review and permitting under SEPA. The Speaker therefore finds and rules that the amendment is within the scope and object of the bill.

The point of order is not well taken.”

(i) The program authorized under this chapter is implemented, consistent with the rules proposed or adopted by the department; and

(ii) The legislature enacts a new transportation revenue package that establishes an additional 10 cent per gallon tax on motor vehicle fuel, the revenue from which is constitutionally guaranteed to have the effect of supporting jobs through the maintenance of the state ferry network, state roads, bridges, and highways"

The department must contract for the report required under this subsection with an independent consultant with expertise in the transportation fuels sector. In assessing the costs of greenhouse gas emissions reduction options, the report must consider the expected increases in carbon credit prices and low carbon transportation fuel prices driven by regulatory requirements in other jurisdictions. The department may not implement the program authorized under this chapter if it determines that it would be less costly per ton of greenhouse gas emissions reductions achieved to purchase certified carbon reduction credits than to implement the program."

Representative J. Johnson’s remarks on Final Passage of ENGROSSED SUBSTITUTE HOUSE BILL NO. 1054:

“Thank you so much Mr. Speaker. Today is a historic day. I want to begin by saying that we value and appreciate our peace officers for their selfless work that they do in our communities every single day to make us safe. The officers that put on the badge and uniform every day and do their jobs with honor and with respect to their profession. Just as you’ve put on the badge and uniform every day for so many decades, Mr. Speaker.

However, we also know that systemic racism exists, along with the need for change, across all of our institutions. And that includes law enforcement, Mr. Speaker. In many cases bad policing is just a result of bad policy. And we have witnessed the evidence of unnecessary police violence and tactics that has produced negative outcomes predominately for communities of color.

Last summer, I remember, we all remember, we watched for eight minutes and forty-six seconds as an officer acted with impunity, his knee on the neck of brother George Floyd. Choking him to death over an allegedly counterfeit twenty-dollar bill. A twenty-dollar bill. If you’re locally in Tacoma, we heard the words “I can’t breathe” from the lips of brother Manny Ellis. Who was pinned to the ground while in custody and held under a neck restraint. We listened to hours of audio in the last moments in the life of sister, Breonna Taylor. Gunned down while laying in her own bed. Following a court issued ‘no knock’ warrant to the wrong home.

And last summer, Mr. Speaker, we saw thousands of our fellow community members, from elementary school students to great grandmothers, all united, in an incredible showing of solidarity following these deaths.

Mr. Speaker, while black and brown communities have sounded this alarm for decades, there was finally a call from the majority to reform our system. I want to thank the organizers, the advocates and the law enforcement that helped to craft this legislation. But most importantly, I want to acknowledge the countless families of loved ones who have died at the hands of police violence. You shared your stories with us despite unimaginable pain and suffering. You helped us develop this bill. And while the policy details may be complex, the values behind this legislation can be distilled into a single sentence. That preserving and protecting human life must be the most fundamental value of our law enforcement.

Today some tactics used by law enforcement do not uphold that value. Furthermore, the different standards that we see across our state leads to confusion and also sows more distrust in the system. You know, Mr. Speaker, one of the many things I have learned in the last year in this position is that the legislative process can be slow. But we can make it work. We can make nuanced ideas become realities. And when talking about these ideas we can bring everyone to the table. I am so proud and grateful for those who have stepped up to have these difficult conversations. To produce this legislation that fixes two problems. Setting a baseline standard for acceptable police tactics in our state. And equipment that can and should be used. Banning or at least restricting harmful tactics based on the lived experiences of all Washingtonians. And this bill also helps us to begin the long and difficult process of rebuilding trust between law enforcement and communities of color.

But together, Mr. Speaker, we can deliver on true public safety that is equitable and just because justice is simply just us coming together to make policy that can have infinite impact.

Mr. Speaker, please, I urge you, vote yes to help make our state safer. To finally say to these families and the broader community, we hear you, we see you, and we will
not idly stand by. Vote yes to say that we stand with you not only in times of comfort and convenience but in times of challenge and controversy.

And finally, Mr. Speaker vote yes to say loudly and clearly that unnecessary police violence must end.

Thank you, Mr. Speaker.”

(1) "Abandonment" means action or inaction by a person or entity with a duty of care for a vulnerable adult that leaves the vulnerable adult without the means or ability to obtain necessary food, clothing, shelter, or health care.

(2) "Abuse," for the purposes of a vulnerable adult protection order, means intentional, willful, or reckless action or inaction that inflicts injury, unreasonable confinement, intimidation, or punishment on a vulnerable adult. In instances of abuse of a vulnerable adult who is unable to express or demonstrate physical harm, pain, or mental anguish, the abuse is presumed to cause physical harm, pain, or mental anguish. "Abuse" includes sexual abuse, mental abuse, physical abuse, personal exploitation, and improper use of restraint against a vulnerable adult, which have the following meanings:

(a) "Improper use of restraint" means the inappropriate use of chemical, physical, or mechanical restraints for
convenience or discipline, or in a manner that: (i) Is inconsistent with federal or state licensing or certification requirements for facilities, hospitals, or programs authorized under chapter 71A.12 RCW; (ii) is not medically authorized; or (iii) otherwise constitutes abuse under this section.

(b) "Mental abuse" means an intentional, willful, or reckless verbal or nonverbal action that threatens, humiliates, harasses, coerces, intimidates, isolates, unreasonably confines, or punishes a vulnerable adult. "Mental abuse" may include ridiculing, yelling, swearing, or withholding or tampering with prescribed medications or their dosage.

(c) "Personal exploitation" means an act of forcing, compelling, or exerting undue influence over a vulnerable adult causing the vulnerable adult to act in a way that is inconsistent with relevant past behavior, or causing the vulnerable adult to perform services for the benefit of another.

(1) When a petition for a vulnerable adult protection order is filed by someone other than the vulnerable adult or the vulnerable adult's guardian, conservator, or person acting under a protective arrangement, or both, and the vulnerable adult for whom protection is sought advises the court at the hearing that the vulnerable adult does not want all or part of the protection sought in the petition, then the court may dismiss the petition or the provisions that the vulnerable adult objects to and any existing vulnerable adult protection order, or the court may take additional testimony or evidence, or order additional evidentiary hearings to determine whether the vulnerable adult is unable, due to incapacity, undue influence, or duress, to protect his or her person or estate in connection with the issues raised in the petition or order. If an additional evidentiary hearing is ordered and the court determines that there is reason to believe that there is a genuine issue about whether the vulnerable adult is unable to protect his or her person or estate in connection with the issues raised in the petition or order, the court may issue a temporary protection order of the vulnerable adult pending a decision after the evidentiary hearing.

If the court did not enter a temporary protection order, the evidentiary hearing must be held within 14 days of the prior hearing on the petition. If a hearing is scheduled under this subsection, the protection order must remain in effect pending the court's decision at the subsequent hearing.

(3) At the hearing held pursuant to subsection (1) of this section, the court shall give the vulnerable adult, the respondent, the petitioner, and, in the court's discretion, other interested persons, the opportunity to testify and submit relevant evidence.

(4) If the court determines that the vulnerable adult is capable of protecting his or her person or estate in connection with the issues raised in the petition, and the vulnerable adult continues to object to the protection order, the court shall dismiss the order or may modify the order if agreed to by the vulnerable adult. If the court determines that the vulnerable adult is not capable of protecting his or her person or estate in connection with the issues raised in the petition or order, and that the vulnerable adult continues to need protection, the court shall order relief consistent with this chapter as it deems necessary for the protection of the vulnerable adult. In the entry of any order that is inconsistent with the expressed wishes of the vulnerable adult, the court's order is governed by the legislative findings contained in section 1 of this act."

(2) A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.

(3) Within (ninety) 90 days of receipt of the master copy from the administrative office of the courts, all court clerk's offices shall make available the standardized forms, instructions, and informational brochures required by RCW 7.90.180 and shall fill in and keep current specific program names and telephone numbers for community resources. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.

(4) Forms and instructional brochures and the necessary number of certified copies shall be provided free of charge. The filing fee must be waived.

(5) A person is not required to post a bond to obtain relief in any proceeding under this section.

(6) If the petition states that disclosure of the petitioner's address would risk abuse of the petitioner or any member of the petitioner's family or household, that address may be omitted from all documents filed with the court. If the petitioner has not disclosed an address under this subsection, the petitioner shall designate an alternative address at which the respondent may serve notice of any motions.

Sec. 2. RCW 7.90.030 and 2007 c 212 s 2 are each amended to read as follows:

(1) A petition for a sexual assault protection order may be filed by a person:

(2) A minor 16 years of age or older may seek relief under this chapter and is not required to seek relief by a guardian or next friend. This does not preclude a parent or legal custodian of a victim 16 or 17 years of age from seeking relief on behalf of the minor.

(3) No guardian or guardian ad litem need be appointed on behalf of a respondent to an action under this chapter who is under ((eighteen)) 18 years of age if such respondent is ((sixteen)) 16 years of age or older.

If the superior court determines that a petition has been filed in superior court, but the petitioner has not established any ground for superior court jurisdiction under (a) through (d) of this subsection, the court may for good cause, including timely resolution of the petition, hear the merits of the petition and has jurisdiction to do so, or the court may dismiss the petition without prejudice for refiling in an appropriate court. When the jurisdiction of a district court or municipal court is limited to the issuance and enforcement of a temporary order, the district court or municipal court shall set the full hearing in superior court and transfer the case. If the notice and order are not served on the respondent in time for the full hearing, the issuing court has concurrent jurisdiction with the superior court to extend the order for protection.  

(8) Enforcement of protection orders issued under this chapter must comply with general criminal jurisdiction and venue laws, rules, and procedures.  

(9) An action under this chapter must be filed in the county or the municipality where the petitioner resides, unless the petitioner has left the residence or household to avoid acts of sexual assault. (4) Service by electronic means includes service by email, text message, or social media applications. Service by mail must be made by any person over 18 years of age, who is competent to be a witness, other than a party, by mailing copies of the order and other process to the party to be served at his or her last known address. In the case of mailing, two copies must be mailed, postage prepaid, one by ordinary first-class mail and the other by a form of mail requiring a signed receipt showing when and to whom it was delivered. The envelopes must bear the return address of the sender. Service by electronic means must be made by any person over 18 years of age, who is competent to be a witness, other than a party, by transmitting copies of the order and other process to the party to be served at his or her electronic address or electronic account associated with email, text messaging, or social media applications. Sworn proof of service by law enforcement or an adult who is not the petitioner must be filed with the court.

(5) Service under this section may be used in the same manner and shall have the same jurisdictional effect as personal service for purposes of this chapter. Service shall be deemed complete upon the mailing or transmission as prescribed in this section.

(6) The court may authorize multiple methods of service permitted by this section and may consider use of any address determined by the court to be appropriate in order to authorize service that is reasonably probable to provide actual notice. The court shall favor speedy and cost-effective methods of service to promote prompt and accessible resolution of the merits of the petition.

Sec. 6. RCW 7.90.054 and 2013 c 74 s 8 are each amended to read as follows:

Following completion of service by mail, electronic means, or publication as provided in RCW 7.90.052 ((or service by mail as provided in RCW 7.90.053)), if the respondent fails to appear at the hearing, the court may issue an order of protection as provided in RCW 7.90.140. That order must be served pursuant to RCW 7.90.140 and forwarded to the appropriate law enforcement agency pursuant to RCW 7.90.160.

Sec. 7. RCW 7.90.090 and 2019 c 245 s 4 are each amended to read as follows:

(1)(a) If the court finds by a preponderance of the evidence that the petitioner has been a victim of nonconsensual sexual conduct or nonconsensual sexual penetration by the respondent, the court shall issue a sexual assault protection order; provided that the petitioner must also satisfy the requirements of RCW 7.90.110 for ex parte temporary orders or RCW 7.90.120 for final orders.

(b) The petitioner shall not be denied a sexual assault protection order because the petitioner or the respondent is a minor or because the petitioner did not report the assault to law enforcement. The court, when determining whether or not to issue a sexual assault protection order, may not require proof of physical injury on the person of the victim or proof that the petitioner has reported the sexual assault to law enforcement. Modification and extension of prior sexual assault protection orders shall be in accordance with this chapter.

(2) The court ((may provide)) has broad discretion to grant such relief as the court deems proper, including an order that provides relief as follows:

(a) Restrain the respondent from ((having any)) making any attempts to contact the petitioner, including nonphysical contact((, with the petitioner directly, indirectly, or)) and contact through third parties regardless of whether those third parties know of the order;
(b) Exclude the respondent from the petitioner's residence, workplace, or school, or from the day care or school of a child, if the victim is a child;

(c) Prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location including, but not limited to, a residence, school, day care, workplace, and the protected party's person; and

(d) Order any other injunctive relief as necessary or appropriate for the protection of the petitioner.

(3) In issuing the order, the court shall consider the provisions of RCW 9.41.800, and shall order the respondent to surrender, and prohibit the respondent from possessing, all firearms, dangerous weapons, and any concealed pistol license as required in RCW 9.41.800.

(4) In cases where the petitioner and the respondent are under the age of eighteen and attend the same public or private elementary, middle, or high school, the court, when issuing a protection order and providing relief, shall consider, among the other facts of the case, the severity of the act, any continuing physical danger or emotional distress to the petitioner, and the expense difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. The court may order that the person restrained in the order not attend the public or approved private elementary, middle, or high school attended by the person under the age of eighteen protected by the order. In the event the court orders a transfer of the restrained person to another school, the parents or legal guardians of the person restrained in the order are responsible for transportation and other costs associated with the change of school by the person restrained in the order. The court shall send notice of the restriction on attending the same school as the person protected by the order to the public or approved private school the person restrained by the order will attend and to the school the person protected by the order attends.

(5) Denial of a remedy may not be based, in whole or in part, on evidence that:

(a) The respondent was voluntarily intoxicated;

(b) The petitioner was voluntarily intoxicated; or

(c) The petitioner engaged in limited consensual sexual touching.

(6) Monetary damages are not recoverable as a remedy.

(7) A knowing violation of a court order issued under this section is punishable under RCW 26.50.110.

(8) If the court declines to issue a protection order, the court shall state in writing on the order the particular reasons for the court's denial.

Sec. 8. RCW 7.90.110 and 2019 c 245 s 5 are each amended to read as follows:

(1) An ex parte temporary sexual assault protection order shall issue if the petitioner satisfies the requirements of this subsection by a preponderance of the evidence. The petitioner shall establish that:

(a) The petitioner has been a victim of nonconsensual sexual conduct or nonconsensual sexual penetration by the respondent; and

(b) There is good cause to grant the remedy, regardless of the lack of prior service of process or of notice upon the respondent, because the harm which that remedy is intended to prevent would be likely to occur if the respondent were given any prior notice, or greater notice than was actually given, of the petitioner's efforts to obtain judicial relief.

(2) In issuing the order, the court shall consider the provisions of RCW 9.41.800, and shall order the respondent to surrender, and prohibit the respondent from possessing, all firearms, dangerous weapons, and any concealed pistol license as required in RCW 9.41.800.

(3) If the respondent appears in court for this hearing for an ex parte temporary order, he or she may elect to file a general appearance and testify under oath. Any resulting order may be an ex parte temporary order, governed by this section.

(4) If the court declines to issue an ex parte temporary sexual assault protection order, the court shall state the particular reasons for the court's denial. The court's denial of a motion for an ex parte temporary order shall be filed with the court.
(5) A knowing violation of a court order issued under this section is punishable under RCW 26.50.110.

(6) When an ex parte temporary protection order has been entered without notice to the respondent or an ability for the respondent to participate in the ex parte hearing, the respondent may file a motion to terminate or modify the order prior to a final hearing on the grounds that the ex parte temporary protection order is not meritorious and will cause imminent harm to the respondent before the hearing can occur or that the order or its remedy is not authorized by this chapter. The respondent shall provide advance notice to the petitioner of the time and place for presentation of the motion. The motion must be heard expeditiously. The respondent is limited to one motion to terminate or modify an ex parte temporary protection order. If the court determines that the motion has been brought in bad faith, the court may impose sanctions.

Sec. 9. RCW 7.90.120 and 2017 c 233 s 1 are each amended to read as follows:

(1)(a) An ex parte temporary sexual assault protection order shall be effective for a fixed period of time or be permanent.

(3) Any sexual assault protection order which would expire on a court holiday shall instead expire at the close of the next court business day.

(4) The practice of dismissing or suspending a criminal prosecution in exchange for the issuance of a sexual assault protection order undermines the purposes of this chapter. This section shall not be construed as encouraging that practice.

Sec. 10. RCW 7.90.121 and 2017 c 233 s 2 are each amended to read as follows:

(1) Any final sexual assault protection order may be renewed one or more times, as required.

(2) The petitioner may apply for renewal of the order by filing a motion for renewal at any time within the three months before the order expires. The motion for renewal shall state the reasons why the petitioner seeks to renew the protection order.

(3)(a) The court shall grant the motion for renewal unless the respondent proves by a preponderance of the evidence that the respondent is not likely to engage in or attempt to engage in physical or nonphysical contact with the petitioner when the order expires.

(b) For purposes of this subsection (3), a court shall determine whether there has been a material change in circumstances by considering only factors which address whether the respondent is likely to engage in or attempt to engage in physical or nonphysical contact with the petitioner when the order expires. The passage of time and compliance with the existing protection order shall not, alone, be sufficient to meet this burden of proof.) The court may renew the sexual assault protection order for another fixed time period or may enter a permanent order as provided in this section.

(c) In determining whether there has been a material change in circumstances, the court may consider the following unweighted factors, and no inference is to be drawn from the order in which the factors are listed.
(i) Whether the respondent has committed or threatened sexual assault, domestic violence, stalking, or other violent acts since the protection order was entered;

(ii) Whether the respondent has violated the terms of the protection order and the time that has passed since the entry of the order;

(iii) Whether the respondent has exhibited suicidal ideation or attempts since the protection order was entered;

(iv) Whether the respondent has been convicted of criminal activity since the protection order was entered;

(v) Whether the respondent has either acknowledged responsibility for acts of sexual assault that resulted in entry of the protection order or successfully completed sexual assault perpetrator treatment or counseling since the protection order was entered;

(vi) Whether the respondent has a continuing involvement with drug or alcohol abuse, if such abuse was a factor in the protection order;

(vii) Whether the respondent or petitioner has relocated to an area more distant from the other party, giving due consideration to the fact that acts of sexual assault may be committed from any distance such as via cybercrime;

(viii) Other factors relating to a material change in circumstances) RCW 7.90.120.

(4)(a) (If the motion is contested, upon receipt of the motion, the court shall order that a hearing be held not later than fourteen days from the date of the order.

(b) The) Upon the filing of a request to renew the order, the court may schedule a hearing in person or by telephone ((pursuant to local court rule, to reasonably accommodate a disability, or in exceptional circumstances to protect a petitioner from further nonconsensual sexual conduct or nonconsensual sexual penetration. The court shall require assurances of the petitioner's identity before conducting a telephonic hearing)) video, or other electronic means with appropriate safeguards as determined by the court.

((i))) (b) The respondent shall be personally served not less than five court days prior to the hearing, unless waived by the respondent. If timely personal service cannot be made, the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by mail, electronic means, or publication as provided in RCW 7.90.052 (or service by mail as provided in RCW 7.90.053). The court shall not require more than two attempts at obtaining personal service and shall permit service by mail, electronic means, or publication (or service by mail) unless the petitioner requests additional time to attempt personal service. ((If the court permits service by publication or service by mail, the court shall set the hearing date not later than twenty-four days from the date of the order.

(5) Renewals may be granted only in open court)) In cases where personal service cannot be made, the court shall set the next hearing date: (i) Within 14 days from the date of the order; (ii) to an available date mutually agreed to by the parties and accepted by the court; or (iii) not later than 24 days from the date of the order upon a showing of good cause to facilitate service.

Sec. 11. RCW 7.90.140 and 2019 c 245 s 6 are each amended to read as follows:

(1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsection (6) of this section.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party. If the order includes a requirement under RCW 9.41.800 for the immediate surrender of all firearms, dangerous weapons, and any concealed pistol license, the order must be served by a law enforcement officer.

(3) If service by a sheriff or municipal peace officer is to be used, the clerk of the court shall have a copy of any order issued under this chapter electronically forwarded on or before the next judicial day to the appropriate law enforcement agency specified in the order for service upon the respondent. Service of an order issued under this chapter shall take precedence over the service of other documents unless they are of a similar emergency nature.

(4) If the sheriff or municipal peace officer cannot complete service upon the
respondent within ten days, the sheriff or municipal peace officer shall notify the petitioner. The petitioner shall provide information sufficient to permit notification.

(5) Returns of service under this chapter shall be made in accordance with the applicable court rules. Proof of service must include all known information concerning receipt and responses from the respondent, including for service by mail or electronic means.

(6) If an order entered by the court recites that the respondent appeared (in person) before the court, the necessity for further service is waived and proof of service of that order is not necessary. The court's order, entered after a hearing, need not be served on a respondent who fails to appear before the court if material terms of the order have not changed from those contained in the temporary order, and it is shown to the court's satisfaction that the respondent has previously been served with the temporary order.

(7) If the court previously entered an order allowing service of the notice of hearing and temporary order of protection by mail, electronic means, or publication under RCW 7.90.052 ((or service by mail under RCW 7.90.053)), the court may permit service by mail, electronic means, or publication ((or service by mail)) of the order of protection issued under this chapter, except that law enforcement must personally serve a final order requiring the surrender of weapons or requiring vacation of a shared residence. Service by mail, electronic means, or publication must comply with the requirements of RCW 7.90.052 ((and service by mail must comply with the requirements of RCW 7.90.053)). The court order must state whether the court permitted service by publication or service by mail.

Sec. 12. RCW 7.90.160 and 2006 c 138 s 17 are each amended to read as follows:

(1) A copy of a sexual assault protection order granted under this chapter shall be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall immediately enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order shall remain in the computer for one year or until the expiration date specified on the order. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system. The law enforcement agency shall only expunge from the computer-based criminal intelligence information system orders that are expired, vacated, terminated, or superseded. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(2) The information entered into the computer-based criminal intelligence information system shall include notice to law enforcement whether the order was (personally) served personally, (served) by publication, (as served) by mail, or by electronic means.

Sec. 13. RCW 7.90.170 and 2017 c 233 s 3 are each amended to read as follows:

(1) Upon a motion with notice to all parties and after a hearing, the court may terminate or modify the terms of an existing sexual assault protection order, including terms entered pursuant to RCW 9.41.800 related to firearms or other dangerous weapons or to concealed pistol licenses.

(2)(a) A respondent's motion to terminate or modify a sexual assault protection order must include a declaration setting forth facts supporting the requested order for termination or, modification. The nonmoving parties to the proceeding may file opposing declarations. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the declarations. If the court finds that the respondent established adequate cause, the court shall set a date for hearing the respondent's motion.

(b) The court may terminate or modify the terms of a sexual assault protection order, including terms entered pursuant to RCW 9.41.800 related to firearms or other dangerous weapons or to concealed pistol licenses, if the respondent proves by a preponderance of the evidence that there has been a material change in circumstances such that the respondent is not likely to engage in or attempt to
engage in physical or nonphysical contact with the persons protected by the protection order if the order is terminated or modified. The petitioner bears no burden of proving that he or she has a current reasonable fear of harm by the respondent.

(c) A respondent may file a motion to terminate or modify pursuant to this section no more than once in every twelve-month period that the order is in effect, starting from the date of the order and continuing through any renewal.

(d) A court may require the respondent to pay the petitioner for costs incurred in responding to a motion to terminate or modify pursuant to this section, including reasonable attorneys' fees.

(e) The court shall determine whether there has been a material change in circumstances by considering only factors that address whether the respondent is likely to engage in or attempt to engage in physical or nonphysical contact with the petitioner if the order were modified or terminated. The passage of time and compliance with the existing protection order shall not, alone, be sufficient to meet this burden of proof. The court may renew the sexual assault protection order for another fixed time period or may enter a permanent order as provided in this section.

(f) In determining whether there has been a material change in circumstances, the court may consider the following unweighted factors, and no inference is to be drawn from the order in which the factors are listed:

(i) Whether the respondent has committed or threatened sexual assault, domestic violence, stalking, or other violent acts since the protection order was entered;

(ii) Whether the respondent has violated the terms of the protection order and the time that has passed since the entry of the order;

(iii) Whether the respondent has exhibited suicidal ideation or attempts since the protection order was entered;

(iv) Whether the respondent has been convicted of criminal activity since the protection order was entered;

(v) Whether the respondent has either acknowledged responsibility for acts of sexual assault that resulted in the entry

of the protection order or successfully completed sexual assault perpetrator treatment or counseling since the protection order was entered;

(vi) Whether the respondent has a continuing involvement with drug or alcohol abuse, if such abuse was a factor in the protection order;

(vii) Whether the respondent or petitioner has relocated to an area more distant from the other party, giving due consideration to the fact that acts of sexual assault may be committed from any distance such as through cybercrime; and

(viii) Other factors relating to a material change in circumstances.

(3) The court shall order that a hearing on the motion for termination or modification of the order be held no later than ((fourteen)) 14 days from the date of the order. The nonmoving party shall be personally served not less than five days before the hearing, unless waived by the nonmoving party. If timely service cannot be made, the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by mail, electronic means, or publication as provided in RCW 7.90.052 ((or service by mail as provided in RCW 7.90.053. If the court permits service by mail or service by publication, the court shall set the new hearing date not later than twenty-four days from the date of the order)). The court shall not require more than two attempts at obtaining personal service and shall permit service by mail, electronic means, or publication unless the petitioner requests additional time to attempt personal service. In cases where personal service cannot be made, the court shall set the next hearing date: (a) Within 14 days from the date of the order; (b) to an available date mutually agreed to by the parties and accepted by the court; or (c) not later than 24 days from the date of the order upon a showing of good cause to facilitate service.

(4) In any situation where an order is terminated or modified before its expiration date, the clerk of the court shall forward on or before the next judicial day a true copy of the modified order or the termination order to the appropriate law enforcement agency specified in the modified or termination order. Upon receipt of the order, the law enforcement agency shall promptly enter

are each amended to read as follows:

this chapter by filing a petition with a
court alleging that the person has been
the victim of stalking conduct committed
by the respondent.

(2) A minor ((sixteen)) 16 years of
age or older may seek relief under this
chapter and is not required to seek
relief through a guardian or next friend.
This does not preclude a parent or legal
custodian of a victim ((sixteen)) 16 or
((seventeen)) 17 years of age from
seeking relief on behalf of the minor.

((The district)) No guardian or

party to an action under this chapter.
The appointment shall be at no cost to

((5) District courts shall have

actions and proceedings brought under
this chapter, except ((a district court

eighteen years of age; (b) the action

(4) As provided in subsection (7) of this section.

(6) Municipal courts may exercise jurisdiction (and cognizance of any) over all civil actions and proceedings brought under this chapter, except as provided in subsection (7) of this section, by adoption of local court rule (except a municipal court shall transfer such actions and proceedings to the superior court when it is shown that (a) the petitioner, victim, or respondent to the petition is under eighteen years of age; (b) the action involves title or possession of real property; (c) a superior court has exercised or is exercising jurisdiction over a proceeding involving the parties; or (d) the action would have the effect of interfering with a respondent's care, control, or custody of the respondent's minor child.

(5) Superior courts shall have concurrent jurisdiction to receive transfer of stalking petitions in cases where a district or municipal court judge makes findings of fact and conclusions of law showing that meritorious reasons exist for the transfer. The jurisdiction of district and municipal courts is limited to the issuance and enforcement of a temporary order, scheduling hearings in superior court according to the superior court's practice, and transferring cases to the superior court. If the superior court determines that a petition has been filed in superior court, but the petitioner has not established any grounds under (a) through (d) of this subsection for superior court jurisdiction, the court may for good cause, including timely resolution of the petition, hear the merits of the petition and has jurisdiction to do so, or the court may transfer the petition to an appropriate court. When the jurisdiction of a district or municipal court is limited to the issuance and enforcement of a temporary order, the district or municipal court shall set the full hearing in superior court and transfer the case. If the notice and order are not served on the respondent in time for the full hearing, the issuing court has concurrent jurisdiction with the superior court to extend the order for protection.

(8) Enforcement of orders issued under this chapter must comply with general criminal jurisdiction and venue laws, rules, and procedures.

(9) An action under this chapter shall be filed in the county or the municipality where the petitioner resides, unless the petitioner has left the residence or household to avoid stalking conduct. In that case, the petitioner may bring an action in the county or municipality of the previous or the new residence or household.

Sec. 17. RCW 7.92.060 and 2013 c 84 s 6 are each amended to read as follows:

Upon receipt of the petition alleging a prima facie case of stalking conduct by the respondent, the court shall order a hearing which shall be held not later than (fourteen) 14 days from the date of the order. The court may schedule a hearing in person or by telephone, (to reasonably accommodate a disability, or in exceptional circumstances to protect
a petitioner from further stalking behavior. The court shall require assurances of the petitioner's identity before conducting a telephonic hearing or video, or other electronic means with appropriate safeguards as determined by the court. Except as provided in RCW 7.92.150, personal service shall be made upon the respondent not less than five court days prior to the hearing unless waived by the respondent. If timely personal service cannot be made, the court shall set a new hearing date and shall require additional attempts at obtaining personal service or other service as permitted under RCW 7.92.150. The court shall not require more than two attempts at obtaining personal service and shall permit service by mail, electronic means, or publication unless the petitioner requests additional time to attempt personal service. In cases where personal service was not made, the court shall set the next hearing date: (1) Within 14 days from the date of the order; (2) to an available date mutually agreed to by the parties and accepted by the court; or (3) not later than 24 days from the date of the order upon a showing of good cause to facilitate service. The court may issue an ex parte temporary stalking order pending the hearing as provided in RCW 7.92.120.

Sec. 18. RCW 7.92.100 and 2019 c 245 s 7 are each amended to read as follows:

(1)(a) After notice and a hearing, if the court finds by a preponderance of the evidence that the petitioner has been a victim of stalking conduct by the respondent, the court shall issue a stalking protection order.

(b) The petitioner shall not be denied a stalking protection order because the petitioner or the respondent is a minor or because the petitioner did not report the stalking conduct to law enforcement. The court, when determining whether or not to issue a stalking protection order, may not require proof of the respondent's intentions regarding the acts alleged by the petitioner. Modification and extension of prior stalking protection orders shall be in accordance with this chapter.

(2) The court (may provide) shall have broad discretion to grant such relief as the court deems proper, including an order granting relief as follows:

(a) Restrain the respondent from having any contact, including nonphysical contact, with the petitioner directly, indirectly, or through third parties regardless of whether those third parties know of the order;

(b) Exclude the respondent from the petitioner's residence, workplace, or school, or from the day care, workplace, or school of the petitioner's minor children;

(c) Prohibit the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location including, but not limited to, a residence, school, day care, workplace, and the protected party's person;

(d) Prohibit the respondent from keeping the petitioner and/or the petitioner's minor children under surveillance, to include electronic surveillance;

(5) In cases where the petitioner and the respondent attend the same public or private elementary, middle, or high school, the court, when issuing a protection order and providing relief, shall consider, among the other facts of the case, the severity of the act, any continuing physical danger or emotional distress to the petitioner, and the
expense difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. The court may order that the person restrained in the order not attend the public or approved private elementary, middle, or high school attended by the person protected by the order. In the event the court orders a transfer of the restrained person to another school, the parents or legal guardians of the person restrained in the order are responsible for transportation and other costs associated with the change of school by the person restrained in the order. The court shall send notice of the restriction on attending the same school as the person protected by the order to the public or approved private school the person restrained by the order will attend and to the school the person protected by the order attends.

(6) If the court declines to issue a protection order, the court shall state in writing on the order the particular reasons for the court’s denial.

**Sec. 19.** RCW 7.92.120 and 2019 c 245 s 8 are each amended to read as follows:

(1) Where it appears from the petition and any additional evidence that the respondent has engaged in stalking conduct and that irreparable injury could result if an order is not issued immediately without prior notice, the court may grant an ex parte temporary order for protection, pending a full hearing and grant such injunctive relief as it deems proper, including the relief as specified under RCW 7.92.100 (2)(a) through (d) and (((4))) (5).

(5) An ex parte temporary stalking protection order shall be effective (for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication); (or mail)) until the next hearing. The ex parte order may be reissued. A full hearing shall be set (for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication or by mail is permitted) as provided in RCW 7.92.060. Unless the court has permitted service by mail, electronic means, or publication (or mail), the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing.

(6) Any order issued under this section shall contain the date and time of issuance and the expiration date and shall be entered into a statewide judicial information system by the clerk of the court within one judicial day after issuance.

(7) If the court declines to issue an ex parte temporary stalking protection order, the court shall state the particular reasons for the court’s denial. The court’s denial of a motion for an ex parte temporary order shall be filed with the court.

(8) A knowing violation of a court order issued under this section is punishable under RCW 26.50.110.

(9) When an ex parte temporary protection order has been entered without notice to the respondent or an ability for the respondent to participate in the ex parte hearing, the respondent may file a motion to terminate or modify the order prior to a final hearing on the grounds that the ex parte temporary protection order is not meritorious and will cause imminent harm to the respondent before the hearing can occur or that the order or its remedy is not authorized by this chapter. The respondent shall provide advance notice to the petitioner of the time and place for presentation of the motion. The motion shall be heard expeditiously. The respondent is limited to one motion to terminate or modify an ex parte temporary protection order. If the court determines that the motion has been brought in bad faith, the court may impose sanctions.
Sec. 20. RCW 7.92.130 and 2013 c 84 s 13 are each amended to read as follows:

(1) Except as otherwise provided in this section or RCW 7.92.160, a final stalking protection order shall be effective for a fixed period of time or be permanent.

(2) Any (ex parte temporary or) final stalking protection order may be renewed one or more times. The petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. (If the motion for renewal is uncontested and the petitioner seeks no modification of the order and stating the reason for the requested renewal.) The court shall grant the petition for renewal unless the respondent opposes the petition for nonrenewal and proves by a preponderance of the evidence that the respondent will not resume acts of stalking conduct against the petitioner or the petitioner's children or family or household members when the order expires. The court may renew the stalking protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys' fees as provided in RCW 7.92.100.

(3) Any stalking protection order which would expire on a court holiday shall instead expire at the close of the next court business day.

(4) The practice of dismissing or suspending a criminal prosecution in exchange for the issuance of a stalking protection order undermines the purposes of this chapter. This section shall not be construed as encouraging that practice.

(5) If the court declines to issue an order for protection or declines to renew an order for protection, the court shall state in writing the particular reasons for the court's denial.

Sec. 21. RCW 7.92.140 and 2013 c 84 s 14 are each amended to read as follows:

(1) Any stalking protection order shall describe each remedy granted by the court, in reasonable detail and not by reference to any other document, so that the respondent may clearly understand what he or she must do or refrain from doing.

(2) A stalking protection order shall further state the following:

(a) The name of the petitioner that the court finds was the victim of stalking by the respondent;

(b) The date and time the stalking protection order was issued, whether it is an ex parte temporary or final order, and the duration of the order;

(c) The date, time, and place for any scheduled hearing for renewal of that stalking protection order or for another order of greater duration or scope; and

(d) For each remedy in an ex parte temporary stalking protection order, the reason for entering that remedy without prior notice to the respondent or greater notice than was actually given.

(e) For ex parte temporary stalking protection orders, that the respondent may petition the court, to modify or terminate the order if he or she did not receive actual prior notice of the hearing and if the respondent alleges that he or she had a meritorious defense to the order or that the order or its remedy is not authorized by this chapter.

(3) A stalking protection order shall include the following notice, printed in conspicuous type: "A knowing violation of this stalking protection order is a criminal offense under chapter 26.50 RCW and will subject a violator to arrest. You can be arrested even if any person protected by the order invites or allows you to violate the order's prohibitions. You have the sole responsibility to avoid or refrain from violating the order's provisions. Only the court can change the order."

Sec. 22. RCW 7.92.150 and 2019 c 245 s 9 are each amended to read as follows:

(1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsection (6), (7), (9), (10), or (11) of this section. The court order must state whether the court issued the protection order following personal service or service by mail, electronic means, or publication, and whether the court has approved service by mail, electronic means, or publication of an
order issued under this section. If the respondent is a minor, the respondent's parent or legal custodian shall also be served by a method authorized by this section.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party. If the order includes a requirement under RCW 9.41.800 for the immediate surrender of all firearms, dangerous weapons, and any concealed pistol license, the order must be served by a law enforcement officer.

(3) If service by a sheriff or municipal peace officer is to be used, the clerk of the court shall have a copy of any order issued under this chapter electronically forwarded on or before the next judicial day to the appropriate law enforcement agency specified in the order for service upon the respondent. Service of an order issued under this chapter shall take precedence over the service of other documents unless they are of a similar emergency nature.

(4) If the sheriff or municipal peace officer cannot complete service upon the respondent within ((ten)) 10 days, the sheriff or municipal peace officer shall notify the petitioner. The petitioner shall provide information sufficient to permit notification.

(5) Returns of service under this chapter shall be made in accordance with the applicable court rules. Returns of service must include all known information concerning receipt and responses from the respondent, including for service by mail or electronic means.

(6) If an order entered by the court recites that the respondent appeared ((in person)) before the court, the necessity for further service is waived and proof of service of that order is not necessary. The court's order, entered after a hearing, need not be served on a respondent who fails to appear before the court if material terms of the order have not changed from those contained in the temporary order, and it is shown to the court's satisfaction that the respondent has previously been served with the temporary order, except that law enforcement must attempt to personally serve a final order that includes an order to surrender weapons.

(7) If the respondent was not personally served with ((the)) a petition authorized under this chapter, a notice of hearing, and any ex parte order before the hearing, the court shall ((reset the)) set a new hearing ((for twenty-four days from the date of entry of the order and may)) date as provided in RCW 7.92.060 and shall either permit additional personal service attempts or order service by mail, electronic means, or publication instead of personal service under the following circumstances established by affidavit or declaration:

(a) The court determines that the petitioner was unable to personally serve the respondent after a diligent effort and the proposed alternate service is reasonably probable to provide actual notice based upon consideration of the following:

(i) A means of service other than personal service is reasonably calculated to provide notice under the circumstances, including the inability to timely personally serve the respondent;

(ii) A description of the number and types of attempts made to complete personal service;

(iii) A description of the respondent's known address or addresses, contact information, and electronic addresses or electronic accounts;

(iv) A description of communications with the respondent;

(v) Information concerning the respondent's whereabouts; and

(vi) Any other information relating to the inability to personally serve the respondent and the reasonable probability that alternate service will provide actual notice; or

(b) The court determines that the respondent is avoiding personal service, based upon consideration of the following:

(i) The sheriff or municipal officer or private process server ((files an affidavit stating)) states that the officer or private process server was unable to complete personal service upon the respondent((. The affidavit must describe)) and describes the number and types of attempts the officer or private process server made to complete service;
(b) The petitioner files an affidavit stating that the respondent is hiding from the server to avoid service, and states the reasons for the belief that the respondent is avoiding service;

(iii) The server has deposited a copy of the petition, notice of hearing, and the ex parte order of protection in the post office, directed to the respondent at the respondent's last known address, unless the server states that the server does not know the respondent's address; and

(iv) The court finds reasonable grounds exist to believe that the respondent is concealing himself or herself to avoid service, and that further attempts to personally serve the respondent would be futile or unduly burdensome;

(8) The court shall reissue any temporary order of protection as provided in RCW 7.92.120 to allow additional service attempts.

(9) Service by publication shall be made in a newspaper of general circulation in the county where the petition was brought and in the county of the last known address of the respondent once a week for three consecutive weeks. The newspaper selected must be one of the three most widely circulated papers in the county. The publication of summons shall not be made until the court orders service by publication under this section. Service of the summons shall be considered complete when the publication has been made for three consecutive weeks. The summons must be signed by the petitioner. The summons shall contain the date of the first publication, and shall require the respondent upon whom service by publication is desired, to appear and answer the petition on the date set for the hearing. The summons shall also contain a brief statement of the reason for the petition and a summary of the provisions under the ex parte order. The summons shall be essentially in the following form:

the same jurisdictional effect as service by publication for purposes of this chapter. Service shall be deemed complete upon the mailing of two copies as prescribed in this section.)

(10) Service by electronic means includes service by email, text message, or social media applications. Service by mail must be made by any person over 18 years of age, who is competent to be a witness, other than a party, by mailing copies of the order and other process to the party to be served at his or her last known address. In the case of mailing, two copies shall be mailed, postage prepaid, one by ordinary first-class mail and the other by a form of mail requiring a signed receipt showing when and to whom it was delivered. The envelopes must bear the return address of the sender. Service by electronic means shall be made by any person over 18 years of age, who is competent to be a witness, other than a party, by transmitting copies of the order and other process to the party to be served at his or her electronic address or electronic account associated with email, text messaging, or social media applications. Sworn proof of service by law enforcement or an adult who is not the petitioner must be filed with the court. Service shall be deemed complete upon the mailing or transmission as prescribed in this section.

(11) Service under this section may be used in the same manner and shall have the same jurisdictional effect as personal service for purposes of this chapter. The court may authorize multiple methods of service permitted by this section and may consider the use of any address determined by the court to be appropriate in order to authorize service that is reasonably probable to provide actual notice. The court shall favor speedy and cost-effective methods of service to promote prompt and accessible resolution of the merits of the petition.

Sec. 23. RCW 7.92.180 and 2013 c 84 s 18 are each amended to read as follows:

(1) A copy of a stalking protection order or stalking no-contact order granted under this chapter shall be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the order, the law enforcement agency shall immediately enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order shall remain in the computer for one year unless a different expiration date is specified on the order. Upon receipt of notice that an order has been terminated, the law enforcement agency shall remove the order from the computer-based criminal intelligence information system. The law enforcement agency shall only expunge from the computer-based criminal intelligence information system orders that are expired, vacated, terminated, or superseded. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(2) The information entered into the computer-based criminal intelligence information system shall include notice to law enforcement whether the order was served personally, by publication, or by electronic means.

Sec. 24. RCW 7.92.190 and 2019 c 245 s 10 are each amended to read as follows:

(1) Upon application with notice to all parties and after a hearing, the court may modify the terms of an existing stalking protection order.

(2) A respondent's motion to modify or terminate an existing stalking protection order must include a declaration setting forth facts supporting the requested order for termination or modification. The nonmoving parties to the proceeding may file opposing declarations. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the declarations. If the court finds that the respondent established adequate cause, the court shall set a date for hearing the respondent's motion.

(3) The court may not terminate or modify an existing stalking protection order unless the respondent proves by a preponderance of the evidence that there has been a material change in circumstances such that the respondent will not resume acts of stalking conduct against the petitioner or those persons protected by the protection order if the order is terminated or modified. The passage of time and compliance with the existing protection order shall not, alone, be
sufficient to meet this burden of proof. The petitioner bears no burden of proving that he or she has a current reasonable fear of harm by the respondent.

(4) In determining whether there has been a material change in circumstances, the court may consider the following unweighted factors, and no inference is to be drawn from the order in which the factors are listed:

(a) Whether the respondent has committed or threatened stalking conduct or other threatening acts since the protection order was entered;

(b) Whether the respondent has violated the terms of the protection order and the time that has passed since the entry of the order;

(c) Whether the respondent has exhibited suicidal ideation or attempts since the protection order was entered;

(d) Whether the respondent has been convicted of criminal activity since the protection order was entered;

(e) Whether the respondent has either acknowledged responsibility for stalking conduct that resulted in the entry of the protection order or successfully completed treatment or counseling since the protection order was entered;

(f) Whether the respondent has a continuing involvement with drug or alcohol abuse, if such abuse was a factor in the protection order;

(g) Whether the respondent or petitioner has relocated to an area more distant from the other party, giving due consideration to the fact that stalking conduct may be committed from any distance such as via cybercrime; and

(h) Other factors relating to a material change in circumstances.

(5) A respondent may file a motion to terminate or modify an order no more than once in every (twelve) 12-month period that the order is in effect, starting from the date of the order and continuing through any renewal.

(6) A court may require the respondent to pay the petitioner for costs incurred in responding to a motion to terminate or modify a stalking protection order, including reasonable attorneys’ fees.

(7) In any situation where an order is terminated or modified before its expiration date, the clerk of the court shall forward on or before the next judicial day a true copy of the modified order or the termination order to the appropriate law enforcement agency specified in the modified or termination order. Upon receipt of the order, the law enforcement agency shall promptly enter it in the computer-based criminal intelligence information system, or if the order is terminated, remove the order from the computer-based criminal intelligence information system.

Sec. 25. RCW 7.94.040 and 2019 c 246 s 3 are each amended to read as follows: (1) Upon receipt of the petition, the court shall order a hearing to be held not later than fourteen days from the date of the order and issue a notice of hearing to the respondent for the same.

(a) The court may schedule a hearing in person or by telephone (pursuant to local court rule, to reasonably accommodate a disability, or in exceptional circumstances to protect a petitioner from potential harm. The court shall require assurances of the petitioner’s identity before conducting a telephonic hearing), video, or other electronic means with appropriate safeguards as determined by the court.

(b) The court clerk shall cause a copy of the notice of hearing and petition to be forwarded on or before the next judicial day to the appropriate law enforcement agency for service upon the respondent.

(c) Personal service of the notice of hearing and petition shall be made upon the respondent by a law enforcement officer not less than five court days prior to the hearing unless waived by the respondent. Service issued under this section takes precedence over the service of other documents, unless the other documents are of a similar emergency nature. If timely personal service cannot be made, the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by mail, electronic means, or publication (or mail) as provided in RCW 7.94.070. The court shall not require more than two attempts at obtaining personal service and shall permit service by mail, electronic means, or publication ((or mail)) after two attempts at obtaining personal service unless the petitioner requests additional time to attempt
personal service. If the court issues an order permitting service by mail, electronic means, or publication (mail, (electronic means, or publication)), the court shall set the new hearing date: (i) Within 14 days from the date of the order; (ii) to an available date mutually agreed to by the parties and accepted by the court; or (iii) not later than (twenty-four) 24 days from the date of the order (issues) upon a showing of good cause to facilitate service.

(d) The court may, as provided in RCW 7.94.050, issue an ex parte extreme risk protection order pending the hearing ordered under this subsection (1). Such ex parte order must be served concurrently with the notice of hearing and petition.

(2) Upon hearing the matter, if the court finds by a preponderance of the evidence that the respondent poses a significant danger of causing personal injury to self or others by having in his or her custody or control, purchasing, possessing, or receiving a firearm, the court shall issue an extreme risk protection order for a period of one year.

(3) In determining whether grounds for an extreme risk protection order exist, the court may consider any relevant evidence including, but not limited to, any of the following:

(a) A recent act or threat of violence by the respondent against self or others, whether or not such violence or threat of violence involves a firearm;

(b) A pattern of acts or threats of violence by the respondent within the past twelve months including, but not limited to, acts or threats of violence by the respondent against self or others;

(c) Any behaviors that present an imminent threat of harm to self or others;

(d) A violation by the respondent of a protection order or a no-contact order issued under chapter 7.90, 7.92, 10.14, 9A.46, 10.99, 26.50, or 26.52 RCW;

(e) A previous or existing extreme risk protection order issued against the respondent;

(f) A violation of a previous or existing extreme risk protection order issued against the respondent;

(g) A conviction of the respondent for a crime that constitutes domestic violence as defined in RCW 10.99.020;

(h) A conviction of the respondent under RCW 9A.36.080;

(i) The respondent's ownership, access to, or intent to possess firearms;

(j) The unlawful or reckless use, display, or brandishing of a firearm by the respondent;

(k) The history of use, attempted use, or threatened use of physical force by the respondent against another person, or the respondent's history of stalking another person;

(l) Any prior arrest of the respondent for a felony offense or violent crime;

(m) Corroborated evidence of the abuse of controlled substances or alcohol by the respondent; and

(n) Evidence of recent acquisition of firearms by the respondent.

(4) The court may:

(a) Examine under oath the petitioner, the respondent, and any witnesses they may produce, or, in lieu of examination, consider sworn affidavits of the petitioner, the respondent, and any witnesses they may produce; and

(b) Ensure that a reasonable search has been conducted for criminal history records related to the respondent.

(5) In a hearing under this chapter, the rules of evidence apply to the same extent as in a domestic violence protection order proceeding under chapter 26.50 RCW.

(6) During the hearing, the court shall consider whether a behavioral health evaluation is appropriate, and may order such evaluation if appropriate.

(7) An extreme risk protection order must include:

(a) A statement of the grounds supporting the issuance of the order;

(b) The date and time the order was issued;

(c) The date and time the order expires;

(d) Whether a behavioral health evaluation of the respondent is required;
(e) The address of the court in which any responsive pleading should be filed;

(f) A description of the requirements for relinquishment of firearms under RCW 7.94.090; and

(g) The following statement: "To the subject of this protection order: This order will last until the date and time noted above. If you have not done so already, you must surrender to the (insert name of local law enforcement agency) all firearms in your custody, control, or possession and any concealed pistol license issued to you under RCW 9.41.070 immediately. You may not have in your custody or control, purchase, possess, receive, or attempt to purchase or receive, a firearm while this order is in effect. You have the right to request one hearing to terminate this order every twelve-month period that this order is in effect, starting from the date of this order and continuing through any renewals. You may seek the advice of an attorney as to any matter connected with this order."

(8) When the court issues an extreme risk protection order, the court shall inform the respondent that he or she is entitled to request termination of the order in the manner prescribed by RCW 7.94.080. The court shall provide the respondent with a form to request a termination hearing.

(9) If the court declines to issue an extreme risk protection order, the court shall state the particular reasons for the court's denial.

Sec. 26. RCW 7.94.050 and 2017 c 3 s 6 are each amended to read as follows:

(1) A petitioner may request that an ex parte extreme risk protection order be issued before a hearing for an extreme risk protection order, without notice to the respondent, by including in the petition detailed allegations based on personal knowledge that the respondent poses a significant danger of causing personal injury to self or others in the near future, without notice to the respondent, by including in the petition detailed allegations based on personal knowledge that the respondent poses a significant danger of causing personal injury to self or others in the near future by having in his or her custody or control, purchasing, possessing, or receiving a firearm, the court shall issue an ex parte extreme risk protection order.

(4) The court shall hold an ex parte extreme risk protection order hearing in person or by telephone, video, or other electronic means, with appropriate safeguards as determined by the court, on the day the petition is filed or on the judicial day immediately following the day the petition is filed.

(5) In accordance with RCW 7.94.040(1), the court shall schedule a hearing (within fourteen days of the issuance of an ex parte extreme risk protection order) to determine if a one-year extreme risk protection order should be issued under this chapter.

(6) An ex parte extreme risk protection order shall include:

(a) A statement of the grounds asserted for the order;

(b) The date and time the order was issued;

(c) The date and time the order expires;

(d) The address of the court in which any responsive pleading should be filed;

(e) The date and time of the scheduled hearing;

(f) A description of the requirements for surrender of firearms under RCW 7.94.090; and

(g) The following statement: "To the subject of this protection order: This order is valid until the date and time noted above. You are required to surrender all firearms in your custody, control, or possession. You may not have in your custody or control, purchase, possess, receive, or attempt to purchase or receive, a firearm while this order is in effect. You must surrender to the (insert name of local law enforcement agency) all firearms in your custody, control, or possession and any concealed pistol license issued to you under RCW 9.41.070 immediately. A hearing will be held on the date and at the time noted above to determine if an extreme risk protection order should be issued."
Failure to appear at that hearing may result in a court making an order against you that is valid for one year. You may seek the advice of an attorney as to any matter connected with this order."

(7) Any ex parte extreme risk protection order issued expires upon the hearing on the extreme risk protection order.

(8) An ex parte extreme risk protection order shall be served by a law enforcement officer in the same manner as provided for in RCW 7.94.040 for service of the notice of hearing and petition, and shall be served concurrently with the notice of hearing and petition.

(9) If the court declines to issue an ex parte extreme risk protection order, the court shall state the particular reasons for the court's denial.

(10) When an ex parte extreme risk protection order has been entered without notice to the respondent or an ability for the respondent to participate in the ex parte hearing, the respondent may file a motion to terminate or modify the order prior to a final hearing on the grounds that the ex parte order is not meritorious and will cause imminent harm to the respondent before the hearing can occur or that the order or its remedy is not authorized by this chapter. The respondent shall provide advance notice to the petitioner of the time and place for presentation of the motion. The motion shall be heard expeditiously. The respondent is limited to one motion to terminate or modify an ex parte order. If the court determines that the motion has been brought in bad faith, the court may impose sanctions.

Sec. 27. RCW 7.94.070 and 2017 c 3 s 8 are each amended to read as follows:

(1) The court may order service by publication or service by mail under the circumstances permitted for such service in RCW 7.90.052, 7.90.053, 26.50.123, or 26.50.085, except any) If the respondent was not personally served with a petition authorized under this chapter and a notice of hearing, the court shall set a new hearing date as provided in RCW 7.94.040 and shall either permit additional personal service attempts or order service by mail, electronic means, or publication instead of personal service under either or both of the following circumstances established by affidavit or declaration:

(a) The court determines that the petitioner was unable to personally serve the respondent after a diligent effort and the proposed alternate service is reasonably probable to provide actual notice based upon consideration of the following:

(i) A means of service other than personal service is reasonably calculated to provide notice under the circumstances, including the inability to timely personally serve the respondent;

(ii) A description of the number and types of attempts made to complete personal service;

(iii) A description of the respondent's known address or addresses, contact information, and electronic addresses or electronic accounts;

(iii) The server has deposited a copy of the summons, in substantially the form prescribed in subsection (2) of this section, the notice of hearing, and the ex parte extreme risk protection order in the post office, directed to the respondent at the respondent's last known address, unless the server states that the server does not know the respondent's address; and

(iv) The court finds reasonable grounds exist to believe that the
respondent is concealing himself or herself to avoid service, and that further attempts to personally serve the respondent would be futile or unduly burdensome.

(2) Service by publication shall be made in a newspaper of general circulation in the county where the petition was brought and in the county of the last known address of the respondent once a week for three consecutive weeks. The newspaper selected must be one of the three most widely circulated papers in the county. The publication of summons shall not be made until the court orders service by publication under this section. Service of the summons shall be considered complete when the publication has been made for three consecutive weeks. The summons must be signed by the petitioner. The summons must contain the date of the first publication, and must require the respondent, upon whom service by publication is desired, to appear and answer the petition on the date set for the hearing. The summons must also contain a brief statement of the reason for the petition and a summary of the provisions under the ex parte extreme risk protection order. The summons must be essentially in the following form:

Following completion of service by mail, electronic means, or publication for notice of an extreme risk protection order hearing, if the respondent fails to appear at the hearing, the court may issue an extreme risk protection order as provided in RCW 7.94.040. The court's order, entered after a hearing, need not be served on a respondent who fails to appear before the court if material terms of the order have not changed from those contained in the temporary order, and it is shown to the court's satisfaction that the respondent has previously been served with the temporary order. If an order entered by the court recites that the respondent appeared before the court, the necessity for further service is waived and proof of service of the order is not necessary.

Sec. 28. RCW 7.94.080 and 2017 c 3 s 9 are each amended to read as follows:

(1) The respondent may submit one written request for a hearing to terminate an extreme risk protection order issued under this chapter every (twelve) 12-month period that the order is in effect, starting from the date of the order and continuing through any renewals.

(a) Upon receipt of the request for a hearing to terminate an extreme risk protection order, the court shall set a date for a hearing. Notice of the request must be served on the petitioner in accordance with RCW 4.28.080. The hearing shall occur no sooner than (fourteen) 14 days and no later than (thirty) 30 days from the date of service of the request upon the petitioner.

(b) The respondent shall have the burden of proving by a preponderance of the evidence that the respondent does not pose a significant danger of causing personal injury to self or others by having in his or her custody or control, purchasing, possessing, or receiving a firearm. The court may consider any relevant evidence, including evidence of the considerations listed in RCW 7.94.040(3).

(c) If the court finds after the hearing that the respondent has met his or her burden, the court shall terminate the order.

(2) The court must notify the petitioner of the impending expiration of an extreme risk protection order. Notice must be received by the petitioner (one hundred five) 105 calendar days before the date the order expires.

(3) A family or household member of a respondent or a law enforcement officer or agency may by motion request a renewal of an extreme risk protection order at any time within ((one hundred five)) 105 calendar days before the expiration of the order.

(a) Upon receipt of the motion to renew, the court shall order that a hearing be held not later than ((fourteen)) 14 days from the date the order issues.

(i) The court may schedule a hearing by telephone in the manner prescribed by RCW 7.94.040(1)(a).

(ii) The respondent shall be personally served in the same manner prescribed by RCW 7.94.040(1)(b) and (c).

(b) In determining whether to renew an extreme risk protection order issued under this section, the court shall consider all relevant evidence presented by the petitioner and follow the same procedure as provided in RCW 7.94.040.

(c) If the court finds by a preponderance of the evidence that the requirements for issuance of an extreme risk protection order as provided in RCW 7.94.040 continue to be met, the court shall renew the order. However, if, after notice, the motion for renewal is uncontested and the petitioner seeks no modification of the order, the order may be renewed on the basis of the petitioner’s motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested renewal.

(d) The renewal of an extreme risk protection order has a duration of one year, subject to termination as provided in subsection (1) of this section or further renewal by order of the court.

(4) Any protection order issued under this chapter that would expire on a court holiday shall instead expire at the close of the next court business day.

Sec. 29. RCW 10.14.040 and 2002 c 117 s 1 are each amended to read as follows:

There shall exist an action known as a petition for an order for protection in cases of unlawful harassment.
(1) A petition for relief shall allege the existence of harassment and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought.

(2) A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.

(3) All court clerks’ offices shall make available simplified forms and instructional brochures. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.

(4) Filing fees are set in RCW 36.18.020, but no filing fee may be charged for a petition filed in an existing action or under an existing cause number brought under this chapter in the jurisdiction where the relief is sought or as provided in RCW 10.14.055. Forms and instructional brochures shall be provided free of charge.

(5) A person is not required to post a bond to obtain relief in any proceeding under this section.

(6) The parent or guardian of a child under age (eighteen) 18 may petition for an order of protection to restrain a person age (eighteen) 18 years or over from contact with that child upon a showing that contact with the person to be enjoined is detrimental to the welfare of the child.

(7) A party or parent may petition for an order of protection where the parties do not qualify for a domestic violence protection order under chapter 26.50 RCW, a sexual assault protection order under chapter 7.90 RCW, or stalking protection order under chapter 7.92 RCW.

(8) A minor 16 years of age or older may seek relief under this chapter and is not required to seek relief by a guardian or next friend. This does not preclude a parent or legal custodian of a victim 16 or 17 years of age from seeking relief on behalf of the minor.

(9) No guardian or guardian ad litem need be appointed on behalf of a respondent to an action under this chapter who is under 18 years of age if such respondent is 16 years of age or older.

(10) The court may, if it deems necessary, appoint a guardian ad litem for a petitioner or respondent who is a party to an action under this chapter. The appointment shall be at no cost to either party.

(11) The parent or guardian of a child under the age of (eighteen) 18 may petition in superior court for an order of protection to restrain a person under the age of (eighteen) 18 years from contact with that child only in cases where the person to be restrained has been adjudicated of an offense against the child protected by the order, or is under investigation or has been investigated for such an offense. In issuing a protection order under this subsection, the court shall consider, among the other facts of the case, the severity of the alleged offense, any continuing physical danger or emotional distress to the alleged victim, and the expense, difficulty, and educational disruption that would be caused by a transfer of the alleged offender to another school. The court may order that the person restrained in the order not attend the public or approved private elementary, middle, or high school attended by the person under the age of (eighteen) 18 years protected by the order. In the event that the court orders a transfer of the restrained person to another school, the parents or legal guardians of the person restrained in the order are responsible for transportation and other costs associated with the change of school by the person restrained in the order. The court shall send notice of the restriction on attending the same school as the person protected by the order to the public or approved private school the person restrained by the order will attend and to the school the person protected by the order attends.

(12) Minor children must be referred to in all publicly available filed documents by their initials and age.

Sec. 30. RCW 10.14.070 and 2013 c 84 s 30 are each amended to read as follows:

Upon receipt of the petition alleging a prima facie case of harassment, (other than a petition alleging a sex offense as defined in chapter 9A.44 RCW or a petition for a stalking protection order under chapter 7.92 RCW,) the court shall order a hearing which shall be held not later than (fourteen) 14 days from the date of the order. (If the petition alleges a sex offense as defined in
chapter 9A.44 RCW, the court shall order a hearing which shall be held not later than fourteen days from the date of the order.) The court may order that the hearing occur in person or by telephone, video, or other electronic means with appropriate safeguards as determined by the court. Except as provided in RCW 10.14.085, personal service shall be made upon the respondent not less than five court days before the hearing unless waived by the respondent. If timely personal service cannot be made, the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by mail, electronic means, or publication as provided by RCW 10.14.085. (If the court permits service by publication, the) The court shall not require more than two attempts at obtaining personal service and shall permit service by mail, electronic means, or publication unless the petitioner requests additional time to attempt personal service. In cases where personal service was not made, the court shall set the next hearing date: (1) Within 14 days from the date of the order; (2) to an available date mutually agreed to by the parties and accepted by the court; or (3) not later than (((twenty-four))) 24 days from the date of the order upon a showing of good cause to facilitate service. The court may issue an ex parte order for protection pending the hearing as provided in RCW 10.14.080 and 10.14.085.

Sec. 31. RCW 10.14.080 and 2019 c 245 s 11 and 2019 c 46 s 5011 are each reenacted and amended to read as follows: 

(1) Upon filing a petition for a civil antiharassment protection order under this chapter, the petitioner may obtain an ex parte temporary antiharassment protection order. An ex parte temporary antiharassment protection order may be granted with or without notice upon the filing of an affidavit or declaration which, to the satisfaction of the court, shows reasonable proof of unlawful harassment of the petitioner by the respondent and that great or irreparable harm will result to the petitioner if the temporary antiharassment protection order is not granted. If the court declines to issue an ex parte temporary antiharassment protection order, the court shall state the particular reasons for the court's denial. The court's denial of a motion for an ex parte temporary order shall be filed with the court.

(2) An ex parte temporary antiharassment protection order shall be effective (for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication under RCW 10.14.085) until the next hearing date. The ex parte order may be reissued. (A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the temporary order or not later than twenty-four days if service by publication is permitted.) Except as provided in RCW 10.14.070 and 10.14.085, the respondent shall be personally served with a copy of the ex parte order along with a copy of the petition and notice of the date set for the hearing. The ex parte order and notice of hearing shall include at a minimum the date and time of the hearing set by the court to determine if the temporary order should be made effective for one year or more, and notice that if the respondent should fail to appear or otherwise not respond, an order for protection will be issued against the respondent pursuant to the provisions of this chapter, for a minimum of one year from the date of the hearing. The notice shall also include a brief statement of the provisions of the ex parte order and notify the respondent that a copy of the ex parte order and notice of hearing has been filed with the clerk of the court.

(3) When an ex parte order has been entered without notice to the respondent or an ability for the respondent to participate in the ex parte hearing, the respondent may file a motion to terminate or modify the order prior to a final hearing on the grounds that the ex parte order is not meritorious and will cause imminent harm to the respondent before the hearing can occur or that the order or its remedy is not authorized by this chapter. The respondent shall provide advance notice to the petitioner of the time and place for presentation of the motion. The motion shall be heard expeditiously. The respondent is limited to one motion to terminate or modify an ex parte order. If the court determines that the motion has been brought in bad faith, the court may impose sanctions.

(4) After notice and a hearing, if the court finds by a preponderance of the evidence that unlawful harassment exists, a civil antiharassment protection order shall issue prohibiting such unlawful harassment.
An order issued under this chapter shall be effective for not more than one year unless the court finds that the respondent is likely to resume unlawful harassment of the petitioner when the order expires. If so, the court may enter an order for a fixed time exceeding one year or may enter a permanent antiharassment protection order. The court shall not enter an order that is effective for more than one year if the order restrains the respondent from contacting the respondent's minor children. This limitation is not applicable to civil antiharassment protection orders issued under chapter 26.09, 26.26A, or 26.26B RCW. If the petitioner seeks relief for a period longer than one year on behalf of the respondent's minor children, the court shall advise the petitioner that the petitioner may apply for renewal of the order as provided in this chapter or if appropriate may seek relief pursuant to chapter 26.09 (26.10) RCW.

At any time within the three months before the expiration of the order, the petitioner may apply for a renewal of the order by filing a petition for renewal. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal, the court shall order a hearing which shall be not later than 14 days from the date of the order. The court may order that the hearing occur in person or by telephone, video, or other electronic means with appropriate safeguards as determined by the court. Except as provided in RCW 10.14.085, personal service shall be made upon the respondent not less than five days before the hearing. If timely service cannot be made, the court shall set a new hearing date and require additional attempts at obtaining personal service or permit service by publication as provided by RCW 10.14.085. If the court permits service by publication, the court shall set the new hearing date not later than twenty-four days from the date of the order) address service as provided in RCW 10.14.070 and 10.14.085. If the order expires because timely service cannot be made, the court shall grant an ex parte order of protection as provided in this section. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume harassment of the petitioner when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in subsection (5) of this section.

The court, in granting an ex parte temporary antiharassment protection order or a civil antiharassment protection order, shall have broad discretion to grant such relief as the court deems proper, including an order:

(a) Restraining the respondent from making any attempts to contact the petitioner, including nonphysical contact and contact through third parties regardless of whether those third parties know of the order;

(b) Restraining the respondent from making any attempts to keep the petitioner under surveillance; and

(c) Requiring the respondent to stay a stated distance from a specified location including, but not limited to, a residence, school, day care, workplace, and the protected party's person.

In issuing the order, the court shall consider the provisions of RCW 9.41.800, and shall order the respondent to surrender, and prohibit the respondent from possessing, all firearms, dangerous weapons, and any concealed pistol license as required in RCW 9.41.800.

The court in granting an ex parte temporary antiharassment protection order or a civil antiharassment protection order shall not prohibit the respondent from exercising constitutionally protected free speech. Nothing in this section prohibits the petitioner from utilizing other civil or criminal remedies to restrain conduct or communications not otherwise constitutionally protected.

The court in granting an ex parte temporary antiharassment protection order or a civil antiharassment protection order shall not prohibit the respondent from the use or enjoyment of real property to which the respondent has a cognizable claim unless that order is issued under chapter 26.09 RCW or under a separate action commenced with a summons and complaint to determine title or possession of real property.
The court in granting an ex parte temporary antiharassment protection order or a civil antiharassment protection order shall not limit the respondent's right to care, control, or custody of the respondent's minor child, unless that order is issued under chapter 13.32A, 26.09, 26.10, 26.26A, or 26.26B RCW.

A petitioner may not obtain an ex parte temporary antiharassment protection order against a respondent if the petitioner has previously obtained two such ex parte orders against the same respondent, but has failed to obtain the issuance of a civil antiharassment protection order unless good cause for such failure can be shown.

The court order shall specify the date an order issued pursuant to subsections (4) and (5) of this section expires, if any. The court order shall also state whether the court issued the protection order following personal service or service by mail, electronic means, or publication and whether the court has approved service by mail, electronic means, or publication of an order issued under this section. Law enforcement shall attempt to serve any order that includes an order to surrender weapons or that requires vacating a shared residence.

Any protection order issued under this chapter that would expire on a court holiday shall instead expire at the close of the next court business day.

Sec. 32. RCW 10.14.085 and 2016 c 202 s 4 are each amended to read as follows:

(1) If the respondent was not personally served with a petition authorized by this chapter, notice of hearing, and any ex parte order before the hearing, the court shall reset the hearing for twenty-four days from the date of entry of the order and may set a new hearing date as provided in RCW 10.14.070 and 10.14.080 and shall either permit additional personal service attempts or order service by mail, electronic means, or publication instead of personal service under either or both of the following circumstances established by affidavit or declaration:

(a) The court determines that the petitioner was unable to personally serve the respondent after a diligent effort and the proposed alternate service is reasonably probable to provide actual notice based upon consideration of the following:

(i) A means of service other than personal service is reasonably calculated to provide notice under the circumstances, including the inability to timely personally serve the respondent;

(ii) A description of the number and types of attempts made to complete personal service;

(iii) A description of the respondent's known address or addresses, contact information, and electronic addresses or electronic accounts;

(iv) A description of communications with the respondent;

(v) Information concerning the respondent's whereabouts; and

(vi) Any other information relating to the inability to personally serve the respondent and the reasonable probability that alternate service will provide actual notice; or

(b) The court determines that the respondent is avoiding personal service, based upon consideration of the following:

(i) The sheriff or municipal officer states that the officer was unable to complete personal service upon the respondent and describes the number and types of attempts the officer made to complete service;

(ii) The petitioner states that the respondent is avoiding service and states the reasons for the belief that the respondent is avoiding service;

(iii) The server has deposited a copy of the summons, in substantially the form prescribed in subsection (3) of this section, notice of hearing, and the ex parte order of protection in the post office, directed to the respondent at the respondent's last known address, unless the server states that the server does not know the respondent's address; and

(iv) The court finds reasonable grounds exist to believe that the respondent is concealing himself or herself to avoid service, and that
further attempts to personally serve the respondent would be futile or unduly burdensome.

(2) The court shall reissue (the) any temporary order of protection (not to exceed another twenty-four days from the date of reissuing the ex parte protection order and order to provide service by publication) as provided in RCW 10.14.070 and 10.14.080 to allow additional service attempts.

(3) Service by publication shall be made in a newspaper of general circulation in the county where the petition was brought and in the county of the last known address of the respondent once a week for three consecutive weeks. The newspaper selected must be one of the three most widely circulated papers in the county. The publication of summons shall not be made until the court orders service by publication under this section. Service of the summons shall not be made until the court orders service by publication under this section. Service of the summons shall be considered complete when the publication has been made for three consecutive weeks. The summons must be signed by the petitioner. The summons shall contain the date of the first publication, and shall require the respondent upon whom service by publication is desired, to appear and answer the petition on the date set for the hearing. The summons shall also contain a brief statement of the reason for the petition and a summary of the provisions under the ex parte order. The summons shall be essentially in the following form:

In the ........ court of the state of Washington for the county of ........

A temporary order of protection has been issued against you, restraining you from the following: (Insert a brief statement of the provisions of the ex parte order). A copy of the petition, notice of hearing, and ex parte order has been filed with the clerk of this court.

(4) Service by electronic means includes service by email, text message, or social media applications. Service by mail must be made by any person over 18 years of age, who is competent to be a witness, other than a party, by mailing copies of the order and other process to the party to be served at his or her last known address. In the case of mailing, two copies must be mailed, postage prepaid, one by ordinary first-class mail and the other by a form of mail requiring a signed receipt showing when and to whom it was delivered. The envelopes must bear the return address of the sender. Service by electronic means must be made by any person over 18 years of age, who is competent to be a witness, other than a party, by transmitting copies of the order and other process to the party to be served at his or her electronic address or electronic account associated with email, text messaging, or social media applications. Sworn proof of service by law enforcement or an adult who is not the petitioner must be filed with the court. Service under this section may be used in the same manner and shall have the same jurisdictional effect as personal service for purposes of this chapter. Service shall be deemed complete upon the mailing or transmission as prescribed in this section.

(5) The court may authorize multiple methods of service permitted by this section and may consider the use of any address determined by the court to be appropriate in order to authorize service that is reasonably probable to provide actual notice. The court shall favor speedy and cost-effective methods of service to promote prompt and accessible resolution of the merits of the petition. Even where alternate service has been authorized to commence the lawsuit, for reasons of safety, law enforcement shall attempt to serve any order that includes an order to surrender weapons or that requires vacating a shared residence.

Sec. 33. RCW 10.14.100 and 2019 c 245 s 12 are each amended to read as follows:

(1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsections (5) and (7) of this section
or otherwise authorized pursuant to RCW 10.14.085.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party. If the order includes a requirement under RCW 9.41.800 for the immediate surrender of all firearms, dangerous weapons, and any concealed pistol license, the order must be served by a law enforcement officer.

(3) If the sheriff or municipal peace officer cannot complete service upon the respondent within ((ten)) 10 days, the sheriff or municipal peace officer shall notify the petitioner.

(4) Returns of service under this chapter shall be made in accordance with the applicable court rules. Returns of service must include all known information concerning receipt and responses from the respondent, including for service by mail or electronic means.

(5) If an order entered by the court recites that the respondent appeared (in person) before the court, the necessity for further service is waived and proof of service of that order is not necessary. The court's order, entered after a hearing, need not be served on a respondent who fails to appear before the court, if material terms of the order have not changed from those contained in the temporary order, and it is shown to the court's satisfaction that the respondent has previously been (personally) served with the temporary order.

(6) Except in cases where the petitioner has fees waived under RCW 10.14.055 or is granted leave to proceed in forma pauperis, municipal police departments serving documents as required under this chapter may collect the same fees for service and mileage authorized by RCW 36.18.040 to be collected by sheriffs.

(7) If the court previously entered an order allowing service by mail, electronic means, or publication of the notice of hearing and temporary order of protection pursuant to RCW 10.14.085, the court may permit service by mail, electronic means, or publication of the order of protection issued under RCW 10.14.080 (Service by publication must comply with the requirements of RCW 10.14.085), except that law enforcement must personally serve a final order that includes an order to surrender weapons or that requires vacating a shared residence.

Sec. 34. RCW 10.14.105 and 1992 c 143 s 13 are each amended to read as follows:

Upon receipt of the order, the law enforcement agency shall forthwith enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The law enforcement agency shall expunge expired orders from the computer system. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(2) The information entered into the computer-based system shall include notice to law enforcement whether the order was (personally) served (or served) personally, by publication, by mail, or by electronic means.

(3) The civil jurisdiction of district and municipal courts under this chapter is limited to the issuance and reissuing temporary orders of protection, scheduling hearings in superior court according to the superior court's practice, and transferring cases to the superior court. If the superior court determines that a petition has been filed in or transferred to the superior court, but the petitioner has not established any grounds under (a) through (d) of this subsection for superior court jurisdiction, the court may for good cause, including timely resolution of the petition, hear the merits of the petition and has jurisdiction to do so, or the court may transfer the petition to an appropriate court. When the jurisdiction of a district or municipal court is limited and the notice and order are not served on the respondent in time for the full hearing, the issuing court shall have concurrent jurisdiction with the superior court to extend the order for protection.

In that case, the petitioner may bring an action in the county or municipality of the previous or the new household or residence.

(8) A person's right to petition for relief under this chapter is not affected by the person leaving the residence or household to avoid abuse.

(9) For the purposes of this section "next friend" means any competent individual, over 18 years of age, chosen by the minor and who is capable of pursuing the minor's stated interest in the action.

(10) Enforcement of orders issued under this chapter must comply with general criminal jurisdiction and venue laws, rules, and procedures.

The court shall require assurances of the petitioner's identity before conducting a telephonic hearing)), video, or other electronic means with appropriate safeguards as determined by the court. Except as provided in RCW 26.50.085 ((or service by mail)), personal service shall be made upon the respondent not less than five court days prior to the hearing unless waived by the respondent. (((j))) (k) Restrain the respondent from having any contact with the victim of domestic violence or the victim's children or members of the victim's household;

For the purposes of this subsection, "communication" includes both "wire communication" and "electronic communication" as defined in RCW 9.73.260;

(((m))) (l) Require the respondent to submit to electronic monitoring. The order shall specify who shall provide the electronic monitoring services and the terms under which the monitoring must be performed. A stand-alone motion for an order restricting abusive litigation may be brought by a party who meets the requirements of chapter 26.51 RCW regardless of whether the party has previously sought an order for protection under this chapter, provided the motion is made within five years of the date the order that made a finding of domestic violence was entered. In cases where a finding of domestic violence was entered pursuant to an order under chapter 26.09, 26.26, or 26.26A RCW, a motion for an order restricting abusive litigation may be brought under the family law case or as a stand-alone action filed under this chapter, when it is not reasonable or practical to file under the family law case.

(2) If a protection order restrains the respondent from contacting the respondent's minor children the restraint shall be for a fixed period not to exceed one year. This limitation is not applicable to orders for protection issued under chapter 26.09, 26.26A, or 26.26B RCW. With regard to other relief, if the petitioner has petitioned for relief on his or her own behalf or on behalf of the petitioners family or household members or minor children, and the court finds that the respondent is likely to resume acts of domestic violence against the petitioner or the petitioners family or household members or minor children when the order expires, the court may either grant
relief for a fixed period or enter a permanent order of protection.

If the petitioner has petitioned for relief on behalf of the respondent's minor children, the court shall advise the petitioner that if the petitioner wants to continue protection for a period beyond one year the petitioner may either petition for renewal pursuant to the provisions of this chapter or may seek relief pursuant to the provisions of chapter 26.09, 26.26A, or 26.26B RCW.

(3) If the court grants an order for a fixed time period, the petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. The petition for renewal shall state the reasons why the petitioner seeks to renew the protection order. Upon receipt of the petition for renewal the court shall order a hearing which shall be not later than fourteen days from the date of the order. Except as provided in RCW 26.50.085, personal service shall be made on the respondent not less than five days before the hearing. If timely service cannot be made, the court shall set a new hearing date and either require additional attempts to obtain personal service or permit service by publication as provided in RCW 26.50.085 or by mail as provided in RCW 26.50.123) address service as provided in RCW 26.50.050. If the court permits service by mail, electronic means, or publication (or mail), the court shall set the new hearing date (not later than twenty-four days from the date of the order) as provided in RCW 26.50.050. If the order expires because timely service cannot be made the court shall grant an ex parte order of protection as provided in RCW 26.50.070. The court shall grant the petition for renewal unless the respondent proves by a preponderance of the evidence that the respondent will not resume acts of domestic violence against the petitioner or the petitioner's children or family or household members when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in this section. The court may award court costs, service fees, and reasonable attorneys' fees as provided in subsection (1)(i) of this section.

(4) In providing relief under this chapter, the court may realign the designation of the parties as

"petitioner" and "respondent" where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence and may issue an ex parte temporary order for protection in accordance with RCW 26.50.070 on behalf of the victim until the victim is able to prepare a petition for an order for protection in accordance with RCW 26.50.030.

(5) Except as provided in subsection (4) of this section, no order for protection shall grant relief to any party except upon notice to the respondent and hearing pursuant to a petition or counter-petition filed and served by the party seeking relief in accordance with RCW 26.50.050.

(6) The court order shall specify the date the order expires if any. The court order shall also state whether the court issued the protection order following personal service, (service by publication,) or service by mail, electronic means, or publication, and whether the court has approved service by mail, electronic means, or publication (or mail) of an order issued under this section.

(7) If the court declines to issue an order for protection or declines to renew an order for protection, the court shall state in writing on the order the particular reasons for the court's denial.

Sec. 46. RCW 26.50.070 and 2019 c 245 s 14 are each amended to read as follows:

(1) Where an application under this section alleges that irreparable injury could result from domestic violence if an order is not issued immediately without prior notice to the respondent, the court may grant an ex parte temporary order for protection, pending a full hearing, and grant relief as the court deems proper, including an order:

(a) Restraining any party from committing acts of domestic violence;

(b) Restraining any party from going onto the grounds of or entering the dwelling that the parties share, from the residence, workplace, or school of the other, or from the day care or school of a child until further order of the court;

(c) Prohibiting any party from knowingly coming within, or knowingly remaining within, a specified distance from a specified location;
(d) Restraining any party from interfering with the other's custody of the minor children or from removing the children from the jurisdiction of the court;

(e) Restraining any party from having any contact with the victim of domestic violence or the victim's children or members of the victim's household; and

(f) Restraining the respondent from harassing, following, keeping under physical or electronic surveillance, cyberstalking as defined in RCW 9.61.260, and using telephonic, audiovisual, or other electronic means to monitor the actions, location, or communication of a victim of domestic violence, the victim's children, or members of the victim's household. For the purposes of this subsection, "communication" includes both "wire communication" and "electronic communication" as defined in RCW 9.73.260.

(2) In issuing the order, the court shall consider the provisions of RCW 9.41.800, and shall order the respondent to surrender, and prohibit the respondent from possessing, all firearms, dangerous weapons, and any concealed pistol license as required in RCW 9.41.800.

(3) Irreparable injury under this section includes but is not limited to situations in which the respondent has recently threatened petitioner with bodily injury or has engaged in acts of domestic violence against the petitioner.

(4) The court shall hold an ex parte hearing in person or by telephone, video, or electronic means with adequate safeguards as determined by the court on the day the petition is filed or on the following judicial day.

(5) An ex parte temporary order for protection shall be effective ((for a fixed period not to exceed fourteen days or twenty-four days if the court has permitted service by publication under RCW 26.50.085 or by mail under RCW 26.50.085)) until the next hearing date. The ex parte temporary order may be reissued. ((A full hearing, as provided in this chapter, shall be set for not later than fourteen days from the issuance of the ex parte temporary order or not later than twenty-four days if service by publication or by mail is permitted.)) Except as provided in RCW 26.50.050((r)) and 26.50.085((and 26.50.123)), the respondent shall be personally served with a copy of the ex parte temporary order along with a copy of the petition and notice of the date set for the hearing.

(6) Any order issued under this section shall contain the date and time of issuance ((and the expiration date, the date and time of the next hearing, and notice that, if the respondent should fail to appear or otherwise respond, a protection order will be issued against the respondent for a minimum of one year from the date of the hearing. The order shall be entered into a statewide judicial information system by the clerk of the court within one judicial day after issuance.))

(7) If the court declines to issue an ex parte temporary order for protection the court shall state the particular reasons for the court's denial. The court's denial of a motion for an ex parte temporary order for protection shall be filed with the court.

(8) When an ex parte temporary order has been entered without notice to the respondent or an ability for the respondent to participate in the ex parte hearing, the respondent may file a motion to terminate or modify the order prior to a final hearing on the grounds that the ex parte temporary order is not meritorious and will cause imminent harm to the respondent before the hearing can occur or that the order or its remedy is not authorized by this chapter. The respondent shall provide advance notice to the petitioner of the time and place for presentation of the motion. The motion shall be heard expeditiously. The respondent is limited to one motion to terminate or modify an ex parte temporary order. If the court determines that the motion has been brought in bad faith, the court may impose sanctions.

Sec. 47. RCW 26.50.085 and 2016 c 202 s 25 are each amended to read as follows:

(1) If the respondent was not personally served with ((the)) a petition authorized by this chapter, a notice of hearing, and any ex parte order before the hearing, the court shall ((reset the hearing for twenty-four days from the date of entry of the order and may order)) set a new hearing date as provided in RCW 26.50.070 and 26.50.080 and shall either permit additional personal service attempts or order service by mail, electronic means, or publication instead of personal service.
under the following circumstances established by affidavit or declaration:

(a) The court determines that the petitioner was unable to personally serve the respondent after a diligent effort and the proposed alternate service is reasonably probable to provide actual notice based upon consideration of the following:

(ii) A description of the number and types of attempts made to complete personal service;

(v) Information concerning the respondent's whereabouts; and

(b) The court determines that the respondent is avoiding personal service, based upon consideration of the following:

(ii) The petitioner (files an affidavit stating) states that the petitioner believes that the respondent is hiding from the server to avoid service (The petitioner's affidavit must state) and states the reasons for the belief that the respondent is avoiding service;

(iii) The server has deposited a copy of the summons, in substantially the form prescribed in subsection (3) of this section, notice of hearing, and the ex parte order of protection in the post office, directed to the respondent at the respondent's last known address, unless the server states that the server does not know the respondent's address; and

(iv) The court finds reasonable grounds exist to believe that the respondent is concealing himself or herself to avoid service, and that further attempts to personally serve the respondent would be futile or unduly burdensome.

(2) The court shall reissue (the) any temporary order of protection (not to exceed another twenty-four days from the date of reissuing the ex parte protection order and order to provide service by publication) as provided in RCW 26.50.070 and 26.50.080 to allow additional service attempts.

(3) (The) Service by publication shall be made in a newspaper of general circulation in the county where the petition was brought and in the county of the last known address of the respondent once a week for three consecutive weeks. Service of the summons shall be considered complete when the publication has been made for three consecutive weeks. The summons must be signed by the petitioner. The summons shall contain the date of the first publication, and shall require the respondent upon whom service by publication is desired, to appear and answer the petition on the date set for the hearing. The summons shall also contain a brief statement of the reason for the petition and a summary of the provisions under the ex parte order. The summons shall be essentially in the following form:

A copy of the petition, notice of hearing, and ex parte order has been filed with the clerk of this court.

Petitioner

(4) Service by electronic means includes service by email, text message, or social media applications. Service by mail must be made by any person over 18 years of age, who is competent to be a witness, other than a party, by mailing copies of the order and other process to the party to be served at his or her last known address. In the case of mailing, two copies must be mailed, postage prepaid, one by ordinary first-class mail and the other by a form of mail requiring a signed receipt showing when and to whom it was delivered. The envelopes must bear the return address of the sender. Service by electronic means shall be made by any person over 18 years of age, who is competent to be a witness, other than a party, by transmitting copies of the order and other process to the party to be served at his or her electronic address or electronic account associated with email, text messaging, or social media applications. Sworn proof of service by law enforcement or an adult who is not the petitioner must be filed with the court. Service under this section may be used in the same manner and shall have the same jurisdictional effect as personal service for purposes of this chapter. Service shall be deemed complete upon the mailing or transmission as prescribed in this section.

(5) The court may authorize multiple methods of service permitted by this section and may consider the use of any address determined by the court to be appropriate in order to authorize service that is reasonably probable to provide actual notice. The court shall favor speedy and cost-effective methods of service to promote prompt and accessible resolution of the merits of the petition.

Sec. 48. RCW 26.50.090 and 2019 c 245 s 15 are each amended to read as follows:

(1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsections (6) and (8) of this section.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party. If the order includes a requirement under RCW 9.41.800 for the immediate surrender of all firearms, dangerous weapons, and any concealed pistol license, the order must be served by a law enforcement officer.

(3) If service by a sheriff or municipal peace officer is to be used, the clerk of the court shall have a copy of any order issued under this chapter electronically forwarded on or before the next judicial day to the appropriate law enforcement agency specified in the order for service upon the respondent. Service of an order issued under this chapter shall take precedence over the service of other documents unless they are of a similar emergency nature.

(4) If the sheriff or municipal peace officer cannot complete service upon the respondent within 10 days, the sheriff or municipal peace officer shall notify the petitioner. The petitioner shall provide information sufficient to permit notification.

(5) Returns of service under this chapter shall be made in accordance with the applicable court rules. Returns of service must include all known information concerning receipt and responses from the respondent, including for service by mail or electronic means.

(6) If an order entered by the court recites that the respondent appeared before the court, the necessity for further service is waived and proof of service of that order is not necessary. The court's order, entered after a hearing, need not be served on a respondent who fails to appear before the court, if material terms of the order have not changed from those contained in the temporary order, and it is shown to the court's satisfaction that the respondent has previously been served with the temporary order.

(7) Municipal police departments serving documents as required under this chapter may collect from respondents ordered to pay fees under RCW 26.50.060 the same fees for service and mileage.
authorized by RCW 36.18.040 to be collected by sheriffs.

(8) If the court previously entered an order allowing service of the notice of hearing and temporary order of protection by mail, electronic means, or publication pursuant to RCW 26.50.085 (or by mail pursuant to RCW 26.50.123), the court may permit the same means of service ((by publication or by mail)) of the order of protection issued under RCW 26.50.060, except that law enforcement must personally serve a final order that includes an order to surrender firearms, dangerous weapons, and any concealed pistol license, or that requires vacating a shared residence or transferring the care, control, or custody of children. (Service by publication must comply with the requirements of RCW 26.50.085 and service by mail must comply with the requirements of RCW 26.50.123.) The court order must state ((whether the court permitted service by publication or by mail)) the approved means of service.

(9) Any protection order issued under this chapter that would expire on a court holiday shall instead expire at the close of the next court business day.

Sec. 49. RCW 26.50.095 and 1995 c 246 s 12 are each amended to read as follows:

Following completion of service by mail, electronic means, or publication ((as provided in RCW 26.50.085 or by mail as provided in RCW 26.50.123)), if the respondent fails to appear at the hearing, the court may issue an order of protection as provided in RCW 26.50.060. That order must be served pursuant to RCW 26.50.090, and forwarded to the appropriate law enforcement agency pursuant to RCW 26.50.100.

Sec. 50. RCW 26.50.100 and 1996 c 248 s 15 are each amended to read as follows:

(1) A copy of an order for protection granted under this chapter shall be forwarded by the clerk of the court on or before the next judicial day to the appropriate law enforcement agency specified in the order.

Upon receipt of the order, the law enforcement agency shall forthwith enter the order into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. The order shall remain in the computer for the period stated in the order. The law enforcement agency shall only expunge from the computer-based criminal intelligence information system orders that are expired, vacated, or superseded. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any county in the state.

(2) The information entered into the computer-based criminal intelligence information system shall include notice to law enforcement whether the order was (personally, served) by mail, by electronic means, or by publication (or served by mail).

Sec. 51. RCW 26.50.110 and 2019 c 263 s 913 and 2019 c 46 s 5039 are each reenacted and amended to read as follows:

(1)(a) Whenever an order is granted under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, (26.10,)) 26.26A, 26.26B, or 74.34 RCW, any temporary order for protection is granted under chapter 74.34 RCW pursuant to chapter 74.34 RCW, there is a valid foreign protection order as defined in RCW 26.52.020, or there is a valid Canadian domestic violence protection order as defined in RCW 26.55.010, and the respondent or person to be restrained knows of the order, a violation of any of the following provisions of the order is a gross misdemeanor, except as provided in subsections (4) and (5) of this section:

(i) The restraint provisions prohibiting acts or threats of violence against, or stalking of, a protected party, or restraint provisions prohibiting contact with a protected party;

(ii) A provision excluding the person from a residence, workplace, school, or day care;

(iii) A provision prohibiting a person from knowingly coming within, or knowingly remaining within, a specified distance of a location;

(iv) A provision prohibiting interfering with the protected party's efforts to remove a pet owned, possessed, leased, kept, or held by the petitioner, respondent, or a minor child residing with either the petitioner or the respondent; or

(v) A provision of a foreign protection order or a Canadian domestic
violence protection order specifically indicating that a violation will be a crime.

(b) Upon conviction, and in addition to any other penalties provided by law, the court:

(i) May require that the respondent submit to electronic monitoring. The court shall specify who shall provide the electronic monitoring services, and the terms under which the monitoring shall be performed. The order also may include a requirement that the respondent pay the costs of the monitoring. The court shall consider the ability of the convicted person to pay for electronic monitoring.

(ii) Shall impose a fine of ((fifteen dollars)) $15, in addition to any penalty or fine imposed, for a violation of a domestic violence protection order issued under this chapter. Revenue from the ((fifteen dollar)) $15 fine must be remitted monthly to the state treasury for deposit in the domestic violence prevention account.

(2) A peace officer shall arrest without a warrant and take into custody a person whom the peace officer has probable cause to believe has violated an order issued under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, (26.10), 26.26A, 26.26B, or 74.34 RCW, any temporary order for protection granted under chapter 7.40 RCW pursuant to chapter 74.34 RCW, a valid foreign protection order as defined in RCW 26.52.020, or a valid Canadian domestic violence protection order as defined in RCW 26.55.010, that restrains the person or excludes the person from a residence, workplace, school, or day care, or prohibits the person from knowingly coming within, or knowingly remaining within, a specified distance of a location, if the person restrained knows of the order. Presence of the order in the law enforcement computer-based criminal intelligence information system is not the only means of establishing knowledge of the order.

(3) A violation of an order issued under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, (26.10), 26.26A, 26.26B, or 74.34 RCW, a valid foreign protection order as defined in RCW 26.52.020, or a valid Canadian domestic violence protection order as defined in RCW 26.55.010, shall also constitute contempt of court, and is subject to the penalties prescribed by law.

(4) Any assault that is a violation of an order issued under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, (26.10), 26.26A, 26.26B, or 74.34 RCW, a valid foreign protection order as defined in RCW 26.52.020, or a valid Canadian domestic violence protection order as defined in RCW 26.55.010, and that does not amount to assault in the first or second degree under RCW 9A.36.011 or 9A.36.021 is a class C felony, and any conduct in violation of such an order that is reckless and creates a substantial risk of death or serious physical injury to another person is a class C felony.

(5) A violation of a court order issued under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, (26.10), 26.26A, 26.26B, or 74.34 RCW, a valid foreign protection order as defined in RCW 26.52.020, or a valid Canadian domestic violence protection order as defined in RCW 26.55.010, is a class C felony if the offender has at least two previous convictions for violating the provisions of an order issued under this chapter, chapter 7.92, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, (26.10), 26.26A, 26.26B, or 74.34 RCW, a valid foreign protection order as defined in RCW 26.52.020 or a valid Canadian domestic violence protection order as defined in RCW 26.55.010. The previous convictions may involve the same victim or other victims specifically protected by the orders the offender violated.

(6) Upon the filing of an affidavit by the petitioner or any peace officer alleging that the respondent has violated an order granted under this chapter, chapter 7.92, 7.90, 9A.40, 9A.46, 9A.88, 9.94A, 10.99, 26.09, (26.10), 26.26A, 26.26B, or 74.34 RCW, a valid foreign protection order as defined in RCW 26.52.020, or a valid Canadian domestic violence protection order as defined in RCW 26.55.010, the court may issue an order to the respondent, requiring the respondent to appear and show cause within ((fourteen)) 14 days why the respondent should not be found in contempt of court and punished accordingly. The hearing may be held in the court of any county or municipality in which the petitioner or respondent temporarily or permanently resides at the time of the alleged violation.
Sec. 52. RCW 26.50.130 and 2019 c 245 § 16 are each amended to read as follows:

(1) Upon a motion with notice to all parties and after a hearing, the court may modify the terms of an existing order for protection or may terminate an existing order for protection.

(2) A respondent's motion to modify or terminate (an) a final order for protection (that is permanent or issued for a fixed period exceeding two years) must include a declaration setting forth facts supporting the requested order for termination or modification. The motion and declaration must be served according to subsection (8) of this section. The nonmoving parties to the proceeding may file opposing declarations. The court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the declarations. If the court finds that the respondent established adequate cause, the court shall set a date for hearing the respondent's motion.

(3)(a) The court may not terminate an order for protection that is permanent or issued for a fixed period exceeding two years upon a motion of the respondent unless the respondent proves by a preponderance of the evidence that there has been a substantial change in circumstances such that the respondent is not likely to resume acts of domestic violence against the petitioner or those persons protected by the protection order if the order is terminated. In a motion by the respondent for such termination (of an order for protection that is permanent or issued for a fixed period exceeding two years), the petitioner bears no burden of proving that he or she has a current reasonable fear of imminent harm by the respondent.

(b) For the purposes of this subsection, a court shall determine whether there has been a "substantial change in circumstances" by considering only factors which address whether the respondent is likely to commit future acts of domestic violence against the petitioner or those persons protected by the protection order.

(c) In determining whether there has been a substantial change in circumstances the court may consider the following unweighted factors, and no inference is to be drawn from the order in which the factors are listed:

(i) Whether the respondent has committed or threatened domestic violence, sexual assault, stalking, or other violent acts since the protection order was entered;

(ii) Whether the respondent has violated the terms of the protection order, and the time that has passed since the entry of the order;

(iii) Whether the respondent has exhibited suicidal ideation or attempts since the protection order was entered;

(iv) Whether the respondent has been convicted of criminal activity since the protection order was entered;

(v) Whether the respondent has either acknowledged responsibility for the acts of domestic violence that resulted in entry of the protection order or successfully completed domestic violence perpetrator treatment or counseling since the protection order was entered;

(vi) Whether the respondent has a continuing involvement with drug or alcohol abuse, if such abuse was a factor in the protection order;

(vii) Whether the petitioner consents to terminating the protection order, provided that consent is given voluntarily and knowingly;

(viii) Whether the respondent or petitioner has relocated to an area more distant from the other party, giving due consideration to the fact that acts of domestic violence may be committed from any distance;

(ix) Other factors relating to a substantial change in circumstances.

(d) In determining whether there has been a substantial change in circumstances, the court may not base its determination solely on: (i) The fact that time has passed without a violation of the order; or (ii) the fact that the respondent or petitioner has relocated to an area more distant from the other party.

(e) Regardless of whether there is a substantial change in circumstances, the court may decline to terminate a protection order if it finds that the acts of domestic violence that resulted in the issuance of the protection order were of such severity that the order should not be terminated.

(4) The court may not modify an order for protection that is permanent or
issued for a fixed period exceeding two years upon a motion of the respondent unless the respondent proves by a preponderance of the evidence that the requested modification is warranted. If the requested modification would reduce the duration of the protection order or would eliminate provisions in the protection order restraining the respondent from harassing, stalking, threatening, or committing other acts of domestic violence against the petitioner or the petitioner's children or family or household members or other persons protected by the order, the court shall consider the factors in subsection (3)(c) of this section in determining whether the protection order should be modified. Upon a motion by the respondent for such modification (of an order for protection that is permanent or issued for a fixed period exceeding two years), the petitioner bears no burden of proving that he or she has a current reasonable fear of imminent harm by the respondent.

(5) A respondent may file a motion to terminate or modify an order no more than once in every (twelve) 12-month period that the order is in effect, starting from the date of the order and continuing through any renewal.

(6) Upon a motion by a petitioner, the court may modify or terminate an existing order for protection. The court shall hear the motion without an adequate cause hearing.

(7) A court may require the respondent to pay court costs and service fees, as established by the county or municipality incurring the expense and to pay the petitioner for costs incurred in responding to a motion to terminate or modify a protection order, including reasonable attorneys' fees.

(8) Except as provided in RCW 26.50.085 ((and 26.50.123)), a motion to modify or terminate an order for protection must be personally served on the nonmoving party not less than five court days prior to the hearing.

(a) If a moving party seeks to modify or terminate an order for protection that is permanent or issued for a fixed period exceeding two years, the sheriff of the county or the peace officers of the municipality in which the nonmoving party resides or a licensed process server shall serve the nonmoving party personally except when a petitioner is the moving party and elects to have the nonmoving party served by a private party. If the order includes a requirement under RCW 9.41.800 for the immediate surrender of all firearms, dangerous weapons, and any concealed pistol license, the order must be served by a law enforcement officer.

(b) If the sheriff, municipal peace officer, or licensed process server cannot complete service upon the nonmoving party within ((ten)) 10 days, the sheriff, municipal peace officer, or licensed process server shall notify the moving party. The moving party shall provide information sufficient to permit notification by the sheriff, municipal peace officer, or licensed process server.

(c) If timely personal service cannot be made, the court shall set a new hearing date and shall either require an additional attempt at obtaining personal service or permit service by publication as provided in RCW 26.50.085 ((or service by mail as provided in RCW 26.50.123)).

(d) The court shall not require more than two attempts at obtaining personal service and shall permit service by publication or by mail unless the moving party requests additional time to attempt personal service.

(e) If the court permits service by publication or by mail, the court shall set the hearing date not later than ((twenty four)) 24 days from the date of the order permitting service by publication or by mail.

(9) Municipal police departments serving documents as required under this chapter may recover from a respondent ordered to pay fees under subsection (7) of this section the same fees for service and mileage authorized by RCW 36.18.040 to be collected by sheriffs.

(10) In any situation where an order is terminated or modified before its expiration date, the clerk of the court shall forward on or before the next judicial day a true copy of the modified order or the termination order to the appropriate law enforcement agency specified in the modified or termination order. Upon receipt of the order, the law enforcement agency shall promptly enter it in the law enforcement information system.

Sec. 53. RCW 26.50.160 and 2019 c 263 s 914 and 2019 c 46 s 5040 are each reenacted and amended to read as follows:
To prevent the issuance of competing protection orders in different courts and to give courts needed information for issuance of orders, the judicial information system shall be available in each district, municipal, and superior court by July 1, 1997, and shall include a database containing the following information:

(1) The names of the parties and the cause number for every order of protection issued under this title, every sexual assault protection order issued under chapter 7.90 RCW, every criminal no-contact order issued under chapters 9A.46 and 10.99 RCW, every antiharassment order issued under chapter 10.14 RCW, every dissolution action under chapter 26.09 RCW, every third-party custody action under chapter 26.10 RCW, every parentage action under chapter 26.26A or 26.26B RCW, every restraining order issued on behalf of an abused child or adult dependent person under chapter 26.44 RCW, every foreign protection order filed under chapter 26.52 RCW, every Canadian domestic violence protection order filed under chapter 26.55 RCW, and every order for protection of a vulnerable adult under chapter 74.34 RCW. When a guardian or the department of social and health services or department of children, youth, and families has petitioned for relief on behalf of an abused child, adult dependent person, or vulnerable adult, the name of the person on whose behalf relief was sought shall be included in the database as a party rather than the guardian or appropriate department;

(2) A criminal history of the parties; and

(3) Other relevant information necessary to assist courts in issuing orders under this chapter as determined by the judicial information system committee.

Sec. 54. RCW 74.34.120 and 2007 c 312 s 5 are each amended to read as follows:

(1) The court shall order a hearing on a petition under RCW 74.34.110 not later than ((fourteen)) 14 days from the date of filing the petition. The court may order that the hearing occur in person or by telephone, video, or other electronic means with appropriate safeguards as determined by the court.

(2) Personal service shall be made upon the respondent not less than ((six)) five court days before the hearing unless waived by the respondent. In addition to copies of all pleadings filed by the petitioner, the petitioner shall provide a written notice to the vulnerable adult using the standard notice form developed under RCW 74.34.115. If timely personal service cannot be made, the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by mail, electronic means, or publication, as provided in this section. The court shall not require more than two attempts at obtaining personal service and shall permit service by mail, electronic means, or publication unless the petitioner requests additional time to attempt personal service. In cases where personal service was not made, the court shall set the next hearing date: (a) Within 14 days from the date of the order; (b) to an available date mutually agreed to by the parties and accepted by the court; or (c) not later than 24 days from the date of the order upon a showing of good cause to facilitate service.

(3) When a petition under RCW 74.34.110 is filed by someone other than the vulnerable adult, notice of the petition and hearing must be personally served upon the vulnerable adult not less than ((five)) five court days before the hearing unless waived by the respondent. In addition to copies of all pleadings filed by the petitioner, the petitioner shall provide a written notice to the vulnerable adult using the standard notice form developed under RCW 74.34.115. If timely personal service cannot be made, the court shall set a new hearing date and shall either require additional attempts at obtaining personal service or permit service by mail, electronic means, or publication, as provided in this section. The court shall not require more than two attempts at obtaining personal service and shall permit service by mail, electronic means, or publication unless the petitioner requests additional time to attempt personal service. In cases where personal
service was not made, the court shall set the next hearing date: (a) Within 14 days from the date of the order; (b) to an available date mutually agreed to by the parties and accepted by the court; or (c) not later than 24 days from the date of the order upon a showing of good cause to facilitate service.

(4) If timely service under subsections (2) and (3) of this section cannot be made, the court shall continue the hearing date until the substitute service approved by the court has been satisfied.

(5)(a) A petitioner may move for temporary relief under chapter 7.40 RCW. The court may continue any temporary order for protection granted under chapter 7.40 RCW until the hearing on a petition under RCW 74.34.110 is held.

(b) Written notice of the request for temporary relief must be provided to the respondent, and to the vulnerable adult if someone other than the vulnerable adult filed the petition. A temporary protection order may be granted without written notice to the respondent and vulnerable adult if it clearly appears from specific facts shown by affidavit or declaration that immediate and irreparable injury, loss, or damage would result to the vulnerable adult before the respondent and vulnerable adult can be served and heard, or that show the respondent and vulnerable adult cannot be served with notice, the efforts made to serve them, and the reasons why prior notice should not be required. When an ex parte temporary protection order has been entered without notice to the respondent or an ability for the respondent to participate in the ex parte hearing, the respondent or vulnerable adult may file a motion to terminate or modify the order prior to a final hearing on the grounds that the ex parte temporary protection order will cause imminent harm to the respondent or vulnerable adult or that the order or its remedy is not authorized by this chapter. The party moving to terminate or modify the ex parte temporary protection order shall provide advance notice to the petitioner of the time and place for presentation of the motion. The motion must be heard expeditiously. A party is limited to one motion to terminate or modify an ex parte temporary protection order. If the court determines that the motion has been brought in bad faith, the court may impose sanctions.

(6) If the respondent or, in cases where the petition is filed by someone other than the vulnerable adult, the vulnerable adult, was not personally served with a petition authorized by this chapter, a notice of hearing, and any ex parte temporary protection order before the hearing, the court shall set a new hearing date as provided in this section and shall either permit additional personal service attempts or order service by mail, electronic means or publication instead of personal service under the following circumstances established by affidavit or declaration:

(a) The court determines that the party to be served could not be personally served after a diligent effort and the proposed alternate service is reasonably probable to provide actual notice based upon consideration of the following:

(i) A means of service other than personal service is reasonably calculated to provide notice under the circumstances, including the inability to timely personally serve the party;

(ii) A description of the number and types of attempts made to complete personal service;

(iii) A description of the party's known address or addresses, contact information, and electronic addresses or electronic accounts;

(iv) A description of the communications with the party;

(v) Information concerning the party's whereabouts; and

(vi) Any other information relating to the inability to personally serve the party and the reasonable probability that alternate service will provide actual notice; or

(b) The court determines that the party to be served is avoiding personal service, based upon consideration of the following:

(i) The sheriff or municipal officer states that the officer was unable to complete personal service upon the party and describes the number and types of attempts the officer made to complete service;

(ii) The petitioner states that the petitioner believes that the party is hiding from the server to avoid service
and states the reasons for the belief that the party is avoiding service;

(iii) The server has deposited a copy of the summons, in substantially the form prescribed in subsection (7) of this section, the notice of hearing, and the ex parte temporary order of protection in the post office, directed to the party at the party's last known address, unless the server states that the server does not know the party's address; and

(iv) The court finds reasonable grounds exist to believe that the party is concealing himself or herself to avoid service, and that further attempts to personally serve the party would be futile or unduly burdensome.

(7) Service by publication must be made in a newspaper of general circulation in the county where the petition was brought and in the county of the last known address of the respondent once a week for three consecutive weeks. The newspaper selected must be one of the three most widely circulated papers in the county. The publication of summons must not be made until the court orders service by publication under this section. Service of the summons shall be considered complete when the publication has been made for three consecutive weeks. The summons must be signed by the petitioner. The summons must contain the date of the first publication, and must require the respondent, upon whom service by publication is desired, to appear and answer the petition on the date set for the hearing. The summons must also contain a brief statement of the reason for the petition and a summary of the provisions under the ex parte temporary order. The summons must be essentially in the following form:

In the ............ court of the state of Washington for the county of ............

............... Petitioner

vs.

No. .........

............... Respondent

The state of Washington to ............

(respondent):

You are hereby summoned to appear on the .... day of ........, (year) ...., at .... a.m./p.m., and respond to the petition. If you fail to respond, an order of protection will be issued against you pursuant to the

provisions of chapter 74.34 RCW, for a fixed period of time up to five years from the date you are required to appear. A temporary order of protection has been issued against you, restraining you from the following: (Insert a brief statement of the provisions of the ex parte order). A copy of the petition, notice of hearing, and ex parte order has been filed with the clerk of this court.

(8) Service by electronic means includes service by email, text message, or social media applications. Service by mail shall be made by any person over 18 years of age, who is competent to be a witness, other than a party, by mailing copies of the order and other process to the party to be served at his or her last known address. In the case of mailing, two copies shall be mailed, postage prepaid, one by ordinary first-class mail and the other by a form of mail requiring a signed receipt showing when and to whom it was delivered. The envelopes must bear the return address of the sender. Service by electronic means shall be made by any person over 18 years of age, who is competent to be a witness, other than a party, by transmitting copies of the order and other process to the party to be served at his or her electronic address or electronic account associated with email, text messaging, or social media applications. Sworn proof of service by law enforcement or an adult who is not the petitioner must be filed with the court. Service under this section may be used in the same manner and shall have the same jurisdictional effect as personal service for purposes of this chapter. Service shall be deemed complete upon the mailing or transmission as prescribed in this section.

(9) The court may authorize multiple methods of service permitted by this section and may consider the use of any address determined by the court to be appropriate in order to authorize service that is reasonably probable to provide actual notice. The court shall favor speedy and cost-effective methods of service to promote prompt and accessible resolution of the merits of the petition.

(10) If the sheriff or municipal peace officer cannot complete service upon the respondent within 10 days, the sheriff or municipal peace officer shall notify the
(11) Returns of service under this chapter must be made in accordance with the applicable court rules. Returns of service must include all known information concerning receipt and responses from the respondent, including for service by mail or electronic means.

(12) If an order entered by the court recites that the party to be served appeared before the court, the necessity for further service is waived and proof of service of that order is not necessary. The court's order, entered after a hearing, need not be served on a respondent who fails to appear before the court, if material terms of the order have not changed from those contained in the temporary order, and it is shown to the court's satisfaction that the respondent has previously been served with the temporary order, except that law enforcement must personally serve a final order requiring the vacation of a shared residence.

Sec. 55. RCW 74.34.130 and 2007 c 312 s 6 are each amended to read as follows:

((The)) (1) After notice and a hearing, if the court finds by a preponderance of the evidence that a vulnerable adult has been abandoned, abused, financially exploited, or neglected, or is threatened with abandonment, abuse, financial exploitation, or neglect by the respondent, the court may order relief as it deems necessary for the protection of the vulnerable adult, including, but not limited to the following:

((1))) (a) Restraining respondent from committing acts of abandonment, abuse, neglect, or financial exploitation against the vulnerable adult;

((2))) (b) Excluding the respondent from the vulnerable adult's residence for a specified period or until further order of the court;

((3))) (c) Prohibiting contact with the vulnerable adult by respondent for a specified period or until further order of the court, including nonphysical contact and contact through third parties regardless of whether those third parties know of the order;

((4))) (d) Prohibiting the respondent from knowingly coming within, or knowingly remaining within, a specified distance from a specified location including, but not limited to, a residence, school, day care, workplace, and the protected party's person;

((5))) (e) Requiring an accounting by respondent of the disposition of the vulnerable adult's income or other resources;

((6))) (f) Restraining the transfer of the respondent's and/or vulnerable adult's property for a specified period not exceeding ((ninety)) 90 days; and

((7))) (g) Requiring the respondent to pay a filing fee and court costs, including service fees, and to reimburse the petitioner for costs incurred in bringing the action, including a reasonable attorney's fee.

(2) If the court declines to issue an order for protection, the court shall state in writing on the order the particular reasons for the court's denial.

(3) Any relief granted by an order for protection, other than a judgment for costs, shall be for a fixed period not to exceed five years. Any final protection order may be renewed one or more times. The petitioner may apply for renewal of the order by filing a petition for renewal at any time within the three months before the order expires. The court shall grant the petition for renewal unless the respondent or, if the petitioner is someone other than the vulnerable adult, the vulnerable adult, proves by a preponderance of the evidence that the respondent will not resume acts of abandonment, abuse, financial exploitation, or neglect against the vulnerable adult when the order expires. The court may renew the protection order for another fixed time period or may enter a permanent order as provided in this section.

(4) The clerk of the court shall enter any order for protection issued under this section into the judicial information system.

(5) When an order is issued under this chapter, upon request of the protected adult, the court may order a peace officer to accompany the protected adult and assist in placing the protected adult in possession of those items indicated in the order or to otherwise assist in the execution of the order of protection. The order shall list all items that are to be included with sufficient specificity to make it clear which property is included. Orders issued under this chapter must
include a designation of the appropriate law enforcement agency to execute, serve, or enforce the order. Upon entry of such an order, a peace officer shall accompany the protected adult and assist in placing the protected adult in possession of all items listed in the order and to otherwise assist in the execution of the order.

(6) Any protection order issued under this chapter that would expire on a court holiday shall instead expire at the close of the next court business day.

Sec. 56. RCW 74.34.135 and 2007 c 312 s 9 are each amended to read as follows:

(1) When a petition for protection under RCW 74.34.110 is filed by someone other than the vulnerable adult or the vulnerable adult's full guardian over either the person or the estate, or both, and the vulnerable adult for whom protection is sought advises the court at the hearing that he or she does not want all or part of the protection sought in the petition, then the court may dismiss the petition or the provisions that the vulnerable adult objects to and any protection order issued under RCW 74.34.120 or 74.34.130, or the court may take additional testimony or evidence, or order additional evidentiary hearings to determine whether the vulnerable adult is unable, due to incapacity, undue influence, or duress, to protect his or her person or estate in connection with the issues raised in the petition or order. If an additional evidentiary hearing is ordered and the court determines that there is reason to believe that there is a genuine issue about whether the vulnerable adult is unable to protect his or her person or estate in connection with the issues raised in the petition or order, the court may issue a temporary order for protection of the vulnerable adult pending a decision after the evidentiary hearing.

(2) An evidentiary hearing on the issue of whether the vulnerable adult is unable, due to incapacity, undue influence, or duress, to protect his or her person or estate in connection with the issues raised in the petition or order, shall be held within ((fourteen)) 14 days of entry of the temporary order for protection under subsection (1) of this section. If the court did not enter a temporary order for protection, the evidentiary hearing shall be held within ((fourteen)) 14 days of the prior hearing on the petition. Notice of the time and place of the evidentiary hearing shall be personally served upon the vulnerable adult and the respondent not less than ((fourteen)) five court days before the hearing. When good faith attempts to personally serve the vulnerable adult and the respondent have been unsuccessful, the court shall permit service ((by mail, or by publication if the court determines that personal service and service by mail cannot be obtained)) pursuant to RCW 74.34.120. If timely service cannot be made, the court may set a new hearing date. A hearing under this subsection is not necessary if the vulnerable adult has been determined to be fully incapacitated over either the person or the estate, or both, under the guardianship laws, chapter 11.88 RCW. If a hearing is scheduled under this subsection, the protection order shall remain in effect pending the court's decision at the subsequent hearing.

(3) At the hearing scheduled by the court, the court shall give the vulnerable adult, the respondent, the petitioner, and in the court's discretion other interested persons, the opportunity to testify and submit relevant evidence. The court may order that the hearing occur in person or by telephone, video, or other electronic means with appropriate safeguards as determined by the court.

(4) If the court determines that the vulnerable adult is capable of protecting his or her person or estate in connection with the issues raised in the petition, and the individual continues to object to the protection order, the court shall dismiss the order or may modify the order if agreed to by the vulnerable adult. If the court determines that the vulnerable adult is not capable of protecting his or her person or estate in connection with the issues raised in the petition or order, and that the individual continues to need protection, the court shall order relief consistent with RCW 74.34.130 as it deems necessary for the protection of the vulnerable adult. In the entry of any order that is inconsistent with the expressed wishes of the vulnerable adult, the court's order shall be governed by the legislative findings contained in RCW 74.34.005.

Sec. 57. RCW 74.34.135 and 2020 c 312 s 737 are each amended to read as follows:
(1) When a petition for protection under RCW 74.34.110 is filed by someone other than the vulnerable adult or the vulnerable adult's guardian, conservator, or person acting under a protective arrangement, or both, and the vulnerable adult for whom protection is sought advises the court at the hearing that he or she does not want all or part of the protection sought in the petition, then the court may dismiss the petition or the provisions that the vulnerable adult objects to and any protection order issued under RCW 74.34.120 or 74.34.130, or the court may take additional testimony or evidence, or order additional evidentiary hearings to determine whether the vulnerable adult is unable, due to incapacity, undue influence, or duress, to protect his or her person or estate in connection with the issues raised in the petition or order. If an additional evidentiary hearing is ordered and the court determines that there is reason to believe that there is a genuine issue about whether the vulnerable adult is unable to protect his or her person or estate in connection with the issues raised in the petition or order, the court may issue a temporary order for protection of the vulnerable adult pending a decision after the evidentiary hearing.

(2) An evidentiary hearing on the issue of whether the vulnerable adult is unable, due to incapacity, undue influence, or duress, to protect his or her person or estate in connection with the issues raised in the petition or order, shall be held within ((fourteen)) 14 days of entry of the temporary order for protection under subsection (1) of this section. If the court did not enter a temporary order for protection, the evidentiary hearing shall be held within ((fourteen)) 14 days of the prior hearing on the petition. Notice of the time and place of the evidentiary hearing shall be personally served upon the vulnerable adult and the respondent not less than ((six)) five court days before the hearing. When good faith attempts to personally serve the vulnerable adult and the respondent have been unsuccessful, the court shall permit service (by mail, or by publication if the court determines that personal service and service by mail cannot be obtained) pursuant to RCW 74.34.120. If timely service cannot be made, the court may set a new hearing date. A hearing under this subsection is not necessary if the vulnerable adult has been determined to be subject to a guardianship, conservatorship, or other protective arrangement under chapter 11.130 RCW. If a hearing is scheduled under this subsection, the protection order shall remain in effect pending the court's decision at the subsequent hearing.

(3) At the hearing scheduled by the court, the court shall give the vulnerable adult, the respondent, the petitioner, and in the court's discretion other interested persons, the opportunity to testify and submit relevant evidence. The court may order that the hearing occur in person or by telephone, video, or other electronic means with appropriate safeguards as determined by the court.

(4) If the court determines that the vulnerable adult is capable of protecting his or her person or estate in connection with the issues raised in the petition, and the individual continues to object to the protection order, the court shall dismiss the order or may modify the order if agreed to by the vulnerable adult. If the court determines that the vulnerable adult is not capable of protecting his or her person or estate in connection with the issues raised in the petition or order, and that the individual continues to need protection, the court shall order relief consistent with RCW 74.34.130 as it deems necessary for the protection of the vulnerable adult. In the entry of any order that is inconsistent with the expressed wishes of the vulnerable adult, the court's order shall be governed by the legislative findings contained in RCW 74.34.005.

Sec. 2. RCW 84.25.040 and 2015 1st sp.s. c 9 s 4 are each amended to read as follows:

(1) (a) The value of new construction of industrial/manufacturing facilities qualifying under this chapter is exempt from property taxation under this title, as provided in this section. The value of new construction of industrial/manufacturing facilities is exempt from taxation for properties for which an application for a certificate of tax exemption is submitted under this chapter before December 31, ((2022)) 2030. The value is exempt under this section for ((ten)) 10 successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate.

(b) The exemption provided in this section does not include the value of
land or nonindustrial/manufacturing-related improvements not qualifying under this chapter.

(2) The exemption provided in this section is in addition to any other exemptions, deferrals, credits, grants, or other tax incentives provided by law.

(3) This chapter does not apply to state levies or increases in assessed valuation made by the assessor on nonqualifying portions of buildings and value of land nor to increases made by lawful order of a county board of equalization, the department of revenue, or a county, to a class of property throughout the county or specific area of the county to achieve the uniformity of assessment or appraisal required by law.

(4) This exemption does not apply to any county property taxes unless the governing body of the county adopts a resolution and notifies the governing authority of its intent to allow the property to be exempted from county property taxes.

(5) At the conclusion of the exemption period, the new industrial/manufacturing facilities cost must be considered as new construction for the purposes of chapter 84.55 RCW.

Sec. 3. RCW 84.25.050 and 2015 1st sp.s. c 9 s 5 are each amended to read as follows:

An owner of property making application under this chapter must meet the following requirements:

(1) The new construction of industrial/manufacturing facilities must be located on land zoned for industrial and manufacturing uses, undeveloped or underutilized, and as provided in RCW 84.25.060, designated by the city as a targeted area;

(2) The new construction of industrial/manufacturing facilities must meet all construction and development regulations of the city;

(3) The new construction of industrial/manufacturing facilities must be completed within three years from the date of approval of the application; and

(4) The applicant must enter into a contract with the city approved by the city governing authority, or an administrative official or commission authorized by the governing authority, under which the applicant has agreed to the implementation of the development on terms and conditions satisfactory to the governing authority.

Sec. 4. RCW 84.25.080 and 2015 1st sp.s. c 9 s 8 are each amended to read as follows:

(1) The city governing authority may approve the application if it finds that:

((1))) (a) A minimum of 25 new family living wage jobs will be created on the subject site as a result of new construction of industrial/manufacturing facilities within one year of building occupancy;

((2))) (b) The criteria of this chapter have been satisfied.

(2) Priority must be given to applications that meet the following labor specifications during the new construction and ongoing business of industrial/manufacturing facilities:

(a) Compensate workers at prevailing wage rates as determined by the department of labor and industries;

(b) Procure from, and contract with, women-owned, minority-owned, or veteran-owned businesses;

(c) Procure from, and contract with, entities that have a history of complying with federal and state wage and hour laws and regulations;

(d) Include apprenticeship utilization from state-registered apprenticeship programs;

(e) Provide for preferred entry for workers living in the area where the project is being constructed; and

(f) Maintain certain labor standards for workers employed primarily at the facility after construction, including production, maintenance, and operational employees.

Sec. 5. RCW 84.25.090 and 2015 1st sp.s. c 9 s 9 are each amended to read as follows:
(1) The city governing authority ((or its authorized representative)) must approve or deny an application filed under this chapter within ninety days after receipt of the application.

(2) If the application is approved, the city must issue the owner of the property a conditional certificate of acceptance of tax exemption. The certificate must contain a statement by a duly authorized administrative official of the governing authority that the property has complied with the required criteria of this chapter.

(3) If the application is denied by the city, the city must state in writing the reasons for denial and send the notice to the applicant at the applicant's last known address within ten days of the denial.

(4) Upon denial by the city, an applicant may appeal the denial to the city's governing authority within thirty days after receipt of the denial. The appeal before the city's governing authority must be based upon the record made before the city with the burden of proof on the applicant to show that there was no substantial evidence to support the city's decision. The decision of the city in denying or approving the application is final.

Sec. 6. RCW 84.25.130 and 2015 1st sp.s. c 9 s 13 are each amended to read as follows:

(1) If the value of improvements have been exempted under this chapter, the improvements continue to be exempted for the applicable period under this chapter so long as they are not converted to another use and continue to satisfy all applicable conditions including, but not limited to, zoning, land use, building, and family-wage job creation.

(2) If an owner voluntarily opts to discontinue compliance with the requirements of this chapter, the owner must notify the assessor within (sixty) 60 days of the change in use or intended discontinuance.

(3) If, after a certificate of tax exemption has been filed with the county assessor, the city discovers that a portion of the property is changed or will be changed to disqualify the owner for exemption eligibility under this chapter, the tax exemption must be canceled and the following occurs:

(a) Additional real property tax must be imposed on the value of the nonqualifying improvements in the amount that would be imposed if an exemption had not been available under this chapter, plus a penalty equal to (twenty) 20 percent of the additional value. This additional tax is calculated based upon the difference between the property tax paid and the property tax that would have been paid if it had included the value of the nonqualifying improvements dated back to the date that the improvements were converted to a nonqualifying use;

(b) The tax must include interest upon the amounts of the additional tax at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the improvements had been assessed at a value without regard to this chapter; and

(c) The additional tax owed together with interest and penalty becomes a lien on the property and attaches at the time the property or portion of the property is removed from the qualifying use under this chapter or the amenities no longer meet the applicable requirements for exemption under this chapter. A lien under this section has priority to, and must be fully paid and satisfied before, a recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the property may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes. An additional tax unpaid on its due date is delinquent. From the date of delinquency until paid, interest must be charged at the same rate applied by law to delinquent property taxes.

(4) If, after a certificate of tax exemption has been filed with the county assessor, the city discovers that the facility maintains fewer than 25 family living wage jobs, the owner is considered ineligible for the exemption under this chapter, and the following must occur:

(a) The tax exemption must be canceled; and

(b) Additional real property tax must be imposed in the amount that would be imposed if an exemption had not been available under this chapter, dated back to the date that the facility last
maintained a minimum of 25 family living wage jobs.

(5) Upon a determination that a tax exemption is to be terminated for a reason stated in this section, the city's governing authority must notify the record owner of the property as shown by the tax rolls by mail, return receipt requested, of the determination to terminate the exemption. The owner may appeal the determination to the city, within ((thirty)) 30 days by filing a notice of appeal with the city, which notice must specify the factual and legal basis on which the determination of termination is alleged to be erroneous. At an appeal hearing, all affected parties may be heard and all competent evidence received. After the hearing, the deciding body or officer must either affirm, modify, or repeal the decision of termination based on the evidence received. An aggrieved party may appeal the decision of the deciding body or officer to the superior court as provided in RCW 34.05.510 through 34.05.598.

(6) Upon determination by the city to terminate an exemption, the county officials having possession of the assessment and tax rolls must correct the rolls in the manner provided for omitted property under RCW 84.40.080. The county assessor must make such a valuation of the property and improvements as is necessary to permit the correction of the rolls. The value of the new industrial/manufacturing facilities added to the rolls is considered new construction for the purposes of chapter 84.40 RCW. The owner may appeal the valuation to the county board of equalization as provided in chapter 84.40 RCW. If there has been a failure to comply with this chapter, the property must be listed as an omitted assessment for assessment years beginning January 1st of the calendar year in which the noncompliance first occurred, but the listing as an omitted assessment may not be for a period more than three calendar years preceding the year in which the failure to comply was discovered."

"NEW SECTION. Sec. 1. (1) The legislature acknowledges that student absences from school can be an indicator that the academic and social-emotional needs of the students are not being met in the public school or classroom or through the school culture or climate. Student absences can also signal to educators that families may need additional information and assistance in supporting student learning within the home.

(2) The legislature finds that as research and public awareness grows about the impact of school climate and culture on the academic and social-emotional experiences of students, the systems of public education must shift away from enforcing punitive, compliance-focused policies and toward enabling constructive, student-centered practices. The legislature further finds that a student-centered system of public education serves the individual needs of students with strong family engagement and through integrated supports provided by the state, public schools, and the greater community.

(3) Therefore, the legislature intends to refocus the attendance policies and practices of the public education system to emphasize individualized student and family supports that are culturally responsive, evidence-informed, and show promising practice for integrating multiple systems of support to effectively improve consistent student attendance at school and family engagement in student learning.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.225 RCW to read as follows:

The office of the superintendent of public instruction shall develop and publish best practice guidance to eliminate or reduce student absences and to otherwise implement the requirements of this chapter. SPEAKER'S RULING

“The title of the bill is an act relating to expanding coverage of the paid family and medical leave program. The bill provides temporary alternate eligibility for Paid Family Medical Leave claims. Amendment (293) ties the effective date of the bill to the expiration of the Governor’s proclamation declaring a state of emergency due to the COVID-19 pandemic. This legislative session over a dozen bills have been filed relating to the emergency powers of the governor and the executive branch. The wisdom or necessity of statutes granting authority to issue emergency orders and the wisdom or necessity of the emergency orders that have been issued pursuant to such statutes are topics separate and distinct from the issue presented in the bill before us – whether to expand coverage of the paid family and medical leave program. The Speaker therefore finds and rules that the amendment is outside the scope and object of the bill. The point of order is well taken.”

FINDINGS AND INTENT

NEW SECTION. Sec. 101. (1) The legislature finds that independent investigations into the use of deadly force by a peace officer that results in death, substantial bodily harm, or great bodily harm are a necessary component to repairing and building public trust in the public service of law enforcement.

(2) The legislature further finds that the current practice for independent investigations enables the perception that such investigations are not fully independent and objective.

(4) The legislature recognizes that it is necessary to make incremental improvements to the existing system of independent investigations while a new state law enforcement agency is formed and becomes operational.

POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (296).

SPEAKER’S RULING

“The title of the bill is an act relating to increasing worker protections.

The bill amends the Washington Industrial Safety and Health Act by establishing employer appeal procedures of an order of immediate restraint, changing antiretaliation provisions, and creating a small business grant program.

Amendment (296) ties the effective date of the bill to the expiration or termination of the Governor’s proclamation declaring a state of emergency due to the COVID-19 pandemic and requires the Governor to notify various entities of the effective date once the proclamation expires or is terminated.

This legislative session over a dozen bills have been filed relating to the emergency powers of the governor and the executive branch. The wisdom or necessity of statutes granting authority to issue emergency orders and the wisdom or necessity of the emergency orders that have been issued pursuant to such statutes are topics separate and distinct from the issue presented in the bill before us – whether workers should be afforded additional protections under the Washington Industrial Safety and Health Act.

The Speaker therefore finds and rules that the amendment is outside the scope and object of the bill.

The point of order is well taken.”

The bill was ordered engrossed.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representatives Sells, Bronoske, Berry and Stonier spoke in favor of the passage of the bill.

SECOND READING

HOUSE BILL NO. 1335, by Representatives Valdez, Rude, Berry, Fitzgibbon, Morgan, Santos, Shewmake, Davis, Berg, Gilday, Bergquist, Fey, Bateman, Lekanoff, Lovick, Callan, Riccelli, Rule, Pollet, Senn and Harris-Talley

Concerning review and property owner notification of recorded documents with unlawful racial restrictions.

The bill was read the second time.

There being no objection, Second Substitute House Bill No. 1335 was substituted for House Bill No. 1335 and the second substitute bill was placed on the second reading calendar.

SECOND SUBSTITUTE HOUSE BILL NO. 1335 was read the second time.

Representative Pollet moved the adoption of striking amendment (338):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the existence of racial, religious, or ethnic-based property restrictions or covenants on a deed or chain of title for real property is like having a monument to racism on that property and is repugnant to the tenets of equality. Furthermore, such restrictions and covenants may cause mental anguish and tarnish a property owner's sense of ownership in the property because the owner feels as though they have participated in a racist act themselves.

It is the intent of the legislature that the owner, occupant, or tenant or homeowners' association board of the property which is subject to an unlawful deed restriction or covenant pursuant to RCW 49.60.224 is entitled to have discriminatory covenants and restrictions that are contrary to public policy struck from their chain of title. The legislature has presented two ways this can be accomplished through RCW 49.60.227(1) (a) and (b). If the owner, occupant, or tenant or homeowners' association board of the property elects to pursue a judicial remedy, the legislature intends that the court issue a declaratory judgment ordering the county auditor, or in charter counties the county official charged with the responsibility for recording instruments in the county records, to entirely strike the racist or otherwise discriminatory covenants from the chain of title. Striking the language does not prevent preservation of the original record, outside of the chain of title, for historical or archival purposes.

The legislature finds that striking racist, religious, and ethnic restrictions or covenants from the chain of title is no different than having an offensive statutory monument which the owner may entirely remove. So too should the owner be able to entirely remove the offensive written monument to racism or other unconstitutional discrimination.

NEW SECTION. Sec. 2. A new section is added to chapter 49.60 RCW to read as follows:
(1) Subject to the availability of amounts appropriated for this specific purpose, the University of Washington and Eastern Washington University shall review existing recorded covenants and deed restrictions to identify those recorded documents that include racial or other restrictions on property ownership or use against protected classes that are unlawful under RCW 49.60.224. For properties subject to such racial and other unlawful restrictions, the universities shall provide notice to the property owner and to the county auditor of the county in which the property is located. The universities shall provide information to the property owner on how such provisions can be struck pursuant to RCW 49.60.227. The universities may contract with other public and private not-for-profit higher education institutions that are regionally accredited to carry out the review and notification requirements of this section.

(2) This section expires July 1, 2027.

Sec. 3. RCW 64.06.020 and 2019 c 455 s 3 are each amended to read as follows:

(1) In a transaction for the sale of improved residential real property, the seller shall, unless the buyer has expressly waived the right to receive the disclosure statement under RCW 64.06.010, or unless the transfer is otherwise exempt under RCW 64.06.010, deliver to the buyer a completed seller disclosure statement in the following format and that contains, at a minimum, the following information:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 7.70.065 and 2019 c 232 s 8 and 2019 c 209 s 1 are each reenacted and amended to read as follows:

(1) Informed consent for health care for a patient who is not competent, as defined in RCW 11.88.010(1)(e), to consent may be obtained from a person authorized to consent on behalf of such patient.

(a) Persons authorized to provide informed consent to health care on behalf of a patient who is not competent to consent, based upon a reason other than incapacity as defined in RCW 11.88.010(1)(d), shall be a member of one of the following classes of persons in the following order of priority:

(i) The appointed guardian of the patient, if any;

(ii) The individual, if any, to whom the patient has given a durable power of attorney that encompasses the authority to make health care decisions;

(iii) The individual to whom the patient has designated to make health care decisions by orally or personally informing a physician, nurse practitioner, or physician assistant who then signs and enters a document with this information into the patient's health record, provided that the physician, nurse practitioner, or physician assistant determines that the
patient has capacity as defined in (e) of this subsection at the time of the designation and documents it in the patient's health record;

(iv) The patient's spouse or state registered domestic partner;

((iv)) (v) Children of the patient who are at least eighteen years of age;

((iv)) (vi) Parents of the patient;

((vi)) (vii) Adult brothers and sisters of the patient;

((vii)) (viii) Adult grandchildren of the patient who are familiar with the patient;

((viii)) (ix) Adult nieces and nephews of the patient who are familiar with the patient;

((ix)) (x) Adult aunts and uncles of the patient who are familiar with the patient; and

((x)) (xi)(A) An adult who:

(I) Has exhibited special care and concern for the patient;

(II) Is familiar with the patient's personal values;

(III) Is reasonably available to make health care decisions;

(IV) Is not any of the following: A physician to the patient or an employee of the physician; the owner, administrator, or employee of a health care facility, nursing home, or long-term care facility where the patient resides or receives care; or a person who receives compensation to provide care to the patient; and

(V) Provides a declaration under (a)(((x))) (xi)(B) of this subsection.

(B) An adult who meets the requirements of (a)(((x))) (xi)(A) of this subsection shall provide a declaration, which is effective for up to six months from the date of the declaration, signed and dated under penalty of perjury pursuant to ((RCW 48.72.085)) chapter 5.50 RCW, that recites facts and circumstances demonstrating that he or she is familiar with the patient and that he or she:

(I) Meets the requirements of (a)(((x))) (xi)(A) of this subsection;

(II) Is a close friend of the patient;

(III) Is willing and able to become involved in the patient's health care;

(IV) Has maintained such regular contact with the patient as to be familiar with the patient's activities, health, personal values, and morals; and

(V) Is not aware of a person in a higher priority class willing and able to provide informed consent to health care on behalf of the patient.

(C) A health care provider may, but is not required to, rely on a declaration provided under (a)(((x))) (xi)(B) of this subsection. The health care provider or health care facility where services are rendered is immune from suit in any action, civil or criminal, or from professional or other disciplinary action when such reliance is based on a declaration provided in compliance with (a)((((x)))) (xi)(B) of this subsection.

(b) If the health care provider seeking informed consent for proposed health care of the patient who is not competent to consent under RCW 11.88.010(1)(e), other than a person determined to be incapacitated because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, makes reasonable efforts to locate and secure authorization from a competent person in the first or succeeding class and finds no such person available, authorization may be given by any person in the next class in the order of descending priority. However, no person under this section may provide informed consent to health care:

(i) If a person of higher priority under this section has refused to give such authorization; or

(ii) If there are two or more individuals in the same class and the decision is not unanimous among all available members of that class.

(c) Before any person authorized to provide informed consent on behalf of a patient not competent to consent under RCW 11.88.010(1)(e), other than a person determined to be incapacitated because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, exercises that authority, the person must first determine in good faith that that patient, if competent, would consent to the proposed health care. If such a determination cannot be made, the
decision to consent to the proposed health care may be made only after determining that the proposed health care is in the patient's best interests.

(d) No rights under Washington's death with dignity act, chapter 70.245 RCW, may be exercised through a person authorized to provide informed consent to health care on behalf of a patient not competent to consent under RCW 11.88.010(1)(e).

(e) For purposes of (a)(iii) of this subsection:

(i) A patient is presumed to have capacity, unless a health care provider reasonably determines the patient lacks capacity due to the patient's demonstrated inability to understand and appreciate the nature and consequences of designating an individual to make health care decisions on the patient's behalf as a result of a cognitive impairment. A patient is presumed not to have the capacity to make a health care designation if the patient has been determined to be incapacitated under RCW 11.125.090 or if the patient is an adult subject to a guardianship that includes health care decision making under RCW 11.88.010.

(ii) A patient may revoke a designation at any time by either a verbal expression or a signed and dated written statement expressing his or her intent to revoke. Such revocation shall become effective only upon communication to the attending physician by the patient or by a person acting on behalf of the patient. The attending physician shall record the time, date, and place of revocation and the time, date, and place of revocation, if different, of when the physician received notification of the revocation.

(iii) A health care provider that relies upon the consent of an individual designated to provide care to a patient is immune from suit in any action, civil or criminal, or from professional or other disciplinary action for relying upon such consent unless the health care provider had actual knowledge of the patient's revocation of that designation at the time consent was obtained.

(2) Informed consent for health care, including mental health care, for a patient who is not competent, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, may be obtained from a person authorized to consent on behalf of such a patient.

(a) Persons authorized to provide informed consent to health care, including mental health care, on behalf of a patient who is incapacitated, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, shall be a member of one of the following classes of persons in the following order of priority:

(i) The appointed guardian, or legal custodian authorized pursuant to Title 26 RCW, of the minor patient, if any;

(ii) A person authorized by the court to consent to medical care for a child in out-of-home placement pursuant to chapter 13.32A or 13.34 RCW, if any;

(iii) Parents of the minor patient;

(iv) The individual, if any, to whom the minor's parent has given a signed authorization to make health care decisions for the minor patient; and

(v) A competent adult representing himself or herself to be a relative responsible for the health care of such minor patient or a competent adult who has signed and dated a declaration under penalty of perjury pursuant to chapter 5.50 RCW stating that the adult person is a relative responsible for the health care of the minor patient. Such declaration shall be effective for up to six months from the date of the declaration.

(b)(i) Informed consent for health care on behalf of a patient who is incapacitated, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent may be obtained from a school nurse, school counselor, or homeless student liaison when:

(A) Consent is necessary for nonemergency, outpatient, primary care services, including physical examinations, vision examinations and eyeglasses, dental examinations, hearing examinations and hearing aids, immunizations, treatments for illnesses and conditions, and routine follow-up care customarily provided by a health care provider in an outpatient setting, excluding elective surgeries;
(B) The minor patient meets the definition of a "homeless child or youth" under the federal McKinney-Vento homeless education assistance improvements act of 2001, P.L. 107-110, January 8, 2002, 115 Stat. 2005; and

(C) The minor patient is not under the supervision or control of a parent, custodian, or legal guardian, and is not in the care and custody of the department of social and health services.

(ii) A person authorized to consent to care under this subsection (2)(b) and the person's employing school or school district are not subject to administrative sanctions or civil damages resulting from the consent or nonconsent for care, any care, or payment for any care, rendered pursuant to this section. Nothing in this section prevents a health care facility or a health care provider from seeking reimbursement from other sources for care provided to a minor patient under this subsection (2)(b).

(iii) Upon request by a health care facility or a health care provider, a person authorized to consent to care under this subsection (2)(b) must provide to the person rendering care a declaration signed and dated under penalty of perjury pursuant to chapter 5.50 RCW stating that the person is a school nurse, school counselor, or homeless student liaison and that the minor patient meets the elements under (b)(i) of this subsection. The declaration must also include written notice of the exemption from liability under (b)(ii) of this subsection.

(c) A health care provider may, but is not required to, rely on the representations or declaration of a person claiming to be a relative responsible for the care of the minor patient, under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection. However, there is no obligation to require such documentation.

(e) The health care provider or health care facility where services are rendered shall be immune from suit in any action, civil or criminal, or from professional or other disciplinary action when such reliance is based on a declaration signed under penalty of perjury pursuant to chapter 5.50 RCW stating that the adult person is a relative responsible for the health care of the minor patient under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection.

(3) For the purposes of this section, "health care," "health care provider," and "health care facility" shall be defined as established in RCW 70.02.010.

Sec. 2. RCW 7.70.065 and 2020 c 312 s 705 are each amended to read as follows:

care on behalf of a patient who is a minor or has been placed under a guardianship under RCW 11.130.265.

(e) For purposes of (a)(iii) of this subsection:

(i) A patient is presumed to have capacity, unless a health care provider reasonably determines the patient lacks capacity due to the patient's demonstrated inability to understand and appreciate the nature and consequences of designating an individual to make health care decisions on the patient's behalf as a result of a cognitive impairment. A patient is presumed not to have the capacity to make a health care designation if the patient has been determined to be incapacitated under RCW 11.125.090 or if the patient is an adult subject to a guardianship that includes health care decision making under RCW 11.130.265.

(ii) A patient may revoke a designation at any time by either a verbal expression or a signed and dated written statement expressing his or her intent to revoke. Such revocation shall become effective only upon communication to the attending physician by the patient or by a person acting on behalf of the patient. The attending physician shall record the time, date, and place of revocation and the time, date, and place of revocation, if different, of when the physician received notification of the revocation.

(iii) A health care provider that relies upon the consent of an individual designated to provide care to a patient is immune from suit in any action, civil or criminal, or from professional or other disciplinary action for relying upon such consent unless the health care provider had actual knowledge of the patient's revocation of that designation at the time consent was obtained.

(2) Informed consent for health care, including mental health care, for a patient who is under the age of majority and who is not otherwise authorized to provide informed consent, may be obtained from a person authorized to consent on behalf of such a patient.

(a) Persons authorized to provide informed consent to health care, including mental health care, on behalf of a patient who is under the age of majority and who is not otherwise authorized to provide informed consent, shall be a member of one of the following classes of persons in the following order of priority:

(i) The appointed guardian, or legal custodian authorized pursuant to Title 26 RCW, of the minor patient, if any;

(ii) A person authorized by the court to consent to medical care for a child in out-of-home placement pursuant to chapter 13.32A or 13.34 RCW, if any;

(iii) Parents of the minor patient;

(iv) The individual, if any, to whom the minor's parent has given a signed authorization to make health care decisions for the minor patient; and

(v) A competent adult representing himself or herself to be a relative responsible for the health care of such minor patient or a competent adult who has signed and dated a declaration under penalty of perjury pursuant to chapter 5.50 RCW stating that the adult person is a relative responsible for the health care of the minor patient. Such declaration shall be effective for up to six months from the date of the declaration.

(b)(i) Informed consent for health care on behalf of a patient who is under the age of majority and who is not otherwise authorized to provide informed consent may be obtained from a school nurse, school counselor, or homeless student liaison when:

(A) Consent is necessary for nonemergency, outpatient, primary care services, including physical examinations, vision examinations and eyeglasses, dental examinations, hearing examinations and hearing aids, immunizations, treatments for illnesses and conditions, and routine follow-up care customarily provided by a health care provider in an outpatient setting, excluding elective surgeries;

(B) The minor patient meets the definition of a "homeless child or youth" under the federal McKinney-Vento homeless education assistance improvements act of 2001, P.L. 107-110, January 8, 2002, 115 Stat. 2005; and

(C) The minor patient is not under the supervision or control of a parent, custodian, or legal guardian, and is not in the care and custody of the department of social and health services.

(ii) A person authorized to consent to care under this subsection (2)(b) and the
person's employing school or school district are not subject to administrative sanctions or civil damages resulting from the consent or nonconsent for care, any care, or payment for any care, rendered pursuant to this section. Nothing in this section prevents a health care facility or a health care provider from seeking reimbursement from other sources for care provided to a minor patient under this subsection (2)(b).

(iii) Upon request by a health care facility or a health care provider, a person authorized to consent to care under this subsection (2)(b) must provide to the person rendering care a declaration signed and dated under penalty of perjury pursuant to chapter 5.50 RCW stating that the person is a school nurse, school counselor, or homeless student liaison and that the minor patient meets the elements under (b)(i) of this subsection. The declaration must also include written notice of the exemption from liability under (b)(ii) of this subsection.

(c) A health care provider may, but is not required to, rely on the representations or declaration of a person claiming to be a relative responsible for the care of the minor patient, under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b)(i) of this subsection. If the health care provider does not have actual notice of the falsity of any of the statements made by the person claiming to be a relative responsible for the health care of the minor patient, or person claiming to be authorized to consent to the health care of the minor patient,

(d) A health care facility or a health care provider may, in its discretion, require documentation of a person's claimed status as being a relative responsible for the health care of the minor patient, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection. However, there is no obligation to require such documentation.

(e) The health care provider or health care facility where services are rendered shall be immune from suit in any action, civil or criminal, or from professional or other disciplinary action when such reliance is based on a declaration signed under penalty of perjury pursuant to chapter 5.50 RCW stating that the adult person is a relative responsible for the health care of the minor patient under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection.

(3) For the purposes of this section, "health care," "health care provider," and "health care facility" shall be defined as established in RCW 70.02.010.

(4) A person who knowingly provides a false declaration under this section shall be subject to criminal penalties under chapter 9A.72 RCW.

The following goals are adopted to guide the development and adoption of comprehensive plans and development regulations of those counties and cities that are required or choose to plan under RCW 36.70A.040 and, where specified, also guide the development of regional policies, plans, and strategies adopted under RCW 36.70A.210 and chapter 47.80 RCW. The following goals are not listed in order of priority and shall be used exclusively for the purpose of guiding the development of comprehensive plans ((and)) of development regulations, and, where specified, regional plans, policies, and strategies:

(2) Reduce sprawl. Reduce the inappropriate conversion of undeveloped land into sprawling, low-density development.

Encourage economic development throughout the state that is consistent with adopted comprehensive plans, promote economic opportunity for all citizens of this state, especially for unemployed and for disadvantaged persons, promote the retention and expansion of existing businesses and recruitment of new businesses, recognize regional differences impacting economic development opportunities, and encourage growth in areas experiencing insufficient economic growth, all within the capacities of the state's natural resources, public services, and public facilities.

Ensure that those public facilities and services necessary to support development shall be adequate to serve the development at the time the development is available for occupancy and use without decreasing current service levels below locally established minimum standards.

(13) Historic preservation. Identify and encourage the preservation of lands, sites, and structures, that have historical or archaeological significance.

(14) Climate change. Ensure that comprehensive plans, development regulations, and regional policies, plans, and strategies under RCW 36.70A.210 and chapter 47.80 RCW adapt to and mitigate the effects of a changing climate, support state greenhouse gas emissions reduction requirements and state per capita vehicle miles traveled goals, prepare for climate impact scenarios, foster resiliency to climate impacts and natural hazards, and protect and enhance environmental, economic, and human health and safety.

Sec. 2. RCW 36.70A.480 and 2010 c 107 s 2 are each amended to read as follows:

(1) For shorelines of the state, the goals and policies of the shoreline management act as set forth in RCW 90.58.020 are added as one of the goals of this chapter as set forth in RCW 36.70A.020 without creating an order of priority among the (fourteen) 15 goals. The goals and policies of a shoreline master program for a county or city approved under chapter 90.58 RCW shall be considered an element of the county or city's comprehensive plan. All other portions of the shoreline master program for a county or city adopted under chapter 90.58 RCW, including use regulations, shall be considered a part of the county or city's development regulations.

(2) The shoreline master program shall be adopted pursuant to the procedures of chapter 90.58 RCW rather than the goals, policies, and procedures set forth in this chapter for the adoption of a comprehensive plan or development regulations.

(3)(a) The policies, goals, and provisions of chapter 90.58 RCW and applicable guidelines shall be the sole basis for determining compliance of a shoreline master program with this chapter except as the shoreline master program is required to comply with the internal consistency provisions of RCW 36.70A.070, 36.70A.040(4), 35.63.125, and 35A.63.105.

(b) Except as otherwise provided in (c) of this subsection, development regulations adopted under this chapter to protect critical areas within shorelines of the state apply within shorelines of the state until the department of ecology approves one of the following: A comprehensive master program update, as defined in RCW 90.58.030; a segment of a master program relating to critical areas, as provided in RCW 90.58.090; or a new or amended master program approved by the department of ecology on or after March 1, 2002, as provided in RCW 90.58.080. The adoption or update of development regulations to protect critical areas under this chapter prior to department of ecology approval of a master program update as provided in this subsection is not a comprehensive or segment update to the master program.

(c)(i) Until the department of ecology approves a master program or segment of a master program as provided in (b) of this subsection, a use or structure legally located within shorelines of the state that was established or vested on or before the effective date of the local government's development regulations to protect critical areas may continue as a conforming use and may be redeveloped or modified if: (A) The redevelopment or modification is consistent with the local government's master program; and (B) the local government determines that the proposed redevelopment or modification will result in no net loss of shoreline...
ecological functions. The local government may waive this requirement if the redevelopment or modification is consistent with the master program and the local government's development regulations to protect critical areas.

(ii) For purposes of this subsection (3)(c), an agricultural activity that does not expand the area being used for the agricultural activity is not a redevelopment or modification. "Agricultural activity," as used in this subsection (3)(c), has the same meaning as defined in RCW 90.58.065.

(d) Upon department of ecology approval of a shoreline master program or critical area segment of a shoreline master program, critical areas within shorelines of the state are protected under chapter 90.58 RCW and are not subject to the procedural and substantive requirements of this chapter, except as provided in subsection (6) of this section. Nothing in chapter 321, Laws of 2003 or chapter 107, Laws of 2010 is intended to affect whether or to what extent agricultural activities, as defined in RCW 90.58.065, are subject to chapter 36.70A RCW.

(e) The provisions of RCW 36.70A.172 shall not apply to the adoption or subsequent amendment of a local government’s shoreline master program and shall not be used to determine compliance of a local government's shoreline master program with chapter 90.58 RCW and applicable guidelines. Nothing in this section, however, is intended to limit or change the quality of information to be applied in protecting critical areas within shorelines of the state, as required by chapter 90.58 RCW and applicable guidelines.

(4) Shoreline master programs shall provide a level of protection to critical areas located within shorelines of the state that assures no net loss of shoreline ecological functions necessary to sustain shoreline natural resources as defined by department of ecology guidelines adopted pursuant to RCW 90.58.060.

(5) Shorelines of the state shall not be considered critical areas under this chapter except to the extent that specific areas located within shorelines of the state qualify for critical area designation based on the definition of critical areas provided by RCW 36.70A.030((6)) (6) and have been designated as such by a local government pursuant to RCW 36.70A.060(2).

(6) If a local jurisdiction's master program does not include land necessary for buffers for critical areas that occur within shorelines of the state, as authorized by RCW 90.58.030(2)((4)(d)) (d), then the local jurisdiction shall continue to regulate those critical areas and their required buffers pursuant to RCW 36.70A.060(2).

NEW SECTION. Sec. 3. A new section is added to chapter 36.70A RCW to read as follows:

(1) The requirements of the greenhouse gas emissions reduction subelement of the climate change and resiliency element set forth in RCW 36.70A.070(9) apply only to those counties that are required or that choose to plan under RCW 36.70A.040 and that also meet either of the criteria set forth in (a) or (b) of this subsection (1) on or after January 1, 2021, and the cities with populations greater than 6,000 as of January 1, 2021, within those counties:

(a) A county with a population density of at least 100 people per square mile and a population of at least 200,000; or

(b) A county with a population density of at least 75 people per square mile and an annual growth rate of at least 1.75 percent as determined by the office of financial management.

(2) The requirements of the amendments to the transportation element of RCW 36.70A.070 set forth in this act apply only to: (a) Counties and cities that meet the population criteria set forth in subsection (1) of this section; and (b) cities with populations of 6,000 or greater as of January 1, 2021, that are located in a county that is required or that chooses to plan under RCW 36.70A.040.

(3) The requirements of the amendments to the land use element of RCW 36.70A.070 set forth in this act apply only to: (a) Counties and cities that meet the population criteria set forth in subsection (1) or (2) of this section; and (b) counties that have a population of 20,000 or greater as of January 1, 2021, and that are required or that choose to plan under RCW 36.70A.040.

(4) The requirements of the amendments to the rural element of RCW 36.70A.070...
set forth in this act apply only to counties that are required or that choose to plan under RCW 36.70A.040 and that have a population of 20,000 or greater as of January 1, 2021.

(5) Once a county meets either of the sets of criteria set forth in subsection (1) of this section, the requirement to conform with the greenhouse gas emissions reduction subelement of the climate change and resiliency element set forth in RCW 36.70A.070 remains in effect, even if the county no longer meets one of these sets of criteria.

(6) If the population of a county that previously had not been required to conform with the greenhouse gas emissions reduction subelement of the climate change and resiliency element set forth in RCW 36.70A.070 changes sufficiently to meet either of the sets of criteria set forth in subsection (1) of this section, the county, and the cities with populations greater than 6,000 as of January 1, 2021, within that county, shall adopt a greenhouse gas emissions reduction subelement of the climate change and resiliency element set forth in RCW 36.70A.070 at the next scheduled update of the comprehensive plan as set forth in RCW 36.70A.130.

(7) The population criteria used in this section must be based on population data as determined by the office of financial management.

Sec. 4. RCW 36.70A.070 and 2017 3rd sp.s. c 18 s 4 and 2017 3rd sp.s. c 16 s 4 are each reenacted and amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140. Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, general aviation airports, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of groundwater used for public water supplies. The land use element should give special consideration to achieving environmental justice in its goals and policies. In addition, the land use element must avoid creating or worsening environmental health disparities. Wherever possible, the land use element should consider utilizing urban planning approaches that promote physical activity and reduce per capita vehicle miles traveled within the jurisdiction, but without increasing greenhouse gas emissions elsewhere in the state. Where applicable, the land use element shall review drainage, flooding, and stormwater runoff in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound. The land use element must reduce and mitigate the risk to lives and property posed by wildfires by using land use planning tools, which may include reducing residential development pressure in the wildland urban interface area.

(2) A housing element ensuring the vitality and character of established residential neighborhoods that: (a) includes an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth; (b) includes a statement of goals, policies, objectives, and mandatory provisions for the preservation, improvement, and development of housing, including single-family residences; (c) identifies sufficient land for housing, including, but not limited to, government-assisted housing, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community. In counties and cities subject to the review and evaluation requirements of RCW 36.70A.215, any revision to the housing element shall include consideration of prior review and
evaluation reports and any reasonable measures identified.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent. Park and recreation facilities shall be included in the capital facilities plan element.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Rural element. Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The following provisions shall apply to the rural element:

(a) Growth management act goals and local circumstances. Because circumstances vary from county to county, in establishing patterns of rural densities and uses, a county may consider local circumstances, but shall develop a written record explaining how the rural element harmonizes the planning goals in RCW 36.70A.020 and meets the requirements of this chapter.

(b) Rural development. The rural element shall permit rural development, forestry, and agriculture in rural areas. The rural element shall provide for a variety of rural densities, uses, essential public facilities, and rural governmental services needed to serve the permitted densities and uses. To achieve a variety of rural densities and uses, counties may provide for clustering, density transfer, design guidelines, conservation easements, and other innovative techniques that will accommodate appropriate rural economic advancement, densities, and uses that are not characterized by urban growth and that are consistent with rural character.

(c) Measures governing rural development. The rural element shall include measures that apply to rural development and protect the rural character of the area, as established by the county, by:

(i) Containing or otherwise controlling rural development;

(ii) Assuring visual compatibility of rural development with the surrounding rural area;

(iii) Reducing the inappropriate conversion of undeveloped land into sprawling, low-density development in the rural area;

(iv) Protecting critical areas, as provided in RCW 36.70A.060, and surface water and groundwater resources; 

(v) Protecting against conflicts with the use of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170; and

(vi) Protecting existing natural areas, including native forests, grasslands, wetlands, and riparian areas, but excluding forestland, as that term is defined in RCW 84.33.035, and timberland, as that term is defined in RCW 84.34.020.

(d) Limited areas of more intensive rural development. Subject to the requirements of this subsection and except as otherwise specifically provided in this subsection (5)(d), the rural element may allow for limited areas of more intensive rural development, including necessary public facilities and public services to serve the limited area as follows:

(i) Rural development consisting of the infill, development, or redevelopment of existing commercial, industrial, residential, or mixed-use areas, whether characterized as shoreline development, villages, hamlets, rural activity centers, or crossroads developments.

(A) A commercial, industrial, residential, shoreline, or mixed-use area are subject to the requirements of (d)(iv) of this subsection, but are not subject to the requirements of (c)(ii) and (iii) of this subsection.
(B) Any development or redevelopment other than an industrial area or an industrial use within a mixed-use area or an industrial area under this subsection (5)(d)(i) must be principally designed to serve the existing and projected rural population.

(C) Any development or redevelopment in terms of building size, scale, use, or intensity shall be consistent with the character of the existing areas. Development and redevelopment may include changes in use from vacant land or a previously existing use so long as the new use conforms to the requirements of this subsection (5);

(ii) The intensification of development on lots containing, or new development of, small-scale recreational or tourist uses, including commercial facilities to serve those recreational or tourist uses, that rely on a rural location and setting, but that do not include new residential development. A small-scale recreation or tourist use is not required to be principally designed to serve the existing and projected rural population. Public services and public facilities shall be limited to those necessary to serve the recreation or tourist use and shall be provided in a manner that does not permit low-density sprawl;

(iii) The intensification of development on lots containing isolated nonresidential uses or new development of isolated cottage industries and isolated small-scale businesses that are not principally designed to serve the existing and projected rural population and nonresidential uses, but do provide job opportunities for rural residents. Rural counties may allow the expansion of small-scale businesses as long as those small-scale businesses conform with the rural character of the area as defined by the local government according to RCW 36.70A.030((443)) (20). Rural counties may also allow new small-scale businesses to utilize a site previously occupied by an existing business as long as the new small-scale business conforms to the rural character of the area as defined by the local government according to RCW 36.70A.030((443)) (20). Public services and public facilities shall be limited to those necessary to serve the isolated nonresidential use and shall be provided in a manner that does not permit low-density sprawl;

(iv) A county shall adopt measures to minimize and contain the existing areas or uses of more intensive rural development, as appropriate, authorized under this subsection. Lands included in such existing areas or uses shall not extend beyond the logical outer boundary of the existing area or use, thereby allowing a new pattern of low-density sprawl. Existing areas are those that are clearly identifiable and contained and where there is a logical boundary delineated predominately by the built environment, but that may also include undeveloped lands if limited as provided in this subsection. The county shall establish the logical outer boundary of an area of more intensive rural development. In establishing the logical outer boundary, the county shall address (A) the need to preserve the character of existing natural neighborhoods and communities, (B) physical boundaries, such as bodies of water, streets and highways, and land forms and contours, (C) the prevention of abnormally irregular boundaries, and (D) the ability to provide public facilities and public services in a manner that does not permit low-density sprawl;

(v) For purposes of (d) of this subsection, an existing area or existing use is one that was in existence:

(A) On July 1, 1990, in a county that was initially required to plan under all of the provisions of this chapter;

(B) On the date the county adopted a resolution under RCW 36.70A.040(2), in a county that is planning under all of the provisions of this chapter under RCW 36.70A.040(2); or

(C) On the date the office of financial management certifies the county's population as provided in RCW 36.70A.040(5), in a county that is planning under all of the provisions of this chapter pursuant to RCW 36.70A.040(5).

(e) Exception. This subsection shall not be interpreted to permit in the rural area a major industrial development or a master planned resort unless otherwise specifically permitted under RCW 36.70A.360 and 36.70A.365.

(6) A transportation element that implements, and is consistent with, the land use element.

(a) The transportation element shall include the following subelements:
(i) Land use assumptions used in estimating travel;

(ii) Estimated traffic impacts to state-owned transportation facilities resulting from land use assumptions to assist ((the department of transportation)) in monitoring the performance of state facilities, to plan improvements for the facilities, and to assess the impact of land-use decisions on state-owned transportation facilities;

(iii) Facilities and services needs, including:

(A) An inventory of air, water, and ground transportation facilities and services, including transit alignments, active transportation facilities, and general aviation airport facilities, to define existing capital facilities and travel levels ((as a basis for)) to inform future planning. This inventory must include state-owned transportation facilities within the city or county's jurisdictional boundaries;

(B) Level of service standards for all locally owned arterials ((and)), locally and regionally operated transit routes that serve urban growth areas, and active transportation facilities to serve as a gauge to judge performance of the system and success in helping to achieve the goals of this chapter at the least cost. These standards should be regionally coordinated;

(C) For state-owned transportation facilities, level of service standards for highways, as prescribed in chapters 47.06 and 47.80 RCW, to gauge the performance of the system. The purposes of reflecting level of service standards for state highways in the local comprehensive plan are to monitor the performance of the system, to evaluate improvement strategies, and to facilitate coordination between the county's or city's six-year street, road, active transportation, or transit program and the office of financial management's ten-year investment program. The concurrency requirements of (b) of this subsection do not apply to transportation facilities and services of statewide significance except for counties consisting of islands whose only connection to the mainland are state highways or ferry routes. In these island counties, state highways and ferry route capacity must be a factor in meeting the concurrency requirements in (b) of this subsection;

(D) Specific actions and requirements for bringing into compliance ((locally owned)) transportation facilities or services that are below an established level of service standard;

(E) Forecasts of ((traffic)) multimodal transportation demand and needs within cities and urban growth areas, and forecasts of traffic demand and needs outside of cities and urban growth areas, for at least ten years based on the adopted land use plan to ((provide information on the location, timing, and capacity needs of future growth)) inform the development of a transportation element that balances transportation system safety and convenience to accommodate all users of the transportation system to safely, reliably, and efficiently provide access and mobility to people and goods;

(F) Identification of state and local system needs to equitably meet current and future demands. Identified needs on state-owned transportation facilities must be consistent with the statewide multimodal transportation plan required under chapter 47.06 RCW. Local system needs should reflect the regional transportation system, local goals, and strive to equitably implement the multimodal network;

(iv) Finance, including:

(A) An analysis of funding capability to judge needs against probable funding resources;

(B) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems. The multiyear financing plan should be coordinated with the ten-year investment program developed by the office of financial management as required by RCW 47.05.030;

(C) If probable funding falls short of meeting the identified needs of the transportation system, including state transportation facilities, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;
(v) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;

(vi) Demand-management strategies;

(vii) (Pedestrian and bicycle) Active transportation component to include collaborative efforts to identify and designate planned improvements for (pedestrian and bicycle) active transportation facilities and corridors that address and encourage enhanced community access and promote healthy lifestyles.

(b) After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a locally owned or locally or regionally operated transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include active transportation facility improvements, increased or enhanced public transportation service, ride-sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6), "concurrent with the development" means that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years. If the collection of impact fees is delayed under RCW 82.02.050(3), the six-year period required by this subsection (6)(b) must begin after full payment of all impact fees is due to the county or city. If it is possible to provide for the transportation needs of a development through active transportation facility improvements, increased or enhanced public transportation service, ride-sharing programs, demand management, or other transportation systems management strategies funded by the development, a development approval may not be denied because it fails to meet traffic level of service standards.

(c) The transportation element described in this subsection (6), the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, and the ten-year investment program required by RCW 47.05.030 for the state, must be consistent.

(7) An economic development element establishing local goals, policies, objectives, and provisions for economic growth and vitality and a high quality of life. A city that has chosen to be a residential community is exempt from the economic development element requirement of this subsection.

(8) A park and recreation element that implements, and is consistent with, the capital facilities plan element as it relates to park and recreation facilities. The element shall include: (a) Estimates of park and recreation demand for at least a ten-year period; (b) an evaluation of facilities and service needs; and (c) an evaluation of intergovernmental coordination opportunities to provide regional approaches for meeting park and recreational needs.

(9) A climate change and resiliency element that is designed to result in reductions in overall greenhouse gas emissions and that must enhance resiliency to and avoid the adverse impacts of climate change. The greenhouse gas emissions reduction subelement of the climate change and resiliency element is mandatory for the jurisdictions specified in section 3(1) of this act and is encouraged for all other jurisdictions, including those planning under RCW 36.70A.040 and those planning under chapter 36.70 RCW. The resiliency subelement of the climate change and resiliency element is mandatory for all jurisdictions planning under RCW 36.70A.040 and is encouraged for those jurisdictions planning under chapter 36.70 RCW.

(a)(i) The greenhouse gas emissions reduction subelement of the comprehensive plan, and its related development regulations, must identify the actions the jurisdiction will take during the planning cycle consistent with the guidelines published by the
department pursuant to section 5 of this act that will:

(A) Result in reductions in overall greenhouse gas emissions generated by the transportation and land use systems within the jurisdiction but without increasing greenhouse gas emissions elsewhere in the state;

(B) Result in reductions in per capita vehicle miles traveled within the jurisdiction but without increasing greenhouse gas emissions elsewhere in the state; and

(C) Prioritize reductions in communities that experience disproportionate impacts and harm due to air pollution in order to maximize the cobenefits of reduced air pollution.

(ii) Actions not specifically identified in the guidelines developed by the department pursuant to section 5 of this act may be considered to be consistent with those guidelines only if:

(A) They are projected to achieve greenhouse gas emissions reductions or per capita vehicle miles traveled reductions equivalent to what would be required of the jurisdiction under the guidelines adopted by the department; and

(B) They are supported by scientifically credible projections and scenarios that indicate their adoption is likely to result in reductions of greenhouse gas emissions or per capita vehicle miles traveled consistent with the reduction requirements set forth in RCW 70A.45.020.

(iii) A jurisdiction may not restrict population growth or limit population allocation in order to achieve the requirements set forth in this subsection (9)(a).

(b) The resiliency subelement must

equitably enhance resiliency to, and

avoid or substantially reduce the adverse impacts of, climate change in the jurisdiction

through goals, policies, and programs consistent with the best available science and

scientifically credible climate projections and impact scenarios that moderate or avoid harm, enhance the resiliency of natural and human systems, and enhance beneficial opportunities. The resiliency subelement must prioritize actions in communities that will disproportionately suffer from compounding environmental impacts and will be most impacted by natural hazards due to climate change. A natural hazard mitigation plan or similar plan that is guided by RCW 36.70A.020(14) and complies with the applicable requirements of this act, including the requirements set forth in this subsection (9)(b), may be adopted by reference to satisfy those requirements. Specific goals, policies, and programs of the resiliency subelement must include, but are not limited to, those designed to:

(A) Identify, protect, and enhance natural areas to foster resiliency to climate impacts, as well as areas of vital habitat for safe passage and species migration; and

(B) Address natural hazards created or aggravated by climate change, including sea level rise, landslides, flooding, drought, heat, smoke, wildfire, and other effects of changes to temperature and precipitation patterns.

(ii) If a county or city intends to incorporate by reference a federal emergency management agency natural hazard mitigation plan in order to meet the requirement of the resiliency subelement set forth in this subsection (9)(b), and the natural hazard mitigation plan is not adopted within three years prior to the required update set forth in RCW 36.70A.130 but is intended to be adopted no later than two years after the required update set forth in RCW 36.70A.130, the county or city may be granted an extension to meeting the requirements of this subsection (9)(b) by providing notice to the department. If a county or city incorporates by reference a federal emergency management agency natural hazard mitigation plan in order to meet the requirement of this subsection (9)(b), the plan must be guided by RCW 36.70A.020(14) and must comply with the requirements of this act, including the requirements set forth in this subsection (9)(b).

(c) For the jurisdictions set forth in section 3 of this act, updates to comprehensive plans and related development regulations made during the update cycle that begins in 2024 must adopt measures identified by the department pursuant to section 5 of this act that are likely to result in reductions of greenhouse gas emissions and per capita vehicle miles traveled.

(d) The adoption of ordinances, amendments to comprehensive plans,
amendments to development regulations, and other nonproject actions taken by a county or city pursuant to (a) or (c) of this subsection in order to implement measures specified by the department pursuant to section 5 of this act are not subject to administrative or judicial appeal under chapter 43.21C RCW.

((4))) (10) It is the intent that new or amended elements required after January 1, 2002, be adopted concurrent with the scheduled update provided in RCW 36.70A.130. Requirements to incorporate any such new or amended elements shall be null and void until funds sufficient to cover applicable local government costs are appropriated and distributed by the state at least two years before local government must update comprehensive plans as required in RCW 36.70A.130.

NEW SECTION. Sec. 5. A new section is added to chapter 70A.45 RCW to read as follows:

(1) The department of commerce, in consultation with the department of ecology, the department of health, and the department of transportation, shall publish guidelines that specify a set of measures counties and cities have available to them to take through updates to their comprehensive plans and development regulations that have a demonstrated ability to reduce greenhouse gas emissions in order to achieve the statewide greenhouse gas emissions reductions set forth in RCW 70A.45.020(1), allowing for consideration of the emissions reductions achieved through the adoption of statewide programs. The guidelines must prioritize reductions in communities that have experienced disproportionate harm due to air pollution and may draw upon the most recent health disparities data from the department of health to identify high pollution areas and disproportionately burdened communities. The guidelines must be based on:

(a) The most recent greenhouse gas emissions report prepared by the department of ecology and the department of commerce pursuant to RCW 70A.45.020(2);

(b) The most recent city and county population estimates prepared by the office of financial management pursuant to RCW 43.62.035; and

(c) The most recent summary of per capita vehicle miles traveled as compiled by the department of transportation.

(2) The department of commerce, in consultation with the department of transportation, shall publish guidelines that specify a set of measures counties and cities have available to them to take through updates to their comprehensive plans and development regulations that have a demonstrated ability to reduce per capita vehicle miles traveled, including measures that are designed to be achievable throughout the state, including in small cities and rural cities.

The guidelines must be based on:

(a) The most recent greenhouse gas emissions report prepared by the department of ecology and the department of commerce pursuant to RCW 70A.45.020(2);

(b) The most recent city and county population estimates prepared by the office of financial management pursuant to RCW 43.62.035; and

(c) The most recent summary of per capita vehicle miles traveled as compiled by the department of transportation.

(3) The department of commerce shall first publish the full set of guidelines described in subsections (1) and (2) of this section no later than December 31, 2025. The department of commerce shall update these guidelines at least every four years thereafter based on the most recently available data, and shall provide for a process for local governments and other parties to submit alternative actions for consideration for inclusion into the guidelines at least once per year. The department of commerce shall publish an intermediate set of guidelines no later than December 31, 2022, in order to be available for use by jurisdictions whose periodic updates are required by RCW 36.70A.130(5) to occur prior to December 31, 2025.

(4) In any updates to the guidelines published after 2025, the department of commerce shall include a determination of whether adequate progress has been made toward the statewide greenhouse gas and per capita vehicle miles traveled reduction goals. If adequate progress is not being made, the department must identify in the guidelines what additional measures cities and counties must take in order to make further progress.
(5) The department of commerce may not propose or adopt any guidelines that would include any form of a road usage charge or any fees or surcharges related to vehicle miles traveled.

(6) The department of commerce may not propose or adopt any guidelines that would direct or require local governments to regulate or tax, in any form, transportation service providers, delivery vehicles, or passenger vehicles.

(7) The department of commerce, in the course of implementing this section, shall provide and prioritize options that support housing diversity and that assist counties and cities in meeting greenhouse gas emissions reduction and other requirements established under this chapter.

NEW SECTION. Sec. 6. A new section is added to chapter 36.70A RCW to read as follows:

(1) A greenhouse gas emissions reduction subelement required by RCW 36.70A.070 becomes effective when approved by the department as provided in this section. The department shall strive to achieve final action on a submitted greenhouse gas emissions reduction subelement within 180 days of receipt and shall post an annual assessment related to this performance benchmark on the agency website.

(2) Upon receipt of a proposed greenhouse gas emissions reduction subelement, the department shall:

(a) Provide notice to and opportunity for written comment by all interested parties of record as a part of the local government review process for the proposal and to all persons, groups, and agencies that have requested in writing notice of proposed greenhouse gas emissions reduction subelements. The comment period shall be at least 30 days, unless the department determines that the level of complexity or controversy involved supports a shorter period;

(b) In the department's discretion, conduct a public hearing during the 30-day comment period in the jurisdiction proposing the greenhouse gas emissions reduction subelement;

(c) Within 15 days after the close of public comment, request the local government to review the issues identified by the public, interested parties, groups, and agencies and provide a written response as to how the proposal addresses the identified issues;

(d) Within 30 days after receipt of the local government response pursuant to (c) of this subsection, make written findings and conclusions regarding the consistency of the proposal with the policy of RCW 36.70A.070 and, after they are adopted, the applicable guidelines adopted by the department pursuant to section 5 of this act and any reduction allocations made pursuant to RCW 36.70A.100, provide a response to the issues identified in (c) of this subsection, and either approve the greenhouse gas emissions reduction subelement as submitted, recommend specific changes necessary to make the greenhouse gas emissions reduction subelement approvable, or deny approval of the greenhouse gas emissions reduction subelement in those instances where no alteration of the greenhouse gas emissions reduction subelement appears likely to be consistent with the policy of RCW 36.70A.070 and the applicable guidelines. The written findings and conclusions shall be provided to the local government, and made available to all interested persons, parties, groups, and agencies of record on the proposal;

(e) If the department recommends changes to the proposed greenhouse gas emissions reduction subelement, within 90 days after the department mails the written findings and conclusions to the local government, require the local government to:

(i) Agree to the proposed changes by written notice to the department; or

(ii) Submit an alternative greenhouse gas emissions reduction subelement. If, in the opinion of the department, the alternative is consistent with the purpose and intent of the changes originally submitted by the department and with this chapter it shall approve the changes and provide notice to all recipients of the written findings and conclusions. If the department determines the proposed greenhouse gas emissions reduction subelement is not consistent with the purpose and intent of the changes proposed by the department, the department may resubmit the proposed greenhouse gas emissions reduction subelement for public and agency review pursuant to this section or reject the proposed greenhouse gas emissions reduction subelement.
(3) The department shall approve a proposed greenhouse gas emissions reduction subelement unless it determines that the proposed greenhouse gas emissions reduction subelement is not consistent with the policy of RCW 36.70A.070 and, after they are adopted, the applicable guidelines.

(4) A greenhouse gas emissions reduction subelement takes effect when and in such form as approved or adopted by the department. The effective date is 14 days from the date of the department's written notice of final action to the local government stating the department has approved or rejected the proposed greenhouse gas emissions reduction subelement. The department's written notice to the local government must conspicuously and plainly state that it is the department's final decision and that there will be no further modifications to the proposed greenhouse gas emissions reduction subelement. The department's approved document of record constitutes the official greenhouse gas emissions reduction subelement.

(5) Promptly after approval or disapproval of a local government's greenhouse gas emissions reduction subelement, the department shall publish a notice consistent with RCW 36.70A.290 that the greenhouse gas emissions reduction subelement is approved or disapproved. This notice must file for all greenhouse gas emissions reduction subelements.

(6) The department's final decision to approve or reject a proposed greenhouse gas emissions reduction subelement or amendment by a local government planning under RCW 36.70A.040 may be appealed according to the following provisions:

(a) The department's final decision to approve or reject a proposed greenhouse gas emissions reduction subelement or amendment by a local government planning under RCW 36.70A.040 may be appealed to the growth management hearings board by filing a petition as provided in RCW 36.70A.290.

(b) A decision of the growth management hearings board concerning an appeal of the department's final decision to approve or reject a proposed greenhouse gas emissions reduction subelement or amendment must be based solely on whether or not the adopted or amended greenhouse gas emissions reduction subelement, any adopted amendments to other elements of the comprehensive plan necessary to carry out the subelement, and any adopted or amended development regulations necessary to implement the subelement, comply with the goal set forth in RCW 36.70A.020(14) as it applies to greenhouse gas emissions reductions, RCW 36.70A.070(9) excluding RCW 36.70A.070(9)(b), the guidelines adopted under section 5 of this act applicable to the greenhouse gas emissions reduction subelement, or chapter 43.21C RCW.

Sec. 7. RCW 36.70A.320 and 1997 c 429 s 20 are each amended to read as follows:

(1) Except as provided in subsection (5) and (6) of this section, comprehensive plans and development regulations, and amendments thereto, adopted under this chapter are presumed valid upon adoption.

(2) Except as otherwise provided in subsection (4) of this section, the burden is on the petitioner to demonstrate that any action taken by a state agency, county, or city under this chapter is not in compliance with the requirements of this chapter.

(3) In any petition under this chapter, the board, after full consideration of the petition, shall determine whether there is compliance with the requirements of this chapter. In making its determination, the board shall consider the criteria adopted by the department under RCW 36.70A.190(4). The board shall find compliance unless it determines that the action by the state agency, county, or city is clearly erroneous in view of the entire record before the board and in light of the goals and requirements of this chapter.

(4) A county or city subject to a determination of invalidity made under RCW 36.70A.300 or 36.70A.302 has the burden of demonstrating that the ordinance or resolution it has enacted in response to the determination of invalidity will no longer substantially interfere with the fulfillment of the goals of this chapter under the standard in RCW 36.70A.302(1).

(5) The shoreline element of a comprehensive plan and the applicable
development regulations adopted by a county or city shall take effect as provided in chapter 90.58 RCW.

(6) The greenhouse gas emissions reduction subelement required by RCW 36.70A.070 shall take effect as provided in section 6 of this act.

Sec. 8. RCW 36.70A.190 and 1991 sp.s. c 32 s 3 are each amended to read as follows:

(1) The department shall establish a program of technical and financial assistance and incentives to counties and cities to encourage and facilitate the adoption and implementation of comprehensive plans and development regulations throughout the state.

(2) The department shall develop a priority list and establish funding levels for planning and technical assistance grants both for counties and cities that plan under RCW 36.70A.040. Priority for assistance shall be based on a county's or city's population growth rates, commercial and industrial development rates, the existence and quality of a comprehensive plan and development regulations, and other relevant factors.

(3) The department shall develop and administer a grant program to provide direct financial assistance to counties and cities for the preparation of comprehensive plans under this chapter. The department may establish provisions for county and city matching funds to conduct activities under this subsection. Grants may be expended for any purpose directly related to the preparation of a county or city comprehensive plan as the county or city and the department may agree, including, without limitation, the conducting of surveys, inventories and other data gathering and management activities, the retention of planning consultants, contracts with regional councils for planning and related services, and other related purposes.

(4) The department shall establish a program of technical assistance:

(a) Utilizing department staff, the staff of other state agencies, and the technical resources of counties and cities to help in the development of comprehensive plans required under this chapter. The technical assistance may include, but not be limited to, model land use ordinances, regional education and training programs, and information for local and regional inventories; and

(b) Adopting by rule procedural criteria to assist counties and cities in adopting comprehensive plans and development regulations that meet the goals and requirements of this chapter. These criteria shall reflect regional and local variations and the diversity that exists among different counties and cities that plan under this chapter.

(5) The department shall provide mediation services to resolve disputes between counties and cities regarding, among other things, coordination of regional issues and designation of urban growth areas.

(6) The department shall provide planning grants to enhance citizen participation under RCW 36.70A.140.

(7) The department shall develop, in collaboration with the department of ecology, the department of fish and wildlife, the department of natural resources, the department of health, the emergency management division of the military department, as well as any federally recognized tribe who chooses to voluntarily participate, and adopt by rule guidance that creates a model climate change and resiliency element that may be used by counties, cities, and multiple-county planning regions for developing and implementing climate change and resiliency plans and policies required by RCW 36.70A.070(9), subject to the following provisions:

(a) The model element must establish minimum requirements or include model options for fulfilling the requirements of RCW 36.70A.070(9);

(b) The model element should provide guidance on identifying, designing, and investing in infrastructure that supports community resilience to climate impacts, including the protection, restoration, and enhancement of natural infrastructure as well as traditional infrastructure and protecting and enhancing natural areas to foster resiliency to climate impacts, as well as areas of vital habitat for safe passage and species migration;

(c) The model element should provide guidance on identifying and addressing natural hazards created or aggravated by climate change, including sea level rise, landslides, flooding, drought, heat, smoke, wildfires, and other effects of
reasonably anticipated changes to temperature and precipitation patterns; and

(d) The rule must recognize and promote as many cobenefits of climate resilience as possible such as salmon recovery, forest health, and ecosystem services.

NEW SECTION. Sec. 9. A new section is added to chapter 47.80 RCW to read as follows:

The department shall compile, maintain, and publish a summary of the per capita vehicle miles traveled annually in each city in the state, and in the unincorporated portions of each county in the state.

NEW SECTION. Sec. 10. A new section is added to chapter 90.58 RCW to read as follows:

The department shall update its shoreline master program guidelines to require shoreline master programs to address the impact of sea level rise and increased storm severity on people, property, and shoreline natural resources and the environment.

Sec. 11. RCW 36.70A.030 and 2020 c 173 s 4 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.

(2) "Affordable housing" means, unless the context clearly indicates otherwise, residential housing whose monthly costs, including utilities other than telephone, do not exceed thirty percent of the monthly income of a household whose income is:

(a) For rental housing, sixty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development; or

(b) For owner-occupied housing, eighty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(3) "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finfish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.

(4) "City" means any city or town, including a code city.

(5) "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.

(6) "Critical areas" include the following areas and ecosystems: (a) Wetlands; (b) areas with a critical recharging effect on aquifers used for potable water; (c) fish and wildlife habitat conservation areas; (d) frequently flooded areas; and (e) geologically hazardous areas. "Fish and wildlife habitat conservation areas" does not include such artificial features or constructs as irrigation delivery systems, irrigation infrastructure, irrigation canals, or drainage ditches that lie within the boundaries of and are maintained by a port district or an irrigation district or company.

(7) "Department" means the department of commerce.

(8) "Development regulations" or "regulation" means the controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, critical areas ordinances, shoreline master programs, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances together with any amendments thereto. A development regulation does not include a decision to approve a project permit application, as defined in RCW 36.70B.020, even though the decision may be expressed in a resolution or ordinance of the legislative body of the county or city.

(9) "Extremely low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below thirty percent of the median household income.
adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development. 

(10) "Forestland" means land primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, including Christmas trees subject to the excise tax imposed under RCW 84.33.100 through 84.33.140, and that has long-term commercial significance. In determining whether forestland is primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) The proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forestland to other uses. 

(11) "Freight rail dependent uses" means buildings and other infrastructure that are used in the fabrication, processing, storage, and transport of goods where the use is dependent on and makes use of an adjacent short line railroad. Such facilities are both urban and rural development for purposes of this chapter. "Freight rail dependent uses" does not include buildings and other infrastructure that are used in the fabrication, processing, storage, and transport of coal, liquefied natural gas, or "crude oil" as defined in RCW 90.56.010. 

(12) "Geologically hazardous areas" means areas that because of their susceptibility to erosion, sliding, earthquake, or other geological events, are not suited to the siting of commercial, residential, or industrial development consistent with public health or safety concerns. 

(13) "Long-term commercial significance" includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land. 

(14) "Low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below eighty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development. 

(15) "Minerals" include gravel, sand, and valuable metallic substances. 

(16) "Permanent supportive housing" is subsidized, leased housing with no limit on length of stay that prioritizes people who need comprehensive support services to retain tenancy and utilizes admissions practices designed to use lower barriers to entry than would be typical for other subsidized or unsubsidized rental housing, especially related to rental history, criminal history, and personal behaviors. Permanent supportive housing is paired with on-site or off-site voluntary services designed to support a person living with a complex and disabling behavioral health or physical health condition who was experiencing homelessness or was at imminent risk of homelessness prior to moving into housing to retain their housing and be a successful tenant in a housing arrangement, improve the resident's health status, and connect the resident of the housing with community-based health care, treatment, or employment services. Permanent supportive housing is subject to all of the rights and responsibilities defined in chapter 59.18 RCW. 

(17) "Public facilities" include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, domestic water systems, storm and sanitary sewer systems, parks and recreational facilities, and schools. 

(18) "Public services" include fire protection and suppression, law enforcement, public health, education, recreation, environmental protection, and other governmental services. 

(19) "Recreational land" means land so designated under RCW 36.70A.1701 and that, immediately prior to this designation, was designated as agricultural land of long-term commercial significance under RCW 36.70A.170. Recreational land must have playing fields and supporting facilities existing before July 1, 2004, for sports played on grass playing fields.
(20) "Rural character" refers to the patterns of land use and development established by a county in the rural element of its comprehensive plan:

(a) In which open space, the natural landscape, and vegetation predominate over the built environment;

(b) That foster traditional rural lifestyles, rural-based economies, and opportunities to both live and work in rural areas;

(c) That provide visual landscapes that are traditionally found in rural areas and communities;

(d) That are compatible with the use of the land by wildlife and for fish and wildlife habitat;

(e) That reduce the inappropriate conversion of undeveloped land into sprawling, low-density development;

(f) That generally do not require the extension of urban governmental services; and

(g) That are consistent with the protection of natural surface water flows and groundwater and surface water recharge and discharge areas.

(21) "Rural development" refers to development outside the urban growth area and outside agricultural, forest, and mineral resource lands designated pursuant to RCW 36.70A.170. Rural development can consist of a variety of uses and residential densities, including clustered residential development, at levels that are consistent with the preservation of rural character and the requirements of the rural element. Rural development does not refer to agriculture or forestry activities that may be conducted in rural areas.

(22) "Rural governmental services" or "rural services" include those public services and public facilities historically and typically delivered at an intensity usually found in rural areas, and may include domestic water systems, fire and police protection services, transportation and public transit services, and other public utilities associated with rural development and normally not associated with urban areas. Rural services do not include storm or sanitary sewers, except as otherwise authorized by RCW 36.70A.110(4).

(23) "Short line railroad" means those railroad lines designated class II or class III by the United States surface transportation board.

(24) "Urban governmental services" or "urban services" include those public services and public facilities at an intensity historically and typically provided in cities, specifically including storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with rural areas.

(25) "Urban growth" refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources, rural uses, rural development, and natural resource lands designated pursuant to RCW 36.70A.170. A pattern of more intensive rural development, as provided in RCW 36.70A.070(5)(d), is not urban growth. When allowed to spread over wide areas, urban growth typically requires urban governmental services. "Characterized by urban growth" refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

(26) "Urban growth areas" means those areas designated by a county pursuant to RCW 36.70A.110.

(27) "Very low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below fifty percent of the median household income adjusted for household size, for the county where the household is located, as reported by the United States department of housing and urban development.

(28) "Wetland" or "wetlands" means areas that are inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands.
intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities, or those wetlands created after July 1, 1990, that were unintentionally created as a result of the construction of a road, street, or highway. Wetlands may include those artificial wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands.

(29) "Per capita vehicle miles traveled" means the number of miles traveled using cars and light trucks in a calendar year divided by the number of residents in Washington. The calculation of this value excludes vehicle miles driven conveying freight.

(30) "Active transportation" means forms of pedestrian mobility including walking or running, the use of a mobility assistive device such as a wheelchair, bicycling and cycling irrespective of the number of wheels, and the use of small personal devices such as foot scooters or skateboards. Active transportation includes both traditional and electric assist bicycles and other devices. Planning for active transportation must consider and address accommodation pursuant to the Americans with disabilities act and the distinct needs of each form of active transportation.

(31) "Transportation system" means all infrastructure and services for all forms of transportation within a geographical area, irrespective of the responsible jurisdiction or transportation provider.

(32) "Environmental justice" means the fair treatment and meaningful involvement of all people regardless of race, color, national origin, or income with respect to development, implementation, and enforcement of environmental laws, regulations, and policies; with a focus on the equitable distribution of resources, benefits, and burdens in a manner that prioritizes communities that experience the greatest inequities, disproportionate impacts, and have the greatest unmet needs.

(33) "Active transportation facilities" means facilities provided for the safety and mobility of active transportation users including, but not limited to, trails, as defined in RCW 47.30.005, sidewalks, bike lanes, shared-use paths, and other facilities in the public right-of-way.

Sec. 12. RCW 86.12.200 and 1991 c 322 s 3 are each amended to read as follows:

The county legislative authority of any county may adopt a comprehensive flood control management plan for any drainage basin that is located wholly or partially within the county.

A comprehensive flood control management plan shall include the following elements:

(1) Designation of areas that are susceptible to periodic flooding, from inundation by bodies of water or surface water runoff, or both, including the river's meander belt or floodway;

(2) Establishment of a comprehensive scheme of flood control protection and improvements for the areas that are subject to such periodic flooding, that includes: (a) Determining the need for, and desirable location of, flood control improvements to protect or preclude flood damage to structures, works, and improvements, based upon a cost/benefit ratio between the expense of providing and maintaining these improvements and the benefits arising from these improvements; (b) establishing the level of flood protection that each portion of the system of flood control improvements will be permitted; (c) identifying alternatives to in-stream flood control work; (d) identifying areas where flood waters could be directed during a flood to avoid damage to buildings and other structures; and (e) identifying sources of revenue that will be sufficient to finance the comprehensive scheme of flood control protection and improvements;

(3) Establishing land use regulations that preclude the location of structures, works, or improvements in critical portions of such areas subject to periodic flooding, including a river's meander belt or floodway, and permitting only flood-compatible land uses in such areas;

(4) Establishing restrictions on construction activities in areas subject to periodic floods that require the flood proofing of those structures that are permitted to be constructed or remodeled;

(5) Establishing restrictions on land clearing activities and development practices that exacerbate flood problems
by increasing the flow or accumulation of flood waters, or the intensity of drainage, on low-lying areas. Land clearing activities do not include forest practices as defined in chapter 76.09 RCW; and

(6) Consideration of climate change impacts, including the impact of sea level rise and increased storm severity on people, property, natural resources, and the environment.

A comprehensive flood control management plan shall be subject to the minimum requirements for participation in the national flood insurance program, requirements exceeding the minimum national flood insurance program that have been adopted by the department of ecology for a specific floodplain pursuant to RCW 86.16.031, and rules adopted by the department of ecology pursuant to RCW 86.26.050 relating to floodplain management activities. When a county plans under chapter 36.70A RCW, it may incorporate the portion of its comprehensive flood control management plan relating to land use restrictions in its comprehensive plan and development regulations adopted pursuant to chapter 36.70A RCW.

NEW SECTION. Sec. 13. A new section is added to chapter 43.21C RCW to read as follows:

The adoption of ordinances, amendments to comprehensive plans, amendments to development regulations, and other nonproject actions taken by a county or city pursuant to RCW 36.70A.070(9) (a) or (c) in order to implement measures specified by the department of commerce pursuant to section 5 of this act are not subject to administrative or judicial appeals under this chapter.

NEW SECTION. Sec. 14. (1) The obligation of local governments to comply with the requirements established in: (a) The amendments to RCW 36.70A.070 set forth in this act; and (b) the updated shoreline master program guidelines adopted pursuant to section 10 of this act, takes effect two years after the date the legislature appropriates state funding to provide to local governments for the purpose of complying with these requirements.

NEW SECTION. Sec. 15. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2021, in the omnibus appropriations act, this act is null and void."

No treasurer may accept tax payments or issue receipts for the same until the treasurer has completed the tax roll for the current year's collection and provided notification of the completion of the roll. Notification may be accomplished electronically, by posting a notice in the office, or through other written communication as determined by the treasurer. All real and personal property taxes and assessments made payable by the provisions of this title are due and payable to the county treasurer on or before the thirtieth day of April and, except as provided in this section, are delinquent after that date.

(2) The commission, in conjunction with the Washington association of coroners and medical examiners and a practicing physician selected by the commission, shall develop the medicolegal forensic investigation training curriculum and adopt the standards for the medicolegal training academy and any exemption from the requirement to complete the medicolegal forensic investigation training. The commission shall exempt from this requirement any coroner, medical examiner, or medicolegal investigative personnel who has obtained training comparable to the medicolegal forensic investigation training by virtue of educational or professional training or experience.

(3) The commission must certify successful completion of the medicolegal forensic investigation training or exemption from the medicolegal training requirement within 60 days from the receipt of proof of completion or request for exemption.

The statewide use of force standard built upon the cornerstone principle of the sanctity of human life takes effect one year following its adoption by the commission.

(2) The use of force standard built upon the cornerstone principle of the sanctity of human life must:
(a) Require any use of force to meet the test of proportionality to employ a degree of force that is objectively reasonable to gain control and compliance of persons, rather than a use of force continuum or "drawing a line in the sand";
(b) Emphasize the use of time, cover, and distance to mitigate the need to use force;
(c) Be informed by the data collection and related analysis conducted under chapter . . . . Laws of 2021 (Engrossed Second Substitute Senate Bill No. 5259)"
(d) Utilize credible science to develop recommended techniques for law enforcement's response to scenes where an individual displays symptoms consistent with the medical condition known as excited delirium;

(e) Educate officers to recognize and address implicit bias;

(f) Educate officers on the history of race and law enforcement; and

(g) Allow for law enforcement agencies to adopt and implement policies, practices, procedures, and training that are more restrictive than the use of force standard built upon the cornerstone principle of the sanctity of human life adopted by the commission.

(3) The criminal justice training commission must review and modify its policies, practices, procedures, and trainings as necessary to fully incorporate and implement the statewide use of force standard built upon the cornerstone principle of the sanctity of human life, and ensure that any modifications necessary are fully implemented no later than one year after adoption of the standard by the commission.

(4) Each Washington law enforcement agency must review and modify its policies, practices, procedures, and trainings as necessary to fully incorporate and implement the statewide use of force standard built upon the cornerstone principle of the sanctity of human life, and ensure that any modifications necessary are fully implemented no later than one year after adoption of the standard by the commission.

All Washington law enforcement agencies must, no later than one year after the effective date of this section, formally adopt de-escalation as part of the agency's policies.

NEW SECTION. Sec. 4. A new section is added to chapter 43.101 RCW to read as follows:

All Washington law enforcement agencies must, no later than one year after the effective date of this section, adopt policies and procedures to identify use of force incidents and conduct an internal administrative review to determine whether each incident was consistent with applicable laws and agency policies, procedures, and training.

Notwithstanding any provisions of this chapter, the provisions of chapter . . . ., Laws of 2021 (this act) and the implementation thereof do not constitute personnel matters, working conditions, or any other change that requires collective bargaining.

NEW SECTION. Sec. 6. To the extent that any provision of this act is in conflict with any local regulation, ordinance, collective bargaining agreement, memorandum of understanding, policy, or practice, the provisions of this act prevail and the conflicting provision is null and void.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.
NEW SECTION. Sec. 8. If specific and sufficient funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2021, in the omnibus appropriations act, this act is null and void.”

POINT OF ORDER
Representative Stonier requested a scope and object ruling on amendment (382).

SPEAKER’S RULING
“The title of the bill is an act relating to permissible use of force by law enforcement and correctional officers.

The bill establishes a standard for use of physical force by peace officers.

Amendment (382) provides that development and implementation of a statewide use of force standard does not constitute any change in working or other conditions requiring collective bargaining and invalidates any local laws or collective bargaining agreements in conflict with the development and implementation of this standard.

Collective bargaining is a separate and distinct topic from the issue presented in the bill before us – whether to establish a standard for use of physical force by peace officers.

The Speaker therefore finds and rules that the amendment is outside the scope and object of the bill.

The point of order is well taken.”

NEW SECTION. Sec. 10. For the purpose of limiting the reasons for termination of residential tenants’ current leases, the following is implemented:

(1) The emergency rental assistance grant program is created in the department of commerce to reimburse tenants and landlords for past due rental payments. Tenants or landlords may apply for grant assistance for reimbursement of past due rental payments owing by tenants.

(2) A tenant applying for a grant must self-certify that he or she has a COVID hardship as described in section 9 of this act.

(3) To be eligible for a grant, a tenant must have experienced or demonstrated a COVID hardship certified by an affidavit of COVID hardship as described in section 9 of this act.

(4) When a landlord applies for a grant award under this section, the department of commerce must notify the tenant of any grant awarded to a tenant of that landlord along with repayment requirements by tenant and acknowledgment that rent remains due and payable by tenant to landlord.

(5) Grant recipients shall receive 100 percent of total contract rental amount in arrears at the time of anticipated payment date, which shall occur not later than 15 days from date of application.

(6) The department of commerce must provide notification of rejection of application to both tenant and landlord, regardless of which party applied.

(7) Administrative costs associated with application, distribution, and other program activities of the department of commerce may not exceed five percent of the annual funds
available for the landlord mitigation program. Reappropriations must not be included in the calculation of the annual funds available for determining the administrative costs.

NEW SECTION. Sec. 11. For the purpose of limiting the reasons for termination of residential tenants’ current leases, the following is implemented: The emergency rental assistance account is created in the state treasury. All receipts from sources directed to the emergency rental assistance grant program must be deposited in the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used solely for the purpose of the emergency rental assistance grant program as described in section 10 of this act.

NEW SECTION. Sec. 12. For the purpose of limiting the reasons for termination of residential tenants’ current leases, the following is implemented: The sum of $300,000,000, or as much thereof as may be necessary, is appropriated from the budget stabilization account for the fiscal year ending June 30, 2021, and is provided solely for expenditure into the emergency rental assistance grant program to implement the emergency rental assistance grant program described in section 6 of this act. For purposes of RCW 43.88.055(4), the appropriation in this section does not alter the requirement to balance in the ensuing biennium. All appropriated funds shall be distributed such that each county receives a percentage of total appropriated funds in proportion to each county’s percentage of total state population.

NEW SECTION. Sec. 13. For the purpose of limiting the reasons for termination of residential tenants’ current leases, the following is implemented: Sections 7 through 12 of this act expire one year after the effective date of this section.”

Renumber the remaining sections consecutively and correct any internal references accordingly. Correct the title.

POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (363).

SPEAKER’S RULING

“The title of the bill is an act relating to protecting residential tenants from the beginning to end of their tenancies by penalizing the inclusion of unlawful lease provisions and limiting the reasons for eviction, refusal to continue, and termination.

Amendment (363) suspends any eviction moratorium currently in effect and establishes an emergency rental assistance grant program.

The Speaker therefore finds and rules that the amendment is outside the scope of the bill as defined by its title.

The point of order is well taken.”

Representative Caldier moved the adoption of amendment (386):

On page 17, line 34, after "This act" strike all material through "immediately" on line 37 and insert "takes effect on the first day following the expiration or termination of proclamation 20-19, and any subsequent orders extending or amending the proclamation, temporarily prohibiting residential evictions statewide on March 18, 2020"

Correct the title.

POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (386).

SPEAKER’S RULING

“The title of the bill is an act relating to protecting residential tenants from the beginning to end of their tenancies by penalizing the inclusion of unlawful lease provisions and limiting the reasons for eviction, refusal to continue, and termination.

The bill specifies exclusive causes for eviction, refusal to renew, and termination of tenancies under the Residential Landlord-Tenant Act and makes other changes to rights and remedies.

Amendment (386) ties the effective date of the bill to the expiration or termination of a proclamation issued pursuant to the governor’s statutory powers to prohibit certain activities during a state of emergency.

This legislative session over a dozen bills have been filed relating to the emergency powers of the governor and the executive branch. The wisdom or necessity of statutes granting authority to issue emergency orders and the wisdom or necessity of the emergency orders that have been issued pursuant to such statutes are topics separate and distinct from the issue presented in the bill before us – whether to expand tenant protections under the Residential Landlord-Tenant Act.

The Speaker therefore finds and rules that the amendment is outside the scope and object of the bill.

The point of order is well taken.”
The bill was ordered engrossed.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representatives Macri, Taylor, Morgan, Ramel, Bateman and Stonier spoke in favor of the passage of the bill.

Representatives Caldier, Kraft, Schmick, Jacobsen, Abbarno, Gilday, Volz, Walsh, Eslick, Barkis, Sutherland, Corry, Chambers, Hoff, Dent, Dufault, Dye and Dufault (again) spoke against the passage of the bill.

The Speaker stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 1236.

SUBSTITUTE HOUSE BILL NO. 1418 was read the second time.

Representative Leavitt moved the adoption of striking amendment (408):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that rail safety is critical to the impacts of the state's transportation network on public safety and the environment. On December 18, 2017, a passenger train derailed from a bridge near DuPont, Washington. Three passengers were killed and 57 passengers and crewmembers were injured. While the 2017 derailment had particularly tragic consequences, the risks to public safety and the environment are underscored by other rail incidents that have occurred in the past several years, including the freight train transporting oil derailment and resulting fire on June 3, 2016, in the Columbia river gorge, near Mosier, Oregon, while in route to Tacoma, Washington, and the derailment of a freight train transporting oil through Custer, Washington, in late 2020 that also resulted in a fire.

(2) The national transportation safety board issued an accident report on the 2017 derailment in early 2019. The report included recommendations for government agencies that participated in developing the new route related to improvements in safety oversight, coordination, and communication. In 2020, the joint transportation committee oversaw a rail safety governance study that provided an assessment and recommendations for how rail safety oversight, organizational structures and processes, and coordination activities could be modified to improve rail safety governance across the state.

(3) The legislature intends to build on the recommendations of the national transportation safety board and joint transportation committee reports to strengthen rail safety governance by expanding the utility and transportation commission's role in rail safety to include oversight of all rail transportation in the state to the extent permitted under federal law, including over implementation of new and materially
changed railroad operations and over the safety management practices of railroad operations. The legislature intends for this role to include promotion of safety and security of the public and rail employees, as well as protection of the environment, to the extent these goals can be furthered by the commission's expanded role.

(4) The legislature does not intend for the expanded role of the utility and transportation commission in rail safety to be funded through the assessment of fees on rail entities.

Sec. 2. RCW 81.04.540 and 2007 c 234 § 2 are each amended to read as follows:

(1)(a) The commission is authorized to oversee rail safety in the state to the extent permitted by federal law and is responsible for inspection, surveillance, and investigation of the rights-of-way, facilities, equipment, and operations of railroads, and for enforcing state and federal laws and regulations relating to transportation of persons or commodities, or both, of any nature or description by rail. The oversight of rail fixed guideway systems is governed by RCW 81.104.115 and as specified in (b) of this subsection. Rail safety oversight shall include, but is not limited to, the following:

(i) Oversight of the implementation of new and materially changed railroad operations and infrastructure for rail service through inspection, surveillance, and investigation, as permitted by federal law.

(ii) Oversight of the safety management practices for passenger railroad operations, as permitted by federal law. The department of transportation shall coordinate with the commission and Amtrak to facilitate the oversight of state passenger rail service to the extent permitted under federal law. The commission shall facilitate communication and collaboration between freight rail service providers to promote industry safety management practices.

(b)(i) In coordination with the department of transportation, the commission shall provide support and provide technical assistance for any of the actions for which the department has no liability under RCW 81.104.115.

(ii) As the state agencies that oversee rail safety in the state, the commission and the department of transportation shall report annually to the transportation committees of the legislature, and to the governor's office, by December 1st of each year on the status of the department of transportation's safety oversight of rail fixed guideway systems. As part of this report, the agencies shall provide a joint assessment of the activities carried out in each of the areas specified in RCW 81.104.115 and as otherwise required by the federal transit administration in these and related areas, including: Investigations and enforcement; system safety program plan and system security and emergency preparedness plan oversight; compliance mechanisms in place for enforcement; auditing of system safety program plans and system security and emergency preparedness plans; investigations of reportable incidents, accidents, security breaches, hazards, and security vulnerability; and any associated rule adoption. The report shall include plans and recommendations for enhancing current activities in these areas.

(2) The commission shall cooperate with the federal government and the United States department of transportation, or its successor, or any other commission or agency delegated or authorized to regulate interstate or foreign commerce by common carriers, to the end that the transportation of property and passengers by common carriers in interstate or foreign commerce into and through the state of Washington may be regulated and that the laws of the United States and the state of Washington are enforced and administered cooperatively in the public interest.

((2))) (3) In addition to its authority concerning interstate commerce under this title, the commission may regulate common carriers in interstate commerce within the state under the authority of and in accordance with any act of congress that vests in or delegates to the commission such authority as an agency of the United States government or under an agreement with the United States department of...
transportation, or its successor, or any other commission or agency delegated or authorized to regulate interstate or foreign commerce by common carriers.

(4) The commission has regulatory jurisdiction over the safety practices for railroad equipment, facilities, rolling stock, and operations in the state, including authority to investigate and conduct inspections necessary to the enforcement of state railroad safety regulations, as permitted by federal law. This jurisdiction includes the authority to participate with the United States department of transportation in investigation and inspection activities necessary to enforce federal railroad safety regulations.

(5) The commission shall produce an annual report on rail safety in the state and provide it to the transportation committees of the legislature, including the joint transportation committee, and shall make this report available to the public. This report shall include information related to rail safety of rail fixed guideway systems.

(6) The commission shall promote rail safety through the facilitation of communication and collaboration among stakeholders with an interest in rail, including local jurisdictions, host and tenant railroads, and rail labor organizations. This communication and collaboration shall include communication and collaboration related to rail safety of rail fixed guideway systems.

(7) "Rail fixed guideway system," as used in this section, has the same meaning as defined in RCW 81.104.015.

Sec. 3. RCW 81.04.550 and 2007 c 234 s 3 are each amended to read as follows:

The commission shall administer the railroad safety provisions of this title to the fullest extent allowed under federal law, including 49 U.S.C. Sec. 20106 and state law.

NEW SECTION. Sec. 4. (1) To ensure this act is implemented upon its effective date and all systems, processes, and collaboration necessary to implement this act are in place, the utilities and transportation commission may, prior to July 1, 2022:

(a) Adopt rules, policies, and procedures on railroad safety;
(b) Initiate the recruitment, training, and certification of personnel dedicated to railroad safety; and
(c) Facilitate stakeholder communications and outreach on key railroad safety initiatives, developments, and strategies.

(2) All rules adopted prior to July 1, 2022, shall have an effective date that is consistent with those in this act.

NEW SECTION. Sec. 5. Sections 1 through 3 of this act take effect July 1, 2022.

SECOND READING

HOUSE BILL NO. 1482, by Representatives Walsh, Orwall, Lekanoff, Leavitt, Sutherland, Jacobsen, Dufault and Pollet.

Addressing foreclosure protections for homeowners in common interest communities.

The bill was read the second time.

Representative Orwall moved the adoption of striking amendment (403):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 64.90.485 and 2019 c 238 s 211 are each amended to read as follows:

(1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a security interest encumbering only the unit owner's interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3)(a) A lien under this section also has priority over the security interests described in subsection (2)(b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.90.480(1), along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association's lien or a security interest described in subsection (2)(b) of this section;

(ii) The association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred
after the giving of the notice described in (a)(iii) of this subsection; provided, however, that the costs and reasonable attorneys' fees that will have priority under this subsection (3)(a)(ii) shall not exceed two thousand dollars or an amount equal to the amounts described in (a)(i) of this subsection, whichever is less; (iii) The amounts described in (a)(ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid assessment became due and only if the association has given that holder not less than sixty days' prior written notice that the owner of the unit is in default in payment of an assessment. The notice shall contain: (A) Name of the borrower; (B) Recording date of the trust deed or mortgage; (C) Recording information; (D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration; (E) Amount of unpaid assessment; and (F) A statement that failure to, within sixty days of the written notice, submit the association payment of six months of assessments as described in (a)(i) of this subsection will result in the priority of the amounts described in (a)(ii) of this subsection; and (iv) Upon payment of the amounts described in (a)(i) and (ii) of this subsection by the holder of a security interest, the association's lien described in this subsection (3)(a) shall thereafter be fully subordinated to the lien of such holder's security interest on the unit. (b) For the purposes of this subsection: (i) "Institution of proceedings" means either: (A) The date of recording of a notice of trustee's sale by a deed of trust beneficiary; (B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or (C) The date of recording of a notice of intention to forfeit in a real estate contract forfeiture proceeding by the vendor under a real estate contract. (ii) "Capital improvements" does not include making, in the ordinary course of management, repairs to common elements or replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing. (c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys' fees and costs incurred for services unrelated to the foreclosure of the association's lien, other collection charges, or specially allocated assessments assessed under RCW 64.90.480 (6) or (7) does not cause any such items to be included in the priority amount affecting such unit. (4) Subsections (2) and (3) of this section do not affect the priority of mechanics' or material suppliers' liens to the extent that law of this state other than chapter 277, Laws of 2018 gives priority to such liens, or the priority of liens for other assessments made by the association. (5) A lien under this section is not subject to chapter 6.13 RCW. (6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is not entitled to the lien priority provided for under subsection (3) of this section, and is subject to the limitations on deficiency judgments as provided in chapter 61.24 RCW. (7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and any foreclosure of one such lien shall not affect the lien of the other. (8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recordation of any claim of lien for assessment under this section is not required, but is not prohibited.
(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within fifteen days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or RCW 64.90.640(1)(b).

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(13) The association's lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association's lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the amount of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the amount of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.
liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

(i) The reasonable expenses of sale;

(ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges and premiums on insurance; and, to the extent provided for by agreement between the association and the unit owner, reasonable attorneys' fees, costs, and other legal expenses incurred by the association;

(iii) Satisfaction of the association's lien;

(iv) Satisfaction in the order of priority of any subordinate claim of record; and

(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association's debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the unit and stating that it is executed by the person after a foreclosure of the association's lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner's default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to the time of tender, including reasonable attorneys' fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior unit owner of personal liability for assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.
(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The prevailing party is also entitled to recover costs and reasonable attorneys' fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes at least a sum equal to the greater of:

(i) Three months or more of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account; or

(ii) $200 of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account;

(b) At or after the date that assessments have become past due for at least 90 days, the association has mailed, by first-class mail, to the owner, at the unit address and to any other address which the owner has provided to the association, a notice of delinquency, which shall state as follows:

(c) At least 180 days have elapsed from the date the minimum amount required in (a) of this subsection has accrued; and

(d) The board approves commencement of a foreclosure action specifically against that unit.

(22) Every aspect of a collection, foreclosure, sale, or other conveyance under this section, including the method,
Sec. 2. RCW 64.90.485 and 2021 c ... s 1 (section 1 of this act) are each amended to read as follows:

(1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a security interest encumbering only the unit owner's interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3)(a) A lien under this section also has priority over the security interests described in subsection (2)(b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.90.480(1), along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association's lien or a security interest described in subsection (2)(b) of this section;

(ii) The association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred after the giving of the notice described in (a)(iii) of this subsection; provided, however, that the costs and reasonable attorneys' fees that will have priority under this subsection (3)(a)(ii) shall not exceed two thousand dollars or an amount equal to the amounts described in (a)(i) of this subsection, whichever is less;

(iii) The amounts described in (a)(ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid assessment became due and only if the association has given that holder not less than sixty days' prior written notice that the owner of the unit is in default in payment of an assessment. The notice shall contain:

(A) Name of the borrower;

(B) Recording date of the trust deed or mortgage;

(C) Recording information;

(D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration;

(E) Amount of unpaid assessment; and

(F) A statement that failure to, within sixty days of the written notice, submit the association payment of six months of assessments as described in (a)(i) of this subsection will result in the priority of the amounts described in (a)(ii) of this subsection; and

(iv) Upon payment of the amounts described in (a)(i) and (ii) of this subsection by the holder of a security interest, the association's lien described in this subsection (3)(a) shall thereafter be fully subordinated to the lien of such holder's security interest on the unit.

(b) For the purposes of this subsection:

(i) "Institution of proceedings" means either:

(A) The date of recording of a notice of trustee's sale by a deed of trust beneficiary;

(B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or

(C) The date of recording of a notice of intention to forfeit in a real estate...
contract forfeiture proceeding by the vendor under a real estate contract.

(ii) "Capital improvements" does not include making, in the ordinary course of management, repairs to common elements or replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing.

(c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys’ fees and costs incurred for services unrelated to the foreclosure of the association's lien, other collection charges, or specially allocated assessments assessed under RCW 64.90.480 (6) or (7) does not cause any such items to be included in the priority amount affecting such unit.

(4) Subsections (2) and (3) of this section do not affect the priority of mechanics' or material suppliers' liens to the extent that law of this state other than chapter 277, Laws of 2018 gives priority to such liens, or the priority of liens for other assessments made by the association.

(5) A lien under this section is not subject to chapter 6.13 RCW.

(6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is not entitled to the lien priority provided for under subsection (3) of this section, and is subject to the limitations on deficiency judgments as provided in chapter 61.24 RCW.

(7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and any foreclosure of one such lien shall not affect the lien of the other.

(8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recorad of any claim of lien for assessment under this section is not required, but is not prohibited.

(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within fifteen days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or RCW 64.90.640(1)(b).

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(13) The association's lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association's lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay
assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the time, date, and place of any public sale or, if a private sale is intended, of the intention of entering into a contract to sell and of the time and date after which a private conveyance may be made. Such notice must also be sent to any other person that has a recorded interest in the unit that would be cut off by the sale, but only if the recorded interest was on record seven weeks before the date specified in the notice as the date of any public sale or seven weeks before the date specified in the notice as the date after which a private sale may be made. The notices required under this subsection may be sent to any address reasonable in the circumstances. A sale may not be held until five weeks after the sending of the notice. The association may buy at any public sale and, if the sale is conducted by a fiduciary or other person not related to the association, at a private sale.

(b) Unless otherwise agreed to or as stated in this section, the unit owner is liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

(i) The reasonable expenses of sale;

(ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges and premiums on insurance; and, to the extent provided for by agreement between the association and the unit owner, reasonable attorneys' fees, costs, and other legal expenses incurred by the association;

(iii) Satisfaction of the association's lien;

(iv) Satisfaction in the order of priority of any subordinate claim of record; and

(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association's debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the unit and stating that it is executed by the person after a foreclosure of the association's lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner's default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to
the time of tender, including reasonable attorneys' fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior unit owner of personal liability for assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The prevailing party is also entitled to recover costs and reasonable attorneys' fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes at least a sum equal to the greater of:

(i) Three months or more of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account; or

(ii) $200 of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account;

(b) At or after the date that assessments have become past due for at least 90 days, the association has mailed, by first-class mail, to the owner, at the unit address and to any other address which the owner has provided to the association, a notice of delinquency, which shall state as follows:

Facilitating the installation of broadband facilities on limited access highways. Revised for 1st Substitute: Facilitating the installation of broadband facilities on limited access highways.

The bill was read the second time.
There being no objection, Substitute House Bill No. 1457 was substituted for House Bill No. 1457 and the substitute bill was placed on the second reading calendar.

SUBSTITUTE HOUSE BILL NO. 1457 was read the second time.

Representative Wylie moved the adoption of striking amendment (393):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that broadband is an increasingly essential service necessary for economic development, reduction of use of roads and highways, delivery of medical services, education, and use of other technologies. The legislature also understands that maximizing the use of rights-of-way during construction or repair of transportation systems offers cost-effective opportunities for extending and improving broadband and high-speed internet connections throughout the state. It is the policy of the state to expedite the installation, improvement, and extension of broadband networks, and to remove barriers to cost-effective and expanded access to broadband networks.

Transportation activities can offer opportunities for these connections and it is a critical goal of the state to use the transportation system to facilitate and accelerate universal access through providing assistance in the development of necessary physical connections, increasing affordability of access, and formation of strategic partnerships. There is a need for both the near-term development of options and opportunities that can be applied within existing plans and mid and longer-term activities that can be undertaken to develop additional options and paths for the removal of barriers and to maximize the impact of actions to facilitate the expansion of broadband networks.

Sec. 2. RCW 47.52.001 and 2004 c 131 s 1 are each amended to read as follows:

(1) Unrestricted access to and from public highways has resulted in congestion and peril for the traveler. It has caused undue slowing of all traffic in many areas. The investment of the public in highway facilities has been impaired and highway facilities costing vast sums of money will have to be relocated and reconstructed.

(2) Broadband, which includes a range of high-speed transmission technologies, including fiber optic lines and personal wireless service facilities, is a critical part of the state's infrastructure. The rapid deployment of broadband facilities is critical to ensure public safety, network access, quality of service, and rural economic development.

(3) It is, therefore, the declared policy of this state to limit access to the highway facilities of this state in the interest of highway safety and for the preservation of the investment of the public in such facilities, and to ensure that the use of rights-of-way of limited access facilities accommodate the deployment of broadband facilities consistent with these interests. In furtherance of this policy, the department is directed to adopt and maintain an agency policy that requires the department to proactively provide broadband facility owners with information about planned limited access highway projects to enable collaboration between broadband facility owners and the department to identify opportunities for the installation of broadband facilities during the appropriate phase of these projects when such opportunities exist. Coordination between the department and broadband facility owners under this section must comply with applicable state and federal law including, but not limited to, chapter 47.44 RCW and RCW 47.04.045.

Sec. 3. RCW 47.44.010 and 2001 c 201 s 5 are each amended to read as follows:

(1) The department of transportation may grant franchises to persons, associations, private or municipal corporations, the United States government, or any agency thereof, to use any state highway for the construction and maintenance of water pipes, flume, gas, oil or coal pipes, telephone, telegraph, fiber optic, electric light and power lines and conduits, trams or railways, and any structures or facilities that are part of an urban public transportation system owned or operated by a municipal corporation, agency, or department of the state of Washington other than the department of transportation, and any other such facilities. In order to minimize the disruption to traffic and damage to the
roadway, the department is encouraged to develop a joint trenching policy with other affected jurisdictions so that all permittees and franchisees requiring access to ground under the roadway may do so at one time.

(2) All applications for the franchise must be made in writing and subscribed by the applicant, and describe the state highway or portion thereof over which franchise is desired and the nature of the franchise. The application must also include the identification of all jurisdictions affected by the franchise and the names of other possible franchisees who should receive notice of the application for a franchise.

(3) The department of transportation shall adopt rules providing for a hearing or an opportunity for a hearing with reasonable public notice thereof with respect to any franchise application involving the construction and maintenance of utilities or other facilities within the highway right-of-way which the department determines may (a) during construction, significantly disrupt the flow of traffic or use of driveways or other facilities within the right-of-way, or (b) during or following construction, cause a significant and adverse effect upon the surrounding environment.

NEW SECTION. Sec. 4. (1) Subject to the availability of amounts appropriated for this specific purpose in the omnibus transportation appropriations act, the joint transportation committee shall oversee a consultant study to recommend:

(a) An effective department of transportation strategy, and specific highway corridors, that could be used to address missing fiber connections and inadequate broadband service in parts of the state unserved and underserved by broadband facilities while also aiding the achievement of the state broadband goals specified in RCW 43.330.536. As part of this recommendation, the following areas must also be addressed:

(i) What the appropriate taxonomy to apply to areas unserved or underserved by broadband is to better prioritize and contextualize the urgency of the need for broadband infrastructure in a given area; and

(ii) When the inclusion of broadband conduit installation in a transportation project is recommended as the most effective means of facilitating broadband access, rather than an alternative broadband facility placement, taking into account potential costs, and subject to any limitations in understanding potential costs of installation as part of a transportation project not yet undertaken;

(b) The role of the Washington state department of transportation in a coordinated approach for broadband development statewide that includes the adaptation of existing programs and activities to further a state initiative to expand and improve access to broadband;

(c) The most promising planning and financing tools that could be used by the department of transportation to provide the state with greater ability to install conduit in anticipation of future broadband fiber occupancy by others;

(d) Opportunities for mutually beneficial partnerships between the department of transportation and broadband service providers that could provide broadband services for transportation purposes such as intelligent transportation systems, cooperative automated transportation/autonomous vehicles, transportation demand management, and highway maintenance activities; and

(e) Strategies for the mitigation of potential safety, operations, and preservation impacts to transportation related to the recommendations made in (a) through (d) of this subsection.

(2) The study must consider the most relevant best practices in other states and their potential application in Washington.

(3) The study must also include an examination of any state and federal laws and regulations that could prevent or limit the implementation of these recommendations, as well as recommendations for modifications to the applicable state laws and regulations and recommended federal actions that could be requested by Washington state legislators.

(4) The joint transportation committee shall consult with the department of transportation, the Washington statewide broadband office, and other state agencies and local jurisdictions, as necessary, during development of the study's recommendations to ensure the
relevance and applicability of the recommendations to the state.

(5) The joint transportation committee shall issue a report of its findings and recommendations to the house of representatives and senate transportation committees by January 1, 2022."

"Thank you, Madame Speaker and thank you for the opportunity to speak about someone who grew up in my district. Probably walked every foot of my district. And I know that those who are voting no today are doing it not out of any rancor. I want to acknowledge this. But out of respect of for our history. And I just want to share the respect I have for Billy Frank. I'm not someone who looks for great men and women to meet. I have never run to get into a picture with somebody. But I am profoundly fortunate to have accidentally met, possibly in the long sweep of history, the greatest man who was born in Washington.

I thought that we might hear a little bit more about Billy's history previously, but we didn't so I'm going to share a little bit of it. Billy grew up along the Nisqually river, down on the delta. About 4 or 5 miles, well maybe 10 miles downstream from where I grew up. He was involved in the struggles in the 60's and 70's to stand up for treaty rights. He talks to people in his autobiography and in interviews about the times that he was arrested, he called himself a 'getting arrested guy.' The times where he was beat up. He wasn't a hooligan. He wasn't an outlaw. He was standing up for rights that had been granted in an agreement in the 1850's and he was vindicated by the Supreme Court. But that's not why he's great, Madame Speaker, the things that he endured and the victories that he won. He's a great man, Madame Speaker, because after all that he went through, and I think it was very, very hard, harder than any of us can imagine, he forgave. Madame Speaker, he didn't get bitter. He forgave everybody. He never gave up his struggle and he moved on to expand it. He was never bitter.

The reason that I know him is that he and my father, many years ago, were involved in a set of meetings about the future of the Nisqually river. And at one point, it looked like the federal government might take over the whole Nisqually river as a park. And if you know my father, you know how shattering that would've been for him. And there was a very contentious meeting that’s been documented in CrossCut magazine and in Billy Frank’s biography where Billy stood up and said, ‘we have to stop this.’ ‘This is for all of us to get along. I want Weyerhaeuser to be here putting people to work and I want the farmers to be able to exist along the river. We’re going to get along. We’re not going to do this.’ And they stood up and shook hands. In CrossCut they called that the handshake that changed history. He didn’t have to do that, Madame Speaker, he could’ve been bitter. His ancestors walked on the ground that my Dad and I live on. He didn’t covet that. He wanted bigger things, Madame Speaker. And he’s been an example to the entire world. One of my most treasured memories in life is when I first was going to run for office. My Dad said, ‘we’ve got to go talk to Billy.’ We sat down in Yelm with Billy and George Walters. Billy didn’t try to talk to me about politics much. But he had a life lesson that is among the most important things I’ve ever heard. He said, ‘JT, I’ve accomplished things in my life. We, in the tribes have been 14-0 in court. We’ve reached a place now where if we think that there’s an important issue, we can go to the legislature, someone will write a bill and it will probably get passed and the Governor will sign it. But that can all go away. It can go away tomorrow. The only thing that lasts is when you help the people on the other side understand your point of view.’ And we joined hands in agreement. That’s why he’s a great man, Madame Speaker. Thank you for this bill.”

(1) Notwithstanding any other provision of law, if a landlord chooses to waive a security deposit requirement, and a tenant agrees to instead pay a fee in lieu of a security deposit, the landlord shall:

(a) Ensure that the fee in lieu of a security deposit is strictly optional for the tenant, and the tenant may choose to pay a full security deposit rather than a fee in lieu of a security deposit;

(b) Not use a prospective tenant's choice to pay a fee in lieu of a security deposit or a traditional security deposit as a criterion in the determination of whether to approve an application for occupancy;

(c) If choosing to offer the fee in lieu of a security deposit option, offer it to every prospective tenant whose application for occupancy has been approved, without further regard to income, race, gender, disability, sexual orientation, immigration status, size of household, or credit score following such approval;

(d) Allow any tenant that agrees to pay a fee in lieu of a security deposit, to opt out of the continuing fee in lieu of a security deposit obligation upon full payment of the security deposit that is otherwise in effect for the tenant's apartment on the day of the opt out; and

(e) Disclose to the tenant in writing:

(i) The terms of any insurance coverage purchased by the landlord for unpaid rent and unit damage and paid for by the tenant through fees charged in lieu of a security deposit including, but not limited to, the amount of any cap on coverage, and costs excluded from such coverage; and

(ii) That the payment of the fee in lieu of a security deposit does not preclude the insurer or the landlord from proceeding against the tenant to recover sums for damage to the property for which the tenant is responsible together with reasonable attorneys' fees.

(2) A landlord found in violation of subsection (1) of this section shall be held liable to the tenant in a civil action up to two times the monthly rent of the real property at issue, as well as court or arbitration costs and reasonable attorneys' fees.

(3) Any fee in lieu of a security deposit:

(a) May be entirely or partially nonrefundable, so long as this is disclosed in the lease and separately acknowledged by the tenant;

(b) Does not constitute rent as defined in RCW 59.18.030, provided that nothing in this section shall preclude the landlord from proceeding in a civil action against, and the landlord shall have the right to proceed against, a tenant to recover unpaid fees;

(c) May be utilized by the landlord to purchase insurance coverage for unpaid rent or unit damage from a lawful insurer, provided that a landlord may not charge a fee that is more than the reasonable cost of obtaining and administering such insurance. As of July 1, 2024, all insurance policies relating to this section must be from insurance companies authorized to transact insurance in this state by the insurance commissioner;

(d) May be a recurring monthly fee, or payable upon any schedule and in any amount that the landlord and tenant choose, provided that the first month's fee is a nonrefundable fee as contemplated under RCW 59.18.610; and
(e) Shall not be considered by a court, arbitrator, mediator, or any other dispute resolution adjudicator to be a security deposit or governed by state or local codes governing security deposits, except that any action taken against a tenant to recover for costs of repairs, whether by the landlord or an insurer, shall be commenced within one year of the termination of the rental agreement or the tenant's abandonment of the premises and shall otherwise comply with the requirements in RCW 59.18.280 insofar as they relate to documentation of damages, standards for normal wear and tear, or other standards of proof required to make a claim against a deposit in RCW 59.18.280.

(1) Each county that has both a population of fifty thousand or more and, until May 16, 1995, has had its population increase by more than ten percent in the previous ten years or, on or after May 16, 1995, has had its population increase by more than seventeen percent in the previous ten years, and the cities located within such county, and any other county regardless of its population that has had its population increase by more than twenty percent in the previous ten years, and the cities located within such county, shall conform with all of the requirements of this chapter. However, the county legislative authority of such a county with a population of less than fifty thousand population may adopt a resolution removing the county, and the cities located within the county, from the requirements of adopting comprehensive land use plans and development regulations under this chapter if this resolution is adopted and filed with the department by December 31, 1990, for counties initially meeting this set of criteria, or within sixty days of the date the office of financial management certifies that a county meets this set of criteria under subsection (5) of this section. For the purposes of this subsection, a county not currently planning under this chapter is not required to include in its population count those persons confined in a correctional facility under the jurisdiction of the department of corrections that is located in the county.

Once a county meets either of these sets of criteria, the requirement to conform with all of the requirements of this chapter remains in effect, even if the county no longer meets one of these sets of criteria.

(2)(a) The county legislative authority of any county that does not meet either of the sets of criteria
established under subsection (1) of this section may adopt a resolution indicating its intention to have subsection (1) of this section apply to the county. Each city, located in a county that chooses to plan under this subsection, shall conform with all of the requirements of this chapter. Once such a resolution has been adopted, the county and the cities located within the county remain subject to all of the requirements of this chapter, unless the county subsequently adopts a withdrawal resolution for partial planning pursuant to (b)(i) of this subsection.

(b)(i) Until December 31, 2015, the legislative authority of a county may adopt a resolution removing the county and the cities located within the county from the requirements to plan under this section if:

(A) The county has a population, as estimated by the office of financial management, of twenty thousand or fewer inhabitants at any time between April 1, 2010, and April 1, 2015;

(B) The county has previously adopted a resolution indicating its intention to have subsection (1) of this section apply to the county;

(C) At least sixty days prior to adopting a resolution for partial planning, the county provides written notification to the legislative body of each city within the county of its intent to consider adopting the resolution; and

(D) The legislative bodies of at least sixty percent of those cities having an aggregate population of at least seventy-five percent of the incorporated county population have not: Adopted resolutions opposing the action by the county; and provided written notification of the resolutions to the county.

(ii) Upon adoption of a resolution for partial planning under (b)(i) of this subsection:

(A) The county and the cities within the county are, except as provided otherwise, no longer obligated to plan under this section; and

(B) The county may not, for a minimum of ten years from the date of adoption of the resolution, adopt another resolution indicating its intention to have subsection (1) of this section apply to the county.

(c) The adoption of a resolution for partial planning under (b)(i) of this subsection does not nullify or otherwise modify the requirements for counties and cities established in RCW 36.70A.060, 36.70A.070(5) and associated development regulations, 36.70A.170, and 36.70A.172.

(3) Any county or city that is initially required to conform with all of the requirements of this chapter under subsection (1) of this section shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a countywide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall designate critical areas, agricultural lands, forestlands, and mineral resource lands, and adopt development regulations conserving these designated agricultural lands, forestlands, and mineral resource lands and protecting these designated critical areas, under RCW 36.70A.110; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; (d) if the county has a population of fifty thousand or more, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan on or before July 1, 1994, and if the county has a population of less than fifty thousand, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan by January 1, 1995, but if the governor makes written findings that a county with a population of less than fifty thousand or a city located within such a county is not making reasonable progress toward adopting a comprehensive plan and development regulations the governor may reduce this deadline for such actions to be taken by no more than one hundred eighty days. Any county or city subject to this subsection may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(4) Any county or city that is required to conform with all the requirements of this chapter, as a result of the county
legislative authority adopting its resolution of intention under subsection (2) of this section, shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a countywide planning policy under RCW 36.70A.210; (b) the county and each city that is located within the county shall adopt development regulations conserving agricultural lands, forestlands, and mineral resource lands it designated under RCW 36.70A.060 within one year of the date the county legislative authority adopts its resolution of intention; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city that is located within the county shall adopt a comprehensive plan and development regulations that are consistent with and implement the comprehensive plan within four years of the certification by the office of financial management, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(5) If the office of financial management certifies that the population of a county that previously had not been required to plan under subsection (1) or (2) of this section has changed sufficiently to meet either of the sets of criteria specified under subsection (1) of this section, and where applicable, the county legislative authority has not adopted a resolution removing the county from these requirements as provided in subsection (1) of this section, the county and each city within such county shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a countywide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall adopt development regulations under RCW 36.70A.060 conserving agricultural lands, forestlands, and mineral resource lands it designated within one year of the certification by the office of financial management; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city located within the county shall adopt a comprehensive land use plan and development regulations that are consistent with and implement the comprehensive plan within four years of the certification by the office of financial management, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(6) A copy of each document that is required under this section shall be submitted to the department at the time of its adoption.

(7) Cities and counties planning under this chapter must amend the transportation element of the comprehensive plan to be in compliance with this chapter and chapter 47.90 RCW no later than December 31, 2000.

(8) A federally recognized Indian tribe may voluntarily choose to participate in the county or regional planning process and coordinate with the county and cities that are either required to comply with the provisions of this chapter pursuant to subsection (1) of this section or voluntarily choose to comply with the provisions of this chapter pursuant to subsection (2) of this section; provided, that collaboration and participation is a nonexclusive exercise of coordination and cooperation in the planning process and failure to exercise discretionary collaboration and participation shall not limit a party's standing for quasi-judicial or judicial review or appeal under this chapter.

(a) Upon receipt of notice in the form of a tribal resolution from a tribe whose reservation or ceded lands lie within the county, which indicates the tribe has a planning process or intends to initiate a parallel planning process, the county, cities and other local governments conducting the planning under this chapter shall enter into a memorandum of agreement with such tribes in regard to collaboration and participation in the planning process.

(b) Nothing in this subsection, any other provision in this chapter, or a tribe's decision to become a participating tribe for planning purposes, shall affect, alter, or limit in any way a tribe's authority, jurisdiction, or any treaty or other
rights it may have by virtue of its status as a sovereign Indian tribe.

(c) Nothing in this subsection or any other provision in this chapter shall affect, alter, or limit in any way, subject to a memorandum of agreement adopted in accordance with (a) of this subsection, a local government legislative body's authority to adopt and amend comprehensive land use plans and development regulations in accordance with this chapter.

Sec. 5. RCW 36.70A.080 and 2011 c 318 s 801 are each amended to read as follows:

(2) A comprehensive plan may include, where appropriate, subarea plans, each of which is consistent with the comprehensive plan.

(3)(a) Cities that qualify as a receiving city may adopt a comprehensive plan element and associated development regulations that apply within receiving areas under chapter 39.108 RCW.

(b) For purposes of this subsection, the terms "receiving city" and "receiving area" have the same meanings as provided in RCW 39.108.010.

(b) Each county and city planning under this chapter may request expedited review for any amendments for permanent changes to a development regulation. Upon receiving a request for expedited review, and after consultation with other state agencies, the department may grant expedited review if the department determines that expedited review does not compromise the state's ability to provide timely comments related to compliance with the goals and requirements of this chapter or on other matters of state interest. Cities and counties may adopt amendments for permanent changes to a development regulation immediately following the granting of the request for expedited review by the department.

(c) A federally recognized Indian tribe may request to receive from the department copies of notices received from cities or counties under this section. Upon receipt of a submittal from a city or county under this section, the department shall forward the submittal to any tribe that has requested notification.

Sec. 7. RCW 36.70A.110 and 2017 c 305 s 1 are each amended to read as follows:

(1) Each county that is required or chooses to plan under RCW 36.70A.040 shall designate an urban growth area or areas within which urban growth shall be encouraged and outside of which growth can occur only if it is not urban in nature. Each city that is located in such a county shall be included within an urban growth area. An urban growth area
may include more than a single city. An urban growth area may include territory that is located outside of a city only if such territory already is characterized by urban growth whether or not the urban growth area includes a city, or is adjacent to territory already characterized by urban growth, or is a designated new fully contained community as defined by RCW 36.70A.350. When a federally recognized Indian tribe whose reservation or ceded lands lie within the county or city has voluntarily chosen to participate in the planning process pursuant to RCW 36.70A.040, the county or city and the tribe shall coordinate their planning efforts for any areas planned for urban growth consistent with the terms outlined in the memorandum of agreement provided for in RCW 36.70A.040(8)(a).

(2) Based upon the growth management population projection made for the county by the office of financial management, the county and each city within the county shall include areas and densities sufficient to permit the urban growth that is projected to occur in the county or city for the succeeding twenty-year period, except for those urban growth areas contained totally within a national historical reserve. As part of this planning process, each city within the county must include areas sufficient to accommodate the broad range of needs and uses that will accompany the projected urban growth including, as appropriate, medical, governmental, institutional, commercial, service, retail, and other nonresidential uses.

Each urban growth area shall permit urban densities and shall include greenbelt and open space areas. In the case of urban growth areas contained totally within a national historical reserve, the city may restrict densities, intensities, and forms of urban growth as determined to be necessary and appropriate to protect the physical, cultural, or historic integrity of the reserve. An urban growth area determination may include a reasonable land market supply factor and shall permit a range of urban densities and uses. In determining this market factor, cities and counties may consider local circumstances. Cities and counties have discretion in their comprehensive plans to make many choices about accommodating growth.

Within one year of July 1, 1990, each county that as of June 1, 1991, was required or chose to plan under RCW 36.70A.040, shall begin consulting with each city located within its boundaries and each city shall propose the location of an urban growth area. Within sixty days of the date the county legislative authority of a county adopts its resolution of intention or of certification by the office of financial management, all other counties that are required or choose to plan under RCW 36.70A.040 shall begin this consultation with each city located within its boundaries. The county shall attempt to reach agreement with each city on the location of an urban growth area within which the city is located. If such an agreement is not reached with each city located within the urban growth area, the county shall justify in writing why it so designated the area an urban growth area. A city may object formally with the department over the designation of the urban growth area within which it is located. Where appropriate, the department shall attempt to resolve the conflicts, including the use of mediation services.

(3) Urban growth should be located first in areas already characterized by urban growth that have adequate existing public facility and service capacities to serve such development, second in areas already characterized by urban growth that will be served adequately by a combination of both existing public facilities and services and any additional needed public facilities and services that are provided by either public or private sources, and third in the remaining portions of the urban growth areas. Urban growth may also be located in designated new fully contained communities as defined by RCW 36.70A.350.

(4) In general, cities are the units of local government most appropriate to provide urban governmental services. In general, it is not appropriate that urban governmental services be extended to or expanded in rural areas except in those limited circumstances shown to be necessary to protect basic public health and safety and the environment and when such services are financially supportable at rural densities and do not permit urban development.

(5) On or before October 1, 1993, each county that was initially required to plan under RCW 36.70A.040(1) shall adopt
development regulations designating interim urban growth areas under this chapter. Within three years and three months of the date the county legislative authority of a county adopts its resolution of intention or of certification by the office of financial management, all other counties that are required or choose to plan under RCW 36.70A.040 shall adopt development regulations designating interim urban growth areas under this chapter. Adoption of the interim urban growth areas may only occur after public notice; public hearing; and compliance with the state environmental policy act, chapter 43.21C RCW, and under this section. Such action may be appealed to the growth management hearings board under RCW 36.70A.280. Final urban growth areas shall be adopted at the time of comprehensive plan adoption under this chapter.

(6) Each county shall include designations of urban growth areas in its comprehensive plan.

(7) An urban growth area designated in accordance with this section may include within its boundaries urban service areas or potential annexation areas designated for specific cities or towns within the county.

(8)(a) Except as provided in (b) of this subsection, the expansion of an urban growth area is prohibited into the one hundred year floodplain of any river or river segment that: (i) Is located west of the crest of the Cascade mountains; and (ii) has a mean annual flow of one thousand or more cubic feet per second as determined by the department of ecology.

(b) Subsection (8)(a) of this section does not apply to:

(i) Urban growth areas that are fully contained within a floodplain and lack adjacent buildable areas outside the floodplain;

(ii) Urban growth areas where expansions are precluded outside floodplains because:

(A) Urban governmental services cannot be physically provided to serve areas outside the floodplain; or

(B) Expansions outside the floodplain would require a river or estuary crossing to access the expansion; or

(iii) Urban growth area expansions where:

(A) Public facilities already exist within the floodplain and the expansion of an existing public facility is only possible on the land to be included in the urban growth area and located within the floodplain; or

(B) Urban development already exists within a floodplain as of July 26, 2009, and is adjacent to, but outside of, the urban growth area, and the expansion of the urban growth area is necessary to include such urban development within the urban growth area; or

(C) The land is owned by a jurisdiction planning under this chapter or the rights to the development of the land have been permanently extinguished, and the following criteria are met:

(I) The permissible use of the land is limited to one of the following: Outdoor recreation; environmentally beneficial projects, including but not limited to habitat enhancement or environmental restoration; stormwater facilities; flood control facilities; or underground conveyances; and

(II) The development and use of such facilities or projects will not decrease flood storage, increase stormwater runoff, discharge pollutants to fresh or salt waters during normal operations or floods, or increase hazards to people and property.

(c) For the purposes of this subsection (8), "one hundred year floodplain" means the same as "special flood hazard area" as set forth in WAC 173-158-040 as it exists on July 26, 2009.

(9) If a county, city, or utility has adopted a capital facility plan or utilities element to provide sewer service within the urban growth areas during the twenty-year planning period, nothing in this chapter obligates counties, cities, or utilities to install sanitary sewer systems to properties within urban growth areas designated under subsection (2) of this section by the end of the twenty-year planning period when those properties:

(a)(i) Have existing, functioning, nonpolluting on-site sewage systems;

(ii) Have a periodic inspection program by a public agency to verify the on-site sewage systems function properly and do not pollute surface or groundwater; and
(iii) Have no redevelopment capacity; or

(b) Do not require sewer service because development densities are limited due to wetlands, flood plains, fish and wildlife habitats, or geological hazards.

Sec. 8. RCW 36.70A.190 and 1991 sp.s. c 32 s 3 are each amended to read as follows:

(1) The department shall establish a program of technical and financial assistance and incentives to counties and cities to encourage and facilitate the adoption and implementation of comprehensive plans and development regulations throughout the state.

(2) The department shall develop a priority list and establish funding levels for planning and technical assistance grants both for counties and cities that plan under RCW 36.70A.040. Priority for assistance shall be based on a county's or city's population growth rates, commercial and industrial development rates, the existence and quality of a comprehensive plan and development regulations, and other relevant factors.

(3) The department shall develop and administer a grant program to provide direct financial assistance to counties and cities for the preparation of comprehensive plans under this chapter. The department may establish provisions for county and city matching funds to conduct activities under this subsection. Grants may be expended for any purpose directly related to the preparation of a county or city comprehensive plan as the county or city and the department may agree, including, without limitation, the conducting of surveys, inventories and other data gathering and management activities, the retention of planning consultants, contracts with regional councils for planning and related services, and other related purposes.

(4) The department shall establish a program of technical assistance:

(a) Utilizing department staff, the staff of other state agencies, and the technical resources of counties and cities to help in the development of comprehensive plans required under this chapter. The technical assistance may include, but not be limited to, model land use ordinances, regional education and training programs, and information for local and regional inventories; and

(b) Adopting by rule procedural criteria to assist counties and cities in adopting comprehensive plans and development regulations that meet the goals and requirements of this chapter. These criteria shall reflect regional and local variations and the diversity that exists among different counties and cities that plan under this chapter.

(5) The department shall provide mediation services to resolve disputes between counties and cities regarding, among other things, coordination of regional issues and designation of urban growth areas.

(6) A federally recognized Indian tribe may formally request the department to enter into formal government-to-government consultation with the tribe regarding the tribe's concerns that the proposed plan or any amendment to the county's or city's plan may directly or indirectly injure rights reserved to the tribe under treaties, statutes, or federal trust obligations regarding lands or activities within the reservation of such tribe or rights reserved to the tribe in regard to lands ceded under a treaty. Upon receipt of a formal request to enter into formal government-to-government consultation from a tribe, the department shall enter into formal government-to-government consultation with the tribe for a period not to exceed 60 days. The department shall also notify the city or county of the request and 60-day period and the county or city shall delay any final action adopting any plan or amendment during that period. A county or city must not be penalized for noncompliance under this chapter due to any delays associated with the government-to-government consultation process. When the government-to-government consultation process is complete, the department shall provide comments to the county or city including a summary and supporting materials regarding the tribe's concerns and an offer to assist in providing formal mediation or dispute resolution prior to adoption of the proposed plan. Upon receipt of such notice and comments, the county or city may either agree to amend the plan as requested consistent with the comments of the department, or enter mediation with the tribe, which shall be arranged by the department.
utilizing a suitable expert to be paid by the department.

(7) The department shall provide planning grants to enhance citizen participation under RCW 36.70A.140.

Sec. 9. RCW 36.70A.210 and 2009 c 121 s 2 are each amended to read as follows:

(1) The legislature recognizes that counties are regional governments within their boundaries, and cities are primary providers of urban governmental services within urban growth areas. For the purposes of this section, a "countywide planning policy" is a written policy statement or statements used solely for establishing a countywide framework from which county and city comprehensive plans are developed and adopted pursuant to this chapter. This framework shall ensure that city and county comprehensive plans are consistent as required in RCW 36.70A.100. Nothing in this section shall be construed to alter the land-use powers of cities.

(2) The legislative authority of a county that plans under RCW 36.70A.040 shall adopt a countywide planning policy in cooperation with the cities located in whole or in part within the county as follows:

(a) No later than sixty calendar days from July 16, 1991, the legislative authority of each county that as of June 1, 1991, was required or chose to plan under RCW 36.70A.040 shall convene a meeting with representatives of each city located within the county for the purpose of establishing a collaborative process that will provide a framework for the adoption of a countywide planning policy. In other counties that are required or choose to plan under RCW 36.70A.040, this meeting shall be convened no later than sixty days after the date the county adopts its resolution of intention or was certified by the office of financial management.

(b) The process and framework for adoption of a countywide planning policy specified in (a) of this subsection shall determine the manner in which the county and the cities agree to all procedures and provisions including but not limited to desired planning policies, deadlines, ratification of final agreements and demonstration thereof, and financing, if any, of all activities associated therewith.

(c) If a county fails for any reason to convene a meeting with representatives of cities as required in (a) of this subsection, the governor may immediately impose any appropriate sanction or sanctions on the county from those specified under RCW 36.70A.340.

(d) If there is no agreement by October 1, 1991, in a county that was required or chose to plan under RCW 36.70A.040 as of June 1, 1991, or if there is no agreement within one hundred twenty days of the date the county adopted its resolution of intention or was certified by the office of financial management in any other county that is required or chooses to plan under RCW 36.70A.040, the governor shall first inquire of the jurisdictions as to the reason or reasons for failure to reach an agreement. If the governor deems it appropriate, the governor may immediately request the assistance of the department of ((community, trade, and economic development)) commerce to mediate any disputes that preclude agreement. If mediation is unsuccessful in resolving all disputes that will lead to agreement, the governor may impose appropriate sanctions from those specified under RCW 36.70A.340 on the county, city, or cities for failure to reach an agreement as provided in this section. The governor shall specify the reason or reasons for the imposition of any sanction.

(e) No later than July 1, 1992, the legislative authority of each county that was required or chose to plan under RCW 36.70A.040 as of June 1, 1991, or no later than fourteen months after the date the county adopted its resolution of intention or was certified by the office of financial management the county legislative authority of any other county that is required or chooses to plan under RCW 36.70A.040, shall adopt a countywide planning policy according to the process provided under this section and that is consistent with the agreement pursuant to (b) of this subsection, and after holding a public hearing or hearings on the proposed countywide planning policy.

(3) A countywide planning policy shall at a minimum, address the following:

(a) Policies to implement RCW 36.70A.110;

(b) Policies for promotion of contiguous and orderly development and provision of urban services to such development;
(c) Policies for siting public capital facilities of a countywide or statewide nature, including transportation facilities of statewide significance as defined in RCW 47.06.140;

(d) Policies for countywide transportation facilities and strategies;

(e) Policies that consider the need for affordable housing, such as housing for all economic segments of the population and parameters for its distribution;

(f) Policies for joint county and city planning within urban growth areas;

(g) Policies for countywide economic development and employment, which must include consideration of the future development of commercial and industrial facilities; and

(h) An analysis of the fiscal impact.

(4) Federal agencies and federally recognized Indian tribes whose reservation or ceded lands lie within the county shall be invited to participate in and cooperate with the countywide planning policy adoption process. Adopted countywide planning policies shall be adhered to by state agencies.

(5) Failure to adopt a countywide planning policy that meets the requirements of this section may result in the imposition of a sanction or sanctions on a county or city within the county, as specified in RCW 36.70A.340. In imposing a sanction or sanctions, the governor shall specify the reasons for failure to adopt a countywide planning policy in order that any imposed sanction or sanctions are fairly and equitably related to the failure to adopt a countywide planning policy.

(6) Cities and the governor may appeal an adopted countywide planning policy to the growth management hearings board within sixty days of the adoption of the countywide planning policy.

(7) Multicounty planning policies shall be adopted by two or more counties, each with a population of four hundred fifty thousand or more, with contiguous urban areas and may be adopted by other counties, according to the process established under this section or other processes agreed to among the counties and cities within the affected counties throughout the multicounty region.

Representative McCaslin moved the adoption of amendment (438):

On page 20, after line 5, insert the following:

"Sec. 209. RCW 43.216.085 and 2019 c 369 s 2 are each amended to read as follows:

(1) The department, in collaboration with tribal governments and community and statewide partners, shall implement a quality rating and improvement system, called the early achievers program. The early achievers program provides a foundation of quality for the early care and education system. The early achievers program is applicable to licensed or certified child care centers and homes and early learning programs such as working connections child care and early childhood education and assistance programs.

(2) The objectives of the early achievers program are to:

(a) Improve short-term and long-term educational outcomes for children as measured by assessments including, but not limited to, the Washington kindergarten inventory of developing skills in RCW 28A.655.080;

(b) Give parents clear and easily accessible information about the quality of child care and early education programs;

(c) Support improvement in early learning and child care programs throughout the state;

(d) Increase the readiness of children for school;

(e) Close the disparities in access to quality care;

(f) Provide professional development and coaching opportunities to early child care and education providers; and

(g) Establish a common set of expectations and standards that define, measure, and improve the quality of early learning and child care settings.

(3) (((a) Licensed or certified child care centers and homes serving nonschool-age children and receiving state subsidy payments must participate in the early achievers program by the required deadlines established in RCW 43.216.135.

(b) Approved early childhood education and assistance program providers..."
receiving state-funded support must participate in the early achievers program by the required deadlines established in RCW 43.216.515.

(c)) Participation in the early achievers program is voluntary for:

(i) Licensed or certified child care centers and homes (not receiving state subsidy payments); and

(ii) Early learning programs (not receiving state funds).

(d) School-age child care providers are exempt from participating in the early achievers program. By July 1, 2017, the department and the office of the superintendent of public instruction shall jointly design a plan to incorporate school-age child care providers into the early achievers program or other appropriate quality improvement system. To test implementation of the early achievers system for school-age child care providers the department and the office of the superintendent of public instruction shall implement a pilot program.

(4)(a) There are five primary levels in the early achievers program.

(b) In addition to the primary levels, the department must establish an intermediate level that is between level 3 and level 4 and serves to assist participants in transitioning to level 4.

(c) Participants are expected to actively engage and continually advance within the program.

(5) The department has the authority to determine the rating cycle for the early achievers program. The department shall streamline and eliminate duplication between early achievers standards and state child care rules in order to reduce costs associated with the early achievers rating cycle and child care licensing.

(a) Early achievers program participants may request to be rated at any time after the completion of all level 2 activities.

(b) The department shall provide an early achievers program participant an update on the participant's progress toward completing level 2 activities after the participant has been enrolled in the early achievers program for fifteen months.

(c) The first rating is free for early achievers program participants.

(d) Each subsequent rating within the established rating cycle is free for early achievers program participants.

(6)(a) Early achievers program participants may request to be rerated outside the established rating cycle. A rerating shall reset the rating cycle timeline for participants.

(b) The department may charge a fee for optional rerating requests made by program participants that are outside the established rating cycle.

(c) Fees charged are based on, but may not exceed, the cost to the department for activities associated with the early achievers program.

(7)(a) The department must create a single source of information for parents and caregivers to access details on a provider's early achievers program rating level, licensing history, and other indicators of quality and safety that will help parents and caregivers make informed choices. The licensing history that the department must provide for parents and caregivers pursuant to this subsection shall only include license suspension, surrender, revocation, denial, stayed suspension, or reinstatement. No unfounded child abuse or neglect reports may be provided to parents and caregivers pursuant to this subsection.

(b) The department shall publish to the department's web site, or offer a link on its web site to, the following information:

(i) Early achievers program rating levels 1 through 5 for all child care programs voluntarily enrolled in the program that receive state subsidy, early childhood education and assistance programs, and federal head start programs in Washington; and

(ii) New early achievers program ratings within (thirty) 30 days after a program becomes licensed or certified, or receives a rating.

(c) The early achievers program rating levels shall be published in a manner that is easily accessible to parents and caregivers and takes into account the linguistic needs of parents and caregivers.
(d) The department must publish early achievers program rating levels for child care programs that (do not receive state subsidy but) have voluntarily joined the early achievers program.

(e) Early achievers program participants who have published rating levels on the department’s web site or on a link on the department’s web site may include a brief description of their program, contingent upon the review and approval by the department, as determined by established marketing standards.

(8)(a) The department shall create a professional development pathway for early achievers program participants to obtain a high school diploma or equivalency or higher education credential in early childhood education, early childhood studies, child development, or an academic field related to early care and education.

(b) The professional development pathway must include opportunities for scholarships and grants to assist early achievers program participants with the costs associated with obtaining an educational degree.

(c) The department shall address cultural and linguistic diversity when developing the professional development pathway.

(9) The early achievers quality improvement awards shall be reserved for participants offering programs to an enrollment population consisting of at least five percent of children receiving a state subsidy.

(10) In collaboration with tribal governments, community and statewide partners, and the early achievers review subcommittee created in RCW 43.216.075, the department shall develop a protocol for granting early achievers program participants an extension in meeting rating level requirement timelines outlined for the working connections child care program and the early childhood education and assistance program.

(a) The department may grant extensions only under exceptional circumstances, such as when early achievers program participants experience an unexpected life circumstance.

(b) Extensions shall not exceed six months, and early achievers program participants are only eligible for one extension in meeting rating level requirement timelines.

(c) Extensions may only be granted to early achievers program participants who have demonstrated engagement in the early achievers program.

(11)(a) The department shall accept national accreditation that meets the requirements of this subsection (11) as a qualification for the early achievers program ratings.

(b) Each national accreditation agency will be allowed to submit its most current standards of accreditation to establish potential credit earned in the early achievers program. The department shall grant credit to accreditation bodies that can demonstrate that their standards meet or exceed the current early achievers program standards. By December 1, 2019, and subject to the availability of amounts appropriated for this specific purpose, the department must submit a detailed plan to the governor and the legislature to implement a robust cross-accreditation process with multiple pathways that allows a provider to earn equivalent early achievers credit resulting from accreditation by high quality national organizations.

(c) Licensed child care centers and child care home providers must meet national accreditation standards approved by the department for the early achievers program in order to be granted credit for the early achievers program standards. Eligibility for the early achievers program is not subject to bargaining, mediation, or interest arbitration under RCW 41.56.028, consistent with the legislative reservation of rights under RCW 41.56.028(4)(d).

(12) The department shall explore the use of alternative quality assessment tools that meet the culturally specific needs of the federally recognized tribes in the state of Washington.

(13) A child care or early learning program that is operated by a federally recognized tribe and receives state funds (may) participate in the early achievers program. The tribe may choose to participate through an interlocal agreement between the tribe and the department. The interlocal agreement must reflect the government-to-government relationship between the
state and the tribe, including recognition of tribal sovereignty. The interlocal agreement must provide that:

(a) Tribal child care facilities and early learning programs may volunteer, but are not required, to be licensed by the department;

(b) Tribal child care facilities and early learning programs are not required to have their early achievers program rating level published to the department's web site or through a link on the department's web site; and

(c) Tribal child care facilities and early learning programs must provide notification to parents or guardians who apply for or have been admitted into their program that early achievers program rating level information is available and provide the parents or guardians with the program's early achievers program rating level upon request.

(14) The department shall consult with the early achievers review subcommittee on all substantial policy changes to the early achievers program.

(15) Nothing in this section changes the department's responsibility to collectively bargain over mandatory subjects or limits the legislature's authority to make programmatic modifications to licensed child care and early learning programs under RCW 41.56.028(4)(d).

NEW SECTION. Sec. 210. RCW 43.216.135 (Child care providers—Subsidy requirements—Tiered reimbursements—Copayments.) and 2020 c 321 s 2 & 2020 c 279 s 1 are each repealed.

Sec. 211. RCW 43.216.515 and 2020 c 321 s 1 are each amended to read as follows:

(1) Approved early childhood education and assistance programs shall receive state-funded support through the department. Public or private organizations including, but not limited to, school districts, educational service districts, community and technical colleges, local governments, or nonprofit organizations, are eligible to participate as providers of the state early childhood education and assistance program.

(2) Funds obtained by providers through voluntary grants or contributions from individuals, agencies, corporations, or organizations may be used to expand or enhance preschool programs so long as program standards established by the department are maintained.

(3) Persons applying to conduct the early childhood education and assistance program shall identify targeted groups and the number of children to be served, program components, the qualifications of instructional and special staff, the source and amount of grants or contributions from sources other than state funds, facilities and equipment support, and transportation and personal care arrangements.

(4) (A new early childhood education and assistance program provider must complete the requirements in this subsection to be eligible to receive state-funded support under the early childhood education and assistance program:

(a) Enroll in the early achievers program within thirty days of the start date of the early childhood education and assistance program contract;

(b)(i) Except as provided in (b)(ii) of this subsection, rate at a level 4 or 5 in the early achievers program within twenty-four months of enrollment. If an early childhood education and assistance program provider rates below a level 4 within twenty-four months of enrollment, the provider must complete remedial activities with the department, and must rate at or request to be rated at a level 4 or 5 within twelve months of beginning remedial activities.

(ii) Licensed or certified child care centers and homes that administer an early childhood education and assistance program shall rate at a level 4 or 5 within twenty-four months of the start date of the early childhood education and assistance program contract. If an early childhood education and assistance program provider rates below a level 4 within twenty-four months, the provider must complete remedial activities with the department, and must rate at or request to be rated at a level 4 or 5 within twelve months of beginning remedial activities.

(5)(a) If an early childhood education and assistance program provider has successfully completed all of the required early achievers program activities and is waiting to be rated by
the deadline provided in this section, the provider may continue to participate in the early achievers program as an approved early childhood education and assistance program provider and receive state subsidy pending the successful completion of a level 4 or 5 rating.

(b) To avoid disruption, the department may allow for early childhood education and assistance program providers who have rated below a level 4 after completion of the twelve-month remedial period to continue to provide services until the current school year is finished.

(c)(i) If the early childhood education and assistance program provider described under subsection (4)(b)(i) or (ii) of this section does not rate or request to be rated at a level 4 or 5 following the remedial period, the provider is not eligible to receive state-funded support under the early childhood education and assistance program under this section.

(ii) If the early childhood education and assistance program provider described under subsection (4)(b)(i) or (ii) of this section does not rate at a level 4 or 5 when the rating is released following the remedial period, the provider is not eligible to receive state-funded support under the early childhood education and assistance program under this section.

(6)(a) When an early childhood education and assistance program in good standing changes classroom locations to a comparable or improved space within the same facility, a rerating is not required outside of the regular rerating and renewal cycle.

(b) When an early childhood education and assistance program in good standing moves to a new facility, the provider must notify the department of the move within six months of changing locations in order to retain their existing rating. The early achievers program must conduct an observational visit to ensure the new classroom space is of comparable or improved environmental quality. If a provider fails to notify the department within six months of a move, the early achievers rating must be changed from the posted rated level to "Participating, Not Yet Rated" and the provider will cease to receive tiered reimbursement incentives until a new rating is completed.

(7)) The department shall collect data periodically to determine the demand for full-day programming for early childhood education and assistance program providers. The department shall analyze this demand by geographic region and shall include the findings in the annual report required under RCW 43.216.089.

((45)) (5) The department shall develop multiple pathways for licensed or certified child care centers and homes to administer an early childhood education and assistance program. (The pathways shall include an accommodation for these providers to rate at a level 4 or 5 in the early achievers program according to the timelines and standards established in subsection (4)(b)(ii) of this section. The department must consider using the intermediate level that is between level 3 and level 4 as described in RCW 43.216.085, incentives, and front-end funding in order to encourage providers to participate in the pathway.)

POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (421).

SPEAKER’S RULING

“The title of the bill is an act relating to expanding accessible, affordable childcare and early childhood development programs.

The bill establishes an account for childcare and early learning purposes, modifies eligibility, as well as rates, training, grants and services for childcare and early learning programs, and expands services for certain children and their providers.

Amendment (421) appropriates funds to provide broadband service.

Broadband service is a separate and distinct topic from the issue presented in the bill before us – whether to expand childcare and early childhood development programs.

The Speaker therefore finds and rules that the amendment is outside the scope and object of the bill.

The point of order is well taken.”

Representative Dent moved the adoption of striking amendment (439):

"Thank you, Madame Speaker. Please give me a second to collect my emotions. Thank you, Madame Speaker. Working families are the backbone that keep our communities strong. Our economy must support the
way they support us. This bill puts dollars back in the pockets of Washingtonians who need it most. Those hit hardest by the pandemic. Low income families. People with disabilities. Students. Domestic violence survivors. And people of color and immigrants who are unfairly excluded from other stimulus programs who are overrepresented among households eligible for this opportunity. Madame Speaker, immigrants and refugees are strong. We are resilient survivors. We dream of a world that our children can succeed because they showed us what’s possible every day.

I witnessed my parent’s dream when they hustled to learn English. Taking any low paying job that they could find. My Dad, served as 1st Lieutenant in the army of South Vietnam with a university degree in economics and political science. When we came here as refugees, he worked to maintain parts for the city of Federal Way until he could no longer work. My Mother, was vice president of a national bank of South Vietnam. In her last job, before her passing, she was a barista at St. Francis hospital.

My parents diligently paid their taxes every year long before we became naturalized U.S. citizens. They worked hard for us because they believed in the American Dream. Madame Speaker, the working family tax credit is our promise to the people of Washington. A promise to people like my parents that if they work hard, they can achieve their dreams, build better lives for their children and their community. The community will rise up to support them.

I am voting yes to uphold that promise to working families because everyone deserves to live their American Dream. Thank you, Madame Speaker.”

if, with respect to such offering or obligation by a nursing home, the department has, upon application under subsection (2) of this section, granted an exemption from such requirement to the organization, combination of organizations, or facility.

(2) A health maintenance organization, combination of health maintenance organizations, or health care facility shall not be exempt under subsection (1) of this section from obtaining a certificate of need before offering a tertiary health service unless:

(b) The application contains such information respecting the organization, combination, or facility and the proposed offering or obligation by a nursing home as the department may require to determine if the organization or combination meets the requirements of subsection (1) of this section or the facility meets or will meet such requirements; and

(c) The department approves such application. The department shall approve or disapprove an application for exemption within thirty days of receipt of a completed application. In the case of a proposed health care facility (or portion thereof) which has not begun to provide tertiary health services on the date an application is submitted under this subsection with respect to such facility (or portion), the facility (or portion) shall meet the applicable requirements of subsection (1) of this section when the facility first provides such services. The department shall approve an application submitted under this subsection if it determines that the applicable requirements of subsection (1) of this section are met.

(3) A health care facility (or any part thereof) with respect to which an exemption was granted under subsection (1) of this section may not be sold or leased and a controlling interest in such

(a) The department issues a certificate of need approving the sale, lease, acquisition, or use; or

(b) The department determines, upon application, that (i) the entity to which the facility is proposed to be sold or leased, which intends to acquire the controlling interest, or which intends to use the facility is a health maintenance organization or a combination of health maintenance organizations which meets the requirements of (1)(a)(i), and (ii) with respect to such facility, meets the requirements of (1)(a)(ii) or (iii) or the requirements of (1)(b)(i) and (ii).

(4) In the case of a health maintenance organization, an ambulatory care facility, or a health care facility, which ambulatory or health care facility is controlled, directly or indirectly, by a health maintenance organization or a combination of health maintenance organizations, the department may under the program apply its certificate of need requirements to the offering of inpatient tertiary health services to the extent that such offering is not exempt under the provisions of this section or RCW 70.38.105(7).

(5)(a) The department shall not require a certificate of need for the construction, development, or other establishment of a nursing home, or the addition of beds to an existing nursing home, that is owned and operated by a continuing care retirement community that:

(i) Offers services only to contractual members;

(ii) Provides its members a contractually guaranteed range of services from independent living through skilled nursing, including some assistance with daily living activities;

(iii) Contractually assumes responsibility for the cost of services exceeding the member's financial responsibility under the contract, so that no third party, with the exception of insurance purchased by the retirement community or its members, but including the medicaid program, is liable for costs of care even if the member depletes his or her personal resources;

(iv) Has offered continuing care contracts and operated a nursing home continuously since January 1, 1988, or has obtained a certificate of need to establish a nursing home;

(v) Maintains a binding agreement with the state assuring that financial liability for services to members, including nursing home services, will not fall upon the state;

(vi) Does not operate, and has not undertaken a project that would result in a number of nursing home beds in excess of one for every four living units operated by the continuing care retirement community, exclusive of nursing home beds; and

(vii) Has obtained a professional review of pricing and long-term solvency within the prior five years which was fully disclosed to members.

(b) A continuing care retirement community shall not be exempt under this subsection from obtaining a certificate of need unless:

(i) It has submitted an application for exemption at least thirty days prior to commencing construction of, is submitting an application for the licensure of, or is commencing operation of a nursing home, whichever comes first; and

(ii) The application documents to the department that the continuing care retirement community qualifies for exemption.

(c) The sale, lease, acquisition, or use of part or all of a continuing care retirement community nursing home that qualifies for exemption under this subsection shall require prior certificate of need approval to qualify for licensure as a nursing home unless the department determines such sale, lease, acquisition, or use is by a continuing care retirement community that meets the conditions of (a) of this subsection.

(6) A rural hospital, as defined by the department, reducing the number of licensed beds to become a rural primary care hospital under the provisions of Part A Title XVIII of the Social Security Act Section 1820, 42 U.S.C., 1395c et seq. may, within three years of the reduction of beds licensed under chapter
70.41 RCW, increase the number of licensed beds to no more than the previously licensed number without being subject to the provisions of this chapter.

(7) A rural health care facility licensed under RCW 70.175.100 formerly licensed as a hospital under chapter 70.41 RCW may, within three years of the effective date of the rural health care facility license, apply to the department for a hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW and there is no redistribution in the number of beds used for acute care or long-term care, the rural health care facility has been in continuous operation, and the rural health care facility has not been purchased or leased.

(8) A rural hospital determined to no longer meet critical access hospital status for state law purposes as a result of participation in the Washington rural health access preservation pilot identified by the state office of rural health and formerly licensed as a hospital under chapter 70.41 RCW may apply to the department to renew its hospital license and not be subject to the requirements of RCW 70.38.105(4)(a) as the construction, development, or other establishment of a new hospital, provided there is no increase in the number of beds previously licensed under chapter 70.41 RCW and there is no redistribution in the number of beds used for acute care or long-term care, the rural health care facility has been in continuous operation, and the rural health care facility has not been purchased or leased.

(9)(a) A nursing home that voluntarily reduces the number of its licensed beds to provide assisted living, licensed assisted living facility care, adult day care, adult day health, respite care, hospice, outpatient therapy services, congregate meals, home health, or senior wellness clinic, or to reduce to one or two the number of beds per room or to otherwise enhance the quality of life for residents in the nursing home, may convert the original facility or portion of the facility back, and thereby increase the number of nursing home beds to no more than the previously licensed number of nursing home beds without obtaining a certificate of need under this chapter, provided the facility has been in continuous operation and has not been purchased or leased. Any conversion to the original licensed bed capacity, or to any portion thereof, shall comply with the same life and safety code requirements as existed at the time the nursing home voluntarily reduced its licensed beds; unless waivers from such requirements were issued, in which case the converted beds shall reflect the conditions or standards that then existed pursuant to the approved waivers.

(b) To convert beds back to nursing home beds under this subsection, the nursing home must:

(i) Give notice of its intent to preserve conversion options to the department of health no later than thirty days after the effective date of the license reduction; and

(ii) Give notice to the department of health and to the department of social and health services of the intent to convert beds back. If construction is required for the conversion of beds back, the notice of intent to convert beds back must be given, at a minimum, one year prior to the effective date of license modification reflecting the restored beds; otherwise, the notice must be given a minimum of ninety days prior to the effective date of license modification reflecting the restored beds. Prior to any license modification to convert beds back to nursing home beds under this section, the licensee must demonstrate that the nursing home meets the certificate of need exemption requirements of this section.

The term "construction," as used in (b)(ii) of this subsection, is limited to those projects that are expected to equal or exceed the expenditure minimum amount, as determined under this chapter.

(c) Conversion of beds back under this subsection must be completed no later than four years after the effective date of the license reduction. However, for good cause shown, the four-year period for conversion may be extended by the department of health for one additional four-year period.
(d) Nursing home beds that have been voluntarily reduced under this section shall be counted as available nursing home beds for the purpose of evaluating need under RCW 70.38.115(2) (a) and (k) so long as the facility retains the ability to convert them back to nursing home use under the terms of this section.

(e) When a building owner has secured an interest in the nursing home beds, which are intended to be voluntarily reduced by the licensee under (a) of this subsection, the applicant shall provide the department with a written statement indicating the building owner's approval of the bed reduction.

(10)(a) The department shall not require a certificate of need for a hospice agency if:

(i) The hospice agency is designed to serve the unique religious or cultural needs of a religious group or an ethnic minority and commits to furnishing hospice services in a manner specifically aimed at meeting the unique religious or cultural needs of the religious group or ethnic minority;

(ii) The hospice agency is operated by an organization that:

(A) Operates a facility, or group of facilities, that offers a comprehensive continuum of long-term care services, including, at a minimum, a licensed, medicare-certified nursing home, assisted living, independent living, day health, and various community-based support services, designed to meet the unique social, cultural, and religious needs of a specific cultural and ethnic minority group;

(B) Has operated the facility or group of facilities for at least ten continuous years prior to the establishment of the hospice agency;

(iii) The hospice agency commits to coordinating with existing hospice programs in its community when appropriate;

(iv) The hospice agency has a census of no more than forty patients;

(v) The hospice agency commits to obtaining and maintaining medicare certification;

(vi) The hospice agency only serves patients located in the same county as the majority of the long-term care services offered by the organization that operates the agency; and

(vii) The hospice agency is not sold or transferred to another agency.

(b) The department shall include the patient census for an agency exempted under this subsection (10) in its calculations for future certificate of need applications.

(11) To alleviate the need to board psychiatric patients in emergency departments and increase capacity of hospitals to serve individuals on ninety-day or one hundred eighty-day commitment orders, for the period of time from May 5, 2017, through June 30, 2023:

(a) The department shall suspend the certificate of need requirement for a hospital licensed under chapter 70.41 RCW that changes the use of licensed beds to increase the number of beds to provide psychiatric services, including involuntary treatment services. A certificate of need exemption under this subsection (11)(a) shall be valid for two years.

(b) The department may not require a certificate of need for:

(i) The addition of beds as described in RCW 70.38.260 (2) and (3); or

(ii) The construction, development, or establishment of a psychiatric hospital licensed as an establishment under chapter 71.12 RCW that will have no more than sixteen beds and provide treatment to adults on ninety or one hundred eighty-day involuntary commitment orders, as described in RCW 70.38.260(4).

(ii) Operated or received approval to operate, prior to January 19, 2018; and

(iii) Was exempt from certificate of need requirements prior to January 19, 2018, because the facility either:

(A) Was determined to be exempt from certificate of need requirements pursuant to a determination of reviewability issued by the department; or
(B) Was a single-specialty endoscopy center in existence prior to January 14, 2003, when the department determined that endoscopy procedures were surgeries for purposes of certificate of need.

(b) The exemption under this subsection:

(i) Applies regardless of future changes of ownership, corporate structure, or affiliations of the individual or group practice as long as the use of the facility remains limited to physicians in the group practice; and

(ii) Does not apply to changes in services, specialties, or number of operating rooms.

(13) A rural health clinic providing health services in a home health shortage area as declared by the department pursuant to 42 C.F.R. Sec. 405.2416 is not subject to certificate of need review under this chapter.

Sec. 2. RCW 70.38.260 and 2019 c 324 s 9 are each amended to read as follows:

(3)(a) Until June 30, 2023, a psychiatric hospital licensed as an establishment under chapter 71.12 RCW is exempt from certificate of need requirements for the one-time addition of up to (thirty) 30 new psychiatric beds, and for the one-time addition of up to sixty psychiatric beds devoted solely to ninety-day and one hundred eighty-day civil commitment patients if the hospital was awarded any grant by the department of commerce to increase behavioral health capacity in fiscal year 2019 and devoted solely for 90-day and 180-day civil commitment services and for the one-time addition of up to 30 new voluntary psychiatric beds or involuntary psychiatric beds for patients on a 120 hour detention or 14-day civil commitment order, if the hospital makes a commitment to maintain a payer mix of at least fifty percent medicare and medicaid based on a calculation using patient days for a period of five consecutive years after the beds are made available for use by patients, if it demonstrates to the satisfaction of the department:

(i) That its most recent two years of publicly available fiscal year-end report data as required under RCW 70.170.100 and 43.70.050 reported to the department by the psychiatric hospital, show a payer mix of a minimum of fifty percent medicare and medicaid based on a calculation using patient days; and

(b) A psychiatric hospital that adds new psychiatric beds under this subsection (3) must:

(i) Notify the department of the addition of new psychiatric beds. The department shall provide the psychiatric hospital with a notice of exemption within thirty days; and
(ii) Commence the project within two years of the date of receipt of the notice of exemption.

(c) Beds granted an exemption under RCW 70.38.111(11)(b) must remain the types of psychiatric beds indicated to the department in the original exemption application unless a certificate of need is granted to change their use or the psychiatric hospital voluntarily reduces its licensed capacity.

(4)(a) Until June 30, 2023, an entity seeking to construct, develop, or establish a psychiatric hospital licensed as an establishment under chapter 71.12 RCW is exempt from certificate of need requirements if the proposed psychiatric hospital will have no more than sixteen beds and dedicate a portion of the beds to providing treatment to adults on ninety or one hundred eighty-day involuntary commitment orders. NEW SECTION. Sec. 2. A new section is added to chapter 64.32 RCW to read as follows:

(1) Notwithstanding any inconsistent provision in the governing documents, notice to the association of apartment owners, board of directors, or any apartment owner or occupant of an apartment under this chapter shall be in writing and shall be provided to the recipient by personal delivery, public or private mail or delivery service, or by electronic transmission as provided in this section: PROVIDED, That if this chapter requires different or additional notice requirements for particular circumstances, those requirements shall apply.

(2) Notice in a tangible medium shall be provided as follows:

(a) Notice to the association of apartment owners or board of directors shall be addressed to the association's registered agent at its registered office, to the association at its principal office shown in its most recent annual report, or to an address provided by the association to the apartment owners.

(b) Notice to an apartment owner or occupant shall be addressed to the apartment address unless the apartment owner has requested, in a writing delivered to the association, that notices be sent to an alternate address.

(3) Notice in an electronic transmission shall be provided as follows:

(a) Notice to the association of apartment owners, the board of directors, or apartment owners by electronic transmission is effective only upon those who have consented, in writing, to receive electronically transmitted notices under this chapter and have designated the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law.

(b) Notice under this subsection includes any materials that accompany the notice.

(c) Owners who have consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association of apartment owners in writing.

(d) The consent of any apartment owner is revoked if the association is unable to electronically transmit two consecutive notices and this inability becomes known to the secretary of the association of apartment owners or any other person responsible for giving the notice. The inadvertent failure by the association of apartment owners to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to apartment owners who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the apartment owner separate notice of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(4) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and separate notice of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(5) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(6) This chapter modifies, limits, and supersedes the federal electronic

NEW SECTION. Sec. 3. A new section is added to chapter 64.32 RCW to read as follows:

(1) Apartment owners may vote at a meeting in person, by absentee ballot pursuant to subsection (3)(d) of this section, or by a proxy pursuant to subsection (5) of this section.

(2) When a vote is conducted without a meeting, apartment owners may vote by ballot pursuant to subsection (6) of this section.

(3) At a meeting of apartment owners the following requirements apply:

(a) Apartment owners or their proxies who are present in person may vote by voice vote, show of hands, standing, written ballot, or any other method for determining the votes of apartment owners, as designated by the person presiding at the meeting.

(b) If only one of several apartment owners of an apartment is present, that apartment owner is entitled to cast all the votes allocated to that apartment. If more than one of the apartment owners are present, the votes allocated to that apartment may be cast only in accordance with the agreement of a majority in interest of the apartment owners, unless the declaration expressly provides otherwise. There is a majority agreement if any one of the apartment owners casts the votes allocated to the apartment without protest being made promptly to the person presiding over the meeting by any of the other apartment owners of the apartment.

(c) Unless a greater number or fraction of the votes in the association is required under this chapter or the declaration or organizational documents, a majority of the votes cast determines the outcome of any action of the association.

(d) Whenever proposals or board members are to be voted upon at a meeting, an apartment owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(4) When an apartment owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the apartment owner having the right to do so.

(5) Except as provided otherwise in the declaration or organizational documents, the following requirements apply with respect to proxy voting:

(a) Votes allocated to an apartment may be cast pursuant to a directed or undirected proxy duly executed by an apartment owner in the same manner as provided in RCW 24.06.110.

(b) If an apartment is owned by more than one person, each apartment owner of the apartment may vote or register protest to the casting of votes by the other apartment owners of the apartment through a duly executed proxy.

(c) An apartment owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of an apartment owner does not revoke a proxy given by the apartment owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(6) Unless prohibited or limited by the declaration or organizational documents, an association may conduct a vote without a meeting. In that event, the following requirements apply:

(a) The association must notify the apartment owners that the vote will be taken by ballot.

(b) The notice must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than fourteen days after the date of the notice, and which deadline may be
extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to meet the quorum requirements;

(iii) The percent of votes necessary to approve each matter other than election of board members; and

(iv) The time, date, and manner by which apartment owners wishing to deliver information to all apartment owners regarding the subject of the vote may do so.

(c) The association must deliver a ballot to every apartment owner with the notice.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation. The death or disability of an apartment owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b)(i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board of directors may extend the deadline for a reasonable period not to exceed eleven months upon further notice to all members in accordance with (b)(i) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to apartment owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than apartment owners of leased apartments:

(a) This section applies to lessees as if they were apartment owners;

(b) Apartment owners that have leased their apartments to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were apartment owners.

(8) Apartment owners must also be given notice, in the manner provided in section 2 of this act, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the apartment owners, votes allocated to an apartment owned by the association must be cast in the same proportion as the votes cast on the matter by apartment owners other than the association.

(10) Except as otherwise restricted by the declaration, bylaws, or articles of incorporation, meetings of apartment owners may be conducted by telephonic, video, or other conferencing process, if:

(a) The meeting notice states the conferencing process to be used and provides information explaining how apartment owners may participate in the conference directly or by meeting at a central location or conference connection; and (b) the process provides all apartment owners the opportunity to hear or perceive the discussion and to comment.

Sec. 4. RCW 64.34.020 and 2011 c 189 s 1 are each reenacted and amended to read as follows:

A person "controls" another person if the person: (a) Is a general partner, officer, director, or employer of the referenced person; (b) directly or indirectly or acting in concert with one

"Conversion condominium" shall not include a condominium in which, before July 1, 1990, any unit therein had been conveyed or been made subject to an agreement to convey to any transferee.

   (b) Any person who reserves any special declarant right in the declaration; or
   (c) Any person who exercises special declarant rights or to whom special declarant rights are transferred; or

(24) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of that reserve component by its effective age, then dividing the result by that reserve component's useful life. The sum total of all reserve components' fully funded balances is the association's fully funded balance.

(25) "Identifying number" means the designation of each unit in a condominium.

(26) "Leasehold condominium" means a condominium in which all or a portion of the real property is subject to a lease, the expiration or termination of which will terminate the condominium or reduce its size.

(32) "Real property" means any fee, leasehold or other estate or interest in, over, or under land, including structures, fixtures, and other improvements thereon and easements, rights and interests appurtenant thereto which by custom, usage, or law pass with a conveyance of land although not described in the contract of sale or instrument of conveyance. (40) "Timeshare" shall have the meaning specified in the timeshare act, RCW 64.36.010(11).

(41) "Unit" means a physical portion of the condominium designated for separate ownership, the boundaries of which are described pursuant to RCW 64.34.216(1)(d). (42) "Unit owner" means a declarant or other person who owns a unit or leases a unit in a leasehold condominium under a lease that expires simultaneously with any lease, the expiration or termination of which will remove the unit from the condominium, but does not include a person who has an interest in a unit solely as security for an obligation. (43) "Useful life" means the estimated time, between years, that major maintenance, repair, or replacement is estimated to occur.

Sec. 5. RCW 64.34.332 and 1989 c 43 s 3-109 are each amended to read as follows:

(1) A meeting of the association must be held at least once each year. Special meetings of the association may be called by the president, a majority of the board of directors, or by unit owners having twenty percent or any lower percentage specified in the declaration or bylaws of the votes in the association. Not less than ((ten)) fourteen nor more than ((sixty)) fifty days in advance of any meeting, the secretary or other officer specified in the bylaws shall cause notice to be ((hand-delivered or sent prepaid by first-class United States mail)) provided in accordance with this chapter. The notice of any meeting shall state the time and place of the meeting and the items on the agenda to be voted on by the members, including the general nature of any proposed amendment to the declaration or bylaws, changes in the previously approved budget that result in a change in assessment obligations, and any proposal to remove a director or officer.

(2) Except as otherwise restricted by the declaration, bylaws, or articles of incorporation, meetings of unit owners may be conducted by telephonic, video, or other conferencing process, if: (a) The meeting notice states the conferencing process to be used and provides information explaining how unit owners may participate in the conference directly or by meeting at a central location or conference connection; and (b) the process provides all unit owners the opportunity to hear or perceive the discussion and to comment.

Sec. 6. RCW 64.34.340 and 1992 c 220 s 17 are each amended to read as follows:

(1) If only one of the multiple owners of a unit is present at a meeting of the association or has delivered a written ballot or proxy to the association secretary, the owner is entitled to cast all the votes allocated to that unit. If more than one of the multiple owners are present or has delivered a written ballot or proxy to the association secretary, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the multiple owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the multiple owners casts the votes allocated to that unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.

(2) Votes allocated to a unit may be cast pursuant to a proxy duly executed by a unit owner. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through a duly executed proxy. A unit owner may not revoke a proxy given pursuant to this section except by actual notice of revocation to the person presiding over a meeting of the association. A proxy is void if it is not dated or purports to be revocable without notice. Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(3) If the declaration requires that votes on specified matters affecting the condominium be cast by lessees rather than unit owners of leased units: (a) The provisions of subsections (1) and (2) of this section apply to lessees as if they were unit owners; (b) unit owners who have leased their units to other persons may not cast votes on those specified matters; and (c) lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners. Unit owners must also be given notice, in the manner provided in RCW 64.34.332, of all meetings at which lessees may be entitled to vote.
(4) No votes allocated to a unit owned by the association may be cast, and in determining the percentage of votes required to act on any matter, the votes allocated to units owned by the association shall be disregarded.)

(1) Unit owners may vote at a meeting in person, by absentee ballot pursuant to subsection (3)(d) of this section, or by a proxy pursuant to subsection (5) of this section.

(2) When a vote is conducted without a meeting, unit owners may vote by ballot pursuant to subsection (6) of this section.

(3) At a meeting of unit owners the following requirements apply:

(a) Unit owners or their proxies who are present in person may vote by voice vote, show of hands, standing, written ballot, or any other method for determining the votes of unit owners, as designated by the person presiding at the meeting.

(b) If only one of several unit owners of a unit is present, that unit owner is entitled to cast all the votes allocated to that unit. If more than one of the unit owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the unit owners, unless the declaration expressly provides otherwise. There is a majority agreement if any one of the unit owners casts the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other unit owners of the unit.

(c) Unless a greater number or fraction of the votes in the association is required under this chapter or the declaration or organizational documents, a majority of the votes cast determines the outcome of any action of the association.

(d) Whenever proposals or board members are to be voted upon at a meeting, a unit owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(4) When a unit owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit owner having the right to do so.

(5) Except as provided otherwise in the declaration or organizational documents, the following requirements apply with respect to proxy voting:

(a) Votes allocated to a unit may be cast pursuant to a directed or undirected proxy duly executed by a unit owner in the same manner as provided in RCW 24.06.110.

(b) If a unit is owned by more than one person, each unit owner of the unit may vote or register protest to the casting of votes by the other unit owners of the unit through a duly executed proxy.

(c) A unit owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of a unit owner does not revoke a proxy given by the unit owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(6) Unless prohibited or limited by the declaration or organizational documents, an association may conduct a vote without a meeting. In that event, the following requirements apply:

(a) The association must notify the unit owners that the vote will be taken by ballot.

(b) The notice must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than fourteen days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to meet the quorum requirements;
(iii) The percent of votes necessary to approve each matter other than election of board members; and

(iv) The time, date, and manner by which unit owners wishing to deliver information to all unit owners regarding the subject of the vote may do so.

(c) The association must deliver a ballot to every unit owner with the notice.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation. The death or disability of a unit owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b)(i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board of directors may extend the deadline for a reasonable period not to exceed eleven months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to unit owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than unit owners of leased units:

(a) This section applies to lessees as if they were unit owners;

(b) Unit owners that have leased their units to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners.

(8) Unit owners must also be given notice, in the manner provided in section 8 of this act, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the unit owners, votes allocated to a unit owned by the association must be cast in the same proportion as the votes cast on the matter by unit owners other than the association.

Sec. 7. RCW 64.34.352 and 1992 c 220 s 18 are each amended to read as follows:

(1) Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association shall maintain, to the extent reasonably available:

(a) Property insurance on the condominium, which may, but need not, include equipment, improvements, and betterments in a unit installed by the declarant or the unit owners, insuring against all risks of direct physical loss commonly insured against. The total amount of insurance after application of any deductibles shall be not less than eighty percent, or such greater amount specified in the declaration, of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies; and

(b) Liability insurance, including medical payments insurance, in an amount determined by the board of directors but not less than the amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

(2) If the insurance described in subsection (1) of this section is not
reasonably available, or is modified, canceled, or not renewed, the association promptly shall cause notice of that fact to be provided to each unit owner in accordance with this chapter and hand-delivered or sent prepaid by first-class United States mail (to all unit owners) to each eligible mortgagee(, and to each mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last known addresses. The declaration may require the association to carry any other insurance, and the association in any event may carry any other insurance it deems appropriate to protect the association or the unit owners.

(3) Insurance policies carried pursuant to subsection (1) of this section shall provide that:

(a) Each unit owner is an insured person under the policy with respect to liability arising out of the owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit owner, member of the owner's household, and lessee of the owner;

(c) No act or omission by any unit owner, unless acting within the scope of the owner's authority on behalf of the association, will void the policy or be a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same risk covered by the policy, the association's policy provides primary insurance.

(4) Any loss covered by the property insurance under subsection (1)(a) of this section must be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a mortgage. The insurance trustee or the association shall hold any insurance proceeds in trust for unit owners and lienholders as their interests may appear. Subject to the provisions of subsection (7) of this section, the proceeds must be disbursed first for the repair or restoration of the damaged property, and unit owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored or the condominium is terminated.

(5) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for the owner's own benefit.

(6) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit owner or holder of a mortgage. The insurer issuing the policy may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy unless the insurer has complied with all applicable provisions of chapter 48.18 RCW pertaining to the cancellation or nonrenewal of contracts of insurance. The insurer shall not modify the amount or the extent of the coverage of the policy, or cancel or refuse to renew the policy without complying with this section.

(7) Any portion of the condominium for which insurance is required under this section which is damaged or destroyed shall be repaired or replaced promptly by the association unless: (a) The condominium is terminated; (b) repair or replacement would be illegal under any state or local health or safety statute or ordinance; or (c) eighty percent of the unit owners, including every owner of a unit or assigned limited common element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense. If all of the damaged or destroyed portions of the condominium are not repaired or replaced: (i) The insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the condominium; (ii) the insurance proceeds attributable to units and limited common elements which are not rebuilt shall be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and (iii) the remainder of the proceeds shall be distributed to all the unit owners or lienholders, as their interests may appear, in proportion to the common element interests of all the units. If the unit owners vote not to rebuild any
unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under RCW 64.34.060(1), and the association promptly shall prepare, execute, and record an amendment to the declaration reflecting the reallocations. Notwithstanding the provisions of this subsection, RCW 64.34.268 governs the distribution of insurance proceeds if the condominium is terminated.

(8) The provisions of this section may be varied or waived as provided in the declaration if all units of a condominium are restricted to nonresidential use.

NEW SECTION. Sec. 8. A new section is added to chapter 64.34 RCW to read as follows:

(1) Notwithstanding any inconsistent provision in the governing documents, notice to the association, board of directors, or any owner or occupant of a unit under this chapter shall be in writing and shall be provided to the recipient by personal delivery, public or private mail or delivery service, or by electronic transmission as provided in this section: PROVIDED, That if this chapter requires different or additional notice requirements for particular circumstances, those requirements shall apply.

(2) Notice in a tangible medium shall be provided as follows:

(a) Notice to the association or board of directors shall be addressed to the association's registered agent at its registered office, to the association at its principal office shown in its most recent annual report, or to an address provided by the association to the unit owners.

(b) Notice to a unit owner or occupant shall be addressed to the unit address unless the unit owner has requested, in a writing delivered to the association, that notices be sent to an alternate address.

(3) Notice in an electronic transmission shall be provided as follows:

(a) Notice to the association, the board of directors, or unit owners by electronic transmission is effective only upon those who have consented, in writing, to receive electronically transmitted notices under this chapter and have designated the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law.

(b) Notice under this subsection includes any materials that accompany the notice.

(c) Owners who have consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association in writing.

(d) The consent of any owner is revoked if the association is unable to electronically transmit two consecutive notices and this inability becomes known to the secretary of the association or any other person responsible for giving the notice. The inadvertent failure by the association to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to unit owners who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the unit owner separate notice of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(4) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and separate notice of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(5) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(6) This chapter modifies, limits, and supersedes the federal electronic signatures in global and national

Sec. 10. RCW 64.38.035 and 2014 c 20 s 1 are each amended to read as follows:

(1) A meeting of the association must be held at least once each year. Special meetings of the association may be called by the president, a majority of the board of directors, or by owners having ten percent of the votes in the association. The association must make available to each owner of record for examination and copying minutes from the previous association meeting not more than sixty days after the meeting. Minutes of the previous association meeting must be approved at the next association meeting in accordance with the association's governing documents.

(2) Not less than fourteen nor more than ((sixty)) fifty days in advance of any meeting of the association, the secretary or other officers specified in the bylaws shall ((provide written)) cause notice of the meeting to be provided to each owner ((of record by:)

Notice to owners by an electronic transmission complies with this section only with respect to those owners who have delivered to the secretary or other officers specified in the bylaws a written record consenting to receive electronically transmitted notices. An owner who has consented to receipt of electronically transmitted notices may revoke the consent at any time by delivering a written record to the secretary or other officer specified in the bylaws. Consent is deemed revoked if the secretary or other officer specified in the bylaws is unable to electronically transmit two consecutive notices given in accordance with the consent)

in accordance with this chapter.

(3) The notice of any meeting shall state the time and place of the meeting and the business to be placed on the agenda by the board of directors for a vote by the owners, including the general nature of any proposed amendment to the articles of incorporation, bylaws, any budget or changes in the previously approved budget that result in a change in assessment obligation, and any proposal to remove a director.

(4) Except as provided in this subsection, all meetings of the board of directors shall be open for observation by all owners of record and their authorized agents. The board of directors shall keep minutes of all actions taken by the board, which shall be available to all owners. Upon the affirmative vote in open meeting to assemble in closed session, the board of directors may convene in closed executive session to consider personnel matters; consult with legal counsel or consider communications with legal counsel; and discuss likely or pending litigation, matters involving possible violations of the governing documents of the association, and matters involving the possible liability of an owner to the association. The motion shall state specifically the purpose for the closed session. Reference to the motion and the stated purpose for the
closed session shall be included in the minutes. The board of directors shall restrict the consideration of matters during the closed portions of meetings only to those purposes specifically exempted and stated in the motion. No motion, or other action adopted, passed, or agreed to in closed session may become effective unless the board of directors, following the closed session, reconvenes in open meeting and votes in the open meeting on such motion, or other action which is reasonably identified. The requirements of this subsection shall not require the disclosure of information in violation of law or which is otherwise exempt from disclosure.

(5) Except as otherwise restricted by the governing documents, meetings of the association may be conducted by telephonic, video, or other conferencing process, if: (a) The meeting notice states the conferencing process to be used and provides information explaining how owners may participate in the conference directly or by meeting at a central location or conference connection; and (b) the process provides all owners the opportunity to hear or perceive the discussion and to comment.

NEW SECTION. Sec. 11. A new section is added to chapter 64.38 RCW to read as follows:

(1) Notwithstanding any inconsistent provision in the governing documents, notice to the association of apartment owners, board, or any apartment owner or occupant of an apartment under this chapter shall be in writing and shall be provided to the recipient by personal delivery, public or private mail or delivery service, or by electronic transmission as provided in this section: PROVIDED, That if this chapter requires different or additional notice requirements for particular circumstances, those requirements shall apply.

(2) Notice in a tangible medium shall be provided as follows:

(b) Notice to a lot owner or occupant shall be addressed to the lot address unless the owner has requested, in a writing delivered to the association, that notices be sent to an alternate address.

(3) Notice in an electronic transmission shall be provided as follows:

(a) Notice to the association, the board, or lot owners by electronic transmission is effective only upon those who have consented, in writing, to receive electronically transmitted notices under this chapter and have designated the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law.

(b) Notice under this subsection includes any materials that accompany the notice.

(c) Owners who have consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association in writing.

(d) The consent of any lot owner is revoked if the association is unable to electronically transmit two consecutive notices and this inability becomes known to the secretary of the association of apartment owners or any other person responsible for giving the notice. The inadvertent failure by the association of apartment owners to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to lot owners who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the owner separate notice of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(4) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system
designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and separate notice of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(5) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(6) This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede 15 U.S.C. Sec. 7001(c) or authorize electronic delivery of any of the notices described in 15 U.S.C. Sec. 7003(b).

NEW SECTION. Sec. 12. A new section is added to chapter 64.38 RCW to read as follows:

(1) Owners may vote at a meeting in person, by absentee ballot pursuant to subsection (3)(d) of this section, or by a proxy pursuant to subsection (5) of this section.

(2) When a vote is conducted without a meeting, owners may vote by ballot pursuant to subsection (6) of this section.

(3) At a meeting of owners the following requirements apply:

(a) Owners or their proxies who are present in person may vote by voice vote, show of hands, standing, written ballot, or any other method for determining the votes of owners, as designated by the person presiding at the meeting.

(b) If only one of several owners of a lot is present, that lot owner is entitled to cast all the votes allocated to that lot. If more than one of the lot owners are present, the votes allocated to that lot may be cast only in accordance with the agreement of a majority in interest of the lot owners, unless the declaration expressly provides otherwise. There is a majority agreement if any one of the lot owners casts the votes allocated to the lot without protest being made promptly to the person presiding over the meeting by any of the other lot owners of the lot.

(c) Unless a greater number or fraction of the votes in the association is required under this chapter or the declaration or organizational documents, a majority of the votes cast determines the outcome of any action of the association.

(d) Whenever proposals or board members are to be voted upon at a meeting, an owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(4) When an owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the owner having the right to do so.

(5) Except as provided otherwise in the declaration or organizational documents, the following requirements apply with respect to proxy voting:

(a) Votes allocated to a lot may be cast pursuant to a directed or undirected proxy duly executed by a lot owner in the same manner as provided in RCW 24.06.110.

(b) If a lot is owned by more than one person, each lot owner of the lot may vote or register protest to the casting of votes by the other lot owners of the lot through a duly executed proxy.

(c) An owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of an owner does not revoke a proxy given by the owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(6) Unless prohibited or limited by the declaration or organizational documents, an association may conduct a vote without a meeting. In that event, the following requirements apply:
(a) The association must notify the owners that the vote will be taken by ballot.

(b) The notice must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than fourteen days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to meet the quorum requirements;

(iii) The percent of votes necessary to approve each matter other than election of board members; and

(iv) The time, date, and manner by which owners wishing to deliver information to all owners regarding the subject of the vote may do so.

(c) The association must deliver a ballot to every owner with the notice.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation. The death or disability of an owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b)(i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board may extend the deadline for a reasonable period not to exceed eleven months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than owners of leased lots:

(a) This section applies to lessees as if they were owners;

(b) Owners that have leased their lots to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were owners.

(8) Owners must also be given notice, in the manner provided in section 11 of this act, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the lot owners, votes allocated to a lot owned by the association must be cast in the same proportion as the votes cast on the matter by lot owners other than the association.

Sec. 13. RCW 64.90.445 and 2019 c 238 s 210 are each amended to read as follows:

(1) The following requirements apply to unit owner meetings:

(a) A meeting of the association must be held at least once each year. Failure to hold an annual meeting does not cause a forfeiture or give cause for dissolution of the association and does not affect otherwise valid association acts.

(b)(i) An association must hold a special meeting of unit owners to address any matter affecting the common interest community or the association if its president, a majority of the board, or unit owners having at least twenty percent, or any lower percentage specified in the organizational documents, of the votes in the association request that the secretary call the meeting.
(ii) If the association does not provide notice to unit owners of a special meeting within thirty days after the requisite number or percentage of unit owners request the secretary to do so, the requesting members may directly provide notice to all the unit owners of the meeting. Only matters described in the meeting notice required in (c) of this subsection may be considered at a special meeting.

(c) An association must provide notice to unit owners of the time, date, and place of each annual and special unit owners meeting not less than fourteen days and not more than fifty days before the meeting date. Notice may be by any means described in RCW 64.90.515. The notice of any meeting must state the time, date, and place of the meeting and the items on the agenda, including:

(i) The text of any proposed amendment to the declaration or organizational documents;

(ii) Any changes in the previously approved budget that result in a change in the assessment obligations; and

(iii) Any proposal to remove a board member or officer.

(d) The minimum time to provide notice required in (c) of this subsection may be reduced or waived for a meeting called to deal with an emergency.

(e) Unit owners must be given a reasonable opportunity at any meeting to comment regarding any matter affecting the common interest community or the association.

(f) Except as otherwise restricted by the declaration or organizational documents, meetings of unit owners may be conducted by telephonic, video, or other conferencing process, if the process is consistent with subsection (2)(i) of this section.

(2) The following requirements apply to meetings of the board and committees authorized to act for the board:

(a) Meetings must be open to the unit owners except during executive sessions, but the board may expel or prohibit attendance by any person who, after warning by the chair of the meeting, disrupts the meeting. The board and those committees may hold an executive session only during a regular or special meeting of the board or a committee. A final vote or action may not be taken during an executive session.

(b) An executive session may be held only to:

(i) Consult with the association's attorney concerning legal matters;

(ii) Discuss existing or potential litigation or mediation, arbitration, or administrative proceedings;

(iii) Discuss labor or personnel matters;

(iv) Discuss contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated, including the review of bids or proposals, if premature general knowledge of those matters would place the association at a disadvantage; or

(v) Prevent public knowledge of the matter to be discussed if the board or committee determines that public knowledge would violate the privacy of any person.

(c) For purposes of this subsection, a gathering of members of the board or committees at which the board or committee members do not conduct association business is not a meeting of the board or committee. Board members and committee members may not use incidental or social gatherings to evade the open meeting requirements of this subsection.

(d) During the period of declarant control, the board must meet at least four times a year. At least one of those meetings must be held at the common interest community or at a place convenient to the community. After the transition meeting, all board meetings must be at the common interest community or at a place convenient to the common interest community unless the unit owners amend the bylaws to vary the location of those meetings.

(e) At each board meeting, the board must provide a reasonable opportunity for unit owners to comment regarding matters affecting the common interest community and the association.

(f) Unless the meeting is included in a schedule given to the unit owners or the meeting is called to deal with an emergency, the secretary or other officer specified in the organizational documents must provide notice of each board meeting to each board member and to
the unit owners. The notice must be given at least fourteen days before the meeting and must state the time, date, place, and agenda of the meeting.

(g) If any materials are distributed to the board before the meeting, the board must make copies of those materials reasonably available to the unit owners, except that the board need not make available copies of unapproved minutes or materials that are to be considered in executive session.

(h) Unless the organizational documents provide otherwise, fewer than all board members may participate in a regular or special meeting by or conduct a meeting through the use of any means of communication by which all board members participating can hear each other during the meeting. A board member participating in a meeting by these means is deemed to be present in person at the meeting.

(i) Unless the organizational documents provide otherwise, the board may meet by participation of all board members by telephonic, video, or other conferencing process if:

(i) The meeting notice states the conferencing process to be used and provides information explaining how unit owners may participate in the conference directly or by meeting at a central location or conference connection; and

(ii) The process provides all unit owners the opportunity to hear or perceive the discussion and to comment as provided in (e) of this subsection.

(j) After the transition meeting, unit owners may amend the organizational documents to vary the procedures for meetings described in (i) of this subsection.

(k) Instead of meeting, the board may act by unanimous consent as documented in a record by all its members. Actions taken by unanimous consent must be kept as a record of the association with the meeting minutes. After the transition meeting, the board may act by unanimous consent only to undertake ministerial actions, actions subject to ratification by the unit owners, or to implement actions previously taken at a meeting of the board.

(l) A board member who is present at a board meeting at which any action is taken is presumed to have assented to the action taken unless the board member's dissent or abstention to such action is lodged with the person acting as the secretary of the meeting before adjournment of the meeting or provided in a record to the secretary of the association immediately after adjournment of the meeting. The right to dissent or abstain does not apply to a board member who voted in favor of such action at the meeting.

(m) A board member may not vote by proxy or absentee ballot.

(n) Even if an action by the board is not in compliance with this section, it is valid unless set aside by a court. A challenge to the validity of an action of the board for failure to comply with this section may not be brought more than ninety days after the minutes of the board of the meeting at which the action was taken are approved or the record of that action is distributed to unit owners, whichever is later.

(3) Minutes of all unit owner meetings and board meetings, excluding executive sessions, must be maintained in a record. The decision on each matter voted upon at a board meeting or unit owner meeting must be recorded in the minutes."

(2) Within forty-five days after receipt of federal decennial census information applicable to a specific local area, the commission established in RCW 44.05.030 shall forward the census information to each municipal corporation, county, and district charged with redistricting under this section.

(3) Except as otherwise provided in chapter 301, Laws of 2018, (no later than eight months after its receipt of federal decennial census data,) the governing body of the municipal corporation, county, or district shall prepare a plan for redistricting its internal or director districts:

(a) By December 31, 2021, if the jurisdiction is scheduled to elect members to its governing body in 2022; or

(b) By November 15, 2022, if the jurisdiction is not scheduled to elect members to its governing body in 2022.

(4) The plan shall be consistent with the following criteria:

(a) Each internal director, council, or commissioner district shall be as nearly equal in population as possible to each and every other such district comprising the municipal corporation, county, or special purpose district.

(b) Each district shall be as compact as possible.

(c) Each district shall consist of geographically contiguous area.

(d) Population data may not be used for purposes of favoring or disfavoring any racial group or political party.

(e) To the extent feasible and if not inconsistent with the basic enabling legislation for the municipal corporation, county, or district, the district boundaries shall coincide with existing recognized natural boundaries and shall, to the extent possible, preserve existing communities of related and mutual interest.

(5) During the adoption of its plan, the municipal corporation, county, or district shall ensure that full and reasonable public notice of its actions is provided. Before adopting the plan, the municipal corporation, county, or district must:

(a) Publish the draft plan and hold a meeting, including notice and comment, within ten days of publishing the draft plan and at least one week before adopting the plan; and

(b) Amend the draft as necessary after receiving public comments and resubmit any amended draft plan for additional
written public comment at least one week before adopting the plan.

(6)(a) Any registered voter residing in an area affected by the redistricting plan may request review of the adopted local plan by the superior court of the county in which he or she resides, within fifteen days of the plan's adoption. Any request for review must specify the reason or reasons alleged why the local plan is not consistent with the applicable redistricting criteria. The municipal corporation, county, or district may be joined as respondent. The superior court shall thereupon review the challenged plan for compliance with the applicable redistricting criteria set out in subsection (4) of this section.

(b) If the superior court finds the plan to be consistent with the requirements of this section, the plan shall take effect immediately.

(c) If the superior court determines the plan does not meet the requirements of this section, in whole or in part, it shall remand the plan for further or corrective action within a specified and reasonable time period.

(d) If the superior court finds that any request for review is frivolous or has been filed solely for purposes of harassment or delay, it may impose appropriate sanctions on the party requesting review, including payment of attorneys' fees and costs to the respondent municipal corporation, county, or district.

Sec. 2. RCW 29A.76.010 and 2018 c 301 s 8 are each amended to read as follows:

(1) It is the responsibility of each county, municipal corporation, and special purpose district with a governing body comprised of internal director, council, or commissioner districts not based on statutorily required land ownership criteria to periodically redistrict its governmental unit, based on population information from the most recent federal decennial census.

(6)(a) Any registered voter residing in an area affected by the redistricting plan may request review of the adopted local plan by the superior court of the county in which he or she resides, within fifteen days of the plan's adoption. Any request for review must specify the
reason or reasons alleged why the local plan is not consistent with the applicable redistricting criteria. The municipal corporation, county, or district may be joined as respondent. The superior court shall then review the challenged plan for compliance with the applicable redistricting criteria set out in subsection (4) of this section.

(b) If the superior court finds the plan to be consistent with the requirements of this section, the plan shall take effect immediately.

(c) If the superior court determines the plan does not meet the requirements of this section, in whole or in part, it shall remand the plan for further or corrective action within a specified and reasonable time period.

**SSB 5025** Prime Sponsor, Committee on Law & Justice: Concerning the consumer protection improvement act. Reported by Committee on Consumer Protection & Business

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that:

(1) Strong consumer protection and antitrust penalties are critical to protecting consumers and ensuring a fair marketplace;

(2) Strong penalties ensure accountability, deter violations, and ensure a level playing field for businesses;

(3) Washington currently does not provide strong penalties for violations of the state's consumer protection act, which prohibits unfair or deceptive acts or practices and unfair methods of competition;

(4) Washington's penalty for unfair or deceptive acts or practices has not kept pace with inflation, and has not increased since 1970;

(5) Washington's penalty for unfair methods of competition has also not kept..."
pace with inflation, and has not increased since 1983;

(6) Consequently, Washington has one of the lowest consumer protection penalties in the United States;

(7) Twenty-four state legislatures representing more than 200 million Americans have passed enhanced penalties for violations that target or impact certain vulnerable populations, but Washington does not have an enhanced penalty;

(8) Many Washingtonians are hurting financially due to the impacts of the global pandemic;

(9) Washington's weak penalties place Washington consumers at greater risk; and

(10) Washingtonians deserve strong consumer protections to ensure entities that illegally, unfairly, and deceptively go after their hard-earned dollars are held accountable.

Sec. 2. RCW 19.86.140 and 1983 c 288 s 2 are each amended to read as follows:

Every person who shall violate the terms of any injunction issued as in this chapter provided, shall forfeit and pay a civil penalty of not more than ((twenty-five thousand dollars)) $125,000.

Every ((person, other than a corporation,)) individual who violates RCW 19.86.030 or 19.86.040 shall pay a civil penalty of not more than ((one hundred thousand dollars)) $180,000. Every ((corporation which)) person, other than an individual, who violates RCW 19.86.030 or 19.86.040 shall pay a civil penalty of not more than ((five hundred thousand dollars)) $900,000.

Every person who violates RCW 19.86.020 shall forfeit and pay a civil penalty of not more than ((two thousand dollars)) $7,500 for each violation: PROVIDED, That nothing in this paragraph shall apply to any radio or television broadcasting station which broadcasts, or to any publisher, printer or distributor of any newspaper, magazine, billboard or other advertising medium who publishes, prints or distributes, advertising in good faith without knowledge of its false, deceptive or misleading character.

For unlawful acts or practices that target or impact specific individuals or communities based on demographic characteristics including, but not limited to, age, race, national origin, citizenship or immigration status, sex, sexual orientation, presence of any sensory, mental, or physical disability, religion, veteran status, or status as a member of the armed forces, as that term is defined in 10 U.S.C. Sec. 101, an enhanced penalty of $5,000 shall apply.

For the purpose of this section the superior court issuing any injunction shall retain jurisdiction, and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties.

With respect to violations of RCW 19.86.030 and 19.86.040, the attorney general, acting in the name of the state, may seek recovery of such penalties in a civil action.

By December 1, 2022, and every five years thereafter, the office of the attorney general shall evaluate the efficacy of the maximum civil penalty amounts established in this section in deterring violations of the consumer protection act and the difference, if any, between the current penalty amounts and the penalty amounts adjusted for inflation, and provide the legislature with a report of its findings and any recommendations in compliance with RCW 43.01.036.

Sec. 3. RCW 4.16.160 and 1986 c 305 s 701 are each amended to read as follows:

The limitations prescribed in this chapter shall apply to actions brought in the name or for the benefit of any county or other municipality or quasimunicipality of the state, in the same manner as to actions brought by private parties: PROVIDED, That, except as provided in RCW 4.16.310, there shall be no limitation to actions brought in the name or for the benefit of the state, and no claim of right predicated upon the lapse of time shall ever be asserted against the state, including actions asserting a claim for civil penalties under RCW 19.86.140; AND FURTHER PROVIDED, That no previously existing statute of limitations shall be interposed as a defense to any action brought in the name or for the benefit of the state, although such statute may have run and become fully operative as a defense prior to February 27, 1903, nor shall any cause of action against the state be predicated upon such a statute.
NEW SECTION. Sec. 4. This act may be known and cited as the consumer protection improvement act."

E2SSB 5052 Prime Sponsor, Committee on Ways & Means: Concerning the creation of health equity zones. Reported by Committee on Health Care & Wellness

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. FINDINGS AND INTENT. (1) The legislature finds that people of color, Indian, people experiencing poverty, and immigrant populations experience significant health disparities compared to the general population, including more limited access to health care and poorer health outcomes. The legislature finds that these circumstances result in higher rates of morbidity and mortality for persons of color and immigrant populations than observed in the general population.

(2) Therefore, the legislature intends to create health equity zones to address significant health disparities identified by health outcome data. The state intends to work with community leaders within the health equity zones to share information and coordinate efforts with the goal of addressing the most urgent needs. Health equity zone partners shall develop, expand, and maintain positive relationships with communities of color, Indian communities, communities experiencing poverty, and immigrant communities within the zone to develop effective and sustainable programs to address health inequity.

NEW SECTION. Sec. 2. A new section is added to chapter 43.70 RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the department, in coordination with the governor's interagency council on health disparities, local health jurisdictions, and accountable communities of health, must share and review population health data, which may be related to chronic and infectious diseases, maternal birth complications, preterm births and other newborn health complications, and any other relevant health data, including hospital community health needs assessments, to identify, or allow communities to self-identify, potential health equity zones in the state and develop projects to meet the unique needs of each zone. The department must provide technical support to communities in the use of data to facilitate self-identification of health equity zones.

(2) Communities' uses of data must align with projects and outcomes to be measured in self-identified zones.

(3) The department must use the first 12 months following the effective date of this section to develop a plan and process to allow communities to implement health equity zone programs statewide. The department has authority to determine the number of health equity zones and projects based on available resources.

(4) Communities that self-identify zones or the department must notify relevant community organizations in the zones of the health equity zone designation and allow those organizations to identify projects to
address the zone's most urgent needs related to health disparities. Community organizations may include, but are not limited to:

(a) Community health clinics;
(b) Local health providers;
(c) Federally qualified health centers;
(d) Health systems;
(e) Local government;
(f) Public school districts;
(g) Recognized American Indian organizations and Indian health organizations;
(h) Local health jurisdictions; and
(i) Any other nonprofit organization working to address health disparities in the zone.

(5) Local organizations working within zones may form coalitions to identify the needs of the zone, design projects to address those needs, and develop an action plan to implement the projects. Local organizations may partner with state or national organizations outside the specific zone designation. Projects may include, but are not limited to:

(a) Addressing health care provider access and health service delivery;
(b) Improving information sharing and community trust in providers and services;
(c) Conducting outreach and education efforts; and
(d) Recommending systems and policy changes that will improve population health.

(6) The department must provide:

(a) Support to the coalitions in identifying and applying for resources to support projects within the zones;
(b) Technical assistance related to project management and developing health outcome and other measures to evaluate project success; and
(c) Subject to availability, funding to implement projects.

(7) Subject to the availability of amounts appropriated for this specific purpose, by December 1, 2023, and every two years thereafter, the department must submit a report to the legislature detailing the projects implemented in each zone and the outcome measures, including year-over-year health data, to demonstrate project success.

(8) For the purposes of this section "health equity zone" or "zone" means a contiguous geographic area that demonstrates measurable and documented health disparities and poor health outcomes, which may include but are not limited to high rates of maternal complications, newborn health complications, and chronic and infectious disease, is populated by communities of color, Indian communities, communities experiencing poverty, or immigrant communities, and is small enough for targeted interventions to have a significant impact on health outcomes and health disparities. Documented health disparities must be documented or identified by the department or the centers for disease control and prevention."

(2) Nothing in this section prohibits a health care entity from limiting a health care provider's practice for purposes of:

If the court finds that the petitioner has exercised due diligence in attempting to locate the parent, no contact between the child and the child's parent, guardian, or other custodian for a period of three months creates a rebuttable presumption of abandonment, even if there is no expressed intent to abandon.

(2) "Child," "juvenile," and "youth" mean:

(a) Any individual under the age of eighteen years; or

(b) Any individual age eighteen to twenty-one years who is eligible to receive and who elects to receive the extended foster care services authorized under RCW 74.13.031. A youth who remains dependent and who receives extended foster care services under RCW 74.13.031 shall not be considered a "child" under any other statute or for any other purpose.

(3) "Current placement episode" means the period of time that begins with the most recent date that the child was removed from the home of the parent, guardian, or legal custodian for purposes of placement in out-of-home care and continues until: (a) The child returns home; (b) an adoption decree, a permanent custody order, or guardianship order is entered; or (c) the dependency is dismissed, whichever occurs first.

(4) "Department" means the department of children, youth, and families.

(5) "Dependency guardian" means the person, nonprofit corporation, or Indian tribe appointed by the court pursuant to this chapter for the limited purpose of assisting the court in the supervision of the dependency.

(6) "Dependent child" means any child who:

(a) Has been abandoned;

(b) Is abused or neglected as defined in chapter 26.44 RCW by a person legally responsible for the care of the child;

(c) Has no parent, guardian, or custodian capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development; or

(7) "Developmental disability" means a disability attributable to intellectual disability, cerebral palsy, epilepsy, autism, or another neurological or other condition of an individual found by the secretary of the department of social and health services to be closely related to an intellectual disability or to require treatment similar to that required for individuals with intellectual disabilities, which disability originates before the individual attains age eighteen, which has continued or can be expected to continue indefinitely, and which constitutes a substantial limitation to the individual.

(8) "Educational liaison" means a person who has been appointed by the court to fulfill responsibilities outlined in RCW 13.34.046.
"Extended foster care services" means residential and other support services the department is authorized to provide under RCW 74.13.031. These services may include placement in licensed, relative, or otherwise approved care, or supervised independent living settings; assistance in meeting basic needs; independent living services; medical assistance; and counseling or treatment.

"Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding, including a guardian appointed pursuant to chapter 13.36 RCW; and (b) has the legal right to custody of the child pursuant to such appointment. The term "guardian" does not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

"Guardian ad litem" means a person, appointed by the court to represent the best interests of a child in a proceeding under this chapter, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

involvement is highly valued by the department, as demonstrated by the development of strategies to consult with foster families regarding future placement of a foster child currently placed with a foster family;

(iv) Improving reconciliation of children and youth with their families as measured by: (A) Increasing family reunification; and (B) increasing the number of youth who are reunified with their family of origin;

(3) Home visiting services must include programs that serve families involved in the child welfare system.

(4) The department's programs shall be designed in a way that respects and preserves the ability of parents and legal guardians to direct the education, development, and upbringing of their children, and that recognizes and honors cultural and linguistic diversity. The department shall include parents and legal guardians in the development of policies and program decisions affecting their children.

Sec. 6. RCW 43.216.085 and 2019 c 369 s 2 are each amended to read as follows:

(1) The department, in collaboration with tribal governments and community and statewide partners, shall implement a quality rating and improvement system, called the early achievers program. The early achievers program provides a foundation of quality for the early care and education system. The early achievers program is applicable to licensed or certified child care centers (and homes), family home child care, and outdoor nature-based child care, and early learning programs such as working connections child care and early childhood education and assistance programs.

(2) The objectives of the early achievers program are to:

(a) Improve short-term and long-term educational outcomes for children as measured by assessments including, but not limited to, the Washington kindergarten inventory of developing skills in RCW 28A.655.080;

(b) Give parents clear and easily accessible information about the quality of child care and early education programs;

(c) Support improvement in early learning and child care programs throughout the state;

(d) Increase the readiness of children for school;

(e) Close the disparities in access to quality care;

(f) Provide professional development and coaching opportunities to early child care and education providers; and

(g) Establish a common set of expectations and standards that define, measure, and improve the quality of early learning and child care settings.

(3)(a) Licensed or certified child care centers (and homes), family home child care, and outdoor nature-based child care, serving nonschool-age children and receiving state subsidy payments, must participate in the early achievers program by the required deadlines established in RCW 43.216.135.

(b) Approved early childhood education and assistance program providers receiving state-funded support must participate in the early achievers program by the required deadlines established in RCW 43.216.515.

(c) Participation in the early achievers program is voluntary for:

(i) Licensed or certified child care centers (and homes), family home child care, and outdoor nature-based child care, not receiving state subsidy payments; and

(ii) Early learning programs not receiving state funds.

(d) School-age child care providers are exempt from participating in the
early achievers program. By July 1, 2017, the department and the office of the superintendent of public instruction shall jointly design a plan to incorporate school-age child care providers into the early achievers program or other appropriate quality improvement system. To test implementation of the early achievers system for school-age child care providers the department and the office of the superintendent of public instruction shall implement a pilot program.

(4)(a) There are five primary levels in the early achievers program.

(b) In addition to the primary levels, the department must establish an intermediate level that is between level 3 and level 4 and serves to assist participants in transitioning to level 4.

(c) Participants are expected to actively engage and continually advance within the program.

(5) The department has the authority to determine the rating cycle for the early achievers program. The department shall streamline and eliminate duplication between early achievers standards and state child care rules in order to reduce costs associated with the early achievers rating cycle and child care licensing.

(a) Early achievers program participants may request to be rated at any time after the completion of all level 2 activities.

(b) The department shall provide an early achievers program participant an update on the participant's progress toward completing level 2 activities after the participant has been enrolled in the early achievers program for fifteen months.

(c) The first rating is free for early achievers program participants.

(d) Each subsequent rating within the established rating cycle is free for early achievers program participants.

(6)(a) Early achievers program participants may request to be rerated outside the established rating cycle. A rerating shall reset the rating cycle timeline for participants.

(b) The department may charge a fee for optional rerating requests made by program participants that are outside the established rating cycle.

(c) Fees charged are based on, but may not exceed, the cost to the department for activities associated with the early achievers program.

(7)(a) The department must create a single source of information for parents and caregivers to access details on a provider's early achievers program rating level, licensing history, and other indicators of quality and safety that will help parents and caregivers make informed choices. The licensing history that the department must provide for parents and caregivers pursuant to this subsection shall only include license suspension, surrender, revocation, denial, stayed suspension, or reinstatement. No unfounded child abuse or neglect reports may be provided to parents and caregivers pursuant to this subsection.

(b) The department shall publish to the department's web site, or offer a link on its web site to, the following information:

(i) Early achievers program rating levels 1 through 5 for all child care programs that receive state subsidy, early childhood education and assistance programs, and federal head start programs in Washington; and

(ii) New early achievers program ratings within thirty days after a program becomes licensed or certified, or receives a rating.

(c) The early achievers program rating levels shall be published in a manner that is easily accessible to parents and caregivers and takes into account the linguistic needs of parents and caregivers.

(d) The department must publish early achievers program rating levels for child care programs that do not receive state subsidy but have voluntarily joined the early achievers program.

(e) Early achievers program participants who have published rating levels on the department's web site or on a link on the department's web site may include a brief description of their program, contingent upon the review and approval by the department, as determined by established marketing standards.

(8)(a) The department shall create a professional development pathway for
early achievers program participants to obtain a high school diploma or equivalency or higher education credential in early childhood education, early childhood studies, child development, or an academic field related to early care and education.

(b) The professional development pathway must include opportunities for scholarships and grants to assist early achievers program participants with the costs associated with obtaining an educational degree.

(c) The department shall address cultural and linguistic diversity when developing the professional development pathway.

(9) The early achievers quality improvement awards shall be reserved for participants offering programs to an enrollment population consisting of at least five percent of children receiving a state subsidy.

(10) In collaboration with tribal governments, community and statewide partners, and the early achievers review subcommittee created in RCW 43.216.075, the department shall develop a protocol for granting early achievers program participants an extension in meeting rating level requirement timelines outlined for the working connections child care program and the early childhood education and assistance program.

(a) The department may grant extensions only under exceptional circumstances, such as when early achievers program participants experience an unexpected life circumstance.

(b) Extensions shall not exceed six months, and early achievers program participants are only eligible for one extension in meeting rating level requirement timelines.

(c) Extensions may only be granted to early achievers program participants who have demonstrated engagement in the early achievers program.

(11)(a) The department shall accept national accreditation that meets the requirements of this subsection (11) as a qualification for the early achievers program ratings.

(b) Each national accreditation agency will be allowed to submit its most current standards of accreditation to establish potential credit earned in the early achievers program. The department shall grant credit to accreditation bodies that can demonstrate that their standards meet or exceed the current early achievers program standards. By December 1, 2019, and subject to the availability of amounts appropriated for this specific purpose, the department must submit a detailed plan to the governor and the legislature to implement a robust cross-accreditation process with multiple pathways that allows a provider to earn equivalent early achievers credit resulting from accreditation by high quality national organizations.

(c) Licensed child care centers (and) child care home providers, and outdoor nature-based child care must meet national accreditation standards approved by the department for the early achievers program in order to be granted credit for the early achievers program standards. Eligibility for the early achievers program is not subject to bargaining, mediation, or interest arbitration under RCW 41.56.028, consistent with the legislative reservation of rights under RCW 41.56.028(4)(d).

(12) The department shall explore the use of alternative quality assessment tools that meet the culturally specific needs of the federally recognized tribes in the state of Washington.

(13) A child care or early learning program that is operated by a federally recognized tribe and receives state funds shall participate in the early achievers program. The tribe may choose to participate through an interlocal agreement between the tribe and the department. The interlocal agreement must reflect the government-to-government relationship between the state and the tribe, including recognition of tribal sovereignty. The interlocal agreement must provide that:

(a) Tribal child care facilities and early learning programs may volunteer, but are not required, to be licensed by the department;

(b) Tribal child care facilities and early learning programs are not required to have their early achievers program rating level published to the department’s web site or through a link on the department’s web site; and
(c) Tribal child care facilities and early learning programs must provide notification to parents or guardians who apply for or have been admitted into their program that early achievers program rating level information is available and provide the parents or guardians with the program's early achievers program rating level upon request.

(14) The department shall consult with the early achievers review subcommittee on all substantial policy changes to the early achievers program.

(15) Nothing in this section changes the department's responsibility to collectively bargain over mandatory subjects or limits the legislature's authority to make programmatic modifications to licensed child care and early learning programs under RCW 41.56.028(4)(d).

Sec. 7. RCW 43.216.087 and 2019 c 369 s 5 are each amended to read as follows:

(1)(a) The department shall, in collaboration with tribal governments and community and statewide partners, implement a protocol to maximize and encourage participation in the early achievers program for culturally diverse and low-income center, family home, and outdoor nature-based child care providers. Amounts appropriated for the encouragement of culturally diverse and low-income center, family home, and outdoor nature-based child care provider participation shall be appropriated separately from the other funds appropriated for the department, are the only funds that may be used for the protocol, and may not be used for any other purposes. Funds appropriated for the protocol shall be considered an ongoing program for purposes of future departmental budget requests.

(b) The department shall prioritize the resources authorized in this section to assist providers in the early achievers program to help them reach a rating of level 3 or higher wherever access to subsidized care is at risk.

(2) The protocol should address barriers to early achievers program participation and include at a minimum the following:

(a) The creation of a substitute pool;

(b) The development of needs-based grants for providers in the early achievers program who demonstrate a need for assistance to improve program quality. Needs-based grants may be used for environmental improvements of early learning facilities; purchasing curriculum development, instructional materials, supplies, and equipment; and focused infant-toddler improvements. Priority for the needs-based grants shall be given to culturally diverse and low-income providers;

(c) The development of materials and assessments in a timely manner, and to the extent feasible, in the provider and family home languages; and

(d) The development of flexibility in technical assistance and coaching structures to provide differentiated types and amounts of support to providers based on individual need and cultural context.

Sec. 8. RCW 43.216.089 and 2020 c 262 s 3 are each amended to read as follows:

(a) Analyze the reasons providers in the affected counties or zip codes have not attained the required rating levels; and

(b) Develop a plan to mitigate the effect on the children and families served by these providers. The plan must be submitted to the legislature as part of the final report described in subsection (1) of this section along with any recommendations for legislative action to address the needs of the providers and the children and families they serve.

It shall be the secretary's duty with regard to licensing under this chapter:

(1) In consultation and with the advice and assistance of persons representative of the various type agencies to be licensed, to designate categories of child care facilities or outdoor locations for which separate or different requirements shall be developed as may be appropriate whether because of variations in the ages and other characteristics of the children served, variations in the purposes and services offered or size or structure of the agencies to be licensed, or because of any other factor relevant thereto;

(2) (a) In consultation with the state fire marshal's office, the secretary shall use an interagency process to address health and safety requirements for child care programs that serve school-age children and are operated in buildings that contain public or private schools that safely serve children during times in which school is in session;

(b) Any requirements in (a) of this subsection as they relate to the physical facility, including outdoor playgrounds, do not apply to before-school and after-school programs that serve only school-age children and operate in the same facilities used by public or private schools;

(3) In consultation and with the advice and assistance of parents or guardians, and persons representative of the various type agencies to be licensed, to adopt and publish minimum requirements for licensing applicable to each of the various categories of agencies to be licensed under this chapter;

Neither department may share the federal background check results with any other state agency or person;

(6) To issue, revoke, or deny licenses to agencies pursuant to this chapter. Licenses shall specify the category of child care that an agency is authorized to render and the ages and number of children to be served;

(7) To prescribe the procedures and the form and contents of reports necessary for the administration of this chapter and to require regular reports from each licensee;

(8) To inspect agencies periodically to determine whether or not there is compliance with this chapter and the requirements adopted under this chapter;

(1) No later than November 1, 2016, the department shall implement a single set of licensing standards for child care and the early childhood education and assistance program. The state, and any agency thereof, shall not restrict or dictate any specific educational or other programs for early learning programs operated by private schools except for programs that receive state subsidy payments.

Sec. 11. RCW 43.216.260 and 2007 c 415 s 4 are each amended to read as follows:

Licensed child day care centers and outdoor nature-based child care providers shall provide notice of pesticide use to parents or guardians of students and employees pursuant to chapter 17.21 RCW.

Sec. 14. RCW 43.216.305 and 2020 c 343 s 5 are each amended to read as follows:

(1) Each agency shall make application for a license or the continuation of a full license to the department using a method prescribed by the department. Upon receipt of such application, the department shall either grant or deny a license or continuation of a full license within ninety days. A license or continuation shall be granted if the agency meets the minimum requirements set forth in this chapter and the departmental requirements consistent with this chapter, except that an initial license may be issued as provided in RCW 43.216.315. The department shall consider whether an agency is in good standing, as defined in subsection (4)(b) of this section, before granting a continuation of a full license. Full licenses provided for in this chapter shall continue to remain valid so long as the licensee meets the requirements for a nonexpiring license in subsection (2) of this section and may be transferred to a new licensee in the event of a transfer of ownership of a child care operation. The licensee, however, shall advise the secretary of any material change in circumstances which might constitute grounds for reclassification of license as to category. The license issued under this chapter applies only to the licensee and the location stated in the application.
For licensed family day care homes having an acceptable history of child care, the license may remain in effect for two weeks after a move.

(2) In order to qualify for a nonexpiring full license, a licensee must meet the following requirements on an annual basis as established from the date of initial licensure:

(a) Submit the annual licensing fee;

(b) Submit a declaration to the department indicating the licensee's intent to continue operating a licensed child care program, or the intent to cease operation on a date certain;

(c) Submit a declaration of compliance with all licensing rules; and

(d) For all current employees of the agency and as defined by department rule, submit background check applications into the department's electronic workforce registry on the schedule established by the department.

(3) If a licensee fails to meet the requirements in subsection (2) of this section for continuation of a full license the license expires and the licensee must submit a new application for licensure under this chapter.

(4)(a) Nothing about the nonexpiring license process may interfere with the department's established monitoring practice.

(b) For the purpose of this section, an agency is considered to be in good standing if in the intervening period between monitoring visits the agency does not have any of the following:

(i) Valid complaints;

(ii) A history of noncompliance related to those valid complaints or pending from prior monitoring visits; or

(iii) Other information that when evaluated would result in a finding of noncompliance with this section.

(c) The department shall consider whether an agency is in good standing when determining the most appropriate approach and process for monitoring visits, for the purposes of administrative efficiency while protecting children, consistent with this chapter. If the department determines that an agency is not in good standing, the department may issue a probationary license, as provided in RCW 43.216.320.

Sec. 15. RCW 43.216.325 and 2018 c 58 s 38 are each amended to read as follows:

(1) An agency may be denied a license, or any license issued pursuant to this chapter may be suspended, revoked, modified, or not renewed by the secretary upon proof (a) that the agency has failed or refused to comply with the provisions of this chapter or the requirements adopted pursuant to this chapter; or (b) that the conditions required for the issuance of a license under this chapter have ceased to exist with respect to such licenses. RCW 43.216.327 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(2) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of any license under this chapter, the department's decision shall be upheld if it is supported by a preponderance of the evidence.

(3)(a) The department may assess civil monetary penalties upon proof that an agency has failed or refused to comply with the rules adopted under this chapter or that an agency subject to licensing under this chapter is operating without a license except that civil monetary penalties shall not be levied against a licensed foster home.

(b) Monetary penalties levied against unlicensed agencies that submit an application for licensure within thirty days of notification and subsequently become licensed will be forgiven. These penalties may be assessed in addition to or in lieu of other disciplinary actions. Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day an agency is or was out of compliance.

(c) Civil monetary penalties shall not exceed one hundred fifty dollars per violation for a family day care home and two hundred fifty dollars per violation for child day care centers or outdoor nature-based child care programs. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty.

(d) The department shall provide a notification period before a monetary penalty is effective and may forgive the
penalty levied if the agency comes into compliance during this period.

(e) The department may suspend, revoke, or not renew a license for failure to pay a civil monetary penalty it has assessed pursuant to this chapter within ten days after such assessment becomes final. RCW 43.216.335 governs notice of a civil monetary penalty and provides the right to an adjudicative proceeding. The preponderance of evidence standard shall apply in adjudicative proceedings related to assessment of civil monetary penalties.

(4)(a) In addition to or in lieu of an enforcement action being taken, the department may place a child day care center, outdoor nature-based child care provider, or family day care provider on nonreferral status if the center or provider has failed or refused to comply with this chapter or rules adopted under this chapter or an enforcement action has been taken. The nonreferral status may continue until the department determines that: (i) No enforcement action is appropriate; or (ii) a corrective action plan has been successfully concluded.

(b) Whenever a child day care center, outdoor nature-based child care provider, or family day care provider is placed on nonreferral status, the department shall provide written notification to the child day care center, outdoor nature-based child care provider, or family day care provider.

(5) The department shall notify appropriate public and private child care resource and referral agencies of the department's decision to: (a) Take an enforcement action against a child day care center, outdoor nature-based child care provider, or family day care provider; or (b) place or remove a child day care center, outdoor nature-based child care provider, or family day care provider on nonreferral status.

Sec. 16. RCW 43.216.340 and 2014 c 9 s 1 are each amended to read as follows:

(1) Before requiring any alterations to a child care facility due to inconsistencies with requirements in chapter 19.27 RCW, the department shall:

(a) Consult with the city or county enforcement official; and

(b) Receive written verification from the city or county enforcement official that the alteration is required.

(2) The department’s consultation with the city or county enforcement official is limited to licensed child care space.

(3) Unless there is imminent danger to children or staff, the department may not modify, suspend, or revoke a child care license or business activities while the department is waiting to:

(a) Consult with the city or county enforcement official under subsection (1)(a) of this section; or

(b) Receive written verification from the city or county enforcement official that the alteration is required under subsection (1)(b) of this section.

(4) For the purposes of this section, "child care facility" means a family day care home, school-age care, outdoor nature-based child care, and child day care center.

Sec. 17. RCW 43.216.360 and 2011 c 296 s 3 are each amended to read as follows:

When the department suspects that an agency is providing child care services without a license, it shall send notice to that agency within ten days. The notice shall include, but not be limited to, the following information:

(1) That a license is required and the reasons why;

(2) That the agency is suspected of providing child care without a license;

(3) That the agency must immediately stop providing child care until the agency becomes licensed;

(4) That the department can issue a penalty of one hundred fifty dollars per day for each day a family day care home provided care without being licensed and two hundred fifty dollars for each day a child day care center or outdoor nature-based child care provider provided care without being licensed;

(5) That if the agency does not initiate the licensing process within thirty days of the date of the notice, the department will post on its web site that the agency is providing child care without a license.

Sec. 18. RCW 43.216.395 and 2017 3rd sp.s. c 6 s 114 are each amended to read as follows:

(1) The department shall develop an internal review process to determine
whether department licensors have appropriately and consistently applied agency rules in ((child care facility licensing compliance agreements)) inspection reports that do not involve a violation of health and safety standards. Adverse licensing decisions including license denial, suspension, revocation, modification, or nonrenewal pursuant to RCW 43.216.325 or imposition of civil fines pursuant to RCW 43.216.335 are not subject to the internal review process in this section, but may be appealed using the administrative procedure act, chapter 34.05 RCW.

(2) The definitions in this subsection apply throughout this section.

(a) "Child care facility licensing compliance agreement" means an agreement issued by the department in lieu of the department taking enforcement action against a child care provider that contains: (i) A description of the violation and the rule or law that was violated; (ii) a statement from the licensee regarding the proposed plan to comply with the rule or law; (iii) the date the violation must be corrected; (iv) information regarding other licensing action that may be imposed if compliance does not occur by the required date; and (v) the signature of the licensor and licensee or the licensee's delegate.

(b) "Health and safety standards" means rules or requirements developed by the department to protect the health and safety of children against ((substantial)) risk of bodily, mental, or psychological injury, harm, illness, or death.

(3) The internal review process shall be conducted by the following six individuals:

(a) Three department employees who may include child care licensors; and

(b) Three child care providers selected by the department from names submitted by the oversight board for children, youth, and families established in RCW 43.216.015.

(4) The internal review process established in this section may overturn, change, or uphold a department licensing decision by majority vote. In the event that the six individuals conducting the internal review process are equally divided, the secretary or the secretary's designee shall make the decision of the internal review process. The internal review process must provide the parties with a written decision of the outcome after completion of the internal review process. A licensee must request a review under the internal review process within ten days of the development of ((child care facility licensing compliance agreement)) an inspection report and the internal review process must be completed within ((thirty)) sixty days after the request from the licensee to initiate the internal review process is received.

(5) A licensee may request a final review by the oversight board for children, youth, and families after completing the internal review process established in this section by giving notice to the department and the oversight board for children, youth, and families within ten days of receiving the written decision produced by the internal review process.

(6) The department shall not develop a child care facility licensing compliance agreement with a child care provider for first-time violations of rules that do not relate to health and safety standards and that can be corrected on the same day that the violation is identified. The department shall develop a procedure for providing a warning and offering technical assistance to providers in response to these first-time violations.}

Sec. 19. RCW 43.216.515 and 2020 c 321 s 1 are each amended to read as follows:

(1) Approved early childhood education and assistance programs shall receive state-funded support through the department. Public or private organizations including, but not limited to, school districts, educational service districts, community and technical colleges, local governments, or nonprofit organizations, are eligible to participate as providers of the state early childhood education and assistance program.

(2) Funds obtained by providers through voluntary grants or contributions from individuals, agencies, corporations, or organizations may be used to expand or enhance preschool programs so long as program standards established by the department are maintained.

(3) Persons applying to conduct the early childhood education and assistance
program shall identify targeted groups and the number of children to be served, program components, the qualifications of instructional and special staff, the source and amount of grants or contributions from sources other than state funds, facilities and equipment support, and transportation and personal care arrangements.

(4) A new early childhood education and assistance program provider must complete the requirements in this subsection to be eligible to receive state-funded support under the early childhood education and assistance program:

(a) Enroll in the early achievers program within thirty days of the start date of the early childhood education and assistance program contract;

(b)(i) Except as provided in (b)(ii) of this subsection, rate at a level 4 or 5 in the early achievers program within twenty-four months of enrollment. If an early childhood education and assistance program provider rates below a level 4 within twenty-four months of enrollment, the provider must complete remedial activities with the department, and must rate at or request to be rated at a level 4 or 5 within twelve months of beginning remedial activities.

(ii) Licensed or certified child care centers (and homes), family home providers, and outdoor nature-based child care providers that administer an early childhood education and assistance program shall rate at a level 4 or 5 in the early achievers program within twenty-four months of enrollment. If an early childhood education and assistance program provider rates below a level 4 within twenty-four months of enrollment, the provider must complete remedial activities with the department, and must rate at or request to be rated at a level 4 or 5 within twelve months of beginning remedial activities.

(5)(a) If an early childhood education and assistance program provider has successfully completed all of the required early achievers program activities and is waiting to be rated by the deadline provided in this section, the provider may continue to participate in the early achievers program as an approved early childhood education and assistance program provider and receive state subsidy pending the successful completion of a level 4 or 5 rating.

(b) To avoid disruption, the department may allow for early childhood education and assistance program providers who have rated below a level 4 after completion of the twelve-month remedial period to continue to provide services until the current school year is finished.

(c)(i) If the early childhood education and assistance program provider described under subsection (4)(b)(i) or (ii) of this section does not rate or request to be rated at a level 4 or 5 following the remedial period, the provider is not eligible to receive state-funded support under the early childhood education and assistance program under this section.

(ii) If the early childhood education and assistance program provider described under subsection (4)(b)(i) or (ii) of this section does not rate at a level 4 or 5 when the rating is released following the remedial period, the provider is not eligible to receive state-funded support under the early childhood education and assistance program under this section.

(6)(a) When an early childhood education and assistance program in good standing changes classroom locations to a comparable or improved space within the same facility, or to a comparable or improved outdoor location for an outdoor nature-based child care, a rerating is not required outside of the regular rerating and renewal cycle.

(b) When an early childhood education and assistance program in good standing moves to a new facility, or to a new outdoor location for an outdoor nature-based child care, the provider must notify the department of the move within six months of changing locations in order to retain their existing rating. The early achievers program must conduct an observational visit to ensure the new classroom space is of comparable or improved environmental quality. If a provider fails to notify the department within six months of a move, the early achievers rating must be changed from the posted rated level to "Participating, Not Yet Rated" and the provider will cease to receive tiered reimbursement incentives until a new rating is completed.

(7) The department shall collect data periodically to determine the demand for
full-day programming for early childhood education and assistance program providers. The department shall analyze this demand by geographic region and shall include the findings in the annual report required under RCW 43.216.089.

(8) The department shall develop multiple pathways for licensed or certified child care centers and homes to administer an early childhood education and assistance program. The pathways shall include an accommodation for these providers to rate at a level 4 or 5 in the early achievers program according to the timelines and standards established in subsection (4)(b)(ii) of this section. The department must consider using the intermediate level that is between level 3 and level 4 as described in RCW 43.216.085, incentives, and front-end funding in order to encourage providers to participate in the pathway.

Sec. 20. RCW 43.216.530 and 2015 3rd sp.s. c 7 s 10 are each amended to read as follows:

The department shall review applications from public or private organizations for state funding of early childhood education and assistance programs. The department shall consider local community needs, demonstrated capacity, and the need to support a mixed delivery system of early learning that includes alternative models for delivery including licensed centers, outdoor nature-based child care providers, and licensed family child care providers when reviewing applications.

Sec. 21. RCW 43.216.650 and 2015 c 199 s 1 are each amended to read as follows:

(1) For the purposes of this section, "near fatality" means an act that, as certified by a physician, places the child in serious or critical condition.

(2)(a) The department shall conduct a child fatality review if a child fatality occurs in an early learning program described in RCW ((43.215.400 through 43.215.450)) 43.216.500 through 43.216.550 or a licensed child care center, licensed outdoor nature-based child care, or a licensed child care home.

(b) The department shall convene a child fatality review committee and determine the membership of the review committee. The committee shall comprise individuals with appropriate expertise, including but not limited to experts from outside the department with knowledge of early learning licensing requirements and program standards, a law enforcement officer with investigative experience, a representative from a county or state health department, and a child advocate with expertise in child fatalities. The department shall invite one parent or guardian for membership on the child fatality review committee who has had a child die in a child care setting. The department shall ensure that the fatality review team is made up of individuals who had no previous involvement in the case.

(c) The department shall allow the parents or guardians whose child's death is being reviewed to testify before the child fatality review committee.

(d) The primary purpose of the fatality review shall be the development of recommendations to the department and legislature regarding changes in licensing requirements, practice, or policy to prevent fatalities and strengthen safety and health protections for children.

(e) Upon conclusion of a child fatality review required pursuant to this section, the department shall, within one hundred eighty days following the fatality, issue a report on the results of the review, unless an extension has been granted by the governor. Reports must be distributed to the appropriate committees of the legislature, and the department shall create a public web site where all child fatality review reports required under this section must be posted and maintained. A child fatality review report completed pursuant to this section is subject to public disclosure and must be posted on the public web site, except that confidential information may be redacted by the department consistent with the requirements of RCW 13.50.100, 68.50.105, and 74.13.500 through 74.13.525, chapter 42.56 RCW, and other applicable state and federal laws.

(3) The department shall consult with the office of the family and children's ombuds to determine if a review should be conducted in the case of a near child fatality that occurs in an early learning program described in RCW ((43.215.400 through 43.215.450)) 43.216.500 through 43.216.550 or licensed child care center, licensed outdoor nature-based child care, or licensed child care home.
(4) In any review of a child fatality or near fatality, the department and the fatality review team must have access to all records and files regarding the child or that are otherwise relevant to the review and that have been produced or retained by the early education and assistance program provider or licensed child care center, licensed outdoor nature-based child care, or licensed family home provider.

(5) The child fatality review committee shall coordinate with local law enforcement to ensure that the fatality or near fatality review does not interfere with any ongoing or potential criminal investigation.

(6) (a) A child fatality or near fatality review completed pursuant to this section is subject to discovery in a civil or administrative proceeding, but may not be admitted into evidence or otherwise used in a civil or administrative proceeding except pursuant to this section.

(b) A department employee responsible for conducting a child fatality or near fatality review, or member of a child fatality or near fatality review team, may not be examined in a civil or administrative proceeding regarding the following:

(i) The work of the child fatality or near fatality review team;

(ii) The incident under review;

(iii) The employee's or member's statements, deliberations, thoughts, analyses, or impressions relating to the work of the child fatality or near fatality review team or the incident under review; or

(iv) Statements, deliberations, thoughts, analyses, or impressions of any other member of the child fatality or near fatality review team, or any person who provided information to the child fatality or near fatality review team, relating to the work of the child fatality or near fatality review team or the incident under review.

(c) Documents prepared by or for a child fatality or near fatality review team are inadmissible and may not be used in a civil or administrative proceeding, except that any document that exists before its use or consideration in a child fatality or near fatality review, or that is created independently of such review, does not become inadmissible merely because it is reviewed or used by a child fatality or near fatality review team. A person is not unavailable as a witness merely because the person has been interviewed by or has provided a statement for a child fatality or near fatality review, but if called as a witness, a person may not be examined regarding the person's interactions with the child fatality or near fatality review including, without limitation, whether the person was interviewed during such review, the questions that were asked during such review, and the answers that the person provided during such review. This section may not be construed as restricting a person from testifying fully in any proceeding regarding his or her knowledge of the incident under review.

(d) The restrictions in this section do not apply in a licensing or disciplinary proceeding arising from an agency's effort to revoke or suspend the license of any licensed professional based in whole or in part upon allegations of wrongdoing in connection with a minor's death or near fatality reviewed by a child fatality or near fatality review team.

(7) The department shall develop and implement procedures to carry out the requirements of this section.

(8) Nothing in this section creates a duty for the office of the family and children's ombuds under RCW 43.06A.030 as related to children in the care of an early learning program described in RCW (43.215.400 through 43.215.450) 43.216.500 through 43.216.550, a licensed child care center, a licensed outdoor nature-based child care, or a licensed child care home.

Sec. 22. RCW 43.216.660 and 2017 3rd sp.s. c 6 s 212 are each amended to read as follows:

It shall be the policy of the state of Washington to:

(1) Recognize the family as the most important social and economic unit of society and support the central role parents play in child rearing. All parents are encouraged to care for and nurture their children through the traditional methods of parental care at home. The availability of quality, affordable child care is a concern for working parents, the costs of care are often beyond the resources of working
parents, and child care facilities are not located conveniently to workplaces and neighborhoods. Parents are encouraged to participate fully in the effort to improve the quality of child care services.

(2) Promote a variety of culturally and developmentally appropriate child care settings and services of the highest possible quality in accordance with the basic principle of continuity of care. These settings shall include, but not be limited to, family day care homes, outdoor nature-based child care, centers, and schools.

(3) Promote the growth, development and safety of children by working with community groups including providers and parents to establish standards for quality service, training of child care providers, fair and equitable monitoring, and salary levels commensurate with provider responsibilities and support services.

(4) Promote equal access to quality, affordable, socio-economically integrated child care for all children and families.

(5) Facilitate broad community and private sector involvement in the provision of quality child care services to foster economic development and assist industry through the department.

Sec. 23. RCW 43.216.685 and 2013 c 23 s 99 are each amended to read as follows:

(1) The department shall establish and maintain a toll-free telephone number, and an interactive web-based system through which persons may obtain information regarding child day care centers, outdoor nature-based child care providers, and family day care providers. This number shall be available twenty-four hours a day for persons to request information. The department shall respond to recorded messages left at the number within two business days. The number shall be published in reasonably available printed and electronic media. The number shall be easily identifiable as a number through which persons may obtain information regarding child day care centers and family day care providers as set forth in this section.

(2) Through the toll-free telephone line established by this section, the department shall provide information to callers about: (a) Whether a day care provider is licensed; (b) whether a day care provider's license is current; (c) the general nature of any enforcement against the providers; (d) how to report suspected or observed noncompliance with licensing requirements; (e) how to report alleged abuse or neglect in a day care; (f) how to report health, safety, and welfare concerns in a day care; (g) how to receive follow-up assistance, including information on the office of the family and children's ombuds; and (h) how to receive referral information on other agencies or entities that may be of further assistance to the caller.

(3) (Beginning in January 2006, the) The department shall print the toll-free number established by this section on the face of new licenses issued to child day care centers, outdoor nature-based child care providers, and family day care providers.

(4) This section shall not be construed to require the disclosure of any information that is exempt from public disclosure under chapter 42.56 RCW.

Sec. 24. RCW 43.216.687 and 2007 c 415 s 6 are each amended to read as follows:

(d) A notice that inspection reports and any notices of enforcement actions for the previous three years are available from the licensee and the department; and

(e) Any other information required by the department.

(2) The department shall disclose the receipt, general nature, and resolution or current status of all complaints on
record with the department after July 24, 2005, against a child day care center or family day care provider that result in an enforcement action. Information may be posted:

(a) On a web site; or

(b) In a physical location that is easily accessed by parents and potential employers.

(3) This section shall not be construed to require the disclosure of any information that is exempt from public disclosure under chapter 42.56 RCW.

Sec. 25. RCW 43.216.689 and 2007 c 415 s 7 are each amended to read as follows:

(1) Every child day care center, outdoor nature-based child care provider, and family day care provider shall have readily available for review by the department, parents, and the public a copy of each inspection report and notice of enforcement action received by the center or provider from the department for the past three years. This subsection only applies to reports and notices received on or after July 24, 2005.

Sec. 26. RCW 43.216.690 and 2019 c 362 s 3 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, ((a)) child day care centers and outdoor nature-based child care providers licensed under this chapter may not allow on the premises an employee or volunteer, who has not provided the child day care center or outdoor nature-based child care provider with:

(a) Immunization records indicating that he or she has received the measles, mumps, and rubella vaccine; or

(b) Proof of immunity from measles through documentation of laboratory evidence of antibody titer or a health care provider's attestation of the person's history of measles sufficient to provide immunity against measles.

(2) (a) The child day care center and outdoor nature-based child care provider may allow a person to be employed or volunteer on the premises for up to thirty calendar days if he or she signs a written attestation that he or she has received the measles, mumps, and rubella vaccine or is immune from measles, but requires additional time to obtain and provide the records required in subsection (1)(a) or (b) of this section.

(b) The child day care center and outdoor nature-based child care provider may allow a person to be employed or volunteer on the premises if the person provides the child day care center or outdoor nature-based child care provider with a written certification signed by a health care practitioner, as defined in RCW 28A.210.090, that the measles, mumps, and rubella vaccine is, in the practitioner's judgment, not advisable for the person. Sec. 27. RCW 43.216.700 and 2007 c 415 s 10 are each amended to read as follows:

(1) Every licensed child day care center and outdoor nature-based child
care provider shall, at the time of licensure or renewal and at any inspection, provide to the department proof that the licensee has day care insurance as defined in RCW 48.88.020, or is self-insured pursuant to chapter 48.90 RCW.

(a) Every licensed child day care center and outdoor nature-based child care provider shall comply with the following requirements:

(i) Notify the department when coverage has been terminated;

(ii) Post at the day care center or outdoor nature-based child care location, in a manner likely to be observed by patrons, notice that coverage has lapsed or been terminated;

(b) Liability limits under this subsection shall be the same as set forth in RCW 48.88.050.

(c) The department may take action as provided in RCW 43.216.325 if the licensee fails to maintain in full force and effect the insurance required by this subsection.

(d) This subsection applies to child day care centers and outdoor nature-based child care providers holding licenses, initial licenses, and probationary licenses under this chapter.

(e) A child day care center holding a license under this chapter on July 24, 2005, is not required to be in compliance with this subsection until the time of renewal of the license or until January 1, 2006, whichever is sooner.

(2) (a) Every licensed family day care provider shall, at the time of licensure or renewal either:

(i) Provide to the department proof that the licensee has day care insurance as defined in RCW 48.88.020, or other applicable insurance; or

(ii) Provide written notice of their insurance status on a standard form developed by the department to parents with a child enrolled in family day care and keep a copy of the notice to each parent on file. Family day care providers may choose to opt out of the requirement to have day care or other applicable insurance but must provide written notice of their insurance status to parents with a child enrolled and shall not be subject to the requirements of (b) or (c) of this subsection.

(b) Any licensed family day care provider that provides to the department proof that the licensee has insurance as provided under (a)(i) of this subsection shall comply with the following requirements:

(i) Notify the department when coverage has been terminated;

(ii) Post at the day care home, in a manner likely to be observed by patrons, notice that coverage has lapsed or been terminated;

(iii) Provide written notice to parents that coverage has lapsed or terminated within thirty days of lapse or termination.

(c) Liability limits under (a)(i) of this subsection shall be the same as set forth in RCW 48.88.050.

(d) The department may take action as provided in RCW 43.216.325 if the licensee fails to comply with the requirements of this subsection.

(e) A family day care provider holding a license under this chapter on July 24, 2005, is not required to be in compliance with this subsection until the time of renewal of the license or until January 1, 2006, whichever is sooner.

(3) Noncompliance or compliance with the provisions of this section shall not constitute evidence of liability or nonliability in any injury litigation.

NEW SECTION. Sec. 28. A new section is added to chapter 43.216 RCW to read as follows:

(1) The department shall establish a licensed outdoor nature-based child care program.

(2) The department shall adopt rules to implement the outdoor nature-based child care program and may waive or adapt licensing requirements when necessary to allow for the operation of outdoor classrooms.

(3) The department shall apply the early achievers program to the outdoor nature-based child care program to assess quality in outdoor learning environments and may waive or adapt early achievers
requirements when necessary to allow for the operation of outdoor classrooms.

(4) A child care or early learning program operated by a federally recognized tribe may participate in the outdoor nature-based child care program through an interlocal agreement between the tribe and the department. The interlocal agreement must reflect the government-to-government relationship between the state and the tribe, including recognition of tribal sovereignty.

(5) Subject to the availability of funds, the department may convene an advisory group of outdoor, nature-based early learning practitioners to inform and support implementation of the outdoor nature-based child care program.

Sec. 29. RCW 43.216.300 and 2018 c 58 s 41 are each amended to read as follows:

(((1))) The secretary ((shall)) may not charge fees to the licensee for obtaining a child care license. ((The secretary may waive the fees when, in the discretion of the secretary, the fees would not be in the best interest of public health and safety, or when the fees would be to the financial disadvantage of the state.

(2) Fees charged shall be based on, but shall not exceed, the cost to the department for the licensure of the activity or class of activities and may include costs of necessary inspection.

(3) The secretary shall establish the fees charged by rule.)

Sec. 30. RCW 74.15.125 and 1995 c 302 s 7 are each amended to read as follows:

(1) The department may issue a probationary license to a licensee who has had a license but is temporarily unable to comply with a rule or has been the subject of multiple complaints or concerns about noncompliance if:

(a) The noncompliance does not present an immediate threat to the health and well-being of the children but would be likely to do so if allowed to continue; and

(b) The licensee has a plan approved by the department to correct the area of noncompliance within the probationary period.

(2) A probationary license may be issued for up to six months, and at the discretion of the department it may be extended for an additional six months. The department shall immediately terminate the probationary license, if at any time the noncompliance for which the probationary license was issued presents an immediate threat to the health or well-being of the children.

(3) The department may, at any time, issue a probationary license for due cause that states the conditions of probation.

(4) An existing license is invalidated when a probationary license is issued.

(5) At the expiration of the probationary license, the department shall reinstate the original license for the remainder of its term, issue a new license, or revoke the original license.

(6) A right to an adjudicative proceeding shall not accrue to the licensee whose license has been placed on probationary status unless the licensee does not agree with the placement on probationary status and the department then suspends, revokes, or modifies the license.

(7)(a) The department may issue a child-specific license to a relative, as defined in RCW 13.36.020, or a suitable person, as defined in RCW 13.36.020, who opts to become licensed for placement of a specific child and that child's siblings or relatives in the department's care, custody, and control.

(b) Such individuals must meet all minimum licensing requirements for foster family homes established pursuant to RCW 74.15.030 and are subject to child-specific license criteria, which the department is authorized to establish by rule.

(c) For purposes of federal funding, a child-specific license is considered a full license with all of the rights and responsibilities of a foster family home license, except that at the discretion of the department the licensee may only receive placement of specific children pursuant to (a) of this subsection.

(d) A child-specific license does not confer upon the licensee a right to placement of a particular child, nor does it confer party status in any proceeding under chapter 13.34 RCW.

(e) The department shall seek input from the following stakeholders during the development and adoption of rules necessary to implement this section:
Representatives from the kinship care oversight committee, an organization that represents current and former foster youth, an organization that represents child placing agencies, and a statewide advisory group of foster youth and alumni of foster care. The department shall seek tribal input as outlined in the department’s government-to-government policy, per RCW 43.376.020.

NEW SECTION. Sec. 31. Section 3 of this act expires December 31, 2021.

NEW SECTION. Sec. 32. Section 4 of this act takes effect December 31, 2021.

NEW SECTION. Sec. 33. If specific funding for the purposes of section 29 of this act, referencing section 29 of this act by bill or chapter number and section number, is not provided by June 30, 2021, in the omnibus appropriations act, section 29 of this act is null and void.

MAJORITY recommendation: Do pass as amended.

"NEW SECTION. Sec. 1. The legislature finds that:

(1) Healthy Washingtonians contribute to the economic and social welfare of their families and communities, and access to health services and improved health outcomes allows all Washington families to enjoy productive and satisfying lives;

(2) The COVID-19 pandemic has further exposed that health outcomes are experienced differently by different people based on discrimination and bias by the health care system. Research shows that health care resources are distributed unevenly by intersectional categories including, but not limited to, race, gender, ability status, religion, sexual orientation, socioeconomic status, and geography; and

(3) These inequities have permeated health care delivery, deepening adverse outcomes for marginalized communities. This bill aims to equip health care workers with the skills to recognize and reduce these inequities in their daily work. In addition to their individual impact, health care workers need the skills to address systemic racism and bias.

NEW SECTION. Sec. 2. A new section is added to chapter 43.70 RCW to read as follows:

(1) By January 1, 2024, the rule-making authority for each health profession licensed under Title 18 RCW subject to continuing education requirements must adopt rules requiring a licensee to complete health equity continuing education training at least once every four years.

(2) Health equity continuing education courses may be taken in addition to or, if a rule-making authority determines the course fulfills existing continuing education requirements, in place of other continuing education requirements imposed by the rule-making authority.

(3)(a) The secretary and the rule-making authorities must work collaboratively to provide information to licensees about available courses. The secretary and rule-making authorities shall consult with patients or communities with lived experiences of health inequities or racism in the health care system and relevant professional organizations when developing the information and must make this information available by July 1, 2023. The information should include a course option that is free of charge to licensees. It is not required that courses be included in the information in order to fulfill the health equity continuing education requirement.

(b) By January 1, 2023, the department, in consultation with the boards and commissions, shall adopt model
rules establishing the minimum standards for continuing education programs meeting the requirements of this section. The department shall consult with patients or communities with lived experience of health inequities or racism in the health care system, relevant professional organizations, and the rule-making authorities in the development of these rules.

(c) The minimum standards must include instruction on skills to address the structural factors, such as bias, racism, and poverty, that manifest as health inequities. These skills include individual-level and system-level intervention, and self-reflection to assess how the licensee's social position can influence their relationship with patients and their communities. These skills enable a health care professional to care effectively for patients from diverse cultures, groups, and communities, varying in race, ethnicity, gender identity, sexuality, religion, age, ability, socioeconomic status, and other categories of identity. The courses must assess the licensee's ability to apply health equity concepts into practice. Course topics may include, but are not limited to:

(i) Strategies for recognizing patterns of health care disparities on an individual, institutional, and structural level and eliminating factors that influence them;

(ii) Intercultural communication skills training, including how to work effectively with an interpreter and how communication styles differ across cultures;

(iii) Implicit bias training to identify strategies to reduce bias during assessment and diagnosis;

(iv) Methods for addressing the emotional well-being of children and youth of diverse backgrounds;

(v) Ensuring equity and antiracism in care delivery pertaining to medical developments and emerging therapies;

(vi) Structural competency training addressing five core competencies:

(A) Recognizing the structures that shape clinical interactions;

(B) Developing an extraclinical language of structure;

(C) Rearticulating "cultural" formulations in structural terms;

(D) Observing and imagining structural interventions; and

(E) Developing structural humility; and

(vii) Cultural safety training.

(4) The rule-making authority may adopt rules to implement and administer this section, including rules to establish a process to determine if a continuing education course meets the health equity continuing education requirement established in this section.

(5) For purposes of this section the following definitions apply:

(a) "Rule-making authority" means the regulatory entities identified in RCW 18.130.040 and authorized to establish continuing education requirements for the health care professions governed by those regulatory entities.

(b) "Structural competency" means a shift in medical education away from pedagogic approaches to stigma and inequalities that emphasize cross-cultural understandings of individual patients, toward attention to forces that influence health outcomes at levels above individual interactions. Structural competency reviews existing structural approaches to stigma and health inequities developed outside of medicine and proposes changes to United States medical education that will infuse clinical training with a structural focus.

(c) "Cultural safety" means an examination by health care professionals of themselves and the potential impact of their own culture on clinical interactions and health care service delivery. This requires individual health care professionals and health care organizations to acknowledge and address their own biases, attitudes, assumptions, stereotypes, prejudices, structures, and characteristics that may affect the quality of care provided. In doing so, cultural safety encompasses a critical consciousness where health care professionals and health care organizations engage in ongoing self-reflection and self-awareness and hold themselves accountable for providing culturally safe care, as defined by the patient and their communities, and as measured through progress towards
achieving health equity. Cultural safety requires health care professionals and their associated health care organizations to influence health care to reduce bias and achieve equity within the workforce and working environment.

Sec. 3. RCW 43.70.615 and 2006 c 237 s 2 are each amended to read as follows:

(1) For the purposes of this section, "multicultural health" means the provision of health care services with the knowledge and awareness of the causes and effects of the determinants of health that lead to disparities in health status between different genders and racial and ethnic populations and the practice skills necessary to respond appropriately.

(2) The department, in consultation with the disciplining authorities as defined in RCW 18.130.040, shall establish, within available department general funds, an ongoing multicultural health awareness and education program as an integral part of its health professions regulation. The purpose of the education program is to raise awareness and educate health care professionals regarding the knowledge, attitudes, and practice skills necessary to care for diverse populations to achieve a greater understanding of the relationship between culture and health. ((The disciplining authorities having the authority to offer continuing education may provide training in the dynamics of providing culturally competent, multicultural health care to diverse populations.) Any such education shall be developed in collaboration with education programs that train students in that health profession. ((A disciplining authority may require that instructors of continuing education or continuing competency programs integrate multicultural health into their curricula when it is appropriate to the subject matter of the instruction.) No funds from the health professions account may be utilized to fund activities under this section unless the disciplining authority authorizes expenditures from its proportions of the account. ((A disciplining authority may defray costs by authorizing a fee to be charged for participants or materials relating to any sponsored program.))

(3) By July 1, 2008, each education program with a curriculum to train health professionals for employment in a profession credentialed by a disciplining authority under chapter 18.130 RCW shall integrate into the curriculum instruction in multicultural health as part of its basic education preparation curriculum. The department may not deny the application of any applicant for a credential to practice a health profession on the basis that the education or training program that the applicant successfully completed did not include integrated multicultural health curriculum as part of its basic instruction.”

SSB 5030 Prime Sponsor, Committee on Early Learning & K-12 Education: Developing comprehensive school counseling programs. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that certificated school counselors are uniquely qualified to address the developmental needs of all students through a comprehensive school counseling program. School counselors play a critical role in maximizing K-12 student outcomes, including those related to attendance, academic achievement, high school graduation, postsecondary readiness, and social-emotional development. The legislature finds that school counselors play an especially unique role in the lives of students from underserved backgrounds, particularly students of color, students with disabilities, English language learners, and students living in poverty, who, according to research, are more likely to seek out their school counselor for academic, mental health, or postsecondary planning needs.

(2) The legislature also recognizes research indicating that lower counselor to student ratios enable counselors to work more closely with students and address their unique needs, and that school counselors should be able to use their time to provide direct and indirect services to students as described in a comprehensive school counseling program grounded in research.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

By the beginning of the 2022-23 school year each school district shall develop and implement a written plan for a
comprehensive school counseling program that is based on regularly updated standards developed by a national organization representing school counselors. The written plan must:

(1) Establish a comprehensive school counseling program that uses state and nationally recognized counselor frameworks and is systemically aligned to state learning standards;

(2) Provide a process for identifying student needs through a multilevel school data review and analysis that includes, at a minimum, use-of-time data, program results data, and data regarding communication with administrators, parents, students, and stakeholders;

(3) Explain how direct and indirect services will be delivered through the comprehensive school counseling program; and

(4) Establish an annual review and assessment process for the comprehensive school counseling program that includes building administrators and stakeholders.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.320 RCW to read as follows:

(1) The comprehensive school counseling program required by section 2 of this act must be implemented by school counselors or other educational staff associates for the purpose of guiding students in academic pursuits, career planning, and social-emotional learning.

(2) School counselors or other educational staff associates assigned to implement comprehensive school counseling programs must allocate at least 80 percent of their work time providing direct and indirect services to benefit students, as aligned with standards developed by a national organization representing school counselors. Tasks such as coordinating and monitoring student testing, supervising students at lunch and recess, and assuming the duties of other noncounseling staff are not direct or indirect services.

(3) For purposes of this section:

(a) "Direct services" are in-person interactions between school counselors or other educational staff associates assigned to implement comprehensive school counseling programs and students that help students improve achievement, attendance, and discipline. Examples include, but are not limited to, instruction, appraisal, advisement, and counseling.

(b) "Indirect services" are provided on behalf of students as a result of interactions with others by school counselors or educational staff associates assigned to implement comprehensive school counseling programs that allow school counselors or educational staff associates to enhance student achievement and promote equity and access for all students. Examples include, but are not limited to, collaboration, consultation, and referrals.

(c) "Work time" means the portion of an employee's contracted hours for which they are contracted to perform the duties of a school counselor or other educational staff associate assignment.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.320 RCW to read as follows:

Prime Sponsor, Committee on Ways & Means: Concerning diversity, equity, inclusion, and antiracism training and assessments at institutions of higher education. Reported by Committee on College & Workforce Development

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that a postsecondary credential such as a degree, apprenticeship, or certificate is increasingly necessary to obtain a job that offers a good salary and advancement opportunities and that increasing the number of students in Washington who obtain such a credential is essential to the state's economic success. The legislature also recognizes that equity gaps remain among postsecondary students and that those gaps particularly impact students from historically marginalized communities.

The legislature finds that developing and maintaining a culture of belonging and support for students, faculty, and staff at institutions of higher education is essential to student success, and that faculty and staff play a key role. The legislature therefore seeks to ensure that public institutions of higher education provide faculty and staff, as well as students, with training to give them tools to address matters related to antiracism, diversity, equity, and inclusion.

The legislature further finds it necessary to regularly analyze the impact of that training on the campus community and to identify any measures needed to increase diversity, equity, and inclusion. Accordingly, the legislature intends that each public institution of higher education assess the learning, working, and living environment on campus that students, faculty, and staff experience to better understand the evolving state of diversity, equity, and inclusion.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.10 RCW to read as follows:

(1) Each institution of higher education must:

(a) Provide professional development, either existing or new, focused on diversity, equity, inclusion, and antiracism for faculty and staff. This program must be developed in partnership with the institution's administration, faculty, staff, and student leadership groups. Efforts must be made to ensure the program is developed and delivered by individuals with innate and acquired experience and expertise in the field of diversity, equity, and inclusion. The content framework for professional development must be posted on each institution's public website for parents
and community members. The professional development must begin in the 2022-23 academic year;

(b) Create an evaluation for professional development participants. The evaluations must, at minimum, capture a participant’s level of satisfaction with the professional development opportunity, the degree to which the learning objectives were achieved, and how the knowledge gained may be applied to their work;

(c)(i) Share completed evaluations of program participants annually with either the state board for community and technical colleges or an organization representing the presidents of the public four-year institutions of higher education, depending on the institution; and (ii) submit curriculum and other pertinent information regarding the program beginning July 1, 2023, and, subsequently, if there is a meaningful change or by request of the reporting entity.

(2) The purpose of each professional development program curriculum must be rooted in eliminating structural racism against all races and promoting diversity, equity, and inclusion while improving academic, social, and health and wellness outcomes for students from historically marginalized communities. Institutions of higher education may further develop a curriculum that is reflective of the needs of the campus community.

(3)(a) Beginning with the 2022-23 academic year, every new faculty and staff member at an institution of higher education must participate in the program, regardless of whether they are a full-time or part-time employee. All faculty and staff participating in the professional development program must complete an evaluation. Other faculty and staff may participate in the professional development program as needed or required by their institution. Each institution must develop a goal of at least 80 percent of their total faculty and staff completing the professional development program every two years and report on their goal’s progress in the report established in section 5 of this act. Each institution may determine how to show progress towards their goal. Part-time faculty and staff who are employed at more than one institution of higher education are only required to complete the professional development program at one institution if they provide proof of completion to their other institution of higher education employers to receive credit for participation.

(b) Beginning with the 2024-25 academic year, 35 percent of tenured faculty and 35 percent of administrators at each institution of higher education must complete the professional development program every two years, regardless of whether they are a full-time or part-time employee.

(4) The state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education may conduct further analysis of the professional development programs through participant evaluation data, use of focus groups, or other methods to determine promising practices. The state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education must post a list of model standards and promising practices for professional development on their public websites for parents and community members.

(5) The institutions of higher education shall adopt rules as necessary or appropriate for effecting the provisions of this section, not in conflict with this chapter, and in accordance with the provisions of chapter 34.05 RCW, the administrative procedure act.

NEW SECTION. Sec. 3. A new section is added to chapter 28B.10 RCW to read as follows:

(1)(a) The institutions of higher education as defined in RCW 28B.10.016 shall each conduct a campus climate assessment to understand the current state of diversity, equity, and inclusion in the learning, working, and living environment on campus for students, faculty, and staff. The assessment shall occur, at minimum, every five years. Institutions of higher education shall use the results of the campus climate assessment to inform the professional development, established in section 2 of this act, and program, established in section 4 of this act. Institutions may use an existing campus climate assessment to meet this requirement.

(b) The state board for community and technical colleges shall develop a model
(2) The design of an existing or new campus climate assessment must involve, at minimum, students, college and university diversity officers, faculty, and staff. The campus climate assessment must include, at minimum, an evaluation of student and employee attitudes and awareness of campus diversity, equity, and inclusion issues. The campus climate assessment may also include questions evaluating the prevalence of discrimination, sexual assault, harassment, and retaliation on and off campus, in addition to student, faculty, and staff knowledge of campus policies and procedures addressing discrimination, sexual assault, harassment, and retaliation. College and university diversity officers and students must be consulted in the development of recommendations.

(3) Institutions of higher education must, at minimum, conduct annual listening and feedback sessions for diversity, equity, and inclusion for the entire campus community during periods between campus climate assessments. Institutions of higher education must, to the maximum extent practicable, compensate students for their participation in the annual listening and feedback sessions.

(4) Beginning July 1, 2022, the institutions of higher education shall report findings or progress in completing their campus climate assessment and, when applicable, information on their listening and feedback sessions annually to either the state board for community and technical colleges or an organization representing the presidents of the public four-year institutions of higher education. The institutions of higher education must also publish annually on the institution's public website the results of either the campus climate assessment or listening and feedback sessions.

(5) The state board for community and technical colleges may require colleges to repeat their campus climate assessment. An organization representing the presidents of the public four-year institutions of higher education may also request state universities, regional universities, and The Evergreen State College to repeat their campus climate assessment.

NEW SECTION. Sec. 4. A new section is added to chapter 28B.10 RCW to read as follows:

(1) Each institution of higher education must:

(a) Provide a program, either existing or new, on diversity, equity, inclusion, and antiracism to students beginning with the 2024-25 academic year. Institutions of higher education may expand the focus of its program to reflect the needs of the campus community. This program must be developed in partnership with the institution’s administration, faculty, staff, and student leadership groups. Efforts should be made to ensure the program is developed and delivered by individuals with innate and acquired experience and expertise in the field of diversity, equity, and inclusion. The content framework for each program must be posted on each institution’s public website for parents and community members; and

(b) Create an evaluation for program participants. The evaluation must, at minimum, capture a participant’s level of satisfaction with the program and how they will apply the program to their education.

(2) The purpose of each program must be rooted in eliminating structural racism against all races and promoting diversity, equity, and inclusion while improving outcomes for students from historically marginalized communities. Institutions of higher education may further develop a curriculum that is reflective of the needs of the campus community.

(3) During the 2024-25 academic year, all degree-seeking students at institutions of higher education must participate in the program, regardless of whether they are a full-time or part-time student. Beginning with the 2025-26 academic year, the program is only required for degree-seeking students who are new or have transferred to the institution and have not yet participated in a required diversity, equity, inclusion, and antiracism program at an institution of higher education. Students must be allowed to opt out of participation in the program if they self-attest to taking a diversity, equity, inclusion, and antiracism
training at an institution of higher education within the previous five years.

(4) The state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education may conduct further analysis of the programs, through participant evaluation data, use of focus groups, or other methods to determine promising practices. The state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education must post a list of model standards and promising practices for programs on their public websites for parents and community members.

(5) The institutions of higher education shall adopt rules as necessary or appropriate for effecting the provisions of this section, not in conflict with this chapter, and in accordance with the provisions of chapter 34.05 RCW, the administrative procedure act.

(6) For purposes of this section, "student" or "students" does not include nonmatriculated students.

NEW SECTION. Sec. 5. A new section is added to chapter 28B.10 RCW to read as follows:

By December 31, 2024, and biennially thereafter, the state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education shall each submit a report to the higher education committees of the legislature in accordance with RCW 43.01.036 for their respective institutions of higher education. The reports must include the following:

(1) Information on the professional development programs implemented by each institution of higher education, including updates on progress towards meeting the goal outlined in section 1 of this act;

(2) A summary of results of the campus climate assessments and other relevant information received by the institutions of higher education; and

(3) By December 31, 2026, and biennially thereafter, the reports must also include information on the student diversity, equity, inclusion, and antiracism programs implemented by each institution of higher education.

NEW SECTION. Sec. 6. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state."

SSB 5030  Prime Sponsor, Committee on Early Learning & K-12 Education: Developing comprehensive school counseling programs. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature recognizes that certificated school counselors are uniquely qualified to address the developmental needs of all students through a comprehensive school counseling program. School counselors play a critical role in maximizing K-12 student outcomes, including those related to attendance, academic achievement, high school graduation, postsecondary readiness, and social-emotional development. The legislature finds that school counselors play an especially unique role in the lives of students from underserved backgrounds, particularly students of color, students with disabilities, English language learners, and students living in poverty, who, according to research, are more likely to seek out their school counselor for academic, mental health, or postsecondary planning needs.

(2) The legislature also recognizes research indicating that lower counselor to student ratios enable counselors to work more closely with students and address their unique needs, and that school counselors should be able to use their time to provide direct and indirect services to students as described in a comprehensive school counseling program grounded in research.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.320 RCW to read as follows:

By the beginning of the 2022-23 school year each school district shall develop and implement a written plan for a comprehensive school counseling program that is based on regularly updated standards developed by a national organization representing school counselors. The written plan must:

(1) Establish a comprehensive school counseling program that uses state and nationally recognized counselor frameworks and is systemically aligned to state learning standards;

(2) Provide a process for identifying student needs through a multilevel school data review and analysis that includes, at a minimum, use-of-time data, program results data, and data regarding communication with administrators, parents, students, and stakeholders;

(3) Explain how direct and indirect services will be delivered through the comprehensive school counseling program; and

(4) Establish an annual review and assessment process for the comprehensive school counseling program that includes building administrators and stakeholders.

NEW SECTION. Sec. 3. A new section is added to chapter 28A.320 RCW to read as follows:

(1) The comprehensive school counseling program required by section 2 of this act must be implemented by school counselors or other educational staff associates for the purpose of guiding students in academic pursuits, career planning, and social-emotional learning.

(2) School counselors or other educational staff associates assigned to implement comprehensive school counseling programs must allocate at least 80 percent of their work time providing direct and indirect services to benefit students, as aligned with standards developed by a national organization representing school counselors. Tasks such as coordinating and monitoring student testing, supervising students at lunch and recess, and assuming the duties of other noncounseling staff are not direct or indirect services.

(3) For purposes of this section:

(a) "Direct services" are in-person interactions between school counselors or other educational staff associates assigned to implement comprehensive school counseling programs and students that help students improve achievement, attendance, and discipline. Examples include, but are not limited to, instruction, appraisal, advisement, and counseling.

(b) "Indirect services" are provided on behalf of students as a result of interactions with others by school counselors or educational staff associates assigned to implement comprehensive school counseling programs.
that allow school counselors or educational staff associates to enhance student achievement and promote equity and access for all students. Examples include, but are not limited to, collaboration, consultation, and referrals.

(c) "Work time" means the portion of an employee's contracted hours for which they are contracted to perform the duties of a school counselor or other educational staff associate assignment.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.320 RCW to read as follows:

(1) By December 1, 2021, the office of the superintendent of public instruction must develop and distribute to school districts guidance for the implementation of sections 2 and 3 of this act.

(2) Prior to the 2022-23 school year, each school district board of directors must, within existing funds, adopt a transition plan for developing and implementing a comprehensive school counseling program plan.

(2) The bylaws may contain any provision for managing the activities and regulating the affairs of the corporation that is not inconsistent with law or the articles. Whenever a provision of the bylaws is inconsistent with a provision of the articles, the provision of the articles controls.

(4) In anticipation of and for the duration of an emergency, any meeting of the membership or of the board of directors may be conducted through one or more means of remote communication through which members or directors not physically present may simultaneously participate with each other during the meeting, notwithstanding any provision of the articles or bylaws that provides otherwise. A member or director participating in a meeting through such means in anticipation of and for the duration of an emergency is considered present in person at the meeting.
(5) Corporate action taken in good faith during an emergency to further the purposes and the ordinary affairs of the nonprofit corporation:

(a) Property held for charitable purposes may not be used to confer benefits upon or make transfers to members or nonmembers, repurchase memberships, or repay capital contributions;

(b) The nonprofit corporation may not be insolvent, and conferral of benefits, making of transfers, repurchase of memberships, or repayment of capital contributions shall not render the corporation insolvent or unable to carry out its purposes; and

(c) The fair value of the corporation's assets remaining after the conferring of benefits, making of transfers, repurchase, or repayment must be sufficient to meet the corporation's liabilities.

NEW SECTION. Sec. 1407. REASONABLE COMPENSATION PERMITTED. A nonprofit corporation, including a charitable corporation, may pay reasonable compensation to members, directors, or officers for services rendered, or reimburse reasonable expenses incurred by members, directors, or officers in connection with services rendered.

(2) In no event may property held for charitable purposes be distributed in a
manner inconsistent with sections 1406, 3404, or 3502 of this act.

NEW SECTION. Sec. 1409. DEBT AND SECURITY INTERESTS. (1) A nonprofit corporation shall not issue bonds or other evidences of indebtedness except for cash or other property, tangible or intangible, or labor or services actually received by or performed for the corporation or for its benefit or in its formation or reorganization, or a combination thereof.

(2) The board may authorize a mortgage or pledge of, or the creation of a security interest in, all or any part of the property of the nonprofit corporation, or any interest therein. Unless otherwise provided in the articles or bylaws, the vote or consent of the members is not required to make effective such an action by the board.

NEW SECTION. Sec. 1410. PRIVATE FOUNDATIONS. (1) Except as provided in subsection (2) of this section, a nonprofit corporation that is a private foundation as defined in section 509(a) of the Internal Revenue Code shall:

ARTICLE 5
GIFT RESTRICTIONS

NEW SECTION. Sec. 1501. UNRESTRICTED GIFTS. Giving a gift to a nonprofit corporation, including a charitable corporation, without a gift instrument transfers complete ownership of the gift to the nonprofit corporation. A restricted gift to a nonprofit corporation is created only by a gift instrument.

NEW SECTION. Sec. 1502. RESTRICTED GIFTS. (1) This section distinguishes between:

(a) Enforceable trusts held by a nonprofit corporation, including a charitable corporation, governed under chapter 11.110 RCW; and

(b) Gift restrictions whose terms may be enforced and are subject to modification under this chapter or other applicable law.

(2) A gift to a nonprofit corporation, including a charitable corporation, does not create a charitable trust unless:

(a) The donor expresses an intent to create a charitable trust; and

(b) The trustee, which may be a charitable corporation, agrees in the form of a record to act as trustee of that trust according to its terms.

(3) Giving a gift to a nonprofit corporation, including a charitable corporation, that is:

(a) Accepted by the corporation;

(b) not in trust; and

(c) subject to material restrictions or requirements contained in a gift instrument transfers complete ownership to the nonprofit corporation. The nonprofit corporation is bound by the material restrictions or requirements contained in the gift instrument.

(4) A nonprofit corporation complies with a term contained in a gift instrument if the nonprofit corporation reasonably complies with all material restrictions or requirements contained in the term, or, when appropriate under the facts and circumstances, seeks modification in accordance with section 1503 of this act.

(5) If the nonprofit corporation fails to comply with any material restriction or requirement contained in a gift instrument and fails to seek a modification in accordance with section 1503 of this act, then the attorney general may bring a proceeding to enforce the terms of the gift instrument.

NEW SECTION. Sec. 1503. MODIFICATION OR RELEASE OF GIFT RESTRICTIONS. (1) A
term of a gift instrument that binds a nonprofit corporation may be modified or released, in whole or in part:

(a) If the donor consents in a record;
(b) As set forth in subsection (2) of this section, if the term is unlawful, impracticable, impossible to achieve, or wasteful;
(c) For gift instruments limiting the use of property to one or more charitable purposes, through a binding agreement executed by the nonprofit corporation, the attorney general, and other interested parties, and filed with or approved by the court in accordance with section 1504 of this act;
(d) By approval of the court in accordance with section 1505 of this act; or
(e) As provided by other applicable law including, but not limited to, chapter 24.55 RCW.

(2) If a nonprofit corporation, including a charitable corporation, determines that a restriction contained in a gift instrument on the management, investment, or purpose of a gift is unlawful, impracticable, impossible to achieve, or wasteful, then the nonprofit corporation, sixty days after notification to the attorney general, may modify the restriction, in whole or part, if:

(a) The gift subject to the restriction has a total value consistent with RCW 24.55.045(4)(a) or any successor provision;
(b) More than twenty years have elapsed since the gift was given; and
(c) The nonprofit corporation uses the gift in a manner consistent with any charitable purposes expressed in the gift instrument.

(3) Application of sections 1501 through 1506 of this act to existing gifts:

(a) Before January 1, 2023, sections 1501 through 1506 of this act apply to gifts existing on December 31, 2021, only if the nonprofit corporation's board elects to apply sections 1501 through 1506 of this act to existing gifts before January 1, 2023.
(b) On or after January 1, 2023, sections 1501 through 1506 of this act apply to all gifts.

(c) As applied to gifts existing on December 31, 2021, sections 1501 through 1506 of this act govern only decisions made or actions taken on or after January 1, 2023, except that in the case of a nonprofit corporation that makes the election under (a) of this subsection sections 1501 through 1506 of this act govern decisions made or actions taken on or after the date the nonprofit corporation elects to be covered by sections 1501 through 1506 of this act.

NEW SECTION. Sec. 1504. BINDING AGREEMENT TO MODIFY OR RELEASE RESTRICTIONS. (1) If a gift instrument limits the use of the gift to one or more charitable purposes, and the conditions set forth in subsection (3) or (4) of this section are satisfied, then the gift instrument may be modified by agreement of the nonprofit corporation, the attorney general, and all other interested parties.

(2) For purposes of this section, an "interested party" does not include:

(a) The donor; or
(b) Any member of any charitable class that the gift would benefit, either before or after the modifications to be made by the agreement.

(3) A restriction related to a gift's management or investment may be modified by an agreement described in subsection (1) of this section if:

(a) Because of circumstances not anticipated by the donor, modification will further the charitable purpose of the gift;
(b) Enforcement of the restriction has become impracticable or wasteful; or
(c) Enforcement of the restriction impairs the management or investment of the gift.

(4) A restriction on the use of a gift relating to the gift's charitable purpose, rather than its management or investment, may be modified by an agreement described in subsection (1) of this section if the purpose becomes unlawful, impracticable, impossible to achieve, or wasteful.

(5) An agreement described in subsection (1) of this section must:

(a) Be in writing and executed by all of the parties;
NEW SECTION.  Sec. 1505. JUDICIAL MODIFICATION OR RELEASE OF RESTRICTIONS. 

(1) Upon application by a corporation subject to a restriction related to a gift's management or investment, rather than to its charitable purpose, the court may modify the restriction if:

(a) Because of circumstances not anticipated by the donor, modification will further the charitable purpose of the gift;
(b) Enforcement of the restriction has become impracticable or wasteful; or
(c) Enforcement of the restriction impairs the management or investment of the gift.

(2) Upon application by a corporation subject to a restriction on the use of a gift relating to the charitable purpose of the gift, rather than its management or investment, the court may modify the restriction if the purpose becomes unlawful, impracticable, impossible to achieve, or wasteful.

(3) If the gift instrument provides for a forfeiture or gift-over to an alternative beneficiary, then the court may modify one or more restrictions under the procedure set out in subsection (1) of this section if a management or investment provision fails. The court may not, however, modify any restriction under the procedure set out in subsection (2) of this section to defeat the interest of an alternate beneficiary unless the beneficiary would also be subject to, and unable to perform, the term requiring modification. The alternative beneficiary is entitled to notice and may participate in the determination of whether to grant modification.

(4) Any modification made by the court must, to the extent possible, be made in a manner consistent with the charitable purposes as expressed in the gift instrument.

(5) A nonprofit corporation shall notify the attorney general whenever it seeks to modify a charitable gift restriction under this section and the court shall offer the attorney general an opportunity to be heard.
ARTICLE 6
BOOKS AND RECORDS

NEW SECTION. Sec. 1601. CORPORATE RECORDS. (1) A nonprofit corporation shall keep permanently a copy of the following records:

(a) Minutes of all meetings of its members and of its board of directors;

(b) A record of all actions taken by the members and board of directors by unanimous written consent; and

(3) A nonprofit corporation shall maintain appropriate accounting records.

(4) A membership corporation or its agent shall maintain a record of its members, in a form that permits preparation of a list of the names and addresses of all members, in alphabetical order by class, showing the number of votes each member is entitled to cast.

(5) A nonprofit corporation shall maintain its records in written form or in any other form of a record.

(6) All records required to be maintained by a nonprofit corporation may be maintained at any location within or without this state.

NEW SECTION. Sec. 1602. INSPECTION BY MEMBERS. (1) A member of a nonprofit corporation may inspect and copy, during regular business hours at a reasonable location specified by the corporation, any of the records the corporation is required to maintain under section 1601(2) of this act, if the member delivers to the corporation an executed notice in the form of a record at least five business days before the date on which the member wishes to inspect and copy the records.

(2) Subject to the limitations set forth in subsections (3) and (4) of this section, a member of a nonprofit corporation may inspect and copy, during regular business hours at a reasonable location specified by the corporation, any of the following records of the corporation, if the member delivers to the corporation an executed notice in the form of a record at least five business days before the date on which the member wishes to inspect and copy the records:

(a) Excerpts from those minutes and records required to be maintained under section 1601(1) of this act;

(b) Accounting records of the corporation described in section 1601(3) of this act; and

(c) Subject to section 1607 of this act, the membership list described in section 1601(4) of this act.

(3) A nonprofit corporation may withhold from inspection under this section:

(a) Those portions of records that contain information protected by the attorney-client privilege or related work product;

(b) The address of any member who is known to the corporation to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar program established by law;

(c) Those portions of records, which, if disclosed, would be reasonably likely to result in harm to the corporation or a third party, such as disciplinary actions involving nondirector members, identities of job applicants, discussions of strategic acquisitions, records that are required to be kept confidential under obligations to a third party, etc.; or

(d) Any information that a nonprofit corporation is required to keep confidential under any other law.
(4) A member may inspect and copy the records described in subsection (2) of this section only if the:
(a) Member's demand is made in good faith and for a proper purpose;
(b) Member describes with reasonable particularity the purpose and the records the member desires to inspect;
(c) Member agrees in the form of a record to reasonable restrictions required by the board on the use or distribution of the records; and
(d) Records are directly connected with this purpose.

(5) The right of inspection granted by this section may not be abolished or limited by a nonprofit corporation's articles or bylaws.

(6) This section does not affect the:
(a) Right of a member to inspect records as part of discovery in connection with litigation; or
(b) Power of any court of competent jurisdiction, independently of this chapter, to compel the production of corporate records for examination.

NEW SECTION. Sec. 1603. SCOPE OF MEMBER'S INSPECTION RIGHT. (1) A member's agent or attorney has the same inspection and copying rights as the member represented.

(2) The right to copy records under section 1602 of this act includes, if reasonable, the right to receive copies. Copies may be provided through electronic transmission unless the member requests otherwise in the form of a record.

(3) The nonprofit corporation may comply with a member's demand to inspect and copy the list of members under section 1602(2)(c) of this act by providing the member for a reasonable charge as described in subsection (4) of this section with a list of members that was compiled no earlier than the date of the member's demand.

(4) The nonprofit corporation shall provide a copy of its articles and bylaws at no cost to a member on request. The nonprofit corporation may impose a reasonable charge, covering the costs of labor and material, for copies of any other documents provided to the member. The charge may not exceed the estimated cost of production, reproduction, or transmission of the records.

NEW SECTION. Sec. 1604. FINANCIAL STATEMENTS FOR MEMBERS. (1) Except as provided in the articles or bylaws of a nonprofit corporation engaged in religious activity, upon a demand in the form of a record from a member, a corporation shall furnish that member with its latest annual financial statements, which may be consolidated or combined statements of the corporation and one or more of its subsidiaries as appropriate, that include a balance sheet as of the end of the fiscal year and a statement of operations for the year. If financial statements are prepared for the corporation on the basis of generally accepted accounting principles, then the annual financial statements must also be prepared on that basis.

(2) If the annual financial statements are reported upon by a certified public accountant, then the accountant's report shall accompany them. If not, then the statements must be accompanied by a statement of the president or the person responsible for the nonprofit corporation's accounting records:
(a) Stating the reasonable belief of the president or other person as to whether the statements were prepared on the basis of generally accepted accounting principles and, if not, describing the basis of preparation; and
(b) Describing any respects in which the statements were not prepared on a basis of accounting consistent with the statements prepared for the preceding year.

NEW SECTION. Sec. 1605. COURT-ORDERED INSPECTION. (1) If a nonprofit corporation does not allow a member who complies with section 1602(1) of this act to inspect and copy any records required by that subsection to be available for inspection, then the court may summarily order inspection and copying of the records demanded at the corporation's expense upon application of the member.

(2) If a nonprofit corporation does not within a reasonable time allow a member to inspect and copy any other record to which the member is entitled under section 1602(2) of this act, then the member who complies with section 1602 (3) and (4) of this act may apply to the court for an order to permit inspection and copying of the records demanded. The court may inspect the records in question in camera and determine the extent of required disclosure, if any, in light of
section 1602 of this act. In making that
determination, the court shall consider
the probability and extent of potential
harm to the corporation or any third
party that may result from inspection,
and the probability and extent of benefit
to the corporation or the member.

(3) If the court orders inspection and
 copying of the records demanded, then it
 shall also order the nonprofit
corporation to pay the member's costs,
including reasonable attorneys' fees,
incurred to obtain the order, unless the
corporation proves that it refused
inspection in good faith because it had
a reasonable basis for doubt about the
right of the member to inspect the
records demanded. If the court denies the
majority of the request for inspection
and copying, it may order the member to
pay part or all of the nonprofit
corporation's costs, including
reasonable attorneys' fees.

(4) If the court orders inspection and
 copying of the records demanded, then it
 may impose reasonable restrictions on the
use or distribution of the records by the
demanding member.

NEW SECTION. Sec. 1606. INSPECTION
BY DIRECTORS. (1) A director of a
nonprofit corporation may inspect and
copy the books, records, and documents of
the corporation at any reasonable time to
the extent reasonably related to the
performance of the director's duties as
a director, including duties as a member of
a committee, but not for any other
purpose or in any manner that would
violate any duty to the corporation or
law other than this chapter.

(2) The court may order inspection and
copying of the books, records, and documents at the corporation's expense,
upon application of a director who has
been refused the inspection rights set
out in subsection (1) of this section,
unless the corporation establishes that
the director is not entitled to those
inspection rights.

(3) If an order is issued, then the
court may include provisions protecting the
nonprofit corporation from undue
burden or expense, and prohibiting the
director from using information obtained
upon exercise of the inspection rights in
a manner that would violate a duty to the
 corporation, and may also order the
corporation to reimburse the director for
the director's costs, including
reasonable attorneys' fees, incurred in
connection with the application.

NEW SECTION. Sec. 1607. USE OF
MEMBERSHIP LIST. (1) Without the consent
of the board, a membership list or any
part thereof may not be obtained or used
by any person for any purpose unrelated
to a member's interest as a member.
Without limiting the generality of the
foregoing, without the consent of the
board, a membership list or any part
thereof may not be:

(a) Used to solicit cash or other
property unless the cash or other
property will be used solely to solicit
the votes of the members in an election
to be held by the nonprofit corporation;

(b) Used for any commercial purpose;
or

(c) Sold to or purchased by any person.

(2) Instead of making a membership
list available for inspection and copying
under sections 1601 through 1607 of this
act, a nonprofit corporation may elect to
proceed under the procedures set forth in
section 2304(6) of this act.

ARTICLE 7

it meets the following requirements:

(a) The corporation complies with this
chapter; and

(b) The corporation is currently
recognized by the internal revenue
service as an organization described in
section 501(c)(3) of the Internal Revenue
Code or is exempt from applying for that
recognition under section 508(c) of the
Internal Revenue Code.

(2) A temporary designation as a
public benefit nonprofit corporation may
be provided to a corporation that has
applied to the internal revenue service
for recognition of its status as an
organization described in section
501(c)(3) of the Internal Revenue Code.
The temporary designation is valid for up
to one year and may be renewed at the
discretion of the secretary of state.

(3) Designation of a corporation as a
public benefit nonprofit corporation
does not alter the applicability to the corporation of any other provision of this chapter.

NEW SECTION.  Sec. 1702.  APPLICATION AND RENEWAL.  (1) The secretary of state shall develop an application process for new and existing corporations to apply for public benefit nonprofit corporation status.

(2) Public benefit nonprofit corporation status must be renewed annually. The secretary of state may schedule renewals in conjunction with the corporation's annual report.

NEW SECTION.  Sec. 1703.  REMOVAL OF STATUS.  The secretary of state may remove a corporation's public benefit nonprofit corporation designation if the corporation does not comply with this chapter or the internal revenue service revokes recognition of the corporation's status as an organization described in section 501(c)(3) of the Internal Revenue Code.

ARTICLE 8
FOREIGN CORPORATIONS

NEW SECTION.  Sec. 1801.  REGISTRATION TO DO BUSINESS.  A foreign nonprofit corporation may not do business in this state until it registers with the secretary of state pursuant to chapter 23.95 RCW.

NEW SECTION.  Sec. 1802.  EFFECT OF REGISTRATION.  (1) A foreign nonprofit corporation with a valid foreign registration statement has the same but no greater rights and has the same but no greater privileges as, and except as provided by this chapter is subject to the same duties, restrictions, penalties, and liabilities now or later imposed on, a domestic nonprofit corporation of like character.

(2) This chapter does not authorize this state to regulate the organization or internal affairs of a registered foreign nonprofit corporation.

(3) For those corporations that have a certificate of authority, are applying for, or intend to apply for a certificate of authority from the insurance commissioner as an insurance company under chapter 48.05 RCW, whenever under this chapter corporate records are required to be delivered to the secretary of state for filing, the records must be delivered to the insurance commissioner rather than the secretary of state.

NEW SECTION.  Sec. 1803.  NAME OF FOREIGN CORPORATION.  (1) The name of a registered foreign nonprofit corporation, any name reserved by a registered foreign nonprofit corporation, or any alternate name adopted under RCW 23.95.525 is governed by chapter 23.95 RCW.

(2) A foreign nonprofit corporation not registered to do business in this state may register its name, or an alternate name adopted pursuant to RCW 23.95.525, under RCW 23.95.315.

NEW SECTION.  Sec. 1804.  REGISTERED AGENT OF FOREIGN CORPORATION.  (1) Each registered foreign nonprofit corporation in this state shall designate and maintain a registered agent in this state.

(2) Service upon a registered foreign nonprofit corporation made by serving its registered agent, or service on the registered foreign nonprofit corporation in the absence of a registered agent, is governed by chapter 23.95 RCW.

NEW SECTION.  Sec. 1806.  WITHDRAWAL OF REGISTRATION.  A registered foreign nonprofit corporation may withdraw its registration by delivering a statement of withdrawal to the secretary of state for filing under RCW 23.95.530.

NEW SECTION.  Sec. 1807.  WITHDRAWAL UPON CONVERSION OR DISSOLUTION.  (1) A registered foreign nonprofit corporation that converts to any type of domestic entity automatically is deemed to have withdrawn its registration on the effective date of the conversion.

(3) After the withdrawal of a foreign nonprofit corporation under this section
is effective, service of process in any action or proceeding based on a cause of action arising during the time the foreign nonprofit corporation was registered to do business in this state may be made pursuant to RCW 23.95.450.

NEW SECTION.  Sec. 1808. AMENDMENT TO REGISTRATION UPON CONVERSION. NEW SECTION.  Sec. 1809. TRANSFER OF REGISTRATION. (1) If a registered foreign nonprofit corporation merges into a nonregistered foreign entity or converts to a different type of foreign entity required to register to do business in this state, the foreign entity shall deliver to the secretary of state for filing an application for transfer of registration under RCW 23.95.545.

(2) If a registered foreign nonprofit corporation is a party to a statutory merger permitted by the laws of the jurisdiction where it is incorporated, and the corporation is the surviving corporation, it is not necessary for the corporation to register to do business or to amend its registration unless the corporation's name is changed.

NEW SECTION.  Sec. 1810. TERMINATION OF REGISTRATION. The secretary of state may terminate the registration of a registered foreign nonprofit corporation under RCW 23.95.550:

(1) For any reason set forth in RCW 23.95.550(1);

(2) If the secretary of state receives a duly authenticated certificate from the secretary of state or other official having custody of corporate records in the state or country under whose law the foreign corporation is incorporated stating that it has been dissolved or did not survive a merger; or

(3) If the corporation has continued to exceed or abuse the authority conferred upon it by this chapter.

NEW SECTION.  Sec. 1811. JUDICIAL REVIEW OF TERMINATION. (1) A foreign nonprofit corporation may appeal the secretary of state's termination of its registration to the superior court of Thurston county within ninety days after service of the statement of termination is perfected. PART II

GOVERNANCE

ARTICLE 1

MEMBERS AND MEMBERSHIPS

NEW SECTION.  Sec. 2101. MEMBERS. (1) A nonprofit corporation may have one or more classes of members or may have no members.

(2) For corporations formed on or after January 1, 2022, notwithstanding anything to the contrary in the bylaws, where the articles of a nonprofit corporation do not provide that it has members, the nonprofit corporation does not have members.

(3) For organizations formed before January 1, 2022, where the articles of a nonprofit corporation do not provide that it has members, the corporation has members only if the bylaws:

(a) Provide that the corporation has members; and

(b) Provide that members of at least one class have the right to select or vote for the election of directors or delegates or to vote on at least one type of fundamental transaction.

(4) Where a nonprofit corporation does not have members under this section, or where a corporation has no members entitled to vote on a given matter, any provision of this chapter or any other provision of law requiring notice to, the presence of, or the vote, consent, or other action by members in connection with that matter is satisfied by notice to, the presence of, or the vote, consent, or other action by the board.
NEW SECTION.  Sec. 2102. SCOPE OF MEMBERSHIP.  A person is not a member of a nonprofit corporation for purposes of any provision of this chapter unless the person meets the definition of "member" in section 1102 of this act, regardless of whether the corporation refers to or designates the person as a member.

NEW SECTION.  Sec. 2103. ADMISSION OF MEMBERS.  (1) The articles or bylaws of a membership corporation may establish criteria or procedures for admission of members.

(2) A person may not be admitted as a member without the person's consent. Consent may be express or implied and need not be in the form of a record.

(3) If a membership corporation provides certificates of membership to the members, then the certificates shall not be registered or transferable except as provided in the articles or bylaws or by resolution of the board.

NEW SECTION.  Sec. 2104. CONSIDERATION FOR ADMISSION.  Except as provided in its articles or bylaws, a membership corporation may admit members for no consideration or for consideration determined by the board, which may take any form, including promissory notes, intangible property, or past or future services. Payment of the consideration may be made at those times and upon those terms as are set forth in or authorized by the articles, bylaws, or a resolution of the board.

NEW SECTION.  Sec. 2105. CAPITAL CONTRIBUTIONS.  (1) A membership corporation that is not a charitable corporation may provide in its articles or bylaws that members, upon or after admission, shall make capital contributions. Except as provided in the articles or bylaws, the board shall fix the amount. The requirement of a capital contribution may apply to all members, or to the members of a single class, or to members of different classes in different amounts or proportions.

(2) The adoption or amendment of a capital contribution requirement, whether or not approved by the members, shall not apply to, or be an obligation of, a member who did not vote in favor of the adoption or amendment until thirty days after the member has been given notice of the adoption or amendment.

NEW SECTION.  Sec. 2106. RIGHTS AND OBLIGATIONS.  (1) The members of a membership corporation have only those rights, privileges, powers, or obligations specifically given or assigned to members in the articles, the bylaws, or section 2313 of this act.

(2) A member shall not have the right to vote on any matter unless the articles, the bylaws, or section 2313(1) of this act provides expressly that the class of members to which that member belongs has the right to vote on that particular matter.

NEW SECTION.  Sec. 2107. DIFFERENCES IN RIGHTS AND OBLIGATIONS.  (1) Except as provided in the articles or bylaws, each member of a membership corporation has the same rights and obligations as every other member with respect to voting, dissolution, membership transfer, and other matters.

(2) If the corporation has one or more classes of members, then the designation of the class or classes, the articles, or the bylaws shall set forth the manner of election or appointment and the qualifications and rights of the members of each class.

NEW SECTION.  Sec. 2108. TRANSFERS OF MEMBERSHIP.  (1) Except as provided in the articles or bylaws or by resolution of the board, a member of a membership corporation may not transfer a membership or any right arising therefrom.

(2) Where the right to transfer a membership has been provided, a restriction on that right shall not be binding with respect to a member holding a membership issued before the adoption of the restriction unless the affected member consents to the restriction in the form of a record.

NEW SECTION.  Sec. 2109. MEMBER'S LIABILITY FOR CORPORATE OBLIGATIONS.  A member of a membership corporation is not personally liable for the acts, debts, liabilities, or obligations of the corporation.

NEW SECTION.  Sec. 2110. MEMBER'S LIABILITY FOR DUES, FEES, AND ASSESSMENTS.  (1) A membership corporation may levy dues, assessments, and fees on its members to the extent authorized in the articles or bylaws. Particular dues, assessments, and fees may be imposed in the articles or bylaws or by resolution of the board, subject to any membership approval required under section 3112(1) of this act, on members of the same class either alike or in
different amounts or proportions, and may be imposed on a different basis on different classes of members. Members of a class may be made exempt from dues, assessments, and fees to the extent provided in the articles or bylaws or by resolution of the board.

(2) The amount and method of collection of dues, assessments, and fees may be fixed in the articles or bylaws, or the articles or bylaws may authorize the board or members to fix the amount and method of collection, with or without approval of the class or classes of members affected.

(3) The articles or bylaws may provide reasonable means, such as termination and reinstatement of membership, to enforce the collection of dues, assessments, and fees.

NEW SECTION. Sec. 2111. CREDITOR'S ACTION AGAINST MEMBER. (1) A proceeding may not be brought by a creditor of a membership corporation to reach the liability, if any, of a member to the corporation unless final judgment has been rendered in favor of the creditor against the corporation and execution has been returned unsatisfied in whole or in part.

(2) All creditors of a membership corporation, with or without reducing their claims to judgment, may intervene in any creditor's proceeding brought under subsection (1) of this section to reach and apply unpaid amounts due the corporation. Any or all members who owe amounts to the corporation may be joined in the proceeding.

NEW SECTION. Sec. 2112. RESIGNATION OF MEMBER. (1) A member of a membership corporation may resign at any time.

(2) The resignation of a member does not relieve the member from any obligations incurred or commitments made before resignation.

NEW SECTION. Sec. 2113. TERMINATION AND SUSPENSION OF MEMBER. (1) A membership in a membership corporation may be terminated or suspended for the reasons and in the manner provided in the articles or bylaws.

(2) A membership in a membership corporation may also be terminated, regardless of the procedure set forth in the articles or bylaws, if:

(a) The corporation has had no contact from the member for at least three years; and

(b) Either:

(i) The member fails to respond within ninety days to a request from the corporation to update the member's contact information that includes a statement that failure to respond could result in termination of membership, delivered to that member by means reasonably likely to reach that member; or

(ii) A request from the corporation to update the member's contact information that includes a statement that failure to respond could result in termination of membership, sent to that member by first-class forwardable mail, with postage prepaid, is returned as undeliverable; or

(iii) If members, or a class of members, are not identified individually on the records of the corporation, a request from the corporation for members to provide contact information that includes a statement that failure to respond could result in termination of membership is published once a week for six consecutive weeks in a newspaper of general circulation in the county in which the corporation's principal office is located.

(3) Unless otherwise provided in the articles or bylaws, if the articles or bylaws allow the board or any other body to admit members, the affirmative vote of two-thirds of that body may terminate a member.

(4) Irrespective of anything to the contrary in the articles or bylaws, in any proceeding involving a corporation or upon application from the corporation, the court may order termination of a member of the corporation in the best interests of the corporation.

(5) A proceeding challenging a termination or suspension for any reason must be commenced within one year after the effective date of the termination or suspension.

(6) The termination or suspension of a member does not relieve the member from any obligations incurred or commitments made before the termination or suspension.

NEW SECTION. Sec. 2114. REPURCHASE OF MEMBERSHIPS. A membership corporation that is not a charitable corporation may
repurchase any of its memberships or any right arising therefrom only if it is so provided in the articles or bylaws. A membership corporation that is a charitable corporation may not repurchase any of its memberships or any right arising therefrom.

ARTICLE 2
DELEGATES

NEW SECTION. Sec. 2201. DELEGATES.
(1) A membership corporation may provide in its articles or bylaws for delegates.
(2) The articles or bylaws may set forth provisions relating to:
   (a) The characteristics, qualifications, rights, limitations, and obligations of delegates including their selection and removal;
   (b) Calling, noticing, holding, and conducting meetings of delegates; and
   (c) Carrying on activities during and between meetings of delegates.
(3) If the articles or bylaws provide for delegates, then, unless otherwise provided in the articles or bylaws:
   (a) The power to appoint, remove, or modify any provision of the articles or bylaws governing the appointment or removal of delegates is reserved to the members.
   (b) All other powers of members including, but not limited to, the right to vote on other amendments to articles or bylaws, may be exercised by delegates.

ARTICLE 3
MEMBERSHIP MEETINGS AND VOTING

NEW SECTION. Sec. 2301. ANNUAL AND REGULAR MEETINGS.
(1) A membership corporation shall hold an annual meeting of members once during each fiscal year at a time stated in or fixed in accordance with the articles or bylaws.
(2) A membership corporation may hold regular meetings on a regional or other basis at times stated in or fixed in accordance with the articles or bylaws.
(3) Except as provided in subsection (5) of this section, annual and regular meetings of the members may be held in or out of this state at the place stated in or fixed in accordance with the articles or bylaws. If no place is stated in or fixed in accordance with the articles or bylaws, then annual and regular meetings shall be held at the membership corporation's principal office.
(4) The failure to hold an annual or regular meeting at the time stated in or fixed in accordance with the articles or bylaws does not affect the validity of any corporate action.
(5) The articles or bylaws may provide that an annual or regular meeting of members may be held in a specified location and, if so provided under the articles or bylaws, through one or more means of remote communication through which members not physically present may participate in the meeting substantially concurrently, vote on matters submitted to the members, pose questions, and make comments. For any meeting at which one or more members may participate by means of remote communication, the corporation shall deliver notice of the meeting to each member by a means which the member has authorized and provide complete instructions for participating in the meeting by remote communication.

NEW SECTION. Sec. 2302. SPECIAL MEETINGS.
(1) A membership corporation shall hold a special meeting of members:
   (a) At the call of its board of directors, the president, or the persons authorized to do so by the articles or bylaws; or
   (b) Upon the execution and delivery to the corporation of one or more demands for a special meeting, in the form of a record, describing the purpose for which the meeting is to be held, by either:
      (i) The number or proportion of members entitled under the articles or bylaws to call a meeting on the subject matter proposed to be considered at the proposed special meeting, which shall not represent more than twenty-five percent of all the votes entitled to be cast on that subject matter; or
      (ii) In the absence of a provision fixing the number or proportion of members entitled to call a meeting, the number or proportion of members representing five percent of all the votes entitled to be cast on the subject matter proposed to be considered at the proposed special meeting.
(2) Unless otherwise provided in the articles or bylaws, a demand for a special meeting may be revoked by notice to that effect received by the membership corporation from the members calling the
meeting before the receipt by the corporation of demands sufficient in number to require the holding of a special meeting.

(3) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to demand a special meeting is the date the first member executes a demand.

(4) Only business within the purpose or purposes described in the meeting notice required by section 2305(3) of this act may be conducted at a special meeting of the members.

(5) Except as provided in subsection (6) of this section, special meetings of the members may be held in or out of this state at the place stated in or fixed in accordance with the articles or bylaws. If no place is stated or fixed in accordance with the articles or bylaws, then special meetings shall be held at the corporation's principal office.

(6) The articles or bylaws may provide that a special meeting of members be held at a specified location and, unless otherwise provided under the articles or bylaws, through means of remote communication through which members not physically present may participate in the meeting substantially concurrently, vote on matters submitted to the members, pose questions, and make comments. Notice of meetings at which one or more members may participate by means of remote communication must be delivered by a means which the member has authorized and provide complete instructions for participating in the meeting from a remote location.

NEW SECTION. Sec. 2303. COURT-ORDERED MEETING. (1) The court may summarily order a meeting to be held:

(a) On application of any member entitled to participate in an annual or regular meeting if an annual meeting was not held within eighteen months after the last annual meeting; or

(b) On application of a member who executed a demand for a special meeting under section 2302 of this act that was executed by a sufficient number of members to call a meeting, if:

(i) Notice of the special meeting was not given within thirty days after the date the demand was delivered to the corporation's secretary; or

(ii) The special meeting was not held in accordance with the notice.

(2) The court may fix the time and place of a court-ordered meeting, determine the members entitled to participate in the meeting, specify a record date for determining members entitled to notice of and to vote at the meeting, prescribe the form and content of the meeting notice, fix the quorum required for specific matters to be considered at the meeting or direct that the votes represented at the meeting constitute a quorum for action on those matters, and enter other orders necessary to accomplish the purpose or purposes of the court-ordered meeting.

NEW SECTION. Sec. 2304. LIST OF MEMBERS FOR MEETING. (1) After fixing a record date for a meeting, a membership corporation shall prepare an alphabetical list of the names of all its members who are entitled to notice of that meeting of the members. The list of members shall show the address of and number of votes each member is entitled to cast at the meeting, except that the address of any member who is known to the corporation to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar law may be omitted.

(2) The list of members must be available for inspection by any member, beginning two business days after notice of the meeting is given for which the list was prepared and continuing through the meeting, at the membership corporation's principal office or at a place identified in the meeting notice in the city where the meeting will be held. A member or the member's agent, on demand in the form of a record, may inspect and, subject to the requirements of section 1602(4) of this act, copy the list, during regular business hours and at the member's expense, during the period it is available for inspection.

(3) The membership corporation shall make the list of members available at the meeting, and a member or the member's agent may inspect the list at any time during the meeting or any adjournment.

(4) If a membership corporation refuses to allow a member or the member's agent to inspect the list of members before or at the meeting or copy the list as permitted by subsection (2) of this section, then the court, on application of the member, may:
(a) Summarily order the inspection or copying at the corporation's expense;
(b) Postpone the meeting for which the list was prepared until the inspection or copying is complete;
(c) Order the corporation to pay the member's costs including reasonable attorneys' fees incurred to obtain the order; and
(d) Order other appropriate relief.
(5) Refusal or failure to prepare or make available the list of members does not affect the validity of action taken at the meeting.
(6) Instead of making the list of members available as provided in subsection (2) of this section, a membership corporation may state in a notice of meeting that the corporation has elected to proceed under this subsection. A member of a corporation that has elected to proceed under this subsection shall state in the member's demand for inspection a proper purpose for inspection. Within ten business days after receiving a demand under this subsection, the corporation shall deliver to the member making the demand an offer of a reasonable alternative method of achieving the purpose identified in the demand without providing access to or a copy of the list of members. An alternative method that reasonably and in a timely manner accomplishes the proper purpose set forth in the demand relieves the corporation from making the list of members available under subsection (4)(b) of this section, unless within a reasonable time after acceptance of the offer the corporation fails to do the things it offered to do. Any rejection of the corporation's offer must be in the form of a record and indicate the reasons the alternative proposed by the corporation does not meet the proper purpose of the demand.

NEW SECTION. Sec. 2305. NOTICE OF MEMBERSHIP MEETING. (1) A membership corporation shall give notice to the members of the date, time, and place of each annual, regular, or special meeting of the members. Except as provided under subsection (6) of this section, the notice must be given in the form of a record no fewer than ten nor more than sixty days before the meeting date. Except as provided in this chapter, the articles, or the bylaws, the corporation is only required to give notice to members entitled to vote at the meeting. (2) Unless this chapter, the articles, or the bylaws require otherwise, notice of an annual or regular meeting need not include a description of the purpose for which the meeting is called.
(3) Notice of a special meeting shall include a description of the purpose for which the meeting is called.
(4) If not otherwise fixed under section 2303 or 2307 of this act, the record date for determining members entitled to notice of and to vote at an annual or special meeting of the members is the day before the first notice is given to members.
(5) Unless the articles or bylaws require otherwise, if an annual, regular, or special meeting of the members is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or is required to be fixed under section 2307 of this act, then the corporation shall give notice of the adjourned meeting to the members entitled to vote on the new record date.
(6) Notice of regular meetings other than the annual meeting may be made by providing each member with the adopted schedule of regular meetings for the ensuing year in the form of a record at any time after the annual meeting and ten days before the next succeeding regular meeting and at any time requested by a member or by any other notice prescribed by the bylaws.
(7) Whenever notice would otherwise be required to be given under any provision of this chapter to a member, the notice need not be given if notice of two consecutive annual meetings, and all notices of meetings during the period between those two consecutive annual meetings, have been returned undeliverable or could not be delivered. If a member delivers to the nonprofit corporation a notice setting forth the member's then current address, then the requirement that notice be given to that member is reinstated.

NEW SECTION. Sec. 2306. WAIVER OF NOTICE. (1) A member may waive any notice required by this chapter, the articles, or the bylaws no more than sixty days before or sixty days after the date and time stated in the notice or of the meeting or action. The waiver must be
in the form of a record, be executed by the member entitled to the notice, and be delivered to the membership corporation for inclusion in the minutes or filing with the corporate records.

(2) The attendance of a member at a meeting:

(a) Waives objection to lack of notice or defective notice of the meeting, unless the member at the beginning of the meeting or immediately upon arrival at the meeting objects to holding the meeting or transacting business at the meeting; and

(b) Waives objection to consideration of a particular matter at the meeting that is not within the purpose described in the meeting notice, unless the member objects at the meeting to considering the matter.

NEW SECTION. Sec. 2307. RECORD DATE.

(1) The articles or bylaws may fix or provide the manner of fixing the record date to determine the members entitled to notice of a meeting of the members, to demand a special meeting, to vote, or to take any other action. If the articles or bylaws do not fix or provide for fixing a record date, then the board of the membership corporation may fix a future date as the record date.

(2) A record date fixed under this section may not be more than seventy days before the meeting or action requiring a determination of members.

(3) A determination of members entitled to notice of or to vote at a meeting of the members is effective for any adjournment of the meeting unless the board fixes a new record date, which it shall do if the meeting is adjourned to a date more than one hundred twenty days after the date fixed for the original meeting.

(4) If the court orders a meeting adjourned to a date more than one hundred twenty days after the date fixed for the original meeting, then it may provide that the original record date continues in effect or it may fix a new record date.

NEW SECTION. Sec. 2308. CONDUCT OF MEETING. (1) At each meeting of members, an individual shall preside as chair. The chair is appointed and may be removed:

(a) As provided in the articles or bylaws;

(b) In the absence of a provision in the articles or bylaws, by the board; or

(c) In the absence of both a provision in the articles or bylaws and an appointment by the board, by the members at the meeting.

(2) Except as provided in the articles or bylaws or by resolution of the board, the chair determines the order of business and has the authority to establish rules for the order and conduct of the meeting.

(3) Any rules established for the order and conduct of the meeting pursuant to subsection (2) of this section must be fair to the members.

(4) Except as provided in the articles or bylaws or by resolution of the board:

(a) The chair of the meeting shall announce at the meeting when the polls close for each matter voted upon.

(b) If no announcement is made, then the polls are deemed to have closed upon the final adjournment of the meeting.

(c) After the polls close, no ballots, proxies, or votes, nor any otherwise permissible revocations or changes thereto may be accepted.

NEW SECTION. Sec. 2309. PROXIES. (1) Except as provided in the articles or bylaws, a member may not vote by proxy.

(2) If the articles or bylaws allow members to vote by proxy, then the following procedure applies unless the articles or bylaws provide otherwise:

(a) A member or the member's agent or attorney-in-fact may appoint a proxy to vote or otherwise act for the member by executing an appointment form in the form of a record. An appointment form must contain or be accompanied by information from which it can be determined that the member or the member's agent or attorney-in-fact authorized the appointment of the proxy.

(b) An appointment of a proxy is effective when an executed appointment in the form of a record is received by the inspectors of election, the officer or agent of the membership corporation authorized to tabulate votes, or the secretary. An appointment is valid for eleven months unless a shorter or longer period is expressly provided in the appointment form.
(c) The death or incapacity of the member appointing a proxy does not affect the right of the membership corporation to accept the proxy's authority unless notice of the death or incapacity is received by the inspectors of election, the officer or agent authorized to tabulate votes, or the secretary before the proxy exercises his or her authority under the appointment.

(d) A membership corporation may accept the proxy's vote or other action as that of the member making the appointment, subject to section 2314 of this act and to any express limitation on the proxy's authority stated in the appointment form.

(e) A proxy may be revoked by a member by delivering notice in the form of a record to the corporation before the corporation has relied upon the proxy.

NEW SECTION. Sec. 2310. VOTING ENTITLEMENT OF MEMBERS. Except as provided in the articles or bylaws, each member is entitled to one vote on each matter on which the articles or bylaws entitle the members of the class of members to which the member belongs to vote.

NEW SECTION. Sec. 2311. MEMBERSHIP QUORUM AND VOTING REQUIREMENTS. (1) Members may take action at a meeting on matters with respect to which all of the members are entitled to vote only if a quorum of the members is present. Except as provided in the articles or bylaws, ten percent of the votes entitled to be cast at a meeting of the members constitutes a quorum with respect to those matters.

(2) Members entitled to vote as a separate voting group may take action on a matter at a meeting only if a quorum of those members is present with respect to that matter. Except as provided in the articles or bylaws, ten percent of the votes entitled to be cast on the matter by the voting group constitutes a quorum of that voting group for action on that matter.

(3) Once a member is represented for any purpose at a meeting, the member is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless a new record date is or is required to be set for that adjourned meeting.

(4) If a quorum is present, then action on a matter other than the election of directors by a voting group is approved if the votes cast within the voting group favoring the action exceed the votes cast opposing the action, unless the articles, bylaws, or applicable law require a greater number of affirmative votes.

(5) An amendment of the articles or bylaws adding, changing, or deleting a quorum or voting requirement for a voting group greater than specified in subsection (2) or (4) of this section is governed by section 2312 of this act.

(6) If a meeting cannot be organized because a quorum of members entitled to vote is not present, then those members present may adjourn the meeting to such a time and place as they may determine. When a meeting that has been adjourned for lack of a quorum is reconvened, those members present, although less than a quorum as fixed in this section, the articles, or the bylaws, nonetheless constitute a quorum, if notice of the time and place of the reconvened meeting is provided by electronic transmission or in person to the members entitled to vote at least twenty-four hours before the reconvened meeting, or by other methods pursuant to the requirements and procedures set forth in section 2305 of this act. The articles or the bylaws may, however, permit the reconvening of a meeting without notice, by means of a provision that makes explicit reference to elimination of the notice requirement that would otherwise apply under this section.

(7) The election of directors is governed by section 2313 of this act.

NEW SECTION. Sec. 2312. DIFFERING QUORUM AND VOTING REQUIREMENTS. (1) The articles or bylaws may provide for a higher or lower quorum or higher voting requirement for members or voting groups of members than is provided for by this chapter, either generally or with respect to specific matters.

(2) An amendment to the articles or bylaws that adds, changes, or deletes a greater quorum or voting requirement must meet the same quorum requirement and be adopted by the same vote and voting groups required to take action under the quorum and voting requirements then in effect.

NEW SECTION. Sec. 2313. VOTING FOR DIRECTORS. (1) Except as provided in the articles or bylaws, directors of a membership corporation are elected by a plurality of the votes cast by the
members entitled to vote in the election at a meeting at which a quorum is present.

(2) Except as provided in the articles or bylaws, or under subsection (3) of this section, members do not have a right to cumulate their votes for directors.

(3) Members of a nonprofit corporation who were entitled to cumulate their votes for the election of directors on the effective date of this chapter continue to be entitled to cumulate their votes for the election of directors until otherwise provided in the articles or bylaws of the corporation.

NEW SECTION. Sec. 2314. ACCEPTANCE OF BALLOTS, CONSENTS, WAIVERS, OR PROXIES. (1) If the name signed on a ballot, consent, waiver, or proxy appointment corresponds to the name of a member, then the membership corporation if acting in good faith may accept the ballot, consent, waiver, or proxy appointment and give it effect as the act of the member.

(2) If the name signed on a ballot, consent, waiver, or proxy appointment does not correspond to the name of its member, then the membership corporation if acting in good faith may accept the ballot, consent, waiver, or proxy appointment and give it effect as the act of the member if:

(a) The member is an entity and the name signed purports to be that of an officer or agent of the entity;

(b) The name signed purports to be that of an administrator, executor, guardian, or conservator representing the member and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment;

(c) The name signed purports to be that of a receiver or trustee in bankruptcy of the member and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the ballot, consent, waiver, or proxy appointment;

(d) The name signed purports to be that of a beneficial owner or attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member has been presented with respect to the ballot, consent, waiver, or proxy appointment; and

(e) Two or more persons are the member as cotenants or fiduciaries and the name signed purports to be the name of at least one of the co-owners and the person signing appears to be acting on behalf of all the co-owners.

(3) The membership corporation may reject a ballot, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the member.

(4) The membership corporation and its officer or agent who accepts or rejects a ballot, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section or section 2309(2) of this act are not liable in damages to the member for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a ballot, consent, waiver, or proxy appointment under this section is valid unless the court determines otherwise.

NEW SECTION. Sec. 2315. INSPECTORS OF ELECTION. (1) A membership corporation may appoint one or more inspectors to act at a meeting of members and make a report in the form of a record of the inspectors' determinations. Each inspector shall execute the duties of inspector impartially and according to the best of the inspector's ability.

(2) The inspectors must:

(a) Ascertain the number of members and delegates, and their voting power;

(b) Determine the members and delegates present at a meeting;

(c) Determine the validity of proxies and ballots;

(d) Count all votes; and

(e) Determine the result.

(3) An inspector may, but need not, be a director, member, officer, or employee of the membership corporation. A person who is a candidate for office to be filled at the meeting may not be an inspector.
NEW SECTION. Sec. 2316. ACTION BY VOTING GROUPS. (1) If this chapter, the articles, or the bylaws provide for voting by a single voting group on a matter, then action on that matter is taken when voted upon by that voting group as provided in section 2311 or 2318 of this act.

(2) If this chapter, the articles, or the bylaws provide for voting by two or more voting groups on a matter, then action on that matter is taken only when voted upon by each of those voting groups counted separately as provided in section 2311 or 2318 of this act.

NEW SECTION. Sec. 2317. VOTING AGREEMENTS. (1) If the articles or bylaws allow voting agreements, then two or more members may provide for the manner in which they will vote by executing an agreement in the form of a record for that purpose, to the extent allowed under the articles or bylaws.

(2) A voting agreement is specifically enforceable if:

(a) The voting agreement is allowed under the articles or bylaws; or

(b) The effective date of the voting agreement is before the effective date of this section.

(3) Notwithstanding subsection (2) of this section, no voting agreement is enforceable to the extent that enforcement of the agreement would violate the purposes of the membership corporation.

NEW SECTION. Sec. 2318. ACTION WITHOUT MEETING BY UNANIMOUS WRITTEN CONSENT. (1) Except as otherwise restricted by the articles or bylaws, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the membership corporation delivers a ballot to every member entitled to vote on the matter.

(2) A ballot must:

(a) Be in the form of a record;

(b) Set forth each proposed action;

(c) Provide an opportunity to vote, or withhold a vote, separately for each candidate for a director position; and

(d) Provide an opportunity to vote for or against each other proposed action.

(3) Approval by ballot pursuant to this section of action other than election of directors is valid only when the number of ballots returned equals or exceeds the quorum required to be present at a meeting authorizing the action, and
the number of approvals equals or exceeds
the number of votes that would be
required to approve the matter at a
meeting at which the total number of
votes cast was the same as the number of
votes cast by ballot.

(4) All requests for votes by ballot
must:

(a) Indicate the number of responses
needed to meet the quorum requirements;

(b) State the percentage of approvals
necessary to approve each matter other
than election of directors; and

(c) Specify the time by which a ballot
must be received by the membership
corporation to be counted, which shall
not be less than ten days after the
ballot is delivered to the member.

(5) Except as provided in the articles
or bylaws, a ballot may not be revoked.

NEW SECTION.  Sec. 2320.  PROCEDURE
FOR REMOTE MEETINGS.  When provided for
in the articles or bylaws, meetings of
the members held by remote communication
must follow the provisions of sections
2301 through 2319 of this act to the
greatest practicable extent.

ARTICLE 4
BOARD OF DIRECTORS

NEW SECTION.  Sec. 2401.  BOARD OF
DIRECTORS—AUTHORITY.  (1) A nonprofit
corporation shall have a board of
directors.

(2) All corporate powers shall be
exercised by or under the authority of
the board of directors, and the
activities and affairs of the corporation
shall be managed by or under the
direction, and subject to the oversight,
of the board of directors, subject only
to any powers expressly reserved to the
corporation's membership or other
persons in the articles or bylaws.

NEW SECTION.  Sec. 2402.  STANDARDS OF
CONDUCT FOR DIRECTORS.  (1) Each
director, when discharging the duties of
a director, shall act:

(a) In good faith;

(b) With the care an ordinarily
prudent person in a like position would
exercise under similar circumstances; and

(c) In a manner the director
reasonably believes to be in the best
interests of the nonprofit corporation.

(2) In discharging board or committee
duties a director shall disclose, or
cause to be disclosed, to the other board
or committee members information not
already known by them but known by the
director to be material to the discharge
of their decision-making or oversight
functions, except that disclosure is not
required to the extent that the director
reasonably believes that doing so would
violate a duty imposed by law, a legally
enforceable obligation of confidentiality, or a professional
ethics rule.

(3) In discharging the duties of a
director, a director may rely on
information, opinions, reports, or
statements, including financial
statements or other financial data, if
prepared or presented by:

(a) One or more officers, employees,
or volunteers of the nonprofit
corporation whom the director reasonably
believes to be reliable and competent in
the functions performed or the matters
presented;

(b) Legal counsel, public accountants,
or other persons retained by the
corporation as to matters involving
skills or expertise the director
reasonably believes are matters:

(i) Within the particular person's
professional or expert competence; or

(ii) As to which the particular person
merits confidence; or

(c) A committee of the board of which
the director is not a member, designated
in accordance with provisions of the
articles or bylaws, as to matters within
its designated authority, if the director
reasonably believes the committee merits
confidence.

(4) A director is not a trustee with
respect to the nonprofit corporation or
with respect to any property held or
administered by the corporation,
including property that may be subject to
restrictions imposed by the donor or
transferor of the property.

NEW SECTION.  Sec. 2403.
QUALIFICATION OF DIRECTORS.  A director
of a nonprofit corporation must be an
individual. The articles or bylaws may
prescribe other qualifications for
directors. A director need not be a
resident of this state or a member of the
corporation unless the articles or bylaws
so prescribe.
NEW SECTION. Sec. 2404. NUMBER OF DIRECTORS. (1) A board of directors shall consist of one or more directors, with the number specified in or fixed in accordance with the articles or bylaws.

(2) The board of directors of any corporation shall consist of three or more directors if:

(a) The internal revenue service has determined the corporation to be a public charity described in section 509(a)(1) through (4) of the Internal Revenue Code;

(b) The corporation has applied to the internal revenue service for a determination of exempt status through an application representing that the corporation is described in section 509(a)(1) through (4) of the Internal Revenue Code; or

(c) The corporation has applied to the internal revenue service for classification as an organization described in section 509(a)(1) through (4) of the Internal Revenue Code.

(3) The number of directors on a board of directors who are under 18 years of age may not exceed three or one-third of the total number of directors then in office, whichever is fewer.

(4) A corporation described in subsection (2) of this section may have fewer than three directors if the death, incapacity, resignation, or removal of a director causes the corporation to have fewer than three directors, provided that the entity, body, or person with the power to elect or appoint directors makes reasonable and prompt efforts to elect or appoint additional directors.

(5) The number of directors may be increased or decreased but to no fewer than one from time to time by amendment to, or in the manner provided in, the articles or bylaws.

(6) A decrease in the number of directors may not shorten an incumbent director's term.

NEW SECTION. Sec. 2405. SELECTION OF DIRECTORS. (1) The members of a membership corporation shall elect the directors, other than the initial directors named in the articles, at the annual meetings of members, unless the articles or bylaws provide some other time or method of election, or provide that some other person or persons shall appoint some or all of the directors, or designate some other manner of appointment, for example, ex officio directors.

(2) The directors of a nonmembership corporation shall elect the directors, other than the initial directors named in the articles, at the annual meeting of directors, unless the articles or bylaws provide some other time or method of election, or provide that some other person or persons shall appoint some or all of the directors, or designate some other manner of appointment, for example, ex officio directors.

NEW SECTION. Sec. 2406. TERMS OF DIRECTORS, GENERALLY. (1) The articles or bylaws may specify the terms of directors. If a term is not specified in the articles or bylaws, then the term of a director is one year. Each term of a director elected by the members or directors, or by some other method provided in the articles or bylaws, may not exceed five years except as provided in subsection (2) of this section. Terms of directors appointed by some other person or persons, or designated in some other manner, may be of any length.

(2) For a corporation formed before the effective date of this section, if the articles or bylaws current as of the effective date of this section provided for terms of elected directors longer than five years, then the terms for elected directors provided in those articles or bylaws may continue in effect until and unless the articles or bylaws are amended to shorten those terms.

(3) The initial directors named in the articles hold office until the first annual election of directors or for any other period specified in the articles.

(4) A reduction in directors' terms of office does not shorten an incumbent director's term.

(5) Except as provided in the articles or bylaws, the term of a director elected to fill a vacancy expires at the end of the unexpired term that the director is filling.

(6) Despite the expiration of a director's term, the director continues to serve until the director's successor is elected, appointed, or designated and until the director's successor takes office, unless otherwise provided in the articles or bylaws.

NEW SECTION. Sec. 2407. STAGGERED TERMS FOR DIRECTORS. The articles or
bylaws may provide for staggering the terms of directors by dividing the total number of directors into groups of one or more directors. The terms of office and number of directors in each group do not need to be uniform.

NEW SECTION. Sec. 2408. RESIGNATION OF DIRECTOR. (1) A director may resign at any time by delivering an executed notice in the form of a record to the president, the secretary of the corporation, or another officer designated for that purpose in the articles or bylaws. A director may also resign by giving oral notice to the board at a meeting of the board.

(2) A resignation is effective when the notice is delivered unless the notice specifies a later effective time.

(3) If the resignation of a director of a charitable corporation results in the charitable corporation having no directors in office, then the resigning director shall notify the attorney general that the charitable corporation has no directors in office. Such notice must be in the form of a record delivered to the attorney general within ten calendar days after the effective date of the director's resignation.

NEW SECTION. Sec. 2409. REMOVAL OF DIRECTORS. (1) Removal of directors of a membership corporation is subject to the following provisions:

(a) The members may remove, with or without cause, one or more directors who have been elected by the members, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(b) The board of a membership corporation may not remove a director who has been elected by the members except as provided in subsection (5) of this section or in the articles or bylaws.

(c) The directors may remove, with or without cause, one or more directors who have been elected by the directors, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(d) Except as provided in the articles or bylaws, if a director is elected by a voting group of members, or by a chapter or other organizational unit, or by a region or other geographic grouping, then only the members of that voting group or chapter, unit, region, or grouping may participate in the vote to remove the director.

(e) The notice of a meeting of members at which removal of a director is to be considered shall state that the purpose, or one of the purposes, of the meeting is removal of the director.

(2) The board may remove a director of a nonmembership corporation who was elected by the directors:

(a) With or without cause, unless the articles or bylaws provide that directors may be removed only for cause. The articles or bylaws may specify what constitutes cause for removal.

(b) A nonprofit corporation shall give notice of any meeting of directors at which removal of a director is to be considered in accordance with the articles or bylaws governing notice for special meetings, but in no event less than forty-eight hours before the meeting. Such notice shall state that the purpose, or one of the purposes, of the meeting is removal of a director.

(c) As provided in subsection (5) of this section.

(3) A director who is designated by name in the articles or bylaws may be removed by an amendment to the articles or bylaws deleting or changing the designation.

(4) Except as provided in the articles or bylaws, a director who is appointed by persons other than the members or the directors may be removed with or without cause only by those persons.

(5) Notwithstanding anything else to the contrary in this section or the articles or bylaws, the board of a membership corporation or nonmembership corporation may remove a director:

(a) Who has been appointed a guardian under RCW 11.130.185 or 11.130.265;

(b) Who has been appointed a conservator under RCW 11.130.360;

(c) Who is subject to a written certification by his or her attending physician that in the physician's opinion the director is substantially unable to manage his or her financial resources or resist fraud or undue influence;

(d) Who has been convicted of a felony;
(e) Who has been found by a final order of any court of competent jurisdiction to have breached a duty as a director under section 2402 of this act;

(f) Who has missed the number of board meetings specified in the articles or bylaws, if the articles or bylaws at the beginning of the director's current term provided that a director may be removed for missing the specified number of board meetings; or

(g) Who does not satisfy any of the qualifications for directors set forth in the articles or bylaws at the beginning of the director's current term, if the decision that the director fails to satisfy a qualification is made by the vote of a majority of the directors who meet all of the required qualifications.

(6) Notwithstanding anything else to the contrary in this section or the articles or bylaws, the board of a charitable corporation that is a membership corporation or a nonmembership corporation may remove a director if the director's continued service would cause the charitable corporation to be prohibited from soliciting charitable funds under RCW 19.09.100(13).

NEW SECTION. Sec. 2410. VACANCY ON BOARD OF DIRECTORS. (1) Except as provided in subsection (2) of this section, the articles, or the bylaws, if a vacancy occurs on the board, including a vacancy resulting from an increase in the number of directors, then the vacancy may be filled by a majority of the directors remaining in office even if they constitute less than a quorum. For purposes of section 2409 of this act, any director so elected is deemed to have been elected by the members, voting group, or persons who would elect that director at a regular election.

(2) Except as provided in the articles or bylaws, a vacancy in the position of a director who is:

(a) Appointed by persons other than the members, may be filled only by those persons; or

(b) Designated by name in the articles or bylaws, may not be filled by action of the board.

(3) A vacancy that will occur at a specific later time, by reason of a resignation effective at a later time under section 2408(2) of this act, or otherwise, may be filled before the vacancy occurs but the new director may not take office until the vacancy occurs.

(4) If no directors remain in office, and there are no members with the right to elect directors, then the attorney general has the power to appoint one or more directors selected for their interest and ability to carry out the purposes of the corporation, unless the articles or bylaws provide a different method for electing, appointing, or designating at least one director.

NEW SECTION. Sec. 2411. LIABILITY OF DIRECTORS. (1) A director of a nonprofit corporation is not liable to the nonprofit corporation for any action taken, or any failure to take any action, as a director, except as provided in subsection (2) or (3) of this section or in the articles or bylaws.

(2) Notwithstanding any provision to the contrary in the articles or bylaws, a director is liable to the corporation for:

(a) The value of any benefit in cash, other property, or services received by the director to which the director is not legally entitled; or

(b) Intentional misconduct or a knowing violation of law, including but not limited to criminal law or this chapter, by the director.

(3) A director is liable to the corporation for a violation of any additional standard of conduct specified in the nonprofit corporation's articles as an exception to the limitation on director's liability.

(4) A director of a nonprofit corporation is not liable to any member of the nonprofit corporation for any action taken, or any failure to take action, as a director, except as provided in subsection (5) of this section.

(5) A director is liable to a member of the corporation only for:

(a) A knowing infliction of harm upon the member; or

(b) An intentional violation of criminal law or this chapter that results in harm or loss to the member.

(6) The party seeking to establish the director's liability to the corporation or any member of the corporation:
(a) For money damages, also has the burden of establishing that:

(i) Harm to the nonprofit corporation or its members has been suffered; and

(ii) The harm suffered was proximately caused by the director's challenged conduct; or

(b) For other money payment under a legal remedy, such as compensation for the unauthorized use of corporate assets, also has whatever burden of persuasion may be called for to establish that the payment sought is appropriate in the circumstances; or

(c) For other money payment under an equitable remedy, such as profit recovery by or disgorgement to the corporation, also has whatever burden of persuasion may be called for to establish that the equitable remedy sought is appropriate in the circumstances.

(7) Nothing contained in this section:

(a) In any instance where fairness is at issue, such as consideration of the fairness of a transaction to the nonprofit corporation under section 2703(1)(c) of this act, alters the burden of proving the fact or lack of fairness otherwise applicable;

(b) Alters the fact or lack of liability of a director to the nonprofit corporation under another section of this chapter, such as the provisions governing the consequences of an unlawful distribution under section 2702 of this act, a conflicting interest transaction under section 2703 of this act, or taking advantage of a business opportunity under section 2704 of this act;

(c) Affects any rights to which the corporation or a director or member may be entitled under another statute of this state or the United States; or

(d) Affects the authority of the attorney general to take any action against a director under this chapter or other applicable Washington state law.

NEW SECTION.  Sec. 2412.  COMPENSATION OF DIRECTORS.  Unless the articles or bylaws provide otherwise, the board may fix the compensation of directors.

ARTICLE 5
MEETINGS AND ACTION OF THE BOARD

NEW SECTION.  Sec. 2501.  MEETINGS OF THE BOARD.  (1) The board may hold regular or special meetings in or out of this state.

(2) Unless the articles or bylaws provide otherwise, the board may permit any or all directors to participate in a regular or special meeting by, or conduct the meeting through the use of, one or more means of remote communication through which all of the directors may simultaneously participate with each other during the meeting. A director participating in a meeting by this means is considered present in person at the meeting. For any meeting at which one or more directors may participate by means of remote communication, notice of the meeting must be delivered to each director by a means which the director has authorized and provide complete instructions for participating in the meeting by remote communication.

NEW SECTION.  Sec. 2502.  NOTICE OF BOARD MEETINGS.  (1) Regular meetings of the board may be held with or without notice as prescribed in the articles or bylaws, unless notice is required by section 2409(2) of this act or other provisions of this chapter.

(2) Unless the articles or bylaws provide for a longer or shorter period, special meetings of the board must be preceded by at least forty-eight hours' notice of the date, time, and place of the meeting. The notice need not describe the purpose of the special meeting, except as required by section 2409(2) of this act, or other provisions of this chapter, or the articles or bylaws.

(3) Unless the articles or bylaws provide otherwise, the president, the secretary, or twenty percent of the directors then in office may call and give, or cause to be given, notice of a meeting of the board.

(4) Oral notice of meetings of the board may be given, unless oral notice is not permitted by a corporation's articles or bylaws.

NEW SECTION.  Sec. 2503.  WAIVER OF NOTICE.  (1) A director may waive any notice required by this chapter, the articles, or the bylaws before or after the date and time stated in the notice. Except as provided by subsection (2) of this section, the waiver must be in the form of a record, executed by the director entitled to the notice, and filed with the minutes or corporate records.
(2) A director's attendance at or participation in a meeting waives any required notice to the director of the meeting, unless the director at the beginning of the meeting or promptly upon arrival objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

NEW SECTION. Sec. 2504. BOARD QUORUM AND VOTING REQUIREMENTS. (1) Except as provided in subsection (2) or (3) of this section, the articles, or the bylaws, a quorum of the board consists of a majority of the directors in office before a meeting begins.

(2) The articles or bylaws may authorize a quorum of the board to consist of no fewer than one-third of the number of directors in office.

(3) A quorum shall not be present at any time during a meeting unless a majority of the directors present are at least 18 years of age.

(4) If a quorum is present when a vote is taken, then the affirmative vote of a majority of directors present is the act of the board unless a greater vote is required by the articles or bylaws or this chapter.

(5) No proxy for a director, however appointed, may:

(a) Participate in any vote of the board or of any board committee;

(b) Be counted for the purpose of determining whether a quorum is present at a meeting; or

(c) Execute any written consent on behalf of the director.

(6) A director who is present at a meeting of the board when corporate action is taken is considered to have assented to the action taken unless:

(a) The director objects at the beginning of the meeting or promptly upon arrival to holding it or transacting business at the meeting;

(b) The director dissents or abstains from the action; or

(c) The director delivers notice in the form of a record of the director's dissent or abstention to the president or secretary of the corporation or another officer of the corporation designated in the bylaws before or during the meeting or before the approval of the minutes of the meeting.

(7) The right of dissent or abstention is not available to a director who votes in favor of the action taken.

NEW SECTION. Sec. 2505. ACTION WITHOUT MEETING BY UNANIMOUS WRITTEN CONSENT. (1) Unless the articles or bylaws prohibit action without a meeting, action required or permitted by this chapter to be taken by the board may be taken without a meeting if each director entitled to vote with respect to the subject matter thereof executes a consent in the form of a record describing the action to be taken and delivers it to the nonprofit corporation.

(2) For purposes of this section only, "each director entitled to vote" does not include an "interested director" who abstains in writing from providing consent, where:

(a) The board has determined that:

(i) The corporation is entering into the transaction for its own benefit; and

(ii) The transaction is fair and reasonable to the corporation when it enters into the transaction or the noninterested directors determine in good faith after reasonable investigation that the corporation cannot obtain a more advantageous arrangement with reasonable effort under the circumstances, at or before execution of the written consent;

(b) That determination of the board is included in the written consent executed by the noninterested directors or in other records of the corporation; and

(c) All of the noninterested directors approve the action.

(3) Action taken under this section is the act of the board when one or more consents executed by all the directors entitled to vote are delivered to the nonprofit corporation. In no event may the period between the date of the first signature by a director on such a consent and the date on which all directors have executed the consent be more than sixty days. The consent may specify the time at which the action taken in the consent is to be effective. A director's consent may be withdrawn by a revocation in the form of a record executed by the director and delivered to the president, secretary, or other officer of the corporation specified by the board for that purpose.
before delivery to the corporation of unrevoked consents executed by all the directors.

(4) A written consent executed under this section has the effect of action taken at a meeting of the board and may be described as such in any document.

NEW SECTION.  Sec. 2506.  BOARD AND ADVISORY COMMITTEES.  (1) Unless this chapter, the articles, or the bylaws provide otherwise, a board may create one or more committees of the board that consist of two or more directors. A committee of the board shall not include as voting members persons who are not directors, except:

(a) As provided in Title 48 RCW or the regulations promulgated thereunder;

(b) If the only powers delegated to the committee are those necessary for the committee to serve in any fiduciary capacity with respect to one or more employee benefit plans established under the federal employee retirement income security act of 1974, or any successor statute; or

(c) Unless without the inclusion of persons who are not directors it is impossible or impracticable for the corporation to comply with applicable law other than this chapter.

(2) Unless this chapter otherwise provides, the creation of a committee of the board and appointment of directors to it shall be approved by the greater of:

(a) A majority of all the directors in office when the action is taken; or

(b) The number of directors required by the articles or bylaws to take action under section 2504 of this act.

(3) Sections 2501 through 2505 of this act apply to both committees of the board and their members to the greatest practicable extent.

(4) To the extent specified by the board or in the articles or bylaws, each committee of the board may exercise the powers of the board granted through section 2401(2) of this act, except as limited by subsection (5) of this section.

(5) A committee of the board may not:

(a) Authorize distributions;

(b) Adopt, amend, alter, or repeal bylaws;

(c) In the case of a membership corporation, approve or propose to members action that must be approved by members under the articles or bylaws;

(d) Elect, appoint or remove any member of any committee of the board or any director or officer of the corporation;

(e) Amend the articles;

(f) Adopt a plan of merger with another corporation;

(g) Adopt a plan of domestication, for-profit conversion, or entity conversion;

(h) Authorize the sale, lease, or exchange of all or substantially all of the property and assets of the corporation not in the ordinary course of business;

(i) Authorize the voluntary dissolution of the corporation or revoke proceedings therefor;

(j) Adopt a plan for the distribution of the assets of the corporation; or

(k) Amend, alter, or repeal any resolution of the board, unless the resolution provides by its terms that it may be amended, altered, or repealed by a committee.

(6) The creation of, delegation of authority to, or action by a committee of the board does not alone constitute compliance by a director with the standards of conduct described in section 2402 of this act.

(7) A nonprofit corporation may create or authorize the creation of one or more advisory committees whose members need not be directors or meet the qualification requirements for directors. The board shall not delegate any of its authority to an advisory committee. An advisory committee:

(a) Is not a committee of the board; and

(b) May not exercise any of the powers of the board.

NEW SECTION.  Sec. 2507.  PROCEDURE FOR REMOTE MEETINGS.  Unless otherwise provided in the articles or bylaws, meetings of the board or any committee held by remote communication must follow the provisions of sections 2501 through 2506 of this act to the greatest practicable extent.
ARTICLE 6
OFFICERS

NEW SECTION. Sec. 2601. OFFICERS—DUTIES. (1) The officers of a nonprofit corporation consist of a president, secretary, and treasurer, and other officers as may be authorized by the articles, the bylaws, or the board.

(2) Unless the articles or bylaws provide otherwise, the board shall elect or appoint all officers annually, and officers shall serve until their respective successors have been elected or appointed or until their earlier removal or resignation.

(3) The same individual may simultaneously hold more than one office in a nonprofit corporation, except that the same individual may not hold the offices of president and secretary.

(4) Each officer has the authority and shall perform the duties set forth in the articles or bylaws or, to the extent consistent with the articles and bylaws, the duties prescribed by the board or by direction of an officer authorized by the board to prescribe the duties of other officers.

NEW SECTION. Sec. 2602. STANDARDS OF CONDUCT FOR OFFICERS. (1) An officer with discretionary authority shall discharge his or her duties under that authority:

(a) In good faith;

(b) With the care an ordinarily prudent person in a like position would exercise under similar circumstances; and

(c) In a manner the officer reasonably believes to be in the best interests of the corporation.

(2) The duty of an officer includes the obligation to convey to his or her superior officer, the board, a board committee, or another appropriate person within the nonprofit corporation:

(a) Information about the affairs of the nonprofit corporation within the scope of the officer's functions, and known to the officer to be material to the superior officer, board, or committee thereof; and

(b) Information regarding any actual or probable material violation of law involving the corporation or material breach of duty to the corporation by an officer, director, employee, agent, or vendor of the corporation, that the officer believes has occurred or is likely to occur.

(3) In discharging his or her duties, an officer who does not have knowledge that makes reliance unwarranted may rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

(a) One or more officers or employees of the nonprofit corporation whom the officer reasonably believes to be reliable and competent in the functions performed or the information, opinions, reports, or statements provided;

(b) Legal counsel, public accountants, or other persons retained by the corporation as to matters involving skills or expertise the officer reasonably believes are matters:

(i) Within the particular person's professional or expert competence; or

(ii) As to which the particular person merits confidence.

(4) An officer is not a trustee with respect to the nonprofit corporation or with respect to any property held or administered by the corporation, including property that may be subject to restrictions imposed by the donor or transferor of the property.

NEW SECTION. Sec. 2603. RESIGNATION AND REMOVAL OF OFFICERS. (1) An officer may resign at any time by delivering notice to the nonprofit corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective time. If a resignation is made effective at a later time and the board or the appointing officer accepts the future effective time, then the board or the appointing officer may designate a successor before the effective time if the board or the appointing officer provides that the successor does not take office until the effective time.

(2) Except as provided in the articles or bylaws, an officer may be removed at any time with or without cause by:

(a) The board;

(b) The officer who appointed the officer being removed, unless the board provides otherwise; or
(c) Any other officer authorized by
the articles, the bylaws, or the board to
remove the officer being removed.

(3) In this section, "appointing
officer" means the officer, including any
successor to that officer who appointed
the officer resigning or being removed.

NEW SECTION. Sec. 2604. CONTRACT
RIGHTS OF OFFICERS. (1) The appointment
or election of an officer does not itself
create contract rights.

(2) An officer's removal does not
affect the officer's contract rights, if
any, with the nonprofit corporation. An
officer's resignation does not affect the
corporation's contract rights, if any,
with the officer.

ARTICLE 7

PROVISIONS COMMON TO DIRECTORS AND
OFFICERS

NEW SECTION. Sec. 2701. LOANS OR
GUARANTEES. (1) A nonprofit corporation
may not lend money to, advance credit to,
or guarantee the obligation of a director
or officer of the corporation.

(2) Subsection (1) of this section
does not apply to:

(a) An advance to pay reimbursable
expenses reasonably expected to be
incurred within a time period that is
reasonable under the circumstances by a
director or officer;

(b) Advances pursuant to section 2706
of this act;

(c) Loans or advances pursuant to
employee benefit plans; or

(d) A loan to pay reasonable
relocation expenses of an officer.

(3) The fact that a loan or guarantee
is made in violation of this section does
not affect the borrower's liability on
the loan.

(4) The directors who vote for or
assent to any loan, advance, or guarantee
in violation of subsection (1) of this
section, and any officer materially
participating in the making of such a
loan, advance, or guarantee, are
personally liable on a joint and several
basis to the nonprofit corporation on the
loan, advance, or guarantee. Liability
under this subsection terminates upon the
repayment of any funds advanced by the
nonprofit corporation in violation of
subsection (1) of this section or, if no
funds have been advanced under a
guarantee, upon the termination of the
guarantee.

(5) A director or officer held liable
under subsection (4) of this section for
any unlawful loan or guarantee is
entitled to contribution from every other
director or officer who could be held
liable under subsection (4) of this
section for the unlawful loan or

(6) A proceeding to enforce
contribution or recoupment under
subsection (5) of this section is barred
unless it is commenced within one year
after the liability of the claimant has been
finally adjudicated under
subsection (4) of this section.

NEW SECTION. Sec. 2702. LIABILITY
FOR UNLAWFUL DISTRIBUTIONS. (1) A
director or officer is personally liable
to the nonprofit corporation for the
amount of any distribution that exceeds
the amount the corporation could have
distributed without violating section
1406 of this act if:

(a) The nature or amount of the
distribution was material to the
interests of the corporation for any
reason under all of the facts and
circumstances including, but not limited
to, federal excise tax liability or
federal tax penalties imposed on the
corporation as a result of the
distribution;

(b) The director or officer voted for
or assented to that distribution as a
director, or participated beyond the
level of a ministerial function in making
that distribution as an officer; and

(c) The party asserting liability
establishes that, when taking the action,
the director or officer violated the
standard of conduct set forth in
subsection (2) of this section.

(2) A director or officer may be held
liable under this section:

(a) For a distribution by a charitable
corporation, or a distribution of assets
held for charitable purposes, if the
director did not comply with section 2402
of this act or the officer did not comply
with section 2602 of this act; or

(b) If the conduct of the director or
officer with respect to the distribution
constitutes gross negligence.
(3) A director or officer held liable under this section for an unlawful distribution is entitled to:

(a) Contribution from every other director or officer who could be held liable under this section for the unlawful distribution; and

(b) Recoupment from each person of the pro rata portion of the amount of the unlawful distribution the person received:

(i) Whether or not the person knew the distribution was made in violation of this chapter, for a distribution by a charitable corporation or of property held for charitable purposes; or

(ii) Knowing the distribution was made in violation of this chapter, for a distribution of property not held for charitable purposes.

(4) A proceeding to enforce:

(a) The liability of a director or officer under this section is barred, unless it is commenced within three years after the date on which the distribution was made; or

(b) Contribution or recoupment under subsection (3) of this section is barred, unless it is commenced within one year after the liability of the claimant under this section has been finally adjudicated.

NEW SECTION. Sec. 2703. CONFLICTING INTEREST TRANSACTIONS—VOIDABILITY. (1) A contract or transaction between a nonprofit corporation and one or more of its members, directors, or officers; or between a nonprofit corporation and any other entity in which one or more of its directors or officers are directors or officers, hold a similar position, or have a financial interest is not void or voidable solely for that reason, or solely because the member, director, or officer is present at or participates in the meeting of the board that authorizes the contract or transaction or solely because his or her or their votes are counted for that purpose, if:

(a) The material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to the board and the board in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested directors even though the disinterested directors are less than a quorum;

(b) The material facts as to the relationship or interest of the member, director, or officer and as to the contract or transaction are disclosed or are known to the members entitled to vote thereon, if any, and the contract or transaction is specifically approved in good faith by vote of those members; or

(c) The contract or transaction is fair as to the corporation as of the time the board or the members authorize, approve, or ratify the transaction.

(2) Interested directors or directors holding a similar position in the other entity involved in a contract or transaction specified in subsection (1) of this section may be counted in determining the presence of a quorum at a meeting of the board that authorizes the contract or transaction.

(3) This section is applicable except as provided in the articles or bylaws.

NEW SECTION. Sec. 2704. BUSINESS OPPORTUNITIES. (1) The taking advantage, directly or indirectly, by a director or officer of a business opportunity may not be the subject of equitable relief, or give rise to an award of damages or other sanctions against the director or officer, in a proceeding by or in the right of the nonprofit corporation on the ground that the opportunity should have first been offered to the corporation, if before becoming legally obligated or entitled respecting the opportunity the director or officer brings it to the attention of the corporation and action by the members or the directors disclaiming the corporation's interest in the opportunity is taken in compliance with the procedures set forth in section 2703 of this act, as if the decision being made concerned a conflicting interest transaction.

(2) In any proceeding seeking equitable relief or other remedies, based upon an alleged improper taking advantage of a business opportunity by a director or officer, the fact that the director or officer did not employ the procedure described in subsection (1) of this section before taking advantage of the opportunity does not support an inference that the opportunity should have been first presented to the nonprofit corporation or alter the burden of proof otherwise applicable to establish that the director or officer breached a duty to the corporation in the circumstances.
NEW SECTION. Sec. 2705. REMOVAL BY JUDICIAL PROCEEDING. (1) The court may remove a director or officer from office in a proceeding commenced by or in the right of the corporation if the court finds that:

(a) The director or officer engaged in fraudulent conduct with respect to the corporation or its members, knowingly inflicted harm on the corporation, or engaged in acts or omissions constituting gross negligence with respect to the director's or officer's duties; and

(b) Considering the course of conduct of the director or officer and the inadequacy of other available remedies, removal would be in the best interest of the corporation.

(2) An action under this section may be commenced by a member, individual director, or delegate. The attorney general may also commence an action under this section if the corporation holds property for charitable purposes.

(3) The court, in addition to removing the director or officer, may bar the director or officer from being reelected, redesignated, or reappointed as a director, an officer, or both for a period prescribed by the court.

(4) Nothing in this section limits the equitable powers of the court to order other relief.

(5) If a proceeding is commenced under this section to remove a director or officer of a charitable corporation, then the plaintiff shall give the attorney general notice in the form of a record of the commencement of the proceeding.

NEW SECTION. Sec. 2706. INDEMNIFICATION AND ADVANCE FOR EXPENSES. The provisions of RCW 23B.08.500 through 23B.08.603, or their successors, apply to any corporation to which this chapter applies.

(1) All references in those provisions to shares of a corporation are deemed to refer to membership interests in the nonprofit corporation.

(2) All references in those provisions to shareholders are deemed to refer to members of the nonprofit corporation.

(3) All references in those provisions to a shareholders meeting are deemed to refer to a meeting of the members of the nonprofit corporation.

(4) All references in those provisions to transactions from which directors or officers will personally receive a benefit to which they are not entitled are deemed to include transactions approved or implemented by a director or officer knowing them to be in violation of section 1406 of this act.

(5) This section does not limit a nonprofit corporation's power to indemnify, advance expenses to, or provide or maintain insurance on behalf of an employee, agent, or volunteer.

NEW SECTION. Sec. 2707. DIRECTORS AND OFFICERS UNDER 18 YEARS OF AGE. No director or officer of a corporation who is under 18 years of age shall have authority to execute any document on behalf of the corporation, or otherwise to bind the corporation with respect to any other party, without the written concurrence of one or more other directors or officers of the corporation who are at least 18 years of age and would, between them, have independent authority to execute the same document or to bind the corporation in the same way.

PART III
FUNDAMENTAL TRANSACTIONS

ARTICLE 1
AMENDMENT OF ARTICLES OR BYLAWS

NEW SECTION. Sec. 3101. AUTHORITY TO AMEND. (1) A nonprofit corporation may amend its articles of incorporation, from time to time, so long as its articles as amended contain only provisions that are lawful under this chapter.

(2) Amendments to the articles of a charitable corporation to include one or more purposes of the corporation substantially different from the corporation's purposes before the amendment are subject to the reporting requirement set out in section 1205 of this act.

NEW SECTION. Sec. 3102. AMENDMENT OF ARTICLES BY NONMEMBERSHIP CORPORATION. (1) Except as provided in the articles, the board of a nonmembership corporation may adopt amendments to the corporation's articles by the vote of a majority of the directors in office.

(2) Except as provided in subsection (3) of this section, an amendment adopted by the board under this subsection must also be approved, if the amendment changes or deletes a provision regarding
the appointment of a director by persons other than the board, by those persons as if they constituted a voting group.

(3) Unless the articles provide otherwise, the board of a nonmembership corporation may adopt amendments to the corporation's articles without approval of any of the other persons identified in subsection (2) of this section to:

(a) Extend the duration of the corporation if it was incorporated at a time when limited duration was required by law;

(b) Delete the names and addresses of the initial directors;

(c) Notwithstanding section 1303(1) of this act, delete the name of each incorporator and the name and address of the initial registered agent or registered office, if a statement of change is on file with the secretary of state; and

(d) Restate without change all of the then operative provisions of the articles.

NEW SECTION. Sec. 3103. AMENDMENT BEFORE ADMISSION OF MEMBERS. If a membership corporation has not yet admitted members, then its board may adopt one or more amendments to the articles.

NEW SECTION. Sec. 3104. AMENDMENT AFTER ADMISSION OF MEMBERS. (1) An amendment to the articles of a membership corporation must be adopted in the following manner:

(a) Except as provided in (e) of this subsection, a proposed amendment must be adopted by the board.

(b) Except as provided in sections 3107 and 3108 of this act, a proposed amendment must be submitted to the members entitled to vote on the amendment, if any, for their approval.

(c) The board shall deliver to all members a recommendation that the members approve an amendment, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(d) The board may condition its submission of an amendment to the members on any basis. Such a condition is in addition to any approval requirements set forth in the corporation's articles or bylaws or in this chapter.

(e) If the articles or bylaws so permit, an amendment may be proposed by ten percent or more of the members entitled to vote on the amendment, or by a greater number of members if the articles or bylaws so specify. The provisions of (a), (c), and (d) of this subsection do not apply to an amendment proposed by the members under this subsection.

(f) If an amendment is required to be approved by the members, including under (e) of this subsection, and the approval is to be given at a meeting, then the corporation shall give notice to each member, whether or not entitled to vote on the amendment, of the meeting of members at which the amendment is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the amendment and must contain or be accompanied by a copy or summary of the amendment. If a summary is provided in lieu of a copy of the amendment, then a copy must be available to members upon request and the notice shall state that fact.

(g) At a meeting described in (f) of this subsection, those members entitled to vote on the amendment may:

(i) Approve or reject the amendment exactly as provided or summarized in the notice of the meeting; or

(ii) Approve revisions to the amendment at the meeting, if the subject matter of the revisions is within the scope of the subject matter of the amendment as provided or summarized in the notice of the meeting.

(h) The board shall determine whether the subject matter of any revisions approved by members remains within the scope of the subject matter of the amendment as provided or summarized in the notice of the meeting. If the board determines that the revisions approved by the members are not within that scope, then the amendment is deemed rejected by the membership. If the board determines that the revisions by members are within scope, then the board may:

(i) Accept the amendment incorporating the revisions approved by the members; or

(ii) Propose a further revised amendment to the members for approval.
This process may continue until an amendment acceptable to the board has been approved by the members. If successive votes take place at the same meeting of members, then no further notices or meetings are required.

(i) Unless the articles or bylaws, or the board acting pursuant to (d) of this subsection, requires a greater vote or a greater number of votes to be present, the approval of an amendment by the members entitled to vote thereon requires the approval of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the amendment, the approval of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(j) Except as provided in subsection (2) of this section, an amendment adopted by the board under this subsection must also be approved, if the amendment changes or deletes a provision regarding the appointment of a director by persons other than the board, by those persons as if they constituted a voting group.

(k) If a membership corporation has no members entitled to vote on the amendment, then the corporation shall deliver notice of the approval of the amendment by the board to all members of the corporation at least five days before filing articles of amendment or restated articles of incorporation with the secretary of state.

(2) Unless the articles provide otherwise, the board of a membership corporation may adopt amendments to the corporation's articles without approval of the members to:

(a) Delete the names and addresses of the initial directors;

(b) Notwithstanding section 1303(2) of this act, delete the name of each incorporator and the name and address of the initial registered agent or registered office, if a statement of change is on file with the secretary of state; or

(c) Restate without change all of the then operative provisions of the articles.

NEW SECTION. Sec. 3105. VOTING ON AMENDMENTS BY VOTING GROUPS. (1) If a nonprofit corporation has more than one class of members entitled to vote on an amendment to the articles, then the articles or bylaws may provide that the members of each class entitled to vote on the amendment are entitled to vote as a separate voting group if the amendment would change the rights, powers, preferences, or limitations of the class.

(2) If a class of members will be divided into two or more classes by an amendment to the articles, then the amendment must be approved by a majority of the members of each class that will be created.

NEW SECTION. Sec. 3106. ARTICLES OF AMENDMENT. After an amendment to the articles has been adopted and approved in the manner required by sections 3101 through 3114 of this act and by the articles, the nonprofit corporation shall deliver to the secretary of state for filing articles of amendment, which must be executed by an officer or other authorized representative and set forth:

(1) The name of the corporation;

(2) The text of the amendment adopted;

(3) The date of the amendment's adoption; and

(4) If the amendment:

(a) Was adopted by the board without member approval, a statement that the amendment was adopted by the board of directors, and that member approval was not required; or

(b) Required approval by the members, a statement that the amendment was approved by the members in the manner required by this chapter and by the articles and bylaws.

NEW SECTION. Sec. 3107. RESTATED ARTICLES OF INCORPORATION. (1) The board of a nonprofit corporation may restate its articles of incorporation at any time, without approval by the members or any other person, to consolidate all amendments into a single document without substantive change.

(2) A restatement of the articles may include one or more amendments to the articles. If restated articles of incorporation of a nonmembership corporation include one or more new amendments, then these amendments must have been adopted and approved as provided in section 3102 of this act. If restated articles of incorporation of a membership corporation include one or more new amendments that require member
approval, then the amendments must have been adopted and approved as provided in section 3103 or 3104 of this act, as appropriate.

(3) A nonprofit corporation that restates its articles of incorporation shall deliver to the secretary of state for filing articles of restatement setting forth the name of the nonprofit corporation and the text of the restated articles of incorporation together with a certificate setting forth:

(a) If the restatement does not include any amendments to the articles, a statement of that fact;

(b) If the restatement contains one or more amendments to the articles, the information required by section 3106 (1) through (4) of this act.

(4) The articles of restatement and the certificate must be executed by an officer or other authorized representative.

(5) Duly adopted restated articles of incorporation supersede the original articles and all amendments thereto.

(6) The secretary of state shall certify restated articles of incorporation as the articles currently in effect.

NEW SECTION. Sec. 3108. AMENDMENT OF ARTICLES PURSUANT TO REORGANIZATION. (1) A nonprofit corporation's articles of incorporation may be amended without action by the board or the members to carry out a plan of reorganization ordered or decreed by any court of competent jurisdiction in a proceeding relating to the corporation.

(2) An individual designated by the court shall deliver to the secretary of state for filing articles of amendment setting forth:

(a) The name of the corporation;

(b) The text of each amendment approved by the court;

(c) The date of the court's order or decree approving the articles of amendment;

(d) The title of the reorganization proceeding in which the order or decree was entered; and

(e) A statement that the court had jurisdiction of the proceeding.

(3) This section does not apply after entry of a final decree in the reorganization proceeding even though the court retains jurisdiction of the proceeding for limited purposes unrelated to consummation of the reorganization plan.

NEW SECTION. Sec. 3109. EFFECTIVE DATE. Unless a delayed effective date is specified, articles of amendment or restated articles of incorporation become effective on the date the articles of amendment or restated articles of incorporation are filed by the secretary of state.

NEW SECTION. Sec. 3110. EFFECT OF ARTICLES OF AMENDMENT. (1) Except as provided in subsection (2) of this section, an amendment to the articles does not affect a cause of action existing against or in favor of the nonprofit corporation, a proceeding to which the corporation is a party, or the existing rights of persons other than members of the corporation or persons referred to in the articles. An amendment changing a corporation's name does not abate a proceeding brought by or against the corporation in its former name.

(2) No amendment to the articles shall modify any restriction imposed through any means upon property held for charitable purposes unless, before the delivery of the amendment to the secretary of state for filing, the restriction is modified:

(a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or

(b) In the case of any other restriction, pursuant to section 1503 of this act.

(3) A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with an amendment of the articles unless the person is itself a charitable corporation, the federal government, a state, a governmental subdivision, or an unincorporated entity that has charitable purposes. This subsection does not apply to the receipt of
reasonable compensation for services rendered.

NEW SECTION. Sec. 3111. POWER TO AMEND BYLAWS. The power to alter, amend, or repeal the bylaws or adopt new bylaws is vested in the board unless otherwise provided in the articles, the bylaws, or this chapter.

NEW SECTION. Sec. 3112. BYLAW AMENDMENTS REQUIRING MEMBER APPROVAL.
(1) Except as provided in the articles or bylaws, the board of a membership corporation that has one or more members may not, without approval of the class or classes of members affected, adopt or amend a provision of the bylaws:
   (a) That would eliminate any existing right, power, or privilege of membership contained in the bylaws;
   (b) Under section 2107 of this act, providing that some of the members have different rights or obligations than other members with respect to voting, dissolution, transfer of memberships or other matters;
   (c) Under section 2110 of this act, levying dues, assessments, or fees on some or all of the members;
   (d) Under section 2113 of this act, relating to the termination or suspension of members; or
   (e) Under section 2114 of this act, authorizing the purchase of memberships.

(2) The board of a membership corporation that has members may not amend the articles or bylaws without approval of every class or classes of members affected to vary the application of subsection (1) of this section to the corporation.

(3) If a nonprofit corporation has more than one class of members, then the members of a class are entitled to vote as a separate voting group on an amendment to the bylaws that:
   (a) Is described in subsection (1) of this section, if the amendment would affect the members of that class differently than the members of another class; or
   (b) Has any of the effects described in section 3104(1)(j) of this act.

(4) If a class of members will be divided into two or more classes by an amendment to the bylaws, then the amendment must be approved by a majority of the members of each class that will be created.

NEW SECTION. Sec. 3113. EFFECT OF BYLAW AMENDMENT. (1) No amendment to the bylaws shall modify any restriction imposed through any means upon property held for charitable purposes unless, before or simultaneously with the adoption of the bylaws amendment, the restriction is modified:
   (a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or
   (b) In the case of any other restriction, pursuant to section 1503 of this act.

(2) A person who is a member or otherwise affiliated with a charitable corporation may not receive a direct or indirect financial benefit in connection with an amendment of the bylaws unless the person is itself a charitable corporation, the federal government, a state, a governmental subdivision, or an unincorporated entity that has charitable purposes. This subsection does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3114. APPROVAL OF AMENDMENTS BY THIRD PARTIES. (1) The articles of incorporation may require that an amendment to the articles be approved in the form of a record by a specified person or group of persons in addition to the board or members.

(2) The articles or bylaws may require that an amendment to the bylaws be approved in the form of a record by a specified person or group of persons in addition to the board or members.

(3) A requirement in the articles or bylaws described in subsection (1) or (2) of this section may only be amended with the approval in the form of a record of the specified person or group of persons.

ARTICLE 2
MERGER

NEW SECTION. Sec. 3201. DEFINITIONS. The definitions in this section apply throughout this section and sections 3202...
through 3209 of this act unless the context clearly requires otherwise.

(1) "Eligible interests" means interests or shares.

(2) "Interests" means either or both of the following rights under the organic law of an unincorporated entity:
   (a) The right to receive distributions from the entity either in the ordinary course or upon liquidation; or
   (b) The right to receive notice or vote on issues involving its internal affairs, other than as an agent, assignee, proxy, or person responsible for managing its business, activities, or affairs.

(3) "Merger" means a transaction pursuant to section 3205 of this act.

(4) "Party to a merger" means any domestic or foreign nonprofit corporation or eligible entity that will merge under a plan of merger.

(5) "Shares" means the units into which the proprietary interests in a domestic or foreign for-profit corporation are divided.

(6) "Survivor" in a merger means the corporation or eligible entity into which one or more other corporations or eligible entities are merged. A survivor of a merger may preexist the merger or be created by the merger.

NEW SECTION.  Sec. 3202. PROPERTY HELD FOR CHARITABLE PURPOSES.  (1) In a merger under sections 3201 through 3209 of this act, property held for charitable purposes by a nonprofit corporation may not be diverted from charitable purposes.

(2) The survivor of any merger under sections 3201 through 3209 of this act remains bound by any restriction imposed through any means upon property held for charitable purposes by any party to the merger including, but not limited to, any restriction that affects existing rights of persons other than members, shareholders, or interest holders of the other party, unless the restriction is modified:
   (a) In the case of a restriction imposed pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary, through an appropriate order of the court or the agreement of all interested parties, including the attorney general, under chapter 11.96A RCW; or
   (b) In the case of any other restriction, pursuant to section 1503 of this act.

(3) Property held by a nonprofit corporation for charitable purposes upon condition requiring return, transfer, or conveyance, which condition occurs by reason of the merger, must be returned, transferred, or conveyed in accordance with that condition.

(4) A corporation that is not a charitable corporation but holds property for charitable purposes shall deliver to the attorney general notice of its intent to consummate a merger, unless the survivor of the merger is a charitable corporation. The notice must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed transaction is to be approved. Such a merger may not be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the transaction, approval of the transaction is deemed to have been given.

(5) The notice described in subsection (4) of this section shall include:
   (a) A statement specifying how the merger will comply with subsections (1) through (3) of this section; and

NEW SECTION.  Sec. 3203. PROHIBITION OF FINANCIAL BENEFIT. A person who is a
member, director, officer, interest holder, or otherwise affiliated with a charitable corporation or any other eligible entity with a charitable purpose may not receive a direct or indirect financial benefit in connection with a merger governed by sections 3201 through 3209 of this act to which the charitable corporation or unincorporated entity is a party unless the person is itself a charitable corporation, the federal government, a tribal government, a state or local government, a governmental subdivision, or an eligible entity that is organized exclusively for charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3204. LIMITATIONS ON CHARITABLE CORPORATIONS. (1) A charitable corporation may merge only with:

(a) Another charitable corporation;

(b) A foreign corporation that, if it were a domestic corporation, would qualify under this chapter as a charitable corporation; or

(c) A foreign or domestic for-profit or nonprofit corporation, or unincorporated entity, only if the charitable corporation is the surviving corporation and continues to qualify as a charitable corporation after the merger.

(2) No member of a charitable corporation may receive or keep anything as a result of a merger other than a membership in the surviving charitable corporation, unless:

(a) The attorney general, or the court in a proceeding in which the attorney general has been given notice, has provided prior written consent; or

(b) The member is a charitable corporation, another entity that is organized and operated exclusively for one or more charitable purposes, the federal government, or a tribal, state, or local government.

NEW SECTION. Sec. 3205. MERGER. (1) Subject to the restrictions in sections 3202 through 3204 of this act, one or more domestic nonprofit corporations may merge with one or more domestic or foreign nonprofit corporations or eligible entities pursuant to a plan of merger or two or more foreign nonprofit corporations or domestic or foreign eligible entities may merge into a new domestic nonprofit corporation to be created in the merger in the manner provided in sections 3201 through 3209 of this act.

(2) A foreign nonprofit corporation, or a foreign eligible entity, may be a party to a merger with a domestic nonprofit corporation, or may be created by the terms of the plan of merger, only if the merger is permitted by the organic law of the corporation or eligible entity.

(3) If the law of this state, other than this chapter, permits the merger of a domestic eligible entity with a nonprofit corporation but does not provide procedures for the approval of such a merger, then a plan of merger may be adopted and approved, and the merger may be effectuated, in accordance with the procedures in sections 3201 through 3209 of this act. For the purposes of applying sections 3201 through 3209 of this act, as the context may require:

(a) The eligible entity is treated as a domestic nonprofit corporation, its interest holders are treated as members, eligible interests are treated as memberships, and organic records are treated as articles and bylaws; and

(b) If there is no board of directors and the business and affairs of the eligible entity are managed by a team or body of persons that is not identical to the interest holders, that team or body is deemed to be the board of directors.

(4) The plan of merger must be in the form of a record and include:

(a) The name of each domestic or foreign nonprofit corporation or eligible entity that will merge and the name of the domestic or foreign nonprofit corporation or eligible entity that will be the survivor of the merger;

(b) The terms and conditions of the merger;

(c) The manner and basis of converting the memberships of each merging domestic or foreign nonprofit membership corporation and the eligible interests of each merging domestic or foreign eligible entity into memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; other property or other
consideration; or any combination of the foregoing;

(d) The articles and bylaws of any corporation, or the organic records of any eligible entity, to be created by the merger; or if a new corporation or eligible entity is not to be created by the merger, any changes to the survivor's articles or bylaws or organic records;

(e) Whether the corporation is a charitable corporation or holding assets for charitable purposes;

(f) If the corporation is a charitable corporation or is holding assets for charitable purposes, a plan setting forth how the merging entities will comply with sections 3202 and 3204 of this act; and

(g) Any other provisions relating to the merger that the parties desire be included in the plan of merger.

(5) The plan of merger may also include a provision that the plan may be amended before filing articles of merger, but if the members of a domestic corporation that is a party to the merger are required or entitled to vote on the plan, then the plan shall provide that after approval of the plan by those members the plan may not be amended to:

(a) The amount or kind of memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; or other property or other consideration to be received by the members of or owners of eligible interests in any party to the merger;

(b) The articles or bylaws of any corporation, or the organic records of any unincorporated entity, that will survive or be created as a result of the merger, except for changes permitted by section 3104(2) of this act or by comparable provisions of the organic law of a foreign nonprofit or for-profit corporation or domestic or foreign unincorporated entity; or

(c) Any of the other terms or conditions of the plan, if the change would adversely affect those members in any material respect.

(6) Terms of a plan of merger may be made dependent on facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

NEW SECTION. Sec. 3206. ADOPTION OF PLAN OF MERGER. In the case of a nonprofit corporation that is a party to a merger:

(1) The plan of merger must be adopted by the board.

(2) Except as provided in subsection (9) of this section, section 3205 of this act, or the articles or bylaws, after adopting the plan of merger, the board shall submit the plan to those members entitled to vote on the plan for their approval. The board shall also deliver to the members a recommendation that the members approve the plan, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(3) The board may condition its submission of the plan of merger to the members on any basis.

(4) If the plan of merger is required to be approved by the members, and if the approval is to be given at a meeting, then the nonprofit corporation shall give notice to each member, whether or not entitled to vote on the merger, of the meeting of members at which the plan is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. If the corporation is to be merged into an existing corporation or eligible entity, then the notice shall also include a copy or summary of the articles and bylaws or organic records of that corporation or eligible entity. If the corporation is to be merged into a corporation or eligible entity that is to be created pursuant to the merger, then the notice shall include a copy or a summary of the articles and bylaws or organic records of the new corporation or eligible entity. If a summary is provided in lieu of a copy of the plan or of the articles and bylaws, then a copy of the plan and articles and bylaws, as applicable, must be available to members upon request and this fact must be stated in the notice. Such copy of the plan and articles and bylaws, as applicable, may be made available in electronic format.

(5) Unless the articles or bylaws, or the board acting pursuant to subsection (3) of this section, requires a greater
vote or a greater number of votes to be present, the approval of the plan of merger by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of merger, the approval of a majority of the members of each voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(6) Separate voting on a plan of merger is required:

(a) By each class of members:

(i) Whose memberships are to be converted into eligible interests, securities, or obligations; rights to acquire eligible interests, securities, or obligations; cash; other property or other consideration; or any combination of the foregoing;

(ii) Which is to experience a change in the rights, powers, preferences, or limitations of the class as a result of the merger; or

(iii) That would be entitled to vote as a separate group on a provision in the plan that, if contained in a proposed amendment to articles of incorporation, would require action by separate voting groups under the articles or bylaws;

(b) By a voting group, if the voting group is entitled under the articles or bylaws to vote as a voting group to approve a plan of merger.

(7) If a plan of merger would affect in the same or a substantially similar way two or more classes of members entitled to vote separately on the plan of merger under subsection (6)(a) of this section, then, instead of voting separately, all similarly affected classes of members shall vote together as a single voting group on the plan of merger, unless otherwise provided in the articles or as a condition imposed by the board under subsection (3) of this section.

(8) If as a result of a merger one or more members of a domestic nonprofit corporation would become subject to owner liability for the debts, obligations or liabilities of any other person or entity, then approval of the plan of merger requires the execution, by each member who would become subject to owner liability, of a separate record consent.

(9) If a domestic nonprofit corporation that is a party to a merger does not have any members entitled to vote on the merger, then a plan of merger is deemed adopted by the corporation when it has been adopted by the board pursuant to subsection (1) of this section. If a membership corporation has no members entitled to vote on the merger, then the corporation shall deliver notice of the proposed merger to all members of the corporation at least five days before the meeting at which the board is to adopt the plan of merger.

(10) In addition to the adoption and approval of the plan of merger by the board and members as required by this section, the plan of merger must also be approved in the form of a record by any person or group of persons whose approval is required under section 3114 of this act to amend the articles or bylaws.

(11) Adoption and approval of a plan of merger by all required persons under the procedures set forth in this section constitutes adoption and approval of all changes to the approving party's articles, bylaws, or other organic documents contained within the plan of merger.

NEW SECTION. Sec. 3207. ARTICLES OF MERGER. (1) After a plan of merger has been adopted and approved as required by sections 3201 through 3209 of this act, articles of merger must be executed on behalf of each party to the merger by an officer or other authorized representative of the party. The articles of merger shall set forth:

(a) The names of the parties to the merger;

(b) If the articles of the surviving domestic nonprofit corporation are being changed, or if a new domestic nonprofit corporation is created as a result of a merger, the changes to the articles of the surviving corporation or the articles of the new corporation;

(c) If the plan of merger required approval by the members of a domestic nonprofit corporation that was a party to the merger, a statement that the plan was approved by the members and, if voting by any separate voting group was required, by each separate voting group entitled to vote, in the manner required by this chapter and the articles or bylaws;
(d) If the plan of merger did not require approval by the members of a domestic nonprofit corporation that was a party to the merger, a statement to that effect;

(e) If a party to the merger is a noncharitable corporation holding property for charitable purposes, and the survivor is not a charitable corporation, a statement that the attorney general has approved, or is deemed to have approved, the merger pursuant to section 3202 of this act; and

(f) As to each foreign nonprofit corporation or eligible entity that was a party to the merger, a statement that the participation of the foreign corporation or eligible entity was authorized as required by the organic law of the corporation or eligible entity.

(2) Terms of articles of merger may be made dependent on facts objectively ascertainable outside the articles in accordance with section 1202(3) of this act.

(3) Articles of merger must be delivered to the secretary of state for filing by the surviving entity of the merger and shall take effect at the effective time provided in RCW 23.95.210. Articles of merger filed under this section may be combined with any filing required under the organic law of any domestic eligible entity involved in the transaction if the combined filing satisfies the requirements of both this section and the other organic law.

NEW SECTION. Sec. 3208. EFFECT OF MERGER. (1) Subject to sections 3202 and 3203 of this act, if the surviving entity is a domestic nonprofit corporation when a merger becomes effective:

(a) The domestic nonprofit corporation that is designated in the plan of merger as the surviving corporation continues or comes into existence, as the case may be;

(b) The separate existence of every domestic or foreign nonprofit corporation or eligible entity that is merged into the survivor ceases;

(c) All property owned by, and every contract and other right possessed by, each domestic or foreign nonprofit corporation or eligible entity that merges into the surviving corporation is vested in the surviving corporation without reversion or impairment;

(d) All liabilities of each domestic or foreign nonprofit corporation or eligible entity that is merged into the survivor are vested in the surviving corporation;

(e) The name of the surviving corporation may, but need not be, substituted in any pending proceeding for the name of any party to the merger whose separate existence ceased in the merger;

(f) The articles and bylaws or organic records of the surviving corporation are amended to the extent of the changes provided in the plan of merger;

(g) The articles and bylaws of a surviving corporation that is created by the merger become effective; and

(h) The memberships of each corporation that is a party to the merger, and the eligible interests in an eligible entity that is a party to a merger, that are to be converted under the plan of merger into memberships, eligible interests, securities, or obligations; rights to acquire memberships, eligible interests, securities, or obligations; cash; other property or other consideration; or any combination of the foregoing; are converted.

(2) A person who becomes subject to owner liability for some or all of the debts, obligations, or liabilities of any entity as a result of a merger has owner liability only to the extent provided in the organic law of the entity and only for those debts, obligations, and liabilities that arise after the effective time of the articles of merger, except to the extent that the person consented to become subject to liability under section 3206(8) of this act.

(3) The effect of a merger on the owner liability of a person who had owner liability for some or all of the debts, obligations, or liabilities of a party to the merger is as follows:

(a) The merger does not discharge any owner liability under the organic law of the entity in which the person was a member, shareholder, or interest holder to the extent that owner liability arose before the effective time of the articles of merger.

(b) The person does not have owner liability under the organic law of the entity in which the person was a member, shareholder, or interest holder before
the merger for any debt, obligation, or liability that arises after the effective time of the articles of merger.

(c) The provisions of the organic law of any entity for which the person had owner liability before the merger continue to apply to the collection or discharge of any owner liability preserved by subsection (1) of this section, as if the merger had not occurred.

(d) The person has whatever rights of contribution from other persons are provided by the organic law of the entity for which the person had owner liability with respect to any owner liability preserved by (a) of this subsection, as if the merger had not occurred.

(4) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made before or after a merger, to or for any of the parties to the merger, inures to the survivor, subject to the express terms of the will or other instrument.

NEW SECTION. Sec. 3209. ABANDONMENT OF MERGER. (1) Unless otherwise provided in a plan of merger or in the organic law of a foreign nonprofit corporation or a domestic or foreign eligible entity that is a party to a merger, after the plan has been adopted and approved as required by sections 3201 through 3209 of this act, and at any time before the merger has become effective, it may be abandoned by a domestic nonprofit corporation that is a party thereto without action by its members, in accordance with any procedures set forth in the plan of merger or, if no procedures are set forth in the plan, in the manner determined by the board, subject to any contractual rights of other parties to the merger.

(2) If a merger is abandoned under subsection (1) of this section after articles of merger have been filed by the secretary of state but before the merger has become effective, then a statement that the merger has been abandoned in accordance with this section, executed on behalf of a party to the merger by an officer or other authorized representative, must be delivered to the secretary of state for filing before the effective date of the merger. Upon filing by the secretary of state, the statement takes effect and the merger is deemed abandoned and shall not become effective.

A person who is a member, interest holder, or otherwise affiliated with a charitable corporation or an unincorporated entity with charitable purposes may not receive a direct or indirect financial benefit in connection with a transaction governed by sections 3301 through 3326 of this act to which the charitable corporation or unincorporated entity is a party unless the person is itself a charitable corporation, the federal government, a tribal, state, or local government, a governmental subdivision, or an unincorporated entity that has charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.
NEW SECTION. Sec. 3306. VOTING RIGHTS IN EXISTING CORPORATIONS. For any corporation formed before January 1, 2022, any member or other person who is entitled under the articles or bylaws to vote on or approve a merger transaction involving the corporation is deemed entitled, to the same extent, to vote on or approve any transaction under sections 3301 through 3326 of this act involving the corporation.

NEW SECTION. Sec. 3307. DOMESTICATION. (1) A foreign nonprofit corporation may become a domestic nonprofit corporation only if the law of the foreign jurisdiction allows the domestication.

(2) A domestic nonprofit corporation may become a foreign nonprofit corporation if the law of the foreign jurisdiction allows the domestication.

(3) Regardless of whether the laws of the foreign jurisdiction require the adoption of a plan of domestication, the domestication must be approved by the corporation's adoption of a plan of domestication in the manner provided in sections 3301 through 3326 of this act.

(4) The plan of domestication shall include:

(a) A statement of the jurisdiction in which the corporation is to be domesticated;

(b) The terms and conditions of the domestication;

(c) The manner and basis of canceling or reclassifying the memberships of the corporation following its domestication into memberships, obligations, rights to acquire memberships, cash, other property, or any combination of the foregoing;

(d) If the corporation is a charitable corporation or is holding assets for charitable purposes, a plan setting forth how the corporation will comply with section 3304 (1) through (3) of this act; and

(e) Any desired changes to the articles or bylaws of the corporation in connection with its domestication.

(5) The plan of domestication may also include a provision that the plan may be amended before filing the document required by the laws of this state or the other jurisdiction to consummate the domestication; except that, after approval of the plan by the members, the plan may not be amended without the approval of the members entitled to vote thereon to change:

(a) The amount or kind of memberships, obligations, rights to acquire memberships, cash, or other property to be received by the members under the plan;

(b) The articles as they will be in effect immediately following the domestication, except for changes permitted by section 3104 of this act or by comparable provisions of the laws of the other jurisdiction; or

(c) Any of the other terms or conditions of the plan if the change would adversely affect any of the members in any material respect.

(6) Terms of a plan of domestication may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

(7) If any debt security, note, or similar evidence of indebtedness for money borrowed, whether secured or unsecured, or a contract of any kind, issued, incurred or executed by a domestic nonprofit corporation before January 1, 2022, contains a provision applying to a merger of the corporation and the document does not refer to a domestication of the corporation, then the provision is deemed to apply to a domestication of the corporation until the provision is amended after that date.

NEW SECTION. Sec. 3308. ACTION ON A PLAN OF DOMESTICATION. In the case of a domestication of a domestic nonprofit corporation in a foreign jurisdiction:

(1) The plan of domestication must be adopted by the board.

(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed domestication to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of domestication, the board shall submit the plan to the members for their approval, if there are members entitled to vote on
the plan. The board shall also transmit to the members a recommendation that the members approve the plan, unless the board determines that, because of conflicts of interest or other special circumstances, it should not make such a recommendation, in which case the board shall transmit to the members the basis for that determination.

(4) The board may condition its submission of the plan of domestication to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member, whether or not entitled to vote, of the meeting of members at which the plan of domestication is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the articles and bylaws as they will be in effect immediately after the domestication. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice.

(6) Unless the articles or bylaws, or the board acting pursuant to subsection (4) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of domestication by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) A separate voting by voting groups is required by each class of members that:

(a) Is to be reclassified under the plan of domestication into a different class of members, or into obligations, rights to acquire memberships, cash, other property, or any combination of the foregoing;

(b) Would be entitled to vote as a separate group on a provision of the plan that, if contained in a proposed amendment to articles of incorporation, would require action by separate voting groups under section 3105 of this act; or

(c) Is entitled under the articles or bylaws to vote as a voting group to approve an amendment of the articles.

(8) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and that document does not refer to a domestication of the corporation, then the provision is deemed to apply to a domestication of the corporation until the provision is later amended.

NEW SECTION.  Sec. 3309. ARTICLES OF DOMESTICATION. (1) Articles of domestication must be executed on behalf of the domesticating corporation by an officer or other authorized representative. The articles shall set forth:

(a) The name and jurisdiction of incorporation of the domesticating corporation;

(b) The name and jurisdiction of incorporation of the domesticated entity; and

(c) If the domesticating corporation is a domestic nonprofit corporation, a statement that the plan of domestication was approved in accordance with sections 3301 through 3326 of this act or, if the domesticating corporation is a foreign nonprofit corporation, a statement that the domestication was approved in accordance with the law of its jurisdiction of incorporation.

(2) The articles of domestication must be delivered to the secretary of state for filing, and take effect at the effective time provided in RCW 23.95.210.

(3) If the domesticating corporation is a foreign corporation, then the domesticating corporation must, simultaneously with the delivery of the articles of domestication, deliver articles of incorporation that comply with this title to the secretary of state for filing and the secretary of state shall file the articles. Provisions that would not be required to be included in restated articles of incorporation may be omitted, except that the name and address of the initial registered agent of the corporation must be included and the name of the corporation must satisfy the requirements of section 1302 of this act.
(4) If the domesticating corporation is a registered foreign corporation, then its registration is terminated automatically on the effective date of its domestication, and the secretary of state shall record the termination of the registration.

NEW SECTION. Sec. 3310. EFFECT OF DOMESTICATION. (1) Except as provided in section 3304 of this act, when a domestication becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the domesticating corporation remains in the domesticated corporation without reversion or impairment;

(b) The liabilities of the domesticating corporation remain the liabilities of the domesticated corporation;

(c) An action or proceeding pending against the domesticating corporation continues against the domesticated corporation as if the domestication had not occurred;

(d) The articles of incorporation filed pursuant to section 3309(3) of this act constitute the articles of a foreign corporation domesticating in Washington state;

(e) The memberships in the domesticating corporation are reclassified into memberships, obligations, rights to acquire memberships, or cash or other property in accordance with the terms of the domestication, and the members are entitled only to the rights provided by those terms;

(f) Gift restrictions binding the domestic corporation remain in place as if the domestication had not occurred, unless modified in accordance with section 1503 of this act;

(g) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the domesticating corporation before or after the domestication, inures to the domesticated corporation, subject to the express terms of the will or other instrument; and

(h) The domesticating corporation is deemed to be:

(i) Incorporated under and subject to the organic law of the domesticated corporation for all purposes; and

(ii) The same corporation without interruption as the domesticating corporation.

(2) The interest holder liability of a member in a foreign nonprofit corporation that is domesticated in the state of Washington is as follows:

(a) The domestication does not discharge any interest holder liability under the laws of the foreign jurisdiction to the extent the interest holder liability arose before the effective time of the articles of domestication.

(b) The member does not have interest holder liability under the laws of the foreign jurisdiction for any debt, obligation, or liability of the corporation that arises after the effective time of the articles of domestication.

(c) The provisions of the laws of the foreign jurisdiction continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the domestication had not occurred.

(d) The domestication has no effect on any member's rights of contribution from other members provided by the laws of the foreign jurisdiction with respect to any interest holder liability preserved by (a) of this subsection.

NEW SECTION. Sec. 3311. ABANDONMENT OF DOMESTICATION. (1) Unless otherwise provided in a plan of domestication of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the domestication has become effective, it may be abandoned by the members if there are members entitled to vote on the plan of domestication, or by the board without action by members.

(2) If a domestication is abandoned under subsection (1) of this section after articles of domestication have been filed by the secretary of state but before the domestication has become effective, then a statement that the domestication has been abandoned in accordance with this section, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing before the effective date of the domestication. The statement takes effect upon filing and
the domestication is abandoned and does not become effective.

(3) If the domestication of a foreign nonprofit corporation in Washington state is abandoned in accordance with the laws of the foreign jurisdiction after articles of domestication have been filed by the secretary of state, then a statement that the domestication has been abandoned, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing. The statement takes effect upon filing and the domestication is abandoned and does not become effective.

NEW SECTION. Sec. 3312. FOR-PROFIT CONVERSION OF NONCHARITABLE CORPORATIONS. (1) A domestic nonprofit corporation, other than a charitable corporation, may become a domestic for-profit corporation pursuant to a plan of for-profit conversion if the for-profit conversion is permitted under Title 23B RCW.

(2) A domestic nonprofit corporation, other than a charitable corporation, may become a foreign for-profit corporation pursuant to a plan of for-profit conversion if the for-profit conversion is approved by the adoption by the domestic nonprofit corporation of a plan of for-profit conversion in the manner provided in sections 3301 through 3326 of this act.

(3) The plan of for-profit conversion shall include:

(a) The terms and conditions of the conversion;

(b) The manner and basis of:

(i) Issuing at least one share in the corporation following its conversion; and

(ii) Otherwise reclassifying the memberships in the corporation, if any, following its conversion into shares and other securities, obligations, rights to acquire shares or other securities, cash, other property, or any combination of the foregoing;

(c) If the corporation is holding assets for charitable purposes, a plan setting forth how the corporation will comply with section 3304 (1) through (3) of this act;

(d) Any desired changes to the articles or bylaws of the corporation following its conversion; and

(e) If the domestic nonprofit corporation is to be converted to a foreign for-profit corporation, a statement of the jurisdiction in which the corporation will be incorporated after the conversion.

(4) The plan of for-profit conversion may also include a provision that the plan may be amended before filing articles of for-profit conversion, except that after approval of the plan by the members the plan may not be amended without the approval of the members to change:

(a) The amount or kind of shares and other securities, obligations, rights to acquire shares or other securities, cash, or other property to be received by the members under the plan;

(b) The articles of incorporation as they will be in effect immediately following the conversion, except for changes permitted by section 3104 of this act; or

(c) Any of the other terms or conditions of the plan if the change would adversely affect any of the members in any material respect.

(5) Terms of a plan of for-profit conversion may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

(6) If any debt security, note, or similar evidence of indebtedness for money borrowed, whether secured or unsecured, or a contract of any kind, issued, incurred, or executed by a domestic nonprofit corporation before January 1, 2022, contains a provision applying to a merger of the corporation and the document does not refer to a for-profit conversion of the corporation, then the provision is deemed to apply to a for-profit conversion of the corporation until the provision is later amended.

NEW SECTION. Sec. 3313. ACTION ON A PLAN OF FOR-PROFIT CONVERSION. In the case of a conversion of a domestic nonprofit corporation to a domestic or foreign for-profit corporation:

(1) The plan of for-profit conversion must be adopted by the board.
(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed for-profit conversion to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of for-profit conversion, the board shall submit the plan to the members for their approval if there are members entitled to vote on the plan. The board shall also deliver to the members a recommendation that the members approve the plan, unless the board determines that because of conflicts of interest or other special circumstances, it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(4) The board may condition its submission of the plan of for-profit conversion to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member of the meeting of members at which the plan of for-profit conversion is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the articles as they will be in effect immediately after the for-profit conversion. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice.

(6) Unless the articles or bylaws, or the board acting pursuant to subsection (4) of this section, require a greater vote or a greater number of votes to be present, the approval of the plan of for-profit conversion by the members entitled to vote thereon requires approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of for-profit conversion, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and the document does not refer to a for-profit conversion of the corporation, then the provision is deemed to apply to a for-profit conversion of the corporation until the provision is later amended.

NEW SECTION. Sec. 3314. ARTICLES OF FOR-PROFIT CONVERSION. (1) Articles of for-profit conversion must be executed on behalf of the converting corporation by an officer of the corporation. The articles shall set forth:

(a) If the surviving corporation is a domestic business corporation, the name of the corporation immediately before the filing of the articles of for-profit conversion and if that name does not satisfy the requirements of RCW 23B.04.010, or the corporation desires to change its name in connection with the conversion, a name that satisfies the requirements of RCW 23B.04.010;

(b) Whether the corporation is holding assets for charitable purposes;

(c) If the corporation is holding assets for charitable purposes, that the attorney general has approved, or is deemed to have approved, the for-profit conversion pursuant to section 3304(4) of this act;

(d) If the surviving corporation is a foreign for-profit corporation, its name after the conversion and its jurisdiction of incorporation;

(e) If the nonprofit corporation has members with voting rights with respect to the for-profit conversion, a statement that the plan of for-profit conversion was approved by the members in the manner required by this chapter and the articles or bylaws; and

(f) Where there are no members or no members having voting rights with respect to the for-profit conversion, a statement to that effect, the date of the meeting of the board at which the amendment was adopted, and a statement that the amendment received the vote of a majority of directors in office.

(2) If the surviving corporation is a domestic for-profit corporation, then the articles of for-profit conversion shall either contain all of the
provisions that RCW 23B.02.020 requires to be set forth in articles of incorporation of a domestic for-profit corporation and any other desired provisions permitted under Title 23B RCW, or have attached articles of incorporation that satisfy the requirements of RCW 23B.02.020. In either case, provisions that would not be required to be included in restated articles of incorporation of a domestic for-profit corporation may be omitted, except that the name and address of the initial registered agent of the for-profit corporation must be included.

(3) The articles of for-profit conversion and articles of incorporation, if a separate document, must be delivered to the secretary of state for filing, and take effect at the effective time provided in RCW 23.95.210.

NEW SECTION. Sec. 3315. EFFECT OF FOR-PROFIT CONVERSION. (1) Except as provided in section 3304 of this act, when a conversion of a domestic nonprofit corporation to a domestic or foreign for-profit corporation becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the corporation remains in the corporation without reversion or impairment;

(b) The liabilities of the corporation remain the liabilities of the corporation;

(c) An action or proceeding pending against the corporation continues against the corporation as if the conversion had not occurred;

(d) The articles of the domestic or foreign for-profit corporation become effective;

(e) The memberships of the corporation are reclassified into shares or other securities, obligations, rights to acquire shares or other securities, or into cash or other property in accordance with the plan of conversion, and the members are entitled only to the rights provided in the plan of for-profit conversion;

(f) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the corporation before or after the for-profit conversion, continues to inure to the corporation, subject to the express terms of the will or other instrument; and

(g) The corporation is deemed to:

(i) Be a domestic or foreign for-profit corporation for all purposes; and

(ii) Be the same corporation without interruption as the nonprofit corporation.

(2) The interest holder liability of a member in a domestic nonprofit corporation that converts to a domestic for-profit corporation is as follows:

(a) The conversion does not discharge any interest holder liability of the member as a member of the nonprofit corporation to the extent the interest holder liability arose before the effective time of the articles of for-profit conversion.

(b) The member does not have interest holder liability for any debt, obligation, or liability of the for-profit corporation that arises after the effective time of the articles of for-profit conversion.

(c) The laws of this state continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

(d) The member has whatever rights of contribution from other members are provided by the laws of this state with respect to any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

(3) A member who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the for-profit corporation has interest holder liability only for those debts, obligations, or liabilities of the for-profit corporation that arise after the effective time of the articles of for-profit conversion.

NEW SECTION. Sec. 3316. ABANDONMENT OF FOR-PROFIT CONVERSION. (1) Unless otherwise provided in a plan of for-profit conversion of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the for-profit conversion has become effective, it may be abandoned by the members if there are members entitled to vote on the for-
profit conversion, or by the board without action by members.

(2) If a for-profit conversion is abandoned under subsection (1) of this section after articles of for-profit conversion have been filed by the secretary of state but before the for-profit conversion has become effective, then a statement that the for-profit conversion has been abandoned in accordance with this section, executed by an officer of the corporation, must be delivered to the secretary of state for filing before the effective date of the for-profit conversion. The statement takes effect upon filing and the for-profit conversion is abandoned and does not become effective.

NEW SECTION. Sec. 3317. FOR-PROFIT DOMESTICATION AND CONVERSION. A foreign for-profit corporation may become a domestic nonprofit corporation if the domestication and conversion is permitted by the law of the foreign jurisdiction.

NEW SECTION. Sec. 3318. ARTICLES OF DOMESTICATION AND CONVERSION. (1) Articles of domestication and conversion must be executed on behalf of the domesticating and converting corporation by an officer or other authorized representative. The articles shall set forth:

(a) The name of the corporation immediately before the filing of the articles of domestication and conversion and, if that name is unavailable for use in Washington state or the corporation desires to change its name in connection with the domestication and conversion, a name that satisfies the requirements of section 1302 of this act;

(b) The jurisdiction of incorporation of the corporation immediately before the filing of the articles of domestication and conversion and the date the corporation was incorporated in that jurisdiction; and

(2) The articles of domestication and conversion shall either contain all of the provisions that section 1303(1) of this act requires to be set forth in articles of incorporation and any other desired provisions that section 1303 (2) and (3) of this act permit to be included in articles of incorporation, or have attached articles of incorporation that comply with this chapter. In either case, provisions that would not be required to be included in restated articles of incorporation may be omitted, except that the name and address of the initial registered agent of the domestic nonprofit corporation must be included.

(3) If the domesticating corporation is a foreign corporation, then the domesticating corporation must, simultaneously with the delivery of the articles of domestication and conversion, deliver articles of incorporation that comply with this chapter to the secretary of state for filing and the secretary of state shall file the articles. Provisions that would not be required to be included in restated articles of incorporation may be omitted, except that the name and address of the initial registered agent of the corporation must be included and the name of the corporation must satisfy the requirements of section 1302 of this act.

(4) If the foreign for-profit corporation is authorized to transact business in Washington state under chapter 23B.01 RCW, then its registration shall be terminated automatically on the effective date of its domestication and conversion and the secretary of state shall record the termination of registration.

NEW SECTION. Sec. 3319. EFFECT OF FOR-PROFIT DOMESTICATION AND CONVERSION. (1) When a domestication and conversion of a foreign for-profit corporation to a domestic nonprofit corporation becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the corporation remains in the corporation without reversion or impairment;

(b) The liabilities of the corporation remain the liabilities of the corporation;

(c) An action or proceeding pending against the corporation continues against the corporation as if the domestication and conversion had not occurred;

(d) The articles of domestication and conversion, or the articles attached to
the articles of domestication and conversion, constitute the articles of incorporation of the corporation;

(e) Memberships, securities, obligations, rights to acquire memberships or securities of the corporation, or cash or other property must be issued or paid as provided pursuant to the laws of the foreign jurisdiction;

(f) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the foreign for-profit corporation before or after the domestication and conversion, inures to the domestic nonprofit corporation, subject to the express terms of the will or other instrument and to applicable law of the foreign jurisdiction; and

(g) The corporation is deemed to be:

(i) A domestic corporation for all purposes; and

(ii) The same corporation without interruption as the foreign for-profit corporation.

(2) The interest holder liability of a shareholder of the foreign for-profit corporation who becomes a member of the domestic nonprofit corporation in the domestication and conversion is as follows:

(a) The domestication and conversion does not discharge any interest holder liability under the laws of the foreign jurisdiction to the extent the interest holder liability arose before the effective time of the articles of domestication and conversion.

(b) The member does not have interest holder liability under the laws of the foreign jurisdiction for any debt, obligation, or liability of the corporation that arises after the effective time of the articles of domestication and conversion.

(c) The provisions of the laws of the foreign jurisdiction continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the domestication and conversion had not occurred.

(d) The member has whatever rights of contribution from other members are provided by the laws of the foreign jurisdiction with respect to any interest holder liability preserved by (a) of this subsection, as if the domestication and conversion had not occurred.

(3) A shareholder of a foreign for-profit corporation who becomes subject to interest holder liability for some or all of the debts, obligations, or liabilities of the corporation as a result of its domestication and conversion in this state has interest holder liability only for those debts, obligations, or liabilities of the corporation that arise after the effective time of the articles of domestication and conversion.

NEW SECTION. Sec. 3320. ABANDONMENT OF FOR-PROFIT DOMESTICATION AND CONVERSION. If the domestication and conversion of a foreign for-profit corporation to a domestic nonprofit corporation is abandoned in accordance with the laws of the foreign jurisdiction after articles of domestication and conversion have been filed by the secretary of state, then a statement that the domestication and conversion has been abandoned, executed by an officer or other authorized representative, must be delivered to the secretary of state for filing. The statement takes effect upon filing and the domestication and conversion is abandoned and does not become effective.

NEW SECTION. Sec. 3321. ENTITY CONVERSION FOR NONCHARITABLE CORPORATIONS. (1) A domestic nonprofit corporation, other than a charitable corporation, may become a domestic unincorporated entity pursuant to a plan of entity conversion only if the entity conversion is permitted under the organic law governing the entity that would survive the entity conversion.

(2) A domestic nonprofit corporation, other than a charitable corporation, may become a foreign unincorporated entity if the entity conversion is permitted by the laws of the foreign jurisdiction.

(3) A domestic unincorporated entity may be converted into a domestic nonprofit corporation only if applicable Washington state law provides procedures for the approval of an entity conversion into a domestic nonprofit corporation.

(4) A foreign unincorporated entity may become a domestic nonprofit corporation if the law of the foreign jurisdiction authorizes it to become a nonprofit corporation in another jurisdiction.
(5) If any provision of a debt security, note, or similar evidence of indebtedness for money borrowed, whether secured or unsecured, or a contract of any kind, issued, incurred, or executed by a domestic nonprofit corporation before January 1, 2022, applies to a merger of the corporation and the document does not refer to an entity conversion of the corporation, then the provision is deemed to apply to an entity conversion of the corporation until the provision is later amended.

NEW SECTION. Sec. 3322. PLAN OF ENTITY CONVERSION. (1) A plan of entity conversion shall include:

(a) A statement of the type of unincorporated entity the surviving entity will be and, if it will be a foreign unincorporated entity, its jurisdiction of organization;

(b) The terms and conditions of the conversion;

(c) The manner and basis of converting the memberships in the domestic nonprofit corporation following its conversion into interests or other securities, obligations, rights to acquire interests or other securities, cash, other property, or any combination of the foregoing;

(d) If the corporation is holding assets for charitable purposes, a plan setting forth how the corporation will comply with section 3304 (1) through (3) of this act; and

(e) The full text, as they will be in effect immediately following the conversion, of the organic documents of the surviving entity.

(2) The plan of entity conversion may also include a provision that the plan may be amended before filing articles of entity conversion, except that after approval of the plan by the members the plan may not be amended to change:

(a) The amount or kind of memberships or other securities, interests, obligations, rights to acquire memberships, securities, or interests, cash, or other property to be received under the plan by the members;

(b) The organic documents that will be in effect immediately following the conversion, except for changes permitted by a provision of the organic law of the surviving entity comparable to section 3104(2) of this act; or

(c) Any of the other terms or conditions of the plan if the change would adversely affect any of the members in any material respect.

(3) Terms of a plan of entity conversion may be made dependent upon facts objectively ascertainable outside the plan in accordance with section 1202(3) of this act.

NEW SECTION. Sec. 3323. ACTION ON A PLAN OF ENTITY CONVERSION. In the case of an entity conversion of a domestic nonprofit corporation to a domestic or foreign unincorporated entity:

(1) The plan of entity conversion must be adopted by a vote of the majority of the directors in office.

(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed entity conversion to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of entity conversion, the board shall submit the plan to the members for their approval if there are members entitled to vote on the plan. The board shall also deliver to the members a recommendation that the members approve the plan, unless the board determines that because of conflicts of interest or other special circumstances it should not make such a recommendation, in which case the board shall deliver to the members the basis for that determination.

(4) The board may condition its submission of the plan of entity conversion to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member, whether or not entitled to vote, of the meeting of members at which the plan of entity conversion is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the organic documents as they will be in effect immediately after the entity conversion. The notice may additionally be accompanied by a
summary of the required materials. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice. Such copy of the plan may be made available to members electronically.

(6) Unless the articles, or the board acting pursuant to subsection (3) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of entity conversion by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan of entity conversion, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and the document does not refer to an entity conversion of the corporation, then the provision is deemed to apply to an entity conversion of the corporation until the provision is later amended.

(8) If, as a result of the conversion, one or more members of the corporation would become subject to interest holder liability for the debts, obligations, or liabilities of any other person or entity, then approval of the plan of conversion requires the execution, by each affected member, of a separate written consent to become subject to interest holder liability.

NEW SECTION. Sec. 3324. ARTICLES OF ENTITY CONVERSION. (1) After the conversion of a domestic nonprofit corporation to a domestic or foreign unincorporated entity has been adopted and approved as required under sections 3301 through 3326 of this act, articles of entity conversion must be executed on behalf of the converting corporation by an officer of the corporation. The articles must:

(a) Set forth the name of the corporation immediately before the filing of the articles of entity conversion and the name to which the name of the corporation is to be changed, which must be a name that satisfies the organic law of the surviving entity if the surviving entity is a domestic entity;
(b) State whether the corporation is holding assets for charitable purposes;
(c) If the corporation is holding assets for charitable purposes, state that the attorney general has approved, or is deemed to have approved, the entity conversion pursuant to section 3304(4) of this act;
(d) State the type of unincorporated entity that the surviving entity will be and its jurisdiction of organization;
(e) State that the plan of entity conversion was approved in the manner required by this chapter; and
(f) If the surviving entity is a domestic filing entity, either contain all of the provisions required to be set forth in its public organic record and any other desired provisions that are permitted, or have attached a public organic record.

(2) After the conversion of a domestic unincorporated entity to a domestic nonprofit corporation has been adopted and approved as required by the organic law of the unincorporated entity, articles of entity conversion must be executed on behalf of the unincorporated entity by an officer or other authorized representative. The articles must:

(c) Either contain all of the provisions that section 1303(1) of this act requires to be set forth in articles of incorporation and any other desired provisions that section 1303 (2) and (3) of this act permit to be included in articles of incorporation, or have attached articles of incorporation that comply with this act.

(3) After the conversion of a foreign unincorporated entity to a domestic nonprofit corporation has been
authorized as required by the laws of the foreign jurisdiction, articles of entity conversion must be executed on behalf of the foreign unincorporated entity by an officer or other authorized representative. The articles must:

(a) Set forth the name of the unincorporated entity immediately before the filing of the articles of entity conversion and the name to which the name of the unincorporated entity is to be changed, which must be a name that satisfies the requirements of section 1302 of this act;

(b) Set forth the jurisdiction under the laws of which the unincorporated entity was organized immediately before the filing of the articles of entity conversion and the date on which the unincorporated entity was organized in that jurisdiction;

(c) Set forth a statement that the conversion of the unincorporated entity was approved in the manner required by the law of the foreign jurisdiction; and

(d) Either contain all of the provisions that section 1303(1) of this act requires to be set forth in articles of incorporation and any other desired provisions that section 1303 (2) and (3) of this act permit to be included in articles of incorporation, or have attached articles of incorporation that comply with this act; except that, in either case, provisions that would not be required to be included in restated articles of incorporation of a domestic nonprofit corporation may be omitted.

(4) The articles of entity conversion and articles of incorporation must be simultaneously delivered to the secretary of state for filing. The articles of entity conversion and articles of incorporation take effect at the effective time provided in RCW 23.95.210. Articles of entity conversion filed under subsection (1) or (2) of this section may be combined with any required conversion filing under the organic law of the domestic unincorporated entity if the combined filing satisfies the requirements of both this section and the other organic law.

(5) If the converting entity is a foreign unincorporated entity that is registered to do business in this state under chapter 23.95 RCW, then its registration statement is canceled automatically on the effective date of its conversion.

NEW SECTION. Sec. 3325. EFFECT OF ENTITY CONVERSION. (1) Except as provided in section 3304 of this act, when a conversion under sections 3301 through 3326 of this act becomes effective:

(a) The title to all real and personal property, both tangible and intangible, of the converting entity remains in the surviving entity without reversion or impairment;

(b) The liabilities of the converting entity remain the liabilities of the surviving entity;

(c) An action or proceeding pending against the converting entity continues against the surviving entity as if the conversion had not occurred;

(d) In the case of a surviving entity that is a filing entity, its articles or public organic record and its private organic rules become effective;

(e) In the case of a surviving entity that is a nonfiling entity, its private organic rules become effective;

(f) The memberships or interests of the converting entity are reclassified into memberships, interests, other securities, obligations, rights to acquire memberships, interests, or securities, or into cash or other property in accordance with the plan of conversion; and the members or interest holders of the converting entity are entitled only to the rights provided to them under the terms of the conversion and to any appraisal rights they may have under the organic law of the converting entity;

(g) A devise, bequest, gift, grant, or promise contained in a will or other instrument, in trust or otherwise, made to or for the converting entity before or after the conversion, inures to the surviving entity, subject to the express terms of the will or other instrument; and

(h) The surviving entity is deemed to be:

(i) Incorporated or organized under and subject to the organic law of the converting entity for all purposes; and

(ii) The same nonprofit corporation or unincorporated entity without interruption as the converting entity.

(2) A member who becomes subject to interest holder liability for some or all
of the debts, obligations, or liabilities of the surviving entity has interest holder liability only for those debts, obligations, or liabilities of the surviving entity that arise after the effective time of the articles of entity conversion.

(3) The interest holder liability of an interest holder in an unincorporated entity that converts to a domestic nonprofit corporation is as follows:

(a) The conversion does not discharge any interest holder liability under the organic law of the unincorporated entity to the extent the interest holder liability arose before the effective time of the articles of entity conversion.

(b) The interest holder does not have interest holder liability under the organic law of the unincorporated entity for any debt, obligation, or liability of the corporation that arises after the effective time of the articles of entity conversion.

(c) The provisions of the organic law of the unincorporated entity continue to apply to the collection or discharge of any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

(d) The interest holder has whatever rights of contribution from other interest holders are provided by the organic law of the unincorporated entity with respect to any interest holder liability preserved by (a) of this subsection, as if the conversion had not occurred.

NEW SECTION. Sec. 3326. ABANDONMENT OF ENTITY CONVERSION. (1) Unless otherwise provided in a plan of entity conversion of a domestic nonprofit corporation, after the plan has been adopted and approved as required by sections 3301 through 3326 of this act, and at any time before the entity conversion has become effective, it may be abandoned by the members if there are members entitled to vote, or by the board without action by the members.

(2) If an entity conversion is abandoned after articles of entity conversion have been filed by the secretary of state for filing before the effective date of the entity conversion. Upon filing, the statement takes effect and the entity conversion is abandoned and does not become effective.

ARTICLE 4

DISPOSITION OF ASSETS

NEW SECTION. Sec. 3401. DISPOSITIONS NOT REQUIRING MEMBER APPROVAL. Unless the articles or bylaws otherwise provide, approval of the members of a nonprofit corporation is not required:

(1) To sell, lease, exchange, or otherwise dispose of any or all of the corporation's assets:
   (a) In the usual and regular course of its activities; or
   (b) If the assets disposed of represent less than fifty percent of the total assets of the corporation and its consolidated subsidiaries, determined as of the end of the most recently completed fiscal year;

(2) To mortgage, pledge, dedicate to the repayment of indebtedness whether with or without recourse, or otherwise encumber any or all of the corporation's assets, whether or not in the usual and regular course of business its activities; or

(3) To transfer any or all of the corporation's assets to one or more corporations or other entities all of the memberships or interests of which are owned by the corporation.

NEW SECTION. Sec. 3402. DISPOSITIONS REQUIRING MEMBER APPROVAL. (1) A sale, lease, exchange, or other disposition of assets, other than a disposition described in section 3401 of this act, requires approval of the corporation's members that are entitled to vote on the disposition, unless the articles or bylaws otherwise provide.

(2) A disposition that requires approval of the members must be initiated by a resolution by the board authorizing the disposition. After adoption of the resolution, the board shall submit the proposed disposition to the members for their approval. The board shall also deliver to the members a recommendation that the members approve the proposed disposition, unless the board makes a determination that because of conflicts of interest or other special circumstances it should not make a
recommendation, in which case the board shall deliver to the members the basis for that determination.

(3) The board may condition its submission of a disposition to the members under subsection (2) of this section on any basis.

(4) If a disposition is required to be approved by the members, and if the approval is to be given at a meeting, then the nonprofit corporation shall give notice to each member, whether or not entitled to vote, of the meeting of members at which the disposition is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the disposition and must contain a description of the disposition, including the terms and conditions thereof and the consideration to be received by the corporation.

(5) Unless the articles, bylaws, or the board acting pursuant to subsection (3) of this section requires a greater vote, or a greater number of votes to be present, the approval of a disposition by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the disposition, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(6) If a membership corporation has no members entitled to vote on a disposition, then the corporation shall deliver notice of a proposed disposition to all members of the corporation at least ten days before the meeting at which the board is to act upon the disposition.

(7) After a disposition has been approved by the members under subsection (5) of this section, and at any time before the disposition has been consummated, it may be abandoned by the nonprofit corporation without action by the members, subject to any contractual rights of other parties to the disposition.

(8) In addition to the approval of a disposition of assets by the board and members as required by this section, the disposition must also be approved in the form of a record by any person or group of persons whose approval is required under section 3114 of this act to amend the articles or bylaws.

(9) The assets of a direct or indirect consolidated subsidiary are deemed the assets of the parent nonprofit corporation for the purposes of this section.

(10) A disposition of assets in the course of a dissolution governed by sections 3501 through 3512 of this act is not governed by sections 3401 through 3405 of this act.

NEW SECTION. Sec. 3403. EFFECT OF DISPOSITIONS. Unless a domestic entity that is a party to a disposition of assets obtains an appropriate order of the court or approval from the attorney general under the law of this state, a disposition of assets under sections 3401 through 3405 of this act may not affect:

(1) Any restriction imposed upon the entity by its organic documents or other governing authority that may not be amended by its directors, members, or interest holders; or

(2) The existing rights of persons other than members, shareholders, or interest holders of the entity.

NEW SECTION. Sec. 3404. PROPERTY HELD FOR CHARITABLE PURPOSES. (1) In a disposition of assets under sections 3401 through 3405 of this act, property held for charitable purposes by a nonprofit corporation may not be diverted from charitable purposes.

(2) Property held by a nonprofit corporation and restricted to charitable purposes by a gift instrument may not be diverted from the restricted charitable purpose by a disposition of assets under sections 3401 through 3405 of this act unless modified in accordance with section 1503 of this act.

(3) Property held for charitable purposes pursuant to a trust instrument governed by chapter 11.110 RCW in which the nonprofit corporation is a trustee or a beneficiary may not be diverted from the charitable purposes specified in the trust instrument unless those purposes are modified by the court or pursuant to an agreement between all interested parties, including the attorney general, under chapter 11.96A RCW.

(4) Property held by a nonprofit corporation for charitable purposes upon condition requiring return, transfer, or conveyance, which condition occurs by
reason of a disposition of assets under sections 3401 through 3405 of this act, must be returned, transferred, or conveyed in accordance with that condition.

In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the disposition, approval of the disposition is deemed to have been given.

(6) The notice described in subsection (5) of this section shall include:

(2) If a membership corporation has no members entitled to vote on dissolution, then the corporation shall deliver notice of the proposed dissolution to all members of the corporation at least ten days before the meeting at which the board is to authorize the dissolution.

(b) To the extent that the articles or bylaws do not govern distribution of assets on dissolution, to any persons the board may select.

NEW SECTION. Sec. 3503. CORPORATIONS HOLDING PROPERTY FOR CHARITABLE PURPOSES. (1) A nonprofit corporation holding property for charitable purposes, including any charitable corporation, may not deliver articles of dissolution to the secretary of state for filing pursuant to section 3504 of this act until it has complied with all of the requirements of this section.

(2) A nonprofit corporation described in subsection (1) of this section shall adopt a plan for the distribution of assets for the purpose of authorizing any transfer or conveyance of property held for charitable purposes, which shall:

(3) A plan of distribution shall be adopted in the following manner:

(a) Where there are no members, or no members having voting rights, a plan of distribution is adopted at a meeting of the board upon receiving a vote of a majority of the directors in office.

(b) Where there are members having voting rights, the board shall adopt a resolution recommending a plan of distribution and directing the submission thereof to a vote at a meeting of members having voting rights. Such vote may take place at the same meeting during which members having voting rights vote upon dissolution of the nonprofit corporation. Notice in the form of a record setting forth the proposed plan of distribution or a summary thereof must be given to each member, whether or not entitled to vote at the meeting, within the time and in the manner provided in this chapter for the giving of notice of meetings of members. Such plan of distribution is adopted upon receiving votes from a majority of the members entitled to vote at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan, the approval by a majority of the members in each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present. If the members entitled to vote on the dissolution approve the proposal to dissolve but do not approve the proposed plan of distribution in all material respects, then the board may either accept the plan of distribution, as approved by the members, or propose a new plan of distribution to the members for approval. This process shall continue until a plan of distribution acceptable to the board has been approved by the members. If successive votes take place at the same meeting of members, then no further notices or meetings are required.

(4) A nonprofit corporation described in subsection (1) of this section shall give the attorney general notice that it intends to dissolve. The notice shall include:

(5) Notice required under subsection (4) of this section must be delivered to the attorney general in the form of a record at least twenty days before the meeting at which the proposed plan is to be adopted. No plan of distribution for
a corporation described in subsection (1) of this section may be implemented without the approval of the attorney general, or the approval of the court in a proceeding to which the attorney general is made a party. In the event that the attorney general does not deliver a notice of objection in the form of a record to the corporation within twenty days after the delivery to the attorney general of notice of the plan, approval of the plan is deemed to have been given.

NEW SECTION. Sec. 3504. ARTICLES OF DISSOLUTION. (1) At any time after dissolution is authorized, the nonprofit corporation may dissolve by filing with the secretary of state articles of dissolution, accompanied by a revenue clearance certificate issued pursuant to RCW 82.32.260. The articles of dissolution shall set forth:

(3) For purposes of sections 3501 through 3512 of this act, "dissolved corporation" means a nonprofit corporation whose articles of dissolution have become effective and includes a liquidating trust, if any, or other acquirer entity to which the remaining assets of the corporation are transferred subject to its liabilities for purposes of liquidation.

NEW SECTION. Sec. 3505. REVOCATION OF DISSOLUTION. (1) A nonprofit corporation may revoke its dissolution within one hundred twenty days of the effective date of the dissolution.

(2) Revocation of dissolution must be authorized in the same manner as the dissolution was authorized unless that authorization permitted revocation by action of the board alone, in which event the board may revoke the dissolution without action by the members.

(3) Except as provided in subsection (4) of this section, after the revocation of dissolution is authorized, the nonprofit corporation may revoke the dissolution by delivering to the secretary of state for filing articles of revocation of dissolution, together with a copy of its articles of dissolution, that set forth:

(5) Revocation of dissolution is effective upon the effective date of the articles of revocation of dissolution.

(6) When the revocation of dissolution is effective, it relates back to and takes effect as of the effective date of the dissolution and the nonprofit corporation resumes carrying on its activities as if dissolution had never occurred.

NEW SECTION. Sec. 3506. EFFECT OF DISSOLUTION. (1) A nonprofit corporation, the dissolution of which has been authorized, continues its corporate existence but may not carry on any activities except those appropriate to wind up and liquidate its affairs, including:

(a) Collecting its assets;

(b) Disposing of its properties that will not be distributed in kind;

(c) Discharging or making provision for discharging its liabilities;

(d) Distributing its remaining property as required by the plan of distribution; and

(b) Subject its directors or officers to standards of conduct different from those prescribed in sections 2402 and 2602 of this act;

(c) Change quorum or voting requirements for its board or members; change provisions for selection, resignation, or removal of its directors or officers or both; or change provisions for amending its bylaws;

No person may receive a direct or indirect financial benefit in connection with the dissolution of a charitable corporation unless the person is an entity operated exclusively for one or more charitable purposes, the federal government, a tribal government, a state or local government, or an unincorporated entity that has charitable purposes. This section does not apply to the receipt of reasonable compensation for services rendered.

NEW SECTION. Sec. 3508. KNOWN CLAIMS AGAINST DISSOLVED CORPORATION. (1) A dissolved nonprofit corporation shall deliver notice of the dissolution in the form of a record to all of the corporation's known claimants within thirty days of the date when the corporation delivered articles of dissolution to the secretary of state for filing.

(2) A dissolved nonprofit corporation may dispose of the known claims against it by delivering a notice in the form of a record that meets the requirements listed in subsection (3) of this section to its known claimants at any time after the date when the corporation delivered articles of dissolution to the secretary of state for filing. Delivery of a notice under this subsection shall satisfy the requirement of subsection (1) of this section if the notice is delivered to all known claimants within thirty days of the date when the corporation delivered articles of dissolution to the secretary of state for filing.

(3) A notice to claimants under subsection (2) of this section must:

(a) Describe information that must be included in a claim;

(b) Provide a mailing address where a claim may be sent;
(c) State the deadline, which may not be fewer than one hundred twenty days from the effective date of the notice, by which the dissolved nonprofit corporation must receive the claim; and

(d) State that the claim will be barred if not received by the deadline.

(4) A claim against the dissolved nonprofit corporation is barred:

(a) If a claimant who was given notice under subsection (2) of this section does not deliver the claim to the dissolved corporation by the deadline; or

(b) If a claimant whose claim was rejected by the dissolved corporation does not commence a proceeding to enforce the claim within ninety days from the effective date of the rejection notice.

(5) For purposes of this section, "claim" does not include a contingent liability or a claim based on an event occurring after the effective date of dissolution.

NEW SECTION. Sec. 3509. OTHER CLAIMS AGAINST DISSOLVED CORPORATION. (1) A dissolved nonprofit corporation may publish notice of its dissolution and request that persons with claims against the dissolved corporation present them in accordance with the notice.

(b) Describe the information that must be included in a claim and provide a mailing address where the claim shall be sent; and

(c) State that a claim against the dissolved corporation will be barred unless a proceeding to enforce the claim is commenced within three years after the last publication of the notice.

(3) If the dissolved nonprofit corporation publishes a newspaper notice in accordance with subsection (2) of this section, then the claim of each of the following claimants is barred unless the claimant commences a proceeding to enforce the claim against the dissolved corporation within three years after the last publication date of the newspaper notice:

(a) A claimant who was not given notice under section 3508 of this act;

(b) A claimant whose claim was timely sent to the dissolved corporation but not acted on; or

(c) A claimant whose claim is contingent or based on an event occurring after the effective date of dissolution.

(a) Recovery is limited to the amount of the distributee's pro rata share of the claim or the corporate assets distributed to the distributee in liquidation, whichever is less;

(b) A distributee's total liability for all claims under this section may not exceed the total amount of assets distributed to the distributee; and

(c) A distributee is only liable to the extent permitted by existing common law or statutory remedies, and nothing in this section creates a separate cause of action against a distributee.

NEW SECTION. Sec. 3511. COURT PROCEEDINGS. (1) A dissolved nonprofit corporation that has published a notice under section 3508 of this act may file an application with the court for a determination of the amount and form of security to be provided for payment of claims that are contingent or have not been made known to the dissolved corporation or that are based on an event occurring after the effective date of dissolution but that, based on the facts known to the dissolved corporation, are reasonably estimated to be presented after the effective date of dissolution. Provision need not be made for any claim that is or is reasonably anticipated to be barred under section 3508(3) of this act.

(2) Within ten days after the filing of the application, the dissolved
corporation shall give notice of the proceeding to each claimant holding a contingent claim whose contingent claim is shown on the records of the dissolved corporation.

Such claims may not be enforced against a person who received assets in liquidation.

NEW SECTION. Sec. 3512. DIRECTORS' DUTIES. (1) Directors shall cause the dissolved corporation to discharge or make reasonable provision for the payment of claims and make distributions of assets in accordance with the plan of distribution after payment or provision for claims.

(3) Failure to dispose of claims under section 3508, 3509, or 3511 of this act is not, in and of itself, a violation of this section.

Material provided under this subsection is subject to the limitations on disclosure contained in RCW 19.86.110(7)(a), and, where applicable, Title 5 U.S.C. Sec. 552, and may not be introduced as evidence in a criminal prosecution.

(5) The attorney general may use such copies of documentary material, answers to written interrogatories, or transcripts of oral testimony as the attorney general determines necessary in the enforcement of any provision of this chapter that governs the distribution, disposition, management, or expenditure of, or reporting obligations relating to, any property held for charitable purposes, including presentation before any court, provided, however, that any such material, answers to written interrogatories, or transcripts of oral testimony which contain trade secrets shall not be presented except with the approval of the court in which the action is pending after adequate notice to the person furnishing such material, answers to written interrogatories, or oral testimony.

(2) The board of directors of the religious corporation has adopted a resolution in the form of a record requesting the attorney general's involvement in the action or investigation; or

an assurance of discontinuance of any act or practice deemed in violation of such provision, from any person engaging in, or who has engaged in, such act or practice. Any such assurance must be in writing and be filed with and subject to the approval of the court. (2) The court may determine the right to vote at the meeting of persons claiming that right, may appoint an individual to hold the meeting under such orders and powers as the court may deem proper, and may take such action as may be required to give due notice of the meeting and convene and conduct the meeting in the interests of justice.

NEW SECTION. Sec. 4203. REVIEW OF CONTESTED CORPORATE ACTION. The venue of such a proceeding may be any county in which the person resides or maintains any office, or any county in which any property over which the receiver is to be appointed is located at the time the proceeding is commenced.

(3) At least seven days' notice of any application for the appointment of a receiver must be given to the owner of property to be subject thereto and to all other parties in the action, and to other parties in interest as the court may require. If any execution by a judgment creditor under Title 6 RCW or any application by a judgment creditor for the appointment of a receiver, with respect to property over which the receiver's appointment is sought, is pending in any other action at the time the application is made, then notice of the application for the receiver's appointment also must be given to the judgment creditor in the other action. The court may shorten or expand the period for notice of an application for the appointment of a receiver upon good cause shown.

(4) The order appointing a receiver in all cases must reasonably describe the property over which the receiver is to take charge, by category, individual items, or both if the receiver is to take charge of less than all of the owner's property. If the order appointing a receiver does not expressly limit the receiver's authority to designated property or categories of property of the owner, the receiver is a general receiver with the authority to take charge over
all of the owner's property, wherever located.

(5) The court may condition the appointment of a receiver upon the giving of security by the person seeking the receiver's appointment, in such amount as the court may specify, for the payment of costs and damages incurred or suffered by any person should it later be determined that the appointment of the receiver was wrongfully obtained.

(ii) Any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same.

The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the internal revenue code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

(c) Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

(3) For the purposes of RCW 9.46.0277, a bona fide nonprofit organization also includes a county, city, or town, provided that all revenue less prizes and expenses from raffles conducted by the county, city, or town must be used for community activities or tourism promotion activities.

The tax levied by RCW 82.08.020 does not apply to sales of trail grooming services to the state of Washington or nonprofit corporations organized under chapter 24.-- RCW (the new chapter created in section 6101 of this act). For the purposes of this section, "trail grooming" means the activity of snow compacting, snow redistribution, or snow removal on state-owned or privately owned trails.

Sec. 5249. RCW 82.08.0293 and 2019 c 8 s 401 are each amended to read as follows:

(1) The tax levied by RCW 82.08.020 does not apply to sales of food and food ingredients. "Food and food ingredients" means substances, whether in liquid, concentrated, solid, frozen, dried, or dehydrated form, that are sold for ingestion or chewing by humans and are consumed for their taste or nutritional value. "Food and food ingredients" does not include:

(a) "Alcoholic beverages," which means beverages that are suitable for human consumption and contain one-half of one percent or more of alcohol by volume;

(b) "Tobacco," which means cigarettes, cigars, chewing or pipe tobacco, or any other item that contains tobacco; and
(c) Marijuana, useable marijuana, or marijuana-infused products.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section does not apply to prepared food, soft drinks, bottled water, or dietary supplements. The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Bottled water" means water that is placed in a safety sealed container or package for human consumption. Bottled water is calorie free and does not contain sweeteners or other additives except that it may contain: (i) Antimicrobial agents; (ii) fluoride; (iii) carbonation; (iv) vitamins, minerals, and electrolytes; (v) oxygen; (vi) preservatives; and (vii) only those flavors, extracts, or essences derived from a spice or fruit. "Bottled water" includes water that is delivered to the buyer in a reusable container that is not sold with the water.

(b) "Dietary supplement" means any product, other than tobacco, intended to supplement the diet that:

(i) Contains one or more of the following dietary ingredients:

(A) A vitamin;

(B) A mineral;

(C) An herb or other botanical;

(D) An amino acid;

(E) A dietary substance for use by humans to supplement the diet by increasing the total dietary intake; or

(F) A concentrate, metabolite, constituent, extract, or combination of any ingredient described in this subsection;

(ii) Is intended for ingestion in tablet, capsule, powder, softgel, gelcap, or liquid form, or if not intended for ingestion in such form, is not represented as conventional food and is not represented for use as a sole item of a meal or of the diet; and

(iii) Is required to be labeled as a dietary supplement, identifiable by the "supplement facts" box found on the label as required pursuant to 21 C.F.R. Sec. 101.36, as amended or renumbered as of January 1, 2003.

(c)(i) "Prepared food" means:

(A) Food sold in a heated state or heated by the seller;

(B) Food sold with eating utensils provided by the seller, including plates, knives, forks, spoons, glasses, cups, napkins, or straws. A plate does not include a container or packaging used to transport the food; or

(C) Two or more food ingredients mixed or combined by the seller for sale as a single item, except:

(I) Food that is only cut, repackaged, or pasteurized by the seller; or

(II) Raw eggs, fish, meat, poultry, and foods containing these raw animal foods requiring cooking by the consumer as recommended by the federal food and drug administration in chapter 3, part 401.11 of The Food Code, published by the food and drug administration, as amended or renumbered as of January 1, 2003, so as to prevent foodborne illness.

(ii) Food is "sold with eating utensils provided by the seller" if:

(A) The seller's customary practice for that item is to physically deliver or hand a utensil to the customer with the food or food ingredient as part of the sales transaction. If the food or food ingredient is prepackaged with a utensil, the seller is considered to have physically delivered a utensil to the customer unless the food and utensil are prepackaged together by a food manufacturer classified under sector 311 of the North American industry classification system (NAICS);

(B) A plate, glass, cup, or bowl is necessary to receive the food or food ingredient, and the seller makes those utensils available to its customers; or

(C)(I) The seller makes utensils available to its customers, and the seller has more than seventy-five percent prepared food sales. For purposes of this subsection (2)(c)(ii)(C), a seller has more than seventy-five percent prepared food sales if the seller's gross retail sales of prepared food under (c)(i)(A), (c)(i)(C), and (c)(ii)(B) of this subsection equal more than seventy-five percent of the seller's gross retail sales of all food and food ingredients, including prepared food, soft drinks, and dietary supplements.

(II) However, even if a seller has more than seventy-five percent prepared food sales, four servings or more of food or
food ingredients packaged for sale as a single item and sold for a single price are not "sold with utensils provided by the seller" unless the seller's customary practice for the package is to physically hand or otherwise deliver a utensil to the customer as part of the sales transaction. Whenever available, the number of servings included in a package of food or food ingredients must be determined based on the manufacturer's product label. If no label is available, the seller must reasonably determine the number of servings.

(III) The seller must determine a single prepared food sales percentage annually for all the seller's establishments in the state based on the prior year of sales. The seller may elect to determine its prepared food sales percentage based either on the prior calendar year or on the prior fiscal year. A seller may not change its elected method for determining its prepared food percentage without the written consent of the department. The seller must determine its annual prepared food sales percentage as soon as possible after accounting records are available, but in no event later than ninety days after the beginning of the seller's calendar or fiscal year. A seller may make a good faith estimate of its first annual prepared food sales percentage if the seller's records for the prior year are not sufficient to allow the seller to calculate the prepared food sales percentage. The seller must adjust its good faith estimate prospectively if its relative sales of prepared foods in the first ninety days of operation materially depart from the seller's estimate.

(iii) "Prepared food" does not include the following items, if sold without eating utensils provided by the seller:

(A) Food sold by a seller whose proper primary NAICS classification is manufacturing in sector 311, except subsector 3118 (bakeries), as provided in the "North American industry classification system—United States, 2002";

(B) Food sold in an unheated state by weight or volume as a single item; or

(C) Bakery items. The term "bakery items" includes bread, rolls, buns, biscuits, bagels, croissants, pastries, donuts, Danish, cakes, tortes, pies, tarts, muffins, bars, cookies, or tortillas.

(d) "Soft drinks" means nonalcoholic beverages that contain natural or artificial sweeteners. Soft drinks do not include beverages that contain: Milk or milk products; soy, rice, or similar milk substitutes; or greater than fifty percent of vegetable or fruit juice by volume.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section applies to food and food ingredients that are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the older Americans act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) That are provided to senior citizens, individuals with disabilities, or low-income persons by a ((not-for-profit)) nonprofit organization organized under chapter ((24.03)) 24.-(the new chapter created in section 6101 of this act) or 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" means a facility:

(i) That meets the definition of a qualified low-income housing project under 26 U.S.C. Sec. 42 of the federal internal revenue code, as existing on August 1, 2009;

(ii) That has been partially funded under 42 U.S.C. Sec. 1485; and

(iii) For which the lessor or operator has at any time been entitled to claim a federal income tax credit under 26 U.S.C. Sec. 42 of the federal internal revenue code.

(4)(a) Subsection (1) of this section notwithstanding, the retail sale of food and food ingredients is subject to sales tax under RCW 82.08.020 if the food and food ingredients are sold through a vending machine. Except as provided in
(b) of this subsection, the selling price of food and food ingredients sold through a vending machine for purposes of RCW 82.08.020 is fifty-seven percent of the gross receipts.

(b) For soft drinks, bottled water, and hot prepared food and food ingredients, other than food and food ingredients which are heated after they have been dispensed from the vending machine, the selling price is the total gross receipts of such sales divided by the sum of one plus the sales tax rate expressed as a decimal.

(c) For tax collected under this subsection (4), the requirements that the tax be collected from the buyer and that the amount of tax be stated as a separate item are waived.

Sec. 5250. RCW 82.12.0293 and 2017 3rd sp.s. c 28 s 102 are each amended to read as follows:

(1) The provisions of this chapter do not apply in respect to the use of food and food ingredients for human consumption. "Food and food ingredients" has the same meaning as in RCW 82.08.0293.

(2) The exemption of "food and food ingredients" provided for in subsection (1) of this section does not apply to prepared food, soft drinks, bottled water, or dietary supplements. "Prepared food," "soft drinks," "bottled water," and "dietary supplements" have the same meanings as in RCW 82.08.0293.

(3) Notwithstanding anything in this section to the contrary, the exemption of "food and food ingredients" provided in this section applies to food and food ingredients which are furnished, prepared, or served as meals:

(a) Under a state administered nutrition program for the aged as provided for in the Older Americans Act (P.L. 95-478 Title III) and RCW 74.38.040(6);

(b) Which are provided to senior citizens, individuals with disabilities, or low-income persons by a nonprofit organization organized under chapter 24.12 RCW; or

(c) That are provided to residents, sixty-two years of age or older, of a qualified low-income senior housing facility by the lessor or operator of the facility. The sale of a meal that is billed to both spouses of a marital community or both domestic partners of a domestic partnership meets the age requirement in this subsection (3)(c) if at least one of the spouses or domestic partners is at least sixty-two years of age. For purposes of this subsection, "qualified low-income senior housing facility" has the same meaning as in RCW 82.08.0293.

Sec. 5251. RCW 88.46.065 and 1994 sp.s. c 9 s 853 are each amended to read as follows:

A nonprofit corporation established for the sole purpose of providing contingency plan coverage for any vessel in compliance with RCW 88.46.060 is entitled to liability protection as provided in this section. Obligations incurred by the corporation and any other liabilities or claims against the corporation may be enforced only against the assets of the corporation, and no liability for the debts or actions of the corporation exists against a director, officer, member, employee, incident commander, agent, contractor, or subcontractor of the corporation in his or her individual or representative capacity. Except as otherwise provided in this chapter, neither the directors, officers, members, employees, incident commanders, or agents of the corporation, nor the business entities by whom they are regularly employed may be held individually responsible for discretionary decisions, errors in judgment, mistakes, or other acts, either of commission or omission, that are directly related to the operation or implementation of contingency plans, other than for acts of gross negligence or willful or wanton misconduct. The corporation may insure and defend and indemnify the directors, officers, members, employees, incident commanders, and agents to the extent permitted by chapters 23B.08 and 24.-- (the new chapter created in section 6101 of this act) RCW. This section does not alter or limit the responsibility or liability of any person for the operation of a motor vehicle.

Sec. 5252. RCW 89.08.405 and 2015 c 88 s 1 are each amended to read as follows:

(1) Any county legislative authority may approve by resolution revenues to a conservation district by fixing rates and charges. The county legislative
authority may provide for this system of rates and charges as an alternative to, but not in addition to, a special assessment provided by RCW 89.08.400. In fixing rates and charges, the county legislative authority may in its discretion consider the information proposed to the county legislative authority by a conservation district consistent with this section.

(2) A conservation district, in proposing a system of rates and charges, may consider:

(a) Services furnished, to be furnished, or available to the landowner;

(b) Benefits received, to be received, or available to the property;

(c) The character and use of land;

(d) The ((nonprofit)) public benefit nonprofit corporation status, as defined in ((RCW 24.03.490)) section 1701 of this act, of the land user;

(e) The income level of persons served or provided benefits under this chapter, including senior citizens and disabled persons; or

(f) Any other matters that present a reasonable difference as a ground for distinction, including the natural resource needs within the district and the capacity of the district to provide either services or improvements, or both.

(3)(a) The system of rates and charges may include an annual per acre amount, an annual per parcel amount, or an annual per parcel amount plus an annual per acre amount. If included in the system of rates and charges, the maximum annual per acre rate or charge shall not exceed ten cents per acre. The maximum annual per parcel rate shall not exceed five dollars, except that for counties with a population of over four hundred eighty thousand persons, the maximum annual per parcel rate shall not exceed ten dollars, and for counties with a population of over one million five hundred thousand persons, the maximum annual per parcel rate shall not exceed fifteen dollars.

(b) Public land, including lands owned or held by the state, shall be subject to rates and charges to the same extent as privately owned lands. The procedures provided in chapter 79.44 RCW shall be followed if lands owned or held by the state are subject to the rates and charges of a conservation district.

(c) Forestlands used solely for the planting, growing, or harvesting of trees may be subject to rates and charges if such lands are served by the activities of the conservation district. However, if the system of rates and charges includes an annual per acre amount or an annual per parcel amount plus an annual per acre amount, the per acre rate or charge on such forestlands shall not exceed one-tenth of the weighted average per acre rate or charge on all other lands within the conservation district that are subject to rates and charges. The calculation of the weighted average per acre shall be a ratio calculated as follows: (i) The numerator shall be the total amount of money estimated to be derived from the per acre special rates and charges on the nonforestlands in the conservation district; and (ii) the denominator shall be the total number of nonforestland acres in the conservation district that are served by the activities of the conservation district and that are subject to the rates or charges of the conservation district. No more than ten thousand acres of such forestlands that is both owned by the same person or entity and is located in the same conservation district may be subject to the rates and charges that are imposed for that conservation district in any year. Per parcel charges shall not be imposed on forestland parcels. However, in lieu of a per parcel charge, a charge of up to three dollars per forestland owner may be imposed on each owner of forestlands whose forestlands are subject to a per acre rate or charge.

(4) The consideration, development, adoption, and implementation of a system of rates and charges shall follow the same public notice and hearing process and be subject to the same procedure and authority of RCW 89.08.400(2).

(5)(a) Following the adoption of a system of rates and charges, the conservation district board of supervisors shall establish by resolution a process providing for landowner appeals of the individual rates and charges as applicable to a parcel or parcels.

(b) Any appeal must be filed by the landowner with the conservation district no later than twenty-one days after the date property taxes are due. The decision of the board of supervisors regarding any appeal shall be final and conclusive.
(c) Any appeal of the decision of the board shall be to the superior court of the county in which the district is located, and served and filed within twenty-one days of the date of the board's written decision.

(6) A conservation district shall prepare a roll that implements the system of rates and charges approved by the county legislative authority. The rates and charges from the roll shall be spread by the county assessor as a separate item on the tax rolls and shall be collected and accounted for with property taxes by the county treasurer. The amount of the rates and charges shall constitute a lien against the land that shall be subject to the same conditions as a tax lien, and collected by the treasurer in the same manner as delinquent real property taxes, and subject to the same interest and penalty as for delinquent property taxes. The county treasurer shall deduct an amount from the collected rates and charges, as established by the county legislative authority, to cover the costs incurred by the county assessor and county treasurer in spreading and collecting the rates and charges, but not to exceed the actual costs of such work. All remaining funds collected under this section shall be transferred to the conservation district and used by the conservation district in accordance with this section.

(7) The rates and charges for a conservation district shall not be spread on the tax rolls and shall not be allocated with property tax collections in the following year if, after the system of rates and charges has been approved by the county legislative authority but before the fifteenth day of December in that year, a petition has been filed with the county legislative authority objecting to the imposition of such rates and charges, which petition has been signed by at least twenty percent of the owners of land that would be subject to the rate or charge to be imposed for a conservation district.

ESSB 5122 Prime Sponsor, Committee on Human Services, Reentry & Rehabilitation: Concerning the jurisdiction of juvenile court. Reported by Committee on Children, Youth & Families

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the goal of the juvenile justice system should be to protect public safety, connect youth with age-appropriate services that reduce the risk of recidivism, and provide meaningful rehabilitation so all youth can have the opportunity for success in life. The legislature declares that responses to problematic behaviors of youth should be guided by evidence-based practices and that policy changes to the system should be strongly rooted in eliminating racial inequities."
The legislature recognizes that a scientific consensus has developed that demonstrates that youth continue to develop neurologically until age 26. The legislature finds that youth ages eight through 12 are less capable of making fully informed decisions and youth ages 18 and 19 are particularly susceptible to outside factors influencing their decision making.

The legislature recognizes that on January 18, 2021, the Washington state board of health released a review regarding the health impacts of raising the age of the juvenile court's jurisdiction to likely decrease the juvenile criminal legal system's involvement for some youth ages eight through 12 and to likely decrease the adult criminal legal system's involvement for some emerging adults ages 18 and 19. The board further found very strong evidence that this would decrease juvenile recidivism and improve health outcomes, access to employment opportunities, housing access, and economic stability.

The legislature intends to amend jurisdiction of juvenile court to include youth ages 13 through 19, with certain exceptions, and consider expanding juvenile court jurisdiction to include individuals over age 19. The legislature recognizes the important role that local governments play in ensuring access to justice in the juvenile court system. The legislature recognizes that amended jurisdiction in juvenile court may increase expenses for juvenile court systems despite significant offset savings in the adult system through reduced adult caseloads. The legislature intends to partner with local governments, courts, and other stakeholders to ensure successful expansion of juvenile court jurisdiction. The legislature therefore resolves to convene the raise the age juvenile justice task force to examine and plan for implementation of expanded juvenile court jurisdiction.

NEW SECTION. Sec. 2. A new section is added to chapter 43.216 RCW to read as follows:

(1) The raise the age juvenile justice task force is established, with members as provided in this subsection.

(a) The president of the senate shall appoint one member from each of the two largest caucuses of the senate.

(b) The speaker of the house of representatives shall appoint one member from each of the two largest caucuses of the house of representatives.

(c) The president of the senate and the speaker of the house of representatives jointly shall appoint one member as follows unless specified representing the:

(i) Juvenile rehabilitation administration;

(ii) Department of corrections;

(iv) Office of public defense;

(v) Washington association of prosecuting attorneys;

(vi) District and municipal court judges' association;

(a) Implementation of juvenile jurisdiction expansion to encompass persons 18 years old and 19 years old; and

(b) Expansion of juvenile court jurisdiction to include ages above 19 years of age.

(5) On or before December 1, 2022, the task force shall report to the governor and appropriate committees of the legislature on the status and plan for the expansion, including necessary funding, essential personnel and programmatic resources, measures necessary to avoid a negative impact on the state's child protection response, and specific milestones related to operations and policy, including:

(a) A timeline for structural and systemic changes within the juvenile justice system for the juvenile rehabilitation division, the department of children, youth, and families, the department of corrections, and the juvenile court pursuant to chapter 13.04 RCW;

(b) An operations and business plan that defines benchmarks, including possible changes to resource allocations;

Except as provided in (b) of this subsection, nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(b) Nonlegislative members of the task force who demonstrate financial hardship must be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060, as well as other expenses as needed for each day a nonlegislative task force member attends a task force meeting to provide consultative assistance.

(7) The expenses of the task force must be paid jointly by the senate and the house of representatives. Task force expenditures are subject to approval by the senate facilities and operations committee and the house of representatives executive rules committee, or their successor committees.

(8) The task force must hold at least one meeting a month. The task force may form work groups and may consult experts in fields that will inform and assist the work of the task force.
(9) This section expires January 1, 2023.

Sec. 3. RCW 9A.04.050 and 2011 c 336 s 347 are each amended to read as follows:

Children under the age of ((eight)) 13 years are incapable of committing crime. Children of eight ((and under)) through twelve years of age who are charged with murder in the first or second degree are presumed to be incapable of committing crime, but this presumption may be ((removed by proof)) rebutted by clear and convincing evidence that they have sufficient capacity to understand the act or neglect, and to know that it was wrong. Whenever in legal proceedings it becomes necessary to determine the age of a child, he or she may be produced for inspection, to enable the court or jury to determine the age thereby; and the court may also direct his or her examination by one or more physicians, whose opinion shall be competent evidence upon the question of his or her age.

Sec. 4. RCW 13.40.590 and 2002 c 237 s 10 are each amended to read as follows:

(1) The administrative office of the courts shall encourage the juvenile courts to work with cities and counties to implement, expand, or use youth court programs for juveniles who commit diversion-eligible offenses, civil, or traffic infractions. Program operations of youth court programs may be funded by government and private grants. Youth court programs are limited to those that:

(b) Target offenders age ((eight)) 13 through ((seventeen)) 17; and

(c) Emphasize the following principles:

(i) Youth must be held accountable for their problem behavior;

(ii) Youth must be educated about the impact their actions have on themselves and others including their victims, their families, and their community;

(iii) Youth must develop skills to resolve problems with their peers more effectively; and

(iv) Youth should be provided a meaningful forum to practice and enhance newly developed skills.

(2) Youth court programs under this section may be established by private nonprofit organizations and schools, upon prior approval and under the supervision of juvenile court.

E2SSB 5128 Prime Sponsor, Committee on Ways & Means: Concerning student transportation funding during a local, state, or national emergency. Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that the COVID-19 pandemic has significantly changed the delivery of education across the state, as school districts transition to remote learning environments to protect the health of students and staff. The legislature also recognizes that the role of transportation services has evolved alongside remote learning programs to help students equitably access the instructional program of basic education. As permitted by emergency proclamation, many school districts have adapted to remote learning by transporting meals, learning materials, and technology supports directly to students' homes or neighborhoods. Other school districts have used transportation resources to bring students to learning centers or other agencies where support services are provided.

This flexibility has allowed school districts to creatively use the resources at their disposal to equitably address the needs of students during an ongoing emergency.

With this act, the legislature intends to preserve this principle of flexibility for qualifying transportation services during a future local, state, or national emergency.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.160 RCW to read as follows:

(1) If a school or school district is providing full remote or partial remote instruction under the authority of RCW 28A.150.290 due to a local, state, or national emergency that causes a substantial disruption to full in-person instruction then, in addition to the transportation services allowed under this chapter, the district may use student transportation allocations to provide the following expanded services to students, regardless of whether those students would qualify as eligible students under RCW 28A.160.160:

(a) Delivery of educational services necessary to provide students with the opportunity to equitably access educational services during the period of remote instruction. Delivery of educational services include the transportation of materials, hardware, and other supports that assist students in accessing remote instruction, internet connectivity, or the curriculum;

(b) Delivery of meals to students;

(c) Providing for the transportation of students to and from learning centers or other public or private agencies where educational and support services are being provided to students during the period of remote instruction. "Providing for" includes the provision of payments to allow students to use public transit to access the educational and support services; and

(d) Providing for the transportation of students to and from interscholastic and extracurricular activities.

(2) Nothing in this section is intended to limit a district's ability to use transportation allocations to pay for fixed transportation costs, such as school bus maintenance and basic
administrative, regulatory, safety, or operational expenses.

(3) If a district provides expanded services under subsection (1) of this section, the district must track by a separate accounting code the expenditures incurred by the district in providing such services. This data must be included in the report required under RCW 28A.160.170(2).

Sec. 3. RCW 28A.160.160 and 2009 c 548 s 305 are each amended to read as follows:

For purposes of RCW 28A.160.150 through 28A.160.190, except where the context shall clearly indicate otherwise, the following definitions apply:

(1) "Eligible student" means any student served by the transportation program of a school district or compensated for individual transportation arrangements authorized by RCW 28A.160.030 whose route stop is outside the walk area for a student's school, except if the student to be transported is disabled under RCW 28A.155.020 and is either not ambulatory or not capable of protecting his or her own welfare while traveling to or from the school or agency where special education services are provided, in which case no mileage distance restriction applies.

(2) "Superintendent" means the superintendent of public instruction.

(3) "To and from school" means the transportation of students for the following purposes:

(a) Transportation to and from route stops and schools;

(b) Transportation to and from schools pursuant to an interdistrict agreement pursuant to RCW 28A.335.160;

(c) Transportation of students between schools and learning centers for instruction specifically required by statute; ((and))

(d) Transportation of students with disabilities to and from schools and agencies for special education services; and

(e) Transportation of students to and from interscholastic and extracurricular activities under section 2 of this act.

Academic extended day transportation for the instructional program of basic education under RCW 28A.150.220 shall be considered part of transportation of students "to and from school" for the purposes of this section. Transportation for field trips may not be considered part of transportation of students "to and from school" under this section.

(4) "Transportation services" for students living within the walk area includes the coordination of walk-to-school programs, the funding of crossing guards, and matching funds for local and state transportation projects intended to mitigate hazardous walking conditions. Priority for transportation services shall be given to students in grades kindergarten through five.

(5) As used in this section, "walk area" means that area around a school with an adequate roadway configuration to provide students access to school with a walking distance of less than one mile. Mileage must be measured along the shortest roadway or maintained public walkway where hazardous conditions do not exist. The hazardous conditions must be documented by a process established in rule by the superintendent of public instruction and must include roadway, environmental, and social conditions. Each elementary school shall identify walk routes within the walk area.

Sec. 4. RCW 28A.160.170 and 2009 c 548 s 306 are each amended to read as follows:

Each district shall submit three times each year to the superintendent of public instruction during October, February, and May of each year a report containing the following:

(1)(a) The number of eligible students transported to and from school as provided for in RCW 28A.160.150, along with identification of stop locations and school locations, and (b) the number of miles driven for pupil transportation services as authorized in RCW 28A.160.150 the previous school year; and

(2) Other operational data and descriptions as required by the superintendent to determine allocation requirements for each district. The superintendent shall require that districts separate the costs of operating the program for the transportation of eligible students to and from school as defined by RCW 28A.160.160(3) ((from)), non-to-and-from-school pupil
transportation costs, and costs to provide expanded services under section 2(1) of this act in the annual financial statement. The cost, quantity, and type of all fuel purchased by school districts for use in to-and-from-school transportation shall be included in the annual financial statement.

Each district shall submit the information required in this section on a timely basis as a condition of the continuing receipt of school transportation moneys.

NEW SECTION. Sec. 5. A new section is added to chapter 28A.710 RCW to read as follows:

Section 2 of this act governs school operation and management under RCW 28A.710.040 and applies to charter schools established under this chapter.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.715 RCW to read as follows:

Section 2 of this act governs school operation and management under RCW 28A.715.020 and applies to state-tribal compact schools established under this chapter.

(IV) Is not any of the following: A physician to the patient or an employee of the physician; the owner, administrator, or employee of a health care facility, nursing home, or long-term care facility where the patient resides or receives care; or a person who receives compensation to provide care to the patient; and

(V) Provides a declaration under (a)(x)(B) of this subsection.

(b) If the health care provider seeking informed consent for proposed health care of the patient who does not have the capacity to make a health care decision shall provide a declaration, which is effective for up to six months from the date of the declaration, signed and dated under penalty of perjury pursuant to chapter 5.50 RCW, that recites facts and circumstances demonstrating that he or she is familiar with the patient and that he or she:

The health care provider or health care facility where services are rendered is immune from suit in any action, civil or criminal, or from professional or other disciplinary action when such reliance is based on a declaration provided in compliance with (a)(x)(B) of this subsection.
(i) If a person of higher priority under this section has refused to give such authorization; or

(ii) If there are two or more individuals in the same class and the decision is not unanimous among all available members of that class.

(c) Before any person authorized to provide informed consent on behalf of a patient who ((has been placed under a guardianship under RCW 11.130.265)) does not have the capacity to make a health care decision exercises that authority, the person must first determine in good faith that that patient, if ((competent)) he or she had the capacity to make the health care decision, would consent to the proposed health care. If such a determination cannot be made, the decision to consent to the proposed health care may be made only after determining that the proposed health care is in the patient's best interests. This subsection (1)(c) does not apply to informed consent provided on behalf of a patient who has not reached the age of consent required to make a particular health care decision.

(d) No rights under Washington's death with dignity act, chapter 70.245 RCW, may be exercised through a person authorized to consent to health care on behalf of a patient who ((is a minor or has been placed under a guardianship under RCW 11.130.265)) does not have the capacity to make a health care decision.

(2) Informed consent for health care, including mental health care, for a patient who is under the age of majority and who is not otherwise authorized to provide informed consent, may be obtained from a person authorized to consent on behalf of such a patient.

(v) A competent adult representing himself or herself to be a relative responsible for the health care of such minor patient or a competent adult who has signed and dated a declaration under penalty of perjury pursuant to chapter 5.50 RCW stating that the adult person is a relative responsible for the health care of the minor patient. Such declaration shall be effective for up to six months from the date of the declaration.

(b)(i) Informed consent for health care on behalf of a patient who is under the age of majority and who is not otherwise authorized to provide informed consent may be obtained from a school nurse, school counselor, or homeless student liaison when:

(A) Consent is necessary for nonemergency, outpatient, primary care services, including physical examinations, vision examinations and eyeglasses, dental examinations, hearing examinations and hearing aids, immunizations, treatments for illnesses and conditions, and routine follow-up care customarily provided by a health care provider in an outpatient setting, excluding elective surgeries;

(B) The minor patient meets the definition of a "homeless child or youth" under the federal McKinney-Vento homeless education assistance improvements act of 2001, P.L. 107-110, January 8, 2002, 115 Stat. 2005; and

(C) The minor patient is not under the supervision or control of a parent, custodian, or legal guardian, and is not in the care and custody of the department of social and health services.

(ii) A person authorized to consent to care under this subsection (2)(b) and the person's employing school or school district are not subject to administrative sanctions or civil damages resulting from the consent or nonconsent for care, any care, or payment for any care, rendered pursuant to this section. Nothing in this section prevents a health care facility or a health care
provider from seeking reimbursement from other sources for care provided to a minor patient under this subsection (2)(b).

(iii) Upon request by a health care facility or a health care provider, a person authorized to consent to care under this subsection (2)(b) must provide to the person rendering care a declaration signed and dated under penalty of perjury pursuant to chapter 5.50 RCW stating that the person is a school nurse, school counselor, or homeless student liaison and that the minor patient meets the elements under (b)(i) of this subsection. The declaration must also include written notice of the exemption from liability under (b)(ii) of this subsection.

(c) A health care provider may, but is not required to, rely on the representations or declaration of a person claiming to be a relative responsible for the care of the minor patient, under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection, if the health care provider does not have actual notice of the falsity of any of the statements made by the person claiming to be a relative responsible for the health care of the minor patient, or person claiming to be authorized to consent to the health care of the minor patient.

(d) A health care facility or a health care provider may, in its discretion, require documentation of a person's claimed status as being a relative responsible for the health care of the minor patient, under (a)(v) of this subsection, if the person claiming to be a relative responsible for the health care of the minor patient under (b) of this subsection, if the health care provider does not have actual notice of the falsity of any of the statements made by the person claiming to be a relative responsible for the health care of the minor patient, or person claiming to be authorized to consent to the health care of the minor patient.

(e) The health care provider or health care facility where services are rendered shall be immune from suit in any action, civil or criminal, or from professional or other disciplinary action when such reliance is based on a declaration signed under penalty of perjury pursuant to chapter 5.50 RCW stating that the adult person is a relative responsible for the health care of the minor patient under (a)(v) of this subsection, or a person claiming to be authorized to consent to the health care of the minor patient under (b) of this subsection.

(3) For the purposes of this section, "health care," "health care provider," and "health care facility" shall be defined as established in RCW 70.02.010.

(4) A person who knowingly provides a false declaration under this section shall be subject to criminal penalties under chapter 9A.72 RCW.

Sec. 2. RCW 7.70.050 and 2011 c 336 s 252 are each amended to read as follows:

(1) The following shall be necessary elements of proof that injury resulted from health care in a civil negligence case or arbitration involving the issue of the alleged breach of the duty to secure an informed consent by a patient or his or her representatives against a health care provider:

(a) That the health care provider failed to inform the patient of a material fact or facts relating to the treatment;

(b) That the patient consented to the treatment without being aware of or fully informed of such material fact or facts;

(c) That a reasonably prudent patient under similar circumstances would not have consented to the treatment if informed of such material fact or facts;

(d) That the treatment in question proximately caused injury to the patient.

(2) Under the provisions of this section a fact is defined as or considered to be a material fact, if a reasonably prudent person in the position of the patient or his or her representative would attach significance to it deciding whether or not to submit to the proposed treatment.

(3) Material facts under the provisions of this section which must be established by expert testimony shall be either:

(a) The nature and character of the treatment proposed and administered;

(b) The anticipated results of the treatment proposed and administered;

(c) The recognized possible alternative forms of treatment; or

(d) The recognized serious possible risks, complications, and anticipated benefits involved in the treatment administered and in the recognized possible alternative forms of treatment, including nontreatment.
If a recognized health care emergency exists and the patient \((\text{is not legally competent})\) does not have the capacity to give an informed consent and/or a person legally authorized to consent on behalf of the patient is not readily available, his or her consent to required treatment will be implied.

Sec. 3. RCW 7.70.060 and 2012 c 101 s 1 are each amended to read as follows:

(1) If a patient \((\text{while legally competent})\) who has capacity to make health a care decision, or his or her representative if he or she \((\text{is not competent})\) does not have the capacity to make a health care decision, signs a consent form which sets forth the following, the signed consent form shall constitute prima facie evidence that the patient gave his or her informed consent to the treatment administered and the patient has the burden of rebutting this by a preponderance of the evidence:

(a) A description, in language the patient could reasonably be expected to understand, of:

(i) The nature and character of the proposed treatment;

(ii) The anticipated results of the proposed treatment;

(iii) The recognized possible alternative forms of treatment; and

(iv) The recognized serious possible risks, complications, and anticipated benefits involved in the treatment and in the recognized possible alternative forms of treatment, including nontreatment;

(b) Or as an alternative, a statement that the patient elects not to be informed of the elements set forth in (a) of this subsection.

(2) If a patient \((\text{while legally competent})\) who has capacity to make a health care decision, or his or her representative if he or she \((\text{is not competent})\) does not have the capacity to make a health care decision, signs an acknowledgment of shared decision making as described in this section, such acknowledgment shall constitute prima facie evidence that the patient gave his or her informed consent to the treatment administered and the patient has the burden of rebutting this by clear and convincing evidence. An acknowledgment of shared decision making shall include:

(a) A statement that the patient, or his or her representative, and the health care provider have engaged in shared decision making as an alternative means of meeting the informed consent requirements set forth by law, accreditation standards, and other mandates;

(b) A brief description of the services that the patient and provider jointly have agreed will be furnished;

(c) A brief description of the patient decision aid or aids that have been used by the patient and provider to address the needs for (i) high-quality, up-to-date information about the condition, including risk and benefits of available options and, if appropriate, a discussion of the limits of scientific knowledge about outcomes; (ii) values clarification to help patients sort out their values and preferences; and (iii) guidance or coaching in deliberation, designed to improve the patient's involvement in the decision process;

(d) A statement that the patient or his or her representative understands: The risk or seriousness of the disease or condition to be prevented or treated; the available treatment alternatives, including nontreatment; and the risks, benefits, and uncertainties of the treatment alternatives, including nontreatment; and

(e) A statement certifying that the patient or his or her representative has had the opportunity to ask the provider questions, and to have any questions answered to the patient's satisfaction, and indicating the patient's intent to receive the identified services.

(3) As used in this section, "shared decision making" means a process in which the physician or other health care practitioner discusses with the patient or his or her representative the information specified in subsection (2) of this section with the use of a patient decision aid and the patient shares with the provider such relevant personal information as might make one treatment or side effect more or less tolerable than others.

(4)(a) As used in this section, "patient decision aid" means a written, audiovisual, or online tool that provides a balanced presentation of the condition and treatment options, benefits, and harms, including, if appropriate, a discussion of the limits of scientific
knowledge about outcomes, for any medical condition or procedure, including abortion as defined in RCW 9.02.170 and:

(i) (A) That is certified by one or more national certifying organizations recognized by the medical director of the health care authority; or

(B) That has been evaluated based on the international patient decision aid standards by an organization located in the United States or Canada and has a current overall score satisfactory to the medical director of the health care authority;

(ii) That, if a current evaluation is not available from an organization located in the United States or Canada, the medical director of the health care authority has independently assessed and certified based on the international patient decision aid standards.

(b) The health care authority may charge a fee to the certification applicant to defray the costs of the assessment and certification under this subsection.

(5) Failure to use a form or to engage in shared decision making, with or without the use of a patient decision aid, shall not be admissible as evidence of failure to obtain informed consent. There shall be no liability, civil or otherwise, resulting from a health care provider choosing either the signed consent form set forth in subsection (1)(a) of this section or the signed acknowledgment of shared decision making as set forth in subsection (2) of this section.

Sec. 4. RCW 69.50.317 and 2019 c 314 s 17 are each amended to read as follows:

(1) Any practitioner who writes the first prescription for an opioid during the course of treatment to any patient must, under professional rules, discuss the following with the patient:

(a) The risks of opioids, including risk of dependence and overdose;

(b) Pain management alternatives to opioids, including nonopioid pharmacological treatments, and nonpharmacological treatments available to the patient, at the discretion of the practitioner and based on the medical condition of the patient; and

(c) A written copy of the warning language provided by the department under RCW 43.70.765.

(2) If the patient is under eighteen years old or ((is not competent)) does not have the capacity to make a health care decision, the discussion required by subsection (1) of this section must include the patient's parent, guardian, or the person identified in RCW 7.70.065, unless otherwise provided by law.

(3) The practitioner shall document completion of the requirements in subsection (1) of this section in the patient's health care record.

(4) To fulfill the requirements of subsection (1) of this section, a practitioner may designate any individual who holds a credential issued by a disciplining authority under RCW 18.130.040 to conduct the discussion.

(5) Violation of this section constitutes unprofessional conduct under chapter 18.130 RCW.

(6) This section does not apply to:

(a) Opioid prescriptions issued for the treatment of pain associated with terminal cancer or other terminal diseases, or for palliative, hospice, or other end-of-life care of where the practitioner determines the health, well-being, or care of the patient would be compromised by the requirements of this section and documents such basis for the determination in the patient's health care record; or

(b) Administration of an opioid in an inpatient or outpatient treatment setting.

(7) This section does not apply to practitioners licensed under chapter 18.92 RCW.

(8) The department shall review this section by March 31, 2026, and report to the appropriate committees of the legislature on whether this section should be retained, repealed, or amended.

Sec. 5. RCW 70.02.220 and 2017 3rd sp.s. c 6 s 332 are each amended to read as follows:

(1) No person may disclose or be compelled to disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease, except as authorized by this section, RCW 70.02.210, or chapter 70.24 RCW.
(2) No person may disclose or be compelled to disclose information and records related to sexually transmitted diseases, except as authorized by this section, RCW 70.02.210, 70.02.205, or chapter 70.24 RCW. A person may disclose information related to sexually transmitted diseases about a patient without the patient’s authorization, to the extent a recipient needs to know the information, if the disclosure is to:

(a) The subject of the test or the subject's legal representative for health care decisions in accordance with RCW 7.70.065, with the exception of such a representative of a minor fourteen years of age or over and otherwise ((competent)) capable of making health care decisions;

(b) The state ((public)) health officer as defined in RCW 70.24.017, a local public health officer, or the centers for disease control of the United States public health service in accordance with reporting requirements for a diagnosed case of a sexually transmitted disease;

(c) A health facility or health care provider that procures, processes, distributes, or uses: (i) A human body part, tissue, or blood from a deceased person with respect to medical information regarding that person; (ii) semen, including that was provided prior to March 23, 1988, for the purpose of artificial insemination; or (iii) blood specimens;

(e) A person allowed access to the record by a court order granted after application showing good cause therefor. In assessing good cause, the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services. Upon the granting of the order, the court, in determining the extent to which any disclosure of all or any part of the record of any such test is necessary, shall impose appropriate safeguards against unauthorized disclosure. An order authorizing disclosure must: (i) Limit disclosure to those parts of the patient's record deemed essential to fulfill the objective for which the order was granted; (ii) limit disclosure to those persons whose need for information is the basis for the order; and (iii) include any other appropriate measures to keep disclosure to a minimum for the protection of the patient, the physician-patient relationship, and the treatment services;

(f) Persons who, because of their behavioral interaction with the infected individual, have been placed at risk for acquisition of a sexually transmitted disease, as provided in RCW 70.24.022, if the health officer or authorized representative believes that the exposed person was unaware that a risk of disease exposure existed and that the disclosure of the identity of the infected person is necessary;

(g) A law enforcement officer, firefighter, health care provider, health care facility staff person, department of correction's staff person, jail staff person, or other persons as defined by the board of health in rule pursuant to RCW 70.24.340((4)), who has requested a test of a person whose bodily fluids he or she has been substantially exposed to, pursuant to RCW 70.24.340((4)), if a state or local public health officer performs the test;

(h) Claims management personnel employed by or associated with an insurer, health care service contractor, health maintenance organization, self-funded health plan, state administered health care claims payer, or any other payer of health care claims where such disclosure is to be used solely for the prompt and accurate evaluation and payment of medical or related claims. Information released under this subsection must be confidential and may not be released or available to persons who are not involved in handling or determining medical claims payment; and

(i) A department of children, youth, and families worker, a child-placing agency worker, or a guardian ad litem who is responsible for making or reviewing placement or case-planning decisions or recommendations to the court regarding a child, who is less than fourteen years of age, has a sexually transmitted disease, and is in the custody of the department of children, youth, and families or a licensed child-placing agency. This information may also be received by a person responsible for providing
residential care for such a child when
the department of social and health
services, the department of children,
youth, and families, or a licensed child-
placing agency determines that it is
necessary for the provision of child care
services.

(3) No person to whom the results of a
test for a sexually transmitted disease
have been disclosed pursuant to
subsection (2) of this section may
disclose the test results to another
person except as authorized by that
subsection.

(4) The release of sexually
transmitted disease information
regarding an offender or detained person,
except as provided in subsection (2)(d)
of this section, is governed as follows:

(a) The sexually transmitted disease
status of a department of corrections
offender who has had a mandatory test
conducted pursuant to RCW 70.24.340(1),
70.24.360, or 70.24.370 must be made
available by department of corrections
health care providers and local public
health officers to the department of
corrections health care administrator or
infection control coordinator of the
facility in which the offender is housed.
The information made available to the
health care administrator or the
infection control coordinator under this
subsection (4)(a) may be used only for
disease prevention or control and for
protection of the safety and security of
the staff, offenders, and the public. The
information may be submitted to
transporting officers and receiving
facilities, including facilities that
are not under the department of
corrections' jurisdiction according to
the provisions of (d) and (e) of this
subsection.

(b) The sexually transmitted disease
status of a person detained in a jail who
has had a mandatory test conducted
pursuant to RCW 70.24.340(1),
70.24.360, or 70.24.370 must be made
available by the local public health officer to a jail
health care administrator or infection
control coordinator. The information
made available to a health care
administrator under this subsection
(4)(b) may be used only for disease
prevention or control and for protection
of the safety and security of the staff,
offenders, detainees, and the public. The
information may be submitted to
transporting officers and receiving
facilities according to the provisions of
(d) and (e) of this subsection.

(c) Information regarding the sexually
transmitted disease status of an offender
or detained person is confidential and
may be disclosed by a correctional health
care administrator or infection control
coordinator or local jail health care
administrator or infection control
coordinator only as necessary for disease
prevention or control and for protection
of the safety and security of the staff,
offenders, and the public. Unauthorized
disclosure of this information to any
person may result in disciplinary action,
in addition to the penalties prescribed
in RCW 70.24.080 or any other penalties
as may be prescribed by law.

(d) Notwithstanding the limitations on
disclosure contained in (a), (b), and (c)
of this subsection, whenever any member
of a jail staff or department of
corrections staff has been substantially
exposed to the bodily fluids of an
offender or detained person, then the
results of any tests conducted pursuant
to RCW 70.24.340(1), 70.24.360, or
70.24.370, must be immediately disclosed
to the staff person in accordance with
the Washington Administrative Code rules
governing employees' occupational
exposure to blood-borne pathogens.
Disclosure must be accompanied by
appropriate counseling for the staff
member, including information regarding
follow-up testing and treatment.
Disclosure must also include notice that
subsequent disclosure of the information
in violation of this chapter or use of
the information to harass or discriminate
against the offender or detainee may
result in disciplinary action, in
addition to the penalties prescribed in
RCW 70.24.080, and imposition of other
penalties prescribed by law.

(e) The staff member must also be
informed whether the offender or detained
person had any other communicable
disease, as defined in RCW 72.09.251(3),
when the staff person was substantially
exposed to the offender's or detainee's
bodily fluids.

(f) The test results of voluntary and
anonymous HIV testing or HIV-related
condition, as defined in RCW 70.24.017,
may not be disclosed to a staff person
except as provided in this section and
RCW 70.02.050((1)(d) and 70.24.340(((44)))). A health care
administrator or infection control
coordinator may provide the staff member
with information about how to obtain the offender's or detainee's test results under this section and RCW 70.02.050(1)(d) and 70.24.340(4).

(5) The requirements of this section do not apply to the customary methods utilized for the exchange of medical information among health care providers in order to provide health care services to the patient, nor do they apply within health care facilities where there is a need for access to confidential medical information to fulfill professional duties.

(6) Upon request of the victim, disclosure of test results under this section to victims of sexual offenses under chapter 9A.44 RCW must be made if the result is negative or positive. The county prosecuting attorney shall notify the victim of the right to such disclosure. The disclosure must be accompanied by appropriate counseling, including information regarding follow-up testing.

(7) A person, including a health care facility or health care provider, shall disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease and information and records related to sexually transmitted diseases to federal, state, or local public health authorities, to the extent the health care provider is required by law to report health care information; when needed to determine compliance with state or federal certification or registration rules or laws; or when needed to protect the public health. Any health care information obtained under this subsection is exempt from public inspection and copying pursuant to chapter 42.56 RCW.

If a labor agreement or dispatch rules apply, customary trade practices must be in accordance with the applicable agreement or rules.

(ii) Until June 30, 2021, an individual under quarantine or isolation, as defined by the department of health, as directed by a public health official during the novel coronavirus outbreak pursuant to the gubernatorial declaration of emergency of February 29, 2020, will meet the requirements of this subsection (1)(c) if the individual is able to perform, available to perform, and actively seeking work which can be performed while under quarantine or isolation.

(iii) For the purposes of this subsection, "customary trade practices" includes compliance with an electrical apprenticeship training program that includes a recognized referral system under apprenticeship program standards approved by the Washington state apprenticeship and training council;

(d) The individual has been unemployed for a waiting period of one week;
(e) The individual participates in reemployment services if the individual has been referred to reemployment services pursuant to the profiling system established by the commissioner under RCW 50.20.011, unless the commissioner determines that:

(i) The individual has completed such services; or

(ii) There is justifiable cause for the claimant's failure to participate in such services; and

(f) As to weeks which fall within an extended benefit period as defined in RCW 50.22.010, the individual meets the terms and conditions of RCW 50.22.020 with respect to benefits claimed in excess of twenty-six times the individual's weekly benefit amount.

(2) An individual's eligibility period for regular benefits shall be coincident to his or her established benefit year. An individual's eligibility period for additional or extended benefits shall be the periods prescribed elsewhere in this title for such benefits.

(3)(a) For any weeks of unemployment insurance benefits when the one week waiting period is fully paid or fully reimbursed by the federal government, subsection (1)(d) of this section is waived.

(b) For any weeks of unemployment insurance benefits when the one week waiting period is partially paid or partially reimbursed by the federal government, the department may, by rule, elect to waive subsection (1)(d) of this section.

(4) During the weeks of a public health emergency, an unemployed individual may also meet the requirements of subsection (1)(c) of this section if:

(a) The unemployed individual is able to perform, available to perform, and actively seeking suitable work which can be performed for an employer from the individual's home; and

(b) The unemployed individual or another individual residing with the unemployed individual is at higher risk of severe illness or death from the disease that is the subject of the public health emergency because the higher risk individual:

(i) Was in an age category that is defined as high risk for the disease that is the subject of the public health emergency by:

(A) The federal centers for disease control and prevention;

(B) The department of health; or

(C) The equivalent agency in the state where the individual resides; or

(ii) Has an underlying health condition, verified as required by the department by rule, that is identified as a risk factor for the disease that is the subject of the public health emergency by:

(A) The federal centers for disease control and prevention;

(B) The department of health; or

(C) The equivalent agency in the state where the individual resides.

(5)(a) During the weeks of a public health emergency, an unemployed health care worker may also meet the requirements of subsection (1)(c) of this section if the unemployed health care worker described in RCW 50.20.050(3) and 50.29.021(l)(c)(iii) is able to perform, available to perform, and actively seeking suitable work which will commence after quarantine or which can be performed for an employer from the individual's home.

(b) For purposes of this subsection, "health care worker" means an individual who worked at a health care facility as defined in RCW 9A.50.010, and was directly involved in the delivery of health services.

Sec. 3. RCW 50.20.050 and 2021 c 2 s 10 are each amended to read as follows:

(1) With respect to separations that occur on or after September 6, 2009, and for separations that occur before April 4, 2021:

(a) A claimant shall be disqualified from benefits beginning with the first day of the calendar week in which the claimant left work voluntarily without good cause and thereafter for seven calendar weeks and until the claimant obtains bona fide work in employment covered by this title and earned wages in that employment equal to seven times the claimant’s weekly benefit amount. Good cause reasons to leave work are limited to reasons listed in (b) of this subsection.
The disqualification shall continue if the work obtained is a mere sham to qualify for benefits and is not bona fide work. In determining whether work is of a bona fide nature, the commissioner shall consider factors including but not limited to the following:

(i) The duration of the work;

(ii) The extent of direction and control by the employer over the work; and

(iii) The level of skill required for the work in light of the claimant's training and experience.

(b) A claimant has good cause and is not disqualified from benefits under (a) of this subsection only under the following circumstances:

(i) The claimant has left work to accept a bona fide offer of bona fide work as described in (a) of this subsection;

(ii) The separation was necessary because of the illness or disability of the claimant or the death, illness, or disability of a member of the claimant's immediate family if:

(A) The claimant pursued all reasonable alternatives to preserve the claimant's employment status by requesting a leave of absence, by having promptly notified the employer of the reason for the absence, and by having promptly requested reemployment when again able to assume employment. These alternatives need not be pursued, however, when they would have been a futile act, including those instances when the futility of the act was a result of a recognized labor/management dispatch system; and

(B) The claimant terminated the claimant's employment status, and is not entitled to be reinstated to the same position or a comparable or similar position;

(iii) The claimant: (A) Left work to relocate for the employment of a spouse or domestic partner that is outside the existing labor market area; and (B) remained employed as long as was reasonable prior to the move;

(iv) The separation was necessary to protect the claimant or the claimant's immediate family members from domestic violence, as defined in RCW 26.50.010, or stalking, as defined in RCW 9A.46.110;

(v) The claimant's usual compensation was reduced by twenty-five percent or more;

(vi) The claimant's usual hours were reduced by twenty-five percent or more;

(vii) The claimant's worksite changed, such change caused a material increase in distance or difficulty of travel, and, after the change, the commute was greater than is customary for workers in the claimant's job classification and labor market;

(viii) The claimant's worksite safety deteriorated, the claimant reported such safety deterioration to the employer, and the employer failed to correct the hazards within a reasonable period of time;

(ix) The claimant left work because of illegal activities in the claimant's worksite, the claimant reported such activities to the employer, and the employer failed to end such activities within a reasonable period of time;

(x) The claimant's usual work was changed to work that violates the claimant's religious convictions or sincere moral beliefs; or

(xi) The claimant left work to enter an apprenticeship program approved by the Washington state apprenticeship training council. Benefits are payable beginning Sunday of the week prior to the week in which the claimant begins active participation in the apprenticeship program.

(2) With respect to separations that occur on or after April 4, 2021:

(a) A claimant shall be disqualified from benefits beginning with the first day of the calendar week in which the claimant has left work voluntarily without good cause and thereafter for seven calendar weeks and until the claimant has obtained bona fide work in employment covered by this title and earned wages in that employment equal to seven times the claimant's weekly benefit amount. Good cause reasons to leave work are limited to reasons listed in (b) of this subsection.

The disqualification shall continue if the work obtained is a mere sham to qualify for benefits and is not bona fide work. In determining whether work is of a bona fide nature, the commissioner shall consider factors including but not limited to the following:
(i) The duration of the work;

(ii) The extent of direction and control by the employer over the work; and

(iii) The level of skill required for the work in light of the claimant's training and experience.

(b) A claimant has good cause and is not disqualified from benefits under (a) of this subsection only under the following circumstances:

(i) The claimant has left work to accept a bona fide offer of bona fide work as described in (a) of this subsection;

(ii) The separation was necessary because of the illness or disability of the claimant or the death, illness, or disability of a member of the claimant's immediate family if:

(A) The claimant made reasonable efforts to preserve the claimant's employment status by requesting a leave of absence, by having promptly notified the employer of the reason for the absence, and by having promptly requested reemployment when again able to assume employment. These alternatives need not be pursued, however, when they would have been a futile act, including those instances when the futility of the act was a result of a recognized labor/management dispatch system; and

(B) The claimant terminated the claimant's employment status, and is not entitled to be reinstated to the same position or a comparable or similar position;

(iii) The claimant: (A) Left work to relocate for the employment of a spouse or domestic partner that is outside the existing labor market area; and (B) remained employed as long as was reasonable prior to the move;

(iv) The separation was necessary to protect the claimant or the claimant's immediate family members from domestic violence, as defined in RCW 26.50.010, or stalking, as defined in RCW 9A.46.110;

(v) The claimant's usual compensation was reduced by twenty-five percent or more;

(vi) The claimant's usual hours were reduced by twenty-five percent or more;

(vii) The claimant's worksite changed, such change caused a material increase in distance or difficulty of travel, and, after the change, the commute was greater than is customary for workers in the individual's job classification and labor market;

(viii) The claimant's worksite safety deteriorated, the claimant reported such safety deterioration to the employer, and the employer failed to correct the hazards within a reasonable period of time;

(ix) The claimant left work because of illegal activities in the claimant's worksite, the claimant reported such activities to the employer, and the employer failed to end such activities within a reasonable period of time;

(x) The claimant's usual work was changed to work that violates the claimant's religious convictions or sincere moral beliefs;

(xi) The claimant left work to enter an apprenticeship program approved by the Washington state apprenticeship training council. Benefits are payable beginning Sunday of the week prior to the week in which the claimant begins active participation in the apprenticeship program; or

(xii) During a public health emergency:

(A) The claimant was unable to perform the claimant's work for the employer from the claimant's home;

(B) The claimant is able to perform, available to perform, and can actively seek suitable work which can be performed for an employer from the claimant's home; and

(C) The claimant or another individual residing with the claimant is at higher risk of severe illness or death from the disease that is the subject of the public health emergency because the higher risk individual:

(I) Was in an age category that is defined as high risk for the disease that is the subject of the public health emergency by the federal centers for disease control and prevention, the department of health, or the equivalent agency in the state where the individual resides; or

(II) Has an underlying health condition, verified as required by the department by rule, that is identified as a risk factor for the disease that is the
subject of the public health emergency by the federal centers for disease control and prevention, the department of health, or the equivalent agency in the state where the individual resides.

(3) With respect to claims that occur on or after July 4, 2021, a claimant has good cause and is not disqualified from benefits under subsection (2)(a) of this section under the following circumstances, in addition to those listed under subsection (2)(b) of this section, if, during a public health emergency, the claimant worked at a health care facility as defined in RCW 9A.50.010, was directly involved in the delivery of health services, and left work for the period of quarantine consistent with the recommended guidance from the United States centers for disease control and prevention or subject to the direction of the state or local health jurisdiction because of exposure to or contracting the disease that is the subject of the declaration of the public health emergency.

(4) Notwithstanding subsection (1) of this section, a claimant who was simultaneously employed in full-time employment and part-time employment and is otherwise eligible for benefits from the loss of the full-time employment shall not be disqualified from benefits because the claimant:

(a) Voluntarily quit the part-time employment before the loss of the full-time employment; and

(b) Did not have prior knowledge that the claimant would be separated from full-time employment.

Sec. 4. RCW 50.29.021 and 2021 c 2 s 16 are each amended to read as follows:

(1)(a) An experience rating account shall be established and maintained for each employer, except employers as described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, based on existing records of the employment security department.

(b) Benefits paid to an eligible individual shall be charged to the experience rating accounts of each of such individual’s employers during the individual’s base year in the same ratio that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that base year, except as otherwise provided in this section.

(c) When the eligible individual's separating employer is a covered contribution paying base year employer, benefits paid to the eligible individual shall be charged to the experience rating account of only the individual's separating employer if the individual qualifies for benefits under:

(i) RCW 50.20.050 (1)(b)(i) or (2)(b)(i), as applicable, and became unemployed after having worked and earned wages in the bona fide work; (ee)

(ii) RCW 50.20.050 (1)(b) (v) through (x) or (2)(b) (v) through (x); or

(iii) During a public health emergency, the claimant worked at a health care facility as defined in RCW 9A.50.010, was directly involved in the delivery of health services, and was terminated from work due to entering quarantine because of exposure to or contracting the disease that is the subject of the declaration of the public health emergency.

(2) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in RCW 50.44.010, 50.44.030, and 50.50.030 who have properly elected to make payments in lieu of contributions, taxable local government employers described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

(a) Benefits paid to any individual later determined to be ineligible shall not be charged to the experience rating account of any contribution paying employer, except as provided in subsection (4) of this section.

(b) Benefits paid to an individual filing under the provisions of chapter 50.06 RCW shall not be charged to the experience rating account of any contribution paying employer only if:

(i) The individual files under RCW 50.06.020(1) after receiving crime victims' compensation for a disability resulting from a nonwork-related occurrence; or
The individual files under RCW 50.06.020(2).

Benefits paid which represent the state's share of benefits payable as extended benefits defined under RCW 50.22.010(6) shall not be charged to the experience rating account of any contribution paying employer.

In the case of individuals who requalify for benefits under RCW 50.20.050 or 50.20.060, benefits based on wage credits earned prior to the disqualifying separation shall not be charged to the experience rating account of the contribution paying employer from whom that separation took place.

Benefits paid to an individual who qualifies for benefits under RCW 50.20.050 (1)(b) (iv) or (xi) ((or)), (2)(b) (iv), (xi), or (xii), or (3), as applicable, shall not be charged to the experience rating account of any contribution paying employer.

Benefits paid that exceed the benefits that would have been paid if the weekly benefit amount for the claim had been determined as one percent of the total wages paid in the individual's base year shall not be charged to the experience rating account of any contribution paying employer. This subsection (2)(f) does not apply to the calculation of contribution rates under RCW 50.29.025 for rate year 2010 and thereafter.

Upon approval of an individual's training benefits plan submitted in accordance with RCW 50.22.155(2), an individual is considered enrolled in training, and regular benefits beginning with the week of approval shall not be charged to the experience rating account of any contribution paying employer.

Training benefits paid to an individual under RCW 50.22.155 shall not be charged to the experience rating account of any contribution paying employer.

Benefits paid during the one week waiting period when the one week waiting period is fully paid or fully reimbursed by the federal government shall not be charged to the experience rating account of any contribution paying employer.

In the event the one week waiting period is partially paid or partially reimbursed by the federal government, the department may, by rule, elect to not charge, in full or in part, benefits paid during the one week waiting period to the experience rating account of any contribution paying employer.

Benefits paid for all weeks starting with the week ending March 28, 2020, and ending with the week ending May 30, 2020, shall not be charged to the experience rating account of any contribution paying employer.

A contribution paying base year employer, except employers as provided in subsection (5) of this section, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if the benefit charges result from payment to an individual who:

Last left the employ of such employer voluntarily for reasons not attributable to the employer;

Was discharged for misconduct or gross misconduct connected with his or her work not a result of inability to meet the minimum job requirements;

Is unemployed as a result of closure or severe curtailment of operation at the employer's plant, building, worksite, or other facility. This closure must be for reasons directly attributable to a catastrophic occurrence such as fire, flood, or other natural disaster, or to the presence of any dangerous, contagious, or infectious disease that is the subject of a public health emergency at the employer's plant, building, worksite, or other facility;

Continues to be employed on a regularly scheduled permanent part-time basis by a base year employer and who at some time during the base year was concurrently employed and subsequently separated from at least one other base year employer. Benefit charge relief ceases when the employment relationship between the employer requesting relief and the claimant is terminated. This subsection does not apply to shared work employers under chapter 50.60 RCW;

Continues to be employed on a regularly scheduled permanent part-time basis by a base year employer and who qualified for two consecutive unemployment claims where wages were attributable to at least one employer who employed the individual in both base years. Benefit charge relief ceases when the employment relationship between the
employer requesting relief and the claimant is terminated. This subsection does not apply to shared work employers under chapter 50.60 RCW;

(vi) Was hired to replace an employee who is a member of the military reserves or National Guard and was called to federal active military service by the president of the United States and is subsequently laid off when that employee is reemployed by their employer upon release from active duty within the time provided for reemployment in RCW 73.16.035;

(vii) Worked for an employer for ((twenty)) 20 weeks or less, and was laid off at the end of temporary employment when that employee temporarily replaced a permanent employee receiving family or medical leave benefits under Title 50A RCW, and the layoff is due to the return of that permanent employee. This subsection (3)(a)(vii) applies to claims with an effective date on or after January 1, 2020; or

(viii) Was discharged because the individual was unable to satisfy a job prerequisite required by law or administrative rule.

(b) The employer requesting relief of charges under this subsection must request relief in writing within thirty days following mailing to the last known address of the notification of the valid initial determination of such claim, stating the date and reason for the separation or the circumstances of continued employment. The commissioner, upon investigation of the request, shall determine whether relief should be granted.

(4) When a benefit claim becomes invalid due to an amendment or adjustment of a report where the employer failed to report or inaccurately reported hours worked or remuneration paid, or both, all benefits paid will be charged to the experience rating account of the contribution paying employer or employers that originally filed the incomplete or inaccurate report or reports. An employer who reimburses the trust fund for benefits paid to workers and who fails to report or inaccurately reported hours worked or remuneration paid, or both, shall reimburse the trust fund for all benefits paid that are based on the originally filed incomplete or inaccurate report or reports.

(5) An employer's experience rating account may not be relieved of charges for a benefit payment and an employer who reimburses the trust fund for benefit payments may not be credited for a benefit payment if a benefit payment was made because the employer or employer's agent failed to respond timely or adequately to a written request of the department for information relating to the claim or claims without establishing good cause for the failure and the employer or employer's agent has a pattern of such failures. The commissioner has the authority to determine whether the employer has good cause under this subsection.

(a) For the purposes of this subsection, "adequately" means providing accurate information of sufficient quantity and quality that would allow a reasonable person to determine eligibility for benefits.

(b)(i) For the purposes of this subsection, "pattern" means a benefit payment was made because the employer or employer's agent failed to respond timely or adequately to a written request of the department for information relating to a claim or claims without establishing good cause for the failure, if the greater of the following calculations for an employer is met:

(A) At least three times in the previous two years; or

(B) Twenty percent of the total current claims against the employer.

(ii) If an employer's agent is utilized, a pattern is established based on each individual client employer that the employer's agent represents.

NEW SECTION. Sec. 5. If any part of sections 1 through 4 of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of sections 1 through 4 of this act is inoperative solely to the extent of the conflict, and the finding or determination does not affect the operation of the remainder of sections 1 through 4 of this act. Rules adopted under sections 1 through 4 of this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state or the
granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 6. A new section is added to chapter 51.32 RCW to read as follows:

(1) For health care employees who are covered under this title, there exists a prima facie presumption that any infectious or contagious diseases which are the subject of a public health emergency are occupational diseases under RCW 51.08.140 during a public health emergency.

(2) The health care employee must provide verification, as required by the department by rule, to the department or the self-insurer that the employee is in quarantine or has contracted the disease after exposure to the infectious or contagious disease that is the subject of the public health emergency.

(3) This presumption of occupational disease may be rebutted by clear and convincing evidence that:

(a) The exposure to the infectious or contagious disease which is the subject of the public health emergency occurred from other employment or nonemployment activities; or

(b) The employee was working from the employee's home or other location not under the employer's control, on leave from the employee's employment, or some combination thereof, for the period of quarantine outlined for the disease immediately prior to the employee's date of disease contraction or period of incapacity resulting from exposure to the disease which is the subject of the public health emergency.

(4)(a) RCW 51.32.090(7) does not apply to an occupational disease under this section except that no worker shall receive compensation for or during the day on which the occupational disease was contracted. For the purposes of this subsection (4), the day on which the occupational disease was contracted is whichever date occurs first of the following:

(i) The date that the worker first missed work due to symptoms of the infectious or contagious disease;

(ii) The date the worker was quarantined by a medical provider or public health official; or

(iii) The date the worker received a positive test result confirming contraction of the infectious or contagious disease.

(b) If leave or similar benefits are paid to the worker as part of a federal or state program for these employees during the public health emergency, total temporary disability benefits are not payable for the same period of time covered by this federal or state program.

(5)(a) When a determination involving the presumption established under this section is appealed to the board of industrial insurance appeals and the final decision allows the claim of benefits, the board of industrial insurance appeals shall order that all reasonable costs of the appeal, including attorneys' fees and witness fees, be paid to the worker or the worker's beneficiary by the opposing party. If the opposing party is a state fund employer or retrospective rating group, the costs and fees are paid by the employer or retrospective rating group.

(b) When a determination involving the presumption established in this section is appealed to any court and the final decision allows the claim for benefits, the court shall order that all reasonable costs of appeal, including attorneys' fees and witness fees, be paid to the worker or the worker's beneficiary by the opposing party. If the opposing party is a state fund employer or retrospective rating group, the costs and fees are paid by the employer or retrospective rating group.

(c) When reasonable costs of the appeal must be paid by the department as the opposing party in a state fund case, the costs shall be paid from the accident fund and charged to the costs of the claim.

(6) Costs of claims allowed under this section shall not affect the experience rating of employers insured by the state fund. When calculating assessments due to the department for which total claim costs are the basis, self-insured employers and self-insurance hospital groups formed under RCW 51.14.150 and 51.14.160 may deduct the cost of payments made under this section from the total of all claim costs reported.

(7) For purposes of this section:

(a) "Health care employee" means an employee of any health care facility or
other organization that provides emergency or medical services who has or likely has had direct contact with any person who has been exposed to or tested positive for any infectious or contagious diseases which are the subject of a public health emergency.

(b) "Health care facility" has the same meaning as in RCW 9A.50.010.

(c) "Public health emergency" means a declaration or order that covers the jurisdiction where the employee was working on the date of exposure concerning any dangerous, contagious, or infectious diseases, including a pandemic, and is issued as follows:

(i) The president of the United States has declared a national or regional emergency; or

(ii) The governor of Washington declared a state of emergency under RCW 43.06.010(12).

(8) The presumption in subsection (1) of this section takes effect on the day the national, regional, or state emergency is declared and continues until this declaration is revoked.

(9) The provisions of RCW 51.28.055 concerning time limits for filing claims for occupational disease apply to claims covered under this section.

Sec. 7. RCW 51.52.130 and 2007 c 490 s 4 are each amended to read as follows:

(1) If, on appeal to the superior or appellate court from the decision and order of the board, said decision and order is reversed or modified and additional relief is granted to a worker or beneficiary, or in cases where a party other than the worker or beneficiary is the appealing party and the worker's or beneficiary's right to relief is sustained, the attorneys' fees fixed by the court, for services before the court only, and the fees of medical and other witnesses and the costs shall be payable directly by the person or persons filing the appeal.

(a) In fixing the fee the court shall take into consideration the fee or fees, if any, fixed by the director and the board for such attorney's services before the department and the board. If the court finds that the fee fixed by the director or by the board is inadequate for services performed before the department or board, or if the director or the board has fixed no fee for such services, then the court shall fix a fee for the attorney's services before the department, or the board, as the case may be, in addition to the fee fixed for the services in the court.

(b) If in a worker or beneficiary appeal the decision and order of the board is reversed or modified and if the accident fund or medical aid fund is affected by the litigation, or if in an appeal by the department or employer the worker or beneficiary's right to relief is sustained, or in an appeal by a worker involving a state fund employer with twenty-five employees or less, in which the department does not appear and defend, and the board order in favor of the employer is sustained, the attorney's fee fixed by the court, for services before the court only, and the fees of medical and other witnesses and the costs shall be payable out of the administrative fund of the department.

(c) In the case where the employer or other person or persons aggrieved by the decision of the board appeal and the worker or beneficiary's right to relief is sustained, the attorneys' fees fixed by the court, for services before the court only, and the fees of medical and other witnesses and the costs shall be payable directly by the person or persons filing the appeal.

(d) In the case of self-insured employers, the attorney fees fixed by the court, for services before the court only, and the fees of medical and other witnesses and the costs shall be payable directly by the self-insured employer.

(2) In an appeal to the superior or appellate court involving the presumption established under RCW 51.32.185, the attorney's fee and costs shall be payable as set forth under RCW 51.32.185.

(3) In an appeal to the superior or appellate court involving the presumption established under section 6 of this act, the attorneys' fees and costs shall be payable as set forth under section 6 of this act.

NEW SECTION. Sec. 8. A new section is added to chapter 51.32 RCW to read as follows:

(1) Where an appealing party, other than the department or a self-insured employer, is ordered to pay attorneys' fees and costs and that party fails, refuses, or neglects to comply with the award, which has become final and is not subject to review or appeal, the director or any person entitled to compensation
under the order may institute proceedings for injunctive or other appropriate relief for enforcement of the order. These proceedings may be instituted in the superior court for the county in which the claimant resides, or, if the claimant is not then a resident of this state, in the superior court for the county in which that party may be served with process.

(2) The court shall ensure compliance to the order by proper means, enjoining compliance upon the person obligated to comply with the compensation order. The court may issue such writs and processes as are necessary to carry out its orders.

(3) A proceeding under this section does not preclude other methods of enforcement provided for in this title.

MAJORITY recommendation: Do pass as amended.

"NEW SECTION. Sec. 1. The legislature finds with roughly $4,700,000,000 in the state unemployment insurance trust fund, Washington entered the COVID-19 pandemic with one of the strongest and best-funded trust funds in the nation. During an unprecedented time, the state's unemployment insurance trust fund provided critical economic support to Washington workers and businesses through unemployment benefits and helped bolster the state's economy.

The legislature recognizes that the employment security department maintains a recession readiness team that prepares the agency to respond to economic changes, helping employers and employees plan for the future. Based on experience with past recessions, the employment security department's readiness team prepared contingency plans for a possible economic crisis. During the great recession, there were approximately 61,000 continued unemployment insurance claims in September 2008, rising to a high of approximately 173,000 claims in January of 2010, a period of 16 months. During the first three months of COVID-19, unemployment insurance claims were more than double those filed during the great recession, a time period that was seven times longer. From February 2020 to April 2020, unemployment insurance claims went from approximately 62,000 to approximately 447,000 claims. The sudden magnitude of claimants overwhelmed the system; contributing to Washingtonians waiting months for their earned benefits and facing deep economic insecurity.

The legislature finds that, despite conscientious economic emergency planning by the employment security department, claims processing issues are central problems encumbering the employment security department's ability to timely meet a suddenly increased demand for benefits. Immediate additional measures to facilitate rapid and equitable provision of unemployment benefits now, and enhanced preparation to do so in future economic downturns or emergencies, are critically important.

The legislature further finds that a federal retroactive funding model that looks back instead of preparing for potential economic shocks ahead was a major contributing factor to the challenges faced by all states during the COVID-19 pandemic in quickly paying benefits to unemployed workers. Our employment security department cannot quickly scale up for increased workloads and new programs if its administrative funding is based on funding that looks backward instead of forward.
Amid an unprecedented need for benefits and stresses on our unemployment insurance program, the legislature intends to create a pool of qualified unemployment insurance claim adjudicators, reduce claimants' need for assistance, assure transparency of claims processing performance measures, and make other system enhancements. Together, these systems enhancements will ensure quicker claim resolution and benefit payment; thus providing critical economic support during future unemployment crises.

NEW SECTION. Sec. 2. A new section is added to chapter 50.12 RCW to read as follows:

(1) The employment security department must create a training program to prepare a reserve force of skilled unemployment insurance claim adjudicators who can be available quickly when claims volume demands.

(2) The program must:
   (a) Be open to both state and other public employees and private citizens;
   (b) Be of sufficient quality that persons completing the training and any required continuing education would be ready to work as an unemployment insurance claim adjudicator within one week of commencing employment with the employment security department; and
   (c) Provide a certification of completion to participants who complete the program.

(3) The office of financial management must collaborate with the employment security department to assist the department in identifying agencies with current state employees who meet the minimum qualifications for unemployment insurance claims' adjudicator. Employees at other agencies, who meet the minimum qualifications of the unemployment insurance claims' adjudicator classification, may, upon approval of their agency, attend required training provided by the department. In designated times of high unemployment claims, current state employees who have completed required training and who are otherwise qualified may be selected to assist the department in processing unemployment insurance claims or related activities. The office of financial management may adopt rules or issue guidance to assist in the implementation of this provision.

(4) By October 1, 2021, and each year thereafter, the employment security department must provide a report to the house of representatives committee on labor and workplace standards and the senate committee on labor, commerce, and tribal affairs, or successor committees, on the number of persons with current certifications under subsection (2)(c) of this section, the number of people employed by the department and over what period of time, and the adjudicator training and hiring costs.

NEW SECTION. Sec. 3. A new section is added to chapter 50.12 RCW to read as follows:

(1) The department must designate department employees to assure that letters, alerts, and notices produced manually or by the department's unemployment insurance technology system are written in plainly understood language and tested on claimants before they are approved for use. Criteria for approval must include comprehensibility, clarity, and readability. If the messaging of any letter, alert, or notice falls short of those criteria, manual methods of producing a comprehensible version shall be considered while the department waits for their unemployment insurance technology system to incorporate required modifications.

(2) Determinations and redeterminations must clearly convey applicable statute numbers, a brief explanation of pertinent law, outline of relevant facts, reasoning, decision, and result.

(3) The department will work with an unemployment insurance advisory committee comprised of business and worker advocates to explore:
   (a) Establishing thresholds that will trigger automatic adjustments in department staffing assignments and phone agent staffing levels;
   (b) Establishing a pilot to provide a caseworker approach to the claims of a group of claimants with that casework carrying over to reemployment services;
   (c) Increasing language access, including by providing translation of notices sent to claimants as part of their unemployment insurance claims; and
   (d) Frequency of the initial and continuing training to meet the needs of section 2 of this act.
NEW SECTION. Sec. 4. A new section is added to chapter 50.12 RCW to read as follows:

The department must:

(1) Maintain an online data dashboard.

(2) Provide quarterly reports with performance metrics that include:

(a) Updates of unemployment rates;

(b) Total numbers of claims paid, amount compensated, claims denied, claims pending in adjudication, claims on which payment has been halted for review, pending appeals, appeals redetermined by the department, and appeals sent to the office of administrative hearings;

(c) Claims center phone statistics including call volume, hold times, abandoned calls, repeat calls, and all-circuits-busy messages for both claimants and employers;

(d) Ratio of staff phone agents to employers and ratio of staff phone agents to claimants;

(e) Number and dollar total of overpayments imposed and overpayment waiver approval rate; and

(f) The percentage of unemployed persons in the state receiving benefits (recipiency rate).

NEW SECTION. Sec. 5. (1) By September 1, 2021, and at least quarterly through September 1, 2022, the employment security department must provide a report to the house of representatives committee on labor and workplace standards and the senate committee on labor, commerce, and tribal affairs, or successor committees, that includes:

(a) The department's progress in implementing this act;

(b) Updates on any new federal programs or funds received by the department for unemployment compensation and administration and the use of such funds;

(c) Any software or technology issues related to claims processing, including any issues causing claim delays or inaccurate automated notifications;

(d) Updates on the department's protocols and process for protecting sensitive data; and

(e) Any other relevant unemployment issues, or information related to enhancing the unemployment insurance system, as determined by the department.

E2SSB 5227 Prime Sponsor, Committee on Ways & Means: Concerning diversity, equity, inclusion, and antiracism training and assessments at institutions of higher
education. Reported by Committee on College & Workforce Development

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that a postsecondary credential such as a degree, apprenticeship, or certificate is increasingly necessary to obtain a job that offers a good salary and advancement opportunities and that increasing the number of students in Washington who obtain such a credential is essential to the state's economic success. The legislature also recognizes that equity gaps remain among postsecondary students and that those gaps particularly impact students from historically marginalized communities.

The legislature finds that developing and maintaining a culture of belonging and support for students, faculty, and staff at institutions of higher education is essential to student success, and that faculty and staff play a key role. The legislature therefore seeks to ensure that public institutions of higher education provide faculty and staff, as well as students, with training to give them tools to address matters related to antiracism, diversity, equity, and inclusion.

The legislature further finds it necessary to regularly analyze the impact of that training on the campus community and to identify any measures needed to increase diversity, equity, and inclusion. Accordingly, the legislature intends that each public institution of higher education assess the learning, working, and living environment on campus that students, faculty, and staff experience to better understand the evolving state of diversity, equity, and inclusion.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.10 RCW to read as follows:

(1) Each institution of higher education must:

(a) Provide professional development, either existing or new, focused on diversity, equity, inclusion, and antiracism for faculty and staff. This program must be developed in partnership with the institution's administration, faculty, staff, and student leadership groups. Efforts must be made to ensure the program is developed and delivered by individuals with innate and acquired experience and expertise in the field of diversity, equity, and inclusion. The content framework for professional development must be posted on each institution's public website for parents and community members. The professional development must begin in the 2022-23 academic year;

(b) Create an evaluation for professional development participants. The evaluations must, at minimum, capture a participant's level of satisfaction with the professional development opportunity, the degree to which the learning objectives were achieved, and how the knowledge gained may be applied to their work;

(c)(i) Share completed evaluations of program participants annually with either the state board for community and technical colleges or an organization representing the presidents of the public four-year institutions of higher education, depending on the institution; and (ii) submit curriculum and other pertinent information regarding the program beginning July 1, 2023, and, subsequently, if there is a meaningful change or by request of the reporting entity.

(2) The purpose of each professional development program curriculum must be rooted in eliminating structural racism against all races and promoting diversity, equity, and inclusion while improving academic, social, and health and wellness outcomes for students from historically marginalized communities. Institutions of higher education may further develop a curriculum that is reflective of the needs of the campus community.

(3)(a) Beginning with the 2022-23 academic year, every new faculty and staff member at an institution of higher education must participate in the program, regardless of whether they are a full-time or part-time employee. All faculty and staff participating in the professional development program must complete an evaluation. Other faculty and staff may participate in the professional development program as needed or required by their institution. Each institution must develop a goal of at least 80 percent of their total faculty and staff completing the professional development program every two years and report on
their goal's progress in the report established in section 5 of this act. Each institution may determine how to show progress towards their goal. Part-time faculty and staff who are employed at more than one institution of higher education are only required to complete the professional development program at one institution if they provide proof of completion to their other institution of higher education employers to receive credit for participation.

(b) Beginning with the 2024-25 academic year, 35 percent of tenured faculty and 35 percent of administrators at each institution of higher education must complete the professional development program every two years, regardless of whether they are a full-time or part-time employee.

(4) The state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education may conduct further analysis of the professional development programs through participant evaluation data, use of focus groups, or other methods to determine promising practices. The state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education must post a list of model standards and promising practices for professional development on their public websites for parents and community members.

(5) The institutions of higher education shall adopt rules as necessary or appropriate for effecting the provisions of this section, not in conflict with this chapter, and in accordance with the provisions of chapter 34.05 RCW, the administrative procedure act.

NEW SECTION. Sec. 3. A new section is added to chapter 28B.10 RCW to read as follows:

(1)(a) The institutions of higher education as defined in RCW 28B.10.016 shall each conduct a campus climate assessment to understand the current state of diversity, equity, and inclusion in the learning, working, and living environment on campus for students, faculty, and staff. The assessment shall occur, at minimum, every five years. Institutions of higher education shall use the results of the campus climate assessment to inform the professional development, established in section 2 of this act, and program, established in section 4 of this act. Institutions may use an existing campus climate assessment to meet this requirement.

(b) The state board for community and technical colleges shall develop a model campus climate assessment for the community and technical colleges that the colleges may use or modify to meet the requirements of this section.

(2) The design of an existing or new campus climate assessment must involve, at minimum, students, college and university diversity officers, faculty, and staff. The campus climate assessment must include, at minimum, an evaluation of student and employee attitudes and awareness of campus diversity, equity, and inclusion issues. The campus climate assessment may also include questions evaluating the prevalence of discrimination, sexual assault, harassment, and retaliation on and off campus, in addition to student, faculty, and staff knowledge of campus policies and procedures addressing discrimination, sexual assault, harassment, and retaliation. College and university diversity officers and students must be consulted in the development of recommendations.

(3) Institutions of higher education must, at minimum, conduct annual listening and feedback sessions for diversity, equity, and inclusion for the entire campus community during periods between campus climate assessments. Institutions of higher education must, to the maximum extent practicable, compensate students for their participation in the annual listening and feedback sessions.

(4) Beginning July 1, 2022, the institutions of higher education shall report findings or progress in completing their campus climate assessment and, when applicable, information on their listening and feedback sessions annually to either the state board for community and technical colleges or an organization representing the presidents of the public four-year institutions of higher education. The institutions of higher education must also publish annually on the institution's public website the results of either the campus climate assessment or listening and feedback sessions.
(5) The state board for community and technical colleges may require colleges to repeat their campus climate assessment. An organization representing the presidents of the public four-year institutions of higher education may also request state universities, regional universities, and The Evergreen State College to repeat their campus climate assessment.

NEW SECTION. Sec. 4. A new section is added to chapter 28B.10 RCW to read as follows:

(1) Each institution of higher education must:

(a) Provide a program, either existing or new, on diversity, equity, inclusion, and antiracism to students beginning with the 2024-25 academic year. Institutions of higher education may expand the focus of its program to reflect the needs of the campus community. This program must be developed in partnership with the institution's administration, faculty, staff, and student leadership groups. Efforts should be made to ensure the program is developed and delivered by individuals with innate and acquired experience and expertise in the field of diversity, equity, and inclusion. The content framework for each program must be posted on each institution's public website for parents and community members; and

(b) Create an evaluation for program participants. The evaluation must, at minimum, capture a participant's level of satisfaction with the program and how they will apply the program to their education.

(2) The purpose of each program must be rooted in eliminating structural racism against all races and promoting diversity, equity, and inclusion while improving outcomes for students from historically marginalized communities. Institutions of higher education may further develop a curriculum that is reflective of the needs of the campus community.

(3) During the 2024-25 academic year, all degree-seeking students at institutions of higher education must participate in the program, regardless of whether they are a full-time or part-time student. Beginning with the 2025-26 academic year, the program is only required for degree-seeking students who are new or have transferred to the institution and have not yet participated in a required diversity, equity, inclusion, and antiracism program at an institution of higher education. Students must be allowed to opt out of participation in the program if they self-attest to taking a diversity, equity, inclusion, and antiracism training at an institution of higher education within the previous five years.

(4) The state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education may conduct further analysis of the programs, through participant evaluation data, use of focus groups, or other methods to determine promising practices. The state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education must post a list of model standards and promising practices for programs on their public websites for parents and community members.

(5) The institutions of higher education shall adopt rules as necessary or appropriate for effecting the provisions of this section, not in conflict with this chapter, and in accordance with the provisions of chapter 34.05 RCW, the administrative procedure act.

(6) For purposes of this section, "student" or "students" does not include nonmatriculated students.

NEW SECTION. Sec. 5. A new section is added to chapter 28B.10 RCW to read as follows:

By December 31, 2024, and biennially thereafter, the state board for community and technical colleges and an organization representing the presidents of the public four-year institutions of higher education shall each submit a report to the higher education committees of the legislature in accordance with RCW 43.01.036 for their respective institutions of higher education. The reports must include the following:

(1) Information on the professional development programs implemented by each institution of higher education, including updates on progress towards meeting the goal outlined in section 1 of this act;

(2) A summary of results of the campus climate assessments and other relevant
information received by the institutions of higher education; and

(3) By December 31, 2026, and biennially thereafter, the reports must also include information on the student diversity, equity, inclusion, and antiracism programs implemented by each institution of higher education.

NEW SECTION. Sec. 6. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state."

ESSB 5235 Prime Sponsor, Committee on Housing & Local Government: Increasing housing unit inventory by removing arbitrary limits on housing options. Reported by Committee on Local Government

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that local zoning laws can contribute to limiting the housing available for Washingtonians. The legislature finds that reducing these barriers can increase affordable housing options. The legislature finds that accessory dwelling units can be one way to add affordable long-term housing and to provide a needed increase in housing density. The legislature finds that owner-occupancy requirements may provide an appropriate mechanism to reduce short-term rental of accessory dwelling units, which has been shown to increase displacement and decrease affordability. Some accessory dwelling units, however, are removed from the market due to owner-occupancy requirements when an owner, due to a hardship, is forced to move from the primary residence. In these circumstances, these requirements may then remove a rental property from the housing stock and impose an undue hardship on an owner that wishes to retain the primary residence but who may no longer be able to comfortably and safely reside there. It is the intent of the legislature with this act to provide an exemption for owners suffering from such hardship. The legislature also intends to remove barriers and limitations on the number of unrelated occupants living together, which will provide additional affordable housing options.

Sec. 2. RCW 36.70A.696 and 2020 c 217 s 2 are each amended to read as follows:

The definitions in this section apply throughout RCW 36.70A.697 and 36.70A.698 unless the context clearly requires otherwise.

(1) "Accessory dwelling unit" means a dwelling unit located on the same lot as a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(2) "Attached accessory dwelling unit" means an accessory dwelling unit located within or attached to a single-family housing unit, duplex, triplex, townhome, or other housing unit.

(3) "City" means any city, code city, and town located in a county planning under RCW 36.70A.040.

(4) "County" means any county planning under RCW 36.70A.040.

(5) "Detached accessory dwelling unit" means an accessory dwelling unit that consists partly or entirely of a building that is separate and detached from a
single-family housing unit, duplex, triplex, townhome, or other housing unit and is on the same property.

(((5))) (6) "Dwelling unit" means a residential living unit that provides complete independent living facilities for one or more persons and that includes permanent provisions for living, sleeping, eating, cooking, and sanitation.

(((6))) (7) "Major transit stop" means:

(a) A stop on a high capacity transportation system funded or expanded under the provisions of chapter 81.104 RCW;

(b) Commuter rail stops;

(c) Stops on rail or fixed guideway systems, including transitways;

(d) Stops on bus rapid transit routes or routes that run on high occupancy vehicle lanes; or

(e) Stops for a bus or other transit mode providing actual fixed route service at intervals of at least fifteen minutes for at least five hours during the peak hours of operation on weekdays.

(8) "Nonprofit entity" means any entity that is exempt from income tax under section 501(c) of the federal internal revenue code.

(9) "Owner" means any person who has at least 50 percent ownership in a property on which an accessory dwelling unit is located.

(10) "Short-term rental" means a lodging use, that is not a hotel or motel or bed and breakfast, in which a dwelling unit, or portion thereof, is offered or provided to a guest by a short-term rental operator for a fee for fewer than 30 consecutive nights.

Sec. 4. RCW 36.70A.698 and 2020 c 217 s 4 are each amended to read as follows:

(1)(a) Except as provided in (subsection(s) (2) and (3) of this section) (b) and (c) of this subsection, through ordinances, development regulations, zoning regulations, and other official controls as required under RCW 36.70A.697 (1)(a), cities may not require the provision of off-street parking for accessory dwelling units within one-quarter mile of a major transit stop.

((((4))) (b) A city may require the provision of off-street parking for an accessory dwelling unit located within one-quarter mile of a major transit stop if the city has determined that the accessory dwelling unit is in an area with a lack of access to street parking capacity, physical space impediments, or other reasons supported by evidence that would make on-street parking infeasible for the accessory dwelling unit.

((((4))) (c) A city that has adopted or substantively amended accessory dwelling
unit regulations within the four years previous to June 11, 2020, is not subject to the requirements of this (subsection) subsection (1).

(2)(a) Through ordinances, development regulations, and other official controls adopted or amended as required under RCW 36.70A.697(2)(a), cities and counties that impose owner-occupancy requirements on lots containing accessory dwelling units must provide for a hardship exemption from any owner-occupancy requirements applicable to a housing or dwelling unit on the same lot as an accessory dwelling unit. Such an exemption must allow an owner to offer for rental for periods of 30-days or longer a dwelling unit or housing unit as if a dwelling or housing unit on the property was owner occupied, when the owner no longer occupies the primary residence due to age, illness, financial hardship due to the death of a spouse, domestic partner, or co-owner of the property, disability status, the deployment, activation, mobilization, or temporary duty, as those terms are defined in RCW 26.09.004, of a service member of the armed forces, or other such reason that would make the owner-occupancy requirement an undue hardship on the owner. A city or county shall develop and implement a process for the review of hardship applications.

(b) Any city or county that imposes an owner-occupancy requirement on lots containing accessory dwelling units and has not provided a hardship exemption from the requirement through ordinances, development regulations, or other official controls as required by (a) of this subsection within two years of the next applicable deadline for its comprehensive plan to be reviewed under RCW 36.70A.130 after July 1, 2021, may not impose or enforce an owner-occupancy requirement on any lot containing an accessory dwelling unit until such time as the city or county has adopted the required hardship exemption, except that an owner-occupancy requirement may be imposed and enforced if the owner of the lot offers an accessory dwelling unit for short-term rental within the state or if the owner of the lot owns more than three accessory dwelling units within the county.

NEW SECTION. Sec. 5. A new section is added to chapter 35.21 RCW to read as follows:

Except for occupant limits on group living arrangements regulated under state law or on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code or city ordinance, a city or town may not regulate or limit the number of unrelated persons that may occupy a household or dwelling unit.

NEW SECTION. Sec. 6. A new section is added to chapter 35A.21 RCW to read as follows:

Except for occupant limits on group living arrangements regulated under state law or on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code or city ordinance, a code city may not regulate or limit the number of unrelated persons that may occupy a household or dwelling unit.

NEW SECTION. Sec. 7. A new section is added to chapter 36.01 RCW to read as follows:

Except for occupant limits on group living arrangements regulated under state law or on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code or county ordinance, a county may not regulate or limit the number of unrelated persons that may occupy a household or dwelling unit.

(6) State agencies shall work with grant or loan recipients to facilitate state and local project review processes that will implement the projects receiving grants or loans under this section.

(7)(a) Appropriations to the growth management planning and environmental review fund established in RCW 36.70A.490 for the purpose of grants to cities to facilitate transit-oriented development may be used to pay for the costs associated with the preparation of state environmental policy act environmental impact statements, planned action ordinances, subarea plans, costs associated with the utilization of other tools under the state environmental policy act, and the costs of local code adoption and implementation of such efforts.

(b) Grant awards may only fund efforts that address environmental impacts and consequences, alternatives, and mitigation measures in sufficient detail to allow the analysis to be adopted in whole or in part by applicants for development permits within the geographic area analyzed in the plan.

(8) The department shall prioritize applications for grants to facilitate transit-oriented development that maximize the following policy objectives in the area covered by a proposal:

(1) A city planning pursuant to RCW 36.70A.040 is encouraged to take the following actions in order to increase its residential building capacity:

(a) Authorize development in one or more areas of not fewer than five hundred acres that include at least one train station served by commuter rail or light rail with an average of at least fifty residential units per acre that require no more than an average of one on-site parking space per two bedrooms in the portions of multifamily zones that are located within the areas;
(b) Authorize development in one or more areas of not fewer than two hundred acres in cities with a population greater than forty thousand or not fewer than one hundred acres in cities with a population less than forty thousand that include at least one bus stop served by scheduled bus service of at least four times per hour for twelve or more hours per day with an average of at least twenty-five residential units per acre that require no more than an average of one on-site parking space per two bedrooms in portions of the multifamily zones that are located within the areas;

(c) Authorize at least one duplex, triplex, quadplex, sixplex, stacked flat, townhouse, or courtyard apartment on each parcel in one or more zoning districts that permit single-family residences unless a city documents a specific infrastructure of physical constraint that would make this requirement unfeasible for a particular parcel;

(d) Authorize a duplex, triplex, quadplex, sixplex, stacked flat, townhouse, or courtyard apartment on one or more parcels for which they are not currently authorized;

(e) Authorize cluster zoning or lot size averaging in all zoning districts that permit single-family residences;

(f) Adopt a subarea plan pursuant to RCW 43.21C.420;

(h) Adopt increases in categorical exemptions pursuant to RCW 43.21C.229 for residential or mixed-use development;

(i) Adopt a form-based code in one or more zoning districts that permit residential uses. "Form-based code" means a land development regulation that uses physical form, rather than separation of use, as the organizing principle for the code;

(j) Authorize a duplex on each corner lot within all zoning districts that permit single-family residences;

(k) Allow for the division or redivision of land into the maximum number of lots through the short subdivision process provided in chapter 58.17 RCW;

(l) Authorize a minimum net density of six dwelling units per acre in all residential zones, where the residential development capacity will increase within the city. For purposes of this subsection, the calculation of net density does not include the square footage of areas that are otherwise prohibited from development, such as critical areas, the area of buffers around critical areas, and the area of roads and similar features;

(m) Create one or more zoning districts of medium density in which individual lots may be no larger than three thousand five hundred square feet and single-family residences may be no larger than one thousand two hundred square feet;

(n) Authorize accessory dwelling units in one or more zoning districts in which they are currently prohibited;

(o) Remove minimum residential parking requirements related to accessory dwelling units;

(p) Remove owner occupancy requirements related to accessory dwelling units;

(q) Adopt new square footage requirements related to accessory dwelling units that are less restrictive than existing square footage requirements related to accessory dwelling units;

(s) Adopt standards for administrative approval of final plats pursuant to RCW 58.17.100;

(t) Adopt ordinances authorizing administrative review of preliminary plats pursuant to RCW 58.17.095;

(u) Adopt other permit process improvements where it is demonstrated that the code, development regulation, or ordinance changes will result in a more efficient permit process for customers;

(v) Update use matrices and allowable use tables that eliminate conditional use permits and administrative conditional use permits for all housing types, including single-family homes, townhomes, multifamily housing, low-
income housing, and senior housing, but excluding essential public facilities;

(w) Allow off-street parking to compensate for lack of on-street parking when private roads are utilized or a parking demand study shows that less parking is required for the project;

(x) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to build accessory dwelling units. A city may condition this program on a requirement to provide the unit for affordable home ownership or rent the accessory dwelling unit for a defined period of time to either tenants in a housing subsidy program as defined in RCW 43.31.605(14) or to tenants whose income is less than eighty percent of the city or county median family income. If the city includes an affordability requirement under the program, it must provide additional incentives, such as:

(i) Density bonuses;
(ii) Height and bulk bonuses;
(iii) Fee waivers or exemptions;
(iv) Parking reductions; or
(v) Expedited permitting; and

(y) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to convert a single-family home into a duplex, triplex, or quadplex where those housing types are authorized. A local government may condition this program on a requirement to provide a certain number of units for affordable home ownership or to rent a certain number of the newly created units for a defined period of time to either tenants in a housing subsidy program as defined in RCW 43.31.605(14) or to tenants whose income is less than eighty percent of the city or county median family income. If the city includes an affordability requirement, it must provide additional incentives, such as:

(i) Density bonuses;
(ii) Height and bulk bonuses;
(iii) Fee waivers or exemptions;
(iv) Parking reductions; or
(v) Expedited permitting.

(2) A city planning pursuant to RCW 36.70A.040 may adopt a housing action plan as described in this subsection. The goal of any such housing plan must be to encourage construction of additional affordable and market rate housing in a greater variety of housing types and at prices that are accessible to a greater variety of incomes, including strategies aimed at the for-profit single-family home market. A housing action plan may utilize data compiled pursuant to RCW 36.70A.610. The housing action plan should:

(a) Quantify existing and projected housing needs for all income levels, including extremely low-income households, with documentation of housing and household characteristics, and cost-burdened households;

(b) Develop strategies to increase the supply of housing, and variety of housing types, needed to serve the housing needs identified in (a) of this subsection;

(c) Analyze population and employment trends, with documentation of projections;

(d) Consider strategies to minimize displacement of low-income residents resulting from redevelopment;

(e) Review and evaluate the current housing element adopted pursuant to RCW 36.70A.070, including an evaluation of success in attaining planned housing types and units, achievement of goals and policies, and implementation of the schedule of programs and actions;

(f) Provide for participation and input from community members, community groups, local builders, local realtors, nonprofit housing advocates, and local religious groups; and

(g) Include a schedule of programs and actions to implement the recommendations of the housing action plan.

(3) If adopted by April 1, 2023, ordinances, amendments to development regulations, and other nonproject actions taken by a city to implement the actions specified in subsection (1) of this section, with the exception of the action specified in subsection (1)(f) of this section, are not subject to administrative or judicial appeal under chapter 43.21C RCW.

(4) Any action taken by a city prior to April 1, 2023, to amend their comprehensive plan, or adopt or amend ordinances or development regulations, solely to enact provisions under subsection (1) of this section is not
subject to legal challenge under this chapter.

(5) In taking action under subsection (1) of this section, cities are encouraged to utilize strategies that increase residential building capacity in areas with frequent transit service and with the transportation and utility infrastructure that supports the additional residential building capacity.

(6) A city that is planning to take at least two actions under subsection (1) of this section, and that action will occur between July 28, 2019, and April 1, ((2021)) 2025, is eligible to apply to the department for planning grant assistance of up to one hundred thousand dollars, subject to the availability of funds appropriated for that purpose. The department shall develop grant criteria to ensure that grant funds awarded are proportionate to the level of effort proposed by a city, and the potential increase in housing supply or regulatory streamlining that could be achieved. Funding may be provided in advance of, and to support, adoption of policies or ordinances consistent with this section. A city can request, and the department may award, more than one hundred thousand dollars for applications that demonstrate extraordinary potential to increase housing supply or regulatory streamlining.

(7) A city seeking to develop a housing action plan under subsection (2) of this section is eligible to apply to the department for up to one hundred thousand dollars.

(8) The department shall establish grant award amounts under subsections (6) and (7) of this section based on the expected number of cities that will seek grant assistance, to ensure that all cities can receive some level of grant support. If funding capacity allows, the department may consider accepting and funding applications from cities with a population of less than twenty thousand if the actions proposed in the application will create a significant amount of housing capacity or regulatory streamlining and are consistent with the actions in this section.

(9) In implementing chapter 348, Laws of 2019, cities are encouraged to prioritize the creation of affordable, inclusive neighborhoods and to consider the risk of residential displacement, particularly in neighborhoods with communities at high risk of displacement."

ESSB 5408 Prime Sponsor, Committee on Law & Justice: Concerning the homestead exemption. Reported by Committee on Civil Rights & Judiciary

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the homestead exemption is intended to protect the homeowner's equity in a home against unsecured creditors. The legislature finds that changes to the homestead exemption are necessary to modernize the law and to address the case of Wilson v. Rigby, 909 F.3d 306 (2018) and to adopt the reasoning in In re Good, 588 B.R. 573 (Bankr. W.D. Wash. 2018).

Sec. 2. RCW 6.13.010 and 1999 c 403 s 1 are each amended to read as follows:

(1) The homestead consists of real or personal property that the owner or a dependent of the owner uses as a residence. In the case of a dwelling house or mobile home, the homestead consists of the dwelling house or the mobile home in which the owner resides or intends to reside, with appurtenant buildings, and the land on which the same are situated and by which the same are surrounded, or improved or unimproved land, regardless of area, owned with the intention of placing a house or mobile home thereon and residing thereon. A mobile home may be exempted under this chapter whether or not it is permanently affixed to the underlying land and whether or not the mobile home is placed
upon a lot owned by the mobile home owner or a dependent of the owner. Property included in the homestead must be actually intended or used as the principal home for the owner.

(2) As used in this chapter,

(a) "Owner" includes but is not limited to a purchaser under a deed of trust, mortgage, or real estate contract.

(b) "Net value" means market value less all liens and encumbrances senior to the judgment being executed upon and not including the judgment being executed upon.

c) "Forced sale" includes any sale of homestead property in a bankruptcy proceeding under Title 11 of the United States Code. The reinvestment provisions of RCW 6.13.070 do not apply to the proceeds.

d) "Dependent" has the meaning given in Title 11 U.S.C. Sec. 522(a)(1).

Sec. 3. RCW 6.13.030 and 2007 c 429 s 1 are each amended to read as follows:

(A homestead may consist of lands, as described in RCW 6.13.010, regardless of area, but the homestead exemption amount shall not exceed the lesser of (1) the total net value of the lands, manufactured homes, mobile home, improvements, and other personal property, as described in RCW 6.13.010, or (2) the sum of one hundred twenty-five thousand dollars in the case of lands, manufactured homes, mobile home, and improvements, or the sum of fifteen thousand dollars in the case of other personal property described in RCW 6.13.010, except where)) (1) The homestead exemption amount is the greater of:

(a) $125,000;

(b) The county median sale price of a single-family home in the preceding calendar year; or

c) Where the homestead is subject to execution, attachment, or seizure by or under any legal process whatever to satisfy a judgment in favor of any state for failure to pay that state's income tax on benefits received while a resident of the state of Washington from a pension or other retirement plan, (in which event there shall be) no dollar limit (on the value of the exemption)).

(2) In determining the county median sale price of a single-family home in the preceding year, a court shall use data from the Runstad department of real estate at the University of Washington or, if the Runstad department no longer provides the data, a successor entity designated by the office of financial management.

Sec. 4. RCW 6.13.060 and 2008 c 6 s 634 are each amended to read as follows:

The homestead of a spouse or domestic partner cannot be conveyed or encumbered unless the instrument by which it is conveyed or encumbered is executed and acknowledged by both spouses or both domestic partners, except that either spouse or both or either domestic partner or both jointly may make and execute powers of attorney for the conveyance or encumbrance of the homestead. The conveyance or encumbrance of the homestead does not require that any dependent of the owner who is not a spouse or domestic partner execute and acknowledge the instrument by which it is conveyed or encumbered.

Sec. 5. RCW 6.13.070 and 1987 c 442 s 207 are each amended to read as follows:

(1) Except as provided in RCW 6.13.080, the homestead is exempt from attachment and from execution or forced sale for the debts of the owner up to the amount specified in RCW 6.13.030.

(2) In a bankruptcy case, the debtor's exemption shall be determined on the date the bankruptcy petition is filed. If the value of the debtor's interest in homestead property on the petition date is less than or equal to the amount that can be exempted under RCW 6.13.030, then the debtor's entire interest in the property, including the debtor's right to possession and interests of no monetary value, is exempt. Any appreciation in the value of the debtor's exempt interest in the property during the bankruptcy case is also exempt, even if in excess of the amounts in RCW 6.13.030(1).

(3) The proceeds of the voluntary sale of the homestead in good faith for the purpose of acquiring a new homestead, and proceeds from insurance covering destruction of homestead property held for use in restoring or replacing the homestead property, up to the amount specified in RCW 6.13.030, shall likewise be exempt for one year from receipt, and also such new homestead acquired with such proceeds.
(4) Every homestead created under this chapter is presumed to be valid to the extent of all the property claimed exempt, until the validity thereof is contested in a court of general jurisdiction in the county or district in which the homestead is situated.

Sec. 6. RCW 6.13.080 and 2019 c 238 s 215 are each amended to read as follows:

The homestead exemption is not available against an execution or forced sale in satisfaction of judgments obtained:

(1) On debts secured by mechanic's, laborer's, construction, maritime, automobile repair, material supplier's, or vendor's liens arising out of and against the particular property claimed as a homestead;

(2) On debts secured:
   a. By security agreements describing as collateral the property that is claimed as a homestead; or
   b. By mortgages or deeds of trust on the premises that have been executed and acknowledged by both spouses or both domestic partners or by any claimant not married or in a state registered domestic partnership. The execution and acknowledgment of a mortgage or deed of trust by a dependent who is not a spouse or domestic partner is not required;

(3) On one spouse's or one domestic partner's or the community's debts existing at the time of that spouse's or that domestic partner's bankruptcy filing where (a) bankruptcy is filed by both spouses or both domestic partners within a six-month period, other than in a joint case or a case in which their assets are jointly administered, and (b) the other spouse or other domestic partner exempts property from property of the estate under the bankruptcy exemption provisions of 11 U.S.C. Sec. 522(d);

(4) On debts arising from a lawful court order or decree or administrative order establishing a child support obligation or obligation to pay maintenance;

(5) On debts owing to the state of Washington for recovery of medical assistance correctly paid on behalf of an individual consistent with 42 U.S.C. Sec. 1396p;

(6) On debts secured by a condominium, homeowners', or common interest community association's lien; or

(7) On debts owed for taxes collected under chapters 82.08, 82.12, and 82.14 RCW but not remitted to the department of revenue.

Sec. 7. RCW 61.24.100 and 1998 c 295 s 12 are each amended to read as follows:

(1) Except to the extent permitted in this section for deeds of trust securing commercial loans, a deficiency judgment shall not be obtained on the obligations secured by a deed of trust against any borrower, grantor, or guarantor after a trustee's sale under that deed of trust.

(2) Nothing in this chapter precludes an action against any person liable on the obligations secured by a deed of trust or any guarantor prior to a notice of trustee's sale being given pursuant to this chapter or after the discontinuance of the trustee's sale.

(b) No action under (a) of this subsection precludes the beneficiary from commencing a judicial foreclosure or trustee's sale under the deed of trust after the completion or dismissal of that action.

(3) This chapter does not preclude any one or more of the following after a trustee's sale under a deed of trust securing a commercial loan executed after June 11, 1998:

(a)(i) To the extent the fair value of the property sold at the trustee's sale to the beneficiary or an affiliate of the beneficiary is less than the unpaid obligation secured by the deed of trust immediately prior to the trustee's sale, an action for a deficiency judgment against the borrower or grantor, if such person or persons was timely given the notices under RCW 61.24.040, for (A) any decrease in the fair value of the property caused by waste to the property committed by the borrower or grantor, respectively, after the deed of trust is granted, and (B) the wrongful retention of any rents, insurance proceeds, or condemnation awards by the borrower or grantor, respectively, that are otherwise owed to the beneficiary.

(ii) This subsection (3)(a) does not apply to any property that is occupied by the borrower as its principal residence as of the date of the trustee's sale;
(b) Any judicial or nonjudicial foreclosures of any other deeds of trust, mortgages, security agreements, or other security interests or liens covering any real or personal property granted to secure the obligation that was secured by the deed of trust foreclosed; or

(c) Subject to this section, an action for a deficiency judgment against a guarantor if the guarantor is timely given the notices under RCW 61.24.042.

(4) Any action referred to in subsection (3)(a) and (c) of this section shall be commenced within one year after the date of the trustee's sale, or a later date to which the liable party otherwise agrees in writing with the beneficiary after the notice of foreclosure is given, plus any period during which the action is prohibited by a bankruptcy, insolvency, moratorium, or other similar debtor protection statute. If there occurs more than one trustee's sale under a deed of trust securing a commercial loan or if trustee's sales are made pursuant to two or more deeds of trust securing the same commercial loan, the one-year limitation in this section begins on the date of the last of those trustee's sales.

(5) In any action against a guarantor following a trustee's sale under a deed of trust securing a commercial loan, the guarantor may request the court or other appropriate adjudicator to determine, or the court or other appropriate adjudicator may in its discretion determine, the fair value of the property sold at the sale and the deficiency judgment against the guarantor shall be for an amount equal to the sum of the total amount owed to the beneficiary by the guarantor as of the date of the trustee's sale, less the fair value of the property sold at the trustee's sale or the sale price paid at the trustee's sale, whichever is greater, plus interest on the amount of the deficiency from the date of the trustee's sale at the rate provided in the guaranty, the deed of trust, or in any other contracts evidencing the debt secured by the deed of trust, as applicable, and any costs, expenses, and fees that are provided for in any contract evidencing the guarantor's liability for such a judgment. If any other security is sold to satisfy the same debt prior to the entry of a deficiency judgment against the guarantor, the fair value of that security, as calculated in the manner applicable to the property sold at the trustee's sale, shall be added to the fair value of the property sold at the trustee's sale as of the date that additional security is foreclosed. This section is in lieu of any right any guarantor would otherwise have to establish an upset price pursuant to RCW 61.12.060 prior to a trustee's sale.

(6) A guarantor granting a deed of trust to secure its guaranty of a commercial loan shall be subject to a deficiency judgment following a trustee's sale under that deed of trust only to the extent stated in subsection (3)(a)(i) of this section. If the deed of trust encumbers the guarantor's principal residence, the guarantor shall be entitled to receive an amount up to (the homestead exemption set forth in RCW 6.13.030) $125,000, without regard to the effect of RCW 6.13.080(2), from the bid at the foreclosure or trustee's sale accepted by the sheriff or trustee prior to the application of the bid to the guarantor's obligation.

(7) A beneficiary's acceptance of a deed in lieu of a trustee's sale under a deed of trust securing a commercial loan exonerates the guarantor from any liability for the debt secured thereby except to the extent the guarantor otherwise agrees as part of the deed in lieu transaction.

(8) This chapter does not preclude a beneficiary from foreclosing a deed of trust in the same manner as a real property mortgage and this section does not apply to such a foreclosure.

(9) Any contract, note, deed of trust, or guaranty may, by its express language, prohibit the recovery of any portion or all of a deficiency after the property encumbered by the deed of trust securing a commercial loan is sold at a trustee's sale.

(10) A trustee's sale under a deed of trust securing a commercial loan does not preclude an action to collect or enforce any obligation of a borrower or guarantor if that obligation, or the substantial equivalent of that obligation, was not secured by the deed of trust.

(11) Unless the guarantor otherwise agrees, a trustee's sale shall not impair any right or agreement of a guarantor to be reimbursed by a borrower or grantor for a deficiency judgment against the guarantor.
(12) Notwithstanding anything in this section to the contrary, the rights and obligations of any borrower, grantor, and guarantor following a trustee's sale under a deed of trust securing a commercial loan or any guaranty of such a loan executed prior to June 11, 1998, shall be determined in accordance with the laws existing prior to June 11, 1998."

SSB 5417 Prime Sponsor, Committee on Labor, Commerce & Tribal Affairs: Extending certain privileges granted to liquor licensees to mitigate the impact of the coronavirus pandemic. Reported by Committee on Commerce & Gaming

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The COVID-19 pandemic that arrived in Washington in 2020 led to historic economic disruptions and devastating health impacts in the state. In an effort to assist businesses and employees whose assets and livelihoods have been impacted by the strategies used to protect the public's health, the legislature finds that steps must be taken in the public interest to support the most severely impacted industries. The hospitality industry has suffered some of the most devastating impacts of any sector of the state's economy. The legislature finds that assisting this sector of the state's economy to survive and recover from the effects of the pandemic and the steps taken to combat its spread are an urgent priority that is in the best interests of the state and its residents.

NEW SECTION. Sec. 2. (1) The board must implement the provisions of this section as expeditiously as possible. Liquor licensees may conduct activities authorized under this section before completion by the board of actions the board plans to take in order to implement this act, such as adoption of rules or completion of information system changes necessary to allow licensees to apply for required endorsements. However, licensees must comply with board rules when they take effect.

(2) The following licensees may sell alcohol products at retail for curbside and takeout service or delivery or both under liquor and cannabis board licenses and endorsements: Beer and wine restaurants; spirits, beer, and wine restaurants; taverns; domestic wineries; domestic breweries and microbreweries; distilleries; snack bars; nonprofit arts licensees; and caterers.

(3) Spirits, beer, and wine restaurant licensees may sell premixed servings of spirits containing other alcohol authorized to be sold under the terms of their license or nonalcoholic mixers, or both for takeout or curbside service and for delivery. Spirits, beer, and wine restaurant licensees may also sell kits containing bottled or packaged spirits, other alcohol authorized to be sold under the terms of their license, or nonalcoholic mixers, or both for takeout or curbside service and for delivery. The board may establish by rule the manner in which alcohol products for off-premises consumption must be provided. This subsection does not authorize sale of full bottles of spirits by licensees for off-premises consumption, with the exception of mini-bottles as part of kits containing bottled or packaged spirits. Mini-bottle sales authorized under this subsection as part of kits containing bottled or packaged spirits are exempt from the spirits license issuance fee under RCW 66.24.630(4)(a) and the tax on each retail sale of spirits under RCW 82.08.150.

(4) Spirits, beer, and wine restaurant licensees may sell wine by the glass or premixed servings of wine containing other alcohol authorized to be sold under the terms of the license or nonalcoholic mixers, or both for takeout or curbside service and delivery. Beer and wine restaurant licensees may sell wine or premixed wine drinks by the glass for takeout or curbside service and for delivery. The board may establish by rule the manner in which wine by the glass for
off-premises consumption must be provided.

(5) Distillery and craft distillery licensees may sell premixed servings of spirits containing other alcohol authorized to be sold under the terms of their license or nonalcoholic mixers, or both for takeout or curbside service and for delivery. Distillery and craft distillery licensees may also sell kits containing bottled or packaged spirits, other alcohol authorized to be sold under the terms of their license or nonalcoholic mixers, or both for takeout or curbside service and for delivery. The board may establish by rule the manner in which spirits, other alcohol, and nonalcoholic mixers sold for off-premises consumption must be provided under this subsection, so long as such requirements do not increase the underlying food service obligations for distillers and craft distillers provided in chapter 66.24 RCW. This subsection does not alter the authorizations or privileges contained in chapter 66.24 RCW for distillers or craft distillers to sell full bottles of spirits for off-premises consumption.

(6) Licensees that were authorized by statute or rule before January 1, 2020, to sell growlers for on-premises consumption may sell growlers for off-premises consumption through curbside, takeout, or delivery service. Sale of growlers under this subsection must meet federal alcohol and tobacco tax and trade bureau requirements.

(7) Licensees must obtain from the board an endorsement to their license in order to conduct activities authorized under subsections (2) through (6) of this section. The board may adopt rules governing the manner in which the activities authorized under this section must be conducted. Licensees must not be charged a fee in order to obtain an endorsement required under this section.

(8) Beer and wine specialty shops licensed under RCW 66.24.371 and domestic breweries and microbreweries may sell prefilled growlers for off-premises consumption through takeout or curbside service and delivery, provided that prefilled growlers are sold the same day they are prepared for sale and not stored overnight for sale on future days.

(9) The board must adopt or revise current rules to allow for outdoor service of alcohol by on-premises licensees holding licenses issued by the board for the following license types: Beer and wine restaurants; spirits, beer, and wine restaurants; taverns; domestic wineries; domestic breweries and microbreweries; distilleries; snack bars; and private clubs licensed under RCW 66.24.450 and 66.24.452. The board may adopt requirements providing for clear accountability at locations where multiple licensees use a shared space for serving customers.

(10) Upon delivery of any alcohol product authorized to be delivered under this section, the signature of the person age 21 or over receiving the delivery must be obtained.

(11) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Board" means the liquor and cannabis board.

(b) "Growlers" means sanitary containers brought to the premises by the purchaser or furnished by the licensee and filled by the retailer at the time of sale.

(c) "Mini-bottles" means original factory-sealed containers holding not more than 50 milliliters of a spirituous beverage.

(12) This section expires July 1, 2023.

NEW SECTION. Sec. 3. A new section is added to chapter 66.08 RCW to read as follows:

The board must consider revising current rules in order to provide greater flexibility regarding food service menu requirements that businesses holding a license issued by the board under Title 66 RCW must provide in conjunction with alcohol sales. This section does not apply to licensees that were not required to provide food service under rules in effect on January 1, 2020. The purpose of this section is to ease food menu requirements to make it more feasible financially for licensees to comply with the board’s food service requirements but not replace food safety requirements in rule adopted by the department of health in chapter 246-215 WAC.

NEW SECTION. Sec. 4. (1) The liquor and cannabis board must contract with an independent entity to conduct a study of the impacts of privileges granted by this
act to businesses licensed by the board under Title 66 RCW. The study must examine relevant issues including, but not limited to, the following:

(a) Quantitative measures of impact such as liquor sales data, licensee locations, enforcement activity, hospital and other health provider visits for alcohol-related causes, underage drinking, alcohol dependence treatment, alcohol-related traffic violations, and motor vehicle crash deaths or injuries;

(b) Qualitative investigation of relevant impacts using methods such as key informant interviews and supplemental data collection with licensees, law enforcement, behavioral health service providers, youth prevention and intervention specialists, and revenue stakeholders; and

(c) Additional issues deemed relevant to the goals and results of this act.

(2) The study authorized by this section must be started by January 1, 2022. A report with findings and any recommendations must be provided to the legislature and the governor by December 1, 2022.

(3) This section expires July 1, 2023.

Sec. 5. RCW 66.24.630 and 2020 c 238 s 9 are each amended to read as follows:

(1) There is a spirits retail license to: Sell spirits in original containers to consumers for consumption off the licensed premises and to permit holders; sell spirits in original containers to retailers licensed to sell spirits for consumption on the premises, for resale at their licensed premises according to the terms of their licenses, although no single sale may exceed twenty-four liters, unless the sale is by a licensee that was a contract liquor store manager of a contract liquor store at the location of its spirits retail licensed premises from which it makes such sales; and export spirits.

(2) For the purposes of this title, a spirits retail license is a retail license, and a sale by a spirits retailer is a retail sale only if not for resale. Nothing in this title authorizes sales by on-sale licensees to other retail licensees. The board must establish by rule an obligation of on-sale spirits retailers to:

(a) Maintain a schedule by stock-keeping unit of all their purchases of spirits from spirits retail licensees, including combination spirits, beer, and wine licensees holding a license issued pursuant to RCW 66.24.035, indicating the identity of the seller and the quantities purchased; and

(b) Provide, not more frequently than quarterly, a report for each scheduled item containing the identity of the purchasing on-premises licensee and the quantities of that scheduled item purchased since any preceding report to:

(i) A distributor authorized by the distiller to distribute a scheduled item in the on-sale licensee's geographic area; or

(ii) A distiller acting as distributor of the scheduled item in the area.

(3)(a) Except as otherwise provided in (c) of this subsection, the board may issue spirits retail licenses only for premises comprising at least ten thousand square feet of fully enclosed retail space within a single structure, including storerooms and other interior auxiliary areas but excluding covered or fenced exterior areas, whether or not attached to the structure, and only to applicants that the board determines will maintain systems for inventory management, employee training, employee supervision, and physical security of the product substantially as effective as those of stores currently operated by the board with respect to preventing sales to or pilferage by underage or inebriated persons.

(b) License issuances and renewals are subject to RCW 66.24.010 and the regulations adopted thereunder, including without limitation rights of cities, towns, county legislative authorities, the public, churches, schools, and public institutions to object to or prevent issuance of local liquor licenses. However, existing grocery premises licensed to sell beer and/or wine are deemed to be premises "now licensed" under RCW 66.24.010(9)(a) for the purpose of processing applications for spirits retail licenses.

(c) The board may not deny a spirits retail license to an otherwise qualified contract liquor store at its contract location or to the holder of former state liquor store operating rights sold at auction under RCW 66.24.620 on the grounds of location, nature, or size of the premises to be licensed. The board
may not deny a spirits retail license to applicants that are not contract liquor stores or operating rights holders on the grounds of the size of the premises to be licensed, if such applicant is otherwise qualified and the board determines that:

(i) There is no spirits retail license holder in the trade area that the applicant proposes to serve;

(ii) The applicant meets, or upon licensure will meet, the operational requirements established by the board by rule; and

(iii) The licensee has not committed more than one public safety violation within the three years preceding application.

(d) A retailer authorized to sell spirits for consumption on or off the licensed premises may accept delivery of spirits at its licensed premises, at another licensed premises as designated by the retailer, or at one or more warehouse facilities registered with the board, which facilities may also warehouse and distribute nonliquor items, and from which the retailer may deliver to its own licensed premises and, pursuant to sales permitted under subsection (1) of this section:

(i) To other retailer premises licensed to sell spirits for consumption on the licensed premises;

(ii) To other registered facilities;

or

(iii) To lawful purchasers outside the state. The facilities may be registered and utilized by associations, cooperatives, or comparable groups of retailers, including at least one retailer licensed to sell spirits.

(e) For purposes of negotiating volume discounts, a group of individual retailers authorized to sell spirits for consumption off the licensed premises may accept delivery of spirits at their individual licensed premises or at any one of the individual licensee's premises, or at a warehouse facility registered with the board.

(4)(a) Except as otherwise provided in RCW 66.24.632, section 2 of this act, or in (b) of this subsection, each spirits retail licensee must pay to the board, for deposit into the liquor revolving fund, a license issuance fee equivalent to seventeen percent of all spirits sales revenues under the license, exclusive of taxes collected by the licensee and of sales of items on which a license fee payable under this section has otherwise been incurred. The board must establish rules setting forth the timing of such payments and reporting of sales dollar volume by the licensee, with payments required quarterly in arrears. The first payment is due October 1, 2012.

(b) This subsection (4) does not apply to craft distilleries for sales of spirits of the craft distillery’s own production.

(5) In addition to the payment required under subsection (4) of this section, each licensee must pay an annual license renewal fee of one hundred sixty-six dollars. The board must periodically review and adjust the renewal fee as may be required to maintain it as comparable to annual license renewal fees for licenses to sell beer and wine not for consumption on the licensed premises. If required by law at the time, any increase of the annual renewal fee becomes effective only upon ratification by the legislature.

(6) As a condition to receiving and renewing a spirits retail license the licensee must provide training as prescribed by the board by rule for individuals who sell spirits or who manage others who sell spirits regarding compliance with laws and regulations regarding sale of spirits, including without limitation the prohibitions against sale of spirits to individuals who are underage or visibly intoxicated. The training must be provided before the individual first engages in the sale of spirits and must be renewed at least every five years. The licensee must maintain records documenting the nature and frequency of the training provided. An employee training program is presumptively sufficient if it incorporates a "responsible vendor program" adopted by the board.

(7) The maximum penalties prescribed by the board in WAC 314-29-020 through 314-29-040 relating to fines and suspensions are doubled for violations relating to the sale of spirits by spirits retail licensees.

(8)(a) The board must adopt regulations concerning the adoption and administration of a compliance training program for spirits retail licensees, to be known as a "responsible vendor program," to reduce underage drinking,
encourage licensees to adopt specific best practices to prevent sales to minors, and provide licensees with an incentive to give their employees ongoing training in responsible alcohol sales and service.

(b) Licensees who join the responsible vendor program under this section and maintain all of the program's requirements are not subject to the doubling of penalties provided in this section for a single violation in any period of twelve calendar months.

(c) The responsible vendor program must be free, voluntary, and self-monitoring.

(d) To participate in the responsible vendor program, licensees must submit an application form to the board. If the application establishes that the licensee meets the qualifications to join the program, the board must send the licensee a membership certificate.

(e) A licensee participating in the responsible vendor program must at a minimum:

(i) Provide ongoing training to employees;

(ii) Accept only certain forms of identification for alcohol sales;

(iii) Adopt policies on alcohol sales and checking identification;

(iv) Post specific signs in the business; and

(v) Keep records verifying compliance with the program's requirements.

(f)(i) A spirits retail licensee that also holds a grocery store license under RCW 66.24.360 or a beer and/or wine specialty shop license under RCW 66.24.371 may, upon board approval and pursuant to board rules, transition to a combination spirits, beer, and wine license pursuant to RCW 66.24.035.

(ii) An applicant that would qualify for a spirits retail license under this section and that qualifies for a combination spirits, beer, and wine license pursuant to RCW 66.24.035 may apply for a license pursuant to RCW 66.24.035 instead of applying for a spirits retail license under this section.

Sec. 6. RCW 82.08.150 and 2012 c 2 s 106 are each amended to read as follows:

(1) There is levied and collected a tax upon each retail sale of spirits in the original package at the rate of fifteen percent of the selling price.

(2) There is levied and collected a tax upon each sale of spirits in the original package at the rate of ten percent of the selling price on sales by a spirits distributor licensee or other licensee acting as a spirits distributor pursuant to Title 66 RCW to restaurant spirits retailers.

(3) There is levied and collected an additional tax upon each sale of spirits in the original package by a spirits distributor licensee or other licensee acting as a spirits distributor pursuant to Title 66 RCW to a restaurant spirits retailer and upon each retail sale of spirits in the original package by a licensee of the board at the rate of one dollar and seventy-two cents per liter.

(4) An additional tax is imposed equal to fourteen percent multiplied by the taxes payable under subsections (1), (2), and (3) of this section.

(5) An additional tax is imposed upon each sale of spirits in the original package by a spirits distributor licensee or other licensee acting as a spirits distributor pursuant to Title 66 RCW to a restaurant spirits retailer and upon each retail sale of spirits in the original package by a licensee of the board at the rate of seven cents per liter. All revenues collected during any month from this additional tax must be deposited in the state general fund by the twenty-fifth day of the following month.

(6)(a) An additional tax is imposed upon each sale of spirits in the original package at the rate of three and four-tenths percent of the selling price.

(b) An additional tax is imposed upon each sale of spirits in the original package to a restaurant spirits retailer at the rate of two and three-tenths percent of the selling price.

(c) An additional tax is imposed upon each sale of spirits in the original package by a spirits distributor licensee or other licensee acting as a spirits distributor pursuant to Title 66 RCW to a restaurant spirits retailer and upon each retail sale of spirits in the original package by a licensee of the board at the rate of forty-one cents per liter.
(d) All revenues collected during any month from additional taxes under this subsection must be deposited in the state general fund by the twenty-fifth day of the following month.

(7)(a) An additional tax is imposed upon each retail sale of spirits in the original package at the rate of one dollar and thirty-three cents per liter.

(b) All revenues collected during any month from additional taxes under this subsection must be deposited by the twenty-fifth day of the following month into the general fund.

(8) The tax imposed in RCW 82.08.020 does not apply to sales of spirits in the original package.

(9) The taxes imposed in this section must be paid by the buyer to the seller, and each seller must collect from the buyer the full amount of the tax payable in respect to each taxable sale under this section. The taxes required by this section to be collected by the seller must be stated separately from the selling price, and for purposes of determining the tax due from the buyer to the seller, it is conclusively presumed that the selling price quoted in any price list does not include the taxes imposed by this section. Sellers must report and return all taxes imposed in this section in accordance with rules adopted by the department.

(10) ((As used in this section)) (a) Except as otherwise provided in this subsection, the terms, "spirits" and "package" have the same meaning as provided in chapter 66.04 RCW.

(b) Until July 1, 2023, for the purposes of the taxes imposed under this section, the term "spirits" does not include mini-bottles of spirits sold by a person who possesses a valid endorsement under section 2(7) of this act and is licensed as a spirits, beer, and wine restaurant under RCW 66.24.400.

(c) For the purposes of this subsection, "mini-bottles of spirits" means an original factory-sealed container holding not more than 50 milliliters of spirits.

NEW SECTION. Sec. 7. (1) This act contains a temporary tax exemption for restaurants which sell kits containing mini-bottles of spirits. This temporary tax exemption is intended to avoid administrative costs for the state which are expected to exceed the value of the tax collected during the time until the exemption expires on July 1, 2023.

(2) This act is exempt from the provisions of RCW 82.32.805 and 82.32.808.

NEW SECTION. Sec. 8. Except as provided in section 2(10) of this act, any temporary authorization or relaxation of requirements provided by the Washington state liquor and cannabis board, in effect on the effective date of this section, related to authorizing the photographing or scanning of customer identification in lieu of obtaining a physical signature to document liquor product delivery or verify the age of customers, expires at the end of the governor's proclamation of emergency related to COVID-19.

NEW SECTION. Sec. 9. Any temporary authorization or relaxation of statutory requirements provided by the Washington state liquor and cannabis board related to food requirements associated with wine and beer sampling at farmers markets expires at the end of the governor's proclamation of emergency related to COVID-19.

(d) The employing law enforcement agency may require that each person who is required to take a psychological examination and a polygraph or similar test pay a portion of the testing fee based on the actual cost of the test or four hundred dollars, whichever is less. Employing agencies may establish a payment plan if they determine that the person does not readily have the means to pay the testing fee.

(3) The commission shall certify peace officers who have satisfied, or have been exempted by statute or by rule
from the basic training requirements of RCW 43.101.200 on or before January 1, 2002. Thereafter, the commission may revoke certification pursuant to this chapter.

((4))) The commission shall allow a peace officer or corrections officer to retain status as a certified peace officer or corrections officer as long as the officer: (a) Timely meets the basic ((law enforcement)) training requirements, or is exempted therefrom, in whole or in part, under RCW 43.101.200 or under rule of the commission; (b) timely meets or is exempted from any other requirements under this chapter as administered under the rules adopted by the commission; (c) is not denied certification by the commission under this chapter; and (d) has not had certification suspended or revoked by the commission.

The peace officer or corrections officer must also consent to and facilitate a review of the officer's social media accounts, however, consistent with RCW 49.44.200, the officer is not required to provide login information. The release of information may not be delayed, limited, or precluded by any agreement or contract between the officer, or the officer's union, and the entity responsible for the records or information.

((6))) For a national criminal history records check, the commission shall require fingerprints be submitted and searched through the Washington state patrol identification and criminal history section. The Washington state patrol shall forward the fingerprints to the federal bureau of investigation.

(7) Prior to certification, the employing agency shall certify to the commission that the agency has completed the background check, no information has been found that would disqualify the applicant from certification, and the applicant is suitable for employment as a peace officer or corrections officer.

Sec. 9. RCW 43.101.105 and 2011 c 234 s 3 are each amended to read as follows:

(1) To help prevent misconduct, enhance peace officer and corrections officer accountability through the imposition of sanctions commensurate to the wrongdoing when misconduct occurs, and enhance public trust and confidence in the criminal justice system, upon request by an officer's employer or on its own initiative, the commission may deny, suspend, or revoke certification of ((any peace)), or require remedial training for, an officer((, after))) as provided in this section. being hired, the commission may revoke certification only with the agreement of the employing law enforcement agency:

(d) The peace officer has been discharged for disqualifying misconduct, the discharge is final, and some or all of the acts or omissions forming the basis for the discharge proceedings occurred on or after January 1, 2002;

This subsection (2)(d) does not apply to representations made in the course and for the purposes of an undercover investigation or other lawful law enforcement purpose; or

(e) Is prohibited from possessing weapons by state or federal law or by a permanent court order entered after a hearing.

(3) The commission may deny, suspend, or revoke certification or require remedial training of an applicant or officer if the applicant or officer:

(5) The commission shall deny certification to any applicant who lost certification as a result of a break in service of more than twenty-four (24) consecutive months if that applicant failed to comply with the requirements set forth in RCW 43.101.080((19))) (15) and 43.101.095(2).

(6) The fact that the commission has suspended an officer's certification is not, in and of itself, a bar to the employing agency's maintenance of the officer's health and retirement benefits.

(7) Any suspension or period of probation imposed by the commission shall run concurrently to any leave or discipline imposed by the employing agency for the same incident.

(8) A law enforcement agency may not terminate a peace officer based solely on imposition of suspension or probation by
the commission. This subsection does not prohibit a law enforcement agency from terminating a peace officer based on the underlying acts or omissions for which the commission took such action.

(9) Any of the misconduct listed in subsections (2) and (3) of this section is grounds for denial, suspension, or revocation of certification of a reserve officer to the same extent as applied to a peace officer, if the reserve officer is certified pursuant to RCW 43.101.095.

Sec. 10. RCW 43.101.115 and 2001 c 167 s 4 are each amended to read as follows:

(1) A person denied a certification based upon dismissal or withdrawal from a basic law enforcement academy ((for any reason not also involving discharge for disqualifying misconduct)) or basic corrections academy under RCW 43.101.105(3)(a) is eligible for readmission and certification upon meeting standards established in rules of the commission, which rules may provide for probationary terms on readmission.

(2) A person whose certification is denied or revoked based upon prior administrative error of issuance, failure to cooperate, or interference with an investigation is eligible for certification upon meeting standards established in rules of the commission, ((rules which may)) which rules shall provide for a probationary period of certification in the event of reinstatement of eligibility.

(3) A person whose certification is mandatorily denied or revoked ((based upon a felony criminal conviction)) pursuant to RCW 43.101.105(2) is not eligible for certification at any time.

(4) A ((peace officer)) person whose certification is denied or revoked ((based upon discharge for disqualifying misconduct, but not also based upon a felony criminal conviction)) for reasons other than provided in subsections (1) through (3) of this section may, five years after the revocation or denial, petition the commission for reinstatement of the certificate or for eligibility for reinstatement. The commission ((may)) may hold a hearing on the petition to consider reinstatement, and the commission may allow reinstatement based upon standards established in rules of the commission. If the certificate is reinstated or if eligibility for certification is determined, the commission ((may)) shall establish a probationary period of certification.

(5) A ((peace officer)) person whose certification is revoked based solely upon a criminal conviction may petition the commission for reinstatement immediately upon a final judicial reversal of the conviction. The commission shall hold a hearing on request to consider reinstatement, and the commission may allow reinstatement based on standards established in rules of the commission. If the certificate is reinstated or if eligibility for certification is determined, the commission ((may)) shall establish a probationary period of certification.

(6) The commission's rules and decisions regarding reinstatement shall align with its responsibilities to enhance public trust and confidence in the law enforcement profession and correctional system.

Sec. 11. RCW 43.101.135 and 2001 c 167 s 6 are each amended to read as follows:

(1)(a) Upon ((termination)) separation of a peace officer or corrections officer from an employing agency for any reason, including termination, resignation, or retirement, the agency ((of termination)) shall((, within fifteen days of the termination,)) notify the commission within 15 days of the separation date on a personnel action report form provided by the commission. ((The agency of termination shall, upon))

(b) If the employer accepts an officer's resignation or retirement in lieu of termination, the employing agency shall report the reasons and rationale in the information provided to the commission, including the findings from any internal or external investigations into alleged misconduct.

(2) In addition to those circumstances under subsection (1) of this section and whether or not disciplinary proceedings have been concluded, the employing agency shall:

(a) Notify the commission within 15 days of learning of the occurrence of any death or serious injury caused by the use of force by an officer or any time an officer has been charged with a crime. Employing agencies must have a policy requiring officers to report any pending criminal charges and any conviction,
plea, or other case disposition immediately to their agency; and 

(b) Notify the commission within 15 days of an initial disciplinary decision by an employing agency for alleged behavior or conduct by an officer that is noncriminal and may result in revocation of certification pursuant to RCW 43.101.105.

(3) To better enable the commission to act swiftly and comprehensively when misconduct has occurred that may undermine public trust and confidence in law enforcement or the correctional system, if the totality of the circumstances support a conclusion that the officer resigned or retired in anticipation of discipline, whether or not the misconduct was discovered at the time, and when such discipline, if carried forward, would more likely than not have led to discharge, or if the officer was laid off when disciplinary investigation or action was imminent or pending which could have resulted in the officer's suspension or discharge, the employing agency shall conduct and complete the investigation and provide all relevant information to the commission as if the officer were still employed by the agency.

(4) Upon request of the commission, the employing agency shall provide such additional documentation or information as the commission deems necessary to determine whether the separation or event provides grounds for suspension or revocation ((under RCW 43.101.105)).

(5) At its discretion, the commission may:

(a) Initiate decertification proceedings upon conclusion of any investigation or disciplinary proceedings initiated by the employing agency;

(b) Separately pursue action against the officer's certification under RCW 43.101.105; or

(c) Wait to proceed until any investigation, disciplinary proceedings, or appeals through the employing agency are final before taking action. Where a decertification decision requires a finding that the officer's conduct violated policy and the employing agency has begun its investigation into the underlying event, the commission shall await notification of a finding by the employing agency before beginning the decertification process.

(6) No action or failure to act by an employing agency or decision resulting from an appeal of that action precludes action by the commission to suspend or revoke an officer's certification.

(7) An employing agency may not enter into any agreement or contract with an officer, or union:

(a) Not to report conduct, delay reporting, or preclude disclosure of any relevant information, including a promise not to check the box on a commission notice that indicates the officer may have committed misconduct, in exchange for allowing an officer to resign or retire or for any other reason; or

(b) That allows the agency to destroy or remove any personnel record while the officer is employed and for 10 years thereafter. Such records must include all misconduct and equal employment opportunity complaints, progressive discipline imposed including written reprimands, supervisor coaching, suspensions, involuntary transfers, investigatory files, and other disciplinary appeals and litigation records.

(8) The commission shall maintain all information provided pursuant to this section in a permanent file((, subject to RCW 43.101.400)).

(9) In addition to disciplinary action authorized in RCW 43.101.105, the commission may impose a civil penalty not to exceed $10,000 for the failure by an officer or an employing agency to timely and accurately report information pursuant to this section.

Sec. 12. RCW 43.101.145 and 2001 c 167 s 8 are each amended to read as follows:

((A law enforcement officer or duly authorized representative of a law enforcement agency)) (1) Any individual may submit a written complaint to the commission ((charging)) stating that ((a peace)) an officer's certificate should be denied, suspended, or revoked, and specifying the grounds for the ((charge)) complaint. Filing a complaint does not make a complainant a party to the commission's action.
(2) The commission has sole discretion whether to investigate a complaint, and the commission has sole discretion whether to investigate matters relating to certification, denial of certification, or revocation of certification on any other basis, without restriction as to the source or the existence of a complaint. All complaints must be resolved with a written determination, regardless of the decision to investigate.

(3) The commission may initiate an investigation in any instance where there is a pattern of complaints or other actions that may not have resulted in a formal adjudication of wrongdoing, but when considered together demonstrate conduct that would constitute a violation of RCW 43.101.105 (2) or (3). The commission must consider the agency's policies and procedures and the officer's job duties and assignment in determining what constitutes a pattern.

(4) A person who files a complaint in good faith under this section is immune from suit or any civil action related to the filing or the contents of the complaint.

Sec. 13. RCW 43.101.155 and 2001 c 167 s 9 are each amended to read as follows:

(1) If the commission determines, upon investigation, that there is (probable) cause to believe that a peace officer's or corrections officer's certification should be denied, suspended, or revoked under RCW 43.101.105 (2) or (3). The commission must consider the agency's policies and procedures and the officer's job duties and assignment in determining what constitutes a pattern.

(2) If a hearing is requested, the officer is required to provide an email address that constitutes the officer's legal address for purposes of any subsequent communication from the commission. Unless otherwise agreed to by the mutual agreement of the parties or for good cause, within two weeks of receipt of the officer's request for a hearing, the commission shall set a date (for) the hearing, which must be (scheduled not earlier than ninety days nor later than one hundred eighty days after communication of the statement of charges to the officer; the one hundred eighty-day period may be extended on mutual agreement of the parties or for good cause) held within 90 days thereafter. (The) On the date the hearing is set, the commission shall (give) transmit electronic and written notice of the hearing ((at least twenty days prior to the hearing)) to the officer, and provide public notice on the commission website, specifying the time, date, and place of hearing.

Sec. 14. RCW 43.101.157 and 2006 c 22 s 2 are each amended to read as follows:

(1) Tribal governments may voluntarily request certification for their police officers. Tribal governments requesting certification for their police officers must enter into a written agreement with the commission. The agreement must require the tribal law enforcement agency and its officers to comply with all of the requirements for granting, denying, and revoking certification as those requirements are applied to peace officers certified under this chapter and the rules of the commission.

(2) Officers making application for certification as tribal police officers shall meet the requirements of this chapter and the rules of the commission as those requirements are applied to certification of peace officers. Application for certification as a tribal police officer shall be accepted and processed in the same manner as those for certification of peace officers.

(((3) For purposes of certification, "tribal police officer" means any person employed and commissioned by a tribal government to enforce the criminal laws of that government.)))
Sec. 15. RCW 43.101.230 and 1981 c 134 s 1 are each amended to read as follows:

((Indian tribe)) Tribal police officers and employees who are engaged in law enforcement activities and who do not qualify as "criminal justice personnel" or "law enforcement personnel" under RCW 43.101.010((, as now law or hereafter amended, may)) shall be provided training under this chapter if: (a) The tribe is recognized by the federal government, and (b) the tribe pays to the commission the full cost of providing such training. The commission shall place all money received under this section into the criminal justice training account.

Sec. 16. RCW 43.101.390 and 2001 c 167 s 11 are each amended to read as follows:

(1) The commission((, its boards,)) and individuals acting on behalf of the commission ((and its boards)) are immune from suit in any civil or criminal action contesting or based upon proceedings or other official acts performed in the course of their duties in the administration and enforcement of this chapter.

(2) Without limiting the generality of the foregoing, the commission and individuals acting on behalf of the commission are immune from suit in any civil or criminal action contesting or based upon proceedings or other official acts performed in the course of their duties in the administration and enforcement of this chapter.

Sec. 17. RCW 43.101.420 and 2009 c 19 s 1 are each amended to read as follows:

(1) The commission((, its boards,)) shall offer a training session on personal crisis recognition and crisis intervention services to criminal justice, corrections, and other public safety employees. The training shall be implemented by the commission in consultation with appropriate public and private organizations that have expertise in crisis referral services and in the underlying conditions leading to the need for crisis referral.

(2) The training shall consist of a minimum of one hour of classroom or internet instruction, and shall include instruction on the following subjects:

(a) The description and underlying causes of problems that may have an impact on the personal and professional lives of public safety employees, including mental health issues, chemical dependency, domestic violence, financial problems, and other personal crises;

(b) Techniques by which public safety employees may recognize the conditions listed in (a) of this subsection and understand the need to seek assistance and obtain a referral for consultation and possible treatment; and

(c) A listing of examples of public and private crisis referral agencies available to public safety employees.

(3) The training developed by the commission shall be made available by the commission to all employees of state and local agencies that perform public safety duties. The commission may charge a reasonable fee to defer the cost of making the training available.

Sec. 18. RCW 34.12.035 and 1984 c 141 s 6 are each amended to read as follows:

The chief administrative law judge shall designate an administrative law judge with subject matter expertise to serve, as the need arises, as presiding officer in ((state))

(1) State patrol disciplinary hearings conducted under RCW 43.43.090; and

(2) Decertification hearings conducted under RCW 43.101.380.

Sec. 19. RCW 40.14.070 and 2011 c 60 s 18 are each amended to read as follows:

(1)(a) ((County)) Other than those records detailed in subsection (4) of this section, county, municipal, and other local government agencies may request authority to destroy noncurrent public records having no further administrative or legal value by submitting to the division of archives and records management lists of such records on forms prepared by the division. The archivist, a representative appointed by the state auditor, and a representative appointed by the attorney general shall constitute a committee, known as the local records committee, which shall review such lists and which may veto the destruction of any or all items contained therein.

(b) A local government agency, as an alternative to submitting lists, may elect to establish a records control
program based on recurring disposition schedules recommended by the agency to the local records committee. The schedules are to be submitted on forms provided by the division of archives and records management to the local records committee, which may either veto, approve, or amend the schedule. Approval of such schedule or amended schedule shall be by unanimous vote of the local records committee. Upon such approval, the schedule shall constitute authority for the local government agency to destroy the records listed thereon, after the required retention period, on a recurring basis until the schedule is either amended or revised by the committee.

(2)(a) Except as otherwise provided by law, and other than the law enforcement records detailed in subsection (4) of this section, no public records shall be destroyed until approved for destruction by the local records committee. Official public records shall not be destroyed unless:

(i) The records are six or more years old;

(ii) The department of origin of the records has made a satisfactory showing to the state records committee that the retention of the records for a minimum of six years is both unnecessary and uneconomical, particularly where lesser federal retention periods for records generated by the state under federal programs have been established; or

(iii) The originals of official public records less than six years old have been copied or reproduced by any photographic, photostatic, microfilm, miniature photographic, or other process approved by the state archivist which accurately reproduces or forms a durable medium for so reproducing the original.

An automatic reduction of retention periods from seven to six years for official public records on record retention schedules existing on June 10, 1982, shall not be made, but the same shall be reviewed individually by the local records committee for approval or disapproval of the change to a retention period of six years.

The state archivist may furnish appropriate information, suggestions, and guidelines to local government agencies for their assistance in the preparation of lists and schedules or any other matter relating to the retention, preservation, or destruction of records under this chapter. The local records committee may adopt appropriate regulations establishing procedures to be followed in such matters.

Records of county, municipal, or other local government agencies, designated by the archivist as of primarily historical interest, may be transferred to a recognized depository agency.

(b)(i) Records of investigative reports prepared by any state, county, municipal, or other law enforcement agency pertaining to sex offenders contained in chapter 9A.44 RCW or sexually violent offenses as defined in RCW 71.09.020 that are not required in the current operation of the law enforcement agency or for pending judicial proceedings shall, following the expiration of the applicable schedule of the law enforcement agency's retention of the records, be transferred to the Washington association of sheriffs and police chiefs for permanent electronic retention and retrieval. Upon electronic retention of any document, the association shall be permitted to destroy the paper copy of the document.

(ii) Any sealed record transferred to the Washington association of sheriffs and police chiefs for permanent electronic retention and retrieval, including records sealed after transfer, shall be electronically retained in such a way that the record is clearly marked as sealed.

(iii) The Washington association of sheriffs and police chiefs shall be permitted to destroy both the paper copy and electronic record of any offender verified as deceased.

(c) Any record transferred to the Washington association of sheriffs and police chiefs pursuant to (b) of this subsection shall be deemed to no longer constitute a public record pursuant to RCW 42.56.010 and shall be exempt from public disclosure. Such records shall be disseminated only to criminal justice agencies as defined in RCW 10.97.030 for the purpose of determining if a sex offender met the criteria of a sexually violent predator as defined in chapter 71.09 RCW and the end-of-sentence review committee as defined by RCW 72.09.345 for the purpose of fulfilling its duties under RCW 71.09.025 and 9.95.420.

Electronic records marked as sealed shall only be accessible by criminal
justice agencies as defined in RCW 10.97.030 who would otherwise have access to a sealed paper copy of the document, the end-of-sentence review committee as defined by RCW 72.09.345 for the purpose of fulfilling its duties under RCW 71.09.025 and 9.95.420, and the system administrator for the purposes of system administration and maintenance.

(3) Except as otherwise provided by law, county, municipal, and other local government agencies may, as an alternative to destroying noncurrent public records having no further administrative or legal value, donate the public records to the state library, local library, historical society, genealogical society, or similar society or organization.

Public records may not be donated under this subsection unless:

(a) The records are seventy years old or more;

(b) The local records committee has approved the destruction of the public records; and

(c) The state archivist has determined that the public records have no historic interest.

(4) Personnel records for any peace officer or corrections officer must be retained for the duration of the officer's employment and a minimum of 10 years thereafter. Such records include all misconduct and equal employment opportunity complaints, progressive discipline imposed including written reprimands, supervisor coaching, suspensions, involuntary transfers, other disciplinary appeals and litigation records, and any other records needed to comply with the requirements set forth in RCW 43.101.095 and 43.101.135.

Sec. 20. RCW 43.101.380 and 2020 c 119 s 10 are each amended to read as follows:

(1) The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the administrative procedure act, govern hearings before the commission and govern all other actions before the commission unless otherwise provided in this chapter. The standard of proof in actions before the commission is ((clear, cogent, and convincing)) a preponderance of the evidence.

(2) In all hearings requested under RCW 43.101.155 ((or 43.101.156)), an administrative law judge appointed under chapter 34.12 RCW shall be the presiding officer, shall make all necessary rulings in the course of the hearing, and shall issue a proposed recommendation, but is not entitled to vote. In addition, a five-member hearings panel shall ((both)) hear the case and make the commission's final administrative decision. ((Members of the commission may, but need not, be appointed to the hearings panels.))

(3) The commission shall appoint ((as follows two or more panels)) a panel to hear certification actions as follows:

(a) When a hearing is requested in relation to a certification action of a Washington peace officer ((who is not a peace officer of the Washington state patrol)), the commission shall appoint to the panel: (i) One police chief((ii)) or sheriff from an agency not a current or past employer of the peace officer; (((iii) two)) (ii) one certified Washington peace officer((s)) who ((are)) is at or below the level of first line supervisor((one of whom is from a city or county law enforcement agency,)) and who ((has)) has at least ten years' experience as a peace officer((s)); (((and)) (iv) one person who is not currently a peace officer and who represents a community college or four-year college or university)) (iii) one civilian member of the commission as appointed under RCW 43.101.030(1) (f) and (h) through (j); (iv) one member of the public who is not a prosecutor, defense attorney, judge, or law enforcement officer; and (v) one person with expertise and background in police accountability who is not a current or former peace officer or corrections officer.

The hearings panel need not redetermine the underlying facts but may make this determination based solely on review of the records and decision relating to the criminal proceeding. However, the hearings panel shall, upon
the panel's determination of relevancy, consider additional evidence to determine whether the peace officer or corrections officer was convicted of a felony.

Where the charge upon which revocation or denial is based is under RCW 43.101.105(1) (a), (b), (c), or (f) or 43.101.106 (1), (2), (5), or (6), the hearings panel shall determine the underlying facts relating to the charge upon which revocation or denial of certification is based.

(5) The commission is authorized to proceed regardless of whether an arbitrator or other appellate decision maker overturns the discipline imposed by the officer's employing agency or whether the agency settles an appeal. No action or failure to act by a law enforcement agency or corrections agency resulting from an appeal of that action precludes action by the commission to suspend or revoke an officer's certificate, to place on probation, or to require remedial training for the officer.

(6) The hearings, but not the deliberations of the hearings panel, are open to the public. The transcripts, admitted evidence, and written decisions of the hearings panel on behalf of the commission are not confidential or exempt from public disclosure, and are subject to subpoena and discovery proceedings in civil actions.

(7) Summary records of hearing dispositions must be made available on an annual basis on a public website.

(8) The commission's final administrative decision is subject to judicial review under RCW 34.05.510 through 34.05.598.

Sec. 21. RCW 43.101.400 and 2020 c 119 s 12 are each amended to read as follows:

(1) Except as provided under subsection (2) of this section, all the following records of the commission are confidential and exempt from public disclosure: (a) The contents of personnel action reports filed under RCW 43.101.135 or 43.101.136; (b) all files, papers, and other information obtained by the commission as part of an initial background investigation pursuant to RCW 43.101.095; (c) all investigative files of the commission compiled in carrying out the responsibilities of the commission under this chapter; (2) and (4) are confidential and exempt from public disclosure. Such records are not subject to public disclosure, subpoena, or discovery proceedings in any civil action, except as provided in (subsection (5) of this section) RCW 43.101.380(6) or which become part of the record in a suspension or decertification matter.

(2) Records which are otherwise confidential and exempt under subsection (1) of this section may be reviewed and copied: (a) By the officer involved or the officer's counsel or authorized representative, who may review the officer's file and may submit any additional exculpatory or explanatory evidence, statements, or other information, any of which must be included in the file; (b) by a duly authorized representative of (i) the agency of termination, or (ii) a current employing law enforcement or corrections agency, which may review and copy its employee-officer's file; or (c) by a representative of or investigator for the commission.

(3) Records which are otherwise confidential and exempt under subsection (1) of this section may also be inspected at the offices of the commission by a duly authorized representative of a law enforcement or corrections agency considering an application for employment by a person who is the subject of a record. A copy of records which are otherwise confidential and exempt under subsection (1) of this section may later be obtained by an agency after it hires the applicant. In all other cases under this subsection, the agency may not obtain a copy of the record.

(4) Upon a determination that a complaint is without merit, that a personnel action report filed under RCW 43.101.135 does not merit action by the commission, or that a matter otherwise investigated by the commission does not merit action, the commission shall purge records addressed in subsection (1) of this section.

(5) The hearings, but not the deliberations, of the hearings board are open to the public. The transcripts, admitted evidence, and written decisions of the hearings board on behalf of the commission are not confidential or exempt from public disclosure, and are subject
to subpoena and discovery proceedings in civil actions.

(6) The commission shall maintain a database that is publicly searchable, machine readable, and exportable, and accompanied by a complete, plain-language data dictionary describing the names of officers and employing agencies, all conduct investigated, certifications denied, notices and accompanying information provided by law enforcement or correctional agencies, including the reasons for separation from the agency, decertification or suspension actions pursued, and final disposition and the reasons therefor for at least 30 years after final disposition of each incident. The dates for each material step of the process must be included. Any decertification must be reported to the national decertification index.

(5) Every individual, legal entity, and agency of federal, state, or local government is immune from civil liability, whether direct or derivative, for providing information to the commission in good faith.

NEW SECTION. Sec. 22. A new section is added to chapter 43.101 RCW to read as follows:

The commission must develop policies, procedures, and rules to ensure that the goals of this act are fully implemented as intended and in a timely manner, and to provide appropriate clarity to affected persons and entities as to how the commission will process complaints, investigations, and hearings, and impose sanctions, related to officer decertification. The commission must work in collaboration with interested parties and entities in developing the policies, procedures, and rules, and must take into account issues regarding when and how the commission may appropriately exercise authority in relation to simultaneous investigations and disciplinary processes, and how the commission may exercise available remedies in a manner that is appropriate to case circumstances and consistent with the goals of this act. The policies, procedures, and rules must be completed by June 30, 2022.

Sec. 23. RCW 41.56.905 and 1983 c 287 s 5 are each amended to read as follows:

(d) Prevent an employer from complying with the requirements of state or federal statutes, rules or regulations, case law, or rules of self-regulatory organizations;

(4) If, through the use of an employer-provided electronic communications device or an electronic device or program that monitors an employer's network, an employer inadvertently receives an employee's login information, the employer is not liable for possessing the information but may not use the login information to access the employee's personal social networking account.

(5) For the purposes of this section and RCW 49.44.205:

2SSB 5362 Prime Sponsor, Committee on Ways & Means: Ensuring the funding of agricultural fairs. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that despite the original expectations, the fair fund has not increased, and this lack of increased support has made it difficult to maintain youth programs. Research has shown that youth who participate in fairs are more likely to get better grades, attend college, and positively contribute to their families and communities.

(2) The legislature finds that fairs also contribute to economic vitality and cultural heritage by: (a) Providing an opportunity for small businesses to reach a larger customer base; (b) providing agricultural suppliers a platform to showcase new technology; (c) creating numerous seasonal jobs; (d) playing a vital role in fund-raising for nonprofit organizations; and (e) providing a venue for community and cultural events.

(3) The legislature further finds that events held on fairgrounds support both the cultural and economic development of rural communities. The legislature finds that connecting the fair fund to revenue generated on fairgrounds encourages fairs to work with local businesses to increase economic opportunity. Thirty-seven counties have a fair. Benton and Franklin counties share a fair. Mason county currently does not have a fair.

Sec. 2. RCW 15.76.115 and 2018 c 280 s 3 are each amended to read as follows:

(1) The fair fund is created in the custody of the state treasury.

(2) All moneys received by the department of agriculture for the purposes of this fund and from RCW 67.16.105 shall be deposited into the fund. Each fiscal year, the state treasurer shall transfer into the fair fund from the general fund ((the sum of two million dollars)) an amount appropriated in the omnibus operating appropriations act equal to:

(a) $2,000,000 for fiscal year 2021;

(b) $2,750,000 in each fiscal year 2022 and 2023;

(c) $3,500,000 in each fiscal year 2024 and 2025; and

(d) $4,000,000 in fiscal year 2026 and each fiscal year thereafter.

(e) To support inclusiveness at fair events, a portion of the additional funds provided to fairs as a result of this act must be prioritized to be spent on educational programs and outreach that
are reflective of the diversity within a fair's local population.

(3) Expenditures from the fund may be used only for assisting fairs in the manner provided in this chapter. Only the director of agriculture or the director's designee may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures."
petitioner and the state agency, county, or city. A hearing under this subsection shall be given the highest priority of business to be conducted by the board, and a finding shall be issued within forty-five days of the filing of the motion under subsection (1) of this section with the board. The board shall issue any order necessary to make adjustments to the compliance schedule and set additional hearings as provided in subsection (5) of this section.

(3) If the board after a compliance hearing finds that the state agency, county, or city is not in compliance, the board shall transmit its finding to the governor. (The)

(a) The board may refer a finding of noncompliance to the department. The purpose of the referral is for the department to provide technical assistance to facilitate speedy resolution of the finding of noncompliance and to provide training pursuant to section 3 of this act as necessary.

(b) Alternatively, the board may recommend to the governor that the sanctions authorized by this chapter be imposed. The board shall take into consideration the county's or city's efforts to meet its compliance schedule in making the decision to recommend sanctions to the governor.

(4) In a compliance hearing upon petition of a party, the board shall also reconsider its final order and decide, if no determination of invalidity has been made, whether one now should be made under RCW 36.70A.302.

(5) The board shall schedule additional hearings as appropriate pursuant to subsections (1) and (2) of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 36.70A RCW to read as follows:

(1) The department shall offer training to assist local governments in understanding findings of noncompliance from the growth management hearings board pursuant to RCW 36.70A.300 and 36.70A.330 and applying prior decisions of the board to ongoing planning efforts to avoid findings of noncompliance.

(2) The department may award grants to a public agency with appropriate expertise and funded by local governments to provide the training required in subsection (1) of this section.

(3) The training provided in subsection (1) of this section is limited to counties that are largely rural.

Sec. 4. RCW 43.155.070 and 2017 3rd sp.s. c 10 s 9 are each amended to read as follows:

(1) To qualify for financial assistance under this chapter the board must determine that a local government meets all of the following conditions:

(a) The city or county must be imposing a tax under chapter 82.46 RCW at a rate of at least one-quarter of one percent;

(b) The local government must have developed a capital facility plan; and

(c) The local government must be using all local revenue sources which are reasonably available for funding public works, taking into consideration local employment and economic factors.

(2) Except where necessary to address a public health need or substantial environmental degradation, and except as provided in subsection (12) of this section, a county, city, or town planning under RCW 36.70A.040 may not receive financial assistance under this chapter unless it has adopted a comprehensive plan, including a capital facilities plan element, and development regulations as required by RCW 36.70A.040. This subsection does not require any county, city, or town planning under RCW 36.70A.040 to adopt a comprehensive plan or development regulations before requesting or receiving financial assistance under this chapter if such request is made before the expiration of the time periods specified in RCW 36.70A.040. A county, city, or town planning under RCW 36.70A.040 that has not adopted a comprehensive plan and development regulations within the time periods specified in RCW 36.70A.040 may apply for and receive financial assistance under this chapter if the comprehensive plan and development regulations are adopted as required by RCW 36.70A.040 before executing a contractual agreement for financial assistance with the board.

(3) In considering awarding financial assistance for public facilities to special districts requesting funding for a proposed facility located in a county, city, or town planning under RCW
36.70A.040, the board must consider whether the county, city, or town planning under RCW 36.70A.040 in whose planning jurisdiction the proposed facility is located has adopted a comprehensive plan and development regulations as required by RCW 36.70A.040.

(4) (a) The board must develop a process to prioritize applications and funding of loans and grants for public works projects submitted by local governments. The board must consider, at a minimum and in any order, the following factors in prioritizing projects:

(i) Whether the project is critical in nature and would affect the health and safety of many people;

(ii) The extent to which the project leverages other funds;

(iii) The extent to which the project is ready to proceed to construction;

(iv) Whether the project is located in an area of high unemployment, compared to the average state unemployment;

(v) Whether the project promotes the sustainable use of resources and environmental quality, as applicable;

(vi) Whether the project consolidates or regionalizes systems;

(vii) Whether the project encourages economic development through mixed-use and mixed income development consistent with chapter 36.70A RCW;

(viii) Whether the system is being well-managed in the present and for long-term sustainability;

(ix) Achieving equitable distribution of funds by geography and population;

(x) The extent to which the project meets the following state policy objectives:

(A) Efficient use of state resources;

(B) Preservation and enhancement of health and safety;

(C) Abatement of pollution and protection of the environment;

(3) For health plans issued or renewed on or after January 1, 2022:

(a) A health carrier may not deny or limit coverage for gender affirming treatment when that treatment is prescribed to an individual because of, related to, or consistent with a person's gender expression or identity, as defined in RCW 49.60.040, is medically necessary, and is prescribed in accordance with accepted standards of care.

(b) A health carrier may not apply categorical cosmetic or blanket exclusions to gender affirming treatment. When prescribed as medically necessary gender affirming treatment, a health carrier may not exclude as

(4) For the purposes of this section, "gender affirming treatment" means a service or product that a health care provider, as defined in RCW 70.02.010, prescribes to an individual to treat any condition related to the individual's gender identity and is prescribed in accordance with generally accepted standards of care. The report must include the number of gender affirming providers offering care in each county, the carriers and medicaid managed care organizations those providers have active contracts with, and the types of services provided by each provider in each region. The commissioner must update the report biannually and post the report on its website.

(c) The authority and managed care plans administering services purchased or contracted for by the authority may not issue an adverse benefit determination denying or limiting access to gender affirming treatment, unless a health care provider with experience prescribing or delivering gender affirming treatment has reviewed and confirmed the appropriateness of the adverse benefit determination.

(d) If the authority and managed care plans administering services purchased or contracted for by the authority do not have an adequate network for gender affirming treatment, they shall ensure the delivery of timely and geographically accessible medically necessary gender affirming treatment at no greater expense than if they had an in-network, geographically accessible provider available. This includes, but is not limited to, providing case management.
services to secure out-of-network gender affirming treatment options that are available to the enrollee in a timely manner within their geographic region. The enrollee shall pay no more than the same cost sharing that the enrollee would pay for the same covered services received from an in-network provider.

(3) For the purposes of this section, "gender affirming treatment" means a service or product that a health care provider, as defined in RCW 70.02.010, prescribes to an individual to support and affirm the individual's gender identity. (2) Beginning June 1st of the year following the first year that minimum postconsumer recycled product content requirements apply to a category of covered product, and annually thereafter, the department shall determine the penalty for the previous calendar year based on the postconsumer recycled content requirement of the previous calendar year. The department shall calculate the amount of the penalty based upon the amounts in pounds in the aggregate of virgin plastic, postconsumer recycled content plastic, and any other plastic per category used by the producer to produce covered products sold or offered for sale in or into Washington state, in accordance with the following:

(a)(i) The annual penalty amount assessed to a producer must equal the product of both of the following: The total pounds of plastic used per category multiplied by the relevant minimum postconsumer recycled plastic target percentage, less the pounds of total plastic multiplied by the percent of postconsumer recycled plastic used; multiplied by 20 cents.

(ii) Example: 

\[
\left( \text{Total pounds of plastic used x minimum postconsumer recycled plastic target percentage} - \text{Total pounds of plastic used x postconsumer recycled plastic percentage used} \right) \times 20 \text{ cents.}
\]

(b) For the purposes of (a) of this subsection, both of the following apply:

(i) The total pounds of plastic used must equal the sum of the amount of virgin plastic, postconsumer recycled content plastic, and any other plastic used by the producer, as reported pursuant to section 4 of this act.

(ii) If the product calculated pursuant to (a) of this subsection is equal to or less than zero, a penalty may not be assessed.

(3)(a)(i) The department shall consider granting a reduction of penalties assessed pursuant to this section for the purpose of meeting the minimum postconsumer recycled content requirements required pursuant to section 3 of this act.

(ii) In determining whether to grant the reduction pursuant to (a)(i) of this subsection, the department shall consider, at a minimum, all of the following factors:

(A) Anomalous market conditions;

(B) Disruption in, or lack of supply of, recycled plastics; and

(C) Other factors that have prevented a producer from meeting the requirements.

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.94A.030 and 2020 c 296 s 2, 2020 c 252 s 4, and 2020 c 137 s 1 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed as part of a sentence under this chapter and served in the community subject to controls placed on the offender's movement and activities by the department.

(6) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. (11) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere, and any issued certificates of restoration of opportunity pursuant to RCW 9.97.020.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon. However, when a defendant is charged with a recidivist offense, "criminal history" includes a vacated prior conviction for the sole purpose of establishing that such vacated prior conviction constitutes an element of the present recidivist offense as provided in RCW 9.94A.640((4)(b) and 9.96.060((7)(c).

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

Sec. 2. RCW 9.94A.640 and 2019 c 331 s 3 are each amended to read as follows:

(1) Every offender who has been discharged under RCW 9.94A.637 may apply to the sentencing court for a vacation of the offender's record of conviction. If the court finds the offender meets the tests prescribed in subsection (2) of this section, the court may clear the record of conviction by: (a) Permitting the offender to withdraw the offender's plea of guilty and to enter a plea of not guilty; or (b) if the offender has been convicted after a plea of not guilty, by the court setting aside the verdict of
guilty; and (c) by the court dismissing the information or indictment against the offender.

(2) An offender may not have the record of conviction cleared if:

(a) There are any criminal charges against the offender pending in any court of this state or another state, or in any federal court;

(b) The offense was a violent offense as defined in RCW 9.94A.030 or crime against persons as defined in RCW 43.43.830, except the following offenses may be vacated if the conviction did not include a firearm, deadly weapon, or sexual motivation enhancement: (i) Assault in the second degree under RCW 9A.36.021; (ii) assault in the third degree under RCW 9A.36.031 when not committed against a law enforcement officer or peace officer; and (iii) robbery in the second degree under RCW 9A.56.210;

(c) The offense is a class B felony and the offender has been convicted of a new crime in this state, another state, or federal court in the ten years prior to the application for vacation;

(d) The offense is a class C felony and the offender has been convicted of a new crime in this state, another state, or federal court in the five years prior to the application for vacation;

(e) The offense is a class B felony and less than ten years have passed since the later of: (i) The applicant's release from community custody; (ii) the applicant's release from full and partial confinement; or (iii) the applicant's sentencing date;

(f) The offense was a class C felony, other than a class C felony described in RCW 46.61.502(6) or 46.61.504(6), and less than five years have passed since the later of: (i) The applicant's release from community custody; (ii) the applicant's release from full and partial confinement; or (iii) the applicant's sentencing date;

(g) The offense was a felony described in RCW 46.61.502 or 46.61.504.

(3) If the applicant is a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030, the victim or the prosecutor of the county in which the victim was sentenced may apply to the sentencing court or the sentencing court's successor to vacate the victim's record of conviction for a class B or class C felony offense using the process in section 3 of this act. When preparing or filling the petition, the prosecutor is not deemed to be providing legal advice or legal assistance on behalf of the victim, but is fulfilling an administrative function on behalf of the state in order to further their responsibility to seek to reform and improve the administration of criminal justice. A record of conviction vacated using the process in section 3 of this act is subject to subsection (4) of this section.

(4)(a) Except as otherwise provided, once the court vacates a record of conviction under subsection (1) of this section, the fact that the offender has been convicted of the offense shall not be included in the offender's criminal history for purposes of determining a sentence in any subsequent conviction, and the offender shall be released from all penalties and disabilities resulting from the offense. For all purposes, including responding to questions on employment applications, an offender whose conviction has been vacated may state that the offender has never been convicted of that crime. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies. Nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution, and nothing in this section affects the requirements for restoring a right to possess a firearm under RCW 9.41.040.

(b) A conviction vacated on or after July 28, 2019, qualifies as a prior conviction for the purpose of charging a present recidivist offense occurring on or after July 28, 2019, and may be used to establish an ongoing pattern of abuse for purposes of RCW 9.94A.535.

NEW SECTION. Sec. 3. A new section is added to chapter 9.94A RCW to read as follows:

(1)(a) A victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030 may apply to the sentencing court or the sentencing court's successor to vacate
the victim's record of conviction for a class B or class C felony offense.  

(b) The prosecutor of a county in which a victim of sex trafficking, prostitution, commercial sexual abuse of a minor; sexual assault; or domestic violence was sentenced for a class B or class C felony offense may exercise discretion to apply to the court on behalf of the state recommending that the court vacate the victim's record of conviction by submitting the information required in subsection (2) of this section. If the court finds the application meets the requirements of subsection (2) of this section, the court may decide whether to grant the application to vacate the record.

(2) In order to vacate a record of conviction for a class B or class C felony offense committed as a result of being a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; domestic violence; or sexual assault, the applicant must meet the following requirements:

(a) Provide an affidavit under penalty of perjury stating the specific facts and circumstances proving, by a preponderance of evidence, that the offense was committed as a result of being a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; domestic violence; or sexual assault;

(b) There are no criminal charges against the applicant pending in any court of this state or another state, or in any federal court for any offense other than prostitution;

(c) If the victim's offense is a class C felony, the offender has not been convicted of a new offense in this state, another state, or federal or tribal court in the five years prior to the vacation application;

(d) If the victim's offense is a class B felony, the offender has not been convicted of a new offense in this state, another state, or federal or tribal court in the 10 years prior to the vacation application;

(e) Provide proof that the crime victim penalty assessment, RCW 7.68.035, has been paid in full; and

(f) If applicable, restitution owed to any victim, excluding restitution owed to any insurance provider under Title 48 RCW, has been paid in full.

(3) An applicant may not have a record of conviction for a class B or class C felony offense vacated if:

(a) The offense was a violent offense as defined in RCW 9.94A.030 or crime against persons as defined in RCW 43.43.830, except the following offenses may be vacated if the conviction did not include a firearm, deadly weapon, or sexual motivation enhancement: (i) Assault in the second degree under RCW 9A.36.021; (ii) assault in the third degree under RCW 9A.36.031 when not committed against a law enforcement officer or peace officer; and (iii) robbery in the second degree under RCW 9A.56.210;

(b) The offense was a felony described in RCW 46.61.502, 46.61.504, or 46.61.5055; or

(c) The offense was promoting prostitution in the first or second degree as described in RCW 9A.88.070 and 9A.88.080.

Sec. 4. RCW 9.96.060 and 2020 c 29 s 18 are each amended to read as follows:

(1) When vacating a conviction under this section, the court effectuates the vacation by: (a)(i) Permitting the applicant to withdraw the applicant's plea of guilty and to enter a plea of not guilty; or (ii) if the applicant has been convicted after a plea of not guilty, the court setting aside the verdict of guilty; and (b) the court dismissing the information, indictment, complaint, or citation against the applicant and vacating the judgment and sentence.

(2) Every person convicted of a misdemeanor or gross misdemeanor offense may apply to the sentencing court for a vacation of the applicant's record of conviction. If the court finds the applicant meets the requirements of this subsection, the court may in its discretion vacate the record of conviction. Except as provided in subsections (3), (4), and (5) of this section, an applicant may not have the record of conviction for a misdemeanor or gross misdemeanor offense vacated if any one of the following is present:

(a) The applicant has not completed all of the terms of the sentence for the offense;
(b) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal or tribal court, at the time of application;

(c) The offense was a violent offense as defined in RCW 9.94A.030 or an attempt to commit a violent offense;

(d) The offense was a violation of RCW 46.61.502 (driving while under the influence), 46.61.504 (actual physical control while under the influence), 9.91.020 (operating a railroad, etc. while intoxicated), or the offense is considered a "prior offense" under RCW 46.61.5055 and the applicant has had a subsequent alcohol or drug violation within ten years of the date of arrest for the prior offense or less than ten years has elapsed since the date of the arrest for the prior offense;

(e) The offense was any misdemeanor or gross misdemeanor violation, including attempt, of chapter 9.68 RCW (obscenity and pornography), chapter 9.68A RCW (sexual exploitation of children), or chapter 9A.44 RCW (sex offenses), except for failure to register as a sex offender under RCW 9A.44.132;

(f) The applicant was convicted of a misdemeanor or gross misdemeanor offense as defined in RCW 10.99.020, or the court determines after a review of the court file that the offense was committed by one family or household member against another or by one intimate partner against another, or the court, after considering the damage to person or property that resulted in the conviction, any prior convictions for crimes defined in RCW 10.99.020, or for comparable offenses in another state or in federal court, and the totality of the records under review by the court regarding the conviction being considered for vacation, determines that the offense involved domestic violence, and any one of the following factors exist:

(i) The applicant has not provided written notification of the vacation petition to the prosecuting attorney's office that prosecuted the offense for which vacation is sought, or has not provided that notification to the court;

(ii) The applicant has two or more domestic violence convictions stemming from different incidents. For purposes of this subsection, however, if the current application is for more than one conviction that arose out of a single incident, none of those convictions counts as a previous conviction;

(iii) The applicant has signed an affidavit under penalty of perjury affirming that the applicant has not previously had a conviction for a domestic violence offense, and a criminal history check reveals that the applicant has had such a conviction; or

(iv) Less than five years have elapsed since the person completed the terms of the original conditions of the sentence, including any financial obligations and successful completion of any treatment ordered as a condition of sentencing;

(g) For any offense other than those described in (f) of this subsection, less than three years have passed since the person completed the terms of the sentence, including any financial obligations;

(h) The offender has been convicted of a new crime in this state, another state, or federal or tribal court in the three years prior to the vacation application;

(i) The applicant is currently restrained by a domestic violence protection order, a no-contact order, an antiharassment order, or a civil restraining order which restrains one party from contacting the other party or was previously restrained by such an order and was found to have committed one or more violations of the order in the five years prior to the vacation application.

(3) (Subject to RCW 9.96.070, every person convicted of prostitution under RCW 9A.88.030 who committed the offense as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9A.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq., may apply to the sentencing court for vacation of the applicant's record of conviction for the prostitution offense. An applicant may not have the record of conviction for prostitution vacated if any one of the following is present:

(a) There are any criminal charges against the applicant pending in any court of this state or another state, or in any federal court, for any crime other than prostitution; or
(b) The offender has been convicted of another crime, except prostitution, in this state, another state, or federal court since the date of conviction. The limitation in this subsection (3)(b) does not apply to convictions where the offender proves by a preponderance of the evidence that he or she committed the crime as a result of being a victim of trafficking, RCW 9A.40.100, promoting prostitution in the first degree, RCW 9A.88.070, promoting commercial sexual abuse of a minor, RCW 9.68A.101, or trafficking in persons under the trafficking victims protection act of 2000, 22 U.S.C. Sec. 7101 et seq., according to the requirements provided in RCW 9.96.070 for each respective conviction. If the applicant is a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030, or the prosecutor applies on behalf of the state, the sentencing court may vacate the record of conviction if the application satisfies the requirements of section 5 of this act. When preparing or filing the petition, the prosecutor is not deemed to be providing legal advice or legal assistance on behalf of the victim, but is fulfilling an administrative function on behalf of the state in order to further their responsibility to seek to reform and improve the administration of criminal justice. A record of conviction vacated using the process in section 5 of this act is subject to subsections (6) and (7) of this section.

(4) Every person convicted prior to January 1, 1975, of violating any statute or rule regarding the regulation of fishing activities, including, but not limited to, RCW 75.08.260, 75.12.060, 75.12.070, 75.12.160, 77.16.020, 77.16.030, 77.16.040, 77.16.060, and 77.16.240 who claimed to be exercising a treaty Indian fishing right, may apply to the sentencing court for vacation of the applicant's record of conviction for the offense. If the person is deceased, a member of the person's family or an official representative of the tribe of which the person was a member may apply to the court on behalf of the deceased person. Notwithstanding the requirements of RCW 9.94A.640, the court shall vacate the record of conviction if:

(a) The applicant is a member of a tribe that may exercise treaty Indian fishing rights at the location where the offense occurred; and

(b) The state has been enjoined from taking enforcement action of the statute or rule to the extent that it interferes with a treaty Indian fishing right as determined under United States v. Washington, 384 F. Supp. 312 (W.D. Wash. 1974), or Sohappy v. Smith, 302 F. Supp. 899 (D. Oregon 1969), and any posttrial orders of those courts, or any other state supreme court or federal court decision.

(5) Every person convicted of a misdemeanor marijuana offense, who was twenty-one years of age or older at the time of the offense, may apply to the sentencing court for a vacation of the applicant's record of conviction for the offense. A misdemeanor marijuana offense includes, but is not limited to: Any offense under RCW 69.50.4014, from July 1, 2004, onward, and its predecessor statutes, including RCW 69.50.401(e), from March 21, 1979, to July 1, 2004, and RCW 69.50.401(d), from May 21, 1971, to March 21, 1979, and any offense under an equivalent municipal ordinance. If an applicant qualifies under this subsection, the court shall vacate the record of conviction.

(6) A person who is a family member of a homicide victim may apply to the sentencing court on the behalf of the victim for vacation of the victim's record of conviction for prostitution under RCW 9A.88.030. If an applicant qualifies under this subsection, the court shall vacate the victim's record of conviction.

(7)(a) Except as provided in (c) of this subsection, once the court vacates a record of conviction under this section, the person shall be released from all penalties and disabilities resulting from the offense and the fact that the person has been convicted of the offense shall not be included in the person's criminal history for purposes of determining a sentence in any subsequent conviction. For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been vacated under this section may state that he or she has never been convicted of that crime. However, nothing in this section affects the requirements for restoring a right to possess a firearm under RCW 9.41.040. Except as provided in (b) of this subsection, nothing in this section
affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

(b) When a court vacates a record of domestic violence as defined in RCW 10.99.020 under this section, the state may not use the vacated conviction in a later criminal prosecution unless the conviction was for: (i) Violating the provisions of a restraining order, no-contact order, or protection order restraining or enjoining the person or restraining the person from going on to the grounds of or entering a residence, workplace, school, or day care, or prohibiting the person from knowingly coming within, or knowingly remaining within, a specified distance of a location (RCW 10.99.040, 10.99.050, 26.09.300, ((26.10.220,)) 26.26B.050, 26.44.063, 26.44.150, 26.50.060, 26.50.070, 26.50.130, 26.52.070, or 74.34.145); or (ii) stalking (RCW 9A.46.110). A vacated conviction under this section is not considered a conviction of such an offense for the purposes of 27 C.F.R. 478.11.

(c) A conviction vacated on or after July 28, 2019, qualifies as a prior conviction for the purpose of charging a present recidivist offense as defined in RCW 9.94A.030 occurring on or after July 28, 2019.

((7)) (8) The clerk of the court in which the vacation order is entered shall immediately transmit the order vacating the conviction to the Washington state patrol identification section and to the local police agency, if any, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol and any such local police agency shall immediately update their records to reflect the vacation of the conviction, and shall transmit the order vacating the conviction to the federal bureau of investigation. A conviction that has been vacated under this section may not be disseminated or disclosed by the state patrol or local law enforcement agency to any person, except other criminal justice enforcement agencies.

(b) The prosecutor of a county or municipality in which a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence was sentenced for a misdemeanor or gross misdemeanor offense may exercise discretion to apply to the court on behalf of the state recommending that the court vacate the victim's record of conviction by submitting the information required in subsection (2) of this section. If the court finds the application meets the requirements of subsection (2) of this section, the court may decide whether to grant the application to vacate the record.

(2) In order to vacate a record of conviction for a gross misdemeanor or misdemeanor offense committed as a result of being a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030, the applicant must meet the following requirements:

(a) Provide an affidavit, under penalty of perjury, stating the specific facts and circumstances proving, by a preponderance of evidence that the offense was committed as a result of being a victim of sex trafficking, prostitution, or commercial sexual abuse of a minor; sexual assault; or domestic violence as defined in RCW 9.94A.030;

(b) There are no criminal charges against the applicant pending in any court of this state or another state, or in any federal court for any crime other than prostitution;

(c) If the offense is a misdemeanor, the offender has not been convicted of a new crime in this state, another state, or federal or tribal court in the three years prior to the vacation application;

(d) Except where the conviction to be vacated is for the crime of prostitution, prostitution loitering, or stay out of area of prostitution, provide proof that the crime victim penalty assessment, RCW 7.68.035, has been paid in full;

2SSB 5183 Prime Sponsor, Committee on Ways & Means: Concerning victims of nonfatal strangulation. Reported by Committee on Public Safety

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that nonfatal strangulation is among the most dangerous acts of domestic violence and sexual assault. Strangulation involves external compression of the victim's airway and blood vessels, causing reduced air and blood flow to the brain. Victims may show no or minimal external signs of injury despite having life-threatening internal injuries including traumatic brain injury. Injuries may present after the assault or much later and may persist for months and even years postassault. Victims who are strangled multiple times face a greater risk of traumatic brain injury. Traumatic brain injury symptoms are often not recognized as assault-related and may include cognitive difficulties such as decreased ability to concentrate, make decisions, and solve problems. Traumatic brain injury symptoms may also include behavior and personality changes such as irritability, impulsivity, and mood swings.

Domestic violence victims who have been nonfatally strangled are eight times more likely to become a subsequent victim of homicide at the hands of the same abusive partner. Research shows that previous acts of strangulation are a unique and substantial predictor of attempted and completed homicide against an intimate partner.

For years, forensic nurses in Washington have provided high-level care to sexual assault victims. Forensic nurses are also trained in medical evaluation of nonfatal strangulation, but only provide this evaluation in cases of sexual assault involving strangulation, as crime victims' compensation will not reimburse in nonsexual assault cases. Strangulation affects victims physically and psychologically. These victims deserve a higher standard of response and medical care. Allowing crime victims' compensation to reimburse for forensic nurse examinations for victims of domestic violence strangulation will provide a better, more victim-centered response in the most dangerous of domestic violence felony cases.

NEW SECTION. Sec. 2. A new section is added to chapter 43.280 RCW to read as follows:

(1) The office of crime victims' advocacy shall develop best practices that local communities may use on a voluntary basis to create more access to forensic nurse examiners in cases of nonfatal strangulation assault including, but not limited to, partnerships to serve multiple facilities, mobile nurse examiner teams, and multidisciplinary teams to serve victims in local communities.

(a) When developing the best practices, the office of crime victims' advocacy shall consult with:

(i) The Washington association of sheriffs and police chiefs;
(ii) The Washington association of prosecuting attorneys;
(iii) The Washington state coalition against domestic violence;
(iv) The Harborview abuse and trauma center;
(v) The Washington state hospital association;
(vi) The Washington state association of counties;
(vii) The association of Washington cities;
(viii) The Washington coalition of sexual assault programs;
(ix) The schools of nursing at Washington State University and the University of Washington;
(x) Collective bargaining representatives of frontline nurse examiners; and
(xi) Other organizations deemed appropriate by the office of crime victims advocacy.

(b) The office of crime victims advocacy shall complete the best practices no later than January 1, 2022, and publish them on its website.

(2) The office of crime victims advocacy shall develop strategies to make forensic nurse examiner training available to nurses in all regions of the state without requiring the nurses to travel unreasonable distances and without requiring medical facilities or the nurses to incur unreasonable expenses. School districts shall establish the following funds in addition to those provided elsewhere by law:

(1)(a) A general fund for the school district to account for all financial operations of the school district except those required to be accounted for in another fund.

(b) By the 2018-19 school year, a local revenue subfund of its general fund to account for the financial operations of a school district that are paid from local revenues. The local revenues that must be deposited in the local revenue subfund are enrichment levies and transportation vehicle levies collected under RCW 84.52.053, local effort assistance funding received under chapter 28A.500 RCW, and other school district local revenues including, but not limited to, grants, donations, and state and federal payments in lieu of taxes, but do not include other federal revenues, or local revenues that operate as an offset to the district's basic education allocation under RCW 28A.150.250. School districts must track expenditures from this subfund separately to account for the expenditure of each of these streams of revenue by source, and must provide the supplemental expenditure schedule under (c) of this subsection, and any other supplemental expenditure schedules required by the superintendent of public instruction or state auditor, for purposes of RCW 43.09.2856.

(c) Beginning in the 2019-20 school year, the superintendent of public instruction must require school districts to provide a supplemental expenditure schedule by revenue source that identifies the amount expended by object for each of the following supplementary enrichment activities beyond the state funded amount:

(vii) Extended school days or an extended school year;

(viii) Additional course offerings beyond the minimum instructional program established in the state’s statutory program of basic education;

(ix) Activities associated with early learning programs;

(xiii) All other costs not otherwise identified in other line items.

(d) For any salary and related benefit costs identified in (c)(xi), (xii), and (xiii) of this subsection, the school district shall maintain a record describing how these expenditures are documented and demonstrated enrichment of the state's statutory program of basic education. School districts shall maintain these records until the state auditor has completed the audit under RCW 43.09.2856.

(e) A depreciation subfund of its general fund for the school district to reserve moneys for future facility and equipment needs, including preventative maintenance and emergency facility needs. Up to two percent of a school district's general fund may be deposited each fiscal year into the depreciation subfund. The preventative maintenance must be necessary to realize the originally anticipated useful life of a building or facility and includes: Exterior painting of facilities; replacement or renovation of roofing, exterior walls, windows, heating, air conditioning and ventilation systems, floor coverings in classrooms and common areas, and electrical and plumbing systems; and renovation of playfields, athletic facilities, and other school district real property. School districts, subject to applicable public works bid limits, may use school district employees to perform preventative maintenance with moneys from the depreciation subfund, but moneys from the depreciation subfund may not be used for employee compensation that is unrelated to this subsection (1)(e).

(2) A capital projects fund shall be established for major capital purposes. All statutory references to a "building fund" shall mean the capital projects fund so established. (a) Major renovation and replacement of facilities and systems where periodical repairs are no longer economical or extend the useful life of the facility or system beyond its original planned useful life. However, to the extent the funds are used for the purpose under this subsection (2)(f)(ii), the school district shall transfer to the district's general fund the portion of the capital projects fund used for this purpose. The office of the superintendent of public instruction shall develop accounting guidelines for these transfers in accordance with internal revenue service regulations.

(g) Major equipment repair, painting of facilities, and other major preventative maintenance purposes. However, to the extent the funds are used for the purpose under this subsection (2)(g), the school district shall transfer to the district's general fund the portion of the capital projects fund used for this purpose. "NEW SECTION. Sec. 1. A new section is added to chapter 70.14 RCW to read as follows:

(1)(a) The authority may enter into partnership agreements with another state, a group of states, a state agency, a nonprofit organization, or any other entity to produce, distribute, or purchase generic prescription drugs and distribute and purchase insulin. Partnership agreements with governmental entities are exempt from competitive solicitation requirements in accordance with RCW 39.26.125(10). However, the authority must comply with state procurement laws related to competitive procurement when purchasing or entering into purchasing agreements with nongovernmental entities.

(3) For generic prescription drugs and insulin that the authority has entered into a partnership under this section:

(a) State purchased health care programs must purchase the generic prescription drugs and insulin through the partnership, unless the state purchased health care program can obtain the generic prescription drug or insulin at a cost savings through another purchasing mechanism; and

(b) Local governments, private entities, health carriers, and others may choose to voluntarily purchase the generic prescription drugs and insulin from the authority as available quantities allow.

E2SSB 5259 Prime Sponsor, Committee on Ways & Means: Concerning law enforcement data collection. Reported by Committee on Public Safety

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that law enforcement transparency and accountability are vital in maintaining public trust. Data collection is one essential tool to allow the public, law enforcement, and policymakers to analyze the effectiveness of existing police practices, determine which policies and training work and do not work, and avoid unintended consequences by supporting policy decisions with clear and relevant data.

The legislature finds that creating a statewide data collection program that creates a publicly accessible database to track metrics will help to promote openness, transparency, and accountability, build stronger police-community relations, improve trust and confidence in policing services, evaluate specific areas of concern such as biased policing and excessive force, and ultimately improve the quality of policing services.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Contractor" means the institution of higher education contracted with the office of the attorney general to implement the statewide use of force data program as provided in this chapter.

(2) "Great bodily harm" has the same meaning as in RCW 9A.04.110.

(3) "Institution of higher education" has the same meaning as in RCW 28B.92.030.

(4) "Law enforcement agency" or "agency" means any general authority Washington law enforcement agency and limited authority Washington law enforcement agency as those terms are defined in RCW 10.93.020.

(5) "Substantial bodily harm" has the same meaning as in RCW 9A.04.110.

NEW SECTION. Sec. 3. (1) Subject to the availability of amounts appropriated for this specific purpose, the attorney general's office shall establish an advisory group to assist with the office's design, development, and implementation of a statewide use of force data program. Members are appointed by the attorney general's office and must consist of:

(i) At least three representatives from local nongovernmental organizations or advocacy groups that have a focus on or expertise in the use and role of data as it relates to interactions between law enforcement and the community;

(ii) At least three representatives from law enforcement agencies or organizations representing the interests of law enforcement in interacting and utilizing this data; and

(iii) At least one representative from the private sector or the public sector with experience in data collection programs, preferably law enforcement data collection.

(b) To ensure the advisory group has diverse and inclusive representation of those affected by its work, advisory group members whose participation in the advisory group may be hampered by financial hardship may apply for a stipend in an amount not to exceed $100 for each day during which the member attends an official meeting of the advisory group or performs prescribed duties approved by the attorney general's office.

(2) By April 1, 2022, the advisory group shall submit to the attorney
general its recommendations on the following elements:

(a) How to prioritize the implementation of the reporting, collection, and publication of the use of force data reports required in section 4(2) of this act;

(b) Additional incidents and data to be collected from law enforcement agencies on interactions between officers and the public, such as traffic stops, pedestrian stops, calls for services, arrests, vehicle pursuits, and disciplinary actions, as well as demographic information including race, ethnicity, and gender of a crime victim or victims. This recommendation should consider phased implementation, if necessary, based on current practices and available data as compared to additional practices and new data that would need to be implemented by law enforcement agencies;

(c) Recommend practices for law enforcement agencies to collect and report data to the contractor. To the greatest extent feasible, the reporting mechanisms for the program must include the opportunity for law enforcement agencies to submit the required data elements through incident reports or any other electronic means. The advisory group may also work to develop a standardized incident report that meets the data and reporting requirements of the statewide use of force data program for voluntary use by law enforcement agencies;

(d) Recommend practices for the public to report relevant information to the contractor directly, or its successor, including correcting misreported and otherwise incorrect data;

(e) Recommend practices for public, law enforcement, and academic access and use of program data that must include, at a minimum:

(i) Public access to deidentified raw and/or refined incident based data using an established open data standard, available online at no cost in a downloadable, machine-readable, nonproprietary format, redacted only as necessary to comply with the public records act (chapter 42.56 RCW) and the Washington state criminal records privacy act (chapter 10.97 RCW);

(ii) Publicly accessible online data dashboards that summarize and analyze the data, excluding personally identifiable information;

(iii) Interactive data visualization tools designed for law enforcement agencies and other entities to use the data for research, professional development, training, and management;

(iv) The ability to extract data from incident reports, or other electronic means, and officer narratives in order to standardize data across multiple agencies;

(v) Ensure protection and removal of all personally identifiable information of officers, subjects, and victims in any data or analyses that are publicly released; and

(vi) Semiannual reports, summarizing the data collected and any related analysis, published on the website and submitted to the legislature and governor by June 1st and December 1st of each year;

(f) Recommend practices for quality improvement, including periodically obtaining input from stakeholders about how the program can better meet the needs of the public and law enforcement;

(g) Recommend practices in the following areas:

(i) Analytical dashboards with individual officer details for use by law enforcement agencies as a risk management tool;

(ii) Agency level comparative dashboards for all law enforcement agencies in the state;

(iii) Incorporating available historical data to identify long-term trends and patterns; and

(iv) Analysis of data, using methodologies based in best practices or tested and validated in other jurisdictions, if possible, including, but not limited to, analysis of the data using legal algorithms based on available and applicable legal standards.

(3)(a) The office of the attorney general shall review the recommendations of the advisory group and approve or reject, in whole or in part, the recommendations. In reviewing the program recommendations, the office of the attorney general shall consider:

(i) Available funding to achieve the recommendations;

(iii) The interests of the public in accessing information in a transparent and expedient manner. In considering the interests of the public, the advisory board shall accept and consider comments from impacted family members or their designees;

(iv) The institutional operations and demands of law enforcement agencies through input and comments from the criminal justice training center and local law enforcement agencies.

(b) For any recommendation that was rejected, in part or in full, the advisory group may submit revised recommendations for consideration by the office of the attorney general in accordance with any deadlines established by the office. The office of the attorney general may also approve recommendations subject to the legislature appropriating the funding necessary for their implementation.

(c) The office of the attorney general may not approve any recommendation that requires any law enforcement agency to disclose information that would jeopardize an active criminal investigation, confidential informant, or intelligence information.

(4) The approved recommendations and the requirements contained in section 4 of this act constitute the statewide use of force data program.

(5) This section expires January 1, 2023.

(5) Notwithstanding any other provision of this act, except as otherwise mutually agreed to between the contractor and the law enforcement agency, a law enforcement agency has satisfied its reporting obligations pursuant to this act by submitting relevant information to the contractor. REPORTED BY COMMITTEE ON HOUSING, HUMAN SERVICES & VETERANS

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Part 1: Increase the Capabilities of Community Residential Settings and Services

NEW SECTION. Sec. 1. (1) The legislature finds that the recommendations in the December 2019 report, "Rethinking Intellectual and Developmental Disability Policy to Empower Clients, Develop Providers, and Improve Services" and recommendations in the 2021 preliminary report of the joint executive and legislative task force established in chapter 317, Laws of 2020 are the product of deliberations among a diverse and dedicated group of stakeholders and are critical to advancing the continuum of care for individuals with developmental disabilities.

(2) The legislature intends to continue efforts to expand community residential settings and supports with the goals of reducing the risk of federal divestment from Washington's intermediate care facilities and delivering appropriate care to clients of the developmental disabilities administration. To that end, the legislature finds that a reliable network of community providers is critical to meeting these goals and that community residential rates must be established at appropriate levels to ensure that individuals with intellectual and developmental disabilities have community residential options that appropriately address their needs and ensure stable, permanent outcomes.

(3) The legislature also finds that it is imperative that internal processes within the department of social and health services, including those that guide eligibility determinations, assess hours of service delivery, and measure quality of providers, be examined to ensure that these systems function in the most streamlined and efficient manner with the goal of achieving a system that has greater consistency with regard to expectations and requirements of providers and that is structured to be more person-centered and user-friendly at interface.

(6) Members of the caseload forecast council shall serve without additional compensation but shall be reimbursed for travel expenses in accordance with RCW 44.04.120 while attending sessions of the council or on official business authorized by the council. Part 2: Improve Cross-System Coordination

NEW SECTION. Sec. 9. An individual's disability will often overshadow other medical or functional needs which can result in missed connections and poor outcomes. It is the intent of the legislature that cross-system coordination involving individuals with intellectual and developmental disabilities be improved to ensure that these individuals receive the appropriate types of services and supports when they are needed to adequately address mental health conditions, medical conditions, individual preferences, and the natural aging process.

Part 3: Redesign State-Operated Intermediate Care Facilities to Function as Short-Term Crisis Stabilization and Intervention

NEW SECTION. Sec. 11. It is the intent of the legislature that intermediate care facilities be redesigned from long-term care settings to settings that support short-term crisis stabilization and intervention and that, in order to achieve stable, permanent placements in the least restrictive settings possible, an
infrastructure of procedures be developed to ensure that individuals placed in intermediate care settings remain in that setting no longer than is absolutely necessary.

(2) Subject to funding appropriated specifically for this purpose, the department of social and health services must expand the number of family mentors and establish peer mentors to connect each client in an intermediate care facility with a mentor to assist in their transition planning.

The department of social and health services must:

(a) Work with community residential service providers to provide a 90-day vacancy payment for individuals who are transferred from the community residential service provider to a state-operated intermediate care facility for stabilization services; and

SB 5430 Prime Sponsor, Senator Mullet: Concerning the advanced college tuition payment program. Reported by Committee on College & Workforce Development

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28B.95.030 and 2018 c 188 s 2 are each amended to read as follows:

(1) The Washington advanced college tuition payment program shall be administered by the committee on advanced tuition payment which shall be chaired by the director of the office. The committee shall be supported by staff of the office.

(2)(a) The Washington advanced college tuition payment program shall consist of the sale of tuition units, which may be redeemed by the beneficiary at a future date for an equal number of tuition units regardless of any increase in the price of tuition, that may have occurred in the interval, except as provided in subsections (((7))) (9) and (((8))) (10) of this section.

(b) Each purchase shall be worth a specific number of or fraction of tuition units at each state institution of higher education as determined by the governing body, except as provided in subsections (((7))) (9) and (((8))) (10) of this section.

(c) The number of tuition units necessary to pay for a full year's, full-time undergraduate tuition and fees at a state institution of higher education shall be set by the governing body at the time a purchaser enters into a tuition unit contract, except as provided in subsections (((7))) (9) and (((8))) (10) of this section.

(d) The governing body may limit the number of tuition units purchased by any one purchaser or on behalf of any one beneficiary, however, no limit may be imposed that is less than that necessary to achieve four years of full-time, undergraduate tuition charges at a state institution of higher education. The governing body also may, at its discretion, limit the number of participants, if needed, to ensure the actuarial soundness and integrity of the program."
While the Washington advanced college tuition payment program is designed to help all citizens of the state of Washington, the governing body may determine residency requirements for eligible purchasers and eligible beneficiaries to ensure the actuarial soundness and integrity of the program.

(3)(a) No tuition unit may be redeemed until two years after the purchase of the unit.

(b) Units may be redeemed for enrollment at any institution of higher education that is recognized by the internal revenue service under chapter 529 of the internal revenue code. Units may also be redeemed to pay for dual credit fees.

(c) Units redeemed at a nonstate institution of higher education or for graduate enrollment shall be redeemed at the rate for state public institutions in effect at the time of redemption.

(4) The governing body shall determine the conditions under which the tuition benefit may be transferred to another family member. In permitting such transfers, the governing body may not allow the tuition benefit to be bought, sold, bartered, or otherwise exchanged for goods and services by either the beneficiary or the purchaser.

(5) The governing body shall administer the Washington advanced college tuition payment program in a manner reasonably designed to be actuarially sound, such that the assets of the trust will be sufficient to defray the obligations of the trust including the costs of administration. The governing body may, at its discretion, discount the minimum purchase price for certain kinds of purchases such as those from families with young children, as long as the actuarial soundness of the account is not jeopardized.

(6) The governing body shall annually determine current value of a tuition unit.

(7) The governing body shall adopt a unit price of no more than 10 percent, including administrative fees, above the current unit payout value if:

(a) The best estimate funded status of the program provided by the state actuary is in excess of at least 120 percent as of July 1st of each year; and

(b) Tuition and fee increases for the academic year immediately following the July 1st best estimate funded status will be no more than the average annual percentage growth rate in the median hourly wage for Washington for the previous 14 years as the wage is determined by the federal bureau of labor statistics.

(8) For units purchased at the 2020-21 unit price, the governing body shall grant additional units to each account holder equivalent to the difference between the 2020-21 unit price and the 2020-21 unit payout value, after adjusting the unit payout value 10 percent above the current price, including administrative fees, as determined by the governing body.

(9) For the 2015-16 and 2016-17 academic years only, the governing body shall set the payout value for units redeemed during that academic year only at one hundred seventeen dollars and eighty-two cents per unit. For academic years after the 2016-17 academic year, the governing body shall make program adjustments if it deems necessary and appropriate to ensure that the total payout value of each account on October 9, 2015, is not decreased or diluted as a result of the initial application of any changes in tuition under section 3, chapter 36, Laws of 2015 3rd sp. sess. In the event the committee or governing body provides additional units under chapter 36, Laws of 2015 3rd sp. sess., the committee and governing body shall also increase the maximum number of units that can be redeemed in any year to mitigate the reduction in available account value during any year as a result of chapter 36, Laws of 2015 3rd sp. sess. The governing body must notify holders of tuition units after the adjustment in this subsection is made and must include a statement concerning the adjustment.

(10) The governing body shall allow account owners who purchased units before July 1, 2015, to redeem such units at the unit cash value price provided that all the redeemed funds are deposited immediately into an eligible Washington college savings program account established by the governing body. Within ninety days of April 15, 2018, the committee, in consultation with the state actuary and state investment board, shall:

(a) Establish a period that is not less than ninety days during which eligible
purchasers may redeem units at the unit cash value price for the purposes of this subsection and provide at least thirty days' notice prior to the ninety-day window to all eligible account holders about the redemption option; and

(b) Establish the unit cash value price. The committee, in consultation with the state actuary and the state investment board, may revalue the unit cash value price established in this subsection (((8))) (10)(b) up to three times during the ninety-day period in which eligible purchasers may redeem units for the unit cash value price.

(((9))) (11)(a) After the governing body completes the requirements of subsection (((8))) (10) of this section, the governing body shall adjust, by March 1, 2019, all remaining unredeemed units purchased before July 1, 2015, as follows:

(i) First, the governing body shall take the difference between the average unit purchase price in each individual's account and the 2016-17 unit payout value and increase the number of units in each individual's account by a number of units of equivalent total value at the 2017-18 unit purchase price, if the average unit purchase price is more than the 2016-17 unit payout value; and

(ii) Second, after (a)(i) of this subsection is completed, the governing body, with assistance from the state actuary, shall grant an additional number of units to each account holder with unredeemed and purchased units before July 1, 2015, in order to lower the best-estimate funded status of the program to one hundred twenty-five percent, subject to a limit of an increase of fifteen percent of unredeemed and purchased units per account holder. The state actuary shall select the measurement date, assumptions, and methods necessary to perform an actuarial measurement consistent with the purpose of this subsection.

(b) For the purpose of this subsection (((11))) (11), and for account holders with uncompleted custom monthly contracts, the governing body shall only include purchased and unredeemed units before July 1, 2015.

(((12))) (12) The governing body shall collect an amortization fee as a component of each future unit sold whenever the governing body determines amortization fees are necessary to increase the best-estimate funded status of the program.

(((13))) (13) The governing body shall promote, advertise, and publicize the Washington advanced college tuition payment program. Materials and online publications advertising the Washington advanced college tuition payment program shall include a disclaimer that the Washington advanced college tuition payment program's guarantee is that one hundred tuition units will equal one year of full-time, resident, undergraduate tuition at the most expensive state institution of higher education, and that if resident, undergraduate tuition is reduced, a tuition unit may lose monetary value.

(((14))) (14) In addition to any other powers conferred by this chapter, the governing body may:

(a) Impose reasonable limits on the number of tuition units or units that may be used in any one year;

(b) Determine and set any time limits, if necessary, for the use of benefits under this chapter;

(c) Impose and collect administrative fees and charges in connection with any transaction under this chapter;

(d) Appoint and use advisory committees and the state actuary as needed to provide program direction and guidance;

(e) Formulate and adopt all other policies and rules necessary for the efficient administration of the program;

(f) Consider the addition of an advanced payment program for room and board contracts and also consider a college savings program;

(g) Purchase insurance from insurers licensed to do business in the state, to provide for coverage against any loss in connection with the account's property, assets, or activities or to further insure the value of the tuition units;

(h) Make, execute, and deliver contracts, conveyances, and other instruments necessary to the exercise and discharge of its powers and duties under this chapter;

(i) Contract for the provision for all or part of the services necessary for the management and operation of the program with other state or nonstate entities authorized to do business in the state;
(j) Contract for other services or for goods needed by the governing body in the conduct of its business under this chapter;

(k) Contract with financial consultants, actuaries, auditors, and other consultants as necessary to carry out its responsibilities under this chapter;
