House Bill No. 479, by Representatives Epton, Goldsworthy, and Rasmussen:

Relating to vocational rehabilitation of disabled persons.

House of Representatives,
Olympia, Wash., February 19, 1957.

MR. SPEAKER:

We, a majority of your Committee on State Institutions and Buildings, to whom was referred House Bill No. 479, relating to vocational rehabilitation of disabled persons, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

In section 1, page 1, line 22 of the original bill, being page 2, line 2 of the printed bill, after the period (.) following the word “care” add the following: “Self-care shall mean a reasonable degree of restoration from dependency upon others for personal needs and care and includes, but is not limited to, ability to live in own home, rather than requiring nursing home care and care for self rather than requiring attendant care.”

In section 4, page 3, line 11 of the original bill, being page 3, line 19 of the printed bill, after the word “and” and before the words “the state” insert the following: “the division of vocational rehabilitation under the state board of vocational education and”

In section 5, page 4, beginning on line 4 of the original bill, being page 4, line 10 of the printed bill, strike the whole of subsection (3) and insert in lieu thereof the following:

“(3) [Empower and direct] The division of vocational rehabilitation of the state board for vocational education [to] shall cooperate with the federal [board] government [for vocational education] in carrying out the [provisions] purposes of [the federal civilian] any statutes pertaining to vocational rehabilitation [act].”

MARK LITCHMAN, JR., Chairman,
FRANK B. BROUILLET, Vice Chairman.

The bill was read the second time by sections.

On motion of Mr. Litchman, the committee amendments were adopted.

Mr. Clark (Cecil C.) moved the adoption of the following amendment:

In section 2, page 2, line 13 of the printed bill, after the words “living is” and before the words “destroyed or impaired” in line 14, strike the words “or has been”

Debate ensued.

POINT OF INQUIRY

The Speaker recognized Mr. Clark (Newman H.).

Mr. Clark:
“Will Mr. Savage yield to a question?”

Mr. Savage:
“Yes.”

Mr. Clark:
“How much money do you estimate, or in any way anticipate, will be appropriated to cover the purposes of this bill as expressed in the terms of it as amended this morning?”

Mr. Savage:
“Well, there is quite a variation in the cost of the operation of this bill. To start with, for the first biennium it will be very small. About all the vocational division would have to do in the first biennium is to direct the preparatory course for children under sixteen, so that when they reach sixteen and can be given vocational training they are prepared for it. These are children of the Mongoloid type and somewhat educable, perhaps, to be able to do some types of work but not able to acquire academic education. While you
can't put them on vocational training programs before they are sixteen, if you wait until after they are sixteen, the department tells us, many times they are too old then to assimilate this training. It is better if they are able to get them started on a program under the age of sixteen; so that all the division will do for the first year or two is to direct the type of training that would be given those children in preparation for the vocational training which would start at sixteen. The amount of money required at first would be very small. Then the department will be able to make an estimate for the next biennium. They would come in with a regular report the next biennium."

Debate ensued.

- Mr. Smith demanded the previous question and the demand was sustained.

The motion was lost on a rising vote and the amendment was not adopted.

MOTION

On motion of Mr. Sandison, the House recessed until two o'clock p. m.

AFTERNOON SESSION

Mr. Sandison called the House to order.

The Clerk called the roll and all members were present except Representatives Anderson, Bernethy, Johnston (Elmer E.), Miller, Winton, and the Speaker; Representative Johnston (Elmer E.) having been excused previously.

SECOND READING OF BILLS

The House resumed consideration of House Bill No. 479 on second reading.

MOTION

On motion of Mr. Munro, House Bill No. 479 was re-referred to Committee on Ways and Means, Subcommittee on Appropriations.

The House resumed consideration of House Bill No. 534 on second reading.

House Bill No. 534, by Representative Mast:

Authorizing a civilian ground observer corps.

The bill was read the second time by sections.

Mr. Klein moved the adoption of the following amendment:

In section 1, subsection (i), page 3, beginning on line 15 of the original bill, being page 3, line 20 of the printed bill, after the words "defense organization" insert a period (.) and strike the remainder of the subsection.

Debate ensued.

The motion was carried and the amendment was adopted.

House Bill No. 534 was ordered engrossed and passed to Committee on Rules and Order for third reading.

MOTION

The Speaker recognized Mr. Mardesich.

Mr. Mardesich:

"Mr. Speaker, I move that the rules be suspended and we revert to the fourth order of business for the purpose of making a motion."
The Speaker:

"It has been moved and seconded that the House revert to the fourth order of business for the purpose of making a motion."

Mr. Clark (Newman H.), demanded an electric roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Petrie.

Mr. Petrie:

"Parliamentary inquiry, Mr. Speaker. The gentleman from Snohomish made the motion that the rules be suspended. Does this motion require a two-thirds majority?"

The Speaker:

"No, not to revert from one order of business to another."

Mr. Petrie:

"I realize, of course, that the Speaker has ruled, but may I prevail upon the Speaker to reconsider the ruling. I refer to House Rule No. 10 which sets forth the order of business, and also Rule No. 12, ‘Any standing rule of order or business may be suspended temporarily by a two-thirds vote of the members present.’ My question is, Mr. Speaker, would Rule No. 10 and Rule No. 12 have to be temporarily suspended in order to revert to the fourth order of business?"

The Speaker declared the House to be at ease.

RULING BY THE SPEAKER

The Speaker:

"Mr. Petrie, you raised this point of order previously in this session, and I stated at that time that we were merely moving within one rule—that we were not suspending the order, but merely making a change in the order of one rule. Therefore, the majority vote of those present would carry the motion. I further cite to you section 259 of Reed’s where it states that there has to be some modification of the Rules to meet the needs of the assembly. I will not go into all of this section 259, but it is a section wherein this modification of our order of business stands. It is a custom that has been established and used in the past. There is a great amount of precedent. I am recognizing the motion on the basis that we require only a majority vote to move back.

"The question before the House is the motion that we revert to the fourth order of business for the purpose of making a motion."

The Clerk called the roll on the motion by Mr. Mardesich to return to the fourth order of business, and the motion was carried by the following vote:

Yeas, 54; nays, 40; absent or not voting, 5.

NOTICE OF RECONSIDERATION

Mr. Sawyer served notice that, having voting on the prevailing side, he would on the next working day move that the House reconsider the vote by which Substitute House Bill No. 156 passed the House.
MOTION FOR RECONSIDERATION

Mr. Dore moved that, having voted on the prevailing side, the House immediately reconsider the vote by which Substitute House Bill No. 156 passed the House.

RULING BY THE SPEAKER

The Speaker:

"You are out of order, Mr. Dore. The rules provide that before the fiftieth day reconsideration of the vote on the final passage of bills must be on the next working day."

POINT OF ORDER

The Speaker recognized Mr. Dore.

Mr. Dore:

"Point of order. I may be wrong, but I believe if I make a motion that we reconsider it now, by a majority vote we can do so now."

The Speaker:

"You are incorrect on that, Mr. Dore. The rules require that one day's notice of reconsideration be given before the fiftieth day, and the other motion would be to suspend the rules, which would require a two-thirds vote."

**POINT OF INQUIRY**

The Speaker recognized Mr. Petrie.

Mr. Petrie:
"Would Mrs. Hurley yield to a question?"

Mrs. Hurley:
"Yes, Mr. Petrie."

Mr. Petrie:
"Mrs. Hurley, do you have any idea how much the federal revenue would be decreased if Congress should fulfill our wishes? Do you have any suggestion as to what federal appropriations could be cut in a similar amount in order to still have a balanced budget?"

Mrs. Hurley:
"I would start in by saying that four and a half to five billion dollars would be lost in revenue, which means that four and a half or five billion dollars have been demanded of the heads of families who are already having enough trouble supporting our state schools and welfare, without having the added difficulty of paying their income tax with such low deductions. I don't have any ideas for our Congressmen, but I imagine if anybody does they could send them another memorial, Mr. Petrie."

**POINT OF INQUIRY**

The Speaker recognized Mr. Adams.

Mr. Adams:
"Would the lady yield to another question?"

Mrs. Hurley:
"If I know the answer, doctor."

Mr. Adams:
"I wonder if you could tell me how much the value of the dollar depreciated during the last four years under the Eisenhower administration, how much it depreciated the previous four years, and then the four years previous to that?"

Mrs. Hurley:
"I don't believe my material covers that. But, in the last five years, food has gone up 11.3%; clothing, 9.2%; housing, 15.7%; transportation, 14.8%; medical care, 25.7%; reading and recreation, 7.7%; and other costs, 5.9%."
FORTY-EIGHTH DAY, MARCH 2, 1957

POINT OF INQUIRY

The Speaker recognized Mr. Clark (Newman H.).

Mr. Clark:

"Would Mrs. Hurley answer another question?"

Mrs. Hurley:

"Yes, Mr. Clark."

Mr. Clark:

"Mrs. Hurley, since we are advised that about one-fourth of the money we pay into the federal government is returned to the benefit of our state, would this reduction of four and a half billion dollars or so that the federal government would receive, enure to the benefit of the people of this state, so we could perhaps pay more money into the treasury of the state or local government for the benefit of our state and local governments?"

Mrs. Hurley:

"That is a typical lawyer’s question, Mr. Clark. I am afraid it is entirely too long for me."

Debate ensued.

MOTION

On motion of Mr. Harris, all members of the House not already on the committee were appointed members of the Committee on Legislative Processes.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Johnston (Elmer E.).

Mr. Johnston:

“Could I rise to a point of personal privilege, Mr. Speaker? I want to state to the members of the House that I would like to extend my congratulations to all House members and to our distinguished Speaker for the very fine way in which we operate this House, the order, decorum, and attention paid to the business. I say this because of an unusual experience I had day before yesterday when I was in the Senate of the United States and noticed the confusion they had there. The President was continually rapping for order, and I felt sorry for him and the members. They have crowded quarters. There is no place for the page boys. I think I would rather be in this House than to be a member of the United States Senate. It was quite a shock and surprise to me to see them try to transact the business they are doing. The membership is limited to a small space and they have a tremendous amount of confusion. They can’t hear each other and they have to holler and shout back and forth. Mr. Speaker, it is wonderful to be back home. Thank you.”

The Speaker:

“Thank you very much for the kind words.”
MESSAGES FROM THE SENATE

House Bill No. 643, by Representative Hansen (Julia Butler):

Relating to licensing of trucks and trailers.

Mr. Speaker:

We, a majority of your Committee on Highways, to whom was referred House Bill No. 643, relating to licensing of trucks and trailers, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

In section 4, page 5, line 30 of the original bill, being page 6, lines 3 and 4 of the printed bill, after the words "thereof within" and before the words "days after" strike the word "ten" and insert in lieu thereof the word "five"

In section 4, page 6, lines 3 and 4 of the original bill, being page 6, line 8 of the printed bill, after the words "of said" and before the word "days" strike the word "ten" and insert in lieu thereof the word "five"

Amend the bill by adding immediately following section 11 two new sections to be numbered sections 12 and 13 respectively, to read as follows:

"Sec. 12. A new section is hereby added to chapter 46.12 RCW to read as follows:

"Any licensed wrecker in possession of a motor vehicle ten years old or older, and ownership of which or whose owner's residence is unknown, may apply to the director of licenses for a permit to junk or wreck such motor vehicle, or any part thereof. Upon such application, a permit may be issued by the director, upon receipt of a fee of one dollar, in a form to be prescribed by the director to authorize such wrecker to wreck or junk such vehicle, or any part thereof.

"Sec. 13. Section 6, chapter 363, Laws of 1955 and RCW 46.16.090 are each amended to read as follows:

"Motor trucks or trailers of less than twenty-six thousand pounds may be specially licensed based on the maximum gross weight thereof for fifty percent of the various amounts set forth in the schedule provided in RCW 46.16.070, when such trucks or trailers are owned and operated by farmers, but only if the following condition or conditions exist:

"(1) When such trucks or trailers are to be used for the transportation of such farmer's own farm, orchard or dairy products from point of production to market or warehouse, and of supplies to be used on his farm; and/or

"(2) When such trucks or trailers are to be used for the infrequent or seasonal transportation by one such farmer for another farmer in his neighborhood of products of the farm, orchard or dairy owned by such other farmer from point of production to market or warehouse, or supplies to be used on such other farm, but only if such transportation for another farmer is for compensation other than money: Provided, however, That farmers shall be permitted an allowance of an additional eight thousand pounds, within the legal limits, on motor trucks or trailers, when used in the transportation of such farmer's own farm machinery between his own farm or farms and for a distance of not more than thirty-five miles from his farm or farms.

"The department shall prepare a special form of application to be used by farmers applying for licenses under this section, which form shall contain a statement to be signed by the farmer to the effect that the vehicle or trailer concerned will be used subject to the limitations of this section. Making employer default on health and welfare payments a crime.

House of Representatives,

Mr. Speaker:

We, a majority of your Committee on Labor, to whom was referred House Bill No. 116, making employer default on health and welfare payments a crime, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendment:

Beginning on line 8 of the original bill, being line 4 of the printed bill, after the words "such payments" strike the comma (,) and all of the matter down to and including the words "such agreement" on lines 10 and 11 of the original bill being line 7 of the printed bill and after the period (.) insert the following: "It shall be unlawful for such an employer (1) to fail, with intent to defraud, to make any payment required by the terms of any such agreement or (2) to knowingly falsify any report required by the terms of any such agreement or (3) to conceal any facts required by such agreement."

Clyde V. Tisdale, Chairman,

We concur in this report: Gordon J. Brown, Wally Carmichael, George G. Dowd, Harry S. Elway, Jr., Herb Hanson, Richard Ruoff, Vivien Twidwell.

The bill was read the second time by sections.

Mr. Tisdale moved the adoption of the committee amendment.

Mr. Durkan moved the adoption of the following amendment to the committee amendment:

Amend the Committee on Labor amendment to section 1, in line 8 of the mimeographed amendment, after the figure "(1)" strike the remainder of the amendment and
insert in lieu thereof the following: "to fail to make any payments required by the terms of any such agreement or (2) falsify any report required by the terms of any such agreement or (3) to conceal any facts required by such agreement."

The motion was carried and the amendment to the committee amendment was adopted.

The Speaker declared the question before the House to be the adoption of the committee amendment as amended.

The motion was carried and the committee amendment as amended was adopted.

The bill was read the second time by sections.

On motion of Mr. Sandison, the rules were suspended, House Bill No. 639 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

**POINT OF INQUIRY**

The Speaker recognized Mr. Rasmussen.

Mr. Rasmussen:
"Will Mr. Clark yield to a question?"

Mr. Clark (Newman H.):
"Yes, sir."

Mr. Rasmussen:
"In your bill No. 639, it says reasonable compensation for expenses of administration to be paid to the members of the board. How is that handled now?"

Mr. Clark:
"At the present time it has to be absorbed by the State of Washington. The travel expenses of the State Tax Commission representative have to be paid by the state."
Mr. Rasmussen:

"That is part of the general tax administration expense, and will be taken from the
decedent's estate?"

Mr. Clark:

"That is right."

Mr. Rasmussen:

"Aren't you afraid that might become a prohibitive expense?"

Mr. Clark:

"No, the court will have jurisdiction. It would be subject to review and objection,
if it is excessive, at a hearing before the court."

Mr. Petrie:

"Will Mr. Litchman yield to a question?"

Mr. Litchman:

"Yes."

Mr. Petrie:

"Mr. Litchman, there are persons who are found to be mentally ill and who are committed to private institutions. Would this bill give the department the authority to go in and examine, without the necessity of obtaining a court order, those files as well?"

Mr. Litchman:

"Mr. Petrie, I really do not have a definite answer. To my understanding, this only pertains to the jurisdiction of the department of institutions. I might be incorrect in regard to this and, in order to answer the question, possibly we should defer action on this and place it at the end of the third reading calendar."

On motion of Mr. Petrie, the House deferred further consideration of House Bill No. 682 on third reading, and the bill was placed at the end of today's calendar for third reading.

SPEAKER'S PRIVILEGE

The Speaker recognized Mr. Clark (Newman H.).

Mr. Clark:

"Mr. Speaker, I see that the pages from the Senate and Senator David Cowen are here. Would the House permit an interruption while they come forward?"
The Speaker (Mr. Mardesich):

"With permission of the House, we will sustain an interruption until we determine the purpose of their visit."

Senator Cowen:

"Mr. Speaker, members of the House, I would like to have all the pages of the House come down to the front and line up, because I wish to give them a little remembrance of the legislature. I am sure they will never forget this day. Will all of the pages of the House please come forward to the front of the Chamber?"

The pages of the House lined up at the front of the House Chamber.

Senator Cowen:

"I want each page to come forward one at a time, and as he receives his watch I want him to state his name and the town he is from."

Senator Cowen then presented a watch to each of the pages of the House.

Senator Cowen:

"Members of the House, it was twenty-two years ago that I was sitting back there in the back seat. I see Cap Edwards, Bill Carty, and Zack Vane are the only ones left that were here at that time. That was during the depression, and children like these came in here and the rags they were wearing were pitiful. I thought if I was ever going to do anything for anybody that was the best time. So, it was my idea at that time that we put the pages in uniform. Ever since that, we have been putting them in uniform. I also saw to it they had a little memory of that session, a watch, the same as we are giving away today."

The Speaker (Mr. Mardesich):

"Thank you, Senator Cowen."

The Speaker resumed the chair.

Mr. Edwards:

"Mr. Speaker, Ladies and Gentlemen of the House. In 1935 Senator Cowen was in the House. He was a young man, very progressive, and was a member of the Appropriations Committee when I was Chairman. He made a wonderful showing as a member of that committee.

"In 1937 I went to the Senate and became Chairman of the Appropriations Committee there. Davey Cowen was Chairman of the House Appropriations Committee in 1937, and he did a fine job."

The Speaker recognized Mrs. Hurley.

Mrs. Hurley:

"Mr. Speaker, in the name of the members of the House of Representatives, I wish to express our appreciation to the Senator for the wonderful thing he has done for our pages today. We appreciate him a great deal in Spokane. We have had wonderful work from our pages, and we appreciate it. Thank you, Senator."

Senator Cowen:

"Mrs. Hurley, I greatly enjoy doing things for children. I find a great deal of pleasure in helping children at a time when they are learning to stand alone. Just last summer a young man came up to the office and showed me a watch he had received here years before. He had never forgotten, and I have never forgotten the pleasure of giving a boy a gift. I am sure if we all do something on this earth for children our names will be written on the memorial with real and good people."

The Speaker:

"Before you leave, Senator Cowen, I wish to comment that I know Senator Cowen has been doing this for many years. I think this is a grand thing that Davey is doing for the children. I know they are going to remember you for a long time. It is a wonderful gesture, and may God bless you."

The House resumed consideration of bills on third reading.

PROPOSITIONS AND MOTIONS

RESOLUTION

Resolution by Representatives Dore, Litchman, and Hurley:

WHEREAS, The National Invitational Basketball Tournament in New York is one of America's major athletic events; and
WHEREAS, The basketball team of Seattle University, a privately supported institution located in the heart of Seattle, has been invited to participate therein; and
WHEREAS, Their participation in this event will bring national attention and recognition to Seattle University and to the state of Washington in the field of sports; and
WHEREAS, The state of Washington is desirous of obtaining such favorable recognition from the rest of the United States in order to promote the state as a tourist attraction to the ensuing benefit of all the citizens of the state; and
WHEREAS, The members of the team and coaching staff have brought honor to Seattle University, to the city of Seattle and to the state of Washington and by their sportsmanship and fair play as well as by their athletic ability, have set an excellent example for the youth of this state:

Now, Therefore, Be It Resolved, That the House of Representatives of the state of Washington go on record as commending Seattle University and particularly Elgin Baylor, Jim Harney, Thornton Humphrey, Clair Markey, Robert Miller, Lloyd Murphy, Rico Parenti, Francis Saunders, Richard Stricklin and William Wall, the Chieftain team members; John Castellani, their coach; Father Rehbahr, faculty representative; Claude Norris, trainer; and Dave Tuffs, team manager, for their splendid accomplishments as a basketball team and for their fine representation of the state of Washington.

On motion of Mr. Dore, the resolution was adopted.

The Speaker called on Mr. Savage to preside.

SECOND READING OF BILLS

Substitute House Bill No. 396, by Committee on Industrial Insurance:

Amending industrial insurance code.

The bill was read the second time by sections.

Mr. Adams moved the adoption of the following amendment:

Immediately following section 22 add four new sections to be known as sections 23, 24, 25, and 26, to read as follows:

Sec. 23. (1) Where death results from the injury the expenses of burial not to exceed [two] three hundred fifty dollars shall be paid to the undertaker conducting the funeral.

(2) If the workman leaves a widow or invalid widower, a monthly payment of one hundred fifteen dollars shall be made throughout the life of the surviving spouse, to cease at the end of the month in which remarriage occurs, and the surviving spouse shall also receive per month for each child of the deceased at the time any monthly payment is due the following payments: For the youngest or only child, twenty-[five] nine dollars, for the next or second youngest child, twenty-three dollars, and for each additional child [ten] twelve dollars, but the total monthly payments shall not exceed [one hundred seventy-five] two hundred three dollars and any deficit shall be deducted proportionately among the beneficiaries. In addition to the monthly payments above pro-
vided for, a surviving widow, or parent or parents, if there is no surviving widow of any such deceased workman shall be forthwith paid the sum of three hundred forty-five dollars.

Upon remarriage of a widow she shall receive, once and for all, a lump sum of one thousand one hundred fifty dollars, and the monthly payments to such widow shall cease at the end of the month in which remarriage occurs, but the monthly payments for the child or children shall continue as before.

(3) If the workman leaves no wife or husband, but an orphan child or children, a monthly payment of forty-six dollars shall be paid to each such child, but the total monthly payments shall not exceed one hundred (sixty) eighty-four dollars and any deficit shall be deducted proportionately among the beneficiaries.

(4) In the event a surviving spouse receiving monthly payments dies, leaving a child or children, each shall receive the sum of forty-six dollars per month, but the total monthly payment shall not exceed one hundred (sixty) eighty-four dollars and any deficit shall be deducted proportionately among the beneficiaries.

(5) If the workman is under the age of twenty-one years and unmarried at the time of his death, the parent or parents of the workman shall receive twenty-five dollars for each month after his death until the time at which he would have arrived at the age of twenty-one years.

(6) If the workman leaves no widow, widower or child, but leaves a dependent or dependents, a monthly payment shall be made to each dependent equal to fifty percent of the average monthly support actually received by such dependent from the workman during the twelve months next preceding the occurrence of the injury, but the total payment to all dependents in any case shall not exceed sixty-nine dollars per month. If any dependent is under the age of eighteen years at the time of the occurrence of the injury, the payment to such dependent shall cease when such dependent reaches the age of eighteen years. The payment to any dependent shall cease if and when, under the same circumstances, the necessity creating the dependency would have ceased if the injury had not happened.

(7) If the injured workman dies during the period of permanent total disability, whatever the cause of death, leaving a widow, invalid widow, or child, or children, the surviving widow or invalid widow shall receive one hundred fifteen dollars per month until death or remarriage, to be increased per month for each child of the deceased, as follows: For the youngest or only child, twenty-five dollars, for the next or second youngest child, twenty-three dollars, and for each additional child twelve dollars. Provided, That the total monthly payments shall not exceed one hundred seventy-five dollars and any deficit shall be deducted proportionately among the beneficiaries; but if such child is or shall be without father or mother, such child shall receive forty-six dollars per month, but the total monthly payment to such children shall not exceed two hundred thirty-two dollars, and any deficit shall be deducted proportionately among the children. Upon remarriage the payments on account of the child or children shall continue as before to such child or children.

Sec. 24. When the supervisor of industrial insurance shall determine that permanent total disability results from the injury, the workman shall receive monthly during the period of such disability:

(1) If unmarried at the time of the injury, the sum of one hundred fifteen dollars.

(2) If the workman has a wife or [invalid] husband, but no child, the sum of one hundred twenty-five dollars. [If the husband is not an invalid the monthly payment of one hundred twenty-five dollars shall be reduced to seventy-five dollars as long as they are living together as husband and wife.]

(3) If the workman has a wife or husband and a child or children, or, being a widow widower having any such child or children, the monthly payment in subdivision (2) shall be increased by twenty-five dollars for the youngest or only child, twenty-three dollars for the next or second youngest child, and twelve dollars for each additional child, but the total monthly payments shall not exceed two hundred thirty-two dollars and any deficit shall be deducted proportionately among the beneficiaries.

(4) In case of permanent total disability, if the character of the injury is such as to render the workman so physically helpless as to require the services of an attendant, the monthly payment to such workman shall be increased fifty-eight dollars per month as long as such requirement continues, but such increase shall not obtain or be operative while the workman is receiving care under or pursuant to any of the provisions of chapters 51.36 and 51.40.
(5) Should any further accident result in the permanent total disability of an injured workman, he shall receive the pension to which he would be entitled, notwithstanding the payment of a lump sum for his prior injury.

Sec. 25. (1) For the permanent partial disability here specifically described, the injured workman shall receive compensation as follows:

(2) Compensation for any other permanent partial disability shall be in the proportion which the extent of such other disability, called unspecified disability, shall bear to that above specified, which most closely resembles and approximates in degree of disability such other disability, but not in any case to exceed the sum of six thousand seven hundred fifty dollars: Provided, That the total compensation for all unspecified permanent partial disabilities resulting from the same injury shall not exceed the sum of six thousand seven hundred fifty dollars. For disability to a member not involving amputation, not more than three-fourths of the foregoing respective specified sums shall be paid: Provided further, That payment for any injury to minor hand or arm or any part thereof, shall not exceed ninety-five percent of the amounts hereinbefore enumerated: Provided further, That in case permanent partial disability compensation is followed by permanent total disability compensation, any portion of the permanent partial disability compensation which exceeds the amount that would have been paid the injured workman if permanent total disability compensation had been paid in the first instance, shall be deducted from the pension reserve of such injured workman and his monthly compensation payments shall be reduced accordingly.
(3) If the injured workman is under the age of twenty-one years and unmarried, the parents or parent shall also receive a lump sum payment equal to ten percent of the amount awarded to the minor workman.

(4) Should a workman receive an injury to a member or part of his body already, from whatever cause, permanently partially disabled, resulting in the amputation thereof or in an aggravation or increase in such permanent partial disability but not resulting in the permanent total disability of such workman, his compensation for such partial disability shall be adjudged with regard to the previous disability of the injured member or part and the degree or extent of the aggravation or increase of disability thereof.

Sec 26. (1) When the total disability is only temporary, the schedule of payments contained in [subdivision (1), (2), (3) of RCW 51.32.060] subsection (2) shall apply, so long as the total disability continues.

(2) [But] If the injured workman has a wife or husband and has no child or has a wife or husband or, being a widow or widower, with one or more children, the compensation for the case during such period of time as the total temporary disability continues, shall be per month as follows; to wit: (a) [Injured workman whose husband is not an invalid, seventy-five dollars, and for the youngest or only child, ten dollars, and for each additional child, seven dollars and fifty cents, but the total monthly payments shall not exceed one hundred fifteen dollars and any deficit shall be deducted proportionately among the beneficiaries; (b)] Injured workman with wife or [invalid] husband and no child, one hundred [ten] twenty-seven dollars; injured workman with wife or [invalid] husband and one child, or being a widow or widower and having one child, one hundred [thirty-five] fifty-five dollars; [ (c) ] (b) injured workman with wife or invalid husband and two children, or being a widow or widower and having two children, one hundred [eighty-five] one hundred forty dollars and [ten] twelve dollars for each additional child, but the total monthly payments shall not exceed [one] two hundred eighty-five dollars and any deficit shall be deducted proportionately among the beneficiaries.

Any compensation payable under this section for children not in the custody of the injured workman as of the date of injury shall be payable only to such person as actually providing the support for such child or children pursuant to the order of a court of record providing for support of such child or children.

(3) As soon as recovery is so complete that the present earning power of the workman, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall cease. If and so long as the present earning power is only partially restored, the payments shall continue in the proportion which the new earning power shall bear to the old. No compensation shall be payable out of the accident fund unless the loss of earning power shall exceed five percent.

(4) No workman shall receive compensation out of the accident fund for or during the day on which injury was received or the three days following the same.

(5) Should a workman suffer a temporary total disability and should his employer at the time of the injury continue to pay him the wages which he was earning at the time of such injury, such injured workman shall not receive any payment provided in subsection (1) (2) of this section from the accident fund during the period his employer shall so pay such wages.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Adams.

Mr. Adams:

"Personal privilege, Mr. Speaker. The amendment which I offered to this bill would provide for an increase in the disability awards equivalent to approximately twenty percent. This amendment included sections taken from the original House Bill No. 396.

"House Bill No. 267 was passed and transmitted to the Senate where it appears to be in a dead-lock. This provided for approximately thirty percent increase in these benefits. The purpose of my amendment was to attempt to obtain a twenty percent increase for workmen in the event that the thirty percent increase was not acceptable to the Senate."

The Speaker resumed the chair.
MOTION

Mr. Clark (Newman H.) moved that the House defer further consideration of Substitute House Bill No. 396 on second reading, and that the bill retain its place on tomorrow's calendar for second reading.

Debate ensued.

The motion was lost.

The Speaker declared the question before the House to be the adoption of the amendment by Mr. Adams.

Debate ensued.

Mr. Clark (Newman H.) demanded an electric roll call and the demand was sustained.

Mr. Sandison demanded a call of the House and the demand was sustained.

CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Munro and Ruoff.

The Sergeant at Arms was instructed to bring the absent members to the bar of the House.

MOTION

On motion of Mr. Mardesich, the absent members were excused and the House proceeded with business under the call of the House.

The Speaker declared the question before the House to be the adoption of the amendment by Mr. Adams.

The Clerk called the roll on the adoption of the amendment by Mr. Adams, and the amendment was not adopted by the following vote: Yeas, 42; nays, 55; absent or not voting, 2.

Those voting nay were: Representatives Beierlein, Bernethy, Bigley, Bozarth, Braun (Eric D.), Brouillet, Brown (Gordon J.), Burns, Campbell, Carmichael, Carty, Dore, Dowd, Durkan, Epton, Farrington, Gallagher (Bernard J.), Gallagher (Phil H.), Gleason, Goldmark, Hansen (Julia Butler), Hanson (Herb), Henry, Hurley, King, Kink, Klein, Litchman, Mardesich, Mast, McCormack (Mike), McCormick (W. POINT OF ORDER

The Speaker recognized Mr. Brown.

Mr. Brown:

"Point or order, Mr. Speaker. The last amendment we voted on was on line 23, page 2 of the bill. Now we have passed this part of the bill. Is it now proper to offer an amendment to page 1 of the bill?"

RULING BY THE SPEAKER

The Speaker:

"His amendment would be in order because I believe only the last line of this bill was read, and on that basis the Speaker will rule, as I have previously, that we can move from one part of the bill back to another for amendment."

Debate ensued.

The motion was carried on a rising vote and the amendment was adopted.

Mr. Clark (Newman H.) moved the adoption of the following amendment:

In section 1, page 2, line 23 of the printed bill, after the comma (,) following the word "compensation" and before the words "and actual" insert the following: "not to exceed $25.00 per day or $250.00 per month each,"
Debate ensued.
The motion was lost on a rising vote and the amendment was not adopted.

Mr. Johnston (Elmer E.) moved the adoption of the following amendment:

In section 1, page 2, line 21 of the printed bill, after the word "persons" and before the word "assist" insert the following: "to include two persons from labor, two persons from industry, and one person from agriculture."

Debate ensued.

Relating to former employees of the public service commission.
The bill was read the second time by sections.

On motion of Mr. Dore, the following amendment was adopted:

In section 1, lines 8 and 9 of the original bill, being lines 3 and 4 of the printed bill, after the words "period of" and before the words "immediately following" strike the words "three years" and insert in lieu thereof the words "one year"

Mr. Timm moved the adoption of the following amendment:

Strike the whole of section 1 and insert in lieu thereof the following:

"Section 1. There is added to chapter 43.01 RCW a new section to read as follows:

"No official of any commission, board, or committee provided in title 43 RCW shall for a period of one year immediately following the termination of his term of office or employment, be employed by, serve, or represent, directly or indirectly, any utility,
person, business, or organization, regulated by, subject to the jurisdiction of, or other­
wise directly affected by the actions of such board, commission, or committee. Any vio­
lation of the provisions of this section shall constitute a gross misdemeanor.”

Debate ensued.

POINT OF ORDER

The Speaker recognized Mr. Gallagher (Bernard J.).

Mr. Gallagher:

“Point of order, Mr. Speaker. I believe the title of the bill relates to officials of the Public Service Commission, and Mr. Timm is attempting to put in matter not relative to the Public Service Commission.”

Mr. Timm:

“I have an amendment to the title, too. It is in a different chapter, but the same Title of RCW. This amendment pertains to the Title covering all the state departments, which does include the Public Service Commission.”

RULING BY THE SPEAKER

The Speaker:

“The Speaker is going to rule Mr. Timm’s amendment in order. It apparently en­larges the scope of the act.”

Debate ensued.

The motion was lost and the amendment was not adopted.

Mr. Clark (Newman H.) moved the adoption of the following amendment:

In section 1, line 7 of the printed bill, after the word “commission” and before the period (.) add the words “unless consent thereto is granted in writing by the chairman or head of the commission or successor commission or department”

POINT OF INQUIRY

The Speaker recognized Mr. Nicholson.

Mr. Nicholson:
"Will the gentleman, Mr. Lindell, submit to a question?"

Mr. Lindell:
"I will."

Mr. Nicholson:
"Mr. Lindell, isn't it true that this function would be supervised by the Student Board of Control, a body which has absolute authority, and that the student body has no real power over that Board of Control? Isn't it also true that this Board of Control has administrative advisors who are connected with the athletic department; and isn't it true, in the third place, that these supervisors are connected with sports other than simply football?"

Mr. Lindell:
"Well, I think I can answer all of the questions with a few short sentences. We are limiting the whole discussion to one institution. Actually, there are two involved. The financing, the spending of money in the ASUW, is by the Board of Control and through a committee appointed by the president. All final decisions are made by the president of the University of Washington. There are divisions of these committees to protect the interests of the president's office, so if he desires to exercise negative power in any of these areas, he certainly can. He appoints a sufficient number of people in all of these areas so there is constantly a direct pipeline to the president's office and the Board of Regents."

Debate ensued.

The motion was lost and the amendment was not adopted.

EXPLANATION OF VOTE
Although I voted against House Joint Resolution No. 17 on final passage, because of inadvertence or mechanical failure the electric roll call machine recorded my vote as in favor of House Joint Resolution No. 17. My record of continued and long-standing opposition to a state graduated net income tax has been established in my years of service in the House of Representatives, and I desire the Journal to show that I intended to vote against House Joint Resolution No. 17, and believed that my vote had been recorded against House Joint Resolution No. 17. CATHERINE D. MAY.

SECOND READING OF BILLS

House Bill No. 574, by Representatives Gallagher (Bernard J.), Bernethy, and Sandison:
Increasing unemployment benefits to a maximum of $45.00 a week.

MOTION
On motion of Mr. Sandison, the House deferred further consideration of House Bill No. 574 on second reading, and the bill was made a special order of business for three o'clock p. m. today.
The Speaker resumed the chair.

Engrossed Senate Bill No. 118, by Senators Gissberg and Zednick (by Legislative Council request):
Requiring bidding for contracts with university and state college.
The bill was re-read the second time by sections.
Mr. Lindell moved the adoption of the following amendment:
In section 1, lines 4 and 5 of the printed bill, after the words “press brochures” and before the words “and letting” strike the following: “yearbook, magazines, and newspapers”
Debate ensued.

POINT OF INQUIRY

Mr. Sandison:
“Would Mr. Lindell submit to a question?”
The Speaker:
“Will you submit to a question, Mr. Lindell?”
Mr. Lindell:
“Yes.”
Mr. Sandison:
“This is just for my own information. What does each annual cost at the University of Washington?”
Mr. Lindell:
“I think it is about $7.00.”
Mr. Sandison:
“About how many are printed?”
Mr. Lindell:
“I would guess it would be above two thousand.”
Mr. Sandison:
“Would you know what the cost is of printing and so forth of the paper?”
Mr. Lindell:
“They have their own printing press on the campus in one of the new buildings. They own all of their equipment. I don’t know the cost, but I do know each year they
come to us with a deficit in their operation. It is not intended to be a profitable venture. They actually lose money on their daily paper, but it is felt that rather than charge more for the paper, they would rather continue operating at a loss because of the services rendered to the students."

Mr. Young demanded a call of the House and the demand was sustained.

**CALL OF THE HOUSE**

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Bernethy, Burns, Gallagher (Bernard J.), Mardesich, McCormick (W. L.), Munro, Rasmussen, and Rickdall.

The Sergeant at Arms was instructed to bring in the absent members.

Representatives Bernethy, Gallagher (Bernard J.), Mardesich, Munro, Rasmussen, and Rickdall appeared before the bar of the House.

On motion of Mr. Sandison, the absent members were excused and the House proceeded with business under the call of the House.

The Speaker declared the question before the House to be the adoption of the amendment by Mr. Lindell.

The motion was lost and the amendment was not adopted.

Mr. Clark (Newman H.) moved the adoption of the following amendment:

In section 1, page 2, line 9 of the printed bill, after the period (.) following the words "with its terms" add a new sentence to read as follows: "Nothing in this act shall apply to the book stores connected or dealing with the associated student bodies or associations, or the printing facilities and supplies used relative to education and non-football activities of the university of Washington or the state college of Washington."

Debate ensued.

**POINT OF INQUIRY**

The Speaker recognized Mr. Farrington.

Mr. Farrington:

"Would Mr. Clark yield to a question?"

Mr. Clark (Newman H.):

"Yes, I would be glad to."

Mr. Farrington:

"Your amendment applies only to the book store and printing facilities, and has nothing to do with the concessions or football?"

Mr. Clark:

"Just the store and the printing facilities. They have their own printing press and school communications. They have a brand new building for communications and their own staff made up of students. They put out the various things that are necessary for the extension courses, certification of teachers, and things of that sort. This amendment is vital and it will hurt the whole school teaching program if you don't adopt it. It has no connection whatsoever with athletics or football."

Debate ensued.

**POINT OF INQUIRY**

Mr. Dore:

"Would the gentleman, Mr. Clark, yield to a question?"

Mr. Clark (Newman H.):

"I will yield."
Mr. Dore:
"Under the amendment, would it be possible for the university to transfer its football ticket and athletic brochure printing to the book store?"

Mr. Clark:
"They do not have the facilities and equipment for programs of that type."

Mr. Dore:
"My question is, would it be possible under your amendment, if they did have the equipment, to also print the football tickets and brochures and so forth?"

Mr. Clark:
"They don't have the machinery, the equipment, or the desire, and it is always farmed out; it always has been farmed out over the many years; they have never touched it."

Mr. Dore:
"My question is, would the language prohibit it?"

Mr. Clark:
"My amendment is only to exclude the part that has nothing to do with what the bill proposes. I don't want anyone to say that the book store cannot operate or the university cannot print its notices, its educational programs, and so on, that they have been printing. That is all they print. As far as programs are concerned, they have never touched a football program."

Mr. Dore:
"Mr. Clark, I would like to vote for your amendment. Can you assure me that it is not the intent of your amendment to transfer this function to the book store?"

Mr. Clark:
"It certainly is not. I have no intent to protect athleticism in any way whatsoever from any criticism anybody may want to make. If these boys do something wrong, I am just as quick to criticize them, and I would not attempt to protect them in any manner, shape, or form."

Debate ensued.

MOTIONS

Mr. Dore moved that the House defer further consideration of Engrossed Senate Bill No. 118 on second reading and that the bill be placed at the end of today's calendar for second reading.

Debate ensued.

On motion of Mr. Sandison, the motion by Mr. Dore was amended to defer consideration of Engrossed Senate Bill No. 118 until tomorrow.

Mr. Stokes moved the adoption of the following amendment:

In section 9, page 6, line 13 of the printed bill, strike the whole of section 9.

Debate ensued.

POINT OF ORDER

The Speaker recognized Mr. Hawley.

Mr. Hawley:

"Point of order, Mr. Speaker. Was Mr. Wang's amendment adopted?"

The Speaker:

"Yes, it was."

Mr. Hawley:

"What would be the effect if Mr. Stokes' amendment is adopted? Would Mr. Wang's amendment go with it?"

The Speaker:

"It shouldn't go with it. Under Reed's Rules, an adopted amendment cannot immediately be followed by an amendment striking it. So there is a question here relative to Mr. Stokes' amendment to strike this section. Apparently, he wants to strike the existing section. It doesn't state whether he wants to strike the additional matter contained in the amendment by Mr. Wang. According to the way this amendment is written, it would strike the whole of section 9, with the exception of the amendment."

Mr. Stokes:

"I move that the amendment be amended to include the amendment by Mr. Wang."
RULING BY THE SPEAKER

The Speaker:

"Section 136 of Reed's states in part as follows: 'If the amendment is decided in the affirmative, then the words inserted cannot any of them be stricken out, except with other words, and then only when, with other words, they constitute a new proposition.' It appears under these circumstances that the motion by Mr. Stokes would be somewhat ambiguous and out of order. Under the circumstances, Mr. Stokes' amendment is out of order."

Engrossed Senate Bill No. 223 as amended by the House was passed to Committee on Rules and Order for third reading.

Senate Bill No. 268, by Committee on State Resources, Forestry, and Lands: Repealing all regulations on export of Christmas trees.

House Bill No. 254, by Representatives Beierlein and Hansen (Julia Butler):

Providing for the staggered registration system of licensing motor vehicles.

Mr. Speaker:

We, a majority of your Committee on Highways, to whom was referred House Bill No. 254, providing for the staggered registration system of licensing motor vehicles, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

In section 1, page 1, line 9 of the original bill, being page 1, line 1 of the printed bill, after the words "On or after" and before the comma (,) preceding the words "all vehicles" strike the word and punctuation "July 1, 1956" and insert in lieu thereof the following: "January 1, 1959”

Strike the whole of sections 2, 3 and 4, and insert in lieu thereof the following:

"Sec. 2. All motor vehicles, other than those exempted by section 1 of this amendatory act, which are operated for the first time on or after January 1, 1959 upon the public highways of this state, shall be subject to registration and payment of fee for the twelve-month period commencing with the first day of the month of operation.

"Sec. 3. In order to allow an orderly change over from the system of calendar year registration to the staggered registration system, the director of licenses may register such motor vehicles as are defined in section 1 of this amendatory act for less than a twelve-month period. This may be done at any time or times during the ten-year period beginning January 1, 1959 when the director of licenses determines that such fractional registration tends to fulfill the purpose of the staggered registration system. For such fractional registration periods the registration fee shall be computed and imposed on the basis of the ratio that such fractional registration periods bear to a full twelve months registration period. The director of licenses shall prescribe reasonable rules to govern such fractional registration. The allocation of motor vehicles to said new monthly intervals by this fractional registration shall be such as will result, in the judgment of the director, in a uniform distribution of the clerical work of registration throughout the year.

"Sec. 4. Motor vehicles, other than those exempted by section 1 of this amendatory act, not previously registered in this state and operated upon the public highways of this state for the first time on or after January 1, 1959, shall be registered for a full twelve-months period commencing the first day of the month of operation."
Strike the whole of section 6, and renumber the remaining sections consecutively.

In the old section 11, page 6, line 21 of the original bill, being page 6, line 24 of the printed bill, after the words "tax may be" and before the word "than" strike the words "imposed for periods of more" and insert in lieu thereof the words "computed and imposed for periods of less".

In the old section 12, page 7, lines 5 and 6 of the original bill, being page 7, lines 5 and 6 of the printed bill, after the words "tax may be" and before the words "than one year" strike the words "imposed for periods of more" and insert in lieu thereof the words "computed and imposed for periods of less".

JULIA BUTLER HANSEN, Chairman,

RESOLUTION

Resolution by Representatives Tisdale, Rasmussen, and Olsen:

Be It Resolved By the House of Representatives of the State of Washington:

WHEREAS, The public interest demands that there be no cessation of the continuity of care of patients in hospitals, nursing homes and other health care activities by reason of labor disputes; and

WHEREAS, Present laws are inadequate to secure the adjustment of grievances by employees and to prevent effectively the causes of labor disputes in health care activities;

Now, Therefore, Be It Resolved, By the House of Representatives of the state of Washington, That the legislative council is hereby directed to study the problem of the adjustment of labor relations in hospitals, nursing homes and other health care activities, both public and private, with the view to eliminating the causes of labor disputes and interruptions of the care of patients caused thereby, and to report to the 1959 legislature the results of their studies.

On motion of Mr. Tisdale, the resolution was adopted.

MESSAGES FROM THE GOVERNOR

State of Washington, Executive Department, Olympia, March 6, 1957.

To the Honorable, the House of Representatives of the State of Washington.

LADIES AND GENTLEMEN:
I have the honor to advise that the Governor has approved the following House Bills, entitled:

Substitute House Bill No. 68:
"An Act relating to state government; providing for administration of laws pertaining to the natural resources of the state; establishing a new department of natural resources consisting of a board, an administrator and a supervisor; abolishing certain offices, departments, boards, commissions and committees; transferring powers, duties and functions of the abolished agencies and others to the new department; prescribing the powers, duties and functions of the board, administrator and the supervisor; providing for the financing of the new agency; and declaring an emergency."

House Bill No. 119:
"An Act relating to cemetery districts; and amending section 13, chapter 6, Laws of 1947 and RCW 68.16.130."

Very truly yours,
WARREN A. BISHOP,
Assistant to the Governor.

State of Washington, Executive Department, Olympia, March 5, 1957.

To the Honorable, the House of Representatives of the State of Washington.

LADIES AND GENTLEMEN:
I am returning herewith without my approval as to section 2, House Bill No. 188 entitled:
"An Act providing for the acquisition by purchase by the state forest board of certain lands in Clallam county from the federal government and making an appropriation therefor."

State of Washington, Executive Department, Olympia, March 5, 1957.
This bill authorizes the state forest board to acquire from the federal government certain real property situated in Clallam County, State of Washington. Section 2 of the bill appropriates from the forest development fund $5,000 to acquire the real property described in section 1 of this bill.

Chapter 370, Laws of 1955, abolishes the forest development fund and establishes a forest development account in the state general fund.

I feel that the appropriation made by section 2 is null and void and in order to accomplish the purpose of this bill I suggest that there be appropriated the $5,000 from the forest development account in the general fund and that this appropriation be included in the supplemental appropriation bill.

For the reasons indicated section 2 is vetoed and the remainder of the bill is approved.

Respectfully submitted,

ALBERT D. ROSSELLINI, Governor.

MOTION

Mr. Sandison moved that the Governor's veto message and House Bill No. 188 be referred to Committee on Rules and Order. The motion was carried.

SENATE AMENDMENTS TO HOUSE BILL

Senate Chamber,
Olympia, Wash., March 6, 1957.

Mr. Speaker:

The Senate has passed: House Bill No. 375 with the following amendments:

Following section 1, page 1, line 14 of the original bill, being page 1, line 10 of the printed bill, add a new section to be known as section 2, reading as follows:

"Sec. 2. Section 104, chapter 189, Laws of 1937 and RCW 46.60.320 are each amended to read as follows:

Any person operating a vehicle carrying passengers for hire or a school bus or a vehicle in which are being transported explosive substances or flammable liquids or any other substance listed as a dangerous article under the regulations of the Interstate..."
Commerce Commission shall bring such vehicle to a full stop within fifty feet, but not less than twenty feet, of any railroad or interurban grade crossing before proceeding across it. Any person operating a vehicle, other than those specifically mentioned above, shall, upon approaching the intersection of any public highway with a railroad or interurban grade crossing, reduce the speed of his vehicle to a rate of speed not to exceed that at which, considering the view along the track in both directions, the vehicle can be brought to a complete stop not less than ten feet from the nearest track in the event of an approaching train. The actual maximum speed permitted on the approach to any highway-railroad grade crossing on a public highway may be controlled by signs posted on the approach thereto, and the director of highways shall place, as soon as is practicable, approach signs upon state highways, setting the maximum speed allowed at crossings and within one hundred feet on the approach thereto. No stop need be made at any such highway-railroad grade crossing where a peace officer directs traffic to proceed."

In line 1 of the title of the original bill, being line 1 of the title of the printed bill, after the semicolon (;) following the word "vehicles" strike the remainder of the title and insert in lieu thereof the following: "and amending sections 78 and 104, chapter 189, Laws of 1937 and RCW 46.60.050 and 46.60.320.", and the same is herewith transmitted.

WARD BOWDEN, Secretary.

SPECIAL ORDER OF BUSINESS

The hour of eleven o'clock a. m. having arrived, the Speaker declared the question before the House to be the special order of business, Substitute House Bill No. 532 on second reading.

Substitute House Bill No. 532, by Committee on Social Security and Public Assistance:

Authorizing establishment, licensing, and regulating of boarding homes for aged.
Mr. Speaker:

We, a majority of your Committee on Ways and Means, Subcommittee on Appropriations, to whom was referred Substitute House Bill No. 532, authorizing establishment, licensing, and regulating of boarding homes for aged, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

In section 2, subsection (2), page 1, line 19 of the original substitute bill, being page 1, line 13 of the printed bill, after the words "three or more aged" and before the words "persons not related" insert the word "ambulatory"

In section 2, page 1 of the original substitute bill, being page 2 of the printed bill, immediately following the last line of subsection (2), add a new subsection to be known as subsection (3) to read as follows:

"(3) Ambulatory person means any person who, without aid, is physically and mentally capable of walking a normal path to safety, including the ascent and descent of stairs."

Renumber the remaining subsections consecutively.

In section 8, page 5, line 10 of the original substitute bill, being page 5, line 11 of the printed bill, after the colon (:) following the word "groups" strike the remainder of the sentence and insert in lieu thereof the following: "The Washington state legislature, the department of public assistance, nonprofit retirement homes, commercial boarding homes, and Washington state licensed nursing homes."

On page 8 of the original substitute bill, being page 8 of the printed bill, strike the whole of section 18 and renumber the remaining sections consecutively.

A. E. Edwards, Chairman,
Chet King, Vice Chairman.

The bill was read the second time by sections.

Mrs. Hurley moved the adoption of the committee amendment to section 2, subsection (2), page 1, line 19 of the substitute bill.

Debate ensued.

The motion was lost and the amendment was not adopted.

On motion of Mrs. Hurley, with the consent of the House the second committee amendment to section 2, page 1 of the original substitute bill was withdrawn.

Mrs. Hurley moved the adoption of the committee amendment to section 8, page 5, line 10 of the original substitute bill.

Debate ensued.

Mr. Brown (Gordon J.), demanded the previous question and the demand was sustained.

The motion was lost on a rising vote and the amendment was not adopted.

Mr. Edwards moved that the committee amendment to page 8 of the original substitute bill be not adopted.

Debate ensued.

MOTION

Mr. Clark (Newman H.) moved that the House recess for ten minutes.

The motion was lost.

Debate ensued.

The motion by Mr. Edwards was carried and the amendment was not adopted.

Mr. Gallagher (Bernard J.) moved the adoption of the following amendment:
Strike all the matter following the enacting clause and insert in lieu thereof the following:

"Section 1. The purpose of this act is to provide for the development, establishment, and enforcement of standards for the maintenance and operation of boarding homes, which, in the light of advancing knowledge, will promote safe and adequate care of the individuals therein.

"Sec. 2. As used in this act:

"(1) "Aged person" means a person of the age of sixty-five years or more, or a person of less than sixty-five years who by reason of infirmity requires domiciliary care.

"(2) "Boarding home" means any home or other institution, however named, which is advertised, announced or maintained for the express or implied purpose of providing board and domiciliary care to three or more aged persons not related by blood or marriage to the operator. It shall not include any home, institution or section thereof which is otherwise licensed and regulated under the provisions of state law providing specifically for the licensing and regulation of such home, institution or section thereof.

"(3) 'Person' means any individual, firm, partnership, corporation, company, association, or joint stock association, and the legal successor thereof.

"(4) 'Director' means the state director of health.

"(5) 'Board' means the state board of health.

"(6) 'Department' means the state department of health.

"(7) 'Authorized department' means any city, county, city-county health department or health district authorized by the director of the state department of health to carry out the provisions of this act.

"Sec. 3. After January 1, 1958, no person shall operate or maintain a boarding home as defined in this act within this state without a license under this act.

"Sec. 4. An application for a license shall be made to the department or authorized department upon forms provided by either of said departments and shall contain such information as the department reasonably requires, which shall include affirmative evidence of ability to comply with such rules and regulations as are lawfully promulgated by the board with respect to sanitary, hygienic and safe conditions for boarding homes, and with such rules and regulations as are lawfully promulgated by the department of public assistance with respect to adequate care and treatment of individuals in boarding homes.

"Sec. 5. Upon receipt of an application for license, if the applicant and the boarding home facilities meet the requirements established under this act, the department or the department and the authorized health department jointly, shall issue a license. If there is a failure to comply with the provisions of this act or the standards, rules and regulations promulgated pursuant thereto, the department or the department and authorized health department, may in its discretion issue to an applicant for a license, or for the renewal of a license, a provisional license which will permit the operation of the boarding home for a period to be determined by the department, or the department and authorized health department, or for a period to be determined by the department of public assistance insofar as the failure to comply is with respect to the rules and regulations promulgated by said department of public assistance for adequate care and treatment of individuals in the home, but not to exceed twelve months, which provisional license shall not be subject to renewal. At the time of the issuance or renewal of a license or provisional license the licensee shall pay a license fee of ten dollars plus one dollar per bed capacity per year, but in no event shall the total exceed fifty dollars. When the license or provisional license is issued jointly by the department and authorized health department, the license fee shall be paid to the authorized health department. All licenses issued under the provisions of this act shall expire on the first day of January next succeeding the date of issue. All applications for renewal of license shall be made not later than thirty days prior to the date of expiration of the license. Each license shall be issued only for the premises and persons named in the application, and no license shall be transferable or assignable. Licenses shall be posted in a conspicuous place on the licensed premises.

"Sec. 6. The department or the department and authorized department jointly, as the case may be, after notice and opportunity for hearing to the applicant or license holder, is authorized to deny, suspend or revoke a license in any case in which it finds there has been a failure or refusal to comply with the requirements established under this act or the regulations promulgated pursuant thereto, insofar as such requirements or regulations are those which are established or promulgated to promote sanitary, hygienic and safe conditions for boarding homes. In any case in which the department of public
assistance finds a failure or refusal to comply with any requirements or regulations estab-
lished under this act for the promotion of adequate care and treatment of individuals in
boarding homes, said department of public assistance shall transmit in writing to the
department of health, after notice and opportunity for hearing to the applicant or
license holder by said department of public assistance, said department of public as-
sistance's findings and recommendations as to the denial, suspension or revocation of
the license. The department of health shall comply with such recommendations.

"Notice of denial, suspension, or revocation shall be given by registered mail, or by
personal service in the manner of service of summons in a civil action; which notice
shall set forth the particular reasons for the proposed denial, suspension or revocation
and shall fix a date not less than twenty days from the date of mailing or service, during
which the applicant or licensee may in writing request a hearing on the denial, suspen-
sion, or revocation. If the applicant or licensee fails to request a hearing within that
time, the department or the department and authorized department jointly may deny,
suspend or revoke the license without further notice or action. The order of denial,
suspension or revocation shall be mailed to the applicant or license holder by registered
mail or personally served on him in the manner of service of summons in a civil action.

"If the applicant or licensee requests a hearing within such time the department,
after consultation with the department of public assistance if the request is for a hear-
ing before said department of public assistance, shall fix a time for the hearing and
shall give the applicant or licensee or such person's attorney, written notice thereof.

"The procedure governing hearings shall be in accordance with rules promulgated
by the board and such hearing shall be informal and summary, except that a record
shall be kept of the testimony taken on behalf of the applicant or licensee and the
department, or the department of public assistance, which need not be transcribed un-
less an appeal is taken therefrom. The department shall render its decision within a
reasonable time after the hearing and issue its order, which shall be served on the ap-
plicant or licensee or such person's attorney, and the order shall become final unless an
appeal is taken therefrom.

"Sec. 7. Within twenty days after the date of mailing of the decision of the depart-
ment, the interested applicant or licensee may appeal to the superior court of the county
in which the boarding home is located or is to be located, and such appeal shall be heard
de novo as a case in equity, but upon such appeal only such issues of law may be raised
as were properly included in the hearing before the department or before the depart-
ment of public assistance. Full opportunity to be heard upon the issues of law and fact
shall be had before judgment is pronounced. Such appeal shall be perfected by serving
a notice of appeal with the department and by filing the notice of appeal, together with
proof of service thereof, with the clerk of the court. The service and the filing together
with proof of service of the notice of appeal all within twenty days shall be juris-
dictional. The department shall within twenty days after receipt of such notice of
appeal serve and file a notice of appearance upon appellant or his attorney of record,
and such appeal shall thereupon be deemed at issue. The department shall serve upon
the appellant and file with the clerk of the court before hearing a certified copy of the
complete record of the administrative proceedings which shall, upon being so filed,
become the record in such case. The cost of transcribing the record shall be borne by
the appellant where the order of the department is affirmed by the court. In the event
of modification or reversal, such cost shall be borne by the department, or by the de-
partment of public assistance if such modification or reversal results from recommenda-
tions of said department of public assistance.

"Sec. 8. The governor shall appoint a council to serve in an advisory capacity to
the department, which, after consultation with the state department of public assistance
shall advise with reference to matters of policy affecting administration of this act, and
in the development of rules and regulations provided for herein. The council shall be
comprised of the director who shall serve as executive secretary; three persons repre-
senting "boarding homes for the aged," one of whom is representative of the com-
mercial boarding homes, one the fraternal homes, and one the religious or other non-
profit homes; and four persons who are interested in working with the aged and infirm.
Each member of the council other than the director shall be appointed for a term of two
years.

"The members of the council shall annually elect their own chairman and vice chair-
man and shall meet as frequently as the chairman deems necessary, but not less than
once every year. Upon request by four or more members, it shall be the duty of the
chairman to call a meeting of the council. The members of the council shall be reim-
bursed by the department for actual and necessary expenses incurred in the discharge of their official duties at the same rates of per diem and travel allowance as are authorized by law for state officials and employees.

"Sec. 9. The board, with the advice of the advisory boarding home council, shall adopt, amend, and promulgate such rules, regulations, and standards with respect to all boarding homes and operators thereof to be licensed hereunder as may be designed to further the accomplishment of the purposes of this act in promoting sanitary, hygienic and safe conditions of the boarding home in the interest of public health, safety and welfare. The department of public assistance, with the advice of the advisory boarding home council, shall likewise adopt, amend, and promulgate such rules, regulations, and standards with respect to all boarding homes and operators thereof to be licensed hereunder to promote adequate care and treatment of individuals in boarding homes.

"Sec. 10. Where it is determined by the director together with the jurisdictional health officer, that a city, county, city-county health department or health district is qualified to carry out the provisions of this act, insofar as conditions of sanitation, hygiene and safety are involved, he shall authorize such political subdivision or agency to administer and enforce this act, and the rules and regulations promulgated hereunder.

"Any such authorization may be withdrawn by the director after thirty days' notice in writing to the authorized department should the director determine that the authorized department is unwilling or unable to carry out the duties and responsibilities hereunder.

"Sec. 11. The department, and the department of public assistance for the purpose of checking the adequacy of care and treatment of individuals, or authorized health department shall make or cause to be made at least a yearly inspection and investigation of all boarding homes. Every inspection may include an inspection of every part of the premises and an examination of all records (other than financial records), methods of administration, the general and special dietary and the stores and methods of supply. Following such inspection or inspections, written notice of any violation of this law or the rules and regulations promulgated hereunder, shall be given the applicant or licensee and the department. The board may prescribe by regulations that any licensee or applicant desiring to make specified types of alterations or additions to its facilities or to construct new facilities shall, before commencing such alteration, addition or new construction, submit plans and specifications therefor to the department or the authorized department for preliminary inspection and approval or recommendations with respect to compliance with the regulations and standards herein authorized.

"Sec. 12. All information received by the department or authorized health department or department of public assistance through filed reports, inspections, or as otherwise authorized under this act, shall not be disclosed publicly in any manner as to identify individuals or boarding homes, except in a proceeding involving the questions of licensure.

"Sec. 13. Standards for fire protection and the enforcement thereof, with respect to all boarding homes to be licensed hereunder, shall be the responsibility of the state fire marshal, who shall adopt such recognized standards as may be applicable to boarding homes for the protection of life against the cause and spread of fire and fire hazards. The department upon receipt of an application for a license, shall submit to the state fire marshal in writing, a request for an inspection, giving the applicant's name and the location of the premises to be licensed. Upon receipt of such a request, the state fire marshal or his deputy, shall make an inspection of the boarding home to be licensed, and if it is found that the premises do not comply with the required safety standards and fire regulations as promulgated by the state fire marshal, he shall promptly make a written report to the boarding home and the department or authorized department as to the manner and time allowed in which the premises must qualify for a license and set forth the conditions to be remedied with respect to fire regulations. The department, authorized department, applicant or licensee shall notify the state fire marshal upon completion of any requirements made by him, and the state fire marshal, or his deputy, shall make a reinspection of such premises. Whenever the boarding home to be licensed meets with the approval of the state fire marshal, he shall submit to the department or authorized department, a written report approving same with respect to fire protection before a full license can be issued. The state fire marshal shall make or cause to be made inspections of such homes at least annually.

"In cities which have in force a comprehensive building code, the provisions of which are determined by the state fire marshal to be equal to the minimum standards of the
state fire marshal's code for boarding homes, the chief of the fire department, provided the latter is a paid chief of a paid fire department, shall make the inspection with the state fire marshal or his deputy and they shall jointly approve the premises before a full license can be issued.

"Sec. 14. Any person operating or maintaining any boarding home without a license under this act shall be guilty of a misdemeanor and each day of a continuing violation shall be considered a separate offense.

"Sec. 15. Notwithstanding the existence or use of any other remedy, the department, may, in the manner provided by law, upon the advice of the attorney general who shall represent the department in the proceedings, maintain an action in the name of the state for an injunction or other process against any person to restrain or prevent the operation or maintenance of a boarding home without a license under this act.

"Sec. 16. No person operating a boarding home licensed under this act shall admit to or retain in the boarding home any aged person requiring nursing home or medical care of the type given by any home, institution or section thereof which is otherwise licensed and regulated under the provisions of state law providing specifically for the licensing and regulation of such home, institution or section thereof.

"Sec. 17. Nothing in this act or the rules and regulations adopted pursuant thereto shall be construed as authorizing the supervision, regulation, or control of the remedial care or treatment of residents in any boarding home conducted for those who rely upon treatment by prayer or spiritual means in accordance with the creed or tenets of any well-recognized church or religious denomination.

"Sec. 18. There is appropriated to the state department of health from the general fund for the biennium ending June 30, 1959, for the purposes of carrying out the provisions of this act, the sum of fifty thousand dollars or so much thereof as may be necessary.

"Sec. 19. For the biennium ending June 30, 1959, there is appropriated from the general fund to the insurance commissioner, the sum of fifty thousand dollars, or so much thereof as may be necessary, to carry out the provisions of this act relating to the duties of the state fire marshal.

"Sec. 20. If any part, or parts, of this act shall be held unconstitutional, the remaining provisions shall be given full force and effect, as completely as if the part held unconstitutional had not been included herein, if any such remaining part can then be administered for the purpose of establishing and maintaining standards for boarding homes.

"Sec. 21. Chapter 70, Laws of 1943 as amended by chapter 100, Laws of 1945, section 20, chapter 117, Laws of 1951 and RCW 74.32.010 through 74.32.100 are each repealed.

"Sec. 22. This act is necessary for the immediate preservation of the public peace, health and safety; the support of the state government and its existing public institutions and shall take effect immediately."

Debate ensued.

Engrossed House Joint Resolution No. 15, having received the constitutional two-thirds majority vote of the members elected, was declared passed.

EXPLANATION OF VOTE

I wish to state for the record my reasons for voting against Engrossed House Joint Resolution No. 15.

Prior to consideration of this measure, I voted for House Joint Resolution No. 4, which provides for two and six year financing for maintenance and operation and capital outlay. This in my estimation is the most important measure for the school program to be placed on the ballot. The passage of this resolution will remove the major obstacles with regard to school finance.

I also voted for House Bill No. 45 which allows a 40% participation of the last general election in such district. This allows a remedy for the ensuing two years and eliminates voting handicaps, enabling successful elections with regards to special levies.

In conclusion, I feel if the electorate has to consider too many issues on the ballot with regards to lessening requirements of the existing 40 mill statute, that it will result in a negative attitude toward all referendums to aid the necessary financing of our public schools and result in the failure of House Joint Resolution No. 4.

PROPOSITIONS AND MOTIONS

MOTION

On motion of Mr. Dore, Senate Bill No. 46 was ordered taken from the Judiciary Committee and re-referred to the Committee on Cities and Counties.

RESOLUTION

Resolution by Representatives Sandison and Shropshire:

WHEREAS, There is a constant rise in the automobile accident rate and the toll in human life and misery and the loss of property is ever increasing, and

WHEREAS, A major cause of automobile accidents is error or negligence on the part of the individual driver, and

WHEREAS, Even with recent improvements in motor vehicles and new highway construction, the accident rate continues to climb, indicating that many of our laws and regulations governing driver conduct, and equipment, and providing "rules of the road" are in need of revision and modernization.

Now, Therefore, Be It Resolved, That the joint fact-finding committee on highways, streets and bridges enter upon a study of highway safety in conjunction with the Washington state patrol and other law enforcement agencies, such studies to include, but not to be limited to, the following problems:

1. Revision and modernization of the "rules of the road;"
2. Proper recognition of the safe adult driver and education of the careless adult driver;
3. Proper driver examination and re-examination procedures;
4. Revision and modernization of laws regarding motor vehicle equipment;
5. Proper regulations or laws requiring the frequent safety inspection of motor vehicles and forbidding the use of unsafe vehicles;
6. The proposal that drivers upon application for license be screened with more critical visual skills testing equipment revealing depth perception, peripheral vision and visual acuity;
7. The proper procedures to be followed for the limited licensing of drivers having mental or physical infirmities;
8. The color with the best visual identification characteristics, to be used for official signs or marks on highways, streets, roads and for equipment performing maintenance, repair, construction, or public utility work; for school buses; for fire, emergency and police vehicles;
9. The steps necessary to expand the driver education program of our public schools and for new drivers.

On motion of Mr. Sandison, the resolution was adopted.

"(14) An extension to secondary state highway No. 15B from Fall City southerly to a junction with primary state highway No. 2 in the vicinity of Preston. (Reference S. B. 362 and H. B. 583)

"There is hereby appropriated from the motor vehicle fund to the Washington state highway commission and the joint fact-finding committee on highways, streets and bridges the sum of two thousand five hundred dollars, or so much thereof as may be necessary to carry out the provisions of this subsection.

"Sec. 29. There is hereby appropriated from the motor vehicle fund to the Washington state highway commission for the period beginning July 1, 1957 and ending June 30, 1959 the sum of seventy-five thousand dollars, or so much thereof as shall be necessary, to conduct a location survey on primary state highway No. 17, Marblemount to Mazama. This survey shall be undertaken in cooperation with the United States forest service to promote the orderly development of this highway section in order to serve the needs of the state and the development of the forest area.

"Sec. 30. The state highway commission shall report to the legislature through the joint fact-finding committee on highways, streets and bridges on the highway needs of the state in the light of the new federal highway policy, taking into consideration the needs of the existing state highway system and such extensions thereto as may be warranted by the expanding economy of the state.

"Sec. 31. Section 12, chapter 247, Laws of 1951 and RCW 43.27.180 are each amended to read as follows:

"The salary of the director of highways shall be ten thousand dollars per year: Provided, That the commission may increase said salary [to a maximum of fifteen thousand dollars per year].

"Sec. 32. The joint fact-finding committee on highways, streets and bridges, created by chapter 111, Laws of 1947, and continued in chapter 213, Laws of 1949, continued by section 44, chapter 269, Laws of 1951, continued by section 4, chapter 254, Laws of 1953 and continued by section 21, chapter 384, Laws of 1955, is hereby continued until April 1, 1959. It shall consist of seven senators to be appointed by the president of the senate and eight members of the house of representatives to be appointed by the speaker thereof. The list of appointees shall be submitted before the close of the 1957 session for confirmation of senate members by the senate, and the house members by the house. Vacancies occurring shall be filled by the appointing authority.
"Sec. 33. The committee is authorized and directed to continue its studies and for that purpose shall have all the powers and duties set forth in chapter 111, Laws of 1947, and in addition thereto is authorized and directed to ascertain, study, analyze, report on and make recommendations to the 1959 legislature, prior to its convening, concerning:

(a) The orderly development of state highways by classification and necessity with recommendations of additions and deletions to accomplish a modern integrated highway system;

(b) The operations of the license department in connection with the licensing of all motor vehicles;

(c) The desirability of the preemption of motor vehicle licensing;

(d) The existing and proposed exemptions from motor vehicle licensing and taxation and its impact on revenues for highway purposes, and the use of motor vehicle funds to finance margin revenue bond projects;

(e) The revaluation of highway needs in the light of federal interstate highway legislation and appropriations, and appear before such bodies as may be required;

(f) The tax structure in connection with the financing of necessary highway and related construction, hearings in connection with this study, to begin not later than September 1, 1957, and in connection therewith the committee shall review the benefits study of the Highway Research council with specific attention to the ton-mile and incremental cost methods and other related highway use and gas taxes;

(g) Existing laws relating to the collection of overweight penalties, and in conjunction with the attorney general, prepare the necessary legislation to facilitate the collection of such penalties;

(h) A redefinition of rural and urban vehicles which better reflects the use of said vehicles on county roads and in connection therewith, the feasibility of total traffic counts in counties as an alternative for the registered vehicle formula in making county gas tax allocations, and the committee is authorized to make sample test counts;

(i) The proper subsidy, if any, to be paid from the motor vehicle fund toward the operation of an integrated Puget Sound transportation system, including the operation of ferries and bridges constructed to replace ferries; this study shall begin prior to July 1, 1957 and be pursued in cooperation with the Washington toll bridge authority;

(j) In cooperation with the legislative budget committee and the director of the budget to study the proper budgeting and appropriation of motor vehicle funds;

(k) To cooperate with any other agencies in the study of the state's responsibility in determining the equitable obligation of the state with respect to the construction of highways through irrigation districts where highway rights of way are taken from the irrigation district lands. (Reference H. B. 6);

(l) Highway safety, including remedial legislation, which will tend to lower the toll of highway accidents. This study shall be made in conjunction with the Washington state patrol and other law enforcement agencies;

(m) The equitable policy to be established between the state and counties as to portions of existing primary and secondary state highways affected by highway relocations. (Reference H. B. 663);

(n) The impact of monthly licensing of motor vehicles engaged in logging and the hauling of agricultural products in cooperation with the employment security department. (Reference H. B. 643);

(o) The future development and financing of urban freeways, in the light of the findings of the highway cost allocation study. In this study the interim committee shall appoint advisory committees of lay consultants in each of the four metropolitan areas of the state to consider the practicality of contribution from benefited property;

(p) The submission of necessary amendments to highway laws and to all laws relating to motor vehicles suggested by its studies and recommended by it, and in such connection the committee shall prepare drafts of bills with the aid of the attorney general.

"Sec. 34. In addition to the powers and duties heretofore conferred upon it, the committee is further authorized and directed to continue its participations in the activities of the "Western Interstate Committee on Highway Policy Problems" of the eleven western states in its study of highway problems upon a state and regional basis; participate in or make joint studies with relation to the design and construction of highways and the use and equitable cost thereof; and participate in any interstate reciprocity or proration meetings designated by the Washington reciprocity commission.

"Sec. 35. The committee is also authorized to avail themselves of the services of the Washington state council for highway research and to cooperate with said body.
“Sec. 36. The members of the joint fact-finding committee on highways, streets and bridges shall be reimbursed for their expenses incurred while attending sessions of the committee or meetings of any subcommittees of the committee or while engaged on other committee business authorized by the committee to the extent of twenty dollars per day plus ten cents per mile in going and coming from committee sessions or subcommittee meetings or for travel on other committee business authorized by the committee. All expenses incurred by the committee, including salaries of employees, shall be paid upon voucher forms as provided by the state auditor and signed by the chairman or vice chairman of the committee and attested by the secretary of the committee, and the authority of said chairman and secretary to sign vouchers shall continue until their successors are selected. Vouchers may be drawn upon funds appropriated for the expenses of the committee.

“Sec. 37. Section 9, chapter 254, Laws of 1953, as amended by section 26, chapter 384, Laws of 1955 (uncodified) is amended to read as follows:

“In addition to all other fees prescribed by law, there shall be paid for each motor vehicle the following amounts at the time of the payment of the registration fee as provided by law:

For each truck under 12,000 lbs. ........................................ .25
For each truck over 12,000 lbs. and under 20,000 lbs. ...... [ .50] 1.00
For each truck over 20,000 lbs. ...................................... 1.00

For each trailer 12,000 lbs. to 20,000 lbs. ..................... [ .50] 1.00
For each trailer, semi-trailer or pole trailer over 20,000 lbs. [1.00] 2.00
For each diesel truck .................................................... 4.00
For each auto stage .................................................... 1.00
For each for hire vehicle over 4,000 lbs. ......................... .50
For each motor vehicle not otherwise taxed herein ............. .10

Such fees shall be collected for the calendar years [1955, 1956 and] 1957, 1958 and 1959 only, and shall be deposited in the motor vehicle fund, and shall be used by the joint fact-finding committee on highways, streets and bridges and the state highway commission to help defray the costs of special highway use and weight studies and tests upon highways as provided for in this act and for other necessary expenses of such committee.

“Sec. 38. There is hereby appropriated from the motor vehicle fund to the joint fact-finding committee on highways, streets and bridges, created by chapter 111, Laws of 1947, continued by chapter 213, Laws of 1949, chapter 259, Laws of 1951, chapter 280, Laws of 1953, chapter 384, Laws of 1955 and continued by the 1957 legislative session the sum of forty thousand dollars for the biennium ending June 30, 1959, or so much thereof as shall be necessary.

“Sec. 39. The Washington toll bridge authority, the Washington state highway commission, and any county or other political subdivision of the state of Washington, are each authorized to enter into any agreements with each other, the Oregon state highway commission, Port of Astoria, Oregon, or any other governmental agency or political subdivision of either Oregon or Washington for the purpose of continuing traffic, engineering and financial studies, and surveys for the planning of a toll bridge to be constructed at a feasible site on the lower Columbia river. Such studies and surveys shall include but shall not be confined to the following:

“(1) The most desirable design and bridge approaches;
“(2) The most desirable location;
“(3) The cost of construction and the length of construction time required; and
“(4) The financial feasibility of the bridge together with any supplementary aid which may be available to finance it.

In order to carry out the provisions of this section the Washington toll bridge authority, the Washington state highway commission and any political subdivision of the state of Washington may:

“(1) Consult, cooperate and enter into agreements with the government of the United States or any of its agencies, the state of Oregon or any of its agencies or political subdivisions, or any other governmental agency, person, or corporation.
“(2) Accept and expend moneys from any public or private source, including the government of the United States, which is now or may be made available for the carrying out of the purposes contained in this section.

“There is appropriated from the motor vehicle fund to the Washington toll bridge authority for the biennium commencing July 1, 1957 and ending June 30, 1959 the sum
of one hundred thousand dollars, or so much thereof as may be necessary, to carry out the purposes of this section. Any funds herein appropriated from the motor vehicle fund to the Washington toll bridge authority shall be considered as a loan and repaid by the authority to the motor vehicle fund upon the sale of bonds for this project.

"Sec. 40. For the period beginning July 1, 1957, and ending June 30, 1959, there is hereby reappropriated from the motor vehicle fund to the Washington toll bridge authority, the sum of four hundred seventy-six thousand five hundred dollars or so much thereof as may be necessary, for conducting further engineering surveys and financial studies, and for designing feasible bridges and securing the necessary permits for the construction of a bridge or bridges across Puget Sound or Hood Canal, such sum being the unexpended balance of the appropriation contained in section 62, chapter 383, Laws of 1955: Provided, That no expenditure under the authority of this section shall exceed the unexpended balance of the appropriation contained in section 62, chapter 383, Laws of 1955 as shown in the state auditor's records as of June 30, 1957.

"If the total project, or any part thereof, is deemed feasible by the authority as an integral part of the public highway system and has been approved by the highway commission, the authority shall further utilize the funds herein appropriated to do all things necessary to accomplish the sale of revenue bonds to finance the proposed project, or any part thereof as may be determined feasible, and for the payment of all preliminary expenses incident to the issuance and sale of said bonds.

"The appropriation herein authorized shall be considered a loan from the motor vehicle fund, and the motor vehicle fund shall be reimbursed in full for any portion of those funds which may be expended, from the proceeds of the sale of any revenue bonds issued for the purpose of financing said project or any part thereof.

"Sec. 41. There is hereby appropriated from the authority revolving fund to the Washington toll bridge authority for the biennium ending June 30, 1959, the sum of four hundred thousand dollars to carry out the provisions of section 14 and 15, chapter 259, Laws of 1951 and RCW 47.60.180 and RCW 47.60.190.

"Sec. 42. The Washington toll bridge authority is hereby authorized and directed to complete pending location surveys and studies, and make such further studies and surveys as it deems proper to determine the feasibility of financing and constructing a toll tunnel through the Cascade mountains, together with the necessary connections with existing highways. Said toll tunnel shall be located on an alternate to primary state highway No. 5 beginning at a point thereon in the vicinity of the junction of the Greenwater and White rivers, thence in an easterly direction to a junction with primary state highway No. 5 in the vicinity of Cliffdell. The authority shall report to the next regular session of the legislature its conclusions as to the feasibility of constructing such toll tunnel.

"There is appropriated to the authority from the motor vehicle fund the sum of twenty-five thousand dollars, or so much thereof as may be necessary, to carry out the purposes of this section.

"Sec. 43. There is hereby appropriated from the highway equipment fund to the Washington state highway commission for the biennium ending June 30, 1959, the sum of ten million nine hundred eight thousand five hundred five dollars, or so much thereof as may be necessary, to continue the highway equipment fund as established by RCW 47.08.120 and amendments thereto.

"Sec. 44. There is hereby appropriated from the motor vehicle fund to the Washington state highway commission for the biennium ending June 30, 1959, for salaries, wages and operations of the offices of the commission, director and district offices of the department of highways, including the office of the research and planning engineer, the traffic engineer, including traffic training; and the administration of state aid to cities and counties as provided by RCW 46.68 and amendments thereof, the sum of four million five hundred ninety seven thousand seven hundred fifty dollars, or so much thereof as shall be necessary.

"Sec. 45. There is hereby appropriated from the motor vehicle fund to the Washington state highway commission and the joint fact-finding committee on highways, streets and bridges, for the biennium ending June 30, 1959, the sum of three hundred eighty-five thousand dollars, or so much thereof as shall be necessary, to be used for the costs of special studies, tests and research relative to highway problems and any other necessary expenses jointly authorized.

"Sec. 46. There is hereby reappropriated from the motor vehicle fund to the Washington state highway commission for the biennium ending June 30, 1959, and for obligations incurred and not yet paid, the sum of three million nine hundred two thousand one
hundred forty six dollars twenty three cents, the same being the unexpended balance of the appropriation contained in section 13, chapter 311, Laws of 1955 as shown on the records of the state auditor January 31, 1957: Provided, That no expenditure under the authority of this act shall exceed the unexpended balance of the appropriation contained in section 13, chapter 311, Laws of 1955, as of June 30, 1957.

"Sec. 47. There is hereby reappropriated from the motor vehicle fund to the Washington state highway commission for the biennium ending June 30, 1959, and for obligations incurred and not yet paid, the sum of eight million one hundred nineteen thousand six hundred twenty six dollars forty two cents, the same being the unexpended balance of the appropriation contained in section 53, chapter 383, Laws of 1955, as shown on the records of the state auditor January 31, 1957: Provided, That no expenditure under the authority of this act shall exceed the unexpended balance of the appropriation contained in section 53, chapter 383, Laws of 1955, as of June 30, 1957.

"Sec. 48. There is hereby appropriated from the motor vehicle fund to the Washington state highway commission for the biennium ending June 30, 1959, and for obligations incurred and not yet paid, the sum of ninety eight million eight hundred seventy one thousand five hundred thirty five dollars, or so much thereof as shall be necessary, for state highways and designated routes through cities and towns, including location, engineering, engineering supervision and training, improvement, rights of way, construction and damages, bridges, reconstruction, maintenance including road signs, traffic signals and devices, radio, ferries, toll bridges, extraordinary maintenance, non-reimbursable federal aid off the state system, emergencies and for any and all proper highway purposes not specifically set forth in this act, emergencies being defined as damages to highways, structures, ferries, and/or other conditions involving public safety or welfare, which could not with the exercise of reasonable judgment have been foreseen.

"Sec. 49. There is hereby reappropriated from the motor vehicle fund to the Washington state highway commission for the biennium ending June 30, 1959, and for obligations incurred and not yet paid, the sum of seven million five hundred eighty eight thousand eight hundred eighty nine dollars eighty eight cents, the same being the unexpended balance of the appropriation contained in section 56, chapter 383, Laws of 1955, as shown on the records of the state auditor January 31, 1957: Provided, That no expenditure under the authority of this act shall exceed the unexpended balance of the appropriation contained in section 56, chapter 383, Laws of 1955, as of June 30, 1957.

"Sec. 50. There is hereby appropriated from the motor vehicle fund to the Washington state highway commission for the biennium ending June 30, 1959, and for obligations incurred and not yet paid, the sum of ninety four million two hundred thirty six thousand dollars, or so much thereof as shall be necessary, to be expended and reimbursed under specific project agreements executed or to be executed under the federal aid road acts and the state acts assenting thereto; and for any other expenditures of any kind by the department of highways upon public highways, or for services to other public agencies, for which reimbursement is anticipated; and for inventories and salary suspense.

"Sec. 51. There is hereby appropriated from the motor vehicle fund to the Washington state highway commission for the biennium ending June 30, 1959, for the maintenance and construction of roads within state parks the sum of one hundred fifty thousand dollars, which sum shall be deducted from the net tax amount of the motor vehicle fuel tax in the motor vehicle fund before credits are made to the incorporated cities and towns and to counties of the state.

"Sec. 52. There is hereby appropriated from the highway equipment fund to the Washington state highway commission for the period beginning April 1, 1957 and ending June 30, 1957, the sum of five hundred twenty five thousand ninety eight dollars, for the purchase, repair and replacement of equipment, which sum is the amount estimated for the three month period in the 1955-1957 budget request but was not included in the appropriation made in section 46, chapter 383, Laws of 1955.

"Sec. 53. There is hereby appropriated from the motor vehicle fund to the Washington state highway commission for the biennium ending June 30, 1959, and for obligations incurred and not yet paid, the sum of one million nine hundred thirty thousand dollars, or so much thereof as may be necessary for capital outlay, which shall include the purchase and improvement of land, erection of buildings and structures, major repairs and equipment, including fees, salaries and wages incident thereto.

"Sec. 54. House Bill No. 499, by Representatives Petrich, Brown (Gordon J.), and Swayne:
Providing for retirement of Fox Island toll bridge revenue bonds and toll reductions.

Mr. Speaker:

We, a majority of your Committee on Highways, to whom was referred House Bill No. 499, providing for retirement of Fox Island toll bridge revenue bonds and toll reductions, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

Strike the whole of sections 2, 3 and 4 and insert in lieu thereof the following:

"Sec. 2. There is hereby appropriated from the motor vehicle fund to the Washington toll bridge authority the sum of one million three hundred fifty thousand dollars or so much thereof as is necessary to make the payment as provided by section 3 of this act. Such appropriation shall not be made unless Pierce county shall by resolution of the board of county commissioners agree to be bound by and perform all obligations imposed upon such county by this act.

"Sec. 3. As a condition of the appropriation referred to in section 2 above, Pierce county shall request the toll bridge authority to retire all Fox Island toll bridge revenue bonds issued in accordance with the resolution of the toll bridge authority adopted February 16, 1953, as amended in part by the resolution of the toll bridge authority..."
adopted March 2, 1953. The toll bridge authority shall then direct the state treasurer to deposit so much of such appropriation in the Fox Island toll bridge revenue bond fund, as established by resolutions of the toll bridge authority heretofore referred to in this section, as is required to retire all outstanding Fox Island toll bridge revenue bonds, including interest and premium on bond retirement. The state treasurer shall then deposit such sum in such bond fund, and the toll bridge authority shall then proceed to redeem all Fox Island toll bridge revenue bonds.

"Sec. 4. As a condition of the appropriation referred to in section 2 above, Pierce county shall by resolution of its board of county commissioners assign to the motor vehicle fund so much of its right, title, and interest in any moneys now or hereafter deposited in the Tacoma Narrows toll bridge county aid fund, established by resolution of Pierce county adopted March 12, 1948, as shall equal the moneys appropriated and paid from the motor vehicle fund in accordance with sections 2 and 3 of this act, together with such interest as shall be earned by that portion of the Tacoma Narrows toll bridge county aid fund assigned to the motor vehicle fund in accordance with the terms of this act.

"Such resolution of the board of county commissioners of Pierce county shall provide that moneys released from the Tacoma Narrows toll bridge county aid fund in accordance with resolutions of the toll bridge authority adopted March 25, 1948, February 16, 1953, and March 2, 1953, relating to the Tacoma Narrows toll bridge and Fox Island toll bridge bond issues, shall first be paid to the motor vehicle fund until the full amount assigned to said fund, including interest thereon, shall have been so paid. The balance remaining in the county aid fund shall thereafter be released to Pierce county in accordance with resolutions of toll bridge authority adopted March 25, 1948, February 16, 1953 and March 2, 1953."

House Bill No. 614, by Representatives Sandison, Wang, and Kink:

Creating Puget Sound transportation stabilization fund and allocating 1% of motor vehicle monies thereto for ferry system employees' retirement coverage.

Mr. Speaker:

We, a majority of your Committee on Highways, to whom was referred House Bill No. 614, creating Puget Sound transportation stabilization fund and allocating 1% of motor vehicle monies thereto for ferry system employees' retirement coverage, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

In section 2, page 1, lines 16 and 17 of the original bill, being page 1, lines 10 and 11 of the printed bill, after the words "are required" and before the words "retirement system" strike the words "as a result of the passage of any act extending the coverage of the state employment" and insert in lieu thereof the words "by extending the coverage of the state employees"

In section 3, page 1, line 28 of the original bill, being page 2, line 8 of the printed bill, after the words "equal to" and before the words "one percent" insert the following: "three-fourths of"

Immediately following section 5, on page 2 of the original bill, being page 2 of the printed bill, add three new sections to be numbered sections 6, 7, and 8, respectively, to read as follows:

"Sec. 6. Subject to the provisions of chapter 41.40 RCW every employee of the Washington toll bridge authority shall become a member of the state employees' retirement system. The Washington toll bridge authority shall pay into the state retirement system the required employer's contributions for each employee for the period beginning April 1, 1949 or from the time he became eligible for membership. Each eligible member shall receive credit for all of his former service from the beginning of his employment on ferries, wharves, or terminals acquired, leased or constructed by or for the Washington toll bridge authority. Satisfactory proof of service with previous employer shall be furnished the state employees' retirement board by employee."

"Sec. 7. Section 5, chapter 148, Laws of 1949 as amended by section 2, chapter 82, Laws of 1951, and RCW 47.64.060 are each amended to read as follows:

"All employees engaged in the operation of ferries acquired by the authority shall remain subject to the federal social security act and shall [not] be under the state employee's retirement act [], and]. [the] The authority shall make such deductions from salaries of employees and contributions from revenues of the authority as shall be necessary to qualify such employees for benefits under the federal social security act; and the appropriate officials are authorized to contract with the [federal security agency] secretary of health, education and welfare to effect such coverage."

"Sec. 8. Any employer's contribution required to establish employees' credit for former service under section 6, shall be paid by the Washington toll bridge authority in such amount as will entitle the employee to all rights, benefits and privileges that he
would have been entitled to had he been a member of the state employees’ retirement system from the beginning of his employment with the authority on or after June 1, 1951. Such contributions for former service shall be payable at the rate of seventy-five thousand dollars in each calendar year and shall continue at such rate until such payments are equal to the then outstanding liability for former service credits.”

In the old section 6, being renumbered section 9, page 2, lines 26 and 27 of the original bill, being page 3, line 5 of the printed bill, after the words “sum of” and before the word “dollars” strike the words “one million” and insert in lieu thereof the words “seven hundred fifty thousand”

Amend the bill by adding immediately following the old section 6, being renumbered section 9, two new sections to be known as sections 10 and 11, to read as follows:

“Sec. 10. The joint fact-finding committee on highways, streets and bridges, in cooperation with the Washington toll bridge authority, shall, before July 1, 1957, enter upon a study of the whole problem of the proper subsidy, if any, to be paid from the motor vehicle fund, toward the operation of an integrated Puget Sound transportation system, including the operation of ferries and bridges constructed to replace ferries, and shall report thereon to the 1959 legislature prior to its convening.

“Sec. 11. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.”

Amend the title—strike the whole thereof and substitute the following:

“AN ACT relating to transportation on Puget Sound; defining the powers and duties of the Washington toll bridge authority; creating a Puget Sound transportation stabilization fund and providing for payments to and from such fund from the motor vehicle fund; permitting every employee of the Washington toll bridge authority to participate in the state employees’ retirement system and for payments to establish service credit in such system; providing for a study by the joint fact-finding committee on highways, streets and bridges of subsidization of the Puget Sound transportation system from the motor vehicle fund and a report thereon; amending section 1, chapter 83, Laws of 1943 and RCW 46.68.100, section 1, chapter 246, Laws of 1941 and RCW 46.68.130, and section 2, chapter 82, Laws of 1951 and RCW 47.64.060; and making an appropriation.”

Renumber the old section 6 to read “Sec. 9.”

JULIA BUTLER HANSEN, Chairman, MAX WEDEKIND, Vice Chairman.

The bill was read the second time by sections.

On motion of Mrs. Hansen (Julia Butler), the committee amendments were adopted.

On motion of Mrs. Hansen (Julia Butler), the following amendment was adopted:

On page 2 of the original bill, being page 3 of the printed bill, immediately following section 11, add a new section to be known as section 12, to read as follows:

“Sec. 12. This act shall expire on June 30, 1959.”

On motion of Mrs. Hansen (Julia Butler), the rules were suspended, Engrossed House Bill No. 614 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

House Bill No. 524, by Representatives Mundy and Timm:

Placing the name of the state in the irrigation and reclamation statutes.

MR. SPEAKER:

We, a majority of your Committee on Reclamation, Conservation and Waterways, to whom was referred House Bill No. 524, placing the name of the state in the irrigation and reclamation statutes, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

Add three new sections immediately following section 1, to be known as sections 2, 3 and 4 to read as follows:

"Sec. 2. Section 4, chapter 275, Laws of 1943 and RCW 89.12.040 are each amended to read as follows:

"In connection with a district contracting or intending to contract with the United States under this chapter, the secretary for the purpose of administering the federal reclamation laws and in carrying out the policy of this chapter may segregate such lands, or any part thereof, into farm units of sufficient acreage for the support of an average sized family at a suitable living level, having in mind the character of soil, topography, location with respect to the irrigation system, and such other relevant factors as enter into the determination of the area and boundaries thereof. [No farm unit shall contain more than one hundred and sixty or less than ten acres of irrigable land, except that any nominal quarter section comprising more than one hundred and sixty acres of irrigable land may be included in one farm unit, and except that lands owned by the United States may be established into units of lesser size for part time farming purposes.] Plats showing the established farm units or revisions thereof when approved, may be filed by the United States for record with the auditor of the county in which the land is located. Lands In excess [of one farm unit] of the farm
unit or units or acreage in the amount established by federal law as excess lands held by any one landowner or family shall, except as otherwise provided in this chapter, be deemed excess land.

"Sec. 3. Section 1, chapter 200, Laws of 1951 and RCW 89.12.050 are each amended to read as follows:

"A district may enter into repayment and other contracts with the United States under the terms of the federal reclamation laws in matters relating to federal reclamation projects, and may with respect to lands within its boundaries include in the contract, among others, an agreement that:

"(1) The district will not deliver water by means of the project works provided by the United States to or for lands not conforming in area and boundaries to the established farm units nor to or for more than [one unit] the farm unit or units or acreage specified by federal law as not being excess lands held by one landowner or family [, except that as to lands held by one having equitable or legal title on May 27, 1937 (or the date on which the project or division becomes authorized in the case of projects other than the Columbia Basin project), or the heir or devisee of such owner, delivery may be made to or for a total irrigable area not exceeding one hundred and sixty acres or a nominal quarter section]. These limitations shall not apply to lands owned by the United States or any agency thereof. In case of excess land acquired by foreclosure or other process of law, by conveyance in satisfaction of mortgages, by inheritance, or by devise, water therefor may be furnished temporarily for a period not exceeding five years from the date of acquisition; delivery of water thereafter ceasing until the transfer thereof to a landowner qualified to secure water therefor.

"(2) As a condition to receiving water by means of the project works, each landowner in the district shall be required to execute, within six months from the date of the execution of the repayment contract, a recordable contract covering all his lands within the district, agreeing as to such lands for himself, his heirs, successors, and assigns to any or all of the provisions set forth below in this subdivision: Provided, That any landowner, having failed to execute the contract within this period, may be permitted to do so within one year after the date of judicial confirmation of the validity of the repayment contract, but only in accordance with such rules and regulations as may be prescribed by the secretary concerning this privilege.

"Notwithstanding the time limitations of the preceding paragraph but subject to such rules and regulations as may be prescribed therefor by the secretary, the privilege of executing recordable contracts is hereby extended as follows: (i) To any landowner as to a tract of land to which he, or his ancestors or devisors if he holds as an heir or devisee, held legal or equitable title on October 28, 1947; (ii) To any landowner as to a tract of land as to which he has held legal or equitable title for not less than ten years (including the period of holding by his ancestors or devisors where title is held as an heir or devisee), or as to which he furnishes proof in writing satisfactory to the secretary as to the terms of the transaction and consideration paid by him (or by his ancestors or devisors where title is held as an heir or devisee) for the tract and as to which there is a finding by the secretary that the transaction was bona fide and for a consideration not in excess of the full fair market value of the tract, valued as of the date of that transaction without reference to or increment by reason of the project. Any such recordable contract may be executed only on or before December 31, 1951, or on or before a date to be fixed by the secretary as to each irrigation block in which the lands are situated, such date to be approximately two years before the commencement of the development period for that block.

"Each such recordable contract may provide any or all of the following:

"(a) That the landowner will conform his lands by purchase, sale, or exchange at the appraised value to the area and boundaries of the pertinent established farm unit or units and will dispose of excess land then or thereafter owned by him at its appraised value; that the secretary is thereby given an irrevocable power of attorney to sell in behalf of the landowner any such excess land at the appraised value; and that the United States is thereby given, without further consideration, an option to buy any excess land at the appraised value: Provided, That sales under such power or option, unless otherwise provided in writing by the owner, shall be only for cash and only such that surrender of possession by the owner of any area of excess lands then operated as a single unit for dry farming or grazing may be effected substantially at one time; (b) That from the date of execution thereof and to a date five years from the time water becomes available for the lands covered thereby, no conveyance of or contract to convey a freehold estate in such lands, whether excess or nonexcess lands, shall be
made for a consideration exceeding its appraised value, and in connection with any conveyance of, or contract to convey, such an estate within such period the grantor or vendor or the grantee or vendee or any lien holder thereof shall, within thirty days from the date of the conveyance or contract, file in the office of the auditor in the county in which the land is located an affidavit describing the conveyance or contract and the consideration therefor:

"(c) That in the event that within such period such a conveyance of, or contract to convey, is made without filing within the thirty days the required affidavit, or is made for a consideration in excess of the appraised value, the secretary, at any time within two years of the day on which there is filed for recording in the county records the contract or deed involved, whichever is filed earliest in the event both the contract and deed are filed in a given transaction, may cancel the right of the estate to receive water by means of the project works, by a written notice of cancellation: Provided, That the power to cancel as to any given parcel of land may be waived by the secretary at any time within the two year period by a written notice of waiver: Provided further, That after any such cancellation a water right for the estate involved by means of the project works may be acquired only on terms and conditions satisfactory to the secretary; and

"(d) That should any freehold estate in land covered thereby be conveyed or contracted to be conveyed within the period defined in (b) of this subdivision, the transaction, and any mortgage or other lien covering any deferred consideration thereunder, shall be subject to all the provisions of subsection (2) of RCW 89.12.070.

"(3) All lands within the district not covered by recordable contracts or otherwise not eligible to receive water by means of the project works shall be subject to assessment in the same manner and to the same extent as like lands eligible to receive water, subject to such provisions as the secretary may prescribe for postponement in payment of all or part of the assessment but not beyond the expiration of the period during which the price limit under subdivision (2) applies.

"(4) Without compliance with other provisions of state law for the exclusion of lands, lands may be withdrawn from the district by filing a written notice of withdrawal with the district board on or before the date fixed by the board between a date ten days after the official notice of the election on the repayment contract and the date of such election. The date limiting the time of such filing shall be announced in the notice of the proposed election, and lands for which the notice is filed shall be deemed excluded from the district for all purposes as of the time of the filing.

"Sec. 4. Section 3, chapter 200, Laws of 1951 and RCW 89.12.100 are each amended to read as follows:

"If state lands within a district have been segregated into farm units and the appraised value thereof established, the state shall recognize and accept the appraisal as determining the market value of such lands, and shall offer the state lands for sale for cash on the following terms and conditions:

"(1) Sales shall be made only at the appraised value;

"(2) only [one farm unit] the number of farm units or acreage specified by federal law as not being excess lands shall be sold to any person or family;

"(3) applicants for the purchase of a farm unit shall be selected, as nearly as practicable, in accordance with the provisions of subsection (C) of section 4 of the act of congress of December 5, 1924 (43 Stat. 702); and (4) each applicant shall be required to execute a recordable contract within six months from the date the state's conveyance or contract to convey is made, whichever is the earlier, if such a contract is required as a condition to the delivery of water under the terms of the district's repayment contract with the United States; except as the carrying out of any such terms or conditions as to particular state lands may be precluded by provisions of the state Constitution.

"The state shall cooperate with the secretary in carrying out the purposes of this chapter and in connection therewith, may execute recordable contracts covering any state lands and such other agreements as are necessary in connection with the administration of this chapter."

To the Honorable, the House of Representatives of the State of Washington

LADIES AND GENTLEMEN:

I have the honor to advise that the Governor has approved the following House Bills, entitled:

**House Bill No. 166:**
"An Act relating to state institutions, and amending section 48, chapter 139, Laws of 1951 and RCW 71.02.590."

**House Bill No. 231:**
"An Act relating to poultry disease diagnostic laboratories; amending sections 2 and 3, chapter 349, Laws of 1955 and RCW 16.46.020 and 16.46.030; and declaring an emergency."

**House Bill No. 243:**
"An Act relating to third class cities; and amending section 1, chapter 184, Laws of 1915 as amended by section 1, chapter 83, Laws of 1933, and RCW 35.24.010."

**House Bill No. 340:**
"An Act relating to swimming pools in cities, towns and counties, and prescribing penalties."

Very truly yours,
WARREN A. BISHOP,
Assistant to the Governor.

State of Washington, Executive Department,
Olympia, March 8, 1957.

To the Honorable, the House of Representatives of the State of Washington

LADIES AND GENTLEMEN:

I am returning herewith without my approval as to sections 1, 2 and 3, House Bill No. 185 entitled:
"An Act relating to forest protection; amending sections 1 and 2, chapter 164, Laws of 1905, section 1, chapter 125, Laws of 1911, section 4, chapter 125, Laws of 1911, section 6, chapter 105, Laws of 1917 as last amended by section 1, chapter 58, Laws of 1951 (herefore combined, divided and codified as RCW 76.04.010 and 76.04.050); amending section 1, chapter 24, Laws of 1953 and RCW 76.04.140; amending section 1, chapter 18, Laws of 1951 second extraordinary session and RCW 76.04.190; amending section 5, chapter 142, Laws of 1955 and RCW 76.04.225; amending section 10, chapter 142, Laws of 1955 and RCW 76.04.250; amending section 6, chapter 24, Laws of 1953 and RCW 76.04.300; and providing penalties."

This bill corrects legislation pertaining to the administration and maintenance of forests.

Sections 1, 2 and 3 attempt to recodify certain sections pertaining to forests. These sections are in conflict with Substitute House Bill No. 68 which was signed a few days ago. Substitute House Bill No. 68 turns over to the new department of natural resources forestry functions previously administered by the department of conservation and development. If I permitted sections 1, 2 and 3 of House Bill No. 185 to stand, the director of conservation and development would have to exercise the functions granted specifically by Substitute House Bill No. 68 to the commissioner of public lands.

The sponsors of this bill did not intend to reach this result.

Sections 4, 5, 6, 7 and 8 of House Bill No. 185 are entirely meritorious and should be enacted.

For the reasons indicated, sections 1, 2 and 3 are vetoed and the remainder of the bill is approved.

Respectfully submitted,
ALBERT D. ROSSELLINI,
Governor.

MOTION

On motion of Mr. Sandison, the Governor's veto message on House Bill No. 185 was referred to the Committee on Rules and Order.

Those absent or not voting were: Representatives Ahlquist, Bozarth, Braun (Eric D.), Durkan, Harris, Hurley, Johnston (Elmer E.), Litchman, McCormack (Mike), Morphis, Mundy, Munro, Neva, Savage, Stocker—15.

Engrossed Substitute House Bill No. 700, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

House Bill No. 707, by Representatives Epton, Winton, and Twidwell:
Authorizing establishment of parental or truant schools in any school district.

MOTIONS

On motion of Mr. Sandison, the House deferred further consideration of House Bill No. 707 on second reading, and the bill was made a special order of business for 3:30 o'clock p. m. today.

On motion of Mr. Sandison, the House recessed until three o'clock p. m.

AFTERNOON SESSION

The Speaker called the House to order at three o'clock p. m.
The Clerk called the roll and all members were present.

SIGNED BY THE SPEAKER

The Speaker announced that he was about to sign: House Bill No. 57; also House Bill No. 130; also Substitute House Bill No. 235; also House Bill No. 327; also House Bill No. 389; also Senate Bill No. 171.
SPECIAL ORDER OF BUSINESS

The hour of three o'clock p.m. having arrived, the Speaker declared the question before the House to be the special order of business, House Bill No. 489 on second reading.

SECOND READING OF BILLS

The House resumed consideration of House Bill No. 489 on second reading.

House Bill No. 489, by Representatives Goldmark, Elway, and McCormack (Mike):

Relating to taxation of public utility districts.

House of Representatives,

Mr. Speaker:

We, a majority of your Committee on Public Utilities, to whom was referred House Bill No. 489, relating to taxation of public utility districts, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

Strike all of the matter after the enacting clause and insert in lieu thereof the following:

"Section 1. Sections 1 and 3a, chapter 245, Laws of 1941 and section 1, chapter 227, Laws of 1949 (hereinafter divided, combined and codified as RCW 54.28.010, 54.04.040, 54.28.020, 54.28.030, 54.28.040, 54.28.050, 54.28.060 and 54.28.080) are amended to read as set forth in sections 2 through 9 of this act.

"Sec. 2. (RCW 54.28.010) As used in this chapter:

" 'District' means any public utility district now or hereafter organized pursuant to chapter 1, Laws of 1931;

" 'Tax commission' means the state tax commission;

" 'Operating property' means all of the property utilized by a public utility district in the operation of a plan or system for the generation, transmission, or distribution of electric energy for sale;

" 'Taxing districts' means counties, cities, towns, school districts, and road districts;

" 'Generating properties' means all lands, including land used for the storing or conducting of water to or from mechanical means of producing electric energy, property, property rights, dams, ditches, flumes, aqueducts, pipes and pipe lines, plants, plant facilities and systems for generating electric energy by water power, steam or other methods, and including step-up, switching and other facilities located in the immediate vicinity of a generating plant or plants used or useful in transmitting such electric energy to points of use;

" 'Gross revenue' shall mean the amount received from the sale of electricity excluding any tax levied by a municipal corporation upon the district pursuant to RCW 54.28.070;

" 'Distributes to consumers' means the sale of electric energy to ultimate consumers thereof, and does not include sales of electric energy for resale by the purchaser.

"Sec. 3. (RCW 54.28.020) There is hereby levied and there shall be collected from every district a tax for the act or privilege of engaging within this state in the business of operating works, plants or facilities for the generation, distribution and sale of electric energy. With respect to each such district, such tax shall be the sum of the following amounts: (1) Two percent of the gross revenues derived by the district from the sale of all "distributed energy," i.e., electric energy which it distributes to consumers but neither generates nor purchases from generating districts; (2) five percent of the gross revenues derived by the district from the sale of all electric energy which it generates and distributes to consumers except electric energy sold to another district; ("self generated and distributed energy," i.e., the electric energy which it distributes to customers and also generates; and) (3) five percent of the gross revenues derived by the district from the sale of all electric energy which it generates and sells to another electric utility other than another district; (4) five percent of the gross revenues derived by the district from the sale of "distributed energy purchased from [another] a generating district." i.e., electric energy which it distributes to consumers and also purchases from another district which generated the same.
"Sec. 4. (RCW 54.28.030) On or before the fifteenth day of March of each year, each district subject to this tax shall file with the tax commission a report verified by the affidavit of its manager or secretary on forms prescribed by the tax commission. Such report shall state (1) the [taxing districts] county or counties wherein the operating and generating property of the district is located, (2) as to the entire property and as to each [such taxing district,] county, the reproduction cost new and less depreciation of such operating and generating property in so far as that information is available from the district's existing records without taking additional inventory or procuring an engineering report or survey, (3) actual cost and general description of operating and generating property purchased or constructed, (4) the district's separately stated gross revenues for the preceding year derived from the sale of each of the three classes of electric energy described in RCW 54.28.020, and (5) such other and further information as the tax commission reasonably may require in order to administer the provisions of this chapter. In case of failure by a district to file such report, the commission may proceed to determine the information, which determination shall be contestable by the district only for actual fraud. The tax commission shall proceed to determine the fair cash market value of the operating and generating property of each and all of the districts taxable hereunder as of December 31st last past, and the percentage thereof located in each of the [taxing districts] county or counties wherein such operating property is located.

"Sec. 5. (RCW 54.28.040) Prior to May 1st, the tax commission shall compute the tax imposed by this chapter for the last preceding calendar year and notify the district of the amount thereof, which shall be payable on or before the following June 1st. Upon receipt of the amount of each tax imposed the tax commission shall deposit the same with the state treasurer, who shall deposit four percent thereof in the general fund of the state and shall distribute the remainder in the manner hereinafter set forth. The state treasurer shall send a duplicate copy of each such letter of transmittal to the tax commission[. and the tax commission shall instruct the county treasurer or treasurers as to the distribution of the money, as hereinafter provided].

"Sec. 6. (RCW 54.28.050) [Immediately after the computation by the tax commission of the tax imposed by this chapter, the tax commission shall determine the amount of money which each taxing district in which operating property of the district is located would have received if the levies made in the preceding calendar year for county, city, town, school district and road district purposes, not including excess levies voted by the people, had been applied to the fair cash market value of the district's operating property in the taxing district. These amounts are referred to herein as the "taxing district's tentative tax," their total for all the taxing districts wherein the operating property of a given district is located is referred to herein as such district's "aggregate taxing districts' tentative tax," and their total for any county is herein referred to as the "county districts' tentative tax."]

"With respect to each taxing district in which is located a district's generating plants or transmission lines utilized in the generation or transmission of electric energy sold to other districts, the tax commission shall also determine the amount of money which each such taxing district would have received if the taxes made in the preceding calendar year for county, city, town, school district and road district purposes, not including excess levies voted by the people, had been applied to the fair cash market value of such generating plants and/or transmission lines in the taxing district. These amounts are referred to herein as the "taxing district's tentative tax for generation or transmission of energy sold" and their total for any county is herein referred to as the "county district's tentative tax for generation or transmission of energy sold."]

"Where any district generates electric energy, the whole or any part of which it sells to other districts for distribution to consumers by them, and the remainder, if any, of which it distributes itself to consumers, in such case such selling district and each such purchasing district shall be deemed a "contributing district" and, for the purpose of distribution thereof, sixty percent of all the taxes payable by each such contributing district with respect to such electric energy so distributed to consumers shall be pooled by the tax commission and distributed to each of the taxing districts in which the generating plants generating such energy or the transmission lines utilized for transmitting such energy are located. Such taxes shall be distributed to each such taxing district in the proportion which its "taxing district's tentative tax for generation or transmission of energy sold" bears to the total of such tentative taxes for all the taxing districts sharing therein.

"The remainder of the taxes collectible from each district hereunder shall be distributed by the tax commission to each taxing district in which the operating property
of such district is located in the proportion that such "taxing district's tentative tax" bears to said district's "aggregate taxing districts' tentative tax": Provided, That none of such remainder shall be distributed on the basis of any "taxing district's tentative tax for generation and transmission of energy sold."

"After deduction therefrom of the state tax of four percent, the remainder of each such tax payment by any district shall be distributed by the state treasurer to each county wherein the taxing districts entitled to any portion thereof are located, and shall in turn be distributed by the county treasurer of each such county to such taxing districts as hereinabove provided. All money received by the county shall be used exclusively for maintenance and operation of the superior court and sheriff's office of the county; all moneys received by a city or town shall be expended exclusively for the fire and police departments of the particular city or town to which the same is thus apportioned; all moneys received by a school district shall be expended exclusively for the public schools in the particular school district to which the same is thus apportioned; all moneys transmitted to the county treasurer for road districts shall be expended exclusively for the maintenance and construction of public roads in the particular road districts to which the same is thus apportioned."

"After computing the tax imposed by this chapter, the tax commission shall separately compute the values of each district's generating properties and its operating properties used in the generation, distribution and sale of electric energy. If all the properties of a district are within one county, the tax commission shall instruct the state treasurer to remit the total amount of the tax collected from the district, less the four percent placed in the state general fund, to the county treasurer of the county in which the district operates for distribution to the taxing districts of the county as provided in this act.

"If the district has property in more than one county, the tax commission shall instruct the state treasurer, after placing four percent in the state general fund, to distribute the balance collected under section 3, subsection (1) to each county according to the proportionate share of the district's operating property in each county; the balance collected under section 3, subsection (2) shall be distributed to each county (a) forty percent according to the proportionate share of the district's operating property in each county, and (b) sixty percent according to the proportionate share of the district's generating property in each county; the balance collected under section 3, subsection 3, shall be distributed to each county according to the proportionate share of the district's generating property in each county; the balance collected under section 3, subsection (4) shall be distributed to each county (a) forty percent according to the proportionate share of the purchasing district's property in each county, and (b) sixty percent according to the proportionate share of the selling district's property in each county.

"Sec. 7. (RCW 54.28.060) Interest at the rate of six percent per annum shall be added to the tax hereby imposed after the due date. The tax shall constitute a debt to the state and may be collected as such.

"Sec. 8. (RCW 54.28.080) Whenever any district acquires an operating and/or generating property from any private person, firm, or corporation and a portion of the operating and/or generating property is situated within the boundaries of any school district and at the time of such acquisition there is an outstanding bonded indebtedness of the school district, then the public utility district shall, in addition to the tax imposed by this chapter, pay directly to the school district a proportion of all subsequent payments by the school district of principal and interest on said bonded indebtedness, said additional payments to be computed and paid as follows: The amount of principal and interest required to be paid by the school district shall be multiplied by the percentage which the assessed value of the property acquired bore to the assessed value of the total property in the school district at the time of such acquisition. Such additional amounts shall be paid by the public utility district to the school district not less than fifteen days prior to the date that such principal and interest payments are required to be paid by the school district. [In addition, any public utility district which acquires from any private person, firm, or corporation an operating property situated within a school district, is authorized to make voluntary payments to such school district for the use and benefit of the school district.]

"Sec. 9. (RCW 54.04.040) A district shall not construct any property to be utilized by it in the operation of a plant or system for the generation, transmission, or distribution of electric energy for sale, on the streets, alleys, or public places within a city or town without the consent of the governing body of the city or town and approval of the plan and location of the construction, which shall be made under such reasonable terms.
as the city or town may impose. All such properties shall be maintained and operated subject to such regulations as the city or town may prescribe under its police power.

"Sec. 10. There is added to chapter 54.28 RCW a new section to read as follows:

The county commissioners of each county shall direct the county treasurer to deposit funds to the credit of each taxing district in the county according to the manner they deem most equitable; except not less than thirty-five percent of all moneys so received shall be apportioned to the school districts within the county having district properties within their limits, and not less than an amount equal to three-fourths of one percent of the gross revenues obtained by a district from the sale of electric energy within any incorporated city or town shall be remitted to such city or town. Information furnished by the district to the county commissioners shall be the basis for the determination of the amount to be paid to such cities or towns.

"Sec. 11. There is added to chapter 54.28 RCW, a new section to read as follows:

All moneys received by any taxing district shall be used for purposes for which state taxes may be used under the provisions of the state constitution.

"Sec. 12. There is added to chapter 54.28 RCW, a new section to read as follows:

In the event any district hereafter purchases or otherwise acquires electric utility properties comprising all or a portion of an electric generation and/or distribution system from a public service company, as defined in RCW 80.04.010, the total amount of privilege taxes to be paid by it annually on account of the gross revenues derived from the ownership and operation of such system shall not be less than the amount of ad valorem taxes, based on regular levies, last levied against the electric utility properties constituting the system so purchased or otherwise acquired, less a deduction in said amount each year after such purchase or acquisition on account of depreciation accruing against such properties. Any additional taxes required to be paid pursuant to this section shall be collected, paid and distributed at the same time and in the same manner as the taxes imposed under the provisions of section 3 hereof are collected, paid and distributed.

"Sec. 13. There is added to chapter 54.28 RCW, a new section to read as follows:

When any district acquires properties upon which ad valorem tax has been levied which tax becomes uncollectible by virtue of such acquisition, the unpaid portion of such tax shall be paid by the district to the county treasurer of the county wherein such properties were located.

"Sec. 14. There is added to chapter 54.28 RCW, a new section to read as follows:

Whenever property is removed from the tax rolls as a result of acquisition of operating or generating properties or construction of generating properties by a district, such district may make voluntary payments to any other municipal corporation or other entity authorized to levy and collect taxes in an amount equal to the loss of tax revenues to such municipal corporation or other entity resulting from the acquisition of operating or generating properties or construction of generating properties by the district."

Amend the title—strike the whole thereof and substitute the following:

"An Act Relating to public utility districts; amending sections 1 and 3a, chapter 245, Laws of 1941 section 1, chapter 227, Laws of 1949 and RCW 54.28.010, 54.28.020, 54.28.030, 54.28.040, 54.28.050, 54.28.060, 54.28.080, and 54.04.040; and adding new sections to chapter 54.28 RCW."

CLAUDE V. MUNSEY, Chairman.
JOHN GOLDMARK, Vice Chairman.

We concur in this report: Eva Anderson, John Bigley, Samuel Bajema, Gordon J. Brown, Mike McCormack, John A. Petrich.

The bill was read the second time by sections.

On motion of Mr. Goldmark, the committee amendment was not adopted.

Mr. Goldmark moved the adoption of the following amendment:

Amend the bill—strike all of the matter after the enacting clause and insert in lieu thereof the following:

"Section 1. Sections 1 and 3a, chapter 245, Laws of 1941 and section 1, chapter 227, Laws of 1949 (heretofore divided, combined and codified as RCW 54.28.010, 54.28.020, 54.28.030, 54.28.040, 54.28.050, 54.28.060, 54.28.080, and 54.04.040) are amended to read as set forth in sections 2 through 9 of this act.

"Sec. 2. (RCW 54.28.020) There is hereby levied and there shall be collected from every district a tax for the act or privilege of engaging within this state in the business of operating works, plants or facilities for the generation, distribution and sale of electric
energy. With respect to each such district, such tax shall be the sum of the following amounts: (1) Two percent of the gross revenues derived by the district from the sale of all "distributed energy," i.e., electric energy which it distributes to consumers but neither generates nor purchases from generating districts; (2) five percent of the gross revenues derived by the district from the sale of all "self generated and distributed energy," i.e., the electric energy which it distributes to customers and also generates, except sales of electric energy to another district; and (3) five percent of the gross revenues derived by the district from the sale of "distributed energy purchased from another generating district," i.e., electric energy which it distributes to consumers and also purchases from another district which generated the same.

"Sec. 3. (RCW 54.28.030) On or before the fifteenth day of March of each year, each district subject to this tax shall file with the tax commission a report verified by the affidavit of its manager or secretary on forms prescribed by the tax commission. Such report shall state (1) the [taxing districts] county or counties wherein the operating property of the district is located, (2) as to the entire property and as to each [such taxing district.] county, the reproduction cost new and less depreciation of such operating property in so far as that information is available from the district's existing records without taking additional inventory or procuring an engineering report or survey, (3) actual cost and general description of operating property purchased or constructed, (4) the district's separately stated gross revenues for the preceding year derived from the sale of each of the three classes of electric energy described in RCW 54.28.020, and (5) such other and further information as the tax commission reasonably may require in order to administer the provisions of this chapter. In case of failure by a district to file such report, the commission may proceed to determine the information, which determination shall be contestable by the district only for actual fraud. The tax commission shall proceed to determine the fair cash market value of the operating property of each and all of the districts taxable hereunder as of December 31st last past, and the percentage thereof located in each of the [taxing districts] county or counties wherein such operating property is located.

"Sec. 4. (RCW 54.28.040) Prior to May 1st, the tax commission shall compute the tax imposed by this chapter for the last preceding calendar year and notify the district of the amount thereof, which shall be payable on or before the following June 1st. Upon receipt of the amount of each tax imposed the tax commission shall deposit the same with the state treasurer, who shall deposit four percent thereof in the general fund of the state and shall distribute the remainder in the manner hereinafter set forth. The state treasurer shall send a duplicate copy of each such letter of transmittal to the tax commission [, and the tax commission shall instruct the county treasurer or treasurers as to the distribution of the money, as hereinafter provided].

"Sec. 5. (RCW 54.28.050) [Immediately after the computation by the tax commission of the tax imposed by this chapter, the tax commission shall determine the amount of money which each taxing district in which operating property of the district is located would have received if the levies made in the preceding calendar year for county, city, town, school district and road district purposes, not including excess levies voted by the people, had been applied to the fair cash market value of the district's operating property in the taxing district. These amounts are referred to herein as the "taxing district's tentative tax," their total for all the taxing districts wherein the operating property of a given district is located is referred to herein as such district's "aggregate taxing districts' tentative tax," and their total for any county is herein referred to as the "county districts' tentative tax."]

"With respect to each taxing district in which is located a district's generating plants or transmission lines utilized in the generation or transmission of electric energy sold to other districts, the tax commission shall also determine the amount of money which each such taxing district would have received if the levies made for county, city, town, school district and road district purposes, not including excess levies voted by the people, had been applied to the fair cash market value of such generating plants and/or transmission lines in the taxing district. These amounts are referred to herein as the "taxing district's tentative tax for generation or transmission of energy sold," and their total for any county is herein referred to as the "county districts' tentative tax for generation or transmission of energy sold." Where any district generates electric energy, the whole or any part of which it sells to other districts for distribution to consumers by them, and the remainder, if any, of which it distributes itself to consumers, in such case such selling district and each such purchasing district shall be deemed a "contributing district" and, for the
purpose of distribution thereof, sixty percent of all the taxes payable by each such contributing district with respect to such electric energy so distributed to consumers shall be pooled by the tax commission and distributed to each of the taxing districts in which the generating plants generating such energy or the transmission lines utilized for transmitting such energy are located. Such taxes shall be distributed to each such taxing district in the proportion which its "taxing district's tentative tax for generation or transmission of energy sold" bears to the total of such tentative taxes for all the taxing districts sharing therein.

"The remainder of the taxes collectible from each district hereunder shall be distributed by the tax commission to each taxing district in which the operating property of such district is located in the proportion that such "taxing district's tentative tax" bears to said district's "aggregate taxing districts' tentative tax": Provided, That none of such remainder shall be distributed on the basis of any "taxing district's tentative tax for generation and transmission of energy sold."

"After deduction therefrom of the state tax of four percent, the remainder of each such tax payment by any district shall be distributed by the state treasurer to each county wherein the taxing districts entitled to any portion thereof are located, and shall in turn be distributed by the county treasurer of each such county to such taxing districts as hereinabove provided. All money received by the county shall be used exclusively for maintenance and operation of the superior court and sheriff's office of the county; all moneys received by a city or town shall be expended exclusively for the fire and police departments of the particular city or town to which the same is thus apportioned; all moneys received by a school district shall be expended exclusively for the public schools in the particular school district to which the same is thus apportioned; all moneys transmitted to the county treasurer for road districts shall be expended exclusively for the maintenance and construction of public roads in the particular road districts to which the same is thus apportioned.

"After computing the tax imposed by this chapter, the tax commission shall separately compute the values of each district's generating properties and its other operating properties used in the generation, distribution and sale of electric energy. If all the properties of a district are within one county, the tax commission shall instruct the state treasurer to remit the total amount of the tax collected from the district, less the four percent placed in the state general fund, to the county treasurer of the county in which the district operates for distribution to the taxing districts of the county as provided in this act.

"If the district has operating property in more than one county, the tax commission shall instruct the state treasurer, after placing four percent in the state general fund, to distribute the balance collected under section 2, subsection (1) to each county according to the proportionate share of the district's operating property other than generating property in each county; the balance collected under section 2, subsection (2) shall be distributed to each county (a) forty percent according to the proportionate share of the district's operating property other than generating property in each county, and (b) sixty percent according to the proportionate share of the district's generating property in each county; the balance collected under section 2, subsection (3) shall be distributed to each county (a) forty percent according to the proportionate share of the purchasing district's operating property other than generating property in each county, and (b) sixty percent according to the proportionate share of the selling district's generating property in each county.

"Sec. 6. (RCW 54.28.060) Interest at the rate of six percent per annum shall be added to the tax hereby imposed after the due date. The tax shall constitute a debt to the state and may be collected as such.

"Sec. 7. (RCW 54.28.010) As used in this chapter:

"'Tax commission' means the state tax commission;

"'Operating property' means all of the property utilized by a public utility district in the operation of a plant or system for the generation, transmission, or distribution of electric energy for sale;

"'Taxing districts' means counties, cities, towns, school districts, and road districts;

"'Distributes to consumers' means the sale of electric energy to ultimate consumers thereof, and does not include sales of electric energy for resale by the purchaser.

"Sec. 8. (RCW 54.28.080) Whenever any district acquires an operating property from any private person, firm, or corporation and a portion of the operating property is situated within the boundaries of any school district and at the time of such acquisition there is an outstanding bonded indebtedness of the school district, then the public utility district shall, in addition to the tax imposed by this chapter, pay directly to the school
district a proportion of all subsequent payments by the school district of principal and
interest on said bonded indebtedness, said additional payments to be computed and paid
as follows: The amount of principal and interest required to be paid by the school
district shall be multiplied by the percentage which the assessed value of the property
acquired bore to the assessed value of the total property in the school district at the
time of such acquisition. Such additional amounts shall be paid by the public utility
district to the school district not less than fifteen days prior to the date that such
principal and interest payments are required to be paid by the school district. In addi-
tion, any public utility district which acquires from any private person, firm, or cor-
poration an operating property situated within a school district, is authorized to make
voluntary payments to such school district for the use and benefit of the school district.

"Sec. 9. (RCW 54.04.040) A district shall not construct any property to be utilized by
it in the operation of a plant or system for the generation, transmission, or distribution
of electric energy for sale, on the streets, alleys, or public places within a city or town
without the consent of the governing body of the city or town and approval of the
plan and location of the construction, which shall be made under such reasonable terms
as the city or town may impose. All such properties shall be maintained and operated
subject to such regulations as the city or town may prescribe under its police power.

"Sec. 10. There is added to chapter 54.28 RCW, a new section to read as follows:
"The county commissioners of each county shall direct the county treasurer to deposit
funds to the credit of each taxing district in the county according to the manner they
deem most equitable; except not less than thirty-five percent of all moneys so received
shall be apportioned to the school districts within the county having district properties
within their limits, and not less than an amount equal to three-fourths of one percent
of the gross revenues obtained by a district from the sale of electric energy within any
incorporated city or town shall be remitted to such city or town. Information furnished
by the district to the county commissioners shall be the basis for the determination of
the amount to be paid to such cities or towns.

"Sec. 11. There is added to chapter 54.28 RCW, a new section to read as follows:
"All moneys received by any taxing district shall be used for purposes for which
state taxes may be used under the provisions of the state constitution.

"Sec. 12. There is added to chapter 54.28 RCW, a new section to read as follows:
"'Gross revenue' shall mean the amount received from the sale of electric energy
excluding any tax levied by a municipal corporation upon the district pursuant to
RCW 54.28.070.

"Sec. 13. There is added to chapter 54.28 RCW, a new section to read as follows:
"Whenever, hereafter, property is removed from the tax rolls as a result of the ac-
quisition of operating property or the construction of a generating plant by a public
utility district, such public utility district may make voluntary payments to any municipi-
corporation or other entity authorized to levy and collect taxes in an amount not
to exceed the amount of tax revenues being received by such municipal corporation
or other entity at the time of said acquisition or said construction and which are lost
by such municipal corporation or other entity as a result of the acquisition of operating
property or the construction of a generating plant by the public utility district: Pro-
vided, That this section shall not apply to taxing districts as defined in RCW 54.28.010,
and: Provided further, That in the event any operating property so removed from
the tax rolls is dismantled or partially dismantled the payment which may be paid
hereunder shall be correspondingly reduced.

"Sec. 14. There is added to chapter 54.28 RCW, a new section to read as follows:
"In the event any district hereafter purchases or otherwise acquires electric utility
properties comprising all or a portion of an electric generation and/or distribution system
from a public service company, as defined in RCW 80.04.010, the total amount of privilege
taxes imposed under this act to be paid by the district annually on the combined op-
erating property within each county where such utility property is located, irrespective
of any other basis of levy contained in this chapter, will be not less than the combined
total of the ad valorem taxes, based on regular levies, last levied against the electric
utility property constituting the system so purchased or acquired plus the taxes paid
by the district for the same year on the revenues of other operating property in the
same county under terms of this chapter. If all or any portion of the property so ac-
quired is subsequently sold, or if rates charged to purchasers of electric energy are
reduced, the amount of privilege tax required under this section shall be proportionately
reduced.

"Sec. 15. This act is necessary for the immediate preservation of the public peace,
health and safety, the support of the state government and its existing public institu-
tions, and shall take effect immediately."

Propositions and Motions

Resolutions

Resolved That the Speaker be allowed additional compensation payable in the amount of $400 per month to compensate for the extra work and expense required in performing the duties of the Speaker of the House of Representatives in completing the work of the 35th session of the Legislature and for time spent on interim duties; and

Be It Further Resolved, That the Chief Clerk be and he is hereby authorized and directed to make out the necessary vouchers upon which warrants for the foregoing expenses and expenditures shall be drawn.

On motion of Mr. Mardesich, the resolution was adopted.

Resolution by Representative Brown (Gordon J.):

Whereas, The office of public printer has long been established to serve the printing needs of the various departments and divisions of the state government, and one in which the state has invested a large amount of money to maintain its printing plant; and

Whereas, Approximately twenty-eight separate printing process plants have been found to exist in various state offices and departments in Olympia, representing a great investment in equipment as well as operating expense; and

Whereas, The work done by this scattered equipment does not come under the direction of the public printer and in many cases results in duplication of expensive equipment as well as duplication of work; and

Whereas, It is to the best interests of the state that a study of this problem be made in order to effect economies in the matter of departmental printing, and to make the office of public printer a more efficient operation, as well as to secure more rigid budgetary control over departmental printing matters in the future;

Now, Therefore, Be It Resolved, by the House of Representatives that a study and survey of the entire function of public printing, with a view toward economic and feasible consolidation of various departmental printing and publishing functions, be referred to the Legislative Council for recommendation and report to the Thirty-sixth Session of the Legislature; and
Be It Further Resolved, That the budgetary line items concerning the public printing and publishing, with a view toward economic and feasible consolidation, be referred to the Legislative Budget Committee for recommendation and report to the Thirty-sixth Session of the Legislature.

On motion of Mr. Brown, the resolution was adopted.

EXPLANATION OF VOTE

I voted "nay" on Engrossed Senate Bill No. 136 in order to be able to move for reconsideration if the bill lost. Just before the electric voting machine was locked, the "yea" votes numbered 42—eight votes short of the constitutional 50 votes needed for passage. Evidently nine legislators switched their votes at the last second, showing a final vote of 51 "yea" votes.

I wish my vote to be recorded as "yea" on Engrossed Senate Bill No. 136.

FRED H. DORE.

MESSAGES FROM THE SENATE

Senate Chamber.

MR. SPEAKER:
The Senate has adopted: Engrossed House Concurrent Resolution No. 14, and the
same is herewith transmitted.
WARD BOWDEN, Secretary.

SENATE AMENDMENTS TO HOUSE BILL

Senate Chamber,

Mr. Speaker:
The Senate has passed: Substitute House Bill No. 395 with the following amend­
ments:
Amend section 1, page 1, line 6 of the substitute bill, being page 1, line 1 of the
printed bill, after the words "Section 1." strike the balance of the bill and insert the
following:
There is added to chapter 36, Laws of 1955 and to chapter 77.12 RCW a new section to read as follows:

Contested claims for damages caused by beaver, deer and elk shall be determined by arbitration. Provided, That nothing herein shall preclude settlement for claims of such damage, or payment thereof out of the biennial appropriation of the department of game and game fish.

Sec. 2. Section 77.12.290, chapter 36, Laws of 1955 and RCW 77.12.290 are each amended to read as follows:

Notice of all claims for damages caused by beaver, deer, or elk shall be filed in writing with the commission in the offices of the department of game [, Seattle, King county, Washington,] within ninety days after the claimed damage has occurred. In the event the damages are unascertainable within such ninety day period, the notice shall so state. The failure to file notice of any claim or pending claim shall bar payment thereof. No payment shall be made to any claimant for damages occurring on lands leased by claimant from any public agency.

Sec. 3. There is added to chapter 36, Laws of 1955 and to chapter 77.12 RCW a new section to read as follows:

If the claim is not settled within ninety days of the filing thereof, the director of the department of game shall appoint one arbitrator; the board of county commissioners of the county wherein the claimed damage occurred shall appoint one arbitrator; and, the two so appointed shall appoint a third.

Sec. 4. There is added to chapter 36, Laws of 1955 and to chapter 77.12 RCW a new section to read as follows:

Within sixty days after the appointment of the third arbitrator the arbitrator shall designate a time and place in the county in which the claimed damage occurred for a hearing on the claim of damage and notify parties thereto and may adjourn the hearing from time to time as may be necessary, and, on application of either party and for good cause, may postpone the hearing, to a time not extending beyond the date fixed for making the award. All the arbitrators shall meet and act together during the hearing but a majority of them may determine any action and render a final award. If any party neglects to appear before the arbitrators after reasonable notice of the time and place of hearing, the arbitrators may nevertheless proceed to hear and determine the controversy upon the evidence which is produced before them.

Sec. 5. There is added to chapter 36, Laws of 1955 and to chapter 77.12 RCW a new section to read as follows:

The award shall be made within thirty days from the closing of the proceeding. The award shall be in writing and signed by the arbitrators or by a majority of them. The arbitrators shall promptly upon its rendition deliver a true copy of the award to each of the parties.

Sec. 6. There is added to chapter 36, Laws of 1955 and to chapter 77.12 RCW a new section to read as follows:

The department shall provide the necessary forms for the expeditious processing of the claims hereunder and shall make them available to all persons interested.

Sec. 7. There is added to chapter 36, Laws of 1955 and to chapter 77.12 RCW a new section to read as follows:

Payment of the award shall be made from the general fund out of money appropriated to the department of game for the operations thereof.

Sec. 8. Section 77.12.270, chapter 36, Laws of 1955 and RCW 77.12.270; section 77.12.280, chapter 36, Laws of 1955 and RCW 77.12.280; and section 77.12.300, chapter 36, Laws of 1955 and RCW 77.12.300 are each repealed."
MOTION

Mr. Durkan moved that the House refuse to concur in the Senate amendments to Substitute House Bill No. 395, and that the Senate be asked to recede therefrom.

Permitting department of institutions to acquire parental school facilities; 
providing commitment procedures.
MR. SPEAKER:

We, a majority of your Committee on State Institutions and Buildings, to whom was referred Senate Bill No. 224, permitting department of institutions to acquire parental school facilities; providing commitment procedures, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

Strike the whole of sections 4, 5, 6, 7, 8, 9, 10, 11, 12, and 13, and insert in lieu thereof three new sections to be known as sections 4, 5, and 6 to read as follows:

"Sec. 4. There is added to chapter 13.08 RCW a new section to read as follows:

Any boy or girl between the ages of eight and eighteen years of age who has been found delinquent or guilty of any crime, except murder or manslaughter, as provided by law, may be committed by the superior court to the department of institutions, division of children and youth services, for institutional placement in such reception-diagnostic center, camp, or other facility under the supervision and control of the division as shall be designated by the supervisor of the division of children and youth services, including parental schools the transfer of which to the department of institutions has been authorized by the provisions of this act. At such time as institutional placement for any boy or girl has been designated by the supervisor, or any transfer in institutional placement shall be made, notice thereof shall be given to the committing court and to the parents or guardian of such child, or any agency legally responsible for such child.

Sec. 5. There is added to chapter 13.08 RCW a new section to read as follows:

The decision of the supervisor on institutional placement or transfer of institutional placement of any child committed under this amendatory act may be reviewed by the committing court, upon the petition of the parents or guardian of such child, or any agency legally responsible for such child. Such petition must be filed within thirty days from the date of the giving of notice of institutional placement or transfer in institutional placement by the supervisor. A copy of the petition shall be served upon the supervisor of the division of children and youth services and the attorney general, either personally or by registered mail, at least ten days prior to the date set for hearing.

Sec. 6. There is added to chapter 13.08 RCW a new section to read as follows:

If the court finds that the decision of the supervisor on the institutional placement or transfer of institutional placement of any juvenile committed under the terms of this amendatory act is arbitrary, capricious, or contrary to law, the court may change, modify, or set aside the decision of the supervisor and the ruling of the committing court shall be appealable to the supreme court."

Renumber the remaining sections consecutively.

Amend the title, beginning on line 7 of the original and printed bill, after the words "operating procedures" strike all of the matter down to and including the words "to the court" on line 11 of the title. MARK LITCHMAN, JR., Chairman, FRANK B. BROUILLET, Vice Chairman.

We concur in this report: Samuel Bajema, W. J. Beierlein, W. E. Carty, Cecil C. Clark, Dewey C. Donohue, Harry S. Elway, Jr., Herb Hanson, Mrs. Douglas Kirk, Catherine D. May, Claude V. Munsey, Ray Olsen, Harry A. Siler, Ella Wintler.

The bill was read the second time by sections.

On motion of Mr. Litchman, the committee amendment inserting new sections 4, 5, and 6 was adopted.

Mrs. Epton moved the adoption of the following amendment:

On page 7 of the printed bill, strike the whole of the old section 16, and insert in lieu thereof the following:

"Section 2, chapter 78, Laws of 1903 and RCW 1.3.12.020 are each amended to read as follows:

For the purpose of establishing such school or schools, sites may be purchased and buildings constructed or premises rented in the same manner as in the case of other public schools [in such cities.] operated by school districts. [In addition] School or schools may be established and site or sites may be purchased and buildings constructed or premises rented [outside of said cities:] within or without the territorial limits of the school districts: [Provided, No school or schools shall be established, or sites be purchased, any buildings constructed or premises rented which shall be distant more than ten miles from the city so establishing or erecting said schools or purchasing said site
or sites: *And, Provided further,*] *Provided,* That no school shall be erected at or near any penal institution. It shall be the duty of the board of directors to furnish all such schools which are by them at any place established, with such furniture, fixtures, apparatus and provisions as may be necessary for the maintenance and operation thereof."

**POINT OF ORDER**

The Speaker recognized Mr. Clark (Newman H.).

Mr. Clark:

"Point of order. This proposed amendment is inconsistent with the bill which provides that the school district shall not include parental schools, and this amendment is scalped from another bill."

**RULING BY THE SPEAKER**

The Speaker:

"The Speaker will rule that the material in the amendment by Mrs. Epton is incorporated in another bill pending before the House, and therefore her amendment is out of order."

The House resumed consideration of Engrossed Senate Bill No. 135 on second reading.
Engrossed Senate Bill No. 135, by Senators Henry, Winberg, and Neill:
Requiring vote be taken first in smallest component district on formation of
proposed new school district.

House of Representatives,

Mr. Speaker:
We, a majority of your Committee on Education, to whom was referred Engrossed
Senate Bill No. 135, requiring vote be taken first in smallest component district on
formation of proposed new school district, have had the same under consideration,
and we respectfully report the same back to the House with the recommendation
that it do pass with the following amendment:

In section 1, page 1, line 14 of the engrossed bill, being lines 14 and 15 of the
Senate Committee on Education amendment to page 1, line 4 of the printed bill, after
the words "district shall" and before the words "be considered" insert the words "be
tabulated separately and the proposition shall"

..................................
Chairman,

JOHN BIGLEY, Vice Chairman.

We concur in this report: Newman H. Clark, George G. Dowd, Kathryn Epton,
Clayton Farrington, Marian C. Gleason, Gus Lybecker, Ed Munro, Claude V. Munsey,

The bill was read the second time by sections.

On motion of Mr. Savage, the committee amendment was adopted.

On motion of Mr. Shropshire, the following amendment was adopted:

In section 1, page 1, line 8 of the engrossed bill, being page 1, line 3 of the
printed bill, remove the double parentheses in the engrossed bill and the brackets in
the printed bill after the words "is held" and before the words "to vote"

Mr. Sandison moved that the rules be suspended, Engrossed Senate Bill
No. 135 as amended by the House be advanced to third reading, the second
reading considered the third, and the bill be placed on final passage.

POINT OF ORDER
The Speaker recognized Mr. Savage.
Mr. Savage:
"Point of order. This bill was read in this afternoon. I call the Speaker's
attention to Rule 77."

The Speaker:
"Rule 77 states: 'Every bill shall be read on three separate days unless the
House deems it expedient to suspend this rule.'"

POINT OF INQUIRY
The Speaker recognized Mr. Petrie.
Mr. Petrie:
"Point of inquiry. Wasn't that the motion, to suspend the rules?"

The Speaker:
"That is true. Mr. Savage raised the point of order and the rule was read to you.
The motion has been made that the House suspend the rules and that Engrossed
Senate Bill No. 135 be advanced to third reading and final passage. Under our rules,
we have been allowing one person to speak for and one person to speak against a
motion to suspend the rules."

Debate ensued.

The Speaker declared the question before the House to be the motion by
Mr. Sandison to suspend the rules and advance Engrossed Senate Bill No. 135
to third reading.

Mr. Klein demanded an electric roll call and the demand was sustained.

There being no objection, the title of the bill was ordered to stand as the title of the act.

**EXPLANATIONS OF VOTE**

I was called to the telephone for a long distance call, so I was unable to vote on Engrossed Senate Bill No. 135. I would like to have my vote on this bill recorded as "yea".

VIVIEN TWIDWELL

My vote against Engrossed Senate Bill No. 135 was done in confusion. Although I was in favor of the bill, I was in opposition to the remarks made by Representative Savage, Chairman of the committee; and thinking I was voting against his principles with regard to consolidation, I voted "no". The voting machine was locked before I realized I was voting against the measure, and I was unable to change my vote. I wish to be recorded as voting "yea" on Engrossed Senate Bill No. 135, although the measure carried with a sufficient majority and the purpose will be accomplished.

HARRY S. ELWAY, JR.

The House resumed consideration of Engrossed Senate Bill No. 180 on third reading.

**Engrossed Senate Bill No. 180**, by Senators Ryder and Gissberg (by Legislative Council request):

Establishing rules of procedure for state administrative agencies.

The Speaker declared the question before the House to be the final passage of Engrossed Senate Bill No. 180 as amended by the House.

Debate ensued.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 180 as amended by the House, and the bill passed the House by the following vote: Yeas, 71; nays, 13; absent or not voting, 15.

Those voting yea were: Representatives Adams, Anderson, Bajema, Beierlein, Bernethy, Bigley, Bozarth, Brouillet, Brown (Gordon J.), Campbell, Canfield, Carmichael, Carty, Chytil, Clark (Cecil C.), Clark (Newman H.), Donohue, Dowd, Durkan, Edwards, Eldridge, Gallagher (Bernard J.), Gallagher (Phil H.), Gleason, Goldmark, Goldsworthy, Griffith, Hansen (Julia Butler), Harris, Hawley, Henry, Hurley, Johnston (Elmer E.), Kink, Klein, May, McCormack (Mike), McCormick (W. There being no objection, the title of the bill was ordered to stand as the title of the act.
MOTION FOR RECONSIDERATION

Mr. Mardesich, having voted on the prevailing side, moved that the House do now reconsider the vote by which Substitute Senate Bill No. 374 passed the House.

MOTION

Mr. Sandison moved that the motion by Mr. Mardesich be laid on the table.

POINT OF INQUIRY

Mr. Mardesich:
“What is the effect of Mr. Sandison’s motion?”

The Speaker:
“The effect would be to table the motion for reconsideration.”

POINT OF INQUIRY

Mr. Mardesich:
“And it excludes any further move for reconsideration?”

The Speaker:
“That is true.”

The Speaker declared the question before the House to be the motion by Mr. Sandison to table the motion for reconsideration.
The motion was carried.

MOTION

On motion of Mr. Petrie, Substitute Senate Bill No. 374 was ordered immediately transmitted to the Senate.

EXPLANATIONS OF VOTE

This is to explain my vote on Substitute Senate Bill No. 374 which amended Initiative No. 199. I voted “no” in order that I might ask for reconsideration in case the measure failed to get the two-thirds vote necessary for passage, which seemed likely at the moment I voted against the measure. ROBERT D. TIMM

I request and authorize that the following explanation of my vote on Substitute Senate Bill No. 374 be inserted into the Journal record for this date, March 12, 1957:

The record should show that I, Representative Nicholson, on the oral roll call voted “nay.” At the conclusion of the oral roll call I was aware that the measure had carried so I changed my vote to “yea” only so that I would then be in a position to move for reconsideration of the vote by which the measure carried. Such a motion by Representative Mardesich was tabled by a voice vote by Representative Sandison. I did not and do not favor the emasculation of Initiative No. 199 as embodied in Substitute Senate Bill No. 374. PATRICK NICHOLSON

SPECIAL ORDER OF BUSINESS

The hour of eight-thirty o’clock p.m. having arrived, the Speaker declared the question before the House to be consideration of Senate Bill No. 352 on second reading.

Propositions and Motions

Change in House Rules

Mr. Brown (Gordon J.), having given notice on the preceding day, moved that the House Rules be changed as follows:

Resolution by Representative Brown (Gordon J.):

Be It Resolved by the House of Representatives, That there be added to the rules of the House a new rule to be known as rule 59(a) to read as follows:

Rule 59(a). The chairman of every committee shall maintain a register of every bill or resolution received by his committee. Such register shall show each measure by number, the date received, and the date and record of every action taken by the committee on the measure. It shall also show the name of the person having actual possession of the measure at all times. Whenever a committee has acted on a measure in any way so as to vote it out of committee, it shall be the responsibility of the chairman to transmit the measure to the Clerk of the House within twenty-four hours of the committee action.

Mr. Brown moved the adoption of the resolution.

Debate ensued.

MOTION

On motion of Mr. Sandison, the resolution by Mr. Brown was referred to Committee on Rules and Order.

Notice of Change in House Rules

Mr. Savage gave notice that on the next working day he would move to amend House Rule No. 2 and House Rule No. 3
Resolution

Resolution by Representative Petrich:

Be It Resolved, by the House of Representatives of the State of Washington:

WHEREAS, Mental patients are occupying a large and constantly increasing proportion of beds in the public and private hospitals of this state, and

WHEREAS, Commitment of our citizens to mental hospitals results in a staggering cost to the state, both in money appropriated for their care, and in the loss of income to such people and to their families, together with the loss of their productivity in our expanding economy, and

WHEREAS, The sincere deliberations of legislators with persons in the field of mental health indicate an increased need to attack the problems of mental illness before they become acute and disabling,

Now, Therefore, Be It Resolved by the House of Representatives, That the legislative council of the state of Washington in addition to the other duties by law imposed upon them shall, during the next ensuing biennium, make a comprehensive and thorough study of the need for psychiatric outpatient clinics to be established in county hospitals for the short term care, treatment and maintenance of persons with psychiatric disorders;

Be It Further Resolved, That the legislative council confer with representatives of the department of institutions in an effort to establish the need for such clinics, if any, the methods of financing the same, qualifications and standards of such clinics, and the persons to whom such facilities may be available. This study shall include methods by which counties may cooperate with other counties or with other governmental units, or methods by which counties may enter into agreements either alone or in combination with private hospitals to provide such outpatient clinic psychiatric care where counties have no such facilities either presently available or possible of creation.

Be It Further Resolved, That the legislative council shall report thereon to the next regular session of the legislature on opening day, including in such report such drafts of recommended legislation as shall be necessary.

On motion of Mr. Petrich, the resolution was adopted.

MESSAGE FROM THE SENATE

Senate Chamber, Olympia, Wash., March 12, 1957.

Mr. Speaker:
The Senate has adopted the report of the Conference Committee on Engrossed Senate Bill No. 118, and has granted said committee the powers of free conference.

WARD BOWDEN, Secretary.

FIRST READING OF SENATE BILL

The following was read first time by title and acted upon as indicated:

Engrossed Senate Bill No. 482, by Senators Howard Bargreen, Wilbur G. Hallauer, Marshall A. Neill, and Nat W. Washington:

An Act providing funds for the construction of needful buildings at the state operated charitable, educational and penal institutions and at state supported institutions of higher learning authorizing the issuance and sale of state general obligation bonds and providing ways and means to pay said bonds; making an appropriation; providing for submission of this act to a vote of the people, and declaring an emergency.

Referred to Committee on Ways and Means.

SECOND READING OF BILLS

Senate Bill No. 387, by Senators Nunamaker and Hess:
Reducing certain requirements and extending benefits of certain employees under state retirement act.

Mr. Speaker:
We, a majority of your Committee on Social Security and Public Assistance, to whom was referred Senate Bill No. 387, reducing certain requirements and extending benefits of certain employees under state retirement act, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

On page 7 of the original bill, being page 6 of the printed bill, immediately following section 2, add two new sections to be known as sections 3 and 4 to read as follows:

"Sec. 3. Section 18, chapter 200, Laws of 1953 and RCW 41.40.360 are each repealed.

"Sec. 4. There is added to chapter 274, Laws of 1947 and to chapter 41.40 RCW a new section to read as follows: (1) For the purpose of this section, the "fundable employer liability" at any date shall be the present value of (a) all future pension benefits payable in respect of all members in the retirement system at that date, and (b) all future benefits in respect of beneficiaries then receiving retirement allowances or pensions. (2) The contributions by the employer for benefits under the retirement system shall consist of the sum of a percentage of the compensation of members to be known as the "normal contribution", a percentage of such compensation to be known as the "unfunded liability contribution" and in the case of employers admitted to the retirement system after April 1, 1949, a percentage of such compensation to be known as the "additional contribution". The rates of such contributions shall be determined by the retirement board on the basis of assets and liabilities as shown by actuarial valuation. (3) After the completion of each actuarial valuation subsequent to the first actuarial valuation of June 30, 1953, the retirement board shall determine the normal contribution rate and such contribution rate shall become effective in the ensuing biennium. Until the unfunded liability contribution shall have been discon-
tinued, such normal contribution rate shall be computed to be sufficient, when applied to the present value of the future compensation of the average new member entering the system, to provide for the payment of all prospective pension benefits in respect of such member. After the unfunded liability contributions have been discontinued, such normal contribution rate shall be determined as the uniform and constant percentage of the prospective compensation of all members of the retirement system at the date of such valuation which is equivalent to the excess of the fundable employer liability over the amount of funds currently standing to the credit of the benefit account fund. (4) After the completion of each actuarial valuation subsequent to the first actuarial valuation of June 30, 1953, the retirement board shall determine the unfunded liability contribution, and such rate shall become effective in the ensuing biennium. The unfunded liability contribution rate shall not be less than that percentage of annual compensation of all members in the retirement system at the date of such subsequent valuation which is equivalent to four percent of the unfunded liability of the system. The unfunded liability shall be determined at such date as the excess of the fundable employer liability over the sum of the present value of the future normal contributions payable in respect of all members in the retirement system at that date, and the amount of all funds currently standing to the credit of the benefit account fund. The unfunded liability contributions shall continue until there remains no unfunded liability. (5) Any employer admitted to the retirement system after April 1, 1949, shall make an additional contribution at a rate equal to not less than twenty-five percent of the sum of the normal contribution rate and the unfunded liability contribution rate until such time as the sum of such additional contributions equals the amount of contributions which such employer would have been required to contribute between April 1, 1949, and the date of such employer's admission to the retirement system: Provided, All additional contributions hereunder and under the provisions of RCW 41.40.160 (2) must be completed within ten years from the date of the employer's admission.

In line 3 of the title of the original and printed bill, after the figures "41.40.120" and before the period (.) insert the following: "; repealing section 18, chapter 200, Laws of 1953 and RCW 41.40.360; and adding a new section to chapter 274, Laws of 1947 and to chapter 41.40 RCW"

W. J. BEIERLEIN, Chairman,
MARIAN C. GLEASON, Vice Chairman.

We concur in this report: Alfred O. Adams, Samuel Bajema, Gordon J. Brown, Joe Chytil, Clayton Farrington, Herb Hanson, Chet King, Fred R. Mast, James L. McFadden, Ralph L. Rickdall, Paul M. Stocker, Ella Wintler, Richard W. Morphis.

The bill was read the second time by sections.

On motion of Mr. Beierlein, the committee amendments were adopted.

On motion of Mr. Sandison, the rules were suspended, Senate Bill No. 387 as amended by the House was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The Clerk called the roll on the final passage of Senate Bill No. 387 as amended by the House, and the bill passed the House by the following vote: Yeas, 81; nays, 0; absent or not voting, 18.

Those voting yea were: Representatives Adams, Ahlquist, Anderson, Bajema, Beierlein, Bernethy, Bigley, Braun (Eric D.), Brouillet, Brown (Gordon J.), Campbell, Canfield, Carmichael, Carty, Chytil, Clark (Cecil C.), Copeland, Donohue, Dore, Dowd, Edwards, Elway, Epton, Evans, Farrington, Folsom, Gallagher (Bernard J.), Gallagher (Phil H.), Gleason, Goldmark, Goldsworthy, Griffith, Hansen (Julia Butler), Harris, Hawley, Henry, Huntley, King, Kink, Kirk, Klein, Leland, Lindell, Lybecker, Mast, May, McCormick (W. **REPORT OF FREE CONFERENCE COMMITTEE**

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred Engrossed Senate Bill No. 118, an act requiring bidding for contracts with university and state college,
have had the same under consideration, and we recommend that Engrossed Senate Bill No. 118 be amended to read as follows, and that the amended bill do pass:

An Act relating to education.

Be It Enacted by the Legislature of the State of Washington:

Section 1. The associated students of the University of Washington, the associated students of the State College of Washington and the student associations of the colleges of education shall contract for all purchases for printing of athletic programs, athletic tickets, athletic press brochures, yearbooks, magazines, newspapers and letting of concessions, exceeding one thousand dollars, notice of call for bid on the same to be published in at least two newspapers of general circulation in the county wherein the institution is located two weeks prior to the award being made. The contract shall be awarded to the lowest responsible bidder, if the price bid is fair and reasonable and not greater than the market value and price, and if the bid satisfactorily covers the quality, design, performance, convenience and reliability of service of the manufacturer and/or dealer. The associated students of the University of Washington, the associated students of the State College of Washington and the student associations of the colleges of education may require such security as they deem proper to accompany the bids submitted, and they shall also fix the amount of the bond or other security that shall be furnished by the person to whom the contract is awarded. The associated students of the University of Washington, the associated students of the State College of Washington and the student associations of the colleges of education may reject any or all bids submitted, if for any reason it is deemed for the best interest of their organizations to do so and readvertise in accordance with the provisions of this section. The associated students of the University of Washington, the associated students of the State College of Washington and the student associations of the colleges of education may reject any person who has had a prior contract, and who did not, in its opinion, faithfully comply with its terms: Provided, That nothing in this section shall apply to printing done on presses owned and operated by the associated students of the University of Washington, the associated students of the State College of Washington or the student associations of the colleges of education, or to printing done on presses owned or operated by their respective institutions.

MOTION

On motion of Mr. Sandison, Engrossed Substitute House Bill No. 719 was immediately transmitted to the Senate.

EXPLANATION OF VOTE

We, the undersigned Republicans in the House of Representatives who voted for an amendment to remove from the supplemental appropriation bill (Substitute House Bill No. 719), an appropriation of $7,000,000 to the governor for the institutions, did so for the following reasons:

The Republicans have consistently voted for our institutional program which has been steadily improving in recent years and we continue strongly to support this pro-
gram. We voted for this amendment for two reasons. First, this item is supposed to be included and receive consideration in the omnibus appropriations bill scheduled to be considered by the House on the following day. It is not a proper item for the supplemental appropriations bill.

Second, and most important, the form of the appropriation, merely giving the governor a blank check for $7,000,000 to spend as he sees fit, violates all principles of sound legislative functioning. The legislature has traditionally and properly determined the amount of money and the emphasis to be given to the various types of institutions and the various institutional programs. If the Democrats, instead, are going to use this haphazard method of conducting the legislative process, there is no point in the legislature devoting the many hours it does to the conducting of appropriation hearings, studying of various needs, and following through with legislative council investigations. We believe this is a very dangerous precedent and constitutes an abandonment of a principal function of the legislature.

MOTION

On motion of Mr. Sandison, the House adjourned until ten o'clock a.m., Thursday, March 14, 1957.

John L. O'Brien, Speaker.

S. R. Holcomb, Chief Clerk.

SIXTIETH DAY

MORNING SESSION

House of Representatives,
Olympia, Wash., Thursday, March 14, 1957.

The Speaker called the House to order at ten o'clock a.m.

The Clerk called the roll and all members were present except Representatives Brouillet, Burns, Copeland, Hanson (Herb), Harris, King, Munro, Neva, Petrich, Petrie, Sandison, and Stocker.

The flag of our country was escorted to the rostrum by a Sergeant at Arms color guard.

Prayer was offered by the Reverend J. Edgar Pearson, Jr., Pastor of the United Churches of Olympia.

The reading clerk proceeded to read the journal of the proceedings of the previous day. On motion of Mr. Young, further reading was dispensed with and the journal was ordered to stand approved.

PROPOSITIONS AND MOTIONS

Resolution by Representatives Hansen (Julia Butler) and Miller:

WHEREAS, Silver Lake, in Cowlitz county, has great value as a recreational facility in southwest Washington, and such lake also has on its shores some excellent agricultural land; and

WHEREAS, Stabilization of the water level of such lake is needed to realize its maximum potential for fishing and recreation and would benefit both land owners and recreational users of the lake; and

WHEREAS, The state game commission has been engaged in a program looking toward the development and stabilization of Silver Lake, and some controversy has arisen as to such program;

Now, Therefore, Be It Resolved by the House of Representatives, That the game and game fish interim committee investigate such proposal, cooperating with the state game commission in such regard, to the end that any controversy regarding the stabilization of Silver Lake may be resolved and such lake developed to the fullest extent possible as a recreational asset of the state of Washington.

On motion of Mrs. Hansen (Julia Butler), the resolution was adopted.

CHANGE IN HOUSE RULES

Mr. Savage, having given notice on the preceding day, moved that House Rules 2 and 3 be changed as follows:

Resolution by Representative Savage:

Be It Resolved, By the House of Representatives that the Rules of the House be amended as follows:
Add a new section to Rule 2 to be known as 2 (a) to read as follows:

(a) The House Majority and Minority shall, when caucusing, preparatory to organizing the House, elect by paper ballot, a committee of five members as the committee on committees.

The majority committee shall plan the number of assignments to be made by the majority and minority, taking into consideration the relative strength of the two parties in the House, and shall notify the minority committee of the number of assignments to be made to each standing committee.

Each committee on committees shall make its report to the Speaker, as soon as possible after his or her election.

Amend House Rule 3, subsection (f) to read as follows:

(f) He shall appoint all special committees.

Mr. Savage moved the adoption of the resolution.

Debate ensued.

Mr. Mardesich moved that the resolution be referred to the Committee on Rules and Order.

Debate ensued.

Mr. Gallagher (Bernard J.) demanded the previous question and the demand was sustained.

Mr. Savage demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion by Mr. Mardesich, and the motion was carried by the following vote: Yeas, 54; nays, 19; absent or not voting, 26.

Senate Chamber,

Mr. Speaker:
The Senate has adopted the report of the Conference Committee on Substitute Senate Joint Resolution No. 9, and has granted said committee the powers of Free Conference.

Ward Bowden, Secretary.

Mr. Speaker:
The Senate has passed: Engrossed House Bill No. 47 with the following amendments:

In section 1, page 1, line 21 of the engrossed bill, being the last line on page 1 of the House committee amendment, after the period (.) following the word "financing" add the following: "The appropriation herein made shall be reduced by whatever amount is appropriated for like purposes in the omnibus bill, Substitute Senate Bill No. 406."

Amend the bill after section 2 by adding seventeen new sections to be numbered sections 3 through 19 to read as follows:

"Sec. 3. There is added to chapter 43.21 RCW a new section to read as follows:

"The director of conservation and development shall continue the study of the state power commission made in 1956 relating to the construction of a steam power electric generating plant, and if the construction of a steam electric generating plant is found to be feasible by the director of conservation and development, the director of conservation and development may construct such plant at a site determined by him to be feasible and operate it as a state owned facility. The advisory committee provided for in Senate Bill No. 281 shall advise the director of conservation and development in connection with the steam electric generating plant provided for herein.

"Sec. 4. There is added to chapter 43.21 RCW a new section to read as follows:

"Before the director of conservation and development shall construct said steam generating facility within the state, or make application for any permit, license or other right necessary thereto, he shall give notice thereof by publishing once a week for four consecutive weeks in a newspaper of general circulation in the county or counties in which such project is located a statement of intention setting forth the general nature, extent and location of the project. If any public utility in the state or any operating agency desires to construct such facility, such utility or operating agency shall notify the director of conservation and development thereof within ten days after the last date of publication of such notice. If the director of conservation and development determines that it is in the best public interest that the director of conservation and development proceed with such construction rather than the public utility or operating agency, he shall so notify the director of commerce and economic development, who shall set a date for hearing thereon. If after considering the evidence introduced the director of commerce and economic development finds that the public utility or operating agency making the request intends to immediately proceed with such construction and is financially capable of carrying out such construction, and further finds that the plan of such utility or operating agency is equally well adapted to serve the public interest, he shall enter an order so finding and such order shall divest the director of conservation and
development of authority to proceed further with such construction or acquisition until such time as the other public utility or agency voluntarily causes an assignment of its right or interest in the project to the director of conservation and development or fails to procure any further required governmental permit, license or authority or having procured such, has the same revoked or withdrawn, in accordance with the laws and regulations of such governmental entity, in which event the director of conservation and development shall have the same authority to proceed as though the director had originally entered an order so authorizing the director of conservation and development to proceed. If, after considering the evidence introduced, the director of commerce and economic development finds that the public utility or agency making the request does not intend to immediately proceed with such construction or acquisition or is not financially capable of carrying out such construction or acquisition, or finds that the plan of such utility or operating agency is not equally well adapted to serve the public interest, he shall then enter an order so finding and authorizing the director of conservation and development to proceed with the construction or acquisition of the facility.

"Sec. 5. There is added to chapter 43.21 RCW a new section to read as follows:

"In order to construct, operate and maintain the single steam power electric generating plant provided for in section 3 hereof the director of conservation and development shall have authority:

"(1) To generate, produce, transmit, deliver, exchange, purchase or sell electric energy and to enter into contracts for any or all such purposes.

"(2) To construct, condemn, purchase, lease, acquire, add to, extend, maintain, improve, operate, develop and regulate such steam electric power plant, work and facilities for the generation and/or transmission of electric energy and to take, condemn, purchase, lease and acquire any real or personal, public or private property, franchise and property rights, including but not limited to state, county, and school lands and properties, for any of the purposes herein set forth and for any facilities or works necessary or convenient for use in the construction, maintenance or operation of such work, plant and facilities; provided that the director of conservation and development shall not be authorized to acquire by condemnation any plant, work and facility owned and operated by any city or district, or by a privately owned public utility.

"(3) To apply to the appropriate agencies of the state of Washington, the United States or any state thereof, or to any other proper agency for such permits, license or approvals as may be necessary, and to construct, maintain and operate facilities in accordance with such licenses or permits, and to obtain, hold and use such licenses and permits in the same manner as any other person or operating unit.

"(4) To establish rates for electric energy sold or transmitted by the director of conservation and development. When any revenue bonds or warrants are outstanding the director of conservation and development shall have the power and shall be required to establish and maintain and collect rates or charges for electric energy furnished or supplied by the director of conservation and development which shall be fair and non discriminatory and adequate to provide revenues sufficient for the payment of the principal and interest on such bonds or warrants and all payments which the director of conservation and development is obligated to set aside in any special fund or funds created for such purposes and for the proper operation and maintenance of the public utility owned by the director of conservation and development and all necessary repairs, replacements and renewals thereof.

"(5) To employ legal, engineering and other professional services and fix the compensation of a managing director and such other employees as the director of conservation and development may deem necessary to carry on its business, and to delegate to such manager or other employees such authority as the director shall determine. Such manager and employees shall be appointed for an indefinite time and be removable at the will of the director.

"Sec. 6. There is added to chapter 43.21 RCW a new section to read as follows:

"For the purpose of carrying out any or all of the powers herein granted the director of conservation and development shall have the power of eminent domain for the acquisition of either real or personal property used or useful in connection with the construction of facilities authorized hereunder. Actions in eminent domain pursuant to this chapter shall be brought in the name of the state in any court of competent jurisdiction under the procedure set out in chapter 8.04. The director of conservation and development may institute condemnation proceedings in the superior court of any county in which any of the property sought to be condemned is located or in which the owner thereof does business, and the court in any such action shall have jurisdiction to condemn property wherever located within the state. It shall not be necessary to allege
or prove any offer to purchase or inability to agree with the owners thereof for the purchase of any such property in said proceedings. Upon the filing of a petition for condemnation, as provided in this section, the court may issue an order restraining the removal from the jurisdiction of the state of any personal property sought to be acquired by the proceedings during the pendency thereof. The court shall further have the power to issue such orders or process as shall be necessary to place the director of conservation and development into possession of any property condemned.

"Sec. 7. There is added to chapter 43.21 RCW a new section to read as follows:

"The director of conservation and development shall have no right or power to impose any debt nor to suffer or create any financial obligation upon the state of Washington or its subdivisions in the execution of this chapter.

"No revenues received by the director of conservation and development for the sale of electricity or otherwise, shall be expended except for the payment of lawful obligations of the director of conservation and development and all such revenues and receipts shall be kept and maintained in a separate fund.

"Sec. 8. There is added to chapter 43.21 RCW a new section to read as follows:

"For the purposes provided for in this chapter, the state finance committee shall, upon being notified to do so by the director of conservation and development, issue revenue bonds or warrants payable from the revenues from the steam electric plant provided for in section 3 of this chapter. When the director of conservation and development deems it advisable that he acquire or construct said steam electric plant or make additions or betterments thereto, he shall so notify the state finance committee and he shall also notify the state finance committee as to the plan proposed, together with the estimated cost thereof. The state finance committee, upon receiving such notice, shall provide for the construction thereof and the issuance of revenue bonds or warrants therefor by a resolution which shall specify and adopt the system or plan proposed, and declare the estimated cost thereof, as nearly as may be, including as part of the cost, funds necessary for working capital for the operation of such utility and the payment of the expenses incurred in the acquisition or construction thereof. Such resolution shall specify that utility revenue bonds are to be issued to defray the cost thereof and the amount of such bonds to be issued. Bonds issued under the provisions of this chapter shall distinctly state that they are not a general obligation of the state.

"Sec. 9. There is added to chapter 43.21 RCW a new section to read as follows:

"When the state finance committee issues revenue bonds as provided in section 8 above, it shall, as a part of the plan and system, request the state treasurer to establish a special fund or funds to defray the cost of the steam electric utility, or additions or betterments thereto or extensions thereof. The state finance committee may obligate and bind the director of conservation and development to set aside and pay to the state treasurer for deposit into such fund or funds a fixed proportion of the gross revenue of the steam electric utility and all additions or betterments thereto or extensions thereof, or any fixed amount out of, and not exceeding the fixed proportion of such revenue, or a fixed amount without regard to any fixed proportion, or an amount of the revenue equal to a fixed percentage of the aggregate principal amount of revenue bonds at any time issued against the special fund or funds. It may issue and sell utility bonds payable as to both principal and interest only out of such fund or funds.

"The revenue bonds shall be payable at such places and times, both as to principal and interest and bear interest at such rates payable semiannually as the state finance committee shall determine.

"Sec. 10. There is added to chapter 43.21 RCW a new section to read as follows:

"In the issuance of any bonds hereunder the state finance committee shall have due regard to the cost of operation and maintenance of the steam electric utility as acquired, constructed or added to, and to any proportion or amount of the revenue previously pledged as a fund for the payment of revenue bonds. It shall not require to be set aside into the fund a greater amount or proportion of the revenue than in its judgment and as agreed to by the director of conservation and development will be available over and above the cost of maintenance and operation and any amount or proportion of the revenue so previously pledged. Revenue bonds and interest thereon issued against such fund shall be a valid claim of the holder thereof only as against the fund and the proportion or amount of the revenue pledged thereto, but shall constitute a prior charge over all other charges or claims whatsoever against the fund and the proportion or amount of the revenues pledged thereto. Each revenue bond shall state on its face that it is payable from a special fund, naming the fund and the resolution creating it.
"Sec. 11. There is added to chapter 43.21 RCW a new section to read as follows:
"The resolution of the state finance committee authorizing the issuance of revenue
bonds shall specify the title of the bonds as determined by the state finance committee,
and may contain covenants by the committee to protect and safeguard the security and
the rights of the holders thereof, including covenants as to, among other things:
"(1) The purpose or purposes to which the proceeds of the sale of the revenue bonds
may be applied and the use and disposition thereof;
"(2) The use and disposition of the gross revenue of the steam electric utility and any
additions or betterments thereto or extensions thereof, the cost of which is to be de­
frayed with such proceeds, including the creation and maintenance of funds for working
capital to be used in the operation of the steam electric utility and for renewals and re­
placements thereof;
"(3) The amount, if any, of additional revenue bonds payable from such fund which
may be issued and the terms and conditions on which such additional revenue bonds or
warrants may be issued;
"(4) The establishment and maintenance of adequate rates and charges for electric
power and energy and other services, facilities and commodities, sold, furnished or sup­
plied by the steam electric utility;
"(5) The operation, maintenance, management, accounting and auditing of the elec­
tric utility;
"(6) The terms upon which the revenue bonds, or any of them, may be redeemed at
the election of the agency;
"(7) Limitations upon the right to dispose of the steam electric utility or any part
thereof without providing for the payment of the outstanding revenue bonds; and
"(8) The appointment of trustees, depositaries, and paying agents to receive, hold,
disburse, invest, and reinvest all or any part of the income, revenue, receipts and profits
derived by the director of conservation and development from the operation, ownership,
and management of its steam electric utility.

"Sec. 12. There is added to chapter 43.21 RCW a new section to read as follows:
"All bonds issued under or by authority of this chapter shall be sold to the highest
and best bidder after such advertising for bids as the state finance committee may deem
proper. The state finance committee may reject any and all bids so submitted and there­
after sell such bonds so advertised under such terms and conditions as the state finance
committee may deem most advantageous to its own interests. The aggregate interest
cost to maturity of the money received for such an issue shall not exceed six per cent
per annum.

"Sec. 13. There is added to chapter 43.21 RCW a new section to read as follows:
"Prior to the issuance and delivery of any revenue bonds, such bonds and a certified
copy of the resolution authorizing them shall be delivered to the state auditor together
with any additional information that he may require. When the bonds have been exam­
ined they shall be registered by the auditor in books to be kept by him for that pur­
pose, and a certificate of registration shall be endorsed upon each bond and signed by
the auditor or a deputy appointed by him for the purpose. The bonds shall then be
prima facie valid and binding obligations of the state finance committee in accordance
with their terms, notwithstanding any defects or irregularities in the authorization and
issuance of the bonds, or in the sale, execution or delivery thereof.

"Sec. 14. There is added to chapter 43.21 RCW a new section to read as follows:
"When revenue bonds are outstanding the director of conservation and development
shall establish, maintain, and collect rates or charges for electric power and energy, and
other services, facilities and commodities sold and supplied by the director of conserva­
tion and development which shall be fair and nondiscriminatory and adequate to pro­
vide revenue sufficient to pay the principal of and interest on revenue bonds outstanding
and all payments which the director of conservation and development is obligated to
make to the state treasurer for deposit in any special fund or funds created for such
purpose, and for the proper operation and maintenance of the utility and all necessary
repairs, replacements and renewals thereof.

"Sec. 15. There is added to chapter 43.21 RCW a new section to read as follows:
"When the state finance committee has outstanding revenue bonds, the state finance
committee, with the concurrence of the director of conservation and development, may
by resolution provide for the issuance of refunding revenue bonds with which to refund
the outstanding revenue bonds, or any part thereof at maturity, or before maturity if
they are by their terms or by other agreement subject to call for prior redemption, with
the right in the state finance committee to combine various series and issues of the out­
standing revenue bonds by a single issue of refunding revenue bonds. The refunding
bonds shall be payable only out of a special fund created out of the gross revenue of the steam electric utility, and shall only be a valid claim as against such special fund and the amount or proportion of the revenue of the utility pledged to said fund. The rate of interest on refunding revenue bonds shall not exceed the rate of interest on revenue bonds refunded thereby. The state finance committee may exchange the refunding revenue bonds for the revenue bonds which are being refunded, or it may sell them in such manner as it deems for its best interest. Except as specifically provided in this section, the refunding revenue bonds shall be issued in accordance with the provisions contained in this chapter with respect to revenue bonds.

"Sec. 16. There is added to chapter 43.21 RCW a new section to read as follows:

"All revenue bonds, including refunding revenue bonds, shall be signed by the governor and the state auditor under the seal of the state, one of which signatures shall be made manually and the other signature may be in printed facsimile, and any coupons may have printed or lithographic facsimile of the signatures of such officers.

"Sec. 17. There is added to chapter 43.21 RCW a new section to read as follows:

"The provisions of this chapter and any resolution providing for the issuance of revenue bonds shall constitute a contract with the holder or holders from time to time of the revenue bonds of the state finance committee. Such provisions of this chapter and of any such resolution shall be enforceable by any such bondholder by appropriate action in any court of competent jurisdiction.

"Sec. 18. There is added to chapter 43.21 RCW a new section to read as follows:

"All revenue bonds issued hereunder shall be legal securities, which may be used by a bank or trust company for deposit with the state treasurer, or by a county or city or town treasurer, as security for deposits in lieu of a surety bond under any law relating to deposits of public moneys. They shall constitute legal investments for trustees and other fiduciaries other than corporations doing a trust business in this state, and for savings and loan associations, banks and insurance companies doing business in this state. All revenue bonds and all coupons appertaining thereto shall be negotiable instruments within the meaning and for all purposes of the negotiable instruments law.

"Sec. 19. There is added to chapter 43.21 RCW a new section to read as follows:

"Nothing in this chapter shall authorize or empower the director of conservation and development to purchase or acquire any transmission or distribution system or facilities or to engage in the retail distribution of electric energy, or to purchase or acquire any operating hydroelectric generating plant owned by any city or district, or by a privately owned public utility, or which hereafter may be acquired by any city or district by condemnation."

Amend the title by striking the whole thereof and substituting the following:

"An Act relating to studies for the undertaking of construction of plants for generation of electricity by steam; providing for the construction of a steam power electric generating plant and the financing thereof; adding seventeen new sections to chapter 43.21 RCW; and making an appropriation."

PERSONAL PRIVILEGE

The Speaker recognized Mr. Clark (Newman H.).

Mr. Clark:

"May I have the attention of the members of the House. I have a very enjoyable task to do now. I want to express the appreciation of all members of the House to one of our very fine friends, a member who has rendered a generous service to us. During the sessions he has served, he has furnished us with refrigerators and with the TV sets which all of us have enjoyed when we have had a moment or two. I would like to have Fred Mast step down here.

"While Fred is coming down here, those of you who are informed know my middle name is Hall. We come from a long line of Hall trees. We have, on one of the branches of this tree, Deanna Hall, who is Miss Washington. I would like to have her step down here and participate, if she will.

"Fred, as a little token of appreciation for what you have done for the members of the House, we have asked Miss Deanna Hall to make the presentation of this gift."

Miss Hall:

"Mr. Clark has already told you the reason for this little gift, our appreciation of the refrigerators and the TV sets that you have installed in various places around the building. We have all enjoyed using them. As a token of our appreciation, we have this little gift for you."

Mr. Mast:

"Miss Washington, Mr. Speaker, ladies and gentlemen of the House. I don't think a gift was necessary. The pleasure is all mine. I certainly think it is wonderful just to have the opportunity to come down here and associate with such grand people as you. I have been very, very happy to have been a part of this legislature. What little I could do was certainly a pleasure for me. Thank you all very much."

MOTION

On motion of Mr. Sandison, the House recessed until one-thirty o'clock p. m.
The Speaker called the House to order at one-thirty o'clock p. m.
The Clerk called the roll and all members were present except Representatives Brown (Gordon J.), Dore, Gallagher (Bernard J.), Johnston (Elmer E.), King, Klein, McCormack (Mike), McFadden, Strom, and Young; Representatives Klein and McCormack (Mike) having been excused previously.

.................................................., Chairman.

We concur in this report: Damon R. Canfield, Don Eldridge, Robert F. Goldsworthy, Mrs. Douglas Kirk, Charles M. Stokes, John F. Strom, Mrs. Thomas A. Swayze.

Subcommittee on Revenue and Taxation,

.................................................., Chairman.

We concur in this report: H. Maurice Ahlquist, Cecil C. Clark, Charles P. Moriarty, Jr., Harry A. Siler.

On motion of Mr. Sandison, the rules were suspended, and Engrossed. Substitute Senate Bill No. 400 was advanced to second reading and read the second time by sections.

On motion of Mr. Munro, the first thirty-one committee amendments by the Committee on Ways and Means were adopted.

Mr. Munro moved the adoption of the last amendment by the Committee on Ways and Means, being the amendment to page 38 of the original and printed substitute bill.

Mr. Eldridge moved the adoption of the following amendment to the committee amendment by the Committee on Ways and Means to page 38 of the original and printed substitute bill:

Amend the committee amendment to section 2, page 38 of the original and printed substitute bill, after the words "at the rate of" strike the figure "$505.50" and insert in lieu thereof the figure "$455.50"; and after the word "and" following the dates "1957-1958" strike the figure "$505.50" and insert in lieu thereof the figure "$555.50"

Debate ensued.

POINT OF INQUIRY

The Speaker recognized Mr. Ruoff.

Mr. Ruoff:

"Will the gentleman, Mr. Munro, yield?"

Mr. Munro:

"Yes."

Mr. Ruoff:

"Mr. Munro, as I understand it, the original budget as it came over from the Senate would have given the teachers a $300 raise the first year and $500 the second year."

Mr. Munro:

"$305.50 and $505.50."

Mr. Ruoff:

"Now, the committee amendment would give the teachers $500 the first year and approximately $500 the second year. This will increase the budget $4,500,000, is that correct?"

Mr. Munro:

"$4,512,000."

Mr. Ruoff:

"In other words, an additional $200 a year, is that correct?"

Mr. Munro:

"Yes, that is right. This is simply an attempt to give the teachers the additional $200 the first year that they are entitled to."

Debate ensued.

Mr. Sandison demanded a call of the House and the demand was sustained.
CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Burns, McCormack (Mike), and McCormick (W. L.).

Mr. McCormick (W. L.) appeared before the bar of the House.

On motion of Mr. Sandison, the absent members were excused and the House proceeded with business under the call of the House.

Mr. McCormack (Mike) appeared before the bar of the House.

The Speaker declared the question before the House to be the adoption of the amendment by Mr. Eldridge to the committee amendment. Debate ensued.

POINT OF INQUIRY

The Speaker recognized Mr. Canfield.

Mr. Canfield:
"Will Mr. Munro yield to a question?"

Mr. Munro:
"I will."

Mr. Canfield:
"Mr. Munro, is this $4,512,000 to be paid to the teachers during this interim period of two years, and will this be $505.50 per year in actual added salary, and will the state pay the $94.50 OASI cost per teacher?"

Mr. Munro:
"Yes."

Mr. Canfield:
"Now, in your closing remarks, I understood you to say this will give the teachers the $200 raise they are entitled to. I think you meant to say $200 in addition to the $300 which the Senate has previously approved, is that not right, sir?"

Mr. Munro:
"You are right, Representative Canfield."

Mr. Canfield:
"In other words, the actual salary raise will be $505.50, plus OASI of $94.50 which will be paid by the state?"

Mr. Munro:
"That is right."

Debate ensued.

Mr. Olsen demanded the previous question and the demand was sustained.

Mr. Sandison demanded an electric roll call and the demand was sustained.

Engrossed Substitute Senate Bill No. 400 as amended by the House, having received the constitutional majority, was declared passed.
There being no objection, the title of the bill was ordered to stand as the title of the act.

**MOTION**

On motion of Mr. Sandison, Engrossed Substitute Senate Bill No. 400, as amended by the House, was ordered immediately transmitted to the Senate.

**EXPLANATION OF VOTE**

We, the undersigned Republicans, voted against the Omnibus Appropriations bill (Substitute Senate Bill No. 400) for the following reasons:

The Democrat budget is more out of balance than any bill adopted in the history of the state of Washington with the possible exception of the budget adopted after the ruinous welfare initiative 172, sponsored by the Democrats, became effective.

Furthermore, the true state of the budget has been concealed when in reality the budget is much further out of balance than is shown by this bill. For example, the $20,000,000 bond issue based on pledging the retail sales tax for the next thirty years is merely deficit spending, causing the budget to be further out of balance.

This act will place an excessive burden on the taxpayers of this state and their children for many years to come.

MOTION

On motion of Mr. Sandison, Engrossed House Bill No. 717 was immediately transmitted to the Senate.

House Bill No. 724, by Representatives Munro, Hanson (Herb), and Edwards:

Relating to revenue and taxation.

Mr. Speaker:

We, a majority of your Committee on Ways and Means, Subcommittee on Revenue and Taxation, to whom was referred House Bill No. 724, relating to revenue and taxation, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

Immediately following section 1, add nine new sections to be known as sections 2 through 10 to read as follows:

"Sec. 2. Section 14.02, chapter 79, Laws of 1947 and RCW 48.14.020 are each amended to read as follows: "(1) Subject to other provisions of this chapter, each authorized insurer [except title insurers] shall on or before the first day of March of each year pay to the state treasurer through the commissioner's office a tax on premiums. Except as provided in subsection (2) of this section, such tax shall be in the amount of two per cent of all premiums, excluding amounts returned to or the amount of reductions in premiums allowed to holders of industrial life policies for payment of premiums directly to an office of the insurer, collected or received by the insurer during the preceding calendar year in the case of foreign and alien insurers, and in the amount of one and one-half percent of all such premiums in the case of domestic insurers, for direct insurances; other than ocean marine and foreign trade insurances, after deducting premiums paid to policyholders as returned premiums, upon risks or property resident, situated, or to be performed in this state. For the purposes of this section the consideration received by an insurer for the granting of an annuity is deemed to be a premium.

"(2) In the case of insurers which require the payment by their policyholders at the inception of their policies of the entire premium thereon in the form of premiums or premium deposits which are the same in amount, based on the character of the risks,
regardless of the length of term for which such policies are written, such tax shall be in
the amount of two percent of the gross amount of such premiums and premium deposits
upon policies on risks resident, located, or to be performed in this state, in force as of the
thirty-first day of December next preceding, less the unused or unabsorbed portion of
such premiums and premium deposits computed at the average rate thereof actually
paid or credited to policyholders or applied in part payment of any renewal premiums
or premium deposits on one-year policies expiring during such year.

"(3) Each authorized insurer shall with respect to all ocean marine and foreign
trade insurance contracts written within this state during the preceding calendar year,
on or before the first day of March of each year pay to the state treasurer through the
commissioner’s office a tax of [three-quarters of] one and one-half percent on its gross
underwriting profit. Such gross underwriting profit shall be ascertained by deducting
from the net premiums (i.e. gross premiums less all return premiums and premiums
for reinsurance) on such ocean marine and foreign trade insurance contracts the net
losses paid (i.e. gross losses paid less salvage and recoveries on reinsurance ceded)
during such calendar year under such contracts. In the case of insurers issuing par­
ticipating contracts, such gross underwriting profit shall not include, for computation
of the tax prescribed by this subsection, the amounts refunded, or paid as participation
dividends, by such insurers to the holders of such contracts.

"(4) The state does hereby preempt the field of imposing excise or privilege taxes
upon insurers, [other than title insurers,] and no county, city, town or other municipal
subdivision shall have the right to impose any such taxes upon such insurers.

"(5) If an authorized insurer collects or receives any such premiums on account of
policies in force in this state which were originally issued by another insurer and which
other insurer is not authorized to transact insurance in this state on its own account,
such collecting insurer shall be liable for and shall pay the tax on such premiums.

"(6) This section shall be effective as to and shall govern the payment of all taxes
falling due after the effective date of this code.

"Sec. 3. Section 21, chapter 190, Laws of 1949 (heretofore divided and codified as
RCW 48.14.040 and 48.14.080) is divided and amended as set forth in sections 4 and 5 of
this act.

"Sec. 4. (RCW 48.14.040) (1) If pursuant to the laws of any other state or country,
any taxes, fines, penalties, licenses, fees, deposits, or other obligations or prohibitions,
in the aggregate, or additional to or at a net rate in excess of any such taxes, fines, pen­
alties, licenses, fees, deposits or other obligations or prohibitions imposed by the laws
of this state upon like foreign or alien insurers and their agents and solicitors, are
imposed on insurers of this state and their agents doing business in such other state or
country, a like rate, obligation or prohibition may be imposed by the commissioner,
as to any item or combination of items involved, upon all insurers of such other state
or country and their agents doing business in this state, so long as such laws remain in
force or are so applied.

"(2) For the purposes of this section an alien insurer, may be deemed to be domi­
ciled in the state wherein it has established its principal office or agency in the United
States. If no such office or agency has been established, the domicile of the alien
insurer shall be deemed to be the country under the laws of which it is formed.

"Sec. 5. (RCW 48.14.080) As to insurers [other than title insurers,] the taxes im­
posed by this title shall be in lieu of all other taxes, except taxes on real and tangible
personal property and excise taxes on the sale, purchase or use of such property.

"Sec. 6. Section .29.15, chapter 79, Laws of 1947 and RCW 48.29.150 are each re­
pealed.

"Sec. 7. There is added to chapter 268, Laws of 1947 and chapter 48.44 RCW a new
section to read as follows:

"Each health care service contractor shall on or before the 1st day of March of each
year, commencing March 1, 1958, pay to the insurance commissioner for deposit in the
general fund, a tax in the amount of one and one-half percent of all amounts received
for pre-payment for health care services during the preceding calendar year.

"Sec. 8. There is added to chapter 268, Laws of 1947 and to chapter 48.44 RCW a new
section to read as follows:

"Each health care service contractor shall file with the insurance commissioner an­
nually a statement of pre-payments for health care services collected or received on
such form as shall be prescribed and furnished by the insurance commissioner.

"Sec. 9. There is added to chapter 268, Laws of 1947 and to chapter 48.44 RCW a new
section to read as follows:

"Any health care service contractor failing to file its tax statement and to pay the
specified tax on premiums for more than thirty days after date due shall be liable to a penalty of twenty-five dollars for each additional day of delinquency. In such event the tax may be collected by distraint, and the penalty recovered by any action instituted by the commissioner in any court of competent jurisdiction. The amount of any such penalty collected shall be paid to the insurance commissioner to be credited to the general fund.

"Sec. 10. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

In line 1 of the title strike the period (.) and insert words and punctuation as follows: "increasing the tax on certain insurance premiums; imposing a tax on health care service contractors; amending section .14.02, chapter 79, Laws of 1947 and RCW 48.14.020; amending section 21, chapter 190, Laws of 1949 and RCW 48.14.040 and 48.14.080; adding three new sections to chapter 268, Laws of 1947 and to chapter 48.44 RCW; repealing section .29.15, chapter 79, Laws of 1947 and RCW 48.29.150; providing penalties; and declaring an emergency." HERB HANSON, Chairman, MIKE MCCORMACK, Vice Chairman.

The bill was read the second time by sections.

Mr. Hanson (Herb) moved the adoption of the committee amendment.

Mr. Stocker moved the adoption of the following amendment to the committee amendment:

Amend the committee amendment, in section 2, page 1, line 7, after the words "amount of two" and before the word "percent" add the words "and one-fourth"

MOTION

On motion of Mr. Hanson (Herb), House Bill No. 724 was re-referred to Committee on Ways and Means, Subcommittee on Revenue and Taxation.

House Bill No. 727, by Representative Klein:
Relating to revenue and taxation.
MR. SPEAKER:

We, a majority of your Committee on Ways and Means, Subcommittee on Revenue and Taxation, to whom was referred House Bill No. 727, relating to revenue and taxation, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

Following section 1, add two new sections to be known as sections 2 and 3 to read as follows:

"Sec. 2. Section 115, chapter 180, Laws of 1935 as amended by section 5, chapter 202, Laws of 1939 and RCW 83.16.080 are each amended to read as follows:

"Insurance payable upon the death of any person shall be deemed a part of the estate for the purpose of computing the inheritance tax and shall be taxable to the person entitled thereto. Such insurance shall be taxable irrespective of the fact that the premiums of the policy have been paid by some person other than the insured, or paid out of the income accruing from principal provided by the assured for such payment, whether such principal was donated in trust or otherwise: Provided, That there is exempt from the total amount of insurance receivable by all beneficiaries other than the executor, administrator or representative of the estate, regardless of the number of policies, the sum of forty thousand dollars and no more: Provided further, That in the case of insurance upon the life of a decedent officer or employee of a corporation, payable to the corporation or upon the life of a decedent employee of or partner in a business enterprise, payable to one or more of the partners, where all the premiums upon such policy have been paid exclusively by such beneficiary, upon the death of the decedent, the amount only of the proceeds of the policy in excess of the cash surrender value immediately preceding the death of the decedent shall be deemed a part of the estate for the purpose of computing the inheritance tax."

"[Where more than one beneficiary is entitled to the benefit of the provision of this section exempting forty thousand dollars of the proceeds of insurance policies payable upon death, the benefit of such exemption shall be apportioned among such beneficiaries ratably and proportionately: Provided, That where there is fraternal benefit society insurance payable upon the death of the decedent and other insurance payable upon the death of the decedent, the forty thousand dollars exemption shall first be taken from the fraternal benefit society insurance and if the same does not equal forty thousand dollars, then the balance of the forty thousand shall be prorated among other policies.]

"The inheritance tax upon the proceeds of any insurance policy shall be a lien upon the proceeds of such policy in the hands or possession of the estate of the deceased insured or in the hands or possession of any beneficiary under such policy to whom such proceeds may have been paid: Provided, That when proceeds of Insurance payable upon death, are receivable by a beneficiary other than the executor or representative, the executor or representative shall recover from such beneficiary the tax due upon such proceeds of such policy or policies. The tax commission shall have power to release such lien with respect to all or any part of such proceeds if it is satisfied that the collection of the tax will not thereby be jeopardized.

"Nothing in the inheritance tax provisions of this title shall prevent the payment by an insurance company, association or society of the proceeds of any policy upon the death of a decedent to the person entitled thereto, except that where prior to such payment the commission has notified the company that the state is claiming a lien thereon payment shall be deferred until the tax has been paid."

"Sec. 3. Section 1, chapter 134, Laws of 1931 as amended by section 2, chapter 184, Laws of 1945 and RCW 83.40.050, are each hereby repealed."

ELECTION OF ASSISTANT CHIEF CLERK

The Speaker:

"At this time, under our rules we are to elect an Assistant Chief Clerk. Nominations are open for the position of Assistant Chief Clerk of the House of Representatives."

The Speaker recognized Mr. Sandison.

Mr. Sandison:

"Mr. Speaker, ladies and gentlemen, at the closing hours of this session it is with a great deal of pleasure that I rise to place in nomination for the position of Assistant Chief Clerk of the House of Representatives, a man who has served us very well.
When there was an emergency, he stepped in and did a good job as Acting Chief Clerk. I think if anything happened in the future, he would again serve us very well. It is with a great deal of pleasure I place in nomination the name of Sidney Snyder."

Mr. Shropshire:
"I rise to second the nomination of Mr. Snyder."

The Speaker:
"It has been moved and seconded that Mr. Snyder be elected Assistant Chief Clerk of the House of Representatives. Are there any other nominations? If not, the Clerk will call the roll on the election of Mr. Sidney Snyder as Assistant Chief Clerk."

**PROPOSITIONS AND MOTIONS**

**RESOLUTIONS**

Resolution by Committee on Rules and Order:

**Be It Resolved,** That after the adjournment of the thirty-fifth legislature, the use of the House chamber, any of its committee rooms, or any of the furniture or furnishings therein, shall not be granted to anyone without the permission of the Speaker of the House of Representatives.

On motion of Mr. Mardesich, the resolution was adopted.

Resolution by Committee on Rules and Order:

**Be It Resolved,** That the Speaker be and he is hereby authorized to direct the Chief Clerk and/or his assistant to prepare for the Speaker's approval the necessary vouchers upon which warrants shall be drawn for the final payment of all expenses in connection with the closing business and for all the other business of the House of Representatives for the thirty-fifth legislature.

On motion of Mr. Mardesich, the resolution was adopted.

Resolution by Committee on Rules and Order:

**Be It Resolved,** That the Speaker of the House be and he is hereby authorized to employ the Chief Clerk of the House and/or his assistant for a period of not more than sixty days or so much of such period of time as may be necessary to complete the work of the thirty-fifth legislature, including the details that arise therefrom and that the sum of fifty dollars per day and per diem expense for each day's time actually spent in such work be authorized and allowed.

**Be It Further Resolved,** That the Chief Clerk of the House shall receive a salary of one hundred dollars per month until the convening of the next session of the legislature for the purpose of preparing monthly salary vouchers for the members of the House, mailing warrants and attending to all necessary correspondence in connection therewith.

**Be It Further Resolved,** That the Speaker be and is hereby authorized to retain such additional employees as he may deem necessary to complete the work of the thirty-fifth legislature and that each such employee be allowed regular per diem therefor.

**Be It Further Resolved,** That the Speaker is hereby authorized and directed to approve the necessary vouchers upon which warrants for the foregoing expenses and other legislative expenditures shall be drawn.

On motion of Mr. Mardesich, the resolution was adopted.
Resolution by Committee on Rules and Order:

Be It Resolved, That the Speaker of the House be and he is authorized and directed to have made a copy of the journal of the House for the thirty-fifth legislature together with suitable index therefor prepared for the state printer, and that in addition to clerical expense incurred he be and is hereby allowed to employ the Chief Clerk and/or his assistant to supervise said work, and that such supervisor and/or supervisors be paid not to exceed the sum of twelve hundred dollars in the aggregate for the work of supervising the compiling, editing, proof-reading the printed journal, said amount to be paid from the sum appropriated in Substitute Senate Bill No. 400, for legislative indexing of the journal.

The state auditor is authorized and directed to issue for said supervisor and/or supervisors a warrant or warrants for one-half of the amount herein allowed when the printer's receipt for copy is filed in his office, and the balance when the printer shall certify that the reading of the proof on the journal index has been completed and the same found to be correct.

On motion of Mr. Mardesich, the resolution was adopted.

Be It Resolved by the Employees in the Stenographic Pool:

WHEREAS, The House members this session have been most generous and have given said employees candies, cookies and other gifts of similar nature; and
WHEREAS, Such gifts have been greatly appreciated by the employees; and
WHEREAS, Said House members have been cooperative and considerate at all times;
Now, Therefore, The employees of the stenographic pool wish to express their appreciation to the members for their thoughtfulness.

SIGNING BY THE SPEAKER

The Speaker announced that he was about to sign House Bill No. 727; also Senate Bill No. 69; also Senate Bill No. 416.

The Speaker called on Mr. Sandison to preside.

PRESENTATION OF GIFT TO SPEAKER

The Speaker (Mr. Sandison presiding) observed within the bar of the House, Mrs. John L. O'Brien, and appointed Representatives Testu and May to escort her and the Honorable John L. O'Brien to a place before the bar of the House.

The Speaker (Mr. Sandison presiding) called on Mrs. Testu and Mrs. May to come forward.

Mrs. Testu:

"Fellow members of the House of Representatives, it has now been sixty wonderful days that we have served together, and through it all we have had the wonderful 'tie that binds.' We have learned one lesson, that on the big things we are in agreement; on the little things there are two sides—our side and the wrong side; and, it is very frustrating that we can't get more than the majority off of that 'wrong side.' But tonight this occasion is one of the big things, and with unanimous agreement and heartfelt feeling we express to our Speaker our appreciation for work well done, and we present to him, as a token of our affection and esteem, a scroll with our names on it. A little later, Mr. Speaker, we will present you and your lovely wife with a beautiful silver tray, punch bowl, and cups. I am sorry to say it isn't here, but it will be delivered to your home. We hope you will keep it as a remembrance of the Thirty-fifth Legislature, and of our love and affection."

Mrs. May:

"Mr. Speaker and Mrs. O'Brien, speaking for the loyal minority group, I want to express for each and every one of us in that group our great appreciation for a very fine job, well done, and for your patience, your fairness, and your integrity.

"We realize we may have been very trying on our side. You, also, have been very trying, but you have always tried fairly. I thank you."

The Speaker:

"Thank you very much, Mrs. Testu and Mrs. May. I can assure you that the scroll is very much appreciated by Mrs. O'Brien and me. It is something we can always keep and which will mean much. It will bring back many pleasant remembrances to us of this session.

"All of these sessions, it seems, mean a great deal to the people who serve here. There is a bond of friendship which develops from coming here that doesn't seem to exist in anything else you do in your everyday life. Very often, after we leave here, we don't see each other for a long time. When I come down to the Legislative Building during the interim and look around these halls, there is certainly something lacking, but it always brings back many pleasant memories to come here. You might recall, perhaps, a skirmish with someone over a parliamentary question, and you can't help but wonder where that person is and what he or she is doing.

"Serving here is a wonderful experience that is hard to understand unless you have been here. I know my experience here in the Legislature means a great deal to me. One of the principal reasons is that I have met so many fine people—on both sides of the aisle. The side of the aisle doesn't seem to be of much importance after our deliberations here are completed. We forget about it, which is one thing I like. We are all doing the very best we can for the state of Washington. We come here and fight hard to present our points of view; and after it is over we forget our differences.

"This session has been very interesting to me. You people have done a fine job. You have worked hard. This is probably the hardest-working session we have ever had, and I know we have all tried to do the very best we possibly could.

"In the days ahead I know I am going to remember all of you, and I thank you very much, both for the scroll and for the gift to come."
The Speaker (Mr. Sandison presiding):

"I will now ask Mrs. May and Mrs. Testu to escort the Speaker and Mrs. O'Brien to the Speaker's office, please."

The Speaker resumed the chair.

To the Honorable,

The House of Representatives of the State of Washington.

(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval as to one section, House Bill No. 57, entitled:

"An Act to improve the administration of justice, providing for an administrator for the courts of this state, providing for assignment of judges by the chief justice of the supreme court of this state to counties and judicial districts where needed, providing for an annual conference of judges; amending section 6, chapter 58, Laws of 1933 extraordinary session as amended by section 11, chapter 38, Laws of 1955, and RCW 2.16.060; repealing section 3, chapter 58, Laws of 1933 extraordinary session, section 8, chapter 38, Laws of 1955 and RCW 2.16.030; making an appropriation and declaring an emergency."

This bill is approved with the exception of section 13 which is vetoed. Section 13 is an emergency clause. It will take some time to give proper and careful consideration to the list of persons to be submitted by me to the chief justice of the supreme court for appointment as court administrator. For this reason I deem it advisable to veto section 13. The remainder of the bill is approved.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,
Governor.

March 26, 1957.

To the Honorable,

The House of Representatives of the State of Washington.

(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval as to section 3, House Bill No. 99, entitled:

"An Act relating to salaries of the judges of the supreme court and of the superior courts; amending section 1, chapter 144, Laws of 1953 and RCW 2.04.090; and amending section 2, chapter 144, Laws of 1953 and RCW 2.08.090."

This bill is approved with the exception of section 3 which is vetoed. Section 3 is superfluous since it merely affirms the constitutional command contained in article 4, section 13 of the constitution of the state of Washington. Since at this session of the legislature both houses of the legislature passed for submission to the people at the next general election Substitute Senate
Joint Resolution No. 9 which, if approved, would amend article 4, section 13 of the constitution of the state of Washington, section 3 of House Bill No. 99 might conflict with Substitute Senate Joint Resolution No. 9 if the latter should become law.

For the reasons indicated section 3 is vetoed and the remainder of the bill is approved.

Respectfully submitted,
(Signed) ALBERT D. ROSELLINI,
Governor.

March 8, 1957.

To the Honorable,
The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I am returning herewith without my approval as to sections 1, 2 and 3, House Bill No. 185, entitled:

"AN ACT relating to forest protection; amending sections 1 and 2, chapter 164, Laws of 1905, section 1, chapter 125, Laws of 1911, section 4, chapter 125, Laws of 1911, section 6, chapter 105, Laws of 1917 as last amended by section 1, chapter 58, Laws of 1951 (heretofore combined, divided and codified as RCW 76.04-.010 and 76.04.050); amending section 1, chapter 24, Laws of 1953 and RCW 76.04.140; amending section 1, chapter 18, Laws of 1951 second extraordinary session and RCW 76.04.190; amending section 5, chapter 142, Laws of 1955 and RCW 76.04.225; amending section 10, chapter 142, Laws of 1955 and RCW 76.04.250; amending section 6, chapter 24, Laws of 1953 and RCW 76.04.300; and providing penalties."

This bill corrects legislation pertaining to the administration and maintenance of forests.

Sections 1, 2 and 3 attempt to recodify certain sections pertaining to forests. These sections are in conflict with Substitute House Bill No. 68 which was signed a few days ago. Substitute House Bill No. 68 turns over to the new department of natural resources forestry functions previously administered by the department of conservation and development. If I permitted sections 1, 2 and 3 of House Bill No. 185 to stand, the director of conservation and development would have to exercise the functions granted specifically by Substitute House Bill No. 68 to the commissioner of public lands.

The sponsors of this bill did not intend to reach this result.

Sections 4, 5, 6, 7 and 8 of House Bill No. 185 are entirely meritorious and should be enacted.

For the reasons indicated, sections 1, 2 and 3 are vetoed and the remainder of the bill is approved.

Respectfully submitted,
(Signed) ALBERT D. ROSELLINI,
Governor.
March 5, 1957.

To the Honorable,
The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I am returning herewith without my approval as to section 2, House Bill No. 188, entitled:

"An Act providing for the acquisition by purchase by the state forest board of certain lands in Clallam county from the federal government and making an appropriation therefor."

This bill authorizes the state forest board to acquire from the federal government certain real property situated in Clallam County, State of Washington. Section 2 of the bill appropriates from the forest development fund $5,000 to acquire the real property described in section 1 of this bill.

Chapter 370, Laws of 1955, abolishes the forest development fund and establishes a forest development account in the state general fund.

I feel that the appropriation made by section 2 is null and void and in order to accomplish the purpose of this bill I suggest that there be appropriated the $5,000 from the forest development account in the general fund and that this appropriation be included in the supplemental appropriation bill.

For the reasons indicated section 2 is vetoed and the remainder of the bill is approved.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,
Governor.

March 26, 1957.

To the Honorable,
The House of Representatives of the State of Washington.

(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval as to certain sections House Bill No. 254, entitled:

"An Act relating to motor vehicles; providing for the staggered registration system of licensing and staggered payment of the excise tax thereon; amending section 11, chapter 384, Laws of 1955 and RCW 46.16.060; amending section 2, chapter 89, Laws of 1955 and RCW 46.16.210; amending section 1, chapter 89, Laws of 1955 and RCW 46.16.220; amending section 1, chapter 90, Laws of 1949 and RCW 46.16.230; amending section 2, chapter 144, Laws of 1943 and RCW 82.44.020; and amending section 25, chapter 139, Laws of 1955 and RCW 82.44.060."

Sections 6, 7 and 11 are vetoed.

House Bill No. 254 establishes a system of staggered licenses for motor vehicles. Section 6 of House Bill No. 254 conflicts with House Bill No. 308 which I have previously signed into law. House Bill No. 308 increases the license fee for motor vehicles from $5.00 to $6.50. If I permitted section 6 of House Bill No. 254 to become law the license fee would be reduced to $5.00.
Section 7 of House Bill No. 254 contains a penalty provision for late registration of $3.00. Section 5 of the omnibus highway bill, House Bill No. 643, which I have signed into law, eliminates this penalty provision for late registration.

Section 11 of House Bill No. 254 sets forth certain requirements of excise taxes affecting among others house trailers. This act is in conflict with House Bill No. 458 which I have signed into law.

Neither sections 6, 7 or 11 are essential to accomplish the main purpose of House Bill No. 254 and these sections conflict with other bills which have been signed into law. For the reasons indicated sections 6, 7 and 11 are vetoed and the remainder of the bill is approved.

Respectfully submitted,
(Signed) ALBERT D. ROSELLINI,
Governor.

March 26, 1957.

To the Honorable,
The House of Representatives of the State of Washington.
(Through the Secretary of State.)
Ladies and Gentlemen:
I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval House Bill No. 314, entitled:

"AN ACT relating to state school equalization fund; and amending section 1, chapter 226, Laws of 1937 and RCW 28.47-.010."

House Bill No. 314 provides that the State Treasurer shall quarterly transfer any balance in the state school equalization fund to the general fund. In vetoing House Bill No. 323 I stated as follows:

"House Bill No. 323 provides where the realty excise tax levied in a county does not produce seventeen cents per day's attendance credit such deficiency shall be paid out of the state general fund instead of out of the state school equalization fund.

"House Bill No. 314 requires all balances in the state school equalization fund to be transferred quarterly to the state general fund.

"The legislature omitted to make an appropriation from the general fund to carry out the provisions of House Bill No. 323. Therefore, if I permitted House Bill No. 323 to become law numerous school districts would be unable to meet their financial obligations because of insufficient funds in the state school equalization fund.

"I trust that during the next session of the legislature the provisions now contained in House Bill No. 323 and House Bill No. 314 will be re-enacted and that the legislature will make an appropriation from the general fund to carry into effect the provisions contained in House Bill No. 323."

For reasons indicated House Bill No. 314 is vetoed.

Respectfully submitted,
(Signed) ALBERT D. ROSELLINI,
Governor.
March 26, 1957.

To the Honorable,

The House of Representatives of the State of Washington.

(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval House Bill No. 323, entitled:

"An Act relating to the support of the common schools; and amending section 1, chapter 16, Laws of 1951 second extraordinary session and RCW 28.45.110."

House Bill No. 323 provides where the realty excise tax levied in a county does not produce seventeen cents per day's attendance credit such deficiency shall be paid out of the state general fund instead of out of the state school equalization fund.

House Bill No. 314 requires all balances in the state school equalization fund to be transferred quarterly to the state general fund.

The legislature omitted to make an appropriation from the general fund to carry out the provisions of House Bill No. 323.

Therefore, if I permitted House Bill No. 323 to become law numerous school districts would be unable to meet their financial obligations because of insufficient funds in the state school equalization fund.

I trust that during the next session of the legislature the provisions now contained in House Bill No. 323 and House Bill No. 314 will be re-enacted and that the legislature will make an appropriation from the general fund to carry into effect the provisions contained in House Bill No. 323.

For the reasons indicated House Bill No. 323 is vetoed.

Respectfully submitted,

(Signed) ALBERT D. ROSELLINI,
Governor.

March 26, 1957.

To the Honorable

The House of Representatives of the State of Washington.

(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval as to certain sections Substitute House Bill No. 458, entitled:

"An Act relating to house trailer excise tax; amending sections 1, 2, 3, 7, 9, 11, 13, 16, 17 and 18, chapter 139, Laws of 1955 and RCW 82.50.010, 82.50.200, 82.50.030, 82.50.070, 82.50.090, 82.50.110, 82.50.130, 82.50.160, 82.50.170 and 82.50.180; amending section 6, chapter 144, Laws of 1943 as last amended by section 25, chapter 139, Laws of 1955, and RCW 82.44.040; amending section 22, chapter 139, Laws of 1955, section 5, chapter 363, Laws of 1955 and RCW 46.16.080; amending section 1, chapter 264, Laws of 1955 and RCW 82.44.010; repealing sections 8, 10 and 15, chapter 139, Laws of 1955 and RCW 82.50.090, 82.50.100 and 82.50.150;
adding four new sections to chapter 139, Laws of 1955 and to chapter 82.50 RCW; adding a new section to chapter 188, Laws of 1937 and to chapter 46.16 RCW; and making an appropriation."

Sections 9, 10 and 14 are vetoed. All other sections are approved.

Section 9 creates a new fund "the mobile home excise fund." All receipts from the trailer excise tax levied by Substitute House Bill No. 458 would have to be paid into this fund. Section 10 provides for refund for taxes erroneously paid into the "mobile home excise fund." Section 14 provides that all monies remaining in the mobile home excise fund should be divided as follows: 5 percent to the state general fund; 17 percent to cities and towns and 78 percent to counties.

Through an oversight the legislature failed to make an appropriation from the "mobile excise fund" to make the distributions demanded by section 14. Under existing law the excise tax on trailers would go into the motor vehicle excise fund and under existing law such excise tax on trailers will be distributed in the same manner as the legislature sought to provide in section 14 of this bill. Substitute Senate Bill No. 400, the omnibus appropriation bill, includes an appropriation of forty million dollars from the motor vehicle excise fund. Therefore by vetoing sections 9, 10 and 14 the taxes raised by Substitute House Bill No. 458 would be paid into the proper fund and the appropriation defect in this bill is cured by our existing statutes. Thus, the objectives desired by the bill can be fully carried out.

For these reasons sections 9, 10 and 14 of Substitute House Bill No. 458 are vetoed and the remainder of the bill is approved.

Respectfully submitted,
(Signed) ALBERT D. ROSELLINI,
Governor.

March 26, 1957.

To the Honorable
The House of Representatives of the State of Washington.
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be submitted to the House of Representatives at the next session of the legislature without my approval as to certain sections, Substitute House Bill No. 618, entitled:

"An Act relating to state government; amending section 1, chapter 195, Laws of 1955 and RCW 43.28.010, and section 4, chapter 234, Laws of 1951 and RCW 43.19.280; adding fourteen new sections to chapter 43.28 RCW; and making an appropriation."

This bill is approved with the exception of sections 17, 18 and 19.

Substitute House Bill No. 618 enables the Governor to establish an advisory commission of 7 members to aid in the administration of the Department of Institutions. Section 17 designates the Department of Institutions as the mental health authority of the state for the purpose of receiving and disbursing federal grants for mental health purposes. Section 18 would require the Director of Institutions to adopt personnel standards which would be required by the federal government if section 17 were to become law. Section 19
intended to make an appropriation for the commission established by Substitute House Bill No. 618. The legislature left the amount of the appropriation blank so as to render the same null and void.

It has come to my attention that the State Health Department is at the present time successfully operating in certain counties community mental health programs. These programs have been conducted successfully and deserve to be carried on by the State Health Department, which operates such programs with federal funds. I do not wish to interfere with these well established community programs and therefore veto section 17. Section 18 is vetoed because it is no longer necessary to the main purpose of the bill after section 17 has been vetoed.

For the reasons indicated sections 17, 18 and 19 of Substitute House Bill No. 618 are vetoed and the remainder of the bill is approved.

Respectfully submitted,
(Signed) ALBERT D. ROSELLINI,
Governor.

March 26, 1957.

To the Honorable
The House of Representatives of the State of Washington.
(Through the Secretary of State.)

Ladies and Gentlemen:
I am filing herewith, to be transmitted to the House of Representatives of the State of Washington at the next session of the Legislature, without my approval as to certain items, Substitute House Bill No. 719, entitled:

"AN ACT making appropriations and reappropriations for the purchase, condemnation and improvement of land, construction of buildings and improvements at designated state institutions; for the payment of salaries of certain officers and employees of the state and for the operation, maintenance and other expenses of certain state institutions, departments and offices; for the relief of certain individuals, corporations, counties and municipalities; for refunds and for deficiencies and for emergencies, and for appropriation of revolving funds, and for purposes specified in certain acts of Congress, and for miscellaneous purposes designated for the fiscal biennium beginning July 1, 1957, and ending June 30, 1959, except as otherwise provided; defining terms, limiting allowances and payments, and declaring that this act shall take effect immediately."

I disapprove and veto the item "CITY OF CHENEY, assessment against Eastern Washington College of Education for storm sewer installation $50,341.73" for the reason that it appears that the amount contemplated by this appropriation is out of proportion to the benefits received by the Eastern Washington College of Education. It appears that the problem arises from the distribution of natural drainage, and it would seem that it might be a proper procedure to establish a local improvement district with notice to the proper state officials as prescribed by law in order that the true liability of the property involved might be established and the state pay its just share as contemplated by existing statutes.
I disapprove and veto the item "FOR THE DEPARTMENT OF PUBLIC ASSISTANCE—DIVISION OF MEDICAL CARE: Deficiency, to cover cost of operation of Whatcom County Hospital for the biennium ending June 30, 1957 $45,556.00" for the reason that this is a duplication of an appropriation made by House Bill No. 466.

I disapprove and veto the item "FOR THE DEPARTMENT OF COMMERCE: Salaries, wages and operations $1,500,000.00" for the reason that this is a duplication of an appropriation made by Senate Bill No. 282, already approved.

I disapprove and veto the item "To carry out the provisions of Senate Bill No. 331, relating to the appointment of the Tax Commission: Salaries, Wages and Operations $6,420.00" for the reason that the additional expense created by Senate Bill No. 331 can be paid from the regular appropriation for the State Tax Commission.

I disapprove and veto the item "For the State Capitol Committee: Purchase of land and construction of parking facilities $110,000.00" for the reason that this is a duplication of an appropriation made by House Bill No. 653, already approved.

I disapprove and veto the item "FROM THE GENERAL FUND: Deficiency to cover cost of operation of King county hospital for the biennium ending June 30, 1957 $168,000.00" for the reason that this is a duplication of an appropriation made by House Bill No. 466.

I disapprove and veto the item "FOR THE SECRETARY OF STATE: For salaries, wages and operations to carry out provisions of Senate Bill No. 180 $20,000.00" for the reason that Senate Bill No. 180 has been vetoed, making this appropriation unnecessary.

I disapprove and veto the item "FOR THE DEPARTMENT OF NATURAL RESOURCES AND THE COMMISSIONER OF PUBLIC LANDS: Salaries, Wages and Operations $500,000.00" for the reason that increased appropriations made to this department by Substitute Senate Bill No. 400 should prove sufficient for the operation of this department.

I disapprove and veto the item "FOR TRANSFER TO THE FOREST INSECT AND DISEASE CONTROL FUND $57,000.00" for the reason that it has not been necessary in recent years to make use of this fund. This is a standby fund for emergency use to control insect infestation. At the present time there remains unexpended $43,000.00 from the appropriation of $100,000.00 made in 1951, which would appear to be ample to meet the normal needs for insect control. Should an abnormal condition arise, necessitating an expenditure in excess of this balance, allotment therefor can be made from emergency funds available to the Governor.

I am reluctantly obliged to veto the item "FOR FIRLAND SANATORIUM: Salaries, Wages and Operations $3,000,000.00" for the reason that the wording of this appropriation is defective for the purpose intended. The appropriation should have been for the Department of Institutions and not for the Firland Sanatorium. This appropriation had been intended to be used by the Department of Institutions for the purpose of providing a program of custodial care for retarded children at the Firland Sanatorium. I am very much in favor of this program and intend to provide for the necessary expense to carry out the legislative intent by the use of funds available for allocation by the Governor.
I disapprove and veto the item "For the Olympia Freeway Approach $151,800.00" for the reason that this duplicates an appropriation included in House Bill No. 654, already approved.

With the exception of the foregoing items, which are vetoed, the remainder of Substitute House Bill No. 719 is approved.

Respectfully submitted,
(Signed) ALBERT D. ROSELLINI,
Governor.

March 22, 1957.

To the Honorable
The House of Representatives of the State of Washington.
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to Section 5, House Bill No. 720, entitled as follows:

"An Act relating to revenue; increasing filing fees and annual license fees of corporations; directing the deposit of one-half of all money collected as fees under chapter 70, Laws of 1937 to the credit of the world fair bond redemption fund; amending sections 1, 4, 5, and 32, chapter 70, Laws of 1937 and RCW 23.28.010, 23.28.020, 23.28.060, and 23.28.240; and amending section 2, chapter 70, Laws of 1937 and RCW 23.52.010."

House Bill No. 720 doubles the corporation filing fees and annual license fees of corporations. This bill as originally introduced contemplated that one-half of such fees should be credited to the world fair bond redemption fund and such intention is expressed in the title. Section 5, however, which was amended, provides that all such fees shall be credited to the world fair bond redemption fund. This section does not conform to the title.

Furthermore, House Bill No. 720 is a companion bill to House Bill No. 700. House Bill No. 700, which I have approved, provides for the issuance of revenue bonds to be paid for from the proceeds of one-half of the corporation fees collected under the provisions of House Bill No. 720.

Section 5 of House Bill No. 720 is inconsistent with the provisions of House Bill No. 700 and in order to permit the other half of the corporation filing fees to go into the general fund, Section 5 is vetoed. The remainder of the bill is approved.

Respectfully submitted,
(Signed) ALBERT D. ROSELLINI,
Governor.
